[Music]

2  
00:00:04,150 --> 00:00:02,480

and it hits me oh my gosh this is that

3  
00:00:05,349 --> 00:00:04,160

triangle you know there's explanation

4  
00:00:07,269 --> 00:00:05,359

for everything that occurred in the

5  
00:00:09,830 --> 00:00:07,279

rental champions incident that doesn't

6  
00:00:13,190 --> 00:00:09,840

involve aliens at all it was completely

7  
00:00:14,150 --> 00:00:13,200

silent it comes right over our heads he

8  
00:00:16,470 --> 00:00:14,160

saw a

9  
00:00:18,310 --> 00:00:16,480

classic flying saucer really standing in

10  
00:00:19,830 --> 00:00:18,320

the clearing he turned over to my father

11  
00:00:24,070 --> 00:00:19,840

and held his hand and he looked in his

12  
00:00:28,150 --> 00:00:25,990

hello and welcome to the show i'm martin

13  
00:00:30,550 --> 00:00:28,160

willis your host michael laucou be

14

00:00:32,549 --> 00:00:30,560

joining us for the news in just a sec

15

00:00:34,630 --> 00:00:32,559

after the news we have a great interview

16

00:00:37,190 --> 00:00:34,640

with grant cameron he's been around the

17

00:00:39,030 --> 00:00:37,200

scene i should say the ufo scene since

18

00:00:40,790 --> 00:00:39,040

1975.

19

00:00:42,709 --> 00:00:40,800

so how you doing michael what's up for

20

00:00:44,389 --> 00:00:42,719

the news this week well this week we

21

00:00:46,549 --> 00:00:44,399

have a few ufo sightings and some

22

00:00:49,110 --> 00:00:46,559

science news first though i'd like to

23

00:00:51,029 --> 00:00:49,120

remind everyone to visit [podcastufo.com](http://podcastufo.com)

