

A night scene of a marina with a glowing UFO in the sky. The UFO is a saucer-shaped object with a bright light on top and a dark underside, flying in the dark blue sky. The marina below has several boats docked at a pier, with their lights reflecting on the water. The overall atmosphere is mysterious and dark.

00:00:03,110 --> 00:00:02,470  
and it hits me oh my gosh this is that

2  
00:00:04,309 --> 00:00:03,120  
triangle

3  
00:00:05,349 --> 00:00:04,319  
you know there's explanation for

4  
00:00:06,309 --> 00:00:05,359  
everything that occurred in the

5  
00:00:08,470 --> 00:00:06,319  
rendelsham forest

6  
00:00:10,790 --> 00:00:08,480  
incident that doesn't involve aliens at

7  
00:00:14,150 --> 00:00:10,800  
all it was completely silent

8  
00:00:16,470 --> 00:00:14,160  
it comes right over our heads he saw a

9  
00:00:18,310 --> 00:00:16,480  
classic flying saucer really standing in

10  
00:00:19,830 --> 00:00:18,320  
the clearing he turned over to my father

11  
00:00:23,269 --> 00:00:19,840  
and held his hand and he looked in his

12  
00:00:27,429 --> 00:00:25,670  
welcome to podcast ufo with martin

20

00:00:42,549 --> 00:00:41,280

hello everyone and welcome to the show

21

00:00:44,389 --> 00:00:42,559

i'm martin willis your host

22

00:00:45,910 --> 00:00:44,399

michael oak will be joining us in just a

23

00:00:49,510 --> 00:00:45,920

second today

24

00:00:50,069 --> 00:00:49,520

is podcast number 67. it's with tom

25

00:00:52,310 --> 00:00:50,079

carey

26  
00:00:54,229 --> 00:00:52,320  
about his co-authored book inside the

27  
00:00:56,069 --> 00:00:54,239  
reel area 51

28  
00:00:58,069 --> 00:00:56,079  
which is about wright-patterson air

29  
00:01:00,630 --> 00:00:58,079  
force base uh interesting interview

30  
00:01:01,670 --> 00:01:00,640  
and uh for right now we're gonna check

31  
00:01:03,510 --> 00:01:01,680  
in with michael

32  
00:01:04,789 --> 00:01:03,520  
about the news how you doing michael

33  
00:01:07,190 --> 00:01:04,799  
great how are you doing this week

34  
00:01:08,789 --> 00:01:07,200  
well i'm doing just great what's up

35  
00:01:10,950 --> 00:01:08,799  
great well you know it's a it's kind of

36  
00:01:12,390 --> 00:01:10,960  
a slow news week but we do have a few

37  
00:01:14,230 --> 00:01:12,400  
stories to bring our listeners and i

38  
00:01:16,070 --> 00:01:14,240

would just like to remind everybody

39

00:01:17,590 --> 00:01:16,080

that they can find more information

40

00:01:18,070 --> 00:01:17,600

about all of our stories through the

41

00:01:21,350 --> 00:01:18,080

links

42

00:01:24,469 --> 00:01:21,360

in our show notes at [podcastufo.com](http://podcastufo.com)

