

A black and white photograph of a large, saucer-shaped UFO hovering over a road in a desert landscape. The UFO is positioned in the upper center of the frame, with the text 'PODCASTUFO.COM' overlaid on its underside. The road below is a two-lane highway with a dashed white line down the center, stretching into the distance. The surrounding terrain is arid with sparse vegetation. The sky is overcast.

PODCASTUFO.COM

INTERVIEWS OF THE UFO EXPERIENCE

1
00:00:24,250 --> 00:00:21,040
hi everyone welcome to podcast UFO I'm

2
00:00:26,290 --> 00:00:24,260
Martin Willis your host podcast UFO comm

3
00:00:29,320 --> 00:00:26,300
is an interactive website you can pose

4
00:00:31,929 --> 00:00:29,330
questions for guests please visit us and

5
00:00:34,510 --> 00:00:31,939
also follow us on twitter and you can

6
00:00:36,100 --> 00:00:34,520
listen to us on your smartphone through

7
00:00:39,400 --> 00:00:36,110
stitcher there's a free app available

8
00:00:42,010 --> 00:00:39,410
right on our website I was a little bit

9
00:00:44,110 --> 00:00:42,020
skeptical about today's guests and I

10
00:00:47,320 --> 00:00:44,120
spoke with a number of people trying to

11
00:00:49,150 --> 00:00:47,330
decide whether to have them on or not

12
00:00:51,130 --> 00:00:49,160
it's funny most people replied to me

13
00:00:52,869 --> 00:00:51,140

that everything that happens to this guy

14

00:00:55,869 --> 00:00:52,879

happens around a lot of people and a lot

15

00:00:58,030 --> 00:00:55,879

of witnesses so anyway I thought it was

16

00:01:01,299 --> 00:00:58,040

a fascinating interview speaking with

17

00:01:02,979 --> 00:01:01,309

Stan Romanek and here he is hi everyone

18

00:01:07,780 --> 00:01:02,989

I'm on the line with Stan Romanek how

19

00:01:10,590 --> 00:01:07,790

you doing Stan thank you and you know I

20

00:01:14,440 --> 00:01:10,600

I have to say right off the bat that

21

00:01:16,450 --> 00:01:14,450

when when I was first contacted about

22

00:01:17,530 --> 00:01:16,460

doing this show with you I said well you

23

00:01:19,990 --> 00:01:17,540

know there are some things that I'm a

24

00:01:21,340 --> 00:01:20,000

little skeptical about with Stan and you

25

00:01:24,789 --> 00:01:21,350

still agreed to come on I I do

26

00:01:26,950 --> 00:01:24,799

appreciate that well yeah I understand

27

00:01:28,719 --> 00:01:26,960

they're things I'm I'm skeptical about

28

00:01:29,319 --> 00:01:28,729

so that's no different than what I'm

29

00:01:31,719 --> 00:01:29,329

going through

30

00:01:34,330 --> 00:01:31,729

mm-hmm a lot of people have already

31

00:01:36,010 --> 00:01:34,340

heard you that you know may listen to

32

00:01:38,770 --> 00:01:36,020

this show we can talk about what's going

33

00:01:41,770 --> 00:01:38,780

on lately but can you just recap in

34

00:01:45,520 --> 00:01:41,780

general like when everything started

35

00:01:47,139 --> 00:01:45,530

with you and just a short recap for

36

00:01:48,120 --> 00:01:47,149

those who may not have heard your story

37

00:01:53,999 --> 00:01:48,130

before

38

00:01:56,499 --> 00:01:54,009

well my really everything started for me

39

00:01:58,389 --> 00:01:56,509

probably when I was a child but the main

40

00:02:02,319 --> 00:01:58,399

event that kind of kicked it off for me

41

00:02:04,120 --> 00:02:02,329

was in 2000 I had met my wife online she

42

00:02:07,230 --> 00:02:04,130

lived in Nebraska I lived in Colorado I

43

00:02:09,999 --> 00:02:07,240

wanted to entice her to come visit me

44

00:02:13,450 --> 00:02:10,009

and I thought you know I'm gonna go

45

00:02:17,050 --> 00:02:13,460

videotape the surrounding area and I

46

00:02:19,900 --> 00:02:17,060

decided to do this December 27th of 2000

47

00:02:23,470 --> 00:02:19,910

winter days and I headed up the

48

00:02:25,979 --> 00:02:23,480

backroads to what is known as Red Rocks

49

00:02:28,350 --> 00:02:25,989

Amphitheatre which is a very well known

50

00:02:31,510 --> 00:02:28,360

concert theatre outdoor concert theatre

51
00:02:32,800 --> 00:02:31,520
and I actually never made it Derby

52
00:02:34,210 --> 00:02:32,810
off to the side of the road there were

53
00:02:36,910 --> 00:02:34,220
some cars pulled out to the side of the

54
00:02:39,660 --> 00:02:36,920
road about 20 to 40 cars and they were

55
00:02:41,560 --> 00:02:39,670
looking up above some power lines and

56
00:02:43,720 --> 00:02:41,570
when I looked to see what they were

57
00:02:45,190 --> 00:02:43,730
looking at I saw an object just kind of

58
00:02:47,860 --> 00:02:45,200
floating there and the first time I saw

59
00:02:49,810 --> 00:02:47,870
this object I thinking man that it's the

60
00:02:53,200 --> 00:02:49,820
weirdest hot-air balloon I had ever seen

61
00:02:55,060 --> 00:02:53,210
and then I realized it wasn't honourably

62
00:02:59,230 --> 00:02:55,070
at all it was actually metallic craft

63
00:03:01,240 --> 00:02:59,240

now I was a very aggressive skeptic

64

00:03:02,770 --> 00:03:01,250

about this stuff I did not believe in

65

00:03:04,990 --> 00:03:02,780

UFOs I didn't believe in God and

66

00:03:06,640 --> 00:03:05,000

believed in any of this stuff but you

67

00:03:10,690 --> 00:03:06,650

know there it was right in front of me

68

00:03:13,540 --> 00:03:10,700

and it scared me fairly you know fairly

69

00:03:15,900 --> 00:03:13,550

seriously I was I was pretty shaken up

70

00:03:18,820 --> 00:03:15,910

by it that I had the sense enough to

71

00:03:20,620 --> 00:03:18,830

remember that I had a video camera with

72

00:03:22,900 --> 00:03:20,630

me and I pulled over and you know got

73

00:03:24,370 --> 00:03:22,910

some footage of this day and there were

74

00:03:26,410 --> 00:03:24,380

other witnesses and that's how it all

75

00:03:28,960 --> 00:03:26,420

kind of started now weren't you it

76

00:03:31,330 --> 00:03:28,970

wasn't that particular situation posted

77

00:03:33,760 --> 00:03:31,340

on the news as well local news yeah the

78

00:03:36,040 --> 00:03:33,770

news there were so many people that the

79

00:03:38,640 --> 00:03:36,050

news eventually did get ahold of it

80

00:03:43,270 --> 00:03:38,650

there were even people for the local

81

00:03:45,010 --> 00:03:43,280

local city bus department has they test

82

00:03:47,620 --> 00:03:45,020

their bus drivers up in that area and

83

00:03:52,150 --> 00:03:47,630

even some of the best drivers saw this

84

00:03:55,780 --> 00:03:52,160

object so yes yeah but now this

85

00:03:58,960 --> 00:03:55,790

progressed into well it progressed it

86

00:04:02,860 --> 00:03:58,970

went from there we had whatever this

87

00:04:06,370 --> 00:04:02,870

thing was it seemed to somehow affect my

88

00:04:10,180 --> 00:04:06,380

car no sound it was all it's up for some

89

00:04:12,340 --> 00:04:10,190

static electricity there's no sound we

90

00:04:14,140 --> 00:04:12,350

had an incident where we had to drive

91

00:04:15,670 --> 00:04:14,150

out of state drive to Pennsylvania had

92

00:04:17,229 --> 00:04:15,680

some business in Pennsylvania and we

93

00:04:19,120 --> 00:04:17,239

drove out there and drove back and on

94

00:04:21,670 --> 00:04:19,130

the way back were followed by us through

95

00:04:26,070 --> 00:04:21,680

two-and-a-half states with witnesses in

96

00:04:30,820 --> 00:04:26,080

the vehicle and you know I had my first

97

00:04:32,920 --> 00:04:30,830

abduction experience in 2001 now if you

98

00:04:35,080 --> 00:04:32,930

watch TV a lot no I always hear these

99

00:04:38,800 --> 00:04:35,090

people talk about the sleep paralysis

100

00:04:40,780 --> 00:04:38,810

thing you know you are sleeping you kind

101
00:04:44,050 --> 00:04:40,790
of we're half awake half asleep and you

102
00:04:45,159 --> 00:04:44,060
were you know you couldn't move and my

103
00:04:46,929 --> 00:04:45,169
first abduction

104
00:04:48,520 --> 00:04:46,939
I was fully awake when it happened there

105
00:04:50,760 --> 00:04:48,530
was no sleep paralysis

