

1
00:00:05,269 --> 00:00:03,500
and it hits me oh my gosh this is that

2
00:00:06,470 --> 00:00:05,279
triangle you know there's explanation

3
00:00:08,419 --> 00:00:06,480
for everything that occurred in the

4
00:00:10,940 --> 00:00:08,429
rendlesham forest incident it doesn't

5
00:00:14,299 --> 00:00:10,950
involve aliens at all it was completely

6
00:00:17,150 --> 00:00:14,309
silent it comes right over our head it's

7
00:00:18,740 --> 00:00:17,160
sort of classic flying-saucer really

8
00:00:20,720 --> 00:00:18,750
standing in the clearing he turned over

9
00:00:25,779 --> 00:00:20,730
to my father held his hand and he looked

10
00:00:31,820 --> 00:00:29,210
welcome to Podcast UFO for our live show

11
00:00:34,160 --> 00:00:31,830
we're live every wednesday at eight pm

12
00:00:36,680 --> 00:00:34,170
eastern standard time on the Dark Matter

13
00:00:40,340 --> 00:00:36,690

radio network please remember to visit

00:00:43,549 --> 00:00:40,350

the website podcast UFO calm for past

15

00:00:45,529 --> 00:00:43,559

episodes blogs and forums during the

16

00:00:48,020 --> 00:00:45,539

show feel free to participate live in

our chat room and don't forget to Like

18

00:00:54,139 --> 00:00:50,420

us on our very active Facebook page

19

00:00:55,760 --> 00:00:54,149

hello and welcome to Podcast UFO i am

20

00:00:59,240 --> 00:00:55,770

not your normal host Martin Willis

21

00:01:00,979 --> 00:00:59,250

Martin is unfortunately separated from

22

00:01:04,219 --> 00:01:00,989

the internet at the moment because he is

23

00:01:05,690 --> 00:01:04,229

moving to his fortress of solitude so

24

00:01:09,500 --> 00:01:05,700

instead this week you are saddled with

25

00:01:11,149 --> 00:01:09,510

me Michael out some of the longer term

26

00:01:13,219 --> 00:01:11,159

listeners might remember me I used to do

27

00:01:17,300 --> 00:01:13,229

the news for the show before we came to

28

00:01:18,890 --> 00:01:17,310

Dark Matter radio network uh and had to

29

00:01:21,740 --> 00:01:18,900

leave because I wasn't able to commit to

30

00:01:23,539 --> 00:01:21,750

every Wednesday night but I'm happy to

31

00:01:25,640 --> 00:01:23,549

be back today I'm happy to be back with

32

00:01:28,070 --> 00:01:25,650

all these people and I am glad to fill

33

00:01:30,770 --> 00:01:28,080

in from Martin um today we will have

34

00:01:32,660 --> 00:01:30,780

John venturi on we will unfortunately

35

00:01:34,609 --> 00:01:32,670

not be able to connect with John Tobin

36

00:01:36,679 --> 00:01:34,619

this was all just to last minute so

37

00:01:38,420 --> 00:01:36,689

there won't be a news but luckily we do

38

00:01:41,899 --> 00:01:38,430

have an astronomy segment with Andy

39

00:01:44,450 --> 00:01:41,909

Fleming so if that is ready to go we

40

00:01:46,249 --> 00:01:44,460

will get that right up here first listen

41

00:01:49,069 --> 00:01:46,259

to the astronomy segment and be back

42

00:01:51,200 --> 00:01:49,079

with a John vintry and talk about the

43

00:01:52,969 --> 00:01:51,210

Malaysian Airlines flight that is

44

00:01:57,350 --> 00:01:52,979

currently missing was it abducted by

45

00:01:59,420 --> 00:01:57,360

UFOs and haim autism lessness now once

46

00:02:02,120 --> 00:01:59,430

people realize that you're an amateur

47

00:02:05,300 --> 00:02:02,130

astronomer then on the outside questions

48

00:02:09,859 --> 00:02:05,310

for you the first is have you ever seen

49

00:02:14,000 --> 00:02:09,869

a UFO and my answer in the broader sense

50

00:02:15,530 --> 00:02:14,010

the acronym is well yes I have and you

51
00:02:18,339 --> 00:02:15,540
can check out a full report of my

52
00:02:21,800 --> 00:02:18,349
sighting with artists impressions and

53
00:02:24,350 --> 00:02:21,810
possible explanations at podcast you

54
00:02:29,059 --> 00:02:24,360
Ethel calm forward slash category

55
00:02:32,059 --> 00:02:29,069
forward slash press hyphen releases the

56
00:02:35,449 --> 00:02:32,069
second question they ask is what are

57
00:02:38,210 --> 00:02:35,459
black holes and of course it's a good

58
00:02:41,539 --> 00:02:38,220
question well mainstream astrophysicists

59
00:02:45,830 --> 00:02:41,549
believe black holes usually result from

60
00:02:48,110 --> 00:02:45,840
the core collapse of giant stars these

61
00:02:50,900 --> 00:02:48,120
stars are thousands of times the mass of

62
00:02:55,039 --> 00:02:50,910
our Sun and then they're relatively

63
00:02:56,930 --> 00:02:55,049

brief lives as supernovae almost

64

00:02:59,839 --> 00:02:56,940

scientists have never actually seen a

65

00:03:03,229 --> 00:02:59,849

black hole indirect evidence very

66

00:03:05,180 --> 00:03:03,239

strongly suggests that they exist after

67

00:03:07,089 --> 00:03:05,190

all they are a prediction of Albert

68

00:03:10,160 --> 00:03:07,099

Einstein's theory of general relativity

69

00:03:16,190 --> 00:03:10,170

which was published way back nearly 100

70

00:03:18,860 --> 00:03:16,200

years ago in 1915 when gargantuan stir

71

00:03:21,830 --> 00:03:18,870

ends its life the nuclear fusion

72

00:03:25,039 --> 00:03:21,840

reactions in its core come to an end and

73

00:03:28,640 --> 00:03:25,049

the star detonates the resulting

74

00:03:31,699 --> 00:03:28,650

explosion seeds the nearby universe with

75

00:03:36,440 --> 00:03:31,709

heavy elements that make rocks planets

76

00:03:39,020 --> 00:03:36,450

and people the matter that's left is no

77

00:03:42,530 --> 00:03:39,030

longer held up by radiation pressure

78

00:03:45,800 --> 00:03:42,540

from fusion reactions and collapses to a

79

00:03:50,559 --> 00:03:45,810

point of infinite density and gravity

80

00:03:53,390 --> 00:03:50,569

what Astra physicists call a singularity

81

00:03:55,879 --> 00:03:53,400

now these are stellar mass black holes

82

00:03:58,759 --> 00:03:55,889

they are so dense and the gravity is so

83

00:04:01,789 --> 00:03:58,769

strong that nothing can escape from them

84

00:04:04,129 --> 00:04:01,799

not even the light itself hence the

85

00:04:07,789 --> 00:04:04,139

objects are players mainly black and

86

00:04:09,860 --> 00:04:07,799

whites called a black hole perversely

87

00:04:11,839 --> 00:04:09,870

they're not completely black however

88

00:04:14,059 --> 00:04:11,849

they do emit Hawking radiation and

89

00:04:16,720 --> 00:04:14,069

energy from matter spinning and

90

00:04:20,920 --> 00:04:16,730

decreasing around them

91

00:04:24,100 --> 00:04:20,930

gargantuan velocities the event horizon

92

00:04:26,580 --> 00:04:24,110

is simply the point at which an objects

93

00:04:29,500 --> 00:04:26,590

escape velocity from a black hole

94

00:04:31,990 --> 00:04:29,510

exceeds the speed of light in other

95

00:04:38,290 --> 00:04:32,000

words it's effectively lost to our

96

00:04:41,050 --> 00:04:38,300

visible universe now in 1974 radio

97

00:04:44,650 --> 00:04:41,060

astronomers indirectly detective a

98

00:04:47,920 --> 00:04:44,660

massive object in the center of our

99

00:04:52,560 --> 00:04:47,930

Milky Way galaxy in the direction of the

100

00:04:55,690 --> 00:04:52,570

constellation of Sagittarius by 1998

101
00:04:59,190 --> 00:04:55,700
astronomers working at the 10-meter keck

102
00:05:01,660 --> 00:04:59,200
telescope on Mauna Kea in Hawaii

103
00:05:06,310 --> 00:05:01,670
confirmed it as a supermassive black

104
00:05:10,000 --> 00:05:06,320
hole 4 million times the mass of our Sun

105
00:05:14,650 --> 00:05:10,010
in third by the enormous velocities of

106
00:05:17,950 --> 00:05:14,660
its orbiting stars further observations

107
00:05:21,850 --> 00:05:17,960
led to the profound discovery that most

108
00:05:24,550 --> 00:05:21,860
if not all large galaxies including our

109
00:05:28,510 --> 00:05:24,560
next door neighbor m31 the Andromeda

110
00:05:31,480 --> 00:05:28,520
galaxy have supermassive black holes at

111
00:05:33,250 --> 00:05:31,490
their centers how they formed in the

112
00:05:37,210 --> 00:05:33,260
early universe is still a complete

113
00:05:39,490 --> 00:05:37,220

mystery there's no need to worry though

114

00:05:43,150 --> 00:05:39,500

about our black hole at the center of

115

00:05:47,490 --> 00:05:43,160

the Milky Way our monster otherwise

116

00:05:50,950 --> 00:05:47,500

known as Sagittarius a star is a massive

117

00:05:53,260 --> 00:05:50,960

26,000 light-years away from our earth

118

00:05:56,010 --> 00:05:53,270

and at the moment you'll be pleased to

119

00:05:58,810 --> 00:05:56,020

hear it's not fading on there by stars

120

00:06:00,640 --> 00:05:58,820

well thank you Andy for that and I don't

121

00:06:02,590 --> 00:06:00,650

know about you listeners but I could

122

00:06:05,050 --> 00:06:02,600

hear I could listen to Andy flipping

123

00:06:08,260 --> 00:06:05,060

talk about anything I love I love that

124

00:06:10,090 --> 00:06:08,270

accent now once again I'd like to

125

00:06:12,250 --> 00:06:10,100

apologize we don't have news this week

126

00:06:14,230 --> 00:06:12,260

but we do have a very interesting guest

127

00:06:16,540 --> 00:06:14,240

and we'll be talking about a subject in

128

00:06:19,420 --> 00:06:16,550

the news and that is the Malaysian

129

00:06:22,570 --> 00:06:19,430

flight 370 that has been missing you may

130

00:06:24,040 --> 00:06:22,580

have heard on the internet about someone

131

00:06:26,680 --> 00:06:24,050

who suggested that it was abducted by

132

00:06:28,450 --> 00:06:26,690

aliens that man is our guest today John

133

00:06:30,370 --> 00:06:28,460

ventre he is the author of an

134

00:06:33,580 --> 00:06:30,380

alternative history of mankind

135

00:06:36,280 --> 00:06:33,590

uh he also wrote 12 21 12 of prophecy

136

00:06:39,730 --> 00:06:36,290

UFOs over Pennsylvania a few other books

137

00:06:41,500 --> 00:06:39,740

he is on the move on board and he is

138

00:06:44,200 --> 00:06:41,510

also I believe the state director for

139

00:06:47,520 --> 00:06:44,210

Pennsylvania John are you are you there

140

00:06:50,020 --> 00:06:47,530

with us yeah thanks for having me on and

141

00:06:52,870 --> 00:06:50,030

did I get did I get that correct you are

142

00:06:55,890 --> 00:06:52,880

still move on board member yeah Boyd and

143

00:07:00,010 --> 00:06:55,900

I actually have six states but primarily

144

00:07:03,400 --> 00:07:00,020

Pennsylvania and we see you on on

145

00:07:06,940 --> 00:07:03,410

television some as well don't we yeah on

146

00:07:10,120 --> 00:07:06,950

Friday nights at 10pm but we have a new

147

00:07:13,690 --> 00:07:10,130

MUFON face show called hangar 12 UFO

148

00:07:16,840 --> 00:07:13,700

files and what makes that show different

149

00:07:18,910 --> 00:07:16,850

is it's based on real cases you know a

150

00:07:21,160 --> 00:07:18,920

lot of times some of these other shows

151
00:07:23,740 --> 00:07:21,170
that are on like take unsealed if you've

152
00:07:25,540 --> 00:07:23,750
watched that they show this file cabinet

153
00:07:27,640 --> 00:07:25,550
and they pull the file out and all

154
00:07:30,130 --> 00:07:27,650
animated they don't really have a file

155
00:07:33,040 --> 00:07:30,140
cabinet with any files because it's a

156
00:07:35,010 --> 00:07:33,050
made-up show as far as that goes you

157
00:07:37,500 --> 00:07:35,020
know what they're getting is probably

158
00:07:41,230 --> 00:07:37,510
historical stuff off the internet but

159
00:07:44,170 --> 00:07:41,240
with a MUFON show hangar 1 this is for

160
00:07:47,530 --> 00:07:44,180
real this is real cases that we've

