wonderful book titled ufos in wartime

14

00:00:52,630 --> 00:00:36,320

it's a great interview and enjoy the

15

00:00:56,069 --> 00:00:54,069

hi everyone i'm in newburyport

16

00:00:58,709 --> 00:00:56,079

massachusetts with mac maloney how you

17

00:01:00,310 --> 00:00:58,719

doing mac i'm doing very good yes so

18

00:01:02,709 --> 00:01:00,320

thanks for joining me and this is

19

00:01:04,469 --> 00:01:02,719

actually my first live one-on-one

20

00:01:05,350 --> 00:01:04,479

recording that's not on skype or on the

21

00:01:06,870 --> 00:01:05,360

phone

22

00:01:08,550 --> 00:01:06,880

and uh in the beautiful town of

23

00:01:10,789 --> 00:01:08,560

newburyport how long have you lived here

24

00:01:13,429 --> 00:01:10,799

well i um i lived here for about 10

25

00:01:14,870 --> 00:01:13,439

years as a youth and then moved to

26

00:01:17,109 --> 00:01:14,880

upstate new york and then we've been

27

00:01:19,109 --> 00:01:17,119

back here probably about 15 years now

28

00:01:20,789 --> 00:01:19,119

yeah my father grew up here though so a

29

00:01:22,710 --> 00:01:20,799

lot of our family is here yeah nice

30

00:01:25,749 --> 00:01:22,720

historic town now

31

00:01:27,910 --> 00:01:25,759

i love history and you know it's very

32

00:01:30,550 --> 00:01:27,920

seldom that history really gets too much

33

00:01:32,710 --> 00:01:30,560

involved in the ufo phenomenon but uh

34

00:01:35,670 --> 00:01:32,720

your book let's talk about your latest

35

00:01:37,510 --> 00:01:35,680

book it's called ufos and wartime

36

00:01:39,270 --> 00:01:37,520

and uh i appreciate you sending that to

37

00:01:42,789 --> 00:01:39,280

me it's a great book it was a great read

38

00:01:44,630 --> 00:01:42,799

i really uh enjoyed it a lot so let's uh

39

00:01:46,389 --> 00:01:44,640

let's talk what got you involved and

40

00:01:48,710 --> 00:01:46,399

you've written what 40 books or so in

41

00:01:50,950 --> 00:01:48,720

the past just about 40 books yeah and

42

00:01:52,950 --> 00:01:50,960

what uh what made you decide to write

43

00:01:55,350 --> 00:01:52,960

this book on ufos

44

00:01:57,830 --> 00:01:55,360

well i was at lunch with my editor about

45

00:02:01,350 --> 00:01:57,840

three years ago and we were just

46

00:02:02,870 --> 00:02:01,360

spitballing ideas as they say and um

47

00:02:04,550 --> 00:02:02,880

i had mentioned to him that when i was

48

00:02:07,270 --> 00:02:04,560

growing up i used to read a lot of ufo

49

00:02:08,949 --> 00:02:07,280

books and my father was a world war ii

50

00:02:11,110 --> 00:02:08,959

veteran and he was really big into

51
00:02:12,630 --> 00:02:11,120
military history so we had a lot of

52
00:02:14,790 --> 00:02:12,640
military history books around the house

53
00:02:17,030 --> 00:02:14,800
too and i used to read them too so

54
00:02:19,030 --> 00:02:17,040
somewhere along the lines these two

55
00:02:20,070 --> 00:02:19,040
things just kind of crossed paths

56
00:02:21,670 --> 00:02:20,080
and i

57
00:02:23,589 --> 00:02:21,680
remember thinking quite a while ago that

58
00:02:27,030 --> 00:02:23,599
it seems like ufos show up more during

59
00:02:28,550 --> 00:02:27,040
war time than when we're not i want

60
00:02:29,830 --> 00:02:28,560
just mentioned it to the editor and he

61
00:02:31,350 --> 00:02:29,840
said you know that might make an

62
00:02:33,030 --> 00:02:31,360
interesting book but it would have been

63
00:02:34,550 --> 00:02:33,040

a non-fiction book would you be

64

00:02:36,390 --> 00:02:34,560

interested in doing that so you know

65

00:02:37,990 --> 00:02:36,400

just thought about it for a while and

66

00:02:40,470 --> 00:02:38,000

finally said yes

67

00:02:41,830 --> 00:02:40,480

and that was about three years ago and

68

00:02:44,790 --> 00:02:41,840

um you know

69

00:02:46,390 --> 00:02:44,800

the book came out um last december

70

00:02:47,910 --> 00:02:46,400

i i figured you must have had to do a

71

00:02:48,949 --> 00:02:47,920

lot of research to make something like

72

00:02:50,550 --> 00:02:48,959

this work

73

00:02:52,630 --> 00:02:50,560

so what was involved and all the

74

00:02:54,550 --> 00:02:52,640

research you did for that it was a lot

75

00:02:56,949 --> 00:02:54,560

of research it was more research than i

76

00:02:57,830 --> 00:02:56,959

ever thought really it would be

77

00:02:59,430 --> 00:02:57,840

um

78

00:03:00,790 --> 00:02:59,440

i had a lot of ufo books around the

79

00:03:02,710 --> 00:03:00,800

house anyway

80

00:03:04,149 --> 00:03:02,720

and so then i the first thing i did as

81

00:03:06,070 --> 00:03:04,159

soon as i knew we were going to do the

82

00:03:08,390 --> 00:03:06,080

book was i went out and i bought every

83

00:03:10,229 --> 00:03:08,400

ufo book that i could get my hands on

84

00:03:11,350 --> 00:03:10,239

that would i thought would relate to the

85

00:03:13,030 --> 00:03:11,360

subject

86

00:03:14,630 --> 00:03:13,040

and i just went through those went

87

00:03:17,270 --> 00:03:14,640

through my old books

88

00:03:19,430 --> 00:03:17,280

and then i was able to um actually talk

89

00:03:21,910 --> 00:03:19,440

to um

90

00:03:24,149 --> 00:03:21,920

air force pilots and navy pilots and

91

00:03:26,790 --> 00:03:24,159

airline pilots really well most of them

92

00:03:27,910 --> 00:03:26,800

are ex-military anyway because the books

93

00:03:30,470 --> 00:03:27,920

i've written before this they're all

94

00:03:31,750 --> 00:03:30,480

military novels so i i know some people

95

00:03:34,229 --> 00:03:31,760

in those areas

96

00:03:35,990 --> 00:03:34,239

and then i was also um able to talk to

97

00:03:39,430 --> 00:03:36,000

people who work for

98

00:03:41,270 --> 00:03:39,440

us intelligence agencies who i also know

99

00:03:42,949 --> 00:03:41,280

and then i just kind of put it all

100

00:03:45,430 --> 00:03:42,959

together and

101

00:03:48,309 --> 00:03:45,440

with the help of a couple other ufo

102

00:03:50,949 --> 00:03:48,319

uh authors um jerry clark being one of

103

00:03:53,910 --> 00:03:50,959

them very famous ufo writer and keith

104

00:03:56,630 --> 00:03:53,920

chester who's another ufo writer and

105

00:03:58,630 --> 00:03:56,640

just kind of put all that together and

106

00:04:00,949 --> 00:03:58,640

uh you know started uh

107

00:04:04,070 --> 00:04:00,959

banging it out you know and then um just

108

00:04:05,830 --> 00:04:04,080

uh lots of editing and so on and and um

109

00:04:08,630 --> 00:04:05,840

all in all it took about two and a half

110

00:04:10,789 --> 00:04:08,640

years wow wow that's a long time did you

111

00:04:13,030 --> 00:04:10,799

get the old writer's block like you

112

00:04:15,030 --> 00:04:13,040

normally do in writing no no writer's

113

00:04:16,390 --> 00:04:15,040

block is is a fallacy there's no such

114

00:04:18,229 --> 00:04:16,400

thing as right as well

115

00:04:20,150 --> 00:04:18,239

the best if you have risen block the

116

00:04:21,830 --> 00:04:20,160

best prevention for brightest block is

117

00:04:23,670 --> 00:04:21,840

to have a contract and have an editor on

118

00:04:25,430 --> 00:04:23,680

the phone saying where's the book

119

00:04:27,270 --> 00:04:25,440

the writers block those away immediately

120

00:04:29,670 --> 00:04:27,280

yeah if you get it in the first place

121

00:04:32,710 --> 00:04:29,680

yeah yeah that's funny now i know you

122

00:04:34,870 --> 00:04:32,720

started out way back was it roman times

123

00:04:36,469 --> 00:04:34,880

were you actually the shield thing i

124

00:04:39,830 --> 00:04:36,479

remember you talking about i'm actually

125

00:04:41,189 --> 00:04:39,840

um 300 bc with um alexander the great

126
00:04:43,189 --> 00:04:41,199
alex into the ground

127
00:04:45,270 --> 00:04:43,199
he was

128
00:04:47,270 --> 00:04:45,280
conquering the known world at the time

129
00:04:49,110 --> 00:04:47,280
and he was somewhere in east persia and

130
00:04:50,950 --> 00:04:49,120
had a huge army

131
00:04:53,350 --> 00:04:50,960
with lots of

132
00:04:55,189 --> 00:04:53,360
ground forces but also elephants war

133
00:04:56,870 --> 00:04:55,199
elephants and a lot of cavalry

134
00:04:59,749 --> 00:04:56,880
and he was about to afford this

135
00:05:01,749 --> 00:04:59,759
strategic river when these five

136
00:05:05,189 --> 00:05:01,759
flying shields showed up and started

137
00:05:06,629 --> 00:05:05,199
buzzing uh his troops and it scared the

138
00:05:08,950 --> 00:05:06,639

elephants and the horses to the point

139

00:05:10,469 --> 00:05:08,960

where they would not cross the river

140

00:05:12,150 --> 00:05:10,479

so that was like that's the first story

141

00:05:13,830 --> 00:05:12,160

in the book that's the one of the few

142

00:05:17,430 --> 00:05:13,840

stories that we came across that

143

00:05:19,510 --> 00:05:17,440

actually um has ufos interfering with

144

00:05:21,110 --> 00:05:19,520

some kind of a military campaign

145

00:05:22,390 --> 00:05:21,120

usually they're just kind of uh

146

00:05:26,870 --> 00:05:22,400

observing

147

00:05:30,469 --> 00:05:26,880

but um yeah that was 300 bc and then 380

148

00:05:32,310 --> 00:05:30,479

constantine the first was about to um

149

00:05:33,749 --> 00:05:32,320

do battle with one of his rivals right

150

00:05:35,590 --> 00:05:33,759

outside rome

151
00:05:37,749 --> 00:05:35,600
and whoever won the battle was going to

152
00:05:39,830 --> 00:05:37,759
be the next emperor of rome

153
00:05:41,909 --> 00:05:39,840
and the day before the battle

154
00:05:43,990 --> 00:05:41,919
he saw a ufo

155
00:05:45,830 --> 00:05:44,000
that was in the shape of a cross

156
00:05:48,469 --> 00:05:45,840
and his

157
00:05:50,150 --> 00:05:48,479
seers that traveled with his army told

158
00:05:52,870 --> 00:05:50,160
him that this was a sign

159
00:05:54,790 --> 00:05:52,880
that if his troops painted crucifixes on

160
00:05:56,790 --> 00:05:54,800
their shields that they would win the

161
00:05:59,110 --> 00:05:56,800
battle even though they were underdogs

162
00:06:00,469 --> 00:05:59,120
so he ordered all his troops to do that

163
00:06:02,469 --> 00:06:00,479

and the next day

164

00:06:05,029 --> 00:06:02,479

they had the battle and he won

165

00:06:06,469 --> 00:06:05,039

and he became

166

00:06:08,790 --> 00:06:06,479

the emperor of rome one of the first

167

00:06:10,870 --> 00:06:08,800

things he did was make christianity the

168

00:06:13,670 --> 00:06:10,880

official religion of rome

169

00:06:16,070 --> 00:06:13,680

and um so from that point christianity

170

00:06:17,350 --> 00:06:16,080

just went all over the world so i know

171

00:06:20,390 --> 00:06:17,360

it sounds

172

00:06:21,990 --> 00:06:20,400

um crazy but um there's a point

173

00:06:24,870 --> 00:06:22,000

you could make a point that christianity

174

00:06:26,870 --> 00:06:24,880

flourished because of a ufo sighting wow

175

00:06:28,469 --> 00:06:26,880

wow now where did you find the

176

00:06:30,790 --> 00:06:28,479

documentation for

177

00:06:32,469 --> 00:06:30,800

these two last stories you just said

178

00:06:34,550 --> 00:06:32,479

i don't know somewhere in the pile of

179

00:06:35,670 --> 00:06:34,560