106
00:04:53,860 --> 00:04:50,770
I pretty much remembered everything

107
00:04:55,749 --> 00:04:53,870
except the fact that because I didn't

108
00:04:57,909 --> 00:04:55,759
believe I had an extremely hard time

109
00:05:01,469 --> 00:04:57,919
with it and I tried to convince myself

110
00:05:05,679 --> 00:05:01,479
it was a dream one in fact it wasn't and

111
00:05:09,580 --> 00:05:05,689
it started when there was a huge UFO I

112
00:05:11,140 --> 00:05:09,590
was manager of a retail store in a

113
00:05:13,659 --> 00:05:11,150

corner corner of a very busy

114

00:05:15,580 --> 00:05:13,669

intersection and this was during rush

115

00:05:19,480 --> 00:05:15,590

hour when this happened so again there

116

00:05:22,480 --> 00:05:19,490

were witnesses a UFO hovered was

117

00:05:24,700 --> 00:05:22,490

hovering over my building and I was just

118

00:05:26,379 --> 00:05:24,710

about to close up for the evening and I

119

00:05:27,580 --> 00:05:26,389

had let my last customers out of a store

120

00:05:29,980 --> 00:05:27,590

in the Ken Lanning but they said there's

121

00:05:32,320 --> 00:05:29,990

something above your work I thought at

122

00:05:34,089 --> 00:05:32,330

first some idiot climbed on top of the

123

00:05:35,740 --> 00:05:34,099

roof and was messing around up there and

124

00:05:38,320 --> 00:05:35,750

when I went out told luck I was just

125

00:05:41,260 --> 00:05:38,330

scared it's perfectly round sphere about

126

00:05:43,779 --> 00:05:41,270

40 foot down it was just blinking above

127

00:05:46,689 --> 00:05:43,789

my work and there were winds there are

128

00:05:48,189 --> 00:05:46,699

very strong winds that day coming from

129

00:05:49,899 --> 00:05:48,199

the West coming from the mountains about

130

00:05:52,719 --> 00:05:49,909

40 mile an hour wind gusts and this

131

00:05:56,010 --> 00:05:52,729

thing was just stationary eventually it

132

00:05:59,920 --> 00:05:56,020

just kind of fluttered away and I

133

00:06:01,570 --> 00:05:59,930

quickly locked up the store and I was

134

00:06:03,429 --> 00:06:01,580

pretty nervous by this time tonight

135

00:06:06,760 --> 00:06:03,439

already seen one UFO and I'm wondering

136

00:06:09,490 --> 00:06:06,770

why there was another one and so I drove

137

00:06:11,320 --> 00:06:09,500

home and on my way home I saw this

138

00:06:13,899 --> 00:06:11,330

blinking off in the distance and I'm

139

00:06:16,450 --> 00:06:13,909

thinking what in the world this objects

140

00:06:19,089 --> 00:06:16,460

coming back towards me and I got pretty

141

00:06:20,709 --> 00:06:19,099

scared again and I I realized that it

142

00:06:22,480 --> 00:06:20,719

wasn't coming back towards me I was

143

00:06:25,959 --> 00:06:22,490

coming towards it it was hovering above

144

00:06:28,659 --> 00:06:25,969

my accountant apartment complex and I

145

00:06:30,309 --> 00:06:28,669

ran upstairs got my my sister my friend

146

00:06:32,709 --> 00:06:30,319

were waiting for me to go out to dinner

147

00:06:34,719 --> 00:06:32,719

that evening and I ran upstairs got my

148

00:06:37,929 --> 00:06:34,729

camcorder got Ben and we all watch this

149

00:06:40,689 --> 00:06:37,939

object for a while and then that's kind

150

00:06:44,110 --> 00:06:40,699

of the beginning of the abduction thing

151

00:06:48,490 --> 00:06:44,120

and that's you claim that's happened

152

00:06:50,829 --> 00:06:48,500

several times it has your first thing

153

00:06:53,019 --> 00:06:50,839

has happened and see what people need to

154

00:06:56,040 --> 00:06:53,029

understand there's a lot of skeptic ups

155

00:06:57,140 --> 00:06:56,050

out there a lot of skeptics out there I

156

00:06:59,600 --> 00:06:57,150

be

157

00:07:01,760 --> 00:06:59,610

one of them people need to understand

158

00:07:04,010 --> 00:07:01,770

though that what makes this case so

159

00:07:07,070 --> 00:07:04,020

different is most the stuff that happens

160

00:07:10,070 --> 00:07:07,080

only happens with a lot of people around

161

00:07:14,260 --> 00:07:10,080

good example you know I had producer for

162

00:07:18,980 --> 00:07:14,270

Good Morning America here and a producer

163

00:07:20,210 --> 00:07:18,990

from 2020 primetime and they saw stuff

164

00:07:25,340 --> 00:07:20,220

and they were hearing a freak them out

165

00:07:27,380 --> 00:07:25,350

so bad they actually went back to ABC

166

00:07:29,540 --> 00:07:27,390

headquarters and said look we got to do

167

00:07:34,040 --> 00:07:29,550

this story right and the producer for

168

00:07:36,020 --> 00:07:34,050

ABC was fired almost instantly and the

169

00:07:38,870 --> 00:07:36,030

person from Good Morning America had to

170

00:07:43,190 --> 00:07:38,880

she quit her job and that's this is all

171

00:07:45,800 --> 00:07:43,200

on record so you know and and it

172

00:07:47,240 --> 00:07:45,810

continues like that this continues even

173

00:07:49,310 --> 00:07:47,250

though there's stripped it's about my

174

00:07:54,290 --> 00:07:49,320

story out there you know it's the

175

00:07:56,210 --> 00:07:54,300

volumes of you know witnesses the

176

00:07:59,330 --> 00:07:56,220

volumes of evidence that make the

177

00:08:01,490 --> 00:07:59,340

difference I guess now why why you have

178

00:08:03,320 --> 00:08:01,500

you ever you ever been asked that

179

00:08:05,480 --> 00:08:03,330

question you know that's the

180

00:08:07,910 --> 00:08:05,490

million-dollar question I wished I had

181

00:08:10,310 --> 00:08:07,920

an answer you know there and it's not

182

00:08:12,380 --> 00:08:10,320

just me there are thousands if not

183

00:08:18,140 --> 00:08:12,390

millions of people you know and this

184

00:08:20,240 --> 00:08:18,150

started you can't just go to the police

185

00:08:22,280 --> 00:08:20,250

department I try that you can't just go

186

00:08:25,700 --> 00:08:22,290

to a shrink because you know I thought I

187

00:08:27,530 --> 00:08:25,710

was going crazy so and you know I I went

188

00:08:30,340 --> 00:08:27,540

to a psychologist I said what test me

189

00:08:33,410 --> 00:08:30,350

and I think I'm going nuts and you know

190

00:08:35,180 --> 00:08:33,420

they tested that I wasn't nuts and but

191

00:08:42,890 --> 00:08:35,190

she had a hard time believing my story

192

00:08:44,330 --> 00:08:42,900

so you know we talked to we my first

193

00:08:46,460 --> 00:08:44,340

conference about warming back up a

194

00:08:48,920 --> 00:08:46,470

little bit here the first conference I

195

00:08:52,240 --> 00:08:48,930

did when this happened was something

196

00:08:54,530 --> 00:08:52,250

called the UFO Congress conference and I

197

00:08:56,360 --> 00:08:54,540

really didn't do it the researchers

198

00:08:58,130 --> 00:08:56,370

involved in my case decided to talk

199

00:08:59,150 --> 00:08:58,140

about what they had experienced while

200

00:09:00,800 --> 00:08:59,160

being with me and what they were

201
00:09:02,690 --> 00:09:00,810
catching on you know surveillance and

202
00:09:04,790 --> 00:09:02,700
stuff like that while we were there we

203
00:09:06,850 --> 00:09:04,800
had a three-star general come up to us

204
00:09:09,680 --> 00:09:06,860
crying because he started having

205
00:09:10,230 --> 00:09:09,690
experiences and he said he went to the

206
00:09:12,630 --> 00:09:10,240
Pentagon

207
00:09:15,090 --> 00:09:12,640
but they kept shutting him down and he

208
00:09:16,650 --> 00:09:15,100
had nowhere to go so that kind of

209
00:09:18,840 --> 00:09:16,660
brought it home for me that this is

210
00:09:21,329 --> 00:09:18,850
really happening because I was not the

211
00:09:24,180 --> 00:09:21,339
only one there were people from you know

212
00:09:28,019 --> 00:09:24,190
they were anywhere from being doctors to

213
00:09:33,300 --> 00:09:28,029

generals all kinds of people from

214

00:09:35,430 --> 00:09:33,310

different you know genres of life coming

215

00:09:36,120 --> 00:09:35,440

