

1
00:00:03,270 --> 00:00:02,550
and it hits me oh my gosh this is that

2
00:00:04,390 --> 00:00:03,280
triangle

3
00:00:05,749 --> 00:00:04,400
you know there's explanation for

4
00:00:06,389 --> 00:00:05,759
everything that occurred in the rendel

5
00:00:08,629 --> 00:00:06,399
champions

6
00:00:09,430 --> 00:00:08,639
incident that doesn't involve aliens at

7
00:00:12,230 --> 00:00:09,440
all it was

8
00:00:13,110 --> 00:00:12,240
completely silent it comes right over

9
00:00:16,150 --> 00:00:13,120
our heads

10
00:00:17,830 --> 00:00:16,160
he saw a classic fly is also really

11
00:00:19,429 --> 00:00:17,840
standing in the clearing he turned over

12
00:00:20,870 --> 00:00:19,439
to my father and held his hand and he

13
00:00:25,349 --> 00:00:20,880

looked in his eyes and he said we're not

14

00:00:31,029 --> 00:00:28,790

welcome to podcast ufo for our live show

15

00:00:33,270 --> 00:00:31,039

we're live every wednesday at 8pm

16

00:00:34,549 --> 00:00:33,280

eastern standard time on the dark matter

17

00:00:37,470 --> 00:00:34,559

radio network

18

00:00:38,790 --> 00:00:37,480

please remember to visit the website

19

00:00:41,990 --> 00:00:38,800

podcastufo.com

20

00:00:44,069 --> 00:00:42,000

for past episodes blogs and forums

21

00:00:45,750 --> 00:00:44,079

during the show feel free to participate

22

00:00:47,990 --> 00:00:45,760

live in our chat room

23

00:00:49,670 --> 00:00:48,000

and don't forget to like us on our very

24

00:00:52,229 --> 00:00:49,680

active facebook page

25

00:00:53,750 --> 00:00:52,239

hello and welcome to the show i'm martin

26
00:00:56,150 --> 00:00:53,760
willis your host

27
00:00:57,750 --> 00:00:56,160
and podcast ufo right here and we're

28
00:00:59,029 --> 00:00:57,760
coming at you live in the dark matter

29
00:01:02,310 --> 00:00:59,039
radio network

30
00:01:05,590 --> 00:01:02,320
from a sweet little mountain top in

31
00:01:06,390 --> 00:01:05,600
maine and as always wednesday night at 9

32
00:01:09,590 --> 00:01:06,400
00 pm

33
00:01:12,550 --> 00:01:09,600
eastern standard time which is 1am

34
00:01:13,510 --> 00:01:12,560
utc we have a great show for you tonight

35
00:01:17,190 --> 00:01:13,520
with our guest

36
00:01:20,390 --> 00:01:17,200
roger marsh he is a ufo writer

37
00:01:22,710 --> 00:01:20,400
author playwright independent filmmaker

38
00:01:23,910 --> 00:01:22,720

and he's the editor of the monthly

39

00:01:27,109 --> 00:01:23,920

journal of the

40

00:01:30,710 --> 00:01:27,119

mutual ufo network he's starting

41

00:01:33,350 --> 00:01:30,720

a partnering with open minds

42

00:01:34,390 --> 00:01:33,360

as we had alejandra rojas on a little

43

00:01:36,950 --> 00:01:34,400

while ago

44

00:01:38,469 --> 00:01:36,960

with uh writing move on news stories for

45

00:01:39,990 --> 00:01:38,479

open minds

46

00:01:42,469 --> 00:01:40,000

and we're going to be talking a little

47

00:01:44,870 --> 00:01:42,479

bit about that and before we get

48

00:01:46,950 --> 00:01:44,880

going any further you know it i want to

49

00:01:48,149 --> 00:01:46,960

apologize for last week we had an

50

00:01:50,469 --> 00:01:48,159

astronomy clip

51
00:01:52,550 --> 00:01:50,479
that was a corrupt file that i checked

52
00:01:55,670 --> 00:01:52,560
it this week and it is working

53
00:01:56,550 --> 00:01:55,680
so we have andy fleming's and his

54
00:02:00,709 --> 00:01:56,560
question

55
00:02:04,069 --> 00:02:00,719
on this is are we the aliens here's andy

56
00:02:05,350 --> 00:02:04,079
and hello martin and listeners now a

57
00:02:08,469 --> 00:02:05,360
couple of years ago

58
00:02:10,150 --> 00:02:08,479
at a local planetarium i had the

59
00:02:13,270 --> 00:02:10,160
privilege of holding some

60
00:02:16,309 --> 00:02:13,280
pieces of mars that had actually been

61
00:02:19,190 --> 00:02:16,319
found on the ice of antarctica

62
00:02:20,630 --> 00:02:19,200
scientists know the origin of these nasa

63
00:02:24,390 --> 00:02:20,640

samples because the

64

00:02:27,589 --> 00:02:24,400

gases inside share the same composition

65

00:02:30,630 --> 00:02:27,599

of the gases in the martian atmosphere

66

00:02:34,309 --> 00:02:30,640

the meteorites were ejected from an

67

00:02:36,550 --> 00:02:34,319

impactor strike on the red planet

68

00:02:38,070 --> 00:02:36,560

now this leads to some interesting

69

00:02:40,470 --> 00:02:38,080

speculation

70

00:02:41,990 --> 00:02:40,480

about whether life actually originated

71

00:02:44,589 --> 00:02:42,000

here on the earth

72

00:02:46,630 --> 00:02:44,599

let's face it while we search for

73

00:02:48,869 --> 00:02:46,640

extraterrestrial life

74

00:02:51,750 --> 00:02:48,879

we still don't know for certain it's

75

00:02:54,150 --> 00:02:51,760

terrestrial origins

76

00:02:56,630 --> 00:02:54,160

what if instead of originating in pond

77

00:03:00,190 --> 00:02:56,640

scum life hitched a right here

78

00:03:03,990 --> 00:03:00,200

on a meteor now this is the theory of

79

00:03:07,270 --> 00:03:04,000

panspermia which in greek means seeds

80

00:03:09,830 --> 00:03:07,280

everywhere the seeds in this case

81

00:03:11,190 --> 00:03:09,840

would not only be the chemical building

82

00:03:15,430 --> 00:03:11,200

blocks of life

83

00:03:18,390 --> 00:03:15,440

but also extremophile bacteria

84

00:03:21,270 --> 00:03:18,400

panspermia says that these seeds were

85

00:03:23,589 --> 00:03:21,280

universally dispersed via meteors

86

00:03:25,589 --> 00:03:23,599

and proponents highlight the fact that

87

00:03:28,789 --> 00:03:25,599

with little atmosphere

88

00:03:31,990 --> 00:03:28,799

the early earth endured innumerable

89

00:03:35,990 --> 00:03:32,000

meteor strikes these would have reached

90

00:03:38,710 --> 00:03:36,000

the surface relatively intact

91

00:03:39,750 --> 00:03:38,720

the theory became popular in the 18th

92

00:03:42,390 --> 00:03:39,760

century

93

00:03:42,789 --> 00:03:42,400

lord calvin for example thought that

94

00:03:46,149 --> 00:03:42,799

life

95

00:03:47,350 --> 00:03:46,159

came to the earth on stones from another

96

00:03:50,550 --> 00:03:47,360

world

97

00:03:53,750 --> 00:03:50,560

in 1973 dna

98

00:03:56,070 --> 00:03:53,760

nobel prize winner francis crick

99

00:03:57,350 --> 00:03:56,080

published the idea of directed

100

00:03:59,830 --> 00:03:57,360

panspermia

101
00:04:01,350 --> 00:03:59,840
and this proposed that an advanced life

102
00:04:05,270 --> 00:04:01,360
form actually sent life

103
00:04:08,630 --> 00:04:05,280
to the earth to fulfill a purpose

104
00:04:09,589 --> 00:04:08,640
the panspermia theory is still supported

105
00:04:12,869 --> 00:04:09,599
today

106
00:04:16,069 --> 00:04:12,879
by scientists such as stephen hawking

107
00:04:18,789 --> 00:04:16,079
indeed this theory of early life is

108
00:04:21,110 --> 00:04:18,799
one of the reasons he urges for more

109
00:04:23,790 --> 00:04:21,120
space exploration

110
00:04:25,110 --> 00:04:23,800
it is also point of interest for many

111
00:04:28,150 --> 00:04:25,120
organizations

112
00:04:31,749 --> 00:04:28,160
trying to contact intelligent life on

113
00:04:35,030 --> 00:04:31,759

other planets now here's a thought

114

00:04:38,390 --> 00:04:35,040

perhaps alien life is already here

115

00:04:40,390 --> 00:04:38,400

perhaps it's us

116

00:04:41,909 --> 00:04:40,400

yeah thanks andy yeah you never know it

117

00:04:43,670 --> 00:04:41,919

could be you know when i was in high

118

00:04:45,510 --> 00:04:43,680

school i may have mentioned this in one

119

00:04:48,310 --> 00:04:45,520

of the older podcasts

120

00:04:50,150 --> 00:04:48,320

i actually wrote a paper for an english

121

00:04:52,950 --> 00:04:50,160

class that i was in

122

00:04:53,990 --> 00:04:52,960

you know coming up with the idea that

123

00:04:56,150 --> 00:04:54,000

all races

124

00:04:57,909 --> 00:04:56,160

in the world were actually seated here

125

00:04:58,870 --> 00:04:57,919

from different planets and we're an

126

00:05:00,710 --> 00:04:58,880

experiment

127

00:05:02,390 --> 00:05:00,720

and i actually did you know i think i

128

00:05:04,150 --> 00:05:02,400

got an a on that which was really rare

129

00:05:07,990 --> 00:05:04,160

for me in high school so

130

00:05:10,469 --> 00:05:08,000

but um it was just a thought and

131

00:05:12,230 --> 00:05:10,479

and you know since uh time has gone on

132

00:05:13,189 --> 00:05:12,240

i've actually heard that come up a few

133

00:05:15,110 --> 00:05:13,199

other people have

134

00:05:16,790 --> 00:05:15,120

thought that crazy idea i'm not crazy

135

00:05:19,270 --> 00:05:16,800

alone is what i'm trying to say here

136

00:05:20,230 --> 00:05:19,280

you know i usually do a news piece here

137

00:05:22,950 --> 00:05:20,240

and there

138

00:05:23,670 --> 00:05:22,960

and uh i decided to pull in our guest

139

00:05:25,909 --> 00:05:23,680

because he

140

00:05:27,830 --> 00:05:25,919

is one of the news guys out there and

141

00:05:31,029 --> 00:05:27,840

actually one of the best ones

142

00:05:33,670 --> 00:05:31,039

and roger marsh are you on the line

143

00:05:34,710 --> 00:05:33,680

i'm here martin yes glad to be here yes

144

00:05:37,110 --> 00:05:34,720

thanks so much for

145

00:05:39,270 --> 00:05:37,120

for joining us and hey roger why don't

146

00:05:41,350 --> 00:05:39,280

you just go ahead and throw out a

147

00:05:42,469 --> 00:05:41,360

a news story i know you're you're very

148

00:05:44,950 --> 00:05:42,479

involved in that and

149

00:05:46,469 --> 00:05:44,960

always writing and i like your stories

150

00:05:47,990 --> 00:05:46,479

and have been following them all along

151
00:05:50,150 --> 00:05:48,000
so why don't you just throw out a topic

152
00:05:52,790 --> 00:05:50,160
too we'll talk about them

153
00:05:54,150 --> 00:05:52,800
oh sure there's there's uh i i'm usually

154
00:05:56,790 --> 00:05:54,160
doing a few stories

155
00:05:58,550 --> 00:05:56,800
per day uh monday through friday i'm

156
00:06:00,550 --> 00:05:58,560
always scanning um

157
00:06:02,150 --> 00:06:00,560
the incoming database of all the

158
00:06:04,309 --> 00:06:02,160
incoming reports

159
00:06:05,670 --> 00:06:04,319
um i just covered a case a real

160
00:06:09,189 --> 00:06:05,680
interesting case out of

161
00:06:11,990 --> 00:06:09,199
texas two texas witnesses described

162
00:06:13,350 --> 00:06:12,000
close and cloud encounter with hovering

163
00:06:15,830 --> 00:06:13,360

ufos

164

00:06:17,990 --> 00:06:15,840

these are the cases martin that we

165

00:06:21,350 --> 00:06:18,000

really like to get because

166

00:06:22,230 --> 00:06:21,360

it's a very similar object very close to

167

00:06:24,150 --> 00:06:22,240

the ground

168

00:06:26,950 --> 00:06:24,160

but the two witnesses don't know each

169

00:06:28,950 --> 00:06:26,960

other the cases were actually about six

170

00:06:32,629 --> 00:06:28,960

days apart

171

00:06:35,590 --> 00:06:32,639

the first was a texas witness at lindell

172

00:06:38,469 --> 00:06:35,600

who reported a triangle-shaped ufo

173

00:06:42,710 --> 00:06:38,479

hovering over a bridge off i-20

174

00:06:45,110 --> 00:06:42,720

and that was about 10 50 p.m on june 10.