books i have in my room or somewhere on

180

00:06:37,909 --> 00:06:35,680

the internet i should have mentioned

181

00:06:39,909 --> 00:06:37,919

that too is that you know a lot of

182

00:06:41,670 --> 00:06:39,919

research are

183

00:06:42,790 --> 00:06:41,680

what is good about the internet is that

184

00:06:45,270 --> 00:06:42,800

you can

185

00:06:47,110 --> 00:06:45,280

google in whatever is on your mind

186

00:06:49,110 --> 00:06:47,120

and you'll get something and that's

187

00:06:51,510 --> 00:06:49,120

something will lead you to a book

188

00:06:54,950 --> 00:06:51,520

you know to a podcast to a radio show or

189

00:06:56,790 --> 00:06:54,960

something like that um i think that um

190

00:06:58,950 --> 00:06:56,800

we got those from

191

00:07:01,749 --> 00:06:58,960

a uh the book

192

00:07:04,390 --> 00:07:01,759

of a broadcaster from years ago his name

193

00:07:06,150 --> 00:07:04,400

was uh i think his name was jack edwards

194

00:07:08,070 --> 00:07:06,160

and he was uh kind of like he was an

195

00:07:09,909 --> 00:07:08,080

all-night radio guy

196

00:07:12,390 --> 00:07:09,919

and he also wrote books on ufos and i

197

00:07:15,749 --> 00:07:12,400

believe that that's where the the first

198

00:07:19,510 --> 00:07:15,759

source of those two stories came from

199

00:07:22,230 --> 00:07:19,520

and then um you get into the scare ships

200

00:07:24,710 --> 00:07:22,240

and uh i think that was quite a

201
00:07:26,790 --> 00:07:24,720
quite a name for them

202
00:07:28,710 --> 00:07:26,800
i think somewhere i

203
00:07:31,189 --> 00:07:28,720
read that you thought there's a

204
00:07:32,629 --> 00:07:31,199
possibility of time travel

205
00:07:34,469 --> 00:07:32,639
right um

206
00:07:35,270 --> 00:07:34,479
you know i always used to think i think

207
00:07:37,029 --> 00:07:35,280
the

208
00:07:39,350 --> 00:07:37,039
a lot of people just assumed that ufos

209
00:07:40,309 --> 00:07:39,360
are the little green men from mars

210
00:07:42,070 --> 00:07:40,319
theory

211
00:07:43,589 --> 00:07:42,080
but the more i

212
00:07:45,510 --> 00:07:43,599
researched it the more i kind of looked

213
00:07:47,589 --> 00:07:45,520

into it the more this idea that they

214

00:07:49,430 --> 00:07:47,599

might not be ets at all that they might

215

00:07:50,629 --> 00:07:49,440

be time travelers just that would make

216

00:07:52,950 --> 00:07:50,639

more sense

217

00:07:56,070 --> 00:07:52,960

there's a ufo right named jack vale who

218

00:07:59,029 --> 00:07:56,080

has championed this idea and certainly

219

00:08:00,710 --> 00:07:59,039

not the first one to come up with it but

220

00:08:02,950 --> 00:08:00,720

it just seems like

221

00:08:05,670 --> 00:08:02,960

um many times especially in war time

222

00:08:07,430 --> 00:08:05,680

when ufos show up in battle

223

00:08:09,990 --> 00:08:07,440

they're just observing

224

00:08:13,029 --> 00:08:10,000

um you know these cases where

225

00:08:15,189 --> 00:08:13,039

british bombers would be over a city at

226

00:08:17,350 --> 00:08:15,199

night being shot at by anti-aircraft

227

00:08:18,469 --> 00:08:17,360

fire being shot at by german knight

228

00:08:21,110 --> 00:08:18,479

fighters and

229

00:08:23,909 --> 00:08:21,120

in the midst of really horrendous battle

230

00:08:24,950 --> 00:08:23,919

and a ufo would be flying 100 feet off

231

00:08:26,629 --> 00:08:24,960

their wing

232

00:08:28,790 --> 00:08:26,639

and i just kept thinking why would they

233

00:08:30,469 --> 00:08:28,800

do that you know if you have such a

234

00:08:32,630 --> 00:08:30,479

technology that you can

235

00:08:35,110 --> 00:08:32,640

build and fly these incredible

236

00:08:36,550 --> 00:08:35,120

machines that people were seeing

237

00:08:37,829 --> 00:08:36,560

why would you why wouldn't you look at

238

00:08:39,190 --> 00:08:37,839

something like this from a distance why

239

00:08:40,389 --> 00:08:39,200

would you want to be right there and it

240

00:08:41,829 --> 00:08:40,399

just occurred to me you know what that

241

00:08:43,509 --> 00:08:41,839

that maybe these are

242

00:08:45,430 --> 00:08:43,519

time travelers from our own future

243

00:08:47,829 --> 00:08:45,440

coming back just simply watching how

244

00:08:49,590 --> 00:08:47,839

history was being made mm-hmm yeah i

245

00:08:50,470 --> 00:08:49,600

mean that's that's a a pretty good

246

00:08:52,710 --> 00:08:50,480

theory

247

00:08:54,470 --> 00:08:52,720

the thing the other side of that that i

248

00:08:56,150 --> 00:08:54,480

think may conflict with that a little

249

00:08:58,470 --> 00:08:56,160

bit is that there's a lot of you know

250

00:09:00,310 --> 00:08:58,480

mundane days where people see

251
00:09:02,230 --> 00:09:00,320
a ufo here and there and you know maybe

252
00:09:03,590 --> 00:09:02,240
it's a little of both i mean it's and

253
00:09:05,430 --> 00:09:03,600
then there's the talk about

254
00:09:08,310 --> 00:09:05,440
interdimensional and

255
00:09:09,990 --> 00:09:08,320
and all that and it's uh you know we the

256
00:09:11,910 --> 00:09:10,000
bottom line is we just don't know we

257
00:09:13,509 --> 00:09:11,920
don't know i mean that's that's the um

258
00:09:15,350 --> 00:09:13,519
we start the book off with that phrase

259
00:09:16,949 --> 00:09:15,360
that um someone came up with years ago

260
00:09:19,269 --> 00:09:16,959
that makes a lot of sense and what it is

261
00:09:22,150 --> 00:09:19,279
is ufos exist we just don't know what

262
00:09:24,550 --> 00:09:22,160
they are yet yeah um the the story i

263
00:09:25,910 --> 00:09:24,560

always kind of use as far as um

264

00:09:27,829 --> 00:09:25,920

you know if they're from another

265

00:09:29,269 --> 00:09:27,839

dimension or another uh time as opposed

266

00:09:32,310 --> 00:09:29,279

to outer spaces

267

00:09:34,310 --> 00:09:32,320

uh the example of a safari um if if you

268

00:09:35,030 --> 00:09:34,320

want a safari tomorrow

269

00:09:38,070 --> 00:09:35,040

what

270

00:09:38,949 --> 00:09:38,080

would you would get on a plane you would

271

00:09:41,030 --> 00:09:38,959

go

272

00:09:43,269 --> 00:09:41,040

a long way away to africa they would put

273

00:09:44,150 --> 00:09:43,279

you on a a bus or a truck or something

274

00:09:49,910 --> 00:09:44,160

and

275

00:09:52,790 --> 00:09:49,920

pictures of the lions eating the

276

00:09:55,110 --> 00:09:52,800

antelopes and so on and so forth

277

00:09:56,870 --> 00:09:55,120

now the animals see you

278

00:09:58,870 --> 00:09:56,880

um but they can't comprehend you know

279

00:10:00,790 --> 00:09:58,880

what a what a tourist is what a truck is

280

00:10:01,829 --> 00:10:00,800

what a camera so they they they're aware

281

00:10:03,430 --> 00:10:01,839

of you but they don't know what you are

282

00:10:04,470 --> 00:10:03,440

so they just go on with their daily

283

00:10:05,990 --> 00:10:04,480

lives

284

00:10:08,550 --> 00:10:06,000

well it would almost be the same thing

285

00:10:10,310 --> 00:10:08,560

with ufos i mean we know they're here we

286

00:10:11,269 --> 00:10:10,320

see them all the time

287

00:10:13,829 --> 00:10:11,279

um

288

00:10:15,350 --> 00:10:13,839

but maybe just like an animal in the

289

00:10:17,670 --> 00:10:15,360

serengeti can't comprehend what a

290

00:10:19,269 --> 00:10:17,680

tourist is we can't comprehend what a

291

00:10:20,870 --> 00:10:19,279

ufo is

292

00:10:22,630 --> 00:10:20,880

um and then if you take that one step

293

00:10:24,150 --> 00:10:22,640

further there are people who go out in

294

00:10:26,230 --> 00:10:24,160

the serengeti with

295

00:10:28,069 --> 00:10:26,240

tranquilizer guns and shoot these

296

00:10:29,509 --> 00:10:28,079

animals and knock them out for a period

297

00:10:30,949 --> 00:10:29,519

of time and study them and then they

298

00:10:33,110 --> 00:10:30,959

wake up well that's that's pretty close

299

00:10:35,030 --> 00:10:33,120

to you know what some people say they go

300

00:10:35,910 --> 00:10:35,040

through with abduction

301

00:10:38,150 --> 00:10:35,920

so

302

00:10:39,430 --> 00:10:38,160

um it just seems like

303

00:10:41,590 --> 00:10:39,440

i think it really all comes back to

304

00:10:43,509 --> 00:10:41,600

whatever they are is that they're not

305

00:10:45,110 --> 00:10:43,519

making any they're not trying to be

306

00:10:48,069 --> 00:10:45,120

secretive about it they're here a lot

307

00:10:49,990 --> 00:10:48,079

right and um and i think they just

308

00:10:51,750 --> 00:10:50,000

observe they don't really

309

00:10:53,829 --> 00:10:51,760

interfere with that daily lives and like

310

00:10:55,670 --> 00:10:53,839

i said there's 70 stories in the book of

311

00:10:57,829 --> 00:10:55,680

military encounters with ufos but i

312

00:10:59,670 --> 00:10:57,839

think only about three or four of them

313

00:11:01,590 --> 00:10:59,680

have to do with the ufos actually doing

314

00:11:04,389 --> 00:11:01,600

something to affect the outcome of a

315

00:11:06,630 --> 00:11:04,399

military engagement so for the most part

316

00:11:07,750 --> 00:11:06,640

they're just watching yeah yeah and i

317

00:11:09,269 --> 00:11:07,760

think uh

318

00:11:10,710 --> 00:11:09,279

you mentioned a number of times where

319

00:11:12,870 --> 00:11:10,720

not a number of times but a few times

320

00:11:14,870 --> 00:11:12,880

there's someone actually engaged and

321

00:11:16,150 --> 00:11:14,880

fired and uh

322

00:11:19,509 --> 00:11:16,160

which all

323

00:11:20,870 --> 00:11:19,519

began back with the la sighting

324

00:11:22,870 --> 00:11:20,880

uh right

325

00:11:26,389 --> 00:11:22,880

back uh wha what was that dave was that

326

00:11:29,350 --> 00:11:26,399

52 or in los angeles it was uh february

327

00:11:32,790 --> 00:11:29,360

24th and 5th of 1942 42 that's right

328

00:11:34,710 --> 00:11:32,800

yeah right after pearl harbor um the los

329

00:11:37,829 --> 00:11:34,720

angeles at the time two million people

330

00:11:39,670 --> 00:11:37,839

lived there lots of defense plants there

331

00:11:41,509 --> 00:11:39,680

so um

332

00:11:43,269 --> 00:11:41,519

and lots of military and civil defense

333

00:11:45,750 --> 00:11:43,279

people in the city

334

00:11:47,350 --> 00:11:45,760

and um there back then people thought

335

00:11:49,750 --> 00:11:47,360

that um

336

00:11:52,150 --> 00:11:49,760

the japanese were going to physically

337

00:11:53,509 --> 00:11:52,160

invade california right yeah

338

00:11:56,710 --> 00:11:53,519

so

339

00:11:58,389 --> 00:11:56,720

naval intelligence told the people in la

340

00:11:59,829 --> 00:11:58,399

that on this particular night they were

341

00:12:01,430 --> 00:11:59,839

suspecting that there was going to be a

342

00:12:04,069 --> 00:12:01,440

japanese air raid

343

00:12:06,069 --> 00:12:04,079

so everyone was on a heightened alert

344

00:12:08,629 --> 00:12:06,079

there were a lot of anti-aircraft guns

345

00:12:11,509 --> 00:12:08,639

around these defense plants in l.a and

346

00:12:13,350 --> 00:12:11,519

around 1 30 in the morning um sure

347

00:12:15,990 --> 00:12:13,360

enough these things start showing up on

