1  
00:00:08,150 --> 00:00:05,749  
flying saucer real they've seen the

2  
00:00:10,490 --> 00:00:08,160  
aliens buzzing our missile silence at

3  
00:00:12,049 --> 00:00:10,500  
the UFO phenomenon either we like it or

4  
00:00:14,330 --> 00:00:12,059  
not is already very much talked about

5  
00:00:16,790 --> 00:00:14,340  
reality that caused a compass needle to

6  
00:00:18,740 --> 00:00:16,800  
spin and spin and that's where the whole

7  
00:00:21,260 --> 00:00:18,750  
seed for the idea of underground bases

8  
00:00:23,269 --> 00:00:21,270  
at Dulce was planted they have very

9  
00:00:27,439 --> 00:00:23,279  
large eyes and you know I found their

10  
00:00:29,210 --> 00:00:27,449  
stare extremely difficult to bear hello

11  
00:00:32,389 --> 00:00:29,220

18  
00:00:49,520 --> 00:00:48,030  
the alien abduction files make sure you

19  
00:00:51,770 --> 00:00:49,530  
check out our podcasts that came out

20  
00:00:54,260 --> 00:00:51,780  
just a few days ago with Ralph

21  
00:00:56,510 --> 00:00:54,270  
Blumenthal talking mostly about his

22  
00:00:58,810 --> 00:00:56,520  
Vanity Fair article and how we got

23  
00:01:01,939 --> 00:00:58,820  
involved researching John Mack and

24  
00:01:04,640 --> 00:01:01,949  
abductions since we do not have a news

25  
00:01:06,800 --> 00:01:04,650  
segment in this bonus podcast I'm going

26

00:01:09,560 --> 00:01:06,810

to read to you an account that I

27

00:01:11,570 --> 00:01:09,570

transcribed yesterday directly from a TV

28

00:01:14,420 --> 00:01:11,580

personality that did not want to be

29

00:01:18,320 --> 00:01:14,430

recorded and here goes his first-hand

30

00:01:20,210 --> 00:01:18,330

account in 1974 I was with four or five

31

00:01:23,359 --> 00:01:20,220

friends and we were on i believe the

32

00:01:25,880 --> 00:01:23,369

21st floor of if i can remember it was

33

00:01:28,789 --> 00:01:25,890

called the washington building at umass

34

00:01:30,499 --> 00:01:28,799

in amherst massachusetts we were by the

35

00:01:32,929 --> 00:01:30,509

window talking and all of a sudden we

36

00:01:35,030 --> 00:01:32,939

saw this object swoop down and go

37

00:01:37,940 --> 00:01:35,040

through the mall and then just Hoover

38

00:01:40,880 --> 00:01:37,950

about the 15th floor it was kind of like

39

00:01:42,889 --> 00:01:40,890

a box-shaped rectangular item with

40

00:01:45,310 --> 00:01:42,899

lights all the way around it it stayed

41

00:01:47,240 --> 00:01:45,320

steady for a moment it shot up what

42

00:01:49,819 --> 00:01:47,250

probably would have broken the sound

43

00:01:51,620 --> 00:01:49,829

barrier but there was no sound at all up

44

00:01:53,749 --> 00:01:51,630

toward the mountains and it just stayed

45

00:01:56,870 --> 00:01:53,759

there and hovered all of a sudden it

46

00:01:59,569 --> 00:01:56,880

seemed like the box shaped item burst

47

00:02:02,330 --> 00:01:59,579

into several lights and then they

48

00:02:04,190 --> 00:02:02,340

created a triangle formation and just

49

00:02:06,230 --> 00:02:04,200

SAT there and then the lights started

50

00:02:08,089 --> 00:02:06,240

flashing back and forth to each other

51  
00:02:11,029 --> 00:02:08,099  
almost like they were communicating

52  
00:02:13,550 --> 00:02:11,039  
signals or something we heard noises of

53  
00:02:15,589 --> 00:02:13,560  
jets and looked up in two fighter jets

54  
00:02:19,010 --> 00:02:15,599  
we're heading directly in that direction

55  
00:02:22,400 --> 00:02:19,020  
coming from overhead and we saw it

56  
00:02:24,440 --> 00:02:22,410  
pursue the object which shot off on an

57  
00:02:27,470 --> 00:02:24,450  
angle of a speed that I could never

58  
00:02:29,120 --> 00:02:27,480  
imagine the fighter jets pursued it just

59  
00:02:31,580 --> 00:02:29,130  
for a second or two in that direction

60  
00:02:35,330 --> 00:02:31,590  
and then circled around and came back

61  
00:02:39,110 --> 00:02:35,340  
from where they were so I asked him I

62  
00:02:41,120 --> 00:02:39,120  
said did you report this and he said no

63  
00:02:42,979 --> 00:02:41,130

his friends and him did not want to

64

00:02:44,690 --> 00:02:42,989

report it but they looked in the paper

65

00:02:47,120 --> 00:02:44,700

for the next couple of days and they

66

00:02:49,729 --> 00:02:47,130

didn't see any type of report of it at

67

00:02:51,530 --> 00:02:49,739

all so then I asked him well how did you

68

00:02:54,229 --> 00:02:51,540

feel about that and he said well I

69

00:02:55,610 --> 00:02:54,239

thought it was weird and I said did it

70

00:02:56,960 --> 00:02:55,620

change your life do you think about

71

00:03:00,710 --> 00:02:56,970

these things all the time and he says

72

00:03:03,259 --> 00:03:00,720

now I could care less so to me his

73

00:03:06,130 --> 00:03:03,269

reaction to the whole situation was just

74

00:03:08,360 --> 00:03:06,140

about as curious as the incident itself

75

00:03:10,940 --> 00:03:08,370

but anyway i thought i'd share that with

76  
00:03:12,920 --> 00:03:10,950  
you kathleen Mardon and denise stoner

77  
00:03:15,660 --> 00:03:12,930  
are coming up and sit back and relax

78  
00:03:34,110 --> 00:03:15,670  
enjoy the show

79  
00:03:37,580 --> 00:03:34,120  
I have both Denise stoner and Kathleen

80  
00:03:41,729 --> 00:03:37,590  
Martin on skype how are you ladies fine

81  
00:03:45,000 --> 00:03:41,739  
and your new book is just out the alien

82  
00:03:48,210 --> 00:03:45,010  
abduction files a great book I did get

83  
00:03:49,830 --> 00:03:48,220  
my nose into it a little bit and Kathy

84  
00:03:52,590 --> 00:03:49,840  
you did most of the writing of this book

85  
00:03:56,340 --> 00:03:52,600  
can you give the listener audience and

86  
00:03:58,979 --> 00:03:56,350  
overview of it I'd love to well the book

87  
00:04:02,520 --> 00:03:58,989  
begins with the story of Denise stoner

88  
00:04:06,390 --> 00:04:02,530

and her family's UFO abduction

89

00:04:09,630 --> 00:04:06,400

experiencers she had two very

90

00:04:12,120 --> 00:04:09,640

significant missing time events one with

91

00:04:15,960 --> 00:04:12,130

her husband and daughter in Colorado and

92

00:04:20,460 --> 00:04:15,970

the other in Florida and then Denise

93

00:04:23,430 --> 00:04:20,470

gives her own personal story about the

94

00:04:26,520 --> 00:04:23,440

way that she has reacted emotionally and

95

00:04:29,850 --> 00:04:26,530

physically to all of this and a detailed

96

