

1
00:00:03,189 --> 00:00:02,470
and it hits me oh my gosh this is that

2
00:00:04,309 --> 00:00:03,199
triangle

3
00:00:05,670 --> 00:00:04,319

4
00:00:06,309 --> 00:00:05,680
everything that occurred in the rendel

5
00:00:08,549 --> 00:00:06,319
champions

6
00:00:10,790 --> 00:00:08,559
incident that doesn't involve aliens at

7
00:00:14,150 --> 00:00:10,800
all it was completely silent

8
00:00:16,550 --> 00:00:14,160
it comes right over our heads he saw a

9
00:00:18,390 --> 00:00:16,560
classic flying saucer really standing in

10
00:00:19,830 --> 00:00:18,400
the cleary he turned over to my father

11
00:00:25,269 --> 00:00:19,840
and held his hand and he looked in his

that's been years of ufo sightings and

31
00:01:07,670 --> 00:01:05,439
all sorts of paranormal

32
00:01:09,590 --> 00:01:07,680
things happening in a triangle that's

33
00:01:13,350 --> 00:01:09,600
not really that far from where

34
00:01:16,149 --> 00:01:13,360
we are right now as a crow flies or

35
00:01:18,310 --> 00:01:16,159
ufo flies no i'm not going to go there

36
00:01:19,670 --> 00:01:18,320
and aaron is coming up right after the

37
00:01:21,749 --> 00:01:19,680
music break

38
00:01:23,510 --> 00:01:21,759

and uh one thing i want to say since

39

00:01:25,670 --> 00:01:23,520

i've gone live here on the dark

40

00:01:27,670 --> 00:01:25,680

matter radio network i've been getting

41

00:01:30,950 --> 00:01:27,680

all kinds of very kind emails from

42

00:01:31,830 --> 00:01:30,960

new listeners and i want to do a quick

43

00:01:34,950 --> 00:01:31,840

shout out

44

00:01:37,429 --> 00:01:34,960

to annette daniel joe jason

45

00:01:39,429 --> 00:01:37,439

and orion a thank you all thank you

47

00:01:43,429 --> 00:01:40,000

thank you for

48

00:01:45,590 --> 00:01:43,439

listening and come back our

49

00:01:46,950 --> 00:01:45,600

amateur astronomer andy fleming will be

50

00:01:51,030 --> 00:01:46,960

back next week

51
00:01:54,149 --> 00:01:51,040
he made way tonight for a special guest

52
00:01:58,149 --> 00:01:54,159
at a ufo journalist and playwright

53
00:02:01,109 --> 00:01:58,159
ryan sprague and he's live at the 2014

54
00:02:03,590 --> 00:02:01,119
international ufo congress in scottsdale

55
00:02:06,230 --> 00:02:03,600
arizona what's going on ryan

56
00:02:07,749 --> 00:02:06,240
hey martin so glad to be with you man um

57
00:02:10,710 --> 00:02:07,759
it has been a whirlwind

58
00:02:11,350 --> 00:02:10,720
my friend i uh i left new york city last

59
00:02:13,589 --> 00:02:11,360
night with

60
00:02:14,790 --> 00:02:13,599
15 degree weather and now i'm in arizona

61
00:02:18,229 --> 00:02:14,800
and it's

62
00:02:21,589 --> 00:02:18,239
maybe 85 so um i'm absolutely

63
00:02:23,350 --> 00:02:21,599

i know i know um

64

00:02:24,630 --> 00:02:23,360

so yeah we just wrapped up our first day

65

00:02:27,990 --> 00:02:24,640

here at the congress

66

00:02:30,869 --> 00:02:28,000

uh with a bunch of fantastic speakers

67

00:02:31,430 --> 00:02:30,879

we had an experienter session this

68

00:02:34,070 --> 00:02:31,440

morning

69

00:02:34,949 --> 00:02:34,080

which is uh closed off to the press but

70

00:02:37,110 --> 00:02:34,959

it's where

71

00:02:38,070 --> 00:02:37,120

anyone who's had abduction experiences

72

00:02:41,030 --> 00:02:38,080

or contact

73

00:02:42,390 --> 00:02:41,040

uh get together and uh get to tell their

74

00:02:44,869 --> 00:02:42,400

stories to one another and

75

00:02:45,990 --> 00:02:44,879

try to come to some sort of not

76

00:02:47,990 --> 00:02:46,000

conclusion but

77

00:02:49,830 --> 00:02:48,000

try to find some answers with each other

78

00:02:50,550 --> 00:02:49,840

so that was pretty interesting to say

79

00:02:52,150 --> 00:02:50,560

the least

80

00:02:54,550 --> 00:02:52,160

now that's on i saw on the schedule

81

00:02:55,990 --> 00:02:54,560

that's on every isn't it every morning

82

00:02:57,750 --> 00:02:56,000

every morning we've got a couple at

83

00:03:00,550 --> 00:02:57,760

night as well uh

84

00:03:01,030 --> 00:03:00,560

but yes it's every morning and these

85

00:03:02,869 --> 00:03:01,040

things

86

00:03:04,229 --> 00:03:02,879

they they get filled up so quickly

87

00:03:05,670 --> 00:03:04,239

there's only you know

88

00:03:07,509 --> 00:03:05,680

so many seats that you can get into

89

00:03:10,149 --> 00:03:07,519

these small rooms and

90

00:03:12,070 --> 00:03:10,159

uh they have yvonne smith and i believe

91

00:03:14,949 --> 00:03:12,080

leo sprinkle was here last year

92

00:03:15,910 --> 00:03:14,959

uh listening to these people's stories

93

00:03:18,869 --> 00:03:15,920

and uh

94

00:03:19,430 --> 00:03:18,879

like i said just really trying to get to

95

00:03:21,270 --> 00:03:19,440

uh

96

00:03:22,710 --> 00:03:21,280

some sort of semblance to what is

97

00:03:24,949 --> 00:03:22,720

happening to these people

98

00:03:27,670 --> 00:03:24,959

and uh it was very emotional to say the

99

00:03:31,350 --> 00:03:27,680

least i really got to see the human side

100

00:03:34,229 --> 00:03:31,360

of this very otherworldly phenomenon so

101
00:03:34,949 --> 00:03:34,239
now in 2 30 this afternoon were you able

102
00:03:40,710 --> 00:03:34,959
to

103
00:03:42,550 --> 00:03:40,720
because that's one thing you always hear

104
00:03:45,830 --> 00:03:42,560
about it was about

105
00:03:46,390 --> 00:03:45,840
owl's synchronicity in the ufo abductee

106
00:03:48,550 --> 00:03:46,400
and

107
00:03:50,229 --> 00:03:48,560
that there's always this weird thing you

108
00:03:52,070 --> 00:03:50,239
always hear about people think they see

109
00:03:54,550 --> 00:03:52,080
something and then it's an owl or back

110
00:03:56,309 --> 00:03:54,560
and forth it's kind of strange

111
00:03:58,789 --> 00:03:56,319
yes yeah maybe we can go into that

112
00:04:00,710 --> 00:03:58,799
another time but i wanted to tell you uh

113
00:04:01,990 --> 00:04:00,720

tomorrow is looking at the schedule you

114

00:04:05,190 --> 00:04:02,000

are going to be blown away

115

00:04:06,550 --> 00:04:05,200

by uh a speaker you have i believe it is

116

00:04:08,149 --> 00:04:06,560

tomorrow and i'm trying to pull it up

117

00:04:11,429 --> 00:04:08,159

here right now

118

00:04:12,869 --> 00:04:11,439

and that is uh bennett didn't i see

119

00:04:17,030 --> 00:04:12,879

bennett was out there

120

00:04:19,990 --> 00:04:17,040

let me see here this is kind of awkward

121

00:04:21,349 --> 00:04:20,000

i could have sworn i saw um bennett was

122

00:04:23,110 --> 00:04:21,359

coming up

123

00:04:25,110 --> 00:04:23,120

jeffrey bennett that's on friday pardon

124

00:04:27,670 --> 00:04:25,120

me yes friday there we go

125

00:04:29,350 --> 00:04:27,680

one to two that guy is is worth going to

126

00:04:30,550 --> 00:04:29,360

the conference alone just to see him

127

00:04:33,030 --> 00:04:30,560

he's amazing

128

00:04:34,870 --> 00:04:33,040

yeah we've got a few people uh let me

129

00:04:36,469 --> 00:04:34,880

see bennett's an astrophysicist yeah we

130

00:04:37,110 --> 00:04:36,479

have a few people in the scientific

131

00:04:39,270 --> 00:04:37,120

realm

132

00:04:40,550 --> 00:04:39,280

who really are sticking their necks out

133

00:04:42,310 --> 00:04:40,560

and um

134

00:04:45,030 --> 00:04:42,320

and coming forward and talking about

135

00:04:45,670 --> 00:04:45,040

this topic uh at a ufo conference you

136

00:04:48,230 --> 00:04:45,680

know

137

00:04:49,670 --> 00:04:48,240

um a lot of scientists see that as a

138

00:04:51,990 --> 00:04:49,680

dead end and

139

00:04:54,870 --> 00:04:52,000

uh the end of their career but these i

140

00:04:59,030 --> 00:04:54,880

really commend bennett and we have um

141

00:05:00,950 --> 00:04:59,040

in astrobiologist coming in as well um

142

00:05:02,469 --> 00:05:00,960

i really credit these men for having the

143

00:05:03,830 --> 00:05:02,479

courage to come forward and give their

144

00:05:07,189 --> 00:05:03,840

opinions on this topic

145

00:05:09,029 --> 00:05:07,199

and who better than the people who uh

146

00:05:10,629 --> 00:05:09,039

who could really give us some straight

147

00:05:12,710 --> 00:05:10,639

answers when it comes to the

148

00:05:13,670 --> 00:05:12,720

scientific aspect of the phenomenon

149

00:05:15,510 --> 00:05:13,680

right right

150

00:05:17,590 --> 00:05:15,520

yep so it's going to be a real fun week

151
00:05:17,909 --> 00:05:17,600
for you there can you talk quickly about

152
00:05:21,990 --> 00:05:17,919
your

153
00:05:23,670 --> 00:05:22,000
you just started a book recently i did i

154
00:05:25,350 --> 00:05:23,680
i've been writing articles for a really

155
00:05:27,350 --> 00:05:25,360
long time martin and uh

156
00:05:28,950 --> 00:05:27,360
i've i've been looking for a way to

157
00:05:31,110 --> 00:05:28,960
really you know funnel

158
00:05:32,070 --> 00:05:31,120
all of my personal insight into the

159
00:05:34,629 --> 00:05:32,080
phenomenon

160
00:05:35,990 --> 00:05:34,639
uh into one cohesive thing and you know

161
00:05:38,550 --> 00:05:36,000
what better than a book

162
00:05:39,110 --> 00:05:38,560
uh so i actually got in touch with uh

163
00:05:42,390 --> 00:05:39,120

our

164

00:05:43,350 --> 00:05:42,400

mutual good friend richard dolan uh shot

165

00:05:46,870 --> 00:05:43,360

in my ideas

166

00:05:49,670 --> 00:05:46,880

and he he was just completely

167

00:05:50,469 --> 00:05:49,680

100 behind it from the start he said you

168

00:05:53,189 --> 00:05:50,479

get this done

169

00:05:54,950 --> 00:05:53,199

and i will publish it in a heartbeat so

170

00:05:56,629 --> 00:05:54,960

i'm very excited that's a lot of

171

00:05:57,990 --> 00:05:56,639

pressure on my shoulders coming from

172

00:06:00,309 --> 00:05:58,000

someone like him

173

00:06:01,749 --> 00:06:00,319

but um i'm about three chapters in right

174

00:06:03,990 --> 00:06:01,759

now i'm gathering

175

00:06:06,150 --> 00:06:04,000

so much information just this first day

176

00:06:08,629 --> 00:06:06,160

here at the conference from people

177

00:06:10,950 --> 00:06:08,639

and uh yeah it's going to be a book

178

00:06:12,469 --> 00:06:10,960

really touching on the human aspect of

179

00:06:13,270 --> 00:06:12,479

the ufo phenomenon whether it's

180

00:06:16,230 --> 00:06:13,280

abductions

181

00:06:18,309 --> 00:06:16,240

sightings encounters really getting to

182

00:06:20,309 --> 00:06:18,319

the core of how it affects humans and

183

00:06:22,550 --> 00:06:20,319

what that might tell us about what

184

00:06:24,390 --> 00:06:22,560

what this phenomenon might be now make

185

00:06:26,469 --> 00:06:24,400

sure when you go to the q and a

186

00:06:27,670 --> 00:06:26,479

session with george nori and people are

187

00:06:29,830 --> 00:06:27,680

taking pictures everywhere that you're

188

00:06:31,830 --> 00:06:29,840

wearing the podcast ufo t-shirt

189

00:06:34,790 --> 00:06:31,840

of course i will make sure i get that up

190

00:06:53,390 --> 00:06:49,680

talking with aaron

199

00:06:54,550 --> 00:06:53,400

and sign in on our chat room on

200

00:06:56,309 --> 00:06:54,560

podcastufo.com

201

00:08:12,309 --> 00:06:56,319

it's right there on the sidebar and

202

00:08:15,909 --> 00:08:14,230

aaron welcome in studio thank you very

203

00:08:17,670 --> 00:08:15,919

much for having me yeah this is great to

204

00:08:18,950 --> 00:08:17,680

actually look at someone while i'm

205

00:08:21,110 --> 00:08:18,960

recording you said this is the first

206

00:08:21,990 --> 00:08:21,120

time right in studio guests that's right

207

00:08:24,550 --> 00:08:22,000

it's an honor

208

00:08:25,189 --> 00:08:24,560

yeah all right and you drove up like an

209

00:08:28,629 --> 00:08:25,199

hour and a half

210

00:08:31,589 --> 00:08:28,639

said and done yeah yeah and so

211

00:08:33,029 --> 00:08:31,599

let's uh um let's talk about the

212

00:08:35,110 --> 00:08:33,039

triangle

213

00:08:37,029 --> 00:08:35,120

and well first of all before we go there

214

00:08:38,389 --> 00:08:37,039

let's i want to know why you got

215

00:08:40,790 --> 00:08:38,399

involved in it and then

216

00:08:41,509 --> 00:08:40,800

how did this all develop into this movie

217

00:08:43,750 --> 00:08:41,519

the

218

00:08:45,590 --> 00:08:43,760

bridgewater triangle well i had done a

219

00:08:47,350 --> 00:08:45,600

short 30 minute documentary when i was

220

00:08:49,750 --> 00:08:47,360

in college called inside the bridgewater

221

00:08:52,790 --> 00:08:49,760

triangle back in about 2003

222

00:08:54,550 --> 00:08:52,800

as a student at fitchburg state and i

223

00:08:55,829 --> 00:08:54,560

had done that documentary because i was

224

00:08:57,750 --> 00:08:55,839

looking for

225

00:08:59,030 --> 00:08:57,760

something spooky to do a documentary on

226
00:09:01,030 --> 00:08:59,040
them you know halloween's my favorite

227
00:09:02,150 --> 00:09:01,040
holiday so i'm kind of gravitate to that

228
00:09:04,230 --> 00:09:02,160
subject matter

229
00:09:06,550 --> 00:09:04,240
i was researching spider gate cemetery

230
00:09:08,110 --> 00:09:06,560
in worcester and came across

231
00:09:09,910 --> 00:09:08,120
christopher pittman's website

232
00:09:10,790 --> 00:09:09,920
cellawalls.com and he had a large

233
00:09:12,310 --> 00:09:10,800
article about

234
00:09:14,310 --> 00:09:12,320
the bridgewater triangle i started

235
00:09:15,430 --> 00:09:14,320
reading more about it i grew up

236
00:09:16,870 --> 00:09:15,440
eight miles down the street from the

237
00:09:18,710 --> 00:09:16,880
freetown state forest and knew the

238
00:09:20,630 --> 00:09:18,720

reputation of that place

239

00:09:22,230 --> 00:09:20,640

and i learned that it was part of the

240

00:09:23,030 --> 00:09:22,240

overall context of this bridgewater

241

00:09:24,710 --> 00:09:23,040

triangle and i

242

00:09:26,150 --> 00:09:24,720

said wow that's really interesting topic

243

00:09:26,949 --> 00:09:26,160

and all those things are local they're

244

00:09:28,310 --> 00:09:26,959

accessible

245

00:09:31,269 --> 00:09:28,320

so let me do this film so i made the

246

00:09:32,949 --> 00:09:31,279

film back then i used copyrighted music

247

00:09:34,870 --> 00:09:32,959

and images it was just a college

248

00:09:36,230 --> 00:09:34,880

practice film essentially gave a copy to

249

00:09:37,269 --> 00:09:36,240

a friend who then gave it to a friend

250

00:09:38,550 --> 00:09:37,279

and then all of a sudden i was getting

251

00:09:40,389 --> 00:09:38,560

phone calls and emails on a regular

252

00:09:41,190 --> 00:09:40,399

basis from people asking for copies of

253

00:09:43,509 --> 00:09:41,200

the film

254

00:09:44,949 --> 00:09:43,519

and i couldn't give them away uh and

255

00:09:45,269 --> 00:09:44,959

just in the back of my mind i said if i

256

00:09:46,949 --> 00:09:45,279

ever

257

00:09:48,470 --> 00:09:46,959

am more well established in this

258

00:09:50,389 --> 00:09:48,480

business have more experience and

259

