1
00:00:08,230 --> 00:00:05,749
flying saucers are real they've seen the

2
00:00:10,629 --> 00:00:08,240
aliens buzzing our missile silos at the

3
00:00:12,629 --> 00:00:10,639
ufo phenomenon either we like it or not

4
00:00:14,870 --> 00:00:12,639
is already very much part of our reality

5
00:00:17,510 --> 00:00:14,880
that caused a compass needle to spin and

6
00:00:19,670 --> 00:00:17,520
spin and that's where the whole seed for

7
00:00:22,470 --> 00:00:19,680
the idea of underground bases at dulce

8
00:00:25,509 --> 00:00:22,480
was planted they had very large eyes and

9
00:00:27,750 --> 00:00:25,519
i found their stare extremely difficult

10
00:00:29,269 --> 00:00:27,760
to bear

11
00:00:31,269 --> 00:00:29,279

00:01:07,030 --> 00:01:05,040

people in ufology that's robert hastings

27

00:01:09,350 --> 00:01:07,040

we're going to be talking about ufos and

28

00:01:10,310 --> 00:01:09,360

nukes and quite a bit more it's a great

29

00:01:11,750 --> 00:01:10,320

show

30

00:01:13,510 --> 00:01:11,760

and michael what's going on with the

31

00:01:15,510 --> 00:01:13,520

news this week

32

00:01:17,749 --> 00:01:15,520

uh it is honestly a light news week

33

00:01:19,590 --> 00:01:17,759

martin um before we get into this week's

34

00:01:21,030 --> 00:01:19,600

stories though let me thank mac maloney

35

00:01:23,190 --> 00:01:21,040

for taking the time to be our most

36

00:01:25,350 --> 00:01:23,200

recent forum guest star yeah although

37

00:01:27,510 --> 00:01:25,360

the conversations with macker officially

38

00:01:29,830 --> 00:01:27,520

closed you can still view them at our

39

00:01:31,350 --> 00:01:29,840

forums at podcastufo.com

40

00:01:33,030 --> 00:01:31,360

you can also check out the show notes on

41

00:01:34,870 --> 00:01:33,040

the site which include links to the

42

00:01:36,390 --> 00:01:34,880

coverage of all our news items and of

43

00:01:38,069 --> 00:01:36,400

course you can always connect to us

44

00:01:39,910 --> 00:01:38,079

through our very busy facebook page

45

00:01:41,990 --> 00:01:39,920

which uh peggy oversees i've been

46

00:01:44,390 --> 00:01:42,000

getting a lot of emails anyway but we

47

00:01:46,310 --> 00:01:44,400

got a lot of favorable emails about the

48

00:01:49,030 --> 00:01:46,320

three of us uh when we were bantering

49

00:01:51,030 --> 00:01:49,040

last week that was kind of fun

50

00:01:53,670 --> 00:01:51,040

it was fun and you totally ambushed

51
00:01:55,510 --> 00:01:53,680
peggy by telling her the wrong day i

52
00:01:57,190 --> 00:01:55,520
didn't tell you know

53
00:01:59,109 --> 00:01:57,200
well it's a long story

54
00:02:01,670 --> 00:01:59,119
we'll just move on with the news that's

55
00:02:02,950 --> 00:02:01,680
the way i heard it yeah i'm sure uh

56
00:02:05,590 --> 00:02:02,960
starting off this week we have an

57
00:02:07,350 --> 00:02:05,600
australian sighting with video a

58
00:02:09,589 --> 00:02:07,360
queensland woman captured video of a

59
00:02:12,070 --> 00:02:09,599
strange light in the sky over bundaberg

60
00:02:13,910 --> 00:02:12,080
on the night of july 17th the sighting

61
00:02:16,150 --> 00:02:13,920
is just another in a string of recent

62
00:02:17,190 --> 00:02:16,160
sightings over australia check the link

63
00:02:19,270 --> 00:02:17,200

in our show notes to go to the

64

00:02:21,190 --> 00:02:19,280

international business times coverage

65

00:02:23,110 --> 00:02:21,200

which includes video and discussion of

66

00:02:25,030 --> 00:02:23,120

other recent sightings michael i took a

67

00:02:26,630 --> 00:02:25,040

look at that and you know

68

00:02:28,070 --> 00:02:26,640

the lights

69

00:02:30,470 --> 00:02:28,080

you know i don't know how long it was

70

00:02:32,949 --> 00:02:30,480

stationary like that but i've seen a

71

00:02:34,070 --> 00:02:32,959

very similar video to that which ended

72

00:02:37,030 --> 00:02:34,080

up being

73

00:02:38,710 --> 00:02:37,040

a landing light on a

74

00:02:40,710 --> 00:02:38,720

commercial jet

75

00:02:42,710 --> 00:02:40,720

and after a while you could start to see

76

00:02:44,309 --> 00:02:42,720

the running lights on it you know but

77

00:02:47,110 --> 00:02:44,319

first of all you saw a light that looked

78

00:02:49,190 --> 00:02:47,120

just like that has anyone come forward

79

00:02:51,509 --> 00:02:49,200

on that that you're aware of uh not that

80

00:02:53,670 --> 00:02:51,519

i have found but i do know we have a lot

81

00:02:55,830 --> 00:02:53,680

of australian listeners who can probably

82

00:02:57,589 --> 00:02:55,840

help us out with that yeah and i put the

83

00:02:59,350 --> 00:02:57,599

video itself right in our show notes so

84

00:03:01,830 --> 00:02:59,360

you can watch it there remembering the

85

00:03:03,589 --> 00:03:01,840

pascagoula incident the website of the

86

00:03:06,470 --> 00:03:03,599

sun herald newspaper which covers the

87

00:03:09,350 --> 00:03:06,480

biloxi mississippi area recently ran a

88

00:03:11,270 --> 00:03:09,360

short remembrance of the 1973 pascagoula

89

00:03:13,350 --> 00:03:11,280

incident the article only covers the

90

00:03:15,110 --> 00:03:13,360

basics of the story told by charles

91

00:03:16,390 --> 00:03:15,120

hickson and calvin parker who claimed to

92

00:03:18,710 --> 00:03:16,400

have been taken aboard an alien

93

00:03:19,910 --> 00:03:18,720

spacecraft the story also mentions

94

00:03:22,550 --> 00:03:19,920

recent sightings in the area and

95

00:03:24,390 --> 00:03:22,560

discusses how local police now approach

96

00:03:26,229 --> 00:03:24,400

such report yeah now you're going to do

97

00:03:29,270 --> 00:03:26,239

a blog on that aren't you

98

00:03:31,910 --> 00:03:29,280

i am it's uh it's been about 40 years

99

00:03:34,149 --> 00:03:31,920

and this is one of the more famous cases

100

00:03:35,910 --> 00:03:34,159

or at least it was at one point and i

101
00:03:38,229 --> 00:03:35,920
think a lot of people now aren't quite

102
00:03:40,710 --> 00:03:38,239
familiar with it it's it's uh two

103
00:03:43,110 --> 00:03:40,720
fishing buddies who had an encounter

104
00:03:45,110 --> 00:03:43,120
with alien beings who were not

105
00:03:46,710 --> 00:03:45,120
your typical greys they were they were a

106
00:03:49,270 --> 00:03:46,720
little bit different they're sort of

107
00:03:52,470 --> 00:03:49,280
porcupine-ish or something uh yeah they

108
00:03:55,830 --> 00:03:52,480
had weird cone things for

109
00:03:58,550 --> 00:03:55,840
ears and nose or mouth or whatever

110
00:04:00,550 --> 00:03:58,560
things aliens have on their heads

111
00:04:01,750 --> 00:04:00,560
not gonna win any beauty contests here

112
00:04:03,990 --> 00:04:01,760
that's for sure

113
00:04:06,309 --> 00:04:04,000

well not on this planet right okay

114

00:04:07,589 --> 00:04:06,319

artists returning asteroid to space

115

00:04:09,429 --> 00:04:07,599

kind of

116

00:04:10,869 --> 00:04:09,439

katie paterson has been using an iron

117

00:04:12,070 --> 00:04:10,879

meteorite in her most recent

118

00:04:14,070 --> 00:04:12,080

installation

119

00:04:16,069 --> 00:04:14,080

compa

120

00:04:17,909 --> 00:04:16,079

field of the sky and i apologize to

121

00:04:20,949 --> 00:04:17,919

anybody who actually speaks spanish for

122

00:04:22,469 --> 00:04:20,959

probably murdering that pronunciation

123

00:04:24,629 --> 00:04:22,479

she has decided that it would be

124

00:04:26,870 --> 00:04:24,639

inspiring however to launch it back into

125

00:04:28,710 --> 00:04:26,880

space so she's arranged for just a piece

126
00:04:30,070 --> 00:04:28,720
of it to be placed aboard an unmanned

127
00:04:32,230 --> 00:04:30,080
cargo rocket heading for the

128
00:04:33,749 --> 00:04:32,240
international space station next year i

129
00:04:37,030 --> 00:04:33,759
was trying to understand this this

130
00:04:39,590 --> 00:04:37,040
artist took this meteorite a perfectly

131
00:04:40,550 --> 00:04:39,600
good looking meteorite she made a mold

132
00:04:43,189 --> 00:04:40,560
of it

133
00:04:44,790 --> 00:04:43,199
cut it in half melted it and then poured

134
00:04:47,830 --> 00:04:44,800
it back in the mold

135
00:04:49,830 --> 00:04:47,840
do you understand why i think that would

136
00:04:52,390 --> 00:04:49,840
be because there is a

137
00:04:54,070 --> 00:04:52,400
modern theory that the process is the

138
00:04:57,270 --> 00:04:54,080

art

139

00:04:59,510 --> 00:04:57,280

school guess i think that's i think

140

00:05:01,590 --> 00:04:59,520

that's what it is because i will i will

141

00:05:03,749 --> 00:05:01,600

also throw in there that after

142

00:05:04,870 --> 00:05:03,759

dropping out of art school i still

143

00:05:05,830 --> 00:05:04,880

prefer

144

00:05:10,310 --> 00:05:05,840

things

145

00:05:12,790 --> 00:05:10,320

paintings drawings sculptures look like

146

00:05:14,790 --> 00:05:12,800

things yeah so they're going to launch a

147

00:05:17,110 --> 00:05:14,800

piece of piece of that up and what if it

148

00:05:18,550 --> 00:05:17,120

like lands on someone's head and and

149

00:05:19,990 --> 00:05:18,560

also

150

00:05:21,990 --> 00:05:20,000

my understanding is it's just just a

151
00:05:24,870 --> 00:05:22,000
very small piece of it so i think the

152
00:05:26,469 --> 00:05:24,880
surrounding um crashing spaceship that

153
00:05:28,870 --> 00:05:26,479
is landing on your head is a bigger

154
00:05:31,029 --> 00:05:28,880
problem okay it's a little blip did you

155
00:05:33,909 --> 00:05:31,039
know that there was somewhere around 3

156
00:05:36,629 --> 00:05:33,919
000 asteroids every single day that they

157
00:05:39,430 --> 00:05:36,639
discover every day no i did not know

158
00:05:41,189 --> 00:05:39,440
that yeah it doesn't make me feel too

159
00:05:42,550 --> 00:05:41,199
secure i don't know about you i mean

160