161
00:07:50,230 --> 00:07:47,540
worked so this is probably the only real

162
00:07:54,280 --> 00:07:50,240
show unless you had an actual witness

163
00:07:55,990 --> 00:07:54,290

you know in the television show that's

164

00:08:00,580 --> 00:07:56,000

great now I've watched several episodes

165

00:08:04,120 --> 00:08:00,590

I asked I do enjoy that show um will you

166

00:08:07,090 --> 00:08:04,130

be on are you on every episode yeah and

167

00:08:09,670 --> 00:08:07,100

they made me wear the same red shirt in

168

00:08:12,760 --> 00:08:09,680

every episode I'm getting emails on

169

00:08:15,640 --> 00:08:12,770

facebook messages saying why are you

170

00:08:18,880 --> 00:08:15,650

wearing the same clothes but I think

171

00:08:22,300 --> 00:08:18,890

what it is is they're able to you know I

172

00:08:24,820 --> 00:08:22,310

did like 16 17 hours of filming for the

173

00:08:27,190 --> 00:08:24,830

eight shows to get five minutes in each

174

00:08:29,470 --> 00:08:27,200

show but I think if you dress the same

175

00:08:31,990 --> 00:08:29,480

way they can take clips and put it in

176

00:08:34,150 --> 00:08:32,000

any of the eight so it doesn't look like

177

00:08:36,029 --> 00:08:34,160

you know 11 we can work me and wearing a

178

00:08:38,350 --> 00:08:36,039

turtleneck and then the next you know

179

00:08:40,240 --> 00:08:38,360

interview you're in a red shirt so I

180

00:08:42,280 --> 00:08:40,250

think that's the only reason because I

181

00:08:43,399 --> 00:08:42,290

brought three outfits to wear for the

182

00:08:47,030 --> 00:08:43,409

filming and they only

183

00:08:48,740 --> 00:08:47,040

they said leave the red shirt on well as

184

00:08:51,650 --> 00:08:48,750

we all know from watching Star Trek the

185

00:08:53,509 --> 00:08:51,660

red shirt is a bad sign oh that's right

186

00:08:55,189 --> 00:08:53,519

those were the ones who died right the

187

00:08:57,439 --> 00:08:55,199

guys were oh is that the security guys

188

00:08:59,119 --> 00:08:57,449

for sure yes that was the guys that did

189

00:09:03,259 --> 00:08:59,129

intend to make it to the opening credits

190

00:09:06,949 --> 00:09:03,269

that's right well I spent my career in

191

00:09:10,340 --> 00:09:06,959

security 35 years at UPS is their state

192

00:09:13,790 --> 00:09:10,350

security director so it's it's all goes

193

00:09:15,740 --> 00:09:13,800

hand in hand great now you are not here

194

00:09:18,139 --> 00:09:15,750

tonight as a representative of MUFON

195

00:09:22,220 --> 00:09:18,149

correct no I i I'm doing this interview

196

00:09:25,400 --> 00:09:22,230

on in my opinions not not MUFON or a

197

00:09:28,280 --> 00:09:25,410

hangar 1 show no I mean it was nice to

198

00:09:30,769 --> 00:09:28,290

mention both of those as credentials but

199

00:09:35,600 --> 00:09:30,779

I want to do this interview more on my

200

00:09:37,340 --> 00:09:35,610

book and just my opinion sure and we

201

00:09:39,379 --> 00:09:37,350

will do that but first I'd like to give

202

00:09:42,470 --> 00:09:39,389

you a chance as a move on board member

203

00:09:43,699 --> 00:09:42,480

it seems to me that MUFON over the last

204

00:09:46,369 --> 00:09:43,709

couple of years has gotten a lot of bad

205

00:09:49,189 --> 00:09:46,379

press on a particularly a lot of

206

00:09:51,470 --> 00:09:49,199

internet radio shows so uh what I'd like

207

00:09:53,840 --> 00:09:51,480

to do is basically give you a minute or

208

00:09:55,850 --> 00:09:53,850

so to explain to all the listeners why

209

00:09:58,340 --> 00:09:55,860

it's to their advantage to join MUFON

210

00:10:00,170 --> 00:09:58,350

and what make smooth MUFON worth wild

211

00:10:03,679 --> 00:10:00,180

and then we'll leave MUFON behind after

212

00:10:05,240 --> 00:10:03,689

that yeah okay yeah well you know when

213

00:10:08,840 --> 00:10:05,250

all that bad press started a couple

214

00:10:11,420 --> 00:10:08,850

years ago it was really it was one

215

00:10:15,980 --> 00:10:11,430

really long term disgruntled state

216

00:10:18,470 --> 00:10:15,990

director that that got on a vendetta to

217

00:10:20,509 --> 00:10:18,480

get even with MUFON because she was

218

00:10:22,910 --> 00:10:20,519

removed as the state director for her

219

00:10:25,370 --> 00:10:22,920

state and then you know she was a social

220

00:10:29,900 --> 00:10:25,380

organizer in her early day so she knew

221

00:10:32,090 --> 00:10:29,910

how to turn the crowd against you you

222

00:10:34,579 --> 00:10:32,100

know calling members in every state and

223

00:10:35,749 --> 00:10:34,589

turning them against the organization so

224

00:10:37,220 --> 00:10:35,759

it didn't look like it was coming from

225

00:10:39,920 --> 00:10:37,230

her but all these different people

226

00:10:41,509 --> 00:10:39,930

writing in and and going to these groups

227

00:10:44,269 --> 00:10:41,519

so I mean she knew what she was doing

228

00:10:45,650 --> 00:10:44,279

and it was unfortunate you know I think

229

00:10:48,350 --> 00:10:45,660

they could have worked out the

230

00:10:50,929 --> 00:10:48,360

differences where she was demoted and

231

00:10:52,790 --> 00:10:50,939

maybe not being demoted or taken second

232

00:10:54,710 --> 00:10:52,800

in charge in the state or something but

233

00:10:56,380 --> 00:10:54,720

it didn't work that way so it so it

234

00:11:00,280 --> 00:10:56,390

turned into this

235

00:11:02,290 --> 00:11:00,290

really a campaign against MUFON from a

236

00:11:04,570 --> 00:11:02,300

long-term MUFON member and that was

237

00:11:07,720 --> 00:11:04,580

unfortunate so so that's what everybody

238

00:11:11,380 --> 00:11:07,730

has heard but you know I I would move on

239

00:11:13,420 --> 00:11:11,390

now I don't know 16 years I've been a

240

00:11:16,120 --> 00:11:13,430

state director for about half that time

241

00:11:18,010 --> 00:11:16,130

I've been on their board for three years

242

00:11:20,620 --> 00:11:18,020

and I'm an interim board member I'm

243

00:11:22,060 --> 00:11:20,630

waiting for a permanent opening because

244

00:11:23,890 --> 00:11:22,070

they only have nine board members and

245

00:11:25,630 --> 00:11:23,900

his three of us that are like in

246

00:11:27,760 --> 00:11:25,640

training but we go to all the meetings

247

00:11:30,640 --> 00:11:27,770

in the conference calls and you know

248

00:11:32,530 --> 00:11:30,650

I've never seen the you know they say

249

00:11:34,900 --> 00:11:32,540

like well there's people on roof on that

250

00:11:37,720 --> 00:11:34,910

our government and you know and I've

251
00:11:39,880 --> 00:11:37,730
never seen that I mean I don't see you

252
00:11:42,730 --> 00:11:39,890
know those type of connections and stuff

253
00:11:45,220 --> 00:11:42,740
it's just an organization and like I

254
00:11:48,630 --> 00:11:45,230
said if anything you know the board has

255
00:11:51,910 --> 00:11:48,640
nine members and I think six of them are

256
00:11:53,590 --> 00:11:51,920
75 and older so you know that's a

257
00:11:55,690 --> 00:11:53,600
different mentality when you you're

258
00:11:58,120 --> 00:11:55,700
dealing with people from that generation

259
00:12:00,640 --> 00:11:58,130
so um they're a little more cut-and-dry

260
00:12:04,510 --> 00:12:00,650
World War tool to member you know

261
00:12:06,130 --> 00:12:04,520
methods my way or the highway you know I

262
00:12:07,750 --> 00:12:06,140
don't want to say too many things that

263
00:12:08,950 --> 00:12:07,760

that sound negative but it's different

264

00:12:11,740 --> 00:12:08,960

than if you were dealing with a bunch of

265

00:12:15,460 --> 00:12:11,750

30 year olds from google let's say you

266

00:12:18,940 --> 00:12:15,470

know so so as far as MUFON goes I mean

267

00:12:21,460 --> 00:12:18,950

it is the only organization that's out

268

00:12:23,980 --> 00:12:21,470

there that's international it's been

269

00:12:27,340 --> 00:12:23,990

around since nineteen 669 it has

270

00:12:28,960 --> 00:12:27,350

survived for all the years we had like I

271

00:12:32,100 --> 00:12:28,970

said we're an international organization

272

00:12:34,690 --> 00:12:32,110

3,000 members were set up to do the

273

00:12:37,270 --> 00:12:34,700

investigations and you know even this TV

274

00:12:40,750 --> 00:12:37,280

show with all the files that we have we

275

00:12:42,760 --> 00:12:40,760

have 70,000 files in a warehouse and the

276

00:12:44,680 --> 00:12:42,770

producers are going through the older

277

00:12:47,500 --> 00:12:44,690

files that are at the you know

278

00:12:50,410 --> 00:12:47,510

electronic we've gone electronica last

279

00:12:52,690 --> 00:12:50,420

eight or ten years but so so you know

280

00:12:55,600 --> 00:12:52,700

this is the real only organization you

281

00:12:57,220 --> 00:12:55,610

can join other than a local group in

282

00:12:59,950 --> 00:12:57,230

your town what you're really not going

283

00:13:02,740 --> 00:12:59,960

to get cases to investigate maybe a

284

00:13:04,810 --> 00:13:02,750

couple of year I mean I get over 300 in

285

00:13:07,480 --> 00:13:04,820

Pennsylvania i get almost one case a day

286

00:13:10,240 --> 00:13:07,490

and i would say with the show airing now

287

00:13:13,090 --> 00:13:10,250

the number of cases are going to go up

288

00:13:16,200 --> 00:13:13,100

tell my guys this week I said we got

289

00:13:21,100 --> 00:13:16,210

already in the first quarter of the year

290

00:13:23,680 --> 00:13:21,110

we have a 98 Close Encounters of the

291

00:13:25,810 --> 00:13:23,690

second kind and nine Close Encounters of

292

00:13:28,570 --> 00:13:25,820

the Third Kind I think we only had three

293

00:13:30,340 --> 00:13:28,580

or four all of last year people are

294

00:13:32,280 --> 00:13:30,350

coming out of the woodwork now because

295

00:13:34,990 --> 00:13:32,290

they're comfortable they see us on TV

296

00:13:37,620 --> 00:13:35,000

they want to get their case in front of

297

00:13:40,630 --> 00:13:37,630

us and and some of them are historic and

298

00:13:43,120 --> 00:13:40,640

something real good cases good you know

299

00:13:44,890 --> 00:13:43,130

are coming out right now not a close

300

00:13:46,390 --> 00:13:44,900

encounter of the second kind because I

301
00:13:48,820 --> 00:13:46,400
know you're going to ask me that what

302
00:13:51,580 --> 00:13:48,830
does that mean you know the second kind

303
00:13:54,340 --> 00:13:51,590
means you basically saw a UFO below

304
00:13:56,350 --> 00:13:54,350
cloud level first kind would be kind of

305
00:13:58,510 --> 00:13:56,360
high-flying fast-moving you don't really

306
00:14:00,790 --> 00:13:58,520
know what it is that's unidentified

307
00:14:03,100 --> 00:14:00,800
second kind has identified its below

308
00:14:05,650 --> 00:14:03,110
cloud level close encounter of the third

309
00:14:08,500 --> 00:14:05,660
kind is where you saw the entity and

310
00:14:11,010 --> 00:14:08,510
like I said we've got 17 good cases just

311
00:14:15,280 --> 00:14:11,020
in Pennsylvania in the first quarter

312
00:14:17,110 --> 00:14:15,290
well that that is amazing um now do you

313
00:14:19,210 --> 00:14:17,120

think that's because of the show or do

314

00:14:22,480 --> 00:14:19,220

you think we're kind of in the middle of

315

00:14:24,250 --> 00:14:22,490

a flap well I don't I don't think it's a

316

00:14:26,170 --> 00:14:24,260

flap I you know I thought about that too

317

00:14:30,760 --> 00:14:26,180

