

1
00:00:04,150 --> 00:00:02,470
and it hits me oh my gosh this is that

2
00:00:05,349 --> 00:00:04,160
triangle you know there's explanation

3
00:00:07,349 --> 00:00:05,359
for everything that occurred in the

4
00:00:09,830 --> 00:00:07,359
renal chambers incident that doesn't

5
00:00:13,270 --> 00:00:09,840
involve aliens at all it was completely

6
00:00:15,990 --> 00:00:13,280
silent it comes right over our heads he

7
00:00:17,670 --> 00:00:16,000
saw a classic flying saucer really

8
00:00:19,349 --> 00:00:17,680
standing in the clearing he turned over

9
00:00:20,710 --> 00:00:19,359
to my father and held his hand and he

10
00:00:25,269 --> 00:00:20,720
looked in his eyes and said we're not

11
00:00:30,870 --> 00:00:28,630
welcome to podcast ufo for our live show

12
00:00:33,190 --> 00:00:30,880
we're live every wednesday at 8 pm

13
00:00:35,590 --> 00:00:33,200

eastern standard time on the dark matter

14

00:00:38,709 --> 00:00:35,600

radio network please remember to visit

15

00:00:41,910 --> 00:00:38,719

the website podcastufo.com

16

00:00:43,910 --> 00:00:41,920

for past episodes blogs and forums

17

00:00:45,670 --> 00:00:43,920

during the show feel free to participate

18

00:00:47,830 --> 00:00:45,680

live in our chat room

19

00:00:50,549 --> 00:00:47,840

and don't forget to like us on our very

20

00:00:53,189 --> 00:00:50,559

active facebook page hello and welcome

21

00:00:55,110 --> 00:00:53,199

to the show i'm martin willis your host

22

00:00:57,750 --> 00:00:55,120

and we are coming at you live on the

23

00:00:59,830 --> 00:00:57,760

dark matter radio network from on top of

24

00:01:02,150 --> 00:00:59,840

a mountain in maine and it's uh

25

00:01:04,869 --> 00:01:02,160

wednesday our shows are wednesday at 9

26
00:01:06,469 --> 00:01:04,879
00 pm eastern standard time which is one

27
00:01:08,310 --> 00:01:06,479
am utc

28
00:01:11,109 --> 00:01:08,320
slash gmt

29
00:01:12,870 --> 00:01:11,119
we have a jammed packed show for you

30
00:01:16,469 --> 00:01:12,880
this evening and we're doing a little

31
00:01:18,070 --> 00:01:16,479
celebrating this is our 100th show

32
00:01:21,830 --> 00:01:18,080
yay

33
00:01:23,830 --> 00:01:21,840
and we also have 10 000 likes on our

34
00:01:26,070 --> 00:01:23,840
facebook page this week so we're going

35
00:01:27,910 --> 00:01:26,080
to have a couple of extra people coming

36
00:01:31,109 --> 00:01:27,920
in to join us

37
00:01:32,149 --> 00:01:31,119
and our guest tonight is openminds radio

38
00:01:35,030 --> 00:01:32,159

and tv

39

00:01:36,789 --> 00:01:35,040

alejandro rojas before that

40

00:01:39,270 --> 00:01:36,799

as i said we have a couple people coming

41

00:01:40,710 --> 00:01:39,280

on there will be no astronomy segment

42

00:01:43,030 --> 00:01:40,720

this week

43

00:01:44,870 --> 00:01:43,040

andy will be back next week and he's

44

00:01:47,109 --> 00:01:44,880

going to be talking about dark matter

45

00:01:48,389 --> 00:01:47,119

whether it really exists or not we

46

00:01:50,789 --> 00:01:48,399

really don't know

47

00:01:52,149 --> 00:01:50,799

right now i have my former and severely

48

00:01:54,469 --> 00:01:52,159

missed

49

00:01:56,069 --> 00:01:54,479

co-host michael lowe joining me

50

00:01:58,310 --> 00:01:56,079

are you ready to kick around a news

51
00:01:59,670 --> 00:01:58,320
story like the old days michael

52
00:02:01,830 --> 00:01:59,680
well you know first of all

53
00:02:02,950 --> 00:02:01,840
congratulations on 100 shows martin

54
00:02:04,230 --> 00:02:02,960
thank you

55
00:02:06,230 --> 00:02:04,240
um

56
00:02:07,990 --> 00:02:06,240
and as we you were playing the intro i'm

57
00:02:09,350 --> 00:02:08,000
sitting here and you emailed me today

58
00:02:11,830 --> 00:02:09,360
and said hey when you come on let's do a

59
00:02:13,910 --> 00:02:11,840
news story and uh and i'm sitting here

60
00:02:15,830 --> 00:02:13,920
now the intro's rolling i'm looking at

61
00:02:18,710 --> 00:02:15,840
this new story and all i can think about

62
00:02:21,110 --> 00:02:18,720
is how many retakes did we used to do

63
00:02:23,830 --> 00:02:21,120

back when the show was not live we used

64

00:02:26,470 --> 00:02:23,840

to re-record the news sometimes five six

65

00:02:28,550 --> 00:02:26,480

times oh but it was so much fun but

66

00:02:30,949 --> 00:02:28,560

you're right uh sometimes we just said

67

00:02:33,750 --> 00:02:30,959

what the hell was that oh we said we

68

00:02:36,229 --> 00:02:33,760

said a lot worse than that yeah

69

00:02:38,710 --> 00:02:36,239

yeah if only uh yeah if only they could

70

00:02:40,150 --> 00:02:38,720

hear behind the scenes there was some

71

00:02:42,390 --> 00:02:40,160

i should have saved some of that because

72

00:02:44,309 --> 00:02:42,400

it was it was absolutely ridiculous

73

00:02:46,630 --> 00:02:44,319

uh the retakes and all that that was a

74

00:02:48,550 --> 00:02:46,640

lot of fun but um

75

00:02:49,990 --> 00:02:48,560

you know you are missed you know and i

76
00:02:51,509 --> 00:02:50,000
really appreciate when you came in and

77
00:02:53,190 --> 00:02:51,519
you helped out a while back and

78
00:02:55,030 --> 00:02:53,200
interviewed someone

79
00:02:57,270 --> 00:02:55,040
um who was that you interviewed i can't

80
00:02:59,670 --> 00:02:57,280
remember that was uh john ventry that's

81
00:03:01,670 --> 00:02:59,680
right yeah a lot of a lot of email about

82
00:03:04,229 --> 00:03:01,680
that a lot of people miss you i'm sorry

83
00:03:05,830 --> 00:03:04,239
the way your your job works out the live

84
00:03:07,270 --> 00:03:05,840
shows don't seem to work too well for

85
00:03:08,470 --> 00:03:07,280
you but that may change someday who

86
00:03:10,229 --> 00:03:08,480
knows

87
00:03:13,350 --> 00:03:10,239
well until then you can you can always

88
00:03:15,670 --> 00:03:13,360

count on me as a as as the reserves yes

89

00:03:18,470 --> 00:03:15,680

and uh that'll be great so

90

00:03:20,070 --> 00:03:18,480

do we have a news story we do we we do

91

00:03:23,589 --> 00:03:20,080

we have a special

92

00:03:26,630 --> 00:03:23,599

100th episode news story let me let me

93

00:03:29,509 --> 00:03:26,640

pull it up here take a deep breath

94

00:03:30,470 --> 00:03:29,519

try not to drop the f-bomb which was so

95

00:03:31,750 --> 00:03:30,480

frequent

96

00:03:34,229 --> 00:03:31,760

in those

97

00:03:36,229 --> 00:03:34,239

that's right okay take one all right

98

00:03:38,390 --> 00:03:36,239

yeah exactly

99

00:03:39,990 --> 00:03:38,400

and first up you know i'm not gonna do

100

00:03:41,350 --> 00:03:40,000

the remember the old intro i'd go

101
00:03:43,309 --> 00:03:41,360
through everything and remind everybody

102
00:03:46,070 --> 00:03:43,319
to check us out on facebook

103
00:03:48,390 --> 00:03:46,080
podcastufo.com oh yeah all that good

104
00:03:50,630 --> 00:03:48,400
stuff but instead we'll just jump right

105
00:03:53,270 --> 00:03:50,640
in with the 50th anniversary of the

106
00:03:55,110 --> 00:03:53,280
solway spaceman photo

107
00:03:57,270 --> 00:03:55,120
and this is one that i picked because i

108
00:03:59,110 --> 00:03:57,280
think a lot of american

109
00:04:01,429 --> 00:03:59,120
uh ufo

110
00:04:04,149 --> 00:04:01,439
enthusiasts will not be quite as

111
00:04:05,350 --> 00:04:04,159
familiar with it as some of our european

112
00:04:06,149 --> 00:04:05,360
listeners

113
00:04:09,830 --> 00:04:06,159

right

114

00:04:11,750 --> 00:04:09,840

and in late may 1964 fire mentioned jim

115

00:04:13,670 --> 00:04:11,760

templeton snapped several photographs of

116

00:04:15,509 --> 00:04:13,680

his wife and daughter at berg

117

00:04:18,550 --> 00:04:15,519

near his home in Carlisle

118

00:04:19,909 --> 00:04:18,560

Cumbria the UK once they were developed

119

00:04:21,349 --> 00:04:19,919

it was pointed out to templeton that

120

00:04:23,590 --> 00:04:21,359

there was something strange in a

121

00:04:25,189 --> 00:04:23,600

photograph of his daughter an odd white

122

00:04:27,590 --> 00:04:25,199

figure that templeton claimed he had

123

00:04:29,830 --> 00:04:27,600

never seen the figure resembled a man in

124

00:04:31,350 --> 00:04:29,840

a spacesuit and was not seen in any of

125

00:04:32,950 --> 00:04:31,360

the other shots

126

00:04:35,350 --> 00:04:32,960

the strange photo was picked up by the

127

00:04:36,950 --> 00:04:35,360

cumberland news and that newspaper story

128

00:04:39,110 --> 00:04:36,960

resulted in wider coverage from the

129

00:04:40,870 --> 00:04:39,120

daily mail and other news outlets

130

00:04:43,110 --> 00:04:40,880

templeton would later claim to have been

131

00:04:44,790 --> 00:04:43,120

visited by two men in black and that

132

00:04:46,790 --> 00:04:44,800

sightings of similar figures by

133

00:04:49,909 --> 00:04:46,800

scientists would result in an australian

134

00:04:52,230 --> 00:04:49,919

missile test being aborted

135

00:04:53,990 --> 00:04:52,240

in in the year since the photograph was

136

00:04:56,710 --> 00:04:54,000

taken it has been suggested that it is

137

00:04:58,310 --> 00:04:56,720

merely an over exposed image of

138

00:05:00,070 --> 00:04:58,320

templeton's wife

139

00:05:02,310 --> 00:05:00,080

there was an aborted blue streak missile

140

00:05:03,510 --> 00:05:02,320

launch just days later but records seem

141

00:05:06,469 --> 00:05:03,520

to indicate that the launch was

142

00:05:07,990 --> 00:05:06,479

cancelled by automatic safety systems

143

00:05:10,310 --> 00:05:08,000

links to the bbc coverage of the

144

00:05:12,390 --> 00:05:10,320

anniversary an investigation into the

145

00:05:14,230 --> 00:05:12,400

australian blue streak missile story and

146

00:05:16,550 --> 00:05:14,240

a video of jim templeton telling his

147

00:05:17,390 --> 00:05:16,560

story will be included in the show notes

148

00:05:20,950 --> 00:05:17,400

at

149

00:05:23,270 --> 00:05:20,960

podcastufo.com yes indeed yes um you

150

00:05:24,870 --> 00:05:23,280

know if you're right now actually if

151
00:05:26,510 --> 00:05:24,880
you're listening live you can jump over

152
00:05:28,310 --> 00:05:26,520
to our website

153
00:05:30,550 --> 00:05:28,320
podcastufo.com and you can see the

154
00:05:32,710 --> 00:05:30,560
picture right on our homepage also

155
00:05:35,350 --> 00:05:32,720
please join in the chat room there it's

156
00:05:37,749 --> 00:05:35,360
a one two click sign in real quick and

157
00:05:39,590 --> 00:05:37,759
you can ask our guest tonight

158
00:05:42,790 --> 00:05:39,600
any questions you can

159
00:05:44,629 --> 00:05:42,800
you can uh chime chime in and uh you can

160
00:05:46,550 --> 00:05:44,639
argue with each other and say silly

161
00:05:48,710 --> 00:05:46,560
comments like you often do i know

162
00:05:51,029 --> 00:05:48,720
everyone's listening and here they come

163
00:05:52,870 --> 00:05:51,039

here come in the comments hey uh yeah

164

00:05:54,790 --> 00:05:52,880

this picture

165

00:05:56,309 --> 00:05:54,800

i i think it's one or two things michael

166

00:05:58,950 --> 00:05:56,319

it's either

167

00:06:00,870 --> 00:05:58,960

this is an interdimensional

168

00:06:03,350 --> 00:06:00,880

traveler or

169

00:06:05,670 --> 00:06:03,360

she's got a spaceman growing out of her

170

00:06:06,550 --> 00:06:05,680

head like a siamese twin or something i

171

00:06:10,309 --> 00:06:06,560

i

172

00:06:12,150 --> 00:06:10,319

for sure

173

00:06:13,830 --> 00:06:12,160

um you know

174

00:06:16,469 --> 00:06:13,840

the first thing i did

175

00:06:17,270 --> 00:06:16,479

was i just blew it right up on my ipad

176

00:06:19,749 --> 00:06:17,280

uh

177

00:06:21,830 --> 00:06:19,759

and you know just took my two fingers

178

00:06:24,390 --> 00:06:21,840

stretched it out

179

00:06:25,990 --> 00:06:24,400

nothing complicated no kind of uh crazy

180

00:06:28,070 --> 00:06:26,000

photo analysis

181

00:06:29,670 --> 00:06:28,080

and once i did that and i took a good

182

00:06:31,029 --> 00:06:29,680

look at it

183

00:06:33,350 --> 00:06:31,039

you can tell

184

00:06:35,189 --> 00:06:33,360

that by the shadowing

185

00:06:37,990 --> 00:06:35,199

uh

186

00:06:39,590 --> 00:06:38,000

basically that the arm is bent like

187

00:06:42,230 --> 00:06:39,600

and like

188

00:06:43,830 --> 00:06:42,240

at the elbow in such a way that the

189

00:06:45,830 --> 00:06:43,840

person is obviously

190

00:06:47,430 --> 00:06:45,840

or whatever it is the figure seems to

191

00:06:49,189 --> 00:06:47,440

have their back to

192

00:06:51,430 --> 00:06:49,199

uh the photographer

193

00:06:53,430 --> 00:06:51,440

once you do that and then you go well

194

00:06:56,469 --> 00:06:53,440

then if it was a person backwards and

195

00:06:58,550 --> 00:06:56,479

there was hair that would be darker yeah

196

00:07:00,870 --> 00:06:58,560

i'm surprised that this photo ever

197

00:07:03,189 --> 00:07:00,880

caused the big deal it seems to

198

00:07:04,950 --> 00:07:03,199

50 years ago

199

00:07:08,070 --> 00:07:04,960

well you know there wasn't there wasn't

200

00:07:09,430 --> 00:07:08,080

the photoshop there wasn't the hoaxing

