

1
00:00:03,110 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:04,249 --> 00:00:03,120
triangle

3
00:00:05,360 --> 00:00:04,259
you know there's explanation for

4
00:00:07,309 --> 00:00:05,370
everything that occurred in the

5
00:00:09,680 --> 00:00:07,319
Rendlesham forest incident that doesn't

6
00:00:13,190 --> 00:00:09,690
involve aliens at all it was completely

7
00:00:16,039 --> 00:00:13,200
silent it comes right over our head it's

8
00:00:17,630 --> 00:00:16,049
so a classic flying-saucer really

9
00:00:19,400 --> 00:00:17,640
standing in the clearing he turned over

10
00:00:20,689 --> 00:00:19,410
to my father and held his hand and he

11
00:00:25,759 --> 00:00:20,699
looked in his eyes and said we're not

12
00:00:28,070 --> 00:00:25,769
alone welcome to podcast UFO with Martin

13
00:00:31,429 --> 00:00:28,080

Willis and Michael Luke please remember

14

00:00:33,770 --> 00:00:31,439

to visit the website podcast UFO comm

15

00:00:36,319 --> 00:00:33,780

check out the latest blogs and forums

16

00:00:39,290 --> 00:00:36,329

and while you're there don't forget to

17

00:00:40,760 --> 00:00:39,300

like our very active Facebook page hello

18

00:00:43,010 --> 00:00:40,770

and welcome to the show on Martin Willis

19

00:00:46,130 --> 00:00:43,020

your host Michael local be joining us in

20

00:00:48,709 --> 00:00:46,140

a second today is podcast number 75 it's

21

00:00:52,939 --> 00:00:48,719

a rare interview with Calvin Parker of

22

00:00:54,319 --> 00:00:52,949

the Pascagoula abduction incident I have

23

00:00:56,470 --> 00:00:54,329

to say I really enjoyed talking to

24

00:00:59,930 --> 00:00:56,480

Calvin he's really such a nice gentleman

25

00:01:02,090 --> 00:00:59,940

and he really has a profound story of

26

00:01:06,440 --> 00:01:02,100

this abduction with a Charlie Higson

27

00:01:09,170 --> 00:01:06,450

that happened back in October 11th 1973

28

00:01:12,710 --> 00:01:09,180

it's one of the most documented cases so

29

00:01:15,350 --> 00:01:12,720

Michael how are you doing this week good

30

00:01:18,740 --> 00:01:15,360

how are you good but I would highly

31

00:01:21,399 --> 00:01:18,750

recommend if I had kidney a kidney stone

32

00:01:24,950 --> 00:01:21,409

this week and I'm telling you it's uh I

33

00:01:26,870 --> 00:01:24,960

I wanted to die so if you think you're

34

00:01:28,969 --> 00:01:26,880

coming down to kidney stone and there's

35

00:01:32,960 --> 00:01:28,979

a bridge nearby you may want to think

36

00:01:35,899 --> 00:01:32,970

about jumping off of it uh probably good

37

00:01:38,030 --> 00:01:35,909

time to note that you're not a doctor

38

00:01:41,719 --> 00:01:38,040

that's not medical hey yeah this is

39

00:01:43,490 --> 00:01:41,729

Amanda yeah yeah I uh but he's not

40

00:01:45,440 --> 00:01:43,500

actually advocating suicide just you

41

00:01:47,300 --> 00:01:45,450

know throwing that out there yeah yeah

42

00:01:50,270 --> 00:01:47,310

so do you think we're covered legally

43

00:01:52,730 --> 00:01:50,280

for that Oh obviously that that's all

44

00:01:55,160 --> 00:01:52,740

the coverage you me but anyway I wanted

45

00:01:57,080 --> 00:01:55,170

to start talking you now because up you

46

00:01:59,270 --> 00:01:57,090

had something to do with our guest this

47

00:02:01,429 --> 00:01:59,280

week and when I said it was a rare

48

00:02:04,399 --> 00:02:01,439

interview Calvin has done very few

49

00:02:05,120 --> 00:02:04,409

interviews and I want to talk about how

50

00:02:07,819 --> 00:02:05,130

it came about

51
00:02:10,339 --> 00:02:07,829
Michael you wrote a blog I think was

52
00:02:13,760 --> 00:02:10,349
back in July on the Pascagoula incident

53
00:02:16,100 --> 00:02:13,770
and Calvin actually was searching on

54
00:02:19,160 --> 00:02:16,110
my nanny found the blog and he wrote a

55
00:02:22,280 --> 00:02:19,170
comment so under that I had his email

56
00:02:23,720 --> 00:02:22,290
address I contacted him and he said sure

57
00:02:25,310 --> 00:02:23,730
he'd got for an interview he doesn't

58
00:02:27,110 --> 00:02:25,320
like to do interviews but he would he

59
00:02:28,940 --> 00:02:27,120
would be on the show but you know this

60
00:02:31,010 --> 00:02:28,950
story gets even better because a few

61
00:02:32,870 --> 00:02:31,020
months ago someone I think emailed you

62
00:02:34,490 --> 00:02:32,880
first right Michael is that right I

63
00:02:37,370 --> 00:02:34,500

don't know that emailed me first I know

64

00:02:39,920 --> 00:02:37,380

they emailed both of us yeah and they

65

00:02:43,400 --> 00:02:39,930

were looking for Kelvin well that ended

66

00:02:45,410 --> 00:02:43,410

up being a long-lost relative and they

67

00:02:49,190 --> 00:02:45,420

ended up connecting through the blog

68

00:02:51,200 --> 00:02:49,200

actually and they speak every single day

69

00:02:53,420 --> 00:02:51,210

sometimes twice a day on the phone and

70

00:02:55,160 --> 00:02:53,430

it's such a great connection you know

71

00:02:57,320 --> 00:02:55,170

all the hard work you and I do in the

72

00:03:00,200 --> 00:02:57,330

show if nothing else comes out of it

73

00:03:01,700 --> 00:03:00,210

this has and that makes me very happy

74

00:03:03,950 --> 00:03:01,710

and I want to thank you Michael for

75

00:03:05,690 --> 00:03:03,960

writing the blog because it's funny how

76

00:03:07,700 --> 00:03:05,700

one little turn can make a difference

77

00:03:10,820 --> 00:03:07,710

someone's life and I know I'm getting

78

00:03:12,110 --> 00:03:10,830

all fuzzy and warm here but I was I was

79

00:03:13,550 --> 00:03:12,120

really excited about this whole thing

80

00:03:15,590 --> 00:03:13,560

and it's very glad

81

00:03:17,740 --> 00:03:15,600

after specially after speaking at Kelvin

82

00:03:21,320 --> 00:03:17,750

and seeing what a quality person he is

83

00:03:24,650 --> 00:03:21,330

that this happened it's great yeah it is

84

00:03:26,060 --> 00:03:24,660

kind of unexpected the things that will

85

00:03:29,270 --> 00:03:26,070

come out of something like this that's

86

00:03:32,870 --> 00:03:29,280

right and I also want to talk about next

87

00:03:34,130 --> 00:03:32,880

week's show because we have another very

88

00:03:37,490 --> 00:03:34,140

rare

89

00:03:38,690 --> 00:03:37,500

interviewee coming up and that it's

90

00:03:40,850 --> 00:03:38,700

going to be like a groundbreaking

91

00:03:43,040 --> 00:03:40,860

interview and that's with Colby Landrum

92

00:03:45,020 --> 00:03:43,050

of the cash Landrum case I think he's

93

00:03:47,780 --> 00:03:45,030

only been on UFO hunters and I think

94

00:03:49,790 --> 00:03:47,790

that's it as far as I know while Chris

95

00:03:52,310 --> 00:03:49,800

Lambright and Curtis Collins will be

96

00:03:55,490 --> 00:03:52,320

joining us they investigated the case so

97

00:03:57,860 --> 00:03:55,500

it's going to be Colby Chris and Curtis

98

00:03:59,570 --> 00:03:57,870

and I and I'm basically going to sit in

99

00:04:00,830 --> 00:03:59,580

the background and let those guys do all

100

00:04:03,680 --> 00:04:00,840

the talking so that's going to be a

101
00:04:06,890 --> 00:04:03,690
great show next week so Michael what's

102
00:04:10,220 --> 00:04:06,900
going on for the news well we have some

103
00:04:12,580 --> 00:04:10,230
TV news we have some science news and a

104
00:04:16,880 --> 00:04:12,590
little bit more but let's start with ITV

105
00:04:18,830 --> 00:04:16,890
lists the top UK UFO sightings to help

106
00:04:22,370 --> 00:04:18,840
promote their new paranormal programme

107
00:04:24,550 --> 00:04:22,380
mystery map the British ITV Network has

108
00:04:27,590 --> 00:04:24,560
published a list of their top three UK

109
00:04:29,540 --> 00:04:27,600
UFO sightings Rendlesham forest

110
00:04:32,240 --> 00:04:29,550
of course tops the list and is the

111
00:04:35,060 --> 00:04:32,250
subject of mystery maps first episode it

112
00:04:38,390 --> 00:04:35,070
was followed by the 1987 ill key more

113
00:04:40,640 --> 00:04:38,400

close encounter in 1993's RAF Cosford

114

00:04:42,110 --> 00:04:40,650

sighting learn more about the sightings

115

00:04:43,460 --> 00:04:42,120

through the link in our show notes and

116

00:04:45,530 --> 00:04:43,470

of course we have links to all our

117

00:04:48,500 --> 00:04:45,540

stories in the show notes at pod casts

118

00:04:49,940 --> 00:04:48,510

UFO comm Michael of course I've heard of

119

00:04:51,740 --> 00:04:49,950

Rendlesham forest and we've actually

120

00:04:54,080 --> 00:04:51,750

done a number of podcasts and you've

121

00:04:56,360 --> 00:04:54,090

done a blog on that but these other

122

00:05:01,450 --> 00:04:56,370

encounters up are you familiar with them

123

00:05:03,950 --> 00:05:01,460

I've just not myself the ill key more

124

00:05:10,930 --> 00:05:03,960

close encounter I was vaguely familiar

125

00:05:13,820 --> 00:05:10,940

with it it involves sightings of beings

