

1  
00:00:03,110 --> 00:00:02,470  
and it hits me oh my gosh this is that

2  
00:00:04,309 --> 00:00:03,120  
triangle

3  
00:00:05,670 --> 00:00:04,319  
you know there's explanation for

4  
00:00:06,309 --> 00:00:05,680  
everything that occurred in the rendel

5  
00:00:08,470 --> 00:00:06,319  
champions

6  
00:00:10,790 --> 00:00:08,480  
incident that doesn't involve aliens at

7  
00:00:14,150 --> 00:00:10,800  
all it was completely silent

8  
00:00:16,550 --> 00:00:14,160  
it comes right over our heads he saw a

9  
00:00:18,310 --> 00:00:16,560  
classic flying saucer really standing in

10  
00:00:19,830 --> 00:00:18,320  
the clearing he turned over to my father

11  
00:00:21,910 --> 00:00:19,840  
and held his hand and he looked in his

12  
00:00:23,509 --> 00:00:21,920  
eyes and said we're not alone

13  
00:00:25,990 --> 00:00:23,519

hello and welcome to the show i'm martin

14

00:00:28,070 --> 00:00:26,000

willis your host and michael lauck will

15

00:00:31,269 --> 00:00:28,080

be joining us in a moment for the news

16

00:00:31,910 --> 00:00:31,279

today's podcast is number 63 with philip

17

00:00:34,229 --> 00:00:31,920

mantle

18

00:00:35,110 --> 00:00:34,239

from england uh this will be the second

19

00:00:38,150 --> 00:00:35,120

time he's on

20

00:00:40,950 --> 00:00:38,160

he is the guy who cracked the hoax

21

00:00:41,430 --> 00:00:40,960

of the alien autopsy film he's going to

22

00:00:43,590 --> 00:00:41,440

be back

23

00:00:44,790 --> 00:00:43,600

talking to us about his latest book

24

00:00:46,549 --> 00:00:44,800

which is a fiction

25

00:00:47,990 --> 00:00:46,559

and i just wanted to let people out

26

00:00:49,510 --> 00:00:48,000

there know i'm going to a couple of

27

00:00:52,549 --> 00:00:49,520

conferences coming up

28

00:00:55,510 --> 00:00:52,559

i'll be attending the experiencers speak

29

00:00:57,270 --> 00:00:55,520

that's september 6 through the 8th and

30

00:00:57,670 --> 00:00:57,280

that's in portland maine i actually live

31

00:01:00,229 --> 00:00:57,680

about

32

00:01:00,790 --> 00:01:00,239

six miles away from there also i will be

33

00:01:03,830 --> 00:01:00,800

at the

34

00:01:05,509 --> 00:01:03,840

first new england ufo conference that

35

00:01:08,469 --> 00:01:05,519

will take place on saturday

36

00:01:09,750 --> 00:01:08,479

october 26th and that's in leominster

37

00:01:11,190 --> 00:01:09,760

massachusetts

38

00:01:12,710 --> 00:01:11,200

i'm going to be at both of those stan

39

00:01:13,750 --> 00:01:12,720

friedman and a couple of other people

40

00:01:15,830 --> 00:01:13,760

going to be there

41

00:01:17,030 --> 00:01:15,840

robert schroeder who was our guest a

42

00:01:20,550 --> 00:01:17,040

week or so ago

43

00:01:23,510 --> 00:01:20,560

he's going to be there um travis walton

44

00:01:24,870 --> 00:01:23,520

and stephen pierce and all kinds of fun

45

00:01:26,710 --> 00:01:24,880

people will be at both of those so i

46

00:01:29,270 --> 00:01:26,720

should get some good recordings

47

00:01:31,030 --> 00:01:29,280

and it should be a lot of fun so michael

48

00:01:31,510 --> 00:01:31,040

how are you doing this week good how are

49

00:01:33,510 --> 00:01:31,520

you

50

00:01:35,190 --> 00:01:33,520

great this week we have a great deal of

51  
00:01:36,390 --> 00:01:35,200  
science news and some sad news for the

52  
00:01:37,749 --> 00:01:36,400  
ufo community

53  
00:01:39,749 --> 00:01:37,759  
before we start though i'd like to

54  
00:01:41,270 --> 00:01:39,759  
remind everyone to visit us on facebook

55  
00:01:42,069 --> 00:01:41,280  
for daily updates brought to you by

56  
00:01:44,389 --> 00:01:42,079  
peggy

57  
00:01:45,190 --> 00:01:44,399  
you can also visit [podcastufo.com](http://podcastufo.com) for

