

1  
00:00:03,270 --> 00:00:02,550  
and it hits me oh my gosh this is that

2  
00:00:04,390 --> 00:00:03,280  
triangle

3  
00:00:05,749 --> 00:00:04,400  
you know there's explanation for

4  
00:00:06,389 --> 00:00:05,759  
everything that occurred in the rendel

5  
00:00:08,629 --> 00:00:06,399  
champions

6  
00:00:10,870 --> 00:00:08,639  
incident that doesn't involve aliens at

7  
00:00:14,310 --> 00:00:10,880  
all it was completely silent

8  
00:00:16,630 --> 00:00:14,320  
it comes right over our heads he saw a

9  
00:00:18,470 --> 00:00:16,640  
classic flying saucer really standing in

10  
00:00:19,269 --> 00:00:18,480  
the clearing he turned over to my father

11  
00:00:20,470 --> 00:00:19,279  
and held his hand

12  
00:00:25,349 --> 00:00:20,480  
and he looked in his eyes and he said

13  
00:00:31,029 --> 00:00:28,710

welcome to podcast ufo for our live show

14

00:00:33,270 --> 00:00:31,039

we're live every wednesday at 8 pm

15

00:00:34,549 --> 00:00:33,280

eastern standard time on the dark matter

16

00:00:37,470 --> 00:00:34,559

radio network

17

00:00:38,790 --> 00:00:37,480

please remember to visit the website

18

00:00:41,990 --> 00:00:38,800

podcastufo.com

19

00:00:44,069 --> 00:00:42,000

for past episodes blogs and forums

20

00:00:45,750 --> 00:00:44,079

during the show feel free to participate

21

00:00:47,990 --> 00:00:45,760

live in our chat room

22

00:00:49,750 --> 00:00:48,000

and don't forget to like us on our very

23

00:00:52,389 --> 00:00:49,760

active facebook page

24

00:00:54,069 --> 00:00:52,399

hello and welcome to podcast ufo i'm

25

00:00:56,150 --> 00:00:54,079

martin willis your host

26  
00:00:57,670 --> 00:00:56,160  
and as she just said we are coming at

27  
00:00:58,709 --> 00:00:57,680  
you live in the dark matter radio

28  
00:01:00,790 --> 00:00:58,719  
network

29  
00:01:02,549 --> 00:01:00,800  
and we're actually recording from a

30  
00:01:05,109 --> 00:01:02,559  
little mountaintop in maine

31  
00:01:06,789 --> 00:01:05,119  
sounds really great doesn't it as always

32  
00:01:09,510 --> 00:01:06,799  
we are here wednesdays

33  
00:01:10,870 --> 00:01:09,520  
at 9 00 pm eastern standard time which

34  
00:01:13,270 --> 00:01:10,880  
is 6 p.m

35  
00:01:14,950 --> 00:01:13,280  
pacific time and we have a great show

36  
00:01:18,149 --> 00:01:14,960  
for you tonight with guests

37  
00:01:20,950 --> 00:01:18,159  
noe torres and reuben yuriarty

38  
00:01:23,749 --> 00:01:20,960

and that's coming up before that i have

39

00:01:25,910 --> 00:01:23,759

andy fleming talking about panspermia

40

00:01:27,270 --> 00:01:25,920

and uh just you know i just was going

41

00:01:28,870 --> 00:01:27,280

through our facebook page and you know

42

00:01:30,390 --> 00:01:28,880

peggy's always hard at work

43

00:01:32,230 --> 00:01:30,400

and uh if you're over there in the chat

44

00:01:33,910 --> 00:01:32,240

room i have to tell you i may not be

45

00:01:35,830 --> 00:01:33,920

able to get on the chat room tonight i'm

46

00:01:37,590 --> 00:01:35,840

having trouble with one of my computers

47

00:01:39,590 --> 00:01:37,600

hard i gotta hardwire it

48

00:01:41,109 --> 00:01:39,600

uh the wireless is not working correctly

49

00:01:42,789 --> 00:01:41,119

so you may not see

50

00:01:44,789 --> 00:01:42,799

myself in the chat room i'm going to try

51  
00:01:46,550 --> 00:01:44,799  
to get on there so i can ask some

52  
00:01:47,590 --> 00:01:46,560  
questions please don't be discouraged i

53  
00:01:49,990 --> 00:01:47,600  
will work on that

54  
00:01:51,749 --> 00:01:50,000  
as we go along here i'll tell you what

55  
00:01:54,550 --> 00:01:51,759  
as we're playing andy

56  
00:01:55,990 --> 00:01:54,560  
fleming's clip on astronomy i'll do

57  
00:01:56,709 --> 00:01:56,000  
everything possible i can to get in the

58  
00:01:58,310 --> 00:01:56,719  
chat room

59  
00:01:59,749 --> 00:01:58,320  
so if you're listening live at dark

60  
00:02:03,270 --> 00:01:59,759  
matter radio network

61  
00:02:06,230 --> 00:02:03,280  
you can jump over to [podcastufo.com](http://podcastufo.com)