126

00:05:17,330 --> 00:05:13,830

the RAF Cosford sighting I can't

127

00:05:19,820 --> 00:05:17,340

honestly say that I remember ever

128

00:05:21,170 --> 00:05:19,830

hearing anything about yeah never heard

129

00:05:23,210 --> 00:05:21,180

anything about it then well it'll be

130

00:05:25,070 --> 00:05:23,220

interesting this show will you actually

131

00:05:27,800 --> 00:05:25,080

be able to see this in the US do you

132

00:05:31,880 --> 00:05:27,810

know I probably if you engage in

133

00:05:33,830 --> 00:05:31,890

internet piracy yes I refuse to answer

134

00:05:35,180 --> 00:05:33,840

that that's probably that's probably

135

00:05:37,400 --> 00:05:35,190

good because we've already had the

136

00:05:39,080 --> 00:05:37,410

lawyers in here yeah we have and yeah

137

00:05:41,540 --> 00:05:39,090

I've already said enough disclaimers

138

00:05:43,690 --> 00:05:41,550

today well actually there's one thing

139

00:05:46,280 --> 00:05:43,700

that I wanted to say and that was

140

00:05:50,780 --> 00:05:46,290

because this list did make me kind of

141

00:05:54,310 --> 00:05:50,790

pause for a second despite everything

142

00:05:57,880 --> 00:05:54,320

that we talked about despite the way

143

00:05:59,690 --> 00:05:57,890

that the world is coming together

144

00:06:01,820 --> 00:05:59,700

actually something I was going to

145

00:06:05,410 --> 00:06:01,830

mention at the end is is you know this

146

00:06:09,590 --> 00:06:05,420

week Saturday is the 50th anniversary of

147

00:06:10,760 --> 00:06:09,600

Doctor Who the British iconic science

148

00:06:15,470 --> 00:06:10,770

fiction television series and they're

149

00:06:17,990 --> 00:06:15,480

going to be simulcasting the 50th

150

00:06:19,670 --> 00:06:18,000

anniversary special in 70 countries wow

151

00:06:23,630 --> 00:06:19,680

you're that guy that came out the day

152

00:06:27,940 --> 00:06:23,640

after JFK's assassination yes yes the

153

00:06:29,960 --> 00:06:27,950

premiere episode was actually a it

154

00:06:32,720 --> 00:06:29,970

interrupted for a few seconds by

155

00:06:35,560 --> 00:06:32,730

breaking news about the assassination in

156

00:06:39,330 --> 00:06:35,570

Britain and so were they planning

157

00:06:41,730 --> 00:06:39,340

assassination sorry probably

158

00:06:43,409 --> 00:06:41,740

not but uh but there's probably a

159

00:06:46,110 --> 00:06:43,419

conspiracy theorist out there who will

160

00:06:47,790 --> 00:06:46,120

maintain that it was the Brits but but

161

00:06:50,520 --> 00:06:47,800

it just seems to me that I was going to

162

00:06:54,180 --> 00:06:50,530

mention that show in in this kind of

163

00:06:56,400 --> 00:06:54,190

realm of of it's been seen by millions

164

00:06:59,150 --> 00:06:56,410

and millions of people for longer than

165

00:07:04,230 --> 00:06:59,160

I've been alive it's produced some some

166

00:07:07,409 --> 00:07:04,240

iconic aliens and if you know popular

167

00:07:09,810 --> 00:07:07,419

culture drives UFO sightings and such I

168

00:07:14,040 --> 00:07:09,820

want to know where are the Dalek

169

00:07:15,420 --> 00:07:14,050

sightings yeah but all that aside that's

170

00:07:19,110 --> 00:07:15,430

something if we want to talk about later

171

00:07:21,840 --> 00:07:19,120

we can on the one hand you have 70

172

00:07:24,180 --> 00:07:21,850

people in 70 countries will be watching

173

00:07:26,040 --> 00:07:24,190

the show all at the same time you know I

174

00:07:30,140 --> 00:07:26,050

think that's probably a record for a non

175

00:07:32,430 --> 00:07:30,150

live sporting event but at the same time

176

00:07:36,180 --> 00:07:32,440

with the internet with all this

177

00:07:38,430 --> 00:07:36,190

satellite television of the three top

178

00:07:41,580 --> 00:07:38,440

you you know UK UFO sightings

179

00:07:45,090 --> 00:07:41,590

I've heard of one I'm vaguely from

180

00:07:47,990 --> 00:07:45,100

familiar with another the third you know

181

00:07:51,210 --> 00:07:48,000

was completely new to me basically and

182

00:07:53,310 --> 00:07:51,220

even that one that we are familiar with

183

00:07:56,450 --> 00:07:53,320

we've probably familiar with because it

184

00:08:00,180 --> 00:07:56,460

was US service personnel involved and

185

00:08:02,550 --> 00:08:00,190

there's still worlds separating us in a

186

00:08:05,219 --> 00:08:02,560

lot of ways on you know in in this field

187

00:08:07,560 --> 00:08:05,229

on this planet and I that just kind of

188

00:08:10,469 --> 00:08:07,570

caught me off guard you know well

189

00:08:13,200 --> 00:08:10,479

canvases survived space travel in glass

190

00:08:15,150 --> 00:08:13,210

armor scientists at the Portland State

191

00:08:17,790 --> 00:08:15,160

University are studying the ability of

192

00:08:20,580 --> 00:08:17,800

viruses to survive extreme conditions if

193

00:08:23,129 --> 00:08:20,590

they are coded in glass like layer of

194

00:08:25,110 --> 00:08:23,139

silica while the coating seems to allow

195

00:08:27,629 --> 00:08:25,120

virus is to hibernate and survive many

196

00:08:30,029 --> 00:08:27,639

extreme circumstances at this point it

197

00:08:31,440 --> 00:08:30,039

seems that such a coating is not hardy

198

00:08:33,510 --> 00:08:31,450

enough to protect viruses while

199

00:08:35,190 --> 00:08:33,520

traveling between planets yeah you

200

00:08:37,949 --> 00:08:35,200

always hear like they're they're

201
00:08:40,320 --> 00:08:37,959
checking out you know meteorites to see

202
00:08:42,180 --> 00:08:40,330
if there's any type of life like

203
00:08:45,150 --> 00:08:42,190
microbial life that actually made it

204
00:08:47,940 --> 00:08:45,160
through and didn't they find some signs

205
00:08:51,569 --> 00:08:47,950
of something or did I hear about that or

206
00:08:53,160 --> 00:08:51,579
my is that just uh am i confused there

207
00:08:57,120 --> 00:08:53,170
have been a few very

208
00:08:59,639 --> 00:08:57,130
controversial claims of evidence in

209
00:09:02,220 --> 00:08:59,649
meteorite charge nothing anybody agrees

210
00:09:03,629 --> 00:09:02,230
on right and you wonder what kind of

211
00:09:05,310 --> 00:09:03,639
money they're spending what kind of

212
00:09:10,110 --> 00:09:05,320
funding they're getting to do this type

213
00:09:11,610 --> 00:09:10,120

of research and why actually in the

214

00:09:14,550 --> 00:09:11,620

article that we've linked to they do

215

00:09:17,600 --> 00:09:14,560

address some of that because one of the

216

00:09:22,019 --> 00:09:17,610

very practical applications of this is

217

00:09:25,620 --> 00:09:22,029

that if they can perfect the silica

218

00:09:28,710 --> 00:09:25,630

coating it might be able to protect very

219

00:09:33,000 --> 00:09:28,720

fragile vaccines and for long-term

220

00:09:34,949 --> 00:09:33,010

storage so that could actually be a very

221

00:09:37,199 --> 00:09:34,959

real-world and practical function of

222

00:09:40,050 --> 00:09:37,209

this research I I guess I feel better

223

00:09:43,050 --> 00:09:40,060

because a lot of times is you know

224

00:09:44,939 --> 00:09:43,060

funding that has just wasted for silly

225

00:09:46,379 --> 00:09:44,949

things that don't really count for

226

00:09:48,750 --> 00:09:46,389

anything so that's good that's all I

227

00:09:51,900 --> 00:09:48,760

have to say you're going to upset our

228

00:09:54,210 --> 00:09:51,910

massive scientist portion of our

229

00:09:56,100 --> 00:09:54,220

audience yeah that's true

230

00:09:59,340 --> 00:09:56,110

sorry about that where are those lawyers

231

00:10:02,430 --> 00:09:59,350

when we need them I know and MUFON comm

232

00:10:04,620 --> 00:10:02,440

is finally getting a facelift according

233

00:10:07,380 --> 00:10:04,630

to a pop up on MUFON comm the new

234

00:10:09,120 --> 00:10:07,390

international director Jan harson is

235

00:10:11,550 --> 00:10:09,130

planning a complete overhaul of the

236

00:10:14,340 --> 00:10:11,560

organization's website now the website

237

00:10:16,170 --> 00:10:14,350

has been woefully neglected with the top

238

00:10:19,949 --> 00:10:16,180

story in its new section being a

239

00:10:22,860 --> 00:10:19,959

commentary on ABC's 2005 Peter Jennings

240

00:10:25,620 --> 00:10:22,870

UFO special stay tuned and MUFON comm

241

00:10:29,250 --> 00:10:25,630

for updates literally we've talked about

242

00:10:32,220 --> 00:10:29,260

this I think how poor the MUFON site for

243

00:10:35,579 --> 00:10:32,230

an organization like that is just kind

244

00:10:39,090 --> 00:10:35,589

of unheard of it is a terrible website

245

00:10:41,639 --> 00:10:39,100

um in in I'm in the interests of full

246

00:10:44,280 --> 00:10:41,649

disclosure I'm not a MUFON member I

247

00:10:46,079 --> 00:10:44,290

actually asked on the forums months ago

248

00:10:48,809 --> 00:10:46,089

you know for anyone that kind of

