

1
00:00:04,160 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:05,360 --> 00:00:04,170
triangle you know there's explanation

3
00:00:07,309 --> 00:00:05,370
for everything that occurred in the

4
00:00:09,799 --> 00:00:07,319
rendlesham forest incident it doesn't

5
00:00:12,440 --> 00:00:09,809
involve aliens at all it was completely

6
00:00:16,039 --> 00:00:12,450
silent it comes right over our heads

7
00:00:17,660 --> 00:00:16,049
it's so a classic flying-saucer really

8
00:00:19,400 --> 00:00:17,670
standing in the clearing he turned over

9
00:00:20,779 --> 00:00:19,410
to my father and held his hand and he

10
00:00:24,410 --> 00:00:20,789
looked in his eyes and said we're not

11
00:00:27,200 --> 00:00:24,420

35
00:01:29,240 --> 00:01:26,189
UFO com that's right there on the

36
00:01:32,630 --> 00:01:29,250
sidebar our guests for the show today is

37
00:01:36,200 --> 00:01:32,640
Cindy Baillie dove and today's topic is

38
00:01:39,109 --> 00:01:36,210

drones now I'm fascinated with drones

39

00:01:40,940 --> 00:01:39,119

and there's so many UFO sightings that

40

00:01:41,870 --> 00:01:40,950

are just plain drones and there's a lot

41

00:01:43,999 --> 00:01:41,880

of them out there and there's going to

42

00:01:45,980 --> 00:01:44,009

be a lot more them out there I had a

43

00:01:48,859 --> 00:01:45,990

conversation with Cindy about a week or

44

00:01:50,450 --> 00:01:48,869

so ago and I was totally fascinated with

45

00:01:51,889 --> 00:01:50,460

what she was telling me and we're going

46

00:01:54,560 --> 00:01:51,899

to be sharing that with you later on

47

00:01:56,749 --> 00:01:54,570

right after the music break just a

48

00:01:58,280 --> 00:01:56,759

couple things I want to talk about we do

49

00:02:02,450 --> 00:01:58,290

have a real full show so I'll make this

50

00:02:05,359 --> 00:02:02,460

quick Edward Snowden is in the UFO news

51
00:02:08,630 --> 00:02:05,369
again an Iranian news agency said the

52
00:02:10,369 --> 00:02:08,640
leakers documents prove that ETS exist

53
00:02:13,940 --> 00:02:10,379
and they're running our government and

54
00:02:17,690 --> 00:02:13,950
have been since 1945 they also mention

55
00:02:20,750 --> 00:02:17,700
the tall whites and I think there's some

56
00:02:22,850 --> 00:02:20,760
quotes in there by or they originated i

57
00:02:26,479 --> 00:02:22,860
should say from the former Canadian

58
00:02:28,220 --> 00:02:26,489
Defense Minister Paul Hellyer now mr.

