33

00:01:50,929 --> 00:01:49,439

question this evening please use those

34

00:01:54,050 --> 00:01:50,939

all caps

35

00:01:56,990 --> 00:01:54,060

uh and I'll try to get in each to each

36

00:01:59,690 --> 00:01:57,000

and every one uh I'll let you know my

37

00:02:02,810 --> 00:01:59,700

when I um read the last report so you

38

00:02:06,050 --> 00:02:02,820

can start putting your questions up

39

00:02:09,529 --> 00:02:06,060

so before I get started

40

00:02:11,869 --> 00:02:09,539

um you all knew I was in um

41

00:02:14,089 --> 00:02:11,879

in the Chicagoland area

42

00:02:18,770 --> 00:02:14,099

over a week ago I was there for about

43

00:02:20,990 --> 00:02:18,780

five days four or five days and um

44

00:02:25,150 --> 00:02:21,000

we were in uh we were in Rockford

45

00:02:28,070 --> 00:02:25,160

Illinois and in Chicago as well

46

00:02:31,729 --> 00:02:28,080

and the interesting thing was uh before

47

00:02:34,369 --> 00:02:31,739

I left I had several people telling me

48

00:02:35,270 --> 00:02:34,379

that I'm going to experience something I

49

00:02:38,210 --> 00:02:35,280

mean

50

00:02:41,210 --> 00:02:38,220

people that who are gifted in who I

51
00:02:44,390 --> 00:02:41,220
trust Bernadette who's in the chat was

52
00:02:47,270 --> 00:02:44,400
one Brett Butler was another and had

53
00:02:50,449 --> 00:02:47,280
another friend who's a medium say the

54
00:02:53,150 --> 00:02:50,459
same thing to me which was interesting

55
00:02:55,369 --> 00:02:53,160
so uh you know I kind of went into this

56
00:02:57,710 --> 00:02:55,379
whole uh Adventure

57
00:02:59,390 --> 00:02:57,720
not really expecting anything to happen

58
00:03:02,030 --> 00:02:59,400
but

59
00:03:03,710 --> 00:03:02,040
there were um there were two unusual

60
00:03:05,990 --> 00:03:03,720
incidents

61
00:03:08,690 --> 00:03:06,000
while I was there so I'm I'm gonna

62
00:03:10,850 --> 00:03:08,700
discuss both of them and uh you take it

63
00:03:12,830 --> 00:03:10,860

any way you want so

64

00:03:15,350 --> 00:03:12,840

so the first one happened in Rockford

65

00:03:17,890 --> 00:03:15,360

Illinois now

66

00:03:20,690 --> 00:03:17,900

we were up there filming

67

00:03:22,610 --> 00:03:20,700

and uh

68

00:03:24,890 --> 00:03:22,620

I was in the hotel room this beautiful

69

00:03:27,290 --> 00:03:24,900

hotel I mean it was like you know I had

70

00:03:29,089 --> 00:03:27,300

several rooms in the in the hotel in the

71

00:03:32,210 --> 00:03:29,099

several

72

00:03:35,149 --> 00:03:32,220

rooms in the hotel room it was huge

73

00:03:39,229 --> 00:03:35,159

really nice but anyway

74

00:03:43,190 --> 00:03:39,239

we have had in the past people who were

75

00:03:45,470 --> 00:03:43,200

staying in Chicago or around Chicago who

76

00:03:49,070 --> 00:03:45,480

were staying in hotels

77

00:03:51,589 --> 00:03:49,080

and had encounters with what they

78

00:03:53,750 --> 00:03:51,599

thought may have been something

79

00:03:56,210 --> 00:03:53,760

that was related to The Winged humanoids

80

00:03:58,509 --> 00:03:56,220

and a lot of the folks who had these

81

00:04:01,729 --> 00:03:58,519

encounters mentioned that they had

82

00:04:04,070 --> 00:04:01,739

flashbacks or you know they had dreams

83

00:04:06,890 --> 00:04:04,080

about having encounters with these

84

00:04:09,350 --> 00:04:06,900

beings after they had something happen

85

00:04:12,170 --> 00:04:09,360

in their rooms well anyway

86

00:04:14,809 --> 00:04:12,180

my first night there

87

00:04:17,270 --> 00:04:14,819

I was in the living room

88

00:04:19,909 --> 00:04:17,280

and I was watching TV and I had the air

89

00:04:23,150 --> 00:04:19,919

on and it was pretty loud in there

90

00:04:26,810 --> 00:04:23,160

but I could hear some scratching and

91

00:04:28,430 --> 00:04:26,820

tapping sounds coming out of the bedroom

92

00:04:32,210 --> 00:04:28,440

so I thought well maybe it's just

93

00:04:34,010 --> 00:04:32,220

upstairs but this hotel was really well

94

00:04:35,930 --> 00:04:34,020

soundproof it was an old actually it was

95

00:04:38,629 --> 00:04:35,940

reconverted um

96

00:04:41,570 --> 00:04:38,639

factories it was really you know it was

97

00:04:43,790 --> 00:04:41,580

really soundproof to be honest with you

98

00:04:45,890 --> 00:04:43,800

so it kept happening kept hearing the

99

00:04:49,210 --> 00:04:45,900

scratching and this tapping sound so I

100

00:04:52,909 --> 00:04:49,220

got up and walked into the bedroom

101
00:04:56,210 --> 00:04:52,919
and as I walked in there the the huge

102
00:04:58,249 --> 00:04:56,220
window was on the far side and it heard

103
00:04:59,510 --> 00:04:58,259
a scratching into tapping and then it

104
00:05:01,730 --> 00:04:59,520
stopped

105
00:05:04,010 --> 00:05:01,740
when I walked over there

106
00:05:06,110 --> 00:05:04,020
I pulled back the curtains and there was

107
00:05:09,230 --> 00:05:06,120
nothing there I kind of looked around a

108
00:05:11,450 --> 00:05:09,240
bit and best I could I had seen I was at

109
00:05:14,330 --> 00:05:11,460
night time I guess it was around about

110
00:05:16,129 --> 00:05:14,340
11 o'clock or so anyway

111
00:05:18,350 --> 00:05:16,139
so I'm sitting in a bedroom I thought

112
00:05:21,110 --> 00:05:18,360
well you know I'm gonna go ahead and get

113
00:05:22,610 --> 00:05:21,120

ready to go to bed so um because I had a

114

00:05:24,469 --> 00:05:22,620

long day next day

115

00:05:26,570 --> 00:05:24,479

so um

116

00:05:29,270 --> 00:05:26,580

I'm laying there and then I start

117

00:05:30,950 --> 00:05:29,280

hearing this tapping and scratching

118

00:05:33,409 --> 00:05:30,960

again but it's coming from the living

119

00:05:37,909 --> 00:05:36,170

so it kept going and going it didn't

120

00:05:39,890 --> 00:05:37,919

stop I said well I'm gonna get up and

121

00:05:42,050 --> 00:05:39,900

check so I got up and walked into the

122

00:05:44,629 --> 00:05:42,060

living room and I walked through the

123

00:05:46,730 --> 00:05:44,639

door and I did hear it coming from the

124

00:05:48,529 --> 00:05:46,740

window

125

00:05:50,870 --> 00:05:48,539

and then it stopped

126
00:05:54,529 --> 00:05:50,880
well I looked

127
00:05:57,650 --> 00:05:54,539
out the window and I didn't see anything

128
00:06:00,350 --> 00:05:57,660
so you know I I'm trying to figure out

129
00:06:01,730 --> 00:06:00,360
what what's going on you know I believe

130
00:06:04,370 --> 00:06:01,740
there was something

131
00:06:07,850 --> 00:06:04,380
was it related to The Winged humanoids I

132
00:06:10,070 --> 00:06:07,860
had no idea but it was interesting

133
00:06:12,409 --> 00:06:10,080
so uh that's the only thing that

134
00:06:14,029 --> 00:06:12,419
happened at Rockford

135
00:06:17,029 --> 00:06:14,039
um

136
00:06:19,969 --> 00:06:17,039
the day we left there and went through

137
00:06:22,129 --> 00:06:19,979
Chicago we were going down route 90.

138
00:06:23,330 --> 00:06:22,139

Interstate 90.

