

1
00:00:08,230 --> 00:00:05,749
flying saucers are real they've seen the

2
00:00:10,629 --> 00:00:08,240
aliens buzzing our missile silos at the

3
00:00:12,629 --> 00:00:10,639
ufo phenomenon either we like it or not

4
00:00:14,870 --> 00:00:12,639
is already very much part of our reality

5
00:00:17,510 --> 00:00:14,880
it caused a compass needle to spin and

6
00:00:19,670 --> 00:00:17,520
spin and that's where the whole seed for

7
00:00:22,310 --> 00:00:19,680
the idea of underground bases at dulce

8
00:00:25,029 --> 00:00:22,320
was planted they had very large eyes and

9
00:00:27,750 --> 00:00:25,039
you know i found their stare extremely

10
00:00:29,750 --> 00:00:27,760
difficult to bear

11
00:00:31,990 --> 00:00:29,760
hello everyone and welcome to the show

12
00:00:33,590 --> 00:00:32,000
i'm martin willis your host michael lope

13
00:00:34,870 --> 00:00:33,600

will be joining us in a moment for the

14

00:00:36,870 --> 00:00:34,880

news

15

00:00:39,750 --> 00:00:36,880

well again from now on we will be

16

00:00:42,150 --> 00:00:39,760

broadcasting our shows at 8 00 pm

17

00:00:45,990 --> 00:00:42,160

eastern standard time which is minus

18

00:00:49,190 --> 00:00:46,000

five hours utc slash gmt and that's

19

00:00:51,750 --> 00:00:49,200

going to be on all one broadcast dot com

20

00:00:54,630 --> 00:00:51,760

that's with the number one shortly after

21

00:00:57,430 --> 00:00:54,640

that show we will post our podcast right

22

00:00:58,869 --> 00:00:57,440

around nine o'clock or so est i'm hoping

23

00:01:01,029 --> 00:00:58,879

to see some of the listeners in the chat

24

00:01:02,709 --> 00:01:01,039

room it was a lot of fun last week

25

00:01:04,549 --> 00:01:02,719

michael do you think you might make the

26

00:01:05,990 --> 00:01:04,559

chat room this time

27

00:01:09,270 --> 00:01:06,000

um

28

00:01:11,910 --> 00:01:09,280

i will do my best you know i i have uh i

29

00:01:13,990 --> 00:01:11,920

have kids and friday nights are you know

30

00:01:16,149 --> 00:01:14,000

kind of kids night so but i'll try my

31

00:01:18,310 --> 00:01:16,159

best oh oh you can't maybe you could

32

00:01:20,950 --> 00:01:18,320

have someone sit in for you a pitch

33

00:01:23,270 --> 00:01:20,960

hitter that could just make things up as

34

00:01:25,830 --> 00:01:23,280

as a father or in the chat room

35

00:01:28,070 --> 00:01:25,840

as a father of course uh well anyway

36

00:01:29,990 --> 00:01:28,080

after the news and before our interviews

37

00:01:33,109 --> 00:01:30,000

we're going to have a chat with peggy

38

00:01:35,830 --> 00:01:33,119

she is the admin of our very very active

39

00:01:38,950 --> 00:01:35,840

facebook page a lot to do with her

40

00:01:40,630 --> 00:01:38,960

our guest today peter maxwell slattery

41

00:01:43,190 --> 00:01:40,640

he's out of australia

42

00:01:45,510 --> 00:01:43,200

has a bit of a strong accent but a nice

43

00:01:48,950 --> 00:01:45,520

chap and we have a conversation about 20

44

00:01:50,950 --> 00:01:48,960

minutes with him i was on open minds

45

00:01:53,670 --> 00:01:50,960

last monday i was interviewed by

46

00:01:56,389 --> 00:01:53,680

alejandro rojas and

47

00:01:58,069 --> 00:01:56,399

that is on the home page of our website

48

00:02:01,030 --> 00:01:58,079

and i found out that i'm a better

49

00:02:02,550 --> 00:02:01,040

interviewer than an interviewee you know

50

00:02:04,469 --> 00:02:02,560

because i thought about all these things

51
00:02:06,149 --> 00:02:04,479
i should have said afterwards and i

52
00:02:09,109 --> 00:02:06,159
really feel for a lot of the guests that

53
00:02:10,949 --> 00:02:09,119
i interview after this so uh michael

54
00:02:13,110 --> 00:02:10,959
what's up for the news today

55
00:02:15,990 --> 00:02:13,120
uh well this week we have some space and

56
00:02:17,510 --> 00:02:16,000
science news as well as ufo stories

57
00:02:19,190 --> 00:02:17,520
first though i would like to remind

58
00:02:21,190 --> 00:02:19,200
everyone that all of our stories have

59
00:02:23,710 --> 00:02:21,200
links to full coverage on major media

60
00:02:25,910 --> 00:02:23,720
websites in our show notes at

61
00:02:27,430 --> 00:02:25,920
podcastufo.com and while you're there

62
00:02:29,430 --> 00:02:27,440
take a minute to join the forums where

63
00:02:32,070 --> 00:02:29,440

you can connect with other listeners the

64

00:02:34,150 --> 00:02:32,080

podcast ufo team and special forum

65

00:02:35,750 --> 00:02:34,160

guests such as mac maloney who will be

66

00:02:38,309 --> 00:02:35,760

interacting with everyone through a

67

00:02:40,070 --> 00:02:38,319

special guest star forum from july 20th

68

00:02:42,229 --> 00:02:40,080

through the 23rd

69

00:02:43,910 --> 00:02:42,239

and now the news for the first time

70

00:02:46,630 --> 00:02:43,920

astronomers have been able to identify

71

00:02:48,150 --> 00:02:46,640

the color of an extra solar planet

72

00:02:53,509 --> 00:02:48,160

hubble telescope scientists have

73

00:02:59,270 --> 00:02:55,830

which is about 63 light years away is

74

00:03:02,630 --> 00:02:59,280

blue however this does not indicate that

75

00:03:04,309 --> 00:03:02,640

it is an earth-like water world instead

76

00:03:06,149 --> 00:03:04,319

it is a blue gassy giant with a

77

00:03:08,309 --> 00:03:06,159

temperature of about 1000 degrees

78

00:03:10,949 --> 00:03:08,319

celsius yeah i listen to a podcast every

79

00:03:13,670 --> 00:03:10,959

week called star stuff and

80

00:03:16,470 --> 00:03:13,680

it's a very scientific uh astronomy

81

00:03:17,750 --> 00:03:16,480

podcast and i was talking about this

82

00:03:20,390 --> 00:03:17,760

and

83

00:03:22,710 --> 00:03:20,400

wow do you know that the wind is over 4

84

00:03:24,710 --> 00:03:22,720

000 miles an hour

85

00:03:26,630 --> 00:03:24,720

you know on that planet that's what they

86

00:03:29,589 --> 00:03:26,640

think it is and it's like silica like

87

00:03:31,030 --> 00:03:29,599

glass that's uh you know they think that

88

00:03:33,670 --> 00:03:31,040

is causing this

89

00:03:34,710 --> 00:03:33,680

in the atmosphere pretty amazing very

90

00:03:37,190 --> 00:03:34,720

extreme

91

00:03:39,750 --> 00:03:37,200

well so it's like living in a

92

00:03:43,190 --> 00:03:39,760

auto paint sandblaster

93

00:03:45,270 --> 00:03:43,200

basically right nice yeah nice i i still

94

00:03:47,589 --> 00:03:45,280

need i mean we've talked about this but

95

00:03:49,990 --> 00:03:47,599

i still think we need to start naming

96

00:03:52,710 --> 00:03:50,000

planets i know i mean if i lived on that

97

00:03:54,149 --> 00:03:52,720

planet i wouldn't really appreciate that

98

00:03:56,550 --> 00:03:54,159

name really you wouldn't want to be an

99

00:03:59,990 --> 00:03:56,560

hd189733b

100

00:04:02,309 --> 00:04:00,000

yeah and it doesn't flow you know it

101
00:04:04,070 --> 00:04:02,319
doesn't at all an italian astronaut on

102
00:04:06,390 --> 00:04:04,080
the international space station was

103
00:04:08,229 --> 00:04:06,400
forced to retreat back into the station

104
00:04:09,509 --> 00:04:08,239
after liquid started collecting in his

105
00:04:11,910 --> 00:04:09,519
helmet

106
00:04:14,070 --> 00:04:11,920
although luca parmitano first thought

107
00:04:15,910 --> 00:04:14,080
his drink bag was leaking the amount

108
00:04:17,990 --> 00:04:15,920
kept increasing and it soon became clear

109
00:04:20,069 --> 00:04:18,000
he could not complete the remaining five

110
00:04:21,270 --> 00:04:20,079
hours of the scheduled six-hour

111
00:04:23,590 --> 00:04:21,280
spacewalk

112
00:04:25,430 --> 00:04:23,600
engineers estimate that between a liter

113
00:04:27,110 --> 00:04:25,440

and a liter and a half of fluid from the

114

00:04:29,110 --> 00:04:27,120

suit's cooling system

115

00:04:30,950 --> 00:04:29,120

actually made its way into the helmet

116

00:04:33,189 --> 00:04:30,960

they are now working to determine if the

117

00:04:35,909 --> 00:04:33,199

failure is unique to luca parmitano's

118

00:04:37,590 --> 00:04:35,919

suit or is an indicator of a flaw in all

119

00:04:39,270 --> 00:04:37,600

of the spacesuits

120

00:04:41,430 --> 00:04:39,280

well first of all i would wonder if that

121

00:04:43,830 --> 00:04:41,440

fluid would be toxic you know something

122

00:04:45,510 --> 00:04:43,840

that would be like a cooler for the suit

123

00:04:48,310 --> 00:04:45,520

is there's not meant to be any contact

124

00:04:50,230 --> 00:04:48,320

with your skin or your your you know

125

00:04:51,990 --> 00:04:50,240

your breathing or anything like that

126
00:04:53,990 --> 00:04:52,000
second of all anything at all happens to

127
00:04:56,550 --> 00:04:54,000
me in a spacesuit when i'm up in space

128
00:04:59,110 --> 00:04:56,560
and i'm i'm i'd be panicking anyway

129
00:05:00,790 --> 00:04:59,120
never mind something happening oh yeah

130
00:05:02,870 --> 00:05:00,800
i'd be adding my own liquid to the

131
00:05:05,189 --> 00:05:02,880
mixture at that point because

132
00:05:07,189 --> 00:05:05,199
i mean think about it you're essentially

133
00:05:08,950 --> 00:05:07,199
you've got a fish bowl on your head yeah

134
00:05:11,670 --> 00:05:08,960
and someone pours a two liter of

135
00:05:13,590 --> 00:05:11,680
mountain dew into that

136
00:05:16,469 --> 00:05:13,600
or really probably like you were saying

137
00:05:19,029 --> 00:05:16,479
probably like a two liter of anti-freeze

138
00:05:21,590 --> 00:05:19,039

yeah you know into your into your helmet

139

00:05:23,590 --> 00:05:21,600

that there's no way that's uh i would

140

00:05:25,830 --> 00:05:23,600

just assume okay i'm gonna die now yeah

141

00:05:27,510 --> 00:05:25,840

absolutely i mean i'd be heading for the

142

00:05:28,710 --> 00:05:27,520

hatch instantly

143

00:05:33,110 --> 00:05:28,720

exactly

144

00:05:35,510 --> 00:05:33,120

time i mean after it started

145

00:05:37,270 --> 00:05:35,520

because it kept collecting so until it

146

00:05:39,350 --> 00:05:37,280

was getting into his eyes well those

147

00:05:41,670 --> 00:05:39,360

italians you know they built rome

148

00:05:44,070 --> 00:05:41,680

but not in space suits yeah that's true

149

00:05:46,230 --> 00:05:44,080

krqe is reporting that the roswell

150

00:05:48,230 --> 00:05:46,240

international ufo museum and research

151
00:05:50,830 --> 00:05:48,240
center has launched a new site designed

152
00:05:53,590 --> 00:05:50,840
to allow people to share their encounter

153
