7  
00:00:15,190 --> 00:00:12,719

i'm on skype with john lear how you

18

00:00:50,790 --> 00:00:48,960

doing john

19

00:00:53,350 --> 00:00:50,800

real good martin how are you doing great

20

00:00:55,590 --> 00:00:53,360

and you're in where are you in las vegas

21

00:00:56,709 --> 00:00:55,600

las vegas nevada yeah you know your

22

00:00:59,670 --> 00:00:56,719

father was

23

00:01:00,389 --> 00:00:59,680

the uh founder of the learjet company

24

00:01:03,590 --> 00:01:00,399

beautiful

25

00:01:06,230 --> 00:01:03,600

jets a symbol of uh status and

26

00:01:08,630 --> 00:01:06,240

uh i just wondered what what gets you

27

00:01:11,830 --> 00:01:08,640

interested in going down the path of

28

00:01:12,789 --> 00:01:11,840

ufology to begin with well i the first

29

00:01:16,630 --> 00:01:12,799

thing i remember

30

00:01:17,910 --> 00:01:16,640

is in 1947 we had a house in palm

31

00:01:26,710 --> 00:01:17,920

springs

32

00:01:29,830 --> 00:01:26,720

and it was pretty desolate and uh

33

00:01:31,429 --> 00:01:29,840

somehow that book from i think rupelt or

34

00:01:34,789 --> 00:01:31,439

somebody wrote a book

35

00:01:37,350 --> 00:01:34,799

uh about ufos and uh

36

00:01:39,429 --> 00:01:37,360

i remember reading it and being

37

00:01:43,990 --> 00:01:39,439

intensely interested in it

38

00:01:47,350 --> 00:01:44,000

uh the next thing that i remember is

39

00:01:51,190 --> 00:01:47,360

when i was in the cub scouts

40

00:01:52,950 --> 00:01:51,200

we were at this over at this guy's house

41

00:01:56,389 --> 00:01:52,960

and i was

42

00:01:58,950 --> 00:01:56,399

laying on a hill watching the sky and i

43

00:01:59,670 --> 00:01:58,960

saw something go across the sky in three

44

00:02:02,149 --> 00:01:59,680

seconds

45

00:02:02,950 --> 00:02:02,159

it was just a light and left a thin

46

00:02:05,990 --> 00:02:02,960

trail that

47

00:02:07,590 --> 00:02:06,000

instantly disappeared and uh

48

00:02:09,510 --> 00:02:07,600

so i looked around and said did you guys

49

00:02:11,510 --> 00:02:09,520

see that and

50

00:02:12,550 --> 00:02:11,520

everybody kind of looked blankly at me

51  
00:02:15,830 --> 00:02:12,560  
and and

52  
00:02:18,150 --> 00:02:15,840  
uh nobody had seen it then the next

53  
00:02:19,990 --> 00:02:18,160  
thing i remembered was uh

54  
00:02:21,990 --> 00:02:20,000  
many years later i was descending in the

55  
00:02:25,030 --> 00:02:22,000  
learjet into

56  
00:02:25,990 --> 00:02:25,040  
los angeles international and i was over

57  
00:02:30,229 --> 00:02:26,000  
banning

58  
00:02:34,630 --> 00:02:30,239  
pass in a decent 33 000

59  
00:02:37,750 --> 00:02:34,640  
i saw an object go from left to right

60  
00:02:39,750 --> 00:02:37,760  
from in back of me to in front of me and

61  
00:02:42,949 --> 00:02:39,760  
it looked exactly like

62  
00:02:45,350 --> 00:02:42,959  
the m2f2 which is uh

63  
00:02:46,630 --> 00:02:45,360

referred to as the flying bathtub or

64

00:02:49,910 --> 00:02:46,640

that plane that the

65

00:02:51,350 --> 00:02:49,920

the six million dollar man uh crashed in

66

00:02:54,550 --> 00:02:51,360

if you remember back that far

67

00:02:58,470 --> 00:02:54,560

oh i do remember that yeah and

68

00:02:59,430 --> 00:02:58,480

uh when i saw it uh i thought it was the

69

00:03:01,270 --> 00:02:59,440

m2f deal i

70

00:03:04,070 --> 00:03:01,280

even went to the trouble to call the

71

00:03:06,550 --> 00:03:04,080