00:05:44,550 --> 00:05:42,560
does that mean they're going to find one

161
00:05:46,230 --> 00:05:44,560
like and when it's zeroing in on us the

162
00:05:48,150 --> 00:05:46,240
last second i don't know well that that

163
00:05:49,990 --> 00:05:48,160

is the easy way to find them that's the

164

00:05:52,390 --> 00:05:50,000

easiest way do you remember the story we

165

00:05:53,590 --> 00:05:52,400

had last week where the guy's spacesuit

166

00:05:55,749 --> 00:05:53,600

was leaking

167

00:05:58,150 --> 00:05:55,759

oh yeah yeah i've got a clip we're gonna

168

00:06:01,510 --> 00:05:58,160

play it right here and this is from star

169

00:06:03,830 --> 00:06:01,520

stuff uh podcast i'm gonna play it now

170

00:06:05,909 --> 00:06:03,840

luca parmitano was on a spacewalk

171

00:06:07,990 --> 00:06:05,919

outside the international space station

172

00:06:10,390 --> 00:06:08,000

when water suddenly began leaking into

173

00:06:12,390 --> 00:06:10,400

his helmet the abc's north america

174

00:06:15,189 --> 00:06:12,400

correspondent michael vincent reports he

175

00:06:16,870 --> 00:06:15,199

was unable to see hear or talk as his

176
00:06:19,029 --> 00:06:16,880
colleagues performed an emergency

177
00:06:21,189 --> 00:06:19,039
retrieval nasa's flight director

178
00:06:22,550 --> 00:06:21,199
described what it was like rather

179
00:06:24,710 --> 00:06:22,560
bluntly

180
00:06:26,790 --> 00:06:24,720
go stick your head in a fishbowl and try

181
00:06:29,029 --> 00:06:26,800
to walk around he said

182
00:06:31,189 --> 00:06:29,039
initially luca parmitano told ground

183
00:06:34,230 --> 00:06:31,199
control he thought it was sweat in his

184
00:06:38,710 --> 00:06:36,790
man that's not sweating

185
00:06:41,350 --> 00:06:38,720
hey luka can you clarify is it

186
00:06:43,189 --> 00:06:41,360
increasing or not increasing

187
00:06:44,870 --> 00:06:43,199
it's hard to tell but it feels like a

188
00:06:46,710 --> 00:06:44,880

lot of water

189

00:06:48,950 --> 00:06:46,720

oh i see yeah

190

00:06:50,629 --> 00:06:48,960

i see it now legally

191

00:06:53,430 --> 00:06:50,639

he says he doesn't understand where it's

192

00:06:55,189 --> 00:06:53,440

coming from ground control asks if he

193

00:06:58,390 --> 00:06:55,199

sucked all the water out of his drink

194

00:07:00,550 --> 00:06:58,400

bag he says he has fyi

195

00:07:02,790 --> 00:07:00,560

i steal a lot of water on the back of my

196

00:07:04,469 --> 00:07:02,800

head but i don't think it squeaked from

197

00:07:07,110 --> 00:07:04,479

my back

198

00:07:08,870 --> 00:07:07,120

are you sweating are you working hard um

199

00:07:11,110 --> 00:07:08,880

against weddings

200

00:07:13,909 --> 00:07:11,120

but feels like a lot of water

201
00:07:18,950 --> 00:07:13,919
on only his second spacewalk luca

202
00:07:18,960 --> 00:07:25,270
it's too much i don't know

203
00:07:29,270 --> 00:07:27,029
now with water in his eyes and his

204
00:07:31,350 --> 00:07:29,280
hearing affected ground control

205
00:07:33,029 --> 00:07:31,360
terminated the space walk and brought

206
00:07:35,029 --> 00:07:33,039
him back inside

207
00:07:37,110 --> 00:07:35,039
when his colleagues took his suit off

208
00:07:39,270 --> 00:07:37,120
water floated away

209
00:07:40,469 --> 00:07:39,280
the italian astronaut was seen blowing

210
00:07:42,469 --> 00:07:40,479
his nose

211
00:07:44,150 --> 00:07:42,479
so michael did you hear him say

212
00:07:45,029 --> 00:07:44,160
the fishbowl just like you said last

213
00:07:45,830 --> 00:07:45,039

week

214

00:07:48,469 --> 00:07:45,840

hey

215

00:07:50,550 --> 00:07:48,479

yes because what else

216

00:07:53,510 --> 00:07:50,560

can you think of can you imagine though

217

00:07:56,390 --> 00:07:53,520

he couldn't see hear or talk at one

218

00:07:57,990 --> 00:07:56,400

point oh and being stuck out in space it

219

00:08:00,950 --> 00:07:58,000

probably really is one of the scarier

220

00:08:02,550 --> 00:08:00,960

incidents when you think about it uh in

221

00:08:05,510 --> 00:08:02,560

space and i mean i realize there's been

222

00:08:08,309 --> 00:08:05,520

tragic crashes and things but but to

223

00:08:09,990 --> 00:08:08,319

just think that there you are you're

224

00:08:11,670 --> 00:08:10,000

in you're not even in a spaceship

225

00:08:13,990 --> 00:08:11,680

anymore you're just in your spacesuit

226
00:08:15,990 --> 00:08:14,000
and there's something very wrong with it

227
00:08:18,550 --> 00:08:16,000
i mean it it it literally is the stuff

228
00:08:19,510 --> 00:08:18,560
of like science fiction movies right and

229
00:08:21,749 --> 00:08:19,520
finally

230
00:08:24,550 --> 00:08:21,759
media coverage of the 2013 mufon

231
00:08:26,469 --> 00:08:24,560
symposium has been a bit sparse the las

232
00:08:28,790 --> 00:08:26,479
vegas sun has posted an article on their

233
00:08:31,110 --> 00:08:28,800
website on the event and two of the

234
00:08:32,870 --> 00:08:31,120
attendees the article's focus is to show

235
00:08:34,469 --> 00:08:32,880
that people drawn to the symposium were

236
00:08:37,029 --> 00:08:34,479
not and i quote

237
00:08:38,949 --> 00:08:37,039
the type of tinfoil hat wearing crackpot

238
00:08:41,990 --> 00:08:38,959

conspiracy theorists that are often

239

00:08:44,310 --> 00:08:42,000

associated with the field of ufology

240

00:08:46,070 --> 00:08:44,320

not even the mufon website has an update

241

00:08:48,150 --> 00:08:46,080

and there was no national press coverage

242

00:08:50,630 --> 00:08:48,160

to be found there were no articles about

243

00:08:52,070 --> 00:08:50,640

mufon's top 10 ufo cases of the year

244

00:08:54,150 --> 00:08:52,080

which was scheduled to be released to

245

00:08:56,949 --> 00:08:54,160

the media during the event no updates

246

00:08:59,509 --> 00:08:56,959

about the atacama humanoid and no

247

00:09:01,910 --> 00:08:59,519

coverage of the again i quote hard

248

00:09:03,990 --> 00:09:01,920

evidence that proves the crash of an et

249

00:09:05,350 --> 00:09:04,000

craft as promised in mufon press

250

00:09:06,870 --> 00:09:05,360

releases

251
00:09:09,269 --> 00:09:06,880
martin in light of the press conference

252
00:09:11,350 --> 00:09:09,279
of the symposium i'd like to ask you is

253
00:09:12,230 --> 00:09:11,360
mufon no longer relevant

254
00:09:13,430 --> 00:09:12,240
oh

255
00:09:15,110 --> 00:09:13,440
well

256
00:09:17,670 --> 00:09:15,120
oh i wouldn't i wouldn't say that i

257
00:09:19,030 --> 00:09:17,680
wouldn't go that far it is really kind

258
00:09:20,389 --> 00:09:19,040
of strange where you're not hearing too

259
00:09:22,230 --> 00:09:20,399
much about this maybe they were all

260
00:09:24,550 --> 00:09:22,240
abducted or something well you think

261
00:09:27,110 --> 00:09:24,560
even that would make no news right well

262
00:09:28,790 --> 00:09:27,120
by some witnesses anyway well hey thanks

263
00:09:29,670 --> 00:09:28,800

a lot michael that's it for the news

264

00:09:31,590 --> 00:09:29,680

right

265

00:09:33,990 --> 00:09:31,600

uh yeah that's that's all i have and

266

00:09:35,910 --> 00:09:34,000

unless you want me to to pound on mufon

267

00:09:37,350 --> 00:09:35,920

some more no that's enough i could i got

268

00:09:39,430 --> 00:09:37,360

it oh i actually have one more thing i

269

00:09:42,790 --> 00:09:39,440

just want to give a listener shout out

270

00:09:44,870 --> 00:09:42,800

to uh to our friend bill in sweden

271

00:09:46,790 --> 00:09:44,880

and just you know mention once again

272

00:09:47,829 --> 00:09:46,800

we've got people from all over the world

273

00:09:49,829 --> 00:09:47,839

listening

274

00:09:51,670 --> 00:09:49,839

so uh you know connect with with the

275

00:09:54,550 --> 00:09:51,680

community either

276

00:09:56,710 --> 00:09:54,560

come over the website join the forums uh

277

00:09:59,430 --> 00:09:56,720

meet up with us on facebook or the chat

278

00:10:03,269 --> 00:09:59,440

280

00:10:07,030 --> 00:10:04,880

00:10:08,710 --> 00:10:07,040

i know martin's always there and you

282

283

00:10:12,470 --> 00:10:10,480

literally physically

284

00:10:14,949 --> 00:10:12,480

digitally run into when talking about

285

00:10:17,829 --> 00:10:14,959

podcast ufo now you can listen to a

286

00:10:19,190 --> 00:10:17,839

short clip by carrie whitehouse and

287

00:10:21,190 --> 00:10:19,200

right after that

288

00:10:37,930 --> 00:10:21,200

robert hastings thanks a lot michael

289

00:11:05,750 --> 00:10:46,410

[Music]

290

00:11:05,760 --> 00:11:14,790

so

291

00:11:34,949 --> 00:11:24,500

[Music]

292

00:11:39,030 --> 00:11:37,110

how you doing robert good how are you

293

00:11:41,110 --> 00:11:39,040

i'm doing well thanks for joining us

294

00:11:43,430 --> 00:11:41,120

again and i've mentioned a couple of

295

00:11:46,389 --> 00:11:43,440

times maybe in a podcast or two that

296

00:11:47,829 --> 00:11:46,399

you've guided me through some guests and

297

00:11:50,470 --> 00:11:47,839

uh helped me a great deal always

298

00:11:52,069 --> 00:11:50,480

appreciate that my pleasure for those

299

00:11:56,150 --> 00:11:52,079

people who haven't listened to your

300

00:11:58,069 --> 00:11:56,160

other podcast with me earlier on and not

301
00:11:59,590 --> 00:11:58,079
aware of your book in your your

302
00:12:01,350 --> 00:11:59,600
lecturing and all that can you just give

303
00:12:02,230 --> 00:12:01,360
a brief rundown

304
00:12:05,670 --> 00:12:02,240
um

305
00:12:07,350 --> 00:12:05,680
i have been seeking out and interviewing

306
00:12:10,069 --> 00:12:07,360
military veterans

307
00:12:12,150 --> 00:12:10,079
who were involved in ufo incidents at

308
00:12:15,190 --> 00:12:12,160
nuclear weapons sites

309
00:12:17,430 --> 00:12:15,200
and i've interviewed over 140 of them

310
00:12:19,269 --> 00:12:17,440
beginning in 1973.