62  
00:02:06,870 --> 00:02:06,240  
and on the right hand sidebar two clicks

63  
00:02:09,109 --> 00:02:06,880

and you're in

64

00:02:10,309 --> 00:02:09,119

the chat room and you can at least

65

00:02:11,830 --> 00:02:10,319

communicate with each other

66

00:02:13,350 --> 00:02:11,840

and complain like you usually do and

67

00:02:16,390 --> 00:02:13,360

have some fun

68

00:02:17,270 --> 00:02:16,400

dr harold sunny white is still working

69

00:02:20,869 --> 00:02:17,280

on the warp

70

00:02:22,630 --> 00:02:20,879

drive or warp bubbles this is a

71

00:02:24,390 --> 00:02:22,640

on the news on the facebook page and i

72

00:02:27,430 --> 00:02:24,400

want to tell you i actually wrote

73

00:02:28,949 --> 00:02:27,440

uh sonny white um an email and he

74

00:02:30,070 --> 00:02:28,959

actually responded to me this was a

75

00:02:32,470 --> 00:02:30,080

while back

76  
00:02:34,390 --> 00:02:32,480  
and said yes indeed the math has worked

77  
00:02:37,270 --> 00:02:34,400  
out for war bubbles and it was

78  
00:02:38,790 --> 00:02:37,280  
something to keep my eye on i did email

79  
00:02:39,110 --> 00:02:38,800  
him back and asked him if he would be on

80  
00:02:43,270 --> 00:02:39,120  
a

81  
00:02:45,750 --> 00:02:43,280  
nicely

82  
00:02:47,350 --> 00:02:45,760  
declined he just was not up for that and

83  
00:02:48,949 --> 00:02:47,360  
you know i can't say as i blame him he

84  
00:02:51,030 --> 00:02:48,959  
might get some ridicule from that

85  
00:02:52,390 --> 00:02:51,040  
but anyway at nasa's johnson space

86  
00:02:55,350 --> 00:02:52,400  
center his

87  
00:02:56,229 --> 00:02:55,360  
work on the experimental stage but it

88  
00:02:57,990 --> 00:02:56,239

doesn't mean

89

00:02:59,750 --> 00:02:58,000

we can imagine what the real life

90

00:03:00,229 --> 00:02:59,760

enterprise ship would look like but he

91

00:03:03,589 --> 00:03:00,239

had a

92

00:03:07,110 --> 00:03:03,599

3d concept artist mark rad

93

00:03:08,869 --> 00:03:07,120

maker uh he he drew up these wonderful

94

00:03:12,070 --> 00:03:08,879

renditions of what a

95

00:03:13,030 --> 00:03:12,080

a warp bubble vehicle may look like and

96

00:03:14,630 --> 00:03:13,040

um

97

00:03:16,790 --> 00:03:14,640

i believe we have the link to that in

98

00:03:18,790 --> 00:03:16,800

our show notes and we'll have a picture

99

00:03:22,070 --> 00:03:18,800

or two up there

100

00:03:27,030 --> 00:03:22,080

and so right now we have

101  
00:03:32,550 --> 00:03:30,390  
and hello martin and listeners now a

102  
00:03:33,990 --> 00:03:32,560  
couple of years ago at a local

103  
00:03:36,390 --> 00:03:34,000  
planetarium

104  
00:03:37,350 --> 00:03:36,400  
i had the privilege of holding some

105  
00:03:40,149 --> 00:03:37,360  
pieces of

106  
00:03:42,630 --> 00:03:40,159  
mars that had actually been found on the

107  
00:03:45,509 --> 00:03:42,640  
ice of antarctica

108  
00:03:46,149 --> 00:03:45,519  
scientists know the origin of these nasa

109  
00:03:49,589 --> 00:03:46,159  
samples

110  
00:03:50,710 --> 00:03:49,599  
because the gases inside share the same

111  
00:03:53,910 --> 00:03:50,720  
composition

112  
00:03:56,869 --> 00:03:53,920  
of the gases in the martian atmosphere

113  
00:03:58,229 --> 00:03:56,879

the meteorites were ejected from an

114

00:04:01,750 --> 00:03:58,239

impactor strike

115

00:04:04,710 --> 00:04:01,760

on the red planet now this leads to

116

00:04:05,990 --> 00:04:04,720

some interesting speculation about

117

00:04:09,190 --> 00:04:06,000

whether life actually

118

00:04:09,509 --> 00:04:09,200

originated here on the earth let's face

119

00:04:11,910 --> 00:04:09,519

it

120

00:04:12,949 --> 00:04:11,920

while we search for extraterrestrial

121

00:04:15,190 --> 00:04:12,959

life

122

00:04:17,990 --> 00:04:15,200

we still don't know for certain it's

123

00:04:20,469 --> 00:04:18,000

terrestrial origins

124

00:04:21,030 --> 00:04:20,479

what if instead of originating in pond

125

00:04:24,790 --> 00:04:21,040

scum

126

00:04:27,909 --> 00:04:24,800

life hitched a ride here on a meteor

127

00:04:28,310 --> 00:04:27,919

now this is the theory of panspermia

128

00:04:31,590 --> 00:04:28,320

which

129

00:04:34,550 --> 00:04:31,600

in greek means seeds everywhere

130

00:04:34,950 --> 00:04:34,560

the seeds in this case would not only be

131

00:04:37,909 --> 00:04:34,960

the

132

00:04:38,510 --> 00:04:37,919

chemical building blocks of life but

133

00:04:41,670 --> 00:04:38,520

also

134

00:04:44,710 --> 00:04:41,680

extremophile bacteria

135

00:04:46,710 --> 00:04:44,720

pan well folks

136

00:04:48,550 --> 00:04:46,720

i'm not sure what happened but i see

137

00:04:51,670 --> 00:04:48,560

this right now that the clip has

138

00:04:52,629 --> 00:04:51,680

ended uh prematurely at uh one minute

139

00:04:54,310 --> 00:04:52,639

and 17

140

00:04:56,950 --> 00:04:54,320

seconds in you know we're gonna have to

141

00:04:58,550 --> 00:04:56,960

go with this next week and not worry all

142

00:04:59,909 --> 00:04:58,560

that much about it

143

00:05:03,350 --> 00:04:59,919

sorry about that andy if you're

144

00:05:05,749 --> 00:05:03,360

listening live over in the uk

145

00:05:06,629 --> 00:05:05,759

this clip is corrupt i just found out

146

00:05:09,189 --> 00:05:06,639

just now

147

00:05:09,990 --> 00:05:09,199

so again i will get on that and play the

148

00:05:13,510 --> 00:05:10,000

full clip next

149

00:05:14,150 --> 00:05:13,520

week and we are ready to bring on our

150

00:05:15,590 --> 00:05:14,160

guests so

151

00:05:18,310 --> 00:05:15,600

pull up your chairs around the old

152

00:05:19,830 --> 00:05:18,320

computer and join in the chat room at

153

00:05:23,590 --> 00:05:19,840

podcast ufo and i

154

00:05:25,510 --> 00:05:23,600

was able to get on there and uh

155

00:05:27,430 --> 00:05:25,520

gather around your computer like i said

156

00:05:28,550 --> 00:05:27,440

get yourself a hot spot of tea and we're

157

00:05:34,230 --> 00:05:28,560

ready to talk

158

00:05:37,990 --> 00:05:37,189

hello there martin this is noey torres

159

00:05:40,870 --> 00:05:38,000

and i'm in

160

00:05:42,710 --> 00:05:40,880

south texas on the rio grande river

161

00:05:44,710 --> 00:05:42,720

border with mexico

162

00:05:45,749 --> 00:05:44,720

and by the way this has been a hot spot

163

00:05:48,310 --> 00:05:45,759

recently

164

00:05:49,029 --> 00:05:48,320

not just temperature wise but lots of

165

00:05:51,749 --> 00:05:49,039

ufo

166

00:05:52,070 --> 00:05:51,759

sightings and incidents reported in this

167

00:05:54,550 --> 00:05:52,080

area

168

00:05:56,390 --> 00:05:54,560

which we'll talk more about wow and

169

00:05:58,790 --> 00:05:56,400

ruben yuan

170

00:06:00,070 --> 00:05:58,800

this is uh reuben uriarte calling from

171

00:06:02,710 --> 00:06:00,080

the san francisco

172

00:06:06,390 --> 00:06:02,720

bay area on the east bay which was

173

00:06:09,270 --> 00:06:06,400

recently destroyed by godzilla

174

00:06:10,710 --> 00:06:09,280

i missed that clip i just that that

175

00:06:12,629 --> 00:06:10,720

should have been on our facebook page i

176

00:06:16,309 --> 00:06:12,639

don't know what happened

177

00:06:19,430 --> 00:06:16,319

yep uh uh happy to be on on your show

178

00:06:21,189 --> 00:06:19,440

and with uh noy torres and we have a lot

179

00:06:23,670 --> 00:06:21,199

to share with your audience

180

00:06:24,870 --> 00:06:23,680

that's great so one of the reasons um i

181

00:06:27,029 --> 00:06:24,880

first contacted you

182

00:06:27,909 --> 00:06:27,039

know way back when i think it was maybe

183

00:06:30,150 --> 00:06:27,919

perhaps

184

00:06:31,189 --> 00:06:30,160

i don't know six or eight months ago is

185

00:06:35,670 --> 00:06:31,199

uh the

186

00:06:39,270 --> 00:06:35,680

what i think is called mexico's roswell

187

00:06:42,629 --> 00:06:39,280

the military was involved a plane

188

00:06:46,629 --> 00:06:42,639

collided with the ufo supposedly

189

00:06:47,909 --> 00:06:46,639

in this whole thing happened and it's

190

00:06:50,550 --> 00:06:47,919

how do you pronounce the name of the

191

00:06:54,550 --> 00:06:50,560

town that happened in well this happened

192

00:06:57,589 --> 00:06:54,560

it's associated with a tiny town

193

00:06:58,150 --> 00:06:57,599

in northern mexico called koyame right

194

00:07:01,990 --> 00:06:58,160

in this

195

00:07:04,230 --> 00:07:02,000

in the state of chihuahua uh-huh

196

00:07:05,589 --> 00:07:04,240

and so this is this is a fascinating

197

00:07:06,710 --> 00:07:05,599

case and i have to tell you before we go

198

00:07:09,189 --> 00:07:06,720

on that uh

199

00:07:10,950 --> 00:07:09,199

i had bill burns i know he was in ufo

200

00:07:14,390 --> 00:07:10,960

hunters and they explored that

201  
00:07:16,950 --> 00:07:14,400  
situation briefly on ufo hunters and

202  
00:07:18,390 --> 00:07:16,960  
um while i had him on the show i had

203  
00:07:19,749 --> 00:07:18,400  
someone on the facebook page come

204  
00:07:21,589 --> 00:07:19,759  
forward and say they were part of the

205  
00:07:24,870 --> 00:07:21,599  
military that was there

206  
00:07:26,309 --> 00:07:24,880  
and uh baited uh both they may be

207  
00:07:27,990 --> 00:07:26,319  
listening and that's okay because they

208  
00:07:31,110 --> 00:07:28,000  
baited both bill burns and i

209  
00:07:33,510 --> 00:07:31,120  
for oh maybe a week or so afterward

210  
00:07:35,110 --> 00:07:33,520  
with all this information and then after

211  
00:07:36,390 --> 00:07:35,120  
doing some thorough research

212  
00:07:37,909 --> 00:07:36,400  
we were going to have a show about it

213  
00:07:39,270 --> 00:07:37,919

and everything have this guy on because

214

00:07:40,309 --> 00:07:39,280

he was talking about aliens and

215

00:07:43,110 --> 00:07:40,319

everything else

216

00:07:43,990 --> 00:07:43,120

real exciting groundbreaking and when i

217

00:07:49,029 --> 00:07:44,000

found out he was born

218

00:07:51,830 --> 00:07:49,039

in 1964 um it did not work

219

00:07:53,430 --> 00:07:51,840

no he would be awful young to be in the

220

00:07:55,029 --> 00:07:53,440

military at that point that's right he

221

00:07:57,830 --> 00:07:55,039

would have been 10 years old when the

222

00:07:59,749 --> 00:07:57,840

incident happened

223

00:08:03,430 --> 00:07:59,759

and that's exactly what i said to him i

224

00:08:06,550 --> 00:08:05,909

we're coming up to 40 years uh now since

225

00:08:09,110 --> 00:08:06,560

the incident

226

00:08:09,909 --> 00:08:09,120

happened and uh go ahead knowing it go

227

00:08:12,629 --> 00:08:09,919

ahead and down

228

00:08:13,589 --> 00:08:12,639

well actually reuben and i have worked

229

00:08:18,869 --> 00:08:13,599

so

230

00:08:20,230 --> 00:08:18,879

i was going to say the very same thing

231

00:08:23,430 --> 00:08:20,240

reuben that this

232

00:08:27,350 --> 00:08:23,440

this year is the 40th anniversary

233

00:08:31,670 --> 00:08:27,360

of the so-called mexico's roswell case

234

00:08:34,310 --> 00:08:31,680

and reuben and i just put out a new book

235

00:08:35,750 --> 00:08:34,320

about this by the way called the koyame

236

00:08:38,870 --> 00:08:35,760

incident

237

00:08:40,949 --> 00:08:38,880

ufo crash near presidio texas

238

00:08:42,870 --> 00:08:40,959

we gave a reference point to the crash

239

00:08:45,430 --> 00:08:42,880

in texas because

240

00:08:46,070 --> 00:08:45,440

the mid-air collision between the small

241

00:08:49,269 --> 00:08:46,080

plane

242

00:08:51,269 --> 00:08:49,279

flying out of el paso texas and this

243

00:08:54,790 --> 00:08:51,279

unidentified flying object

244

00:08:56,790 --> 00:08:54,800

which had come across the uh

245

00:08:58,230 --> 00:08:56,800

northern mexico area from the gulf of

246

00:09:00,470 --> 00:08:58,240

mexico and had

247

00:09:02,790 --> 00:09:00,480

zigzagged all over northern mexico

248

00:09:06,150 --> 00:09:02,800

before finally colliding

249

00:09:07,030 --> 00:09:06,160

with this plane um at the point of the

250

00:09:10,710 --> 00:09:07,040

crash was

251  
00:09:12,790 --> 00:09:10,720  
actually just as close to the texas side

252  
00:09:15,190 --> 00:09:12,800  
of the rio grande as it was to kuala

253  
00:09:18,710 --> 00:09:15,200  
lume the small town that we've

254  
00:09:20,230 --> 00:09:18,720  
referred to so um what we've been

255  
00:09:22,070 --> 00:09:20,240  
and this will be the third year that

256  
00:09:25,750 --> 00:09:22,080  
this has happened every year

257  
00:09:28,230 --> 00:09:25,760  
we have a gathering a ufo

258  
00:09:30,150 --> 00:09:28,240  
festival if you will in the small town

259  
00:09:33,030 --> 00:09:30,160  
of presidio texas

260  
00:09:35,590 --> 00:09:33,040  
and uh to commemorate this incredible

261  
00:09:36,550 --> 00:09:35,600  
event that happened in 1974 that we'll

262  
00:09:40,470 --> 00:09:36,560  
be talking

263  
00:09:43,030 --> 00:09:40,480

more at length about okay sure

264

00:09:44,550 --> 00:09:43,040

um so let's for the listener that has

265

00:09:47,590 --> 00:09:44,560

never heard

266

00:09:48,949 --> 00:09:47,600

the whole uh the whole incident can you

267

00:09:51,430 --> 00:09:48,959

kind of give a

268

00:09:52,949 --> 00:09:51,440

soup to nuts but not too involved in and

269

00:09:55,269 --> 00:09:52,959

what happened there

270

00:09:56,470 --> 00:09:55,279

sure i'm going to start off and then i'm

271

00:09:58,949 --> 00:09:56,480

going to

272

00:10:00,150 --> 00:09:58,959

let reuben come in toward the tail end

273

00:10:03,509 --> 00:10:00,160

and provide some

274

00:10:04,310 --> 00:10:03,519

additional commentary but the nuts and

275

00:10:08,630 --> 00:10:04,320

bolts of it

276

00:10:10,790 --> 00:10:08,640

is that back on august 25th 1974

277

00:10:12,389 --> 00:10:10,800

so we're two months away from the 40th

278

00:10:15,750 --> 00:10:12,399

anniversary

279

00:10:19,670 --> 00:10:15,760

latter part of august the 25th

280

00:10:23,030 --> 00:10:19,680

there was a sighting of a strange object

281

00:10:25,350 --> 00:10:23,040

coming toward the texas coast

282

00:10:27,110 --> 00:10:25,360

from out in the gulf of mexico and it

283

00:10:30,150 --> 00:10:27,120

was moving fairly quickly

284

00:10:33,350 --> 00:10:30,160

and at a very high altitude

285

00:10:37,110 --> 00:10:33,360

so the immediate thought was that

286

00:10:41,829 --> 00:10:37,120

perhaps this could be an incoming icbm

287

00:10:43,829 --> 00:10:41,839

uh fired uh by a hostile nation

288

00:10:44,949 --> 00:10:43,839

so we were looking at an object that was

289

00:10:47,509 --> 00:10:44,959

streaking toward us

290

00:10:50,230 --> 00:10:47,519

at over 2500 miles per hour and an

291

00:10:52,949 --> 00:10:50,240

altitude of 75 thousand feet

292

00:10:53,590 --> 00:10:52,959

incoming to one of the largest port

293

00:10:57,829 --> 00:10:53,600

cities

294

00:10:59,670 --> 00:10:57,839

in south texas which is corpus christi

295

00:11:02,389 --> 00:10:59,680

suddenly the object did a 90 degree

296

00:11:05,750 --> 00:11:02,399

angle turn to the south

297

00:11:06,710 --> 00:11:05,760

and it zoomed down past brownsville

298

00:11:09,269 --> 00:11:06,720

texas

299

00:11:09,990 --> 00:11:09,279

again moving very fast over 2000 miles

300

00:11:13,110 --> 00:11:10,000

per hour

301  
00:11:16,630 --> 00:11:13,120  
did another 90 degree angle turn and

302  
00:11:18,949 --> 00:11:16,640  
cut into mexican airspace about 40 miles

303  
00:11:21,590 --> 00:11:18,959  
south of brownsville texas which is the

304  
00:11:24,630 --> 00:11:21,600  
southernmost tip of texas

305  
00:11:26,230 --> 00:11:24,640  
so a short while later the object

306  
00:11:30,310 --> 00:11:26,240  
started decelerating

307  
00:11:33,509 --> 00:11:30,320  
and descending in a series of steps

308  
00:11:35,509 --> 00:11:33,519  
in other words it would it would fly

309  
00:11:37,190 --> 00:11:35,519  
at a certain altitude and speed for a

310  
00:11:40,230 --> 00:11:37,200  
while and then it would

311  
00:11:43,030 --> 00:11:40,240  
plateau down to a lower level

312  
00:11:45,110 --> 00:11:43,040  
and at a slightly slower speed and it

313  
00:11:47,430 --> 00:11:45,120

seemed to follow more or less the course

314

00:11:49,269 --> 00:11:47,440

of the rio grande river which divides

315

00:11:52,710 --> 00:11:49,279

texas and mexico

316

00:11:55,750 --> 00:11:52,720

until it came to a point

317

00:11:57,030 --> 00:11:55,760

in which is near the texas town of

318

00:12:00,550 --> 00:11:57,040

presidio

319

00:12:01,990 --> 00:12:00,560

and the mexican town of koyama on the

320

00:12:04,790 --> 00:12:02,000

other side of the river

321

00:12:06,710 --> 00:12:04,800

and it was there that reportedly this

322

00:12:10,949 --> 00:12:06,720

this ufo

323

00:12:13,269 --> 00:12:10,959

crashed into a small plane that had

324

00:12:15,670 --> 00:12:13,279

taken off about an hour earlier from el

325

00:12:18,710 --> 00:12:15,680

paso international airport

326

00:12:22,150 --> 00:12:18,720

which is northwest of presidio and

327

00:12:24,069 --> 00:12:22,160

the two objects collided

328

00:12:25,750 --> 00:12:24,079

the wreckage fell to the desert below

329

00:12:27,350 --> 00:12:25,760

and that's where the story gets really

330

00:12:29,430 --> 00:12:27,360

interesting because apparently there was

331

00:12:31,829 --> 00:12:29,440

a recovery effort made

332

00:12:33,590 --> 00:12:31,839

uh both by the u.s and mexico to get to

333

00:12:35,990 --> 00:12:33,600

the wreckage first and to retrieve

334

00:12:39,750 --> 00:12:36,000

whatever technology was to be found

335

00:12:41,829 --> 00:12:39,760

there and the first ones to get to the

336

00:12:43,430 --> 00:12:41,839

scene were actually a team of mexican

337

00:12:46,629 --> 00:12:43,440

soldiers

338

00:12:49,190 --> 00:12:46,639

along with a convoy of military vehicles

339

00:12:51,430 --> 00:12:49,200

flatbed truck they actually got to the

340

00:12:53,269 --> 00:12:51,440

wreckage of the small plane

341

00:12:54,470 --> 00:12:53,279

they saw that there was not much left

342

00:12:56,550 --> 00:12:54,480

and there certainly weren't any

343

00:12:57,190 --> 00:12:56,560

survivors this was the following morning

344

00:13:00,790 --> 00:12:57,200

after

345

00:13:02,949 --> 00:13:00,800

the crash but then near near the

346

00:13:04,629 --> 00:13:02,959

crashed plane they found this silver

347

00:13:07,110 --> 00:13:04,639

disk

348

00:13:08,230 --> 00:13:07,120

and it was kind of small in terms of the

349

00:13:11,509 --> 00:13:08,240

ufo

350

00:13:15,269 --> 00:13:11,519

uh encounters of the past it was 16 feet

351  
00:13:18,069 --> 00:13:15,279  
in diameter and about seven or eight

352  
00:13:19,670 --> 00:13:18,079  
feet tall but anyway they found this

353  
00:13:22,069 --> 00:13:19,680  
silver disc and it was more or less

354  
00:13:23,430 --> 00:13:22,079  
intact it had a couple of damage points

355  
00:13:25,350 --> 00:13:23,440  
on the hull

356  
00:13:26,470 --> 00:13:25,360  
but they hoisted it up into their

357  
00:13:29,750 --> 00:13:26,480  
military truck

358  
00:13:33,990 --> 00:13:29,760  
and they headed back to the army base

359  
00:13:37,509 --> 00:13:34,000  
in that's right along the border with

360  
00:13:40,069 --> 00:13:37,519  
texas there you know hinaga chihuahua

361  
00:13:42,069 --> 00:13:40,079  
which is i mean you can walk from

362  
00:13:44,470 --> 00:13:42,079  
okinawa over to presidio

363  
00:13:46,150 --> 00:13:44,480

uh in just a matter of minutes uh reuben

364

00:13:48,230 --> 00:13:46,160

and i have made that trip across that

365

00:13:51,509 --> 00:13:48,240

border many times

366

00:13:53,189 --> 00:13:51,519

but anyway on the way to okinawa

367

00:13:55,829 --> 00:13:53,199

something really interesting happened

368

00:13:58,870 --> 00:13:55,839

and that is that the entire

369

00:14:01,189 --> 00:13:58,880

convoy of between 20 and 30 mexican

370

00:14:04,230 --> 00:14:01,199

soldiers stopped dead in its tracks

371

00:14:06,389 --> 00:14:04,240

and all the soldiers died

372

00:14:09,590 --> 00:14:06,399

they were found later when the u.s

373

00:14:12,230 --> 00:14:09,600

recovery team arrived shortly thereafter

374

00:14:13,509 --> 00:14:12,240

um as i mentioned both both were trying

375

00:14:15,350 --> 00:14:13,519

to get to the red

376

00:14:17,350 --> 00:14:15,360

edge the mexican team got there first

377

00:14:19,990 --> 00:14:17,360

they had the advantage of geography

378

00:14:21,430 --> 00:14:20,000

but when the u.s team arrived in

379

00:14:24,470 --> 00:14:21,440

biohazard gear

380

00:14:27,189 --> 00:14:24,480

full protection suits

381

00:14:29,189 --> 00:14:27,199

which the mexicans did not have prior

382

00:14:30,949 --> 00:14:29,199

experience in handling these sorts of

383

00:14:34,470 --> 00:14:30,959

incidents of course

384

00:14:36,550 --> 00:14:34,480

avored the u.s recovery effort

385

00:14:37,670 --> 00:14:36,560

so they arrived at the scene they found

386

00:14:41,430 --> 00:14:37,680

the mexicans dead

387

00:14:43,350 --> 00:14:41,440

and they actually took over took control

388

00:14:45,509 --> 00:14:43,360

of that crashed ufo and brought it back

389

00:14:47,430 --> 00:14:45,519

to the state of texas

390

00:14:50,150 --> 00:14:47,440

so in a nutshell that gives you an

391

00:14:52,790 --> 00:14:50,160

overview of the happenings of of that

392

00:14:54,949 --> 00:14:52,800

day in august 1974.