chief pilot at learjet

72

00:03:08,630 --> 00:03:06,560

when i got on the ground and say hey

73

00:03:10,630 --> 00:03:08,640

you'll never guess what i saw

74

00:03:13,509 --> 00:03:10,640

only years later that i realized how

75

00:03:15,750 --> 00:03:13,519

ridiculous it was

76

00:03:17,430 --> 00:03:15,760

to think i saw an airplane like that

77

00:03:18,790 --> 00:03:17,440

over the approach corridor of los

78

00:03:20,790 --> 00:03:18,800

angeles international

79

00:03:22,070 --> 00:03:20,800

there's no way they would be do testing

80

00:03:26,630 --> 00:03:22,080

there they would be

81

00:03:30,550 --> 00:03:29,270

you have flown all kinds of jets you've

82

00:03:34,070 --> 00:03:30,560

won

83

00:03:36,550 --> 00:03:34,080

all kinds of awards i believe as a pilot

84

00:03:37,589 --> 00:03:36,560

i held at one time 17 world records for

85

00:03:42,229 --> 00:03:37,599

speed

86

00:03:46,550 --> 00:03:42,239

uh in the lear jet and also i hold

87

00:03:49,190 --> 00:03:46,560

a number of certificates which the faa

88

00:03:49,990 --> 00:03:49,200

uh issues you for various disciplines

89

00:03:52,070 --> 00:03:50,000

like

90

00:03:53,270 --> 00:03:52,080

being a navigator being an aircraft

91

00:03:55,270 --> 00:03:53,280

mechanic

92

00:03:57,509 --> 00:03:55,280

being a controlled tower operator that

93

00:04:00,149 --> 00:03:57,519

kind of stuff i see

94

00:04:01,110 --> 00:04:00,159

at one time did you actually fly for the

95

00:04:05,110 --> 00:04:01,120

cia

96

00:04:06,949 --> 00:04:05,120

yeah i flew for continental air services

97

00:04:08,470 --> 00:04:06,959

on southeast asia they were under

98

00:04:11,270 --> 00:04:08,480

contract

99

00:04:13,190 --> 00:04:11,280

with the cia to do the same stuff as air

100

00:04:17,990 --> 00:04:13,200

america was doing

101  
00:04:25,030 --> 00:04:21,990  
and i did that for about a year

102  
00:04:25,510 --> 00:04:25,040  
and then i flew various missions that

103  
00:04:28,790 --> 00:04:25,520  
were

104  
00:04:31,909 --> 00:04:28,800  
cia sanctioned in the

105  
00:04:35,350 --> 00:04:31,919  
middle east in africa

106  
00:04:38,070 --> 00:04:35,360  
now lima site 20a uh

107  
00:04:39,830 --> 00:04:38,080  
richard doty had claimed that he was

108  
00:04:40,790 --> 00:04:39,840  
there one time did you ever meet him

109  
00:04:44,870 --> 00:04:40,800  
there

110  
00:04:47,990 --> 00:04:44,880  
no uh was he what rank was he

111  
00:04:50,629 --> 00:04:48,000  
uh i'm not really sure at that time

112  
00:04:51,670 --> 00:04:50,639  
uh but he claimed uh that he was there

113  
00:04:54,710 --> 00:04:51,680

at the lima site

114

00:04:55,990 --> 00:04:54,720

20a i just wondered if that was a place

115

00:04:57,670 --> 00:04:56,000

that you flew into

116

00:04:59,350 --> 00:04:57,680

yeah that's where we got our daily

117

00:05:02,390 --> 00:04:59,360

briefing we uh

118

00:05:04,469 --> 00:05:02,400

we're overnight and state invention

119

00:05:05,909 --> 00:05:04,479

and then every morning we get in the

120

00:05:10,629 --> 00:05:05,919

airplane and

121

00:05:13,830 --> 00:05:10,639

we'd fly about 30 to 45 minutes north

122

00:05:16,710 --> 00:05:13,840

into this uh 20 alternate

123

00:05:18,790 --> 00:05:16,720

and uh we get our briefing the name of

124

00:05:22,150 --> 00:05:18,800

the actual name of the

125

00:05:24,070 --> 00:05:22,160

of the building was sky s-k-y