201
00:07:11,110 --> 00:07:09,440
i don't think there was any hoaxing or

202
00:07:12,790 --> 00:07:11,120
if there was there's very little of it i

203
00:07:13,990 --> 00:07:12,800
would think compared to

204
00:07:15,909 --> 00:07:14,000
these days

205
00:07:18,550 --> 00:07:15,919
and you know it looks like an innocent

206
00:07:20,550 --> 00:07:18,560
shot of a cute little girl and this

207
00:07:22,870 --> 00:07:20,560
thing growing out of her head so yeah i

208
00:07:24,790 --> 00:07:22,880
mean i can see why that would you know

209
00:07:26,870 --> 00:07:24,800
cause a lot of stir but you're right if

210
00:07:28,070 --> 00:07:26,880
you really look at the way his arm is i

211
00:07:30,629 --> 00:07:28,080
think that is

212
00:07:31,830 --> 00:07:30,639
a a person's back

213
00:07:33,350 --> 00:07:31,840

you know they're up they're kind of

214

00:07:35,670 --> 00:07:33,360

elevated that's kind of strange thing

215

00:07:37,909 --> 00:07:35,680

about it right and i i would i would

216

00:07:39,510 --> 00:07:37,919

guess that if this was analyzed like it

217

00:07:41,110 --> 00:07:39,520

was supposed to have been 50 years ago

218

00:07:43,990 --> 00:07:41,120

there's probably a

219

00:07:46,230 --> 00:07:44,000

a pretty good estimate of how far it is

220

00:07:48,469 --> 00:07:46,240

between the horizon and and the little

221

00:07:51,350 --> 00:07:48,479

girl who is the subject of the picture

222

00:07:53,830 --> 00:07:51,360

if that's the case you could probably

223

00:07:54,550 --> 00:07:53,840

relatively easily figure if that could

224

00:07:55,350 --> 00:07:54,560

be

225

00:07:58,390 --> 00:07:55,360

um

226

00:07:59,670 --> 00:07:58,400

templeton's wife i mean i'm you know

227

00:08:01,990 --> 00:07:59,680

figure out what her height is and all

228

00:08:04,230 --> 00:08:02,000

that kind of stuff so it's one of these

229

00:08:08,469 --> 00:08:04,240

things that that although it was a major

230

00:08:09,830 --> 00:08:08,479

case in in the uk and very influential

231

00:08:12,550 --> 00:08:09,840

you know i look back now and i'm just

232

00:08:14,790 --> 00:08:12,560

like wow what was what quite was the big

233

00:08:16,629 --> 00:08:14,800

deal plus i wanted to make sure that i

234

00:08:19,110 --> 00:08:16,639

brought you guys something today that i

235

00:08:20,390 --> 00:08:19,120

could kind of not get behind because i

236

00:08:22,869 --> 00:08:20,400

know there's a lot of people out there

237

00:08:25,510 --> 00:08:22,879

who who are convinced that i am a

238

00:08:28,070 --> 00:08:25,520

disinformation agent so yes well we know

239

00:08:30,150 --> 00:08:28,080

that well you know who you are michael

240

00:08:32,230 --> 00:08:30,160

is you're someone that always kept me on

241

00:08:33,750 --> 00:08:32,240

the right track uh actually you know

242

00:08:35,509 --> 00:08:33,760

like when i was going a little

243

00:08:38,709 --> 00:08:35,519

conspiratorial

244

00:08:41,029 --> 00:08:38,719

or i started uh you know uh

245

00:08:42,790 --> 00:08:41,039

dishing uh grier or something like that

246

00:08:44,870 --> 00:08:42,800

you kind of you kind of reeled me in a

247

00:08:46,790 --> 00:08:44,880

little bit and there was some reeling on

248

00:08:47,910 --> 00:08:46,800

that yes

249

00:08:49,910 --> 00:08:47,920

take two

250

00:08:51,350 --> 00:08:49,920

yeah

251

00:08:53,509 --> 00:08:51,360

no we had a lot of fun though and

252

00:08:55,990 --> 00:08:53,519

michael i really appreciate you coming

253

00:08:58,070 --> 00:08:56,000

on and um it's always a blast to have

254

00:09:00,310 --> 00:08:58,080

you on and uh you want to sit in i'm

255

00:09:02,630 --> 00:09:00,320

going to pull in uh one other guest real

256

00:09:05,110 --> 00:09:02,640

quick here or you got you said you're

257

00:09:06,630 --> 00:09:05,120

you've been up for uh 20 some odd hours

258

00:09:09,509 --> 00:09:06,640

or something like that

259

00:09:11,190 --> 00:09:09,519

i've been up for a while yeah um i i got

260

00:09:13,590 --> 00:09:11,200

a few more minutes so all right so i'm

261

00:09:15,829 --> 00:09:13,600

going to pull in the next person here

262

00:09:18,949 --> 00:09:15,839

hang on just a second this is

263

00:09:21,350 --> 00:09:18,959

not as smooth as it could be but

264

00:09:23,350 --> 00:09:21,360

it'll still work

265

00:09:25,750 --> 00:09:23,360

is this gonna be my my favorite facebook

266

00:09:27,030 --> 00:09:25,760

girl i think so

267

00:09:29,190 --> 00:09:27,040

hopefully she's

268

00:09:30,389 --> 00:09:29,200

she's ready i saw her in the chat room

269

00:09:34,389 --> 00:09:30,399

and

270

00:09:36,870 --> 00:09:35,670

peggy

271

00:09:39,190 --> 00:09:36,880

you know i think it's one of those

272

00:09:41,110 --> 00:09:39,200

things where her mic is muted

273

00:09:45,190 --> 00:09:41,120

and she doesn't know it because uh we

274

00:09:49,430 --> 00:09:48,070

okay peggy i see that you're on

275

00:09:51,509 --> 00:09:49,440

you're on skype

276

00:09:54,949 --> 00:09:51,519

and we're all signed in

277

00:09:56,389 --> 00:09:54,959

but we're not hearing anything from you

278

00:09:58,870 --> 00:09:56,399

so

279

00:10:01,430 --> 00:09:58,880

how about that that's a little better

280

00:10:02,630 --> 00:10:01,440

okay this is live radio dammit how are

281

00:10:05,670 --> 00:10:02,640

you peggy

282

00:10:08,389 --> 00:10:05,680

i did that on purpose um i'm good how

283

00:10:11,509 --> 00:10:08,399

are you hi michael hello

284

00:10:13,829 --> 00:10:11,519

hey i thought you had a microphone

285

00:10:16,550 --> 00:10:13,839

well you made me get this handset i have

286

00:10:19,269 --> 00:10:16,560

it on oh you do and i and i thought i

287

00:10:23,110 --> 00:10:19,279

did everything but i forgot to push the

288

00:10:25,190 --> 00:10:23,120

little button on it okay hey so peggy i

289

00:10:28,230 --> 00:10:25,200

am having you on this evening because i

290

00:10:30,550 --> 00:10:28,240

want to quickly thank you for your very

291

00:10:32,710 --> 00:10:30,560

very hard work on the facebook page and

292

00:10:34,230 --> 00:10:32,720

if anyone out there listening hasn't

293

00:10:37,269 --> 00:10:34,240

been on our facebook page if you want

294

00:10:39,509 --> 00:10:37,279

the latest ufo news astronomy news peggy

295

00:10:41,430 --> 00:10:39,519

is at it every single day working hard

296

00:10:42,870 --> 00:10:41,440

and even with her store back or anything

297

00:10:46,949 --> 00:10:42,880

she's really hard

298

00:10:49,910 --> 00:10:46,959

24 7 martin that's right yeah so we hit

299

00:10:51,910 --> 00:10:49,920

10 000 likes this last week i know it's

300

00:10:55,350 --> 00:10:51,920

exciting i think my husband was as

301
00:10:56,790 --> 00:10:55,360
excited as we were really awesome yeah

302
00:10:59,190 --> 00:10:56,800
what a good guy

303
00:11:01,350 --> 00:10:59,200
so i'm sure people want to know how on

304
00:11:02,470 --> 00:11:01,360
earth do you find

305
00:11:04,870 --> 00:11:02,480
so many

306
00:11:07,269 --> 00:11:04,880
stories and and you're uh sometimes

307
00:11:08,630 --> 00:11:07,279
you're the first one to break a story

308
00:11:11,030 --> 00:11:08,640
well

309
00:11:14,230 --> 00:11:11,040
google is my god you know

310
00:11:15,269 --> 00:11:14,240
oh michael michael has uh michael don't

311
00:11:17,509 --> 00:11:15,279
you have a

312
00:11:19,190 --> 00:11:17,519
something against google oh i have a lot

313
00:11:21,910 --> 00:11:19,200

against google yeah

314

00:11:23,990 --> 00:11:21,920

well google google has served me well i

315

00:11:26,710 --> 00:11:24,000

i get to google alerts

316

00:11:31,350 --> 00:11:26,720

and then i subscribe to

317

00:11:33,430 --> 00:11:31,360

dozens of other sites on facebook

318

00:11:35,030 --> 00:11:33,440

that that post things and then i just

319

00:11:38,310 --> 00:11:35,040

troll the internet

320

00:11:40,710 --> 00:11:38,320

wow so you're one of the trollers

321

00:11:42,949 --> 00:11:40,720

yeah well you've done a heck of a job

322

00:11:46,470 --> 00:11:42,959

peggy and you're always fun and you know

323

00:11:47,829 --> 00:11:46,480

i gotta say peggy you you contacted me

324

00:11:49,509 --> 00:11:47,839

pretty close to the beginning of the

325

00:11:51,590 --> 00:11:49,519

show you know i think i was in like show

326

00:11:53,509 --> 00:11:51,600

number 20 or something like that

327

00:11:56,230 --> 00:11:53,519

probably was a criticism

328

00:11:57,750 --> 00:11:56,240

and it was definitely criticism and um

329

00:11:59,910 --> 00:11:57,760

you know it's funny when you i first

330

00:12:02,790 --> 00:11:59,920

read that i said who is this you know

331

00:12:04,870 --> 00:12:02,800

what and uh

332

00:12:06,470 --> 00:12:04,880

and then uh you know i started thinking

333

00:12:08,470 --> 00:12:06,480

about whatever your comment was and you

334

00:12:11,030 --> 00:12:08,480

know she's right i shouldn't do this or

335

00:12:12,470 --> 00:12:11,040

that and you have helped guide me along

336

00:12:14,550 --> 00:12:12,480

the way and you've also screened a

337

00:12:16,069 --> 00:12:14,560

number of guests and

338

00:12:19,350 --> 00:12:16,079

we actually haven't interviewed a number

339

00:12:20,949 --> 00:12:19,360

of guests because of your screening and

340

00:12:23,590 --> 00:12:20,959

it's always gone really well because of

341

00:12:25,910 --> 00:12:23,600

your your balance and

342

00:12:28,069 --> 00:12:25,920

and your great sense of humor and it's

343

00:12:29,990 --> 00:12:28,079

been a real pleasure it's been a lot of

344

00:12:32,230 --> 00:12:30,000

fun for me it really has i've enjoyed

345

00:12:34,150 --> 00:12:32,240

every minute of it and i want to thank

346

00:12:36,389 --> 00:12:34,160

you too you're almost always on the chat

347

00:12:38,949 --> 00:12:36,399

room and you know getting people going

348

00:12:40,150 --> 00:12:38,959

there and and that's always a blast and

349

00:12:42,389 --> 00:12:40,160

sometimes you

350

00:12:44,550 --> 00:12:42,399

everyone in the chat room just says

351

00:12:46,310 --> 00:12:44,560

some really funny things while the the

352

00:12:48,470 --> 00:12:46,320

gas is on now i don't want to scare away

353

00:12:49,750 --> 00:12:48,480

any gas by saying that but i'm telling

354

00:12:51,750 --> 00:12:49,760

you you know there's a lot of times

355

00:12:53,670 --> 00:12:51,760

where i have to mute the mic and have a

356

00:12:55,590 --> 00:12:53,680

little bit of a laugh i know it is fun i

357

00:12:56,949 --> 00:12:55,600

wish more people uh

358

00:12:58,629 --> 00:12:56,959

thought about it would come to it

359

00:13:00,590 --> 00:12:58,639

because it's a lot of fun

360

00:13:02,629 --> 00:13:00,600

it is yep and you can go there now on

361

00:13:04,069 --> 00:13:02,639

podcastufo.com it's right on the sidebar

362

00:13:05,430 --> 00:13:04,079

two clicks and you're in

363

00:13:09,190 --> 00:13:05,440

well

364

00:13:12,069 --> 00:13:09,200

you've done a wonderful job you're great

365

00:13:14,470 --> 00:13:12,079

to work with and uh it's been a joy

366

00:13:17,269 --> 00:13:14,480

knowing you well um how's the pay no

367

00:13:19,430 --> 00:13:17,279

let's not get into that yeah

368

00:13:22,710 --> 00:13:19,440

but what can i say to send some money my

369

00:13:25,350 --> 00:13:22,720

way martin that's right i love you man

370

00:13:27,030 --> 00:13:25,360

all right hey thanks and uh

371

00:13:28,710 --> 00:13:27,040

are we good to go michael it's been a

372

00:13:32,790 --> 00:13:28,720

real pleasure thanks so much for coming

373

00:13:36,310 --> 00:13:34,710

like i said i'm uh count me as the

374

00:13:38,389 --> 00:13:36,320

reserves

375

00:13:40,710 --> 00:13:38,399

everybody needs a backup and once again

376

00:13:42,790 --> 00:13:40,720

congratulations martin it's uh

377

00:13:44,870 --> 00:13:42,800

i still listen you know everybody i

378

00:13:47,350 --> 00:13:44,880

didn't like totally run away i still

379

00:13:48,710 --> 00:13:47,360

listen uh listen i might be a week or so

380

00:13:51,110 --> 00:13:48,720

behind sometimes because i am one of

381

00:13:53,750 --> 00:13:51,120

those people i listen to the podcast but

382

00:13:55,509 --> 00:13:53,760

uh yeah but last week was stan friedman

383

00:13:57,430 --> 00:13:55,519

right that's right yeah yeah see i'm

384

00:13:58,790 --> 00:13:57,440

current and everything all right i still

385

00:14:00,069 --> 00:13:58,800

i still love the show you're still my

386

00:14:02,069 --> 00:14:00,079

favorite out there martin so

387

00:14:05,110 --> 00:14:02,079

congratulations man hey hey thanks so

388

00:14:07,030 --> 00:14:05,120

much all right i love you guys take care

389

00:14:08,550 --> 00:14:07,040

all right so now i'm gonna you guys are

390

00:14:11,110 --> 00:14:08,560

gonna have to hang up while i pull in my

391

00:14:14,069 --> 00:14:11,120

guests bye-bye bye-bye now

392

00:14:16,310 --> 00:14:14,079

bye martin bye-bye

393

00:14:18,790 --> 00:14:16,320

all right we got alejandro rojas coming