348

00:12:17,590 --> 00:12:16,000

radar um they were not airplanes they

349

00:12:19,750 --> 00:12:17,600

were silver discs they were some were

350

00:12:21,430 --> 00:12:19,760

flying in chevron formations others were

351
00:12:23,670 --> 00:12:21,440
flying separately

352
00:12:25,670 --> 00:12:23,680
the air raid sirens run off they figure

353
00:12:28,069 --> 00:12:25,680
that at least half the people hold up so

354
00:12:30,949 --> 00:12:28,079
maybe a million people saw these things

355
00:12:33,670 --> 00:12:30,959
lots of police lots of reporters we have

356
00:12:35,910 --> 00:12:33,680
lots of quotes from reporters who

357
00:12:37,350 --> 00:12:35,920
were out that night and la had seven

358
00:12:39,110 --> 00:12:37,360
daily newspapers at the time so there's

359
00:12:40,389 --> 00:12:39,120
no shortage of reporters

360
00:12:42,069 --> 00:12:40,399
they were watching these things from the

361
00:12:44,629 --> 00:12:42,079
roofs of the tallest buildings a lot of

362
00:12:47,110 --> 00:12:44,639
times accompanied by military or police

363
00:12:48,790 --> 00:12:47,120

and what they saw was as they say these

364

00:12:50,949 --> 00:12:48,800

silver discs flying over the city

365

00:12:52,310 --> 00:12:50,959

anti-aircraft parties opened up on them

366

00:12:55,190 --> 00:12:52,320

and kept firing out them for two and a

367

00:12:56,870 --> 00:12:55,200

half hours um people saw

368

00:12:58,790 --> 00:12:56,880

anti-aircraft shells hitting these

369

00:13:00,949 --> 00:12:58,800

things but having no effect in them

370

00:13:02,870 --> 00:13:00,959

in fact so many anti-aircraft shells

371

00:13:04,150 --> 00:13:02,880

were fired off when they blow up if they

372

00:13:06,069 --> 00:13:04,160

don't hit anything

373

00:13:07,829 --> 00:13:06,079

shrapnel comes down and kills six people

374

00:13:09,509 --> 00:13:07,839

on the ground yeah did a lot of uh

375

00:13:10,310 --> 00:13:09,519

property damage so

376

00:13:14,710 --> 00:13:10,320

uh

377

00:13:16,470 --> 00:13:14,720

point of this whatever was going on um a

378

00:13:18,710 --> 00:13:16,480

photographer from the los angeles times

379

00:13:21,350 --> 00:13:18,720

took a picture which is in the book

380

00:13:23,590 --> 00:13:21,360

of a ufo just caught in seven or eight

381

00:13:25,269 --> 00:13:23,600

searchlights with anti-aircraft fire

382

00:13:27,269 --> 00:13:25,279

firing at it and and if you look at the

383

00:13:30,230 --> 00:13:27,279

photo it can be nothing other than a

384

00:13:33,190 --> 00:13:30,240

flying saucer right yeah the next day

385

00:13:35,030 --> 00:13:33,200

the army and the navy

386

00:13:36,710 --> 00:13:35,040

disagreed on what had actually happened

387

00:13:39,590 --> 00:13:36,720

the navy wanted to say that it was just

388

00:13:41,269 --> 00:13:39,600

strictly war judas uh but the army knew

389

00:13:43,269 --> 00:13:41,279

that this wasn't the case and so they

390

00:13:45,030 --> 00:13:43,279

came up the story that um what actually

391

00:13:46,949 --> 00:13:45,040

was was um

392

00:13:49,910 --> 00:13:46,959

a japanese bomb is disguised as

393

00:13:51,829 --> 00:13:49,920

airliners bombing l.a

394

00:13:53,110 --> 00:13:51,839

and taking off from a secret base in

395

00:13:55,269 --> 00:13:53,120

mexico

396

00:13:57,269 --> 00:13:55,279

which frankly sounds like the plot to

397

00:13:59,509 --> 00:13:57,279

one of my other books

398

00:14:01,269 --> 00:13:59,519

um so no one believed that and so what

399

00:14:03,670 --> 00:14:01,279

happened was the wasp senses then

400

00:14:05,350 --> 00:14:03,680

stepped in at the end of that day and

401
00:14:07,750 --> 00:14:05,360
just clamped down all information on

402
00:14:09,750 --> 00:14:07,760
what happened and it went away i mean

403
00:14:10,710 --> 00:14:09,760
it's amazing but you know the country

404
00:14:12,150 --> 00:14:10,720
was

405
00:14:13,670 --> 00:14:12,160
into other things you know the world war

406
00:14:15,350 --> 00:14:13,680
two it just started people were kind of

407
00:14:17,509 --> 00:14:15,360
freaking out to know what the outcome

408
00:14:19,350 --> 00:14:17,519
was going to be so um people more or

409
00:14:21,110 --> 00:14:19,360
less forgot about it it only came back

410
00:14:23,509 --> 00:14:21,120
briefly when steven spielberg made a

411
00:14:26,069 --> 00:14:23,519
really bad movie called 1942 which is

412
00:14:27,670 --> 00:14:26,079
about this but um the movie itself was

413
00:14:28,870 --> 00:14:27,680

really kind of like animal house in

414

00:14:30,949 --> 00:14:28,880

airplanes

415

00:14:32,949 --> 00:14:30,959

and it was like a really bad movie and

416

00:14:33,750 --> 00:14:32,959

and if anyone if people out they have

417

00:14:36,150 --> 00:14:33,760

any

418

00:14:38,710 --> 00:14:36,160

knowledge of this um incident it's it's

419

00:14:40,230 --> 00:14:38,720

a lot of it is from that movie uh so no

420

00:14:42,470 --> 00:14:40,240

one has ever figured out what happened

421

00:14:44,470 --> 00:14:42,480

there was no official us investigation

422

00:14:46,230 --> 00:14:44,480

done but once again you know from all

423

00:14:48,629 --> 00:14:46,240

the people who saw it and from the photo

424

00:14:51,030 --> 00:14:48,639

that the los angeles times had it's it's

425

00:14:52,949 --> 00:14:51,040

really hard to argue that

426

00:14:54,470 --> 00:14:52,959

it was something other than a ufo

427

00:14:57,110 --> 00:14:54,480

because that's what a true looks like in

428

00:15:00,069 --> 00:14:57,120

the photo right now so then five more

429

00:15:01,990 --> 00:15:00,079

years goes by and then kenneth arnold

430

00:15:04,710 --> 00:15:02,000

um is

431

00:15:05,910 --> 00:15:04,720

which i never realized the part um in

432

00:15:07,670 --> 00:15:05,920

your book

433

00:15:11,110 --> 00:15:07,680

which uh talks about that he was hired

434

00:15:12,870 --> 00:15:11,120

as a as a writer about the incident that

435

00:15:14,870 --> 00:15:12,880

happened three days before his sighting

436

00:15:16,470 --> 00:15:14,880

right the maury island incident and that

437

00:15:20,470 --> 00:15:16,480

that sounds almost

438

00:15:22,389 --> 00:15:20,480

or something it just seems weird to you

439

00:15:24,150 --> 00:15:22,399

know how that all entangled together can

440

00:15:25,990 --> 00:15:24,160

you just give a brief description on how

441

00:15:27,430 --> 00:15:26,000

that all happened well the maury island

442

00:15:30,550 --> 00:15:27,440

incident is is probably one of the

443

00:15:32,310 --> 00:15:30,560

strangest ufo stories out there

444

00:15:33,829 --> 00:15:32,320

and that's why we felt we had to put it

445

00:15:36,790 --> 00:15:33,839

in the book uh kenneth donald real

446

00:15:37,990 --> 00:15:36,800

briefly is the person who he saw

447

00:15:39,829 --> 00:15:38,000

a number of

448

00:15:41,750 --> 00:15:39,839

ufos flying over

449

00:15:47,110 --> 00:15:41,760

the cascade mountains in washington

450

00:15:49,430 --> 00:15:47,120

state this was in uh july of um 1947 and

451
00:15:51,509 --> 00:15:49,440
when he he was a private businessman

452
00:15:53,030 --> 00:15:51,519
flying alone in his own plane when he

453
00:15:55,430 --> 00:15:53,040
landed he mentioned it to some other

454
00:15:57,189 --> 00:15:55,440
pilots and

455
00:15:59,189 --> 00:15:57,199
soon thereafter the press got ahold of

456
00:16:00,310 --> 00:15:59,199
the story and he mentioned to the press

457
00:16:02,790 --> 00:16:00,320
that

458
00:16:05,509 --> 00:16:02,800
these things look like saucers skipping

459
00:16:07,509 --> 00:16:05,519
across the surface of a pond and the

460
00:16:09,910 --> 00:16:07,519
media took that quote and turned it into

461
00:16:11,590 --> 00:16:09,920
flying saucers so that's how we have the

462
00:16:13,509 --> 00:16:11,600
term flying saucers

463
00:16:15,350 --> 00:16:13,519

but what happened was three days before

464

00:16:18,150 --> 00:16:15,360

that happened there was a man named

465

00:16:20,870 --> 00:16:18,160

harold dowell who ran a business off of

466

00:16:23,509 --> 00:16:20,880

tacoma washington retrieving

467

00:16:25,189 --> 00:16:23,519

cut down trees that had fallen into

468

00:16:26,870 --> 00:16:25,199

tacoma bay

469

00:16:28,389 --> 00:16:26,880

and he would retrieve them and bring

470

00:16:29,670 --> 00:16:28,399

them back to the lumber companies a lot

471

00:16:30,870 --> 00:16:29,680

of lumber companies in that part of the

472

00:16:32,710 --> 00:16:30,880

country so

473

00:16:34,949 --> 00:16:32,720

he was out there one day with his son

474

00:16:36,470 --> 00:16:34,959

two other workers and his dog on this

475

00:16:37,509 --> 00:16:36,480

boat doing this

476
00:16:40,069 --> 00:16:37,519
when

477
00:16:41,670 --> 00:16:40,079
um five ufos came

478
00:16:43,829 --> 00:16:41,680
appeared out of nowhere and and were

479
00:16:46,150 --> 00:16:43,839
hovering right over his boat

480
00:16:48,949 --> 00:16:46,160
one of them seemed to be in trouble

481
00:16:50,870 --> 00:16:48,959
and the others kind of came up to it and

482
00:16:52,389 --> 00:16:50,880
gave it like almost like jumping a car

483
00:16:54,230 --> 00:16:52,399
they gave it like an electrical charge

484
00:16:56,629 --> 00:16:54,240
and the thing kind of revitalized itself

485
00:17:00,069 --> 00:16:56,639
in the in the process of doing that it

486
00:17:02,629 --> 00:17:00,079
expelled this um what they called slag

487
00:17:04,390 --> 00:17:02,639
which is the um byproduct of making

488
00:17:06,069 --> 00:17:04,400

steel but there's no steel mills up in

489

00:17:07,669 --> 00:17:06,079

this part of the world but anyway this

490

00:17:08,789 --> 00:17:07,679

leg started coming down on these people

491

00:17:10,630 --> 00:17:08,799

in the boat

492

00:17:12,069 --> 00:17:10,640

they beached the boat on maury island

493

00:17:13,990 --> 00:17:12,079

and took cover and kind of watched this

494

00:17:16,390 --> 00:17:14,000

whole fantastic thing going on

495

00:17:18,710 --> 00:17:16,400

above them and

496

00:17:21,189 --> 00:17:18,720

once the disabled ufo seemed to

497

00:17:23,429 --> 00:17:21,199

stabilize all the ufos just bumped off

498

00:17:25,829 --> 00:17:23,439

the gun in a second

499

00:17:28,549 --> 00:17:25,839

um they got back on the boat

500

00:17:30,710 --> 00:17:28,559

got back to tacoma harold son had been

501
00:17:32,070 --> 00:17:30,720
injured so he brings him to the hospital

502
00:17:33,909 --> 00:17:32,080
and the people rest the people in the

503
00:17:35,190 --> 00:17:33,919
boat swear they'll never talk about this

504
00:17:36,470 --> 00:17:35,200
incident again

505
00:17:38,470 --> 00:17:36,480
the next day

506
00:17:40,230 --> 00:17:38,480
a guy comes to harold down's house and

507
00:17:42,870 --> 00:17:40,240
he convinces him that he's an insurance

508
00:17:44,950 --> 00:17:42,880
man insurance salesman

509
00:17:46,549 --> 00:17:44,960
he convinces him to go out to breakfast

510
00:17:48,230 --> 00:17:46,559
with them and at breakfast though this

511
00:17:49,590 --> 00:17:48,240
gentleman who was all dressed in black

512
00:17:51,110 --> 00:17:49,600
so he might have been one of the first