126

00:05:27,029 --> 00:05:24,080

so you referred to it as i'm going to

127

00:05:30,950 --> 00:05:29,670

and had had you ever met richard doty at

128

00:05:33,670 --> 00:05:30,960

a later time

129

00:05:35,590 --> 00:05:33,680

he was involved in the benowitz case

130

00:05:36,469 --> 00:05:35,600

yeah no i never met him i heard a lot

131

00:05:39,110 --> 00:05:36,479

about him

132

00:05:40,870 --> 00:05:39,120

this is the first time i ever heard that

133

00:05:43,670 --> 00:05:40,880

he had

134

00:05:44,469 --> 00:05:43,680

been in uh been at 20 alternate yeah

135

00:05:47,430 --> 00:05:44,479

that was a claim

136

00:05:50,469 --> 00:05:47,440

i believe that he had made on on some

137

00:05:51,830 --> 00:05:50,479

blog site or form from what i understand

138

00:05:53,590 --> 00:05:51,840

it'll be interesting to know in what

139

00:05:56,950 --> 00:05:53,600

capacity he was there

140

00:05:57,990 --> 00:05:56,960

uh one of the things that i saw uh a

141

00:06:01,189 --> 00:05:58,000

documentary

142

00:06:02,150 --> 00:06:01,199

quite a while ago was uh one with you

143

00:06:06,230 --> 00:06:02,160

talking about

144

00:06:08,550 --> 00:06:06,240

bob lazar and um i know that

145

00:06:10,150 --> 00:06:08,560

you had i believed he he was involved in

146

00:06:11,990 --> 00:06:10,160

a real estate appraisal at your house or

147

00:06:14,469 --> 00:06:12,000

something when you first met him

148

00:06:15,749 --> 00:06:14,479

is that right yeah bob lazar had a

149

00:06:19,590 --> 00:06:15,759

friend called

150

00:06:23,510 --> 00:06:19,600

uh gene huff and gene called me one day

151  
00:06:25,749 --> 00:06:23,520  
and he wanted a copy of all my ufo tapes

152  
00:06:29,270 --> 00:06:25,759  
i had some uh

153  
00:06:32,950 --> 00:06:29,280  
the billy meyer tapes

154  
00:06:35,110 --> 00:06:32,960  
and some other tapes and

155  
00:06:36,390 --> 00:06:35,120  
he's he offered me he said i'm an

156  
00:06:39,670 --> 00:06:36,400  
appraiser

157  
00:06:40,230 --> 00:06:39,680  
and if you'll give me a copy of all your

158  
00:06:42,629 --> 00:06:40,240  
tapes

159  
00:06:43,270 --> 00:06:42,639  
i'll do an appraisal for your house so i

160  
00:06:45,110 --> 00:06:43,280  
said okay

161  
00:06:46,469 --> 00:06:45,120  
we'll do that so when he came over to

162  
00:06:47,670 --> 00:06:46,479  
pick up the tapes and start the

163  
00:06:50,469 --> 00:06:47,680

appraisal

164

00:06:51,990 --> 00:06:50,479

he brought with him a guy to hold the

165

00:06:53,990 --> 00:06:52,000

end of the measuring tape and that guy

166

00:06:55,749 --> 00:06:54,000

was bob lazar

167

00:06:58,950 --> 00:06:55,759

and bob lazar at that time didn't

168

00:07:00,710 --> 00:06:58,960

believe in ufos in any way shape or form

169

00:07:02,710 --> 00:07:00,720

he told both gene and me that he had

170

00:07:04,550 --> 00:07:02,720

worked at los alamos he had the highest

171

00:07:06,790 --> 00:07:04,560

clearance she could get

172

00:07:07,830 --> 00:07:06,800

but he had never seen anything of that

173

00:07:10,309 --> 00:07:07,840

nature or

174

00:07:11,350 --> 00:07:10,319

read anything of that nature and then

175

00:07:13,830 --> 00:07:11,360

yet later on

176

00:07:15,350 --> 00:07:13,840

uh he claimed that he actually started

177

00:07:18,390 --> 00:07:15,360

working

178

00:07:21,510 --> 00:07:18,400

at groom lake and

179

00:07:23,510 --> 00:07:21,520