59
00:02:30,440 --> 00:02:28,230
hellyer said that he would be on our

60
00:02:33,350 --> 00:02:30,450
show and I'd love to have him on because

61
00:02:35,180 --> 00:02:33,360
he'd be actually fascinating I'm sure he

62
00:02:41,630 --> 00:02:35,190
has some very colorful and interesting

63
00:02:44,330 --> 00:02:41,640

things to say so this whole thing I

64

00:02:48,199 --> 00:02:44,340

believe is the second time this has

65

00:02:51,110 --> 00:02:48,209

happened with Edward Snowden about et

66

00:02:53,809 --> 00:02:51,120

since July is just more to muddy the

67

00:02:56,569 --> 00:02:53,819

waters and all I can say about it is

68

00:02:59,830 --> 00:02:56,579

yikes and I really don't know what else

69

00:03:02,960 --> 00:02:59,840

to say so we'll just leave it at yikes

70

00:03:06,559 --> 00:03:02,970

more lights in the sky this time in

71

00:03:09,920 --> 00:03:06,569

Colorado and in Illinois looks more like

72

00:03:12,080 --> 00:03:09,930

Chinese lanterns but I'm not sure there

73

00:03:14,630 --> 00:03:12,090

was also a really interesting sighting

74

00:03:17,630 --> 00:03:14,640

in long beach california on January

75

00:03:19,550 --> 00:03:17,640

seventh that's a triangular formation of

76

00:03:22,819 --> 00:03:19,560

lights this is a daytime sighting it's

77

00:03:24,979 --> 00:03:22,829

on a youtube film you can find this

78

00:03:27,770 --> 00:03:24,989

right on our website and our show notes

79

00:03:29,960 --> 00:03:27,780

at podcast UFO calm and you should be

80

00:03:33,860 --> 00:03:29,970

there right now signing up on the chat

81

00:03:36,800 --> 00:03:33,870

room an airline pilot from the UK says

82

00:03:40,190 --> 00:03:36,810

he had a near miss with a UFO that had a

83

00:03:43,370 --> 00:03:40,200

rugby ball shape we can certainly tell

84

00:03:46,370 --> 00:03:43,380

he's from the UK because we have near

85

00:03:48,379 --> 00:03:46,380

misses with football shaped craft here

86

00:03:51,170 --> 00:03:48,389

well that's it for a UFO information

87

00:03:54,170 --> 00:03:51,180

this week hang in there and we'll be

88

00:03:56,780 --> 00:03:54,180

right back with Cindy Baillie dove and

89

00:03:59,449 --> 00:03:56,790

our music as always as by Carrie Lloyd

90

00:05:14,140 --> 00:03:59,459

White House and we'll be right back stay

91

00:06:02,080 --> 00:05:51,660

you

92

00:06:05,140 --> 00:06:02,090

wanting to talk about them for quite a

93

00:06:08,110 --> 00:06:05,150

long time and but you know before we get

94

00:06:09,550 --> 00:06:08,120

started Cindy I just wanted to talk to

95

00:06:13,090 --> 00:06:09,560

another human being instead of talking

96

00:06:17,710 --> 00:06:13,100

to myself about this situation last week

97

00:06:19,060 --> 00:06:17,720

for the live listeners who listened only

98

00:06:21,220 --> 00:06:19,070

live you could hear there was a lot of

99

00:06:23,740 --> 00:06:21,230

static interference of some kind and I

100

00:06:27,790 --> 00:06:23,750

do apologize for that but a really a

101
00:06:29,920 --> 00:06:27,800
real strange thing happened during the

102
00:06:32,350 --> 00:06:29,930
show that I just had to talk about it

103
00:06:34,480 --> 00:06:32,360
and almost sounds like a hoax or

104
00:06:36,820 --> 00:06:34,490
something I am trying to do or something

105
00:06:38,890 --> 00:06:36,830
like that but I got to tell you this

106
00:06:41,770 --> 00:06:38,900
really happened during the show last

107
00:06:44,220 --> 00:06:41,780
week there was a knock on my door which

108
00:06:47,110 --> 00:06:44,230
I didn't hear because my recording

109
00:06:51,010 --> 00:06:47,120
studio is way away from the front door

110
00:06:53,170 --> 00:06:51,020
and but a neighbor came back later and

111
00:06:54,820 --> 00:06:53,180
she said she knocked on my door trying

112
00:06:57,640 --> 00:06:54,830
to get me outside quickly she was

113
00:07:00,940 --> 00:06:57,650

outside walking the dog and right behind

114

00:07:03,700 --> 00:07:00,950

my house as a golf course and she saw a

115

00:07:08,140 --> 00:07:03,710

triangular large this is her own words

116

00:07:11,620 --> 00:07:08,150

large triangular craft like fly over

117

00:07:13,120 --> 00:07:11,630

sort of at a steady speed like straight

118

00:07:15,670 --> 00:07:13,130

over the fairway and it had little

119

00:07:18,250 --> 00:07:15,680

strobe lights on it a big huge she said

120

00:07:20,440 --> 00:07:18,260

it was huge and I asked her about the

121

00:07:22,750 --> 00:07:20,450

sound and she goes aight i don't i don't

122

00:07:24,850 --> 00:07:22,760

i don't remember hearing anything you

123

00:07:26,410 --> 00:07:24,860

know like she was shocked about it she

124

00:07:28,210 --> 00:07:26,420

did try to raise another neighbor the

125

00:07:29,980 --> 00:07:28,220

neighbor came out and by the time they

126
00:07:32,020 --> 00:07:29,990
ran around the back of the house it was

127
00:07:33,610 --> 00:07:32,030
gone but this was happening right while

128
00:07:35,760 --> 00:07:33,620
I was doing the live show last week can

129
00:07:40,510 --> 00:07:35,770
you believe that that's very interesting

130
00:07:43,510 --> 00:07:40,520
can I ask you where do you live I live

131
00:07:49,030 --> 00:07:43,520
in right on the coast in a in southern

132
00:07:52,150 --> 00:07:49,040
Maine ok now I can't say for one hundred

133
00:07:55,240 --> 00:07:52,160
percent what you what they saw but I can

134
00:07:58,719 --> 00:07:55,250
tell you one thing for sure they use

135
00:08:02,110 --> 00:07:58,729
strobe lights on these drones p

136
00:08:05,860 --> 00:08:02,120
oh yes I have no idea why they do it

137
00:08:08,829 --> 00:08:05,870
every one of them has strobe lights on

138
00:08:11,709 --> 00:08:08,839

that they will also it would be

139

00:08:15,999 --> 00:08:11,719

interesting to know if she actually saw

140

00:08:18,700 --> 00:08:16,009

the craft itself are just trying your

141

00:08:21,820 --> 00:08:18,710

lights no she said that it looked like a

142

00:08:23,140 --> 00:08:21,830

triangular form to her but she this is

143

00:08:28,299 --> 00:08:23,150

the thing you know she said I don't

144

00:08:30,129 --> 00:08:28,309

believe in UFOs I really don't want to

145

00:08:33,939 --> 00:08:30,139

report this or talk to any because I try

146

00:08:35,800 --> 00:08:33,949

to talk her into reporting it and I told

147

00:08:38,139 --> 00:08:35,810

her that I do this show and then she

148

00:08:39,759 --> 00:08:38,149

goes out oh my god you know type of

149

00:08:41,199 --> 00:08:39,769

thing and then I said well would you

150

00:08:43,360 --> 00:08:41,209

please I said you can remain anonymous

151
00:08:47,759 --> 00:08:43,370
please be on my show and just describe

152
00:08:50,710 --> 00:08:47,769
what you saw and she goes no way so and

153
00:08:52,720 --> 00:08:50,720
she's got boy I don't know how this is

154
00:08:54,129 --> 00:08:52,730
going to come across and she'll never

155
00:08:57,220 --> 00:08:54,139
listen to the show but she's got this

156
00:09:00,009 --> 00:08:57,230
hot chick attitude how's that oh I

157
00:09:02,860 --> 00:09:00,019
understand yeah I don't I understand

158
00:09:05,199 --> 00:09:02,870
exactly what you mean yeah well anyway

159
00:09:09,280 --> 00:09:05,209
she won't report it so it's just gonna

160
00:09:11,230 --> 00:09:09,290
you know I did hear from someone that

161
00:09:13,420 --> 00:09:11,240
kirk collins the listeners to the show

162
00:09:15,490 --> 00:09:13,430
and also a past guest and he did check

163
00:09:17,019 --> 00:09:15,500

with MUFON and nobody else reported it

164

00:09:19,769 --> 00:09:17,029

but that would be really interesting and

165

00:09:22,780 --> 00:09:19,779

kind of a coincidence if it was a drone

166

00:09:25,689 --> 00:09:22,790

well I really believe it was a drone and

167

00:09:28,150 --> 00:09:25,699

I'm gonna tell you on first of all you

168

00:09:30,550 --> 00:09:28,160

would not there are thousands of these

169

00:09:36,090 --> 00:09:30,560

drums now being used not only by the

170

00:09:40,870 --> 00:09:36,100

military by Homeland Security CIA FBI

171

00:09:44,250 --> 00:09:40,880

all of them have drones they also have

172

00:09:48,180 --> 00:09:44,260

been flying these drones for many years

173

00:09:51,250 --> 00:09:48,190

25 years at least in my research of a I

174

00:09:54,579 --> 00:09:51,260

recovered government documents I'm sorry

175

00:09:57,790 --> 00:09:54,589

that showed that they have had these

176

00:10:02,189 --> 00:09:57,800

things basically started on them in

177

00:10:05,019 --> 00:10:02,199

World War two that's how long yes and

178

00:10:08,740 --> 00:10:05,029

they were they've been actively flying

179

00:10:11,860 --> 00:10:08,750

them since the early 80s I actually have

180

00:10:12,470 --> 00:10:11,870

government documents that describe the

181

00:10:14,480 --> 00:10:12,480

draw

182

00:10:16,490 --> 00:10:14,490

owns which most of them will look like

183

00:10:19,490 --> 00:10:16,500

if you see them in the daytime they will

184

00:10:21,560 --> 00:10:19,500

look like airplanes and helicopters now

185

00:10:24,650 --> 00:10:21,570

a lot of more have a kind of weird shape

186

00:10:29,810 --> 00:10:24,660

there are real skinny that they're real

187

00:10:31,939 --> 00:10:29,820

thin through the body and long now a lot

188

00:10:34,699 --> 00:10:31,949

of those just like regular airplanes and

189

00:10:37,430 --> 00:10:34,709

helicopters except there may be a little

190

00:10:39,949 --> 00:10:37,440

bit smaller now they do have the exotics

191

00:10:43,280 --> 00:10:39,959

but ninety percent of the time this is

192

00:10:45,740 --> 00:10:43,290

what you're going to see so in this

193

00:10:48,650 --> 00:10:45,750

government document had its talking

194

00:10:52,629 --> 00:10:48,660

about what they look like their

195