24

00:00:52,869 --> 00:00:51,039

to check out the show notes with links

25

00:00:55,029 --> 00:00:52,879

to media coverage of all of our news

26

00:00:56,869 --> 00:00:55,039

stories while you are there be sure to

27

00:00:58,310 --> 00:00:56,879

take a second to join the forums of

28

00:01:01,430 --> 00:00:58,320

course you can always find us on our

29

00:01:02,869 --> 00:01:01,440

active facebook page as well and i'd

30

00:01:04,710 --> 00:01:02,879

also like to thank carrie lloyd

31

00:01:07,750 --> 00:01:04,720

whitehouse who composed and provided

32

00:01:09,670 --> 00:01:07,760

today's music well first up we have a

33

00:01:12,149 --> 00:01:09,680

florida security camera catching

34

00:01:13,429 --> 00:01:12,159

mysterious lights over a pool and

35

00:01:15,190 --> 00:01:13,439

everybody you're going to want to go to

36

00:01:17,190 --> 00:01:15,200

the show notes and look at this a

37

00:01:20,310 --> 00:01:17,200

florida condo security guard saw

38

00:01:22,870 --> 00:01:20,320

something off and so far unexplained in

39

00:01:24,390 --> 00:01:22,880

one swimming pool security camera feed

40

00:01:26,070 --> 00:01:24,400

monday night

41

00:01:28,390 --> 00:01:26,080

the view is partially obscured by

42

00:01:30,789 --> 00:01:28,400

condensation making identification even

43

00:01:33,350 --> 00:01:30,799

more difficult but some strange light

44

00:01:35,990 --> 00:01:33,360

does appear to hover over and perhaps

45

00:01:37,990 --> 00:01:36,000

even enter the water visit our show

46

00:01:40,230 --> 00:01:38,000

notes for a link to the local nbc news

47

00:01:42,710 --> 00:01:40,240

coverage out of naples florida and about

48

00:01:44,149 --> 00:01:42,720

one minute of the security footage now

49

00:01:46,550 --> 00:01:44,159

martin did you did you get a chance to

50

00:01:48,950 --> 00:01:46,560

see this oh yes and uh you know my son

51  
00:01:49,910 --> 00:01:48,960  
was visiting last night so we watched it

52  
00:01:51,190 --> 00:01:49,920  
together

53  
00:01:54,149 --> 00:01:51,200  
and you know he

54  
00:01:56,870 --> 00:01:54,159  
he tries to keep a very i would say a

55  
00:01:59,270 --> 00:01:56,880  
skeptical mind when he's observing about

56  
00:02:00,950 --> 00:01:59,280  
every single ufo video that i've ever

57  
00:02:02,709 --> 00:02:00,960  
shown him which is good you know healthy

58  
00:02:04,550 --> 00:02:02,719  
and whatever but you know right away he

59  
00:02:06,389 --> 00:02:04,560  
says that it's like maybe a sprinkler

60  
00:02:08,550 --> 00:02:06,399  
hit hit that thing you know and it's a

61  
00:02:11,190 --> 00:02:08,560  
it's a globe over the security camera

62  
00:02:13,430 --> 00:02:11,200  
and i said i know it looks to me like

63  
00:02:15,350 --> 00:02:13,440

something electrical and back and forth

64

00:02:17,110 --> 00:02:15,360

but you know all of a sudden he said

65

00:02:18,869 --> 00:02:17,120

if that was going on for 30 minutes and

66

00:02:21,350 --> 00:02:18,879

the woman was watching it why didn't she

67

00:02:23,990 --> 00:02:21,360

go out and take a look and that is

68

00:02:26,070 --> 00:02:24,000

exactly what i wondered

69

00:02:27,510 --> 00:02:26,080

and uh is there any answer to that i

70

00:02:29,750 --> 00:02:27,520

can't find anything

71

00:02:32,949 --> 00:02:29,760

no except that um

72

00:02:36,150 --> 00:02:32,959

maybe her job does not cover fighting

73

00:02:37,750 --> 00:02:36,160

off an alien invasion oh you know i

74

00:02:41,110 --> 00:02:37,760

usually don't see that type of thing in

75

00:02:42,869 --> 00:02:41,120

a job application myself exactly yeah um

76

00:02:45,110 --> 00:02:42,879

i you know i i have to admit when i

77

00:02:47,509 --> 00:02:45,120

watched the news coverage

78

00:02:49,670 --> 00:02:47,519

i was very unimpressed because there's

79

00:02:51,910 --> 00:02:49,680

definitely water on

80

00:02:53,509 --> 00:02:51,920

on the the camera housing for the

81

00:02:55,350 --> 00:02:53,519

security camera they show the security

82

00:02:57,270 --> 00:02:55,360

camera it's it's in one of the bubbles

83

00:02:59,910 --> 00:02:57,280

it's one of the small ones

84

00:03:02,229 --> 00:02:59,920

but when you watch the separate they

85

00:03:04,149 --> 00:03:02,239

have about a minute i think 54 55

86

00:03:06,550 --> 00:03:04,159

seconds pulled up when you watch that

87

00:03:08,630 --> 00:03:06,560

you do get a little bit better

88

00:03:09,990 --> 00:03:08,640

idea of what went on because they say

89

00:03:12,070 --> 00:03:10,000

you know oh at first it looks like

90

00:03:13,509 --> 00:03:12,080

something you know that's that's a disc

91

00:03:16,229 --> 00:03:13,519

and it doesn't look like a disc it's

92

00:03:19,110 --> 00:03:16,239

obviously some kind of light haloing

93

00:03:21,190 --> 00:03:19,120

in this water drop that's that's over

94

00:03:23,670 --> 00:03:21,200

the lens but after that

95

00:03:25,990 --> 00:03:23,680

whatever it is does

96

00:03:27,830 --> 00:03:26,000

it it's a light and it goes down and it

97

00:03:28,949 --> 00:03:27,840

moves up and down

98

00:03:30,149 --> 00:03:28,959

through

99

00:03:32,390 --> 00:03:30,159

some of

100

00:03:33,910 --> 00:03:32,400

the the the water that's covering that

101  
00:03:35,509 --> 00:03:33,920  
lens so so it's

102  
00:03:37,350 --> 00:03:35,519  
it starts to look a little different and

103  
00:03:39,350 --> 00:03:37,360  
then it does kind of look like it might

104  
00:03:41,110 --> 00:03:39,360  
even go in the swimming pool it it was

105  
00:03:43,830 --> 00:03:41,120  
it was odd i'm not ready to call it a

106  
00:03:46,149 --> 00:03:43,840  
ufo but i definitely same thing i wanted

107  
00:03:47,110 --> 00:03:46,159  
let's say it's not a ufo let's assume it

108  
00:03:51,110 --> 00:03:47,120  
is

109  
00:03:53,030 --> 00:03:51,120  
exactly your job

110  
00:03:55,430 --> 00:03:53,040  
what the hell are you doing

111  
00:03:57,670 --> 00:03:55,440  
sitting behind a desk in my day security

112  
00:03:59,990 --> 00:03:57,680  
guards totally would have chased us off

113  
00:04:02,630 --> 00:04:00,000

yeah yeah she wasn't exactly like a

114

00:04:03,670 --> 00:04:02,640

brawny security guard she was you know

115

00:04:06,309 --> 00:04:03,680

just a

116

00:04:09,830 --> 00:04:06,319

sort of a petite woman he was actually

117

00:04:12,070 --> 00:04:09,840

kind of kind of cute did you notice that

118

00:04:13,190 --> 00:04:12,080

uh you're not going to say are you

119

00:04:14,869 --> 00:04:13,200

just

120

00:04:17,430 --> 00:04:14,879

yeah you're gonna pass

121

00:04:20,069 --> 00:04:17,440

yeah okay sometimes my my wife might

122

00:04:21,110 --> 00:04:20,079

actually listen someday you never know

123

00:04:23,030 --> 00:04:21,120

okay

124

00:04:25,189 --> 00:04:23,040

and in other news the new zealand man

125

00:04:27,670 --> 00:04:25,199

encounters the ufo uh tuesday night a

126

00:04:30,390 --> 00:04:27,680

man from ruther glenn new zealand claims

127

00:04:33,030 --> 00:04:30,400

to have seen a quote-unquote car-shaped

128

00:04:35,189 --> 00:04:33,040

ufo after the encounter he had no cell

129

00:04:37,830 --> 00:04:35,199

phone reception blurred vision and

130

00:04:40,870 --> 00:04:37,840

watery eyes he was in fact described as

131

00:04:43,030 --> 00:04:40,880

bug-eyed and visibly shaken by the event

132

00:04:44,790 --> 00:04:43,040

there are no pictures or video from the

133

00:04:48,710 --> 00:04:44,800

man but he is hoping that someone else

134

00:04:50,870 --> 00:04:48,720

in the area can confirm his sighting um

135

00:04:52,390 --> 00:04:50,880

what attracted me to this one is i don't

136

00:04:54,950 --> 00:04:52,400

think i've ever seen

137

00:04:56,710 --> 00:04:54,960

or heard a description of a car-shaped

138

00:04:58,310 --> 00:04:56,720

ufo before have you

139

00:05:00,629 --> 00:04:58,320

no but that would definitely explain

140

00:05:03,909 --> 00:05:00,639

time travel right there i think it was

141

00:05:05,749 --> 00:05:03,919

marty mcfly marty mcfly absolutely no uh

142

00:05:07,430 --> 00:05:05,759

you know it's funny my son i was reading

143

00:05:08,710 --> 00:05:07,440

him this while he was doing something on

144

00:05:10,150 --> 00:05:08,720

his computer and

145

00:05:13,350 --> 00:05:10,160

he just kind of shook his head a few

146

00:05:15,510 --> 00:05:13,360

times so the the bug eyed thing is uh

147

00:05:17,830 --> 00:05:15,520

you know visibly shaking but uh bug-eyed

148

00:05:19,909 --> 00:05:17,840

i haven't heard that description yet

149

00:05:21,510 --> 00:05:19,919

so maybe it was a volkswagen bug i don't

150

00:05:24,629 --> 00:05:21,520

know i wasn't sure if he was bug-eyed

151

00:05:27,029 --> 00:05:24,639

due to shock or if he actually as his

152

00:05:29,590 --> 00:05:27,039

eyes were what if something had affected

153

00:05:31,830 --> 00:05:29,600

his eyes they weren't very clear on that

154

00:05:33,590 --> 00:05:31,840

um maybe if we have any uh new zealand

155

00:05:34,790 --> 00:05:33,600

listeners if there's some more coverage

156

00:05:36,469 --> 00:05:34,800

of that they can

157

00:05:38,469 --> 00:05:36,479

they can let us know what's going on

158

00:05:40,310 --> 00:05:38,479

yeah we need an entomologist

159

00:05:42,070 --> 00:05:40,320

maybe yeah

160

00:05:44,150 --> 00:05:42,080

and there have been multiple ufo

161

00:05:46,950 --> 00:05:44,160

sightings over california

162

00:05:48,870 --> 00:05:46,960

the oc weekly has a short and somewhat

163

00:05:50,870 --> 00:05:48,880

snarky article on an increase in

164

00:05:53,909 --> 00:05:50,880

unexplained aerial objects spotted in

165

00:05:56,390 --> 00:05:53,919

the area the article does though include

166

00:05:57,590 --> 00:05:56,400

two videos of area sightings and a still

167

00:06:00,950 --> 00:05:57,600

shot of one

168

00:06:03,590 --> 00:06:00,960

the object shown appears to be round or

169

00:06:07,029 --> 00:06:03,600

ovular and moving but in all fairness it

170

00:06:08,710 --> 00:06:07,039

could simply be a tossed ball uh and you

171

00:06:10,390 --> 00:06:08,720

can find of course all that in the link

172

00:06:11,670 --> 00:06:10,400

in our show notes did you see either of

173

00:06:13,590 --> 00:06:11,680

those videos oh yeah yeah i looked

174

00:06:15,990 --> 00:06:13,600

everything over last night and that

175

00:06:18,070 --> 00:06:16,000

it it looks like you know the shape and

176

00:06:19,270 --> 00:06:18,080

size of a beach ball at a distance you

177

00:06:21,189 --> 00:06:19,280

know that's like the first thing you

178

00:06:23,350 --> 00:06:21,199

think of and it's a still picture it's

179

00:06:24,790 --> 00:06:23,360

not a video did you find a video of that

180

00:06:26,950 --> 00:06:24,800

i mean there there is a video on the

181

00:06:29,110 --> 00:06:26,960

page that features it but it is just a

182

00:06:31,510 --> 00:06:29,120

video made up of still pictures and

183

00:06:32,950 --> 00:06:31,520

close up of the still pictures so

184

00:06:35,029 --> 00:06:32,960

yeah and at the end of that video it

185

00:06:37,990 --> 00:06:35,039

shows these little dots off in the

186

00:06:41,110 --> 00:06:38,000

distance and it says ufos circled in red

187

00:06:42,150 --> 00:06:41,120

did you see that i did and uh what does

188

00:06:44,629 --> 00:06:42,160

that mean

189

00:06:47,430 --> 00:06:44,639

i mean they could be a birds or anything

190

00:06:50,469 --> 00:06:47,440

stars uh yeah it could have been

191

00:06:53,350 --> 00:06:50,479

anything that was that that that wasn't

192

00:06:55,270 --> 00:06:53,360

maybe the most convincing but but

193

00:06:56,629 --> 00:06:55,280

they're having area sightings and it's

194

00:06:58,469 --> 00:06:56,639

worth reporting right yeah and the other

195

00:06:59,990 --> 00:06:58,479

one was lights in the sky and you know

196

00:07:02,469 --> 00:07:00,000

lights in the sky are lights in the sky

197

00:07:04,390 --> 00:07:02,479

as they say you know awful hard to

198

00:07:07,350 --> 00:07:04,400

explain it could be of course the

199

00:07:09,830 --> 00:07:07,360

infamous chinese lanterns or or all

200

00:07:11,670 --> 00:07:09,840

kinds of things is very inconclusive

201

00:07:13,830 --> 00:07:11,680

well that one thing is that still

202

00:07:16,070 --> 00:07:13,840

picture is not a chinese lantern i

203

00:07:17,909 --> 00:07:16,080

haven't seen one like that yet no on to

204

00:07:20,070 --> 00:07:17,919

a better picture i thought

205

00:07:21,749 --> 00:07:20,080

dorset man photographs a strange light

206

00:07:23,589 --> 00:07:21,759

and the international business times is

207

00:07:25,749 --> 00:07:23,599

reporting on a strange series of

208

00:07:27,749 --> 00:07:25,759

photographs taken by a man in dorset

209

00:07:29,350 --> 00:07:27,759

which is in southwest england the

210

00:07:31,670 --> 00:07:29,360

article reports that some readers have

211

00:07:34,469 --> 00:07:31,680

theorized the strange lights are merely

212

00:07:35,749 --> 00:07:34,479

the sun reflecting off paragliders even

213

00:07:38,309 --> 00:07:35,759

though the photographs appear to have

214

00:07:40,230 --> 00:07:38,319

been taken after dark did you did you

215

00:07:42,550 --> 00:07:40,240

get a chance to look at those yeah i did

216

00:07:45,189 --> 00:07:42,560

sure look like electrical anomalies of

217

00:07:47,189 --> 00:07:45,199

some kind it was it was a little bit

218

00:07:49,189 --> 00:07:47,199

stranger um

219

00:07:50,710 --> 00:07:49,199

you know without knowing the camera and

220

00:07:53,110 --> 00:07:50,720

and the details it's hard to say what it

221

00:07:54,950 --> 00:07:53,120

was but i think uh sun glinting off

222

00:07:56,710 --> 00:07:54,960

paragliders was just a little bit

223

00:07:59,029 --> 00:07:56,720

ridiculous yeah that was silly but you

224

00:08:02,070 --> 00:07:59,039

know there's some type of spectrum of

225

00:08:04,950 --> 00:08:02,080

strange colors there together it's it is

226

00:08:07,749 --> 00:08:04,960

strange and finally a couple space.com

227

00:08:09,430 --> 00:08:07,759

stories first up space.com is reporting

228

00:08:11,830 --> 00:08:09,440

that nasa scientists believe that the

229

00:08:14,469 --> 00:08:11,840

sun's magnetic field is preparing to

230

00:08:16,629 --> 00:08:14,479

flip with magnetic north and south poles

231

00:08:18,950 --> 00:08:16,639

changing places this does occur

232

00:08:21,270 --> 00:08:18,960

approximately every 11 years so it is

233

00:08:24,309 --> 00:08:21,280

not a terrible shock or surprise but it

234

00:08:27,270 --> 00:08:24,319

does indicate that solar activity

235

00:08:29,909 --> 00:08:27,280

will be increasing also reported on at

236

00:08:31,670 --> 00:08:29,919

space.com is that nasa scientists are

237

00:08:33,589 --> 00:08:31,680

trying to find a new mission for the

238

00:08:35,990 --> 00:08:33,599

kepler space telescope

239

00:08:37,190 --> 00:08:36,000

as listeners may recall a malfunction

240

00:08:39,509 --> 00:08:37,200

from being able to make the fine

241

00:08:41,589 --> 00:08:39,519

maneuvers necessary for optimal

242

00:08:44,389 --> 00:08:41,599

performance therefore it really can't

243

00:08:46,310 --> 00:08:44,399

hunt planets anymore uh but now that it

244

00:08:48,630 --> 00:08:46,320

is unable to function as design they are

245

00:08:50,550 --> 00:08:48,640

hoping that there is some use that they

246

00:08:52,710 --> 00:08:50,560

can get out of the space telescope with

247

00:08:54,389 --> 00:08:52,720

the capabilities that it still has i

248

00:08:56,630 --> 00:08:54,399

have a perfect solution to this why

249

00:08:58,470 --> 00:08:56,640

don't we just spy on americans with it

250

00:09:00,150 --> 00:08:58,480

do you want to spy on the security guard

251

00:09:01,990 --> 00:09:00,160

from the first story

252

00:09:04,310 --> 00:09:02,000

yeah but also

253

00:09:06,070 --> 00:09:04,320

that's right but also you know the heck

254

00:09:07,430 --> 00:09:06,080

with the emails and the internet you

255

00:09:08,949 --> 00:09:07,440

know that they're getting our records on

256

00:09:10,470 --> 00:09:08,959

why don't we just spy right through

257

00:09:12,710 --> 00:09:10,480

bedroom windows don't you think they

258

00:09:15,030 --> 00:09:12,720

already have something that does that

259

00:09:16,630 --> 00:09:15,040

they probably do well i was wondering if

260

00:09:19,350 --> 00:09:16,640

if they couldn't

261

00:09:21,750 --> 00:09:19,360

maybe use it to look for uh

262

00:09:24,150 --> 00:09:21,760

near-earth objects uh it's maybe not

263

00:09:26,550 --> 00:09:24,160

fine enough anymore for those extreme

264

00:09:28,870 --> 00:09:26,560

long distance photographs it was taking

265

00:09:31,350 --> 00:09:28,880

but maybe you know maybe it'll help us

266

00:09:33,750 --> 00:09:31,360

not eat a giant space rock you know

267

00:09:35,509 --> 00:09:33,760

there you go getting all logical again

268

00:09:37,750 --> 00:09:35,519

jeez i don't want to get hit with a

269

00:09:40,550 --> 00:09:37,760

giant space rock all right that's

270

00:09:42,630 --> 00:09:40,560

that's just my personal thing that's

271

00:09:44,230 --> 00:09:42,640

every day i wake up and go man i hope we

272

00:09:46,550 --> 00:09:44,240

didn't get hit by

273

00:09:48,710 --> 00:09:46,560

armageddon-sized space rock that'll suck

274

00:09:50,790 --> 00:09:48,720

so that's it for the news right michael

275

00:09:52,710 --> 00:09:50,800

that is it for this week all right so

276

00:09:54,870 --> 00:09:52,720

hang in there where there's a clip by

277

00:09:56,470 --> 00:09:54,880

carrie lloyd whitehouse and grant

278

00:10:08,560 --> 00:09:56,480

cameron's coming up all right great talk

279

00:10:50,550 --> 00:10:19,920

[Music]

