part of her life in italy

20

00:00:57,590 --> 00:00:55,280

and part of her life here in the states

21

00:00:58,869 --> 00:00:57,600

very interesting she's a woman of

22

00:01:01,270 --> 00:00:58,879

integrity

23

00:01:20,230 --> 00:01:01,280

and please check out her latest book i

24

00:01:25,109 --> 00:01:22,950

hi everyone i have paula harris on the

25

00:01:27,510 --> 00:01:25,119

line how you doing paula

26

00:01:30,710 --> 00:01:27,520

i'm doing well thank you thanks so much

27

00:01:33,670 --> 00:01:30,720

for joining us and um actually it was

28

00:01:35,350 --> 00:01:33,680

first dr lynn katai told me to get in

29

00:01:38,149 --> 00:01:35,360

touch with you and you're pretty good

30

00:01:41,109 --> 00:01:38,159

friends with her very good friends she's

31

00:01:44,069 --> 00:01:41,119

done so much for consciousness of

32

00:01:46,789 --> 00:01:44,079

of uh the ufo phenomenon because of the

33

00:01:49,510 --> 00:01:46,799

phoenix lights very courageous lady yes

34

00:01:51,590 --> 00:01:49,520

definitely and one of the reasons uh um

35

00:01:53,270 --> 00:01:51,600

i was fascinated

36

00:01:55,510 --> 00:01:53,280

uh and wanted you on the show as i

37

00:01:57,190 --> 00:01:55,520

looked at your bio and you have a

38

00:01:58,310 --> 00:01:57,200

connection with italy

39

00:01:59,510 --> 00:01:58,320

and so

40

00:02:01,830 --> 00:01:59,520

you are

41

00:02:04,389 --> 00:02:01,840

uh doing work in italy and in the united

42

00:02:07,510 --> 00:02:04,399

states can you talk about that sure i'm

43

00:02:09,190 --> 00:02:07,520

italian uh my uh my father was the

44

00:02:10,309 --> 00:02:09,200

italian council for the state of rhode

45

00:02:13,350 --> 00:02:10,319

island and

46

00:02:17,190 --> 00:02:13,360

in years ago i used to live there and i

47

00:02:18,309 --> 00:02:17,200

i came over to this country but in 1979

48

00:02:21,589 --> 00:02:18,319

uh

49

00:02:23,589 --> 00:02:21,599

as a married woman with children i saw

50

00:02:26,070 --> 00:02:23,599

the movie close encounters of the third

51
00:02:27,990 --> 00:02:26,080
kind my formal background is of a

52
00:02:30,790 --> 00:02:28,000
masters in education and teach high

53
00:02:33,190 --> 00:02:30,800
school english so i was teaching a class

54
00:02:35,830 --> 00:02:33,200
called science fiction in 1979 and i

55
00:02:38,710 --> 00:02:35,840
went to see close encounters at the very

56
00:02:41,430 --> 00:02:38,720
end of that film when uh francois

57
00:02:43,910 --> 00:02:41,440
truffaut who represented

58
00:02:46,869 --> 00:02:43,920
has a contact with these beings it's a

59
00:02:48,790 --> 00:02:46,879
very emotional contact and and i broke

60
00:02:51,589 --> 00:02:48,800
into tears and didn't know why i had

61
00:02:54,470 --> 00:02:51,599
that reaction but when i did my research

62
00:02:58,070 --> 00:02:54,480
i found out that dr j allen heineck the

63
00:03:00,309 --> 00:02:58,080

astronomer who was the head of kufos

64

00:03:03,430 --> 00:03:00,319

center for ufo studies in evanston

65

00:03:06,550 --> 00:03:03,440

illinois and former project manager for

66

00:03:09,190 --> 00:03:06,560

blue book uh was was a consultant with

67

00:03:11,350 --> 00:03:09,200

spielberg so by accident and there are

68

00:03:14,710 --> 00:03:11,360

no coincidences but my life is full of

69

00:03:16,710 --> 00:03:14,720

them i met alan heineck and evanston

70

00:03:18,390 --> 00:03:16,720

because i was at a wedding there

71

00:03:21,350 --> 00:03:18,400

and when i walked into the center for

72

00:03:23,910 --> 00:03:21,360

ufo studies he said to me uh you speak

73

00:03:27,030 --> 00:03:23,920

italian i said yes and he said would you

74

00:03:30,830 --> 00:03:27,040

do my italian translation so because of

75

00:03:34,550 --> 00:03:30,840

my work with him from 1980 to 86 when he

76

00:03:37,589 --> 00:03:34,560

died and my travels with him i knew

77

00:03:39,750 --> 00:03:37,599

right away that this was real it isn't

78

00:03:42,309 --> 00:03:39,760

like do you believe in ufos this is a

79

00:03:45,110 --> 00:03:42,319

scientist he taught me how to research

80

00:03:48,710 --> 00:03:45,120

he taught me the field i even have my

81

00:03:50,710 --> 00:03:48,720

little kufos card for research and so as

82

00:03:53,509 --> 00:03:50,720

i was you know doing my regular job

83

00:03:55,750 --> 00:03:53,519

teaching i also traveled with ellen

84

00:03:57,589 --> 00:03:55,760

heineck and that's how i got started

85

00:03:59,350 --> 00:03:57,599

because this is not a normal kind of

86

00:04:02,630 --> 00:03:59,360

thing

87

00:04:05,589 --> 00:04:02,640

that's right um and i also saw that you

88

00:04:07,429 --> 00:04:05,599

met uh colonel phillip corso who had to

89

00:04:10,710 --> 00:04:07,439

do with roswell yeah that was another

90

00:04:13,190 --> 00:04:10,720

coincidence because um i was working in

91

00:04:14,190 --> 00:04:13,200

italy at the time it was uh

92

00:04:17,909 --> 00:04:14,200

it was

93

00:04:20,949 --> 00:04:17,919

1997 and my boss uh you know the the

94

00:04:24,790 --> 00:04:20,959

head of uh area 51 magazine italian

95

00:04:26,070 --> 00:04:24,800

magazine said for me to go to uh to

96

00:04:28,950 --> 00:04:26,080

roswell

97

00:04:30,469 --> 00:04:28,960

and try to find this this man uh i had

98

00:04:31,990 --> 00:04:30,479

never i didn't even know what he looked

99

00:04:34,710 --> 00:04:32,000

like who had written the book the day

100

00:04:37,830 --> 00:04:34,720

after roswell which basically deals with

101
00:04:40,310 --> 00:04:37,840
back engineering alien technology my

102
00:04:42,629 --> 00:04:40,320
boss maurizio told me somehow to find

103
00:04:45,350 --> 00:04:42,639
him and to do an interview with him and

104
00:04:47,030 --> 00:04:45,360
when i got to roswell uh it was a big

105
00:04:49,430 --> 00:04:47,040
party i mean this was the 50th

106
00:04:52,710 --> 00:04:49,440
anniversary everybody was there from

107
00:04:53,909 --> 00:04:52,720
whitley's favor to john mack to

108
00:04:56,230 --> 00:04:53,919
everybody

109
00:05:00,710 --> 00:04:56,240
and so what happened was which was very

110
00:05:02,550 --> 00:05:00,720
interesting i got to roswell i didn't

111
00:05:04,710 --> 00:05:02,560
have a place to stay

112
00:05:07,029 --> 00:05:04,720
i went to the press club i said i can't

113
00:05:09,189 --> 00:05:07,039

stay 15 miles away from here i said i've

114

00:05:11,590 --> 00:05:09,199

got to stay here and they said we're all

115

00:05:13,430 --> 00:05:11,600

booked but try to go to the phone book

116

00:05:15,189 --> 00:05:13,440

and see if you can find a place to stay

117

00:05:17,670 --> 00:05:15,199

i opened up the phone book it was the

118

00:05:19,990 --> 00:05:17,680

sally poured in i called them they had

119

00:05:22,230 --> 00:05:20,000

one room available

120

00:05:25,830 --> 00:05:22,240

for three days and it was the room next

121

00:05:27,430 --> 00:05:25,840

to colonel phillip corso

122

00:05:29,189 --> 00:05:27,440

that's great

123

00:05:31,110 --> 00:05:29,199

so what happened was i went to the

124

00:05:32,310 --> 00:05:31,120

museum there where he was doing the

125

00:05:36,870 --> 00:05:32,320

press

126
00:05:39,270 --> 00:05:36,880
conference and he said he wanted to talk

127
00:05:42,710 --> 00:05:39,280
to me because i was italian and