311
00:12:20,629 --> 00:12:19,279
the vast majority of those interviews

312
00:12:22,550 --> 00:12:20,639
are on tape

313
00:12:24,470 --> 00:12:22,560

i held a press conference at the

314

00:12:26,629 --> 00:12:24,480

national press club in washington in

315

00:12:29,269 --> 00:12:26,639

september of 2010

316

00:12:30,829 --> 00:12:29,279

cnn streamed that live if you go to my

317

00:12:32,389 --> 00:12:30,839

home page

318

00:12:34,389 --> 00:12:32,399

ufohastings.com

319

00:12:36,629 --> 00:12:34,399

scroll down you'll see the video of

320

00:12:38,389 --> 00:12:36,639

cnn's live streaming of my press

321

00:12:40,470 --> 00:12:38,399

conference at that event

322

00:12:42,629 --> 00:12:40,480

there were seven of these military

323

00:12:44,470 --> 00:12:42,639

veterans who were involved in incidents

324

00:12:47,110 --> 00:12:44,480

involving nuclear weapons

325

00:12:49,629 --> 00:12:47,120

um the most famous i think are the twin

326
00:12:51,190 --> 00:12:49,639
incidents at malmstrom air force base in

327
00:12:54,310 --> 00:12:51,200
1967

328
00:12:55,190 --> 00:12:54,320
in march about eight days apart

329
00:12:59,670 --> 00:12:55,200
two

330
00:13:01,430 --> 00:12:59,680
missile sites nuclear missiles and the

331
00:13:04,150 --> 00:13:01,440
missiles malfunctioned

332
00:13:06,069 --> 00:13:04,160
uh three of the four officers who were

333
00:13:07,269 --> 00:13:06,079
involved in that incident those two

334
00:13:09,750 --> 00:13:07,279
incidents

335
00:13:11,509 --> 00:13:09,760
have publicly to one degree or another

336
00:13:13,670 --> 00:13:11,519
been candid about their involvement

337
00:13:15,990 --> 00:13:13,680
their awareness of the incidents bob

338
00:13:18,870 --> 00:13:16,000

salus is the best known person he's been

339

00:13:21,430 --> 00:13:18,880

quite adamant that this needs to be made

340

00:13:22,710 --> 00:13:21,440

public he was the co-sponsor of my press

341

00:13:24,790 --> 00:13:22,720

conference

342

00:13:27,430 --> 00:13:24,800

another air force colonel retired named

343

00:13:29,670 --> 00:13:27,440

fred mywald who was with bob salas at a

344

00:13:31,829 --> 00:13:29,680

place called oscar flight

345

00:13:34,389 --> 00:13:31,839

has confirmed but in a more guarded

346

00:13:36,790 --> 00:13:34,399

fashion that indeed a ufo was present

347

00:13:39,190 --> 00:13:36,800

when all these missiles went down

348

00:13:40,790 --> 00:13:39,200

in the other incident a man named walter

349

00:13:42,629 --> 00:13:40,800

feigel who was a retired air force

350

00:13:44,629 --> 00:13:42,639

colonel talked about

351

00:13:47,590 --> 00:13:44,639

eight days prior to the incident at

352

00:13:49,030 --> 00:13:47,600

oscar flight he was at echo flight and

353

00:13:51,190 --> 00:13:49,040

the ufo

354

00:13:53,350 --> 00:13:51,200

suddenly was uh reported to be hovering

355

00:13:55,110 --> 00:13:53,360

over one of the nuclear missiles ten of

356

00:13:57,590 --> 00:13:55,120

them are controlled by a central launch

357

00:14:00,069 --> 00:13:57,600

control facility and walt fiegel said he

358

00:14:01,829 --> 00:14:00,079

took a call from a guard who was at one

359

00:14:04,310 --> 00:14:01,839

of the sites you know saying there's a

360

00:14:06,470 --> 00:14:04,320

large round object over the site and

361

00:14:08,230 --> 00:14:06,480

seconds later uh the missiles started

362

00:14:09,670 --> 00:14:08,240

malfunctioning one after the other all

363

00:14:12,150 --> 00:14:09,680

10 went down

364

00:14:14,550 --> 00:14:12,160

and the stories i've heard from many of

365

00:14:16,470 --> 00:14:14,560

my other veteran interviews

366

00:14:18,310 --> 00:14:16,480

are identical or very close to what

367

00:14:19,590 --> 00:14:18,320

these two gentlemen or three gentlemen

368

00:14:20,470 --> 00:14:19,600

have described

369

00:14:22,550 --> 00:14:20,480

so

370

00:14:24,150 --> 00:14:22,560

it's clear that if you

371

00:14:26,470 --> 00:14:24,160

look at the witness testimony and you

372

00:14:29,350 --> 00:14:26,480

look at the declassified documents if

373

00:14:31,750 --> 00:14:29,360

you go to my document page

374

00:14:34,310 --> 00:14:31,760

ufos have expressed an interest for

375

00:14:37,509 --> 00:14:34,320

whatever reason in our nuclear weapons

376

00:14:39,990 --> 00:14:37,519

sites going back to the 1940s

377

00:14:41,110 --> 00:14:40,000

by 1981 i felt i had enough of a

378

00:14:43,829 --> 00:14:41,120

credible

379

00:14:45,990 --> 00:14:43,839

case to make publicly and i felt very

380

00:14:48,069 --> 00:14:46,000

strongly that the public really needs to

381

00:14:49,509 --> 00:14:48,079

know about the reality of this that it's

382

00:14:51,189 --> 00:14:49,519

not science fiction

383

00:14:52,550 --> 00:14:51,199

that this is being kept from the

384

00:14:54,870 --> 00:14:52,560

american people and the rest of the

385

00:14:57,269 --> 00:14:54,880

world i went out on a college lecture

386

00:14:59,269 --> 00:14:57,279

circuit to try to

387

00:15:02,230 --> 00:14:59,279

basically wake people up

388

00:15:04,629 --> 00:15:02,240

and i've spoken at over 500 schools now

389

00:15:06,629 --> 00:15:04,639

all around the nation as well as oxford

390

00:15:08,870 --> 00:15:06,639

university in england

391

00:15:10,629 --> 00:15:08,880

in which i just present the documents

392

00:15:13,509 --> 00:15:10,639

the declassified documents on the

393

00:15:16,389 --> 00:15:13,519

witness testimony so that's what i've

394

00:15:18,550 --> 00:15:16,399

been doing now for basically 40 years

395

00:15:20,550 --> 00:15:18,560

right well i want to talk a little bit

396

00:15:22,790 --> 00:15:20,560

about the press conference

397

00:15:23,829 --> 00:15:22,800

cnn and a little bit about that but

398

00:15:24,870 --> 00:15:23,839

first

399

00:15:28,069 --> 00:15:24,880

of all

400

00:15:31,110 --> 00:15:28,079

i know that you listen to the ufo debate

401
00:15:33,110 --> 00:15:31,120
that i did with seth shostak oh i don't

402
00:15:35,430 --> 00:15:33,120
know maybe a year ago or so

403
00:15:38,470 --> 00:15:35,440
and there was a part in that where he

404
00:15:41,430 --> 00:15:38,480
says it's absolutely silly that ufos are

405
00:15:43,350 --> 00:15:41,440
around the missile silos and i even have

406
00:15:46,230 --> 00:15:43,360
that in a little clip of that in my

407
00:15:49,509 --> 00:15:46,240
intro of my podcast uh what do you say

408
00:15:51,269 --> 00:15:49,519
to that argument well seth showstack

409
00:15:54,069 --> 00:15:51,279
is just like the vast majority of

410
00:15:56,550 --> 00:15:54,079
scientists with all due respect to their

411
00:15:58,790 --> 00:15:56,560
own expertise in their their respective

412
00:16:00,470 --> 00:15:58,800
fields they haven't studied the ufo

413
00:16:02,949 --> 00:16:00,480

phenomenon they've never reviewed the

414

00:16:04,870 --> 00:16:02,959

data their noses are up in the air they

415

00:16:07,110 --> 00:16:04,880

think this is beneath their dignity they

416

00:16:09,269 --> 00:16:07,120

think this is foolishness and so they

417

00:16:11,430 --> 00:16:09,279

won't touch it with a 10-foot pole

418

00:16:13,269 --> 00:16:11,440

with the exception of a handful of

419

00:16:15,030 --> 00:16:13,279

scientists over the years it's

420

00:16:17,030 --> 00:16:15,040

considered you know

421

00:16:19,670 --> 00:16:17,040

a taboo subject

422

00:16:21,350 --> 00:16:19,680

but science has many examples in its

423

00:16:22,710 --> 00:16:21,360

history where things were considered

424

00:16:25,430 --> 00:16:22,720

beyond the pale

425

00:16:26,949 --> 00:16:25,440

but a few brave pioneers actually set

426

00:16:29,350 --> 00:16:26,959

aside their prejudices and

427

00:16:32,150 --> 00:16:29,360

preconceptions and at the risk of their

428

00:16:34,550 --> 00:16:32,160

own professional reputations took on the

429

00:16:37,350 --> 00:16:34,560

study of these very uh you know taboo

430

00:16:39,910 --> 00:16:37,360

types of subjects and that's how science

431

00:16:42,389 --> 00:16:39,920

has advanced it's clear that the ufo

432

00:16:44,710 --> 00:16:42,399

phenomenon is real if you look at the

433

00:16:47,829 --> 00:16:44,720

data that are available for example the

434

00:16:49,509 --> 00:16:47,839

empirical radar data it's clear that

435

00:16:51,910 --> 00:16:49,519

there are hundreds of cases all over the

436

00:16:53,910 --> 00:16:51,920

world where radar has picked up these

437

00:16:56,470 --> 00:16:53,920

objects traveling thousands of miles per

438

00:16:58,949 --> 00:16:56,480

hour they instantly stop or do a 90

439

00:17:01,430 --> 00:16:58,959

degree turn no aircraft on earth can do

440

00:17:03,350 --> 00:17:01,440

that not even in 2013

441

00:17:05,429 --> 00:17:03,360

and yet many of these reports go back to

442

00:17:08,549 --> 00:17:05,439

the 1940s

443

00:17:09,669 --> 00:17:08,559

so the data are there the scientists at

444

00:17:11,750 --> 00:17:09,679

some point

445

00:17:13,750 --> 00:17:11,760

one or two brave people will take the

446

00:17:16,630 --> 00:17:13,760

bull by the horns and and make some

447

00:17:19,909 --> 00:17:16,640

effort to study this uh one of the few

448

00:17:22,309 --> 00:17:19,919

people who did in the late 1960s the

449

00:17:26,230 --> 00:17:22,319

late dr james mcdonald

450

00:17:28,789 --> 00:17:26,240

did study ufos he was invited to speak

451
00:17:31,510 --> 00:17:28,799
to congress at a hearing on the subject

452
00:17:33,669 --> 00:17:31,520
of ufos in july of 68

453
00:17:36,789 --> 00:17:33,679
he said point blank my opinion is that

454
00:17:39,990 --> 00:17:36,799
these are extraterrestrial craft

455
00:17:42,470 --> 00:17:40,000
but with the exception of people like

456
00:17:45,510 --> 00:17:42,480
jay alan heineck who was an astronomer

457
00:17:47,430 --> 00:17:45,520
or stan friedman who as a physicist very

458
00:17:49,750 --> 00:17:47,440
few people in the sciences are willing

459
00:17:52,470 --> 00:17:49,760
to stick their necks out and look at

460
00:17:55,430 --> 00:17:52,480
what clearly is an important subject

461
00:17:58,150 --> 00:17:55,440
that deserves scientific attention

462
00:17:59,830 --> 00:17:58,160
right i agree with you on all that now

463
00:18:02,950 --> 00:17:59,840

getting back to your your press

464

00:18:05,750 --> 00:18:02,960

conference it was live streamed on cnn

465

00:18:07,029 --> 00:18:05,760

and it seemed like such a milestone at

466

00:18:09,270 --> 00:18:07,039

the time

467

00:18:10,870 --> 00:18:09,280

were you disappointed that it seemed

468

00:18:13,350 --> 00:18:10,880

like the press eventually just dropped

469

00:18:16,630 --> 00:18:13,360

the ball and didn't keep going

470

00:18:18,630 --> 00:18:16,640

i was disappointed but not surprised um

471

00:18:21,029 --> 00:18:18,640

bob salas and i knew that we would get

472

00:18:23,990 --> 00:18:21,039

some attention we didn't know how much

473

00:18:25,909 --> 00:18:24,000

um but at the press release that i sent

474

00:18:28,390 --> 00:18:25,919

out in in preparation for the press

475

00:18:30,230 --> 00:18:28,400

conference about 10 days prior to it

476

00:18:32,549 --> 00:18:30,240

uh went viral

477

00:18:34,310 --> 00:18:32,559

one could do a google search with the

478

00:18:37,110 --> 00:18:34,320

title of the press release at one point

479

00:18:39,990 --> 00:18:37,120

there were 2.4 million results

480

00:18:42,390 --> 00:18:40,000

so it just went through the roof

481

00:18:45,270 --> 00:18:42,400

we got lots and lots of calls lots and

482

00:18:47,990 --> 00:18:45,280

lots of inquiries but it's one of those

483

00:18:49,669 --> 00:18:48,000

stories uh that you know just died

484

00:18:52,549 --> 00:18:49,679

within a week suddenly there were no

485

00:18:54,470 --> 00:18:52,559

follow-up interviews uh these seven uh

486

00:18:56,950 --> 00:18:54,480

air force veterans who spoke including

487

00:18:58,630 --> 00:18:56,960

bob salas were divulging some very

488

00:19:01,110 --> 00:18:58,640

dramatic information

489

00:19:03,270 --> 00:19:01,120

one would think that you know national