280

00:11:27,030 --> 00:10:52,510

is

281

00:11:31,430 --> 00:11:29,269

hi grant how are you good martin thanks

282

00:11:32,550 --> 00:11:31,440

for showing some interest and having me

283

00:11:35,350 --> 00:11:32,560

on your show

284

00:11:37,030 --> 00:11:35,360

absolutely uh you're very welcome and

285

00:11:39,350 --> 00:11:37,040

glad to have you on

286

00:11:40,870 --> 00:11:39,360

now i read your book a little while ago

287

00:11:45,509 --> 00:11:40,880

oh i don't know three or four months ago

288

00:11:48,870 --> 00:11:45,519

ufos area 51 and government informants

289

00:11:51,590 --> 00:11:48,880

and that was co-authored by t scott

290

00:11:53,990 --> 00:11:51,600

crane is that right yes it looks like it

291

00:11:55,829 --> 00:11:54,000

took a long time to compile that book

292

00:11:57,190 --> 00:11:55,839

can you talk about that well it was

293

00:11:58,630 --> 00:11:57,200

actually the second time it's been out

294

00:12:01,509 --> 00:11:58,640

it was the actually the first book that

295

00:12:04,069 --> 00:12:01,519

was ever published by mufon back in 1991

296

00:12:05,350 --> 00:12:04,079

at that time was called ufos mj-12 in

297

00:12:08,550 --> 00:12:05,360

the government

298

00:12:09,750 --> 00:12:08,560

and uh it was sort of as you've read the

299

00:12:12,470 --> 00:12:09,760

book you know it was sort of the

300

00:12:15,190 --> 00:12:12,480

majority of the book at that point was

301  
00:12:17,030 --> 00:12:15,200  
based on uh us chasing around a guy by

302  
00:12:18,389 --> 00:12:17,040  
the name of dr eric walker who was the

303  
00:12:19,430 --> 00:12:18,399  
former president of penn state

304  
00:12:22,389 --> 00:12:19,440  
university

305  
00:12:24,230 --> 00:12:22,399  
and t scott crane uh got a journalism

306  
00:12:26,470 --> 00:12:24,240  
degree from penn state was right there

307  
00:12:29,990 --> 00:12:26,480  
so he was the co-author

308  
00:12:32,069 --> 00:12:30,000  
and we put the book out and then um

309  
00:12:34,790 --> 00:12:32,079  
20 years later richard dolan used it in

310  
00:12:35,750 --> 00:12:34,800  
ufo's national security part 2

311  
00:12:37,030 --> 00:12:35,760  
and

312  
00:12:38,470 --> 00:12:37,040  
used some of the material from the

313  
00:12:41,190 --> 00:12:38,480

walker and some of the canadian stuff

314

00:12:43,430 --> 00:12:41,200

that i had in there and then sort of

315

00:12:45,430 --> 00:12:43,440

came up with the idea that he wanted to

316

00:12:47,590 --> 00:12:45,440

publish it so i said yeah okay so then

317

00:12:49,750 --> 00:12:47,600

we updated the book and we

318

00:12:51,190 --> 00:12:49,760

um or i did most of the updating the

319

00:12:53,750 --> 00:12:51,200

original was written by

320

00:12:55,110 --> 00:12:53,760

t scott crane based on my research but i

321

00:12:57,190 --> 00:12:55,120

did most of the updating because scott

322

00:12:59,990 --> 00:12:57,200

hadn't really been involved in ufos for

323

00:13:03,670 --> 00:13:00,000

20 years so i updated it and we changed

324

00:13:05,190 --> 00:13:03,680

the mj-12 to area 51 not because mj-12

325

00:13:07,190 --> 00:13:05,200

wasn't important in fact i've just put

326

00:13:09,509 --> 00:13:07,200

out an article that it

327

00:13:11,590 --> 00:13:09,519

presents new evidence on nj12

328

00:13:12,790 --> 00:13:11,600

but the fact that uh majority of people

329

00:13:14,389 --> 00:13:12,800

if you talk to people on the street they

330

00:13:16,389 --> 00:13:14,399

look at you like you're well they look

331

00:13:18,069 --> 00:13:16,399

at you like you're crazy already but uh

332

00:13:20,069 --> 00:13:18,079

when you talk about mj-12 they have no

333

00:13:22,949 --> 00:13:20,079

idea what you're talking about so uh

334

00:13:25,990 --> 00:13:22,959

area 51 i knew by google searching it

335

00:13:28,150 --> 00:13:26,000

and working on it that it was

336

00:13:30,310 --> 00:13:28,160

it is one of the most popular most

337

00:13:32,389 --> 00:13:30,320

well-known places in the in the world

338

00:13:34,550 --> 00:13:32,399

and the biggest article i ever wrote

339

00:13:36,629 --> 00:13:34,560

that it was got the most hits on my

340

00:13:38,629 --> 00:13:36,639

website was the area 51 article so

341

00:13:40,949 --> 00:13:38,639

that's why we changed the title to ufos

342

00:13:43,110 --> 00:13:40,959

area 51 and government informant so we

343

00:13:45,509 --> 00:13:43,120

go into the uh sort of one of the

344

00:13:47,750 --> 00:13:45,519

sub-premises of the book was a theory

345

00:13:50,230 --> 00:13:47,760

that i've got that the government has

346

00:13:52,870 --> 00:13:50,240

been indirectly leaking a lot of the ufo

347

00:13:55,269 --> 00:13:52,880

material to the ufo community

348

00:13:57,509 --> 00:13:55,279

uh surrounded by disinformation so

349

00:13:59,509 --> 00:13:57,519

they're able to allow the

350

00:14:01,350 --> 00:13:59,519

sort of the concepts to come out but

351  
00:14:03,590 --> 00:14:01,360  
they're able to maintain the classified

352  
00:14:05,430 --> 00:14:03,600  
nature of the uh the program that

353  
00:14:06,870 --> 00:14:05,440  
they're running and so that's why we we

354  
00:14:08,629 --> 00:14:06,880  
talked about government informants all

355  
00:14:10,870 --> 00:14:08,639  
these sort of people that sort of have

356  
00:14:12,790 --> 00:14:10,880  
come forward and sort of uh dropped all

357  
00:14:15,430 --> 00:14:12,800  
sorts of hints as to what's going on

358  
00:14:17,430 --> 00:14:15,440  
right but going back to walker what i do

359  
00:14:19,990 --> 00:14:17,440  
for in the real world is a lot i do a

360  
00:14:22,389 --> 00:14:20,000  
lot of historical research on documents

361  
00:14:24,790 --> 00:14:22,399  
and uh i i got to tell you there's

362  
00:14:27,430 --> 00:14:24,800  
absolutely no doubt in my mind that that

363  
00:14:29,990 --> 00:14:27,440

initial link is by the same hand that

364

00:14:32,310 --> 00:14:30,000

made the signatures walker and i do like

365

00:14:34,550 --> 00:14:32,320

i say a good part of what i do is a lot

366

00:14:36,550 --> 00:14:34,560

of research on signatures

367

00:14:38,310 --> 00:14:36,560

that's right on target this is actually

368

00:14:39,990 --> 00:14:38,320

kind of interesting because one of the

369

00:14:41,430 --> 00:14:40,000

articles i'm writing another book now

370

00:14:42,710 --> 00:14:41,440

and i'm dealing with this idea of the

371

00:14:44,949 --> 00:14:42,720

live alien

372

00:14:46,389 --> 00:14:44,959

and that was sort of something that i

373

00:14:48,230 --> 00:14:46,399

think he was indirectly trying to tell

374

00:14:50,389 --> 00:14:48,240

us it really didn't mean that there was

375

00:14:51,670 --> 00:14:50,399

that there was all for real you'll see

376

00:14:53,990 --> 00:14:51,680

in one of the interviews that we do with

377

00:14:55,990 --> 00:14:54,000

him where he's talking about the fact um

378

00:14:58,389 --> 00:14:56,000

he's being asked about the the bodies

379

00:14:59,189 --> 00:14:58,399

the roswell bodies and he said he said

380

00:15:00,550 --> 00:14:59,199

well

381

00:15:02,069 --> 00:15:00,560

how do you know they didn't get up and

382

00:15:03,189 --> 00:15:02,079

walk away

383

00:15:04,870 --> 00:15:03,199

everything everything you're doing

384

00:15:06,790 --> 00:15:04,880

you're guessing and most of what you're

385

00:15:09,030 --> 00:15:06,800

guessing is wrong and then he puts out

386

00:15:11,269 --> 00:15:09,040

this alien letter that sort of indicates

387

00:15:13,990 --> 00:15:11,279

that um there's these four aliens and

388

00:15:15,910 --> 00:15:14,000

they're integrated into american society

389

00:15:17,590 --> 00:15:15,920

but i don't think he was really saying

390

00:15:19,590 --> 00:15:17,600

you know that this was actually for real

391

00:15:20,470 --> 00:15:19,600

he was giving us the idea

392

00:15:25,189 --> 00:15:20,480

that

393

00:15:27,430 --> 00:15:25,199

of them are dead and in 1991 when we

394

00:15:29,590 --> 00:15:27,440

were 1990 1991 we were doing these

395

00:15:32,310 --> 00:15:29,600

interviews the idea of the the live

396

00:15:35,189 --> 00:15:32,320

alien wasn't all that prominent but now

397

00:15:37,829 --> 00:15:35,199

with the work of carrie and schmidt and

398

00:15:40,470 --> 00:15:37,839

uh even randall we now

399

00:15:41,430 --> 00:15:40,480

are pretty certain that the roswell

400

00:15:44,389 --> 00:15:41,440

crash

401  
00:15:45,910 --> 00:15:44,399  
involved a live alien in fact there's uh

402  
00:15:47,750 --> 00:15:45,920  
a document i didn't put in the book but

403  
00:15:50,470 --> 00:15:47,760  
we act there's actually a document back

404  
00:15:53,030 --> 00:15:50,480  
in 1952 that was a letter that was

405  
00:15:55,350 --> 00:15:53,040  
written to frank scully who was the guy

406  
00:15:57,749 --> 00:15:55,360  
who wrote the first crash saucer book

407  
00:16:00,150 --> 00:15:57,759  
the one on the aztec crash and frank

408  
00:16:02,550 --> 00:16:00,160  
scully gets a letter from a woman in new

409  
00:16:04,310 --> 00:16:02,560  
york who basically talks about the fact

410  
00:16:06,389 --> 00:16:04,320  
that her daughter they run into this guy

411  
00:16:07,189 --> 00:16:06,399  
they're fixing a tire and i think it's

412  
00:16:09,430 --> 00:16:07,199  
in

413  
00:16:11,189 --> 00:16:09,440

nevada and this guy

414

00:16:13,430 --> 00:16:11,199

tells her daughter starts dating her

415

00:16:14,870 --> 00:16:13,440

daughter and starts telling her daughter

416

00:16:16,310 --> 00:16:14,880

that he's involved in this program and

417

00:16:19,829 --> 00:16:16,320

there's a live alien and they have it in

418

00:16:21,590 --> 00:16:19,839

new mexico this is 1952. so

419

00:16:23,350 --> 00:16:21,600

i always try to remind people that you

420

00:16:25,350 --> 00:16:23,360

know we have the story of the live alien

421

00:16:26,870 --> 00:16:25,360

and all that sort of stuff now but

422

00:16:28,550 --> 00:16:26,880

i've been around this field long enough

423

00:16:30,710 --> 00:16:28,560

to know that what we talk about now

424

00:16:33,990 --> 00:16:30,720

wasn't talked about then in fact uh the

425

00:16:36,550 --> 00:16:34,000

first time that crash saucers and actual

426

00:16:39,269 --> 00:16:36,560

dead aliens and autopsies which talked

427

00:16:40,550 --> 00:16:39,279

about was 1978. before that there was

428

00:16:42,230 --> 00:16:40,560

really no discussion whatsoever and i

429

00:16:44,150 --> 00:16:42,240

remember going to the it was done at the

430

00:16:46,230 --> 00:16:44,160

mufon conference in dayton ohio and i

431

00:16:48,230 --> 00:16:46,240

remember being there and i had a meeting

432

00:16:49,430 --> 00:16:48,240

with len stringfield related to

433

00:16:50,949 --> 00:16:49,440

something else not

434

00:16:52,790 --> 00:16:50,959

his speech and that's where he was

435

00:16:53,990 --> 00:16:52,800

giving this speech about the live aliens

436

00:16:55,670 --> 00:16:54,000

and i went there and they had moved into

437

00:16:57,829 --> 00:16:55,680

another hotel and there was all the

438

00:16:58,790 --> 00:16:57,839

death threats and it was like it was

439

00:17:00,629 --> 00:16:58,800

just

440

00:17:02,870 --> 00:17:00,639

real tension in the in the room about

441

00:17:05,189 --> 00:17:02,880

this guy that was going to talk about

442

00:17:08,069 --> 00:17:05,199

alien autopsies and stuff like that so

443

00:17:10,069 --> 00:17:08,079

to have this live alien letter in 1952 i

444

00:17:12,069 --> 00:17:10,079

think it's fairly significant in that we

445

00:17:13,990 --> 00:17:12,079

now have a lot of people who are talking

446

00:17:15,829 --> 00:17:14,000

about the fact that there was a live

447

00:17:18,870 --> 00:17:15,839

alien in 19 in

448

00:17:20,630 --> 00:17:18,880

1947 but the discussion of that didn't

449

00:17:22,230 --> 00:17:20,640

come until about 10 years ago when

450

00:17:24,870 --> 00:17:22,240

people started to these witnesses

451  
00:17:26,949 --> 00:17:24,880  
started to come forward yeah so do you

452  
00:17:29,110 --> 00:17:26,959  
think that walker was trying to push you

453  
00:17:30,310 --> 00:17:29,120  
a bunch of disinformation by some of the

454  
00:17:32,310 --> 00:17:30,320  
things he was

455  
00:17:34,950 --> 00:17:32,320  
no he's giving you information but that

456  
00:17:37,510 --> 00:17:34,960  
the way i say they do it is is you can't

457  
00:17:39,350 --> 00:17:37,520  
um let me give an example uh you know

458  
00:17:40,630 --> 00:17:39,360  
the story of chase brandon chase brandon

459  
00:17:42,230 --> 00:17:40,640  
the cia

460  
00:17:45,270 --> 00:17:42,240  
okay so chase brandon comes out and he's

461  
00:17:46,870 --> 00:17:45,280  
doing this fictional book on roswell

462  
00:17:47,990 --> 00:17:46,880  
and he when you if you hear the

463  
00:17:49,909 --> 00:17:48,000

interviews that he does he does about

464

00:17:51,270 --> 00:17:49,919

six interviews on the book and he says

465

00:17:53,270 --> 00:17:51,280

if you want

466

00:17:54,950 --> 00:17:53,280

a good read read the book if you really

467

00:17:57,350 --> 00:17:54,960

want to learn something read between the

468

00:18:00,549 --> 00:17:57,360

lines and that's the way i say they do

469

00:18:02,549 --> 00:18:00,559

it is that you get a situation where

470

00:18:04,470 --> 00:18:02,559

if you're a cia guy and you saved

471

00:18:06,549 --> 00:18:04,480

america from imminent disaster from

472

00:18:07,990 --> 00:18:06,559

russian bombs or whatever

473

00:18:09,270 --> 00:18:08,000

and you decide that you want your

474

00:18:11,110 --> 00:18:09,280

children and grandchildren to know the

475

00:18:13,590 --> 00:18:11,120

story of what you did you go to the cia

476

00:18:14,710 --> 00:18:13,600

and they say yeah martin you can write

477

00:18:16,390 --> 00:18:14,720

up your story but here's what you got to

478

00:18:18,390 --> 00:18:16,400

do this is what they told chase brannon

479

00:18:20,150 --> 00:18:18,400

you got to change the names you got to

480

00:18:22,390 --> 00:18:20,160

chain tip all the classified material it

481

00:18:24,470 --> 00:18:22,400

has to be reviewed by the cia and you

482

00:18:26,070 --> 00:18:24,480

have to fictionalize the story so that's

483

00:18:28,070 --> 00:18:26,080

the way they get this material out is

484

00:18:30,070 --> 00:18:28,080

they do exactly what a cia agent does

485

00:18:32,070 --> 00:18:30,080

when he tells his story is they

486

00:18:34,390 --> 00:18:32,080

fictionalize it so when chase brandon

487

00:18:36,070 --> 00:18:34,400

comes out and chase brandon says i mean

488

00:18:37,909 --> 00:18:36,080

roswell's for real

489

00:18:42,070 --> 00:18:37,919

i mean basically here you have a guy

490

00:18:44,150 --> 00:18:42,080

who's who's a very high level cia guy

491

00:18:45,110 --> 00:18:44,160

and nobody really picks up on it the new

492

00:18:46,950 --> 00:18:45,120

york times doesn't pick up but

493

00:18:49,909 --> 00:18:46,960

washington post doesn't pick up and sort

494

00:18:52,390 --> 00:18:49,919

of the idea gets out that that it's that

495

00:18:53,990 --> 00:18:52,400

something's going on

496

00:18:55,350 --> 00:18:54,000

but the cover-up is maintained and i

497

00:18:57,350 --> 00:18:55,360

think that's basically what they're

498

00:18:59,110 --> 00:18:57,360

doing so when walker was doing this he

499

00:19:00,549 --> 00:18:59,120

knew the principle he knew the principle

500

00:19:02,630 --> 00:19:00,559

that you don't give away anything

501  
00:19:04,789 --> 00:19:02,640  
classified so when chase brandon is

502  
00:19:07,270 --> 00:19:04,799  
telling the story he's basically asked

503  
00:19:09,669 --> 00:19:07,280  
well how do you know and i say he makes

504  
00:19:11,510 --> 00:19:09,679  
up the story there's no such box he says

505  
00:19:14,710 --> 00:19:11,520  
i'm at langley headquarters i'm in the

506  
00:19:16,710 --> 00:19:14,720  
collection uh area where all the the

507  
00:19:18,789 --> 00:19:16,720  
archives boxes are i'm sitting there

508  
00:19:20,230 --> 00:19:18,799  
waiting for a tv crew to come in

509  
00:19:22,630 --> 00:19:20,240  
and i've got nothing to do so i started

510  
00:19:24,710 --> 00:19:22,640  
looking around and i see this box with

511  
00:19:26,549 --> 00:19:24,720  
roswell on the side of it which i say

512  
00:19:28,310 --> 00:19:26,559  
doesn't exist because you can't you

513  
00:19:29,750 --> 00:19:28,320

can't talk about classified material you

514

00:19:31,350 --> 00:19:29,760

can fictionalize the whole thing so you

515

00:19:33,350 --> 00:19:31,360

fictionalize this idea about a box the

516

00:19:36,950 --> 00:19:33,360

same as 15 years ago when it was the

517

00:19:39,270 --> 00:19:36,960

50th anniversary of of roswell you had

518

00:19:40,549 --> 00:19:39,280

corso come forward and corso tells the

519

00:19:42,470 --> 00:19:40,559

story about well he was looking in the

520

00:19:44,230 --> 00:19:42,480

filing cabinet and here they had left

521

00:19:46,230 --> 00:19:44,240

all this this crash material from

522

00:19:47,750 --> 00:19:46,240

roswell in some filing cabinet and he

523

00:19:49,110 --> 00:19:47,760

happened to find it and so you

524

00:19:51,110 --> 00:19:49,120

fictionalize the story so he talks about

525

00:19:52,870 --> 00:19:51,120

the box and and when he's asked in these

526

00:19:55,590 --> 00:19:52,880

six interviews he said what was in the

527

00:19:58,150 --> 00:19:55,600

box convinced me absolutely for sure

528

00:20:00,310 --> 00:19:58,160

that roswell was extraterrestrial and

529

00:20:02,230 --> 00:20:00,320

there were cadavers so he says that very

530

00:20:03,750 --> 00:20:02,240

categorically then he's asked well what

531

00:20:06,070 --> 00:20:03,760

was in the box he says you can do

532

00:20:08,070 --> 00:20:06,080

whatever you want i can not tell you

533

00:20:10,070 --> 00:20:08,080

what was in the box i cannot i can just

534

00:20:11,750 --> 00:20:10,080

say that it confirmed that roswell was

535

00:20:13,510 --> 00:20:11,760

real and there were cadavers so the

536

00:20:15,350 --> 00:20:13,520

whole point is that he can talk about

537

00:20:16,950 --> 00:20:15,360

this fictionalized box he can talk about

538

00:20:18,870 --> 00:20:16,960