00:10:56,150 --> 00:10:52,639

operations and the document is basically

196

00:10:58,490 --> 00:10:56,160

talking about them integrating these

197

00:11:01,910 --> 00:10:58,500

drones in the civilian airspace and this

198

00:11:05,650 --> 00:11:01,920

was in the early 80s and how they were

199

00:11:09,079 --> 00:11:05,660

going to do it to get around the

200

00:11:10,759 --> 00:11:09,089

Americans who don't like it you know the

201

00:11:13,970 --> 00:11:10,769

Civil you know have the civil rights

202

00:11:19,040 --> 00:11:13,980

civil you know so I'm sorry I'm nervous

203

00:11:21,410 --> 00:11:19,050

right now but anyway you've got the ACLU

204

00:11:25,040 --> 00:11:21,420

in these other groups that are already

205

00:11:28,730 --> 00:11:25,050

suing the NSA and they don't even know

206

00:11:31,400 --> 00:11:28,740

about these drones so this was back in

207

00:11:33,350 --> 00:11:31,410

the early 80s that they were talking

208

00:11:36,500 --> 00:11:33,360

about integrating these drones it also

209

00:11:38,420 --> 00:11:36,510

the CIA has been flying them they

210

00:11:41,150 --> 00:11:38,430

started out with these drones and they

211

00:11:44,420 --> 00:11:41,160

use them for spy and they've been doing

212

00:11:47,059 --> 00:11:44,430

that also since the 70s so they've been

213

00:11:50,750 --> 00:11:47,069

working on this technology has been out

214

00:11:53,900 --> 00:11:50,760

here it they have been flying them over

215

00:11:57,189 --> 00:11:53,910

this country and other countries for

216

00:12:01,809 --> 00:11:57,199

many years and the bad part of this is

217

00:12:05,210 --> 00:12:01,819

even some of these old UFO sightings

218

00:12:09,519 --> 00:12:05,220

that people did not believe that we had

219

00:12:13,309 --> 00:12:09,529

the technology could have been drunk and

220

00:12:17,300 --> 00:12:13,319

I was really shocked when I got into

221

00:12:20,180 --> 00:12:17,310

this to find out how many they were the

222

00:12:22,610 --> 00:12:20,190

military has announced themselves that

223

00:12:25,940 --> 00:12:22,620

their aircraft are now a third drones

224

00:12:28,100 --> 00:12:25,950

okay I want to talk find out from you

225

00:12:30,500 --> 00:12:28,110

you what first of all what your

226

00:12:33,440 --> 00:12:30,510

background is and what got you

227

00:12:36,110 --> 00:12:33,450

interested in this subject and also we

228

00:12:38,750 --> 00:12:36,120

already have some chat questions coming

229

00:12:40,790 --> 00:12:38,760

in and one of them is uh you know where

230

00:12:42,790 --> 00:12:40,800

do you get your documents where do you

231

00:12:45,830 --> 00:12:42,800

find your statistics things like that

232

00:12:48,110 --> 00:12:45,840

also for the listener out there if you'd

233

00:12:50,990 --> 00:12:48,120

like to call in we have a call-in line

234

00:12:57,920 --> 00:12:51,000

or you can skype us as well during this

235

00:13:04,850 --> 00:12:57,930

show the call in number is 60 396 740 30

236

00:13:08,300 --> 00:13:04,860

once again 6039 6740 30 or you can go to

237

00:13:11,180 --> 00:13:08,310

the website podcast UFO calm sign in at

238

00:13:13,610 --> 00:13:11,190

our chat room which a lot of you have

239

00:13:16,700 --> 00:13:13,620

already and I appreciate that you can

240

00:13:21,290 --> 00:13:16,710

also skype me and that's Marty Willis

that's ma rty WI ll is and all one word

242

00:13:25,400 --> 00:13:23,700

if you'd like to skype in a question so

243

00:13:27,020 --> 00:13:25,410

go ahead if you would continue with the

244

00:13:29,660 --> 00:13:27,030

question that I just asked you all those

245

00:13:31,930 --> 00:13:29,670

questions i should say well okay i'll

246

00:13:34,820 --> 00:13:31,940

answer the first about my documents i

247

00:13:38,210 --> 00:13:34,830

get my documents off of government

248

00:13:41,060 --> 00:13:38,220

websites these are genuine dog documents

249

00:13:44,380 --> 00:13:41,070

that have been Declassified also i get

250

00:13:49,790 --> 00:13:44,390

my statistics directly from the military

251
00:13:53,420 --> 00:13:49,800
announcements i do not use any sites

252
00:13:56,660 --> 00:13:53,430
that do not have an announcement from

253
00:14:02,330 --> 00:13:56,670
the military or it's not a legitimate

254
00:14:05,510 --> 00:14:02,340
website like geek.com wired com i use

255
00:14:08,150 --> 00:14:05,520
none of the people that any website that

256
00:14:09,980 --> 00:14:08,160
has anything on it that where they are

257
00:14:13,160 --> 00:14:09,990
saying they're thinking this might be

258
00:14:17,590 --> 00:14:13,170
true i have found this all just by doing

259
00:14:20,660 --> 00:14:17,600
research on the internet it's out there

260
00:14:23,030 --> 00:14:20,670
anybody can do it if you go in and

261
00:14:25,520 --> 00:14:23,040
google military drones you will be

262
00:14:27,830 --> 00:14:25,530
shocked at what you upon and you will be

263
00:14:30,580 --> 00:14:27,840

shocked at the technology on these

264

00:14:34,280 --> 00:14:30,590

drones that they have already announced

265

00:14:38,990 --> 00:14:34,290

there it's declassified they don't put

266

00:14:39,620 --> 00:14:39,000

it on see it in or the nightly news but

267

00:14:41,660 --> 00:14:39,630

they're not

268

00:14:44,840 --> 00:14:41,670

likely hiding it either if you want a

269

00:14:48,350 --> 00:14:44,850

google and do a search you can also put

270

00:14:51,890 --> 00:14:48,360

in military drones and you come up with

271

00:14:54,800 --> 00:14:51,900

it all kinds of pictures of these drones

272

00:14:57,350 --> 00:14:54,810

that have been Declassified and they

273

00:15:01,190 --> 00:14:57,360

also they have got they have taken their

274

00:15:03,800 --> 00:15:01,200

old missiles and made those into drones

275

00:15:06,200 --> 00:15:03,810

and you can find that on the internet so

276

00:15:10,150 --> 00:15:06,210

you can be it you know sitting in your

277

00:15:13,760 --> 00:15:10,160

yard in the daytime and watch a silver

278

00:15:15,860 --> 00:15:13,770

cigar-shaped object go bot and think

279

00:15:18,170 --> 00:15:15,870

it's your bowling it's a drone now how

280

00:15:19,700 --> 00:15:18,180

would something like that state you know

281

00:15:23,090 --> 00:15:19,710

I think of a missile it's just a

282

00:15:26,020 --> 00:15:23,100

one-time shot in it and it's over how

283

00:15:29,360 --> 00:15:26,030

would something like that land and fly

284

00:15:30,710 --> 00:15:29,370

what they do is they they first of all

285

00:15:33,920 --> 00:15:30,720

they take the missiles and they go to

286

00:15:36,170 --> 00:15:33,930

and then all they do is just put a

287

00:15:38,510 --> 00:15:36,180

little legs on these things but I can

288

00:15:41,480 --> 00:15:38,520

tell you the legs are pulled up because

289

00:15:43,910 --> 00:15:41,490

I saw these at my house and not only

290

00:15:45,770 --> 00:15:43,920

have i seen you know a lot of people

291

00:15:48,800 --> 00:15:45,780

that live in my town is seen them and

292

00:15:50,780 --> 00:15:48,810

then i got on the internet and did some

293

00:15:53,810 --> 00:15:50,790

research and found articles where they

294

00:15:58,040 --> 00:15:53,820

were showing up they are also doing it

295

00:16:01,010 --> 00:15:58,050

with um Oh torpedoes underwater drugs

296

00:16:05,390 --> 00:16:01,020

they also are doing it with those they

297

00:16:07,700 --> 00:16:05,400

have many right now underwater probe

298

00:16:10,940 --> 00:16:07,710

drone program is going on going on and

299

00:16:12,890 --> 00:16:10,950

you can look up one called Hydra which

300

00:16:15,560 --> 00:16:12,900

they actually have what they call a

301
00:16:19,040 --> 00:16:15,570
mothership where they will shoot these

302
00:16:24,590 --> 00:16:19,050
smaller drones out of this mothership in

303
00:16:27,410 --> 00:16:24,600
a torpedo it goes up to the it'll go up

304
00:16:30,350 --> 00:16:27,420
to the color you know going out of the

305
00:16:33,230 --> 00:16:30,360
water actually coming up to the water

306
00:16:35,450 --> 00:16:33,240
and then fly out I'm sorry and you can

307
00:16:36,890 --> 00:16:35,460
find that that's called Hydra and it's

308
00:16:39,920 --> 00:16:36,900
got there it's all kind of information

309
00:16:42,980 --> 00:16:39,930
they even have a drawing of what this

310
00:16:45,230 --> 00:16:42,990
looks like now the reason I got into

311
00:16:49,010 --> 00:16:45,240
this I did not get into this because I

312
00:16:53,420 --> 00:16:49,020
wanted to be an expert in drones I mean

313
00:16:56,930 --> 00:16:53,430

but what happened was I started

314

00:17:02,360 --> 00:16:56,940

seen a lot of weird things around where

315

00:17:05,090 --> 00:17:02,370

I live my town about in 2005 and we have

316

00:17:09,400 --> 00:17:05,100

a military base here but this military

317

00:17:12,230 --> 00:17:09,410

base is a supposed to be a cargo bays

318

00:17:14,059 --> 00:17:12,240

they had nothing out there I mean we

319

00:17:16,280 --> 00:17:14,069

they didn't even have any jets or

320

00:17:18,949 --> 00:17:16,290

anything fighter jets you could walk all

321

00:17:22,189 --> 00:17:18,959

over this space we have really not had a

322

00:17:24,829 --> 00:17:22,199

military presence here since the Cold

323

00:17:29,150 --> 00:17:24,839

War and it wasn't a very big one then

324

00:17:34,700 --> 00:17:29,160

but I started seeing so much air traffic

325

00:17:36,860 --> 00:17:34,710

and weird-looking planes that I thought

326

00:17:38,780 --> 00:17:36,870

well something I thought the actually at

327

00:17:40,480 --> 00:17:38,790

first they were military just plain

328

00:17:45,169 --> 00:17:40,490

military planes that they were doing

329

00:17:50,030 --> 00:17:45,179

within last 15 months ago I moved into a

330