00:09:51,670 --> 00:09:50,399

running my own company maybe i'll

260

00:09:53,350 --> 00:09:51,680

re-approach doing

261

00:09:54,790 --> 00:09:53,360

a feature-length documentary on this

262

00:09:55,350 --> 00:09:54,800

subject that seems to be an interest in

263

00:09:57,910 --> 00:09:55,360

it

264

00:09:59,110 --> 00:09:57,920
and then fast forward 2010 i was laying

265

00:10:00,389 --> 00:09:59,120
the groundwork for doing

266

00:10:02,389 --> 00:10:00,399
another documentary in the bridgewater

267

00:10:04,710 --> 00:10:02,399
triangle a real feature-length dock

268

00:10:06,470 --> 00:10:04,720
came across manny familiare's uh

269

00:10:08,069 --> 00:10:06,480
information online found out that he was

270

00:10:09,590 --> 00:10:08,079
planning on doing a documentary we kind

271

00:10:13,030 --> 00:10:09,600
of joined forces and then

272

00:10:14,630 --> 00:10:13,040
finished it three years later and

273

00:10:16,389 --> 00:10:14,640
how so you said it took about three

274

00:10:18,150 --> 00:10:16,399
years to three years but that's with two

275

00:10:19,030 --> 00:10:18,160
guys who were doing that in their spare

276

00:10:20,310 --> 00:10:19,040

time you know i was

277

00:10:22,630 --> 00:10:20,320

working full time running my own

278

00:10:23,509 --> 00:10:22,640

business and my wife and i had just had

279

00:10:25,590 --> 00:10:23,519

a baby

280

00:10:27,350 --> 00:10:25,600

and so i worked on it when i could the

281

00:10:29,910 --> 00:10:27,360

actual edit of the movie started in

282

00:10:31,590 --> 00:10:29,920

january of 2013 we finished in october a

283

00:10:33,269 --> 00:10:31,600

couple weeks before the premiere

284

00:10:34,790 --> 00:10:33,279

now where did you gather all this

285

00:10:36,230 --> 00:10:34,800

information uh

286

00:10:37,910 --> 00:10:36,240

some of the information for this film

287

00:10:39,350 --> 00:10:37,920

was based on the script for the original

288

00:10:41,190 --> 00:10:39,360

film but the original film was only a

289

00:10:42,790 --> 00:10:41,200

third the length of this film

290

00:10:44,710 --> 00:10:42,800

so that's where manny really came into

291

00:10:46,310 --> 00:10:44,720

play he had been researching the

292

00:10:48,230 --> 00:10:46,320

bridgewater triangle for years

293

00:10:50,069 --> 00:10:48,240

had spent a lot of time in microfilm

294

00:10:51,509 --> 00:10:50,079

rooms pulling up old articles and had a

295

00:10:53,030 --> 00:10:51,519

lot of contacts in the area of different

296

00:10:54,470 --> 00:10:53,040

researchers

297

00:10:55,910 --> 00:10:54,480

and i had learned more more of the

298

00:10:56,630 --> 00:10:55,920

different researchers that are involved

299

00:10:59,670 --> 00:10:56,640

in

300

00:11:00,150 --> 00:10:59,680

were able to feature pretty much every

301
00:11:01,430 --> 00:11:00,160
major

302
00:11:04,470 --> 00:11:01,440
player when it comes to bridgewater

303
00:11:06,069 --> 00:11:04,480
triangle research in this one film

304
00:11:08,150 --> 00:11:06,079
now there's a museum that's actually in

305
00:11:09,590 --> 00:11:08,160
portland maine with some artifacts

306
00:11:11,750 --> 00:11:09,600
yeah the museum is run by

307
00:11:13,590 --> 00:11:11,760
internationally renowned cryptozoologist

308
00:11:15,030 --> 00:11:13,600
lauren coleman and he actually came up

309
00:11:16,710 --> 00:11:15,040
with the concept of the bridgewater

310
00:11:17,910 --> 00:11:16,720
triangle back in the late 70s

311
00:11:20,069 --> 00:11:17,920
he had moved from california to

312
00:11:20,470 --> 00:11:20,079
massachusetts put his a to the ground

313
00:11:22,150 --> 00:11:20,480

for

314

00:11:23,990 --> 00:11:22,160

strange happenings as he did everywhere

315

00:11:25,590 --> 00:11:24,000

that he lived and kept getting

316

00:11:27,030 --> 00:11:25,600

reports of odd occurrences down in

317

00:11:29,030 --> 00:11:27,040

southeastern mass and he kind of

318

00:11:30,310 --> 00:11:29,040

pinpointed the locations on the map and

319

00:11:31,670 --> 00:11:30,320

came up with this concept of the

320

00:11:33,829 --> 00:11:31,680

bridgewater triangle which

321

00:11:35,350 --> 00:11:33,839

was kind of a take on the bermuda

322

00:11:36,230 --> 00:11:35,360

triangle which was a hot topic at the

323

00:11:38,389 --> 00:11:36,240

time

324

00:11:40,389 --> 00:11:38,399

and 30 years later it's just sparked

325

00:11:41,350 --> 00:11:40,399

this phenomenon along the way and

326

00:11:42,870 --> 00:11:41,360

more and more people know about the

327

00:11:44,790 --> 00:11:42,880

bridgewater triangle more more people

328

00:11:46,550 --> 00:11:44,800

are researching the bridgewater triangle

329

00:11:48,230 --> 00:11:46,560

and a lot of reports have come out of

330

00:11:50,310 --> 00:11:48,240

the area and whether or not it's really

331

00:11:51,829 --> 00:11:50,320

a triangle is up for debate you know

332

00:11:53,110 --> 00:11:51,839

the borders are disputed amongst

333

00:11:55,190 --> 00:11:53,120

different researchers and whether it is

334

00:11:56,949 --> 00:11:55,200

a triangle or not but

335

00:11:58,949 --> 00:11:56,959

lauren has since moved to portland maine

336

00:12:00,069 --> 00:11:58,959

and has the international cryptozoology

337

00:12:02,150 --> 00:12:00,079

museum up there where he has

338

00:12:04,150 --> 00:12:02,160

artifacts and things related to

339

00:12:05,110 --> 00:12:04,160

cryptozoology and gets you know people

340

00:12:07,829 --> 00:12:05,120

to come

341

00:12:08,949 --> 00:12:07,839

to his museum year round oh i see lee is

342

00:12:10,870 --> 00:12:08,959

on the uh

343

00:12:12,389 --> 00:12:10,880

is on the chat in the chat room on the

344

00:12:12,710 --> 00:12:12,399

chat room in the are you on a chat room

345

00:12:14,870 --> 00:12:12,720

or

346

00:12:16,790 --> 00:12:14,880

in the chat remote exactly okay and he

347

00:12:17,590 --> 00:12:16,800

wants to know the the dimensions of the

348

00:12:19,430 --> 00:12:17,600

triangle and

349

00:12:20,790 --> 00:12:19,440

you know just go ahead and point out

350

00:12:22,629 --> 00:12:20,800

some landmark towns

351
00:12:24,310 --> 00:12:22,639
sure the northern apex of the triangle

352
00:12:25,269 --> 00:12:24,320
is a town of is the town of abington

353
00:12:27,590 --> 00:12:25,279
massachusetts

354
00:12:29,269 --> 00:12:27,600
the southeastern apex of the triangle is

355
00:12:30,870 --> 00:12:29,279
the town of freetown massachusetts and

356
00:12:32,550 --> 00:12:30,880
the southwestern apex is

357
00:12:34,710 --> 00:12:32,560
rehoboth massachusetts and then it

358
00:12:36,550 --> 00:12:34,720
encompasses all of the towns in between

359
00:12:38,470 --> 00:12:36,560
and in the end it's about a 200 square

360
00:12:41,670 --> 00:12:38,480
mile region 200 square mile

361
00:12:45,110 --> 00:12:41,680
uh-huh now um of course is the uf

362
00:12:47,509 --> 00:12:45,120
ufo show but we every once in a while we

363
00:12:48,629 --> 00:12:47,519

do talk that there seems to be all kinds

364

00:12:50,790 --> 00:12:48,639

of things happening

365

00:12:52,150 --> 00:12:50,800

where there's ufos cited you know there

366

00:12:54,790 --> 00:12:52,160

may be ufo sighting

367

00:12:55,269 --> 00:12:54,800

this topic has come up quite a bit i had

368

00:12:57,750 --> 00:12:55,279

nick

369

00:13:00,230 --> 00:12:57,760

redford on a little while ago and it

370

00:13:03,590 --> 00:13:00,240

came up that you know people see orbs

371

00:13:05,590 --> 00:13:03,600

they see uh bigfoot sightings sometimes

372

00:13:06,629 --> 00:13:05,600

the same place they're seeing a ufo

373

00:13:08,150 --> 00:13:06,639

phenomenon and

374

00:13:09,670 --> 00:13:08,160

you know it's kind of follows but

375

00:13:11,190 --> 00:13:09,680

there's a lot more that went on than

376

00:13:13,030 --> 00:13:11,200

this why don't you go into the different

377

00:13:14,629 --> 00:13:13,040

types of paranormal

378

00:13:15,829 --> 00:13:14,639

things that have happened well within

379

00:13:17,269 --> 00:13:15,839

the bridgewater triangle there are

380

00:13:19,030 --> 00:13:17,279

series of different locations that are

381

00:13:20,470 --> 00:13:19,040

known for different things and often

382

00:13:22,629 --> 00:13:20,480

seen as the heart of the bridgewater

383

00:13:24,230 --> 00:13:22,639

triangle is this a large wetland

384

00:13:25,990 --> 00:13:24,240

that is found in uh the towns of

385

00:13:28,550 --> 00:13:26,000

bridgewater west bridgewater

386

00:13:29,590 --> 00:13:28,560

norton easton raynham it kind of skirts

387

00:13:31,269 --> 00:13:29,600

into all those towns it's called the

388

00:13:33,430 --> 00:13:31,279

hawker mock swamp and it's the second

389

00:13:36,230 --> 00:13:33,440

largest wetland in new england

390

00:13:36,670 --> 00:13:36,240

and that location is known especially

391

00:13:38,710 --> 00:13:36,680

for

392

00:13:41,110 --> 00:13:38,720

cryptozoological sightings or you know

393

00:13:44,389 --> 00:13:41,120

bigfoot sightings thunderbird sightings

394

00:13:46,550 --> 00:13:44,399

uh and you know phantom dogs phantom

395

00:13:48,150 --> 00:13:46,560

pumas and cougars and all sorts of crazy

396

00:13:48,870 --> 00:13:48,160

things like that giant snakes giant

397

00:13:50,310 --> 00:13:48,880

turtles

398

00:13:52,710 --> 00:13:50,320

you name it it's been seen in the

399

00:13:54,310 --> 00:13:52,720

hawkenbox swamp but then along with that

400

00:13:55,750 --> 00:13:54,320

you have a lot of ufo sightings in that

401
00:13:57,750 --> 00:13:55,760
region as well

402
00:13:58,870 --> 00:13:57,760
especially around an area that's

403
00:14:01,269 --> 00:13:58,880
surrounded by the swamp called the

404
00:14:02,629 --> 00:14:01,279
raynham taunton dog track which is now

405
00:14:04,230 --> 00:14:02,639
they don't actually do dog racing in

406
00:14:05,269 --> 00:14:04,240
massachusetts anymore but the track is

407
00:14:07,110 --> 00:14:05,279
still there

408
00:14:08,470 --> 00:14:07,120
and there's a lot of strange occurrences

409
00:14:09,350 --> 00:14:08,480
that happen in the skies above that

410
00:14:12,629 --> 00:14:09,360
region

411
00:14:14,629 --> 00:14:12,639
and um so you have the hawkmock swamp

412
00:14:16,150 --> 00:14:14,639
the second most well-known location in

413
00:14:17,829 --> 00:14:16,160

the bridgewater triangles in the south

414

00:14:19,269 --> 00:14:17,839

eastern apex in the town of freetown

415

00:14:20,790 --> 00:14:19,279

there's a large state preserve there

416

00:14:21,670 --> 00:14:20,800

called the freetown fall of a state

417

00:14:23,189 --> 00:14:21,680

forest

418

00:14:25,030 --> 00:14:23,199

now when you get down into that region

419

00:14:25,750 --> 00:14:25,040

you have some paranormal reports in that

420

00:14:28,790 --> 00:14:25,760

area

421

00:14:30,550 --> 00:14:28,800

of a lot of native american related

422

00:14:31,829 --> 00:14:30,560

occurrences or related to native

423

00:14:34,629 --> 00:14:31,839

american legend

424

00:14:35,430 --> 00:14:34,639

uh there's alleged sightings of these

425

00:14:37,910 --> 00:14:35,440

four foot tall

426

00:14:39,670 --> 00:14:37,920

troll-like creatures called pukwudgies

427

00:14:40,870 --> 00:14:39,680

that are reported down in the freetown

428

00:14:43,110 --> 00:14:40,880

state forest region

429

00:14:44,069 --> 00:14:43,120

and also in this freetown state forest

430

00:14:46,069 --> 00:14:44,079

the area has a

431

00:14:47,430 --> 00:14:46,079

a history of an elevated level of

432

00:14:49,590 --> 00:14:47,440

criminal activity

433

00:14:51,269 --> 00:14:49,600

uh freetown's a sleepy town of about 9

434

00:14:52,550 --> 00:14:51,279

000 people but when you get into

435

00:14:54,310 --> 00:14:52,560

some of the things that have happened in

436

00:14:55,750 --> 00:14:54,320

the freetown state forest it's just way

437

00:14:58,949 --> 00:14:55,760

off the scale for

438

00:15:02,069 --> 00:14:58,959

a region of that that population

439

00:15:04,069 --> 00:15:02,079

and a lot of researchers theorized that

440

00:15:04,790 --> 00:15:04,079

the negative energy of the bridgewater

441

00:15:07,110 --> 00:15:04,800

triangle

442

00:15:08,550 --> 00:15:07,120

is what draws this criminal element into

443

00:15:10,629 --> 00:15:08,560

the freetown state forest in the

444

00:15:13,350 --> 00:15:10,639

southeastern portion of the triangle

445

00:15:15,910 --> 00:15:13,360

yes i i spoke to someone i shared in

446

00:15:17,670 --> 00:15:15,920

this office with actually

447

00:15:19,189 --> 00:15:17,680

about you know the bridgewater triangle

448

00:15:21,350 --> 00:15:19,199

i mentioned to him and he goes oh

449

00:15:22,710 --> 00:15:21,360

like he he he knew about it he said

450

00:15:23,269 --> 00:15:22,720

there's a lot of things going on i said

451
00:15:26,310 --> 00:15:23,279
like what

452
00:15:28,550 --> 00:15:26,320
he goes uh murders and you know

453
00:15:29,430 --> 00:15:28,560
all kinds of uh abductions not the alien

454
00:15:30,790 --> 00:15:29,440
kind but

455
00:15:32,710 --> 00:15:30,800
you know kind of strange things

456
00:15:33,509 --> 00:15:32,720
happening there yeah and and like i said

457
00:15:35,110 --> 00:15:33,519
it's kind of

458
00:15:36,949 --> 00:15:35,120
by region and then in the southwestern

459
00:15:38,069 --> 00:15:36,959
apex you have the town of rehoboth which

460
00:15:40,870 --> 00:15:38,079
is known for

461
00:15:42,069 --> 00:15:40,880
a laundry list of ghost sightings that

462
00:15:43,910 --> 00:15:42,079
have occurred through the years it's a

463
00:15:45,189 --> 00:15:43,920

very old colonial town one of the first

464

00:15:46,150 --> 00:15:45,199

settlements in the history of the united

465

00:15:48,230 --> 00:15:46,160

states

466

00:15:49,990 --> 00:15:48,240

and it has a very uh higher than average

467

00:15:50,790 --> 00:15:50,000

number of cemeteries within the borders

468

00:15:52,230 --> 00:15:50,800

of this town

469

00:15:54,150 --> 00:15:52,240

and it's just a laundry like i said a

470

00:15:55,189 --> 00:15:54,160

laundry list of various ghost sightings

471

00:15:58,230 --> 00:15:55,199

in rehoboth

472

00:15:59,509 --> 00:15:58,240

now the ufo sighting that the the sports

473

00:16:01,829 --> 00:15:59,519

casters

474

00:16:03,350 --> 00:16:01,839

yes can we talk about that because that

475

00:16:05,189 --> 00:16:03,360

that was an amazing that's a

476

00:16:07,110 --> 00:16:05,199

great ufo sight yeah that's probably the

477

00:16:08,870 --> 00:16:07,120

most famous ufo story to come out at the

478

00:16:10,230 --> 00:16:08,880

bridgewater triangle in the 30 years

479

00:16:12,230 --> 00:16:10,240

since lauren coleman we want to save

480

00:16:17,030 --> 00:16:12,240

that for the end of the show

481

00:16:19,430 --> 00:16:17,040

it's up to you it happened in 1979 the

482

00:16:21,509 --> 00:16:19,440

spring of 1979 which was a

483

00:16:22,470 --> 00:16:21,519

hot time for ufo sightings in that