175

00:06:47,590 --> 00:06:45,120

the that particular witness happened to

176
00:06:50,390 --> 00:06:47,600
be driving home and noticed this object

177
00:06:56,629 --> 00:06:53,589
then we get a second report that six

178
00:06:59,830 --> 00:06:56,639
days earlier on june 4

179
00:07:03,350 --> 00:06:59,840
this is case 56 970

180
00:07:06,390 --> 00:07:03,360
same town where a witness is

181
00:07:08,950 --> 00:07:06,400
reporting an object hovering at the

182
00:07:11,189 --> 00:07:08,960
treetop level

183
00:07:13,270 --> 00:07:11,199
the only overlap i can tell you right

184
00:07:13,589 --> 00:07:13,280
now i know both witnesses were saying it

185
00:07:16,230 --> 00:07:13,599
was

186
00:07:17,909 --> 00:07:16,240
triangle they were both using the color

187
00:07:19,909 --> 00:07:17,919
yellow

188
00:07:21,749 --> 00:07:19,919

so that one's under investigation right

189

00:07:24,150 --> 00:07:21,759

now and the other case

190

00:07:26,550 --> 00:07:24,160

i was going to bring up and this has

191

00:07:28,710 --> 00:07:26,560

been happening a lot lately

192

00:07:29,990 --> 00:07:28,720

since our tv show you know hanger one

193

00:07:32,230 --> 00:07:30,000

the ufo files came

194

00:07:33,430 --> 00:07:32,240

out and our new website just over the

195

00:07:35,350 --> 00:07:33,440

last six months

196

00:07:38,230 --> 00:07:35,360

we've been having an incredible number

197

00:07:39,909 --> 00:07:38,240

of former military

198

00:07:42,390 --> 00:07:39,919

and former police officers coming

199

00:07:45,110 --> 00:07:42,400

forward saying you know basically hey

200

00:07:47,110 --> 00:07:45,120

before i go to the graves i got to tell

201
00:07:48,869 --> 00:07:47,120
my story and in some cases

202
00:07:50,469 --> 00:07:48,879
you know they've been asked to sign you

203
00:07:51,589 --> 00:07:50,479
know affidavits saying that they would

204
00:07:53,430 --> 00:07:51,599
never talk

205
00:07:55,909 --> 00:07:53,440
but this particular story i just covered

206
00:07:57,749 --> 00:07:55,919
it's a former coast guard sailor

207
00:07:59,670 --> 00:07:57,759
who revealed an encounter with a

208
00:08:01,990 --> 00:07:59,680
humanoid creature

209
00:08:04,150 --> 00:08:02,000
and the case was he believed either in

210
00:08:05,990 --> 00:08:04,160
78 or 79

211
00:08:08,070 --> 00:08:06,000
again he was a sailor with the coast

212
00:08:09,830 --> 00:08:08,080
guard on a cutter

213
00:08:12,790 --> 00:08:09,840

and this was somewhere between florida

214

00:08:16,309 --> 00:08:12,800

and cuba you know in those waters

215

00:08:18,390 --> 00:08:16,319

and uh he

216

00:08:19,430 --> 00:08:18,400

was standing near the fan pal with

217

00:08:22,390 --> 00:08:19,440

another sailor

218

00:08:23,909 --> 00:08:22,400

when he first saw that object and his

219

00:08:25,189 --> 00:08:23,919

actual quote was i witnessed a

220

00:08:27,589 --> 00:08:25,199

transparent

221

00:08:29,670 --> 00:08:27,599

oval-shaped craft that cut across the

222

00:08:30,390 --> 00:08:29,680

back of the ship maybe 100 to 200 yards

223

00:08:31,749 --> 00:08:30,400

away

224

00:08:33,750 --> 00:08:31,759

and you got a very good look at the

225

00:08:36,630 --> 00:08:33,760

craft we haven't quoted to saying

226

00:08:37,509 --> 00:08:36,640

i can clearly see a frame inside the

227

00:08:39,829 --> 00:08:37,519

craft

228

00:08:41,430 --> 00:08:39,839

and the humanoid pilot as he abruptly

229

00:08:43,829 --> 00:08:41,440

turned to look at us

230

00:08:44,550 --> 00:08:43,839

and again a lot of these encounters

231

00:08:46,949 --> 00:08:44,560

martin are

232

00:08:47,990 --> 00:08:46,959

you know just it might be a minute or

233

00:08:49,990 --> 00:08:48,000

two

234

00:08:52,310 --> 00:08:50,000

of the encounter but a lot of people

235

00:08:53,829 --> 00:08:52,320

from the military were finding out

236

00:08:55,670 --> 00:08:53,839

of course they report this to their

237

00:08:57,590 --> 00:08:55,680

superiors and

238

00:08:59,750 --> 00:08:57,600

they're immediately pulled into a room

239

00:09:01,590 --> 00:08:59,760

they're you know they're debriefed

240

00:09:03,670 --> 00:09:01,600

and they're basically told it didn't

241

00:09:06,230 --> 00:09:03,680

happen it's a non-event

242

00:09:07,110 --> 00:09:06,240

right we're seeing a lot of that lately

243

00:09:09,509 --> 00:09:07,120

yes yes

244

00:09:10,230 --> 00:09:09,519

getting back to the first one you know

245

00:09:11,829 --> 00:09:10,240

um

246

00:09:13,269 --> 00:09:11,839

when you when you hear about the

247

00:09:14,630 --> 00:09:13,279

triangles and it seems like

248

00:09:16,470 --> 00:09:14,640

that's the only thing you hear about

249

00:09:19,190 --> 00:09:16,480

today you never hardly

250

00:09:19,910 --> 00:09:19,200

hear about the disc like you used to um

251
00:09:21,430 --> 00:09:19,920
that

252
00:09:23,190 --> 00:09:21,440
the triangle over and over again you

253
00:09:27,030 --> 00:09:23,200
know i imagine that there are

254
00:09:30,150 --> 00:09:27,040
some of them that are possibly drones

255
00:09:31,350 --> 00:09:30,160
now i know that this particular one when

256
00:09:33,670 --> 00:09:31,360
they mentioned that

257
00:09:34,630 --> 00:09:33,680
there's no sound at all and the things

258
00:09:37,829 --> 00:09:34,640
hovering

259
00:09:38,790 --> 00:09:37,839
with no sound it kind of in my mind

260
00:09:40,550 --> 00:09:38,800
anyway

261
00:09:42,070 --> 00:09:40,560
makes me think that it's probably not a

262
00:09:44,870 --> 00:09:42,080
drone um

263
00:09:45,829 --> 00:09:44,880

not saying we know what it is but still

264

00:09:48,870 --> 00:09:45,839

um

265

00:09:49,990 --> 00:09:48,880

now i i i went through some of your

266

00:09:51,350 --> 00:09:50,000

reports um

267

00:09:53,030 --> 00:09:51,360

that came in through mufon that you've

268

00:09:55,110 --> 00:09:53,040

been writing about in the last

269

00:09:56,710 --> 00:09:55,120

few days and it seems like 90 percent of

270

00:09:59,030 --> 00:09:56,720

them are triangles what do you think

271

00:10:01,190 --> 00:09:59,040

about that

272

00:10:03,030 --> 00:10:01,200

um well you're you're very right i think

273

00:10:05,509 --> 00:10:03,040

that because i do specialize in the

274

00:10:07,750 --> 00:10:05,519

cases under 500 feet

275

00:10:09,910 --> 00:10:07,760

i get very very up close with the

276

00:10:11,990 --> 00:10:09,920

reports and follow them if anything gets

277

00:10:15,829 --> 00:10:12,000

under 500 feet

278

00:10:18,550 --> 00:10:15,839

most of those reports i will agree

279

00:10:19,350 --> 00:10:18,560

they were probably mostly triangles but

280

00:10:22,470 --> 00:10:19,360

but we do

281

00:10:23,190 --> 00:10:22,480

continue i think the sphere is actually

282

00:10:26,790 --> 00:10:23,200

the most

283

00:10:29,350 --> 00:10:26,800

often reported shape within mufon

284

00:10:30,630 --> 00:10:29,360

triangles up there the discs continue to

285

00:10:33,670 --> 00:10:30,640

be seen

286

00:10:36,870 --> 00:10:33,680

and like what you just said

287

00:10:39,110 --> 00:10:36,880

that a lot of people studying ufos today

288

00:10:41,430 --> 00:10:39,120

um we have to be very careful are these

289

00:10:43,430 --> 00:10:41,440

people actually looking at a drone

290

00:10:45,350 --> 00:10:43,440

and we of course try to keep up with the

291

00:10:47,910 --> 00:10:45,360

drone technology or

292

00:10:50,550 --> 00:10:47,920

what they're telling us but we're not

293

00:10:53,829 --> 00:10:50,560

really seeing anything out there

294

00:10:55,829 --> 00:10:53,839

that's that has no sound to it

295

00:10:57,590 --> 00:10:55,839

and especially the way some of these

296

00:11:00,870 --> 00:10:57,600

objects move

297

00:11:02,630 --> 00:11:00,880

um like very typical

298

00:11:04,389 --> 00:11:02,640

somebody may be looking at a light

299

00:11:06,230 --> 00:11:04,399

that's very far out

300

00:11:08,310 --> 00:11:06,240

it seems to be two to three miles an

301
00:11:10,389 --> 00:11:08,320
hour they're observing it

302
00:11:11,829 --> 00:11:10,399
and then all of a sudden boom that

303
00:11:13,509 --> 00:11:11,839
object just comes right into their

304
00:11:15,590 --> 00:11:13,519
airspace

305
00:11:17,430 --> 00:11:15,600
like a bat out of hell moving into the

306
00:11:19,190 --> 00:11:17,440
airspace and then comes to you know a

307
00:11:21,990 --> 00:11:19,200
stop on a dime

308
00:11:23,430 --> 00:11:22,000
and it's hovering it's not making any

309
00:11:26,150 --> 00:11:23,440
noise

310
00:11:27,990 --> 00:11:26,160
and then it might make some maneuvers

311
00:11:30,550 --> 00:11:28,000
you know usually people say it looks

312
00:11:32,069 --> 00:11:30,560
like the object is observing

313
00:11:33,590 --> 00:11:32,079

something on the ground that it's in

314

00:11:35,509 --> 00:11:33,600

search of something

315

00:11:37,990 --> 00:11:35,519

um but it definitely looks like there's

316

00:11:40,310 --> 00:11:38,000

an intelligence behind it

317

00:11:41,829 --> 00:11:40,320

and then it either meanders away

318

00:11:42,550 --> 00:11:41,839

depending on the lay of the land where

319

00:11:44,949 --> 00:11:42,560

you're at

320

00:11:48,150 --> 00:11:44,959

where you just it just kind of is

321

00:11:50,389 --> 00:11:48,160

obscured you know by the landscape

322

00:11:52,949 --> 00:11:50,399

many other people say it it moves like a

323

00:11:55,829 --> 00:11:52,959

bat out of hell away

324

00:11:56,790 --> 00:11:55,839

it's leaving too i forgot to mention to

325

00:11:59,269 --> 00:11:56,800

our live listeners

326

00:12:00,949 --> 00:11:59,279

and um on the dark matter radio network

327

00:12:03,030 --> 00:12:00,959

if you want to jump over to a podcast

328

00:12:04,230 --> 00:12:03,040

ufo you can get into our chat room it's

329

00:12:05,829 --> 00:12:04,240

real easy to get into

330

00:12:07,509 --> 00:12:05,839

and we have a question that just popped

331

00:12:11,750 --> 00:12:07,519

up in there for you

332

00:12:13,829 --> 00:12:11,760

uh roger and do you have any ideas as to

333

00:12:16,150 --> 00:12:13,839

what some of the military-based lighter

334

00:12:18,069 --> 00:12:16,160

than aircraft might be used for

335

00:12:20,069 --> 00:12:18,079

are you familiar with the lighter than

336

00:12:24,069 --> 00:12:20,079

aircraft the military

337

00:12:25,829 --> 00:12:24,079

has yes somewhat i know our the larger

338

00:12:27,269 --> 00:12:25,839

team at mufon you know they're very on

339

00:12:29,190 --> 00:12:27,279

top of it

340

00:12:30,629 --> 00:12:29,200

i have read some of the articles that

341

00:12:32,629 --> 00:12:30,639

they are in development with these

342

00:12:35,750 --> 00:12:32,639

aircraft

343

00:12:38,870 --> 00:12:35,760

but again keep in mind that

344

00:12:39,990 --> 00:12:38,880

uh this is not what our witnesses are

345

00:12:43,590 --> 00:12:40,000

seeing

346

00:12:44,230 --> 00:12:43,600

um there may be cases where people are

347

00:12:46,470 --> 00:12:44,240

looking at

348

00:12:47,829 --> 00:12:46,480

something like a ladder than aircraft at

349

00:12:49,110 --> 00:12:47,839

a distance

350

00:12:52,790 --> 00:12:49,120

the same way that you would see a

351

00:12:56,310 --> 00:12:52,800

balloon you know at a distance um

352

00:12:59,509 --> 00:12:56,320

but but when the aircraft is coming down

353

00:13:01,110 --> 00:12:59,519

under 500 feet and it's in some cases

354

00:13:03,509 --> 00:13:01,120

just 100 or 200 feet

355

00:13:04,310 --> 00:13:03,519

from you that's not what they're looking

356

00:13:06,629 --> 00:13:04,320

at

357

00:13:08,550 --> 00:13:06,639

right it's a definitely a different

358

00:13:10,870 --> 00:13:08,560

technology

359

00:13:12,310 --> 00:13:10,880

so roger let's let's find out a little

360

00:13:14,230 --> 00:13:12,320

bit about you

361

00:13:15,670 --> 00:13:14,240

and um you know we'll talk more about

362