00:17:52,040 --> 00:17:50,040

small town and they have a runway in

331

00:17:55,130 --> 00:17:52,050

this fall town they have a little

332

00:17:57,830 --> 00:17:55,140

Airport in this airport really the

333

00:18:01,700 --> 00:17:57,840

terminal isn't a trailer this is how

334

00:18:06,350 --> 00:18:01,710

small it is within two days of moving

335

00:18:09,799 --> 00:18:06,360

here I begin to see drones I did not

336

00:18:12,680 --> 00:18:09,809

know what they were at first the second

337

00:18:16,130 --> 00:18:12,690

night I walked out my backyard and I see

338

00:18:20,210 --> 00:18:16,140

what looks like a miniature helicopter

339

00:18:22,310 --> 00:18:20,220

and I was sitting here thinking this

340

00:18:25,040 --> 00:18:22,320

thing actually came down the power lines

341

00:18:27,260 --> 00:18:25,050

and came into the yard where I was and

342

00:18:30,799 --> 00:18:27,270

was basically staring at me while I'm

343

00:18:32,720 --> 00:18:30,809

staring at it and I thought at first I

344

00:18:35,930 --> 00:18:32,730

myself I thought well somebody's got a

345

00:18:38,780 --> 00:18:35,940

very expensive toy I did not just jump

346

00:18:41,570 --> 00:18:38,790

that these were military drones but I

347

00:18:44,210 --> 00:18:41,580

kept seeing this not after not I kept

348

00:18:47,740 --> 00:18:44,220

seeing them landing at this Airport and

349

00:18:52,490 --> 00:18:47,750

then I started to see much bigger

350

00:18:55,640 --> 00:18:52,500

correct and I knew then and it was these

351
00:18:58,400 --> 00:18:55,650
were not toys and when it really dawned

352
00:19:01,520 --> 00:18:58,410
on me that these are actually military

353
00:19:04,640 --> 00:19:01,530
crab is about I had been living here

354
00:19:06,530 --> 00:19:04,650
about two weeks and I Skywatch every

355
00:19:06,920 --> 00:19:06,540
night anyway I have always been doing

356
00:19:09,110 --> 00:19:06,930
that my

357
00:19:13,370 --> 00:19:09,120
law because I've always been interested

358
00:19:18,290 --> 00:19:13,380
in UFOs and down the end of my street I

359
00:19:20,480 --> 00:19:18,300
see this object just hovering there and

360
00:19:22,760 --> 00:19:20,490
it's not probably about 40 feet from me

361
00:19:26,780 --> 00:19:22,770
and I'm I run out in the middle street

362
00:19:28,670 --> 00:19:26,790
and I'm looking at this object it was it

363
00:19:31,370 --> 00:19:28,680

at night you can't tell these or

364

00:19:33,230 --> 00:19:31,380

airplanes I mean this looks like a you

365

00:19:36,590 --> 00:19:33,240

know 40-foot object sitting there

366

00:19:38,690 --> 00:19:36,600

hovering and I kept watching it and I

367

00:19:42,530 --> 00:19:38,700

thought to myself these have to be

368

00:19:45,590 --> 00:19:42,540

military drones and that's what started

369

00:19:49,940 --> 00:19:45,600

it I got on the net and within days I

370

00:19:52,070 --> 00:19:49,950

had found a government document and it

371

00:19:53,390 --> 00:19:52,080

states and I sent it to you Martin I

372

00:19:57,710 --> 00:19:53,400

don't know if you got a chance to read

373

00:20:02,030 --> 00:19:57,720

it but it tastes the 110 grown programs

374

00:20:05,480 --> 00:20:02,040

it states what the city what the

375

00:20:10,370 --> 00:20:05,490

programs are and has all the reasons in

376

00:20:12,320 --> 00:20:10,380

there it came out in april of 2012 and

377

00:20:15,080 --> 00:20:12,330

it had the reasons why they were flying

378

00:20:17,150 --> 00:20:15,090

military drones in civilian airspace and

379

00:20:20,330 --> 00:20:17,160

the reason in this document that it

380

00:20:23,450 --> 00:20:20,340

claims is that they had run out of a

381

00:20:25,190 --> 00:20:23,460

restricted airspace these drones were

382

00:20:27,650 --> 00:20:25,200

going to be integrated in civilian

383

00:20:29,960 --> 00:20:27,660

airspace and they needed to test them

384

00:20:35,500 --> 00:20:29,970

and they started testing them with a

385

00:20:38,510 --> 00:20:35,510

program called seek in a void now this

386

00:20:41,810 --> 00:20:38,520

what we're here now about these cities

387

00:20:44,900 --> 00:20:41,820

where they picked six drones six cities

388

00:20:47,990 --> 00:20:44,910

to have drug programs that's all a bunch

389

00:20:51,200 --> 00:20:48,000

of bull they've been doing this since at

390

00:20:55,220 --> 00:20:51,210

least 2005 and all of these hundred and

391

00:20:58,220 --> 00:20:55,230

ten places I have verified at least 17

392

00:21:00,290 --> 00:20:58,230

of them by directly speaking to people

393

00:21:03,850 --> 00:21:00,300

in those towns that have the same

394

00:21:08,150 --> 00:21:03,860

activity and these same videos that I do

395

00:21:12,710 --> 00:21:08,160

so I know that these programs have been

396

00:21:15,440 --> 00:21:12,720

going on and they are trying to they've

397

00:21:18,680 --> 00:21:15,450

already implemented in several cities

398

00:21:20,540 --> 00:21:18,690

this new next-generation transport

399

00:21:22,190 --> 00:21:20,550

system I

400

00:21:24,880 --> 00:21:22,200

on this because I kept running across

401
00:21:29,090 --> 00:21:24,890
this when I was doing my research and

402
00:21:31,370 --> 00:21:29,100
basically Congress told the military if

403
00:21:33,650 --> 00:21:31,380
you're going to follow these drones in

404
00:21:36,350 --> 00:21:33,660
civilian airspace you must find a way to

405
00:21:39,260 --> 00:21:36,360
integrate them see they don't have

406
00:21:42,230 --> 00:21:39,270
trained pongs transponders so they don't

407
00:21:44,300 --> 00:21:42,240
show up on radar least how that is that

408
00:21:46,520 --> 00:21:44,310
across the board or just some of them

409
00:21:49,340 --> 00:21:46,530
don't show up and read our well i have

410
00:21:52,730 --> 00:21:49,350
found here none of them show up i have

411
00:21:54,860 --> 00:21:52,740
been tracking them for 15 months and not

412
00:21:59,780 --> 00:21:54,870
a one and 15 months it showed up on

413
00:22:01,760 --> 00:21:59,790

radar not one mm-hmm so they've come up

414

00:22:04,610 --> 00:22:01,770

with this new system and it's going to

415

00:22:07,160 --> 00:22:04,620

be run by computers and satellite there

416

00:22:11,450 --> 00:22:07,170

will be no more radar any of that the

417

00:22:14,990 --> 00:22:11,460

problem is most of it is classified we

418

00:22:17,900 --> 00:22:15,000

don't know what type of satellites we

419

00:22:21,410 --> 00:22:17,910

don't actually know how it works you get

420

00:22:23,630 --> 00:22:21,420

a vague overview when you try to do the

421

00:22:26,810 --> 00:22:23,640

research or find out anything about this

422

00:22:29,360 --> 00:22:26,820

next generation transport system now

423

00:22:31,640 --> 00:22:29,370

what you'll find now on the net they

424

00:22:34,340 --> 00:22:31,650

implemented about five cities about a

425

00:22:37,450 --> 00:22:34,350

month ago and what came out on the net

426

00:22:41,600 --> 00:22:37,460

was the negative reaction of the

427

00:22:44,480 --> 00:22:41,610

customers to this not anything in depth

428

00:22:47,030 --> 00:22:44,490

about it now I believe because of my

429

00:22:51,100 --> 00:22:47,040

research that they're going to our will

430

00:22:54,740 --> 00:22:51,110

are already using drone satellites

431

00:22:56,840 --> 00:22:54,750

because there has been a lot of talk by

432

00:22:58,640 --> 00:22:56,850

the military that they are working on

433

00:23:01,430 --> 00:22:58,650

and this has been announced also these

434

00:23:05,150 --> 00:23:01,440

drone satellites and the reason for that

435

00:23:07,910 --> 00:23:05,160

is there a lot cheaper these drone

436

00:23:11,270 --> 00:23:07,920

satellites you can also maneuver them

437

00:23:15,770 --> 00:23:11,280

around a lot easier than you can a

438

00:23:18,170 --> 00:23:15,780

standard satellite and they have these

439

00:23:20,420 --> 00:23:18,180

programs that they are testing these

440

00:23:25,430 --> 00:23:20,430

because they are testing these over my

441

00:23:27,860 --> 00:23:25,440

town I started seeing what I thought it

442

00:23:30,110 --> 00:23:27,870

was moving stars and I mean you just

443

00:23:32,930 --> 00:23:30,120

you'll be watching these and they'll

444

00:23:34,400 --> 00:23:32,940

just take off flying and then I started

445

00:23:36,830 --> 00:23:34,410

actually seeing them take off

446

00:23:40,180 --> 00:23:36,840

behind my house and go up and get in

447

00:23:43,760 --> 00:23:40,190

place and many many people in the

448

00:23:47,930 --> 00:23:43,770

Central Arkansas know about this you

449

00:23:49,640 --> 00:23:47,940

really can't live here and not know

450

00:23:52,640 --> 00:23:49,650

about it unless you're completely blind

451
00:23:57,320 --> 00:23:52,650
well now a couple of questions have come

452
00:23:59,570 --> 00:23:57,330
in one question one question was what

453
00:24:01,970 --> 00:23:59,580
your credentials were for looking into

454
00:24:05,920 --> 00:24:01,980
this another question was do you think

455
00:24:07,970 --> 00:24:05,930
that every military base has drones and

456
00:24:11,060 --> 00:24:07,980
it seems like there was one more

457
00:24:12,590 --> 00:24:11,070
question that okay let me just well go

458
00:24:14,740 --> 00:24:12,600
ahead and answer those those two if you

459
00:24:18,470 --> 00:24:14,750
would okay I'll answer the first one I

460
00:24:20,900 --> 00:24:18,480
had no kyndra condensed condensed but

461
00:24:25,070 --> 00:24:20,910
what I can tell you i did and i'm still

462
00:24:29,570 --> 00:24:25,080
doing is I watched these military drones

463
00:24:32,480 --> 00:24:29,580

for over 250 hours at this point there

464

00:24:36,290 --> 00:24:32,490

were many nights that I've watched these

465

00:24:39,530 --> 00:24:36,300

observed these documented is from five