393

00:14:56,230 --> 00:14:54,959

now were there any witnesses that

394

00:15:00,629 --> 00:14:56,240

actually saw

395

00:15:03,110 --> 00:15:00,639

any part of the crash besides on radar

396

00:15:04,710 --> 00:15:03,120

well we have uh i'll let ruben speak to

397

00:15:06,470 --> 00:15:04,720

that but some very interesting

398

00:15:07,910 --> 00:15:06,480

witnesses have come forward go ahead

399

00:15:10,150 --> 00:15:07,920

reuben yes

400

00:15:12,389 --> 00:15:10,160

um as no even mentioned it's been close

401  
00:15:14,870 --> 00:15:12,399  
to 40 years and

402  
00:15:17,430 --> 00:15:14,880  
the fact how we found out about this

403  
00:15:20,069 --> 00:15:17,440  
particular case was through a document

404  
00:15:21,910 --> 00:15:20,079  
known as the deneb report now this is

405  
00:15:24,069 --> 00:15:21,920  
how noah and i first got involved in it

406  
00:15:26,310 --> 00:15:24,079  
because

407  
00:15:28,230 --> 00:15:26,320  
originally there was a television

408  
00:15:31,430 --> 00:15:28,240  
document documentary that was being

409  
00:15:33,350 --> 00:15:31,440  
put together by history channel and

410  
00:15:34,790 --> 00:15:33,360  
uh they were looking at different uh

411  
00:15:38,150 --> 00:15:34,800  
crash retrievals and

412  
00:15:41,749 --> 00:15:38,160  
this particular document came up and

413  
00:15:44,870 --> 00:15:41,759

when noy saw the the the

414

00:15:47,509 --> 00:15:44,880

episode and um i was in the documentary

415

00:15:48,150 --> 00:15:47,519

uh talking briefly about the incident

416

00:15:51,590 --> 00:15:48,160

that happened

417

00:15:52,230 --> 00:15:51,600

in koyami uh noah later contacted me and

418

00:15:54,949 --> 00:15:52,240

said hey

419

00:15:56,790 --> 00:15:54,959

i liked you know where did you get this

420

00:15:59,430 --> 00:15:56,800

document uh

421

00:16:00,550 --> 00:15:59,440

the i'm familiar with texas i'm familiar

422

00:16:02,629 --> 00:16:00,560

with the geography

423

00:16:05,110 --> 00:16:02,639

this is so well detailed it was so well

424

00:16:08,389 --> 00:16:05,120

written there's just a lot more to it

425

00:16:08,870 --> 00:16:08,399

so with that uh as we started to gather

426  
00:16:12,710 --> 00:16:08,880  
all the

427  
00:16:15,030 --> 00:16:12,720  
um we realized

428  
00:16:15,910 --> 00:16:15,040  
that this is there's so much more detail

429  
00:16:17,590 --> 00:16:15,920  
than that's when

430  
00:16:19,670 --> 00:16:17,600  
noah had said hey let's let's uh

431  
00:16:23,590 --> 00:16:19,680  
collaborate and do a book on this

432  
00:16:23,910 --> 00:16:23,600  
and um martin i wouldn't it just led on

433  
00:16:26,550 --> 00:16:23,920  
to

434  
00:16:26,949 --> 00:16:26,560  
something bigger because what we found

435  
00:16:30,230 --> 00:16:26,959  
was

436  
00:16:33,189 --> 00:16:30,240  
were other

437  
00:16:34,389 --> 00:16:33,199  
uh ufo crashes that have occurred on the

438  
00:16:36,629 --> 00:16:34,399

texas

439

00:16:37,509 --> 00:16:36,639

mexican border which that could lead to

440

00:16:40,710 --> 00:16:37,519

other

441

00:16:42,310 --> 00:16:40,720

your show because

442

00:16:43,749 --> 00:16:42,320

there's just so much that we were

443

00:16:46,790 --> 00:16:43,759

finding out but

444

00:16:48,389 --> 00:16:46,800

the the uh thing that's that's been

445

00:16:50,069 --> 00:16:48,399

really quite unique is as we've been

446

00:16:51,670 --> 00:16:50,079

putting together these conferences

447

00:16:53,509 --> 00:16:51,680

as noah had mentioned the one in

448

00:16:56,790 --> 00:16:53,519

presidio uh

449

00:16:59,910 --> 00:16:56,800

slowly but surely we've been luring

450

00:17:04,470 --> 00:16:59,920

uh several witnesses people

451  
00:17:08,470 --> 00:17:04,480  
there was a couple that uh a mother

452  
00:17:09,110 --> 00:17:08,480  
and a son she was a former school

453  
00:17:12,230 --> 00:17:09,120  
teacher

454  
00:17:14,870 --> 00:17:12,240  
and retired and back in 1974 they

455  
00:17:17,829 --> 00:17:14,880  
remember seeing this huge explosion

456  
00:17:19,029 --> 00:17:17,839  
on the other side of the mexican border

457  
00:17:20,230 --> 00:17:19,039  
there's probably some other little

458  
00:17:22,549 --> 00:17:20,240  
details there but

459  
00:17:24,470 --> 00:17:22,559  
when we also received some other

460  
00:17:27,909 --> 00:17:24,480  
eyewitness testimony

461  
00:17:30,870 --> 00:17:27,919  
from a gentleman who is a

462  
00:17:32,070 --> 00:17:30,880  
a los angeles police officer and back

463  
00:17:35,430 --> 00:17:32,080

then his family

464

00:17:37,990 --> 00:17:35,440

were visiting were visiting uh

465

00:17:40,470 --> 00:17:38,000

koyami since they had family there and

466

00:17:44,390 --> 00:17:40,480

he shared with us the strange story

467

00:17:47,750 --> 00:17:44,400

about him encountering an alien

468

00:17:48,070 --> 00:17:47,760

a being right around the same time that

469

00:17:50,950 --> 00:17:48,080

the

470

00:17:53,350 --> 00:17:50,960

koyami uh incident had occurred so

471

00:17:55,510 --> 00:17:53,360

there's a lot more to the story that we

472

00:17:56,549 --> 00:17:55,520

after four years just like with the

473

00:17:59,270 --> 00:17:56,559

roswell uh

474

00:18:00,390 --> 00:17:59,280

incident it happened in 1947 and we're

475

00:18:02,710 --> 00:18:00,400

still learning

476  
00:18:04,630 --> 00:18:02,720  
bits and pieces from other witnesses

477  
00:18:06,390 --> 00:18:04,640  
that are

478  
00:18:08,630 --> 00:18:06,400  
sharing information with the various

479  
00:18:09,750 --> 00:18:08,640  
investigators now has anyone in the

480  
00:18:12,230 --> 00:18:09,760  
military

481  
00:18:13,029 --> 00:18:12,240  
on either the mexican side or the u.s

482  
00:18:15,669 --> 00:18:13,039  
side

483  
00:18:17,430 --> 00:18:15,679  
has anyone spoken up as a witness that

484  
00:18:21,350 --> 00:18:17,440  
was legitimate

485  
00:18:22,950 --> 00:18:21,360  
we have a report from a gentleman who

486  
00:18:24,390 --> 00:18:22,960  
and i want to backtrack just a little

487  
00:18:27,190 --> 00:18:24,400  
bit

488  
00:18:28,549 --> 00:18:27,200

the mobilization effort on the u.s side

489

00:18:31,669 --> 00:18:28,559

was staged out of

490

00:18:33,510 --> 00:18:31,679

fort bliss army base which is one of the

491

00:18:35,830 --> 00:18:33,520

largest

492

00:18:36,710 --> 00:18:35,840

u.s army installations in the united

493

00:18:39,669 --> 00:18:36,720

states

494

00:18:42,470 --> 00:18:39,679

based in el paso texas and actually

495

00:18:45,669 --> 00:18:42,480

their territory extends

496

00:18:47,510 --> 00:18:45,679

from el paso texas all the way into new

497

00:18:50,870 --> 00:18:47,520

mexico

498

00:18:53,430 --> 00:18:50,880

so i mean it is a huge military compound

499

00:18:55,590 --> 00:18:53,440

so according to the information that

500

00:18:57,510 --> 00:18:55,600

we've gathered the

501  
00:18:59,190 --> 00:18:57,520  
the military hardware that was used

502  
00:19:02,549 --> 00:18:59,200  
which was six helicopters

503  
00:19:05,270 --> 00:19:02,559  
including a huge cargo helicopter

504  
00:19:07,270 --> 00:19:05,280  
uh the military hardware was assets were

505  
00:19:10,310 --> 00:19:07,280  
brought into fort bliss

506  
00:19:12,870 --> 00:19:10,320  
you know in the dead of night upon

507  
00:19:14,150 --> 00:19:12,880  
having received the information of a

508  
00:19:16,630 --> 00:19:14,160  
downed

509  
00:19:18,070 --> 00:19:16,640  
of a fallen angel as it's referred to

510  
00:19:22,070 --> 00:19:18,080  
often times

511  
00:19:23,430 --> 00:19:22,080  
in as a code word so this hardware was

512  
00:19:25,830 --> 00:19:23,440  
brought into place the

513  
00:19:28,150 --> 00:19:25,840

personnel were brought in on a moment's

514

00:19:30,710 --> 00:19:28,160

notice from all over the u.s

515

00:19:31,190 --> 00:19:30,720

and so the staging of it was out of fort

516

00:19:34,390 --> 00:19:31,200

bliss

517

00:19:36,950 --> 00:19:34,400

well we have had a witness who was at

518

00:19:39,510 --> 00:19:36,960

fort bliss in 1974

519

00:19:40,230 --> 00:19:39,520

and he told us that he was a young man

520

00:19:41,990 --> 00:19:40,240

he used to

521

00:19:43,430 --> 00:19:42,000

his dad was in the military and he used

522

00:19:47,029 --> 00:19:43,440

to ride his

523

00:19:49,669 --> 00:19:47,039

his uh motorbike around the base

524

00:19:50,870 --> 00:19:49,679

and he noticed a high level of security

525

00:19:54,630 --> 00:19:50,880

and lots of

526

00:19:57,510 --> 00:19:54,640

mobilization of vehicles and personnel

527

00:19:59,909 --> 00:19:57,520

in august 1974 he's not completely

528

00:20:01,350 --> 00:19:59,919

exactly sure the date

529

00:20:03,830 --> 00:20:01,360

but he thought this was extremely

530

00:20:05,350 --> 00:20:03,840

unusual and had never seen anything like

531

00:20:08,230 --> 00:20:05,360

it prior to that day

532

00:20:09,430 --> 00:20:08,240

and hadn't hadn't seen anything after

533

00:20:12,230 --> 00:20:09,440

that day

534

00:20:14,390 --> 00:20:12,240

so we've had all of these witnesses uh

535

00:20:17,669 --> 00:20:14,400

backing up just a moment

536

00:20:20,630 --> 00:20:17,679

the chambers story john chambers

537

00:20:21,190 --> 00:20:20,640

and his mother who was a very respected

538

00:20:25,669 --> 00:20:21,200

and

539

00:20:27,750 --> 00:20:25,679

of texas

540

00:20:29,430 --> 00:20:27,760

they were the ones who were on the texas

541

00:20:32,470 --> 00:20:29,440

side the night this happened

542

00:20:35,909 --> 00:20:32,480

and they saw this huge explosion

543

00:20:38,789 --> 00:20:35,919

almost like a mushroom cloud come up

544

00:20:39,990 --> 00:20:38,799

over the mountains of mexico right

545

00:20:43,190 --> 00:20:40,000

across the river

546

00:20:44,390 --> 00:20:43,200

from the presidio texas area and what's

547

00:20:47,990 --> 00:20:44,400

really really odd

548

00:20:51,669 --> 00:20:48,000

about that is that years before we heard

549

00:20:52,230 --> 00:20:51,679

from them uh reuben and i had pinpointed

550

00:20:55,350 --> 00:20:52,240

what we

551  
00:20:57,270 --> 00:20:55,360  
thought was the more or less exact

552  
00:20:59,350 --> 00:20:57,280  
location of this mid-air collision

553  
00:21:02,390 --> 00:20:59,360  
between the plane and the ufo

554  
00:21:03,190 --> 00:21:02,400  
and so we had drawn an x on the map so

555  
00:21:05,990 --> 00:21:03,200  
to speak

556  
00:21:07,110 --> 00:21:06,000  
on the mexican side of the international

557  
00:21:11,270 --> 00:21:07,120  
boundary

558  
00:21:13,669 --> 00:21:11,280  
and what really blew our minds was when

559  
00:21:15,029 --> 00:21:13,679  
john chambers and his mom came forward

560  
00:21:19,029 --> 00:21:15,039  
and said they saw

561  
00:21:22,310 --> 00:21:19,039  
the explosion and it came the smoke rose

562  
00:21:24,789 --> 00:21:22,320  
right up from the very point

563  
00:21:25,750 --> 00:21:24,799

that reuben and i had drawn on the map

564

00:21:29,270 --> 00:21:25,760

two or three years

565

00:21:32,950 --> 00:21:29,280

earlier so that that just it gave me

566

00:21:35,590 --> 00:21:32,960

goosebumps when when we finally realized

567

00:21:37,270 --> 00:21:35,600

that they were talking about having seen

568

00:21:39,110 --> 00:21:37,280

that right on the other side of that

569

00:21:41,590 --> 00:21:39,120

mountain range and reuben and i

570

00:21:43,909 --> 00:21:41,600

have been all throughout walking around

571

00:21:44,470 --> 00:21:43,919

that area on the mexican side so we were

572

00:21:47,029 --> 00:21:44,480

actually

573

00:21:47,669 --> 00:21:47,039

looking at that mountain from the other

574

00:21:52,470 --> 00:21:47,679