249

00:10:53,100 --> 00:10:48,819

convinced me and I'm still you know

250

00:10:56,699 --> 00:10:53,110

email me I argue why I should join I am

251
00:11:00,090 --> 00:10:56,709
NOT terribly opposed to it but I look at

252
00:11:03,230 --> 00:11:00,100
things like the website and it is it

253
00:11:06,900 --> 00:11:03,240
means literally years out of date

254
00:11:09,180 --> 00:11:06,910
most of the MUFON news comes from

255
00:11:11,550 --> 00:11:09,190
people on their own going out it seems

256
00:11:15,210 --> 00:11:11,560
like in doing podcast and radio shows

257
00:11:18,390 --> 00:11:15,220
for the on the state level you know the

258
00:11:19,890 --> 00:11:18,400
website is still advertising that you

259
00:11:23,910 --> 00:11:19,900
know move funds radio show is available

260
00:11:26,190 --> 00:11:23,920
on shortwave which nothing wrong with

261
00:11:28,710 --> 00:11:26,200
the the radio enthusiast I happen to

262
00:11:30,480 --> 00:11:28,720
have not a ham radio guy but I happen to

263
00:11:34,290 --> 00:11:30,490

have more than one shortwave radio in my

264

00:11:37,160 --> 00:11:34,300

house um but it's in this day and age

265

00:11:40,410 --> 00:11:37,170

you know put put it out as a podcast

266

00:11:42,090 --> 00:11:40,420

yeah get it get you know get it together

267

00:11:45,270 --> 00:11:42,100

MUFON um

268

00:11:46,500 --> 00:11:45,280

and it's it you know it really makes you

269

00:11:48,480 --> 00:11:46,510

kind of wonder it's like well where

270

00:11:51,210 --> 00:11:48,490

where what are they doing with what's my

271

00:11:54,270 --> 00:11:51,220

what would my membership fee be going to

272

00:11:56,400 --> 00:11:54,280

and everything so hopefully this is a

273

00:11:59,040 --> 00:11:56,410

good sign for the organization you know

274

00:12:01,020 --> 00:11:59,050

it's it's the most recognized site that

275

00:12:02,640 --> 00:12:01,030

there is so it's about time they're

276
00:12:04,740 --> 00:12:02,650
doing something with this you mentioned

277
00:12:06,810 --> 00:12:04,750
a minute ago about emailing you I'm

278
00:12:08,670 --> 00:12:06,820
going to give out the email that people

279
00:12:11,760 --> 00:12:08,680
can reach me at and I'll be glad to

280
00:12:14,640 --> 00:12:11,770
forward it to you it's Martin at podcast

281
00:12:16,800 --> 00:12:14,650
UFO calm I do get a lot of email a lot

282
00:12:18,570 --> 00:12:16,810
of people try to get ahold of me through

283
00:12:20,370 --> 00:12:18,580
the website so they go through the

284
00:12:23,160 --> 00:12:20,380
contact form but that is my email

285
00:12:25,800 --> 00:12:23,170
address and I always enjoy reading email

286
00:12:28,650 --> 00:12:25,810
and is that it for the news today I have

287
00:12:30,840 --> 00:12:28,660
one more question mine yeah you

288
00:12:32,310 --> 00:12:30,850

mentioned next week's show we haven't

289

00:12:35,280 --> 00:12:32,320

talked about it yet next week is

290

00:12:36,420 --> 00:12:35,290

Thanksgiving here in the States are we

291

00:12:38,310 --> 00:12:36,430

going to be following the normal

292

00:12:41,130 --> 00:12:38,320

schedule oh yes we will but Michael

293

00:12:43,830 --> 00:12:41,140

enjoy your week off because the show

294

00:12:45,450 --> 00:12:43,840

with Colby Landrum next week is going to

295

00:12:46,890 --> 00:12:45,460

be an extra-long show there's not going

296

00:12:50,430 --> 00:12:46,900

to be any news in it it's just going to

297

00:12:52,290 --> 00:12:50,440

be a probably an hour plus interview

298

00:12:54,480 --> 00:12:52,300

with Colby Landrum and the two

299

00:12:57,240 --> 00:12:54,490

researchers so take the week off Michael

300

00:12:59,460 --> 00:12:57,250

and we'll see you the week after ok I

301
00:12:59,940 --> 00:12:59,470
guess I'll cancel myself with pumpkin

302
00:13:02,550 --> 00:12:59,950
pie

303
00:13:04,230 --> 00:13:02,560
alright alright well have a good one

304
00:13:04,920 --> 00:13:04,240
alright you too and I'll talk to you in

305
00:13:23,230 --> 00:13:04,930
a couple weeks

306
00:13:23,240 --> 00:13:56,230
you

307
00:14:02,300 --> 00:13:59,300
well I'm on the line with Calvin Parker

308
00:14:06,079 --> 00:14:02,310
how are you Calvin Daiki welcome to the

309
00:14:08,060 --> 00:14:06,089
show and you were involved in one of the

310
00:14:11,480 --> 00:14:08,070
I think one of the most historical cases

311
00:14:14,329 --> 00:14:11,490
of abduction and that's the pascagoula

312
00:14:16,310 --> 00:14:14,339
abduction incident can you tell the

313
00:14:18,889 --> 00:14:16,320

listening audience that is not familiar

314

00:14:23,449 --> 00:14:18,899

with that exactly what happened yes sir

315

00:14:27,019 --> 00:14:23,459

on October 11th of 1973 a friend of mine

316

00:14:29,269 --> 00:14:27,029

being Charlie Higson and I got off work

317

00:14:33,259 --> 00:14:29,279

and decided to go fishing for a while

318

00:14:34,930 --> 00:14:33,269

but while we was fishing there's a bunch

319

00:14:38,360 --> 00:14:34,940

of event to happen

320

00:14:41,750 --> 00:14:38,370

we were abducted excuse me abducted on a

321

00:14:44,480 --> 00:14:41,760

UFO or what we believed to be a UFO at

322

00:14:47,800 --> 00:14:44,490

the time but it was blue lights and they

323

00:14:50,840 --> 00:14:47,810

levitated this and took us aboard and

324

00:14:53,720 --> 00:14:50,850

did a physical examination then Congress

325

00:14:56,150 --> 00:14:53,730

loose and that led to a bunch of events

326

00:14:58,069 --> 00:14:56,160

we didn't want nobody to know the next

327

00:15:00,860 --> 00:14:58,079

day it was always been asking me maybe

328

00:15:05,120 --> 00:15:00,870

you yet do you know was that leaked out

329

00:15:08,900 --> 00:15:05,130

of the sheriff's office it was yeah

330

00:15:10,730 --> 00:15:08,910

and if I know Charlie got calls right

331

00:15:13,460 --> 00:15:10,740

away he was a foreman of the shipyard

332

00:15:17,600 --> 00:15:13,470

there and he got calls right away about

333

00:15:20,630 --> 00:15:17,610

that but let's go a little into detail

334

00:15:23,150 --> 00:15:20,640

now I remember hearing at first that you

335

00:15:24,650 --> 00:15:23,160

claimed that you had fainted but that

336

00:15:26,720 --> 00:15:24,660

was only because you didn't want to talk

337

00:15:27,740 --> 00:15:26,730

about it is that right that's exactly

338

00:15:29,750 --> 00:15:27,750

right

339

00:15:32,509 --> 00:15:29,760

Oh Charlie and I was talking and I told

340

00:15:34,189 --> 00:15:32,519

about it made the world you know I

341

00:15:37,670 --> 00:15:34,199

didn't need all this pressure on me and

342

00:15:40,340 --> 00:15:37,680

all and I didn't like the interrogation

343

00:15:42,009 --> 00:15:40,350

stuff okay so we just you know tell them

344

00:15:44,720 --> 00:15:42,019

you passed out and I'll do the talking

345

00:15:48,050 --> 00:15:44,730

so that's pretty much the way it's been

346

00:15:50,750 --> 00:15:48,060

for years yeah and now Charlie's gone he

347

00:15:51,319 --> 00:15:50,760

passed away in 2011 and we're yes

348

00:15:54,199 --> 00:15:51,329

correct

349

00:15:56,630 --> 00:15:54,209

were you friends all all along the way

350

00:15:57,920 --> 00:15:56,640

yes sir we were we were friends now we

351

00:15:59,810 --> 00:15:57,930

never get fake

352

00:16:02,090 --> 00:15:59,820

that much but we were friends and we

353

00:16:05,060 --> 00:16:02,100

would talk all at least two or three

354

00:16:07,370 --> 00:16:05,070

times a year when this happened at the

355

00:16:09,680 --> 00:16:07,380

time there was a flap going on had you

356

00:16:12,920 --> 00:16:09,690

had known that that there was a lot of

357

00:16:16,130 --> 00:16:12,930

UFO sightings at the time no sir I had

358

00:16:18,350 --> 00:16:16,140

no clue of anything like that that was

359

00:16:21,769 --> 00:16:18,360

going on matter of fact I didn't watch

360

00:16:23,840 --> 00:16:21,779

news back in or read a newspaper and we

361

00:16:26,269 --> 00:16:23,850

pretty much just person day like a dog

362

00:16:28,670 --> 00:16:26,279

when you got off work you know you went

363

00:16:30,470 --> 00:16:28,680

home ate took a shower today it yeah

364

00:16:32,060 --> 00:16:30,480

first when you heard you heard like it

365

00:16:34,400 --> 00:16:32,070

was sort of like a buzzing sound or

366

00:16:37,460 --> 00:16:34,410

something how that was later that was

367

00:16:39,740 --> 00:16:37,470

when it went to uh went to leave the

368

00:16:43,850 --> 00:16:39,750

family notice first was some hazy blue

369

00:16:46,310 --> 00:16:43,860

light and we were fishing you know it

370

00:16:47,810 --> 00:16:46,320

wasn't unusual for the place Department

371

00:16:49,639 --> 00:16:47,820

of Sheriff's Department to have somebody

372

00:16:52,160 --> 00:16:49,649

pulled over yeah

373

00:16:53,960 --> 00:16:52,170

Conrad looked in the distance and st.