466

00:24:44,690 --> 00:24:39,540

o'clock until midnight night after night

467

00:24:48,890 --> 00:24:44,700

I have still done it I also did research

468

00:24:51,470 --> 00:24:48,900

for many hours to back up everything I

469

00:24:55,910 --> 00:24:51,480

say if anybody wants to go to look at my

470

00:24:58,340 --> 00:24:55,920

facebook or I will have every I have a

471

00:25:02,780 --> 00:24:58,350

legitimate document for everything I'm

472

00:25:07,520 --> 00:25:02,790

saying so it's 15 months worth of

473

00:25:10,160 --> 00:25:07,530

research is my credentials also with the

474

00:25:12,590 --> 00:25:10,170

documents there is a drone program in my

475

00:25:15,200 --> 00:25:12,600

town they have all right now they have

476

00:25:17,960 --> 00:25:15,210

announced this drone program the problem

477

00:25:20,840 --> 00:25:17,970

is they are claiming it's at a smaller

478

00:25:24,050 --> 00:25:20,850

base that is closed here it has nothing

479

00:25:26,450 --> 00:25:24,060

but a National Guard airstrip and there

480

00:25:28,100 --> 00:25:26,460

is no activity around that base because

481

00:25:33,320 --> 00:25:28,110

I have went there myself and did

482

00:25:36,080 --> 00:25:33,330

research so the reason that I don't call

483

00:25:39,290 --> 00:25:36,090

myself a drone expert everybody else

484

00:25:43,010 --> 00:25:39,300

does but it's just because i have put in

485

00:25:47,510 --> 00:25:43,020

the work and i was meticulous about my

486

00:25:49,880 --> 00:25:47,520

research if there if it cannot

487

00:25:53,990 --> 00:25:49,890

be backed up with a genuine government

488

00:25:56,720 --> 00:25:54,000

document ra announcement from a defense

489

00:26:00,440 --> 00:25:56,730

site announcement from the military are

490

00:26:05,210 --> 00:26:00,450

found on an event site I don't use it

491

00:26:09,800 --> 00:26:05,220

and I found many many documents that

492

00:26:13,330 --> 00:26:09,810

have been declassified by the government

493

00:26:18,620 --> 00:26:13,340

just by going in and doing research

494

00:26:22,130 --> 00:26:18,630

hours a day i also have interviewed a

495

00:26:27,080 --> 00:26:22,140

lot of people at this point including

496

00:26:30,760 --> 00:26:27,090

military i have interviewed people that

497

00:26:33,680 --> 00:26:30,770

live around these bases I have watched

498

00:26:39,140 --> 00:26:33,690

hundreds and I mean literally hundreds

499

00:26:44,150 --> 00:26:39,150

of YouTube videos to see if I could find

500

00:26:47,300 --> 00:26:44,160

a genuine UFO versus these drones

501
00:26:50,180 --> 00:26:47,310
because I also have these on film you

502
00:26:52,940 --> 00:26:50,190
can go to my YouTube and with everyone

503
00:26:58,160 --> 00:26:52,950
that goes to my youtube channel and sees

504
00:27:01,340 --> 00:26:58,170
what I am built FM are shot because they

505
00:27:04,940 --> 00:27:01,350
look like UFOs now I want to make

506
00:27:09,230 --> 00:27:04,950
something also clear here I am NOT

507
00:27:14,000 --> 00:27:09,240
saying that every fine of the dock your

508
00:27:18,800 --> 00:27:14,010
boat in America is a drone I am NOT a

509
00:27:24,250 --> 00:27:18,810
skeptic I believe there are genuine

510
00:27:29,930 --> 00:27:24,260
unknowns I have seen them myself but

511
00:27:33,950 --> 00:27:29,940
there is so many drones and the military

512
00:27:36,290 --> 00:27:33,960
is using that it is almost impossible to

513
00:27:39,350 --> 00:27:36,300

investigate lights in the sky at this

514

00:27:43,700 --> 00:27:39,360

point now I'm am NOT the only person

515

00:27:47,510 --> 00:27:43,710

that has this position there are a lot

516

00:27:50,450 --> 00:27:47,520

of other UFO researchers that have been

517

00:27:54,170 --> 00:27:50,460

researching and actually going to

518

00:27:59,240 --> 00:27:54,180

locations that have are saying the same

519

00:28:01,070 --> 00:27:59,250

thing these drones do not most people

520

00:28:03,590 --> 00:28:01,080

think in their mind

521

00:28:05,720 --> 00:28:03,600

predator and that's what you're seeing

522

00:28:08,840 --> 00:28:05,730

but that is not what it's happening

523

00:28:11,960 --> 00:28:08,850

these they have many lights on these

524

00:28:15,650 --> 00:28:11,970

drones there are different colors to

525

00:28:18,140 --> 00:28:15,660

different densities and they and we'll

526

00:28:22,820 --> 00:28:18,150

turn these lights on and it will look

527

00:28:27,740 --> 00:28:22,830

exactly like a triangle but in reality

528

00:28:30,940 --> 00:28:27,750

it is an airplane shaped but I have seen

529

00:28:33,680 --> 00:28:30,950

these things from less than 50 feet and

530

00:28:36,560 --> 00:28:33,690

knowing that they're drones and they

531

00:28:40,340 --> 00:28:36,570

look off they look like triangles flying

532

00:28:42,860 --> 00:28:40,350

on their side also what they do and I

533

00:28:45,800 --> 00:28:42,870

have no Rita know what rhyme or reason

534

00:28:49,130 --> 00:28:45,810

why they're doing this even after 15

535

00:28:51,910 --> 00:28:49,140

months they will apply around and by the

536

00:28:55,010 --> 00:28:51,920

way most of them don't make any sound I

537

00:28:57,530 --> 00:28:55,020

have a lot of those on my YouTube where

538

00:29:02,210 --> 00:28:57,540

they make not one sound just like a

539

00:29:05,570 --> 00:29:02,220

genuine UFO and they will fly around and

540

00:29:09,020 --> 00:29:05,580

have one bright light on no other lights

541

00:29:11,620 --> 00:29:09,030

and you'll see this from a distance and

542

00:29:15,140 --> 00:29:11,630

what you'll see is this light floating

543

00:29:19,880 --> 00:29:15,150

you'll see this light going below tree

544

00:29:23,900 --> 00:29:19,890

level hovering making maneuvers that

545

00:29:27,110 --> 00:29:23,910

look almost identical to what people you

546

00:29:29,240 --> 00:29:27,120

know proclaim a real UFOs but they are

547

00:29:32,990 --> 00:29:29,250

these military drones I have seen it

548

00:29:35,000 --> 00:29:33,000

night after not not only me there has

549

00:29:37,370 --> 00:29:35,010

been 20 or 30 people that came to the

550

00:29:41,060 --> 00:29:37,380

house to bear by this my house and they

551
00:29:43,070 --> 00:29:41,070
are shocked and if you don't know what

552
00:29:47,900 --> 00:29:43,080
you're looking at and the colors they

553
00:29:50,480 --> 00:29:47,910
use our orange red and white that is

554
00:29:52,460 --> 00:29:50,490
what they use for this one these one

555
00:29:56,450 --> 00:29:52,470
locks that they float around looking

556
00:29:58,220 --> 00:29:56,460
like orbs now one of the one of the

557
00:30:02,090 --> 00:29:58,230
orange locks they have an orange light

558
00:30:04,430 --> 00:30:02,100
that actually looks like an orange light

559
00:30:07,460 --> 00:30:04,440
bulb it puts out like but they have an

560
00:30:10,670 --> 00:30:07,470
orange light that looks like a landing

561
00:30:14,570 --> 00:30:10,680
light and it is a lot more difficult to

562
00:30:18,289 --> 00:30:14,580
tell when they have those lights on what

563
00:30:21,519 --> 00:30:18,299

you are looking at also they had they

564

00:30:24,080 --> 00:30:21,529

can they can look like rectangles and

565

00:30:27,169 --> 00:30:24,090

you look up there and you'll see an

566

00:30:30,740 --> 00:30:27,179

object floating by it looks like a

567

00:30:33,380 --> 00:30:30,750

rectangle and making no sound but it's a

568

00:30:35,750 --> 00:30:33,390

military drone I was very disappointed

569

00:30:37,610 --> 00:30:35,760

to tell you the truth when I set out

570

00:30:42,110 --> 00:30:37,620

here and watch these not after not and

571

00:30:45,110 --> 00:30:42,120

realized what was going on with these

572

00:30:48,889 --> 00:30:45,120

military germs and today I'm sorry no go

573

00:30:50,299 --> 00:30:48,899

ahead well have you heard what is there

574

00:30:51,769 --> 00:30:50,309

any connection with the Foo Fighters

575

00:30:55,220 --> 00:30:51,779

what they were talking about during the

576

00:30:57,680 --> 00:30:55,230

you know Second World War well I don't

577

00:30:59,930 --> 00:30:57,690

believe that's the same thing now I you

578

00:31:02,509 --> 00:30:59,940

know I don't believe they had that

579

00:31:05,330 --> 00:31:02,519

technology and we're advanced enough to

580

00:31:09,590 --> 00:31:05,340

do the beef daughters now i'll also say

581

00:31:13,850 --> 00:31:09,600

i believe that there are genuine orange

582

00:31:16,220 --> 00:31:13,860

orbs the difference is when you look at

583

00:31:19,610 --> 00:31:16,230

these truffles you have to ask yourself

584

00:31:24,009 --> 00:31:19,620

is that a man-made light could it

585

00:31:28,039 --> 00:31:24,019

possibly in any way be a man-made life

586

00:31:33,139 --> 00:31:28,049

then if you say yes then it's probably a

587

00:31:37,490 --> 00:31:33,149

drone because the other orange orbs I

588

00:31:40,759 --> 00:31:37,500

have seen they do not look like they do

589

00:31:44,539 --> 00:31:40,769

produce no light whatsoever what I'm

590

00:31:48,200 --> 00:31:44,549

saying is if they go by a tree or fly by

591

00:31:50,720 --> 00:31:48,210

building you will see no shadow the

592

00:31:54,590 --> 00:31:50,730

lights are very different than what they

593

00:31:58,159 --> 00:31:54,600

do not look like man-made lights these

594

00:32:01,370 --> 00:31:58,169

other on jords they don't look like any

595

00:32:02,960 --> 00:32:01,380

life really that you'll see on earth's

596

00:32:05,240 --> 00:32:02,970

I'm not saying that there's aliens

597

00:32:08,600 --> 00:32:05,250

behind them but they look completely

598

00:32:10,610 --> 00:32:08,610

different from any light that I have

599

00:32:15,680 --> 00:32:10,620

ever seen in other people that have seen

600

00:32:18,649 --> 00:32:15,690