139

00:06:26,029 --> 00:06:23,340

South

140

00:06:28,909 --> 00:06:26,039

going through downtown

141

00:06:31,189 --> 00:06:28,919

and uh

142

00:06:33,770 --> 00:06:31,199

I was I was in the back seat we were in

143

00:06:36,950 --> 00:06:33,780

an SUV I had it they had hired a driver

144

00:06:38,290 --> 00:06:36,960

so I was uh I had a driver two there and

145

00:06:41,450 --> 00:06:38,300

back

146

00:06:44,270 --> 00:06:41,460

and uh he and I have been talking about

147

00:06:47,029 --> 00:06:44,280

all all the phenomena in Chicago and

148

00:06:49,249 --> 00:06:47,039

stuff he was really interested in it and

149

00:06:56,390 --> 00:06:53,029

when we got to West Addison Street which

150

00:06:58,129 --> 00:06:56,400

was ran over across the the uh the

151
00:07:00,469 --> 00:06:58,139
highway

152
00:07:02,870 --> 00:07:00,479
and look we've had a lot of sightings

153
00:07:05,330 --> 00:07:02,880
where people have seen these things fly

154
00:07:07,610 --> 00:07:05,340
out from underneath overpasses

155
00:07:08,990 --> 00:07:07,620
and quickly disappear

156
00:07:13,430 --> 00:07:09,000
and

157
00:07:16,969 --> 00:07:13,440
I'm sitting there looking on my tablet

158
00:07:19,189 --> 00:07:16,979
and the driver his name was Brad He's he

159
00:07:21,110 --> 00:07:19,199
yelled at what's that

160
00:07:23,029 --> 00:07:21,120
and we're you know we're right under the

161
00:07:25,909 --> 00:07:23,039
underpass and I looked out real quick

162
00:07:28,550 --> 00:07:25,919
and I saw this huge Wing just the One

163
00:07:30,529 --> 00:07:28,560

Wing that it was huge

164

00:07:32,510 --> 00:07:30,539

I couldn't tell if it had feathers or

165

00:07:35,330 --> 00:07:32,520

his membrane or anything but it was dark

166

00:07:38,450 --> 00:07:35,340

in color but it was large

167

00:07:42,409 --> 00:07:38,460

and it flew out from underneath

168

00:07:44,809 --> 00:07:42,419

and got to the edge of the overpass and

169

00:07:48,350 --> 00:07:44,819

flew straight up into the air up into

170

00:07:50,089 --> 00:07:48,360

the sky that's last I saw of it

171

00:07:52,309 --> 00:07:50,099

so

172

00:07:54,969 --> 00:07:52,319

I'm thinking okay

173

00:07:58,550 --> 00:07:54,979

now you know I I don't know what I saw

174

00:08:00,290 --> 00:07:58,560

you know but I took note of it I talked

175

00:08:02,510 --> 00:08:00,300

a couple P to people about it I actually

176

00:08:05,749 --> 00:08:02,520

talked to a witness about it

177

00:08:07,430 --> 00:08:05,759

who had a sighting there uh in the same

178

00:08:10,309 --> 00:08:07,440

area about

179

00:08:13,249 --> 00:08:10,319

two or three years ago but it was in the

180

00:08:16,129 --> 00:08:13,259

same Irving Park area

181

00:08:18,230 --> 00:08:16,139

so uh yeah I I don't know if I had

182

00:08:21,469 --> 00:08:18,240

actual encounters or not they were

183

00:08:24,110 --> 00:08:21,479

interesting uh but it added to the trip

184

00:08:26,689 --> 00:08:24,120

you know but I did enjoy myself it was

185

00:08:31,329 --> 00:08:26,699

very interesting so

186

00:08:34,610 --> 00:08:31,339

uh I just want to mention all that

187

00:08:37,370 --> 00:08:34,620

so you know take it as you want

188

00:08:39,769 --> 00:08:37,380

um now tonight you know you know after

189

00:08:42,469 --> 00:08:39,779

the reports of all these Wing humanoids

190

00:08:44,930 --> 00:08:42,479

referred to many by the witnesses as

191

00:08:47,210 --> 00:08:44,940

your hair and Mothman or Batman continue

192

00:08:49,790 --> 00:08:47,220

at the airport and

193

00:08:52,610 --> 00:08:49,800

you know cargo workers air traffic

194

00:08:55,370 --> 00:08:52,620

controllers and other airport Personnel

195

00:08:58,550 --> 00:08:55,380

were well aware of the phenomena

196

00:08:59,690 --> 00:08:58,560

and uh they openly discussed this among

197

00:09:01,790 --> 00:08:59,700

themselves

198

00:09:04,690 --> 00:09:01,800

um the O'Hare management and the

199

00:09:07,430 --> 00:09:04,700

airlines started to crack down

200

00:09:09,170 --> 00:09:07,440

on reports reaching the public by

201
00:09:10,910 --> 00:09:09,180
actually threatening suspension and

202
00:09:13,130 --> 00:09:10,920
termination in fact they were telling

203
00:09:14,930 --> 00:09:13,140
these people do not contact these guys

204
00:09:16,730 --> 00:09:14,940
Phantom as a monster

205
00:09:18,590 --> 00:09:16,740
uh because we were getting the reports

206
00:09:21,110 --> 00:09:18,600
we're putting them out there

207
00:09:22,850 --> 00:09:21,120
and you know they were they were trying

208
00:09:25,490 --> 00:09:22,860
to stop but fortunately we had a few

209
00:09:27,050 --> 00:09:25,500
brave people that did come forward and

210
00:09:29,030 --> 00:09:27,060
talk about so I'm going to go over a few

211
00:09:32,150 --> 00:09:29,040
of those tonight

212
00:09:33,889 --> 00:09:32,160
and uh like I said I you know if you

213
00:09:35,690 --> 00:09:33,899

have a question wait till I get to my

214

00:09:38,090 --> 00:09:35,700

last account and you can go ahead and

215

00:09:40,130 --> 00:09:38,100

put it up in the chat in all caps and

216

00:09:41,990 --> 00:09:40,140

I'll try to get to it

217

00:09:44,210 --> 00:09:42,000

so this first one I'm going to talk

218

00:09:46,150 --> 00:09:44,220

about uh

219

00:09:49,990 --> 00:09:46,160

was wearing no Hair International

220

00:09:52,850 --> 00:09:50,000

Airport air traffic controller

221

00:09:55,250 --> 00:09:52,860

recalled his encounter with a tall

222

00:09:58,430 --> 00:09:55,260

red-eyed winged humanoid while on the

223

00:10:00,650 --> 00:09:58,440

job on July 2020.

224

00:10:04,730 --> 00:10:00,660

now this was sent into Emmanuel

225

00:10:06,769 --> 00:10:04,740

navarrette and uh this is what this is

226
00:10:08,449 --> 00:10:06,779
what this uh air traffic controller

227
00:10:10,130 --> 00:10:08,459
posted

228
00:10:11,870 --> 00:10:10,140
said I have worked at O'Hare

229
00:10:13,610 --> 00:10:11,880
International Airport for the last seven

230
00:10:15,170 --> 00:10:13,620
years as a member of the air traffic

231
00:10:17,210 --> 00:10:15,180
control team

232
00:10:19,009 --> 00:10:17,220
and in my time I have overseen the

233
00:10:21,889 --> 00:10:19,019
flight operations in and out of the

234
00:10:24,650 --> 00:10:21,899
airport hundreds of times

235
00:10:26,509 --> 00:10:24,660
in my time I have seen many strange

236
00:10:29,389 --> 00:10:26,519
things around the airport

237
00:10:33,650 --> 00:10:29,399
but none had been as spectacular as the

238
00:10:35,810 --> 00:10:33,660

sighting I had back in July of 2020.