513
00:17:52,470 --> 00:17:51,120

men in black yeah

514

00:17:54,630 --> 00:17:52,480

i said to him listen i know what

515

00:17:56,390 --> 00:17:54,640

happened to you at maury island he

516

00:17:58,549 --> 00:17:56,400

started ticking off things that only

517

00:18:00,549 --> 00:17:58,559

someone who was there would know

518

00:18:03,190 --> 00:18:00,559

and said it's in your best interest not

519

00:18:04,950 --> 00:18:03,200

to talk about this to anybody

520

00:18:06,390 --> 00:18:04,960

if you do you're going to be in trouble

521

00:18:07,510 --> 00:18:06,400

and there's going to be problems for

522

00:18:09,270 --> 00:18:07,520

your family

523

00:18:10,070 --> 00:18:09,280

and your job

524

00:18:11,909 --> 00:18:10,080

so

525

00:18:13,750 --> 00:18:11,919

this kind of put a scare into heroin now

526

00:18:15,590 --> 00:18:13,760

but later on that afternoon he went and

527

00:18:17,270 --> 00:18:15,600

he told the story to his boss a guy

528

00:18:19,350 --> 00:18:17,280

named fred christman

529

00:18:21,110 --> 00:18:19,360

whose name will be important later on

530

00:18:24,230 --> 00:18:21,120

and chrisman says he went out to murray

531

00:18:26,070 --> 00:18:24,240

allen and he too saw some kind of ufos

532

00:18:27,750 --> 00:18:26,080

so together they got in touch with an

533

00:18:29,669 --> 00:18:27,760

editor in chicago of a science fiction

534

00:18:31,830 --> 00:18:29,679

magazine and convinced this guy to do a

535

00:18:33,669 --> 00:18:31,840

story in what they had seen

536

00:18:35,270 --> 00:18:33,679

and the editor thought

537

00:18:37,510 --> 00:18:35,280

who better to

538

00:18:39,669 --> 00:18:37,520

write the story than kenneth arnold the

539

00:18:43,029 --> 00:18:39,679

guy who was responsible for the coinage

540

00:18:44,070 --> 00:18:43,039

of the term flying saucers so even

541

00:18:46,230 --> 00:18:44,080

though kenneth arnold wasn't a

542

00:18:47,590 --> 00:18:46,240

journalist he agrees to do the job oh

543

00:18:49,750 --> 00:18:47,600

and see that's the connection i didn't

544

00:18:52,390 --> 00:18:49,760

get before i got it this was his first

545

00:18:55,110 --> 00:18:52,400

writing assignment yeah and last yeah

546

00:18:56,870 --> 00:18:55,120

so he flew to tacoma he got a hotel room

547

00:18:58,390 --> 00:18:56,880

he talked to these two guys and as they

548

00:19:00,470 --> 00:18:58,400

were in there talking

549

00:19:01,270 --> 00:19:00,480

about what had happened he gets a phone

550

00:19:03,669 --> 00:19:01,280

call

551
00:19:06,150 --> 00:19:03,679
from a newspaper editor of the tacoma

552
00:19:08,789 --> 00:19:06,160
times and he says i don't know who you

553
00:19:10,789 --> 00:19:08,799
people are i don't i don't really know

554
00:19:12,070 --> 00:19:10,799
what you're doing but i have someone on

555
00:19:13,510 --> 00:19:12,080
the other line who's telling me every

556
00:19:14,710 --> 00:19:13,520
single thing you're seeing inside that

557
00:19:16,710 --> 00:19:14,720
hotel room

558
00:19:17,669 --> 00:19:16,720
so right away kenneth and dowell and

559
00:19:20,150 --> 00:19:17,679
crispin

560
00:19:23,029 --> 00:19:20,160
kind of freak out and they um scan the

561
00:19:25,029 --> 00:19:23,039
rooms for bugs or listening devices

562
00:19:26,630 --> 00:19:25,039
can't find anything

563
00:19:29,110 --> 00:19:26,640

at that point they decided they should

564

00:19:31,110 --> 00:19:29,120

get the military involved they

565

00:19:32,950 --> 00:19:31,120

at that time arnold had now made some

566

00:19:34,950 --> 00:19:32,960

contacts with the military this was

567

00:19:37,110 --> 00:19:34,960

about a month and a half after his

568

00:19:39,270 --> 00:19:37,120

sighting and

569

00:19:43,029 --> 00:19:39,280

two military intelligence officers flew

570

00:19:45,909 --> 00:19:43,039

up from california to tacoma and a b-25

571

00:19:47,190 --> 00:19:45,919

bomber and landed and joined them in the

572

00:19:50,630 --> 00:19:47,200

hotel room

573

00:19:52,789 --> 00:19:50,640

and debriefed let's say the two guys

574

00:19:55,909 --> 00:19:52,799

chrisman and harold dow

575

00:19:57,190 --> 00:19:55,919

and uh got a piece of these slag and

576
00:19:59,029 --> 00:19:57,200
then left

577
00:20:01,029 --> 00:19:59,039
uh they went back to tacoma airport

578
00:20:02,950 --> 00:20:01,039
which was also a military airport i had

579
00:20:04,789 --> 00:20:02,960
a brief conversation with the

580
00:20:06,710 --> 00:20:04,799
intelligence officer there

581
00:20:08,789 --> 00:20:06,720
got on their plane to take off to go

582
00:20:10,630 --> 00:20:08,799
back to california and within 30 minutes

583
00:20:13,350 --> 00:20:10,640
both of these guys were dead

584
00:20:16,470 --> 00:20:13,360
uh their b25 crashed very close to where

585
00:20:18,470 --> 00:20:16,480
kenneth arnold had had his sighting

586
00:20:20,630 --> 00:20:18,480
at that point arnold said you know this

587
00:20:22,950 --> 00:20:20,640
is getting too weird for me

588
00:20:24,710 --> 00:20:22,960

he gives up his journalism career he

589

00:20:26,230 --> 00:20:24,720

calls the magazine and said you know i

590

00:20:28,149 --> 00:20:26,240

can't do this anymore he gets in his

591

00:20:29,909 --> 00:20:28,159

plane to fly home and something goes

592

00:20:31,990 --> 00:20:29,919

wrong with his plan and he almost

593

00:20:34,070 --> 00:20:32,000

crashes and the fact that he was

594

00:20:36,149 --> 00:20:34,080

such a skill pilot probably prevented

595

00:20:39,430 --> 00:20:36,159

him from being killed

596

00:20:40,950 --> 00:20:39,440

after that the fbi got involved and and

597

00:20:42,390 --> 00:20:40,960

the rumors started that it was a hoax

598

00:20:43,430 --> 00:20:42,400

and then other rumors that it was

599

00:20:46,149 --> 00:20:43,440

actually some kind of a

600

00:20:48,549 --> 00:20:46,159

counterintelligence operation uh we have

601
00:20:50,630 --> 00:20:48,559
we quote cables in the book from

602
00:20:53,110 --> 00:20:50,640
dre hoover to his

603
00:20:55,669 --> 00:20:53,120
agents in tacoma who say that

604
00:20:57,190 --> 00:20:55,679
they know that chrisman and dao believed

605
00:20:59,029 --> 00:20:57,200
what they saw they didn't believe it was

606
00:21:00,630 --> 00:20:59,039
a hoax jack hoover didn't think it was a

607
00:21:02,950 --> 00:21:00,640
hoax

608
00:21:04,230 --> 00:21:02,960
and then um no one that was able to

609
00:21:05,110 --> 00:21:04,240
figure it out

610
00:21:07,190 --> 00:21:05,120
um

611
00:21:08,870 --> 00:21:07,200
they spoke about it later on and so did

612
00:21:11,990 --> 00:21:08,880
kenneth arnold speak about it later on

613
00:21:13,830 --> 00:21:12,000

at various ufo um conventions and stuff

614

00:21:15,830 --> 00:21:13,840

but the interesting thing other very

615

00:21:17,350 --> 00:21:15,840

strange thing was that years later fred

616

00:21:19,669 --> 00:21:17,360

christman

617

00:21:21,750 --> 00:21:19,679

was called before a panel investigating

618

00:21:23,350 --> 00:21:21,760

the jfk assassination

619

00:21:24,870 --> 00:21:23,360

because um

620

00:21:26,310 --> 00:21:24,880

if if you know about the jfk

621

00:21:28,149 --> 00:21:26,320

assassination you know that at the time

622

00:21:29,990 --> 00:21:28,159

of the assassination the dallas police

623

00:21:32,310 --> 00:21:30,000

arrested three hobos on the railroad

624

00:21:34,310 --> 00:21:32,320

track nearby and one of them had the

625

00:21:36,390 --> 00:21:34,320

name of uh fred christman his name and

626

00:21:37,830 --> 00:21:36,400

phone number on him that's bizarre it is

627

00:21:39,190 --> 00:21:37,840

bizarre no one's ever been able to

628

00:21:41,270 --> 00:21:39,200

figure out the connections or whatever

629

00:21:43,510 --> 00:21:41,280

but as i said um

630

00:21:45,830 --> 00:21:43,520

it's one of the strangest stories in ufo

631

00:21:47,350 --> 00:21:45,840

history that we came upon right right

632

00:21:49,350 --> 00:21:47,360

now um

633

00:21:51,669 --> 00:21:49,360

i can't recall i read your book i

634

00:21:53,350 --> 00:21:51,679

finished it just recently but was there

635

00:21:55,270 --> 00:21:53,360

any civil war

636

00:21:58,070 --> 00:21:55,280

there was no civil war ones that's

637

00:22:00,710 --> 00:21:58,080

interesting was revolutionary ones and

638

00:22:03,110 --> 00:22:00,720

world war one into in korea and all the

639

00:22:05,029 --> 00:22:03,120

way up to present day walk but as hot as

640

00:22:06,710 --> 00:22:05,039

um we looked we couldn't find anything

641

00:22:08,710 --> 00:22:06,720

in the civil war yeah yeah i didn't

642

00:22:11,029 --> 00:22:08,720

remember interesting and what about

643

00:22:13,110 --> 00:22:11,039

other wars in other countries like you

644

00:22:15,029 --> 00:22:13,120

know uh just

645

00:22:18,310 --> 00:22:15,039

battles and other countries i mean as

646

00:22:20,149 --> 00:22:18,320

far as i i've heard uh like 20 years ago

647

00:22:21,510 --> 00:22:20,159

that there were there's over 50 000

648

00:22:23,270 --> 00:22:21,520

recorded wars which is kind of

649

00:22:25,909 --> 00:22:23,280

depressing

650

00:22:27,909 --> 00:22:25,919

so are there little did you find any uh

651
00:22:29,669 --> 00:22:27,919
reference to like

652
00:22:31,750 --> 00:22:29,679
wars battles between other countries

653
00:22:33,270 --> 00:22:31,760
where the u.s wasn't involved no we just

654
00:22:35,430 --> 00:22:33,280
really had to

655
00:22:39,270 --> 00:22:35,440
narrow it down to um

656
00:22:41,029 --> 00:22:39,280
ufo i mean u.s and ufo encounters or you

657
00:22:43,029 --> 00:22:41,039
know when it comes to world war one

658
00:22:44,870 --> 00:22:43,039
world war ii uh with the british there's

659
00:22:45,590 --> 00:22:44,880
some british stories in there but you

660
00:22:50,149 --> 00:22:45,600
know

661
00:22:52,149 --> 00:22:50,159
the bosporous war in 1893 or something

662
00:22:53,430 --> 00:22:52,159
i don't know you know maybe who knows

663
00:22:55,110 --> 00:22:53,440

yeah yeah

664

00:22:57,190 --> 00:22:55,120

um

665

00:22:58,470 --> 00:22:57,200

the other thing i'd like to talk about

666

00:22:59,590 --> 00:22:58,480

is um

667

00:23:02,470 --> 00:22:59,600

a lot of times you mentioned in your

668

00:23:04,950 --> 00:23:02,480

book which is pretty typical is that

669

00:23:07,029 --> 00:23:04,960

people are told not to talk about it now

670

00:23:08,390 --> 00:23:07,039

you hear as far as someone like

671

00:23:10,710 --> 00:23:08,400

researching or

672

00:23:12,630 --> 00:23:10,720

or paying attention to ufos and things

673

00:23:15,590 --> 00:23:12,640

like that you you always hear about the

674

00:23:17,830 --> 00:23:15,600

foo fighters but no real detail

675

00:23:19,270 --> 00:23:17,840

um other than gordon and you know

676

00:23:20,630 --> 00:23:19,280

mentioning it

677

00:23:22,630 --> 00:23:20,640

a few times

678

00:23:24,390 --> 00:23:22,640

but there was a lot going on during

679

00:23:25,909 --> 00:23:24,400

those world war one and war especially

680

00:23:27,029 --> 00:23:25,919

world war ii

681

00:23:29,270 --> 00:23:27,039

um

682