00:04:32,279 --> 00:04:29,860

account of the experiences that she has

97

00:04:36,120 --> 00:04:32,289

had personally throughout her lifetime

98

00:04:39,620 --> 00:04:36,130

it's a fascinating read and then we find

99

00:04:42,840 --> 00:04:39,630

out what Denise has in common with other

100

00:04:44,850 --> 00:04:42,850

experiences I also had to include a

101  
00:04:47,550 --> 00:04:44,860  
chapter about one of my favorite topics

102  
00:04:51,000 --> 00:04:47,560  
of study it's titled anything but

103  
00:04:54,510 --> 00:04:51,010  
extraterrestrial and it's an overview of

104  
00:04:59,100 --> 00:04:54,520  
the government's UFO studies over the

105  
00:05:02,070 --> 00:04:59,110  
years and how they have contradicted the

106  
00:05:04,380 --> 00:05:02,080  
evidence that they have obtained in

107  
00:05:07,890 --> 00:05:04,390  
their public statements so I found that

108  
00:05:12,090 --> 00:05:07,900  
very interesting from from there we move

109  
00:05:15,840 --> 00:05:12,100  
on to the lengthy study of Jenny

110  
00:05:19,290 --> 00:05:15,850  
Henderson's UFO abduction experiences

111  
00:05:22,680 --> 00:05:19,300  
this is a multi-generational abduction

112  
00:05:26,700 --> 00:05:22,690  
her mother her son and her daughter have

113  
00:05:28,820 --> 00:05:26,710

already have all been taken with all of

114

00:05:32,150 --> 00:05:28,830

the evidence that this has occurred

115

00:05:35,510 --> 00:05:32,160

and also her emotional response to all

116

00:05:37,940 --> 00:05:35,520

of this and we also discuss the

117

00:05:41,810 --> 00:05:37,950

commonality study that Denise and I

118

00:05:45,770 --> 00:05:41,820

worked on together for a year with 50

119

00:05:48,950 --> 00:05:45,780

different experiences and a 25-person

120

00:05:53,480 --> 00:05:48,960

control group we found that both Denise

121

00:05:56,120 --> 00:05:53,490

and Jenny have all 23 of the

122

00:06:00,350 --> 00:05:56,130

characteristics that experiencers have

123

00:06:03,380 --> 00:06:00,360

in common and at the end of our book we

124

00:06:07,540 --> 00:06:03,390

discussed several additional cases of

125

00:06:10,160 --> 00:06:07,550

alien abduction and what we look for and

126

00:06:13,310 --> 00:06:10,170

discuss in the book the little known

127

00:06:16,130 --> 00:06:13,320

characteristics of aliens experimental

128

00:06:18,980 --> 00:06:16,140

procedures the theoretical science that

129

00:06:22,340 --> 00:06:18,990

can explain alien technology the

130

00:06:25,390 --> 00:06:22,350

messages conveyed by the e cheese to

131

00:06:28,280 --> 00:06:25,400

abduction experiencers the

132

00:06:31,070 --> 00:06:28,290

vulnerabilities and benefits of living

133

00:06:34,100 --> 00:06:31,080

life as an abduction experience ER and

134

00:06:37,160 --> 00:06:34,110

the evidence that the phenomena are real

135

00:06:39,380 --> 00:06:37,170

and not imaginary well I want to talk to

136

00:06:40,960 --> 00:06:39,390

you about those messages later on I

137

00:06:44,000 --> 00:06:40,970

don't want to forget that because that's

138

00:06:46,460 --> 00:06:44,010

fascinating to me Denise I would like to

139

00:06:48,530 --> 00:06:46,470

talk to you about your experiences

140

00:06:50,720 --> 00:06:48,540

because Wow was all I got to say to

141

00:06:54,230 --> 00:06:50,730

anyone that wants to pick up the book

142

00:06:56,540 --> 00:06:54,240

it's really really fascinating and scary

143

00:06:59,090 --> 00:06:56,550

to think that your husband Edie it was

144

00:07:01,490 --> 00:06:59,100

actually was right there to witness what

145

00:07:03,080 --> 00:07:01,500

was going on or at least are you leaving

146

00:07:05,870 --> 00:07:03,090

and coming back and all that and then

147

00:07:08,150 --> 00:07:05,880

you you after further discovery you go

148

00:07:09,680 --> 00:07:08,160

into some childhood happening so you

149

00:07:12,440 --> 00:07:09,690

know what I think is always fascinating

150

00:07:15,080 --> 00:07:12,450

is okay you're in Colorado then you move

151  
00:07:17,390 --> 00:07:15,090  
to Florida and they follow you can you

152  
00:07:20,300 --> 00:07:17,400  
talk about some of the goings-on without

153  
00:07:23,330 --> 00:07:20,310  
giving too much of a spoiler yes

154  
00:07:26,210 --> 00:07:23,340  
absolutely from age two and a half I've

155  
00:07:29,120 --> 00:07:26,220  
had experiences and as a child I really

156  
00:07:32,510 --> 00:07:29,130  
wasn't afraid because I had a vivid

157  
00:07:37,790 --> 00:07:32,520  
imagination was always able to entertain

158  
00:07:40,010 --> 00:07:37,800  
myself so when I first saw the object in

159  
00:07:42,470 --> 00:07:40,020  
the sky that was my first sighting I

160  
00:07:44,450 --> 00:07:42,480  
thought it was a nursery rhyme character

161  
00:07:47,060 --> 00:07:44,460  
didn't it look like an egg or something

162  
00:07:49,460 --> 00:07:47,070  
yes it looked like Humpty Dumpty it was

163  
00:07:51,950 --> 00:07:49,470

huge and that's what I told my

164

00:07:54,470 --> 00:07:51,960

grandfather when he came through who put

165

00:07:58,040 --> 00:07:54,480

Humpty Dumpty up there but then I saw

166

00:08:01,220 --> 00:07:58,050

fear register on his face and I thought

167

00:08:03,500 --> 00:08:01,230

oh what's he afraid of maybe that Humpty

168

00:08:05,750 --> 00:08:03,510

Dumpty's going to fall or break is he

169

00:08:07,250 --> 00:08:05,760

gonna fall on our house and you know

170

00:08:10,130 --> 00:08:07,260

those little thoughts ran through my

171

00:08:12,050 --> 00:08:10,140

head but then when he wanted me to get

172

00:08:14,570 --> 00:08:12,060

ready for bed and closed the curtains

173

00:08:18,350 --> 00:08:14,580

and I couldn't see anymore what was in

174

00:08:21,470 --> 00:08:18,360

the sky and I was concerned even as a

175

00:08:24,880 --> 00:08:21,480

small child I thought about it so I was

176

00:08:28,670 --> 00:08:24,890

put to bed and then this small entity

177

00:08:31,160 --> 00:08:28,680

came to my bedside with either a tool or

178

00:08:34,550 --> 00:08:31,170

a light I wasn't sure I still don't know

179

00:08:36,920 --> 00:08:34,560

but I can picture it even today and took

180

00:08:39,409 --> 00:08:36,930

my hand I got out of bed we went down

181

00:08:43,760 --> 00:08:39,419

the hall and went right through the wall

182

00:08:46,070 --> 00:08:43,770

and ended up in a huge craft wow wow now

183

00:08:48,350 --> 00:08:46,080