with the show so I went back and looked

318

00:14:34,030 --> 00:14:30,770

and probably 10 of the 17 came in before

319

00:14:36,460 --> 00:14:34,040

the show aired so the show is bringing

320

00:14:38,579 --> 00:14:36,470

out the historic cases i'm getting cases

321

00:14:42,160 --> 00:14:38,589

now where the guy i'll say you know in

322

00:14:44,110 --> 00:14:42,170

1969 this happened in 1966 this happened

323

00:14:45,610 --> 00:14:44,120

so i don't know just it's kind of

324

00:14:48,250 --> 00:14:45,620

strange at all of a sudden this year

325

00:14:50,380 --> 00:14:48,260

prior to the show 10 11 of those good

326

00:14:51,550 --> 00:14:50,390

cases came out and and we're still

327

00:14:54,280 --> 00:14:51,560

getting them but we're going to get

328

00:14:56,290 --> 00:14:54,290

probably i guarantee you 400 cases this

329

00:14:58,960 --> 00:14:56,300

year because once people feel

330

00:15:01,420 --> 00:14:58,970

comfortable they come out and they tell

331

00:15:06,220 --> 00:15:01,430

you what happened okay now before we

332

00:15:08,740 --> 00:15:06,230

leave MUFON behind um if I why should I

333

00:15:11,680 --> 00:15:08,750

join let's say I'm busy I'm interested

334

00:15:13,750 --> 00:15:11,690

in UFOs I can't investigate I can't put

335

00:15:15,810 --> 00:15:13,760

time into that it is it still a

336

00:15:19,300 --> 00:15:15,820

worthwhile organization for me to join

337

00:15:21,790 --> 00:15:19,310

yeah I would tell you to join mainly to

338

00:15:23,380 --> 00:15:21,800

support the group because the only

339

00:15:26,770 --> 00:15:23,390

funding MUFON

340

00:15:29,470 --> 00:15:26,780

has is by people subscribing to the

341

00:15:31,120 --> 00:15:29,480

magazine you get a monthly journal and

342

00:15:33,400 --> 00:15:31,130

you know the subscription if you get an

343

00:15:35,560 --> 00:15:33,410

online subscription it's it's less than

344

00:15:37,870 --> 00:15:35,570

three dollars an issue the printed

345

00:15:40,570 --> 00:15:37,880

mailed copy is like four dollars an

346

00:15:43,120 --> 00:15:40,580

issue so but that's really their only

347

00:15:45,580 --> 00:15:43,130

income and I've said this to people you

348

00:15:47,860 --> 00:15:45,590

said you know you look at seddie seddie

349

00:15:50,050 --> 00:15:47,870

recently said they were bankrupt and

350

00:15:53,980 --> 00:15:50,060

they needed money and they received over

351

00:15:56,620 --> 00:15:53,990

100 million dollars in donations a lot

352

00:15:59,170 --> 00:15:56,630

from Hollywood and hewlett-packard and

353

00:16:00,970 --> 00:15:59,180

and those techie companies in California

354

00:16:02,440 --> 00:16:00,980

you know where's move on get twenty

355

00:16:05,100 --> 00:16:02,450

thirty thousand dollars a year in

356

00:16:07,570 --> 00:16:05,110

donations I mean we're the ones actually

357

00:16:10,690 --> 00:16:07,580

performing the investigations we're a

358

00:16:12,160 --> 00:16:10,700

non-profit so it's tax deductible so you

359

00:16:14,740 --> 00:16:12,170

know if anything if you just want to

360

00:16:17,440 --> 00:16:14,750

read about it then just join subscribe

361

00:16:19,210 --> 00:16:17,450

to get the magazine if you want to be an

362

00:16:21,040 --> 00:16:19,220

investigator because we live for the

363

00:16:23,170 --> 00:16:21,050

good case you know we live for that case

364

00:16:26,920 --> 00:16:23,180

that comes in and says like we got one

365

00:16:29,380 --> 00:16:26,930

today in Harrisburg where the witness

366

00:16:31,870 --> 00:16:29,390

says he saw a UFO and it dropped

367

00:16:33,850 --> 00:16:31,880

something that's it so it's like

368

00:16:38,200 --> 00:16:33,860

something fell to the ground now it's

369

00:16:43,200 --> 00:16:38,210

trace evidence and you know so now you

370

00:16:50,380 --> 00:16:47,920

okay so um there's our plug for MUFON

371

00:16:52,870 --> 00:16:50,390

now we're officially separating up

372

00:16:54,850 --> 00:16:52,880

you're no longer a representative MUFON

373

00:16:56,650 --> 00:16:54,860

for the rest of the show you are John

374

00:16:59,760 --> 00:16:56,660

printery the author of an alternative

375

00:17:02,410 --> 00:16:59,770

history of mankind is the book out yet

376

00:17:05,260 --> 00:17:02,420

yeah actually it just got delivered to

377

00:17:07,120 --> 00:17:05,270

my house yesterday it had been on kindle

378

00:17:09,460 --> 00:17:07,130

since let's say the weekend when the

379

00:17:12,160 --> 00:17:09,470

publisher put it out there so I've got

380

00:17:14,050 --> 00:17:12,170

the copies that can be mailed milko

381

00:17:16,030 --> 00:17:14,060

which takes a little longer but yeah see

382

00:17:19,810 --> 00:17:16,040

it's out there and and it's ready to be

383

00:17:21,430 --> 00:17:19,820

shipped okay um now unfortunately

384

00:17:22,960 --> 00:17:21,440

because I did come in last minute I

385

00:17:27,160 --> 00:17:22,970

didn't get a chance to read the book and

386

00:17:30,000 --> 00:17:27,170

I apologize for that but I have seen

387

00:17:36,790 --> 00:17:30,010

some of the material on it um basically

388

00:17:41,020 --> 00:17:36,800

you're saying that there's a historical

389

00:17:43,570 --> 00:17:41,030

alien presence in Earth history yeah and

390

00:17:46,090 --> 00:17:43,580

I think it goes back to the beginning I

391

00:17:47,590 --> 00:17:46,100

really do and from all the research I've

392

00:17:50,410 --> 00:17:47,600

done what I've done with this book is

393

00:17:53,260 --> 00:17:50,420

the first couple of chapters I've gone

394

00:17:55,510 --> 00:17:53,270

back and I try to retell our history as

395

00:17:59,200 --> 00:17:55,520

though they have always been here and

396

00:18:01,840 --> 00:17:59,210

how they have interfered and then after

397

00:18:05,740 --> 00:18:01,850

that I put everything I know about UFOs

398

00:18:08,170 --> 00:18:05,750

into this book I have one chapter called

399

00:18:10,030 --> 00:18:08,180

do you know should you know where I put

400

00:18:11,320 --> 00:18:10,040

everything in chronological order and

401

00:18:14,140 --> 00:18:11,330

bullet points so if you know nothing

402

00:18:17,020 --> 00:18:14,150

about UFOs and only read that one

403

00:18:19,630 --> 00:18:17,030

chapter that has I think 166 bullet

404

00:18:22,090 --> 00:18:19,640

points and it's in date order you would

405

00:18:25,090 --> 00:18:22,100

have a very good feeling understanding

406

00:18:28,180 --> 00:18:25,100

of this field then is quotes these

407

00:18:30,880 --> 00:18:28,190

photos so this is and I be honest with

408

00:18:34,210 --> 00:18:30,890

you it is my fifth book third in the

409

00:18:39,040 --> 00:18:34,220

last two years since I retired and I

410

00:18:41,590 --> 00:18:39,050

don't plan on writing anymore so so this

411

00:18:43,960 --> 00:18:41,600

is it this is this is the ultimate I'm

412

00:18:46,330 --> 00:18:43,970

planning contribution yeah I'm planning

413

00:18:48,880 --> 00:18:46,340

that to be my last book i do when i

414

00:18:52,480 --> 00:18:48,890

write a monthly article for the MUFON

415

00:18:55,600 --> 00:18:52,490

journal but I do not plan on writing any

416

00:18:57,880 --> 00:18:55,610

more books after this I'm done I put

417

00:19:00,040 --> 00:18:57,890

everything I know about the field into

418

00:19:02,650 --> 00:19:00,050

this book I don't know that I'm going to

419

00:19:05,980 --> 00:19:02,660

learn a lot more but i'm done now with

420

00:19:09,760 --> 00:19:05,990

writing books now you use the word

421

00:19:13,150 --> 00:19:09,770

interference um is it fair to say that

422

00:19:16,660 --> 00:19:13,160

you do not look upon extraterrestrials

423

00:19:19,810 --> 00:19:16,670

as a benevolent force well I'm torn on

424

00:19:23,500 --> 00:19:19,820

that because the stuff I've read from

425

00:19:25,720 --> 00:19:23,510

the 1950s you know the captain repelled

426
00:19:28,120 --> 00:19:25,730
and major Keyhoe the guys that were

427
00:19:31,540 --> 00:19:28,130
involved in all of this they say that

428
00:19:34,720 --> 00:19:31,550
that they're not a threat man fact one

429
00:19:37,570 --> 00:19:34,730
of the writers from the 50s said it's

430
00:19:40,360 --> 00:19:37,580
not the UFOs that are the problem it's

431
00:19:42,730 --> 00:19:40,370
the people you know our demanding

432
00:19:44,920 --> 00:19:42,740
wanting to know the truth and our legal

433
00:19:47,800 --> 00:19:44,930
rights and an a or so it's really the

434
00:19:48,500 --> 00:19:47,810
UFOs are at least back then they didn't

435
00:19:51,440 --> 00:19:48,510
view them as

436
00:19:54,620 --> 00:19:51,450
being dangerous that's why the Air Force

437
00:19:58,370 --> 00:19:54,630
said that they were no longer going to

438
00:20:00,950 --> 00:19:58,380

investigate UFOs because they're not a

439

00:20:03,140 --> 00:20:00,960

threat to national security so they must

440

00:20:07,790 --> 00:20:03,150

know they're not armed they're not here

441

00:20:10,250 --> 00:20:07,800

to take over but the only big but that I

442

00:20:16,010 --> 00:20:10,260

have and don't take that literally is uh

443

00:20:18,230 --> 00:20:16,020

is uh the abductions and I don't know

444

00:20:20,600 --> 00:20:18,240

too many people that have been abducted

445

00:20:25,010 --> 00:20:20,610

or tell us their story and it's a good

446

00:20:27,290 --> 00:20:25,020

story it is a kidnapping a raper you

447

00:20:29,840 --> 00:20:27,300

know it is just you know I tell people

448

00:20:31,730 --> 00:20:29,850

go call your state police and report it

449

00:20:34,310 --> 00:20:31,740

if you think you've been abducted

450

00:20:37,820 --> 00:20:34,320

because that's how serious it is David

451
00:20:39,950 --> 00:20:37,830
polite ease just wrote a book on state

452
00:20:42,080 --> 00:20:39,960
parks and the number of people that

453
00:20:44,860 --> 00:20:42,090
disappear from state parks it's

454
00:20:47,630 --> 00:20:44,870
incredible now i'm sure there's

455
00:20:50,090 --> 00:20:47,640
homicidal maniacs out there hanging

456
00:20:52,910 --> 00:20:50,100
around state parks but what if that's

457
00:20:55,280 --> 00:20:52,920
not the only answer so you know my gut

458
00:20:58,400 --> 00:20:55,290
tells me there's more than one species

459
00:21:00,590 --> 00:20:58,410
and the species that have that's here

460
00:21:02,450 --> 00:21:00,600
now that's been here the last 20 years

461
00:21:05,000 --> 00:21:02,460
let's say I don't think that I think

462
00:21:07,310 --> 00:21:05,010
they're hostile I really do and I agree

463
00:21:09,710 --> 00:21:07,320

with dr. david jacobs they're not here

464

00:21:11,840 --> 00:21:09,720

to help us they're hostile maybe the

465

00:21:14,600 --> 00:21:11,850

ones that were here back in the 50s were

466

00:21:16,370 --> 00:21:14,610

here to observe and i think through two

467

00:21:19,970 --> 00:21:16,380

years that it's mainly what they've been

468

00:21:22,580 --> 00:21:19,980

doing but you know you can't ignore this

469

00:21:27,260 --> 00:21:22,590

abduction thing and i see it as as

470

00:21:29,420 --> 00:21:27,270

hostile now what uh what fresh

471

00:21:32,150 --> 00:21:29,430

perspective do you bring to this topic

472

00:21:35,570 --> 00:21:32,160

because this is frankly i mean not a new

473

00:21:37,940 --> 00:21:35,580

idea so so what what makes John

474

00:21:40,100 --> 00:21:37,950

Venturi's book the one that our

475

