

MACK MALONE

1
00:00:05,900 --> 00:00:04,340
the UFO phenomenon either we like it or

2
00:00:07,820 --> 00:00:05,910
not it's already very much part of our

3
00:00:10,490 --> 00:00:07,830
reality I've been on panels with

4
00:00:12,410 --> 00:00:10,500
military people who you know claim that

5
00:00:15,650 --> 00:00:12,420
they've seen the aliens buzzing our

6
00:00:18,230 --> 00:00:15,660
missile silos shiny concentric circles

7
00:00:20,599 --> 00:00:18,240
that caused a compass needle to spin and

8
00:00:23,000 --> 00:00:20,609
spin they had very large eyes and you

9
00:00:25,070 --> 00:00:23,010
know I found their stare extremely

10
00:00:26,660 --> 00:00:25,080
difficult to bear hello everyone and

11
00:00:28,400 --> 00:00:26,670
welcome to the show i'm martin willis

12
00:00:30,769 --> 00:00:28,410
your host Michael Lau could be joining

13
00:00:34,729 --> 00:00:30,779

us in a moment from here on out we are

14

00:00:37,010 --> 00:00:34,739

going to be broadcasting before we

15

00:00:39,290 --> 00:00:37,020

actually post the podcast we're trying

16

00:00:43,340 --> 00:00:39,300

to entice people to get on the chat site

17

00:00:47,630 --> 00:00:43,350

and do some interaction with us so we'll

18

00:00:51,799 --> 00:00:47,640

be broadcasting at 8pm EST that is 12

19

00:00:55,790 --> 00:00:51,809

greenwich mean time and it's on all one

20

00:00:58,729 --> 00:00:55,800

broadcast com that's all the number one

21

00:01:01,010 --> 00:00:58,739

broadcast calm and after that show we

22

00:01:03,049 --> 00:01:01,020

will post our podcasts and that's every

23

00:01:04,490 --> 00:01:03,059

Friday evening I'm hoping to see some of

24

00:01:07,100 --> 00:01:04,500

our listeners in the chat room moves a

25

00:01:09,080 --> 00:01:07,110

lot of fun last week and Michael you you

26

00:01:12,350 --> 00:01:09,090

might actually be in there this this

27

00:01:16,429 --> 00:01:12,360

week yes yeah there's a good chance of

28

00:01:18,530 --> 00:01:16,439

it last week I was on vacation and I was

29

00:01:20,060 --> 00:01:18,540

so far out of contact with the real

30

00:01:22,460 --> 00:01:20,070

world I couldn't even get a cell phone

31

00:01:25,760 --> 00:01:22,470

signal it was absolutely driving me

32

00:01:27,560 --> 00:01:25,770

crazy great great well don't forget to

33

00:01:30,289 --> 00:01:27,570

check out our website which is podcast

34

00:01:32,330 --> 00:01:30,299

UFO calm you can access our Facebook

35

00:01:35,270 --> 00:01:32,340

page from there our guest today Mac

36

00:01:37,160 --> 00:01:35,280

Maloney will be a guest star on the

37

00:01:39,710 --> 00:01:37,170

forum to answer all your questions from

38

00:01:41,600 --> 00:01:39,720

July twentieth to July twenty third

39

00:01:43,609 --> 00:01:41,610

that's a week from when you'll be

40

00:01:45,560 --> 00:01:43,619

hearing this after the news but before

41

00:01:48,590 --> 00:01:45,570

Mac Maloney we're going to be talking

42

00:01:51,950 --> 00:01:48,600

with North Carolina muffins Israel

43

00:01:57,230 --> 00:01:51,960

curiel great guy so Michael how was the

44

00:02:00,319 --> 00:01:57,240

vacation overall um yeah I was cut off

45

00:02:02,240 --> 00:02:00,329

from everything at a lake in the summer

46

00:02:04,550 --> 00:02:02,250

and I hate the Sun in the water and

47

00:02:07,999 --> 00:02:04,560

being cut off so you there's a lot of

48

00:02:09,979 --> 00:02:08,009

drinking you hate the Sun in the water I

49

00:02:11,900 --> 00:02:09,989

hate the Sun in the water maybe you

50

00:02:13,590 --> 00:02:11,910

should go to like Mars or something I i

51
00:02:15,930 --> 00:02:13,600
I'm like the world's worst

52
00:02:18,330 --> 00:02:15,940
in the end but I hate the Sun in the

53
00:02:20,940 --> 00:02:18,340
water oh that's right you you have a

54
00:02:25,920 --> 00:02:20,950
little native american thing yeah I did

55
00:02:29,010 --> 00:02:25,930
yes I did yeah I'm a moon person as like

56
00:02:31,920 --> 00:02:29,020
the night and all that kind of good

57
00:02:33,780 --> 00:02:31,930
stuff but yeah it was that the kids had

58
00:02:36,480 --> 00:02:33,790
fun that's what's important right yeah I

59
00:02:39,060 --> 00:02:36,490
suppose yeah so what's going on with the

60
00:02:41,070 --> 00:02:39,070
news well Martin this week we have a

61
00:02:43,080 --> 00:02:41,080
couple of fourth of July sightings some

62
00:02:46,020 --> 00:02:43,090
astronomy news and a great new app for

63
00:02:47,550 --> 00:02:46,030

UFO researchers first though I just like

64

00:02:49,230 --> 00:02:47,560

to take a brief moment to welcome our

65

00:02:52,380 --> 00:02:49,240

new listeners joining us through the all

66

00:02:53,880 --> 00:02:52,390

one broadcasting com website I hope you

67

00:02:56,310 --> 00:02:53,890

all enjoy the show and invite all the

68

00:02:58,920 --> 00:02:56,320

listeners new and old to again join us

69

00:03:01,530 --> 00:02:58,930

at podcast UFO calm where we have blog

70

00:03:03,000 --> 00:03:01,540

posts show notes with links to all the

71

00:03:04,680 --> 00:03:03,010

media coverage of the stories we're

72

00:03:07,380 --> 00:03:04,690

going to cover and of course those

73

00:03:08,910 --> 00:03:07,390

forums last week was Independence Day in

74

00:03:10,770 --> 00:03:08,920

the United States and for our

75

00:03:12,300 --> 00:03:10,780

international listeners we celebrate the

76

00:03:14,340 --> 00:03:12,310

birth of our nation in America with

77

00:03:16,440 --> 00:03:14,350

fireworks displays so there were many

78

00:03:18,750 --> 00:03:16,450

eyes towards the sky in the early

79

00:03:21,120 --> 00:03:18,760

evening throughout the weekend news 92

80

00:03:23,340 --> 00:03:21,130

FM in Houston Texas reported on multiple

81

00:03:25,380 --> 00:03:23,350

sightings in the state highlighting the

82

00:03:27,000 --> 00:03:25,390

experience of a Cypress family their

83

00:03:29,220 --> 00:03:27,010

coverage was fair and without ridicule

84

00:03:31,710 --> 00:03:29,230

the station actually gleaned their

85

00:03:33,840 --> 00:03:31,720

information from MUFON reports and

86

00:03:35,730 --> 00:03:33,850

passed along MUFON contact information

87

00:03:38,270 --> 00:03:35,740

on listeners as well as soliciting

88

00:03:42,060 --> 00:03:38,280

reports for the station itself meanwhile

89

00:03:43,980 --> 00:03:42,070

Daniel I the editor of the patch website

90

00:03:46,290 --> 00:03:43,990

for dearborn michigan is asking readers

91

00:03:48,810 --> 00:03:46,300

if they spotted the UFO reported by a

92

00:03:50,790 --> 00:03:48,820

local man his report however was not

93

00:03:53,640 --> 00:03:50,800

filed with MUFON but it does include

94

00:03:57,450 --> 00:03:53,650

video yes I I was out you know watching

95

00:03:59,430 --> 00:03:57,460

the fireworks and I saw Chinese lanterns

96

00:04:00,990 --> 00:03:59,440

everywhere I can understand there must

97

00:04:03,180 --> 00:04:01,000

have been a lot of sighting reports

98

00:04:04,890 --> 00:04:03,190

people seeing those but I did look at

99

00:04:07,830 --> 00:04:04,900

the the video and the pictures and this

100

00:04:09,840 --> 00:04:07,840

definitely not a Chinese lantern I don't

101
00:04:12,480 --> 00:04:09,850
know exactly what it is but the three

102
00:04:15,030 --> 00:04:12,490
lights were too rigid it seemed for

103
00:04:17,880 --> 00:04:15,040
Chinese lanterns now I didn't see a

104
00:04:19,680 --> 00:04:17,890
single Chinese lantern my entire fourth

105
00:04:21,300 --> 00:04:19,690
of July no yeah but you were in some

106
00:04:22,980 --> 00:04:21,310
remote place in the middle of nowhere

107
00:04:25,740 --> 00:04:22,990
right well i mean i was in Lake of the

108
00:04:29,520 --> 00:04:25,750
Ozarks of Missouri which is a

109
00:04:31,920 --> 00:04:29,530
huge lake and resort area not too far

110
00:04:33,530 --> 00:04:31,930
from like Branson even though its cut

111
00:04:37,250 --> 00:04:33,540
off its a very crowded area and

112
00:04:39,990 --> 00:04:37,260
fireworks are legal as hell there's 0

113
00:04:41,580 --> 00:04:40,000

everything was blowing up but I maybe

114

00:04:43,860 --> 00:04:41,590

that's why we just didn't need Chinese

115

00:04:45,690 --> 00:04:43,870

lanterns but I didn't see because I even

116

00:04:47,700 --> 00:04:45,700

remember thing I was like wow I didn't

117

00:04:50,160 --> 00:04:47,710

you know for all these reports I haven't

118

00:04:51,720 --> 00:04:50,170

seen a single one of these I didn't even

119

00:04:53,820 --> 00:04:51,730

see anywhere to buy him well you know I

120

00:04:55,650 --> 00:04:53,830

actually took video of one for myself

121

00:04:57,690 --> 00:04:55,660

camera because I just wanted to see what

122

00:04:59,909 --> 00:04:57,700

it would look like and I could you could

123

00:05:01,650 --> 00:04:59,919

almost pass it off you really good the

124

00:05:03,720 --> 00:05:01,660

Discovery Channel website brings us a

125

00:05:06,150 --> 00:05:03,730

report of several amazingly powerful

126

00:05:07,860 --> 00:05:06,160

cosmic bursts that were detected by the

127

00:05:10,170 --> 00:05:07,870

Parkes radio telescope at New South

128

00:05:11,760 --> 00:05:10,180

Wales Australia the events had more

129

00:05:14,700 --> 00:05:11,770

energy than our Sun would produce in

130

00:05:17,100 --> 00:05:14,710

three thousand centuries even though

131

00:05:19,200 --> 00:05:17,110

they only lasted a few milliseconds and

132

00:05:21,510 --> 00:05:19,210

seemed to have originated outside of our

133

00:05:23,670 --> 00:05:21,520

galaxy they may represent some new type

134

00:05:25,200 --> 00:05:23,680

of event in the universe it is also

135

00:05:27,330 --> 00:05:25,210

possible that the bursts are caused by

136

00:05:29,820 --> 00:05:27,340

some known event such as a supernova if

137

00:05:32,850 --> 00:05:29,830

we had something like that happen sort

138

00:05:36,360 --> 00:05:32,860

of cosmically close to us we'd be in big

139

00:05:38,969 --> 00:05:36,370

trouble we'd never know yeah absolute no

140

00:05:40,530 --> 00:05:38,979

it'd be like a little that's it all

141

00:05:42,420 --> 00:05:40,540

right and finally this week we have a

142

00:05:43,590 --> 00:05:42,430

great app for anyone interested in

143

00:05:47,400 --> 00:05:43,600

searching through the british ministry

144

00:05:50,100 --> 00:05:47,410

of defence UFO FILES the UK UFO FILES

145

00:05:52,170 --> 00:05:50,110

app which is only 99 cents in the apple

146

00:05:53,850 --> 00:05:52,180

app store allows you to search through

147

00:05:56,670 --> 00:05:53,860

the files on your iPhone iPad or iPod

148

00:05:59,070 --> 00:05:56,680

touch as far as we can tell there's not

149

00:06:01,140 --> 00:05:59,080

an android version yet but you can go

150

00:06:03,990 --> 00:06:01,150

directly to the US App Store download of

151
00:06:08,010 --> 00:06:04,000
the UK UFO files through the link in our

152
00:06:09,440 --> 00:06:08,020
show notes there is also a British

153
00:06:12,780 --> 00:06:09,450
version of this of course unfortunately

154
00:06:16,560 --> 00:06:12,790
I couldn't convince my American computer

155
00:06:19,050 --> 00:06:16,570
to go to the British itunes app store to

156
00:06:20,070 --> 00:06:19,060
get that link so our European friends

157
00:06:22,830 --> 00:06:20,080
are just gonna have to look for

158
00:06:24,000 --> 00:06:22,840
themselves yeah and Martin what do you

159
00:06:25,710 --> 00:06:24,010
think about this and some of the other

160
00:06:27,570 --> 00:06:25,720
digital resources that are out there for

161
00:06:29,940 --> 00:06:27,580
for those interested in the UFO field

162
00:06:32,850 --> 00:06:29,950
it's really great but it's only as great

163
00:06:34,370 --> 00:06:32,860

as the information that they provide you

164

00:06:36,630 --> 00:06:34,380

know I mean what's the old saying

165

00:06:38,370 --> 00:06:36,640

garbage in garbage out you know I mean

166

00:06:39,390 --> 00:06:38,380

as long as it's the right stuff that

167

00:06:41,670 --> 00:06:39,400

people can access

168

00:06:43,620 --> 00:06:41,680

I think it's absolutely fantastic you

169

00:06:46,920 --> 00:06:43,630

know in maybe it'll get more people

170

00:06:48,779 --> 00:06:46,930

interested in you know the field to

171

00:06:50,640 --> 00:06:48,789

begin with and you know maybe that would

172

00:06:56,400 --> 00:06:50,650

produce more answers down the line what

173

00:06:58,680 --> 00:06:56,410

do you think um I think even the garbage

174

00:07:02,279 --> 00:06:58,690

sometimes if it's government garbage is

175

00:07:03,990 --> 00:07:02,289

at least useful in saying you know here

176

00:07:07,999 --> 00:07:04,000

here's the official story or here's

177

00:07:10,620 --> 00:07:08,009

where you know X incident was skipped or

178

00:07:12,000 --> 00:07:10,630

you know many other things that there's

179

00:07:16,200 --> 00:07:12,010

been so many stories that have come out

180

00:07:17,370 --> 00:07:16,210

of those UK files I think anything that

181

00:07:20,279 --> 00:07:17,380

makes them a little bit easier to sit

182

00:07:23,640 --> 00:07:20,289

