

1  
00:00:04,150 --> 00:00:02,470  
and it hits me oh my gosh this is that

2  
00:00:05,349 --> 00:00:04,160  
triangle you know there's explanation

3  
00:00:07,349 --> 00:00:05,359  
for everything that occurred in the

4  
00:00:09,910 --> 00:00:07,359  
renal chambers incident that doesn't

5  
00:00:13,270 --> 00:00:09,920  
involve aliens at all it was completely

6  
00:00:14,230 --> 00:00:13,280  
silent it comes right over our heads he

7  
00:00:16,550 --> 00:00:14,240  
saw a

8  
00:00:18,390 --> 00:00:16,560  
classic flying saucer really standing in

9  
00:00:19,830 --> 00:00:18,400  
the clearing he turned over to my father

10  
00:00:25,269 --> 00:00:19,840  
and held his hand and he looked in his

11  
00:00:30,950 --> 00:00:28,630  
welcome to podcast ufo for our live show

12  
00:00:33,430 --> 00:00:30,960  
we're live every wednesday on the dark

13  
00:00:36,790 --> 00:00:33,440

matter radio network please remember to

14

00:00:39,990 --> 00:00:36,800

visit the website [podcastufo.com](http://podcastufo.com)

15

00:00:42,069 --> 00:00:40,000

for past episodes blogs and forums

16

00:00:43,830 --> 00:00:42,079

during the show feel free to participate

17

00:00:45,990 --> 00:00:43,840

live in our chat room

18

00:00:48,709 --> 00:00:46,000

and don't forget to like us on our very

19

00:00:50,869 --> 00:00:48,719

active facebook page hello and welcome

20

00:00:52,630 --> 00:00:50,879

to the show i'm martin willis your host

21

00:00:55,510 --> 00:00:52,640

and we're coming at you live like every

22

00:00:58,470 --> 00:00:55,520

wednesday at 9 00 pm eastern standard

23

00:01:00,470 --> 00:00:58,480

time on the dark matter radio network we

24

00:01:02,869 --> 00:01:00,480

have another great show for you tonight

25

00:01:05,910 --> 00:01:02,879

our guest this evening is ryan mullahy

26  
00:01:07,990 --> 00:01:05,920  
he was on several episodes ago i think

27  
00:01:11,030 --> 00:01:08,000  
maybe episode 88

28  
00:01:12,789 --> 00:01:11,040  
talking about a particular case he's a

29  
00:01:14,469 --> 00:01:12,799  
writer and a ufo researcher and we're

30  
00:01:17,830 --> 00:01:14,479  
going to talk about different aspects of

31  
00:01:19,990 --> 00:01:17,840  
the ufo field this evening and i've got

32  
00:01:22,950 --> 00:01:20,000  
to know ryan and he has a lot of

33  
00:01:24,390 --> 00:01:22,960  
integrity and he and i are you know kind

34  
00:01:27,030 --> 00:01:24,400  
of speak the same language when it comes

35  
00:01:29,670 --> 00:01:27,040  
to ufos so it should be a good show

36  
00:01:32,390 --> 00:01:29,680  
tonight most of you probably heard that

37  
00:01:33,830 --> 00:01:32,400  
our regular guest stanton t friedman had

38  
00:01:36,870 --> 00:01:33,840

a heart attack and i've been

39

00:01:38,469 --> 00:01:36,880

communicating with his very close friend

40

00:01:41,510 --> 00:01:38,479

kathleen martin

41

00:01:43,990 --> 00:01:41,520

and her direct quote is

42

00:01:46,389 --> 00:01:44,000

quote stan had a mild heart attack on

43

00:01:48,469 --> 00:01:46,399

friday night he's now feeling chipper

44

00:01:51,270 --> 00:01:48,479

and resting in the hospital while he

45

00:01:53,990 --> 00:01:51,280

awaits further testing his doctors have

46

00:01:55,510 --> 00:01:54,000

advised him to rest and recuperate so

47

00:01:57,510 --> 00:01:55,520

he's had to cancel his upcoming

48

00:02:00,950 --> 00:01:57,520

engagements in roswell

49

00:02:03,350 --> 00:02:00,960

new mexico and in cherry hill new jersey

50

00:02:05,510 --> 00:02:03,360

and we're all pulling for you stan

51  
00:02:09,430 --> 00:02:05,520  
and we need you in this field so have

52  
00:02:11,350 --> 00:02:09,440  
yourself a speedy recovery and on a even

53  
00:02:13,990 --> 00:02:11,360  
sadder note i hate to bring up the sad

54  
00:02:15,190 --> 00:02:14,000  
news but a guest that i really enjoyed

55  
00:02:17,910 --> 00:02:15,200  
last year

56  
00:02:20,470 --> 00:02:17,920  
terry hansen he was rather on the young

57  
00:02:22,470 --> 00:02:20,480  
side and he passed away from a massive

58  
00:02:25,350 --> 00:02:22,480  
heart a massive heart attack massive

59  
00:02:27,030 --> 00:02:25,360  
coronary in his sleep last thursday on

60  
00:02:29,350 --> 00:02:27,040  
june 26th

61  
00:02:31,190 --> 00:02:29,360  
researcher robert hastings is a very

62  
00:02:34,070 --> 00:02:31,200  
good friend of terry's and he wrote me

63  
00:02:37,430 --> 00:02:34,080

that quote terry was a pioneer in a

64

00:02:40,470 --> 00:02:37,440

first class act

65

00:02:42,229 --> 00:02:40,480

unquote he was mostly noted for his book

66

00:02:43,990 --> 00:02:42,239

the missing times

67

00:02:46,550 --> 00:02:44,000

and again i really enjoyed him on the

68

00:02:48,790 --> 00:02:46,560

show i wanted him back and here's just a

69

00:02:51,430 --> 00:02:48,800

quick clip to give you a sample you can

70

00:02:53,509 --> 00:02:51,440

actually listen to the podcast it's uh

71

00:02:56,470 --> 00:02:53,519

it's linked to our show notes right on

72

00:02:57,509 --> 00:02:56,480

our home page uh here's a quick clip of

73

00:02:58,790 --> 00:02:57,519

terry

74

00:03:01,110 --> 00:02:58,800

the general

75

00:03:02,949 --> 00:03:01,120

impression that you got from reading the

76

00:03:05,910 --> 00:03:02,959

tabloids and looking at the tabloids was

77

00:03:08,470 --> 00:03:05,920

that uh you know ufos were kind of a

78

00:03:10,630 --> 00:03:08,480

trashy disreputable subject and that of

79

00:03:12,630 --> 00:03:10,640

course is exactly what the robertson

80

00:03:14,630 --> 00:03:12,640

panel said it wanted to do

81

00:03:16,470 --> 00:03:14,640

so i think there's a pretty good trail

82

00:03:19,110 --> 00:03:16,480

of evidence there that the

83

00:03:22,149 --> 00:03:19,120

national enquirer was was covering the

84

00:03:24,149 --> 00:03:22,159

ufo topic because of gene pope's

85

00:03:26,070 --> 00:03:24,159

uh affiliation with the central

86

00:03:28,470 --> 00:03:26,080

intelligence agency

87

00:03:30,390 --> 00:03:28,480

yeah that was terry hansen and terry may

88

00:03:32,789 --> 00:03:30,400

you rest in peace

89

00:03:34,630 --> 00:03:32,799

now we have a uh we have another clip

90

00:03:36,630 --> 00:03:34,640

from andy fleming

91

00:03:38,149 --> 00:03:36,640

life on boy you know i don't know how

92

00:03:40,949 --> 00:03:38,159

you say this it's a

93

00:03:44,789 --> 00:03:40,959

insulate enceladus it's the

94

00:03:47,589 --> 00:03:44,799

it's the moon on uh jupiter and

95

00:03:48,869 --> 00:03:47,599

um it's a real interesting topic and

96

00:03:50,710 --> 00:03:48,879

here is

97

00:03:53,910 --> 00:03:50,720

andy's clip right here

98

00:03:58,270 --> 00:03:53,920

hi martin and listeners well the

99

00:04:01,350 --> 00:03:58,280

possible haunts of et or at least

100

00:04:03,910 --> 00:04:01,360

extraterrestrial microbes are moving

101  
00:04:07,110 --> 00:04:03,920  
further out into our solar system from

102  
00:04:10,390 --> 00:04:07,120  
mars to jupiter and its moon europa to

103  
00:04:13,830 --> 00:04:10,400  
saturn's titan and most recently to its

104  
00:04:16,870 --> 00:04:13,840  
icy moon enceladus this

105  
00:04:20,229 --> 00:04:16,880  
little world is the sixth largest of

106  
00:04:24,150 --> 00:04:20,239  
saturn's 62 moons and was discovered in

107  
00:04:27,110 --> 00:04:24,160  
1789 by william herschel nasa's cassini

108  
00:04:30,790 --> 00:04:27,120  
spacecraft has made several flybys of

109  
00:04:33,670 --> 00:04:30,800  
the 500 kilometer diameter moon over the

110  
00:04:36,870 --> 00:04:33,680  
last 10 years and has discovered plumes

111  
00:04:39,749 --> 00:04:36,880  
of water vapor erupting into space these

112  
00:04:42,150 --> 00:04:39,759  
emanate from fractures and striations

113  
00:04:45,110 --> 00:04:42,160

around the south pole that planetary

114

00:04:47,909 --> 00:04:45,120

scientists have called tiger stripes

115

00:04:51,270 --> 00:04:47,919

over the eons the ejected material from

116

00:04:54,469 --> 00:04:51,280

this so-called cryovolcanism has created

117

00:04:56,790 --> 00:04:54,479

saturn's beautiful e-ring cassini has

118

00:04:59,270 --> 00:04:56,800

actually tasted one of the plumes and

119

00:05:02,390 --> 00:04:59,280

after a fly through scientific analysis

120

00:05:05,350 --> 00:05:02,400

showed that the gazers on enceladus

121

00:05:07,590 --> 00:05:05,360

contain organic molecules although these

122

00:05:11,110 --> 00:05:07,600

are not alive in themselves they are

123

00:05:14,310 --> 00:05:11,120

based on carbon chemistry now last april

124

00:05:16,150 --> 00:05:14,320

nasa announced the startling discovery

125

00:05:19,430 --> 00:05:16,160

that there's an ocean up to 10

126

00:05:22,629 --> 00:05:19,440

kilometers in depth and the size of lake

127

00:05:25,430 --> 00:05:22,639

superior at the moon's south pole this

128

00:05:28,230 --> 00:05:25,440

is the location of the majority of the

129

00:05:31,590 --> 00:05:28,240

geezers and is a result of the friction

130

00:05:34,550 --> 00:05:31,600

and heat generated by saturn's immense

131

00:05:36,629 --> 00:05:34,560

gravitational tidal forces now this of

132

00:05:38,350 --> 00:05:36,639

course raises the tantalizing

133

00:05:41,110 --> 00:05:38,360

possibility of

134

00:05:43,270 --> 00:05:41,120

extraterrestrial life on enceladus

135

00:05:46,150 --> 00:05:43,280

astrobiologists state that the main

136

00:05:49,029 --> 00:05:46,160

requirements of life are water energy

137

00:05:51,909 --> 00:05:49,039

and chemical nutrients all of these are

138

00:05:54,790 --> 00:05:51,919

present on the moon many are now citing

139

00:05:57,670 --> 00:05:54,800

enceladus as a better candidate for the

140

00:06:02,790 --> 00:05:57,680

discovery of life than europa due to its

141

00:06:05,270 --> 00:06:02,800

thin crust and outgassing of water vapor

142

00:06:06,950 --> 00:06:05,280

well he says geezers we say geysers in

143

00:06:08,390 --> 00:06:06,960

the us but you know what i bet those

144

00:06:10,469 --> 00:06:08,400

brits are right they're probably saying

145

00:06:14,230 --> 00:06:10,479

it the right way we're murdering their

146

00:06:16,150 --> 00:06:14,240

language as usual and so right now i

147

00:06:17,830 --> 00:06:16,160

want to thank you andy but if you're

148

00:06:20,230 --> 00:06:17,840

listening live please jump in our chat

149

00:06:22,550 --> 00:06:20,240

room and you can interact with us and

150

00:06:23,909 --> 00:06:22,560

actually ask our ask our guests some

151  
00:06:25,950 --> 00:06:23,919  
questions

152  
00:06:28,230 --> 00:06:25,960  
so you just need to go to

153  
00:06:31,430 --> 00:06:28,240  
podcastufo.com and right on our sidebar

154  
00:06:32,870 --> 00:06:31,440  
bar it's a quick sign in and how are you

155  
00:06:34,390 --> 00:06:32,880  
ryan

156  
00:06:37,189 --> 00:06:34,400  
how you doing mars thanks for having me

157  
00:06:40,070 --> 00:06:37,199  
again yes uh i really enjoyed having you

158  
00:06:41,830 --> 00:06:40,080  
uh on last time and i've been fun

159  
00:06:45,189 --> 00:06:41,840  
talking to you since um you know in

160  
00:06:46,870 --> 00:06:45,199  
between and uh you have a uh you have a

161  
00:06:48,390 --> 00:06:46,880  
conference coming up you're gonna be at

162  
00:06:51,350 --> 00:06:48,400  
in exeter new hampshire

163  
00:06:55,110 --> 00:06:51,360

can you quickly uh throw that out there

164

00:06:57,189 --> 00:06:55,120

sure i'm going to be at the 2014 exeter

165

00:06:58,390 --> 00:06:57,199

ufo festival which is in exeter new

166

00:07:00,710 --> 00:06:58,400

hampshire

167

00:07:02,469 --> 00:07:00,720

and this is going to be the fifth year

168

00:07:04,710 --> 00:07:02,479

it would have been the sixth year but

169

00:07:06,710 --> 00:07:04,720

last year unfortunately lightning struck

170

00:07:08,870 --> 00:07:06,720

the exeter town hall

171

00:07:10,950 --> 00:07:08,880

and they were unable to do the repairs

172

00:07:12,230 --> 00:07:10,960

in time so this year will be the fifth

173

00:07:14,150 --> 00:07:12,240

year and

174

00:07:17,430 --> 00:07:14,160

it's a really great event um you know

175

00:07:19,909 --> 00:07:17,440

it's one of the only free ufo festivals

176

00:07:21,670 --> 00:07:19,919

i think in the country that i know of

177

00:07:22,550 --> 00:07:21,680

and um

178

00:07:24,790 --> 00:07:22,560

it's

179

00:07:26,790 --> 00:07:24,800

sponsored by the kiwanis

180

00:07:28,309 --> 00:07:26,800

and they sell food and they sell

181