00:05:55,830 --> 00:05:53,600
experiences roswellsightings.com

154
00:05:57,350 --> 00:05:55,840
also offers science news and video

155
00:05:59,430 --> 00:05:57,360
sightings are actually rated on their

156
00:06:01,029 --> 00:05:59,440
credibility by an advisory board based

157
00:06:04,670 --> 00:06:01,039
on the amount of supporting evidence

158
00:06:06,790 --> 00:06:04,680
supplied we have links to the story and

159
00:06:07,830 --> 00:06:06,800
roswellsightings.com in the show notes

160
00:06:11,189 --> 00:06:07,840
did you get a chance to look at that

161
00:06:12,950 --> 00:06:11,199
martin i did and you know i think a

162
00:06:16,230 --> 00:06:12,960
board for sightings you know that's very

163
00:06:18,070 --> 00:06:16,240

similar to what francis guypan does

164

00:06:19,990 --> 00:06:18,080

they they try to review things and then

165

00:06:21,350 --> 00:06:20,000

they rate them you know it's very

166

00:06:23,189 --> 00:06:21,360

similar to that

167

00:06:25,029 --> 00:06:23,199

the site looks pretty easy to use you

168

00:06:26,469 --> 00:06:25,039

know the only i don't want to say issue

169

00:06:28,790 --> 00:06:26,479

i have but

170

00:06:31,749 --> 00:06:28,800

thoughts i have i should say is people

171

00:06:34,309 --> 00:06:31,759

think of roswell they think of the crash

172

00:06:36,309 --> 00:06:34,319

they think of you know that one incident

173

00:06:38,070 --> 00:06:36,319

and i just hope that you know they would

174

00:06:40,070 --> 00:06:38,080

take it serious enough to actually use

175

00:06:41,830 --> 00:06:40,080

it and i hope it grows because it's so

176

00:06:43,270 --> 00:06:41,840

the functionality on the website is very

177

00:06:45,430 --> 00:06:43,280

good actually

178

00:06:47,909 --> 00:06:45,440

yeah i i wish they just

179

00:06:51,189 --> 00:06:47,919

would rate the strength of the case as

180

00:06:52,070 --> 00:06:51,199

opposed to the credibility because um

181

00:06:53,270 --> 00:06:52,080

yeah

182

00:06:54,790 --> 00:06:53,280

you know

183

00:06:56,550 --> 00:06:54,800

that i think is an unfortunate turn of

184

00:06:58,870 --> 00:06:56,560

words because

185

00:07:00,070 --> 00:06:58,880

if you are just telling your story and

186

00:07:01,110 --> 00:07:00,080

you don't have photographs and you don't

187

00:07:02,550 --> 00:07:01,120

have film

188

00:07:03,909 --> 00:07:02,560

you know you're going to get a lower

189

00:07:05,749 --> 00:07:03,919

rating which

190

00:07:07,909 --> 00:07:05,759

credibility i think is

191

00:07:10,550 --> 00:07:07,919

has a potential being insulting or at

192

00:07:12,790 --> 00:07:10,560

least seeming insulting whereas strength

193

00:07:15,270 --> 00:07:12,800

is a little bit you know

194

00:07:17,990 --> 00:07:15,280

more neutral yeah they need us for an

195

00:07:20,870 --> 00:07:18,000

advisory board to advise their advisory

196

00:07:23,589 --> 00:07:20,880

board special consultants yes

197

00:07:25,189 --> 00:07:23,599

wisconsin amateur ufo researcher alan w

198

00:07:27,510 --> 00:07:25,199

smith has a new vehicle designed

199

00:07:29,830 --> 00:07:27,520

specifically to a system in his work the

200

00:07:32,150 --> 00:07:29,840

ashland county journal also has pictures

201
00:07:34,870 --> 00:07:32,160
of the vehicle which boasts a telescope

202
00:07:35,749 --> 00:07:34,880
gps and ufo research emblazoned on the

203
00:07:37,110 --> 00:07:35,759
side

204
00:07:38,629 --> 00:07:37,120
other researchers might want to check

205
00:07:40,950 --> 00:07:38,639
out his investment and get some ideas

206
00:07:43,110 --> 00:07:40,960
for their own vehicles it's a fairly

207
00:07:45,350 --> 00:07:43,120
well thought out package but not a huge

208
00:07:46,870 --> 00:07:45,360
investment if you already have a a

209
00:07:48,790 --> 00:07:46,880
research vehicle

210
00:07:50,950 --> 00:07:48,800
did you did you get a chance to see that

211
00:07:53,110 --> 00:07:50,960
i did you know but i i don't know if

212
00:07:56,150 --> 00:07:53,120
you've ever heard of douglas trumbull um

213
00:07:58,629 --> 00:07:56,160

he worked on i think

214

00:08:00,710 --> 00:07:58,639

a number of movies he's done special

215

00:08:02,629 --> 00:08:00,720

effects and obviously done very very

216

00:08:06,390 --> 00:08:02,639

well now he has a hummer have you ever

217

00:08:08,390 --> 00:08:06,400

seen that it's called ufo tag no oh my

218

00:08:10,469 --> 00:08:08,400

goodness look it up he must have and i'm

219

00:08:11,909 --> 00:08:10,479

not i'm not even exaggerating i bet he

220

00:08:13,749 --> 00:08:11,919

has over a million dollars worth of

221

00:08:14,950 --> 00:08:13,759

equipment in that thing every type of

222

00:08:17,510 --> 00:08:14,960

scientific

223

00:08:20,390 --> 00:08:17,520

piece of equipment for finding a ufo the

224

00:08:23,430 --> 00:08:20,400

top of this hummer opens up two doors

225

00:08:25,670 --> 00:08:23,440

open up and a telescope pops up and he

226

00:08:28,230 --> 00:08:25,680

sits inside with a computer system i've

227

00:08:31,110 --> 00:08:28,240

tried to get him on the podcast now for

228

00:08:32,630 --> 00:08:31,120

several months and he's a very busy guy

229

00:08:34,630 --> 00:08:32,640

and i actually know someone that knows

230

00:08:37,550 --> 00:08:34,640

him a future guest is going to be on our

231

00:08:40,550 --> 00:08:37,560

show but check out his site it's

232

00:08:42,230 --> 00:08:40,560

douglastrumble.com i believe and i will

233

00:08:45,350 --> 00:08:42,240

i i'll have i will because i i just

234

00:08:48,550 --> 00:08:45,360

bought a truck so i'm looking for ideas

235

00:08:51,750 --> 00:08:48,560

you got a spare million bucks or so

236

00:08:53,829 --> 00:08:51,760

um well i only spent 800 on the truck so

237

00:08:56,790 --> 00:08:53,839

yeah

238

00:08:57,910 --> 00:08:56,800

good numbers there

239

00:08:59,910 --> 00:08:57,920

hey

240

00:09:02,389 --> 00:08:59,920

if if any of the listeners is familiar

241

00:09:03,829 --> 00:09:02,399

with the term indian car that's that's

242

00:09:05,110 --> 00:09:03,839

what i tried

243

00:09:06,070 --> 00:09:05,120

all right

244

00:09:09,910 --> 00:09:06,080

yeah

245

00:09:12,230 --> 00:09:09,920

and finally the 2013 mufon symposium is

246

00:09:15,030 --> 00:09:12,240

currently underway in las vegas speakers

247

00:09:17,110 --> 00:09:15,040

range from dr ted peters on astrobiology

248

00:09:19,350 --> 00:09:17,120

to dr stephen greer on the atacama

249

00:09:21,190 --> 00:09:19,360

humanoid martin have you heard anything

250

00:09:23,430 --> 00:09:21,200

from the symposium yet

251

00:09:25,430 --> 00:09:23,440

yeah you know i keep you know i i on

252

00:09:27,190 --> 00:09:25,440

their mailing list of course but um you

253

00:09:28,790 --> 00:09:27,200

know i keep getting a few emails here

254

00:09:31,190 --> 00:09:28,800

and there am i going you know blah blah

255

00:09:33,910 --> 00:09:31,200

blah uh i just got a question are you

256

00:09:37,190 --> 00:09:33,920

baiting me with uh dr steven greer in

257

00:09:38,949 --> 00:09:37,200

the atacama humanoid he's he is actually

258

00:09:40,790 --> 00:09:38,959

in the lineup which is actually what i

259

00:09:42,310 --> 00:09:40,800

was going to ask you next

260

00:09:44,150 --> 00:09:42,320

have you looked over the lineup and what

261

00:09:46,550 --> 00:09:44,160

did you think about it i mean there was

262

00:09:49,350 --> 00:09:46,560

uh paula harris stephen greer

263

00:09:51,030 --> 00:09:49,360

you know dr peters a few others

264

00:09:53,269 --> 00:09:51,040

yeah you know i haven't really i've had

265

00:09:56,070 --> 00:09:53,279

a couple of people email me about the

266

00:09:57,590 --> 00:09:56,080

lineup uh you know i haven't really gone

267

00:09:59,430 --> 00:09:57,600

through it you know i know i'm not gonna

268

00:10:02,150 --> 00:09:59,440

make it there and there's supposed to be

269

00:10:04,710 --> 00:10:02,160

some type of major thing revealed there

270

00:10:07,509 --> 00:10:04,720

have you read anything about that that's

271

00:10:09,829 --> 00:10:07,519

i have i have heard of whispers of that

272

00:10:10,710 --> 00:10:09,839

but but it's been pretty vague and

273

00:10:13,269 --> 00:10:10,720

um

274

00:10:15,990 --> 00:10:13,279

i'm hoping personally

275

00:10:18,470 --> 00:10:16,000

that it is the unveiling of dr grier's

276
00:10:19,430 --> 00:10:18,480
ventriloquist act with the atacama human

277
00:10:21,190 --> 00:10:19,440
height

278
00:10:23,750 --> 00:10:21,200
that would be great

279
00:10:25,670 --> 00:10:23,760
i i'm gonna get the dvd to that i just

280
00:10:28,550 --> 00:10:25,680
flew in from alpha centauri and boy are

281
00:10:30,630 --> 00:10:28,560
my arms tired

282
00:10:31,750 --> 00:10:30,640
you know what i think i heard i think i

283
00:10:33,350 --> 00:10:31,760
heard that they were going to be

284
00:10:34,870 --> 00:10:33,360
bringing in

285
00:10:37,509 --> 00:10:34,880
some other little

286
00:10:39,590 --> 00:10:37,519
atacama type baby things

287
00:10:41,190 --> 00:10:39,600
you know supposedly there were other

288
00:10:43,910 --> 00:10:41,200

ones i

289

00:10:45,350 --> 00:10:43,920

i'm all for it let's let's see what uh

290

00:10:47,350 --> 00:10:45,360

comes with those although this they

291

00:10:50,069 --> 00:10:47,360

still just remind me of uh

292

00:10:52,470 --> 00:10:50,079

old carnival sideshow perhaps yeah i

293

00:10:53,590 --> 00:10:52,480

mean we could call it the atacama baby

294

00:10:55,990 --> 00:10:53,600

lineup

295

00:10:58,470 --> 00:10:56,000

right yeah at the mufon well hey that's

296

00:10:59,829 --> 00:10:58,480

it for the news right uh yes okay so

297

00:11:02,790 --> 00:10:59,839

we're gonna take a break and we're going

298

00:11:05,590 --> 00:11:02,800

to bring back peggy so please enjoy this

299

00:11:07,750 --> 00:11:05,600

music it's by a fan of the show

300

00:11:10,230 --> 00:11:07,760

he's made a lot of movie soundtracks his

301
00:11:12,630 --> 00:11:10,240
name is carrie whitehouse i believe his

302
00:11:14,710 --> 00:11:12,640
website is kerryloydwhitehouse.com

303
00:11:17,509 --> 00:11:14,720
he has an internet movie database page

304
00:11:20,000 --> 00:11:17,519
and all and we'll be right back with you

305
00:12:31,830 --> 00:11:20,010
talking to peggy

306
00:12:32,170 --> 00:12:31,840
[Music]

307
00:13:00,050 --> 00:12:32,180
[Applause]

308
00:13:54,629 --> 00:13:14,610
[Music]