239

00:10:37,009 --> 00:10:35,820

so I was working the late evening at

240

00:10:39,350 --> 00:10:37,019

tradecon

241

00:10:42,170 --> 00:10:39,360

and had just walked away for one of our

242

00:10:44,210 --> 00:10:42,180

mandatory breaks now these brakes help

243

00:10:45,590 --> 00:10:44,220

us rejuvenate and also help break up

244

00:10:47,990 --> 00:10:45,600

monotony

245

00:10:50,090 --> 00:10:48,000

of what can be as otherwise a tedious

246

00:10:53,150 --> 00:10:50,100

routine and help prevent us from falling

247

00:10:55,730 --> 00:10:53,160

asleep uh during these breaks I usually

248

00:10:58,550 --> 00:10:55,740

go out for a walk to help clear my head

249

00:11:00,590 --> 00:10:58,560

change the scenery I was walking toward

250

00:11:02,630 --> 00:11:00,600

one of the terminal buildings

251
00:11:04,670 --> 00:11:02,640
when I noticed some movement out of the

252
00:11:07,130 --> 00:11:04,680
corner of my eye and for some unknown

253
00:11:09,050 --> 00:11:07,140
reason I stopped and turned in the

254
00:11:12,170 --> 00:11:09,060
direction of the movement and noticed a

255
00:11:14,810 --> 00:11:12,180
large black sheep coming to a rest

256
00:11:16,730 --> 00:11:14,820
on the ground near a light pole this

257
00:11:19,430 --> 00:11:16,740
thing was at least six to seven foot

258
00:11:21,230 --> 00:11:19,440
tall and jet black it looked like a very

259
00:11:23,210 --> 00:11:21,240
big back

260
00:11:24,949 --> 00:11:23,220
but was also very human-like in

261
00:11:28,069 --> 00:11:24,959
appearance

262
00:11:30,829 --> 00:11:28,079
I noticed that it sported a very large

263
00:11:31,790 --> 00:11:30,839

and impressive set of black membrus

264

00:11:38,030 --> 00:11:31,800

wings

265

00:11:40,130 --> 00:11:38,040

they were open to the full length

266

00:11:42,170 --> 00:11:40,140

it must have been at least 12 foot from

267

00:11:43,730 --> 00:11:42,180

tip to tip now the arms on this thing

268

00:11:46,910 --> 00:11:43,740

were very long

269

00:11:48,769 --> 00:11:46,920

and very skinny and ended in Long bony

270

00:11:50,690 --> 00:11:48,779

fingers tipped with what appeared to be

271

00:11:52,490 --> 00:11:50,700

long talons

272

00:11:55,130 --> 00:11:52,500

now the legs on this being were

273

00:11:57,110 --> 00:11:55,140

comparable with the arms long and skinny

274

00:11:58,850 --> 00:11:57,120

but I was unable to really look at the

275

00:12:01,430 --> 00:11:58,860

feet to see

276

00:12:03,710 --> 00:12:01,440

if they were also shaped similarly to

277

00:12:05,690 --> 00:12:03,720

the hands now I stood there and saw this

278

00:12:09,889 --> 00:12:05,700

thing for about 30 seconds

279

00:12:11,990 --> 00:12:09,899

as a seemingly looked around the ground

280

00:12:14,449 --> 00:12:12,000

in the time I was looking to know if you

281

00:12:16,910 --> 00:12:14,459

were and two others had come down

282

00:12:18,470 --> 00:12:16,920

employees had come down the walkway and

283

00:12:20,449 --> 00:12:18,480

also saw it

284

00:12:23,449 --> 00:12:20,459

if I had looked up

285

00:12:26,269 --> 00:12:23,459

I would have clearly seen us all staring

286

00:12:28,130 --> 00:12:26,279

in bewilderment at it it kept its head

287

00:12:30,170 --> 00:12:28,140

down looking at the ground until an

288

00:12:31,430 --> 00:12:30,180

approaching service vehicle seemingly

289

00:12:33,590 --> 00:12:31,440

startled it

290

00:12:36,230 --> 00:12:33,600

and it looked up

291

00:12:39,889 --> 00:12:36,240

that is when I saw its head was short

292

00:12:41,810 --> 00:12:39,899

was short and squat but had a pair of

293

00:12:43,370 --> 00:12:41,820

piercing red eyes

294

00:12:45,590 --> 00:12:43,380

he looked in the direction of the

295

00:12:48,650 --> 00:12:45,600

approaching vehicle and then began to

296

00:12:50,930 --> 00:12:48,660

flap its wings and took into the air

297

00:12:52,970 --> 00:12:50,940

it disappeared above the building in the

298

00:12:55,069 --> 00:12:52,980

span of one to two seconds and was going

299

00:12:57,470 --> 00:12:55,079

out of sight now

300

00:12:59,870 --> 00:12:57,480

I have heard many stories of the

301
00:13:02,090 --> 00:12:59,880
supposed to O'Hara Mothman from pilots

302
00:13:03,889 --> 00:13:02,100
and from other controllers and employees

303
00:13:06,110 --> 00:13:03,899
around the airport

304
00:13:08,690 --> 00:13:06,120
I've heard Tales of people seeing it in

305
00:13:11,629 --> 00:13:08,700
flight are pursued somewhere or in how I

306
00:13:13,069 --> 00:13:11,639
had glowing red eyes and looked like a

307
00:13:15,470 --> 00:13:13,079
giant man bat

308
00:13:18,949 --> 00:13:15,480
and many of my fellow controllers have

309
00:13:21,050 --> 00:13:18,959
told of either seeing it themselves or

310
00:13:23,569 --> 00:13:21,060
healing hearing from others to have seen

311
00:13:27,470 --> 00:13:23,579
it it had been the subject of radio

312
00:13:29,690 --> 00:13:27,480
chatter on multiple occasions

313
00:13:31,490 --> 00:13:29,700

I never gave much Credence to these

314

00:13:33,710 --> 00:13:31,500

stories and even though part of me

315

00:13:35,389 --> 00:13:33,720

believed and hoped it was real seeing it

316

00:13:36,829 --> 00:13:35,399

myself only helped me become a True

317

00:13:38,509 --> 00:13:36,839

Believer

318

00:13:40,670 --> 00:13:38,519

I personally know of three other

319

00:13:43,009 --> 00:13:40,680

controllers who had sayings

320

00:13:45,110 --> 00:13:43,019

of this thing and just as many pilots

321

00:13:47,210 --> 00:13:45,120

who have either reported sightings in

322

00:13:49,190 --> 00:13:47,220

and around the airport

323

00:13:52,430 --> 00:13:49,200

you can say it's kind of built up into

324

00:13:55,850 --> 00:13:52,440

an almost legendary Urban tale sort of

325

00:13:59,690 --> 00:13:55,860

status amongst those who work at O'Hare

326

00:14:02,150 --> 00:13:59,700

now I know that what I saw was real

327

00:14:04,370 --> 00:14:02,160

and want to get my story out there for

328

00:14:06,650 --> 00:14:04,380

others to hear and I want them to know

329

00:14:09,110 --> 00:14:06,660

that this thing really is out there

330

00:14:12,050 --> 00:14:09,120

somewhere and that trained professionals

331

00:14:13,970 --> 00:14:12,060

like myself had seen it and know that it

332

00:14:16,490 --> 00:14:13,980

does exist

333

00:14:18,769 --> 00:14:16,500

hope you find my report useful and if

334

00:14:20,690 --> 00:14:18,779

you wish to contact me I would be

335

00:14:22,370 --> 00:14:20,700

willing to answer questions regarding

336

00:14:24,590 --> 00:14:22,380

this encounter

337

00:14:29,030 --> 00:14:24,600

so Emanuel did get in contact with him

338

00:14:34,129 --> 00:14:31,190

you know

339

00:14:36,949 --> 00:14:34,139

I I think this is a a very a very good

340

00:14:38,629 --> 00:14:36,959

report very detailed

341

00:14:41,750 --> 00:14:38,639

um

342

00:14:45,050 --> 00:14:41,760

even though I I he had heard about the

343

00:14:47,449 --> 00:14:45,060

being in other sightings he did mention

344

00:14:49,970 --> 00:14:47,459

some things that a lot of people didn't

345

00:14:53,210 --> 00:14:49,980

mention in particular the the small head

346

00:14:55,730 --> 00:14:53,220

with the large eyes uh that's one that's

347

00:14:58,370 --> 00:14:55,740

one caveat that we really haven't heard

348

00:15:01,069 --> 00:14:58,380

a lot of from people but

349

00:15:03,710 --> 00:15:01,079

um some have said it and uh

350

00:15:07,449 --> 00:15:03,720

so that they do make note of that when

351

00:15:13,850 --> 00:15:11,269

so uh again we had we had your hair

352

00:15:16,850 --> 00:15:13,860

Mothman UFOs and Ale and bean

353

00:15:19,370 --> 00:15:16,860

experiences continually reported by

354

00:15:23,509 --> 00:15:19,380

airport personnel

355

00:15:29,689 --> 00:15:27,110

this one was this next one was actually

356

00:15:31,250 --> 00:15:29,699

taken by Manuel he talked to the

357

00:15:34,250 --> 00:15:31,260

individual

358

00:15:36,170 --> 00:15:34,260

he States my name is interredacted I am

359

00:15:38,090 --> 00:15:36,180

34 years old and live in Elk Grove

360

00:15:40,550 --> 00:15:38,100

Village Illinois I work at O'Hare

361

00:15:42,530 --> 00:15:40,560

International Airport where they told

362

00:15:44,329 --> 00:15:42,540

the airline which was redacted where I'm

363

00:15:46,069 --> 00:15:44,339

a member of the ground crew

364

00:15:48,470 --> 00:15:46,079

and we've heard a lot of stuff from

365

00:15:51,590 --> 00:15:48,480

these ground ground Crews I've talked to

366

00:15:52,610 --> 00:15:51,600