00:07:30,710 --> 00:07:28,319

t-shirts and all that money goes to

182

00:07:32,950 --> 00:07:30,720

local charities so it's it's really good

183

00:07:35,189 --> 00:07:32,960

because all the profits go to charity

184

00:07:38,230 --> 00:07:35,199

and there's family events but there's

185

00:07:40,390 --> 00:07:38,240

also serious lectures from researchers

186

00:07:41,990 --> 00:07:40,400

such as myself and then stan friedman

187

00:07:43,909 --> 00:07:42,000

and richard dolan will be speaking as

188

00:07:45,350 --> 00:07:43,919

well as a few other people so it's a

189

00:07:46,469 --> 00:07:45,360

really nice event

190

00:07:47,909 --> 00:07:46,479

yeah richard will be there i'm going to

191

00:07:48,950 --> 00:07:47,919

get to meet him there that'll be good

192

00:07:51,110 --> 00:07:48,960

i'm going to be there i'm going to have

193

00:07:53,189 --> 00:07:51,120

a table there so any of the listeners

194

00:07:55,909 --> 00:07:53,199

that are in the new england area or want

195

00:07:57,430 --> 00:07:55,919

to have a real fun time and you want to

196

00:08:00,230 --> 00:07:57,440

come out and visit us

197

00:08:02,869 --> 00:08:00,240

i will be set up with a table there

198

00:08:03,990 --> 00:08:02,879

and going to be interviewing a few

199

00:08:06,070 --> 00:08:04,000

guests

200

00:08:07,990 --> 00:08:06,080

richard dolan yourself

201  
00:08:09,270 --> 00:08:08,000  
and hopefully stanton will be able to

202  
00:08:11,029 --> 00:08:09,280  
attend that one

203  
00:08:12,790 --> 00:08:11,039  
hopefully i heard what happened

204  
00:08:14,790 --> 00:08:12,800  
definitely said my best to him i hope he

205  
00:08:17,110 --> 00:08:14,800  
gets well soon yeah that's right you

206  
00:08:18,550 --> 00:08:17,120  
know last weekend ryan uh we talked

207  
00:08:19,749 --> 00:08:18,560  
briefly last weekend i was out in

208  
00:08:22,950 --> 00:08:19,759  
chicago

209  
00:08:24,550 --> 00:08:22,960  
and um i i do another show

210  
00:08:26,309 --> 00:08:24,560  
i don't know how many listeners out

211  
00:08:28,309 --> 00:08:26,319  
there know that i do another show but i

212  
00:08:30,070 --> 00:08:28,319  
do a show on antiques i grew up all

213  
00:08:32,149 --> 00:08:30,080

around antiques and

214

00:08:33,509 --> 00:08:32,159

antiques and fine art and so i was out

215

00:08:36,389 --> 00:08:33,519

in chicago

216

00:08:38,630 --> 00:08:36,399

doing a show on antiques and i got done

217

00:08:40,070 --> 00:08:38,640

and i got the courage

218

00:08:42,790 --> 00:08:40,080

as i was pretty comfortable with the

219

00:08:44,070 --> 00:08:42,800

panel of uh five people there and i said

220

00:08:46,550 --> 00:08:44,080

uh

221

00:08:48,389 --> 00:08:46,560

what do you guys think about ufos and

222

00:08:51,269 --> 00:08:48,399

you know their

223

00:08:53,030 --> 00:08:51,279

their replies were typical um for you

224

00:08:54,550 --> 00:08:53,040

know the ridicule based

225

00:08:59,030 --> 00:08:54,560

world out there so i'm going to play

226

00:08:59,040 --> 00:09:06,870

what is your opinion on ufos

227

00:09:09,910 --> 00:09:08,389

you really caught me with my pants down

228

00:09:12,070 --> 00:09:09,920

around my ankles but

229

00:09:14,710 --> 00:09:12,080

they might exist but i'm i'm a believer

230

00:09:16,710 --> 00:09:14,720

in anything you could sell me anything

231

00:09:20,389 --> 00:09:16,720

okay did you ever hear about the o'hare

232

00:09:29,829 --> 00:09:20,399

airport incident the night in 2006 no no

233

00:09:33,509 --> 00:09:31,509

you sure it wasn't a stalled plane i

234

00:09:37,110 --> 00:09:33,519

mean they stack them up pretty pretty

235

00:09:39,509 --> 00:09:37,120

deep on it out here

236

00:09:40,949 --> 00:09:39,519

my mind is open to anything

237

00:09:45,430 --> 00:09:40,959

i guess i just wonder if they're

238

00:09:45,440 --> 00:09:48,790

they eat antiques

239

00:09:53,350 --> 00:09:50,790

i have enough trouble dealing with what

240

00:09:55,030 --> 00:09:53,360

i can see and what i know

241

00:09:56,550 --> 00:09:55,040

i've been in retail all my life need i

242

00:09:58,310 --> 00:09:56,560

say more

243

00:10:00,710 --> 00:09:58,320

that's it okay

244

00:10:04,389 --> 00:10:00,720

harry on ufos and i've been in roswell

245

00:10:05,990 --> 00:10:04,399

new mexico and i know they exist

246

00:10:10,389 --> 00:10:06,000

have you really been there have you seen

247

00:10:14,790 --> 00:10:12,230

i cannot possibly believe we're the only

248

00:10:17,030 --> 00:10:14,800

things around i can't believe that i

249

00:10:19,509 --> 00:10:17,040

really can't they're there

250

00:10:21,910 --> 00:10:19,519

but they're friendly

251

00:10:24,230 --> 00:10:21,920

so that was it um so ryan what's your

252

00:10:26,630 --> 00:10:24,240

what's your comments on you know that

253

00:10:28,069 --> 00:10:26,640

sort of a a mixed group you just throw

254

00:10:29,190 --> 00:10:28,079

the topic in there

255

00:10:32,310 --> 00:10:29,200

and uh

256

00:10:34,470 --> 00:10:32,320

i i like the guy that uh says uh i'm

257

00:10:35,590 --> 00:10:34,480

open-minded you could sell me on

258

00:10:37,190 --> 00:10:35,600

anything

259

00:10:39,110 --> 00:10:37,200

oh definitely

260

00:10:40,550 --> 00:10:39,120

yeah my thoughts are i thought that was

261

00:10:41,910 --> 00:10:40,560

you know for just throwing it out there

262

00:10:44,069 --> 00:10:41,920

i thought that was a pretty you know

263

00:10:45,910 --> 00:10:44,079

positive response overall you know

264

00:10:47,590 --> 00:10:45,920

everybody seemed pretty open-minded to

265

00:10:49,269 --> 00:10:47,600

the possibility so

266

00:10:50,870 --> 00:10:49,279

um

267

00:10:52,470 --> 00:10:50,880

you know bit more positive sometimes

268

00:10:53,990 --> 00:10:52,480

than when you just throw it out there to

269

00:10:55,829 --> 00:10:54,000

you know a random group of people

270

00:10:58,389 --> 00:10:55,839

typically you tend to get more opposing

271

00:11:01,430 --> 00:10:58,399

views on the subject so

272

00:11:03,750 --> 00:11:01,440

yeah yeah and um you know i mean i also

273

00:11:06,310 --> 00:11:03,760

thought the woman who said um i have a

274

00:11:07,590 --> 00:11:06,320

hard time dealing with what i can see

275

00:11:10,470 --> 00:11:07,600

you know i thought that was a pretty

276

00:11:11,350 --> 00:11:10,480

typical and you know probably across the

277

00:11:13,430 --> 00:11:11,360

board

278

00:11:15,590 --> 00:11:13,440

what you know a lot of people feel like

279

00:11:17,509 --> 00:11:15,600

oh my god don't add that to my life i

280

00:11:18,550 --> 00:11:17,519

already have too much going on

281

00:11:20,150 --> 00:11:18,560

you know

282

00:11:22,389 --> 00:11:20,160

definitely yeah i think i think

283

00:11:24,150 --> 00:11:22,399

sometimes unless you know you've had had

284

00:11:26,069 --> 00:11:24,160

a sighting yourself or for whatever

285

00:11:27,910 --> 00:11:26,079

reason you develop a you know a deep

286

00:11:29,750 --> 00:11:27,920

interest in the subject it a lot of

287

00:11:31,430 --> 00:11:29,760

times it falls into that category for

288

00:11:33,190 --> 00:11:31,440

people where you know they may be

289

00:11:34,870 --> 00:11:33,200

interested or open but they're just you

290

00:11:36,710 --> 00:11:34,880

know busy living their lives doing

291

00:11:38,790 --> 00:11:36,720

things so they're just not

292

00:11:40,870 --> 00:11:38,800

you know into looking to it personally

293

00:11:43,430 --> 00:11:40,880

yeah so you were on quite a while ago

294

00:11:45,269 --> 00:11:43,440

several months ago so just for a quick

295

00:11:46,870 --> 00:11:45,279

recap can you tell the listening

296

00:11:49,350 --> 00:11:46,880

audience who you are and i know you had

297

00:11:51,269 --> 00:11:49,360

a couple sightings so um can you just

298

00:11:52,150 --> 00:11:51,279

talk you know kind of briefly about all

299

00:11:54,710 --> 00:11:52,160

that

300

00:11:56,949 --> 00:11:54,720

sure so basically

301

00:11:59,190 --> 00:11:56,959

in the late 90s i had a ufo sighting in

302

00:12:01,509 --> 00:11:59,200

new hampshire and after i had the

303

00:12:03,350 --> 00:12:01,519

sighting you know i just was pretty

304

00:12:05,110 --> 00:12:03,360

blown away and you know i wanted to try

305

00:12:07,829 --> 00:12:05,120

and find as much information i could

306

00:12:10,230 --> 00:12:07,839

find on ufo sightings in new hampshire

307

00:12:12,150 --> 00:12:10,240

and you know new england in general so

308

00:12:14,470 --> 00:12:12,160

that that's how i got started doing my

309

00:12:15,990 --> 00:12:14,480

research and you know as i went on i

310

00:12:17,990 --> 00:12:16,000

just you know found a lot of really

311

00:12:19,670 --> 00:12:18,000

interesting cases and i just found that

312

00:12:21,910 --> 00:12:19,680

new hampshire had a really interesting

313

00:12:23,829 --> 00:12:21,920

ufo history

314

00:12:25,509 --> 00:12:23,839

obviously the instant exeter case and

315

00:12:27,269 --> 00:12:25,519

betty and barney hill are two you know

316

00:12:29,190 --> 00:12:27,279

cases that come to mind right away but

317

00:12:31,910 --> 00:12:29,200

there's also a lot of really great other

318

00:12:33,430 --> 00:12:31,920

cases that are you know lesser known so

319

00:12:34,949 --> 00:12:33,440

the more i started looking into the

320

00:12:36,069 --> 00:12:34,959

subject you know because of my own

321

00:12:38,230 --> 00:12:36,079

sighting

322

00:12:40,470 --> 00:12:38,240

i just started getting into the history

323

00:12:42,629 --> 00:12:40,480

of the ufo phenomenon in new hampshire

324

00:12:45,990 --> 00:12:42,639

and you know the more i went on that

325

00:12:47,910 --> 00:12:46,000

became my focus so in 2011 i started new

326

00:12:50,710 --> 00:12:47,920

hampshire ufo research which basically

327

00:12:53,030 --> 00:12:50,720

what i do is i research the history of

328

00:12:54,949 --> 00:12:53,040

the ufo phenomena in new hampshire and

329

00:12:56,790 --> 00:12:54,959

i've written research articles on it and

330

00:12:58,389 --> 00:12:56,800

i'm also working on

331

00:13:00,550 --> 00:12:58,399

a new website where it'll be a

332

00:13:02,550 --> 00:13:00,560

research-based website where people can

333

00:13:05,829 --> 00:13:02,560

go and they can access a lot of the

334

00:13:07,829 --> 00:13:05,839

research that i've you know retrieved

335

00:13:09,269 --> 00:13:07,839

and use that as a tool

336

00:13:13,030 --> 00:13:09,279

now do you source

337

00:13:15,190 --> 00:13:13,040

do you source your your findings

338

00:13:16,870 --> 00:13:15,200

as far as my articles yes

339

00:13:21,190 --> 00:13:16,880

i always have a reference list at the

340

00:13:22,230 --> 00:13:21,200

bottom yes i always list my sources and

341

00:13:24,069 --> 00:13:22,240

you know one of the things that we

342

00:13:26,230 --> 00:13:24,079

talked about last time and just for the

343

00:13:27,509 --> 00:13:26,240

person that didn't listen uh actually we

344

00:13:30,310 --> 00:13:27,519

have a lot

345

00:13:31,670 --> 00:13:30,320

more new listeners since um since you

346

00:13:33,269 --> 00:13:31,680

were on last time

347

00:13:35,590 --> 00:13:33,279

um you

348

00:13:36,470 --> 00:13:35,600

are kind of the person that uncovered

349

00:13:38,230 --> 00:13:36,480

this

350

00:13:40,790 --> 00:13:38,240

um when that was floating around the

351  
00:13:42,790 --> 00:13:40,800  
internet saying the earliest ufo picture

352  
00:13:45,590 --> 00:13:42,800  
in the world uh you kind of uncovered

353  
00:13:47,750 --> 00:13:45,600  
that it was a it was some type of

354  
00:13:49,350 --> 00:13:47,760  
structure in the snow that made it look

355  
00:13:50,710 --> 00:13:49,360  
like a cloud

356  
00:13:53,030 --> 00:13:50,720  
that was pretty great that was pretty

357  
00:13:57,350 --> 00:13:55,269  
that was a stereo what's called

358  
00:14:00,069 --> 00:13:57,360  
in the antique world here i am again a

359  
00:14:02,710 --> 00:14:00,079  
stereo opticon view card

360  
00:14:04,790 --> 00:14:02,720  
and what it is it's a it's a stereo card

361  
00:14:07,590 --> 00:14:04,800  
so when you look at it in these glasses

362  
00:14:10,150 --> 00:14:07,600  
it's kind of like the 3d it it actually

363  
00:14:11,670 --> 00:14:10,160

gives a 3d effect

364

00:14:13,110 --> 00:14:11,680

exactly

365

00:14:14,870 --> 00:14:13,120

and uh do you want to talk about

366

00:14:16,389 --> 00:14:14,880

uncovering that just i know some