394

00:14:19,629 --> 00:14:18,800

up again you can jump in the chat room

395

00:14:22,629 --> 00:14:19,639

at

396

00:14:25,430 --> 00:14:22,639

podcastufo.com it's right on the sidebar

397

00:14:27,269 --> 00:14:25,440

and alejandro are you there

398

00:14:28,230 --> 00:14:27,279

i am here

399

00:14:29,670 --> 00:14:28,240

hey

400

00:14:31,990 --> 00:14:29,680

how are you man

401
00:14:35,670 --> 00:14:32,000
good how are you doing good good uh

402
00:14:36,790 --> 00:14:35,680
thanks for joining us for our 100th show

403
00:14:37,590 --> 00:14:36,800
yay

404
00:14:42,230 --> 00:14:37,600
yeah

405
00:14:44,710 --> 00:14:42,240
uh michael on that was on in the

406
00:14:45,590 --> 00:14:44,720
beginning yeah i heard him oh yeah

407
00:14:46,470 --> 00:14:45,600
that's right

408
00:14:53,910 --> 00:14:46,480
yeah

409
00:14:56,550 --> 00:14:53,920
nice to hear the behind the scenes

410
00:14:57,509 --> 00:14:56,560
although it's hard to imagine

411
00:15:01,509 --> 00:14:57,519
you

412
00:15:03,189 --> 00:15:01,519
regular basis

413
00:15:05,350 --> 00:15:03,199

well when we knew it we could edit you

414

00:15:07,990 --> 00:15:05,360

know that was the thing yeah sometimes i

415

00:15:10,949 --> 00:15:08,000

got to tell you some of those uh

416

00:15:12,790 --> 00:15:10,959

those newscasts were so funny i i wanted

417

00:15:14,470 --> 00:15:12,800

i just wanted to go with it then you

418

00:15:16,310 --> 00:15:14,480

have to change your thing on itunes that

419

00:15:18,629 --> 00:15:16,320

you know and uh probably lose a number

420

00:15:21,030 --> 00:15:18,639

of listeners right right so i had to we

421

00:15:23,269 --> 00:15:21,040

had to clean it up a little yeah yeah

422

00:15:25,509 --> 00:15:23,279

yeah i like to keep it clean too because

423

00:15:28,550 --> 00:15:25,519

the kids deserve to have the info too

424

00:15:29,990 --> 00:15:28,560

you know that's right uh absolutely and

425

00:15:31,749 --> 00:15:30,000

you know without them you know who's

426

00:15:34,230 --> 00:15:31,759

going to be the next generation coming

427

00:15:35,509 --> 00:15:34,240

along right now yeah well you know we

428

00:15:37,430 --> 00:15:35,519

could always teach them to swear because

429

00:15:40,949 --> 00:15:37,440

they're going to eventually anyway

430

00:15:43,110 --> 00:15:40,959

yeah true yeah so hey um thanks for

431

00:15:45,430 --> 00:15:43,120

again for joining us and what's going on

432

00:15:48,150 --> 00:15:45,440

i know um i saw

433

00:15:49,590 --> 00:15:48,160

the letter you sent to the u.s air force

434

00:15:50,949 --> 00:15:49,600

and read that through and i thought that

435

00:15:53,189 --> 00:15:50,959

was really interesting i mean you always

436

00:15:55,110 --> 00:15:53,199

have a lot of things going on um before

437

00:15:57,189 --> 00:15:55,120

we get into that letter

438

00:15:58,949 --> 00:15:57,199

um you know i was just talking you you

439

00:16:01,670 --> 00:15:58,959

we're listening live i'm talking to

440

00:16:05,910 --> 00:16:01,680

peggy and you're another person out

441

00:16:07,670 --> 00:16:05,920

there that gets the news fast and

442

00:16:09,509 --> 00:16:07,680

i know you don't want to you know drop

443

00:16:11,509 --> 00:16:09,519

your secrets out to everyone how you do

444

00:16:14,230 --> 00:16:11,519

it but is that something that someone's

445

00:16:15,910 --> 00:16:14,240

working on do you have like interns or

446

00:16:17,430 --> 00:16:15,920

you know what what's going on here are

447

00:16:18,389 --> 00:16:17,440

you doing it all yourself or do you have

448

00:16:19,269 --> 00:16:18,399

help

449

00:16:21,590 --> 00:16:19,279

well

450

00:16:24,710 --> 00:16:21,600

uh if you've seen that show person of

451

00:16:27,430 --> 00:16:24,720

interest it's sort of similar to that

452

00:16:30,310 --> 00:16:27,440

uh these these big networks that are

453

00:16:32,470 --> 00:16:30,320

combined we have a room uh size computer

454

00:16:34,470 --> 00:16:32,480

kind of like norad

455

00:16:37,430 --> 00:16:34,480

where we're tracking everything on a big

456

00:16:40,389 --> 00:16:37,440

screen no actually peggy's methods are

457

00:16:42,069 --> 00:16:40,399

probably very similar to mine uh

458

00:16:43,590 --> 00:16:42,079

it's mostly

459

00:16:45,269 --> 00:16:43,600

kind of like she said getting out there

460

00:16:48,150 --> 00:16:45,279

you got to get out there first in uh

461

00:16:50,230 --> 00:16:48,160

search search search and

462

00:16:52,069 --> 00:16:50,240

look for and you know don't be opposed

463

00:16:55,670 --> 00:16:52,079

to see i'm gonna give away a secret but

464

00:16:57,829 --> 00:16:55,680

that's okay uh looking at uh you know

465

00:17:00,389 --> 00:16:57,839

international news a lot of the news

466

00:17:03,749 --> 00:17:00,399

tips i get on international news in fact

467

00:17:05,829 --> 00:17:03,759

today was kind of funny i found a story

468

00:17:09,270 --> 00:17:05,839

about an australian

469

00:17:11,909 --> 00:17:09,280

incident a near-miss of airplane with a

470

00:17:13,990 --> 00:17:11,919

ufo in australia and i found this on an

471

00:17:16,309 --> 00:17:14,000

italian site and i thought wow this is

472

00:17:18,870 --> 00:17:16,319

really cool i hadn't seen it anywhere

473

00:17:21,110 --> 00:17:18,880

else i posted that today thinking all

474

00:17:22,870 --> 00:17:21,120

right i've got a scoop here the italians

475

00:17:25,590 --> 00:17:22,880

are the only ones to have this story so

476

00:17:28,630 --> 00:17:25,600

far and then i noticed that ufo

477

00:17:31,350 --> 00:17:28,640

chronicles posted it two days ago so

478

00:17:32,789 --> 00:17:31,360

um you know i appreciate everybody in

479

00:17:35,110 --> 00:17:32,799

the field i think there's a lot of cool

480

00:17:37,190 --> 00:17:35,120

people doing this kind of stuff so it's

481

00:17:38,549 --> 00:17:37,200

fun to kind of have friendly competition

482

00:17:40,230 --> 00:17:38,559

that way but

483

00:17:42,630 --> 00:17:40,240

yeah it is really fun to get out there

484

00:17:45,029 --> 00:17:42,640

first with the story the chinese story i

485

00:17:47,750 --> 00:17:45,039

think i was prefers to post it as far as

486

00:17:50,549 --> 00:17:47,760

i know here in the us uh are you talking

487

00:17:51,510 --> 00:17:50,559

about the chinese the possible space

488

00:17:55,669 --> 00:17:51,520

debris

489

00:17:57,510 --> 00:17:55,679

pretty firm that it was off of the

490

00:17:58,390 --> 00:17:57,520

russian rocket that

491

00:18:00,870 --> 00:17:58,400

had

492

00:18:03,350 --> 00:18:00,880

blown up on the same day

493

00:18:05,669 --> 00:18:03,360

but uh yeah that's what i'm talking

494

00:18:07,270 --> 00:18:05,679

about and that story has still gotten

495

00:18:10,390 --> 00:18:07,280

really big

496

00:18:12,230 --> 00:18:10,400

internationally it keeps going and then

497

00:18:13,669 --> 00:18:12,240

you know a few days after we wrote about

498

00:18:15,669 --> 00:18:13,679

it at least beagle wrote about it with

499

00:18:17,590 --> 00:18:15,679

the huffington post and

500

00:18:20,070 --> 00:18:17,600

that seemed to reinvigorate the whole

501
00:18:22,390 --> 00:18:20,080
story and then luckily he has a lot of

502
00:18:24,470 --> 00:18:22,400
people a lot of mass media the big guys

503
00:18:27,430 --> 00:18:24,480
looking at his story so

504
00:18:31,029 --> 00:18:27,440
more people started writing about it so

505
00:18:33,029 --> 00:18:31,039
that one has really got some legs but uh

506
00:18:34,870 --> 00:18:33,039
yeah you know just keeping at it

507
00:18:37,270 --> 00:18:34,880
constantly

508
00:18:39,669 --> 00:18:37,280
all of the time and one thing peggy

509
00:18:41,590 --> 00:18:39,679
probably does that i don't is a monitor

510
00:18:44,150 --> 00:18:41,600
stuff on the weekend so much so that

511
00:18:46,310 --> 00:18:44,160
gets her ahead of the game because

512
00:18:49,029 --> 00:18:46,320
she can scoop us on those weekend

513
00:18:50,549 --> 00:18:49,039

stories uh she's listening too so

514

00:18:53,590 --> 00:18:50,559

keep that in mind peggy work a little

515

00:18:56,070 --> 00:18:53,600

harder on the weekend okay

516

00:18:57,990 --> 00:18:56,080

so hey alejandra i don't know if i ever

517

00:19:00,630 --> 00:18:58,000

had this conversation with you in the

518

00:19:02,549 --> 00:19:00,640

past when we met last year and i know i

519

00:19:05,350 --> 00:19:02,559

was on your show and you were briefly on

520

00:19:06,789 --> 00:19:05,360

my show before but um

521

00:19:10,470 --> 00:19:06,799

what what got you

522

00:19:12,549 --> 00:19:10,480

fascinated in this subject to begin with

523

00:19:14,870 --> 00:19:12,559

you know i really when i go back to the

524

00:19:17,830 --> 00:19:14,880

root of it all i think it's a

525

00:19:19,510 --> 00:19:17,840

combination of things a combination of

526

00:19:20,549 --> 00:19:19,520

of the left and the right side of my

527

00:19:21,430 --> 00:19:20,559

brain

528

00:19:38,870 --> 00:19:21,440

i

529

00:19:44,150 --> 00:19:38,880

culture

530

00:19:46,549 --> 00:19:44,160

such as uh witches and brujas that kind

531

00:19:48,630 --> 00:19:46,559

of thing is more open with native

532

00:19:51,110 --> 00:19:48,640

americans you know you have a lot of

533

00:19:54,070 --> 00:19:51,120

mythologies and stuff like that so but i

534

00:19:57,590 --> 00:19:54,080

was always open to it especially because

535

00:20:00,070 --> 00:19:57,600

i was raised a catholic and i thought

536

00:20:01,750 --> 00:20:00,080

well if i'm going to be open to these

537

00:20:04,870 --> 00:20:01,760

mythologies i should be open to the

538

00:20:06,870 --> 00:20:04,880

mythologies of my ancestors as well and

539

00:20:08,710 --> 00:20:06,880

so i was i was open to these ideas at

540

00:20:10,789 --> 00:20:08,720

the same time

541

00:20:12,310 --> 00:20:10,799

when i was in high school and beginning

542

00:20:17,110 --> 00:20:12,320

in college uh

543

00:20:19,590 --> 00:20:17,120

my i was very into science and space

544

00:20:20,710 --> 00:20:19,600

but it was more of a

545

00:20:23,510 --> 00:20:20,720

you know

546

00:20:25,830 --> 00:20:23,520

pragmatic type of thing where i was into

547

00:20:27,190 --> 00:20:25,840

mathematics and proving things with math

548

00:20:27,990 --> 00:20:27,200

and science

549

00:20:32,549 --> 00:20:28,000

and

550

00:20:34,789 --> 00:20:32,559

eye on ufo things but

551
00:20:37,270 --> 00:20:34,799
it kind of hit a critical mass for me i

552
00:20:39,430 --> 00:20:37,280
guess at uh when it came to the

553
00:20:41,990 --> 00:20:39,440
disclosure project you were talking

554
00:20:44,310 --> 00:20:42,000
earlier about talking crap about career

555
00:20:45,669 --> 00:20:44,320
and uh certainly you and i have shared

556
00:20:48,870 --> 00:20:45,679
our concerns

557
00:20:50,870 --> 00:20:48,880
um before on the air but uh i've got to

558
00:20:53,270 --> 00:20:50,880
admit that you know grier's disgrozer

559
00:20:55,430 --> 00:20:53,280
project when he put together that those

560
00:20:57,669 --> 00:20:55,440
witnesses that were so impressive

561
00:21:00,390 --> 00:20:57,679
um at the washington press club by then

562
00:21:01,510 --> 00:21:00,400
i was into journalism i headed that

563
00:21:03,110 --> 00:21:01,520

direction

564

00:21:06,950 --> 00:21:03,120

and uh

565

00:21:09,350 --> 00:21:06,960

certainly a news hand which i still am

566

00:21:13,510 --> 00:21:09,360

and when he didn't get you know the

567

00:21:15,430 --> 00:21:13,520

recognition that i thought he should get

568

00:21:17,590 --> 00:21:15,440

because of the

569

00:21:20,230 --> 00:21:17,600

impressive incredible anecdotal

570

00:21:23,029 --> 00:21:20,240

information he presented

571

00:21:25,750 --> 00:21:23,039

something snapped to me i thought i need

572

00:21:27,830 --> 00:21:25,760

to find out more how did i not know

573

00:21:30,390 --> 00:21:27,840

about these guys before because i watch

574

00:21:32,710 --> 00:21:30,400

all the documentaries on tv

575

00:21:35,590 --> 00:21:32,720

and i just became a hermit for the next

576
00:21:37,750 --> 00:21:35,600
few next year or two

577
00:21:41,430 --> 00:21:37,760
reading and researching and reading and

578
00:21:43,029 --> 00:21:41,440
researching all day and all night then i

579
00:21:45,430 --> 00:21:43,039
became a

580
00:21:46,470 --> 00:21:45,440
move on field investigator

581
00:21:48,070 --> 00:21:46,480
and

582
00:21:49,750 --> 00:21:48,080
that's kind of where it started i kind

583
00:21:52,470 --> 00:21:49,760
of caught the bug

584
00:21:55,190 --> 00:21:52,480
at that moment i was already into this

585
00:21:56,470 --> 00:21:55,200
stuff but then ever since then i've

586
00:21:59,190 --> 00:21:56,480
devoted

587
00:22:01,510 --> 00:21:59,200
more and more in my life to studying and

588
00:22:04,870 --> 00:22:01,520

sharing information on this phenomena

589

00:22:07,669 --> 00:22:04,880

and how has it treated you

590

00:22:09,990 --> 00:22:07,679

it has treated me good

591

00:22:11,990 --> 00:22:10,000