128
00:05:45,270 --> 00:05:42,720
we formed a friendship he was you know

129
00:05:47,909 --> 00:05:45,280
the head of research and development at

130
00:05:50,230 --> 00:05:47,919
the pentagon i told him i was from italy

131
00:05:51,510 --> 00:05:50,240
i consequently invited him to italy

132
00:05:53,909 --> 00:05:51,520
twice

133
00:05:55,749 --> 00:05:53,919
i was with him in italy during easter

134
00:05:59,510 --> 00:05:55,759
and during the two conferences that we

135
00:06:02,550 --> 00:05:59,520
presented and it was a real

136
00:06:04,629 --> 00:06:02,560
eye-opener for me in my research i wrote

137
00:06:07,670 --> 00:06:04,639
the preface to the day after roswell in

138
00:06:09,749 --> 00:06:07,680

italian we translated the book and i've

139

00:06:12,309 --> 00:06:09,759

got to honestly tell you that that was

140

00:06:14,150 --> 00:06:12,319

the only place he spoke there was a

141

00:06:15,590 --> 00:06:14,160

lawsuit against the book here in the

142

00:06:18,950 --> 00:06:15,600

united states

143

00:06:20,790 --> 00:06:18,960

so there was never any um

144

00:06:23,430 --> 00:06:20,800

there was never any

145

00:06:25,270 --> 00:06:23,440

talking in the united states or colonel

146

00:06:27,110 --> 00:06:25,280

corso never really attended any

147

00:06:29,350 --> 00:06:27,120

conferences or anything everything we

148

00:06:31,350 --> 00:06:29,360

found out we found out in europe

149

00:06:33,749 --> 00:06:31,360

is that right now i've seen him

150

00:06:34,790 --> 00:06:33,759

interviewed before

151

00:06:36,950 --> 00:06:34,800

but

152

00:06:39,270 --> 00:06:36,960

are you just saying that he would he

153

00:06:40,550 --> 00:06:39,280

wouldn't publicly speak no he couldn't

154

00:06:43,670 --> 00:06:40,560

he couldn't because when there's a

155

00:06:46,629 --> 00:06:43,680

lawsuit your lawyers tell you you can't

156

00:06:49,189 --> 00:06:46,639

you can't speak he was interviewed by uh

157

00:06:52,070 --> 00:06:49,199

george i think it was no art bell at the

158

00:06:54,629 --> 00:06:52,080

time and different people on phone but

159

00:06:56,870 --> 00:06:54,639

he didn't like do a conference uh the

160

00:06:57,749 --> 00:06:56,880

only conference he did was the one at

161

00:07:01,029 --> 00:06:57,759

the

162

00:07:03,029 --> 00:07:01,039

ufo museum in roswell i think he did

163

00:07:04,309 --> 00:07:03,039

maybe one or two small ones in florida

164

00:07:07,510 --> 00:07:04,319

where he lived

165

00:07:08,950 --> 00:07:07,520

but the thing that was he had so much so

166

00:07:12,070 --> 00:07:08,960

much to tell

167

00:07:14,950 --> 00:07:12,080

and what we got in europe or we got a

168

00:07:17,749 --> 00:07:14,960

documents from his original notes you

169

00:07:20,469 --> 00:07:17,759

know the boat the book was uh

170

00:07:22,950 --> 00:07:20,479

co-written with bill burns but we got

171

00:07:25,430 --> 00:07:22,960

the original notes which we published in

172

00:07:27,430 --> 00:07:25,440

italy called dawn of a new age for the

173

00:07:30,230 --> 00:07:27,440

people who want the original notes they

174

00:07:31,430 --> 00:07:30,240

can go to openminds tv because i think

175

00:07:35,029 --> 00:07:31,440

his son

176

00:07:37,510 --> 00:07:35,039

has given uh sold the the original notes

177

00:07:40,309 --> 00:07:37,520

to open minds tv and people could read

178

00:07:42,629 --> 00:07:40,319

them and because there's been criticism

179

00:07:44,870 --> 00:07:42,639

uh of the book here because of

180

00:07:45,909 --> 00:07:44,880

inaccuracies but his original notes are

181

00:07:47,749 --> 00:07:45,919

original

182

00:07:50,550 --> 00:07:47,759

so he also talked to us about the

183

00:07:52,790 --> 00:07:50,560

philadelphia experiment he talked about

184

00:07:55,189 --> 00:07:52,800

time travel he talked about all kinds of

185

00:07:57,189 --> 00:07:55,199

things when he was in italy and the

186

00:07:59,670 --> 00:07:57,199

thing that's important though from my

187

00:08:01,830 --> 00:07:59,680

research and i'm sharing this with you

188

00:08:04,390 --> 00:08:01,840

is that i never understood

189

00:08:07,430 --> 00:08:04,400

why the secret was was secret i thought

190

00:08:09,909 --> 00:08:07,440

it was about panic or about aliens

191

00:08:11,670 --> 00:08:09,919

well i found out from being with corso

192

00:08:13,110 --> 00:08:11,680

that the reason why

193

00:08:16,309 --> 00:08:13,120

it's a very

194

00:08:18,790 --> 00:08:16,319

uh important secret for security reasons

195

00:08:21,430 --> 00:08:18,800

is because of the back engineered

196

00:08:25,110 --> 00:08:21,440

technology and i'm talking about craft

197

00:08:28,070 --> 00:08:25,120

uh that and besides artifacts

198

00:08:31,029 --> 00:08:28,080

and that is in the when you have that

199

00:08:34,389 --> 00:08:31,039

you that is a monetary economic thing

200

00:08:38,070 --> 00:08:34,399

and these these ufos are not using

201
00:08:40,870 --> 00:08:38,080
fossil fuel or oil to fly around with

202
00:08:43,430 --> 00:08:40,880
did he get into details of actually

203
00:08:45,030 --> 00:08:43,440
seeing these things in person well

204
00:08:47,430 --> 00:08:45,040
you're asking a really interesting

205
00:08:49,910 --> 00:08:47,440
question my i have written five books my

206
00:08:52,630 --> 00:08:49,920
first book connecting the dots

207
00:08:54,470 --> 00:08:52,640
making sense of the ufo phenomenon has

208
00:08:55,190 --> 00:08:54,480
the first interview colonel corso gave

209
00:08:59,990 --> 00:08:55,200
me

210
00:09:01,910 --> 00:09:00,000
i never printed because i thought people

211
00:09:04,070 --> 00:09:01,920
would think he was crazy

212
00:09:06,870 --> 00:09:04,080
and if you want to if you want me to i

213
00:09:09,350 --> 00:09:06,880

can tell you what he told me sure um

214

00:09:11,190 --> 00:09:09,360

yeah he basically when when you know i

215

00:09:13,829 --> 00:09:11,200

was in the room next to him he came into

216

00:09:15,750 --> 00:09:13,839

my room he started telling me that

217

00:09:17,910 --> 00:09:15,760

he thought that what had happened to

218

00:09:18,630 --> 00:09:17,920

roswell was the two crash

219

00:09:23,030 --> 00:09:18,640

two

220

00:09:24,949 --> 00:09:23,040

appeared in 1957

221

00:09:27,350 --> 00:09:24,959

that they both went out of a time

222

00:09:29,030 --> 00:09:27,360

sequence and i asked him why

223

00:09:33,110 --> 00:09:29,040

and he said because he was the head of a

224

00:09:35,110 --> 00:09:33,120

missile battalion in red canyon in 1957

225

00:09:37,350 --> 00:09:35,120

he said and he was flying over an area

226

00:09:38,230 --> 00:09:37,360

where he saw a craft on the ground and

227

00:09:40,630 --> 00:09:38,240

he

228

00:09:43,430 --> 00:09:40,640

consequently went over to it alone with

229

00:09:45,350 --> 00:09:43,440

his jeep and he he saw the craft

230

00:09:47,670 --> 00:09:45,360

appearing and disappearing and he said

231

00:09:49,430 --> 00:09:47,680

he threw some cactus under it and it

232

00:09:50,470 --> 00:09:49,440

squashed a cactus so he knew it was

233

00:09:52,389 --> 00:09:50,480

physical

234

00:09:54,389 --> 00:09:52,399

uh in it but going in and out of a

235

00:09:56,230 --> 00:09:54,399

dimension and he said he turned to the

236

00:09:57,269 --> 00:09:56,240