43

00:01:27,350 --> 00:01:24,479

oh i want to say something peggy is

44

00:01:28,950 --> 00:01:27,360

off on uh some type of road trip so

45

00:01:29,749 --> 00:01:28,960

she's the one who manages our facebook

46

00:01:31,990 --> 00:01:29,759

page

47

00:01:33,670 --> 00:01:32,000

and she does all that work uh it's

48

00:01:35,830 --> 00:01:33,680

always greatly appreciated

49

00:01:37,270 --> 00:01:35,840

so now i'm at the helm so it's not gonna

50

00:01:39,590 --> 00:01:37,280

be quite so good

51  
00:01:40,550 --> 00:01:39,600  
for the next four or five days but hey

52  
00:01:42,469 --> 00:01:40,560  
i'll do my best

53  
00:01:43,590 --> 00:01:42,479  
well maybe she'll check in from the road

54  
00:01:47,030 --> 00:01:43,600  
uh she said

55  
00:01:49,270 --> 00:01:47,040  
no she said she wouldn't

56  
00:01:51,270 --> 00:01:49,280  
okay fine peggy i like that i still love

57  
00:01:52,870 --> 00:01:51,280  
her anyway okay so what's going on

58  
00:01:56,310 --> 00:01:52,880  
okay first of all we have a

59  
00:01:57,910 --> 00:01:56,320  
controversial new claim of alien life

60  
00:01:59,910 --> 00:01:57,920  
a research balloon sent up to an

61  
00:02:01,670 --> 00:01:59,920  
altitude of 17 miles by british

62  
00:02:03,270 --> 00:02:01,680  
scientists returned with evidence of

63  
00:02:05,590 --> 00:02:03,280

microscopic algae

64

00:02:07,270 --> 00:02:05,600

found at that height according to the

65

00:02:09,109 --> 00:02:07,280

research team behind the balloon

66

00:02:11,350 --> 00:02:09,119

this algae must have originated

67

00:02:12,470 --> 00:02:11,360

elsewhere because it is too heavy to

68

00:02:14,630 --> 00:02:12,480

have been lifted

69

00:02:16,150 --> 00:02:14,640

to such a height by anything except for

70

00:02:17,670 --> 00:02:16,160

a volcanic eruption

71

00:02:19,670 --> 00:02:17,680

and it has been years since a

72

00:02:21,110 --> 00:02:19,680

sufficiently forceful eruption has

73

00:02:22,630 --> 00:02:21,120

occurred

74

00:02:24,550 --> 00:02:22,640

other scientists are not convinced that

75

00:02:26,710 --> 00:02:24,560

the algae is from off planet though

76

00:02:27,910 --> 00:02:26,720

although it is an unexpected find at

77

00:02:29,510 --> 00:02:27,920

that altitude

78

00:02:31,670 --> 00:02:29,520

nothing else in the sample so far

79

00:02:33,830 --> 00:02:31,680

suggests that it is extraterrestrial

80

00:02:35,830 --> 00:02:33,840

the team is examining their findings

81

00:02:37,910 --> 00:02:35,840

further hoping to find support for their

82

00:02:39,910 --> 00:02:37,920

extraterrestrial theory

83

00:02:41,430 --> 00:02:39,920

well yeah i think i read about this like

84

00:02:42,470 --> 00:02:41,440

about a week and a half ago or something

85

00:02:44,470 --> 00:02:42,480

like that and

86

00:02:46,390 --> 00:02:44,480

there was some scientists claiming that

87

00:02:49,509 --> 00:02:46,400

it might have come in through

88

00:02:51,190 --> 00:02:49,519

the what's the the meteor shower in

89

00:02:54,309 --> 00:02:51,200

august every year

90

00:02:55,750 --> 00:02:54,319

because of the p per said how do you say

91

00:02:59,190 --> 00:02:55,760

it

92

00:03:00,309 --> 00:02:59,200

perseid yeah why did they have to make

93

00:03:03,430 --> 00:03:00,319

it such a tough name

94

00:03:05,190 --> 00:03:03,440

perseid it's all greek to me sir okay

95

00:03:07,030 --> 00:03:05,200

so anyway they're claiming that it might

96

00:03:07,750 --> 00:03:07,040

have come in that way i'm sounding like

97

00:03:09,190 --> 00:03:07,760

a skeptic

98

00:03:11,030 --> 00:03:09,200

but i think it's kind of a leap to say

99

00:03:11,430 --> 00:03:11,040

that it came in from elsewhere i don't

100

00:03:14,550 --> 00:03:11,440

know

101

00:03:18,390 --> 00:03:14,560

what do you think i think

102

00:03:19,990 --> 00:03:18,400

it is the kind of thing that might be

103

00:03:23,270 --> 00:03:20,000

evidence eventually

104

00:03:26,630 --> 00:03:23,280

but isn't at this point a conclusive

105

00:03:29,509 --> 00:03:26,640

nail in the coffin kind of proof of

106

00:03:31,030 --> 00:03:29,519

panspermia as they call the the theory

107

00:03:34,229 --> 00:03:31,040

that life here began

108

00:03:35,990 --> 00:03:34,239

out there uh i did see a show just

109

00:03:37,350 --> 00:03:36,000

what was our last night because we we

110

00:03:40,070 --> 00:03:37,360

taped this a little early

111

00:03:42,070 --> 00:03:40,080

on uh discovery science called the

112

00:03:43,830 --> 00:03:42,080

unexplained files and they were talking

113

00:03:46,949 --> 00:03:43,840

about a red rain

114

00:03:49,430 --> 00:03:46,959

that had been held yes okay and and

115

00:03:50,470 --> 00:03:49,440

that there was a researcher there who

116

00:03:53,509 --> 00:03:50,480

found

117

00:03:56,390 --> 00:03:53,519

red rain

118

00:03:57,429 --> 00:03:56,400

in what appeared to be uh the remains of

119

00:04:00,789 --> 00:03:57,439

a meteor strike and

120

00:04:03,910 --> 00:04:00,799

and he is arguing something very similar

121

00:04:05,190 --> 00:04:03,920

who knows maybe yeah maybe i wonder if

122

00:04:07,429 --> 00:04:05,200

greer is on this

123

00:04:08,309 --> 00:04:07,439

maybe he actually sent something up in a

124

00:04:10,070 --> 00:04:08,319

weather balloon

125

00:04:11,429 --> 00:04:10,080

you know some you just can't leave greer

126

00:04:14,470 --> 00:04:11,439

alone can't i'm sorry

127

00:04:16,629 --> 00:04:14,480

no i can't leave greer alone

128

00:04:18,390 --> 00:04:16,639

first of all peggy's going to come on

129

00:04:20,229 --> 00:04:18,400

sooner or later and talk about

130

00:04:21,509 --> 00:04:20,239

him locking all those people in during

131

00:04:24,469 --> 00:04:21,519

his conference

132

00:04:24,790 --> 00:04:24,479

and uh didn't you know something about

133

00:04:27,990 --> 00:04:24,800

him

134

00:04:30,790 --> 00:04:28,000

charging admission to an invisible ufo

135

00:04:32,950 --> 00:04:30,800

for people to go inside of it was it you

136

00:04:34,790 --> 00:04:32,960

uh i believe that was peggy as well

137

00:04:37,110 --> 00:04:34,800

i just offered to sell people

138

00:04:39,350 --> 00:04:37,120

photographs of invisible ufos

139

00:04:40,870 --> 00:04:39,360

oh yeah that's right yeah well they can

140

00:04:43,670 --> 00:04:40,880

go to our website which is podcast

141

00:04:46,950 --> 00:04:43,680

ufo.com look at the donation button

142

00:04:48,550 --> 00:04:46,960

and uh donate as much as possible

143

00:04:50,550 --> 00:04:48,560

and we'll make sure to get that to

144

00:04:51,590 --> 00:04:50,560

michael for your picture of the

145

00:04:54,070 --> 00:04:51,600

invisible

146

00:04:55,430 --> 00:04:54,080

ufo in fact they can send me their

147

00:04:57,830 --> 00:04:55,440

pictures and i'll find

148

00:04:59,270 --> 00:04:57,840

i'll circle the invisible ufos in them

149

00:05:02,150 --> 00:04:59,280

and send them back

150

00:05:02,870 --> 00:05:02,160

you can channel them again sure yeah

151

00:05:06,469 --> 00:05:02,880

okay sure

152

00:05:09,430 --> 00:05:06,479

sounds good all right the next ion drive

153

00:05:11,590 --> 00:05:09,440

or the nasa evolutionary xenon thruster

154

00:05:13,270 --> 00:05:11,600

has set an endurance record after

155

00:05:16,710 --> 00:05:13,280

continuously running for over

156

00:05:19,350 --> 00:05:16,720

48 000 hours or

157

00:05:20,550 --> 00:05:19,360

five and a half years during this time

158

00:05:23,430 --> 00:05:20,560

the engine has consumed

159

00:05:26,070 --> 00:05:23,440

less than 2000 pounds of fuel compared

160

00:05:26,710 --> 00:05:26,080

to the 22 000 pounds that a conventional

161

00:05:28,150 --> 00:05:26,720

rocket

162

00:05:29,749 --> 00:05:28,160

would have needed to create the same

163

00:05:31,670 --> 00:05:29,759

amount of thrust

164

00:05:33,909 --> 00:05:31,680

ion drives operate by pushing a stream

165

00:05:36,070 --> 00:05:33,919

of ions or charged particles

166

00:05:38,230 --> 00:05:36,080

to create thrust now this allows them to

167

00:05:39,590 --> 00:05:38,240

use a very low amount of fuel and run

168

00:05:41,510 --> 00:05:39,600

for a very long time

169

00:05:42,710 --> 00:05:41,520

but they are extremely slow to

170

00:05:44,390 --> 00:05:42,720

accelerate

171

00:05:46,150 --> 00:05:44,400

nonetheless they are becoming a viable

172

00:05:48,469 --> 00:05:46,160

option for deep space missions

173

00:05:49,510 --> 00:05:48,479

you know i'm not like an astrophysicist

174

00:05:52,710 --> 00:05:49,520

or a

175

00:05:56,309 --> 00:05:52,720

but it would seem

176  
00:05:59,110 --> 00:05:56,319  
to me that it would make sense to have

177  
00:05:59,590 --> 00:05:59,120  
a dual thruster system first of all to

178  
00:06:02,150 --> 00:05:59,600  
get

179  
00:06:03,670 --> 00:06:02,160  
up to a high rate of speed and then to

180  
00:06:06,790 --> 00:06:03,680  
set this baby into action

181  
00:06:09,189 --> 00:06:06,800  
what do you think about that well the

182  
00:06:10,950 --> 00:06:09,199  
way ion drives have been working so far

183  
00:06:13,670 --> 00:06:10,960  
i mean there's no way you're going to

184  
00:06:15,270 --> 00:06:13,680  
leave earth orbit with one right so

185  
00:06:16,870 --> 00:06:15,280  
you're you're going to have to either be

186  
00:06:19,350 --> 00:06:16,880  
built in space or or

187  
00:06:21,110 --> 00:06:19,360  
boosted on some kind of other platform

188  
00:06:22,950 --> 00:06:21,120

but um

189

00:06:24,390 --> 00:06:22,960

yeah i think you're right but but i

190

00:06:24,950 --> 00:06:24,400

don't know that they you necessarily

191

00:06:28,309 --> 00:06:24,960

even need

192

00:06:28,950 --> 00:06:28,319

two thrusters um you could pull one of

193

00:06:31,189 --> 00:06:28,960

the uh

194

00:06:32,710 --> 00:06:31,199

the slingshot maneuvers which everyone

195

00:06:34,309 --> 00:06:32,720

oh yeah you know

196

00:06:36,230 --> 00:06:34,319

the kind of thing they talk about in in

197

00:06:39,510 --> 00:06:36,240

star trek movies

198

00:06:41,029 --> 00:06:39,520

right to uh to to get yourself going

199

00:06:42,550 --> 00:06:41,039

and then and then supplement it from

200

00:06:45,029 --> 00:06:42,560

there with the uh

201

00:06:46,629 --> 00:06:45,039

with the ion drive which is just

202

00:06:49,830 --> 00:06:46,639

incredibly consistent

203

00:06:51,909 --> 00:06:49,840

and um but very slow but

204

00:06:52,950 --> 00:06:51,919

even a tiny acceleration over over a

205

00:06:53,909 --> 00:06:52,960

great amount of time when it's

206

00:06:57,189 --> 00:06:53,919

consistent

207

00:06:59,029 --> 00:06:57,199

can build to to quite impressive speeds

208

00:07:00,629 --> 00:06:59,039

so i think this is this is this is a

209

00:07:02,469 --> 00:07:00,639

real option for the future

210

00:07:04,390 --> 00:07:02,479

yeah i think it's great it's only ten

211

00:07:04,870 --> 00:07:04,400

percent or less than ten percent of the

212

00:07:07,029 --> 00:07:04,880

fuel

213

00:07:08,230 --> 00:07:07,039

needed yeah and if i i think if anybody

214

00:07:09,670 --> 00:07:08,240

wants to to learn

215

00:07:11,110 --> 00:07:09,680

more about the kind of theories behind

216

00:07:12,790 --> 00:07:11,120

this it's something stanton friedman

217

00:07:15,029 --> 00:07:12,800

talks about quite a bit that's right

218

00:07:16,070 --> 00:07:15,039

his lectures yes i heard stanton talk

219

00:07:17,990 --> 00:07:16,080

about this recently

220

00:07:19,350 --> 00:07:18,000

and i actually sat down and recorded

221

00:07:19,909 --> 00:07:19,360

with him he'll be back for the fourth

222

00:07:22,950 --> 00:07:19,919

time

223

00:07:23,589 --> 00:07:22,960

and that podcast is coming up on october

224

00:07:25,110 --> 00:07:23,599

11th

225

00:07:27,029 --> 00:07:25,120

and that's great because it's always

226

00:07:29,350 --> 00:07:27,039

good to hear from stan that's right

227

00:07:30,230 --> 00:07:29,360

he's cool guy texas sightings get media

228

00:07:31,670 --> 00:07:30,240

attention

229

00:07:33,589 --> 00:07:31,680

the media in dallas is not only

230

00:07:35,510 --> 00:07:33,599

reporting on ufo sightings seriously

231

00:07:37,990 --> 00:07:35,520

they are also picking up mufon reports

232

00:07:39,990 --> 00:07:38,000

calling the lone star state a hot spot

233

00:07:41,270 --> 00:07:40,000

in a story first run by the dallas

234

00:07:42,469 --> 00:07:41,280

morning news

235

00:07:44,309 --> 00:07:42,479

which we have linked to in our show

236

00:07:45,029 --> 00:07:44,319

notes and picked up by other media

237

00:07:46,790 --> 00:07:45,039

outlets

238

00:07:48,869 --> 00:07:46,800

it was pointed out that mufon has stated

239

00:07:52,309 --> 00:07:48,879

that three of last year's

240

00:07:54,150 --> 00:07:52,319

10 strongest cases came from texas

241

00:07:56,309 --> 00:07:54,160

and that the state is consistently in

242

00:07:57,830 --> 00:07:56,319

the top five states for reports the

243

00:07:59,510 --> 00:07:57,840

morning news story also includes

244

00:08:01,510 --> 00:07:59,520

a recent sighting by johnson county

245

00:08:04,070 --> 00:08:01,520

correctional facility employees

246

00:08:05,270 --> 00:08:04,080

