1  
00:00:04,160 --> 00:00:02,389  
and it hits me oh my gosh this is that

2  
00:00:05,360 --> 00:00:04,170  
triangle you know there's explanation

3  
00:00:07,309 --> 00:00:05,370  
for everything that occurred in the

4  
00:00:09,799 --> 00:00:07,319  
rendlesham forest incident that doesn't

5  
00:00:12,440 --> 00:00:09,809  
involve aliens at all it was completely

6  
00:00:16,039 --> 00:00:12,450  
silent it comes right over our heads

7  
00:00:17,660 --> 00:00:16,049  
it's so a classic flying-saucer really

8  
00:00:19,400 --> 00:00:17,670  
standing in the clearing he turned over

9  
00:00:20,779 --> 00:00:19,410  
to my father and held his hand and he

10  
00:00:25,759 --> 00:00:20,789  
looked in his eyes and said we're not

11  
00:00:28,070 --> 00:00:25,769  
alone welcome to Podcast UFO with martin

12  
00:00:31,429 --> 00:00:28,080  
willis and michael luke please remember

13  
00:00:33,620 --> 00:00:31,439

to visit the website podcast UFO com

14

00:00:36,319 --> 00:00:33,630

check out the latest blogs and forums

15

00:00:39,680 --> 00:00:36,329

and while you're there don't forget to

16

00:00:41,510 --> 00:00:39,690

like our very active Facebook page hello

17

00:00:43,670 --> 00:00:41,520

and welcome to the show I'm Martin

18

00:00:46,250 --> 00:00:43,680

Willis your host and michael luke will

19

00:00:47,479 --> 00:00:46,260

be joining us well actually he'll be

20

00:00:50,299 --> 00:00:47,489

joining us right now how you doing

21

00:00:51,380 --> 00:00:50,309

Michael great how are you good you

22

00:00:54,080 --> 00:00:51,390

didn't know I was gonna pull you in this

23

00:00:56,110 --> 00:00:54,090

quickly did you know I was just taking a

24

00:01:00,260 --> 00:00:56,120

drink with you but he said that again

25

00:01:04,460 --> 00:01:00,270

okay yeah well today's podcast is number

26

00:01:06,170 --> 00:01:04,470

71 and it is with well it's it's

27

00:01:08,960 --> 00:01:06,180

actually with no one we don't have a

28

00:01:12,170 --> 00:01:08,970

guest we actually have mark Simha coming

29

00:01:14,000 --> 00:01:12,180

up from Beijing China he's our China

30

00:01:16,399 --> 00:01:14,010

correspondent he'll be with us a little

31

00:01:18,620 --> 00:01:16,409

later on we had a couple of very

32

00:01:21,140 --> 00:01:18,630

interesting things happen this week we

33

00:01:22,899 --> 00:01:21,150

had a couple recordings backlogged that

34

00:01:25,070 --> 00:01:22,909

we were ready to post one of them and

35

00:01:27,249 --> 00:01:25,080

neither one of them worked i'll talk a

36

00:01:30,170 --> 00:01:27,259

little bit more about that later also

37

00:01:32,660 --> 00:01:30,180

because of our talk last week about the

38

00:01:36,410 --> 00:01:32,670

paso gula incident we were going to have

39

00:01:38,390 --> 00:01:36,420

Calvin Parker on but he is undergoing

40

00:01:40,640 --> 00:01:38,400

some medical treatment right now I want

41

00:01:44,300 --> 00:01:40,650

to read a quote from an email he sent me

42

00:01:46,520 --> 00:01:44,310

since the AP story broke about the 40th

43

00:01:49,760 --> 00:01:46,530

anniversary okay here it is right here

44

00:01:51,859 --> 00:01:49,770

quote after the AP tracked me down at my

45

00:01:54,170 --> 00:01:51,869

home and ran the story my whole life has

46

00:01:55,969 --> 00:01:54,180

been turned upside down people I don't

47

00:01:58,249 --> 00:01:55,979

even know are showing up at my door at

48

00:02:00,230 --> 00:01:58,259

all hours of the day I don't even know

49

00:02:02,209 --> 00:02:00,240

how they get my address some are nut

50

00:02:05,060 --> 00:02:02,219

jobs and I can't get rid of them without

51  
00:02:08,080 --> 00:02:05,070  
threatening them the mailman has to hand

52  
00:02:10,520 --> 00:02:08,090  
deliver the mail because there's so much

53  
00:02:12,680 --> 00:02:10,530  
unquote so he's going through a really

54  
00:02:13,730 --> 00:02:12,690  
tough time so if you happen to be

55  
00:02:15,890 --> 00:02:13,740  
listening in

56  
00:02:17,690 --> 00:02:15,900  
you're one of these people attacking him

57  
00:02:19,760 --> 00:02:17,700  
please back off he's a nice guy and

58  
00:02:21,950 --> 00:02:19,770  
before we get into other things here i

59  
00:02:25,480 --> 00:02:21,960  
want to give us one more shout out i

60  
00:02:28,550 --> 00:02:25,490  
gave a few last week to rainier car done

61  
00:02:31,460 --> 00:02:28,560  
hopefully i pronounced that okay he's

62  
00:02:33,260 --> 00:02:31,470  
one of the facebook fans that we have I

63  
00:02:35,300 --> 00:02:33,270

don't not even sure quite sure if he

64

00:02:37,160 --> 00:02:35,310

listens to the show but I wanted to give

65

00:02:40,340 --> 00:02:37,170

a shout out because he's very supportive

66

00:02:42,290 --> 00:02:40,350

on our Facebook page last week you may

67

00:02:46,130 --> 00:02:42,300

remember we talked about the russian

68

00:02:51,260 --> 00:02:46,140

meteorite so i have a clip coming up

69

00:02:54,080 --> 00:02:51,270

here posted by stuart Gary it's a show

70

00:02:56,870 --> 00:02:54,090

called star stuff a really good show I

71

00:02:59,510 --> 00:02:56,880

recommend it and so I'm going to play

72

00:03:01,940 --> 00:02:59,520

that clip now Russian divers have pulled

73

00:03:04,340 --> 00:03:01,950

a half-ton meteorite believed to be from

74

00:03:06,410 --> 00:03:04,350

the famous chilling of links media from

75

00:03:09,320 --> 00:03:06,420

the murky depths of a lake in the Urals

76  
00:03:11,600 --> 00:03:09,330  
the recovery operation came eight months

77  
00:03:13,520 --> 00:03:11,610  
after a piercing streak of light lit up

78  
00:03:15,560 --> 00:03:13,530  
the morning sky in the central Russian

79  
00:03:17,750 --> 00:03:15,570  
region of Cheong Yablonski generating a

80  
00:03:19,790 --> 00:03:17,760  
ground-shaking shockwave which smashed

81  
00:03:22,430 --> 00:03:19,800  
windows in top of buildings entering

82  
00:03:24,890 --> 00:03:22,440  
some 1,500 people event which was

83  
00:03:26,780 --> 00:03:24,900  
recorded on card dash cams and security

84  
00:03:29,120 --> 00:03:26,790  
cameras across the city made worldwide

85  
00:03:31,370 --> 00:03:29,130  
news and also triggered the American

86  
00:03:33,770 --> 00:03:31,380  
nuclear blast detector system in Alaska

87  
00:03:35,960 --> 00:03:33,780  
the medial broke apart into mirrored

88  
00:03:37,430 --> 00:03:35,970

pieces some just centimetres wide the

89

00:03:39,170 --> 00:03:37,440

remnants of which scientists are still

90

00:03:41,630 --> 00:03:39,180

fighting scattered across the remote

91

00:03:43,910 --> 00:03:41,640

region a number of large chunks of

92

00:03:45,880 --> 00:03:43,920

debris was seen by witnesses to splash

93

00:03:48,710 --> 00:03:45,890

into a local lake called Lake Chebarkul

94

00:03:50,780 --> 00:03:48,720

in a recovery operation broadcast live

95

00:03:52,070 --> 00:03:50,790

on Russian television divers entered the

96

00:03:54,200 --> 00:03:52,080

freezing waters of the lake and

97

00:03:55,970 --> 00:03:54,210

recovered a one and a half meter wide

98

00:03:57,590 --> 00:03:55,980

rock which they first wrapped in a

99

00:03:59,690 --> 00:03:57,600

special protective fabric wallet was

100

00:04:01,790 --> 00:03:59,700

still underwater the Balder was then

101  
00:04:03,770 --> 00:04:01,800  
pulled ashore and placed on top of a

102  
00:04:06,050 --> 00:04:03,780  
massive scale for the all-important

103  
00:04:07,790 --> 00:04:06,060  
Wayne however that was an operation

104  
00:04:10,340 --> 00:04:07,800  
which quickly went wrong as several

105  
00:04:12,380 --> 00:04:10,350  
large chunks crumbled off in fact the

106  
00:04:15,800 --> 00:04:12,390  
scale itself then broke just after it

107  
00:04:17,420 --> 00:04:15,810  
hit 570 kilograms scientists involved in

108  
00:04:18,949 --> 00:04:17,430  
the recovery efforts say the meteorite

109  
00:04:21,199 --> 00:04:18,959  
already had a fracture in it when they

110  
00:04:24,230 --> 00:04:21,209  
found it they estimate the original mass

111  
00:04:26,600 --> 00:04:24,240  
of the rock at some 600 kilograms they

112  
00:04:27,560 --> 00:04:26,610  
say it'll be some time before scientists

113  
00:04:28,970 --> 00:04:27,570

can certify that

114

00:04:31,400 --> 00:04:28,980

Rock they pulled from the lake did

115

00:04:33,230 --> 00:04:31,410

indeed come from outer space divers have

116

00:04:34,970 --> 00:04:33,240

already recovered some 12 pieces from

117

00:04:37,010 --> 00:04:34,980

the lake since the february 15th

118

00:04:38,780 --> 00:04:37,020

incident however only about four or five

119

00:04:41,840 --> 00:04:38,790

of those rocks turned out to be real