through it is a good good deal but

183

00:07:25,710 --> 00:07:23,650

you're right I again it's a lot of it

184

00:07:27,320 --> 00:07:25,720

could be garbage and of course they're

185

00:07:29,730 --> 00:07:27,330

keeping the good stuff to themselves

186

00:07:31,320 --> 00:07:29,740

absolutely all right Michael so we're

187

00:07:33,600 --> 00:07:31,330

running tight on time here thanks a lot

188

00:07:35,700 --> 00:07:33,610

and we'll catch up with you next week

189

00:07:37,439 --> 00:07:35,710

yeah and hopefully we'll i'll be seeing

190

00:07:39,450 --> 00:07:37,449

everybody in the chat room than just a

191

00:07:41,550 --> 00:07:39,460

couple seconds if you missed us this

192

00:07:43,589 --> 00:07:41,560

week in the chat room then you know to

193

00:07:52,680 --> 00:07:43,599

get on it next week thanks Michael all

194

00:07:55,110 --> 00:07:52,690

right thank you Israel Curriel how are

195

00:07:58,140 --> 00:07:55,120

you Israel good doing good and you are

196

00:08:00,330 --> 00:07:58,150

from MUFON in your field investigator

197

00:08:03,000 --> 00:08:00,340

down here I'm a field investigator but

198

00:08:05,520 --> 00:08:03,010

I'm also the North Carolina line a MUFON

199

00:08:08,129 --> 00:08:05,530

public relations director so I run the

200

00:08:11,520 --> 00:08:08,139

website set up meetings will across the

201
00:08:13,800 --> 00:08:11,530
state and what is the what's the general

202
00:08:17,100 --> 00:08:13,810
activity like with your organization

203
00:08:18,839 --> 00:08:17,110
here as far as filing reports no as far

204
00:08:20,490 --> 00:08:18,849
as up is there a lot of participation

205
00:08:23,189 --> 00:08:20,500
czar a lot of people involved or is it

206
00:08:25,740 --> 00:08:23,199
at any one time we have somewhere

207
00:08:28,589 --> 00:08:25,750
between eight and ten investigators in

208
00:08:30,589 --> 00:08:28,599
the state yeah we when I joined the

209
00:08:33,180 --> 00:08:30,599
organization we were looking at the

210
00:08:35,519 --> 00:08:33,190
average traffic per month was three to

211
00:08:38,100 --> 00:08:35,529
four cases a month yeah now we're closer

212
00:08:41,519 --> 00:08:38,110
to 17 to 18 cases a month so it's every

213
00:08:45,930 --> 00:08:41,529

to 48 hours I get on average a new case

214

00:08:47,699 --> 00:08:45,940

really whoa we stay very busy and how

215

00:08:49,890 --> 00:08:47,709

many how many investigators are there

216

00:08:51,840 --> 00:08:49,900

there's uh I didn't believe right now we

217

00:08:54,810 --> 00:08:51,850

have eight that's a lot of work for

218

00:08:57,030 --> 00:08:54,820

eight people isn't it yeah well see in

219

00:08:58,890 --> 00:08:57,040

you know that's kind of a misnomer how

220

00:09:00,870 --> 00:08:58,900

much activity we get because that

221

00:09:03,360 --> 00:09:00,880

doesn't include the phone calls we get

222

00:09:05,640 --> 00:09:03,370

directly or your emails we get directly

223

00:09:08,190 --> 00:09:05,650

the comments at people post on the

224

00:09:11,100 --> 00:09:08,200

website where they don't really want it

225

00:09:13,079 --> 00:09:11,110

filed anywhere like at this at a meeting

226

00:09:14,970 --> 00:09:13,089

like this I'll have many many people

227

00:09:16,140 --> 00:09:14,980

walk up to me and say hey you know I

228

00:09:17,730 --> 00:09:16,150

really don't want this in a database

229

00:09:20,280 --> 00:09:17,740

somewhere but let me tell you about my

230

00:09:22,620 --> 00:09:20,290

exciting or experience that does happen

231

00:09:27,090 --> 00:09:22,630

a lot doesn't it it does um you know

232

00:09:29,760 --> 00:09:27,100

Here I I am this is only an estimate but

233

00:09:32,100 --> 00:09:29,770

I believe that we would get less than 1%

234

00:09:35,060 --> 00:09:32,110

of actual UFO sightings I've said the

235

00:09:37,199 --> 00:09:35,070

quote before that I I believe that

236

00:09:38,730 --> 00:09:37,209

nationally you know maybe I've never

237

00:09:40,949 --> 00:09:38,740

said the quote on the podcast but in

238

00:09:42,990 --> 00:09:40,959

talking with people that I would it's

239

00:09:45,449 --> 00:09:43,000

like only a guess in speculation that I

240

00:09:48,360 --> 00:09:45,459

think about ten percent of the reports

241

00:09:50,400 --> 00:09:48,370

are reported do you think it's lower

242

00:09:52,290 --> 00:09:50,410

than that you're saying I know it's it's

243

00:09:54,720 --> 00:09:52,300

one percent if not even realize yeah

244

00:09:56,670 --> 00:09:54,730

it's really that much so if we could say

245

00:09:58,949 --> 00:09:56,680

this worldwide that there's 30,000

246

00:10:03,690 --> 00:09:58,959

reports every year do you think that's

247

00:10:05,519 --> 00:10:03,700

one percent then that sounds look yeah

248

00:10:08,610 --> 00:10:05,529

that's about one percent i mean i would

249

00:10:09,930 --> 00:10:08,620

even say less than one percent so so so

250

00:10:12,510 --> 00:10:09,940

you're saying there could be like

251
00:10:14,850 --> 00:10:12,520
million fighting lightings yes actual

252
00:10:17,790 --> 00:10:14,860
sightings and I have a great way to I

253
00:10:19,290 --> 00:10:17,800
pretty busy it is very very busy skies I

254
00:10:23,880 --> 00:10:19,300
know that's kind of audacious to say

255
00:10:25,500 --> 00:10:23,890
that but the the perfect way that I like

256
00:10:28,829 --> 00:10:25,510
to prove to most people how busy the

257
00:10:30,360 --> 00:10:28,839
skies are is ask your own family ask

258
00:10:32,610 --> 00:10:30,370
your own family your friends your

259
00:10:34,829 --> 00:10:32,620
colleagues and outright have you ever

260
00:10:38,460 --> 00:10:34,839
had a UFO sighting yeah because the k2

261
00:10:40,580 --> 00:10:38,470
and my experience is that family members

262
00:10:43,040 --> 00:10:40,590
will have had seen had

263
00:10:44,360 --> 00:10:43,050

seeing UFOs or had some anomalous

264

00:10:46,880 --> 00:10:44,370

sighting but they're not going to share

265

00:10:48,860 --> 00:10:46,890

it somebody has to actually ask them

266

00:10:50,870 --> 00:10:48,870

about it before they're willing to to

267

00:10:53,390 --> 00:10:50,880

offer up their experiences that's right

268

00:10:54,740 --> 00:10:53,400

if you mind if I tell an experience so I

269

00:10:56,530 --> 00:10:54,750

can tell the audience in the same time

270

00:11:00,020 --> 00:10:56,540

that was shared by a family member

271

00:11:01,700 --> 00:11:00,030

recently to me this family member was it

272

00:11:05,270 --> 00:11:01,710

was going through the mountain pass

273

00:11:07,370 --> 00:11:05,280

there was cars in front and back all the

274

00:11:08,780 --> 00:11:07,380

cars stalled all of us and all the cars

275

00:11:10,460 --> 00:11:08,790

stalled they pulled off to the side of

276

00:11:12,770 --> 00:11:10,470

the road everybody's looking at each

277

00:11:14,300 --> 00:11:12,780

other to get out pull up the hoods

278

00:11:16,940 --> 00:11:14,310

looking at the engines all of a sudden

279

00:11:19,550 --> 00:11:16,950

now this guy never even knew what a UFO

280

00:11:21,850 --> 00:11:19,560

was or anything but he's saying all of a

281

00:11:24,470 --> 00:11:21,860

sudden there's a cigar-shaped cylinder

282

00:11:26,750 --> 00:11:24,480

floated right over them one girl

283

00:11:29,000 --> 00:11:26,760

screamed I guess had windows and

284

00:11:30,680 --> 00:11:29,010

everything and everybody was just

285

00:11:32,930 --> 00:11:30,690

staring at with her mouth open and it

286

00:11:34,490 --> 00:11:32,940

made no noise at all and floated through

287

00:11:36,470 --> 00:11:34,500

the mountain pass and then just kept

288

00:11:38,150 --> 00:11:36,480

going one guy finally jumped into his

289

00:11:39,560 --> 00:11:38,160

car turned the key and every single car

290

00:11:42,020 --> 00:11:39,570

started right back up in the all drove

291

00:11:44,180 --> 00:11:42,030

away so that's something I mean just out

292

00:11:45,950 --> 00:11:44,190

of a family member's mouth that all of a

293

00:11:48,440 --> 00:11:45,960

sudden you talk about interest in UFOs

294

00:11:51,800 --> 00:11:48,450

and there you go then I had to share my

295

00:11:53,990 --> 00:11:51,810

family my family a story and I didn't

296

00:11:56,690 --> 00:11:54,000

actually find out this family story

297

00:11:59,630 --> 00:11:56,700

until 1998 but in 91 I have an uncle

298

00:12:02,390 --> 00:11:59,640

who's a dentist and a professor of

299

00:12:05,270 --> 00:12:02,400

dentistry at a large University inside

300

00:12:08,750 --> 00:12:05,280

Mexico City and he was on the highway

301
00:12:10,490 --> 00:12:08,760
along with several other cars between a

302
00:12:13,160 --> 00:12:10,500
mountainous area and they saw these

303
00:12:15,410 --> 00:12:13,170
white orbs come over the highway cross

304
00:12:16,850 --> 00:12:15,420
over the mountain range and he said I

305
00:12:18,230 --> 00:12:16,860
mean all the cars around him I mean

306
00:12:21,800 --> 00:12:18,240
people slow down there looking at this

307
00:12:25,250 --> 00:12:21,810
very bright orb just crossing the sky in

308
00:12:27,050 --> 00:12:25,260
the middle of the day and he's like you

309
00:12:28,700 --> 00:12:27,060
know I have no idea what it was I don't

310
00:12:30,290 --> 00:12:28,710
want to speculate what it was yeah but

311
00:12:32,090 --> 00:12:30,300
and I don't want anybody know because I

312
00:12:34,040 --> 00:12:32,100
mean obviously being a professor he's

313
00:12:37,310 --> 00:12:34,050

very concerned about you know yes its

314

00:12:38,840 --> 00:12:37,320

position yeah yeah so like you said just

315

00:12:40,430 --> 00:12:38,850

poke around on your own family can

316

00:12:41,710 --> 00:12:40,440

probably hear something it has been my

317

00:12:43,990 --> 00:12:41,720

experience that that is okay

318

00:12:47,019 --> 00:12:44,000

that's great now what got you involved

319

00:12:49,749 --> 00:12:47,029

in UFOs to begin with actually that's a

320

00:12:53,139 --> 00:12:49,759

really bad story and I'll share I'll

321

00:12:56,379 --> 00:12:53,149

share why look when I was 17 years old I

322

00:12:57,610 --> 00:12:56,389

was I had a friend in high school you

323

00:12:59,470 --> 00:12:57,620

know it's near the end of the year I

324

00:13:01,179 --> 00:12:59,480

known her all year long and she said

325

00:13:03,699 --> 00:13:01,189

Israel I want to share something with

326

00:13:06,579 --> 00:13:03,709

you and she said that she grew up on a

327

00:13:10,059 --> 00:13:06,589

farm in Kansas and then one day her and

328

00:13:13,660 --> 00:13:10,069

her mom were chased through a field by a

329

00:13:15,929 --> 00:13:13,670

UFO and it scared her and her mom so

330

00:13:18,249 --> 00:13:15,939

much that they jumped in the truck

331

00:13:20,710 --> 00:13:18,259

Novotny truck they abandoned the farm

332

00:13:23,170 --> 00:13:20,720

actually abandon the husband and never

333

00:13:26,280 --> 00:13:23,180

went back to Kansas you mean they just

334

00:13:28,869 --> 00:13:26,290

got in and just drove away they left and

335

00:13:32,679 --> 00:13:28,879

I wanted to do that before but never

336

00:13:34,689 --> 00:13:32,689

over UFO well I'm for she 17 years old

337

00:13:36,309 --> 00:13:34,699

and number one I thought okay you're

338

00:13:38,079 --> 00:13:36,319

crazy and they're too you just scared

339

00:13:39,939 --> 00:13:38,089

the hell out of me yeah I know and I'm

340

00:13:42,879 --> 00:13:39,949

fortunate I never spoke to her again she

341

00:13:45,100 --> 00:13:42,889

scared me so much really that same

342

00:13:46,960 --> 00:13:45,110

summer I found the book communion which

343

00:13:50,259 --> 00:13:46,970

I'm assuming a lot of your readers know

344

00:13:52,420 --> 00:13:50,269

about um and funny enough here 20 some

345

00:13:54,340 --> 00:13:52,430

years later I'm a field investigator and

346

00:13:57,910 --> 00:13:54,350

I cannot tell you how terrible I feel

347

00:14:00,280 --> 00:13:57,920

about having not spoken to her again

348

00:14:02,290 --> 00:14:00,290

after she shared her story with me yeah

349

00:14:03,759 --> 00:14:02,300

and can you ever get over I've actually

350

00:14:05,860 --> 00:14:03,769

looked her up but I should moved out of

351

00:14:07,900 --> 00:14:05,870

state so i don't mean I don't know who

352

00:14:09,910 --> 00:14:07,910

what her last name would be yeah yeah

353

00:14:12,730 --> 00:14:09,920

well anyway it's been a real pleasure

354

00:14:14,170 --> 00:14:12,740

meeting you and I noticed a lot of

355

00:14:17,889 --> 00:14:14,180

people here know you everybody's walking

356

00:14:21,749 --> 00:14:17,899

up to you so well be real honest with I

357

00:14:24,490 --> 00:14:21,759

have been very active in trying to

358

00:14:26,559 --> 00:14:24,500

what's the right term socialize or just

359

00:14:28,689 --> 00:14:26,569

be more actively in all state north

360

00:14:30,730 --> 00:14:28,699

carolina we've traveled to five or six

361

00:14:34,030 --> 00:14:30,740

different cities and we always get

362

00:14:37,179 --> 00:14:34,040