it seems to me that the media has taken

247

00:08:07,670 --> 00:08:05,280

this

248

00:08:08,629 --> 00:08:07,680

seriously in texas and i'm i'm rather

249

00:08:10,710 --> 00:08:08,639

impressed by this

250

00:08:12,629 --> 00:08:10,720

it is it's great um they need a break

251  
00:08:14,710 --> 00:08:12,639  
from reporting on cattle

252  
00:08:15,909 --> 00:08:14,720  
cattle mutilations or cattle no just

253  
00:08:19,270 --> 00:08:15,919  
cattle okay

254  
00:08:21,589 --> 00:08:19,280  
there's nothing in texas no

255  
00:08:23,990 --> 00:08:21,599  
yeah and i'm i i will do it seriously

256  
00:08:25,510 --> 00:08:24,000  
now no yeah it is great that they are

257  
00:08:26,469 --> 00:08:25,520  
reporting on it i think they've kind of

258  
00:08:27,830 --> 00:08:26,479  
had to

259  
00:08:29,510 --> 00:08:27,840  
partially because of all the sightings

260  
00:08:31,589 --> 00:08:29,520  
they're having recently but ever since

261  
00:08:35,110 --> 00:08:31,599  
the stephensville sighting

262  
00:08:38,310 --> 00:08:35,120  
you know and its proximity to the the

263  
00:08:40,709 --> 00:08:38,320

ex-president's ranch it it has

264

00:08:42,310 --> 00:08:40,719

become a big deal there and kind of an

265

00:08:44,230 --> 00:08:42,320

unavoidable big deal

266

00:08:45,590 --> 00:08:44,240

you know i hate correcting you michael i

267

00:08:47,590 --> 00:08:45,600

really i really do

268

00:08:48,790 --> 00:08:47,600

so keep that in mind but it's

269

00:08:54,870 --> 00:08:48,800

stephenville

270

00:08:58,230 --> 00:08:54,880

because it's big like texas

271

00:09:00,550 --> 00:08:58,240

okay that works so cornwall

272

00:09:01,990 --> 00:09:00,560

yes the cornwall ufo research group is

273

00:09:04,790 --> 00:09:02,000

going to hold its 17th

274

00:09:05,990 --> 00:09:04,800

annual conference uh that will be on

275

00:09:08,949 --> 00:09:06,000

october 12th

276

00:09:10,070 --> 00:09:08,959

and it will be held at truro college

277

00:09:13,509 --> 00:09:10,080

speakers will cover

278

00:09:16,790 --> 00:09:13,519

atlantis the supposed 1961

279

00:09:18,550 --> 00:09:16,800

exeter interstellar treaty and more

280

00:09:21,350 --> 00:09:18,560

and part of the reason i bring this up

281

00:09:23,350 --> 00:09:21,360

martin is uh you've been going

282

00:09:25,350 --> 00:09:23,360

several conferences lately and i was

283

00:09:26,790 --> 00:09:25,360

wondering how do you select a ufo

284

00:09:30,389 --> 00:09:26,800

conference

285

00:09:31,350 --> 00:09:30,399

well region helps you know as far as not

286

00:09:33,110 --> 00:09:31,360

being able to travel

287

00:09:34,389 --> 00:09:33,120

the one i went to in north carolina i

288

00:09:36,070 --> 00:09:34,399

was real excited to go to

289

00:09:37,430 --> 00:09:36,080

because it was more like on the

290

00:09:40,470 --> 00:09:37,440

scientific

291

00:09:43,350 --> 00:09:40,480

tact and i have had a couple of people

292

00:09:45,829 --> 00:09:43,360

uh email me one from the uk actually

293

00:09:48,870 --> 00:09:45,839

that said that he will absolutely not go

294

00:09:50,070 --> 00:09:48,880

to any ufo symposiums conventions or

295

00:09:54,070 --> 00:09:50,080

anything like that anywhere

296

00:09:56,150 --> 00:09:54,080

near him he has to travel far so i think

297

00:09:57,269 --> 00:09:56,160

if i was to give advice if you have the

298

00:09:59,670 --> 00:09:57,279

means and

299

00:10:00,630 --> 00:09:59,680

you pick one out that you really have an

300

00:10:02,069 --> 00:10:00,640

interest in and you're

301  
00:10:04,230 --> 00:10:02,079  
interested in the speakers that will be

302  
00:10:05,350 --> 00:10:04,240  
there you know go for it but if

303  
00:10:07,750 --> 00:10:05,360  
something's happening

304  
00:10:09,670 --> 00:10:07,760  
regionally at least you can connect with

305  
00:10:10,550 --> 00:10:09,680  
people that have a shared interest and

306  
00:10:12,230 --> 00:10:10,560  
that's what

307  
00:10:13,910 --> 00:10:12,240  
i really enjoyed about going to the last

308  
00:10:17,269 --> 00:10:13,920  
one in particular

309  
00:10:20,710 --> 00:10:17,279  
is there is there anything you avoid

310  
00:10:24,230 --> 00:10:22,870  
i mean you know there are definitely

311  
00:10:27,509 --> 00:10:24,240  
topics that i hear

312  
00:10:30,150 --> 00:10:27,519  
and i immediately just ignore everything

313  
00:10:34,710 --> 00:10:30,160

that comes after what they say

314

00:10:36,310 --> 00:10:34,720

um so so i you know i think it's fair to

315

00:10:37,750 --> 00:10:36,320

perhaps put stephen greer in that

316

00:10:40,230 --> 00:10:37,760

category if

317

00:10:41,990 --> 00:10:40,240

if if you've made up your mind on him

318

00:10:42,790 --> 00:10:42,000

well not to give too much of a spoiler

319

00:10:44,310 --> 00:10:42,800

here but

320

00:10:46,150 --> 00:10:44,320

in the interview coming up with tom

321

00:10:49,670 --> 00:10:46,160

carey we talk a bit about

322

00:10:51,990 --> 00:10:49,680

bob lazar and tom basically says that

323

00:10:53,990 --> 00:10:52,000

you know bob lazar would not hold up in

324

00:10:54,870 --> 00:10:54,000

a court of law because once you tell one

325

00:10:56,710 --> 00:10:54,880

lie

326

00:10:58,069 --> 00:10:56,720

you know your credibility is gone and

327

00:10:58,630 --> 00:10:58,079

for some reason that kind of makes me

328

00:11:00,389 --> 00:10:58,640

think of

329

00:11:02,790 --> 00:11:00,399

dr stephen greer and every time i pick

330

00:11:04,870 --> 00:11:02,800

on greer we lose listeners so i

331

00:11:05,350 --> 00:11:04,880

apologize if i'm offending anyone out

332

00:11:07,750 --> 00:11:05,360

there

333

00:11:09,590 --> 00:11:07,760

a little bit well we i mean you have you

334

00:11:12,870 --> 00:11:09,600

you have to stay true to

335

00:11:16,870 --> 00:11:12,880

to uh your own beliefs and theories and

336

00:11:18,310 --> 00:11:16,880

and apologize to anybody who are stephen

337

00:11:20,470 --> 00:11:18,320

grier fans out there but

338

00:11:22,949 --> 00:11:20,480

uh you know we've seen some things that

339

00:11:24,710 --> 00:11:22,959

make us question him and

340

00:11:26,470 --> 00:11:24,720

perhaps we shouldn't pick on him so much

341

00:11:27,990 --> 00:11:26,480

but you know there are other topics

342

00:11:30,870 --> 00:11:28,000

like for instance i've never heard of

343

00:11:31,269 --> 00:11:30,880

the 1961 exeter interstellar treaty have

344

00:11:34,230 --> 00:11:31,279

you

345

00:11:35,750 --> 00:11:34,240

thinking incident exeter which we

346

00:11:37,990 --> 00:11:35,760

actually have someone coming up

347

00:11:39,829 --> 00:11:38,000

talking about that topic on our podcast

348

00:11:42,069 --> 00:11:39,839

but no we're talking about england

349

00:11:43,910 --> 00:11:42,079

is it is it fair to kind of block out

350

00:11:46,550 --> 00:11:43,920

certain certain topics

351  
00:11:46,949 --> 00:11:46,560  
prejudge things as soon as you you hear

352  
00:11:48,870 --> 00:11:46,959  
them

353  
00:11:50,069 --> 00:11:48,880  
yeah well you know yes and you know i

354  
00:11:52,310 --> 00:11:50,079  
have i have uh

355  
00:11:54,629 --> 00:11:52,320  
mixed feelings about you know the

356  
00:11:56,550 --> 00:11:54,639  
abduction phenomena but

357  
00:11:58,389 --> 00:11:56,560  
but i went to the experience to speak

358  
00:12:01,430 --> 00:11:58,399  
which was all about abductions

359  
00:12:02,550 --> 00:12:01,440  
and there are some that are so seem so

360  
00:12:04,870 --> 00:12:02,560  
solid

361  
00:12:06,150 --> 00:12:04,880  
that i kind of agree with what travis

362  
00:12:08,230 --> 00:12:06,160  
walton says why

363  
00:12:09,509 --> 00:12:08,240

why should i judge i i don't have enough

364

00:12:11,750 --> 00:12:09,519

information to judge

365

00:12:12,550 --> 00:12:11,760

so i'm open-minded and and and i went to

366

00:12:16,069 --> 00:12:12,560

that and

367

00:12:17,829 --> 00:12:16,079

it was absolutely great so i think again

368

00:12:19,590 --> 00:12:17,839

if something's happened happening

369

00:12:21,190 --> 00:12:19,600

regionally and you haven't gone to that

370

00:12:23,030 --> 00:12:21,200

particular conference yet

371

00:12:24,790 --> 00:12:23,040

go check it out why not even if it's

372

00:12:25,430 --> 00:12:24,800

something you disagree with you're bound

373

00:12:27,509 --> 00:12:25,440

to

374

00:12:29,269 --> 00:12:27,519

hear something that you agree with and

375

00:12:31,670 --> 00:12:29,279

also meet people

376

00:12:33,269 --> 00:12:31,680

that you uh connect with i think that's

377

00:12:36,629 --> 00:12:33,279

that's hard to argue with

378

00:12:38,150 --> 00:12:36,639

um for sure any conferences out your way

379

00:12:41,190 --> 00:12:38,160

at all michael

380

00:12:42,470 --> 00:12:41,200

uh there's the one in the ozarks i heard

381

00:12:44,230 --> 00:12:42,480

that's really good

382

00:12:45,509 --> 00:12:44,240

i have heard that as well i i have to

383

00:12:48,710 --> 00:12:45,519

admit i am not

384

00:12:52,310 --> 00:12:48,720

a conference convention

385

00:12:53,910 --> 00:12:52,320

gathering kind of person by and large um

386

00:12:55,590 --> 00:12:53,920

but it would be great i would like to go

387

00:12:56,230 --> 00:12:55,600

to one with you at some point and maybe

388

00:12:58,790 --> 00:12:56,240

some fans

389

00:13:00,629 --> 00:12:58,800

come hang out with us i i could probably

390

00:13:03,670 --> 00:13:00,639

i could probably do that sure

391

00:13:05,190 --> 00:13:03,680

um but but yes

392

00:13:07,110 --> 00:13:05,200

i probably will end up going one now

393

00:13:08,550 --> 00:13:07,120

that now that we're doing this so often

394

00:13:11,110 --> 00:13:08,560

here eventually but

395

00:13:12,550 --> 00:13:11,120

you know i i'll admit that i i am

396

00:13:14,230 --> 00:13:12,560

prejudiced against certain topics there

397

00:13:15,110 --> 00:13:14,240

are certain words i hear and and i'm

398

00:13:17,350 --> 00:13:15,120

gonna

399

00:13:18,790 --> 00:13:17,360

i'm going to skip right over something

400

00:13:20,870 --> 00:13:18,800

yeah you know

401  
00:13:21,910 --> 00:13:20,880  
i see that a lot of people sometimes

402  
00:13:25,990 --> 00:13:21,920  
just go way

403  
00:13:28,710 --> 00:13:26,000  
way out there and they try to

404  
00:13:29,590 --> 00:13:28,720  
go even further and you know people

405  
00:13:31,269 --> 00:13:29,600  
listen to him

406  
00:13:33,110 --> 00:13:31,279  
you know sorry if you're listening and

407  
00:13:36,230 --> 00:13:33,120  
you're one of those people but we'll

408  
00:13:37,269 --> 00:13:36,240  
we'll just buy anything and i just

409  
00:13:38,790 --> 00:13:37,279  
cautioned to

410  
00:13:40,550 --> 00:13:38,800  
you know approach everything with a

411  
00:13:43,430 --> 00:13:40,560  
little bit of skepticism at least

412  
00:13:44,150 --> 00:13:43,440  
um so you just you know don't lose your

413  
00:13:48,790 --> 00:13:44,160

your credit

414

00:13:50,790 --> 00:13:48,800

your graduation is that a word

415

00:13:52,069 --> 00:13:50,800

it is not so you don't lose your

416

00:13:54,069 --> 00:13:52,079

credulosity

417

00:13:55,829 --> 00:13:54,079

is that is that what it is i'm pretty

418

00:13:57,750 --> 00:13:55,839

sure that's not a word

419

00:13:59,910 --> 00:13:57,760

i'm pretty sure i just made that up but

420

00:14:03,110 --> 00:13:59,920

no i mean yeah i guess

421

00:14:05,030 --> 00:14:03,120

skeptic is not a bad word you know and

422

00:14:08,629 --> 00:14:05,040

and we do need to be skeptical

423

00:14:10,550 --> 00:14:08,639

because otherwise why not believe

424

00:14:12,629 --> 00:14:10,560

the nice nigerian man who keeps sending

425

00:14:14,629 --> 00:14:12,639

me emails and explaining to me that he

426

00:14:17,670 --> 00:14:14,639

has a large sum of money for me

427

00:14:18,389 --> 00:14:17,680

oh yes or bases on the moon i'm not

428

00:14:20,790 --> 00:14:18,399

gonna go there

429

00:14:21,670 --> 00:14:20,800

but anyway michael it's uh it's been fun

430

00:14:51,829 --> 00:14:21,680

thank you

431

00:14:55,189 --> 00:14:54,389

i'm with tom carey how you doing tom

432

00:14:58,230 --> 00:14:55,199

what do you say

433

00:14:59,350 --> 00:14:58,240

i'm i'm glad to be with you martin yes

434

00:15:01,189 --> 00:14:59,360

now i've had don

435

00:15:02,629 --> 00:15:01,199

schmidt on in the past and we're going

436

00:15:05,350 --> 00:15:02,639

to talk about your new book

437

00:15:07,030 --> 00:15:05,360

that you did with don schmidt inside the

438

00:15:09,430 --> 00:15:07,040

real area 51.

439

00:15:11,430 --> 00:15:09,440

i want to talk quickly about this recent

440

00:15:12,790 --> 00:15:11,440

disclosure the government did of

441

00:15:16,150 --> 00:15:12,800

actually admitting

442

00:15:19,670 --> 00:15:16,160

there was an area 51. that's a

443

00:15:20,470 --> 00:15:19,680

very interesting uh happening martin

444

00:15:23,590 --> 00:15:20,480

because

445

00:15:28,710 --> 00:15:23,600

uh well the

446

00:15:31,749 --> 00:15:28,720

area 51 in nevada near the nellis

447

00:15:35,430 --> 00:15:31,759

test range has been

448

00:15:39,509 --> 00:15:35,440

in existence in late since 1955.