374

00:16:57,290 --> 00:16:53,970

some hazy blue lights kind of like on

375

00:16:59,060 --> 00:16:57,300

the patrol cars down here yeah and then

376

00:17:01,250 --> 00:16:59,070

they just kept getting closer and closer

377

00:17:04,040 --> 00:17:01,260

and closer and finally we found out why

378

00:17:06,410 --> 00:17:04,050

would this happen behind you facing away

379

00:17:08,120 --> 00:17:06,420

from the water if you turned around and

380

00:17:11,840 --> 00:17:08,130

look was there like an open field there

381

00:17:14,329 --> 00:17:11,850

what was what was the setting like that

382

00:17:17,419 --> 00:17:14,339

was a little place where people with

383

00:17:19,790 --> 00:17:17,429

parked cars and walk down a fish and uh

384

00:17:22,069 --> 00:17:19,800

every nine-inch ocean trash out and

385

00:17:26,660 --> 00:17:22,079

though it was just a little help of

386

00:17:28,760 --> 00:17:26,670

placing that and you could pretty well

387

00:17:31,340 --> 00:17:28,770

see everything from the bridge and the

388

00:17:35,150 --> 00:17:31,350

road you know what nothing really hid

389

00:17:37,640 --> 00:17:35,160

yeah describing more into the details of

390

00:17:41,500 --> 00:17:37,650

the event did you immediately feel numb

391

00:17:45,530 --> 00:17:41,510

where he couldn't move I did yes sir ah

392

00:17:48,500 --> 00:17:45,540

later on through medical investigations

393

00:17:51,230 --> 00:17:48,510

now there was all kind of similar to a

394

00:17:53,660 --> 00:17:51,240

needle mark on my horn like I was

395

00:17:56,180 --> 00:17:53,670

getting some kind of uh maybe an

396

00:17:59,180 --> 00:17:56,190

anesthetic or something now I never knew

397

00:18:01,760 --> 00:17:59,190

if Charlie had one st. Mark's or not but

398

00:18:04,669 --> 00:18:01,770

all I know I did in this state that

399

00:18:08,000 --> 00:18:04,679

forgot K week hmm you know going back

400

00:18:08,720 --> 00:18:08,010

for years hearing about this the thing I

401
00:18:11,649 --> 00:18:08,730
remembered

402
00:18:15,019 --> 00:18:11,659
mostly was about the strangeness of

403
00:18:17,090 --> 00:18:15,029
what Charlie claims were more or less

404
00:18:20,210 --> 00:18:17,100
robotic do you have the same feeling

405
00:18:21,729 --> 00:18:20,220
about them I do and for a matter of fact

406
00:18:24,320 --> 00:18:21,739
there for a while

407
00:18:27,470 --> 00:18:24,330
angle shipyard is just below where this

408
00:18:29,810 --> 00:18:27,480
happen and they experiment with military

409
00:18:32,119 --> 00:18:29,820
craft and all and therefore while I

410
00:18:35,299 --> 00:18:32,129
really bleed in the bottom of my heart

411
00:18:38,239 --> 00:18:35,309
and all maybe that was experimenting

412
00:18:40,340 --> 00:18:38,249
with something and it got out of hand

413
00:18:42,139 --> 00:18:40,350

and they wouldn't tell us about it but

414

00:18:43,999 --> 00:18:42,149

they completely cost the government will

415

00:18:47,330 --> 00:18:44,009

completely deny anything when it comes

416

00:18:49,399 --> 00:18:47,340

to something like that yeah I tend to

417

00:18:52,970 --> 00:18:49,409

agree with you

418

00:18:56,139 --> 00:18:52,980

so in description now since you were

419

00:18:58,669 --> 00:18:56,149

awake can you and you actually saw these

420

00:19:00,919 --> 00:18:58,679

robotic type creatures can you describe

421

00:19:03,440 --> 00:19:00,929

them thoroughly to the listening

422

00:19:07,609 --> 00:19:03,450

audience yes I can they had like a

423

00:19:09,710 --> 00:19:07,619

grayish looking skin and it didn't

424

00:19:12,710 --> 00:19:09,720

really have a texture to it or no feel

425

00:19:14,659 --> 00:19:12,720

to the touch but it that could be when I

426

00:19:17,479 --> 00:19:14,669

was sedated I might not get it fell to

427

00:19:19,820 --> 00:19:17,489

nothing if they had to skim into me

428

00:19:22,940 --> 00:19:19,830

they had just more or less set down on

429

00:19:25,399 --> 00:19:22,950

their shoulders now I don't know it

430

00:19:28,970 --> 00:19:25,409

maybe if it was creatures and they might

431

00:19:31,519 --> 00:19:28,980

be like us and dress up or did they do

432

00:19:33,950 --> 00:19:31,529

surgery or any kind of medical procedure

433

00:19:36,950 --> 00:19:33,960

you know maybe they just protecting

434

00:19:39,320 --> 00:19:36,960

yourself from any diseases so it didn't

435

00:19:41,210 --> 00:19:39,330

seem like any kind of living being just

436

00:19:43,820 --> 00:19:41,220

looking at it and they had these like

437

00:19:46,519 --> 00:19:43,830

almost like carrot shapes or cones on

438

00:19:48,169 --> 00:19:46,529

them and I didn't say that oh you didn't

439

00:19:51,830 --> 00:19:48,179

see that that was Trump Charlie I

440

00:19:53,690 --> 00:19:51,840

thought I did Charlie yeah but you do

441

00:19:57,019 --> 00:19:53,700

remember the skin or whatever the outer

442

00:19:59,930 --> 00:19:57,029

the outer part of them was yes countable

443

00:20:03,680 --> 00:19:59,940

gray wrinkled up scan that as far as any

444

00:20:06,830 --> 00:20:03,690

facial features or Oh anything else

445

00:20:09,169 --> 00:20:06,840

other matter I didn't see it idle or the

446

00:20:13,129 --> 00:20:09,179

dead I don't remember it so Charlie

447

00:20:15,529 --> 00:20:13,139

describes this baseball size I type

448

00:20:17,989 --> 00:20:15,539

thing that came out and went down over

449

00:20:20,629 --> 00:20:17,999

his head and possibly all around his

450

00:20:23,210 --> 00:20:20,639

body and then back into the wall did you

451

00:20:25,250 --> 00:20:23,220

see anything like that yourself well I

452

00:20:27,680 --> 00:20:25,260

would say no nothing look like

453

00:20:33,470 --> 00:20:27,690

my or anything like that but they did

454

00:20:36,920 --> 00:20:33,480

have some kind of all I want to say male

455

00:20:39,200 --> 00:20:36,930

or metallic object and they stand over

456

00:20:40,010 --> 00:20:39,210

you know from my hand all the way down

457

00:20:44,840 --> 00:20:40,020

to my feet

458

00:20:47,660 --> 00:20:44,850

just one quick scan down and uh hmm but

459

00:20:50,300 --> 00:20:47,670

I don't remember see it or not yeah now

460

00:20:54,350 --> 00:20:50,310

did you remember the actual part where

461

00:20:56,360 --> 00:20:54,360

you were levitated I know yes sir we

462

00:20:58,100 --> 00:20:56,370

were standing after facing the river

463

00:21:01,520 --> 00:20:58,110

event well that's when they put us back

464

00:21:03,620 --> 00:21:01,530

before we first seen it we just got

465

00:21:06,830 --> 00:21:03,630

paralyzed I mean it was just like you

466

00:21:10,880 --> 00:21:06,840

couldn't move and they more or less

467

00:21:12,770 --> 00:21:10,890

floated out of this crowd and when they

468

00:21:14,750 --> 00:21:12,780

touched us we loved it ate it up

469

00:21:16,940 --> 00:21:14,760

probably conclude off the ground not

470

00:21:20,140 --> 00:21:16,950

where they were and it was like going up

471

00:21:22,940 --> 00:21:20,150

a gradual ramp or we went into the crowd

472

00:21:25,090 --> 00:21:22,950

now what was going on in your head at

473

00:21:28,850 --> 00:21:25,100

this time I mean it sounds so horrific

474

00:21:34,520 --> 00:21:28,860

well it's really hard to explain what

475

00:21:37,430 --> 00:21:34,530

was going on oh it really wasn't any

476
00:21:39,170 --> 00:21:37,440
fear at the time I didn't just give

477
00:21:43,610 --> 00:21:39,180
until they let us out there was all of

478
00:21:46,870 --> 00:21:43,620
the will but oh it was no fear was just

479
00:21:50,450 --> 00:21:46,880
like you know you was wheeled to go in

480
00:21:53,000 --> 00:21:50,460
he was willed to get examined and you

481
00:21:54,950 --> 00:21:53,010
was wheeled to take back out and

482
00:21:55,660 --> 00:21:54,960
everything was fine as long as I was

483
00:21:58,580 --> 00:21:55,670
there

484
00:22:01,760 --> 00:21:58,590
well how they lay up to you that's funny

485
00:22:05,360 --> 00:22:01,770
suddenly the fear suddenly came over me

486
00:22:08,450 --> 00:22:05,370
I see so whatever ability they had to

487
00:22:11,210 --> 00:22:08,460
make you totally numb they obviously had

488
00:22:12,800 --> 00:22:11,220

an ability to affect you psychologically

489

00:22:13,430 --> 00:22:12,810

at the time as well that's what it

490

00:22:17,810 --> 00:22:13,440

sounds like

491

00:22:20,200 --> 00:22:17,820

yes that's correct and at the time that

492

00:22:26,900 --> 00:22:20,210