00:21:42,320 --> 00:21:40,110

listeners should pick up and raid yeah

476
00:21:45,230 --> 00:21:42,330
you know I've never um you know people

477
00:21:48,980 --> 00:21:45,240
will write something on one particular

478
00:21:52,340 --> 00:21:48,990
idea I've never seen anyone take our

479
00:21:55,340 --> 00:21:52,350
history and start you know and go

480
00:21:57,200 --> 00:21:55,350
through our entire history as to how

481
00:21:59,660 --> 00:21:57,210
they may have affected it what their

482
00:22:01,970 --> 00:21:59,670
agenda is you know they don't write a

483
00:22:04,700 --> 00:22:01,980
book on abductions and talk about a few

484
00:22:08,330 --> 00:22:04,710
people but nobody has actually taken

485
00:22:10,010 --> 00:22:08,340
this and we told our whole history then

486
00:22:12,380 --> 00:22:10,020
you know I was watching I think on

487
00:22:14,330 --> 00:22:12,390
history channel the story of us so the

488
00:22:16,159 --> 00:22:14,340

story of mankind whatever they called it

489

00:22:17,930 --> 00:22:16,169

a couple years ago and that's really

490

00:22:19,610 --> 00:22:17,940

where I got the idea you know they went

491

00:22:21,890 --> 00:22:19,620

through and retold American history

492

00:22:24,409 --> 00:22:21,900

let's say and I said you know what I'm

493

00:22:26,990 --> 00:22:24,419

gonna retell our history as though they

494

00:22:28,640 --> 00:22:27,000

have always been here they interfered

495

00:22:31,010 --> 00:22:28,650

and and I give a number of examples

496

00:22:32,980 --> 00:22:31,020

along the way and possible things there

497

00:22:36,320 --> 00:22:32,990

are things I don't know obviously but

498

00:22:39,620 --> 00:22:36,330

you know you look at Egypt you know were

499

00:22:41,510 --> 00:22:39,630

those the gods that they brought out a

500

00:22:44,150 --> 00:22:41,520

new beset cetera you know the

501
00:22:46,220 --> 00:22:44,160
eight-foot-tall humans with animal and

502
00:22:48,169 --> 00:22:46,230
bird heads you know that's genetic

503
00:22:50,659 --> 00:22:48,179
engineering is what that is can I prove

504
00:22:53,330 --> 00:22:50,669
that no I can't but you know what if

505
00:22:56,120 --> 00:22:53,340
you're in a primitive society then you

506
00:22:58,610 --> 00:22:56,130
bring four or eight foot out tall men

507
00:23:01,730 --> 00:22:58,620
with animal bird heads I'd call that

508
00:23:03,860 --> 00:23:01,740
crowd control and it that's probably

509
00:23:05,270 --> 00:23:03,870
wonder what they were meant to do when

510
00:23:07,909 --> 00:23:05,280
you see that type of creature come

511
00:23:09,560 --> 00:23:07,919
walking out so you know I know obviously

512
00:23:11,510 --> 00:23:09,570
there's things that I just give my

513
00:23:14,299 --> 00:23:11,520

opinion but then there's other things

514

00:23:17,090 --> 00:23:14,309

like I think that they're here and they

515

00:23:18,830 --> 00:23:17,100

observe our governments are are you know

516

00:23:21,919 --> 00:23:18,840

different forms of government their

517

00:23:24,260 --> 00:23:21,929

conflicts between races I've never

518

00:23:26,720 --> 00:23:24,270

bought the evolution theory I don't

519

00:23:28,730 --> 00:23:26,730

believe that you know there is evolution

520

00:23:31,700 --> 00:23:28,740

to a point but I don't think we got here

521

00:23:35,210 --> 00:23:31,710

from evolution not not humans homo

522

00:23:37,460 --> 00:23:35,220

sapiens but I definitely think that the

523

00:23:39,710 --> 00:23:37,470

different forms of government the racial

524

00:23:41,450 --> 00:23:39,720

groups you know I was talking to Richard

525

00:23:43,669 --> 00:23:41,460

doll and he goes well you know climate

526
00:23:45,680 --> 00:23:43,679
and stuff you can you'll get that change

527
00:23:48,590 --> 00:23:45,690
in the in the pigment and stuff I said

528
00:23:51,500 --> 00:23:48,600
yep I take a globe and I put my finger

529
00:23:53,810 --> 00:23:51,510
on one latitude and I spin it and it

530
00:23:56,060 --> 00:23:53,820
goes through South America Africa and

531
00:23:57,560 --> 00:23:56,070
Southeast Asia why do three different

532
00:23:59,570 --> 00:23:57,570
racial groups if they in the same

533
00:24:02,330 --> 00:23:59,580
temperature zone you know it doesn't

534
00:24:04,280 --> 00:24:02,340
make sense to me so I I think they've

535
00:24:06,260 --> 00:24:04,290
been here and they've interfered in a

536
00:24:10,010 --> 00:24:06,270
lot of ways I think they've helped in

537
00:24:11,840 --> 00:24:10,020
some ways you know to you know to help

538
00:24:15,299 --> 00:24:11,850

united states i think they helped

539

00:24:18,269 --> 00:24:15,309

washington his diary talks about green

540

00:24:21,239 --> 00:24:18,279

skinned aliens it's green skin Indians

541

00:24:23,850 --> 00:24:21,249

that gave him the British coordinates

542

00:24:25,950 --> 00:24:23,860

it's in his journal because he wasn't

543

00:24:28,940 --> 00:24:25,960

that good at general and and they helped

544

00:24:33,029 --> 00:24:28,950

him and I think they were helping

545

00:24:35,940 --> 00:24:33,039

America and just to see how people act

546

00:24:38,909 --> 00:24:35,950

when they're free and it kind of worries

547

00:24:41,159 --> 00:24:38,919

me now that china is rising and it seems

548

00:24:43,739 --> 00:24:41,169

like they're getting a lot of help and I

549

00:24:46,580 --> 00:24:43,749

hope they haven't shifted you know to

550

00:24:49,080 --> 00:24:46,590

see how a you know communism and

551
00:24:51,149 --> 00:24:49,090
totalitarianism works because you can

552
00:24:53,789 --> 00:24:51,159
make a lot quicker decisions than you

553
00:24:55,560 --> 00:24:53,799
can with our form of government but you

554
00:24:59,340 --> 00:24:55,570
depend on their lead of being benevolent

555
00:25:00,869 --> 00:24:59,350
and that doesn't always happen so really

556
00:25:04,080 --> 00:25:00,879
this is this is much more of a

557
00:25:06,450 --> 00:25:04,090
socio-political book oh absolutely yeah

558
00:25:08,519 --> 00:25:06,460
the first couple of chapters then I give

559
00:25:13,369 --> 00:25:08,529
you everything I know about the topic

560
00:25:15,720 --> 00:25:13,379
about the facts about the case for UFOs

561
00:25:18,539 --> 00:25:15,730
you know all my folks are political they

562
00:25:20,249 --> 00:25:18,549
really are you know even the science

563
00:25:23,519 --> 00:25:20,259

fiction ones you know I wrote the

564

00:25:26,279 --> 00:25:23,529

Apophis 20-29 which is about the

565

00:25:28,080 --> 00:25:26,289

asteroid that may hit us in 20 29 but I

566

00:25:31,350 --> 00:25:28,090

you know I set the world in the year

567

00:25:33,509 --> 00:25:31,360

2029 and I put a lot of politics into it

568

00:25:37,080 --> 00:25:33,519

is to you know where we'll be what the

569

00:25:40,909 --> 00:25:37,090

planet will be like etc so yeah I'm

570

00:25:44,100 --> 00:25:40,919

opinionated and I do put the politics in

571

00:25:45,930 --> 00:25:44,110

okay now before we go on um I'm gonna

572

00:25:47,279 --> 00:25:45,940

give you a chance to sell the book here

573

00:25:50,549 --> 00:25:47,289

you mentioned it was on Kendall so

574

00:25:52,019 --> 00:25:50,559

obviously that's amazon.com where where

575

00:25:54,330 --> 00:25:52,029

for our people out there who like to

576

00:25:56,820 --> 00:25:54,340

hold paper where can they get a physical

577

00:25:58,590 --> 00:25:56,830

copy of the book you will if you want

578

00:26:01,350 --> 00:25:58,600

the autographed copy you can only get

579

00:26:04,259 --> 00:26:01,360

that for me and it's at my website which

580

00:26:09,119 --> 00:26:04,269

is John venturi calm and that's V like

581

00:26:11,159 --> 00:26:09,129

in Victor entr e jaan venturi calm and I

582

00:26:13,320 --> 00:26:11,169

autograph it auto ship it to you it's on

583

00:26:16,139 --> 00:26:13,330

my website you just purchase up there

584

00:26:19,889 --> 00:26:16,149

and I hate to be crass but how much is

585

00:26:22,169 --> 00:26:19,899

that it's \$21 which include shipping so

586

00:26:25,409 --> 00:26:22,179

I think that's pretty good price for the

587

00:26:28,019 --> 00:26:25,419

autographed copy it might be worth it

588

00:26:29,250 --> 00:26:28,029

just to read about Washington in the

589

00:26:31,980 --> 00:26:29,260

aliens alone

590

00:26:34,920 --> 00:26:31,990

that's a new one to me well yeah at this

591

00:26:38,460 --> 00:26:34,930

a lot i have a lot of knowledge in this

592

00:26:41,250 --> 00:26:38,470

field and I've I decided to put it all

593

00:26:43,020 --> 00:26:41,260

in chronological order and like that

594

00:26:44,880 --> 00:26:43,030

said even if you skipped the first half

595

00:26:46,980 --> 00:26:44,890

of the book and just go to the chapter

596

00:26:49,200 --> 00:26:46,990

that with the bullet points if you knew

597

00:26:51,030 --> 00:26:49,210

nothing about this field matter of fact

598

00:26:54,180 --> 00:26:51,040

I've used that chapter as I was writing

599

00:26:56,100 --> 00:26:54,190

at this past year i gay I did to two or

600

00:26:58,530 --> 00:26:56,110

three conferences where I didn't put up

601
00:27:00,780 --> 00:26:58,540
a powerpoint i took that chapter and i

602
00:27:03,180 --> 00:27:00,790
just started reading each bullet point i

603
00:27:05,130 --> 00:27:03,190
had never had so many people come up to

604
00:27:06,480 --> 00:27:05,140
me wanting to buy my book saying I

605
00:27:08,340 --> 00:27:06,490
didn't know that I didn't know that I

606
00:27:10,110 --> 00:27:08,350
didn't know that I said well this is in

607
00:27:14,490 --> 00:27:10,120
my next book which isn't written yet but

608
00:27:17,670 --> 00:27:14,500
I do have some other good ones okay now

609
00:27:20,550 --> 00:27:17,680
i think most of our listeners if they

610
00:27:23,630 --> 00:27:20,560
haven't seen you on hangar 1 are going

611
00:27:26,370 --> 00:27:23,640
to know you recently because um

612
00:27:27,990 --> 00:27:26,380
unfortunately Malaysian flight 370

613
00:27:33,000 --> 00:27:28,000

disappeared on march eight as everyone

614

00:27:35,880 --> 00:27:33,010

knows and you have become the poster boy

615

00:27:40,110 --> 00:27:35,890

as it were for the alien abduction

616

00:27:42,480 --> 00:27:40,120

hypothesis is that a fair statement yeah

617

00:27:44,400 --> 00:27:42,490

I would say that's fair in the but you

618

00:27:47,280 --> 00:27:44,410

know the point that kind of got missed

619

00:27:50,610 --> 00:27:47,290

in this was what I was trying to do was

620

00:27:53,040 --> 00:27:50,620

throw out another alternative what would

621

00:27:56,190 --> 00:27:53,050

really ticked me off and why i wrote my

622

00:27:58,320 --> 00:27:56,200

little article that kinda went viral and

623

00:28:01,080 --> 00:27:58,330

it wasn't meant to i sent it to my local

624

00:28:02,700 --> 00:28:01,090

contacts here around pittsburgh and it

625

00:28:05,610 --> 00:28:02,710

ended up all over the place i ended up

626
00:28:07,380 --> 00:28:05,620
on CNN but you know what i would I what

627
00:28:10,410 --> 00:28:07,390
happened was I read this article i think

628
00:28:12,180 --> 00:28:10,420
it was online on bing or msn and and the

629
00:28:14,550 --> 00:28:12,190
guy was talking about there are only

630
00:28:17,760 --> 00:28:14,560
five possibilities and he listed all

631
00:28:20,600 --> 00:28:17,770
five and I said you know what in reading

632
00:28:23,400 --> 00:28:20,610
what happened when you tell me a plane

633