not to give too much away but you're a

184

00:08:50,930 --> 00:08:48,360

story and Colorado with your whole

185

00:08:53,120 --> 00:08:50,940

family members and everything everyone

186

00:08:55,010 --> 00:08:53,130

waiting for you to show up are you you

187

00:08:56,990 --> 00:08:55,020

being late and then what is really

188

00:08:59,960 --> 00:08:57,000

curious is the mileage on the odometer

189

00:09:02,870 --> 00:08:59,970

on the car not registering what was it

190

00:09:06,890 --> 00:09:02,880

twenty some odd miles just gone it was

191

00:09:10,340 --> 00:09:06,900

quite a few miles and yes and my husband

192

00:09:12,980 --> 00:09:10,350

had been setting that trip meter not

193

00:09:15,140 --> 00:09:12,990

just that one time but before that trip

194

00:09:18,080 --> 00:09:15,150

he'd been setting it because when he

195

00:09:21,350 --> 00:09:18,090

thought something might be wrong with

196

00:09:23,390 --> 00:09:21,360

the mileage on the car she said it for

197

00:09:25,100 --> 00:09:23,400

that because it was a longer trip and

198

00:09:27,650 --> 00:09:25,110

wanted to make sure he continued to

199

00:09:30,910 --> 00:09:27,660

monitor what was going on so we

200

00:09:33,590 --> 00:09:30,920

discovered the mileage missing and

201  
00:09:36,440 --> 00:09:33,600  
checked it and then when we left to take

202  
00:09:38,690 --> 00:09:36,450  
the rest of the trip the meter started

203  
00:09:41,240 --> 00:09:38,700  
right up and was running perfectly fine

204  
00:09:44,030 --> 00:09:41,250  
so we knew something had stopped it

205  
00:09:46,640 --> 00:09:44,040  
there had to be a reason for it it was

206  
00:09:49,820 --> 00:09:46,650  
daylight we knew the car had lifted off

207  
00:09:53,030 --> 00:09:49,830  
the road or I did he wasn't sure because

208  
00:09:54,860 --> 00:09:53,040  
he didn't have that recall I had looked

209  
00:09:55,710 --> 00:09:54,870  
over at him and he wasn't moving he was

210  
00:09:58,319 --> 00:09:55,720  
just staring

211  
00:10:00,119 --> 00:09:58,329  
straight ahead his hands were on the

212  
00:10:03,960 --> 00:10:00,129  
steering wheel but he wasn't steering

213  
00:10:07,860 --> 00:10:03,970

and he just lost all recall of what

214

00:10:09,559 --> 00:10:07,870

occurred until we run the far pass from

215

00:10:12,540 --> 00:10:09,569

one mountain pass to another and

216

00:10:15,059 --> 00:10:12,550

completely skipped the glacier valley as

217

00:10:16,920 --> 00:10:15,069

far as he was concerned I knew the car

218

00:10:19,949 --> 00:10:16,930

lift it off the road I felt the tires

219

00:10:22,410 --> 00:10:19,959

scraping lifting over snow barriers that

220

00:10:25,740 --> 00:10:22,420

were there and going across the high

221

00:10:27,869 --> 00:10:25,750

desert with lights over the car that

222

00:10:31,230 --> 00:10:27,879

were attached to a huge object that I

223

00:10:33,210 --> 00:10:31,240

couldn't see it first and then knew we

224

00:10:35,879 --> 00:10:33,220

were coming to a stop didn't know why

225

00:10:38,249 --> 00:10:35,889

and didn't recall some of that right

226

00:10:41,249 --> 00:10:38,259

away and all of a sudden we're on a far

227

00:10:44,999 --> 00:10:41,259

pass in the dark it was no longer

228

00:10:47,550 --> 00:10:45,009

daylight and so we knew that some hours

229

00:10:50,129 --> 00:10:47,560

had passed and we were very concerned

230

00:10:52,949 --> 00:10:50,139

and frightened what caused the fear we

231

00:10:55,949 --> 00:10:52,959

didn't know disorientation what caused

232

00:10:58,290 --> 00:10:55,959

that we weren't sure so my husband said

233

00:11:00,389 --> 00:10:58,300

we need to pull over and talk about it

234

00:11:02,579 --> 00:11:00,399

let's try and figure out what happened

235

00:11:06,329 --> 00:11:02,589

our daughter was asleep in the back of

236

00:11:08,790 --> 00:11:06,339

the car so after a few minutes we moved

237

00:11:11,160 --> 00:11:08,800

on we had another few miles to go and

238

00:11:14,280 --> 00:11:11,170

there were my parents and a longtime

239

00:11:16,319 --> 00:11:14,290

friend waiting getting ready to go into

240

00:11:18,929 --> 00:11:16,329

the ranch house to make a phone call to

241

00:11:20,639 --> 00:11:18,939

the hospital and the police and then my

242

00:11:23,699 --> 00:11:20,649

dad was going to get in the car with his

243

00:11:25,379 --> 00:11:23,709

friend our friend and start to drive the

244

00:11:27,660 --> 00:11:25,389

route that we took to see if we were

245

00:11:30,210 --> 00:11:27,670

stuck in a gully over the side of a

246

00:11:33,780 --> 00:11:30,220

cliff just to see if they could find us

247

00:11:36,119 --> 00:11:33,790

yeah that's an amazing account and your

248

00:11:38,129 --> 00:11:36,129

description of the craft I was trying to

249

00:11:40,410 --> 00:11:38,139

figure that out because it sounds like

250

00:11:43,350 --> 00:11:40,420

almost like an hourglass shaped a very

251  
00:11:45,540 --> 00:11:43,360  
strange sounding craft it was it had a

252  
00:11:49,980 --> 00:11:45,550  
centerpiece where all the lights were

253  
00:11:53,639 --> 00:11:49,990  
but yet I knew it could fold over itself

254  
00:11:56,960 --> 00:11:53,649  
to look more like a disk I knew that and

255  
00:12:00,299 --> 00:11:56,970  
all the lights would then become

256  
00:12:04,650 --> 00:12:00,309  
internal somehow it was it was a very

257  
00:12:07,559 --> 00:12:04,660  
strange-looking craft and I saw it both

258  
00:12:09,580 --> 00:12:07,569  
ways I saw it as it was coming across

259  
00:12:13,200 --> 00:12:09,590  
and the lights in the sin

260  
00:12:16,980 --> 00:12:13,210  
rotated and wasn't it sort of biological

261  
00:12:20,140 --> 00:12:16,990  
possibly in the center it was quite

262  
00:12:23,620 --> 00:12:20,150  
possible it was very strange and that's

263  
00:12:27,840 --> 00:12:23,630

what affected me when I was taken to see

264

00:12:30,550 --> 00:12:27,850

that I could feel or had a physical

265

00:12:35,500 --> 00:12:30,560

sensation before i entered the doorway

266

00:12:38,620 --> 00:12:35,510

where this center core was my muscles

267

00:12:41,290 --> 00:12:38,630

reacted my nerves reacted I didn't know

268

00:12:45,120 --> 00:12:41,300

it because I was in a pretty deep

269

00:12:49,780 --> 00:12:45,130

hypnotic trance at the time I was

270

00:12:52,390 --> 00:12:49,790

appearing to feel pain and Kathleen had