there was a situation i heard

180

00:07:25,749 --> 00:07:23,520

in one of the shows where you mentioned

181

00:07:28,150 --> 00:07:25,759

that on a wednesday evening

182

00:07:29,430 --> 00:07:28,160

you went out and write when he said

183

00:07:32,469 --> 00:07:29,440

there would be

184

00:07:33,909 --> 00:07:32,479

testing you actually saw a dome shaped

185

00:07:37,790 --> 00:07:33,919

disc or something

186

00:07:41,189 --> 00:07:37,800

that was march 21st

187

00:07:44,309 --> 00:07:41,199

1989 i was over at his house and he said

188

00:07:45,749 --> 00:07:44,319

he was already working up at s4 and he

189

00:07:47,430 --> 00:07:45,759

said they're going to test fly tomorrow

190

00:07:50,469 --> 00:07:47,440

do you want to go up and watch

191

00:07:53,110 --> 00:07:50,479

and i said yeah but how can we watch

192

00:07:56,230 --> 00:07:53,120

without violating security he said well

193

00:07:59,510 --> 00:07:56,240

there's a dirt road to the northeast of

194

00:08:02,629 --> 00:07:59,520

of groom lake and uh it's

195

00:08:04,469 --> 00:08:02,639

we can get um pretty close without

196

00:08:08,070 --> 00:08:04,479

violating security

197

00:08:11,029 --> 00:08:08,080

and they test at uh nine o'clock

198

00:08:12,950 --> 00:08:11,039

so if we get there about quarter to nine

199

00:08:16,070 --> 00:08:12,960

will be okay

200

00:08:17,749 --> 00:08:16,080

so i said down i'd like to do that so

201

00:08:21,110 --> 00:08:17,759

that was the uh

202

00:08:24,309 --> 00:08:21,120

march 22nd 1989

203

00:08:28,629 --> 00:08:24,319

me and jean huff and

204

00:08:32,709 --> 00:08:28,639

bob and bob's wife drove up there

205

00:08:36,149 --> 00:08:32,719

no bob's wife didn't come that trip and

206

00:08:40,070 --> 00:08:36,159

we parked on the road about

207

00:08:41,909 --> 00:08:40,080

12 miles northeast of green lake

208

00:08:43,909 --> 00:08:41,919

and started setting up the telescope and

209

00:08:47,030 --> 00:08:43,919

we saw in the distance this

210

00:08:48,710 --> 00:08:47,040

uh bright light you couldn't see any

211

00:08:51,670 --> 00:08:48,720

definition of uh

212

00:08:53,670 --> 00:08:51,680

shape because it was too far away so i

213

00:08:55,829 --> 00:08:53,680

started setting up the telescope

214

00:08:57,030 --> 00:08:55,839

and just as it stopped motion and

215

00:08:59,590 --> 00:08:57,040

started going down

216

00:09:00,470 --> 00:08:59,600

or going vertically down behind the

217

00:09:04,070 --> 00:09:00,480

mountains

218

00:09:06,470 --> 00:09:04,080

i got the telescope lined up

219

00:09:07,269 --> 00:09:06,480

and saw in fact it was a disc and it was

220

00:09:13,509 --> 00:09:07,279

radiating

221

00:09:15,829 --> 00:09:13,519

yellowish kind of substance and

222

00:09:17,190 --> 00:09:15,839

i watched it for a few seconds and then

223

00:09:21,030 --> 00:09:17,200

i pulled away

224

00:09:23,910 --> 00:09:21,040

to let gene huff luck

225

00:09:25,990 --> 00:09:23,920

and as i pulled stepped away i hooked my

226

00:09:27,829 --> 00:09:26,000

foot around one of the tripods

227

00:09:29,350 --> 00:09:27,839

and moved the scope and he didn't get to

228

00:09:32,790 --> 00:09:29,360

see it speaking of

229

00:09:35,350 --> 00:09:32,800

bob lazar there is a lot of ufologists

230

00:09:35,990 --> 00:09:35,360

who have done a lot of research and and

231

00:09:38,870 --> 00:09:36,000

there's a lot

232

00:09:39,670 --> 00:09:38,880

