please contact me at info at

20

00:01:09,590 --> 00:00:49,920

podcastufo.com anyway i hope you enjoyed

21

00:01:15,750 --> 00:01:13,190

hi everyone we have dr lynn kitai on the

22

00:01:16,550 --> 00:01:15,760

line in phoenix arizona how you doing dr

23

00:01:18,390 --> 00:01:16,560

lynn

24

00:01:21,429 --> 00:01:18,400

i am doing fabulous thanks so much for

25

00:01:22,870 --> 00:01:21,439

having me yes and uh the release when

26

00:01:25,190 --> 00:01:22,880

this is coming out is the 15th

27

00:01:27,429 --> 00:01:25,200

anniversary of the phoenix lights

28

00:01:28,310 --> 00:01:27,439

yes yes it's coming up for anybody that

29

00:01:29,990 --> 00:01:28,320

doesn't

30

00:01:32,149 --> 00:01:30,000

uh know about the phoenix flights

31

00:01:34,789 --> 00:01:32,159

actually that's a name that was given

32

00:01:37,429 --> 00:01:34,799

to a uh really the most

33

00:01:39,270 --> 00:01:37,439

important and most documented mass

34

00:01:41,830 --> 00:01:39,280

sighting

35

00:01:44,630 --> 00:01:41,840

uh in modern history uh certainly in

36

00:01:48,069 --> 00:01:44,640

mythology and uh and now we're learning

37

00:01:50,789 --> 00:01:48,079

that uh uh it very well could be from

38

00:01:53,030 --> 00:01:50,799

all of all of uh all of history because

39

00:01:54,389 --> 00:01:53,040

there were over ten thousand people

40

00:01:55,990 --> 00:01:54,399

throughout the state

41

00:01:59,429 --> 00:01:56,000

who witnessed something quite

42

00:02:01,270 --> 00:01:59,439

extraordinary uh 15 years ago

43

00:02:03,749 --> 00:02:01,280

on march 13th when they were looking

44

00:02:05,590 --> 00:02:03,759

skyward many were looking skyward to get

45

00:02:08,550 --> 00:02:05,600

a glimpse of the havop comet which was

46

00:02:11,350 --> 00:02:08,560

very clear in the northwest sky when

47

00:02:14,710 --> 00:02:11,360

they also caught a glimpse of a mild two

48

00:02:17,430 --> 00:02:14,720

mile wide and some very credible reports

49

00:02:19,110 --> 00:02:17,440

either these orbs these these

50

00:02:21,589 --> 00:02:19,120

balls of light

51
00:02:23,030 --> 00:02:21,599
that seem to be attached to something

52
00:02:25,589 --> 00:02:23,040
but they couldn't quite see what it was

53
00:02:27,430 --> 00:02:25,599
attached to or actual craft there were

54
00:02:30,630 --> 00:02:27,440
many things going on

55
00:02:34,070 --> 00:02:30,640
many events going on different phenomena

56
00:02:36,309 --> 00:02:34,080
as well as many hours of these phenomena

57
00:02:37,589 --> 00:02:36,319
there's so much missing disinformation

58
00:02:39,430 --> 00:02:37,599
out there

59
00:02:40,470 --> 00:02:39,440
in the media and the bunkers and so

60
00:02:42,390 --> 00:02:40,480
forth but

61
00:02:44,869 --> 00:02:42,400
uh both my husband and i had a very

62
00:02:45,990 --> 00:02:44,879
close sighting to our home in paradise

63
00:02:47,750 --> 00:02:46,000

valley we're pretty high in the

64

00:02:50,630 --> 00:02:47,760

mountains and have a panoramic view of

65

00:02:53,509 --> 00:02:50,640

the city skyline from our our bedroom

66

00:02:55,110 --> 00:02:53,519

one wall is a is a window and we know

67

00:02:56,309 --> 00:02:55,120

what helicopters and street lights and

68

00:02:58,390 --> 00:02:56,319

car lights and

69

00:03:01,430 --> 00:02:58,400

even flares deployed by the military

70

00:03:03,350 --> 00:03:01,440

occasionally look like and uh these

71

00:03:05,509 --> 00:03:03,360

unknowns are very different from that

72

00:03:06,869 --> 00:03:05,519

and and we're familiar with with the

73

00:03:07,750 --> 00:03:06,879

other um

74

00:03:13,110 --> 00:03:07,760

uh

75

00:03:14,470 --> 00:03:13,120

lights out there and we had a very close

76

00:03:16,550 --> 00:03:14,480

lighting to our home and i happen to

77

00:03:18,630 --> 00:03:16,560

catch pictures of it if we have time we

78

00:03:20,869 --> 00:03:18,640

can get into that sighting but i

79

00:03:22,470 --> 00:03:20,879

wondered for two years without any

80

00:03:23,270 --> 00:03:22,480

interest or knowledge in the topic at

81

00:03:26,309 --> 00:03:23,280

all

82

00:03:27,990 --> 00:03:26,319

what this advanced technology these orbs

83

00:03:29,350 --> 00:03:28,000

were doing right outside our bedroom

84

00:03:30,949 --> 00:03:29,360

window

85

00:03:32,630 --> 00:03:30,959

and i didn't even know who to show the

86

00:03:35,110 --> 00:03:32,640

picture to and lo and behold they came

87

00:03:37,830 --> 00:03:35,120

back two years later two months before

88

00:03:39,030 --> 00:03:37,840

the mass sighting i happened to catch

89

00:03:40,070 --> 00:03:39,040

two

90

00:03:41,589 --> 00:03:40,080

um

91

00:03:44,630 --> 00:03:41,599

the second night

92

00:03:47,830 --> 00:03:44,640

the same phenomena as i would also

93

00:03:51,190 --> 00:03:47,840

capture on video the three end points of

94

00:03:53,830 --> 00:03:51,200

a mile wide triangle the three lights uh

95

00:03:55,190 --> 00:03:53,840

on the ends of a v or triangle that

96

00:03:57,429 --> 00:03:55,200

thousands of people

97

00:04:01,110 --> 00:03:57,439

had seen preceding the time i took the

98

00:04:03,429 --> 00:04:01,120

picture shortly before 10 o'clock and um

99

00:04:05,509 --> 00:04:03,439

which blew me away i mean now

100

00:04:07,509 --> 00:04:05,519

thousands of people saw what i had seen

101
00:04:09,589 --> 00:04:07,519
but two months before i caught the same

102
00:04:12,309 --> 00:04:09,599
phenomena head-on

103
00:04:15,030 --> 00:04:12,319
turning into a v-shape and it was so

104
00:04:17,270 --> 00:04:15,040
unnerving not having had an explanation

105
00:04:20,469 --> 00:04:17,280
for the 95 sightings that

106
00:04:23,670 --> 00:04:20,479
um i called around the next morning

107
00:04:25,189 --> 00:04:23,680
really looking for a logical explanation

108
00:04:27,189 --> 00:04:25,199
somebody else must have seen it it was

109
00:04:29,430 --> 00:04:27,199
massive and found air traffic

110
00:04:31,830 --> 00:04:29,440
controllers at sky harbor international

111
00:04:34,629 --> 00:04:31,840
airport who saw the same thing at the

112
00:04:36,870 --> 00:04:34,639
same time in fact they were more excited

113
00:04:38,950 --> 00:04:36,880

than i was when i got on the phone with

114

00:04:40,710 --> 00:04:38,960

them and um

115

00:04:43,189 --> 00:04:40,720

like what one of the air traffic

116

00:04:46,469 --> 00:04:43,199

controllers shared was that

117

00:04:50,150 --> 00:04:46,479

they saw this pop up right about a

118

00:04:52,150 --> 00:04:50,160

thousand feet altitude above class b

119

00:04:53,830 --> 00:04:52,160

restricted airspace which is about a 30

120

00:04:57,430 --> 00:04:53,840

mile radius around the center of the

121

00:04:59,270 --> 00:04:57,440

airport which um is an area if anyone

122

00:05:02,230 --> 00:04:59,280

comes into that airspace they must call

123

00:05:04,070 --> 00:05:02,240

the tower and no one did so they got

124

00:05:06,390 --> 00:05:04,080

alarmed and they they looked on radar

125

00:05:08,390 --> 00:05:06,400

did not show up on radar picked up their

126

00:05:10,469 --> 00:05:08,400

binoculars to look and in their own

127

00:05:12,310 --> 00:05:10,479

words described six points of light

128

00:05:14,950 --> 00:05:12,320

totally equidistant from each other

129

00:05:16,870 --> 00:05:14,960

massive span over a mile wide

130

00:05:18,469 --> 00:05:16,880

that seemed to be attached to something

131

00:05:20,070 --> 00:05:18,479

again you would hear this during the

132

00:05:21,189 --> 00:05:20,080

mass sighting too but they couldn't

133

00:05:23,430 --> 00:05:21,199

quite see

134

00:05:25,909 --> 00:05:23,440

what it was attached to

135

00:05:28,150 --> 00:05:25,919

other people on march 13th as it went

136

00:05:30,070 --> 00:05:28,160

right over them would see that there was

137

00:05:32,310 --> 00:05:30,080

kind of a force field or something in

138

00:05:34,469 --> 00:05:32,320

between the lights that was blocking out

139

00:05:36,950 --> 00:05:34,479

the stores but at any rate um the air

140

00:05:38,950 --> 00:05:36,960

traffic controllers saw this and

141

00:05:41,029 --> 00:05:38,960

actually turn as i was taking my

142

00:05:42,710 --> 00:05:41,039

pictures they saw a turn against the

143

00:05:44,469 --> 00:05:42,720

wind and one of the air traffic

144

00:05:46,469 --> 00:05:44,479

controllers was a meteorologist so he

145

00:05:48,469 --> 00:05:46,479

knew what he was he was talking about

146

00:05:50,870 --> 00:05:48,479

and then move as a unit

147

00:05:53,670 --> 00:05:50,880

slowly behind south mountain which is

148

00:05:55,670 --> 00:05:53,680

just south of the airport and when i

149

00:05:57,510 --> 00:05:55,680

asked what was it

150

00:05:59,430 --> 00:05:57,520

there was silence and then one of the

151
00:06:01,270 --> 00:05:59,440
air traffic controllers that beats me

152
00:06:02,950 --> 00:06:01,280
and i think your air traffic controls

153
00:06:04,469 --> 00:06:02,960
your system i was in our airspace and

154
00:06:06,390 --> 00:06:04,479
you didn't know what that was the class

155
00:06:08,390 --> 00:06:06,400
b restricted air safe

156
00:06:10,550 --> 00:06:08,400
and they were stumped i mean they said

157
00:06:11,350 --> 00:06:10,560
definitely wasn't flares nothing that

158
00:06:14,710 --> 00:06:11,360
they

159
00:06:16,870 --> 00:06:14,720
ever saw before or even knew existed

160
00:06:18,710 --> 00:06:16,880
and we kept in contact i continued

161
00:06:19,749 --> 00:06:18,720
photographing these things up into and

162
00:06:22,150 --> 00:06:19,759
including

163
00:06:22,950 --> 00:06:22,160

march 13th again when thousands of

164

00:06:25,350 --> 00:06:22,960

people

165

00:06:27,670 --> 00:06:25,360

saw what i had been seeing and there was

166

00:06:30,150 --> 00:06:27,680

much going on i have to say that there

167

00:06:31,029 --> 00:06:30,160

is so much myth and disinformation out

168

00:06:34,230 --> 00:06:31,039

there

169

00:06:37,270 --> 00:06:34,240

we have reports as early as 3 p.m in the

170

00:06:40,710 --> 00:06:37,280

afternoon here in the phoenix area and

171

00:06:42,710 --> 00:06:40,720

reports in new mexico at 5 30 california

172

00:06:43,909 --> 00:06:42,720

at 7 15

173

00:06:48,870 --> 00:06:43,919

over

174

00:06:53,110 --> 00:06:48,880

seen by a commercial airline and the

175

00:06:55,510 --> 00:06:53,120

whole crew and 140 passengers and then

176

00:06:58,710 --> 00:06:55,520

5 30 the next morning when a boeing crew

177

00:07:01,830 --> 00:06:58,720

was coming into work at sky harbor they

178

00:07:04,309 --> 00:07:01,840

saw an object hovering over their tarmac

179

00:07:06,550 --> 00:07:04,319

so this was going on for many many hours

180

00:07:08,309 --> 00:07:06,560

and many different things not only orb

181

00:07:10,790 --> 00:07:08,319

formations

182

00:07:12,390 --> 00:07:10,800

but also different craft if anybody's

183

00:07:14,309 --> 00:07:12,400

near a computer and they can get on the

184

00:07:19,270 --> 00:07:14,319

phoenix lights network

185

00:07:24,950 --> 00:07:22,790

and go to the gap page gap they'll see

186

00:07:27,589 --> 00:07:24,960

the geospatial animation project which

187

00:07:31,110 --> 00:07:27,599

will show eight or nine different crafts

188

00:07:33,830 --> 00:07:31,120

that were compiled from thousands of

189

00:07:35,990 --> 00:07:33,840

reports from the national ufo reporting

190

00:07:37,909 --> 00:07:36,000

center in seattle washington

191

00:07:39,510 --> 00:07:37,919

village labs which was the clearinghouse

192

00:07:41,589 --> 00:07:39,520

here locally

193

00:07:43,749 --> 00:07:41,599

councilwoman vice mayor

194

00:07:44,710 --> 00:07:43,759

francis barwood who by the way was the

195

00:07:47,189 --> 00:07:44,720

only

196

00:07:48,950 --> 00:07:47,199

elected official official who even asked

197

00:07:50,870 --> 00:07:48,960

for an investigation because so many of

198

00:07:52,950 --> 00:07:50,880

her constituents over a thousand

199

00:07:54,469 --> 00:07:52,960

constituents had called her asking why

200

00:07:55,909 --> 00:07:54,479

isn't there an investigation which we

201
00:07:59,589 --> 00:07:55,919
can get to in a second

202
00:08:01,189 --> 00:07:59,599
and then uh as well as arizona mufon

203
00:08:03,430 --> 00:08:01,199
to show there were about eight or nine

204
00:08:05,830 --> 00:08:03,440
different craft that people described

205
00:08:08,390 --> 00:08:05,840
now whether it was one craft that could

206
00:08:10,070 --> 00:08:08,400
morph into looking differently or a

207
00:08:11,909 --> 00:08:10,080
parade of different craft or the

208
00:08:14,070 --> 00:08:11,919
perspective from where the person was

209
00:08:15,990 --> 00:08:14,080
standing we may never know but there

210
00:08:17,909 --> 00:08:16,000
were multiple things happening

211
00:08:20,869 --> 00:08:17,919
throughout the state in fact these

212
00:08:22,469 --> 00:08:20,879
crafts were so low the objects were so

213
00:08:24,469 --> 00:08:22,479

low whether they were just like to seem

214

00:08:27,350 --> 00:08:24,479

to be attached to something or actual

215

00:08:29,110 --> 00:08:27,360

crap that people saw um the rooftop

216

00:08:30,790 --> 00:08:29,120

level but some people said they could

217

00:08:34,310 --> 00:08:30,800

have thrown the stone at it it was that

218

00:08:36,949 --> 00:08:34,320

close totally silent totally science and

219

00:08:39,110 --> 00:08:36,959

didn't even displace the bear around it

220

00:08:41,509 --> 00:08:39,120

and some people actually saw it take off

221

00:08:43,909 --> 00:08:41,519

at a tremendous speed blink speed some

222

00:08:45,670 --> 00:08:43,919

people saw it as as you'll see on the

223

00:08:47,350 --> 00:08:45,680

gap page

224

00:08:49,829 --> 00:08:47,360

actually splitting too

225

00:08:51,910 --> 00:08:49,839

and other people saw it just go

226

00:08:54,790 --> 00:08:51,920

right up to the to the sky really

227

00:08:57,430 --> 00:08:54,800

quickly other people saw these orbs

228

00:09:00,310 --> 00:08:57,440

detach from the main object go out into

229

00:09:03,030 --> 00:09:00,320

the environment and re-dock with it so

230

00:09:04,150 --> 00:09:03,040

the technology was just so advanced and

231

00:09:06,470 --> 00:09:04,160

and

232

00:09:08,470 --> 00:09:06,480

it's just it's just mind-boggling what

233

00:09:10,710 --> 00:09:08,480

people were seeing plus there was a

234

00:09:12,790 --> 00:09:10,720

whole story behind it how it affected

235

00:09:14,230 --> 00:09:12,800

people in real and long term as well

236

00:09:15,350 --> 00:09:14,240

that we can get into

237

00:09:17,750 --> 00:09:15,360

but

238

00:09:18,630 --> 00:09:17,760

at any rate this was for many many hours

239

00:09:19,590 --> 00:09:18,640

uh

240

00:09:21,670 --> 00:09:19,600

people

241

00:09:22,389 --> 00:09:21,680

were just in awe i mean that's the other

242

00:09:24,550 --> 00:09:22,399

thing

243

00:09:27,509 --> 00:09:24,560

um that was it's very interesting when

244

00:09:30,550 --> 00:09:27,519

you look at the data on march 13th alone

245

00:09:32,870 --> 00:09:30,560

