

A black and white photograph of a UFO hovering over a road. The UFO is a classic saucer shape, tilted slightly. The road is a two-lane highway with a dashed white line down the center, receding into the distance. The background shows a landscape with bushes and hills under a cloudy sky.

china with mark simmer how are you doing

15
00:01:01,029 --> 00:00:58,320
mark hi martin thank you for having me

16
00:01:03,189 --> 00:01:01,039
certainly and mark is the author of

17
00:01:05,189 --> 00:01:03,199
a science fiction book

18
00:01:07,670 --> 00:01:05,199
uh but he has so much more to say and

19
00:01:09,109 --> 00:01:07,680
the name of that book is texas lights so

20
00:01:11,350 --> 00:01:09,119
why don't you tell

21
00:01:14,390 --> 00:01:11,360
the audience a little bit about yourself

22
00:01:17,510 --> 00:01:14,400
mark well i was born in in switzerland i

23
00:01:19,030 --> 00:01:17,520
grew up in paris and from my late teens

24
00:01:20,149 --> 00:01:19,040
i started to spend a lot of time in

25
00:01:22,310 --> 00:01:20,159
canada

26

00:01:24,469 --> 00:01:22,320

on the family ranch way north in

27

00:01:26,550 --> 00:01:24,479

smithers british columbia and my

28

00:01:28,230 --> 00:01:26,560

background is in diplomacy and

29

00:01:30,469 --> 00:01:28,240

international aid

30

00:01:32,069 --> 00:01:30,479

in the 90s i was a junior diplomat for

31

00:01:34,710 --> 00:01:32,079

the european union and i was their

32

00:01:37,910 --> 00:01:34,720

political and press officer in cairo

33

00:01:40,469 --> 00:01:37,920

and then for many years i worked for

34

00:01:42,069 --> 00:01:40,479

an aid agency of the spanish ministry of

35

00:01:44,710 --> 00:01:42,079

commerce and i conducted development

36

00:01:46,230 --> 00:01:44,720

works in africa the middle east and asia

37

00:01:47,350 --> 00:01:46,240

we did public health airport

38

00:01:49,749 --> 00:01:47,360

communication

39

00:01:52,389 --> 00:01:49,759
environmental project and so on

40

00:01:55,270 --> 00:01:52,399
and now i live in china where i write

41

00:01:57,109 --> 00:01:55,280
and teach at a beijing university and i

42

00:01:59,190 --> 00:01:57,119
have the opportunity to share my life

43

00:02:01,190 --> 00:01:59,200
experience with chinese students chinese

44

00:02:03,190 --> 00:02:01,200
youth and that is very rewarding and

45

00:02:04,709 --> 00:02:03,200
meaningful exchange well what a pedigree

46

00:02:07,109 --> 00:02:04,719
you have this is really great that

47

00:02:09,910 --> 00:02:07,119
someone like you is interested in the

48

00:02:11,190 --> 00:02:09,920
ufo uh subject in general what would you

49

00:02:12,710 --> 00:02:11,200
like to do next would you like to talk

50

00:02:15,510 --> 00:02:12,720
about your book

51
00:02:17,589 --> 00:02:15,520
yes certainly um

52
00:02:19,750 --> 00:02:17,599
texas lights is um

53
00:02:22,070 --> 00:02:19,760
was published this fall it's part of a

54
00:02:23,750 --> 00:02:22,080
series of novels that i'm writing and

55
00:02:25,990 --> 00:02:23,760
the series follows the adventure of paul

56
00:02:27,350 --> 00:02:26,000
madok a canadian spy

57
00:02:28,630 --> 00:02:27,360
from the end of the cold war to the

58
00:02:31,110 --> 00:02:28,640
present day

59
00:02:33,190 --> 00:02:31,120
and i realized that

60
00:02:36,309 --> 00:02:33,200
we read a lot about american spies about

61
00:02:37,910 --> 00:02:36,319
uk spies but there are not many heroes

62
00:02:39,350 --> 00:02:37,920
coming from your friendly neighbor north

63
00:02:41,589 --> 00:02:39,360

of the border

64

00:02:42,309 --> 00:02:41,599

so anyway i felt canada deserved another

65

00:02:44,470 --> 00:02:42,319

one

66

00:02:46,229 --> 00:02:44,480

so i invented medoc a kind of tin tin

67

00:02:49,509 --> 00:02:46,239

for grown ups

68

00:02:51,509 --> 00:02:49,519

and canada is close all the closest ally

69

00:02:53,110 --> 00:02:51,519

on the united states as together they

70

00:02:54,229 --> 00:02:53,120

share most of the north american

71

00:02:55,990 --> 00:02:54,239

continent

72

00:02:58,229 --> 00:02:56,000

at the same time it is a separate

73

00:03:00,949 --> 00:02:58,239

country with its own history its own

74

00:03:03,350 --> 00:03:00,959

political and security institutions its

75

00:03:05,910 --> 00:03:03,360

own set of national interests

76
00:03:07,589 --> 00:03:05,920
so paul medoc being canadian i think can

77
00:03:09,750 --> 00:03:07,599
provide i hope an interesting

78
00:03:11,830 --> 00:03:09,760
perspective for american readers on

79
00:03:13,990 --> 00:03:11,840
subjects such as new challenges of the

80
00:03:16,830 --> 00:03:14,000
21st century the war on terror or for

81
00:03:19,030 --> 00:03:16,840
what interests us today the ufo

82
00:03:22,070 --> 00:03:19,040
phenomena so

83
00:03:25,350 --> 00:03:22,080
texas lights starts almost exactly five

84
00:03:27,670 --> 00:03:25,360
years ago when in january 8 2008 strange

85
00:03:29,589 --> 00:03:27,680
lights are reported by many witnesses

86
00:03:31,670 --> 00:03:29,599
above the city of stefanville

87
00:03:33,270 --> 00:03:31,680
and what interested me most in this

88
00:03:34,789 --> 00:03:33,280

particular event and this is very much

89

00:03:37,190 --> 00:03:34,799

the premise

90

00:03:38,949 --> 00:03:37,200

for this book is in addition of being a

91

00:03:43,110 --> 00:03:38,959

massive sighting and the most important

92

00:03:44,949 --> 00:03:43,120

ufo event since phoenix arizona in 97

93

00:03:47,190 --> 00:03:44,959

this very large object was seen

94

00:03:48,710 --> 00:03:47,200

traveling towards the presidential ranch

95

00:03:50,149 --> 00:03:48,720

you know the western white house as it

96

00:03:52,309 --> 00:03:50,159

was nicknamed that

97

00:03:54,309 --> 00:03:52,319

and we know now

98

00:03:56,470 --> 00:03:54,319

thanks to the 5 million hits of raw

99

00:03:58,470 --> 00:03:56,480

radar data that was analyzed that the

100

00:03:59,589 --> 00:03:58,480

object was detected just 10 miles from

101
00:04:01,110 --> 00:03:59,599
the

102
00:04:03,270 --> 00:04:01,120
and i wondered

103
00:04:05,589 --> 00:04:03,280
what would have happened if the united

104
00:04:07,990 --> 00:04:05,599
states president had been there that day

105
00:04:10,149 --> 00:04:08,000
a massive and unknown object the size or

106
00:04:13,270 --> 00:04:10,159
larger than a football stadium

107
00:04:15,910 --> 00:04:13,280
going straight at him in or post-9 11

108
00:04:18,949 --> 00:04:15,920
world and all these being observed by an

109
00:04:21,189 --> 00:04:18,959
awak plane and a number of jet fighters

110
00:04:22,469 --> 00:04:21,199
so i i really got my story when i asked

111
00:04:24,310 --> 00:04:22,479
myself

112
00:04:27,110 --> 00:04:24,320
what if the president was not just there

113
00:04:29,350 --> 00:04:27,120

on vacation but was about to receive the

114

00:04:30,870 --> 00:04:29,360

prime minister of canada for an official

115

00:04:32,870 --> 00:04:30,880

visit you know putin had been to the

116

00:04:33,909 --> 00:04:32,880

texas ranch and many more presidents had

117

00:04:36,150 --> 00:04:33,919

been there

118

00:04:37,590 --> 00:04:36,160

so the the novel starts in no tower with

119

00:04:39,510 --> 00:04:37,600

the prime minister very much looking

120

00:04:41,110 --> 00:04:39,520

forward to to start his trip it's an

121

00:04:42,550 --> 00:04:41,120

important location for him politically

122

00:04:44,390 --> 00:04:42,560

but also personally because it's the

123

00:04:45,670 --> 00:04:44,400

first international outing together with

124

00:04:47,590 --> 00:04:45,680

his new wife

125

00:04:50,070 --> 00:04:47,600

and just before takeoff the americans