120

00:04:43,880 --> 00:04:41,850

meteorites still researchers at John the

121

00:04:46,100 --> 00:04:43,890

blintz State University seem confident

122

00:04:47,570 --> 00:04:46,110

with their latest find they believe this

123

00:04:49,370 --> 00:04:47,580

will be one of the largest fragments of

124

00:04:51,400 --> 00:04:49,380

the meteor and most likely one of the

125

00:04:53,720 --> 00:04:51,410

ten largest meteorites ever recovered

126  
00:04:55,790 --> 00:04:53,730  
researchers believe the medial probably

127  
00:04:57,590 --> 00:04:55,800  
weighed about 10,000 tons when it

128  
00:04:59,990 --> 00:04:57,600  
exploded a few kilometers in the air

129  
00:05:02,630 --> 00:05:00,000  
with a force equivalent to 30 Hiroshima

130  
00:05:04,550 --> 00:05:02,640  
size nuclear bombs scientists say an

131  
00:05:06,170 --> 00:05:04,560  
object that large usually approaches

132  
00:05:09,470 --> 00:05:06,180  
earth only once every three or four

133  
00:05:11,990 --> 00:05:09,480  
decades Chelyabinsk was once part of the

134  
00:05:13,640 --> 00:05:12,000  
Soviet Union's industrial heartland but

135  
00:05:16,100 --> 00:05:13,650  
it's in a dramatic slide in living

136  
00:05:17,960 --> 00:05:16,110  
standards of late local residents are

137  
00:05:19,790 --> 00:05:17,970  
now trying to use the media to draw

138  
00:05:22,250 --> 00:05:19,800

tourists to their isolated part of

139

00:05:23,660 --> 00:05:22,260

Russia a special council meeting made up

140

00:05:25,760 --> 00:05:23,670

of scientist and prominent residents

141

00:05:28,040 --> 00:05:25,770

this week urged the local government to

142

00:05:30,230 --> 00:05:28,050

erect a six-story tall statue in honor

143

00:05:33,110 --> 00:05:30,240

of the space rock when or without look

144

00:05:35,120 --> 00:05:33,120

like media reports say the council is

145

00:05:36,950 --> 00:05:35,130

also hoping to set up special hiking

146

00:05:38,600 --> 00:05:36,960

trails for foreign tourists interested

147

00:05:41,180 --> 00:05:38,610

in visiting the lake and other spots

148

00:05:43,520 --> 00:05:41,190

where debris is being found Michael uh

149

00:05:44,570 --> 00:05:43,530

what do you think about the Russians

150

00:05:46,760 --> 00:05:44,580

they're pretty smart trying to

151  
00:05:49,610 --> 00:05:46,770  
capitalize on this meter they're going

152  
00:05:52,580 --> 00:05:49,620  
to build a monument and everything and

153  
00:05:53,600 --> 00:05:52,590  
trails they know when to cash in on this

154  
00:05:57,050 --> 00:05:53,610  
type of stuff what do you think about

155  
00:05:59,840 --> 00:05:57,060  
that whole thing every little town you

156  
00:06:02,750 --> 00:05:59,850  
know every medium sized town has to grab

157  
00:06:04,460 --> 00:06:02,760  
on to what they can to to pull an extra

158  
00:06:07,370 --> 00:06:04,470  
dollars lately I definitely don't fault

159  
00:06:10,130 --> 00:06:07,380  
them that I really can't wait to see

160  
00:06:12,770 --> 00:06:10,140  
what the meteor sculpture looks like I

161  
00:06:16,160 --> 00:06:12,780  
know I was trying to picture that like

162  
00:06:17,600 --> 00:06:16,170  
like I think I might have created a

163  
00:06:20,750 --> 00:06:17,610

meteor sculpture in the past without

164

00:06:21,770 --> 00:06:20,760

realizing that's possibly yeah I don't

165

00:06:23,690 --> 00:06:21,780

know if it's gonna be like broken

166

00:06:25,640 --> 00:06:23,700

windows so around a rock or something

167

00:06:28,280 --> 00:06:25,650

you know I mean what did they say there

168

00:06:29,870 --> 00:06:28,290

was something like 30,000 broken windows

169

00:06:31,850 --> 00:06:29,880

or something like that I can't remember

170

00:06:34,070 --> 00:06:31,860

the number is huge right you're right

171

00:06:36,920 --> 00:06:34,080

you know what Bray a bunch of broken

172

00:06:40,820 --> 00:06:36,930

glass that is a that is a good idea it's

173

00:06:43,610 --> 00:06:40,830

kind of a new germanic arts kind of a

174

00:06:45,890 --> 00:06:43,620

like breaking of the vessels or are one

175

00:06:47,810 --> 00:06:45,900

of those sculptures I like that yeah he

176  
00:06:51,530 --> 00:06:47,820  
plus it can be green you know recycling

177  
00:06:53,240 --> 00:06:51,540  
yeah right yeah and dangerous oh yeah

178  
00:06:55,280 --> 00:06:53,250  
dangerous just like on Saturday Night

179  
00:06:57,320 --> 00:06:55,290  
Live they used to remember Dan Aykroyd

180  
00:06:59,210 --> 00:06:57,330  
used to say broken glass that's where

181  
00:07:01,270 --> 00:06:59,220  
we're selling kids broken glass I'm not

182  
00:07:06,260 --> 00:07:01,280  
old enough to remember Danny Aykroyd yes

183  
00:07:08,750 --> 00:07:06,270  
you bastard okay all right so Michael

184  
00:07:11,630 --> 00:07:08,760  
what is going on with the news this week

185  
00:07:13,790 --> 00:07:11,640  
well you know it's it's another weird

186  
00:07:17,030 --> 00:07:13,800  
week that that brings lots of stories

187  
00:07:20,000 --> 00:07:17,040  
but but nothing no you know huge

188  
00:07:21,620 --> 00:07:20,010

sightings or anything but this first one

189

00:07:24,320 --> 00:07:21,630

I think is pretty interesting and that

190

00:07:26,960 --> 00:07:24,330

is a new UFO hunting manual is is being

191

00:07:29,660 --> 00:07:26,970

released hanes who are famous for their

192

00:07:32,600 --> 00:07:29,670

aftermarket automotive repair guides are

193

00:07:34,760 --> 00:07:32,610

offering a UFO investigations manual

194

00:07:36,830 --> 00:07:34,770

right now it is being sold in the UK and

195

00:07:39,380 --> 00:07:36,840

it includes the common type of craft

196

00:07:41,270 --> 00:07:39,390

spotted and common flight paths over

197

00:07:42,830 --> 00:07:41,280

Great Britain the manual will be

198

00:07:44,660 --> 00:07:42,840

released later this year in the United

199

00:07:46,700 --> 00:07:44,670

States and can be pre-ordered right now

200

00:07:48,320 --> 00:07:46,710

from amazon.com for about twenty three

201  
00:07:49,850 --> 00:07:48,330  
dollars well I think that's great I

202  
00:07:51,830 --> 00:07:49,860  
think they should actually make a repair

203  
00:07:54,020 --> 00:07:51,840  
manual for UFOs you know how they crash

204  
00:07:55,130 --> 00:07:54,030  
sometimes the article I one of the

205  
00:07:58,340 --> 00:07:55,140  
articles I read said this was their

206  
00:08:00,380 --> 00:07:58,350  
first non car manual I thought they

207  
00:08:03,380 --> 00:08:00,390  
actually made a repair manual for the

208  
00:08:05,180 --> 00:08:03,390  
Starship Enterprise a few years ago but

209  
00:08:07,490 --> 00:08:05,190  
that might have been Chilton's now that

210  
00:08:08,600 --> 00:08:07,500  
i think about it but uh if I mean if

211  
00:08:10,040 --> 00:08:08,610  
anybody works in their cars out there

212  
00:08:12,650 --> 00:08:10,050  
they're probably familiar with Haynes

213  
00:08:14,990 --> 00:08:12,660

Haynes guides uh kept my Volkswagen

214

00:08:16,520 --> 00:08:15,000

running all through college I know that

215

00:08:18,890 --> 00:08:16,530

and this should be an interesting an

216

00:08:20,570 --> 00:08:18,900

interesting book well I use children's

217

00:08:22,370 --> 00:08:20,580

myself but you know what i was thinking

218

00:08:26,090 --> 00:08:22,380

about we should we should create a book

219

00:08:27,620 --> 00:08:26,100

called UFO for dummies you know you know

220

00:08:30,680 --> 00:08:27,630

i think there might be one already is

221

00:08:32,060 --> 00:08:30,690

there one I think the guy was good I was

222

00:08:35,450 --> 00:08:32,070

gonna get Steven Greer involved in

223

00:08:38,240 --> 00:08:35,460

everything but uh I'm going down the

224

00:08:39,380 --> 00:08:38,250

path of Steven Greer again already you

225

00:08:44,090 --> 00:08:39,390

know what you know what happened last

226

00:08:46,130 --> 00:08:44,100

time right we got threatened what yeah

227

00:08:48,980 --> 00:08:46,140

we got threatened you don't know you

228

00:08:51,620 --> 00:08:48,990

didn't know that I was carefully opening

229

00:08:53,840 --> 00:08:51,630

my mail for fear of anthrax and all that

230

00:08:54,800 --> 00:08:53,850

for a couple of weeks but we're not

231

00:08:56,930 --> 00:08:54,810

really picking on

232

00:08:58,880 --> 00:08:56,940

Steven Greer were just saying he could

233

00:09:01,460 --> 00:08:58,890

write the foreword to UFOs for dummies

234

00:09:04,400 --> 00:09:01,470

that there's nothing we're not really

235

00:09:08,330 --> 00:09:04,410

picking on him are we uh if we're being

236

00:09:11,470 --> 00:09:08,340

threatened I'm not okay so let's move on

237