a supervisor who's a confident informant

367

00:15:55,610 --> 00:15:52,620

for me

368

00:16:00,170 --> 00:15:55,620

who has told me that the the ground crew

369

00:16:02,629 --> 00:16:00,180

that worked for them have told them many

370

00:16:04,550 --> 00:16:02,639

times of sightings

371

00:16:06,889 --> 00:16:04,560

I have worked uh there for the last

372

00:16:09,170 --> 00:16:06,899

eight years and have been have seen a

373

00:16:10,910 --> 00:16:09,180

lot of strange things in my time there I

374

00:16:13,069 --> 00:16:10,920

have also heard from others of strange

375

00:16:16,910 --> 00:16:13,079

things that are seen and heard at O'Hare

376
00:16:19,250 --> 00:16:16,920
at all hours of the day and night anyone

377
00:16:20,629 --> 00:16:19,260
who has worked in or around the cargo

378
00:16:23,269 --> 00:16:20,639
facility

379
00:16:25,430 --> 00:16:23,279
for more than a few months has seen the

380
00:16:27,350 --> 00:16:25,440
strange lights in the sky and have seen

381
00:16:31,430 --> 00:16:27,360
anything from ghosts to strange

382
00:16:34,250 --> 00:16:31,440
creatures of all manner at least once

383
00:16:37,129 --> 00:16:34,260
uh the entire airport itself is spooky

384
00:16:38,990 --> 00:16:37,139
with many strange tunnels that are

385
00:16:40,730 --> 00:16:39,000
sealed off and forbidden to even go

386
00:16:43,129 --> 00:16:40,740
nearer

387
00:16:44,990 --> 00:16:43,139
um and they actually see some military

388
00:16:47,509 --> 00:16:45,000

vehicles that come and go in all hours

389

00:16:49,790 --> 00:16:47,519

of the day and night of course they he

390

00:16:52,069 --> 00:16:49,800

talks about the graveyard on the airport

391

00:16:55,310 --> 00:16:52,079

grounds which is an area where we've had

392

00:16:59,689 --> 00:16:57,350

now I have seen my fair share of things

393

00:17:00,530 --> 00:16:59,699

I've seen a lot of UFOs in the air above

394

00:17:02,629 --> 00:17:00,540

the airport

395

00:17:04,189 --> 00:17:02,639

strange creatures that seemed to hang

396

00:17:07,309 --> 00:17:04,199

around the airport

397

00:17:09,650 --> 00:17:07,319

including the one they call the Mothman

398

00:17:11,390 --> 00:17:09,660

these sightings mostly occurred during

399

00:17:13,490 --> 00:17:11,400

the evening and night I work second

400

00:17:15,530 --> 00:17:13,500

shift so I get out later in the evening

401
00:17:19,069 --> 00:17:15,540
and have seen many of these streams

402
00:17:21,829 --> 00:17:19,079
lights after 10 or 11 pm

403
00:17:23,809 --> 00:17:21,839
now there is one object dubbed the

404
00:17:26,090 --> 00:17:23,819
diamond craft it's a large diamond

405
00:17:29,270 --> 00:17:26,100
shaped light that frequently appears in

406
00:17:31,430 --> 00:17:29,280
the sky around the perimeter of the

407
00:17:34,490 --> 00:17:31,440
airport on some nights and I've heard

408
00:17:36,049 --> 00:17:34,500
about this this UFO as well

409
00:17:37,730 --> 00:17:36,059
pretty well known to many of the ground

410
00:17:40,490 --> 00:17:37,740
crew that work throughout the airport

411
00:17:43,070 --> 00:17:40,500
and can sometimes be seen two three

412
00:17:44,570 --> 00:17:43,080
nights in a row it frequently appears in

413
00:17:46,370 --> 00:17:44,580

the same general area and hangs around

414

00:17:48,230 --> 00:17:46,380

for about five to ten minutes before

415

00:17:49,850 --> 00:17:48,240

disappearing

416

00:17:52,610 --> 00:17:49,860

now one night

417

00:17:54,650 --> 00:17:52,620

about the Fourth of July 2020. I was

418

00:17:55,850 --> 00:17:54,660

outside overseeing the unloading of a

419

00:17:57,650 --> 00:17:55,860

plane

420

00:17:59,810 --> 00:17:57,660

when myself and a group of four other

421

00:18:02,990 --> 00:17:59,820

people also what looked like a large

422

00:18:05,510 --> 00:18:03,000

person with wings fly over us

423

00:18:08,690 --> 00:18:05,520

it's about 20 foot above us and flew

424

00:18:11,690 --> 00:18:08,700

right over us with very little sound

425

00:18:14,150 --> 00:18:11,700

it looked basically as I said like a

426

00:18:17,330 --> 00:18:14,160

large man six foot tall with very large

427

00:18:19,430 --> 00:18:17,340

bat-like Wings it was solid black so

428

00:18:21,610 --> 00:18:19,440

much so they stood out against the sky

429

00:18:23,930 --> 00:18:21,620

and lights at the airport

430

00:18:25,789 --> 00:18:23,940

it was over in a matter of few seconds

431

00:18:27,770 --> 00:18:25,799

and people joked they had just seen the

432

00:18:29,630 --> 00:18:27,780

Mothman and the conversation quickly

433

00:18:31,330 --> 00:18:29,640

turned to the many sightings that people

434

00:18:34,190 --> 00:18:31,340

have had in and around the airport

435

00:18:36,409 --> 00:18:34,200

something similar I've had multiple

436

00:18:38,510 --> 00:18:36,419

encounters of UFOs and their occupants

437

00:18:39,950 --> 00:18:38,520

that have been ongoing for the last two

438

00:18:41,630 --> 00:18:39,960

years

439

00:18:43,250 --> 00:18:41,640

this is something else we have heard

440

00:18:45,770 --> 00:18:43,260

from people um

441

00:18:47,150 --> 00:18:45,780

small humanoid beings aliens I don't

442

00:18:50,630 --> 00:18:47,160

know what they were people have had

443

00:18:55,070 --> 00:18:53,090

I have seen what I can only describe as

444

00:18:57,350 --> 00:18:55,080

aliens on at least eight occasions both

445

00:19:00,289 --> 00:18:57,360

of working at home it all started back

446

00:19:02,390 --> 00:19:00,299

in 2018 it was around May and I looked

447

00:19:04,010 --> 00:19:02,400

up into the sky as I was moving from one

448

00:19:06,110 --> 00:19:04,020

building to the next and saw a large

449

00:19:08,930 --> 00:19:06,120

circular object that was giving off a

450

00:19:11,270 --> 00:19:08,940

green glow it hovered silently about

451
00:19:13,909 --> 00:19:11,280
100 foot from the ground and as I looked

452
00:19:16,970 --> 00:19:13,919
up at it I got the screen Sensation that

453
00:19:19,430 --> 00:19:16,980
the object was something or something in

454
00:19:21,590 --> 00:19:19,440
it was looking back at me

455
00:19:23,270 --> 00:19:21,600
I picked up the pace and tried to get to

456
00:19:25,789 --> 00:19:23,280
the building but the closer I got to the

457
00:19:27,830 --> 00:19:25,799
door and over railing overwhelming urge

458
00:19:29,930 --> 00:19:27,840
came over me to stop

459
00:19:31,669 --> 00:19:29,940
and look up at the object it finally got

460
00:19:34,010 --> 00:19:31,679
too much to bear and I stopped about 20

461
00:19:36,049 --> 00:19:34,020
foot from the door looked up just in

462
00:19:38,210 --> 00:19:36,059
time to see the object slowly drift away

463
00:19:40,730 --> 00:19:38,220

and higher into the sky now I continued

464

00:19:45,310 --> 00:19:40,740

its upper trend for about 10 seconds

465

00:19:50,450 --> 00:19:47,570

so uh

466

00:19:53,450 --> 00:19:50,460

anyway he goes into details about uh

467

00:19:57,590 --> 00:19:53,460

about these UFO sightings which really

468

00:20:00,350 --> 00:19:57,600

aren't related I I don't believe too too

469

00:20:03,409 --> 00:20:00,360

these sightings of the wing humanoids

470

00:20:06,049 --> 00:20:03,419

uh again uh Manuel talked to this

471

00:20:07,789 --> 00:20:06,059

gentleman and uh he kind of gave him a

472

00:20:11,390 --> 00:20:07,799

rundown since

473

00:20:13,730 --> 00:20:11,400

uh Manuel is into UFO phenomena a lot of

474

00:20:15,650 --> 00:20:13,740

it was you know he wanted to use for his

475

00:20:17,270 --> 00:20:15,660

blog so

476

00:20:22,190 --> 00:20:17,280

but it was interesting because we have

477

00:20:22,200 --> 00:20:27,590

so the uh so the next sighting

478

00:20:34,669 --> 00:20:31,310

was of a Chicago O'Hare

479

00:20:37,490 --> 00:20:34,679

airport shuttle bus driver who observed

480

00:20:39,650 --> 00:20:37,500

a large flying owl humanoid

481

00:20:41,450 --> 00:20:39,660

just overhead while standing outside of

482

00:20:44,150 --> 00:20:41,460

the parking terminal

483

00:20:46,490 --> 00:20:44,160

now he wrote my name is it's redacted I

484

00:20:47,750 --> 00:20:46,500

I work as a shuttle bus driver at O'Hare

485

00:20:51,710 --> 00:20:47,760

Airport

486

00:20:53,870 --> 00:20:51,720

I was working on April 21st 2021 near

487

00:20:56,810 --> 00:20:53,880

the new parking terminal near Zemke Road

488

00:20:59,270 --> 00:20:56,820

at about 6 pm

489

00:21:01,310 --> 00:20:59,280

I was staged and had wandered away from

490

00:21:03,350 --> 00:21:01,320

my bus to take a smoke break when I saw

491