left and there's this being came out of

237

00:10:00,870 --> 00:09:57,279

a cave

238

00:10:02,790 --> 00:10:00,880

he sent me as a um the facts of what the

239

00:10:06,870 --> 00:10:02,800

being looked like the being had around

240

00:10:09,030 --> 00:10:06,880

it had a silver band with a some kind of

241

00:10:10,790 --> 00:10:09,040

red stone in the middle and he proceeded

242

00:10:12,710 --> 00:10:10,800

course it proceeded to tell me that that

243

00:10:15,269 --> 00:10:12,720

they had several of these at the

244

00:10:17,509 --> 00:10:15,279

pentagon that it was an interface

245

00:10:18,550 --> 00:10:17,519

which really confused me but anyway he

246

00:10:20,470 --> 00:10:18,560

said

247

00:10:22,150 --> 00:10:20,480

he pulled out his gun he pointed it at

248

00:10:23,269 --> 00:10:22,160

the being he said

249

00:10:26,310 --> 00:10:23,279

uh

250

00:10:29,350 --> 00:10:26,320

he said friend or foe and and and then

251
00:10:31,910 --> 00:10:29,360
he asked me he said guess what he said

252
00:10:33,990 --> 00:10:31,920
back and i said neither and colonel

253
00:10:36,389 --> 00:10:34,000
corso said that's right he said neither

254
00:10:38,470 --> 00:10:36,399
friend nor foe and the being asked

255
00:10:40,790 --> 00:10:38,480
colonel corso to shut down the radar so

256
00:10:43,030 --> 00:10:40,800
he could take off because in those days

257
00:10:45,110 --> 00:10:43,040
that radar was so powerful it brought

258
00:10:47,910 --> 00:10:45,120
down the craft it was almost like a

259
00:10:49,910 --> 00:10:47,920
weapon and corso said well what do you

260
00:10:52,550 --> 00:10:49,920
have to offer me

261
00:10:55,750 --> 00:10:52,560
and the being repeated telepathically a

262
00:10:57,829 --> 00:10:55,760
new world if you can take it

263
00:11:00,069 --> 00:10:57,839

and so corsa writes this down on a

264

00:11:02,389 --> 00:11:00,079

napkin and says paula what does this

265

00:11:05,030 --> 00:11:02,399

mean and i said you know i can't tell

266

00:11:07,990 --> 00:11:05,040

you what this means i said to him not

267

00:11:10,230 --> 00:11:08,000

only can i tell you what this means i i

268

00:11:13,030 --> 00:11:10,240

i don't know if i could print this and i

269

00:11:14,949 --> 00:11:13,040

didn't not until after he died because i

270

00:11:17,030 --> 00:11:14,959

just wanted him to talk about

271

00:11:18,710 --> 00:11:17,040

you know the artifacts he had from the

272

00:11:21,430 --> 00:11:18,720

roswell crash i don't want him to talk

273

00:11:23,990 --> 00:11:21,440

about contact it's really hard for me

274

00:11:25,509 --> 00:11:24,000

to talk about contact because it's not

275

00:11:28,069 --> 00:11:25,519

in my data bank

276

00:11:29,910 --> 00:11:28,079

but can i tell you that you know if he

277

00:11:32,389 --> 00:11:29,920

had stayed with the back engineer

278

00:11:34,630 --> 00:11:32,399

technology which are the fiber optics

279

00:11:35,910 --> 00:11:34,640

integrated circuits night screening

280

00:11:39,190 --> 00:11:35,920

devices

281

00:11:41,670 --> 00:11:39,200

uh uh that he had talked about having uh

282

00:11:44,550 --> 00:11:41,680

and and the high tenacity fibers which

283

00:11:46,230 --> 00:11:44,560

he told me he had if he had stayed with

284

00:11:49,190 --> 00:11:46,240

that you know he said he had these

285

00:11:51,590 --> 00:11:49,200

things in a in a file that was given to

286

00:11:53,590 --> 00:11:51,600

him by general trudeau and that that's

287

00:11:56,150 --> 00:11:53,600

nuts and bolts for me as a journalist i

288

00:11:59,509 --> 00:11:56,160

can deal with that i i can't deal with

289

00:12:00,910 --> 00:11:59,519

this other story but ever since he died

290

00:12:07,350 --> 00:12:00,920

in

291

00:12:09,670 --> 00:12:07,360

and and a new world if you can take it

292

00:12:10,389 --> 00:12:09,680

can you imagine what that could mean

293

00:12:11,990 --> 00:12:10,399

well

294

00:12:13,430 --> 00:12:12,000

that's something

295

00:12:16,550 --> 00:12:13,440

some of the stories are hard for me to

296

00:12:19,350 --> 00:12:16,560

swallow i had stan romanek on

297

00:12:21,509 --> 00:12:19,360

um i i and i

298

00:12:23,430 --> 00:12:21,519

told him that i didn't believe a lot of

299

00:12:25,590 --> 00:12:23,440

the stuff he said

300

00:12:27,190 --> 00:12:25,600

can i tell you though i covered the stan

301

00:12:30,069 --> 00:12:27,200

roman x story

302

00:12:31,910 --> 00:12:30,079

uh seven years ago i started covering it

303

00:12:33,910 --> 00:12:31,920

and i never printed anything i'm like

304

00:12:36,710 --> 00:12:33,920

that i'll do research i won't print

305

00:12:38,629 --> 00:12:36,720

anything but i can guarantee you if

306

00:12:41,350 --> 00:12:38,639

somebody asked me today that is the best

307

00:12:43,509 --> 00:12:41,360

documented case i've seen the films i've

308

00:12:45,670 --> 00:12:43,519

i've uh over the years i've seen what's

309

00:12:47,350 --> 00:12:45,680

happened to him i i have gotten one of

310

00:12:49,509 --> 00:12:47,360

his audrey calls

311

00:12:51,990 --> 00:12:49,519

and i've been in this house when weird

312

00:12:54,710 --> 00:12:52,000

stuff has happened i took swiss tv over

313

00:12:57,590 --> 00:12:54,720

there to film an interview with him and

314

00:12:58,230 --> 00:12:57,600

the faucet turned on by itself i mean

315

00:13:00,230 --> 00:12:58,240

and

316

00:13:02,629 --> 00:13:00,240

things that just i don't know who in the

317

00:13:05,110 --> 00:13:02,639

world is messing with stan but

318

00:13:08,470 --> 00:13:05,120

stan is very much uh

319

00:13:10,389 --> 00:13:08,480

a a very interesting case and i wish

320

00:13:12,310 --> 00:13:10,399

people would research that

321

00:13:13,750 --> 00:13:12,320

it's been seven years i've looked into

322

00:13:16,230 --> 00:13:13,760

this and

323

00:13:19,350 --> 00:13:16,240

i think maybe it stopped right now but

324

00:13:21,670 --> 00:13:19,360

the downloading of the of these formulas

325

00:13:23,590 --> 00:13:21,680

understand has not got an education

326

00:13:26,069 --> 00:13:23,600

these formulas have gone to top-level

327

00:13:28,550 --> 00:13:26,079

physicists and that's not normal

328

00:13:30,230 --> 00:13:28,560

and they're anti-gravity formulas and i

329

00:13:32,310 --> 00:13:30,240

know the physicists that are looking at

330

00:13:34,710 --> 00:13:32,320

them because they're friends of mine and

331

00:13:36,230 --> 00:13:34,720

their top government physicists and

332

00:13:38,710 --> 00:13:36,240

and and i don't know how can somebody

333

00:13:40,949 --> 00:13:38,720

download anti-gravity stuff that's if

334

00:13:42,310 --> 00:13:40,959

you've seen these formulas that go on

335

00:13:44,470 --> 00:13:42,320

for pages

336

00:13:47,590 --> 00:13:44,480

and so i'm thinking okay well somebody's

337

00:13:50,550 --> 00:13:47,600

messing with dance so the the

338

00:13:52,310 --> 00:13:50,560

i agree with you though because i can't

339

00:13:53,750 --> 00:13:52,320

deal with contact

340

00:13:56,790 --> 00:13:53,760

stories uh

341

00:14:00,949 --> 00:13:56,800

i knew john mack very well and he's good

342

00:14:02,710 --> 00:14:00,959

at it yvonne smith is very good at it uh

343

00:14:05,189 --> 00:14:02,720

you know there are other people out in

344

00:14:07,990 --> 00:14:05,199