58  
00:01:46,710 --> 00:01:45,200  
show notes

59  
00:01:49,910 --> 00:01:46,720  
which includes links to media coverage

60  
00:01:51,670 --> 00:01:49,920  
of all our stories forums and blogs

61  
00:01:53,510 --> 00:01:51,680  
also while you're on your computer

62  
00:01:54,149 --> 00:01:53,520  
please drop by itunes and review the

63  
00:01:56,789 --> 00:01:54,159

podcast

64

00:01:57,910 --> 00:01:56,799

for us it will actually help us show up

65

00:01:59,830 --> 00:01:57,920

better in the search ratings

66

00:02:01,030 --> 00:01:59,840

we only have a few uh ratings on there

67

00:02:02,630 --> 00:02:01,040

at this time

68

00:02:04,149 --> 00:02:02,640

i i can't remember maybe six or

69

00:02:06,389 --> 00:02:04,159

something like that and

70

00:02:08,550 --> 00:02:06,399

we know we get a ton of people listening

71

00:02:10,630 --> 00:02:08,560

on itunes so we'd really appreciate

72

00:02:12,949 --> 00:02:10,640

if you do that and speaking of

73

00:02:14,710 --> 00:02:12,959

participation helping out the show

74

00:02:16,550 --> 00:02:14,720

we do have a subscribe button on our

75

00:02:19,190 --> 00:02:16,560

sidebar you can subscribe

76

00:02:20,150 --> 00:02:19,200

for as low as five dollars per month to

77

00:02:22,150 --> 00:02:20,160

help us out

78

00:02:23,670 --> 00:02:22,160

we do have some expenses so it would be

79

00:02:25,830 --> 00:02:23,680

greatly appreciated

80

00:02:27,350 --> 00:02:25,840

so for less than a couple of cups of

81

00:02:29,030 --> 00:02:27,360

coffee a month you can

82

00:02:30,630 --> 00:02:29,040

help us out a lot and i do want to thank

83

00:02:31,830 --> 00:02:30,640

the people who are on there now and i

84

00:02:33,350 --> 00:02:31,840

also want to thank

85

00:02:35,190 --> 00:02:33,360

each and every listener whether you can

86

00:02:36,150 --> 00:02:35,200

help us out or not uh we really do

87

00:02:38,630 --> 00:02:36,160

appreciate you

88

00:02:39,910 --> 00:02:38,640

the non-news of the area 51 disclosure

89

00:02:41,990 --> 00:02:39,920

makes the news

90

00:02:43,750 --> 00:02:42,000

the recent admission by the cia that

91

00:02:46,470 --> 00:02:43,760

area 51 is real

92

00:02:48,710 --> 00:02:46,480

but just tests super secret spy planes

93

00:02:49,350 --> 00:02:48,720

was widely greeted as a kind of non-news

94

00:02:51,509 --> 00:02:49,360

event

95

00:02:53,830 --> 00:02:51,519

we of course discussed this last week

96

00:02:54,710 --> 00:02:53,840

nbc has since posted an article complete

97

00:02:56,309 --> 00:02:54,720

with video

98

00:02:58,149 --> 00:02:56,319

covering the recent disclosure which

99

00:03:00,790 --> 00:02:58,159

includes comments from richard boylan

100

00:03:02,630 --> 00:03:00,800

alejandro rojas and bob lazar the man

101  
00:03:05,430 --> 00:03:02,640  
who put area 51 on the map

102  
00:03:06,390 --> 00:03:05,440  
you know bob lazar has been sort of

103  
00:03:08,550 --> 00:03:06,400  
stealth like

104  
00:03:09,830 --> 00:03:08,560  
himself like spy plane for a number of

105  
00:03:10,630 --> 00:03:09,840  
years says he won't do any more

106  
00:03:12,390 --> 00:03:10,640  
interviews

107  
00:03:13,910 --> 00:03:12,400  
and they actually found him what do you

108  
00:03:16,309 --> 00:03:13,920  
know about that michael

109  
00:03:17,509 --> 00:03:16,319  
um evidently supposedly as some kind of

110  
00:03:19,990 --> 00:03:17,519  
government

111  
00:03:21,030 --> 00:03:20,000  
uh contracting company is what i had

112  
00:03:23,350 --> 00:03:21,040  
recently heard

113  
00:03:24,550 --> 00:03:23,360

yes and uh yeah it doesn't tend to do

114

00:03:26,789 --> 00:03:24,560

any of these interviews anymore but i

115

00:03:28,869 --> 00:03:26,799

guess when nbc shows up you

116

00:03:30,710 --> 00:03:28,879

you comment right and he's like

117

00:03:32,149 --> 00:03:30,720

somewhere in the midwest or something

118

00:03:33,990 --> 00:03:32,159

like that some

119

00:03:35,589 --> 00:03:34,000

what's wrong with that you're probably

120

00:03:38,630 --> 00:03:35,599

in cahoots with him i knew it

121

00:03:39,270 --> 00:03:38,640

wow i just i just nailed that uh no

122

00:03:41,750 --> 00:03:39,280

comment

123

00:03:43,990 --> 00:03:41,760

yeah but speaking of bob lazar one of

124

00:03:46,070 --> 00:03:44,000

lazar's claims was that area 51 had

125

00:03:49,190 --> 00:03:46,080

alien devices powered by element

126  
00:03:50,309 --> 00:03:49,200  
115 which was not found on the periodic

127  
00:03:52,070 --> 00:03:50,319  
table

128  
00:03:53,670 --> 00:03:52,080  
researchers claimed to create a single

129  
00:03:56,070 --> 00:03:53,680  
atom about 10 years ago

130  
00:03:58,309 --> 00:03:56,080  
but the results were ruled inconclusive

131  
00:04:00,470 --> 00:03:58,319  
because it was only a single atom

132  
00:04:01,750 --> 00:04:00,480  
a new team led by dirk rudolph at lund

133  
00:04:03,990 --> 00:04:01,760  
university in sweden

134  
00:04:05,429 --> 00:04:04,000  
has claimed to have created 30 atoms of

135  
00:04:07,990 --> 00:04:05,439  
element 115

136  
00:04:09,990 --> 00:04:08,000  
and this time the results look promising

137  
00:04:11,910 --> 00:04:10,000  
the element is incredibly unstable

138  
00:04:13,750 --> 00:04:11,920

and remarkably short-lived which does

139

00:04:14,630 --> 00:04:13,760

little to confirm lazarus's claim that the

140

00:04:17,349 --> 00:04:14,640

u.s government

141

00:04:18,229 --> 00:04:17,359

had a 500 pound stockpile of the

142

00:04:20,310 --> 00:04:18,239

substance

143

00:04:21,830 --> 00:04:20,320

read more about the hunt for element 115

144

00:04:22,950 --> 00:04:21,840

in the new scientist article linked to

145

00:04:24,790 --> 00:04:22,960

in our show notes

146

00:04:26,070 --> 00:04:24,800

it is a very readable short piece for

147

00:04:27,749 --> 00:04:26,080

the non-scientists

148

00:04:29,430 --> 00:04:27,759

yeah i guess they call it what

149

00:04:33,350 --> 00:04:29,440

unobtainium or something like that

150

00:04:34,710 --> 00:04:33,360

also no that that is i don't know

151  
00:04:36,710 --> 00:04:34,720  
maybe somebody calls them that i have

152  
00:04:37,110 --> 00:04:36,720  
heard that before this one actually has

153  
00:04:45,030 --> 00:04:37,120  
a

154  
00:04:46,550 --> 00:04:45,040  
115 so it it's

155  
00:04:48,150 --> 00:04:46,560  
it doesn't have an official name yet

156  
00:04:51,030 --> 00:04:48,160  
until it gets officially

157  
00:04:53,030 --> 00:04:51,040  
uh turned into an element and then i

158  
00:04:54,710 --> 00:04:53,040  
think all bets are off i i i don't know

159  
00:04:56,790 --> 00:04:54,720  
how the naming process works i

160  
00:04:58,070 --> 00:04:56,800  
perhaps rudolph and his team get to to

161  
00:04:59,990 --> 00:04:58,080  
name it well

162  
00:05:01,590 --> 00:05:00,000  
uh let's pick on bob lazar a little bit

163  
00:05:05,189 --> 00:05:01,600

more because uh

164

00:05:07,270 --> 00:05:05,199

you know first of all 500 pounds

165

00:05:08,469 --> 00:05:07,280

uh compared to 30 atoms do you know what

166

00:05:12,150 --> 00:05:08,479

30 atoms

167

00:05:14,070 --> 00:05:12,160

is you know and it lasted like

168

00:05:15,270 --> 00:05:14,080

fractions of a second i mean if you talk

169

00:05:18,150 --> 00:05:15,280

about atoms

170

00:05:20,150 --> 00:05:18,160

what is it uh one glass of water has

171

00:05:21,990 --> 00:05:20,160

more atoms in it than

172

00:05:23,350 --> 00:05:22,000

all the glasses of water and all the

173

00:05:24,070 --> 00:05:23,360

oceans of the world or something like

174

00:05:25,909 --> 00:05:24,080

that i mean

175

00:05:27,189 --> 00:05:25,919

i mean it's just so hard to fathom it's

176  
00:05:29,430 --> 00:05:27,199  
so minut

177  
00:05:30,310 --> 00:05:29,440  
and they're talking only 30 atoms were

178  
00:05:32,390 --> 00:05:30,320  
made of this

179  
00:05:33,350 --> 00:05:32,400  
i guess it is proof that something was

180  
00:05:35,830 --> 00:05:33,360  
made though right

181  
00:05:36,790 --> 00:05:35,840  
um yes actually i mean that's part of

182  
00:05:38,870 --> 00:05:36,800  
the problem

183  
00:05:40,629 --> 00:05:38,880  
if you read the article is is that at no

184  
00:05:41,270 --> 00:05:40,639  
point can you kind of point to it and

185  
00:05:45,110 --> 00:05:41,280  
say

186  
00:05:47,749 --> 00:05:45,120  
hey look there's a pile of element 115

187  
00:05:48,390 --> 00:05:47,759  
because even those 30 atoms are there so

188  
00:05:51,830 --> 00:05:48,400

quickly

189

00:05:54,950 --> 00:05:51,840

they basically only measure

190

00:05:57,670 --> 00:05:54,960

their existence by the the

191

00:05:58,070 --> 00:05:57,680

refuse their breakdown leaves behind

192

00:05:59,990 --> 00:05:58,080

yeah

193

00:06:01,749 --> 00:06:00,000

i had i had a girlfriend like that once

194

00:06:02,710 --> 00:06:01,759

yeah sorry i think i think that's a

195

00:06:04,390 --> 00:06:02,720

different podcast

196

00:06:06,629 --> 00:06:04,400

yeah that's right there are those who

197

00:06:10,070 --> 00:06:06,639

believe that life here began

198

00:06:11,990 --> 00:06:10,080

out there biochemist stephen brenner of

199

00:06:13,909 --> 00:06:12,000

the westheimer institute for science and

200

00:06:15,189 --> 00:06:13,919

technology believes that his research

201  
00:06:17,830 --> 00:06:15,199  
shows that life on earth

202  
00:06:20,150 --> 00:06:17,840  
was seeded by meteorites from mars he

203  
00:06:20,710 --> 00:06:20,160  
makes the argument that 3 billion years

204  
00:06:22,710 --> 00:06:20,720  
ago

205  
00:06:24,309 --> 00:06:22,720  
mars was more suited to the development

206  
00:06:26,309 --> 00:06:24,319  
of life than earth

207  
00:06:28,070 --> 00:06:26,319  
which was low on atmospheric oxygen and

208  
00:06:30,150 --> 00:06:28,080  
high on water which was damaging to the

209  
00:06:30,790 --> 00:06:30,160  
many building blocks required for early

210  
00:06:32,309 --> 00:06:30,800  
life

211  
00:06:34,230 --> 00:06:32,319  
you can read more about it through the

212  
00:06:35,350 --> 00:06:34,240  
article in our show notes there's no

213  
00:06:37,270 --> 00:06:35,360

proof yet

214

00:06:39,510 --> 00:06:37,280

that there was actually life on mars for

215

00:06:41,909 --> 00:06:39,520

sure but there's the face

216

00:06:43,189 --> 00:06:41,919

there's the face yeah and you know there

217

00:06:45,670 --> 00:06:43,199

probably was

218

00:06:47,430 --> 00:06:45,680

mars probably had a magnetosphere at one

219

00:06:47,990 --> 00:06:47,440

time that probably held the atmosphere

220

00:06:50,070 --> 00:06:48,000

and water

221

00:06:52,550 --> 00:06:50,080

in and you know i mean there's definite

222

00:06:52,950 --> 00:06:52,560

signs of millions or billions of years

223

00:06:56,790 --> 00:06:52,960

and

224

00:07:00,790 --> 00:06:56,800

goes

225

00:07:02,070 --> 00:07:00,800

and don't you think for a minute it

226

00:07:03,749 --> 00:07:02,080

can't happen to earth

227

00:07:05,990 --> 00:07:03,759

it could that's right that's why we need

228

00:07:08,230 --> 00:07:06,000

to colonize everywhere we can

229

00:07:09,029 --> 00:07:08,240

that's right yeah yeah hey quick pop

230

00:07:10,790 --> 00:07:09,039

quiz

231

00:07:12,950 --> 00:07:10,800

that headline do you know what that

232

00:07:14,309 --> 00:07:12,960

headline was from no

233

00:07:17,589 --> 00:07:14,319

those were the opening lines of the

234

00:07:21,110 --> 00:07:17,599

original battlestar galactica narration

235

00:07:21,749 --> 00:07:21,120

really yes wow speaking of the nerdy

236

00:07:23,830 --> 00:07:21,759

week

237

00:07:26,150 --> 00:07:23,840

all right that's awesome speaking of pop

238

00:07:28,469 --> 00:07:26,160

quiz on that particular link

239

00:07:30,230 --> 00:07:28,479

there is a 10 question quiz on that

240

00:07:32,230 --> 00:07:30,240

that's uh about mars

241

00:07:33,270 --> 00:07:32,240

uh what do you know about mars quiz on

242

00:07:35,670 --> 00:07:33,280

that and i got

243

00:07:37,189 --> 00:07:35,680

seven out of ten which really is bad

244

00:07:39,589 --> 00:07:37,199

it's a c

245

00:07:40,469 --> 00:07:39,599

yeah that's not bad i always was a c

246

00:07:42,629 --> 00:07:40,479

student it's

247

00:07:45,110 --> 00:07:42,639

i mean you're passing yeah all right

248

00:07:47,909 --> 00:07:45,120

wormholes are the key to time travel

249

00:07:50,070 --> 00:07:47,919

astrophysicist eric w davis has authored

250

00:07:50,869 --> 00:07:50,080

a new paper arguing that wormholes are

251  
00:07:52,869 --> 00:07:50,879  
the key

252  
00:07:54,150 --> 00:07:52,879  
ingredient to time travel and faster

253  
00:07:55,670 --> 00:07:54,160  
than light travel

254  
00:07:57,589 --> 00:07:55,680  
of course science has yet to actually

255  
00:07:59,350 --> 00:07:57,599  
prove the existence of wormholes

256  
00:08:01,189 --> 00:07:59,360  
so making the case for time travel by

257  
00:08:01,670 --> 00:08:01,199  
wormhole is about as practical at this

258  
00:08:05,270 --> 00:08:01,680  
point

259  
00:08:07,029 --> 00:08:05,280  
you need for practical time travel is to

260  
00:08:09,749 --> 00:08:07,039  
make friends with a benevolent renegade

261  
00:08:11,270 --> 00:08:09,759  
time lord with a soft spot for the uk

262  
00:08:12,629 --> 00:08:11,280  
read more about it though in the life

263  
00:08:13,350 --> 00:08:12,639

science article we've linked to in our

264

00:08:14,869 --> 00:08:13,360

show notes

265

00:08:17,510 --> 00:08:14,879

i was reading that article and

266

00:08:19,670 --> 00:08:17,520

physicists have actually in fact

267

00:08:20,790 --> 00:08:19,680

sent muons which is a little tiny

268

00:08:22,550 --> 00:08:20,800

particle

269

00:08:25,749 --> 00:08:22,560

into the future did you actually know

270

00:08:28,469 --> 00:08:25,759

that they've actually done time travel

271

00:08:30,150 --> 00:08:28,479

there's yeah i mean there is a little

272

00:08:33,509 --> 00:08:30,160

bit of controversy about it

273

00:08:35,350 --> 00:08:33,519

but sending things to future is not

274

00:08:37,430 --> 00:08:35,360

really practically a problem when you

275

00:08:40,630 --> 00:08:37,440

think about it i mean we're all

276  
00:08:43,190 --> 00:08:40,640  
moving into the future it's getting back

277  
00:08:44,470 --> 00:08:43,200  
yeah getting back or moving back to

278  
00:08:46,070 --> 00:08:44,480  
affect

279  
00:08:49,030 --> 00:08:46,080  
the difference i mean to move things in

280  
00:08:51,590 --> 00:08:49,040  
the future time bombs theoretically

281  
00:08:53,110 --> 00:08:51,600  
if you know philosophically affect the

282  
00:08:55,269 --> 00:08:53,120  
future

283  
00:08:56,310 --> 00:08:55,279  
well it's not it's not nearly as

284  
00:08:58,630 --> 00:08:56,320  
impressive

285  
00:09:00,470 --> 00:08:58,640  
it's moving back and forth i i just

286  
00:09:01,670 --> 00:09:00,480  
can't wrap my head around all this stuff

287  
00:09:03,509 --> 00:09:01,680  
you know i think i've plugged this

288  
00:09:04,710 --> 00:09:03,519

before and i'll plug it again if if

289

00:09:06,710 --> 00:09:04,720

anybody does

290

00:09:08,150 --> 00:09:06,720

want to wrap their head around some of

291

00:09:11,670 --> 00:09:08,160

the science a little better

292

00:09:13,910 --> 00:09:11,680

there is no better way to kind of

293

00:09:14,790 --> 00:09:13,920

grasp the basics of physics than getting

294

00:09:18,150 --> 00:09:14,800

a hold of the

295

00:09:20,150 --> 00:09:18,160

richard feynman lectures

296

00:09:21,430 --> 00:09:20,160

which there are complete sets that are

297

00:09:24,630 --> 00:09:21,440

fairly expensive

298

00:09:28,230 --> 00:09:24,640

but you can get a paperback book

299

00:09:32,230 --> 00:09:28,240

with a cd of lectures for the

300

00:09:34,470 --> 00:09:32,240

the core elements of classical mechanics

301

00:09:35,990 --> 00:09:34,480

called five easy pieces and the core

302

00:09:39,509 --> 00:09:36,000

elements of classical

303

00:09:41,829 --> 00:09:39,519

kind of well classical or but the basis

304

00:09:44,550 --> 00:09:41,839

of of more of your astrophysics and your

305

00:09:45,190 --> 00:09:44,560

relatively uh relativity in a book

306

00:09:47,350 --> 00:09:45,200

called six

307

00:09:48,870 --> 00:09:47,360

not so easy pieces but they're they're

308

00:09:51,269 --> 00:09:48,880

just a great introduction from probably

309

00:09:54,230 --> 00:09:51,279

the best physics lecture

310

00:09:55,430 --> 00:09:54,240

ever in america yeah you getting a

311

00:09:57,829 --> 00:09:55,440

commission on that

312

00:09:59,590 --> 00:09:57,839

no i'm not in fact i i'm not even sure

313

00:10:00,150 --> 00:09:59,600

that that anybody makes money off that

314

00:10:02,949 --> 00:10:00,160

anymore

315

00:10:04,790 --> 00:10:02,959

uh it was it was done as a as a project

316

00:10:07,990 --> 00:10:04,800

just to preserve his teaching

317

00:10:09,190 --> 00:10:08,000

at one point like 50 years ago and um

318

00:10:11,030 --> 00:10:09,200

they're they're they're great stuff i'm

319

00:10:12,630 --> 00:10:11,040

a big fineman fan yeah doesn't everyone

320

00:10:16,230 --> 00:10:12,640

have a favorite physicist

321

00:10:18,550 --> 00:10:16,240

uh no no no you're gonna tell me you

322

00:10:21,190 --> 00:10:18,560

don't have a favorite economist

323

00:10:22,710 --> 00:10:21,200

no now getting back to this article

324

00:10:24,710 --> 00:10:22,720

though wormholes

325

00:10:27,110 --> 00:10:24,720

you know a very very interesting theory

326

00:10:27,990 --> 00:10:27,120

but they they really don't know for sure

327

00:10:30,949 --> 00:10:28,000

if they actually

328

00:10:33,350 --> 00:10:30,959

exist you know and if they do they think

329

00:10:35,590 --> 00:10:33,360

they might be extremely small

330

00:10:37,590 --> 00:10:35,600

smaller than a person could fit through

331

00:10:40,710 --> 00:10:37,600

i mean they have no idea exactly

332

00:10:44,230 --> 00:10:40,720

right exactly think like event center of

333

00:10:48,069 --> 00:10:44,240

a black hole small tiny

334

00:10:50,150 --> 00:10:48,079

but it doesn't necessarily matter

335

00:10:52,870 --> 00:10:50,160

because just because it's tiny doesn't

336

00:10:55,670 --> 00:10:52,880

mean it can't be put to practical use

337

00:10:56,710 --> 00:10:55,680

if it did and does exist uh if nothing

338

00:10:58,949 --> 00:10:56,720

else

339

00:11:00,069 --> 00:10:58,959

it might be the means to future

340

00:11:03,750 --> 00:11:00,079

communication

341

00:11:06,230 --> 00:11:03,760

for long distance colonies or

342

00:11:07,910 --> 00:11:06,240

other civilizations fascinating think

343

00:11:08,790 --> 00:11:07,920

about that seti what if everybody's

344

00:11:10,550 --> 00:11:08,800

talking through

345

00:11:11,910 --> 00:11:10,560

the wormholes that we can't even prove

346

00:11:14,230 --> 00:11:11,920

exist yeah

347

00:11:16,949 --> 00:11:14,240

there you go and finally a bit of sad

348

00:11:18,790 --> 00:11:16,959

news dr jesse marcel jr has passed away

349

00:11:21,590 --> 00:11:18,800

at the age of 76.

350

00:11:23,430 --> 00:11:21,600

uh dr jesse marcel jr famous as the son

351  
00:11:25,110 --> 00:11:23,440  
of major jesse marcel

352  
00:11:26,710 --> 00:11:25,120  
passed away this week of an apparent

353  
00:11:28,630 --> 00:11:26,720  
heart attack dr

354  
00:11:30,710 --> 00:11:28,640  
marcel maintained that not only was the

355  
00:11:33,269 --> 00:11:30,720  
roswell ufo crash a reality

356  
00:11:35,269 --> 00:11:33,279  
but his father brought home some debris

357  
00:11:37,110 --> 00:11:35,279  
it was marcel who described the purplish

358  
00:11:38,550 --> 00:11:37,120  
i-beams with strange symbols and the

359  
00:11:39,990 --> 00:11:38,560  
foil that would pop back into shape

360  
00:11:42,389 --> 00:11:40,000  
after being folded

361  
00:11:44,150 --> 00:11:42,399  
as an adult jesse marcel jr became a

362  
00:11:46,069 --> 00:11:44,160  
medical doctor serving in the navy and

363  
00:11:48,069 --> 00:11:46,079

the montana army national guard

364

00:11:50,790 --> 00:11:48,079

and he even served a year as a flight

365

00:11:52,949 --> 00:11:50,800

surgeon in iraq back in 2004.