449

00:15:42,310 --> 00:15:39,519

it was created it was established to

450

00:15:43,189 --> 00:15:42,320

test spy planes that were under

451

00:15:46,230 --> 00:15:43,199

development

452

00:15:49,670 --> 00:15:46,240

uh in the mid 50s the most

453

00:15:54,790 --> 00:15:49,680

famous one of course being the u2

454

00:15:59,030 --> 00:15:54,800

uh then the uh a12 ox cart which was a

455

00:16:01,829 --> 00:15:59,040

which spun off to the sr-71 blackbird

456

00:16:02,790 --> 00:16:01,839

high altitude these are high-altitude

457

00:16:06,150 --> 00:16:02,800

spy planes

458

00:16:09,829 --> 00:16:06,160

that this is before the age of uh

459

00:16:12,389 --> 00:16:09,839

satellites and uh they were built to

460

00:16:13,189 --> 00:16:12,399

overfly the soviet union the old soviet

461

00:16:17,509 --> 00:16:13,199

union and

462

00:16:19,189 --> 00:16:17,519

one of them was shot down in may of 1960

463

00:16:21,590 --> 00:16:19,199

and there was a big international

464

00:16:24,710 --> 00:16:21,600

incident over it

465

00:16:27,829 --> 00:16:24,720

uh the uh

466

00:16:31,269 --> 00:16:27,839

area 51 that we know and love

467

00:16:34,389 --> 00:16:31,279

uh became an issue

468

00:16:38,150 --> 00:16:34,399

when a fellow by the name of robert

469

00:16:40,710 --> 00:16:38,160

lazar in the late 1980s

470

00:16:42,870 --> 00:16:40,720

came out and said that uh he worked

471

00:16:45,749 --> 00:16:42,880

there

472

00:16:46,150 --> 00:16:45,759

uh because no one really heard 51 when

473

00:16:49,030 --> 00:16:46,160

these

474

00:16:49,749 --> 00:16:49,040

spy planes you know were shut you know

475

00:16:53,509 --> 00:16:49,759

no

476

00:16:55,910 --> 00:16:53,519

the ufo connection

477

00:16:57,269 --> 00:16:55,920

the possible ufo connection foreign

478

00:17:00,629 --> 00:16:57,279

technology

479

00:17:03,110 --> 00:17:00,639

and foreign life forms the uh the

480

00:17:06,150 --> 00:17:03,120

notion that they were being stored

481

00:17:11,110 --> 00:17:06,160

possibly at area 51

482

00:17:14,150 --> 00:17:11,120

did it become a household name

483

00:17:16,549 --> 00:17:14,160

so but the

484

00:17:18,470 --> 00:17:16,559

government our government it was

485

00:17:22,549 --> 00:17:18,480

initially established by the cia

486

00:17:25,829 --> 00:17:22,559

because they ran the spy plane program

487

00:17:27,669 --> 00:17:25,839

but uh our government of course

488

00:17:29,029 --> 00:17:27,679

said you know we don't uh we don't have

489

00:17:31,270 --> 00:17:29,039

anything there no we we

490

00:17:32,230 --> 00:17:31,280

we do not have anything there and yet

491

00:17:35,350 --> 00:17:32,240

you could

492

00:17:37,110 --> 00:17:35,360

go to uh rachel nevada go to that little

493

00:17:39,830 --> 00:17:37,120

alien there that they

494

00:17:41,350 --> 00:17:39,840

they created in the back of somebody's

495

00:17:44,549 --> 00:17:41,360

pickup

496

00:17:45,750 --> 00:17:44,559

and uh you could see it you can see it

497

00:17:49,029 --> 00:17:45,760

so

498

00:17:53,350 --> 00:17:49,039

that goes on for a couple decades

499

00:17:55,270 --> 00:17:53,360

and in the 1990s bill clinton is now

500

00:17:58,549 --> 00:17:55,280

president

501  
00:18:01,750 --> 00:17:58,559  
a couple of uh employees that

502  
00:18:02,789 --> 00:18:01,760  
worked at area 51 filed suit against the

503  
00:18:05,990 --> 00:18:02,799  
u.s government

504  
00:18:10,150 --> 00:18:06,000  
claiming that they were exposed

505  
00:18:14,070 --> 00:18:10,160  
to hazardous waste material that the uh

506  
00:18:17,029 --> 00:18:14,080  
uh you know the facility had had

507  
00:18:19,270 --> 00:18:17,039  
they had they were dumping i guess they

508  
00:18:19,990 --> 00:18:19,280  
called hazmat hazardous waste material

509  
00:18:21,990 --> 00:18:20,000  
right

510  
00:18:23,669 --> 00:18:22,000  
they were disposing of it there and

511  
00:18:26,630 --> 00:18:23,679  
these people were

512  
00:18:28,710 --> 00:18:26,640  
getting sick and they blamed it on the

513  
00:18:32,950 --> 00:18:28,720

improper disposal

514

00:18:36,630 --> 00:18:32,960  
of hazardous waste material well

515

00:18:40,230 --> 00:18:36,640  
the cases were settled

516

00:18:41,029 --> 00:18:40,240  
and the air force i'll just say the

517

00:18:43,430 --> 00:18:41,039  
government

518

00:18:45,270 --> 00:18:43,440  
finally admitted that yes there was they

519

00:18:47,110 --> 00:18:45,280  
had a facility there

520

00:18:48,789 --> 00:18:47,120  
they had and they but they didn't give

521

00:18:51,990 --> 00:18:48,799  
it they all they admitted yet

522

00:18:52,390 --> 00:18:52,000  
yes we have a facility there but no name

523

00:18:55,830 --> 00:18:52,400  
was

524

00:18:56,710 --> 00:18:55,840  
spoken about and uh but they at least

525

00:18:58,350 --> 00:18:56,720  
admitted that

526

00:19:00,070 --> 00:18:58,360

they had something there so that's a

527

00:19:04,150 --> 00:19:00,080

mid-1990s yeah

528

00:19:07,750 --> 00:19:04,160

well well here we are in 2013

529

00:19:11,029 --> 00:19:07,760

and god knows i don't know why they

530

00:19:14,630 --> 00:19:11,039

finally admitted the cia came out

531

00:19:18,230 --> 00:19:14,640

you know i guess it was in late july

532

00:19:19,990 --> 00:19:18,240

early august and said well yes we do

533

00:19:22,870 --> 00:19:20,000

have we do have a facility

534

00:19:24,470 --> 00:19:22,880

there was a facility it was later taken

535

00:19:27,909 --> 00:19:24,480

over by the air force

536

00:19:31,430 --> 00:19:27,919

when they created the uh stealth

537

00:19:34,390 --> 00:19:31,440

b-2 bomber and the stealth f-117

538

00:19:36,830 --> 00:19:34,400

fighter and uh perhaps uh something

539

00:19:39,669 --> 00:19:36,840

called the aurora which is like a

540

00:19:42,789 --> 00:19:39,679

mythological high altitude

541

00:19:43,430 --> 00:19:42,799

mach 4 aircraft that some people claim

542

00:19:45,590 --> 00:19:43,440

is

543

00:19:46,789 --> 00:19:45,600

being tested there so they finally

544

00:19:48,870 --> 00:19:46,799

admitted yes

545

00:19:51,990 --> 00:19:48,880

there is we do have a facility there or

546

00:19:53,909 --> 00:19:52,000

we had one and it was called area 51 or

547

00:19:56,950 --> 00:19:53,919

at least it was located in

548

00:19:58,710 --> 00:19:56,960

area 51 on the map well that was a

549

00:20:01,350 --> 00:19:58,720

couple weeks ago

550

00:20:02,950 --> 00:20:01,360

but the thing was in in their release

551  
00:20:05,270 --> 00:20:02,960  
there was no mention

552  
00:20:05,990 --> 00:20:05,280  
in the official release which

553  
00:20:09,270 --> 00:20:06,000  
constituted

554  
00:20:13,510 --> 00:20:09,280  
over 400 pages there was no mention

555  
00:20:16,789 --> 00:20:13,520  
of ufos or alien

556  
00:20:18,549 --> 00:20:16,799  
life forms or technology or anything

557  
00:20:19,990 --> 00:20:18,559  
it was just that they admitted that

558  
00:20:24,070 --> 00:20:20,000  
there was a place

559  
00:20:25,350 --> 00:20:24,080  
a facility named popularly named area

560  
00:20:29,029 --> 00:20:25,360  
51. so

561  
00:20:31,750 --> 00:20:29,039  
uh the you know so ufo

562  
00:20:33,909 --> 00:20:31,760  
guys like us and i don't consider myself

563  
00:20:36,789 --> 00:20:33,919

a ufo guy because the only case i'm

564

00:20:38,870 --> 00:20:36,799

working for the last 22 years has been

565

00:20:42,710 --> 00:20:38,880

roswell

566

00:20:45,830 --> 00:20:42,720

uh you wonder well why are they

567

00:20:47,669 --> 00:20:45,840

telling us now well the hope is and i

568

00:20:49,510 --> 00:20:47,679

don't subscribe to this oh

569

00:20:51,750 --> 00:20:49,520

i wonder what the next revelation is

570

00:20:55,590 --> 00:20:51,760

going to be are they finally going to

571

00:20:58,470 --> 00:20:55,600

admit that they have ufos and uh alien

572

00:20:58,950 --> 00:20:58,480

cadavers stash there that's that's the

573

00:21:01,270 --> 00:20:58,960

big

574

00:21:01,990 --> 00:21:01,280

mystery is is if they're preparing us

575

00:21:03,990 --> 00:21:02,000

for something

576

00:21:05,430 --> 00:21:04,000

or is this the end of something so to

577

00:21:08,149 --> 00:21:05,440

sort of uh

578

00:21:08,549 --> 00:21:08,159

you know make us go away for a while so

579

00:21:10,870 --> 00:21:08,559

uh

580

00:21:12,549 --> 00:21:10,880

that's the question that we have now

581

00:21:13,990 --> 00:21:12,559

yeah some people are thinking it's a

582

00:21:16,390 --> 00:21:14,000

baby step huh

583

00:21:17,669 --> 00:21:16,400

yes yeah yeah and there's just one more

584

00:21:20,149 --> 00:21:17,679

little step to

585

00:21:21,350 --> 00:21:20,159

to admitting that oh yes but by the way

586

00:21:23,750 --> 00:21:21,360

we do have uh

587

00:21:25,510 --> 00:21:23,760

uh we have uh the creatures there you

588

00:21:27,590 --> 00:21:25,520

know they're from various planets in the

589

00:21:29,430 --> 00:21:27,600

universe yes we've had them for a while

590

00:21:31,909 --> 00:21:29,440

and yes we uh we've been back

591

00:21:34,149 --> 00:21:31,919

engineering their technology for decades

592

00:21:35,909 --> 00:21:34,159

that's that's the hope i don't subscribe

593

00:21:38,710 --> 00:21:35,919

to it but but that's the hope

594

00:21:39,430 --> 00:21:38,720

yes now you brought up the name bob

595

00:21:41,990 --> 00:21:39,440

lazar

596

00:21:43,510 --> 00:21:42,000

and that he's kind of a controversial

597

00:21:45,750 --> 00:21:43,520

figure you know some

598

00:21:46,549 --> 00:21:45,760

people completely discount him a lot of

599

00:21:49,909 --> 00:21:46,559

people do

600

00:21:53,029 --> 00:21:49,919

uh and some people think that perhaps

601  
00:21:55,590 --> 00:21:53,039  
his background was skewed a bit

602  
00:21:57,029 --> 00:21:55,600  
so people wouldn't believe him and where

603  
00:22:00,230 --> 00:21:57,039  
where do you

604  
00:22:03,909 --> 00:22:00,240  
rest on that uh you know martin in a

605  
00:22:07,190 --> 00:22:03,919  
in a court of law if you're caught

606  
00:22:09,270 --> 00:22:07,200  
in a lie you are toast you

607  
00:22:10,230 --> 00:22:09,280  
whatever you whatever else you might say

608  
00:22:14,310 --> 00:22:10,240  
is

609  
00:22:17,350 --> 00:22:14,320  
in an untruth and

610  
00:22:20,870 --> 00:22:17,360  
where he got himself into trouble was

611  
00:22:24,070 --> 00:22:20,880  
with his educational background

612  
00:22:26,710 --> 00:22:24,080  
he claimed that he had degrees from uh

613  
00:22:28,470 --> 00:22:26,720

two of our most prestigious universe you

614

00:22:30,390 --> 00:22:28,480

know uh institutions uh

615

00:22:32,470 --> 00:22:30,400

the massachusetts institute of

616

00:22:35,270 --> 00:22:32,480

technology and cambridge mass

617

00:22:37,590 --> 00:22:35,280

yeah and the uh california institute of

618

00:22:40,549 --> 00:22:37,600

technology better known as caltech

619

00:22:41,430 --> 00:22:40,559

a check of the records there people have

620

00:22:44,870 --> 00:22:41,440

checked this out

621

00:22:45,990 --> 00:22:44,880

you know you can't say anything that it

622

00:22:48,470 --> 00:22:46,000

isn't checked out

623

00:22:51,110 --> 00:22:48,480

maybe he thought we wouldn't check out i

624

00:22:53,430 --> 00:22:51,120

mean i didn't do it personally but

625

00:22:54,390 --> 00:22:53,440

they have no record of both of those

626  
00:22:57,590 --> 00:22:54,400  
institutions

627  
00:23:01,110 --> 00:22:57,600  
have no record of robert lazar ever

628  
00:23:04,549 --> 00:23:01,120  
attending class there so that

629  
00:23:07,830 --> 00:23:04,559  
sort of uh puts a black mark on

630  
00:23:09,029 --> 00:23:07,840  
not only his educational background but

631  
00:23:12,950 --> 00:23:09,039  
his whole

632  
00:23:16,070 --> 00:23:12,960  
claim that he worked on alien technology

633  
00:23:18,149 --> 00:23:16,080  
um and uh you know he was

634  
00:23:20,710 --> 00:23:18,159  
he claimed he was an engineer a

635  
00:23:23,750 --> 00:23:20,720  
physicist that god knows what else

636  
00:23:26,950 --> 00:23:23,760  
and so but the thing is uh martin if you

637  
00:23:29,029 --> 00:23:26,960  
actually look at him uh speak

638  
00:23:30,630 --> 00:23:29,039

in some of these documentaries that he

639

00:23:33,750 --> 00:23:30,640

projects very well

640

00:23:36,789 --> 00:23:33,760

he does he's intelligent for sure yes

641

00:23:38,149 --> 00:23:36,799

he projects like oh my goodness this guy

642

00:23:40,470 --> 00:23:38,159

is a genius you know

643

00:23:43,269 --> 00:23:40,480

he uh it looks like he's telling the

644

00:23:46,789 --> 00:23:43,279

truth but yet he lied about his uh

645

00:23:48,470 --> 00:23:46,799

educational background so i'm i mean i

646

00:23:50,230 --> 00:23:48,480

have to discount them until something

647

00:23:51,669 --> 00:23:50,240

comes along that will clean up that

648

00:23:53,190 --> 00:23:51,679

educational background

649

00:23:55,510 --> 00:23:53,200

sure there's one other there's one other

650

00:23:56,070 --> 00:23:55,520

thing that is a sort of the stake in the

651  
00:23:57,669 --> 00:23:56,080  
heart

652  
00:24:00,390 --> 00:23:57,679  
so to speak you know the old bella

653  
00:24:01,190 --> 00:24:00,400  
lugosi uh vampire you put a stake in his

654  
00:24:04,470 --> 00:24:01,200  
heart

655  
00:24:09,190 --> 00:24:04,480  
um i have a friend in uh

656  
00:24:12,549 --> 00:24:09,200  
florida another uh and uh

657  
00:24:16,149 --> 00:24:12,559  
ufo researcher named anthony bergalia