00:13:16,710 --> 00:13:15,680

this subject of course but i want to

363

00:13:19,030 --> 00:13:16,720

find out

364

00:13:21,350 --> 00:13:19,040

about you how you got into the field and

365

00:13:23,750 --> 00:13:21,360

you are you are basically a journalist

366

00:13:25,990 --> 00:13:23,760

or close to one

367

00:13:27,829 --> 00:13:26,000

yeah that's i mean about my degrees i

368

00:13:29,430 --> 00:13:27,839

have a bachelor's and a master's degree

369

00:13:32,069 --> 00:13:29,440

in journalism

370

00:13:35,269 --> 00:13:32,079

um i i basically worked in the

371

00:13:38,470 --> 00:13:35,279

communications field my whole life

372

00:13:39,910 --> 00:13:38,480

i was a journalist you know newspaper

373

00:13:42,550 --> 00:13:39,920

magazine work

374

00:13:45,829 --> 00:13:42,560

i later spent a whole decade in book

375

00:13:47,750 --> 00:13:45,839

publishing professional book publishing

376

00:13:49,430 --> 00:13:47,760

for some pretty big companies you know

377

00:13:50,389 --> 00:13:49,440

developing books into worldwide

378

00:13:53,509 --> 00:13:50,399

audiences

379

00:13:55,670 --> 00:13:53,519

and at some point in my life i just

380

00:13:59,110 --> 00:13:55,680

decided to get out and do some other

381

00:14:03,269 --> 00:13:59,120

projects became a filmmaker

382

00:14:06,069 --> 00:14:03,279

i'm a writer of films and documentaries

383

00:14:07,670 --> 00:14:06,079

love to get out them going on an

384

00:14:09,670 --> 00:14:07,680

adventure friday night

385

00:14:10,710 --> 00:14:09,680

doing a quick shoot at a haunted

386

00:14:13,509 --> 00:14:10,720

farmhouse

387

00:14:16,870 --> 00:14:13,519

it's going to be very very interesting a

388

00:14:19,509 --> 00:14:16,880

haunted 200-acre dairy farm

389

00:14:20,550 --> 00:14:19,519

but but eventually i i came up with this

390

00:14:21,990 --> 00:14:20,560

experiment

391

00:14:24,150 --> 00:14:22,000

as a journalist because as i looked

392

00:14:25,350 --> 00:14:24,160

around the country and especially

393

00:14:27,990 --> 00:14:25,360

through the web because

394

00:14:29,509 --> 00:14:28,000

in professional journalism you know

395

00:14:31,269 --> 00:14:29,519

everybody from the wall street journal

396

00:14:34,629 --> 00:14:31,279

to the la times

397

00:14:37,829 --> 00:14:34,639

i wasn't seeing a single journalist

398

00:14:39,350 --> 00:14:37,839

in this country who could say that

399

00:14:42,150 --> 00:14:39,360

they're a full-time

400

00:14:44,150 --> 00:14:42,160

ufo writer now you do have that let's

401

00:14:45,990 --> 00:14:44,160

say at the huffington post

402

00:14:47,750 --> 00:14:46,000

um you know there are a couple of

403

00:14:50,790 --> 00:14:47,760

exceptions or people that maybe are

404

00:14:52,150 --> 00:14:50,800

part-time but this goes back to january

405

00:14:54,710 --> 00:14:52,160

of 09

406

00:14:56,470 --> 00:14:54,720

and i got in touch with the mufon

407

00:14:59,750 --> 00:14:56,480

executive director at that time

408

00:15:02,629 --> 00:14:59,760

james on and i had an experiment

409

00:15:03,030 --> 00:15:02,639

and i said you know i'm going to write

410

00:15:06,230 --> 00:15:03,040

about

411

00:15:09,030 --> 00:15:06,240

ufos full time as a journalist

412

00:15:11,110 --> 00:15:09,040

as a seasoned journalist and i've worked

413

00:15:11,990 --> 00:15:11,120

at very high levels across the country

414

00:15:15,030 --> 00:15:12,000

and very serious

415

00:15:18,310 --> 00:15:15,040

about it i've had my own sighting

416

00:15:20,670 --> 00:15:18,320

and and said yes go for it

417

00:15:22,790 --> 00:15:20,680

and at that time i hooked up with um

418

00:15:24,150 --> 00:15:22,800

examiner.com they were just about six

419

00:15:25,910 --> 00:15:24,160

months off the ground

420

00:15:28,150 --> 00:15:25,920

you know i found an outlet that would

421

00:15:31,430 --> 00:15:28,160

pay me to do the work

422

00:15:33,430 --> 00:15:31,440

and the way examiner is hooked up

423

00:15:35,990 --> 00:15:33,440

they they kind of match you with the

424

00:15:38,710 --> 00:15:36,000

with a a market so at that time i lived

425

00:15:42,389 --> 00:15:38,720

in chicago so i became the chicago

426

00:15:44,470 --> 00:15:42,399

ufo examiner within two weeks i was

427

00:15:46,069 --> 00:15:44,480

probably the most popular or one of the

428

00:15:48,470 --> 00:15:46,079

most popular writers

429

00:15:50,310 --> 00:15:48,480

in their entire system so of course i

430

00:15:51,030 --> 00:15:50,320

get a phone call from headquarters

431

00:15:52,710 --> 00:15:51,040

saying

432

00:15:55,110 --> 00:15:52,720

hey we'd like to bump you up and make

433

00:15:57,430 --> 00:15:55,120

you the national ufo examiner

434

00:15:58,710 --> 00:15:57,440

great and it just took off from there i

435

00:16:01,350 --> 00:15:58,720

mean it was like almost

436

00:16:02,389 --> 00:16:01,360

two billion you know page hits in my

437

00:16:04,670 --> 00:16:02,399

first year

438

00:16:06,389 --> 00:16:04,680

oh and it just yeah it just kept

439

00:16:09,910 --> 00:16:06,399

skyrocketing

440

00:16:11,590 --> 00:16:09,920

and but the closer i got with mufon and

441

00:16:12,629 --> 00:16:11,600

then the more that they learned to you

442

00:16:15,509 --> 00:16:12,639

know understand me

443

00:16:17,509 --> 00:16:15,519

and that you know the seriousness of the

444

00:16:19,189 --> 00:16:17,519

way that i worked i eventually then

445

00:16:21,910 --> 00:16:19,199

joined mufon

446

00:16:22,629 --> 00:16:21,920

um after a few years of working with

447

00:16:25,269 --> 00:16:22,639

them

448

00:16:27,189 --> 00:16:25,279

became editor of their monthly journal

449

00:16:29,269 --> 00:16:27,199

as you mentioned earlier

450

00:16:31,990 --> 00:16:29,279

and about six months ago i became

451

00:16:34,230 --> 00:16:32,000

director of communications for them

452

00:16:35,990 --> 00:16:34,240

right i believe we communicated i

453

00:16:38,230 --> 00:16:36,000

congratulated you back then i i

454

00:16:40,150 --> 00:16:38,240

think oh thank you thank you yeah so

455

00:16:42,949 --> 00:16:40,160

it's been it's been a very serious

456

00:16:44,069 --> 00:16:42,959

ride for me as a journalist right now

457

00:16:47,189 --> 00:16:44,079

i'm just kind of

458

00:16:47,670 --> 00:16:47,199

within move on you know day to day i

459

00:16:50,069 --> 00:16:47,680

handle

460

00:16:52,790 --> 00:16:50,079

all of their media rights and

461

00:16:55,509 --> 00:16:52,800

acquisitions for television

462

00:16:57,829 --> 00:16:55,519

film documentary will work that keeps me

463

00:16:59,670 --> 00:16:57,839

extremely busy

464

00:17:01,509 --> 00:16:59,680

there isn't a day go by that we don't

465

00:17:02,230 --> 00:17:01,519

get a call from a production company in

466

00:17:04,069 --> 00:17:02,240

hollywood

467

00:17:05,270 --> 00:17:04,079

or you know the europeans or the

468

00:17:06,789 --> 00:17:05,280

japanese

469

00:17:09,350 --> 00:17:06,799

some you know show that's being

470

00:17:12,870 --> 00:17:09,360

developed a lot like

471

00:17:13,909 --> 00:17:12,880

a month before last we the show aired

472

00:17:17,590 --> 00:17:13,919

but we had developed an

473

00:17:19,270 --> 00:17:17,600

entire hour with cnn the morgan spurlock

474

00:17:21,110 --> 00:17:19,280

uh tv show yeah

475

00:17:22,390 --> 00:17:21,120

the airs sunday nights within an hour

476

00:17:24,949 --> 00:17:22,400

with them

477

00:17:27,029 --> 00:17:24,959

uh very interesting so it's like a

478

00:17:27,429 --> 00:17:27,039

longer series different topics we were

479

00:17:30,549 --> 00:17:27,439

just

480

00:17:33,830 --> 00:17:30,559

the topic of that show you know um

481

00:17:35,750 --> 00:17:33,840

we're actually developing a similar show

482

00:17:37,029 --> 00:17:35,760

with a british company right now for

483

00:17:39,430 --> 00:17:37,039

example

484

00:17:41,110 --> 00:17:39,440

um they're coming in i think july to two

485

00:17:43,190 --> 00:17:41,120

different locations you know again just

486

00:17:45,110 --> 00:17:43,200

for that episode

487

00:17:47,669 --> 00:17:45,120

and we pretty and we pretty much work

488

00:17:49,909 --> 00:17:47,679

with every show that's got ufos in it

489

00:17:51,750 --> 00:17:49,919

you know to some extent from providing

490

00:17:55,750 --> 00:17:51,760

background graphics

491

00:17:57,669 --> 00:17:55,760

um case files uh talking heads you know

492

00:17:59,190 --> 00:17:57,679

something for them all so that's kind of

493

00:18:01,350 --> 00:17:59,200

part of what i do

494

00:18:02,870 --> 00:18:01,360

is mainly the television stuff somewhat

495

00:18:05,909 --> 00:18:02,880

into film

496

00:18:09,350 --> 00:18:05,919

um and then of course we have the

497

00:18:11,669 --> 00:18:09,360

the web content now coming in

498

00:18:12,950 --> 00:18:11,679

that happening and if i have nothing

499

00:18:14,310 --> 00:18:12,960

else to do that i'm working on the

500

00:18:16,070 --> 00:18:14,320

journal

501
00:18:17,430 --> 00:18:16,080
now you're working with the open minds

502
00:18:20,390 --> 00:18:17,440
now

503
00:18:21,510 --> 00:18:20,400
um yeah here i'll say this publicly for

504
00:18:23,830 --> 00:18:21,520
the first time

505
00:18:25,270 --> 00:18:23,840
uh i am still associated with

506
00:18:27,909 --> 00:18:25,280
examiner.com

507
00:18:29,669 --> 00:18:27,919
but they're an extremely frustrating

508
00:18:31,750 --> 00:18:29,679
outlet to work with

509
00:18:34,470 --> 00:18:31,760
as sophisticated as their back end

510
00:18:37,750 --> 00:18:34,480
system is for writers it's a great way

511
00:18:41,590 --> 00:18:39,270
anyone that wants to read one of my

512
00:18:43,430 --> 00:18:41,600
stories currently you have to watch a 30

513
00:18:46,230 --> 00:18:43,440

second video

514

00:18:48,070 --> 00:18:46,240

and usually it's the pop-ups happening

515

00:18:49,190 --> 00:18:48,080

two three pop-ups while you're reading a

516

00:18:51,270 --> 00:18:49,200

story

517

00:18:52,710 --> 00:18:51,280

so i finally said you know enough and i

518

00:18:55,350 --> 00:18:52,720

looked around

519

00:18:57,350 --> 00:18:55,360

the globe and open minds i thought was

520

00:18:59,430 --> 00:18:57,360

doing a really really great job

521

00:19:01,990 --> 00:18:59,440

i agree at covering ufos both

522

00:19:04,150 --> 00:19:02,000

domestically and internationally

523

00:19:06,390 --> 00:19:04,160

and when we had already had uh somewhat

524

00:19:08,070 --> 00:19:06,400

of a an overlap with them already and

525

00:19:09,270 --> 00:19:08,080

you know advertising trade-offs things

526

00:19:11,590 --> 00:19:09,280

like that

527

00:19:12,390 --> 00:19:11,600

so i'm part of the team now that's

528

00:19:14,630 --> 00:19:12,400

wonderful

529

00:19:16,310 --> 00:19:14,640

yeah alejandro um i consider him a

530

00:19:19,990 --> 00:19:16,320

friend he's a he's a good guy

531

00:19:20,470 --> 00:19:20,000

and he i he and i seem to think a little

532

00:19:21,909 --> 00:19:20,480

bit

533

00:19:23,990 --> 00:19:21,919

you know more or less on the same level

534

00:19:27,590 --> 00:19:24,000

about this whole thing and

535

00:19:29,669 --> 00:19:27,600

i really appreciate his hard work um

536

00:19:31,270 --> 00:19:29,679

let's see one of the things that came up

537

00:19:32,230 --> 00:19:31,280

on the message board and i'm curious too

538

00:19:35,669 --> 00:19:32,240

let's hear about your

539

00:19:37,590 --> 00:19:35,679

sighting you had oh sure and

540

00:19:39,510 --> 00:19:37,600

just so you know i mean i came from a

541

00:19:41,990 --> 00:19:39,520

family of you know mom and dad eight

542

00:19:45,270 --> 00:19:42,000

kids southwestern pennsylvania

543

00:19:47,390 --> 00:19:45,280

my parents early on

544

00:19:49,350 --> 00:19:47,400

i think it was i'm gonna say it was

545

00:19:50,789 --> 00:19:49,360

1953.