the fact that there is evidence but if

539

00:20:21,909 --> 00:20:18,880

he says there's a photograph that shows

540

00:20:23,110 --> 00:20:21,919

an alien and it was taken in 1947 and

541

00:20:24,870 --> 00:20:23,120

was taken by certain people that's

542

00:20:26,390 --> 00:20:24,880

classified material you can't talk about

543

00:20:28,310 --> 00:20:26,400

that you can't talk about a certain

544

00:20:29,909 --> 00:20:28,320

document you saw so you sort of talk

545

00:20:31,510 --> 00:20:29,919

about the thing without getting to the

546

00:20:33,029 --> 00:20:31,520

classified material and let me give you

547

00:20:35,470 --> 00:20:33,039

another example and we talk about this

548

00:20:38,070 --> 00:20:35,480

in the book there's in

549

00:20:39,430 --> 00:20:38,080

1972-73 there's two

550

00:20:41,990 --> 00:20:39,440

film producers by the name of robert

551  
00:20:43,990 --> 00:20:42,000  
emeneger and alan sandler are contacted

552  
00:20:45,669 --> 00:20:44,000  
by the pentagon and they're told that

553  
00:20:47,830 --> 00:20:45,679  
the regular pentagon company that

554  
00:20:48,789 --> 00:20:47,840  
they're supposed to hire is in trouble

555  
00:20:50,470 --> 00:20:48,799  
because they're doing a thing on the

556  
00:20:52,549 --> 00:20:50,480  
pentagon papers and they messed it up

557  
00:20:53,909 --> 00:20:52,559  
some documentary so these guys have been

558  
00:20:56,390 --> 00:20:53,919  
called in and they want them to do some

559  
00:20:58,710 --> 00:20:56,400  
documentaries on the u.s military

560  
00:21:00,230 --> 00:20:58,720  
and to make the u.s military look better

561  
00:21:01,750 --> 00:21:00,240  
and they're going to do three 3-d

562  
00:21:04,230 --> 00:21:01,760  
holography and they're going to do

563  
00:21:06,149 --> 00:21:04,240

working with dolphins and all sorts of

564

00:21:07,750 --> 00:21:06,159

bizarre things that the military is

565

00:21:09,190 --> 00:21:07,760

working on and there's about eight

566

00:21:10,950 --> 00:21:09,200

different programs so they get taken

567

00:21:12,470 --> 00:21:10,960

around and they're they're given these

568

00:21:15,110 --> 00:21:12,480

things your work on this program that

569

00:21:16,630 --> 00:21:15,120

program and then paul shardle there at

570

00:21:18,710 --> 00:21:16,640

norton air force base in a clean room

571

00:21:21,750 --> 00:21:18,720

where the cia does their filming they're

572

00:21:23,270 --> 00:21:21,760

in this clean room and uh paul charles

573

00:21:25,510 --> 00:21:23,280

is a security manager in paul's system

574

00:21:27,510 --> 00:21:25,520

what would you what would you uh

575

00:21:28,830 --> 00:21:27,520

say if i told you that we had

576

00:21:30,870 --> 00:21:28,840

uh filmed

577

00:21:32,870 --> 00:21:30,880

a craft

578

00:21:34,710 --> 00:21:32,880

landing at holloman air force base from

579

00:21:36,710 --> 00:21:34,720

three different angles the one from

580

00:21:38,470 --> 00:21:36,720

helicopter two from the ground six

581

00:21:40,390 --> 00:21:38,480

o'clock in the morning and that the

582

00:21:42,470 --> 00:21:40,400

aliens got out and metted

583

00:21:43,909 --> 00:21:42,480

officials and whatever and we'd like you

584

00:21:46,070 --> 00:21:43,919

to do this documentary and we'd like you

585

00:21:47,510 --> 00:21:46,080

to talk about this film so basically

586

00:21:48,870 --> 00:21:47,520

they start off on this program and

587

00:21:50,070 --> 00:21:48,880

they're they're basically allowed to go

588

00:21:52,470 --> 00:21:50,080

into the pentagon they don't have to

589

00:21:53,830 --> 00:21:52,480

sign in they're put in contact with

590

00:21:56,470 --> 00:21:53,840

anybody they want and they put this

591

00:21:58,310 --> 00:21:56,480

whole documentary out so at the end when

592

00:21:59,669 --> 00:21:58,320

they have this they have this film and

593

00:22:02,390 --> 00:21:59,679

at the very end

594

00:22:03,909 --> 00:22:02,400

um the pentagon comes bill coleman who's

595

00:22:04,950 --> 00:22:03,919

working the pentagon says to them he

596

00:22:06,230 --> 00:22:04,960

said well

597

00:22:08,710 --> 00:22:06,240

you have to send the film back you can't

598

00:22:10,070 --> 00:22:08,720

use the film because it's watergate

599

00:22:11,909 --> 00:22:10,080

we've got problems it's not the

600

00:22:13,110 --> 00:22:11,919

political right time to do it so they

601  
00:22:14,789 --> 00:22:13,120  
pull the film and they say you got to

602  
00:22:16,230 --> 00:22:14,799  
bring the film back so they the film is

603  
00:22:18,230 --> 00:22:16,240  
sent back

604  
00:22:19,750 --> 00:22:18,240  
to the pentagon some guy drives it into

605  
00:22:21,110 --> 00:22:19,760  
small datsun across the country takes it

606  
00:22:23,029 --> 00:22:21,120  
back to the pentagon

607  
00:22:24,950 --> 00:22:23,039  
but when the film is released there's

608  
00:22:27,270 --> 00:22:24,960  
eight seconds of the film and this sort

609  
00:22:28,870 --> 00:22:27,280  
of becomes a rumor and i know bob very

610  
00:22:29,909 --> 00:22:28,880  
well so i'm talking to bob and i said

611  
00:22:31,350 --> 00:22:29,919  
bob

612  
00:22:32,789 --> 00:22:31,360  
there's eight seconds of the film in

613  
00:22:34,870 --> 00:22:32,799

there there there's eight seconds of the

614

00:22:37,029 --> 00:22:34,880

hallmark air force base film used in the

615

00:22:39,909 --> 00:22:37,039

film and he sort of hesitates and he

616

00:22:41,830 --> 00:22:39,919

goes yeah yeah well he said but but it's

617

00:22:43,350 --> 00:22:41,840

just background and i said well why

618

00:22:45,029 --> 00:22:43,360

would they let you use it and he said

619

00:22:46,310 --> 00:22:45,039

well because it it

620

00:22:49,110 --> 00:22:46,320

it's just background there's nothing

621

00:22:51,190 --> 00:22:49,120

classified and that's the same thing

622

00:22:52,470 --> 00:22:51,200

what it shows if you look at the the

623

00:22:53,909 --> 00:22:52,480

holman thing what did they're forced to

624

00:22:55,510 --> 00:22:53,919

do is they used to

625

00:22:57,990 --> 00:22:55,520

forced to use storyboard and they're

626

00:23:00,310 --> 00:22:58,000

forced to sort of do you know

627

00:23:01,669 --> 00:23:00,320

uh drawings and stuff like that to tell

628

00:23:02,950 --> 00:23:01,679

the story that this might have happened

629

00:23:05,590 --> 00:23:02,960

in the past or it might happen in the

630

00:23:06,789 --> 00:23:05,600

future and they're telling the story

631

00:23:07,990 --> 00:23:06,799

about the landing at holloman air force

632

00:23:09,590 --> 00:23:08,000

base and all of a sudden they've got

633

00:23:11,350 --> 00:23:09,600

this eight seconds where you see this

634

00:23:13,590 --> 00:23:11,360

object coming over the hill and it's a

635

00:23:14,870 --> 00:23:13,600

it's sort of a glowing white object

636

00:23:17,510 --> 00:23:14,880

during the day it's coming over the

637

00:23:19,510 --> 00:23:17,520

holloman the uh hills and you can very

638

00:23:20,630 --> 00:23:19,520

clearly see that this has been cut into

639

00:23:22,230 --> 00:23:20,640

the film

640

00:23:23,750 --> 00:23:22,240

and so i'm pressing him on this and i

641

00:23:25,350 --> 00:23:23,760

said well what do you mean background

642

00:23:27,590 --> 00:23:25,360

and he said well it didn't show the

643

00:23:29,190 --> 00:23:27,600

craft and it didn't show the aliens and

644

00:23:30,789 --> 00:23:29,200

that's this whole thing about classified

645

00:23:32,630 --> 00:23:30,799

material the same thing walker was doing

646

00:23:33,669 --> 00:23:32,640

the same thing that that chase brandon

647

00:23:36,310 --> 00:23:33,679

was doing

648

00:23:39,270 --> 00:23:36,320

was you can show off a light coming over

649

00:23:41,430 --> 00:23:39,280

a hill and say you know this is the

650

00:23:42,950 --> 00:23:41,440

craft and and sort of indirectly or not

651  
00:23:45,510 --> 00:23:42,960  
even say it's the craft but show the

652  
00:23:47,510 --> 00:23:45,520  
craft but you can't show the alien up

653  
00:23:49,510 --> 00:23:47,520  
close because that's classified or show

654  
00:23:51,350 --> 00:23:49,520  
the actual saucer sitting on the ground

655  
00:23:52,950 --> 00:23:51,360  
that's classified material but you can

656  
00:23:54,310 --> 00:23:52,960  
show this sort of nebulous thing which

657  
00:23:55,830 --> 00:23:54,320  
they call background it really doesn't

658  
00:23:57,909 --> 00:23:55,840  
tell you anything but they actually have

659  
00:23:59,270 --> 00:23:57,919  
part of the actual film that was taken

660  
00:24:01,270 --> 00:23:59,280  
at home air force base when this thing

661  
00:24:03,750 --> 00:24:01,280  
landed there so that's this whole idea

662  
00:24:05,110 --> 00:24:03,760  
that i i came up with and i

663  
00:24:06,950 --> 00:24:05,120

produced a number of examples in the

664

00:24:08,230 --> 00:24:06,960

book to show how they do this and then

665

00:24:09,990 --> 00:24:08,240

what they want you to know is they want

666

00:24:11,590 --> 00:24:10,000

you to know there was a crash in roswell

667

00:24:14,070 --> 00:24:11,600

new mexico they want you to know there

668

00:24:15,990 --> 00:24:14,080

was a live alien they want you to know

669

00:24:17,190 --> 00:24:16,000

that they've been working on this whole

670

00:24:18,950 --> 00:24:17,200

thing they want you to know that there's

671

00:24:20,630 --> 00:24:18,960

an mj-12 there's a group controlling

672

00:24:21,909 --> 00:24:20,640

this whole thing they want you to know

673

00:24:24,470 --> 00:24:21,919

the basic

674

00:24:26,470 --> 00:24:24,480

sort of core story but when it comes to

675

00:24:27,990 --> 00:24:26,480

actually spilling the milk that they

676

00:24:29,669 --> 00:24:28,000

don't want to do because once the

677

00:24:31,350 --> 00:24:29,679

story's out and somebody stands up and

678

00:24:33,110 --> 00:24:31,360

says this is for real then you can't

679

00:24:35,190 --> 00:24:33,120

take the story back and you sort of lose

680

00:24:36,310 --> 00:24:35,200

control of the story so they they

681

00:24:38,310 --> 00:24:36,320

they're working on the classified

682

00:24:39,990 --> 00:24:38,320

aspects which is building weapons

683

00:24:41,269 --> 00:24:40,000

building the mind control stuff all that

684

00:24:43,830 --> 00:24:41,279

kind of stuff that they get from the

685

00:24:45,430 --> 00:24:43,840

technology the actual confirmation that

686

00:24:47,669 --> 00:24:45,440

this is for real they they withhold

687

00:24:49,510 --> 00:24:47,679

that's classified but they want you to

688

00:24:50,870 --> 00:24:49,520

know the the core story of what's going

689

00:24:53,669 --> 00:24:50,880

on and that's sort of the premise of the

690

00:24:54,870 --> 00:24:53,679

book that i set out to to prove that

691

00:24:57,269 --> 00:24:54,880

that this is the kind of stuff that's

692

00:24:59,430 --> 00:24:57,279

going on or the area 51 the prime story

693

00:25:01,190 --> 00:24:59,440

they want you to know that area 51 had a

694

00:25:03,830 --> 00:25:01,200

live alien they want you to know they

695

00:25:04,630 --> 00:25:03,840

were back engineering stuff at area 51

696

00:25:06,710 --> 00:25:04,640

and

697

00:25:08,470 --> 00:25:06,720

they use a very specific way of bringing

698

00:25:10,230 --> 00:25:08,480

that story out which sort of backfires

699

00:25:12,549 --> 00:25:10,240

but i i go through the whole story and

700

00:25:14,870 --> 00:25:12,559

describe how i know that this was

701  
00:25:17,669 --> 00:25:14,880  
purposely done at area 51 they purposely

702  
00:25:20,070 --> 00:25:17,679  
put this story out now you and i had an

703  
00:25:22,070 --> 00:25:20,080  
email exchange way back before i started

704  
00:25:23,430 --> 00:25:22,080  
reading the book and i had just told you

705  
00:25:25,350 --> 00:25:23,440  
that i had just got the book in the mail

706  
00:25:27,430 --> 00:25:25,360  
and all that and you told me at that

707  
00:25:29,430 --> 00:25:27,440  
time that there was had i heard about

708  
00:25:31,029 --> 00:25:29,440  
the controversy about your book does

709  
00:25:33,990 --> 00:25:31,039  
that have to do with the

710  
00:25:36,549 --> 00:25:34,000  
mj 12 documents as that always seems to

711  
00:25:38,870 --> 00:25:36,559  
be in the middle of controversy um no

712  
00:25:41,909 --> 00:25:38,880  
that's about to happen there i put the i

713  
00:25:43,110 --> 00:25:41,919

put the area 50 the majestic 12 thing

714

00:25:44,230 --> 00:25:43,120

out

715

00:25:46,630 --> 00:25:44,240

in the book

716

00:25:48,870 --> 00:25:46,640

twice we put out 1991 and nobody picked

717

00:25:51,029 --> 00:25:48,880

up on it for example we had a woman who

718

00:25:53,830 --> 00:25:51,039

claimed to have seen the mj-12 document

719

00:25:55,350 --> 00:25:53,840

in okinawa and she was they were on the

720

00:25:56,630 --> 00:25:55,360

declassification team they were in a

721

00:25:58,390 --> 00:25:56,640

general's office they found this

722

00:26:00,310 --> 00:25:58,400

document we put that in the original

723

00:26:02,070 --> 00:26:00,320

book and the military picked up on it

724

00:26:03,909 --> 00:26:02,080

they she was furious she was going to

725

00:26:05,909 --> 00:26:03,919

sue us she was absolutely furious we had

726

00:26:07,269 --> 00:26:05,919

withheld her name sort of tried to cover

727

00:26:09,190 --> 00:26:07,279

who she was but i guess if you're on a

728

00:26:10,950 --> 00:26:09,200

declassification team and you're a woman

729

00:26:12,149 --> 00:26:10,960

i mean it you know they can sort of go

730

00:26:15,269 --> 00:26:12,159

back and figure out who was on this

731

00:26:16,870 --> 00:26:15,279

clash fish the classification team

732

00:26:18,390 --> 00:26:16,880

where where the general's office was who

733

00:26:19,990 --> 00:26:18,400

it was you know what we gave the date

734

00:26:21,510 --> 00:26:20,000

and all this sort of stuff nobody ever

735

00:26:22,789 --> 00:26:21,520

picked up on that we we put that thing

736

00:26:24,230 --> 00:26:22,799

out we put a couple things in the first

737

00:26:26,310 --> 00:26:24,240

book that nobody ever picked up on it's

738

00:26:28,070 --> 00:26:26,320

like nobody ever read the book and so in

739

00:26:30,149 --> 00:26:28,080

the second we we put the same thing we

740

00:26:31,590 --> 00:26:30,159

put all the mj12 i listed all the

741

00:26:33,750 --> 00:26:31,600

material that showed that there was an

742

00:26:35,190 --> 00:26:33,760

mj12 group forget about the document i

743

00:26:37,430 --> 00:26:35,200

always say the document is not

744

00:26:39,590 --> 00:26:37,440

legitimate and i say it's not legitimate

745

00:26:41,190 --> 00:26:39,600

because there was a live alien and the

746

00:26:43,110 --> 00:26:41,200

document says there's four dead aliens

747

00:26:44,870 --> 00:26:43,120

there's three dead in one life and i

748

00:26:47,830 --> 00:26:44,880

think we know that pretty well for sure

749

00:26:49,350 --> 00:26:47,840

now or that's the general belief so what

750

00:26:52,149 --> 00:26:49,360

they've done with the document is you

751  
00:26:53,750 --> 00:26:52,159  
put the document out and you change

752  
00:26:55,029 --> 00:26:53,760  
parts of the document so that if it

753  
00:26:56,630 --> 00:26:55,039  
comes back to you you say well it's a

754  
00:26:58,310 --> 00:26:56,640  
hoax it's a phony document well you know

755  
00:27:00,230 --> 00:26:58,320  
it's only a phony document because you

756  
00:27:01,909 --> 00:27:00,240  
made it but basically all the right

757  
00:27:03,190 --> 00:27:01,919  
material is in the document to tell you

758  
00:27:05,029 --> 00:27:03,200  
what's going on

759  
00:27:06,789 --> 00:27:05,039  
so um

760  
00:27:08,310 --> 00:27:06,799  
that was the the

761  
00:27:10,070 --> 00:27:08,320  
we put that out but that never became

762  
00:27:11,750 --> 00:27:10,080  
controversial what became controversial

763  
00:27:15,750 --> 00:27:11,760

this time when i released it there was a

764

00:27:18,870 --> 00:27:15,760

couple of things um one was um

765

00:27:20,470 --> 00:27:18,880

robert collins was upset about

766

00:27:23,110 --> 00:27:20,480

my sort of

767

00:27:25,830 --> 00:27:23,120

spin on the bill moore story about the

768

00:27:27,830 --> 00:27:25,840

birds about who was who

769

00:27:30,390 --> 00:27:27,840

the falcon and all that the falcon and

770

00:27:32,549 --> 00:27:30,400

stuff and that i had some of it wrong

771

00:27:35,430 --> 00:27:32,559

and that i had

772

00:27:38,070 --> 00:27:35,440

taken his material and put my spin on it

773

00:27:39,750 --> 00:27:38,080

and uh but it came down to who are the

774

00:27:41,909 --> 00:27:39,760

different birds and

775

00:27:43,590 --> 00:27:41,919

uh what was actually going on there

776

00:27:46,390 --> 00:27:43,600

there was that controversy and the other

777

00:27:49,029 --> 00:27:46,400

controversy was from uh lee graham lee

778

00:27:51,110 --> 00:27:49,039

graham if you know the mj12 story what

779

00:27:53,510 --> 00:27:51,120

had happened was bill moore and jamie

780

00:27:56,470 --> 00:27:53,520

chanderay were both cia operatives okay

781

00:27:58,710 --> 00:27:56,480

so they've been uh assets they both

782

00:28:00,070 --> 00:27:58,720

worked for the cia they both had this

783

00:28:03,029 --> 00:28:00,080

interaction and that's how they were

784

00:28:05,190 --> 00:28:03,039

able to accumulate these avery sources

785

00:28:08,230 --> 00:28:05,200

and what the avery were they they were

786

00:28:09,190 --> 00:28:08,240

12 intelligence uh mostly intelligence

787

00:28:11,269 --> 00:28:09,200

people

788

00:28:12,389 --> 00:28:11,279

that they had collected from from the

789

00:28:14,310 --> 00:28:12,399

inside and because they had these

790

00:28:15,590 --> 00:28:14,320

intelligence connections they could go

791

00:28:16,870 --> 00:28:15,600

in there and they could be trusted to

792

00:28:18,230 --> 00:28:16,880

shut their mouths when they were told to

793

00:28:21,110 --> 00:28:18,240

say something to do what they're told to

794

00:28:22,710 --> 00:28:21,120

do and stuff like that and so both of

795

00:28:25,110 --> 00:28:22,720

them had this background and they

796

00:28:26,870 --> 00:28:25,120