00:09:14,210 --> 00:09:11,480

all right 1,000 neighbors and counting

238

00:09:16,400 --> 00:09:14,220

scientists have now cataloged over 1,000

239

00:09:19,220 --> 00:09:16,410

exoplanets with about a dozen falling in

240

00:09:21,560 --> 00:09:19,230

the Goldilocks zone which suggests they

241

00:09:24,560 --> 00:09:21,570

could support life the growing body of

242

00:09:26,900 --> 00:09:24,570

catalog planets not only helps us refine

243

00:09:28,220 --> 00:09:26,910

our planet finding capabilities it also

244

00:09:29,930 --> 00:09:28,230

helps us to refine some of the

245

00:09:32,180 --> 00:09:29,940

estimations used in the famous Drake

246

00:09:33,620 --> 00:09:32,190

Equation the mathematical formula which

247

00:09:35,510 --> 00:09:33,630

attempts to estimate the number of

248

00:09:37,400 --> 00:09:35,520

advanced civilizations that currently

249

00:09:40,190 --> 00:09:37,410

inhabit the universe I know you're a big

250

00:09:43,040 --> 00:09:40,200

fan of the Drake Equation yes i'm a big

251  
00:09:45,110 --> 00:09:43,050  
fan of the Drake Equation just needs a

252  
00:09:47,329 --> 00:09:45,120  
little tweaking that's all well this is

253  
00:09:48,920 --> 00:09:47,339  
we're gonna start tweaking it now I mean

254  
00:09:51,820 --> 00:09:48,930  
for the first time we can we can kind of

255  
00:09:54,019 --> 00:09:51,830  
say you know we have a percentage that

256  
00:09:56,990 --> 00:09:54,029  
you know what is that end up being

257  
00:09:59,990 --> 00:09:57,000  
one-point-two percent of planets seemed

258  
00:10:01,730 --> 00:10:00,000  
to fall in this habitable zone and and

259  
00:10:03,200 --> 00:10:01,740  
that's a much better estimation than we

260  
00:10:05,030 --> 00:10:03,210  
ever had before I mean when you think

261  
00:10:06,200 --> 00:10:05,040  
about it you were giving me a little

262  
00:10:07,400 --> 00:10:06,210  
trouble because I'm not old enough to

263  
00:10:10,370 --> 00:10:07,410

remember Dan Aykroyd and stating that

264

00:10:12,170 --> 00:10:10,380

live just a little yeah yeah yeah you

265

00:10:15,440 --> 00:10:12,180

know it's not my fault I'm as old as you

266

00:10:21,470 --> 00:10:15,450

uh definitely that piscopo Eddie Murphy

267

00:10:23,840 --> 00:10:21,480

zone but um who inai whatever with when

268

00:10:27,170 --> 00:10:23,850

that when I was when I was a kid all

269

00:10:30,140 --> 00:10:27,180

probably when I was in college I mean we

270

00:10:32,870 --> 00:10:30,150

knew of no planets outside of our solar

271

00:10:34,760 --> 00:10:32,880

system when I when I was in you know

272

00:10:36,860 --> 00:10:34,770

public school i'll mention allah we had

273

00:10:40,340 --> 00:10:36,870

nine planets and we've since

274

00:10:42,199 --> 00:10:40,350

disqualified one of them yeah and and

275

00:10:45,199 --> 00:10:42,209

now we have you know over a thousand

276

00:10:47,360 --> 00:10:45,209

more that only in the past few years

277

00:10:49,390 --> 00:10:47,370

that's really kind of amazing it really

278

00:10:52,790 --> 00:10:49,400

is you know I always feel bad for Pluto

279

00:10:55,280 --> 00:10:52,800

you know I mean all this time was a

280

00:10:57,769 --> 00:10:55,290

planet and now it's rejected but I guess

281

00:10:59,449 --> 00:10:57,779

there's some rocks out there you know

282

00:11:02,210 --> 00:10:59,459

further out that are probably even

283

00:11:04,280 --> 00:11:02,220

bigger than Pluto so they just can't you

284

00:11:06,740 --> 00:11:04,290

know they can't substantiate calling it

285

00:11:08,180 --> 00:11:06,750

a planet I say bring back Pluto

286

00:11:10,490 --> 00:11:08,190

personally but all right I think

287

00:11:12,950 --> 00:11:10,500

we should we should do a white house

288

00:11:15,080 --> 00:11:12,960

petition on that one let's get Stephen

289

00:11:17,600 --> 00:11:15,090

Bassett involved in that I'm picking on

290

00:11:21,770 --> 00:11:17,610

the Stephens today oh yeah no I like

291

00:11:23,630 --> 00:11:21,780

Stephen Bassett anyway okay so another

292

00:11:26,330 --> 00:11:23,640

thing out there a lot of people don't

293

00:11:29,900 --> 00:11:26,340

think of is you know some of these moons

294

00:11:33,890 --> 00:11:29,910

just in our own solar system are very

295

00:11:38,180 --> 00:11:33,900

mysterious and could actually possibly

296

00:11:40,760 --> 00:11:38,190

host life of some type or it could have

297

00:11:43,700 --> 00:11:40,770

at one time what I'm really saying here

298

00:11:46,070 --> 00:11:43,710

is that it is possible that some moons

299

00:11:49,220 --> 00:11:46,080

of all these planets are finding you

300

00:11:52,070 --> 00:11:49,230

know could also host life am I going too

301  
00:11:55,280 --> 00:11:52,080  
far out there I might be no no I that's

302  
00:11:58,940 --> 00:11:55,290  
that's entirely uh you know a valid

303  
00:12:00,200 --> 00:11:58,950  
theory i believe titan there's people

304  
00:12:02,750 --> 00:12:00,210  
who argue that there might be liquid

305  
00:12:06,710 --> 00:12:02,760  
water on on it all right under the ice

306  
00:12:09,200 --> 00:12:06,720  
right at you know when you get to out a

307  
00:12:11,240 --> 00:12:09,210  
little bit those larger planets in our

308  
00:12:14,120 --> 00:12:11,250  
own solar system you know their moons

309  
00:12:16,640 --> 00:12:14,130  
are pretty darn large yeah when you

310  
00:12:19,280 --> 00:12:16,650  
think about it so alien abduction

311  
00:12:22,070 --> 00:12:19,290  
support group after operating as a Colin

312  
00:12:24,290 --> 00:12:22,080  
hotline for years the starborn support

313  
00:12:26,930 --> 00:12:24,300

group has had its first live meeting of

314

00:12:28,910 --> 00:12:26,940

experiences in the Portland area founded

315

00:12:30,560 --> 00:12:28,920

by Audrey and Debbie hewins the group

316

00:12:31,910 --> 00:12:30,570

welcome to Travis Walton abduction

317

00:12:33,650 --> 00:12:31,920

witness Steve Pearce to their first

318

00:12:35,750 --> 00:12:33,660

meeting in our show notes we not only

319

00:12:37,610 --> 00:12:35,760

have a link to the Lewiston Sun Journal

320

00:12:39,830 --> 00:12:37,620

coverage of the first meeting but also

321

00:12:42,140 --> 00:12:39,840

linked to the group itself that was of

322

00:12:44,270 --> 00:12:42,150

course the symposium that I went to

323

00:12:45,950 --> 00:12:44,280

there but they're just publishing this

324

00:12:49,400 --> 00:12:45,960

in that paper that's why you get ahold

325

00:12:50,900 --> 00:12:49,410

of that so speaking of Audrey hewins she

326

00:12:53,840 --> 00:12:50,910

was one of the people that I had

327

00:12:55,610 --> 00:12:53,850

recorded with as well as you von Smith

328

00:12:57,980 --> 00:12:55,620

out in Southern California when I was

329

00:13:00,590 --> 00:12:57,990

out there and both recordings had these

330

00:13:02,600 --> 00:13:00,600

really weird things happen to them and

331

00:13:04,910 --> 00:13:02,610

it's really funny because both of them

332

00:13:08,000 --> 00:13:04,920

said the same thing and that is they

333

00:13:09,620 --> 00:13:08,010

weren't surprised at all and Yvonne

334

00:13:12,920 --> 00:13:09,630

Smith in particular when I was actually

335

00:13:16,310 --> 00:13:12,930

in her office in LAC kenyatta California

336

00:13:18,770 --> 00:13:16,320

I saw a graph on Garageband that I was

337

00:13:20,600 --> 00:13:18,780

actually recording into that was really

338

00:13:21,590 --> 00:13:20,610

strange so I stopped the recording and i

339

00:13:22,939 --> 00:13:21,600

went back and

340

00:13:24,410 --> 00:13:22,949

it's almost like there was that chanting

341

00:13:26,900 --> 00:13:24,420

in the background was a strangest thing

342

00:13:29,689 --> 00:13:26,910

I ever heard so anyway both those

343

00:13:32,150 --> 00:13:29,699

recordings are gone and I'm rambling

344

00:13:34,160 --> 00:13:32,160

here so let's move on with the news okay

345

00:13:35,990 --> 00:13:34,170

I'd like to remind everybody that the

346

00:13:39,470 --> 00:13:36,000

New England UFO conference is this

347

00:13:42,920 --> 00:13:39,480

weekend as we release on friday it will

348

00:13:47,120 --> 00:13:42,930

be tomorrow Saturday and um that'll be

349

00:13:49,460 --> 00:13:47,130

in is it leominster leominster limits

350

00:13:51,470 --> 00:13:49,470

the mass you had a New England accent

351

00:13:54,499 --> 00:13:51,480

it's a lemma stuff Stanton Friedman

352

00:13:56,660 --> 00:13:54,509

Kathleen Martin Travis Walton Steve

353

00:13:58,220 --> 00:13:56,670

Pearce Robert Schroeder and others will

354

00:14:01,790 --> 00:13:58,230

be speaking there and there will also be

355