groups of between 40 and 50 people and

363

00:14:38,290 --> 00:14:37,189

it's almost always experiencers and i

364

00:14:40,569 --> 00:14:38,300

say that because these are people who

365

00:14:42,790 --> 00:14:40,579

had a pretty significant sighting in

366

00:14:44,679 --> 00:14:42,800

their life yeah it's few people that

367

00:14:47,139 --> 00:14:44,689

actually come just because they're

368

00:14:47,820 --> 00:14:47,149

curious yeah but there's a lot of people

369

00:14:50,950 --> 00:14:47,830

who

370

00:14:56,740 --> 00:14:50,960

experiences yeah absolutely thanks so

371

00:14:58,840 --> 00:14:56,750

much you're very welcome to thanks I'm

372

00:15:01,600 --> 00:14:58,850

with author and radio personality Mac

373

00:15:04,090 --> 00:15:01,610

Maloney what's going on Mac nothing much

374

00:15:06,370 --> 00:15:04,100

today hot humid day here in newburyport

375

00:15:08,440 --> 00:15:06,380

mass but that's a complaint you know

376

00:15:10,030 --> 00:15:08,450

we're almost neighbors you know we're I

377

00:15:11,800 --> 00:15:10,040

mean actually work right down the road

378

00:15:13,750 --> 00:15:11,810

from where you live so this is this is a

379

00:15:15,940 --> 00:15:13,760

nice convenient podcast let's talk

380

00:15:18,450 --> 00:15:15,950

quickly about your radio show that

381

00:15:21,190 --> 00:15:18,460

you're on you also have a once a month

382

00:15:23,170 --> 00:15:21,200

it's called encounters mm-hmm but your

383

00:15:25,180 --> 00:15:23,180

your weekly show talk quickly about that

384

00:15:27,519 --> 00:15:25,190

well it's called Mac Maloney's military

385

00:15:30,670 --> 00:15:27,529

x-files show we're on its 7 30 to nine

386

00:15:33,760 --> 00:15:30,680

o'clock Wednesday nights on kg ra radio

387

00:15:37,180 --> 00:15:33,770

com and we talk about UFOs in the

388

00:15:39,250 --> 00:15:37,190

military we have gifts on every once in

389

00:15:41,890 --> 00:15:39,260

a while who are like Air Force fighter

390

00:15:44,380 --> 00:15:41,900

pilots airline pilots people who work

391

00:15:47,170 --> 00:15:44,390

for US intelligence agencies they come

392

00:15:50,140 --> 00:15:47,180

on and use pseudonyms and they tell us

393

00:15:52,480 --> 00:15:50,150

the side of citing UFOs that you don't

394

00:15:53,950 --> 00:15:52,490

normally hear that is as I say from

395

00:15:55,810 --> 00:15:53,960

millet from the military side of things

396

00:15:57,940 --> 00:15:55,820

intelligence side of things airline

397

00:16:00,460 --> 00:15:57,950

pilots settings that you would never

398

00:16:03,100 --> 00:16:00,470

hear about out in the civilian world

399

00:16:05,410 --> 00:16:03,110

let's say especially airline pilots will

400

00:16:06,790 --> 00:16:05,420

not will never report UFO sightings to

401
00:16:08,829 --> 00:16:06,800
the management because it's definitely

402
00:16:10,300 --> 00:16:08,839
something that you know will be a

403
00:16:13,329 --> 00:16:10,310
hindrance when you're trying to get a

404
00:16:15,010 --> 00:16:13,339
promotion have you ever had a pilot on

405
00:16:16,600 --> 00:16:15,020
oh yeah we have pilots on all the time

406
00:16:18,550 --> 00:16:16,610
yeah because I've try to get a few

407
00:16:20,470 --> 00:16:18,560
pilots on and I know I have some friends

408
00:16:21,940 --> 00:16:20,480
that are pilots and they know people

409
00:16:23,800 --> 00:16:21,950
that they won't they won't come right

410
00:16:25,210 --> 00:16:23,810
they're very reluctant to do it but it's

411
00:16:30,460 --> 00:16:25,220
only because I've known these people for

412
00:16:33,250 --> 00:16:30,470
a long time and we know that you know we

413
00:16:35,680 --> 00:16:33,260

will keep their identity confidential we

414

00:16:37,870 --> 00:16:35,690

all do their voices really like that

415

00:16:39,550 --> 00:16:37,880

well that's cool yeah but they end but

416

00:16:41,320 --> 00:16:39,560

they're fantastic sightings but as I

417

00:16:43,449 --> 00:16:41,330

said the problem is is that with the

418

00:16:45,100 --> 00:16:43,459

military pilots if you mention it you're

419

00:16:47,230 --> 00:16:45,110

not going to get your next promotion if

420

00:16:49,510 --> 00:16:47,240

you're an airline pilot you do not want

421

00:16:51,610 --> 00:16:49,520

that on your in your dossier let's say

422

00:16:53,290 --> 00:16:51,620

and with the people who are connected

423

00:16:56,140 --> 00:16:53,300

with the intelligence services of course

424

00:16:58,329 --> 00:16:56,150

they're never going to they might talk

425

00:16:59,269 --> 00:16:58,339

about it to their higher ups but it's

426

00:17:01,160 --> 00:16:59,279

nothing where I'm

427

00:17:03,079 --> 00:17:01,170

learn about yeah and then you're on a

428

00:17:05,329 --> 00:17:03,089

monthly show encounters is that what

429

00:17:08,149 --> 00:17:05,339

there's no it was chase on that yep

430

00:17:10,189 --> 00:17:08,159

chase chase lucky she's she's wonderful

431

00:17:11,480 --> 00:17:10,199

oh yes she's gonna be back on our show

432

00:17:13,399 --> 00:17:11,490

in a little while she's because she's

433

00:17:15,590 --> 00:17:13,409

the she's the best she is the one who

434

00:17:20,779 --> 00:17:15,600

got me into UFO radio in the first place

435

00:17:23,000 --> 00:17:20,789

and Richard Dolan peter robbins and race

436

00:17:25,520 --> 00:17:23,010

Hobbs that's the five of us yeah all

437

00:17:28,789 --> 00:17:25,530

great people now you're booked out now

438

00:17:31,460 --> 00:17:28,799

is called beyond area 51 your last book

439

00:17:33,140 --> 00:17:31,470

was UFOs and more time I read that and

440

00:17:35,090 --> 00:17:33,150

enjoy that I stuck my nose for this book

441

00:17:36,590 --> 00:17:35,100

as much as I could because I got it in

442

00:17:39,350 --> 00:17:36,600

the mail not that long ago I'm a slow

443

00:17:42,890 --> 00:17:39,360

reader by the way so am i but a fast

444

00:17:44,750 --> 00:17:42,900

writer you right you know I write them I

445

00:17:47,659 --> 00:17:44,760

don't know if it's fast it's I write a

446

00:17:50,390 --> 00:17:47,669

lot let's put it that way yeah now I'm

447

00:17:54,440 --> 00:17:50,400

gonna maybe criticize a little bit here

448

00:17:57,950 --> 00:17:54,450

or you know but I was reading and you're

449

00:18:00,740 --> 00:17:57,960

writing matter-of-factly as in the Dulce

450

00:18:03,649 --> 00:18:00,750

underground that there's actually aliens

451

00:18:06,860 --> 00:18:03,659

eating human flesh you didn't get I

452

00:18:08,840 --> 00:18:06,870

didn't get far enough okay so is this

453

00:18:11,060 --> 00:18:08,850

hearsay type thing I know we don't want

454

00:18:13,580 --> 00:18:11,070

to spoil too much of the book but well

455

00:18:15,200 --> 00:18:13,590

it's an anoche if you can call it here

456

00:18:17,870 --> 00:18:15,210

say because so many people believe it

457

00:18:19,370 --> 00:18:17,880

you know what happens in that chapter is

458

00:18:22,159 --> 00:18:19,380

that I write you know the first five

459

00:18:26,919 --> 00:18:22,169

pages or so you know taking all I did

460

00:18:30,350 --> 00:18:26,929

was google Dulce mountain and and took

461

00:18:31,850 --> 00:18:30,360

anecdotes that I that I found mm-hmm put

462

00:18:34,100 --> 00:18:31,860

them all together and wrote this story

463

00:18:36,830 --> 00:18:34,110

about what a lot of people think is

464

00:18:39,860 --> 00:18:36,840

going on and the Sri is that there are

465

00:18:42,139 --> 00:18:39,870

50,000 aliens living there two different

466

00:18:45,230 --> 00:18:42,149

kinds of aliens the US government knows

467

00:18:47,180 --> 00:18:45,240

they're there they're doing all these

468

00:18:50,270 --> 00:18:47,190

crazy experiments their training men

469

00:18:52,490 --> 00:18:50,280

into octopus and gorillas into you know

470

00:18:55,549 --> 00:18:52,500

shocks and all this stuff and there's

471

00:18:56,990 --> 00:18:55,559

been battles there and the reason

472

00:18:58,100 --> 00:18:57,000

they're there is that they're going to

473

00:18:59,510 --> 00:18:58,110

take over the earth they're going to

474

00:19:01,850 --> 00:18:59,520

make us all zombies and they're going to

475

00:19:04,580 --> 00:19:01,860

put us to work as slaves on their other

476

00:19:06,710 --> 00:19:04,590

bases on the moon in on Moz I'm down

477

00:19:10,399 --> 00:19:06,720

with that me too you know if the you

478

00:19:12,980 --> 00:19:10,409

know it involves travel yeah I show one

479

00:19:14,299 --> 00:19:12,990

but them a lot of people believe this

480

00:19:16,070 --> 00:19:14,309

there's been books written about it

481

00:19:17,990 --> 00:19:16,080

there's been you know movies done their

482

00:19:20,330 --> 00:19:18,000

lectures done about it and so on and so

483

00:19:22,640 --> 00:19:20,340

forth and in it's complete nonsense of

484

00:19:26,299 --> 00:19:22,650

course but it's very interesting how it

485

00:19:27,710 --> 00:19:26,309

started and it started by a gentleman

486

00:19:30,200 --> 00:19:27,720

who lived next to Kirtland Air Force

487

00:19:31,730 --> 00:19:30,210

Base Paul bennewitz right exactly okay

488

00:19:33,200 --> 00:19:31,740

so I was hoping you would that's what I

489

00:19:38,390 --> 00:19:33,210

was going to bring up go ahead go ahead

490

00:19:40,790 --> 00:19:38,400

and how he stumbled upon two parallel

491

00:19:43,240 --> 00:19:40,800

running classified programs at Kirtland

492

00:19:45,530 --> 00:19:43,250

death was bent base back in the 80s

493

00:19:48,260 --> 00:19:45,540

having to do with nuclear weapons

494

00:19:51,890 --> 00:19:48,270

storage and the first test flights of

495

00:19:55,040 --> 00:19:51,900

this of pre stealth airplanes he thought

496

00:19:57,650 --> 00:19:55,050

that they were UFOs yet monitoring

497

00:20:00,049 --> 00:19:57,660

nuclear storage facilities again which

498

00:20:01,940 --> 00:20:00,059

kind of makes sense right yeah and what

499

00:20:03,890 --> 00:20:01,950

he really stumbled upon was you know

500

00:20:07,370 --> 00:20:03,900

these classified programs that were in

501
00:20:09,020 --> 00:20:07,380
place to keep those nukes away from

502
00:20:11,630 --> 00:20:09,030
prying eyes those being Russian

503
00:20:15,110 --> 00:20:11,640
satellites going over and he saw

504
00:20:17,450 --> 00:20:15,120
probably saw a few very early prototypes

505
00:20:19,970 --> 00:20:17,460
of stealth airplane well instead of the

506
00:20:21,500 --> 00:20:19,980
f was kind of taking him in and just

507
00:20:24,020 --> 00:20:21,510
having him sign a security agreement

508
00:20:25,520 --> 00:20:24,030
which which thousands of people sign

509
00:20:30,140 --> 00:20:25,530
every year in the military and

510
00:20:32,390 --> 00:20:30,150
intelligence agencies they chose to feed

511
00:20:34,340 --> 00:20:32,400
him all this incorrect information yeah

512
00:20:37,790 --> 00:20:34,350
about what was going on in Dulce

513
00:20:40,160 --> 00:20:37,800

mountain and um and he believed them he

514

00:20:45,049 --> 00:20:40,170

has leave them and and he quite

515

00:20:48,200 --> 00:20:45,059

literally went insane yeah and in it was

516

00:20:51,140 --> 00:20:48,210

just it was how to it was an exercise in

517

00:20:54,230 --> 00:20:51,150

how to break a human being right very

518

00:20:56,480 --> 00:20:54,240

sad very very sad start in one of the

519

00:20:58,790 --> 00:20:56,490

people who were in cahoots with the Air

520

00:21:02,480 --> 00:20:58,800

Force in doing this was like a fellow

521

00:21:05,180 --> 00:21:02,490

UFO community member yeah right bill

522

00:21:06,320 --> 00:21:05,190

more yeah yeah now I have to say I'm

523

00:21:08,660 --> 00:21:06,330

relieved and that you're telling me all

524

00:21:11,600 --> 00:21:08,670

this because i was reading that the god

525

00:21:13,910 --> 00:21:11,610

oh my god Mac believe right now I leaves

526

00:21:16,310 --> 00:21:13,920

all this you know so no I'm glad you

527

00:21:19,190 --> 00:21:16,320

know that that makes me that's restored

528

00:21:20,870 --> 00:21:19,200

faith we ended on the that part of the

529

00:21:24,140 --> 00:21:20,880

chapter menswear and someone said that

530

00:21:25,340 --> 00:21:24,150

if you eat chocolate then the reptilians

531

00:21:27,770 --> 00:21:25,350

who are living in this mount

532

00:21:29,630 --> 00:21:27,780

I will leave you alone so we had all

533

00:21:31,669 --> 00:21:29,640

studied a lot of you know her she buys

534

00:21:33,770 --> 00:21:31,679

or something but then it just you know

535

00:21:36,650 --> 00:21:33,780

that says this is it's all nonsense and

536

00:21:40,130 --> 00:21:36,660

and of course it is but you know there's

537

00:21:43,100 --> 00:21:40,140

so many people who believe yes is is

538

00:21:47,900 --> 00:21:43,110

very strange in itself now you basically

539

00:21:50,840 --> 00:21:47,910

talk about these mysterious basis that

540

00:21:52,970 --> 00:21:50,850

actually do exist in different parts of

541

00:21:54,409 --> 00:21:52,980

the world and again i just skimmed

542