side

575

00:21:55,430 --> 00:21:52,480

our research and she was talking about

576  
00:21:57,270 --> 00:21:55,440  
her and her son having seen the incident

577  
00:21:59,669 --> 00:21:57,280  
from the texas side

578  
00:22:01,430 --> 00:21:59,679  
on that evening so it was an eerie and

579  
00:22:04,950 --> 00:22:01,440  
uncanny experience

580  
00:22:08,070 --> 00:22:04,960  
wow now when the mexicans died

581  
00:22:11,029 --> 00:22:08,080  
had any research or anything

582  
00:22:11,430 --> 00:22:11,039  
come about as far as what killed them as

583  
00:22:14,870 --> 00:22:11,440  
far

584  
00:22:18,310 --> 00:22:14,880  
do you know any of that information uh

585  
00:22:20,870 --> 00:22:18,320  
so far uh well in the report uh

586  
00:22:23,669 --> 00:22:20,880  
as it was mentioned that these soldiers

587  
00:22:27,510 --> 00:22:23,679  
supposedly died or were exposed to

588  
00:22:31,029 --> 00:22:27,520

some sort of biological toxic substance

589

00:22:33,270 --> 00:22:31,039

which we were always speculating that

590

00:22:36,310 --> 00:22:33,280

perhaps that's what it was a

591

00:22:39,110 --> 00:22:36,320

a virus of some sort that threatened uh

592

00:22:40,549 --> 00:22:39,120

not just the soldiers or that area but

593

00:22:42,870 --> 00:22:40,559

the entire area

594

00:22:44,630 --> 00:22:42,880

and that perhaps one of the reasons why

595

00:22:47,590 --> 00:22:44,640

that huge explosion

596

00:22:50,230 --> 00:22:47,600

well might have been the the reason for

597

00:22:51,669 --> 00:22:50,240

the quarantine that was imposed

598

00:22:54,230 --> 00:22:51,679

in the report they gathered all the

599

00:22:56,870 --> 00:22:54,240

soldiers they gathered the vehicles all

600

00:22:57,830 --> 00:22:56,880

and they went ahead and uh and destroyed

601  
00:23:01,110 --> 00:22:57,840  
them

602  
00:23:01,669 --> 00:23:01,120  
but uh as far as anything else um

603  
00:23:03,350 --> 00:23:01,679  
there's

604  
00:23:04,950 --> 00:23:03,360  
been some theories we hear about that

605  
00:23:08,950 --> 00:23:04,960  
that perhaps the soldiers

606  
00:23:12,470 --> 00:23:08,960  
the mexican soldiers might have died

607  
00:23:14,630 --> 00:23:12,480  
from from a uh encounter with with the

608  
00:23:17,990 --> 00:23:14,640  
military with the us military but

609  
00:23:20,149 --> 00:23:18,000  
again that's right speculation and we

610  
00:23:21,590 --> 00:23:20,159  
are looking at different sources so if

611  
00:23:25,350 --> 00:23:21,600  
we're able to pull that up

612  
00:23:27,350 --> 00:23:25,360  
if that's true if that is true then

613  
00:23:28,549 --> 00:23:27,360

we really are dealing with an

614

00:23:31,029 --> 00:23:28,559

international

615

00:23:32,630 --> 00:23:31,039

incident of far you know great

616

00:23:36,230 --> 00:23:32,640

proportions that

617

00:23:39,750 --> 00:23:36,240

definitely shows that we have a major

618

00:23:41,350 --> 00:23:39,760

right right another thing that always

619

00:23:43,110 --> 00:23:41,360

crosses my mind you said there may have

620

00:23:45,669 --> 00:23:43,120

been other crashes

621

00:23:46,149 --> 00:23:45,679

if you had to i don't care if it's um

622

00:23:48,789 --> 00:23:46,159

either you

623

00:23:50,950 --> 00:23:48,799

know or ruben um want to speculate or

624

00:23:51,750 --> 00:23:50,960

both of you where the heck would they

625

00:23:53,750 --> 00:23:51,760

put

626  
00:23:56,149 --> 00:23:53,760  
something that was retrieved what would

627  
00:24:01,190 --> 00:23:56,159  
you think they would do with it

628  
00:24:04,230 --> 00:24:01,200  
okay well um regarding other crashes

629  
00:24:06,870 --> 00:24:04,240  
actually i i just want to add that

630  
00:24:08,390 --> 00:24:06,880  
uh that area of mexico which is part of

631  
00:24:11,190 --> 00:24:08,400  
the chihuahuan desert

632  
00:24:12,390 --> 00:24:11,200  
which also extends by the way into the

633  
00:24:14,950 --> 00:24:12,400  
united states and

634  
00:24:17,110 --> 00:24:14,960  
up to roswell new mexico that's a

635  
00:24:19,190 --> 00:24:17,120  
northernmost extension of the chihuahuan

636  
00:24:21,190 --> 00:24:19,200  
desert which actually begins just a

637  
00:24:24,070 --> 00:24:21,200  
little north of mexico city

638  
00:24:25,669 --> 00:24:24,080

and extends all the way into roswell so

639

00:24:26,470 --> 00:24:25,679

i mean what's really interesting is that

640

00:24:29,510 --> 00:24:26,480

this has been an

641

00:24:30,310 --> 00:24:29,520

incredibly active area in terms of ufo

642

00:24:33,909 --> 00:24:30,320

sightings

643

00:24:35,669 --> 00:24:33,919

encounters with beings paranormal events

644

00:24:37,110 --> 00:24:35,679

there's an area there near presidio

645

00:24:39,350 --> 00:24:37,120

texas that's known as

646

00:24:41,269 --> 00:24:39,360

mexico's zone of silence or mexico's

647

00:24:43,750 --> 00:24:41,279

bermuda triangle

648

00:24:45,750 --> 00:24:43,760

compasses don't work electronics don't

649

00:24:48,310 --> 00:24:45,760

function

650

00:24:50,470 --> 00:24:48,320

you know aviators have had trouble

651  
00:24:54,070 --> 00:24:50,480  
controlling their planes so

652  
00:24:58,149 --> 00:24:54,080  
we for whatever reason that area of

653  
00:25:01,190 --> 00:24:58,159  
of west texas and northern mexico

654  
00:25:03,269 --> 00:25:01,200  
is incredibly active with paranormal

655  
00:25:06,470 --> 00:25:03,279  
activity and continues to be so

656  
00:25:08,789 --> 00:25:06,480  
today we we're not

657  
00:25:11,269 --> 00:25:08,799  
exactly sure what may have happened to

658  
00:25:12,710 --> 00:25:11,279  
the retrieved artifacts from the koyama

659  
00:25:14,950 --> 00:25:12,720  
crash

660  
00:25:17,029 --> 00:25:14,960  
the deneb report which reuben has

661  
00:25:17,750 --> 00:25:17,039  
referenced which was the original source

662  
00:25:20,789 --> 00:25:17,760  
for

663  
00:25:23,830 --> 00:25:20,799

uh this reported ufo crash the

664

00:25:25,269 --> 00:25:23,840

document mentions that the crash

665

00:25:28,070 --> 00:25:25,279

artifacts were taken

666

00:25:29,990 --> 00:25:28,080

to the centers for disease control in

667

00:25:32,630 --> 00:25:30,000

atlanta georgia

668

00:25:33,669 --> 00:25:32,640

which is logical because in 1974 that

669

00:25:36,710 --> 00:25:33,679

was the world's

670

00:25:40,390 --> 00:25:36,720

most advanced laboratories

671

00:25:43,669 --> 00:25:40,400

facility for dealing with possible

672

00:25:45,830 --> 00:25:43,679

lethal biological contamination uh

673

00:25:48,950 --> 00:25:45,840

elements of biological contamination

674

00:25:50,390 --> 00:25:48,960

so that's another uh you can kind of

675

00:25:52,950 --> 00:25:50,400

notch that on the side

676  
00:25:54,470 --> 00:25:52,960  
of this was an event which threatened

677  
00:25:57,909 --> 00:25:54,480  
some

678  
00:26:00,230 --> 00:25:57,919  
deadly biological consequences for both

679  
00:26:01,269 --> 00:26:00,240  
the u.s and mexico side and perhaps

680  
00:26:04,630 --> 00:26:01,279  
that's

681  
00:26:06,390 --> 00:26:04,640  
why what happened happened namely the

682  
00:26:08,870 --> 00:26:06,400  
death of the mexican soldiers the

683  
00:26:11,990 --> 00:26:08,880  
recovery by the us of the

684  
00:26:13,830 --> 00:26:12,000  
materials and then ship them off to the

685  
00:26:16,070 --> 00:26:13,840  
centers for disease control

686  
00:26:17,029 --> 00:26:16,080  
after however that wasn't the final

687  
00:26:18,870 --> 00:26:17,039  
destination

688  
00:26:20,470 --> 00:26:18,880

according to the deneb report and other

689

00:26:24,070 --> 00:26:20,480

information we've looked at

690

00:26:26,390 --> 00:26:24,080

apparently it went from um

691

00:26:28,630 --> 00:26:26,400

from the centers of for disease control

692

00:26:30,070 --> 00:26:28,640

in atlanta went to a secret military

693

00:26:32,549 --> 00:26:30,080

installation

694

00:26:35,990 --> 00:26:32,559

um the identity of which would just be

695

00:26:41,190 --> 00:26:39,110

well yes um you know

696

00:26:42,149 --> 00:26:41,200

i was just looking up on the um the

697

00:26:43,350 --> 00:26:42,159

message board

698

00:26:45,029 --> 00:26:43,360

uh you're welcome if you're on the

699

00:26:46,630 --> 00:26:45,039

message board if you want to pose a

700

00:26:48,390 --> 00:26:46,640

question to our guests tonight

701  
00:26:50,549 --> 00:26:48,400  
please go right ahead and do so and i'll

702  
00:26:53,909 --> 00:26:50,559  
i'll read the question

703  
00:26:57,029 --> 00:26:53,919  
to them so the the thing

704  
00:26:59,269 --> 00:26:57,039  
that um it makes total sense is if

705  
00:27:00,789 --> 00:26:59,279  
something did come from say another

706  
00:27:04,070 --> 00:27:00,799  
planet and it was

707  
00:27:06,950 --> 00:27:04,080  
just simply in contact with

708  
00:27:08,149 --> 00:27:06,960  
humans of course there could be a

709  
00:27:11,269 --> 00:27:08,159  
biological

710  
00:27:13,110 --> 00:27:11,279  
uh sickness immediately and even deadly

711  
00:27:14,549 --> 00:27:13,120  
uh that makes total sense just like the

712  
00:27:15,510 --> 00:27:14,559  
opposite of the war of the worlds you

713  
00:27:17,909 --> 00:27:15,520

know when the

714

00:27:18,789 --> 00:27:17,919

they you know the beings died of our

715

00:27:21,430 --> 00:27:18,799

simple

716

00:27:22,630 --> 00:27:21,440

colds or diseases you know we don't have

717

00:27:25,750 --> 00:27:22,640

i think there's something like

718

00:27:28,389 --> 00:27:25,760

i forget how many billions of uh

719

00:27:29,110 --> 00:27:28,399

things were immune to but it's all

720

00:27:32,310 --> 00:27:29,120

evolution

721

00:27:35,029 --> 00:27:32,320

you get instantaneously

722

00:27:36,630 --> 00:27:35,039

exposed to something that your body does

723

00:27:38,789 --> 00:27:36,640

not have any uh

724

00:27:41,269 --> 00:27:38,799

any defense against and certainly could

725

00:27:44,549 --> 00:27:41,279

uh kill someone right away

726

00:27:46,310 --> 00:27:44,559

uh ironically uh uh you probably

727

00:27:50,549 --> 00:27:46,320

remember the movie the andromeda strain

728

00:27:55,590 --> 00:27:53,750

not too far from presidio um every time

729

00:27:56,870 --> 00:27:55,600

that i go with noe we uh

730

00:27:59,510 --> 00:27:56,880

what is the name of that little town

731

00:27:59,830 --> 00:27:59,520

again i know a shop chef here or is it

732

00:28:02,149 --> 00:27:59,840

uh

733

00:28:03,430 --> 00:28:02,159

it's after texas and it's it's actually

734

00:28:06,230 --> 00:28:03,440

one of the richest

735

00:28:08,149 --> 00:28:06,240

silver mining areas in the state of

736

00:28:11,029 --> 00:28:08,159

texas over history

737

00:28:13,110 --> 00:28:11,039

and just recently a canadian company has

738

00:28:15,430 --> 00:28:13,120

come in and reactivated the mines which

739

00:28:17,830 --> 00:28:15,440

had been closed for decades

740

00:28:19,750 --> 00:28:17,840

but it's interesting that a lot of ufo

741

00:28:22,389 --> 00:28:19,760

incidents tend to happen in areas

742

00:28:23,430 --> 00:28:22,399

that are rich in certain kinds of ores

743

00:28:26,549 --> 00:28:23,440

and certainly the

744

00:28:30,630 --> 00:28:26,559

area there around presidio koyame

745

00:28:32,389 --> 00:28:30,640

is one of the wealthiest um in terms of

746

00:28:36,149 --> 00:28:32,399

ore deposits

747

00:28:38,630 --> 00:28:36,159

silver and other kinds of wards ores

748

00:28:39,590 --> 00:28:38,640

it's one of the richest uranium uranium

749

00:28:42,789 --> 00:28:39,600

it's one of the richest

750

00:28:44,470 --> 00:28:42,799

uranium mining areas in all of the

751  
00:28:46,630 --> 00:28:44,480  
country of mexico

752  
00:28:47,909 --> 00:28:46,640  