126

00:04:51,909 --> 00:04:50,080

ask for a two hours delay followed by

127

00:04:53,510 --> 00:04:51,919

another delay before the trip is

128

00:04:55,510 --> 00:04:53,520

canceled altogether

129

00:04:57,830 --> 00:04:55,520

and as expected when we are dealing with

130

00:04:59,909 --> 00:04:57,840

a ufo event and the u.s government is

131

00:05:02,310 --> 00:04:59,919

saying nothing

132

00:05:04,150 --> 00:05:02,320

even to his close ally

133

00:05:06,710 --> 00:05:04,160

the american side absolutely refused

134

00:05:08,790 --> 00:05:06,720

that day or later to provide any kind of

135

00:05:11,029 --> 00:05:08,800

explanation other than saying that they

136

00:05:13,029 --> 00:05:11,039

had been a serious security bridge at

137

00:05:15,029 --> 00:05:13,039

the branch

138

00:05:16,230 --> 00:05:15,039

so the the prime minister is extremely

139

00:05:18,629 --> 00:05:16,240

upset

140

00:05:20,790 --> 00:05:18,639

and he feels that he has been uh to an

141

00:05:21,830 --> 00:05:20,800

extent ridiculed in front of his press

142

00:05:22,629 --> 00:05:21,840

corp

143

00:05:26,550 --> 00:05:22,639

and

144

00:05:29,590 --> 00:05:26,560

so although he knows the risk of doing

145

00:05:33,990 --> 00:05:29,600

so he requests that the best agent

146

00:05:37,189 --> 00:05:34,000

of csis be sent to iraf county texas

147

00:05:38,629 --> 00:05:37,199

and csis is the canadian security and

148

00:05:41,590 --> 00:05:38,639

intelligence service

149

00:05:44,230 --> 00:05:41,600

the equivalent of the u.s service secret

150

00:05:47,029 --> 00:05:44,240

service in charge of vips and diplomatic

151

00:05:49,430 --> 00:05:47,039

missions protection but it's also the

152

00:05:51,670 --> 00:05:49,440

canadian equivalent of the cia

153

00:05:53,350 --> 00:05:51,680

and the best secret agent is no other

154

00:05:56,070 --> 00:05:53,360

than paul medoc

155

00:05:57,670 --> 00:05:56,080

now in his 40s director of operation

156

00:06:00,150 --> 00:05:57,680

is already very busy trying to keep

157

00:06:01,990 --> 00:06:00,160

canada safe and he's preparing for an

158

00:06:04,790 --> 00:06:02,000

upcoming g20 summit of heads of

159

00:06:06,309 --> 00:06:04,800

government in vancouver so medoc really

160

00:06:07,749 --> 00:06:06,319

has other pressing matters than chasing

161

00:06:09,749 --> 00:06:07,759

ufos in texas

162

00:06:11,430 --> 00:06:09,759

he knows enough about that matter to

163

00:06:14,550 --> 00:06:11,440

believe that it's very unlikely for him

164

00:06:16,790 --> 00:06:14,560

to find anything decisive or even new on

165

00:06:18,230 --> 00:06:16,800

the issue a month after dozens of

166

00:06:19,670 --> 00:06:18,240

reporters

167

00:06:20,870 --> 00:06:19,680

ufo investigators have been there

168

00:06:23,110 --> 00:06:20,880

already

169

00:06:26,390 --> 00:06:23,120

so he takes his undercover mission as a

170

00:06:27,430 --> 00:06:26,400

sort of a strange and dangerous vacation

171

00:06:29,350 --> 00:06:27,440

and

172

00:06:30,629 --> 00:06:29,360

uh the america has been extremely clear

173

00:06:32,950 --> 00:06:30,639

that they consider the mata as a

174

00:06:47,029 --> 00:06:32,960

national secret and a close case and

175

00:06:50,230 --> 00:06:48,390

is available

176
00:06:51,830 --> 00:06:50,240
uh you know against basic rules to spy

177
00:06:52,790 --> 00:06:51,840
on an ally

178
00:06:54,790 --> 00:06:52,800
so

179
00:06:56,469 --> 00:06:54,800
medic takes all the precaution of his

180
00:06:58,790 --> 00:06:56,479
trade and to travel to stephenville

181
00:07:01,189 --> 00:06:58,800
undetected and he certainly does not

182
00:07:02,950 --> 00:07:01,199
know that six days later

183
00:07:04,870 --> 00:07:02,960
his life would have been changed forever

184
00:07:07,510 --> 00:07:04,880
and this stephenville event is only the

185
00:07:10,070 --> 00:07:07,520
start of the book and for the rest what

186
00:07:12,469 --> 00:07:10,080
paul mcduck finds there the people he

187
00:07:15,110 --> 00:07:12,479
meets all is totally invented i mean it

188
00:07:17,589 --> 00:07:15,120

is a novel it's a work of fiction not a

189

00:07:19,670 --> 00:07:17,599

narration of field investigations i mean

190

00:07:21,270 --> 00:07:19,680

angelia joyner mufon have done that

191

00:07:22,390 --> 00:07:21,280

already and much better than i could

192

00:07:24,230 --> 00:07:22,400

ever do

193

00:07:26,710 --> 00:07:24,240

and actually i do not think it matters

194

00:07:29,430 --> 00:07:26,720

much uh for a novel

195

00:07:31,589 --> 00:07:29,440

if people that they saw you know red

196

00:07:33,589 --> 00:07:31,599

orbs or green orbs

197

00:07:35,749 --> 00:07:33,599

or if there was one or many object or if

198

00:07:37,510 --> 00:07:35,759

the witness were called this or that

199

00:07:39,990 --> 00:07:37,520

what i was much more interested about

200

00:07:41,990 --> 00:07:40,000

was to imagine how people in a small

201
00:07:43,110 --> 00:07:42,000
town in texas could have been changed by

202
00:07:45,909 --> 00:07:43,120
it

203
00:07:47,430 --> 00:07:45,919
and i was also interested to find out

204
00:07:49,909 --> 00:07:47,440
what would have happened to the

205
00:07:51,270 --> 00:07:49,919
president that day

206
00:07:53,110 --> 00:07:51,280
so

207
00:07:54,710 --> 00:07:53,120
anyway i tried to write a very

208
00:07:57,110 --> 00:07:54,720
fast-paced novel

209
00:07:59,589 --> 00:07:57,120
and it's also a story of self-discovery

210
00:08:00,869 --> 00:07:59,599
and the story of true love

211
00:08:02,469 --> 00:08:00,879
my purpose

212
00:08:04,390 --> 00:08:02,479
is that the reader should have as much

213
00:08:06,390 --> 00:08:04,400

excitement and fun reading it and i had

214

00:08:09,029 --> 00:08:06,400

writing it now i've heard this type of

215

00:08:10,350 --> 00:08:09,039

situation called alternative history and

216

00:08:13,430 --> 00:08:10,360

there's a lot of

217

00:08:15,670 --> 00:08:13,440

alternative history fans out there for

218

00:08:17,270 --> 00:08:15,680

all types of things that have happened

219

00:08:20,150 --> 00:08:17,280

in history but i really like the way

220

00:08:23,749 --> 00:08:20,160

this uh weaves in uh part of a true

221

00:08:27,029 --> 00:08:23,759

story of what actually happened into a

222

00:08:29,110 --> 00:08:27,039

fictional novel sounds great now

223

00:08:31,270 --> 00:08:29,120

from what i've researched a little bit

224

00:08:32,790 --> 00:08:31,280

about this stephensville lights

225

00:08:34,790 --> 00:08:32,800

is uh that

226

00:08:38,070 --> 00:08:34,800

this object was tracked

227

00:08:40,709 --> 00:08:38,080

up to 2100 miles an hour and down to 37

228

00:08:43,190 --> 00:08:40,719

miles an hour and as far as i know

229

00:08:45,670 --> 00:08:43,200

there's nothing that we have

230

00:08:47,590 --> 00:08:45,680

of any type of technology especially

231

00:08:50,150 --> 00:08:47,600

when eyewitnesses are saying it's the

232

00:08:51,990 --> 00:08:50,160

size of a football stadium

233

00:08:54,310 --> 00:08:52,000

that can move like this how much

234

00:08:56,710 --> 00:08:54,320

research did you do ahead of time before

235

00:08:59,430 --> 00:08:56,720

you started writing this book i i think

236

00:09:01,990 --> 00:08:59,440

that's back then in 2008 i mean i wrote

237

00:09:05,190 --> 00:09:02,000

this book last last summer

238

00:09:07,670 --> 00:09:05,200

so you know four four years later but at

239

00:09:09,750 --> 00:09:07,680

the time of the event i was

240

00:09:12,790 --> 00:09:09,760

i really followed it i i it was a you

241

00:09:15,750 --> 00:09:12,800

know massive event and i i i read uh