367

00:14:18,870 --> 00:14:16,399

listeners have already heard that but

368

00:14:20,710 --> 00:14:18,880

just briefly uh what you did yeah sure

369

00:14:23,030 --> 00:14:20,720

basically it was just a picture that you

370

00:14:25,590 --> 00:14:23,040

know surfaced in the early 2000s and you

371

00:14:27,910 --> 00:14:25,600

know i was always fascinated by it but

372

00:14:30,629 --> 00:14:27,920

the picture itself um

373

00:14:31,829 --> 00:14:30,639

was a cropped version of the photo that

374

00:14:34,550 --> 00:14:31,839

you're referring to which was the

375

00:14:36,389 --> 00:14:34,560

stereoscopic photo so

376

00:14:39,110 --> 00:14:36,399

you didn't get the full perspective of

377

00:14:41,430 --> 00:14:39,120

the original photo by this you know the

378

00:14:43,509 --> 00:14:41,440

photo that was first circulating when it

379

00:14:45,110 --> 00:14:43,519

was claimed to be a ufo so over the

380

00:14:46,310 --> 00:14:45,120

years you know i was always fascinated

381

00:14:49,430 --> 00:14:46,320

by it and

382

00:14:51,910 --> 00:14:49,440

you know i go back to it and eventually

383

00:14:55,590 --> 00:14:51,920

i came across an article that named the

384

00:14:58,310 --> 00:14:55,600

actual photographers who took the photos

385

00:14:59,750 --> 00:14:58,320

so that kind of gave me more to search

386

00:15:02,389 --> 00:14:59,760

with because now i had the names of the

387

00:15:04,790 --> 00:15:02,399

photographers so i was able to find that

388

00:15:06,550 --> 00:15:04,800

the new york public library had a set of

389

00:15:08,790 --> 00:15:06,560

these stereo photos and they had the

390

00:15:11,269 --> 00:15:08,800

original photo

391

00:15:12,870 --> 00:15:11,279

and you know once you view that photo

392

00:15:15,189 --> 00:15:12,880

you can see the full photo and the

393

00:15:18,150 --> 00:15:15,199

perspective and you know it becomes very

394

00:15:20,230 --> 00:15:18,160

clear that it's an object on the snow on

395

00:15:22,550 --> 00:15:20,240

the surface of mount washington now i

396

00:15:24,790 --> 00:15:22,560

can't take all the credit for it because

397

00:15:27,030 --> 00:15:24,800

you know this photos fascinated a number

398

00:15:29,749 --> 00:15:27,040

of people and there's been a number of

399

00:15:31,350 --> 00:15:29,759

blog posts and you know forum posts

400

00:15:33,749 --> 00:15:31,360

about it and you know which i do

401  
00:15:36,389 --> 00:15:33,759  
reference in my article so you know

402  
00:15:38,790 --> 00:15:36,399  
basically what i did is once i found

403  
00:15:41,030 --> 00:15:38,800  
those photos it became very apparent

404  
00:15:42,629 --> 00:15:41,040  
that it was not an object in the sky and

405  
00:15:43,910 --> 00:15:42,639  
then through some of the clues that

406  
00:15:45,670 --> 00:15:43,920  
other people

407  
00:15:47,430 --> 00:15:45,680  
had listed

408  
00:15:49,350 --> 00:15:47,440  
there's a book for example on the

409  
00:15:52,069 --> 00:15:49,360  
expedition that talks about the

410  
00:15:53,430 --> 00:15:52,079  
photography pretty in depth so that was

411  
00:15:55,509 --> 00:15:53,440  
a really good piece of evidence because

412  
00:15:57,749 --> 00:15:55,519  
there was no mention of you know any

413  
00:16:00,069 --> 00:15:57,759

sort of strange things in the sky from

414

00:16:01,829 --> 00:16:00,079

the photographers and there was also a

415

00:16:04,069 --> 00:16:01,839

list with all the names of the

416

00:16:05,749 --> 00:16:04,079

photographs and the name of the

417

00:16:07,829 --> 00:16:05,759

photograph was listed as frost

418

00:16:09,990 --> 00:16:07,839

architecture and if you look at this

419

00:16:12,069 --> 00:16:10,000

particular photo it

420

00:16:13,990 --> 00:16:12,079

looks like you know a frost structure on

421

00:16:16,790 --> 00:16:14,000

the surface of mount washington with

422

00:16:19,910 --> 00:16:16,800

some unknown object in the center of it

423

00:16:21,910 --> 00:16:19,920

um so so that's basically you know just

424

00:16:23,590 --> 00:16:21,920

from doing some research and you know

425

00:16:24,470 --> 00:16:23,600

looking for different evidence and you

426

00:16:26,069 --> 00:16:24,480

know

427

00:16:28,230 --> 00:16:26,079

referencing some other people that did

428

00:16:30,230 --> 00:16:28,240

some good work i just kind of brought it

429

00:16:31,990 --> 00:16:30,240

all together because

430

00:16:34,710 --> 00:16:32,000

you know i found that

431

00:16:36,310 --> 00:16:34,720

there's still a lot of sites even till

432

00:16:38,150 --> 00:16:36,320

now there's still a lot of sites that

433

00:16:40,310 --> 00:16:38,160

haven't taken this photo down and

434

00:16:42,230 --> 00:16:40,320

haven't acknowledged you know the the

435

00:16:44,150 --> 00:16:42,240

things that i brought forward so it's

436

00:16:45,829 --> 00:16:44,160

it's just a good example of how

437

00:16:47,350 --> 00:16:45,839

sometimes in ufology when something

438

00:16:49,189 --> 00:16:47,360

takes hold it's

439

00:16:51,430 --> 00:16:49,199

you really get to kind of get people's

440

00:16:53,269 --> 00:16:51,440

attention to try and get things you know

441

00:16:55,749 --> 00:16:53,279

corrected that's right and that's going

442

00:16:57,030 --> 00:16:55,759

to be a lot about our topic tonight

443

00:16:59,749 --> 00:16:57,040

those type of things you know for

444

00:17:01,590 --> 00:16:59,759

instance the ufos and religious

445

00:17:03,910 --> 00:17:01,600

paintings have you know more or less

446

00:17:06,390 --> 00:17:03,920

been debunked and

447

00:17:07,750 --> 00:17:06,400

and there's reasons behind all that and

448

00:17:08,949 --> 00:17:07,760

you can see that

449

00:17:11,669 --> 00:17:08,959

you know i'm

450

00:17:14,309 --> 00:17:11,679

not one to jump on anyone's debunking

451  
00:17:16,710 --> 00:17:14,319  
bandwagon but after i watched these

452  
00:17:19,029 --> 00:17:16,720  
videos on youtube basically very

453  
00:17:21,669 --> 00:17:19,039  
scientifically debunking

454  
00:17:24,069 --> 00:17:21,679  
what these images are

455  
00:17:26,309 --> 00:17:24,079  
that were painted these iconic

456  
00:17:27,350 --> 00:17:26,319  
images what appears to be like a flying

457  
00:17:29,270 --> 00:17:27,360  
saucer

458  
00:17:31,830 --> 00:17:29,280  
was typical in painting

459  
00:17:33,669 --> 00:17:31,840  
and i encourage people to check that out

460  
00:17:35,750 --> 00:17:33,679  
on youtube there's a guy that really

461  
00:17:37,750 --> 00:17:35,760  
takes his time he's not mean in any type

462  
00:17:39,830 --> 00:17:37,760  
of way he just explains what these

463  
00:17:41,750 --> 00:17:39,840

things are and uh but if you go on the

464

00:17:43,270 --> 00:17:41,760

internet right now all over the internet

465

00:17:45,350 --> 00:17:43,280

you'll find images

466

00:17:47,990 --> 00:17:45,360

and and actually in some documentaries

467

00:17:51,990 --> 00:17:48,000

too that show these uh so-called ufos

468

00:17:53,830 --> 00:17:52,000

and early renaissance paintings um we

469

00:17:55,430 --> 00:17:53,840

have uh the message board going here and

470

00:17:57,390 --> 00:17:55,440

anyone can jump over on it if you're

471

00:17:59,510 --> 00:17:57,400

listening live just go to

472

00:18:02,549 --> 00:17:59,520

podcastufo.com it's right on the sidebar

473

00:18:04,630 --> 00:18:02,559

real real easy sign in and we have a

474

00:18:07,590 --> 00:18:04,640

question up there now does ryan know of

475

00:18:11,510 --> 00:18:07,600

any ancient or historic american indian

476

00:18:15,590 --> 00:18:11,520

legends of ufos or et in the new

477

00:18:17,350 --> 00:18:15,600

hampshire or northern new england region

478

00:18:19,510 --> 00:18:17,360

well there you know i've done a bit of

479

00:18:22,150 --> 00:18:19,520

reading up on that and

480

00:18:23,750 --> 00:18:22,160

it's it's a little bit difficult because

481

00:18:25,909 --> 00:18:23,760

um

482

00:18:27,590 --> 00:18:25,919

the way the indians would you know kind

483

00:18:29,909 --> 00:18:27,600

of refer to different things and

484

00:18:31,830 --> 00:18:29,919

phenomenon was based a lot on their

485

00:18:33,029 --> 00:18:31,840

belief system and and

486

00:18:33,750 --> 00:18:33,039

you know

487

00:18:35,750 --> 00:18:33,760

so

488

00:18:38,310 --> 00:18:35,760

there were things that i came across in

489

00:18:41,029 --> 00:18:38,320

new hampshire and maine that um you know

490

00:18:43,270 --> 00:18:41,039

weren't blatant you know we saw a ufo

491

00:18:44,630 --> 00:18:43,280

but you know were things where they saw

492

00:18:47,190 --> 00:18:44,640

glowing i think they called them

493

00:18:48,870 --> 00:18:47,200

carbuncles on mountains and you know

494

00:18:50,870 --> 00:18:48,880

things where there shouldn't be light so

495

00:18:53,350 --> 00:18:50,880

i have come across you know some stuff

496

00:18:57,590 --> 00:18:53,360

like that but nothing really ultra

497

00:18:58,710 --> 00:18:57,600

concrete specific to you know ufos yeah

498

00:19:00,230 --> 00:18:58,720

no no

499

00:19:03,110 --> 00:19:00,240

you've never heard of like any drawings

500

00:19:04,710 --> 00:19:03,120

on rocks like they have like say in

501  
00:19:06,470 --> 00:19:04,720  
arizona i think there's actually some in

502  
00:19:09,350 --> 00:19:06,480  
massachusetts

503  
00:19:12,150 --> 00:19:09,360  
yeah not i haven't heard of anything

504  
00:19:14,710 --> 00:19:12,160  
specific to ufos in new hampshire right

505  
00:19:16,630 --> 00:19:14,720  
yeah okay well um

506  
00:19:19,430 --> 00:19:16,640  
we're going to talk a little bit about

507  
00:19:21,669 --> 00:19:19,440  
abductions later but right now i wanted

508  
00:19:24,310 --> 00:19:21,679  
to talk about you know sort of

509  
00:19:26,390 --> 00:19:24,320  
what it's like trying to police these

510  
00:19:27,830 --> 00:19:26,400  
type of situations that get out of hand

511  
00:19:30,950 --> 00:19:27,840  
and um

512  
00:19:32,470 --> 00:19:30,960  
you know it's it's to police them it's

513  
00:19:33,990 --> 00:19:32,480

good for everybody and i'm actually

514

00:19:37,029 --> 00:19:34,000

pretty excited because on

515

00:19:38,549 --> 00:19:37,039

july 29th on her show then i have a girl

516

00:19:40,470 --> 00:19:38,559

that calls herself

517

00:19:42,789 --> 00:19:40,480

sheila aliens

518

00:19:46,070 --> 00:19:42,799

she's a young girl probably in her 20s

519

00:19:48,789 --> 00:19:46,080

and she has been calling out people

520

00:19:50,950 --> 00:19:48,799

that are scamming on youtube on youtube

521

00:19:53,510 --> 00:19:50,960

with hoax videos i mean she i mean she

522

00:19:55,270 --> 00:19:53,520

takes them on you know head on and uh

523

00:19:56,070 --> 00:19:55,280

there's actually a great skype interview

524

00:19:58,870 --> 00:19:56,080

of her

525

00:20:01,190 --> 00:19:58,880

um uh head to head with the guy from

526

00:20:03,909 --> 00:20:01,200

third phase of the moon she's calling

527

00:20:06,070 --> 00:20:03,919

him out on all his hoaxes and it is the

528

00:20:08,549 --> 00:20:06,080

hoaxes that

529

00:20:11,510 --> 00:20:08,559

hoaxes and the myths that get carried

530

00:20:13,990 --> 00:20:11,520

away that muddy the waters and make it

531

00:20:16,070 --> 00:20:14,000

more difficult for the real researchers

532

00:20:18,310 --> 00:20:16,080

the people that take this serious

533

00:20:20,149 --> 00:20:18,320

to gain any ground

534

00:20:22,230 --> 00:20:20,159

and you've been involved in some things

535

00:20:24,710 --> 00:20:22,240

that go along those lines i'm not sure

536

00:20:26,390 --> 00:20:24,720

if you want to talk about any specifics

537

00:20:27,750 --> 00:20:26,400

but uh that's more or less your your

538

00:20:29,510 --> 00:20:27,760

thoughts

539

00:20:31,510 --> 00:20:29,520

yeah i don't know but i want to get into

540

00:20:33,350 --> 00:20:31,520

anything specific but you know i think

541

00:20:35,669 --> 00:20:33,360

that you know i think those those

542

00:20:38,549 --> 00:20:35,679

situations you know they do arise from

543

00:20:39,669 --> 00:20:38,559

time to time and you know i think it's

544

00:20:41,510 --> 00:20:39,679

important

545

00:20:44,070 --> 00:20:41,520

you know where this subject is you know

546

00:20:46,870 --> 00:20:44,080

it's there's a lot of ridicule and

547

00:20:49,590 --> 00:20:46,880

doubt behind it and you know it also you

548

00:20:51,669 --> 00:20:49,600

know due to its ambiguous nature it can

549