00:21:55,490 --> 00:21:54,419

through the book i read the first part

543

00:21:57,470 --> 00:21:55,500

of the book and then I just started

544

00:21:59,600 --> 00:21:57,480

skimming so can you talk a little bit

545

00:22:02,870 --> 00:21:59,610

about about the the basis all around

546

00:22:05,260 --> 00:22:02,880

right there's on it the genesis of the

547

00:22:09,140 --> 00:22:05,270

book came about many many years ago

548

00:22:10,880 --> 00:22:09,150

someone I knew was in the Air Force and

549

00:22:12,520 --> 00:22:10,890

they were stationed at Nellis Air Force

550

00:22:16,850 --> 00:22:12,530

Base which is right outside of Las Vegas

551

00:22:20,480 --> 00:22:16,860

and they would fly up to area 51 on a

552

00:22:22,310 --> 00:22:20,490

fairly frequent basis not to do any you

553

00:22:23,870 --> 00:22:22,320

know spoke work but just to fix air

554

00:22:26,450 --> 00:22:23,880

planes that we're flying out of there

555

00:22:28,100 --> 00:22:26,460

and but they were a little bit more on

556

00:22:31,039 --> 00:22:28,110

the inside than anyone that I had ever

557

00:22:33,440 --> 00:22:31,049

met and I had said to them once um you

558

00:22:36,860 --> 00:22:33,450

know is area 51 the only place out there

559

00:22:39,649 --> 00:22:36,870

like that my question was either area 52

560

00:22:40,940 --> 00:22:39,659

53 54 so on and so forth you might not

561

00:22:42,260 --> 00:22:40,950

call them that but yeah I've got the

562

00:22:44,000 --> 00:22:42,270

idea and he says sure he says they're

563

00:22:45,529 --> 00:22:44,010

there are other places out there in

564

00:22:47,210 --> 00:22:45,539

Nevada there are other places around the

565

00:22:49,850 --> 00:22:47,220

country there are other places around

566

00:22:52,460 --> 00:22:49,860

the world and I just kind of kept that

567

00:22:55,549 --> 00:22:52,470

idea in my head and when I had to do a

568

00:22:57,980 --> 00:22:55,559

follow-up book for UFOs at one time and

569

00:23:00,590 --> 00:22:57,990

I had to present an idea to the

570

00:23:02,600 --> 00:23:00,600

publisher I just came up with that idea

571

00:23:05,480 --> 00:23:02,610

I said let's write a book about area 51

572

00:23:07,430 --> 00:23:05,490

that had that isn't about area 51 is

573

00:23:10,700 --> 00:23:07,440

area 51 has been kind of done to death

574

00:23:12,409 --> 00:23:10,710

nonfiction wise I think so they said

575

00:23:14,840 --> 00:23:12,419

okay so that's what happened so we just

576

00:23:17,120 --> 00:23:14,850

did a you know a lot of research and

577

00:23:18,529 --> 00:23:17,130

found these I think there are 16 places

578

00:23:20,270 --> 00:23:18,539

around the world that we found that

579

00:23:22,700 --> 00:23:20,280

they're not all military bases but a lot

580

00:23:25,250 --> 00:23:22,710

of them are but the unusual thing is

581

00:23:27,440 --> 00:23:25,260

that the vast majority of them have some

582

00:23:31,070 --> 00:23:27,450

kind of a UFO connection to them mmm

583

00:23:32,470 --> 00:23:31,080

UFOs are whatever UFOs are and I don't

584

00:23:35,030 --> 00:23:32,480

think anyone really knows what they are

585

00:23:37,350 --> 00:23:35,040

but whatever they add they're attracted

586

00:23:39,690 --> 00:23:37,360

to these secret bases

587

00:23:44,010 --> 00:23:39,700

almost all of these secret bases with

588

00:23:46,530 --> 00:23:44,020

two glaring exceptions have a UFO

589

00:23:48,660 --> 00:23:46,540

history to them now would someone argue

590

00:23:50,850 --> 00:23:48,670

that those are secret military craft

591

00:23:53,580 --> 00:23:50,860

well they could be you know there's a

592

00:23:56,070 --> 00:23:53,590

very good chance that they are but some

593

00:23:58,020 --> 00:23:56,080

of them are you know a couple of these

594

00:24:00,060 --> 00:23:58,030

bases don't have runways let's say you

595

00:24:02,220 --> 00:24:00,070

know they're not air bases they're just

596

00:24:04,799 --> 00:24:02,230

based in secret bases especially in the

597

00:24:08,820 --> 00:24:04,809

UK the the chapter that we devote to

598

00:24:11,850 --> 00:24:08,830

ariat Britain's area 51 is really just a

599

00:24:16,140 --> 00:24:11,860

search looking for it and luckily I had

600

00:24:17,700 --> 00:24:16,150

help from Nick Redfern and nick pope you

601
00:24:21,720 --> 00:24:17,710
know where we just come up with like a

602
00:24:25,110 --> 00:24:21,730
top 10 of where England's area 51 might

603
00:24:27,810 --> 00:24:25,120
be and the place that we determine its

604
00:24:30,930 --> 00:24:27,820
called rudd low banner and it's it's

605
00:24:34,760 --> 00:24:30,940
like an old English estate it does not

606
00:24:36,930 --> 00:24:34,770
look like really any air base at all so

607
00:24:39,390 --> 00:24:36,940
they all have that one thing in common

608
00:24:41,880 --> 00:24:39,400
though some kind of UFO activity always

609
00:24:43,650 --> 00:24:41,890
seems to come along with the with the

610
00:24:46,890 --> 00:24:43,660
history of these places well going back

611
00:24:49,320 --> 00:24:46,900
to Dulce I talked to bill burns he was

612
00:24:52,289 --> 00:24:49,330
actually on my second podcast from UFO

613
00:24:55,460 --> 00:24:52,299

hunters and you know they did a show on

614

00:24:58,890 --> 00:24:55,470

the Dulce base and there was a weird

615

00:25:02,159 --> 00:24:58,900

half human half cow thing did you happen

616

00:25:03,510 --> 00:25:02,169

to see that and and but but the thing is

617

00:25:06,570 --> 00:25:03,520

when I was talking to him he says

618

00:25:08,370 --> 00:25:06,580

something weird is going on there and

619

00:25:10,890 --> 00:25:08,380

it's a weird area and a lot of these

620

00:25:12,840 --> 00:25:10,900

places are just plain weird just playin

621

00:25:15,480 --> 00:25:12,850

wit is really a good description a lot

622

00:25:17,280 --> 00:25:15,490

of these places in you know I don't

623

00:25:18,900 --> 00:25:17,290

believe that there are 50,000 aliens

624

00:25:20,070 --> 00:25:18,910

inside this mountain that Emmy what

625

00:25:22,140 --> 00:25:20,080

would they be doing that that's a lot of

626

00:25:23,610 --> 00:25:22,150

that's a lot you know well that's like

627

00:25:25,890 --> 00:25:23,620

when someone says there's some people

628

00:25:27,780 --> 00:25:25,900

living inside of Venus afternoon that'd

629

00:25:29,640 --> 00:25:27,790

be kind of dreary dreary yeah what are

630

00:25:32,250 --> 00:25:29,650

you doing all day you know but today

631

00:25:34,680 --> 00:25:32,260

ting yeah that that whole area is

632

00:25:37,169 --> 00:25:34,690

strange and there there are some strange

633

00:25:39,299 --> 00:25:37,179

stories about you know cattle

634

00:25:41,070 --> 00:25:39,309

mutilations and things yes that have

635

00:25:43,890 --> 00:25:41,080

been going on there and and people have

636

00:25:46,110 --> 00:25:43,900

seen so many people have seen them that

637

00:25:47,869 --> 00:25:46,120

they can't be just not true you know

638

00:25:49,669 --> 00:25:47,879

helicopters landing in

639

00:25:51,649 --> 00:25:49,679

dropping off the remains of animals and

640

00:25:54,289 --> 00:25:51,659

stuff like that well you know bennewitz

641

00:25:56,599 --> 00:25:54,299

was in that area to begin with about

642

00:25:58,729 --> 00:25:56,609

because of cattle brightly yep yep that

643

00:26:01,099 --> 00:25:58,739

was really the thread that that started

644

00:26:02,869 --> 00:26:01,109

him on yeah you know this this sad

645

00:26:06,019 --> 00:26:02,879

journey that he wound up taking right

646

00:26:08,689 --> 00:26:06,029

right so you mentioned that most of

647

00:26:11,989 --> 00:26:08,699

these bases are military other private

648

00:26:13,999 --> 00:26:11,999

entities as well in Britain all of this

649

00:26:16,639 --> 00:26:14,009

stuff has been farmed out to private

650

00:26:19,879 --> 00:26:16,649

industry uh-huh you know and and so of

651
00:26:22,189 --> 00:26:19,889
the top 10 suspected area 51 locations

652
00:26:25,129 --> 00:26:22,199
in Britain I think eight of them are now

653
00:26:27,769 --> 00:26:25,139
under a private they're privately owned

654
00:26:30,619 --> 00:26:27,779
by one of them is by British Aerospace

655
00:26:33,559 --> 00:26:30,629
bae for instance runs at least one of

656
00:26:36,439 --> 00:26:33,569
them but for the most part like we do we

657
00:26:39,439 --> 00:26:36,449
talk about ones in in russia obviously

658
00:26:41,899 --> 00:26:39,449
the Russian military runs them Pine Gap

659
00:26:45,019 --> 00:26:41,909
in Australia is jointly run by the US in

660
00:26:47,509 --> 00:26:45,029
Australia we talk about not quite a base

661
00:26:49,609 --> 00:26:47,519
in China but this very odd set up that

662
00:26:51,889 --> 00:26:49,619
the Chinese military has in a place

663
00:26:54,399 --> 00:26:51,899

called hung young kang in the middle of

664

00:26:57,619 --> 00:26:54,409

China we talked a little bit about the

665

00:27:00,439 --> 00:26:57,629

the Nazi bell of World War two oh yes we

666

00:27:02,509 --> 00:27:00,449

really kind of hopefully put a knife in

667

00:27:05,089 --> 00:27:02,519

that story forever and let's hear the

668

00:27:09,409 --> 00:27:05,099

knife well it's just one of these things

669

00:27:13,219 --> 00:27:09,419

that it started with one person just

670

00:27:16,309 --> 00:27:13,229

outrageous claims that he saw files and

671

00:27:18,589 --> 00:27:16,319

papers by this SS Colonel who claimed

672

00:27:20,719 --> 00:27:18,599

that they were building a you know take

673

00:27:23,509 --> 00:27:20,729

your pick it's a time machine it's some

674

00:27:25,939 --> 00:27:23,519

kind of a generator it's a it's

675

00:27:29,209 --> 00:27:25,949

something that a rocket ship could use

676

00:27:31,129 --> 00:27:29,219

as a propulsion unit you name it

677

00:27:33,049 --> 00:27:31,139

everything that you can dream up this

678

00:27:34,519 --> 00:27:33,059

thing was supposed to be but if you

679

00:27:37,129 --> 00:27:34,529

really look into it you find out that

680

00:27:40,969 --> 00:27:37,139

this person who made these claims never

681

00:27:43,879 --> 00:27:40,979

actually had the papers there was no

682

00:27:45,199 --> 00:27:43,889

evidence at all that this SS Colonel who

683

00:27:48,349 --> 00:27:45,209

was supposed to have generated these

684

00:27:51,949 --> 00:27:48,359

papers even had anything to do with

685

00:27:54,979 --> 00:27:51,959

anything other than running a a death

686

00:27:57,469 --> 00:27:54,989

camp nearby there's all kinds of stories

687

00:27:59,800 --> 00:27:57,479

about how the Nazis were in touch with

688

00:28:02,410 --> 00:27:59,810

these people on a planet way out

689

00:28:05,650 --> 00:28:02,420

you know several light-years away that

690

00:28:09,010 --> 00:28:05,660

they were taking instructions for them

691

00:28:11,590 --> 00:28:09,020

in getting technology from aliens and

692

00:28:14,020 --> 00:28:11,600

things and the point that we make in the

693

00:28:16,180 --> 00:28:14,030

book in we made it as well in UFOs at

694

00:28:19,810 --> 00:28:16,190

one time is you know when you take this

695

00:28:22,030 --> 00:28:19,820

whole idea that the Nazis had UFOs and

696

00:28:23,800 --> 00:28:22,040

that they had you know people claim they

697

00:28:25,600 --> 00:28:23,810

have a secret base in Antarctica and

698

00:28:27,610 --> 00:28:25,610

that there's a base on the moon and so

699

00:28:29,770 --> 00:28:27,620

on and so forth well if they had all

700

00:28:31,870 --> 00:28:29,780

this technology this really way out

701
00:28:33,640 --> 00:28:31,880
technology for the 1940s why did they

702
00:28:34,750 --> 00:28:33,650
lose the war yeah they just take over

703
00:28:37,300 --> 00:28:34,760
the world they would just take over the

704
00:28:41,760 --> 00:28:37,310
world in a matter of you know days yeah

705
00:28:45,850 --> 00:28:41,770
I mean to to create the atom bomb took

706
00:28:47,770 --> 00:28:45,860
34 years it took factories in 16 States

707
00:28:51,220 --> 00:28:47,780
it took a half a million people and it

708
00:28:53,650 --> 00:28:51,230
took 25 billion dollars that's a lot of

709
00:28:55,060 --> 00:28:53,660
people that's a lot of time that's a lot

710
00:28:59,320 --> 00:28:55,070
of locations and that's a lot of

711
00:29:01,120 --> 00:28:59,330
infrastructure and when we you know

712
00:29:04,440 --> 00:29:01,130
defeated Germany went into Germany they

713
00:29:07,240 --> 00:29:04,450

found nothing nothing even close to a

714

00:29:09,850 --> 00:29:07,250

setup like that that would have been

715

00:29:13,360 --> 00:29:09,860

needed if all these things were true

716

00:29:15,700 --> 00:29:13,370

yeah you know it's it it really here's

717

00:29:17,800 --> 00:29:15,710

two cases right here we're talking first

718

00:29:20,590 --> 00:29:17,810

of all we talked about the Dulce

719

00:29:22,960 --> 00:29:20,600

underground myth and then about this one

720

00:29:24,700 --> 00:29:22,970

in particular image it just goes to show

721

00:29:26,740 --> 00:29:24,710