this happened we was in my car I had a

493

00:22:30,650 --> 00:22:26,910

dollar brandy 1973 regular horny and VR

494

00:22:32,810 --> 00:22:30,660

car on the passenger side was facing the

495

00:22:35,630 --> 00:22:32,820

crap well he shattered the windows in

496

00:22:37,550 --> 00:22:35,640

the car on left side now did the

497

00:22:38,870 --> 00:22:37,560

Sheriff's Office take a look at that and

498

00:22:42,170 --> 00:22:38,880

did they do any tests

499

00:22:45,710 --> 00:22:42,180

that they didn't do no cast on it they

500

00:22:46,640 --> 00:22:45,720

was more concerned about Oh making fools

501
00:22:49,910 --> 00:22:46,650
out of us

502
00:22:52,750 --> 00:22:49,920
oh let's talk about that was there a lot

503
00:22:56,860 --> 00:22:52,760
of ridicule by them themselves or

504
00:23:00,620 --> 00:22:56,870
absolutely not after they took us in and

505
00:23:02,450 --> 00:23:00,630
checked us and found out and all in a

506
00:23:06,290 --> 00:23:02,460
few minutes they come back they was dead

507
00:23:08,420 --> 00:23:06,300
serious about everything but uh they

508
00:23:11,750 --> 00:23:08,430
never ridiculed to start where they just

509
00:23:14,210 --> 00:23:11,760
questions us and we answered the

510
00:23:16,850 --> 00:23:14,220
questions justice the best of our

511
00:23:18,770 --> 00:23:16,860
knowledge and we could and of course I

512
00:23:20,060 --> 00:23:18,780
prayed kind of passed out there so I

513
00:23:26,240 --> 00:23:20,070

wouldn't have to answer that many

514

00:23:27,830 --> 00:23:26,250

questions just a few but oh they didn't

515

00:23:31,310 --> 00:23:27,840

ridicules at all matter of fact

516

00:23:34,670 --> 00:23:31,320

afterwards they said well Ava y'all good

517

00:23:38,180 --> 00:23:34,680

actors the best actors we ever seen we

518

00:23:40,070 --> 00:23:38,190

really believe you if I don't rate y'all

519

00:23:42,560 --> 00:23:40,080

acting but you mentioned a minute ago

520

00:23:45,860 --> 00:23:42,570

that someone was making fools out of you

521

00:23:49,490 --> 00:23:45,870

who is that that was doing that ah a lot

522

00:23:50,960 --> 00:23:49,500

of times when you get publicity of any

523

00:23:53,450 --> 00:23:50,970

kind whether you're a movie star

524

00:23:53,780 --> 00:23:53,460

whatever paparazzi or something like

525

00:23:56,900 --> 00:23:53,790

that

526

00:24:00,620 --> 00:23:56,910

it's about the same way here your way

527

00:24:02,180 --> 00:24:00,630

alone and though there's a lot of people

528

00:24:05,690 --> 00:24:02,190

to just enjoy

529

00:24:07,970 --> 00:24:05,700

like if somebody feel bad or terrorized

530

00:24:10,280 --> 00:24:07,980

you know whatever they want to do and I

531

00:24:11,120 --> 00:24:10,290

don't say that all my life ever since

532

00:24:14,600 --> 00:24:11,130

this happened

533

00:24:17,750 --> 00:24:14,610

no I then it's not a whole lot but you

534

00:24:20,210 --> 00:24:17,760

know it's a few Eckerd right it's a few

535

00:24:22,430 --> 00:24:20,220

few fake people like that say they've

536

00:24:25,250 --> 00:24:22,440

seen UFOs and rode on them or been

537

00:24:26,900 --> 00:24:25,260

abducted and you know I know some is

538

00:24:30,050 --> 00:24:26,910

legitimate there's no doubt in my mind

539

00:24:33,110 --> 00:24:30,060

about there but then there's some that

540

00:24:35,570 --> 00:24:33,120

just do it for the publicity or maybe

541

00:24:37,450 --> 00:24:35,580

the money or whatever and that's the

542

00:24:40,340 --> 00:24:37,460

market runs it for everybody

543

00:24:41,690 --> 00:24:40,350

yeah there's very a lot of people don't

544

00:24:46,040 --> 00:24:41,700

realize this but there's very little

545

00:24:50,270 --> 00:24:46,050

money to be made in people claiming that

546

00:24:52,680 --> 00:24:50,280

they've seen UFOs and are abducted it's

547

00:24:55,409 --> 00:24:52,690

absolutely not to be made if you figure

548

00:24:58,619 --> 00:24:55,419

time and expense off work I know like

549

00:25:00,180 --> 00:24:58,629

this happen it was probably two years

550

00:25:02,700 --> 00:25:00,190

before I could even go back to work

551
00:25:04,289 --> 00:25:02,710
because of the lady now they do a few

552
00:25:07,080 --> 00:25:04,299
talk shows Oh

553
00:25:08,700 --> 00:25:07,090
at the time you know back then talk

554
00:25:11,129 --> 00:25:08,710
shows didn't pay you nothing to come

555
00:25:15,299 --> 00:25:11,139
home you just went on they pay your

556
00:25:17,669 --> 00:25:15,309
expenses and you know I got tired of all

557
00:25:20,430 --> 00:25:17,679
of it from experience of another

558
00:25:22,200 --> 00:25:20,440
situation I can tell you that the same

559
00:25:27,419 --> 00:25:22,210
thing is still happening now they still

560
00:25:29,430 --> 00:25:27,429
don't pay but they a lot of they do do

561
00:25:33,479 --> 00:25:29,440
pay expenses but sometimes they don't as

562
00:25:35,279 --> 00:25:33,489
well and I can imagine so it was a full

563
00:25:39,299 --> 00:25:35,289

two years before things really die down

564

00:25:42,060 --> 00:25:39,309

Wow it was and it never really did that

565

00:25:43,499 --> 00:25:42,070

day let's talk about the 40th

566

00:25:46,049 --> 00:25:43,509

anniversary that just happened last

567

00:25:48,960 --> 00:25:46,059

month I you and I were in touch before

568

00:25:50,940 --> 00:25:48,970

that time and all of a sudden things

569

00:25:55,589 --> 00:25:50,950

just broke loose can you talk about that

570

00:25:58,259 --> 00:25:55,599

well the Associated Press not a factor

571

00:25:59,849 --> 00:25:58,269

they're the ones you know tracked me

572

00:26:02,399 --> 00:25:59,859

there and I was just going to do an

573

00:26:05,009 --> 00:26:02,409

interview review and that was it just

574

00:26:07,320 --> 00:26:05,019

something simple and fast because I

575

00:26:09,690 --> 00:26:07,330

music your anniversary was coming up I

576

00:26:12,149 --> 00:26:09,700

said well I do this at a column same

577

00:26:14,609 --> 00:26:12,159

thing and then all be over with well

578

00:26:17,729 --> 00:26:14,619

before I knew it the Associated Press

579

00:26:20,159 --> 00:26:17,739

had tracked me down and they have stood

580

00:26:23,249 --> 00:26:20,169

after them on the road and sent messages

581

00:26:25,859 --> 00:26:23,259

down probably half a dozen people that

582

00:26:28,499 --> 00:26:25,869

they wanted to talk to me and finally on

583

00:26:31,499 --> 00:26:28,509

a Facebook page that sent me a deal so

584

00:26:33,239 --> 00:26:31,509

please call so I did I agreed to an

585

00:26:35,509 --> 00:26:33,249

interview with them did they come out

586

00:26:39,419 --> 00:26:35,519

and actually film an interview with you

587

00:26:41,789 --> 00:26:39,429

yes as I did and as you know because if

588

00:26:44,489 --> 00:26:41,799

I am signed about it the news media the

589

00:26:47,159 --> 00:26:44,499

local news media down here never heard a

590

00:26:49,409 --> 00:26:47,169

word from them huh that is strange you'd

591

00:26:51,180 --> 00:26:49,419

think the the region where this happened

592

00:26:52,139 --> 00:26:51,190

would be the one that would be the first

593

00:26:55,979 --> 00:26:52,149

to report on it

594

00:26:59,909 --> 00:26:55,989

yes but on the other hand like Charlie

595

00:27:01,950 --> 00:26:59,919

Henson was always one in the press he

596

00:27:03,539 --> 00:27:01,960

would always do the interviews and

597

00:27:06,419 --> 00:27:03,549

things like this and I didn't have to

598

00:27:09,239 --> 00:27:06,429

mess with them so they probably saw

599

00:27:10,980 --> 00:27:09,249

that I'll since Charlie had passed away

600

00:27:13,980 --> 00:27:10,990

that there was no reason to come see me

601
00:27:17,159 --> 00:27:13,990
because I've denied cleaning interviews

602
00:27:20,759 --> 00:27:17,169
with them and they was polite enough you

603
00:27:23,759 --> 00:27:20,769
know like to push a she well that's

604
00:27:25,649 --> 00:27:23,769
great but also you mentioned to me that

605
00:27:27,779 --> 00:27:25,659
all kinds of people were knocking on

606
00:27:31,409 --> 00:27:27,789
your door lately and you had no idea how

607
00:27:33,359 --> 00:27:31,419
they got your address I have no clue how

608
00:27:35,700 --> 00:27:33,369
my address get well with computers

609
00:27:37,230 --> 00:27:35,710
nowadays yeah your frame things like it

610
00:27:38,789 --> 00:27:37,240
used to be you can get in your car and

611