00:14:03,439 --> 00:14:01,800

a screening of the hidden hand and we'll

356

00:14:05,379 --> 00:14:03,449

be there right I'll be there and please

357

00:14:08,720 --> 00:14:05,389

if you're gonna go please say hi to me

358

00:14:11,420 --> 00:14:08,730

are you how are you gonna wear a special

359

00:14:15,439 --> 00:14:11,430

hat how can i identify you um I like yes

360

00:14:18,069 --> 00:14:15,449

UFO shirt face tattoo no I'll be the

361

00:14:23,300 --> 00:14:18,079

handsome distinguished person there

362

00:14:29,329 --> 00:14:23,310

period uh I'll edit that out I think you

363

00:14:32,689 --> 00:14:29,339

might what uh no I'm going to be up in

364

00:14:35,300 --> 00:14:32,699

the press area but I also will have a

365

00:14:37,040 --> 00:14:35,310

table out and I'll have some oh I don't

366

00:14:38,660 --> 00:14:37,050

know maybe some brochures or something

367

00:14:40,639 --> 00:14:38,670

out there and something like that that

368

00:14:43,249 --> 00:14:40,649

so everybody goes take your picture with

369

00:14:45,410 --> 00:14:43,259

Martin and put it on facebook to bring

370

00:14:48,439 --> 00:14:45,420

the news to close this week skinwalker

371

00:14:49,939 --> 00:14:48,449

ranch is finally being exploited a new

372

00:14:51,710 --> 00:14:49,949

film based on the stories of the

373

00:14:54,319 --> 00:14:51,720

skinwalker ranch will be available on

374

00:14:57,350 --> 00:14:54,329

demand October thirtieth the film

375

00:14:59,780 --> 00:14:57,360

appears to be a found-footage style of

376

00:15:01,819 --> 00:14:59,790

horror film and it is already marketing

377

00:15:03,259 --> 00:15:01,829

itself by inventing a missing researcher

378

00:15:05,480 --> 00:15:03,269

and spreading the story of his

379

00:15:08,050 --> 00:15:05,490

mysterious but completely made-up

380

00:15:11,059 --> 00:15:08,060

disappearance as if it was a real event

381

00:15:12,559 --> 00:15:11,069

right I watched the trailer it looks

382

00:15:15,170 --> 00:15:12,569

like it's going to be a really good

383

00:15:17,509 --> 00:15:15,180

movie but yeah they really embellished a

384

00:15:20,059 --> 00:15:17,519

lot according to the book I read and

385

00:15:23,179 --> 00:15:20,069

speaking of the book and speaking of the

386

00:15:24,679 --> 00:15:23,189

author George Knapp I had a confirmation

387

00:15:28,030 --> 00:15:24,689

that he was going to be on our show and

388

00:15:31,400 --> 00:15:28,040

now he's not returning emails he's not

389

00:15:33,679 --> 00:15:31,410

responding to me on facebook so if

390

00:15:35,120 --> 00:15:33,689

anyone else out there has a connection

391

00:15:38,440 --> 00:15:35,130

with George Knapp

392

00:15:41,630 --> 00:15:38,450

get him on the show and also while I'm

393

00:15:43,340 --> 00:15:41,640

begging for guests like George Knapp who

394

00:15:45,500 --> 00:15:43,350

I'd really want to have on I'm also

395

00:15:47,600 --> 00:15:45,510

looking to get James Fox on if anyone

396

00:15:49,370 --> 00:15:47,610

knows how to get ahold of him I really

397

00:15:53,750 --> 00:15:49,380

like to have him on the show he has that

398

00:15:56,240 --> 00:15:53,760

movie coming out 701 are you familiar

399

00:15:58,340 --> 00:15:56,250

with that Michael we did a story on it I

400

00:16:02,450 --> 00:15:58,350

guess you're familiar with it then yeah

401  
00:16:06,830 --> 00:16:02,460  
it is 701 right I i believe it is either

402  
00:16:10,250 --> 00:16:06,840  
701 or I think it might be the 701 okay

403  
00:16:13,640 --> 00:16:10,260  
and we can't Google anything while we're

404  
00:16:17,330 --> 00:16:13,650  
recording so we'll just kind of leave it

405  
00:16:19,850 --> 00:16:17,340  
at that so we have mark Simha from

406  
00:16:22,040 --> 00:16:19,860  
Beijing China on the line with us right

407  
00:16:24,380 --> 00:16:22,050  
now how you doing mark and they're well

408  
00:16:26,150 --> 00:16:24,390  
thank you high mountain hi Michael now

409  
00:16:28,160 --> 00:16:26,160  
it's ten o'clock in the morning as we're

410  
00:16:31,340 --> 00:16:28,170  
recording are almost 11 here what time

411  
00:16:33,170 --> 00:16:31,350  
is it there yes 12 hours later some 12

412  
00:16:36,050 --> 00:16:33,180  
hours ahead of you since our last talk

413  
00:16:38,300 --> 00:16:36,060

has anything happened in China yeah well

414

00:16:40,850 --> 00:16:38,310

since we've talked not much has happened

415

00:16:44,750 --> 00:16:40,860

that would have been of course looking

416

00:16:47,150 --> 00:16:44,760

for for news what I noticed was a story

417

00:16:50,240 --> 00:16:47,160

from another University in another part

418

00:16:53,000 --> 00:16:50,250

of the country in jilin university where

419

00:16:56,030 --> 00:16:53,010

a student so they have seen a bright

420

00:16:59,120 --> 00:16:56,040

light in the sky and they have recorded

421

00:17:02,000 --> 00:16:59,130

it on the video but there's no I've not

422

00:17:04,579 --> 00:17:02,010

found the video itself I've just seen a

423

00:17:06,350 --> 00:17:04,589

posting on a chinese website and that

424

00:17:08,390 --> 00:17:06,360

posting has been translated in english

425

00:17:13,100 --> 00:17:08,400

and it can be found also in english and

426

00:17:14,600 --> 00:17:13,110

it's a it's really what you see is what

427

00:17:16,610 --> 00:17:14,610

you have the storyboard you see the

428

00:17:19,880 --> 00:17:16,620

picture you see our basically student

429

00:17:22,010 --> 00:17:19,890

pointing at his screen of his computer

430

00:17:25,790 --> 00:17:22,020

and showing showing a bright spot in the

431

00:17:29,810 --> 00:17:25,800

sky so so it it's um i don't know really

432

00:17:32,270 --> 00:17:29,820

what to think about it but it it was the

433

00:17:35,690 --> 00:17:32,280

noticeable story so the university is

434

00:17:40,940 --> 00:17:35,700

located in the city of changchun in the

435

00:17:42,620 --> 00:17:40,950

province of jilin and at night beginning

436

00:17:44,150 --> 00:17:42,630

the first day i'm not sure if it was the

437

00:17:46,910 --> 00:17:44,160

last days of sep tember on the beginning

438

00:17:48,500 --> 00:17:46,920

of the first days of october the

439

00:17:51,710 --> 00:17:48,510

students so bright light in

440

00:17:53,690 --> 00:17:51,720

sky and call his friends because he

441

00:17:55,850 --> 00:17:53,700

didn't have the video and the defense

442

00:17:58,940 --> 00:17:55,860

brought the video and they film it for

443

00:18:02,420 --> 00:17:58,950

two hours and the lights were unmoving

444

00:18:04,250 --> 00:18:02,430

it had three different colors it's not

445

00:18:06,070 --> 00:18:04,260

clear what shape it had its it's more

446

00:18:11,030 --> 00:18:06,080

like a glowing light in the sky and

447

00:18:14,150 --> 00:18:11,040

feedoe after sometime it receded deeper

448

00:18:18,220 --> 00:18:14,160

into the sky or just it just it just

449

00:18:21,980 --> 00:18:18,230

vanished after after some time so that's

450

00:18:24,470 --> 00:18:21,990

that's really really the story that we

451  
00:18:27,670 --> 00:18:24,480  
have in for basically for the month of

452  
00:18:31,070 --> 00:18:27,680  
October I'm sure there are others but

453  
00:18:33,350 --> 00:18:31,080  
that's that's the one I could the

454  
00:18:34,730 --> 00:18:33,360  
relevant one I could I could find one of

455  
00:18:39,740 --> 00:18:34,740  
the things I was thinking about after we

456  
00:18:42,290 --> 00:18:39,750  
spoke last time was one of the areas of

457  
00:18:45,890 --> 00:18:42,300  
China that gets a lot of attention in

458  
00:18:49,570 --> 00:18:45,900  
American documentaries on UFOs or are a

459  
00:18:53,300 --> 00:18:49,580  
lot of mentions are of some kind of

460  
00:18:55,490 --> 00:18:53,310  
secret pyramids that are supposedly in

461  
00:18:57,650 --> 00:18:55,500  
China but have been cordon off by the

462  
00:18:59,450 --> 00:18:57,660  
government and I was wondering if market

463  
00:19:03,890 --> 00:18:59,460

ever heard any of those stories or if

464

00:19:06,410 --> 00:19:03,900

that's kind of a purely Western myth

465

00:19:08,360 --> 00:19:06,420

that is bouncing around out here yeah

466

00:19:10,850 --> 00:19:08,370

I'm afraid I've never heard about it but

467

00:19:15,410 --> 00:19:10,860

doesn't mean it the story is not running

468

00:19:19,760 --> 00:19:15,420

here but a secret pyramid no I'll

469

00:19:21,500 --> 00:19:19,770

there's no there's no suspicion at least

470

00:19:25,180 --> 00:19:21,510

from the public that that's the you know

471

00:19:28,490 --> 00:19:25,190

the truth is hidden from the public so I

472

00:19:30,320 --> 00:19:28,500