00:23:31,029 --> 00:23:29,280

how many how many reported would you ha

683

00:23:34,310 --> 00:23:31,039

if you had to guess how many reports in

684

00:23:36,950 --> 00:23:34,320

total would you have any idea well

685

00:23:38,710 --> 00:23:36,960

not really because i i can guess

686

00:23:41,830 --> 00:23:38,720

and i'm gonna basically guess on my

687

00:23:44,149 --> 00:23:41,840

conversations with uh another writer who

688

00:23:46,310 --> 00:23:44,159

i was able to work with um keith chester

689

00:23:47,990 --> 00:23:46,320

who wrote a book called strange company

690

00:23:50,630 --> 00:23:48,000

about five years ago and it's really the

691

00:23:52,710 --> 00:23:50,640

bible on foo fighters he really did a

692

00:23:54,230 --> 00:23:52,720

lot of research and went down to

693

00:23:56,149 --> 00:23:54,240

washington dc and got right into the

694

00:23:57,669 --> 00:23:56,159

atheist force intelligence reports and

695

00:24:00,310 --> 00:23:57,679

stuff and um

696

00:24:01,990 --> 00:24:00,320

he he came upon about a thousand reports

697

00:24:03,750 --> 00:24:02,000

of foo fighters that could be connected

698

00:24:06,710 --> 00:24:03,760

to foo fighters between the british and

699

00:24:10,549 --> 00:24:06,720

in american obama commands

700

00:24:12,390 --> 00:24:10,559

but he also says that estimates that um

701
00:24:14,149 --> 00:24:12,400
maybe 10

702
00:24:16,710 --> 00:24:14,159
this represents only 10 percent of what

703
00:24:18,950 --> 00:24:16,720
was actually seen because at the time

704
00:24:21,350 --> 00:24:18,960
the intelligence officers of the 8th air

705
00:24:22,630 --> 00:24:21,360
force and obama command

706
00:24:25,669 --> 00:24:22,640
really

707
00:24:27,830 --> 00:24:25,679
dissuaded obama crews and pilots from

708
00:24:29,909 --> 00:24:27,840
talking about seeing these things

709
00:24:32,630 --> 00:24:29,919
because for the first

710
00:24:34,710 --> 00:24:32,640
first reason one reason is they didn't

711
00:24:35,990 --> 00:24:34,720
want any of this uh flash gordon buck

712
00:24:37,510 --> 00:24:36,000
rogers stuff

713
00:24:39,590 --> 00:24:37,520

in their intelligence reports is what

714

00:24:41,590 --> 00:24:39,600

they used to refer to it as a number two

715

00:24:43,430 --> 00:24:41,600

there was a group think especially among

716

00:24:45,990 --> 00:24:43,440

the british that what these things were

717

00:24:47,990 --> 00:24:46,000

were actually nazi secret weapons yeah

718

00:24:49,909 --> 00:24:48,000

and and that the prevailing wisdom was

719

00:24:52,149 --> 00:24:49,919

that look we don't have the time or the

720

00:24:54,310 --> 00:24:52,159

ex money or the where thought to go and

721

00:24:55,990 --> 00:24:54,320

look into exactly what all this stuff is

722

00:24:56,789 --> 00:24:56,000

we have to win the war once we win the

723

00:24:58,390 --> 00:24:56,799

war

724

00:25:00,149 --> 00:24:58,400

we're so sure that the german secret

725

00:25:01,990 --> 00:25:00,159

weapons that we'll find out what they

726

00:25:03,430 --> 00:25:02,000

are once we win the law

727

00:25:04,870 --> 00:25:03,440

well the thing was was that when the war

728

00:25:06,950 --> 00:25:04,880

was over

729

00:25:09,269 --> 00:25:06,960

and they went into germany they found no

730

00:25:11,430 --> 00:25:09,279

evidence that these things were german

731

00:25:13,110 --> 00:25:11,440

super weapons for them to be german

732

00:25:16,470 --> 00:25:13,120

supreme weapons they would have to in

733

00:25:18,870 --> 00:25:16,480

into for the germans to be making aerial

734

00:25:20,390 --> 00:25:18,880

aerial vehicles with the capability that

735

00:25:22,070 --> 00:25:20,400

these things had

736

00:25:23,750 --> 00:25:22,080

right it would have been a project on

737

00:25:25,909 --> 00:25:23,760

the size of the manhattan project it

738

00:25:29,110 --> 00:25:25,919

would have been i mean out of this world

739

00:25:32,549 --> 00:25:29,120

literally and um there was no uh you

740

00:25:33,430 --> 00:25:32,559

know no huge factory found there was no

741

00:25:35,269 --> 00:25:33,440

huge

742

00:25:37,590 --> 00:25:35,279

support apparatus that would have been

743

00:25:39,269 --> 00:25:37,600

needed found no one ever came forward

744

00:25:40,470 --> 00:25:39,279

and said i was flying these things you

745

00:25:41,669 --> 00:25:40,480

know in fact the germans said to the

746

00:25:43,510 --> 00:25:41,679

americans we thought they were your

747

00:25:44,549 --> 00:25:43,520

secret weapons and the japanese said the

748

00:25:46,710 --> 00:25:44,559

same thing

749

00:25:47,909 --> 00:25:46,720

uh they asked the japanese after the war

750

00:25:50,070 --> 00:25:47,919

first of all they said did you have any

751

00:25:52,470 --> 00:25:50,080

planes over los angeles on the night of

752

00:25:54,470 --> 00:25:52,480

february 24th and 25th they said no they

753

00:25:56,390 --> 00:25:54,480

did not have the technology to like move

754

00:25:58,310 --> 00:25:56,400

a carrier close to california at that

755

00:26:00,710 --> 00:25:58,320

time or ever during the war

756

00:26:03,110 --> 00:26:00,720

and um they said no we have no idea what

757

00:26:04,870 --> 00:26:03,120

that was and we would see these foo

758

00:26:06,390 --> 00:26:04,880

fighters too a lot of them actually

759

00:26:07,590 --> 00:26:06,400

happened in the pacific there too and we

760

00:26:08,950 --> 00:26:07,600

thought they were american secret

761

00:26:10,549 --> 00:26:08,960

weapons so

762

00:26:12,710 --> 00:26:10,559

no one ever figured out what they were

763

00:26:14,230 --> 00:26:12,720

and i think it was what's really telling

764

00:26:16,549 --> 00:26:14,240

is that one once the war was over they

765

00:26:19,190 --> 00:26:16,559

all went away yeah no one saw them you

766

00:26:20,470 --> 00:26:19,200

know months later or anything so

767

00:26:22,149 --> 00:26:20,480

once again it's one of the it's one

768

00:26:23,909 --> 00:26:22,159

piece of this whole big ufo puzzle that

769

00:26:26,549 --> 00:26:23,919

no one's ever been able to figure out

770

00:26:28,710 --> 00:26:26,559

right right and and then night after

771

00:26:31,029 --> 00:26:28,720

1947 all of a sudden

772

00:26:32,549 --> 00:26:31,039

you know they were everywhere right and

773

00:26:33,830 --> 00:26:32,559

a lot and a lot of people are

774

00:26:35,669 --> 00:26:33,840

speculating that had something to do

775

00:26:38,470 --> 00:26:35,679

with the nuclear

776

00:26:40,470 --> 00:26:38,480

arms testing things like that i mean it

777

00:26:42,230 --> 00:26:40,480

could very well be there's stories in

778

00:26:45,029 --> 00:26:42,240

there about how um

779

00:26:47,830 --> 00:26:45,039

ufos show up a lot over uh nuclear

780

00:26:49,669 --> 00:26:47,840

plants yes um not just um

781

00:26:50,789 --> 00:26:49,679

nuclear weapons plants but for instance

782

00:26:51,750 --> 00:26:50,799

in washington there's a place called

783

00:26:53,990 --> 00:26:51,760

hanafan

784

00:26:56,149 --> 00:26:54,000

nuclear facility where they made the

785

00:26:59,110 --> 00:26:56,159

first fuel for the atomic weapons and

786

00:27:00,870 --> 00:26:59,120

and this place you know had ufos flying

787

00:27:03,909 --> 00:27:00,880

around that

788

00:27:05,590 --> 00:27:03,919

almost on a daily basis in the late 40s

789

00:27:07,669 --> 00:27:05,600

there's a story in there about the

790

00:27:10,070 --> 00:27:07,679

aircraft carrier franklin donald

791

00:27:11,669 --> 00:27:10,080

roosevelt that was in service for 30

792

00:27:14,149 --> 00:27:11,679

years it was the first

793

00:27:15,750 --> 00:27:14,159

u.s navy warship to have nuclear weapons

794

00:27:18,549 --> 00:27:15,760

on board and

795

00:27:21,909 --> 00:27:18,559

this ship was virtually stocked by ufos

796

00:27:23,909 --> 00:27:21,919

for 30 years we came on six instances

797

00:27:25,909 --> 00:27:23,919

where ufos were

798

00:27:28,710 --> 00:27:25,919

following it hovering over it lots of

799

00:27:30,710 --> 00:27:28,720

people saw them uh right up until uh

800

00:27:32,549 --> 00:27:30,720

almost as last year's in service ufos

801
00:27:34,549 --> 00:27:32,559
were just showing up over this

802
00:27:35,830 --> 00:27:34,559
aircraft carrier on a regular basis

803
00:27:38,390 --> 00:27:35,840
and then of course we have a lot of

804
00:27:40,630 --> 00:27:38,400
stories about ufos showing up over icm

805
00:27:41,750 --> 00:27:40,640
bases in the 60s and 70s so they seem to

806
00:27:43,990 --> 00:27:41,760
be very

807
00:27:46,549 --> 00:27:44,000
interested in our nuclear weapons and

808
00:27:48,549 --> 00:27:46,559
and what we're doing with them right

809
00:27:51,430 --> 00:27:48,559
i know right now steven bassett are you

810
00:27:52,470 --> 00:27:51,440
familiar with who he is he has a uh

811
00:27:57,510 --> 00:27:52,480
petition

812
00:27:59,750 --> 00:27:57,520
about the nuclear arms um ufos showing

813
00:28:00,630 --> 00:27:59,760

up over with nuclear arms and disarming

814

00:28:02,070 --> 00:28:00,640

them and

815

00:28:04,549 --> 00:28:02,080

things like that which is quite

816

00:28:05,990 --> 00:28:04,559

fascinating it's it uh kind of makes you

817

00:28:07,669 --> 00:28:06,000

think that okay they're trying to tell

818

00:28:08,789 --> 00:28:07,679

us something you know

819

00:28:10,870 --> 00:28:08,799

i think they are trying to tell us

820

00:28:12,630 --> 00:28:10,880

something um we

821

00:28:14,549 --> 00:28:12,640

there are so many instances where we

822

00:28:16,870 --> 00:28:14,559

could only put i think 20 of them in the

823

00:28:19,029 --> 00:28:16,880

book but there are there were

824

00:28:21,430 --> 00:28:19,039

dozens of them where ufos would show up

825

00:28:24,389 --> 00:28:21,440

over our icbm

826

00:28:25,830 --> 00:28:24,399

silos in the 60s and 70s and even more

827

00:28:27,909 --> 00:28:25,840

recently now

828

00:28:30,389 --> 00:28:27,919

where when the ufo would hover over the

829

00:28:31,990 --> 00:28:30,399

silos either the power would go out

830

00:28:33,909 --> 00:28:32,000

or something would go wrong with the

831

00:28:35,909 --> 00:28:33,919

targeting of the icbm or something would

832

00:28:37,750 --> 00:28:35,919

go wrong with the entire warhead

833

00:28:40,470 --> 00:28:37,760

and sometimes when the ufo would move

834

00:28:42,230 --> 00:28:40,480

away whatever went wrong would

835

00:28:43,590 --> 00:28:42,240

be come back to life or whatever

836

00:28:46,310 --> 00:28:43,600

sometimes it wouldn't

837

00:28:48,630 --> 00:28:46,320

um i think that's really sending

838

00:28:50,710 --> 00:28:48,640

you know a very clear message that they

839

00:28:52,630 --> 00:28:50,720

um know what these things are and and

840

00:28:55,350 --> 00:28:52,640

that they have almost more control over

841

00:28:57,750 --> 00:28:55,360

them than we do and um very few people

842

00:28:59,830 --> 00:28:57,760

know about this uh you know in

843

00:29:02,149 --> 00:28:59,840

in the civilian population because uh

844

00:29:04,310 --> 00:29:02,159

the us military has done a great job at

845

00:29:06,470 --> 00:29:04,320