00:27:41,249 --> 00:27:38,799
go somewhere else and nobody doesn't

612
00:27:44,009 --> 00:27:41,259
find you and nowadays with computers

613
00:27:46,529 --> 00:27:44,019

it's no such thing as hiding and I've

614

00:27:49,919 --> 00:27:46,539

had some real whack job show or fix

615

00:27:52,320 --> 00:27:49,929

doors and I've had people that wanted

616

00:27:55,289 --> 00:27:52,330

autographed your heads and no does that

617

00:27:57,060 --> 00:27:55,299

right oh yeah special stuff like that

618

00:27:59,580 --> 00:27:57,070

one bigger blessing that's like I told

619

00:28:02,460 --> 00:27:59,590

you I'm not a priest well I don't have

620

00:28:06,989 --> 00:28:02,470

no power that God gave me so I'm gonna

621

00:28:08,609 --> 00:28:06,999

get into that I'm sorry I'm not I'm not

622

00:28:09,840 --> 00:28:08,619

trying to I'm not laughing but I realize

623

00:28:11,489 --> 00:28:09,850

I'm not laughing at you I'm just

624

00:28:14,940 --> 00:28:11,499

laughing at how crazy people can be

625

00:28:18,600 --> 00:28:14,950

sometimes all I can get really a radical

626

00:28:22,019 --> 00:28:18,610

sometimes yeah I had some guy don't

627

00:28:23,759 --> 00:28:22,029

think he was but he offered me \$10,000

628

00:28:26,310 --> 00:28:23,769

to come sleep with him I said well I

629

00:28:28,169 --> 00:28:26,320

stopped my cup of tea buddy much as I

630

00:28:32,759 --> 00:28:28,179

made the money I ain't gonna do that

631

00:28:35,700 --> 00:28:32,769

oh my goodness well and just things like

632

00:28:37,590 --> 00:28:35,710

that yeah that that's pretty bizarre it

633

00:28:40,529 --> 00:28:37,600

is yeah you could have taken the money

634

00:28:45,899 --> 00:28:40,539

and sent someone else that's what I

635

00:28:48,629 --> 00:28:45,909

should have done Wow oh now I'm sure you

636

00:28:51,359 --> 00:28:48,639

know who Travis Walton is yes her

637

00:28:54,869 --> 00:28:51,369

father's got hotly attractive walk yeah

638

00:28:58,619 --> 00:28:54,879

I had a conversation with him in a while

639

00:29:01,830 --> 00:28:58,629

back and he basically said that if he

640

00:29:04,739 --> 00:29:01,840

could turn back the clock he really wish

641

00:29:06,480 --> 00:29:04,749

this had never happened to him and is

642

00:29:08,999 --> 00:29:06,490

that the same type of feeling that you

643

00:29:13,289 --> 00:29:09,009

have oh yes sir

644

00:29:17,119 --> 00:29:13,299

oh I had at one time you know said that

645

00:29:19,650 --> 00:29:17,129

they could have been demons because his

646

00:29:21,660 --> 00:29:19,660

did you

647

00:29:24,600 --> 00:29:21,670

being abducted you include people ever

648

00:29:26,880 --> 00:29:24,610

saying that oh we had gone through

649

00:29:29,250 --> 00:29:26,890

Charley and I and probably others have

650

00:29:31,320 --> 00:29:29,260

been a dusting then you'd be in a

651
00:29:33,060 --> 00:29:31,330
penitentiary and a lot of people think

652
00:29:35,850 --> 00:29:33,070
it's good that comes out of it and all

653
00:29:37,710 --> 00:29:35,860
in it it could be later on but it's

654
00:29:41,250 --> 00:29:37,720
nothing good that happens to the people

655
00:29:44,430 --> 00:29:41,260
on that end of it we more or less just

656
00:29:48,000 --> 00:29:44,440
an experiment I think yeah that's why I

657
00:29:52,110 --> 00:29:48,010
said it you know it's not good could

658
00:29:55,620 --> 00:29:52,120
they do now I heard an interview with

659
00:29:59,850 --> 00:29:55,630
Charlie and he had mentioned that some

660
00:30:04,140 --> 00:29:59,860
things had happened afterward did he

661
00:30:06,150 --> 00:30:04,150
ever talk about that publicly ah nothing

662
00:30:08,250 --> 00:30:06,160
on the world no sure there's a few

663
00:30:10,500 --> 00:30:08,260

things that I'll hear totally that he

664

00:30:14,190 --> 00:30:10,510

said to me he didn't want me to ever

665

00:30:16,670 --> 00:30:14,200

mention he goes here they and you know I

666

00:30:19,050 --> 00:30:16,680

respect a man enough he was a friend and

667

00:30:21,990 --> 00:30:19,060

you know not to never say nothing about

668

00:30:23,850 --> 00:30:22,000

it sure I'm the type of person when I

669

00:30:25,410 --> 00:30:23,860

gave my word to somebody or I tell

670

00:30:27,180 --> 00:30:25,420

somebody something yes that's a way that

671

00:30:30,330 --> 00:30:27,190

it is yeah

672

00:30:31,680 --> 00:30:30,340

had you ever had any ongoing experiences

673

00:30:36,060 --> 00:30:31,690

yourself or would you want to talk about

674

00:30:38,970 --> 00:30:36,070

that well not really you know I had men

675

00:30:43,530 --> 00:30:38,980

abducted to get or anything oh I think

676

00:30:47,070 --> 00:30:43,540

it one time in my life they've tried to

677

00:30:49,860 --> 00:30:47,080

communicate with me and or somebody has

678

00:30:52,320 --> 00:30:49,870

and maybe I imagined it maybe they did

679

00:30:55,710 --> 00:30:52,330

but it was more or less in your sleep

680

00:30:58,350 --> 00:30:55,720

than a dream so it's hard to say that's

681

00:30:59,910 --> 00:30:58,360

true or not speaking of that how were

682

00:31:03,030 --> 00:30:59,920

your dreams after this whole thing

683

00:31:05,940 --> 00:31:03,040

happened you know they were really oh I

684

00:31:08,340 --> 00:31:05,950

really didn't think about this and I

685

00:31:10,320 --> 00:31:08,350

didn't let it bother me a whole lot

686

00:31:13,470 --> 00:31:10,330

except for when this initially happened

687

00:31:15,810 --> 00:31:13,480

because it brought my whole life you

688

00:31:20,580 --> 00:31:15,820

know I was due to get married November 2

689

00:31:22,710 --> 00:31:20,590

fear this is October 11 and we were

690

00:31:24,810 --> 00:31:22,720

coming November tonight we're supposed

691

00:31:26,700 --> 00:31:24,820

to get married and I was having a little

692

00:31:29,190 --> 00:31:26,710

job and we just come loaded and set up

693

00:31:31,740 --> 00:31:29,200

housekeeping everything was really going

694

00:31:33,390 --> 00:31:31,750

to be nice and then this come along and

695

00:31:35,790 --> 00:31:33,400

just just about

696

00:31:37,830 --> 00:31:35,800

battled everything to pieces and it

697

00:31:40,170 --> 00:31:37,840

didn't only destroyed my life but he

698

00:31:41,940 --> 00:31:40,180

disliked my family's life that's that's

699

00:31:44,670 --> 00:31:41,950

that's sad that's too bad

700

00:31:47,310 --> 00:31:44,680

going back to the encounter itself when

701
00:31:49,530 --> 00:31:47,320
this very first happened I understand

702
00:31:51,480 --> 00:31:49,540
that you and Charlie didn't even want to

703
00:31:53,760 --> 00:31:51,490
talk about it to anybody but you decided

704
00:31:56,670 --> 00:31:53,770
you wanted to you first went to the air

705
00:31:58,920 --> 00:31:56,680
base you're right originally we wasn't

706
00:32:02,520 --> 00:31:58,930
on tell about we said and we talked and

707
00:32:03,360 --> 00:32:02,530
we decided that it's just best not to

708
00:32:07,170 --> 00:32:03,370
tell nobody

709
00:32:08,970 --> 00:32:07,180
and then Charlie said you know we've got

710
00:32:11,670 --> 00:32:08,980
to tell somebody we got to tell some

711
00:32:17,670 --> 00:32:11,680
official or something what's going on

712
00:32:20,430 --> 00:32:17,680
thank you so we called all Kichler and

713
00:32:23,220 --> 00:32:20,440

so it was we called Kasler and talked to

714

00:32:24,630 --> 00:32:23,230

them and they just blew it off they said

715

00:32:28,650 --> 00:32:24,640

well that's a deal for the local

716

00:32:32,550 --> 00:32:28,660

authorities so after that we call the

717

00:32:36,420 --> 00:32:32,560

Sheriff's Department anomaly and they

718

00:32:37,890 --> 00:32:36,430

talked us into coming up to the shelter

719

00:32:40,860 --> 00:32:37,900

pumpkin that came out sent a card

720

00:32:43,920 --> 00:32:40,870

problem this did a sobriety test on the

721

00:32:45,890 --> 00:32:43,930

structure we could drive and we followed

722

00:32:48,660 --> 00:32:45,900

into the chef de Partie that's where the

723

00:32:50,970 --> 00:32:48,670

interrogations and all started which was

724

00:32:52,650 --> 00:32:50,980

bad that was really nice matter of fact

725

00:32:56,250 --> 00:32:52,660

one of the deputies still work for the

726

00:33:01,410 --> 00:32:56,260

chef on command here you know we had any

727

00:33:03,000 --> 00:33:01,420

ladies extremely nice but they was you

728

00:33:08,000 --> 00:33:03,010

know also I could prove that it was a