what I can I can say is that it

473

00:19:32,510 --> 00:19:30,330

apparently about half the Chinese

474

00:19:35,390 --> 00:19:32,520

believe in UFOs according to some

475

00:19:37,910 --> 00:19:35,400

studies i'm not sure how serious the

476

00:19:40,760 --> 00:19:37,920

studies are and how how the pole was

477

00:19:43,520 --> 00:19:40,770

made but if i ask around me i get about

478

00:19:45,560 --> 00:19:43,530

y'all get about half half people saying

479

00:19:48,170 --> 00:19:45,570

yes i believe in it half people say they

480

00:19:54,080 --> 00:19:48,180

don't know are they or they don't so

481

00:19:58,880 --> 00:19:54,090

it's it's it's very much again I think

482

00:20:02,539 --> 00:19:58,890

the UFO phenomena here is is there in in

483

00:20:06,180 --> 00:20:02,549

the sense that it is believed by be

484

00:20:11,510 --> 00:20:06,190

portion of the population and we have a

485

00:20:14,580 --> 00:20:11,520

very wide press coverage of UFO events

486

00:20:17,789 --> 00:20:14,590

worldwide UFO events and when they

487

00:20:21,980 --> 00:20:17,799

happen here and there you don't have the

488

00:20:26,310 --> 00:20:21,990

I've not seen the bunker a kind of

489

00:20:28,380 --> 00:20:26,320

articles but again i'm not able to to

490

00:20:30,810 --> 00:20:28,390

see all the you know the Chinese

491

00:20:33,630 --> 00:20:30,820

articles but basically what i see in in

492

00:20:35,789 --> 00:20:33,640

the press are when there is no specific

493

00:20:39,930 --> 00:20:35,799

chinese event there is the continuous

494

00:20:42,090 --> 00:20:39,940

stream of world UFO news so you know the

495

00:20:47,039 --> 00:20:42,100

last news but peru for example or the

496

00:20:50,070 --> 00:20:47,049

new revelation about area 51 and so this

497

00:20:53,730 --> 00:20:50,080

is this is being published here so we

498

00:20:55,980 --> 00:20:53,740

have it all over the internet on social

499

00:20:58,860 --> 00:20:55,990

media but also also the you know the

500

00:21:02,580 --> 00:20:58,870

more official press just you know

501  
00:21:05,400 --> 00:21:02,590  
translated in english and reprint every

502  
00:21:07,049 --> 00:21:05,410  
broadcast those those news so we varied

503  
00:21:13,260 --> 00:21:07,059  
the Chinese are very much in the loop of

504  
00:21:16,049 --> 00:21:13,270  
the of the informations that Michael

505  
00:21:19,610 --> 00:21:16,059  
summarized every every every week and

506  
00:21:22,950 --> 00:21:19,620  
bring to the audience of your podcast

507  
00:21:27,299 --> 00:21:22,960  
into a sense the Chinese public is

508  
00:21:30,419 --> 00:21:27,309  
living in the same at the same time then

509  
00:21:33,720 --> 00:21:30,429  
the rest of us the rest of audiences

510  
00:21:35,820 --> 00:21:33,730  
worldwide you know if you are interested

511  
00:21:37,980 --> 00:21:35,830  
in UFOs and your Chinese basically you

512  
00:21:40,770 --> 00:21:37,990  
can read in Chinese more or less what

513  
00:21:44,010 --> 00:21:40,780

you could read in English I'd say that's

514

00:21:46,080 --> 00:21:44,020

this one one comment I would like to

515

00:21:48,780 --> 00:21:46,090

make in your personal experience then

516

00:21:51,270 --> 00:21:48,790

when when you talk to to the Chinese

517

00:21:54,000 --> 00:21:51,280

that you come in contact with and so you

518

00:21:57,210 --> 00:21:54,010

said many of them believe in UFOs the

519

00:21:59,730 --> 00:21:57,220

ones that don't how do they perceive the

520

00:22:01,320 --> 00:21:59,740

ones that do I mean I know in the West

521

00:22:03,600 --> 00:22:01,330

there can be a lot of ridicule at least

522

00:22:07,740 --> 00:22:03,610

especially in America it is there that

523

00:22:10,650 --> 00:22:07,750

sense in China in it that crazy people

524

00:22:12,390 --> 00:22:10,660

believe in UFOs or is it is it something

525

00:22:14,909 --> 00:22:12,400

that it's just a different of opinion

526

00:22:16,029 --> 00:22:14,919

and that's that actually people can be

527

00:22:18,700 --> 00:22:16,039

sitting at the same time

528

00:22:21,759 --> 00:22:18,710

and having very different ideas about a

529

00:22:25,359 --> 00:22:21,769

about topics and have a very polite

530

00:22:29,259 --> 00:22:25,369

conversation and not trying to convince

531

00:22:31,330 --> 00:22:29,269

the other one I mean certainly in the

532

00:22:33,580 --> 00:22:31,340

States but also also in Europe in my

533

00:22:35,789 --> 00:22:33,590

home country we are very good at

534

00:22:39,820 --> 00:22:35,799

starting fights about many things but

535

00:22:41,799 --> 00:22:39,830

that's not the way here so so people can

536

00:22:43,690 --> 00:22:41,809

debate can people can say yeah I'm

537

00:22:45,249 --> 00:22:43,700

interested in it I'm not interested in

538

00:22:47,590 --> 00:22:45,259

it and this is why that it doesn't go

539

00:22:50,919 --> 00:22:47,600

further than that it's not the there's

540

00:22:52,450 --> 00:22:50,929

less the idea of the truth so what I

541

00:22:54,190 --> 00:22:52,460

believe is the truth and the other

542

00:22:56,169 --> 00:22:54,200

person would believe in an opposite

543

00:22:58,210 --> 00:22:56,179

truth and then there's a battle this

544

00:23:00,999 --> 00:22:58,220

this three doesn't doesn't happen here

545

00:23:03,549 --> 00:23:01,009

and it I think it's much more important

546

00:23:06,219 --> 00:23:03,559

to respect everybody's opinion and

547

00:23:07,779 --> 00:23:06,229

interest also some people are just not

548

00:23:09,669 --> 00:23:07,789

interested in it because they say well

549

00:23:10,899 --> 00:23:09,679

it's it's maybe they may be there is

550

00:23:12,969 --> 00:23:10,909

something high in the sky but really

551

00:23:16,839 --> 00:23:12,979

doesn't for the moment at least doesn't

552

00:23:20,799 --> 00:23:16,849

impact my life today so so I'm much more

553

00:23:23,919 --> 00:23:20,809

interested about here and now and what I

554

00:23:26,109 --> 00:23:23,929

can do to in my busy life busy life to

555

00:23:28,509 --> 00:23:26,119

to make it even better they listened

556

00:23:30,639 --> 00:23:28,519

politely and if they disagree that just

557

00:23:33,599 --> 00:23:30,649

say it's in the babies are we go they're

558

00:23:36,639 --> 00:23:33,609

not interested and that so that's okay

559

00:23:38,950 --> 00:23:36,649

the last time that you're on Travis

560

00:23:41,349 --> 00:23:38,960

Walton was on the show and he listened

561

00:23:45,639 --> 00:23:41,359

to the podcast and he sent me a comment

562

00:23:48,009 --> 00:23:45,649

that he was hosting a group from hong

563

00:23:50,830 --> 00:23:48,019

kong this is back on the sixteenth of

564

00:23:52,479 --> 00:23:50,840

September I'm going to see him in

565

00:23:54,519 --> 00:23:52,489

another couple of days I'll talk to him

566

00:23:57,580 --> 00:23:54,529

about that but I was kind of surprised

567

00:23:59,739 --> 00:23:57,590

this was in huber arizona where the

568

00:24:02,499 --> 00:23:59,749

worry i believe huber arizona is

569

00:24:04,659 --> 00:24:02,509

actually where he showed up when when he

570

00:24:07,269 --> 00:24:04,669

was supposedly dropped off after the

571

00:24:10,180 --> 00:24:07,279

abduction and so I was kind of surprised

572

00:24:12,430 --> 00:24:10,190

to hear that the people from Hong Kong

573

00:24:15,310 --> 00:24:12,440

actually had an interest in the Travis

574

00:24:19,359 --> 00:24:15,320

Walton case yes it's interesting I think

575

00:24:21,549 --> 00:24:19,369

there are a number of you know Western

576  
00:24:24,599 --> 00:24:21,559  
American books written about UFOs who

577  
00:24:28,119 --> 00:24:24,609  
are translated into Chinese and sold

578  
00:24:29,710 --> 00:24:28,129  
sold here and read avidly here actually

579  
00:24:32,560 --> 00:24:29,720  
if you should go to

580  
00:24:36,730 --> 00:24:32,570  
I don't know if you you can go to the or

581  
00:24:38,500 --> 00:24:36,740  
Amazon here which is amazon.ca where

582  
00:24:41,070 --> 00:24:38,510  
it's all written in Chinese but you if

583  
00:24:44,050 --> 00:24:41,080  
you just type UFO you will see that a

584  
00:24:48,400 --> 00:24:44,060  
great number of books about UFO topics

585  
00:24:53,170 --> 00:24:48,410  
are sold to to the Chinese public so and

586  
00:24:57,340 --> 00:24:53,180  
because those you know what we consider

587  
00:24:59,470 --> 00:24:57,350  
or UFO stories are being translated

588  
00:25:02,260 --> 00:24:59,480

weeks after weeks they are today weeks

589

00:25:06,100 --> 00:25:02,270

after weeks in in the Chinese press so

590

00:25:07,630 --> 00:25:06,110