00:20:53,270 --> 00:20:51,679

attract people that you know maybe don't

550

00:20:55,110 --> 00:20:53,280

have the best intentions that they see

551  
00:20:57,590 --> 00:20:55,120  
the opportunity

552  
00:20:59,270 --> 00:20:57,600  
to take advantage of it because it is an

553  
00:21:01,110 --> 00:20:59,280  
ambiguous thing so i think it's

554  
00:21:02,870 --> 00:21:01,120  
important to call people out you know if

555  
00:21:05,029 --> 00:21:02,880  
you see something that isn't right or

556  
00:21:07,350 --> 00:21:05,039  
inaccurate you know i think it's really

557  
00:21:09,110 --> 00:21:07,360  
important to do that um you know but

558  
00:21:11,669 --> 00:21:09,120  
it's it's a double-edged sword because

559  
00:21:13,669 --> 00:21:11,679  
then at the same token you know

560  
00:21:16,070 --> 00:21:13,679  
it's very easy to get caught up in the

561  
00:21:17,830 --> 00:21:16,080  
you know the ufological you know back

562  
00:21:20,149 --> 00:21:17,840  
and forth in fighting and things like

563  
00:21:21,590 --> 00:21:20,159

that that i try to avoid but i think

564

00:21:24,390 --> 00:21:21,600

it's important you know if something's

565

00:21:27,190 --> 00:21:24,400

inaccurate or you see something you know

566

00:21:29,590 --> 00:21:27,200

that's deceptive it's important to you

567

00:21:30,870 --> 00:21:29,600

know politely point it out for the

568

00:21:32,390 --> 00:21:30,880

greater good

569

00:21:34,149 --> 00:21:32,400

yeah because you know what what happens

570

00:21:36,390 --> 00:21:34,159

as time goes on

571

00:21:38,950 --> 00:21:36,400

if there's if there's something that's

572

00:21:41,750 --> 00:21:38,960

you know misquoted or

573

00:21:45,190 --> 00:21:41,760

something that is is an entire myth

574

00:21:47,590 --> 00:21:45,200

that um is um

575

00:21:48,870 --> 00:21:47,600

you know uh said over and over again

576

00:21:50,870 --> 00:21:48,880

the next thing you know it sort of

577

00:21:54,230 --> 00:21:50,880

becomes part of the story and it's awful

578

00:21:57,029 --> 00:21:54,240

hard to shake now we had someone on the

579

00:21:58,950 --> 00:21:57,039

forum message board recently

580

00:22:00,230 --> 00:21:58,960

that was really going out one of our

581

00:22:02,149 --> 00:22:00,240

past guests

582

00:22:05,110 --> 00:22:02,159

because he mentioned i'm not going to

583

00:22:07,270 --> 00:22:05,120

get into the specifics of it but the

584

00:22:08,950 --> 00:22:07,280

past guest that i had

585

00:22:11,350 --> 00:22:08,960

mentioned a

586

00:22:13,270 --> 00:22:11,360

situation with timing

587

00:22:15,990 --> 00:22:13,280

of a witness

588

00:22:18,390 --> 00:22:16,000

that was on one show

589

00:22:21,110 --> 00:22:18,400

a number of years ago and then when he

590

00:22:25,110 --> 00:22:21,120

was on my show he was calling it as fact

591

00:22:27,430 --> 00:22:25,120

and that uh that really upset this guy

592

00:22:29,430 --> 00:22:27,440

so um and that's what happens because

593

00:22:31,830 --> 00:22:29,440

you know a lot of these myths can

594

00:22:33,430 --> 00:22:31,840

actually turn into believable facts and

595

00:22:34,950 --> 00:22:33,440

they get printed in books

596

00:22:36,950 --> 00:22:34,960

and next thing you know they're you know

597

00:22:40,230 --> 00:22:36,960

on tv people are watching it and you

598

00:22:42,470 --> 00:22:40,240

know swallowing it um and it's really

599

00:22:44,390 --> 00:22:42,480

difficult you know for instance roswell

600

00:22:46,310 --> 00:22:44,400

i'm sure that's a mixture

601  
00:22:48,149 --> 00:22:46,320  
of a lot of myths along with a lot of

602  
00:22:50,789 --> 00:22:48,159  
really hard facts and it's hard to tell

603  
00:22:53,350 --> 00:22:50,799  
what's real and what's not anymore

604  
00:22:54,950 --> 00:22:53,360  
i agree i agree and you know that's part

605  
00:22:56,310 --> 00:22:54,960  
of what i've tried to do you know with

606  
00:22:57,909 --> 00:22:56,320  
my research is

607  
00:23:00,230 --> 00:22:57,919  
you know a lot of these new hampshire

608  
00:23:02,549 --> 00:23:00,240  
cases you know two two or three come to

609  
00:23:04,310 --> 00:23:02,559  
mind the oldest own ufo photo was one

610  
00:23:06,549 --> 00:23:04,320  
there's a few others you know these are

611  
00:23:09,270 --> 00:23:06,559  
cases that i just was initially looking

612  
00:23:11,510 --> 00:23:09,280  
at because i was fascinated by them and

613  
00:23:13,750 --> 00:23:11,520

in my investigation or research into

614

00:23:15,510 --> 00:23:13,760

them you know i should say

615

00:23:17,510 --> 00:23:15,520

that's when you know things started to

616

00:23:18,230 --> 00:23:17,520

surface that called them into questions

617

00:23:19,110 --> 00:23:18,240

so

618

00:23:21,669 --> 00:23:19,120

you know

619

00:23:23,750 --> 00:23:21,679

for me it's always just about trying to

620

00:23:26,470 --> 00:23:23,760

find the best information and you know

621

00:23:28,710 --> 00:23:26,480

that's when i first had my sighting i

622

00:23:30,549 --> 00:23:28,720

found it very hard to

623

00:23:32,630 --> 00:23:30,559

you know get good information and you

624

00:23:34,390 --> 00:23:32,640

know there's all these people with books

625

00:23:36,710 --> 00:23:34,400

and you know who's credible who isn't

626

00:23:38,789 --> 00:23:36,720

you know so you know that's why what i'm

627

00:23:39,590 --> 00:23:38,799

trying to do for new hampshire is to

628

00:23:40,870 --> 00:23:39,600

just

629

00:23:43,110 --> 00:23:40,880

go through

630

00:23:44,710 --> 00:23:43,120

all the available stuff and really take

631

00:23:47,029 --> 00:23:44,720

a look and if there's you know anything

632

00:23:49,590 --> 00:23:47,039

new that i can come up with or if

633

00:23:51,750 --> 00:23:49,600

something doesn't you know quite

634

00:23:53,190 --> 00:23:51,760

pan out um you know just point it out

635

00:23:54,950 --> 00:23:53,200

and let people you know make the

636

00:23:56,789 --> 00:23:54,960

decision for themselves i try to you

637

00:23:57,750 --> 00:23:56,799

know i try not to

638

00:24:00,310 --> 00:23:57,760

um

639

00:24:02,230 --> 00:24:00,320

you know make any final determinations

640

00:24:04,070 --> 00:24:02,240

on things but merely just present what i

641

00:24:05,430 --> 00:24:04,080

found and you know let the reader decide

642

00:24:07,909 --> 00:24:05,440

for themselves

643

00:24:10,149 --> 00:24:07,919

right right um one of the things we you

644

00:24:12,390 --> 00:24:10,159

know i wanted to touch on briefly is um

645

00:24:13,430 --> 00:24:12,400

you mentioned betty and barney hill and

646

00:24:14,549 --> 00:24:13,440

uh

647

00:24:16,710 --> 00:24:14,559

you know the

648

00:24:18,390 --> 00:24:16,720

the abduction thing

649

00:24:19,669 --> 00:24:18,400

when i first when i first actually you

650

00:24:21,190 --> 00:24:19,679

know i had a sighting and when i first

651  
00:24:22,149 --> 00:24:21,200  
started doing the show

652  
00:24:27,430 --> 00:24:22,159  
i

653  
00:24:30,549 --> 00:24:27,440  
you know that's

654  
00:24:32,070 --> 00:24:30,559  
that's just too too too much too iffy

655  
00:24:32,789 --> 00:24:32,080  
but then i started thinking about things

656  
00:24:35,110 --> 00:24:32,799  
like

657  
00:24:36,070 --> 00:24:35,120  
you know the betty and barney hill case

658  
00:24:39,190 --> 00:24:36,080  
and

659  
00:24:41,269 --> 00:24:39,200  
how believable most of that is

660  
00:24:43,590 --> 00:24:41,279  
and then i remember the allagash case

661  
00:24:45,430 --> 00:24:43,600  
which was our show last week

662  
00:24:48,470 --> 00:24:45,440  
you know from way back i just remembered

663  
00:24:50,470 --> 00:24:48,480

briefly hearing about it

664

00:24:52,630 --> 00:24:50,480

and then you know travis walton you know

665

00:24:55,430 --> 00:24:52,640

there's some so

666

00:24:57,590 --> 00:24:55,440

solid cases into for me to actually

667

00:24:59,110 --> 00:24:57,600

interview these people sit across from

668

00:25:02,149 --> 00:24:59,120

the table and look them in the eye while

669

00:25:05,909 --> 00:25:02,159

they're telling their story

670

00:25:08,070 --> 00:25:05,919

and not feeling a bit like any of it is

671

00:25:11,510 --> 00:25:08,080

conjectured at all

672

00:25:14,149 --> 00:25:11,520

it really kind of moves me and i had to

673

00:25:16,870 --> 00:25:14,159

i had to jump off that fence and just

674

00:25:18,789 --> 00:25:16,880

say well you know if i i saw a i saw

675

00:25:20,630 --> 00:25:18,799

something that can't be explained

676

00:25:23,350 --> 00:25:20,640

um whether it's from another planet or

677

00:25:26,230 --> 00:25:23,360

not i have no idea but uh

678

00:25:27,990 --> 00:25:26,240

if i if i actually buy into that you

679

00:25:28,870 --> 00:25:28,000

know who's driving these things and and

680

00:25:29,990 --> 00:25:28,880

you know

681

00:25:31,590 --> 00:25:30,000

are there

682

00:25:33,750 --> 00:25:31,600

more things being done

683

00:25:35,590 --> 00:25:33,760

i i currently have

684

00:25:36,789 --> 00:25:35,600

uh i feel like i'm talking a little too

685

00:25:37,990 --> 00:25:36,799

much tonight i'm sorry about that

686

00:25:41,110 --> 00:25:38,000

listeners but

687

00:25:43,350 --> 00:25:41,120

i feel like i have um

688

00:25:44,950 --> 00:25:43,360

a hard time with

689

00:25:47,269 --> 00:25:44,960

like these millions of people that are

690

00:25:50,230 --> 00:25:47,279

saying they're abducted but you know i i

691

00:25:51,830 --> 00:25:50,240

just i don't know i i i can't say for

692

00:25:54,230 --> 00:25:51,840

sure

693

00:25:56,310 --> 00:25:54,240

i agree you know i i guess i feel

694

00:25:58,230 --> 00:25:56,320

similar about that

695

00:26:04,470 --> 00:25:58,240

you know

696

00:26:05,990 --> 00:26:04,480

there's a lot of credible people

697

00:26:08,310 --> 00:26:06,000

involved in some of them you know betty

698

00:26:09,990 --> 00:26:08,320

and barney hill is a perfect example

699

00:26:13,110 --> 00:26:10,000

um you know their credibility is

700

00:26:15,190 --> 00:26:13,120

impeccable um as far as citizens and you

701  
00:26:17,510 --> 00:26:15,200  
know in their work and just in their

702  
00:26:19,830 --> 00:26:17,520  
community so you know i feel i think

703  
00:26:21,029 --> 00:26:19,840  
we're similar in that that regard where

704  
00:26:22,789 --> 00:26:21,039  
um

705  
00:26:25,590 --> 00:26:22,799  
i've always been very skeptical of

706  
00:26:27,830 --> 00:26:25,600  
abduction but there are some cases that

707  
00:26:30,149 --> 00:26:27,840  
i feel like the people are very credible

708  
00:26:31,750 --> 00:26:30,159  
and you know i don't see much reason for

709  
00:26:33,350 --> 00:26:31,760  
them to to you know to kind of put

710  
00:26:34,310 --> 00:26:33,360  
themselves out there especially in the

711  
00:26:35,750 --> 00:26:34,320  
case of

712  
00:26:37,669 --> 00:26:35,760  
you know betty and barney hill where

713  
00:26:39,669 --> 00:26:37,679

they were well-known the community they

714

00:26:41,430 --> 00:26:39,679

were interracial couple in new hampshire

715

00:26:44,149 --> 00:26:41,440

in the early 60s there you know there's

716

00:26:46,149 --> 00:26:44,159

a lot of they both had good jobs there

717

00:26:47,909 --> 00:26:46,159

was a lot of reasons why

718

00:26:49,750 --> 00:26:47,919

they wouldn't want to bring that sort of

719

00:26:53,029 --> 00:26:49,760

attention on themselves

720

00:26:54,789 --> 00:26:53,039

so you know to me their credibility and

721

00:26:55,830 --> 00:26:54,799

those sort of things you know i think

722

00:26:57,669 --> 00:26:55,840

you know

723

00:26:59,269 --> 00:26:57,679

makes me really think that those cases

724

00:27:01,990 --> 00:26:59,279

you know do have the potential to be

725

00:27:03,669 --> 00:27:02,000

good cases yeah i know you don't you

726

00:27:05,669 --> 00:27:03,679

know you mentioned on our private

727

00:27:08,390 --> 00:27:05,679

conversation you weren't ready to jump

728

00:27:09,990 --> 00:27:08,400

in full blast into the uh the abduction

729

00:27:10,950 --> 00:27:10,000

you know cases but

730

00:27:11,990 --> 00:27:10,960

um

731

00:27:16,470 --> 00:27:12,000

if

732

00:27:18,630 --> 00:27:16,480

abducting

733

00:27:20,310 --> 00:27:18,640

humans have you ever thought of

734

00:27:22,070 --> 00:27:20,320

why they'd be doing it has that ever

735

00:27:23,590 --> 00:27:22,080

crossed your mind that's actually i'm

736

00:27:24,630 --> 00:27:23,600

