A UFO is shown hovering in the dark blue night sky, emitting a bright, vertical beam of light that illuminates the city below. The city skyline includes a prominent white domed building, likely a state capitol, and several other skyscrapers with lit windows.

INTERVIEWS OF THE UFO EXPERIENCE

1
00:00:24,060 --> 00:00:19,710
hi everyone this is Martin Willis with

2
00:00:26,700 --> 00:00:24,070
podcast UFO calm today's episode is our

3
00:00:30,359 --> 00:00:26,710
second session with Don Schmidt on

4
00:00:31,800 --> 00:00:30,369
Roswell how you doing dawn yeah it's

5
00:00:33,720 --> 00:00:31,810
great to be with you again Martin so

6
00:00:37,470 --> 00:00:33,730
it's been too long but it's all my fault

7
00:00:42,000 --> 00:00:37,480
I accept the responsibility but well

8
00:00:43,920 --> 00:00:42,010
though well those of us who are tend to

9
00:00:47,820 --> 00:00:43,930
be a little bit more obsessed with our

10
00:00:49,800 --> 00:00:47,830
research we tend to disappear in the

11
00:00:52,410 --> 00:00:49,810
woodwork at times because we like to

12
00:00:54,870 --> 00:00:52,420
become flies on the walls of certain

13
00:00:57,630 --> 00:00:54,880

witnesses and the like and we have to

14

00:00:59,940 --> 00:00:57,640

hide our actions at times but nothing to

15

00:01:02,310 --> 00:00:59,950

various but nonetheless where the

16

00:01:05,639 --> 00:01:02,320

proactive investigators who were out in

17

00:01:08,070 --> 00:01:05,649

the trenches so trying to solve you know

18

00:01:09,719 --> 00:01:08,080

this ultimate mystery which we believe

19

00:01:12,630 --> 00:01:09,729

is the biggest story of the millennium

20

00:01:14,820 --> 00:01:12,640

yes I know I appreciate the time that

21

00:01:16,590 --> 00:01:14,830

actually has gone by because more things

22

00:01:20,040 --> 00:01:16,600

have happened so there's more to talk

23

00:01:22,320 --> 00:01:20,050

about there always is and what's good

24

00:01:25,260 --> 00:01:22,330

what at the amazing even Larry King the

25

00:01:27,600 --> 00:01:25,270

number of times mentioned to us that you

26

00:01:30,180 --> 00:01:27,610

know for a story that is now over 50 as

27

00:01:32,880 --> 00:01:30,190

it turns out now 65 years old it comes

28

00:01:35,310 --> 00:01:32,890

back stronger every year no matter how

29

00:01:37,800 --> 00:01:35,320

to the bunkers no matter how often the

30

00:01:40,289 --> 00:01:37,810

government tries to explain it away it

31

00:01:44,370 --> 00:01:40,299

still keeps rising for the surface and

32

00:01:47,429 --> 00:01:44,380

myths don't do that hoaxes don't do that

33

00:01:50,160 --> 00:01:47,439

once there you know explain the way it

34

00:01:53,280 --> 00:01:50,170

typically is the end of it but it's the

35

00:01:55,679 --> 00:01:53,290

truth that keeps bubbling to the top and

36

00:01:59,390 --> 00:01:55,689

that's why I'm so confident that we're

37

00:02:03,480 --> 00:01:59,400

dealing here with legitimate situation

38

00:02:07,410 --> 00:02:03,490

because it keeps trying to come out as

39

00:02:10,160 --> 00:02:07,420

it truly happened the witnesses even to

40

00:02:14,880 --> 00:02:10,170

the death beds continue to come forward

41

00:02:18,630 --> 00:02:14,890

not by us insisting that they do so but

42

00:02:20,580 --> 00:02:18,640

their families so often seek us out we

43

00:02:22,500 --> 00:02:20,590

need to tell you about what my husband

44

00:02:25,319 --> 00:02:22,510

just said what my father just said that

45

00:02:28,500 --> 00:02:25,329

type of thing and it's the same story

46

00:02:30,540 --> 00:02:28,510