658  
00:24:20,070 --> 00:24:16,159  
and uh he had interviewed the bob lazar

659  
00:24:22,549 --> 00:24:20,080  
some years ago and

660  
00:24:25,269 --> 00:24:22,559  
bragalia's from boston which is just

661  
00:24:29,110 --> 00:24:25,279  
right across the river from cambridge

662  
00:24:31,269 --> 00:24:29,120  
and he interviewed lazar and he says

663  
00:24:32,789 --> 00:24:31,279

so lazar asked him where he lives he

664

00:24:35,830 --> 00:24:32,799

said oh i live in boston

665

00:24:37,909 --> 00:24:35,840

and uh so uh anthony said well you know

666

00:24:38,390 --> 00:24:37,919

you you went to cambridge right i mean

667

00:24:41,190 --> 00:24:38,400

uh

668

00:24:42,549 --> 00:24:41,200

mit oh yes yes i was a yeah yes i went

669

00:24:46,870 --> 00:24:42,559

to mit

670

00:24:50,549 --> 00:24:48,710

he said what is that what is the name of

671

00:24:53,350 --> 00:24:50,559

the uh landmark

672

00:24:55,269 --> 00:24:53,360

uh right in front of uh fenway park that

673

00:24:57,350 --> 00:24:55,279

everybody who lived in boston or

674

00:24:59,269 --> 00:24:57,360

cambridge for any period of time would

675

00:25:00,950 --> 00:24:59,279

uh would know instantly and he couldn't

676

00:25:04,230 --> 00:25:00,960

name it it was

677

00:25:06,230 --> 00:25:04,240

called kenmore square and he

678

00:25:08,230 --> 00:25:06,240

and lazar couldn't he didn't know what

679

00:25:10,870 --> 00:25:08,240

he was talking about so

680

00:25:12,830 --> 00:25:10,880

for anthony bergalia who's an excellent

681

00:25:14,070 --> 00:25:12,840

researcher that was the stake in the

682

00:25:16,149 --> 00:25:14,080

heart

683

00:25:17,909 --> 00:25:16,159

for bob lazar he couldn't uh he couldn't

684

00:25:20,870 --> 00:25:17,919

come up with the kenmore square

685

00:25:21,590 --> 00:25:20,880

and so yeah that was it for him now i

686

00:25:24,310 --> 00:25:21,600

know

687

00:25:24,789 --> 00:25:24,320

i do believe george knapp still believes

688

00:25:27,830 --> 00:25:24,799

in him

689

00:25:28,789 --> 00:25:27,840

yeah but yes yes and george knapp is

690

00:25:31,909 --> 00:25:28,799

such a balanced

691

00:25:34,310 --> 00:25:31,919

and intelligent person absolutely uh

692

00:25:35,909 --> 00:25:34,320

we did a show with george about a month

693

00:25:39,110 --> 00:25:35,919

and a half ago

694

00:25:42,149 --> 00:25:39,120

and fortunately we did not get into

695

00:25:42,950 --> 00:25:42,159

talking about bob lazar george is a

696

00:25:45,909 --> 00:25:42,960

great guy

697

00:25:48,470 --> 00:25:45,919

and there was a great interview but uh

698

00:25:51,029 --> 00:25:48,480

we disagree about bob lazar and

699

00:25:52,310 --> 00:25:51,039

i'm guessing that the the people who

700

00:25:54,710 --> 00:25:52,320

still support

701  
00:25:56,230 --> 00:25:54,720  
lazar and i don't and i i guess uh

702  
00:25:58,390 --> 00:25:56,240  
george knapp does

703  
00:26:00,310 --> 00:25:58,400  
i guess their their position is well the

704  
00:26:03,350 --> 00:26:00,320  
government scrubbed their

705  
00:26:05,190 --> 00:26:03,360  
records right and uh

706  
00:26:07,350 --> 00:26:05,200  
of course there's no way of knowing that

707  
00:26:09,350 --> 00:26:07,360  
but if you're in a court of law

708  
00:26:11,110 --> 00:26:09,360  
martin you know what you know what would

709  
00:26:13,990 --> 00:26:11,120  
happen to bob lazar

710  
00:26:14,710 --> 00:26:14,000  
well said all right moving on can you

711  
00:26:17,750 --> 00:26:14,720  
give a

712  
00:26:21,750 --> 00:26:17,760  
synopsis of your book the

713  
00:26:24,870 --> 00:26:21,760

book inside the real area 51

714

00:26:27,510 --> 00:26:24,880

is really not about area 51 itself

715

00:26:28,070 --> 00:26:27,520

it's about wright patterson air force

716

00:26:32,390 --> 00:26:28,080

base

717

00:26:35,750 --> 00:26:32,400

in dayton ohio and the reason

718

00:26:37,269 --> 00:26:35,760

the reason our we we wanted to do this

719

00:26:40,310 --> 00:26:37,279

book

720

00:26:43,110 --> 00:26:40,320

was because and our publisher came up

721

00:26:44,630 --> 00:26:43,120

with the title we had a different title

722

00:26:46,950 --> 00:26:44,640

but our publisher came up with the

723

00:26:50,149 --> 00:26:46,960

connection to area 51 because everybody

724

00:26:52,070 --> 00:26:50,159

recognizes what that is you know right

725

00:26:53,350 --> 00:26:52,080

and it would alert uh you know the

726

00:26:55,669 --> 00:26:53,360

casual

727

00:26:57,909 --> 00:26:55,679

uh bookstore browser that oh this is

728

00:27:01,750 --> 00:26:57,919

about area 51 or ufos or something you

729

00:27:05,350 --> 00:27:05,029

but all of your roswell books including

730

00:27:10,549 --> 00:27:05,360

the

731

00:27:15,510 --> 00:27:10,559

second

732

00:27:19,269 --> 00:27:15,520

the roswell books leave off

733

00:27:19,990 --> 00:27:19,279

when the wreckage and the bodies are

734

00:27:23,830 --> 00:27:20,000

delivered to

735

00:27:24,549 --> 00:27:23,840

wright patterson in in 1947. that's

736

00:27:26,389 --> 00:27:24,559

where all the

737

00:27:27,830 --> 00:27:26,399

yep the bodies went the right patterson

738

00:27:31,029 --> 00:27:27,840

the wreckage went to the right

739

00:27:32,710 --> 00:27:31,039

right patterson end of story well what

740

00:27:35,430 --> 00:27:32,720

happened after that

741

00:27:36,950 --> 00:27:35,440

you know so we wanted to put there have

742

00:27:39,190 --> 00:27:36,960

been books that maybe had a chapter

743

00:27:39,990 --> 00:27:39,200

about wright patterson or a paragraph or

744

00:27:42,789 --> 00:27:40,000

two

745

00:27:45,110 --> 00:27:42,799

our entire book is about wright

746

00:27:48,230 --> 00:27:45,120

patterson air force base and its secret

747

00:27:51,269 --> 00:27:48,240

history and how it came about

748

00:27:53,909 --> 00:27:51,279

and uh it discusses

749

00:27:55,590 --> 00:27:53,919

the roswell wreckage and the life forms

750

00:27:57,350 --> 00:27:55,600

that were brought there what happened to

751  
00:27:59,510 --> 00:27:57,360  
them where they were stored

752  
00:28:01,029 --> 00:27:59,520  
it answers a lot of the questions that

753  
00:28:04,149 --> 00:28:01,039  
the people have

754  
00:28:04,950 --> 00:28:04,159  
that haven't been answered before and we

755  
00:28:08,549 --> 00:28:04,960  
wanted to

756  
00:28:11,750 --> 00:28:08,559  
do this in in a single book

757  
00:28:14,310 --> 00:28:11,760  
and uh there's a lot of new information

758  
00:28:17,830 --> 00:28:14,320  
not only about the base itself but about

759  
00:28:21,430 --> 00:28:17,840  
jay allen heineck and project blue book

760  
00:28:22,470 --> 00:28:21,440  
and uh because you know don schmidt was

761  
00:28:54,549 --> 00:28:22,480  
a

762  
00:28:55,269 --> 00:28:54,559  
uh our two roswell books witness to

763  
00:28:57,909 --> 00:28:55,279

roswell

764

00:28:59,510 --> 00:28:57,919

well that's great yeah it does seem like

765

00:29:02,710 --> 00:28:59,520

a place that always

766

00:29:04,710 --> 00:29:02,720

does come up and what kind of things did

767

00:29:07,750 --> 00:29:04,720

you uncover

768

00:29:09,830 --> 00:29:07,760

well the first one let me ask you

769

00:29:10,789 --> 00:29:09,840

uh you've you've heard of wright

770

00:29:13,350 --> 00:29:10,799

patterson right

771

00:29:14,310 --> 00:29:13,360

oh yeah what what's the first question

772

00:29:17,269 --> 00:29:14,320

you have about it

773

00:29:17,909 --> 00:29:17,279

oh well it's the place where the roswell

774

00:29:20,389 --> 00:29:17,919

crash

775

00:29:21,350 --> 00:29:20,399

was supposed to be brought to i mean the

776

00:29:23,909 --> 00:29:21,360

wreckage

777

00:29:25,190 --> 00:29:23,919

uh what specific location there uh

778

00:29:29,269 --> 00:29:25,200

hangar 18

779

00:29:32,230 --> 00:29:29,279

bingo that's the first question

780

00:29:33,510 --> 00:29:32,240

everybody has is this is there where's

781

00:29:35,350 --> 00:29:33,520

hanger 18

782

00:29:37,909 --> 00:29:35,360

is that where the aliens are stored well

783

00:29:40,950 --> 00:29:37,919

we answer that question in our book

784

00:29:42,470 --> 00:29:40,960

it was you know because because when we

785

00:29:44,389 --> 00:29:42,480

started the book i i didn't have an

786

00:29:46,789 --> 00:29:44,399

answer for that i i knew that the term

787

00:29:50,310 --> 00:29:46,799

was out there hangar 18

788

00:29:52,830 --> 00:29:50,320

i i know that the information

789

00:29:55,909 --> 00:29:52,840

desk at wright patterson if you go up to

790

00:29:58,149 --> 00:29:55,919

it and ask the person there

791

00:29:59,990 --> 00:29:58,159

where's hanger 18 they'll say what are

792

00:30:02,310 --> 00:30:00,000

you talking about there there is no

793

00:30:03,029 --> 00:30:02,320

hangar 18 and there never was a hangar

794

00:30:05,510 --> 00:30:03,039

18

795

00:30:06,389 --> 00:30:05,520

here and they will be right they will be

796

00:30:08,470 --> 00:30:06,399

correct

797

00:30:10,389 --> 00:30:08,480

and so what happens is you walk away

798

00:30:11,909 --> 00:30:10,399

scratching your head thinking oh my god

799

00:30:15,029 --> 00:30:11,919

how stupid am i

800

00:30:19,590 --> 00:30:15,039

i feel like a fool and but uh

801  
00:30:25,750 --> 00:30:22,549  
technically there was no hangar 18 but

802  
00:30:27,909 --> 00:30:25,760  
they know you're asking about the aliens

803  
00:30:29,669 --> 00:30:27,919  
that that's what they know they're at

804  
00:30:31,190 --> 00:30:29,679  
you're asking about that

805  
00:30:32,789 --> 00:30:31,200  
and they won't give you they won't give

806  
00:30:34,710 --> 00:30:32,799  
you an answer

807  
00:30:35,990 --> 00:30:34,720  
so they send you away with there's no

808  
00:30:40,149 --> 00:30:36,000  
hangar 18 it never

809  
00:30:44,230 --> 00:30:40,159  
was well what happened was it was a

810  
00:30:46,789 --> 00:30:44,240  
it it goes back to the early 70s

811  
00:30:47,669 --> 00:30:46,799  
when a fella by the name of robert

812  
00:30:51,110 --> 00:30:47,679  
spencer

813  
00:30:51,909 --> 00:30:51,120

carr he built himself as professor but

814

00:31:02,710 --> 00:30:51,919

he

815

00:31:06,389 --> 00:31:02,720

now you know that a lot of military

816

00:31:09,750 --> 00:31:06,399

people in in the past have uh

817

00:31:13,350 --> 00:31:09,760

retired to florida you know

818

00:31:17,029 --> 00:31:13,360

so what happened was uh he he would

819

00:31:18,230 --> 00:31:17,039

uh give lectures about ufos

820

00:31:20,070 --> 00:31:18,240

he would you know he had a little

821

00:31:20,630 --> 00:31:20,080

lecture circuit down there in florida

822

00:31:23,269 --> 00:31:20,640

about

823

00:31:24,310 --> 00:31:23,279

ufos and what happens and i know this

824

00:31:27,029 --> 00:31:24,320

for a fact what

825

00:31:28,710 --> 00:31:27,039

if you give a give a lecture people come

826  
00:31:30,070 --> 00:31:28,720  
up to you afterwards and say well you

827  
00:31:35,029 --> 00:31:30,080  
know

828  
00:31:37,029 --> 00:31:35,039  
about this blah blah blah blah

829  
00:31:39,350 --> 00:31:37,039  
and so what happened to him was he had a

830  
00:31:40,870 --> 00:31:39,360  
number of people who used to be

831  
00:31:43,830 --> 00:31:40,880  
stationed

832  
00:31:44,630 --> 00:31:43,840  
or worked at wright patterson air force

833  
00:31:47,430 --> 00:31:44,640  
base

834  
00:31:49,269 --> 00:31:47,440  
tell him well you know uh that's where

835  
00:31:51,990 --> 00:31:49,279  
the aliens were stored

836  
00:31:53,750 --> 00:31:52,000  
blah blah blah blah and so what what he

837  
00:31:56,789 --> 00:31:53,760  
did

838  
00:32:00,230 --> 00:31:56,799

is he assumed now this is a

839

00:32:01,110 --> 00:32:00,240

this is like 1972 73-74 this is long

840

00:32:03,830 --> 00:32:01,120

before

841

00:32:05,190 --> 00:32:03,840

anybody ever heard of roswell because

842

00:32:08,470 --> 00:32:05,200

the roswell

843

00:32:11,350 --> 00:32:08,480

incident

844

00:32:11,990 --> 00:32:11,360

well he had never heard of roswell but

845

00:32:13,669 --> 00:32:12,000

these

846

00:32:15,430 --> 00:32:13,679

people who were talking to him said well

847

00:32:18,870 --> 00:32:15,440

you know there was a crash

848

00:32:20,389 --> 00:32:18,880

in uh new mexico and that's where the

849

00:32:23,830 --> 00:32:20,399

bodies were taken that's where the

850

00:32:25,830 --> 00:32:23,840

the uh wreckage was taken blah blah blah

851

00:32:28,470 --> 00:32:25,840

uh it was there's a hangar there it's

852

00:32:32,389 --> 00:32:28,480

actually hangar 23.

853

00:32:34,710 --> 00:32:32,399

where they were taken and but ultimately

854

00:32:36,149 --> 00:32:34,720

they transferred that stuff to building

855

00:32:39,669 --> 00:32:36,159

18.

856

00:32:42,789 --> 00:32:39,679

building building 18 well

857

00:32:45,110 --> 00:32:42,799

when robert spencer carr

858

00:32:47,430 --> 00:32:45,120

went public with this story somehow that

859

00:32:50,549 --> 00:32:47,440

the hangar and the building morphed into

860

00:32:54,310 --> 00:32:50,559

hangar 18. ah uh-huh so

861

00:32:55,909 --> 00:32:54,320

it was an amalga an amalgam of hangar 23

862

00:32:58,950 --> 00:32:55,919

and building 18

863

00:33:00,230 --> 00:32:58,960

came out hangar 18 and it's still with

864

00:33:02,950 --> 00:33:00,240

us today i mean i

865

00:33:03,750 --> 00:33:02,960

i still referred to it as irit myself

866

00:33:06,310 --> 00:33:03,760

today

867

00:33:07,269 --> 00:33:06,320

but it's it's uh was building 18.

