

DOLBY

LANDRUM

1
00:00:03,139 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:04,249 --> 00:00:03,149
triangle

3
00:00:05,360 --> 00:00:04,259
you know there's explanation for

4
00:00:06,710 --> 00:00:05,370
everything that occurred in the

5
00:00:09,169 --> 00:00:06,720
Rendlesham forest incident

6
00:00:11,570 --> 00:00:09,179
it doesn't involve aliens at all it was

7
00:00:15,410 --> 00:00:11,580
completely silent it comes right over

8
00:00:17,210 --> 00:00:15,420
our head it's so a classic flying-saucer

9
00:00:18,830 --> 00:00:17,220
really standing in the clearing he

10
00:00:20,450 --> 00:00:18,840
turned over to my father and held his

11
00:00:23,960 --> 00:00:20,460
hand and he looked in his eyes and said

12
00:00:26,720 --> 00:00:23,970

happened on December 29th 1980 with

26
00:01:00,139 --> 00:00:57,809
himself Betty cash and his grandmother

Collins and they'll all be coming up

started though we have a special guests

32
00:01:14,990 --> 00:01:11,909
on right now and it's Alejandro Rojas

33
00:01:16,940 --> 00:01:15,000
from open minds how you doing a lot how

34
00:01:19,280 --> 00:01:16,950
you doing alejandro doing good how are

35
00:01:22,460 --> 00:01:19,290
you good now you got some pretty awesome

36
00:01:25,789 --> 00:01:22,470
clips going viral there from the 1940s

37
00:01:28,609 --> 00:01:25,799
through 1960s that Wendy Connors and

38
00:01:31,190 --> 00:01:28,619

Roderick Dyke had compiled can you

39

00:01:33,080 --> 00:01:31,200

please fill us in on that yeah this is

40

00:01:35,690 --> 00:01:33,090

really cool and I've got to thank a

41

00:01:40,100 --> 00:01:35,700

couple guys at Isaac coy and Giuliano

42

00:01:42,410 --> 00:01:40,110

Marinko Vick they are some archivist UFO

43

00:01:44,690 --> 00:01:42,420

archivists of sorts they go out there

44

00:01:47,300 --> 00:01:44,700

and they find a lot of files and put

45

00:01:49,940 --> 00:01:47,310

them together such as you know FBI files

46

00:01:52,370 --> 00:01:49,950

or airforce files and then they send

47

00:01:54,050 --> 00:01:52,380

that out to UFO researchers and I've

48

00:01:55,910 --> 00:01:54,060

been lucky enough to be on their email

49

00:01:58,100 --> 00:01:55,920

list and they've put together some

50

00:02:00,830 --> 00:01:58,110

really great stuff and this is a unique

51
00:02:03,170 --> 00:02:00,840
one that I had never heard about like he

52
00:02:06,709 --> 00:02:03,180
said Wendy Connors and and Roderick Dyke

53
00:02:08,630 --> 00:02:06,719
put together these audio files I guess

54
00:02:10,729 --> 00:02:08,640
it was started by Wendy Connor she

55
00:02:13,740 --> 00:02:10,739
decided to do this and call these

56
00:02:16,760 --> 00:02:13,750
compilations of audio files faded discs

57
00:02:20,510 --> 00:02:16,770
but there's some really hard to find uh

58
00:02:23,760 --> 00:02:20,520
audio interviews largely from the

59
00:02:27,270 --> 00:02:23,770
beginning of UFO research back in the

60
00:02:29,880 --> 00:02:27,280
40s and the 50s she remastered these

61
00:02:32,190 --> 00:02:29,890
audios and put them together on this and

62
00:02:33,930 --> 00:02:32,200
they're really cool clips a lot of them

63
00:02:36,510 --> 00:02:33,940

are pretty short because they're short

64

00:02:38,760 --> 00:02:36,520

interviews that were on radio or

65

00:02:40,440 --> 00:02:38,770

something like that but they go all the

66

00:02:42,150 --> 00:02:40,450

way back to the beginning of the

67

00:02:44,190 --> 00:02:42,160

investigation in this and a lot of

68

00:02:47,070 --> 00:02:44,200

people don't know that there were a lot

69

00:02:49,890 --> 00:02:47,080

of UFO flaps going on or UFO waves going

70

00:02:53,220 --> 00:02:49,900

on back when this all started we all

71

00:02:54,990 --> 00:02:53,230

heard of Kenneth Arnold in 1947 really

72

00:02:56,970 --> 00:02:55,000

there were a lot of UFO sightings at

73

00:02:59,580 --> 00:02:56,980

that time Kenneth Arnold was just a

74

00:03:01,890 --> 00:02:59,590

credible person who kind of became the

75

00:03:04,290 --> 00:03:01,900

poster child for you know credible

76

00:03:06,300 --> 00:03:04,300

people seeing these things and really

77

00:03:08,699 --> 00:03:06,310

made this a big deal until the Air Force

78

00:03:10,830 --> 00:03:08,709

got involved in researching but there's

79

00:03:13,290 --> 00:03:10,840

a lot of other really good cases out

80

00:03:17,550 --> 00:03:13,300

there in these files that Wendy Connors

81

00:03:20,009 --> 00:03:17,560

had found or retrieved there are US Air

82

00:03:23,009 --> 00:03:20,019

Force personnel from the 40s that are

83

00:03:26,250 --> 00:03:23,019

recounting their interest in the topic

84

00:03:28,410 --> 00:03:26,260

or their own personal sightings I you

85

00:03:30,960 --> 00:03:28,420

have scientists and others talking about

86

00:03:32,670 --> 00:03:30,970

this I don't think people realize that

87

00:03:35,009 --> 00:03:32,680

in the 40s and the 50s when all of this

88

00:03:37,650 --> 00:03:35,019

started that it was a really serious

89

00:03:39,690 --> 00:03:37,660

topic in fact the air force's first

90

00:03:41,759 --> 00:03:39,700

project looking into this project Stein

91

00:03:43,440 --> 00:03:41,769

had decided that you know

92

00:03:46,140 --> 00:03:43,450

extraterrestrials were a valid

93

00:03:48,150 --> 00:03:46,150

possibility as to the nature of UFOs

94

00:03:50,400 --> 00:03:48,160

they got a little bit in trouble for

95

00:03:52,699 --> 00:03:50,410

including that in their final analysis

96

00:03:55,050 --> 00:03:52,709

and it was eventually removed right but

97

00:03:57,300 --> 00:03:55,060

and things change they began to be

98

00:03:59,160 --> 00:03:57,310

bunking more but yeah there's a really

99

00:04:01,020 --> 00:03:59,170

interesting history that is preserved

100

00:04:02,699 --> 00:04:01,030

here in these audio files they're

101
00:04:04,380 --> 00:04:02,709
absolutely great I love listening to

102
00:04:06,750 --> 00:04:04,390
them and I going to spend more time

103
00:04:09,360 --> 00:04:06,760
doing that and it's great you know

104
00:04:11,310 --> 00:04:09,370
hearing the way people used to talk and

105
00:04:13,340 --> 00:04:11,320
it's yeah this is kind of like an

106
00:04:15,810 --> 00:04:13,350
innocence to the whole thing as well too

107
00:04:18,240 --> 00:04:15,820
definitely I mean they were going into

108
00:04:20,969 --> 00:04:18,250
it more curious about what is this it

109
00:04:23,940 --> 00:04:20,979
wasn't more of if you read captain

110
00:04:26,339 --> 00:04:23,950
repeat repeat to book he ran Project

111
00:04:27,540 --> 00:04:26,349
Blue Book and he reviews projects signed

112
00:04:30,210 --> 00:04:27,550
project grudge

113
00:04:32,610 --> 00:04:30,220

and he reviews how this all evolved and

114

00:04:34,619 --> 00:04:32,620

how at first you know it was like you

115

00:04:37,050 --> 00:04:34,629

said a very innocent and a very

116

00:04:38,850 --> 00:04:37,060

aboveboard look into what is going on

117

00:04:42,570 --> 00:04:38,860

before the Air Force started getting

118

00:04:44,969 --> 00:04:42,580

upset about negative comments and PR

119

00:04:46,409 --> 00:04:44,979

problems that they had ran into so it's

120

00:04:50,219 --> 00:04:46,419

an interesting history and you can hear

121

00:04:52,020 --> 00:04:50,229

that played out in these files but yeah

122

00:04:54,089 --> 00:04:52,030

people had taken everything very

123

00:04:55,860 --> 00:04:54,099

seriously and you can see that there was

124

00:04:58,350 --> 00:04:55,870

this battle in the military and it still

125

00:05:00,360 --> 00:04:58,360

goes on in sorts this idea that not

126
00:05:02,700 --> 00:05:00,370
everybody is all of one mind you know

127
00:05:04,589 --> 00:05:02,710
people are arguing about the nature of

128
00:05:06,899 --> 00:05:04,599
what's going on the significant whether

129
00:05:08,909 --> 00:05:06,909
these are mundane objects or not whether

130
00:05:10,649 --> 00:05:08,919
they're Russian or something possibly

131
00:05:12,839 --> 00:05:10,659
extraterrestrial which some people did

132
00:05:14,640 --> 00:05:12,849
entertain that idea mm-hmm

133
00:05:17,159 --> 00:05:14,650
looks like Sam Moran toes joining us

134
00:05:20,100 --> 00:05:17,169
here right now so Sam go ahead and fire

135
00:05:23,249 --> 00:05:20,110
a question at alejandro rojas you know a

136
00:05:26,459 --> 00:05:23,259
lot of people today coming into the

137
00:05:29,850 --> 00:05:26,469
field haven't a clue especially many of

138
00:05:32,279 --> 00:05:29,860

the skeptics and that's something I find

139

00:05:35,219 --> 00:05:32,289

so amusing when they don't understand

140

00:05:38,700 --> 00:05:35,229

the history and it's very annoying as

141

00:05:41,309 --> 00:05:38,710

you know trying to combat them and they

142

00:05:42,659 --> 00:05:41,319

have no knowledge whatsoever they're

143

00:05:45,180 --> 00:05:42,669

they're under the impression that

144

00:05:48,659 --> 00:05:45,190

everything began in 47 and that's it I

145

00:05:52,469 --> 00:05:48,669

have a case that came from 1920 a case

146

00:05:55,559 --> 00:05:52,479

from Indiana and so at least if you can

147

00:05:58,200 --> 00:05:55,569

get that 1947 material which was a huge

148

00:05:59,939 --> 00:05:58,210

wave by gosh we had cases here in

149

00:06:02,040 --> 00:05:59,949

Illinois all across the world

150

00:06:04,670 --> 00:06:02,050

like you said alejandro were all over

151
00:06:08,459 --> 00:06:04,680
the place this was a very big year for

152
00:06:11,219 --> 00:06:08,469
UFOs but it wasn't the first right first

153
00:06:13,769 --> 00:06:11,229
and I'd like to say hello Sam well hello

154
00:06:15,330 --> 00:06:13,779
my friend some of the files in here like

155
00:06:16,950 --> 00:06:15,340
you said and that's what makes it kind

156
00:06:18,839 --> 00:06:16,960
of good writing about this stuff all the

157
00:06:20,279 --> 00:06:18,849
time there's kind of a short-term memory

158
00:06:23,459 --> 00:06:20,289