490

00:19:05,110 --> 00:19:03,280

and international media would can see

491

00:19:07,830 --> 00:19:05,120

the value of this see the importance of

492

00:19:10,390 --> 00:19:07,840

it i mean you basically have persons who

493

00:19:12,710 --> 00:19:10,400

are entrusted by the u.s government to

494

00:19:15,830 --> 00:19:12,720

start world war iii if the president of

495

00:19:17,909 --> 00:19:15,840

the united states had issued a launch

496

00:19:19,350 --> 00:19:17,919

order to attack the soviet union during

497

00:19:20,789 --> 00:19:19,360

the cold war

498

00:19:22,630 --> 00:19:20,799

some of the people that were speaking at

499

00:19:24,630 --> 00:19:22,640

my press conference were the people that

500

00:19:26,549 --> 00:19:24,640

would have turned the launch keys and

501
00:19:28,710 --> 00:19:26,559
started world war three so they're quite

502
00:19:30,710 --> 00:19:28,720
credible they were considered you know

503
00:19:33,510 --> 00:19:30,720
trustworthy by the government to do that

504
00:19:37,029 --> 00:19:33,520
very important horrible task if it had

505
00:19:39,350 --> 00:19:37,039
ever happened uh you know and yet now

506
00:19:41,350 --> 00:19:39,360
over 100 of them 140

507
00:19:43,590 --> 00:19:41,360
missile officers launch officers

508
00:19:46,630 --> 00:19:43,600
targeting personnel missile maintenance

509
00:19:48,390 --> 00:19:46,640
people missile guard guards are now

510
00:19:50,470 --> 00:19:48,400
coming forward and saying ufos

511
00:19:53,029 --> 00:19:50,480
maneuvered around our missiles and on

512
00:19:55,270 --> 00:19:53,039
some occasions the missiles malfunction

513
00:19:57,430 --> 00:19:55,280

and yet you know uh

514

00:20:00,070 --> 00:19:57,440

not surprisingly i guess but at the same

515

00:20:02,710 --> 00:20:00,080

time one wonders why it didn't happen

516

00:20:04,549 --> 00:20:02,720

uh no major news organization

517

00:20:06,630 --> 00:20:04,559

organization anywhere in the world did a

518

00:20:08,230 --> 00:20:06,640

follow-up no one approached any of these

519

00:20:10,470 --> 00:20:08,240

seven individuals for follow-up

520

00:20:13,110 --> 00:20:10,480

interviews unbelievable um

521

00:20:15,350 --> 00:20:13,120

so you know it's it's just one of those

522

00:20:18,150 --> 00:20:15,360

things that i think until you know

523

00:20:21,029 --> 00:20:18,160

something ultra-dramatic happens

524

00:20:24,070 --> 00:20:21,039

some sort of display put on by whoever

525

00:20:26,630 --> 00:20:24,080

are flying ufos um that leaves no doubt

526

00:20:28,549 --> 00:20:26,640

in anyone's mind that this is real i

527

00:20:29,990 --> 00:20:28,559

think the vast majority of the media are

528

00:20:33,190 --> 00:20:30,000

just going to consider this you know

529

00:20:36,950 --> 00:20:33,200

like a slow news day story oh well no no

530

00:20:39,350 --> 00:20:36,960

real news let's do a ufo story

531

00:20:41,669 --> 00:20:39,360

you know at the symposium i just went to

532

00:20:43,590 --> 00:20:41,679

recently there was a person that was in

533

00:20:45,990 --> 00:20:43,600

the audience that got up and asked the

534

00:20:47,830 --> 00:20:46,000

panel uh a question

535

00:20:50,070 --> 00:20:47,840

he said to them that they must be

536

00:20:51,029 --> 00:20:50,080

frustrated with all the work they've

537

00:20:53,590 --> 00:20:51,039

done

538

00:20:55,669 --> 00:20:53,600

and with little changes over the years

539

00:20:58,630 --> 00:20:55,679

and what keeps them going so i would

540

00:21:01,350 --> 00:20:58,640

like to ask you that same question

541

00:21:04,470 --> 00:21:01,360

um it's clear that the information that

542

00:21:07,750 --> 00:21:04,480

i have pried loose from these ex-air

543

00:21:10,950 --> 00:21:07,760

force officers and enlisted men is is

544

00:21:11,669 --> 00:21:10,960

dramatic it's important um it's clear

545

00:21:15,110 --> 00:21:11,679

that

546

00:21:18,149 --> 00:21:15,120

the phenomenon the ufos whoever piloted

547

00:21:20,870 --> 00:21:18,159

piloting them have been on the scene at

548

00:21:22,789 --> 00:21:20,880

the very inception of the nuclear age

549

00:21:25,430 --> 00:21:22,799

they've monitored nuclear testing in

550

00:21:27,990 --> 00:21:25,440

america and nevada and down in the south

551
00:21:30,549 --> 00:21:28,000
pacific we're testing weapons i've got

552
00:21:32,789 --> 00:21:30,559
multiple witnesses saying they've seen

553
00:21:34,310 --> 00:21:32,799
objects flying around right before the

554
00:21:36,630 --> 00:21:34,320
nuclear tests

555
00:21:39,110 --> 00:21:36,640
we now know declassified documents from

556
00:21:41,830 --> 00:21:39,120
the former soviet union nuclear sites in

557
00:21:44,630 --> 00:21:41,840
the ussr were being visited repeatedly

558
00:21:46,470 --> 00:21:44,640
year in and year out so it's clear that

559
00:21:47,909 --> 00:21:46,480
whoever they are have an interest in our

560
00:21:48,870 --> 00:21:47,919
nuclear weapons

561
00:21:51,669 --> 00:21:48,880
um

562
00:21:54,390 --> 00:21:51,679
so at the very least what i'm doing is

563
00:21:57,110 --> 00:21:54,400

by taping these witnesses and

564

00:21:59,029 --> 00:21:57,120

on audio tape and soon on videotape for

565

00:22:01,590 --> 00:21:59,039

a movie i'm making

566

00:22:04,070 --> 00:22:01,600

these very important eyewitnesses will

567

00:22:06,630 --> 00:22:04,080

be at least on the historical record

568

00:22:07,909 --> 00:22:06,640

they're now in their 70s in some cases

569

00:22:09,510 --> 00:22:07,919

their 80s

570

00:22:12,230 --> 00:22:09,520

they're not going to be around forever

571

00:22:14,549 --> 00:22:12,240

but their tape testimony will be and so

572

00:22:16,710 --> 00:22:14,559

when the story finally breaks and when

573

00:22:18,789 --> 00:22:16,720

historians go back and say what was all

574

00:22:20,310 --> 00:22:18,799

this about and you know when did this

575

00:22:23,029 --> 00:22:20,320

start and so on there will be a

576

00:22:23,909 --> 00:22:23,039

historical record that they can refer to

577

00:22:27,430 --> 00:22:23,919

um

578

00:22:29,750 --> 00:22:27,440

i'm hoping you know i'm i'm 63 myself i

579

00:22:31,750 --> 00:22:29,760

i'm very pessimistic that i'll live to

580

00:22:33,510 --> 00:22:31,760

see the big announcement from washington

581

00:22:35,750 --> 00:22:33,520

that all of this is real

582

00:22:37,750 --> 00:22:35,760

uh hopefully i will but i i don't think

583

00:22:40,149 --> 00:22:37,760

there is uh you know any guarantee by

584

00:22:42,789 --> 00:22:40,159

any means but the work that i'm

585

00:22:44,950 --> 00:22:42,799

compiling the the database will be

586

00:22:46,390 --> 00:22:44,960

around long after i'm gone

587

00:22:47,830 --> 00:22:46,400

i just mentioned the same thing in our

588

00:22:49,669 --> 00:22:47,840

last podcast

589

00:22:51,750 --> 00:22:49,679

that i don't think i'll be around you

590

00:22:52,470 --> 00:22:51,760

know maybe not and i'm okay with that

591

00:22:54,789 --> 00:22:52,480

but

592

00:22:57,430 --> 00:22:54,799

we'll talk a little bit about your movie

593

00:22:58,630 --> 00:22:57,440

in a minute but the question comes to

594

00:23:00,230 --> 00:22:58,640

mind

595

00:23:01,909 --> 00:23:00,240

is if you had

596

00:23:03,990 --> 00:23:01,919

to theorize

597

00:23:05,990 --> 00:23:04,000

um why they're tampering with i mean i

598

00:23:07,350 --> 00:23:06,000

know what i'm thinking i'm thinking that

599

00:23:08,630 --> 00:23:07,360

they're trying to keep us from blowing

600

00:23:09,909 --> 00:23:08,640

each other up

601
00:23:11,350 --> 00:23:09,919
but uh

602
00:23:12,870 --> 00:23:11,360
what would your thoughts or have you

603
00:23:14,310 --> 00:23:12,880
heard any

604
00:23:15,830 --> 00:23:14,320
besides your own thoughts have you ever

605
00:23:18,630 --> 00:23:15,840
heard any theory that was really

606
00:23:21,430 --> 00:23:18,640
intriguing to you

607
00:23:23,190 --> 00:23:21,440
uh that that is my opinion that whoever

608
00:23:24,230 --> 00:23:23,200
they are

609
00:23:26,870 --> 00:23:24,240
it's like a

610
00:23:29,270 --> 00:23:26,880
mother watching a child about to burn

611
00:23:30,470 --> 00:23:29,280
itself on a hot stove and pushes his

612
00:23:32,390 --> 00:23:30,480
hand away

613
00:23:35,190 --> 00:23:32,400

i think whoever they are they've looked

614

00:23:37,110 --> 00:23:35,200

at the situation since world war ii for

615

00:23:39,590 --> 00:23:37,120

the first time humans have weapons that

616

00:23:42,470 --> 00:23:39,600

can not only destroy utterly silver

617

00:23:44,390 --> 00:23:42,480

civilization but we could radioactively

618

00:23:46,789 --> 00:23:44,400

pollute the planet for a long time to

619

00:23:48,630 --> 00:23:46,799

come if we you know detonate thousands

620

00:23:50,950 --> 00:23:48,640

of nuclear weapons

621

00:23:53,350 --> 00:23:50,960

so whoever they are i think are just

622

00:23:55,270 --> 00:23:53,360

sort of working behind the scenes uh

623

00:23:56,950 --> 00:23:55,280

they're making their presence known both

624

00:23:59,830 --> 00:23:56,960

to the us military and the russian

625

00:24:01,909 --> 00:23:59,840

military uh other anyone who has nuclear

626
00:24:03,510 --> 00:24:01,919
weapons have had these experiences

627
00:24:04,549 --> 00:24:03,520
there's french

628
00:24:06,789 --> 00:24:04,559
french

629
00:24:09,029 --> 00:24:06,799
nuclear test

630
00:24:11,430 --> 00:24:09,039
testimony from people who saw ufos

631
00:24:13,430 --> 00:24:11,440
during french tests i'm sure anyone who

632
00:24:16,470 --> 00:24:13,440
has weapons of this

633
00:24:18,710 --> 00:24:16,480
type have had these experiences but as i

634
00:24:20,310 --> 00:24:18,720
tell my lecture audiences um

635
00:24:23,190 --> 00:24:20,320
even though that's my opinion what's

636
00:24:25,669 --> 00:24:23,200
going on i have no inside track on the

637
00:24:27,669 --> 00:24:25,679
on the truth and if one is to look at

638
00:24:29,590 --> 00:24:27,679

all the options all the possibilities to

639

00:24:31,350 --> 00:24:29,600

explain for what's being described by

640

00:24:33,190 --> 00:24:31,360

these military veterans

641

00:24:36,070 --> 00:24:33,200

i say at the other end of the spectrum

642

00:24:38,950 --> 00:24:36,080

you could say or theorize that

643

00:24:41,909 --> 00:24:38,960

this race of beings from somewhere else

644

00:24:43,830 --> 00:24:41,919

does not have humans interests at heart

645

00:24:45,190 --> 00:24:43,840

and let's say they're planning to invade

646

00:24:46,390 --> 00:24:45,200

and they don't want to inherit a

647

00:24:47,669 --> 00:24:46,400

radioactive

648

00:24:49,510 --> 00:24:47,679

planet

649

00:24:51,590 --> 00:24:49,520

so you know you have to look at the

650

00:24:53,909 --> 00:24:51,600

whole range of possibilities i don't

651
00:24:55,510 --> 00:24:53,919
think that's the case but you never know

652
00:24:57,669 --> 00:24:55,520
you know well they still got a lot of

653
00:24:59,830 --> 00:24:57,679
cleaning up to do

654
00:25:01,510 --> 00:24:59,840
oh yeah and we've done we've polluted

655
00:25:03,590 --> 00:25:01,520
we've pulled it at the site the the

656
00:25:06,310 --> 00:25:03,600
planet horribly already with uh

657
00:25:09,029 --> 00:25:06,320
plutonium manufacturing and so on yeah

658
00:25:10,950 --> 00:25:09,039
absolutely absolutely so why don't you

659
00:25:13,909 --> 00:25:10,960
tell us about your movie you have uh

660
00:25:16,549 --> 00:25:13,919
planned or is it in production

661
00:25:17,990 --> 00:25:16,559
it's just now entering into production

662
00:25:20,470 --> 00:25:18,000
yes um

663
00:25:23,029 --> 00:25:20,480

i'm not i'm not at liberty liberty to

664

00:25:23,909 --> 00:25:23,039

identify him but about a year and a half

665

00:25:26,390 --> 00:25:23,919

ago

666

00:25:29,269 --> 00:25:26,400

a very well to do individual who

667

00:25:32,149 --> 00:25:29,279

believes what i'm doing is important has

668

00:25:34,310 --> 00:25:32,159

decided to fund my research and

669

00:25:36,710 --> 00:25:34,320

to provide funding for a documentary

670