coming forward that this is really

216

00:09:38,670 --> 00:09:36,130

happening

217

00:09:40,290 --> 00:09:38,680

the trouble is it scares people so much

218

00:09:41,670 --> 00:09:40,300

that they don't want to admit that this

219

00:09:44,160 --> 00:09:41,680

is happening and that's why there's so

220

00:09:46,050 --> 00:09:44,170

many skeptics I think yeah you know it's

221

00:09:50,400 --> 00:09:46,060

it's funny I've always you know I've

222

00:09:52,590 --> 00:09:50,410

been very open to you know UFO sightings

223

00:09:54,180 --> 00:09:52,600

and even landings voter comes to the

224

00:09:57,090 --> 00:09:54,190

abduction things I've always been really

225

00:10:00,630 --> 00:09:57,100

careful about stepping into that because

226

00:10:02,910 --> 00:10:00,640

it does just seem so far out there you

227

00:10:05,010 --> 00:10:02,920

know it does it doesn't you know I have

228

00:10:06,960 --> 00:10:05,020

people tell me you know they come

229

00:10:09,420 --> 00:10:06,970

thousands of light-years why did they

230

00:10:11,160 --> 00:10:09,430

come see you and especially you know

231

00:10:13,710 --> 00:10:11,170

there was a video that I captured of

232

00:10:15,780 --> 00:10:13,720

what we thought was a peeping tom and

233

00:10:17,610 --> 00:10:15,790

you know I get a lot of flack for that

234

00:10:19,530 --> 00:10:17,620

because I released that to the public

235

00:10:20,970 --> 00:10:19,540

and they said well they come thousands

236

00:10:22,260 --> 00:10:20,980

of light-years why are they looking in

237

00:10:24,389 --> 00:10:22,270

your window it's like how the heck

238

00:10:26,069 --> 00:10:24,399

should I know I don't know you know I

239

00:10:26,340 --> 00:10:26,079

don't have the answers but it happens a

240

00:10:29,250 --> 00:10:26,350

lot

241

00:10:32,069 --> 00:10:29,260

not just to me and if anybody does any

242

00:10:35,760 --> 00:10:32,079

research you know they'll find out that

243

00:10:37,500 --> 00:10:35,770

it really does happen a lot if your true

244

00:10:41,100 --> 00:10:37,510

experience or you have all kinds of

245

00:10:43,199 --> 00:10:41,110

weird things like that show up you know

246

00:10:45,329 --> 00:10:43,209

throughout your experiences I would have

247

00:10:48,720 --> 00:10:45,339

to say of all all the things that I have

248

00:10:53,040 --> 00:10:48,730

known about you and watched videos and

249

00:10:56,190 --> 00:10:53,050

things I never really thought that video

250

00:10:58,350 --> 00:10:56,200

was right it just does not to me it

251
00:11:01,639 --> 00:10:58,360
seems like a fake video it seems like a

252
00:11:04,590 --> 00:11:01,649
puppet it doesn't seem real to me and

253
00:11:07,230 --> 00:11:04,600
people a lot of people say that and it

254
00:11:10,769 --> 00:11:07,240
could very well be but here's the thing

255
00:11:12,660 --> 00:11:10,779
that video I wasn't even going to

256
00:11:16,590 --> 00:11:12,670
release that video to be honest with you

257
00:11:18,660 --> 00:11:16,600
because I had issues with it now that

258
00:11:20,579 --> 00:11:18,670
being said there was a person by the

259
00:11:22,950 --> 00:11:20,589
name of Jeff peckmon that came doing

260
00:11:25,890 --> 00:11:22,960
write one of my talks and he

261
00:11:27,840 --> 00:11:25,900
very first he didn't believe any of this

262
00:11:29,820 --> 00:11:27,850
stuff because he said well you know

263
00:11:31,980 --> 00:11:29,830

because he was heavily into politics and

264

00:11:33,390 --> 00:11:31,990

he said well if this is real the

265

00:11:35,490 --> 00:11:33,400

government would let people know that

266

00:11:37,710 --> 00:11:35,500

this was real and we had to you know

267

00:11:39,030 --> 00:11:37,720

enlighten him how about that fact the

268

00:11:41,610 --> 00:11:39,040

kind of governments actually turn to

269

00:11:43,740 --> 00:11:41,620

hide this stuff and he got so upset that

270

00:11:45,690 --> 00:11:43,750

he started he wanted to start something

271

00:11:48,450 --> 00:11:45,700

called the Denver et initiative he's

272

00:11:50,130 --> 00:11:48,460

decided that you know the government's

273

00:11:52,800 --> 00:11:50,140

not gonna let anybody know maybe to do

274

00:11:53,940 --> 00:11:52,810

it from the grassroots up well they came

275

00:11:55,980 --> 00:11:53,950

to me and they said give us some

276

00:11:57,600 --> 00:11:55,990

evidence to use they said okay you know

277

00:11:59,670 --> 00:11:57,610

you can show up but I don't want this

278

00:12:01,490 --> 00:11:59,680

this the video to be released cuz I'm a

279

00:12:04,890 --> 00:12:01,500

little unsure about it

280

00:12:07,470 --> 00:12:04,900

so they used this alien in the window

281

00:12:09,780 --> 00:12:07,480

video that we're talking about and so

282

00:12:12,840 --> 00:12:09,790

but somebody actually broke into my

283

00:12:15,390 --> 00:12:12,850

house stole the file with that video

284

00:12:17,340 --> 00:12:15,400

into it that would that video in it and

285

00:12:20,250 --> 00:12:17,350

it was released all over the internet

286

00:12:21,780 --> 00:12:20,260

and just despite the fact that we tried

287

00:12:23,790 --> 00:12:21,790

to fight it and closed it down right

288

00:12:27,300 --> 00:12:23,800

away it just wouldn't happen so we

289

00:12:29,430 --> 00:12:27,310

released it but people need to know the

290

00:12:31,950 --> 00:12:29,440

full story about that video you know

291

00:12:33,900 --> 00:12:31,960

when I was on the Larry King Live show

292

00:12:35,400 --> 00:12:33,910

they had some debunkers and they need to

293

00:12:37,350 --> 00:12:35,410

know the story about that too

294

00:12:39,360 --> 00:12:37,360

this was a local group that wanted to

295

00:12:40,620 --> 00:12:39,370

investigate my story and we said no

296

00:12:42,840 --> 00:12:40,630

because there they had the bad

297

00:12:44,940 --> 00:12:42,850

reputation so they were hell-bent on

298

00:12:46,370 --> 00:12:44,950

trying to say that everything I did was

299

00:12:50,760 --> 00:12:46,380

ridiculous

300

00:12:54,330 --> 00:12:50,770

but that video started when I lived in

301
00:12:56,550 --> 00:12:54,340
Nebraska I eventually got married with

302
00:12:58,710 --> 00:12:56,560
the woman I met online she's not my wife

303
00:13:00,750 --> 00:12:58,720
and went to Nebraska to be with her

304
00:13:02,010 --> 00:13:00,760
because she has kids from a previous

305
00:13:07,020 --> 00:13:02,020
marriage that she could bring to

306
00:13:08,820 --> 00:13:07,030
Colorado well she has two to twenty

307
00:13:13,100 --> 00:13:08,830
stepdaughters at the time they were

308
00:13:17,730 --> 00:13:13,110
young teenagers very very pretty

309
00:13:20,130 --> 00:13:17,740
stepdaughters and I was watching TV got

310
00:13:21,630 --> 00:13:20,140
up to get a glass of water and you know

311
00:13:23,940 --> 00:13:21,640
the shade was open it was late at night

312
00:13:25,560 --> 00:13:23,950
and I see a head pop down it's like what

313
00:13:27,120 --> 00:13:25,570

in the world the first thing I thought

314

00:13:30,120 --> 00:13:27,130

of was oh my god we've got a peeping tom

315

00:13:34,830 --> 00:13:30,130

trying to senior stepdaughters this went

316

00:13:35,870 --> 00:13:34,840

on literally for about Fugees three four

317

00:13:38,629 --> 00:13:35,880

months

318

00:13:41,240 --> 00:13:38,639

and I called the police we got ahold of

319

00:13:44,180 --> 00:13:41,250

all the neighbors it got so bad because

320

00:13:46,370 --> 00:13:44,190

we kept seeing this person without

321

00:13:50,300 --> 00:13:46,380

looking in our window it got so bad that

322

00:13:51,889 --> 00:13:50,310

we left him traps and stuff underneath

323

00:13:53,809 --> 00:13:51,899

the windows like sticks so if we heard

324

00:13:55,220 --> 00:13:53,819

him you know step them on the sticks I

325

00:13:56,629 --> 00:13:55,230

had a bat bite that going I'd run out

326

00:13:59,150 --> 00:13:56,639