sort of reading off the message board a

737

00:27:26,470 --> 00:27:24,640

question

738

00:27:28,630 --> 00:27:26,480

um yeah well i guess you know just

739

00:27:29,669 --> 00:27:28,640

before i answer that you know as far as

740

00:27:31,990 --> 00:27:29,679

you know what i've done with new

741

00:27:33,750 --> 00:27:32,000

hampshire ufo research where i spent

742

00:27:35,750 --> 00:27:33,760

this you know i'm specific to new

743

00:27:38,230 --> 00:27:35,760

hampshire i've looked you know at the

744

00:27:40,149 --> 00:27:38,240

betty and bonnie hill case a great deal

745

00:27:41,909 --> 00:27:40,159

and abductions that have been claimed to

746

00:27:44,470 --> 00:27:41,919

happen in new hampshire so i have looked

747

00:27:46,630 --> 00:27:44,480

at them to a certain degree but as far

748

00:27:48,710 --> 00:27:46,640

as my personal research you know i've

749

00:27:49,909 --> 00:27:48,720

i've chosen to

750

00:27:52,789 --> 00:27:49,919

you know to

751  
00:27:54,870 --> 00:27:52,799  
just focus more on cases with police and

752  
00:27:56,470 --> 00:27:54,880  
military and you know things with more

753  
00:27:58,149 --> 00:27:56,480  
tangibles involved but that's not

754  
00:28:00,870 --> 00:27:58,159  
because i don't think abduction is a

755  
00:28:03,269 --> 00:28:00,880  
valid area of research it's just

756  
00:28:06,470 --> 00:28:03,279  
for my personal interest you know it

757  
00:28:09,110 --> 00:28:06,480  
just falls in that area a bit more

758  
00:28:12,710 --> 00:28:09,120  
um so i'm sorry what was the question

759  
00:28:17,190 --> 00:28:14,230  
what would be the purpose of the

760  
00:28:19,510 --> 00:28:17,200  
abductions um you know that the ets were

761  
00:28:22,310 --> 00:28:19,520  
doing if it were ets

762  
00:28:23,590 --> 00:28:22,320  
you know i can only theorize um

763  
00:28:25,669 --> 00:28:23,600

you know and there's been a lot of

764

00:28:27,750 --> 00:28:25,679

theories thrown around um

765

00:28:31,029 --> 00:28:27,760

you know some of my theories of why

766

00:28:34,310 --> 00:28:31,039

people are abducted you know possibly

767

00:28:36,549 --> 00:28:34,320

checking environmental

768

00:28:38,710 --> 00:28:36,559

things with the earth as far as you know

769

00:28:40,310 --> 00:28:38,720

whether we're absorbing chemicals or you

770

00:28:42,789 --> 00:28:40,320

know it could be things of that nature

771

00:28:45,269 --> 00:28:42,799

our evolution

772

00:28:47,110 --> 00:28:45,279

you know there could be any number of

773

00:28:49,750 --> 00:28:47,120

things if there are indeed people

774

00:28:51,430 --> 00:28:49,760

abducting you know people

775

00:28:53,190 --> 00:28:51,440

there could be a number of things so i

776

00:28:55,110 --> 00:28:53,200

mean i'm pretty wide open on it you know

777

00:28:56,470 --> 00:28:55,120

i think that if there are people you

778

00:28:58,230 --> 00:28:56,480

know abducting

779

00:29:00,149 --> 00:28:58,240

people on earth i think that there's any

780

00:29:02,470 --> 00:29:00,159

number of you know scientific reasons

781

00:29:03,990 --> 00:29:02,480

that they would be doing that

782

00:29:06,310 --> 00:29:04,000

right right

783

00:29:08,789 --> 00:29:06,320

someone just alerted me to another way

784

00:29:10,710 --> 00:29:08,799

to look at questions here

785

00:29:12,470 --> 00:29:10,720

through the dark matter

786

00:29:14,950 --> 00:29:12,480

hashtag on twitter

787

00:29:18,789 --> 00:29:14,960

so i i just was totally distracted there

788

00:29:20,630 --> 00:29:18,799

for a second so um

789

00:29:23,110 --> 00:29:20,640

i just i thought it occurred to me while

790

00:29:25,510 --> 00:29:23,120

you were talking a minute ago there

791

00:29:28,630 --> 00:29:25,520

i wonder if there are any cases of

792

00:29:30,470 --> 00:29:28,640

actual police officers or

793

00:29:32,230 --> 00:29:30,480

you know someone in that level that

794

00:29:33,909 --> 00:29:32,240

claim to be abducted are you aware of

795

00:29:38,630 --> 00:29:33,919

anything like that

796

00:29:40,789 --> 00:29:38,640

know the only cases you know other than

797

00:29:41,830 --> 00:29:40,799

the new hampshire cases you know talking

798

00:29:43,510 --> 00:29:41,840

kind of

799

00:29:45,029 --> 00:29:43,520

country-wide you know i know i've heard

800

00:29:46,870 --> 00:29:45,039

of a few cases where cops have

801

00:29:48,950 --> 00:29:46,880

encountered things in their police car

802

00:29:50,310 --> 00:29:48,960

and you know the cars have been damaged

803

00:29:52,630 --> 00:29:50,320

there's been some alleged physical

804

00:29:54,549 --> 00:29:52,640

damage but yeah no i've never there very

805

00:29:56,710 --> 00:29:54,559

well could be but i haven't heard of one

806

00:29:58,230 --> 00:29:56,720

yeah yeah uh that would be interesting

807

00:29:59,269 --> 00:29:58,240

to find out you know i know this uh

808

00:30:04,149 --> 00:29:59,279

lonnie

809

00:30:06,710 --> 00:30:04,159

zamora out in um new mexico

810

00:30:10,630 --> 00:30:06,720

you know back way back in the 60s and by

811

00:30:13,029 --> 00:30:10,640

the way race ray stanford who wrote

812

00:30:15,590 --> 00:30:13,039

the soccoro flying saucer

813

00:30:17,269 --> 00:30:15,600

years ago he was the first investigator

814

00:30:19,590 --> 00:30:17,279

besides alan

815

00:30:22,149 --> 00:30:19,600

j heineck on the case

816

00:30:24,149 --> 00:30:22,159

he was there and he's going to be on our

817

00:30:26,070 --> 00:30:24,159

show in just a few weeks it'll be good

818

00:30:28,310 --> 00:30:26,080

to have him on oh well that'll be a

819

00:30:29,110 --> 00:30:28,320

great guest yeah he hasn't done too many

820

00:30:29,990 --> 00:30:29,120

so

821

00:30:30,950 --> 00:30:30,000

um

822

00:30:32,950 --> 00:30:30,960

so

823

00:30:33,669 --> 00:30:32,960

we're not going to go you know deep into

824

00:30:35,909 --> 00:30:33,679

the

825

00:30:37,510 --> 00:30:35,919

abduction cases but

826

00:30:39,830 --> 00:30:37,520

you know i do kind of question it just

827

00:30:41,430 --> 00:30:39,840

seems like there's

828

00:30:43,430 --> 00:30:41,440

is it possible

829

00:30:45,269 --> 00:30:43,440

that all these people that are claiming

830

00:30:47,430 --> 00:30:45,279

they're abducted and we're talking in

831

00:30:48,549 --> 00:30:47,440

the tens of thousands

832

00:30:50,710 --> 00:30:48,559

and

833

00:30:51,990 --> 00:30:50,720

around the united states maybe even you

834

00:30:54,230 --> 00:30:52,000

know some people are claiming that it

835

00:30:55,669 --> 00:30:54,240

might be up to a million people uh i

836

00:30:57,029 --> 00:30:55,679

don't know if you've ever heard that but

837

00:30:59,269 --> 00:30:57,039

uh

838

00:31:01,029 --> 00:30:59,279

i i hadn't heard that number no

839

00:31:03,350 --> 00:31:01,039

yeah

840

00:31:04,950 --> 00:31:03,360

uh uh have you ever heard of

841

00:31:07,110 --> 00:31:04,960

yvonne smith

842

00:31:09,110 --> 00:31:07,120

i have not yeah she's out in california

843

00:31:11,750 --> 00:31:09,120

she was actually on coast to coast the

844

00:31:13,990 --> 00:31:11,760

other night and she is

845

00:31:15,990 --> 00:31:14,000

someone that does

846

00:31:17,269 --> 00:31:16,000

hypnotic regressions

847

00:31:18,630 --> 00:31:17,279

so she's going to be on our show in

848

00:31:19,509 --> 00:31:18,640

august as well

849

00:31:20,710 --> 00:31:19,519

and

850

00:31:23,269 --> 00:31:20,720

i talked to her when i was out in

851

00:31:24,389 --> 00:31:23,279

california last fall and sat and talked

852

00:31:27,590 --> 00:31:24,399

with her

853

00:31:29,430 --> 00:31:27,600

but

854

00:31:32,230 --> 00:31:29,440

we had some very strange things happen

855

00:31:34,549 --> 00:31:32,240

in her in her studio and uh that thing

856

00:31:36,470 --> 00:31:34,559

did not come out there was uh this is

857

00:31:38,630 --> 00:31:36,480

such a bizarre thing i almost i almost

858

00:31:40,149 --> 00:31:38,640

hate to talk about it but

859

00:31:43,190 --> 00:31:40,159

when i played the thing back there was

860

00:31:46,789 --> 00:31:45,430

and i could not edit it out and

861

00:31:49,430 --> 00:31:46,799

so i called her up and it says you know

862

00:31:51,909 --> 00:31:49,440

that show we did together is no good we

863

00:31:53,430 --> 00:31:51,919

can't use it and

864

00:31:55,830 --> 00:31:53,440

she asked why and i said the chanting

865

00:31:57,190 --> 00:31:55,840

she goes oh that again or something like

866

00:32:03,110 --> 00:31:57,200

that

867

00:32:04,870 --> 00:32:03,120

bizarre so but anyway um

868

00:32:05,830 --> 00:32:04,880

let's talk about

869

00:32:07,590 --> 00:32:05,840

um

870

00:32:09,750 --> 00:32:07,600

in new hampshire

871

00:32:11,350 --> 00:32:09,760

since you're focusing on that you're

872

00:32:13,190 --> 00:32:11,360

saying that there's you'd like to stick

873

00:32:15,430 --> 00:32:13,200

to the police and military

874

00:32:17,430 --> 00:32:15,440

are there some military cases i'm just

875

00:32:20,070 --> 00:32:17,440

not aware of any

876

00:32:22,149 --> 00:32:20,080

well you know i mean i do look at pretty

877

00:32:25,029 --> 00:32:22,159

any you know anything from new hampshire

878

00:32:26,070 --> 00:32:25,039

um but i like those cases because you

879

00:32:26,870 --> 00:32:26,080

know there's

880

00:32:28,870 --> 00:32:26,880

in

881

00:32:30,470 --> 00:32:28,880

there's project blue book documents

882

00:32:32,549 --> 00:32:30,480

there's you know there's newspaper

883

00:32:34,710 --> 00:32:32,559

articles there's you know there's things

884

00:32:36,710 --> 00:32:34,720

that you can you can go and retrieve so

885

00:32:39,830 --> 00:32:36,720

i find that i like those um you know

886

00:32:41,750 --> 00:32:39,840

there's besides the internet and exeter

887

00:32:43,990 --> 00:32:41,760

which is uh involved the police

888

00:32:45,029 --> 00:32:44,000

obviously in exeter new hampshire

889

00:32:46,230 --> 00:32:45,039

um

890

00:32:48,549 --> 00:32:46,240

there's been

891

00:32:51,110 --> 00:32:48,559

there's quite a few that were part of

892

00:32:53,430 --> 00:32:51,120

the blue book files that had to do with

893

00:32:55,750 --> 00:32:53,440

pease air force base

894

00:32:58,870 --> 00:32:55,760

so there are quite a few there

895

00:33:00,230 --> 00:32:58,880

you know i i have a a longtime friend

896

00:33:02,950 --> 00:33:00,240

and family friend

897

00:33:05,509 --> 00:33:02,960

that ended up in that in the area

898

00:33:07,990 --> 00:33:05,519

because he he was at stationed at peace

899

00:33:10,630 --> 00:33:08,000

for many many years and he worked

900

00:33:13,029 --> 00:33:10,640

actually in a family business that that

901  
00:33:14,950 --> 00:33:13,039  
my father had and um so i got to know

902  
00:33:17,990 --> 00:33:14,960  
him real well and he's like now in his

903  
00:33:19,990 --> 00:33:18,000  
uh he's in his mid-70s and i saw him a

904  
00:33:22,230 --> 00:33:20,000  
few months ago and i said to him

905  
00:33:24,470 --> 00:33:22,240  
uh hey joe while you're at peas does

906  
00:33:25,830 --> 00:33:24,480  
anyone ever talk about ufos

907  
00:33:27,430 --> 00:33:25,840  
and he said he looked at me his eyes

908  
00:33:30,149 --> 00:33:27,440  
kind of bugged out and he said

909  
00:33:34,789 --> 00:33:32,549  
so i think that's total disinformation

910  
00:33:36,710 --> 00:33:34,799  
yeah that's funny it's funny but yeah

911  
00:33:39,750 --> 00:33:36,720  
there was you know um it's what's

912  
00:33:42,470 --> 00:33:39,760  
interesting is is that at the time

913  
00:33:44,710 --> 00:33:42,480

roswell happened the 509th bomb group

914

00:33:46,389 --> 00:33:44,720

was stationed at roswell which is you

915

00:33:48,549 --> 00:33:46,399

know the most elite bomb group they

916

00:33:53,190 --> 00:33:48,559

dropped the nuclear bombs

917

00:33:55,190 --> 00:33:53,200

and in 1958 they moved from roswell to

918

00:33:56,950 --> 00:33:55,200

pease air force base

919

00:33:58,630 --> 00:33:56,960

so that's an interesting connection

920

00:34:00,470 --> 00:33:58,640

there that you know from that point

921

00:34:02,710 --> 00:34:00,480

forward for 58

922

00:34:04,230 --> 00:34:02,720

the 509th bomber group was there and you

923

00:34:06,630 --> 00:34:04,240

know there's a number if you go over the

924

00:34:08,629 --> 00:34:06,640

blue book cases a number of actual where

925

00:34:10,869 --> 00:34:08,639

there were radar hits on one case i've

926  
00:34:12,550 --> 00:34:10,879  