because um six months before

246

00:09:33,829 --> 00:09:32,880

the movie independence day had come out

247

00:09:35,509 --> 00:09:33,839

and

248

00:09:37,430 --> 00:09:35,519

you know we are so inundated with

249

00:09:39,350 --> 00:09:37,440

threats for threat and harm harm harm

250

00:09:42,230 --> 00:09:39,360

and i have to say first of all that in

251

00:09:43,509 --> 00:09:42,240

15 years it's march 13th and i'm pretty

252

00:09:45,990 --> 00:09:43,519

intimately involved with this

253

00:09:48,949 --> 00:09:46,000

investigation from day one there has not

254

00:09:51,110 --> 00:09:48,959

been one not one report of harm threat

255

00:09:53,430 --> 00:09:51,120

or abduction associated with the phoenix

256

00:09:54,949 --> 00:09:53,440

flights if anything it's quite the

257

00:09:57,030 --> 00:09:54,959

contrary i can't speak for everything

258

00:09:59,110 --> 00:09:57,040

else out there but i can say that for

259

00:10:01,190 --> 00:09:59,120

the phoenix flights even in real time

260

00:10:03,509 --> 00:10:01,200

because as i said when

261

00:10:05,509 --> 00:10:03,519

independence day had come out six months

262

00:10:07,509 --> 00:10:05,519

before and when kids saw it and they

263

00:10:09,190 --> 00:10:07,519

were usually children were usually the

264

00:10:10,310 --> 00:10:09,200

first people to see

265

00:10:12,310 --> 00:10:10,320

these

266

00:10:13,990 --> 00:10:12,320

gigantic formations of lights coming

267

00:10:15,910 --> 00:10:14,000

towards them they were scared and

268

00:10:17,750 --> 00:10:15,920

rightly so i mean if we're

269

00:10:19,350 --> 00:10:17,760

you know taught to be afraid of these

270

00:10:20,630 --> 00:10:19,360

things when we see something that we're

271

00:10:22,630 --> 00:10:20,640

afraid of how do you think we're going

272

00:10:25,110 --> 00:10:22,640

to react and they were jumping up and

273

00:10:28,150 --> 00:10:25,120

down independence day independence day

274

00:10:30,150 --> 00:10:28,160

but as the phenomena got close and they

275

00:10:33,030 --> 00:10:30,160

were really scared and as but as the

276

00:10:34,949 --> 00:10:33,040

phenomenon got close not only children

277

00:10:37,949 --> 00:10:34,959

but adults as well

278

00:10:40,470 --> 00:10:37,959

a calmness took over them a a

279

00:10:43,430 --> 00:10:40,480

connectedness to the to the phenomena

280

00:10:45,350 --> 00:10:43,440

that when it passed by they were excited

281

00:10:47,590 --> 00:10:45,360

they were thrilled they were in awe they

282

00:10:49,910 --> 00:10:47,600

were in wonder and wanted to run after

283

00:10:52,949 --> 00:10:49,920

it i mean it's amazing just in real time

284

00:10:54,150 --> 00:10:52,959

how whatever this phenomena was uh

285

00:10:56,870 --> 00:10:54,160

really

286

00:11:00,470 --> 00:10:56,880

connected with the witnesses and calmed

287

00:11:03,030 --> 00:11:00,480

them as it was happening and certainly

288

00:11:04,310 --> 00:11:03,040

um you know after

289

00:11:06,389 --> 00:11:04,320

and by the way there were some

290

00:11:08,710 --> 00:11:06,399

telepathic messages to people too not to

291

00:11:11,750 --> 00:11:08,720

worry we're not here to hurt you uh that

292

00:11:13,590 --> 00:11:11,760

kind of thing um but long term it

293

00:11:15,670 --> 00:11:13,600

changed people's lives forever i mean i

294

00:11:18,470 --> 00:11:15,680

have to tell you the transformation has

295

00:11:21,430 --> 00:11:18,480

been so positive and for most people and

296

00:11:22,949 --> 00:11:21,440

if they experienced it um you know

297

00:11:24,310 --> 00:11:22,959

they're still talking about it today i

298

00:11:25,829 --> 00:11:24,320

got emails

299

00:11:28,470 --> 00:11:25,839

weekly from people that are just

300

00:11:31,430 --> 00:11:28,480

remembering it or saw something on tv or

301

00:11:33,350 --> 00:11:31,440

saw the documentary on netflix or on

302

00:11:35,509 --> 00:11:33,360

amazon.com or whatever

303

00:11:37,030 --> 00:11:35,519

and it brings back you know a flood of

304

00:11:38,550 --> 00:11:37,040

memories and

305

00:11:40,230 --> 00:11:38,560

they want to share that they they

306

00:11:41,590 --> 00:11:40,240

thought too and that's really important

307

00:11:43,110 --> 00:11:41,600

i have to say for all unexplained

308

00:11:44,150 --> 00:11:43,120

phenomenon one of the reasons as a

309

00:11:46,310 --> 00:11:44,160

physician

310

00:11:48,310 --> 00:11:46,320

i came forward because people have to

311

00:11:49,670 --> 00:11:48,320

know it's okay to talk about this it's

312

00:11:52,389 --> 00:11:49,680

enough with the

313

00:11:55,030 --> 00:11:52,399

snickering and the criticism and the

314

00:11:57,190 --> 00:11:55,040

ostracizing and the discrediting

315

00:11:59,430 --> 00:11:57,200

those things can be explained

316

00:12:01,430 --> 00:11:59,440

most things can be explained but there's

317

00:12:03,190 --> 00:12:01,440

a small percentage that cannot and just

318

00:12:05,190 --> 00:12:03,200

because we don't have the technology yet

319

00:12:05,990 --> 00:12:05,200

to definitively define what these things

320

00:12:09,190 --> 00:12:06,000

are

321

00:12:11,430 --> 00:12:09,200

it doesn't mean they're not real um you

322

00:12:14,310 --> 00:12:11,440

know we might just be looking on an am

323

00:12:16,629 --> 00:12:14,320

dial for an fm frequency it took us 17

324

00:12:19,190 --> 00:12:16,639

centuries before the advent of the

325

00:12:22,150 --> 00:12:19,200

microscope to 17th century that's a long

326

00:12:24,629 --> 00:12:22,160

time uh to realize that there are

327

00:12:26,150 --> 00:12:24,639

zillions of microorganisms all around us

328

00:12:27,670 --> 00:12:26,160

even in our bodies

329

00:12:29,670 --> 00:12:27,680

some are pathogens and some are

330

00:12:32,710 --> 00:12:29,680

beneficial but we've we've learned to

331

00:12:35,829 --> 00:12:32,720

deal with it and just as we're going to

332

00:12:38,470 --> 00:12:35,839

to now recognize that there are tiny

333

00:12:41,269 --> 00:12:38,480

organisms that we can't see with our

334

00:12:43,509 --> 00:12:41,279

human eyes there's also electromagnetic

335

00:12:45,750 --> 00:12:43,519

energies around every living cell gamma

336

00:12:47,350 --> 00:12:45,760

rays and radio waves and so forth that

337

00:12:49,110 --> 00:12:47,360

we can't see

338

00:12:51,110 --> 00:12:49,120

but they're there so

339

00:12:52,949 --> 00:12:51,120

uh you know we don't have the technology

340

00:12:55,750 --> 00:12:52,959

yet to definitively define what these

341

00:12:57,030 --> 00:12:55,760

things are yet but that's why it's so

342

00:12:59,350 --> 00:12:57,040

important to

343

00:13:02,069 --> 00:12:59,360

talk about it and to get the information

344

00:13:04,710 --> 00:13:02,079

out there as i try to do

345

00:13:06,949 --> 00:13:04,720

because i push my entire

346

00:13:09,670 --> 00:13:06,959

professional medical career aside for

347

00:13:11,110 --> 00:13:09,680

four years to try to find a logical

348

00:13:12,949 --> 00:13:11,120

source of meaning for what i had

349

00:13:15,110 --> 00:13:12,959

witnessed and photographed up close and

350

00:13:17,110 --> 00:13:15,120

personal and i have yet to find it if

351

00:13:19,430 --> 00:13:17,120

anything it opens up an entire

352

00:13:21,509 --> 00:13:19,440

new world to me that ultimately i had to

353

00:13:22,870 --> 00:13:21,519

go back to work to help put our younger

354

00:13:25,990 --> 00:13:22,880

son through medical school he's a

355

00:13:28,069 --> 00:13:26,000

neurologist now but um

356

00:13:29,750 --> 00:13:28,079

while i was chief clinical consultant at

357

00:13:32,150 --> 00:13:29,760

the arizona heart institute wellness and

358

00:13:34,870 --> 00:13:32,160

imaging center i pared down the book

359

00:13:37,509 --> 00:13:34,880

to the best information the 750 page

360

00:13:39,990 --> 00:13:37,519

journal to the best information that i

361

00:13:42,710 --> 00:13:40,000

found and did a lot of soul-searching

362

00:13:45,190 --> 00:13:42,720

and finally came forward in 2004

363

00:13:47,829 --> 00:13:45,200

uh with the the book the phoenix

364

00:13:50,069 --> 00:13:47,839

skeptics discovery that we are not alone

365

00:13:51,590 --> 00:13:50,079

and haven't looked back several months

366

00:13:55,430 --> 00:13:51,600

later i saw a production on the

367

00:13:56,710 --> 00:13:55,440

documentary and had to make a choice and

368

00:13:58,550 --> 00:13:56,720

and uh

369

00:14:00,949 --> 00:13:58,560

and i did

370

00:14:02,870 --> 00:14:00,959

finish the documentary which is one of

371

00:14:05,189 --> 00:14:02,880

over a dozen international film festival

372

00:14:06,870 --> 00:14:05,199

awards uh which we're really so proud of

373

00:14:09,670 --> 00:14:06,880

and from the heart of her documentary

374

00:14:11,350 --> 00:14:09,680

especially one of the genre but um you

375

00:14:14,069 --> 00:14:11,360

know i wanted to get out something out

376

00:14:17,590 --> 00:14:14,079

there visually with uh not only the

377

00:14:18,550 --> 00:14:17,600

witnesses um which is very very poignant

378

00:14:21,350 --> 00:14:18,560

uh

379

00:14:23,350 --> 00:14:21,360

detailed and heartfelt descriptions but

380

00:14:25,110 --> 00:14:23,360

also professors and experts that i

381

00:14:26,550 --> 00:14:25,120

worked with as well and

382

00:14:28,150 --> 00:14:26,560

a lot more so

383

00:14:30,230 --> 00:14:28,160

the information is out there if people

384

00:14:32,870 --> 00:14:30,240

would like to take a look at it that's

385

00:14:34,230 --> 00:14:32,880

right i would consider this actually one

386

00:14:37,189 --> 00:14:34,240

of the

387

00:14:39,430 --> 00:14:37,199

you know the most major sightings ever

388

00:14:43,110 --> 00:14:39,440

like you said earlier you know this

389

00:14:44,710 --> 00:14:43,120

along with rendelsham forest and

390

00:14:47,590 --> 00:14:44,720

there's a few others that come to mind

391

00:14:49,350 --> 00:14:47,600

of course roswell but in modern times i

392

00:14:51,750 --> 00:14:49,360

would say yes

393

00:14:54,150 --> 00:14:51,760

it's kind of funny i think of there's

394

00:14:55,030 --> 00:14:54,160

you know approximately 10 000 people see

395

00:14:57,350 --> 00:14:55,040

this

396

00:14:59,990 --> 00:14:57,360

and then there's still so many skeptics

397

00:15:01,269 --> 00:15:00,000

about it and then i believe it was a few

398

00:15:04,310 --> 00:15:01,279

months later

399

00:15:06,150 --> 00:15:04,320

um the flare thing came out that's a

400

00:15:07,990 --> 00:15:06,160

really good question a really good point

401
00:15:09,670 --> 00:15:08,000
first of all when somebody tells me oh

402
00:15:11,269 --> 00:15:09,680
they were just slayers and blows it off

403
00:15:12,629 --> 00:15:11,279
you know everybody comes from a

404
00:15:13,990 --> 00:15:12,639
different background from another

405
00:15:16,470 --> 00:15:14,000
different upbringing from a different

406
00:15:17,990 --> 00:15:16,480
belief system some people people can't

407
00:15:19,910 --> 00:15:18,000
deal with this and some people don't

408
00:15:21,990 --> 00:15:19,920
want to deal with it and that's okay

409
00:15:23,910 --> 00:15:22,000
everyone in their own time but again the

410
00:15:27,430 --> 00:15:23,920
information is there if you want to

411
00:15:29,509 --> 00:15:27,440
learn and grow because um i giggle a

412
00:15:31,350 --> 00:15:29,519
little bit when somebody says you know

413
00:15:33,430 --> 00:15:31,360

oh it was flares it was a blimp it was a

414

00:15:34,790 --> 00:15:33,440

hologram dude i know that they haven't

415

00:15:36,310 --> 00:15:34,800

looked at the dad

416

00:15:38,150 --> 00:15:36,320

they haven't read my book and they

417

00:15:39,990 --> 00:15:38,160

haven't looked at the documentary

418

00:15:42,230 --> 00:15:40,000

because there is so much more to the

419

00:15:44,790 --> 00:15:42,240

story that confirms that something

420

00:15:46,629 --> 00:15:44,800

really extraordinary happened here and

421

00:15:48,870 --> 00:15:46,639

it definitely wasn't flares they may

422

00:15:51,110 --> 00:15:48,880

have sent off some players somewhere but

423

00:15:53,509 --> 00:15:51,120

that's not what thousands of people saw

424

00:15:56,150 --> 00:15:53,519

it must have been swamp gas right

425

00:15:58,310 --> 00:15:56,160

right right you got it well you know uh

426

00:15:59,269 --> 00:15:58,320

jay allen heineck who actually

427

00:16:01,749 --> 00:15:59,279

um

428

00:16:04,150 --> 00:16:01,759

have brought that uh

429

00:16:05,430 --> 00:16:04,160

cause up when he was he was plucked out

430

00:16:11,509 --> 00:16:05,440

of the

431

00:16:13,030 --> 00:16:11,519

astronomical astronomy department there

432

00:16:15,509 --> 00:16:13,040

and they plucked them out to become the

433

00:16:18,389 --> 00:16:15,519

head of project blue book which was

434

00:16:21,030 --> 00:16:18,399

actually the only public

435

00:16:24,550 --> 00:16:21,040

the official public investigation of

436

00:16:26,710 --> 00:16:24,560

ufos which closed in 1969 now first of

437

00:16:29,030 --> 00:16:26,720

all they closed with the announcement

438

00:16:31,189 --> 00:16:29,040

that ufos are not a threat to national

439

00:16:32,949 --> 00:16:31,199

security the condon report or whatever

440

00:16:34,389 --> 00:16:32,959

it is well that's a whole other thing

441

00:16:36,790 --> 00:16:34,399

okay the

442

00:16:38,870 --> 00:16:36,800

project blue book um

443

00:16:40,550 --> 00:16:38,880

you know their announcement was that uh

444

00:16:42,389 --> 00:16:40,560

ufos are not a threat to national

445

00:16:44,389 --> 00:16:42,399

security

446

00:16:46,230 --> 00:16:44,399

how did they know that okay number one

447

00:16:49,430 --> 00:16:46,240

if they weren't studying it and and

448

00:16:52,310 --> 00:16:49,440

meanwhile uh uh dr heineck not only

449

00:16:54,470 --> 00:16:52,320

coined the phrase close encounters but

450

00:16:57,350 --> 00:16:54,480

right before he passed i believe it was

451
00:16:59,269 --> 00:16:57,360
in 1985 he not only

452
00:17:00,629 --> 00:16:59,279
once the project blew book closed he

453
00:17:03,350 --> 00:17:00,639
formed the

454
00:17:05,590 --> 00:17:03,360
center for ufo studies in chicago but

455
00:17:10,390 --> 00:17:05,600
right before he passed he admitted that

456
00:17:13,350 --> 00:17:10,400
he was told to you know brush off any uh

457
00:17:15,350 --> 00:17:13,360
incredible ufo sightings of swamp kiss

458
00:17:16,949 --> 00:17:15,360
or whatever not to cause panic to the

459
00:17:20,390 --> 00:17:16,959
public because we were dealing with the

460
00:17:22,549 --> 00:17:20,400
cold war at the time um but he also said

461
00:17:24,230 --> 00:17:22,559
which is very poignant that science

462
00:17:27,110 --> 00:17:24,240
happens in threes

463
00:17:30,070 --> 00:17:27,120

first there's complete disbelief

464

00:17:31,669 --> 00:17:30,080

then there's the attitude well

465

00:17:34,310 --> 00:17:31,679

it might be so

466

00:17:36,150 --> 00:17:34,320

and then the final stage is i know it