729

00:33:10,920 --> 00:33:08,010

hoax absolutely and I understand that

730

00:33:13,200 --> 00:33:10,930

everyone left the room and they actually

731

00:33:15,060 --> 00:33:13,210

were taping your conversation did you

732

00:33:19,320 --> 00:33:15,070

when you first heard that did that make

733

00:33:22,890 --> 00:33:19,330

you upset that they did that well it did

734

00:33:25,110 --> 00:33:22,900

when I first heard it it really did but

735

00:33:28,800 --> 00:33:25,120

uh then I got to thinking about it

736

00:33:31,140 --> 00:33:28,810

all they did was just prove a point so

737

00:33:33,090 --> 00:33:31,150

it didn't upset me that bad after I got

738

00:33:34,980 --> 00:33:33,100

to thinking about it because they

739

00:33:38,420 --> 00:33:34,990

actually after they listened to the tape

740

00:33:41,520 --> 00:33:38,430

they realized that you weren't hoaxing

741

00:33:44,760 --> 00:33:41,530

yes sir that's that's when the reality

742

00:33:47,250 --> 00:33:44,770

hit and then we asked them Fred now

743

00:33:50,040 --> 00:33:47,260

sheriffing and I wait

744

00:33:53,370 --> 00:33:50,050

against them not to lick nothing out of

745

00:33:55,200 --> 00:33:53,380

course if it's kind of like the prayers

746

00:33:57,330 --> 00:33:55,210

of it you can ask somebody not to like

747

00:33:59,190 --> 00:33:57,340

nothing but somebody around me it's

748

00:34:02,580 --> 00:33:59,200

going to leak steps out concentering and

749

00:34:04,260 --> 00:34:02,590

that that night went on back home we

750

00:34:07,350 --> 00:34:04,270

woke up the next morning and going to

751
00:34:09,600 --> 00:34:07,360
work started is all over with the whole

752
00:34:12,300 --> 00:34:09,610
we got to work work at the shower Peter

753
00:34:15,020 --> 00:34:12,310
shipyard I mean it was thousands of

754
00:34:17,790 --> 00:34:15,030
reporters and I literally mean that many

755
00:34:19,530 --> 00:34:17,800
whether we got me day and they couldn't

756
00:34:22,320 --> 00:34:19,540
in function because it was so many

757
00:34:24,930 --> 00:34:22,330
people like there's a lake just had to

758
00:34:27,750 --> 00:34:24,940
tell us to go on somewhere else but I

759
00:34:30,540 --> 00:34:27,760
hacked in if they did pay us and they

760
00:34:32,790 --> 00:34:30,550
were good too and they furnished an

761
00:34:37,770 --> 00:34:32,800
economy joke home Ingo the handle the

762
00:34:38,389 --> 00:34:37,780
press and everything well now the next

763
00:34:41,790 --> 00:34:38,399

day or two

764

00:34:44,100 --> 00:34:41,800

Charlie all of a sudden thought about

765

00:34:47,490 --> 00:34:44,110

there's a possibility that you were in

766

00:34:49,620 --> 00:34:47,500

touch with the radioactive substance so

767

00:34:51,570 --> 00:34:49,630

you went you ended up going back to that

768

00:34:52,230 --> 00:34:51,580

Air Force Base that first rejected you

769

00:34:55,889 --> 00:34:52,240

is that right

770

00:34:58,980 --> 00:34:55,899

ah yes sir that's true and though I

771

00:35:01,440 --> 00:34:58,990

don't I don't know don't think it was

772

00:35:03,630 --> 00:35:01,450

Charlie but it was the chef Department

773

00:35:07,170 --> 00:35:03,640

more less no they felt like we needed to

774

00:35:10,440 --> 00:35:07,180

go be checked so they loaded us up and

775

00:35:12,480 --> 00:35:10,450

took us to the Air Force Base and when

776
00:35:14,910 --> 00:35:12,490
they heard radiation of course everybody

777
00:35:16,860 --> 00:35:14,920
goes crazy and they had on the little

778
00:35:19,260 --> 00:35:16,870
uniforms and stuff like that and they

779
00:35:21,810 --> 00:35:19,270
come out and check this and that was an

780
00:35:24,720 --> 00:35:21,820
examination and then we all went in and

781
00:35:28,020 --> 00:35:24,730
sat down and had a yell interrogation

782
00:35:30,000 --> 00:35:28,030
and it still minutes somewhere out I

783
00:35:32,250 --> 00:35:30,010
used to have a copy of the minutes of

784
00:35:34,620 --> 00:35:32,260
the interrogation they gave us first of

785
00:35:36,270 --> 00:35:34,630
all to be they seemed like they believed

786
00:35:38,090 --> 00:35:36,280
your story and and what type of

787
00:35:41,790 --> 00:35:38,100
questions did they ask you

788
00:35:45,090 --> 00:35:41,800

well some of we know let's just told the

789

00:35:46,440 --> 00:35:45,100

whole story tool and don't some of them

790

00:35:49,200 --> 00:35:46,450

acted like they really believed this

791

00:35:50,670 --> 00:35:49,210

because of all they were like the people

792

00:35:54,240 --> 00:35:50,680

loved them that had lived here all their

793

00:35:57,660 --> 00:35:54,250

lives some of them probably newest or

794

00:35:59,730 --> 00:35:57,670

knew of us especially after that but

795

00:36:01,140 --> 00:35:59,740

just more or less the same questions

796

00:36:04,710 --> 00:36:01,150

that the press asked

797

00:36:07,680 --> 00:36:04,720

they never said that anything happened

798

00:36:10,580 --> 00:36:07,690

but they never denied it either did you

799

00:36:13,590 --> 00:36:10,590

ever hear from the Air Force after that

800

00:36:14,790 --> 00:36:13,600

no sir I didn't it was all over we're

801
00:36:17,130 --> 00:36:14,800
back to that with him

802
00:36:18,840 --> 00:36:17,140
I had an eerie feeling that we was being

803
00:36:21,000 --> 00:36:18,850
powered there at times for a while

804
00:36:24,780 --> 00:36:21,010
that's just probably paranoia you're

805
00:36:26,790 --> 00:36:24,790
kicking in well is there any time that

806
00:36:30,330 --> 00:36:26,800
you felt in any way threatened at all by

807
00:36:33,540 --> 00:36:30,340
any of their questions or actions no

808
00:36:36,000 --> 00:36:33,550
sure a lot of time you know and again

809
00:36:38,790 --> 00:36:36,010
that's the federal government and if you

810
00:36:40,830 --> 00:36:38,800
all did it make you feel threatened and

811
00:36:43,220 --> 00:36:40,840
they something to it so look they're

812
00:36:47,970 --> 00:36:43,230
really trained in interrogations

813
00:36:49,860 --> 00:36:47,980

absolutely if we had felt pretty then it

814

00:36:52,850 --> 00:36:49,870

would have been a problem for us a name

815

00:36:54,990 --> 00:36:52,860

I believe has there been any new

816

00:36:57,990 --> 00:36:55,000

developments or anything since this

817

00:37:00,240 --> 00:36:58,000

happened any new evidence that came

818

00:37:01,820 --> 00:37:00,250

forth I know some other people claim

819

00:37:06,660 --> 00:37:01,830

they actually saw sighting that evening

820

00:37:10,530 --> 00:37:06,670

some of the witnesses that were real

821

00:37:13,440 --> 00:37:10,540

credible that had seen this happened to

822

00:37:15,630 --> 00:37:13,450

us are saying to craft and all is off

823

00:37:17,670 --> 00:37:15,640

the bridge there was a young probation

824

00:37:21,420 --> 00:37:17,680

officer then there was a tooth her

825

00:37:24,600 --> 00:37:21,430

business owners and a preacher that is

826
00:37:28,710 --> 00:37:24,610
saying all this going on and Wow they

827
00:37:31,830 --> 00:37:28,720
said I I never talked to him I only read

828
00:37:33,990 --> 00:37:31,840
what they said but they said that they

829
00:37:37,410 --> 00:37:34,000
same this and they believed it was real

830
00:37:40,890 --> 00:37:37,420
credible well how much time would you

831
00:37:43,290 --> 00:37:40,900
guess that the whole encounter took I'm

832
00:37:45,330 --> 00:37:43,300
going to say at least 45 minutes

833
00:37:47,610 --> 00:37:45,340
there was a Coast Guard Station right

834
00:37:50,070 --> 00:37:47,620
across from where this was happening but

835
00:37:53,760 --> 00:37:50,080
I didn't see anybody after but I'm just

836
00:37:58,250 --> 00:37:53,770
guessing 45 minutes mm-hmm now when you

837
00:38:01,290 --> 00:37:58,260
were first set out on the ground and I

838
00:38:03,420 --> 00:38:01,300

heard an interview with Charlie he said

839

00:38:05,730 --> 00:38:03,430

that he had to slap you and try to get

840

00:38:07,590 --> 00:38:05,740

you back your arms were outstretched do

841

00:38:14,350 --> 00:38:07,600

you remember any of that sort of coming

842

00:38:20,710 --> 00:38:17,650

kind of froze that in front of me and

843

00:38:22,960 --> 00:38:20,720

and like I say it might be from an

844

00:38:25,180 --> 00:38:22,970

injection or it not be from fear I don't

845

00:38:27,810 --> 00:38:25,190

know what it was from and child just

846

00:38:33,360 --> 00:38:27,820

kind of shook me a little bit Oh

847