and a lot of people getting into this

159
00:06:25,050 --> 00:06:23,469
room right into the topic now don't know

160
00:06:27,629 --> 00:06:25,060
a lot of the history so when you write

161
00:06:30,749 --> 00:06:27,639
about it it's news to them for instance

162
00:06:32,790 --> 00:06:30,759
a lot of them don't know about dr. J

163
00:06:36,260 --> 00:06:32,800

Allen Hynek who was the Air Force

164

00:06:39,180 --> 00:06:36,270

consultant scientific consultant on

165

00:06:41,370 --> 00:06:39,190

investigating UFO cases he was a skeptic

166

00:06:43,740 --> 00:06:41,380

at first but he changed his

167

00:06:45,960 --> 00:06:43,750

mind over time and a lot of these audio

168

00:06:48,840 --> 00:06:45,970

files have interviews with him where you

169

00:06:51,810 --> 00:06:48,850

cure him doing some of this debunking

170

00:06:54,150 --> 00:06:51,820

but then also you hear over time how his

171

00:06:55,590 --> 00:06:54,160

views changed and in the later years

172

00:06:57,360 --> 00:06:55,600

where you hear the interviews where he

173

00:06:59,700 --> 00:06:57,370

really thinks there should be scientific

174

00:07:02,070 --> 00:06:59,710

study and how he was disappointed in the

175

00:07:05,460 --> 00:07:02,080

airforce research that's right

176

00:07:09,720 --> 00:07:05,470

absolutely hey well it's time for a

177

00:07:11,520 --> 00:07:09,730

break and thanks so much Alejandro and

178

00:07:13,050 --> 00:07:11,530

guess what Sam I'm going to be dropping

179

00:07:15,600 --> 00:07:13,060

you like a hot potato because I don't

180

00:07:18,450 --> 00:07:15,610

have room to have everyone i Alejandro

181

00:07:21,210 --> 00:07:18,460

you're talking to you take care you too

182

00:07:24,180 --> 00:07:21,220

all right so hey thanks so much

183

00:07:24,840 --> 00:07:24,190

Alejandro and Sam we'll be talking to

184

00:07:26,430 --> 00:07:24,850

you next week

185

00:07:29,190 --> 00:07:26,440

all right hang in for this break we have

186

00:07:31,800 --> 00:07:29,200

Colby Landrum recorded live with Chris

187

00:08:54,090 --> 00:07:31,810

Lambright and Kirk Collins coming right

188

00:08:59,310 --> 00:08:57,300

Holby you there yeah sure

189

00:09:02,160 --> 00:08:59,320

hey Colby Landrum how're you doing I'm

190

00:09:04,560 --> 00:09:02,170

doing great how are y'all doing great

191

00:09:07,079 --> 00:09:04,570

Colby I'd like you to meet on the show

192

00:09:09,720 --> 00:09:07,089

with us right now is Chris Lambright and

193

00:09:12,090 --> 00:09:09,730

Curtis Collins uh-huh nice to meet you I

194

00:09:14,160 --> 00:09:12,100

guess I missed you the two times back in

195

00:09:15,059 --> 00:09:14,170

1985 that actually went down and talked

196

00:09:16,470 --> 00:09:15,069

to your grandmother

197

00:09:19,410 --> 00:09:16,480

so it's nice to talk to you after all

198

00:09:23,040 --> 00:09:19,420

this time yes sir nice big welcome from

199

00:09:25,470 --> 00:09:23,050

Texas I'm actually up in West the town

200

00:09:28,170 --> 00:09:25,480

that blew up not long ago

201

00:09:30,809 --> 00:09:28,180

oh here yes I I was in Dallas at the

202

00:09:33,120 --> 00:09:30,819

time but I'm in West right now all right

203

00:09:34,559 --> 00:09:33,130

this is current I found out that you're

204

00:09:36,749 --> 00:09:34,569

your grandmother was from Mississippi

205

00:09:42,600 --> 00:09:36,759

that's that's where I'm from so you know

206

00:09:45,660 --> 00:09:42,610

we might be cousins it'd be so I'm just

207

00:09:49,230 --> 00:09:45,670

going to sit back here and let you two

208

00:09:51,990 --> 00:09:49,240

Curtis and Chris both you both did some

209

00:09:54,329 --> 00:09:52,000

work on the case and you know Colby I

210

00:09:56,519 --> 00:09:54,339

think you know this is kind of a rare

211

00:09:58,379 --> 00:09:56,529

appearance you haven't been I know

212

00:09:59,579 --> 00:09:58,389

you're on the UFO Hunters but I don't

213

00:10:02,550 --> 00:09:59,589

know if you've ever been interviewed

214

00:10:06,530 --> 00:10:02,560

before and I think basically we'd like

215

00:10:09,030 --> 00:10:06,540

to hear in your own words what happened

216

00:10:10,500 --> 00:10:09,040

what you recall that happened not what

217

00:10:12,960 --> 00:10:10,510

other people told you but what you

218

00:10:17,670 --> 00:10:12,970

recalled what happened back in December

219

00:10:20,009 --> 00:10:17,680

of 1980 okay first of all with my

220

00:10:23,370 --> 00:10:20,019

grandmother not Betty Cass we all took

221

00:10:26,970 --> 00:10:23,380

off on excursion bail we did they like

222

00:10:29,790 --> 00:10:26,980

to play bingo a lot so we traveled over

223

00:10:31,829 --> 00:10:29,800

to New Caney a place they thought was

224

00:10:34,500 --> 00:10:31,839

having bingo and at that particular

225

00:10:36,439 --> 00:10:34,510

night there was no bingo so they drove

226
00:10:41,699 --> 00:10:36,449
around trying to find other places and

227
00:10:47,280 --> 00:10:41,709
we tended to make our way down 2102 the

228
00:10:50,550 --> 00:10:47,290
actual site the Praetorians after that

229
00:10:52,079 --> 00:10:50,560
and we sent a bright bright object

230
00:10:55,559 --> 00:10:52,089
coming from the left side of the road

231
00:10:58,620 --> 00:10:55,569
which would be north to south on tours

232
00:11:00,660 --> 00:10:58,630
like Easton just above that the tree

233
00:11:05,280 --> 00:11:00,670
tops of the pine trees right there early

234
00:11:08,650 --> 00:11:05,290
on 150 foot or so and then the object

235
00:11:12,970 --> 00:11:08,660
was a little higher of course for the

236
00:11:19,130 --> 00:11:12,980
there were we come to a stop you know

237
00:11:22,400 --> 00:11:19,140
didn't know what it was and and I

238
00:11:26,360 --> 00:11:22,410

remember your mom talking about it was

239

00:11:28,670 --> 00:11:26,370

coming did he wasn't coming back or

240

00:11:31,310 --> 00:11:28,680

whatever [h__h] religious so I mean uh

241

00:11:36,470 --> 00:11:31,320

kind of scared me I crawled in the

242

00:11:39,920 --> 00:11:36,480

floorboard and my grandmother continued

243

00:11:41,900 --> 00:11:39,930

looking out the window in which Betty

244

00:11:45,290 --> 00:11:41,910

cash she took a little bit further and

245

00:11:47,360 --> 00:11:45,300

want to get out and investigate what

246

00:11:49,100 --> 00:11:47,370

else did y'all want to know well I've

247

00:11:52,010 --> 00:11:49,110

got a question for you excuse me

248

00:11:54,650 --> 00:11:52,020

about can you tell us can you give us a

249

00:11:57,470 --> 00:11:54,660

description of you know on the light and

250

00:11:59,120 --> 00:11:57,480

and oh you know whatever you can say

251
00:12:01,070 --> 00:11:59,130
about it you know compared to any object

252
00:12:03,260 --> 00:12:01,080
and maybe tell us about the way it moved

253
00:12:06,290 --> 00:12:03,270
if you can remember I don't know if

254
00:12:09,050 --> 00:12:06,300
y'all have him up there but down here in

255
00:12:12,020 --> 00:12:09,060
the south we have the water towers you

256
00:12:14,900 --> 00:12:12,030
know the four legged water towers that

257
00:12:20,150 --> 00:12:14,910
exceed the main cities and everything

258
00:12:21,920 --> 00:12:20,160
with and the object back then I was

259
00:12:24,290 --> 00:12:21,930
comparing it to the size of you know the

260
00:12:28,340 --> 00:12:24,300
top of the water tank which I don't

261
00:12:30,110 --> 00:12:28,350
really probably now knowing that are

262
00:12:35,360 --> 00:12:30,120
working refineries and everything that

263
00:12:38,210 --> 00:12:35,370

uh it seemed to be about us I don't know

264

00:12:40,160 --> 00:12:38,220

100 foot across probably a hundred foot

265

00:12:44,680 --> 00:12:40,170

up and down now it's all a fifty foot

266

00:12:49,370 --> 00:12:47,300

yeah yeah I mean that that's a question

267

00:12:51,890 --> 00:12:49,380

that was a question that has been

268

00:12:54,110 --> 00:12:51,900

somewhat confusing over time is to get

269

00:12:56,210 --> 00:12:54,120

an idea of exactly whether the

270

00:12:59,150 --> 00:12:56,220

comparisons to water towers knit from

271

00:13:01,850 --> 00:12:59,160

the ground to the very top or just the

272

00:13:03,500 --> 00:13:01,860

tank part up at the top but you know

273

00:13:05,450 --> 00:13:03,510

I've always when wondering how wide

274

00:13:07,730 --> 00:13:05,460

would it be when it came down over the

275

00:13:09,170 --> 00:13:07,740

roadway so if you can you know go ahead

276

00:13:12,340 --> 00:13:09,180

and describe that because this is an

277

00:13:15,200 --> 00:13:12,350

important thing one more time please

278

00:13:18,710 --> 00:13:15,210

I've there's been some confusion I think

279

00:13:21,350 --> 00:13:18,720

over the years with exactly how large

280

00:13:24,109 --> 00:13:21,360

the the object itself would have been

281

00:13:25,340 --> 00:13:24,119

so if you were all and I think from what

282

00:13:27,859 --> 00:13:25,350

Kurt and I have talked about and I think

283

00:13:30,549 --> 00:13:27,869

it may be correct that you seem to be

284

00:13:32,929 --> 00:13:30,559

the person who even at the young age

285

00:13:34,939 --> 00:13:32,939

seem to identify it as kind of

286

00:13:37,340 --> 00:13:34,949

diamond-shaped or have some kind of a

287

00:13:40,789 --> 00:13:37,350

shape that was elongated like that so we

288

00:13:42,289 --> 00:13:40,799

have there was some way just he can keep

289

00:13:45,019 --> 00:13:42,299

continuing we're here to hear what you

290

00:13:47,179 --> 00:13:45,029

have to say while I was a like I say it

291

00:13:49,609 --> 00:13:47,189

was look to me it was like a diamond

292

00:13:51,739 --> 00:13:49,619

shape but the flames coming out the

293

00:13:54,199 --> 00:13:51,749

bottoms not just massive flames you know

294

00:13:57,970 --> 00:13:54,209

just whole thing with radiated by

295

00:14:01,189 --> 00:13:57,980

torrents and it actually looked like it

296

00:14:04,579 --> 00:14:01,199

it was more glowing than on fire so I