467

00:17:38,470 --> 00:17:36,160

all the time and i think that we're

468

00:17:40,070 --> 00:17:38,480

getting closer and closer because we've

469

00:17:43,350 --> 00:17:40,080

really been inundated with missing

470

00:17:45,430 --> 00:17:43,360

disinformation for the last 50 60 years

471

00:17:48,390 --> 00:17:45,440

and certainly since roswell

472

00:17:49,830 --> 00:17:48,400

and uh it's it's kind of settling in now

473

00:17:52,230 --> 00:17:49,840

not only

474

00:17:54,390 --> 00:17:52,240

the reality that well we might not be

475

00:17:57,830 --> 00:17:54,400

alone because now kepler in and of

476
00:17:59,590 --> 00:17:57,840
itself is looking for habitable planets

477
00:18:01,750 --> 00:17:59,600
and we know that there

478
00:18:03,990 --> 00:18:01,760
now are trillions of galaxies not just

479
00:18:06,549 --> 00:18:04,000
our one milky way galaxy with trillions

480
00:18:08,870 --> 00:18:06,559
of stars and trillions of planets i mean

481
00:18:10,390 --> 00:18:08,880
the possibilities are endless for for

482
00:18:12,630 --> 00:18:10,400
life out there because we know that the

483
00:18:14,710 --> 00:18:12,640
ingredients of life are out in space

484
00:18:17,590 --> 00:18:14,720
amino acids and hydrogen and nitrogen

485
00:18:19,190 --> 00:18:17,600
and oxygen and so forth so and and even

486
00:18:21,029 --> 00:18:19,200
here on earth

487
00:18:23,350 --> 00:18:21,039
we have uh

488
00:18:25,270 --> 00:18:23,360

microorganisms and whatever that are

489

00:18:27,590 --> 00:18:25,280

survive surviving not only in the hot

490

00:18:30,549 --> 00:18:27,600

springs of yellowstone in a frozen

491

00:18:33,110 --> 00:18:30,559

arctic lakes but just last year nasa

492

00:18:34,549 --> 00:18:33,120

made the huge announcement that uh

493

00:18:37,190 --> 00:18:34,559

there's microbes that are living on

494

00:18:38,710 --> 00:18:37,200

arsenic and and we also know that deep

495

00:18:40,390 --> 00:18:38,720

down in the sea where there's no light

496

00:18:41,909 --> 00:18:40,400

there's no sunlight at all there's still

497

00:18:43,430 --> 00:18:41,919

organisms that are pretty amazing if

498

00:18:45,510 --> 00:18:43,440

you've ever seen

499

00:18:47,990 --> 00:18:45,520

some of that footage but at any rate the

500

00:18:50,310 --> 00:18:48,000

bottom line is that life is is viable

501
00:18:52,710 --> 00:18:50,320
everywhere and you know to think that

502
00:18:53,830 --> 00:18:52,720
there isn't life out there

503
00:18:55,750 --> 00:18:53,840
is really

504
00:18:57,750 --> 00:18:55,760
putting your head in the sand number one

505
00:18:59,830 --> 00:18:57,760
and number two

506
00:19:02,310 --> 00:18:59,840
when people talk about interstellar you

507
00:19:05,510 --> 00:19:02,320
know it's too far to travel and all that

508
00:19:08,390 --> 00:19:05,520
um i'm actually sharing new information

509
00:19:10,950 --> 00:19:08,400
in the newest latest edition of my book

510
00:19:12,470 --> 00:19:10,960
which just came out this past year

511
00:19:14,870 --> 00:19:12,480
that i never thought that i would ever

512
00:19:17,510 --> 00:19:14,880
share because it just i still can't wrap

513
00:19:19,590 --> 00:19:17,520

my head around it but it's data and i

514

00:19:22,390 --> 00:19:19,600

have to say that i've really tried to

515

00:19:24,950 --> 00:19:22,400

stick to the data the scientific data as

516

00:19:27,029 --> 00:19:24,960

much as possible here because i am a

517

00:19:30,150 --> 00:19:27,039

scientist and i am a skeptic so a

518

00:19:31,830 --> 00:19:30,160

healthy skeptic but nonetheless um i

519

00:19:34,870 --> 00:19:31,840

really tried to put together something

520

00:19:36,470 --> 00:19:34,880

that could not be explained i mean the

521

00:19:38,710 --> 00:19:36,480

data cannot be explained and it

522

00:19:41,990 --> 00:19:38,720

certainly can't be denied i've gone too

523

00:19:44,310 --> 00:19:42,000

extremely to have my photographs and and

524

00:19:47,270 --> 00:19:44,320

the my unique collection i have to tell

525

00:19:49,350 --> 00:19:47,280

you of these phenomena

526

00:19:52,390 --> 00:19:49,360

uh was so

527

00:19:54,789 --> 00:19:52,400

not not only massive but also

528

00:19:57,190 --> 00:19:54,799

once i went to the university of arizona

529

00:19:59,590 --> 00:19:57,200

optical science department consciousness

530

00:20:01,350 --> 00:19:59,600

study department asu arizona state

531

00:20:03,430 --> 00:20:01,360

university geology anthropology

532

00:20:05,750 --> 00:20:03,440

mathematics and astronomy departments as

533

00:20:07,750 --> 00:20:05,760

well as the renowned books institute of

534

00:20:09,909 --> 00:20:07,760

photography and navy optical physicist

535

00:20:12,070 --> 00:20:09,919

dr bruce mcabee

536

00:20:13,590 --> 00:20:12,080

to have my photograph 35 millimeter

537

00:20:15,990 --> 00:20:13,600

photographs

538

00:20:18,150 --> 00:20:16,000

analyze no one could give me an answer

539

00:20:20,470 --> 00:20:18,160

to what they were to this day

540

00:20:22,390 --> 00:20:20,480

they cannot be explained or denied so

541

00:20:24,710 --> 00:20:22,400

when you have that kind of data

542

00:20:26,950 --> 00:20:24,720

as an educator and what's ironic

543

00:20:29,510 --> 00:20:26,960

actually is that um

544

00:20:32,630 --> 00:20:29,520

i am a medical doctor but i've donated

545

00:20:35,270 --> 00:20:32,640

my time and money for the last 35 years

546

00:20:38,710 --> 00:20:35,280

for community education i i worked at

547

00:20:40,710 --> 00:20:38,720

nbc in philadelphia with uh

548

00:20:45,510 --> 00:20:40,720

jessica savage if anybody remembers that

549

00:20:47,990 --> 00:20:45,520

name uh in in the 70s and and then uh

550

00:20:50,549 --> 00:20:48,000

having international syndication grew

551
00:20:52,310 --> 00:20:50,559
from that and then worked with nbc

552
00:20:53,909 --> 00:20:52,320
here in phoenix in the early 80s and

553
00:20:56,950 --> 00:20:53,919
then usa cable

554
00:20:59,510 --> 00:20:56,960
uh in the mid 80s and actually at that

555
00:21:02,390 --> 00:20:59,520
point seeing kids drowning in substance

556
00:21:03,590 --> 00:21:02,400
abuse in the practice for my own company

557
00:21:04,789 --> 00:21:03,600
to produce video and workbook

558
00:21:06,549 --> 00:21:04,799
curriculum

559
00:21:07,909 --> 00:21:06,559
on the reality of vital health issues

560
00:21:09,350 --> 00:21:07,919
like aids and teen pregnancy and

561
00:21:11,669 --> 00:21:09,360
substance abuse for the classroom

562
00:21:14,390 --> 00:21:11,679
discovery education is distributing them

563
00:21:16,549 --> 00:21:14,400

now as we speak and when this fell in my

564

00:21:18,070 --> 00:21:16,559

lap i have to tell you i knew nothing

565

00:21:20,390 --> 00:21:18,080

about this topic

566

00:21:23,110 --> 00:21:20,400

and so literally pushed my medical

567

00:21:25,590 --> 00:21:23,120

career aside to to find a logical

568

00:21:28,230 --> 00:21:25,600

explanation as i mentioned earlier but i

569

00:21:30,950 --> 00:21:28,240

have yet to find it and and felt

570

00:21:33,350 --> 00:21:30,960

you know obliged once i knew that this

571

00:21:36,470 --> 00:21:33,360

information was so credible and so

572

00:21:37,750 --> 00:21:36,480

important uh to share it with the public

573

00:21:39,510 --> 00:21:37,760

and um

574

00:21:42,310 --> 00:21:39,520

you know have a look back

575

00:21:43,590 --> 00:21:42,320

right right now getting back to the

576
00:21:45,990 --> 00:21:43,600
debunking

577
00:21:48,470 --> 00:21:46,000
what other disinformation would you say

578
00:21:49,909 --> 00:21:48,480
was put out there about this

579
00:21:52,390 --> 00:21:49,919
well you know what was really

580
00:21:54,230 --> 00:21:52,400
interesting and i guess very puzzling it

581
00:21:55,190 --> 00:21:54,240
was very puzzling for the witnesses for

582
00:21:57,350 --> 00:21:55,200
sure

583
00:21:59,750 --> 00:21:57,360
after the mass sighting

584
00:22:02,470 --> 00:21:59,760
there was no investigation

585
00:22:03,830 --> 00:22:02,480
there was no explanation it was uncanny

586
00:22:05,350 --> 00:22:03,840
i mean here

587
00:22:08,870 --> 00:22:05,360
these phenomena

588
00:22:10,549 --> 00:22:08,880

pass over rooftop level if anything

589

00:22:13,190 --> 00:22:10,559

every other people's heads i mean we

590

00:22:17,270 --> 00:22:13,200

have credible witnesses we have a pilot

591

00:22:20,230 --> 00:22:17,280

in the um who is a vietnam uh

592

00:22:22,630 --> 00:22:20,240

pilot as well as as commercial pilot now

593

00:22:24,630 --> 00:22:22,640

who had this phenomenon go right over

594

00:22:26,710 --> 00:22:24,640

his head during the mass fighting and he

595

00:22:27,669 --> 00:22:26,720

actually looked up into the wells he

596

00:22:30,149 --> 00:22:27,679

called them

597

00:22:33,029 --> 00:22:30,159

canisters of light huge canisters that

598

00:22:35,590 --> 00:22:33,039

had kind of swimming late in it it was

599

00:22:37,750 --> 00:22:35,600

very hard to describe like a gaseous

600

00:22:40,470 --> 00:22:37,760

type of a situation like nothing that we

601
00:22:41,350 --> 00:22:40,480
could ever imagine existing um

602
00:22:43,029 --> 00:22:41,360
and

603
00:22:44,070 --> 00:22:43,039
uh you know

604
00:22:45,510 --> 00:22:44,080
when

605
00:22:47,350 --> 00:22:45,520
you have people

606
00:22:49,350 --> 00:22:47,360
with this kind of situation and there's

607
00:22:52,070 --> 00:22:49,360
no investigation i mean come on it's a

608
00:22:55,029 --> 00:22:52,080
public public safety issue if nothing

609
00:22:58,310 --> 00:22:55,039
else but anyway when you look how the

610
00:23:00,070 --> 00:22:58,320
story untold unfolded and that's what i

611
00:23:02,310 --> 00:23:00,080
was doing with my book i mean every day

612
00:23:04,310 --> 00:23:02,320
i would sit there not only meticulously

613
00:23:05,430 --> 00:23:04,320

trying to study this and find a logical

614

00:23:08,070 --> 00:23:05,440

explanation

615

00:23:09,669 --> 00:23:08,080

but i was talking to the military you

616

00:23:11,909 --> 00:23:09,679

know as much as i could and they were

617

00:23:13,750 --> 00:23:11,919

more curious and as curious as we were

618

00:23:15,270 --> 00:23:13,760

they were more interested in

619

00:23:17,430 --> 00:23:15,280

looking at my data than giving an

620

00:23:18,950 --> 00:23:17,440

explanation for it and as far as the

621

00:23:21,830 --> 00:23:18,960

witness accounts that's another thing we

622

00:23:23,669 --> 00:23:21,840

can get into but um you know there was

623

00:23:25,190 --> 00:23:23,679

there was nothing i mean people went to

624

00:23:27,350 --> 00:23:25,200

the officials and they would say what

625

00:23:29,590 --> 00:23:27,360

something happened on march 13th

626
00:23:32,310 --> 00:23:29,600
and as we found out later some of them

627
00:23:33,909 --> 00:23:32,320
even saw it and and didn't admit it but

628
00:23:38,230 --> 00:23:33,919
that's a time for them to come forward

629
00:23:41,190 --> 00:23:38,240
but at any rate it uh june 18th

630
00:23:43,430 --> 00:23:41,200
a front page usa today article

631
00:23:45,990 --> 00:23:43,440
came out opening up our

632
00:23:47,750 --> 00:23:46,000
mass sighting to international scrutiny

633
00:23:50,630 --> 00:23:47,760
i'm telling you overnight it was

634
00:23:54,070 --> 00:23:50,640
unbelievable by the next morning every

635
00:23:56,310 --> 00:23:54,080
news station morning show was carrying

636
00:23:58,870 --> 00:23:56,320
the phoenix lights and the mass sighting

637
00:24:00,789 --> 00:23:58,880
and we were deluged by media from all

638
00:24:03,270 --> 00:24:00,799

over the world overnight it was

639

00:24:06,870 --> 00:24:03,280

unbelievable and by

640

00:24:10,549 --> 00:24:06,880

late morning the next day june 19th

641

00:24:12,470 --> 00:24:10,559

the former governor of phi stockton

642

00:24:14,710 --> 00:24:12,480

announced an unscheduled press

643

00:24:16,390 --> 00:24:14,720

conference that they had found

644

00:24:18,149 --> 00:24:16,400

the culprit and the conference would be

645

00:24:19,029 --> 00:24:18,159

later that day the culprit of the mass

646

00:24:20,870 --> 00:24:19,039

sighting

647

00:24:22,230 --> 00:24:20,880

and everybody took it seriously

648

00:24:23,269 --> 00:24:22,240

including the

649

00:24:25,350 --> 00:24:23,279

media

650

00:24:27,669 --> 00:24:25,360

and here he comes marching out one of

651
00:24:29,830 --> 00:24:27,679
his aides with a giant alien head and

652
00:24:30,789 --> 00:24:29,840
made a mockery of the whole

653
00:24:33,830 --> 00:24:30,799
event

654
00:24:35,750 --> 00:24:33,840
which really offended many many people i

655
00:24:36,789 --> 00:24:35,760
mean it wasn't a joke to these people

656
00:24:38,950 --> 00:24:36,799
especially

657
00:24:40,870 --> 00:24:38,960
parents that were with children uh were

658
00:24:42,549 --> 00:24:40,880
very offended

659
00:24:43,990 --> 00:24:42,559
pardon me did he get a lot of flack

660
00:24:45,430 --> 00:24:44,000
about that that's something you never

661
00:24:47,990 --> 00:24:45,440
hear about

662
00:24:50,310 --> 00:24:48,000
well certainly the witnesses um were a

663
00:24:52,630 --> 00:24:50,320

guest that he would do such a thing

664

00:24:54,230 --> 00:24:52,640

because i mean here they were out and

665

00:24:55,750 --> 00:24:54,240

about many people were looking up at the

666

00:24:57,350 --> 00:24:55,760

sky at the help of comment when this

667

00:24:59,750 --> 00:24:57,360

happened but they were also in sports

668

00:25:01,190 --> 00:24:59,760

teams and going to the mall and it was

669

00:25:03,269 --> 00:25:01,200

just a lovely night and they were just

670

00:25:05,029 --> 00:25:03,279

out and about and this thing passes

671

00:25:06,870 --> 00:25:05,039

right over them and he's making a joke

672

00:25:07,750 --> 00:25:06,880

of it i mean this this massive thing

673

00:25:08,789 --> 00:25:07,760

that

674

00:25:10,470 --> 00:25:08,799

you know

675

00:25:13,190 --> 00:25:10,480

it just was was

676

00:25:16,070 --> 00:25:13,200

unbelievable to people that he would do

677

00:25:17,590 --> 00:25:16,080

that and i and i have to say yes he he

678

00:25:19,110 --> 00:25:17,600

uh you know personally i don't know if

679

00:25:21,269 --> 00:25:19,120

he got slack but i know that i heard

680

00:25:24,870 --> 00:25:21,279

heard about it from a lot of people

681

00:25:26,789 --> 00:25:24,880

and uh even then i mean it was like you

682

00:25:28,710 --> 00:25:26,799

know what's going on here i mean nobody

683

00:25:30,950 --> 00:25:28,720

could believe that

684

00:25:33,909 --> 00:25:30,960

the the the government and and i think i

685

00:25:36,230 --> 00:25:33,919

mentioned earlier that um councilwoman

686

00:25:38,310 --> 00:25:36,240

vice mayor at the time francis barwood

687

00:25:39,510 --> 00:25:38,320

innocently at a may meeting one month

688

00:25:41,990 --> 00:25:39,520

before

689

00:25:44,149 --> 00:25:42,000

because so many of her constituents had

690

00:25:45,669 --> 00:25:44,159

uh called her and also the media

691

00:25:47,590 --> 00:25:45,679

contacted her

692

00:25:49,669 --> 00:25:47,600