and clock them on the head and call the

327

00:14:00,800 --> 00:13:59,160

police and this is all this is all

328

00:14:02,350 --> 00:14:00,810

documented I've got all the you know

329

00:14:05,090 --> 00:14:02,360

police records and everything for this

330

00:14:08,240 --> 00:14:05,100

well one of the researchers involved in

331

00:14:10,819 --> 00:14:08,250

my case you know said look you've got a

332

00:14:14,749 --> 00:14:10,829

video camera next time you see something

333

00:14:16,639 --> 00:14:14,759

or suspect something you know stop your

334

00:14:20,150 --> 00:14:16,649

video camera and point it toward that we

335

00:14:22,639 --> 00:14:20,160

know and that's exactly what I did and I

336

00:14:25,040 --> 00:14:22,649

was set it up and pointed it toward the

337

00:14:27,620 --> 00:14:25,050

window and I was kind of sitting in the

338

00:14:29,389 --> 00:14:27,630

on the edge of a bathtub in the bathroom

339

00:14:31,840 --> 00:14:29,399

down the hallway because at a fairly

340

00:14:34,220 --> 00:14:31,850

decent view of that particular window

341

00:14:35,689 --> 00:14:34,230

and I was reading a magazine I really

342

00:14:37,280 --> 00:14:35,699

wanted to catch this guy I set up the

343

00:14:39,050 --> 00:14:37,290

camera and I walked away pretended I was

344

00:14:40,819 --> 00:14:39,060

going to bed and I was you know I just

345

00:14:42,860 --> 00:14:40,829

really wanted to catch this guy and I

346

00:14:45,740 --> 00:14:42,870

kept peeking out well there are two

347

00:14:47,749 --> 00:14:45,750

bright flashes of light and after the

348

00:14:49,879 --> 00:14:47,759

second flash of light I looked in his

349

00:14:50,300 --> 00:14:49,889

head top down and it's like I got him I

350

00:14:52,670 --> 00:14:50,310

got him

351
00:14:54,860 --> 00:14:52,680
trouble was when I went to the window I

352
00:14:56,720 --> 00:14:54,870
found what I thought was a child running

353
00:14:59,059 --> 00:14:56,730
toward the backyard and when he clipped

354
00:15:00,259 --> 00:14:59,069
the bush he stopped and looked back at

355
00:15:02,660 --> 00:15:00,269
me and I gotta tell you his eyes were

356
00:15:04,730 --> 00:15:02,670
not normal and it scared me to the point

357
00:15:08,389 --> 00:15:04,740
where you know you can watch the video I

358
00:15:11,449 --> 00:15:08,399
jump in on away that being said that the

359
00:15:13,819 --> 00:15:11,459
bunkers on the Larry King Live show said

360
00:15:18,170 --> 00:15:13,829
well that was all done with animation on

361
00:15:20,720 --> 00:15:18,180
your computer well it's been proven that

362
00:15:23,240 --> 00:15:20,730
and all of that wooden screen none of it

363
00:15:25,189 --> 00:15:23,250

if it was animation there be coding on

364

00:15:27,350 --> 00:15:25,199

the tape that you know looking they

365

00:15:30,980 --> 00:15:27,360

speculated and it's not we've had this

366

00:15:32,540 --> 00:15:30,990

video analyzed over and over again now

367

00:15:34,429 --> 00:15:32,550

if you see the original video you see

368

00:15:37,069 --> 00:15:34,439

the face move you see the eyes blink you

369

00:15:39,079 --> 00:15:37,079

see all kinds of stuff who would do that

370

00:15:40,910 --> 00:15:39,089

who would have that kind of mountain

371

00:15:44,150 --> 00:15:40,920

money to make a puppet like that and I

372

00:15:46,160 --> 00:15:44,160

saw this thing run away but that doesn't

373

00:15:48,290 --> 00:15:46,170

mean that couldn't be a puppet it

374

00:15:49,340 --> 00:15:48,300

doesn't mean that and that's why I

375

00:15:51,410 --> 00:15:49,350

didn't want to release

376
00:15:53,300 --> 00:15:51,420
video but what people need to understand

377
00:15:55,430 --> 00:15:53,310
that's nothing compared to what I have

378
00:15:56,990 --> 00:15:55,440
as far as I've been insisting and it's

379
00:15:57,590 --> 00:15:57,000
going to be released here pretty soon we

380
00:15:59,480 --> 00:15:57,600
hope

381
00:16:02,930 --> 00:15:59,490
well you know I would I would consider

382
00:16:04,700 --> 00:16:02,940
that if that if that video was proven

383
00:16:06,920 --> 00:16:04,710
authentic that that would be the most

384
00:16:08,870 --> 00:16:06,930
important video ever shown in the world

385
00:16:09,530 --> 00:16:08,880
that's that's how I feel about something

386
00:16:12,110 --> 00:16:09,540
like that

387
00:16:14,360 --> 00:16:12,120
well it has been proven authentic but

388
00:16:15,920 --> 00:16:14,370

people can you know let's face it you

389

00:16:17,570 --> 00:16:15,930

know I both know there are going to be

390

00:16:20,210 --> 00:16:17,580

people that are skeptics no matter what

391

00:16:21,860 --> 00:16:20,220

I could you know bring them in et and

392

00:16:24,980 --> 00:16:21,870

they'll say it's a kid in the suit you

393

00:16:28,340 --> 00:16:24,990

know in a costume because people are

394

00:16:30,710 --> 00:16:28,350

afraid and that video again is nothing

395

00:16:32,060 --> 00:16:30,720

compared to what I have really is

396

00:16:34,010 --> 00:16:32,070

nothing compared to what I have and it

397

00:16:36,500 --> 00:16:34,020

was you know it was it had been

398

00:16:40,370 --> 00:16:36,510

scrutinized by all these professionals I

399

00:16:44,270 --> 00:16:40,380

mean one of the guys that made that he

400

00:16:46,460 --> 00:16:44,280

helped make designed software the Final

401
00:16:49,400 --> 00:16:46,470
Cut Pro he's one of the designers to

402
00:16:52,010 --> 00:16:49,410
Final Cut Pro scrutinize the crap out of

403
00:16:55,130 --> 00:16:52,020
that video and said look this is real

404
00:16:56,870 --> 00:16:55,140
this is in camera there is no special

405
00:16:59,360 --> 00:16:56,880
effects what you're seeing is what

406
00:17:02,450 --> 00:16:59,370
you're seeing because it was on I guess

407
00:17:06,170 --> 00:17:02,460
on TV film it was on a DV camera that I

408
00:17:09,230 --> 00:17:06,180
videotape this there's a way to tell if

409
00:17:12,200 --> 00:17:09,240
it's been altered in any way and it

410
00:17:14,780 --> 00:17:12,210
improved that it hasn't so it's in

411
00:17:19,610 --> 00:17:14,790
camera can I hire percent prove it's not

412
00:17:20,750 --> 00:17:19,620
a you know a costume or a mask no but it

413
00:17:22,520 --> 00:17:20,760

doesn't make sense that it would be

414

00:17:25,220 --> 00:17:22,530

because that means somebody would have

415

00:17:27,770 --> 00:17:25,230

to spend thousands of dollars on this

416

00:17:30,290 --> 00:17:27,780

mask and the reason I say that is

417

00:17:32,630 --> 00:17:30,300

because not only do can you see the

418

00:17:35,720 --> 00:17:32,640

facial features can you see a blink you

419

00:17:39,140 --> 00:17:35,730

see it's squint but if you look closely

420

00:17:41,330 --> 00:17:39,150

at the video damn to read actually rift

421

00:17:44,380 --> 00:17:41,340

infrared light that's on the camera

422

00:17:48,410 --> 00:17:44,390

actually reflects off its retinas and

423

00:17:50,150 --> 00:17:48,420

that's I guess pretty hard to suppose

424

00:17:53,510 --> 00:17:50,160

you can but I don't know how to do it

425

00:17:56,060 --> 00:17:53,520

well you know I would think that you

426
00:17:57,770 --> 00:17:56,070
know myself my first skeptical thought

427
00:17:59,480 --> 00:17:57,780
about something like that well would

428
00:18:01,910 --> 00:17:59,490
there be thousands and thousands of

429
00:18:03,220 --> 00:18:01,920
dollars that could be made from a video

430
00:18:05,890 --> 00:18:03,230
like this but yes

431
00:18:07,510 --> 00:18:05,900
that that you didn't have you weren't

432
00:18:10,659 --> 00:18:07,520
involved in the release of this is that

433
00:18:12,669 --> 00:18:10,669
what you're saying no no I it was stolen

434
00:18:14,320 --> 00:18:12,679
and I've got the proof of that we called

435
00:18:16,270 --> 00:18:14,330
the police and everything it was

436
00:18:18,010 --> 00:18:16,280
released we thought us wanting it to be