484

00:16:25,350 --> 00:16:22,480

region

485

00:16:26,949 --> 00:16:25,360

uh two whdh news reporters named jerry

486

00:16:28,870 --> 00:16:26,959

lopes and steve spraja

487

00:16:30,550 --> 00:16:28,880

were heading to the raynham dog track

488

00:16:33,590 --> 00:16:30,560

after work for some drinks

489

00:16:35,749 --> 00:16:33,600

they got off of route 24 on the 106 exit

490

00:16:37,430 --> 00:16:35,759

and as they were coming off the exit

491

00:16:39,430 --> 00:16:37,440

steve spraja noticed a

492

00:16:41,269 --> 00:16:39,440

large strange light approaching them

493

00:16:42,949 --> 00:16:41,279

from just over the tree line

494

00:16:44,389 --> 00:16:42,959

and it started to get closer and closer

495

00:16:45,509 --> 00:16:44,399

so they actually pulled the car over to

496

00:16:47,749 --> 00:16:45,519

the side of the road

497

00:16:48,829 --> 00:16:47,759

and both of them claimed that this large

498

00:16:52,470 --> 00:16:48,839

home plate

499

00:16:54,230 --> 00:16:52,480

shaped object flew just above the trees

500

00:16:55,749 --> 00:16:54,240

at a very slow pace

501
00:16:57,910 --> 00:16:55,759
steve spraja said it looked like it was

502
00:17:00,710 --> 00:16:57,920
about the size of seven a five seven

503
00:17:02,870 --> 00:17:00,720
forty seven stacked wing to wing across

504
00:17:03,749 --> 00:17:02,880
and it just slowly just passed right

505
00:17:05,590 --> 00:17:03,759
overhead

506
00:17:07,189 --> 00:17:05,600
and then just all of a sudden just took

507
00:17:09,110 --> 00:17:07,199
off and disappeared

508
00:17:10,870 --> 00:17:09,120
and it was like i said the shape of a

509
00:17:13,189 --> 00:17:10,880
baseball diamond home plate

510
00:17:13,990 --> 00:17:13,199
and for those of you in different

511
00:17:15,909 --> 00:17:14,000
countries that

512
00:17:17,350 --> 00:17:15,919
don't know what baseball is or play

513
00:17:20,390 --> 00:17:17,360

baseball i should say

514

00:17:23,429 --> 00:17:20,400

um it's like a sort of a triangle that's

515

00:17:24,949 --> 00:17:23,439

uh rectangular boxed or something

516

00:17:26,710 --> 00:17:24,959

it's it's like a yeah it's like a

517

00:17:28,230 --> 00:17:26,720

rectangle with one of the sides having a

518

00:17:29,430 --> 00:17:28,240

triangle sprouting off of it i guess

519

00:17:32,390 --> 00:17:29,440

that's the best way you could

520

00:17:33,909 --> 00:17:32,400

yeah um there's probably some geometric

521

00:17:34,950 --> 00:17:33,919

form i just can't think of it right now

522

00:17:36,549 --> 00:17:34,960

but anyway

523

00:17:38,310 --> 00:17:36,559

and very large and there were other

524

00:17:40,230 --> 00:17:38,320

people that actually saw it and they

525

00:17:40,789 --> 00:17:40,240

drew exactly the same thing from miles

526

00:17:43,909 --> 00:17:40,799

away

527

00:17:45,669 --> 00:17:43,919

yeah the the not in not even that

528

00:17:47,510 --> 00:17:45,679

particular instance there was a lot of

529

00:17:50,310 --> 00:17:47,520

reports of that same object coming out

530

00:17:52,230 --> 00:17:50,320

of the region in the spring of 1979

531

00:17:53,590 --> 00:17:52,240

so the brockton enterprise started

532

00:17:54,789 --> 00:17:53,600

collecting all these stories from all

533

00:17:56,070 --> 00:17:54,799

these various eyewitnesses from

534

00:17:57,430 --> 00:17:56,080

different towns in the area that were

535

00:17:59,430 --> 00:17:57,440

seeing the same thing

536

00:18:01,830 --> 00:17:59,440

and their sketch artists came up with a

537

00:18:04,150 --> 00:18:01,840

drawing that looked exactly like what

538

00:18:05,029 --> 00:18:04,160

steve spraja and jerry lopes saw and

539

00:18:06,470 --> 00:18:05,039

they actually

540

00:18:07,830 --> 00:18:06,480

featured the drawing in the newspaper

541

00:18:08,470 --> 00:18:07,840

article which is actually shown in the

542

00:18:10,310 --> 00:18:08,480

film

543

00:18:12,150 --> 00:18:10,320

and steve sprague says this is exactly

544

00:18:13,669 --> 00:18:12,160

what i saw and actually steve sprezza

545

00:18:14,070 --> 00:18:13,679

has a little wooden model that he put

546

00:18:17,270 --> 00:18:14,080

together

547

00:18:19,669 --> 00:18:17,280

to represent what he saw wow yeah and

548

00:18:20,710 --> 00:18:19,679

the person sort of corroborated also

549

00:18:23,350 --> 00:18:20,720

that it was

550

00:18:24,789 --> 00:18:23,360

huge like several what did they say two

551
00:18:26,710 --> 00:18:24,799
or three football fields

552
00:18:28,549 --> 00:18:26,720
yeah the second gentleman named ron

553
00:18:30,630 --> 00:18:28,559
baker had a site in the same craft in

554
00:18:32,070 --> 00:18:30,640
easton and he said it was about the size

555
00:18:33,590 --> 00:18:32,080
of two or three football fields put

556
00:18:35,750 --> 00:18:33,600
together but same description

557
00:18:36,710 --> 00:18:35,760
you know yeah so if this could be

558
00:18:38,710 --> 00:18:36,720
military

559
00:18:40,150 --> 00:18:38,720
i find it very hard to believe i did

560
00:18:41,430 --> 00:18:40,160
hear that

561
00:18:42,950 --> 00:18:41,440
one of the people said that they did

562
00:18:44,630 --> 00:18:42,960
hear like a humming noise as it was

563
00:18:45,909 --> 00:18:44,640

moving along that was ron baker yeah he

564

00:18:46,549 --> 00:18:45,919

claimed that he could hear some sort of

565

00:18:49,750 --> 00:18:46,559

an engine

566

00:18:53,029 --> 00:18:49,760

driving the craft uh what you know i

567

00:18:54,710 --> 00:18:53,039

i am not a paranormal researcher

568

00:18:56,070 --> 00:18:54,720

or even really a paranormal enthusiast

569

00:18:59,029 --> 00:18:56,080

i'm a filmmaker who

570

00:19:01,270 --> 00:18:59,039

found an interesting topic and i

571

00:19:02,870 --> 00:19:01,280

approached it from a very skeptical

572

00:19:05,110 --> 00:19:02,880

point of view i walked into this project

573

00:19:06,549 --> 00:19:05,120

probably 99 skeptic and i walked away

574

00:19:09,110 --> 00:19:06,559

from it still a 96

575

00:19:10,710 --> 00:19:09,120

skeptic but the sightings of this craft

576

00:19:12,310 --> 00:19:10,720

in this region was one of the stories

577

00:19:13,510 --> 00:19:12,320

that really made me kind of take a step

578

00:19:15,110 --> 00:19:13,520

back and say wow maybe there is

579

00:19:15,830 --> 00:19:15,120

something strange going on down in that

580

00:19:17,750 --> 00:19:15,840

region

581

00:19:19,909 --> 00:19:17,760

but what struck me is odd about the

582

00:19:20,950 --> 00:19:19,919

descriptions of this craft was how slow

583

00:19:23,590 --> 00:19:20,960

it was flying

584

00:19:25,110 --> 00:19:23,600

right you know for for a a craft that

585

00:19:27,669 --> 00:19:25,120

gets its lift from air

586

00:19:29,190 --> 00:19:27,679

from traveling air would be imagined it

587

00:19:31,190 --> 00:19:29,200

would be hard to imagine a craft

588

00:19:33,990 --> 00:19:31,200

traveling that slowly and still being

589

00:19:36,630 --> 00:19:34,000

able to to stay afloat you know

590

00:19:38,310 --> 00:19:36,640

now as a skeptic what makes you have the

591

00:19:40,950 --> 00:19:38,320

drive to to

592

00:19:41,750 --> 00:19:40,960

research as much as you do in this i

593

00:19:45,270 --> 00:19:41,760

i've

594

00:19:47,830 --> 00:19:45,280

spooky dark

595

00:19:49,510 --> 00:19:47,840

morbid topics i'm not necessarily a

596

00:19:50,470 --> 00:19:49,520

believer but i think it's it's fun and

597

00:19:53,190 --> 00:19:50,480

interesting

598

00:19:54,310 --> 00:19:53,200

and like i said it was a local subject

599

00:19:56,150 --> 00:19:54,320

it was accessible

600

00:19:57,590 --> 00:19:56,160

and i just found the topic interesting

601
00:19:58,870 --> 00:19:57,600
even if you don't necessarily believe

602
00:20:00,549 --> 00:19:58,880
all the stories

603
00:20:02,470 --> 00:20:00,559
it's interesting to dig a little deeper

604
00:20:04,390 --> 00:20:02,480
to figure out what's driving this then

605
00:20:05,830 --> 00:20:04,400
and why is this such a phenomenon in the

606
00:20:07,350 --> 00:20:05,840
area is it something about the human

607
00:20:08,470 --> 00:20:07,360
psyche or is it you know it

608
00:20:11,029 --> 00:20:08,480
you can go into so many different

609
00:20:11,750 --> 00:20:11,039
directions with it and i just was drawn

610
00:20:14,230 --> 00:20:11,760
to it and

611
00:20:16,549 --> 00:20:14,240
and that's why we put well that's why i

612
00:20:18,710 --> 00:20:16,559
was a part of this project

613
00:20:20,630 --> 00:20:18,720

now if you want to ask any questions you

614

00:20:21,990 --> 00:20:20,640

can oh i see someone just joined us hey

615

00:20:23,590 --> 00:20:22,000

bobby

616

00:20:26,310 --> 00:20:23,600

you can join us in the chat room and

617

00:20:28,549 --> 00:20:26,320

623

00:20:47,110 --> 00:20:44,640

you'd like to

624

and the skype name is marty willis

625

00:20:55,350 --> 00:20:52,000

that's m-a-r-t-w-i-l-l-i-s

626

00:20:57,990 --> 00:20:55,360

so let's talk about the ancient past

627

00:21:00,230 --> 00:20:58,000

as far back as is known in the area if

628

00:21:02,789 --> 00:21:00,240

there was anything going on

629

00:21:03,750 --> 00:21:02,799

well the earliest reported sighting of a

630

00:21:05,110 --> 00:21:03,760

ufo

631

00:21:06,710 --> 00:21:05,120

in the bridgewater trunk which was

632

00:21:09,270 --> 00:21:06,720

probably the first reported art

633

00:21:11,110 --> 00:21:09,280

occurrence in that region was in 1760

634

00:21:12,870 --> 00:21:11,120

uh the colonials claimed that there was

635

00:21:14,470 --> 00:21:12,880

a sphere of fire in the sky

636

00:21:15,990 --> 00:21:14,480

almost matched the description of like a

637

00:21:17,510 --> 00:21:16,000

meteor or like uh you a

638

00:21:19,510 --> 00:21:17,520

comet or something like that wait a

639

00:21:22,950 --> 00:21:19,520

minute that's that's before roswell

640

00:21:23,190 --> 00:21:22,960

oh long before roswell but this was 1760

641

00:21:24,630 --> 00:21:23,200

and

642

00:21:26,470 --> 00:21:24,640

the only reason we didn't talk about it

643

00:21:28,310 --> 00:21:26,480

in the film was we couldn't find the

644

00:21:29,190 --> 00:21:28,320

exact source you you hear all these

645

00:21:31,510 --> 00:21:29,200

people

646

00:21:33,029 --> 00:21:31,520

citing that event but to actually find

647

00:21:35,510 --> 00:21:33,039

the source of it

648

00:21:36,710 --> 00:21:35,520

was impossible to track down so we

649

00:21:37,590 --> 00:21:36,720

didn't have enough information to really

650

00:21:39,909 --> 00:21:37,600

delve into that

651
00:21:41,270 --> 00:21:39,919
ufo sighting so the next oldest one was

652
00:21:47,669 --> 00:21:41,280
in

653
00:21:50,470 --> 00:21:47,679
bridgewater

654
00:21:52,870 --> 00:21:50,480
and saw a mysterious lantern in the sky

655
00:21:54,870 --> 00:21:52,880
that was moving in ways uncommon to any

656
00:21:56,230 --> 00:21:54,880
craft that was known at the time like a

657
00:21:57,270 --> 00:21:56,240
you know hot air balloon or anything

658
00:21:59,669 --> 00:21:57,280
like that

659
00:22:00,710 --> 00:21:59,679
um and that's probably the next oldest

660
00:22:02,470 --> 00:22:00,720
ufo sighting

661
00:22:03,990 --> 00:22:02,480
that uh gathered any kind of weight in

662
00:22:05,830 --> 00:22:04,000
the in the bridgewater triangle

663
00:22:08,549 --> 00:22:05,840

but were there like you mentioned native

664

00:22:10,630 --> 00:22:08,559

american yeah that well

665

00:22:11,830 --> 00:22:10,640

the region has a long just like any

666

00:22:13,990 --> 00:22:11,840

other region the united states has a

667

00:22:14,630 --> 00:22:14,000

long history of the indigenous peoples

668

00:22:17,110 --> 00:22:14,640

before the

669

00:22:18,789 --> 00:22:17,120

the colonials arrived and the

670

00:22:19,110 --> 00:22:18,799

bridgewater triangle is no exception to

671

00:22:20,470 --> 00:22:19,120

that

672

00:22:22,390 --> 00:22:20,480

and you know there were tribes living in

673

00:22:23,909 --> 00:22:22,400

the area at the time that the settlers

674

00:22:25,590 --> 00:22:23,919

arrived it was the wampanoag the

675

00:22:26,630 --> 00:22:25,600

narragansett the massachusetts the

676

00:22:29,029 --> 00:22:26,640

nipmuck

677

00:22:30,789 --> 00:22:29,039

and there are a lot of native american

678

00:22:32,870 --> 00:22:30,799

legends in the in the area and a lot of

679

00:22:34,710 --> 00:22:32,880

native american lore attached to regions

680

00:22:36,950 --> 00:22:34,720

like the hakamak swamp

681

00:22:38,630 --> 00:22:36,960

and they they saw it as a sacred place

682

00:22:40,149 --> 00:22:38,640

not necessarily a place to fear they

683

00:22:42,390 --> 00:22:40,159

used it for hunting they used it for

684

00:22:45,350 --> 00:22:42,400

trapping they used it for fishing

685

00:22:47,430 --> 00:22:45,360

and when the settlers arrived in in

686

00:22:49,990 --> 00:22:47,440

plymouth

687

00:22:51,270 --> 00:22:50,000

the relations were were uneasy and by

688

00:22:54,870 --> 00:22:51,280

the time

689

00:22:57,270 --> 00:22:54,880

had passed away and eventually his son

690

00:22:58,070 --> 00:22:57,280

met a comet uh became satan of the

691

00:23:00,070 --> 00:22:58,080

wampanoag

692

00:23:02,070 --> 00:23:00,080

and by the time he became sachin this

693

00:23:03,990 --> 00:23:02,080

the relationship between the wampanoag

694

00:23:05,750 --> 00:23:04,000

and the native american population and

695

00:23:09,029 --> 00:23:05,760

the settlers was very strained

696

00:23:11,669 --> 00:23:09,039

and actually a war broke out in 1675

697

00:23:13,669 --> 00:23:11,679

the bloodiest war in american history on

698

00:23:15,270 --> 00:23:13,679

a per capita basis was king philip's war

699

00:23:16,950 --> 00:23:15,280

which was this this war that took place

700

00:23:17,510 --> 00:23:16,960

king philip was the english name given

701
00:23:20,630 --> 00:23:17,520
to

702
00:23:22,310 --> 00:23:20,640
uh the wampanoag chief metacomet and a

703
00:23:24,789 --> 00:23:22,320
lot of the major uh

704
00:23:26,149 --> 00:23:24,799
battles took place within the confines

705
00:23:28,310 --> 00:23:26,159
of the bridgewater toronto now the war

706
00:23:30,310 --> 00:23:28,320
spread out to massachusetts bay colony

707
00:23:31,270 --> 00:23:30,320
rhode island colony and plymouth colony

708
00:23:34,549 --> 00:23:31,280
so

709
00:23:37,110 --> 00:23:34,559
massachusetts

710
00:23:38,630 --> 00:23:37,120
in rhode island uh in that area that was

711
00:23:40,310 --> 00:23:38,640
disputed at the time like bristol rhode

712
00:23:41,750 --> 00:23:40,320
island swansea massachusetts here that's

713
00:23:43,190 --> 00:23:41,760

where the war started a lot of the major

714

00:23:44,549 --> 00:23:43,200

engagements took place in the towns in

715

00:23:47,909 --> 00:23:44,559

the bridgewater triangle

716

00:23:50,390 --> 00:23:47,919

and a lot of researchers and enthusiasts

717