00:21:04,909 --> 00:21:03,360

a large owl fly over the top of the

492

00:21:07,190 --> 00:21:04,919

building it disappeared behind the

493

00:21:10,070 --> 00:21:07,200

parking garage

494

00:21:12,830 --> 00:21:10,080

it must have been at least 30 or 40 foot

495

00:21:15,409 --> 00:21:12,840

off the ground when I saw it fly over

496

00:21:18,470 --> 00:21:15,419

made no sound and looked like a giant

497

00:21:21,110 --> 00:21:18,480

black thing with very large wings

498

00:21:23,090 --> 00:21:21,120

I saw it for all two or three seconds as

499

00:21:25,610 --> 00:21:23,100

I flew overhead and over the building

500

00:21:27,950 --> 00:21:25,620

and out of sight I didn't see it again

501
00:21:29,690 --> 00:21:27,960
and I saw nothing else when I drove

502
00:21:31,010 --> 00:21:29,700
around to the other side after starting

503
00:21:32,990 --> 00:21:31,020
my route again

504
00:21:35,510 --> 00:21:33,000
I know the stories of the Mothman had

505
00:21:37,549 --> 00:21:35,520
been seen around O'Hara and that is why

506
00:21:43,190 --> 00:21:37,559
when I saw your reports I decided to

507
00:21:49,610 --> 00:21:47,149
now the next encounter was a Chicago

508
00:21:51,350 --> 00:21:49,620
Department of Aviation employee now they

509
00:21:53,570 --> 00:21:51,360
do have a

510
00:21:55,490 --> 00:21:53,580
they have a lot of different Aviation

511
00:21:57,049 --> 00:21:55,500
buildings out of here there's a lot of

512
00:22:00,110 --> 00:21:57,059
difference of course there's post

513
00:22:01,970 --> 00:22:00,120

offices and you know fire departments

514

00:22:03,529 --> 00:22:01,980

and along it's a huge facility but

515

00:22:06,350 --> 00:22:03,539

anyway the Chicago Department of

516

00:22:08,270 --> 00:22:06,360

Aviation employee had an encounter with

517

00:22:10,850 --> 00:22:08,280

a black red-eyed seven to eight foot

518

00:22:14,090 --> 00:22:10,860

tall Wing being outside of her place of

519

00:22:16,190 --> 00:22:14,100

employment as she left work

520

00:22:17,990 --> 00:22:16,200

now she stated I wanted to relate a

521

00:22:20,510 --> 00:22:18,000

possible sighting of the Chicago maltman

522

00:22:24,110 --> 00:22:20,520

that I had on April 15 2021 at

523

00:22:26,330 --> 00:22:24,120

approximately 9 p.m in Chicago O'Hare

524

00:22:28,130 --> 00:22:26,340

I initially was not going to report this

525

00:22:29,990 --> 00:22:28,140

and I had kept it to myself for fear of

526
00:22:31,610 --> 00:22:30,000
someone thinking I lost my mind or was

527
00:22:33,770 --> 00:22:31,620
seeing things

528
00:22:35,750 --> 00:22:33,780
that changed when I read the sighting

529
00:22:37,669 --> 00:22:35,760
that was posted on Facebook about the

530
00:22:40,130 --> 00:22:37,679
gentleman who had the Mothman sighting

531
00:22:42,289 --> 00:22:40,140
not even two blocks from where I work

532
00:22:44,510 --> 00:22:42,299
something prompted me to look at your

533
00:22:46,070 --> 00:22:44,520
website and eventually send this to you

534
00:22:47,210 --> 00:22:46,080
now work for the Chicago Department of

535
00:22:50,630 --> 00:22:47,220
Aviation

536
00:22:52,610 --> 00:22:50,640
at the office located at the on the air

537
00:22:54,529 --> 00:22:52,620
airport grounds I've worked there for

538
00:22:56,570 --> 00:22:54,539

about nine years and previously worked

539

00:22:58,730 --> 00:22:56,580

at the airport in another capacity five

540

00:23:00,890 --> 00:22:58,740

years prior

541

00:23:02,690 --> 00:23:00,900

I know the airport like I know the Paul

542

00:23:04,310 --> 00:23:02,700

in my hand and I have heard the stories

543

00:23:06,590 --> 00:23:04,320

that people tell about all the strange

544

00:23:08,510 --> 00:23:06,600

going ons that happened uh with

545

00:23:11,149 --> 00:23:08,520

surprising frequency

546

00:23:13,370 --> 00:23:11,159

now my sighting happened at rustied late

547

00:23:14,930 --> 00:23:13,380

to catch up on work and it left about 9

548

00:23:16,610 --> 00:23:14,940

00 p.m now as I walked out the building

549

00:23:18,649 --> 00:23:16,620

into the parking lot

550

00:23:20,690 --> 00:23:18,659

I heard what I could only describe as

551

00:23:23,690 --> 00:23:20,700

Wings fluttering kind of like you hear

552

00:23:26,750 --> 00:23:23,700

when a bird is going to take off or land

553

00:23:27,890 --> 00:23:26,760

I submit I dismissed it as just geese at

554

00:23:30,590 --> 00:23:27,900

the airport

555

00:23:33,049 --> 00:23:30,600

uh because we literally have hundreds of

556

00:23:35,810 --> 00:23:33,059

them hanging around at some point uh

557

00:23:38,510 --> 00:23:35,820

what followed was a loud Screech Nothing

558

00:23:40,669 --> 00:23:38,520

Like A Goose's honk but very very loud

559

00:23:42,710 --> 00:23:40,679

ear splitting Screech

560

00:23:45,529 --> 00:23:42,720

that what you hear when a tree implies

561

00:23:47,750 --> 00:23:45,539

is breaks but it was different as it

562

00:23:49,669 --> 00:23:47,760

went from a higher octave to a lower one

563

00:23:51,529 --> 00:23:49,679

and then high again

564

00:23:52,909 --> 00:23:51,539

I knew it was not a train as a train

565

00:23:55,130 --> 00:23:52,919

tractor on the other side of the airport

566

00:23:57,710 --> 00:23:55,140

about two four miles away

567

00:23:59,270 --> 00:23:57,720

I continued walking toward my car when I

568

00:24:01,549 --> 00:23:59,280

heard the Screech again and it sounded

569

00:24:03,590 --> 00:24:01,559

like it was coming from behind me

570

00:24:04,850 --> 00:24:03,600

I turned and looked towards the tree as

571

00:24:07,130 --> 00:24:04,860

they were by the road and saw what

572

00:24:08,750 --> 00:24:07,140

looked like two red eyes looking right

573

00:24:10,909 --> 00:24:08,760

at me

574

00:24:13,310 --> 00:24:10,919

I stood there looking at those eyes for

575

00:24:15,350 --> 00:24:13,320

what seemed an eternity I couldn't move

576

00:24:17,630 --> 00:24:15,360

and it felt like the air had been sucked

577

00:24:20,390 --> 00:24:17,640

out of my lungs almost like I was having

578

00:24:22,789 --> 00:24:20,400

an asthma attack I saw this thing emerge

579

00:24:25,789 --> 00:24:22,799

from around the trees it was illuminated

580

00:24:27,649 --> 00:24:25,799

from behind by the warehouse that were

581

00:24:29,330 --> 00:24:27,659

across the road and it must have been

582

00:24:30,649 --> 00:24:29,340

seven to eight foot tall and it was

583

00:24:33,529 --> 00:24:30,659

black

584

00:24:35,450 --> 00:24:33,539

about this time a large truck was coming

585

00:24:37,610 --> 00:24:35,460

down the road and it shot into the air

586

00:24:39,529 --> 00:24:37,620

and was gone a matter of seconds

587

00:24:41,450 --> 00:24:39,539

I stood there for a few seconds still

588

00:24:43,730 --> 00:24:41,460

too afraid to move when I finally came

589

00:24:45,710 --> 00:24:43,740

to my senses and practically sprinted to

590

00:24:49,370 --> 00:24:45,720

my car

591

00:24:51,710 --> 00:24:49,380

and as I closed the door I heard a

592

00:24:54,289 --> 00:24:51,720

screech again I turned on my car and

593

00:24:56,810 --> 00:24:54,299

left as quickly as I could now

594

00:24:59,570 --> 00:24:56,820

I'm not one for over exaggeration but I

595

00:25:01,430 --> 00:24:59,580

feel almost as if I was being stalked

596

00:25:03,289 --> 00:25:01,440

I felt sick to my stomach for two to

597

00:25:05,330 --> 00:25:03,299

three days after that encounter and it

598

00:25:07,190 --> 00:25:05,340

took it took like as long for the

599

00:25:08,570 --> 00:25:07,200

feeling for the Paranormal to finally go

600

00:25:10,430 --> 00:25:08,580

away

601
00:25:12,830 --> 00:25:10,440
it was the feeling of utter and complete

602
00:25:14,390 --> 00:25:12,840
hopelessness that Disturbed me in the

603
00:25:18,470 --> 00:25:14,400
most and it helped contribute to my

604
00:25:20,990 --> 00:25:18,480
hesitant hesitancy of telling someone I

605
00:25:23,090 --> 00:25:21,000
didn't even tell my boyfriend of this

606
00:25:25,190 --> 00:25:23,100
until after I decided to send this to

607
00:25:29,990 --> 00:25:25,200
you

608
00:25:32,570 --> 00:25:30,000
so uh I I did have it I did have a

609
00:25:34,850 --> 00:25:32,580
an email conversation with this this

610
00:25:37,250 --> 00:25:34,860
lady and um

611
00:25:40,130 --> 00:25:37,260
yeah I believe everything she said and I

612
00:25:41,750 --> 00:25:40,140
know Manuel talked to her as well so um

613
00:25:42,910 --> 00:25:41,760

you know and this is something very

614

00:25:43,490 --> 00:25:42,920

similar to what we've had

615

00:25:44,450 --> 00:25:43,500

[Music]