to ask at the time

693

00:25:52,549 --> 00:25:49,679

because they had heard about it um you

694

00:25:55,269 --> 00:25:52,559

know what's going on and she innocently

695

00:25:56,950 --> 00:25:55,279

asked in a in a council meeting you know

696

00:25:58,789 --> 00:25:56,960

maybe we should look into this and she

697

00:26:00,390 --> 00:25:58,799

was plastered i stayed anonymous for

698

00:26:03,190 --> 00:26:00,400

seven years and i was so happy that i

699

00:26:05,510 --> 00:26:03,200

did because people such as herself and

700

00:26:07,669 --> 00:26:05,520

and other witnesses that came forward

701
00:26:09,750 --> 00:26:07,679
especially in the print media here were

702
00:26:11,909 --> 00:26:09,760
just ostracized it was awful i mean i

703
00:26:13,269 --> 00:26:11,919
have to tell you it was really really

704
00:26:15,990 --> 00:26:13,279
sad how

705
00:26:18,149 --> 00:26:16,000
initially you know the reaction happened

706
00:26:19,669 --> 00:26:18,159
now the tv media was much more on top of

707
00:26:22,549 --> 00:26:19,679
things i have to say i have to give them

708
00:26:24,870 --> 00:26:22,559
credit for that and when i came forward

709
00:26:26,390 --> 00:26:24,880
i have to talk to you i mean i had done

710
00:26:27,350 --> 00:26:26,400
you know health reporting in the early

711
00:26:28,789 --> 00:26:27,360
80s

712
00:26:31,029 --> 00:26:28,799
and a number of the people that i worked

713
00:26:34,549 --> 00:26:31,039

with were just starting off at the time

714

00:26:36,870 --> 00:26:34,559

and uh when i came forward in 2004

715

00:26:40,149 --> 00:26:36,880

and the the chief investigators mike

716

00:26:42,070 --> 00:26:40,159

tanner and jim delatoso

717

00:26:43,269 --> 00:26:42,080

had named the person who was letting out

718

00:26:44,789 --> 00:26:43,279

all the pictures because this wasn't

719

00:26:47,430 --> 00:26:44,799

about me it was about the data and i was

720

00:26:49,830 --> 00:26:47,440

happy to leave get my pictures and video

721

00:26:54,230 --> 00:26:49,840

out there um they would call that person

722

00:26:57,269 --> 00:26:54,240

dr x so when i came forward in 2004

723

00:26:58,789 --> 00:26:57,279

uh and now these people i had known in

724

00:27:00,630 --> 00:26:58,799

the early 80s that were just getting

725

00:27:02,230 --> 00:27:00,640

started were you know the head of the

726

00:27:04,789 --> 00:27:02,240

news department or the head of

727

00:27:07,029 --> 00:27:04,799

production or whatever

728

00:27:09,750 --> 00:27:07,039

they were amazing and they were your

729

00:27:11,990 --> 00:27:09,760

doctor x will come on over and they ever

730

00:27:12,950 --> 00:27:12,000

since i have to tell you ever since they

731

00:27:14,630 --> 00:27:12,960

have been

732

00:27:17,350 --> 00:27:14,640

so kind and

733

00:27:19,430 --> 00:27:17,360

you know really just on on top of things

734

00:27:21,990 --> 00:27:19,440

and yes those things can be explained

735

00:27:23,750 --> 00:27:22,000

only a small percentage cannot and we've

736

00:27:26,070 --> 00:27:23,760

had other sightings and some can be

737

00:27:27,909 --> 00:27:26,080

explained and some can't but they don't

738

00:27:30,870 --> 00:27:27,919

ridicule you always have the abhorrent

739

00:27:32,070 --> 00:27:30,880

uh you know anchor on set that will you

740

00:27:34,310 --> 00:27:32,080

know make a funny joke because he

741

00:27:36,710 --> 00:27:34,320

doesn't he's not informed and you know

742

00:27:38,870 --> 00:27:36,720

that he's not informed right away but

743

00:27:40,789 --> 00:27:38,880

nonetheless that does happen but

744

00:27:42,710 --> 00:27:40,799

um the bulk of the media here

745

00:27:44,950 --> 00:27:42,720

particularly the people i know have been

746

00:27:47,510 --> 00:27:44,960

so so kind and

747

00:27:50,149 --> 00:27:47,520

really on top of things it's been an

748

00:27:53,110 --> 00:27:50,159

amazing transformation in and of itself

749

00:27:55,510 --> 00:27:53,120

for the media here to take this topic

750

00:27:57,190 --> 00:27:55,520

seriously and that's what has to happen

751
00:27:59,350 --> 00:27:57,200
everywhere i mean this is this is a

752
00:28:01,590 --> 00:27:59,360
serious thing this isn't a joke

753
00:28:04,950 --> 00:28:01,600
uh you know i've certainly

754
00:28:07,110 --> 00:28:04,960
gave up my whole career medical career

755
00:28:09,190 --> 00:28:07,120
after i came forward with the book and

756
00:28:12,630 --> 00:28:09,200
and i haven't stopped i've been speaking

757
00:28:14,789 --> 00:28:12,640
worldwide just to raise awareness and to

758
00:28:17,029 --> 00:28:14,799
just say to people hey you know the data

759
00:28:20,230 --> 00:28:17,039
is there and of course it is a choice

760
00:28:22,950 --> 00:28:20,240
and we have free will um but the data is

761
00:28:24,789 --> 00:28:22,960
there if you care to look at it and to

762
00:28:27,430 --> 00:28:24,799
learn and to grow because that's what

763
00:28:29,590 --> 00:28:27,440

this is about it's like enough with the

764

00:28:31,669 --> 00:28:29,600

ridicule and the discrediting it's time

765

00:28:33,110 --> 00:28:31,679

to get this topic out in the open

766

00:28:34,389 --> 00:28:33,120

and address it

767

00:28:37,269 --> 00:28:34,399

accept it

768

00:28:39,830 --> 00:28:37,279

and study it and science really needs to

769

00:28:41,750 --> 00:28:39,840

come aboard here i agree i agree you

770

00:28:44,549 --> 00:28:41,760

know and because you know not only to

771

00:28:46,710 --> 00:28:44,559

find out who's driving these things but

772

00:28:48,710 --> 00:28:46,720

to move forward in our own evolution

773

00:28:51,430 --> 00:28:48,720

that's why i'm sharing this new data now

774

00:28:52,310 --> 00:28:51,440

in the in the most recent uh edition of

775

00:28:55,269 --> 00:28:52,320

the book

776

00:28:58,549 --> 00:28:55,279

that was analyzed way back in 1998 by

777

00:29:00,630 --> 00:28:58,559

navy optical physicist dr bruce mcabee

778

00:29:03,110 --> 00:29:00,640

the first in the last picture

779

00:29:04,630 --> 00:29:03,120

of our very closed sighting

780

00:29:06,789 --> 00:29:04,640

which i can describe for you if we have

781

00:29:07,909 --> 00:29:06,799

time to do that um

782

00:29:10,070 --> 00:29:07,919

my husband

783

00:29:11,990 --> 00:29:10,080

called me to our bedroom window and

784

00:29:14,630 --> 00:29:12,000

we're pretty high in the mountain and

785

00:29:18,870 --> 00:29:14,640

paradise valley and uh this is a little

786

00:29:20,870 --> 00:29:18,880

below us over over a private gated uh

787

00:29:22,870 --> 00:29:20,880

area very treacherous land there was

788

00:29:25,269 --> 00:29:22,880

nobody standing there doing this or

789

00:29:27,830 --> 00:29:25,279

anything like that it was impossible um

790

00:29:29,669 --> 00:29:27,840

there were three orbs in a pyramid

791

00:29:31,190 --> 00:29:29,679

formation one on top and too closely

792

00:29:33,669 --> 00:29:31,200

aligned underneath

793

00:29:35,269 --> 00:29:33,679

just hovering there together and

794

00:29:36,710 --> 00:29:35,279

you know coming from a video background

795

00:29:37,669 --> 00:29:36,720

i thought oh geez i've got to get my

796

00:29:39,510 --> 00:29:37,679

camera

797

00:29:41,190 --> 00:29:39,520

but i didn't want to miss anything i

798

00:29:42,870 --> 00:29:41,200

didn't know how long it would last and i

799

00:29:44,789 --> 00:29:42,880

have to say people say why didn't people

800

00:29:47,269 --> 00:29:44,799

get more pictures on march 13. there's

801
00:29:49,510 --> 00:29:47,279
only a handful of video well number one

802
00:29:52,230 --> 00:29:49,520
we didn't have cell phones much

803
00:29:53,990 --> 00:29:52,240
cell phones were big they didn't have um

804
00:29:56,549 --> 00:29:54,000
cameras in them and no cameras yeah who

805
00:29:57,909 --> 00:29:56,559
goes yeah and who goes out to you know

806
00:29:59,669 --> 00:29:57,919
out and about with cameras in their

807
00:30:02,470 --> 00:29:59,679
hands okay and there were a few people

808
00:30:05,830 --> 00:30:02,480
that did to try to catch the hellbop

809
00:30:08,389 --> 00:30:05,840
comet but this thing was so massive and

810
00:30:11,510 --> 00:30:08,399
and dart you know blackened out the sky

811
00:30:14,389 --> 00:30:11,520
that the pictures didn't turn out so

812
00:30:16,789 --> 00:30:14,399
anyway getting back to this uh close

813
00:30:19,669 --> 00:30:16,799

sighting um i tried to take everything

814

00:30:21,590 --> 00:30:19,679

in mentally the shape the size the color

815

00:30:24,149 --> 00:30:21,600

and so forth they were about three to

816

00:30:26,070 --> 00:30:24,159

six feet each depending on how close or

817

00:30:27,269 --> 00:30:26,080

far they were and they were pretty close

818

00:30:28,789 --> 00:30:27,279

i mean they were just yards from our

819

00:30:31,269 --> 00:30:28,799

home and

820

00:30:34,310 --> 00:30:31,279

they were oval shaped each of them there

821

00:30:38,470 --> 00:30:34,320

were three distinct objects uh like an

822

00:30:40,789 --> 00:30:38,480

egg on their side and i call them an orb

823

00:30:43,190 --> 00:30:40,799

because the light did not extend outside

824

00:30:44,070 --> 00:30:43,200

the edge the light was self-contained

825

00:30:46,549 --> 00:30:44,080

and

826

00:30:48,389 --> 00:30:46,559

it there was a uniform amber color

827

00:30:50,470 --> 00:30:48,399

throughout it didn't have like a hot

828

00:30:52,789 --> 00:30:50,480

spot like a light bulb and it didn't

829

00:30:54,710 --> 00:30:52,799

glare at all that that i noticed

830

00:30:56,630 --> 00:30:54,720

immediately every other light out there

831

00:30:59,830 --> 00:30:56,640

glared but these didn't they were very

832

00:31:02,950 --> 00:30:59,840

soothing very mesmerizing and as i'm

833

00:31:04,630 --> 00:31:02,960

looking at him uh you know in awe i

834

00:31:07,110 --> 00:31:04,640

thought if i don't get a picture of this

835

00:31:09,029 --> 00:31:07,120

nobody's going to believe it so i ran to

836

00:31:11,029 --> 00:31:09,039

the closet to grab my 35 millimeter

837

00:31:13,830 --> 00:31:11,039

enzymatic camera

838

00:31:15,430 --> 00:31:13,840

that i keep handy to capture sunsets and

839

00:31:17,590 --> 00:31:15,440

by the way anybody who gets on the photo

840

00:31:19,590 --> 00:31:17,600

page on the phoenixflights.net

841

00:31:21,110 --> 00:31:19,600

phoenix flights network

842

00:31:23,510 --> 00:31:21,120

we'll see at the bottom of the photo

843

00:31:24,549 --> 00:31:23,520

page are a couple sunsets where there's

844

00:31:25,750 --> 00:31:24,559

actually

845

00:31:29,430 --> 00:31:25,760

a rod

846

00:31:32,149 --> 00:31:29,440

giant rod or cigar shaped object in two

847

00:31:35,510 --> 00:31:32,159

different pictures two different roles

848

00:31:38,070 --> 00:31:35,520

uh november and december

849

00:31:39,990 --> 00:31:38,080

of 2000 that i did not see

850

00:31:42,070 --> 00:31:40,000

these objects while i was taking the

851
00:31:44,710 --> 00:31:42,080
pictures but they're in the negative so

852
00:31:47,190 --> 00:31:44,720
they're around and we can get to the uh

853
00:31:48,549 --> 00:31:47,200
to the reason i'm sharing this this new

854
00:31:51,350 --> 00:31:48,559
data as well

855
00:31:53,269 --> 00:31:51,360
um but at any rate go to grab my camera

856
00:31:55,830 --> 00:31:53,279
my husband calls me back get over here

857
00:31:59,430 --> 00:31:55,840
quick one of them is disappearing and as

858
00:32:00,630 --> 00:31:59,440
we watch the top orb started to dim but

859
00:32:03,509 --> 00:32:00,640
it was like

860
00:32:07,269 --> 00:32:03,519
mechanical like it started to implode

861
00:32:09,590 --> 00:32:07,279
from the outside inwards very very very

862
00:32:11,590 --> 00:32:09,600
slowly getting smaller and smaller and

863
00:32:12,789 --> 00:32:11,600

smaller as if there was an intelligence

864

00:32:14,870 --> 00:32:12,799

behind it

865

00:32:15,990 --> 00:32:14,880

until it was a dot and then it was gone

866

00:32:18,470 --> 00:32:16,000

but

867

00:32:20,630 --> 00:32:18,480

it still felt as if it was still there i

868

00:32:22,630 --> 00:32:20,640

i it's very hard to describe and where

869

00:32:24,230 --> 00:32:22,640

did it go did it go to another dimension

870

00:32:26,830 --> 00:32:24,240

and it felt like it was still there but

871

00:32:29,110 --> 00:32:26,840

we didn't see it i went out onto the

872

00:32:31,350 --> 00:32:29,120

balcony caught a quick picture of the

873

00:32:32,710 --> 00:32:31,360

two bottom orbs and that's posted on the

874

00:32:35,590 --> 00:32:32,720

on the website

875

00:32:37,590 --> 00:32:35,600

and immediately noticed an eerie silence

876

00:32:39,110 --> 00:32:37,600

as if time had stopped it was just

877

00:32:42,950 --> 00:32:39,120

uncanny and

878

00:32:45,830 --> 00:32:42,960

uh as intently as i was watching these

879

00:32:48,149 --> 00:32:45,840

two lower orbs it felt as if something

880

00:32:49,669 --> 00:32:48,159

was watching me i have to admit it and i

881

00:32:51,430 --> 00:32:49,679

did not admit it till after the mass

882

00:32:53,990 --> 00:32:51,440

sighting two years later

883

00:32:55,909 --> 00:32:54,000

but going through my mind at that moment

884

00:32:57,350 --> 00:32:55,919

i was thinking who are you what are you

885

00:32:58,389 --> 00:32:57,360

do you know that i'm here i'd love to

886

00:33:00,310 --> 00:32:58,399

meet you

887

00:33:02,149 --> 00:33:00,320

and the next thing i remember the left

888

00:33:05,190 --> 00:33:02,159

bottom orb started to

889

00:33:07,509 --> 00:33:05,200

implode as well as just like the top one

890

00:33:09,110 --> 00:33:07,519

did and i quickly shot a picture of that

891

00:33:11,350 --> 00:33:09,120

and that's also posted and that was the

892

00:33:13,590 --> 00:33:11,360

only picture that turned out at the time

893

00:33:17,430 --> 00:33:13,600

but for me it was spectacular because i

894

00:33:19,029 --> 00:33:17,440

caught the phenomena in progress and and

895

00:33:20,549 --> 00:33:19,039

disappearing and you can see right there

896

00:33:21,590 --> 00:33:20,559

one path disappeared and one's still

897

00:33:23,990 --> 00:33:21,600

there

898

00:33:26,470 --> 00:33:24,000

but i didn't even know who to show it to

899

00:33:28,630 --> 00:33:26,480

i have to tell you i i do no one

900

00:33:31,590 --> 00:33:28,640

associated at all or interested in the

901
00:33:33,110 --> 00:33:31,600
topic um and you know i just wondered

902
00:33:35,590 --> 00:33:33,120
for two years what this advanced

903
00:33:37,590 --> 00:33:35,600
technology was doing outside our bedroom

904
00:33:39,509 --> 00:33:37,600
window why my husband and i saw it

905
00:33:41,350 --> 00:33:39,519
together and you know looked out in the

906
00:33:43,269 --> 00:33:41,360
sky didn't see anything

907
00:33:45,029 --> 00:33:43,279
similar to that until two months before

908
00:33:48,149 --> 00:33:45,039
the mass sighting and i i mentioned that

909
00:33:50,470 --> 00:33:48,159
earlier um i saw these orbs come back at

910
00:33:52,310 --> 00:33:50,480
a distance and i guess the scientists