271

00:12:54,940 --> 00:12:52,400

to give me a suggestion that I was just

272

00:12:58,870 --> 00:12:54,950

observing and not feeling at the time

273

00:13:01,600 --> 00:12:58,880

and so afterwards when she asked me if I

274

00:13:04,990 --> 00:13:01,610

realized what was going on I wasn't sure

275

00:13:07,390 --> 00:13:05,000

I didn't think so and so later on I

276

00:13:09,880 --> 00:13:07,400

asked her to repeat the process and

277

00:13:12,820 --> 00:13:09,890

videotape it are you talking about when

278

00:13:15,400 --> 00:13:12,830

you were under hypnosis yes I was under

279

00:13:18,130 --> 00:13:15,410

hypnosis one I described visiting the

280

00:13:20,470 --> 00:13:18,140

center core of the craft and I had a

281

00:13:24,160 --> 00:13:20,480

physical visual reaction that that

282

00:13:25,900 --> 00:13:24,170

Kathleen could see when I started to

283

00:13:28,600 --> 00:13:25,910

feel it was it was both nerve

284

00:13:32,140 --> 00:13:28,610

involvement muscle involvement and a

285

00:13:34,840 --> 00:13:32,150

movement that was difficult for me to

286

00:13:37,960 --> 00:13:34,850

describe when I saw it on the film but

287

00:13:41,110 --> 00:13:37,970

then I had carried it with me and was

288

00:13:43,120 --> 00:13:41,120

having some odd reactions at home in

289

00:13:46,810 --> 00:13:43,130

real life and doctors could not and

290

00:13:48,280 --> 00:13:46,820

still cannot diagnose it Wow now the one

291

00:13:50,800 --> 00:13:48,290

thing that comes to mind denise is

292

00:13:54,250 --> 00:13:50,810

something that i would feel is like why

293

00:13:56,380 --> 00:13:54,260

me do you feel that you know i don't pay

294

00:14:00,220 --> 00:13:56,390

too much attention to that anymore i

295

00:14:02,680 --> 00:14:00,230

used to ask that and I at one point

296

00:14:05,200 --> 00:14:02,690

spent three days going over the

297

00:14:07,990 --> 00:14:05,210

religious aspects what was it going to

298

00:14:12,850 --> 00:14:08,000

do to my belief system should it do

299

00:14:16,060 --> 00:14:12,860

something to it why me was i special was

300

00:14:18,820 --> 00:14:16,070

I not special what did I think of myself

301  
00:14:22,810 --> 00:14:18,830  
and at the end of the three day period I

302  
00:14:23,260 --> 00:14:22,820  
said well I guess why not me maybe I'm

303  
00:14:26,260 --> 00:14:23,270  
so

304  
00:14:29,590 --> 00:14:26,270  
is to help people maybe this is my goal

305  
00:14:31,990 --> 00:14:29,600  
my status my purpose in life and so

306  
00:14:34,420 --> 00:14:32,000  
we'll just go on from here and by the

307  
00:14:36,670 --> 00:14:34,430  
way you have been doing research on the

308  
00:14:38,320 --> 00:14:36,680  
abduction experience for quite a while

309  
00:14:40,750 --> 00:14:38,330  
so you are helping people out there

310  
00:14:43,060 --> 00:14:40,760  
that's what I want to do yes both

311  
00:14:45,910 --> 00:14:43,070  
privately for people that want to come

312  
00:14:49,780 --> 00:14:45,920  
and meet and not be talking about it in

313  
00:14:53,170 --> 00:14:49,790

the public view in the public a public

314

00:14:56,230 --> 00:14:53,180

setting and also for those that want to

315

00:14:58,540 --> 00:14:56,240

come to meetings in the open and aren't

316

00:15:01,960 --> 00:14:58,550

afraid are worried about how it will

317

00:15:05,050 --> 00:15:01,970

affect their lives so I do that as far

318

00:15:07,630 --> 00:15:05,060

as public meetings also yes and I like

319

00:15:09,760 --> 00:15:07,640

research I like the scientific portion

320

00:15:13,900 --> 00:15:09,770

of it and Kathleen and I are working on

321

00:15:16,630 --> 00:15:13,910

that mm-hmm Kathy can you talk about the

322

00:15:18,700 --> 00:15:16,640

messages because I want to know more

323

00:15:20,740 --> 00:15:18,710

about that I've heard some things in the

324

00:15:24,640 --> 00:15:20,750

past and kind of scary things about

325

00:15:26,110 --> 00:15:24,650

possible future catastrophes on planet

326

00:15:27,460 --> 00:15:26,120

earth and things like that is that is

327

00:15:30,280 --> 00:15:27,470

that what you're talking about when you

328

00:15:33,220 --> 00:15:30,290

say messages when I say messages i'm

329

00:15:35,230 --> 00:15:33,230

referring to several different messages

330

00:15:38,410 --> 00:15:35,240

that people have reported to me that

331

00:15:40,600 --> 00:15:38,420

they've received from extraterrestrial

332

00:15:44,080 --> 00:15:40,610

beings while they were on the craft and

333

00:15:47,440 --> 00:15:44,090

they often come as either downloads of

334

00:15:49,540 --> 00:15:47,450

information that they might not remember

335

00:15:52,450 --> 00:15:49,550

fully when they're on the craft but

336

00:15:54,910 --> 00:15:52,460

might be able to recall under hypnosis

337

00:15:57,520 --> 00:15:54,920

although they do remember bits and

338

00:16:01,210 --> 00:15:57,530

pieces of it there are also messages

339

00:16:04,120 --> 00:16:01,220

that they receive by looking at screens

340

00:16:07,900 --> 00:16:04,130

on the craft where they are shown visual

341

00:16:11,290 --> 00:16:07,910

messages or through holographic images

342

00:16:15,400 --> 00:16:11,300

on the craft now these visual messages

343

00:16:19,180 --> 00:16:15,410

and what these are the ones that are so

344

00:16:22,110 --> 00:16:19,190

worrisome too many experience because

345

00:16:25,750 --> 00:16:22,120

they depict the destruction of a planet

346

00:16:30,580 --> 00:16:25,760

and you might see a planet that appears

347

00:16:32,830 --> 00:16:30,590

to be lifeless and many people interpret

348

00:16:36,220 --> 00:16:32,840

this as meaning that this might happen

349

00:16:37,210 --> 00:16:36,230

to Planet Earth I don't know if that is

350

00:16:42,059 --> 00:16:37,220

what has happened

351  
00:16:45,160 --> 00:16:42,069  
or is our are the ETS giving the

352  
00:16:48,220 --> 00:16:45,170  
experiencers hear the message that this

353  
00:16:49,929 --> 00:16:48,230  
has happened to their own planet so

354  
00:16:51,970 --> 00:16:49,939  
there's a little bit of controversy here

355  
00:16:54,460 --> 00:16:51,980  
about what the message actually means

356  
00:16:58,030 --> 00:16:54,470  
some people are also given messages

357  
00:17:00,730 --> 00:16:58,040  
about what do the ETS are doing what

358  
00:17:03,939 --> 00:17:00,740  
their mission mission is and many people

359  