so i mean we don't know if that's

753  
00:28:49,909 --> 00:28:47,919  
associated with it

754  
00:28:52,789 --> 00:28:49,919  
but there certainly seems to be looking

755  
00:28:54,470 --> 00:28:52,799  
at the long history of ufo sightings

756  
00:28:56,630 --> 00:28:54,480  
there does seem to be a correlation

757  
00:28:59,669 --> 00:28:56,640  
between um

758  
00:29:02,950 --> 00:28:59,679  
between the presence of certain ores

759  
00:29:04,070 --> 00:29:02,960  
in large quantities and um these

760  
00:29:07,510 --> 00:29:04,080  
sightings

761  
00:29:09,750 --> 00:29:07,520  
yes oh just to add too

762  
00:29:11,350 --> 00:29:09,760  
you also have another area that's very

763  
00:29:13,029 --> 00:29:11,360

famous for its

764

00:29:15,269 --> 00:29:13,039

sightings so that's the the marvel

765

00:29:17,110 --> 00:29:15,279

lights that's another one of my favorite

766

00:29:17,830 --> 00:29:17,120

places i love to travel which is not

767

00:29:19,830 --> 00:29:17,840

that far

768

00:29:21,110 --> 00:29:19,840

from that area are you pretty familiar

769

00:29:22,789 --> 00:29:21,120

with that are you martin

770

00:29:24,310 --> 00:29:22,799

you don't know the mark what's it called

771

00:29:27,909 --> 00:29:24,320

again i'm sorry

772

00:29:30,470 --> 00:29:27,919

the martha lights mm-hmm i i think that

773

00:29:32,070 --> 00:29:30,480

came up before but i just i don't know

774

00:29:34,310 --> 00:29:32,080

um i'm going to talk about something

775

00:29:36,549 --> 00:29:34,320

else so but okay where where is that

776

00:29:39,350 --> 00:29:36,559

quickly

777

00:29:41,190 --> 00:29:39,360

well i i'm going to fill in if i could

778

00:29:43,269 --> 00:29:41,200

just briefly martin

779

00:29:45,029 --> 00:29:43,279

as i mentioned that whole area is like a

780

00:29:46,950 --> 00:29:45,039

paranormal treasure trove

781

00:29:49,590 --> 00:29:46,960

it's one of the reasons that we decided

782

00:29:51,269 --> 00:29:49,600

to have this annual conference here

783

00:29:53,350 --> 00:29:51,279

because there's so many interesting

784

00:29:54,230 --> 00:29:53,360

things and one of those it's like seeing

785

00:29:57,830 --> 00:29:54,240

ufos

786

00:30:01,830 --> 00:29:57,840

every night on schedule because at dusk

787

00:30:04,389 --> 00:30:01,840

since the 1800s you stand at a certain

788

00:30:06,230 --> 00:30:04,399

place in a small town of martha texas

789

00:30:07,430 --> 00:30:06,240

you can stand in a certain place and

790

00:30:10,710 --> 00:30:07,440

look out

791

00:30:13,750 --> 00:30:10,720

on the desert floor about

792

00:30:15,750 --> 00:30:13,760

10 to 20 miles ahead of you and up

793

00:30:16,870 --> 00:30:15,760

against the side of a mountain ridge you

794

00:30:20,389 --> 00:30:16,880

can see

795

00:30:22,789 --> 00:30:20,399

these incredibly bizarre twinkling

796

00:30:25,990 --> 00:30:22,799

lights moving up and down

797

00:30:29,909 --> 00:30:26,000

spinning around in circle changing

798

00:30:32,789 --> 00:30:29,919

colors and all kinds of

799

00:30:35,750 --> 00:30:32,799

scientific tests have been done trying

800

00:30:38,389 --> 00:30:35,760

to explain them away as some kind of

801  
00:30:40,710 --> 00:30:38,399  
natural phenomenon nobody has been able

802  
00:30:43,029 --> 00:30:40,720  
to adequately explain them other people

803  
00:30:46,549 --> 00:30:43,039  
say they're the lights headlights from

804  
00:30:48,630 --> 00:30:46,559  
cars that are passing by nearby roads

805  
00:30:50,149 --> 00:30:48,640  
that are reflected up into the clouds

806  
00:30:52,389 --> 00:30:50,159  
and back down

807  
00:30:54,710 --> 00:30:52,399  
uh all kinds of weird theories that are

808  
00:30:56,789 --> 00:30:54,720  
that are even stranger in some ways

809  
00:30:58,870 --> 00:30:56,799  
than than just calling them ufos or

810  
00:31:00,710 --> 00:30:58,880  
calling them unexplained

811  
00:31:01,909 --> 00:31:00,720  
uh the problem with the car theory is

812  
00:31:04,950 --> 00:31:01,919  
that those flights have been around

813  
00:31:07,750 --> 00:31:04,960

since the 1800s and there were no cars

814

00:31:09,590 --> 00:31:07,760

in the 1800s so it's a strange

815

00:31:10,710 --> 00:31:09,600

phenomenon and just goes with that whole

816

00:31:13,990 --> 00:31:10,720

region where this

817

00:31:16,230 --> 00:31:14,000

ufo crash incident happened you know

818

00:31:19,509 --> 00:31:16,240

recently i was speaking about

819

00:31:21,430 --> 00:31:19,519

their the hot spot over in denmark where

820

00:31:23,269 --> 00:31:21,440

there's actually you know there's been a

821

00:31:25,669 --> 00:31:23,279

little bit of scientific work

822

00:31:26,389 --> 00:31:25,679

and there's speculation among scientists

823

00:31:28,310 --> 00:31:26,399

that actually

824

00:31:29,509 --> 00:31:28,320

looked into that seriously that because

825

00:31:33,830 --> 00:31:29,519

there's uh

826

00:31:35,509 --> 00:31:33,840

copper deposits or and

827

00:31:37,029 --> 00:31:35,519

i can't remember what else there was

828

00:31:38,470 --> 00:31:37,039

there

829

00:31:40,149 --> 00:31:38,480

but they're they're speculating that it

830

00:31:41,350 --> 00:31:40,159

might be almost like a battery effect

831

00:31:44,789 --> 00:31:41,360

and causing

832

00:31:47,669 --> 00:31:44,799

like a natural phenomenon of plasma

833

00:31:49,029 --> 00:31:47,679

lights which would make sense in a lot

834

00:31:51,430 --> 00:31:49,039

of situations

835

00:31:52,389 --> 00:31:51,440

but when you're talking about um there

836

00:31:54,950 --> 00:31:52,399

are areas

837

00:31:56,870 --> 00:31:54,960

of that are hot spots that there's all

838

00:31:58,070 --> 00:31:56,880

kinds of paranormal things going on that

839

00:32:00,470 --> 00:31:58,080

are

840

00:32:02,230 --> 00:32:00,480

can't really be linked to battery type

841

00:32:02,630 --> 00:32:02,240

conditions or plasma or anything like

842

00:32:04,870 --> 00:32:02,640

that

843

00:32:05,909 --> 00:32:04,880

now here's another interesting twist to

844

00:32:07,990 --> 00:32:05,919

this martin is

845

00:32:10,470 --> 00:32:08,000

last year reuben and i were present when

846

00:32:13,350 --> 00:32:10,480

this when this was taking place we had a

847

00:32:16,310 --> 00:32:13,360

group of paranormal researchers

848

00:32:17,909 --> 00:32:16,320

that were using handheld laser beams

849

00:32:20,070 --> 00:32:17,919

laser emitters

850

00:32:21,269 --> 00:32:20,080

and they aimed it at those marvel lights

851  
00:32:23,350 --> 00:32:21,279  
off in the distance

852  
00:32:25,110 --> 00:32:23,360  
and those things would there was a

853  
00:32:28,389 --> 00:32:25,120  
definite reaction

854  
00:32:31,029 --> 00:32:28,399  
we got it on film when the laser beam

855  
00:32:34,470 --> 00:32:31,039  
would strike those orbs of light

856  
00:32:34,950 --> 00:32:34,480  
they would dim slowly diminish in size

857  
00:32:37,269 --> 00:32:34,960  
and go

858  
00:32:38,230 --> 00:32:37,279  
out then as soon as the researchers

859  
00:32:40,950 --> 00:32:38,240  
turned the

860  
00:32:42,389 --> 00:32:40,960  
laser beam off they'd come back on and

861  
00:32:44,950 --> 00:32:42,399  
in some cases they would move

862  
00:32:47,509 --> 00:32:44,960  
left in a clear reaction to the laser

863  
00:32:50,789 --> 00:32:47,519

beam or they would move right

864

00:32:53,350 --> 00:32:50,799

and so reuben and i were just

865

00:32:56,710 --> 00:32:53,360

amazed because nobody previous to that

866

00:32:58,870 --> 00:32:56,720

nobody had ever tried

867

00:33:00,710 --> 00:32:58,880

you know any sort of a laser beam

868

00:33:02,950 --> 00:33:00,720

experiment

869

00:33:04,950 --> 00:33:02,960

and by the way that was such a big story

870

00:33:06,310 --> 00:33:04,960

that it was featured on the front page

871

00:33:08,870 --> 00:33:06,320

of the

872

00:33:10,070 --> 00:33:08,880

of san antonio texas major newspaper the

873

00:33:13,750 --> 00:33:10,080

san antonio express

874

00:33:15,269 --> 00:33:13,760

news the next day so i mean it's

875

00:33:17,430 --> 00:33:15,279

we're talking about something that

876

00:33:18,870 --> 00:33:17,440

people are really interested in

877

00:33:22,149 --> 00:33:18,880

it's been a mystery that's been around

878

00:33:24,389 --> 00:33:22,159

texas since the 1800s as i mentioned

879

00:33:27,190 --> 00:33:24,399

yes uh hence where can someone find that

880

00:33:33,430 --> 00:33:30,389

uh well uh it's on our

881

00:33:36,630 --> 00:33:33,440

youtube site which is linked from our

882

00:33:38,310 --> 00:33:36,640

website roswellbooks.com uh

883

00:33:40,830 --> 00:33:38,320

it's kind of a one-stop shop for

884

00:33:43,590 --> 00:33:40,840

everything so people will just look up

885

00:33:46,950 --> 00:33:43,600

roswellbooks.com or

886

00:33:50,070 --> 00:33:46,960

they can also go to uh youtube

887

00:33:50,950 --> 00:33:50,080

and just do some searches for marvel

888

00:33:54,389 --> 00:33:50,960

lights

889

00:33:55,509 --> 00:33:54,399

laser experiment well that's great

890

00:33:59,190 --> 00:33:55,519

i'm going to have to check that out

891

00:34:01,430 --> 00:33:59,200

myself and marfa is m-a-r-f-a by the way

892

00:34:02,230 --> 00:34:01,440

okay we will link that to our show notes

893

00:34:03,990 --> 00:34:02,240

or we'll

894

00:34:05,669 --> 00:34:04,000

have that link to the podcast well i'll

895

00:34:05,990 --> 00:34:05,679

send you a link martin so you can share

896

00:34:09,349 --> 00:34:06,000

with

897

00:34:10,310 --> 00:34:09,359

your listeners all right now when we

898

00:34:11,990 --> 00:34:10,320

spoke briefly

899

00:34:13,589 --> 00:34:12,000

ahead of time you said that there have

900

00:34:16,149 --> 00:34:13,599

been a couple of uh

901  
00:34:17,510 --> 00:34:16,159  
a couple of breakthroughs continuing on

902  
00:34:20,629 --> 00:34:17,520  
talking about

903  
00:34:22,389 --> 00:34:20,639  
the kayama uh crash have there

904  
00:34:24,230 --> 00:34:22,399  
can you explain to the listening

905  
00:34:25,909 --> 00:34:24,240  
audience what those uh breakthroughs

906  
00:34:27,349 --> 00:34:25,919  
have been

907  
00:34:30,069 --> 00:34:27,359  
well one of the major breakthroughs

908  
00:34:34,069 --> 00:34:30,079  
we've already touched on was

909  
00:34:36,710 --> 00:34:34,079  
coming across the incredible story that

910  
00:34:38,310 --> 00:34:36,720  
john chambers and his mother mrs

911  
00:34:41,829 --> 00:34:38,320  
chambers a renowned

912  
00:34:44,149 --> 00:34:41,839  
texas educator with over 50 years of

913  
00:34:45,990 --> 00:34:44,159

experience

914

00:34:48,149 --> 00:34:46,000

when they came forward and told us that

915

00:34:50,470 --> 00:34:48,159

they saw what we said

916

00:34:52,710 --> 00:34:50,480

they should have seen but they saw it

917

00:34:55,349 --> 00:34:52,720

from the texas side

918

00:34:56,470 --> 00:34:55,359

of where this incident happened and then

919

00:34:59,990 --> 00:34:56,480

uh

920

00:35:03,910 --> 00:35:00,000

story

921

00:35:04,150 --> 00:35:03,920

for that he heard from a police officer

922

00:35:13,750 --> 00:35:04,160

in

923

00:35:16,950 --> 00:35:13,760

uh reuben do you want to tell briefly

924

00:35:19,109 --> 00:35:16,960

what the officer told you yes uh and

925

00:35:20,069 --> 00:35:19,119

go into a little bit more detail but

926

00:35:22,230 --> 00:35:20,079

what he was

927

00:35:24,150 --> 00:35:22,240

sharing with us that which we we also

928

00:35:27,990 --> 00:35:24,160

now included in our book

929

00:35:30,150 --> 00:35:28,000

was the fact that during the summer time

930

00:35:32,390 --> 00:35:30,160

uh his family they would visit the

931

00:35:35,750 --> 00:35:32,400