bad and indifferent

592

00:22:14,470 --> 00:22:12,000

i guess it's certainly a roller coaster

593

00:22:16,470 --> 00:22:14,480

ride yeah um

594

00:22:19,510 --> 00:22:16,480

and i saw the evolution of some of the

595

00:22:21,029 --> 00:22:19,520

luminaries such as jay allen heineck or

596

00:22:22,549 --> 00:22:21,039

jacques valet

597

00:22:25,350 --> 00:22:22,559

uh and

598

00:22:27,270 --> 00:22:25,360

and some of the the mentors that i had

599

00:22:29,350 --> 00:22:27,280

such as john schussler

600

00:22:30,950 --> 00:22:29,360

uh who was in colorado at the time

601
00:22:32,149 --> 00:22:30,960
running mufon and

602
00:22:36,789 --> 00:22:32,159
and

603
00:22:38,630 --> 00:22:36,799
who've been in this field for decades

604
00:22:39,430 --> 00:22:38,640
and you can kind of see this evolution

605
00:22:42,630 --> 00:22:39,440
of

606
00:22:45,190 --> 00:22:42,640
going from this high energy

607
00:22:47,190 --> 00:22:45,200
to kind of a research mode and

608
00:22:48,870 --> 00:22:47,200
eventually interested

609
00:22:50,870 --> 00:22:48,880
but cynical

610
00:22:52,870 --> 00:22:50,880
yeah and then and then i think we had

611
00:22:56,470 --> 00:22:52,880
this conversation too some some just go

612
00:22:58,549 --> 00:22:56,480
wacky you know and a lot go wacky you're

613
00:23:02,149 --> 00:22:58,559

right and i think you either go

614

00:23:04,630 --> 00:23:02,159

extremely cynical or or wacky and it's

615

00:23:05,830 --> 00:23:04,640

hard for people to stay in between but

616

00:23:08,070 --> 00:23:05,840

some do

617

00:23:11,110 --> 00:23:08,080

kind of uh keep that middle ground which

618

00:23:13,270 --> 00:23:11,120

is really important and friedman is one

619

00:23:14,470 --> 00:23:13,280

i would think right right you know what

620

00:23:16,310 --> 00:23:14,480

what is this

621

00:23:17,510 --> 00:23:16,320

the saying you hear out there and that

622

00:23:19,430 --> 00:23:17,520

something like

623

00:23:21,669 --> 00:23:19,440

if you look hard enough out at it it'll

624

00:23:23,990 --> 00:23:21,679

start looking back at you i i think you

625

00:23:26,310 --> 00:23:24,000

know some people have that that type of

626

00:23:28,070 --> 00:23:26,320

attitude and yeah some people have just

627

00:23:31,110 --> 00:23:28,080

kind of like snapped gone off the deep

628

00:23:32,630 --> 00:23:31,120

end and yeah and uh without even you

629

00:23:35,110 --> 00:23:32,640

know really looking into what they're

630

00:23:37,190 --> 00:23:35,120

talking about and yeah it gets it's it's

631

00:23:39,909 --> 00:23:37,200

kind of scary and unfortunately when

632

00:23:42,549 --> 00:23:39,919

that happens you know the whole

633

00:23:44,789 --> 00:23:42,559

realm of ufology loses a couple of

634

00:23:47,430 --> 00:23:44,799

notches and you know

635

00:23:49,190 --> 00:23:47,440

yeah i've gotten past that point i've

636

00:23:50,789 --> 00:23:49,200

gotten past the point of getting

637

00:23:53,830 --> 00:23:50,799

frustrated with

638

00:23:57,110 --> 00:23:53,840

what happens to ufology or how ufology

639

00:24:00,149 --> 00:23:57,120

is is viewed uh and to where i i look at

640

00:24:02,549 --> 00:24:00,159

that more of a sociological level i

641

00:24:04,789 --> 00:24:02,559

guess for me it's it's certainly a case

642

00:24:06,710 --> 00:24:04,799

of swimming through the static to look

643

00:24:07,909 --> 00:24:06,720

for those little pearls of truth but

644

00:24:10,310 --> 00:24:07,919

you've got to

645

00:24:11,990 --> 00:24:10,320

keep digging through that static to find

646

00:24:14,070 --> 00:24:12,000

these things and then

647

00:24:16,390 --> 00:24:14,080

when you're able to present it like i

648

00:24:18,230 --> 00:24:16,400

love my my air force letter because i

649

00:24:20,390 --> 00:24:18,240

was able to put a lot of kind of jewels

650

00:24:22,149 --> 00:24:20,400

that i've ran across over the years

651
00:24:23,669 --> 00:24:22,159
together in one piece

652
00:24:25,830 --> 00:24:23,679
but um

653
00:24:28,230 --> 00:24:25,840
i think you just got to focus on that i

654
00:24:30,149 --> 00:24:28,240
think let i get less worried about the

655
00:24:31,269 --> 00:24:30,159
effects how people see ufology because

656
00:24:34,390 --> 00:24:31,279
that's something that's out of your

657
00:24:36,870 --> 00:24:34,400
control yeah you know things will flow

658
00:24:40,630 --> 00:24:36,880
whatever way they do and you can just

659
00:24:43,909 --> 00:24:40,640
watch it but what kind of i have to work

660
00:24:45,909 --> 00:24:43,919
on is when people which they always are

661
00:24:48,789 --> 00:24:45,919
and i'm sure you get this too get really

662
00:24:51,430 --> 00:24:48,799
frustrated with you and i guess they

663
00:24:54,230 --> 00:24:51,440

just don't and that for me or you know

664

00:24:56,070 --> 00:24:54,240

if you feel this way too but uh you know

665

00:24:57,590 --> 00:24:56,080

where it's like i'm just you know

666

00:24:59,990 --> 00:24:57,600

working really hard to find these

667

00:25:02,390 --> 00:25:00,000

kernels so choose to present to everyone

668

00:25:04,630 --> 00:25:02,400

and and we have a shared interest but

669

00:25:06,870 --> 00:25:04,640

people get really really upset when you

670

00:25:09,669 --> 00:25:06,880

don't focus on their worldview or what

671

00:25:11,350 --> 00:25:09,679

they think the focus should be and for

672

00:25:14,310 --> 00:25:11,360

the most part i don't let that bother me

673

00:25:16,230 --> 00:25:14,320

but sometimes it does get to me and i

674

00:25:18,070 --> 00:25:16,240

wish we could just kind of all be

675

00:25:20,149 --> 00:25:18,080

cooperative and respect each other's

676

00:25:22,390 --> 00:25:20,159

opinions and different viewpoints

677

00:25:24,470 --> 00:25:22,400

because uh i think thank god that there

678

00:25:26,070 --> 00:25:24,480

are so many different points of view and

679

00:25:27,669 --> 00:25:26,080

people looking in different directions

680

00:25:30,149 --> 00:25:27,679

because there are certainly people

681

00:25:32,310 --> 00:25:30,159

making discovery and finding uh great

682

00:25:35,269 --> 00:25:32,320

things in places i'm not even focused or

683

00:25:38,470 --> 00:25:35,279

looking in and that's great um because

684

00:25:40,230 --> 00:25:38,480

then we're all able to uh share and put

685

00:25:43,029 --> 00:25:40,240

our heads together and hopefully get

686

00:25:44,470 --> 00:25:43,039

somewhere yeah yeah no one really has i

687

00:25:46,549 --> 00:25:44,480

asked stan last

688

00:25:47,909 --> 00:25:46,559

stan freeman last week you know do we

689

00:25:51,430 --> 00:25:47,919

feel like we're any

690

00:25:52,789 --> 00:25:51,440

think he said he actually does in a lot

691

00:25:54,950 --> 00:25:52,799

of ways you know

692

00:25:57,750 --> 00:25:54,960

um you know to actually

693

00:25:59,990 --> 00:25:57,760

i i personally think that

694

00:26:01,990 --> 00:26:00,000

we're not any closer to finding the

695

00:26:04,710 --> 00:26:02,000

answer myself but you know we have a

696

00:26:08,310 --> 00:26:04,720

couple questions up on the message board

697

00:26:10,950 --> 00:26:08,320

before we get into your letter and um

698

00:26:12,710 --> 00:26:10,960

uh let's see i'm sorry uh just like oh

699

00:26:15,830 --> 00:26:12,720

yes someone wants to know about your

700

00:26:16,630 --> 00:26:15,840

mufon experience

701
00:26:18,310 --> 00:26:16,640
uh

702
00:26:20,070 --> 00:26:18,320
my ex i've

703
00:26:23,029 --> 00:26:20,080
you know early on i got involved with

704
00:26:24,630 --> 00:26:23,039
mufon i decided if

705
00:26:27,110 --> 00:26:24,640
there's something to all this i really

706
00:26:29,909 --> 00:26:27,120
need to talk to now that i've read

707
00:26:32,549 --> 00:26:29,919
everything i can get my hands on to read

708
00:26:34,950 --> 00:26:32,559
i read many many books a lot of the

709
00:26:38,470 --> 00:26:34,960
classics i think in the the field

710
00:26:40,310 --> 00:26:38,480
um i decided i now it's time to get out

711
00:26:42,630 --> 00:26:40,320
in the field to talk to some of these

712
00:26:44,549 --> 00:26:42,640
people who are witnessing things and and

713
00:26:46,390 --> 00:26:44,559

kind of test some of these numbers such

714

00:26:48,870 --> 00:26:46,400

as blue books saying you know that maybe

715

00:26:50,630 --> 00:26:48,880

10 to 10 of these things are real the

716

00:26:53,110 --> 00:26:50,640

rest are hoaxes or

717

00:26:55,669 --> 00:26:53,120

misidentifications

718

00:26:58,070 --> 00:26:55,679

and so i started doing field work and

719

00:27:00,470 --> 00:26:58,080

then uh becoming an investigator then

720

00:27:03,029 --> 00:27:00,480

also helping the local group

721

00:27:05,669 --> 00:27:03,039

the local group luckily was where

722

00:27:08,310 --> 00:27:05,679

national headquarters were so i got to

723

00:27:09,909 --> 00:27:08,320

be involved with first being a treasurer

724

00:27:12,310 --> 00:27:09,919

and then helping put together the

725

00:27:14,870 --> 00:27:12,320

symposium and then eventually becoming

726

00:27:16,870 --> 00:27:14,880

the official spokesperson for mufon for

727

00:27:21,269 --> 00:27:16,880

a period of time really

728

00:27:24,310 --> 00:27:21,279

and uh this entire time i

729

00:27:26,389 --> 00:27:24,320

i guess because i knew john schuster who

730

00:27:28,230 --> 00:27:26,399

is one of the founders really well and i

731

00:27:29,669 --> 00:27:28,240

understand their their point of view

732

00:27:32,070 --> 00:27:29,679

which is simply

733

00:27:33,350 --> 00:27:32,080

the pursuit of you know scientific

734

00:27:34,389 --> 00:27:33,360

understanding

735

00:27:35,990 --> 00:27:34,399

in this field

736

00:27:38,310 --> 00:27:36,000

that i've always

737

00:27:41,110 --> 00:27:38,320

appreciated that mission

738

00:27:43,990 --> 00:27:41,120

also their efforts has been able to

739

00:27:46,830 --> 00:27:44,000

create this humongous network that

740

00:27:49,350 --> 00:27:46,840

across the country that is

741

00:27:51,190 --> 00:27:49,360

unrivaled uh and i think really

742

00:27:53,510 --> 00:27:51,200

important that there's no other country

743

00:27:56,310 --> 00:27:53,520

that has anything like this so i've

744

00:27:59,990 --> 00:27:56,320

always felt mufon was important and

745

00:28:00,950 --> 00:28:00,000

always have been involved with mufon

746

00:28:02,630 --> 00:28:00,960

and

747

00:28:05,350 --> 00:28:02,640

you know i could even announce today we

748

00:28:07,590 --> 00:28:05,360

just made a great new partnership where

749

00:28:09,990 --> 00:28:07,600

roger marsh is going to start writing

750

00:28:11,909 --> 00:28:10,000

for us now so he's going to be posting

751

00:28:14,710 --> 00:28:11,919

all of his stories he's the director of

752

00:28:16,789 --> 00:28:14,720

communications for mufon so he writes up

753

00:28:19,430 --> 00:28:16,799

their sighting reports and then works

754

00:28:22,789 --> 00:28:19,440

with state directors on on their solved

755

00:28:24,630 --> 00:28:22,799

cases to write up stories about uh you

756

00:28:27,029 --> 00:28:24,640

know the the

757

00:28:28,950 --> 00:28:27,039

the result or the research cases so he's

758

00:28:32,149 --> 00:28:28,960

going to be posting that with us i've

759

00:28:34,950 --> 00:28:32,159

always appreciated mufon and tried to do

760

00:28:37,909 --> 00:28:34,960

what i can to work together with mufon

761

00:28:38,710 --> 00:28:37,919

um so i'm a big mufon fan i've been you

762

00:28:40,789 --> 00:28:38,720

know

763

00:28:41,830 --> 00:28:40,799

been able to see a lot of the behind the

764

00:28:43,430 --> 00:28:41,840

scenes

765

00:28:45,350 --> 00:28:43,440

and i think a lot of people have a lot

766

00:28:47,190 --> 00:28:45,360

of frustrations i mean when i was the pr

767

00:28:49,269 --> 00:28:47,200

guy for mufon i faced a lot and had to

768

00:28:51,830 --> 00:28:49,279

answer a lot of these questions it gets

769

00:28:54,230 --> 00:28:51,840

back to what i said before mufon has

770

00:28:56,149 --> 00:28:54,240

this stated mission they're looking in a

771

00:28:57,110 --> 00:28:56,159

certain direction their boots on the

772

00:28:59,510 --> 00:28:57,120

ground

773

00:29:02,549 --> 00:28:59,520

a lot of times more nuts and bolts but

774

00:29:05,190 --> 00:29:02,559

we need that and we need that focus i

775

00:29:08,789 --> 00:29:05,200

think mufon can and should be

776

00:29:10,389 --> 00:29:08,799

at the steady of ufo research are they

777

00:29:12,549 --> 00:29:10,399

going to be able to do everything that

778

00:29:14,389 --> 00:29:12,559

everybody wants them to do no

779

00:29:16,070 --> 00:29:14,399

you know that's not their mission that's

780

00:29:17,430 --> 00:29:16,080

not what they're doing they need to do

781

00:29:19,990 --> 00:29:17,440

what they do

782

00:29:22,789 --> 00:29:20,000

if you want something different then go

783

00:29:25,269 --> 00:29:22,799

join another group or go

784

00:29:28,630 --> 00:29:25,279

start your own group uh you know there's