00:17:09,340 --> 00:17:03,949  
will say that they receive information

360  
00:17:12,520 --> 00:17:09,350  
that the ETS mean no harm they care

361  
00:17:17,049 --> 00:17:12,530  
about us that they are here to help us

362  
00:17:20,789 --> 00:17:17,059  
sort of to look over us but in reality

363  
00:17:25,270 --> 00:17:20,799

they have a policy of non-interference

364

00:17:28,860 --> 00:17:25,280

so they're more observers but also that

365

00:17:32,500 --> 00:17:28,870

they are very concerned about human DNA

366

00:17:35,620 --> 00:17:32,510

sequences and their concerns that

367

00:17:38,950 --> 00:17:35,630

something might threaten our species and

368

00:17:42,159 --> 00:17:38,960

that if we're not careful it could lead

369

00:17:45,490 --> 00:17:42,169

to the disintegration of our species due

370

00:17:48,549 --> 00:17:45,500

to changes in our DNA structure that are

371

00:17:52,450 --> 00:17:48,559

being caused environmentally and so that

372

00:17:55,990 --> 00:17:52,460

they are collecting these DNA samples in

373

00:17:58,270 --> 00:17:56,000

order to propagate our species is if

374

00:18:01,930 --> 00:17:58,280

necessary now there are other

375

00:18:04,180 --> 00:18:01,940

researchers who do believe that the ETS

376

00:18:06,880 --> 00:18:04,190

are producing hybrid beings and that

377

00:18:11,260 --> 00:18:06,890

those hybrid beings are going to be used

378

00:18:13,180 --> 00:18:11,270

to repopulate the earth as well so none

379

00:18:15,399 --> 00:18:13,190

of this is for sure it's all highly

380

00:18:18,250 --> 00:18:15,409

speculative but these are some of the

381

00:18:20,350 --> 00:18:18,260

messages that I've received well very

382

00:18:23,500 --> 00:18:20,360

interesting are there thoughts from

383

00:18:26,460 --> 00:18:23,510

either one of you or at least discussion

384

00:18:28,930 --> 00:18:26,470

if these beings are other than

385

00:18:31,390 --> 00:18:28,940

extraterrestrial I would have to say

386

00:18:35,110 --> 00:18:31,400

from my experience my own personal

387

00:18:39,669 --> 00:18:35,120

experience is that the beings that I met

388

00:18:42,190 --> 00:18:39,679

with the exception of one they were from

389

00:18:45,310 --> 00:18:42,200

another place in the universe from

390

00:18:47,590 --> 00:18:45,320

another planet and they were trying to

391

00:18:49,900 --> 00:18:47,600

work with us so that we can all work

392

00:18:55,330 --> 00:18:49,910

together to preserve

393

00:18:58,180 --> 00:18:55,340

our planets and to keep those going in a

394

00:19:00,790 --> 00:18:58,190

proper fashion so that we don't destroy

395

00:19:03,970 --> 00:19:00,800

what we have the one being that I did

396

00:19:07,240 --> 00:19:03,980

meet I questioned where that being was

397

00:19:09,310 --> 00:19:07,250

from was he a time traveler was he

398

00:19:12,040 --> 00:19:09,320

something that was interdimensional it's

399

00:19:15,280 --> 00:19:12,050

quite possible that he was can you tell

400

00:19:17,590 --> 00:19:15,290

me why the Jenni Henderson 1988

401  
00:19:19,980 --> 00:19:17,600  
abduction was important enough to

402  
00:19:25,480 --> 00:19:19,990  
include in the book I certainly can

403  
00:19:27,700 --> 00:19:25,490  
jenny has had experiences at least since

404  
00:19:31,630 --> 00:19:27,710  
she was a teenager when she had a

405  
00:19:36,490 --> 00:19:31,640  
missing time event and those experiences

406  
00:19:41,260 --> 00:19:36,500  
had a very traumatic effect upon her

407  
00:19:44,320 --> 00:19:41,270  
life due to the fear that she felt as a

408  
00:19:47,470 --> 00:19:44,330  
result of all of this and the feeling

409  
00:19:51,180 --> 00:19:47,480  
that she really couldn't discuss it with

410  
00:19:54,760 --> 00:19:51,190  
other people and so often we find that

411  
00:19:56,620 --> 00:19:54,770  
fear is often alleviated when a person

412  
00:19:59,050 --> 00:19:56,630  
is able to come out with their

413  
00:20:01,570 --> 00:19:59,060

experiences and to discuss them with

414

00:20:04,870 --> 00:20:01,580

others who have had that same kind of

415

00:20:10,540 --> 00:20:04,880

experience and they receive support but

416

00:20:14,250 --> 00:20:10,550

jenny didn't for many many years and she

417

00:20:17,560 --> 00:20:14,260

did finally see dr. James harder who

418

00:20:20,460 --> 00:20:17,570

worked for afro he was the professor at

419

00:20:23,020 --> 00:20:20,470

a college in california and an

420

00:20:27,010 --> 00:20:23,030

specialized in abduction research and

421

00:20:31,600 --> 00:20:27,020

also spoke with my aunt betty briefly

422

00:20:35,470 --> 00:20:31,610

but when she came to me she really

423

00:20:38,500 --> 00:20:35,480

wanted to start discussing with someone

424

00:20:43,780 --> 00:20:38,510

her experiences what had happened to her

425

00:20:45,880 --> 00:20:43,790

and to know if the this had anything in

426

00:20:48,460 --> 00:20:45,890

common with what other people were

427

00:20:50,560 --> 00:20:48,470

reporting and so i was very pleased that

428

00:20:56,200 --> 00:20:50,570

she did come to me she had a very

429

00:20:58,480 --> 00:20:56,210

significant event in 1988 and this event

430

00:21:01,600 --> 00:20:58,490

occurred actually when she was in bed

431

00:21:03,990 --> 00:21:01,610

and so many people might say that oh it

432

00:21:05,410 --> 00:21:04,000

was probably sleep paralysis with

433

00:21:08,290 --> 00:21:05,420

hypnagogic lee hypnopompic

434

00:21:13,390 --> 00:21:08,300

hallucinations or it was just a dream

435

00:21:17,440 --> 00:21:13,400

but betty of jenny woke up in the

436

00:21:19,660 --> 00:21:17,450

morning with evidence that something had

437

00:21:21,910 --> 00:21:19,670

happened there was blood on her pillow

438

00:21:26,130 --> 00:21:21,920

there was blood on her son and her

439

00:21:28,330 --> 00:21:26,140

daughter's pillows Wow she had burns

440

00:21:30,750 --> 00:21:28,340

triangular-shaped burns at the top of

441

00:21:34,600 --> 00:21:30,760

her back and she still bears the scars

442

00:21:38,380 --> 00:21:34,610

from those burns she had a sunburn type

443

00:21:41,920 --> 00:21:38,390

effect on her back she turned on the

444

00:21:44,260 --> 00:21:41,930

bathroom light it popped out nothing

445

00:21:47,320 --> 00:21:44,270

unusual about that for a light bulb to

446

00:21:50,920 --> 00:21:47,330

blow out but she stepped into the shower

447

00:21:54,130 --> 00:21:50,930