over and over again and indeed we

47

00:02:32,970 --> 00:02:30,550

captured we recovered a flying saucer

48

00:02:35,100 --> 00:02:32,980

back in nineteen forty seven in the last

49

00:02:38,430 --> 00:02:35,110

podcast we did together a real quick

50

00:02:42,690 --> 00:02:38,440

recap you explained the situation and

51
00:02:45,060 --> 00:02:42,700
also about the witnesses and the number

52
00:02:48,560 --> 00:02:45,070
of witnesses was somewhere around 600

53
00:02:51,840 --> 00:02:48,570
director indirect and out of those 600

54
00:02:53,700 --> 00:02:51,850
the the thing that really struck in that

55
00:02:56,700 --> 00:02:53,710
podcast with me is out of those six

56
00:02:58,890 --> 00:02:56,710
hundred witnesses that not one single

57
00:03:01,920 --> 00:02:58,900
witness said that it could have been a

58
00:03:05,550 --> 00:03:01,930
weather balloon or crash dummies or it

59
00:03:08,790 --> 00:03:05,560
or the mogul that's true Gregory means

60
00:03:11,160 --> 00:03:08,800
true so after all these years yes yeah

61
00:03:13,890 --> 00:03:11,170
that that right there that says a little

62
00:03:16,620 --> 00:03:13,900
bit right there all 30 does yes I just

63
00:03:19,820 --> 00:03:16,630

imagine if I was a government defense

64

00:03:23,250 --> 00:03:19,830

attorney it defense in the sense that

65

00:03:24,870 --> 00:03:23,260

say we would actually take a legal stuff

66

00:03:27,060 --> 00:03:24,880

we would have a class action suit

67

00:03:31,100 --> 00:03:27,070

representing all the civilians who were

68

00:03:35,160 --> 00:03:31,110

involved who directly were threatened by

69

00:03:37,560 --> 00:03:35,170

officials by military officers within

70

00:03:40,020 --> 00:03:37,570

our own United States government to

71

00:03:43,440 --> 00:03:40,030

essentially keep their mouth shut about

72

00:03:46,740 --> 00:03:43,450

what they knew to be the truth and under

73

00:03:48,810 --> 00:03:46,750

the you know penalties of death I mean

74

00:03:51,210 --> 00:03:48,820

as we described in the previous program

75

00:03:53,550 --> 00:03:51,220

how parents were told we will kill your

76

00:03:55,229 --> 00:03:53,560

children get you ever discussed this

77

00:03:58,010 --> 00:03:55,239

again if you ever talk about this in

78

00:04:00,990 --> 00:03:58,020

public well what could be so sensitive

79

00:04:02,570 --> 00:04:01,000

involving civilians that in strict

80

00:04:05,280 --> 00:04:02,580

violation of the United States

81

00:04:08,340 --> 00:04:05,290

Constitution the United States

82

00:04:11,729 --> 00:04:08,350

government would use its own military to

83

00:04:13,640 --> 00:04:11,739

threaten its own citizenry and so we

84

00:04:17,010 --> 00:04:13,650

would take a class action suit just as a

85

00:04:19,830 --> 00:04:17,020

hypothetical and they had to defend

86

00:04:23,100 --> 00:04:19,840

their actions well first of all they

87

00:04:25,500 --> 00:04:23,110

have to explain why they came up with

88

00:04:27,450 --> 00:04:25,510

the counter solution to counter

89

00:04:29,550 --> 00:04:27,460

explanation being that it was a common

90

00:04:32,340 --> 00:04:29,560

weather balloon device with a radar

91

00:04:36,600 --> 00:04:32,350

reflector if again it was something

92

00:04:38,880 --> 00:04:36,610

else and then some 50 years later they

93

00:04:41,730 --> 00:04:38,890

would come up with another theory as it

94

00:04:43,920 --> 00:04:41,740

turned out project mogul which was a

95

00:04:47,580 --> 00:04:43,930

similar balloon device but

96

00:04:50,040 --> 00:04:47,590

it was a top secret project back 1947 in