00:28:26,460 --> 00:28:23,410
vanished that's the language that was

634
00:28:30,090 --> 00:28:26,470
used transponders stopped no distress

635
00:28:32,670 --> 00:28:30,100
calls no cell phone no signature of an

636
00:28:34,800 --> 00:28:32,680
explosion no debris well then let me

637
00:28:37,620 --> 00:28:34,810
tell you there's a sixth possibility and

638
00:28:40,140 --> 00:28:37,630

that's that it was abducted because

639

00:28:42,570 --> 00:28:40,150

there is a history to this and and my

640

00:28:44,250 --> 00:28:42,580

other point that I that I wanted out

641

00:28:45,980 --> 00:28:44,260

was that I think they're still alive I

642

00:28:47,909 --> 00:28:45,990

don't think these people are dead and

643

00:28:50,310 --> 00:28:47,919

you know what some of the people that

644

00:28:52,500 --> 00:28:50,320

came back at me I said well why is it

645

00:28:54,659 --> 00:28:52,510

okay to say it blow up and everybody's

646

00:28:56,279 --> 00:28:54,669

dead why is it okay to say it's at the

647

00:28:58,680 --> 00:28:56,289

bottom of the ocean and everybody's dead

648

00:29:01,409 --> 00:28:58,690

and why is it not okay to say was

649

00:29:03,180 --> 00:29:01,419

abducted in this still life and that's

650

00:29:04,649 --> 00:29:03,190

my feeling on this and I can give you

651
00:29:08,009 --> 00:29:04,659
more facts on it if you want it you know

652
00:29:11,669 --> 00:29:08,019
keep discussing it uh well yeah honestly

653
00:29:14,909 --> 00:29:11,679
um I think a lot of people a lot of our

654
00:29:16,830 --> 00:29:14,919
listeners frankly kind of came across

655
00:29:18,810 --> 00:29:16,840
that and we're like well that's I'm

656
00:29:22,129 --> 00:29:18,820
gonna use a bad word here was kind of a

657
00:29:25,110 --> 00:29:22,139
crackpot thing to say so defend yourself

658
00:29:28,860 --> 00:29:25,120
yes well you know I did go out on the

659
00:29:30,629 --> 00:29:28,870
limb by saying it so early because it

660
00:29:32,100 --> 00:29:30,639
was based on that guy you know the one

661
00:29:34,919 --> 00:29:32,110
writer saying there was only five

662
00:29:38,279 --> 00:29:34,929
possibilities and it was based on the

663
00:29:40,889 --> 00:29:38,289

language describing it as vanished and

664

00:29:43,529 --> 00:29:40,899

and the questions that were coming up so

665

00:29:44,940 --> 00:29:43,539

I wouldn't say was crackpot because I I

666

00:29:47,100 --> 00:29:44,950

went out on a limb definitely I mean

667

00:29:50,519 --> 00:29:47,110

it's a lot safer now three weeks later

668

00:29:52,680 --> 00:29:50,529

to come out and say was it taken by was

669

00:29:54,269 --> 00:29:52,690

it abducted because at the time there

670

00:29:56,549 --> 00:29:54,279

was still a very good chance that they

671

00:29:58,440 --> 00:29:56,559

would find debris and that was going to

672

00:30:01,200 --> 00:29:58,450

look stupid but I said you know what

673

00:30:03,960 --> 00:30:01,210

based on when I'm what Dwayne was

674

00:30:05,430 --> 00:30:03,970

described and I think that morning I

675

00:30:07,620 --> 00:30:05,440

wrote it it was I was watching the news

676
00:30:09,779 --> 00:30:07,630
and they were talking that so one

677
00:30:13,169 --> 00:30:09,789
article about how the radar had been

678
00:30:15,480 --> 00:30:13,179
changed manipulated and falsified and I

679
00:30:18,750 --> 00:30:15,490
saw another article on the news on

680
00:30:20,700 --> 00:30:18,760
saying now it turned West and then it

681
00:30:22,529 --> 00:30:20,710
went south I said these people don't

682
00:30:26,490 --> 00:30:22,539
know anything they don't know anything

683
00:30:29,220 --> 00:30:26,500
and and now the other point that I kind

684
00:30:32,370 --> 00:30:29,230
of it concluded my opinion piece and it

685
00:30:34,139 --> 00:30:32,380
was my opinion piece was that let me get

686
00:30:36,840 --> 00:30:34,149
this right i was on the Anderson Cooper

687
00:30:40,799 --> 00:30:36,850
show two years ago and I told Anderson

688
00:30:43,409 --> 00:30:40,809

Cooper that every cell phone call every

689

00:30:46,169 --> 00:30:43,419

text every email is monitored in this

690

00:30:48,000 --> 00:30:46,179

country by the NSA and he laughed at me

691

00:30:51,060 --> 00:30:48,010

he didn't believe it you can go back I

692

00:30:53,129 --> 00:30:51,070

got the DVD I got it on my website right

693

00:30:55,620 --> 00:30:53,139

side of my website Anderson Cooper watch

694

00:30:56,370 --> 00:30:55,630

it I told him that he laughed and then

695

00:30:59,190 --> 00:30:56,380

he came out

696

00:31:01,590 --> 00:30:59,200

yeah that is being done by the NSA so

697

00:31:03,930 --> 00:31:01,600

now with that in my mind I said well

698

00:31:06,660 --> 00:31:03,940

let's see this this planes going into

699

00:31:08,550 --> 00:31:06,670

Chinese airspace are you telling me our

700

00:31:10,980 --> 00:31:08,560

military doesn't have a satellite

701
00:31:12,990 --> 00:31:10,990
looking at Chinese airspace and the

702
00:31:14,730 --> 00:31:13,000
Chinese don't have satellites looking to

703
00:31:16,860 --> 00:31:14,740
see what's in coming so you're telling

704
00:31:19,470 --> 00:31:16,870
me China in the United States don't know

705
00:31:22,560 --> 00:31:19,480
what happened to this plane that is an

706
00:31:25,440 --> 00:31:22,570
absolute impossibility they have though

707
00:31:27,450 --> 00:31:25,450
the military has to know what happened

708
00:31:29,670 --> 00:31:27,460
to this plane if they know I'm on this

709
00:31:32,010 --> 00:31:29,680
show with you right now they know what

710
00:31:34,470 --> 00:31:32,020
happened to this plane and that was

711
00:31:36,600 --> 00:31:34,480
really my concluding point was that they

712
00:31:37,860 --> 00:31:36,610
know you know the to think in a world

713
00:31:39,630 --> 00:31:37,870

where everything but they got a

714

00:31:41,970 --> 00:31:39,640

satellite that can look down right now

715

00:31:43,710 --> 00:31:41,980

through my skylight and seem notes in

716

00:31:45,960 --> 00:31:43,720

front of me on this Malaysian flight

717

00:31:47,460 --> 00:31:45,970

they can see that from a satellite right

718

00:31:50,160 --> 00:31:47,470

now and you tell me you don't know where

719

00:31:51,750 --> 00:31:50,170

to play in this but but what I did to

720

00:31:53,430 --> 00:31:51,760

Justin I didn't just throw it out of

721

00:31:57,390 --> 00:31:53,440

there you know just pull this out of the

722

00:32:00,870 --> 00:31:57,400

air was I I know our history and what I

723

00:32:03,810 --> 00:32:00,880

did was I gave some examples if you want

724

00:32:07,530 --> 00:32:03,820

to talk about aircraft that disappeared

725

00:32:10,710 --> 00:32:07,540

we have the flight 19 out of Fort

726

00:32:13,160 --> 00:32:10,720

Lauderdale December of 1945 we had five

727

00:32:16,380 --> 00:32:13,170

bombers that took off they disappeared

728

00:32:19,410 --> 00:32:16,390

so we sent up a large Martin Mariner

729

00:32:22,440 --> 00:32:19,420

which was you know like a recovery plane

730

00:32:25,320 --> 00:32:22,450

which was huge it disappeared so six

731

00:32:27,330 --> 00:32:25,330

planes twenty seven crew members totally

732

00:32:29,580 --> 00:32:27,340

vanished and that's the same wording

733

00:32:32,430 --> 00:32:29,590

they used on television this plane

734

00:32:36,570 --> 00:32:32,440

vanished a couple of years later eight

735

00:32:38,310 --> 00:32:36,580

years later general chid low in 1953 and

736

00:32:41,340 --> 00:32:38,320

this is in my book all this stuff I got

737

00:32:43,680 --> 00:32:41,350

out of my book alternative history he

738

00:32:46,410 --> 00:32:43,690

said we have stacks of flying saucer

739

00:32:50,040 --> 00:32:46,420

reports we take them very seriously when

740

00:32:53,340 --> 00:32:50,050

you consider how many men and planes we

741

00:32:55,080 --> 00:32:53,350

have lost trying to intercept them so

742

00:32:57,900 --> 00:32:55,090

those planes were probably shot down

743

00:33:01,830 --> 00:32:57,910

maybe maybe not or disappeared but then

744

00:33:04,380 --> 00:33:01,840

in 1953 after he says that November 23rd

745

00:33:08,850 --> 00:33:04,390

we have what came to be known as the

746

00:33:10,050 --> 00:33:08,860

Kinross incident we send a scorpion jet

747

00:33:12,390 --> 00:33:10,060

up from

748

00:33:15,570 --> 00:33:12,400

Ross Air Force Base that intercept a UFO

749

00:33:17,520 --> 00:33:15,580

a guide been on radar they're heading

750

00:33:20,870 --> 00:33:17,530

right at each other head-on collision

751

00:33:23,250 --> 00:33:20,880

well the UFO keeps going our jet

752

00:33:26,040 --> 00:33:23,260

disappears and so does the four crew

753

00:33:28,920 --> 00:33:26,050

members they have that on radar no

754

00:33:31,260 --> 00:33:28,930

debris no recovery we never find the

755

00:33:34,350 --> 00:33:31,270

crew members and probably the more

756

00:33:38,340 --> 00:33:34,360

recent best case was the Fred Valentich

757

00:33:42,720 --> 00:33:38,350

case in 1978 in Australia they got him

758

00:33:45,780 --> 00:33:42,730

on radio calling in he sees a large like

759

00:33:48,420 --> 00:33:45,790

shiny cigar-shaped object with four

760

00:33:51,150 --> 00:33:48,430

lights on it he says it's not an

761

00:33:54,630 --> 00:33:51,160

airplane an aircraft it's coming closer

762

00:33:56,790 --> 00:33:54,640

to him you hear this metal you can hear

763

00:33:58,530 --> 00:33:56,800

it on the radio transcripts is still out

764

00:34:02,370 --> 00:33:58,540

there you can find it you hear this

765

00:34:04,590 --> 00:34:02,380

banging and this metal and he's gone no

766

00:34:06,570 --> 00:34:04,600

debris they knew exactly where it was it

767

00:34:08,820 --> 00:34:06,580

wasn't like he was down by Antarctica he

768

00:34:11,250 --> 00:34:08,830

was right off of the coast of Australia

769

00:34:14,070 --> 00:34:11,260

they know exactly where they lost him no

770

00:34:16,230 --> 00:34:14,080

debris no recovery planes totally gone

771

00:34:18,840 --> 00:34:16,240

you know then I said to and I said to

772

00:34:20,820 --> 00:34:18,850

some people recently I said you know

773

00:34:23,880 --> 00:34:20,830

let's say a Carnival cruise ship off of

774

00:34:26,310 --> 00:34:23,890

Miami they find it totally abandoned you

775

00:34:27,720 --> 00:34:26,320

know what is the media going to say you

776

00:34:30,210 --> 00:34:27,730

know are they going to say well it was

777

00:34:33,240 --> 00:34:30,220

engine fumes and everybody had to get

778

00:34:35,340 --> 00:34:33,250

off the boat are they going to say was

779

00:34:38,130 --> 00:34:35,350

pirates that abducted the 4,000

780

00:34:40,980 --> 00:34:38,140

passengers that there is no media outlet

781

00:34:43,320 --> 00:34:40,990

that's going to say that the people were

782

00:34:45,570 --> 00:34:43,330

abducted by UFOs and that's one of the

783

00:34:47,700 --> 00:34:45,580

problems with our media and why the

784

00:34:51,630 --> 00:34:47,710

mufon symposium this year which I'm

785

00:34:54,990 --> 00:34:51,640

running in Philadelphia July 18 19 20

786

00:34:57,270 --> 00:34:55,000

the topic is UFOs in the media so it was

787

00:34:59,670 --> 00:34:57,280

kind of perfect that we're going to talk

788

00:35:01,650 --> 00:34:59,680

about why the media other than you know

789

00:35:04,500 --> 00:35:01,660

these internet radio shows and your

790

00:35:07,440 --> 00:35:04,510

local small newspaper will write these