437
00:18:19,960 --> 00:18:18,020
released and that's another thing people

438
00:18:22,270 --> 00:18:19,970

always say well you're doing this to

439

00:18:25,390 --> 00:18:22,280

make money nobody absolutely nobody

440

00:18:27,039 --> 00:18:25,400

makes money in this field nobody you

441

00:18:29,500 --> 00:18:27,049

know I'm an international best-selling

442

00:18:31,870 --> 00:18:29,510

author and I almost have lost my house

443

00:18:34,120 --> 00:18:31,880

twice now you know you're the second

444

00:18:36,610 --> 00:18:34,130

you're the second person in this field

445

00:18:39,430 --> 00:18:36,620

that has told me that so it's not

446

00:18:41,950 --> 00:18:39,440

because I think you know I you know to

447

00:18:44,669 --> 00:18:41,960

be fair to you and fair to other people

448

00:18:47,950 --> 00:18:44,679

that maybe a little bit on the fringe

449

00:18:49,810 --> 00:18:47,960

there there is a misconception that a

450

00:18:54,280 --> 00:18:49,820

lot of people would make a lot of money

451

00:18:57,010 --> 00:18:54,290

doing what you do and and you don't

452

00:19:01,299 --> 00:18:57,020

that's what I keep hearing you don't and

453

00:19:03,280 --> 00:19:01,309

that's the thing and you know and you

454

00:19:05,200 --> 00:19:03,290

guys think about it this way too people

455

00:19:07,539 --> 00:19:05,210

will say in the skeptics will say that

456

00:19:09,610 --> 00:19:07,549

I've said this well people are doing

457

00:19:11,049 --> 00:19:09,620

this just to get attention who in their

458

00:19:13,060 --> 00:19:11,059

right mind would want this kind of

459

00:19:14,740 --> 00:19:13,070

attention I've got a bullet hole in my

460

00:19:16,060 --> 00:19:14,750

windshield I haven't I don't have the

461

00:19:18,430 --> 00:19:16,070

money to fix my windshield I've been

462

00:19:19,990 --> 00:19:18,440

shot that place I've been beat up I've

463

00:19:24,780 --> 00:19:20,000

been told to keep my mouth shut

464

00:19:27,970 --> 00:19:24,790

I found surveillance surveillance stuff

465

00:19:29,980 --> 00:19:27,980

equipment in my house you know our

466

00:19:32,740 --> 00:19:29,990

phones been tapped this is all really

467

00:19:34,299 --> 00:19:32,750

happening who would want this who'd want

468

00:19:35,500 --> 00:19:34,309

this kind of attention you'd have to be

469

00:19:38,710 --> 00:19:35,510

out of your mind

470

00:19:40,990 --> 00:19:38,720

now tell me about the situation where

471

00:19:41,500 --> 00:19:41,000

you were beat up how did that all come

472

00:19:45,340 --> 00:19:41,510

about

473

00:19:47,919 --> 00:19:45,350

eventually I conned my wife into moving

474

00:19:50,350 --> 00:19:47,929

back to Colorado Nebraska

475

00:19:54,100 --> 00:19:50,360

the farmlands are pretty the people seem

476
00:19:56,140 --> 00:19:54,110
to be nice the weather scared the living

477
00:19:59,190 --> 00:19:56,150
bejesus out of me I got to tell you them

478
00:20:01,900 --> 00:19:59,200
you know when you see a cantaloupe size

479
00:20:04,180 --> 00:20:01,910
hail it kind of freaks you out when you

480
00:20:06,190 --> 00:20:04,190
have you know mile wide tornadoes that

481
00:20:09,520 --> 00:20:06,200
kind of go through your backyard all the

482
00:20:11,560 --> 00:20:09,530
time it really doesn't have that so I

483
00:20:13,590 --> 00:20:11,570
mean they have small pinions but nothing

484
00:20:18,900 --> 00:20:13,600
like that so eventually we moved

485
00:20:20,279 --> 00:20:18,910
dr. Colorado and I was a cycling in was

486
00:20:24,600 --> 00:20:20,289
it 88 I was going to be an Olympic

487
00:20:26,520 --> 00:20:24,610
cyclist in 91 my teammates and my coach

488
00:20:30,210 --> 00:20:26,530

died in the plane crash so kind of

489

00:20:33,090 --> 00:20:30,220

stopped my Olympic cycling career and so

490

00:20:35,279 --> 00:20:33,100

but I really liked Colorado Springs and

491

00:20:36,960 --> 00:20:35,289

Cora Springs Colorado because that's

492

00:20:39,299 --> 00:20:36,970

where the Olympic Training Center was

493

00:20:41,730 --> 00:20:39,309

and it's just beautiful absolutely

494

00:20:43,200 --> 00:20:41,740

beautiful there so eventually you know

495

00:20:46,409 --> 00:20:43,210

we moved out in Nebraska moved to

496

00:20:48,149 --> 00:20:46,419

Colorado Springs trouble is not only was

497

00:20:50,549 --> 00:20:48,159

there a big training center there but I

498

00:20:53,010 --> 00:20:50,559

found out there about five top secret

499

00:20:54,810 --> 00:20:53,020

military bases in that area NORAD being

500

00:20:57,560 --> 00:20:54,820

one of them Shriver being another and

501
00:21:05,130 --> 00:20:57,570
then you had the Air Force Academy also

502
00:21:07,020 --> 00:21:05,140
but so I was working fairly close to our

503
00:21:09,390 --> 00:21:07,030
lifts and I rode my bike all the time

504
00:21:14,010 --> 00:21:09,400
just because I want to keep in shape and

505
00:21:16,470 --> 00:21:14,020
I was on the sidewalk at a stoplight and

506
00:21:19,260 --> 00:21:16,480
as I was sitting there I heard some

507
00:21:21,090 --> 00:21:19,270
people yelling couple cars back from a

508
00:21:23,399 --> 00:21:21,100
blackened knock - Lee and they were

509
00:21:25,380 --> 00:21:23,409
yelling at me and it's like how great

510
00:21:28,590 --> 00:21:25,390
you know it's a bunch of drunk military

511
00:21:31,710 --> 00:21:28,600
guys so I ignore them and I just kind of

512
00:21:33,630 --> 00:21:31,720
pushed through and drove up on an

513
00:21:36,120 --> 00:21:33,640

embankment and into the parking lot of

514

00:21:38,279 --> 00:21:36,130

where I worked and kind of rode my bike

515

00:21:39,630 --> 00:21:38,289

behind them behind my place of

516

00:21:40,490 --> 00:21:39,640

employment I was going to lock up my

517

00:21:43,529 --> 00:21:40,500

bike

518

00:21:47,039 --> 00:21:43,539

somehow this black is should be beaten

519

00:21:50,010 --> 00:21:47,049

too you know behind the building and

520

00:21:51,659 --> 00:21:50,020

they cut me off in the guy jumped out of

521

00:21:53,909 --> 00:21:51,669

the passenger seat and said you need to

522

00:21:55,830 --> 00:21:53,919

keep your mouth shut unless I tell them

523

00:21:57,140 --> 00:21:55,840

I said I didn't say anything to you I

524

00:21:59,490 --> 00:21:57,150

don't even know you

525

00:22:03,630 --> 00:21:59,500

well these guys were very nicely dressed

526
00:22:05,159 --> 00:22:03,640
crew cuts dead you know pleats you know

527
00:22:07,740 --> 00:22:05,169
they're their pants were nicely ironed

528
00:22:10,500 --> 00:22:07,750
and pleated and you know there are

529
00:22:12,270 --> 00:22:10,510
typical military black ops kind of guys

530
00:22:14,279 --> 00:22:12,280
I mean that's how they look to me and I

531
00:22:16,140 --> 00:22:14,289
grew up in the military so you know you

532
00:22:17,400 --> 00:22:16,150
kind of have a feel for this thing just

533
00:22:22,260 --> 00:22:17,410
kind of stuff

534
00:22:24,210 --> 00:22:22,270
so we kind of banter back and forth and

535
00:22:25,980 --> 00:22:24,220
then he jumped me this guy literally

536
00:22:28,410 --> 00:22:25,990
jumped me and started trying to beat me

537
00:22:33,630 --> 00:22:28,420
up well there were four of them

538
00:22:36,900 --> 00:22:33,640

I had a cable lock a very secure lock on

539

00:22:38,960 --> 00:22:36,910

my bicycle seat and around it and I just

540

00:22:41,490 --> 00:22:38,970

going to clock this guy while the

541

00:22:43,290 --> 00:22:41,500

passenger the guy in the backseat of the

542

00:22:45,690 --> 00:22:43,300

passenger side of the vehicle came out

543

00:22:47,640 --> 00:22:45,700

and tried this kind of food karate move

544

00:22:49,890 --> 00:22:47,650

and I just clocked the chain and knocked

545

00:22:54,330 --> 00:22:49,900

him to the ground now this was happening

546

00:22:56,820 --> 00:22:54,340

as people are driving by and then I

547

00:22:58,740 --> 00:22:56,830