242

00:09:16,790 --> 00:09:15,760

everything i could i could on it and i

243

00:09:19,350 --> 00:09:16,800

even

244

00:09:21,350 --> 00:09:19,360

he emailed at the time

245

00:09:22,630 --> 00:09:21,360

angela joyner and she was very kind to

246

00:09:23,509 --> 00:09:22,640

to answer

247

00:09:24,949 --> 00:09:23,519

um

248

00:09:27,670 --> 00:09:24,959

so i was very

249

00:09:28,710 --> 00:09:27,680

at the time very quite shaken by it uh

250

00:09:31,430 --> 00:09:28,720

really

251
00:09:33,910 --> 00:09:31,440
you know we had youtube videos and it

252
00:09:36,790 --> 00:09:33,920
was all over the place and no

253
00:09:39,430 --> 00:09:36,800
no explanation like in for phoenix

254
00:09:42,710 --> 00:09:39,440
arizona but i also believe that you know

255
00:09:45,430 --> 00:09:42,720
the ufo uh phenomenon is a

256
00:09:47,590 --> 00:09:45,440
normal and important topic that should

257
00:09:50,470 --> 00:09:47,600
have is its place much more in

258
00:09:52,310 --> 00:09:50,480
mainstream contemporary fiction i'm not

259
00:09:54,310 --> 00:09:52,320
sure my novel is is science fiction

260
00:09:55,990 --> 00:09:54,320
actually i i

261
00:09:58,389 --> 00:09:56,000
i think it's it is just a novel it's

262
00:10:01,110 --> 00:09:58,399
just a fiction yeah it's an invented

263
00:10:03,190 --> 00:10:01,120

story like like like any others

264

00:10:05,190 --> 00:10:03,200

but it's not because there's a ufo in it

265

00:10:08,070 --> 00:10:05,200

that then it has to be

266

00:10:09,430 --> 00:10:08,080

science fiction i i don't believe ufo

267

00:10:11,509 --> 00:10:09,440

today

268

00:10:13,509 --> 00:10:11,519

should only belong to investigative

269

00:10:14,710 --> 00:10:13,519

journalism to science fiction to the new

270

00:10:17,030 --> 00:10:14,720

age genre

271

00:10:19,030 --> 00:10:17,040

and the reason is because it's one of

272

00:10:21,030 --> 00:10:19,040

the most spectacular and widespread

273

00:10:22,790 --> 00:10:21,040

phenomenon of our time

274

00:10:24,470 --> 00:10:22,800

and whatever it is

275

00:10:26,710 --> 00:10:24,480

it has certainly changed the life of

276

00:10:28,870 --> 00:10:26,720

thousands or tens of thousands of people

277

00:10:32,389 --> 00:10:28,880

worldwide in the last 60 years

278

00:10:35,110 --> 00:10:32,399

in that sense it is very real because it

279

00:10:36,630 --> 00:10:35,120

is it is so real for so many of us i'm

280

00:10:38,470 --> 00:10:36,640

martin yourself

281

00:10:40,550 --> 00:10:38,480

because you had a particular sightings

282

00:10:42,630 --> 00:10:40,560

you started doing a podcast

283

00:10:44,069 --> 00:10:42,640

you have reached out to many people you

284

00:10:45,750 --> 00:10:44,079

would not have met otherwise you have to

285

00:10:47,190 --> 00:10:45,760

touch the life of others you have

286

00:10:49,590 --> 00:10:47,200

changed your outlook on things it has

287

00:10:51,590 --> 00:10:49,600

changed your life in a very real way

288

00:10:53,590 --> 00:10:51,600

that's right one instant everything

289

00:10:56,150 --> 00:10:53,600

changed you're right about that because

290

00:10:58,069 --> 00:10:56,160

it is taking such a large

291

00:11:00,230 --> 00:10:58,079

part of the consciousness of

292

00:11:02,630 --> 00:11:00,240

contemporary mankind

293

00:11:04,230 --> 00:11:02,640

the ufo phenomenon either we like it or

294

00:11:07,670 --> 00:11:04,240

not is already very much part of our

295

00:11:09,750 --> 00:11:07,680

reality uh this is already the opinion

296

00:11:11,829 --> 00:11:09,760

of the great kalian who founded

297

00:11:13,350 --> 00:11:11,839

analytical psychology

298

00:11:15,910 --> 00:11:13,360

and who in

299

00:11:16,949 --> 00:11:15,920

1954 published a book called flying

300

00:11:18,710 --> 00:11:16,959

saucers

301

00:11:20,790 --> 00:11:18,720

and he writes in the in the first

302

00:11:22,949 --> 00:11:20,800

paragraph and he had a quote

303

00:11:24,949 --> 00:11:22,959

if they are real what are they and if

304

00:11:27,350 --> 00:11:24,959

they are fantasy why should there be

305

00:11:30,150 --> 00:11:27,360

such a rumor and the meaning here is

306

00:11:32,389 --> 00:11:30,160

that even if ufos are a human

307

00:11:34,630 --> 00:11:32,399

psychological invention

308

00:11:36,550 --> 00:11:34,640

why do human need to invent them

309

00:11:38,949 --> 00:11:36,560

that mere fact oblige the scientists of

310

00:11:40,550 --> 00:11:38,959

the caliber and honesty of young to

311

00:11:43,030 --> 00:11:40,560

seriously consider the matter to

312

00:11:45,269 --> 00:11:43,040

seriously investigate in any case it

313

00:11:47,030 --> 00:11:45,279

should never be a matter of ridicule

314

00:11:49,910 --> 00:11:47,040

then we could ridicule everything that

315

00:11:52,150 --> 00:11:49,920

is important to the human mind

316

00:11:53,590 --> 00:11:52,160

right should we believe in love

317

00:11:55,509 --> 00:11:53,600

i mean we have only circumstantial

318

00:11:57,670 --> 00:11:55,519

evidence about that as well

319

00:11:59,910 --> 00:11:57,680

that's right we may also have indication

320

00:12:02,230 --> 00:11:59,920

telling us that it's maybe an illusion

321

00:12:03,430 --> 00:12:02,240

yeah not a real thing but we still

322

00:12:05,670 --> 00:12:03,440

believe in love

323

00:12:08,310 --> 00:12:05,680

should we get rid of it until science

324

00:12:09,430 --> 00:12:08,320

tells us that it's okay that it is real

325

00:12:11,350 --> 00:12:09,440

so i

326

00:12:14,230 --> 00:12:11,360

you know more seriously i think that the

327

00:12:16,150 --> 00:12:14,240

in the ufo case mockery mostly hides the

328

00:12:17,990 --> 00:12:16,160

person on ease with something that has

329

00:12:20,389 --> 00:12:18,000

the potential to shake up

330

00:12:22,230 --> 00:12:20,399

her or his worldview

331

00:12:23,430 --> 00:12:22,240

we know this process is always a rather

332

00:12:25,350 --> 00:12:23,440

painful one

333

00:12:27,190 --> 00:12:25,360

brings you know first confusion and so

334

00:12:28,629 --> 00:12:27,200

on so

335

00:12:31,190 --> 00:12:28,639

i think this is why there is so much

336

00:12:33,750 --> 00:12:31,200

resistance and unease about ufos and of

337

00:12:36,230 --> 00:12:33,760

course even much more in the case of uh

338

00:12:38,470 --> 00:12:36,240

alien abduction i mean the whole idea

339

00:12:40,550 --> 00:12:38,480

is just too terrifying for many

340

00:12:42,710 --> 00:12:40,560

and understandably so it's better to

341

00:12:44,629 --> 00:12:42,720

simply cast it aside but i think the

342

00:12:47,269 --> 00:12:44,639

evidence although circumstantial is

343

00:12:50,470 --> 00:12:47,279

nevertheless overwhelming i i do too and

344

00:12:51,670 --> 00:12:50,480

and this is a part that you know the

345

00:12:53,990 --> 00:12:51,680

skeptics

346

00:12:55,350 --> 00:12:54,000

will say well there's no there's no real

347

00:12:56,310 --> 00:12:55,360

evidence you don't have any real

348

00:12:58,710 --> 00:12:56,320

evidence

349

00:13:00,949 --> 00:12:58,720

and you can liken that to many many

350

00:13:03,110 --> 00:13:00,959

things dark matter we really don't have

351

00:13:06,629 --> 00:13:03,120

evidence for either

352

00:13:09,030 --> 00:13:06,639

um but you're right everything is uh is

353

00:13:11,190 --> 00:13:09,040

challenged basically with ridicule and

354

00:13:13,350 --> 00:13:11,200

has been for many many years so you

355

00:13:16,150 --> 00:13:13,360

lived in canada for a while and when you

356

00:13:19,590 --> 00:13:16,160

lived there what was your view on canada

357

00:13:22,470 --> 00:13:19,600