so people read about it and if those

591

00:25:10,420 --> 00:25:07,640

poles are to be believed half people

592

00:25:14,260 --> 00:25:10,430

believe in UFOs so it's it's only

593

00:25:18,130 --> 00:25:14,270

natural that Chinese are today great

594

00:25:20,500 --> 00:25:18,140

travelers and they are closed or they

595

00:25:22,330 --> 00:25:20,510

are the number one people traveling

596

00:25:26,080 --> 00:25:22,340

around the world today in terms of

597

00:25:29,890 --> 00:25:26,090

numbers it it makes sense that a number

598

00:25:34,480 --> 00:25:29,900

of them when they when they travel

599

00:25:37,270 --> 00:25:34,490

abroad would be interested to to you

600

00:25:40,600 --> 00:25:37,280

know to visit some some people who are a

601  
00:25:44,290 --> 00:25:40,610  
part of the UFO stories what I've

602  
00:25:48,100 --> 00:25:44,300  
noticed when I go online here in Beijing

603  
00:25:49,990 --> 00:25:48,110  
and I use a buy time to time some some

604  
00:25:54,640 --> 00:25:50,000  
items on on amazon right we have the

605  
00:25:59,290 --> 00:25:54,650  
Chinese amazon.ca n is that if you if

606  
00:26:01,390 --> 00:25:59,300  
you type UFO in the search engine of

607  
00:26:04,930 --> 00:26:01,400  
Amazon you you see that there's a lot of

608  
00:26:07,120 --> 00:26:04,940  
items to to UF for items to buy actually

609  
00:26:09,750 --> 00:26:07,130  
some some of course some objects shaped

610  
00:26:13,200 --> 00:26:09,760  
like UFOs some toys and so on but also

611  
00:26:16,780 --> 00:26:13,210  
number of books and those are either

612  
00:26:18,790 --> 00:26:16,790  
non-fiction accounts of the UFO

613  
00:26:23,830 --> 00:26:18,800

phenomenon written by Chinese or by

614

00:26:26,640 --> 00:26:23,840

foreigners so you know the some American

615

00:26:31,620 --> 00:26:26,650

bestsellers being translated into into

616

00:26:34,300 --> 00:26:31,630

Chinese and I think they do quite well

617

00:26:41,670 --> 00:26:34,310

so the number of people are reading them

618

00:26:43,450 --> 00:26:41,680

and you have also there's some cases of

619

00:26:48,820 --> 00:26:43,460

contemporary fiction

620

00:26:52,269 --> 00:26:48,830

very novels written about on the subject

621

00:26:56,260 --> 00:26:52,279

of UFOs or the UFO is is part of the of

622

00:26:58,539 --> 00:26:56,270

the storyline and one my favorite has

623

00:27:04,060 --> 00:26:58,549

been is is also you can read it in

624

00:27:07,830 --> 00:27:04,070

English it's from a woman writer female

625

00:27:11,289 --> 00:27:07,840

writer called quacks yolu and first

626  
00:27:14,110 --> 00:27:11,299  
novel was very entertaining it was

627  
00:27:16,990 --> 00:27:14,120  
called the English Chinese dictionary

628  
00:27:20,620 --> 00:27:17,000  
for lovers it was sort of a very funny

629  
00:27:25,060 --> 00:27:20,630  
account of the Chinese student going to

630  
00:27:28,690 --> 00:27:25,070  
going to London for to get into a

631  
00:27:30,820 --> 00:27:28,700  
university and her discovery of the west

632  
00:27:36,970 --> 00:27:30,830  
and is through the discovery of English

633  
00:27:41,169 --> 00:27:36,980  
but in a 2009 novel the title its UFO in

634  
00:27:43,539 --> 00:27:41,179  
our eyes it's at it I think it has been

635  
00:27:50,380 --> 00:27:43,549  
turned into or it's being turned into

636  
00:27:54,100 --> 00:27:50,390  
into a movie but she she has the main

637  
00:27:59,799 --> 00:27:54,110  
character is this sort of funny single

638  
00:28:02,289 --> 00:27:59,809

woman in rural South China and she's

639

00:28:06,720 --> 00:28:02,299

considered by her village past her prime

640

00:28:10,000 --> 00:28:06,730

so she's sort of a loud figure and

641

00:28:12,370 --> 00:28:10,010

everything for her change and her

642

00:28:15,190 --> 00:28:12,380

relation with the you know with the

643

00:28:17,380 --> 00:28:15,200

village and and her village change also

644

00:28:21,279 --> 00:28:17,390

the day she claims that she's seen a

645

00:28:25,810 --> 00:28:21,289

flying saucer and then then she recounts

646

00:28:27,700 --> 00:28:25,820

the story of the book is about the

647

00:28:30,310 --> 00:28:27,710

transformation of her life but also the

648

00:28:33,789 --> 00:28:30,320

transformation of that small town that

649

00:28:36,190 --> 00:28:33,799

grows in size in wealth and all these

650

00:28:39,010 --> 00:28:36,200

really triggered by the UFO bigging it

651

00:28:41,500 --> 00:28:39,020

starts to attract tourists and attracts

652

00:28:44,680 --> 00:28:41,510

the the media now one of the things that

653

00:28:47,049 --> 00:28:44,690

always comes to mind when we talk and I

654

00:28:50,230 --> 00:28:47,059

always forget to ask you is there any

655

00:28:52,779 --> 00:28:50,240

accounts of UFOs going back to ancient

656

00:28:54,820 --> 00:28:52,789

times I think this is this is a very

657

00:28:55,990 --> 00:28:54,830

interesting topic and the short answer

658

00:29:00,550 --> 00:28:56,000

is yes

659

00:29:04,510 --> 00:29:00,560

the the one of the earliest account the

660

00:29:09,190 --> 00:29:04,520

most famous one is the one by shen kuo

661

00:29:13,090 --> 00:29:09,200

he's he's a statesman from the Song

662

00:29:15,430 --> 00:29:13,100

Dynasty so he he was a statesman it was

663

00:29:17,920 --> 00:29:15,440

a scientist he was a mathematician he

664

00:29:20,200 --> 00:29:17,930

was an astronomer meteorologist

665

00:29:24,460 --> 00:29:20,210

geologist variety was a musician was a

666

00:29:26,710 --> 00:29:24,470

historian and he was the head official

667

00:29:29,340 --> 00:29:26,720

for the Bureau of astronomy during the

668

00:29:33,940 --> 00:29:29,350

Song Dynasty Song dynasties is sound is

669

00:29:37,720 --> 00:29:33,950

roughly the 11th century and towards the

670

00:29:40,810 --> 00:29:37,730

end of his life he wrote a sort of

671

00:29:47,830 --> 00:29:40,820

scientific compilation called the dream

672

00:29:49,780 --> 00:29:47,840

pool si that's dated 1088 and in it did

673

00:29:52,150 --> 00:29:49,790

a number of very interesting document

674

00:29:55,540 --> 00:29:52,160

for example Shan was the first to

675

00:29:58,120 --> 00:29:55,550

describe the magnetic needle compass for

676

00:30:02,890 --> 00:29:58,130

used for navigation and you know

677

00:30:05,980 --> 00:30:02,900

described by by neca 100 years later but

678

00:30:08,260 --> 00:30:05,990

also in the dream policies you have the

679

00:30:12,010 --> 00:30:08,270

discovery of the concept of the true

680

00:30:15,550 --> 00:30:12,020

pole compared to the North Pole and he

681

00:30:17,650 --> 00:30:15,560

made experiment and he proved it and he

682

00:30:20,260 --> 00:30:17,660

proved it and wrote about it in that

683

00:30:26,140 --> 00:30:20,270

dream police says some basically some

684

00:30:31,150 --> 00:30:26,150

400 years before before we that concept

685

00:30:33,220 --> 00:30:31,160

is fun again in in Europe so is very

686

00:30:37,450 --> 00:30:33,230

much at the cutting edge of his time and

687

00:30:40,000 --> 00:30:37,460

he has a passage in a chapter in in this

688

00:30:43,380 --> 00:30:40,010

in this essay which is called strange

689

00:30:49,930 --> 00:30:43,390

happenings and happenings in Pearl and

690

00:30:53,590 --> 00:30:49,940

this this is a account of a unidentified

691

00:30:57,160 --> 00:30:53,600

flying object and he he dates it this is

692

00:31:01,290 --> 00:30:57,170

a record on Evan it dates it from one of

693

00:31:04,899 --> 00:31:01,300

the Emperor called Rand zone and from

694

00:31:08,589 --> 00:31:04,909

1022 to 1063

695

00:31:11,169 --> 00:31:08,599

and the the description is like a the

696

00:31:14,710 --> 00:31:11,179

objects like a bright pearl hovering

697

00:31:18,580 --> 00:31:14,720

over the city of of young dro at night

698

00:31:22,749 --> 00:31:18,590

and so so it's been described by local

699

00:31:27,399 --> 00:31:22,759

inhabitants in so in young choice is in

700

00:31:30,549 --> 00:31:27,409

today in Jiangsu province and so this is

701

00:31:32,379 --> 00:31:30,559

the maybe i can i can read quickly the

702

00:31:35,349 --> 00:31:32,389

main description because i think it is

703

00:31:38,440 --> 00:31:35,359

extremely contemporary actually i don't

704

00:31:42,909 --> 00:31:38,450

know what you what do you think about it

705

00:31:45,039 --> 00:31:42,919

but this is an account from a poet who

706

00:31:48,700 --> 00:31:45,049

wrote after one of the sightings and you

707

00:31:51,580 --> 00:31:48,710

say when i open its door and a flood of

708

00:31:53,799 --> 00:31:51,590

intense light like sunbeams started out

709