00:23:51,830 --> 00:23:50,400

cite that event as the event that

718

00:23:53,430 --> 00:23:51,840

sparked the negative energy of the

719

00:23:55,029 --> 00:23:53,440

bridgewater triangle and some people

720

00:23:57,029 --> 00:23:55,039

cite that as the reason that there's an

721

00:23:58,549 --> 00:23:57,039

elevated level of high strangeness in

722

00:24:00,549 --> 00:23:58,559

the area

723

00:24:01,590 --> 00:24:00,559

but we present it as a theory in the

724

00:24:03,269 --> 00:24:01,600

film but we don't

725

00:24:04,549 --> 00:24:03,279

necessarily try to ram anything down

726

00:24:05,830 --> 00:24:04,559

anybody's throat in the film it's kind

727

00:24:07,510 --> 00:24:05,840

of just here's the theory that people

728

00:24:09,350 --> 00:24:07,520

present this is the information you make

729

00:24:11,990 --> 00:24:09,360

your own determination about it

730

00:24:14,070 --> 00:24:12,000

but there are also a lot of stories of a

731

00:24:15,350 --> 00:24:14,080

native american nature that come out of

732

00:24:16,950 --> 00:24:15,360

the bridgewater triangle there's a lot

733

00:24:18,390 --> 00:24:16,960

of locations associated with native

734

00:24:21,510 --> 00:24:18,400

american history

735

00:24:22,789 --> 00:24:21,520

as well um let's see a person's asked a

736

00:24:25,909 --> 00:24:22,799

couple of times here

737

00:24:26,789 --> 00:24:25,919

about uh quabbin do you know what that

738

00:24:28,710 --> 00:24:26,799

means

739

00:24:30,710 --> 00:24:28,720

quabbin the reservoir out in western

740

00:24:32,870 --> 00:24:30,720

massachusetts the only uh

741

00:24:33,990 --> 00:24:32,880

quabbin that i that i know that was an

742

00:24:37,029 --> 00:24:34,000

eric

743

00:24:40,230 --> 00:24:37,039

um okay he was also asking about

744

00:24:41,590 --> 00:24:40,240

uh bigfoot sightings yeah there's been

745

00:24:43,669 --> 00:24:41,600

an abundance of bigfoot sightings

746

00:24:46,710 --> 00:24:43,679

especially in the hakamak swamp region

747

00:24:48,470 --> 00:24:46,720

of the bridgewater triangle uh in 1970 a

748

00:24:50,710 --> 00:24:48,480

gentleman named joseph d'andrea

749

00:24:52,310 --> 00:24:50,720

claimed to have seen a bigfoot at a

750

00:24:53,750 --> 00:24:52,320

small pond in bridgewater called the

751
00:24:56,870 --> 00:24:53,760
claybanks

752
00:24:59,110 --> 00:24:56,880
and he saw this alleged bigfoot creature

753
00:25:00,950 --> 00:24:59,120
across a pond in wintertime now i've

754
00:25:02,149 --> 00:25:00,960
been to the location myself we've

755
00:25:04,630 --> 00:25:02,159
interviewed we interviewed

756
00:25:06,390 --> 00:25:04,640
joseph d'andrea extensively for the film

757
00:25:08,789 --> 00:25:06,400
and it comes with the question

758
00:25:10,549 --> 00:25:08,799
how sure he could have been about what

759
00:25:11,990 --> 00:25:10,559
he saw at the distance that he saw it

760
00:25:14,870 --> 00:25:12,000
from but he

761
00:25:16,470 --> 00:25:14,880
swears that he saw a sasquatch creature

762
00:25:19,190 --> 00:25:16,480
at the clay banks pond

763
00:25:21,269 --> 00:25:19,200

and he has only seen it once he and he's

764

00:25:21,990 --> 00:25:21,279

basically devoted his life to finding it

765

00:25:23,750 --> 00:25:22,000

again

766

00:25:25,110 --> 00:25:23,760

and he's had multiple organizations

767

00:25:26,950 --> 00:25:25,120

through the years that he was launching

768

00:25:28,470 --> 00:25:26,960

expeditions into the hakamak swamp in

769

00:25:30,070 --> 00:25:28,480

the surrounding area to try to find this

770

00:25:31,269 --> 00:25:30,080

bigfoot creature

771

00:25:34,149 --> 00:25:31,279

uh and there's there was another

772

00:25:35,830 --> 00:25:34,159

sighting in the early 1980s a gentleman

773

00:25:37,350 --> 00:25:35,840

gentleman named john baker who was a

774

00:25:39,669 --> 00:25:37,360

trapper on the swamp

775

00:25:41,269 --> 00:25:39,679

had an encounter with what he described

776

00:25:42,950 --> 00:25:41,279

as a bigfoot creature while

777

00:25:44,470 --> 00:25:42,960

fur trapping in the hakamak swamp on his

778

00:25:46,310 --> 00:25:44,480

canoe and uh

779

00:25:47,669 --> 00:25:46,320

he had been trapping in the swamp for

780

00:25:49,510 --> 00:25:47,679

years and years and years and had never

781

00:25:50,789 --> 00:25:49,520

seen anything strange until he had this

782

00:25:51,750 --> 00:25:50,799

encounter with this alleged creature

783

00:25:52,950 --> 00:25:51,760

that night

784

00:25:55,669 --> 00:25:52,960

that doesn't sound very safe in the

785

00:25:58,870 --> 00:25:55,679

canoes babies

786

00:26:00,789 --> 00:25:58,880

and going back to the um i want to go

787

00:26:02,950 --> 00:26:00,799

back to the early ufo sighting

788

00:26:04,789 --> 00:26:02,960

i know you said you couldn't find

789

00:26:05,350 --> 00:26:04,799

anything to substantiate that but where

790

00:26:08,470 --> 00:26:05,360

did you

791

00:26:09,909 --> 00:26:08,480

hear that i can't remember right now i

792

00:26:11,029 --> 00:26:09,919

can't remember off the top of my head if

793

00:26:13,029 --> 00:26:11,039

you read

794

00:26:14,470 --> 00:26:13,039

a lot of the the books that have been

795

00:26:15,110 --> 00:26:14,480

published about the bridgewater triangle

796

00:26:17,830 --> 00:26:15,120

area

797

00:26:18,310 --> 00:26:17,840

mentioned that sighting and like i said

798

00:26:20,230 --> 00:26:18,320

i i

799

00:26:22,390 --> 00:26:20,240

don't know where the the actual source

800

00:26:22,950 --> 00:26:22,400

is for that well you know it was kind of

801
00:26:25,029 --> 00:26:22,960
like

802
00:26:27,830 --> 00:26:25,039
there was a saying about alexander the

803
00:26:30,070 --> 00:26:27,840
great seeing this big ufo sighting and

804
00:26:31,510 --> 00:26:30,080
and it was all spawned from a book that

805
00:26:34,950 --> 00:26:31,520
someone just created so

806
00:26:37,110 --> 00:26:34,960
this is where myth can turn into reality

807
00:26:38,390 --> 00:26:37,120
um a lot of times when someone will you

808
00:26:40,549 --> 00:26:38,400
know the folklore

809
00:26:41,430 --> 00:26:40,559
that can actually turn into beliefs

810
00:26:42,789 --> 00:26:41,440
absolutely

811
00:26:44,789 --> 00:26:42,799
we try to stay away from that a little

812
00:26:47,830 --> 00:26:44,799
bit here on the show anyway

813
00:26:50,830 --> 00:26:47,840

so um let's talk about other

814

00:26:52,070 --> 00:26:50,840

sightings besides the one and ran was it

815

00:26:53,750 --> 00:26:52,080

randolph uh

816

00:26:55,510 --> 00:26:53,760

that setting actually the the home plate

817

00:26:57,669 --> 00:26:55,520

[h__\h] that was actually in in

818

00:26:59,430 --> 00:26:57,679

raynham okay but there was a one in

819

00:27:02,549 --> 00:26:59,440

randolph that was noted as well

820

00:27:03,750 --> 00:27:02,559

yeah uh that was just sightings of the

821

00:27:05,430 --> 00:27:03,760

similar craft those

822

00:27:07,510 --> 00:27:05,440

uh sightings in randolph and in

823

00:27:09,430 --> 00:27:07,520

stoughton i don't know the details of

824

00:27:11,990 --> 00:27:09,440

those sightings or who reported them

825

00:27:13,350 --> 00:27:12,000

uh but it was a those towns are just

826

00:27:15,190 --> 00:27:13,360

north of the bridgewater triangle

827

00:27:16,630 --> 00:27:15,200

northwest of the bridgewater triangle

828

00:27:18,310 --> 00:27:16,640

and there were similar reports coming

829

00:27:20,470 --> 00:27:18,320

out of those towns in

830

00:27:21,669 --> 00:27:20,480

in the spring of 1979. would you say

831

00:27:22,549 --> 00:27:21,679

there was any type of what you would

832

00:27:24,710 --> 00:27:22,559

call a flap

833

00:27:26,070 --> 00:27:24,720

like several ufo sightings in the

834

00:27:28,630 --> 00:27:26,080

general area yes yeah

835

00:27:30,389 --> 00:27:28,640

several ufo sightings of the same craft

836

00:27:31,029 --> 00:27:30,399

of the same craft over and over yeah

837

00:27:33,269 --> 00:27:31,039

that that

838

00:27:35,669 --> 00:27:33,279

home plate shaped on objects on

839

00:27:37,909 --> 00:27:35,679

different days yes yeah like ron baker

840

00:27:38,710 --> 00:27:37,919

claimed he saw it above a restaurant

841

00:27:40,470 --> 00:27:38,720

easton

842

00:27:41,990 --> 00:27:40,480

where as jerry lopes and steve sprager

843

00:27:43,830 --> 00:27:42,000

claimed they saw above the

844

00:27:45,190 --> 00:27:43,840

highway exit on a different day but in

845

00:27:48,870 --> 00:27:45,200

that same uh

846

00:27:50,310 --> 00:27:48,880

spring of 1979. so this was in 79

847

00:27:51,669 --> 00:27:50,320

and that's why the brockton enterprise

848

00:27:52,630 --> 00:27:51,679

published that article with a list of

849

00:27:54,950 --> 00:27:52,640

people that had all

850

00:27:56,549 --> 00:27:54,960

corroborated sightings of the same craft

851
00:27:59,190 --> 00:27:56,559
well it's kind of like in

852
00:27:59,590 --> 00:27:59,200
belgium they had the very similar you

853
00:28:00,950 --> 00:27:59,600
know

854
00:28:03,430 --> 00:28:00,960
that went for a couple of years that

855
00:28:04,950 --> 00:28:03,440
everybody saw really strange if

856
00:28:06,870 --> 00:28:04,960
if something you know you kind of think

857
00:28:09,350 --> 00:28:06,880
about something like this if

858
00:28:10,389 --> 00:28:09,360
something is actually coming from

859
00:28:12,630 --> 00:28:10,399
somewhere else

860
00:28:13,669 --> 00:28:12,640
let's just say let's just say another

861
00:28:17,190 --> 00:28:13,679
solar system

862
00:28:19,190 --> 00:28:17,200
just for for grins um why would it be

863
00:28:22,070 --> 00:28:19,200

going to the exact same place

864

00:28:23,669 --> 00:28:22,080

you know i mean that doesn't make any it

865

00:28:24,630 --> 00:28:23,679

doesn't make any sense no it doesn't

866

00:28:26,149 --> 00:28:24,640

make any sense

867

00:28:27,990 --> 00:28:26,159

interdimensional or something like that

868

00:28:29,990 --> 00:28:28,000

would make more sense but i mean

869

00:28:31,830 --> 00:28:30,000

we have no idea what these things are

870

00:28:34,870 --> 00:28:31,840

that that people are seeing

871

00:28:36,149 --> 00:28:34,880

and it is intriguing and um you know a

872

00:28:39,269 --> 00:28:36,159

lot of people will say

873

00:28:41,590 --> 00:28:39,279

it's military craft and you know it is

874

00:28:43,510 --> 00:28:41,600

possible i'm not going to say it's not

875

00:28:45,909 --> 00:28:43,520

but you know when you're talking about

876

00:28:47,669 --> 00:28:45,919

something that just can barely move it's

877

00:28:49,269 --> 00:28:47,679

if that technology could actually be

878

00:28:52,389 --> 00:28:49,279

hidden from us

879

00:28:54,149 --> 00:28:52,399

um i would be very surprised well

880

00:28:55,750 --> 00:28:54,159

one of the other phenomenon that people

881

00:28:56,310 --> 00:28:55,760

report in the bridgewater triangle and i

882

00:28:57,590 --> 00:28:56,320

don't

883

00:28:59,669 --> 00:28:57,600

lend a lot of credence to it because i

884

00:29:03,110 --> 00:28:59,679

don't think it's significant in any real

885

00:29:04,950 --> 00:29:03,120

way is sightings of black helicopters

886

00:29:07,029 --> 00:29:04,960

people snap pictures of them in the sky

887

00:29:08,630 --> 00:29:07,039

and see them flying around and

888

00:29:11,029 --> 00:29:08,640

you know i i just assume that their

889

00:29:12,710 --> 00:29:11,039

military helicopters are maneuvers and

890

00:29:13,909 --> 00:29:12,720

just you know they go out and practice

891

00:29:15,350 --> 00:29:13,919

moves just like any

892

00:29:17,110 --> 00:29:15,360

anybody else like a fireman would

893

00:29:19,350 --> 00:29:17,120

practice dragging hoes up

894

00:29:20,789 --> 00:29:19,360

stairs to a fire the military would fly

895

00:29:22,149 --> 00:29:20,799

helicopters around and maneuvers and

896

00:29:23,909 --> 00:29:22,159

train their pilots so

897

00:29:25,430 --> 00:29:23,919

i don't really see what the big deal is

898

00:29:26,470 --> 00:29:25,440

about these black helicopter sightings

899

00:29:28,230 --> 00:29:26,480

maybe i don't

900

00:29:30,630 --> 00:29:28,240

know enough about the whole paranormal

901
00:29:32,470 --> 00:29:30,640
realm and in the history of ufos and and

902
00:29:32,950 --> 00:29:32,480
whatnot to know how important that is

903
00:29:34,950 --> 00:29:32,960
but

904
00:29:36,149 --> 00:29:34,960
i just i we didn't even talk about them

905
00:29:37,110 --> 00:29:36,159
in the film just because we

906
00:29:39,110 --> 00:29:37,120
we didn't really see what the

907
00:29:40,710 --> 00:29:39,120
significance of that would be but maybe

908
00:29:42,310 --> 00:29:40,720
i'm wrong about that you do hear about

909
00:29:44,389 --> 00:29:42,320
that an awful lot it seems

910
00:29:45,350 --> 00:29:44,399
uh lee again has another question on the

911
00:29:47,750 --> 00:29:45,360
message board

912
00:29:49,110 --> 00:29:47,760
and he wants to know in regard to the

913
00:29:51,990 --> 00:29:49,120

craft was there any

914

00:29:53,430 --> 00:29:52,000

radar cooperation at all not that i know

915

00:29:55,909 --> 00:29:53,440

of uh and as a matter of fact

916

00:29:56,630 --> 00:29:55,919

steve spraja had placed phone calls out

917

00:30:00,070 --> 00:29:56,640

to

918

00:30:02,630 --> 00:30:00,080

some of the local air bases i think otis

919

00:30:03,830 --> 00:30:02,640

and some you know law enforcement

920

00:30:05,830 --> 00:30:03,840

agencies and whatnot

921

00:30:07,750 --> 00:30:05,840

and there was no reports of any kind of

922

00:30:07,990 --> 00:30:07,760

blips on the radar regarding anything

923

00:30:10,870 --> 00:30:08,000

like

924

00:30:12,950 --> 00:30:10,880

that that's often the case you hear that

925

00:30:16,149 --> 00:30:12,960

too i mean people have sightings and

926

00:30:19,269 --> 00:30:16,159

so let's in in the whole

927

00:30:20,149 --> 00:30:19,279

um investigation that you had done this

928

00:30:22,549 --> 00:30:20,159

whole time

929

00:30:23,510 --> 00:30:22,559

what was the most fascinating thing that

930

00:30:26,870 --> 00:30:23,520

you found

931

00:30:28,149 --> 00:30:26,880

for yourself that story but uh the jerry

932

00:30:30,470 --> 00:30:28,159

lope steve spraja

933

00:30:31,430 --> 00:30:30,480

story of that craft was one of them the

934

00:30:33,190 --> 00:30:31,440

other was

935

00:30:34,870 --> 00:30:33,200

a bizarre creature sighting by a

936

00:30:37,110 --> 00:30:34,880

gentleman named bill russo

937

00:30:37,990 --> 00:30:37,120

that we featured in the film and he

938

00:30:41,269 --> 00:30:38,000

encountered

939

00:30:43,510 --> 00:30:41,279

what he described as a three foot tall

940

00:30:44,549 --> 00:30:43,520

hair covered troll-like creature while

941

00:30:46,470 --> 00:30:44,559

walking his dog

942

00:30:47,909 --> 00:30:46,480

in the town of raynham just south of the

943

00:30:50,630 --> 00:30:47,919

hawker mock swamp