785

00:29:29,669 --> 00:29:28,640

no problem with that that's great um

786

00:29:31,990 --> 00:29:29,679

but

787

00:29:34,870 --> 00:29:32,000

i think a lot of times people want mufon

788

00:29:36,710 --> 00:29:34,880

to be everything for everyone and no one

789

00:29:38,149 --> 00:29:36,720

can really do that especially when

790

00:29:40,070 --> 00:29:38,159

you're dealing with a volunteer

791

00:29:42,070 --> 00:29:40,080

organization where these people are

792

00:29:44,630 --> 00:29:42,080

trying to fit in a few hours of their

793

00:29:46,950 --> 00:29:44,640

time these are these are parents these

794

00:29:48,630 --> 00:29:46,960

are people who work full-time and

795

00:29:50,710 --> 00:29:48,640

they're trying to fit in a few hours

796

00:29:53,029 --> 00:29:50,720

here and there to do this sort of work

797

00:29:54,470 --> 00:29:53,039

and you can't expect too much from these

798

00:29:57,269 --> 00:29:54,480

guys

799

00:29:59,029 --> 00:29:57,279

people you know doing that volunteer

800

00:30:00,470 --> 00:29:59,039

organizations are all pretty much like

801
00:30:03,029 --> 00:30:00,480
that i think anybody who's been in a

802
00:30:07,110 --> 00:30:03,039
volunteer organizat organization

803
00:30:09,990 --> 00:30:07,120
realizes that so i think a lot

804
00:30:13,269 --> 00:30:10,000
gets done for a volunteer organization

805
00:30:15,590 --> 00:30:13,279
and uh i'm a big big mufon advocate

806
00:30:16,789 --> 00:30:15,600
uh-huh okay well you know there every

807
00:30:18,470 --> 00:30:16,799
once in a while you hear a little

808
00:30:21,190 --> 00:30:18,480
controversy about

809
00:30:22,870 --> 00:30:21,200
about mufon here and there you know like

810
00:30:24,549 --> 00:30:22,880
what are they doing with all these files

811
00:30:26,710 --> 00:30:24,559
and stuff like that you know we don't

812
00:30:28,470 --> 00:30:26,720
really have to get into any of that um

813
00:30:30,710 --> 00:30:28,480

and i i appreciate it well the great

814

00:30:32,870 --> 00:30:30,720

thing is just to your point is that

815

00:30:35,430 --> 00:30:32,880

roger marsh is that guy to get that

816

00:30:37,190 --> 00:30:35,440

information out and he has been doing

817

00:30:38,870 --> 00:30:37,200

that he's been doing that on the website

818

00:30:40,950 --> 00:30:38,880

the new website which is great now and

819

00:30:43,110 --> 00:30:40,960

through examiner and now he's going to

820

00:30:44,630 --> 00:30:43,120

be doing that through us so we're going

821

00:30:47,510 --> 00:30:44,640

to be able to help

822

00:30:50,389 --> 00:30:47,520

get those cases out get that information

823

00:30:51,590 --> 00:30:50,399

out and they are very transparent you

824

00:30:53,590 --> 00:30:51,600

can go

825

00:30:55,350 --> 00:30:53,600

uh i mean for you could go look at all

826

00:30:57,909 --> 00:30:55,360

the case files and people do and write

827

00:31:00,549 --> 00:30:57,919

about it all the time so um

828

00:31:03,190 --> 00:31:00,559

i know they work really hard to uh

829

00:31:05,269 --> 00:31:03,200

respond to those criticisms and to do

830

00:31:07,830 --> 00:31:05,279

their best to be as transparent as

831

00:31:10,230 --> 00:31:07,840

possible yeah now um we have a question

832

00:31:11,269 --> 00:31:10,240

up on the message board and ryan wants

833

00:31:12,870 --> 00:31:11,279

to know

834

00:31:14,470 --> 00:31:12,880

the thoughts that you have on the

835

00:31:15,669 --> 00:31:14,480

astronomers speaking of seti you just

836

00:31:17,830 --> 00:31:15,679

spoke about

837

00:31:19,269 --> 00:31:17,840

at congress about the possibility of e.t

838

00:31:21,669 --> 00:31:19,279

life

839

00:31:23,909 --> 00:31:21,679

yeah that's really cool we had a

840

00:31:25,909 --> 00:31:23,919

shepherd johnson who's a guy who's

841

00:31:28,630 --> 00:31:25,919

written for our magazine and he's a good

842

00:31:31,269 --> 00:31:28,640

friend uh kind of online buddy of ours

843

00:31:33,750 --> 00:31:31,279

and he was there and he wrote about it

844

00:31:37,830 --> 00:31:33,760

on our website he even interviewed

845

00:31:40,630 --> 00:31:37,840

shastak oh yeah and uh he

846

00:31:42,870 --> 00:31:40,640

i think it was really interesting and

847

00:31:45,590 --> 00:31:42,880

that it shows i don't know if a lot of

848

00:31:47,750 --> 00:31:45,600

people remember that seti and this is

849

00:31:49,430 --> 00:31:47,760

represented in the movie contact a great

850

00:31:50,230 --> 00:31:49,440

movie kind of about

851
00:31:52,630 --> 00:31:50,240
uh

852
00:31:55,190 --> 00:31:52,640
you know fiction written by carl sagan

853
00:31:58,310 --> 00:31:55,200
great movie and it shows the tough time

854
00:32:00,710 --> 00:31:58,320
how seti wasn't taken serious for a long

855
00:32:02,710 --> 00:32:00,720
time and i remember when i first got

856
00:32:04,789 --> 00:32:02,720
involved with this stuff and i was even

857
00:32:07,830 --> 00:32:04,799
more into seti at that point you know

858
00:32:10,310 --> 00:32:07,840
they were made fun of a lot of times now

859
00:32:13,110 --> 00:32:10,320
because of their persistence and their

860
00:32:15,430 --> 00:32:13,120
professionalism they're taken much more

861
00:32:18,070 --> 00:32:15,440
seriously really if you look at the

862
00:32:20,549 --> 00:32:18,080
media coverage for seti they're taken as

863
00:32:21,990 --> 00:32:20,559

as true scientists and true pundits when

864

00:32:24,070 --> 00:32:22,000

it comes to the search for

865

00:32:25,269 --> 00:32:24,080

extraterrestrial life and

866

00:32:27,350 --> 00:32:25,279

they are

867

00:32:28,350 --> 00:32:27,360

taken very seriously

868

00:32:30,310 --> 00:32:28,360

however

869

00:32:32,630 --> 00:32:30,320

unfortunately

870

00:32:35,269 --> 00:32:32,640

and i think that's kind of a gateway to

871

00:32:36,950 --> 00:32:35,279

ufology you got to take the idea of

872

00:32:39,029 --> 00:32:36,960

extraterrestrial life

873

00:32:41,110 --> 00:32:39,039

especially intelligent extraterrestrial

874

00:32:42,710 --> 00:32:41,120

life being possible to take the next

875

00:32:45,430 --> 00:32:42,720

step into

876
00:32:47,509 --> 00:32:45,440
whether or not we could be being visited

877
00:32:48,789 --> 00:32:47,519
yep don't go there

878
00:32:50,310 --> 00:32:48,799
right so

879
00:32:52,310 --> 00:32:50,320
i thought it was really interesting

880
00:32:55,190 --> 00:32:52,320
where the congress didn't even really

881
00:32:57,990 --> 00:32:55,200
take seti that serious in this this last

882
00:32:58,870 --> 00:32:58,000
hearing were they uh some people

883
00:33:00,950 --> 00:32:58,880
uh

884
00:33:04,149 --> 00:33:00,960
which i think is just so pompous and

885
00:33:06,230 --> 00:33:04,159
egotistical kind of used it as that they

886
00:33:08,389 --> 00:33:06,240
just kind of threw out their softballs

887
00:33:10,230 --> 00:33:08,399
kind of threw out some jokes and then

888
00:33:11,750 --> 00:33:10,240

didn't really pay attention to the thing

889

00:33:13,830 --> 00:33:11,760

very much so

890

00:33:16,470 --> 00:33:13,840

that's really sad

891

00:33:18,549 --> 00:33:16,480

but i guess what can we

892

00:33:21,350 --> 00:33:18,559

expect from

893

00:33:23,669 --> 00:33:21,360

um a lot of politicians who

894

00:33:25,669 --> 00:33:23,679

don't seem to understand science very

895

00:33:27,669 --> 00:33:25,679

well and

896

00:33:30,789 --> 00:33:27,679

and that you know

897

00:33:32,470 --> 00:33:30,799

without trying to get too political are

898

00:33:34,630 --> 00:33:32,480

putting a blind eye towards other

899

00:33:37,029 --> 00:33:34,640

scientific

900

00:33:39,269 --> 00:33:37,039

efforts or findings out there well you

901
00:33:40,870 --> 00:33:39,279
know i've said this before on the show

902
00:33:41,990 --> 00:33:40,880
and not to be redundant but you know a

903
00:33:44,149 --> 00:33:42,000
lot of people

904
00:33:45,430 --> 00:33:44,159
have full lives and they're just looking

905
00:33:47,669 --> 00:33:45,440
around them and they're not really

906
00:33:49,909 --> 00:33:47,679
thinking about what's up and what's

907
00:33:52,389 --> 00:33:49,919
yeah that we're just a vulnerable little

908
00:33:53,509 --> 00:33:52,399
ball out in the middle of space can be

909
00:33:56,630 --> 00:33:53,519
you know

910
00:33:59,190 --> 00:33:56,640
i mean nothing nothing crosses their

911
00:34:02,070 --> 00:33:59,200
mind unless something happens or unless

912
00:34:03,750 --> 00:34:02,080
they have a sighting themselves you know

913
00:34:06,389 --> 00:34:03,760

those type of things most people are

914

00:34:09,829 --> 00:34:06,399

just going about their daily lives

915

00:34:12,790 --> 00:34:09,839

i agreed unless it affects you directly

916

00:34:14,230 --> 00:34:12,800

and i can i can sympathize with that why

917

00:34:16,550 --> 00:34:14,240

are you going to care you know you got

918

00:34:19,589 --> 00:34:16,560

to take care of your kids you got to pay

919

00:34:22,389 --> 00:34:19,599

your bills everyday concerns if it's not

920

00:34:24,230 --> 00:34:22,399

affecting your ability to manage your

921

00:34:26,550 --> 00:34:24,240

life then it's not going to be a high

922

00:34:28,550 --> 00:34:26,560

priority right hey if you're listening

923

00:34:30,470 --> 00:34:28,560

live right now on dark matter radio

924

00:34:33,349 --> 00:34:30,480

network you can jump over to our chat

925

00:34:35,750 --> 00:34:33,359

room and ask alejandro a question

926
00:34:38,869 --> 00:34:35,760
and that's podcastufo.com right on the

927
00:34:41,750 --> 00:34:38,879
sidebar one two click and you're in

928
00:34:43,190 --> 00:34:41,760
let's see um what did here's another

929
00:34:44,550 --> 00:34:43,200
message board question what did you

930
00:34:48,470 --> 00:34:44,560
think about

931
00:34:50,230 --> 00:34:48,480
the tv show ancient aliens and the show

932
00:34:52,869 --> 00:34:50,240
for pete's sake is that is that actually

933
00:34:54,310 --> 00:34:52,879
a show or is this a joke

934
00:34:55,589 --> 00:34:54,320
i'm not familiar with the show for

935
00:34:58,069 --> 00:34:55,599
pete's sake

936
00:34:59,670 --> 00:34:58,079
yeah i'm not i'm not familiar with that

937
00:35:01,910 --> 00:34:59,680
one either

938
00:35:03,910 --> 00:35:01,920

that that might have been sort of a joke

939

00:35:05,270 --> 00:35:03,920

but yeah what about ancient aliens what

940

00:35:07,109 --> 00:35:05,280

did you think about what do you think

941

00:35:08,630 --> 00:35:07,119

about that show

942

00:35:11,109 --> 00:35:08,640

well

943

00:35:13,190 --> 00:35:11,119

what my achilles heel might be that i've

944

00:35:15,510 --> 00:35:13,200

got to be honest but this is one man's

945

00:35:16,790 --> 00:35:15,520

opinion no no no i'm probably right

946

00:35:18,790 --> 00:35:16,800

there with you

947

00:35:20,870 --> 00:35:18,800

yeah i'm not that big of a fan of

948

00:35:21,990 --> 00:35:20,880

ancient aliens to be completely honest i

949

00:35:26,710 --> 00:35:22,000

mean

950

00:35:31,109 --> 00:35:28,950

but uh and the reason is is it it's a

951

00:35:33,030 --> 00:35:31,119

lot i love the you know people on the

952

00:35:35,829 --> 00:35:33,040

show i've known a lot of those people on

953

00:35:37,750 --> 00:35:35,839

the show um david hatcher childress is

954

00:35:39,270 --> 00:35:37,760

one of the nicest guys he's

955

00:35:41,510 --> 00:35:39,280

i think it's incredible that he

956

00:35:45,270 --> 00:35:41,520

republishes all of these books

957

00:35:47,190 --> 00:35:45,280

uh and everything but um

958

00:35:49,510 --> 00:35:47,200

but there's just it's highly highly

959

00:35:52,069 --> 00:35:49,520

highly highly speculative

960

00:35:55,670 --> 00:35:52,079

and i think that that is fun to

961

00:35:57,670 --> 00:35:55,680

speculate uh there certainly seems to be

962

00:36:00,870 --> 00:35:57,680

a trend in this field especially with

963

00:36:03,270 --> 00:36:00,880

the media right now to kind of speculate

964

00:36:06,550 --> 00:36:03,280

uh and to just

965

00:36:08,870 --> 00:36:06,560

speculate for speculation's sake

966

00:36:10,630 --> 00:36:08,880

which is fine i guess maybe that's even

967

00:36:13,630 --> 00:36:10,640

a good thing because hopefully that

968

00:36:16,630 --> 00:36:13,640

speculation will then turn into

969

00:36:19,349 --> 00:36:16,640

a large amount of people

970

00:36:21,990 --> 00:36:19,359

looking more into some of these ideas

971

00:36:23,589 --> 00:36:22,000

and uh whether or not they're legitimate

972

00:36:27,190 --> 00:36:23,599

or not and

973

00:36:30,150 --> 00:36:27,200

and certainly there are uh core there

974

00:36:32,150 --> 00:36:30,160

are some true mysteries uh in some of

975

00:36:34,550 --> 00:36:32,160

this this speculation but it kind of

976

00:36:36,950 --> 00:36:34,560

comes to ufo reports where you know

977

00:36:39,589 --> 00:36:36,960

that's maybe ten percent uh do we have a

978

00:36:40,470 --> 00:36:39,599

true mystery whereas a lot of these

979

00:36:42,230 --> 00:36:40,480

things

980

00:36:44,230 --> 00:36:42,240