heard them start talking about the UFO

548

00:23:01,350 --> 00:22:58,750

stuff and I heard you know them talking

549

00:23:03,570 --> 00:23:01,360

to each other about you know information

550

00:23:05,820 --> 00:23:03,580

that there's no way they should have had

551

00:23:07,410 --> 00:23:05,830

I realized that this must be some kind

552

00:23:11,310 --> 00:23:07,420

of military government thing or

553

00:23:14,550 --> 00:23:11,320

something and as I was wrestling around

554

00:23:16,950 --> 00:23:14,560

with this second guy I felt like a

555

00:23:21,510 --> 00:23:16,960

tingling sensation on my lower back and

556

00:23:24,540 --> 00:23:21,520

I hit the dirt and the major involved

557

00:23:26,370 --> 00:23:24,550

because I yeah I was tased and I knocked

558

00:23:28,650 --> 00:23:26,380

out the one guy with the chain and then

559

00:23:29,940 --> 00:23:28,660

they tased me and grabbed their friend

560

00:23:31,410 --> 00:23:29,950

and stuck me in the car and drove off

561

00:23:34,020 --> 00:23:31,420

and there were people that were chasing

562

00:23:35,760 --> 00:23:34,030

these guys and they went onto the base I

563

00:23:38,190 --> 00:23:35,770

forgot what base it was but the one on

564

00:23:39,870 --> 00:23:38,200

the debate I come from anymore and the

565

00:23:41,370 --> 00:23:39,880

priest came right away because people

566

00:23:43,620 --> 00:23:41,380

call the police when this happened I've

567

00:23:45,440 --> 00:23:43,630

got the police reports and I ended up

568

00:23:48,300 --> 00:23:45,450

with the broken wrist and a broken nose

569

00:23:51,450 --> 00:23:48,310

and then since then I've been shot at

570

00:23:53,460 --> 00:23:51,460

twice once in front of my house and the

571

00:23:55,410 --> 00:23:53,470

other time while I was driving to one of

572

00:23:57,900 --> 00:23:55,420

my talks in Denver most of that the

573

00:24:00,150 --> 00:23:57,910

bullet hole windshield Wow so can we

574

00:24:01,740 --> 00:24:00,160

move on and talk about your book and

575

00:24:03,960 --> 00:24:01,750

then after that I want to talk a little

576

00:24:06,650 --> 00:24:03,970

bit about the latest developments of

577

00:24:12,120 --> 00:24:06,660

what's happening with you sure sure

578

00:24:14,010 --> 00:24:12,130

my first book messages is I became an

579

00:24:15,960 --> 00:24:14,020

international best-selling author with

580

00:24:18,060 --> 00:24:15,970

my first book messages and I wrote

581

00:24:20,790 --> 00:24:18,070

another book called answers my first

582

00:24:24,260 --> 00:24:20,800

book I talked about you know what

583

00:24:28,170 --> 00:24:24,270

happened in chronological order in my

584

00:24:29,670 --> 00:24:28,180

second book answers you know I talked

585

00:24:30,909 --> 00:24:29,680

about what I've won and didn't what I

586

00:24:33,310 --> 00:24:30,919

believe is happening

587

00:24:37,379 --> 00:24:33,320

what you know I'm learning from my

588

00:24:41,919 --> 00:24:37,389

experience my experiences and it's

589

00:24:43,950 --> 00:24:41,929

there's so much more there's so much

590

00:24:46,779 --> 00:24:43,960

more involved and people could even

591

00:24:48,430 --> 00:24:46,789

remotely imagine you know I had to come

592

00:24:50,889 --> 00:24:48,440

to terms with the fact that UFOs were

593

00:24:52,599 --> 00:24:50,899

real then I had to come to terms with

594

00:24:54,999 --> 00:24:52,609

the fact that something's driving the

595

00:24:56,529 --> 00:24:55,009

UFOs then I had to come to terms with

596

00:25:01,239 --> 00:24:56,539

the fact that there's multiple things

597

00:25:03,659 --> 00:25:01,249

out there some are you know like us some

598

00:25:07,690 --> 00:25:03,669

are different some are multi-dimensional

599

00:25:09,970 --> 00:25:07,700

and then you know to come to terms with

600

00:25:12,729 --> 00:25:09,980

the fact that humans are they don't

601
00:25:15,849 --> 00:25:12,739
understand who they are they don't know

602
00:25:18,460 --> 00:25:15,859
the amazing ability they have and this

603
00:25:20,109 --> 00:25:18,470
is coming from you know people high up

604
00:25:21,489 --> 00:25:20,119
in the military are coming forward about

605
00:25:25,210 --> 00:25:21,499
this stuff you know some of the people

606
00:25:26,830 --> 00:25:25,220
involved in my case are one researcher

607
00:25:29,649 --> 00:25:26,840
involved in my case is ex Naval

608
00:25:31,749 --> 00:25:29,659
Intelligence another one is X NSA and

609
00:25:34,450 --> 00:25:31,759
they filter this information to me and I

610
00:25:37,539 --> 00:25:34,460
share it to the public and it's amazing

611
00:25:39,759 --> 00:25:37,549
it really is amazing and I kind of feel

612
00:25:41,710 --> 00:25:39,769
sorry for the people that don't believe

613
00:25:43,570 --> 00:25:41,720

because they're kind of stuck in this

614

00:25:45,070 --> 00:25:43,580

little box and I get to be outside of

615

00:25:48,279 --> 00:25:45,080

the box looking at all this amazing

616

00:25:51,489 --> 00:25:48,289

stuff mm-hmm and what's it what's your

617

00:25:54,419 --> 00:25:51,499

the latest book is it answers it's

618

00:25:58,599 --> 00:25:54,429

called answers mm-hmm and it's my wife

619

00:26:01,149 --> 00:25:58,609

I'm sorry is that out now it is out now

620

00:26:03,310 --> 00:26:01,159

you bet and my wife also read a book

621

00:26:07,299 --> 00:26:03,320

from my side of the bed what it's like

622

00:26:10,419 --> 00:26:07,309

to be married to an abductee a Trebek D

623

00:26:12,460 --> 00:26:10,429

and you know because people there are

624

00:26:15,820 --> 00:26:12,470

people that you know they lose their

625

00:26:17,320 --> 00:26:15,830

marriages over this stuff yeah family

626

00:26:19,149 --> 00:26:17,330

members won't talk to other family

627

00:26:24,669 --> 00:26:19,159

members because of this stuff now has

628

00:26:26,200 --> 00:26:24,679

that happen to you at all oh you bet you

629

00:26:28,390 --> 00:26:26,210

bet I mean

630

00:26:31,630 --> 00:26:28,400

there are family members that just think

631

00:26:34,750 --> 00:26:31,640

I'm a nut job and then I found out

632

00:26:38,680 --> 00:26:34,760

recently that my sister and my brother

633

00:26:42,370 --> 00:26:38,690

had experiences early so it seems to be

634

00:26:44,170 --> 00:26:42,380

in you know it seems to be kept in the

635

00:26:47,770 --> 00:26:44,180

family and then I recently found out

636

00:26:51,040 --> 00:26:47,780

there is a major major connection with

637

00:26:54,000 --> 00:26:51,050

the military my father was involved in

638

00:26:56,440 --> 00:26:54,010

an incident in Minot North Dakota in

639

00:26:59,710 --> 00:26:56,450

1968 as five years old at the time

640

00:27:02,140 --> 00:26:59,720

is this a water-powered oh yeah yeah

641

00:27:03,970 --> 00:27:02,150

yeah or UFO actually came down andand

642

00:27:07,840 --> 00:27:03,980

one of the missiles and then they

643

00:27:09,250 --> 00:27:07,850

attracted to oh you know a small town in

644

00:27:12,850 --> 00:27:09,260

North of North Dakota where it's hovered

645

00:27:14,980 --> 00:27:12,860

above the water tower yeah now hot

646

00:27:16,840 --> 00:27:14,990

things happen all the time and there's

647

00:27:18,870 --> 00:27:16,850

people around you all the time when

648

00:27:22,600 --> 00:27:18,880

these things happen

649

00:27:25,540 --> 00:27:22,610

yeah and you mentioned when we talked

650

00:27:27,280 --> 00:27:25,550

briefly before the recording that some

651

00:27:31,030 --> 00:27:27,290

things happen recently can you talk

652

00:27:34,600 --> 00:27:31,040

about that I can't tell you exactly who

653

00:27:36,250 --> 00:27:34,610

because they're doing a TV show and they

654

00:27:38,680 --> 00:27:36,260

don't want people to know about it that

655

00:27:41,100 --> 00:27:38,690

there was a TV crew here not one of

656

00:27:45,400 --> 00:27:41,110

these UFO crews this is a very