868

00:33:10,470 --> 00:33:07,279

there's a

869

00:33:11,029 --> 00:33:10,480

building 18 building 18 a b c d and e

870

00:33:14,549 --> 00:33:11,039

and f

871

00:33:17,269 --> 00:33:14,559

so there's a building 18 complex there

872

00:33:18,310 --> 00:33:17,279

that included cold storage uh

873

00:33:23,590 --> 00:33:18,320

examination

874

00:33:27,110 --> 00:33:23,600

labs uh you name it and hangar 23

875

00:33:31,110 --> 00:33:27,120

was uh the place where during world war

876

00:33:32,389 --> 00:33:31,120

ii the uh german and japanese aircraft

877

00:33:35,269 --> 00:33:32,399

were brought

878

00:33:36,310 --> 00:33:35,279

and in the cold war the russian migs

879

00:33:38,230 --> 00:33:36,320

were brought

880

00:33:40,470 --> 00:33:38,240

to back engineer them you know to tear

881

00:33:44,470 --> 00:33:40,480

them apart to see what made them go

882

00:33:45,990 --> 00:33:44,480

and try to to uh uh uh build aircraft

883

00:33:48,070 --> 00:33:46,000

that would defeat them

884

00:33:51,110 --> 00:33:48,080

and that was done in hangar 23 so when

885

00:33:55,110 --> 00:33:51,120

the the roswell crash occurred

886

00:33:57,509 --> 00:33:55,120

boy what more uh foreign aircraft or

887

00:33:59,430 --> 00:33:57,519

foreign machine could you have than

888

00:34:01,750 --> 00:33:59,440

something from another planet

889

00:34:02,950 --> 00:34:01,760

so that's where the roswell wreckage was

890

00:34:08,470 --> 00:34:02,960

taken

891

00:34:12,149 --> 00:34:08,480

building 18

892

00:34:15,270 --> 00:34:12,159

and ultimately they spent some time in

893

00:34:18,550 --> 00:34:17,909

hospital to be dissected and what have

894

00:34:21,270 --> 00:34:18,560

you

895

00:34:21,669 --> 00:34:21,280

but the uh the main storage areas for

896

00:34:25,109 --> 00:34:21,679

these

897

00:34:27,829 --> 00:34:25,119

items uh was uh

898

00:34:28,710 --> 00:34:27,839

hangar 20 uh hangar 23 and the building

899

00:34:32,629 --> 00:34:28,720

18

900

00:34:35,270 --> 00:34:32,639

complex so that's where it was but when

901  
00:34:37,109 --> 00:34:35,280  
uh robert spencer carr talked about it

902  
00:34:39,669 --> 00:34:37,119  
he talked about a hangar 18

903  
00:34:41,270 --> 00:34:39,679  
and the other thing he was doing was he

904  
00:34:42,550 --> 00:34:41,280  
was resurrecting

905  
00:34:44,149 --> 00:34:42,560  
i don't know if you remember well you're

906  
00:34:46,629 --> 00:34:44,159  
too young to remember but you might have

907  
00:34:49,750 --> 00:34:46,639  
heard about the frank scully

908  
00:34:53,510 --> 00:34:49,760  
in 1950 wrote a book about uh

909  
00:34:56,629 --> 00:34:53,520  
the so-called aztec new mexico yes

910  
00:34:58,390 --> 00:34:56,639  
yep and it was it was called uh behind

911  
00:35:01,589 --> 00:34:58,400  
the flying saucers it was a

912  
00:35:02,630 --> 00:35:01,599  
it was a top-selling book and it was the

913  
00:35:07,190 --> 00:35:02,640

first

914

00:35:09,430 --> 00:35:07,200

uh flying saucer book about a crash 1950

915

00:35:11,589 --> 00:35:09,440

uh the crash allegedly took place in

916

00:35:14,470 --> 00:35:11,599

march of 1948

917

00:35:17,030 --> 00:35:14,480

but that book was roundly criticized

918

00:35:20,710 --> 00:35:17,040

when it was learned that scully's two

919

00:35:23,190 --> 00:35:20,720

sources were two oil con men

920

00:35:24,790 --> 00:35:23,200

right i remember that yeah i remember

921

00:35:26,230 --> 00:35:24,800

reading about that actually we have a

922

00:35:29,349 --> 00:35:26,240

blog on our

923

00:35:32,550 --> 00:35:29,359

website about that whole situation yes

924

00:35:35,349 --> 00:35:32,560

and uh the the uh the case

925

00:35:36,790 --> 00:35:35,359

has been reopened by a fellow by the

926

00:35:39,349 --> 00:35:36,800

name of scott ramsey

927

00:35:41,829 --> 00:35:39,359

uh two years ago and he's got a book out

928

00:35:45,030 --> 00:35:41,839

on uh he reopened

929

00:35:46,470 --> 00:35:45,040

the case and uh so that's to give a

930

00:35:49,670 --> 00:35:46,480

little plug for scott

931

00:35:50,550 --> 00:35:49,680

but uh back uh back when robert spencer

932

00:35:52,390 --> 00:35:50,560

carr

933

00:35:53,910 --> 00:35:52,400

was talking about this he was talking

934

00:35:56,550 --> 00:35:53,920

about this the uh

935

00:35:58,150 --> 00:35:56,560

the uh aztec case and the bodies

936

00:36:00,470 --> 00:35:58,160

allegedly going to

937

00:36:01,750 --> 00:36:00,480

wright-patterson and uh unfortunately

938

00:36:05,270 --> 00:36:01,760

for him

939

00:36:08,710 --> 00:36:05,280

uh they uh they

940

00:36:09,030 --> 00:36:08,720

analyzed his data and uh they debunked

941

00:36:12,550 --> 00:36:09,040

his

942

00:36:15,990 --> 00:36:12,560

for the second time

943

00:36:17,910 --> 00:36:16,000

really and uh yes and um uh they

944

00:36:21,030 --> 00:36:17,920

debunked robert spencer carr

945

00:36:24,390 --> 00:36:21,040

along with the case so uh that

946

00:36:27,670 --> 00:36:24,400

that was that but then the term got out

947

00:36:31,270 --> 00:36:27,680

uh uh hangar 18 was out there

948

00:36:34,870 --> 00:36:31,280

and they made a movie in 1980 right

949

00:36:37,349 --> 00:36:34,880

same years the um the roswell incident

950

00:36:38,950 --> 00:36:37,359

book came out called hangar 18 starring

951

00:36:43,270 --> 00:36:38,960

the man from uncle

952

00:36:46,630 --> 00:36:43,280

robert vaughn and uh darren mcgavin the

953

00:36:47,190 --> 00:36:46,640

fellow that uh was in that christmas

954

00:36:49,109 --> 00:36:47,200

movie

955

00:36:51,430 --> 00:36:49,119

and those were the two stars of hangar

956

00:36:54,550 --> 00:36:51,440

18. i actually like that movie

957

00:36:57,910 --> 00:36:54,560

now does kecksburg ever come up as

958

00:37:00,390 --> 00:36:57,920

being transported there yeah um

959

00:37:02,470 --> 00:37:00,400

the bell or whatever i think uh yeah i

960

00:37:04,829 --> 00:37:02,480

think stan gordon

961

00:37:06,390 --> 00:37:04,839

he's the lead investigator on the on the

962

00:37:08,870 --> 00:37:06,400

1965

963

00:37:09,829 --> 00:37:08,880

kecksburg pennsylvania crash alleged

964

00:37:13,030 --> 00:37:09,839

crash

965

00:37:14,310 --> 00:37:13,040

that the material was taken to wright

966

00:37:16,310 --> 00:37:14,320

patterson

967

00:37:17,910 --> 00:37:16,320

and there there's another story of the

968

00:37:20,470 --> 00:37:17,920

fort dix case i don't know if you've

969

00:37:23,750 --> 00:37:20,480

ever talked about the fort dix case

970

00:37:27,670 --> 00:37:23,760

in 1917 there was a

971

00:37:30,710 --> 00:37:27,680

uh in fort dix new jersey right next to

972

00:37:32,069 --> 00:37:30,720

uh maguire air force base it's a joint

973

00:37:35,670 --> 00:37:32,079

base

974

00:37:37,349 --> 00:37:35,680

and uh there was a report of ufos over

975

00:37:40,790 --> 00:37:37,359

the base

976

00:37:42,710 --> 00:37:40,800

and uh radar you know the radar had them

977

00:37:46,870 --> 00:37:42,720

coming down somewhere near the base

978

00:37:49,349 --> 00:37:46,880

and uh lo and behold there an alien

979

00:37:50,150 --> 00:37:49,359

turns up walking or you know trying to

980

00:37:54,550 --> 00:37:50,160

get

981

00:37:57,910 --> 00:37:54,560

mcguire

982

00:38:02,150 --> 00:37:57,920

and uh i heard about this yes yes

983

00:38:06,150 --> 00:38:02,160

and uh it's shot by one of the sentries

984

00:38:10,310 --> 00:38:06,160

and uh it's lying there on the tarmac

985

00:38:12,790 --> 00:38:10,320

or you know the you know the concrete

986

00:38:14,630 --> 00:38:12,800

and the story is that a plane flew in

987

00:38:18,150 --> 00:38:14,640

from wright patterson

988

00:38:18,950 --> 00:38:18,160

and uh they uh packed it away and it was

989

00:38:22,390 --> 00:38:18,960

flown

990

00:38:26,870 --> 00:38:22,400

to back to wright patterson

991

00:38:29,510 --> 00:38:26,880

and uh there's unfortunately this is a

992

00:38:31,109 --> 00:38:29,520

uh the main witness only one witness who

993

00:38:31,990 --> 00:38:31,119

has ever talked about this and

994

00:38:36,390 --> 00:38:32,000

unfortunately he

995

00:38:39,190 --> 00:38:36,400

was last i heard he was in uh indonesia

996

00:38:39,670 --> 00:38:39,200

and yeah you know how can you get to him

997

00:38:43,430 --> 00:38:39,680

so

998

00:38:45,589 --> 00:38:43,440

case

999

00:38:47,510 --> 00:38:45,599

with george filer but it didn't go

1000

00:38:47,990 --> 00:38:47,520

anywhere i couldn't get anywhere on it

1001

00:38:49,910 --> 00:38:48,000

so i

1002

00:38:51,510 --> 00:38:49,920

i basically gave up because we couldn't

1003

00:38:53,990 --> 00:38:51,520

get beyond that one

1004

00:38:56,630 --> 00:38:54,000

witness who was away and i don't know if

1005

00:38:58,950 --> 00:38:56,640

you call it malaysia or indonesia

1006

00:39:00,630 --> 00:38:58,960

you know you know borneo sumatra wanted

1007

00:39:03,829 --> 00:39:00,640

that area

1008

00:39:05,190 --> 00:39:03,839

and uh i never did get to interview the

1009

00:39:09,910 --> 00:39:05,200

fella but that's still

1010

00:39:13,510 --> 00:39:09,920

a case on the books and the the cadaver

1011

00:39:16,550 --> 00:39:13,520

was taken to wright-patterson

1012

00:39:19,829 --> 00:39:16,560

now how does your military background

1013

00:39:20,550 --> 00:39:19,839

help you in your investigation it helps

1014

00:39:24,630 --> 00:39:20,560

me in that

1015

00:39:27,030 --> 00:39:24,640

i understand the military mindset

1016

00:39:28,710 --> 00:39:27,040

you know i had a top secret clearance

1017

00:39:30,950 --> 00:39:28,720

for what i did

1018

00:39:32,630 --> 00:39:30,960

but in four years in the air force you

1019

00:39:34,790 --> 00:39:32,640

get to know

1020

00:39:36,790 --> 00:39:34,800

how the military operates and what the

1021

00:39:40,150 --> 00:39:36,800

mentality and the mindset

1022

00:39:40,829 --> 00:39:40,160

is that that has been a big help to me

1023

00:39:45,349 --> 00:39:40,839

in

1024

00:39:47,990 --> 00:39:45,359

military

1025

00:39:49,270 --> 00:39:48,000

because i i know exactly how they feel

1026

00:39:51,670 --> 00:39:49,280

about things

1027

00:39:54,470 --> 00:39:51,680

and what they're talking about and

1028

00:39:55,910 --> 00:39:54,480

unless you've been in the military

1029

00:39:58,150 --> 00:39:55,920

you know for a couple years i'm not

1030

00:39:58,870 --> 00:39:58,160

talking about getting in for six months

1031

00:40:00,710 --> 00:39:58,880

and out

1032

00:40:03,190 --> 00:40:00,720

i mean having it to actually spend a

1033

00:40:06,950 --> 00:40:03,200

couple years in there it uh

1034

00:40:09,349 --> 00:40:06,960

it's a sobering experience and uh

1035

00:40:11,589 --> 00:40:09,359

uh i you know not that i recommend it to

1036

00:40:14,710 --> 00:40:11,599

her but it was good for me

1037

00:40:17,750 --> 00:40:14,720

and uh so that's how it's helped me uh

1038

00:40:20,870 --> 00:40:17,760

martin is uh i i understand

1039

00:40:23,109 --> 00:40:20,880

uh when i interview military people uh

1040

00:40:24,150 --> 00:40:23,119

we're on the same wavelength i see

1041

00:40:26,710 --> 00:40:24,160

that's that's great

1042

00:40:27,589 --> 00:40:26,720

just going off topic just a little bit i

1043

00:40:30,230 --> 00:40:27,599

want to talk

1044

00:40:31,430 --> 00:40:30,240

briefly about roswell but i also want to

1045

00:40:34,870 --> 00:40:31,440

talk about roswell

1046

00:40:37,750 --> 00:40:34,880

in the skeptics and debunkers

1047

00:40:39,589 --> 00:40:37,760

uh facing off against them it's one of

1048

00:40:40,390 --> 00:40:39,599

the cases i always bring up when i'm

1049

00:40:42,550 --> 00:40:40,400

actually

1050

00:40:43,510 --> 00:40:42,560

doing some type of debate in regards to

1051

00:40:45,990 --> 00:40:43,520

ufos

1052

00:40:47,270 --> 00:40:46,000

is the number one thing i always say is

1053

00:40:49,190 --> 00:40:47,280

why on earth

1054

00:40:51,190 --> 00:40:49,200

would the army air force actually

1055

00:40:54,230 --> 00:40:51,200

publish in a newspaper

1056

00:40:54,870 --> 00:40:54,240

and uh send a press release saying that

1057

00:40:57,589 --> 00:40:54,880

they caught

1058

00:40:59,030 --> 00:40:57,599

they captured a flying disc it just and

1059

00:40:59,750 --> 00:40:59,040

just for them to answer that alone

1060

00:41:03,349 --> 00:40:59,760

there's no

1061

00:41:05,510 --> 00:41:03,359

no real answer for that we uh we've

1062

00:41:08,230 --> 00:41:05,520

gone around and around and around and

1063

00:41:10,230 --> 00:41:08,240

around on this question