that if enough people say it for long

722

00:29:29,200 --> 00:29:26,750

enough and write about it it just gets

723

00:29:31,450 --> 00:29:29,210

almost passed off as fact right and

724

00:29:34,210 --> 00:29:31,460

that's why there's a chapter in the book

725

00:29:35,470 --> 00:29:34,220

about a place called Long's hat which

726

00:29:37,360 --> 00:29:35,480

I'm sure you've never heard of never

727

00:29:39,130 --> 00:29:37,370

heard of it's in the Pine Barrens in New

728

00:29:43,030 --> 00:29:39,140

Jersey never heard of that Pine Barrens

729

00:29:45,610 --> 00:29:43,040

is this huge forested swampy section of

730

00:29:47,050 --> 00:29:45,620

New Jersey takes up a lot of the state

731

00:29:49,300 --> 00:29:47,060

of New Jersey but very few people know

732

00:29:51,910 --> 00:29:49,310

it's there no one lives there the new

733

00:29:55,030 --> 00:29:51,920

jersey devil is from there which is

734

00:29:59,080 --> 00:29:55,040

where the hockey team got its name you

735

00:30:01,420 --> 00:29:59,090

know the 95 95 goes through it Atlantic

736

00:30:04,150 --> 00:30:01,430

the Atlantic City Highway goes through

737

00:30:05,350 --> 00:30:04,160

it but it's the only way it's really

738

00:30:07,240 --> 00:30:05,360

become famous is that there was an

739

00:30:09,820 --> 00:30:07,250

episode of The Sopranos about the Pine

740

00:30:10,240 --> 00:30:09,830

Barrens so anyway there's a small town

741

00:30:12,670 --> 00:30:10,250

and the

742

00:30:15,280 --> 00:30:12,680

middle of it called Aang's hat it's been

743

00:30:19,030 --> 00:30:15,290

there for several hundred years and the

744

00:30:24,610 --> 00:30:19,040

story was that these two twins who were

745

00:30:26,740 --> 00:30:24,620

really far-out thinking physicists a boy

746

00:30:28,060 --> 00:30:26,750

and a girl went to Princeton got thrown

747

00:30:30,130 --> 00:30:28,070

out of Princeton because they were

748

00:30:33,760 --> 00:30:30,140

trying to sell a theory that called

749

00:30:37,720 --> 00:30:33,770

cognitive chaos which that just threw

750

00:30:39,760 --> 00:30:37,730

very very simple manipulation of a

751

00:30:41,710 --> 00:30:39,770

person's body and a person's

752

00:30:45,360 --> 00:30:41,720

consciousness they could go to other

753

00:30:48,520 --> 00:30:45,370

dimensions and so they set up their

754

00:30:51,220 --> 00:30:48,530

their camp their laboratory and Long's

755

00:30:53,920 --> 00:30:51,230

hat and a trailer and sure enough they

756

00:30:55,570 --> 00:30:53,930

come upon how they can do this and they

757

00:30:58,270 --> 00:30:55,580

give this little community and they send

758

00:31:00,850 --> 00:30:58,280

this one kid into another dimension and

759

00:31:02,620 --> 00:31:00,860

he comes back and suddenly they're all

760

00:31:05,380 --> 00:31:02,630

traveling to different dimensions and

761

00:31:08,560 --> 00:31:05,390

stuff and and then when it got to the

762

00:31:11,290 --> 00:31:08,570

point where they were you know just

763

00:31:14,650 --> 00:31:11,300

basically interdimensional travelers at

764

00:31:17,110 --> 00:31:14,660

the height of it the Delta Force came in

765

00:31:20,260 --> 00:31:17,120

and burned down the place and killed

766

00:31:22,870 --> 00:31:20,270

them all okay that's the story now I

767

00:31:25,090 --> 00:31:22,880

mean it's just well here it is what we

768

00:31:26,920 --> 00:31:25,100

were just talking about it that was a

769

00:31:29,620 --> 00:31:26,930

story intentionally created by a guy

770

00:31:31,270 --> 00:31:29,630

named Joseph Matheny on the internet

771

00:31:33,940 --> 00:31:31,280

what he was trying to do was he was

772

00:31:36,610 --> 00:31:33,950

trying to create the first myth on the

773

00:31:38,020 --> 00:31:36,620

world wide web ok this is in the 80s now

774

00:31:40,210 --> 00:31:38,030

one yeah you know what is still very new

775

00:31:41,980 --> 00:31:40,220

and he and some of his cohorts got

776

00:31:45,820 --> 00:31:41,990

together and they started putting

777

00:31:48,640 --> 00:31:45,830

stories on all over they call them

778

00:31:50,590 --> 00:31:48,650

ezines back then in bulletin boards hey

779

00:31:52,450 --> 00:31:50,600

this is happening along stat New Jersey

780

00:31:53,620 --> 00:31:52,460

this happen this amnesty and people

781

00:31:56,080 --> 00:31:53,630

started reading them and then people

782

00:32:00,420 --> 00:31:56,090

started adding their own stuff to it and

783

00:32:02,890 --> 00:32:00,430

so once again it becomes like a huge

784

00:32:04,240 --> 00:32:02,900

game of telephone that kids would play

785

00:32:05,380 --> 00:32:04,250

on your whisper one thing and by the

786

00:32:07,180 --> 00:32:05,390

time it comes around the whole different

787

00:32:08,880 --> 00:32:07,190

story whole different story yeah they

788

00:32:12,610 --> 00:32:08,890

intentionally did that and it worked and

789

00:32:14,530 --> 00:32:12,620

so what what happens from that is and

790

00:32:17,370 --> 00:32:14,540

that's why we put this chapter in is

791

00:32:20,140 --> 00:32:17,380

that there's so many stories and so many

792

00:32:21,490 --> 00:32:20,150

myths in the UFO community Dulce

793

00:32:23,030 --> 00:32:21,500

mountain being one the belv be in

794

00:32:24,890 --> 00:32:23,040

another way if P

795

00:32:27,500 --> 00:32:24,900

we'll just keep telling them over and

796

00:32:30,110 --> 00:32:27,510

over again in a way they become true and

797

00:32:32,210 --> 00:32:30,120

we have a guy named Michael Kinsella who

798

00:32:34,490 --> 00:32:32,220

has written extensively about this and

799

00:32:36,140 --> 00:32:34,500

he's quoted in the book he says that's

800

00:32:37,880 --> 00:32:36,150

that's how it is is that you know if

801
00:32:40,820 --> 00:32:37,890
people just keep talking about things

802
00:32:42,560 --> 00:32:40,830
they they become true in a way now I

803
00:32:46,310 --> 00:32:42,570
know every time you and I talked i bring

804
00:32:48,020 --> 00:32:46,320
this up you're a Roswell non-believer so

805
00:32:50,060 --> 00:32:48,030
do you think it's the same yes thing

806
00:32:51,770 --> 00:32:50,070
right yeah I don't believe anything

807
00:32:54,470 --> 00:32:51,780
really happened at Roswell though I

808
00:32:56,000 --> 00:32:54,480
believe it's another UFO myth but it had

809
00:32:57,950 --> 00:32:56,010
a very interesting beginning in the B

810
00:32:59,840 --> 00:32:57,960
then that is that the f was actually put

811
00:33:01,880 --> 00:32:59,850
a headline out saying they had captured

812
00:33:04,730 --> 00:33:01,890
a flying disc so but what has happened

813
00:33:06,200 --> 00:33:04,740

is that story has been just retold so

814

00:33:08,600 --> 00:33:06,210

many times probably more than any other

815

00:33:10,160 --> 00:33:08,610

UFO myth if we can call it that I mean

816

00:33:13,100 --> 00:33:10,170

there's been many many books are in

817

00:33:15,320 --> 00:33:13,110

Nevada movies TV shows I mean and what's

818

00:33:17,810 --> 00:33:15,330

happening down there now it's like a

819

00:33:21,050 --> 00:33:17,820

it's like carnival every day down there

820

00:33:22,460 --> 00:33:21,060

yeah it's a tourist a trap to someone

821

00:33:24,200 --> 00:33:22,470

that recently stopped in there was

822

00:33:26,030 --> 00:33:24,210

telling me about it and it's even just

823

00:33:29,960 --> 00:33:26,040

you my cell Jr who we had on the show

824

00:33:31,670 --> 00:33:29,970

great guy he now lives up in Idaho some

825

00:33:32,930 --> 00:33:31,680

place up in the American Northwest and

826

00:33:36,410 --> 00:33:32,940

he just didn't want to live there

827

00:33:38,420 --> 00:33:36,420

anymore so I think that it I think these

828

00:33:40,010 --> 00:33:38,430

stories that just keep on growing and

829

00:33:42,050 --> 00:33:40,020

growing and growing without any kind of

830

00:33:44,390 --> 00:33:42,060

verification of any quote unquote facts

831

00:33:45,830 --> 00:33:44,400

i think they started with Roswell and i

832

00:33:47,540 --> 00:33:45,840

think there's been a number of them

833

00:33:49,610 --> 00:33:47,550

since and I think that else I mountain

834

00:33:50,810 --> 00:33:49,620

is one I think the Bell is another one

835

00:33:53,090 --> 00:33:50,820

and there there are just many many

836

00:33:56,090 --> 00:33:53,100

others and I think these things they

837

00:33:58,460 --> 00:33:56,100

bake cloud the real picture the real UFO

838

00:34:01,220 --> 00:33:58,470

puzzle and I think they actually detract

839

00:34:02,960 --> 00:34:01,230

from people who are doing you know real

840

00:34:04,850 --> 00:34:02,970

kind of research into figuring out what

841

00:34:07,610 --> 00:34:04,860

UFOs I think these things are a

842

00:34:10,040 --> 00:34:07,620

hindrance to it yes now I'm gonna tell

843

00:34:12,110 --> 00:34:10,050

the listener if you listen to this and

844

00:34:14,659 --> 00:34:12,120

you hear me not arguing about Roswell we

845

00:34:16,190 --> 00:34:14,669

can go back and listen to mac Maloney I

846

00:34:18,320 --> 00:34:16,200

argued with him back then we don't have

847

00:34:21,800 --> 00:34:18,330

to rehash it that's right yeah so

848

00:34:23,960 --> 00:34:21,810

there's a chapter 13 the case of

849

00:34:26,210 --> 00:34:23,970

Saddam's area 51 can you talk about that

850

00:34:30,080 --> 00:34:26,220

you know once again this is a story that

851
00:34:31,730 --> 00:34:30,090
we got from Russian sources which are

852
00:34:35,659 --> 00:34:31,740
always interested really intriguing

853
00:34:36,860 --> 00:34:35,669
Russian sources right we there's a story

854
00:34:39,020 --> 00:34:36,870
that was kicking around

855
00:34:41,590 --> 00:34:39,030
and we headed in UFOs in one time that

856
00:34:44,900 --> 00:34:41,600
there are a number of UFO incidents

857
00:34:46,850 --> 00:34:44,910
during the first Gulf War and this is

858
00:34:48,710 --> 00:34:46,860
during one in UFOs and what time the

859
00:34:50,240 --> 00:34:48,720
case we try to make is that UFOs have

860
00:34:52,460 --> 00:34:50,250
seen more in one time than the peace

861
00:34:54,830 --> 00:34:52,470
time yes and so there were a number of

862
00:34:56,540 --> 00:34:54,840
UFO incidents over the Gulf especially

863
00:35:00,440 --> 00:34:56,550

in the six months leading up to the Gulf

864

00:35:02,480 --> 00:35:00,450

War after Saddam had invaded Kuwait and

865

00:35:04,880 --> 00:35:02,490

especially during the war itself we had

866

00:35:06,920 --> 00:35:04,890

stories about UFOs being intercepted by

867

00:35:09,650 --> 00:35:06,930

planes on their way to bond bag that and

868

00:35:12,350 --> 00:35:09,660

so on but there was this one story that

869

00:35:16,220 --> 00:35:12,360

kept coming up saying that in that time

870

00:35:20,030 --> 00:35:16,230

between the first Gulf War in the vision

871

00:35:22,750 --> 00:35:20,040

of Iraq in 2003 that Saddam's yet I

872

00:35:26,330 --> 00:35:22,760

aircraft was shot down in UFO and

873

00:35:27,920 --> 00:35:26,340

recovered it and then brought it to this

874

00:35:31,280 --> 00:35:27,930

place whose name I'm not even going to

875

00:35:34,270 --> 00:35:31,290

try to pronounce but a secret base that

876

00:35:36,800 --> 00:35:34,280

people were calling Saddam's area 51

877

00:35:39,110 --> 00:35:36,810

inside this place and once again these

878

00:35:44,630 --> 00:35:39,120

kind of Russian sources wrote about this

879

00:35:47,210 --> 00:35:44,640

in Providence engineered some technology

880

00:35:49,670 --> 00:35:47,220

found on this UFO and turned it into a

881

00:35:51,440 --> 00:35:49,680

weapon of mass destruction there's also

882

00:35:54,950 --> 00:35:51,450

a story that there was some kind of a

883

00:35:57,710 --> 00:35:54,960

weapon there that shot at the Challenger

884

00:36:00,410 --> 00:35:57,720

Space Shuttle the one that crashed the

885

00:36:02,690 --> 00:36:00,420

most recent one years ago and that did

886

00:36:05,240 --> 00:36:02,700

have an Israeli pilot on it in fact that

887

00:36:08,980 --> 00:36:05,250

Israeli pilot was one of the pilots who

888

00:36:13,070 --> 00:36:08,990

was in on the bombing of Iraqi nuclear

889

00:36:15,740 --> 00:36:13,080

reactor in the early 80s so once again

890

00:36:18,050 --> 00:36:15,750

these are maybe threads that more dotted

891

00:36:20,690 --> 00:36:18,060

lines than anything but there was these

892

00:36:23,600 --> 00:36:20,700

like conspiracy conspiracy theories that

893

00:36:25,310 --> 00:36:23,610

I mean in your wood would the Iraqis

894

00:36:26,570 --> 00:36:25,320

really have a weapon like this but on

895

00:36:29,960 --> 00:36:26,580

the other hand when you really look at

896

00:36:31,790 --> 00:36:29,970

what happened in the Iraqi invasion they

897

00:36:33,890 --> 00:36:31,800

were supposed to have gone in there to

898

00:36:35,480 --> 00:36:33,900

look for nuclear weapons biological

899

00:36:37,400 --> 00:36:35,490

weapons chemical weapons they didn't

900

00:36:38,420 --> 00:36:37,410

find any of that stuff so yeah yeah

901
00:36:39,940 --> 00:36:38,430