of speculation that bob lazar was a

233

00:09:41,670 --> 00:09:39,680

fraud

234

00:09:43,910 --> 00:09:41,680

as far as the whole story goes and i

235

00:09:46,470 --> 00:09:43,920

know you were good friends with him

236

00:09:48,310 --> 00:09:46,480

uh i just wondered what you have you

237

00:09:51,430 --> 00:09:48,320

come to any different conclusion

238

00:09:53,590 --> 00:09:51,440

over the years yeah i uh my personal

239

00:09:56,070 --> 00:09:53,600

opinion he's not a friday

240

00:09:58,949 --> 00:09:56,080

he uh when i first met him he didn't

241

00:10:01,750 --> 00:09:58,959

believe in ufos it took us

242

00:10:04,150 --> 00:10:01,760

three or four months to get him

243

00:10:07,269 --> 00:10:04,160

interested enough that he would uh apply

244

00:10:13,910 --> 00:10:07,279

for a job at groom lake

245

00:10:18,630 --> 00:10:16,310

forget his name now but anyway i was

246

00:10:22,069 --> 00:10:18,640

there when he made the call

247

00:10:26,150 --> 00:10:22,079

and he got three interviews

248

00:10:28,470 --> 00:10:26,160

over the next uh two months

249

00:10:30,470 --> 00:10:28,480

and the next thing i knew he was sitting

250

00:10:33,670 --> 00:10:30,480

at my desk on a

251  
00:10:36,310 --> 00:10:33,680  
december i think it was sixth 1988 and

252  
00:10:39,030 --> 00:10:36,320  
he says i saw a disc today and i said

253  
00:10:40,230 --> 00:10:39,040  
what and he said i saw a dish today and

254  
00:10:42,870 --> 00:10:40,240  
i said

255  
00:10:44,310 --> 00:10:42,880  
there's her eyes he said theirs and i

256  
00:10:45,590 --> 00:10:44,320  
said what are you doing here i said why

257  
00:10:47,269 --> 00:10:45,600  
don't you

258  
00:10:48,790 --> 00:10:47,279  
find out what's going on because they've

259  
00:10:50,550 --> 00:10:48,800  
obviously followed you why don't you

260  
00:10:52,230 --> 00:10:50,560  
find out what's going on and then tell

261  
00:10:55,030 --> 00:10:52,240  
me

262  
00:10:56,790 --> 00:10:55,040  
he said no he said you know the truth is

263  
00:11:00,310 --> 00:10:56,800

i've seen you take so much crap

264

00:11:03,350 --> 00:11:00,320  
over the past few months uh and

265

00:11:05,990 --> 00:11:03,360  
uh i've seen it i've touched it

266

00:11:07,670 --> 00:11:06,000  
i know it's true and so i'm coming

267

00:11:09,910 --> 00:11:07,680  
forward to tell you that yes it

268

00:11:11,509 --> 00:11:09,920  
it's true that you everything you said

269

00:11:14,870 --> 00:11:11,519  
is true

270

00:11:18,389 --> 00:11:14,880  
so um that was the

271

00:11:19,910 --> 00:11:18,399  
december 6th and uh that was when he uh

272

00:11:23,269 --> 00:11:19,920  
the first day he went to green

273

00:11:25,750 --> 00:11:23,279  
went to work on um went to work up at

274

00:11:28,310 --> 00:11:25,760  
groom lake

275

00:11:29,670 --> 00:11:28,320  
a lot of people are you know have looked

276

00:11:32,870 --> 00:11:29,680

into his

277

00:11:35,670 --> 00:11:32,880

educational background and and it just

278

00:11:37,829 --> 00:11:35,680

doesn't come up to snuff uh with the

279

00:11:40,310 --> 00:11:37,839

positions that he claimed to have had

280

00:11:41,990 --> 00:11:40,320

so i i know there's still a lot of

281

00:11:43,829 --> 00:11:42,000

controversy about that are you still in

282

00:11:47,269 --> 00:11:43,839

touch with bob these days

283

00:11:50,389 --> 00:11:47,279

yeah bob lives in i think it's

284