944

00:30:52,310 --> 00:30:50,640

yeah i saw that in a rendition did he

945

00:30:54,149 --> 00:30:52,320

like have that rendition drawn up

946

00:30:55,750 --> 00:30:54,159

we actually had that rendition drawn up

947

00:30:57,750 --> 00:30:55,760

by an artist we put him in direct

948

00:30:59,509 --> 00:30:57,760

contact with mr russo and basically he

949

00:31:00,230 --> 00:30:59,519

worked like a police sketch artist to

950

00:31:03,029 --> 00:31:00,240

draw

951
00:31:03,350 --> 00:31:03,039
what he what bill russo said that he saw

952
00:31:05,990 --> 00:31:03,360
and

953
00:31:07,509 --> 00:31:06,000
that that to this day that depiction of

954
00:31:09,190 --> 00:31:07,519
that alleged creature is the most

955
00:31:11,350 --> 00:31:09,200
accurate representation of what bill

956
00:31:13,430 --> 00:31:11,360
russo claims that he saw

957
00:31:15,110 --> 00:31:13,440
there's a tv show called monsters and

958
00:31:17,669 --> 00:31:15,120
mysteries in america

959
00:31:18,549 --> 00:31:17,679
and it's on destination america and they

960
00:31:21,509 --> 00:31:18,559
actually

961
00:31:22,549 --> 00:31:21,519
featured bill russo story in an episode

962
00:31:24,149 --> 00:31:22,559
of their show

963
00:31:26,789 --> 00:31:24,159

after we had featured him in the

964

00:31:28,230 --> 00:31:26,799

documentary and their

965

00:31:29,830 --> 00:31:28,240

depiction of the creature is a lot

966

00:31:30,549 --> 00:31:29,840

different from what we have in our film

967

00:31:33,029 --> 00:31:30,559

and there was some

968

00:31:34,470 --> 00:31:33,039

some differences in the story and it was

969

00:31:36,950 --> 00:31:34,480

kind of a sore spot for us

970

00:31:38,950 --> 00:31:36,960

with with how they kind of changed the

971

00:31:41,350 --> 00:31:38,960

details of it but you know they they did

972

00:31:44,549 --> 00:31:41,360

what they did and we did what we did and

973

00:31:44,870 --> 00:31:44,559

that's it now i know you can sort of say

974

00:31:47,909 --> 00:31:44,880

an

975

00:31:49,750 --> 00:31:47,919

orb is a ufo because it's unidentified

976
00:31:51,590 --> 00:31:49,760
and there there was quite a bit of that

977
00:31:55,110 --> 00:31:51,600
going on can you talk about that

978
00:31:55,990 --> 00:31:55,120
yeah orb sightings um you have orb

979
00:31:57,909 --> 00:31:56,000
sightings in

980
00:31:59,590 --> 00:31:57,919
pretty much every major location within

981
00:32:01,909 --> 00:31:59,600
the bridgewater triangle you have orb

982
00:32:03,669 --> 00:32:01,919
sightings in the hakamak swamp again

983
00:32:05,269 --> 00:32:03,679
behind the raynham dog track there's an

984
00:32:07,350 --> 00:32:05,279
old rail bed that runs through the

985
00:32:08,710 --> 00:32:07,360
through the hawkenlock swamp uh no

986
00:32:10,389 --> 00:32:08,720
longer functioning so a lot of people

987
00:32:12,070 --> 00:32:10,399
will go hiking and walking back there

988
00:32:14,789 --> 00:32:12,080

and you know walk through the swamp

989

00:32:15,909 --> 00:32:14,799

so they say it's the swamp gas is one of

990

00:32:17,590 --> 00:32:15,919

the theories but

991

00:32:19,110 --> 00:32:17,600

you have orb sightings in other parts of

992

00:32:20,789 --> 00:32:19,120

the bridgewater triangle that aren't

993

00:32:22,389 --> 00:32:20,799

swampy locations you have a lot of orb

994

00:32:22,870 --> 00:32:22,399

sightings down in rehoboth which is like

995

00:32:30,630 --> 00:32:22,880

the

996

00:32:32,070 --> 00:32:30,640

which is not a particularly swampy place

997

00:32:33,350 --> 00:32:32,080

so there are swamps in the freetown

998

00:32:35,909 --> 00:32:33,360

state forest but nothing

999

00:32:36,789 --> 00:32:35,919

to the size and magnitude of the hakamak

1000

00:32:38,870 --> 00:32:36,799

swamp

1001
00:32:40,789 --> 00:32:38,880
so these orb sightings and you have orb

1002
00:32:42,310 --> 00:32:40,799
sightings in a location known as anawan

1003
00:32:43,669 --> 00:32:42,320
rock which is actually the

1004
00:32:45,190 --> 00:32:43,679
the place where the wampanoag

1005
00:32:46,950 --> 00:32:45,200
surrendered officially surrendered

1006
00:32:48,549 --> 00:32:46,960
ending king phillips war

1007
00:32:50,950 --> 00:32:48,559
uh and that that's a location in

1008
00:32:53,430 --> 00:32:50,960
rehoboth that has an awful lot of

1009
00:32:54,549 --> 00:32:53,440
of uh spiritual and ghostly stories to

1010
00:32:57,029 --> 00:32:54,559
come out of it and there's a lot of

1011
00:32:59,350 --> 00:32:57,039
orb sightings there as well and then you

1012
00:33:00,870 --> 00:32:59,360
have orbs in the sky we featured a

1013
00:33:02,470 --> 00:33:00,880

witness in the in the film who actually

1014

00:33:03,909 --> 00:33:02,480

took some video footage of what he

1015

00:33:05,190 --> 00:33:03,919

thought were some ufos

1016

00:33:08,070 --> 00:33:05,200

in the skies above the bridgewater

1017

00:33:10,230 --> 00:33:08,080

triangle and they were

1018

00:33:11,830 --> 00:33:10,240

these to the naked eye they looked like

1019

00:33:13,909 --> 00:33:11,840

just like a floating

1020

00:33:15,269 --> 00:33:13,919

orb and he bought this video camera and

1021

00:33:16,870 --> 00:33:15,279

you he zoomed in and

1022

00:33:18,789 --> 00:33:16,880

he would he claimed that you would see

1023

00:33:20,149 --> 00:33:18,799

these large mother craft

1024

00:33:22,389 --> 00:33:20,159

changing different colors and then you'd

1025

00:33:23,590 --> 00:33:22,399

see smaller crafts sprout off of them

1026

00:33:26,149 --> 00:33:23,600

and we feature a little bit of that

1027

00:33:28,149 --> 00:33:26,159

footage in the film but it's so

1028

00:33:29,269 --> 00:33:28,159

shaky because he was zoomed in to such a

1029

00:33:31,110 --> 00:33:29,279

degree

1030

00:33:32,710 --> 00:33:31,120

and you have the digital zoom feature on

1031

00:33:34,389 --> 00:33:32,720

these cameras so if you zoomed in past a

1032

00:33:37,269 --> 00:33:34,399

certain point you get some

1033

00:33:37,990 --> 00:33:37,279

pixelization and distortion we tried to

1034

00:33:40,149 --> 00:33:38,000

steady that

1035

00:33:41,669 --> 00:33:40,159

footage in post-production but it's

1036

00:33:43,990 --> 00:33:41,679

really kind of hard to make out what

1037

00:33:45,990 --> 00:33:44,000

exactly it was that he was seeing

1038

00:33:47,669 --> 00:33:46,000

but it wasn't moving like a plane it

1039

00:33:48,950 --> 00:33:47,679

wasn't moving across the sky like a

1040

00:33:50,870 --> 00:33:48,960

plane it was just pretty much staying in

1041

00:33:54,070 --> 00:33:50,880

one spot which was kind of interesting

1042

00:33:55,590 --> 00:33:54,080

wow another question was there ever any

1043

00:33:57,750 --> 00:33:55,600

like electrically charged

1044

00:33:58,710 --> 00:33:57,760

air after ufo sighting or mental

1045

00:34:00,870 --> 00:33:58,720

perception

1046

00:34:03,029 --> 00:34:00,880

anomalies or anything like that reported

1047

00:34:03,430 --> 00:34:03,039

there is a story that we weren't able to

1048

00:34:05,830 --> 00:34:03,440

get

1049

00:34:06,630 --> 00:34:05,840

any information on but it's another one

1050

00:34:07,990 --> 00:34:06,640

of those stories

1051
00:34:10,790 --> 00:34:08,000
that comes out of the region just like

1052
00:34:14,470 --> 00:34:10,800
the ufo sighting of 1760 that

1053
00:34:17,030 --> 00:34:14,480
there was a ufo that allegedly

1054
00:34:18,950 --> 00:34:17,040
flew over the top of a restaurant again

1055
00:34:21,909 --> 00:34:18,960
i think in the town of raynham

1056
00:34:23,430 --> 00:34:21,919
and it caused like a power surge in the

1057
00:34:24,950 --> 00:34:23,440
restaurant the lights flashed and the

1058
00:34:26,710 --> 00:34:24,960
lights went out and the lights came back

1059
00:34:28,230 --> 00:34:26,720
on and the patrons went outside the

1060
00:34:29,909 --> 00:34:28,240
restaurant to the parking lot and they

1061
00:34:32,470 --> 00:34:29,919
saw like a scorched

1062
00:34:33,750 --> 00:34:32,480
pavement or scorched piece of earth

1063
00:34:35,270 --> 00:34:33,760

outside the restaurant

1064

00:34:36,950 --> 00:34:35,280

and there was no explanation for where

1065

00:34:39,270 --> 00:34:36,960

it came from yeah

1066

00:34:41,270 --> 00:34:39,280

so what were some other stories that you

1067

00:34:43,669 --> 00:34:41,280

decided not to put in and

1068

00:34:45,190 --> 00:34:43,679

basically the reason i know it can only

1069

00:34:47,750 --> 00:34:45,200

make a film so long

1070

00:34:50,230 --> 00:34:47,760

and but were there some really good ones

1071

00:34:54,230 --> 00:34:50,240

but you just couldn't substantiate

1072

00:34:56,230 --> 00:34:54,240

not that we couldn't substantiate well

1073

00:34:57,910 --> 00:34:56,240

there were if we were to cover every

1074

00:34:59,349 --> 00:34:57,920

single strange occurrence that has been

1075

00:35:00,470 --> 00:34:59,359

reported in the bridgewater triangle we

1076

00:35:02,870 --> 00:35:00,480

would have been talking about like a

1077

00:35:03,750 --> 00:35:02,880

60-hour series that we would have had to

1078

00:35:07,349 --> 00:35:03,760

do

1079

00:35:09,430 --> 00:35:07,359

um there one of the things was

1080

00:35:11,109 --> 00:35:09,440

uh houses that are allegedly haunted

1081

00:35:13,670 --> 00:35:11,119

there are haunted houses

1082

00:35:15,349 --> 00:35:13,680

all across the allegedly haunted houses

1083

00:35:17,430 --> 00:35:15,359

all across the country

1084

00:35:18,630 --> 00:35:17,440

so is there anything special about a

1085

00:35:20,230 --> 00:35:18,640

haunted house in the bridgewater

1086

00:35:20,550 --> 00:35:20,240

triangle you know we can't really say

1087

00:35:23,589 --> 00:35:20,560

but

1088

00:35:25,670 --> 00:35:23,599

there are just so many of them that

1089

00:35:27,030 --> 00:35:25,680

it's it would be almost impossible to

1090

00:35:29,910 --> 00:35:27,040

cover every single location

1091

00:35:31,829 --> 00:35:29,920

one location that would have been fun to

1092

00:35:33,589 --> 00:35:31,839

cover but we just didn't have the time

1093

00:35:35,990 --> 00:35:33,599

and resources to put into it

1094

00:35:38,310 --> 00:35:36,000

is uh taunton state hospital which is

1095

00:35:40,390 --> 00:35:38,320

one of those you know old state hospital

1096

00:35:41,910 --> 00:35:40,400

facilities that had a history of abuse

1097

00:35:43,510 --> 00:35:41,920

of patients and whatnot and there's been

1098

00:35:44,150 --> 00:35:43,520

all sorts of strange reports that come

1099

00:35:46,069 --> 00:35:44,160

out of there

1100

00:35:48,150 --> 00:35:46,079

did you see american horror story i did

1101

00:35:49,829 --> 00:35:48,160

not i did not very much like that

1102

00:35:51,030 --> 00:35:49,839

yeah sounds like a great setting so you

1103

00:35:52,390 --> 00:35:51,040

know we didn't cover taunton state

1104

00:35:55,430 --> 00:35:52,400

hospital in the film

1105

00:35:56,310 --> 00:35:55,440

um we didn't get into the whole lizzie

1106

00:35:57,670 --> 00:35:56,320

borden thing

1107

00:36:00,310 --> 00:35:57,680

uh we mentioned that's part of the

1108

00:36:01,910 --> 00:36:00,320

triangle fall river is on the outskirts

1109

00:36:03,270 --> 00:36:01,920

of the triangle now we talk about

1110

00:36:04,950 --> 00:36:03,280

occurrences that happen in towns that

1111

00:36:06,630 --> 00:36:04,960

are just outside of the triangle we you

1112

00:36:08,390 --> 00:36:06,640

know mansfield for instance is a town

1113

00:36:09,829 --> 00:36:08,400

that's had some

1114

00:36:11,349 --> 00:36:09,839

strange reports attached to it but

1115

00:36:12,550 --> 00:36:11,359

technically speaking it's outside the

1116

00:36:14,870 --> 00:36:12,560

borders of the triangle

1117

00:36:15,910 --> 00:36:14,880

same holds true for fall river uh the

1118

00:36:17,109 --> 00:36:15,920

reason we didn't get into the lizzie

1119

00:36:18,630 --> 00:36:17,119

borden thing is just because it's been

1120

00:36:20,310 --> 00:36:18,640

done so many times there's

1121

00:36:21,829 --> 00:36:20,320

a zillion documentaries on the lizzie

1122

00:36:22,870 --> 00:36:21,839

borden case and we were trying to tread

1123

00:36:24,630 --> 00:36:22,880

new ground here

1124

00:36:26,310 --> 00:36:24,640

so we mentioned it just to give

1125

00:36:27,750 --> 00:36:26,320

reference to the city of fall river but

1126

00:36:31,030 --> 00:36:27,760

we didn't like get into any

1127

00:36:33,430 --> 00:36:31,040

any details of that of that case

1128

00:36:34,390 --> 00:36:33,440

now did you find any people as you were

1129

00:36:37,670 --> 00:36:34,400

doing this that

1130

00:36:40,710 --> 00:36:37,680

you just didn't buy their story

1131

00:36:43,510 --> 00:36:40,720

and you had to walk away

1132

00:36:45,589 --> 00:36:43,520

we would get contacted from people via

1133

00:36:47,270 --> 00:36:45,599

email or via facebook message

1134

00:36:49,030 --> 00:36:47,280

and when you start running at the people

1135

00:36:50,870 --> 00:36:49,040

that say i saw the bigfoot creature in

1136

00:36:54,710 --> 00:36:50,880

1990 and then i saw the thunderbird in

1137

00:36:56,630 --> 00:36:54,720

1994 and then i saw a ufo in 1998

1138

00:36:57,910 --> 00:36:56,640

it it comes across that they're just

1139

00:36:59,190 --> 00:36:57,920

trying to get seen

1140

00:37:00,630 --> 00:36:59,200

and that there's not really any

1141

00:37:01,270 --> 00:37:00,640

legitimacy to anything that they're

1142

00:37:02,790 --> 00:37:01,280

saying when you

1143

00:37:04,470 --> 00:37:02,800

i just find it too too much of a

1144

00:37:06,630 --> 00:37:04,480

coincidence that one person would see

1145

00:37:08,069 --> 00:37:06,640

every single phenomenon associated with

1146

00:37:11,349 --> 00:37:08,079

the bridgewater triangle

1147

00:37:13,829 --> 00:37:11,359

yeah yeah one size fits all for it all

1148

00:37:14,630 --> 00:37:13,839

exactly yeah um all right well let's

1149

00:37:16,710 --> 00:37:14,640

talk about

1150

00:37:17,990 --> 00:37:16,720

some of the other things that are

1151

00:37:19,270 --> 00:37:18,000

happening and what

1152

00:37:21,270 --> 00:37:19,280

what's going on there to anything

1153

00:37:23,030 --> 00:37:21,280

happening there lately like since you

1154

00:37:24,790 --> 00:37:23,040

actually yeah as a matter of fact and i

1155

00:37:26,069 --> 00:37:24,800

and the gentleman's name escapes me but

1156

00:37:29,109 --> 00:37:26,079

a bridgewater state

1157

00:37:31,430 --> 00:37:29,119

college student recently took some video

1158

00:37:33,430 --> 00:37:31,440

footage of a strange lights in the sky

1159

00:37:36,710 --> 00:37:33,440

outside of his dorm room window

1160

00:37:38,390 --> 00:37:36,720

uh it was about five to seven balls of

1161

00:37:40,870 --> 00:37:38,400

light in the sky

1162

00:37:44,550 --> 00:37:40,880

that were moving in like a swirling

1163

00:37:46,630 --> 00:37:44,560

pattern and ascending into the sky

1164