309
00:13:57,189 --> 00:13:54,639
so we have peggy on the line who is the

310
00:13:59,590 --> 00:13:57,199
admin to our extremely busy facebook

311
00:14:02,870 --> 00:13:59,600
page peggy what's going on

312
00:14:04,629 --> 00:14:02,880
not a whole lot martin just uh barely up

313
00:14:07,350 --> 00:14:04,639

it's eight o'clock in the morning in las

314

00:14:09,189 --> 00:14:07,360

vegas that's right peggy i want to thank

315

00:14:11,269 --> 00:14:09,199

you peggy

316

00:14:13,189 --> 00:14:11,279

martin i believe you're you post like

317

00:14:15,910 --> 00:14:13,199

three or four postings a day

318

00:14:18,230 --> 00:14:15,920

and i i do is that too much no no it's

319

00:14:19,590 --> 00:14:18,240

awesome but uh it's funny a lot of when

320

00:14:22,710 --> 00:14:19,600

you post something that someone doesn't

321

00:14:24,150 --> 00:14:22,720

like they start yelling at martin and uh

322

00:14:26,550 --> 00:14:24,160

i like that

323

00:14:29,269 --> 00:14:26,560

you do you do because i take it

324

00:14:30,790 --> 00:14:29,279

personally it's like uh and it's silly

325

00:14:34,310 --> 00:14:30,800

to take it personally because most

326

00:14:36,710 --> 00:14:34,320

people are just very nice and the few

327

00:14:38,230 --> 00:14:36,720

that aren't you know why bother but it's

328

00:14:40,629 --> 00:14:38,240

like what

329

00:14:42,949 --> 00:14:40,639

yeah yeah some i guess you call them

330

00:14:45,189 --> 00:14:42,959

trolls some people can be a little harsh

331

00:14:46,710 --> 00:14:45,199

but for the most part they're good

332

00:14:47,990 --> 00:14:46,720

people on there you're right but it's

333

00:14:50,310 --> 00:14:48,000

funny they are

334

00:14:52,710 --> 00:14:50,320

it's funny the type of posts they re you

335

00:14:55,990 --> 00:14:52,720

and i are always talk about the reaction

336

00:14:57,350 --> 00:14:56,000

of the comments and the likes and things

337

00:15:00,069 --> 00:14:57,360

like that and the different types of

338

00:15:02,790 --> 00:15:00,079

posts and i find that pretty interesting

339

00:15:04,710 --> 00:15:02,800

it is you get to learn a lot about uh

340

00:15:06,150 --> 00:15:04,720

you know your your audience by going

341

00:15:07,750 --> 00:15:06,160

back to see what you know what their

342

00:15:10,310 --> 00:15:07,760

favorites and what's gotten the most

343

00:15:12,069 --> 00:15:10,320

hits right what what has gotten the most

344

00:15:13,910 --> 00:15:12,079

hits is that martin's having my baby

345

00:15:15,509 --> 00:15:13,920

song

346

00:15:17,269 --> 00:15:15,519

you know i don't remember that one but

347

00:15:19,509 --> 00:15:17,279

i'm sure that that would have gotten the

348

00:15:22,790 --> 00:15:19,519

most hits that was the one well that was

349

00:15:26,230 --> 00:15:22,800

one about uh my favorite my kind of my

350

00:15:29,269 --> 00:15:26,240

nemesis stephen grier they they love the

351

00:15:31,509 --> 00:15:29,279

uh ufo related cartoons

352

00:15:35,030 --> 00:15:31,519

and of course anything that

353

00:15:37,590 --> 00:15:35,040

is ufo related especially the pictures

354

00:15:40,389 --> 00:15:37,600

it was a cigar-shaped

355

00:15:42,949 --> 00:15:40,399

ufo uh that i posted it was

356

00:15:45,430 --> 00:15:42,959

you know a representation

357

00:15:48,470 --> 00:15:45,440

not an actual picture but it got a ton

358

00:15:50,629 --> 00:15:48,480

of hits i think over 5 000 wow well you

359

00:15:52,150 --> 00:15:50,639

do a good job because we have you know

360

00:15:54,710 --> 00:15:52,160

it's the page is growing every single

361

00:15:56,710 --> 00:15:54,720

day so and thanks to you

362

00:15:59,269 --> 00:15:56,720

well thank you it's a lot of fun and i'm

363

00:16:02,069 --> 00:15:59,279

happy to do it so peggy just a little

364

00:16:03,749 --> 00:16:02,079

background about you uh you

365

00:16:05,110 --> 00:16:03,759

have had an interest in you found our

366

00:16:06,870 --> 00:16:05,120

show what about a year ago something

367

00:16:08,870 --> 00:16:06,880

like that it was i was trying to

368

00:16:11,749 --> 00:16:08,880

remember how long ago when did you start

369

00:16:14,069 --> 00:16:11,759

doing this uh almost a couple years now

370

00:16:16,310 --> 00:16:14,079

but i thought it was not too long after

371

00:16:19,110 --> 00:16:16,320

now you started right out by scolding me

372

00:16:20,790 --> 00:16:19,120

and um and i didn't

373

00:16:23,350 --> 00:16:20,800

and i like that about you because you've

374

00:16:24,870 --> 00:16:23,360

really um you've kept me on the right

375

00:16:26,949 --> 00:16:24,880

track a lot of times

376

00:16:29,030 --> 00:16:26,959

and you always apologize after you yell

377

00:16:30,550 --> 00:16:29,040

at me but um you know i do appreciate it

378

00:16:31,509 --> 00:16:30,560

somehow

379

00:16:33,910 --> 00:16:31,519

well

380

00:16:36,230 --> 00:16:33,920

you know i am truthful and perhaps a

381

00:16:37,670 --> 00:16:36,240

little blunt i think i got that from my

382

00:16:41,189 --> 00:16:37,680

father remember

383

00:16:44,069 --> 00:16:41,199

uh norman there in in on golden pond oh

384

00:16:47,030 --> 00:16:44,079

yes yeah that was my father and i become

385

00:16:48,870 --> 00:16:47,040

more like him the older i get

386

00:16:50,870 --> 00:16:48,880

you're jane fonda

387

00:16:52,790 --> 00:16:50,880

yeah i wish

388

00:16:53,990 --> 00:16:52,800

let's see you do a backflip off the dock

389

00:16:55,910 --> 00:16:54,000

remember he was trying to get her to do

390

00:16:57,030 --> 00:16:55,920

that in the movie no oh honey i've

391

00:16:59,030 --> 00:16:57,040

reached that point where i don't

392

00:17:01,030 --> 00:16:59,040

remember anything i you know i did

393

00:17:03,350 --> 00:17:01,040

yesterday let alone a movie i saw 20

394

00:17:07,270 --> 00:17:03,360

years ago okay well do you remember how

395

00:17:09,110 --> 00:17:07,280

you got involved in the ufo subject

396

00:17:10,710 --> 00:17:09,120

well i

397

00:17:13,429 --> 00:17:10,720

i've always been

398

00:17:15,429 --> 00:17:13,439

um interested in it um

399

00:17:17,429 --> 00:17:15,439

you know i i don't know if you recall

400

00:17:20,789 --> 00:17:17,439

martin but i did write a blog for your

401
00:17:23,510 --> 00:17:20,799
site yes i do and in it i said that i'd

402
00:17:24,549 --> 00:17:23,520
had a um close encounter at the age of

403
00:17:25,829 --> 00:17:24,559
five

404
00:17:28,630 --> 00:17:25,839
right so

405
00:17:31,669 --> 00:17:28,640
it's kind of been um you know on my mind

406
00:17:33,110 --> 00:17:31,679
my entire life which is you know a long

407
00:17:34,470 --> 00:17:33,120
time

408
00:17:35,590 --> 00:17:34,480
sad to say

409
00:17:37,909 --> 00:17:35,600
but uh

410
00:17:41,110 --> 00:17:37,919
i had a um

411
00:17:42,789 --> 00:17:41,120
you know an encounter uh with an object

412
00:17:44,950 --> 00:17:42,799
that flew out of the woods

413
00:17:48,150 --> 00:17:44,960

toward me when we lived in Cincinnati

414

00:17:49,430 --> 00:17:48,160
and stop 25 feet from my face

415

00:17:51,750 --> 00:17:49,440
and you know when something like that

416

00:17:53,830 --> 00:17:51,760
happens to you you can

417

00:17:55,669 --> 00:17:53,840
you're never the same again you're

418

00:17:57,350 --> 00:17:55,679
always always looking and always

419

00:17:59,909 --> 00:17:57,360
thinking about it and always trying to

420

00:18:02,070 --> 00:17:59,919
figure out what it was yeah your husband

421

00:18:03,909 --> 00:18:02,080
kind of listens to the show now and then

422

00:18:05,590 --> 00:18:03,919
and you know you can you guys seem like

423

00:18:07,909 --> 00:18:05,600
you you talk a lot and he help he

424

00:18:09,270 --> 00:18:07,919
supports you in all this he does in fact

425

00:18:11,190 --> 00:18:09,280
the whole family all right the whole

426

00:18:13,110 --> 00:18:11,200

family is crazy so of course

427

00:18:15,430 --> 00:18:13,120

you know we're all into the same things

428

00:18:17,110 --> 00:18:15,440

it works for us yeah everyone in the

429

00:18:19,990 --> 00:18:17,120

family is into

430

00:18:22,870 --> 00:18:20,000

the study of ufos and everyone has

431

00:18:24,310 --> 00:18:22,880

has seen one wow i know

432

00:18:26,470 --> 00:18:24,320

that's pretty awesome it's kind of like

433

00:18:28,870 --> 00:18:26,480

the family that is crazy together stays

434

00:18:30,549 --> 00:18:28,880

together

435

00:18:31,909 --> 00:18:30,559

okay

436

00:18:32,630 --> 00:18:31,919

michael you have anything to throw at

437

00:18:33,510 --> 00:18:32,640

her

438

00:18:40,230 --> 00:18:33,520

uh

439

00:18:43,430 --> 00:18:40,240

completely doesn't pay attention to

440

00:18:45,190 --> 00:18:43,440

anything i do

441

00:18:46,710 --> 00:18:45,200

now see that i understand that because

442

00:18:48,470 --> 00:18:46,720

if it were peter i wouldn't be paying

443

00:18:53,190 --> 00:18:48,480

any attention to him

444

00:18:56,150 --> 00:18:54,710

well peggy if you're in vegas is there

445

00:18:58,310 --> 00:18:56,160

any chance you're going to the mufon

446

00:19:01,110 --> 00:18:58,320

symposium

447

00:19:03,990 --> 00:19:01,120

no chance in hell

448

00:19:07,190 --> 00:19:04,000

well tell us about that

449

00:19:09,190 --> 00:19:07,200

you know uh like i said i'm a crank and

450

00:19:11,510 --> 00:19:09,200

i have been to uh

451
00:19:14,870 --> 00:19:11,520
several symposiums

452
00:19:16,070 --> 00:19:14,880
and have found that it's just not my cup

453
00:19:18,549 --> 00:19:16,080
of tea

454
00:19:19,990 --> 00:19:18,559
and once you've been to one

455
00:19:22,150 --> 00:19:20,000
and listen to

456
00:19:24,150 --> 00:19:22,160
some of these speakers on youtube you

457
00:19:25,669 --> 00:19:24,160
don't need to pay the money to go again

458
00:19:26,470 --> 00:19:25,679
because there's nothing

459
00:19:29,909 --> 00:19:26,480
new

460
00:19:31,990 --> 00:19:29,919
to be telling you and i wouldn't walk

461
00:19:33,830 --> 00:19:32,000
across the street or pay a dime to see

462
00:19:35,669 --> 00:19:33,840
stephen greer well he's got something

463
00:19:38,630 --> 00:19:35,679

new to tell us i think he's got a baby

464

00:19:40,630 --> 00:19:38,640

atacama baby lineup well you'd have to

465

00:19:41,430 --> 00:19:40,640

bleep anything i'd have to say about

466

00:19:44,150 --> 00:19:41,440

that

467

00:19:45,909 --> 00:19:44,160

yeah oh i want to add a comma humanoid

468

00:19:48,710 --> 00:19:45,919

action figure now

469

00:19:51,510 --> 00:19:48,720

yeah you know what maybe

470

00:19:54,310 --> 00:19:52,789

they'll be in the happy meals at

471

00:19:55,909 --> 00:19:54,320

mcdonald's pretty soon

472

00:19:57,510 --> 00:19:55,919