791

00:35:09,150 --> 00:35:07,450

things you will not get network news or

792

00:35:12,330 --> 00:35:09,160

the New York Times at a wall street

793

00:35:14,040 --> 00:35:12,340

journal talking about this so so you

794

00:35:17,400 --> 00:35:14,050

know and then the reason I say that a

795

00:35:19,590 --> 00:35:17,410

Carnival cruise ship is that actually

796

00:35:22,320 --> 00:35:19,600

happened in 1870 to the Marie Celeste

797

00:35:23,910 --> 00:35:22,330

Mersch merchant ship was found in the

798

00:35:27,480 --> 00:35:23,920

ocean dinner

799

00:35:30,030 --> 00:35:27,490

the table nobody on board absolutely

800

00:35:33,620 --> 00:35:30,040

nobody on board and it's happened you

801
00:35:36,539 --> 00:35:33,630
know my book is full of instances of

802
00:35:38,789 --> 00:35:36,549
military troops disappearing you have

803
00:35:40,620 --> 00:35:38,799
the Roanoke North Carolina colony

804
00:35:42,620 --> 00:35:40,630
disappeared even the Indian said they

805
00:35:47,010 --> 00:35:42,630
didn't know where they went there's a

806
00:35:49,680 --> 00:35:47,020
eskimo village in 1930 same thing sled

807
00:35:53,130 --> 00:35:49,690
dogs their food on the table not one

808
00:35:55,069 --> 00:35:53,140
human being left in the village you got

809
00:35:58,500 --> 00:35:55,079
the British troops in Gallipoli turkey

810
00:36:01,890 --> 00:35:58,510
1917 that the troop they saw them walk

811
00:36:04,980 --> 00:36:01,900
into a cloud march into a cloud the

812
00:36:07,799 --> 00:36:04,990
cloud passes there's no more troops 800

813
00:36:10,829 --> 00:36:07,809

of them gone six thousand men Roman

814

00:36:13,770 --> 00:36:10,839

Ninth Legion near Rendlesham forest of

815

00:36:17,339 --> 00:36:13,780

all places where we've had two UFO cases

816

00:36:19,650 --> 00:36:17,349

the big Grendel's from case 1980 and an

817

00:36:23,760 --> 00:36:19,660

earlier one I think that was in 59 or or

818

00:36:25,319 --> 00:36:23,770

or 57 that Legion just totally

819

00:36:27,299 --> 00:36:25,329

disappeared nobody knows where that

820

00:36:29,370 --> 00:36:27,309

entire Legion went and is even more

821

00:36:31,859 --> 00:36:29,380

cases than that so so I didn't just pull

822

00:36:33,900 --> 00:36:31,869

it out of my hat you know I do know what

823

00:36:35,789 --> 00:36:33,910

has happened in this field and that's

824

00:36:38,160 --> 00:36:35,799

why I wrote it now I was nervous about

825

00:36:41,069 --> 00:36:38,170

putting it out there because I knew it

826

00:36:43,200 --> 00:36:41,079

was early in the process I I was going

827

00:36:45,180 --> 00:36:43,210

out on a limb but I said you know what

828

00:36:47,280 --> 00:36:45,190

based on the way they described it and I

829

00:36:49,620 --> 00:36:47,290

got a little mad you know the fact that

830

00:36:50,910 --> 00:36:49,630

they would never acknowledge this I said

831

00:36:53,640 --> 00:36:50,920

you know what I'm gonna put it out there

832

00:36:55,410 --> 00:36:53,650

and see what happens and you know I

833

00:36:56,849 --> 00:36:55,420

don't want to say luckily three weeks

834

00:36:59,609 --> 00:36:56,859

later they haven't found it because I

835

00:37:02,400 --> 00:36:59,619

wish they would but you know it's still

836

00:37:04,079 --> 00:37:02,410

hope I do believe these people are alive

837

00:37:05,370 --> 00:37:04,089

I know I know I really don't think that

838

00:37:07,109 --> 00:37:05,380

they're dead I don't think they're in

839

00:37:09,450 --> 00:37:07,119

the bottom of the ocean like everybody

840

00:37:13,109 --> 00:37:09,460

seems to want to find out that that's

841

00:37:16,200 --> 00:37:13,119

what happened well i will give you that

842

00:37:18,240 --> 00:37:16,210

it is incredibly odd given the proximity

843

00:37:21,240 --> 00:37:18,250

of china and the number of chinese

844

00:37:23,640 --> 00:37:21,250

aboard that plane that they don't have

845

00:37:25,579 --> 00:37:23,650

more information on it you'd think they

846

00:37:29,010 --> 00:37:25,589

would have satellites I mean they

847

00:37:30,690 --> 00:37:29,020

they're bristling against Japan right

848

00:37:33,510 --> 00:37:30,700

now they're they're having issues with

849

00:37:35,579 --> 00:37:33,520

india right now they they have to keep

850

00:37:37,530 --> 00:37:35,589

an eye on North Korea just like everyone

851
00:37:39,420 --> 00:37:37,540
else you think that have plenty of

852
00:37:43,620 --> 00:37:39,430
eyes in the sky so that that does make

853
00:37:44,940 --> 00:37:43,630
this all very strange um it I think a

854
00:37:48,390 --> 00:37:44,950
lot of people are still going to say

855
00:37:50,640 --> 00:37:48,400
that an alien abduction is a little bit

856
00:37:52,020 --> 00:37:50,650
out there I'm going to run with that for

857
00:37:54,440 --> 00:37:52,030
a second though I'm going to grant you

858
00:37:58,290 --> 00:37:54,450
that and I'm going to ask you this if

859
00:38:00,840 --> 00:37:58,300
the aliens who haven't necessarily gone

860
00:38:03,480 --> 00:38:00,850
to great lengths to hide themselves but

861
00:38:06,060 --> 00:38:03,490
haven't exactly you know landed in Times

862
00:38:07,890 --> 00:38:06,070
Square either are to the point where in

863
00:38:10,440 --> 00:38:07,900

this day and age where they knew it

864

00:38:13,740 --> 00:38:10,450

would be missed are willing to grab an

865

00:38:15,240 --> 00:38:13,750

entire airliner is that something is

866

00:38:16,650 --> 00:38:15,250

that a is that something we should be

867

00:38:20,430 --> 00:38:16,660

concerned about I mean is that is that

868

00:38:23,240 --> 00:38:20,440

denote some new policy should we be

869

00:38:26,280 --> 00:38:23,250

scared about what comes in the next year

870

00:38:27,690 --> 00:38:26,290

well you know I that's why I say that

871

00:38:31,170 --> 00:38:27,700

you know you can't ignore these

872

00:38:34,140 --> 00:38:31,180

abductions and David Politis book on he

873

00:38:36,390 --> 00:38:34,150

researched state parks and the number of

874

00:38:38,010 --> 00:38:36,400

people that disappear are astronomical

875

00:38:40,590 --> 00:38:38,020

and they don't find them and you don't

876

00:38:42,810 --> 00:38:40,600

do what's funny is that my son a couple

877

00:38:44,220 --> 00:38:42,820

years ago when he graduated college I

878

00:38:45,750 --> 00:38:44,230

was over his house and just talking to

879

00:38:47,910 --> 00:38:45,760

him and his roommate there a couple of

880

00:38:49,470 --> 00:38:47,920

roommates and I said you know people get

881

00:38:51,780 --> 00:38:49,480

abducted and they said to me well how

882

00:38:56,280 --> 00:38:51,790

many oh I don't know so let's go online

883

00:38:58,080 --> 00:38:56,290

so we googled it and there's 250,000

884

00:39:01,350 --> 00:38:58,090

people year in the united states that

885

00:39:03,210 --> 00:39:01,360

are missing persons reports and it turns

886

00:39:06,090 --> 00:39:03,220

out that almost ninety percent of them

887

00:39:08,580 --> 00:39:06,100

come home or found etc but there was

888

00:39:11,160 --> 00:39:08,590

somewhere around 30,000 people year in

889

00:39:14,100 --> 00:39:11,170

the united states that totally totally

890

00:39:16,200 --> 00:39:14,110

disappear now summer homicides some are

891

00:39:19,710 --> 00:39:16,210

Runaways that that you know never do

892

00:39:21,690 --> 00:39:19,720

return but 30,000 people a year just in

893

00:39:23,760 --> 00:39:21,700

this country you know and then I started

894

00:39:25,380 --> 00:39:23,770

thinking about you know the milk cartons

895

00:39:27,570 --> 00:39:25,390

that you see with the kids that are

896

00:39:29,370 --> 00:39:27,580

missing and then all the people who

897

00:39:31,470 --> 00:39:29,380

claim that they've been abducted and you

898

00:39:34,620 --> 00:39:31,480

listen to david jacobs and stuff and it

899

00:39:36,510 --> 00:39:34,630

doesn't seem to me that whatever species

900

00:39:38,540 --> 00:39:36,520

is here right now i don't think they're

901
00:39:41,850 --> 00:39:38,550
friendly i think they're hostile so

902
00:39:45,150 --> 00:39:41,860
would they just grabbed an airliner with

903
00:39:46,740 --> 00:39:45,160
239 people yeah they would because what

904
00:39:48,480 --> 00:39:46,750
are you gonna do about it but you know

905
00:39:50,680 --> 00:39:48,490
if they're watching us to listening to

906
00:39:53,920 --> 00:39:50,690
our news they know the news is

907
00:39:55,540 --> 00:39:53,930
going to report it as being a alien

908
00:39:57,490 --> 00:39:55,550
abduction so what do they got to lose

909
00:39:59,710 --> 00:39:57,500
nobody is going to believe that they've

910
00:40:01,390 --> 00:39:59,720
already called the bluff before they did

911
00:40:03,220 --> 00:40:01,400
it because nobody's going to believe

912
00:40:06,460 --> 00:40:03,230
that we've set it up in this country

913
00:40:08,920 --> 00:40:06,470

that you can never ever talk about the

914

00:40:10,359 --> 00:40:08,930

extra-terrestrial problem because

915

00:40:12,490 --> 00:40:10,369

nobody's going to believe it I'll think

916

00:40:15,550 --> 00:40:12,500

you're crazy and you can thank the CIA

917

00:40:19,420 --> 00:40:15,560

for that because that was their modus

918

00:40:21,400 --> 00:40:19,430

operandi back in 1953 with the Robertson

919

00:40:23,109 --> 00:40:21,410

panel they even said they were going to

920

00:40:25,240 --> 00:40:23,119

come out and make fun of people who

921

00:40:27,130 --> 00:40:25,250

report UFOs they would have debunk it

922

00:40:30,730 --> 00:40:27,140

they were going to give any answer

923

00:40:33,790 --> 00:40:30,740

possible there's a 1958 memo from the

924

00:40:37,559 --> 00:40:33,800

CIA where they said that that that's

925

00:40:40,059 --> 00:40:37,569

what they did in 1953 and they even

926

00:40:43,390 --> 00:40:40,069

sponsored Walter Cronkite the most

927

00:40:46,089 --> 00:40:43,400

believable news person in America they

928

00:40:48,640 --> 00:40:46,099

sponsored his CBS special with the

929

00:40:51,099 --> 00:40:48,650

agenda to the bunk UFOs and he went

930

00:40:53,410 --> 00:40:51,109

along with it so so weary kind of like

931

00:40:56,410 --> 00:40:53,420

painted ourselves in a little trick box

932

00:40:59,349 --> 00:40:56,420

here that you know if anything they do

933

00:41:01,270 --> 00:40:59,359

you know if HIV came from them you know

934

00:41:03,790 --> 00:41:01,280

maybe that's a way of getting rid of the

935

00:41:05,740 --> 00:41:03,800

human race how can you ever come out and

936

00:41:08,559 --> 00:41:05,750

say that nobody's ever going to believe

937

00:41:11,230 --> 00:41:08,569

it so so we have a problem with truth

938

00:41:16,450 --> 00:41:11,240

right now and and that shouldn't be not

939

00:41:19,870 --> 00:41:16,460

in this country now do you think that is

940

00:41:23,470 --> 00:41:19,880

human hubris or do you think that

941

00:41:26,500 --> 00:41:23,480

perhaps there's some stronger aliens

942

00:41:29,140 --> 00:41:26,510

presence than we realize Allah to take

943

00:41:31,660 --> 00:41:29,150

it to a movie they live where they are

944

00:41:33,069 --> 00:41:31,670

actually influenced some of that you

945

00:41:36,760 --> 00:41:33,079

know you know that's the stuff that's

946

00:41:39,640 --> 00:41:36,770

hard to figure out the things i do know

947

00:41:42,040 --> 00:41:39,650

are real or the documents out there and