versus usa and ufos i should point out

358

00:13:24,870 --> 00:13:22,480

first that the the us and canada have

359

00:13:26,710 --> 00:13:24,880

had a constant covered scientific and

360

00:13:29,430 --> 00:13:26,720

security cooperation at least dating

361

00:13:32,150 --> 00:13:29,440

back world war ii probably earlier i

362

00:13:34,870 --> 00:13:32,160

mean both countries belong to the larger

363

00:13:36,230 --> 00:13:34,880

five anglo-saxon eyes the oscan zucco's

364

00:13:38,310 --> 00:13:36,240

a strange name

365

00:13:40,949 --> 00:13:38,320

made of the words australia canada new

366

00:13:43,030 --> 00:13:40,959

zealand the uk and the us and the oscan

367

00:13:44,710 --> 00:13:43,040

zuku's have created this worldwide

368

00:13:46,389 --> 00:13:44,720

infrastructure of listening stations

369

00:13:48,550 --> 00:13:46,399

that is known

370

00:13:51,030 --> 00:13:48,560

by the public as echelon

371

00:13:53,509 --> 00:13:51,040

so it is plausible that some canadian

372

00:13:55,990 --> 00:13:53,519

individuals have been privy to

373

00:13:58,870 --> 00:13:56,000

secret u.s information concerning ufos

374

00:14:00,310 --> 00:13:58,880

now being canadian it means that once

375

00:14:02,150 --> 00:14:00,320

they were made aware of the secret

376

00:14:03,509 --> 00:14:02,160

information it was much more difficult

377

00:14:04,949 --> 00:14:03,519

for the us

378

00:14:07,750 --> 00:14:04,959

to make sure that this knowledge would

379

00:14:10,550 --> 00:14:07,760

not be leaked out in one form or another

380

00:14:12,949 --> 00:14:10,560

and here we have the fascinating case of

381

00:14:15,110 --> 00:14:12,959

wilbert smith wilbur smith was a

382

00:14:17,269 --> 00:14:15,120

canadian radio engineer of high standing

383

00:14:19,350 --> 00:14:17,279

within the canadian government during

384

00:14:21,670 --> 00:14:19,360

the 1950s

385

00:14:24,230 --> 00:14:21,680

in fact he was officially in charge of

386

00:14:26,470 --> 00:14:24,240

canadian ufo studies between

387

00:14:28,550 --> 00:14:26,480

1950 and 1962

388

00:14:30,470 --> 00:14:28,560

and they even built an observation tower

389

00:14:32,949 --> 00:14:30,480

that was supposed to pick up magnetic

390

00:14:34,870 --> 00:14:32,959

waves made by flying saucers passing by

391

00:14:36,949 --> 00:14:34,880

an interview was arranged by the

392

00:14:39,509 --> 00:14:36,959

canadian embassy in washington dc for

393

00:14:41,509 --> 00:14:39,519

smith in presence of another official

394

00:14:42,629 --> 00:14:41,519

and they they met with dr robert

395

00:14:44,790 --> 00:14:42,639

sarwecker

396

00:14:47,189 --> 00:14:44,800

an electrical engineer and guided

397

00:14:49,269 --> 00:14:47,199

missile scientist but most importantly

398

00:14:51,110 --> 00:14:49,279

was then a consultant with the u.s

399

00:14:53,590 --> 00:14:51,120

research and development board and

400

00:14:55,990 --> 00:14:53,600

that's september 15 1950

401
00:14:58,230 --> 00:14:56,000
sarbacca told smith that he was

402
00:15:00,310 --> 00:14:58,240
confirming earlier report we don't know

403
00:15:03,990 --> 00:15:00,320
what those earlier reports were but we

404
00:15:05,189 --> 00:15:04,000
know that sarbacca confirmed one flying

405
00:15:06,949 --> 00:15:05,199
sources

406
00:15:09,509 --> 00:15:06,959
existed

407
00:15:11,430 --> 00:15:09,519
two they didn't originate on earth

408
00:15:13,189 --> 00:15:11,440
and three the subject was the most

409
00:15:15,750 --> 00:15:13,199
highly classified in the us government

410
00:15:19,350 --> 00:15:15,760
at the level higher than the h-bomb also

411
00:15:21,269 --> 00:15:19,360
that that very close relationship

412
00:15:24,150 --> 00:15:21,279
we we know now for the last few weeks

413
00:15:25,910 --> 00:15:24,160

only october of last year october 2012

414

00:15:28,470 --> 00:15:25,920

there were newly declassified material

415

00:15:29,750 --> 00:15:28,480

that shows the u.s air force had

416

00:15:32,870 --> 00:15:29,760

contracted

417

00:15:35,110 --> 00:15:32,880

um had a contract in in the 50s with the

418

00:15:38,389 --> 00:15:35,120

now defunct avro canada to build an

419

00:15:40,389 --> 00:15:38,399

aircraft um unlike anything seen before

420

00:15:41,990 --> 00:15:40,399

in the project 1794 i don't know if

421

00:15:42,949 --> 00:15:42,000

you've heard about about that no i

422

00:15:44,230 --> 00:15:42,959

haven't

423

00:15:46,230 --> 00:15:44,240

it's

424

00:15:48,310 --> 00:15:46,240

got as fast the initial rounds of

425

00:15:49,749 --> 00:15:48,320

product development and into a prototype

426

00:15:51,430 --> 00:15:49,759

type design

427

00:15:53,590 --> 00:15:51,440

it looked exactly like a flying saucer

428

00:15:56,949 --> 00:15:53,600

it was supposed to take off vertically

429

00:15:59,030 --> 00:15:56,959

and reach between mach 3 and mach 4

430

00:16:00,949 --> 00:15:59,040

service ceiling over 100 000 feet and so

431

00:16:01,910 --> 00:16:00,959

on the project was abandoned after two

432

00:16:03,829 --> 00:16:01,920

years

433

00:16:05,910 --> 00:16:03,839

but it clearly shows that the two

434

00:16:08,069 --> 00:16:05,920

countries had been involved in secret

435

00:16:09,509 --> 00:16:08,079

engineering trying to emulate ufo

436

00:16:12,470 --> 00:16:09,519

technology

437

00:16:15,590 --> 00:16:12,480

those are the you know last files coming

438

00:16:17,670 --> 00:16:15,600

out from the u.s air force then we have

439

00:16:19,350 --> 00:16:17,680

you know many famous sightings in canada

440

00:16:21,990 --> 00:16:19,360

over major cities and some of them

441

00:16:24,870 --> 00:16:22,000

lasting several hours a interviewed john

442

00:16:26,150 --> 00:16:24,880

kelly about that in an earlier podcast

443

00:16:28,470 --> 00:16:26,160

finally

444

00:16:31,509 --> 00:16:28,480

we have the former minister of defense

445

00:16:33,509 --> 00:16:31,519

uh paul terdor hellyer pc he had been

446

00:16:34,790 --> 00:16:33,519

the minister of defense in the 60s and

447

00:16:36,949 --> 00:16:34,800

he's still

448

00:16:39,509 --> 00:16:36,959

the longest serving member of the

449

00:16:41,509 --> 00:16:39,519

queen's privy council her majesty's

450

00:16:43,590 --> 00:16:41,519

advisor on state and constitutional

451
00:16:46,550 --> 00:16:43,600
affairs this is why

452
00:16:49,269 --> 00:16:46,560
his uh honorific name

453
00:16:51,990 --> 00:16:49,279
hellyer pc and over the last few years

454
00:16:54,550 --> 00:16:52,000
he has officially declared amazing stuff

455
00:16:56,550 --> 00:16:54,560
and here quote the the united states

456
00:16:58,310 --> 00:16:56,560
military are preparing weapons which

457
00:17:01,110 --> 00:16:58,320
could be used against the aliens and

458
00:17:04,069 --> 00:17:01,120
they could get us into an intergalactic

459
00:17:05,510 --> 00:17:04,079
war without us ever having any warning

460
00:17:06,870 --> 00:17:05,520
the bush administration has finally

461
00:17:08,870 --> 00:17:06,880
agreed to let the military build the

462
00:17:10,630 --> 00:17:08,880
forward base on the moon which will put

463
00:17:12,949 --> 00:17:10,640

them in a better position to keep track

464

00:17:14,870 --> 00:17:12,959

on the goings and coming of the visitors

465

00:17:16,069 --> 00:17:14,880

from space and to shoot at them if they

466

00:17:17,829 --> 00:17:16,079

so decide

467

00:17:20,150 --> 00:17:17,839

extraordinary stuff i mean it's probably

468

00:17:23,990 --> 00:17:20,160

not related but i was smiling when i

469

00:17:26,230 --> 00:17:24,000

read today the news about the nasa uh

470

00:17:27,350 --> 00:17:26,240