297

00:14:05,869 --> 00:14:04,589

mean it was as a kid that seemed to

298

00:14:08,889 --> 00:14:05,879

stick in your head and you know a lot of

299

00:14:11,720 --> 00:14:08,899

things you don't remember but this is

300

00:14:14,989 --> 00:14:11,730

specifics and everything about another

301
00:14:17,419 --> 00:14:14,999
object I did remember so on yeah and in

302
00:14:19,460 --> 00:14:17,429
fact that's exactly what we want to hear

303
00:14:21,049 --> 00:14:19,470
the things that you remember even at

304
00:14:24,259 --> 00:14:21,059
that young age if you were in the car

305
00:14:27,169 --> 00:14:24,269
and what you saw when you say it seemed

306
00:14:29,179 --> 00:14:27,179
to be more glowing do you mean you could

307
00:14:32,569 --> 00:14:29,189
actually see the entire outline of the

308
00:14:34,189 --> 00:14:32,579
entire object or after the go see that's

309
00:14:35,979 --> 00:14:34,199
a that's a very important point that I

310
00:14:39,590 --> 00:14:35,989
think everybody wants to understand

311
00:14:44,659 --> 00:14:39,600
right I was it was glowing very uh

312
00:14:46,159 --> 00:14:44,669
bright orange yellows and not of course

313
00:14:48,559 --> 00:14:46,169

being that age I was amazed with

314

00:14:52,309 --> 00:14:48,569

helicopters and planes just like any

315

00:14:54,590 --> 00:14:52,319

other normal child and I was counting

316

00:14:56,210 --> 00:14:54,600

the helicopters around at which at the

317

00:14:58,809 --> 00:14:56,220

time I didn't know what they were would

318

00:15:02,929 --> 00:14:58,819

later own but I found out they were

319

00:15:05,499 --> 00:15:02,939

double rotor Chinook helicopters that uh

320

00:15:07,220 --> 00:15:05,509

were whatever they were doing

321

00:15:09,759 --> 00:15:07,230

transporting out I know they wasn't

322

00:15:17,499 --> 00:15:09,769

carrying it I don't I don't know that

323

00:15:19,429 --> 00:15:17,509

but yes I don't if I have oh yeah my

324

00:15:22,069 --> 00:15:19,439

apologies I was just saying if I recall

325

00:15:24,139 --> 00:15:22,079

I think from what you're and what you

326

00:15:26,239 --> 00:15:24,149

described us now when the thing when the

327

00:15:28,850 --> 00:15:26,249

object whatnot came in over the trees

328

00:15:32,329 --> 00:15:28,860

and basically paused over the roadway

329

00:15:33,180 --> 00:15:32,339

there weren't any helicopters over it at

330

00:15:35,880 --> 00:15:33,190

that moment

331

00:15:37,710 --> 00:15:35,890

that there so if you correct never they

332

00:15:39,780 --> 00:15:37,720

were never over it they were around it

333

00:15:44,880 --> 00:15:39,790

and stayed a pretty good distance away

334

00:15:50,030 --> 00:15:44,890

I'd say close as I can remember probably

335

00:15:52,590 --> 00:15:50,040

they stayed at least two a three hard

336

00:15:54,360 --> 00:15:52,600

feet that's not a hundred yards away

337

00:15:58,350 --> 00:15:54,370

from that you know it could be longer

338

00:15:59,490 --> 00:15:58,360

shorter but just my memory they were you

339

00:16:01,590 --> 00:15:59,500

know they were all the way around I

340

00:16:03,060 --> 00:16:01,600

don't know nothing was blood of course

341

00:16:06,000 --> 00:16:03,070

and you know there might have been one

342

00:16:08,220 --> 00:16:06,010

or two way above it I've got a lot of

343

00:16:10,050 --> 00:16:08,230

questions about that you know even more

344

00:16:12,480 --> 00:16:10,060

about the craft and the helicopters but

345

00:16:13,980 --> 00:16:12,490

but uh go ahead with your story and then

346

00:16:17,670 --> 00:16:13,990

we're probably going to back up to a few

347

00:16:19,740 --> 00:16:17,680

points so well I said we we pause there

348

00:16:23,250 --> 00:16:19,750

for a minute and I can't remember the

349

00:16:24,660 --> 00:16:23,260

exact time it seemed an eternity to

350

00:16:27,690 --> 00:16:24,670

neighbor because I was terrified in the

351

00:16:29,640 --> 00:16:27,700

floorboards but uh you know they

352

00:16:33,600 --> 00:16:29,650

continued my grandmother was looking

353

00:16:36,360 --> 00:16:33,610

through the the windshield and she was

354

00:16:39,540 --> 00:16:36,370

frantic now thinking about the second

355

00:16:42,210 --> 00:16:39,550

coming of Christ and um like I said

356

00:16:43,980 --> 00:16:42,220

Betty got a car to investigate more look

357

00:16:45,960 --> 00:16:43,990

at it whatever grandmother's tell her

358

00:16:47,940 --> 00:16:45,970

and get back in a car of course I'm

359

00:16:52,860 --> 00:16:47,950

terrified her and floorboard not peak at

360

00:16:54,750 --> 00:16:52,870

around him but that was it's interesting

361

00:16:56,850 --> 00:16:54,760

you mentioned that because we were we

362

00:16:59,490 --> 00:16:56,860

were curious whether the fact that you

363

00:17:01,470 --> 00:16:59,500

had been down low and would peek up

364

00:17:04,740 --> 00:17:01,480

every now and then might have actually

365

00:17:06,840 --> 00:17:04,750

the the dashboard for example may have

366

00:17:09,990 --> 00:17:06,850

in fact blocks some of the brightness

367

00:17:11,520 --> 00:17:10,000

and given you a little better look at

368

00:17:13,380 --> 00:17:11,530

the thing just because of the nature of

369

00:17:15,390 --> 00:17:13,390

the fact that you were short now I was

370

00:17:18,240 --> 00:17:15,400

curious when when do you think if you

371

00:17:20,400 --> 00:17:18,250

remember did you get the best look at

372

00:17:23,460 --> 00:17:20,410

the object or the shape of it or the

373

00:17:26,640 --> 00:17:23,470

longest time to I would say when we was

374

00:17:29,480 --> 00:17:26,650

approaching and at the very beginning I

375

00:17:32,220 --> 00:17:29,490

was looking and like of course back then

376

00:17:33,540 --> 00:17:32,230

there was no car seats or anything and

377

00:17:37,410 --> 00:17:33,550

we stood up from back to seats and

378

00:17:38,820 --> 00:17:37,420

everything so my mom had always told me

379

00:17:42,029 --> 00:17:38,830

when we passed a cop

380

00:17:43,950 --> 00:17:42,039

you know we're outlaw so she was

381

00:17:45,750 --> 00:17:43,960

see what got me getting the full board

382

00:17:48,120 --> 00:17:45,760

so she can get a ticket or whatever so

383

00:17:51,900 --> 00:17:48,130

that was just like a natural routine for

384

00:17:53,820 --> 00:17:51,910

me I would see that makes absolute sense

385

00:17:55,799 --> 00:17:53,830

when you think back right as you were

386

00:17:57,150 --> 00:17:55,809

approaching it is when you would really

387

00:17:58,500 --> 00:17:57,160

have a more of a chance probably less

388

00:18:00,990 --> 00:17:58,510

frightening at that instant and get a

389

00:18:02,370 --> 00:18:01,000

better look at it but um go ahead and

390

00:18:04,500 --> 00:18:02,380

let Kurt ask some of the questions he's

391

00:18:07,350 --> 00:18:04,510

been doing most of the research recently

392

00:18:09,060 --> 00:18:07,360

on double-checking things that have had

393

00:18:10,770 --> 00:18:09,070

been said afterwards or things that have

394

00:18:12,770 --> 00:18:10,780

come out trying to get down to the to

395

00:18:15,470 --> 00:18:12,780

the real truth of what went on

396

00:18:18,330 --> 00:18:15,480

absolutely yes talking I what I want

397

00:18:20,789 --> 00:18:18,340

well yeah I want to hear more your story

398

00:18:22,260 --> 00:18:20,799

I get the impression that um and a lot

399

00:18:23,700 --> 00:18:22,270

of people don't realize that that that

400

00:18:25,500 --> 00:18:23,710

when you first saw it that wasn't

401
00:18:27,690 --> 00:18:25,510
apparently the end of the story you

402
00:18:30,710 --> 00:18:27,700
continued to see it as you traveled is

403
00:18:34,380 --> 00:18:30,720
that right and I'd like to hear both

404
00:18:35,789 --> 00:18:34,390
yeah just bet the wrists as we pause you

405
00:18:41,210 --> 00:18:35,799
know he's like I said the craft pause

406
00:18:48,029 --> 00:18:45,270
as we went down the road it kind of made

407
00:18:49,380 --> 00:18:48,039
a path towards like Houston and you know

408
00:18:51,630 --> 00:18:49,390
I come up off the seat once we've got

409
00:18:54,899 --> 00:18:51,640
some distance and now you can feel the

410
00:18:56,669 --> 00:18:54,909
heat off of it even inside the car like

411
00:18:58,770 --> 00:18:56,679
I said it my grandmother will she put

412
00:19:02,250 --> 00:18:58,780
her hands on the dash with actually left

413
00:19:04,490 --> 00:19:02,260

an imprint on it we found out later on

414

00:19:07,140 --> 00:19:04,500

we didn't know it at this time but I

415

00:19:11,970 --> 00:19:07,150

don't know where the core is now I wish

416

00:19:16,230 --> 00:19:11,980

I had my hands on but um I say we

417

00:19:21,630 --> 00:19:16,240

continue to travel home and I think they

418

00:19:23,700 --> 00:19:21,640

contemplate about once we got home they

419

00:19:26,250 --> 00:19:23,710

contemplated about calling somebody and

420

00:19:27,990 --> 00:19:26,260

letting them know and and you know of

421

00:19:29,820 --> 00:19:28,000

course back then everybody was going to

422

00:19:31,409 --> 00:19:29,830

think it we were complete morons or

423

00:19:35,220 --> 00:19:31,419

whatever so they were skeptical about

424

00:19:38,430 --> 00:19:35,230

that and my grandmother she was always

425

00:19:40,140 --> 00:19:38,440

the adamant woman about uh you know see

426

00:19:45,630 --> 00:19:40,150

she want to find out what it was and she

427

00:19:49,070 --> 00:19:45,640

didn't care what people thought and so

428

00:19:52,409 --> 00:19:49,080

nowadays like a day or two went on I

429

00:19:55,170 --> 00:19:52,419

know my grandmother and I'm Betty she

430

00:19:57,810 --> 00:19:55,180

got the worst of it

431

00:20:05,910 --> 00:19:57,820

actually had blisters on my skin on face

432

00:20:08,150 --> 00:20:05,920

had two like symptoms it was and I had

433

00:20:11,430 --> 00:20:08,160

to miss a few days of school out of it

434