i'm sorry you know he started out with

473

00:19:59,590 --> 00:19:57,520

such promise

474

00:20:01,270 --> 00:19:59,600

and just to see him self-destruct but i

475

00:20:03,350 --> 00:20:01,280

see that happening with a lot of these

476

00:20:04,549 --> 00:20:03,360

people in the in the field

477

00:20:08,390 --> 00:20:04,559

yeah

478

00:20:09,909 --> 00:20:08,400

exactly they get burnt out or they just

479

00:20:14,310 --> 00:20:09,919

realize nothing's going to change or

480

00:20:15,909 --> 00:20:14,320

what i think that they they start out um

481

00:20:18,310 --> 00:20:15,919

with good intentions i think greer

482

00:20:20,390 --> 00:20:18,320

started out with good intentions and i i

483

00:20:22,390 --> 00:20:20,400

think but i think

484

00:20:24,549 --> 00:20:22,400

they get um

485

00:20:25,830 --> 00:20:24,559

this little bit of fame that's you know

486

00:20:27,750 --> 00:20:25,840

within this

487

00:20:29,350 --> 00:20:27,760

this field you know they get their

488

00:20:30,950 --> 00:20:29,360

followers they're they're they're

489

00:20:33,669 --> 00:20:30,960

groupies they're

490

00:20:35,110 --> 00:20:33,679

almost become like cult figures and

491

00:20:36,789 --> 00:20:35,120

people just

492

00:20:39,190 --> 00:20:36,799

i think goes through their head

493

00:20:40,549 --> 00:20:39,200

those that make their total living off

494

00:20:42,789 --> 00:20:40,559

this field

495

00:20:45,669 --> 00:20:42,799

they have to broaden their scope to

496

00:20:47,350 --> 00:20:45,679

appeal to more people i think even if

497

00:20:48,470 --> 00:20:47,360

they maybe don't believe what they're

498

00:20:51,669 --> 00:20:48,480

saying

499

00:20:54,230 --> 00:20:51,679

and and talk about the field i mean i've

500

00:20:56,470 --> 00:20:54,240

always highly respected richard dolan

501
00:20:57,590 --> 00:20:56,480
and i follow him on

502
00:21:00,549 --> 00:20:57,600
facebook

503
00:21:03,909 --> 00:21:00,559
and he he'll change his his profile

504
00:21:07,590 --> 00:21:03,919
picture almost daily it's kind of odd

505
00:21:09,909 --> 00:21:07,600
but the adulation and and the um

506
00:21:11,190 --> 00:21:09,919
plattering that people over do over him

507
00:21:13,029 --> 00:21:11,200
is kind of

508
00:21:15,350 --> 00:21:13,039
kind of sad

509
00:21:17,590 --> 00:21:15,360
and so i think i think it

510
00:21:19,510 --> 00:21:17,600
you know the ones that um have that kind

511
00:21:20,470 --> 00:21:19,520
of following they get kind of twisted by

512
00:21:21,350 --> 00:21:20,480
it

513
00:21:23,990 --> 00:21:21,360

yeah

514

00:21:26,230 --> 00:21:24,000

i can you can see that in all aspects in

515

00:21:28,470 --> 00:21:26,240

in life really i think in this field

516

00:21:30,710 --> 00:21:28,480

though it's it's different because

517

00:21:32,870 --> 00:21:30,720

you this is you know we want this stuff

518

00:21:35,669 --> 00:21:32,880

taken seriously

519

00:21:38,070 --> 00:21:35,679

i think there are people too that um

520

00:21:39,430 --> 00:21:38,080

the further they go

521

00:21:41,350 --> 00:21:39,440

the more

522

00:21:45,669 --> 00:21:41,360

desperate they become

523

00:21:47,830 --> 00:21:45,679

to solve the the ufo mystery and latch

524

00:21:49,430 --> 00:21:47,840

on to some pet theory

525

00:21:51,350 --> 00:21:49,440

and just run with it

526
00:21:52,950 --> 00:21:51,360
you know because it really does seem

527
00:21:54,549 --> 00:21:52,960
like that there are there are people

528
00:21:55,510 --> 00:21:54,559
that as they go on

529
00:21:56,870 --> 00:21:55,520
uh

530
00:21:59,029 --> 00:21:56,880
all of a sudden

531
00:22:00,870 --> 00:21:59,039
they're you know you spend 30 years in

532
00:22:02,630 --> 00:22:00,880
the field and you figure out that oh

533
00:22:04,630 --> 00:22:02,640
well ufos are actually fairies and that

534
00:22:06,070 --> 00:22:04,640
explains it all like how the hell did

535
00:22:08,070 --> 00:22:06,080
that come from

536
00:22:09,590 --> 00:22:08,080
but and then that's that's that's it and

537
00:22:11,830 --> 00:22:09,600
and i think that there are a lot of

538
00:22:12,870 --> 00:22:11,840

people who get into this thinking that

539

00:22:16,310 --> 00:22:12,880

damn it they're gonna they're gonna

540

00:22:18,549 --> 00:22:16,320

knock this out and when they don't it's

541

00:22:20,149 --> 00:22:18,559

a it's a blow to them you know and they

542

00:22:22,390 --> 00:22:20,159

don't know what to do

543

00:22:24,310 --> 00:22:22,400

yeah yeah i gotta relate to that don't

544

00:22:26,630 --> 00:22:24,320

you feel kind of like it's a

545

00:22:28,950 --> 00:22:26,640

we're running out of time i mean i

546

00:22:31,190 --> 00:22:28,960

myself do because i'm i'm a lot older

547

00:22:33,669 --> 00:22:31,200

than you are michael but i i feel like

548

00:22:35,430 --> 00:22:33,679

uh a kind of a sense of desperation and

549

00:22:37,830 --> 00:22:35,440

i'm not trying to earn a life a living

550

00:22:39,990 --> 00:22:37,840

outfit either yeah you know this came up

551
00:22:42,230 --> 00:22:40,000
in the interview i just did with uh

552
00:22:44,950 --> 00:22:42,240
alejandro rojas the other day you know

553
00:22:46,549 --> 00:22:44,960
basically that people are dying off that

554
00:22:49,110 --> 00:22:46,559
was hoping to find this

555
00:22:51,270 --> 00:22:49,120
the answers in their lifetime you know

556
00:22:54,230 --> 00:22:51,280
it's it's true you know and and i don't

557
00:22:56,230 --> 00:22:54,240
have any expectations myself i'm just uh

558
00:22:59,110 --> 00:22:56,240
just along for the ride to see what we

559
00:23:01,750 --> 00:22:59,120
can find out well i mean yeah i think in

560
00:23:03,669 --> 00:23:01,760
in serious in serious quote unquote

561
00:23:06,789 --> 00:23:03,679
science um

562
00:23:08,470 --> 00:23:06,799
you can't go in expecting that you're

563
00:23:10,549 --> 00:23:08,480

going to be einstein

564

00:23:12,310 --> 00:23:10,559

and even einstein had unanswered

565

00:23:14,390 --> 00:23:12,320

questions at the end of it i mean if if

566

00:23:17,110 --> 00:23:14,400

you're if you're a doctor who got into

567

00:23:19,350 --> 00:23:17,120

you know cancer research you can't let

568

00:23:21,029 --> 00:23:19,360

your ego get the best of you if if you

569

00:23:23,430 --> 00:23:21,039

spent 50 years

570

00:23:24,549 --> 00:23:23,440

advanced the cause but didn't cure

571

00:23:26,870 --> 00:23:24,559

cancer

572

00:23:30,310 --> 00:23:26,880

oh yeah advance the cause but is there

573

00:23:31,590 --> 00:23:30,320

any advancement in this cause michael

574

00:23:34,789 --> 00:23:31,600

i don't see where there's any

575

00:23:36,390 --> 00:23:34,799

advancement over over 50 years ago i

576

00:23:38,070 --> 00:23:36,400

think i think there is

577

00:23:40,950 --> 00:23:38,080

well i mean there have been a lot of

578

00:23:43,750 --> 00:23:40,960

reports and we all but we don't have

579

00:23:44,860 --> 00:23:43,760

really a whole lot to show for it wow

580

00:23:49,029 --> 00:23:44,870

i'm getting depressed

581

00:23:51,830 --> 00:23:49,039

[Laughter]

582

00:23:56,549 --> 00:23:51,840

i know i was going to have i sent you a

583

00:23:58,549 --> 00:23:56,559

a link to a man from harvard who stays

584

00:24:00,549 --> 00:23:58,559

adamantly

585

00:24:04,549 --> 00:24:00,559

he's an astrophysicist i think that

586

00:24:06,230 --> 00:24:04,559

there is no life in this universe other

587

00:24:08,070 --> 00:24:06,240

than ours

588

00:24:10,230 --> 00:24:08,080

and i i thought it might be kind of

589

00:24:11,830 --> 00:24:10,240

interesting to interview him

590

00:24:13,510 --> 00:24:11,840

wow i don't know why because it's so

591

00:24:15,350 --> 00:24:13,520

depressing i can hardly stand the

592

00:24:16,870 --> 00:24:15,360

thought but it would be interesting to

593

00:24:19,669 --> 00:24:16,880

hear someone

594

00:24:21,430 --> 00:24:19,679

who's that supposedly brilliant that he

595

00:24:23,990 --> 00:24:21,440

you know teaches at harvard

596

00:24:26,070 --> 00:24:24,000

i'd like to hear his reasoning i would

597

00:24:28,390 --> 00:24:26,080

too i mean that to me that sounds very

598

00:24:30,710 --> 00:24:28,400

arrogant really actually it does but i'd

599

00:24:32,630 --> 00:24:30,720

like to hear him say it yes i'll try to

600

00:24:33,990 --> 00:24:32,640

get him on well this was a lot of fun

601
00:24:36,230 --> 00:24:34,000
having the three of us on i think we

602
00:24:38,390 --> 00:24:36,240
should do this again what do you think

603
00:24:39,110 --> 00:24:38,400
i think it'd be great you gotta get it

604
00:24:41,350 --> 00:24:39,120
back

605
00:24:43,590 --> 00:24:41,360
yeah let me know ahead of time so i can

606
00:24:45,269 --> 00:24:43,600
have my coffee yeah and you need to get

607
00:24:46,149 --> 00:24:45,279
a headset too if you want to play with

608
00:24:50,149 --> 00:24:46,159
it

609
00:24:52,789 --> 00:24:50,159
boys you got to get yourself a headset

610
00:24:55,110 --> 00:24:52,799
mike oh martin yeah let me let me just

611
00:24:57,990 --> 00:24:55,120
say one last thing um to our listeners

612
00:24:59,990 --> 00:24:58,000
if for some inexplicable reason you

613
00:25:01,669 --> 00:25:00,000

actually would want to get in on

614

00:25:04,549 --> 00:25:01,679

something like the conversation we just

615

00:25:06,070 --> 00:25:04,559

had uh join us in the chat group

616

00:25:08,230 --> 00:25:06,080

absolutely you know and and come visit

617

00:25:10,630 --> 00:25:08,240

us in the forums we we are in the forums

618

00:25:13,269 --> 00:25:10,640

and uh you know martin's always in chat

619

00:25:15,510 --> 00:25:13,279

and i try to make it as often as i can

620

00:25:17,029 --> 00:25:15,520

so and we expect peggy might even get in

621

00:25:19,350 --> 00:25:17,039

there this what do you mean always in

622

00:25:21,110 --> 00:25:19,360

chat are you always in some chat room

623

00:25:22,950 --> 00:25:21,120

sometimes no no this is during the show

624

00:25:25,350 --> 00:25:22,960

only yeah during the show during the

625

00:25:27,909 --> 00:25:25,360

show's chat he is he is always going to

626
00:25:30,870 --> 00:25:27,919
be there he signed a blood pact with the

627
00:25:33,510 --> 00:25:31,590
yeah

628
00:25:35,430 --> 00:25:33,520
sounds good i have to listen all right

629
00:25:38,070 --> 00:25:35,440
our guest coming up today is a four

630
00:25:40,390 --> 00:25:38,080
minute interview with chip flesher and

631
00:25:42,710 --> 00:25:40,400
an interview with australian peter

632
00:25:44,070 --> 00:25:42,720
maxwell slattery thanks so much guys we

633
00:25:45,430 --> 00:25:44,080
should do this again

634
00:25:49,070 --> 00:25:45,440
all right i'll talk to you next week

635
00:25:57,110 --> 00:25:54,950
[Music]