the field that do that kind of work that

345

00:14:08,790 --> 00:14:08,000

that you know are very good at it well i

346

00:14:12,389 --> 00:14:08,800

uh

347

00:14:14,310 --> 00:14:12,399

i try to be open-minded and i let stan

348

00:14:16,389 --> 00:14:14,320

say his thing and and we had a lot of

349

00:14:18,310 --> 00:14:16,399

downloads he has a lot of people

350

00:14:20,629 --> 00:14:18,320

that believe in him

351

00:14:21,430 --> 00:14:20,639

for sure and i had a lot of emails after

352

00:14:24,790 --> 00:14:21,440

that

353

00:14:27,430 --> 00:14:24,800

i wanted to ask you what is italy like

354

00:14:29,910 --> 00:14:27,440

are italian people more open-minded to

355

00:14:31,590 --> 00:14:29,920

the ufo phenomenon god you have such

356

00:14:33,350 --> 00:14:31,600

good questions

357

00:14:35,430 --> 00:14:33,360

thank you

358

00:14:37,790 --> 00:14:35,440

well that's true it's because you know

359

00:14:41,430 --> 00:14:37,800

i've had to compare i lived there from

360

00:14:43,829 --> 00:14:41,440

1992 to 2007 and i spoke in all those

361

00:14:46,470 --> 00:14:43,839

countries spain and switzerland and

362

00:14:49,110 --> 00:14:46,480

france and i've spoken in germany

363

00:14:50,470 --> 00:14:49,120

and the thing is that it's it's older

364

00:14:52,230 --> 00:14:50,480

it's an older

365

00:14:54,870 --> 00:14:52,240

continent so the thing is that these

366

00:14:56,550 --> 00:14:54,880

people are looking at it not

367

00:14:59,269 --> 00:14:56,560

you know as a curiosity it's not

368

00:15:01,030 --> 00:14:59,279

disneyland over there the the people

369

00:15:03,750 --> 00:15:01,040

that attend the conferences over there

370

00:15:06,389 --> 00:15:03,760

do not wear t-shirts or you know uh

371

00:15:08,870 --> 00:15:06,399

tinfoil hats they are physicists and

372

00:15:11,829 --> 00:15:08,880

scientists and professors and

373

00:15:15,189 --> 00:15:11,839

professional people that are sincerely

374

00:15:18,230 --> 00:15:15,199

concerned and sincerely curious

375

00:15:19,990 --> 00:15:18,240

about this phenomenon and they know that

376

00:15:21,750 --> 00:15:20,000

if a pilot like

377

00:15:24,230 --> 00:15:21,760

jean-charles dubois who is part of the

378

00:15:26,470 --> 00:15:24,240

kameta report i interviewed him in my

379

00:15:28,629 --> 00:15:26,480

book stargate to a new reality

380

00:15:30,710 --> 00:15:28,639

if he's having a problem because he sees

381

00:15:32,949 --> 00:15:30,720

a ufo over paris

382

00:15:34,870 --> 00:15:32,959

uh and he's got a commercial airliner

383

00:15:37,509 --> 00:15:34,880

and he's part of the cometa report as i

384

00:15:38,389 --> 00:15:37,519

said this is this is a real serious

385

00:15:40,389 --> 00:15:38,399

issue

386

00:15:43,590 --> 00:15:40,399

uh and and they're looking at what can

387

00:15:45,910 --> 00:15:43,600

be done to make this field serious and

388

00:15:47,590 --> 00:15:45,920

you ask me how it's covered well when i

389

00:15:50,310 --> 00:15:47,600

lived in italy at this on the six

390

00:15:53,990 --> 00:15:50,320

o'clock news we got the the mexican

391

00:15:56,790 --> 00:15:54,000

campes story about the uh nine ufos

392

00:15:59,990 --> 00:15:56,800

around the the that plane that military

393

00:16:01,910 --> 00:16:00,000

plane and and the guy that talked about

394

00:16:04,389 --> 00:16:01,920

it on the six o'clock news was so

395

00:16:06,870 --> 00:16:04,399

knowledgeable about ufos that he

396

00:16:09,350 --> 00:16:06,880

compared it to the his dahlin norway

397

00:16:11,670 --> 00:16:09,360

lights which means somewhere they had a

398

00:16:13,509 --> 00:16:11,680

background on the research because there

399

00:16:17,030 --> 00:16:13,519

is a continuing

400

00:16:19,430 --> 00:16:17,040

phenomenon in in norway uh it has darlin

401
00:16:22,310 --> 00:16:19,440
so i'm going boy these guys are really

402
00:16:25,030 --> 00:16:22,320
good yeah these guys are good they go

403
00:16:27,829 --> 00:16:25,040
in other words they don't look at it as

404
00:16:29,910 --> 00:16:27,839
something strange they look at it as a

405
00:16:32,790 --> 00:16:29,920
phenomenon that's real i mean we know

406
00:16:36,230 --> 00:16:32,800
it's real and but it should be studied

407
00:16:37,749 --> 00:16:36,240
seriously i agree 100 percent i've

408
00:16:41,189 --> 00:16:37,759
brought this up a number of times a lot

409
00:16:43,670 --> 00:16:41,199
of it has to do with funding and uh

410
00:16:46,069 --> 00:16:43,680
and people are afraid of their careers

411
00:16:48,389 --> 00:16:46,079
being washed up well yeah carl sagan

412
00:16:50,470 --> 00:16:48,399
knew i mean he was east coast person he

413
00:16:53,430 --> 00:16:50,480

was cornell university

414

00:16:55,910 --> 00:16:53,440

carl sagan knew that it was real i mean

415

00:16:58,389 --> 00:16:55,920

he told allen i remember alan telling

416

00:16:59,990 --> 00:16:58,399

the allen heineck dr jalen honey you

417

00:17:01,670 --> 00:17:00,000

tell alan

418

00:17:03,829 --> 00:17:01,680

look i i'm not going to go out there

419

00:17:05,990 --> 00:17:03,839

until you're crazy i lose all my funding

420

00:17:08,390 --> 00:17:06,000

he says i know it's real of course if

421

00:17:10,470 --> 00:17:08,400

you look at blue book

422

00:17:13,189 --> 00:17:10,480

carl sagan is listed as one of the

423

00:17:14,870 --> 00:17:13,199

people who was on the committee there i

424

00:17:16,710 --> 00:17:14,880

mean he's looking at blue book files

425

00:17:18,630 --> 00:17:16,720

which are you know air force files he

426
00:17:21,590 --> 00:17:18,640
knows it's you know and then he goes on

427
00:17:24,230 --> 00:17:21,600
television it talks about an amoeba

428
00:17:25,590 --> 00:17:24,240
yes you know there's this life in the

429
00:17:29,270 --> 00:17:25,600
universe well

430
00:17:30,870 --> 00:17:29,280
this amoeba is not flying the craft

431
00:17:33,110 --> 00:17:30,880
that we're seeing

432
00:17:36,470 --> 00:17:33,120
well it's funny i think it's interesting

433
00:17:40,070 --> 00:17:36,480
that carl sagan seemed to be so against

434
00:17:42,950 --> 00:17:40,080
the phenomenon of us being visited yet

435
00:17:45,029 --> 00:17:42,960
he had something to do with contact yes

436
00:17:47,909 --> 00:17:45,039
the movie contact actually was a book

437
00:17:50,710 --> 00:17:47,919
first was written by carl sagan i think

438
00:17:54,390 --> 00:17:50,720

just personally that it was his attempt

439

00:17:56,310 --> 00:17:54,400

to kind of to kind of uh you know to

440

00:17:57,990 --> 00:17:56,320

tell the truth in the end because he

441

00:18:00,150 --> 00:17:58,000

knew he was dying and

442

00:18:02,230 --> 00:18:00,160

in the movie contact not only was there

443

00:18:05,029 --> 00:18:02,240

a problem with time that that missing

444

00:18:07,750 --> 00:18:05,039

time but there was also alien contact in

445

00:18:10,710 --> 00:18:07,760

the form of jodie foster's father so

446

00:18:12,710 --> 00:18:10,720

carl knew and i think you know and when

447

00:18:15,270 --> 00:18:12,720

push comes to shove in the end if you

448

00:18:17,750 --> 00:18:15,280

know that the time is up you tell the

449

00:18:20,470 --> 00:18:17,760

truth and i think that carl i know that

450

00:18:22,549 --> 00:18:20,480

carl knew but at the very end he did a