was getting ready to catch a small

471

00:17:29,669 --> 00:17:27,360

asteroid

472

00:17:31,590 --> 00:17:29,679

and place it by 2020 in a permanent

473

00:17:34,070 --> 00:17:31,600

orbit around the moon so that a forward

474

00:17:35,669 --> 00:17:34,080

base could maybe be constructed on it

475

00:17:37,430 --> 00:17:35,679

i don't i don't know if you if you read

476

00:17:41,029 --> 00:17:37,440

that i have not yeah

477

00:17:43,830 --> 00:17:41,039

so probably unrelated but uh helio went

478

00:17:46,870 --> 00:17:43,840

on in december 2004

479

00:17:49,270 --> 00:17:46,880

he called for a decade of contact

480

00:17:51,510 --> 00:17:49,280

an era of openness public hearings

481

00:17:53,750 --> 00:17:51,520

publicly funded research

482

00:17:55,350 --> 00:17:53,760

and education about extraterrestrial

483

00:17:58,549 --> 00:17:55,360

reality

484

00:18:01,029 --> 00:17:58,559

in two days 2007

485

00:18:02,789 --> 00:18:01,039

he demanded that world government

486

00:18:04,150 --> 00:18:02,799

disclose alien technology that could be

487

00:18:07,669 --> 00:18:04,160

used to solve the problem of climate

488

00:18:09,430 --> 00:18:07,679

change in 2010 he accused seven hawking

489

00:18:11,270 --> 00:18:09,440

of spreading misinformation about

490

00:18:13,190 --> 00:18:11,280

threats from a million he said they were

491

00:18:15,510 --> 00:18:13,200

not their jurors he said the reality is

492

00:18:17,990 --> 00:18:15,520

that today aliens had been visiting

493

00:18:19,590 --> 00:18:18,000

earth for decades and probably millennia

494

00:18:21,430 --> 00:18:19,600

have contributed considerably to our

495

00:18:24,390 --> 00:18:21,440

knowledge so

496

00:18:26,230 --> 00:18:24,400

canada is very much part of the ufo

497

00:18:27,430 --> 00:18:26,240

world debate and has contributed to what

498

00:18:30,150 --> 00:18:27,440

i call

499

00:18:32,789 --> 00:18:30,160

overwhelming circumstantial evidence and

500

00:18:34,789 --> 00:18:32,799

circumstantial um again and you

501
00:18:36,230 --> 00:18:34,799
mentioned that earlier it does not mean

502
00:18:38,470 --> 00:18:36,240
it is weak

503
00:18:40,310 --> 00:18:38,480
uh actually in the the diplomatic and

504
00:18:41,750 --> 00:18:40,320
political world

505
00:18:43,669 --> 00:18:41,760
we use circumstantial evidence all the

506
00:18:45,750 --> 00:18:43,679
time to form an opinion that is what

507
00:18:47,909 --> 00:18:45,760
diplomats do every day they talk to one

508
00:18:50,070 --> 00:18:47,919
person to the next and then they form

509
00:18:51,990 --> 00:18:50,080
their own opinion about a certain issue

510
00:18:54,310 --> 00:18:52,000
and they send a diplomatic cable back to

511
00:18:56,870 --> 00:18:54,320
their capital that cable although made

512
00:18:58,789 --> 00:18:56,880
of circumstantial evidence is indeed

513
00:18:59,830 --> 00:18:58,799

considered very seriously by decision

514

00:19:01,270 --> 00:18:59,840

makers

515

00:19:03,830 --> 00:19:01,280

and

516

00:19:06,070 --> 00:19:03,840

as for the ufo phenomena when you look

517

00:19:07,350 --> 00:19:06,080

at the pile of evidence

518

00:19:09,029 --> 00:19:07,360

you can find

519

00:19:11,110 --> 00:19:09,039

in the us and in canada and then you

520

00:19:13,270 --> 00:19:11,120

look at the rest of the world

521

00:19:14,710 --> 00:19:13,280

you discovered that many governments

522

00:19:16,310 --> 00:19:14,720

have been recording the same strange

523

00:19:19,270 --> 00:19:16,320

events everywhere

524

00:19:21,830 --> 00:19:19,280

you know the french committee report

525

00:19:23,510 --> 00:19:21,840

uk modifiers russian files the belgium

526
00:19:26,150 --> 00:19:23,520
wave

527
00:19:28,150 --> 00:19:26,160
japanese politicians declarations

528
00:19:29,190 --> 00:19:28,160
here in china

529
00:19:31,190 --> 00:19:29,200
we have

530
00:19:33,909 --> 00:19:31,200
many sightings as well

531
00:19:36,070 --> 00:19:33,919
during 2012

532
00:19:36,950 --> 00:19:36,080
we had incidents

533
00:19:39,270 --> 00:19:36,960
when

534
00:19:41,029 --> 00:19:39,280
moving lights in the sky seen by many in

535
00:19:43,270 --> 00:19:41,039
coastal cities below

536
00:19:45,110 --> 00:19:43,280
were real enough to prevent commercial

537
00:19:46,710 --> 00:19:45,120
airplanes to land that's right yeah

538
00:19:48,630 --> 00:19:46,720

there was a lot of news about that we

539

00:19:50,950 --> 00:19:48,640

just had a massive sightings on the

540

00:19:53,110 --> 00:19:50,960

chinese side of the himalayan border

541

00:19:56,310 --> 00:19:53,120

with india and so on just listen at your

542

00:19:58,710 --> 00:19:56,320

own podcast martin after 32 interviews

543

00:20:01,750 --> 00:19:58,720

there is so much in there only on your

544

00:20:03,590 --> 00:20:01,760

website you have gathered the source for

545

00:20:05,510 --> 00:20:03,600

overwhelming evidence for anyone not

546

00:20:07,750 --> 00:20:05,520

scared to look and we learn new things

547

00:20:09,430 --> 00:20:07,760

all the time i mean every time we add a

548

00:20:11,190 --> 00:20:09,440

piece to the puzzle and the picture

549

00:20:13,669 --> 00:20:11,200

become clearer i think every piece

550

00:20:15,270 --> 00:20:13,679

reinforcing each other um

551
00:20:17,750 --> 00:20:15,280
and because of the

552
00:20:20,789 --> 00:20:17,760
digital age i think that it that if

553
00:20:22,950 --> 00:20:20,799
there is a cover-up as wilbert smith and

554
00:20:25,430 --> 00:20:22,960
other investigators have reported

555
00:20:28,630 --> 00:20:25,440
the definitive truth that everybody will

556
00:20:30,870 --> 00:20:28,640
come to accept will finally surface

557
00:20:32,310 --> 00:20:30,880
maybe less likely from the disclosure

558
00:20:33,750 --> 00:20:32,320
project itself

559
00:20:35,190 --> 00:20:33,760
in government's

560
00:20:36,630 --> 00:20:35,200
love to hide things and they're quite

561
00:20:38,710 --> 00:20:36,640
good at it they think they should

562
00:20:40,549 --> 00:20:38,720
continue to do so but

563
00:20:43,029 --> 00:20:40,559

finally truth

564

00:20:44,470 --> 00:20:43,039

uh will surface because for the first

565

00:20:46,310 --> 00:20:44,480

time in history i'm sitting here in

566

00:20:48,470 --> 00:20:46,320

beijing and like billions of others i

567

00:20:50,549 --> 00:20:48,480

can take a picture of the sky right now

568

00:20:52,070 --> 00:20:50,559

and share it instantly with you and the

569

00:20:53,909 --> 00:20:52,080

whole world on twitter

570

00:20:55,270 --> 00:20:53,919

so you cannot keep a lead on that i

571

00:20:57,510 --> 00:20:55,280

think it's just a matter of time you

572

00:20:59,350 --> 00:20:57,520

know i also think that back

573

00:21:01,590 --> 00:20:59,360

in the in the 50s in the heydays of the

574

00:21:03,590 --> 00:21:01,600

cold war when the us and ussr were

575

00:21:05,909 --> 00:21:03,600

working so hard

576
00:21:07,909 --> 00:21:05,919
for having an edge over each other the

577
00:21:10,230 --> 00:21:07,919
u.s official at the time probably felt

578
00:21:12,390 --> 00:21:10,240
that if they could ever benefit from

579
00:21:14,870 --> 00:21:12,400
scientific discovery gleaned from a more

580
00:21:17,110 --> 00:21:14,880
advanced species they should keep it for

581
00:21:18,710 --> 00:21:17,120
themselves stalin would have done the

582
00:21:21,190 --> 00:21:18,720
same

583
00:21:23,909 --> 00:21:21,200
remember the emotion here when sputnik

584
00:21:25,909 --> 00:21:23,919
was announced when it was revealed when

585
00:21:27,990 --> 00:21:25,919
it was revealed that russia had gone

586
00:21:30,149 --> 00:21:28,000
into space orbit before america there

587