366

00:11:54,150 --> 00:11:52,959

we'll uh cover this more in our blogs

367

00:11:55,430 --> 00:11:54,160

this week and i'm sure you have some

368

00:11:57,030 --> 00:11:55,440

comments martin

369

00:11:58,790 --> 00:11:57,040

yeah i'm glad you're writing a blog

370

00:12:00,790 --> 00:11:58,800

thanks for doing that yep yeah i was i

371

00:12:02,790 --> 00:12:00,800

was in a remote area this

372

00:12:04,790 --> 00:12:02,800

this last week and robert hastings sent

373

00:12:08,870 --> 00:12:04,800

me an email um telling me about

374

00:12:10,949 --> 00:12:08,880

the passing of jesse i was i was shocked

375

00:12:12,550 --> 00:12:10,959

i had asked someone recently actually

376

00:12:13,750 --> 00:12:12,560

for his contact info i was going to try

377

00:12:17,110 --> 00:12:13,760

to get him on the show

378

00:12:18,870 --> 00:12:17,120

great guy i think he was a solid

379

00:12:21,430 --> 00:12:18,880

person and he actually stood up and told

380

00:12:23,509 --> 00:12:21,440

the truth about what he knew

381

00:12:24,710 --> 00:12:23,519

even you know putting his his medical

382

00:12:27,350 --> 00:12:24,720

career on the line

383

00:12:29,430 --> 00:12:27,360

by speaking about that well not only his

384

00:12:32,470 --> 00:12:29,440

medical careers his military career

385

00:12:33,910 --> 00:12:32,480

right yeah you know he i mean he was in

386

00:12:36,470 --> 00:12:33,920

the guard for all the time and then got

387

00:12:40,710 --> 00:12:36,480

called back to service in 2004 when

388

00:12:41,509 --> 00:12:40,720

uh he would have been like 66 67 years

389

00:12:43,269 --> 00:12:41,519

old

390

00:12:44,710 --> 00:12:43,279

which even that on its own is something

391

00:12:47,350 --> 00:12:44,720

incredible to think about

392

00:12:48,470 --> 00:12:47,360

yeah yeah that is something well i don't

393

00:12:50,870 --> 00:12:48,480

want to go out on such a

394

00:12:51,670 --> 00:12:50,880

sad note and speaking of medical careers

395

00:12:53,269 --> 00:12:51,680

and all that

396

00:12:55,430 --> 00:12:53,279

this gives me a great opportunity to

397

00:12:57,910 --> 00:12:55,440

pick on dr steven greer again

398

00:12:58,870 --> 00:12:57,920

are are you ready for this one michael

399

00:13:00,230 --> 00:12:58,880

yes you know

400

00:13:01,829 --> 00:13:00,240

he's going to send his bodyguard after

401  
00:13:02,949 --> 00:13:01,839  
you i know it's going to happen sooner

402  
00:13:05,910 --> 00:13:02,959  
or later

403  
00:13:06,949 --> 00:13:05,920  
uh well you know he gave up his his

404  
00:13:10,389 --> 00:13:06,959  
practice to find

405  
00:13:11,910 --> 00:13:10,399  
baby aliens and uh channel overflying

406  
00:13:16,230 --> 00:13:11,920  
ets and all that stuff

407  
00:13:18,550 --> 00:13:16,240  
well recently while he was in australia

408  
00:13:19,990 --> 00:13:18,560  
some of the aussie witnesses reported

409  
00:13:23,350 --> 00:13:20,000  
hanging with him

410  
00:13:24,310 --> 00:13:23,360  
whilst he was channeling uh these ets

411  
00:13:26,629 --> 00:13:24,320  
and aliens

412  
00:13:27,829 --> 00:13:26,639  
and they said that he was doing this

413  
00:13:30,629 --> 00:13:27,839

channeling in a real

414

00:13:32,230 --> 00:13:30,639

low voice using a french accent what do

415

00:13:34,310 --> 00:13:32,240

you think about that michael

416

00:13:35,430 --> 00:13:34,320

well i think the zeta reticuli accident

417

00:13:39,269 --> 00:13:35,440

is often

418

00:13:40,949 --> 00:13:39,279

mistaken for a parisian dialect

419

00:13:42,790 --> 00:13:40,959

is that what it is i was thinking maybe

420

00:13:43,990 --> 00:13:42,800

he watched a little too much of saturday

421

00:13:45,269 --> 00:13:44,000

night live with the

422

00:13:47,269 --> 00:13:45,279

conehead so they always said they were

423

00:13:49,750 --> 00:13:47,279

from france from france exactly

424

00:13:50,870 --> 00:13:49,760

yeah maybe that's it i don't know but

425

00:13:52,629 --> 00:13:50,880

anyway thanks so much

426

00:13:54,150 --> 00:13:52,639

you know we went really long this time

427

00:13:55,990 --> 00:13:54,160

we had a long news session

428

00:14:14,829 --> 00:13:56,000

all right thank you and i will talk to

429

00:14:14,839 --> 00:15:44,150

so

430

00:15:47,430 --> 00:15:46,389

i'm on skype with philip how are you

431

00:15:49,030 --> 00:15:47,440

phillip

432

00:15:51,189 --> 00:15:49,040

i'm fine thank you very much martin a

433

00:15:53,030 --> 00:15:51,199

little bit warm here in england but uh

434

00:15:54,470 --> 00:15:53,040

i'm absolutely hunky-dory

435

00:15:56,550 --> 00:15:54,480

all right well it's great to have you

436

00:15:57,670 --> 00:15:56,560

back on i really enjoyed our last talk i

437

00:16:00,470 --> 00:15:57,680

believe it was uh

438

00:16:00,870 --> 00:16:00,480

probably over a year ago but now you

439

00:16:03,110 --> 00:16:00,880

have

440

00:16:04,870 --> 00:16:03,120

a book that you're just you're just

441

00:16:06,870 --> 00:16:04,880

launching here can you talk about that

442

00:16:08,710 --> 00:16:06,880

it's a fiction first of all

443

00:16:10,790 --> 00:16:08,720

that's right martin you know i in in the

444

00:16:13,350 --> 00:16:10,800

past i've written or co-authored a

445

00:16:16,389 --> 00:16:13,360

number of non-fiction books

446

00:16:18,150 --> 00:16:16,399

uh so this is my uh my my first attempt

447

00:16:20,389 --> 00:16:18,160

at a work of fiction

448

00:16:22,550 --> 00:16:20,399

it's staying in the same subject matter

449

00:16:25,430 --> 00:16:22,560

of you know ufos

450

00:16:27,749 --> 00:16:25,440

uh haven't strayed away from that um but

451

00:16:29,590 --> 00:16:27,759

it's an alien abduction novel

452

00:16:31,189 --> 00:16:29,600

uh the title is called once upon a

453

00:16:33,110 --> 00:16:31,199

missing time

454

00:16:34,629 --> 00:16:33,120

and it's based in the uk back in the

455

00:16:37,030 --> 00:16:34,639

1990s

456

00:16:38,949 --> 00:16:37,040

and uh you know it's it's literally come

457

00:16:41,509 --> 00:16:38,959

out uh just a few days ago as

458

00:16:42,949 --> 00:16:41,519

as we speak now it's out on richard

459

00:16:45,030 --> 00:16:42,959

dolan press i didn't even

460

00:16:46,629 --> 00:16:45,040

i didn't even know there was such a

461

00:16:48,550 --> 00:16:46,639

thing actually

462

00:16:50,470 --> 00:16:48,560

yeah well richard um started off i

463

00:16:53,509 --> 00:16:50,480

believe self-publishing his own

464

00:16:56,310 --> 00:16:53,519

um material his own books and

465

00:16:58,310 --> 00:16:56,320

um you know looked at you know

466

00:16:59,030 --> 00:16:58,320

publishing as a as a way of earning a

467

00:17:00,629 --> 00:16:59,040

living

468

00:17:02,389 --> 00:17:00,639

because a lot of you know authors in

469

00:17:03,269 --> 00:17:02,399

this field martin they they find it

470

00:17:06,069 --> 00:17:03,279

difficult to

471

00:17:08,230 --> 00:17:06,079

be accepted by inverted commas the

472

00:17:10,870 --> 00:17:08,240

conventional publishers it's been very

473

00:17:12,630 --> 00:17:10,880

difficult for a lot of us down the years

474

00:17:14,150 --> 00:17:12,640

so uh you know richard knows the

475

00:17:16,230 --> 00:17:14,160

marketplace

476

00:17:18,309 --> 00:17:16,240

knows a lot of the people personally i

477

00:17:21,029 --> 00:17:18,319

mean i've i've met richard

478

00:17:22,150 --> 00:17:21,039

so he decided to to set up his own small

479

00:17:24,309 --> 00:17:22,160

publishing company

480

00:17:25,909 --> 00:17:24,319

it's only got a you know small stable of

481

00:17:28,710 --> 00:17:25,919

authors at the moment but

482

00:17:29,990 --> 00:17:28,720

it is expanding and um you know i'm very

483

00:17:31,990 --> 00:17:30,000

grateful to him and

484

00:17:33,510 --> 00:17:32,000

it looks like he's uh he's doing well

485

00:17:34,230 --> 00:17:33,520

and i know you know i'm very pleased for

486

00:17:36,310 --> 00:17:34,240

him

487

00:17:37,750 --> 00:17:36,320

well first of all i want to say i i love

488

00:17:39,909 --> 00:17:37,760

the title to the book that

489

00:17:40,789 --> 00:17:39,919

that's really catchy that's really a fun

490

00:17:43,990 --> 00:17:40,799

title

491

00:17:46,470 --> 00:17:44,000

and can you basically talk about the

492

00:17:47,510 --> 00:17:46,480

the uh synopsis of the book absolutely

493

00:17:50,070 --> 00:17:47,520

martin i mean

494

00:17:50,549 --> 00:17:50,080

the the title is a play on words i mean

495

00:17:52,950 --> 00:17:50,559

you know

496

00:17:55,029 --> 00:17:52,960

the sort of phrase missing time is

497

00:17:56,310 --> 00:17:55,039

synonymous with the alien abductions the

498

00:17:59,350 --> 00:17:56,320

close encounters

499

00:18:01,909 --> 00:17:59,360

so it's an expansion of that really now

500

00:18:04,630 --> 00:18:01,919

my first work of non-fiction was

501

00:18:05,990 --> 00:18:04,640

published back in 1994

502

00:18:08,950 --> 00:18:06,000

and that was a book called without

503

00:18:11,590 --> 00:18:08,960

consent and that book was all about

504

00:18:13,190 --> 00:18:11,600

you know alien abduction accounts and

505

00:18:15,110 --> 00:18:13,200

and missing time cases

506

00:18:18,070 --> 00:18:15,120

purely from here in the united kingdom

507

00:18:20,390 --> 00:18:18,080

nowhere else just here in the uk

508

00:18:22,549 --> 00:18:20,400

and i still have all the files i mean

509

00:18:23,350 --> 00:18:22,559

this was pre-internet days you know no

510

00:18:24,950 --> 00:18:23,360

email and

511

00:18:26,630 --> 00:18:24,960

then things of that nature when i did

512

00:18:28,950 --> 00:18:26,640

all this research

513

00:18:29,830 --> 00:18:28,960

and at the time i i i traveled the

514

00:18:32,630 --> 00:18:29,840

length and breadth

515

00:18:33,590 --> 00:18:32,640

of of the uk interviewing people face to

516

00:18:36,150 --> 00:18:33,600

face

517

00:18:37,510 --> 00:18:36,160

also obtaining you know historical files

518

00:18:40,789 --> 00:18:37,520

you know cases from

519

00:18:42,310 --> 00:18:40,799

the 1950s and so on and that

520

00:18:44,549 --> 00:18:42,320

that turned into the non-fiction book

521

00:18:45,510 --> 00:18:44,559

without consent now at that time there

522

00:18:48,630 --> 00:18:45,520

was still

523

00:18:51,990 --> 00:18:48,640

probably still is martin a lot of um

524

00:18:54,630 --> 00:18:52,000

ridicule attached to the subject stigma

525

00:18:56,630 --> 00:18:54,640

but i found in the in the 90s that that

526

00:18:57,350 --> 00:18:56,640

started to change a little bit i think

527

00:18:59,669 --> 00:18:57,360

you know

528

00:19:01,029 --> 00:18:59,679

people getting involved like the like dr

529

00:19:04,950 --> 00:19:01,039

john mack

530

00:19:06,310 --> 00:19:04,960

and um even now um uh nick pope from the

531

00:19:08,230 --> 00:19:06,320

minister of defense

532

00:19:09,990 --> 00:19:08,240

and tv shows like the x-files i think

533

00:19:12,230 --> 00:19:10,000

they helped uh you know

534

00:19:13,830 --> 00:19:12,240

popularize and give the the subject

535

00:19:14,950 --> 00:19:13,840

matter an area of credibility if you

536

00:19:18,230 --> 00:19:14,960

like

537

00:19:20,230 --> 00:19:18,240

and um so the idea was in my head

538

00:19:22,310 --> 00:19:20,240

for whatever reason to to to write a

539

00:19:25,350 --> 00:19:22,320

book of fiction

540

00:19:27,750 --> 00:19:25,360

but based in in fact martin you know

541

00:19:29,430 --> 00:19:27,760

um drawing on all the interviews i've

542

00:19:31,510 --> 00:19:29,440

done drawing all the files that

543

00:19:33,510 --> 00:19:31,520

i have you know literally sat next to me

544

00:19:35,750 --> 00:19:33,520

here in my filing cabinet

545

00:19:38,070 --> 00:19:35,760

and all the people in it you know the

546

00:19:40,630 --> 00:19:38,080

ufo researchers you know that

547

00:19:42,390 --> 00:19:40,640

and so on are all based on real people

548

00:19:43,190 --> 00:19:42,400

sadly one or two of them are no longer

549

00:19:45,430 --> 00:19:43,200

with us but

550

00:19:47,990 --> 00:19:45,440

uh same with the abductees it's not

551  
00:19:50,390 --> 00:19:48,000  
based on any one particular account

552  
00:19:52,310 --> 00:19:50,400  
it's more of an amalgamation of all

553  
00:19:55,669 --> 00:19:52,320  
these people i interviewed

554  
00:19:58,950 --> 00:19:55,679  
um for example it's quite an emotional

555  
00:20:01,350 --> 00:19:58,960  
uh book there's a lot of you know um

556  
00:20:03,029 --> 00:20:01,360  
angst and trauma in it if you like and

557  
00:20:04,710 --> 00:20:03,039  
that's based on a lady that

558  
00:20:06,630 --> 00:20:04,720  
that i interviewed many times she's

559  
00:20:08,230 --> 00:20:06,640  
called rosalind reynolds

560  
00:20:10,390 --> 00:20:08,240  
you know people will never have heard of

561  
00:20:11,909 --> 00:20:10,400  
rosalind she's not on the lecture

562  
00:20:14,630 --> 00:20:11,919  
circuit or anything like that

563  
00:20:15,029 --> 00:20:14,640

she lives in lincolnshire here in the uk

564

00:20:17,669 --> 00:20:15,039

but

565

00:20:18,390 --> 00:20:17,679

uh you know she she talked about the the

566

00:20:20,310 --> 00:20:18,400

uh

567

00:20:21,669 --> 00:20:20,320

the feeling of of helplessness who do

568

00:20:23,110 --> 00:20:21,679

you turn to when when this kind of

569

00:20:26,549 --> 00:20:23,120

things happen i mean literally who

570

00:20:28,310 --> 00:20:26,559

who do you who do you go to and um

571

00:20:31,029 --> 00:20:28,320

so i turned all this into a fictional

572

00:20:32,870 --> 00:20:31,039

family it's it's the morrisons

573

00:20:34,149 --> 00:20:32,880

uh it's a man and his wife they live in

574

00:20:37,190 --> 00:20:34,159

a small

575

00:20:39,029 --> 00:20:37,200

rural setting here in in the county

576

00:20:40,230 --> 00:20:39,039

where i live in in yorkshire although

577

00:20:43,270 --> 00:20:40,240

the north part of it

578

00:20:45,830 --> 00:20:43,280

they have a young daughter 13 year old

579

00:20:47,190 --> 00:20:45,840

you know alan morrison is a is a teacher

580

00:20:49,190 --> 00:20:47,200

at the local high school

581

00:20:50,470 --> 00:20:49,200

he's a good teacher but as try as he's

582

00:20:52,310 --> 00:20:50,480

as hard as he can

583

00:20:53,750 --> 00:20:52,320

he can't fit into that the teaching

584

00:20:57,350 --> 00:20:53,760

profession he's

585

00:21:00,310 --> 00:20:57,360

his wife pamela he's a social worker

586

00:21:01,270 --> 00:21:00,320

you know they're both overworked

587

00:21:03,990 --> 00:21:01,280

underpaid

588

00:21:06,070 --> 00:21:04,000

highly stressed as it is when when this

589

00:21:08,789 --> 00:21:06,080

close encounter happens

590

00:21:11,029 --> 00:21:08,799

so whilst we we look at what happens to

591

00:21:13,830 --> 00:21:11,039

them and the way it unfolds

592

00:21:16,470 --> 00:21:13,840

the main theme of the of of the book is

593

00:21:17,270 --> 00:21:16,480

how they try and deal with it who do you

594

00:21:19,590 --> 00:21:17,280

turn to

595

00:21:21,590 --> 00:21:19,600

how do you cope with such an experience

596

00:21:25,110 --> 00:21:21,600

uh and the stresses and strains

597

00:21:26,470 --> 00:21:25,120

it it it causes in the already fraught

598

00:21:28,549 --> 00:21:26,480

relationship

599

00:21:31,190 --> 00:21:28,559

uh i mean for example martin you know

600

00:21:33,270 --> 00:21:31,200

you know i i i spoke to many people and

601  
00:21:35,350 --> 00:21:33,280  
i said well why why have you come to me

602  
00:21:36,630 --> 00:21:35,360  
with with the you know this account and

603  
00:21:38,870 --> 00:21:36,640  
this will philip you know

604  
00:21:39,750 --> 00:21:38,880  
i first told my family they didn't know

605  
00:21:42,070 --> 00:21:39,760  
what to do

606  
00:21:42,870 --> 00:21:42,080  
i went to my doctor he prescribed me

607  
00:21:45,909 --> 00:21:42,880  
pills

608  
00:21:48,390 --> 00:21:45,919  
so who do i turn to and this is also

609  
00:21:49,270 --> 00:21:48,400  
reflected in the storyline of the book

610  
00:21:51,590 --> 00:21:49,280  
and that's how

611  
00:21:53,669 --> 00:21:51,600  
you know they first go to their family

612  
00:21:55,750 --> 00:21:53,679  
end up you know so kind of reluctantly

613  
00:21:59,430 --> 00:21:55,760

speaking to the ufo research

614