97

00:04:52,379 --> 00:04:50,050

that it was determining whether the

98

00:04:56,520 --> 00:04:52,389

Soviets were detonating their own atomic

99

00:04:58,590 --> 00:04:56,530

devices post World War two and the

100

00:05:00,779 --> 00:04:58,600

concept was that we would pick up a

101
00:05:03,270 --> 00:05:00,789
shockwave in the upper atmosphere okay

102
00:05:05,189 --> 00:05:03,280
fine the project was top secret but

103
00:05:07,800 --> 00:05:05,199
certainly the components were not it was

104
00:05:09,480 --> 00:05:07,810
still a balloon and the last one being

105
00:05:14,100 --> 00:05:09,490
the anthro morphic wouldn't crash

106
00:05:18,680 --> 00:05:14,110
dummies so they'd have to defend all of

107
00:05:22,170 --> 00:05:18,690
these silly counter you know ploys to

108
00:05:25,260 --> 00:05:22,180
essentially suppress this bury this

109
00:05:32,029 --> 00:05:25,270
cover this up and then the first would

110
00:05:36,719 --> 00:05:32,039
have to demonstrate and prove why it

111
00:05:41,159 --> 00:05:36,729
necessitated you know the need to

112
00:05:43,379 --> 00:05:41,169
threaten American citizens again if it

113
00:05:46,920 --> 00:05:43,389

wasn't something so ultra secret so

114

00:05:50,129 --> 00:05:46,930

sensitive so unbelievable that they had

115

00:05:53,490 --> 00:05:50,139

to resort to even death threats so I

116

00:05:54,779 --> 00:05:53,500

love to see this you know play out in a

117

00:05:59,040 --> 00:05:54,789

court of law we've been approached by a

118

00:06:00,450 --> 00:05:59,050

number of a TV networks in the past you

119

00:06:03,089 --> 00:06:00,460

know if we'd even be interested in such

120

00:06:06,390 --> 00:06:03,099

a scenario actually taking Roz what a

121

00:06:07,800 --> 00:06:06,400

court in fact after our next book which

122

00:06:10,620 --> 00:06:07,810

is on wright-patterson Air Force Base

123

00:06:13,140 --> 00:06:10,630

the next book on Roswell will be

124

00:06:15,810 --> 00:06:13,150

essentially Roswell's day in court the

125

00:06:20,370 --> 00:06:15,820

tentative title is Roswell the final

126

00:06:23,490 --> 00:06:20,380

verdict and we will present it as we

127

00:06:27,420 --> 00:06:23,500

would given such an opportunity how this

128

00:06:29,550 --> 00:06:27,430

would play out and how these over six

129

00:06:32,279 --> 00:06:29,560

hundred witnesses directly or indirectly

130

00:06:35,640 --> 00:06:32,289

involved sadly most of them now deceased

131

00:06:37,580 --> 00:06:35,650

but nonetheless that their testimony is

132

00:06:39,450 --> 00:06:37,590

on the public record they have signed

133

00:06:43,320 --> 00:06:39,460

affidavits they had given video

134

00:06:47,790 --> 00:06:43,330

depositions they have told us in non

135

00:06:50,850 --> 00:06:47,800

contradictory terms that this indeed did

136

00:06:52,800 --> 00:06:50,860

happen that this was something not

137

00:06:54,629 --> 00:06:52,810

manufactured here this was something not

138

00:06:56,939 --> 00:06:54,639

made on this earth

139

00:06:59,489 --> 00:06:56,949

that is the one officer said they sure

140

00:07:02,309 --> 00:06:59,499

weren't for tech from Texas in reference

141

00:07:04,649 --> 00:07:02,319

to the bodies and on and on and on and

142

00:07:09,330 --> 00:07:04,659

as you mentioned Martin there are no

143

00:07:13,800 --> 00:07:09,340

witnesses that refute that the skeptics

144

00:07:16,529 --> 00:07:13,810

cause the you know dredge up um not even

145

00:07:20,640 --> 00:07:16,539

any way in any way do as far as

146

00:07:23,700 --> 00:07:20,650