been looking at where there was

927  
00:34:15,270 --> 00:34:12,560  
up to 18

928  
00:34:17,349 --> 00:34:15,280  
radar unknown radar targets and jets

929  
00:34:20,950 --> 00:34:17,359  
were scrambled they were registered on

930  
00:34:22,310 --> 00:34:20,960  
three different radar systems and um you

931  
00:34:24,629 --> 00:34:22,320  
know

932  
00:34:26,869 --> 00:34:24,639  
blue book which unless a lot of people

933  
00:34:28,149 --> 00:34:26,879  
may not know a lot of time they kind of

934  
00:34:29,909 --> 00:34:28,159  
assigned

935  
00:34:31,829 --> 00:34:29,919  
explanations to some of the you know a

936  
00:34:33,669 --> 00:34:31,839  
lot of the cases that weren't

937  
00:34:36,389 --> 00:34:33,679  
necessarily

938  
00:34:37,990 --> 00:34:36,399

the most scientific explanations

939

00:34:40,310 --> 00:34:38,000

and you know

940

00:34:42,869 --> 00:34:40,320

in the ca in this case

941

00:34:44,629 --> 00:34:42,879

you know there was 18 unknown targets

942

00:34:46,470 --> 00:34:44,639

some of them were changing directions

943

00:34:49,190 --> 00:34:46,480

some of them flew to the coast and went

944

00:34:51,109 --> 00:34:49,200

back out to the water and you know they

945

00:34:52,550 --> 00:34:51,119

were traveling at a good rate of speed

946

00:34:54,230 --> 00:34:52,560

and ultimately

947

00:34:56,869 --> 00:34:54,240

blue book you know said that they were

948

00:34:59,109 --> 00:34:56,879

just false targets and you know it was

949

00:35:00,710 --> 00:34:59,119

completely feasible for there to be 15

950

00:35:02,390 --> 00:35:00,720

false targets but

951

00:35:04,870 --> 00:35:02,400

you know a lot of times the

952

00:35:07,670 --> 00:35:04,880

determinations from blue book it doesn't

953

00:35:09,270 --> 00:35:07,680

really jive with the initial you know

954

00:35:11,109 --> 00:35:09,280

reports um

955

00:35:13,430 --> 00:35:11,119

so you know it's a little tough with

956

00:35:15,430 --> 00:35:13,440

those because where you know a lot of

957

00:35:16,950 --> 00:35:15,440

the blue book determinations they're you

958

00:35:19,190 --> 00:35:16,960

know they're saying oh it's weathers

959

00:35:21,430 --> 00:35:19,200

it's stars it's planets it's

960

00:35:23,750 --> 00:35:21,440

false targets um

961

00:35:26,870 --> 00:35:23,760

you know it's it's tough but you know

962

00:35:29,589 --> 00:35:26,880

the data is pretty compelling right

963

00:35:31,510 --> 00:35:29,599

when i grew up i lived in a little town

964

00:35:34,550 --> 00:35:31,520

called elliott maine and

965

00:35:36,390 --> 00:35:34,560

we were up on a hill and

966

00:35:39,030 --> 00:35:36,400

across the river

967

00:35:40,870 --> 00:35:39,040

we could very clearly see the whole

968

00:35:42,550 --> 00:35:40,880

landing strip of peas

969

00:35:44,950 --> 00:35:42,560

and let me tell you there was always

970

00:35:46,150 --> 00:35:44,960

weird things going on i mean my sisters

971

00:35:47,990 --> 00:35:46,160

and i would sit

972

00:35:49,510 --> 00:35:48,000

on top of the hill and just look out and

973

00:35:50,790 --> 00:35:49,520

watch over there you know because you

974

00:35:52,950 --> 00:35:50,800

know we could see

975

00:35:55,190 --> 00:35:52,960

um you know what looked like weird

976  
00:35:56,310 --> 00:35:55,200  
planes uh i've seen weather balloons

977  
00:35:58,390 --> 00:35:56,320  
over there

978  
00:36:03,109 --> 00:35:58,400  
and uh

979  
00:36:07,910 --> 00:36:03,119  
f

980  
00:36:09,750 --> 00:36:07,920  
there you know we saw the whole thing i

981  
00:36:11,910 --> 00:36:09,760  
mean we the house shook and everything

982  
00:36:14,950 --> 00:36:11,920  
we ran outside and the big you know ball

983  
00:36:17,990 --> 00:36:14,960  
of flame over there but i i always felt

984  
00:36:20,069 --> 00:36:18,000  
that peas was a it was just weird just i

985  
00:36:21,990 --> 00:36:20,079  
just had this feeling it was a weird

986  
00:36:23,910 --> 00:36:22,000  
place to live near

987  
00:36:25,670 --> 00:36:23,920  
yeah i mean it just it seems like you

988  
00:36:27,510 --> 00:36:25,680

know the proximity to peas there's been

989

00:36:29,510 --> 00:36:27,520

a lot of you know there's been a lot of

990

00:36:31,990 --> 00:36:29,520

sightings there you know

991

00:36:34,150 --> 00:36:32,000

since the 60s and you know throughout so

992

00:36:35,670 --> 00:36:34,160

yeah it definitely is a you know it's an

993

00:36:38,069 --> 00:36:35,680

interesting area and it has a lot of

994

00:36:40,310 --> 00:36:38,079

history you know if you read up on it as

995

00:36:41,990 --> 00:36:40,320

far as the military and you know i

996

00:36:43,670 --> 00:36:42,000

believe presidents of land there i

997

00:36:44,550 --> 00:36:43,680

believe that's typically where they fly

998

00:36:51,030 --> 00:36:44,560

in

999

00:36:53,030 --> 00:36:51,040

so it's you know it's it's not as active

1000

00:36:55,670 --> 00:36:53,040

as it was before but it's it's still you

1001  
00:36:57,670 --> 00:36:55,680  
know a highly used airstrip so

1002  
00:36:59,750 --> 00:36:57,680  
so uh where can you give a general we

1003  
00:37:02,870 --> 00:36:59,760  
have on the the chat room we have uh

1004  
00:37:04,630 --> 00:37:02,880  
some local people to us

1005  
00:37:06,390 --> 00:37:04,640  
it's always fun to watch what people

1006  
00:37:07,510 --> 00:37:06,400  
type in where they're from we have

1007  
00:37:09,190 --> 00:37:07,520  
someone in new hampshire what's a

1008  
00:37:10,230 --> 00:37:09,200  
general area of new hampshire you live

1009  
00:37:15,270 --> 00:37:10,240  
in

1010  
00:37:17,510 --> 00:37:15,280  
peterborough new hampshire okay how

1011  
00:37:19,589 --> 00:37:17,520  
about that and someone else is in maine

1012  
00:37:24,230 --> 00:37:19,599  
you know i i live in well west of the

1013  
00:37:25,190 --> 00:37:24,240

portland maine area basically and but

1014

00:37:28,150 --> 00:37:25,200

yeah

1015

00:37:29,430 --> 00:37:28,160

so getting back to

1016

00:37:31,270 --> 00:37:29,440

getting back

1017

00:37:32,630 --> 00:37:31,280

to the message board here there is a

1018

00:37:35,670 --> 00:37:32,640

question for you

1019

00:37:36,630 --> 00:37:35,680

if ufos were acknowledged what effect

1020

00:37:39,670 --> 00:37:36,640

would

1021

00:37:41,109 --> 00:37:39,680

that have on the average american

1022

00:37:44,069 --> 00:37:41,119

these are just you know like opinion

1023

00:37:46,230 --> 00:37:44,079

questions sure yeah um i don't know you

1024

00:37:48,069 --> 00:37:46,240

know i think it's tough to say i think

1025

00:37:49,829 --> 00:37:48,079

it would be different for everybody i

1026

00:37:51,829 --> 00:37:49,839

think it you know depends on how

1027

00:37:54,470 --> 00:37:51,839

open-minded they are what their personal

1028

00:37:56,470 --> 00:37:54,480

religious beliefs are um i think it

1029

00:37:58,470 --> 00:37:56,480

would affect everybody different um

1030

00:38:00,950 --> 00:37:58,480

although i think you know with all of

1031

00:38:02,550 --> 00:38:00,960

these possible habitable planets that

1032

00:38:03,750 --> 00:38:02,560

have been found in the last three years

1033

00:38:08,470 --> 00:38:03,760

i think

1034

00:38:10,310 --> 00:38:08,480

subliminally are starting to

1035

00:38:11,829 --> 00:38:10,320

get a little bit more open to it maybe

1036

00:38:13,990 --> 00:38:11,839

people that weren't you know i think

1037

00:38:16,069 --> 00:38:14,000

that that's that's been kind of a you

1038

00:38:18,790 --> 00:38:16,079

know a quiet thing that's gone on that i

1039

00:38:21,510 --> 00:38:18,800

think you know that doesn't necessarily

1040

00:38:23,270 --> 00:38:21,520

mean that you know ufos seen around you

1041

00:38:25,670 --> 00:38:23,280

know earth or aliens flying through

1042

00:38:27,510 --> 00:38:25,680

space but you know i think just the

1043

00:38:29,109 --> 00:38:27,520

having people shown that hey there's a

1044

00:38:31,670 --> 00:38:29,119

lot of planets out here that could

1045

00:38:33,589 --> 00:38:31,680

harbor life i think it's harder for

1046

00:38:35,349 --> 00:38:33,599

people to kind of ridicule about that

1047

00:38:37,349 --> 00:38:35,359

you know so i guess i think it would

1048

00:38:39,910 --> 00:38:37,359

affect everybody different um i think

1049

00:38:41,589 --> 00:38:39,920

people would be very curious

1050

00:38:43,430 --> 00:38:41,599

about it you know so i think there'd be

1051

00:38:45,109 --> 00:38:43,440

a lot of curiosity

1052

00:38:46,950 --> 00:38:45,119

yeah absolutely and i i think you're

1053

00:38:49,349 --> 00:38:46,960

right i think we're really heading

1054

00:38:50,550 --> 00:38:49,359

toward more of uh

1055

00:38:52,950 --> 00:38:50,560

you know

1056

00:38:54,470 --> 00:38:52,960

of a place where people will accept if

1057

00:38:55,349 --> 00:38:54,480

it ever is uh

1058

00:38:57,109 --> 00:38:55,359

you know

1059

00:38:59,270 --> 00:38:57,119

hard facts i think they'll accept it a

1060

00:39:00,950 --> 00:38:59,280

lot easier because of that kind of like

1061

00:39:03,750 --> 00:39:00,960

the clip i played earlier and the people

1062

00:39:05,589 --> 00:39:03,760

i just threw that on in chicago um you

1063

00:39:07,190 --> 00:39:05,599

know the woman saying you know i would

1064

00:39:08,630 --> 00:39:07,200

be foolish to think that we're the only

1065

00:39:11,190 --> 00:39:08,640

things alive

1066

00:39:13,430 --> 00:39:11,200

out here you know and i agree

1067

00:39:15,190 --> 00:39:13,440

yeah i agree as well

1068

00:39:16,710 --> 00:39:15,200

okay another one here what are your

1069

00:39:19,750 --> 00:39:16,720

thoughts no i'm not screening these i'm

1070

00:39:21,589 --> 00:39:19,760

just reading them as i see them so

1071

00:39:23,430 --> 00:39:21,599

so you guys better be nice on the chat

1072

00:39:26,870 --> 00:39:23,440

room oh so what are your thoughts on

1073

00:39:29,190 --> 00:39:26,880

human mutilation reports

1074

00:39:31,109 --> 00:39:29,200

you know that i mean something that i've

1075

00:39:33,190 --> 00:39:31,119

always been fascinated about when i read

1076

00:39:35,270 --> 00:39:33,200

or hear about it um

1077

00:39:37,430 --> 00:39:35,280

but i you know i i don't have a whole

1078

00:39:40,150 --> 00:39:37,440

lot of of opinion on it i find it

1079

00:39:41,829 --> 00:39:40,160

fascinating i've never come across any

1080

00:39:43,910 --> 00:39:41,839

cases in new hampshire that dealt with

1081

00:39:45,589 --> 00:39:43,920

that and i pretty much you know i pretty

1082

00:39:48,550 --> 00:39:45,599

much stick to new hampshire and new

1083

00:39:50,710 --> 00:39:48,560

england so i find it fascinating but

1084

00:39:52,230 --> 00:39:50,720

i've never come across anything in new

1085

00:39:54,390 --> 00:39:52,240

hampshire along those lines well

1086

00:39:57,589 --> 00:39:54,400

speaking of the new hampshire have you

1087

00:39:59,670 --> 00:39:57,599

ever heard of any cattle mutilations

1088

00:40:01,270 --> 00:39:59,680

that i have not yeah

1089

00:40:03,829 --> 00:40:01,280

i know they're you know they're in a lot

1090

00:40:06,630 --> 00:40:03,839

of places in the country i have never

1091

00:40:08,470 --> 00:40:06,640

actually heard of anything you know

1092

00:40:10,790 --> 00:40:08,480

anything close to

1093

00:40:12,550 --> 00:40:10,800

new england myself you know um someone

1094

00:40:14,150 --> 00:40:12,560

out there may be listening and may tell

1095

00:40:15,910 --> 00:40:14,160

me i'm totally wrong

1096

00:40:18,230 --> 00:40:15,920

but uh you just don't you just don't

1097

00:40:19,510 --> 00:40:18,240

seem to hear that yeah it seems like

1098

00:40:21,670 --> 00:40:19,520

it's more you know

1099

00:40:23,190 --> 00:40:21,680

midwest farm farm country you know

1100

00:40:24,950 --> 00:40:23,200

although there are a lot of farms in new

1101

00:40:26,710 --> 00:40:24,960

hampshire you know

1102

00:40:29,190 --> 00:40:26,720

i don't know how much you know cattle

1103

00:40:30,790 --> 00:40:29,200

industry there is here but um yeah no

1104

00:40:32,550 --> 00:40:30,800

that is a very interesting insight i

1105

00:40:33,349 --> 00:40:32,560

haven't really heard of any

1106

00:40:35,589 --> 00:40:33,359

now

1107

00:40:37,030 --> 00:40:35,599

have you heard of any ufo cases and that

1108

00:40:38,870 --> 00:40:37,040

some this is also

1109

00:40:40,710 --> 00:40:38,880

a message board question in the hampton

1110

00:40:42,630 --> 00:40:40,720

beach area

1111

00:40:43,990 --> 00:40:42,640