00:37:47,990 --> 00:37:46,640

of course it set off alarm bells because

1165

00:37:49,829 --> 00:37:48,000

it was in the bridgewater triangle his

1166

00:37:52,310 --> 00:37:49,839

video had like seventy 000 hits on

1167

00:37:55,349 --> 00:37:52,320

youtube within a matter of 48 hours

1168

00:37:56,630 --> 00:37:55,359

i mean our our teaser trailer has 15 000

1169

00:37:59,190 --> 00:37:56,640

and we thought that was a lot and then

1170

00:38:02,230 --> 00:37:59,200

this guy posts a video of an alleged ufo

1171

00:38:04,069 --> 00:38:02,240

sighting and it got 70 000 hits in 48

1172

00:38:05,750 --> 00:38:04,079

hours but

1173

00:38:07,829 --> 00:38:05,760

a lot of the debunkers have come out and

1174

00:38:08,950 --> 00:38:07,839

said all that that was was chinese

1175

00:38:10,790 --> 00:38:08,960

lanterns

1176
00:38:12,710 --> 00:38:10,800
because that disney movie tangled came

1177
00:38:13,589 --> 00:38:12,720
out and had chinese lanterns in the

1178
00:38:15,910 --> 00:38:13,599
movie

1179
00:38:17,750 --> 00:38:15,920
and sales of chinese lanterns on the

1180
00:38:17,990 --> 00:38:17,760
internet skyrocketed after that film

1181
00:38:19,910 --> 00:38:18,000
came

1182
00:38:22,790 --> 00:38:19,920
out and there's been a lot of reports of

1183
00:38:25,349 --> 00:38:22,800
ufos being confused with these or

1184
00:38:26,790 --> 00:38:25,359
chinese lanterns being confused as ufos

1185
00:38:28,150 --> 00:38:26,800
yeah it's a pet peeve

1186
00:38:31,109 --> 00:38:28,160
yeah yeah it's not going to get any

1187
00:38:32,790 --> 00:38:31,119
better either and they're illegal

1188
00:38:35,109 --> 00:38:32,800

in a lot of places and rightly so i mean

1189

00:38:37,030 --> 00:38:35,119

they can start fires pretty easily

1190

00:38:38,550 --> 00:38:37,040

yeah i i yeah i looked at the footage

1191

00:38:39,510 --> 00:38:38,560

and i you know i've been one of the

1192

00:38:41,349 --> 00:38:39,520

people that would probably say yeah it

1193

00:38:42,790 --> 00:38:41,359

was just it wasn't anything significant

1194

00:38:44,470 --> 00:38:42,800

it was just chinese lanterns but there's

1195

00:38:46,230 --> 00:38:44,480

people that

1196

00:38:47,670 --> 00:38:46,240

want to believe everything that comes

1197

00:38:49,190 --> 00:38:47,680

out of the bridgewater triangle

1198

00:38:51,030 --> 00:38:49,200

and no matter how outlandish or

1199

00:38:52,230 --> 00:38:51,040

ridiculous it is they will tie it into

1200

00:38:54,390 --> 00:38:52,240

the bridgewater triangle

1201

00:38:56,630 --> 00:38:54,400

so how far is amherst outside of the

1202

00:38:57,829 --> 00:38:56,640

triangle amherst is way out in western

1203

00:38:59,349 --> 00:38:57,839

massachusetts so it's

1204

00:39:00,870 --> 00:38:59,359

hundreds of because i've heard of i've

1205

00:39:03,030 --> 00:39:00,880

heard some weird stuff out there too

1206

00:39:04,470 --> 00:39:03,040

yeah i i haven't i didn't do much

1207

00:39:05,910 --> 00:39:04,480

research outside of the bridgewater

1208

00:39:09,430 --> 00:39:05,920

triangle region for this

1209

00:39:12,630 --> 00:39:09,440

bridgewater circle it just keeps

1210

00:39:13,270 --> 00:39:12,640

water blob yeah yeah um someone wants to

1211

00:39:14,950 --> 00:39:13,280

know in the

1212

00:39:16,630 --> 00:39:14,960

chat room and i don't know what this

1213

00:39:18,150 --> 00:39:16,640

means but maybe you do

1214

00:39:20,630 --> 00:39:18,160

can you explain about the devil's

1215

00:39:21,910 --> 00:39:20,640

footprint the devil's footprint i

1216

00:39:24,630 --> 00:39:21,920

believe is in

1217

00:39:25,349 --> 00:39:24,640

northern massachusetts and it's just a

1218

00:39:28,390 --> 00:39:25,359

rock

1219

00:39:29,030 --> 00:39:28,400

that has a footprint on i believe i i

1220

00:39:30,630 --> 00:39:29,040

don't know much

1221

00:39:32,470 --> 00:39:30,640

we didn't cover the devil's footprint in

1222

00:39:33,910 --> 00:39:32,480

the film all right i'm not gonna listen

1223

00:39:37,030 --> 00:39:33,920

to this guy anymore eric

1224

00:39:38,790 --> 00:39:37,040

all right so speaking of rocks now

1225

00:39:40,950 --> 00:39:38,800

there's some strange rocks

1226
00:39:42,230 --> 00:39:40,960
there's an abundance of strange rocks

1227
00:39:42,870 --> 00:39:42,240
within the borders of the bridgewater

1228
00:39:44,870 --> 00:39:42,880
triangle

1229
00:39:46,790 --> 00:39:44,880
there's ones that look like faces and

1230
00:39:47,589 --> 00:39:46,800
then yeah written on wrong we'll start

1231
00:39:50,069 --> 00:39:47,599
with the most

1232
00:39:51,910 --> 00:39:50,079
uh well-known it's a it's a a large

1233
00:39:53,829 --> 00:39:51,920
trapezoid-shaped boulder

1234
00:39:55,349 --> 00:39:53,839
in berkeley massachusetts called diet

1235
00:39:55,990 --> 00:39:55,359
and rock now titan's the town next to

1236
00:39:58,069 --> 00:39:56,000
berkeley but

1237
00:40:00,069 --> 00:39:58,079
dieting rocks in in berkeley i don't

1238
00:40:03,109 --> 00:40:00,079

know why it's that way but it is

1239

00:40:03,829 --> 00:40:03,119

well this glacier moved it slowly no who

1240

00:40:06,069 --> 00:40:03,839

knows

1241

00:40:07,750 --> 00:40:06,079

it was actually a large trapezoidal

1242

00:40:08,950 --> 00:40:07,760

boulder that was in the taunton river

1243

00:40:10,550 --> 00:40:08,960

sticking up out of the water in the

1244

00:40:13,750 --> 00:40:10,560

taunton river and has a large flat

1245

00:40:16,870 --> 00:40:13,760

face on it that has all these bizarre uh

1246

00:40:18,950 --> 00:40:16,880

inscriptions on it and it's

1247

00:40:20,630 --> 00:40:18,960

puzzled archaeologists for hundreds of

1248

00:40:21,750 --> 00:40:20,640

years as to where these inscriptions

1249

00:40:23,750 --> 00:40:21,760

came from

1250

00:40:25,430 --> 00:40:23,760

and to preserve the rock they actually

1251

00:40:26,950 --> 00:40:25,440

pulled it out of the taunton river put

1252

00:40:29,349 --> 00:40:26,960

it on the banks of the taunton river in

1253

00:40:30,950 --> 00:40:29,359

berkeley and built a museum around it

1254

00:40:33,030 --> 00:40:30,960

it's it now it's called dayton rock

1255

00:40:33,990 --> 00:40:33,040

state park and you can go visit and go

1256

00:40:36,230 --> 00:40:34,000

into this museum

1257

00:40:37,670 --> 00:40:36,240

and they have the rock in the back of

1258

00:40:37,990 --> 00:40:37,680

the museum and in the front museum they

1259

00:40:40,390 --> 00:40:38,000

have

1260

00:40:41,990 --> 00:40:40,400

this all these walls covered with the

1261

00:40:44,069 --> 00:40:42,000

different theories as to who was

1262

00:40:45,910 --> 00:40:44,079

responsible for these petroglyphs

1263

00:40:47,750 --> 00:40:45,920

there's a native american theory there's

1264

00:40:49,510 --> 00:40:47,760

a portuguese explorer theory there's a

1265

00:40:50,150 --> 00:40:49,520

viking theory there's a phoenician

1266

00:40:51,829 --> 00:40:50,160

theory

1267

00:40:53,750 --> 00:40:51,839

those are the main theories but then you

1268

00:40:54,630 --> 00:40:53,760

know if you research online you got

1269

00:40:56,390 --> 00:40:54,640

people that

1270

00:40:57,990 --> 00:40:56,400

attribute it to extraterrestrials or you

1271

00:41:00,230 --> 00:40:58,000

got people that uh

1272

00:41:01,829 --> 00:41:00,240

attribute it to chinese explorers so

1273

00:41:03,349 --> 00:41:01,839

there's there's for every theory that

1274

00:41:04,950 --> 00:41:03,359

you see on the wall in this museum

1275

00:41:06,390 --> 00:41:04,960

there's 10 other theories that aren't

1276

00:41:08,790 --> 00:41:06,400

prominent enough to be featured in the

1277

00:41:09,750 --> 00:41:08,800

museum what is the strongest theory of

1278

00:41:11,750 --> 00:41:09,760

what that is

1279

00:41:14,470 --> 00:41:11,760

uh from the researchers that we talked

1280

00:41:15,910 --> 00:41:14,480

to uh

1281

00:41:17,910 --> 00:41:15,920

uh inscriptions of a native american

1282

00:41:19,990 --> 00:41:17,920

origin of origin are probably the most

1283

00:41:21,430 --> 00:41:20,000

is probably the strongest case i mean

1284

00:41:22,790 --> 00:41:21,440

there's such a high portuguese

1285

00:41:24,230 --> 00:41:22,800

population down in southeastern

1286

00:41:25,589 --> 00:41:24,240

massachusetts it's the high it's the

1287

00:41:28,470 --> 00:41:25,599

most densely

1288

00:41:29,030 --> 00:41:28,480

portuguese populated area in the country

1289

00:41:30,470 --> 00:41:29,040

so

1290

00:41:32,230 --> 00:41:30,480

most of the people down there will say

1291

00:41:34,309 --> 00:41:32,240

oh it's definitely miguel cortrail in

1292

00:41:36,309 --> 00:41:34,319

1511 he inscribed on that rock and

1293

00:41:37,829 --> 00:41:36,319

that's where all that stuff came from

1294

00:41:39,990 --> 00:41:37,839

but if you look at some of the other

1295

00:41:42,150 --> 00:41:40,000

inscriptions on the rock i mean they'll

1296

00:41:44,550 --> 00:41:42,160

take part of a shape of an inscription

1297

00:41:47,190 --> 00:41:44,560

and say that that's the five of the one

1298

00:41:48,790 --> 00:41:47,200

and everything is so what i mean the

1299

00:41:50,230 --> 00:41:48,800

thing was sitting in water for so long

1300

00:41:53,430 --> 00:41:50,240

that a lot of the inscriptions are

1301
00:41:54,950 --> 00:41:53,440
been have been heavily eroded so to say

1302
00:41:56,470 --> 00:41:54,960
that it's portuguese explorers is just

1303
00:41:58,309 --> 00:41:56,480
kind of convenient for the population

1304
00:42:00,390 --> 00:41:58,319
that lives down there i think

1305
00:42:02,390 --> 00:42:00,400
i i tend to gravitate towards native

1306
00:42:03,589 --> 00:42:02,400
american origins origins and there's a

1307
00:42:05,589 --> 00:42:03,599
gentleman we feature in the film named

1308
00:42:08,710 --> 00:42:05,599
derek gunn who's done a lot of research

1309
00:42:11,510 --> 00:42:08,720
in local uh archaeological arc

1310
00:42:11,990 --> 00:42:11,520
geological and archaeological oddities

1311
00:42:15,109 --> 00:42:12,000
and

1312
00:42:17,349 --> 00:42:15,119
he pointed to a rock inscription up in

1313
00:42:19,109 --> 00:42:17,359

vermont that has these faces carved on

1314

00:42:20,630 --> 00:42:19,119

these circular faces that have been uh

1315

00:42:21,510 --> 00:42:20,640

associated with native american

1316

00:42:24,550 --> 00:42:21,520

petroglyphs

1317

00:42:26,230 --> 00:42:24,560

and you can see some similar faces on

1318

00:42:27,270 --> 00:42:26,240

diet and rock we actually feature that

1319

00:42:28,950 --> 00:42:27,280

in the film

1320

00:42:30,710 --> 00:42:28,960

and then there's the theory that it was

1321

00:42:32,710 --> 00:42:30,720

a billboard and that

1322

00:42:34,630 --> 00:42:32,720

everybody who passed by inscribed on it

1323

00:42:36,630 --> 00:42:34,640

just like kids nowadays they go make out

1324

00:42:38,950 --> 00:42:36,640

at the state forest and carve you know

1325

00:42:40,550 --> 00:42:38,960

johnny loves genie on a tree it kind of

1326

00:42:41,589 --> 00:42:40,560

looks like that the way it's so busy

1327

00:42:45,190 --> 00:42:41,599

it's kind of a

1328

00:42:47,829 --> 00:42:45,200

a smorgasbord of uh inscriptions

1329

00:42:48,790 --> 00:42:47,839

yeah now i know this is a ufo show and

1330

00:42:51,190 --> 00:42:48,800

we're talking about

1331

00:42:52,630 --> 00:42:51,200

all different types of topics but um

1332

00:42:53,750 --> 00:42:52,640

there's only so much we can talk about

1333

00:42:56,390 --> 00:42:53,760

in the ufos

1334

00:42:56,870 --> 00:42:56,400

in the area there but um what about the

1335

00:43:02,390 --> 00:42:56,880

the

1336

00:43:06,069 --> 00:43:02,400

ranch

1337

00:43:07,589 --> 00:43:06,079

um in nevada that has all these things

1338

00:43:09,670 --> 00:43:07,599

happening in the same place

1339

00:43:11,670 --> 00:43:09,680

so what about the end the big beasts and

1340

00:43:13,430 --> 00:43:11,680

the thunderbirds and all that what

1341

00:43:15,270 --> 00:43:13,440

where do they where do those stories

1342

00:43:17,230 --> 00:43:15,280

come from as i mentioned before

1343

00:43:18,470 --> 00:43:17,240

a lot most the majority of the

1344

00:43:21,030 --> 00:43:18,480

cryptozoological

1345

00:43:21,750 --> 00:43:21,040

stories come from the hakamak swamp

1346

00:43:23,349 --> 00:43:21,760

region the

1347

00:43:24,790 --> 00:43:23,359

in the town surrounding the hakamak

1348

00:43:26,470 --> 00:43:24,800

swamp now you had a

1349

00:43:28,309 --> 00:43:26,480

laundry list of bigfoot sightings we

1350

00:43:29,190 --> 00:43:28,319

actually the first story that we

1351

00:43:32,550 --> 00:43:29,200

mentioned

1352

00:43:34,390 --> 00:43:32,560

um was that back in 1970

1353

00:43:35,829 --> 00:43:34,400

you had a joint coalition of local and

1354

00:43:38,870 --> 00:43:35,839

state police and they were

1355

00:43:40,150 --> 00:43:38,880

allegedly tracking down a bear now the

1356

00:43:41,510 --> 00:43:40,160

interesting thing about that is we

1357

00:43:43,990 --> 00:43:41,520

haven't had black bear

1358

00:43:45,589 --> 00:43:44,000

in southeastern massachusetts for close

1359

00:43:47,270 --> 00:43:45,599

to a century probably

1360

00:43:48,710 --> 00:43:47,280

uh they were kind of eradicated from the

1361

00:43:50,150 --> 00:43:48,720

region and so they

1362

00:43:51,750 --> 00:43:50,160

claimed that they were hunting this bear

1363

00:43:53,109 --> 00:43:51,760

in the region at the time

1364

00:43:55,190 --> 00:43:53,119

and there's a story that a police

1365

00:43:57,670 --> 00:43:55,200

officer was sitting in his cruiser

1366

00:43:58,870 --> 00:43:57,680

uh and the rear end of his cruiser got

1367

00:44:00,550 --> 00:43:58,880

picked up

1368

00:44:02,309 --> 00:44:00,560

and he kind of spun his spotlight around

1369

00:44:04,470 --> 00:44:02,319

and shined it on what he described as

1370

00:44:05,990 --> 00:44:04,480

something that was walking on two feet

1371

00:44:06,870 --> 00:44:06,000

and then it kind of disappeared into the

1372

00:44:08,390 --> 00:44:06,880

forest

1373

00:44:10,230 --> 00:44:08,400

and the interesting thing about that is

1374

00:44:11,990 --> 00:44:10,240

we never were able to track down who

1375

00:44:14,150 --> 00:44:12,000

that police officer was i mean it was

1376

00:44:15,750 --> 00:44:14,160

back in 1970 but his daughter

1377

00:44:18,230 --> 00:44:15,760

actually ended up showing up at one of

1378

00:44:19,990 --> 00:44:18,240

our screenings and she says my father

1379

00:44:21,670 --> 00:44:20,000

swears that that was a big foot creature

1380

00:44:23,589 --> 00:44:21,680

not a bear wow

1381

00:44:25,750 --> 00:44:23,599

so bears not going to pick something up

1382

00:44:27,109 --> 00:44:25,760

yeah pick up the it pick up the rear end

1383

00:44:29,190 --> 00:44:27,119

of a police cruiser actually off the

1384

00:44:31,430 --> 00:44:29,200

ground and then drop it back down