these so that is a way I personally

601
00:32:21,379 --> 00:32:18,659
believe the military has to be doing

602
00:32:24,039 --> 00:32:21,389
this on purpose I've come to that

603
00:32:27,600 --> 00:32:24,049
conclusion after watching for 15 months

604
00:32:30,720 --> 00:32:27,610
hours and hours if they are under

605
00:32:32,760 --> 00:32:30,730
a hundred feet they have on these fake

606
00:32:35,880 --> 00:32:32,770
lights and that's what they are they're

607
00:32:39,060 --> 00:32:35,890
fake lights because i have watched them

608
00:32:42,390 --> 00:32:39,070
all so playa in normal airspace and

609
00:32:45,600 --> 00:32:42,400
they'll turn on their faa lots they have

610
00:32:48,570 --> 00:32:45,610
FAA lights on them there's yeah there's

611
00:32:51,020 --> 00:32:48,580
no reason for this but I have seen this

612
00:32:54,600 --> 00:32:51,030
night after night I have seen many

613
00:32:57,780 --> 00:32:54,610

YouTube videos that you could take my

614

00:32:59,400 --> 00:32:57,790

videos of drawers put them in those

615

00:33:02,460 --> 00:32:59,410

videos and you couldn't tell the

616

00:33:05,850 --> 00:33:02,470

difference it's big a lot of people

617

00:33:08,549 --> 00:33:05,860

don't want to hear this and you know but

618

00:33:10,950 --> 00:33:08,559

it's going to come out in the next two

619

00:33:14,520 --> 00:33:10,960

or three years once this next generation

620

00:33:16,980 --> 00:33:14,530

is up and running and these military

621

00:33:19,140 --> 00:33:16,990

drones are flying around taking off at

622

00:33:23,430 --> 00:33:19,150

airports we're all going to find this

623

00:33:28,110 --> 00:33:23,440

out and the problem is it's going to be

624

00:33:31,440 --> 00:33:28,120

a big blow to apology because a lot of

625

00:33:33,840 --> 00:33:31,450

these people you know are talking about

626

00:33:37,850 --> 00:33:33,850

the flaps and some of these flaps

627

00:33:42,990 --> 00:33:37,860

literally have ten drone program within

628

00:33:45,210 --> 00:33:43,000

20 miles of them and when this comes out

629

00:33:47,760 --> 00:33:45,220

they're going to look at the UFO

630

00:33:51,120 --> 00:33:47,770

community and say why did you people not

631

00:33:54,090 --> 00:33:51,130

know these words drums and then what's

632

00:33:57,720 --> 00:33:54,100

going to happen every genuine UFOs site

633

00:34:00,210 --> 00:33:57,730

is then be going to come a drum the

634

00:34:02,130 --> 00:34:00,220

reason I I did not speak out about this

635

00:34:06,150 --> 00:34:02,140

for six months even though I had done

636

00:34:09,570 --> 00:34:06,160

all of this research but I felt like I

637

00:34:11,760 --> 00:34:09,580

had to for one reason is because of the

638

00:34:13,830 --> 00:34:11,770

apology effect that all of these people

639

00:34:18,359 --> 00:34:13,840

are thinking these are UFOs and once

640

00:34:21,180 --> 00:34:18,369

again I'm not saying every UFO is out

641

00:34:24,500 --> 00:34:21,190

there is these drunk but I'm telling you

642

00:34:27,599 --> 00:34:24,510

there is a big percentage of them are

643

00:34:32,190 --> 00:34:27,609

especially in certain locations where

644

00:34:34,440 --> 00:34:32,200

there are many drawn programs yeah just

645

00:34:36,770 --> 00:34:34,450

a couple things you know I know that as

646

00:34:41,430 --> 00:34:36,780

drones become more and more popular

647

00:34:43,770 --> 00:34:41,440

there in the private segment as well as

648

00:34:45,119 --> 00:34:43,780

Terry more and more people are use I

649

00:34:47,819 --> 00:34:45,129

mean I'd actually like to get they have

650

00:34:50,339 --> 00:34:47,829

a camera drone that you can shoot really

651
00:34:53,309 --> 00:34:50,349
high quality film up to like a thousand

652
00:34:54,720 --> 00:34:53,319
feet they're really quite nice but as

653
00:34:57,839 --> 00:34:54,730
they get more and more popular I know

654
00:34:59,370 --> 00:34:57,849
there's going to be a lot more people

655
00:35:01,380 --> 00:34:59,380
thinking that they're seeing UFOs of

656
00:35:03,630 --> 00:35:01,390
course it never discounts the real

657
00:35:06,930 --> 00:35:03,640
sightings but I want to go into

658
00:35:09,270 --> 00:35:06,940
something we talked briefly about and I

659
00:35:12,210 --> 00:35:09,280
wanted you to talk about the different

660
00:35:14,339 --> 00:35:12,220
technologies that are coming out you

661
00:35:16,530 --> 00:35:14,349
were saying about them being able to see

662
00:35:19,260 --> 00:35:16,540
through walls can you talk a little bit

663
00:35:21,780 --> 00:35:19,270

about that and other technologies yes in

664

00:35:24,450 --> 00:35:21,790

anybody that wants to check up on what

665

00:35:28,170 --> 00:35:24,460

I'm saying all you have to do is google

666

00:35:30,900 --> 00:35:28,180

it the military has a cameras that they

667

00:35:34,020 --> 00:35:30,910

have on these drones that can see

668

00:35:37,530 --> 00:35:34,030

through any wall even reinforced

669

00:35:40,559 --> 00:35:37,540

concrete they have announced this and

670

00:35:42,030 --> 00:35:40,569

actually bragged about it you can google

671

00:35:44,400 --> 00:35:42,040

this and you can find all the

672

00:35:50,780 --> 00:35:44,410

information you want about that they

673

00:35:55,950 --> 00:35:50,790

also have hit they also have capability

674

00:35:59,339 --> 00:35:55,960

any of these drones to hijack a cell

675

00:36:02,309 --> 00:35:59,349

tower and listen to any phone call on

676

00:36:06,240 --> 00:36:02,319

that tower that can also be google and

677

00:36:09,210 --> 00:36:06,250

you can bond it they can see they have

678

00:36:11,849 --> 00:36:09,220

technology now where they can see was

679

00:36:16,319 --> 00:36:11,859

some of these camera equipment a whole

680

00:36:19,620 --> 00:36:16,329

city they have on 3 3d maps as these

681

00:36:21,870 --> 00:36:19,630

things carry facial recognition they

682

00:36:24,450 --> 00:36:21,880

have the capability and this is deep

683

00:36:28,410 --> 00:36:24,460

classified God's y'all can look this up

684

00:36:32,760 --> 00:36:28,420

on Google they have the capability now

685

00:36:36,990 --> 00:36:32,770

to see every person in this country in

686

00:36:40,440 --> 00:36:37,000

their own home and this is what is they

687

00:36:44,280 --> 00:36:40,450

have now is declassified this is one of

688

00:36:48,359 --> 00:36:44,290

the reasons I felt I had to speak out

689

00:36:53,130 --> 00:36:48,369

because these things are literally blind

690

00:36:55,259 --> 00:36:53,140

tree high in people's neighborhoods they

691

00:36:57,569 --> 00:36:55,269

can if they want to

692

00:37:00,059 --> 00:36:57,579

right now because they fly all over my

693

00:37:03,599 --> 00:37:00,069

house once it's over my house all night

694

00:37:05,459 --> 00:37:03,609

every night could watch me every minute

695

00:37:11,149 --> 00:37:05,469

of the day and everybody else in this

696

00:37:15,929 --> 00:37:11,159

town and this is verifiable information

697

00:37:18,409 --> 00:37:15,939

this is not hair so when I started

698

00:37:23,519 --> 00:37:18,419

digging into this I was absolutely

699

00:37:25,769 --> 00:37:23,529

shocked most Americans i would say 99

700

00:37:31,620 --> 00:37:25,779

american percent of americans have no

701
00:37:33,839 --> 00:37:31,630
idea what is going on with this now they

702
00:37:35,549 --> 00:37:33,849
what they're doing now is they're

703
00:37:39,089 --> 00:37:35,559
getting everyone prepared for these

704
00:37:41,579 --> 00:37:39,099
drones by having article after article

705
00:37:45,749 --> 00:37:41,589
about how these drones are good for us

706
00:37:49,829 --> 00:37:45,759
how they'll save lives well that may be

707
00:37:52,919 --> 00:37:49,839
true but they downplay the technology

708
00:37:56,909 --> 00:37:52,929
they have the capability of spying they

709
00:37:58,439 --> 00:37:56,919
have now is unprecedented and it's not

710
00:38:02,599 --> 00:37:58,449
only here they have these drones

711
00:38:07,579 --> 00:38:02,609
worldwide every developed country has in

712
00:38:10,579 --> 00:38:07,589
NATO is flying them it's not just

713
00:38:14,659 --> 00:38:10,589

Americans that's being spied on it's

714

00:38:17,370 --> 00:38:14,669

everyone and they come out with new

715

00:38:20,219 --> 00:38:17,380

technology almost every week you can

716

00:38:24,839 --> 00:38:20,229

look up the tea also have weaponized

717

00:38:27,719 --> 00:38:24,849

some of these drones with actual ray

718

00:38:30,870 --> 00:38:27,729

guns and I'm the articles are saying

719

00:38:33,979 --> 00:38:30,880

Reagan's what they are as lasers they

720

00:38:39,359 --> 00:38:33,989

have put laser weapons on these drones

721

00:38:41,789 --> 00:38:39,369

the army has a new ground-based laser

722

00:38:44,789 --> 00:38:41,799

weapon that can be mounted on a truck

723

00:38:47,819 --> 00:38:44,799

and can be driven around anywhere and

724

00:38:50,909 --> 00:38:47,829

can shoot anything down out out of our

725

00:38:55,499 --> 00:38:50,919

airspace google this and you'll find it

726

00:38:59,599 --> 00:38:55,509

it's not hid they have also the airports

727

00:39:03,749 --> 00:38:59,609

put on a promo pill last year about

728

00:39:08,510 --> 00:39:03,759

their tiny and when they call a micro

729

00:39:10,880 --> 00:39:08,520

drones that can actually go in the house

730

00:39:13,610 --> 00:39:10,890

is endures and you can't see them

731

00:39:18,440 --> 00:39:13,620

they're very small and they can actually

732

00:39:21,530 --> 00:39:18,450

inject you with diseases this they can

733

00:39:24,770 --> 00:39:21,540

take your blood type folks I'm not

734

00:39:29,120 --> 00:39:24,780

making this up google it google micro

735

00:39:31,580 --> 00:39:29,130

drones google ear airports promo p.m.