00:21:32,390 --> 00:21:30,159
was that was quite an emotional time and

588
00:21:34,230 --> 00:21:32,400

they were even speculating that they

589

00:21:37,350 --> 00:21:34,240

could drop bombs on us from the

590

00:21:39,669 --> 00:21:37,360

satellite you know at that point so yes

591

00:21:40,870 --> 00:21:39,679

so you've lived in different areas of

592

00:21:43,430 --> 00:21:40,880

the world

593

00:21:46,390 --> 00:21:43,440

can you tell the audience

594

00:21:49,990 --> 00:21:46,400

how the ufo phenomenon is perceived in

595

00:21:51,830 --> 00:21:50,000

different countries yes and and um

596

00:21:54,710 --> 00:21:51,840

actually in in

597

00:21:56,950 --> 00:21:54,720

in the book i i touch on the on that

598

00:21:59,110 --> 00:21:56,960

idea that

599

00:22:01,110 --> 00:21:59,120

other cultures have different attitude

600

00:22:03,029 --> 00:22:01,120

towards ufos

601
00:22:05,270 --> 00:22:03,039
about humans sharing the universe with

602
00:22:07,990 --> 00:22:05,280
other intelligent beings and it was very

603
00:22:10,230 --> 00:22:08,000
convenient for me to have um alinsu a

604
00:22:11,830 --> 00:22:10,240
chinese american in the book and i like

605
00:22:13,750 --> 00:22:11,840
her character a lot and she's very

606
00:22:15,190 --> 00:22:13,760
independent brave and charming at the

607
00:22:16,710 --> 00:22:15,200
same time

608
00:22:18,630 --> 00:22:16,720
she's the perfect teammate for paul

609
00:22:21,590 --> 00:22:18,640
medoc and additionally

610
00:22:23,430 --> 00:22:21,600
although born in austin texas she has

611
00:22:26,230 --> 00:22:23,440
roots in asia

612
00:22:27,750 --> 00:22:26,240
and she is naturally familiar with asian

613
00:22:29,750 --> 00:22:27,760

philosophy

614

00:22:32,789 --> 00:22:29,760

and the way of looking at the world is

615

00:22:34,950 --> 00:22:32,799

very different in asia from the west

616

00:22:37,750 --> 00:22:34,960

in buddhism for example

617

00:22:39,669 --> 00:22:37,760

you have much more than one reality

618

00:22:41,830 --> 00:22:39,679

you have eight worlds

619

00:22:43,110 --> 00:22:41,840

you have the human world plus seven

620

00:22:45,190 --> 00:22:43,120

others

621

00:22:46,470 --> 00:22:45,200

and each of them has its own set of

622

00:22:48,230 --> 00:22:46,480

beings

623

00:22:50,789 --> 00:22:48,240

and those eight worlds

624

00:22:53,350 --> 00:22:50,799

and those beings some bad some good

625

00:22:54,549 --> 00:22:53,360

communicate interact with each other and

626
00:22:56,230 --> 00:22:54,559
mankind

627
00:22:58,789 --> 00:22:56,240
and so that is

628
00:23:00,470 --> 00:22:58,799
1.7 billion people who see the universe

629
00:23:01,190 --> 00:23:00,480
that way

630
00:23:03,510 --> 00:23:01,200
and

631
00:23:05,510 --> 00:23:03,520
i have not mentioned that in

632
00:23:06,310 --> 00:23:05,520
in texas slides

633
00:23:08,549 --> 00:23:06,320
but

634
00:23:11,909 --> 00:23:08,559
you could also add the

635
00:23:14,310 --> 00:23:11,919
1.6 billion muslims

636
00:23:16,630 --> 00:23:14,320
islam is full of reference of

637
00:23:19,350 --> 00:23:16,640
alien beings either here living side by

638
00:23:21,190 --> 00:23:19,360

side with humans on earth

639

00:23:22,950 --> 00:23:21,200

and other intelligence being scattered

640

00:23:25,029 --> 00:23:22,960

throughout the universe

641

00:23:26,149 --> 00:23:25,039

i mean the the quran is full of

642

00:23:28,230 --> 00:23:26,159

reference

643

00:23:29,830 --> 00:23:28,240

martin i i believe no one has quoted

644

00:23:31,350 --> 00:23:29,840

from the quran on your podcast before

645

00:23:34,630 --> 00:23:31,360

right that's right

646

00:23:37,110 --> 00:23:34,640

but in surah 41 it says

647

00:23:39,590 --> 00:23:37,120

and among his signs

648

00:23:41,350 --> 00:23:39,600

is the creation of the heavens

649

00:23:44,230 --> 00:23:41,360

and the earth

650

00:23:46,710 --> 00:23:44,240

and the living creatures that he has

651
00:23:50,149 --> 00:23:46,720
scattered through them

652
00:23:52,789 --> 00:23:50,159
and he has power to gather them together

653
00:23:54,310 --> 00:23:52,799
when he wishes

654
00:23:57,750 --> 00:23:54,320
and there are other reference of

655
00:23:59,510 --> 00:23:57,760
guardians in the sky and so on

656
00:24:00,950 --> 00:23:59,520
additionally according to islam men were

657
00:24:03,830 --> 00:24:00,960
created

658
00:24:05,590 --> 00:24:03,840
together with jeans

659
00:24:06,789 --> 00:24:05,600
are kind of spirits

660
00:24:12,070 --> 00:24:06,799
um

661
00:24:15,430 --> 00:24:12,080
in the form of a gene

662
00:24:18,549 --> 00:24:15,440
and in surah 15 it says we created man

663
00:24:21,669 --> 00:24:18,559

of clay and molded mud and the gene we

664

00:24:23,990 --> 00:24:21,679

created before of flaming fire

665

00:24:26,310 --> 00:24:24,000

and genes are sometimes good sometimes

666

00:24:27,909 --> 00:24:26,320

bad like man himself

667

00:24:29,909 --> 00:24:27,919

they can appear and disappear take

668

00:24:31,590 --> 00:24:29,919

various shapes interact with humans even

669

00:24:33,350 --> 00:24:31,600

seduce humans

670

00:24:35,990 --> 00:24:33,360

form couples together

671

00:24:38,789 --> 00:24:36,000

islamic law has even a section dealing

672

00:24:41,909 --> 00:24:38,799

with relationships between men and genes

673

00:24:44,870 --> 00:24:41,919

can you also talk about africa what

674

00:24:47,590 --> 00:24:44,880

where you said you lived there as well

675

00:24:50,630 --> 00:24:47,600

yes and i i think um

676

00:24:55,110 --> 00:24:50,640

in the case of africa um

677

00:24:56,870 --> 00:24:55,120

animism as it is as it is known uh

678

00:24:58,950 --> 00:24:56,880

meaning the the

679

00:25:00,789 --> 00:24:58,960

religion of uh

680

00:25:03,190 --> 00:25:00,799

africa before

681

00:25:04,390 --> 00:25:03,200

before the entrance of islam and

682

00:25:08,390 --> 00:25:04,400

christianity

683

00:25:09,269 --> 00:25:08,400

animism is full of spirits

684

00:25:12,470 --> 00:25:09,279

so

685

00:25:15,430 --> 00:25:12,480

and humans interact with spirits

686

00:25:18,630 --> 00:25:15,440

so we i think we had um a

687

00:25:21,190 --> 00:25:18,640

very good description from uh travels of

688

00:25:22,549 --> 00:25:21,200

uh john mack in africa

689

00:25:23,350 --> 00:25:22,559

um

690

00:25:24,230 --> 00:25:23,360

who

691

00:25:25,990 --> 00:25:24,240

uh

692

00:25:27,830 --> 00:25:26,000

discuss

693

00:25:30,710 --> 00:25:27,840

with different people about you know

694

00:25:32,549 --> 00:25:30,720

being abducted by by african spirits and

695

00:25:33,750 --> 00:25:32,559

the whole experience

696

00:25:37,430 --> 00:25:33,760

looks

697

00:25:39,750 --> 00:25:37,440

very much very similar or similar to to

698

00:25:42,230 --> 00:25:39,760

alien abduction wow that's interesting

699

00:25:45,190 --> 00:25:42,240

uh i would be interested to to hear

700

00:25:47,190 --> 00:25:45,200

about your sighting martin uh what have

701
00:25:49,909 --> 00:25:47,200
you seen chase i can't remember if i

702
00:25:51,510 --> 00:25:49,919
mentioned this in a podcast i perhaps i

703
00:25:53,669 --> 00:25:51,520
have not uh

704
00:25:56,070 --> 00:25:53,679
i i don't think you did because i've

705
00:25:57,830 --> 00:25:56,080
looked for that and i i okay i think i

706
00:26:00,230 --> 00:25:57,840
listened to all of them but maybe i

707
00:26:04,070 --> 00:26:00,240
missed it well here it's time i come out

708
00:26:06,630 --> 00:26:04,080
and uh come out of the ufo closet and uh

709
00:26:10,230 --> 00:26:06,640
what happened to me was uh

710
00:26:12,390 --> 00:26:10,240
basically i had surgery back in 2006.