451
00:18:25,110 --> 00:18:22,559
beautiful beautiful thing by presenting

452
00:18:27,110 --> 00:18:25,120
us with that gift of the movie contact

453
00:18:28,950 --> 00:18:27,120
yeah that was uh that was

454
00:18:31,350 --> 00:18:28,960
one of my favorite movies for many years

455
00:18:32,870 --> 00:18:31,360
i love that movie if the something like

456
00:18:34,630 --> 00:18:32,880
that happened

457
00:18:37,669 --> 00:18:34,640
and followed all the way through where

458
00:18:39,830 --> 00:18:37,679
there were 14 hours of blank tape on her

459
00:18:40,870 --> 00:18:39,840
headset that would be just swept under

460
00:18:41,990 --> 00:18:40,880
the rug

461
00:18:43,350 --> 00:18:42,000
you know

462
00:18:44,870 --> 00:18:43,360
they just kind of ignored that whole

463
00:18:47,029 --> 00:18:44,880

part of it and that that was just so

464

00:18:48,950 --> 00:18:47,039

true to nature the way things are well

465

00:18:51,590 --> 00:18:48,960

yeah but you got to look at what vested

466

00:18:53,830 --> 00:18:51,600

interest people have in disclosure

467

00:18:55,830 --> 00:18:53,840

other countries are curious so we have

468

00:18:57,750 --> 00:18:55,840

brazil that have filed and it comes out

469

00:19:00,470 --> 00:18:57,760

of the military we have

470

00:19:02,070 --> 00:19:00,480

england that has a you know that release

471

00:19:03,830 --> 00:19:02,080

their files they just don't want to deal

472

00:19:05,750 --> 00:19:03,840

with it but they've released their files

473

00:19:07,909 --> 00:19:05,760

and people should be reading them

474

00:19:09,909 --> 00:19:07,919

because that's where actually i

475

00:19:10,870 --> 00:19:09,919

interviewed milton torres who was a

476

00:19:12,029 --> 00:19:10,880

pilot

477

00:19:15,110 --> 00:19:12,039

uh in

478

00:19:17,270 --> 00:19:15,120

1957 who was ordered to shoot down a ufo

479

00:19:19,669 --> 00:19:17,280

over mazdan

480

00:19:21,510 --> 00:19:19,679

air force base in england and he was in

481

00:19:22,630 --> 00:19:21,520

that report that came out he's an

482

00:19:24,070 --> 00:19:22,640

american

483

00:19:26,470 --> 00:19:24,080

serviceman but he came out in that

484

00:19:28,950 --> 00:19:26,480

report so he was able to talk and i'll

485

00:19:31,909 --> 00:19:28,960

tell you it's a heavy burden for these

486

00:19:33,909 --> 00:19:31,919

guys he started to to get very emotional

487

00:19:35,990 --> 00:19:33,919

when i asked him you were ordered to

488

00:19:37,190 --> 00:19:36,000

shoot down a ufo and you saw it and he

489

00:19:39,190 --> 00:19:37,200

said yes

490

00:19:41,590 --> 00:19:39,200

and he got emotional because he was

491

00:19:43,350 --> 00:19:41,600

sworn to secrecy until this file was

492

00:19:46,870 --> 00:19:43,360

released and he really wanted to tell

493

00:19:49,830 --> 00:19:46,880

his dad and his dad died uh about three

494

00:19:53,190 --> 00:19:49,840

years before this file was released so

495

00:19:54,470 --> 00:19:53,200

these guys have to keep a secret

496

00:19:56,230 --> 00:19:54,480

and then the other thing that's

497

00:19:58,150 --> 00:19:56,240

important about this was they're ordered

498

00:20:00,150 --> 00:19:58,160

to shoot these things down

499

00:20:02,230 --> 00:20:00,160

that doesn't make any sense i mean you

500

00:20:03,830 --> 00:20:02,240

know it would make total sense why no

501
00:20:06,230 --> 00:20:03,840
one would want to totally reveal

502
00:20:08,230 --> 00:20:06,240
themselves to us well yeah that's one of

503
00:20:11,350 --> 00:20:08,240
the things is that we are a hostile

504
00:20:13,830 --> 00:20:11,360
group well i think they're looking at us

505
00:20:15,510 --> 00:20:13,840
uh as just what we're doing to each

506
00:20:18,070 --> 00:20:15,520
other after all these centuries i mean

507
00:20:20,549 --> 00:20:18,080
we haven't really evolved very much and

508
00:20:22,870 --> 00:20:20,559
so a friend of mine renato longado talks

509
00:20:24,789 --> 00:20:22,880
about the alien agenda as

510
00:20:28,149 --> 00:20:24,799
the different cultures and they're not

511
00:20:30,070 --> 00:20:28,159
all gray i have so many stories of human

512
00:20:32,070 --> 00:20:30,080
type aliens but the different cultures

513
00:20:34,549 --> 00:20:32,080

that are visiting are looking at us

514

00:20:36,149 --> 00:20:34,559

as if they are cosmic anthropologists

515

00:20:39,190 --> 00:20:36,159

and and they're looking at the human

516

00:20:41,110 --> 00:20:39,200

race to see how far it's progressed and

517

00:20:42,870 --> 00:20:41,120

i i dare say

518

00:20:45,029 --> 00:20:42,880

it it really hasn't

519

00:20:47,750 --> 00:20:45,039

gone very far no you know the only thing

520

00:20:49,990 --> 00:20:47,760

that's advanced is our technology

521

00:20:51,990 --> 00:20:50,000

we have not i don't think we've uh i

522

00:20:53,750 --> 00:20:52,000

don't think we've advanced as a species

523

00:20:56,470 --> 00:20:53,760

we're still very primitive

524

00:20:57,830 --> 00:20:56,480

and uh we're still very tribal they they

525

00:21:00,390 --> 00:20:57,840

most likely

526

00:21:01,590 --> 00:21:00,400

uh could you know destroy us

527

00:21:03,029 --> 00:21:01,600

and

528

00:21:06,710 --> 00:21:03,039

you know if they have the technology

529

00:21:09,430 --> 00:21:06,720

they have um and i think they just

530

00:21:10,950 --> 00:21:09,440

they obviously don't mind us seeing them

531

00:21:13,029 --> 00:21:10,960

because enough people see them there's

532

00:21:15,750 --> 00:21:13,039

like a thousand sightings a day

533

00:21:17,510 --> 00:21:15,760

worldwide or something like that

534

00:21:20,630 --> 00:21:17,520

so they obviously don't mind us seeing

535

00:21:22,310 --> 00:21:20,640

them but as far as interacting that's

536

00:21:24,230 --> 00:21:22,320

where they draw the line so it makes

537

00:21:26,950 --> 00:21:24,240

total sense that they would be observing

538

00:21:28,549 --> 00:21:26,960

only well see the thing is they they do

539

00:21:30,630 --> 00:21:28,559

i think that they do interact with

540

00:21:33,110 --> 00:21:30,640

certain people that's why you know i

541

00:21:35,750 --> 00:21:33,120

know for for a fact they've interacted

542

00:21:37,430 --> 00:21:35,760

with travis walton and with stan romack

543

00:21:39,990 --> 00:21:37,440

which are the two cases that i will

544

00:21:41,830 --> 00:21:40,000

support as a journalist but the thing is

545

00:21:44,870 --> 00:21:41,840

that they interact with people they feel

546

00:21:47,350 --> 00:21:44,880

they can interact with but as far as the

547

00:21:48,950 --> 00:21:47,360

visitations even colonel corso used to

548

00:21:50,950 --> 00:21:48,960

say

549

00:21:52,950 --> 00:21:50,960

you know it's ridiculous to believe that

550

00:21:55,270 --> 00:21:52,960

they're good bad or indifferent you know

551
00:21:57,510 --> 00:21:55,280
they're neither they're just there

552
00:21:58,950 --> 00:21:57,520
and if they wanted to destroy us we

553
00:22:01,750 --> 00:21:58,960
wouldn't have a chance they've got a

554
00:22:03,750 --> 00:22:01,760
technology that's far superior however

555
00:22:06,230 --> 00:22:03,760
in the way that we think

556
00:22:08,390 --> 00:22:06,240
uh you know we're we can we're thinking

557
00:22:11,270 --> 00:22:08,400
of developing weapons to shoot them out

558