00:25:39,029 --> 00:25:36,720

film and uh

671

00:25:40,630 --> 00:25:39,039

it's uh it's going to be

672

00:25:42,789 --> 00:25:40,640

hopefully completed in the spring of

673

00:25:45,350 --> 00:25:42,799

2014

674

00:25:46,870 --> 00:25:45,360

next month in august we're flying uh six

675

00:25:49,269 --> 00:25:46,880

or seven of these veterans to

676
00:25:50,070 --> 00:25:49,279
albuquerque to videotape interviews with

677
00:25:52,710 --> 00:25:50,080
them

678
00:25:54,470 --> 00:25:52,720
uh i'm gathering documentation of one

679
00:25:55,430 --> 00:25:54,480
kind or another that will appear in the

680
00:25:56,710 --> 00:25:55,440
film

681
00:25:59,750 --> 00:25:56,720
and uh

682
00:26:01,590 --> 00:25:59,760
what once we have a finished product so

683
00:26:03,269 --> 00:26:01,600
to speak then we'll start start

684
00:26:05,430 --> 00:26:03,279
approaching the television networks and

685
00:26:06,630 --> 00:26:05,440
hopefully someone will buy it somebody

686
00:26:09,269 --> 00:26:06,640
will air it

687
00:26:11,590 --> 00:26:09,279
and then the way these deals work you

688
00:26:13,990 --> 00:26:11,600

know you can keep broadcasting it on

689

00:26:16,149 --> 00:26:14,000

various networks over time so hopefully

690

00:26:17,590 --> 00:26:16,159

this will get wide exposure

691

00:26:19,350 --> 00:26:17,600

sooner or later

692

00:26:21,350 --> 00:26:19,360

that's great i was just saying the other

693

00:26:22,470 --> 00:26:21,360

day we need another lawrence rockefeller

694

00:26:24,630 --> 00:26:22,480

out there to

695

00:26:26,870 --> 00:26:24,640

you know fund some of these things

696

00:26:30,310 --> 00:26:26,880

can you be more specific about what the

697

00:26:32,630 --> 00:26:30,320

movie is about in general

698

00:26:34,549 --> 00:26:32,640

well it it was

699

00:26:36,470 --> 00:26:34,559

90 minutes in length and i've scaled

700

00:26:38,630 --> 00:26:36,480

down the script so it's going to be just

701
00:26:40,549 --> 00:26:38,640
under an hour as it will appear when

702
00:26:42,310 --> 00:26:40,559
broadcasted

703
00:26:44,630 --> 00:26:42,320
basically i think it's important to go

704
00:26:45,669 --> 00:26:44,640
back and look at the story from the

705
00:26:48,549 --> 00:26:45,679
beginning

706
00:26:50,390 --> 00:26:48,559
and so i present documents that have

707
00:26:53,029 --> 00:26:50,400
been declassified through the freedom of

708
00:26:55,990 --> 00:26:53,039
information act from the fbi the air

709
00:26:58,230 --> 00:26:56,000
force the cia that confirm as early as

710
00:27:00,870 --> 00:26:58,240
december of 1948

711
00:27:03,430 --> 00:27:00,880
ufos what are described as flying discs

712
00:27:06,149 --> 00:27:03,440
or flying saucers in the documents

713
00:27:07,909 --> 00:27:06,159

suddenly began to be cited around los

714

00:27:11,110 --> 00:27:07,919

alamos which is where the

715

00:27:13,269 --> 00:27:11,120

atomic weapons were first invented at

716

00:27:16,230 --> 00:27:13,279

sandia labs in albuquerque another

717

00:27:19,190 --> 00:27:16,240

nuclear lab at hanford site up in

718

00:27:22,470 --> 00:27:19,200

washington which just produces plutonium

719

00:27:24,230 --> 00:27:22,480

at savannah river at oak ridge various

720

00:27:25,590 --> 00:27:24,240

nuclear weapons related sites the

721

00:27:27,669 --> 00:27:25,600

documents

722

00:27:29,990 --> 00:27:27,679

clearly established that not long after

723

00:27:32,630 --> 00:27:30,000

the end of world war ii these craft

724

00:27:34,470 --> 00:27:32,640

began to appear on a semi-regular basis

725

00:27:37,909 --> 00:27:34,480

at all of these nuclear sites

726

00:27:40,230 --> 00:27:37,919

and then i uh very quickly show excerpts

727

00:27:43,110 --> 00:27:40,240

from the press conference the cnn stream

728

00:27:45,110 --> 00:27:43,120

press conference that i held in 2010

729

00:27:47,590 --> 00:27:45,120

so bringing the audience up to date

730

00:27:50,310 --> 00:27:47,600

basically saying here are people finally

731

00:27:52,950 --> 00:27:50,320

talking about this for the media

732

00:27:54,950 --> 00:27:52,960

and then i backtrack and and cover some

733

00:27:55,990 --> 00:27:54,960

of the important cases over the last 40

734

00:27:57,830 --> 00:27:56,000

years

735

00:28:00,230 --> 00:27:57,840

i mentioned earlier the two incidents at

736

00:28:03,909 --> 00:28:00,240

malmstrom air force base in montana in

737

00:28:05,590 --> 00:28:03,919

march of 67 where objects hovered over

738

00:28:07,990 --> 00:28:05,600

nuclear missile sites and the missiles

739

00:28:10,710 --> 00:28:08,000

malfunctioned i also talked about the

740

00:28:11,750 --> 00:28:10,720

big sur case which is dramatic beyond

741

00:28:15,190 --> 00:28:11,760

belief

742

00:28:17,029 --> 00:28:15,200

um just a quick summary of that um there

743

00:28:19,430 --> 00:28:17,039

were missile tests being conducted at

744

00:28:21,190 --> 00:28:19,440

vandenberg air force base in california

745

00:28:23,190 --> 00:28:21,200

in the early 60s

746

00:28:25,029 --> 00:28:23,200

a man named bob jacobs he was a

747

00:28:27,110 --> 00:28:25,039

lieutenant at the time in charge of the

748

00:28:29,430 --> 00:28:27,120

photographic team that was filming these

749

00:28:32,070 --> 00:28:29,440

missile launches

750

00:28:33,510 --> 00:28:32,080

he in the early 80s broke his silence

751
00:28:35,590 --> 00:28:33,520
and said that they were filming one of

752
00:28:37,669 --> 00:28:35,600
these missile launches they saw the

753
00:28:40,630 --> 00:28:37,679
dummy nuclear warhead flying out over

754
00:28:43,190 --> 00:28:40,640
the pacific ocean after it had separated

755
00:28:45,269 --> 00:28:43,200
from the booster rocket and suddenly in

756
00:28:47,430 --> 00:28:45,279
this one launch uh

757
00:28:49,669 --> 00:28:47,440
this small object appeared on in the

758
00:28:52,070 --> 00:28:49,679
camera frame and approached the dummy

759
00:28:53,590 --> 00:28:52,080
warhead which was flying at about 11 000

760
00:28:56,149 --> 00:28:53,600
miles per hour

761
00:28:58,389 --> 00:28:56,159
circled it and flashed four bright beams

762
00:29:00,070 --> 00:28:58,399
of light at it and suddenly it started

763
00:29:02,149 --> 00:29:00,080

tumbling and fell into the ocean

764

00:29:04,149 --> 00:29:02,159

hundreds of miles short of its target

765

00:29:07,029 --> 00:29:04,159

meanwhile on film you see the small

766

00:29:09,110 --> 00:29:07,039

point of light going retracing its steps

767

00:29:10,149 --> 00:29:09,120

and basically leaving from the direction

768

00:29:12,789 --> 00:29:10,159

it came

769

00:29:15,029 --> 00:29:12,799

now another officer retired air force

770

00:29:16,630 --> 00:29:15,039

officer named florence mansman major

771

00:29:18,710 --> 00:29:16,640

mansman

772

00:29:21,029 --> 00:29:18,720

in the mid 80s confirmed all of this

773

00:29:22,870 --> 00:29:21,039

said bob uh you know i wish bob jacob

774

00:29:24,789 --> 00:29:22,880

said not talk about this but since he

775

00:29:25,750 --> 00:29:24,799

has the cats out of the bag it did

776

00:29:28,230 --> 00:29:25,760

happen

777

00:29:30,789 --> 00:29:28,240

he said that i i analyzed that film

778

00:29:32,950 --> 00:29:30,799

frame by frame of the magnifier and when

779

00:29:35,190 --> 00:29:32,960

i did i found out that little point of

780

00:29:36,230 --> 00:29:35,200

light was a disc shaped object with a

781

00:29:39,110 --> 00:29:36,240

dome

782

00:29:41,430 --> 00:29:39,120

he said you could see it rotate on its

783

00:29:43,590 --> 00:29:41,440

lateral axis right before each beam of

784

00:29:45,830 --> 00:29:43,600

light emanated from it

785

00:29:48,950 --> 00:29:45,840

and it describes it in great detail

786

00:29:49,909 --> 00:29:48,960

major mansman said that the cia two sent

787

00:29:51,909 --> 00:29:49,919

two

788

00:29:54,470 --> 00:29:51,919

you couldn't call them agents but

789

00:29:55,830 --> 00:29:54,480

employees two cia employees who picked

790

00:29:58,870 --> 00:29:55,840

up

791

00:30:00,710 --> 00:29:58,880

the the film and took it back to

792

00:30:03,190 --> 00:30:00,720

washington and it's not seen the light

793

00:30:06,549 --> 00:30:03,200

of day since so what you have bottom

794

00:30:08,470 --> 00:30:06,559

line with this case the big sur case is

795

00:30:11,110 --> 00:30:08,480

photographic evidence according to these

796

00:30:13,909 --> 00:30:11,120

two retired air force officers that

797

00:30:16,389 --> 00:30:13,919

um a ufo in effect shot down a dummy

798

00:30:18,470 --> 00:30:16,399

nuclear warhead with beams of light in

799

00:30:19,269 --> 00:30:18,480

in in flight

800

00:30:21,669 --> 00:30:19,279

um

801

00:30:24,549 --> 00:30:21,679

so it's it's basically the same kind of

802

00:30:26,070 --> 00:30:24,559

feat that the ufos are performing when

803

00:30:28,549 --> 00:30:26,080

they hover over the missile sites and

804

00:30:31,029 --> 00:30:28,559

the missiles are disabled except in this

805

00:30:33,590 --> 00:30:31,039

particular case the the warhead was the

806

00:30:35,110 --> 00:30:33,600

dummy warhead was flying at 11 000 an

807

00:30:37,350 --> 00:30:35,120

hour

808

00:30:39,830 --> 00:30:37,360

quite clearly that their technological

809

00:30:43,350 --> 00:30:39,840

proress is orders of magnitude beyond

810

00:30:44,710 --> 00:30:43,360

anything humans have absolutely if only

811

00:30:47,190 --> 00:30:44,720

someone could get their hands on that

812

00:30:48,950 --> 00:30:47,200

film i'm sure it exists somewhere

813

00:30:50,870 --> 00:30:48,960

you know oh yeah yeah

814

00:30:51,909 --> 00:30:50,880

it probably went to what's called end

815

00:30:54,070 --> 00:30:51,919

pick

816

00:30:55,750 --> 00:30:54,080

uh the photo uh national photo

817

00:30:57,350 --> 00:30:55,760

interpretation center which is part of

818

00:30:59,110 --> 00:30:57,360

cia

819

00:31:01,029 --> 00:30:59,120

at the time the man heading that up

820

00:31:03,430 --> 00:31:01,039

would have been art lundell

821

00:31:05,830 --> 00:31:03,440

and he's the one that briefed president

822

00:31:07,909 --> 00:31:05,840

kennedy when they did the u2 overflights

823

00:31:10,470 --> 00:31:07,919

of cuba during the cuban missile

824

00:31:12,070 --> 00:31:10,480

crisis and uh found the soviet missiles

825

00:31:14,149 --> 00:31:12,080

in cuba art london went to the white

826

00:31:16,070 --> 00:31:14,159

house with these large photos blow-ups

827

00:31:17,430 --> 00:31:16,080

and showed president kennedy and said

828

00:31:18,389 --> 00:31:17,440

you know the russians had missiles in

829

00:31:21,029 --> 00:31:18,399

cuba

830

00:31:22,950 --> 00:31:21,039

um his group and pick which he founded

831

00:31:25,029 --> 00:31:22,960

i'm sure was the group within cia that

832

00:31:27,510 --> 00:31:25,039

did the analysis of the film

833

00:31:29,669 --> 00:31:27,520

but uh various people over the last 20

834

00:31:32,389 --> 00:31:29,679

years have tried to use the foia the

835

00:31:34,149 --> 00:31:32,399

freedom information act to get document

836

00:31:36,950 --> 00:31:34,159

or to get the film rather

837

00:31:39,509 --> 00:31:36,960

and you know they just played dumb they

838

00:31:41,110 --> 00:31:39,519

no one in the pentagon no one at cia

839

00:31:43,110 --> 00:31:41,120

will acknowledge even knowing about the

840

00:31:44,470 --> 00:31:43,120

film let alone possessing it

841

00:31:47,029 --> 00:31:44,480

yeah yeah

842

00:31:48,789 --> 00:31:47,039

uh par for the course do you have a

843

00:31:51,669 --> 00:31:48,799

working title for your movie that you're

844

00:31:54,789 --> 00:31:51,679

working on and a date of a release

845

00:31:56,630 --> 00:31:54,799

um my book is called ufos and nukes and

846

00:31:58,870 --> 00:31:56,640

that's the working that's the working

847

00:32:00,389 --> 00:31:58,880

title of the film

848

00:32:03,350 --> 00:32:00,399

um the

849

00:32:05,029 --> 00:32:03,360

release date it's in i couldn't really

850

00:32:07,190 --> 00:32:05,039

tell you at this point hopefully spring

851
00:32:09,029 --> 00:32:07,200
of 2014.