736

00:39:35,870 --> 00:39:31,590

micro drones and you can watch it

737

00:39:38,800 --> 00:39:35,880

yourself they release the promo film so

738

00:39:41,540 --> 00:39:38,810

it's the same like I'm a technical miss

739

00:39:43,670 --> 00:39:41,550

high-tech mosquito or something yes

740

00:39:46,160 --> 00:39:43,680

except they're smaller than that they

741

00:39:48,620 --> 00:39:46,170

have those go in there and and Google

742

00:39:52,370 --> 00:39:48,630

micro drones they have all kinds of

743

00:39:55,730 --> 00:39:52,380

insects they got pictures of them not

744

00:39:58,310 --> 00:39:55,740

only that they're using bird of prey

745

00:40:00,860 --> 00:39:58,320

like hawks that what will look like a

746

00:40:05,830 --> 00:40:00,870

hawk but it's actually a drone I've seen

747

00:40:09,710 --> 00:40:05,840

those myself here in my town they have

748

00:40:12,710 --> 00:40:09,720

they also if you watch that promo film

749

00:40:16,130 --> 00:40:12,720

it talks about these drones getting

750

00:40:19,490 --> 00:40:16,140

their energy from the environment that

751
00:40:22,490 --> 00:40:19,500
they can fly forever so basically what

752
00:40:25,910 --> 00:40:22,500
we're talking about is a system with no

753
00:40:28,460 --> 00:40:25,920
fossil fuels and the military has come

754
00:40:30,830 --> 00:40:28,470
out and announced they have this and

755
00:40:33,980 --> 00:40:30,840
they call it actually I'm not sure what

756
00:40:36,410 --> 00:40:33,990
they call it's a little transistor it

757
00:40:40,160 --> 00:40:36,420
can listen and record and you can it can

758
00:40:43,040 --> 00:40:40,170
be put in rocks and this thing also gets

759
00:40:45,020 --> 00:40:43,050
its energy from the environment and

760
00:40:47,480 --> 00:40:45,030
never has to be charged or picked up

761
00:40:50,690 --> 00:40:47,490
that has also been released they have a

762
00:40:52,280 --> 00:40:50,700
little picture of the look doodad now

763
00:40:55,250 --> 00:40:52,290

how I don't even understand how that

764

00:40:57,530 --> 00:40:55,260

could be possible but if you want to i

765

00:40:59,450 --> 00:40:57,540

will send you the link to post well I'll

766

00:41:02,090 --> 00:40:59,460

tell you what for all the listeners out

767

00:41:05,570 --> 00:41:02,100

there we do have show notes on the

768

00:41:07,520 --> 00:41:05,580

website podcast UFO where I am putting a

769

00:41:09,080 --> 00:41:07,530

whole bunch of links and so you go ahead

770

00:41:11,090 --> 00:41:09,090

and send that and i'll post that and

771

00:41:13,520 --> 00:41:11,100

just for the live listener right now you

772

00:41:17,450 --> 00:41:13,530

can go to our website again podcast UFO

773

00:41:19,400 --> 00:41:17,460

calm and sign up on our chat room throw

774

00:41:20,690 --> 00:41:19,410

a question at me there's up I don't know

775

00:41:21,760 --> 00:41:20,700

there's about 10 people in there right

776

00:41:28,540 --> 00:41:21,770

now or

777

00:41:32,220 --> 00:41:28,550

you can call me at 60 39 6 7 40 30 for a

778

00:41:34,870 --> 00:41:32,230

question for the guests this evening so

779

00:41:37,600 --> 00:41:34,880

the drone technology is growing all the

780

00:41:41,890 --> 00:41:37,610

time and we're going to see more and

781

00:41:43,770 --> 00:41:41,900

more of them in the future amazoncom is

782

00:41:48,340 --> 00:41:43,780

thinking about making deliveries of

783

00:41:49,870 --> 00:41:48,350

books and things with drones so the

784

00:41:51,700 --> 00:41:49,880

thing that's really confusing to me is

785

00:41:53,530 --> 00:41:51,710

how can all these things be controlled

786

00:41:56,470 --> 00:41:53,540

without there being all kinds of

787

00:41:58,360 --> 00:41:56,480

collisions of some kind can you talk a

788

00:42:00,010 --> 00:41:58,370

little bit about there's some other

789

00:42:03,070 --> 00:42:00,020

technology I think you started talking

790

00:42:05,950 --> 00:42:03,080

about it that does not use radar it uses

791

00:42:09,100 --> 00:42:05,960

something else it uses computers and

792

00:42:11,080 --> 00:42:09,110

satellites the computers and satellites

793

00:42:13,600 --> 00:42:11,090

are going to keep up with all this

794

00:42:16,240 --> 00:42:13,610

that's this next-generation transport

795

00:42:19,750 --> 00:42:16,250

system it's the rate we only reason it

796

00:42:23,200 --> 00:42:19,760

was created it's the first upgrade we've

797

00:42:26,260 --> 00:42:23,210

had in air traffic since World War two

798

00:42:30,420 --> 00:42:26,270

you can google this and you can see this

799

00:42:33,970 --> 00:42:30,430

for yourself that this next generation

800

00:42:35,650 --> 00:42:33,980

and it most of its classified like I

801
00:42:37,780 --> 00:42:35,660
said that's how they're going to keep up

802
00:42:39,400 --> 00:42:37,790
with this they spent trillions of

803
00:42:41,770 --> 00:42:39,410
dollars on this program they've been

804
00:42:44,230 --> 00:42:41,780
working on this program for years to get

805
00:42:45,790 --> 00:42:44,240
it ready to get implemented to integrate

806
00:42:48,490 --> 00:42:45,800
these drones excuse me just one minute

807
00:42:50,640 --> 00:42:48,500
did you say well how much money did you

808
00:42:53,440 --> 00:42:50,650
say they're spending on it trillions

809
00:42:57,250 --> 00:42:53,450
trillions they have already spent tree

810
00:43:00,100 --> 00:42:57,260
aren't I hot where did you find that

811
00:43:03,820 --> 00:43:00,110
source because you never hear that being

812
00:43:05,590 --> 00:43:03,830
spent on anything I know out you cannot

813
00:43:07,300 --> 00:43:05,600

you can go to my facebook you can find

814

00:43:09,130 --> 00:43:07,310

it they've been working because see they

815

00:43:13,120 --> 00:43:09,140

have to tear out all the radar

816

00:43:16,900 --> 00:43:13,130

everything is being every little Airport

817

00:43:20,950 --> 00:43:16,910

every little town has to be tore out and

818

00:43:24,280 --> 00:43:20,960

put in this new equipment then they have

819

00:43:26,320 --> 00:43:24,290

they have made these new satellites just

820

00:43:30,130 --> 00:43:26,330

for that that's what I'm telling you

821

00:43:32,140 --> 00:43:30,140

this is not getting media play I didn't

822

00:43:34,060 --> 00:43:32,150

even found it find it so I started

823

00:43:35,200 --> 00:43:34,070

digging into all this other research and

824

00:43:36,760 --> 00:43:35,210

I kept coming

825

00:43:40,030 --> 00:43:36,770

cross this next generation next

826

00:43:43,000 --> 00:43:40,040

generation every little Airport any

827

00:43:47,050 --> 00:43:43,010

place that they are using radar will

828

00:43:50,170 --> 00:43:47,060

have to be completely redone because

829

00:43:53,800 --> 00:43:50,180

there will the computers and the

830

00:43:55,870 --> 00:43:53,810

satellites by GPS and and other means

831

00:43:57,970 --> 00:43:55,880

because they won't tell you is going to

832

00:44:00,370 --> 00:43:57,980

keep up with these drones so we're

833

00:44:03,520 --> 00:44:00,380

talking about I don't how many airports

834

00:44:06,070 --> 00:44:03,530

there are in America they're all going

835

00:44:09,250 --> 00:44:06,080

to be have to be switched over the

836

00:44:14,770 --> 00:44:09,260

equipment to these this new computer

837

00:44:16,990 --> 00:44:14,780

system and this new this new satellite

838

00:44:19,839 --> 00:44:17,000

system that's where the trains are

839

00:44:22,900 --> 00:44:19,849

coming into they spent that a lot of

840

00:44:26,260 --> 00:44:22,910

that working on to develop this this is

841

00:44:29,020 --> 00:44:26,270

cutting-edge technology that is how

842

00:44:31,630 --> 00:44:29,030

they're going to because they're getting

843

00:44:34,359 --> 00:44:31,640

ready to once the military is integrated

844

00:44:38,260 --> 00:44:34,369

with this new system now the soft date

845

00:44:43,180 --> 00:44:38,270

for this is 2015 now they're saying it

846

00:44:46,540 --> 00:44:43,190

maybe 2017 before this comes online they

847

00:44:48,250 --> 00:44:46,550

started on it years ago seven eight

848

00:44:51,520 --> 00:44:48,260

years ago and is this the government

849

00:44:54,250 --> 00:44:51,530

that supposedly is paying for this yes

850

00:44:56,650 --> 00:44:54,260

we're paying for the taxpayers are

851

00:44:58,599 --> 00:44:56,660

paying for this it just seems like that

852

00:45:00,130 --> 00:44:58,609

would be in the media the fur that type

853

00:45:03,190 --> 00:45:00,140

of money that you're talking about a

854

00:45:07,300 --> 00:45:03,200

couple of quick questions someone just

855

00:45:10,990 --> 00:45:07,310

asked if you were aware if the NSA had

856

00:45:14,670 --> 00:45:11,000

drones yes I do and you can google that

857

00:45:17,829 --> 00:45:14,680

and find out yes they do have drugs and

858

00:45:21,370 --> 00:45:17,839

there the NSA and FBI and all these

859

00:45:24,640 --> 00:45:21,380

they're drones are just as bad as they

860

00:45:27,220 --> 00:45:24,650

are military drones in fact today the

861

00:45:31,089 --> 00:45:27,230

Washington Post had a story about how

862

00:45:33,520 --> 00:45:31,099

all these agencies were barring Homeland

863

00:45:37,470 --> 00:45:33,530

Security's great military drones that

864

00:45:41,790 --> 00:45:37,480

fly around and the NSA is listed okay if

865

00:45:44,290 --> 00:45:41,800

you had to guess what type of

866

00:45:46,930 --> 00:45:44,300

organization other than the military

867

00:45:48,970 --> 00:45:46,940

would be using drones what would you

868

00:45:50,980 --> 00:45:48,980

think well there are going to

869

00:45:54,190 --> 00:45:50,990

about that commercial they're going to

870

00:45:58,800 --> 00:45:54,200

integrate commercial drones and what

871

00:46:01,420 --> 00:45:58,810

it's going to be start out like Amazon

872

00:46:03,730 --> 00:46:01,430

they won't start out sending packages

873

00:46:05,820 --> 00:46:03,740

all over the country they'll start out

874

00:46:09,040 --> 00:46:05,830

from where their warehouses are and

875

00:46:12,300 --> 00:46:09,050

they'll start using them just delivered

876

00:46:16,090 --> 00:46:12,310

packages in that town a certain length

877

00:46:17,530 --> 00:46:16,100

there will be eventually this is one of

878

00:46:20,470 --> 00:46:17,540

the problems while they're doing this

879

00:46:23,160 --> 00:46:20,480

slow is because if you think if you

880

00:46:25,660 --> 00:46:23,170

start talking about delivering packages

881

00:46:27,670 --> 00:46:25,670

then you start talking about delivering

882

00:46:30,370 --> 00:46:27,680

the mail then you start talking about

883

00:46:32,410 --> 00:46:30,380

delivering groceries you're talking

884

00:46:39,220 --> 00:46:32,420

about putting a lot of people out of

885

00:46:41,920 --> 00:46:39,230

work all truck drivers UPS all of those

886

00:46:43,690 --> 00:46:41,930

people out of work if they start

887

00:46:46,109 --> 00:46:43,700

delivering that's why they're

888

00:46:49,060 --> 00:46:46,119

implementing this slowly and I believe

889

00:46:51,820 --> 00:46:49,070

they're going to give them licenses one

890

00:46:54,640 --> 00:46:51,830

at a time that's that's already been

891

00:46:57,910 --> 00:46:54,650

I've got all the information about that

892

00:47:00,310 --> 00:46:57,920

how they're going to work it and Amazon

893

00:47:02,440 --> 00:47:00,320

will probably we wanted the first that

894

00:47:04,540 --> 00:47:02,450

get a license because they're spending a

895

00:47:05,890 --> 00:47:04,550

lot of money I believe they already know

896

00:47:07,900 --> 00:47:05,900

they're going to get a license because

897

00:47:09,760 --> 00:47:07,910

they're spending a lot of money but

898

00:47:12,550 --> 00:47:09,770

making drones are getting ready for this

899

00:47:15,070 --> 00:47:12,560

now they won't be able to do it probably

900

00:47:18,310 --> 00:47:15,080

until this next generation transport

901
00:47:20,470 --> 00:47:18,320
system is up but I believe that that is

902
00:47:23,530 --> 00:47:20,480
why they've already come out without

903
00:47:26,740 --> 00:47:23,540
this and then they'll they'll gradually

904
00:47:28,660 --> 00:47:26,750
put other corporations on this and then

905
00:47:30,880 --> 00:47:28,670
we'll wake up one day 20 years from now

906
00:47:33,790 --> 00:47:30,890
and there will be drones everywhere and

907
00:47:37,120 --> 00:47:33,800
the tracking of these drones technology

908
00:47:39,910 --> 00:47:37,130
will also grow with growth the growth of

909
00:47:43,690 --> 00:47:39,920
the drawers where they will be able

910
00:47:47,170 --> 00:47:43,700
eventually to to keep up with all of

911
00:47:51,190 --> 00:47:47,180