accumulated these 12 sources and two of

797

00:28:28,549 --> 00:28:26,880

them i think were cia directors i think

798

00:28:30,710 --> 00:28:28,559

one was richard helms and i think the

799

00:28:32,149 --> 00:28:30,720

other one was robert gates and one of

800

00:28:33,350 --> 00:28:32,159

the rumored stories was that kissinger

801  
00:28:35,350 --> 00:28:33,360  
was also one of the people that was

802  
00:28:36,549 --> 00:28:35,360  
feeding them material so they're working

803  
00:28:39,190 --> 00:28:36,559  
with this whole thing and what would

804  
00:28:41,029 --> 00:28:39,200  
they happen was in 1984 they received

805  
00:28:43,029 --> 00:28:41,039  
the mj12 document it comes in jamie

806  
00:28:45,430 --> 00:28:43,039  
chandray's mailbox and the question at

807  
00:28:47,190 --> 00:28:45,440  
that time always was well jamie chandray

808  
00:28:48,549 --> 00:28:47,200  
was he wasn't even a ufologist he was a

809  
00:28:50,070 --> 00:28:48,559  
film producer in los angeles and the

810  
00:28:51,590 --> 00:28:50,080  
question was always well why didn't they

811  
00:28:53,430 --> 00:28:51,600  
send it to moore why did they send it to

812  
00:28:55,029 --> 00:28:53,440  
amy chandray well because jamie chandra

813  
00:28:56,310 --> 00:28:55,039

had an intelligence background and when

814

00:28:57,750 --> 00:28:56,320

you look at these stories there's always

815

00:28:59,669 --> 00:28:57,760

a guy with an intelligence background

816

00:29:00,950 --> 00:28:59,679

like the the emanager sandler thing

817

00:29:02,470 --> 00:29:00,960

sandler had the intelligence background

818

00:29:04,149 --> 00:29:02,480

there's always somebody who's got an

819

00:29:06,389 --> 00:29:04,159

intelligence background who's able to

820

00:29:09,669 --> 00:29:06,399

sort of negotiate and pull this stuff

821

00:29:12,389 --> 00:29:09,679

out so the the document comes in 1984

822

00:29:13,990 --> 00:29:12,399

and they don't release until 1980 and

823

00:29:16,310 --> 00:29:14,000

they're actually forced to to release

824

00:29:17,830 --> 00:29:16,320

the document and they're forced because

825

00:29:19,350 --> 00:29:17,840

uh they are they're withholding it

826  
00:29:21,430 --> 00:29:19,360  
they're trying to research the document

827  
00:29:22,630 --> 00:29:21,440  
trying to get to the bottom of it and

828  
00:29:24,470 --> 00:29:22,640  
then they get the warning from the

829  
00:29:26,470 --> 00:29:24,480  
falcon that it's about to release be

830  
00:29:28,070 --> 00:29:26,480  
released in britain and if you want to

831  
00:29:29,430 --> 00:29:28,080  
make a movie you better release it now

832  
00:29:31,669 --> 00:29:29,440  
and that's what they had done is they

833  
00:29:33,750 --> 00:29:31,679  
had leaked the document to tim goode in

834  
00:29:35,510 --> 00:29:33,760  
great britain and in his book above top

835  
00:29:37,830 --> 00:29:35,520  
secret he was releasing the document as

836  
00:29:40,149 --> 00:29:37,840  
well so moore was forced to release the

837  
00:29:42,149 --> 00:29:40,159  
document but what they had done in part

838  
00:29:44,310 --> 00:29:42,159

of the the analysis that they had done

839

00:29:47,590 --> 00:29:44,320

on the document is they used a guy by

840

00:29:48,870 --> 00:29:47,600

the name of lee graham lee graham was a

841

00:29:51,269 --> 00:29:48,880

uh

842

00:29:53,669 --> 00:29:51,279

an aviation buff who worked for skunk

843

00:29:56,070 --> 00:29:53,679

works and he had gone on from skunk

844

00:29:59,510 --> 00:29:56,080

works to work on a satellite program so

845

00:30:01,269 --> 00:29:59,520

he was working in the um in sort of the

846

00:30:03,269 --> 00:30:01,279

aerospace industry

847

00:30:05,430 --> 00:30:03,279

and he was a very interested in all this

848

00:30:07,190 --> 00:30:05,440

kind of stuff and what they would do

849

00:30:08,710 --> 00:30:07,200

is every document that bill moore would

850

00:30:10,870 --> 00:30:08,720

get through these channels through

851  
00:30:12,789 --> 00:30:10,880  
falcons through whatever they would give

852  
00:30:14,230 --> 00:30:12,799  
it to lee graham and lee graham would

853  
00:30:17,350 --> 00:30:14,240  
immediately take it and he would give it

854  
00:30:19,350 --> 00:30:17,360  
to a security officer at his at aerojet

855  
00:30:21,110 --> 00:30:19,360  
where he worked this uh satellite

856  
00:30:24,149 --> 00:30:21,120  
company and of course this would

857  
00:30:25,669 --> 00:30:24,159  
initiate a security investigation and

858  
00:30:27,750 --> 00:30:25,679  
lee graham actually lost his job in the

859  
00:30:29,510 --> 00:30:27,760  
end he ended was forced to resign years

860  
00:30:31,110 --> 00:30:29,520  
later because of this whole thing but he

861  
00:30:33,029 --> 00:30:31,120  
would hand it in and of course then the

862  
00:30:34,549 --> 00:30:33,039  
defense investigative services would get

863  
00:30:35,990 --> 00:30:34,559

involved and lee graham would be

864

00:30:37,029 --> 00:30:36,000

investigated and they would investigate

865

00:30:40,230 --> 00:30:37,039

and that's what they were trying to do

866

00:30:41,990 --> 00:30:40,240

is they were trying to get an official

867

00:30:43,830 --> 00:30:42,000

investigation on a document that's how

868

00:30:45,350 --> 00:30:43,840

they did it so lee graham was involved

869

00:30:47,190 --> 00:30:45,360

in this whole process through all the

870

00:30:49,350 --> 00:30:47,200

years for example he was he was the

871

00:30:51,990 --> 00:30:49,360

first guy to get the mj12 document he

872

00:30:54,389 --> 00:30:52,000

was the first guy to get a document

873

00:30:56,549 --> 00:30:54,399

called the the blue blue room document

874

00:30:58,630 --> 00:30:56,559

bill moore had gotten this document that

875

00:31:01,110 --> 00:30:58,640

dealt with the uh it was called the blue

876

00:31:02,470 --> 00:31:01,120

room radar scope document out of ray

877

00:31:04,549 --> 00:31:02,480

patterson air force base and this

878

00:31:06,070 --> 00:31:04,559

document tied into the blue room which

879

00:31:08,630 --> 00:31:06,080

was this rumored room where the where

880

00:31:09,669 --> 00:31:08,640

the bodies and the crafts were kept and

881

00:31:11,430 --> 00:31:09,679

so

882

00:31:12,630 --> 00:31:11,440

these documents were given to lee graham

883

00:31:14,710 --> 00:31:12,640

and he would hand him in a security

884

00:31:17,110 --> 00:31:14,720

officer so lee graham became this sort

885

00:31:19,909 --> 00:31:17,120

of guy that that was in the middle of

886

00:31:22,070 --> 00:31:19,919

these investigations and he also filed

887

00:31:23,909 --> 00:31:22,080

some people said as many as one one of

888

00:31:27,029 --> 00:31:23,919

the documents said as many as 5 000

889

00:31:28,789 --> 00:31:27,039

foias he would put fois on the mj-12

890

00:31:30,789 --> 00:31:28,799

document and he's still filing him with

891

00:31:32,630 --> 00:31:30,799

obama and he's got me dragged into these

892

00:31:34,630 --> 00:31:32,640

things now and what happened was in the

893

00:31:35,909 --> 00:31:34,640

end he would send me all this material

894

00:31:39,350 --> 00:31:35,919

and moore was giving him all this

895

00:31:41,590 --> 00:31:39,360

material including uh uh an actual draw

896

00:31:43,509 --> 00:31:41,600

a drawing or a picture of an alien face

897

00:31:44,950 --> 00:31:43,519

that he had been shown and lee graham

898

00:31:46,549 --> 00:31:44,960

drew it you'll see we put it in the book

899

00:31:49,190 --> 00:31:46,559

and stuff like that right and so in the

900

00:31:51,590 --> 00:31:49,200

end lee graham had an interpretation of

901  
00:31:53,590 --> 00:31:51,600  
of what he thought was going on so when

902  
00:31:55,509 --> 00:31:53,600  
i used lee grant's material and he had

903  
00:31:58,149 --> 00:31:55,519  
like he'd filed foias and he'd put this

904  
00:31:59,269 --> 00:31:58,159  
material out so he'd send it to me so as

905  
00:32:01,110 --> 00:31:59,279  
far as i was concerned it was open

906  
00:32:02,950 --> 00:32:01,120  
source material i didn't degrade lee

907  
00:32:04,789 --> 00:32:02,960  
graham i basically didn't twist the

908  
00:32:06,710 --> 00:32:04,799  
story i said this is what happened lee

909  
00:32:08,630 --> 00:32:06,720  
graham this did this investigative

910  
00:32:10,789 --> 00:32:08,640  
services got involved or whatever but

911  
00:32:12,310 --> 00:32:10,799  
because i didn't tell lee graham's story

912  
00:32:15,110 --> 00:32:12,320  
the way he thought it should be told he

913  
00:32:16,789 --> 00:32:15,120

had this idea about time travel and he

914

00:32:19,029 --> 00:32:16,799

didn't believe the falcon was the cia

915

00:32:20,549 --> 00:32:19,039

guy he believed it was hennessy from

916

00:32:24,389 --> 00:32:20,559

from the the guy that was the head of

917

00:32:25,990 --> 00:32:24,399

all the air force security programs

918

00:32:27,669 --> 00:32:26,000

air force security

919

00:32:29,190 --> 00:32:27,679

uh so he disagreed with some of the

920

00:32:31,190 --> 00:32:29,200

interpretations i had it was the same as

921

00:32:33,110 --> 00:32:31,200

as robert collins and because i used the

922

00:32:35,909 --> 00:32:33,120

material and didn't come to their

923

00:32:37,350 --> 00:32:35,919

interpretation of of the the results

924

00:32:38,389 --> 00:32:37,360

they were upset that i was using this

925

00:32:40,470 --> 00:32:38,399

material so those were the two

926  
00:32:43,029 --> 00:32:40,480  
controversy and the other controversy i

927  
00:32:44,389 --> 00:32:43,039  
got into was at the um

928  
00:32:45,830 --> 00:32:44,399  
and this this one nobody picked up

929  
00:32:47,190 --> 00:32:45,840  
either it was kind of weird

930  
00:32:49,509 --> 00:32:47,200  
um

931  
00:32:50,630 --> 00:32:49,519  
this was happened at the uh citizens

932  
00:32:51,509 --> 00:32:50,640  
hearing

933  
00:32:53,509 --> 00:32:51,519  
um

934  
00:32:56,549 --> 00:32:53,519  
a lot of i find in the ufo community

935  
00:32:57,750 --> 00:32:56,559  
that a lot of ufo people were as bad as

936  
00:32:59,350 --> 00:32:57,760  
the government if not worse when it

937  
00:33:01,590 --> 00:32:59,360  
comes to

938  
00:33:03,509 --> 00:33:01,600

keeping stuff secret and there there was

939

00:33:04,710 --> 00:33:03,519

there was one particular thing that that

940

00:33:06,230 --> 00:33:04,720

i released

941

00:33:07,669 --> 00:33:06,240

and it was just the way i worded it

942

00:33:10,389 --> 00:33:07,679

wasn't um

943

00:33:12,549 --> 00:33:10,399

it put somebody's the name of the person

944

00:33:15,029 --> 00:33:12,559

who had sort of talked to me about this

945

00:33:17,029 --> 00:33:15,039

and it dealt with a guy

946

00:33:18,950 --> 00:33:17,039

at area 51 and we talked about in the

947

00:33:20,389 --> 00:33:18,960

book i talk about him but i i don't use

948

00:33:21,990 --> 00:33:20,399

his name because at that point i didn't

949

00:33:23,509 --> 00:33:22,000

know the story and the guy's name

950

00:33:24,389 --> 00:33:23,519

actually turns out to be alfred

951  
00:33:26,789 --> 00:33:24,399  
o'donnell

952  
00:33:29,190 --> 00:33:26,799  
and he is one of the top guys eg g at

953  
00:33:30,870 --> 00:33:29,200  
area 51 and he basically confirms the

954  
00:33:33,990 --> 00:33:30,880  
fact that it's all for real the live

955  
00:33:36,389 --> 00:33:34,000  
alien story is for real and the back

956  
00:33:38,789 --> 00:33:36,399  
engineering's for real what happens is

957  
00:33:41,350 --> 00:33:38,799  
this alfred o'donnell stop stops talking

958  
00:33:42,789 --> 00:33:41,360  
in 1992 and the reason he stops talking

959  
00:33:46,870 --> 00:33:42,799  
is because

960  
00:33:49,669 --> 00:33:46,880  
he has been contacted by a fellow by

961  
00:33:51,669 --> 00:33:49,679  
name of dick demato who was a

962  
00:33:53,669 --> 00:33:51,679  
investigator for the appropriations

963  
00:33:55,350 --> 00:33:53,679

committee he had been working for

964

00:33:57,830 --> 00:33:55,360

senator byrd ran the appropriations

965

00:33:59,750 --> 00:33:57,840

committee and a number bird and a number

966

00:34:01,990 --> 00:33:59,760

of the

967

00:34:04,070 --> 00:34:02,000

senators on the appropriations committee

968

00:34:05,750 --> 00:34:04,080

got concerned when the area 51 story

969

00:34:07,509 --> 00:34:05,760

first broke the importance of the

970

00:34:10,149 --> 00:34:07,519

appropriations committee is they are the

971

00:34:11,909 --> 00:34:10,159

guys that sort of authorize

972

00:34:13,990 --> 00:34:11,919

all the money that's spent in the us

973

00:34:15,349 --> 00:34:14,000

budget so when all the stories started

974

00:34:16,629 --> 00:34:15,359

coming out about the fact that we had

975

00:34:18,629 --> 00:34:16,639

flying saucers and we were back

976

00:34:20,069 --> 00:34:18,639

engineering all this stuff

977

00:34:21,669 --> 00:34:20,079

bird and all the people in these

978

00:34:22,869 --> 00:34:21,679

senators on the appropriations committee

979

00:34:25,190 --> 00:34:22,879

were sort of looking at each other and

980

00:34:27,510 --> 00:34:25,200

going like are we financing flying

981

00:34:29,109 --> 00:34:27,520

saucers nobody's told us about this

982

00:34:31,750 --> 00:34:29,119

we're paying for this we're the guys

983

00:34:33,430 --> 00:34:31,760

that appropriate the money and

984

00:34:37,109 --> 00:34:33,440

we better look into this so they send

985

00:34:38,950 --> 00:34:37,119

the motto to area 51 to find out

986

00:34:41,030 --> 00:34:38,960

what the heck's going on what are we

987

00:34:42,869 --> 00:34:41,040

actually building flying saucers so

988

00:34:44,069 --> 00:34:42,879

domato gets on there and he interviews

989

00:34:45,990 --> 00:34:44,079

this he tries to interview this

990

00:34:48,069 --> 00:34:46,000

o'donnell guy o'donnell says i'm not

991

00:34:50,389 --> 00:34:48,079

going to talk about it even though

992

00:34:51,750 --> 00:34:50,399

d'amato knows that he knows the story

993

00:34:53,349 --> 00:34:51,760

he says you got to talk to my boss he

994

00:34:55,669 --> 00:34:53,359

goes to his boss

995

00:34:57,109 --> 00:34:55,679

and the boss says well you know i really

996

00:34:58,230 --> 00:34:57,119

wasn't involved in this and i really

997

00:35:00,390 --> 00:34:58,240

don't know anything about this live

998

00:35:01,670 --> 00:35:00,400

alien thing and the flying saucers i

999

00:35:03,430 --> 00:35:01,680

don't care if he wants to talk about it

1000

00:35:05,030 --> 00:35:03,440

i don't care he can talk about it and so

1001  
00:35:06,550 --> 00:35:05,040  
they go back to o'donnell and o'donnell

1002  
00:35:08,390 --> 00:35:06,560  
doesn't talk he says no i'm not going to

1003  
00:35:10,310 --> 00:35:08,400  
talk about it and that's he shuts up

1004  
00:35:12,150 --> 00:35:10,320  
this is about 1992 oh donald won't talk

1005  
00:35:14,230 --> 00:35:12,160  
anymore so i release this at citizens

1006  
00:35:15,750 --> 00:35:14,240  
hearing and i get i get all sorts of

1007  
00:35:17,270 --> 00:35:15,760  
flack about the fact that you know i

1008  
00:35:18,870 --> 00:35:17,280  
can't keep my mouth shut and whatever

1009  
00:35:19,750 --> 00:35:18,880  
and to me it's the old idea it's like

1010  
00:35:21,030 --> 00:35:19,760  
you know

1011  
00:35:22,950 --> 00:35:21,040  
how did they how did they know that

1012  
00:35:24,069 --> 00:35:22,960  
o'donnell was there in 1992 it was the

1013  
00:35:26,230 --> 00:35:24,079

same people squealing on him this

1014

00:35:27,589 --> 00:35:26,240

story's been open since 1992 just i'm

1015

00:35:29,670 --> 00:35:27,599

the first guy to come out and use his

1016

00:35:31,430 --> 00:35:29,680

name but you you get into this flock of

1017

00:35:32,870 --> 00:35:31,440

people having all these confidential

1018

00:35:35,109 --> 00:35:32,880

seek you know

1019

00:35:36,950 --> 00:35:35,119

sources for different things and to me

1020

00:35:38,630 --> 00:35:36,960

it's like i always look at it like mj 12

1021

00:35:40,069 --> 00:35:38,640

2. there's i got involved sort of with

1022

00:35:41,589 --> 00:35:40,079

the avery and that sort of fell through

1023

00:35:43,510 --> 00:35:41,599

a number of years ago that i released

1024

00:35:44,950 --> 00:35:43,520

the fact that somebody had talked to two

1025

00:35:46,790 --> 00:35:44,960

u.s presidents

1026  
00:35:48,390 --> 00:35:46,800  
and i got this flag about you know you

1027  
00:35:49,750 --> 00:35:48,400  
this was confidential you can't keep

1028  
00:35:51,990 --> 00:35:49,760  
your must shut and all this stuff and it

1029  
00:35:54,470 --> 00:35:52,000  
was like well this is like mj 12 2. i

1030  
00:35:56,310 --> 00:35:54,480  
mean so what you 12 intelligence guys

1031  
00:35:58,150 --> 00:35:56,320  
figure this thing out how does that help

1032  
00:35:59,750 --> 00:35:58,160  
society it doesn't help anybody and

1033  
00:36:01,990 --> 00:35:59,760  
that's what's happening is we have sort

1034  
00:36:03,910 --> 00:36:02,000  
of like in the ufo community we have a

1035  
00:36:05,990 --> 00:36:03,920  
lot of people who have a lot of material

1036  
00:36:07,829 --> 00:36:06,000  
that they don't release a lot of very

1037  
00:36:09,750 --> 00:36:07,839  
highly classified and i call it

1038  
00:36:12,310 --> 00:36:09,760

classified but really important stuff

1039

00:36:14,310 --> 00:36:12,320

like like as i said i have a guy who had

1040

00:36:16,069 --> 00:36:14,320

conversations with two u.s presidents

1041

00:36:17,589 --> 00:36:16,079

but because this is all secret it's like

1042

00:36:20,069 --> 00:36:17,599

well you can't talk about this and it's

1043

00:36:21,829 --> 00:36:20,079

like well what's the point so you did

1044

00:36:22,870 --> 00:36:21,839

this and it's like a bunch of guys that

1045

00:36:25,270 --> 00:36:22,880

sort of

1046

00:36:30,069 --> 00:36:27,430

symbolize it as a bunch of guys who have

1047

00:36:31,589 --> 00:36:30,079

stolen a bunch of picasso paintings and

1048

00:36:33,190 --> 00:36:31,599

they every once in a while they get

1049

00:36:34,870 --> 00:36:33,200

together in some guy's basement and they

1050

00:36:36,790 --> 00:36:34,880

they show off their picasso paintings to

1051

00:36:38,230 --> 00:36:36,800