and her back began to burn her eyes

448

00:21:59,830 --> 00:21:54,140

began to burn tears ran down her cheeks

449

00:22:02,470 --> 00:21:59,840

and caused red trails she had more hair

450

00:22:05,950 --> 00:22:02,480

loss than usual and had significant hair

451  
00:22:08,080 --> 00:22:05,960  
loss over the next few weeks sure sounds

452  
00:22:12,250 --> 00:22:08,090  
like radiation it does sound like

453  
00:22:14,800 --> 00:22:12,260  
radiation poisoning she became disabled

454  
00:22:17,680 --> 00:22:14,810  
as a result she had to leave her career

455  
00:22:21,660 --> 00:22:17,690  
and take a leave of absence and her

456  
00:22:24,940 --> 00:22:21,670  
physician even stated to her that

457  
00:22:28,090 --> 00:22:24,950  
sometimes some patients went to him and

458  
00:22:30,040 --> 00:22:28,100  
seemed to have evidence of radiation

459  
00:22:33,160 --> 00:22:30,050  
poisoning and he had no idea where this

460  
00:22:34,870 --> 00:22:33,170  
had come from but she certainly did

461  
00:22:39,340 --> 00:22:34,880  
exhibit those symptoms although her

462  
00:22:43,690 --> 00:22:39,350  
children didn't it seemed to to be just

463  
00:22:45,910 --> 00:22:43,700

her on that particular night and there

464

00:22:48,580 --> 00:22:45,920

were also these electromagnetic effects

465

00:22:50,620 --> 00:22:48,590

the interference with her hair dryer

466

00:22:55,270 --> 00:22:50,630

that burned out when she stepped out of

467

00:22:57,910 --> 00:22:55,280

the shower she went downstairs she

468

00:23:00,870 --> 00:22:57,920

started to prepare breakfast and the

469

00:23:04,120 --> 00:23:00,880

electric mixer then burned out her son's

470

00:23:06,880 --> 00:23:04,130

computer game turned on and started

471

00:23:10,570 --> 00:23:06,890

working automatically and that had never

472

00:23:13,990 --> 00:23:10,580

happened before it was just one thing

473

00:23:16,360 --> 00:23:14,000

after another in these theories of very

474

00:23:18,700 --> 00:23:16,370

eerie events and her

475

00:23:21,190 --> 00:23:18,710

I choose continuous recall that

476  
00:23:24,460 --> 00:23:21,200  
something had occurred and then each of

477  
00:23:26,740 --> 00:23:24,470  
her children spoke to her about memories

478  
00:23:30,870 --> 00:23:26,750  
that they had that night and they had

479  
00:23:35,440 --> 00:23:30,880  
never discussed UFOs or aliens before

480  
00:23:38,740 --> 00:23:35,450  
this occurred so her her daughter

481  
00:23:41,020 --> 00:23:38,750  
remembered observing what she thought

482  
00:23:43,000 --> 00:23:41,030  
was an airplane outside her bedroom

483  
00:23:45,490 --> 00:23:43,010  
window she said she could see the

484  
00:23:48,310 --> 00:23:45,500  
windows in it it was so close and the

485  
00:23:50,410 --> 00:23:48,320  
people in it and that she almost woke

486  
00:23:52,630 --> 00:23:50,420  
her mother up but didn't want to disturb

487  
00:23:56,530 --> 00:23:52,640  
her and then she said she spent the

488  
00:23:59,590 --> 00:23:56,540

remainder of the night it seemed outside

489

00:24:02,380 --> 00:23:59,600

the house and this funny little house

490

00:24:06,790 --> 00:24:02,390

playing games with these funny little

491

00:24:09,850 --> 00:24:06,800

people and then her son stated that he

492

00:24:13,840 --> 00:24:09,860

had never believed in UFOs before but

493

00:24:17,919 --> 00:24:13,850

now he knew they were real and it was

494

00:24:20,860 --> 00:24:17,929

all of this that combined to make a very

495

00:24:24,549 --> 00:24:20,870

interesting story and the hypnosis of

496

00:24:27,720 --> 00:24:24,559

what happened to her over an extended

497

00:24:30,910 --> 00:24:27,730

period of time and several different

498

00:24:34,750 --> 00:24:30,920

encounters with extraterrestrial beings

499

00:24:37,030 --> 00:24:34,760

is is all in the book the alien

500

00:24:39,750 --> 00:24:37,040

abduction files Denise I'm going to ask

501  
00:24:44,470 --> 00:24:39,760  
you a several part question here mm-hmm

502  
00:24:48,370 --> 00:24:44,480  
first of all what was the fear level

503  
00:24:50,799 --> 00:24:48,380  
that you had and secondly what was the

504  
00:24:53,200 --> 00:24:50,809  
last time that something happened that

505  
00:24:54,669 --> 00:24:53,210  
you're aware of and also are you aware

506  
00:24:57,310 --> 00:24:54,679  
of anything happening with your daughter

507  
00:24:59,440 --> 00:24:57,320  
I don't believe anything has happened

508  
00:25:02,890 --> 00:24:59,450  
with my daughter why I don't know

509  
00:25:06,280 --> 00:25:02,900  
because it usually runs in families my

510  
00:25:08,080 --> 00:25:06,290  
fear level I really had nough and as a

511  
00:25:10,120 --> 00:25:08,090  
child I felt like I was going to a

512  
00:25:13,270 --> 00:25:10,130  
special school and I was learning as I

513  
00:25:16,210 --> 00:25:13,280

got older my fear level raised to the

514

00:25:18,760 --> 00:25:16,220

point where it is today and I don't

515

00:25:20,620 --> 00:25:18,770

usually go to sleep until between four

516

00:25:24,310 --> 00:25:20,630

and six o'clock in the morning I will do

517

00:25:27,760 --> 00:25:24,320

anything to stay awake even if I tell

518

00:25:30,259 --> 00:25:27,770

myself it's okay I can go to sleep if I

519

00:25:33,769 --> 00:25:30,269

do go to sleep I'll be awake within

520

00:25:37,849 --> 00:25:33,779

minutes I just wake up eyes pop open and

521

00:25:40,249 --> 00:25:37,859

I will find something to do my bed is my

522

00:25:43,729 --> 00:25:40,259

side of the bed is surrounded by pillows

523

00:25:46,909 --> 00:25:43,739

I sleep at the foot of the bed the head

524

00:25:49,369 --> 00:25:46,919

of the bed I sleep sideways I do it's

525

00:25:53,560 --> 00:25:49,379

very very confusing looking like a

526

00:25:59,989 --> 00:25:53,570

little cocoon and when did I have my

527

00:26:02,119 --> 00:25:59,999

last experience in February Wow and we

528

00:26:04,719 --> 00:26:02,129

can ask kathleen because she was

529

00:26:08,449 --> 00:26:04,729

involved in that day it was just a very

530

00:26:11,299 --> 00:26:08,459

confusing day for both of us we had

531

00:26:14,509 --> 00:26:11,309

trouble with electronics on both of our

532

00:26:16,549 --> 00:26:14,519

cars I were an insulin pump the battery

533

00:26:19,089 --> 00:26:16,559

on that died and it was a three month

534

00:26:22,159 --> 00:26:19,099