yes there's actually there's been a good

1112

00:40:47,829 --> 00:40:44,000

amount of

1113

00:40:49,829 --> 00:40:47,839

you know reports in and around hampton

1114

00:40:53,349 --> 00:40:49,839

over the years

1115

00:40:55,190 --> 00:40:53,359

interestingly enough the exeter case

1116

00:40:57,829 --> 00:40:55,200

right as that was coming to an end where

1117

00:40:59,190 --> 00:40:57,839

the cops had gone back out to the field

1118

00:41:02,150 --> 00:40:59,200

with norman muscarella and they

1119

00:41:03,750 --> 00:41:02,160

witnessed the ufo themselves with norman

1120

00:41:06,390 --> 00:41:03,760

they got back to the station and

1121

00:41:08,950 --> 00:41:06,400

somebody had called the operator and

1122

00:41:11,349 --> 00:41:08,960

claimed that some sort of red object was

1123

00:41:12,150 --> 00:41:11,359

chasing them and the phone went dead and

1124

00:41:14,069 --> 00:41:12,160

that

1125

00:41:16,710 --> 00:41:14,079

car i believe the call was put from uh

1126

00:41:18,790 --> 00:41:16,720

hampton beach from a pay phone so

1127

00:41:20,790 --> 00:41:18,800

that there's a little tie into the exit

1128

00:41:22,790 --> 00:41:20,800

case and you know there's been a number

1129

00:41:25,109 --> 00:41:22,800

of things right around that area because

1130

00:41:27,030 --> 00:41:25,119

that's right outside of exeter so there

1131

00:41:30,230 --> 00:41:27,040

have been a number

1132

00:41:31,670 --> 00:41:30,240

yes yeah i actually owned a property

1133

00:41:33,829 --> 00:41:31,680

in northampton new hampshire for a

1134

00:41:37,190 --> 00:41:33,839

number of years so

1135

00:41:39,109 --> 00:41:37,200

i do remember hearing some things

1136

00:41:40,550 --> 00:41:39,119

going on but i don't you know

1137

00:41:42,950 --> 00:41:40,560

it's funny when

1138

00:41:46,309 --> 00:41:42,960

we've talked about this before when

1139

00:41:48,150 --> 00:41:46,319

you may not have a site citing yourself

1140

00:41:50,950 --> 00:41:48,160

a lot of times there's no reason for you

1141

00:41:53,510 --> 00:41:50,960

to really engage in this whole topic but

1142

00:41:55,829 --> 00:41:53,520

you'd hear things i don't know about you

1143

00:41:57,670 --> 00:41:55,839

but i heard things over the years that

1144

00:41:59,190 --> 00:41:57,680

sort of caught my interest but until i

1145

00:42:00,630 --> 00:41:59,200

had a sighting i never really looked

1146

00:42:02,390 --> 00:42:00,640

into the subject

1147

00:42:03,990 --> 00:42:02,400

yeah it was the same way for me i mean

1148

00:42:07,030 --> 00:42:04,000

you know i grew up watching unsolved

1149

00:42:08,550 --> 00:42:07,040

mysteries and sightings and

1150

00:42:10,069 --> 00:42:08,560

you know um

1151

00:42:11,990 --> 00:42:10,079

those sort of shows that were on in the

1152

00:42:13,589 --> 00:42:12,000

80s that you know would deal with ufos

1153

00:42:15,190 --> 00:42:13,599

to a certain degree and so you know i

1154

00:42:17,190 --> 00:42:15,200

was always interested in that sort of

1155

00:42:18,790 --> 00:42:17,200

thing but yeah it wasn't until i had you

1156

00:42:21,510 --> 00:42:18,800

know my personal sighting that i you

1157

00:42:23,510 --> 00:42:21,520

know i really dove in

1158

00:42:25,910 --> 00:42:23,520

and that doesn't happen to everyone you

1159

00:42:27,589 --> 00:42:25,920

know a lot sometimes people

1160

00:42:29,670 --> 00:42:27,599

will have a sighting

1161

00:42:32,150 --> 00:42:29,680

and i would say probably

1162

00:42:34,230 --> 00:42:32,160

i would guess more than half or maybe

1163

00:42:36,630 --> 00:42:34,240

less than half but around that

1164

00:42:39,349 --> 00:42:36,640

um who have a sighting that just you

1165

00:42:41,270 --> 00:42:39,359

know write it off as something else and

1166

00:42:42,230 --> 00:42:41,280

you know and and go on you know what i

1167

00:42:45,270 --> 00:42:42,240

had

1168

00:42:47,670 --> 00:42:45,280

dr seth shostak from the seti

1169

00:42:49,270 --> 00:42:47,680

program on the show um you know he said

1170

00:42:51,030 --> 00:42:49,280

well hey you know i saw something really

1171

00:42:53,589 --> 00:42:51,040

strange in the sky once

1172

00:42:55,670 --> 00:42:53,599

and uh sure enough you know it was uh it

1173

00:42:59,910 --> 00:42:55,680

ended up being a missile launch and you

1174

00:43:01,910 --> 00:42:59,920

know i mean so when someone like him

1175

00:43:04,150 --> 00:43:01,920

has uh a sighting you know he's going to

1176  
00:43:05,109 --> 00:43:04,160  
look into it a lot more than the average

1177  
00:43:07,030 --> 00:43:05,119  
person

1178  
00:43:08,630 --> 00:43:07,040  
and

1179  
00:43:11,349 --> 00:43:08,640  
he certainly doesn't want to hear that

1180  
00:43:13,190 --> 00:43:11,359  
there's ufos that's for sure oh

1181  
00:43:15,030 --> 00:43:13,200  
definitely yeah no that's a you know

1182  
00:43:16,950 --> 00:43:15,040  
it's a good point i mean you know the

1183  
00:43:19,109 --> 00:43:16,960  
the more qualified the witness you know

1184  
00:43:20,790 --> 00:43:19,119  
if they're scientific minded they can

1185  
00:43:22,230 --> 00:43:20,800  
you know maybe do a bit more research

1186  
00:43:24,390 --> 00:43:22,240  
look into it more

1187  
00:43:26,470 --> 00:43:24,400  
um but you know on the same token you

1188  
00:43:27,990 --> 00:43:26,480

know at least with the sighting that i

1189

00:43:29,829 --> 00:43:28,000

had and you know i know with a lot of

1190

00:43:31,190 --> 00:43:29,839

other people's sightings

1191

00:43:32,630 --> 00:43:31,200

you know um

1192

00:43:34,710 --> 00:43:32,640

you know sometimes there's

1193

00:43:36,950 --> 00:43:34,720

characteristics of these things that

1194

00:43:38,870 --> 00:43:36,960

really you know

1195

00:43:41,510 --> 00:43:38,880

they really point in the direction of

1196

00:43:44,470 --> 00:43:41,520

something other than you know earthly

1197

00:43:46,710 --> 00:43:44,480

origin you know whether it be the speed

1198

00:43:47,910 --> 00:43:46,720

or the flight characteristics i mean in

1199

00:43:49,750 --> 00:43:47,920

in my case

1200

00:43:52,230 --> 00:43:49,760

this object we saw

1201  
00:43:53,510 --> 00:43:52,240  
exhibited what i now know as falling

1202  
00:43:55,750 --> 00:43:53,520  
leaf motion

1203  
00:43:59,190 --> 00:43:55,760  
which is is a kind of a rocking or

1204  
00:44:02,069 --> 00:43:59,200  
wobbling as um as it descends

1205  
00:44:04,230 --> 00:44:02,079  
now um so you know things like that you

1206  
00:44:06,150 --> 00:44:04,240  
know that's not a you know that's not a

1207  
00:44:08,309 --> 00:44:06,160  
normal thing that something in the sky

1208  
00:44:10,550 --> 00:44:08,319  
is going to exhibit so you know whether

1209  
00:44:12,470 --> 00:44:10,560  
it's that or you know something flying

1210  
00:44:13,990 --> 00:44:12,480  
at a great rate of speed

1211  
00:44:16,390 --> 00:44:14,000  
you know these are the things that

1212  
00:44:18,630 --> 00:44:16,400  
people like um you know

1213  
00:44:20,470 --> 00:44:18,640

seth don't mention you know that some

1214

00:44:22,790 --> 00:44:20,480

ufo sightings you know there are

1215

00:44:24,309 --> 00:44:22,800

characteristics which you know cannot be

1216

00:44:26,790 --> 00:44:24,319

explained by

1217

00:44:28,550 --> 00:44:26,800

you know normal means so you know yes

1218

00:44:30,069 --> 00:44:28,560

there are a lot of cases where somebody

1219

00:44:32,150 --> 00:44:30,079

sees a light in the sky and you know it

1220

00:44:34,230 --> 00:44:32,160

could have been a planet or you know the

1221

00:44:36,710 --> 00:44:34,240

missile or whatever but there are also a

1222

00:44:38,950 --> 00:44:36,720

lot of cases the good ones where you

1223

00:44:39,750 --> 00:44:38,960

know there are attributes that just they

1224

00:44:42,230 --> 00:44:39,760

don't

1225

00:44:44,870 --> 00:44:42,240

point to terrestrial oregon

1226

00:44:46,630 --> 00:44:44,880

that's right yep and

1227

00:44:48,069 --> 00:44:46,640

you know there's uh

1228

00:44:50,390 --> 00:44:48,079

there's two things you can think about

1229

00:44:51,670 --> 00:44:50,400

that either just try to forget about

1230

00:44:53,829 --> 00:44:51,680

what you saw

1231

00:44:55,349 --> 00:44:53,839

it's kind of you know i kind of liken it

1232

00:44:59,030 --> 00:44:55,359

to

1233

00:45:05,190 --> 00:44:59,040

think that

1234

00:45:08,390 --> 00:45:05,200

ufos just seem a lot more solid than

1235

00:45:10,710 --> 00:45:08,400

ghosts but um but people see something

1236

00:45:12,470 --> 00:45:10,720

something is going on and but a lot of

1237

00:45:14,470 --> 00:45:12,480

times people they just don't want to

1238

00:45:16,470 --> 00:45:14,480

talk about it now up on the message

1239

00:45:19,430 --> 00:45:16,480

board

1240

00:45:21,270 --> 00:45:19,440

someone from maine just uh

1241

00:45:22,790 --> 00:45:21,280

uh it's hard to see where it went uh

1242

00:45:23,990 --> 00:45:22,800

yeah he had a sighting in mechanics

1243

00:45:27,349 --> 00:45:24,000

falls main

1244

00:45:29,030 --> 00:45:27,359

back in the fall of 2008 but that at

1245

00:45:30,710 --> 00:45:29,040

that time

1246

00:45:34,390 --> 00:45:30,720

um he says he didn't know where to

1247

00:45:36,390 --> 00:45:34,400

report it now i i agree with you

1248

00:45:37,829 --> 00:45:36,400

robert on that statement because when i

1249

00:45:39,030 --> 00:45:37,839

had my sighting

1250

00:45:42,630 --> 00:45:39,040

back in

1251

00:45:44,630 --> 00:45:42,640

2006 i had no idea how to report it

1252

00:45:46,069 --> 00:45:44,640

i called the police department

1253

00:45:48,470 --> 00:45:46,079

it just didn't occur to me to look

1254

00:45:50,309 --> 00:45:48,480

anywhere online and i think that that

1255

00:45:52,069 --> 00:45:50,319

may still happen to the average joe out

1256

00:45:53,589 --> 00:45:52,079

there who sees something they don't know

1257

00:45:56,230 --> 00:45:53,599

where to go with it

1258

00:45:58,470 --> 00:45:56,240

i agree you know i agree it was the same

1259

00:46:00,309 --> 00:45:58,480

case for me i didn't know anything about

1260

00:46:02,309 --> 00:46:00,319

you know ufo research or even how to

1261

00:46:05,030 --> 00:46:02,319

report one um you know when i had my

1262

00:46:07,270 --> 00:46:05,040

first sighting so i didn't report it um

1263

00:46:09,589 --> 00:46:07,280

but yeah you know i think i think it's a

1264

00:46:11,589 --> 00:46:09,599

little easier now you know to find out i

1265

00:46:14,630 --> 00:46:11,599

mean with the internet it's a bit easier

1266

00:46:16,550 --> 00:46:14,640

but yeah it can be difficult um

1267

00:46:18,150 --> 00:46:16,560

you know to find where to report but you

1268

00:46:20,230 --> 00:46:18,160

know i find that these days i mean

1269

00:46:22,790 --> 00:46:20,240

typically you know things get either

1270

00:46:24,950 --> 00:46:22,800

reported to mufon or the national ufo

1271

00:46:26,870 --> 00:46:24,960

reporting center seem to be the you know

1272

00:46:30,150 --> 00:46:26,880

the two places where people will report

1273

00:46:31,750 --> 00:46:30,160

ufos other than local police or military

1274

00:46:32,630 --> 00:46:31,760

bases

1275

00:46:37,589 --> 00:46:32,640

yes

1276

00:46:39,190 --> 00:46:37,599

you know i saw the most spectacular

1277

00:46:41,430 --> 00:46:39,200

thing i ever saw which was much better

1278

00:46:43,430 --> 00:46:41,440

than the ufo i saw and that is i saw

1279

00:46:46,150 --> 00:46:43,440

this big huge fireball

1280

00:46:49,190 --> 00:46:46,160

oh wow and um i didn't know how to

1281

00:46:50,710 --> 00:46:49,200

report it i called pease air force base

1282

00:46:52,390 --> 00:46:50,720

and they were actually you know this was

1283

00:46:54,309 --> 00:46:52,400

uh you know

1284

00:46:56,069 --> 00:46:54,319

30 30 years ago and they were actually

1285

00:46:57,829 --> 00:46:56,079

quite nice

1286

00:46:59,589 --> 00:46:57,839

and you know they didn't there was no

1287

00:47:01,589 --> 00:46:59,599

like ridicule factor like

1288

00:47:03,990 --> 00:47:01,599

the police department gave me the total

1289

00:47:05,190 --> 00:47:04,000

ridicule run around thing

1290

00:47:07,430 --> 00:47:05,200

well it's good that's good that they

1291

00:47:09,190 --> 00:47:07,440

took it serious they should you know and

1292

00:47:11,030 --> 00:47:09,200

a lot of emergency a lot of things that

1293

00:47:12,950 --> 00:47:11,040

people don't realize out there

1294

00:47:14,710 --> 00:47:12,960