each other but the public is never going

1052

00:36:39,589 --> 00:36:38,240

to see those paintings and the only

1053

00:36:42,310 --> 00:36:39,599

people that can see it is people who

1054

00:36:43,829 --> 00:36:42,320

they they they really trust in secrecy

1055

00:36:45,430 --> 00:36:43,839

so these are sort of the controversies

1056

00:36:46,310 --> 00:36:45,440

that i got in the book and after the

1057

00:36:48,310 --> 00:36:46,320

book

1058

00:36:50,069 --> 00:36:48,320

the fact that you know that this

1059

00:36:50,950 --> 00:36:50,079

material that i'm releasing and people

1060

00:36:52,069 --> 00:36:50,960

either

1061

00:36:54,710 --> 00:36:52,079

say that i shouldn't have released the

1062

00:36:56,550 --> 00:36:54,720

material or that i'm not interpreting

1063

00:36:59,430 --> 00:36:56,560

the material the way it should and the

1064

00:37:01,109 --> 00:36:59,440

way i work in ufology is i say

1065

00:37:03,109 --> 00:37:01,119

i'm i'm getting on i mean i'm close to

1066

00:37:05,670 --> 00:37:03,119

60 years old now i've been in this since

1067

00:37:07,670 --> 00:37:05,680

you know 1975 i've been in a long time

1068

00:37:10,550 --> 00:37:07,680

i'm running out of time i'm not here to

1069

00:37:12,710 --> 00:37:10,560

play games and my idea is i will put as

1070

00:37:15,670 --> 00:37:12,720

much of what i have on the table as

1071

00:37:18,310 --> 00:37:15,680

possible hoping that somebody somewhere

1072

00:37:20,630 --> 00:37:18,320

has something that will say hey i can

1073

00:37:22,550 --> 00:37:20,640

verify that thank you for putting this

1074

00:37:23,910 --> 00:37:22,560

out because i can use this we have to

1075

00:37:26,150 --> 00:37:23,920

get as much of the material out as

1076

00:37:27,910 --> 00:37:26,160

possible it doesn't help to to withhold

1077

00:37:29,670 --> 00:37:27,920

stuff to keep stuff secret the

1078

00:37:31,190 --> 00:37:29,680

government's doing a good job of that we

1079

00:37:33,990 --> 00:37:31,200

don't need to help them do this kind of

1080

00:37:36,069 --> 00:37:34,000

stuff so that's basically how this came

1081

00:37:38,230 --> 00:37:36,079

down and what i did in the book is i i

1082

00:37:39,270 --> 00:37:38,240

try to put as much as i could on the

1083

00:37:41,589 --> 00:37:39,280

table

1084

00:37:43,829 --> 00:37:41,599

and i still work on it and and what i do

1085

00:37:45,910 --> 00:37:43,839

a lot of is i actually do a lot of

1086

00:37:47,910 --> 00:37:45,920

research in terms of going and finding

1087

00:37:50,069 --> 00:37:47,920

people's files like when a researcher

1088

00:37:51,670 --> 00:37:50,079

dies or puts this file somewhere i go to

1089

00:37:53,349 --> 00:37:51,680

those files for a very specific reason

1090

00:37:55,430 --> 00:37:53,359

because i know everybody's got secrets

1091

00:37:57,910 --> 00:37:55,440

that they never told so you go into the

1092

00:37:59,670 --> 00:37:57,920

files and you want to see what cases did

1093

00:38:01,349 --> 00:37:59,680

that guy never release who was he

1094

00:38:02,950 --> 00:38:01,359

talking to what confidential

1095

00:38:04,870 --> 00:38:02,960

conversations did he have with people

1096

00:38:06,550 --> 00:38:04,880

and i look for that kind of material

1097

00:38:08,230 --> 00:38:06,560

believing that you know we're running

1098

00:38:09,910 --> 00:38:08,240

out of time well i'm running out of time

1099

00:38:12,470 --> 00:38:09,920

in terms of trying to figure out what

1100

00:38:14,470 --> 00:38:12,480

this was because when i started

1101

00:38:18,150 --> 00:38:14,480

as you know you know people will know my

1102

00:38:19,670 --> 00:38:18,160

story that 1975 there was a series of

1103

00:38:21,829 --> 00:38:19,680

sightings happening here just north of

1104

00:38:24,470 --> 00:38:21,839

the the american border is that charlie

1105

00:38:26,390 --> 00:38:24,480

red star is that the red star story yeah

1106

00:38:27,750 --> 00:38:26,400

and this happened two weeks my first

1107

00:38:29,190 --> 00:38:27,760

sighting was two weeks after the end of

1108

00:38:30,470 --> 00:38:29,200

the vietnam war

1109

00:38:32,630 --> 00:38:30,480

it started just before the end of the

1110

00:38:34,630 --> 00:38:32,640

vietnam war i believe it had to do with

1111

00:38:37,030 --> 00:38:34,640

the vietnam war that what had happened

1112

00:38:39,270 --> 00:38:37,040

is i lived right by the the minuteman

1113

00:38:42,310 --> 00:38:39,280

missile silos in north dakota and north

1114

00:38:43,990 --> 00:38:42,320

dakota they always said um if

1115

00:38:48,390 --> 00:38:44,000

uh

1116

00:38:50,069 --> 00:38:48,400

country it would be one of the biggest

1117

00:38:52,630 --> 00:38:50,079

nuclear powers in the world we had the

1118

00:38:54,950 --> 00:38:52,640

the grand forks missile base

1119

00:38:57,349 --> 00:38:54,960

with all the minutemen we had the the

1120

00:38:58,630 --> 00:38:57,359

minot base we had missiles everywhere we

1121

00:39:00,310 --> 00:38:58,640

all knew this

1122

00:39:01,430 --> 00:39:00,320

but when i had the sightings i really

1123

00:39:03,990 --> 00:39:01,440

didn't know what was going on it was a

1124

00:39:06,470 --> 00:39:04,000

small town farming community flat as

1125

00:39:08,710 --> 00:39:06,480

could be nothing significant huge

1126  
00:39:10,550 --> 00:39:08,720  
numbers of sightings 59 percent when i

1127  
00:39:12,150 --> 00:39:10,560  
pulled the high school 59 of the kids

1128  
00:39:14,390 --> 00:39:12,160  
said they'd seen something in the last

1129  
00:39:16,390 --> 00:39:14,400  
two years a lot a lot of sightings and i

1130  
00:39:17,990 --> 00:39:16,400  
could never figure out why

1131  
00:39:19,670 --> 00:39:18,000  
these these sightings were taking place

1132  
00:39:21,349 --> 00:39:19,680  
and 30 years later i went back to the

1133  
00:39:22,950 --> 00:39:21,359  
guy who ran the airport who had more

1134  
00:39:23,750 --> 00:39:22,960  
sightings than i did i had about 100

1135  
00:39:25,030 --> 00:39:23,760  
over

1136  
00:39:26,829 --> 00:39:25,040  
a year and a half that i was there

1137  
00:39:29,510 --> 00:39:26,839  
trying to investigate this he had about

1138  
00:39:30,310 --> 00:39:29,520

150 so i said to him i said bob i said

1139

00:39:33,990 --> 00:39:30,320

well

1140

00:39:35,270 --> 00:39:34,000

you know why and i said no bob in 30

1141

00:39:36,870 --> 00:39:35,280

years i have no idea what was going on

1142

00:39:38,310 --> 00:39:36,880

here he said the missile silence i told

1143

00:39:39,589 --> 00:39:38,320

you it was the missile cells they were

1144

00:39:40,950 --> 00:39:39,599

coming from the states i told you that

1145

00:39:43,910 --> 00:39:40,960

there we'd watch them fly out from the

1146

00:39:45,910 --> 00:39:43,920

states so i linked it into this whole

1147

00:39:47,589 --> 00:39:45,920

u.s missile thing

1148

00:39:49,190 --> 00:39:47,599

so when i put out the manuscript back

1149

00:39:50,470 --> 00:39:49,200

1977

1150

00:39:52,069 --> 00:39:50,480

nobody would publish a thing and the

1151  
00:39:54,390 --> 00:39:52,079  
local publisher and i live in a pretty

1152  
00:39:56,069 --> 00:39:54,400  
big city 750 000 people the local

1153  
00:39:57,990 --> 00:39:56,079  
publisher here where the story was very

1154  
00:40:00,150 --> 00:39:58,000  
popular basically wouldn't publish it

1155  
00:40:01,910 --> 00:40:00,160  
and her rejection letter said mr cameron

1156  
00:40:03,829 --> 00:40:01,920  
you may believe in this kind of stuff

1157  
00:40:06,230 --> 00:40:03,839  
count me among the unbelievers

1158  
00:40:08,150 --> 00:40:06,240  
and so i said sightings total waste of

1159  
00:40:10,150 --> 00:40:08,160  
time this is garbage i mean you can tell

1160  
00:40:11,190 --> 00:40:10,160  
people stories and dazzle them and

1161  
00:40:13,270 --> 00:40:11,200  
people are going yeah it's kind of

1162  
00:40:15,270 --> 00:40:13,280  
interesting nobody cares nobody could

1163  
00:40:17,510 --> 00:40:15,280

care less about what you saw or anybody

1164

00:40:20,870 --> 00:40:17,520

else saw i said all i'm interested now

1165

00:40:22,870 --> 00:40:20,880

is what did i see somebody has to know

1166

00:40:24,069 --> 00:40:22,880

what i saw somebody has to know more

1167

00:40:25,670 --> 00:40:24,079

about what's going on there has to be

1168

00:40:27,109 --> 00:40:25,680

someone with an answer and that's why i

1169

00:40:28,630 --> 00:40:27,119

started this

1170

00:40:29,750 --> 00:40:28,640

investigation going after the canadian

1171

00:40:31,670 --> 00:40:29,760

government to find out what the canaan

1172

00:40:33,750 --> 00:40:31,680

government did i put that in the book

1173

00:40:35,349 --> 00:40:33,760

and then that led us to dr eric walker

1174

00:40:37,190 --> 00:40:35,359

and we spent eight years chasing him

1175

00:40:39,510 --> 00:40:37,200

around we put everything in the book and

1176

00:40:40,790 --> 00:40:39,520

at one point scott crane because he

1177

00:40:42,150 --> 00:40:40,800

there was some of the stuff as you see

1178

00:40:43,349 --> 00:40:42,160

the walker stuff kind of some it was

1179

00:40:45,030 --> 00:40:43,359

kind of weird i mean he was talking

1180

00:40:47,109 --> 00:40:45,040

about the the live aliens being

1181

00:40:48,790 --> 00:40:47,119

integrated into american society so

1182

00:40:50,230 --> 00:40:48,800

scott said well let's

1183

00:40:52,310 --> 00:40:50,240

let's edit this stuff i said no let's

1184

00:40:54,950 --> 00:40:52,320

not edit anything let's just take

1185

00:40:57,030 --> 00:40:54,960

everything that he told us every letter

1186

00:40:58,630 --> 00:40:57,040

every conversation let's not edit

1187

00:41:00,390 --> 00:40:58,640

anything let's just put it in there the

1188

00:41:02,470 --> 00:41:00,400

good stuff the bad stuff and let people

1189

00:41:04,390 --> 00:41:02,480

determine that we this is what he what

1190

00:41:06,150 --> 00:41:04,400

he told us so i haven't really edited

1191

00:41:08,309 --> 00:41:06,160

anything there and then when i got to

1192

00:41:10,550 --> 00:41:08,319

the he led to the president's that there

1193

00:41:12,550 --> 00:41:10,560

was a set of files that he because he

1194

00:41:14,790 --> 00:41:12,560

was um he had a lot of powerful jobs

1195

00:41:17,030 --> 00:41:14,800

this guy he was the co-developer of the

1196

00:41:19,349 --> 00:41:17,040

homing torpedo during world war ii

1197

00:41:21,190 --> 00:41:19,359

he uh was chairman of the board of the

1198

00:41:23,990 --> 00:41:21,200

institute for defense analysis which is

1199

00:41:25,589 --> 00:41:24,000

the biggest uh or the most powerful

1200

00:41:27,670 --> 00:41:25,599

think tank for the u.s department of

1201  
00:41:28,870 --> 00:41:27,680  
defense that's where darpa came out of

1202  
00:41:30,790 --> 00:41:28,880  
darpa

1203  
00:41:31,990 --> 00:41:30,800  
emerged out of the institute for defense

1204  
00:41:34,390 --> 00:41:32,000  
analysis

1205  
00:41:35,750 --> 00:41:34,400  
uh he was uh uh

1206  
00:41:37,670 --> 00:41:35,760  
the the job that we were trying to get

1207  
00:41:38,870 --> 00:41:37,680  
his records for he was the executive

1208  
00:41:40,950 --> 00:41:38,880  
secretary of the research and

1209  
00:41:42,950 --> 00:41:40,960  
development board which was the

1210  
00:41:44,390 --> 00:41:42,960  
organization after world war ii that was

1211  
00:41:46,309 --> 00:41:44,400  
in charge of all the weapon development

1212  
00:41:49,109 --> 00:41:46,319  
the hydrogen bomb

1213  
00:41:50,630 --> 00:41:49,119

all the the latest uh armaments and

1214

00:41:52,630 --> 00:41:50,640

stuff like that so he was the executive

1215

00:41:54,230 --> 00:41:52,640

secretary so he was second in command in

1216

00:41:57,109 --> 00:41:54,240

the pentagon for all the weapon

1217

00:42:00,710 --> 00:41:57,119

development in 1950 and that's when we

1218

00:42:02,790 --> 00:42:00,720

he got involved that's when um

1219

00:42:04,390 --> 00:42:02,800

we sort of find out that he goes to

1220

00:42:06,630 --> 00:42:04,400

these briefings at right patterson air

1221

00:42:09,510 --> 00:42:06,640

force base what we're told

1222

00:42:11,430 --> 00:42:09,520

is by dr robert sarbacher who is one of

1223

00:42:14,230 --> 00:42:11,440

the people who squeals on him uh

1224

00:42:15,910 --> 00:42:14,240

saubacher says uh there was a

1225

00:42:17,109 --> 00:42:15,920

crash in the west he didn't know where

1226

00:42:19,510 --> 00:42:17,119

it was

1227

00:42:21,349 --> 00:42:19,520

and that the material had been taken to

1228

00:42:23,270 --> 00:42:21,359

wright patterson air force base

1229

00:42:25,190 --> 00:42:23,280

and that this he didn't give a date but

1230

00:42:26,710 --> 00:42:25,200

we figured it was 1950

1231

00:42:28,630 --> 00:42:26,720

there was a series of briefings that

1232

00:42:30,470 --> 00:42:28,640

have been taken place for high-ranking

1233

00:42:32,069 --> 00:42:30,480

scientists in washington

1234

00:42:34,150 --> 00:42:32,079

and that saubacher couldn't go he said i

1235

00:42:35,829 --> 00:42:34,160

couldn't go to the briefings but a lot

1236

00:42:37,349 --> 00:42:35,839

of people i was in a navy office in

1237

00:42:38,470 --> 00:42:37,359

washington and a lot of the people who

1238

00:42:40,069 --> 00:42:38,480

were briefed

1239

00:42:41,430 --> 00:42:40,079

scientists and stuff were coming back to

1240

00:42:42,790 --> 00:42:41,440

the navy office

1241

00:42:44,950 --> 00:42:42,800

and were talking about what was what

1242

00:42:47,430 --> 00:42:44,960

they were being told and he remembered

1243

00:42:49,030 --> 00:42:47,440

that the alien was like an insect type

1244

00:42:52,309 --> 00:42:49,040

creature it had like a

1245

00:42:54,630 --> 00:42:52,319

characteristic of an insect and that the

1246

00:42:56,950 --> 00:42:54,640

material was very very uh light and it

1247

00:42:58,630 --> 00:42:56,960

was very very tough so these are the

1248

00:43:00,950 --> 00:42:58,640

things he remembered and stanton

1249

00:43:04,630 --> 00:43:00,960

friedman interviews him and this is 1983

1250

00:43:06,950 --> 00:43:04,640

on on tape and sauerbacher says he

1251  
00:43:09,510 --> 00:43:06,960  
stands asking well who was there and he

1252  
00:43:10,870 --> 00:43:09,520  
said well vanvar bush who was the guy

1253  
00:43:12,309 --> 00:43:10,880  
the science advisor to president

1254  
00:43:14,630 --> 00:43:12,319  
roosevelt the guy in charge of the

1255  
00:43:16,470 --> 00:43:14,640  
atomic bomb the guy that's rumored to be

1256  
00:43:18,230 --> 00:43:16,480  
in charge of the flying saucer thing

1257  
00:43:19,190 --> 00:43:18,240  
when it first started the roswell thing

1258  
00:43:21,829 --> 00:43:19,200  
he was the guy who was running the

1259  
00:43:23,109 --> 00:43:21,839  
flying saucer program uh he mentions von

1260  
00:43:25,430 --> 00:43:23,119  
braun

1261  
00:43:27,430 --> 00:43:25,440  
from saturn v he mentions von neumann

1262  
00:43:29,670 --> 00:43:27,440  
who's been sort of credited with

1263  
00:43:31,190 --> 00:43:29,680

inventing the computer uh he's naming

1264

00:43:32,790 --> 00:43:31,200

off all these guys in stanton system

1265

00:43:33,829 --> 00:43:32,800

well robert i mean you're naming all

1266

00:43:35,349 --> 00:43:33,839

these guys that are dead is there

1267

00:43:37,109 --> 00:43:35,359

anybody that could possibly still be

1268

00:43:38,710 --> 00:43:37,119

alive and that's when he said well yeah

1269

00:43:40,390 --> 00:43:38,720

there was this guy from pennsylvania he

1270

00:43:42,069 --> 00:43:40,400

was real arrogant man that guy went to

1271

00:43:44,230 --> 00:43:42,079

every meeting he thought he knew

1272

00:43:46,470 --> 00:43:44,240

everything and that's when we analyzed

1273

00:43:49,589 --> 00:43:46,480

and we find out a researcher in

1274

00:43:51,670 --> 00:43:49,599

california determines that this is dr

1275

00:43:53,910 --> 00:43:51,680

eric walker and that's when he phones

1276

00:43:55,670 --> 00:43:53,920

him up and he says you know this is like

1277

00:43:58,630 --> 00:43:55,680

days after the mj-12 document is

1278

00:44:00,710 --> 00:43:58,640

released in 1987 and he says

1279

00:44:02,950 --> 00:44:00,720

you know i i understand from dr robert

1280

00:44:04,470 --> 00:44:02,960

saubacher that you attended a series of

1281

00:44:06,630 --> 00:44:04,480

briefings at wright patterson air force

1282

00:44:08,950 --> 00:44:06,640

base and it dealt with the recovery of a

1283

00:44:12,150 --> 00:44:08,960

flying saucer and extraterrestrial

1284

00:44:13,589 --> 00:44:12,160

bodies and walker says yeah i was there

1285

00:44:16,069 --> 00:44:13,599

what do you want to know about that for

1286

00:44:17,750 --> 00:44:16,079

that's uh friends diamonds gets freaking

1287

00:44:19,589 --> 00:44:17,760

out wow this is the most important

1288

00:44:21,589 --> 00:44:19,599

subject in the world and and then

1289

00:44:23,670 --> 00:44:21,599

walker's saying well calm down

1290

00:44:25,510 --> 00:44:23,680

what's the big what's the big uh thing

1291

00:44:26,790 --> 00:44:25,520

and and this is how this thing starts

1292

00:44:29,349 --> 00:44:26,800

that we figure out that this walker

1293

00:44:30,950 --> 00:44:29,359

knows i mean he basically doesn't deny

1294

00:44:32,870 --> 00:44:30,960

anything right doesn't deny anything and

1295

00:44:35,190 --> 00:44:32,880

then even when when simon says to

1296

00:44:36,950 --> 00:44:35,200

yourself i got this document

1297

00:44:39,510 --> 00:44:36,960

talking about mj 12 and he cuts them off

1298

00:44:40,870 --> 00:44:39,520

and he says look i've known of them for

1299

00:44:42,309 --> 00:44:40,880

40 years

1300

00:44:45,589 --> 00:44:42,319

leave it alone there's nothing you can

1301  
00:44:47,270 --> 00:44:45,599  
do about it so from 1987 days after the

1302  
00:44:48,790 --> 00:44:47,280  
document comes out and it's not public

1303  
00:44:50,390 --> 00:44:48,800  
it was released at the mufon conference

1304  
00:44:51,750 --> 00:44:50,400  
in washington but it's not public in

1305  
00:44:53,190 --> 00:44:51,760  
newspapers or anything and walker says

1306  
00:44:58,309 --> 00:44:53,200  
i've known of them

1307  
00:45:00,150 --> 00:44:58,319  
since 1987 is known of them since 1947.