711
00:26:14,710 --> 00:26:12,400
and i was

712
00:26:17,350 --> 00:26:14,720
in carm i was in california at the time

713
00:26:20,870 --> 00:26:17,360

and a neighbor of mine owned a ranch in

714

00:26:22,870 --> 00:26:20,880

carmel valley california along the coast

715

00:26:23,830 --> 00:26:22,880

and so it's a few weeks after surgery i

716

00:26:26,549 --> 00:26:23,840

was

717

00:26:29,110 --> 00:26:26,559

relaxing in their hot tub

718

00:26:30,310 --> 00:26:29,120

i was by myself i was just looking up at

719

00:26:31,190 --> 00:26:30,320

the sky

720

00:26:32,950 --> 00:26:31,200

and

721

00:26:34,870 --> 00:26:32,960

this is actually this is weird i do a

722

00:26:36,549 --> 00:26:34,880

podcast on ufos and it's hard for me to

723

00:26:38,630 --> 00:26:36,559

talk about this because

724

00:26:40,549 --> 00:26:38,640

i always have like this feeling of

725

00:26:42,549 --> 00:26:40,559

ridicules gonna happen

726

00:26:44,630 --> 00:26:42,559

because it's it was you should not i

727

00:26:47,190 --> 00:26:44,640

know you should be courageous like every

728

00:26:48,390 --> 00:26:47,200

one of your guests that's right well

729

00:26:50,870 --> 00:26:48,400

it's a bit possible it's a bit

730

00:26:53,750 --> 00:26:50,880

postmodern but it's okay yeah well it

731

00:26:56,230 --> 00:26:53,760

was it was such an unreal experience

732

00:26:57,990 --> 00:26:56,240

um and when i go back to it it just it

733

00:27:00,230 --> 00:26:58,000

just seems like you know it couldn't

734

00:27:02,710 --> 00:27:00,240

have really happened but it did um i was

735

00:27:04,230 --> 00:27:02,720

just sitting there and i just happened

736

00:27:06,549 --> 00:27:04,240

to look up

737

00:27:08,149 --> 00:27:06,559

uh something sort of you know was moving

738

00:27:11,190 --> 00:27:08,159

and caught my eye

739

00:27:14,070 --> 00:27:11,200

and it was a perfectly shaped disc

740

00:27:15,029 --> 00:27:14,080

just as perfect as uh say a silver

741

00:27:18,470 --> 00:27:15,039

dollar

742

00:27:21,830 --> 00:27:18,480

and about that size and it was just like

743

00:27:22,870 --> 00:27:21,840

almost like floating in a continuous uh

744

00:27:24,950 --> 00:27:22,880

motion

745

00:27:26,789 --> 00:27:24,960

uh toward carmel

746

00:27:29,750 --> 00:27:26,799

uh and it had

747

00:27:31,990 --> 00:27:29,760

it had a silvery light glow it was very

748

00:27:34,549 --> 00:27:32,000

early evening i'm going to say about

749

00:27:37,590 --> 00:27:34,559

7 38 p.m something like that

750

00:27:38,870 --> 00:27:37,600

uh had a really light glow overall the

751
00:27:39,669 --> 00:27:38,880
entire

752
00:27:42,549 --> 00:27:39,679
uh

753
00:27:45,029 --> 00:27:42,559
like a metallic light glow

754
00:27:46,950 --> 00:27:45,039
and i just looked up at it and i i just

755
00:27:48,710 --> 00:27:46,960
was i just couldn't believe what i was

756
00:27:50,149 --> 00:27:48,720
seeing i didn't have a camera or

757
00:27:52,710 --> 00:27:50,159
anything nearby i didn't even think

758
00:27:54,870 --> 00:27:52,720
about that all i thought about was just

759
00:27:57,029 --> 00:27:54,880
watching it and it made absolutely no

760
00:27:58,470 --> 00:27:57,039
sound and at the time i had never heard

761
00:28:00,389 --> 00:27:58,480
anyone say

762
00:28:02,549 --> 00:28:00,399
i never really looked into it so i had

763
00:28:04,950 --> 00:28:02,559

never really heard anyone else say that

764

00:28:06,710 --> 00:28:04,960

they made no sound you know so uh you

765

00:28:08,230 --> 00:28:06,720

know the whole thing was just not making

766

00:28:10,389 --> 00:28:08,240

any sense to me

767

00:28:12,549 --> 00:28:10,399

and what happened was uh

768

00:28:14,070 --> 00:28:12,559

it it sort of like turned

769

00:28:16,789 --> 00:28:14,080

and started heading

770

00:28:19,669 --> 00:28:16,799

more directly toward carmel

771

00:28:23,830 --> 00:28:19,679

i'm sorry monterey so i jumped out of

772

00:28:25,990 --> 00:28:23,840

the hot tub i went uh hobbled into the

773

00:28:28,310 --> 00:28:26,000

guest house at this ranch

774

00:28:29,750 --> 00:28:28,320

uh called the police department

775

00:28:30,870 --> 00:28:29,760

on the phone the only thing i wanted to

776

00:28:32,710 --> 00:28:30,880

know was

777

00:28:34,549 --> 00:28:32,720

if anyone else saw it you know and it

778

00:28:37,430 --> 00:28:34,559

was heading toward monterey and had

779

00:28:39,990 --> 00:28:37,440

anyone else seen this thing right away

780

00:28:41,990 --> 00:28:40,000

um there was sarcasm and i was put on

781

00:28:44,549 --> 00:28:42,000

hold for over 15 minutes before i hung

782

00:28:46,870 --> 00:28:44,559

up and then i kept it to myself

783

00:28:48,710 --> 00:28:46,880

i told one person that i worked with and

784

00:28:50,549 --> 00:28:48,720

for many years i kept it to myself and i

785

00:28:53,029 --> 00:28:50,559

didn't even tell my son about it until

786

00:28:55,029 --> 00:28:53,039

last summer uh the one person i told

787

00:28:56,950 --> 00:28:55,039

that i worked with was teasing me about

788

00:28:58,710 --> 00:28:56,960

it and you know that's uh

789

00:29:01,669 --> 00:28:58,720

that's kind of the way it is but i've

790

00:29:04,470 --> 00:29:01,679

always been into astronomy and uh

791

00:29:06,310 --> 00:29:04,480

so it's been uh it's it's been quite an

792

00:29:08,630 --> 00:29:06,320

amazing experience ever since then and

793

00:29:10,870 --> 00:29:08,640

yes uh that's that is what started this

794

00:29:15,909 --> 00:29:10,880

podcast thank you well that's a great

795

00:29:19,830 --> 00:29:17,830

and it should not be a matter of

796

00:29:21,990 --> 00:29:19,840

ridicule i mean it's um

797

00:29:25,990 --> 00:29:22,000

i've not seen anything that spectacular

798

00:29:29,430 --> 00:29:26,000

i've seen seen strange uh things i've

799

00:29:31,830 --> 00:29:29,440

seen twice in the middle east

800

00:29:34,710 --> 00:29:31,840

green balls of fire

801
00:29:37,190 --> 00:29:34,720
above my car while i was driving

802
00:29:41,909 --> 00:29:39,750
in scandinavia i saw

803
00:29:44,230 --> 00:29:41,919
what looked like you know the the swarm

804
00:29:45,110 --> 00:29:44,240
of silver balls

805
00:29:47,669 --> 00:29:45,120
you know

806
00:29:50,070 --> 00:29:47,679
traveling in sync and and this could

807
00:29:51,909 --> 00:29:50,080
have simply be balloon tied together

808
00:29:54,950 --> 00:29:51,919
tied together i i don't know

809
00:29:58,070 --> 00:29:54,960
um and one night and during the same

810
00:30:00,870 --> 00:29:58,080
trip i saw four purple points of lights

811
00:30:03,269 --> 00:30:00,880
in the distance at uh after sunset and

812
00:30:04,950 --> 00:30:03,279
one of them flew rapidly uh towards

813
00:30:07,750 --> 00:30:04,960

where i was standing