grandparents that lived in koyami

932

00:35:40,310 --> 00:35:35,760

and while one day he was uh riding his

933

00:35:42,150 --> 00:35:40,320

uncle's horse and when he was riding it

934

00:35:43,670 --> 00:35:42,160

it was getting very dark so he

935

00:35:45,829 --> 00:35:43,680

dismounted and started to

936

00:35:47,109 --> 00:35:45,839

take care of the horse and right across

937

00:35:50,069 --> 00:35:47,119

the road

938

00:35:51,270 --> 00:35:50,079

from from the corral there was a

939

00:35:53,670 --> 00:35:51,280

cornfield

940

00:35:56,150 --> 00:35:53,680

and he kept looking and because he heard

941

00:35:58,950 --> 00:35:56,160

a noise and he kept looking over there

942

00:35:59,670 --> 00:35:58,960

and finally he looked again and he saw

943

00:36:02,230 --> 00:35:59,680

this uh

944

00:36:04,150 --> 00:36:02,240

shadowy figure he thought it was an

945

00:36:06,950 --> 00:36:04,160

animal but when he looked again it said

946

00:36:08,150 --> 00:36:06,960

he said oh he looked like a small man

947

00:36:10,230 --> 00:36:08,160

well

948

00:36:11,190 --> 00:36:10,240

when he got he stared at it and then he

949

00:36:15,510 --> 00:36:11,200

noticed that

950

00:36:18,870 --> 00:36:15,520

this thing was a small

951  
00:36:21,910 --> 00:36:18,880  
humanoid like creature that it had

952  
00:36:25,510 --> 00:36:21,920  
very deep red eyes and that

953  
00:36:28,710 --> 00:36:25,520  
the the face or the

954  
00:36:32,390 --> 00:36:28,720  
forehead of the skull of the creature

955  
00:36:35,349 --> 00:36:32,400  
had the ridges

956  
00:36:36,550 --> 00:36:35,359  
and uh it just frightened the heck out

957  
00:36:38,790 --> 00:36:36,560  
of him and so he ran

958  
00:36:39,990 --> 00:36:38,800  
to his uh to his went to his

959  
00:36:42,870 --> 00:36:40,000  
grandmother's house and started

960  
00:36:45,430 --> 00:36:42,880  
telling everybody what he saw and basic

961  
00:36:47,910 --> 00:36:45,440  
and then his grandmother said oh oh

962  
00:36:49,829 --> 00:36:47,920  
you must have seen the little the devils

963  
00:36:52,230 --> 00:36:49,839

and that's how because the grandmother

964

00:36:54,150 --> 00:36:52,240

and some of the local people have seen

965

00:36:55,109 --> 00:36:54,160

this these type of beans there in that

966

00:36:58,150 --> 00:36:55,119

area

967

00:37:00,310 --> 00:36:58,160

uh years later um we we've been in

968

00:37:03,510 --> 00:37:00,320

contact and working very closely with

969

00:37:05,829 --> 00:37:03,520

several other mexican investigators and

970

00:37:07,109 --> 00:37:05,839

uh some of they had shared with us that

971

00:37:09,270 --> 00:37:07,119

their witnesses had

972

00:37:10,870 --> 00:37:09,280

seen these these similar type beings

973

00:37:14,390 --> 00:37:10,880

which coincidentally

974

00:37:16,550 --> 00:37:14,400

almost matches the description of these

975

00:37:19,349 --> 00:37:16,560

beings that were

976

00:37:20,630 --> 00:37:19,359

seen in uh in brazil if you recall oh

977

00:37:23,829 --> 00:37:20,640

yes

978

00:37:26,550 --> 00:37:23,839

he said

979

00:37:27,190 --> 00:37:26,560

he saw drawings the the our witness said

980

00:37:29,349 --> 00:37:27,200

he saw

981

00:37:30,950 --> 00:37:29,359

drawings of that particular being in

982

00:37:32,390 --> 00:37:30,960

brazil and he said that's exactly what

983

00:37:34,950 --> 00:37:32,400

he saw

984

00:37:36,150 --> 00:37:34,960

so we might we might be on to something

985

00:37:39,510 --> 00:37:36,160

there

986

00:37:41,750 --> 00:37:39,520

i i think also the uh i think we know we

987

00:37:43,030 --> 00:37:41,760

may have covered this but in terms of

988

00:37:46,150 --> 00:37:43,040

the military

989

00:37:50,150 --> 00:37:46,160

we did get somebody that

990

00:37:53,750 --> 00:37:50,160

went into our wikipedia and

991

00:37:55,510 --> 00:37:53,760

added the names of soldiers

992

00:37:57,030 --> 00:37:55,520

they added the names of the mexican

993

00:37:58,790 --> 00:37:57,040

soldiers um

994

00:38:00,390 --> 00:37:58,800

that were they were dead as well as the

995

00:38:04,150 --> 00:38:00,400

american soldiers that were

996

00:38:06,630 --> 00:38:04,160

involved in the actual retrieval

997

00:38:07,190 --> 00:38:06,640

we thought that was really interesting

998

00:38:11,190 --> 00:38:07,200

and so

999

00:38:13,349 --> 00:38:11,200

noe uh went and i was doing some

1000

00:38:14,790 --> 00:38:13,359

investigation and trying to find out the

1001

00:38:16,470 --> 00:38:14,800

the source of that

1002

00:38:18,150 --> 00:38:16,480

which he uh no i was just wondering if

1003

00:38:20,230 --> 00:38:18,160

you wanted to elaborate on that because

1004

00:38:22,870 --> 00:38:20,240

well this was a very interesting

1005

00:38:25,910 --> 00:38:22,880

development martin that happened to us

1006

00:38:27,349 --> 00:38:25,920

i i wrote the original article for

1007

00:38:29,349 --> 00:38:27,359

wikipedia

1008

00:38:30,710 --> 00:38:29,359

for those of you but for those of you

1009

00:38:32,670 --> 00:38:30,720

listeners and there shouldn't be too

1010

00:38:35,829 --> 00:38:32,680

many who aren't familiar with it it's an

1011

00:38:36,550 --> 00:38:35,839

encyclopedia on the internet that anyone

1012

00:38:40,390 --> 00:38:36,560

can

1013

00:38:43,670 --> 00:38:40,400

and edit

1014

00:38:47,349 --> 00:38:43,680

other people's articles if you want to

1015

00:38:49,430 --> 00:38:47,359

it's kind of a shared community

1016

00:38:51,910 --> 00:38:49,440

encyclopedia of all the world's

1017

00:38:54,390 --> 00:38:51,920

knowledge it strives to be

1018

00:38:56,870 --> 00:38:54,400

so i had written an article many years

1019

00:38:58,630 --> 00:38:56,880

ago i'd say around 2007

1020

00:39:00,310 --> 00:38:58,640

just giving a brief overview of the

1021

00:39:02,630 --> 00:39:00,320

koyama incident as we've

1022

00:39:04,710 --> 00:39:02,640

as reuben and i have brought it to your

1023

00:39:08,950 --> 00:39:04,720

listeners tonight

1024

00:39:12,069 --> 00:39:08,960

well about a year ago suddenly

1025

00:39:16,710 --> 00:39:12,079

the basic outline of what happened

1026  
00:39:20,150 --> 00:39:16,720  
was changed by an anonymous user

1027  
00:39:23,349 --> 00:39:20,160  
on wikipedia's website and they went in

1028  
00:39:25,109 --> 00:39:23,359  
as reuben said and they filled in

1029  
00:39:26,870 --> 00:39:25,119  
where we had said that some mexican

1030  
00:39:29,990 --> 00:39:26,880  
soldiers died

1031  
00:39:34,550 --> 00:39:30,000  
they went in and filled in the names and

1032  
00:39:37,990 --> 00:39:34,560  
mexican military serial numbers

1033  
00:39:41,670 --> 00:39:38,000  
of some of the mexican soldiers

1034  
00:39:41,990 --> 00:39:41,680  
who died and now this will blow your

1035  
00:39:45,030 --> 00:39:42,000  
mind

1036  
00:39:47,990 --> 00:39:45,040  
they also added the names and

1037  
00:39:49,910 --> 00:39:48,000  
military serial numbers for several of

1038  
00:39:52,950 --> 00:39:49,920

the us soldiers

1039

00:39:55,190 --> 00:39:52,960

involved in the recovery effort

1040

00:39:56,310 --> 00:39:55,200

not only that but they went in and added

1041

00:39:59,829 --> 00:39:56,320

more details

1042

00:40:03,589 --> 00:39:59,839

which make sense in the overall

1043

00:40:07,270 --> 00:40:03,599

scheme of the story but they weren't

1044

00:40:10,870 --> 00:40:07,280

details that we had any source for

1045

00:40:14,550 --> 00:40:10,880

any confirmation about

1046

00:40:15,990 --> 00:40:14,560

so i i tried to work through the people

1047

00:40:18,710 --> 00:40:16,000

you know and wikipedia is an

1048

00:40:21,109 --> 00:40:18,720

all-volunteer effort made up of

1049

00:40:21,910 --> 00:40:21,119

people from all over the world i tried

1050

00:40:25,910 --> 00:40:21,920

to work

1051  
00:40:27,910 --> 00:40:25,920  
through the wikipedia hierarchy trying

1052  
00:40:28,230 --> 00:40:27,920  
to figure out who it was that posted

1053  
00:40:30,950 --> 00:40:28,240  
that

1054  
00:40:32,950 --> 00:40:30,960  
article when i finally was able to

1055  
00:40:35,829 --> 00:40:32,960  
communicate with the individual who

1056  
00:40:39,349 --> 00:40:35,839  
posted that he was very evasive

1057  
00:40:43,670 --> 00:40:39,359  
he would not respond to my emails

1058  
00:40:46,390 --> 00:40:43,680  
he ignored my questions

1059  
00:40:47,190 --> 00:40:46,400  
he gave me answers which were misleading

1060  
00:40:49,750 --> 00:40:47,200  
about

1061  
00:40:51,349 --> 00:40:49,760  
where he got the information when i

1062  
00:40:53,430 --> 00:40:51,359  
would check his sources

1063  
00:40:55,030 --> 00:40:53,440

there was no such information at those

1064

00:40:57,750 --> 00:40:55,040

sources

1065

00:40:59,750 --> 00:40:57,760

and finally he just said something to

1066

00:41:00,950 --> 00:40:59,760

the effect that he no longer wished to

1067

00:41:04,630 --> 00:41:00,960

talk to me and he

1068

00:41:10,950 --> 00:41:08,309

so we don't know he was obviously a

1069

00:41:13,190 --> 00:41:10,960

person who had inside information

1070

00:41:15,109 --> 00:41:13,200

may have been involved in the case or

1071

00:41:17,589 --> 00:41:15,119

known someone

1072

00:41:18,870 --> 00:41:17,599

who was involved in the case and so that

1073

00:41:22,150 --> 00:41:18,880

is a story that

1074

00:41:23,829 --> 00:41:22,160

is still we're still looking into and

1075

00:41:24,790 --> 00:41:23,839

there's a lot of unanswered questions

1076

00:41:27,750 --> 00:41:24,800

there but it's

1077

00:41:28,470 --> 00:41:27,760

very intriguing was there were you ever

1078

00:41:31,510 --> 00:41:28,480

able to

1079

00:41:34,390 --> 00:41:31,520

verify any of the numbers at all

1080

00:41:35,910 --> 00:41:34,400

we we had what we thought was some

1081

00:41:41,109 --> 00:41:35,920

verification

1082

00:41:43,750 --> 00:41:41,119

from our mexican ufo investigator

1083

00:41:45,430 --> 00:41:43,760

friends who were looking into the

1084

00:41:48,630 --> 00:41:45,440

soldiers named

1085

00:41:50,870 --> 00:41:48,640

as having died in the incident and

1086

00:41:51,750 --> 00:41:50,880

uh we had some preliminary information

1087

00:41:53,430 --> 00:41:51,760

that

1088

00:41:55,990 --> 00:41:53,440

individuals who were serving in the

1089

00:42:00,230 --> 00:41:56,000

mexican military in august 1974

1090

00:42:02,630 --> 00:42:00,240

did in fact perish at that time

1091

00:42:03,349 --> 00:42:02,640

however all of that is preliminary and

1092

00:42:06,710 --> 00:42:03,359

we're not

1093

00:42:08,390 --> 00:42:06,720

really prepared to say with certain

1094

00:42:10,150 --> 00:42:08,400

with certainty they're still looking up

1095

00:42:10,950 --> 00:42:10,160

death records this is a very recent

1096

00:42:13,430 --> 00:42:10,960

development

1097

00:42:14,470 --> 00:42:13,440

it's just been known to us for a few

1098

00:42:18,870 --> 00:42:14,480

months

1099

00:42:21,510 --> 00:42:18,880

and so uh as i say it's ongoing and will

1100

00:42:23,270 --> 00:42:21,520

we hope to have more about that very

1101  
00:42:25,270 --> 00:42:23,280  
soon

1102  
00:42:27,670 --> 00:42:25,280  
well this is this is like another

1103  
00:42:29,430 --> 00:42:27,680  
roswell i mean the investigations

1104  
00:42:31,109 --> 00:42:29,440  
of it are going to keep going on and i

1105  
00:42:34,150 --> 00:42:31,119  
hope you too

1106  
00:42:35,270 --> 00:42:34,160  
uh stay on this because um you know it

1107  
00:42:37,829 --> 00:42:35,280  
seems like you're you

1108  
00:42:40,069 --> 00:42:37,839  
are getting somewhere on it and um you

1109  
00:42:40,790 --> 00:42:40,079  
know it's the same thing with roswell i

1110  
00:42:42,470 --> 00:42:40,800  