911
00:33:54,310 --> 00:33:52,320
and they just felt compelled to document

912
00:33:55,909 --> 00:33:54,320
them on film and i'm really happy that i

913
00:33:57,669 --> 00:33:55,919

did by the way

914

00:33:59,669 --> 00:33:57,679

video doesn't do it justice anybody

915

00:34:01,669 --> 00:33:59,679

that's seen the video that these lights

916

00:34:04,710 --> 00:34:01,679

are much smaller they flicker they're

917

00:34:07,590 --> 00:34:04,720

white and and in real life they're huge

918

00:34:09,510 --> 00:34:07,600

balls actually spinning balls of energy

919

00:34:11,909 --> 00:34:09,520

maybe they they're living energy

920

00:34:15,669 --> 00:34:11,919

themselves in fact the first picture

921

00:34:17,750 --> 00:34:15,679

that i have posted on the um

922

00:34:19,829 --> 00:34:17,760

photo page on the phoenix place network

923

00:34:20,950 --> 00:34:19,839

is the typography so people can see the

924

00:34:24,069 --> 00:34:20,960

view from

925

00:34:26,950 --> 00:34:24,079

our balcony and as you can see there's

926

00:34:29,510 --> 00:34:26,960

two mountain ranges in the distance

927

00:34:32,230 --> 00:34:29,520

right beyond the uh the airport

928

00:34:35,190 --> 00:34:32,240

one is south mountain on the left and

929

00:34:37,270 --> 00:34:35,200

the other further back a few miles is

930

00:34:40,230 --> 00:34:37,280

the australian mountain range

931

00:34:42,629 --> 00:34:40,240

and in between the basin in between is

932

00:34:44,669 --> 00:34:42,639

the gila river indian reservation which

933

00:34:46,790 --> 00:34:44,679

is very sacred ground now

934

00:34:48,389 --> 00:34:46,800

serendipitously and by the way i've come

935

00:34:50,230 --> 00:34:48,399

not to believe in coincidence there are

936

00:34:52,389 --> 00:34:50,240

just too many coincidences and i hope

937

00:34:54,710 --> 00:34:52,399

people pick up the book to to read about

938

00:34:57,109 --> 00:34:54,720

those that are just

939

00:34:58,870 --> 00:34:57,119

blow your blow you away but at any rate

940

00:35:01,190 --> 00:34:58,880

this is one of the coincidences six

941

00:35:02,950 --> 00:35:01,200

months before the mass sighting

942

00:35:04,870 --> 00:35:02,960

i was invited to present my substance

943

00:35:07,750 --> 00:35:04,880

abuse prevention education program to

944

00:35:09,109 --> 00:35:07,760

the gila school there which is the

945

00:35:10,390 --> 00:35:09,119

one school that they have on the

946

00:35:11,670 --> 00:35:10,400

reservation

947

00:35:13,910 --> 00:35:11,680

and

948

00:35:15,829 --> 00:35:13,920

got a little friendly with them

949

00:35:17,109 --> 00:35:15,839

they don't usually talk to outsiders but

950

00:35:19,030 --> 00:35:17,119

i went to them

951
00:35:21,270 --> 00:35:19,040
after the mass sighting because as i

952
00:35:22,950 --> 00:35:21,280
looked at the data and science we looked

953
00:35:25,430 --> 00:35:22,960
for repeatability

954
00:35:27,349 --> 00:35:25,440
i kept seeing that these

955
00:35:29,109 --> 00:35:27,359
phenomena it's right there the data

956
00:35:31,430 --> 00:35:29,119
speaks for itself

957
00:35:33,430 --> 00:35:31,440
keep popping up right where south

958
00:35:35,589 --> 00:35:33,440
mountain and the australians intersect

959
00:35:37,270 --> 00:35:35,599
and their basin you know in the basin is

960
00:35:38,550 --> 00:35:37,280
is where their reservation is so i

961
00:35:40,790 --> 00:35:38,560
called them up

962
00:35:43,030 --> 00:35:40,800
and i said did anybody happen to see

963
00:35:44,470 --> 00:35:43,040

strange lights on march 13th and they

964

00:35:46,230 --> 00:35:44,480

started to giggle

965

00:35:47,910 --> 00:35:46,240

and i said is that funny and they said

966

00:35:49,990 --> 00:35:47,920

are you kidding we've been looking up at

967

00:35:50,870 --> 00:35:50,000

them for centuries we call them sky

968

00:35:52,870 --> 00:35:50,880

people

969

00:35:54,630 --> 00:35:52,880

like beings yeah it's part of their

970

00:35:56,470 --> 00:35:54,640

culture i knew nothing

971

00:35:58,710 --> 00:35:56,480

about that and and what i found out

972

00:36:00,710 --> 00:35:58,720

actually once i started investigating

973

00:36:03,190 --> 00:36:00,720

that part of it is that

974

00:36:04,550 --> 00:36:03,200

indigenous cultures worldwide

975

00:36:06,470 --> 00:36:04,560

believe that there are other

976

00:36:08,550 --> 00:36:06,480

intelligences coming to visit them they

977

00:36:11,349 --> 00:36:08,560

have protocols even right here the hopi

978

00:36:13,190 --> 00:36:11,359

have protocols to invite these phenomena

979

00:36:16,310 --> 00:36:13,200

in the navajo actually we have a big

980

00:36:19,510 --> 00:36:16,320

event happening uh shortly to celebrate

981

00:36:21,910 --> 00:36:19,520

the 15th anniversary and navajo rangers

982

00:36:25,510 --> 00:36:21,920

will be will be sharing the

983

00:36:27,829 --> 00:36:25,520

uh plethora of sightings and anomalous

984

00:36:29,670 --> 00:36:27,839

phenomena that are occurring on their

985

00:36:32,550 --> 00:36:29,680

reservation and again these are very

986

00:36:34,470 --> 00:36:32,560

sacred grounds but um the bottom line is

987

00:36:37,190 --> 00:36:34,480

that native peoples have believed for

988

00:36:39,589 --> 00:36:37,200

centuries that uh there are other

989

00:36:40,790 --> 00:36:39,599

intelligences out there and and

990

00:36:43,109 --> 00:36:40,800

many of them believe that their

991

00:36:45,670 --> 00:36:43,119

ancestors coming to give them

992

00:36:48,069 --> 00:36:45,680

inspiration and comfort

993

00:36:51,270 --> 00:36:48,079

and messages and in fact

994

00:36:53,910 --> 00:36:51,280

there are petroglyphs okay drawings in

995

00:36:56,790 --> 00:36:53,920

the stone and one of the drawings which

996

00:37:00,630 --> 00:36:56,800

blew me away the trail on south mountain

997

00:37:02,390 --> 00:37:00,640

is three orbs in a triangle formation

998

00:37:04,470 --> 00:37:02,400

that really blew me away when i saw that

999

00:37:06,870 --> 00:37:04,480

one but also

1000

00:37:08,630 --> 00:37:06,880

uh you know australia means star in

1001
00:37:10,470 --> 00:37:08,640
spanish it was named by the spaniards

1002
00:37:13,750 --> 00:37:10,480
because of the stories these stories of

1003
00:37:16,390 --> 00:37:13,760
these words showing up in that area and

1004
00:37:18,390 --> 00:37:16,400
that the the native people now call the

1005
00:37:20,310 --> 00:37:18,400
australians the gateway to the stars

1006
00:37:22,230 --> 00:37:20,320
they believe that there is a gateway or

1007
00:37:23,510 --> 00:37:22,240
portal in that area and if you look at

1008
00:37:25,829 --> 00:37:23,520
my pictures

1009
00:37:27,430 --> 00:37:25,839
that might be true but the reason i'm

1010
00:37:29,510 --> 00:37:27,440
sharing now what happened with the

1011
00:37:31,910 --> 00:37:29,520
closed sighting is that

1012
00:37:33,750 --> 00:37:31,920
um inevitably and we don't have time to

1013
00:37:36,069 --> 00:37:33,760

go into those stories i do hope people

1014

00:37:37,990 --> 00:37:36,079

read the story in the in the book as it

1015

00:37:39,349 --> 00:37:38,000

unfolded because it is fascinating

1016

00:37:41,510 --> 00:37:39,359

because i

1017

00:37:44,390 --> 00:37:41,520

there were just so many different events

1018

00:37:46,310 --> 00:37:44,400

and coincidences that uh i finally

1019

00:37:48,069 --> 00:37:46,320

discovered that i did have more uh

1020

00:37:51,190 --> 00:37:48,079

photographic documentation that i didn't

1021

00:37:53,430 --> 00:37:51,200

even realize i had and uh

1022

00:37:55,829 --> 00:37:53,440

so i sent the first and the last picture

1023

00:37:59,109 --> 00:37:55,839

from the closed sighting

1024

00:38:02,310 --> 00:37:59,119

along with some footage of a 1998

1025

00:38:04,150 --> 00:38:02,320

sighting that i alerted uh some of the

1026

00:38:06,790 --> 00:38:04,160

other videographers about and we

1027

00:38:10,870 --> 00:38:06,800

actually caught a 20-minute array 40

1028

00:38:13,430 --> 00:38:10,880

miles wide totally unlike march 13th but

1029

00:38:15,349 --> 00:38:13,440

nonetheless spectacular of straight

1030

00:38:19,190 --> 00:38:15,359

lines of these orbs and

1031

00:38:21,510 --> 00:38:19,200

mirror images and a giant um

1032

00:38:23,349 --> 00:38:21,520

pyramid of three lights at the end it

1033

00:38:26,069 --> 00:38:23,359

was kind of a grand finale it was pretty

1034

00:38:27,589 --> 00:38:26,079

impressive but as an afterthought i sent

1035

00:38:29,109 --> 00:38:27,599

the first and the last picture from the

1036

00:38:31,030 --> 00:38:29,119

closed sighting

1037

00:38:33,510 --> 00:38:31,040

to dr bruce mcaveeney the optical

1038

00:38:35,670 --> 00:38:33,520

physicist and he comes back a couple of

1039

00:38:38,470 --> 00:38:35,680

weeks later and he says now you told me

1040

00:38:40,870 --> 00:38:38,480

that that closed meeting in 95

1041

00:38:43,270 --> 00:38:40,880

was only a couple minutes or so i said

1042

00:38:44,870 --> 00:38:43,280

right he says are you sure i said well

1043

00:38:46,870 --> 00:38:44,880

that's what i remember what i what i

1044

00:38:48,790 --> 00:38:46,880

just shared with your audience is what i

1045

00:38:50,790 --> 00:38:48,800

remember of that sighting i don't really

1046

00:38:53,829 --> 00:38:50,800

even remember

1047

00:38:56,150 --> 00:38:53,839

the last door disappearing or going

1048

00:38:58,550 --> 00:38:56,160

inside and certainly didn't look at the

1049

00:39:02,870 --> 00:38:58,560

clock and whatever it's kind of fuzzy

1050

00:39:05,430 --> 00:39:02,880

but at any rate um he says uh ask your

1051
00:39:08,790 --> 00:39:05,440
husband now interestingly he wanted my

1052
00:39:11,750 --> 00:39:08,800
husband to confirm that the time

1053
00:39:14,790 --> 00:39:11,760
for me that closed sighting was wondrous

1054
00:39:17,109 --> 00:39:14,800
and awesome and just as many people

1055
00:39:20,230 --> 00:39:17,119
throughout the state would describe on

1056
00:39:22,390 --> 00:39:20,240
march 13th they felt grateful

1057
00:39:25,109 --> 00:39:22,400
and they were blessed to have seen the

1058
00:39:26,550 --> 00:39:25,119
spectacular show

1059
00:39:30,390 --> 00:39:26,560
my husband didn't want to talk about it

1060
00:39:32,630 --> 00:39:30,400
he's very busy with the practice and

1061
00:39:34,069 --> 00:39:32,640
he was on several state and hospital

1062
00:39:36,310 --> 00:39:34,079
medical boards at the time and he just

1063
00:39:37,589 --> 00:39:36,320

didn't want to deal with it at all i

1064

00:39:39,910 --> 00:39:37,599

mean he really didn't want to talk about

1065

00:39:42,069 --> 00:39:39,920

it and i told dr mcabee that he said

1066

00:39:44,710 --> 00:39:42,079

well sit him down and confirm the time

1067

00:39:46,550 --> 00:39:44,720

at any rate so i did and he confirmed it

1068

00:39:48,310 --> 00:39:46,560

was like three four minutes tops and i

1069

00:39:49,829 --> 00:39:48,320

went back to dr mac being told him that

1070

00:39:50,870 --> 00:39:49,839

he said that's impossible i said what do

1071

00:39:52,950 --> 00:39:50,880

you mean

1072

00:39:54,069 --> 00:39:52,960

he says and of course it's a visual but

1073

00:39:56,150 --> 00:39:54,079

look you know if you're looking at the

1074

00:39:59,030 --> 00:39:56,160

pictures you can see it straight on

1075

00:40:01,670 --> 00:39:59,040

number one the same phenomena the same

1076

00:40:03,430 --> 00:40:01,680

exact orbs in a line that i would

1077

00:40:05,670 --> 00:40:03,440

capture two months before the mass

1078

00:40:07,589 --> 00:40:05,680

sighting head on turning into a v

1079

00:40:09,670 --> 00:40:07,599

and during the mass lighting with the

1080

00:40:11,430 --> 00:40:09,680

video of the three points of lights that

1081

00:40:12,470 --> 00:40:11,440

originally started out as six points of

1082

00:40:13,349 --> 00:40:12,480

light

1083

00:40:14,870 --> 00:40:13,359

uh

1084

00:40:17,190 --> 00:40:14,880

the same phenomenon is in the same

1085

00:40:19,510 --> 00:40:17,200

location in the 95

1086

00:40:20,950 --> 00:40:19,520

sighting as well in the closed orbs

1087

00:40:22,630 --> 00:40:20,960

while we were so concentrated on the

1088

00:40:25,030 --> 00:40:22,640

closed doors i never noticed any lights

1089

00:40:27,109 --> 00:40:25,040

on the distance and

1090

00:40:27,990 --> 00:40:27,119

they're disappearing too so if you go

1091

00:40:30,630 --> 00:40:28,000

back

1092

00:40:32,470 --> 00:40:30,640

uh because i i relayed that some people

1093

00:40:33,990 --> 00:40:32,480

said they saw these orbs detached from

1094

00:40:36,550 --> 00:40:34,000

the main object go out into the

1095

00:40:38,630 --> 00:40:36,560

environment and then re-dock with it

1096

00:40:40,230 --> 00:40:38,640

maybe that's what happened in 95 i don't

1097

00:40:41,589 --> 00:40:40,240

know but nonetheless he says that's

1098

00:40:43,510 --> 00:40:41,599

that's one thing

1099

00:40:45,750 --> 00:40:43,520

he said the most significant thing is

1100

00:40:47,670 --> 00:40:45,760

when you look at the skyline there's

1101
00:40:50,230 --> 00:40:47,680
many groups of lights that are on in the

1102
00:40:51,990 --> 00:40:50,240
first picture that are off in the last

1103
00:40:53,349 --> 00:40:52,000
picture he said that doesn't happen in a

1104
00:40:55,270 --> 00:40:53,359
couple minutes

1105
00:40:57,829 --> 00:40:55,280
he says i'd like you to do an experiment

1106
00:41:00,309 --> 00:40:57,839
he says go out on the balcony stand

1107
00:41:01,190 --> 00:41:00,319
where you're probably standing in 95 and

1108
00:41:04,550 --> 00:41:01,200
take

1109
00:41:06,390 --> 00:41:04,560
the skyline at night one every hour then

1110
00:41:08,550 --> 00:41:06,400
the next night every half hour and then

1111
00:41:10,470 --> 00:41:08,560
the next night every 15 minutes and

1112
00:41:12,630 --> 00:41:10,480
we'll see when the lights are going out

1113
00:41:15,190 --> 00:41:12,640

so we can evaluate what we're talking

1114

00:41:18,069 --> 00:41:15,200

about in time-wise well i usually take a

1115

00:41:20,309 --> 00:41:18,079

bath between seven and eight

1116

00:41:22,550 --> 00:41:20,319

in the evening when we're home and so to

1117

00:41:23,829 --> 00:41:22,560

be conservative let's say eight o'clock

1118

00:41:25,910 --> 00:41:23,839

and by the way it was the night before

1119

00:41:27,670 --> 00:41:25,920

my birthday so it was a really cool

1120

00:41:29,829 --> 00:41:27,680

coincidence then too

1121

00:41:32,150 --> 00:41:29,839

it was a really cool gift but anyway if

1122

00:41:35,030 --> 00:41:32,160

we start out at eight o'clock

1123

00:41:37,670 --> 00:41:35,040

uh to be conservative the first groups

1124

00:41:39,589 --> 00:41:37,680

of light start going out at nine

1125

00:41:43,109 --> 00:41:39,599

and the last picture

1126

00:41:45,349 --> 00:41:43,119

is indicative of 10 30 11 o'clock

1127

00:41:48,630 --> 00:41:45,359

and he asked me if he could present the

1128

00:41:50,150 --> 00:41:48,640

case at the upcoming 1999 mufon mutual

1129

00:41:53,670 --> 00:41:50,160

ufo network

1130