546

00:19:53,029 --> 00:19:50,799

my mom got up in the middle of the night

547

00:19:53,669 --> 00:19:53,039

to use the bathroom getting back on bed

548

00:19:56,230 --> 00:19:53,679

she looks

549

00:19:56,710 --> 00:19:56,240

windows sees this light and there is a

550

00:19:59,590 --> 00:19:56,720

disc

551
00:20:01,430 --> 00:19:59,600
shaped object hovering over the gas

552
00:20:03,029 --> 00:20:01,440
station across the street she wakes my

553
00:20:05,270 --> 00:20:03,039
father up

554
00:20:07,190 --> 00:20:05,280
my father you know a businessman

555
00:20:09,909 --> 00:20:07,200
somebody who later in life became

556
00:20:12,870 --> 00:20:09,919
extremely successful in his field

557
00:20:14,230 --> 00:20:12,880
uh kept very quiet about it but as a kid

558
00:20:16,710 --> 00:20:14,240
growing up

559
00:20:17,669 --> 00:20:16,720
i love to tell people my parents my

560
00:20:20,310 --> 00:20:17,679
father bought

561
00:20:21,830 --> 00:20:20,320
every ufo and magazine on the market we

562
00:20:24,549 --> 00:20:21,840
had everything

563
00:20:26,470 --> 00:20:24,559

and so i i just remember even as a you

564

00:20:27,669 --> 00:20:26,480

know being in the maybe fifth or sixth

565

00:20:29,430 --> 00:20:27,679

grade just

566

00:20:31,270 --> 00:20:29,440

sitting on the floor next to dad's

567

00:20:32,710 --> 00:20:31,280

nightstand you know the latest copy of

568

00:20:35,750 --> 00:20:32,720

fate magazine

569

00:20:38,789 --> 00:20:35,760

any ufo story i could get my hand on

570

00:20:40,789 --> 00:20:38,799

and then i don't know how well your

571

00:20:42,710 --> 00:20:40,799

audience is familiar with this but

572

00:20:43,830 --> 00:20:42,720

every once in a while in the country we

573

00:20:48,070 --> 00:20:43,840

have a flap

574

00:20:51,190 --> 00:20:48,080

of ufos a period of time when there's a

575

00:20:52,710 --> 00:20:51,200

like a very very high concentration

576

00:20:54,789 --> 00:20:52,720

now i grew up in southwestern

577

00:20:56,390 --> 00:20:54,799

pennsylvania in westmoreland county just

578

00:21:01,029 --> 00:20:56,400

south of pittsburgh

579

00:21:04,149 --> 00:21:01,039

and in 73-74 we had one of those flaps

580

00:21:07,350 --> 00:21:04,159

and stan gordon who

581

00:21:10,950 --> 00:21:07,360

even today is still you know studying

582

00:21:13,590 --> 00:21:10,960

and investigating ufos in pennsylvania

583

00:21:15,430 --> 00:21:13,600

he was the guy back then and so state

584

00:21:17,029 --> 00:21:15,440

local police agencies were feeding

585

00:21:19,110 --> 00:21:17,039

everything through stan

586

00:21:21,990 --> 00:21:19,120

the unusual thing about that particular

587

00:21:24,470 --> 00:21:22,000

flap was that it was a combination

588

00:21:25,270 --> 00:21:24,480

ufo and bigfoot flap the two of them

589

00:21:27,789 --> 00:21:25,280

together

590

00:21:29,430 --> 00:21:27,799

but i'm 16 years old it's october of

591

00:21:31,909 --> 00:21:29,440

1973

592

00:21:33,830 --> 00:21:31,919

and i'm standing outside just after dark

593

00:21:36,630 --> 00:21:33,840

in my suburban neighborhood

594

00:21:38,310 --> 00:21:36,640

with about 10 or 12 other kids looking

595

00:21:40,950 --> 00:21:38,320

down the street you can see a lot of

596

00:21:42,470 --> 00:21:40,960

moms and dads out with their rakes and

597

00:21:45,190 --> 00:21:42,480

you know getting ready to go in but it

598

00:21:47,669 --> 00:21:45,200

is dark out and somebody pointed down

599

00:21:49,990 --> 00:21:47,679

the street and said what's that

600

00:21:51,830 --> 00:21:50,000

and all eyes went that direction and

601
00:21:53,110 --> 00:21:51,840
maybe the equivalent of about three

602
00:21:56,710 --> 00:21:53,120
blocks away

603
00:21:58,549 --> 00:21:56,720
we see this disc shaped object

604
00:22:00,549 --> 00:21:58,559
right over the telephone poles a

605
00:22:01,190 --> 00:22:00,559
telephone pole in pennsylvania is 40

606
00:22:03,990 --> 00:22:01,200
feet

607
00:22:05,350 --> 00:22:04,000
so this object had to be just 41 or 42

608
00:22:07,830 --> 00:22:05,360
feet off the ground

609
00:22:09,590 --> 00:22:07,840
the width of that two-line road

610
00:22:11,830 --> 00:22:09,600
completely silent

611
00:22:12,710 --> 00:22:11,840
just meandering along at about you know

612
00:22:16,549 --> 00:22:12,720
maybe five

613
00:22:19,190 --> 00:22:16,559

or 100 miles per hour

614

00:22:20,549 --> 00:22:19,200

so we we had enough time to look at it

615

00:22:22,870 --> 00:22:20,559

see it coming

616

00:22:24,950 --> 00:22:22,880

and it was just a jaw-dropping thing it

617

00:22:26,789 --> 00:22:24,960

just i tell people if i had a camera in

618

00:22:27,669 --> 00:22:26,799

my hand i think i would have just

619

00:22:29,510 --> 00:22:27,679

dropped it

620

00:22:31,110 --> 00:22:29,520

it just all of a sudden you only have a

621

00:22:33,909 --> 00:22:31,120

few seconds to prepare

622

00:22:35,990 --> 00:22:33,919

and as it moved over me it's like all

623

00:22:39,029 --> 00:22:36,000

you heard was the displacement

624

00:22:40,390 --> 00:22:39,039

of air like a like a shh sound like a

625

00:22:42,630 --> 00:22:40,400

swishing sound

626
00:22:43,830 --> 00:22:42,640
and you could almost feel the weight of

627
00:22:46,149 --> 00:22:43,840
this thing

628
00:22:49,110 --> 00:22:46,159
you know the width of a two-lane road

629
00:22:51,669 --> 00:22:49,120
maybe you know eight or ten feet tall

630
00:22:52,950 --> 00:22:51,679
the entire bottom was lit up the same

631
00:22:55,029 --> 00:22:52,960
color of the moon

632
00:22:56,230 --> 00:22:55,039
and as it moved away from us it was it

633
00:22:58,870 --> 00:22:56,240
was staying at that

634
00:23:01,110 --> 00:22:58,880
height and just following the lay of the

635
00:23:03,029 --> 00:23:01,120
land the rolling hills in pennsylvania

636
00:23:05,350 --> 00:23:03,039
and it went down and just crossed over

637
00:23:07,830 --> 00:23:05,360
route 30 just below us

638
00:23:09,750 --> 00:23:07,840

uh and now the object did come back two

639

00:23:11,990 --> 00:23:09,760

more times that night

640

00:23:12,870 --> 00:23:12,000

i lived in a neighborhood of maybe you

641

00:23:16,310 --> 00:23:12,880

know two

642

00:23:18,390 --> 00:23:16,320

250 homes at that time and a lot of

643

00:23:19,350 --> 00:23:18,400

people were outside a lot of people had

644

00:23:21,430 --> 00:23:19,360

seen it

645

00:23:23,190 --> 00:23:21,440

and we all went to one neighbor's front

646

00:23:26,310 --> 00:23:23,200

lawn and we stood there

647

00:23:28,950 --> 00:23:26,320

and the audience the the ufo came back

648

00:23:29,830 --> 00:23:28,960

again but at a little further distance

649

00:23:33,830 --> 00:23:29,840

from us

650

00:23:37,110 --> 00:23:33,840

it kind of shot in and then just hovered

651
00:23:39,590 --> 00:23:37,120
maybe you know 500 feet 800 feet

652
00:23:40,390 --> 00:23:39,600
in the air and after a few seconds it

653
00:23:42,549 --> 00:23:40,400
just shot

654
00:23:44,149 --> 00:23:42,559
straight down to the ground never

655
00:23:46,710 --> 00:23:44,159
actually landed

656
00:23:47,990 --> 00:23:46,720
so maybe 100 feet off the ground and

657
00:23:50,630 --> 00:23:48,000
then it kind of slid

658
00:23:53,110 --> 00:23:50,640
over to the right and then shot back up

659
00:23:55,029 --> 00:23:53,120
to where it was hovering at before

660
00:23:56,230 --> 00:23:55,039
okay and then at some point it's just

661
00:23:58,950 --> 00:23:56,240
sitting there

662
00:24:01,190 --> 00:23:58,960
and then all of a sudden boom off like a

663
00:24:03,990 --> 00:24:01,200

like a bat out of hell you couldn't

664

00:24:04,549 --> 00:24:04,000

see it after a split second and then

665

00:24:07,430 --> 00:24:04,559

within

666

00:24:08,789 --> 00:24:07,440

seconds two military jets came that i'm

667

00:24:11,590 --> 00:24:08,799

saying airspace

668

00:24:13,590 --> 00:24:11,600

circled around and eventually went off

669

00:24:15,750 --> 00:24:13,600

in the same direction the ufo went

670

00:24:18,070 --> 00:24:15,760

a couple of seconds later two light

671

00:24:21,110 --> 00:24:18,080

airplanes also in formation

672

00:24:22,789 --> 00:24:21,120

came in did the same circle flew off

673

00:24:24,710 --> 00:24:22,799

wow and then the whole thing repeated

674

00:24:26,070 --> 00:24:24,720

itself about 15 minutes later

675

00:24:28,710 --> 00:24:26,080

wow that's a good one was there anything

676
00:24:31,669 --> 00:24:28,720
in the papers about it

677
00:24:32,390 --> 00:24:31,679
um i'm positive there was not i know

678
00:24:35,510 --> 00:24:32,400
that

679
00:24:36,870 --> 00:24:35,520
my father was a volunteer with stan

680
00:24:38,950 --> 00:24:36,880
gordon at the time

681
00:24:39,990 --> 00:24:38,960
and he did call the case in so it is

682
00:24:41,750 --> 00:24:40,000
logged in

683
00:24:43,430 --> 00:24:41,760
now all these years later stan and i

684
00:24:46,230 --> 00:24:43,440
went on to co-author the book

685
00:24:49,510 --> 00:24:46,240
silent invasion if anyone's interested

686
00:24:51,430 --> 00:24:49,520
in what happened in pa in 7374

687
00:24:54,230 --> 00:24:51,440
the book is by stan gordon it's called

688
00:24:58,230 --> 00:24:54,240

silent invasion the pennsylvania ufo

689

00:25:00,230 --> 00:24:58,240

bigfoot case book definitely a book to

690

00:25:03,269 --> 00:25:00,240

read with a lot of lights on

691

00:25:04,470 --> 00:25:03,279

and have company don't be alone it's a

692

00:25:07,190 --> 00:25:04,480

great book but

693

00:25:07,990 --> 00:25:07,200

my actual case is in that book okay

694

00:25:10,070 --> 00:25:08,000

that's great

695

00:25:12,070 --> 00:25:10,080

great well you know how you mentioned

696

00:25:14,950 --> 00:25:12,080

when it went over you and you felt

697

00:25:18,230 --> 00:25:14,960

you could almost feel like pressure yes

698

00:25:21,190 --> 00:25:18,240

we have a listener in australia that

699

00:25:23,029 --> 00:25:21,200

mentioned that her her aunt or mother or

700

00:25:24,870 --> 00:25:23,039

someone was out gardening

701
00:25:26,950 --> 00:25:24,880
and one went over them and the pressure

702
00:25:28,710 --> 00:25:26,960
just like pushed them to the ground and

703
00:25:31,269 --> 00:25:28,720
they could feel it when it went over

704
00:25:32,070 --> 00:25:31,279
and you know i mean just hearing you say

705
00:25:34,470 --> 00:25:32,080
that

706
00:25:35,909 --> 00:25:34,480
makes me wonder if you know how they

707
00:25:38,310 --> 00:25:35,919
never make any sound if there's some

708
00:25:41,430 --> 00:25:38,320
type of anti-gravity

709
00:25:43,669 --> 00:25:41,440
propulsion that they're using that makes

710
00:25:45,909 --> 00:25:43,679
one feel pressure underneath them i mean

711
00:25:49,510 --> 00:25:45,919
it's just a curious thing you hear about

712
00:25:50,149 --> 00:25:49,520
every once in a while yeah we're kind of

713
00:25:52,390 --> 00:25:50,159

logging

714

00:25:53,430 --> 00:25:52,400

in a lot of what people say they're

715

00:25:55,669 --> 00:25:53,440

feeling

716

00:25:57,590 --> 00:25:55,679

and what's going on we already know that

717

00:25:59,909 --> 00:25:57,600

a lot of these cases

718

00:26:01,669 --> 00:25:59,919

that our electronics are completely

719

00:26:03,669 --> 00:26:01,679

useless

720

00:26:05,830 --> 00:26:03,679

it's almost like a force field that goes

721

00:26:08,470 --> 00:26:05,840

out

722

00:26:09,350 --> 00:26:08,480

and everything just goes down batteries

723

00:26:12,710 --> 00:26:09,360

you know

724

00:26:16,390 --> 00:26:12,720

drains or it's this

725

00:26:19,510 --> 00:26:16,400

feeling of lost time

726
00:26:20,630 --> 00:26:19,520
also so we do know that they can affect

727
00:26:24,630 --> 00:26:20,640
people to the point

728
00:26:25,750 --> 00:26:24,640
of you know gee i thought i was outside

729
00:26:27,590 --> 00:26:25,760
for 10 minutes

730
00:26:29,190 --> 00:26:27,600
i come in and find out how i was out

731
00:26:31,430 --> 00:26:29,200
there for two hours

732
00:26:32,310 --> 00:26:31,440
so they kind of you hear that over and

733
00:26:35,590 --> 00:26:32,320
over again

734
00:26:39,430 --> 00:26:35,600
you know kind of a daze um not

735
00:26:42,310 --> 00:26:39,440
always leading to a feeling of abduction

736
00:26:43,430 --> 00:26:42,320
that does happen sometimes but yeah i i

737
00:26:45,830 --> 00:26:43,440
think there's a lot

738
00:26:47,350 --> 00:26:45,840

you know we're recording a lot of what

739

00:26:49,590 --> 00:26:47,360

people are saying

740

00:26:50,789 --> 00:26:49,600

when they get around one of these things

741

00:26:53,990 --> 00:26:50,799

now you're so

742

00:26:57,350 --> 00:26:54,000

involved in this and and so actively uh

743

00:27:00,230 --> 00:26:57,360

writing about all these cases um

744

00:27:01,750 --> 00:27:00,240

why don't you just if you can this year

745

00:27:03,990 --> 00:27:01,760

you know a lot of people say to me

746

00:27:05,830 --> 00:27:04,000

well there's nothing new going on or you

747

00:27:07,110 --> 00:27:05,840

know you guys are rehashing old cases

748

00:27:10,470 --> 00:27:07,120

over and over again

749