636
00:25:58,549 --> 00:25:57,120
i'm with chip flesher how you doing chip

637
00:26:01,750 --> 00:25:58,559
good thank you mark

638
00:26:04,549 --> 00:26:01,760

um we just met here at the conference

639

00:26:05,669 --> 00:26:04,559

and um you're an enthusiast you also

640

00:26:07,510 --> 00:26:05,679

have a show you want to talk a little

641

00:26:09,110 --> 00:26:07,520

bit about that yeah i've been doing a

642

00:26:11,350 --> 00:26:09,120

show of my own called the mind cemetery

643

00:26:13,590 --> 00:26:11,360

on the ufo paranormal radio network it's

644

00:26:15,350 --> 00:26:13,600

one that joe montaldo

645

00:26:17,350 --> 00:26:15,360

produces our show and is the founder of

646

00:26:19,269 --> 00:26:17,360

the network all that good stuff and he

647

00:26:21,110 --> 00:26:19,279

allows us to uh

648

00:26:23,029 --> 00:26:21,120

to pretty much do what we want every

649

00:26:25,430 --> 00:26:23,039

monday night and have a lot of other

650

00:26:27,510 --> 00:26:25,440

hosts that are very opinionated you know

651
00:26:29,029 --> 00:26:27,520
to say the least which uh

652
00:26:30,470 --> 00:26:29,039
a lot of other networks don't really

653
00:26:32,630 --> 00:26:30,480
have that you know they've got a lot of

654
00:26:34,870 --> 00:26:32,640
people that like to

655
00:26:36,789 --> 00:26:34,880
cuddle the superstars as i'd like to say

656
00:26:39,190 --> 00:26:36,799
you know instead of uh hit him in the

657
00:26:40,710 --> 00:26:39,200
mouth with some real questions and

658
00:26:42,470 --> 00:26:40,720
you know i think that's a

659
00:26:44,470 --> 00:26:42,480
that's a problem with coast to coast

660
00:26:45,269 --> 00:26:44,480
these days anymore too with george nori

661
00:26:47,269 --> 00:26:45,279
just

662
00:26:49,110 --> 00:26:47,279
a host and not an interviewer you know

663
00:26:52,789 --> 00:26:49,120

he's more like a game show host these

664

00:26:54,149 --> 00:26:52,799

days i think you know so yeah so you

665

00:26:56,549 --> 00:26:54,159

explore all different types of

666

00:26:58,390 --> 00:26:56,559

paranormal is ufos one of the your

667

00:27:01,990 --> 00:26:58,400

favorites yeah i'm

668

00:27:03,750 --> 00:27:02,000

more centered towards ufo uh and ufology

669

00:27:07,190 --> 00:27:03,760

uh i'm more into

670

00:27:09,029 --> 00:27:07,200

alien contact ease abductees whichever

671

00:27:10,470 --> 00:27:09,039

they want to quantify themselves as

672

00:27:12,149 --> 00:27:10,480

because i know that's a big discrepancy

673

00:27:14,230 --> 00:27:12,159

with a lot of them you know

674

00:27:16,149 --> 00:27:14,240

whether it's willing or not you know and

675

00:27:17,510 --> 00:27:16,159

uh and then even some of them like to

676
00:27:19,590 --> 00:27:17,520
say that they've been

677
00:27:21,269 --> 00:27:19,600
fooled into thinking that they're

678
00:27:22,950 --> 00:27:21,279
you know willing participants and

679
00:27:25,269 --> 00:27:22,960
everything like that so

680
00:27:27,269 --> 00:27:25,279
uh yeah i do more of that i do hit on

681
00:27:29,269 --> 00:27:27,279
the paranormal but not so much because i

682
00:27:30,870 --> 00:27:29,279
you know don't i think there's even less

683
00:27:32,630 --> 00:27:30,880
answers in the paranormal field than

684
00:27:35,269 --> 00:27:32,640
anything else and when it comes to

685
00:27:37,029 --> 00:27:35,279
cryptozoology well that's we're rolling

686
00:27:38,470 --> 00:27:37,039
off the rails on that one sometimes you

687
00:27:41,269 --> 00:27:38,480
know when it comes to bigfoot and

688
00:27:43,350 --> 00:27:41,279

chupacabra and uh and mothman and things

689

00:27:45,190 --> 00:27:43,360

like that i also

690

00:27:47,269 --> 00:27:45,200

would like to do some conspiracy stuff

691

00:27:48,549 --> 00:27:47,279

but i found in the

692

00:27:49,909 --> 00:27:48,559

in the course of doing the show it's

693

00:27:51,750 --> 00:27:49,919

harder to get

694

00:27:53,430 --> 00:27:51,760

conspiracy people on for some reason

695

00:27:56,070 --> 00:27:53,440

they're a little more leery about coming

696

00:27:57,990 --> 00:27:56,080

onto shows i've noticed yep yeah yeah

697

00:27:59,909 --> 00:27:58,000

now so when you say come on the show so

698

00:28:02,950 --> 00:27:59,919

you have guests on basically yeah every

699

00:28:05,029 --> 00:28:02,960

monday night nine o'clock um eastern on

700

00:28:06,870 --> 00:28:05,039

uh ufo paranormal radio network my show

701
00:28:09,590 --> 00:28:06,880
the mind cemetery we have guests on for

702
00:28:11,510 --> 00:28:09,600
two hours i've sometimes started doing

703
00:28:14,310 --> 00:28:11,520
two hours yeah it's a lot of time to

704
00:28:15,190 --> 00:28:14,320
fill yeah sometimes it can be and and

705
00:28:17,510 --> 00:28:15,200
that's

706
00:28:19,430 --> 00:28:17,520
i try to keep the mantra of it being a

707
00:28:21,430 --> 00:28:19,440
conversation and not an interrogation

708
00:28:23,990 --> 00:28:21,440
when it comes to the interview style you

709
00:28:25,909 --> 00:28:24,000
know it's uh i don't have a lot of

710
00:28:27,909 --> 00:28:25,919
scripted questions or anything like that

711
00:28:29,909 --> 00:28:27,919
you know i just let it let it flow would

712
00:28:31,830 --> 00:28:29,919
we go where we go yeah it's always

713
00:28:33,750 --> 00:28:31,840

easier like that and yeah you know more

714

00:28:35,430 --> 00:28:33,760

natural we both just listened to charles

715

00:28:37,750 --> 00:28:35,440

hall speak he's going to be a future

716

00:28:40,630 --> 00:28:37,760

guest on this podcast nice and the

717

00:28:41,990 --> 00:28:40,640

reason i didn't have him on right on

718

00:28:43,669 --> 00:28:42,000

while i'm down here is because he didn't

719

00:28:45,430 --> 00:28:43,679

have enough time

720

00:28:47,350 --> 00:28:45,440

to do a whole show with me but still

721

00:28:49,669 --> 00:28:47,360

sure um i'm looking forward to that but

722

00:28:52,149 --> 00:28:49,679

i think that was a pretty straight

723

00:28:53,830 --> 00:28:52,159

forward and honest uh account of the

724

00:28:54,950 --> 00:28:53,840

situation you hear a lot of variables

725

00:28:56,789 --> 00:28:54,960

what do you think about that it was

726

00:28:58,870 --> 00:28:56,799

pretty good yeah you know i'm a big fan

727

00:29:00,710 --> 00:28:58,880

of his account i'm a big fan of larry

728

00:29:02,470 --> 00:29:00,720

warren's account and peter robbins count

729

00:29:04,870 --> 00:29:02,480

you know left at eastgate the book they

730

00:29:06,230 --> 00:29:04,880

did i think is great i like

731

00:29:08,630 --> 00:29:06,240

sasha christie

732

00:29:10,630 --> 00:29:08,640

when she does you know and her stuff but

733

00:29:13,669 --> 00:29:10,640

you know when you start mixing in binary

734

00:29:15,110 --> 00:29:13,679

codes and people from the future it's

735

00:29:17,269 --> 00:29:15,120

you know again we're running off the

736

00:29:19,430 --> 00:29:17,279

rails i think and

737

00:29:20,789 --> 00:29:19,440

and the sad part is is

738

00:29:22,789 --> 00:29:20,799

this is one of the reasons i want to

739

00:29:24,789 --> 00:29:22,799

come here the sad part is is that like

740

00:29:26,789 --> 00:29:24,799

we were saying earlier that the people

741

00:29:28,950 --> 00:29:26,799

those guys had like had frightening

742

00:29:30,870 --> 00:29:28,960

experiences yes in their hypnosis video

743

00:29:33,830 --> 00:29:30,880

and all that kind of stuff when you see

744

00:29:35,830 --> 00:29:33,840

grown men being shook like that

745

00:29:37,430 --> 00:29:35,840

something definitely happened to them

746

00:29:39,590 --> 00:29:37,440

yeah they've definitely had their heads

747

00:29:42,789 --> 00:29:39,600

screwed with post fact

748

00:29:45,669 --> 00:29:42,799

and ever since then you know and

749

00:29:47,590 --> 00:29:45,679

you know charles told me the other night

750

00:29:49,909 --> 00:29:47,600

at the meet and greet that he actually

751
00:29:51,590 --> 00:29:49,919
found out that he himself was drugged

752
00:29:53,190 --> 00:29:51,600
yeah you know isn't that something i

753
00:29:54,470 --> 00:29:53,200
mean it's crazy yeah that's something he

754
00:29:55,750 --> 00:29:54,480
hasn't talked about a whole lot yeah i

755
00:29:57,909 --> 00:29:55,760
don't think he's talked about it much

756
00:30:00,070 --> 00:29:57,919
but the stuff he shared today about jen

757
00:30:01,669 --> 00:30:00,080
penniston and things like that i'm

758
00:30:03,590 --> 00:30:01,679
actually pretty interested to have him

759
00:30:05,269 --> 00:30:03,600
on the show so if you get into that

760
00:30:06,470 --> 00:30:05,279
definitely and that's a good good chance

761
00:30:07,990 --> 00:30:06,480
to get him on yourself so you can ask

762
00:30:09,269 --> 00:30:08,000
your own questions you know and get more

763
00:30:11,510 --> 00:30:09,279

in depth that's the best part about

764

00:30:13,750 --> 00:30:11,520

having a lot of these guests on and on

765

00:30:15,590 --> 00:30:13,760

your podcast and i think that's our cue

766

00:30:16,950 --> 00:30:15,600

here yeah that's it all right well

767

00:30:20,700 --> 00:30:16,960

thanks a lot all right no problem thanks

768

00:30:23,590 --> 00:30:20,710

for having me on mark you bet

769

00:30:26,630 --> 00:30:23,600

[Music]