mean

1111  
00:42:44,390 --> 00:42:42,480  
a lot of different investigators someone

1112  
00:42:46,630 --> 00:42:44,400  
may come along you know after

1113  
00:42:47,910 --> 00:42:46,640

so many years and take over from where

1114

00:42:51,349 --> 00:42:47,920

you guys are standing and

1115

00:42:53,589 --> 00:42:51,359

and but it's one of these cases that um

1116

00:42:54,710 --> 00:42:53,599

you know there's uh it needs to keep

1117

00:42:57,030 --> 00:42:54,720

unfolding

1118

00:42:58,150 --> 00:42:57,040

well you know the comparison to roswell

1119

00:43:01,430 --> 00:42:58,160

is extremely

1120

00:43:04,150 --> 00:43:01,440

um valid because

1121

00:43:06,390 --> 00:43:04,160

it took many many years before the truth

1122

00:43:06,950 --> 00:43:06,400

about roswell finally started to come

1123

00:43:09,910 --> 00:43:06,960

out

1124

00:43:12,230 --> 00:43:09,920

you know roswell happened in 1947 and

1125

00:43:13,990 --> 00:43:12,240

the first book about it

1126

00:43:16,470 --> 00:43:14,000

the research for which was done

1127

00:43:18,790 --> 00:43:16,480

primarily by stanton friedman

1128

00:43:21,670 --> 00:43:18,800

was published in 1980 which was the

1129

00:43:25,030 --> 00:43:21,680

roswell incident by berlitz

1130

00:43:25,550 --> 00:43:25,040

and so i mean it took how long is it

1131

00:43:29,109 --> 00:43:25,560

from

1132

00:43:30,950 --> 00:43:29,119

1947 to 1980 that's

1133

00:43:33,270 --> 00:43:30,960

you know that's that's a really long

1134

00:43:38,470 --> 00:43:35,750

so anyway we're approaching that same

1135

00:43:42,230 --> 00:43:38,480

period of time now with the koyama case

1136

00:43:44,790 --> 00:43:42,240

uh people have retired from the military

1137

00:43:45,349 --> 00:43:44,800

they're feeling a little bit freer to

1138

00:43:48,470 --> 00:43:45,359

speak

1139

00:43:50,710 --> 00:43:48,480

about their experience we had and i

1140

00:43:52,470 --> 00:43:50,720

meant to mention earlier but we just

1141

00:43:54,309 --> 00:43:52,480

recently had contact through our

1142

00:43:57,510 --> 00:43:54,319

facebook page

1143

00:44:00,870 --> 00:43:57,520

from a young lady who says that

1144

00:44:04,470 --> 00:44:00,880

her uncle was involved in

1145

00:44:07,589 --> 00:44:04,480

in the us military and was ordered to go

1146

00:44:10,230 --> 00:44:07,599

to mexico's roswell

1147

00:44:11,750 --> 00:44:10,240

he went came back and was never the same

1148

00:44:15,510 --> 00:44:11,760

she posted on our

1149

00:44:17,430 --> 00:44:15,520

facebook page she claimed that her dad

1150

00:44:19,910 --> 00:44:17,440

was involved with the u.s military

1151

00:44:23,510 --> 00:44:19,920

retrieval of the crashed ufo

1152

00:44:26,550 --> 00:44:23,520

near koyama in 1974. and

1153

00:44:28,710 --> 00:44:26,560

um unfortunately when i

1154

00:44:29,589 --> 00:44:28,720

attempted to meet with her or question

1155

00:44:33,109 --> 00:44:29,599

her further

1156

00:44:34,309 --> 00:44:33,119

she did not feel free to continue the

1157

00:44:37,750 --> 00:44:34,319

dialogue

1158

00:44:39,589 --> 00:44:37,760

so that's another kind of loose end

1159

00:44:40,870 --> 00:44:39,599

that we're going to try to follow up on

1160

00:44:42,950 --> 00:44:40,880

but

1161

00:44:44,870 --> 00:44:42,960

she seemed very earnest and sincere and

1162

00:44:47,750 --> 00:44:44,880

she put it in writing when she first

1163

00:44:51,270 --> 00:44:47,760

approached me with it so

1164

00:44:52,790 --> 00:44:51,280

wow well you can tell um if anyone just

1165

00:44:53,270 --> 00:44:52,800

heard what i just said you can tell that

1166

00:44:55,750 --> 00:44:53,280

i'm

1167

00:44:57,910 --> 00:44:55,760

just had a six-hour commute today i just

1168

00:45:00,470 --> 00:44:57,920

said oh yeah 53 years

1169

00:45:02,309 --> 00:45:00,480

instead of 33 years my math is doing

1170

00:45:06,069 --> 00:45:02,319

really good tonight

1171

00:45:09,190 --> 00:45:06,079

yes so i heard 33 oh yeah i was 32. yeah

1172

00:45:10,710 --> 00:45:09,200

i have the power of editing too i'll go

1173

00:45:15,430 --> 00:45:10,720

back

1174

00:45:16,870 --> 00:45:15,440

so um you know so as time moves on

1175

00:45:18,950 --> 00:45:16,880

you know you guys come out with this

1176

00:45:21,510 --> 00:45:18,960

book you you get extra

1177

00:45:23,109 --> 00:45:21,520

an extra witness or two out of it that's

1178

00:45:24,630 --> 00:45:23,119

what seems to happen a lot of times when

1179

00:45:27,589 --> 00:45:24,640

there's tv shows

1180

00:45:28,150 --> 00:45:27,599

yes documentaries or books come out

1181

00:45:31,670 --> 00:45:28,160

people

1182

00:45:33,430 --> 00:45:31,680

or they read it

1183

00:45:35,349 --> 00:45:33,440

and they're ready to come forward and

1184

00:45:38,230 --> 00:45:35,359

there may be a percentage

1185

00:45:39,750 --> 00:45:38,240

that may be a little bs but when you

1186

00:45:40,950 --> 00:45:39,760

talk about this teacher that sounds

1187

00:45:42,550 --> 00:45:40,960

pretty legitimate

1188

00:45:44,829 --> 00:45:42,560

have you had anyone come forward that

1189

00:45:47,190 --> 00:45:44,839

you just didn't believe like i mentioned

1190

00:45:50,790 --> 00:45:47,200

earlier

1191

00:45:53,109 --> 00:45:50,800

the military person that contacted me

1192

00:45:55,750 --> 00:45:53,119

uh we haven't you know everybody we've

1193

00:45:58,950 --> 00:45:55,760

talked to has been extremely sincere

1194

00:45:59,670 --> 00:45:58,960

there's been a few strange birds that

1195

00:46:03,829 --> 00:45:59,680

have

1196

00:46:06,309 --> 00:46:03,839

communicated with us by email

1197

00:46:07,270 --> 00:46:06,319

after we've done for example the coast

1198

00:46:09,990 --> 00:46:07,280

to coast am

1199

00:46:11,190 --> 00:46:10,000

show or one of those major shows you

1200

00:46:13,910 --> 00:46:11,200

always get

1201

00:46:16,950 --> 00:46:13,920

a lot of times you'll get some strange

1202

00:46:19,510 --> 00:46:16,960

contacts from that

1203

00:46:21,750 --> 00:46:19,520

commander volcan from the planet

1204

00:46:23,910 --> 00:46:21,760

arcturus or something like that

1205

00:46:26,550 --> 00:46:23,920

you know but you know different strokes

1206

00:46:30,150 --> 00:46:26,560

for different folks no we really haven't

1207

00:46:31,750 --> 00:46:30,160

had anybody unless reuben you might

1208

00:46:33,910 --> 00:46:31,760

remember differently but we haven't

1209

00:46:36,630 --> 00:46:33,920

really pursued any leads that have been

1210

00:46:36,950 --> 00:46:36,640

totally false yeah we we really haven't

1211

00:46:39,990 --> 00:46:36,960

been

1212

00:46:41,910 --> 00:46:40,000

uh led astray too much uh

1213

00:46:43,910 --> 00:46:41,920

most of the people have shared us shared

1214

00:46:45,910 --> 00:46:43,920

some valuable information and

1215

00:46:48,150 --> 00:46:45,920

one of the things that we're doing and

1216

00:46:49,190 --> 00:46:48,160

uh noah mentioned the presidio

1217

00:46:51,270 --> 00:46:49,200

conference and

1218

00:46:54,150 --> 00:46:51,280

this is the way what we're trying to do

1219

00:46:57,510 --> 00:46:54,160

by putting together these conferences

1220

00:46:58,069 --> 00:46:57,520

along in texas uh we've had several of

1221

00:47:00,390 --> 00:46:58,079

them

1222

00:47:01,750 --> 00:47:00,400

uh this is one way of hopefully we might

1223

00:47:04,390 --> 00:47:01,760

be able to get

1224

00:47:05,910 --> 00:47:04,400

local testimony and we just may get that

1225

00:47:07,190 --> 00:47:05,920

big break

1226

00:47:10,230 --> 00:47:07,200

and that's how that's what bro that's

1227

00:47:13,589 --> 00:47:10,240

how stanton freeman i recall

1228

00:47:16,150 --> 00:47:13,599

he came across his major

1229

00:47:17,349 --> 00:47:16,160

contact with mr jesse marcel through

1230

00:47:19,109 --> 00:47:17,359

another gentleman

1231

00:47:20,630 --> 00:47:19,119

uh that he happened to meet at the at

1232

00:47:24,069 --> 00:47:20,640

the gas station and the

1233

00:47:25,670 --> 00:47:24,079

guests i believe if i recall the the gas

1234

00:47:28,150 --> 00:47:25,680

attendant told them oh you got to meet

1235

00:47:28,950 --> 00:47:28,160

jesse marcel and that just opened up the

1236

00:47:30,870 --> 00:47:28,960

doors for

1237

00:47:32,950 --> 00:47:30,880

for stanton freeman yeah that was

1238

00:47:35,430 --> 00:47:32,960

actually at a radio station but yes

1239

00:47:36,309 --> 00:47:35,440

yes yeah yeah so i this is what we're

1240

00:47:39,270 --> 00:47:36,319

hoping and

1241

00:47:40,069 --> 00:47:39,280

that we'll be able to entice and meet

1242

00:47:43,190 --> 00:47:40,079

other people

1243

00:47:46,150 --> 00:47:43,200

and we meet people who've had of course

1244

00:47:47,829 --> 00:47:46,160

their own their own experiences or uh

1245

00:47:49,670 --> 00:47:47,839

that they share with us so

1246

00:47:51,349 --> 00:47:49,680

it's it's happening all over the world

1247

00:47:52,549 --> 00:47:51,359

but we sure is concentrated in the

1248

00:47:55,510 --> 00:47:52,559

southwest

1249

00:47:56,950 --> 00:47:55,520

right right now um you mentioned noe we

1250

00:47:57,910 --> 00:47:56,960

were talking earlier on and you

1251

00:47:59,270 --> 00:47:57,920

mentioned that you

1252

00:48:01,030 --> 00:47:59,280

wanted to kind of announce something

1253

00:48:02,790 --> 00:48:01,040

else go ahead if you'd like

1254

00:48:04,069 --> 00:48:02,800

well reuben and i are extremely

1255

00:48:06,230 --> 00:48:04,079

gratified

1256

00:48:09,270 --> 00:48:06,240

for the past five or six years we've

1257

00:48:13,109 --> 00:48:09,280

been working with towns here in texas

1258

00:48:16,710 --> 00:48:13,119

to kind of promote tourism and also

1259

00:48:19,589 --> 00:48:16,720

bring more focus on the whole ufo issue

1260

00:48:20,309 --> 00:48:19,599

so we have actually been working with

1261

00:48:23,750 --> 00:48:20,319

towns

1262

00:48:26,950 --> 00:48:23,760

in texas to promote ufo festivals

1263

00:48:27,829 --> 00:48:26,960

and when we say festivals we're

1264

00:48:30,870 --> 00:48:27,839

primarily

1265

00:48:32,870 --> 00:48:30,880

trying to make these educational

1266

00:48:35,109 --> 00:48:32,880

experiences and as reuben just said we

1267

00:48:37,910 --> 00:48:35,119

want to also provide a forum

1268

00:48:39,030 --> 00:48:37,920

for speaker people to speak up about

1269

00:48:40,870 --> 00:48:39,040

sightings that they

1270

00:48:42,870 --> 00:48:40,880

have experienced or that someone close

1271

00:48:44,390 --> 00:48:42,880

to them has and this has been very

1272

00:48:47,750 --> 00:48:44,400

successful for us

1273

00:48:49,910 --> 00:48:47,760

at the same time in addition to being

1274

00:48:51,589 --> 00:48:49,920

educational and providing a safe

1275

00:48:53,109 --> 00:48:51,599

environment where people can talk about

1276

00:48:56,309 --> 00:48:53,119

their own experiences

1277

00:48:58,870 --> 00:48:56,319

we also inject some fun into it and

1278

00:49:00,069 --> 00:48:58,880

you know we'll usually have the local

1279

00:49:02,710 --> 00:49:00,079

organizers

1280

00:49:03,750 --> 00:49:02,720

such as the chamber of commerce folks

1281

00:49:05,430 --> 00:49:03,760

and others

1282

00:49:07,109 --> 00:49:05,440

plan some fun events for the whole

1283

00:49:09,349 --> 00:49:07,119

family

1284

00:49:11,270 --> 00:49:09,359

so we have cookouts we have costume

1285

00:49:13,670 --> 00:49:11,280

contests we try to make it

1286

00:49:15,349 --> 00:49:13,680

kind of a roswell ufo festival

1287

00:49:19,030 --> 00:49:15,359

environment which is

1288

00:49:21,270 --> 00:49:19,040

uh is where we obviously took the idea

1289

00:49:22,470 --> 00:49:21,280