covering all this up yeah

846

00:29:08,549 --> 00:29:06,480

yeah and there's there's a lot of that

847

00:29:11,110 --> 00:29:08,559

there were of course you you came across

848

00:29:12,710 --> 00:29:11,120

a lot of articles and a lot of sightings

849

00:29:14,230 --> 00:29:12,720

or whatever that you could not put in

850

00:29:16,310 --> 00:29:14,240

the book you know because you just had

851
00:29:18,389 --> 00:29:16,320
ran out of space and time i'm sure but

852
00:29:19,669 --> 00:29:18,399
is there one that comes to mind that was

853
00:29:21,510 --> 00:29:19,679
pretty interesting that you just

854
00:29:23,750 --> 00:29:21,520
couldn't put in the book well i know

855
00:29:25,590 --> 00:29:23,760
this i know that i wish that the this

856
00:29:27,590 --> 00:29:25,600
isn't exactly answering the question but

857
00:29:31,350 --> 00:29:27,600
i wish that we were able to do a longer

858
00:29:33,750 --> 00:29:31,360
chapter on the ufos in korea

859
00:29:34,549 --> 00:29:33,760
there were so many ufo reports in korea

860
00:29:40,070 --> 00:29:34,559
in

861
00:29:42,230 --> 00:29:40,080
operations korea is about one-third the

862
00:29:44,630 --> 00:29:42,240
size of texas and all of a sudden you

863
00:29:47,269 --> 00:29:44,640

had hundreds of jet fighters flying over

864

00:29:48,950 --> 00:29:47,279

it hundreds of ships offshore

865

00:29:50,230 --> 00:29:48,960

thousands of troops on the ground on

866

00:29:52,310 --> 00:29:50,240

both sides

867

00:29:55,029 --> 00:29:52,320

and it's the first

868

00:29:56,870 --> 00:29:55,039

instance where not only do you have

869

00:29:58,389 --> 00:29:56,880

radars on ships and on the ground but

870

00:30:00,070 --> 00:29:58,399

you have radars in the airplanes

871

00:30:03,110 --> 00:30:00,080

themselves and that's the whole thing

872

00:30:04,870 --> 00:30:03,120

about ufos is seeing is one thing

873

00:30:06,870 --> 00:30:04,880

being picked up on radar is another

874

00:30:08,630 --> 00:30:06,880

right if someone sees something and then

875

00:30:10,070 --> 00:30:08,640

it's picked up on radar

876

00:30:12,149 --> 00:30:10,080

you got something going there yeah

877

00:30:13,590 --> 00:30:12,159

there's something there and um

878

00:30:15,990 --> 00:30:13,600

and it's just because you had all these

879

00:30:17,110 --> 00:30:16,000

radars flying around that um

880

00:30:19,510 --> 00:30:17,120

that that

881

00:30:21,750 --> 00:30:19,520

a lot of ufos were identified visually

882

00:30:23,190 --> 00:30:21,760

and on radar you could write a book well

883

00:30:25,269 --> 00:30:23,200

someone did write a book which dr

884

00:30:27,830 --> 00:30:25,279

richard haynes wrote a book oh yes um

885

00:30:29,510 --> 00:30:27,840

you know ufos in korea and um

886

00:30:32,549 --> 00:30:29,520

we kind of dipped into that for the best

887

00:30:35,110 --> 00:30:32,559

stories but um yeah if i there were many

888

00:30:37,190 --> 00:30:35,120

more stories about the korean war and

889

00:30:38,710 --> 00:30:37,200

ufos that we just didn't have the time

890

00:30:41,029 --> 00:30:38,720

the space to get into but very

891

00:30:42,149 --> 00:30:41,039

interesting kind of era of the ufo

892

00:30:44,389 --> 00:30:42,159

history

893

00:30:46,950 --> 00:30:44,399

yeah did you work with uh richard at all

894

00:30:49,350 --> 00:30:46,960

richard haynes at all on any any of this

895

00:30:53,190 --> 00:30:49,360

we um i talked to him twice on the phone

896

00:30:55,430 --> 00:30:53,200

he's an interesting guy yes he is he was

897

00:30:57,190 --> 00:30:55,440

really high up the ladder at nasa

898

00:31:00,310 --> 00:30:57,200

in the 60s he had a lot to do with

899

00:31:03,110 --> 00:31:00,320

designing the gemini space capsule

900

00:31:05,830 --> 00:31:03,120

and other things and then he became so

901
00:31:06,630 --> 00:31:05,840
involved in trying to find out what ufos

902
00:31:11,190 --> 00:31:06,640
uh

903
00:31:12,230 --> 00:31:11,200
his life you know

904
00:31:14,630 --> 00:31:12,240
um

905
00:31:15,990 --> 00:31:14,640
kind of a secretive guy nice guy

906
00:31:17,110 --> 00:31:16,000
talked to him on the phone twice as i

907
00:31:18,549 --> 00:31:17,120
said and

908
00:31:20,950 --> 00:31:18,559
he gave me a lot of information about

909
00:31:23,350 --> 00:31:20,960
what was happening in korea gave me a

910
00:31:24,470 --> 00:31:23,360
lot of information off the record

911
00:31:27,029 --> 00:31:24,480
um

912
00:31:29,430 --> 00:31:27,039
which which i wish i could impart to you

913
00:31:32,230 --> 00:31:29,440

now but i promise not to but some very

914

00:31:33,430 --> 00:31:32,240

scary uh instances he told me about that

915

00:31:34,389 --> 00:31:33,440

have happened

916

00:31:37,190 --> 00:31:34,399

uh

917

00:31:40,389 --> 00:31:37,200

in the post-9 11 world

918

00:31:42,789 --> 00:31:40,399

um and i asked him i said you know

919

00:31:44,950 --> 00:31:42,799

you're you're a learned man and i i

920

00:31:45,750 --> 00:31:44,960

think he's a very courageous guy because

921

00:31:47,590 --> 00:31:45,760

the

922

00:31:50,070 --> 00:31:47,600

overall problem with ufo research is

923

00:31:53,110 --> 00:31:50,080

that uh you're ridiculed if you're a

924

00:31:55,669 --> 00:31:53,120

scientist that's right um to say i want

925

00:31:57,110 --> 00:31:55,679

to study with the what they are and and

926

00:31:58,710 --> 00:31:57,120

not only are you ridiculed you're not

927

00:32:00,230 --> 00:31:58,720

going to get any funding and when you're

928

00:32:01,909 --> 00:32:00,240

a scientist that's right yeah your

929

00:32:03,590 --> 00:32:01,919

reputation and funding are the two main

930

00:32:05,669 --> 00:32:03,600

things to keep you going and no one

931

00:32:07,669 --> 00:32:05,679

wants to do it but he did you know he

932

00:32:09,990 --> 00:32:07,679

did and um

933

00:32:12,230 --> 00:32:10,000

you know my hat's off to him um he's one

934

00:32:14,710 --> 00:32:12,240

of the people out there who are really

935

00:32:17,029 --> 00:32:14,720

trying to find out what is going on he's

936

00:32:19,190 --> 00:32:17,039

writing a book now ufos in vietnam which

937

00:32:21,029 --> 00:32:19,200

we touch on a little bit in our book

938

00:32:23,669 --> 00:32:21,039

um but um

939

00:32:25,350 --> 00:32:23,679

uh you know he is very learned man and

940

00:32:27,509 --> 00:32:25,360

really knew his stuff and it was really

941

00:32:29,350 --> 00:32:27,519

um it was really a big thrill for me to

942

00:32:32,070 --> 00:32:29,360

be able to talk to him and interview him

943

00:32:34,470 --> 00:32:32,080

right right and i i made that point

944

00:32:36,950 --> 00:32:34,480

before in a past podcast that you know

945

00:32:39,190 --> 00:32:36,960

it really a lot of it is about funding i

946

00:32:41,590 --> 00:32:39,200

mean there is no funding and and i think

947

00:32:43,029 --> 00:32:41,600

science should really take a hard look

948

00:32:44,710 --> 00:32:43,039

at this because

949

00:32:46,149 --> 00:32:44,720

you know millions of people can't be

950

00:32:47,990 --> 00:32:46,159

wrong that they're seeing these things

951
00:32:49,990 --> 00:32:48,000
that's right i mean there's

952
00:32:51,590 --> 00:32:50,000
up to a thousand ufo sightings every day

953
00:32:53,750 --> 00:32:51,600
around the globe

954
00:32:55,590 --> 00:32:53,760
there was a survey done a few years ago

955
00:32:57,110 --> 00:32:55,600
that 40 million americans believe in

956
00:32:58,789 --> 00:32:57,120
ufos

957
00:33:00,549 --> 00:32:58,799
actually 40 million people have either

958
00:33:03,590 --> 00:33:00,559
sorry ufo i know someone who has seen a

959
00:33:05,509 --> 00:33:03,600
ufo 80 million people believe in ufos

960
00:33:07,990 --> 00:33:05,519
and the thing is if they can spend 10

961
00:33:10,070 --> 00:33:08,000
billion on this super collider

962
00:33:11,350 --> 00:33:10,080
right switzerland to basically see you

963
00:33:12,630 --> 00:33:11,360

know what was

964

00:33:14,470 --> 00:33:12,640

happening

965

00:33:15,909 --> 00:33:14,480

milliseconds after the big bang which

966

00:33:17,750 --> 00:33:15,919

you know i'm sure will lead to great

967

00:33:20,230 --> 00:33:17,760

scientific discoveries

968

00:33:22,630 --> 00:33:20,240

um it would seem that you would want to

969

00:33:24,549 --> 00:33:22,640

put as much money or at least some of

970

00:33:25,909 --> 00:33:24,559

that money into figuring out what ufos

971

00:33:26,950 --> 00:33:25,919

are because

972

00:33:28,230 --> 00:33:26,960

if you

973

00:33:29,269 --> 00:33:28,240

finally figure out what they are it's

974

00:33:30,710 --> 00:33:29,279

going to be

975

00:33:33,509 --> 00:33:30,720

one of the greatest

976
00:33:35,110 --> 00:33:33,519
discoveries of human history absolutely

977
00:33:37,509 --> 00:33:35,120
but we don't need to know about

978
00:33:39,269 --> 00:33:37,519
neutrinos all that much you know they

979
00:33:40,789 --> 00:33:39,279
might be if we figure out what ufos are

980
00:33:42,549 --> 00:33:40,799
maybe we won't have to you know that's

981
00:33:44,389 --> 00:33:42,559
right that stuff is but for some reason

982
00:33:46,470 --> 00:33:44,399
well it's not for some reason it's it's

983
00:33:49,269 --> 00:33:46,480
basically because what the us government

984
00:33:50,070 --> 00:33:49,279
and the cia did early in the 50s were

985
00:33:52,549 --> 00:33:50,080
they

986
00:33:55,029 --> 00:33:52,559
had a definite program to

987
00:33:56,149 --> 00:33:55,039
make it so that anyone who reported a

988
00:33:58,230 --> 00:33:56,159

ufo

989

00:34:00,470 --> 00:33:58,240

you know airline pilots military pilots

990

00:34:04,070 --> 00:34:00,480

or just normal citizens would basically

991

00:34:06,070 --> 00:34:04,080

be ridiculed right and um and that you

992

00:34:08,230 --> 00:34:06,080

know is something that's still going on

993

00:34:10,149 --> 00:34:08,240

today i mean let's face it um

994

00:34:11,909 --> 00:34:10,159

you know i'm going to say maybe one out

995

00:34:13,669 --> 00:34:11,919

of two people's ufo is probably going to

996

00:34:14,790 --> 00:34:13,679

keep quiet about it because if you make

997

00:34:15,909 --> 00:34:14,800

a big deal

998

00:34:18,069 --> 00:34:15,919

half the people out there are going to

999

00:34:19,829 --> 00:34:18,079

think you're nuts that's right and i've

1000

00:34:21,990 --> 00:34:19,839

run into that myself i don't know if you

1001
00:34:23,669 --> 00:34:22,000
have but i've run into that a few times

1002
00:34:24,869 --> 00:34:23,679
and that's just the way it is and one of

1003
00:34:27,669 --> 00:34:24,879
the things that

1004
00:34:29,349 --> 00:34:27,679
a skeptic person would mention or say or

1005
00:34:31,190 --> 00:34:29,359
has said to me before i have a friend

1006
00:34:31,990 --> 00:34:31,200
that's really a skeptic but i really

1007
00:34:34,790 --> 00:34:32,000
like

1008
00:34:35,589 --> 00:34:34,800
that because we debate a lot about it

1009
00:34:38,230 --> 00:34:35,599
but

1010
00:34:40,310 --> 00:34:38,240
he says to me well then if it's true

1011
00:34:42,389 --> 00:34:40,320
then how come they're not on radars so