00:22:00,310 --> 00:21:59,440

community and um you know and it unfolds

615

00:22:03,029 --> 00:22:00,320

that you know as

616

00:22:03,990 --> 00:22:03,039

as as the story goes along and uh so

617

00:22:06,390 --> 00:22:04,000

it's based

618

00:22:07,750 --> 00:22:06,400

on factual accounts but it's nonetheless

619

00:22:09,510 --> 00:22:07,760

a fictional story

620

00:22:12,070 --> 00:22:09,520

and we're also trying to emphasize

621

00:22:15,029 --> 00:22:12,080

martin again this was borne out by my

622

00:22:16,950 --> 00:22:15,039

research that whatever the abduction

623

00:22:18,230 --> 00:22:16,960

phenomenon is and i don't pretend to

624

00:22:21,270 --> 00:22:18,240

have the answers

625

00:22:21,830 --> 00:22:21,280

this book doesn't provide any answers it

626  
00:22:23,990 --> 00:22:21,840  
is

627  
00:22:25,830 --> 00:22:24,000  
completely random it happens to people

628  
00:22:28,470 --> 00:22:25,840  
in all walks of life

629  
00:22:29,430 --> 00:22:28,480  
you know all over the world any place

630  
00:22:31,669 --> 00:22:29,440  
anywhere

631  
00:22:32,710 --> 00:22:31,679  
uh despite what the skeptics might have

632  
00:22:34,549 --> 00:22:32,720  
us believe that it's

633  
00:22:36,390 --> 00:22:34,559  
it's some lunatic running around the

634  
00:22:37,590 --> 00:22:36,400  
hill somewhere that it only happens to

635  
00:22:40,789 --> 00:22:37,600  
be in the middle of nowhere

636  
00:22:42,870 --> 00:22:40,799  
that is not true and most if not all of

637  
00:22:45,190 --> 00:22:42,880  
the abductees are as bewildered as the

638  
00:22:47,830 --> 00:22:45,200

rest of us as to as to what has happened

639

00:22:49,350 --> 00:22:47,840

you know and and i try and paint that

640

00:22:52,470 --> 00:22:49,360

picture in

641

00:22:54,149 --> 00:22:52,480

in once upon a missing time you know

642

00:22:56,149 --> 00:22:54,159

i was reading a little bit about this

643

00:22:58,630 --> 00:22:56,159

book and i imagine that

644

00:22:59,669 --> 00:22:58,640

it really can tear people apart their

645

00:23:00,950 --> 00:22:59,679

families apart

646

00:23:03,190 --> 00:23:00,960

have you seen a lot of that in your

647

00:23:04,549 --> 00:23:03,200

research absolutely again i mentioned a

648

00:23:06,549 --> 00:23:04,559

lady there called rosalind

649

00:23:08,230 --> 00:23:06,559

i mean put a great strain on her

650

00:23:10,070 --> 00:23:08,240

relationship at the time

651  
00:23:11,430 --> 00:23:10,080  
and the relationship you know finally

652  
00:23:14,470 --> 00:23:11,440  
came to an end

653  
00:23:16,950 --> 00:23:14,480  
so from an experiences point of view

654  
00:23:18,070 --> 00:23:16,960  
yes it can have a you know a tremendous

655  
00:23:19,750 --> 00:23:18,080  
effect on their

656  
00:23:21,110 --> 00:23:19,760  
their family life their everyday life

657  
00:23:24,230 --> 00:23:21,120  
their work life

658  
00:23:28,470 --> 00:23:24,240  
you know right and i also found from

659  
00:23:30,149 --> 00:23:28,480  
my own experience as a ufo researcher

660  
00:23:31,990 --> 00:23:30,159  
that from a researcher's point of view

661  
00:23:34,710 --> 00:23:32,000  
it can also have an effect

662  
00:23:35,990 --> 00:23:34,720  
on your family life and your work life

663  
00:23:37,830 --> 00:23:36,000

you may not always realize

664

00:23:39,350 --> 00:23:37,840

that that's happening become you know so

665

00:23:42,470 --> 00:23:39,360

deeply involved in

666

00:23:44,710 --> 00:23:42,480

in this subject that um you know

667

00:23:46,870 --> 00:23:44,720

before you before you know it martin it

668

00:23:48,549 --> 00:23:46,880

has has an effect well that happened to

669

00:23:50,310 --> 00:23:48,559

me personally you know so that's not

670

00:23:52,950 --> 00:23:50,320

speaking in the third person

671

00:23:53,830 --> 00:23:52,960

i know that from first-hand experience

672

00:23:56,549 --> 00:23:53,840

um but you know

673

00:23:58,230 --> 00:23:56,559

no two abductees and no two accounts are

674

00:23:59,029 --> 00:23:58,240

the same they all deal with it in in

675

00:24:03,430 --> 00:23:59,039

their own

676  
00:24:05,750 --> 00:24:03,440  
a very positive experience

677  
00:24:07,269 --> 00:24:05,760  
you know but um it can cause an awful

678  
00:24:09,110 --> 00:24:07,279  
lot of confusion

679  
00:24:11,029 --> 00:24:09,120  
again there's one lady who's not

680  
00:24:12,870 --> 00:24:11,039  
mentioned in the book by name

681  
00:24:14,630 --> 00:24:12,880  
uh and in my original book without

682  
00:24:15,750 --> 00:24:14,640  
consent she's named but i give her a

683  
00:24:18,149 --> 00:24:15,760  
different name

684  
00:24:19,590 --> 00:24:18,159  
and and she had a lifetime of

685  
00:24:21,350 --> 00:24:19,600  
experiences martin and

686  
00:24:23,669 --> 00:24:21,360  
you know her first instance was to go

687  
00:24:25,750 --> 00:24:23,679  
and tell her family

688  
00:24:27,510 --> 00:24:25,760

they didn't know what to do i mean so

689

00:24:29,830 --> 00:24:27,520

they sent her to the doctor

690

00:24:31,350 --> 00:24:29,840

and this was a period in england when if

691

00:24:32,470 --> 00:24:31,360

a housewife went to the doctor

692

00:24:34,149 --> 00:24:32,480

complaining of

693

00:24:35,909 --> 00:24:34,159

of certain ailments they were given

694

00:24:36,789 --> 00:24:35,919

tranquilizers you know no matter what

695

00:24:39,110 --> 00:24:36,799

and that's what

696

00:24:40,549 --> 00:24:39,120

she was given and of course it didn't do

697

00:24:42,870 --> 00:24:40,559

any good at all

698

00:24:44,470 --> 00:24:42,880

so she threw them in the bin and then

699

00:24:47,269 --> 00:24:44,480

just quite by chance

700

00:24:48,789 --> 00:24:47,279

she saw you know my name in a local

701  
00:24:50,630 --> 00:24:48,799  
newspaper article

702  
00:24:52,230 --> 00:24:50,640  
and contacted me but these things had

703  
00:24:53,110 --> 00:24:52,240  
already been ongoing for a number of

704  
00:24:56,549 --> 00:24:53,120  
years

705  
00:24:58,070 --> 00:24:56,559  
and she was just happy i used that word

706  
00:24:59,590 --> 00:24:58,080  
kind of loosely she was pleased that she

707  
00:25:00,630 --> 00:24:59,600  
just had somebody that would sit down

708  
00:25:03,110 --> 00:25:00,640  
and listen

709  
00:25:05,269 --> 00:25:03,120  
without ridicule without laughing

710  
00:25:07,350 --> 00:25:05,279  
without passing judgment

711  
00:25:09,269 --> 00:25:07,360  
and um you know a lot of the abductees

712  
00:25:11,990 --> 00:25:09,279  
certainly back then found that

713  
00:25:13,669 --> 00:25:12,000

of a great help and and some of them set

714

00:25:15,190 --> 00:25:13,679

up their own support groups and

715

00:25:17,750 --> 00:25:15,200

some of those are still going to this

716

00:25:18,549 --> 00:25:17,760

day so it has all kinds of effects

717

00:25:20,390 --> 00:25:18,559

martin but

718

00:25:22,549 --> 00:25:20,400

uh and some of those are outlined in the

719

00:25:24,950 --> 00:25:22,559

book couldn't put everything in there

720

00:25:26,710 --> 00:25:24,960

um because again you know no two people

721

00:25:29,350 --> 00:25:26,720

react uh the same way

722

00:25:30,789 --> 00:25:29,360

but we try to emphasize exactly you know

723

00:25:33,350 --> 00:25:30,799

what can happen

724

00:25:34,710 --> 00:25:33,360

in some circumstances earlier off mike

725

00:25:37,350 --> 00:25:34,720

we were talking about

726

00:25:38,950 --> 00:25:37,360

how much work writing a book is and

727

00:25:40,549 --> 00:25:38,960

especially when you're trying to do

728

00:25:41,990 --> 00:25:40,559

you know the other part of your life

729

00:25:45,110 --> 00:25:42,000

like a job or something like

730

00:25:45,750 --> 00:25:45,120

that and so i'm in the antiques and arts

731

00:25:48,710 --> 00:25:45,760

field

732

00:25:49,750 --> 00:25:48,720

and a few people have crossed over that

733

00:25:53,510 --> 00:25:49,760

have found my name

734

00:25:55,190 --> 00:25:53,520

on this podcast and one of them actually

735

00:25:57,269 --> 00:25:55,200

has an abduction account they want to

736

00:25:59,830 --> 00:25:57,279

talk to me about i'm pretty interested

737

00:26:01,190 --> 00:25:59,840

in talking about that it seems to me

738

00:26:03,269 --> 00:26:01,200

that there's a lot more

739

00:26:04,870 --> 00:26:03,279

accounts of abductions in the united

740

00:26:06,549 --> 00:26:04,880

states than

741

00:26:07,909 --> 00:26:06,559

about anywhere else is there quite a bit

742

00:26:09,510 --> 00:26:07,919

going on in the uk

743

00:26:11,029 --> 00:26:09,520

yeah i think that's a fair comment

744

00:26:14,470 --> 00:26:11,039

martin i think um

745

00:26:15,590 --> 00:26:14,480

again you know we forget that the united

746

00:26:17,909 --> 00:26:15,600

states and britain are

747

00:26:19,350 --> 00:26:17,919

are foreign countries we may share a

748

00:26:22,470 --> 00:26:19,360

common language

749

00:26:25,350 --> 00:26:22,480

but um our culture is is is very

750

00:26:26,630 --> 00:26:25,360

very different indeed you know i think

751

00:26:30,390 --> 00:26:26,640

in general

752

00:26:34,070 --> 00:26:30,400

um the brits are more reserved uh

753

00:26:36,710 --> 00:26:34,080

race if you want to use that word and um

754

00:26:38,230 --> 00:26:36,720

you know they tend to keep things closer

755

00:26:39,590 --> 00:26:38,240

to the chest than perhaps they do in the

756

00:26:41,669 --> 00:26:39,600

united states

757

00:26:44,070 --> 00:26:41,679

uh that's been my experience anyway i

758

00:26:46,390 --> 00:26:44,080

know it's a generalization

759

00:26:48,390 --> 00:26:46,400

but uh like i said when i started my

760

00:26:50,470 --> 00:26:48,400

abduction research back in in the in the

761

00:26:53,110 --> 00:26:50,480

late 1980s

762

00:26:54,230 --> 00:26:53,120

i could think of you know maybe a couple

763

00:26:57,590 --> 00:26:54,240

of handful of

764

00:26:58,950 --> 00:26:57,600

of known abductees here in the uk

765

00:27:00,470 --> 00:26:58,960

things that had already been talked

766

00:27:01,909 --> 00:27:00,480

about and few that have been published

767

00:27:05,909 --> 00:27:01,919

there wasn't by any means

768

00:27:06,630 --> 00:27:05,919

uh a lot but as as the 80s and the 90s

769

00:27:09,110 --> 00:27:06,640

progressed

770

00:27:10,149 --> 00:27:09,120

and like people like john mark and nick

771

00:27:12,310 --> 00:27:10,159

pope

772

00:27:13,830 --> 00:27:12,320

went into the public domain i think he

773

00:27:17,110 --> 00:27:13,840

helped bring people

774

00:27:19,750 --> 00:27:17,120

um you know forward books like communion

775

00:27:22,149 --> 00:27:19,760

also helped and other publications

776

00:27:23,909 --> 00:27:22,159

so i just think it's because our

777

00:27:24,310 --> 00:27:23,919

cultures are quite different martian but

778

00:27:27,350 --> 00:27:24,320

now

779

00:27:29,190 --> 00:27:27,360

it's it's it's a common subject here

780

00:27:31,430 --> 00:27:29,200

more people are willing to go on the

781

00:27:34,149 --> 00:27:31,440

record but it's still a stigma

782

00:27:35,190 --> 00:27:34,159

in certain circles but it's still fear

783

00:27:37,110 --> 00:27:35,200

and ridicule

784

00:27:39,029 --> 00:27:37,120

but i don't think that's any way as bad

785

00:27:42,389 --> 00:27:39,039

as it used to be

786

00:27:44,149 --> 00:27:42,399

and uh that you know by by writing books

787

00:27:46,549 --> 00:27:44,159

like this

788

00:27:48,389 --> 00:27:46,559

it shows i think uh the the subject

789

00:27:49,909 --> 00:27:48,399

matter in in the in the right or

790

00:27:51,990 --> 00:27:49,919

the right vein i know it's a work of

791

00:27:54,870 --> 00:27:52,000

fiction but it shows these were

792

00:27:55,430 --> 00:27:54,880

just ordinary people about their working

793

00:27:59,110 --> 00:27:55,440

life

794

00:28:00,630 --> 00:27:59,120

when this most bizarre of ex you know

795

00:28:02,230 --> 00:28:00,640

experience has happened to them they

796

00:28:04,389 --> 00:28:02,240

don't know what it was

797

00:28:05,990 --> 00:28:04,399

they're looking for answers themselves

798

00:28:07,830 --> 00:28:06,000

and that's often the case you know if

799

00:28:08,630 --> 00:28:07,840

you speak to many abductees martin

800

00:28:10,710 --> 00:28:08,640

they'll say well

801  
00:28:12,630 --> 00:28:10,720  
you know i was out walking my dog you

802  
00:28:14,310 --> 00:28:12,640  
know i was driving to work

803  
00:28:16,950 --> 00:28:14,320  
i was you know picking the kids up from

804  
00:28:19,590 --> 00:28:16,960  
school or whatever it was when this

805  
00:28:21,510 --> 00:28:19,600  
thing happened and and they're looking

806  
00:28:23,269 --> 00:28:21,520  
to people like us but answers they may

807  
00:28:25,430 --> 00:28:23,279  
have already been elsewhere

808  
00:28:27,909 --> 00:28:25,440  
to try and figure it out some people

809  
00:28:30,470 --> 00:28:27,919  
prepare you know prefer to keep their

810  
00:28:31,990 --> 00:28:30,480  
their names to themselves which is fine

811  
00:28:33,909 --> 00:28:32,000  
there's no problem with that

812  
00:28:35,750 --> 00:28:33,919  
and one others think that it's important

813  
00:28:38,070 --> 00:28:35,760

that they should speak out

814

00:28:39,430 --> 00:28:38,080

and i've come across that several kinds

815

00:28:41,110 --> 00:28:39,440

you know that they know that there could

816

00:28:43,110 --> 00:28:41,120

be a little bit of ridicule

817

00:28:44,710 --> 00:28:43,120

you know a bit of you know people making

818

00:28:46,310 --> 00:28:44,720

fun of them that kind of thing but for

819

00:28:49,510 --> 00:28:46,320

whatever reason

820

00:28:50,870 --> 00:28:49,520

they think no this is important you know

821

00:28:52,710 --> 00:28:50,880

i'm not saying i've been abducted by

822

00:28:53,830 --> 00:28:52,720

aliens i'm just saying this most bizarre

823

00:28:55,190 --> 00:28:53,840

thing happened to me

824

00:28:57,430 --> 00:28:55,200

and the only way we're ever going to

825

00:28:59,430 --> 00:28:57,440

find out what it is is by talking about

826

00:29:01,430 --> 00:28:59,440

it in the open you know speaking to

827

00:29:03,830 --> 00:29:01,440

others i've had similar experiences

828

00:29:05,750 --> 00:29:03,840

and maybe you know i i have one of the

829

00:29:06,950 --> 00:29:05,760

answers to the puzzle maybe i don't you

830

00:29:08,710 --> 00:29:06,960

know but uh

831

00:29:10,070 --> 00:29:08,720

so i think it's changed down the years

832

00:29:10,870 --> 00:29:10,080

and i think you know things like the

833

00:29:13,669 --> 00:29:10,880

internet

834

00:29:14,389 --> 00:29:13,679

and and various tv shows and movies have

835

00:29:16,710 --> 00:29:14,399

helped

836

00:29:18,230 --> 00:29:16,720

you know like when i started in in this

837

00:29:20,630 --> 00:29:18,240

field there was no internet it just

838

00:29:22,230 --> 00:29:20,640

did not exist certainly no skype and

839

00:29:24,710 --> 00:29:22,240

home computers marching

840

00:29:26,789 --> 00:29:24,720

you know i mean it was it was it was on

841

00:29:28,389 --> 00:29:26,799

the phone and in the car and

842

00:29:29,909 --> 00:29:28,399

you know a letter and things of that

843

00:29:32,149 --> 00:29:29,919

nature um

844

00:29:34,470 --> 00:29:32,159

so that's why i set the uh you know the

845

00:29:36,630 --> 00:29:34,480

book in in 1990

846

00:29:37,510 --> 00:29:36,640

it was a cha it's a time of change here

847

00:29:41,510 --> 00:29:37,520

in britain in

848

00:29:42,310 --> 00:29:41,520

in in 1990 mrs thatcher uh i just left

849

00:29:43,909 --> 00:29:42,320

office

850

00:29:45,510 --> 00:29:43,919

i think people around the world know

851  
00:29:49,110 --> 00:29:45,520  
know who mrs thatcher was

852  
00:29:50,789 --> 00:29:49,120  
she'd just been replaced by john major

853  
00:29:52,230 --> 00:29:50,799  
so it was a time of change here in

854  
00:29:53,830 --> 00:29:52,240  
britain as well so

855  
00:29:55,590 --> 00:29:53,840  
it just kind of fit it was a much

856  
00:29:57,190 --> 00:29:55,600  
simpler age you know there wasn't no

857  
00:30:00,149 --> 00:29:57,200  
digital television

858  
00:30:01,909 --> 00:30:00,159  
we still had video cameras you know

859  
00:30:04,070 --> 00:30:01,919  
cassette tape recorders

860  
00:30:06,070 --> 00:30:04,080  