witnesses to support what they can only

147

00:07:27,600 --> 00:07:23,710

present as personal attacks attacks on

148

00:07:31,890 --> 00:07:27,610

the witnesses attacks on us and to me

149

00:07:34,369 --> 00:07:31,900

that's a losing hand because the the

150

00:07:38,129 --> 00:07:34,379

wealth of circumstantial and evidentiary

151

00:07:41,850 --> 00:07:38,139

you know information regarding this

152

00:07:45,390 --> 00:07:41,860

incident is just beyond the human pale

153

00:07:49,050 --> 00:07:45,400

the idea that over 600 people would be

154

00:07:50,640 --> 00:07:49,060

telling us the same story a police

155

00:07:52,170 --> 00:07:50,650

officer should be so lucky in

156

00:07:53,760 --> 00:07:52,180

investigating any crime and you have a

157

00:07:57,499 --> 00:07:53,770

dozen witnesses and if they will all

158

00:08:00,749 --> 00:07:57,509

tell you the same count right people's

159

00:08:02,219 --> 00:08:00,759

observational capacities just aren't you

160

00:08:04,260 --> 00:08:02,229

know that in tune with even their

161

00:08:07,350 --> 00:08:04,270

immediate environment at any one given

162

00:08:10,619 --> 00:08:07,360

time so this two smacks have just how

163

00:08:13,740 --> 00:08:10,629

profound how unique this was it has

164

00:08:15,809 --> 00:08:13,750

stood the test of time it remains

165

00:08:17,999 --> 00:08:15,819

indelibly etched in their subconscious

166

00:08:20,070 --> 00:08:18,009

and whenever they're asked about it as

167

00:08:21,540 --> 00:08:20,080

one of the witnesses described it's the

168

00:08:23,189 --> 00:08:21,550

first thing I think about in the morning

169

00:08:26,339 --> 00:08:23,199

and it's the last thing I think about at

170

00:08:29,129 --> 00:08:26,349

night Wow well now you mentioned just a

171

00:08:31,350 --> 00:08:29,139

few minutes ago about the death threats

172

00:08:34,439 --> 00:08:31,360

have you spoken to more than one person

173

00:08:38,610 --> 00:08:34,449

that has said the same thing on that oh

174

00:08:41,219 --> 00:08:38,620

yes oh yes in fact one of the more

175

00:08:46,560 --> 00:08:41,229

recent accounts involved although the

176
00:08:49,439 --> 00:08:46,570
wife of Peter Anaya who worked out at

177
00:08:52,650 --> 00:08:49,449
the base at that time and was involved

178
00:08:54,630 --> 00:08:52,660
in retrieving repair picking up through

179
00:08:56,880 --> 00:08:54,640
the tenant governor Joseph Montoya at

180
00:09:00,240 --> 00:08:56,890
that time with his brother Rubin and

181
00:09:05,090 --> 00:09:00,250
another individual who also worked out

182
00:09:08,400 --> 00:09:05,100
at the base and his wife would describe

183
00:09:11,009 --> 00:09:08,410
that a number of military

184
00:09:15,030 --> 00:09:11,019
officers arrived at their home that

185
00:09:17,220 --> 00:09:15,040
evening and insisted that her husband

186
00:09:21,030 --> 00:09:17,230
come outside but she could still over

187
00:09:22,910 --> 00:09:21,040
here all the yelling the conversation as

188
00:09:27,119 --> 00:09:22,920

it took place as it went down and

189

00:09:31,369 --> 00:09:27,129

basically them they're telling her to

190

00:09:33,660 --> 00:09:31,379

stay in the house stay out of it but

191

00:09:36,179 --> 00:09:33,670

insisting that her husband never say a

192

00:09:38,369 --> 00:09:36,189

word about what happened and that if

193

00:09:41,009 --> 00:09:38,379

they ever did they would be killed wow

194

00:09:43,350 --> 00:09:41,019

wow and she wasn't even directly

195

00:09:46,350 --> 00:09:43,360

involved and so they used her as

196