00:27:12,310 --> 00:27:10,480

and i understand that and i actually

750

00:27:13,990 --> 00:27:12,320

believe that some of the old cases

751
00:27:14,950 --> 00:27:14,000
deserve to be rehashed over and over

752
00:27:17,190 --> 00:27:14,960
again because

753
00:27:19,669 --> 00:27:17,200
new things come out but let's just say

754
00:27:21,669 --> 00:27:19,679
this year in particular 2014

755
00:27:23,430 --> 00:27:21,679
what would you say are some of the

756
00:27:26,789 --> 00:27:23,440
highlights of some of the things you

757
00:27:31,110 --> 00:27:29,830
oh boy i i'll have to say i don't know

758
00:27:32,549 --> 00:27:31,120
if i'm going to give you the answer you

759
00:27:35,750 --> 00:27:32,559
want to hear

760
00:27:36,710 --> 00:27:35,760
but i think that each year that picks to

761
00:27:39,029 --> 00:27:36,720
lay

762
00:27:40,470 --> 00:27:39,039
that we have more people coming forward

763
00:27:43,350 --> 00:27:40,480

so we're getting

764

00:27:44,870 --> 00:27:43,360

a higher number of brand new reports

765

00:27:46,389 --> 00:27:44,880

like hey it happened last night it

766

00:27:48,310 --> 00:27:46,399

happened last week

767

00:27:50,710 --> 00:27:48,320

but the other thing that's happening

768

00:27:53,190 --> 00:27:50,720

again more each year

769

00:27:53,830 --> 00:27:53,200

um we are now getting where we didn't

770

00:27:56,870 --> 00:27:53,840

get this

771

00:28:00,230 --> 00:27:56,880

you know five ten years ago um

772

00:28:03,669 --> 00:28:00,240

we're getting former retired military

773

00:28:07,590 --> 00:28:03,679

coming forward we're getting retired

774

00:28:10,310 --> 00:28:07,600

former police officers coming forward

775

00:28:12,470 --> 00:28:10,320

two very very important groups in fact i

776
00:28:15,190 --> 00:28:12,480
mean

777
00:28:16,870 --> 00:28:15,200
we had a call today at headquarters i

778
00:28:19,029 --> 00:28:16,880
don't know all the details but

779
00:28:20,549 --> 00:28:19,039
uh jan hars on our executive director

780
00:28:24,630 --> 00:28:20,559
did call me to alert

781
00:28:27,909 --> 00:28:24,640
us or alert myself that a guy called

782
00:28:28,950 --> 00:28:27,919
and was explaining this ufo incident he

783
00:28:35,510 --> 00:28:28,960
had

784
00:28:37,430 --> 00:28:35,520
was the 40s or the 50s because he is up

785
00:28:39,430 --> 00:28:37,440
there in years

786
00:28:40,789 --> 00:28:39,440
and he said that he was pulled into a

787
00:28:43,830 --> 00:28:40,799
room

788
00:28:45,430 --> 00:28:43,840

and told this did not happen you will

789

00:28:47,269 --> 00:28:45,440
never talk about it and they put

790

00:28:49,669 --> 00:28:47,279
paperwork in front of this man

791

00:28:50,710 --> 00:28:49,679
and he signed it and now he's up there

792

00:28:53,830 --> 00:28:50,720
in years and he's

793

00:28:56,389 --> 00:28:53,840
calling us for advice and saying

794

00:28:58,149 --> 00:28:56,399
i want to tell the whole story i want to

795

00:28:59,990 --> 00:28:58,159
do it but i'm afraid

796

00:29:01,430 --> 00:29:00,000
you know at my age is somebody going to

797

00:29:03,510 --> 00:29:01,440
come in and arrest me

798

00:29:04,549 --> 00:29:03,520
and put me in prison for the rest of my

799

00:29:06,549 --> 00:29:04,559
life

800

00:29:08,230 --> 00:29:06,559
but but we've been hearing these people

801
00:29:10,230 --> 00:29:08,240
over and over and again i mean

802
00:29:11,990 --> 00:29:10,240
we've we've had to send field

803
00:29:14,630 --> 00:29:12,000
investigators out

804
00:29:17,590 --> 00:29:14,640
at undisclosed locations to meet up with

805
00:29:19,590 --> 00:29:17,600
these people they're afraid

806
00:29:21,990 --> 00:29:19,600
one guy wanted to meet you know openly

807
00:29:24,070 --> 00:29:22,000
in a restaurant somewhere

808
00:29:25,830 --> 00:29:24,080
and you know we went down we recorded

809
00:29:27,110 --> 00:29:25,840
the whole conversation you know with his

810
00:29:28,950 --> 00:29:27,120
permission

811
00:29:30,710 --> 00:29:28,960
um they're just popping up all over the

812
00:29:33,029 --> 00:29:30,720
country in fact

813
00:29:35,909 --> 00:29:33,039

um the you know i'm editor of the

814

00:29:37,830 --> 00:29:35,919

journal the july journal which i'm

815

00:29:39,669 --> 00:29:37,840

is just crossing my desk right now it's

816

00:29:41,510 --> 00:29:39,679

just leaving

817

00:29:44,789 --> 00:29:41,520

it's out for review right now but it's

818

00:29:48,950 --> 00:29:47,269

here on monday morning this story just

819

00:29:49,830 --> 00:29:48,960

came to me a couple of days ago out of

820

00:29:51,669 --> 00:29:49,840

texas

821

00:29:53,430 --> 00:29:51,679

and i decided to clear you know the

822

00:29:56,950 --> 00:29:53,440

front page but we had a

823

00:29:58,389 --> 00:29:56,960

police officer in texas who was on duty

824

00:30:02,070 --> 00:29:58,399

14 years ago

825

00:30:05,269 --> 00:30:02,080

when he saw an entity up on the roof

826

00:30:09,110 --> 00:30:05,279

of his town's post office and it's

827

00:30:11,430 --> 00:30:09,120

it's a very compelling story and he went

828

00:30:12,149 --> 00:30:11,440

on as a police officer for an additional

829

00:30:15,750 --> 00:30:12,159

10 years

830

00:30:17,669 --> 00:30:15,760

retired he's been retired for four years

831

00:30:19,590 --> 00:30:17,679

now he was never asked to sign off

832

00:30:22,950 --> 00:30:19,600

because he never put

833

00:30:24,470 --> 00:30:22,960

the entire incident into the report

834

00:30:28,389 --> 00:30:24,480

he basically just said there was a

835

00:30:32,549 --> 00:30:30,630

but there were backup officers called

836

00:30:34,630 --> 00:30:32,559

the fire department was called

837

00:30:36,149 --> 00:30:34,640

they used a ladder truck you know to get

838

00:30:39,110 --> 00:30:36,159

him up on the roof

839

00:30:40,630 --> 00:30:39,120

so again very compelling story but you

840

00:30:44,630 --> 00:30:40,640

know this is happening to us

841

00:30:47,990 --> 00:30:44,640

now once or twice a week

842

00:30:51,269 --> 00:30:48,000

wow to me that that's that's the 2014

843

00:30:52,789 --> 00:30:51,279

story um and i'll take that that's

844

00:30:55,029 --> 00:30:52,799

that's really interesting

845

00:30:56,310 --> 00:30:55,039

one of the things i'd never ever talk

846

00:30:59,110 --> 00:30:56,320

about in this show

847

00:31:00,630 --> 00:30:59,120

but i'm going to ask you about it is men

848

00:31:03,269 --> 00:31:00,640

in black

849

00:31:04,630 --> 00:31:03,279

does that topic ever come up anymore

850

00:31:07,190 --> 00:31:04,640

like when you're doing any type of

851
00:31:12,389 --> 00:31:10,389
funny you should ask because

852
00:31:14,070 --> 00:31:12,399
we've actually just been discussing that

853
00:31:17,350 --> 00:31:14,080
lately

854
00:31:18,149 --> 00:31:17,360
most of your classic men in black

855
00:31:20,870 --> 00:31:18,159
stories

856
00:31:21,430 --> 00:31:20,880
are from previous decades you know the

857
00:31:24,870 --> 00:31:21,440
50s

858
00:31:29,110 --> 00:31:24,880
60s 70s you know

859
00:31:31,909 --> 00:31:29,120
in there up until a couple of weeks ago

860
00:31:34,950 --> 00:31:31,919
if i was on your show i would have told

861
00:31:39,590 --> 00:31:34,960
you about a case that happened a couple

862
00:31:43,110 --> 00:31:39,600
berta and i have since found that

863
00:31:44,070 --> 00:31:43,120

upon closing that case out um that we we

864

00:31:46,470 --> 00:31:44,080

actually now

865

00:31:50,070 --> 00:31:46,480

case was a hoax that was my best men in

866

00:31:53,669 --> 00:31:51,909

because it was a florida state police

867

00:31:55,590 --> 00:31:53,679

officer and they had

868

00:31:57,269 --> 00:31:55,600

all the elements of a great hollywood

869

00:31:58,870 --> 00:31:57,279

production um

870

00:32:00,630 --> 00:31:58,880

you know steven spielberg was knocking

871

00:32:02,950 --> 00:32:00,640

on our door trying to get that case

872

00:32:04,230 --> 00:32:02,960

but i i believe i i have talked to the

873

00:32:06,549 --> 00:32:04,240

state director now and he

874

00:32:08,310 --> 00:32:06,559

he kind of believes that that's over in

875

00:32:13,430 --> 00:32:08,320

hoax land right now

876

00:32:15,430 --> 00:32:13,440

um so yeah we're not really um

877

00:32:17,909 --> 00:32:15,440

honestly i'm thinking back over the last

878

00:32:21,190 --> 00:32:17,919

five or six years

879

00:32:21,669 --> 00:32:21,200

um and i'm really not hearing about

880

00:32:25,830 --> 00:32:21,679

people

881

00:32:27,190 --> 00:32:25,840

their door

882

00:32:29,590 --> 00:32:27,200

you know and telling them you can't

883

00:32:30,950 --> 00:32:29,600

talk about this you know you can't do

884

00:32:34,470 --> 00:32:30,960

it

885

00:32:36,870 --> 00:32:34,480

um i know that he even

886

00:32:38,710 --> 00:32:36,880

said stan gordon had a case or a couple

887

00:32:40,870 --> 00:32:38,720

of cases in that 7374

888

00:32:41,990 --> 00:32:40,880

era where somebody had to have been

889

00:32:44,630 --> 00:32:42,000

bugging his phone

890

00:32:45,590 --> 00:32:44,640

back then because a witness for example

891

00:32:47,909 --> 00:32:45,600

calls him

892

00:32:50,230 --> 00:32:47,919

to say hey you know we just saw the

893

00:32:52,630 --> 00:32:50,240

bigfoot creature on our property

894

00:32:54,149 --> 00:32:52,640

get out here the the footprints are

895

00:32:55,909 --> 00:32:54,159

fresh

896

00:32:58,070 --> 00:32:55,919

so it takes him about an hour to get

897

00:33:00,549 --> 00:32:58,080

himself together and get to the location

898

00:33:01,750 --> 00:33:00,559

only to find out that somebody else

899

00:33:04,710 --> 00:33:01,760

showed up

900

00:33:05,909 --> 00:33:04,720

ahead of time and interrogated everybody

901
00:33:08,950 --> 00:33:05,919
at the scene

902
00:33:10,470 --> 00:33:08,960
and then began destroying evidence

903
00:33:12,070 --> 00:33:10,480
i mean literally went out to these

904
00:33:15,430 --> 00:33:12,080
footprints and just

905
00:33:15,909 --> 00:33:15,440
stamped them out it really upset the

906
00:33:18,070 --> 00:33:15,919
people

907
00:33:20,710 --> 00:33:18,080
at the scene the guy gets in his vehicle

908
00:33:24,470 --> 00:33:23,190
we have no idea to this date you know

909
00:33:27,669 --> 00:33:24,480
who that was

910
00:33:27,990 --> 00:33:27,679
but that again that was back in 1973 i'm

911
00:33:30,470 --> 00:33:28,000
just

912
00:33:31,430 --> 00:33:30,480
not hearing about the men in black today

913
00:33:33,750 --> 00:33:31,440

right right

914

00:33:34,710 --> 00:33:33,760

now have any of the the stories that you

915

00:33:38,070 --> 00:33:34,720

have written

916

00:33:41,909 --> 00:33:38,080

about gone let's just say viral or gone

917

00:33:52,389 --> 00:33:46,789

oh well some of them i would say are

918

00:33:55,430 --> 00:33:52,399

are moving in to tell

919

00:33:58,149 --> 00:33:55,440

uh the the problem with television as

920

00:33:58,470 --> 00:33:58,159

as i've seen it in the last five years

921

00:34:00,230 --> 00:33:58,480

is

922

00:34:01,750 --> 00:34:00,240

everybody wants to go after the same

923

00:34:04,149 --> 00:34:01,760

cases um

924

00:34:04,789 --> 00:34:04,159

they all want area 51 they all want the

925

00:34:07,909 --> 00:34:04,799

crash

926
00:34:09,349 --> 00:34:07,919
you know in 1947 at roswell you know

927
00:34:09,990 --> 00:34:09,359
they all want the same thing and they

928
00:34:11,990 --> 00:34:10,000
just keep

929
00:34:13,990 --> 00:34:12,000
retelling the stories and i've been

930
00:34:17,990 --> 00:34:14,000
screaming as loud as i can

931
00:34:20,950 --> 00:34:18,000
you know we have great stories um

932
00:34:21,430 --> 00:34:20,960
you know very very compelling stories we

933
00:34:25,190 --> 00:34:21,440
don't

934
00:34:26,629 --> 00:34:25,200
have the bumper off the ufo i'm sorry we

935
00:34:29,030 --> 00:34:26,639
don't have a lot of

936
00:34:31,909 --> 00:34:29,040
a lot of evidence we have some evidence

937
00:34:34,710 --> 00:34:31,919
uh some trace evidence but we you know

938
00:34:35,589 --> 00:34:34,720

uh i mean what what makes a story

939

00:34:38,550 --> 00:34:35,599

compelling

940

00:34:39,669 --> 00:34:38,560

you know there may be a lot of witnesses

941

00:34:43,190 --> 00:34:39,679

you know to something

942

00:34:45,909 --> 00:34:43,200

but when a craft comes down

943

00:34:46,470 --> 00:34:45,919

under 500 feet i mean think about it the

944

00:34:50,149 --> 00:34:46,480

further

945

00:34:50,710 --> 00:34:50,159

back in time you go even 5 10 years ago

946

00:34:54,149 --> 00:34:50,720

but then

947

00:34:58,310 --> 00:34:56,069

martin people were just not coming

948

00:35:01,190 --> 00:34:58,320

forward

949

00:35:03,430 --> 00:35:01,200

i mean they kept these stories to just

950

00:35:07,270 --> 00:35:03,440

their family and friends

951
00:35:08,470 --> 00:35:07,280
i mean i i assure you that in 1973 i did

952
00:35:10,790 --> 00:35:08,480
not go back to

953
00:35:12,630 --> 00:35:10,800
high school on monday morning and tell

954
00:35:14,150 --> 00:35:12,640
that story

955
00:35:16,069 --> 00:35:14,160
i mean you know maybe i told a