770

00:30:29,350 --> 00:30:26,640

i'm on skype in australia while i'm not

771

00:30:31,190 --> 00:30:29,360

actually in australia i'm skypeing peter

772

00:30:33,350 --> 00:30:31,200

slattery in australia how you doing

773

00:30:36,789 --> 00:30:33,360

peter yeah good thanks uh you sound

774

00:30:38,230 --> 00:30:36,799

crystal clear this is our second try so

775

00:30:39,830 --> 00:30:38,240

we'll let people know it was terrible at

776

00:30:41,430 --> 00:30:39,840

first but now i'm talking to you on your

777

00:30:43,750 --> 00:30:41,440

cell phone which is quite amazing

778

00:30:46,230 --> 00:30:43,760

actually yeah yeah no i put skype on it

779

00:30:48,310 --> 00:30:46,240

the other day so it came in handy yeah

780

00:30:50,870 --> 00:30:48,320

that's great i understand you had a

781

00:30:54,070 --> 00:30:50,880

sighting back in 1995 is that what it

782

00:30:56,870 --> 00:30:54,080

was yeah that was my first sighting i

783

00:30:59,029 --> 00:30:56,880

was 12 years old at the time and i was

784

00:31:01,669 --> 00:30:59,039

living at my father's and

785

00:31:03,110 --> 00:31:01,679

i was it was a hot day in the summer i

786

00:31:04,549 --> 00:31:03,120

don't know the exact date or anything

787

00:31:05,750 --> 00:31:04,559

but i know it was early in the summer

788

00:31:09,909 --> 00:31:05,760

which is when we have our school

789

00:31:11,430 --> 00:31:09,919

holidays um that go for a few weeks and

790

00:31:13,190 --> 00:31:11,440

i thought i'd go down to the service

791

00:31:15,430 --> 00:31:13,200

station to go and get one of them slush

792

00:31:17,350 --> 00:31:15,440

puppy fingers like the slurpees oh you

793

00:31:19,909 --> 00:31:17,360

have them there too

794

00:31:22,310 --> 00:31:19,919

yeah now and i can remember back then we

795

00:31:24,070 --> 00:31:22,320

had this cool um cup thing that we got

796

00:31:25,590 --> 00:31:24,080

where the cup would change colors but um

797

00:31:27,590 --> 00:31:25,600

yeah and i was going

798

00:31:29,350 --> 00:31:27,600

down to the servo

799

00:31:31,350 --> 00:31:29,360

and the survey was a few blocks away

800

00:31:33,669 --> 00:31:31,360

from me dad's and he was near the corner

801
00:31:35,669 --> 00:31:33,679
of dick road so up the end of dick road

802
00:31:37,269 --> 00:31:35,679
was the servo and it went on to the main

803
00:31:40,310 --> 00:31:37,279
highway in australia at the time known

804
00:31:41,590 --> 00:31:40,320
as the hume highway or the hume freeway

805
00:31:45,190 --> 00:31:41,600
and

806
00:31:48,549 --> 00:31:45,200
a little bit down that road to my right

807
00:31:50,230 --> 00:31:48,559
uh probably just below 40 or probably 30

808
00:31:52,310 --> 00:31:50,240
degrees or something up

809
00:31:55,350 --> 00:31:52,320
in in the air if you look at it on an

810
00:31:57,269 --> 00:31:55,360
angle there was this huge

811
00:31:59,350 --> 00:31:57,279
this it wasn't like a normal you know

812
00:32:00,870 --> 00:31:59,360
flying disc but it was like

813
00:32:02,470 --> 00:32:00,880

on the end of your weights where you got

814

00:32:03,750 --> 00:32:02,480

the you put the weights on the on the

815

00:32:06,389 --> 00:32:03,760

bar

816

00:32:08,230 --> 00:32:06,399

if you put one of them on their side it

817

00:32:10,549 --> 00:32:08,240

was like that it was all curved there

818

00:32:12,870 --> 00:32:10,559

was sort of no protruding bits like you

819

00:32:15,029 --> 00:32:12,880

get two um bowls or plates and put them

820

00:32:16,549 --> 00:32:15,039

on you know you know connect them

821

00:32:18,870 --> 00:32:16,559

together it wasn't like that it was

822

00:32:20,549 --> 00:32:18,880

actually like a weight so it was all

823

00:32:21,750 --> 00:32:20,559

the top of it was straight the bottom of

824

00:32:25,269 --> 00:32:21,760

it was straight and it just had these

825

00:32:27,509 --> 00:32:25,279

curved edges and it was sort of this

826

00:32:29,430 --> 00:32:27,519

ah it was like a dull dark grey it

827

00:32:31,590 --> 00:32:29,440

didn't look shiny but it was sort of

828

00:32:33,110 --> 00:32:31,600

like a darker grey and it would have

829

00:32:35,430 --> 00:32:33,120

been about three times the size of a

830

00:32:37,110 --> 00:32:35,440

football field oh my goodness it was

831

00:32:38,950 --> 00:32:37,120

like i've seen a few different types of

832

00:32:41,190 --> 00:32:38,960

crafts but it wasn't like your your

833

00:32:42,950 --> 00:32:41,200

normal thing you'd see on a movie or

834

00:32:44,549 --> 00:32:42,960

or photos of and you know i was 12 years

835

00:32:45,909 --> 00:32:44,559

old at the time didn't know anything

836

00:32:48,789 --> 00:32:45,919

about this sort of thing except in

837

00:32:51,590 --> 00:32:48,799

cartoons or you know movies or whatever

838

00:32:54,230 --> 00:32:51,600

but um i noticed that and i sort of just

839

00:32:57,350 --> 00:32:54,240
stood still in all and it slowly that

840

00:32:58,950 --> 00:32:57,360
was in sort of the north northeast of

841

00:33:00,630 --> 00:32:58,960
where i was

842

00:33:02,149 --> 00:33:00,640
and it cut in front of this hill which

843

00:33:04,310 --> 00:33:02,159
is known as red light hill where i've

844

00:33:06,630 --> 00:33:04,320
actually gone up and had you know seen a

845

00:33:08,710 --> 00:33:06,640
few other things as well

846

00:33:11,029 --> 00:33:08,720
and it cut in front of the hill so it

847

00:33:12,710 --> 00:33:11,039
was it was low enough where it cut in

848

00:33:14,630 --> 00:33:12,720
front of the hill and it blocked you

849

00:33:17,750 --> 00:33:14,640
know bits of the hill out behind it and

850

00:33:19,990 --> 00:33:17,760
it just hovered west until i had a view

851

00:33:22,630 --> 00:33:20,000

from where i was um

852

00:33:23,990 --> 00:33:22,640

so just a little bit past north going

853

00:33:25,110 --> 00:33:24,000

left towards the west is where i

854

00:33:27,590 --> 00:33:25,120

couldn't see it anymore because there

855

00:33:29,430 --> 00:33:27,600

was a building and a few other things on

856

00:33:31,669 --> 00:33:29,440

the left hand side of me and i just sort

857

00:33:33,350 --> 00:33:31,679

of stood there in awe and yeah i didn't

858

00:33:36,070 --> 00:33:33,360

know what to think i didn't tell anybody

859

00:33:37,509 --> 00:33:36,080

about that till about 2004 when i had my

860

00:33:39,750 --> 00:33:37,519

second sighting

861

00:33:42,630 --> 00:33:39,760

now tell me before you move on how did

862

00:33:44,789 --> 00:33:42,640

you keep that to yourself something that

863

00:33:47,990 --> 00:33:44,799

amazing well i just thought people would

864

00:33:50,950 --> 00:33:48,000

think i was crazy um

865

00:33:53,269 --> 00:33:50,960

yeah yeah like i was a hybrid kid but

866

00:33:55,669 --> 00:33:53,279

my dad was a cop for 38 years and he was

867

00:33:57,190 --> 00:33:55,679

you know straight down the line and uh i

868

00:33:58,630 --> 00:33:57,200

just thought you know there's no use i

869

00:33:59,990 --> 00:33:58,640

was living with him at the time and i

870

00:34:01,830 --> 00:34:00,000

thought my step-brother and sister are

871

00:34:03,990 --> 00:34:01,840

going to think i'm i'm crazy and i

872

00:34:06,950 --> 00:34:04,000

didn't say anything to my brother but

873

00:34:09,190 --> 00:34:06,960

around that time years later around 2004

874

00:34:10,869 --> 00:34:09,200

when i had my second sighting and i told

875

00:34:12,950 --> 00:34:10,879

a couple of people about it because a

876
00:34:14,230 --> 00:34:12,960
friend was with me when i saw another

877
00:34:16,069 --> 00:34:14,240
craft

878
00:34:18,950 --> 00:34:16,079
my brother came out and said that he saw

879
00:34:20,310 --> 00:34:18,960
a craft the same year around the same

880
00:34:22,389 --> 00:34:20,320
time but it was a different craft of

881
00:34:23,349 --> 00:34:22,399
what he saw

882
00:34:24,950 --> 00:34:23,359
and

883
00:34:27,030 --> 00:34:24,960
um

884
00:34:28,950 --> 00:34:27,040
yeah he's seen a few things since then

885
00:34:31,270 --> 00:34:28,960
but i just

886
00:34:32,790 --> 00:34:31,280
like looking back now i didn't think

887
00:34:34,710 --> 00:34:32,800
much of it at the time but later on

888
00:34:35,909 --> 00:34:34,720

looking back i was just like that's you

889

00:34:38,470 --> 00:34:35,919

know he didn't say anything but he was

890

00:34:40,550 --> 00:34:38,480

with uh nine or ten of his mates well he

891

00:34:42,550 --> 00:34:40,560

was more closer to red light hill yeah

892

00:34:43,750 --> 00:34:42,560

and they actually after they saw me on

893

00:34:45,669 --> 00:34:43,760

tv

894

00:34:47,430 --> 00:34:45,679

last year they actually contacted him

895

00:34:49,909 --> 00:34:47,440

and said is your brother for real and

896

00:34:52,710 --> 00:34:49,919

can you remember outsidng

897

00:34:54,710 --> 00:34:52,720

and i'll sort of you know be taken aback

898

00:34:56,550 --> 00:34:54,720

by that because i was just like you know

899

00:34:58,150 --> 00:34:56,560

these people are contacting him years

900

00:35:00,950 --> 00:34:58,160

later like

901
00:35:03,510 --> 00:35:00,960
we're talking that was in 1995 and they

902
00:35:05,750 --> 00:35:03,520
contacted him you know 2012 saying this

903
00:35:07,510 --> 00:35:05,760
and i was just sort of you know this is

904
00:35:09,510 --> 00:35:07,520
weird but

905
00:35:11,990 --> 00:35:09,520
um yeah that's why i didn't really say

906
00:35:12,790 --> 00:35:12,000
anything um you know being by yourself

907
00:35:14,390 --> 00:35:12,800
too

908
00:35:15,910 --> 00:35:14,400
and but you know being known as a bit of

909
00:35:16,950 --> 00:35:15,920
a hyperactive kid you know you just

910
00:35:18,790 --> 00:35:16,960
think

911
00:35:20,710 --> 00:35:18,800
you know no one's going to believe me

912
00:35:22,390 --> 00:35:20,720
but later on

913
00:35:24,069 --> 00:35:22,400

um when a friend witnessed something

914

00:35:25,349 --> 00:35:24,079

with me it was sort of like

915

00:35:26,870 --> 00:35:25,359

yeah we went back to the house there was

916

00:35:28,470 --> 00:35:26,880

a couple of the boys there my friends

917

00:35:30,230 --> 00:35:28,480

and my brother was there and we told

918

00:35:31,270 --> 00:35:30,240

them and you know there was somebody to

919

00:35:32,710 --> 00:35:31,280

say

920

00:35:34,790 --> 00:35:32,720

what we saw

921

00:35:37,510 --> 00:35:34,800

yeah it's so much better the only thing

922

00:35:39,589 --> 00:35:37,520

i ever saw was all by myself

923

00:35:41,190 --> 00:35:39,599

so it's better when you have a witness

924

00:35:43,750 --> 00:35:41,200

you feel a little more confident i'm

925

00:35:45,990 --> 00:35:43,760

sure so let me get this straight did you

926

00:35:48,230 --> 00:35:46,000

say that earlier that you were on a

927

00:35:48,950 --> 00:35:48,240

television program and that's why people

928

00:35:51,349 --> 00:35:48,960

are

929

00:35:52,230 --> 00:35:51,359

contacting you about this yeah i was on

930

00:35:56,710 --> 00:35:52,240

um

931

00:35:58,390 --> 00:35:56,720

morning news show yes another channel

932

00:36:00,390 --> 00:35:58,400

this is a couple of channels but

933

00:36:03,750 --> 00:36:00,400

i was on that and that's a big show in

934

00:36:04,790 --> 00:36:03,760

australia oh yeah yeah but um

935

00:36:06,470 --> 00:36:04,800

it was

936

00:36:08,710 --> 00:36:06,480

weird because i was trying to get help

937

00:36:10,550 --> 00:36:08,720

and talk to people and get people to

938

00:36:13,430 --> 00:36:10,560

look at what's going on here for like

939

00:36:15,670 --> 00:36:13,440

two years and and i got responses back

940

00:36:17,750 --> 00:36:15,680

saying you know cool footage all

941

00:36:20,230 --> 00:36:17,760

you know interesting this and that but

942

00:36:20,950 --> 00:36:20,240

nobody you know came and investigated me

943

00:36:22,630 --> 00:36:20,960

or

944

00:36:24,710 --> 00:36:22,640

looked at what was happening until after

945

00:36:26,710 --> 00:36:24,720

i was on tv and then even then i really

946

00:36:28,630 --> 00:36:26,720

couldn't care by then because i you know

947

00:36:30,630 --> 00:36:28,640

i said to people i've been wanting help

948

00:36:32,630 --> 00:36:30,640

for two years and just because i'm on tv

949

00:36:35,030 --> 00:36:32,640

now now you just want to talk to me and

950

00:36:36,870 --> 00:36:35,040

you know i was just fed up with it but i

951
00:36:40,550 --> 00:36:36,880
came across some some others in the

952
00:36:43,430 --> 00:36:40,560
field that like alan ferguson the uh

953
00:36:45,270 --> 00:36:43,440
he's into it um investigating and he's

954
00:36:46,470 --> 00:36:45,280
very thorough he actually came down here

955
00:36:48,150 --> 00:36:46,480
from um

956
00:36:49,750 --> 00:36:48,160
darwin which is

957
00:36:50,950 --> 00:36:49,760
thousands of kilometers away i think

958
00:36:52,870 --> 00:36:50,960
about three

959
00:36:55,270 --> 00:36:52,880
thousand k's away and he come and visit

960
00:36:56,950 --> 00:36:55,280
me out experiences in the house and um

961
00:36:59,030 --> 00:36:56,960
kept on getting in touch and it was

962
00:37:00,790 --> 00:36:59,040
different from what he like he's seen a

963
00:37:02,950 --> 00:37:00,800

lot of crafts and

964

00:37:04,550 --> 00:37:02,960

and you know saying some things but it

965

00:37:06,150 --> 00:37:04,560

was different here because it was you

966

00:37:08,870 --> 00:37:06,160

know more of the straight high