the digital age hadn't wasn't upon us

861  
00:30:10,389 --> 00:30:06,080  
there was no digital cameras

862  
00:30:11,990 --> 00:30:10,399  
um so and i set it in that context um

863  
00:30:13,590 --> 00:30:12,000

you know it was a simpler time i know

864

00:30:16,789 --> 00:30:13,600

not going it's not too simple

865

00:30:18,710 --> 00:30:16,799

it was still a modern era but um again

866

00:30:20,149 --> 00:30:18,720

the the place although it's a fictional

867

00:30:22,789 --> 00:30:20,159

village that i set it in

868

00:30:24,310 --> 00:30:22,799

in north yorkshire there was an area in

869

00:30:25,110 --> 00:30:24,320

that particular region of north

870

00:30:26,710 --> 00:30:25,120

yorkshire that

871

00:30:28,789 --> 00:30:26,720

we have the yorkshire dales national

872

00:30:31,350 --> 00:30:28,799

park for any of your listeners

873

00:30:32,789 --> 00:30:31,360

coming over it's a beautiful place but

874

00:30:34,870 --> 00:30:32,799

we had all kinds of

875

00:30:36,149 --> 00:30:34,880

ufo sightings there i mean we were

876

00:30:38,149 --> 00:30:36,159

absolutely inundated

877

00:30:39,269 --> 00:30:38,159

with them including you know the close

878

00:30:41,830 --> 00:30:39,279

encounter type

879

00:30:43,269 --> 00:30:41,840

scenarios as well so whilst it's a

880

00:30:45,510 --> 00:30:43,279

fictional village name

881

00:30:47,350 --> 00:30:45,520

i have set it in an area that had this

882

00:30:50,149 --> 00:30:47,360

kind of activity going on

883

00:30:50,549 --> 00:30:50,159

at that time so it kind of fits there as

884

00:30:52,070 --> 00:30:50,559

well

885

00:30:54,149 --> 00:30:52,080

now you said that for the most part

886

00:30:56,470 --> 00:30:54,159

england has kind of loosened up and

887

00:30:57,830 --> 00:30:56,480

it's not so conservative on the subject

888

00:30:59,909 --> 00:30:57,840

as it used to be

889

00:31:01,909 --> 00:30:59,919

have you noticed people coming forward

890

00:31:02,470 --> 00:31:01,919

that have been suppressing this for many

891

00:31:05,110 --> 00:31:02,480

years

892

00:31:06,950 --> 00:31:05,120

absolutely i mean they said i you know

893

00:31:08,870 --> 00:31:06,960

even just recently not not about just

894

00:31:11,110 --> 00:31:08,880

abductions but about certain types of

895

00:31:12,870 --> 00:31:11,120

ufo sightings in general

896

00:31:14,310 --> 00:31:12,880

to say you know i've never spoke to

897

00:31:16,549 --> 00:31:14,320

anybody about this

898

00:31:18,230 --> 00:31:16,559

and there may it may be just one thing

899

00:31:20,870 --> 00:31:18,240

that they read or they see

900

00:31:22,630 --> 00:31:20,880

somewhere that that acts as a trigger

901  
00:31:24,149 --> 00:31:22,640  
and they think well now's the time i

902  
00:31:26,549 --> 00:31:24,159  
should tell somebody

903  
00:31:28,549 --> 00:31:26,559  
and you find that in many many cases

904  
00:31:30,389 --> 00:31:28,559  
that even some of the well-known cases

905  
00:31:31,509 --> 00:31:30,399  
like roswell for example marching you

906  
00:31:33,590 --> 00:31:31,519  
know there's still

907  
00:31:35,590 --> 00:31:33,600  
you know every elderly gentleman who

908  
00:31:38,389 --> 00:31:35,600  
maybe former military

909  
00:31:39,669 --> 00:31:38,399  
you know 60 70 years later come forward

910  
00:31:41,350 --> 00:31:39,679  
and said well i've never really told

911  
00:31:43,669 --> 00:31:41,360  
anybody about this

912  
00:31:45,669 --> 00:31:43,679  
and um but they're made just something

913  
00:31:47,269 --> 00:31:45,679

that that uh

914

00:31:49,509 --> 00:31:47,279

likes to touch paper and then they think

915

00:31:51,350 --> 00:31:49,519

well you know now is the time

916

00:31:54,470 --> 00:31:51,360

you know maybe a newspaper article it

917

00:31:56,070 --> 00:31:54,480

may be a tv documenting they think well

918

00:31:58,070 --> 00:31:56,080

i didn't really know an awful lot about

919

00:32:00,149 --> 00:31:58,080

this i thought i was the only one

920

00:32:01,430 --> 00:32:00,159

and and but now i'm no i'm not and and

921

00:32:03,269 --> 00:32:01,440

they speak up

922

00:32:05,430 --> 00:32:03,279

and uh you know we try and encourage

923

00:32:06,950 --> 00:32:05,440

that without without going over the top

924

00:32:09,190 --> 00:32:06,960

if they want to remain you know

925

00:32:10,230 --> 00:32:09,200

incognito that's fine there's no problem

926  
00:32:13,190 --> 00:32:10,240  
with that at all

927  
00:32:14,950 --> 00:32:13,200  
so that happens fairly regularly however

928  
00:32:15,750 --> 00:32:14,960  
you also have the other side of the coin

929  
00:32:17,590 --> 00:32:15,760  
martin

930  
00:32:19,509 --> 00:32:17,600  
and people will say well yeah put my

931  
00:32:20,630 --> 00:32:19,519  
name on the record i don't know what

932  
00:32:22,870 --> 00:32:20,640  
this was

933  
00:32:24,549 --> 00:32:22,880  
i know what it wasn't and that's people

934  
00:32:26,149 --> 00:32:24,559  
from all walks of life and including

935  
00:32:27,590 --> 00:32:26,159  
professional people and they said well i

936  
00:32:30,230 --> 00:32:27,600  
don't care you know

937  
00:32:31,669 --> 00:32:30,240  
uh you know this is important and people

938  
00:32:33,830 --> 00:32:31,679

should know about this

939

00:32:34,870 --> 00:32:33,840

and um you know so we get quite a

940

00:32:36,470 --> 00:32:34,880

mixture but

941

00:32:39,029 --> 00:32:36,480

you know people do keep it to themselves

942

00:32:42,149 --> 00:32:39,039

martin yes i can only imagine

943

00:32:45,350 --> 00:32:42,159

what an experience would be like and i

944

00:32:46,070 --> 00:32:45,360

i would just feel as though i was going

945

00:32:48,470 --> 00:32:46,080

crazy

946

00:32:49,909 --> 00:32:48,480

i can't imagine feeling other any other

947

00:32:52,389 --> 00:32:49,919

way about that

948

00:32:54,230 --> 00:32:52,399

um do you is that is that like a common

949

00:32:56,710 --> 00:32:54,240

theme when people come forward

950

00:32:58,389 --> 00:32:56,720

oh yeah i mean one of the ladies who who

951  
00:33:01,590 --> 00:32:58,399  
i interviewed many many times

952  
00:33:05,029 --> 00:33:01,600  
a lady called jane jane was a housewife

953  
00:33:06,870 --> 00:33:05,039  
with a a young child and um

954  
00:33:08,070 --> 00:33:06,880  
she had a number of encounters martin it

955  
00:33:12,070 --> 00:33:08,080  
wasn't just a one-off

956  
00:33:14,310 --> 00:33:12,080  
from the age of 16 onwards and um

957  
00:33:15,669 --> 00:33:14,320  
she said i know her first reaction was i

958  
00:33:17,590 --> 00:33:15,679  
must be going nuts

959  
00:33:18,870 --> 00:33:17,600  
i really must be she knew nothing about

960  
00:33:21,909 --> 00:33:18,880  
the subject

961  
00:33:24,950 --> 00:33:21,919  
um you know she's just an ordinary woman

962  
00:33:26,870 --> 00:33:24,960  
in an ordinary village and you know what

963  
00:33:30,070 --> 00:33:26,880

she thought i must be going off my head

964

00:33:33,909 --> 00:33:30,080

i really must so she went to

965

00:33:35,669 --> 00:33:33,919

the doctors and you know

966

00:33:37,269 --> 00:33:35,679

she wasn't mad he wasn't suffering from

967

00:33:39,430 --> 00:33:37,279

delusion

968

00:33:41,590 --> 00:33:39,440

jumping forward in time you know it was

969

00:33:44,950 --> 00:33:41,600

about seven years later when when i

970

00:33:48,549 --> 00:33:44,960

i first met jane um

971

00:33:51,110 --> 00:33:48,559

and the encounters were still ongoing

972

00:33:51,590 --> 00:33:51,120

and we talked about it we we recorded as

973

00:33:53,430 --> 00:33:51,600

many

974

00:33:56,149 --> 00:33:53,440

much of the information as we could and

975

00:33:58,149 --> 00:33:56,159

i took it to see a a psychologist

976  
00:34:00,149 --> 00:33:58,159  
who was very interested in the the

977  
00:34:03,430 --> 00:34:00,159  
abduction subject

978  
00:34:06,070 --> 00:34:03,440  
and i left uh jane and

979  
00:34:07,750 --> 00:34:06,080  
and this particular doctor together for

980  
00:34:09,510 --> 00:34:07,760  
several hours

981  
00:34:12,230 --> 00:34:09,520  
he had a long chat was all pre-arranged

982  
00:34:13,990 --> 00:34:12,240  
jane was you know very cooperative

983  
00:34:15,909 --> 00:34:14,000  
and uh he came back and he said well

984  
00:34:17,190 --> 00:34:15,919  
philip you know

985  
00:34:19,349 --> 00:34:17,200  
i don't know what's happened to this

986  
00:34:21,430 --> 00:34:19,359  
young lady but i know i know

987  
00:34:22,710 --> 00:34:21,440  
for certain she's not delusional she's

988  
00:34:25,030 --> 00:34:22,720

not psychotic

989

00:34:26,310 --> 00:34:25,040

she's not schizophrenic et cetera et

990

00:34:29,190 --> 00:34:26,320

cetera et cetera in other words

991

00:34:30,149 --> 00:34:29,200

he gave it a clean bill of mental health

992

00:34:32,149 --> 00:34:30,159

and

993

00:34:34,149 --> 00:34:32,159

he was shortly coming up for retirement

994

00:34:35,349 --> 00:34:34,159

worked at a huge university here in the

995

00:34:37,510 --> 00:34:35,359

north of england

996

00:34:39,190 --> 00:34:37,520

and he wanted to get involved more once

997

00:34:40,230 --> 00:34:39,200

he'd retired he didn't mind putting his

998

00:34:42,069 --> 00:34:40,240

name to it

999

00:34:43,349 --> 00:34:42,079

but sadly you know when he retired he

1000

00:34:46,470 --> 00:34:43,359

took hillary and and

1001  
00:34:48,149 --> 00:34:46,480  
and wasn't able to fulfill that so

1002  
00:34:49,990 --> 00:34:48,159  
you know she literally thought she was

1003  
00:34:53,030 --> 00:34:50,000  
going off off her head

1004  
00:34:54,790 --> 00:34:53,040  
but uh the the doctor in question

1005  
00:34:55,990 --> 00:34:54,800  
reassured her and said well i don't know

1006  
00:34:57,349 --> 00:34:56,000  
what's happening to you but you're not

1007  
00:34:58,310 --> 00:34:57,359  
going you're not going out of your mind

1008  
00:35:01,030 --> 00:34:58,320  
you're not mad

1009  
00:35:01,750 --> 00:35:01,040  
so on one hand she was she was pleased

1010  
00:35:03,030 --> 00:35:01,760  
with that

1011  
00:35:04,150 --> 00:35:03,040  
but on the other hand she thought well

1012  
00:35:06,310 --> 00:35:04,160  
it would have been an end she would have

1013  
00:35:07,670 --> 00:35:06,320

been an explanation if i hadn't been mad

1014

00:35:09,750 --> 00:35:07,680

so i don't i don't know which

1015

00:35:12,150 --> 00:35:09,760

explanation she was happiest with but

1016

00:35:12,870 --> 00:35:12,160

uh it kind of reassured her in a way but

1017

00:35:14,790 --> 00:35:12,880

uh yeah

1018

00:35:16,710 --> 00:35:14,800

it is it is a theme that crops up now

1019

00:35:17,670 --> 00:35:16,720

and again i would imagine so and i think

1020

00:35:19,990 --> 00:35:17,680

this is one of the

1021

00:35:21,109 --> 00:35:20,000

reasons that drew dr mack into this

1022

00:35:23,109 --> 00:35:21,119

whole thing is that

1023

00:35:24,150 --> 00:35:23,119

he was finding out that these people

1024

00:35:26,069 --> 00:35:24,160

weren't crazy

1025

00:35:27,990 --> 00:35:26,079

and you know that just made him dig

1026

00:35:29,430 --> 00:35:28,000

deeper and deeper well absolutely martin

1027

00:35:31,670 --> 00:35:29,440

i mean i met john mack

1028

00:35:33,990 --> 00:35:31,680

you know several times and he he read my

1029

00:35:35,430 --> 00:35:34,000

first book without consent

1030

00:35:37,510 --> 00:35:35,440

and we had a you know a few

1031

00:35:41,349 --> 00:35:37,520

conversations when we met

1032

00:35:42,950 --> 00:35:41,359

up and um you know the skeptics again or

1033

00:35:44,470 --> 00:35:42,960

certain skeptics would have us believe

1034

00:35:46,550 --> 00:35:44,480

that these people are all

1035

00:35:48,630 --> 00:35:46,560

you know fruitcakes or they're looking

1036

00:35:49,510 --> 00:35:48,640

to earn a quick buck or they want some

1037

00:35:51,670 --> 00:35:49,520

kind of

1038

00:35:53,190 --> 00:35:51,680

attention seeking and let's be honest

1039

00:35:57,750 --> 00:35:53,200

there are one or two like that

1040

00:36:00,710 --> 00:35:57,760

you know circles that collect stamps

1041

00:36:02,470 --> 00:36:00,720

you know you know they're in all fields

1042

00:36:03,270 --> 00:36:02,480

you know this field is no different from

1043

00:36:06,950 --> 00:36:03,280

that

1044

00:36:09,829 --> 00:36:06,960

but by and large these are your everyday

1045

00:36:11,829 --> 00:36:09,839

ordinary member of the public that going

1046

00:36:14,150 --> 00:36:11,839

about their daily tasks

1047

00:36:14,870 --> 00:36:14,160

they have little or no interest in this

1048

00:36:17,430 --> 00:36:14,880

subject

1049

00:36:19,030 --> 00:36:17,440

beforehand and it comes to them like a

1050

00:36:21,190 --> 00:36:19,040

bolt out of the blue

1051  
00:36:22,630 --> 00:36:21,200  
and and the you know think about it

1052  
00:36:23,750 --> 00:36:22,640  
yourself martin if you knew nothing

1053  
00:36:25,190 --> 00:36:23,760  
about this subject

1054  
00:36:28,790 --> 00:36:25,200  
and a lot of them don't apart from maybe

1055  
00:36:30,870 --> 00:36:28,800  
a passing bit of this and a bit of that

1056  
00:36:33,270 --> 00:36:30,880  
and this kind of thing happens what do

1057  
00:36:35,430 --> 00:36:33,280  
you do who do you turn to

1058  
00:36:37,349 --> 00:36:35,440  
you know that isn't a department you can

1059  
00:36:39,270 --> 00:36:37,359  
go and ring if you break your leg you go

1060  
00:36:41,190 --> 00:36:39,280  
to the er

1061  
00:36:43,910 --> 00:36:41,200  
you know there isn't there isn't an

1062  
00:36:45,589 --> 00:36:43,920  
alien abduction er you can go to

1063  
00:36:47,109 --> 00:36:45,599

you know there isn't any one central

1064

00:36:50,230 --> 00:36:47,119

place who do you turn to

1065

00:36:52,870 --> 00:36:50,240

and again i use that theme in

1066

00:36:55,589 --> 00:36:52,880

once upon a missing time um the the wife

1067

00:36:56,630 --> 00:36:55,599

pamela her father is a retired police

1068

00:36:59,670 --> 00:36:56,640

officer

1069

00:36:59,990 --> 00:36:59,680

so you know they tell him but he he's

1070

00:37:02,710 --> 00:37:00,000

seen

1071

00:37:04,310 --> 00:37:02,720

everything in his time as a police

1072

00:37:05,910 --> 00:37:04,320

officer but he never heard of this

1073

00:37:10,069 --> 00:37:05,920

before and he just

1074

00:37:10,870 --> 00:37:10,079

finds it a joke so it was of no use to

1075

00:37:13,030 --> 00:37:10,880

him

1076

00:37:14,790 --> 00:37:13,040

but to them whatsoever to to speak to

1077

00:37:16,870 --> 00:37:14,800

him about it and i can understand that

1078

00:37:19,109 --> 00:37:16,880

in some instance and i really can't

1079

00:37:19,910 --> 00:37:19,119

i mean again you know you put yourself

1080

00:37:22,710 --> 00:37:19,920

in

1081

00:37:23,910 --> 00:37:22,720

his shoes i can understand it i'm not

1082

00:37:26,310 --> 00:37:23,920

saying it's right or wrong but i can

1083

00:37:29,190 --> 00:37:26,320

understand certain people's reactions

1084

00:37:30,390 --> 00:37:29,200

it is a a bizarre subject in its own

1085

00:37:32,230 --> 00:37:30,400

right

1086

00:37:34,310 --> 00:37:32,240

but uh i think it's one that's gained a

1087

00:37:36,870 --> 00:37:34,320

little bit of credence and credibility

1088

00:37:38,470 --> 00:37:36,880

with more and more um

1089

00:37:40,390 --> 00:37:38,480

you know professional people becoming

1090

00:37:41,589 --> 00:37:40,400

involved both out in the open and behind

1091

00:37:43,829 --> 00:37:41,599

the scenes

1092

00:37:46,870 --> 00:37:43,839

and uh again you know that's emphasized

1093

00:37:49,349 --> 00:37:46,880

in in in the book we have a a doctor

1094

00:37:51,349 --> 00:37:49,359

who becomes involved as a psychologist

1095

00:37:54,710 --> 00:37:51,359

he's quite skeptical

1096

00:37:57,829 --> 00:37:54,720

but nonetheless he becomes involved and

1097

00:37:59,910 --> 00:37:57,839

you know tries tries to assist it's not

1098

00:38:01,270 --> 00:37:59,920

particularly based on on dr mack or

1099

00:38:03,430 --> 00:38:01,280

anyone like that it's it's

1100

00:38:04,550 --> 00:38:03,440

again an amalgamation of many different

1101  
00:38:08,310 --> 00:38:04,560  
people

1102  
00:38:09,270 --> 00:38:08,320  
that are willing to help not just the

1103  
00:38:11,109 --> 00:38:09,280  
genuine

1104  
00:38:12,390 --> 00:38:11,119  