00:20:14,730 --> 00:20:11,440

it almost like a sunburn kind of feeling

435

00:20:21,120 --> 00:20:14,740

sick now you get first symptoms when you

436

00:20:23,910 --> 00:20:21,130

sunburn and I actually they contacted

437

00:20:26,820 --> 00:20:23,920

ello Walker and it was crazy because him

438

00:20:31,860 --> 00:20:26,830

his wife all actually also seen it they

439

00:20:35,130 --> 00:20:31,870

were taking trip or whatever maybe they

440

00:20:36,720 --> 00:20:35,140

love a certain Dayton it's interesting

441

00:20:39,120 --> 00:20:36,730

you bring him up because I had just

442

00:20:41,460 --> 00:20:39,130

pulled up some information I think from

443

00:20:44,610 --> 00:20:41,470

John's book and Kurt and I had talked

444

00:20:47,160 --> 00:20:44,620

about this before that I just had an odd

445

00:20:49,830 --> 00:20:47,170

feeling about the fact that he saw those

446

00:20:52,670 --> 00:20:49,840

helicopters a couple of hours or so

447

00:20:55,740 --> 00:20:52,680

later but further back towards the east

448

00:20:57,720 --> 00:20:55,750

meaning just not not down south and not

449

00:21:00,030 --> 00:20:57,730

flying out over the coast and and in

450

00:21:02,910 --> 00:21:00,040

fact if if you wanted to try to avoid as

451
00:21:04,680 --> 00:21:02,920
much populated areas you could making a

452
00:21:06,570 --> 00:21:04,690
u-turn so to speak and heading back

453
00:21:08,550 --> 00:21:06,580
somewhere over east would have been the

454
00:21:10,530 --> 00:21:08,560
place to go so it really it really

455
00:21:12,060 --> 00:21:10,540
negated the whole idea that no one else

456
00:21:15,050 --> 00:21:12,070
saw the helicopters or that they weren't

457
00:21:17,700 --> 00:21:15,060
Sylar and nothing was flying at me I

458
00:21:20,040 --> 00:21:17,710
just so happen to be alone for sneaking

459
00:21:22,650 --> 00:21:20,050
and he was a straight up man you know I

460
00:21:25,080 --> 00:21:22,660
don't lie about anything and he's still

461
00:21:29,910 --> 00:21:25,090
same way to the day just a little older

462
00:21:31,620 --> 00:21:29,920
and sicker but um I mean I think it's

463
00:21:36,810 --> 00:21:31,630

it's a question that I've always had to

464

00:21:39,060 --> 00:21:36,820

wonder how you would feel about not not

465

00:21:41,010 --> 00:21:39,070

law enforcement in general but the fact

466

00:21:44,400 --> 00:21:41,020

that not just you and your grandmother

467

00:21:46,650 --> 00:21:44,410

and Betty but here's another police

468

00:21:49,290 --> 00:21:46,660

officer who he and his wife both saw the

469

00:21:51,990 --> 00:21:49,300

helicopters and everyone who's supposed

470

00:21:54,540 --> 00:21:52,000

to be investigating it seems to just be

471

00:21:56,910 --> 00:21:54,550

claiming well nobody had any helicopters

472

00:22:00,630 --> 00:21:56,920

out nobody could find them which isn't

473

00:22:03,120 --> 00:22:00,640

enough in effect calling everybody well

474

00:22:04,740 --> 00:22:03,130

I don't know what you'd call that but it

475

00:22:07,500 --> 00:22:04,750

kind of wonders makes you wonder how

476
00:22:08,700 --> 00:22:07,510
confident you would feel with anything

477
00:22:10,530 --> 00:22:08,710
that you're told by

478
00:22:12,810 --> 00:22:10,540
authorities these days I mean I don't

479
00:22:17,910 --> 00:22:12,820
know if you've had feelings after what

480
00:22:19,770 --> 00:22:17,920
I've got I've got you know like um our

481
00:22:22,500 --> 00:22:19,780
sheriff's of tap and ten to four over

482
00:22:24,540 --> 00:22:22,510
here now he's kind of like he was my

483
00:22:27,420 --> 00:22:24,550
little league coach also and you know AC

484
00:22:30,960 --> 00:22:27,430
guys on man he helped me out I've helped

485
00:22:33,360 --> 00:22:30,970
a lot on my Equusearch several times

486
00:22:35,280 --> 00:22:33,370
he's a very stand-up man I had no

487
00:22:39,600 --> 00:22:35,290
problem with law enforcement other than

488
00:22:43,260 --> 00:22:39,610

mr. Koerner friend that uh I did the

489

00:22:45,540 --> 00:22:43,270

show with us ORS I don't care too much

490

00:22:47,360 --> 00:22:45,550

for him because uh that day in

491

00:22:53,580 --> 00:22:47,370

particular eyes already climb on him

492

00:22:56,570 --> 00:22:53,590

Texas style but uh I would like you to

493

00:22:58,860 --> 00:22:56,580

elaborate on that don't mind my asking

494

00:23:00,270 --> 00:22:58,870

well would come face-to-face you know

495

00:23:02,430 --> 00:23:00,280

they did their little skit and

496

00:23:03,840 --> 00:23:02,440

everything and it wasn't no skit it was

497

00:23:06,510 --> 00:23:03,850

just I didn't know that it's bringing

498

00:23:08,760 --> 00:23:06,520

the man hands and he said I turned it

499

00:23:11,580 --> 00:23:08,770

they asking were there any possibility

500

00:23:14,490 --> 00:23:11,590

but there's any aircraft in that

501
00:23:17,850 --> 00:23:14,500
facility affinity that night he said

502
00:23:19,919 --> 00:23:17,860
absolutely not if you look at the film

503
00:23:24,419 --> 00:23:19,929
you can see my whole face gets red I've

504
00:23:28,440 --> 00:23:24,429
got a temper like Irishman so you know

505
00:23:30,390 --> 00:23:28,450
he sent me and into a mold that I was

506
00:23:34,560 --> 00:23:30,400
ready to just whoop it you know what I

507
00:23:36,030 --> 00:23:34,570
was so and refrain myself on that yeah

508
00:23:38,130 --> 00:23:36,040
you would you would think at that stage

509
00:23:40,169 --> 00:23:38,140
he would find a better way to express

510
00:23:41,549 --> 00:23:40,179
that knowing that he's in effect calling

511
00:23:44,190 --> 00:23:41,559
you and everyone else

512
00:23:47,370 --> 00:23:44,200
they're either liars or badly mistaken

513
00:23:49,350 --> 00:23:47,380

or something to that effect you know and

514

00:23:51,660 --> 00:23:49,360

I was also pilots that come out later on

515

00:23:53,880 --> 00:23:51,670

and said yes they were a mission in the

516

00:23:58,770 --> 00:23:53,890

area in that night but they couldn't

517

00:24:01,710 --> 00:23:58,780

elaborate on so I mean I sound just went

518

00:24:03,600 --> 00:24:01,720

dead are we still there yeah okay uh

519

00:24:05,790 --> 00:24:03,610

y'all call me I want to come back to

520

00:24:07,710 --> 00:24:05,800

about the helicopters in a minute devote

521

00:24:10,650 --> 00:24:07,720

just kind of continue with with the

522

00:24:12,270 --> 00:24:10,660

story in order um okay you talked about

523

00:24:15,450 --> 00:24:12,280

a little bit about the way that you felt

524

00:24:17,070 --> 00:24:15,460

I don't know um take um you know what

525

00:24:18,840 --> 00:24:17,080

else you know about about the other you

526

00:24:20,160 --> 00:24:18,850

know the other witnesses being sick and

527

00:24:24,920 --> 00:24:20,170

anything you remember

528

00:24:27,660 --> 00:24:24,930

at the hospital and I don't blame you I

529

00:24:29,580 --> 00:24:27,670

remember you know after a while you know

530

00:24:31,950 --> 00:24:29,590

they contacted the authorities and

531

00:24:34,920 --> 00:24:31,960

everything I can't remember exactly how

532

00:24:36,690 --> 00:24:34,930

the steps went yeah I should look back

533

00:24:38,940 --> 00:24:36,700

at my manuscripts not a little bit more

534

00:24:40,710 --> 00:24:38,950

than you know I can remember the kid

535

00:24:43,050 --> 00:24:40,720

them coming out to the house several

536

00:24:46,440 --> 00:24:43,060

times I don't know who they were whether

537

00:24:48,180 --> 00:24:46,450

government officials or what they would

538

00:24:50,940 --> 00:24:48,190

come out and tested for radiation ever

539

00:24:53,180 --> 00:24:50,950

soft and I don't know what they come up

540

00:24:56,430 --> 00:24:53,190

with and never seen any results on that

541

00:24:58,680 --> 00:24:56,440

you know I was told to be careful

542

00:25:01,680 --> 00:24:58,690

because somebody could scoop me up and

543

00:25:04,740 --> 00:25:01,690

take me away so you know I was always

544

00:25:07,200 --> 00:25:04,750

nervous about that and then I you know

545

00:25:12,950 --> 00:25:07,210

went to the hospital got checked out and

546

00:25:15,780 --> 00:25:12,960

I can't remember exactly what they said

547

00:25:20,640 --> 00:25:15,790

but that's okay just just what you

548

00:25:22,440 --> 00:25:20,650

remember um well at the hospital the way

549

00:25:24,630 --> 00:25:22,450

that the story's been told and and

550

00:25:27,540 --> 00:25:24,640

really I get the kind of feeling that

551
00:25:30,510 --> 00:25:27,550
there's what happened to you your story

552
00:25:32,400 --> 00:25:30,520
and then the story that's been on TV so

553
00:25:34,320 --> 00:25:32,410
and I want you to straighten that out at

554
00:25:42,690 --> 00:25:34,330
some point but but do you remember how

555
00:25:45,720 --> 00:25:42,700
the the story really got out I can't

556
00:25:47,550 --> 00:25:45,730
remember as like it was contact I think

557
00:25:51,900 --> 00:25:47,560
a local knows was contacted or something

558
00:25:52,470 --> 00:25:51,910
like that at some point mr. John

559
00:25:55,260 --> 00:25:52,480
Schuessler

560
00:25:58,740 --> 00:25:55,270
at the top news with NASA stuntman to

561
00:26:00,900 --> 00:25:58,750
help us out and I guess he was trying to

562
00:26:02,970 --> 00:26:00,910
have a territory and get it out there

563
00:26:04,500 --> 00:26:02,980

you know so looking just come up with

564

00:26:06,690 --> 00:26:04,510

some kind of conclusion or what's wrong

565

00:26:08,580 --> 00:26:06,700

and you know get some help on that the

566

00:26:13,140 --> 00:26:08,590

medical part of it cuz you know my

567

00:26:15,360 --> 00:26:13,150

family wasn't rich for a minute we just

568

00:26:19,170 --> 00:26:15,370

want to know what happened to you know I

569

00:26:21,330 --> 00:26:19,180

mean I thought my whole life and still

570

00:26:24,660 --> 00:26:21,340

do to the day sometimes if somebody says

571

00:26:27,150 --> 00:26:24,670

the wrong things about it you know okay