00:31:57,339 --> 00:31:53,809

of it then the outer shell opened up

710

00:32:00,339 --> 00:31:57,349

appearing as a large as a bed with a big

711

00:32:03,460 --> 00:32:00,349

pearl the size of a feast eliminating

712

00:32:06,849 --> 00:32:03,470

the interior in silver lee sorry silvery

713

00:32:09,190 --> 00:32:06,859

white the intense silvery white light

714

00:32:12,339 --> 00:32:09,200

shot from the interior was too strong

715

00:32:15,639 --> 00:32:12,349

for human eyes to behold and it casts

716

00:32:18,759 --> 00:32:15,649

shadows of every tree within the radius

717

00:32:21,609 --> 00:32:18,769

of 10 miles the spectacle was like the

718

00:32:25,659 --> 00:32:21,619

Rising Sun lighting up the distant sky

719

00:32:27,879 --> 00:32:25,669

and woods in red then all of a sudden

720

00:32:30,909 --> 00:32:27,889

the object took off at a tremendous

721

00:32:35,369 --> 00:32:30,919

speed and decided upon the lake like the

722

00:32:39,909 --> 00:32:35,379

Sun setting so that's a dozen exert of

723

00:32:43,960 --> 00:32:39,919

this 11th century description from from

724

00:32:46,570 --> 00:32:43,970

Shen and the pearl this sort so I call

725

00:32:49,779 --> 00:32:46,580

it calls it a pearl as you call it this

726

00:32:52,690 --> 00:32:49,789

strange appearance returns and returns

727

00:32:55,599 --> 00:32:52,700

so the people started to erect a pearl

728

00:32:58,930 --> 00:32:55,609

pavilion on the wayside so people can

729

00:33:01,570 --> 00:32:58,940

come on the boats on the boat and on

730

00:33:05,669 --> 00:33:01,580

that Lake and and hope to see the

731

00:33:11,200 --> 00:33:08,680

so that that's a striking sort of very

732

00:33:15,430 --> 00:33:11,210

ancient testimony and I think a very

733

00:33:17,360 --> 00:33:15,440

beautiful one and somehow very similar

734

00:33:19,520 --> 00:33:17,370

to to today's accountant

735

00:33:22,190 --> 00:33:19,530

both of you think about that yeah

736

00:33:24,470 --> 00:33:22,200

absolutely I know you're a teacher in

737

00:33:28,100 --> 00:33:24,480

Beijing do any other students know about

738

00:33:30,170 --> 00:33:28,110

your book the Texas slides and that you

739

00:33:35,030 --> 00:33:30,180

have an interest in UFOs yes I'm

740

00:33:40,070 --> 00:33:35,040

teaching in one of the main language

741

00:33:43,270 --> 00:33:40,080

universities of Beijing and yes they do

742

00:33:45,740 --> 00:33:43,280

know they do know of course and I think

743

00:33:50,870 --> 00:33:45,750

some of them have been interested in it

744

00:33:52,580 --> 00:33:50,880

and some of them have read it and the

745

00:33:55,780 --> 00:33:52,590

rich the reaction has been as been good

746

00:33:59,690 --> 00:33:55,790

overall I've not I've not you know

747

00:34:01,820 --> 00:33:59,700

people people I please i'm using my my

748

00:34:04,460 --> 00:34:01,830

free time during my vacation to to do

749

00:34:07,520 --> 00:34:04,470

some some writing and and it's but it

750

00:34:10,610 --> 00:34:07,530

seems to be perfectly okay that the you

751  
00:34:14,570 --> 00:34:10,620  
know the big theme of the book is is a

752  
00:34:17,450 --> 00:34:14,580  
map is sort of recount of the stiffened

753  
00:34:20,240 --> 00:34:17,460  
vilma sighting so i got a lot of support

754  
00:34:23,750 --> 00:34:20,250  
and not just from from the from my

755  
00:34:27,619 --> 00:34:23,760  
students but also from my colleagues who

756  
00:34:30,590 --> 00:34:27,629  
who read the books the book and not all

757  
00:34:34,510 --> 00:34:30,600  
of them but some of them and i had even

758  
00:34:39,889 --> 00:34:34,520  
you know big congratulation from from

759  
00:34:42,860 --> 00:34:39,899  
from one of them and so so now I has

760  
00:34:44,980 --> 00:34:42,870  
been a great personal experience for me

761  
00:34:49,730 --> 00:34:44,990  
to go through with that topic and try to

762  
00:34:51,470 --> 00:34:49,740  
to to dig deep within myself what I

763  
00:34:54,110 --> 00:34:51,480

thought about the topic so that was a

764

00:34:58,070 --> 00:34:54,120

sort of journey for me through fiction

765

00:35:00,920 --> 00:34:58,080

to figure out what was my my ideas aware

766

00:35:04,190 --> 00:35:00,930

would the UFO story would take me and

767

00:35:08,380 --> 00:35:04,200

also have to say that ever since I've

768

00:35:11,420 --> 00:35:08,390

published Texas slides I and by

769

00:35:13,340 --> 00:35:11,430

contacting first of all contacting you

770

00:35:16,010 --> 00:35:13,350

and your podcast and I have to say I'm

771

00:35:19,820 --> 00:35:16,020

very grateful because you were you were

772

00:35:23,660 --> 00:35:19,830

the first one that accepted to to do a

773

00:35:26,030 --> 00:35:23,670

an interview with me and that was some

774

00:35:30,560 --> 00:35:26,040

forever grateful for that Martin and

775

00:35:31,180 --> 00:35:30,570

also I learned a lot about the the UFO

776

00:35:34,180 --> 00:35:31,190

community

777

00:35:38,099 --> 00:35:34,190

by just you know speaking about my book

778

00:35:41,250 --> 00:35:38,109

in in different forums and so I've been

779

00:35:46,349 --> 00:35:41,260

educating myself on the topic of UFOs

780

00:35:48,339 --> 00:35:46,359

after I published the Texas slides and

781

00:35:51,010 --> 00:35:48,349

getting to know a little bit better

782

00:35:53,230 --> 00:35:51,020

people who will know much more about the

783

00:35:55,480 --> 00:35:53,240

topic than me I love having you on as

784

00:35:57,790 --> 00:35:55,490

each China correspondent it's always fun

785

00:35:59,859 --> 00:35:57,800

talking to you well thank you Thank You

786

00:36:02,470 --> 00:35:59,869

Martin thank you Michael it's always

787

00:36:04,809 --> 00:36:02,480

good to talk to you Thank You time I get

788

00:36:07,059 --> 00:36:04,819

some rest so Michael I have Nick

789

00:36:08,319 --> 00:36:07,069

Redferns going to be on next week he's

790

00:36:11,370 --> 00:36:08,329

going to be talking about his new book

791

00:36:13,720 --> 00:36:11,380

which is called for nobody's eyes only

792

00:36:16,210 --> 00:36:13,730

missing government files and hidden

793

00:36:19,710 --> 00:36:16,220

archives that document the truth behind

794

00:36:22,390 --> 00:36:19,720

the most enduring conspiracy theories

795

00:36:25,359 --> 00:36:22,400

I'm wondering if UFOs as part of this

796

00:36:27,730 --> 00:36:25,369

site was contacted by his publisher do

797

00:36:29,740 --> 00:36:27,740

you know anything about a nick redfern I

798

00:36:32,200 --> 00:36:29,750

know that a lot of people think highly

799

00:36:35,170 --> 00:36:32,210

of him and a lot of people have been

800

00:36:40,839 --> 00:36:35,180

contacting me about him never heard of

801  
00:36:44,069 --> 00:36:40,849  
him okay uh well you know Nick is

802  
00:36:48,870 --> 00:36:44,079  
obviously a very well-known figure in

803  
00:36:51,339 --> 00:36:48,880  
the field not just of UFOs but of

804  
00:36:53,520 --> 00:36:51,349  
quote-unquote paranormal subjects in

805  
00:36:56,890 --> 00:36:53,530  
general he's written books on

806  
00:36:59,950 --> 00:36:56,900  
cryptozoology and the men in black kiss

807  
00:37:03,250 --> 00:36:59,960  
his alternative version of Roswell our

808  
00:37:04,900 --> 00:37:03,260  
alternate explanation the NASA

809  
00:37:07,740 --> 00:37:04,910  
conspiracies I believe that was one of

810  
00:37:10,960 --> 00:37:07,750  
his titles too I mean he's all over uh

811  
00:37:12,690 --> 00:37:10,970  
as far as topic matter and and he's you

812  
00:37:14,770 --> 00:37:12,700  
know he ends up in quite a few

813  
00:37:18,430 --> 00:37:14,780

documentaries and television shows as

814

00:37:19,780 --> 00:37:18,440

well so um he he is a pretty

815

00:37:22,300 --> 00:37:19,790

knowledgeable guide should be a really

816

00:37:24,970 --> 00:37:22,310

good interview I think so now do you

817

00:37:28,690 --> 00:37:24,980

know the thing behind the alternate

818

00:37:31,120 --> 00:37:28,700

Roswell I hope that I'm not speaking out

819

00:37:36,420 --> 00:37:31,130

of turn I am pretty sure it was him who

820

00:37:40,990 --> 00:37:36,430

put forward the the theory that it was a

821

00:37:44,030 --> 00:37:41,000

secret test craft of ours that had some

822

00:37:48,809 --> 00:37:44,040

kind of um

823

00:37:51,270 --> 00:37:48,819

basically deformed children inside of it

824

00:37:53,280 --> 00:37:51,280

Wow I'm gonna have to ask him about that

825

00:37:54,359 --> 00:37:53,290

so Michael you know getting back to what

826

00:37:57,450 --> 00:37:54,369

we're talking about when we first

827

00:37:59,700 --> 00:37:57,460

started the show me picking on dr.