ufo researcher there are professionals

1105  
00:38:13,270 --> 00:38:12,400  
as well that will actually take it

1106  
00:38:15,109 --> 00:38:13,280  
seriously

1107  
00:38:17,430 --> 00:38:15,119  
well yeah i mean like i said the the the

1108  
00:38:17,750 --> 00:38:17,440  
um the doctor who with whom i was going

1109  
00:38:22,310 --> 00:38:17,760  
to

1110  
00:38:22,950 --> 00:38:22,320  
seriously he was open-minded he didn't

1111  
00:38:25,990 --> 00:38:22,960  
have any

1112  
00:38:28,069 --> 00:38:26,000  
um opinions one way or the other

1113  
00:38:29,190 --> 00:38:28,079

and he found it extremely intriguing he

1114

00:38:32,630 --> 00:38:29,200

was interested in

1115

00:38:34,390 --> 00:38:32,640

in the paranormal in general and um

1116

00:38:36,470 --> 00:38:34,400

you know when i spoke to to jay at

1117

00:38:39,910 --> 00:38:36,480

length and found out she's you know

1118

00:38:42,310 --> 00:38:39,920

no disrespect to jane she wasn't um

1119

00:38:43,829 --> 00:38:42,320

a particularly hugely intelligent woman

1120

00:38:46,950 --> 00:38:43,839

she wasn't stupid

1121

00:38:47,670 --> 00:38:46,960

she was just an average lady um you know

1122

00:38:50,950 --> 00:38:47,680

was not

1123

00:38:52,630 --> 00:38:50,960

into the ufo literature at all and not

1124

00:38:54,069 --> 00:38:52,640

only that what was what was what was

1125

00:38:55,349 --> 00:38:54,079

intriguing about some of the things that

1126

00:38:57,990 --> 00:38:55,359

jane told us

1127

00:38:59,990 --> 00:38:58,000

she was talking about what we might call

1128

00:39:01,670 --> 00:39:00,000

phantom pregnancies

1129

00:39:03,910 --> 00:39:01,680

but not with a husband with with these

1130

00:39:06,069 --> 00:39:03,920

otherworldly beings

1131

00:39:07,430 --> 00:39:06,079

and that was right pretty much unknown

1132

00:39:09,430 --> 00:39:07,440

at the time that the only

1133

00:39:11,190 --> 00:39:09,440

chap writing about it at the time was

1134

00:39:14,470 --> 00:39:11,200

was the late bud hopkins

1135

00:39:16,550 --> 00:39:14,480

in new york um you could only read it in

1136

00:39:18,950 --> 00:39:16,560

one or two publications but hadn't

1137

00:39:19,589 --> 00:39:18,960

you know uh published his books with

1138

00:39:22,150 --> 00:39:19,599

this you know

1139

00:39:23,990 --> 00:39:22,160

he called him the smart baby dreams and

1140

00:39:25,750 --> 00:39:24,000

i i communicated with but i knew him

1141

00:39:27,430 --> 00:39:25,760

quite well i sent him transcripts of my

1142

00:39:28,710 --> 00:39:27,440

interviews with jane and he would come

1143

00:39:31,670 --> 00:39:28,720

back with suggestions for

1144

00:39:33,670 --> 00:39:31,680

for other sort of questions so how could

1145

00:39:37,270 --> 00:39:33,680

this you know this housewife here in

1146

00:39:38,470 --> 00:39:37,280

in in the uk repeat the same kind of

1147

00:39:41,589 --> 00:39:38,480

things that was coming

1148

00:39:42,390 --> 00:39:41,599

to bud from abductees in the us when she

1149

00:39:45,990 --> 00:39:42,400

hadn't read it

1150

00:39:47,589 --> 00:39:46,000

it wasn't on the tv you know so

1151

00:39:49,109 --> 00:39:47,599

again it was intriguing it was very

1152

00:39:51,109 --> 00:39:49,119

intriguing and uh

1153

00:39:52,550 --> 00:39:51,119

you know a lot of of jane's experience

1154

00:39:53,990 --> 00:39:52,560

has never been published he's still sat

1155

00:39:57,109 --> 00:39:54,000

in a file here with me

1156

00:39:59,270 --> 00:39:57,119

i published some of it and uh

1157

00:40:01,430 --> 00:39:59,280

i i think you know she she she features

1158

00:40:04,470 --> 00:40:01,440

in part in in the book as well in

1159

00:40:07,109 --> 00:40:04,480

in little bits and pieces so um

1160

00:40:09,109 --> 00:40:07,119

you know even if you're a skeptic martin

1161

00:40:09,990 --> 00:40:09,119

it's still an intriguing puzzling

1162

00:40:12,230 --> 00:40:10,000

subject i i

1163

00:40:14,550 --> 00:40:12,240

have to be honest absolutely and i know

1164

00:40:16,230 --> 00:40:14,560

you're you're rather cautious of naming

1165

00:40:18,630 --> 00:40:16,240

what exactly is going on in these

1166

00:40:21,030 --> 00:40:18,640

abductions but if you had to guess

1167

00:40:22,870 --> 00:40:21,040

what would your guess be i couldn't

1168

00:40:25,829 --> 00:40:22,880

guess much and i honestly couldn't guess

1169

00:40:27,589 --> 00:40:25,839

i'll give you the reason why again going

1170

00:40:30,710 --> 00:40:27,599

back a few years

1171

00:40:33,670 --> 00:40:30,720

i got a small number of abductees and

1172

00:40:34,230 --> 00:40:33,680

and i put it to them but in mind these

1173

00:40:37,190 --> 00:40:34,240

are people

1174

00:40:38,230 --> 00:40:37,200

that you know had this experience not me

1175

00:40:41,349 --> 00:40:38,240

and i asked them

1176

00:40:44,470 --> 00:40:41,359

that very same question what do you

1177

00:40:47,670 --> 00:40:44,480

think has happened to you was it

1178

00:40:49,109 --> 00:40:47,680

80 you know was it extraterrestrials

1179

00:40:52,630 --> 00:40:49,119

from

1180

00:40:54,470 --> 00:40:52,640

you know wherever get in here however

1181

00:40:56,150 --> 00:40:54,480

you know another dimension spaceships

1182

00:40:58,550 --> 00:40:56,160

whatever you want to call it

1183

00:40:59,990 --> 00:40:58,560

was it some something some kind of

1184

00:41:01,670 --> 00:41:00,000

spiritual experience

1185

00:41:03,589 --> 00:41:01,680

was it some kind of psychological

1186

00:41:05,510 --> 00:41:03,599

experience

1187

00:41:07,349 --> 00:41:05,520

a couple said definitely i i believe

1188

00:41:08,710 --> 00:41:07,359

this was you know beings from another

1189

00:41:10,550 --> 00:41:08,720

world

1190

00:41:11,829 --> 00:41:10,560

there were a couple of ladies who said

1191

00:41:15,670 --> 00:41:11,839

no phillip you know

1192

00:41:19,109 --> 00:41:15,680

i think this was to me some kind of

1193

00:41:20,069 --> 00:41:19,119

spiritual experience it awakened things

1194

00:41:23,750 --> 00:41:20,079

in me it was like an

1195

00:41:25,349 --> 00:41:23,760

awakening and um but the others martin

1196

00:41:26,309 --> 00:41:25,359

just kind of scratched their heads and

1197

00:41:29,109 --> 00:41:26,319

said look philip i

1198

00:41:30,069 --> 00:41:29,119

really don't know i have no idea what

1199

00:41:32,630 --> 00:41:30,079

the nature

1200

00:41:34,870 --> 00:41:32,640

and the origin of these experiences were

1201  
00:41:38,230 --> 00:41:34,880  
all i can tell you is what happened

1202  
00:41:40,150 --> 00:41:38,240  
what i remember and i i put to one

1203  
00:41:43,030 --> 00:41:40,160  
gentleman

1204  
00:41:43,510 --> 00:41:43,040  
it's a case from back in the late 1970s

1205  
00:41:46,870 --> 00:41:43,520  
here

1206  
00:41:50,550 --> 00:41:46,880  
in the uk it's called john day and

1207  
00:41:53,030 --> 00:41:50,560  
i said to john was john was this a real

1208  
00:41:54,710 --> 00:41:53,040  
physical you know nuts and bolts

1209  
00:41:57,750 --> 00:41:54,720  
experience

1210  
00:42:00,309 --> 00:41:57,760  
and he said phillip you know not only

1211  
00:42:03,190 --> 00:42:00,319  
can i not put it into words

1212  
00:42:03,510 --> 00:42:03,200  
but we as a as a as a species don't have

1213  
00:42:08,150 --> 00:42:03,520

the

1214

00:42:09,910 --> 00:42:08,160

experience he says but

1215

00:42:12,150 --> 00:42:09,920

the best way i can explain it is if you

1216

00:42:14,630 --> 00:42:12,160

went to a movie set

1217

00:42:15,670 --> 00:42:14,640

you can look at it you can touch it you

1218

00:42:18,870 --> 00:42:15,680

can feel it

1219

00:42:21,910 --> 00:42:18,880

it's solid we look behind it

1220

00:42:23,750 --> 00:42:21,920

and it's just an illusion and he left it

1221

00:42:24,950 --> 00:42:23,760

at that so you can read into that what

1222

00:42:27,109 --> 00:42:24,960

you want martin

1223

00:42:29,030 --> 00:42:27,119

because you know i still try and figure

1224

00:42:30,150 --> 00:42:29,040

that out myself and it's a few years

1225

00:42:33,510 --> 00:42:30,160

since i interviewed

1226

00:42:36,069 --> 00:42:33,520

john day so now one hand it you know

1227

00:42:36,630 --> 00:42:36,079

it is a a physical thing but on the

1228

00:42:39,829 --> 00:42:36,640

other hand

1229

00:42:41,430 --> 00:42:39,839

it's some kind of illusion camouflage

1230

00:42:44,230 --> 00:42:41,440

call it what you will

1231

00:42:45,750 --> 00:42:44,240

and uh i thanked john for that and you

1232

00:42:46,230 --> 00:42:45,760

know he's left me scratching my head for

1233

00:42:50,390 --> 00:42:46,240

me

1234

00:42:53,510 --> 00:42:50,400

so even the abductees themselves

1235

00:42:56,470 --> 00:42:53,520

are not entirely sure john martin so

1236

00:42:57,030 --> 00:42:56,480

and john day especially so uh you know

1237

00:42:59,190 --> 00:42:57,040

i'm not

1238

00:43:00,230 --> 00:42:59,200

to hazard a guess i really am you

1239

00:43:03,109 --> 00:43:00,240

probably know this but

1240

00:43:04,630 --> 00:43:03,119

denise stoner and kathleen martin wrote

1241

00:43:07,589 --> 00:43:04,640

a book and they also

1242

00:43:08,550 --> 00:43:07,599

in that book has a list of commonalities

1243

00:43:09,910 --> 00:43:08,560

have you ever

1244

00:43:12,069 --> 00:43:09,920

looked through the people you've

1245

00:43:13,510 --> 00:43:12,079

interviewed to see what was common in

1246

00:43:16,390 --> 00:43:13,520

their stories i think one of

1247

00:43:17,349 --> 00:43:16,400

the commonalities we did come across and

1248

00:43:20,150 --> 00:43:17,359

it's with it was

1249

00:43:21,030 --> 00:43:20,160

didn't really have to look that hard and

1250

00:43:24,390 --> 00:43:21,040

it was

1251

00:43:26,710 --> 00:43:24,400

a kind of uh not not so much with the

1252

00:43:27,589 --> 00:43:26,720

the experiences itself i mean dr thomas

1253

00:43:30,630 --> 00:43:27,599

bullard

1254

00:43:32,630 --> 00:43:30,640

um noticed the the commonalities many

1255

00:43:34,710 --> 00:43:32,640

many years back in a study he did

1256

00:43:37,510 --> 00:43:34,720

thomas bullard was a i think he has a

1257

00:43:38,790 --> 00:43:37,520

he's a doctor of folklore i believe

1258

00:43:41,190 --> 00:43:38,800

so he noticed there was sort of

1259

00:43:43,109 --> 00:43:41,200

repeating patterns uh within the

1260

00:43:44,710 --> 00:43:43,119

abduction experiences

1261

00:43:45,990 --> 00:43:44,720

the same patterns weren't in everyone

1262

00:43:47,829 --> 00:43:46,000

but there was a there was there was

1263

00:43:49,829 --> 00:43:47,839

commonalities across the board

1264

00:43:51,990 --> 00:43:49,839

irrespective of where it was which

1265

00:43:54,470 --> 00:43:52,000

country it was and so on

1266

00:43:55,510 --> 00:43:54,480

but one of the things that kept getting

1267

00:43:59,349 --> 00:43:55,520

reported to

1268

00:44:00,950 --> 00:43:59,359

to myself here was a kind of a byproduct

1269

00:44:04,550 --> 00:44:00,960

if you want martin

1270

00:44:08,870 --> 00:44:04,560

and it was an artistic

1271

00:44:11,910 --> 00:44:08,880

um by-product uh for example i mentioned

1272

00:44:14,470 --> 00:44:11,920

john day john day was a

1273

00:44:16,790 --> 00:44:14,480

was a was a what we call a chippy he was

1274

00:44:19,430 --> 00:44:16,800

a woodworker you know house builder

1275

00:44:20,630 --> 00:44:19,440

but he became him and his wife became

1276

00:44:23,510 --> 00:44:20,640

interested after

1277

00:44:25,430 --> 00:44:23,520

as a direct result of his encounter they

1278

00:44:26,230 --> 00:44:25,440

became interested in all kinds of green

1279

00:44:27,990 --> 00:44:26,240

issues

1280

00:44:29,750 --> 00:44:28,000

which back in the 70s weren't really a

1281

00:44:33,270 --> 00:44:29,760

big thing but

1282

00:44:34,069 --> 00:44:33,280

his his skills as a joiner seemed to

1283

00:44:36,550 --> 00:44:34,079

change

1284

00:44:37,990 --> 00:44:36,560

and took a more artistic route and when

1285

00:44:40,069 --> 00:44:38,000

i interviewed john

1286

00:44:41,829 --> 00:44:40,079

he was making the most beautiful dolls

1287

00:44:45,750 --> 00:44:41,839

houses i mean

1288

00:44:47,829 --> 00:44:45,760

they were an absolute work of art and um

1289

00:44:51,270 --> 00:44:47,839

another young man that i interviewed in

1290

00:44:52,870 --> 00:44:51,280

in in wales and and again he was i mean

1291

00:44:54,550 --> 00:44:52,880

he was a young guy when this happened he

1292

00:44:56,150 --> 00:44:54,560

was only about 18 when it when the

1293

00:44:58,309 --> 00:44:56,160

encounter happened

1294

00:45:00,390 --> 00:44:58,319

and you know he liked his denim jacket

1295

00:45:02,550 --> 00:45:00,400

his long hair and his rock music

1296

00:45:03,430 --> 00:45:02,560

and he says phillip this is after this

1297

00:45:05,589 --> 00:45:03,440

encounter

1298

00:45:06,630 --> 00:45:05,599

he said please don't tell any of my

1299

00:45:09,750 --> 00:45:06,640

friends

1300

00:45:11,510 --> 00:45:09,760

i started writing poetry

1301

00:45:14,470 --> 00:45:11,520

and he said i would be at work he'd

1302

00:45:16,309 --> 00:45:14,480

managed to find a job at a local hotel

1303

00:45:18,309 --> 00:45:16,319

and he says you know i'll pick up a

1304

00:45:19,990 --> 00:45:18,319

napkin in the hotel and i i have to

1305

00:45:22,710 --> 00:45:20,000

write this poetry down

1306

00:45:24,870 --> 00:45:22,720

and it was the poetry was all again

1307

00:45:26,870 --> 00:45:24,880

related back to his encounter but with a

1308

00:45:28,150 --> 00:45:26,880

sort of a green issue attached to it and

1309

00:45:30,870 --> 00:45:28,160

and so on

1310

00:45:31,670 --> 00:45:30,880

and another lady she's sadly no longer

1311

00:45:34,230 --> 00:45:31,680

with us

1312

00:45:35,190 --> 00:45:34,240

called elsie elsie elkinson she became

1313

00:45:38,470 --> 00:45:35,200

interested in

1314

00:45:39,109 --> 00:45:38,480

sort of spiritual healing uh and again

1315

00:45:41,589 --> 00:45:39,119

she puts

1316

00:45:43,430 --> 00:45:41,599

is a direct result back to when she had

1317

00:45:45,829 --> 00:45:43,440

the encounter

1318

00:45:46,790 --> 00:45:45,839

and and elsie was one of those that took

1319

00:45:49,990 --> 00:45:46,800

the positives

1320

00:45:52,230 --> 00:45:50,000

uh out of the the experience and

1321

00:45:54,390 --> 00:45:52,240

um you know she became a spiritual

1322

00:45:56,150 --> 00:45:54,400

healer having no previous

1323

00:45:57,750 --> 00:45:56,160

interest in anything like this at all

1324

00:45:59,990 --> 00:45:57,760

martin so

1325

00:46:01,109 --> 00:46:00,000

it didn't happen to everyone you know

1326

00:46:01,910 --> 00:46:01,119

let's be fair and same with the

1327

00:46:03,990 --> 00:46:01,920

commonalities

1328

00:46:05,349 --> 00:46:04,000

they don't happen to everyone but there

1329

00:46:07,190 --> 00:46:05,359

seemed to be a little theme here

1330

00:46:10,950 --> 00:46:07,200

agreeing issues or artistic

1331

00:46:13,670 --> 00:46:10,960

issues that were either enhanced

1332

00:46:14,069 --> 00:46:13,680

from what they previously had or you

1333

00:46:15,910 --> 00:46:14,079

know

1334

00:46:18,630 --> 00:46:15,920

just came out of the blue you didn't

1335

00:46:21,190 --> 00:46:18,640

have them to begin with and hey presto

1336

00:46:21,829 --> 00:46:21,200

as a direct result of this i can now do

1337

00:46:24,390 --> 00:46:21,839

this well

1338

00:46:25,510 --> 00:46:24,400

i'm interested in this on i'll try this

1339

00:46:27,670 --> 00:46:25,520

what that means

1340

00:46:29,109 --> 00:46:27,680

what it doesn't mean your guess is as

1341

00:46:31,430 --> 00:46:29,119

good as mine martin but it's

1342

00:46:32,790 --> 00:46:31,440

it's certainly intriguing absolutely a

1343

00:46:35,990 --> 00:46:32,800

lot of times you hear about

1344

00:46:36,390 --> 00:46:36,000

repeat abductions is that this case over

1345

00:46:39,109 --> 00:46:36,400

there

1346

00:46:39,750 --> 00:46:39,119

as well a lot of them are oh indeed

1347

00:46:41,910 --> 00:46:39,760

martin

1348

00:46:43,190 --> 00:46:41,920

yes i mean again i mentioned a lady

1349

00:46:45,670 --> 00:46:43,200

called jane there

1350

00:46:47,190 --> 00:46:45,680

um jane's encounters started at the age

1351  
00:46:49,670 --> 00:46:47,200  
of 16.