pump that I had just put in her battery

535

00:26:24,799 --> 00:26:22,169

my cell phone wasn't working the

536

00:26:27,169 --> 00:26:24,809

electronics on my mirrors and my car

537

00:26:28,789 --> 00:26:27,179

weren't working so that I could adjust

538

00:26:32,959 --> 00:26:28,799

them to see what was going on outside

539

00:26:36,469 --> 00:26:32,969

the vehicle the radio quit a fuse blew

540

00:26:39,680 --> 00:26:36,479

it was just a very confusing day I took

541

00:26:42,469 --> 00:26:39,690

a pathway or Road home that I normally

542

00:26:45,829 --> 00:26:42,479

wouldn't take and then it ended up I

543

00:26:49,489 --> 00:26:45,839

wasn't on that road either I the whole

544

00:26:53,479 --> 00:26:49,499

day was just very very confusing and i

545

00:26:55,729 --> 00:26:53,489

do not know exactly how i got home until

546

00:26:58,759 --> 00:26:55,739

later on i went looking for an apartment

547

00:27:00,680 --> 00:26:58,769

building i was sure i was at and saw

548

00:27:03,619 --> 00:27:00,690

craft coming out of the water we're

549

00:27:05,539 --> 00:27:03,629

working on that kathy can you elaborate

550

00:27:09,889 --> 00:27:05,549

a little more on that that lasts that

551

00:27:13,339 --> 00:27:09,899

day in February yes I can it was just

552

00:27:16,009 --> 00:27:13,349

such a very strange trip home my father

553

00:27:18,949 --> 00:27:16,019

with was with us and and the three of us

554

00:27:22,249 --> 00:27:18,959

had gone to a meeting in st. Petersburg

555

00:27:25,039 --> 00:27:22,259

and I noticed that the GPS system on my

556

00:27:28,489 --> 00:27:25,049

car was malfunctioning on the way home

557

00:27:31,339 --> 00:27:28,499

even too and it kept telling me to turn

558

00:27:33,169 --> 00:27:31,349

off from the highway and I knew that I

559

00:27:38,169 --> 00:27:33,179

wasn't supposed to turn off I actually

560

00:27:40,909 --> 00:27:38,179

did the first time and realized that I

561

00:27:42,909 --> 00:27:40,919

was in the wrong location and then just

562

00:27:45,369 --> 00:27:42,919

drove and got back on the high

563

00:27:47,919 --> 00:27:45,379

and we were wondering why this was

564

00:27:50,019 --> 00:27:47,929

occurring it hadn't happened before and

565

00:27:53,590 --> 00:27:50,029

we've made that trip plenty of times

566

00:27:57,310 --> 00:27:53,600

before and then there were all of the

567

00:28:02,830 --> 00:27:57,320

malfunctions of denise's equipment and

568

00:28:05,379 --> 00:28:02,840

as we approached home and I dropped her

569

00:28:09,279 --> 00:28:05,389

off at the destination where she was

570

00:28:11,769 --> 00:28:09,289

going to get her car and drive back to

571

00:28:15,159 --> 00:28:11,779

her home we live about an hour away from

572

00:28:18,519 --> 00:28:15,169

each other and we took a central

573

00:28:20,229 --> 00:28:18,529

location to each drive to she got into

574

00:28:23,259 --> 00:28:20,239

the car and this is when she discovered

575

00:28:27,129 --> 00:28:23,269

the malfunctions with her own vehicle

576

00:28:29,739 --> 00:28:27,139

now she contacted me after that and she

577

00:28:33,669 --> 00:28:29,749

said I think I had an experience last

578

00:28:37,539 --> 00:28:33,679

night and fortunately she has a Trifield

579

00:28:41,220 --> 00:28:37,549

natural am meter so it's a magnetometer

580

00:28:43,599 --> 00:28:41,230

it measures a magnetic field

581

00:28:46,090 --> 00:28:43,609

electromagnetic field and an electrical

582

00:28:49,749 --> 00:28:46,100

field and there was a high

583

00:28:53,109 --> 00:28:49,759

electromagnetic reading on her vehicle

584

00:28:56,229 --> 00:28:53,119

she finally brought the car over to me

585

00:28:58,659 --> 00:28:56,239

along with her meter I have ended up

586

00:29:02,129 --> 00:28:58,669

purchasing one since then because this

587

00:29:04,330 --> 00:29:02,139

is so fascinating we knew that this the

588

00:29:06,430 --> 00:29:04,340

dashboard of her car and this equipment

589

00:29:09,399 --> 00:29:06,440

was malfunctioning her husband had

590

00:29:12,009 --> 00:29:09,409

attempted to fix it but what was so

591

00:29:14,379 --> 00:29:12,019

strange is that it continued to

592

00:29:18,849 --> 00:29:14,389

malfunction until the day that she came

593

00:29:22,320 --> 00:29:18,859

to my house and we took the Trifield

594

00:29:25,479 --> 00:29:22,330

meter and did a measurement and and then

595

00:29:28,119 --> 00:29:25,489

amazingly everything began working

596

00:29:30,879 --> 00:29:28,129

properly again for no up for some

597

00:29:33,430 --> 00:29:30,889

unknown reason and something else

598

00:29:35,769 --> 00:29:33,440

happened that day too I had never

599

00:29:38,680 --> 00:29:35,779

thought of measuring the electrical

600

00:29:43,330 --> 00:29:38,690

field around a human being who had been

601  
00:29:46,960 --> 00:29:43,340  
abducted and we put it on the electrical

602  
00:29:50,049 --> 00:29:46,970  
just to experiment Denise was explaining

603  
00:29:53,549 --> 00:29:50,059  
all of this to me and whenever she

604  
00:29:54,670 --> 00:29:53,559  
approached it she got a very high

605  
00:29:56,980 --> 00:29:54,680  
reading

606  
00:30:00,220 --> 00:29:56,990  
it would Ark actually would go to full

607  
00:30:02,280 --> 00:30:00,230  
capacity and make a sound and so we

608  
00:30:05,260 --> 00:30:02,290  
experimented with other people

609  
00:30:08,290 --> 00:30:05,270  
experimented with my husband in the same

610  
00:30:10,750 --> 00:30:08,300  
location didn't do it for him she

611  
00:30:13,540 --> 00:30:10,760  
experimented with her husband with her

612  
00:30:17,590 --> 00:30:13,550  
daughter it didn't do it for them it was

613  
00:30:21,160 --> 00:30:17,600

only when she having just recently been

614

00:30:24,330 --> 00:30:21,170

abducted was near that that she was

615

00:30:27,520 --> 00:30:24,340

emitting a strong electro magnet

616

00:30:28,900 --> 00:30:27,530

electrical field around her body I

617

00:30:34,060 --> 00:30:28,910

always thought she had a magnetic

618

00:30:38,940 --> 00:30:34,070

personality that I did hypnotized Denise

619

00:30:42,670 --> 00:30:38,950

and and took her back to that night and

620

00:30:45,520 --> 00:30:42,680

she spoke a little bit about being on

621

00:30:48,940 --> 00:30:45,530

the craft and there were also two other

622

00:30:52,630 --> 00:30:48,950

people on the craft and she could just

623

00:30:56,350 --> 00:30:52,640