852
00:32:10,870 --> 00:32:09,039
well i'm on your mailing list and i get

853
00:32:12,789 --> 00:32:10,880
your articles as you write them and

854
00:32:15,350 --> 00:32:12,799
enjoy every single one of them

855
00:32:17,509 --> 00:32:15,360
and someone can do that just by writing

856
00:32:20,630 --> 00:32:17,519
you on your website can't they

857
00:32:22,149 --> 00:32:20,640
yes uh contact me and i'll i'll update

858
00:32:25,190 --> 00:32:22,159
people and let them know when the film

859
00:32:26,070 --> 00:32:25,200
is is anticipated to come out yes yeah

860
00:32:28,230 --> 00:32:26,080
now

861
00:32:30,950 --> 00:32:28,240
on your website you have an article

862
00:32:31,909 --> 00:32:30,960
about the british ministry of defense

863
00:32:33,669 --> 00:32:31,919

released

864

00:32:35,430 --> 00:32:33,679

all of the ufo files with a question

865

00:32:37,509 --> 00:32:35,440

mark can you talk a little bit about

866

00:32:39,990 --> 00:32:37,519

that that's an interesting article

867

00:32:42,470 --> 00:32:40,000

um nick pope who used to work for the

868

00:32:45,669 --> 00:32:42,480

ministry of defense

869

00:32:47,590 --> 00:32:45,679

for many years at their ufo desk as they

870

00:32:48,789 --> 00:32:47,600

call it

871

00:32:51,590 --> 00:32:48,799

he has

872

00:32:54,830 --> 00:32:51,600

sort of in my view until just now or

873

00:32:58,310 --> 00:32:54,840

just recently he has more or less

874

00:33:00,789 --> 00:32:58,320

um i i in my view he pulled his punches

875

00:33:03,269 --> 00:33:00,799

he didn't really explicitly say what was

876
00:33:04,310 --> 00:33:03,279
going on at mod in terms of the document

877
00:33:05,750 --> 00:33:04,320
release

878
00:33:08,950 --> 00:33:05,760
uh what

879
00:33:11,430 --> 00:33:08,960
he did for me within the last probably

880
00:33:13,269 --> 00:33:11,440
two to three weeks ago was tell me

881
00:33:14,070 --> 00:33:13,279
in an email that

882
00:33:16,549 --> 00:33:14,080
uh

883
00:33:18,149 --> 00:33:16,559
these low-level document releases that

884
00:33:21,269 --> 00:33:18,159
have taken place over the last five

885
00:33:22,070 --> 00:33:21,279
years by mod the ministry of defense

886
00:33:25,269 --> 00:33:22,080
um

887
00:33:27,750 --> 00:33:25,279
in effect are meant to deflect public

888
00:33:29,990 --> 00:33:27,760

interest deflect media interests deflect

889

00:33:32,070 --> 00:33:30,000

the interest of a british parliament so

890

00:33:34,950 --> 00:33:32,080

they don't clearly and closely look at

891

00:33:37,669 --> 00:33:34,960

the real situation the the mods real

892

00:33:39,990 --> 00:33:37,679

take on ufos

893

00:33:42,310 --> 00:33:40,000

what he tells me in this email which

894

00:33:45,029 --> 00:33:42,320

i've reprinted in a press release that

895

00:33:46,710 --> 00:33:45,039

appears in my article on the release of

896

00:33:48,230 --> 00:33:46,720

the documents is that

897

00:33:51,830 --> 00:33:48,240

you know these low-level document

898

00:33:53,990 --> 00:33:51,840

releases were already considered

899

00:33:56,149 --> 00:33:54,000

by the ministry of defense they were not

900

00:33:57,350 --> 00:33:56,159

considered as important information

901
00:34:00,230 --> 00:33:57,360
whereas

902
00:34:03,509 --> 00:34:00,240
documents relating to national defense

903
00:34:06,470 --> 00:34:03,519
in in the uk or intelligence matters

904
00:34:09,829 --> 00:34:06,480
national security in general

905
00:34:12,950 --> 00:34:09,839
are exempt from foi disclosure

906
00:34:14,389 --> 00:34:12,960
what what i what i said in my article

907
00:34:16,149 --> 00:34:14,399
was this that what the british

908
00:34:17,950 --> 00:34:16,159
government is doing now is the same

909
00:34:19,589 --> 00:34:17,960
thing the american government did in

910
00:34:21,109 --> 00:34:19,599
1969

911
00:34:23,190 --> 00:34:21,119
they

912
00:34:25,829 --> 00:34:23,200
made this big to-do about we've studied

913
00:34:26,790 --> 00:34:25,839

ufos for 22 years we found no evidence

914

00:34:28,790 --> 00:34:26,800

that they

915

00:34:31,270 --> 00:34:28,800

jeopardized national security therefore

916

00:34:33,190 --> 00:34:31,280

we're closing down project blue book

917

00:34:35,030 --> 00:34:33,200

and the the sleight of hand the game

918

00:34:37,109 --> 00:34:35,040

that was being played was

919

00:34:39,510 --> 00:34:37,119

you know we're no longer investigating

920

00:34:41,270 --> 00:34:39,520

ufos well that was

921

00:34:43,669 --> 00:34:41,280

entirely untrue

922

00:34:45,750 --> 00:34:43,679

and documents released in the 70s

923

00:34:47,190 --> 00:34:45,760

through the foia confirmed that other

924

00:34:50,149 --> 00:34:47,200

groups within the air force were

925

00:34:53,270 --> 00:34:50,159

continuing to study ufos always had

926

00:34:54,550 --> 00:34:53,280

studied national security related ufo

927

00:34:56,790 --> 00:34:54,560

incidents

928

00:34:58,870 --> 00:34:56,800

a group called osi the office of special

929

00:35:01,190 --> 00:34:58,880

investigations is one of them

930

00:35:03,589 --> 00:35:01,200

we now know that cia and the national

931

00:35:06,310 --> 00:35:03,599

security agency also were studying uf i

932

00:35:08,870 --> 00:35:06,320

was gathering data but the game that was

933

00:35:10,470 --> 00:35:08,880

played the pr exercise that took place

934

00:35:11,990 --> 00:35:10,480

in 69 was

935

00:35:13,829 --> 00:35:12,000

hey americans

936

00:35:15,829 --> 00:35:13,839

we found no evidence that ufos

937

00:35:17,430 --> 00:35:15,839

jeopardize national security therefore

938

00:35:19,510 --> 00:35:17,440

we're no longer going to look at them

939

00:35:21,349 --> 00:35:19,520

and we're closing down blue book

940

00:35:24,150 --> 00:35:21,359

meanwhile all these other investigations

941

00:35:25,510 --> 00:35:24,160

were going on and secrecy continued to

942

00:35:27,829 --> 00:35:25,520

and that's the same thing the british

943

00:35:29,030 --> 00:35:27,839

government's doing now and

944

00:35:31,030 --> 00:35:29,040

nick pope

945

00:35:33,670 --> 00:35:31,040

basically and when i sent him the draft

946

00:35:35,829 --> 00:35:33,680

of my article i was expecting him to

947

00:35:38,390 --> 00:35:35,839

kind of push back and contradict what i

948

00:35:40,790 --> 00:35:38,400

was saying and much to my surprise

949

00:35:42,710 --> 00:35:40,800

he writes this very explicit statement

950

00:35:44,630 --> 00:35:42,720

which appears in my press release on my

951
00:35:45,910 --> 00:35:44,640
article at my website

952
00:35:48,069 --> 00:35:45,920
saying yes

953
00:35:51,750 --> 00:35:48,079
these low-level document releases are

954
00:35:52,950 --> 00:35:51,760
designed to deflect media interests the

955
00:35:55,670 --> 00:35:52,960
interests of the public and the

956
00:35:58,630 --> 00:35:55,680
parliament basically to get

957
00:36:00,310 --> 00:35:58,640
those you know the british public off

958
00:36:02,470 --> 00:36:00,320
the mods back

959
00:36:04,790 --> 00:36:02,480
and that's the first time he's been that

960
00:36:07,910 --> 00:36:04,800
candid about all of this so i i felt it

961
00:36:09,990 --> 00:36:07,920
was worth a press release i paid 500

962
00:36:11,670 --> 00:36:10,000
to issue that and it got widely picked

963
00:36:14,470 --> 00:36:11,680

up all around the world just in the last

964

00:36:17,190 --> 00:36:14,480

two weeks wow wow that's great

965

00:36:19,109 --> 00:36:17,200

now you had a little bit of a beef

966

00:36:21,510 --> 00:36:19,119

if that's the word i want to use

967

00:36:22,790 --> 00:36:21,520

with the recent citizen hearing on

968

00:36:25,510 --> 00:36:22,800

disclosure

969

00:36:26,470 --> 00:36:25,520

are you up for talking about that

970

00:36:29,349 --> 00:36:26,480

sure

971

00:36:30,950 --> 00:36:29,359

i've got an article again at my website

972

00:36:34,470 --> 00:36:30,960

i don't remember the title of it off the

973

00:36:38,069 --> 00:36:34,480

top my head but it does talk about the

974

00:36:40,230 --> 00:36:38,079

the citizens hearing disclosure

975

00:36:41,910 --> 00:36:40,240

conference that steve bassett hosted

976
00:36:44,310 --> 00:36:41,920
back in may

977
00:36:45,430 --> 00:36:44,320
late april early may i think it was

978
00:36:47,349 --> 00:36:45,440
um

979
00:36:51,349 --> 00:36:47,359
basically what i said was

980
00:36:54,470 --> 00:36:51,359
he had pestered me to be a part of that

981
00:36:56,550 --> 00:36:54,480
bob salas and three i think it was of

982
00:36:58,470 --> 00:36:56,560
the other ex-missile

983
00:37:01,030 --> 00:36:58,480
people who i had interviewed over the

984
00:37:01,990 --> 00:37:01,040
years did decide to attend and address

985
00:37:04,710 --> 00:37:02,000
it

986
00:37:07,270 --> 00:37:04,720
i chose not to because in my view steve

987
00:37:09,829 --> 00:37:07,280
beth is a grandstander

988
00:37:12,550 --> 00:37:09,839

he loves the spotlight he in my view

989

00:37:15,030 --> 00:37:12,560

does more damage than good because

990

00:37:16,790 --> 00:37:15,040

he refuses to vet his witnesses he has

991

00:37:18,390 --> 00:37:16,800

credible people

992

00:37:20,230 --> 00:37:18,400

you know mixed in with people who

993

00:37:22,950 --> 00:37:20,240

clearly are not credible

994

00:37:25,990 --> 00:37:22,960

in my view and it brings down the

995

00:37:27,430 --> 00:37:26,000

quality of the data down uh dramatically

996

00:37:30,310 --> 00:37:27,440

leslie kane

997

00:37:32,390 --> 00:37:30,320

uh who is even more conservative than i

998

00:37:36,550 --> 00:37:32,400

in our approach to the study of the

999

00:37:38,630 --> 00:37:36,560

subject she also refused to attend

1000

00:37:40,870 --> 00:37:38,640

so i have an article saying that i just

1001
00:37:42,630 --> 00:37:40,880
felt that it if i have credible data

1002
00:37:45,589 --> 00:37:42,640
developed over decades

1003
00:37:47,270 --> 00:37:45,599
if i'm presented in a forum with other

1004
00:37:49,109 --> 00:37:47,280
less than credible data then it

1005
00:37:50,470 --> 00:37:49,119
undercuts the credibility of what i'm

1006
00:37:53,190 --> 00:37:50,480
attempting to do

1007
00:37:55,589 --> 00:37:53,200
so i declined to be involved

1008
00:37:57,670 --> 00:37:55,599
in particular

1009
00:38:01,109 --> 00:37:57,680
what i take issue with are

1010
00:38:04,550 --> 00:38:01,119
people who advocate the legitimacy of

1011
00:38:06,550 --> 00:38:04,560
something called mj12 majestic 12. i'm

1012
00:38:08,630 --> 00:38:06,560
one of the people in the late 80s who

1013
00:38:11,190 --> 00:38:08,640

exposed that as a hoax actually a

1014

00:38:13,670 --> 00:38:11,200

disinformation scheme

1015

00:38:16,390 --> 00:38:13,680

where we actually found forged documents

1016

00:38:18,230 --> 00:38:16,400

being forged at osi office of special

1017

00:38:19,829 --> 00:38:18,240

investigations at kirtland air force

1018

00:38:22,150 --> 00:38:19,839

base in new mexico

1019

00:38:24,870 --> 00:38:22,160

a man named sergeant richard doty

1020

00:38:26,950 --> 00:38:24,880

and was working with another man named

1021

00:38:28,870 --> 00:38:26,960

captain robert collins

1022

00:38:31,109 --> 00:38:28,880

they basically suckered linda mutton

1023

00:38:33,109 --> 00:38:31,119

howell they fed her a bunch of bull they

1024

00:38:34,630 --> 00:38:33,119

gave her forged documents

1025

00:38:36,069 --> 00:38:34,640

linda is

1026

00:38:38,150 --> 00:38:36,079

one of the most gullible people i've

1027

00:38:40,870 --> 00:38:38,160

ever met i've talked to her i've seen

1028

00:38:42,470 --> 00:38:40,880

what she's written about publicly uh she

1029

00:38:43,670 --> 00:38:42,480

really uh

1030

00:38:46,349 --> 00:38:43,680

you know just

1031

00:38:48,710 --> 00:38:46,359

muddied the waters immensely by

1032

00:38:51,910 --> 00:38:48,720

publicizing all of this crap back in the

1033

00:38:53,910 --> 00:38:51,920

early 80s and the ball is still rolling

1034

00:38:57,190 --> 00:38:53,920

and even at the citizen hearing she was

1035

00:38:59,430 --> 00:38:57,200

talking about this opposed mj 12 dot

1036

00:39:02,150 --> 00:38:59,440

related document

1037

00:39:04,630 --> 00:39:02,160

that was legitimate and her estimate and

1038

00:39:07,349 --> 00:39:04,640

yet the the people who and studied that

1039

00:39:09,750 --> 00:39:07,359

and investigated have found like 50 or

1040

00:39:10,790 --> 00:39:09,760

60 flaws actual errors in it that

1041

00:39:12,310 --> 00:39:10,800

clearly

1042

00:39:13,750 --> 00:39:12,320

prove it to the hoax

1043

00:39:15,589 --> 00:39:13,760

so

1044

00:39:16,390 --> 00:39:15,599

long story short i just didn't want to

1045

00:39:18,870 --> 00:39:16,400

be

1046

00:39:21,190 --> 00:39:18,880

sitting there presenting my information

1047

00:39:23,430 --> 00:39:21,200

which is credible and documented

1048

00:39:24,950 --> 00:39:23,440

at the same time linda muttonhowe and

1049

00:39:27,270 --> 00:39:24,960

other people were talking about this

1050

00:39:30,150 --> 00:39:27,280

this already exposed nonsense as if it

1051
00:39:33,670 --> 00:39:30,160
were real and worthy of public attention

1052
00:39:36,150 --> 00:39:33,680
yes i do believe that linda molten ohio

1053
00:39:36,870 --> 00:39:36,160
at one time was on a really good track i

1054
00:39:38,630 --> 00:39:36,880
mean

1055
00:39:40,950 --> 00:39:38,640
her story on the

1056
00:39:43,349 --> 00:39:40,960
cattle mutilations and things like that

1057
00:39:45,430 --> 00:39:43,359
just seemed really solid at one time and

1058
00:39:48,150 --> 00:39:45,440
it does seem that a lot of people tend

1059
00:39:50,870 --> 00:39:48,160
to stray a little bit as if they're in

1060
00:39:53,270 --> 00:39:50,880
this long enough well i agree with that

1061
00:39:55,030 --> 00:39:53,280
and i've written articles in the past in

1062
00:39:56,390 --> 00:39:55,040
which i've said just that she her

1063
00:39:59,030 --> 00:39:56,400

initial work on

1064

00:40:03,030 --> 00:39:59,040

cattle mutilations was groundbreaking

1065

00:40:05,670 --> 00:40:03,040

um she actually did a film called uh

1066

00:40:06,630 --> 00:40:05,680

let's see strange harvest maybe i think

1067

00:40:10,630 --> 00:40:06,640

yeah

1068

00:40:12,550 --> 00:40:10,640

it won a regional emmy in 1980 if i'm

1069

00:40:14,870 --> 00:40:12,560

not mistaken and

1070

00:40:17,349 --> 00:40:14,880

on the strength of that this film about

1071

00:40:19,990 --> 00:40:17,359

cattle mutilations hbo gave her a one

1072

00:40:22,829 --> 00:40:20,000

million dollar budget to produce a film

1073

00:40:25,349 --> 00:40:22,839

on the ufo cover-up and shortly

1074

00:40:27,829 --> 00:40:25,359

thereafter she suddenly gets a call from

1075

00:40:29,990 --> 00:40:27,839

this osi agent richard dodie saying come

1076

00:40:31,750 --> 00:40:30,000

to kirtland air force base we want to

1077

00:40:33,190 --> 00:40:31,760

give you the inside story we know you're

1078

00:40:35,109 --> 00:40:33,200