there are some people say what would

902
00:36:41,510 --> 00:36:39,950
they were really looking for was this

903
00:36:44,690 --> 00:36:41,520
WMD that would had been

904
00:36:46,400 --> 00:36:44,700
reverse-engineered from a UFO it's a

905
00:36:47,810 --> 00:36:46,410
fantastic story well you know with the

906
00:36:48,819 --> 00:36:47,820
writing of any book you wanted to be

907
00:36:50,769 --> 00:36:48,829
entertaining

908
00:36:52,719 --> 00:36:50,779
and there were several stories in there

909
00:36:57,150 --> 00:36:52,729
that said they were just too good not to

910
00:37:00,190 --> 00:36:57,160
include you know did George Bush send

911
00:37:03,269 --> 00:37:00,200
you know two hundred thousand US troops

912
00:37:05,709 --> 00:37:03,279
into Iraq to try to get a some kind of a

913
00:37:09,099 --> 00:37:05,719

massive weapon of mass destruction that

914

00:37:13,059 --> 00:37:09,109

was ranging it from you at all probably

915

00:37:15,249 --> 00:37:13,069

not but you know i mean the explanation

916

00:37:16,989 --> 00:37:15,259

he gave us didn't work either so yeah I

917

00:37:18,789 --> 00:37:16,999

suppose anything's possible through all

918

00:37:20,469 --> 00:37:18,799

the different research that you did for

919

00:37:22,930 --> 00:37:20,479

this book was there anything that was

920

00:37:24,849 --> 00:37:22,940

really super compelling to you that was

921

00:37:26,920 --> 00:37:24,859

what was it what was your most interest

922

00:37:29,049 --> 00:37:26,930

in part the most interesting place that

923

00:37:31,930 --> 00:37:29,059

we looked into is a place called the M

924

00:37:34,749 --> 00:37:31,940

triangle in Russia and not many people

925

00:37:37,479 --> 00:37:34,759

didn't know about this place and it's

926
00:37:40,239 --> 00:37:37,489
also called the perm anomalous zone it's

927
00:37:43,299 --> 00:37:40,249
as I say near the Ural Mountains it's 40

928
00:37:44,739 --> 00:37:43,309
square miles mostly heavy heavily

929
00:37:46,690 --> 00:37:44,749
forested but there are some kind of

930
00:37:48,930 --> 00:37:46,700
valleys and meadows and it actually

931
00:37:54,069 --> 00:37:48,940
looks like this kind of heavenly place

932
00:37:56,109 --> 00:37:54,079
well in the old Soviet Union people were

933
00:37:57,999 --> 00:37:56,119
not allowed to go into this place and in

934
00:37:59,680 --> 00:37:58,009
the villages the people who live in

935
00:38:02,319 --> 00:37:59,690
villages close by there's not many of

936
00:38:04,299 --> 00:38:02,329
them but this place was always thought

937
00:38:06,099 --> 00:38:04,309
of as like kind of like a haunted forest

938
00:38:07,689 --> 00:38:06,109

and people would would not go in there

939

00:38:10,509 --> 00:38:07,699

the only people who are going in there

940

00:38:13,539 --> 00:38:10,519

during the Soviet is were the KGB when

941

00:38:17,170 --> 00:38:13,549

the Soviet Union fell and this slightly

942

00:38:20,019 --> 00:38:17,180

more liberal Russian government took

943

00:38:22,870 --> 00:38:20,029

place they did start allowing

944

00:38:25,870 --> 00:38:22,880

journalists and researches into DM

945

00:38:28,959 --> 00:38:25,880

triangle and what they found was first

946

00:38:32,349 --> 00:38:28,969

of all UFO sighted there almost every

947

00:38:33,880 --> 00:38:32,359

day and heavily documented but it was

948

00:38:35,469 --> 00:38:33,890

even more than that I mean there were

949

00:38:39,309 --> 00:38:35,479

stories about encounters with you know

950

00:38:42,189 --> 00:38:39,319

ETS the animals they have no fear of

951
00:38:44,170 --> 00:38:42,199
humans the fish will come right up to

952
00:38:45,579 --> 00:38:44,180
you if you're like waiting in a stream

953
00:38:49,059 --> 00:38:45,589
or something but there's also things

954
00:38:54,459 --> 00:38:49,069
like it's hard to light a match there

955
00:38:57,370 --> 00:38:54,469
without it exploding people are camping

956
00:38:59,920 --> 00:38:57,380
out in as I say a heavy heavily forested

957
00:39:02,019 --> 00:38:59,930
area and they hear traffic going by they

958
00:39:02,950 --> 00:39:02,029
hit people speaking they've recorded

959
00:39:07,190 --> 00:39:02,960
these things

960
00:39:08,840 --> 00:39:07,200
they hear like a ghostly choir you can't

961
00:39:10,970 --> 00:39:08,850
make a phone call anywhere in the M

962
00:39:13,850 --> 00:39:10,980
triangle except in this one place that's

963
00:39:15,530 --> 00:39:13,860

five by five that they call the call box

964

00:39:16,640 --> 00:39:15,540

and if you are standing in that with

965

00:39:18,350 --> 00:39:16,650

your cell phone you can make a phone

966

00:39:20,870 --> 00:39:18,360

call to anywhere in the world we mean 5

967

00:39:22,700 --> 00:39:20,880

by 5 55 feet by 5 feet just really he's

968

00:39:24,860 --> 00:39:22,710

just a I don't know how they found it

969

00:39:27,220 --> 00:39:24,870

but they did was any of this verifiable

970

00:39:29,600 --> 00:39:27,230

well there's a lot of russian research

971

00:39:31,790 --> 00:39:29,610

has been written about it and there are

972

00:39:34,300 --> 00:39:31,800

a number of researchers over there who

973

00:39:36,380 --> 00:39:34,310

go in there all the time they bring

974

00:39:39,860 --> 00:39:36,390

groups of people and then they stay for

975

00:39:43,610 --> 00:39:39,870

one or two weeks People magazine did a

976
00:39:46,040 --> 00:39:43,620
big story on early eighties and the

977
00:39:48,950 --> 00:39:46,050
either ancient aliens other UFO Hunters

978
00:39:51,800 --> 00:39:48,960
went there but the strange thing about

979
00:39:55,430 --> 00:39:51,810
this place is and we are relying on

980
00:39:58,100 --> 00:39:55,440
mostly Russian research but it just

981
00:40:01,910 --> 00:39:58,110
seems to be so much of it that it some

982
00:40:04,430 --> 00:40:01,920
of it has to be true yeah and it almost

983
00:40:06,140 --> 00:40:04,440
sounds like an almost you're talking

984
00:40:07,730 --> 00:40:06,150
really about you know interdimensional

985
00:40:09,290 --> 00:40:07,740
it almost sounds like another dimension

986
00:40:11,030 --> 00:40:09,300
right there when you hear traffic and

987
00:40:13,220 --> 00:40:11,040
people rocking right yeah that's bizarre

988
00:40:16,850 --> 00:40:13,230

Oh people have gone in there with

989

00:40:18,140 --> 00:40:16,860

diseases and come out cured the Russians

990

00:40:20,060 --> 00:40:18,150

say when you win there when you come out

991

00:40:21,910 --> 00:40:20,070

you have a new soul is how they put it

992

00:40:24,350 --> 00:40:21,920

you come out like a different person and

993

00:40:26,990 --> 00:40:24,360

you know happier and you know whatever

994

00:40:29,150 --> 00:40:27,000

but there's this one instant where and

995

00:40:31,520 --> 00:40:29,160

this is the People magazine article

996

00:40:34,220 --> 00:40:31,530

really zoomed in on this was this

997

00:40:35,210 --> 00:40:34,230

gentleman who whose name is so Russia

998

00:40:38,270 --> 00:40:35,220

and I'm not even going to try to

999

00:40:40,550 --> 00:40:38,280

pronounce it he was a he was washed out

1000

00:40:42,200 --> 00:40:40,560

of the Soviet military for medical

1001
00:40:44,120 --> 00:40:42,210
reasons he was unemployed for a while he

1002
00:40:45,800 --> 00:40:44,130
became a journalist and right around

1003
00:40:49,400 --> 00:40:45,810
this time they started letting people

1004
00:40:51,800 --> 00:40:49,410
into the M triangle he got an assignment

1005
00:40:53,090 --> 00:40:51,810
to go in as a journalist and join one of

1006
00:40:55,930 --> 00:40:53,100
these groups that stay in there for a

1007
00:40:58,520 --> 00:40:55,940
couple weeks he did this he came out

1008
00:41:02,840 --> 00:40:58,530
went back to Moscow started writing a

1009
00:41:05,350 --> 00:41:02,850
story and suddenly found himself filled

1010
00:41:08,060 --> 00:41:05,360
with knowledge of astrophysics of

1011
00:41:10,130 --> 00:41:08,070
astronomy of just plain ordinary physics

1012
00:41:13,220 --> 00:41:10,140
he had never had any training and this

1013
00:41:14,570 --> 00:41:13,230

before and within a year and a half he

1014

00:41:19,160 --> 00:41:14,580

was a cosmonaut

1015

00:41:22,700 --> 00:41:19,170

and all this you know do they have

1016

00:41:24,140 --> 00:41:22,710

one-way tickets they're open a resort

1017

00:41:26,300 --> 00:41:24,150

there yeah I know I'm surprised that

1018

00:41:28,250 --> 00:41:26,310

there isn't Disneyland there but you

1019

00:41:30,080 --> 00:41:28,260

know this this guy is actually you know

1020

00:41:32,240 --> 00:41:30,090

this is he's kind of living proof that i

1021

00:41:34,460 --> 00:41:32,250

guess that very strange things happen in

1022

00:41:36,590 --> 00:41:34,470

this place people called a little piece

1023

00:41:38,420 --> 00:41:36,600

of heaven on earth and just when you

1024

00:41:41,600 --> 00:41:38,430

read about it and see pictures of it you

1025

00:41:44,120 --> 00:41:41,610

know it looks very kind of pastoral just

1026
00:41:46,790 --> 00:41:44,130
kind of heavenly in a way you know now

1027
00:41:49,790 --> 00:41:46,800
does it occupied by someone no it's just

1028
00:41:51,740 --> 00:41:49,800
it's just a barren land as they say a

1029
00:41:53,540 --> 00:41:51,750
lot of flowers but a lot of kind of

1030
00:41:54,740 --> 00:41:53,550
meadows and valleys and nice and you

1031
00:41:56,090 --> 00:41:54,750
know rivers running through it and

1032
00:41:58,670 --> 00:41:56,100
everything no one lives there no one's

1033
00:42:00,590 --> 00:41:58,680
ever lived there why this place is like

1034
00:42:01,940 --> 00:42:00,600
that no one really knows I mean there's

1035
00:42:04,730 --> 00:42:01,950
stories that there might have been some

1036
00:42:05,750 --> 00:42:04,740
kind of a secret base there the KGB like

1037
00:42:08,540 --> 00:42:05,760
I say were the only people who are

1038
00:42:12,470 --> 00:42:08,550

allowed in there before the Soviet Union

1039

00:42:16,280 --> 00:42:12,480

fell and now the the present-day KGB is

1040

00:42:19,370 --> 00:42:16,290

club the FSB the Federal service bureau

1041

00:42:21,770 --> 00:42:19,380

I think they call it the Monday KGB

1042

00:42:24,440 --> 00:42:21,780

they're always hanging around there but

1043

00:42:26,480 --> 00:42:24,450

there is access there I would love to go

1044

00:42:28,340 --> 00:42:26,490

there just to see what what is really

1045

00:42:30,470 --> 00:42:28,350

going on road trip really yeah but

1046

00:42:33,170 --> 00:42:30,480

everyone who goes there everyone who

1047

00:42:35,480 --> 00:42:33,180

goes there seems to come out change in

1048

00:42:37,790 --> 00:42:35,490

some way and for the most part the

1049

00:42:39,620 --> 00:42:37,800

better it's just a very strange place

1050

00:42:40,910 --> 00:42:39,630

and in of all the places in the book

1051
00:42:42,680 --> 00:42:40,920
that's the one that had me on the most

1052
00:42:46,280 --> 00:42:42,690
kind of a thing i'm gonna i'm going to

1053
00:42:48,740 --> 00:42:46,290
skip to that chapter tonight yeah now

1054
00:42:50,450 --> 00:42:48,750
you talk a little bit about the well i

1055
00:42:53,600 --> 00:42:50,460
guess i could call it a myth more or

1056
00:42:56,210 --> 00:42:53,610
less the underground bases for us owes

1057
00:43:00,380 --> 00:42:56,220
do you talk about that uh-huh and that

1058
00:43:02,420 --> 00:43:00,390
means unidentified submersible object is

1059
00:43:05,570 --> 00:43:02,430
that that exactly submerged objects

1060
00:43:10,070 --> 00:43:05,580
emerged VI okay the US Navy has their

1061
00:43:12,620 --> 00:43:10,080
own area 51 it's called Autec a ute see

1062
00:43:14,570 --> 00:43:12,630
is it off Florida it's in the Bahamas it

1063
00:43:16,670 --> 00:43:14,580

isn't this one of it has two locations

1064

00:43:18,760 --> 00:43:16,680

one of them is on the eastern coast of

1065

00:43:21,830 --> 00:43:18,770

Florida and then one of them the major

1066

00:43:24,260 --> 00:43:21,840

installation is on Andros Island in the

1067

00:43:25,599 --> 00:43:24,270

Bahamas which just happens to be right

1068

00:43:27,970 --> 00:43:25,609

in the middle of the premier to try

1069

00:43:29,650 --> 00:43:27,980

so the US Navy built their secret base

1070

00:43:32,349 --> 00:43:29,660

in the middle of the Bermuda Triangle

1071

00:43:34,479 --> 00:43:32,359

which i think is you know awesome in odd

1072

00:43:36,099 --> 00:43:34,489

at the same time and what they do there

1073

00:43:38,529 --> 00:43:36,109

is what they say they do is there's a

1074

00:43:41,799 --> 00:43:38,539

right next to it is a thing called the

1075

00:43:47,079 --> 00:43:41,809

tongue of the ocean Toto and it's a deep

1076

00:43:48,999 --> 00:43:47,089

trench it goes down quite far and they

1077

00:43:51,940 --> 00:43:49,009

bring their nuclear submarines there

1078

00:43:53,829 --> 00:43:51,950

whether they've just been launched or if

1079

00:43:55,359 --> 00:43:53,839

they have new equipment put on and they

1080

00:43:57,279 --> 00:43:55,369

basically go down it's a place where

1081

00:43:59,200 --> 00:43:57,289

they can go down very very deep and