00:09:49,050 --> 00:09:46,360

leverage they used her to really as far

197

00:09:51,360 --> 00:09:49,060

as emphasize the fact that this is

198

00:09:56,790 --> 00:09:51,370

something again that can never come out

199

00:10:01,160 --> 00:09:56,800

again it speaks quite profoundly of just

200

00:10:04,920 --> 00:10:01,170

how important this was and the extreme

201

00:10:07,290 --> 00:10:04,930

levels to which they had to resort to

202

00:10:10,769 --> 00:10:07,300

make sure that that people didn't talk

203

00:10:14,220 --> 00:10:10,779

about it so back several months ago we

204

00:10:17,309 --> 00:10:14,230

were going to record at 7pm I believe

205

00:10:21,569 --> 00:10:17,319

your time and you are hot on the trail

206

00:10:23,100 --> 00:10:21,579

of something to do with Roswell and we

207

00:10:25,889 --> 00:10:23,110

couldn't hook up can you talk about what

208

00:10:27,179 --> 00:10:25,899

that was at the time I can go into it

209

00:10:28,650 --> 00:10:27,189

briefly because it's something we're

210

00:10:31,309 --> 00:10:28,660

still working on in fact we're working

211

00:10:35,059 --> 00:10:31,319

on it every day because it could involve

212

00:10:39,290 --> 00:10:35,069

physical evidence oh and as a result

213

00:10:42,210 --> 00:10:39,300

involved a quick unscheduled trip and

214

00:10:48,660 --> 00:10:42,220

actually meeting with someone who is in

215

00:10:51,900 --> 00:10:48,670

possession of said material and we're

216

00:10:56,069 --> 00:10:51,910

talking specifically regarding it

217

00:10:59,730 --> 00:10:56,079

remains something you know pertaining to

218

00:11:06,420 --> 00:10:59,740

the bodies oh so this is beyond material

219

00:11:09,780 --> 00:11:06,430

or even with physical material from the

220

00:11:12,299 --> 00:11:09,790

craft the ship the crash site that type

221

00:11:15,389 --> 00:11:12,309

of thing so it's something new it's

222

00:11:19,319 --> 00:11:15,399

something we had a number false alarms

223

00:11:21,090 --> 00:11:19,329

regarding in the past but this this

224

00:11:21,879 --> 00:11:21,100

particular situation is much more

225

00:11:25,179 --> 00:11:21,889

promising

226

00:11:27,400 --> 00:11:25,189

Wow pedagogical more or less yes well

227

00:11:31,299 --> 00:11:27,410

well okay I won't put it that way you

228

00:11:34,539 --> 00:11:31,309

know because I don't want to be very

229

00:11:38,559 --> 00:11:34,549

careful yes because again people's lives

230

00:11:41,280 --> 00:11:38,569

may be at risk and I have to be careful

231

00:11:44,169 --> 00:11:41,290

not to certainly Telegraph our actions

232

00:11:47,739 --> 00:11:44,179

but let's just say it will either go

233

00:11:49,389 --> 00:11:47,749

down as a tremendous Hulk's that people

234

00:11:53,979 --> 00:11:49,399

went through a tremendous effort and

235

00:11:59,609 --> 00:11:53,989

expense to try to perpetrate this and if

236

00:12:02,829 --> 00:11:59,619

not it potentially is a smoking gun Wow

237

00:12:05,340 --> 00:12:02,839

and so lightly pretty soon yeah it could

238

00:12:07,539 --> 00:12:05,350

finally put this thing to bed basically

239

00:12:11,939 --> 00:12:07,549

which would be I would like to think so

240

00:12:16,179 --> 00:12:11,949

but given the skeptical mind set

241

00:12:18,909 --> 00:12:16,189

especially the the American press the

242

00:12:22,359 --> 00:12:18,919

American media that enough will never be

243

00:12:24,909 --> 00:12:22,369

enough it comes down to when will it be

244

00:12:27,249 --> 00:12:24,919

enough for us then we can walk away and

245