956
00:35:18,550 --> 00:35:16,079
girlfriend or you know my best

957
00:35:20,790 --> 00:35:18,560
friend you know about what happened but

958
00:35:21,430 --> 00:35:20,800
i was not out broadcasting it for fear

959
00:35:25,430 --> 00:35:21,440
of

960
00:35:28,150 --> 00:35:25,440
i've written about

961
00:35:30,710 --> 00:35:28,160
in the last four or five years they are

962
00:35:32,150 --> 00:35:30,720
mufon case files and we take them as far

963
00:35:35,190 --> 00:35:32,160

as we can

964

00:35:37,270 --> 00:35:35,200

um you know of course we look for you

965

00:35:40,470 --> 00:35:37,280

know mother nature we look for

966

00:35:44,390 --> 00:35:40,480

our own known aircraft and once we rule

967

00:35:46,630 --> 00:35:44,400

that out we call the case an unknown

968

00:35:48,470 --> 00:35:46,640

and we close it out although no closed

969

00:35:50,710 --> 00:35:48,480

case is ever permanently closed

970

00:35:52,230 --> 00:35:50,720

we're always open to you know if

971

00:35:53,190 --> 00:35:52,240

additional witnesses want to come

972

00:35:55,190 --> 00:35:53,200

forward

973

00:35:59,030 --> 00:35:55,200

or there's additional evidence but we

974

00:36:11,589 --> 00:35:59,040

have a lot of closed cases that are

975

00:36:17,270 --> 00:36:14,550

and available the next couple of years

976
00:36:19,829 --> 00:36:17,280
only studying the cases under 500 feet

977
00:36:22,069 --> 00:36:19,839
and if you only study the triangle craft

978
00:36:25,270 --> 00:36:22,079
it's almost like

979
00:36:27,510 --> 00:36:25,280
no two craft are exactly alike like

980
00:36:29,030 --> 00:36:27,520
there's not this you know henry ford

981
00:36:31,430 --> 00:36:29,040
model t factory

982
00:36:32,150 --> 00:36:31,440
on planet x that's just knocking these

983
00:36:35,270 --> 00:36:32,160
out

984
00:36:36,550 --> 00:36:35,280
one after another oh you have an old ufo

985
00:36:39,910 --> 00:36:36,560
it's got fins on it

986
00:36:41,430 --> 00:36:39,920
you know no it's the sleek one you know

987
00:36:43,349 --> 00:36:41,440
um

988
00:36:44,710 --> 00:36:43,359

you know hood emblems are out now and

989

00:36:47,349 --> 00:36:44,720

that now we're doing this

990

00:36:47,829 --> 00:36:47,359

you know no more suede interior now it's

991

00:36:50,710 --> 00:36:47,839

soft

992

00:36:52,630 --> 00:36:50,720

supple leather you know it just doesn't

993

00:36:53,990 --> 00:36:52,640

seem like that it seems like the shape

994

00:36:57,109 --> 00:36:54,000

and size

995

00:37:00,230 --> 00:36:57,119

are you know it's

996

00:37:01,910 --> 00:37:00,240

almost like the factory is giving no two

997

00:37:04,150 --> 00:37:01,920

models are exactly alike

998

00:37:05,829 --> 00:37:04,160

everybody gets you know a model unique

999

00:37:07,990 --> 00:37:05,839

to them

1000

00:37:09,349 --> 00:37:08,000

although you will with the triangle ship

1001
00:37:12,310 --> 00:37:09,359
for example you will

1002
00:37:14,310 --> 00:37:12,320
commonly see one red light at each of

1003
00:37:16,630 --> 00:37:14,320
the three points and a white light

1004
00:37:18,310 --> 00:37:16,640
underneath and you'll get 10 in a row

1005
00:37:20,870 --> 00:37:18,320
just like that

1006
00:37:22,630 --> 00:37:20,880
although one person says it was 20 feet

1007
00:37:23,589 --> 00:37:22,640
across another says it was 50 feet

1008
00:37:27,990 --> 00:37:23,599
across

1009
00:37:30,310 --> 00:37:28,000
then you have a witness that comes along

1010
00:37:31,030 --> 00:37:30,320
that says no it was three white lights

1011
00:37:34,630 --> 00:37:31,040
at the tip

1012
00:37:39,109 --> 00:37:34,640
and a single red light underneath

1013
00:37:45,349 --> 00:37:42,470

wow and we don't understand it you know

1014

00:37:47,910 --> 00:37:45,359

yeah yeah there's someone uh we're gonna

1015

00:37:50,150 --> 00:37:47,920

just take a real quick jag

1016

00:37:52,069 --> 00:37:50,160

away from ufos just for a moment that

1017

00:37:53,750 --> 00:37:52,079

someone wants to hear about your haunted

1018

00:37:55,829 --> 00:37:53,760

cows

1019

00:37:57,109 --> 00:37:55,839

can you just do a real brief thing when

1020

00:37:59,270 --> 00:37:57,119

we get back on the topic

1021

00:38:01,190 --> 00:37:59,280

oh sure i i also write about the

1022

00:38:05,109 --> 00:38:01,200

paranormal in general

1023

00:38:07,349 --> 00:38:05,119

and i never never go after famous cases

1024

00:38:09,430 --> 00:38:07,359

i'm always looking for unique

1025

00:38:10,470 --> 00:38:09,440

one-off cases cases that have never been

1026
00:38:13,990 --> 00:38:10,480
told

1027
00:38:17,190 --> 00:38:14,000
and i came across a family in

1028
00:38:18,390 --> 00:38:17,200
um oh they're in southwestern

1029
00:38:22,069 --> 00:38:18,400
pennsylvania

1030
00:38:25,270 --> 00:38:22,079
and they have a 200 acre dairy farm

1031
00:38:25,910 --> 00:38:25,280
the just a husband and wife they're in

1032
00:38:27,910 --> 00:38:25,920
their

1033
00:38:29,750 --> 00:38:27,920
i think the husband's about 70 years old

1034
00:38:33,589 --> 00:38:29,760
the wife's late 40s

1035
00:38:37,430 --> 00:38:33,599
early 50s the husband's

1036
00:38:39,510 --> 00:38:37,440
parents bought the farm in 1946

1037
00:38:41,750 --> 00:38:39,520
the other kids went off to do other

1038
00:38:43,030 --> 00:38:41,760

careers this is the kid that stayed at

1039

00:38:46,230 --> 00:38:43,040

home

1040

00:38:49,510 --> 00:38:46,240

and they've had a number of instances

1041

00:38:52,870 --> 00:38:49,520

where they saw you know a ghost

1042

00:38:55,990 --> 00:38:52,880

something materialized in the hum

1043

00:38:57,510 --> 00:38:56,000

probably the most interesting and it

1044

00:38:59,589 --> 00:38:57,520

always seems to be related to someone

1045

00:39:01,670 --> 00:38:59,599

who once lived in the house

1046

00:39:03,829 --> 00:39:01,680

where the area because the wife opened

1047

00:39:05,430 --> 00:39:03,839

this the door in the kitchen

1048

00:39:06,870 --> 00:39:05,440

that looks up the staircase to the

1049

00:39:09,670 --> 00:39:06,880

second floor

1050

00:39:11,349 --> 00:39:09,680

and she saw a little boy standing at the

1051
00:39:12,470 --> 00:39:11,359
top of the stairs about three or four

1052
00:39:16,069 --> 00:39:12,480
years old

1053
00:39:17,750 --> 00:39:16,079
and he had a long like nightgown on like

1054
00:39:20,069 --> 00:39:17,760
a one-piece thing

1055
00:39:21,510 --> 00:39:20,079
and kind of short hair in front kind of

1056
00:39:24,550 --> 00:39:21,520
longer in the back

1057
00:39:25,589 --> 00:39:24,560
and in his right hand he had his middle

1058
00:39:27,430 --> 00:39:25,599
finger

1059
00:39:29,829 --> 00:39:27,440
in his mouth like he was talking on the

1060
00:39:32,230 --> 00:39:29,839
fender and he's just looking down

1061
00:39:33,829 --> 00:39:32,240
you know down the staircase very sadly

1062
00:39:36,310 --> 00:39:33,839
at this woman

1063
00:39:38,390 --> 00:39:36,320

well she just freaked out when she saw

1064

00:39:41,349 --> 00:39:38,400

this and she ran out of the staircase

1065

00:39:44,069 --> 00:39:41,359

ran outside met up with her husband and

1066

00:39:46,950 --> 00:39:44,079

she's describing this little boy

1067

00:39:47,270 --> 00:39:46,960

and he took her calmly into the house

1068

00:39:52,870 --> 00:39:47,280

and

1069

00:39:55,750 --> 00:39:52,880

pulled a photo out of a cousin of his

1070

00:39:56,470 --> 00:39:55,760

and held it up and said is this the kid

1071

00:39:58,710 --> 00:39:56,480

and

1072

00:39:59,589 --> 00:39:58,720

she said yeah that's him that's the kid

1073

00:40:02,550 --> 00:39:59,599

i saw

1074

00:40:04,230 --> 00:40:02,560

and he said well he died from pneumonia

1075

00:40:05,990 --> 00:40:04,240

at the age of three

1076
00:40:08,150 --> 00:40:06,000
and he said the one thing i remembered

1077
00:40:09,349 --> 00:40:08,160
about that kid he was always sucking on

1078
00:40:11,589 --> 00:40:09,359
that middle finger

1079
00:40:12,470 --> 00:40:11,599
on his right hand which she knew nothing

1080
00:40:15,589 --> 00:40:12,480
about

1081
00:40:16,069 --> 00:40:15,599
well um oh that's a good i can tell you

1082
00:40:17,589 --> 00:40:16,079
more

1083
00:40:18,550 --> 00:40:17,599
there's like two other things going on

1084
00:40:19,670 --> 00:40:18,560
in the house i don't know what your

1085
00:40:22,870 --> 00:40:19,680
time's like

1086
00:40:23,109 --> 00:40:22,880
well no that's that's great now um one

1087
00:40:26,150 --> 00:40:23,119
of

1088
00:40:28,150 --> 00:40:26,160

this

1089

00:40:30,309 --> 00:40:28,160

and that is a lot of times you hear

1090

00:40:33,589 --> 00:40:30,319

about you know ufo

1091

00:40:33,990 --> 00:40:33,599

reports in uh in an area and then you'll

1092

00:40:36,630 --> 00:40:34,000

hear

1093

00:40:37,670 --> 00:40:36,640

about you know bigfoot and ghosts all in

1094

00:40:39,910 --> 00:40:37,680

the same area

1095

00:40:40,790 --> 00:40:39,920

now do you have any instances you can

1096

00:40:43,910 --> 00:40:40,800

think of that

1097

00:40:49,190 --> 00:40:43,920

since you do so much writing on this

1098

00:40:51,430 --> 00:40:49,200

well i'll cite simply the 7374 era

1099

00:40:53,430 --> 00:40:51,440

again the book silent invasion by stan

1100

00:40:55,430 --> 00:40:53,440

gordon

1101
00:40:57,510 --> 00:40:55,440
here's the typical thing that happened

1102
00:40:59,109 --> 00:40:57,520
you'd have two two neighbors

1103
00:41:00,550 --> 00:40:59,119
who live very close to each other but

1104
00:41:03,430 --> 00:41:00,560
they don't know each other

1105
00:41:05,109 --> 00:41:03,440
again rolling hills of pennsylvania one

1106
00:41:07,030 --> 00:41:05,119
lives on one side of the hill one lives

1107
00:41:08,790 --> 00:41:07,040
on the other side of the hill

1108
00:41:11,430 --> 00:41:08,800
but their homes are accessed from

1109
00:41:13,270 --> 00:41:11,440
different roads on each side of the hill

1110
00:41:15,030 --> 00:41:13,280
even though they probably live you know

1111
00:41:17,030 --> 00:41:15,040
just a few hundred

1112
00:41:18,790 --> 00:41:17,040
yards from each other they don't know

1113
00:41:21,829 --> 00:41:18,800

each other one witness

1114

00:41:24,790 --> 00:41:21,839
calls in to stand and says hey

1115

00:41:26,630 --> 00:41:24,800
we looked out you know our back window

1116

00:41:29,030 --> 00:41:26,640
at nine o'clock last night

1117

00:41:31,589 --> 00:41:29,040
and there were three bigfoot creatures

1118

00:41:34,150 --> 00:41:31,599
standing in our backyard

1119

00:41:36,069 --> 00:41:34,160
great he takes the case report i'll be

1120

00:41:38,069 --> 00:41:36,079
you know i'll be out to investigate

1121

00:41:40,069 --> 00:41:38,079
an hour later the family on the other

1122

00:41:42,710 --> 00:41:40,079
side of the hill calls and says hey

1123

00:41:43,270 --> 00:41:42,720
at nine o'clock last night there was a

1124

00:41:46,550 --> 00:41:43,280
you know

1125

00:41:48,390 --> 00:41:46,560
oval shaped disc shaped object hovering

1126

00:41:52,550 --> 00:41:48,400

50 feet off the ground in our

1127

00:41:54,150 --> 00:41:52,560

backyard last night hmm okay

1128

00:41:56,150 --> 00:41:54,160

you kind of have to put two and two

1129

00:41:59,349 --> 00:41:56,160

together and it's not just

1130

00:42:02,470 --> 00:41:59,359

isolated cases it's hundreds

1131

00:42:03,750 --> 00:42:02,480

of cases from that era

1132

00:42:04,950 --> 00:42:03,760

and then there's of course there's if

1133

00:42:07,349 --> 00:42:04,960

you ever want to hear about the great

1134

00:42:09,670 --> 00:42:07,359

uniontown case of 73

1135

00:42:11,829 --> 00:42:09,680

oh my god the ufo landed there were

1136

00:42:15,030 --> 00:42:11,839

bigfoot creatures in brown

1137

00:42:17,430 --> 00:42:15,040

state police officer was a witness

1138

00:42:19,270 --> 00:42:17,440

excellent story wow that sounds like a

1139

00:42:21,510 --> 00:42:19,280

good one

1140

00:42:22,710 --> 00:42:21,520

and we can go over that a little bit if

1141

00:42:24,950 --> 00:42:22,720

you'd like if you want to just

1142

00:42:26,710 --> 00:42:24,960

elaborate a little more on that oh on

1143

00:42:32,710 --> 00:42:26,720

the uniontown case yes this also

1144

00:42:37,349 --> 00:42:35,109

state police got a call that an object

1145

00:42:38,309 --> 00:42:37,359

landed on their farm near uniontown

1146

00:42:40,390 --> 00:42:38,319

pennsylvania

1147

00:42:42,870 --> 00:42:40,400

fayette county sand county where the

1148

00:42:44,470 --> 00:42:42,880

farm is coincidentally

1149

00:42:46,230 --> 00:42:44,480

anyway what happened was the farmer and

1150

00:42:47,750 --> 00:42:46,240

his wife and son and a couple of

1151
00:42:49,589 --> 00:42:47,760
neighbor kids were standing on the front

1152
00:42:52,790 --> 00:42:49,599
porch after dark one night

1153
00:42:53,990 --> 00:42:52,800
and they saw this large maybe i'm doing

1154
00:42:57,510 --> 00:42:54,000
this on memory maybe

1155
00:43:00,230 --> 00:42:57,520
40 50 feet across you know round object

1156
00:43:00,630 --> 00:43:00,240
you know in a slow trajectory coming

1157
00:43:04,069 --> 00:43:00,640
down

1158