948

00:41:44,170 --> 00:41:42,050

i put about 20 of them in my book where

949

00:41:47,260 --> 00:41:44,180

you know you have generals talking about

950

00:41:48,880 --> 00:41:47,270

UFOs you have the CIA and it's like four

951

00:41:52,690 --> 00:41:48,890

memos of them talking back and forth

952

00:41:54,760 --> 00:41:52,700

regarding UFOs you know statements that

953

00:41:56,950 --> 00:41:54,770

have been made that the kennedy memo 10

954

00:41:59,559 --> 00:41:56,960

days before his death he put out two

955

00:42:02,680 --> 00:41:59,569

memos regarding UFOs those things I know

956

00:42:04,600 --> 00:42:02,690

are real so that proves to me UFOs are

957

00:42:07,210 --> 00:42:04,610

real I don't know

958

00:42:09,310 --> 00:42:07,220

about you know the hybridization you

959

00:42:11,650 --> 00:42:09,320

know are there people walking among us

960

00:42:14,100 --> 00:42:11,660

that's part alien I don't know if

961

00:42:16,060 --> 00:42:14,110

Eisenhower actually met you know with

962

00:42:18,490 --> 00:42:16,070

extraterrestrials I don't know if

963

00:42:20,110 --> 00:42:18,500

they're if they're the real problem and

964

00:42:23,880 --> 00:42:20,120

it's not the Bilderbergers and the

965

00:42:26,050 --> 00:42:23,890

Rothschilds it's them you know the

966

00:42:28,420 --> 00:42:26,060

reptilian says I can't think of a

967

00:42:30,520 --> 00:42:28,430

British guy that talks about that but

968

00:42:32,020 --> 00:42:30,530

he's convinced that there's a reptilian

969

00:42:35,380 --> 00:42:32,030

species here that's running everything

970

00:42:38,080 --> 00:42:35,390

that's you can get into any avenue you

971

00:42:39,730 --> 00:42:38,090

want with this and convince yourself

972

00:42:42,270 --> 00:42:39,740

that that's what's really going on I

973

00:42:45,430 --> 00:42:42,280

don't know if that stuff's real i dunno

974

00:42:50,620 --> 00:42:45,440

UFOs are real and there's documentation

975

00:42:53,110 --> 00:42:50,630

to that point that they are real okay um

976
00:42:55,750 --> 00:42:53,120
you know they're real have you seen one

977
00:42:58,060 --> 00:42:55,760
no and that's the weird thing is I never

978
00:42:59,650 --> 00:42:58,070
have and let me tell you a little bit

979
00:43:02,590 --> 00:42:59,660
how I got into this and this is

980
00:43:05,770 --> 00:43:02,600
interesting because nearly everyone I

981
00:43:07,960 --> 00:43:05,780
know got into UFOs because they love

982
00:43:10,540 --> 00:43:07,970
that as a kid you know Stan Gordon lives

983
00:43:13,510 --> 00:43:10,550
three miles from me he got into it with

984
00:43:15,460 --> 00:43:13,520
Kecksburg I think he was 9 years old you

985
00:43:17,350 --> 00:43:15,470
know and and just about everybody a move

986
00:43:19,450 --> 00:43:17,360
on said oh here's a kid I was into this

987
00:43:21,490 --> 00:43:19,460
I read every UFO book and then they

988
00:43:24,250 --> 00:43:21,500

asked me and I said I never ready you a

989

00:43:27,250 --> 00:43:24,260

full book I had no interest in UFOs what

990

00:43:30,280 --> 00:43:27,260

I did do I was a comic con guy I went to

991

00:43:32,380 --> 00:43:30,290

horror you know conventions and comic

992

00:43:35,020 --> 00:43:32,390

cons and collected Famous Monsters of

993

00:43:37,750 --> 00:43:35,030

Filmland and built models of you know

994

00:43:40,300 --> 00:43:37,760

Frankenstein and and the mummy and stuff

995

00:43:43,660 --> 00:43:40,310

like that but what happened was I wanted

996

00:43:46,660 --> 00:43:43,670

to write a science-fiction book so in 96

997

00:43:48,460 --> 00:43:46,670

I said you know I was going to write it

998

00:43:50,380 --> 00:43:48,470

on the year 2000 and I said well I don't

999

00:43:52,420 --> 00:43:50,390

have enough time to really do this I've

1000

00:43:54,430 --> 00:43:52,430

never written before I said let me pick

1001
00:43:56,590 --> 00:43:54,440
the mayan calendars that i gave me

1002
00:44:00,010 --> 00:43:56,600
plenty of time i had 16 years to get it

1003
00:44:02,560 --> 00:44:00,020
done and so the more i started

1004
00:44:04,810 --> 00:44:02,570
researching this endtime prophecies and

1005
00:44:06,760 --> 00:44:04,820
all these different cultures the one

1006
00:44:08,640 --> 00:44:06,770
thing I kept coming across is they're

1007
00:44:11,620 --> 00:44:08,650
talking about people from the stars

1008
00:44:14,140 --> 00:44:11,630
people aren't flying shields you know

1009
00:44:15,670 --> 00:44:14,150
star people and you know in a number of

1010
00:44:17,770 --> 00:44:15,680
different cultures and I said you know

1011
00:44:18,400 --> 00:44:17,780
what as soon as i'm done with this I'm

1012
00:44:21,490 --> 00:44:18,410
going to look

1013
00:44:24,970 --> 00:44:21,500

into this UFO field and that's how I got

1014

00:44:26,980 --> 00:44:24,980

involved really in in 98 i joined MUFON

1015

00:44:29,440 --> 00:44:26,990

and at that time I knew nothing about

1016

00:44:31,120 --> 00:44:29,450

UFOs other than you know the thing from

1017

00:44:32,859 --> 00:44:31,130

outer space that crashed with james

1018

00:44:35,920 --> 00:44:32,869

arness and the Antarctic that's above

1019

00:44:37,539 --> 00:44:35,930

all I do you know so so that's how I got

1020

00:44:41,079 --> 00:44:37,549

involved but I never I've never seen a

1021

00:44:43,750 --> 00:44:41,089

UFO I thought I didn't 2008 we were

1022

00:44:46,990 --> 00:44:43,760

having a UFO wave across Pennsylvania

1023

00:44:49,089 --> 00:44:47,000

are a number of sightings tripled and I

1024

00:44:51,609 --> 00:44:49,099

had a pair of Dobermans at the time and

1025

00:44:52,990 --> 00:44:51,619

I I let them out my well-behaved I let

1026
00:44:55,180 --> 00:44:53,000
him out my front door they would never

1027
00:44:57,430 --> 00:44:55,190
run away and all of a sudden I saw this

1028
00:44:59,740 --> 00:44:57,440
thing in the sky really bright moving

1029
00:45:03,160 --> 00:44:59,750
really fast and I said I just saw my

1030
00:45:05,859 --> 00:45:03,170
first UFO but I did what we train our

1031
00:45:08,319 --> 00:45:05,869
investigators to do I went back in the

1032
00:45:10,390 --> 00:45:08,329
house brought the dogs in with me and I

1033
00:45:12,370 --> 00:45:10,400
got on the websites and there are

1034
00:45:15,520 --> 00:45:12,380
different websites that you can look up

1035
00:45:18,760 --> 00:45:15,530
to space station meteors satellites etc

1036
00:45:21,630 --> 00:45:18,770
and there it is I put Greensburg

1037
00:45:25,029 --> 00:45:21,640
Pennsylvania my zip code and a date and

1038
00:45:27,279 --> 00:45:25,039

exactly at the time I saw it at 10 22

1039

00:45:30,279 --> 00:45:27,289

p.m. there was a small asteroid that

1040

00:45:32,140 --> 00:45:30,289

went across the sky and it reflected the

1041

00:45:34,510 --> 00:45:32,150

moonlight so that was the bright light I

1042

00:45:36,309 --> 00:45:34,520

saw as it was going across the sky so

1043

00:45:38,710 --> 00:45:36,319

you know I thought I saw a UFO but I

1044

00:45:40,990 --> 00:45:38,720

didn't but I applied what we train our

1045

00:45:42,880 --> 00:45:41,000

people to do to try to scientifically

1046

00:45:45,490 --> 00:45:42,890

investigate it but I've never seen one

1047

00:45:48,519 --> 00:45:45,500

I'm not sure I want to you know all

1048

00:45:50,769 --> 00:45:48,529

along I said if I saw one I'm gonna wave

1049

00:45:52,359 --> 00:45:50,779

them down make contact is they're going

1050

00:45:55,539 --> 00:45:52,369

to tell me the truth and everything

1051
00:45:56,920 --> 00:45:55,549
about civilization and the universe but

1052
00:45:59,260 --> 00:45:56,930
I don't think that's what they would do

1053
00:46:01,420 --> 00:45:59,270
but I don't think they regard me any

1054
00:46:03,220 --> 00:46:01,430
more than I regard the stink bugs that

1055
00:46:07,599 --> 00:46:03,230
it seemed to be in my house right now

1056
00:46:11,019 --> 00:46:07,609
and hatching a land and what's crazy is

1057
00:46:14,230 --> 00:46:11,029
if you look at two documents in

1058
00:46:17,920 --> 00:46:14,240
particular they tell you to stay away

1059
00:46:21,960 --> 00:46:17,930
from UFOs do not get under them don't

1060
00:46:25,930 --> 00:46:21,970
you know hide one don't get caught and

1061
00:46:29,079 --> 00:46:25,940
those two documents or the fire officers

1062
00:46:31,749 --> 00:46:29,089
guide to disaster control it's a FEMA

1063
00:46:33,849 --> 00:46:31,759

approved hazmat book that

1064

00:46:37,569 --> 00:46:33,859

in every final department in the United

1065

00:46:39,909 --> 00:46:37,579

States chapter 13 is on UFOs and the

1066

00:46:42,489 --> 00:46:39,919

threat and I would tell people to read

1067

00:46:45,339 --> 00:46:42,499

that because it'll tell you about

1068

00:46:47,559 --> 00:46:45,349

radiation psychological effects of

1069

00:46:50,379 --> 00:46:47,569

abduction this is in a fire department

1070

00:46:53,109 --> 00:46:50,389

book you know show me the chapter on the

1071

00:46:55,719 --> 00:46:53,119

Bigfoot attack and I'll show me the

1072

00:46:58,239 --> 00:46:55,729

chapter on poltergeists attack and what

1073

00:47:01,019 --> 00:46:58,249

to do it's not there but there is a

1074

00:47:03,789 --> 00:47:01,029

chapter in the every fire department on

1075

00:47:07,689 --> 00:47:03,799

UFOs and same thing with the Air Force

1076

00:47:09,849 --> 00:47:07,699

from nineteen 68 to 70 they taught a

1077

00:47:13,179 --> 00:47:09,859

course at the Air Force Academy in

1078

00:47:17,649 --> 00:47:13,189

Colorado Springs it was called it was a

1079

00:47:19,989 --> 00:47:17,659

physics 370 class chapter 33 was on UFOs

1080

00:47:23,259 --> 00:47:19,999

and again it gives all these examples

1081

00:47:25,899 --> 00:47:23,269

and it talks about the threat from UFOs

1082

00:47:29,739 --> 00:47:25,909

so you know I would cite both of those

1083

00:47:31,389 --> 00:47:29,749

as examples of don't get caught you know

1084

00:47:36,459 --> 00:47:31,399

don't get captured so it's like playing

1085

00:47:40,029 --> 00:47:36,469

paintball don't get hit you know run is

1086

00:47:42,849 --> 00:47:40,039

is that fire um manual still current

1087

00:47:45,729 --> 00:47:42,859

yeah yeah they just put out I I went and

1088

00:47:49,120 --> 00:47:45,739

I went on amazon I and i ordered a copy

1089

00:47:51,069 --> 00:47:49,130

for myself I got the 1978 edition you

1090

00:47:54,779 --> 00:47:51,079

know I thought that maybe 10 years ago

1091

00:47:57,339 --> 00:47:54,789

they came out with a new one in maybe 98

1092

00:47:59,859 --> 00:47:57,349

something like that or maybe was 2008

1093

00:48:02,199 --> 00:47:59,869

and yes it's in their chapter 33 it's

1094

00:48:05,079 --> 00:48:02,209

called UFOs and the threat and and

1095

00:48:07,389 --> 00:48:05,089

here's a crazy thing and nobody's put

1096

00:48:09,339 --> 00:48:07,399

this connection together but it's in the

1097

00:48:12,339 --> 00:48:09,349

book because people haven't done their

1098

00:48:14,439 --> 00:48:12,349

research much like fact and faked the

1099

00:48:17,409 --> 00:48:14,449

fact or faked on the sci-fi channel did

1100

00:48:19,479 --> 00:48:17,419

an episode on the Battle of LA and they

1101

00:48:22,029 --> 00:48:19,489

were able to find all these witnesses

1102

00:48:23,529 --> 00:48:22,039

and go through it and prove that there

1103

00:48:25,389 --> 00:48:23,539

was something in the sky there and it

1104

00:48:28,769 --> 00:48:25,399