828

00:38:02,490 --> 00:37:59,710

Steven Greer and then getting you know

829

00:38:05,160 --> 00:38:02,500

sort of a threat and then a couple of

830

00:38:06,510 --> 00:38:05,170

nasty comments you know how I feel about

831

00:38:08,819 --> 00:38:06,520

the show I don't know how you feel you

832

00:38:11,819 --> 00:38:08,829

know I consider you a partner in the

833

00:38:13,980 --> 00:38:11,829

show in how I feel about it is if

834

00:38:17,450 --> 00:38:13,990

someone is not happy with what we're

835

00:38:21,420 --> 00:38:17,460

saying just unplug your ipod and go away

836

00:38:27,620 --> 00:38:21,430

how do you like that well here's my

837

00:38:31,109 --> 00:38:27,630

thing I do believe that there are UFOs I

838

00:38:32,880 --> 00:38:31,119

personally believe that they are that at

839

00:38:36,000 --> 00:38:32,890

least some of them are some kind of

840

00:38:39,420 --> 00:38:36,010

intelligent Lee controlled craft I don't

841

00:38:44,069 --> 00:38:39,430

think that because I believe in UFOs I

842

00:38:48,140 --> 00:38:44,079

have to believe in every UFO story and

843

00:38:51,030 --> 00:38:48,150

there are people who i think are

844

00:38:54,990 --> 00:38:51,040

legitimately dishonest there are people

845

00:38:58,250 --> 00:38:55,000

that I think are out to take money from

846

00:39:02,370 --> 00:38:58,260

people and I don't see where I need to

847

00:39:05,789 --> 00:39:02,380

respect them if you are selling trips to

848

00:39:07,770 --> 00:39:05,799

see invisible UFOs things like that I am

849

00:39:10,170 --> 00:39:07,780

going to have a distrust of you and and

850

00:39:12,210 --> 00:39:10,180

just because I believe in UFOs I don't

851

00:39:14,000 --> 00:39:12,220

let you know i I don't I don't feel

852

00:39:16,799 --> 00:39:14,010

obligated to believe everything and I

853

00:39:20,370 --> 00:39:16,809

believe part of our job on the show is

854

00:39:24,690 --> 00:39:20,380

to is to take an editorial position and

855

00:39:26,720 --> 00:39:24,700

and draw a line and and say this is you

856

00:39:29,579 --> 00:39:26,730

know this is what we're willing to

857

00:39:33,720 --> 00:39:29,589

intellectually invest in or or not

858

00:39:37,200 --> 00:39:33,730

invest in and um kind of like Mark was

859

00:39:40,079 --> 00:39:37,210

saying just because I choose not to

860

00:39:42,720 --> 00:39:40,089

wholeheartedly believe so sir I'm not

861

00:39:45,120 --> 00:39:42,730

necessarily calling people liars you

862

00:39:46,650 --> 00:39:45,130

know I can respectfully say I you know

863

00:39:49,470 --> 00:39:46,660

maybe there's an alternate explanation

864

00:39:50,880 --> 00:39:49,480

to a lot of things you know and then

865

00:39:52,890 --> 00:39:50,890

there are a few people that like I said

866

00:39:54,930 --> 00:39:52,900

I think are basically taking people's

867

00:39:56,700 --> 00:39:54,940

money and and I don't feel bad about

868

00:40:00,089 --> 00:39:56,710

making fun of that call

869

00:40:02,640 --> 00:40:00,099

I'm gonna stop short of specifically may

870

00:40:05,370 --> 00:40:02,650

be calling people out because some of

871

00:40:09,089 --> 00:40:05,380

those people are very lawyer happy yeah

872

00:40:13,050 --> 00:40:09,099

well it's I get an email from Peggy this

873

00:40:16,170 --> 00:40:13,060

morning in Vegas I guess Charles Hall is

874

00:40:19,050 --> 00:40:16,180

speaking about the tall whites he was in

875

00:40:21,060 --> 00:40:19,060

the military but still I think he's way

876

00:40:22,410 --> 00:40:21,070

out there and so I wrote her back and

877

00:40:24,530 --> 00:40:22,420

said you know I should have him on just

878

00:40:27,210 --> 00:40:24,540

to hear what he has to say and then

879

00:40:29,900 --> 00:40:27,220

sometimes I feel like having people that

880

00:40:32,160 --> 00:40:29,910

are way out there on just so I can

881

00:40:33,710 --> 00:40:32,170

confront them and you and I had talked

882

00:40:36,870 --> 00:40:33,720

about doing something like that before

883

00:40:38,670 --> 00:40:36,880

there are some people that do cause a

884

00:40:40,620 --> 00:40:38,680

little bit of damage in other people's

885

00:40:43,530 --> 00:40:40,630

lives I don't think in particular

886

00:40:45,960 --> 00:40:43,540

Charles Hall does but his stories are

887

00:40:47,880 --> 00:40:45,970

pretty far-fetched right and that

888

00:40:53,130 --> 00:40:47,890

doesn't like I said that doesn't

889

00:40:56,250 --> 00:40:53,140

necessarily mean that he is lying it's

890

00:40:58,020 --> 00:40:56,260

just gonna take a little bit more proof

891

00:41:01,500 --> 00:40:58,030

in the case of something like that for

892

00:41:03,690 --> 00:41:01,510

me to like I said intellectually invest

893

00:41:06,120 --> 00:41:03,700

in something when it comes to these

894

00:41:07,859 --> 00:41:06,130

personal experiences you know people

895

00:41:10,260 --> 00:41:07,869

start to take it personally I mean

896

00:41:13,339 --> 00:41:10,270

that's natural and and unfortunately I

897

00:41:16,680 --> 00:41:13,349

think a lot of experience errs

898

00:41:20,130 --> 00:41:16,690

especially but but just UFO enthusiasts

899

00:41:22,890 --> 00:41:20,140

in general kind of see that that it's an

900

00:41:26,520 --> 00:41:22,900

all-or-nothing game you have to believe

901  
00:41:28,620 --> 00:41:26,530  
it all or you you don't believe it at

902  
00:41:29,790 --> 00:41:28,630  
all and and I don't I definitely don't

903  
00:41:32,160 --> 00:41:29,800  
see that I mean there's there's too much

904  
00:41:34,320 --> 00:41:32,170  
contradiction in the field you can't

905  
00:41:36,180 --> 00:41:34,330  
believe everyone and and people with

906  
00:41:38,609 --> 00:41:36,190  
conflicting stories aren't necessarily

907  
00:41:40,320 --> 00:41:38,619  
government agent and then like I said

908  
00:41:42,359 --> 00:41:40,330  
there's another subgroup who were just

909  
00:41:44,460 --> 00:41:42,369  
really out to make a buck at this point

910  
00:41:47,130 --> 00:41:44,470  
and and they're probably the most

911  
00:41:48,540 --> 00:41:47,140  
dangerous of all yeah actually they the

912  
00:41:50,490 --> 00:41:48,550  
kind of the threat that I was talking

913  
00:41:54,240 --> 00:41:50,500

about that I get someone that was very

914

00:41:55,740 --> 00:41:54,250

upset and that particular person falls

915

00:41:58,410 --> 00:41:55,750

right into the category you're talking

916

00:42:00,540 --> 00:41:58,420

about someone that believes at all and

917

00:42:03,120 --> 00:42:00,550

wants to believe it all and then is

918

00:42:05,070 --> 00:42:03,130

angry at people don't that don't believe

919

00:42:09,000 --> 00:42:05,080

it all if you remember back to the

920

00:42:10,260 --> 00:42:09,010

x-files wait way back now 20 20 years

921

00:42:13,260 --> 00:42:10,270

ago

922

00:42:15,270 --> 00:42:13,270

the poster that came out of it that was

923

00:42:19,590 --> 00:42:15,280

on Fox Mulder's wall that they made part

924

00:42:21,930 --> 00:42:19,600

of the beginning is it wasn't a picture

925

00:42:25,170 --> 00:42:21,940

of a UFO and I believe it wasn't a

926

00:42:26,850 --> 00:42:25,180

picture of UFO and believe or or even

927

00:42:30,090 --> 00:42:26,860

the truth is out there which was the end

928

00:42:33,150 --> 00:42:30,100

of the opening sequence the poster said

929

00:42:34,740 --> 00:42:33,160

I want to believe right and that's one

930

00:42:37,620 --> 00:42:34,750

of those things it can be read two ways

931

00:42:40,200 --> 00:42:37,630

it's you know like I want to believe but

932

00:42:43,020 --> 00:42:40,210

I don't quite I want this to be true but

933

00:42:45,090 --> 00:42:43,030

I'm not seeing it yet or it can be that

934

00:42:48,570 --> 00:42:45,100

I want to believe everything that comes

935

00:42:51,660 --> 00:42:48,580

down the pike i wanna i have pre-chosen

936

00:42:53,610 --> 00:42:51,670

if if you are gonna tell me about aliens

937

00:42:55,680 --> 00:42:53,620

and flying saucers I believe you no

938

00:42:57,420 --> 00:42:55,690

matter what you say you know if you try

939

00:43:01,280 --> 00:42:57,430

to convince me that Muppets are actually

940

00:43:04,200 --> 00:43:01,290

aliens good enough for me they're not uh

941

00:43:06,840 --> 00:43:04,210

I sought in a cartoon what must be true

942

00:43:09,000 --> 00:43:06,850

yeah but all right Michael will see you

943

00:43:11,010 --> 00:43:09,010

will be on with Nick Redfern next week

944

00:43:12,710 --> 00:43:11,020

and yeah and we can we can talk about

945

00:43:15,660 --> 00:43:12,720

the hate mail we get this week

946

00:43:17,490 --> 00:43:15,670

absolutely all right talk to you next

947

00:43:19,320 --> 00:43:17,500

week all right you have a great week you

948

00:43:20,880 --> 00:43:19,330

too thank you for listening to our show

949

00:43:24,270 --> 00:43:20,890

and please remember to check out our

950

00:43:26,670 --> 00:43:24,280

website podcast UFO calm for the latest

951

00:43:29,310 --> 00:43:26,680

blogs and forums we will be back next