00:43:07,030 --> 00:43:04,079
toward you know their property and

1159
00:43:08,550 --> 00:43:07,040
the son and i think he was about maybe

1160
00:43:10,550 --> 00:43:08,560
18 years old at the time

1161
00:43:13,270 --> 00:43:10,560
he jumps in the family pickup truck with

1162
00:43:15,349 --> 00:43:13,280
these two younger boys from the area

1163
00:43:16,309 --> 00:43:15,359

and as they approach the spot where they

1164

00:43:18,790 --> 00:43:16,319

thought the object

1165

00:43:19,910 --> 00:43:18,800

landed they were actually driving up the

1166

00:43:22,069 --> 00:43:19,920

hill they couldn't

1167

00:43:22,950 --> 00:43:22,079

see down over the you know the null of

1168

00:43:24,950 --> 00:43:22,960

the hill

1169

00:43:27,030 --> 00:43:24,960

so they got close to the peak of the

1170

00:43:29,270 --> 00:43:27,040

hill when they stop the pickup truck

1171

00:43:30,710 --> 00:43:29,280

they get out the three of them run up to

1172

00:43:34,069 --> 00:43:30,720

the top of the hill and they look

1173

00:43:35,190 --> 00:43:34,079

down and they see this object 40 50 feet

1174

00:43:38,630 --> 00:43:35,200

across

1175

00:43:41,589 --> 00:43:38,640

just glowing white sitting

1176

00:43:43,190 --> 00:43:41,599

on the ground so the the teenage boy

1177

00:43:44,950 --> 00:43:43,200

goes back to the pickup truck where he's

1178

00:43:47,109 --> 00:43:44,960

got a shotgun

1179

00:43:48,309 --> 00:43:47,119

he comes back to the top of the hill you

1180

00:43:51,349 --> 00:43:48,319

know aims

1181

00:43:52,870 --> 00:43:51,359

and fires right at the object as he

1182

00:43:56,470 --> 00:43:52,880

pulls the trigger

1183

00:43:59,670 --> 00:43:56,480

the ufo just in the blink of an eye

1184

00:44:01,190 --> 00:43:59,680

disappears right in front of them um

1185

00:44:03,589 --> 00:44:01,200

i know at that point one of the little

1186

00:44:04,309 --> 00:44:03,599

boys ran off you know just without the

1187

00:44:06,230 --> 00:44:04,319

pickup truck

1188

00:44:08,150 --> 00:44:06,240

ran off screaming as i remember the

1189

00:44:10,790 --> 00:44:08,160

story the other one stayed

1190

00:44:11,829 --> 00:44:10,800

there at that point the remaining boy

1191

00:44:13,510 --> 00:44:11,839

and the teenager

1192

00:44:15,030 --> 00:44:13,520

got back in the pickup truck they went

1193

00:44:15,510 --> 00:44:15,040

back to mom and dad's house they called

1194

00:44:21,589 --> 00:44:15,520

the state

1195

00:44:22,550 --> 00:44:21,599

not quite you know probably believing

1196

00:44:25,910 --> 00:44:22,560

what's going on

1197

00:44:26,870 --> 00:44:25,920

they send one officer one cruiser out to

1198

00:44:28,710 --> 00:44:26,880

the property

1199

00:44:30,230 --> 00:44:28,720

they and they go to he starts at the

1200

00:44:32,230 --> 00:44:30,240

house they pick up

1201
00:44:33,589 --> 00:44:32,240
the teenage boy the two of them drive up

1202
00:44:35,109 --> 00:44:33,599
to that same spot

1203
00:44:36,870 --> 00:44:35,119
where they park the pickup truck they

1204
00:44:39,190 --> 00:44:36,880
get to the gnoll that hill

1205
00:44:41,030 --> 00:44:39,200
and they look down and what they're

1206
00:44:41,670 --> 00:44:41,040
seeing they're not seeing a craft on the

1207
00:44:43,670 --> 00:44:41,680
ground

1208
00:44:44,790 --> 00:44:43,680
but the state police officer would later

1209
00:44:48,069 --> 00:44:44,800
go on record

1210
00:44:50,230 --> 00:44:48,079
and i quote him and sang from the light

1211
00:44:52,390 --> 00:44:50,240
that was left behind on the ground

1212
00:44:53,750 --> 00:44:52,400
he said you could read a newspaper by

1213
00:44:56,550 --> 00:44:53,760

that light

1214

00:44:56,950 --> 00:44:56,560

so he's on the ground now at the site

1215

00:44:59,430 --> 00:44:56,960

like

1216

00:45:01,349 --> 00:44:59,440

looking at the ground it's lit he can

1217

00:45:04,950 --> 00:45:01,359

read a newspaper off of it

1218

00:45:07,030 --> 00:45:04,960

and he and the teenager look up

1219

00:45:10,069 --> 00:45:07,040

because there's a line of trees you know

1220

00:45:14,390 --> 00:45:12,470

there are two bigfoot creatures coming

1221

00:45:17,030 --> 00:45:14,400

toward them

1222

00:45:18,150 --> 00:45:17,040

freaked the police officer out they they

1223

00:45:21,430 --> 00:45:18,160

said that he ran

1224

00:45:23,270 --> 00:45:21,440

so fast to his cruiser and back another

1225

00:45:25,430 --> 00:45:23,280

you know this is 1973 they didn't have

1226

00:45:27,750 --> 00:45:25,440

electric lock buttons on your keychain

1227

00:45:28,790 --> 00:45:27,760

you know and they said that he couldn't

1228

00:45:32,710 --> 00:45:28,800

get the key

1229

00:45:34,470 --> 00:45:32,720

in the door so they took the kid

1230

00:45:36,230 --> 00:45:34,480

then back to the barracks where of

1231

00:45:38,470 --> 00:45:36,240

course everybody

1232

00:45:39,589 --> 00:45:38,480

they thought it was a humorous event and

1233

00:45:42,710 --> 00:45:39,599

they were picking on

1234

00:45:44,309 --> 00:45:42,720

you know both the witness and um and of

1235

00:45:47,030 --> 00:45:44,319

course the officer

1236

00:45:49,349 --> 00:45:47,040

the the little-known part of that story

1237

00:45:50,069 --> 00:45:49,359

is that police officer never went back

1238

00:45:53,109 --> 00:45:50,079

to work

1239

00:45:56,790 --> 00:45:53,119

he resigned and moved out of state

1240

00:45:58,790 --> 00:45:56,800

and stan gordon and his right-hand man

1241

00:46:02,309 --> 00:45:58,800

who's now deceased in fact i have

1242

00:46:05,190 --> 00:46:02,319

i have him on a like a 45 minute video

1243

00:46:07,030 --> 00:46:05,200

that's not available on youtube where he

1244

00:46:08,710 --> 00:46:07,040

details this case because the two of

1245

00:46:11,510 --> 00:46:08,720

them went out there that night

1246

00:46:13,349 --> 00:46:11,520

later that night so quite interesting

1247

00:46:16,470 --> 00:46:13,359

second part to the story

1248

00:46:18,710 --> 00:46:16,480

wow wow that is something now i wanted

1249

00:46:19,510 --> 00:46:18,720

to ask you since you're involved in you

1250

00:46:24,309 --> 00:46:19,520

you're

1251
00:46:26,710 --> 00:46:24,319
sightings

1252
00:46:27,430 --> 00:46:26,720
come in day after day and a lot of them

1253
00:46:29,430 --> 00:46:27,440
are

1254
00:46:32,790 --> 00:46:29,440
at least as they say a percentage of

1255
00:46:35,510 --> 00:46:32,800
them cannot be explained

1256
00:46:36,710 --> 00:46:35,520
why on earth would you think that would

1257
00:46:43,030 --> 00:46:36,720
be

1258
00:46:43,589 --> 00:46:43,040
so often just you know in your own

1259
00:46:46,069 --> 00:46:43,599
thoughts

1260
00:46:47,510 --> 00:46:46,079
what do you think yeah if you're asking

1261
00:46:51,910 --> 00:46:47,520
me personally

1262
00:46:54,550 --> 00:46:51,920
um yeah that they've always been here

1263
00:46:55,349 --> 00:46:54,560

i mean the the theory that they're

1264

00:46:58,550 --> 00:46:55,359

coming

1265

00:47:01,910 --> 00:46:58,560

that they're off planet uh i kind of

1266

00:47:04,790 --> 00:47:01,920

look at it like it's another species

1267

00:47:05,510 --> 00:47:04,800

and i also tend to look at it because if

1268

00:47:07,670 --> 00:47:05,520

if you

1269

00:47:10,230 --> 00:47:07,680

just stopped and spent the next year

1270

00:47:12,390 --> 00:47:10,240

just studying the bigfoot creature

1271

00:47:15,910 --> 00:47:12,400

and then go and spend another year or

1272

00:47:19,430 --> 00:47:17,990

it's almost like they're they're

1273

00:47:22,230 --> 00:47:19,440

interdimensional

1274

00:47:25,270 --> 00:47:22,240

somehow that we're not tracking them

1275

00:47:26,790 --> 00:47:25,280

they're coming into our airspace or

1276

00:47:29,270 --> 00:47:26,800

are you familiar with the book hunt for

1277

00:47:31,910 --> 00:47:29,280

the skinwalker oh yes i read it

1278

00:47:32,549 --> 00:47:31,920

and hopefully george is going to be on

1279

00:47:35,990 --> 00:47:32,559

he can't

1280

00:47:39,030 --> 00:47:36,000

he's busy during the

1281

00:47:41,670 --> 00:47:39,040

this hour but he's going to be recording

1282

00:47:44,870 --> 00:47:41,680

at some point george knapp

1283

00:47:46,230 --> 00:47:44,880

yeah he's our keynote speaker this

1284

00:47:50,470 --> 00:47:46,240

summer

1285

00:47:53,030 --> 00:47:50,480

i'm one of the speakers in in july

1286

00:47:53,589 --> 00:47:53,040

in new jersey this year but yeah in that

1287

00:47:55,109 --> 00:47:53,599

book

1288

00:47:56,870 --> 00:47:55,119

i'll just quickly tell you you might

1289

00:47:59,750 --> 00:47:56,880

remember the scene that it's

1290

00:48:01,349 --> 00:47:59,760

two scientists out after dark and

1291

00:48:02,870 --> 00:48:01,359

they're coming up on a it's either a

1292

00:48:05,750 --> 00:48:02,880

lake or a pond

1293

00:48:06,790 --> 00:48:05,760

and they see this like ball of light

1294

00:48:08,870 --> 00:48:06,800

okay

1295

00:48:10,630 --> 00:48:08,880

and it's coming along like the banks of

1296

00:48:11,589 --> 00:48:10,640

the water and all of a sudden that ball

1297

00:48:15,270 --> 00:48:11,599

of light

1298

00:48:16,950 --> 00:48:15,280

begins to expand and it expands out

1299

00:48:18,710 --> 00:48:16,960

to what you know maybe four or five feet

1300

00:48:20,630 --> 00:48:18,720

if i remember correctly

1301
00:48:21,750 --> 00:48:20,640
and then all of a sudden a big foot

1302
00:48:24,790 --> 00:48:21,760
creature steps

1303
00:48:26,150 --> 00:48:24,800
out of it right crawls out creature goes

1304
00:48:28,470 --> 00:48:26,160
up along the bank

1305
00:48:29,430 --> 00:48:28,480
and the light just folds into itself

1306
00:48:32,630 --> 00:48:29,440
implodes and

1307
00:48:35,670 --> 00:48:32,640
boom to a dime to it disappears

1308
00:48:37,829 --> 00:48:35,680
yeah so that's those are the kind of

1309
00:48:39,349 --> 00:48:37,839
details there was another bigfoot uh

1310
00:48:41,910 --> 00:48:39,359
story in 73

1311
00:48:43,349 --> 00:48:41,920
that took place in ohio powell

1312
00:48:46,870 --> 00:48:43,359
pennsylvania

1313
00:48:48,390 --> 00:48:46,880

where this mountain woman alcohol she

1314

00:48:49,670 --> 00:48:48,400

lived alone you know with just her and

1315

00:48:51,670 --> 00:48:49,680

her animals

1316

00:48:52,710 --> 00:48:51,680

thought that something was coming after

1317

00:48:55,349 --> 00:48:52,720

her chickens

1318

00:48:56,790 --> 00:48:55,359

after dark stepped outside on the little

1319

00:48:57,910 --> 00:48:56,800

front porch that she had with her

1320

00:49:01,190 --> 00:48:57,920

shotgun

1321

00:49:03,670 --> 00:49:01,200

and she came face to face probably 12 to

1322

00:49:06,390 --> 00:49:03,680

15 feet from a bigfoot creature

1323

00:49:06,710 --> 00:49:06,400

she cocked that gun down and she pointed

1324

00:49:10,309 --> 00:49:06,720

it

1325

00:49:13,349 --> 00:49:10,319

incident

1326

00:49:13,990 --> 00:49:13,359

as she pulled the trigger the bigfoot

1327

00:49:16,470 --> 00:49:14,000

creature

1328

00:49:18,150 --> 00:49:16,480

simply dissolved like in a blink of an

1329

00:49:20,549 --> 00:49:18,160

eye throw the light switch

1330

00:49:21,990 --> 00:49:20,559

stan investigated that case he found the

1331

00:49:25,270 --> 00:49:22,000

the bullet holes

1332

00:49:27,510 --> 00:49:25,280

or you know the bullets in the tree

1333

00:49:28,390 --> 00:49:27,520

i mean people just can't keep making

1334

00:49:30,470 --> 00:49:28,400

this stuff up

1335

00:49:32,790 --> 00:49:30,480

because because the they the facts

1336

00:49:35,510 --> 00:49:32,800

overlap one to the other

1337

00:49:36,309 --> 00:49:35,520

and there are similarities between

1338

00:49:38,549 --> 00:49:36,319

different

1339

00:49:39,990 --> 00:49:38,559

types of paranormal events we're just

1340

00:49:42,230 --> 00:49:40,000

not understanding them but if you're

1341

00:49:44,309 --> 00:49:42,240

asking me for my personal opinion it's

1342

00:49:47,349 --> 00:49:44,319

not necessarily mufon's opinion

1343

00:49:47,750 --> 00:49:47,359

but i think all of this it's always been

1344

00:49:49,589 --> 00:49:47,760

here

1345

00:49:52,309 --> 00:49:49,599

in fact you could this could be a tv

1346

00:49:54,069 --> 00:49:52,319

series you could drop me off blindfolded

1347

00:49:55,990 --> 00:49:54,079

anywhere in the country i don't care

1348

00:49:59,109 --> 00:49:56,000

where you drop me off

1349

00:50:00,630 --> 00:49:59,119

give me 24 hours and i'll find you know

1350

00:50:03,750 --> 00:50:00,640

a ufo encounter

1351

00:50:05,030 --> 00:50:03,760

i'll find like ghost stories all kinds

1352

00:50:06,870 --> 00:50:05,040

of paranormal events

1353

00:50:08,950 --> 00:50:06,880

people just aren't out talking about

1354

00:50:12,390 --> 00:50:08,960

them they're it's not water cooler

1355

00:50:14,069 --> 00:50:12,400

you know gossip yet right yeah yeah

1356

00:50:15,910 --> 00:50:14,079

you know we have a question up on the

1357

00:50:17,349 --> 00:50:15,920

chatroom and i can chime in just a

1358

00:50:17,990 --> 00:50:17,359

little bit on it one of the people want

1359