814

00:30:10,070 --> 00:30:07,760

and i believe i saw the the ranch

815

00:30:12,470 --> 00:30:10,080

around shape of it through the thin

816

00:30:14,710 --> 00:30:12,480

clouds when it flew over the house

817

00:30:15,909 --> 00:30:14,720

it looked exactly like a flying saucer

818

00:30:17,830 --> 00:30:15,919

um

819

00:30:20,549 --> 00:30:17,840

so you've seen quite a bit actually and

820

00:30:22,310 --> 00:30:20,559

you know one thing i wanted to add about

821

00:30:24,789 --> 00:30:22,320

what happened with me and i don't know

822

00:30:27,909 --> 00:30:24,799

if it happened with you but ever since

823

00:30:29,830 --> 00:30:27,919

that happened my eye is glued to the sky

824

00:30:32,870 --> 00:30:29,840

i'm always looking um ever since that

825

00:30:35,510 --> 00:30:32,880

happened uh certainly certainly i i

826

00:30:37,430 --> 00:30:35,520

definitely checked the sky i mean

827

00:30:39,350 --> 00:30:37,440

the sky is always beautiful to to watch

828

00:30:41,190 --> 00:30:39,360

i think people don't look at it enough i

829

00:30:43,110 --> 00:30:41,200

mean the the sky is something very very

830

00:30:44,070 --> 00:30:43,120

beautiful to to look at

831

00:30:47,190 --> 00:30:44,080

um

832

00:30:48,710 --> 00:30:47,200

just you know just for the moon or

833

00:30:51,029 --> 00:30:48,720

um what's

834

00:30:53,990 --> 00:30:51,039

what i i did have i don't know if you

835

00:30:55,750 --> 00:30:54,000

have those but i i had those very vivid

836

00:30:59,110 --> 00:30:55,760

dreams of uh

837

00:31:01,110 --> 00:30:59,120

uh about ufos ufos landing uh things

838

00:31:02,950 --> 00:31:01,120

like this now i actually described

839

00:31:05,750 --> 00:31:02,960

described one of those streams in the in

840

00:31:07,909 --> 00:31:05,760

the book wow that's so uh

841

00:31:09,110 --> 00:31:07,919

i think it is it is uh i think it's

842

00:31:14,070 --> 00:31:09,120

relevant

843

00:31:16,149 --> 00:31:14,080

to to to read carl jung you you'll

844

00:31:18,230 --> 00:31:16,159

understand more and more why it is it is

845

00:31:19,510 --> 00:31:18,240

relevant because it's you know part of

846

00:31:21,190 --> 00:31:19,520

your

847

00:31:23,190 --> 00:31:21,200

psyche was trying to communicate

848

00:31:26,149 --> 00:31:23,200

something to you uh so

849

00:31:27,510 --> 00:31:26,159

so but you you didn't have any of any

850

00:31:30,470 --> 00:31:27,520

vivid dreams

851
00:31:31,669 --> 00:31:30,480
about you not myself no no i haven't do

852
00:31:33,029 --> 00:31:31,679
you think

853
00:31:35,990 --> 00:31:33,039
with

854
00:31:37,990 --> 00:31:36,000
all the technology that we have now do

855
00:31:40,070 --> 00:31:38,000
you believe that

856
00:31:41,509 --> 00:31:40,080
um within

857
00:31:43,750 --> 00:31:41,519
your lifetime

858
00:31:45,750 --> 00:31:43,760
that this whole thing will come out um

859
00:31:48,549 --> 00:31:45,760
as the truth will actually find out

860
00:31:51,430 --> 00:31:48,559
what's going on uh yeah i think so

861
00:31:54,870 --> 00:31:51,440
i i think so the we you know we are now

862
00:31:57,350 --> 00:31:54,880
so interconnected we are in um

863
00:31:58,310 --> 00:31:57,360

in a time where the whole world is like

864

00:32:00,470 --> 00:31:58,320

uh

865

00:32:03,669 --> 00:32:00,480

one interconnected mind

866

00:32:06,789 --> 00:32:03,679

you know we we talk about um uh

867

00:32:09,669 --> 00:32:06,799

collective uh collective learning

868

00:32:11,350 --> 00:32:09,679

uh it's very very much the case today um

869

00:32:16,789 --> 00:32:11,360

so

870

00:32:18,310 --> 00:32:16,799

the potential for for the issue to to be

871

00:32:20,070 --> 00:32:18,320

um

872

00:32:21,509 --> 00:32:20,080

to come to light

873

00:32:23,750 --> 00:32:21,519

uh and

874

00:32:25,190 --> 00:32:23,760

to reveal itself once and for all i

875

00:32:27,830 --> 00:32:25,200

think it's it's uh

876

00:32:30,870 --> 00:32:27,840

the potential is there it can it can

877

00:32:35,269 --> 00:32:30,880

happen uh you know sooner than we expect

878

00:32:40,310 --> 00:32:37,110

indeed flying saucers

879

00:32:42,950 --> 00:32:40,320

material uh something material

880

00:32:45,029 --> 00:32:42,960

and maybe it's uh it is um

881

00:32:47,669 --> 00:32:45,039

the whole issue is maybe uh you know

882

00:32:49,750 --> 00:32:47,679

more spiritual like some people have i

883

00:32:51,110 --> 00:32:49,760

thought of uh yeah a lot of people are

884

00:32:54,950 --> 00:32:51,120

speculating

885

00:32:56,950 --> 00:32:54,960

multi-dimensional or time travelers uh

886

00:32:58,950 --> 00:32:56,960

who knows could be part of what we see

887

00:32:59,990 --> 00:32:58,960

you never know i mean who's to say it

888

00:33:02,549 --> 00:33:00,000

couldn't be

889

00:33:04,310 --> 00:33:02,559

it's all very interesting yeah it is it

890

00:33:05,830 --> 00:33:04,320

is well you've been absolutely wonderful

891

00:33:08,950 --> 00:33:05,840

thank you so much

892

00:33:12,230 --> 00:33:08,960

and the book is texas lights

893

00:33:13,750 --> 00:33:12,240

with uh author mark simma in beijing

894

00:33:15,909 --> 00:33:13,760

china thank you so much for joining us

895

00:33:18,470 --> 00:33:15,919

today mark thank you martin all right so

896

00:33:20,789 --> 00:33:18,480

this is martin willis with mark simma

897

00:33:23,029 --> 00:33:20,799

and that's it for today

898

00:33:25,590 --> 00:33:23,039

that was our guest mark simma

899

00:33:27,509 --> 00:33:25,600

and one of the things i had a talk with

900

00:33:30,470 --> 00:33:27,519

him about after

901
00:33:31,509 --> 00:33:30,480
we finished recording was uh i suggested

902
00:33:33,110 --> 00:33:31,519
to him

903
00:33:35,190 --> 00:33:33,120
that if he could figure out a way to get

904
00:33:37,350 --> 00:33:35,200
on coast to coast

905
00:33:39,190 --> 00:33:37,360
it would be a great thing for his book i

906
00:33:41,430 --> 00:33:39,200
know i have many thousands of listeners

907
00:33:43,269 --> 00:33:41,440
i don't know exactly how many but it

908
00:33:44,789 --> 00:33:43,279
seems like one of you who are listening

909
00:33:46,870 --> 00:33:44,799
to the show

910
00:33:48,789 --> 00:33:46,880
after listening to mark were as

911
00:33:51,190 --> 00:33:48,799
impressed as i was

912
00:33:53,110 --> 00:33:51,200
and if so you may know how to get a hold

913
00:33:55,590 --> 00:33:53,120

of one of the george's or

914

00:33:58,710 --> 00:33:55,600

john big john over there or someone at

915

00:34:02,630 --> 00:33:58,720

coast to coast a producer perhaps that

916

00:34:04,630 --> 00:34:02,640

could uh actually get mark on that show

917

00:34:06,389 --> 00:34:04,640

so if you have a way of doing it drop me

918

00:34:08,790 --> 00:34:06,399

a line martin