1012
00:34:44,950 --> 00:34:42,399
they are on radars and he said well you

1013
00:34:46,869 --> 00:34:44,960

don't see that or hear that anywhere and

1014

00:34:49,109 --> 00:34:46,879

you know it's just because someone's not

1015

00:34:51,190 --> 00:34:49,119

looking there's plenty of evidence out

1016

00:34:52,230 --> 00:34:51,200

there that they've been on radar right

1017

00:34:54,069 --> 00:34:52,240

now

1018

00:34:57,190 --> 00:34:54,079

i mean i can i'll quickly tell the story

1019

00:35:01,349 --> 00:34:57,200

of the ghost rockets of 1946

1020

00:35:04,069 --> 00:35:01,359

where um in sweden um in 1946 in the

1021

00:35:05,670 --> 00:35:04,079

spring of 1946 people started seeing

1022

00:35:07,670 --> 00:35:05,680

these rockets

1023

00:35:09,030 --> 00:35:07,680

flying over sweden

1024

00:35:12,550 --> 00:35:09,040

and

1025

00:35:15,190 --> 00:35:12,560

them were spotted sometimes they were

1026

00:35:17,349 --> 00:35:15,200

flying along inflammation people saw

1027

00:35:19,589 --> 00:35:17,359

them taking turns and maneuvering so on

1028

00:35:21,190 --> 00:35:19,599

and um the swedish military got so

1029

00:35:24,230 --> 00:35:21,200

concerned about it that they actually

1030

00:35:25,349 --> 00:35:24,240

broke their neutrality law secretly

1031

00:35:27,910 --> 00:35:25,359

went to the british and asked the

1032

00:35:29,190 --> 00:35:27,920

british to send them some radar and so

1033

00:35:31,430 --> 00:35:29,200

the british sent them a bunch of yeah

1034

00:35:32,950 --> 00:35:31,440

defense rate assets and sure enough

1035

00:35:34,710 --> 00:35:32,960

these things start showing up in radar

1036

00:35:36,870 --> 00:35:34,720

which i was talking about earlier like

1037

00:35:38,470 --> 00:35:36,880

in the korean war if you see it it's one

1038

00:35:39,990 --> 00:35:38,480

thing if it shows up in radar it's

1039

00:35:42,630 --> 00:35:40,000

another if you see it and it shows up

1040

00:35:44,470 --> 00:35:42,640

radar something is there and they got

1041

00:35:47,349 --> 00:35:44,480

just as soon as they installed this

1042

00:35:49,750 --> 00:35:47,359

british radar they they got 400 hits

1043

00:35:51,270 --> 00:35:49,760

right away of these strange things

1044

00:35:53,190 --> 00:35:51,280

um no one ever figured out what they

1045

00:35:56,069 --> 00:35:53,200

were they thought at first it was the

1046

00:35:59,510 --> 00:35:56,079

russians shooting off old german v1 buzz

1047

00:36:02,710 --> 00:35:59,520

bombs but that turned out not to be true

1048

00:36:04,069 --> 00:36:02,720

and at one point towards the end of this

1049

00:36:08,150 --> 00:36:04,079

um

1050

00:36:10,390 --> 00:36:08,160

these ghost rockets a swedish pilot

1051

00:36:13,030 --> 00:36:10,400

actually caught up to one and flew

1052

00:36:14,630 --> 00:36:13,040

alongside her for a while watched it

1053

00:36:16,550 --> 00:36:14,640

maneuver and had a very high it looked

1054

00:36:18,630 --> 00:36:16,560

like it was had high technology in the

1055

00:36:20,150 --> 00:36:18,640

way it was maneuvering and so on

1056

00:36:21,990 --> 00:36:20,160

his description

1057

00:36:24,870 --> 00:36:22,000

at the time was secret

1058

00:36:26,230 --> 00:36:24,880

but later on in the 80s two ufo

1059

00:36:28,310 --> 00:36:26,240

researchers interviewed one of the

1060

00:36:30,470 --> 00:36:28,320

swedish defense ministers

1061

00:36:31,990 --> 00:36:30,480

and this guy gave this pilot's

1062

00:36:33,510 --> 00:36:32,000

description of what this thing was and

1063

00:36:34,470 --> 00:36:33,520

if you read the description that this

1064

00:36:36,790 --> 00:36:34,480

swedish

1065

00:36:38,790 --> 00:36:36,800

defense minister gave of what was seen

1066

00:36:41,670 --> 00:36:38,800

in 1946 and you read the description of

1067

00:36:45,190 --> 00:36:41,680

a modern day cruise missile it's exact

1068

00:36:47,190 --> 00:36:45,200

really and he even he said what they saw

1069

00:36:48,870 --> 00:36:47,200

that pilot side of the day was a cruise

1070

00:36:51,190 --> 00:36:48,880

missile but who had cruise missile

1071

00:36:52,870 --> 00:36:51,200

technology in 1946

1072

00:36:54,470 --> 00:36:52,880

that's one of the other theme to the

1073

00:36:56,790 --> 00:36:54,480

book is that in several

1074

00:36:59,030 --> 00:36:56,800

instances we came upon where people seem

1075

00:37:00,710 --> 00:36:59,040

to see technology that's just a little

1076
00:37:03,510 --> 00:37:00,720
bit ahead of its time the scare ships

1077
00:37:07,589 --> 00:37:03,520
isn't is a instance of that the gross

1078
00:37:09,990 --> 00:37:07,599
rockets is an instance of that um

1079
00:37:11,430 --> 00:37:10,000
the ghost flyers of 1933 over the same

1080
00:37:13,430 --> 00:37:11,440
part of sweden is an instance of that

1081
00:37:16,710 --> 00:37:13,440
for some reason and it's almost like a

1082
00:37:18,790 --> 00:37:16,720
branch of ufos people see something that

1083
00:37:21,270 --> 00:37:18,800
just shouldn't be there in that time

1084
00:37:22,710 --> 00:37:21,280
frame maybe 10 15 years later it's not

1085
00:37:24,470 --> 00:37:22,720
such a big deal

1086
00:37:25,750 --> 00:37:24,480
but airships for instance you know

1087
00:37:27,349 --> 00:37:25,760
zeppelins before the zeppelins were

1088
00:37:28,710 --> 00:37:27,359

invented and

1089

00:37:30,870 --> 00:37:28,720

airplanes with eight engines before

1090

00:37:33,190 --> 00:37:30,880

there were airplanes with eight engines

1091

00:37:35,430 --> 00:37:33,200

and a cruise missile in 1946 so once

1092

00:37:38,790 --> 00:37:35,440

again what's it mean who knows yeah it's

1093

00:37:40,870 --> 00:37:38,800

almost like um out of time you know just

1094

00:37:44,310 --> 00:37:40,880

step stepped back in time a little bit

1095

00:37:46,230 --> 00:37:44,320

the one the one part um that i disagree

1096

00:37:47,990 --> 00:37:46,240

in your book on

1097

00:37:49,510 --> 00:37:48,000

and you probably you may have had

1098

00:37:52,470 --> 00:37:49,520

someone say something to you before

1099

00:37:54,390 --> 00:37:52,480

about this is your thoughts on roswell

1100

00:37:56,550 --> 00:37:54,400

um you know i

1101
00:37:58,550 --> 00:37:56,560
i understand your point i i know there's

1102
00:37:59,829 --> 00:37:58,560
some wackos out there that kind of

1103
00:38:02,390 --> 00:37:59,839
almost turned everything into

1104
00:38:04,950 --> 00:38:02,400
disinformation i know it was buried for

1105
00:38:07,109 --> 00:38:04,960
30 years before people came forward but

1106
00:38:08,950 --> 00:38:07,119
there's uh there's a lot of things that

1107
00:38:11,190 --> 00:38:08,960
to me

1108
00:38:12,390 --> 00:38:11,200
when the government says you know it was

1109
00:38:14,230 --> 00:38:12,400
the mogul

1110
00:38:15,030 --> 00:38:14,240
and uh

1111
00:38:19,270 --> 00:38:15,040
the

1112
00:38:21,190 --> 00:38:19,280
you know and which didn't come out to

1113
00:38:23,030 --> 00:38:21,200

five years later the thing there's a

1114

00:38:24,390 --> 00:38:23,040

couple of things that i want to point

1115

00:38:26,390 --> 00:38:24,400

out to you that makes me think it was

1116

00:38:28,790 --> 00:38:26,400

really something one of them is how

1117

00:38:32,310 --> 00:38:28,800

could the air force say they captured a

1118

00:38:34,230 --> 00:38:32,320

disc in the first place and secondly why

1119

00:38:35,030 --> 00:38:34,240

would people come forth on their death

1120

00:38:36,630 --> 00:38:35,040

bed

1121

00:38:38,630 --> 00:38:36,640

there's two instances where people are

1122

00:38:40,870 --> 00:38:38,640

on their death bed and they decided they

1123

00:38:41,990 --> 00:38:40,880

didn't want to die without saying what

1124

00:38:43,109 --> 00:38:42,000

they saw

1125

00:38:45,349 --> 00:38:43,119

so anyway i just want to hear your

1126

00:38:47,190 --> 00:38:45,359

points on that well

1127

00:38:50,310 --> 00:38:47,200

i just want to say that that for a long

1128

00:38:53,270 --> 00:38:50,320

time i wanted to believe in roswell

1129

00:38:56,230 --> 00:38:53,280

um i was so into roswell in the late 80s

1130

00:38:58,230 --> 00:38:56,240

and 90s that at one point some ufo

1131

00:39:00,230 --> 00:38:58,240

organization was going to form an

1132

00:39:03,190 --> 00:39:00,240

archaeological team go down to the

1133

00:39:05,430 --> 00:39:03,200

debris field and dig it up just

1134

00:39:08,390 --> 00:39:05,440

in scientifically in a scientific way

1135

00:39:10,310 --> 00:39:08,400

like an archaeological dig and um

1136

00:39:13,270 --> 00:39:10,320

i was so caught up in that idea i

1137

00:39:14,390 --> 00:39:13,280

volunteered to join the team wow

1138

00:39:15,910 --> 00:39:14,400

it never went

1139

00:39:17,430 --> 00:39:15,920

they never went forward with it but i

1140

00:39:20,470 --> 00:39:17,440

was ready to go

1141

00:39:22,150 --> 00:39:20,480

but i think as you say it was kind of

1142

00:39:24,550 --> 00:39:22,160

buried for all those years i read lots

1143

00:39:26,790 --> 00:39:24,560

of ufo books as a kid never saw anything

1144

00:39:28,150 --> 00:39:26,800

about roswell and it was uh when stan

1145

00:39:29,910 --> 00:39:28,160

friedman and a couple other people kind

1146

00:39:32,150 --> 00:39:29,920

of brought it back to the fall

1147

00:39:34,150 --> 00:39:32,160

but for the basics of so just to answer

1148

00:39:35,990 --> 00:39:34,160

your question you know why would the air

1149

00:39:36,950 --> 00:39:36,000

force say that they had a crashed disc

1150

00:39:39,510 --> 00:39:36,960

well

1151
00:39:40,870 --> 00:39:39,520
this um the spy balloon program that was

1152
00:39:43,829 --> 00:39:40,880
going on

1153
00:39:45,510 --> 00:39:43,839
uh nearby um which were launching these

1154
00:39:47,910 --> 00:39:45,520
huge balloons that would drift over the

1155
00:39:49,990 --> 00:39:47,920
soviet union they had these long kites

1156
00:39:51,430 --> 00:39:50,000
on them kite tails on them with acoustic

1157
00:39:53,589 --> 00:39:51,440
devices and they were trying to find out

1158
00:39:56,230 --> 00:39:53,599
whether the russians had an atomic vomit

1159
00:39:57,670 --> 00:39:56,240
by picking up acoustic evidence they

1160
00:39:59,589 --> 00:39:57,680
didn't want the russians to know that we

1161
00:40:01,109 --> 00:39:59,599
were doing that because at the time even

1162
00:40:03,190 --> 00:40:01,119
then technically the russians were still

1163
00:40:06,950 --> 00:40:03,200

our allies but

1164

00:40:08,630 --> 00:40:06,960

i think what happened was when the

1165

00:40:11,109 --> 00:40:08,640

air force saw

1166

00:40:13,030 --> 00:40:11,119

the debris and they

1167

00:40:15,030 --> 00:40:13,040

because this was such a secret program

1168

00:40:17,349 --> 00:40:15,040

they couldn't say we found the debris of

1169

00:40:18,150 --> 00:40:17,359

a secret spy balloon program so they

1170

00:40:20,150 --> 00:40:18,160

said

1171

00:40:22,230 --> 00:40:20,160

we found a crash disk

1172

00:40:24,310 --> 00:40:22,240

and that was like they were covering

1173

00:40:25,750 --> 00:40:24,320

something up but it wasn't covering up

1174

00:40:27,030 --> 00:40:25,760