967

00:37:10,950 --> 00:37:08,880

strangeness activity and it was weird

968

00:37:13,190 --> 00:37:10,960

how we come across each other it was it

969

00:37:15,510 --> 00:37:13,200

was on facebook and we just hit it off

970

00:37:17,349 --> 00:37:15,520

um straight away and

971

00:37:18,630 --> 00:37:17,359

there's a few other you know people that

972

00:37:20,470 --> 00:37:18,640

are sort of known in the field that i

973

00:37:22,230 --> 00:37:20,480

talked to but now you know all the

974

00:37:23,910 --> 00:37:22,240

people that want to come investigate i

975

00:37:25,109 --> 00:37:23,920

just haven't got time for because you

976
00:37:27,829 --> 00:37:25,119
know a lot of these people are the

977
00:37:30,550 --> 00:37:27,839
people i was asking for helpful i helped

978
00:37:32,310 --> 00:37:30,560
from for for a while and um it was

979
00:37:34,390 --> 00:37:32,320
frustrating because you know a lot of

980
00:37:36,390 --> 00:37:34,400
people didn't get back to me or you know

981
00:37:38,310 --> 00:37:36,400
they said interesting footage but you

982
00:37:40,470 --> 00:37:38,320
know when stuff keeps on happening it

983
00:37:43,109 --> 00:37:40,480
wasn't just a one one time you know

984
00:37:45,589 --> 00:37:43,119
video clip there's a lot of stuff that

985
00:37:47,829 --> 00:37:45,599
i've accumulated and

986
00:37:49,510 --> 00:37:47,839
i you know now it was just frustrating

987
00:37:51,430 --> 00:37:49,520
but yeah it just seemed after i was on

988
00:37:54,069 --> 00:37:51,440

tv and two years before that i was

989

00:37:55,510 --> 00:37:54,079

actually on prime news for the footage i

990

00:37:57,109 --> 00:37:55,520

got here where i've got a craft that

991

00:37:58,710 --> 00:37:57,119

sits in the air

992

00:38:01,349 --> 00:37:58,720

it's in infrared and you can see me

993

00:38:03,349 --> 00:38:01,359

point at this white light and it jumps

994

00:38:05,750 --> 00:38:03,359

off like it's sitting still and all of a

995

00:38:07,750 --> 00:38:05,760

sudden it just jumps and just flies off

996

00:38:10,390 --> 00:38:07,760

horizontally

997

00:38:11,990 --> 00:38:10,400

and um that was shown around a bit at

998

00:38:14,069 --> 00:38:12,000

the time and not you know people said

999

00:38:16,390 --> 00:38:14,079

that was interesting but nobody sort of

1000

00:38:18,670 --> 00:38:16,400

come and talk to me and that's when

1001

00:38:21,430 --> 00:38:18,680

all the activities started up in um

1002

00:38:23,030 --> 00:38:21,440

2010. yeah i'm pretty excited alan is

1003

00:38:25,109 --> 00:38:23,040

going to be on i think i was in touch

1004

00:38:26,870 --> 00:38:25,119

with him quite a while ago and he just

1005

00:38:29,430 --> 00:38:26,880

has to buy some equipment so alan

1006

00:38:31,109 --> 00:38:29,440

ferguson will be on eventually so he's

1007

00:38:34,470 --> 00:38:31,119

pretty well known throughout australia

1008

00:38:36,950 --> 00:38:34,480

is he uh he's done a lot in our northern

1009

00:38:38,710 --> 00:38:36,960

territory the top end of australia uh

1010

00:38:40,390 --> 00:38:38,720

he's been in the the paper a lot of

1011

00:38:42,710 --> 00:38:40,400

times and he's a really good thorough

1012

00:38:44,710 --> 00:38:42,720

investigator he'll go out to sites talk

1013

00:38:46,470 --> 00:38:44,720

to people look at evidence

1014

00:38:49,190 --> 00:38:46,480

he's really good with photographic

1015

00:38:50,950 --> 00:38:49,200

evidence and he's like up there i think

1016

00:38:52,950 --> 00:38:50,960

for the last he's not doing it now but

1017

00:38:55,030 --> 00:38:52,960

for like a year or more he was in the

1018

00:38:56,790 --> 00:38:55,040

paper every wednesday sort of his

1019

00:38:59,910 --> 00:38:56,800

opinion on whatever they wanted to talk

1020

00:39:02,150 --> 00:38:59,920

about but in between those times um

1021

00:39:04,630 --> 00:39:02,160

going back a couple of years i think uh

1022

00:39:07,109 --> 00:39:04,640

whenever there was sightings or anything

1023

00:39:09,030 --> 00:39:07,119

happening up there they they talked to

1024

00:39:11,349 --> 00:39:09,040

him and they actually did a pretty like

1025

00:39:13,589 --> 00:39:11,359

it was a pretty fair job of how they

1026

00:39:16,550 --> 00:39:13,599

reported it it wasn't and up there they

1027

00:39:18,230 --> 00:39:16,560

look at the the ufo situation all

1028

00:39:19,589 --> 00:39:18,240

reality totally different than the rest

1029

00:39:22,069 --> 00:39:19,599

of australia i don't know if because

1030

00:39:23,190 --> 00:39:22,079

there's more sightings up there but

1031

00:39:25,510 --> 00:39:23,200

it's

1032

00:39:27,430 --> 00:39:25,520

like the way i've seen it reported is

1033

00:39:29,750 --> 00:39:27,440

just being you know 100 times better

1034

00:39:32,950 --> 00:39:29,760

than down here like when he come here to

1035

00:39:35,430 --> 00:39:32,960

investigate me and we caught up

1036

00:39:36,870 --> 00:39:35,440

because we talked a lot on the phone um

1037

00:39:38,390 --> 00:39:36,880

every time something happened or it was

1038

00:39:40,710 --> 00:39:38,400

getting to me he's been a really good

1039

00:39:43,430 --> 00:39:40,720

support base for me because i was sort

1040

00:39:45,910 --> 00:39:43,440

of at breaking point middle of last year

1041

00:39:48,470 --> 00:39:45,920

just with after you know the experiences

1042

00:39:50,950 --> 00:39:48,480

got more and more and i got to say out

1043

00:39:53,030 --> 00:39:50,960

of the people that i've spoken to he's

1044

00:39:56,069 --> 00:39:53,040

asked me questions that nobody else has

1045

00:39:58,390 --> 00:39:56,079

that was good to me because uh it made

1046

00:40:00,470 --> 00:39:58,400

me look at my experiences differently

1047

00:40:02,790 --> 00:40:00,480

and sort of learn things that i wouldn't

1048

00:40:05,030 --> 00:40:02,800

have thought or you know learn about

1049

00:40:07,109 --> 00:40:05,040

otherwise if i hadn't spoke to him so

1050

00:40:10,630 --> 00:40:07,119

let's move on to some of the other

1051
00:40:12,950 --> 00:40:10,640
sightings that you've had yeah um around

1052
00:40:15,670 --> 00:40:12,960
2004 i was

1053
00:40:16,790 --> 00:40:15,680
i think i was on my way home from work

1054
00:40:18,470 --> 00:40:16,800
and i was

1055
00:40:20,150 --> 00:40:18,480
going to see mate and i had a friend

1056
00:40:21,430 --> 00:40:20,160
with me actually i would have gone home

1057
00:40:22,870 --> 00:40:21,440
first and then i went over there but i

1058
00:40:25,589 --> 00:40:22,880
had a friend with me when i went and saw

1059
00:40:27,109 --> 00:40:25,599
another friend and then

1060
00:40:29,349 --> 00:40:27,119
me and me mate got back in me calm we

1061
00:40:31,349 --> 00:40:29,359
drove back to my house which is like my

1062
00:40:33,430 --> 00:40:31,359
place at the time which is actually a

1063
00:40:36,870 --> 00:40:33,440

few blocks away from here

1064

00:40:40,069 --> 00:40:36,880

next to prime tv which is funny enough

1065

00:40:41,990 --> 00:40:40,079

and i was driving it was eden street i

1066

00:40:44,069 --> 00:40:42,000

was on and i was driving south and as i

1067

00:40:45,670 --> 00:40:44,079

got to the end of the road or just

1068

00:40:49,109 --> 00:40:45,680

before about

1069

00:40:51,670 --> 00:40:49,119

maybe a block away we saw this white

1070

00:40:53,030 --> 00:40:51,680

light over the suburb of roy which

1071

00:40:54,790 --> 00:40:53,040

starts at the end of that road that

1072

00:40:55,750 --> 00:40:54,800

suburb starts there

1073

00:40:57,270 --> 00:40:55,760

and

1074

00:40:59,109 --> 00:40:57,280

i would say it was about the size of a

1075

00:41:00,470 --> 00:40:59,119

two-story house it wasn't like a little

1076

00:41:02,550 --> 00:41:00,480

orb thing

1077

00:41:04,790 --> 00:41:02,560

and it was going up doing crazy

1078

00:41:07,670 --> 00:41:04,800

maneuvers going back and forth on itself

1079

00:41:09,430 --> 00:41:07,680

and doing these smooth circle maneuvers

1080

00:41:10,870 --> 00:41:09,440

going up really high and coming back

1081

00:41:13,349 --> 00:41:10,880

down low

1082

00:41:14,550 --> 00:41:13,359

over the suburb of glenroy and we pulled

1083

00:41:15,910 --> 00:41:14,560

over

1084

00:41:17,990 --> 00:41:15,920

and got out and just looked at this

1085

00:41:20,790 --> 00:41:18,000

thing and another two or three cars

1086

00:41:22,950 --> 00:41:20,800

pulled up as well and they got out and

1087

00:41:25,670 --> 00:41:22,960

buddhist in all looking at this object

1088

00:41:28,069 --> 00:41:25,680

doing crazy maneuvers and

1089

00:41:29,349 --> 00:41:28,079

uh it blinked out then after that we

1090

00:41:30,950 --> 00:41:29,359

went back to

1091

00:41:33,030 --> 00:41:30,960

my place which was

1092

00:41:34,550 --> 00:41:33,040

about two doors down from prime tv we

1093

00:41:35,750 --> 00:41:34,560

didn't even you know looking back now i

1094

00:41:38,230 --> 00:41:35,760

was like i should have just gone to the

1095

00:41:40,309 --> 00:41:38,240

tv station and got them out but i just

1096

00:41:42,390 --> 00:41:40,319

didn't think of this at the time right

1097

00:41:43,829 --> 00:41:42,400

it was me second siding and

1098

00:41:47,030 --> 00:41:43,839

i went home and there was a few of the

1099

00:41:49,030 --> 00:41:47,040

boys there me mates and um

1100

00:41:51,510 --> 00:41:49,040

you know like i couldn't shut up about

1101
00:41:54,150 --> 00:41:51,520
what i'd just seen but my mate he looked

1102
00:41:55,589 --> 00:41:54,160
like he couldn't talk about it that what

1103
00:41:57,349 --> 00:41:55,599
he saw he couldn't

1104
00:41:59,910 --> 00:41:57,359
i couldn't explain it either at the time

1105
00:42:02,230 --> 00:41:59,920
like he's it was like as if he's seen

1106
00:42:03,750 --> 00:42:02,240
something which he his mind and brain

1107
00:42:06,550 --> 00:42:03,760
had no reference for which you know it

1108
00:42:08,550 --> 00:42:06,560
didn't but how he handled saying that

1109
00:42:10,710 --> 00:42:08,560
was different to me i was hyper all

1110
00:42:12,309 --> 00:42:10,720
night and couldn't shut up about it emmy

1111
00:42:14,069 --> 00:42:12,319
mate he

1112
00:42:15,430 --> 00:42:14,079
like when my friends asked him what you

1113
00:42:17,829 --> 00:42:15,440

know what happened

1114

00:42:19,910 --> 00:42:17,839

it was like as if he was just shocked by

1115

00:42:21,589 --> 00:42:19,920

the whole thing like his persona and

1116

00:42:24,390 --> 00:42:21,599

everything he's like you know what peter

1117

00:42:26,150 --> 00:42:24,400

said we saw but he how he was speaking

1118

00:42:28,309 --> 00:42:26,160

about it was just like as if he was in

1119

00:42:30,069 --> 00:42:28,319

disbelief in the stunned and he just sat

1120

00:42:32,710 --> 00:42:30,079

there all night just tripped out from

1121

00:42:35,349 --> 00:42:32,720

the whole thing just really placid and

1122

00:42:37,510 --> 00:42:35,359

really quiet and you know i was really

1123

00:42:39,829 --> 00:42:37,520

hypoall about it so

1124

00:42:41,670 --> 00:42:39,839

we had two different you know responses

1125

00:42:42,950 --> 00:42:41,680

to to what we saw and that that's the

1126
00:42:45,510 --> 00:42:42,960
time when i found out that my brother

1127
00:42:47,510 --> 00:42:45,520
had the same sighting in 1995

1128
00:42:49,349 --> 00:42:47,520
that was the day so it was like nine

1129
00:42:50,390 --> 00:42:49,359
years later

1130
00:42:53,510 --> 00:42:50,400
that um

1131
00:42:56,790 --> 00:42:53,520
i found out about that

1132
00:42:59,030 --> 00:42:56,800
around that time i was working at a um

1133
00:43:02,309 --> 00:42:59,040
at the albury tafe which is the adult

1134
00:43:03,990 --> 00:43:02,319
education institute here um

1135
00:43:06,150 --> 00:43:04,000
and i was a cleaner as well and i

1136
00:43:07,589 --> 00:43:06,160
started to see i got told the place was

1137
00:43:09,829 --> 00:43:07,599
horned

1138
00:43:11,589 --> 00:43:09,839

and like by my boss you know he said you

1139

00:43:13,910 --> 00:43:11,599

know this place is meant to be haunted

1140

00:43:15,670 --> 00:43:13,920

you know and i was sort of blew it i

1141

00:43:17,829 --> 00:43:15,680

didn't blow it off but i hadn't seen

1142

00:43:19,589 --> 00:43:17,839

anything at the time so i didn't know

1143

00:43:20,470 --> 00:43:19,599

what to think but

1144

00:43:23,030 --> 00:43:20,480

um

1145

00:43:25,510 --> 00:43:23,040

you know sure enough i started seeing

1146

00:43:27,349 --> 00:43:25,520

paranormal activity there and there was

1147

00:43:29,510 --> 00:43:27,359

a shadow man i'd say there and there was

1148

00:43:32,069 --> 00:43:29,520

an apparition i used to see go down a

1149

00:43:33,750 --> 00:43:32,079

certain set of stairs and i used to hear

1150

00:43:35,430 --> 00:43:33,760

coughing in the toilets and after a

1151

00:43:37,190 --> 00:43:35,440

little while i asked the other people

1152

00:43:39,430 --> 00:43:37,200

working there

1153

00:43:40,950 --> 00:43:39,440

or one other person specifically because

1154

00:43:42,870 --> 00:43:40,960

it was about three four in the morning

1155

00:43:44,230 --> 00:43:42,880

i'd start work and there wasn't many

1156

00:43:45,670 --> 00:43:44,240

there was only me in the building the

1157

00:43:46,460 --> 00:43:45,680

whole time and this other bloke used to

1158

00:43:47,589 --> 00:43:46,470

just call in

1159

00:43:50,150 --> 00:43:47,599

[Music]