616

00:25:47,149 --> 00:25:44,460

um

617

00:25:48,590 --> 00:25:47,159

people have that foreboding feeling of

618

00:25:50,149 --> 00:25:48,600

course you know you're shocked when you

619

00:25:51,289 --> 00:25:50,159

see something like that so you know you

620

00:25:53,390 --> 00:25:51,299

don't really know how you're going to

621

00:25:55,390 --> 00:25:53,400

react to it and of course we've had

622

00:25:57,470 --> 00:25:55,400

people who have you know been

623

00:25:59,210 --> 00:25:57,480

incapacitated for a couple days that

624

00:26:01,970 --> 00:25:59,220

just couldn't get back in the swing of

625

00:26:05,810 --> 00:26:01,980

things so these things that these things

626

00:26:10,610 --> 00:26:09,049

now this next one was uh submitted

627

00:26:14,390 --> 00:26:10,620

um

628

00:26:16,070 --> 00:26:14,400

three United Cargo employees

629

00:26:18,409 --> 00:26:16,080

we're leaving work at night when they

630

00:26:22,070 --> 00:26:18,419

witnessed several TSA security Personnel

631

00:26:25,370 --> 00:26:22,080

approach a red-eyed Wing cubanoid nearby

632

00:26:29,269 --> 00:26:25,380

this is what was um

633

00:26:32,450 --> 00:26:29,279

first sent the Manuel and uh I also

634

00:26:34,669 --> 00:26:32,460

talked to one of these gentlemen as well

635

00:26:36,710 --> 00:26:34,679

I was walking to my car with two of my

636

00:26:38,750 --> 00:26:36,720

friends after getting off of work we

637

00:26:40,669 --> 00:26:38,760

were talking about the day and how it

638

00:26:42,529 --> 00:26:40,679

felt good to get off and head home now

639

00:26:44,450 --> 00:26:42,539

as we approached the car

640

00:26:46,310 --> 00:26:44,460

I saw something moving across the street

641

00:26:48,529 --> 00:26:46,320

but on the other side of the fence it

642

00:26:51,169 --> 00:26:48,539

was dark but you could easily see it as

643

00:26:52,789 --> 00:26:51,179

the entire area was lit up and there was

644

00:26:54,769 --> 00:26:52,799

a plane that had been brought up near

645

00:26:56,450 --> 00:26:54,779

the fence for unloading and loading and

646

00:26:57,590 --> 00:26:56,460

there were a lot of activity around the

647

00:27:00,169 --> 00:26:57,600

plane now

648

00:27:02,690 --> 00:27:00,179

as we walked I pointed out to my friends

649

00:27:05,630 --> 00:27:02,700

and they also saw the same thing

650

00:27:07,909 --> 00:27:05,640

and about this time a white SUV came

651
00:27:09,950 --> 00:27:07,919
driving up with its emergency flashing

652
00:27:12,350 --> 00:27:09,960
lights on and came to a halt on the road

653
00:27:14,450 --> 00:27:12,360
on the other side of the fence

654
00:27:16,970 --> 00:27:14,460
two men jumped out and showed him some

655
00:27:19,310 --> 00:27:16,980
flashlights on this person

656
00:27:20,750 --> 00:27:19,320
prompting the person to turn around and

657
00:27:23,090 --> 00:27:20,760
stare at them

658
00:27:25,730 --> 00:27:23,100
it looked to be about six to seven feet

659
00:27:27,169 --> 00:27:25,740
tall and was very dark shade of gray

660
00:27:29,690 --> 00:27:27,179
almost black

661
00:27:32,330 --> 00:27:29,700
and how it look like two large glowing

662
00:27:34,070 --> 00:27:32,340
red eyes but that could have been from

663
00:27:35,450 --> 00:27:34,080

the flashlights being shown in this

664

00:27:37,730 --> 00:27:35,460

direction

665

00:27:39,950 --> 00:27:37,740

about 10 seconds after the first vehicle

666

00:27:41,870 --> 00:27:39,960

arrived another came up on the other

667

00:27:44,630 --> 00:27:41,880

same side of the fence as this person

668

00:27:46,850 --> 00:27:44,640

the illuminated person illuminated the

669

00:27:49,130 --> 00:27:46,860

person with its headlights

670

00:27:51,049 --> 00:27:49,140

I remember hearing my friend say Lord

671

00:27:53,510 --> 00:27:51,059

have mercy as we watched this scene

672

00:27:56,149 --> 00:27:53,520

unfold in front of us it's about this

673

00:27:58,430 --> 00:27:56,159

time that the person opened up what

674

00:28:00,350 --> 00:27:58,440

looked like a pair of giant flat wings

675

00:28:01,909 --> 00:28:00,360

and flew up into the air and as it flew

676
00:28:04,730 --> 00:28:01,919
up and over the people that were now

677
00:28:06,950 --> 00:28:04,740
gathering around it let out a loud

678
00:28:09,169 --> 00:28:06,960
Screech that sounded like crane breaks

679
00:28:12,350 --> 00:28:09,179
we hear this train break

680
00:28:15,230 --> 00:28:12,360
uh comparison a lot

681
00:28:17,090 --> 00:28:15,240
it flew around in a large Circle twice

682
00:28:19,430 --> 00:28:17,100
screeched and then flew out over the

683
00:28:22,070 --> 00:28:19,440
fence and toward the runway and the turn

684
00:28:24,890 --> 00:28:22,080
was in the distance now as we watched

685
00:28:28,190 --> 00:28:24,900
it was one it was when a white pickup

686
00:28:30,649 --> 00:28:28,200
truck with a TSA emblem came up towards

687
00:28:32,930 --> 00:28:30,659
us with its emergency lights on and told

688
00:28:35,450 --> 00:28:32,940

us and the others you had gathered in

689

00:28:38,330 --> 00:28:35,460

the park a lot to clear out and get in

690

00:28:40,730 --> 00:28:38,340

our cars and leave the area immediately

691

00:28:42,350 --> 00:28:40,740

we did as we were told and as we drove

692

00:28:44,930 --> 00:28:42,360

out of the parking lot we saw another

693

00:28:47,149 --> 00:28:44,940

three marked vehicles and just as many

694

00:28:49,370 --> 00:28:47,159

more unmarked Vehicles pulling into the

695

00:28:51,590 --> 00:28:49,380

street and parking lot all with their

696

00:28:53,510 --> 00:28:51,600

lights on

697

00:28:55,310 --> 00:28:53,520

I took my friends home and we talked

698

00:28:56,930 --> 00:28:55,320

extensively about it one of my friends

699

00:28:59,090 --> 00:28:56,940

who worked the leadership that United

700

00:29:01,970 --> 00:28:59,100

told me that the airport security and

701
00:29:04,549 --> 00:29:01,980
TSA were India ain't asking people who

702
00:29:07,070 --> 00:29:04,559
stepped outside to please go back in for

703
00:29:09,769 --> 00:29:07,080
their safety and were out there for at

704
00:29:11,990 --> 00:29:09,779
least an hour to an hour and a half I

705
00:29:14,390 --> 00:29:12,000
did some research came across a podcast

706
00:29:17,210 --> 00:29:14,400
where you had been the guest and and got

707
00:29:22,010 --> 00:29:20,330
hmm so uh yeah this was pretty well a

708
00:29:22,850 --> 00:29:22,020
lot of what we've been getting

709
00:29:24,769 --> 00:29:22,860
um

710
00:29:27,610 --> 00:29:24,779
another one

711
00:29:30,470 --> 00:29:27,620
uh two additional eyewitness

712
00:29:32,630 --> 00:29:30,480
accounts from that same sighting

713
00:29:35,570 --> 00:29:32,640

uh were in the cargo area at the

714

00:29:37,190 --> 00:29:35,580

RestHaven cemetery and that it recently

715

00:29:39,350 --> 00:29:37,200

came and it came to light not long after

716

00:29:41,210 --> 00:29:39,360

we talked to those three other you know

717

00:29:43,430 --> 00:29:41,220

Witnesses

718

00:29:45,649 --> 00:29:43,440

now um

719

00:29:48,470 --> 00:29:45,659

I've received the following email on on

720

00:29:50,450 --> 00:29:48,480

August 9 2021 a correspondent with the

721

00:29:53,210 --> 00:29:50,460

witness who is seriously fearful of

722

00:29:55,310 --> 00:29:53,220

losing his job because he came forward

723

00:29:57,169 --> 00:29:55,320

I would only referred to the witness as

724

00:29:58,970 --> 00:29:57,179

ew

725

00:30:00,769 --> 00:29:58,980

I saw your article about the flying

726
00:30:03,230 --> 00:30:00,779
creature at her hair and wanted to reach

727
00:30:05,570 --> 00:30:03,240
out to tell you what I saw on that night

728
00:30:07,430 --> 00:30:05,580
I am reaching out to tell you this story

729
00:30:09,409 --> 00:30:07,440
but I do not want any of my information

730
00:30:11,750 --> 00:30:09,419
we can give out to the public

731
00:30:14,330 --> 00:30:11,760
because I will not risk losing my job

732
00:30:16,490 --> 00:30:14,340
over this we have been told by our

733
00:30:18,590 --> 00:30:16,500
supervisors never report anything that

734
00:30:22,549 --> 00:30:18,600
we sold to anyone outside of the company

735
00:30:25,490 --> 00:30:22,559
so I'm taking a chance reporting to you

736
00:30:27,950 --> 00:30:25,500
now we were unloading a cargo plane and

737
00:30:29,690 --> 00:30:27,960
it just arrived in the Miami Hub when a

738
00:30:32,450 --> 00:30:29,700

couple of people noticed this large

739

00:30:35,090 --> 00:30:32,460

person that was standing over by the

740

00:30:36,950 --> 00:30:35,100

fence about 40 foot from the plane

741

00:30:39,169 --> 00:30:36,960

it was tall about seven foot was

742

00:30:40,490 --> 00:30:39,179

completely black but had these solid red

743

00:30:43,250 --> 00:30:40,500

glowing eyes

744

00:30:44,870 --> 00:30:43,260

we radioed it in since we figured it was

745

00:30:47,210 --> 00:30:44,880

some idiot that might have scaled the

746

00:30:49,850 --> 00:30:47,220

fence and was wandering around the

747

00:30:51,950 --> 00:30:49,860

tarmac now we're told to report anything

748

00:30:54,169 --> 00:30:51,960

suspicious we see in our soup to our

749

00:30:56,269 --> 00:30:54,179

supervisors who then call in security

750

00:30:58,190 --> 00:30:56,279

and take that person away now security

751
00:30:58,909 --> 00:30:58,200
people came within three minutes of our

752
00:31:01,669 --> 00:30:58,919
call

753
00:31:03,830 --> 00:31:01,679
and I'll shine some lights on it when I

754
00:31:05,630 --> 00:31:03,840
saw that it was at black and had a large

755
00:31:07,310 --> 00:31:05,640
pair of wings

756
00:31:09,169 --> 00:31:07,320
it then took off into the air and

757
00:31:10,370 --> 00:31:09,179
started making a loud sound before it

758
00:31:12,230 --> 00:31:10,380
flying off

759
00:31:13,909 --> 00:31:12,240
Edward flew off a bunch of other people

760
00:31:15,350 --> 00:31:13,919
showed up including many of our

761
00:31:17,990 --> 00:31:15,360
supervisors

762
00:31:19,850 --> 00:31:18,000
we all heard about these things that are

763
00:31:21,769 --> 00:31:19,860

around the airport including the Mothman

764

00:31:23,210 --> 00:31:21,779

but I never believed until I saw one

765

00:31:25,130 --> 00:31:23,220

eyes

766

00:31:27,169 --> 00:31:25,140

I talked about it with some of my

767

00:31:28,789 --> 00:31:27,179

friends and they saw the same thing but

768

00:31:31,310 --> 00:31:28,799

we're not going to say anything because

769

00:31:33,470 --> 00:31:31,320

we were told at our meeting

770

00:31:36,470 --> 00:31:33,480

that we are not to report anything we

771

00:31:39,230 --> 00:31:36,480

saw to anybody but our supervisors

772

00:31:42,110 --> 00:31:39,240

we were told to do not report this to

773

00:31:44,570 --> 00:31:42,120

the news or anyone who asked about

774

00:31:47,210 --> 00:31:44,580

What was seen at the airport

775

00:31:49,430 --> 00:31:47,220

and that's when they mentioned us

776

00:31:51,830 --> 00:31:49,440

I'm submitting this to you but I want to

777

00:31:53,630 --> 00:31:51,840

remain anonymous because I've had this

778

00:31:55,970 --> 00:31:53,640

job since I left the Navy and I don't

779

00:31:58,010 --> 00:31:55,980

want to lose my job or my benefits

780

00:31:59,570 --> 00:31:58,020

I've been over here I have been here for

781

00:32:01,549 --> 00:31:59,580

over six years and have a family support

782

00:32:03,169 --> 00:32:01,559

to not risk losing my job over something

783

00:32:05,330 --> 00:32:03,179

like this

784

00:32:07,070 --> 00:32:05,340

I know it sounds incredible but I can

785

00:32:09,049 --> 00:32:07,080

promise you that I'm not telling you any

786

00:32:11,630 --> 00:32:09,059

lies in that everything I've told you

787

00:32:13,850 --> 00:32:11,640

did happen I know there are at least

788

00:32:15,889 --> 00:32:13,860

eight of us working that day on the

789

00:32:19,730 --> 00:32:15,899

plane not counting any supervisors or

790

00:32:23,450 --> 00:32:19,740

tug operators working around the area

791

00:32:25,310 --> 00:32:23,460

I I I am doing what I can to prevent my

792

00:32:27,649 --> 00:32:25,320

name from being posted or someone from

793

00:32:30,169 --> 00:32:27,659

the company finding out that I reported

794