the fact that the ufo had crashed they

1175

00:40:28,710 --> 00:40:27,040

were trying to cover up that a spy

1176

00:40:31,510 --> 00:40:28,720

balloon had crashed

1177

00:40:33,430 --> 00:40:31,520

and they used the ufo angle as the

1178

00:40:36,230 --> 00:40:33,440

cover-up point

1179

00:40:37,670 --> 00:40:36,240

next to that and and

1180

00:40:39,589 --> 00:40:37,680

this all kind of turned for me when i

1181

00:40:41,109 --> 00:40:39,599

was watching tv one night at a ufo show

1182

00:40:42,310 --> 00:40:41,119

which i you know watched hundreds of

1183

00:40:43,430 --> 00:40:42,320

them during this time i was doing the

1184

00:40:44,390 --> 00:40:43,440

research

1185

00:40:45,750 --> 00:40:44,400

and

1186

00:40:47,270 --> 00:40:45,760

they just showed

1187

00:40:49,990 --> 00:40:47,280

the debris

1188

00:40:51,430 --> 00:40:50,000

from the famous u.s air force photograph

1189

00:40:54,069 --> 00:40:51,440

and then they showed debris that was

1190

00:40:56,390 --> 00:40:54,079

left over from one of these spy balloons

1191

00:40:58,150 --> 00:40:56,400

and somehow photoshopping whatever they

1192

00:41:00,069 --> 00:40:58,160

they took those pictures from the air

1193

00:41:02,069 --> 00:41:00,079

force photo and they just line them up

1194

00:41:04,470 --> 00:41:02,079

perfectly with the debris of the

1195

00:41:06,550 --> 00:41:04,480

of a really crashed spy balloon and and

1196

00:41:09,030 --> 00:41:06,560

everything matched perfectly

1197

00:41:11,990 --> 00:41:09,040

this matched perfectly so i said wow it

1198

00:41:13,190 --> 00:41:12,000

was one of those balloons so

1199

00:41:15,990 --> 00:41:13,200

in my mind that's what i thought and

1200

00:41:17,750 --> 00:41:16,000

then as you said you you add into that

1201

00:41:19,589 --> 00:41:17,760

all these fantastic

1202

00:41:21,270 --> 00:41:19,599

stories that have come out from their

1203

00:41:22,390 --> 00:41:21,280

sense i mean i think the latest books

1204

00:41:24,710 --> 00:41:22,400

say that

1205

00:41:26,710 --> 00:41:24,720

you know more than 15 ufos have crashed

1206

00:41:28,550 --> 00:41:26,720

in the roswell area and that there is

1207

00:41:30,150 --> 00:41:28,560

you know dozens of alien bodies and that

1208

00:41:31,430 --> 00:41:30,160

the military was

1209

00:41:32,950 --> 00:41:31,440

breaking into people's homes and

1210

00:41:35,270 --> 00:41:32,960

shooting people to shut them up and i

1211

00:41:36,950 --> 00:41:35,280

mean there's just it sounds crazy

1212

00:41:38,710 --> 00:41:36,960

it just sounds crazy and and i don't

1213

00:41:40,870 --> 00:41:38,720

think you could get away with something

1214

00:41:42,550 --> 00:41:40,880

like that in this country

1215

00:41:44,390 --> 00:41:42,560

someone would talk

1216

00:41:48,230 --> 00:41:44,400

and why are all these ufos crashing in

1217

00:41:49,430 --> 00:41:48,240

roswell um so i just think i i always

1218

00:41:51,910 --> 00:41:49,440

use this phrase i just think there's too

1219

00:41:53,750 --> 00:41:51,920

many moving parts to this story i i

1220

00:41:55,510 --> 00:41:53,760

really believe that nothing happened at

1221

00:41:58,230 --> 00:41:55,520

brosnell i'm not saying that they don't

1222

00:42:00,390 --> 00:41:58,240

have a crash ufo from some other place

1223

00:42:02,069 --> 00:42:00,400

that they have hidden somewhere but i

1224

00:42:04,950 --> 00:42:02,079

just don't think it happened at roswell

1225

00:42:06,309 --> 00:42:04,960

i i'd be i'm i'm open to have my mind

1226
00:42:09,190 --> 00:42:06,319
changed okay i would like someone to

1227
00:42:10,470 --> 00:42:09,200
convince me that i'm wrong but um

1228
00:42:11,829 --> 00:42:10,480
at this point i really don't think

1229
00:42:13,190 --> 00:42:11,839
anything happened there as far as with

1230
00:42:14,710 --> 00:42:13,200
the deathbed

1231
00:42:16,230 --> 00:42:14,720
things i don't know i don't know about

1232
00:42:18,069 --> 00:42:16,240
that i know that death bed confessions

1233
00:42:20,069 --> 00:42:18,079
are admissible in court so that's pretty

1234
00:42:21,910 --> 00:42:20,079
hard evidence but why someone would say

1235
00:42:23,349 --> 00:42:21,920
that on their death threat i just don't

1236
00:42:25,510 --> 00:42:23,359
know maybe it's just something that they

1237
00:42:27,589 --> 00:42:25,520
really truly believed and they were

1238
00:42:28,950 --> 00:42:27,599

mistaken about it but

1239

00:42:30,870 --> 00:42:28,960

i've offered to

1240

00:42:33,109 --> 00:42:30,880

go down to roswell with anyone who wants

1241

00:42:35,109 --> 00:42:33,119

to convince me otherwise so if you want

1242

00:42:38,150 --> 00:42:35,119

to go let's go

1243

00:42:41,270 --> 00:42:38,160

all right well fair enough now let's uh

1244

00:42:43,430 --> 00:42:41,280

let's talk about um the latest war going

1245

00:42:44,630 --> 00:42:43,440

on is there anything that you're aware

1246

00:42:46,630 --> 00:42:44,640

of

1247

00:42:49,670 --> 00:42:46,640

as far as sightings go in iraq and

1248

00:42:52,069 --> 00:42:49,680

afghanistan um yes there was a

1249

00:42:54,150 --> 00:42:52,079

a number of sightings in afghanistan and

1250

00:42:55,109 --> 00:42:54,160

during the height of the war uh the book

1251

00:42:58,069 --> 00:42:55,119

uh

1252

00:42:59,750 --> 00:42:58,079

ends at the end of the 20th century ends

1253

00:43:03,270 --> 00:42:59,760

in a period right after the first gulf

1254

00:43:05,349 --> 00:43:03,280

war but we did come upon evidence of

1255

00:43:08,230 --> 00:43:05,359

lots of instances of

1256

00:43:10,069 --> 00:43:08,240

troops in the field at night seeing ufos

1257

00:43:11,990 --> 00:43:10,079

through their night vision goggles which

1258

00:43:14,870 --> 00:43:12,000

is interesting now this is a this is a

1259

00:43:17,190 --> 00:43:14,880

wall where um like fission goggles are

1260

00:43:19,990 --> 00:43:17,200

everywhere right yeah okay and it seems

1261

00:43:21,270 --> 00:43:20,000

like for for whatever reasons ufos are

1262

00:43:23,349 --> 00:43:21,280

are um

1263

00:43:26,470 --> 00:43:23,359

spotted more easily through night vision

1264

00:43:28,309 --> 00:43:26,480

goggles a lot of that in iraq um

1265

00:43:29,349 --> 00:43:28,319

not so much over afghanistan that we've

1266

00:43:31,589 --> 00:43:29,359

heard about

1267

00:43:33,750 --> 00:43:31,599

yet but see the thing is is that because

1268

00:43:35,829 --> 00:43:33,760

of the way the military treats people

1269

00:43:37,750 --> 00:43:35,839

who see ufos it's going to take a while

1270

00:43:38,630 --> 00:43:37,760

for these people who are on duty now

1271

00:43:41,589 --> 00:43:38,640

yeah

1272

00:43:43,910 --> 00:43:41,599

to get out and then for the uh

1273

00:43:46,550 --> 00:43:43,920

news to kind of trickle out in fact i

1274

00:43:48,390 --> 00:43:46,560

i'll just say that my pet project now is

1275

00:43:50,870 --> 00:43:48,400

what i think we should do

1276

00:43:52,550 --> 00:43:50,880

is i think that we should

1277

00:43:54,870 --> 00:43:52,560

either petition the government or

1278

00:43:56,870 --> 00:43:54,880

somehow talk to the force the military

1279

00:43:59,190 --> 00:43:56,880

to give blanket amnesty

1280

00:44:01,589 --> 00:43:59,200

right to any service person

1281

00:44:04,870 --> 00:44:01,599

who sorry ufo during their service

1282

00:44:06,550 --> 00:44:04,880

career and was told not to talk about it

1283

00:44:09,030 --> 00:44:06,560

tell those people nothing is going to

1284

00:44:11,190 --> 00:44:09,040

happen to you come forth tell everyone

1285

00:44:13,030 --> 00:44:11,200

what you saw and just think of the um

1286

00:44:14,790 --> 00:44:13,040

tidal wave of information we would get

1287

00:44:16,710 --> 00:44:14,800

absolutely people so that would be great

1288

00:44:18,550 --> 00:44:16,720

if that people should do

1289

00:44:20,309 --> 00:44:18,560

like the ufo amnesty project or

1290

00:44:22,550 --> 00:44:20,319

something like that something like that

1291

00:44:24,470 --> 00:44:22,560

steve bassett or someone get behind and

1292

00:44:26,390 --> 00:44:24,480

force the military into

1293

00:44:27,430 --> 00:44:26,400

just giving amnesty to these people and

1294

00:44:29,829 --> 00:44:27,440

let's see

1295

00:44:31,510 --> 00:44:29,839

what they have to say let's not hear

1296

00:44:33,430 --> 00:44:31,520

about their stories and then

1297

00:44:35,109 --> 00:44:33,440

the other side of it is if the military

1298

00:44:36,470 --> 00:44:35,119

refused to do it then we know that

1299

00:44:38,390 --> 00:44:36,480

they're hiding something so it's a

1300

00:44:40,069 --> 00:44:38,400

win-win situation for us so i hope

1301

00:44:42,870 --> 00:44:40,079

someday that that happens yeah i think

1302

00:44:45,910 --> 00:44:42,880

that's a really good point now where can

1303

00:44:49,030 --> 00:44:45,920

someone find your book ufos in wartime

1304

00:44:51,349 --> 00:44:49,040

it's on amazon and actually before i

1305

00:44:53,190 --> 00:44:51,359

finish this question just to let the

1306

00:44:54,870 --> 00:44:53,200

listener know that i'll have this up on

1307

00:44:57,750 --> 00:44:54,880

your podcast

1308

00:45:00,069 --> 00:44:57,760

website

1309

00:45:02,150 --> 00:45:00,079

as far as the click and buy goes but is

1310

00:45:04,309 --> 00:45:02,160

it in bookstores yes it's published by

1311

00:45:05,990 --> 00:45:04,319

penguin books the berkeley books imprint

1312

00:45:07,910 --> 00:45:06,000

so penguin's the largest publisher in

1313

00:45:10,630 --> 00:45:07,920

the world so they're at um every

1314

00:45:12,390 --> 00:45:10,640

bookstore in the us and canada

1315

00:45:13,430 --> 00:45:12,400

and my publisher always reminds me to

1316

00:45:15,670 --> 00:45:13,440

say please

1317

00:45:17,030 --> 00:45:15,680

patronize your local bookstore but if

1318

00:45:19,990 --> 00:45:17,040

you can't

1319

00:45:21,550 --> 00:45:20,000

just go to amazon.com and it's very easy

1320

00:45:23,670 --> 00:45:21,560

to order it there

1321

00:45:25,030 --> 00:45:23,680

mcmaloney.com is my website there's a

1322

00:45:26,470 --> 00:45:25,040

lot of information there how we put the

1323

00:45:28,230 --> 00:45:26,480

book together and other books that we've

1324

00:45:29,510 --> 00:45:28,240

done so um

1325

00:45:32,069 --> 00:45:29,520

actually the best way to do it probably

1326

00:45:33,750 --> 00:45:32,079

is to go to amazon.com yeah and one last

1327

00:45:36,870 --> 00:45:33,760

question do you ever going to write

1328

00:45:38,230 --> 00:45:36,880

anything else about ufos do you think um

1329

00:45:40,950 --> 00:45:38,240

if you would ask me that two weeks ago i

1330

00:45:42,710 --> 00:45:40,960

probably said no but um in the two weeks

1331

00:45:44,870 --> 00:45:42,720

that you know they have offered me a

1332

00:45:46,150 --> 00:45:44,880

contract to do a follow-up book so we

1333

00:45:48,710 --> 00:45:46,160

are going to do a follow-up book

1334

00:45:50,950 --> 00:45:48,720

excellent okay well this has been great

1335

00:45:53,430 --> 00:45:50,960

so this is martin willis with mac