657

00:27:46,860 --> 00:27:45,410

prestigious television organization I

658

00:27:51,340 --> 00:27:46,870

guess for lack of a better description

659

00:27:52,900 --> 00:27:51,350

was here to do a story about me and that

660

00:27:54,820 --> 00:27:52,910

a film crew here and they had me hooked

661

00:27:57,760 --> 00:27:54,830

up to all this you know all this video

662

00:27:59,320 --> 00:27:57,770

equipment and stuff and they captured

663

00:28:01,600 --> 00:27:59,330

all kinds of crazy stuff when they were

664

00:28:03,700 --> 00:28:01,610

here I mean literally from fist sized

665

00:28:06,700 --> 00:28:03,710

balls balls of light flying through our

666

00:28:10,210 --> 00:28:06,710

trees to you know weird stuff on their

667

00:28:12,400 --> 00:28:10,220

thermal-imaging camera too we had an

668

00:28:15,670 --> 00:28:12,410

incident where we were outside in this

669

00:28:17,320 --> 00:28:15,680

unmarked helicopter kept flying over us

670

00:28:19,330 --> 00:28:17,330

from really really low must have

671

00:28:20,980 --> 00:28:19,340

happened about 10 times eventually

672

00:28:23,350 --> 00:28:20,990

towards the end of it

673

00:28:26,050 --> 00:28:23,360

this guy was just hovering literally

674

00:28:28,690 --> 00:28:26,060

just across the street about the house

675

00:28:31,120 --> 00:28:28,700

across the street watching us and then

676
00:28:34,630 --> 00:28:31,130
all the power went out in the

677
00:28:35,200 --> 00:28:34,640
neighborhood and we got a call on my

678
00:28:37,780 --> 00:28:35,210
cell phone

679
00:28:39,160 --> 00:28:37,790
sometimes your powers out right and I

680
00:28:39,820 --> 00:28:39,170
said yes who is this and they said it

681
00:28:42,130 --> 00:28:39,830
wasn't by

682
00:28:45,549 --> 00:28:42,140
to them and then they hung up and this

683
00:28:48,549 --> 00:28:45,559
this television group that was there for

684
00:28:50,500 --> 00:28:48,559
me captured at all Wow well that's me

685
00:28:52,060 --> 00:28:50,510
speaking of neighbors you live in you

686
00:28:56,830 --> 00:28:52,070
live in a regular neighborhood right I

687
00:28:59,230 --> 00:28:56,840
do I do and in fact you know there's

688
00:29:02,169 --> 00:28:59,240

sometimes there's spillover our neighbor

689

00:29:04,720 --> 00:29:02,179

is a very devout Christians sweetest

690

00:29:08,850 --> 00:29:04,730

sweetest couple you know they have three

691

00:29:11,320 --> 00:29:08,860

kids she was out playing your dog out

692

00:29:14,310 --> 00:29:11,330

one evening about 11 o'clock at night

693

00:29:17,919 --> 00:29:14,320

and they have motion activated

694

00:29:19,720 --> 00:29:17,929

spotlights in their backyard well she

695

00:29:23,080 --> 00:29:19,730

let her dog on the spot light came on

696

00:29:25,149 --> 00:29:23,090

and it shined to the back fence the

697

00:29:27,220 --> 00:29:25,159

fence between our yard and her yard and

698

00:29:30,549 --> 00:29:27,230

something was climbing up on the fence

699

00:29:33,009 --> 00:29:30,559

and looking at her it scared her so bad

700

00:29:36,730 --> 00:29:33,019

she went inside anyone come out of her

701
00:29:38,980 --> 00:29:36,740
house for like days and eventually she

702
00:29:40,690 --> 00:29:38,990
came and told us about it and that's one

703
00:29:42,970 --> 00:29:40,700
of the reasons the TV crew is there to

704
00:29:45,549 --> 00:29:42,980
you know Wow talk to her about what

705
00:29:49,090 --> 00:29:45,559
happened yeah now I heard you mention

706
00:29:51,250 --> 00:29:49,100
earlier interdimensional what are you

707
00:29:53,909 --> 00:29:51,260
sure what is your thoughts on that I I

708
00:29:55,930 --> 00:29:53,919
know you've you know we've talked about

709
00:30:00,430 --> 00:29:55,940
extraterrestrial but what do you think

710
00:30:02,289 --> 00:30:00,440
about the interdimensional idea it's

711
00:30:05,070 --> 00:30:02,299
come to my attention and this is what

712
00:30:07,450 --> 00:30:05,080
I'm being told by these you know

713
00:30:10,509 --> 00:30:07,460

experiment officials and even the

714

00:30:13,360 --> 00:30:10,519

Vatican talked about this there are

715

00:30:15,340 --> 00:30:13,370

multiple things out there there are good

716

00:30:17,200 --> 00:30:15,350

and bad things out there just like there

717

00:30:18,820 --> 00:30:17,210

are here there are things that are so

718

00:30:22,480 --> 00:30:18,830

advanced they don't really even have

719

00:30:25,000 --> 00:30:22,490

physical forms now we don't understand

720

00:30:28,360 --> 00:30:25,010

time and we don't understand dimensions

721

00:30:31,000 --> 00:30:28,370

because we think linearly you know we

722

00:30:33,430 --> 00:30:31,010

talk linearly we it's word after word

723

00:30:35,169 --> 00:30:33,440

it's kind of slowing archaic so it's

724

00:30:37,629 --> 00:30:35,179

kind of hard for us to understand like

725

00:30:38,950 --> 00:30:37,639

fourth or fifth dimensions and what I

726

00:30:40,509 --> 00:30:38,960

understand they call them densities

727

00:30:44,680 --> 00:30:40,519

don't they don't really clone dimensions

728

00:30:48,070 --> 00:30:44,690

we call them to mentions and so you know

729

00:30:49,120 --> 00:30:48,080

I was told that there are many things

730

00:30:52,480 --> 00:30:49,130

out there

731

00:30:56,110 --> 00:30:52,490

that are not even in this density or

732

00:31:00,670 --> 00:30:56,120

this dimension and in fact what really

733

00:31:02,500 --> 00:31:00,680

kind of amazed me in misses from fairly

734

00:31:05,830 --> 00:31:02,510

high up and they just recently got some

735

00:31:08,050 --> 00:31:05,840

footage some pictures taken that were

736

00:31:09,760 --> 00:31:08,060

taken of the actual Roswell crash I'm

737

00:31:13,620 --> 00:31:09,770

not sure anybody has this maybe they do

738

00:31:15,660 --> 00:31:13,630

but I just recently sent this that the

739

00:31:18,670 --> 00:31:15,670

creatures that crashed in Roswell

740

00:31:20,920 --> 00:31:18,680

weren't actually aiming at all they were

741

00:31:22,750 --> 00:31:20,930

from the future from like fifty two

742

00:31:25,540 --> 00:31:22,760

thousand thirty two thousand years into

743

00:31:28,210 --> 00:31:25,550

the future they looked a lot different

744

00:31:30,760 --> 00:31:28,220

but they were actually time travelers is

745

00:31:33,610 --> 00:31:30,770

that really what happened I can 100%

746

00:31:36,490 --> 00:31:33,620

prove that that's what happened but it

747

00:31:37,780 --> 00:31:36,500

is interesting that ever it is so we

748

00:31:41,770 --> 00:31:37,790

turn out pretty ugly as what you're

749

00:31:43,750 --> 00:31:41,780

seeing well supposedly what happened and

750

00:31:46,420 --> 00:31:43,760

really and this is in my book answers

751

00:31:50,410 --> 00:31:46,430

what's going on is there's a timeline

752

00:31:54,070 --> 00:31:50,420

war what what happened with the Roswell

753

00:31:55,750 --> 00:31:54,080

crash is some technology was recovered

754

00:31:58,840 --> 00:31:55,760

and turned into something called the

755

00:32:01,120 --> 00:31:58,850

looking glass technology and this

756

00:32:03,970 --> 00:32:01,130

looking glass was a way to look into the

757

00:32:05,560 --> 00:32:03,980

future now there's a lot of

758

00:32:07,750 --> 00:32:05,570

whistleblowers that have come forward

759

00:32:11,470 --> 00:32:07,760

regarding this so I believe this is true

760

00:32:13,900 --> 00:32:11,480

this is what I've been told and because

761

00:32:16,510 --> 00:32:13,910

this technology was back engineered and

762

00:32:17,980 --> 00:32:16,520

given to the wealthy elite to stay you

763

00:32:20,700 --> 00:32:17,990

know so they can stay wealthy until the

764

00:32:22,660 --> 00:32:20,710

future it stood up our timeline and

765

00:32:26,470 --> 00:32:22,670

supposedly there was supposed to be a

766

00:32:29,290 --> 00:32:26,480

catastrophe in like 2010 that would have