doing this movie we're going to give you

1079

00:40:38,310 --> 00:40:35,119

the good story because the government

1080

00:40:40,710 --> 00:40:38,320

wants to break the story about ufos well

1081

00:40:41,910 --> 00:40:40,720

she swallowed that hook line and sinker

1082

00:40:43,510 --> 00:40:41,920

uh

1083

00:40:45,670 --> 00:40:43,520

as i said earlier they ended up giving

1084

00:40:46,950 --> 00:40:45,680

her a bunch of forged documents and a

1085

00:40:47,990 --> 00:40:46,960

bunch of bull

1086

00:40:52,470 --> 00:40:48,000

about

1087

00:40:53,349 --> 00:40:52,480

u.s treaties any number of nonsensical

1088

00:40:54,870 --> 00:40:53,359

things

1089

00:40:56,630 --> 00:40:54,880

and

1090

00:40:58,390 --> 00:40:56,640

one of the other civilian researchers

1091

00:40:59,589 --> 00:40:58,400

they sucked into this a guy named bill

1092

00:41:02,790 --> 00:40:59,599

moore

1093

00:41:05,109 --> 00:41:02,800

i ha i helped expose him in march of 89

1094

00:41:06,950 --> 00:41:05,119

and he actually showed up at my door and

1095

00:41:08,630 --> 00:41:06,960

threatened me and basically said you

1096

00:41:10,950 --> 00:41:08,640

know tried to get me to retract my

1097

00:41:14,069 --> 00:41:10,960

statements which i didn't and three

1098

00:41:17,270 --> 00:41:14,079

months later in in whenever july 1st of

1099

00:41:19,910 --> 00:41:17,280

89 at the mufon conference in in las

1100

00:41:20,870 --> 00:41:19,920

vegas he stood up and confessed to about

1101
00:41:22,470 --> 00:41:20,880
90

1102
00:41:24,870 --> 00:41:22,480
of what i had written three months four

1103
00:41:27,030 --> 00:41:24,880
months earlier right and said that yes

1104
00:41:28,790 --> 00:41:27,040
he and linda howe and others civilian

1105
00:41:31,750 --> 00:41:28,800
researchers have been sucked in by this

1106
00:41:34,470 --> 00:41:31,760
disinformation scheme linda's ego

1107
00:41:36,870 --> 00:41:34,480
apparently won't let her admit it uh to

1108
00:41:38,550 --> 00:41:36,880
herself even but she you know she was

1109
00:41:40,630 --> 00:41:38,560
duped she was just led around by the

1110
00:41:41,990 --> 00:41:40,640
nose and um

1111
00:41:46,230 --> 00:41:42,000
she's still

1112
00:41:49,349 --> 00:41:46,240
documents as legitimate and important as

1113
00:41:51,829 --> 00:41:49,359

recently as this past may it's crazy

1114

00:41:53,750 --> 00:41:51,839

yeah i was talking to

1115

00:41:56,309 --> 00:41:53,760

um chris slambright who was sitting in

1116

00:41:57,990 --> 00:41:56,319

that audience when bill moore came out

1117

00:42:01,270 --> 00:41:58,000

and he said he was just blown away by

1118

00:42:05,990 --> 00:42:03,270

um situation we talk a little bit about

1119

00:42:08,630 --> 00:42:06,000

jaime mohson's uh film that he's doing

1120

00:42:11,910 --> 00:42:08,640

he's working with you on this is he

1121

00:42:14,790 --> 00:42:11,920

uh he heimi is working on a production

1122

00:42:16,710 --> 00:42:14,800

for mexican television and i think it's

1123

00:42:19,829 --> 00:42:16,720

going to air before the end of the year

1124

00:42:22,710 --> 00:42:19,839

uh basically it's covering the nuclear

1125

00:42:25,349 --> 00:42:22,720

weapons related ufo incidents so it

1126

00:42:28,550 --> 00:42:25,359

largely has to do with my research

1127

00:42:31,190 --> 00:42:28,560

and um last fall and again this spring i

1128

00:42:33,430 --> 00:42:31,200

traveled with him and his camera team

1129

00:42:36,390 --> 00:42:33,440

around the country and we interviewed

1130

00:42:38,150 --> 00:42:36,400

probably six or seven veterans uh who

1131

00:42:40,230 --> 00:42:38,160

will appear in the film

1132

00:42:42,390 --> 00:42:40,240

um discussing the kinds of things that

1133

00:42:44,230 --> 00:42:42,400

i've been talking about this past few

1134

00:42:46,870 --> 00:42:44,240

minutes

1135

00:42:49,030 --> 00:42:46,880

so that's that's what that's about um

1136

00:42:52,150 --> 00:42:49,040

it basically will open up

1137

00:42:55,030 --> 00:42:52,160

for a spanish speaking audience uh my

1138

00:42:56,950 --> 00:42:55,040

research which which really has been not

1139

00:42:58,950 --> 00:42:56,960

available to them unless they someone

1140

00:43:01,910 --> 00:42:58,960

speaks english as well

1141

00:43:03,030 --> 00:43:01,920

so this is a very positive development

1142

00:43:05,109 --> 00:43:03,040

um

1143

00:43:07,990 --> 00:43:05,119

i i recently

1144

00:43:10,390 --> 00:43:08,000

attended a uh conference in copenhagen

1145

00:43:12,470 --> 00:43:10,400

uh the the danish

1146

00:43:14,390 --> 00:43:12,480

exopolitics

1147

00:43:15,990 --> 00:43:14,400

groups meeting

1148

00:43:18,550 --> 00:43:16,000

i've done a similar meeting in in

1149

00:43:19,670 --> 00:43:18,560

stockholm sweden and also spoken down in

1150

00:43:22,870 --> 00:43:19,680

brazil

1151
00:43:25,270 --> 00:43:22,880
at a ufo conference back in 19 i i'm

1152
00:43:26,790 --> 00:43:25,280
trying to get as many

1153
00:43:28,790 --> 00:43:26,800
people around the world you know

1154
00:43:31,270 --> 00:43:28,800
non-english speakers

1155
00:43:33,349 --> 00:43:31,280
uh tuned in to the fact that this is all

1156
00:43:34,790 --> 00:43:33,359
real that ufos are interested in our

1157
00:43:36,790 --> 00:43:34,800
nuclear weapons

1158
00:43:39,109 --> 00:43:36,800
and try to you know spread the word so

1159
00:43:41,349 --> 00:43:39,119
to speak so

1160
00:43:43,990 --> 00:43:41,359
working on will be a an excellent way to

1161
00:43:44,870 --> 00:43:44,000
do that for spanish the spanish audience

1162
00:43:48,069 --> 00:43:44,880
yeah

1163
00:43:49,589 --> 00:43:48,079

on sort of a related topic has there

1164

00:43:52,390 --> 00:43:49,599

ever been any

1165

00:43:54,710 --> 00:43:52,400

sightings over nuclear power plants

1166

00:43:57,589 --> 00:43:54,720

oh absolutely and um

1167

00:43:59,430 --> 00:43:57,599

in my book ufos and nukes it's available

1168

00:44:01,670 --> 00:43:59,440

at my website um

1169

00:44:03,910 --> 00:44:01,680

it's available at amazon if you want to

1170

00:44:05,589 --> 00:44:03,920

pay scalper rates they buy it from me

1171

00:44:07,829 --> 00:44:05,599

and resell it for three times what i

1172

00:44:10,710 --> 00:44:07,839

sell it for but if one one goes to my

1173

00:44:12,950 --> 00:44:10,720

website you can order the book and the

1174

00:44:15,670 --> 00:44:12,960

one of the appendices i have

1175

00:44:16,630 --> 00:44:15,680

i don't know maybe 10 pages about cases

1176

00:44:18,630 --> 00:44:16,640

involving

1177

00:44:20,790 --> 00:44:18,640

nuclear power plants where these objects

1178

00:44:23,829 --> 00:44:20,800

have hovered over power plants

1179

00:44:26,630 --> 00:44:23,839

um going back decades in fact uh the

1180

00:44:29,030 --> 00:44:26,640

most dramatic case apparently was the

1181

00:44:32,950 --> 00:44:29,040

chernobyl plant the the reactor that

1182

00:44:35,270 --> 00:44:32,960

exploded in ukraine in april of 86

1183

00:44:37,349 --> 00:44:35,280

a decade later there were articles

1184

00:44:39,589 --> 00:44:37,359

appearing in the ukrainian and russian

1185

00:44:41,589 --> 00:44:39,599

media this was after the collapse of the

1186

00:44:44,309 --> 00:44:41,599

soviet union

1187

00:44:45,990 --> 00:44:44,319

there were stories about nuclear

1188

00:44:48,710 --> 00:44:46,000

radiation teams

1189

00:44:51,030 --> 00:44:48,720

radiation monitoring teams who were sent

1190

00:44:52,870 --> 00:44:51,040

by the soviet government to

1191

00:44:54,550 --> 00:44:52,880

you know assess the situation after this

1192

00:44:57,030 --> 00:44:54,560

reactor exploded

1193

00:44:59,589 --> 00:44:57,040

and apparently one of the team members

1194

00:45:01,430 --> 00:44:59,599

uh said that after they were there and

1195

00:45:03,270 --> 00:45:01,440

had taken radiation readings which are

1196

00:45:06,230 --> 00:45:03,280

extremely high

1197

00:45:08,790 --> 00:45:06,240

this brass colored sphere appeared over

1198

00:45:10,309 --> 00:45:08,800

the damaged reactor they estimated for

1199

00:45:12,390 --> 00:45:10,319

three to five minutes

1200

00:45:15,109 --> 00:45:12,400

and at one point while i was hovering

1201
00:45:17,510 --> 00:45:15,119
about the damage reactor sent down two

1202
00:45:19,589 --> 00:45:17,520
crimson colored beams of light

1203
00:45:22,390 --> 00:45:19,599
for some brief period and then the thing

1204
00:45:25,109 --> 00:45:22,400
raced away and the next time they took a

1205
00:45:27,750 --> 00:45:25,119
radiation reading it had had diminished

1206
00:45:31,750 --> 00:45:27,760
by i believe it was two-thirds uh there

1207
00:45:35,510 --> 00:45:31,760
was a dramatic decrease in the the

1208
00:45:37,910 --> 00:45:35,520
uh detectable and i don't know of any

1209
00:45:40,309 --> 00:45:37,920
uh scientific principle that we're aware

1210
00:45:41,829 --> 00:45:40,319
of we humans are aware of that can can

1211
00:45:43,829 --> 00:45:41,839
account for that

1212
00:45:46,470 --> 00:45:43,839
radioactivity has a

1213
00:45:47,750 --> 00:45:46,480

predictable you know slow decay rate

1214

00:45:52,710 --> 00:45:47,760

right

1215

00:45:53,990 --> 00:45:52,720

and so what the stories basically said

1216

00:45:56,069 --> 00:45:54,000

you know that were published in the mid

1217

00:45:58,390 --> 00:45:56,079

90s was that a ufo appeared above the

1218

00:46:01,270 --> 00:45:58,400

damaged reactor did something

1219

00:46:03,510 --> 00:46:01,280

and suddenly the radioactivity level was

1220

00:46:04,870 --> 00:46:03,520

dramatically reduced so that's that's

1221

00:46:07,589 --> 00:46:04,880

pretty dramatic

1222

00:46:09,270 --> 00:46:07,599

it is maybe he was just filling up the

1223

00:46:14,309 --> 00:46:09,280

tank

1224

00:46:16,470 --> 00:46:14,319

you know and it just kind of points more

1225

00:46:17,990 --> 00:46:16,480

and more to the fact that you know

1226

00:46:20,230 --> 00:46:18,000

they're trying to

1227

00:46:21,910 --> 00:46:20,240

save us from ourselves in a type of way

1228

00:46:24,630 --> 00:46:21,920

that's the way i read it that's the way

1229

00:46:27,910 --> 00:46:24,640

i read it um after the uh the damage

1230

00:46:30,550 --> 00:46:27,920

reacting in japan the fukushima reactor

1231

00:46:33,589 --> 00:46:30,560

um i've seen stories on the internet

1232

00:46:35,510 --> 00:46:33,599

supposedly about ufo sightings at

1233

00:46:37,270 --> 00:46:35,520

that site and and all of them were

1234

00:46:39,589 --> 00:46:37,280

pretty bogus i haven't seen one that i

1235

00:46:42,550 --> 00:46:39,599

consider credible that has valid

1236

00:46:44,870 --> 00:46:42,560

verifiable sources they're just kind of

1237

00:46:47,030 --> 00:46:44,880

the rumor mill that you find in you know

1238

00:46:48,790 --> 00:46:47,040

on the internet but right

1239

00:46:50,630 --> 00:46:48,800

it wouldn't surprise me that you know

1240

00:46:52,790 --> 00:46:50,640

whoever flying these things were taken

1241

00:46:54,710 --> 00:46:52,800

in interest in the damage reactors over

1242

00:46:56,950 --> 00:46:54,720

there as well yeah has there been

1243

00:46:59,990 --> 00:46:56,960

anything new on the horizon of your

1244

00:47:01,670 --> 00:47:00,000

research uh more of the same i guess you

1245

00:47:05,109 --> 00:47:01,680

could call it um

1246

00:47:07,270 --> 00:47:05,119

in in september of 2012 not even a year

1247

00:47:09,910 --> 00:47:07,280

ago

1248

00:47:13,510 --> 00:47:09,920

there were reports around oscar flight

1249

00:47:15,430 --> 00:47:13,520

where bob salas was back in 67 a local

1250

00:47:18,230 --> 00:47:15,440

people in the town of roy which is

1251
00:47:19,670 --> 00:47:18,240
basically surrounded by oscar flight

1252
00:47:21,750 --> 00:47:19,680
the 10

1253
00:47:25,829 --> 00:47:21,760
missile silos operated by this central

1254
00:47:28,470 --> 00:47:25,839
launch control facility designated oscar

1255
00:47:30,550 --> 00:47:28,480
a woman named jennifer steyer

1256
00:47:32,390 --> 00:47:30,560
filed a report with the sheriff's office

1257
00:47:35,270 --> 00:47:32,400
fergus county sheriff's office saying

1258
00:47:37,510 --> 00:47:35,280
she's seen two v-shaped objects

1259
00:47:39,990 --> 00:47:37,520
silently flying very close when he took

1260
00:47:41,349 --> 00:47:40,000
the wingtip

1261
00:47:45,510 --> 00:47:41,359
from

1262
00:47:47,349 --> 00:47:45,520
this one missile side i think it was 03.

1263
00:47:50,230 --> 00:47:47,359

i'd have to look at my notes

1264

00:47:51,829 --> 00:47:50,240

but when i read that i went up there and

1265

00:47:54,550 --> 00:47:51,839

interviewed several people around the

1266

00:47:56,550 --> 00:47:54,560

town of roy and everybody in this little

1267

00:47:58,630 --> 00:47:56,560

town you know who came and sat and

1268

00:47:59,750 --> 00:47:58,640

talked to me had seen ufos flying around

1269

00:48:01,750 --> 00:47:59,760

the missiles

1270

00:48:03,190 --> 00:48:01,760

around the town just within the last

1271

00:48:05,910 --> 00:48:03,200

year or so

1272

00:48:07,750 --> 00:48:05,920

and intriguingly to me several of them

1273

00:48:10,309 --> 00:48:07,760

said right around the time jennifer

1274

00:48:12,710 --> 00:48:10,319

steyer saw these two v-shaped objects

1275

00:48:14,950 --> 00:48:12,720

there was a dramatic increase in

1276

00:48:17,030 --> 00:48:14,960

military police patrols air force police

1277

00:48:18,470 --> 00:48:17,040

patrols as well as

1278

00:48:21,910 --> 00:48:18,480

the appearance of these missile

1279

00:48:23,589 --> 00:48:21,920

maintenance vans uh they're a very

1280

00:48:25,349 --> 00:48:23,599

distinct looking type of van with all

1281

00:48:27,510 --> 00:48:25,359

sorts of equipment in it

1282

00:48:29,510 --> 00:48:27,520

that they they fix routine issues

1283

00:48:31,750 --> 00:48:29,520

involving the missiles well suddenly

1284

00:48:33,990 --> 00:48:31,760

right after this fighting by jennifer

1285

00:48:35,750 --> 00:48:34,000

there was a dramatic increase in these

1286

00:48:37,510 --> 00:48:35,760

maintenance bans all around the town of

1287

00:48:40,230 --> 00:48:37,520

roy and the missile sites surrounding

1288

00:48:42,390 --> 00:48:40,240

the town so that tells me there's a very

1289

00:48:44,950 --> 00:48:42,400

high likelihood that whatever went on in

1290

00:48:47,030 --> 00:48:44,960

september of last year may have impacted

1291

00:48:49,510 --> 00:48:47,040

the functionality of the missiles and

1292

00:48:51,510 --> 00:48:49,520

suddenly you know there were had to be

1293

00:48:52,870 --> 00:48:51,520

lots of repairs made as is what i'm

1294

00:48:55,109 --> 00:48:52,880

driving at

1295

00:48:57,109 --> 00:48:55,119

if indeed that happened that would be

1296

00:48:59,990 --> 00:48:57,119

you know very that would be a very

1297

00:49:02,870 --> 00:49:00,000

strong echo of what bob salas describes

1298

00:49:05,190 --> 00:49:02,880

having occurred back in 67.