1385

00:44:32,950 --> 00:44:31,440

so there was that sighting you had we

1386

00:44:34,309 --> 00:44:32,960

had a gentleman named carlston wood that

1387

00:44:36,630 --> 00:44:34,319

we featured in the film that claims that

1388

00:44:38,230 --> 00:44:36,640

he saw a large hair covered man

1389

00:44:39,349 --> 00:44:38,240

while playing in the hockey mock swamp

1390

00:44:39,750 --> 00:44:39,359

in the winter time with a bunch of

1391

00:44:41,190 --> 00:44:39,760

friends

1392

00:44:42,870 --> 00:44:41,200

because the swamp would freeze so they'd

1393

00:44:43,910 --> 00:44:42,880

go exploring into the swamp as far as

1394

00:44:45,829 --> 00:44:43,920

they could go

1395

00:44:47,510 --> 00:44:45,839

they claim they saw this large fur

1396

00:44:50,390 --> 00:44:47,520

covered creature joseph d'andrea

1397

00:44:52,710 --> 00:44:50,400

sighting john baker sighting um and then

1398

00:44:55,030 --> 00:44:52,720

you have a lot of other

1399

00:44:56,309 --> 00:44:55,040

whispers of bigfoot encounters in the

1400

00:44:57,829 --> 00:44:56,319

hawkmock swamps some of them are that

1401
00:44:58,550 --> 00:44:57,839
are more difficult to substantiate you

1402
00:45:00,390 --> 00:44:58,560
know it's always like

1403
00:45:01,990 --> 00:45:00,400
my cousin's best friend's roommates saw

1404
00:45:02,790 --> 00:45:02,000
this the creature so we tried to stay

1405
00:45:04,309 --> 00:45:02,800
away from that

1406
00:45:05,990 --> 00:45:04,319
we tried to get as many first-hand

1407
00:45:07,510 --> 00:45:06,000
eyewitness accounts as possible then

1408
00:45:09,270 --> 00:45:07,520
there's bill russo's cr

1409
00:45:10,790 --> 00:45:09,280
sighting which we mentioned which some

1410
00:45:13,829 --> 00:45:10,800
people might say maybe that was a

1411
00:45:15,109 --> 00:45:13,839
a baby bigfoot that he saw who knows uh

1412
00:45:15,910 --> 00:45:15,119
but then you have the thunderbird

1413
00:45:19,109 --> 00:45:15,920

sightings uh

1414

00:45:20,790 --> 00:45:19,119

large winged creatures uh that are tied

1415

00:45:23,670 --> 00:45:20,800

into native american folklore

1416

00:45:24,309 --> 00:45:23,680

uh you had in 1970 you had a norton

1417

00:45:26,870 --> 00:45:24,319

police

1418

00:45:28,470 --> 00:45:26,880

sergeant named thomas downey who was

1419

00:45:30,230 --> 00:45:28,480

actually driving his car in the nearby

1420

00:45:31,270 --> 00:45:30,240

town of mansfield which is actually just

1421

00:45:33,030 --> 00:45:31,280

west of the

1422

00:45:35,190 --> 00:45:33,040

bridgewater triangle and he was driving

1423

00:45:37,270 --> 00:45:35,200

along winter street

1424

00:45:39,430 --> 00:45:37,280

and he claimed he saw this massive

1425

00:45:41,030 --> 00:45:39,440

creature with a 12-foot wingspan

1426

00:45:43,589 --> 00:45:41,040

fly directly up into the sky and

1427

00:45:46,550 --> 00:45:43,599

disappear above his his cruiser

1428

00:45:48,390 --> 00:45:46,560

and he's been approached dozens of times

1429

00:45:50,069 --> 00:45:48,400

for interviews about what he saw and he

1430

00:45:52,069 --> 00:45:50,079

never will grant an interview he'll say

1431

00:45:53,670 --> 00:45:52,079

that he sticks by his story but he's not

1432

00:45:54,069 --> 00:45:53,680

looking to tell his story in any way and

1433

00:45:57,349 --> 00:45:54,079

he

1434

00:45:58,790 --> 00:45:57,359

reported it well you know

1435

00:46:01,430 --> 00:45:58,800

that gives a lot of credibility in my

1436

00:46:03,109 --> 00:46:01,440

book it's the people that either

1437

00:46:04,710 --> 00:46:03,119

don't don't want to talk about it or

1438

00:46:06,870 --> 00:46:04,720

people that wait a long time to talk

1439

00:46:08,470 --> 00:46:06,880

about their stories those ones that like

1440

00:46:10,309 --> 00:46:08,480

i hate to keep going back to bill russo

1441

00:46:14,150 --> 00:46:10,319

but he had his accret

1442

00:46:15,990 --> 00:46:14,160

alleged sighting in 1990 and he waited

1443

00:46:17,589 --> 00:46:16,000

20 years to finally tell a story he

1444

00:46:19,109 --> 00:46:17,599

waited till he was retired he didn't

1445

00:46:20,950 --> 00:46:19,119

want to face any ridicule

1446

00:46:23,190 --> 00:46:20,960

so he wrote about his encounter on his

1447

00:46:24,630 --> 00:46:23,200

blog which then we found and we were the

1448

00:46:26,150 --> 00:46:24,640

first ones to give him an on-camera

1449

00:46:27,670 --> 00:46:26,160

interview about what he saw but

1450

00:46:29,030 --> 00:46:27,680

you know he sat on that story for a

1451

00:46:29,589 --> 00:46:29,040

really really long time before he

1452

00:46:31,670 --> 00:46:29,599

finally

1453

00:46:34,309 --> 00:46:31,680

uh went public with it did you get a lot

1454

00:46:36,870 --> 00:46:34,319

of your information from the internet

1455

00:46:37,829 --> 00:46:36,880

when you were researching this film some

1456

00:46:40,069 --> 00:46:37,839

uh

1457

00:46:41,910 --> 00:46:40,079

some was from the internet some was from

1458

00:46:43,829 --> 00:46:41,920

lauren coleman's book mysterious america

1459

00:46:45,990 --> 00:46:43,839

which was the first publication to bring

1460

00:46:48,950 --> 00:46:46,000

the bridgewater triangle to a national

1461

00:46:49,750 --> 00:46:48,960

uh audience or national readership i

1462

00:46:51,670 --> 00:46:49,760

should say

1463

00:46:53,910 --> 00:46:51,680

so we we tracked down some of the

1464

00:46:56,150 --> 00:46:53,920

stories that he mentioned in his book

1465

00:46:57,349 --> 00:46:56,160

and some of the other stories were

1466

00:46:59,589 --> 00:46:57,359

relayed to us from other

1467

00:47:00,550 --> 00:46:59,599

uh experts that we that we feature in

1468

00:47:02,230 --> 00:47:00,560

the film

1469

00:47:03,990 --> 00:47:02,240

and some of the eyewitnesses were just

1470

00:47:05,589 --> 00:47:04,000

contacts that we had made

1471

00:47:06,790 --> 00:47:05,599

from some of the people that were in the

1472

00:47:08,230 --> 00:47:06,800

film say you know you should talk to

1473

00:47:09,109 --> 00:47:08,240

this guy you should talk to this this

1474

00:47:11,109 --> 00:47:09,119

woman

1475

00:47:13,990 --> 00:47:11,119

um so that's really how we found a lot

1476

00:47:16,390 --> 00:47:14,000

of our of our eyewitnesses

1477

00:47:17,109 --> 00:47:16,400

there's another question on the message

1478

00:47:18,950 --> 00:47:17,119

board

1479

00:47:21,349 --> 00:47:18,960

and while filming for the documentary

1480

00:47:22,230 --> 00:47:21,359

were any readings attempted did you try

1481

00:47:24,069 --> 00:47:22,240

to get any

1482

00:47:25,349 --> 00:47:24,079

readings for like magnetic radio

1483

00:47:26,870 --> 00:47:25,359

frequencies

1484

00:47:30,630 --> 00:47:26,880

like the skin walker ranch i mentioned

1485

00:47:32,470 --> 00:47:30,640

before no um if you see our film

1486

00:47:34,069 --> 00:47:32,480

people think paranormal documentary and

1487

00:47:36,150 --> 00:47:34,079

they think you know people

1488

00:47:38,390 --> 00:47:36,160

trekking for the woods with cameras and

1489

00:47:39,910 --> 00:47:38,400

infrared sensors and all that stuff

1490

00:47:41,430 --> 00:47:39,920

this was not really a boots on the

1491

00:47:42,950 --> 00:47:41,440

ground documentary this was more of a

1492

00:47:44,549 --> 00:47:42,960

historical look at the region

1493

00:47:46,150 --> 00:47:44,559

so we didn't do any active yeah we

1494

00:47:47,750 --> 00:47:46,160

didn't do any active investigating

1495

00:47:49,670 --> 00:47:47,760

really there's a little hint of that

1496

00:47:51,510 --> 00:47:49,680

here and there we did have one

1497

00:47:52,790 --> 00:47:51,520

bizarre incident that occurred while

1498

00:47:54,790 --> 00:47:52,800

shooting an interview in the freetown

1499

00:47:56,470 --> 00:47:54,800

state forest but for the most part we

1500

00:47:57,990 --> 00:47:56,480

didn't do a lot of boots on the ground

1501

00:47:59,910 --> 00:47:58,000

well we got to hear that bizarre

1502

00:48:02,069 --> 00:47:59,920

incident what happened well we were

1503

00:48:05,430 --> 00:48:02,079

interviewing christopher bolzano

1504

00:48:07,589 --> 00:48:05,440

in the freetown state forest after he

1505

00:48:07,990 --> 00:48:07,599

had given a tour now you see snippets of

1506

00:48:09,510 --> 00:48:08,000

his

1507

00:48:11,510 --> 00:48:09,520

tour that he was giving in the freetown

1508

00:48:13,990 --> 00:48:11,520

state forest throughout the film

1509

00:48:15,109 --> 00:48:14,000

and we were he had locked his keys in

1510

00:48:16,470 --> 00:48:15,119

his car

1511

00:48:17,670 --> 00:48:16,480

and this interview was never supposed to

1512

00:48:19,510 --> 00:48:17,680

happen because he was supposed to go do

1513

00:48:20,950 --> 00:48:19,520

a book signing in the next town over

1514

00:48:22,390 --> 00:48:20,960

but he locked his keys in the car so we

1515

00:48:23,910 --> 00:48:22,400

were waiting for triple a for a couple

1516

00:48:25,990 --> 00:48:23,920

hours to come let him in

1517

00:48:27,349 --> 00:48:26,000

so i had my camera and said hey since

1518

00:48:28,630 --> 00:48:27,359

we're just sitting around can i do an

1519

00:48:30,150 --> 00:48:28,640

interview with you and he's like

1520

00:48:31,589 --> 00:48:30,160

absolutely sure so we

1521

00:48:33,109 --> 00:48:31,599

we there was another gentleman there

1522

00:48:33,510 --> 00:48:33,119

that had this like battery operated

1523

00:48:37,349 --> 00:48:33,520

light

1524

00:48:38,790 --> 00:48:37,359

interview because by then it was doc

1525

00:48:41,270 --> 00:48:38,800

so we're we were interviewing chris

1526

00:48:44,150 --> 00:48:41,280

balzano and that the subject of

1527

00:48:45,589 --> 00:48:44,160

the wampum belt that belonged to king

1528

00:48:48,309 --> 00:48:45,599

phillip or metacom

1529

00:48:49,750 --> 00:48:48,319

came up in in the interview and chris

1530

00:48:52,309 --> 00:48:49,760

was talking about how

1531

00:48:53,510 --> 00:48:52,319

this womp belt philip was sensing that

1532

00:48:54,870 --> 00:48:53,520

the wall was going to end

1533

00:48:57,670 --> 00:48:54,880

and that he was going to be facing his

1534

00:48:58,470 --> 00:48:57,680

demise so he handed the belt off to his

1535

00:49:00,950 --> 00:48:58,480

war chief

1536

00:49:02,790 --> 00:49:00,960

anawan now king philip was killed in

1537

00:49:04,309 --> 00:49:02,800

august of 1676

1538

00:49:05,750 --> 00:49:04,319

but by the time he was killed he no

1539

00:49:06,950 --> 00:49:05,760

longer had the wampum belt on him he had

1540

00:49:08,710 --> 00:49:06,960

given it to anawan

1541

00:49:10,309 --> 00:49:08,720

the war continued for a short period of

1542

00:49:12,069 --> 00:49:10,319

time maybe a couple of weeks

1543

00:49:13,670 --> 00:49:12,079

and anawan and the last remaining band

1544

00:49:16,549 --> 00:49:13,680

of wampanoag warriors were tracked down

1545

00:49:18,230 --> 00:49:16,559

to this location in rehoboth called

1546

00:49:21,349 --> 00:49:18,240

anawan rock which is where that

1547

00:49:22,870 --> 00:49:21,359

official end to the war occurred and

1548

00:49:24,790 --> 00:49:22,880

when anawan surrendered he

1549

00:49:26,630 --> 00:49:24,800

presented the belt as a symbol of his

1550

00:49:28,309 --> 00:49:26,640

surrender to captain benjamin church who

1551

00:49:31,030 --> 00:49:28,319

was the colonial authority that he had

1552

00:49:31,829 --> 00:49:31,040

surrendered to and the belt has since

1553

00:49:33,270 --> 00:49:31,839

gone missing

1554

00:49:34,470 --> 00:49:33,280

from history nobody knows what has

1555

00:49:35,750 --> 00:49:34,480

happened to this wampum belt there's a

1556

00:49:36,230 --> 00:49:35,760

lot of people that think that it's in a

1557

00:49:37,990 --> 00:49:36,240

box

1558

00:49:39,750 --> 00:49:38,000

on a shelf and a museum in england which

1559

00:49:41,510 --> 00:49:39,760

is a very strong possibility

1560

00:49:43,190 --> 00:49:41,520

but chris balzano was talking about the

1561

00:49:44,790 --> 00:49:43,200

swamp and belt in its association with

1562

00:49:46,069 --> 00:49:44,800

the bridgewater triangle and how there's

1563

00:49:48,950 --> 00:49:46,079

a lot of people that think that

1564

00:49:49,349 --> 00:49:48,960

the strange ghostly happenings at aniwau

1565

00:49:50,790 --> 00:49:49,359

rock

1566

00:49:52,390 --> 00:49:50,800

and the strange happenings in the

1567

00:49:53,910 --> 00:49:52,400

bridgewater triangle will continue to

1568

00:49:55,589 --> 00:49:53,920

happen until the wampum belt has

1569

00:49:57,510 --> 00:49:55,599

returned to the wampanoag people

1570

00:49:58,710 --> 00:49:57,520

now when he was talking about this the

1571

00:50:01,910 --> 00:49:58,720

light that we had

1572

00:50:03,109 --> 00:50:01,920

had just shut off and we got everything

1573

00:50:04,390 --> 00:50:03,119

back up and running

1574

00:50:05,750 --> 00:50:04,400

and there was another gentleman off

1575

00:50:07,109 --> 00:50:05,760

camera that said hey chris you realize

1576

00:50:09,030 --> 00:50:07,119

that when you were talking about the

1577

00:50:11,030 --> 00:50:09,040

womp and belt the lights shut off

1578

00:50:12,230 --> 00:50:11,040

and chris was kind of styling everybody

1579

00:50:14,870 --> 00:50:12,240

kind of chuckled

1580

00:50:16,309 --> 00:50:14,880

and as a joke he turned to the can

1581

00:50:19,190 --> 00:50:16,319

turned like to the side as if he's

1582

00:50:21,349 --> 00:50:19,200

talking to the spirits and he said

1583

00:50:23,109 --> 00:50:21,359

we hear your message if i could i would

1584

00:50:25,030 --> 00:50:23,119

return it and right as he said that the

1585

00:50:27,270 --> 00:50:25,040

light shut off again for a second time

1586

00:50:28,630 --> 00:50:27,280

it was the most perfectly timed

1587

00:50:30,870 --> 00:50:28,640

occurrence now

1588

00:50:32,069 --> 00:50:30,880

being a skeptic i still you know maybe

1589

00:50:33,510 --> 00:50:32,079

it's just a really really strange

1590

00:50:35,670 --> 00:50:33,520

coincidence but

1591

00:50:37,190 --> 00:50:35,680

you know even me i mean being out in the

1592

00:50:38,870 --> 00:50:37,200

middle of the freetown state forest in

1593

00:50:40,470 --> 00:50:38,880

the dark and that happening really made

1594

00:50:41,270 --> 00:50:40,480

the hair on my arms in the back of my

1595

00:50:43,030 --> 00:50:41,280

neck stand up

1596

00:50:44,790 --> 00:50:43,040

it was really interesting yeah it sounds

1597

00:50:46,150 --> 00:50:44,800

like that forest they say that

1598

00:50:47,990 --> 00:50:46,160

anyone that walks through it kind of

1599

00:50:51,190 --> 00:50:48,000

gets a creepy feeling well

1600

00:50:53,430 --> 00:50:51,200

yeah and we're pretty proud of that

1601
00:50:55,190 --> 00:50:53,440
moment because there's a lot of

1602
00:50:57,270 --> 00:50:55,200
paranormal apparent the paranormal is a

1603