1064

00:41:11,270 --> 00:41:10,240

we're always asked that question in fact

1065

00:41:13,430 --> 00:41:11,280

don and i

1066

00:41:14,630 --> 00:41:13,440

disagreed on it for the longest time i

1067

00:41:18,550 --> 00:41:14,640

thought it was a local

1068

00:41:20,790 --> 00:41:18,560

faux pas by the local base

1069

00:41:22,630 --> 00:41:20,800

commander there at roswell i thought he

1070

00:41:26,790 --> 00:41:22,640

had just made a mistake

1071

00:41:30,390 --> 00:41:26,800

but it turns out because of the

1072

00:41:31,589 --> 00:41:30,400

how uh walter house sealed statement

1073

00:41:33,990 --> 00:41:31,599

that it was all

1074

00:41:35,510 --> 00:41:34,000

orchestrated from washington the reason

1075

00:41:37,270 --> 00:41:35,520

they had to put out

1076

00:41:38,950 --> 00:41:37,280

because why would you if you want to

1077

00:41:40,950 --> 00:41:38,960

cover something up why would you call

1078

00:41:44,069 --> 00:41:40,960

attention to it without with a

1079

00:41:48,390 --> 00:41:44,079

you know that was that was my point well

1080

00:41:50,710 --> 00:41:48,400

the reason they had put out the first

1081

00:41:51,910 --> 00:41:50,720

uh press release the that they had

1082

00:41:55,109 --> 00:41:51,920

captured a flying

1083

00:41:58,470 --> 00:41:55,119

saucer was because the story was

1084

00:41:59,750 --> 00:41:58,480

already out amongst the citizens in

1085

00:42:02,470 --> 00:41:59,760

roswell

1086

00:42:03,430 --> 00:42:02,480

going all the way up to corona and it

1087

00:42:07,030 --> 00:42:03,440

was already

1088

00:42:10,069 --> 00:42:07,040

in the press because the rancher

1089

00:42:10,790 --> 00:42:10,079

mack brazil when they came to town the

1090

00:42:14,150 --> 00:42:10,800

first

1091

00:42:17,430 --> 00:42:14,160

person he spoke to was the sheriff

1092

00:42:20,790 --> 00:42:17,440

in roswell uh george wilcox

1093

00:42:22,950 --> 00:42:20,800

and the sheriff connected him with uh

1094

00:42:23,910 --> 00:42:22,960

uh well while he was talking to the

1095

00:42:27,750 --> 00:42:23,920

sheriff the

1096

00:42:29,750 --> 00:42:27,760

radio station kgfl and roswell

1097

00:42:30,790 --> 00:42:29,760

called the sheriff's office just looking

1098

00:42:32,950 --> 00:42:30,800

for

1099

00:42:34,710 --> 00:42:32,960

you know uh local stories that they

1100

00:42:37,910 --> 00:42:34,720

might put on the over the radio

1101  
00:42:38,390 --> 00:42:37,920  
that was good timing yes yes he he have

1102  
00:42:45,109 --> 00:42:38,400  
the

1103  
00:42:46,950 --> 00:42:45,119  
and uh you know he was spinning records

1104  
00:42:49,109 --> 00:42:46,960  
and talking about local stories

1105  
00:42:50,550 --> 00:42:49,119  
you know and how the cost of cattle feed

1106  
00:42:53,430 --> 00:42:50,560  
and that sort of stuff

1107  
00:42:54,470 --> 00:42:53,440  
and he called as a regular course he

1108  
00:42:56,309 --> 00:42:54,480  
would call the sheriff

1109  
00:42:58,710 --> 00:42:56,319  
does any you know anything going on

1110  
00:42:59,829 --> 00:42:58,720  
there and actually they did have a good

1111  
00:43:02,230 --> 00:42:59,839  
story

1112  
00:43:04,470 --> 00:43:02,240  
uh the country singer lefty frazelle was

1113  
00:43:07,990 --> 00:43:04,480

in jail there at the time

1114

00:43:10,870 --> 00:43:08,000

uh but uh so

1115

00:43:12,870 --> 00:43:10,880

he connected uh frank joyce with mack

1116

00:43:15,589 --> 00:43:12,880

brazil the rancher who brought all this

1117

00:43:19,349 --> 00:43:15,599

stuff into town so the story

1118

00:43:21,270 --> 00:43:19,359

was out if it wasn't out they wouldn't

1119

00:43:22,710 --> 00:43:21,280

have had to put out a press release so

1120

00:43:24,390 --> 00:43:22,720

they decided

1121

00:43:27,190 --> 00:43:24,400

we got to do something here because this

1122

00:43:29,270 --> 00:43:27,200

story's in already in the press

1123

00:43:31,270 --> 00:43:29,280

so we got to make everybody feel stupid

1124

00:43:34,470 --> 00:43:31,280

about this so they put out the story

1125

00:43:36,309 --> 00:43:34,480

they set up a straw man that they had

1126

00:43:38,150 --> 00:43:36,319

captured a flying saucer

1127

00:43:39,750 --> 00:43:38,160

and they were they were right about that

1128

00:43:41,270 --> 00:43:39,760

all they didn't capture it they

1129

00:43:44,550 --> 00:43:41,280

recovered it but

1130

00:43:48,630 --> 00:43:44,560

uh so that story went out well within

1131

00:43:51,190 --> 00:43:48,640

hours within hours they changed it

1132

00:43:52,230 --> 00:43:51,200

to the weather balloon story general

1133

00:43:55,270 --> 00:43:52,240

roger raymie

1134

00:43:58,390 --> 00:43:55,280

in fort worth who uh

1135

00:44:01,270 --> 00:43:58,400

the eighth air force was the next unit

1136

00:44:04,870 --> 00:44:01,280

up from the 509th bomb group in roswell

1137

00:44:07,430 --> 00:44:04,880

uh he had held a press conference uh

1138

00:44:08,390 --> 00:44:07,440

saying that the fellas over in roswell

1139

00:44:11,589 --> 00:44:08,400

made a mistake

1140

00:44:15,670 --> 00:44:11,599

folks it wasn't a flying saucer

1141

00:44:18,710 --> 00:44:15,680

an interplanetary ship that they found

1142

00:44:21,109 --> 00:44:18,720

it was a weather balloon now i don't

1143

00:44:24,150 --> 00:44:21,119

know about you

1144

00:44:27,510 --> 00:44:24,160

but uh i don't want people who

1145

00:44:30,950 --> 00:44:27,520

can't tell the difference between a ufo

1146

00:44:31,750 --> 00:44:30,960

or an interplanetary spaceship and a

1147

00:44:36,069 --> 00:44:31,760

radar

1148

00:44:38,790 --> 00:44:36,079

target a

1149

00:44:40,630 --> 00:44:38,800

rubber weather balloon i don't want them

1150

00:44:42,150 --> 00:44:40,640

to be the group that has their finger on

1151

00:44:44,550 --> 00:44:42,160

the atomic trigger

1152

00:44:46,230 --> 00:44:44,560

exactly because they were the they were

1153

00:44:48,630 --> 00:44:46,240

the only group in the world

1154

00:44:49,990 --> 00:44:48,640

that had the atomic bomb and that was

1155

00:44:53,829 --> 00:44:50,000

their sole purpose

1156

00:44:57,270 --> 00:44:53,839

of existence was to in time of war

1157

00:44:59,990 --> 00:44:57,280

to drop the atomic bomb on the other

1158

00:45:01,829 --> 00:45:00,000

you know most probably the soviet union

1159

00:45:03,270 --> 00:45:01,839

i don't want them with their finger on

1160

00:45:03,990 --> 00:45:03,280

the trigger if they can't tell the

1161

00:45:06,870 --> 00:45:04,000

difference

1162

00:45:09,030 --> 00:45:06,880

between a rubber weather balloon and uh

1163

00:45:10,870 --> 00:45:09,040

something from another planet but

1164

00:45:12,630 --> 00:45:10,880

that's what they did they put that story

1165

00:45:15,030 --> 00:45:12,640

out and then they it they

1166

00:45:15,910 --> 00:45:15,040

took it away with the weather balloon

1167

00:45:18,790 --> 00:45:15,920

story

1168

00:45:20,950 --> 00:45:18,800

and everybody went home feeling stupid

1169

00:45:21,430 --> 00:45:20,960

and the press dropped the story right

1170

00:45:23,270 --> 00:45:21,440

there

1171

00:45:25,829 --> 00:45:23,280

that was their main thing was to kill it

1172

00:45:28,630 --> 00:45:25,839

in the press which they did

1173

00:45:30,630 --> 00:45:28,640

but the other thing was uh and you could

1174

00:45:31,589 --> 00:45:30,640

and you could control it in the military

1175

00:45:33,990 --> 00:45:31,599

because you

1176

00:45:35,990 --> 00:45:34,000

they they uh you would say well oh you

1177

00:45:37,190 --> 00:45:36,000

want to talk about that uh

1178

00:45:38,790 --> 00:45:37,200

you want to talk about that flying

1179

00:45:41,109 --> 00:45:38,800

saucer how would you like to read about

1180

00:45:43,109 --> 00:45:41,119

it in leavenworth

1181

00:45:45,109 --> 00:45:43,119

that's what that's what they did they uh

1182

00:45:47,109 --> 00:45:45,119

threatened the people with leavenworth

1183

00:45:48,150 --> 00:45:47,119

if they talked continued to talk about

1184

00:45:52,309 --> 00:45:48,160

it on the base

1185

00:45:55,829 --> 00:45:52,319

yeah but the but the the wild card

1186

00:45:57,190 --> 00:45:55,839

was the civilians because unless it's a

1187

00:45:59,750 --> 00:45:57,200

case of martial law

1188

00:46:00,309 --> 00:45:59,760

being imposed you they had no control

1189

00:46:02,390 --> 00:46:00,319

over the

1190

00:46:03,349 --> 00:46:02,400

citizens of roswell and the outlying

1191

00:46:06,710 --> 00:46:03,359

ranchers

1192

00:46:07,670 --> 00:46:06,720

so what they did is they enlisted the

1193

00:46:11,109 --> 00:46:07,680

sheriff

1194

00:46:13,750 --> 00:46:11,119

to deliver death threats in roswell

1195

00:46:14,950 --> 00:46:13,760

to the people who knew who had actually

1196

00:46:17,910 --> 00:46:14,960

seen the wreckage

1197

00:46:18,790 --> 00:46:17,920

and especially those who had seen the

1198

00:46:22,950 --> 00:46:18,800

bodies

1199

00:46:24,950 --> 00:46:22,960

wilcox delivered

1200

00:46:27,430 --> 00:46:24,960

the death threat we're gonna not only

1201  
00:46:30,390 --> 00:46:27,440  
kill you we're gonna kill your children

1202  
00:46:32,630 --> 00:46:30,400  
if you ever talk about this now to me

1203  
00:46:33,589 --> 00:46:32,640  
that's a violation of your civil rights

1204  
00:46:35,910 --> 00:46:33,599  
you know

1205  
00:46:37,430 --> 00:46:35,920  
and but that's what they did and just to

1206  
00:46:39,670 --> 00:46:37,440  
make sure

1207  
00:46:40,630 --> 00:46:39,680  
a couple weeks later they brought in

1208  
00:46:44,309 --> 00:46:40,640  
this guy

1209  
00:46:47,349 --> 00:46:44,319  
from wright-patterson named hunter penn

1210  
00:46:50,069 --> 00:46:47,359  
to uh to reinforce that

1211  
00:46:51,430 --> 00:46:50,079  
threat and this guy was a it was a nut

1212  
00:46:54,470 --> 00:46:51,440  
job

1213  
00:46:57,910 --> 00:46:54,480

it was like in time of war break

1214

00:47:00,790 --> 00:46:57,920

break the glass only in time of war and

1215

00:47:02,950 --> 00:47:00,800

unleash hunter pen on somebody so he

1216

00:47:05,990 --> 00:47:02,960

traveled around to the local ranchers

1217

00:47:09,030 --> 00:47:06,000

with the death threat again uh

1218

00:47:11,190 --> 00:47:09,040

if if the ranchers ever talked and if

1219

00:47:12,150 --> 00:47:11,200

the uh civilians ever talk so that's how

1220

00:47:14,550 --> 00:47:12,160

they did it

1221

00:47:15,910 --> 00:47:14,560

is they set up a straw man only because

1222

00:47:19,430 --> 00:47:15,920

the story

1223

00:47:20,150 --> 00:47:19,440

was out if it wasn't for that they

1224

00:47:23,990 --> 00:47:20,160

wouldn't have

1225

00:47:26,309 --> 00:47:24,000

of uh

1226

00:47:27,910 --> 00:47:26,319

newspaper stories about it and and if

1227

00:47:30,470 --> 00:47:27,920

you and the thing was

1228

00:47:31,750 --> 00:47:30,480

martin the newspaper accounts never

1229

00:47:35,349 --> 00:47:31,760

mentioned

1230

00:47:38,150 --> 00:47:35,359

uh aliens or flying saucers or

1231

00:47:39,510 --> 00:47:38,160

or anything extraterrestrial they they

1232

00:47:42,549 --> 00:47:39,520

referred to the

1233

00:47:44,309 --> 00:47:42,559

flying saucer as an instrument now to me

1234

00:47:45,109 --> 00:47:44,319

that sounds like a little gadget you

1235

00:47:47,190 --> 00:47:45,119

know

1236

00:47:49,109 --> 00:47:47,200

like like a little gadget they never

1237

00:47:52,309 --> 00:47:49,119

referred to anything

1238

00:47:55,430 --> 00:47:52,319

uh that was uh off planet so

1239

00:47:57,589 --> 00:47:55,440

uh so that's how they dealt with it and

1240

00:47:59,270 --> 00:47:57,599

it worked for 30 years

1241

00:48:01,430 --> 00:47:59,280

you know i never heard that side of it

1242

00:48:04,069 --> 00:48:01,440

that's that's really fascinating to me

1243

00:48:05,270 --> 00:48:04,079

one more roswell question is last time i

1244

00:48:08,150 --> 00:48:05,280

had don schmidt

1245

00:48:09,349 --> 00:48:08,160

on was quite a while ago and he was

1246

00:48:13,270 --> 00:48:09,359

chasing

1247

00:48:16,390 --> 00:48:13,280

some supposed evidence at the time

1248

00:48:19,510 --> 00:48:16,400

and he was real busy did anything

1249

00:48:22,390 --> 00:48:19,520

uh come out of that we're still chasing

1250

00:48:23,750 --> 00:48:22,400

really the same we're still as we speak

1251

00:48:27,270 --> 00:48:23,760

we're still chasing

1252

00:48:29,270 --> 00:48:27,280

to use don's term wow i i am uh

1253

00:48:30,790 --> 00:48:29,280

that's all i can tell you it'll be

1254

00:48:31,510 --> 00:48:30,800