uh so it was kind of like bringing the

1290

00:49:23,910 --> 00:49:22,480

whole atmosphere and

1291

00:49:26,630 --> 00:49:23,920

a lot of your listeners have probably

1292

00:49:28,470 --> 00:49:26,640

been to roswell in the summer for the

1293

00:49:30,230 --> 00:49:28,480

their big annual festival which is the

1294

00:49:32,470 --> 00:49:30,240

largest such festival in the world

1295

00:49:33,910 --> 00:49:32,480

commemorating a ufo event

1296

00:49:36,630 --> 00:49:33,920

so we're trying to bring some of that

1297

00:49:40,470 --> 00:49:36,640

roswell atmosphere

1298

00:49:43,829 --> 00:49:40,480

here to texas and we are of course

1299

00:49:46,870 --> 00:49:43,839

we keyed on the

1300

00:49:47,589 --> 00:49:46,880

spots in texas where major ufo incidents

1301  
00:49:50,710 --> 00:49:47,599  
have happened

1302  
00:49:52,470 --> 00:49:50,720  
such as presidio where the case that

1303  
00:49:55,670 --> 00:49:52,480  
we're talking about tonight

1304  
00:49:57,910 --> 00:49:55,680  
happened edinburgh texas

1305  
00:49:58,710 --> 00:49:57,920  
which is my hometown that's where i'm

1306  
00:50:01,270 --> 00:49:58,720  
talking to you

1307  
00:50:02,230 --> 00:50:01,280  
from tonight we've got a big festival

1308  
00:50:05,589 --> 00:50:02,240  
that launches

1309  
00:50:08,630 --> 00:50:05,599  
on friday just in two days we've got

1310  
00:50:11,349 --> 00:50:08,640  
kevin randle who is probably

1311  
00:50:12,870 --> 00:50:11,359  
one of the world's foremost authorities

1312  
00:50:15,109 --> 00:50:12,880  
he is one of the world's foremost

1313  
00:50:17,270 --> 00:50:15,119

authorities on the roswell ufo crash has

1314

00:50:19,430 --> 00:50:17,280

written over 100 books

1315

00:50:22,790 --> 00:50:19,440

he's our featured speaker kathleen

1316

00:50:25,030 --> 00:50:22,800

martin who is the niece of betty hill

1317

00:50:26,790 --> 00:50:25,040

again one of the most famous ufo stories

1318

00:50:27,790 --> 00:50:26,800

in the world the abduction of betty and

1319

00:50:31,750 --> 00:50:27,800

barney hill

1320

00:50:32,710 --> 00:50:31,760

1964. they're coming down and speaking

1321

00:50:35,910 --> 00:50:32,720

along with a whole

1322

00:50:39,030 --> 00:50:35,920

other range of speakers so

1323

00:50:41,190 --> 00:50:39,040

just this week one of the major

1324

00:50:42,150 --> 00:50:41,200

magazines monthly magazines in the state

1325

00:50:46,150 --> 00:50:42,160

of texas

1326

00:50:50,150 --> 00:50:46,160

texas observer wrote up a five-page

1327

00:50:52,790 --> 00:50:50,160

article on reuben and my efforts

1328

00:50:55,190 --> 00:50:52,800

to promote tourism in the state of texas

1329

00:50:57,670 --> 00:50:55,200

by holding these ufo festivals

1330

00:50:58,470 --> 00:50:57,680

for which we we are very gratified the

1331

00:51:02,309 --> 00:50:58,480

article

1332

00:51:05,510 --> 00:51:02,319

um is titled very catchy title

1333

00:51:07,510 --> 00:51:05,520

aliens without borders and it was

1334

00:51:09,430 --> 00:51:07,520

written by a fine

1335

00:51:10,870 --> 00:51:09,440

young staff writer with the texas

1336

00:51:14,150 --> 00:51:10,880

observer named

1337

00:51:16,710 --> 00:51:14,160

patrick michael and

1338

00:51:17,430 --> 00:51:16,720

basically he went and spent the entire

1339

00:51:20,390 --> 00:51:17,440

weekend

1340

00:51:22,549 --> 00:51:20,400

of the ufo festival we had this past

1341

00:51:24,390 --> 00:51:22,559

january in del rio texas he spent the

1342

00:51:26,950 --> 00:51:24,400

entire weekend with us

1343

00:51:27,750 --> 00:51:26,960

he interviewed stanton friedman travis

1344

00:51:30,150 --> 00:51:27,760

walton

1345

00:51:30,870 --> 00:51:30,160

he interviewed reuben he interviewed me

1346

00:51:33,750 --> 00:51:30,880

and

1347

00:51:34,790 --> 00:51:33,760

a lot of the festival goes just people

1348

00:51:39,030 --> 00:51:34,800

in general

1349

00:51:42,069 --> 00:51:39,040

and um it's really a brilliant piece

1350

00:51:44,630 --> 00:51:42,079

and it talks about how

1351  
00:51:45,510 --> 00:51:44,640  
ruben and i in his opinion have

1352  
00:51:48,870 --> 00:51:45,520  
succeeded

1353  
00:51:52,069 --> 00:51:48,880  
in blending the fun elements

1354  
00:51:55,589 --> 00:51:52,079  
uh the family-friendly environment

1355  
00:51:58,710 --> 00:51:55,599  
of you know enjoying the idea the

1356  
00:51:59,670 --> 00:51:58,720  
the appeal of enjoying the possibility

1357  
00:52:02,309 --> 00:51:59,680  
that

1358  
00:52:03,990 --> 00:52:02,319  
life could exist elsewhere and may have

1359  
00:52:07,430 --> 00:52:04,000  
even visited the earth

1360  
00:52:10,549 --> 00:52:07,440  
in the past and blending that

1361  
00:52:11,670 --> 00:52:10,559  
with the notion of educating people on

1362  
00:52:14,710 --> 00:52:11,680  
the reality

1363  
00:52:16,710 --> 00:52:14,720

of ufo encounters which are still going

1364

00:52:19,190 --> 00:52:16,720

on today all around us

1365

00:52:20,710 --> 00:52:19,200

so we were very gratified we were very

1366

00:52:23,670 --> 00:52:20,720

happy that this article

1367

00:52:24,390 --> 00:52:23,680

was just released and reuben has been

1368

00:52:27,990 --> 00:52:24,400

kidding me

1369

00:52:30,069 --> 00:52:28,000

non-stop because the writer of the

1370

00:52:33,750 --> 00:52:30,079

article refers to me

1371

00:52:36,790 --> 00:52:33,760

as the godfather of texas ufo

1372

00:52:38,630 --> 00:52:36,800

festivals now that's a direct quote and

1373

00:52:40,470 --> 00:52:38,640

uh you know how applicable that is i

1374

00:52:42,790 --> 00:52:40,480

don't know but it sure is fun and

1375

00:52:44,950 --> 00:52:42,800

and i've gotten a lot of ribbing over

1376

00:52:47,109 --> 00:52:44,960

that but that's okay

1377

00:52:48,790 --> 00:52:47,119

it was a really good article now how did

1378

00:52:50,790 --> 00:52:48,800

youtube meet was it uh

1379

00:52:52,549 --> 00:52:50,800

you or you mentioned how you met but

1380

00:52:54,390 --> 00:52:52,559

you've written how many books together

1381

00:52:56,069 --> 00:52:54,400

now

1382

00:52:58,309 --> 00:52:56,079

reuben and i have written four books

1383

00:53:01,589 --> 00:52:58,319

together we've had the a delightful

1384

00:53:02,470 --> 00:53:01,599

partnership going we also get together

1385

00:53:05,349 --> 00:53:02,480

quite often

1386

00:53:08,069 --> 00:53:05,359

and appear together at conferences we

1387

00:53:11,510 --> 00:53:08,079

vote we spoke together at the del rio

1388

00:53:13,670 --> 00:53:11,520

ufo festival in uh this past

1389

00:53:16,309 --> 00:53:13,680

january and we're going to be speaking

1390

00:53:18,630 --> 00:53:16,319

in presidio at the annual

1391

00:53:19,589 --> 00:53:18,640

um conference that we've mentioned a

1392

00:53:23,109 --> 00:53:19,599

couple of times

1393

00:53:24,870 --> 00:53:23,119

in october october 95th and we're also

1394

00:53:25,430 --> 00:53:24,880

going to be speaking in los angeles in

1395

00:53:29,030 --> 00:53:25,440

july

1396

00:53:30,790 --> 00:53:29,040

yeah that's coming up very shortly

1397

00:53:32,790 --> 00:53:30,800

and uh if you want to we just have a

1398

00:53:34,630 --> 00:53:32,800

couple minutes left so

1399

00:53:36,309 --> 00:53:34,640

excuse me if you want to just go quickly

1400

00:53:38,630 --> 00:53:36,319

over the different books

1401

00:53:40,150 --> 00:53:38,640

that you've written all right well

1402

00:53:41,910 --> 00:53:40,160

reuben and i have actually

1403

00:53:44,549 --> 00:53:41,920

you know it all started with mexico's

1404

00:53:46,790 --> 00:53:44,559

roswell that's a title of our first book

1405

00:53:48,710 --> 00:53:46,800

and we kind of titled it that because

1406

00:53:50,870 --> 00:53:48,720

that's what the documentary on the

1407

00:53:53,349 --> 00:53:50,880

history channel the original documentary

1408

00:53:55,510 --> 00:53:53,359

was called

1409

00:53:56,470 --> 00:53:55,520

as reuben mentioned the history channel

1410

00:53:59,750 --> 00:53:56,480

was doing

1411

00:54:00,870 --> 00:53:59,760

a series of shows about roswell-like

1412

00:54:02,630 --> 00:54:00,880

incidents that occurred

1413

00:54:04,710 --> 00:54:02,640

in other countries and one of them was

1414

00:54:05,510 --> 00:54:04,720

mexico's roswell which was a koyamek

1415

00:54:07,670 --> 00:54:05,520

case

1416

00:54:11,190 --> 00:54:07,680

it actually happened as close to texas

1417

00:54:13,510 --> 00:54:11,200

as it did to koyama so as we mentioned

1418

00:54:16,309 --> 00:54:13,520

our second book arose from the first one

1419

00:54:18,630 --> 00:54:16,319

is that we kept hearing about another

1420

00:54:19,510 --> 00:54:18,640

crash retrieval along the texas-mexico

1421

00:54:22,470 --> 00:54:19,520

border but much

1422

00:54:23,990 --> 00:54:22,480

earlier and we actually found the air

1423

00:54:28,870 --> 00:54:24,000

force pilot

1424

00:54:32,390 --> 00:54:28,880

who chased the ufo and saw it crash land

1425

00:54:34,870 --> 00:54:32,400

near del rio texas so our second book

1426

00:54:37,990 --> 00:54:34,880

called the other roswell ufo crash on

1427

00:54:41,190 --> 00:54:38,000

the texas-mexico border actually

1428

00:54:43,109 --> 00:54:41,200

kind of eventually led around to the ufo

1429

00:54:44,549 --> 00:54:43,119

festival that we hold every year now in

1430

00:54:48,549 --> 00:54:44,559

del rio

1431

00:54:50,230 --> 00:54:48,559

texas and so then reuben and i

1432

00:54:52,470 --> 00:54:50,240

also did a second edition where we

1433

00:54:55,349 --> 00:54:52,480

revised mexico's roswell

1434

00:54:57,349 --> 00:54:55,359

we corrected it and we updated it and we

1435

00:54:59,990 --> 00:54:57,359

added additional chapters

1436

00:55:01,910 --> 00:55:00,000

and then we did a book about a very

1437

00:55:03,829 --> 00:55:01,920

famous and little known

1438

00:55:05,990 --> 00:55:03,839

case that's very similar to travis

1439

00:55:08,950 --> 00:55:06,000

walton's encounter

1440

00:55:10,950 --> 00:55:08,960

but with some strange elements that that

1441

00:55:11,430 --> 00:55:10,960

as i say aren't widely known that was

1442

00:55:15,190 --> 00:55:11,440

our book

1443

00:55:17,190 --> 00:55:15,200

aliens in the forest which we released a

1444

00:55:18,069 --> 00:55:17,200

couple of years ago and has been wildly

1445

00:55:19,670 --> 00:55:18,079

successful

1446

00:55:21,109 --> 00:55:19,680

and we've gotten some really good

1447

00:55:24,069 --> 00:55:21,119

reviews on it

1448

00:55:25,270 --> 00:55:24,079

and we still speak about that book quite

1449

00:55:26,789 --> 00:55:25,280

often

1450

00:55:28,630 --> 00:55:26,799

we'll have to come back and do another

1451  
00:55:30,470 --> 00:55:28,640  
show with you about it and our latest

1452  
00:55:33,829 --> 00:55:30,480  
book is called the koyame

1453  
00:55:35,670 --> 00:55:33,839  
incident and it revisits the mexico's

1454  
00:55:37,270 --> 00:55:35,680  
roswell case with

1455  
00:55:39,030 --> 00:55:37,280  
all the new witnesses and new

1456  
00:55:39,990 --> 00:55:39,040  
information that we talked about tonight

1457  
00:55:42,390 --> 00:55:40,000  
today

1458  
00:55:44,549 --> 00:55:42,400  
including the mystery of the sudden

1459  
00:55:46,549 --> 00:55:44,559  
postings on wikipedia

1460  
00:55:49,430 --> 00:55:46,559  
the story of the police officer who saw

1461  
00:55:52,549 --> 00:55:49,440  
an alien step out of a cornfield

1462  
00:55:55,109 --> 00:55:52,559  
in koyame and the uh the

1463  
00:55:57,670 --> 00:55:55,119

john chambers and and mrs chambers

1464

00:56:01,349 --> 00:55:57,680

telling their story of what they saw

1465

00:56:03,950 --> 00:56:01,359

uh on the night of uh august 1974.

1466

00:56:05,990 --> 00:56:03,960