i mean to me

981

00:36:45,990 --> 00:36:44,240

and this might upset some people to me

982

00:36:48,069 --> 00:36:46,000

this recent story

983

00:36:51,109 --> 00:36:48,079

about how they discovered

984

00:36:54,790 --> 00:36:51,119

most likely how they built the pyramids

985

00:36:56,870 --> 00:36:54,800

was really convincing i mean it i think

986

00:37:00,390 --> 00:36:56,880

they really finally kind of

987

00:37:02,310 --> 00:37:00,400

are starting to figure this out and uh

988

00:37:03,910 --> 00:37:02,320

some of these things so

989

00:37:06,630 --> 00:37:03,920

that's the great thing about mysteries

990

00:37:09,750 --> 00:37:06,640

is is you know they they offer a riddle

991

00:37:12,069 --> 00:37:09,760

and sometimes those riddles are are

992

00:37:14,550 --> 00:37:12,079

the answers lie right here in

993

00:37:16,630 --> 00:37:14,560

in terrestrial right here on earth and

994

00:37:18,470 --> 00:37:16,640

with human ingenuity

995

00:37:20,230 --> 00:37:18,480

uh but sometimes maybe they don't

996

00:37:23,190 --> 00:37:20,240

there's a lot of unanswered questions

997

00:37:24,310 --> 00:37:23,200

that's for sure absolutely um another

998

00:37:27,109 --> 00:37:24,320

question up here and then we're going to

999

00:37:29,109 --> 00:37:27,119

go into your letter i promise okay no

1000

00:37:32,390 --> 00:37:29,119

problem since you're in touch with a lot

1001

00:37:35,109 --> 00:37:32,400

of ufo info from other countries

1002

00:37:37,430 --> 00:37:35,119

who are more open about the topic

1003

00:37:39,910 --> 00:37:37,440

um i i actually have uh an opinion about

1004

00:37:41,990 --> 00:37:39,920

that myself yeah and what keeps that

1005

00:37:45,430 --> 00:37:42,000

info citing reports etc from ever

1006

00:37:49,030 --> 00:37:46,950

it's a good question i think i think

1007

00:37:50,390 --> 00:37:49,040

this is really interesting in that it

1008

00:37:52,390 --> 00:37:50,400

seems to me

1009

00:37:55,589 --> 00:37:52,400

really south america

1010

00:37:57,910 --> 00:37:55,599

the latin countries asian countries

1011

00:38:00,950 --> 00:37:57,920

largely seem to be way more open to this

1012

00:38:03,990 --> 00:38:00,960

phenomena than western countries some

1013

00:38:06,710 --> 00:38:04,000

western countries such as germany are

1014

00:38:10,150 --> 00:38:06,720

really against this stuff i mean they uh

1015

00:38:12,630 --> 00:38:10,160

you know a lot of countries and the uk

1016

00:38:15,190 --> 00:38:12,640

is about where we are

1017

00:38:17,030 --> 00:38:15,200

i can't figure out where russia is

1018

00:38:18,550 --> 00:38:17,040

you know they're kind of like some parts

1019

00:38:20,069 --> 00:38:18,560

of them they're like like really

1020

00:38:22,230 --> 00:38:20,079

interested and then some parts are like

1021

00:38:23,990 --> 00:38:22,240

really against you know talking about it

1022

00:38:26,150 --> 00:38:24,000

yeah yeah they're kind of back and forth

1023

00:38:28,950 --> 00:38:26,160

but it seems our media is really opening

1024

00:38:31,910 --> 00:38:28,960

up to it uh especially lately if it

1025

00:38:33,270 --> 00:38:31,920

allows them to take a jab at the west

1026
00:38:34,630 --> 00:38:33,280
but um

1027
00:38:37,030 --> 00:38:34,640
i think that they

1028
00:38:39,670 --> 00:38:37,040
you know because lately russia today has

1029
00:38:43,589 --> 00:38:39,680
had stephen grier on and a couple other

1030
00:38:44,710 --> 00:38:43,599
people um looking into kind of

1031
00:38:47,910 --> 00:38:44,720
poking

1032
00:38:50,630 --> 00:38:47,920
at the the conspiracy type of ideas i

1033
00:38:54,150 --> 00:38:50,640
think kind of trying to get some jobs in

1034
00:38:57,910 --> 00:38:54,160
into uh the us and western governments

1035
00:39:01,829 --> 00:38:57,920
uh as this almost cold new cold war

1036
00:39:07,109 --> 00:39:04,790
but those countries seem to be more open

1037
00:39:08,150 --> 00:39:07,119
the uk and the us you know they're

1038
00:39:10,390 --> 00:39:08,160

they're

1039

00:39:11,670 --> 00:39:10,400

brothers in arms and then very closely

1040

00:39:14,550 --> 00:39:11,680

aligned

1041

00:39:16,550 --> 00:39:14,560

of course our media is much more into

1042

00:39:19,750 --> 00:39:16,560

this topic than they were when i started

1043

00:39:22,069 --> 00:39:19,760

this that's for sure and so is the uk

1044

00:39:23,510 --> 00:39:22,079

media there they've got a lot of stories

1045

00:39:26,150 --> 00:39:23,520

they seem to become

1046

00:39:27,430 --> 00:39:26,160

more and more into this as well so so

1047

00:39:29,589 --> 00:39:27,440

that's a good thing i think that

1048

00:39:32,710 --> 00:39:29,599

reflects that the populations are

1049

00:39:34,470 --> 00:39:32,720

interested in the topics uh but those i

1050

00:39:36,790 --> 00:39:34,480

guess would would be the countries i

1051
00:39:38,630 --> 00:39:36,800
would say that are more into it i think

1052
00:39:41,109 --> 00:39:38,640
you know you've got south america

1053
00:39:43,589 --> 00:39:41,119
especially right you've got several

1054
00:39:46,870 --> 00:39:43,599
governments in south america with

1055
00:39:49,349 --> 00:39:46,880
official ufo investigative organizations

1056
00:39:52,069 --> 00:39:49,359
and they say they have no push back from

1057
00:39:55,829 --> 00:39:52,079
the media or from other organizations

1058
00:39:57,750 --> 00:39:55,839
the topics taken very seriously and that

1059
00:39:59,750 --> 00:39:57,760
although in the west even in france

1060
00:40:03,190 --> 00:39:59,760
really the france is the only western

1061
00:40:05,430 --> 00:40:03,200
country with the uh ufo investigative

1062
00:40:07,589 --> 00:40:05,440
organization and they kind of walk on

1063
00:40:10,069 --> 00:40:07,599

eggshells because uh

1064

00:40:11,990 --> 00:40:10,079

the they aren't taking as serious uh

1065

00:40:14,230 --> 00:40:12,000

amongst all of the other governmental

1066

00:40:16,069 --> 00:40:14,240

agencies um

1067

00:40:18,470 --> 00:40:16,079

not like the south american governments

1068

00:40:21,910 --> 00:40:18,480

are right absolutely

1069

00:40:23,030 --> 00:40:21,920

and so let's roll into the letter you

1070

00:40:26,950 --> 00:40:23,040

wrote

1071

00:40:29,829 --> 00:40:26,960

and what what spawned that and um and

1072

00:40:31,270 --> 00:40:29,839

there's a lot of information in that and

1073

00:40:33,270 --> 00:40:31,280

i encourage anyone

1074

00:40:34,950 --> 00:40:33,280

um to take a look

1075

00:40:36,870 --> 00:40:34,960

and it'll be in the show notes there's a

1076

00:40:39,270 --> 00:40:36,880

link actually

1077

00:40:41,349 --> 00:40:39,280

in the show notes that leads straight to

1078

00:40:43,589 --> 00:40:41,359

that letter and so let's talk about it

1079

00:40:45,990 --> 00:40:43,599

richard doty that name i've heard for

1080

00:40:48,870 --> 00:40:46,000

years and um never

1081

00:40:55,030 --> 00:40:51,750

yeah right uh dodie for me is kind of

1082

00:40:56,870 --> 00:40:55,040

like maybe dodie's my white whale um

1083

00:40:58,710 --> 00:40:56,880

because

1084

00:40:59,430 --> 00:40:58,720

i guess it started with

1085

00:41:02,309 --> 00:40:59,440

i

1086

00:41:04,550 --> 00:41:02,319

dulce

1087

00:41:07,109 --> 00:41:04,560

because i was in colorado

1088

00:41:09,190 --> 00:41:07,119

i spent a lot of time in the san luis

1089

00:41:11,430 --> 00:41:09,200

valley of colorado chris o'brien writes

1090

00:41:13,349 --> 00:41:11,440

a lot about that the mysterious valley

1091

00:41:15,349 --> 00:41:13,359

where there's a lot of phenomenon and

1092

00:41:18,150 --> 00:41:15,359

things like that going on there of

1093

00:41:20,870 --> 00:41:18,160

course i i heard of the legends of dolce

1094

00:41:21,990 --> 00:41:20,880

and everything so doing research into

1095

00:41:24,870 --> 00:41:22,000

dulce

1096

00:41:26,870 --> 00:41:24,880

i really i camped there i went there i

1097

00:41:30,309 --> 00:41:26,880

looked around

1098

00:41:31,829 --> 00:41:30,319

i didn't camp there but i did go there

1099

00:41:40,870 --> 00:41:31,839

and

1100

00:41:42,309 --> 00:41:40,880

the name dodie came back as to

1101
00:41:45,589 --> 00:41:42,319
uh the

1102
00:41:46,710 --> 00:41:45,599
related to the origins of of this

1103
00:41:49,270 --> 00:41:46,720
legend

1104
00:41:51,829 --> 00:41:49,280
that there are extraterrestrials there

1105
00:41:54,230 --> 00:41:51,839
were the extraterrestrial base there

1106
00:41:56,790 --> 00:41:54,240
um then looking into other things you

1107
00:41:59,349 --> 00:41:56,800
know dodie's name kept coming up

1108
00:42:01,670 --> 00:41:59,359
and so i just kept looking into all of

1109
00:42:05,589 --> 00:42:01,680
this and then i found this controversy

1110
00:42:06,630 --> 00:42:05,599
where you know richard doty was uh

1111
00:42:09,270 --> 00:42:06,640
for

1112
00:42:10,950 --> 00:42:09,280
most of the 80s from 80 to like

1113
00:42:14,630 --> 00:42:10,960

sometime late in the 80s we don't know

1114

00:42:15,990 --> 00:42:14,640

exactly where he was he was at osi agent

1115

00:42:17,670 --> 00:42:16,000

air force office of special

1116

00:42:21,270 --> 00:42:17,680

investigations at kirtland air force

1117

00:42:25,030 --> 00:42:21,280

base he was he honorably discharged in

1118

00:42:27,430 --> 00:42:25,040

89 however sometime later in his career

1119

00:42:29,109 --> 00:42:27,440

he was kicked out of osi

1120

00:42:30,470 --> 00:42:29,119

and nobody

1121

00:42:31,670 --> 00:42:30,480

knows exactly

1122

00:42:34,710 --> 00:42:31,680

why

1123

00:42:37,589 --> 00:42:34,720

he says it was because he was trying to

1124

00:42:38,950 --> 00:42:37,599

help some spies and his bosses didn't

1125

00:42:42,309 --> 00:42:38,960

like the way he was

1126

00:42:45,750 --> 00:42:42,319

but his stories are all bombastic and

1127

00:42:48,550 --> 00:42:45,760

difficult to swallow or believe because

1128

00:42:51,190 --> 00:42:48,560

admittedly he has spread disinformation

1129

00:42:53,670 --> 00:42:51,200

and his stories change over time so

1130

00:42:56,230 --> 00:42:53,680

nobody knows exactly why he was kicked

1131

00:42:58,309 --> 00:42:56,240

out of osi and essentially he went to

1132

00:43:01,109 --> 00:42:58,319

work in the officers club kind of like

1133

00:43:03,510 --> 00:43:01,119

managing the the he was the way colonel

1134

00:43:05,910 --> 00:43:03,520

alexander puts it he was the guy if the

1135

00:43:07,349 --> 00:43:05,920

officers wanted to play ping pong

1136

00:43:09,430 --> 00:43:07,359

he was the guy that had to go get him

1137

00:43:11,910 --> 00:43:09,440

the ping pong paddles

1138

00:43:13,910 --> 00:43:11,920

so he was kind of you know knocked down

1139

00:43:16,230 --> 00:43:13,920

a few levels yeah i hate when that

1140

00:43:17,349 --> 00:43:16,240

happens yeah no kidding

1141

00:43:19,829 --> 00:43:17,359

yeah

1142

00:43:22,950 --> 00:43:19,839

i want to ask you have you received any

1143

00:43:25,750 --> 00:43:22,960

official response from this letter

1144

00:43:27,990 --> 00:43:25,760

well i haven't what happened was is

1145

00:43:29,589 --> 00:43:28,000

doting

1146

00:43:31,190 --> 00:43:29,599

was connected with dolce and all of

1147

00:43:32,390 --> 00:43:31,200

these other legends

1148

00:43:33,829 --> 00:43:32,400

and

1149

00:43:36,790 --> 00:43:33,839

you know said he spread some

1150

00:43:39,910 --> 00:43:36,800

disinformation said he met up the whole

1151
00:43:41,670 --> 00:43:39,920
dodi the whole dulce thing he wanted uh

1152
00:43:43,430 --> 00:43:41,680
this guy who thought there was an

1153
00:43:46,950 --> 00:43:43,440
alien-based adult to believe there was

1154
00:43:48,870 --> 00:43:46,960
an alien base there and um

1155
00:43:51,270 --> 00:43:48,880
so i wanted to find out what was the

1156
00:43:52,790 --> 00:43:51,280
official story i wanted to do some foias

1157
00:43:55,349 --> 00:43:52,800
when i

1158
00:43:56,470 --> 00:43:55,359
started working as a journalist with the

1159
00:43:58,150 --> 00:43:56,480
press

1160
00:43:59,349 --> 00:43:58,160
department for

1161
00:44:01,829 --> 00:43:59,359
osi

1162
00:44:05,510 --> 00:44:01,839
the lady there was very helpful

1163
00:44:07,670 --> 00:44:05,520

and she expedited my foia she said once

1164

00:44:10,710 --> 00:44:07,680

i got my foia request

1165

00:44:12,710 --> 00:44:10,720

fulfilled then i would be able to get

1166

00:44:14,550 --> 00:44:12,720

someone to to answer some questions

1167

00:44:16,950 --> 00:44:14,560

officially for me

1168

00:44:18,870 --> 00:44:16,960

during this time i had found some other

1169

00:44:20,950 --> 00:44:18,880

documents that

1170

00:44:22,470 --> 00:44:20,960

were not well known and were kind of

1171

00:44:25,990 --> 00:44:22,480

hidden

1172

00:44:27,910 --> 00:44:26,000

related to this whole affair and i

1173

00:44:30,470 --> 00:44:27,920

eventually came to believe that i would

1174

00:44:33,430 --> 00:44:30,480

probably receive those same files and

1175

00:44:34,630 --> 00:44:33,440

sure enough i did so i think i found all

1176