wasn't a balloon and it was most likely

1105

00:48:32,769 --> 00:48:28,779

a UFO the thing they missed was the

1106

00:48:36,999 --> 00:48:32,779

co-author of this femur approved book

1107

00:48:40,659 --> 00:48:37,009

the fire officers guide to the disaster

1108

00:48:43,389 --> 00:48:40,669

control he says right in the book I was

1109

00:48:44,410 --> 00:48:43,399

a witness to the Battle of LA that's why

1110

00:48:46,810 --> 00:48:44,420

I include

1111

00:48:50,650 --> 00:48:46,820

this chapter the guy went on to be an

1112

00:48:52,690 --> 00:48:50,660

attorney he was a reserve officer in I

1113

00:48:55,780 --> 00:48:52,700

don't remember who was the Navy and he

1114

00:48:58,510 --> 00:48:55,790

became the deputy fire chief of Los

1115

00:49:01,450 --> 00:48:58,520

Angeles the reason he put that chapter

1116

00:49:03,460 --> 00:49:01,460

in as he saw the bath full of LA now

1117

00:49:06,730 --> 00:49:03,470

what that a witness can you have than

1118

00:49:08,500 --> 00:49:06,740

him who now puts it in the femur proof

1119

00:49:09,790 --> 00:49:08,510

book that's in every fire department and

1120

00:49:13,360 --> 00:49:09,800

it's out there you can buy it i'd

1121

00:49:15,640 --> 00:49:13,370

recommend it and do you know the exact

1122

00:49:18,670 --> 00:49:15,650

title of that again yeah the fire

1123

00:49:23,800 --> 00:49:18,680

officers guide to disaster control and

1124

00:49:28,690 --> 00:49:23,810

the author is William brahmi be our aah

1125

00:49:32,350 --> 00:49:28,700

ma brahmi I'm surprised that there's not

1126
00:49:35,800 --> 00:49:32,360
a more recent edition than 98 give it a

1127
00:49:37,870 --> 00:49:35,810
maybe it could have been 2004 2008 it

1128
00:49:40,270 --> 00:49:37,880
was it was within the last 10 years I

1129
00:49:42,850 --> 00:49:40,280
kind of think every 20 years or so he

1130
00:49:45,130 --> 00:49:42,860
updates and it puts it out I have the 78

1131
00:49:47,560 --> 00:49:45,140
edition and I'm telling you within the

1132
00:49:51,340 --> 00:49:47,570
last 10 years he read he put it out

1133
00:49:53,650 --> 00:49:51,350
again whether was 04 08 06 i'm not sure

1134
00:49:55,090 --> 00:49:53,660
but he did update it and it's in there

1135
00:49:57,850 --> 00:49:55,100
because the reefs i know it's in there

1136
00:50:00,040 --> 00:49:57,860
it was on the news I there was a new

1137
00:50:02,770 --> 00:50:00,050
segment out there talking about this

1138
00:50:05,350 --> 00:50:02,780

fire officers guy and the chapter on

1139

00:50:08,140 --> 00:50:05,360

UFOs and I saw it it was maybe four five

1140

00:50:12,370 --> 00:50:08,150

six years ago and Jose escamilla who was

1141

00:50:14,800 --> 00:50:12,380

a who's a he makes documentaries he also

1142

00:50:17,350 --> 00:50:14,810

had it in his but he had the earlier

1143

00:50:21,700 --> 00:50:17,360

edition that interview was maybe 10 12

1144

00:50:23,320 --> 00:50:21,710

years ago um let's get back to your book

1145

00:50:26,950 --> 00:50:23,330

for a second instead of selling this

1146

00:50:29,710 --> 00:50:26,960

this fire guy yeah what's one of the

1147

00:50:31,600 --> 00:50:29,720

let's pick we only have about mm five or

1148

00:50:34,090 --> 00:50:31,610

so minutes left look pick out one other

1149

00:50:36,790 --> 00:50:34,100

just amazing thing that you can back up

1150

00:50:40,990 --> 00:50:36,800

from your book that listeners aren't

1151

00:50:43,120 --> 00:50:41,000

going to be aware of oh boy it is so

1152

00:50:46,450 --> 00:50:43,130

much in there until there's a lot in

1153

00:50:50,620 --> 00:50:46,460

there with the battles you like doing

1154

00:50:53,740 --> 00:50:50,630

during here is one during Vietnam there

1155

00:50:58,330 --> 00:50:53,750

were a couple things in Vietnam one was

1156

00:51:01,270 --> 00:50:58,340

that the generals the we would say that

1157

00:51:03,940 --> 00:51:01,280

we would call UFOs during Vietnam as

1158

00:51:06,100 --> 00:51:03,950

helicopters the only problem in this

1159

00:51:08,920 --> 00:51:06,110

general says it is that the North Korean

1160

00:51:10,990 --> 00:51:08,930

monies didn't have a helicopters until

1161

00:51:12,580 --> 00:51:11,000

the end of the war but we would always

1162

00:51:15,160 --> 00:51:12,590

call them helicopters because there was

1163

00:51:19,870 --> 00:51:15,170

no other way to code you know code them

1164

00:51:21,760 --> 00:51:19,880

and describe them and it was trying to

1165

00:51:24,700 --> 00:51:21,770

William Cooper talks about when he

1166

00:51:27,190 --> 00:51:24,710

served in Vietnam and our whole villages

1167

00:51:29,440 --> 00:51:27,200

of people disappeared so that goes along

1168

00:51:33,940 --> 00:51:29,450

with your flight 370 and there was one

1169

00:51:37,840 --> 00:51:33,950

incident in particular where we send up

1170

00:51:40,180 --> 00:51:37,850

two Jet's after UFO it's chasing it goes

1171

00:51:44,410 --> 00:51:40,190

out over the ocean we fire on it as soon

1172

00:51:47,290 --> 00:51:44,420

as we fire the jet the UFO takes you

1173

00:51:50,440 --> 00:51:47,300

know and not a 90-degree turn we miss it

1174

00:51:54,190 --> 00:51:50,450

our missiles hit an Australian destroyer

1175

00:51:57,250 --> 00:51:54,200

called the HMS Hobart absolutely we hit

1176

00:51:59,320 --> 00:51:57,260

the Australian destroyer because the UFO

1177

00:52:01,750 --> 00:51:59,330

led us right towards it and as soon as

1178

00:52:04,180 --> 00:52:01,760

we fired it took off and we hit the ship

1179

00:52:07,570 --> 00:52:04,190

and that's that general who talks about

1180

00:52:10,540 --> 00:52:07,580

the UFOs during Vietnam we used to call

1181

00:52:13,720 --> 00:52:10,550

them helicopters and he ended up getting

1182

00:52:16,480 --> 00:52:13,730

promoted really high I think into the

1183

00:52:18,100 --> 00:52:16,490

joint chiefs of staff etc but I mean

1184

00:52:22,150 --> 00:52:18,110

there's an example that that's

1185

00:52:25,420 --> 00:52:22,160

documented and it's real um from your

1186

00:52:27,580 --> 00:52:25,430

book is there a lot more UFO activity in

1187

00:52:30,910 --> 00:52:27,590

this in this area of the South China Sea

1188

00:52:32,710 --> 00:52:30,920

or or basically where the Malaysian

1189

00:52:35,380 --> 00:52:32,720

flight disappeared them people in

1190

00:52:37,930 --> 00:52:35,390

America would realize you know I would

1191

00:52:41,230 --> 00:52:37,940

doubt it because if you look at where

1192

00:52:42,880 --> 00:52:41,240

who has UFO Reporting centers and you

1193

00:52:44,140 --> 00:52:42,890

know this has always like some people

1194

00:52:47,080 --> 00:52:44,150

will come out and say well this is an

1195

00:52:49,150 --> 00:52:47,090

American phenomenon because if you look

1196

00:52:51,190 --> 00:52:49,160

at the number of cases reported every

1197

00:52:53,550 --> 00:52:51,200

year it's eighty percent reported in the

1198

00:52:57,310 --> 00:52:53,560

United States well that's only because

1199

00:52:59,530 --> 00:52:57,320

you have a you know the MUFON you have a

1200

00:53:01,810 --> 00:52:59,540

group that you can report it to move

1201

00:53:03,520 --> 00:53:01,820

fonts international but ninety percent

1202

00:53:07,630 --> 00:53:03,530

of the members are in the United States

1203

00:53:09,730 --> 00:53:07,640

you know Canada the UK we you know we're

1204

00:53:10,750 --> 00:53:09,740

getting bigger there but when you go out

1205

00:53:13,240 --> 00:53:10,760

to

1206

00:53:14,830 --> 00:53:13,250

India China you know there's okay you

1207

00:53:17,140 --> 00:53:14,840

know what a third of the world's

1208

00:53:20,380 --> 00:53:17,150

population is right in that area there

1209

00:53:22,660 --> 00:53:20,390

and there are at UFO reporting center so

1210

00:53:26,380 --> 00:53:22,670

so that's part of the problem I did get

1211

00:53:28,480 --> 00:53:26,390

information from an Egyptian doctor who

1212

00:53:31,000 --> 00:53:28,490

said that there were UFO sightings in

1213

00:53:34,870 --> 00:53:31,010

the area of Malaysia and I got his name

1214

00:53:37,000 --> 00:53:34,880

and I I have it in you know a little

1215

00:53:38,890 --> 00:53:37,010

write up that I made that he claims they

1216

00:53:41,170 --> 00:53:38,900

were there were UFO sightings with this

1217

00:53:43,180 --> 00:53:41,180

this jet but you know I think part of

1218

00:53:45,130 --> 00:53:43,190

the problem is you don't have UFO

1219

00:53:46,960 --> 00:53:45,140

Reporting centers around the world but

1220

00:53:51,310 --> 00:53:46,970

let me give you one more fact on on on

1221

00:53:53,740 --> 00:53:51,320

UFO Reporting centers now Japan and

1222

00:53:55,720 --> 00:53:53,750

China do have UFO Reporting Sanders

1223

00:53:59,040 --> 00:53:55,730

government-sponsored buildings that you

1224

00:54:02,440 --> 00:53:59,050

could go in and report it South America

1225

00:54:05,430 --> 00:54:02,450

they handle the UFO cases as through

1226
00:54:09,550 --> 00:54:05,440
their FAA like it's an air safety issue

1227
00:54:11,620 --> 00:54:09,560
the United States and UK handle it

1228
00:54:14,530 --> 00:54:11,630
through their defense department now

1229
00:54:16,390 --> 00:54:14,540
think about that where are the only two

1230
00:54:19,120 --> 00:54:16,400
countries really that go after them with

1231
00:54:21,430 --> 00:54:19,130
our jet fighters to shoot them down we

1232
00:54:23,380 --> 00:54:21,440
because we want the technology South

1233
00:54:26,050 --> 00:54:23,390
America handles that as the air safety

1234
00:54:27,910 --> 00:54:26,060
issue through the FAA and other

1235
00:54:29,620 --> 00:54:27,920
countries just have UFO Reporting

1236
00:54:31,990 --> 00:54:29,630
centers you know as a government

1237
00:54:34,540 --> 00:54:32,000
facility that you can report it to like

1238
00:54:36,340 --> 00:54:34,550

the IRS so you know that tells you

1239

00:54:38,170 --> 00:54:36,350

something we're after the technology and

1240

00:54:43,300 --> 00:54:38,180

we must not think that they're hostile

1241

00:54:45,250 --> 00:54:43,310

because we shoot at them well I hate to

1242

00:54:48,310 --> 00:54:45,260

say it but we are coming to the close of

1243

00:54:50,080 --> 00:54:48,320

the show already John uh so this is

1244

00:54:53,440 --> 00:54:50,090

probably a great time to take another

1245

00:54:55,390 --> 00:54:53,450

minute and throw out your your digital

1246

00:54:57,010 --> 00:54:55,400

vital statistics there how people can

1247

00:54:59,170 --> 00:54:57,020

get a hold of you how people can get a

1248

00:55:01,960 --> 00:54:59,180

hold of this book and your other books

1249

00:55:04,150 --> 00:55:01,970

yeah well the simplest thing would be as

1250

00:55:05,650 --> 00:55:04,160

far as my books go which I got three it

1251

00:55:08,190 --> 00:55:05,660

good to be back on the show hopefully

1277

00:56:15,500 --> 00:56:13,800

this proves to some of you that I did

1278

00:56:17,900 --> 00:56:15,510

not run because I was a CIA

1279

00:56:21,050 --> 00:56:17,910

disinformation specialist which I know I

1280

00:56:23,660 --> 00:56:21,060

was accused of being in all seriousness

1281

00:56:26,510 --> 00:56:23,670

though I would like to thank a Keith and

1282

00:56:29,540 --> 00:56:26,520

dark matter radio for making this a much

1283

00:56:31,790 --> 00:56:29,550

easier experience than I thought it was

1284

00:56:34,730 --> 00:56:31,800