572

00:26:29,610 --> 00:26:27,160

they that right there pretty much built

573

00:26:31,500 --> 00:26:29,620

my temper up and you know somebody comes

574

00:26:33,330 --> 00:26:31,510

across the wrong I can't tell you what

575

00:26:35,460 --> 00:26:33,340

happened today

576

00:26:42,600 --> 00:26:35,470

cuz I'll knock you out vo feelings about

577

00:26:44,460 --> 00:26:42,610

it style well um yeah I don't know how

578

00:26:45,780 --> 00:26:44,470

comfortable you are talking about those

579

00:26:47,310 --> 00:26:45,790

feelings but I you know certainly

580

00:26:51,150 --> 00:26:47,320

understandable and you've got years of

581

00:26:53,100 --> 00:26:51,160

frustration and and you know may you may

582

00:26:55,230 --> 00:26:53,110

contribute it to the you know the the

583

00:27:00,300 --> 00:26:55,240

downfall of the hell to your grandmother

584

00:27:03,690 --> 00:27:00,310

and Betty so um uh let's see I wanted to

585

00:27:05,580 --> 00:27:03,700

ask you too about well um what was your

586

00:27:07,020 --> 00:27:05,590

at you and you bound remember this

587

00:27:09,180 --> 00:27:07,030

because it lasted the rest of your life

588

00:27:12,180 --> 00:27:09,190

how did how did this affect the way

589

00:27:13,890 --> 00:27:12,190

people related to you you know did where

590

00:27:16,290 --> 00:27:13,900

you treat him more as a celebrity or do

591

00:27:18,840 --> 00:27:16,300

you get picked on count deco yeah I

592

00:27:20,610 --> 00:27:18,850

wasn't celebrity as well you know I had

593

00:27:23,870 --> 00:27:20,620

my friends I had a lot of great friends

594

00:27:27,510 --> 00:27:23,880

there in Dayton and I stood to the day

595

00:27:30,090 --> 00:27:27,520

supported me 100% but there was also the

596

00:27:32,940 --> 00:27:30,100

other ones that want to play you know

597

00:27:36,270 --> 00:27:32,950

bully type and uh come a pin and mouth

598

00:27:38,250 --> 00:27:36,280

off back then I didn't care if they was

599

00:27:40,290 --> 00:27:38,260

six-foot-seven if they said it in the

600

00:27:44,400 --> 00:27:40,300

wrong place in the wrong time I was

601
00:27:45,900 --> 00:27:44,410
trying to get on and it just built a lot

602
00:27:48,960 --> 00:27:45,910
of anger inside me you know because I

603
00:27:52,800 --> 00:27:48,970
know where I seen and for them ridiculed

604
00:27:54,960 --> 00:27:52,810
me and then go happen here so I mean

605
00:27:57,360 --> 00:27:54,970
it's obviously affected me mentally

606
00:28:00,810 --> 00:27:57,370
throughout all this you know even to the

607
00:28:02,690 --> 00:28:00,820
day with my temper was I have a hard

608
00:28:04,710 --> 00:28:02,700
time controlling her and you're not

609
00:28:07,230 --> 00:28:04,720
batteries no one get this story out

610
00:28:09,840 --> 00:28:07,240
there is so my daughter when she grows

611
00:28:12,330 --> 00:28:09,850
up you know she'll know exactly what

612
00:28:16,980 --> 00:28:12,340
happened and maybe hopefully find the

613
00:28:19,050 --> 00:28:16,990

truth someone there well I wanted to ask

614

00:28:21,210 --> 00:28:19,060

you it well yeah I've got a thousand

615

00:28:23,100 --> 00:28:21,220

questions for you but as far as the

616

00:28:25,350 --> 00:28:23,110

truth him you ever come across anything

617

00:28:29,690 --> 00:28:25,360

that you thought was a was a good

618

00:28:32,810 --> 00:28:29,700

lead-in the source of uh and and also

619

00:28:35,760 --> 00:28:32,820

just what do you think the object was

620

00:28:38,570 --> 00:28:35,770

I'm firm believer that it was an object

621

00:28:41,820 --> 00:28:38,580

that the government was experimenting on

622

00:28:44,130 --> 00:28:41,830

and at that time there wasn't very many

623

00:28:45,780 --> 00:28:44,140

people there and that slight pass you

624

00:28:47,190 --> 00:28:45,790

know they probably wouldn't have seen

625

00:28:51,360 --> 00:28:47,200

too many people

626

00:28:52,889 --> 00:28:51,370

was it wasn't built in the subdivisions

627

00:28:58,080 --> 00:28:52,899

and all that yet it was still just

628

00:29:02,190 --> 00:28:58,090

wide-open woods few people up there so I

629

00:29:04,529 --> 00:29:02,200

mean that's that's my theory on it there

630

00:29:07,740 --> 00:29:04,539

is a some kind of experiment they was

631

00:29:14,279 --> 00:29:07,750

working on and we just have to come in

632

00:29:17,220 --> 00:29:14,289

contact with it my golem go ahead

633

00:29:20,789 --> 00:29:17,230

oh the the other part of that was did

634

00:29:24,029 --> 00:29:20,799

you have any uh any ideas for a month

635

00:29:26,039 --> 00:29:24,039

oh maybe you know in particular base it

636

00:29:29,430 --> 00:29:26,049

was from I mean you know have you gotten

637

00:29:31,919 --> 00:29:29,440

um just any clues whatsoever

638

00:29:33,930 --> 00:29:31,929

well there was a theory that they come

639

00:29:38,580 --> 00:29:33,940

up with when we did that one show that

640

00:29:40,500 --> 00:29:38,590

uh it come off an aircraft carrier and

641

00:29:42,720 --> 00:29:40,510

kind of went through up around

642

00:29:44,879 --> 00:29:42,730

I don't know familiar with tensions with

643

00:29:47,879 --> 00:29:44,889

orange Beaumont area maybe even on the

644

00:29:51,470 --> 00:29:47,889

Louisiana side it made like a North Loop

645

00:29:55,710 --> 00:29:51,480

off the Gulf kind of tracked back to the

646

00:29:57,570 --> 00:29:55,720

West and then come back up you know I

647

00:30:00,509 --> 00:29:57,580

don't know if I was trying to stay in a

648

00:30:02,070 --> 00:30:00,519

secluded areas or what but and I don't

649

00:30:03,659 --> 00:30:02,080

know if that's just something that they

650

00:30:06,690 --> 00:30:03,669

wrapped up I don't know where they got

651

00:30:08,669 --> 00:30:06,700

that information from but I mean it

652

00:30:11,279 --> 00:30:08,679

seems feasible that so I don't carry

653

00:30:16,279 --> 00:30:11,289

terry somewhere from aircraft carrier in

654

00:30:20,370 --> 00:30:16,289

the Gulf but I have no proof to you know

655

00:30:22,230 --> 00:30:20,380

send back me up all that well we're

656

00:30:24,629 --> 00:30:22,240

looking for clues and one of the things

657

00:30:26,639 --> 00:30:24,639

that might help us if if it was a

658

00:30:30,330 --> 00:30:26,649

project and you know everybody's got

659

00:30:32,190 --> 00:30:30,340

their own theory um do you uh do you

660

00:30:34,409 --> 00:30:32,200

remember enough about the way it looked

661

00:30:35,879 --> 00:30:34,419

to describe how it flew because if we

662

00:30:37,860 --> 00:30:35,889

can do something about what was

663

00:30:41,000 --> 00:30:37,870

propelling it apparently there was no

664

00:30:45,659 --> 00:30:41,010

wings just you know how do I let it move

665

00:30:47,700 --> 00:30:45,669

it was it was floating and I mean am I

666

00:30:49,830 --> 00:30:47,710

out of the child I was floating and know

667

00:30:52,169 --> 00:30:49,840

it like I say you're floating have been

668

00:30:55,289 --> 00:30:52,179

carried by cables but I've never seen no

669

00:30:59,369 --> 00:30:55,299

cables or nothing so I'm saying it was I

670

00:31:01,110 --> 00:30:59,379

don't know what the word that is not

671

00:31:03,119 --> 00:31:01,120

technical word but

672

00:31:05,639 --> 00:31:03,129

it was actually just kind of floating

673

00:31:09,269 --> 00:31:05,649

along and it looked like the helicopters

674

00:31:11,310 --> 00:31:09,279

were pretty much escorting

675

00:31:12,899 --> 00:31:11,320

Colby I'm sure we're going to talk about

676
00:31:15,019 --> 00:31:12,909
the helicopters because that's kind of a

677
00:31:17,430 --> 00:31:15,029
fascinating part of this but are you

678
00:31:18,899 --> 00:31:17,440
willing to take calls if we have them

679
00:31:22,080 --> 00:31:18,909
come in because I have a number here I

680
00:31:25,710 --> 00:31:22,090
can give up yeah sure okay the number

681
00:31:27,629 --> 00:31:25,720
here is six oh three nine six seven four

682
00:31:31,080 --> 00:31:27,639
row three oh if anyone wants to give a

683
00:31:35,730 --> 00:31:31,090
call that's six oh three nine six seven

684
00:31:37,109 --> 00:31:35,740
four OH three oh let's can we talk a

685
00:31:39,029 --> 00:31:37,119
little bit about the helicopters because

686
00:31:41,519 --> 00:31:39,039
I've heard numbers sometimes you hear

687
00:31:43,980 --> 00:31:41,529
that there was like a hundred of them or

688
00:31:47,789 --> 00:31:43,990

there was fifteen of them and in a

689

00:31:50,039 --> 00:31:47,799

letter telling us we wanted there was 23

690

00:31:54,869 --> 00:31:50,049

scenic helicopters not ready for a fact

691

00:31:56,789 --> 00:31:54,879

because I counted them and I do remember

692

00:31:58,889 --> 00:31:56,799

that distinctly like I said I was

693

00:32:02,310 --> 00:31:58,899

fascinated with helicopters so that's

694

00:32:04,980 --> 00:32:02,320

you know that's pretty much what I was

695

00:32:07,889 --> 00:32:04,990

looking at in there Chinook you're

696

00:32:09,749 --> 00:32:07,899

pretty sure yes sir I was a double rotor

697

00:32:12,060 --> 00:32:09,759

she looks I don't know that Dan but

698

00:32:16,489 --> 00:32:12,070

after years of research and looking into

699

00:32:18,779 --> 00:32:16,499

it yet that's definitely what the world

700

00:32:22,019 --> 00:32:18,789

I've got a question about about the

701

00:32:24,629 --> 00:32:22,029

helicopters and you know I like I've

702

00:32:26,460 --> 00:32:24,639

heard a lot of the things from the you

703

00:32:28,350 --> 00:32:26,470

know reading reading John Schuster's

704

00:32:30,419 --> 00:32:28,360

book and the magazine articles so I

705

00:32:33,509 --> 00:32:30,429

really won't hear your side of it but I

706

00:32:36,899 --> 00:32:33,519

have heard that that helicopters were

707

00:32:38,489 --> 00:32:36,909

observed at um when you were coming home

708

00:32:39,899 --> 00:32:38,499

to date and you remember anything about

709

00:32:42,680 --> 00:32:39,909