1082

00:44:01,180 --> 00:43:59,210

monitor what's going on with the

1083

00:44:03,210 --> 00:44:01,190

submarines okay and that's what they do

1084

00:44:06,720 --> 00:44:03,220

that there's no doubt about it however

1085

00:44:09,339 --> 00:44:06,730

they have billions of dollars worth of

1086

00:44:13,180 --> 00:44:09,349

monitoring equipment there for both

1087

00:44:14,739 --> 00:44:13,190

under the ocean and in the skies they

1088

00:44:17,519 --> 00:44:14,749

have radar systems there that can see

1089

00:44:21,519 --> 00:44:17,529

hundreds and hundreds of miles out in

1090

00:44:25,779 --> 00:44:21,529

hundreds of you 100 or so miles up at

1091

00:44:28,509 --> 00:44:25,789

the same time there are dozens of its

1092

00:44:31,029 --> 00:44:28,519

probably hundreds of UFO reports coming

1093

00:44:33,759 --> 00:44:31,039

from that area over the years UFO

1094

00:44:35,890 --> 00:44:33,769

reports in USO reports I mean from

1095

00:44:38,769 --> 00:44:35,900

civilians and civilian yeah right and

1096

00:44:41,259 --> 00:44:38,779

you know reported in newspapers and so

1097

00:44:43,749 --> 00:44:41,269

on and it's almost like an everyday

1098

00:44:45,700 --> 00:44:43,759

occurrence down there and people who are

1099

00:44:48,249 --> 00:44:45,710

civilian workers that Autec have

1100

00:44:51,640 --> 00:44:48,259

reported these things as well so here's

1101

00:44:54,759 --> 00:44:51,650

the question that we have in the chapter

1102

00:44:56,380 --> 00:44:54,769

is on one hand the Navy says well it's

1103

00:44:58,809 --> 00:44:56,390

just a coincidence that we built this

1104

00:45:02,410 --> 00:44:58,819

secret base in the middle of the Bermuda

1105

00:45:04,210 --> 00:45:02,420

Triangle yes we have billions of dollars

1106

00:45:06,130 --> 00:45:04,220

worth of this monitoring equipment we

1107

00:45:08,349 --> 00:45:06,140

can see things coming in the air from

1108

00:45:10,390 --> 00:45:08,359

hundreds of miles away we know what's

1109

00:45:12,640 --> 00:45:10,400

going on in the ocean hundreds of miles

1110

00:45:15,489 --> 00:45:12,650

around us but we don't know anything

1111

00:45:17,559 --> 00:45:15,499

about UFOs in u.s. oh so that either

1112

00:45:19,690 --> 00:45:17,569

tell you one or two things either all

1113

00:45:21,160 --> 00:45:19,700

this billions of millions of dollars of

1114

00:45:24,099 --> 00:45:21,170

equipment they have down there doesn't

1115

00:45:25,749 --> 00:45:24,109

work yeah are they lying yeah what do

1116

00:45:27,430 --> 00:45:25,759

you think I think they lying yeah I

1117

00:45:28,989 --> 00:45:27,440

think you know this stuff that they have

1118

00:45:32,019 --> 00:45:28,999

if they can see every inch of ocean

1119

00:45:34,690 --> 00:45:32,029

between literally dream you'da in Puerto

1120

00:45:37,210 --> 00:45:34,700

Rico yeah and if people are seeing UFOs

1121

00:45:38,779 --> 00:45:37,220

coming out of the water and we have some

1122

00:45:40,909 --> 00:45:38,789

really fantastic stories in

1123

00:45:42,409 --> 00:45:40,919

you know of things in the water and then

1124

00:45:45,380 --> 00:45:42,419

coming out of water and taking off like

1125

00:45:46,939 --> 00:45:45,390

a convention UFO if they don't know that

1126
00:45:48,709 --> 00:45:46,949
stuff is going on you know they should

1127
00:45:49,939 --> 00:45:48,719
really check for the minute check back

1128
00:45:51,349 --> 00:45:49,949
with the manufacturer of all that

1129
00:45:53,269 --> 00:45:51,359
monitoring equipment because it's not

1130
00:45:55,519 --> 00:45:53,279
working yeah it's a very interesting

1131
00:45:57,799 --> 00:45:55,529
plays a highly secret place I was able

1132
00:45:59,239 --> 00:45:57,809
to talk to someone because I know a few

1133
00:46:00,709 --> 00:45:59,249
people who work in the intelligence

1134
00:46:01,729 --> 00:46:00,719
community and I was actually able to

1135
00:46:04,669 --> 00:46:01,739
talk to someone on the phone who had

1136
00:46:07,400 --> 00:46:04,679
just been there and I attacks on Andros

1137
00:46:09,079 --> 00:46:07,410
Island and he says that it's very odd

1138
00:46:10,579 --> 00:46:09,089

because it's it's not what you think

1139

00:46:12,349 --> 00:46:10,589

it's going to be he says you dry

1140

00:46:13,909 --> 00:46:12,359

especially in this part of the Bahamas

1141

00:46:15,169 --> 00:46:13,919

someone thinks the Bahamas is what you

1142

00:46:17,419 --> 00:46:15,179

see you know in the travel be sure

1143

00:46:19,909 --> 00:46:17,429

there's a lot of it is third world he

1144

00:46:22,699 --> 00:46:19,919

says you just drive through these third

1145

00:46:24,349 --> 00:46:22,709

world villages and just poor poor poor

1146

00:46:26,509 --> 00:46:24,359

conditions and then suddenly come upon

1147

00:46:28,789 --> 00:46:26,519

this fantastic Navy base on the middle

1148

00:46:30,559 --> 00:46:28,799

of nowhere well and he says there's a

1149

00:46:31,880 --> 00:46:30,569

huge cables that go down into the water

1150

00:46:34,309 --> 00:46:31,890

there's all kinds of these satellite

1151

00:46:36,620 --> 00:46:34,319

dishes and everything and it's just a

1152

00:46:38,359 --> 00:46:36,630

very interesting place it's the Navy's

1153

00:46:40,339 --> 00:46:38,369

area 51 a lot of people like to call it

1154

00:46:42,259 --> 00:46:40,349

that and i think the Navy kind of gets a

1155

00:46:44,359 --> 00:46:42,269

free ride when it comes to UFOs because

1156

00:46:46,130 --> 00:46:44,369

any kind of UFO military connection in

1157

00:46:48,229 --> 00:46:46,140

this country always goes right it falls

1158

00:46:49,729 --> 00:46:48,239

into the lap of the Air Force yeah but

1159

00:46:51,439 --> 00:46:49,739

the Navy themselves you know they have a

1160

00:46:53,390 --> 00:46:51,449

lot of UFO files that they have not

1161

00:46:55,189 --> 00:46:53,400

released going back to World War two so

1162

00:46:56,779 --> 00:46:55,199

they kind of get a pass and again I know

1163

00:46:59,329 --> 00:46:56,789

whatever really talks about the Nami do

1164

00:47:01,069 --> 00:46:59,339

they know you know and no and no one

1165

00:47:03,799 --> 00:47:01,079

ever really kind of takes them to task

1166

00:47:05,449 --> 00:47:03,809

about it but and they should but so

1167

00:47:08,630 --> 00:47:05,459

maybe this is the beginning right here

1168

00:47:10,640 --> 00:47:08,640

okay your book and in this podcast yeah

1169

00:47:12,469 --> 00:47:10,650

perfect I think the third largest

1170

00:47:14,149 --> 00:47:12,479

listening audience we have is in

1171

00:47:17,029 --> 00:47:14,159

Australia and you do a little bit about

1172

00:47:20,269 --> 00:47:17,039

Australia can you talk about that yep aw

1173

00:47:23,089 --> 00:47:20,279

it's really has a really different breed

1174

00:47:24,829 --> 00:47:23,099

of UFOs and we stand out the chapter

1175

00:47:27,589 --> 00:47:24,839

with this talking about this place

1176
00:47:29,329 --> 00:47:27,599
called the nawab a plane and what that

1177
00:47:32,059 --> 00:47:29,339
is is it's a desert that stretches from

1178
00:47:33,709 --> 00:47:32,069
South Central Australia over to Western

1179
00:47:35,179 --> 00:47:33,719
Australia and there's a highway that

1180
00:47:37,779 --> 00:47:35,189
goes through it it's it's like about a

1181
00:47:40,459 --> 00:47:37,789
thousand miles long it's the longest

1182
00:47:42,649 --> 00:47:40,469
straightest highway in the world Wow

1183
00:47:46,459 --> 00:47:42,659
goes right through this desert so many

1184
00:47:48,199 --> 00:47:46,469
UFOs have attacked motorists on this

1185
00:47:50,929 --> 00:47:48,209
highway that they actually put up a sign

1186
00:47:52,030 --> 00:47:50,939
saying you know driving on this highway

1187
00:47:54,550 --> 00:47:52,040
may be hazardous

1188
00:47:56,980 --> 00:47:54,560

to your health because of your UFO

1189

00:47:59,080 --> 00:47:56,990

activity so what do you mean by attacked

1190

00:48:01,510 --> 00:47:59,090

well one instance that we have in the

1191

00:48:02,980 --> 00:48:01,520

book tells the story of this family who

1192

00:48:05,800 --> 00:48:02,990

would they're driving from the western

1193

00:48:08,830 --> 00:48:05,810

part of Australia and on the Nullah by

1194

00:48:10,270 --> 00:48:08,840

plane highway and a lot of people do it

1195

00:48:12,550 --> 00:48:10,280

at night because it gets brutally hot

1196

00:48:14,380 --> 00:48:12,560

during the day and they were driving

1197

00:48:17,470 --> 00:48:14,390

along was it was a mother and three of

1198

00:48:19,300 --> 00:48:17,480

her grown sons and they see a light

1199

00:48:21,970 --> 00:48:19,310

coming towards them and they just think

1200

00:48:23,050 --> 00:48:21,980

that it's a truck would say coming in

1201

00:48:24,730 --> 00:48:23,060

the other direction but then they

1202

00:48:29,080 --> 00:48:24,740

realize that it's a single light and

1203

00:48:31,330 --> 00:48:29,090

it's in their lane hmm and they swerve

1204

00:48:33,730 --> 00:48:31,340

out of the way the thing goes right over

1205

00:48:36,790 --> 00:48:33,740

the top of them they turn around they do

1206

00:48:38,830 --> 00:48:36,800

they go 180 degrees and now it's in

1207

00:48:40,240 --> 00:48:38,840

front of them again they do 180 degrees

1208

00:48:42,670 --> 00:48:40,250

again and it's in front of them again

1209

00:48:45,100 --> 00:48:42,680

and it starts chasing them so now they

1210

00:48:47,640 --> 00:48:45,110

are frantic and they're there barreling

1211

00:48:50,260 --> 00:48:47,650

down this highway going very fast and

1212

00:48:52,660 --> 00:48:50,270

they hear something land on the roof of

1213

00:48:54,490 --> 00:48:52,670

the car and one of them reached up to

1214

00:48:56,260 --> 00:48:54,500

see what was happening when they when

1215

00:48:58,210 --> 00:48:56,270

they pulled the hand back in the chi was

1216

00:49:01,360 --> 00:48:58,220

just covered with this black suit the

1217

00:49:03,640 --> 00:49:01,370

next thing they know the cost added to

1218

00:49:06,730 --> 00:49:03,650

lift up off the highway and was dropped

1219

00:49:09,010 --> 00:49:06,740

that caused I think one or two of the

1220

00:49:10,900 --> 00:49:09,020

tires to pop and makalah gets in an

1221

00:49:13,960 --> 00:49:10,910

accident and goes off the side of the

1222

00:49:17,230 --> 00:49:13,970

road now they get out and they hide and

1223

00:49:19,360 --> 00:49:17,240

they see this UFO it was a UFO going

1224

00:49:21,940 --> 00:49:19,370

kind of studying the car for a little

1225

00:49:23,950 --> 00:49:21,950

while and then they take off the the UFO

1226

00:49:25,510 --> 00:49:23,960

takes off they stayed there for a long

1227

00:49:28,030 --> 00:49:25,520

time until they finally somehow go a

1228

00:49:30,760 --> 00:49:28,040

repeated the car and made it to the next

1229

00:49:32,850 --> 00:49:30,770

town the law enforcement came out and

1230

00:49:35,590 --> 00:49:32,860

everything that these people said happen

1231

00:49:36,850 --> 00:49:35,600

the evidence looked like it happened

1232

00:49:38,680 --> 00:49:36,860

because you could see the tire tracks

1233

00:49:39,880 --> 00:49:38,690

spinning and so on and so forth you

1234

00:49:42,040 --> 00:49:39,890

could see with a car went off the road

1235

00:49:44,050 --> 00:49:42,050

what about the residue in the top of the

1236

00:49:47,350 --> 00:49:44,060

car I don't think that I think that was

1237

00:49:49,210 --> 00:49:47,360

gone that it also came with a really odd

1238

00:49:52,870 --> 00:49:49,220

smell too they said it was a very

1239

00:49:54,970 --> 00:49:52,880

disturbing smell so when the law or the

1240

00:49:57,070 --> 00:49:54,980

law enforcement people put that together

1241

00:49:59,140 --> 00:49:57,080

with in with the fact that they had been

1242

00:50:01,690 --> 00:49:59,150

so many other instances of people

1243

00:50:04,680 --> 00:50:01,700

reporting similar things that for

1244

00:50:08,339 --> 00:50:04,690

whatever reason UFOs seem to

1245

00:50:11,220 --> 00:50:08,349

attack motorists on this highway so we

1246

00:50:14,940 --> 00:50:11,230

get into that a little deeper and once

1247

00:50:16,470 --> 00:50:14,950

go to help of nick redfern and he told

1248

00:50:18,660 --> 00:50:16,480

us that what happened was back in the

1249

00:50:21,180 --> 00:50:18,670

early 50s the british needed a place to

1250

00:50:22,740 --> 00:50:21,190

start their atomic bomb testing there

1251
00:50:24,599 --> 00:50:22,750
was no place in england to do it because

1252
00:50:26,280 --> 00:50:24,609
English you know fairly crowded place

1253
00:50:28,130 --> 00:50:26,290
and so they went down to Australia and

1254
00:50:30,329 --> 00:50:28,140
they actually took land from the native

1255
00:50:32,370 --> 00:50:30,339
Aborigines took over some of their

1256
00:50:34,200 --> 00:50:32,380
sacred land instead of lighting off

1257
00:50:36,569 --> 00:50:34,210
nuclear on it it's pretty nice had a

1258
00:50:38,609 --> 00:50:36,579
great at a place called will mera and as

1259
00:50:41,240 --> 00:50:38,619