00:44:37,829 --> 00:44:34,640

everything that they're willing to

1177

00:44:40,550 --> 00:44:37,839

release or or perhaps all that they have

1178

00:44:42,550 --> 00:44:40,560

via foia on this whole affair

1179

00:44:43,910 --> 00:44:42,560

but once i got my files the story

1180

00:44:45,430 --> 00:44:43,920

changed she was not going to get me in

1181

00:44:47,109 --> 00:44:45,440

touch with anybody

1182

00:44:49,589 --> 00:44:47,119

she said

1183

00:44:51,670 --> 00:44:49,599

if you want any more information do more

1184

00:44:53,510 --> 00:44:51,680

foias and i'm like i don't need a foia

1185

00:44:56,550 --> 00:44:53,520

i've got the documents i want someone to

1186

00:44:58,470 --> 00:44:56,560

answer questions about these documents

1187

00:45:00,390 --> 00:44:58,480

because what these documents say and

1188

00:45:03,270 --> 00:45:00,400

what the gentleman who's in this these

1189

00:45:05,670 --> 00:45:03,280

documents says are different things and

1190

00:45:08,069 --> 00:45:05,680

i need to know who's a liar here the air

1191

00:45:10,710 --> 00:45:08,079

force or this dodie guy

1192

00:45:12,470 --> 00:45:10,720

and uh but they they wouldn't she just

1193

00:45:14,710 --> 00:45:12,480

said well you have to you can put in

1194

00:45:16,630 --> 00:45:14,720

more foias that's all we have

1195

00:45:20,630 --> 00:45:16,640

so the story changed so she wouldn't let

1196

00:45:23,750 --> 00:45:20,640

me get any official comment on that and

1197

00:45:25,990 --> 00:45:23,760

you know colonel john alexander who has

1198

00:45:27,430 --> 00:45:26,000

was in our in the army intelligence and

1199

00:45:29,589 --> 00:45:27,440

had looked into

1200

00:45:31,670 --> 00:45:29,599

uh ufos and things

1201

00:45:33,750 --> 00:45:31,680

and was a consultant you know helped me

1202

00:45:35,910 --> 00:45:33,760

with this and he he was kind of shocked

1203

00:45:37,430 --> 00:45:35,920

in that and he also told me well then

1204

00:45:38,870 --> 00:45:37,440

attack this thing

1205

00:45:40,470 --> 00:45:38,880

as

1206

00:45:43,190 --> 00:45:40,480

criminal acts

1207

00:45:44,470 --> 00:45:43,200

because what this is is this is a man

1208

00:45:46,950 --> 00:45:44,480

saying he

1209

00:45:49,510 --> 00:45:46,960

uh committed criminal acts

1210

00:45:52,069 --> 00:45:49,520

at the behest of the air force

1211

00:45:55,030 --> 00:45:52,079

well they've got to respond to that so

1212

00:45:57,030 --> 00:45:55,040

when i wrote this letter i wrote it

1213

00:45:59,589 --> 00:45:57,040

from that angle

1214

00:46:01,829 --> 00:45:59,599

and surprisingly at least to him and to

1215

00:46:04,470 --> 00:46:01,839

myself really we still haven't gotten

1216

00:46:06,870 --> 00:46:04,480

any movement on this what i was able to

1217

00:46:09,270 --> 00:46:06,880

find you know were things such as

1218

00:46:11,349 --> 00:46:09,280

dodi had lied to some senators he had

1219

00:46:13,670 --> 00:46:11,359

con

1220

00:46:16,230 --> 00:46:13,680

created hoax documents

1221

00:46:19,670 --> 00:46:16,240

including the first documents to mention

1222

00:46:22,069 --> 00:46:19,680

mj twelve the first documents to mention

1223

00:46:25,349 --> 00:46:22,079

project aquarius these are all the

1224

00:46:27,270 --> 00:46:25,359

things he hopes he admits he hoaxed

1225

00:46:28,870 --> 00:46:27,280

these were documents that he was

1226

00:46:31,030 --> 00:46:28,880

dispensing and that were dispensed

1227

00:46:33,750 --> 00:46:31,040

during this time and have been lost to

1228

00:46:35,670 --> 00:46:33,760

obscurity when you read about mj 12 you

1229

00:46:37,190 --> 00:46:35,680

read about this jamie chandara guy

1230

00:46:38,710 --> 00:46:37,200

getting these letters

1231

00:46:41,589 --> 00:46:38,720

you don't read about that there were

1232

00:46:44,870 --> 00:46:41,599

documents out before

1233

00:46:47,430 --> 00:46:44,880

that jamie shandera was partners with

1234

00:46:49,910 --> 00:46:47,440

william moore and that william moore had

1235

00:46:51,990 --> 00:46:49,920

been secretly working with dodie

1236

00:46:55,030 --> 00:46:52,000

several years and that williams more

1237

00:46:57,349 --> 00:46:55,040

story keeps changing over and over again

1238

00:46:59,510 --> 00:46:57,359

and that in the early 80s before these

1239

00:47:02,230 --> 00:46:59,520

documents were known to anybody

1240

00:47:04,390 --> 00:47:02,240

william moore was going to uh a

1241

00:47:07,190 --> 00:47:04,400

journalist and saying hey we have to

1242

00:47:11,030 --> 00:47:07,200

write a book called majestic 12 about

1243

00:47:14,390 --> 00:47:11,040

this this uh big conspiracy and that

1244

00:47:16,630 --> 00:47:14,400

author uh bob pratt who worked for the

1245

00:47:18,790 --> 00:47:16,640

inquirer which at the time was reputable

1246

00:47:20,950 --> 00:47:18,800

actually and he was a reputable

1247

00:47:23,109 --> 00:47:20,960

journalist said well you don't have any

1248

00:47:25,670 --> 00:47:23,119

evidence here i'll write a fiction book

1249

00:47:28,549 --> 00:47:25,680

with you but all this is i we don't have

1250

00:47:30,069 --> 00:47:28,559

any you know facts to go on and william

1251
00:47:32,790 --> 00:47:30,079
moore got upset with that and the book

1252
00:47:34,549 --> 00:47:32,800
never happened but uh eventually these

1253
00:47:37,670 --> 00:47:34,559
documents came out

1254
00:47:39,829 --> 00:47:37,680
and uh it's this whole history

1255
00:47:41,589 --> 00:47:39,839
of a lot of these mythologies that has

1256
00:47:44,309 --> 00:47:41,599
been lost

1257
00:47:45,750 --> 00:47:44,319
that really you know as researchers we

1258
00:47:47,990 --> 00:47:45,760
can't ignore

1259
00:47:49,589 --> 00:47:48,000
and the reason it was ignored is just

1260
00:47:51,510 --> 00:47:49,599
because it's william moore who was a

1261
00:47:53,829 --> 00:47:51,520
luminary in the field

1262
00:47:55,270 --> 00:47:53,839
had uh when he came out with the fact

1263
00:47:57,109 --> 00:47:55,280

that he had been working behind the

1264

00:48:00,150 --> 00:47:57,119

scenes with dodie

1265

00:48:02,309 --> 00:48:00,160

the field was a really upset about the

1266

00:48:05,349 --> 00:48:02,319

whole thing and they just wanted to

1267

00:48:08,230 --> 00:48:05,359

forget it all they just kind of i i have

1268

00:48:10,390 --> 00:48:08,240

uh i see chris lambreitz on our uh in

1269

00:48:11,670 --> 00:48:10,400

our chat room and he was sitting in the

1270

00:48:13,589 --> 00:48:11,680

audience when

1271

00:48:15,910 --> 00:48:13,599

when moore admitted um hey do you mind

1272

00:48:17,349 --> 00:48:15,920

if i pull him in on skype that would be

1273

00:48:19,829 --> 00:48:17,359

great because you know i've been meaning

1274

00:48:21,430 --> 00:48:19,839

to um speak with him and that would be

1275

00:48:23,910 --> 00:48:21,440

awesome i'd love to

1276

00:48:25,589 --> 00:48:23,920

let's hear some more from him

1277

00:48:30,470 --> 00:48:25,599

chris and i became friends in the last

1278

00:48:34,549 --> 00:48:31,910

chris you got to shut off you got to

1279

00:48:37,829 --> 00:48:34,559

mute the show how are you chris i got it

1280

00:48:39,510 --> 00:48:37,839

hi how are you good good alejandro

1281

00:48:41,030 --> 00:48:39,520

hello how are you

1282

00:48:44,150 --> 00:48:41,040

hey listen guys you know just to let you

1283

00:48:45,589 --> 00:48:44,160

know we have uh we have nine minutes

1284

00:48:47,670 --> 00:48:45,599

left to the show so

1285

00:48:49,190 --> 00:48:47,680

we gotta we gotta keep this a little on

1286

00:48:51,750 --> 00:48:49,200

the short side but chris you got some

1287

00:48:53,670 --> 00:48:51,760

questions for alejandro

1288

00:48:55,589 --> 00:48:53,680

actually he was just mentioning the uh

1289

00:48:57,430 --> 00:48:55,599

the pratt documents

1290

00:48:59,430 --> 00:48:57,440

and he also mentioned the first document

1291

00:49:01,430 --> 00:48:59,440

that came out mentioning mj 12 as well

1292

00:49:03,190 --> 00:49:01,440

as the uh the other documents that are

1293

00:49:04,710 --> 00:49:03,200

called the kirtland documents

1294

00:49:06,309 --> 00:49:04,720

and one of the things that i noted the

1295

00:49:08,069 --> 00:49:06,319

other day in reading through the pratt

1296

00:49:09,829 --> 00:49:08,079

documents is

1297

00:49:11,430 --> 00:49:09,839

there's a set of pratt documents and you

1298

00:49:13,990 --> 00:49:11,440

may know i think kurt collins had found

1299

00:49:15,430 --> 00:49:14,000

these as well and in those documents

1300

00:49:17,670 --> 00:49:15,440

more states

1301

00:49:20,150 --> 00:49:17,680

as he's talking to pratt

1302

00:49:21,670 --> 00:49:20,160

that dodi had suggested that they filed

1303

00:49:23,829 --> 00:49:21,680

through foia

1304

00:49:25,750 --> 00:49:23,839

for any of the information on sightings

1305

00:49:28,790 --> 00:49:25,760

around kirtland air force base through

1306

00:49:30,470 --> 00:49:28,800

the local afosi offices

1307

00:49:32,150 --> 00:49:30,480

which if you recall stan friedman i

1308

00:49:33,750 --> 00:49:32,160

believe was involved back in the day and

1309

00:49:35,990 --> 00:49:33,760

trying to get all this information from

1310

00:49:37,589 --> 00:49:36,000

the afosi offices out there but here's

1311

00:49:40,549 --> 00:49:37,599

this document in which moore is telling

1312

00:49:43,030 --> 00:49:40,559

pratt that it's dodie himself

1313

00:49:45,589 --> 00:49:43,040

who is telling moore who suggests to

1314

00:49:47,109 --> 00:49:45,599

pratt that you know we should file fy

1315

00:49:49,589 --> 00:49:47,119

request to get documents from local

1316

00:49:51,670 --> 00:49:49,599

afosi office that's how

1317

00:49:54,549 --> 00:49:51,680

that original set of kirtland documents

1318

00:49:56,630 --> 00:49:54,559

was so to speak uncovered but it points

1319

00:49:58,630 --> 00:49:56,640

to the fact right there it's doty

1320

00:50:00,390 --> 00:49:58,640

wanting them to be found

1321

00:50:01,910 --> 00:50:00,400

and those documents are what has led

1322

00:50:03,670 --> 00:50:01,920

everyone to believe

1323

00:50:05,589 --> 00:50:03,680

that all of these things began to occur

1324

00:50:07,990 --> 00:50:05,599

in the august september you know and

1325

00:50:09,910 --> 00:50:08,000

later in the year time frame when i i

1326

00:50:11,910 --> 00:50:09,920

did write alejandro a few weeks ago and

1327

00:50:14,470 --> 00:50:11,920

pointed out in one of the documents even

1328

00:50:16,950 --> 00:50:14,480

that greg valdez has on his site

1329

00:50:18,790 --> 00:50:16,960

that paul benowitz stated that

1330

00:50:20,470 --> 00:50:18,800

ernest edwards had known all about this

1331

00:50:21,270 --> 00:50:20,480

since january

1332

00:50:23,589 --> 00:50:21,280

so

1333

00:50:24,549 --> 00:50:23,599

paul's films and what when he first met

1334

00:50:26,470 --> 00:50:24,559

dodie

1335

00:50:28,309 --> 00:50:26,480

that happened early in the year in

1336

00:50:30,069 --> 00:50:28,319

january but you'll notice

1337

00:50:32,150 --> 00:50:30,079

there are no documents

1338

00:50:34,470 --> 00:50:32,160

to cover this time frame why is there a

1339

00:50:37,030 --> 00:50:34,480

huge gap the what's a letter came out in

1340

00:50:38,950 --> 00:50:37,040

july supposedly was intended to get more

1341

00:50:41,670 --> 00:50:38,960

or somebody from april up there

1342

00:50:43,190 --> 00:50:41,680

more supposedly gets called in and more

1343

00:50:44,870 --> 00:50:43,200

passes on to pratt that dodi has

1344

00:50:47,990 --> 00:50:44,880

suggested they file for it so you can

1345

00:50:49,750 --> 00:50:48,000

see what's happening here doty has been

1346

00:50:51,829 --> 00:50:49,760

at the core of all of this from the

1347

00:50:53,510 --> 00:50:51,839

beginning not only in fabricating the

1348

00:50:55,670 --> 00:50:53,520

documents which moore has supposedly

1349

00:50:57,349 --> 00:50:55,680

claimed but in ensuring that people

1350

00:50:59,190 --> 00:50:57,359

would find and get out these kirtland

1351
00:51:01,030 --> 00:50:59,200
documents that seem to make everything

1352
00:51:03,109 --> 00:51:01,040
appear to be focused around you know the

1353
00:51:05,349 --> 00:51:03,119
fall of that year

1354
00:51:07,270 --> 00:51:05,359
for whatever reason yes sir pardon me

1355
00:51:08,710 --> 00:51:07,280
just one second i still hear a little

1356
00:51:10,710 --> 00:51:08,720
bit of feedback you might have some

1357
00:51:12,230 --> 00:51:10,720
sound coming through your i'm sorry

1358
00:51:14,230 --> 00:51:12,240
about that if i do i don't have anything

1359
00:51:15,670 --> 00:51:14,240
on here at all just just you and me that

1360
00:51:17,990 --> 00:51:15,680
i know of that i'll

1361
00:51:19,829 --> 00:51:18,000
anyway sorry about that if it is it's

1362
00:51:21,990 --> 00:51:19,839
something else i don't know what

1363
00:51:24,790 --> 00:51:22,000

but anyway have either one of you tried

1364

00:51:28,069 --> 00:51:24,800

to reach richard dodie

1365

00:51:30,470 --> 00:51:28,079