00:22:13,750 --> 00:22:11,280
of the air uh and and

559
00:22:15,990 --> 00:22:13,760
yeah because that's the mentality i mean

560
00:22:18,549 --> 00:22:16,000
that has been the mentality of the human

561
00:22:21,190 --> 00:22:18,559
being since the beginning of time

562
00:22:23,029 --> 00:22:21,200
there's just very few people

563
00:22:26,390 --> 00:22:23,039

i think on the planet that want to look

564

00:22:27,830 --> 00:22:26,400

for a diplomatic uh solution to this and

565

00:22:29,909 --> 00:22:27,840

that's why

566

00:22:32,630 --> 00:22:29,919

in the beginning i wanted to go from

567

00:22:33,750 --> 00:22:32,640

ufology for me the traditional ufology

568

00:22:38,390 --> 00:22:33,760

which was

569

00:22:41,190 --> 00:22:38,400

exopolitics my books i have three

570

00:22:44,149 --> 00:22:41,200

exopolitics books and basically

571

00:22:46,549 --> 00:22:44,159

exopolitics the definition for me

572

00:22:49,510 --> 00:22:46,559

is the scholarly study of the alien

573

00:22:53,190 --> 00:22:49,520

presence on earth and it's not an amoeba

574

00:22:55,590 --> 00:22:53,200

and the implications both sociological

575

00:22:58,070 --> 00:22:55,600

and political for the planet i mean i'm

576

00:23:00,870 --> 00:22:58,080

looking at some kind of diplomacy here

577

00:23:02,710 --> 00:23:00,880

if if we ever had contact we literally

578

00:23:06,470 --> 00:23:02,720

have nothing in place

579

00:23:09,350 --> 00:23:06,480

for a formal contact that i know of that

580

00:23:10,789 --> 00:23:09,360

i know of you mentioned travis uh walton

581

00:23:12,870 --> 00:23:10,799

a minute ago

582

00:23:15,029 --> 00:23:12,880

for that incident that happened to him

583

00:23:17,190 --> 00:23:15,039

which is really amazing

584

00:23:19,990 --> 00:23:17,200

has there been anything reoccurring with

585

00:23:21,990 --> 00:23:20,000

him at all or was it just that one yeah

586

00:23:23,990 --> 00:23:22,000

i would like to talk about these people

587

00:23:27,110 --> 00:23:24,000

because these people i you know when i

588

00:23:28,870 --> 00:23:27,120

was in italy i i paid for their way to

589

00:23:31,510 --> 00:23:28,880

come across the ocean to speak to the

590

00:23:34,230 --> 00:23:31,520

italians and everyone that's like john

591

00:23:36,710 --> 00:23:34,240

mack linda howe richard dolan travis

592

00:23:39,590 --> 00:23:36,720

walton so travis has been to my home in

593

00:23:42,470 --> 00:23:39,600

rome at least three times and i i

594

00:23:45,110 --> 00:23:42,480

believe his story because he's a down to

595

00:23:47,029 --> 00:23:45,120

earth grounded person and

596

00:23:49,270 --> 00:23:47,039

in fact i'm working on his story right

597

00:23:51,430 --> 00:23:49,280

now because for me that is the latest

598

00:23:53,669 --> 00:23:51,440

breaking news in ufology

599

00:23:56,470 --> 00:23:53,679

he appeared at the international ufo

600

00:23:58,630 --> 00:23:56,480

congress with two lumberjacks that were

601
00:24:01,029 --> 00:23:58,640
with him when this all happened and it

602
00:24:02,950 --> 00:24:01,039
was very emotional for their testimonies

603
00:24:05,270 --> 00:24:02,960
with travis because one of them asked

604
00:24:07,909 --> 00:24:05,280
for forgiveness for leaving travis there

605
00:24:10,710 --> 00:24:07,919
right uh you know he was

606
00:24:12,549 --> 00:24:10,720
they saw the craft they described it uh

607
00:24:15,350 --> 00:24:12,559
they said that the underbelly of the

608
00:24:17,909 --> 00:24:15,360
craft was this white brilliant light

609
00:24:20,390 --> 00:24:17,919
that they had never seen such a white

610
00:24:23,190 --> 00:24:20,400
light and that they were terrorized and

611
00:24:25,669 --> 00:24:23,200
that's why they left travis's body there

612
00:24:28,950 --> 00:24:25,679
they thought he was dead and so the fact

613
00:24:31,350 --> 00:24:28,960

that these two lumberjacks came out uh

614

00:24:33,190 --> 00:24:31,360

and the fact that these that travis is

615

00:24:36,549 --> 00:24:33,200

trying to get the rest of them one has

616

00:24:38,789 --> 00:24:36,559

since died dallas has since died but he

617

00:24:41,510 --> 00:24:38,799

wants to get the rest of the guys the

618

00:24:43,510 --> 00:24:41,520

this the other six

619

00:24:46,390 --> 00:24:43,520

uh to come out and speak with him is

620

00:24:48,950 --> 00:24:46,400

that for me the breaking news in ufology

621

00:24:51,909 --> 00:24:48,960

we don't really need the substantiation

622

00:24:54,149 --> 00:24:51,919

of his case because it was an fbi

623

00:24:55,990 --> 00:24:54,159

researched case i mean he disappeared

624

00:24:58,710 --> 00:24:56,000

for five days but

625

00:25:01,269 --> 00:24:58,720

the sociological part of that you know

626

00:25:03,430 --> 00:25:01,279

the the emotions that these guys went

627

00:25:04,470 --> 00:25:03,440

through seeing this i think is really

628

00:25:07,269 --> 00:25:04,480

interesting

629

00:25:10,310 --> 00:25:07,279

yeah yeah that's an amazing case that

630

00:25:13,269 --> 00:25:10,320

was back in the 1970s wasn't it yeah it

631

00:25:16,070 --> 00:25:13,279

was in the 1970s and

632

00:25:19,669 --> 00:25:16,080

as far as anything you know current you

633

00:25:21,590 --> 00:25:19,679

know travis has has redone his book

634

00:25:23,430 --> 00:25:21,600

so that it's it's interesting for people

635

00:25:25,029 --> 00:25:23,440

to read i think that people should read

636

00:25:27,750 --> 00:25:25,039

that plus uh

637

00:25:29,350 --> 00:25:27,760

he's wanting to talk about it seriously

638

00:25:31,269 --> 00:25:29,360

i mean travis is one of those people

639

00:25:33,190 --> 00:25:31,279

that's serious about disclosure he wants

640

00:25:35,830 --> 00:25:33,200

to know what's going on i love the

641

00:25:37,590 --> 00:25:35,840

phrase someone uh an earlier earlier

642

00:25:38,950 --> 00:25:37,600

guest said we know that they're here we

643

00:25:40,630 --> 00:25:38,960

just don't know what they are and that

644

00:25:43,669 --> 00:25:40,640

was a borrowed quote that he borrowed

645

00:25:46,549 --> 00:25:43,679

from someone else and uh i think that

646

00:25:49,430 --> 00:25:46,559

fits pretty well a few minutes ago

647

00:25:51,669 --> 00:25:49,440

you said that a lot of aliens were

648

00:25:53,269 --> 00:25:51,679

humanoid and everyone thinks of them as

649

00:25:55,350 --> 00:25:53,279

grace but they're not all greys can you

650

00:25:57,350 --> 00:25:55,360

elaborate a little bit on that

651
00:26:00,070 --> 00:25:57,360
well yeah just look at the travis walton

652
00:26:01,909 --> 00:26:00,080
case i mean he said the the gray beings

653
00:26:02,870 --> 00:26:01,919
were in the room with him he believes

654
00:26:04,390 --> 00:26:02,880
now that

655
00:26:05,909 --> 00:26:04,400
they had some kind of device that

656
00:26:08,310 --> 00:26:05,919
brought him back to life he just was

657
00:26:09,990 --> 00:26:08,320
terrified looking at them but he said

658
00:26:12,710 --> 00:26:10,000
that the beings that took him out of the

659
00:26:13,830 --> 00:26:12,720
craft into the hangar were he said they

660
00:26:17,269 --> 00:26:13,840
look like

661
00:26:19,909 --> 00:26:17,279
blonde twins almost clones uh beautiful

662
00:26:21,590 --> 00:26:19,919
blonde people of male and female

663
00:26:24,070 --> 00:26:21,600