00:11:52,389 --> 00:11:50,399

bainbridge michigan

285

00:11:54,069 --> 00:11:52,399

and i think he's the third or fourth

286

00:11:57,269 --> 00:11:54,079

largest distributor of scientific

287

00:12:00,629 --> 00:11:57,279

supplies to schools and universities

288

00:12:03,590 --> 00:12:00,639

and because of the economy he's

289

00:12:07,829 --> 00:12:03,600

downsizing now he's moving into a

290

00:12:09,350 --> 00:12:07,839

a smaller warehouse

291

00:12:11,110 --> 00:12:09,360

he was going to come to my birthday

292

00:12:13,670 --> 00:12:11,120

party last

293

00:12:15,430 --> 00:12:13,680

saturday or sunday but because of this

294

00:12:18,870 --> 00:12:15,440

move he just couldn't make it

295

00:12:21,350 --> 00:12:18,880

as far as paul benowitz now you

296

00:12:23,269 --> 00:12:21,360

you actually knew him or you you

297

00:12:23,990 --> 00:12:23,279

actually spent a few days at his house

298

00:12:26,870 --> 00:12:24,000

is that is

299

00:12:28,629 --> 00:12:26,880

that correct yeah a guy named chris

300

00:12:32,629 --> 00:12:28,639

lambright introduced me to

301  
00:12:34,310 --> 00:12:32,639  
paul and we became good friends i stayed

302  
00:12:37,190 --> 00:12:34,320  
at his house uh

303  
00:12:38,389 --> 00:12:37,200  
two nights and uh listened to his

304  
00:12:41,590 --> 00:12:38,399  
stories

305  
00:12:44,389 --> 00:12:41,600  
and he was a really interesting guy

306  
00:12:47,190 --> 00:12:44,399  
the unhappy thing about it was three

307  
00:12:49,990 --> 00:12:47,200  
weeks before he passed away

308  
00:12:51,910 --> 00:12:50,000  
which was about i think 10 years ago he

309  
00:12:52,710 --> 00:12:51,920  
called me here in las vegas and said

310  
00:12:55,750 --> 00:12:52,720  
john

311  
00:12:57,030 --> 00:12:55,760  
i'd like to see it and i just i couldn't

312  
00:13:00,470 --> 00:12:57,040  
get the time

313  
00:13:02,230 --> 00:13:00,480

i was flying cargo at the time and

314

00:13:05,110 --> 00:13:02,240

couldn't get the money to

315

00:13:06,150 --> 00:13:05,120

take an airline there and i wasn't able

316

00:13:08,790 --> 00:13:06,160

to go

317

00:13:10,150 --> 00:13:08,800

but i've always regretted that because i

318

00:13:11,030 --> 00:13:10,160

always wondered what he was going to

319

00:13:13,829 --> 00:13:11,040

tell me

320

00:13:14,710 --> 00:13:13,839

wow there there was some speculation

321

00:13:21,590 --> 00:13:14,720

that

322

00:13:23,910 --> 00:13:21,600

at something and do do you have any idea

323

00:13:27,269 --> 00:13:23,920

what that might have been about

324

00:13:29,269 --> 00:13:27,279

angry at me not necessarily you

325

00:13:30,389 --> 00:13:29,279

but uh other people that he was in touch

326

00:13:32,710 --> 00:13:30,399

with um he

327

00:13:34,389 --> 00:13:32,720

he kind of isolated from that point on

328

00:13:34,790 --> 00:13:34,399

changed his phone number things like

329

00:13:37,910 --> 00:13:34,800

that

330

00:13:40,069 --> 00:13:37,920

angry because

331

00:13:41,750 --> 00:13:40,079

he told me everything that he knew and

332

00:13:42,710 --> 00:13:41,760

he thought that i was going to take it

333

00:13:46,069 --> 00:13:42,720

direct to con

334

00:13:48,470 --> 00:13:46,079

congress and get some

335

00:13:50,389 --> 00:13:48,480

get some resolution on this matter

336

00:13:52,389 --> 00:13:50,399

because he felt we were

337

00:13:53,750 --> 00:13:52,399