00:41:55,589 --> 00:41:53,680

uh symposium in washington dc now i

1131

00:41:57,430 --> 00:41:55,599

couldn't i had no idea what he was

1132

00:41:59,190 --> 00:41:57,440

talking about i would have never noticed

1133

00:42:00,870 --> 00:41:59,200

this in a billion years

1134

00:42:03,030 --> 00:42:00,880

and i just said to him look you know

1135

00:42:05,349 --> 00:42:03,040

whatever you think is appropriate just

1136

00:42:07,589 --> 00:42:05,359

keep my name out of it i i can't wrap my

1137

00:42:11,430 --> 00:42:07,599

head around this and

1138

00:42:13,430 --> 00:42:11,440

he did in 1999 presented the case at the

1139

00:42:14,470 --> 00:42:13,440

mufon international symposium washington

1140

00:42:17,829 --> 00:42:14,480

dc

1141

00:42:19,349 --> 00:42:17,839

as the first authenticated photographic

1142

00:42:21,430 --> 00:42:19,359

evidence ever

1143

00:42:23,829 --> 00:42:21,440

of missing time

1144

00:42:26,390 --> 00:42:23,839

now that's significant because there are

1145

00:42:27,829 --> 00:42:26,400

no pictures from the same time but i

1146

00:42:30,309 --> 00:42:27,839

never told us all

1147

00:42:33,190 --> 00:42:30,319

i never shared it it's not even

1148

00:42:34,950 --> 00:42:33,200

mentioned in my first book um or the

1149

00:42:39,109 --> 00:42:34,960

second edition but

1150

00:42:40,950 --> 00:42:39,119

when i was asked to uh actually

1151
00:42:42,390 --> 00:42:40,960
tell about what has happened since i

1152
00:42:44,710 --> 00:42:42,400
came forward from seven years of

1153
00:42:46,150 --> 00:42:44,720
anonymity in 2004

1154
00:42:48,230 --> 00:42:46,160
the publisher wanted me to write another

1155
00:42:50,069 --> 00:42:48,240
book and i said that's not happening

1156
00:42:51,349 --> 00:42:50,079
number one um

1157
00:42:52,950 --> 00:42:51,359
it was one of the hardest things i've

1158
00:42:54,309 --> 00:42:52,960
ever done but

1159
00:42:56,470 --> 00:42:54,319
it's really important that people read

1160
00:42:59,109 --> 00:42:56,480
the first book so i said i would i would

1161
00:43:00,309 --> 00:42:59,119
you know add another chapter on uh

1162
00:43:03,349 --> 00:43:00,319
similar sightings that have been

1163
00:43:05,349 --> 00:43:03,359

happening worldwide such as um uh

1164

00:43:07,430 --> 00:43:05,359

stephenville sighting and i learned that

1165

00:43:09,829 --> 00:43:07,440

there was a mass sighting one month

1166

00:43:11,670 --> 00:43:09,839

before ours in saint petersburg russia

1167

00:43:13,829 --> 00:43:11,680

where a couple people got video in fact

1168

00:43:15,670 --> 00:43:13,839

one of the videos of this massive

1169

00:43:18,069 --> 00:43:15,680

formation of lights each light is made

1170

00:43:21,109 --> 00:43:18,079

up of three lights in and of itself

1171

00:43:23,750 --> 00:43:21,119

is the craft that we have on the cover

1172

00:43:25,750 --> 00:43:23,760

of the newest version of our documentary

1173

00:43:27,430 --> 00:43:25,760

the phoenix lights beyond top secret

1174

00:43:29,190 --> 00:43:27,440

because it's the same thing it was in

1175

00:43:31,190 --> 00:43:29,200

saint petersburg russia a month before

1176

00:43:33,270 --> 00:43:31,200

ours this is happening worldwide and

1177

00:43:36,230 --> 00:43:33,280

other countries are much more open to

1178

00:43:38,630 --> 00:43:36,240

these things being unearthly but anyway

1179

00:43:40,390 --> 00:43:38,640

the reason that um

1180

00:43:41,910 --> 00:43:40,400

i'm sharing this information for the

1181

00:43:43,190 --> 00:43:41,920

first time now

1182

00:43:44,710 --> 00:43:43,200

is because

1183

00:43:46,390 --> 00:43:44,720

number one i do not believe in

1184

00:43:47,349 --> 00:43:46,400

coincidence anymore and if i have the

1185

00:43:50,230 --> 00:43:47,359

data

1186

00:43:51,829 --> 00:43:50,240

maybe it's important if it's if it could

1187

00:43:53,750 --> 00:43:51,839

open a door

1188

00:43:55,910 --> 00:43:53,760

if science would really take a look at

1189

00:43:56,870 --> 00:43:55,920

it and if it could open the door not

1190

00:43:58,069 --> 00:43:56,880

only

1191

00:44:00,550 --> 00:43:58,079

to

1192

00:44:03,510 --> 00:44:00,560

blow the

1193

00:44:05,910 --> 00:44:03,520

concept of linear time off the map

1194

00:44:07,030 --> 00:44:05,920

that it's primitive the past present and

1195

00:44:09,910 --> 00:44:07,040

future

1196

00:44:11,109 --> 00:44:09,920

is not really what time really is and

1197

00:44:13,990 --> 00:44:11,119

also

1198

00:44:15,750 --> 00:44:14,000

even more significant i think is that uh

1199

00:44:17,670 --> 00:44:15,760

now that quantum physics and quantum

1200

00:44:19,190 --> 00:44:17,680

mechanics is starting to catch up and

1201
00:44:22,390 --> 00:44:19,200
talking about the bubble theory and

1202
00:44:25,430 --> 00:44:22,400
string theory of the possibility of uh

1203
00:44:28,470 --> 00:44:25,440
10 or 11 different dimensions out there

1204
00:44:31,109 --> 00:44:28,480
well you know this opens up a whole new

1205
00:44:34,309 --> 00:44:31,119
window for us where if there's other

1206
00:44:36,550 --> 00:44:34,319
times and spaces along with ours

1207
00:44:39,109 --> 00:44:36,560
then why is it such a leak to think that

1208
00:44:41,430 --> 00:44:39,119
there might be other sentient

1209
00:44:43,829 --> 00:44:41,440
intelligent beings in those other times

1210
00:44:45,990 --> 00:44:43,839
and spaces that we get glimpses of if

1211
00:44:48,150 --> 00:44:46,000
we're open to them or invited

1212
00:44:50,069 --> 00:44:48,160
so i thought that you know what at this

1213
00:44:52,550 --> 00:44:50,079

point in history i couldn't have done

1214

00:44:54,630 --> 00:44:52,560

this five years ago but at this point

1215

00:44:57,510 --> 00:44:54,640

because quantum physics and our science

1216

00:44:59,030 --> 00:44:57,520

is starting to catch up and and and

1217

00:44:59,829 --> 00:44:59,040

actually be open

1218

00:45:02,069 --> 00:44:59,839

to

1219

00:45:05,030 --> 00:45:02,079

the possibility of other dimensions out

1220

00:45:07,990 --> 00:45:05,040

there um that i think is really

1221

00:45:09,589 --> 00:45:08,000

significant really significant

1222

00:45:11,990 --> 00:45:09,599

i remember that's why i'm sharing it

1223

00:45:13,910 --> 00:45:12,000

good okay i remember in high school i

1224

00:45:15,829 --> 00:45:13,920

had a science teacher who said the one

1225

00:45:16,950 --> 00:45:15,839

thing that can never really be defined

1226

00:45:19,270 --> 00:45:16,960

is time

1227

00:45:21,109 --> 00:45:19,280

and i uh i always uh

1228

00:45:23,190 --> 00:45:21,119

always thought you know you might have

1229

00:45:24,470 --> 00:45:23,200

something there still do i want to talk

1230

00:45:26,790 --> 00:45:24,480

about a couple of different things first

1231

00:45:29,670 --> 00:45:26,800

of all for people who have not heard

1232

00:45:32,630 --> 00:45:29,680

this story i'd like to

1233

00:45:35,030 --> 00:45:32,640

follow up on what fife symington did

1234

00:45:36,870 --> 00:45:35,040

after the situation he came forward i

1235

00:45:39,510 --> 00:45:36,880

want to talk a little bit about that but

1236

00:45:41,910 --> 00:45:39,520

also one thing that comes to mind is

1237

00:45:44,150 --> 00:45:41,920

there's not someone outside observing

1238

00:45:47,270 --> 00:45:44,160

all the time and i know that there were

1239

00:45:50,470 --> 00:45:47,280

some sightings afterwards in the same

1240

00:45:51,589 --> 00:45:50,480

valley but uh i mean can you imagine how

1241

00:45:53,430 --> 00:45:51,599

many times

1242

00:45:54,470 --> 00:45:53,440

that craft in particular or in other

1243

00:45:56,309 --> 00:45:54,480

crafts

1244

00:45:58,069 --> 00:45:56,319

that were cited have come through there

1245

00:45:59,109 --> 00:45:58,079

that people never saw you know i mean

1246

00:46:01,750 --> 00:45:59,119

we're only

1247

00:46:03,589 --> 00:46:01,760

awake so many hours a day and right no

1248

00:46:04,630 --> 00:46:03,599

absolutely you're absolutely right i

1249

00:46:06,550 --> 00:46:04,640

mean i get

1250

00:46:08,230 --> 00:46:06,560

reports i have thousands and thousands

1251
00:46:11,190 --> 00:46:08,240
of reports not only from all over the

1252
00:46:12,790 --> 00:46:11,200
world and you know it's so heartening to

1253
00:46:15,109 --> 00:46:12,800
know that people appreciate the work

1254
00:46:16,950 --> 00:46:15,119
that's gone into this because i really

1255
00:46:17,829 --> 00:46:16,960
tried to do my homework for everybody

1256
00:46:20,230 --> 00:46:17,839
and

1257
00:46:21,910 --> 00:46:20,240
um you know once people look at it they

1258
00:46:24,550 --> 00:46:21,920
they really appreciate not only the work

1259
00:46:27,030 --> 00:46:24,560
that's gone into it but the reality of

1260
00:46:28,390 --> 00:46:27,040
this and that uh yes you're absolutely

1261
00:46:30,230 --> 00:46:28,400
right i mean there have been sightings

1262
00:46:31,910 --> 00:46:30,240
you know as i mentioned the sunset uh

1263
00:46:33,510 --> 00:46:31,920

pictures of these rods i mean there have

1264

00:46:35,349 --> 00:46:33,520

been numerous sightings and other

1265

00:46:37,430 --> 00:46:35,359

mountain ranges superstition mountains

1266

00:46:38,950 --> 00:46:37,440

and so forth right here in the phoenix

1267

00:46:40,550 --> 00:46:38,960

area this is happening worldwide it's

1268

00:46:43,510 --> 00:46:40,560

not just phoenix okay and the mass

1269

00:46:45,750 --> 00:46:43,520

sighting was statewide but um people

1270

00:46:47,270 --> 00:46:45,760

have seen these rods around the world

1271

00:46:50,390 --> 00:46:47,280

these cigar-shaped

1272

00:46:53,589 --> 00:46:50,400

uh objects huge massive as and called a

1273

00:46:56,150 --> 00:46:53,599

mother ship or whatever with orbs or

1274

00:46:58,550 --> 00:46:56,160

smaller ships uh discs or whatever

1275

00:47:00,470 --> 00:46:58,560

coming out from these cigar shape things

1276

00:47:01,750 --> 00:47:00,480

so you know when you

1277

00:47:03,670 --> 00:47:01,760

when you think of the different things

1278

00:47:05,750 --> 00:47:03,680

that are happening worldwide these

1279

00:47:06,630 --> 00:47:05,760

triangles that have actually been with

1280

00:47:08,150 --> 00:47:06,640

us

1281

00:47:10,069 --> 00:47:08,160

these v-shaped

1282

00:47:13,910 --> 00:47:10,079

objects probably before but they were

1283

00:47:15,430 --> 00:47:13,920

documented on film uh in the 50s in the

1284

00:47:18,309 --> 00:47:15,440

the lubbock lights if you've ever heard

1285

00:47:21,750 --> 00:47:18,319

of that very similar to what um to what

1286

00:47:24,309 --> 00:47:21,760

we saw in fact before that time in 1897

1287

00:47:26,150 --> 00:47:24,319

april of night 1897 which is really

1288

00:47:29,670 --> 00:47:26,160

interesting because it was almost

1289

00:47:32,630 --> 00:47:29,680

exactly 100 years before us uh in kansas

1290

00:47:33,990 --> 00:47:32,640

california washington and

1291

00:47:35,829 --> 00:47:34,000

canada

1292

00:47:38,470 --> 00:47:35,839

they were describing thousands of people

1293

00:47:40,390 --> 00:47:38,480

were describing this massive airship in

1294

00:47:44,470 --> 00:47:40,400

their words

1295

00:47:46,550 --> 00:47:44,480

this is before ufos came into play um

1296

00:47:47,349 --> 00:47:46,560

but massive airship

1297

00:47:49,829 --> 00:47:47,359

with

1298

00:47:51,190 --> 00:47:49,839

movable lights now you know when you go

1299

00:47:53,270 --> 00:47:51,200

back and you

1300

00:47:55,270 --> 00:47:53,280

know listen to the descriptions of these

1301
00:47:56,550 --> 00:47:55,280
orbs detaching from the main object and

1302
00:47:58,550 --> 00:47:56,560
going out into the environment and

1303
00:48:02,470 --> 00:47:58,560
re-docking with it this was happening in

1304
00:48:04,710 --> 00:48:02,480
1897 okay and that's six years before

1305
00:48:07,750 --> 00:48:04,720
the wright brothers came out to you know

1306
00:48:10,309 --> 00:48:07,760
the first first planes of flight so what

1307
00:48:11,510 --> 00:48:10,319
was that okay and and even before that i

1308
00:48:13,430 --> 00:48:11,520
mean we have

1309
00:48:15,829 --> 00:48:13,440
drawings i talked about petroglyphs on

1310
00:48:18,390 --> 00:48:15,839
south mountain but there are drawings

1311
00:48:19,510 --> 00:48:18,400
etched in primitive caves in pakistan

1312
00:48:22,710 --> 00:48:19,520
and peru

1313
00:48:25,109 --> 00:48:22,720

of long extinct animals with a ufo what

1314

00:48:27,190 --> 00:48:25,119

we would call ufo in the sky

1315

00:48:28,950 --> 00:48:27,200

why is that there why would they even do

1316

00:48:31,109 --> 00:48:28,960

that unless they had seen something that

1317

00:48:34,230 --> 00:48:31,119

they're illustrating

1318

00:48:37,589 --> 00:48:34,240

and certainly in sumerian writings and

1319

00:48:39,510 --> 00:48:37,599

indian writings and even the bible these

1320

00:48:42,390 --> 00:48:39,520

these phenomena have been with us since

1321

00:48:44,150 --> 00:48:42,400

human documentation began that that blew

1322

00:48:47,270 --> 00:48:44,160

me away when i learned that i mean i had

1323

00:48:50,710 --> 00:48:47,280

no idea and and certainly you know as we

1324

00:48:52,710 --> 00:48:50,720

fast forward and uh we get to the world

1325

00:48:55,829 --> 00:48:52,720

war ii foo fighters

1326

00:48:58,950 --> 00:48:55,839

i i conferred with dr bruce dr richard

1327

00:49:02,549 --> 00:48:58,960

haynes who is a phd psychologist who has

1328

00:49:04,390 --> 00:49:02,559

studied uh very well respected and he

1329

00:49:05,670 --> 00:49:04,400

studied pilot savings thousands of

1330

00:49:07,430 --> 00:49:05,680

pilots lately

1331

00:49:09,349 --> 00:49:07,440

and particularly f4u fighters in world

1332

00:49:11,589 --> 00:49:09,359

war ii every side thought that the other

1333

00:49:13,430 --> 00:49:11,599

side had this advanced spy technology

1334

00:49:15,510 --> 00:49:13,440

these orbs

1335

00:49:17,589 --> 00:49:15,520

that were in rock solid

1336

00:49:20,069 --> 00:49:17,599

formation twos and threes that were

1337

00:49:22,309 --> 00:49:20,079

flying around their planes and it wasn't

1338

00:49:24,790 --> 00:49:22,319

until after the war germany japan and

1339

00:49:25,910 --> 00:49:24,800

the united states tried to study these

1340

00:49:27,750 --> 00:49:25,920

phenomena

1341

00:49:29,589 --> 00:49:27,760

and everybody learned that nobody had

1342

00:49:31,829 --> 00:49:29,599

them

1343

00:49:34,950 --> 00:49:31,839

so they've been around for a long long

1344

00:49:37,990 --> 00:49:34,960

time and you know besides uh the 80s and

1345

00:49:40,150 --> 00:49:38,000

the 90s with um i think the 60s actually

1346

00:49:43,109 --> 00:49:40,160

was uh with hudson valley new york there

1347

00:49:45,910 --> 00:49:43,119

was a big sighting there uh of these

1348

00:49:47,190 --> 00:49:45,920

giant triangle crafts as well as uh uk

1349

00:49:49,670 --> 00:49:47,200

and belgium

1350

00:49:51,589 --> 00:49:49,680

in the 90s came to the united states and

1351
00:49:53,910 --> 00:49:51,599
said are you doing this the united