interesting to see what happens through

1255

00:48:34,390 --> 00:48:31,520

that

1256

00:48:35,030 --> 00:48:34,400

it will be yeah all right getting back

1257

00:48:37,829 --> 00:48:35,040

to

1258

00:48:38,870 --> 00:48:37,839

wright patterson are there people that

1259

00:48:43,109 --> 00:48:38,880

are

1260

00:48:46,950 --> 00:48:43,119

actually talking about things that

1261

00:48:49,589 --> 00:48:46,960

they've seen there well uh

1262

00:48:52,790 --> 00:48:49,599

you have to understand that uh if you're

1263

00:48:55,670 --> 00:48:52,800

20 years old in 1947

1264

00:48:56,470 --> 00:48:55,680

you're very old today so there aren't

1265

00:48:58,309 --> 00:48:56,480

many

1266

00:49:00,870 --> 00:48:58,319

left that are what we would call

1267

00:49:04,950 --> 00:49:00,880

firsthand witnesses to anything

1268

00:49:06,150 --> 00:49:04,960

very few left and so we get most of our

1269

00:49:08,950 --> 00:49:06,160

stories

1270

00:49:09,750 --> 00:49:08,960

that originate in 1947 from family

1271

00:49:13,270 --> 00:49:09,760

members

1272

00:49:15,589 --> 00:49:13,280

but we do get stories of

1273

00:49:16,390 --> 00:49:15,599

people who worked at wright patterson

1274

00:49:19,589 --> 00:49:16,400

and uh

1275

00:49:20,549 --> 00:49:19,599

we have several of uh from family

1276

00:49:24,470 --> 00:49:20,559

members of

1277

00:49:28,230 --> 00:49:24,480

people who actually helped uh

1278

00:49:30,470 --> 00:49:28,240

construct the underground hangars that

1279

00:49:33,109 --> 00:49:30,480

go down as far as 10 levels

1280

00:49:34,309 --> 00:49:33,119

really under under the ground uh under

1281

00:49:39,510 --> 00:49:34,319

building 18

1282

00:49:43,030 --> 00:49:39,520

were connected underground

1283

00:49:45,270 --> 00:49:43,040

so you came back back and forth and

1284

00:49:47,030 --> 00:49:45,280

today and if you go on the base even

1285

00:49:50,470 --> 00:49:47,040

today

1286

00:49:51,349 --> 00:49:50,480

you're struck by the number of air vents

1287

00:49:54,470 --> 00:49:51,359

that uh

1288

00:49:55,990 --> 00:49:54,480

come out of the ground and you're

1289

00:49:57,829 --> 00:49:56,000

it's only you can only draw one

1290

00:50:00,470 --> 00:49:57,839

conclusion that

1291

00:50:02,790 --> 00:50:00,480

there's a lot of uh wright-patterson air

1292

00:50:04,390 --> 00:50:02,800

force base that's underground

1293

00:50:05,990 --> 00:50:04,400

it's like there's another city

1294

00:50:09,349 --> 00:50:06,000

underground

1295

00:50:12,710 --> 00:50:09,359

now full of vaults and

1296

00:50:13,430 --> 00:50:12,720

you know tunnels and hangers and they go

1297

00:50:16,950 --> 00:50:13,440

down

1298

00:50:21,109 --> 00:50:16,960

several levels now today

1299

00:50:24,470 --> 00:50:21,119

i know for a fact that uh hangar 23

1300

00:50:25,190 --> 00:50:24,480

is uh has been cemented over like if you

1301

00:50:27,430 --> 00:50:25,200

go in that

1302

00:50:28,870 --> 00:50:27,440

you can't you can't like oh well this

1303

00:50:29,430 --> 00:50:28,880

there's nothing under granny well they

1304

00:50:32,870 --> 00:50:29,440

put a

1305

00:50:35,430 --> 00:50:32,880

fresh coat of cement on the floor so

1306

00:50:37,109 --> 00:50:35,440

to cover up all the entrances to the

1307

00:50:41,270 --> 00:50:37,119

underground levels

1308

00:50:43,270 --> 00:50:41,280

uh so um we don't believe that the

1309

00:50:44,549 --> 00:50:43,280

the wreckage and the and the bodies are

1310

00:50:46,790 --> 00:50:44,559

there anymore

1311

00:50:48,230 --> 00:50:46,800

we believe that they left were taken

1312

00:50:52,710 --> 00:50:48,240

elsewhere

1313

00:50:55,270 --> 00:50:52,720

perhaps the area 51 in the early 80s

1314

00:50:56,790 --> 00:50:55,280

but uh all that stuff has been covered

1315

00:50:57,990 --> 00:50:56,800

over

1316

00:51:00,470 --> 00:50:58,000

are you saying that it's completely

1317

00:51:03,910 --> 00:51:00,480

sealed

1318

00:51:05,510 --> 00:51:03,920

well hangar 23 and building 18 are

1319

00:51:07,829 --> 00:51:05,520

and all those underground levels are

1320

00:51:10,710 --> 00:51:07,839

sealed off yes

1321

00:51:11,510 --> 00:51:10,720

wow but that's not for the entire base

1322

00:51:14,710 --> 00:51:11,520

that's for

1323

00:51:16,710 --> 00:51:14,720

the building 18 complex and hangar 23

1324

00:51:17,829 --> 00:51:16,720

and perhaps other other buildings as

1325

00:51:20,710 --> 00:51:17,839

well but

1326

00:51:22,390 --> 00:51:20,720

uh it's as though they said okay fellas

1327

00:51:24,150 --> 00:51:22,400

it's getting too it's

1328

00:51:25,990 --> 00:51:24,160

getting too hot here we got to move this

1329

00:51:28,230 --> 00:51:26,000

stuff elsewhere and they

1330

00:51:30,230 --> 00:51:28,240

you know and they uh it's like when

1331

00:51:32,150 --> 00:51:30,240

you're on the dusty trail and you want

1332

00:51:34,630 --> 00:51:32,160

to cover your tracks you take

1333

00:51:35,270 --> 00:51:34,640

something to sweep your tracks you know

1334

00:51:38,150 --> 00:51:35,280

and

1335

00:51:40,150 --> 00:51:38,160

we think that's what they did okay so

1336

00:51:43,670 --> 00:51:40,160

now i want to talk to you get your

1337

00:51:46,710 --> 00:51:43,680

your take on chase brandon because uh

1338

00:51:48,870 --> 00:51:46,720

i've had someone else on the show that

1339

00:51:50,390 --> 00:51:48,880

thought he was i mean i thought right

1340

00:51:51,430 --> 00:51:50,400

away it was really silly that someone

1341

00:51:54,549 --> 00:51:51,440

would find a box

1342

00:51:57,990 --> 00:51:54,559

marked roswell and

1343

00:52:00,309 --> 00:51:58,000

according to grant cameron that was just

1344

00:52:01,430 --> 00:52:00,319

his way of saying it without spilling

1345

00:52:03,030 --> 00:52:01,440

the beans or

1346

00:52:05,589 --> 00:52:03,040

a little bit of truth a little bit of

1347

00:52:07,190 --> 00:52:05,599

lie mixed in together to actually

1348

00:52:09,030 --> 00:52:07,200

say something you wanted to say but

1349

00:52:10,630 --> 00:52:09,040

what's your take on on that whole

1350

00:52:14,309 --> 00:52:10,640

situation

1351  
00:52:15,270 --> 00:52:14,319  
uh my uh my take on that uh martin is

1352  
00:52:17,589 --> 00:52:15,280  
that uh

1353  
00:52:18,470 --> 00:52:17,599  
chase brandon or brandon chase i don't

1354  
00:52:21,270 --> 00:52:18,480  
know

1355  
00:52:22,470 --> 00:52:21,280  
which which is the first word he was

1356  
00:52:24,549 --> 00:52:22,480  
selling a book

1357  
00:52:26,470 --> 00:52:24,559  
he had a book that was coming out and he

1358  
00:52:29,349 --> 00:52:26,480  
was spicing it up a bit

1359  
00:52:31,270 --> 00:52:29,359  
with this uh i believe it was a tall

1360  
00:52:34,390 --> 00:52:31,280  
tale

1361  
00:52:34,630 --> 00:52:34,400  
we've never heard of a roswell uh folder

1362  
00:52:39,589 --> 00:52:34,640  
in

1363  
00:52:41,589 --> 00:52:39,599

do i got here oh this is about roswell

1364

00:52:43,109 --> 00:52:41,599

and uh there's no way there's no way to

1365

00:52:45,109 --> 00:52:43,119

corroborate that

1366

00:52:47,270 --> 00:52:45,119

his story might be true but there's

1367

00:52:49,270 --> 00:52:47,280

there's no way to corroborate that

1368

00:52:50,630 --> 00:52:49,280

and the fact that he had a book coming

1369

00:52:54,069 --> 00:52:50,640

out at the same time

1370

00:52:56,950 --> 00:52:54,079

to me tells me he was just giving

1371

00:52:58,790 --> 00:52:56,960

giving you a little teaser he was

1372

00:53:00,309 --> 00:52:58,800

throwing out a teaser like oh my

1373

00:53:01,510 --> 00:53:00,319

goodness maybe there's more in the book

1374

00:53:04,230 --> 00:53:01,520

about that

1375

00:53:04,870 --> 00:53:04,240

and uh so we we just wrote that story

1376

00:53:07,270 --> 00:53:04,880

off

1377

00:53:08,150 --> 00:53:07,280

but there was another fella after chase

1378

00:53:11,750 --> 00:53:08,160

brandon

1379

00:53:16,069 --> 00:53:11,760

with a similar scenario he had a book

1380

00:53:18,390 --> 00:53:16,079

and uh he spice he threw a teaser out

1381

00:53:21,349 --> 00:53:18,400

that involved roswell

1382

00:53:22,549 --> 00:53:21,359

and all of all it is it lets you know

1383

00:53:25,510 --> 00:53:22,559

that roswell

1384

00:53:26,710 --> 00:53:25,520

is still you know people are still

1385

00:53:27,990 --> 00:53:26,720

interested in it

1386

00:53:30,150 --> 00:53:28,000

a lot of people think oh well there

1387

00:53:33,829 --> 00:53:30,160

can't be any more to learn well there

1388

00:53:37,510 --> 00:53:33,839

there is and uh you know somebody like a

1389

00:53:39,430 --> 00:53:37,520

chase brandon or this other fellow

1390

00:53:40,950 --> 00:53:39,440

might have new information people are

1391

00:53:43,670 --> 00:53:40,960

interested in it

1392

00:53:45,190 --> 00:53:43,680

well speaking of a teaser we're just

1393

00:53:46,950 --> 00:53:45,200

about out of time here but

1394

00:53:48,309 --> 00:53:46,960

is there another little teaser you can

1395

00:53:50,390 --> 00:53:48,319

throw away for

1396

00:53:51,750 --> 00:53:50,400

someone that might be interested in in

1397

00:53:55,510 --> 00:53:51,760

buying your book

1398

00:53:57,990 --> 00:53:55,520

yes yes uh we have a chapter

1399

00:53:59,990 --> 00:53:58,000

in the book called the jawbone that

1400

00:54:03,750 --> 00:54:00,000

spoke martian

1401

00:54:07,670 --> 00:54:03,760

it's about a strange jawbone

1402

00:54:11,910 --> 00:54:07,680

that originated

1403

00:54:14,790 --> 00:54:11,920

at wright patterson that came into

1404

00:54:16,710 --> 00:54:14,800

our knowledge and it's a very

1405

00:54:19,750 --> 00:54:16,720

interesting story about this

1406

00:54:21,750 --> 00:54:19,760

jawbone that it's been exact i have a

1407

00:54:23,190 --> 00:54:21,760

background in the physical anthropology

1408

00:54:25,589 --> 00:54:23,200

myself

1409

00:54:26,549 --> 00:54:25,599

and i at first thought it was a uh

1410

00:54:28,390 --> 00:54:26,559

prosciutto

1411

00:54:30,309 --> 00:54:28,400

uh like a lemur you know the ring-tailed

1412

00:54:31,910 --> 00:54:30,319

lemurs that you see at the zoo

1413

00:54:34,309 --> 00:54:31,920

right i thought it might be something

1414

00:54:37,510 --> 00:54:34,319

like that but uh having seen it

1415

00:54:40,390 --> 00:54:37,520

uh in real time at least

1416

00:54:41,109 --> 00:54:40,400

the plaster cast of it it's too large

1417

00:54:47,109 --> 00:54:41,119

for

1418

00:54:48,470 --> 00:54:47,119

and other physical anthropologists that

1419

00:54:51,589 --> 00:54:48,480

have looked at it

1420

00:54:54,069 --> 00:54:51,599

have stated that it's no known

1421

00:54:55,190 --> 00:54:54,079

primate they know of no primate or

1422

00:54:58,630 --> 00:54:55,200

earthly animal

1423

00:55:00,870 --> 00:54:58,640

with that that jawbone so

1424

00:55:02,230 --> 00:55:00,880

we have a chapter on the jawbone that

1425

00:55:05,030 --> 00:55:02,240

spoke martian

1426  
00:55:05,670 --> 00:55:05,040  
and uh you might find that interesting

1427  
00:55:08,470 --> 00:55:05,680  
great

1428  
00:55:12,870 --> 00:55:08,480  
so why don't you throw out your website

1429  
00:55:16,510 --> 00:55:12,880  
our website is [www.roswellinvestigator](http://www.roswellinvestigator.com)

1430  
00:55:21,190 --> 00:55:18,230  
[www.roswellinvestigator.com](http://www.roswellinvestigator.com)

1431  
00:55:22,870 --> 00:55:21,200  
and our book uh inside the real area 51

1432  
00:55:23,670 --> 00:55:22,880  
the secret history of wright patterson

1433  
00:55:26,069 --> 00:55:23,680  
can be

1434  
00:55:27,030 --> 00:55:26,079  
uh purchased at your friendly barnes and

1435  
00:55:30,150 --> 00:55:27,040  
noble

1436  
00:55:33,990 --> 00:55:30,160  
store if if they're still friendly and

1437  
00:55:34,789 --> 00:55:34,000  
uh also on amazon you can get it in the

1438  
00:55:37,910 --> 00:55:34,799

hardback

1439

00:55:40,069 --> 00:55:37,920

i mean in a regular paperback uh you can

1440

00:55:41,670 --> 00:55:40,079

get it on kindle you can get it on ebook

1441

00:55:44,150 --> 00:55:41,680

you can get it on

1442

00:55:45,030 --> 00:55:44,160

whatever electronic version you want

1443

00:55:46,470 --> 00:55:45,040

they have it

1444

00:55:48,470 --> 00:55:46,480

all right well thank you so much tom

1445

00:55:50,069 --> 00:55:48,480

it's been a real pleasure it no the

1446

00:55:51,910 --> 00:55:50,079

pleasure was mine

1447

00:55:55,150 --> 00:55:51,920

thank you for listening to our show and

1448

00:55:57,510 --> 00:55:55,160

please remember to check out our website