very close to be taken over by the

338

00:13:57,350 --> 00:13:53,760

graves

339

00:13:58,150 --> 00:13:57,360

and uh he wanted help but as it turns

340

00:14:02,310 --> 00:13:58,160

out

341

00:14:05,509 --> 00:14:02,320

nothing much happened and uh he was

342

00:14:09,030 --> 00:14:05,519

he uh paul benowitz was ticked off that

343

00:14:12,790 --> 00:14:09,040

uh that i hadn't done anything about it

344

00:14:15,990 --> 00:14:12,800

i see well that that's interesting

345

00:14:19,269 --> 00:14:16,000

now there is also speculation the

346

00:14:22,230 --> 00:14:19,279

underground basis in dulce

347

00:14:24,069 --> 00:14:22,240

new mexico was kind of something that

348

00:14:24,710 --> 00:14:24,079

was thrown at benowitz to kind of get

349

00:14:26,470 --> 00:14:24,720

his

350

00:14:28,230 --> 00:14:26,480

thoughts off of what was happening

351

00:14:29,590 --> 00:14:28,240

really close to home do you have any

352

00:14:32,629 --> 00:14:29,600

insight on that

353

00:14:36,470 --> 00:14:32,639

well they definitely uh you know

354

00:14:38,790 --> 00:14:36,480

um paul benowitz was the first one to

355

00:14:41,910 --> 00:14:38,800

come up with dulce not them

356

00:14:45,509 --> 00:14:41,920

and he did so by

357

00:14:46,949 --> 00:14:45,519

the interviews with um uh

358

00:14:49,430 --> 00:14:46,959

i'll have to remember her name in a

359

00:14:53,189 --> 00:14:49,440

second was it ann west

360

00:14:55,430 --> 00:14:53,199

no ann west lives in henderson nevada

361

00:14:56,550 --> 00:14:55,440

and she was the one that was in contact

362

00:15:01,189 --> 00:14:56,560

with the

363

00:15:04,550 --> 00:15:01,199

security officer that had the uh

364

00:15:05,990 --> 00:15:04,560

the videotape and black and white photos

365

00:15:08,710 --> 00:15:06,000

from dulce

366

00:15:09,750 --> 00:15:08,720

uh the person i'm thinking about that

367

00:15:12,790 --> 00:15:09,760

was the

368

00:15:14,150 --> 00:15:12,800

lady that came to his house and he did

369

00:15:17,509 --> 00:15:14,160

the uh

370

00:15:20,310 --> 00:15:17,519

abduction research on it and

371

00:15:21,990 --> 00:15:20,320

she had been taken to dulce and i think

372

00:15:25,990 --> 00:15:22,000

that was the first any of us that

373

00:15:28,870 --> 00:15:26,000

had heard about dulce and leo sprinkle

374

00:15:29,670 --> 00:15:28,880

was there they all got together and they

375

00:15:33,110 --> 00:15:29,680

did it and i

376

00:15:35,509 --> 00:15:33,120

actually have in my files

377

00:15:37,110 --> 00:15:35,519

right next to me the original

378

00:15:43,990 --> 00:15:37,120

handwritten

379

00:15:47,590 --> 00:15:44,000

of uh the uh

380

00:15:49,670 --> 00:15:47,600

abduction uh of uh

381

00:15:52,310 --> 00:15:49,680

what's her name and uh all the stuff

382

00:15:55,350 --> 00:15:52,320

that happened to her inside dulce

383

00:15:57,590 --> 00:15:55,360

so i've heard that uh dodie and

384

00:15:59,110 --> 00:15:57,600

maybe bill moore and stuff like that put

385

00:16:01,509 --> 00:15:59,120

that into

386

00:16:02,389 --> 00:16:01,519

benowitz's head but if if they did then

387

00:16:05,110 --> 00:16:02,399

how come he

388

00:16:06,389 --> 00:16:05,120

was the first one to come out with with

389

00:16:08,629 --> 00:16:06,399

all of this

390

00:16:09,829 --> 00:16:08,639

and actually get it on record with uh

391

00:16:12,389 --> 00:16:09,839

leo sprinkle

392

00:16:14,550 --> 00:16:12,399