1352
00:49:57,190 --> 00:49:53,920
states slightly denied that we were

1353
00:50:00,630 --> 00:49:57,200
and they they're a model uh just as a

1354
00:50:03,030 --> 00:50:00,640
media is a model here in phoenix area

1355
00:50:04,710 --> 00:50:03,040
their model belgium is a model for what

1356
00:50:06,309 --> 00:50:04,720
should happen when there's anomalous

1357
00:50:08,950 --> 00:50:06,319
sightings

1358
00:50:11,030 --> 00:50:08,960
they they join forces with the military

1359
00:50:13,910 --> 00:50:11,040
the government the

1360
00:50:16,630 --> 00:50:13,920
university and civilians to try to find

1361
00:50:18,790 --> 00:50:16,640
an answer and study these phenomena and

1362
00:50:20,870 --> 00:50:18,800
that's what needs to happen so i hope

1363
00:50:23,349 --> 00:50:20,880

you know i hope with the internet and by

1364

00:50:25,430 --> 00:50:23,359

the way the phoenix lights was the first

1365

00:50:26,549 --> 00:50:25,440

mass sighting that was had chat rooms on

1366

00:50:28,870 --> 00:50:26,559

the internet

1367

00:50:31,109 --> 00:50:28,880

and yeah we certainly come a long way i

1368

00:50:34,069 --> 00:50:31,119

mean i have to tell you too that

1369

00:50:36,150 --> 00:50:34,079

when i first came forward in 2004 the

1370

00:50:37,510 --> 00:50:36,160

official and accepted except for the

1371

00:50:39,510 --> 00:50:37,520

witnesses of course

1372

00:50:41,990 --> 00:50:39,520

explanation of the phoenix lights was

1373

00:50:44,390 --> 00:50:42,000

that it was merely illumination flares

1374

00:50:46,549 --> 00:50:44,400

military elimination flares and that was

1375

00:50:48,630 --> 00:50:46,559

it i mean that was it and so you can

1376

00:50:50,950 --> 00:50:48,640

only imagine how frustrating it was for

1377

00:50:52,870 --> 00:50:50,960

someone like myself that knew there was

1378

00:50:55,670 --> 00:50:52,880

so much words of the story that the

1379

00:50:57,829 --> 00:50:55,680

public wasn't aware of and and really

1380

00:51:00,549 --> 00:50:57,839

prompted me to come forward and as you

1381

00:51:02,790 --> 00:51:00,559

said um you know the more credible

1382

00:51:04,470 --> 00:51:02,800

people that come forward uh the more we

1383

00:51:06,390 --> 00:51:04,480

can get this information out there in a

1384

00:51:09,430 --> 00:51:06,400

credible way and right after the 10th

1385

00:51:11,750 --> 00:51:09,440

anniversary the former governor who had

1386

00:51:14,069 --> 00:51:11,760

mocked the sighting in 97 by bringing

1387

00:51:16,870 --> 00:51:14,079

out his aid with a giant alien head

1388

00:51:19,589 --> 00:51:16,880

costume uh and made a mockery of it

1389

00:51:22,549 --> 00:51:19,599

admitted that he actually saw it that's

1390

00:51:25,430 --> 00:51:22,559

right and as a pilot and military it was

1391

00:51:27,910 --> 00:51:25,440

otherworldly in its own words and it

1392

00:51:29,510 --> 00:51:27,920

unless the military gave an explanation

1393

00:51:31,030 --> 00:51:29,520

which they never have other than the

1394

00:51:33,030 --> 00:51:31,040

flare thing and i'll get back to that in

1395

00:51:35,990 --> 00:51:33,040

a second um

1396

00:51:37,829 --> 00:51:36,000

that it's aliens i mean from another

1397

00:51:39,990 --> 00:51:37,839

world so

1398

00:51:41,829 --> 00:51:40,000

that's number one which was really a big

1399

00:51:43,589 --> 00:51:41,839

step forward i think for an elected

1400

00:51:45,750 --> 00:51:43,599

elected official to

1401
00:51:48,470 --> 00:51:45,760
come forward and admit that he actually

1402
00:51:50,309 --> 00:51:48,480
saw it but on the other side

1403
00:51:51,990 --> 00:51:50,319
when they finally came out with the

1404
00:51:54,710 --> 00:51:52,000
flare theory and there's a whole story

1405
00:51:57,190 --> 00:51:54,720
for that because a month after the usa

1406
00:51:59,510 --> 00:51:57,200
today article came out i get a call

1407
00:52:01,030 --> 00:51:59,520
from the head of pr at the air national

1408
00:52:03,510 --> 00:52:01,040
guard now mind you they had to come up

1409
00:52:06,390 --> 00:52:03,520
with something because the media was

1410
00:52:08,549 --> 00:52:06,400
just frantic on you know and really i

1411
00:52:10,710 --> 00:52:08,559
mean they deluge uh

1412
00:52:13,109 --> 00:52:10,720
the state with with questions why isn't

1413
00:52:15,430 --> 00:52:13,119

there an explanation why isn't there an

1414

00:52:17,670 --> 00:52:15,440

investigation once they talked to the

1415

00:52:19,589 --> 00:52:17,680

witnesses their descriptions were so

1416

00:52:22,390 --> 00:52:19,599

detailed and so heartfelt they really

1417

00:52:25,270 --> 00:52:22,400

pressured and in fact francis barwood

1418

00:52:27,670 --> 00:52:25,280

ran on a platform at the time this is

1419

00:52:30,069 --> 00:52:27,680

three years later um

1420

00:52:31,750 --> 00:52:30,079

for to become secretary of state on a

1421

00:52:33,190 --> 00:52:31,760

platform to get answers for the phoenix

1422

00:52:35,990 --> 00:52:33,200

flights but anyway let me go back for a

1423

00:52:37,430 --> 00:52:36,000

second um so a month after the usa today

1424

00:52:40,230 --> 00:52:37,440

article came out i get a call from the

1425

00:52:41,990 --> 00:52:40,240

head of the pr at the air national guard

1426
00:52:43,829 --> 00:52:42,000
and she says oh dr lynn i think we know

1427
00:52:46,230 --> 00:52:43,839
what those lights were back in march and

1428
00:52:47,910 --> 00:52:46,240
i said you do she said oh yeah do you

1429
00:52:49,910 --> 00:52:47,920
believe that nobody ever looked at the

1430
00:52:52,390 --> 00:52:49,920
log for visiting air national guard this

1431
00:52:54,230 --> 00:52:52,400
is four and a half months later uh and

1432
00:52:57,109 --> 00:52:54,240
the maryland air national guard was in

1433
00:52:59,589 --> 00:52:57,119
town sending off flares and operation

1434
00:53:01,270 --> 00:52:59,599
snowbird which i came to learn from the

1435
00:53:04,069 --> 00:53:01,280
military means uh

1436
00:53:05,510 --> 00:53:04,079
diversionary tactical maneuvers okay so

1437
00:53:07,030 --> 00:53:05,520
i have no doubt that players may have

1438
00:53:09,270 --> 00:53:07,040

been sent off but that certainly isn't

1439

00:53:11,510 --> 00:53:09,280

what thousands of people saw here but at

1440

00:53:13,670 --> 00:53:11,520

any rate she said and that must be what

1441

00:53:15,109 --> 00:53:13,680

some people saw

1442

00:53:17,030 --> 00:53:15,119

and i said well when was the maryland

1443

00:53:19,109 --> 00:53:17,040

air national guard in town

1444

00:53:21,030 --> 00:53:19,119

she said march 1st to the 15th i said

1445

00:53:22,950 --> 00:53:21,040

were they in town in january she said oh

1446

00:53:24,710 --> 00:53:22,960

no i said are you sure she said

1447

00:53:27,030 --> 00:53:24,720

absolutely i said well

1448

00:53:29,910 --> 00:53:27,040

i have 35 millimeter photographs of the

1449

00:53:32,230 --> 00:53:29,920

same phenomena in the same location

1450

00:53:34,470 --> 00:53:32,240

confirmed by air traffic controllers two

1451
00:53:36,150 --> 00:53:34,480
months before the mass sighting as being

1452
00:53:38,309 --> 00:53:36,160
hovering over class b restricted

1453
00:53:40,069 --> 00:53:38,319
airspace a thousand feet altitude and

1454
00:53:42,630 --> 00:53:40,079
she said you never told me that wow

1455
00:53:44,549 --> 00:53:42,640
that's great yeah and then i and then i

1456
00:53:46,309 --> 00:53:44,559
said and by then i had educated myself

1457
00:53:48,870 --> 00:53:46,319
looking for a logical explanation i had

1458
00:53:50,950 --> 00:53:48,880
talked to every military base i said and

1459
00:53:53,829 --> 00:53:50,960
you're trying to say that flares that

1460
00:53:56,150 --> 00:53:53,839
cannot keep affirmation that drift and

1461
00:53:58,390 --> 00:53:56,160
drop with the wind they have parachutes

1462
00:54:00,309 --> 00:53:58,400
they're just drifting haphazardly and

1463
00:54:03,030 --> 00:54:00,319

have huge smoke trails that are

1464

00:54:04,549 --> 00:54:03,040

illuminated by the flare itself and

1465

00:54:07,589 --> 00:54:04,559

illuminate that's what they're for to

1466

00:54:09,670 --> 00:54:07,599

illuminate the area not one not one as i

1467

00:54:12,309 --> 00:54:09,680

described earlier the phoenix lights the

1468

00:54:13,750 --> 00:54:12,319

light was self-contained okay now one

1469

00:54:15,829 --> 00:54:13,760

person described that i said you're

1470

00:54:18,069 --> 00:54:15,839

trying to say that that players that

1471

00:54:19,670 --> 00:54:18,079

cannot keep affirmation for more than a

1472

00:54:22,150 --> 00:54:19,680

couple minutes i mean they're

1473

00:54:25,349 --> 00:54:22,160

immediately uh you know falling and

1474

00:54:28,950 --> 00:54:25,359

haphazard traverse the entire state for

1475

00:54:31,510 --> 00:54:28,960

hours in a rock solid equidistant space

1476

00:54:33,829 --> 00:54:31,520

information a mile wide

1477

00:54:35,670 --> 00:54:33,839

and she says i have a call coming in

1478

00:54:39,589 --> 00:54:35,680

i'll get back to you well i'm still

1479

00:54:41,589 --> 00:54:39,599

waiting it's almost 15 years

1480

00:54:43,829 --> 00:54:41,599

getting back to what you said earlier i

1481

00:54:45,349 --> 00:54:43,839

think the my personal opinion here is i

1482

00:54:47,589 --> 00:54:45,359

think the difference between the belgian

1483

00:54:50,950 --> 00:54:47,599

government and the u.s government is

1484

00:54:53,190 --> 00:54:50,960

that the u.s government knows a lot more

1485

00:54:55,270 --> 00:54:53,200

and just keeping the lid on it that's uh

1486

00:54:57,430 --> 00:54:55,280

you know and i know and nobody knows why

1487

00:54:59,670 --> 00:54:57,440

it's a very good point nobody knows why

1488

00:55:01,430 --> 00:54:59,680

i mean initially in the you know in the

1489

00:55:03,349 --> 00:55:01,440

50s and whatever

1490

00:55:05,030 --> 00:55:03,359

you know when project blue book came out

1491

00:55:07,109 --> 00:55:05,040

you mentioned the condom report was

1492

00:55:09,190 --> 00:55:07,119

which was a joke in itself by the way i

1493

00:55:09,990 --> 00:55:09,200

mean the university of denver

1494

00:55:10,950 --> 00:55:10,000

uh

1495

00:55:16,309 --> 00:55:10,960

or

1496

00:55:17,190 --> 00:55:16,319

done by one man condom

1497

00:55:19,910 --> 00:55:17,200

i mean

1498

00:55:22,630 --> 00:55:19,920

he you know supposedly from what i've

1499

00:55:24,069 --> 00:55:22,640

learned um didn't didn't even really

1500

00:55:25,910 --> 00:55:24,079

investigate it and anything that was

1501

00:55:28,630 --> 00:55:25,920

credible was brushed aside just like

1502

00:55:30,390 --> 00:55:28,640

project blue book so um there's another

1503

00:55:32,390 --> 00:55:30,400

report that was done in france a few

1504

00:55:34,870 --> 00:55:32,400

years ago called the committee report

1505

00:55:37,670 --> 00:55:34,880

right c-o-m-e-t

1506

00:55:38,549 --> 00:55:37,680

where they really get into the the the

1507

00:55:40,309 --> 00:55:38,559

uh

1508

00:55:42,549 --> 00:55:40,319

the facts of these things and and the

1509

00:55:43,349 --> 00:55:42,559

fact that they are anomalous so there

1510

00:55:46,630 --> 00:55:43,359

are

1511

00:55:48,630 --> 00:55:46,640

advanced anomalous aerial phenomena that

1512

00:55:50,789 --> 00:55:48,640

are gracing our skies there is no doubt

1513

00:55:53,030 --> 00:55:50,799

about it that are not from here

1514

00:55:55,510 --> 00:55:53,040

and um even though most things can be

1515

00:55:57,109 --> 00:55:55,520

explained there are those that can't and

1516

00:55:59,109 --> 00:55:57,119

they address that i mean if anybody

1517

00:56:00,950 --> 00:55:59,119

wants to read a very credible report

1518

00:56:02,870 --> 00:56:00,960

because they were they actually made

1519

00:56:04,789 --> 00:56:02,880

that report because of national security

1520

00:56:06,390 --> 00:56:04,799

which is what you know obviously like

1521

00:56:07,589 --> 00:56:06,400

you said i mean

1522

00:56:10,390 --> 00:56:07,599

you know as much as they say that

1523

00:56:12,549 --> 00:56:10,400

they're not studying this um somebody is

1524

00:56:13,829 --> 00:56:12,559

and somebody knows what's going on and

1525

00:56:15,430 --> 00:56:13,839

you know i mean

1526

00:56:18,390 --> 00:56:15,440

in the 50s it was because they didn't

1527

00:56:21,910 --> 00:56:18,400

want as dr heineck said you know to to

1528

00:56:25,270 --> 00:56:21,920

stir panic um you know i think now we've

1529

00:56:28,150 --> 00:56:25,280

been so inundated for so many decades

1530

00:56:30,870 --> 00:56:28,160

with the possibilities that we are being

1531

00:56:33,829 --> 00:56:30,880

visited and now with the internet i mean

1532

00:56:36,390 --> 00:56:33,839

it's in real time i i have a couple of

1533

00:56:38,069 --> 00:56:36,400

facebook pages and i urge anyone to join

1534

00:56:39,430 --> 00:56:38,079

us please at phoenix lights network

1535

00:56:41,990 --> 00:56:39,440

because i update things all the time

1536

00:56:44,950 --> 00:56:42,000

with similar sightings worldwide and and

1537

00:56:47,030 --> 00:56:44,960

here as well and um i get posts from

1538

00:56:48,309 --> 00:56:47,040

people in real time they're seeing

1539

00:56:51,990 --> 00:56:48,319

something at that moment and says

1540

00:56:54,069 --> 00:56:52,000

anybody seeing this in ohio or nevada or

1541

00:56:56,150 --> 00:56:54,079

you know idaho or whatever

1542

00:56:58,069 --> 00:56:56,160

which is very cool i mean that's cool

1543

00:57:00,309 --> 00:56:58,079

that's what should happen we really need

1544

00:57:02,390 --> 00:57:00,319

to get some kind of a

1545

00:57:03,750 --> 00:57:02,400

central place not just to report them

1546

00:57:06,470 --> 00:57:03,760

and certainly you can report them to

1547

00:57:08,150 --> 00:57:06,480

mufon and the national ufo reporting

1548

00:57:09,829 --> 00:57:08,160

center they're great

1549

00:57:12,069 --> 00:57:09,839

resources but

1550

00:57:14,870 --> 00:57:12,079

there really needs to be a place where

1551
00:57:17,430 --> 00:57:14,880
when it's happening in real time uh and

1552
00:57:21,190 --> 00:57:17,440
i i hope i i wish i had the capital to

1553
00:57:23,510 --> 00:57:21,200
do this but uh but i don't um to to make

1554
00:57:25,349 --> 00:57:23,520
a center a central place where there is

1555
00:57:26,950 --> 00:57:25,359
when there is sightings and the internet

1556
00:57:30,150 --> 00:57:26,960
is helping out on that and facebook as

1557
00:57:31,910 --> 00:57:30,160
well uh to to to where they're when

1558
00:57:33,430 --> 00:57:31,920
there is a sighting that people alert

1559
00:57:35,349 --> 00:57:33,440
other people right away so they can go

1560
00:57:37,589 --> 00:57:35,359
out with their cameras and with their

1561
00:57:39,670 --> 00:57:37,599
own eyes and take a look at it um i

1562
00:57:41,829 --> 00:57:39,680
think that would be really cool right

1563
00:57:44,870 --> 00:57:41,839

now we're just about out of time here um

1564

00:57:48,150 --> 00:57:44,880

do you ever think that you'll get back

1565

00:57:51,430 --> 00:57:48,160