i have not and the reason is i it's not

1366

00:51:32,630 --> 00:51:30,480

important for me because

1367

00:51:34,870 --> 00:51:32,640

a lot of what this story has been based

1368

00:51:36,549 --> 00:51:34,880

off in the past is what richard dodie

1369

00:51:38,390 --> 00:51:36,559

has to say

1370

00:51:40,309 --> 00:51:38,400

his story has changed over and over

1371

00:51:42,630 --> 00:51:40,319

again i don't feel that you can really

1372

00:51:45,750 --> 00:51:42,640

trust what he has to say i think we've

1373

00:51:47,750 --> 00:51:45,760

gotten enough out of him at this point

1374

00:51:49,829 --> 00:51:47,760

so i kind of would like to maybe catch

1375

00:51:51,750 --> 00:51:49,839

him in a couple things and ask him why

1376

00:51:54,309 --> 00:51:51,760

did you say this then and then this then

1377

00:51:57,030 --> 00:51:54,319

and then this then but i don't know that

1378

00:51:59,430 --> 00:51:57,040

that's necessarily important not only

1379

00:52:01,990 --> 00:51:59,440

that there there's a book project beta

1380

00:52:03,670 --> 00:52:02,000

and also this new magic men which was a

1381

00:52:06,710 --> 00:52:03,680

book but now a documentary which has

1382

00:52:08,630 --> 00:52:06,720

plenty of interviews with dodie so

1383

00:52:11,270 --> 00:52:08,640

what i wanted to look for is what we

1384

00:52:13,829 --> 00:52:11,280

know officially so for instance

1385

00:52:15,430 --> 00:52:13,839

even with this idea that you know

1386

00:52:17,750 --> 00:52:15,440

edwards knew

1387

00:52:20,549 --> 00:52:17,760

prior which it does seem you know that's

1388

00:52:22,630 --> 00:52:20,559

who benowitz had approached sue before

1389

00:52:26,230 --> 00:52:22,640

however with these kirtland documents it

1390

00:52:28,390 --> 00:52:26,240

does show that uh there was an official

1391

00:52:31,190 --> 00:52:28,400

or at least a

1392

00:52:32,390 --> 00:52:31,200

an official inquiry into what bennett

1393

00:52:36,230 --> 00:52:32,400

which was saying

1394

00:52:38,790 --> 00:52:36,240

until later in the year in 1980 so

1395

00:52:40,230 --> 00:52:38,800

were they just blowing off benowitz for

1396

00:52:42,870 --> 00:52:40,240

most of the year

1397

00:52:44,710 --> 00:52:42,880

possibly i mean if some guy was coming

1398

00:52:46,870 --> 00:52:44,720

and saying i'm talking to aliens and

1399

00:52:49,030 --> 00:52:46,880

they're flying around your base

1400

00:52:52,309 --> 00:52:49,040

i could see how

1401
00:52:53,829 --> 00:52:52,319
that might not be taken very seriously

1402
00:52:56,150 --> 00:52:53,839
just to keep you guys in mind we have

1403
00:52:57,270 --> 00:52:56,160
about four minutes left and i have to we

1404
00:52:59,670 --> 00:52:57,280
have to end right on time because

1405
00:53:01,190 --> 00:52:59,680
there's another live show coming up

1406
00:53:02,790 --> 00:53:01,200
i think i i want to make the point that

1407
00:53:04,870 --> 00:53:02,800
when bert when bennowitz called and

1408
00:53:06,390 --> 00:53:04,880
spoke with edwards first

1409
00:53:08,230 --> 00:53:06,400
which would have been in january

1410
00:53:10,549 --> 00:53:08,240
sometime or other

1411
00:53:12,710 --> 00:53:10,559
edwards put him in in touch with dodie

1412
00:53:14,390 --> 00:53:12,720
at the time if you really read those

1413
00:53:17,670 --> 00:53:14,400

documents there is nothing in the

1414

00:53:19,109 --> 00:53:17,680

documents that alludes to the fact that

1415

00:53:21,190 --> 00:53:19,119

what occurred the meetings that took

1416

00:53:22,870 --> 00:53:21,200

place dodie going to talk to uh benowitz

1417

00:53:25,430 --> 00:53:22,880

and take came miller with him nothing

1418

00:53:27,270 --> 00:53:25,440

states that that was the first time

1419

00:53:30,230 --> 00:53:27,280

nothing there states that was the only

1420

00:53:32,390 --> 00:53:30,240

time it's simply that's the first time

1421

00:53:34,390 --> 00:53:32,400

there are some documents that came out

1422

00:53:36,790 --> 00:53:34,400

that included and they gave benuet short

1423

00:53:38,710 --> 00:53:36,800

shrift in those documents nothing

1424

00:53:40,790 --> 00:53:38,720

alluded to the fact that benue you

1425

00:53:42,710 --> 00:53:40,800

recall that it said benowitz had been

1426

00:53:44,549 --> 00:53:42,720

investigating the you know these

1427

00:53:46,790 --> 00:53:44,559

sightings and never alluded to the fact

1428

00:53:48,710 --> 00:53:46,800

that he had contacted edwards edwards

1429

00:53:50,230 --> 00:53:48,720

put him in touch with dodie and i think

1430

00:53:51,990 --> 00:53:50,240

if it was this was a nuclear weapon

1431

00:53:54,150 --> 00:53:52,000

storage area with a surrounded fence and

1432

00:53:56,470 --> 00:53:54,160

someone called and said i want to talk

1433

00:53:58,470 --> 00:53:56,480

to you about potential intrusions

1434

00:54:00,309 --> 00:53:58,480

they wouldn't sit on their hands for

1435

00:54:01,829 --> 00:54:00,319

even two weeks before they would go up

1436

00:54:04,069 --> 00:54:01,839

and visit him so i think my point is

1437

00:54:05,349 --> 00:54:04,079

simply just because the documents came

1438

00:54:07,109 --> 00:54:05,359

out and make everyone look that

1439

00:54:09,190 --> 00:54:07,119

direction read what they state they do

1440

00:54:11,349 --> 00:54:09,200

not ever state this was the only time

1441

00:54:13,030 --> 00:54:11,359

that dodie had gone to talk to benowitz

1442

00:54:14,309 --> 00:54:13,040

or that any other communications had

1443

00:54:16,309 --> 00:54:14,319

happened in fact

1444

00:54:18,069 --> 00:54:16,319

there's a huge silence

1445

00:54:20,549 --> 00:54:18,079

in that first six months before

1446

00:54:23,190 --> 00:54:20,559

supposedly the wetzel letter is sent

1447

00:54:26,150 --> 00:54:23,200

down to apro in july

1448

00:54:28,470 --> 00:54:26,160

yeah i i don't know i i i'm not sure we

1449

00:54:30,150 --> 00:54:28,480

don't have much more there maybe i think

1450

00:54:31,109 --> 00:54:30,160

you've talked to edwards is that right

1451

00:54:32,630 --> 00:54:31,119

chris

1452

00:54:34,390 --> 00:54:32,640

yes i talked to edwards i talked to

1453

00:54:36,549 --> 00:54:34,400

dodie i talked to paul benowitz i have

1454

00:54:39,270 --> 00:54:36,559

several so what did edward say though

1455

00:54:42,069 --> 00:54:39,280

are you saying that edwards is part of a

1456

00:54:43,670 --> 00:54:42,079

conspiracy where they hid um another

1457

00:54:45,270 --> 00:54:43,680

investigation

1458

00:54:47,270 --> 00:54:45,280

i called and spoke with edwards it

1459

00:54:49,109 --> 00:54:47,280

turned out later on and i just i

1460

00:54:50,950 --> 00:54:49,119

mentioned this in my book that it had i

1461

00:54:52,710 --> 00:54:50,960

had realized it before when i first

1462

00:54:54,150 --> 00:54:52,720

spoke to edwards i asked him when was

1463

00:54:57,030 --> 00:54:54,160

the first time he spoke with with

1464

00:54:58,870 --> 00:54:57,040

benowitz and he said october sometime in

1465

00:55:00,309 --> 00:54:58,880

there i re-listened to the tape when i

1466

00:55:02,309 --> 00:55:00,319

was writing my book

1467

00:55:04,630 --> 00:55:02,319

it wasn't and and i found out that a few

1468

00:55:06,230 --> 00:55:04,640

weeks before that he had had a meeting

1469

00:55:08,549 --> 00:55:06,240

with the two representatives of sandia

1470

00:55:10,309 --> 00:55:08,559

that were there at behest of the senator

1471

00:55:11,990 --> 00:55:10,319

and that's when i have a document that

1472

00:55:13,670 --> 00:55:12,000

paul and you know it's my fault for

1473

00:55:15,670 --> 00:55:13,680

missing it at the time but paul had sent

1474

00:55:17,670 --> 00:55:15,680

this to me a log file i guess what does

1475

00:55:18,950 --> 00:55:17,680

it mean to you since we're short on time

1476

00:55:21,670 --> 00:55:18,960

are you saying that then they're

1477

00:55:23,670 --> 00:55:21,680

covering up a true ufo event that

1478

00:55:25,910 --> 00:55:23,680

benowitz was bringing to them or what do

1479

00:55:28,230 --> 00:55:25,920

you think that means to you yeah okay

1480

00:55:29,430 --> 00:55:28,240

paul got it on film they knew he had it

1481

00:55:31,430 --> 00:55:29,440

the whole point has been to get

1482

00:55:32,390 --> 00:55:31,440

everybody looking some other direct

1483

00:55:34,630 --> 00:55:32,400

action

1484

00:55:36,549 --> 00:55:34,640

ah interesting

1485

00:55:38,309 --> 00:55:36,559

yeah i mean in fact alejandro i will be

1486

00:55:39,829 --> 00:55:38,319

glad to send you a copy of the book i've

1487

00:55:41,349 --> 00:55:39,839

got i realize it's only a digital book

1488

00:55:43,670 --> 00:55:41,359

so it's kind of awesome i've got it it's

1489

00:55:45,270 --> 00:55:43,680

a digital book so i i you know i've got

1490

00:55:46,789 --> 00:55:45,280

to look through that and i will and in

1491

00:55:49,750 --> 00:55:46,799

fact i want to talk to you some more

1492

00:55:51,829 --> 00:55:49,760

about this because i'm skeptical of that

1493

00:55:53,190 --> 00:55:51,839

point but i don't know uh you have a lot

1494

00:55:54,950 --> 00:55:53,200

more

1495

00:55:56,870 --> 00:55:54,960

some information to that everything

1496

00:55:59,270 --> 00:55:56,880

everything that i was searching for is

1497

00:56:01,349 --> 00:55:59,280

the roots of these mythologies which is

1498

00:56:04,069 --> 00:56:01,359

really important and we will be posting

1499

00:56:05,829 --> 00:56:04,079

a video this week um that is going to go

1500

00:56:09,190 --> 00:56:05,839

into all of this as well to put it

1501
00:56:12,150 --> 00:56:09,200
together uh for people in a video format

1502
00:56:13,190 --> 00:56:12,160
which is a lot more digestible to people

1503
00:56:15,589 --> 00:56:13,200
these days

1504
00:56:17,670 --> 00:56:15,599
hey okay so we're running out of time

1505
00:56:19,109 --> 00:56:17,680
alejandro real quickly um tell the

1506
00:56:21,870 --> 00:56:19,119
listening audience where they can find

1507
00:56:23,990 --> 00:56:21,880
you your website and all that good stuff

1508
00:56:25,750 --> 00:56:24,000
openminds.tv so when you go to the front

1509
00:56:27,990 --> 00:56:25,760
page under the government military

1510
00:56:29,870 --> 00:56:28,000
section you'll see open letter to the us

1511
00:56:32,230 --> 00:56:29,880
air force that's where that is but

1512
00:56:34,950 --> 00:56:32,240
openminds.tv is where you can get all of

1513
00:56:36,710 --> 00:56:34,960

this so check it out all right great hey

1514

00:56:39,829 --> 00:56:36,720

and thanks for coming in for a chat

1515

00:56:41,990 --> 00:56:39,839

there chris and sure anytime all right

1516

00:56:45,030 --> 00:56:42,000

we'll stay in touch all right thank you

1517

00:56:47,750 --> 00:56:45,040

thank you both very much um so

1518

00:56:49,510 --> 00:56:47,760

if uh this is it for the show today if

1519

00:56:52,069 --> 00:56:49,520

you missed any part of the show you can

1520

00:56:53,670 --> 00:56:52,079

catch it as a podcast and a whole bunch

1521

00:56:55,829 --> 00:56:53,680

of other podcasts

1522

00:56:58,470 --> 00:56:55,839

then they're all free and that's on our

1523

00:57:00,309 --> 00:56:58,480

website which is podcast ufo you can

1524

00:57:01,670 --> 00:57:00,319

also check out links to the story and

1525

00:57:02,950 --> 00:57:01,680

our show notes

1526

00:57:05,270 --> 00:57:02,960

and as well as joining in the

1527

00:57:07,589 --> 00:57:05,280

conversation in our forums our guest for

1528

00:57:10,150 --> 00:57:07,599

next week will be noe torres

1529

00:57:11,910 --> 00:57:10,160

and ruben yuri arty

1530

00:57:13,750 --> 00:57:11,920

and so we'll have a couple guests next

1531

00:57:15,510 --> 00:57:13,760

week that should be a great show

1532

00:57:17,750 --> 00:57:15,520

and i want to thank everyone for helping

1533

00:57:19,349 --> 00:57:17,760

out and also i want to thank again for

1534

00:57:21,190 --> 00:57:19,359

you the listener for helping me put

1535

00:57:23,270 --> 00:57:21,200

together a hundred shows it's been real

1536

00:57:25,109 --> 00:57:23,280

enjoyable i want to thank our guest

1537

00:57:27,349 --> 00:57:25,119

alejandro rojas

1538

00:57:29,270 --> 00:57:27,359

keith roland the producer for the dark

1539

00:57:31,750 --> 00:57:29,280

matter radio network

1540

00:57:33,829 --> 00:57:31,760

andy fleming will be next back next week

1541

00:57:36,069 --> 00:57:33,839

we have carrie lloyd whitehouse for our

1542

00:57:38,870 --> 00:57:36,079

music peggy shunning for managing our 10

1543

00:57:40,710 --> 00:57:38,880

000 liked facebook page and remember to

1544

00:57:43,589 --> 00:57:40,720

like us on facebook for all the latest

1545

00:57:45,270 --> 00:57:43,599

ufo news you can just get us out next

1546

00:57:47,750 --> 00:57:45,280

week right here on the dark matter radio

1547

00:57:50,950 --> 00:57:47,760

network and every wednesday at 9 00 pm

1548

00:57:52,789 --> 00:57:50,960

eastern standard time right here on

1549

00:57:55,190 --> 00:57:52,799

the show and remember to jump in the