00:50:19,589 --> 00:50:18,000

to know

1360

00:50:22,150 --> 00:50:19,599

has anyone ever talked about a square

1361

00:50:26,069 --> 00:50:22,160

ufo and i will i will say

1362

00:50:28,790 --> 00:50:26,079

to that listener is uh yes i i

1363

00:50:29,510 --> 00:50:28,800

did speak to someone that had a square

1364

00:50:31,589 --> 00:50:29,520

ufo

1365

00:50:33,270 --> 00:50:31,599

encounter it looked like a box according

1366

00:50:35,190 --> 00:50:33,280

to him with lights around it

1367

00:50:37,109 --> 00:50:35,200

and it actually uh moved up in the sky

1368

00:50:38,470 --> 00:50:37,119

and it burst into about five lights that

1369

00:50:40,470 --> 00:50:38,480

made a formation

1370

00:50:42,630 --> 00:50:40,480

very very strange but do you ever hear

1371

00:50:45,670 --> 00:50:42,640

of any uh square or box

1372

00:50:47,990 --> 00:50:45,680

type yeah the the box

1373

00:50:49,750 --> 00:50:48,000

not as common but the rectangle very

1374

00:50:52,390 --> 00:50:49,760

common

1375

00:50:54,549 --> 00:50:52,400

it's one of our lower reported but i

1376

00:50:57,109 --> 00:50:54,559

remember there was a famous case

1377

00:50:58,790 --> 00:50:57,119

out of i want to say north carolina it's

1378

00:51:02,069 --> 00:50:58,800

been three four years since i

1379

00:51:02,950 --> 00:51:02,079

covered this case but it was a elderly

1380

00:51:04,630 --> 00:51:02,960

couple

1381

00:51:06,230 --> 00:51:04,640

uh had just finished dinner they're at

1382

00:51:08,630 --> 00:51:06,240

the back of the house in the kitchen

1383

00:51:10,309 --> 00:51:08,640

doing dishes together and the wife

1384

00:51:12,470 --> 00:51:10,319

looks out in the backyard and says to

1385

00:51:15,109 --> 00:51:12,480

the husband what's that green light

1386

00:51:16,549 --> 00:51:15,119

so the husband you know meanders out

1387

00:51:18,470 --> 00:51:16,559

into the backyard

1388

00:51:20,710 --> 00:51:18,480

and it's actually in the neighbor's yard

1389

00:51:23,430 --> 00:51:20,720

so he walks up to the hedge and looks

1390

00:51:25,990 --> 00:51:23,440

over the hedge and he sees this object

1391

00:51:26,790 --> 00:51:26,000

again on memory i apologize if i'm off a

1392

00:51:29,910 --> 00:51:26,800

little bit

1393

00:51:30,230 --> 00:51:29,920

something about 40 feet long and maybe

1394

00:51:33,430 --> 00:51:30,240

10

1395

00:51:35,510 --> 00:51:33,440

12 feet wide a rectangle hovering

1396

00:51:37,990 --> 00:51:35,520

right there in the neighbor's yard no

1397

00:51:38,710 --> 00:51:38,000

sound and all of a sudden the front and

1398

00:51:41,109 --> 00:51:38,720

just sort of

1399

00:51:42,230 --> 00:51:41,119

tilts up a little bit and then boom it's

1400

00:51:45,349 --> 00:51:42,240

the bad out of hell

1401

00:51:47,510 --> 00:51:45,359

you know theme right i had the guy i

1402

00:51:49,270 --> 00:51:47,520

i had an internet radio show for about

1403

00:51:51,589 --> 00:51:49,280

six months a few years ago

1404

00:51:53,829 --> 00:51:51,599

had him as a guest on the show and i had

1405

00:51:55,270 --> 00:51:53,839

to live on the show i had to say that

1406

00:51:58,630 --> 00:51:55,280

when you went back inside

1407

00:52:02,549 --> 00:52:00,710

these incidents happen in the blink of

1408

00:52:03,430 --> 00:52:02,559

an eye you could have two people in this

1409

00:52:05,990 --> 00:52:03,440

in the street

1410

00:52:06,630 --> 00:52:06,000

with their back to each other and one of

1411

00:52:09,270 --> 00:52:06,640

them is

1412

00:52:10,390 --> 00:52:09,280

totally not just having a normal day and

1413

00:52:13,190 --> 00:52:10,400

the other guy

1414

00:52:14,470 --> 00:52:13,200

is looking at a ufo hovering you know 15

1415

00:52:17,430 --> 00:52:14,480

feet off the ground

1416

00:52:19,190 --> 00:52:17,440

and then boom it's gone he turns to his

1417

00:52:21,510 --> 00:52:19,200

friend did you say that the friends were

1418

00:52:23,910 --> 00:52:21,520

like no

1419

00:52:26,069 --> 00:52:23,920

one of the things um that people always

1420

00:52:28,390 --> 00:52:26,079

bring up when it comes to

1421

00:52:30,309 --> 00:52:28,400

ufos and sightings this is mostly people

1422

00:52:32,870 --> 00:52:30,319

outside of the field that say well

1423

00:52:34,230 --> 00:52:32,880

sure how come you know everybody has a

1424

00:52:35,510 --> 00:52:34,240

cell phone how come there aren't more

1425

00:52:38,150 --> 00:52:35,520

pictures and then

1426
00:52:38,549 --> 00:52:38,160
um the next thing you hear about is um

1427
00:52:39,750 --> 00:52:38,559
well

1428
00:52:41,750 --> 00:52:39,760
you know how come the pictures are

1429
00:52:43,109 --> 00:52:41,760
always blurry and then if the pictures

1430
00:52:44,549 --> 00:52:43,119
are too good then you know it's

1431
00:52:47,990 --> 00:52:44,559
photoshopped or

1432
00:52:49,829 --> 00:52:48,000
you know why don't you address

1433
00:52:51,030 --> 00:52:49,839
any one of those topics because yeah

1434
00:52:54,630 --> 00:52:51,040
that always comes up

1435
00:52:57,109 --> 00:52:54,640
yeah i i still think i still believe

1436
00:52:57,990 --> 00:52:57,119
you know the the further into the future

1437
00:53:00,230 --> 00:52:58,000
we go

1438
00:53:01,030 --> 00:53:00,240

the more sophisticated our electronics

1439

00:53:02,630 --> 00:53:01,040

will be

1440

00:53:04,150 --> 00:53:02,640

but there's a number of different

1441

00:53:07,510 --> 00:53:04,160

reasons it starts with

1442

00:53:09,829 --> 00:53:07,520

my reason for you know from 1973

1443

00:53:11,589 --> 00:53:09,839

i mean even at age 16 you know i come

1444

00:53:13,910 --> 00:53:11,599

from a photography family

1445

00:53:15,510 --> 00:53:13,920

i was a photographer back then a you

1446

00:53:18,549 --> 00:53:15,520

know pretty damn good one

1447

00:53:19,510 --> 00:53:18,559

but i swear to you if i had had a camera

1448

00:53:22,710 --> 00:53:19,520

on me

1449

00:53:25,190 --> 00:53:22,720

i would have dropped it i mean

1450

00:53:26,790 --> 00:53:25,200

because we all live in this what we call

1451

00:53:30,150 --> 00:53:26,800

our real world

1452

00:53:32,470 --> 00:53:30,160

our real surroundings okay and if

1453

00:53:36,230 --> 00:53:32,480

something out of the ordinary like that

1454

00:53:38,630 --> 00:53:36,240

happens it's it it frightens you

1455

00:53:40,309 --> 00:53:38,640

like what is this what what if you were

1456

00:53:42,230 --> 00:53:40,319

just out walking

1457

00:53:44,069 --> 00:53:42,240

at night by yourself and suddenly a

1458

00:53:44,790 --> 00:53:44,079

bigfoot creature steps out in front of

1459

00:53:49,349 --> 00:53:44,800

you

1460

00:53:51,510 --> 00:53:49,359

there's a little bit

1461

00:53:53,349 --> 00:53:51,520

hold the pose do your hair take time to

1462

00:53:56,309 --> 00:53:53,359

do your hair okay

1463

00:53:57,510 --> 00:53:56,319

no and even even at my age at the age of

1464

00:54:01,589 --> 00:53:57,520

57

1465

00:54:03,670 --> 00:54:01,599

time me say roger quick there's a ufo

1466

00:54:05,829 --> 00:54:03,680

okay you know which pocket is my cell

1467

00:54:08,549 --> 00:54:05,839

phone in you know i have a pretty good

1468

00:54:09,990 --> 00:54:08,559

cell phone camera okay how many seconds

1469

00:54:11,670 --> 00:54:10,000

is it going to take me

1470

00:54:13,510 --> 00:54:11,680

okay okay i know i put that button on

1471

00:54:13,910 --> 00:54:13,520

the front screen push that button no now

1472

00:54:15,990 --> 00:54:13,920

it's

1473

00:54:18,230 --> 00:54:16,000

still or video which one should i do

1474

00:54:21,270 --> 00:54:18,240

push that one a couple more seconds

1475

00:54:25,750 --> 00:54:21,280

it's gone in my in most cases and

1476

00:54:28,390 --> 00:54:25,760

then even if even if i said a ufo

1477

00:54:30,790 --> 00:54:28,400

okay flies right into the middle of a

1478

00:54:32,870 --> 00:54:30,800

steven spielberg movie set

1479

00:54:35,430 --> 00:54:32,880

where there's you know multi-million

1480

00:54:37,750 --> 00:54:35,440

dollar cameras directors with like 52

1481

00:54:41,510 --> 00:54:37,760

years of experience okay

1482

00:54:42,309 --> 00:54:41,520

lens is six feet long okay these objects

1483

00:54:44,630 --> 00:54:42,319

can cause

1484

00:54:45,990 --> 00:54:44,640

all of the electronics to jam and not

1485

00:54:48,870 --> 00:54:46,000

work

1486

00:54:49,750 --> 00:54:48,880

so again i'm not completely saying that

1487

00:54:51,430 --> 00:54:49,760

you know

1488

00:54:54,230 --> 00:54:51,440

we don't have anything good why is it

1489

00:54:57,030 --> 00:54:54,240

always blurry it is very frustrating

1490

00:54:57,990 --> 00:54:57,040

but i do hear that over and over again

1491

00:55:00,630 --> 00:54:58,000

every day

1492

00:55:01,510 --> 00:55:00,640

i tried to get an image of it and my

1493

00:55:04,710 --> 00:55:01,520

camera that's

1494

00:55:05,990 --> 00:55:04,720

never not worked before i swear to you i

1495

00:55:08,470 --> 00:55:06,000

had just charged it that

1496

00:55:09,270 --> 00:55:08,480

morning i couldn't get it to do a damn

1497

00:55:13,910 --> 00:55:09,280

thing

1498

00:55:17,190 --> 00:55:13,920

airspace boom it's all working again

1499

00:55:18,309 --> 00:55:17,200

right yeah you hear that a lot and um i

1500

00:55:20,309 --> 00:55:18,319

mentioned this and i don't want to be

1501
00:55:21,829 --> 00:55:20,319
redundant but you know i i mentioned

1502
00:55:24,150 --> 00:55:21,839
this that

1503
00:55:26,230 --> 00:55:24,160
a russian gentleman i spoke to was going

1504
00:55:27,829 --> 00:55:26,240
through a mountain pass in russia

1505
00:55:29,589 --> 00:55:27,839
years ago and he said that every single

1506
00:55:31,589 --> 00:55:29,599
car engine stopped

1507
00:55:33,510 --> 00:55:31,599
and this cigar-shaped thing floated over

1508
00:55:33,990 --> 00:55:33,520
them and then you know after it went

1509
00:55:36,789 --> 00:55:34,000
through the

1510
00:55:38,069 --> 00:55:36,799
pass every car started you know everyone

1511
00:55:40,630 --> 00:55:38,079
could start their engine back up

1512
00:55:42,069 --> 00:55:40,640
it does seem to affect things like that

1513
00:55:44,069 --> 00:55:42,079

we only have a few minutes

1514

00:55:45,349 --> 00:55:44,079

or actually we have less than a minute

1515

00:55:47,910 --> 00:55:45,359

left so

1516

00:55:49,510 --> 00:55:47,920

why don't you if you would um do you

1517

00:55:51,030 --> 00:55:49,520

have a website or

1518

00:55:52,789 --> 00:55:51,040

you have a way to be contacted you want

1519

00:55:54,950 --> 00:55:52,799

to give out well

1520

00:55:56,710 --> 00:55:54,960

on the personal side as a writer if

1521

00:55:58,069 --> 00:55:56,720

anyone wants to look at my works that

1522

00:56:02,510 --> 00:55:58,079

are available

1523

00:56:06,349 --> 00:56:02,520

i'm at roger marsh dot that's

1524

00:56:11,750 --> 00:56:08,789

marsh.moonfruit.com

1525

00:56:13,910 --> 00:56:11,760

moon fruit moonfruit.com it's a free

1526
00:56:14,549 --> 00:56:13,920
place put a website up it's very easy to

1527
00:56:19,910 --> 00:56:14,559
do

1528
00:56:22,710 --> 00:56:19,920
there's free things over there i wrote a

1529
00:56:25,750 --> 00:56:22,720
paranormal short story

1530
00:56:27,510 --> 00:56:25,760
i have done three

1531
00:56:29,270 --> 00:56:27,520
paranormal documentaries which were

1532
00:56:31,030 --> 00:56:29,280
available free at youtube

1533
00:56:33,750 --> 00:56:31,040
but you can see the descriptions you can

1534
00:56:35,510 --> 00:56:33,760
click and easily go right over

1535
00:56:37,670 --> 00:56:35,520
i did write and direct full-length

1536
00:56:38,950 --> 00:56:37,680
comedy you could see that over there i

1537
00:56:42,069 --> 00:56:38,960
did write and direct

1538
00:56:43,270 --> 00:56:42,079

a paranormal docu-drama that's over

1539

00:56:46,470 --> 00:56:43,280

there

1540

00:56:48,390 --> 00:56:46,480

um and then i do write for huffington

1541

00:56:50,390 --> 00:56:48,400

post you could click to go there

1542

00:56:51,910 --> 00:56:50,400

i have not probably put open minds in

1543

00:56:54,549 --> 00:56:51,920

yet

1544

00:56:55,990 --> 00:56:54,559

roger thanks so much we ran out of time

1545

00:56:57,510 --> 00:56:56,000

thank you so much

1546

00:56:59,910 --> 00:56:57,520

okay thanks for having me bye-bye you

1547

00:57:01,109 --> 00:56:59,920

bet so that's it for our show today

1548

00:57:04,390 --> 00:57:01,119

if you missed any part of it you can

1549

00:57:05,910 --> 00:57:04,400

catch the podcast over at podcastufo.com

1550

00:57:08,470 --> 00:57:05,920

i want to thank everyone for helping out

1551

00:57:11,750 --> 00:57:08,480

with the show today

1552

00:57:12,390 --> 00:57:11,760

keith roland and andy fleming for his

1553

00:57:14,710 --> 00:57:12,400

clip

1554

00:57:16,069 --> 00:57:14,720

you can check us out live here next week

1555

00:57:16,630 --> 00:57:16,079

right here at the dark matter radio

1556

00:57:19,109 --> 00:57:16,640

network

1557

00:57:20,390 --> 00:57:19,119

and every wednesday at 9 00 pm eastern

1558

00:57:22,470 --> 00:57:20,400

standard time