that I mean that means there could have

710

00:32:46,139 --> 00:32:42,690

been even more than the 23 you counted I

711

00:32:48,320 --> 00:32:46,149

don't remember that that part okay

712

00:32:52,350 --> 00:32:48,330

that's fair enough

713

00:32:54,899 --> 00:32:52,360

hone endeavor a long time oh well you

714

00:32:57,899 --> 00:32:54,909

know that's I mean I remember seeing I'm

715

00:33:01,499 --> 00:32:57,909

a member seeing the helicopters with our

716

00:33:04,710 --> 00:33:01,509

view till we got like on 1968 it back

717

00:33:06,299 --> 00:33:04,720

towards Dayton but you know then all

718

00:33:09,419 --> 00:33:06,309

frantic and everything I was kind of up

719

00:33:10,710 --> 00:33:09,429

and down so well that's a good that's a

720

00:33:13,289 --> 00:33:10,720

good point I'm glad you mentioned that

721

00:33:14,820 --> 00:33:13,299

because some of the stories make it

722

00:33:16,590 --> 00:33:14,830

sound

723

00:33:19,170 --> 00:33:16,600

that fear continued and you're afraid of

724

00:33:20,400 --> 00:33:19,180

helicopters later and and it just you

725

00:33:23,070 --> 00:33:20,410

know I got depression that you might

726

00:33:25,620 --> 00:33:23,080

have had a post-traumatic stress do you

727

00:33:29,490 --> 00:33:25,630

think that is fair to say that's

728

00:33:30,120 --> 00:33:29,500

definitely fair to say and it stresses

729

00:33:31,590 --> 00:33:30,130

me out

730

00:33:36,660 --> 00:33:31,600

you know a lot is talking about it and

731

00:33:38,460 --> 00:33:36,670

people you know ridiculing so yes sir

732

00:33:40,980 --> 00:33:38,470

that's something to stick with me and

733

00:33:43,290 --> 00:33:40,990

rest of my life but as far as fear

734

00:33:45,870 --> 00:33:43,300

helicopters noms so fast Mary Williams

735

00:33:48,960 --> 00:33:45,880

and the helicopters wasn't what I scared

736

00:33:51,570 --> 00:33:48,970

of not time I don't know a sense of

737

00:33:53,010 --> 00:33:51,580

safety maybe cause I thought maybe our

738

00:33:56,700 --> 00:33:53,020

governor was taking care of the

739

00:33:59,490 --> 00:33:56,710

situation if it was one listener another

740

00:34:00,930 --> 00:33:59,500

question I and you know at your age you

741

00:34:03,560 --> 00:34:00,940

may not have memory this but I want to

742

00:34:06,060 --> 00:34:03,570

ask the question your grandmother from

743

00:34:08,130 --> 00:34:06,070

and I've heard recording her in her own

744

00:34:10,950 --> 00:34:08,140

words originally thought that this might

745

00:34:13,050 --> 00:34:10,960

be the second coming and I don't know if

746

00:34:15,600 --> 00:34:13,060

you felt the same way but you know what

747

00:34:17,669 --> 00:34:15,610

point did you change your mind to think

748

00:34:19,560 --> 00:34:17,679

that the object itself was military

749

00:34:22,590 --> 00:34:19,570

rather than you know that this was some

750

00:34:24,930 --> 00:34:22,600

kind of spiritual event I never I didn't

751
00:34:27,419 --> 00:34:24,940
know my grandmother she tend to carry

752
00:34:30,900 --> 00:34:27,429
things load for she was very biblical

753
00:34:33,300 --> 00:34:30,910
and religious so I mean I never really

754
00:34:34,890 --> 00:34:33,310
thought that it was a second coming but

755
00:34:38,100 --> 00:34:34,900
at the time as a child you know you're

756
00:34:40,250 --> 00:34:38,110
listening and you're terrified you're

757
00:34:46,280 --> 00:34:40,260
not sure what's going on you're not sure

758
00:34:51,780 --> 00:34:48,600
we're getting back to the UFO again

759
00:34:53,640 --> 00:34:51,790
because I'm you know that's it the other

760
00:34:55,230 --> 00:34:53,650
than the injuries that's really the star

761
00:34:57,990 --> 00:34:55,240
of the story I just want to know just

762
00:35:00,570 --> 00:34:58,000
when you came upon it you know if you

763
00:35:03,060 --> 00:35:00,580

compare the brightness was this like a

764

00:35:04,950 --> 00:35:03,070

was this like a sunset or an explosion

765

00:35:11,430 --> 00:35:04,960

just what can you say what it kind of

766

00:35:15,390 --> 00:35:11,440

looked like without it right just did

767

00:35:17,700 --> 00:35:15,400

just the impression cuz I um you know

768

00:35:21,540 --> 00:35:17,710

with the fear that it inspired you know

769

00:35:22,950 --> 00:35:21,550

I'm just curious as to what kind of you

770

00:35:24,390 --> 00:35:22,960

know just what to look like I mean I

771

00:35:27,660 --> 00:35:24,400

wasn't there and hoping you could tell

772

00:35:29,150 --> 00:35:27,670

us and just kind of looked like it was

773

00:35:36,480 --> 00:35:29,160

on fire

774

00:35:39,170 --> 00:35:36,490

but and unless it look like his own fire

775

00:35:43,680 --> 00:35:39,180

going with fired from now the bottom

776

00:35:49,380 --> 00:35:43,690

okay they're not really a fire just

777

00:35:50,850 --> 00:35:49,390

glowing ball of glowing since he

778

00:35:52,200 --> 00:35:50,860

occurred heard I'd like to ask him a

779

00:35:54,030 --> 00:35:52,210

question since we're talking about the

780

00:35:55,500 --> 00:35:54,040

object and a little while ago when he

781

00:35:57,330 --> 00:35:55,510

was talking about being on the floor

782

00:36:00,150 --> 00:35:57,340

board and he made the comment that he

783

00:36:02,910 --> 00:36:00,160

could feel the heat from the object even

784

00:36:05,340 --> 00:36:02,920

even inside the car where he was which

785

00:36:07,890 --> 00:36:05,350

definitely definitely suggests that

786

00:36:09,990 --> 00:36:07,900

right underneath the object should have

787

00:36:12,960 --> 00:36:10,000

been that much you know that much hotter

788

00:36:16,710 --> 00:36:12,970

but there's always been some question

789

00:36:18,840 --> 00:36:16,720

over where exactly on that I think it's

790

00:36:23,310 --> 00:36:18,850

a five or seven mile straight stretch of

791

00:36:25,800 --> 00:36:23,320

road it actually occurred and the course

792

00:36:27,870 --> 00:36:25,810

the discussion about some claims that

793

00:36:30,540 --> 00:36:27,880

the road may have been pulled up and

794

00:36:32,940 --> 00:36:30,550

taken away but then John when he got

795

00:36:34,680 --> 00:36:32,950

involved a couple of months later had

796

00:36:37,520 --> 00:36:34,690

written that they went back out there

797

00:36:39,960 --> 00:36:37,530

and found the exact place on the road

798

00:36:42,090 --> 00:36:39,970

but I drove down there when I went to

799

00:36:44,490 --> 00:36:42,100

talk to your grandmother and I realized

800

00:36:46,230 --> 00:36:44,500

then that like you were saying it's not

801
00:36:48,210 --> 00:36:46,240
developed and there's hardly any lights

802
00:36:50,760 --> 00:36:48,220
and no nothing and at nine o'clock at

803
00:36:52,260 --> 00:36:50,770
night under those circumstances man I

804
00:36:54,900 --> 00:36:52,270
don't know how easy it would be to

805
00:36:58,620 --> 00:36:54,910
really know exactly what 100-foot

806
00:37:00,240 --> 00:36:58,630
stretch of that road you know all of

807
00:37:02,820 --> 00:37:00,250
this had taken place on and I was

808
00:37:05,970 --> 00:37:02,830
curious if you over the years ever went

809
00:37:10,050 --> 00:37:05,980
back there or ever in your opinion found

810
00:37:13,560 --> 00:37:10,060
where you think the actual spot on you

811
00:37:14,970 --> 00:37:13,570
might have been and hang on just a

812
00:37:16,830 --> 00:37:14,980
minute can you can you hold that thought

813
00:37:19,650 --> 00:37:16,840

gentlemen we have a caller on the line

814

00:37:23,480 --> 00:37:19,660

caller go ahead and introduce yourself

815

00:37:29,220 --> 00:37:23,490

if you would please hi my name is Peggy

816

00:37:30,990 --> 00:37:29,230

okay hi is questioned I don't know if

817

00:37:34,740 --> 00:37:31,000

maybe I missed it I don't think I did

818

00:37:36,320 --> 00:37:34,750

but I'm very curious about the women in

819

00:37:38,670 --> 00:37:36,330

the car and what they were saying

820

00:37:42,089 --> 00:37:38,680

especially the one that got outside of

821

00:37:43,920 --> 00:37:42,099

the car wasn't she at some point struck

822

00:37:48,299 --> 00:37:43,930

I dream of light and that's how she got

823

00:37:50,160 --> 00:37:48,309

so badly radiated well it was the heat

824

00:37:53,130 --> 00:37:50,170

coming off of I could feel the heat

825

00:37:57,210 --> 00:37:53,140

through the car you know but through the

826

00:37:59,940 --> 00:37:57,220

windshield and I'm not exactly sure what

827

00:38:01,890 --> 00:37:59,950

she was saying you know they were also

828

00:38:04,289 --> 00:38:01,900

Frank you know wasn't sure what was

829

00:38:06,900 --> 00:38:04,299

going on I think she fell under the

830

00:38:08,160 --> 00:38:06,910

curse and uh she was more than an

831

00:38:10,410 --> 00:38:08,170

impression and she won't know what it

832

00:38:12,960 --> 00:38:10,420

was she wouldn't have scared it my

833

00:38:15,680 --> 00:38:12,970

grandmother good for her another

834

00:38:18,059 --> 00:38:15,690

question when you first saw this object

835

00:38:20,670 --> 00:38:18,069

were the helicopters right there from

836

00:38:22,680 --> 00:38:20,680

the very beginning they was it was with

837

00:38:24,150 --> 00:38:22,690

it the whole way yes ma'am it was cause

838

00:38:26,910 --> 00:38:24,160

I'm from the from the moment you first

839

00:38:31,130 --> 00:38:26,920

sighted it yes ma'am that's why you know

840

00:38:37,589 --> 00:38:36,059

yeah that's no problem ma'am thank you

841

00:38:38,309 --> 00:38:37,599

so much for coming on and sharing your

842

00:38:41,130 --> 00:38:38,319

story

843

00:38:45,630 --> 00:38:41,140

no thanks for listening thanks for being

844

00:38:47,670 --> 00:38:45,640

so strong it's horrible God do it thanks

845

00:38:50,549 --> 00:38:47,680

Peggy all right bye-bye

846

00:38:52,769 --> 00:38:50,559

all right so we're back here and go

847

00:38:54,930 --> 00:38:52,779

ahead Chris on you had just a quick

848

00:38:57,180 --> 00:38:54,940