1308  
00:45:02,870 --> 00:45:00,160  
so we knew it instinctively that this

1309  
00:45:04,390 --> 00:45:02,880  
was a critically important guy this guy

1310  
00:45:07,270 --> 00:45:04,400  
knew what was going on

1311  
00:45:09,829 --> 00:45:07,280  
uh he was he had done some studies on

1312  
00:45:11,589 --> 00:45:09,839  
engineering for president eisenhower the

1313  
00:45:13,270 --> 00:45:11,599

president before him at penn state

1314

00:45:15,190 --> 00:45:13,280

university that appointed him vice

1315

00:45:17,109 --> 00:45:15,200

president was milton eisenhower who was

1316

00:45:18,630 --> 00:45:17,119

the president's brother it's a very very

1317

00:45:20,390 --> 00:45:18,640

powerful guy

1318

00:45:21,190 --> 00:45:20,400

and so

1319

00:45:26,630 --> 00:45:21,200

we

1320

00:45:28,950 --> 00:45:26,640

to get him to talk and even after

1321

00:45:30,230 --> 00:45:28,960

the book is released in 1991 the first

1322

00:45:31,750 --> 00:45:30,240

version of this book that we've just

1323

00:45:35,430 --> 00:45:31,760

released

1324

00:45:37,109 --> 00:45:35,440

in 1991 um we suddenly

1325

00:45:38,790 --> 00:45:37,119

sort of occurred to me he's doing an

1326

00:45:40,630 --> 00:45:38,800

interview with stanton friedman and

1327

00:45:41,750 --> 00:45:40,640

stanton really had problems with it

1328

00:45:43,829 --> 00:45:41,760

because he would never talk to stanton

1329

00:45:45,910 --> 00:45:43,839

stanton said to me he said well you know

1330

00:45:47,430 --> 00:45:45,920

the guys evidently knows something but

1331

00:45:48,790 --> 00:45:47,440

what you can't squeeze squeeze it out of

1332

00:45:50,870 --> 00:45:48,800

him you know he can't you can't make him

1333

00:45:52,150 --> 00:45:50,880

talk and so he wouldn't tell stan but he

1334

00:45:53,510 --> 00:45:52,160

did tell stanton something very

1335

00:45:55,910 --> 00:45:53,520

significant he'd stanton interviewed him

1336

00:45:57,990 --> 00:45:55,920

in 1990 and instead he was making some

1337

00:46:00,630 --> 00:45:58,000

cracks about the roswell book and he was

1338

00:46:02,550 --> 00:46:00,640

sort of you know

1339

00:46:05,349 --> 00:46:02,560

saying various things like that and then

1340

00:46:06,790 --> 00:46:05,359

he was he said you know i i i was only

1341

00:46:09,349 --> 00:46:06,800

involved in this for a couple of days

1342

00:46:10,710 --> 00:46:09,359

and i haven't been involved for 25 years

1343

00:46:13,270 --> 00:46:10,720

and after the book was released i

1344

00:46:16,069 --> 00:46:13,280

suddenly went whoa you know 1990 it was

1345

00:46:17,670 --> 00:46:16,079

the interview you go back 25 years if he

1346

00:46:18,510 --> 00:46:17,680

was involved for a couple of days that

1347

00:46:23,349 --> 00:46:18,520

was

1348

00:46:25,349 --> 00:46:23,359

kecksburg pennsylvania so i go and i

1349

00:46:26,950 --> 00:46:25,359

look on a map and sure enough it's like

1350

00:46:29,349 --> 00:46:26,960

a hundred miles away from penn state

1351  
00:46:32,069 --> 00:46:29,359  
university and dr eric walker had a had

1352  
00:46:34,390 --> 00:46:32,079  
a an aviation license he was a pilot

1353  
00:46:35,670 --> 00:46:34,400  
they had an airport right at penn state

1354  
00:46:38,550 --> 00:46:35,680  
university because they were training

1355  
00:46:40,950 --> 00:46:38,560  
pilots there uh not

1356  
00:46:42,630 --> 00:46:40,960  
just commercial pilot type stuff and so

1357  
00:46:44,790 --> 00:46:42,640  
i went wow he could just jump on a plane

1358  
00:46:46,550 --> 00:46:44,800  
he could be in texburg in 30 minutes and

1359  
00:46:48,550 --> 00:46:46,560  
i mean he could they could he'd be in

1360  
00:46:49,829 --> 00:46:48,560  
and out of there so we phoned him up

1361  
00:46:51,910 --> 00:46:49,839  
even this is after the book and he

1362  
00:46:53,430 --> 00:46:51,920  
realized he'd been had that that we we

1363  
00:46:55,270 --> 00:46:53,440

knew who he was and we had published all

1364

00:46:56,950 --> 00:46:55,280

this material and the guy from great

1365

00:46:58,630 --> 00:46:56,960

britain phones them up and he says dr

1366

00:47:00,870 --> 00:46:58,640

walker says uh

1367

00:47:02,150 --> 00:47:00,880

i got another question for you said i i

1368

00:47:03,270 --> 00:47:02,160

got i don't know whether this has

1369

00:47:04,950 --> 00:47:03,280

anything to do with what we're talking

1370

00:47:07,510 --> 00:47:04,960

about but were you in ketchup

1371

00:47:10,069 --> 00:47:07,520

pennsylvania in 1965.