and the thing is that not only has

664

00:26:26,710 --> 00:26:24,080

travis reported this i mean i did the

665

00:26:29,029 --> 00:26:26,720

charles hall case he was the weatherman

666

00:26:32,230 --> 00:26:29,039

in 1965

667

00:26:32,950 --> 00:26:32,240

in the uh indian springs facility of the

668

00:26:35,590 --> 00:26:32,960

uh

669

00:26:37,830 --> 00:26:35,600

of the area 51 base

670

00:26:40,230 --> 00:26:37,840

in the millennium hospitality books all

671

00:26:42,789 --> 00:26:40,240

four of them show the fact that charles

672

00:26:46,070 --> 00:26:42,799

met tall white beings

673

00:26:48,950 --> 00:26:46,080

with their children who happened to be

674

00:26:51,029 --> 00:26:48,960

hosted by the the uh

675

00:26:53,269 --> 00:26:51,039

the government he said well basically

676
00:26:55,669 --> 00:26:53,279
not the government but the military on

677
00:26:57,669 --> 00:26:55,679
the area 51 base now charles is very

678
00:26:58,950 --> 00:26:57,679
credible is working right now at an air

679
00:27:01,830 --> 00:26:58,960
force base

680
00:27:03,510 --> 00:27:01,840
and if people read that if they read

681
00:27:06,149 --> 00:27:03,520
that they know he's telling the truth

682
00:27:07,750 --> 00:27:06,159
and when i he talked to me about this

683
00:27:10,149 --> 00:27:07,760
and it took me two years to do this

684
00:27:11,830 --> 00:27:10,159
story i wouldn't do the story without

685
00:27:14,950 --> 00:27:11,840
finding the other men that work with

686
00:27:17,110 --> 00:27:14,960
charles i found four of them uh

687
00:27:20,230 --> 00:27:17,120
in 1965

688
00:27:22,870 --> 00:27:20,240

that these beings on a technology

689

00:27:27,110 --> 00:27:22,880

exchange had their children with them

690

00:27:27,830 --> 00:27:27,120

they were uh the the situation was

691

00:27:33,190 --> 00:27:27,840

it

692

00:27:35,830 --> 00:27:33,200

very thin

693

00:27:38,310 --> 00:27:35,840

people and when when i realized that

694

00:27:40,310 --> 00:27:38,320

we're talking about people i looked at

695

00:27:43,669 --> 00:27:40,320

backwards at a damski

696

00:27:46,950 --> 00:27:43,679

at the fact that he had a contact with a

697

00:27:48,710 --> 00:27:46,960

a person this was a warning against the

698

00:27:51,110 --> 00:27:48,720

uh the atomic

699

00:27:54,149 --> 00:27:51,120

use of atomic weapons and if people

700

00:27:56,310 --> 00:27:54,159

study that then being in italy that same

701
00:27:58,310 --> 00:27:56,320
year that adamski had that contact

702
00:28:01,029 --> 00:27:58,320
another contactee

703
00:28:03,110 --> 00:28:01,039
named eugenio syracusa had a contact

704
00:28:06,389 --> 00:28:03,120
with the very same people

705
00:28:08,630 --> 00:28:06,399
under mount aetna on in sicily i did

706
00:28:10,389 --> 00:28:08,640
research on that and found that there

707
00:28:13,350 --> 00:28:10,399
was a letter from president eisenhower

708
00:28:17,029 --> 00:28:13,360
to this italian contactee so eisenhower

709
00:28:20,230 --> 00:28:17,039
was really involved in these human type

710
00:28:22,230 --> 00:28:20,240
contacts he was involved in it i saw the

711
00:28:24,149 --> 00:28:22,240
letter it's in one of my books

712
00:28:28,070 --> 00:28:24,159
uh who genuine said acoustic described

713
00:28:30,710 --> 00:28:28,080

the same guy blue uh you know kind of uh

714

00:28:33,190 --> 00:28:30,720

suit with long blonde hair

715

00:28:35,510 --> 00:28:33,200

so i went to see billy meyer everybody's

716

00:28:38,470 --> 00:28:35,520

wondering about that case i will support

717

00:28:40,549 --> 00:28:38,480

that case i was on the compound i talked

718

00:28:43,190 --> 00:28:40,559

to the people i talked to guido

719

00:28:45,029 --> 00:28:43,200

mosbrugger who wrote and still they fly

720

00:28:47,510 --> 00:28:45,039

is the medical doctor

721

00:28:50,310 --> 00:28:47,520

skeptic who wrote the book on meyer

722

00:28:52,950 --> 00:28:50,320

that is real those pictures are real i

723

00:28:55,110 --> 00:28:52,960

mean they are they i also learned that

724

00:28:56,070 --> 00:28:55,120

the japanese bought all his movie

725

00:28:58,789 --> 00:28:56,080

footage

726
00:28:59,750 --> 00:28:58,799
so there and there's no uh fishing pole

727
00:29:03,669 --> 00:28:59,760
with a

728
00:29:05,510 --> 00:29:03,679
movie footage is amazing you see the

729
00:29:06,470 --> 00:29:05,520
craft over the highway with the cars

730
00:29:08,549 --> 00:29:06,480
under it

731
00:29:10,070 --> 00:29:08,559
so this is the guy with one arm so he's

732
00:29:11,029 --> 00:29:10,080
not going to easily do something like

733
00:29:13,430 --> 00:29:11,039
that

734
00:29:15,830 --> 00:29:13,440
so you know if you're intelligent

735
00:29:19,190 --> 00:29:15,840
researcher you say why is all the real

736
00:29:21,830 --> 00:29:19,200
human type alien uh contacts being

737
00:29:23,990 --> 00:29:21,840
hidden and what we're brainwashed with

738
00:29:26,070 --> 00:29:24,000

is this idea of the extraterrestrial

739

00:29:27,110 --> 00:29:26,080

biological entity which is basically a

740

00:29:29,909 --> 00:29:27,120

clone

741

00:29:32,070 --> 00:29:29,919

a little a little gray that is created

742

00:29:33,669 --> 00:29:32,080

colonel corso basically said that they

743

00:29:35,830 --> 00:29:33,679

knew that it was an extraterrestrial

744

00:29:37,669 --> 00:29:35,840

biological entity because he had the

745

00:29:40,870 --> 00:29:37,679

autopsies he said they were more afraid

746

00:29:42,310 --> 00:29:40,880

of who created that who created the the

747

00:29:43,190 --> 00:29:42,320

actual

748

00:29:48,149 --> 00:29:43,200

uh

749

00:29:50,950 --> 00:29:48,159

the craft i mean because he said that

750

00:29:53,029 --> 00:29:50,960

that clone or that uh

751

00:29:55,750 --> 00:29:53,039

extraterrestrial biological entity

752

00:29:58,710 --> 00:29:55,760

became one with the craft and could fly

753

00:30:01,590 --> 00:29:58,720

that craft so we have to stop thinking

754

00:30:03,909 --> 00:30:01,600

that aliens are these little grey people

755

00:30:06,630 --> 00:30:03,919

they're they're uh i'm working on two

756

00:30:09,430 --> 00:30:06,640

italian cases where they're human

757

00:30:10,230 --> 00:30:09,440

and they're human looking and so in a

758

00:30:12,870 --> 00:30:10,240

way

759

00:30:14,549 --> 00:30:12,880

if you are an intelligent person that's

760

00:30:16,950 --> 00:30:14,559

looking at this you're thinking

761

00:30:18,710 --> 00:30:16,960

god didn't just create human beings he

762

00:30:20,310 --> 00:30:18,720

probably created

763

00:30:21,990 --> 00:30:20,320

different planets

764

00:30:26,389 --> 00:30:22,000

different

765

00:30:28,549 --> 00:30:26,399

people

766

00:30:30,870 --> 00:30:28,559

on these different planets so

767

00:30:33,430 --> 00:30:30,880

you you know what what what's so

768

00:30:36,230 --> 00:30:33,440

discouraging as a teacher i used to ask

769

00:30:39,110 --> 00:30:36,240

kids to write a research paper and go to

770

00:30:41,590 --> 00:30:39,120

first-hand sources in other words try to

771

00:30:43,830 --> 00:30:41,600

get the actual person today you go on

772

00:30:45,750 --> 00:30:43,840

internet and you get all this gossip

773

00:30:48,389 --> 00:30:45,760

i would never accept that for a research

774

00:30:51,110 --> 00:30:48,399