get a glimpse of them as they were sort

624

00:31:00,220 --> 00:30:56,360

of across the hallway from her I think

625

00:31:03,100 --> 00:31:00,230

it was and there was an older man who

626  
00:31:05,350 --> 00:31:03,110  
was balding and there was also a woman

627  
00:31:07,780 --> 00:31:05,360  
in there and they were both seated and

628  
00:31:11,710 --> 00:31:07,790  
the woman was dressed in a sweater and

629  
00:31:14,890 --> 00:31:11,720  
Denise was wondering if the scarf this

630  
00:31:17,800 --> 00:31:14,900  
woman was wearing was attached to this

631  
00:31:20,920 --> 00:31:17,810  
sweater and you know the very eerie

632  
00:31:23,680 --> 00:31:20,930  
thing about this is my father was with

633  
00:31:28,060 --> 00:31:23,690  
me and he's balding and I was wearing a

634  
00:31:31,090 --> 00:31:28,070  
sweater with a scarf and so this is very

635  
00:31:33,370 --> 00:31:31,100  
very confusing she wasn't able to

636  
00:31:36,280 --> 00:31:33,380  
determine if it was my father and myself

637  
00:31:38,710 --> 00:31:36,290  
or not but it just sort of gave me the

638  
00:31:42,250 --> 00:31:38,720

creeps to to hear about this and think

639

00:31:45,910 --> 00:31:42,260

about it Wow well denise has this been

640

00:31:48,340 --> 00:31:45,920

really tough on family life oh you would

641

00:31:50,920 --> 00:31:48,350

think that it would affect family very

642

00:31:54,670 --> 00:31:50,930

very strongly but since my husband had

643

00:31:59,710 --> 00:31:54,680

that well he had more than one occasion

644

00:32:02,380 --> 00:31:59,720

to be taken either with me or or to

645

00:32:05,050 --> 00:32:02,390

witness something going on with both of

646

00:32:07,670 --> 00:32:05,060

us he's been very good about it he gets

647

00:32:10,730 --> 00:32:07,680

into bed at night and he'll put out

648

00:32:12,950 --> 00:32:10,740

I mask on plug his ears up and go to

649

00:32:15,650 --> 00:32:12,960

sleep and that's it I can have my TV on

650

00:32:18,170 --> 00:32:15,660

the lights on I'm in my weird little

651  
00:32:20,330 --> 00:32:18,180  
cocoon and whenever I go to sleep I go

652  
00:32:23,270 --> 00:32:20,340  
to sleep and he's just been terrific

653  
00:32:25,490 --> 00:32:23,280  
about it and we're both retired now so

654  
00:32:29,450 --> 00:32:25,500  
I'm not getting up having to be at my

655  
00:32:32,000 --> 00:32:29,460  
desk with the on the Navy base and in

656  
00:32:34,310 --> 00:32:32,010  
the research facility by six o'clock in

657  
00:32:36,260 --> 00:32:34,320  
the morning anymore that was tough oh I

658  
00:32:38,120 --> 00:32:36,270  
bet I bet that was especially when

659  
00:32:41,090 --> 00:32:38,130  
you're just going to sleep then on this

660  
00:32:43,490 --> 00:32:41,100  
survey you did for the commonalities can

661  
00:32:45,760 --> 00:32:43,500  
you just say like for instance what were

662  
00:32:48,560 --> 00:32:45,770  
some of the things that Denise and

663  
00:32:51,500 --> 00:32:48,570

Jennifer had in common with her

664

00:32:54,470 --> 00:32:51,510

experiences well I can tell you the the

665

00:32:57,490 --> 00:32:54,480

most highly significant characteristics

666

00:32:59,780 --> 00:32:57,500

they had is that eighty eight percent

667

00:33:02,840 --> 00:32:59,790

stated that their abduction memories

668

00:33:05,960 --> 00:33:02,850

were consciously recalled and so were a

669

00:33:10,190 --> 00:33:05,970

good part of Denise's and Jenny's as

670

00:33:12,350 --> 00:33:10,200

well they weren't retrieved entirely

671

00:33:16,220 --> 00:33:12,360

through hypnosis there was a lot of

672

00:33:18,350 --> 00:33:16,230

conscious continuous recall there they

673

00:33:22,370 --> 00:33:18,360

also consciously recalled the

674

00:33:24,770 --> 00:33:22,380

observation of a flying saucer UFO at

675

00:33:29,990 --> 00:33:24,780

less than a thousand feet away from them

676  
00:33:33,980 --> 00:33:30,000  
before at least one abduction they were

677  
00:33:35,750 --> 00:33:33,990  
not alone when they were taken and there

678  
00:33:38,990 --> 00:33:35,760  
were people waiting for them on the

679  
00:33:42,710 --> 00:33:39,000  
other end who could confirm that they

680  
00:33:46,240 --> 00:33:42,720  
were hours late in returning to their

681  
00:33:49,010 --> 00:33:46,250  
destination something else that is

682  
00:33:52,700 --> 00:33:49,020  
highly significant is that eighty-eight

683  
00:33:54,770 --> 00:33:52,710  
percent of experience there's state that

684  
00:33:56,990 --> 00:33:54,780  
there is Paranormal Activity in their

685  
00:34:00,080 --> 00:33:57,000  
homes generally in the form of

686  
00:34:06,010 --> 00:34:00,090  
poltergeist activity or light orbs

687  
00:34:09,440 --> 00:34:06,020  
following a UFO abduction experience and

688  
00:34:12,470 --> 00:34:09,450

immediately around that event not

689

00:34:15,860 --> 00:34:12,480

necessarily every day of their lives but

690

00:34:20,180 --> 00:34:15,870

immediately around that event and most

691

00:34:21,109 --> 00:34:20,190

individuals develop a psychic ability at

692

00:34:25,099 --> 00:34:21,119

least temporary

693

00:34:28,099 --> 00:34:25,109

early or become more sensitive to this

694

00:34:30,440 --> 00:34:28,109

after an experience I have a question

695

00:34:31,999 --> 00:34:30,450

how about orbs is that that's something

696

00:34:34,609 --> 00:34:32,009

I've heard about that people have talked

697

00:34:37,999 --> 00:34:34,619

about after an abduction yes it's quite

698

00:34:40,669 --> 00:34:38,009

prevalent for people to observe light

699

00:34:42,859 --> 00:34:40,679

orbs in their homes and there's a little

700

00:34:45,230 --> 00:34:42,869

speculation about whether or not these

701  
00:34:47,859 --> 00:34:45,240  
light orbs are actually the

702  
00:34:50,089 --> 00:34:47,869  
consciousness of an extraterrestrial

703  
00:34:55,159 --> 00:34:50,099  
floating through the air before it

704  
00:34:57,259 --> 00:34:55,169  
expands into is full body form and many

705  
00:35:00,769 --> 00:34:57,269  
people have reported that it does

706  
00:35:05,089 --> 00:35:00,779  
rapidly expand and becomes an ET just

707  
00:35:07,819 --> 00:35:05,099  
before an experience occurs and so what

708  
00:35:10,309 --> 00:35:07,829  
why would this be and it could be that

709  
00:35:12,440 --> 00:35:10,319  
they're a lot less frightening in that

710  
00:35:16,460 --> 00:35:12,450