1372

00:47:12,230 --> 00:47:10,079

walker says yeah i was there i was there

1373

00:47:13,750 --> 00:47:12,240

with two off-duty military people and

1374

00:47:15,829 --> 00:47:13,760

then the guy says well dr mark i know

1375

00:47:17,510 --> 00:47:15,839

you don't like to talk about this but

1376

00:47:19,750 --> 00:47:17,520

let me ask you i mean can i ask you

1377

00:47:21,829 --> 00:47:19,760

what's it a ufo and then walker says i

1378

00:47:23,109 --> 00:47:21,839

told you i don't talk about this subject

1379

00:47:24,870 --> 00:47:23,119

you're always trying to squeeze this out

1380

00:47:26,790 --> 00:47:24,880

of me i'm not going to talk about it and

1381

00:47:28,790 --> 00:47:26,800

then as a daddle the guy who's doing the

1382

00:47:30,950 --> 00:47:28,800

interview says well you know dr walker

1383

00:47:32,710 --> 00:47:30,960

says i'm i'm kind of like a turtle you

1384

00:47:34,069 --> 00:47:32,720

kick me over i'm lying on my back and i

1385

00:47:35,430 --> 00:47:34,079

just roll back and forth back and forth

1386

00:47:36,230 --> 00:47:35,440

until i finally get back on my feet

1387

00:47:38,710 --> 00:47:36,240

again

1388

00:47:41,349 --> 00:47:38,720

so the this is the sort of the game to

1389

00:47:43,829 --> 00:47:41,359

me it's been sort of a game to play to

1390

00:47:45,510 --> 00:47:43,839

figure out who knows what's going on and

1391

00:47:49,190 --> 00:47:45,520

then to get

1392

00:47:51,270 --> 00:47:49,200

information and to try to run that uh

1393

00:47:52,950 --> 00:47:51,280

run that to ground where i think

1394

00:47:54,950 --> 00:47:52,960

sometimes we made a mistake in the ufo

1395

00:47:56,230 --> 00:47:54,960

community i i sort of talk about

1396

00:47:59,030 --> 00:47:56,240

sometimes that we

1397

00:48:00,710 --> 00:47:59,040

we we deal with the messiah that we we

1398

00:48:02,150 --> 00:48:00,720

we're always looking for the next case

1399

00:48:03,910 --> 00:48:02,160

we're looking for the thing that the

1400

00:48:05,910 --> 00:48:03,920

crash that the government can't control

1401

00:48:08,550 --> 00:48:05,920

or the witness that's got all the story

1402

00:48:11,430 --> 00:48:08,560

that or the researcher who's going to be

1403

00:48:12,870 --> 00:48:11,440

the guy with no uh bad background who's

1404

00:48:14,470 --> 00:48:12,880

going to bring just the right witnesses

1405

00:48:15,910 --> 00:48:14,480

out and so we're always hopeful of all

1406

00:48:17,589 --> 00:48:15,920

this kind of stuff and then what happens

1407

00:48:18,870 --> 00:48:17,599

is you know you get stephen girl with

1408

00:48:20,630 --> 00:48:18,880

the disclosure news conference and

1409

00:48:21,829 --> 00:48:20,640

everybody's excited you figure here it

1410

00:48:22,950 --> 00:48:21,839

is we're going to have disclosure and

1411

00:48:25,109 --> 00:48:22,960

then suddenly there's a couple of

1412

00:48:27,430 --> 00:48:25,119

witnesses aren't maybe vetted quite

1413

00:48:29,190 --> 00:48:27,440

bright and every goes i knew i knew he

1414

00:48:31,349 --> 00:48:29,200

wasn't the messiah and suddenly

1415

00:48:32,630 --> 00:48:31,359

everybody's against stephen greer or you

1416

00:48:35,109 --> 00:48:32,640

know the

1417

00:48:36,870 --> 00:48:35,119

the whole thing with the uh uh citizens

1418

00:48:38,790 --> 00:48:36,880

hearing you know everybody thinks it's

1419

00:48:40,150 --> 00:48:38,800

great and then you find out well some

1420

00:48:42,150 --> 00:48:40,160

people get critical and then it's like

1421

00:48:44,309 --> 00:48:42,160

oh that's not right and and we we just

1422

00:48:46,309 --> 00:48:44,319

keep jumping from one story to another

1423

00:48:47,670 --> 00:48:46,319

story and that's why i think it's so

1424

00:48:49,030 --> 00:48:47,680

easy for the government to set us up

1425

00:48:50,870 --> 00:48:49,040

because we're always looking for the

1426  
00:48:52,790 --> 00:48:50,880  
messiah we're looking for this story

1427  
00:48:54,470 --> 00:48:52,800  
that everybody hasn't found yet we're

1428  
00:48:55,510 --> 00:48:54,480  
looking under all the rocks and we

1429  
00:48:57,510 --> 00:48:55,520  
haven't gone back and actually

1430  
00:48:59,910 --> 00:48:57,520  
investigated the stories we already have

1431  
00:49:01,430 --> 00:48:59,920  
that basically tell us what's going on

1432  
00:49:03,349 --> 00:49:01,440  
and that would even come down to the

1433  
00:49:05,510 --> 00:49:03,359  
mj12 thing which i told you in the

1434  
00:49:07,510 --> 00:49:05,520  
original book we put the stuff about

1435  
00:49:09,750 --> 00:49:07,520  
nj12 and everybody said oh the document

1436  
00:49:12,069 --> 00:49:09,760  
is phony don't even bring up the mj12

1437  
00:49:14,870 --> 00:49:12,079  
story and it's like yes we know the mj12

1438  
00:49:16,390 --> 00:49:14,880

story is the document is phony but

1439

00:49:18,549 --> 00:49:16,400

nobody looked at the evidence that we

1440

00:49:20,710 --> 00:49:18,559

had brought forward for mg12 and some of

1441

00:49:22,630 --> 00:49:20,720

it is extremely significant evidence

1442

00:49:25,109 --> 00:49:22,640

that basically says

1443

00:49:26,790 --> 00:49:25,119

yes mj-12 exists and let me give you a

1444

00:49:27,910 --> 00:49:26,800

couple of examples there was a guy named

1445

00:49:31,190 --> 00:49:27,920

of

1446

00:49:33,430 --> 00:49:31,200

john andrews who was the guy from tester

1447

00:49:35,750 --> 00:49:33,440

corporation who was a friend of ben rich

1448

00:49:39,349 --> 00:49:35,760

at lockheed skunk works and he's the guy

1449

00:49:41,670 --> 00:49:39,359

that that did the model the most popular

1450

00:49:44,470 --> 00:49:41,680

tester model of the

1451  
00:49:47,030 --> 00:49:44,480  
roswell crash thing he he made the model

1452  
00:49:48,950 --> 00:49:47,040  
and he was an aerospace expert he was

1453  
00:49:51,030 --> 00:49:48,960  
very into it he knew ben rich and he

1454  
00:49:54,309 --> 00:49:51,040  
writes a letter in 1987 which we put in

1455  
00:49:55,349 --> 00:49:54,319  
the new book that basically says

1456  
00:49:56,950 --> 00:49:55,359  
and this is when the document was

1457  
00:49:59,430 --> 00:49:56,960  
released the mj12 document was released

1458  
00:50:00,950 --> 00:49:59,440  
he said i've known of mj-12 for years

1459  
00:50:02,069 --> 00:50:00,960  
even though it wasn't public i've known

1460  
00:50:04,870 --> 00:50:02,079  
about it

1461  
00:50:07,109 --> 00:50:04,880  
so the you have a high-ranking guy who's

1462  
00:50:08,549 --> 00:50:07,119  
saying before the document was out we

1463  
00:50:10,549 --> 00:50:08,559

all knew about mj-12 we knew there was

1464

00:50:11,750 --> 00:50:10,559

this control group and then in the most

1465

00:50:13,109 --> 00:50:11,760

recent

1466

00:50:16,230 --> 00:50:13,119

there's an article i've just released on

1467

00:50:18,390 --> 00:50:16,240

my website which is presidential ufo.com

1468

00:50:21,030 --> 00:50:18,400

i bring out two very recent i in the

1469

00:50:22,630 --> 00:50:21,040

book we have about 12 items that show

1470

00:50:26,150 --> 00:50:22,640

that there is a control group and it is

1471

00:50:28,069 --> 00:50:26,160

called mj12 and this involves you know

1472

00:50:29,510 --> 00:50:28,079

john andrews and a guy from inside the

1473

00:50:31,750 --> 00:50:29,520

vault who comes and talks to me in

1474

00:50:33,990 --> 00:50:31,760

arizona at one or arkansas during after

1475

00:50:36,230 --> 00:50:34,000

one presentation and people like that

1476

00:50:38,710 --> 00:50:36,240

that confirm this and the latest two are

1477

00:50:41,750 --> 00:50:38,720

very significant at the citizens hearing

1478

00:50:44,230 --> 00:50:41,760

i contacted jesse marcel jr

1479

00:50:46,069 --> 00:50:44,240

jesse marcel jr had told this story that

1480

00:50:48,790 --> 00:50:46,079

dealt with this dick tomato that had

1481

00:50:50,870 --> 00:50:48,800

gone to area 51. and dick d'amato had

1482

00:50:53,750 --> 00:50:50,880

tried to get to the bottom of the whole

1483

00:50:55,589 --> 00:50:53,760

ufo story he goes to area 51 he

1484

00:50:56,950 --> 00:50:55,599

interviews a lot of the major

1485

00:50:58,309 --> 00:50:56,960

researchers

1486

00:51:00,549 --> 00:50:58,319

and he actually makes a statement to

1487

00:51:01,430 --> 00:51:00,559

stephen greer steven greer at the end he

1488

00:51:04,150 --> 00:51:01,440

says

1489

00:51:07,030 --> 00:51:04,160

i had the highest security clearances in

1490

00:51:09,510 --> 00:51:07,040

in the country i had access to whoever i

1491

00:51:11,510 --> 00:51:09,520

wanted to talk to i was able to get

1492

00:51:13,190 --> 00:51:11,520

nothing on this and he says to stephen

1493

00:51:15,829 --> 00:51:13,200

greer i just want to let you know you

1494

00:51:18,309 --> 00:51:15,839

are up against the varsity team of all

1495

00:51:19,829 --> 00:51:18,319

black budget programs i wish you luck

1496

00:51:22,870 --> 00:51:19,839

and then he laughs

1497

00:51:25,829 --> 00:51:22,880

and so d'amato there's a story that

1498

00:51:28,150 --> 00:51:25,839

d'amato takes jessie marcel jr into a

1499

00:51:29,510 --> 00:51:28,160

room in the senate building

1500

00:51:31,589 --> 00:51:29,520

a secure

1501

00:51:34,069 --> 00:51:31,599

room and tells him the story so i

1502

00:51:35,910 --> 00:51:34,079

contact jesse marcel jr and i want to

1503

00:51:37,829 --> 00:51:35,920

use it my testimony at the citizens

1504

00:51:40,230 --> 00:51:37,839

hearing i want to tell this story so i

1505

00:51:43,270 --> 00:51:40,240

talked i i send an email i talked to one

1506

00:51:44,790 --> 00:51:43,280

of jesse marcel's people that sort of

1507

00:51:46,549 --> 00:51:44,800

book stuff for him and stuff like that

1508

00:51:48,630 --> 00:51:46,559

and he says well ask jesse about it

1509

00:51:50,549 --> 00:51:48,640

jesse never replies but then jesse gets

1510

00:51:51,829 --> 00:51:50,559

a citizen's hearing and he tells the

1511

00:51:53,670 --> 00:51:51,839

story he stands up and he tells the

1512

00:51:55,670 --> 00:51:53,680

story he says i was contacted by the

1513

00:51:57,750 --> 00:51:55,680

thick the model dick domato brings me to

1514

00:52:00,069 --> 00:51:57,760

washington he says i want to talk to you

1515

00:52:01,670 --> 00:52:00,079

and so he goes to washington and he says

1516

00:52:03,829 --> 00:52:01,680

we're going to go to the secure room

1517

00:52:07,190 --> 00:52:03,839

they take him to this secure room

1518

00:52:09,430 --> 00:52:07,200

229 i think is the room and jesse says

1519

00:52:10,870 --> 00:52:09,440

uh he says i want to talk about roswell

1520

00:52:12,710 --> 00:52:10,880

jesse says well i've said everything

1521

00:52:14,390 --> 00:52:12,720

i've said about roswell i can't tell you

1522

00:52:16,549 --> 00:52:14,400

anything new and he said no i want to

1523

00:52:19,270 --> 00:52:16,559

tell you something and he's got the book

1524

00:52:20,870 --> 00:52:19,280

by whitley strieber called majestic the

1525

00:52:22,390 --> 00:52:20,880

book is sitting on the table and he

1526

00:52:25,349 --> 00:52:22,400

points at the book and he says i just

1527

00:52:27,670 --> 00:52:25,359

want to let you know jesse this is true

1528

00:52:29,349 --> 00:52:27,680

this is not fiction whitley strieber had

1529

00:52:31,030 --> 00:52:29,359

written the book as fiction

1530

00:52:33,030 --> 00:52:31,040

and what the story is it's not the

1531

00:52:34,390 --> 00:52:33,040

roswell story if he had been the roswell

1532

00:52:36,710 --> 00:52:34,400

story he would have put a roswell book

1533

00:52:39,430 --> 00:52:36,720

on table he put the majestic book on the

1534

00:52:41,030 --> 00:52:39,440

table and the the story is whitley

1535

00:52:43,349 --> 00:52:41,040

strieber is talking about his uncle or

1536

00:52:45,910 --> 00:52:43,359

whatever this relative was this guy

1537

00:52:48,710 --> 00:52:45,920

right high-ranking guy ray patterson air

1538

00:52:50,230 --> 00:52:48,720

force base who tells him the roswell is

1539

00:52:52,069 --> 00:52:50,240

for real the materials brought to ray

1540

00:52:54,710 --> 00:52:52,079

patterson air force base and that there

1541

00:52:56,870 --> 00:52:54,720

is this majestic group that is running

1542

00:52:59,829 --> 00:52:56,880

the show this this control group that

1543

00:53:02,150 --> 00:52:59,839

runs the ufo program so when the motto

1544

00:53:04,150 --> 00:53:02,160

says this is for real and he points to

1545

00:53:05,349 --> 00:53:04,160

the majestic book he's saying and he

1546

00:53:08,150 --> 00:53:05,359

says to

1547

00:53:09,510 --> 00:53:08,160

uh or jesse asks him jesse says

1548

00:53:11,829 --> 00:53:09,520

well when are you going to make this

1549

00:53:14,470 --> 00:53:11,839

public and d'amato says well if it was

1550

00:53:16,790 --> 00:53:14,480

up to me i would have done it yesterday

1551

00:53:19,750 --> 00:53:16,800

but that's not my job i'm just here i

1552

00:53:22,710 --> 00:53:19,760

was just hired to find out what's going

1553

00:53:24,549 --> 00:53:22,720

on and what this security is costing the

1554

00:53:26,790 --> 00:53:24,559

united states of america there's nothing

1555

00:53:29,670 --> 00:53:26,800

i can really do about it but i i want to

1556

00:53:31,829 --> 00:53:29,680

tell you that there is a black group

1557

00:53:34,390 --> 00:53:31,839

with no responsibility to the government

1558

00:53:36,390 --> 00:53:34,400

they're not elected that has unlimited

1559

00:53:38,069 --> 00:53:36,400

amounts of money that is running this

1560

00:53:40,630 --> 00:53:38,079

program and he tells that to jesse and

1561

00:53:42,710 --> 00:53:40,640

jesse testifies if you go jesse marcel

1562

00:53:44,950 --> 00:53:42,720

and you get his testimony he talks tells

1563

00:53:47,430 --> 00:53:44,960

his story that was the one new piece i

1564

00:53:50,069 --> 00:53:47,440

added the other new piece i added was

1565

00:53:53,109 --> 00:53:50,079

spectacular piece it's john alexander

1566

00:53:55,109 --> 00:53:53,119

john alexander and you probably know him

1567

00:53:56,630 --> 00:53:55,119

john is a guy who's been in ufos since

1568

00:53:58,710 --> 00:53:56,640

1947

1569

00:54:01,750 --> 00:53:58,720

he's a guy who i always say the number

1570

00:54:03,750 --> 00:54:01,760

one question ufology is what are ufos

1571

00:54:05,670 --> 00:54:03,760

number two question in ufology is what

1572

00:54:07,349 --> 00:54:05,680

the hell's john alexander up to

1573

00:54:08,309 --> 00:54:07,359

he's always been the rumor like what is

1574

00:54:10,470 --> 00:54:08,319

he doing is he working for the

1575

00:54:13,349 --> 00:54:10,480

government is he black ops is he you

1576

00:54:16,069 --> 00:54:13,359

know whatever and john is always there i

1577

00:54:19,670 --> 00:54:16,079

was just in los angeles for uh james fox

1578

00:54:21,589 --> 00:54:19,680

was doing the his his movie the 701

1579

00:54:23,190 --> 00:54:21,599

right and i and i go there and i'm i'm

1580

00:54:25,349 --> 00:54:23,200

doing my little thing and i'm on the on

1581

00:54:27,270 --> 00:54:25,359

the set at the studio there and there's

1582

00:54:29,589 --> 00:54:27,280

john john alexander's sitting in the

1583

00:54:31,430 --> 00:54:29,599

shadows i mean he's off set in the dark

1584

00:54:33,270 --> 00:54:31,440

and he's taking notes he was

1585

00:54:34,390 --> 00:54:33,280

most of the interviews he was there and

1586

00:54:35,190 --> 00:54:34,400

he was being interviewed as well but

1587

00:54:36,390 --> 00:54:35,200

he's sitting there listening to

1588

00:54:37,910 --> 00:54:36,400

everybody else's interviews and

1589

00:54:39,030 --> 00:54:37,920

everybody's there's kind of a discussion

1590

00:54:40,710 --> 00:54:39,040

behind the scenes like what the hell's

1591

00:54:42,230 --> 00:54:40,720

he doing here like i mean is he spying

1592

00:54:44,549 --> 00:54:42,240

on us and all of our stuff so there's

1593

00:54:45,750 --> 00:54:44,559

always this thing that john is kind of

1594

00:54:47,829 --> 00:54:45,760

the guy who's working for the government

1595

00:54:48,950 --> 00:54:47,839

and reporting on everybody and all this

1596

00:54:51,510 --> 00:54:48,960

kind of stuff but he always plays the

1597

00:54:52,790 --> 00:54:51,520

skeptic john will always say ufos are

1598

00:54:53,910 --> 00:54:52,800

real

1599

00:54:55,670 --> 00:54:53,920

but

1600

00:54:57,190 --> 00:54:55,680

the government doesn't care the

1601  
00:54:58,390 --> 00:54:57,200  
government is not covering up anything

1602  
00:55:00,390 --> 00:54:58,400  
they don't care

1603  
00:55:02,549 --> 00:55:00,400  
they there's no money going into that

1604  
00:55:04,790 --> 00:55:02,559  
there's there's no cover-up alexandra's

1605  
00:55:07,670 --> 00:55:04,800  
former military right yeah he's a he's a

1606  
00:55:08,790 --> 00:55:07,680  
colonel in the uh us army he was green

1607  
00:55:10,470 --> 00:55:08,800  
beret

1608  
00:55:11,670 --> 00:55:10,480  
uh he was involved in a lot of the

1609  
00:55:13,990 --> 00:55:11,680  
paranormal

1610  
00:55:15,510 --> 00:55:14,000  
uh type research and he was always

1611  
00:55:17,190 --> 00:55:15,520  
famously known as the guy who was in

1612  
00:55:19,990 --> 00:55:17,200  
charge of the non-lethal weapon program

1613  
00:55:21,349 --> 00:55:20,000

for the us military so uh he had all

1614

00:55:22,950 --> 00:55:21,359

this sort of stuff and a lot of people

1615

00:55:24,710 --> 00:55:22,960

sort of tied him into the mill lab

1616

00:55:27,030 --> 00:55:24,720

program we're saying that he was running

1617

00:55:29,270 --> 00:55:27,040

the mill lab program and john has sort

1618

00:55:31,670 --> 00:55:29,280

of handled all this i think quite well i

1619

00:55:33,270 --> 00:55:31,680

mean he's he's an okay guy i like john

1620

00:55:35,030 --> 00:55:33,280

but it was always the thing is what's

1621

00:55:36,790 --> 00:55:35,040

john actually up to is he you know is he

1622

00:55:38,309 --> 00:55:36,800

reporting on us is he doing whatever

1623

00:55:39,829 --> 00:55:38,319

because he plays this thing like it's

1624

00:55:42,470 --> 00:55:39,839

all for real and he writes the book on

1625

00:55:43,829 --> 00:55:42,480

on ufos and he's quite eloquent in the

1626

00:55:46,390 --> 00:55:43,839

book but in the book he doesn't talk

1627

00:55:49,190 --> 00:55:46,400

about mj 12. he talks about the the

1628

00:55:51,109 --> 00:55:49,200

roswell he says that there's no roswell

1629

00:55:53,829 --> 00:55:51,119

there are no alien abductions there's no

1630

00:55:56,309 --> 00:55:53,839

mill lab uh there are ufos it's the

1631

00:55:58,950 --> 00:55:56,319

government it's very uh you know

1632

00:56:00,549 --> 00:55:58,960

elusive problem that we are don't even

1633

00:56:01,589 --> 00:56:00,559

know how to ask the right questions but

1634

00:56:03,910 --> 00:56:01,599

the government doesn't care about it

1635

00:56:05,589 --> 00:56:03,920

that's that's his basic premise

1636

00:56:07,349 --> 00:56:05,599

in his book that he released i guess

1637

00:56:08,789 --> 00:56:07,359

about two years ago he doesn't talk

1638

00:56:10,630 --> 00:56:08,799

about mj-12

1639

00:56:13,190 --> 00:56:10,640

but in a recent interview he's asked

1640

00:56:15,990 --> 00:56:13,200

about mj-12 and he says well

1641

00:56:17,910 --> 00:56:16,000

i didn't think it existed but it does

1642

00:56:19,109 --> 00:56:17,920

and i'm wow i couldn't believe it john

1643

00:56:21,589 --> 00:56:19,119

alexander's actually admitting that

1644

00:56:23,829 --> 00:56:21,599

mj-12 exists now of course he's he spins

1645

00:56:27,430 --> 00:56:23,839

it different he says uh she said well do

1646

00:56:29,510 --> 00:56:27,440

you think the this is uh nancy de chetra

1647

00:56:31,109 --> 00:56:29,520

was interviewing him she says well do

1648

00:56:32,789 --> 00:56:31,119

you think that the the government

1649

00:56:35,270 --> 00:56:32,799

there's still an mj12 and he says well

1650

00:56:37,430 --> 00:56:35,280

no i don't think there there was an mj12

1651

00:56:41,990 --> 00:56:37,440

someone just whispered in my ear

1652

00:56:44,630 --> 00:56:42,000

that it existed and he asked the guy are

1653

00:56:47,190 --> 00:56:44,640

the names right now there's always a

1654

00:56:49,589 --> 00:56:47,200

controversy when the mj-12 document came

1655

00:56:51,829 --> 00:56:49,599

out in 1987 about the names because one

1656

00:56:53,190 --> 00:56:51,839

of them was menzel who was a big skeptic

1657

00:56:55,030 --> 00:56:53,200

and it was always like what men's will

1658

00:56:56,630 --> 00:56:55,040

be doing on the committee but john

1659

00:56:58,870 --> 00:56:56,640

alexander gets a confirmation from

1660

00:57:00,150 --> 00:56:58,880

whoever it was that whispered in his ear

1661

00:57:02,390 --> 00:57:00,160

that said

1662

00:57:04,710 --> 00:57:02,400

yeah the names are right and the guy

1663

00:57:06,630 --> 00:57:04,720

says the name should tell you what was

1664

00:57:08,710 --> 00:57:06,640

going on so of course the way john

1665

00:57:11,510 --> 00:57:08,720

alexander handles it is he says yes it

1666

00:57:14,069 --> 00:57:11,520

was amj12 the names on the document were

1667

00:57:15,670 --> 00:57:14,079

correct but it was to cover up another

1668

00:57:17,750 --> 00:57:15,680

program it was a

1669

00:57:20,950 --> 00:57:17,760

a continuity of government program it

1670

00:57:23,270 --> 00:57:20,960

was a program that a very high security

1671

00:57:25,270 --> 00:57:23,280

uh top secret program that the

1672

00:57:28,309 --> 00:57:25,280

government had to stop

1673

00:57:30,870 --> 00:57:28,319

uh nuclear decapitation from the soviets

1674

00:57:32,630 --> 00:57:30,880

so it was this how would we uh save the

1675

00:57:34,789 --> 00:57:32,640

government if we were attacked nuclearly

1676

00:57:36,870 --> 00:57:34,799

so that was his interpretation of what

1677

00:57:38,789 --> 00:57:36,880

this mj12 committee was but he's

1678

00:57:41,030 --> 00:57:38,799

actually now admitting that yes someone

1679

00:57:43,829 --> 00:57:41,040

whispered in his ear that mj-12 did

1680

00:57:45,670 --> 00:57:43,839

exist and this is a guy who is pretty

1681

00:57:46,789 --> 00:57:45,680

skeptical on everything else in the

1682

00:57:48,470 --> 00:57:46,799

field there's no cover-up there's

1683

00:57:50,710 --> 00:57:48,480

nothing but we'll actually admit yes

1684

00:57:52,710 --> 00:57:50,720

there was an mj-12 wow that's

1685

00:57:54,549 --> 00:57:52,720

interesting well thanks so much i really

1686

00:57:56,549 --> 00:57:54,559

enjoyed our talk today we'll have you

1687

00:57:59,190 --> 00:57:56,559

back to talk about the president's

1688

00:58:01,349 --> 00:57:59,200

involvement in the ufos over the years

1689

00:58:06,560 --> 00:58:01,359

okay martin thank you thanks a lot take