00:12:31,210 --> 00:12:27,259

just go mission accomplished and feel

246

00:12:34,619 --> 00:12:31,220

justified in our essentially shutting

247

00:12:37,269 --> 00:12:34,629

down the efforts I'd like to believe

248

00:12:40,059 --> 00:12:37,279

it's sometime in the near future I'd

249

00:12:43,359 --> 00:12:40,069

like to believe that it could happen is

250

00:12:47,319 --> 00:12:43,369

as soon as tomorrow if our efforts you

251
00:12:49,030 --> 00:12:47,329
know continue to produce results but

252
00:12:51,999 --> 00:12:49,040
nonetheless I have to resign myself to

253
00:12:56,999 --> 00:12:52,009
accept that enough will may never be

254
00:12:59,439 --> 00:12:57,009
enough that it is still something that

255
00:13:02,499 --> 00:12:59,449
again we have to keep in mind that the

256
00:13:05,590 --> 00:13:02,509
powers that be trying at the time of the

257
00:13:08,529 --> 00:13:05,600
intern I 947 decided that this was never

258
00:13:11,769 --> 00:13:08,539
to come out and I don't mean that it was

259
00:13:15,639 --> 00:13:11,779
going to be just a five year you know

260
00:13:18,819 --> 00:13:15,649
leg time or 10 years or even 50 years

261
00:13:22,779 --> 00:13:18,829
it's quite evident that the way they

262
00:13:27,699 --> 00:13:22,789
have buried this the the manner by which

263
00:13:31,179 --> 00:13:27,709

as many people have died with this but

264

00:13:32,769 --> 00:13:31,189

not past and I passing it down as I've

265

00:13:34,730 --> 00:13:32,779

often said the old order in the military

266

00:13:36,440 --> 00:13:34,740

is not passing it down to the new

267

00:13:38,930 --> 00:13:36,450

so it's not like there's even a

268

00:13:41,449 --> 00:13:38,940

continuing project a continuing effort

269

00:13:43,639 --> 00:13:41,459

to solve this it's like you've always

270

00:13:45,620 --> 00:13:43,649

had the answer but yet they don't have

271

00:13:47,240 --> 00:13:45,630

any answers that being the cover of

272

00:13:49,970 --> 00:13:47,250

ignorance they have the physical proof

273

00:13:51,590 --> 00:13:49,980

but they don't have any motives they

274

00:13:54,290 --> 00:13:51,600

don't know from where from wire from who

275

00:13:56,060 --> 00:13:54,300

and they still can't plug it in they

276

00:13:59,389 --> 00:13:56,070

still can make it work so to speak as

277

00:14:01,519 --> 00:13:59,399

far as reverse engineering or developing

278

00:14:05,630 --> 00:14:01,529

any technology as a result of this

279

00:14:11,750 --> 00:14:05,640

recovery back in 1947 so i would think

280

00:14:14,420 --> 00:14:11,760

out of even frustration lack of of any

281

00:14:17,960 --> 00:14:14,430

return on their part for all of their

282

00:14:19,579 --> 00:14:17,970

efforts in these past 65 years that they

283

00:14:21,920 --> 00:14:19,589

just have washed their hands of it and

284

00:14:24,740 --> 00:14:21,930

it's like the phenomenon exists it's

285

00:14:26,990 --> 00:14:24,750

there and there's nothing we can do

286

00:14:28,850 --> 00:14:27,000

about it and how do they go to the

287

00:14:32,150 --> 00:14:28,860

public oddity you know announce to the

288

00:14:33,860 --> 00:14:32,160

world that we've been visited we are

289

00:14:35,540 --> 00:14:33,870

being visited that aircraft are flying

290

00:14:39,230 --> 00:14:35,550

through our airspace with total impunity

291

00:14:41,240 --> 00:14:39,240

for all these years and we can't do

292

00:14:42,740 --> 00:14:41,250

anything about it well I mean what

293

00:14:46,880 --> 00:14:42,750

elected official is going to make that

294

00:14:50,000 --> 00:14:46,890