soon as that started happening UFOs

1260
00:50:44,190 --> 00:50:41,250
started showing up in in abundance in

1261
00:50:47,250 --> 00:50:44,200
all this time that this will mirror test

1262
00:50:51,870 --> 00:50:47,260
facility was open they had numerous UFO

1263
00:50:54,120 --> 00:50:51,880

incidents power going out UFOs flying

1264

00:50:57,470 --> 00:50:54,130

around where the bombs are going to go

1265

00:51:00,150 --> 00:50:57,480

off at once get a lot of documented and

1266

00:51:03,120 --> 00:51:00,160

for whatever reason this stud this whole

1267

00:51:05,160 --> 00:51:03,130

idea that UFOs in Australia ant-like we

1268

00:51:06,990 --> 00:51:05,170

think of them at least in this country

1269

00:51:08,700 --> 00:51:07,000

is being kind of benign you know kind of

1270

00:51:11,160 --> 00:51:08,710

observers you know they they never

1271

00:51:14,130 --> 00:51:11,170

really interact with us very much and

1272

00:51:15,809 --> 00:51:14,140

certainly not in this you know in a kind

1273

00:51:18,809 --> 00:51:15,819

of a negative manner but in Australia

1274

00:51:20,910 --> 00:51:18,819

they do I never knew that yeah whatever

1275

00:51:22,920 --> 00:51:20,920

reason so now we're at this place in

1276

00:51:25,050 --> 00:51:22,930

that is literally in the center of

1277

00:51:27,359 --> 00:51:25,060

Australia called pine gap and it's this

1278

00:51:29,880 --> 00:51:27,369

massive facility that the u.s. built

1279

00:51:31,980 --> 00:51:29,890

there the National Security Agency built

1280

00:51:34,230 --> 00:51:31,990

their nearly never heard of that CIA

1281

00:51:37,140 --> 00:51:34,240

runs it dead center of the continent

1282

00:51:40,800 --> 00:51:37,150

center of the country and it's a huge

1283

00:51:43,349 --> 00:51:40,810

listening post they listened in on other

1284

00:51:45,930 --> 00:51:43,359

people's satellite transmissions they

1285

00:51:48,540 --> 00:51:45,940

listened in on phone calls I mean this

1286

00:51:49,920 --> 00:51:48,550

latest controversy with the NSA where

1287

00:51:52,170 --> 00:51:49,930

they're listening and have the ability

1288

00:51:53,670 --> 00:51:52,180

to listen in on anyone they want which

1289

00:51:56,190 --> 00:51:53,680

is different from listening in on

1290

00:51:58,170 --> 00:51:56,200

everybody they can listen in on anyone

1291

00:52:00,329 --> 00:51:58,180

they want but they're not listening in

1292

00:52:02,880 --> 00:52:00,339

on all of us they have an algorithm

1293

00:52:06,300 --> 00:52:02,890

where they can go through billions of

1294

00:52:09,540 --> 00:52:06,310

phone calls in a matter of seconds and

1295

00:52:12,000 --> 00:52:09,550

they look for key words and phrases and

1296

00:52:13,890 --> 00:52:12,010

if one pops up they're going to listen

1297

00:52:15,720 --> 00:52:13,900

in on you this is one of the places that

1298

00:52:18,150 --> 00:52:15,730

they do that they also monitor space

1299

00:52:21,360 --> 00:52:18,160

flights there they monitor other kind

1300

00:52:23,100 --> 00:52:21,370

free space launches and it's just this

1301

00:52:24,750 --> 00:52:23,110

massive facility out in the middle of

1302

00:52:26,610 --> 00:52:24,760

nowhere yeah because it's you know

1303

00:52:29,400 --> 00:52:26,620

Australia's populated along the coast

1304

00:52:32,210 --> 00:52:29,410

but right the center Wow and and it has

1305

00:52:34,800 --> 00:52:32,220

you know these really fantastic UFO

1306

00:52:37,890 --> 00:52:34,810

anecdotes come from this place in fact

1307

00:52:39,330 --> 00:52:37,900

we the one we have in the book was this

1308

00:52:41,670 --> 00:52:39,340

incident that was witnessed by five

1309

00:52:43,950 --> 00:52:41,680

people who if you've ever seen the movie

1310

00:52:46,200 --> 00:52:43,960

Close Encounters of the Third Kind at

1311

00:52:47,940 --> 00:52:46,210

the end where the spaceship comes down

1312

00:52:50,220 --> 00:52:47,950

and there's interaction between the ETS

1313

00:52:52,770 --> 00:52:50,230

and the humans it's almost a rewrite of

1314

00:52:55,170 --> 00:52:52,780

that all you need is John Williams music

1315

00:52:56,460 --> 00:52:55,180

you know in the background but the

1316

00:52:59,040 --> 00:52:56,470

interesting thing was that there was a

1317

00:53:00,480 --> 00:52:59,050

prior incident with that someone

1318

00:53:03,060 --> 00:53:00,490

witnessed they came out long before the

1319

00:53:07,080 --> 00:53:03,070

movie which which is close in that

1320

00:53:08,700 --> 00:53:07,090

detail as well lots UFOs seem coming in

1321

00:53:10,590 --> 00:53:08,710

and out of the mountains there a lot of

1322

00:53:14,430 --> 00:53:10,600

people believe that in this case that

1323

00:53:16,320 --> 00:53:14,440

these UFOs are actually man-made flying

1324

00:53:18,750 --> 00:53:16,330

objects you know they seem to be in

1325

00:53:21,150 --> 00:53:18,760

concert with the people who are running

1326

00:53:23,370 --> 00:53:21,160

Pine Gap there's a very small village

1327

00:53:26,010 --> 00:53:23,380

nearby called Alice Springs when the

1328

00:53:28,470 --> 00:53:26,020

people there see UFOs all the time as

1329

00:53:30,390 --> 00:53:28,480

well the government the Australian

1330

00:53:33,210 --> 00:53:30,400

Government there was one UFO encounter

1331

00:53:34,950 --> 00:53:33,220

up there that was so vivid that the

1332

00:53:37,620 --> 00:53:34,960

australian government which apparently

1333

00:53:39,240 --> 00:53:37,630

has its own TV channel there said we're

1334

00:53:40,980 --> 00:53:39,250

going to look into this and we're going

1335

00:53:42,420 --> 00:53:40,990

to tell you exactly what happened there

1336

00:53:44,760 --> 00:53:42,430

and then they never mentioned it again

1337

00:53:47,070 --> 00:53:44,770

yeah and about in the Australian

1338

00:53:50,550 --> 00:53:47,080

military quote-unquote lost a lot of the

1339

00:53:53,100 --> 00:53:50,560

UFO FILES a few years ago so Australia

1340

00:53:55,560 --> 00:53:53,110

has a different breed of UFOs it's very

1341

00:53:56,790 --> 00:53:55,570

strange interesting though yeah we're

1342

00:53:58,560 --> 00:53:56,800

getting near the end of our time here do

1343

00:54:01,260 --> 00:53:58,570

you want to talk a little bit about many

1344

00:54:04,470 --> 00:54:01,270

of your other books well as it turned

1345

00:54:06,270 --> 00:54:04,480

out I was able to ride to area 51

1346

00:54:08,730 --> 00:54:06,280

related books almost at the same time

1347

00:54:11,400 --> 00:54:08,740

you mean another one in addition to this

1348

00:54:13,260 --> 00:54:11,410

is that is it out yes it is right yeah

1349

00:54:15,540 --> 00:54:13,270

but I have to explain a little bit I

1350

00:54:18,570 --> 00:54:15,550

when I first started writing the 80s the

1351

00:54:20,310 --> 00:54:18,580

first thing i did i had this men's

1352

00:54:22,740 --> 00:54:20,320

action-adventure series called wingman

1353

00:54:24,630 --> 00:54:22,750

it was about as any fighter pilot

1354

00:54:26,880 --> 00:54:24,640

and that's really how I kind of made my

1355

00:54:29,970 --> 00:54:26,890

bones in the writing business and we

1356

00:54:33,930 --> 00:54:29,980

sold a million copies between 1987 and

1357

00:54:36,270 --> 00:54:33,940

1999 16 original books and then I went

1358

00:54:37,590 --> 00:54:36,280

on to other things well ever since then

1359

00:54:39,030 --> 00:54:37,600

people have been writing to me and

1360

00:54:42,390 --> 00:54:39,040

emailing me and saying when you're going

1361

00:54:45,750 --> 00:54:42,400

to stop this series up again so as I was

1362

00:54:48,560 --> 00:54:45,760

finishing behind area 51 another

1363

00:54:51,060 --> 00:54:48,570

publisher got involved and wanted to

1364

00:54:52,890 --> 00:54:51,070

revive the wingman series so they said

1365

00:54:55,410 --> 00:54:52,900

well look we're going to release all the

1366

00:54:58,260 --> 00:54:55,420

original books as ebooks and then as

1367

00:55:00,510 --> 00:54:58,270

real as original paperbacks later on

1368

00:55:02,070 --> 00:55:00,520

this year but do you want to write a new

1369

00:55:04,830 --> 00:55:02,080

wing me and adventure to kind of start

1370

00:55:06,300 --> 00:55:04,840

it up again and so I said sure and they

1371

00:55:08,130 --> 00:55:06,310

said well you can just you know pick

1372

00:55:09,930 --> 00:55:08,140

whatever plot you want whatever and I

1373

00:55:12,000 --> 00:55:09,940

said well why not haven't got area 51 I

1374

00:55:15,720 --> 00:55:12,010

have all this area 51 research laying

1375

00:55:18,120 --> 00:55:15,730

around so I was able to kind of take the

1376

00:55:20,670 --> 00:55:18,130

research that I had done for beyond area

1377

00:55:24,330 --> 00:55:20,680

51 and just created this you know it's

1378

00:55:26,040 --> 00:55:24,340

it's it's wing me and is mad max in a

1379

00:55:28,110 --> 00:55:26,050

jet fighter that's how it's described

1380

00:55:30,600 --> 00:55:28,120

and he's this kind of superhero fighter

1381

00:55:32,250 --> 00:55:30,610

pilot but you know going to hear a 51

1382

00:55:34,170 --> 00:55:32,260

you know adds that kind of mystery of

1383

00:55:36,180 --> 00:55:34,180

the UFOs and everything so everything

1384

00:55:38,190 --> 00:55:36,190

all the fantastic things that I didn't

1385

00:55:40,950 --> 00:55:38,200

put in this book I managed to put in

1386

00:55:43,080 --> 00:55:40,960

this book called attack on area 51 and

1387

00:55:45,750 --> 00:55:43,090

22 dollar two-dollar download from

1388

00:55:48,000 --> 00:55:45,760

amazon com you know it's it's a lot of

1389

00:55:49,800 --> 00:55:48,010

people like it you know it's it's it's

1390

00:55:52,620 --> 00:55:49,810

kind of like a lot of fun it's not

1391

00:55:54,690 --> 00:55:52,630

really serious but it's been able to it

1392

00:55:56,430 --> 00:55:54,700

succeeded in reviving the whole we me

1393

00:55:58,200 --> 00:55:56,440

and series against oh oh great I've

1394

00:55:59,580 --> 00:55:58,210

always wanted to do for the past 15

1395

00:56:01,520 --> 00:55:59,590

years so yeah I actually saw something

1396

00:56:04,710 --> 00:56:01,530

on facebook about that you wrote on that

1397

00:56:09,600 --> 00:56:04,720

the person you met with you initially

1398

00:56:11,730 --> 00:56:09,610

talked about the spook I guess now what

1399

00:56:14,850 --> 00:56:11,740

was the second the last meeting with him

1400

00:56:17,550 --> 00:56:14,860

after all this okay well yeah there's

1401
00:56:19,740 --> 00:56:17,560
there's a person who is in area beyond

1402
00:56:21,390 --> 00:56:19,750
area 51 he a friend of mine who works

1403
00:56:24,540 --> 00:56:21,400
for the Intelligence Agency someone I've

1404
00:56:26,220 --> 00:56:24,550
known since grade school and someone

1405
00:56:28,350 --> 00:56:26,230
says he follows you around in the book

1406
00:56:31,770 --> 00:56:28,360
like Molly's ghost you know like in

1407
00:56:33,390 --> 00:56:31,780
Christmas Carol not quite but he did

1408
00:56:35,530 --> 00:56:33,400
read sections of the book as I was

1409
00:56:37,390 --> 00:56:35,540
writing them and I all I said to him was

1410
00:56:39,010 --> 00:56:37,400
and a initial meeting which is the

1411
00:56:41,710 --> 00:56:39,020
beginning of the book if you see me

1412
00:56:45,640 --> 00:56:41,720
strain too far off just let me know yeah

1413
00:56:48,580 --> 00:56:45,650

and they said fine so we meet at the end

1414

00:56:52,840 --> 00:56:48,590

of the at the end of the book to at a

1415

00:56:54,130 --> 00:56:52,850

bar in close to Boston and he brings me

1416

00:56:56,890 --> 00:56:54,140

to a place that I'm not going to

1417

00:56:58,780 --> 00:56:56,900

identify I think it's best left as the

1418

00:57:00,940 --> 00:56:58,790

punchline of the book he brings me to a

1419

00:57:02,350 --> 00:57:00,950

very surprising place in he says that

1420

00:57:05,500 --> 00:57:02,360

you know there are these secret bases

1421

00:57:08,050 --> 00:57:05,510

everywhere but if they won't if they

1422

00:57:10,300 --> 00:57:08,060

quote they want to hide something they

1423

00:57:12,550 --> 00:57:10,310

hide it in plain sight and he makes the

1424

00:57:15,640 --> 00:57:12,560

case that if you really have something

1425

00:57:17,590 --> 00:57:15,650

that's just super supa dupa secret you

1426

00:57:19,800 --> 00:57:17,600

don't hide it at area 51 or any of these

1427

00:57:21,970 --> 00:57:19,810

places you hide it in plain sight and

1428

00:57:23,380 --> 00:57:21,980

the place where we were sitting he just

1429

00:57:27,570 --> 00:57:23,390

kind of spread his arms and he says in

1430

00:57:29,740 --> 00:57:27,580

fact they could just hide it here and

1431

00:57:32,440 --> 00:57:29,750

when he said it I couldn't quite believe

1432

00:57:33,760 --> 00:57:32,450

it but you have to really buy the book

1433

00:57:36,880 --> 00:57:33,770

to see where we are but it's a very

1434

00:57:38,200 --> 00:57:36,890

surprising place well yeah that's a good

1435

00:57:40,270 --> 00:57:38,210

teaser that'll get someone to buy this

1436