that's right i i heard in the you're

393

00:16:17,189 --> 00:16:14,560

right in the beginning he did

394

00:16:18,629 --> 00:16:17,199

uh he did have some time up in the

395

00:16:23,110 --> 00:16:18,639

northwest corner

396

00:16:25,670 --> 00:16:23,120

of new mexico saw something and uh

397

00:16:27,030 --> 00:16:25,680

from what i understand it's possible

398

00:16:29,590 --> 00:16:27,040

that when he related it

399

00:16:31,590 --> 00:16:29,600

to people like dodie dodie kind of took

400

00:16:33,509 --> 00:16:31,600

it and went a little bit further with it

401  
00:16:34,710 --> 00:16:33,519  
that type of thing i'm not really sure

402  
00:16:36,310 --> 00:16:34,720  
of the facts

403  
00:16:38,550 --> 00:16:36,320  
another thing i wanted to ask you about

404  
00:16:42,310 --> 00:16:38,560  
is the krill memo

405  
00:16:44,949 --> 00:16:42,320  
uh can you talk a little bit about that

406  
00:16:46,949 --> 00:16:44,959  
yeah when i first got together uh first

407  
00:16:48,470 --> 00:16:46,959  
really getting deep into this ufo stuff

408  
00:16:51,990 --> 00:16:48,480  
there was a guy that worked at nellis

409  
00:16:55,110 --> 00:16:52,000  
air force base uh he was a sergeant

410  
00:16:57,430 --> 00:16:55,120  
and uh he came to my door and

411  
00:16:59,350 --> 00:16:57,440  
uh wanted to know if he could help and

412  
00:16:59,990 --> 00:16:59,360  
he showed me some of the research he had

413  
00:17:03,030 --> 00:17:00,000

done

414

00:17:04,309 --> 00:17:03,040

which included some of the stuff on on

415

00:17:07,750 --> 00:17:04,319

bentwaters

416

00:17:08,710 --> 00:17:07,760

and uh so uh to make a long story short

417

00:17:11,750 --> 00:17:08,720

we came uh

418

00:17:13,350 --> 00:17:11,760

we became uh uh good friends and did a

419

00:17:16,870 --> 00:17:13,360

lot of research

420

00:17:20,870 --> 00:17:16,880

and uh he wanted to write

421

00:17:23,189 --> 00:17:20,880

an estimate of where he thought we were

422

00:17:24,309 --> 00:17:23,199

as far as research on aliens at that

423

00:17:28,710 --> 00:17:24,319

point

424

00:17:31,510 --> 00:17:28,720

and so he wrote he wrote this

425

00:17:32,549 --> 00:17:31,520

10 or 15 page maybe it was less than

426

00:17:35,590 --> 00:17:32,559

that

427

00:17:38,630 --> 00:17:35,600

of the situation and then he told me

428

00:17:40,310 --> 00:17:38,640

you know i'd like to distribute this but

429

00:17:41,909 --> 00:17:40,320

i can't use my name because i work with

430

00:17:44,070 --> 00:17:41,919

the air force and i don't want to become

431

00:17:46,789 --> 00:17:44,080

a problem

432

00:17:47,909 --> 00:17:46,799

so he said can you think of a name uh we

433

00:17:50,549 --> 00:17:47,919

could use

434

00:17:51,110 --> 00:17:50,559

and i immediately thought of this alien

435

00:17:55,270 --> 00:17:51,120

that the

436

00:17:58,830 --> 00:17:55,280

pentagon had been uh in touch with

437

00:18:01,669 --> 00:17:58,840

at the pentagon whose name was krill

438

00:18:04,990 --> 00:18:01,679

c-r-l-l and uh

439

00:18:06,870 --> 00:18:05,000

i said but we'll change the spelling to

440

00:18:09,430 --> 00:18:06,880

k-r-i-l-l

441

00:18:11,270 --> 00:18:09,440

and he said okay good and what about a

442

00:18:14,150 --> 00:18:11,280

first name or initials

443

00:18:15,590 --> 00:18:14,160

and i said i don't know it's up to you

444

00:18:18,950 --> 00:18:15,600

and he picked oh