1352  
00:46:51,670 --> 00:46:49,680  
um and we're ongoing i mean you know i

1353  
00:46:52,950 --> 00:46:51,680  
didn't know jane when she was 16 i met

1354  
00:46:55,270 --> 00:46:52,960  
many years later

1355  
00:46:56,870 --> 00:46:55,280  
and things would happen you know on a

1356  
00:46:59,109 --> 00:46:56,880  
regular basis

1357  
00:47:00,790 --> 00:46:59,119  
and i was fortunate she didn't live too

1358  
00:47:02,390 --> 00:47:00,800  
far from where i did so she would you

1359  
00:47:03,510 --> 00:47:02,400  
know ring me up and i was able to go and

1360  
00:47:07,190 --> 00:47:03,520  
document them

1361  
00:47:08,870 --> 00:47:07,200  
she had some um physical after effects

1362  
00:47:10,630 --> 00:47:08,880  
if you like some scratches and things

1363  
00:47:12,069 --> 00:47:10,640

like this about her person

1364

00:47:13,750 --> 00:47:12,079

and as far as i'm aware i mean i've

1365

00:47:15,349 --> 00:47:13,760

moved away from that area now spasm

1366

00:47:18,950 --> 00:47:15,359

where they may be ongoing i

1367

00:47:20,150 --> 00:47:18,960

i really don't know but uh jane was able

1368

00:47:22,470 --> 00:47:20,160

to come to terms with them

1369

00:47:23,510 --> 00:47:22,480

you know and say well you know whatever

1370

00:47:25,910 --> 00:47:23,520

this is

1371

00:47:27,190 --> 00:47:25,920

uh it's not do me any real physical harm

1372

00:47:30,150 --> 00:47:27,200

i can't prevent it

1373

00:47:31,750 --> 00:47:30,160

i can't stop it so i'm i'm gonna run

1374

00:47:33,990 --> 00:47:31,760

with it i'm gonna live with it

1375

00:47:35,670 --> 00:47:34,000

um and it's and you know that was a way

1376

00:47:37,109 --> 00:47:35,680

of her you know dealing with it

1377

00:47:38,710 --> 00:47:37,119

on the other hand martin there are those

1378

00:47:39,430 --> 00:47:38,720

it's just a complete one-off this

1379

00:47:41,910 --> 00:47:39,440

happened

1380

00:47:43,270 --> 00:47:41,920

it was a bolt from the blue i don't

1381

00:47:44,950 --> 00:47:43,280

really want it down again

1382

00:47:47,750 --> 00:47:44,960

i don't know what it was i mentioned the

1383

00:47:50,390 --> 00:47:47,760

young man down in wales for example

1384

00:47:52,309 --> 00:47:50,400

and uh i mean it really terrified him

1385

00:47:54,630 --> 00:47:52,319

martin and i mean that was

1386

00:47:57,829 --> 00:47:54,640

uh you know he didn't have any hypnosis

1387

00:48:00,069 --> 00:47:57,839

he remembered every single word of it

1388

00:48:01,349 --> 00:48:00,079

and he was petrified and again i went

1389

00:48:03,190 --> 00:48:01,359

back and interviewed him a couple of

1390

00:48:05,109 --> 00:48:03,200

years after the event

1391

00:48:06,950 --> 00:48:05,119

and was set outside the hotel where he

1392

00:48:08,470 --> 00:48:06,960

was working and it was a nice summer's

1393

00:48:10,069 --> 00:48:08,480

day we're talking about his friends his

1394

00:48:12,069 --> 00:48:10,079

family's girlfriend fine

1395

00:48:14,470 --> 00:48:12,079

soon we talked about this incident his

1396

00:48:16,870 --> 00:48:14,480

whole demeanor changed he you know

1397

00:48:17,990 --> 00:48:16,880

he didn't want to talk about it and and

1398

00:48:21,309 --> 00:48:18,000

i asked him when he said

1399

00:48:24,950 --> 00:48:21,319

philip he said i had to have

1400

00:48:25,349 --> 00:48:24,960

hypnotherapy to take away the nightmares

1401

00:48:27,829 --> 00:48:25,359

about

1402

00:48:28,950 --> 00:48:27,839

it so not regressive hypnosis it

1403

00:48:30,309 --> 00:48:28,960

frightened him that much he had

1404

00:48:32,309 --> 00:48:30,319

nightmares about it

1405

00:48:35,670 --> 00:48:32,319

uh and when i eventually wrote the book

1406

00:48:37,510 --> 00:48:35,680

without consent uh i sent him a copy

1407

00:48:39,190 --> 00:48:37,520

and i think he took him about five years

1408

00:48:40,069 --> 00:48:39,200

before he brought up enough courage to

1409

00:48:41,990 --> 00:48:40,079

read it

1410

00:48:43,510 --> 00:48:42,000

um he would now you know married with

1411

00:48:45,270 --> 00:48:43,520

his own family

1412

00:48:46,710 --> 00:48:45,280

uh but that was a one-off so but we do

1413

00:48:50,309 --> 00:48:46,720

get people like jane

1414

00:48:52,069 --> 00:48:50,319

and it happens time and time again and

1415

00:48:53,510 --> 00:48:52,079

you know jane was able to you know to

1416

00:48:53,910 --> 00:48:53,520

come to terms with it and say well you

1417

00:48:55,910 --> 00:48:53,920

know

1418

00:48:57,589 --> 00:48:55,920

it's it's not really done me any harm

1419

00:48:58,950 --> 00:48:57,599

can't figure it out but you know

1420

00:49:01,430 --> 00:48:58,960

i'm gonna have to live with it i can't

1421

00:49:03,349 --> 00:49:01,440

stop it so there doesn't seem to be a

1422

00:49:04,710 --> 00:49:03,359

balance between which it is martin

1423

00:49:08,390 --> 00:49:04,720

whether it's a one-off or

1424

00:49:10,309 --> 00:49:08,400

it's a it's an ongoing thing and um but

1425

00:49:13,349 --> 00:49:10,319

but yeah we do have multiple cases in

1426

00:49:16,630 --> 00:49:13,359

the in the book once upon a missing time

1427

00:49:18,549 --> 00:49:16,640

simply because you know of constraints

1428

00:49:20,150 --> 00:49:18,559

on page size and all that you know word

1429

00:49:22,870 --> 00:49:20,160

count and all this kind of thing

1430

00:49:23,349 --> 00:49:22,880

i just made it as a one-off encounter

1431

00:49:27,510 --> 00:49:23,359

and

1432

00:49:29,670 --> 00:49:27,520

didn't want to

1433

00:49:30,710 --> 00:49:29,680

to emphasize and then repeat i think we

1434

00:49:33,750 --> 00:49:30,720

just made the book too

1435

00:49:36,549 --> 00:49:33,760

long however um i've worked with

1436

00:49:39,270 --> 00:49:36,559

i've worked with a um an actor friend of

1437

00:49:42,390 --> 00:49:39,280

mine called nabil shaban

1438

00:49:43,670 --> 00:49:42,400

here in england and we've we've written

1439

00:49:45,430 --> 00:49:43,680

a screenplay

1440

00:49:47,910 --> 00:49:45,440

based on the book and we've just

1441

00:49:51,589 --> 00:49:47,920

shortened the title to missing time

1442

00:49:54,630 --> 00:49:51,599

uh and although in there we we still

1443

00:49:56,309 --> 00:49:54,640

remain that there's just one encounter

1444

00:49:58,309 --> 00:49:56,319

the difference the main one and the main

1445

00:49:59,910 --> 00:49:58,319

differences is that the end

1446

00:50:01,670 --> 00:49:59,920

when you think it's all over the

1447

00:50:03,510 --> 00:50:01,680

encounters start up again or

1448

00:50:05,510 --> 00:50:03,520

just about to start up again so you know

1449

00:50:07,109 --> 00:50:05,520

we're giving a strong hint that you know

1450

00:50:10,230 --> 00:50:07,119

these things are not a one-off

1451

00:50:12,630 --> 00:50:10,240

it's ongoing um so it is different in

1452

00:50:14,230 --> 00:50:12,640

that respect to once upon a missing time

1453

00:50:15,829 --> 00:50:14,240

but like i said in in the work of

1454

00:50:17,430 --> 00:50:15,839

fiction i've just just kept it at one

1455

00:50:19,030 --> 00:50:17,440

encounter and

1456

00:50:20,710 --> 00:50:19,040

that seems to work well as when it comes

1457

00:50:22,150 --> 00:50:20,720

to writing it down

1458

00:50:23,750 --> 00:50:22,160

i know i'm asking for a lot of

1459

00:50:26,390 --> 00:50:23,760

similarities between

1460

00:50:27,510 --> 00:50:26,400

the us here and what happens there but

1461

00:50:30,710 --> 00:50:27,520

you mentioned

1462

00:50:34,069 --> 00:50:30,720

false pregnancies are a lot of

1463

00:50:34,790 --> 00:50:34,079

the abduction accounts do they talk

1464

00:50:37,430 --> 00:50:34,800

about

1465

00:50:38,069 --> 00:50:37,440

the genital examination like you hear

1466

00:50:43,750 --> 00:50:38,079

about

1467

00:50:46,069 --> 00:50:43,760

yeah i mean you know again one of the

1468

00:50:50,150 --> 00:50:46,079

the commonalities if you like

1469

00:50:53,430 --> 00:50:50,160

was on it still is some kind of um

1470

00:50:55,430 --> 00:50:53,440

physical aspect to the encounter a

1471

00:50:55,910 --> 00:50:55,440

medical examination for want of a better

1472

00:50:57,910 --> 00:50:55,920

word

1473

00:51:00,230 --> 00:50:57,920

but a lot of people like jane will talk

1474

00:51:01,589 --> 00:51:00,240

about the smart baby dreams and and that

1475

00:51:02,790 --> 00:51:01,599

kind of thing that's that's still a

1476

00:51:05,750 --> 00:51:02,800

rarity

1477

00:51:07,670 --> 00:51:05,760

and as far as so-called alien implants

1478

00:51:09,109 --> 00:51:07,680

are concerned again

1479

00:51:11,510 --> 00:51:09,119

it's it's i don't think that's as

1480

00:51:13,589 --> 00:51:11,520

widespread as as as perhaps you might

1481

00:51:16,069 --> 00:51:13,599

find it in other parts of the world

1482

00:51:17,030 --> 00:51:16,079

but again i i have come across people in

1483

00:51:19,349 --> 00:51:17,040

fact

1484

00:51:21,030 --> 00:51:19,359

just recently a lady contacted me about

1485

00:51:23,270 --> 00:51:21,040

a member of her family who

1486

00:51:24,230 --> 00:51:23,280

who thinks they may have some kind of

1487

00:51:26,950 --> 00:51:24,240

implant

1488

00:51:28,390 --> 00:51:26,960

uh and she first contacted dr ron julia

1489

00:51:30,390 --> 00:51:28,400

in the united states

1490

00:51:31,430 --> 00:51:30,400

who's sort of been a pioneer in this

1491

00:51:33,910 --> 00:51:31,440

field

1492

00:51:35,349 --> 00:51:33,920

and i know i know roger very well and he

1493

00:51:36,470 --> 00:51:35,359

said well i can't do anything from the

1494

00:51:37,750 --> 00:51:36,480

united states

1495

00:51:40,630 --> 00:51:37,760

perhaps you might like to speak to

1496

00:51:42,150 --> 00:51:40,640

phillip um and again i i've put this

1497

00:51:42,790 --> 00:51:42,160

particular lady in touch with somebody

1498

00:51:44,230 --> 00:51:42,800

she lives

1499

00:51:45,670 --> 00:51:44,240

hundreds of miles from where i do

1500

00:51:46,470 --> 00:51:45,680

marching so i put her in touch with

1501  
00:51:49,510 --> 00:51:46,480  
somebody

1502  
00:51:51,030 --> 00:51:49,520  
uh nearer to where she lives who may be

1503  
00:51:53,430 --> 00:51:51,040  
able to assist her so

1504  
00:51:54,230 --> 00:51:53,440  
that's that's rare you know i don't know

1505  
00:51:55,750 --> 00:51:54,240  
any of the

1506  
00:51:57,510 --> 00:51:55,760  
the intimate details unless you're just

1507  
00:51:59,430 --> 00:51:57,520  
looking for some assistance

1508  
00:52:00,630 --> 00:51:59,440  
and nothing i can do from from where i

1509  
00:52:02,630 --> 00:52:00,640  
am at the moment

1510  
00:52:03,990 --> 00:52:02,640  
so it seemed appropriate to get somebody

1511  
00:52:07,109 --> 00:52:04,000  
who was a who lived

1512  
00:52:07,589 --> 00:52:07,119  
nearer to her so again it's not common

1513  
00:52:09,829 --> 00:52:07,599

but

1514

00:52:10,790 --> 00:52:09,839

it again it's not unknown yeah doctor

1515

00:52:12,309 --> 00:52:10,800

roger learskin

1516

00:52:13,829 --> 00:52:12,319

is a future guest on our show and i'm

1517

00:52:17,109 --> 00:52:13,839

going to really drill him

1518

00:52:19,910 --> 00:52:17,119

about a question i have about implants

1519

00:52:21,589 --> 00:52:19,920

and that is if they can be removed isn't

1520

00:52:23,990 --> 00:52:21,599

that the smoking gun if

1521

00:52:25,030 --> 00:52:24,000

their technology is whatever these

1522

00:52:26,870 --> 00:52:25,040

implants are

1523

00:52:29,349 --> 00:52:26,880

uh you know it's a whole puzzle in

1524

00:52:31,990 --> 00:52:29,359

itself well yeah i mean again

1525

00:52:33,109 --> 00:52:32,000

in in the book once upon a missing time

1526

00:52:36,150 --> 00:52:33,119

we don't

1527

00:52:38,390 --> 00:52:36,160

directly mention implants but

1528

00:52:39,990 --> 00:52:38,400

the subtle hints that there might be a

1529

00:52:41,349 --> 00:52:40,000

something else happening you know there

1530

00:52:43,750 --> 00:52:41,359

are marks about

1531

00:52:45,190 --> 00:52:43,760

their bodies which has been reported

1532

00:52:47,750 --> 00:52:45,200