767

00:32:31,330 --> 00:32:29,300

wiped out mostly human population and we

768

00:32:35,200 --> 00:32:31,340

were supposed to go underground and

769

00:32:39,700 --> 00:32:35,210

become this this type of grey or this

770

00:32:42,790 --> 00:32:39,710

type of EPE whatever that came back to

771

00:32:45,460 --> 00:32:42,800

visit us and now this et that came back

772

00:32:47,410 --> 00:32:45,470

to visit us at crashed in Roswell tried

773

00:32:50,260 --> 00:32:47,420

to warn us from what I understand tried

774

00:32:51,700 --> 00:32:50,270

to warn us about this catastrophic event

775

00:32:53,620 --> 00:32:51,710

that was going to take place and not to

776

00:32:56,890 --> 00:32:53,630

mess with the you know with this Looking

777

00:33:00,260 --> 00:32:56,900

Glass device the trouble is there crash

778

00:33:03,049 --> 00:33:00,270

cause best glass device

779

00:33:05,330 --> 00:33:03,059

so and that's what I write about in my

780

00:33:07,100 --> 00:33:05,340

book and there is so much evidence to

781

00:33:09,410 --> 00:33:07,110

this that it's unbelievable

782

00:33:12,890 --> 00:33:09,420

choice you know people are gonna have a

783

00:33:15,130 --> 00:33:12,900

hard time with it because you know most

784

00:33:17,540 --> 00:33:15,140

of people and if they were like myself

785

00:33:20,540 --> 00:33:17,550

you have this idea of what reality is

786

00:33:22,100 --> 00:33:20,550

and you go through your daily life going

787

00:33:23,480 --> 00:33:22,110

to work coming back watching TV and

788

00:33:26,240 --> 00:33:23,490

that's what you do you don't want

789

00:33:28,700 --> 00:33:26,250

anything to upset that reality and I you

790

00:33:30,710 --> 00:33:28,710

know I talk about you know the fact that

791

00:33:32,150 --> 00:33:30,720

there are two oddities there's the one

792

00:33:35,210 --> 00:33:32,160

that we perceive and the one that were

793

00:33:36,860 --> 00:33:35,220

taught and then the true reality and the

794

00:33:40,549 --> 00:33:36,870

one that we were taught on that report

795

00:33:43,310 --> 00:33:40,559

we were perceived we will guard and you

796

00:33:47,030 --> 00:33:43,320

know like crazy because it's frightening

797

00:33:49,130 --> 00:33:47,040

to think of anything else well the basis

798

00:33:51,530 --> 00:33:49,140

of religions are you know is very

799

00:33:54,560 --> 00:33:51,540

similar in a lot of ways any any strong

800

00:33:57,410 --> 00:33:54,570

tradition is protected exactly mm-hmm

801
00:33:59,930 --> 00:33:57,420
and you know I I was Christian I gotta

802
00:34:03,410 --> 00:33:59,940
tell you I was a Christian and one of

803
00:34:06,710 --> 00:34:03,420
the things that one of the things that

804
00:34:09,770 --> 00:34:06,720
changed my paradigm a little bit was I

805
00:34:11,659 --> 00:34:09,780
went when this all started I really have

806
00:34:14,540 --> 00:34:11,669
heard timeless when I went to my V Innis

807
00:34:16,310 --> 00:34:14,550
turn my pastor and I said look this is

808
00:34:18,710 --> 00:34:16,320
what happened to me he got so freaked

809
00:34:20,690 --> 00:34:18,720
out he kicked me out of the church and

810
00:34:22,119 --> 00:34:20,700
he said I don't want you around the

811
00:34:24,770 --> 00:34:22,129
parishioners because I don't want you

812
00:34:27,409 --> 00:34:24,780
Satan than you basically is what he said

813
00:34:30,200 --> 00:34:27,419

and I was so heartbroken and I started

814

00:34:32,560 --> 00:34:30,210

realizing this guy was a hypocrite so I

815

00:34:34,730 --> 00:34:32,570

did some research and found out about

816

00:34:36,770 --> 00:34:34,740

Christianity and about that Council of

817

00:34:39,470 --> 00:34:36,780

Nicaea and how Christianity was really

818

00:34:41,090 --> 00:34:39,480

started by in for Constantine and bla

819

00:34:43,340 --> 00:34:41,100

bla bla bla bla bla bla bla and then

820

00:34:46,010 --> 00:34:43,350

you know then I just started learning

821

00:34:47,659 --> 00:34:46,020

and I always tell people look it's okay

822

00:34:48,919 --> 00:34:47,669

if you don't believe me I mean there's

823

00:34:50,960 --> 00:34:48,929

some things that I go through that I

824

00:34:52,940 --> 00:34:50,970

don't believe but before you say

825

00:34:54,440 --> 00:34:52,950

anything do some research don't you

826
00:34:55,669 --> 00:34:54,450
blurt it out because number one it makes

827
00:34:59,540 --> 00:34:55,679
you look like an idiot

828
00:35:02,000 --> 00:34:59,550
number two you got it don't be afraid of

829
00:35:02,920 --> 00:35:02,010
the truth because the truth will set you

830
00:35:05,630 --> 00:35:02,930
free

831
00:35:07,760 --> 00:35:05,640
now you said earlier that something

832
00:35:10,550 --> 00:35:07,770
about pictures of the Roswell crash is

833
00:35:13,070 --> 00:35:10,560
this this is as far as I know that's

834
00:35:13,790 --> 00:35:13,080
unheard of is this some no I've got

835
00:35:16,760 --> 00:35:13,800
pictures of

836
00:35:18,170 --> 00:35:16,770
actual wreckage that you would have the

837
00:35:20,390 --> 00:35:18,180
only at least that's what they told me

838
00:35:22,490 --> 00:35:20,400

you know you know I validated this

839

00:35:25,460 --> 00:35:22,500

person and then live in Roswell and they

840

00:35:28,730 --> 00:35:25,470

were friends with whatever that guy's

841

00:35:30,860 --> 00:35:28,740

name is well these would probably be

842

00:35:34,850 --> 00:35:30,870

some of the most important pictures that

843

00:35:36,770 --> 00:35:34,860

have ever surfaced them do you ever want

844

00:35:38,030 --> 00:35:36,780

are they actually gonna be I can't tell

845

00:35:39,800 --> 00:35:38,040

you if they're real or not they look

846

00:35:43,340 --> 00:35:39,810

really you can they're not very good

847

00:35:46,460 --> 00:35:43,350

quality and I'm going to be speaking not

848

00:35:49,430 --> 00:35:46,470

speaking but I'm going to be at the UFO

849

00:35:52,250 --> 00:35:49,440

Congress conference coming up next week

850

00:35:55,880 --> 00:35:52,260

from the 22nd through the 26th on

851
00:35:57,380 --> 00:35:55,890
Arizona right yeah in Arizona and she's

852
00:36:00,020 --> 00:35:57,390
supposed to meet me up there

853
00:36:02,480 --> 00:36:00,030
to show me the actual picture picture

854
00:36:04,220 --> 00:36:02,490
she tried to scan them and send them to

855
00:36:05,930 --> 00:36:04,230
me she's like the granddaughter of one

856
00:36:07,780 --> 00:36:05,940
of the people that this happened you

857
00:36:10,730 --> 00:36:07,790
know that was there when it happened so

858
00:36:12,230 --> 00:36:10,740
then you know the incident with my not

859
00:36:14,690 --> 00:36:12,240
with the missile arming and my not

860
00:36:16,520 --> 00:36:14,700
there's a general that recently passed

861
00:36:18,110 --> 00:36:16,530
away and I'm not obligated to tell you

862
00:36:20,930 --> 00:36:18,120
who he is because I told his son I

863
00:36:24,200 --> 00:36:20,940

wouldn't but they just sent me a 22

864

00:36:26,060 --> 00:36:24,210

top-secret documents about UFOs landing

865

00:36:29,330 --> 00:36:26,070

on the base and you know arming the

866

00:36:31,580 --> 00:36:29,340

missiles and harassing you know b-52

867

00:36:35,480 --> 00:36:31,590

bombers well this has all been very

868

00:36:47,200 --> 00:36:35,490

interesting Stan your website can you go

869

00:37:05,330 --> 00:37:03,290

www.antakungfu.com get them on Kindle as

870

00:37:08,270 --> 00:37:05,340

far as I know you can get them in Barnes

871

00:37:10,880 --> 00:37:08,280

& Nobles definitely get them on Amazon

872

00:37:12,800 --> 00:37:10,890

and then my first book message is the

873

00:37:14,660 --> 00:37:12,810

one that started it all you can get

874

00:37:17,660 --> 00:37:14,670

anywhere it's all over the world now

875

00:37:19,180 --> 00:37:17,670

great well you've been fantastic thank

876

00:37:22,020 --> 00:37:19,190

you so much for talking with us today