these drops that's why they're only

912
00:47:54,760 --> 00:47:51,200
implementing slowly now because the next

913
00:47:58,000 --> 00:47:54,770

generation is an upgrade but it is not

914

00:48:01,480 --> 00:47:58,010

to the technologically advanced enough

915

00:48:04,300 --> 00:48:01,490

to put all the drones that could

916

00:48:05,920 --> 00:48:04,310

be out here because basically now people

917

00:48:08,859 --> 00:48:05,930

are building drones in their apartments

918

00:48:12,310 --> 00:48:08,869

and there it's very easy to build a

919

00:48:14,609 --> 00:48:12,320

drone now and they have clubs and

920

00:48:17,890 --> 00:48:14,619

everything where people have built

921

00:48:19,450 --> 00:48:17,900

fairly large drones one of the the one

922

00:48:21,670 --> 00:48:19,460

of the types of drones actually looks

923

00:48:25,750 --> 00:48:21,680

like a UFO we have a someone on the chat

924

00:48:28,750 --> 00:48:25,760

room that keeps asking if UFOs are known

925

00:48:31,359 --> 00:48:28,760

to drop drones and you know there has

926
00:48:34,540 --> 00:48:31,369
been I have heard speculation on that in

927
00:48:37,030 --> 00:48:34,550
the past there was there was some filmed

928
00:48:39,130 --> 00:48:37,040
that looked almost like a washing

929
00:48:42,190 --> 00:48:39,140
machine that just hovered for like an

930
00:48:44,080 --> 00:48:42,200
hour at a time and actually you can see

931
00:48:45,880 --> 00:48:44,090
videos of that I think there's some on

932
00:48:49,090 --> 00:48:45,890
YouTube these are old videos that were

933
00:48:54,070 --> 00:48:49,100
filmed a long time ago and so there is

934
00:48:56,500 --> 00:48:54,080
speculation that they have drones if we

935
00:48:59,080 --> 00:48:56,510
are being visited by whoever we are

936
00:49:02,140 --> 00:48:59,090
being visited by that possibly drones do

937
00:49:04,690 --> 00:49:02,150
come out you do see some film of a whole

938
00:49:06,849 --> 00:49:04,700

bunch of like little orbs or something

939

00:49:10,359 --> 00:49:06,859

coming out of like a larger ship type of

940

00:49:14,410 --> 00:49:10,369

thing so it would make sense that if we

941

00:49:17,080 --> 00:49:14,420

are indeed being visited by something or

942

00:49:19,480 --> 00:49:17,090

someone that they would also use drones

943

00:49:23,170 --> 00:49:19,490

that's just an opinion of course now I

944

00:49:27,670 --> 00:49:23,180

think you're absolutely right um why

945

00:49:29,740 --> 00:49:27,680

risk personnel resources or any if you

946

00:49:31,900 --> 00:49:29,750

have someone actually coming here when

947

00:49:35,140 --> 00:49:31,910

you don't have to when you have a very

948

00:49:39,250 --> 00:49:35,150

sophisticated drone and I would imagine

949

00:49:41,590 --> 00:49:39,260

their drones are able to you know take

950

00:49:44,140 --> 00:49:41,600

samples and everything else there but

951
00:49:48,120 --> 00:49:44,150
will be much more advanced than ours and

952
00:49:51,460 --> 00:49:48,130
then you can just set on your ship be in

953
00:49:53,590 --> 00:49:51,470
incognito or whatever and they can do

954
00:49:59,980 --> 00:49:53,600
all the work and then that makes sense

955
00:50:03,340 --> 00:49:59,990
to me I mean it's much more i would say

956
00:50:07,930 --> 00:50:03,350
efficient to have the drones go out then

957
00:50:10,420 --> 00:50:07,940
to actually put people in them or those

958
00:50:12,790 --> 00:50:10,430
to go out if you see what I'm saying and

959
00:50:14,950 --> 00:50:12,800
I agree with you very much now here's

960
00:50:19,180 --> 00:50:14,960
the older here's

961
00:50:22,000 --> 00:50:19,190
the problem I know this they do take

962
00:50:25,120 --> 00:50:22,010
drones military drones and shoot drones

963
00:50:28,210 --> 00:50:25,130

out of them I've seen it at my house I'm

964

00:50:34,000 --> 00:50:28,220

I know now here's the problem with this

965

00:50:38,380 --> 00:50:34,010

I don't know if years ago they had this

966

00:50:42,310 --> 00:50:38,390

technology I do know now they do they do

967

00:50:47,890 --> 00:50:42,320

it on a regular basis when I first saw

968

00:50:49,930 --> 00:50:47,900

this here I was so shocked because I had

969

00:50:52,300 --> 00:50:49,940

really believed that there were

970

00:50:54,130 --> 00:50:52,310

motherships and they were you know it's

971

00:50:56,170 --> 00:50:54,140

Tooting out drones I really did not

972

00:51:01,840 --> 00:50:56,180

think we had anything anywhere near that

973

00:51:04,000 --> 00:51:01,850

technology and when I saw it I could not

974

00:51:06,280 --> 00:51:04,010

believe it and that I'm not the only one

975

00:51:09,040 --> 00:51:06,290

everyone in our town knows about this I

976
00:51:10,810 --> 00:51:09,050
mean even the guys that work in the

977
00:51:12,940 --> 00:51:10,820
National Guard and everything I have a

978
00:51:14,470 --> 00:51:12,950
God of national guard down the street he

979
00:51:17,260 --> 00:51:14,480
sets out there and watch it these things

980
00:51:21,280 --> 00:51:17,270
too but i have seen on three different

981
00:51:24,730 --> 00:51:21,290
occasions a large drone launch smaller

982
00:51:26,890 --> 00:51:24,740
and they looked like little orbs but

983
00:51:30,790 --> 00:51:26,900
that's what they look like shaw other

984
00:51:33,720 --> 00:51:30,800
drones out and the reason they look like

985
00:51:36,190 --> 00:51:33,730
little orbs is because how high they are

986
00:51:38,350 --> 00:51:36,200
they're actually what they are is

987
00:51:42,190 --> 00:51:38,360
actually a smaller drone that has one

988
00:51:47,590 --> 00:51:42,200

light on it now that doesn't mean that

989

00:51:49,390 --> 00:51:47,600

is in the last year I had my doubts even

990

00:51:52,800 --> 00:51:49,400

though they've been working on this

991

00:51:56,410 --> 00:51:52,810

drone technology since the world war two

992

00:51:58,720 --> 00:51:56,420

that when we start getting back 10 15 20

993

00:52:01,810 --> 00:51:58,730

years I really don't believe they might

994

00:52:05,040 --> 00:52:01,820

have the technology now there may be a

995

00:52:08,020 --> 00:52:05,050

few places that they may have tried to

996

00:52:09,760 --> 00:52:08,030

Tess is but i would guess that would be

997

00:52:14,320 --> 00:52:09,770

out in the desert where there wouldn't

998

00:52:18,160 --> 00:52:14,330

be any witnesses so I tend to believe

999

00:52:21,430 --> 00:52:18,170

the older cases may not have been in the

1000

00:52:24,160 --> 00:52:21,440

military with these new cases it's very

1001

00:52:28,150 --> 00:52:24,170

difficult to tell because they do look

1002

00:52:30,400 --> 00:52:28,160

like the videos because I've video too

1003

00:52:34,059 --> 00:52:30,410

and you can see through the viewfinder

1004

00:52:37,359 --> 00:52:34,069

and in the playback of the type that

1005

00:52:41,529 --> 00:52:37,369

they are very similar so what you know

1006

00:52:43,299 --> 00:52:41,539

in other words it could also be another

1007

00:52:45,700 --> 00:52:43,309

type of ship because if they're doing

1008

00:52:50,529 --> 00:52:45,710

the same thing we're doing it will look

1009

00:52:53,859 --> 00:52:50,539

very similar kappa b know it's very hard

1010

00:52:56,829 --> 00:52:53,869

to really know in your town you keep

1011

00:53:00,339 --> 00:52:56,839

mentioning that you see such a variety

1012

00:53:02,230 --> 00:53:00,349

of drones why would you think so many

1013

00:53:05,289 --> 00:53:02,240

different drones would be at that

1014

00:53:07,779 --> 00:53:05,299

particular air base and also are other

1015

00:53:09,910 --> 00:53:07,789

people you said that other people were

1016

00:53:12,670 --> 00:53:09,920

seeing them has anyone written anything

1017

00:53:15,130 --> 00:53:12,680

to like say letters to the editor or

1018

00:53:19,150 --> 00:53:15,140

anything like that bringing about some

1019

00:53:21,099 --> 00:53:19,160

media in that town yes in fact we had so

1020

00:53:23,710 --> 00:53:21,109

many people we have only three news

1021

00:53:27,190 --> 00:53:23,720

channels one of them is channel 7 we had

1022

00:53:30,430 --> 00:53:27,200

so many people calling the news in the

1023

00:53:32,410 --> 00:53:30,440

police and this is a capital city in

1024

00:53:35,440 --> 00:53:32,420

Little Rock and you know I live about 10

1025

00:53:37,750 --> 00:53:35,450

minutes outside of the rock that one of

1026
00:53:40,240 --> 00:53:37,760
the channels finally had to do a news

1027
00:53:44,019 --> 00:53:40,250
and I have that link also i can see in

1028
00:53:46,390 --> 00:53:44,029
and before you to put on they went to

1029
00:53:49,569 --> 00:53:46,400
the air base the reporter did and ask

1030
00:53:52,150 --> 00:53:49,579
them what is going on out here because

1031
00:53:55,510 --> 00:53:52,160
not only do we have drones we have the

1032
00:53:58,450 --> 00:53:55,520
boones the ground shaken the hot the

1033
00:53:59,980 --> 00:53:58,460
humming sound on the sound that sounds

1034
00:54:03,339 --> 00:53:59,990
like horns coming out of the sky

1035
00:54:05,859 --> 00:54:03,349
everybody that is here too and on my

1036
00:54:09,130 --> 00:54:05,869
youtube page i have several of these

1037
00:54:10,960 --> 00:54:09,140
sounds recorded and that is the

1038
00:54:12,730 --> 00:54:10,970

military's and that people were

1039

00:54:15,460 --> 00:54:12,740

complaining so much about all this

1040

00:54:19,510 --> 00:54:15,470

activity so they went out to the base

1041

00:54:22,809 --> 00:54:19,520

and talk to the commander of the base he

1042

00:54:26,019 --> 00:54:22,819

told them that it was National Guard

1043

00:54:29,740 --> 00:54:26,029

training the reporter asked him he said

1044

00:54:32,289 --> 00:54:29,750

well why you have been doing National

1045

00:54:35,829 --> 00:54:32,299

Guard training here for 30 years and we

1046

00:54:39,130 --> 00:54:35,839

did not have this activity what is going

1047

00:54:41,559 --> 00:54:39,140

on now the commander says i'm not sure

1048

00:54:42,109 --> 00:54:41,569

why but it's National Guard training in

1049

00:54:51,380 --> 00:54:42,119

the

1050

00:54:54,259 --> 00:54:51,390

media coverage so and you know yeah I

1051
00:54:57,650 --> 00:54:54,269
mean and I've got those news out the

1052
00:54:59,599 --> 00:54:57,660
actual news channels were national news

1053
00:55:02,450 --> 00:54:59,609
pictures i also got the link there were

1054
00:55:04,640 --> 00:55:02,460
several stories written i probably got

1055
00:55:06,230 --> 00:55:04,650
five or six stories also the same thing

1056
00:55:10,730 --> 00:55:06,240
then i can send you do you think that

1057
00:55:13,279 --> 00:55:10,740
that base in particular is doing a lot

1058
00:55:16,039 --> 00:55:13,289
of study on drones compared to other

1059
00:55:18,049 --> 00:55:16,049
bases or do you think that's kind of the

1060
00:55:22,009 --> 00:55:18,059
same thing on other bases as well well

1061
00:55:23,900 --> 00:55:22,019
what I believe it on this document

1062
00:55:27,049 --> 00:55:23,910
that said that they were going to have a

1063
00:55:28,519 --> 00:55:27,059

hundred and ten drone programs they left

1064

00:55:32,930 --> 00:55:28,529

out the part where it was going to be

1065

00:55:35,059 --> 00:55:32,940

research and drone programs I don't

1066

00:55:37,759 --> 00:55:35,069

believe this this is going on to a

1067

00:55:41,420 --> 00:55:37,769

certain extent on every base but most of

1068

00:55:44,539 --> 00:55:41,430

those are just regular drugs but these

1069

00:55:47,479 --> 00:55:44,549

110 bretonne programs these are rd

1070

00:55:51,460 --> 00:55:47,489

programs research and development and

1071

00:55:54,499 --> 00:55:51,470

the reason i say that is because i have

1072

00:55:58,489 --> 00:55:54,509

verified 17 others and i would like to

1073

00:56:00,920 --> 00:55:58,499

verify every 100 10 of those by

1074

00:56:02,420 --> 00:56:00,930

interviewing and by looking at videos

1075

00:56:04,549 --> 00:56:02,430

coming out there because a lot of those

1076

00:56:07,249 --> 00:56:04,559

people around me they know these are

1077

00:56:10,160 --> 00:56:07,259

drones like i do in their feminine yep

1078

00:56:12,049 --> 00:56:10,170

you can yeah they are well I i had i

1079

00:56:14,870 --> 00:56:12,059

hate to cut this short but we are just

1080

00:56:17,779 --> 00:56:14,880

out of time now so I wanted to thank you

1081

00:56:19,910 --> 00:56:17,789

so much for being on the show and we

1082

00:56:23,029 --> 00:56:19,920

will have all the links up on the

1083

00:56:24,559 --> 00:56:23,039

website at podcast UFO calm there's a

1084

00:56:26,450 --> 00:56:24,569

whole bunch of them there already you

1085

00:56:28,519 --> 00:56:26,460

can go there and check it out so I want

1086