to your medical career and has this

1566

00:57:53,190 --> 00:57:51,440

actually hurt your chances to do that

1567

00:57:54,950 --> 00:57:53,200

no i was really surprised it was very

1568

00:57:57,510 --> 00:57:54,960

precarious for a medical doctor

1569

00:57:59,109 --> 00:57:57,520

particularly at that time we've come

1570

00:58:01,190 --> 00:57:59,119

a long way i have to tell you we have a

1571

00:58:02,950 --> 00:58:01,200

lot more to go but you know like i said

1572

00:58:05,589 --> 00:58:02,960

when i came forward the official

1573

00:58:08,630 --> 00:58:05,599

explanation was that it was flares and

1574

00:58:10,789 --> 00:58:08,640

now worldwide um because of the book the

1575

00:58:12,630 --> 00:58:10,799

documentary and certainly many other

1576

00:58:15,109 --> 00:58:12,640

people including

1577

00:58:17,829 --> 00:58:15,119

the councilwoman barwood and

1578

00:58:19,750 --> 00:58:17,839

the former governor coming forward um

1579

00:58:22,549 --> 00:58:19,760

have gotten this out there and raised

1580

00:58:24,230 --> 00:58:22,559

awareness worldwide that uh that

1581

00:58:26,230 --> 00:58:24,240

something really spectacular and

1582

00:58:27,750 --> 00:58:26,240

extraordinary happened here that you

1583

00:58:30,309 --> 00:58:27,760

know again i know people really take a

1584

00:58:32,230 --> 00:58:30,319

look at the facts um that when they have

1585

00:58:35,349 --> 00:58:32,240

sightings worldwide that are similar

1586

00:58:37,190 --> 00:58:35,359

whether it's orbs or v's either giant v

1587

00:58:39,589 --> 00:58:37,200

or or triangle crypt

1588

00:58:41,750 --> 00:58:39,599

they say oh look there's the phoenix

1589

00:58:43,270 --> 00:58:41,760

that's really really cool i mean that

1590

00:58:45,270 --> 00:58:43,280

that talked about being

1591

00:58:47,030 --> 00:58:45,280

amazing and rewarding that people

1592

00:58:48,950 --> 00:58:47,040

actually are are becoming more and more

1593

00:58:51,589 --> 00:58:48,960

aware of the phoenix flights event in

1594

00:58:53,190 --> 00:58:51,599

fact ann strieber whitley strieber's uh

1595

00:58:54,870 --> 00:58:53,200

wife a couple years ago said something

1596

00:58:56,950 --> 00:58:54,880

really enduring daring he says lynch

1597

00:58:58,470 --> 00:58:56,960

said you've come up such a long way uh

1598

00:59:00,470 --> 00:58:58,480

phoenix flights is now up there with

1599

00:59:02,870 --> 00:59:00,480

xerox and uh

1600

00:59:04,950 --> 00:59:02,880

kleenex that i you know i had to laugh

1601
00:59:06,230 --> 00:59:04,960
because it's true it's you know

1602
00:59:08,069 --> 00:59:06,240
certainly there's many people out there

1603
00:59:09,910 --> 00:59:08,079
that don't know about it yet and i hope

1604
00:59:12,390 --> 00:59:09,920
they find out about it but it's one of

1605
00:59:14,549 --> 00:59:12,400
the most credible most documented mass

1606
00:59:16,789 --> 00:59:14,559
sightings ever and as far as my coming

1607
00:59:19,829 --> 00:59:16,799
forward i really tried to do my homework

1608
00:59:21,750 --> 00:59:19,839
before i did so that you know look it is

1609
00:59:24,069 --> 00:59:21,760
what it is and you know i'm not trying

1610
00:59:26,230 --> 00:59:24,079
to convince anyone it's the data it

1611
00:59:28,710 --> 00:59:26,240
speaks for itself i just got it out

1612
00:59:30,309 --> 00:59:28,720
there and people really appreciate it i

1613
00:59:32,789 --> 00:59:30,319

had more doctors come up to me at the

1614

00:59:34,069 --> 00:59:32,799

arizona because i was really

1615

00:59:35,829 --> 00:59:34,079

really nervous because i didn't know

1616

00:59:38,470 --> 00:59:35,839

what the reaction was going to be and

1617

00:59:40,549 --> 00:59:38,480

they would take me aside and say oh dr

1618

00:59:42,069 --> 00:59:40,559

dr kitt i have to tell you

1619

00:59:43,510 --> 00:59:42,079

you know i had a sighting when i was

1620

00:59:46,390 --> 00:59:43,520

seven years old on the beach in

1621

00:59:48,309 --> 00:59:46,400

california or whatever it was and so it

1622

00:59:50,309 --> 00:59:48,319

really has been very rewarding i've been

1623

00:59:51,990 --> 00:59:50,319

very blessed that you know you always

1624

00:59:54,390 --> 00:59:52,000

have your detractors that still say it

1625

00:59:56,150 --> 00:59:54,400

was definitely flares or blimp or

1626
00:59:57,670 --> 00:59:56,160
whatever and i know they haven't looked

1627
00:59:59,670 --> 00:59:57,680
at the data you know they're showing

1628
01:00:01,670 --> 00:59:59,680
their own ignorance that's their choice

1629
01:00:03,510 --> 01:00:01,680
but or they can't deal with it and

1630
01:00:06,309 --> 01:00:03,520
that's their choice too because everyone

1631
01:00:09,109 --> 01:00:06,319
in their own time but um i you know as

1632
01:00:11,589 --> 01:00:09,119
far as going back to my medical career

1633
01:00:13,430 --> 01:00:11,599
i have to tell you i i hated leaving my

1634
01:00:15,190 --> 01:00:13,440
wonderful job chief political consultant

1635
01:00:17,670 --> 01:00:15,200
of the arizona heart institute to

1636
01:00:20,230 --> 01:00:17,680
complete the documentary but i haven't

1637
01:00:21,750 --> 01:00:20,240
looked back and right now um actually

1638
01:00:23,750 --> 01:00:21,760

now that the book and the documentary

1639

01:00:26,630 --> 01:00:23,760

have gotten lives of their own i am

1640

01:00:29,190 --> 01:00:26,640

going back to my passion of youth

1641

01:00:30,789 --> 01:00:29,200

education and working on a curriculum

1642

01:00:33,270 --> 01:00:30,799

called out of the box and i'm working

1643

01:00:35,430 --> 01:00:33,280

with some wonderful people not only

1644

01:00:36,950 --> 01:00:35,440

major people in the field such as colin

1645

01:00:39,030 --> 01:00:36,960

andrews and

1646

01:00:40,549 --> 01:00:39,040

dealing with crop circles and senior

1647

01:00:43,270 --> 01:00:40,559

math professor

1648

01:00:45,349 --> 01:00:43,280

the geometry of crop circles and uh the

1649

01:00:48,069 --> 01:00:45,359

history guideline with richard dolan and

1650

01:00:51,109 --> 01:00:48,079

dr bruce mcabee and i really want to get

1651
01:00:52,230 --> 01:00:51,119
something out there that's um fun and

1652
01:00:54,630 --> 01:00:52,240
interesting

1653
01:00:56,470 --> 01:00:54,640
just an overview of the topic of

1654
01:00:58,230 --> 01:00:56,480
unexplained phenomena but there is

1655
01:01:00,789 --> 01:00:58,240
nothing that actually was what prompted

1656
01:01:04,150 --> 01:01:00,799
me to do the documentary because when i

1657
01:01:06,069 --> 01:01:04,160
first came forward in 2004 um i i was

1658
01:01:08,549 --> 01:01:06,079
working seven to seven at the art

1659
01:01:10,390 --> 01:01:08,559
institute doing barnes and noble and

1660
01:01:12,470 --> 01:01:10,400
borders tours on the weekend and radio

1661
01:01:15,349 --> 01:01:12,480
programs like this into the night i had

1662
01:01:17,270 --> 01:01:15,359
no time to do anything else uh i mean i

1663
01:01:19,829 --> 01:01:17,280

i was getting like two or three hours of

1664

01:01:21,589 --> 01:01:19,839

sleep at night and a couple of parents

1665

01:01:24,390 --> 01:01:21,599

had seen me at a barnes noble

1666

01:01:26,150 --> 01:01:24,400

presentation and invited me set it up at

1667

01:01:28,230 --> 01:01:26,160

a middle school and i come walking in

1668

01:01:29,670 --> 01:01:28,240

and there's 200 middle school

1669

01:01:31,430 --> 01:01:29,680

students there i was so thrilled that

1670

01:01:34,230 --> 01:01:31,440

they would even let me come in and talk

1671

01:01:36,230 --> 01:01:34,240

about this topic and you could hear a

1672

01:01:38,150 --> 01:01:36,240

pin drop it was the last period of the

1673

01:01:39,829 --> 01:01:38,160

day the teachers couldn't believe it

1674

01:01:41,829 --> 01:01:39,839

these kids were on their edge of their

1675

01:01:43,349 --> 01:01:41,839

chairs they they thirst for this

1676
01:01:45,910 --> 01:01:43,359
knowledge and i realized there was

1677
01:01:47,750 --> 01:01:45,920
nothing there is nothing i'm talking

1678
01:01:50,230 --> 01:01:47,760
nothing in our history books about this

1679
01:01:53,349 --> 01:01:50,240
topic so that really prompted me to do

1680
01:01:55,750 --> 01:01:53,359
the documentary um which i which i was

1681
01:01:57,750 --> 01:01:55,760
had a couple of filmmakers approach me

1682
01:02:00,150 --> 01:01:57,760
and one was very persistent steve lance

1683
01:02:01,670 --> 01:02:00,160
who was very talented and his parents

1684
01:02:03,990 --> 01:02:01,680
lived here and he said i'm coming with

1685
01:02:06,390 --> 01:02:04,000
my equipment in may and we're doing this

1686
01:02:09,030 --> 01:02:06,400
and i said wait a minute i said i have

1687
01:02:10,549 --> 01:02:09,040
no time plus i have stayed anonymous for

1688
01:02:12,549 --> 01:02:10,559

seven years i didn't know if other

1689

01:02:14,549 --> 01:02:12,559

people would want to come forward people

1690

01:02:17,109 --> 01:02:14,559

you know witnesses had had contacted me

1691

01:02:19,270 --> 01:02:17,119

by email confidentially and i had met

1692

01:02:20,950 --> 01:02:19,280

with these professors and it's very very

1693

01:02:22,549 --> 01:02:20,960

precarious for professors they can lose

1694

01:02:25,589 --> 01:02:22,559

their grants if they talk about this

1695

01:02:27,670 --> 01:02:25,599

topic at university level um but every

1696

01:02:29,670 --> 01:02:27,680

single person i went to except one who

1697

01:02:32,069 --> 01:02:29,680

came on later i

1698

01:02:34,470 --> 01:02:32,079

said that they would immediately and

1699

01:02:36,789 --> 01:02:34,480

that was that was another sign and once

1700

01:02:38,950 --> 01:02:36,799

we started in production by june

1701

01:02:42,150 --> 01:02:38,960

i mean one person can always do so much

1702

01:02:43,750 --> 01:02:42,160

and steve and i literally did the entire

1703

01:02:45,829 --> 01:02:43,760

movie together and we've won over a

1704

01:02:47,589 --> 01:02:45,839

dozen international film festival awards

1705

01:02:48,950 --> 01:02:47,599

which is so rewarding but i couldn't

1706

01:02:51,030 --> 01:02:48,960

have done it without the help of

1707

01:02:52,950 --> 01:02:51,040

everyone that contributed to the

1708

01:02:55,910 --> 01:02:52,960

documentary the witnesses and the

1709

01:02:57,910 --> 01:02:55,920

experts and the um the professors it's

1710

01:03:00,630 --> 01:02:57,920

it's really been an amazing amazing

1711

01:03:02,309 --> 01:03:00,640

journey and you know i i hope that

1712

01:03:03,910 --> 01:03:02,319

people will will pick up the book the

1713

01:03:05,829 --> 01:03:03,920

phoenix lights of skeptics discovery

1714

01:03:07,510 --> 01:03:05,839

that we are not alone and learn about

1715

01:03:09,510 --> 01:03:07,520

that journey because there is much more

1716

01:03:11,349 --> 01:03:09,520

to the story i actually found a

1717

01:03:13,589 --> 01:03:11,359

connection between all unexplained

1718

01:03:16,069 --> 01:03:13,599

phenomena be it near death experience

1719

01:03:17,670 --> 01:03:16,079

out of body unexplained burial phenomena

1720

01:03:19,990 --> 01:03:17,680

that i talk about in the book i actually

1721

01:03:23,190 --> 01:03:20,000

call them all ops unexplained phenomena

1722

01:03:25,910 --> 01:03:23,200

up and up um for for the very reason

1723

01:03:28,470 --> 01:03:25,920

that not only is the experience similar

1724

01:03:31,190 --> 01:03:28,480

but the after effect of any of these

1725

01:03:34,230 --> 01:03:31,200

unexplained phenomena experiences is so

1726

01:03:36,549 --> 01:03:34,240

profound life-changing positive and

1727

01:03:38,309 --> 01:03:36,559

enlightenment and awakening that happens

1728

01:03:41,670 --> 01:03:38,319

within an individual who truly

1729

01:03:43,029 --> 01:03:41,680

experiences and up that i i address that

1730

01:03:45,190 --> 01:03:43,039

as well and talk about that in the book

1731

01:03:47,990 --> 01:03:45,200

so there's all there's a lot in there

1732

01:03:50,230 --> 01:03:48,000

that that people can learn and and grow

1733

01:03:52,390 --> 01:03:50,240

just as i have i mean i this has been a

1734

01:03:53,910 --> 01:03:52,400

transformation and a learning learning

1735

01:03:56,549 --> 01:03:53,920

curve for me too because i knew nothing

1736

01:03:59,589 --> 01:03:56,559

about this topic so i i urge people to

1737

01:04:02,150 --> 01:03:59,599

just take a look at my book or others um

1738

01:04:03,510 --> 01:04:02,160

to just open your mind a little bit your

1739

01:04:06,150 --> 01:04:03,520

mind and your heart that's the first

1740

01:04:07,910 --> 01:04:06,160

step and and learn about it well you

1741

01:04:09,430 --> 01:04:07,920

just mentioned children earlier and you

1742

01:04:11,829 --> 01:04:09,440

know children are the

1743

01:04:14,309 --> 01:04:11,839

the one part of our society that is

1744

01:04:16,470 --> 01:04:14,319

open-minded you know and i think oh they

1745

01:04:18,870 --> 01:04:16,480

work for this yeah right they love it

1746

01:04:21,109 --> 01:04:18,880

that's right well i'm going to link your

1747

01:04:22,950 --> 01:04:21,119

website below this podcast

1748

01:04:25,750 --> 01:04:22,960

as well as

1749

01:04:28,470 --> 01:04:25,760

the clip for the video

1750

01:04:30,870 --> 01:04:28,480

of the documentary and uh thank you so

1751

01:04:33,029 --> 01:04:30,880

much you've been absolutely wonderful

1752

01:04:34,870 --> 01:04:33,039

well i so appreciate you inviting me

1753

01:04:36,630 --> 01:04:34,880

because this is this is what it's going

1754

01:04:39,510 --> 01:04:36,640

to take i can only do so much it's going

1755

01:04:41,670 --> 01:04:39,520

to really take the the media and and

1756

01:04:43,349 --> 01:04:41,680

wonderful people like yourself to to get

1757

01:04:46,069 --> 01:04:43,359

the word out there to let people know

1758

01:04:50,150 --> 01:04:46,079

that this happened and that there's uh

1759

01:04:51,750 --> 01:04:50,160

credible uh documentation for it and um

1760

01:04:53,029 --> 01:04:51,760

you know to talk about it it's really

1761

01:04:56,230 --> 01:04:53,039

important that we talk about it very

1762

01:04:58,230 --> 01:04:56,240

healing uh if people out there have had

1763

01:05:00,789 --> 01:04:58,240

an experience even if it can be

1764

01:05:03,190 --> 01:05:00,799

explained it's real to you and

1765

01:05:05,750 --> 01:05:03,200

i welcome people to get on the website

1766

01:05:07,670 --> 01:05:05,760

the phoenix place network and contact me

1767

01:05:09,109 --> 01:05:07,680

and share your own sighting it's really

1768

01:05:11,829 --> 01:05:09,119

important it's very healing and

1769

01:05:14,069 --> 01:05:11,839

cathartic to share even with one person

1770

01:05:16,870 --> 01:05:14,079

don't be afraid to to contact me it

1771

01:05:18,789 --> 01:05:16,880

won't go any further so um i welcome

1772

01:05:21,270 --> 01:05:18,799

that and i and i really appreciate the

1773

01:05:23,670 --> 01:05:21,280

time that we spent together today i do

1774

01:05:26,470 --> 01:05:23,680

too so this is martin willis with dr