paper because that secondhand stuff

775

00:30:53,269 --> 00:30:51,120

it's been revamped it's not accurate you

776

00:30:55,750 --> 00:30:53,279

got to go to the real

777

00:30:58,389 --> 00:30:55,760

person you got to talk to travis walton

778

00:31:00,070 --> 00:30:58,399

not read about him and the thing that i

779

00:31:02,230 --> 00:31:00,080

do and i think i'm one of the only

780

00:31:04,789 --> 00:31:02,240

people in the field is i only do

781

00:31:06,789 --> 00:31:04,799

first-hand research i fly all over the

782

00:31:09,590 --> 00:31:06,799

world i speak to people and i cover a

783

00:31:12,549 --> 00:31:09,600

story in person that's wonderful so can

784

00:31:13,350 --> 00:31:12,559

you tell me about your latest book and

785

00:31:15,669 --> 00:31:13,360

uh

786

00:31:18,710 --> 00:31:15,679

anything else that's coming up well my

787

00:31:21,029 --> 00:31:18,720

latest book is called ufos how does one

788

00:31:22,710 --> 00:31:21,039

788 speak to a ball of light and basically

789

00:31:25,110 --> 00:31:22,720

it have seven

790

00:31:27,350 --> 00:31:25,120

and it has nine i'm sorry it has nine uh

791

00:31:29,430 --> 00:31:27,360

protocols for contact

792

00:31:31,590 --> 00:31:29,440

nine different things that we need to

793

00:31:32,549 --> 00:31:31,600

look at like is it our stuff or their

794

00:31:35,190 --> 00:31:32,559

stuff

795

00:31:37,830 --> 00:31:35,200

uh is there a manual for biological

796

00:31:40,549 --> 00:31:37,840

contamination things like that i've put

797

00:31:42,870 --> 00:31:40,559

together seven chapters with real

798

00:31:44,789 --> 00:31:42,880

interviews from top level people

799

00:31:47,830 --> 00:31:44,799

including the ex-defense minister of

800

00:31:49,990 --> 00:31:47,840

canada edgar mitchell apollo 14

801
00:31:51,350 --> 00:31:50,000
astronaut who's a friend of mine yeah

802
00:31:53,110 --> 00:31:51,360
wow

803
00:31:55,509 --> 00:31:53,120
and i just interviewed the daughter of

804
00:31:57,750 --> 00:31:55,519
kenneth arnold that's in the book plus i

805
00:32:00,230 --> 00:31:57,760
just helped clifford stone publish his

806
00:32:02,950 --> 00:32:00,240
book and he did crash retrieval that's

807
00:32:05,830 --> 00:32:02,960
in my book and and clifford talks about

808
00:32:07,509 --> 00:32:05,840
his cases in vietnam of meeting live

809
00:32:10,230 --> 00:32:07,519
aliens so

810
00:32:12,149 --> 00:32:10,240
you know the book has this is real now

811
00:32:14,149 --> 00:32:12,159
what do you want to do about it and it's

812
00:32:16,230 --> 00:32:14,159
an incredible book it also goes to the

813
00:32:18,389 --> 00:32:16,240

very end where i talk about

814

00:32:20,549 --> 00:32:18,399

the need for the united nations or a

815

00:32:22,789 --> 00:32:20,559

super united nations to get involved in

816

00:32:25,110 --> 00:32:22,799

this so countries of the world can have

817

00:32:27,509 --> 00:32:25,120

an intelligent discussion and i talk

818

00:32:29,750 --> 00:32:27,519

about lee spiegel who in the 19 he

819

00:32:32,470 --> 00:32:29,760

writes for the huffington post and he's

820

00:32:35,750 --> 00:32:32,480

for me a hero who put it together with

821

00:32:39,430 --> 00:32:35,760

grenada in the 1970s and he had uh

822

00:32:41,110 --> 00:32:39,440

gordon cooper allen heineck uh and uh uh

823

00:32:43,590 --> 00:32:41,120

you know jacques vale and all the people

824

00:32:44,710 --> 00:32:43,600

talking to the united nations that's

825

00:32:47,029 --> 00:32:44,720

basically

826

00:32:49,590 --> 00:32:47,039

what my ultimate goal is to have a

827

00:32:53,669 --> 00:32:49,600

universal discussion and dialogue about

828

00:32:55,830 --> 00:32:53,679

this so that's called ufos how does one

829

00:32:57,509 --> 00:32:55,840

speak to a ball of light and that's on

830

00:33:00,710 --> 00:32:57,519

amazon

831

00:33:02,230 --> 00:33:00,720

what i'm doing just because i want to do

832

00:33:04,870 --> 00:33:02,240

it is i'd like to give an award to

833

00:33:07,110 --> 00:33:04,880

angela joiner a mainstream journalist

834

00:33:08,549 --> 00:33:07,120

who covered the stephenville case and

835

00:33:12,230 --> 00:33:08,559

lost her job

836

00:33:14,630 --> 00:33:12,240

so i'm having a 2012 women's symposium

837

00:33:17,110 --> 00:33:14,640

in glen rose texas

838

00:33:19,669 --> 00:33:17,120

and the speakers are carol rosen who

839

00:33:22,870 --> 00:33:19,679

will talk about banning weapons in space

840

00:33:25,590 --> 00:33:22,880

dr lynn kitai the phoenix lights

841

00:33:28,230 --> 00:33:25,600

lisa romanock talks about what happened

842

00:33:31,830 --> 00:33:28,240

to a spouse of a contactee

843

00:33:33,990 --> 00:33:31,840

um and i i and tracy austin peters who

844

00:33:35,430 --> 00:33:34,000

has a book uh who has a show on the

845

00:33:38,950 --> 00:33:35,440

paranormal

846

00:33:40,870 --> 00:33:38,960

you know basically women who and angela

847

00:33:43,029 --> 00:33:40,880

joyner will have a panel of the four

848

00:33:46,630 --> 00:33:43,039

stephenville witnesses so there are guys

849

00:33:47,909 --> 00:33:46,640

in this conference it's may 18th 19th

850

00:33:49,750 --> 00:33:47,919

and 20th

851

00:33:52,070 --> 00:33:49,760

and we're going to be screening the

852

00:33:55,590 --> 00:33:52,080

hidden hand by james carmen producer

853

00:33:58,149 --> 00:33:55,600

james carmen it's a documentary that won

854

00:34:00,149 --> 00:33:58,159

the edie award at the international ufo

855

00:34:02,310 --> 00:34:00,159

congress

856

00:34:06,230 --> 00:34:02,320

i know an astronaut that actually walked

857

00:34:08,710 --> 00:34:06,240

on the moon and there was a uh he was

858

00:34:09,750 --> 00:34:08,720

involved in a ufo sighting

859

00:34:15,349 --> 00:34:09,760

um

860

00:34:16,629 --> 00:34:15,359

but he said he didn't really want to

861

00:34:18,550 --> 00:34:16,639

talk about it

862

00:34:20,950 --> 00:34:18,560

so that's a shame well you know it's

863

00:34:22,629 --> 00:34:20,960

hard because they talked about it and

864

00:34:24,790 --> 00:34:22,639

then where does it go i mean nothing

865

00:34:27,909 --> 00:34:24,800

changes here yeah and that's what's so

866

00:34:29,430 --> 00:34:27,919

sad that's right well i think i think

867

00:34:31,270 --> 00:34:29,440

you're doing a wonderful job and i'm

868

00:34:33,909 --> 00:34:31,280

gonna i haven't asked this of another

869

00:34:35,430 --> 00:34:33,919

guest yet uh on the air but would you

870

00:34:38,230 --> 00:34:35,440

like to be on the show again i really

871

00:34:40,389 --> 00:34:38,240

enjoyed you well yeah maybe uh in the

872

00:34:43,510 --> 00:34:40,399

future i'd love to discuss it and i

873

00:34:45,030 --> 00:34:43,520

thank you for presenting it in a stable

874

00:34:47,750 --> 00:34:45,040

and you know

875

00:34:50,310 --> 00:34:47,760

journalistic manner because i'd like to

876

00:34:52,069 --> 00:34:50,320

look at this as a serious issue you know

877

00:34:54,790 --> 00:34:52,079

and i'd like it's like

878

00:34:57,109 --> 00:34:54,800

it's like studying anything i think we

879

00:34:58,950 --> 00:34:57,119

need to study this i do too and thank

880

00:35:01,910 --> 00:34:58,960

you so much for joining us so this is

881

00:35:03,910 --> 00:35:01,920

martin willis with paula harris and