00:32:33,409 --> 00:32:30,179

this and I'm willing to talk only by

795

00:32:40,310 --> 00:32:33,419

email and that's it no I will not risk

796

00:32:45,350 --> 00:32:42,830

so not long after that there was another

797

00:32:47,570 --> 00:32:45,360

report there was a report filed with

798

00:32:50,450 --> 00:32:47,580

lufon

799

00:32:52,490 --> 00:32:50,460

and which was 19 days later but I

800

00:32:55,430 --> 00:32:52,500

believe that individual was part of that

801
00:32:58,490 --> 00:32:55,440
same air cargo crew

802
00:33:00,710 --> 00:32:58,500
so uh yeah and I'm not gonna read it's

803
00:33:01,610 --> 00:33:00,720
pretty pretty similar to what I

804
00:33:04,430 --> 00:33:01,620
mentioned

805
00:33:07,010 --> 00:33:04,440
other than he was calling this thing a

806
00:33:08,690 --> 00:33:07,020
demon or a devil and we've heard that a

807
00:33:11,690 --> 00:33:08,700
lot as well

808
00:33:13,549 --> 00:33:11,700
so anyway here's the um here's the last

809
00:33:16,669 --> 00:33:13,559
post so if you have questions you can

810
00:33:18,769 --> 00:33:16,679
start putting on chat

811
00:33:22,549 --> 00:33:18,779
uh

812
00:33:25,190 --> 00:33:22,559
another July 22nd 20 21st witness he was

813
00:33:26,870 --> 00:33:25,200

leaving work at 10 30 p.m observed

814

00:33:28,610 --> 00:33:26,880

several security Personnel in the

815

00:33:30,710 --> 00:33:28,620

vicinity of the human winged humanoid

816

00:33:32,570 --> 00:33:30,720

that had just flown over the fence so

817

00:33:38,450 --> 00:33:32,580

now this is four different settings we

818

00:33:38,460 --> 00:33:40,490

um

819

00:33:45,409 --> 00:33:43,009

and they State I was coming up the road

820

00:33:47,149 --> 00:33:45,419

towards the exit after leaving work now

821

00:33:50,149 --> 00:33:47,159

as I approached the curve by United

822

00:33:53,090 --> 00:33:50,159

Cargo I noticed about eight security

823

00:33:55,130 --> 00:33:53,100

vehicles that had gathered around

824

00:33:57,889 --> 00:33:55,140

as I approached I saw something flower

825

00:33:59,990 --> 00:33:57,899

the fence and head toward the runway

826

00:34:02,029 --> 00:34:00,000

it looked like a giant man with large

827

00:34:04,730 --> 00:34:02,039

wings but I only saw it for a second or

828

00:34:06,289 --> 00:34:04,740

two before it was gone I actually got on

829

00:34:08,270 --> 00:34:06,299

my car and tried to take a picture

830

00:34:09,770 --> 00:34:08,280

before it flew out of the range of my

831

00:34:11,990 --> 00:34:09,780

camera

832

00:34:13,669 --> 00:34:12,000

but within a second or two of me getting

833

00:34:16,550 --> 00:34:13,679

out of my car

834

00:34:19,369 --> 00:34:16,560

I had someone yelling at me to get back

835

00:34:22,490 --> 00:34:19,379

in my car and get the heck out of there

836

00:34:24,409 --> 00:34:22,500

did I as I was told and left

837

00:34:27,349 --> 00:34:24,419

as I was driving

838

00:34:29,869 --> 00:34:27,359

more security vehicles were showing up

839

00:34:32,149 --> 00:34:29,879

and I decided to report this when I saw

840

00:34:36,470 --> 00:34:32,159

when I saw that other people were coming

841

00:34:40,490 --> 00:34:38,270

so uh

842

00:34:43,730 --> 00:34:40,500

you know that that's pretty well what's

843

00:34:47,050 --> 00:34:43,740

going on now I I will say

844

00:34:55,730 --> 00:34:51,710

someone from that same group

845

00:34:57,530 --> 00:34:55,740

had taken a video

846

00:35:00,170 --> 00:34:57,540

and apparently

847

00:35:03,530 --> 00:35:00,180

there were three beings in another area

848

00:35:06,410 --> 00:35:03,540

not far from Maryland he had a video

849

00:35:11,750 --> 00:35:06,420

and he said that when he was confronted

850

00:35:13,430 --> 00:35:11,760

by TSA and United Personnel he not had

851
00:35:16,310 --> 00:35:13,440
secured it

852
00:35:19,790 --> 00:35:16,320
they literally took his phone and

853
00:35:21,710 --> 00:35:19,800
and put it into reset factory reset

854
00:35:23,349 --> 00:35:21,720
they weren't taking a chance and we've

855
00:35:25,609 --> 00:35:23,359
heard this before

856
00:35:28,130 --> 00:35:25,619
so um

857
00:35:30,410 --> 00:35:28,140
you know this is very similar to what

858
00:35:32,750 --> 00:35:30,420
we've been getting and look I'm probably

859
00:35:35,510 --> 00:35:32,760
going to do another

860
00:35:37,329 --> 00:35:35,520
another video with some of the other

861
00:35:40,310 --> 00:35:37,339
sightings that we had around the airport

862
00:35:42,230 --> 00:35:40,320
and a lot of that will come out as well

863
00:35:44,690 --> 00:35:42,240

so um

864

00:35:47,510 --> 00:35:44,700

so that was the last one for tonight

865

00:35:49,370 --> 00:35:47,520

so uh

866

00:35:52,130 --> 00:35:49,380

if you have any questions just go ahead

867

00:35:54,530 --> 00:35:52,140

and talk about it

868

00:35:59,329 --> 00:35:54,540

let me bring the uh

869

00:36:06,410 --> 00:36:01,849

give me some time to scroll back see if

870

00:36:12,470 --> 00:36:08,930

you guys have to excuse me my sinuses

871

00:36:12,480 --> 00:36:26,990

this wet weather is really affecting me

872

00:36:33,890 --> 00:36:30,170

I've got a lot of people in here tonight

873

00:36:36,550 --> 00:36:33,900

uh Brian McLean has anyone uh for you

874

00:36:42,250 --> 00:36:36,560

these security agencies yes we have

875

00:36:44,750 --> 00:36:42,260

I have foyered uh TSA I have foyed

876

00:36:47,810 --> 00:36:44,760

uh the airport

877

00:36:51,650 --> 00:36:47,820

I avoided some of the carriers as well

878

00:36:54,589 --> 00:36:51,660

as the Great Lakes FAA

879

00:36:57,109 --> 00:36:54,599

and we always get a response that oh

880

00:37:00,950 --> 00:36:57,119

there's no report of it

881

00:37:03,230 --> 00:37:00,960

so there's a cover-up I mean you know

882

00:37:06,170 --> 00:37:03,240

they're just not saying anything and you

883

00:37:07,069 --> 00:37:06,180

know I I get that

884

00:37:09,290 --> 00:37:07,079

um

885

00:37:10,790 --> 00:37:09,300

so Bernadette asked do you think one day

886

00:37:12,770 --> 00:37:10,800

that the airport will have to admit

887

00:37:13,910 --> 00:37:12,780

something is going on well I don't think

888

00:37:15,410 --> 00:37:13,920

they're going to admit it unless they

889

00:37:17,870 --> 00:37:15,420

absolutely have to

890

00:37:18,890 --> 00:37:17,880

just like any anything else just like

891

00:37:20,210 --> 00:37:18,900

the government you know they're not

892

00:37:21,410 --> 00:37:20,220

going to talk about alien being sure

893

00:37:23,390 --> 00:37:21,420

they're going to put something out about

894

00:37:27,410 --> 00:37:23,400

UFOs once in a while

895

00:37:29,270 --> 00:37:27,420

just to satisfy people but um

896

00:37:31,190 --> 00:37:29,280

I don't know I mean I I don't know if

897

00:37:32,210 --> 00:37:31,200

you know they're gonna say anything or

898

00:37:35,510 --> 00:37:32,220

not

899

00:37:38,089 --> 00:37:35,520

I I think if this does continue

900

00:37:42,230 --> 00:37:38,099

to the degree if not more than what it

901
00:37:49,010 --> 00:37:45,109
and if we continue to look into this

902
00:37:50,810 --> 00:37:49,020
and keep following up on it

903
00:37:54,170 --> 00:37:50,820
and peace thank you for your super

904
00:37:55,849 --> 00:37:54,180
sticker very much appreciated

905
00:37:57,890 --> 00:37:55,859
um

906
00:37:59,510 --> 00:37:57,900
I don't know I don't know if it's it's

907
00:38:00,950 --> 00:37:59,520
ever they're ever going to come forward

908
00:38:02,630 --> 00:38:00,960
with this

909
00:38:05,150 --> 00:38:02,640
we just have to wait and see

910
00:38:06,829 --> 00:38:05,160
Marla Snyder One account mentioned that

911
00:38:08,990 --> 00:38:06,839
scene the creature took his breath away

912
00:38:11,329 --> 00:38:09,000
have you heard this in other accounts

913
00:38:14,089 --> 00:38:11,339

yeah absolutely

914

00:38:15,349 --> 00:38:14,099

yeah I mean people react in all types of

915

00:38:19,250 --> 00:38:15,359

different ways

916

00:38:22,069 --> 00:38:19,260

um people have literally fainted

917

00:38:26,030 --> 00:38:22,079

at least three accounts that I know of

918

00:38:29,150 --> 00:38:26,040

they have lost uh control of their legs

919

00:38:34,270 --> 00:38:29,160

so physical physical effects yeah I mean

920

00:38:34,280 --> 00:38:39,890

I learned Karen here Karen who

921

00:38:45,890 --> 00:38:43,609

you had to my my brain isn't exactly

922

00:38:47,089 --> 00:38:45,900

full kilter tonight so you had to excuse

923

00:38:50,690 --> 00:38:47,099

me for that

924

00:38:55,490 --> 00:38:53,810

a short order cook

925

00:38:57,530 --> 00:38:55,500

sorry this has already been mentioned

926

00:38:59,870 --> 00:38:57,540

but have there been any bad plane

927

00:39:00,650 --> 00:38:59,880

accidents that have been unexplained

928

00:39:03,710 --> 00:39:00,660

there

929

00:39:06,050 --> 00:39:03,720

uh you know the only

930

00:39:08,810 --> 00:39:06,060

the the major

931

00:39:11,990 --> 00:39:08,820

plane accident they had was what year it

932

00:39:17,390 --> 00:39:13,970

I forget even the flight number but

933

00:39:19,130 --> 00:39:17,400

there was one really bad one years ago

934

00:39:21,230 --> 00:39:19,140

and um

935

00:39:23,030 --> 00:39:21,240

the plane actually took off and just did

936

00:39:25,670 --> 00:39:23,040

a nose dive and crashed and killed

937

00:39:27,710 --> 00:39:25,680

everybody that was over 20 25 years ago

938

00:39:29,630 --> 00:39:27,720

but not more

939

00:39:33,829 --> 00:39:29,640

um in fact I was reading about and I

940

00:39:34,910 --> 00:39:33,839

forgot I forgot the the actual

941

00:39:36,290 --> 00:39:34,920

um

942

00:39:38,690 --> 00:39:36,300

the actual encounter you know it's

943

00:39:40,609 --> 00:39:38,700

something we we were talking about this

944

00:39:43,310 --> 00:39:40,619

when we were up in Rockford about that

945

00:39:45,790 --> 00:39:43,320

plane crash about that area where the

946

00:39:50,329 --> 00:39:45,800

plane did go down

947

00:39:52,910 --> 00:39:50,339

for years it was basically left like a

948

00:39:56,510 --> 00:39:52,920

yeah flight 191 thank you Brian

949

00:39:58,730 --> 00:39:56,520

uh that was left the area was that the

950

00:40:00,710 --> 00:39:58,740

crash occurred was kind of left vacant

951

00:40:02,510 --> 00:40:00,720

now from what I understand they're

952

00:40:04,790 --> 00:40:02,520

starting to build there and they're you

953

00:40:07,069 --> 00:40:04,800

know airport is is expanding all the

954

00:40:09,530 --> 00:40:07,079

time and apparently they're building

955

00:40:11,690 --> 00:40:09,540

there now which I think is a shame

956

00:40:13,250 --> 00:40:11,700

you know I don't think I think it'll be

957

00:40:14,690 --> 00:40:13,260

a memorial area just like a lot of other

958

00:40:19,790 --> 00:40:14,700

places do

959

00:40:24,650 --> 00:40:22,250

uh you know there's been a lot of

960

00:40:26,450 --> 00:40:24,660

unexplained stuff around the hair you

961

00:40:28,670 --> 00:40:26,460

know you heard me talking about people

962

00:40:33,230 --> 00:40:28,680

mentioning uh

963

00:40:36,349 --> 00:40:33,240

ghost and uh Alien beings and UFOs it's

964

00:40:37,670 --> 00:40:36,359

just par for the course at O'Hare

965

00:40:39,950 --> 00:40:37,680

you know people just don't really

966

00:40:41,270 --> 00:40:39,960

understand how big that place is until

967

00:40:43,310 --> 00:40:41,280

they get there

968

00:40:46,849 --> 00:40:43,320

you know I had been there

969

00:40:48,890 --> 00:40:46,859

a few times many many moons ago but the

970

00:40:51,589 --> 00:40:48,900

other you know last week you're at the

971

00:40:54,230 --> 00:40:51,599

week after I drew we drove by it

972

00:40:57,650 --> 00:40:54,240

and uh it's just huge and it's getting

973

00:40:59,450 --> 00:40:57,660

bigger and bigger all the time so um

974

00:41:01,190 --> 00:40:59,460

you know I and this is one thing I do

975

00:41:03,530 --> 00:41:01,200

want to mention you know

976
00:41:06,290 --> 00:41:03,540
when we went there when we drove up

977
00:41:08,690 --> 00:41:06,300
there we went around on the traffic was

978
00:41:10,609 --> 00:41:08,700
terrible in that on that Saturday so we

979
00:41:13,910 --> 00:41:10,619
went up route 94.