00:50:59,190 --> 00:50:57,280
very hot topic in today's society every

1604
00:51:01,109 --> 00:50:59,200
major cable network has a show about

1605
00:51:01,990 --> 00:51:01,119
ghost hunting or ufos or bigfoot or

1606
00:51:05,589 --> 00:51:02,000
whatever

1607
00:51:07,270 --> 00:51:05,599
and a lot of them will fake evidence and

1608
00:51:09,349 --> 00:51:07,280
make a big deal out of nothing and a lot

1609
00:51:11,030 --> 00:51:09,359
of them will spend years shooting these

1610
00:51:12,470 --> 00:51:11,040
shows and never have something happen

1611
00:51:13,750 --> 00:51:12,480
like what happened to us out in the

1612
00:51:15,190 --> 00:51:13,760
freetown state force with the lights

1613
00:51:18,710 --> 00:51:15,200

shutting off like that was just

1614

00:51:20,069 --> 00:51:18,720

one one in a million thing and it's it's

1615

00:51:21,750 --> 00:51:20,079

it comes up in the film a lot of people

1616

00:51:23,589 --> 00:51:21,760

think it was an edit mistake because the

1617

00:51:25,109 --> 00:51:23,599

film's pretty smoothly edited up to that

1618

00:51:27,270 --> 00:51:25,119

point and then all of a sudden like

1619

00:51:29,190 --> 00:51:27,280

he stops talking kind of looks up the

1620

00:51:30,230 --> 00:51:29,200

light shut off lights come back on and

1621

00:51:31,750 --> 00:51:30,240

the lights shut off again

1622

00:51:33,589 --> 00:51:31,760

i saw that oh by the way i should say

1623

00:51:33,990 --> 00:51:33,599

that i saw the movie and thank you for

1624

00:51:36,630 --> 00:51:34,000

sending

1625

00:51:37,910 --> 00:51:36,640

no problem yes and before i forget i

1626
00:51:39,270 --> 00:51:37,920
don't want to forget this where are some

1627
00:51:40,870 --> 00:51:39,280
going to find the movie

1628
00:51:42,549 --> 00:51:40,880
well right now it's just like any other

1629
00:51:44,790 --> 00:51:42,559
movie we're doing you know

1630
00:51:46,230 --> 00:51:44,800
in-person theatrical screenings we've

1631
00:51:48,069 --> 00:51:46,240
had a series of screenings down in

1632
00:51:50,230 --> 00:51:48,079
southeastern massachusetts since the

1633
00:51:52,309 --> 00:51:50,240
premiere in october on october 20th

1634
00:51:54,309 --> 00:51:52,319
so right now the only way to see it

1635
00:51:55,349 --> 00:51:54,319
other than an in-person screening is we

1636
00:51:57,589 --> 00:51:55,359
occasionally will have

1637
00:51:59,270 --> 00:51:57,599
live streaming shows of the bridgewater

1638
00:52:01,349 --> 00:51:59,280

trial if you go to our website

1639

00:52:03,430 --> 00:52:01,359

the bridgewater triangle documentary.com

1640

00:52:05,510 --> 00:52:03,440

click on upcoming screenings you can see

1641

00:52:07,510 --> 00:52:05,520

when those live shows are scheduled and

1642

00:52:08,549 --> 00:52:07,520

basically you log on you sign up for a

1643

00:52:10,870 --> 00:52:08,559

ustream

1644

00:52:12,069 --> 00:52:10,880

uh live stream you do pay-per-view it's

1645

00:52:13,910 --> 00:52:12,079

you pay a small

1646

00:52:16,630 --> 00:52:13,920

sum of money to be able to watch the

1647

00:52:19,750 --> 00:52:16,640

film streamed at a specific time like a

1648

00:52:21,910 --> 00:52:19,760

live pay-per-view event

1649

00:52:23,109 --> 00:52:21,920

i see and was this a like sort of a

1650

00:52:25,829 --> 00:52:23,119

crowd source uh

1651
00:52:26,950 --> 00:52:25,839
to get this thing together um you know i

1652
00:52:28,950 --> 00:52:26,960
mean did you have

1653
00:52:31,430 --> 00:52:28,960
people source you to put this movie

1654
00:52:33,030 --> 00:52:31,440
together this was completely funded

1655
00:52:34,790 --> 00:52:33,040
out of the pocket of the filmmakers we

1656
00:52:35,670 --> 00:52:34,800
didn't rely on any outside funding we

1657
00:52:38,790 --> 00:52:35,680
didn't rely on

1658
00:52:40,230 --> 00:52:38,800
any outside help really i mean the only

1659
00:52:41,670 --> 00:52:40,240
things that we do

1660
00:52:43,750 --> 00:52:41,680
i'm a video production specialist by

1661
00:52:45,109 --> 00:52:43,760
trade that's how i make my living

1662
00:52:46,630 --> 00:52:45,119
so there weren't a lot of things that we

1663
00:52:48,150 --> 00:52:46,640

needed to outsource for this film the

1664

00:52:50,150 --> 00:52:48,160

only two things that we outsourced

1665

00:52:52,470 --> 00:52:50,160

were the musical score we purchased

1666

00:52:53,510 --> 00:52:52,480

royalty uh stock royalty free music for

1667

00:52:54,870 --> 00:52:53,520

the for the musical score because i'm

1668

00:52:56,950 --> 00:52:54,880

not a composer

1669

00:52:58,870 --> 00:52:56,960

and the off-screen narrator was a

1670

00:53:00,309 --> 00:52:58,880

gentleman named john horgan who provided

1671

00:53:02,549 --> 00:53:00,319

that but everything else

1672

00:53:04,069 --> 00:53:02,559

you see on the screen we did in-house

1673

00:53:06,470 --> 00:53:04,079

yeah except for the uh we had some

1674

00:53:08,150 --> 00:53:06,480

artists do some renditions of things but

1675

00:53:09,910 --> 00:53:08,160

you know we did all the shooting all the

1676

00:53:11,829 --> 00:53:09,920

editing sound design

1677

00:53:13,750 --> 00:53:11,839

you name it we did it now has this

1678

00:53:15,670 --> 00:53:13,760

sparked any further interest in doing

1679

00:53:17,030 --> 00:53:15,680

something else similar

1680

00:53:19,190 --> 00:53:17,040

i'm not opposed to doing another

1681

00:53:20,710 --> 00:53:19,200

paranormal documentary um

1682

00:53:22,710 --> 00:53:20,720

you know there's already whispers of

1683

00:53:23,990 --> 00:53:22,720

let's try to do a series you know

1684

00:53:25,829 --> 00:53:24,000

people say why don't you do a series on

1685

00:53:27,829 --> 00:53:25,839

the bridgewater triangle and you know to

1686

00:53:29,670 --> 00:53:27,839

make try to get a television pilot off

1687

00:53:31,750 --> 00:53:29,680

the ground or whatever

1688

00:53:32,950 --> 00:53:31,760

but i have some other topics that i'd

1689

00:53:35,430 --> 00:53:32,960

like to tackle

1690

00:53:36,390 --> 00:53:35,440

maybe uh i'm very interested in a case

1691

00:53:39,190 --> 00:53:36,400

that happened

1692

00:53:40,470 --> 00:53:39,200

in in between new bedford and farva back

1693

00:53:41,750 --> 00:53:40,480

in the late 80s there was a string of

1694

00:53:44,549 --> 00:53:41,760

murders that happened

1695

00:53:46,150 --> 00:53:44,559

along the highways they found nine dead

1696

00:53:47,670 --> 00:53:46,160

prostitutes

1697

00:53:49,589 --> 00:53:47,680

and two women went missing that were

1698

00:53:51,510 --> 00:53:49,599

never found and it was basically a

1699

00:53:52,950 --> 00:53:51,520

serial killer that was terrorizing the

1700

00:53:54,230 --> 00:53:52,960

prostitute population between new

1701

00:53:56,470 --> 00:53:54,240

bedford and fall river

1702

00:53:57,750 --> 00:53:56,480

and the case was never solved and it's a

1703

00:53:59,589 --> 00:53:57,760

pretty famous case

1704

00:54:01,510 --> 00:53:59,599

and it's got a lot of similarities to

1705

00:54:03,430 --> 00:54:01,520

the to the green river slangs

1706

00:54:04,549 --> 00:54:03,440

um but you know i would love to do a

1707

00:54:06,630 --> 00:54:04,559

documentary on the highway

1708

00:54:07,910 --> 00:54:06,640

highway murders so i i like i said i'm

1709

00:54:09,270 --> 00:54:07,920

not opposed to another documentary on

1710

00:54:10,710 --> 00:54:09,280

the bridgewater triangle but what i want

1711

00:54:12,950 --> 00:54:10,720

to do right now i don't know

1712

00:54:13,829 --> 00:54:12,960

you know there's an eric that wants to

1713

00:54:15,670 --> 00:54:13,839

know if you

1714

00:54:18,549 --> 00:54:15,680

ever plan to do a screening in western

1715

00:54:20,710 --> 00:54:18,559

mass well if anybody

1716

00:54:22,710 --> 00:54:20,720

wants to see the film and wants to see

1717

00:54:24,549 --> 00:54:22,720

it in person and knows of a venue that

1718

00:54:25,349 --> 00:54:24,559

might be willing to host it we'd love to

1719

00:54:26,870 --> 00:54:25,359

talk to them

1720

00:54:28,549 --> 00:54:26,880

uh we've been working with a lot of

1721

00:54:31,670 --> 00:54:28,559

independent theaters and independent

1722

00:54:32,309 --> 00:54:31,680

uh venues that are interested in

1723

00:54:34,710 --> 00:54:32,319

screening it

1724

00:54:36,150 --> 00:54:34,720

so if if you know the thing is if you

1725

00:54:37,670 --> 00:54:36,160

get a bunch of people that all want to

1726

00:54:39,030 --> 00:54:37,680

see the same thing and call a theater

1727

00:54:40,470 --> 00:54:39,040

and say we want you to

1728

00:54:41,910 --> 00:54:40,480

pick up the bridgewater triangle that's

1729

00:54:43,670 --> 00:54:41,920

probably the best way to to see it out

1730

00:54:46,150 --> 00:54:43,680

in western mass

1731

00:54:47,510 --> 00:54:46,160

you know some venues have been more

1732

00:54:49,510 --> 00:54:47,520

receptive to it than others i think

1733

00:54:51,270 --> 00:54:49,520

we're coming into this as a relative

1734

00:54:52,710 --> 00:54:51,280

unknown you know people don't know us

1735

00:54:55,190 --> 00:54:52,720

they we have no

1736

00:54:56,789 --> 00:54:55,200

you know other films to to to say we did

1737

00:54:57,589 --> 00:54:56,799

this film now we're doing this one you

1738

00:54:59,829 --> 00:54:57,599

know

1739

00:55:01,109 --> 00:54:59,839

show us at your theater um but there's

1740

00:55:02,789 --> 00:55:01,119

been some theaters like the alley

1741

00:55:03,270 --> 00:55:02,799

theater in middlebury massachusetts that

1742

00:55:05,430 --> 00:55:03,280

has

1743

00:55:06,710 --> 00:55:05,440

we're on our 10th showing there and all

1744

00:55:09,430 --> 00:55:06,720

of them have been sellouts

1745

00:55:11,109 --> 00:55:09,440

so i mean we've sold out probably 80 of

1746

00:55:13,190 --> 00:55:11,119

the shows that we've done so far

1747

00:55:15,349 --> 00:55:13,200

wow that's that's awesome and what was

1748

00:55:18,630 --> 00:55:15,359

your favorite part of this

1749

00:55:19,910 --> 00:55:18,640

whole thing favorite part

1750

00:55:23,589 --> 00:55:19,920

you mean in terms of the subjects that

1751

00:55:27,670 --> 00:55:26,150

i like the last half hour of the film

1752

00:55:28,870 --> 00:55:27,680

which deals with the freetown state

1753

00:55:32,150 --> 00:55:28,880

forest

1754

00:55:33,109 --> 00:55:32,160

because that is uh we talk about the

1755

00:55:35,430 --> 00:55:33,119

criminal element

1756

00:55:36,549 --> 00:55:35,440

yeah we didn't talk about the satanism

1757

00:55:40,309 --> 00:55:36,559

yeah

1758

00:55:41,750 --> 00:55:40,319

sure um but that's my favorite part of

1759

00:55:44,390 --> 00:55:41,760

the film only because

1760

00:55:46,150 --> 00:55:44,400

there's a lot of evidence to support it

1761

00:55:47,109 --> 00:55:46,160

and as a person who's a skeptic and

1762

00:55:49,670 --> 00:55:47,119

scientifically

1763

00:55:51,349 --> 00:55:49,680

mindful i like things that can be proven

1764

00:55:53,270 --> 00:55:51,359

so that and it just that

1765

00:55:55,190 --> 00:55:53,280

section of the film i think is the

1766

00:55:56,549 --> 00:55:55,200

creepiest and if you shut the lights off

1767

00:55:57,829 --> 00:55:56,559

and watch it alone in the dark that's

1768

00:55:58,950 --> 00:55:57,839

the part that's going to give you a real

1769

00:56:00,710 --> 00:55:58,960

chill

1770

00:56:02,150 --> 00:56:00,720

there were people that did mutilations

1771

00:56:05,109 --> 00:56:02,160

and there were some murders too

1772

00:56:06,950 --> 00:56:05,119

yeah um there was back in the 70s 80s

1773

00:56:07,589 --> 00:56:06,960

and into the 90s there was a lot of

1774

00:56:09,910 --> 00:56:07,599

evidence

1775

00:56:11,349 --> 00:56:09,920

of ritual sacrifice that was uncovered

1776

00:56:12,630 --> 00:56:11,359

in the freetown state forest and then

1777

00:56:15,349 --> 00:56:12,640

that ties back to the whole

1778

00:56:16,870 --> 00:56:15,359

negative energy of that location i mean

1779

00:56:19,510 --> 00:56:16,880

ritual sacrifice isn't

1780

00:56:19,990 --> 00:56:19,520

necessarily paranormal in in and of

1781

00:56:21,910 --> 00:56:20,000

itself

1782

00:56:23,829 --> 00:56:21,920

but people tie it into the whole concept

1783

00:56:27,910 --> 00:56:23,839

of this bridgewater triangle

1784

00:56:29,990 --> 00:56:27,920

and they were never able to actually

1785

00:56:31,349 --> 00:56:30,000

pin that activity on anybody and you

1786

00:56:33,270 --> 00:56:31,359

start treading into

1787

00:56:34,470 --> 00:56:33,280

you know freedom of religion but then

1788

00:56:36,549 --> 00:56:34,480

you're talking about

1789

00:56:38,789 --> 00:56:36,559

cruelty to animals but there were you

1790

00:56:40,470 --> 00:56:38,799

know at one point you would find

1791

00:56:41,990 --> 00:56:40,480

pentagrams on the ground with like a

1792

00:56:43,349 --> 00:56:42,000

dead seagull or a dead pigeon in the

1793

00:56:44,630 --> 00:56:43,359

middle and then it progressed to

1794

00:56:46,549 --> 00:56:44,640

eventually finding

1795

00:56:48,630 --> 00:56:46,559

a dozen baby calves butchered in a

1796

00:56:49,430 --> 00:56:48,640

remote section of the freetown state

1797

00:56:50,950 --> 00:56:49,440

forest

1798

00:56:52,710 --> 00:56:50,960

yeah so there were there was a lot of

1799

00:56:54,470 --> 00:56:52,720

those like not

1800

00:56:56,390 --> 00:56:54,480

when you think of cattle mutilations you

1801
00:56:57,990 --> 00:56:56,400
know there did any of them did they

1802
00:56:59,750 --> 00:56:58,000
drain the blood from them yeah there

1803
00:57:02,870 --> 00:56:59,760
were two instances of cattle

1804
00:57:03,829 --> 00:57:02,880
totally absent of blood uh a dozen baby

1805
00:57:06,950 --> 00:57:03,839
calves and then

1806
00:57:09,670 --> 00:57:06,960
later uh before that i'm not sure uh

1807
00:57:10,630 --> 00:57:09,680
a full skeletal adult cow was found in

1808
00:57:12,470 --> 00:57:10,640
the same spot

1809
00:57:13,750 --> 00:57:12,480
and there was a bunker yeah there was an

1810
00:57:16,950 --> 00:57:13,760
underground bunker with

1811
00:57:19,910 --> 00:57:16,960
a lot of evidence of uh satanic rituals

1812
00:57:21,670 --> 00:57:19,920
uh taking place there that was found in

1813
00:57:23,349 --> 00:57:21,680

a remote section of the woods and if you

1814

00:57:24,309 --> 00:57:23,359

hadn't walked at it from a certain angle

1815

00:57:25,670 --> 00:57:24,319

you wouldn't even have known it was

1816

00:57:26,230 --> 00:57:25,680

there but you went down and they had

1817

00:57:27,829 --> 00:57:26,240

like

1818

00:57:29,589 --> 00:57:27,839

children's clothing these miniature

1819

00:57:31,510 --> 00:57:29,599

chairs with bindings on them and things

1820

00:57:33,829 --> 00:57:31,520

like that some really creepy stuff

1821

00:57:34,710 --> 00:57:33,839

wow well that's it that's really

1822

00:57:36,549 --> 00:57:34,720

something so

1823

00:57:39,109 --> 00:57:36,559