recap of your question if you would well

849

00:38:59,400 --> 00:38:57,190

the question came up because Curt and I

850

00:39:04,349 --> 00:38:59,410

actually began to really realize how

851
00:39:07,319 --> 00:39:04,359
confused we were over the exact place on

852
00:39:09,239 --> 00:39:07,329
that perfectly straight stretch of road

853
00:39:11,819 --> 00:39:09,249
where the incident would have occurred

854
00:39:14,430 --> 00:39:11,829
because I realize it's you know it was

855
00:39:16,709 --> 00:39:14,440
dark no light perfectly straight and

856
00:39:18,599 --> 00:39:16,719
suddenly all of this happens and I

857
00:39:20,130 --> 00:39:18,609
believe your grandmother had said that

858
00:39:22,739 --> 00:39:20,140
she even didn't go back into that area

859
00:39:25,259 --> 00:39:22,749
for weeks afterwards and then John

860
00:39:26,940 --> 00:39:25,269
Schuessler came along and apparently two

861
00:39:29,069 --> 00:39:26,950
months after the fact went there and

862
00:39:30,660 --> 00:39:29,079
made some statements that they found a

863
00:39:32,219 --> 00:39:30,670

place where the road had been damaged

864

00:39:34,650 --> 00:39:32,229

and they were knew exactly where they

865

00:39:37,170 --> 00:39:34,660

were but at the same time we've heard

866

00:39:40,049 --> 00:39:37,180

the stories and even I believe I've

867

00:39:41,670 --> 00:39:40,059

maybe misquoted them that but the road

868

00:39:43,440 --> 00:39:41,680

had been chopped up and hauled off so

869

00:39:45,719 --> 00:39:43,450

the question came up well how do we

870

00:39:49,680 --> 00:39:45,729

really know exactly and could anybody

871

00:39:51,539 --> 00:39:49,690

have honestly found the exact 100 strip

872

00:39:54,150 --> 00:39:51,549

foot stretch where all of this took

873

00:39:55,770 --> 00:39:54,160

place but did you after all that time in

874

00:39:58,470 --> 00:39:55,780

all these years have you ever gone back

875

00:40:01,230 --> 00:39:58,480

and looked around and feel that you ever

876

00:40:04,050 --> 00:40:01,240

were able to locate exactly where the

877

00:40:06,630 --> 00:40:04,060

sound taking place there was a there was

878

00:40:09,900 --> 00:40:06,640

only one stole on that road on the north

879

00:40:11,370 --> 00:40:09,910

side of the road 20100 and it was kind

880

00:40:15,270 --> 00:40:11,380

of a landmark so from there

881

00:40:19,770 --> 00:40:15,280

what was that I've estimated probably

882

00:40:22,920 --> 00:40:19,780

buck nylon hats and miles and you can

883

00:40:25,320 --> 00:40:22,930

also tell sorely after people in the

884

00:40:26,880 --> 00:40:25,330

area I'm not sure who they talked to but

885

00:40:28,380 --> 00:40:26,890

they said they'd seen black trucks come

886

00:40:30,839 --> 00:40:28,390

in at night like dump trucks and

887

00:40:34,260 --> 00:40:30,849

equipment and actually dug that

888

00:40:36,599 --> 00:40:34,270

fictional road up and we paved it scene

889

00:40:38,640 --> 00:40:36,609

that's that was my question and reading

890

00:40:40,950 --> 00:40:38,650

what Kurt had because your mother or

891

00:40:44,700 --> 00:40:40,960

grandmother rather told me that exactly

892

00:40:46,520 --> 00:40:44,710

which I began to think okay well when

893

00:40:49,589 --> 00:40:46,530

you know when did that occur because

894

00:40:51,420 --> 00:40:49,599

John wrote that two months I think he

895

00:40:53,430 --> 00:40:51,430

got involved around February 22nd and

896

00:40:54,930 --> 00:40:53,440

around the very last part of February he

897

00:40:57,960 --> 00:40:54,940

actually had gone back out there and

898

00:41:01,470 --> 00:40:57,970

claimed that they found the place on the

899

00:41:04,170 --> 00:41:01,480

road where the damage had been which

900

00:41:08,220 --> 00:41:04,180

would suggest either the road was hauled

901
00:41:10,050 --> 00:41:08,230
away after that or they hadn't found the

902
00:41:11,460 --> 00:41:10,060
you know John wasn't in the rights it

903
00:41:13,770 --> 00:41:11,470
was confusing if you understand I mean

904
00:41:15,210 --> 00:41:13,780
it's like what happened when so I just

905
00:41:17,160 --> 00:41:15,220
would never quite sure at this point

906
00:41:18,839 --> 00:41:17,170
even with my own you know my own

907
00:41:21,060 --> 00:41:18,849
understanding of how things happened if

908
00:41:24,060 --> 00:41:21,070
you were if you were went back later or

909
00:41:26,579 --> 00:41:24,070
you're sometime later on and really had

910
00:41:28,230 --> 00:41:26,589
a good idea of exactly where that would

911
00:41:30,720 --> 00:41:28,240
because if the heat was as intense as

912
00:41:33,720 --> 00:41:30,730
you say I can't help but imagine there

913
00:41:36,540 --> 00:41:33,730

would have been dead grass dead trees

914

00:41:38,430 --> 00:41:36,550

you know shortly after sometime so now

915

00:41:40,680 --> 00:41:38,440

there was it was a long time before I

916

00:41:42,450 --> 00:41:40,690

went down that road probably I was I

917

00:41:45,660 --> 00:41:42,460

stayed away from maybe I want to go down

918

00:41:49,160 --> 00:41:45,670

today and bring back you know bring back

919

00:41:52,880 --> 00:41:49,170

old memories but we actually did show

920

00:41:58,380 --> 00:41:52,890

with another contractor out of

921

00:41:59,910 --> 00:41:58,390

California and we went back to core

922

00:42:01,940 --> 00:41:59,920

samples of aware of the road was

923

00:42:05,970 --> 00:42:01,950

supposed to be pulled up mr. Schussler

924

00:42:09,360 --> 00:42:05,980

he worked for NASA and he was on top of

925

00:42:11,580 --> 00:42:09,370

things I mean he was a wonderful man

926
00:42:14,130 --> 00:42:11,590
now sometimes wondered that he knows

927
00:42:19,830 --> 00:42:14,140
something that was helping us out and

928
00:42:21,870 --> 00:42:19,840
working for NASA so long yeah Colby I

929
00:42:25,350 --> 00:42:21,880
want to ask you something when I first

930
00:42:26,790 --> 00:42:25,360
contacted you you were a little hesitant

931
00:42:29,430 --> 00:42:26,800
to come on the show well I say a little

932
00:42:31,950 --> 00:42:29,440
more than hesitant and it's basically

933
00:42:34,650 --> 00:42:31,960
painful for you to talk about this

934
00:42:36,720 --> 00:42:34,660
how have you you know how have you fared

935
00:42:39,540 --> 00:42:36,730
with that whole thing over all these

936
00:42:41,400 --> 00:42:39,550
years I took me a long time to get over

937
00:42:45,540 --> 00:42:41,410
and on I guess after my grandmother

938
00:42:47,220 --> 00:42:45,550

passed away I kind of thought because

939

00:42:49,470 --> 00:42:47,230

she was so adamant about selling you

940

00:42:55,910 --> 00:42:49,480

know finding out I felt like that was

941

00:42:58,890 --> 00:42:55,920

I'm sorry I felt like that was my no

942

00:43:00,570 --> 00:42:58,900

tribute you know what she believed in

943

00:43:05,400 --> 00:43:00,580

the key fight and try to find out what

944

00:43:07,110 --> 00:43:05,410

actually happened and it took me a long

945

00:43:08,490 --> 00:43:07,120

time till I got older and I was able to

946

00:43:10,970 --> 00:43:08,500

deal with the fact that I didn't care

947

00:43:14,610 --> 00:43:10,980

what anybody said you know and I'm still

948

00:43:16,020 --> 00:43:14,620

not too excited about talking about it

949

00:43:18,960 --> 00:43:16,030

but I'm that's one thing that I'm trying

950

00:43:21,840 --> 00:43:18,970

to work through process for being angry

951
00:43:23,640 --> 00:43:21,850
and mad and I'm just trying to fight

952
00:43:25,320 --> 00:43:23,650
through you know and go and move on with

953
00:43:27,150 --> 00:43:25,330
my life and try to find out what

954
00:43:30,720 --> 00:43:27,160
happened you know surely somebody who

955
00:43:33,210 --> 00:43:30,730
knows a ex-pilot or something maybe

956
00:43:35,160 --> 00:43:33,220
somebody to talk about it now and

957
00:43:37,170 --> 00:43:35,170
understand what me and my family went

958
00:43:39,870 --> 00:43:37,180
through you know have the heart to help

959
00:43:41,550 --> 00:43:39,880
us out with some sir what do you call

960
00:43:44,870 --> 00:43:41,560
this oh pardon me do you feel as though

961
00:43:47,370 --> 00:43:44,880
the if you had to put the blame on

962
00:43:48,420 --> 00:43:47,380
something out there do you think it you

963
00:43:50,670 --> 00:43:48,430

more or less think it might be an

964

00:43:54,270 --> 00:43:50,680

experimental government craft and that's

965

00:43:56,310 --> 00:43:54,280

what a lot of people have more or less

966

00:43:58,500 --> 00:43:56,320

thought over the years do you are

967

00:43:59,940 --> 00:43:58,510

there's not a doubt in my mind yeah do

968

00:44:03,720 --> 00:43:59,950

you actually blame the government then

969

00:44:05,280 --> 00:44:03,730

for this whole thing yes I sure do you

970

00:44:08,340 --> 00:44:05,290

know I wouldn't be so bad I just come

971

00:44:10,200 --> 00:44:08,350

out and knit to it and put it behind it

972

00:44:12,030 --> 00:44:10,210

you know man instead of leaving people

973

00:44:14,400 --> 00:44:12,040

wondering what was a little green man

974

00:44:16,320 --> 00:44:14,410

theory which I don't believe if I

975

00:44:18,690 --> 00:44:16,330

haven't seen it I don't believe it what

976

00:44:22,540 --> 00:44:18,700

I've seen that night everything points

977

00:44:24,130 --> 00:44:22,550

back to the government and know whatever

978

00:44:25,600 --> 00:44:24,140

still many different let's say come up

979

00:44:26,830 --> 00:44:25,610

with some other theory and then tell me

980

00:44:29,290 --> 00:44:26,840

exactly what happened

981

00:44:31,030 --> 00:44:29,300

well call me I if if you don't mind

982

00:44:33,190 --> 00:44:31,040

exchange some information with me over

983

00:44:34,750 --> 00:44:33,200

the show I came across a researcher and

984

00:44:38,020 --> 00:44:34,760

he had a very good suggestion that if

985

00:44:40,090 --> 00:44:38,030

you were to sign a privacy waiver and

986

00:44:42,640 --> 00:44:40,100