1299

00:49:07,670 --> 00:49:05,200

you know i go back and forth on whether

1300

00:49:10,069 --> 00:49:07,680

i think the government knows anything or

1301
00:49:11,910 --> 00:49:10,079
whether if part of the government might

1302
00:49:13,910 --> 00:49:11,920
know something or

1303
00:49:15,829 --> 00:49:13,920
if maybe the government knows that they

1304
00:49:17,349 --> 00:49:15,839
that they don't know but they don't want

1305
00:49:19,670 --> 00:49:17,359
us to know that they don't know type of

1306
00:49:20,710 --> 00:49:19,680
thing which what's your opinion on that

1307
00:49:23,670 --> 00:49:20,720
well

1308
00:49:25,349 --> 00:49:23,680
clearly uh based on the field reports

1309
00:49:27,430 --> 00:49:25,359
the military police around the missile

1310
00:49:29,190 --> 00:49:27,440
sites uh the missile launch officers the

1311
00:49:32,069 --> 00:49:29,200
people that are involved in these very

1312
00:49:34,870 --> 00:49:32,079
sensitive national security incidents

1313
00:49:36,470 --> 00:49:34,880

the people who take their statements osi

1314

00:49:38,150 --> 00:49:36,480

or their missile commanders that

1315

00:49:40,549 --> 00:49:38,160

information gets kicked to a higher

1316

00:49:43,030 --> 00:49:40,559

level who knows where it goes who knows

1317

00:49:45,190 --> 00:49:43,040

how many people see it

1318

00:49:47,030 --> 00:49:45,200

these very sensitive infants incidents

1319

00:49:48,790 --> 00:49:47,040

are need to know i mean you could have a

1320

00:49:50,710 --> 00:49:48,800

top secret clearance but if you don't

1321

00:49:53,349 --> 00:49:50,720

have a need to know about these kinds of

1322

00:49:55,990 --> 00:49:53,359

incidents you won't know about them so

1323

00:49:58,150 --> 00:49:56,000

it's difficult to say how many people at

1324

00:50:00,710 --> 00:49:58,160

the pentagon or the cia really have a

1325

00:50:02,870 --> 00:50:00,720

good handle on what's going on but some

1326
00:50:04,309 --> 00:50:02,880
number of people know the people of the

1327
00:50:06,069 --> 00:50:04,319
field know it you know when they're

1328
00:50:08,710 --> 00:50:06,079
standing there and they see a large disc

1329
00:50:10,790 --> 00:50:08,720
coming over over a missile site

1330
00:50:13,030 --> 00:50:10,800
and suddenly the missile malfunctions

1331
00:50:14,710 --> 00:50:13,040
they know it's real they're they're

1332
00:50:17,109 --> 00:50:14,720
sending their reports to someone at a

1333
00:50:18,230 --> 00:50:17,119
higher level they know that these people

1334
00:50:22,150 --> 00:50:18,240
are serious and they're not

1335
00:50:24,390 --> 00:50:22,160
hallucinating or lying so but you know

1336
00:50:27,430 --> 00:50:24,400
who knows up the chain of command

1337
00:50:29,750 --> 00:50:27,440
where the data finally ends up

1338
00:50:31,589 --> 00:50:29,760

it's difficult to say but and if you

1339

00:50:33,750 --> 00:50:31,599

look at radar data

1340

00:50:35,750 --> 00:50:33,760

there are many many many cases where

1341

00:50:37,430 --> 00:50:35,760

these objects are being tracked on radar

1342

00:50:39,910 --> 00:50:37,440

doing these amazing things they're being

1343

00:50:41,670 --> 00:50:39,920

chased by jets i have a whole chapter in

1344

00:50:44,309 --> 00:50:41,680

my book devoted to

1345

00:50:46,390 --> 00:50:44,319

uh interviews i did with radar personnel

1346

00:50:48,870 --> 00:50:46,400

at namstrom air force base who said you

1347

00:50:50,870 --> 00:50:48,880

know we were tracking objects that you

1348

00:50:51,910 --> 00:50:50,880

know could cover 200 miles in the blink

1349

00:50:54,150 --> 00:50:51,920

of an eye

1350

00:50:55,910 --> 00:50:54,160

doing doing zigzag maneuvers the whole

1351
00:50:57,750 --> 00:50:55,920
time and

1352
00:51:00,470 --> 00:50:57,760
you know flying far faster than our

1353
00:51:03,190 --> 00:51:00,480
fastest aircraft the sr-71

1354
00:51:05,109 --> 00:51:03,200
and uh you know so someone is collecting

1355
00:51:07,109 --> 00:51:05,119
that radar data it's going somewhere

1356
00:51:09,750 --> 00:51:07,119
it's being considered real

1357
00:51:11,670 --> 00:51:09,760
um so that's that's the best way to

1358
00:51:12,870 --> 00:51:11,680
discard it i think you know when you

1359
00:51:14,549 --> 00:51:12,880
look at

1360
00:51:17,270 --> 00:51:14,559
the total number of people involved in

1361
00:51:18,710 --> 00:51:17,280
the military a very small percentage of

1362
00:51:21,670 --> 00:51:18,720
they are really

1363
00:51:24,710 --> 00:51:21,680

tuned in to you know that have have

1364

00:51:27,190 --> 00:51:24,720

access to the data going back to stephen

1365

00:51:28,790 --> 00:51:27,200

bassett's mantra more or less do you

1366

00:51:31,190 --> 00:51:28,800

think that there will ever be a

1367

00:51:33,430 --> 00:51:31,200

disclosure or do you think that enough

1368

00:51:35,349 --> 00:51:33,440

of the government would even know

1369

00:51:37,990 --> 00:51:35,359

to make a disclosure

1370

00:51:40,230 --> 00:51:38,000

i i think it's a question of time before

1371

00:51:42,390 --> 00:51:40,240

it happens i think unlike stephen

1372

00:51:44,069 --> 00:51:42,400

bassett i don't think that you know even

1373

00:51:45,829 --> 00:51:44,079

if three-quarters of them the american

1374

00:51:47,190 --> 00:51:45,839

people say tell us the truth it they

1375

00:51:48,549 --> 00:51:47,200

won't tell us the truth unless they're

1376

00:51:50,390 --> 00:51:48,559

good and ready to

1377

00:51:52,309 --> 00:51:50,400

so what he's engaged in is kind of a

1378

00:51:53,750 --> 00:51:52,319

fool's errand in my view

1379

00:51:56,150 --> 00:51:53,760

yeah i want to know the truth like

1380

00:51:58,390 --> 00:51:56,160

everyone else but you know all the

1381

00:52:00,710 --> 00:51:58,400

efforts over the last 70 years people

1382

00:52:02,950 --> 00:52:00,720

petitioning and holding you know

1383

00:52:04,790 --> 00:52:02,960

petition drives and congressional

1384

00:52:07,109 --> 00:52:04,800

hearings and all the things that have

1385

00:52:08,549 --> 00:52:07,119

been put forward to try to bring the

1386

00:52:11,430 --> 00:52:08,559

truth out have just

1387

00:52:13,109 --> 00:52:11,440

you know met with with the stonewall and

1388

00:52:15,190 --> 00:52:13,119

it's not changed there's no evidence

1389

00:52:17,030 --> 00:52:15,200

that governments getting closer to

1390

00:52:18,790 --> 00:52:17,040

telling the truth based on any

1391

00:52:20,870 --> 00:52:18,800

indicators i've seen

1392

00:52:24,230 --> 00:52:20,880

so sooner or later the story is going to

1393

00:52:26,870 --> 00:52:24,240

break i think it is likely that whoever

1394

00:52:28,630 --> 00:52:26,880

are aboard these craft are going to up

1395

00:52:29,589 --> 00:52:28,640

the ante so to speak they're going to

1396

00:52:31,670 --> 00:52:29,599

suddenly

1397

00:52:33,510 --> 00:52:31,680

kick things into high gear and put on

1398

00:52:35,190 --> 00:52:33,520

some sort of worldwide demonstration

1399

00:52:36,790 --> 00:52:35,200

that makes it clear

1400

00:52:39,190 --> 00:52:36,800

that we'll leave no doubt in anyone's

1401
00:52:39,910 --> 00:52:39,200
mind anywhere that this is real

1402
00:52:41,750 --> 00:52:39,920
but

1403
00:52:43,510 --> 00:52:41,760
will any government take the bull by the

1404
00:52:45,990 --> 00:52:43,520
horns and come forward and get the ball

1405
00:52:48,309 --> 00:52:46,000
rolling i doubt it um

1406
00:52:50,950 --> 00:52:48,319
there's a former cia employee victor

1407
00:52:54,470 --> 00:52:50,960
marquette high level employee he broke

1408
00:52:57,109 --> 00:52:54,480
with the agency in the early 70s he felt

1409
00:53:00,470 --> 00:52:57,119
the agency was doing

1410
00:53:01,190 --> 00:53:00,480
criminal activities and so he left cia

1411
00:53:03,430 --> 00:53:01,200
but

1412
00:53:06,710 --> 00:53:03,440
at one point he wrote an article called

1413
00:53:08,950 --> 00:53:06,720

how the cia views the ufo phenomenon for

1414

00:53:10,790 --> 00:53:08,960

a magazine called second look this was

1415

00:53:12,230 --> 00:53:10,800

in may of uh

1416

00:53:14,950 --> 00:53:12,240

79

1417

00:53:17,190 --> 00:53:14,960

and he said you know based on his

1418

00:53:20,309 --> 00:53:17,200

knowledge of what the cia knows about

1419

00:53:23,109 --> 00:53:20,319

ufos quite clearly there is a cover-up

1420

00:53:25,430 --> 00:53:23,119

um he said there were persistent rumors

1421

00:53:28,950 --> 00:53:25,440

very sensitive stories about crashed

1422

00:53:30,790 --> 00:53:28,960

ufos multiple ufos crashed

1423

00:53:33,190 --> 00:53:30,800

some of which had been shot down

1424

00:53:35,829 --> 00:53:33,200

according to marchetti but most of the

1425

00:53:38,870 --> 00:53:35,839

article was devoted to the fact that no

1426

00:53:41,270 --> 00:53:38,880

government on earth is going to you know

1427

00:53:42,870 --> 00:53:41,280

rock the boat so to speak by announcing

1428

00:53:45,430 --> 00:53:42,880

all of this as real because the

1429

00:53:47,430 --> 00:53:45,440

consequences are so unpredictable

1430

00:53:49,270 --> 00:53:47,440

the people in power the people who are

1431

00:53:51,829 --> 00:53:49,280

enjoying the status quo want to keep

1432

00:53:53,589 --> 00:53:51,839

things nice and tranquil and

1433

00:53:56,150 --> 00:53:53,599

they don't want to suddenly admit that

1434

00:53:57,510 --> 00:53:56,160

there are forces beyond their power and

1435

00:53:59,670 --> 00:53:57,520

that

1436

00:54:01,270 --> 00:53:59,680

you know they have no control over you

1437

00:54:02,870 --> 00:54:01,280

just don't want to go on television and

1438

00:54:04,710 --> 00:54:02,880

tell your citizens

1439

00:54:07,030 --> 00:54:04,720

you know any in any country on earth

1440

00:54:09,750 --> 00:54:07,040

that there's some power that's above you

1441

00:54:12,230 --> 00:54:09,760

that that they have no power over

1442

00:54:14,069 --> 00:54:12,240

so marchetti's premise and i i think i

1443

00:54:15,510 --> 00:54:14,079

agree is that

1444

00:54:17,829 --> 00:54:15,520

you know no one's going to really take

1445

00:54:19,910 --> 00:54:17,839

the initiative and make the first

1446

00:54:22,790 --> 00:54:19,920

announcement about this it's going to

1447

00:54:25,430 --> 00:54:22,800

unfold in some other fashion

1448

00:54:26,950 --> 00:54:25,440

going back to evidence i have talked to

1449

00:54:29,589 --> 00:54:26,960

a couple of skeptics

1450

00:54:31,750 --> 00:54:29,599

and i bring up the radar what i call

1451

00:54:34,069 --> 00:54:31,760

radar evidence and they say no it's not

1452

00:54:36,390 --> 00:54:34,079

evidence you know basically it's

1453

00:54:38,790 --> 00:54:36,400

it could be anomalies it could be

1454

00:54:40,790 --> 00:54:38,800

you know it's explained away what would

1455

00:54:42,150 --> 00:54:40,800

you have to say to a skeptic that said

1456

00:54:43,750 --> 00:54:42,160

that to you

1457

00:54:45,829 --> 00:54:43,760

those are the people that have never

1458

00:54:47,910 --> 00:54:45,839

actually studied the data in any given

1459

00:54:50,230 --> 00:54:47,920

case and even a single case they're the

1460

00:54:52,309 --> 00:54:50,240

armchair experts who make broad

1461

00:54:54,150 --> 00:54:52,319

generalized statements like

1462

00:54:56,150 --> 00:54:54,160

that they've never taken the time to

1463

00:54:59,430 --> 00:54:56,160

look at the data if you look at the data

1464

00:55:01,510 --> 00:54:59,440

you have in some cases multiple radar

1465

00:55:03,510 --> 00:55:01,520

installations simultaneously picking up

1466

00:55:05,990 --> 00:55:03,520

the same object all of the data are

1467

00:55:08,870 --> 00:55:06,000

correct it's not a malfunctioning you

1468

00:55:11,750 --> 00:55:08,880

know radar set in other cases you have

1469

00:55:14,790 --> 00:55:11,760

visual confirmation the famous case from

1470

00:55:16,630 --> 00:55:14,800

uh 1952 july 52

1471

00:55:18,309 --> 00:55:16,640

where many ufos were overflying

1472

00:55:22,069 --> 00:55:18,319

washington dc

1473

00:55:24,470 --> 00:55:22,079

uh the the military and in particular

1474

00:55:26,950 --> 00:55:24,480

the forerunner of the faa admitted they

1475

00:55:29,349 --> 00:55:26,960

were picking these objects up on radar

1476

00:55:31,670 --> 00:55:29,359

and when air force interceptors were

1477

00:55:33,910 --> 00:55:31,680

sent up after them there were occasions

1478

00:55:35,910 --> 00:55:33,920

where when they got close to the ufos

1479

00:55:37,030 --> 00:55:35,920

they see see these luminous balls of

1480

00:55:40,069 --> 00:55:37,040

light or

1481

00:55:43,270 --> 00:55:40,079

flattened ellipse shaped balls of light

1482

00:55:45,510 --> 00:55:43,280

or you know shaped lit light lights

1483

00:55:48,150 --> 00:55:45,520

and that corresponded precisely where

1484

00:55:50,069 --> 00:55:48,160

the the targets were on radar indicating

1485

00:55:52,789 --> 00:55:50,079

these were real solid targets being

1486

00:55:54,789 --> 00:55:52,799

tracked they were craft apparently

1487

00:55:57,910 --> 00:55:54,799

enveloped in plasma

1488

00:56:00,150 --> 00:55:57,920

so again people like seth shostak and

1489

00:56:02,069 --> 00:56:00,160

all of the other armchair experts

1490

00:56:03,750 --> 00:56:02,079

they just it's easier for them to shoot

1491

00:56:04,789 --> 00:56:03,760

from the lip and make statements like

1492

00:56:07,190 --> 00:56:04,799

that

1493

00:56:09,190 --> 00:56:07,200

it alleviates them from actually sitting

1494

00:56:10,630 --> 00:56:09,200

down and studying the data and finding

1495

00:56:12,150 --> 00:56:10,640

out they were wrong

1496

00:56:14,630 --> 00:56:12,160

and you know they've been making fools

1497

00:56:16,069 --> 00:56:14,640

of themselves for decades now so that's

1498

00:56:19,030 --> 00:56:16,079

that's how i would respond to those

1499

00:56:21,190 --> 00:56:19,040

criticisms i love it well thanks so much

1500

00:56:23,109 --> 00:56:21,200

robert it's been another pleasant talk

1501
00:56:24,549 --> 00:56:23,119
with you i really appreciate your good

1502
00:56:25,670 --> 00:56:24,559
work that you do

1503
00:56:27,270 --> 00:56:25,680
well thank you

1504
00:56:28,630 --> 00:56:27,280
well that's it for our show today thank

1505
00:56:30,630 --> 00:56:28,640
you for listening

1506
00:56:32,309 --> 00:56:30,640
i never really like talking about money

1507
00:56:34,470 --> 00:56:32,319
and i promise i'll only do it once a

1508
00:56:36,549 --> 00:56:34,480
month at the very most we have a new

1509
00:56:40,470 --> 00:56:36,559
paypal subscription button on our

1510
00:56:42,630 --> 00:56:40,480
sidebar at podcastufo.com

1511
00:56:45,109 --> 00:56:42,640
monthly subscriptions range from five

1512
00:56:47,430 --> 00:56:45,119
dollars ten dollars or twenty five

1513
00:56:50,150 --> 00:56:47,440

dollars it's an easy sign up and it's

1514

00:56:52,630 --> 00:56:50,160

also an easy cancel at any time

1515

00:56:54,630 --> 00:56:52,640

this show is growing all the time and

1516

00:56:57,109 --> 00:56:54,640

our gold plated problem is we might be

1517

00:56:58,789 --> 00:56:57,119

having to buy some more bandwidth so for

1518

00:57:01,270 --> 00:56:58,799

the price of a few cups of coffee a

1519

00:57:03,430 --> 00:57:01,280

month you can really help us out a lot

1520

00:57:05,190 --> 00:57:03,440

and if you cannot help us we still want

1521

00:57:06,309 --> 00:57:05,200

you to know we appreciate every single

1522

00:57:07,990 --> 00:57:06,319

listener

1523

00:57:11,589 --> 00:57:08,000

thanks again and make sure you check

1524

00:57:13,910 --> 00:57:11,599