00:38:36,670 --> 00:38:33,370

told me to wake up and get up let's go

848

00:38:38,920 --> 00:38:36,680

do something they know but I believe

849

00:38:41,680 --> 00:38:38,930

okay yes I know we mentioned earlier

850

00:38:43,300 --> 00:38:41,690

that if you could take back the clock

851
00:38:43,840 --> 00:38:43,310
just like Travis Walton this would never

852
00:38:46,450 --> 00:38:43,850
happen

853
00:38:48,420 --> 00:38:46,460
can you describe how some things have

854
00:38:52,450 --> 00:38:48,430
changed in your life since this occurred

855
00:38:56,080 --> 00:38:52,460
yeah I was headed to a different path in

856
00:38:57,940 --> 00:38:56,090
my life you know Warsaw I was actually

857
00:39:01,690 --> 00:38:57,950
gonna become an attorney and stay at

858
00:39:04,800 --> 00:39:01,700
home and all this and then when this

859
00:39:08,250 --> 00:39:04,810
happened I had to forget about school oh

860
00:39:12,370 --> 00:39:08,260
I had to move around a big deal because

861
00:39:14,230 --> 00:39:12,380
people will find out who I was and then

862
00:39:18,070 --> 00:39:14,240
I get looked at I didn't want that for

863
00:39:19,990 --> 00:39:18,080

me or my family and it just caused lot

864

00:39:24,040 --> 00:39:20,000

of stress on you you and your family

865

00:39:26,680 --> 00:39:24,050

right so you basically felt that because

866

00:39:29,650 --> 00:39:26,690

of the ridicule situation that being a

867

00:39:32,140 --> 00:39:29,660

lawyer would not be a good idea I did

868

00:39:34,240 --> 00:39:32,150

and though I didn't feel like I could

869

00:39:38,730 --> 00:39:34,250

probably go into a courtroom and ever

870

00:39:41,590 --> 00:39:38,740

convince a jury or anybody else of all

871

00:39:43,180 --> 00:39:41,600

anybody's innocence or anything but I

872

00:39:46,180 --> 00:39:43,190

always make my praying in the background

873

00:39:48,970 --> 00:39:46,190

of mine less the guy that wrote was

874

00:39:51,400 --> 00:39:48,980

abducted by UFO who can believe him

875

00:39:53,100 --> 00:39:51,410

that's really sad to hear and I'm sorry

876

00:39:55,420 --> 00:39:53,110

that you had to go through this and and

877

00:39:57,280 --> 00:39:55,430

have to take a different turn in life

878

00:39:59,800 --> 00:39:57,290

because of it there is a lot of ridicule

879

00:40:01,750 --> 00:39:59,810

out there and for the real solid cases

880

00:40:03,790 --> 00:40:01,760

like yours it's kind of a shame really

881

00:40:05,650 --> 00:40:03,800

it's really based on fear and and

882

00:40:12,520 --> 00:40:05,660

something like this could actually be

883

00:40:15,460 --> 00:40:12,530

true yeah but Oh over time cases kind of

884

00:40:17,320 --> 00:40:15,470

proved themselves to be true and if you

885

00:40:19,090 --> 00:40:17,330

didn't have a real kill of people you

886

00:40:22,060 --> 00:40:19,100

wouldn't have nothing to back it up case

887

00:40:25,770 --> 00:40:22,070

and that's kind of the way I look at it

888

00:40:27,300 --> 00:40:25,780

now if people didn't really queue and on

889

00:40:31,770 --> 00:40:27,310

the

890

00:40:33,390 --> 00:40:31,780

be no one trying to prove it wrong and I

891

00:40:35,340 --> 00:40:33,400

like the idea that it was trying to

892

00:40:38,160 --> 00:40:35,350

prove this wrong because something did

893

00:40:40,770 --> 00:40:38,170

happen regardless if it was an

894

00:40:41,840 --> 00:40:40,780

experiment going bad or whatever

895

00:40:44,490 --> 00:40:41,850

happened

896

00:40:46,500 --> 00:40:44,500

aliens or something to God saying it

897

00:40:47,520 --> 00:40:46,510

that's not the point the point is

898

00:40:49,770 --> 00:40:47,530

something happened

899

00:40:54,330 --> 00:40:49,780

now I know there was a polygraph test

900

00:40:57,560 --> 00:40:54,340

taken in past and was it just one no I

901
00:41:02,580 --> 00:40:57,570
paid two and I had a voice-stress test

902
00:41:06,420 --> 00:41:02,590
and all passes everyone passed divided

903
00:41:09,380 --> 00:41:06,430
out we were in Chicago alone they flew

904
00:41:12,780 --> 00:41:09,390
us up for the Mike Douglas show oh yeah

905
00:41:15,780 --> 00:41:12,790
part of going on would be having to take

906
00:41:19,670 --> 00:41:15,790
a polygraph test so we did both of us

907
00:41:23,220 --> 00:41:19,680
took one pass to it then later on in

908
00:41:26,490 --> 00:41:23,230
life somebody gave me a boy stress test

909
00:41:29,310 --> 00:41:26,500
and then I had another polygraph test I

910
00:41:33,290 --> 00:41:29,320
had one up and talked to all but Hopkins

911
00:41:37,200 --> 00:41:33,300
oh yeah but I meant both Hopkins and

912
00:41:39,630 --> 00:41:37,210
Florida he had flew them and they wanted

913
00:41:41,850 --> 00:41:39,640

to read hypnotizes snow and that's when

914

00:41:44,400 --> 00:41:41,860

I got into really taking on the

915

00:41:46,680 --> 00:41:44,410

polygraph test and stuff so it's always

916

00:41:49,260 --> 00:41:46,690

been kind of proved this thing either

917

00:41:50,850 --> 00:41:49,270

right or wrong Anatomy I wasn't care if

918

00:41:53,250 --> 00:41:50,860

it was proved wrong and everybody said

919

00:41:56,400 --> 00:41:53,260

it was a hoax and it go away but it

920

00:41:59,670 --> 00:41:56,410

won't you know have a lot of people try

921

00:42:03,600 --> 00:41:59,680

to discredit you in this no sir they had

922

00:42:05,430 --> 00:42:03,610

not a lot yeah ah you see one every now

923

00:42:09,150 --> 00:42:05,440

and then with a Cody Sputnik or

924

00:42:12,630 --> 00:42:09,160

something like that um but that's mostly

925

00:42:14,400 --> 00:42:12,640

in play I'm in construction plate

926

00:42:17,750 --> 00:42:14,410

because I went into the construction

927

00:42:20,700 --> 00:42:17,760

field little short time after that and

928

00:42:23,880 --> 00:42:20,710

these people that you work around you so

929

00:42:26,250 --> 00:42:23,890

I'm not real generous right how about

930

00:42:26,640 --> 00:42:26,260

philip glass's he did he ever contact

931

00:42:35,340 --> 00:42:26,650

you

932

00:42:39,150 --> 00:42:35,350

opinion about things and philip glass to

933

00:42:40,980 --> 00:42:39,160

me he was not he was probably a smart

934

00:42:41,220 --> 00:42:40,990

man that he was the smartest what he

935

00:42:44,880 --> 00:42:41,230

thought

936

00:42:47,940 --> 00:42:44,890

he was I agree with you there now how

937

00:42:52,590 --> 00:42:47,950

was your treatment from J Allen Hynek at

938

00:42:55,260 --> 00:42:52,600

the time when he first got there how it

939

00:42:58,200 --> 00:42:55,270

was kind of standoffish him and the

940

00:43:01,080 --> 00:42:58,210

harder had came down but he was a little

941

00:43:03,090 --> 00:43:01,090

bit standoffish then over the times that

942

00:43:05,520 --> 00:43:03,100

we spent together and a questionnaire

943

00:43:10,290 --> 00:43:05,530

that he had a hypnosis that they'd done

944

00:43:12,930 --> 00:43:10,300

and now he oh he said and he told us he

945

00:43:15,150 --> 00:43:12,940

said without a doubt I know that

946

00:43:17,849 --> 00:43:15,160

something happened to y'all I don't know

947

00:43:19,380 --> 00:43:17,859

what except from what you said that he

948

00:43:22,109 --> 00:43:19,390

said without a doubt they something that

949

00:43:23,700 --> 00:43:22,119

happened right well Calvin were we're

950

00:43:25,020 --> 00:43:23,710

out of time is there anything else you

951
00:43:28,710 --> 00:43:25,030
want to talk about before we sign off

952
00:43:32,580 --> 00:43:28,720
well just one thing I know there's a lot

953
00:43:34,800 --> 00:43:32,590
of people that uses for hopes and a lot

954
00:43:37,170 --> 00:43:34,810
of people kind of make like a religion I

955
00:43:38,820 --> 00:43:37,180
just want people to really think things

956
00:43:40,020 --> 00:43:38,830
out before they get involved in

957
00:43:44,660 --> 00:43:40,030
something that's going to cost them

958
00:43:47,550 --> 00:43:44,670
money because it's like religion yeah

959
00:43:49,410 --> 00:43:47,560
you know religion is one of the most

960
00:43:51,840 --> 00:43:49,420
powerful things in the world but make

961
00:43:53,970 --> 00:43:51,850
money and I don't want to see nobody get

962
00:43:56,400 --> 00:43:53,980
scammed or anything I think those are

963
00:43:58,890 --> 00:43:56,410

great words well thanks so much Calvin

964

00:44:01,080 --> 00:43:58,900

it's been a genuine pleasure to talk to

965

00:44:02,640 --> 00:44:01,090

you you're a gentleman and I really