you submit a Freedom of Information Act

987

00:44:44,500 --> 00:44:42,650

request that might allow some documents

988

00:44:47,050 --> 00:44:44,510

that would otherwise be withheld to be

989

00:44:48,760 --> 00:44:47,060

released now that's a long shot but you

990

00:44:52,630 --> 00:44:48,770

know as far as I know that hasn't been

991

00:44:54,490 --> 00:44:52,640

tried would you go along with that yes

992

00:44:57,400 --> 00:44:54,500

sir I sure would well you know like I

993

00:45:00,100 --> 00:44:57,410

said I'm a pipe supervisor and I file

994

00:45:01,960 --> 00:45:00,110

you know no I really don't know anything

995

00:45:04,990 --> 00:45:01,970

about doing all that so if I had

996

00:45:07,480 --> 00:45:05,000

somebody guiding me I wouldn't be more

997

00:45:09,340 --> 00:45:07,490

than glad to do that we just need your

998

00:45:14,310 --> 00:45:09,350

name on a piece of paper and we'll do

999

00:45:17,230 --> 00:45:14,320

the rest okay long as the paper is a

1000

00:45:18,460 --> 00:45:17,240

well defined and nobody's trying to step

1001
00:45:21,370 --> 00:45:18,470
on my nobody know what I mean

1002
00:45:23,380 --> 00:45:21,380
absolutely yeah you you can you can

1003
00:45:24,790 --> 00:45:23,390
check it out no this is this is well

1004
00:45:26,440 --> 00:45:24,800
look we're trying to look out for you

1005
00:45:28,690 --> 00:45:26,450
too I mean we're we're curious but

1006
00:45:31,390 --> 00:45:28,700
certainly don't want to you know do to

1007
00:45:32,770 --> 00:45:31,400
get you hurt in any way I'm not worried

1008
00:45:34,870 --> 00:45:32,780
about the government's they won't manage

1009
00:45:38,020 --> 00:45:34,880
them get me I ain't goin down fite me

1010
00:45:40,600 --> 00:45:38,030
taking my guns either so I'm on gotta

1011
00:45:43,000 --> 00:45:40,610
takes it I'll talk to him but yes that

1012
00:45:44,830 --> 00:45:43,010
definitely I really want to do that I

1013
00:45:46,300 --> 00:45:44,840

don't have much time we got left one

1014

00:45:49,120 --> 00:45:46,310

question I had for you was yeah I

1015

00:45:50,830 --> 00:45:49,130

mentioned this briefly earlier do what

1016

00:45:52,810 --> 00:45:50,840

up what do you think people have gotten

1017

00:45:56,830 --> 00:45:52,820

wrong in covering the story over the

1018

00:45:59,820 --> 00:45:56,840

years I mean you know everybody wants to

1019

00:46:02,560 --> 00:45:59,830

hear the theory right hands and all that

1020

00:46:04,720 --> 00:46:02,570

and everybody's entitled to believe what

1021

00:46:08,370 --> 00:46:04,730

they want whether it happened or didn't

1022

00:46:11,170 --> 00:46:08,380

write know what I think that night and

1023

00:46:13,020 --> 00:46:11,180

like I said if I haven't seen the Green

1024

00:46:16,420 --> 00:46:13,030

Man I don't believe it

1025

00:46:19,720 --> 00:46:16,430

you know until I see one then what's up

1026

00:46:21,850 --> 00:46:19,730

but as of right now I'm a firm believer

1027

00:46:24,040 --> 00:46:21,860

and what I said then the government has

1028

00:46:29,200 --> 00:46:24,050

got a secret they're keeping from us

1029

00:46:34,120 --> 00:46:29,210

just like many other seekers so until

1030

00:46:36,790 --> 00:46:34,130

something else is told to me and behind

1031

00:46:40,510 --> 00:46:36,800

the government officials

1032

00:46:41,920 --> 00:46:40,520

that's what i'ma bleep to that well some

1033

00:46:44,080 --> 00:46:41,930

people aren't is interested in this

1034

00:46:46,330 --> 00:46:44,090

because aliens aren't involved into them

1035

00:46:48,070 --> 00:46:46,340

I say that whenever muscles the

1036

00:46:50,200 --> 00:46:48,080

government's using to keep your case

1037

00:46:52,210 --> 00:46:50,210

secret they would keep to use anything

1038

00:46:54,670 --> 00:46:52,220

else secret so anything we learn about

1039

00:46:58,900 --> 00:46:54,680

this would help any other case so you

1040

00:47:02,140 --> 00:46:58,910

know it would help everyone and I would

1041

00:47:04,270 --> 00:47:02,150

own I mean I'm not saying it that there

1042

00:47:06,359 --> 00:47:04,280

wasn't some type of alien form involved

1043

00:47:09,160 --> 00:47:06,369

let's show me some proof you know I mean

1044

00:47:11,980 --> 00:47:09,170

and if they showed me some proof and it

1045

00:47:13,570 --> 00:47:11,990

is and and I believe it but still the

1046

00:47:16,780 --> 00:47:13,580

government knows whatever happened I

1047

00:47:21,010 --> 00:47:16,790

think has a citizen and everybody else

1048

00:47:22,690 --> 00:47:21,020

has a right to know I think our time is

1049

00:47:25,810 --> 00:47:22,700

short I just I didn't want to ask you

1050

00:47:27,700 --> 00:47:25,820

about the the legal case do you have any

1051
00:47:32,020 --> 00:47:27,710
memories of that and what what you think

1052
00:47:34,780 --> 00:47:32,030
might have gone wrong what's that oh the

1053
00:47:36,820 --> 00:47:34,790
the lawyer Peter Gerson was trying to

1054
00:47:41,580 --> 00:47:36,830
take the case to court do you remember

1055
00:47:43,810 --> 00:47:41,590
anything about that yes I remember

1056
00:47:45,940 --> 00:47:43,820
looking at the document like I said I

1057
00:47:49,330 --> 00:47:45,950
kind of went to look loose mode and

1058
00:47:51,520 --> 00:47:49,340
didn't I wouldn't go along with a lot

1059
00:47:53,590 --> 00:47:51,530
after I got older you know of course we

1060
00:47:57,400 --> 00:47:53,600
did that's incredible on Good Morning

1061
00:47:59,680 --> 00:47:57,410
America and all that patellas and I was

1062
00:48:01,680 --> 00:47:59,690
just me as traveling and wasn't worried

1063
00:48:03,550 --> 00:48:01,690

about a good actor and I got older I

1064

00:48:06,220 --> 00:48:03,560

don't want to have anything to do with

1065

00:48:09,820 --> 00:48:06,230

it I got in touch with a couple of

1066

00:48:11,290 --> 00:48:09,830

people had covered the case and the you

1067

00:48:13,480 --> 00:48:11,300

mentioned that's incredible Robert

1068

00:48:15,849 --> 00:48:13,490

Zimmerman who was a photographer he said

1069

00:48:17,770 --> 00:48:15,859

he remembered you three very well it was

1070

00:48:19,180 --> 00:48:17,780

an incredible story and he said I spoke

1071

00:48:20,740 --> 00:48:19,190

with him over a three-day period and

1072

00:48:22,900 --> 00:48:20,750

they seemed absolutely credible and

1073

00:48:24,700 --> 00:48:22,910

honest in their account and most people

1074

00:48:25,720 --> 00:48:24,710

that I've been able to reach that they'd

1075

00:48:27,940 --> 00:48:25,730

ever dealt with you

1076

00:48:29,410 --> 00:48:27,950

you know they felt that that the story

1077

00:48:33,460 --> 00:48:29,420

was true and they can't say what it was

1078

00:48:35,320 --> 00:48:33,470

but the now I think there were some

1079

00:48:37,390 --> 00:48:35,330

problems in the investigation by John

1080

00:48:39,520 --> 00:48:37,400

Shuster some things are inaccurate but I

1081

00:48:41,440 --> 00:48:39,530

think anybody's taking a look at it

1082

00:48:44,890 --> 00:48:41,450

feels something happened but just can't

1083

00:48:47,710 --> 00:48:44,900

say what it was if anybody ever knew my

1084

00:48:49,600 --> 00:48:47,720

grandmother she was the most honest

1085

00:48:52,840 --> 00:48:49,610

person here ever me and she did

1086

00:48:54,430 --> 00:48:52,850

about nothing you know I mean there may

1087

00:48:57,660 --> 00:48:54,440

have been some things that she didn't

1088

00:49:03,550 --> 00:48:57,670

quite remember get it right you know but

1089

00:49:06,970 --> 00:49:03,560

I'm falling for well Kobe it's been a

1090

00:49:09,610 --> 00:49:06,980

real pleasure talking to you today and I

1091

00:49:12,010 --> 00:49:09,620

really appreciate the courage you had to

1092

00:49:13,210 --> 00:49:12,020

come forward and actually you know give

1093

00:49:14,680 --> 00:49:13,220

your side of the story

1094

00:49:16,540 --> 00:49:14,690

I appreciate y'all giving me the

1095

00:49:17,800 --> 00:49:16,550

opportunity to come on and um I could

1096

00:49:20,140 --> 00:49:17,810

say anything that y'all can do to help

1097

00:49:23,260 --> 00:49:20,150

me out to find out the truth especially

1098

00:49:28,450 --> 00:49:23,270

for my grandmother and I'd be more than

1099

00:49:31,540 --> 00:49:28,460

grateful yeah well thanks also I want to

1100

00:49:33,970 --> 00:49:31,550

thank you both Kurt and also Chris for

1101

00:49:36,250 --> 00:49:33,980

coming on and I don't think we had too

1102

00:49:37,780 --> 00:49:36,260

many glitches to show so for a live show

1103

00:49:39,940 --> 00:49:37,790

the first one I think it went fairly

1104

00:49:42,100 --> 00:49:39,950

well poor Chris you kept dropping out

1105

00:49:43,150 --> 00:49:42,110

nobody knows that but critten kidding I

1106

00:49:45,640 --> 00:49:43,160

have so many questions

1107

00:49:47,440 --> 00:49:45,650

that's my internet your internet cut out

1108

00:49:50,380 --> 00:49:47,450

about five times I say to go away and

1109

00:49:52,030 --> 00:49:50,390

come back no kidding what a pain you got

1110

00:49:54,040 --> 00:49:52,040

we have one minute left Chris if you

1111

00:49:56,320 --> 00:49:54,050

have a quick question

1112

00:49:58,300 --> 00:49:56,330

take your best one I think I cover him

1113

00:50:00,910 --> 00:49:58,310

in a dozen times but I was asking about

1114

00:50:03,070 --> 00:50:00,920

the effects that if he recalled and I'd

1115

00:50:05,260 --> 00:50:03,080

read something about ridges on the

1116

00:50:07,810 --> 00:50:05,270

fingernails whether those showed up

1117

00:50:09,970 --> 00:50:07,820

within days or weeks or if he recalls

1118

00:50:12,760 --> 00:50:09,980

anything about that about effects on his

1119

00:50:14,560 --> 00:50:12,770

fingernails right no sir I doubt we'll

1120

00:50:18,840 --> 00:50:14,570

call anything about that I listen I wish

1121

00:50:21,610 --> 00:50:18,850

idea like sales seven-years-old done and

1122

00:50:24,550 --> 00:50:21,620