announcement right and if it was it

295

00:14:51,380 --> 00:14:50,010

would have to be for all the skeptics to

296

00:14:53,840 --> 00:14:51,390

actually believe it it would probably

297

00:14:57,680 --> 00:14:53,850

have to be the president of the United

298

00:15:00,560 --> 00:14:57,690

States live on TV announcing it or maybe

299

00:15:03,319 --> 00:15:00,570

not even then not even then because it's

300

00:15:06,650 --> 00:15:03,329

like the most recent example as far as

301
00:15:09,530 --> 00:15:06,660
with the assassination of sama bin Laden

302
00:15:11,690 --> 00:15:09,540
and there it was a case of the President

303
00:15:17,740 --> 00:15:11,700
President Obama gone before the American

304
00:15:20,720 --> 00:15:17,750
people and making that very announcement

305
00:15:22,760 --> 00:15:20,730
and even going to some detail on how it

306
00:15:25,430 --> 00:15:22,770
was accomplished and the steps that led

307
00:15:28,790 --> 00:15:25,440
up to their finally discovering his

308
00:15:31,819 --> 00:15:28,800
whereabouts and then and how he was how

309
00:15:34,579 --> 00:15:31,829
he was killed and nonetheless within

310
00:15:37,340 --> 00:15:34,589
days after there were version after

311
00:15:39,920 --> 00:15:37,350
version after version yeah and stir and

312
00:15:42,860 --> 00:15:39,930
it was like I was doing a talk in

313
00:15:45,230 --> 00:15:42,870

Illinois shortly thereafter and I

314

00:15:47,710 --> 00:15:45,240

jokingly even made the statement made

315

00:15:53,249 --> 00:15:47,720

the announcement that

316

00:15:55,800 --> 00:15:53,259

a major terrorist of the man behind 911

317

00:15:59,160 --> 00:15:55,810

who had instrumented as far as that

318

00:16:02,499 --> 00:15:59,170

fatal attack as far as on our own Shores

319

00:16:05,679 --> 00:16:02,509

had finally been killed by American

320

00:16:08,230 --> 00:16:05,689

troops and then I posed the question on

321

00:16:09,790 --> 00:16:08,240

which version and we you know asked to

322

00:16:12,790 --> 00:16:09,800

believe which one are we going to

323

00:16:15,689 --> 00:16:12,800

believe was it Navy SEALs was it dealt

324

00:16:19,840 --> 00:16:15,699

you know Air Force delica forest was

325

00:16:22,119 --> 00:16:19,850

army special forces in conjunction with

326

00:16:25,569 --> 00:16:22,129

one another or how many troops were

327

00:16:28,059 --> 00:16:25,579

involved was there an actual gun fight

328

00:16:29,769 --> 00:16:28,069

that took place on on and on and on and

329

00:16:33,069 --> 00:16:29,779

demonstrating that again even if the

330

00:16:36,220 --> 00:16:33,079

president makes such a statement such an

331

00:16:39,309 --> 00:16:36,230

announcement it still comes down to the

332

00:16:42,280 --> 00:16:39,319

cynic and so many of us and it said that

333

00:16:44,710 --> 00:16:42,290

it's become the case with the press with

334

00:16:48,550 --> 00:16:44,720

elected officials we look every time

335

00:16:51,369 --> 00:16:48,560

there is a a popularity poll taken as

336

00:16:53,410 --> 00:16:51,379

far as job performance and even

337

00:16:58,780 --> 00:16:53,420

professional we always see that

338

00:17:02,340 --> 00:16:58,790

politicians rate right at the bottom and

339

00:17:04,960 --> 00:17:02,350

yet the military rates still very highly

340

00:17:10,360 --> 00:17:04,970

now military rates highly and

341

00:17:13,990 --> 00:17:10,370

justifiably okay that was episode number

342

00:17:16,210 --> 00:17:14,000

16 with Don Schmidt if you want to

343

00:17:21,399 --> 00:17:16,220

listen to the rest of this just head