again i mentioned jane

1533

00:52:49,990 --> 00:52:47,760

uh you know she had various marks about

1534

00:52:51,589 --> 00:52:50,000

her body after certain encounters so we

1535

00:52:52,630 --> 00:52:51,599

hinted it but we don't mention it in

1536

00:52:54,630 --> 00:52:52,640

your face

1537

00:52:55,910 --> 00:52:54,640

um what i've tried to do in the story is

1538

00:52:57,990 --> 00:52:55,920

to let the reader use their own

1539

00:52:59,910 --> 00:52:58,000

imagination martin i think you know

1540

00:53:01,270 --> 00:52:59,920

i was brought up on on that kind of

1541

00:53:03,430 --> 00:53:01,280

storytelling

1542

00:53:04,870 --> 00:53:03,440

um so you you can read into things like

1543

00:53:07,670 --> 00:53:04,880

that what you will

1544

00:53:08,549 --> 00:53:07,680

um and it could also be coincidental you

1545

00:53:10,390 --> 00:53:08,559

know maybe

1546

00:53:11,829 --> 00:53:10,400

you know he's been at school he's had a

1547

00:53:13,510 --> 00:53:11,839

you know an argument in the playground

1548

00:53:15,589 --> 00:53:13,520

with a child and he's got a scratch that

1549

00:53:17,349 --> 00:53:15,599

he didn't realize was there so

1550

00:53:19,030 --> 00:53:17,359

if you if you think about you know the

1551  
00:53:20,710 --> 00:53:19,040  
film close encounters there's a few red

1552  
00:53:21,910 --> 00:53:20,720  
herrings in it like that perhaps there's

1553  
00:53:24,790 --> 00:53:21,920  
an explanation for this

1554  
00:53:26,309 --> 00:53:24,800  
or perhaps there's not you know so you

1555  
00:53:28,390 --> 00:53:26,319  
may give it what you will

1556  
00:53:30,630 --> 00:53:28,400  
but but going back to sort of real life

1557  
00:53:33,109 --> 00:53:30,640  
cases i mean you know i'm sure roger

1558  
00:53:36,790 --> 00:53:33,119  
will say yes it is the smoking gun

1559  
00:53:38,790 --> 00:53:36,800  
and uh he has no doubt that these are

1560  
00:53:39,990 --> 00:53:38,800  
the genuine article they're not of this

1561  
00:53:42,630 --> 00:53:40,000  
earth

1562  
00:53:44,470 --> 00:53:42,640  
he has worked with others in the field

1563  
00:53:45,829 --> 00:53:44,480

and they've tried to get these analyzed

1564

00:53:47,270 --> 00:53:45,839

here there and everywhere and i have the

1565

00:53:49,349 --> 00:53:47,280

results of this

1566

00:53:50,630 --> 00:53:49,359

um but it's not yet in the mainstream

1567

00:53:53,109 --> 00:53:50,640

and you know

1568

00:53:53,910 --> 00:53:53,119

i think roger will be in in if not

1569

00:53:56,150 --> 00:53:53,920

already

1570

00:53:57,349 --> 00:53:56,160

uh not just roger others like daryl sims

1571

00:53:59,670 --> 00:53:57,359

and one or two others will be looked

1572

00:54:01,829 --> 00:53:59,680

upon as pioneers in this field

1573

00:54:03,270 --> 00:54:01,839

uh and who knows you know where that may

1574

00:54:05,990 --> 00:54:03,280

lead martin it's

1575

00:54:07,990 --> 00:54:06,000

it's something i i i follow closely so

1576  
00:54:09,510 --> 00:54:08,000  
going back to your book what what really

1577  
00:54:12,470 --> 00:54:09,520  
inspired you to write

1578  
00:54:13,670 --> 00:54:12,480  
a book of fiction i think the

1579  
00:54:16,870 --> 00:54:13,680  
inspiration or the

1580  
00:54:19,349 --> 00:54:16,880  
uh the reason for for it martin was

1581  
00:54:20,390 --> 00:54:19,359  
i still even to this day i get annoyed

1582  
00:54:23,430 --> 00:54:20,400  
by

1583  
00:54:24,150 --> 00:54:23,440  
the skeptics who will you know try and

1584  
00:54:26,710 --> 00:54:24,160  
emphasize

1585  
00:54:29,349 --> 00:54:26,720  
that people who have these experiences

1586  
00:54:31,750 --> 00:54:29,359  
the abductees as we will call them

1587  
00:54:33,030 --> 00:54:31,760  
are some kind of fruitcake or they're

1588  
00:54:34,870 --> 00:54:33,040

after attention

1589

00:54:36,630 --> 00:54:34,880

or they want to sell their story to the

1590

00:54:39,190 --> 00:54:36,640

newspapers for money

1591

00:54:40,390 --> 00:54:39,200

and so on but it's been my experience

1592

00:54:45,829 --> 00:54:40,400

that

1593

00:54:47,589 --> 00:54:45,839

me tremendously

1594

00:54:49,270 --> 00:54:47,599

i know he's no longer with us but philip

1595

00:54:52,549 --> 00:54:49,280

class was a prime example of

1596

00:54:53,430 --> 00:54:52,559

of of such scenarios and it's just not

1597

00:54:56,150 --> 00:54:53,440

true

1598

00:54:57,270 --> 00:54:56,160

so the reason for writing a work of

1599

00:55:00,549 --> 00:54:57,280

fiction

1600

00:55:03,670 --> 00:55:00,559

uh was to say look this is based on

1601  
00:55:05,349 --> 00:55:03,680  
factual material this is based on my own

1602  
00:55:07,109 --> 00:55:05,359  
investigations that i've done down the

1603  
00:55:08,710 --> 00:55:07,119  
years the files are here

1604  
00:55:10,309 --> 00:55:08,720  
some of which have been published

1605  
00:55:13,270 --> 00:55:10,319  
previously

1606  
00:55:15,430 --> 00:55:13,280  
but it's to emphasize that we still have

1607  
00:55:18,069 --> 00:55:15,440  
a long way to go to finding the answers

1608  
00:55:19,430 --> 00:55:18,079  
behind this phenomenon and i'll say in

1609  
00:55:21,030 --> 00:55:19,440  
the introduction

1610  
00:55:22,710 --> 00:55:21,040  
uh to the book if you're looking for

1611  
00:55:24,630 --> 00:55:22,720  
answers to the abduction phenomena you

1612  
00:55:27,270 --> 00:55:24,640  
will not find them in this book

1613  
00:55:29,270 --> 00:55:27,280

that's not what it's about it's about

1614

00:55:32,710 --> 00:55:29,280

emphasizing that whatever this

1615

00:55:34,950 --> 00:55:32,720

phenomenon is it can happen to you

1616

00:55:37,510 --> 00:55:34,960

it can happen to me it can happen to

1617

00:55:38,549 --> 00:55:37,520

anyone any time any place anywhere on on

1618

00:55:41,990 --> 00:55:38,559

earth

1619

00:55:44,150 --> 00:55:42,000

uh any and it's it's just one way of

1620

00:55:45,190 --> 00:55:44,160

showing that how difficult it can be to

1621

00:55:46,950 --> 00:55:45,200

cope with it

1622

00:55:49,109 --> 00:55:46,960

however there is light at the end of the

1623

00:55:52,309 --> 00:55:49,119

tunnel there is people that can help you

1624

00:55:55,589 --> 00:55:52,319

both professional i.e certain you know

1625

00:55:58,390 --> 00:55:55,599

doctors and other areas of specialties

1626  
00:56:00,150 --> 00:55:58,400  
and what i would call semi-professional

1627  
00:56:03,349 --> 00:56:00,160  
or amateurs if you if you like

1628  
00:56:04,069 --> 00:56:03,359  
that's me the ufo researcher that there

1629  
00:56:07,270 --> 00:56:04,079  
is help

1630  
00:56:07,670 --> 00:56:07,280  
there is understanding and only perhaps

1631  
00:56:12,150 --> 00:56:07,680  
by

1632  
00:56:14,829 --> 00:56:12,160  
never expand our knowledge on it

1633  
00:56:16,069 --> 00:56:14,839  
and there's nothing to fear but fear

1634  
00:56:17,990 --> 00:56:16,079  
itself

1635  
00:56:19,270 --> 00:56:18,000  
and and and that's the main point of

1636  
00:56:22,549 --> 00:56:19,280  
this just to

1637  
00:56:25,109 --> 00:56:22,559  
put the abduction encounter

1638  
00:56:26,470 --> 00:56:25,119

the experience in in the light i believe

1639

00:56:28,470 --> 00:56:26,480

it should be viewed in

1640

00:56:29,750 --> 00:56:28,480

without any ridicule without any fun

1641

00:56:31,109 --> 00:56:29,760

being poked today

1642

00:56:34,230 --> 00:56:31,119

or they're all you know there are one or

1643

00:56:36,309 --> 00:56:34,240

two light-hearted moments in the book

1644

00:56:38,390 --> 00:56:36,319

a lot of people deal with trauma in a

1645

00:56:41,589 --> 00:56:38,400

light-hearted way really it relieves the

1646

00:56:43,589 --> 00:56:41,599

the angst if you like and um

1647

00:56:45,190 --> 00:56:43,599

so i try and paint the abduction in in a

1648

00:56:47,910 --> 00:56:45,200

positive light

1649

00:56:49,270 --> 00:56:47,920

if if that's the right word and showing

1650

00:56:52,390 --> 00:56:49,280

that you know

1651  
00:56:53,910 --> 00:56:52,400  
that it's not all cooks and lunatics uh

1652  
00:56:55,270 --> 00:56:53,920  
and there is something behind this

1653  
00:56:58,710 --> 00:56:55,280  
phenomena there's something

1654  
00:57:01,030 --> 00:56:58,720  
tangible there that has yet you know

1655  
00:57:02,390 --> 00:57:01,040  
conventional science has has failed to

1656  
00:57:04,470 --> 00:57:02,400  
get to grips with

1657  
00:57:06,710 --> 00:57:04,480  
and uh you know it's a study that is

1658  
00:57:08,230 --> 00:57:06,720  
still ongoing martin and and uh

1659  
00:57:09,990 --> 00:57:08,240  
you know and it's one that still

1660  
00:57:12,390 --> 00:57:10,000  
intrigues me i've been involved in ufo

1661  
00:57:13,829 --> 00:57:12,400  
research for a long time well maybe i

1662  
00:57:17,910 --> 00:57:13,839  
let myself sound really old

1663  
00:57:20,549 --> 00:57:17,920

but but and it's still

1664

00:57:21,589 --> 00:57:20,559

it still intrigues me to this very day

1665

00:57:24,230 --> 00:57:21,599

um i mean

1666

00:57:25,990 --> 00:57:24,240

again people from all walks of life

1667

00:57:29,109 --> 00:57:26,000

report these incidents professional

1668

00:57:32,230 --> 00:57:29,119

people you know housewives teachers

1669

00:57:35,190 --> 00:57:32,240

police officers and you name it and

1670

00:57:37,750 --> 00:57:35,200

and some of them have more to lose than

1671

00:57:39,589 --> 00:57:37,760

they have to gain by by coming forward

1672

00:57:41,829 --> 00:57:39,599

with these encounters

1673

00:57:43,750 --> 00:57:41,839

so i think there's a very important

1674

00:57:45,510 --> 00:57:43,760

phenomena here

1675

00:57:47,109 --> 00:57:45,520

you know hopefully you know this will

1676

00:57:49,109 --> 00:57:47,119

add to the to the pool

1677

00:57:50,789 --> 00:57:49,119

if you like that maybe help the

1678

00:57:52,390 --> 00:57:50,799

understanding of it and see how people

1679

00:57:54,630 --> 00:57:52,400

can cope with it

1680

00:57:56,309 --> 00:57:54,640

who knows you know i'm i'm just a humble

1681

00:57:57,750 --> 00:57:56,319

ufo researcher martin and i'm just

1682

00:58:00,789 --> 00:57:57,760

trying to do my best

1683

00:58:03,670 --> 00:58:00,799

well uh i appreciate your work and your

1684

00:58:05,870 --> 00:58:03,680

website is beyond roswell.com

1685

00:58:07,270 --> 00:58:05,880

and you can find the book at richard

1686

00:58:09,030 --> 00:58:07,280

dolanpress.com

1687

00:58:10,630 --> 00:58:09,040

thanks so much philip it's been a real

1688

00:58:12,230 --> 00:58:10,640

pleasure to talk to you again

1689

00:58:13,670 --> 00:58:12,240

the pleasure's all mine marty thank you

1690

00:58:15,510 --> 00:58:13,680

very much

1691

00:58:16,870 --> 00:58:15,520

so that's it for our show today thank

1692

00:58:18,549 --> 00:58:16,880

you for listening

1693

00:58:20,150 --> 00:58:18,559

also please don't forget to write us a

1694

00:58:21,109 --> 00:58:20,160

review on itunes we could really use

1695

00:58:23,270 --> 00:58:21,119

your help

1696

00:58:24,870 --> 00:58:23,280

and if you can support us financially we

1697

00:58:25,670 --> 00:58:24,880

have our subscribe button right on the

1698

00:58:27,190 --> 00:58:25,680

side of our

1699

00:58:29,670 --> 00:58:27,200

website and if you can help us out

1700

00:58:32,390 --> 00:58:29,680

that's great music is provided by

1701

00:58:33,549 --> 00:58:32,400

carrie lloyd whitehouse thank you carrie

1702

00:58:35,510 --> 00:58:33,559

that's

1703

00:58:37,589 --> 00:58:35,520

kerryloydwhitehouse.com don't forget the

1704

00:58:39,990 --> 00:58:37,599

experiencers speak

1705

00:58:41,829 --> 00:58:40,000

which is very similar to this podcast

1706

00:58:43,750 --> 00:58:41,839

and abductions experiences

1707

00:58:45,829 --> 00:58:43,760

that's going on in portland maine

1708

00:58:47,109 --> 00:58:45,839

september 6th through the 8th hope to

1709

00:58:47,670 --> 00:58:47,119

see you there it'd be fun to hang with

1710

00:58:50,150 --> 00:58:47,680

you

1711

00:58:51,270 --> 00:58:50,160

we'll be back next week and remember