1160

00:43:51,910 --> 00:43:50,160

and we'll see there one time hearing

1161

00:43:54,230 --> 00:43:51,920

coughs coming from the toilet no one was

1162

00:43:56,950 --> 00:43:54,240

there it was only him and me and looking

1163

00:44:00,150 --> 00:43:56,960

at each other and i found out later on

1164

00:44:01,829 --> 00:44:00,160

we're in them set of toilets and

1165

00:44:04,069 --> 00:44:01,839

mind you there was a few sets but in

1166

00:44:05,670 --> 00:44:04,079

that specific one i found out that

1167

00:44:07,349 --> 00:44:05,680

somebody died from an asthma attack

1168

00:44:09,270 --> 00:44:07,359

there and that also somebody cracked

1169

00:44:10,550 --> 00:44:09,280

their skull running down the stairs on

1170

00:44:12,390 --> 00:44:10,560

the set of stairs i used to see an

1171

00:44:14,390 --> 00:44:12,400

apparition

1172

00:44:16,309 --> 00:44:14,400

um which sort of blew me out because i

1173

00:44:18,230 --> 00:44:16,319

didn't know where what had happened and

1174

00:44:20,309 --> 00:44:18,240

why the place was horned or why people

1175

00:44:21,829 --> 00:44:20,319

thought it was horned but once i found

1176

00:44:24,390 --> 00:44:21,839

that out i was like well that's where

1177

00:44:27,030 --> 00:44:24,400

i'm witnessing activity so around that

1178

00:44:29,910 --> 00:44:27,040

time i started you know opening up a lot

1179

00:44:33,030 --> 00:44:29,920

more to it because you know

1180

00:44:34,870 --> 00:44:33,040

second sighting and then you know seeing

1181

00:44:37,109 --> 00:44:34,880

the the shadow man and the paranormal

1182

00:44:38,069 --> 00:44:37,119

activity that i did

1183

00:44:43,430 --> 00:44:38,079

and

1184

00:44:45,589 --> 00:44:43,440

had moved to melbourne for the time went

1185

00:44:47,910 --> 00:44:45,599

to the gold coast and i was a rap artist

1186

00:44:50,790 --> 00:44:47,920

at the time just sort of you know

1187

00:44:51,670 --> 00:44:50,800

recording cds and performing and whatnot

1188

00:44:53,670 --> 00:44:51,680

and

1189

00:44:56,069 --> 00:44:53,680

like after a few years away i'd come

1190

00:44:57,829 --> 00:44:56,079

back to aubry

1191

00:45:00,710 --> 00:44:57,839

and that's when

1192

00:45:03,829 --> 00:45:00,720

it the activity got full on and that was

1193

00:45:06,550 --> 00:45:03,839

around october of 2010 but just before

1194

00:45:09,109 --> 00:45:06,560

that i actually started investigating

1195

00:45:10,710 --> 00:45:09,119

paranormal hot spots and you know i got

1196

00:45:12,390 --> 00:45:10,720

a few evp

1197

00:45:13,829 --> 00:45:12,400

and went out with a mate or two and just

1198

00:45:15,990 --> 00:45:13,839

you know investigated a few spots

1199

00:45:17,990 --> 00:45:16,000

because you know seeing that activity of

1200

00:45:19,910 --> 00:45:18,000

the paranormal activity i had a lot of

1201
00:45:21,670 --> 00:45:19,920
questions in my mind and it intrigued me

1202
00:45:24,150 --> 00:45:21,680
because of what i witnessed and i'll

1203
00:45:26,790 --> 00:45:24,160
take ufo reports on the side but then

1204
00:45:27,750 --> 00:45:26,800
all of a sudden in october yeah of 2010

1205
00:45:30,230 --> 00:45:27,760
it just

1206
00:45:32,630 --> 00:45:30,240
started to all flare up again

1207
00:45:34,230 --> 00:45:32,640
and flare up more more than what i could

1208
00:45:35,750 --> 00:45:34,240
have ever ever

1209
00:45:37,990 --> 00:45:35,760
imagined so

1210
00:45:41,349 --> 00:45:38,000
so you've had a number of sightings and

1211
00:45:42,950 --> 00:45:41,359
i i i went quickly on your website oh by

1212
00:45:47,589 --> 00:45:42,960
the way what is the address of your

1213
00:45:50,550 --> 00:45:47,599

website uh peter maxwell slattery.com

1214

00:45:54,710 --> 00:45:50,560

uh-huh okay on your website it says

1215

00:45:57,670 --> 00:45:54,720

that you've seen orbs as well yeah um oh

1216

00:45:59,589 --> 00:45:57,680

it's sort of almost a weekly thing in my

1217

00:46:01,349 --> 00:45:59,599

house now some some of them are

1218

00:46:03,270 --> 00:46:01,359

see-through balls

1219

00:46:04,630 --> 00:46:03,280

some of them are emanating a light

1220

00:46:06,790 --> 00:46:04,640

within

1221

00:46:09,270 --> 00:46:06,800

um some of them are totally

1222

00:46:12,150 --> 00:46:09,280

just a light yeah it's come with what's

1223

00:46:14,550 --> 00:46:12,160

happened i don't know why or how it

1224

00:46:16,870 --> 00:46:14,560

works but it's it's come with the

1225

00:46:18,710 --> 00:46:16,880

activity for example

1226

00:46:20,150 --> 00:46:18,720

i was meant to go and sit my brother was

1227

00:46:21,670 --> 00:46:20,160

living out of town at the time and he

1228

00:46:24,390 --> 00:46:21,680

was coming in to stay the night at my

1229

00:46:25,829 --> 00:46:24,400

mum's house and i was going to visit him

1230

00:46:28,309 --> 00:46:25,839

and it was about eight o'clock i was

1231

00:46:30,309 --> 00:46:28,319

meant to go up there at 8 30. but i

1232

00:46:31,270 --> 00:46:30,319

never got there and what had happened

1233

00:46:36,550 --> 00:46:31,280

was

1234

00:46:37,910 --> 00:46:36,560

have a cigarette at the time and go out

1235

00:46:39,030 --> 00:46:37,920

the backyard

1236

00:46:41,349 --> 00:46:39,040

and something told me to get the

1237

00:46:42,710 --> 00:46:41,359

infrared camera and just pulling it up

1238

00:46:44,309 --> 00:46:42,720

to the sky

1239

00:46:47,109 --> 00:46:44,319

leaving it on the

1240

00:46:48,309 --> 00:46:47,119

on the table out the back

1241

00:46:49,589 --> 00:46:48,319

and

1242

00:46:52,230 --> 00:46:49,599

i'm you know

1243

00:46:54,790 --> 00:46:52,240

puffing away and i look up and i saw

1244

00:46:56,550 --> 00:46:54,800

this red all just coming out of nowhere

1245

00:46:58,790 --> 00:46:56,560

fast does

1246

00:47:01,510 --> 00:46:58,800

and that's all i remember

1247

00:47:03,510 --> 00:47:01,520

well i come to you the next day inside

1248

00:47:04,630 --> 00:47:03,520

on the couch i can't i don't know what

1249

00:47:06,470 --> 00:47:04,640

happened

1250

00:47:09,270 --> 00:47:06,480

wouldn't have a clue

1251
00:47:11,430 --> 00:47:09,280
and i played the video until it went out

1252
00:47:12,550 --> 00:47:11,440
and all it was was you'd see the red oil

1253
00:47:15,190 --> 00:47:12,560
come down

1254
00:47:17,190 --> 00:47:15,200
and then the rest of the footage was

1255
00:47:18,630 --> 00:47:17,200
you know just that airy sound the white

1256
00:47:20,309 --> 00:47:18,640
noise sort of sound you're getting on a

1257
00:47:21,510 --> 00:47:20,319
video recorded when you know it's just

1258
00:47:24,950 --> 00:47:21,520
going

1259
00:47:27,109 --> 00:47:24,960
and and everything was black but what

1260
00:47:28,470 --> 00:47:27,119
what's weird i didn't realize she said

1261
00:47:30,790 --> 00:47:28,480
until after i wrote the books and

1262
00:47:33,430 --> 00:47:30,800
looking back the red all was on an

1263
00:47:34,950 --> 00:47:33,440

infrared camera and it was filmed in red

1264

00:47:37,030 --> 00:47:34,960

you don't get color on an infrared

1265

00:47:39,510 --> 00:47:37,040

camera you see the you know different

1266

00:47:41,430 --> 00:47:39,520

colors of green or it's either black or

1267

00:47:43,430 --> 00:47:41,440

white depending on you know the infrared

1268

00:47:46,230 --> 00:47:43,440

camera you've got that's right what's

1269

00:47:48,790 --> 00:47:46,240

even weirder than that is that

1270

00:47:51,190 --> 00:47:48,800

over times like i was setting up to do a

1271

00:47:52,630 --> 00:47:51,200

presentation in sydney and just before i

1272

00:47:55,510 --> 00:47:52,640

went there when i was setting up the

1273

00:47:58,790 --> 00:47:55,520

powerpoint presentation i noticed white

1274

00:48:01,030 --> 00:47:58,800

lights behind the orb high up in the sky

1275

00:48:04,150 --> 00:48:01,040

blinking in and out

1276

00:48:05,990 --> 00:48:04,160

behind the red orb high up

1277

00:48:09,030 --> 00:48:06,000

so

1278

00:48:10,390 --> 00:48:09,040

for about a year or whatnot i was just

1279

00:48:11,910 --> 00:48:10,400

concentrated on the red or because

1280

00:48:14,150 --> 00:48:11,920

that's what stood out to me because i'd

1281

00:48:16,069 --> 00:48:14,160

seen it and you know i got it on camera

1282

00:48:17,589 --> 00:48:16,079

but after replaying it and replaying it

1283

00:48:20,150 --> 00:48:17,599

and showing others you know there's

1284

00:48:22,470 --> 00:48:20,160

something there high up in the sky

1285

00:48:23,990 --> 00:48:22,480

blinking in and out into white light so

1286

00:48:25,829 --> 00:48:24,000

whether it's the craft and then orbs

1287

00:48:28,150 --> 00:48:25,839

coming out of it or what what happened

1288

00:48:29,910 --> 00:48:28,160

you know who knows but that's one

1289

00:48:31,349 --> 00:48:29,920

experience with uh

1290

00:48:33,910 --> 00:48:31,359

an orb that

1291

00:48:35,990 --> 00:48:33,920

you know to me is pretty more intriguing

1292

00:48:37,910 --> 00:48:36,000

than the others i've seen them you know

1293

00:48:40,150 --> 00:48:37,920

fly around the house i've seen them pop

1294

00:48:43,430 --> 00:48:40,160

out of it like a white portal and this

1295

00:48:45,349 --> 00:48:43,440

blue orb came out of it and it basically

1296

00:48:47,510 --> 00:48:45,359

went around all the walls the walls of

1297

00:48:48,870 --> 00:48:47,520

the house in every room and then flew

1298

00:48:50,790 --> 00:48:48,880

back in and i was actually able to get a

1299

00:48:51,990 --> 00:48:50,800

photo of it before it was going back out

1300

00:48:54,069 --> 00:48:52,000

and this is

1301

00:48:57,270 --> 00:48:54,079

you can see it on my timeline page on my

1302

00:48:59,990 --> 00:48:57,280

website it's like a fluid light

1303

00:49:02,470 --> 00:49:00,000

ball and it's like a liquid blue it

1304

00:49:05,030 --> 00:49:02,480

wasn't like other orbs that i'd seen it

1305

00:49:06,790 --> 00:49:05,040

was it's totally different from anything

1306

00:49:07,990 --> 00:49:06,800

else i'd seen

1307

00:49:09,270 --> 00:49:08,000

so

1308

00:49:12,069 --> 00:49:09,280

um

1309

00:49:14,470 --> 00:49:12,079

yeah like this there's been a lot but in

1310

00:49:17,589 --> 00:49:14,480

2010 when the activity picked up again

1311

00:49:19,109 --> 00:49:17,599

what happened was i had a friend over i

1312

00:49:21,910 --> 00:49:19,119

was at the front door

1313

00:49:23,270 --> 00:49:21,920

and we could see this white light my

1314

00:49:25,670 --> 00:49:23,280

friend and i

1315

00:49:28,230 --> 00:49:25,680

over that suburb of glenroy which isn't

1316

00:49:30,630 --> 00:49:28,240

too far from where i am now sort of

1317

00:49:32,870 --> 00:49:30,640

going back and forth but going it was

1318

00:49:35,589 --> 00:49:32,880

like as if it was going

1319

00:49:37,670 --> 00:49:35,599

east but it was sort of not going fast

1320

00:49:39,829 --> 00:49:37,680

like a plane or a helicopter it was sort

1321

00:49:41,910 --> 00:49:39,839

of going a bit then sitting still

1322

00:49:44,230 --> 00:49:41,920

sometimes going back on itself and then

1323

00:49:45,270 --> 00:49:44,240

kept on going

1324

00:49:47,270 --> 00:49:45,280

and

1325

00:49:49,109 --> 00:49:47,280

you know me mate didn't know what it was

1326

00:49:50,710 --> 00:49:49,119

and to me

1327

00:49:52,710 --> 00:49:50,720

i just i was like well that's what i've

1328

00:49:54,549 --> 00:49:52,720

seen years earlier

1329

00:49:57,030 --> 00:49:54,559

in 2004

1330

00:49:59,430 --> 00:49:57,040

but within that two-week period uh there

1331

00:50:01,910 --> 00:49:59,440

was six sightings

1332

00:50:04,630 --> 00:50:01,920

and i witnessed something five times one

1333

00:50:06,470 --> 00:50:04,640

of the times my friend witnessed it but

1334

00:50:07,910 --> 00:50:06,480

he was coming over and we'll you know

1335

00:50:09,670 --> 00:50:07,920

about the party for the night or whatnot

1336

00:50:11,270 --> 00:50:09,680

and i was in the shower and he's you

1337

00:50:13,510 --> 00:50:11,280

know randy knocked on the bathroom door

1338

00:50:15,829 --> 00:50:13,520

going it's back it's back porter because

1339

00:50:17,670 --> 00:50:15,839

me mates call me porter and i've gone

1340

00:50:20,630 --> 00:50:17,680

till the pay off and he's gone back out

1341

00:50:22,790 --> 00:50:20,640

and he said it's gone so it was six

1342

00:50:24,790 --> 00:50:22,800

sightings but i only saw it five times

1343

00:50:26,549 --> 00:50:24,800

and one of those five times is the time

1344

00:50:29,670 --> 00:50:26,559

i pointed at the craft and it shot off

1345

00:50:32,710 --> 00:50:29,680

which i told you about before

1346

00:50:35,030 --> 00:50:32,720

um after that time is when it yeah it

1347

00:50:36,950 --> 00:50:35,040

sort of kept on being a continuous scene

1348

00:50:40,390 --> 00:50:36,960

has your brother had any more sightings

1349

00:50:41,670 --> 00:50:40,400

himself uh yeah he had one

1350

00:50:42,950 --> 00:50:41,680

i can't remember

1351

00:50:45,670 --> 00:50:42,960

what

1352

00:50:47,589 --> 00:50:45,680

month it was last year but

1353

00:50:49,990 --> 00:50:47,599

um

1354

00:50:51,829 --> 00:50:50,000

yeah skipping ahead of of a lot of

1355

00:50:53,670 --> 00:50:51,839

what's happened but there's some things

1356

00:50:56,150 --> 00:50:53,680

he won't talk about and won't talk about

1357

00:50:57,750 --> 00:50:56,160

publicly and it took me a while to get

1358

00:50:59,030 --> 00:50:57,760

anything out of him

1359

00:51:01,430 --> 00:50:59,040

he just didn't want to talk and he's

1360

00:51:03,589 --> 00:51:01,440

five years older than me

1361

00:51:05,270 --> 00:51:03,599

um and it sort of paid me off a bit i

1362

00:51:08,150 --> 00:51:05,280

was happy but paid off at the same time

1363

00:51:09,829 --> 00:51:08,160

when he did tell me some things because

1364

00:51:11,670 --> 00:51:09,839

i was like i could have been talking to

1365

00:51:12,790 --> 00:51:11,680

you about this all along and you've had

1366

00:51:16,790 --> 00:51:12,800

stuff happen

1367

00:51:18,710 --> 00:51:16,800

and so it was happy but frustrating yeah

1368

00:51:20,630 --> 00:51:18,720

he sort of just sat back on the sideline

1369

00:51:22,549 --> 00:51:20,640

but he's been supportive

1370

00:51:25,670 --> 00:51:22,559

which meant a lot if you really think

1371

00:51:27,990 --> 00:51:25,680

about a large part of the population

1372

00:51:30,309 --> 00:51:28,000

never sees a single craft at all you've

1373

00:51:31,190 --> 00:51:30,319

really had a lot of experiences your

1374

00:51:33,990 --> 00:51:31,200

area

1375

00:51:36,710 --> 00:51:34,000

is what i'd consider quite a hot spot

1376

00:51:38,790 --> 00:51:36,720

yeah it could be it could be it's just i

1377

00:51:40,790 --> 00:51:38,800

don't like it lately i'm seeing a more

1378

00:51:42,630 --> 00:51:40,800

continuous thing where people are

1379

00:51:44,549 --> 00:51:42,640

reporting but going back to the the

1380

00:51:45,990 --> 00:51:44,559

years beforehand it was a lot more

1381

00:51:47,190 --> 00:51:46,000

spread out but

1382

00:51:50,230 --> 00:51:47,200

you know there's something happening

1383

00:51:53,190 --> 00:51:50,240

every now and then yeah who knows yeah

1384

00:52:29,380 --> 00:51:53,200

yeah superior thank you so much yeah oh

1385

00:55:25,670 --> 00:52:41,400

[Music]

1386

00:55:25,680 --> 00:55:52,930

so

1387

00:56:49,990 --> 00:56:04,710

[Music]

1388

00:56:50,000 --> 00:56:59,720