980
00:41:15,349 --> 00:41:13,920
up to Rockford so but we actually go and

981
00:41:16,670 --> 00:41:15,359
buy a lot of areas where we've had

982
00:41:19,370 --> 00:41:16,680
reports

983
00:41:21,349 --> 00:41:19,380
it was funny I mean I I yeah I'm telling

984
00:41:23,030 --> 00:41:21,359
the guy I'm telling Brad the driver he

985
00:41:24,829 --> 00:41:23,040
said well I had a report there I had a

986
00:41:27,410 --> 00:41:24,839
report there and it was really

987
00:41:29,510 --> 00:41:27,420
interesting and I got to see firsthand a

988
00:41:31,130 --> 00:41:29,520

lot of yeah a lot of the areas and a lot

989

00:41:33,170 --> 00:41:31,140

of the locations where people had

990

00:41:34,069 --> 00:41:33,180

described this and the same on the way

991

00:41:36,490 --> 00:41:34,079

back

992

00:41:39,890 --> 00:41:36,500

so uh yeah but it was quite interesting

993

00:41:41,930 --> 00:41:39,900

uh Mike rastatter

994

00:41:43,790 --> 00:41:41,940

Karen restatter

995

00:41:45,589 --> 00:41:43,800

here I've been following you on the

996

00:41:48,349 --> 00:41:45,599

story for a long time did you go to

997

00:41:50,150 --> 00:41:48,359

Chicago lately yeah I did about a week

998

00:41:52,550 --> 00:41:50,160

and a half ago we were there

999

00:41:56,329 --> 00:41:52,560

we were there filming uh a documentary

1000

00:42:00,230 --> 00:41:56,339

and uh I got the uh I got to see a lot

1001
00:42:02,030 --> 00:42:00,240
of places Tobias was there as well first

1002
00:42:03,589 --> 00:42:02,040
time Tobias and I met all years we've

1003
00:42:05,210 --> 00:42:03,599
been working together it's the first

1004
00:42:06,230 --> 00:42:05,220
time we got to meet so that was

1005
00:42:08,390 --> 00:42:06,240
interesting

1006
00:42:10,849 --> 00:42:08,400
and uh you know

1007
00:42:13,130 --> 00:42:10,859
it was a great trip I actually got to

1008
00:42:14,690 --> 00:42:13,140
stop at Notre Dame on the way back which

1009
00:42:16,490 --> 00:42:14,700
is some place I've always wanted to go

1010
00:42:18,530 --> 00:42:16,500
so um

1011
00:42:21,950 --> 00:42:18,540
the guy who drew me was actually from

1012
00:42:24,470 --> 00:42:21,960
around Notre Dame around South Bend and

1013
00:42:26,450 --> 00:42:24,480

um though he's living in Maryland now

1014

00:42:29,870 --> 00:42:26,460

so he kind of gave me a tour so I

1015

00:42:34,310 --> 00:42:32,329

Marla Snyder O'Hara's own City and I'm

1016

00:42:35,870 --> 00:42:34,320

connecting fly on yeah I know I I hear

1017

00:42:38,089 --> 00:42:35,880

about people in their connecting flights

1018

00:42:42,290 --> 00:42:38,099

there all the time my wife had to fly

1019

00:42:44,210 --> 00:42:42,300

into O'Hare at one at two points and uh

1020

00:42:46,430 --> 00:42:44,220

had connecting flights and she kept

1021

00:42:48,410 --> 00:42:46,440

telling me how she had to practically

1022

00:42:50,690 --> 00:42:48,420

run across the airport to all the

1023

00:42:53,089 --> 00:42:50,700

terminals to get to another flight it's

1024

00:42:55,010 --> 00:42:53,099

just it is it's humongous I mean and I

1025

00:42:57,170 --> 00:42:55,020

haven't flown in there over 40 years but

1026

00:42:59,329 --> 00:42:57,180

it was big back then

1027

00:43:00,829 --> 00:42:59,339

so Bernadette how did you and your

1028

00:43:02,870 --> 00:43:00,839

encounter make you feel was it

1029

00:43:05,930 --> 00:43:02,880

comparable the other Witnesses

1030

00:43:09,710 --> 00:43:05,940

you know I don't know I

1031

00:43:11,930 --> 00:43:09,720

you know the the the thing in in

1032

00:43:13,970 --> 00:43:11,940

uh that happened in the in the hotel

1033

00:43:15,530 --> 00:43:13,980

room was interesting you know I don't

1034

00:43:17,450 --> 00:43:15,540

look that stuff doesn't kind of doesn't

1035

00:43:19,670 --> 00:43:17,460

bother me anymore as many as stuff I

1036

00:43:21,530 --> 00:43:19,680

hear the things you know the encounters

1037

00:43:23,930 --> 00:43:21,540

I've had in the past

1038

00:43:25,430 --> 00:43:23,940

uh I I knew it wasn't a spear or

1039

00:43:28,430 --> 00:43:25,440

anything I didn't pick up on anything

1040

00:43:30,950 --> 00:43:28,440

like that when I was in there

1041

00:43:34,010 --> 00:43:30,960

but um

1042

00:43:35,809 --> 00:43:34,020

the sighting at the underpass

1043

00:43:38,450 --> 00:43:35,819

personally

1044

00:43:40,490 --> 00:43:38,460

I think we may have seen one but you

1045

00:43:43,430 --> 00:43:40,500

know I'm not cause I'm not gonna say for

1046

00:43:45,829 --> 00:43:43,440

sure this thing was big and it wasn't a

1047

00:43:48,950 --> 00:43:45,839

heron it wasn't a crane

1048

00:43:50,870 --> 00:43:48,960

the wings because if if it was I would

1049

00:43:53,510 --> 00:43:50,880

have recognized the wings

1050

00:43:55,490 --> 00:43:53,520

I didn't see feathers on this thing uh

1051
00:43:58,370 --> 00:43:55,500
the wing I just saw the one wing and it

1052
00:44:01,730 --> 00:43:58,380
was big and it looked um it was just

1053
00:44:05,510 --> 00:44:01,740
huge so I don't know what we saw

1054
00:44:07,010 --> 00:44:05,520
so uh but both Brad and I saw it so you

1055
00:44:08,569 --> 00:44:07,020
know he commented I looked out real

1056
00:44:12,230 --> 00:44:08,579
quick and just got to see the tail end

1057
00:44:16,670 --> 00:44:12,829
um

1058
00:44:18,829 --> 00:44:16,680
La masand shot chat I watched the set

1059
00:44:20,650 --> 00:44:18,839
reload documentary the other day Lon

1060
00:44:24,530 --> 00:44:20,660
what do you think about it

1061
00:44:27,890 --> 00:44:24,540
uh you're talking about the uh

1062
00:44:30,950 --> 00:44:27,900
he did two actually he did the

1063
00:44:34,190 --> 00:44:30,960

Lake Michigan Mothman with Tobias

1064

00:44:37,069 --> 00:44:34,200

and then he did uh something about the

1065

00:44:40,490 --> 00:44:37,079

the wing cryptids in Northern Illinois

1066

00:44:43,670 --> 00:44:40,500

area but it both of them mentioned

1067

00:44:46,550 --> 00:44:43,680

uh Chicago sightings I don't know you

1068

00:44:48,650 --> 00:44:46,560

know I was um

1069

00:44:50,390 --> 00:44:48,660

I don't know I I can't say I was really

1070

00:44:52,910 --> 00:44:50,400

thrilled with it I I think it could have

1071

00:44:55,309 --> 00:44:52,920

covered more but then again you know I'm

1072

00:44:57,470 --> 00:44:55,319

not gonna fault anybody for but how they

1073

00:44:58,190 --> 00:44:57,480

present this thing I mean I get it you

1074

00:45:00,470 --> 00:44:58,200

know

1075

00:45:02,870 --> 00:45:00,480

you have certain

1076

00:45:05,870 --> 00:45:02,880

limitations I guess

1077

00:45:09,650 --> 00:45:05,880

I I do know one thing this production

1078

00:45:11,690 --> 00:45:09,660

that we are involved with is going to be

1079

00:45:13,849 --> 00:45:11,700

they took all the stops out there's

1080

00:45:16,910 --> 00:45:13,859

there's a lot of money behind it

1081

00:45:18,530 --> 00:45:16,920

and it's covering a lot of stuff so uh

1082

00:45:21,470 --> 00:45:18,540

you know when it's released we'll

1083

00:45:23,630 --> 00:45:21,480

definitely let you know about it

1084

00:45:27,950 --> 00:45:23,640

uh

1085

00:45:31,910 --> 00:45:27,960

crazy question have you spoken to any

1086

00:45:36,349 --> 00:45:34,550

and um

1087

00:45:38,510 --> 00:45:36,359

on you know I've tried to remove you

1088

00:45:41,450 --> 00:45:38,520

this whole thing unless and but many

1089

00:45:44,150 --> 00:45:41,460

times it just has not

1090

00:45:47,390 --> 00:45:44,160

it's been hard to pick up on

1091

00:45:50,450 --> 00:45:47,400

and a lot of times when we do

1092

00:45:52,370 --> 00:45:50,460

we do remove views involving alien or

1093

00:45:54,290 --> 00:45:52,380

otherworldly beings we have issues as

1094

00:45:55,730 --> 00:45:54,300

well so is that what these things are I

1095

00:45:58,309 --> 00:45:55,740

don't know

1096

00:46:01,190 --> 00:45:58,319

but a lot of times we get to maybe the

1097

00:46:02,930 --> 00:46:01,200

second or third level in

1098

00:46:05,750 --> 00:46:02,940

um shorter because you know she knows

1099

00:46:07,490 --> 00:46:05,760

because she's a remote viewer too uh

1100

00:46:08,329 --> 00:46:07,500

she's worked with me her and I've worked

1101

00:46:11,390 --> 00:46:08,339

together

1102

00:46:14,150 --> 00:46:11,400

for years and uh maybe I'll try to talk

1103

00:46:19,069 --> 00:46:14,160

her into doing one one day for Chicago

1104

00:46:21,109 --> 00:46:19,079

we'll see so uh but no I uh

1105

00:46:23,030 --> 00:46:21,119

you know we haven't gotten any decent

1106

00:46:25,430 --> 00:46:23,040

information out of that

1107

00:46:28,130 --> 00:46:25,440

Andrew Boyle question

1108

00:46:31,069 --> 00:46:28,140

uh lawn are you aware of the Civil Work

1109

00:46:33,290 --> 00:46:31,079

Camp in Chicago not Chicago

1110

00:46:35,210 --> 00:46:33,300

nope I don't know about that

1111