um if you had a sighting and it was

1295

00:47:15,910 --> 00:47:14,720

several years ago you can still report

1296

00:47:21,190 --> 00:47:15,920

it

1297

00:47:23,670 --> 00:47:21,200

because i've noticed lately you know

1298

00:47:25,589 --> 00:47:23,680

when i do go on goof on site is that

1299

00:47:28,150 --> 00:47:25,599

there are a lot of

1300

00:47:31,589 --> 00:47:28,160

older cases being reported now you know

1301  
00:47:32,390 --> 00:47:31,599  
from 60s 70s even earl you know 2000s um

1302  
00:47:34,069 --> 00:47:32,400  
so

1303  
00:47:36,150 --> 00:47:34,079  
it does seem like there there is an

1304  
00:47:38,470 --> 00:47:36,160  
influx of of people reporting older

1305  
00:47:40,950 --> 00:47:38,480  
cases so that you know that's it's good

1306  
00:47:42,549 --> 00:47:40,960  
and it's it's worth it because

1307  
00:47:44,470 --> 00:47:42,559  
you know um

1308  
00:47:46,470 --> 00:47:44,480  
some researchers somebody could later

1309  
00:47:49,270 --> 00:47:46,480  
correlate it to another sighting you

1310  
00:47:51,030 --> 00:47:49,280  
know or so it's worth it to report you

1311  
00:47:53,270 --> 00:47:51,040  
know even for that just to have it on

1312  
00:47:55,670 --> 00:47:53,280  
record because you know then that's how

1313  
00:47:57,430 --> 00:47:55,680

patterns emerge you know so

1314

00:47:59,190 --> 00:47:57,440

i definitely think it's you know it's

1315

00:48:00,710 --> 00:47:59,200

it's good to at least get the report out

1316

00:48:02,630 --> 00:48:00,720

there that way researchers have the

1317

00:48:04,150 --> 00:48:02,640

information and you know if it warrants

1318

00:48:07,030 --> 00:48:04,160

investigation then somebody can

1319

00:48:09,030 --> 00:48:07,040

investigate it yes we had someone from

1320

00:48:12,390 --> 00:48:09,040

texas was listening to our show back

1321

00:48:14,549 --> 00:48:12,400

when roger marsh was on a few weeks ago

1322

00:48:15,430 --> 00:48:14,559

from mufon and

1323

00:48:17,109 --> 00:48:15,440

they

1324

00:48:19,510 --> 00:48:17,119

went on and on about the sighting

1325

00:48:21,030 --> 00:48:19,520

actually the woman's son had um she's

1326  
00:48:21,750 --> 00:48:21,040  
probably listening to the show or will

1327  
00:48:23,030 --> 00:48:21,760  
be

1328  
00:48:28,630 --> 00:48:23,040  
and

1329  
00:48:30,549 --> 00:48:28,640  
that's going to be

1330  
00:48:32,870 --> 00:48:30,559  
reported now in texas

1331  
00:48:35,430 --> 00:48:32,880  
so great and that was i think several

1332  
00:48:37,430 --> 00:48:35,440  
years ago so yeah it's a good thing

1333  
00:48:38,870 --> 00:48:37,440  
because like you just mentioned you know

1334  
00:48:40,470 --> 00:48:38,880  
that a lot of times it'll help connect

1335  
00:48:42,309 --> 00:48:40,480  
the dots

1336  
00:48:44,069 --> 00:48:42,319  
definitely you know it could it could be

1337  
00:48:45,510 --> 00:48:44,079  
you know a piece that you know links two

1338  
00:48:47,349 --> 00:48:45,520

things together you know so it's

1339

00:48:49,030 --> 00:48:47,359

definitely it's definitely good to get

1340

00:48:50,390 --> 00:48:49,040

the info out there

1341

00:48:53,109 --> 00:48:50,400

right right

1342

00:48:55,589 --> 00:48:53,119

so uh we got about eight eight or

1343

00:48:57,750 --> 00:48:55,599

we got eight minutes or so um you know

1344

00:48:59,670 --> 00:48:57,760

and i i was uh just before the show i

1345

00:49:01,910 --> 00:48:59,680

got i got a little i was a little bit

1346

00:49:04,950 --> 00:49:01,920

late getting to my desk here and you and

1347

00:49:07,589 --> 00:49:04,960

i had talked about some topics and uh

1348

00:49:09,829 --> 00:49:07,599

you know ryan i i gotta say i forgot i

1349

00:49:11,030 --> 00:49:09,839

forgot the topics if there's some you

1350

00:49:14,630 --> 00:49:11,040

can think of

1351  
00:49:15,670 --> 00:49:14,640  
um let me think of what we mentioned

1352  
00:49:20,230 --> 00:49:15,680  
um

1353  
00:49:22,470 --> 00:49:20,240  
but you know i could kind of go off of

1354  
00:49:23,829 --> 00:49:22,480  
what we were just talking about um

1355  
00:49:27,510 --> 00:49:23,839  
you know

1356  
00:49:29,750 --> 00:49:27,520  
it's really good for people to report

1357  
00:49:31,109 --> 00:49:29,760  
stuff but you know then it gets to

1358  
00:49:33,829 --> 00:49:31,119  
you know one of the critiques that

1359  
00:49:35,750 --> 00:49:33,839  
people make of mufon where you know

1360  
00:49:38,309 --> 00:49:35,760  
things are being investigated and

1361  
00:49:39,270 --> 00:49:38,319  
information is being you know gathered

1362  
00:49:41,670 --> 00:49:39,280  
but

1363  
00:49:43,430 --> 00:49:41,680

you know what is happening with it after

1364

00:49:45,430 --> 00:49:43,440

what you know what is being done with it

1365

00:49:47,829 --> 00:49:45,440

is it is the data being crunched you

1366

00:49:50,069 --> 00:49:47,839

know so you know i think it's good for

1367

00:49:51,829 --> 00:49:50,079

people to report stuff you know but then

1368

00:49:55,430 --> 00:49:51,839

at the same token i think you know one

1369

00:49:57,349 --> 00:49:55,440

thing ufology as a whole could do better

1370

00:49:59,829 --> 00:49:57,359

is um you know

1371

00:50:01,589 --> 00:49:59,839

taking that data and and you know

1372

00:50:03,190 --> 00:50:01,599

crunching it and it makes me think you

1373

00:50:04,870 --> 00:50:03,200

know i've been reading forbidden science

1374

00:50:07,910 --> 00:50:04,880

jacques valerian

1375

00:50:10,390 --> 00:50:07,920

you know he was the first one to do um

1376  
00:50:12,870 --> 00:50:10,400  
computer categorization of ufo sightings

1377  
00:50:14,790 --> 00:50:12,880  
and he was doing it back when the ibm

1378  
00:50:16,549 --> 00:50:14,800  
computers were the size of a room and

1379  
00:50:17,750 --> 00:50:16,559  
you had to use punch cards to enter the

1380  
00:50:20,230 --> 00:50:17,760  
information and

1381  
00:50:22,710 --> 00:50:20,240  
you know for that was like the early 60s

1382  
00:50:24,069 --> 00:50:22,720  
i believe and then to be here now and

1383  
00:50:26,549 --> 00:50:24,079  
you know there's been so many great

1384  
00:50:29,589 --> 00:50:26,559  
researchers that have spent you know

1385  
00:50:31,910 --> 00:50:29,599  
decades gathering files or you know

1386  
00:50:33,910 --> 00:50:31,920  
cases and then a lot of times this stuff

1387  
00:50:36,790 --> 00:50:33,920  
you know just kind of ends up in a

1388  
00:50:38,950 --> 00:50:36,800

warehouse or you know will be absorbed

1389

00:50:40,710 --> 00:50:38,960

by another ufo organization but i think

1390

00:50:42,790 --> 00:50:40,720

you know one thing that's important is

1391

00:50:44,470 --> 00:50:42,800

at some point you know it's going to be

1392

00:50:46,150 --> 00:50:44,480

good to start trying to look at that

1393

00:50:48,390 --> 00:50:46,160

stuff a bit more

1394

00:50:51,270 --> 00:50:48,400

and you know try and actually glean some

1395

00:50:53,670 --> 00:50:51,280

information from it you know you look at

1396

00:50:54,549 --> 00:50:53,680

sites like peter davenport's

1397

00:50:56,549 --> 00:50:54,559

site

1398

00:50:57,430 --> 00:50:56,559

you know he's a one-man show

1399

00:50:59,109 --> 00:50:57,440

and

1400

00:51:02,150 --> 00:50:59,119

he gets

1401

00:51:04,150 --> 00:51:02,160

i think hundreds of reports

1402

00:51:06,069 --> 00:51:04,160

come into him per month

1403

00:51:08,470 --> 00:51:06,079

and you know i just wonder what happens

1404

00:51:10,390 --> 00:51:08,480

to that data as well and you know what

1405

00:51:12,630 --> 00:51:10,400

he does with it

1406

00:51:14,549 --> 00:51:12,640

well the good thing you know the thing

1407

00:51:16,390 --> 00:51:14,559

i mean pretty much most of the info i

1408

00:51:18,470 --> 00:51:16,400

mean he posts it all right up on there

1409

00:51:20,309 --> 00:51:18,480

you know other than you know obviously

1410

00:51:22,390 --> 00:51:20,319

people's names and stuff so

1411

00:51:24,230 --> 00:51:22,400

yeah you know i think it would be great

1412

00:51:25,910 --> 00:51:24,240

to see you know these i think are the

1413

00:51:27,990 --> 00:51:25,920

sort of projects that people can get

1414

00:51:31,270 --> 00:51:28,000

involved in that want to do scientific

1415

00:51:33,589 --> 00:51:31,280

minded work in ufology um maybe approach

1416

00:51:36,309 --> 00:51:33,599

peter davenport about trying to do some

1417

00:51:38,309 --> 00:51:36,319

computer analysis of his data or you

1418

00:51:39,829 --> 00:51:38,319

know same thing with mufon maybe start

1419

00:51:42,790 --> 00:51:39,839

taking some of the stuff that has

1420

00:51:44,790 --> 00:51:42,800

accumulated since 1969

1421

00:51:46,950 --> 00:51:44,800

and you know put it in a computer

1422

00:51:49,190 --> 00:51:46,960

approach it with some science um take a

1423

00:51:50,870 --> 00:51:49,200

look at it you know so and that's you

1424

00:51:53,109 --> 00:51:50,880

know that's why i want to really try and

1425

00:51:55,030 --> 00:51:53,119

get you know a research website built

1426

00:51:56,230 --> 00:51:55,040

that way all the cool things that i've

1427

00:51:58,309 --> 00:51:56,240

uncovered

1428

00:52:00,230 --> 00:51:58,319

you know over the past 15 years they're

1429

00:52:02,069 --> 00:52:00,240

going to be there for the next person

1430

00:52:03,670 --> 00:52:02,079

that's interested in it so

1431

00:52:05,270 --> 00:52:03,680

you know they can use it as a stepping

1432

00:52:07,190 --> 00:52:05,280

stone they don't have to spend the years

1433

00:52:08,790 --> 00:52:07,200

going around and you know digging for

1434

00:52:10,230 --> 00:52:08,800

all this stuff they can kind of take it

1435

00:52:12,950 --> 00:52:10,240

from there and take it to a different

1436

00:52:14,710 --> 00:52:12,960

place so you know i i hope i'd like to

1437

00:52:17,589 --> 00:52:14,720

see more of that going on

1438

00:52:19,589 --> 00:52:17,599

yeah yeah that's right and that's a good

1439

00:52:20,790 --> 00:52:19,599

point he puts things up on his site it's

1440

00:52:22,630 --> 00:52:20,800

available

1441

00:52:26,069 --> 00:52:22,640

um and

1442

00:52:28,309 --> 00:52:26,079

i have talked at great length with uh

1443

00:52:29,510 --> 00:52:28,319

another researcher in the in texas

1444

00:52:31,589 --> 00:52:29,520

basically

1445

00:52:32,710 --> 00:52:31,599

and you know he he's been discouraged

1446

00:52:34,950 --> 00:52:32,720

because uh

1447

00:52:37,349 --> 00:52:34,960

he knew something about uh quite a bit

1448

00:52:39,030 --> 00:52:37,359

about a particular case new people

1449

00:52:40,549 --> 00:52:39,040

involved in it had interviewed the

1450

00:52:44,309 --> 00:52:40,559

people involved in it

1451  
00:52:47,190 --> 00:52:44,319  
and all he wanted was uh to get uh mufon

1452  
00:52:49,510 --> 00:52:47,200  
to give his name and number for the for

1453  
00:52:51,910 --> 00:52:49,520  
the person involved

1454  
00:52:53,910 --> 00:52:51,920  
that filled out a report just to contact

1455  
00:52:55,190 --> 00:52:53,920  
him if they wanted to

1456  
00:52:57,430 --> 00:52:55,200  
sort of like we were talking about

1457  
00:52:59,109 --> 00:52:57,440  
earlier connecting some dots

1458  
00:53:01,030 --> 00:52:59,119  
on a certain case and you know mufon

1459  
00:53:02,950 --> 00:53:01,040  
would have no part of it

1460  
00:53:04,150 --> 00:53:02,960  
you know i understand them being really

1461  
00:53:07,510 --> 00:53:04,160  
protective

1462  
00:53:08,870 --> 00:53:07,520  
uh that's important um but there's also

1463  
00:53:10,630 --> 00:53:08,880

you know sometimes you need a little

1464

00:53:12,710 --> 00:53:10,640

flexibility if it's gonna

1465

00:53:15,109 --> 00:53:12,720

you know help solve a case

1466

00:53:16,950 --> 00:53:15,119

i agree you know i agree i think that

1467

00:53:18,470 --> 00:53:16,960

you know there that's another topic you

1468

00:53:19,589 --> 00:53:18,480

know trying people trying to work

1469

00:53:21,430 --> 00:53:19,599

together

1470

00:53:23,430 --> 00:53:21,440

you know in ufology i think you know

1471

00:53:25,270 --> 00:53:23,440

that that's something that could you

1472

00:53:26,630 --> 00:53:25,280

know improve but at the same time when

1473

00:53:28,390 --> 00:53:26,640

somebody's working on you know an

1474

00:53:30,390 --> 00:53:28,400

original piece of research i think it's

1475

00:53:31,910 --> 00:53:30,400

important you know for them to

1476  
00:53:34,150 --> 00:53:31,920  
be ready to

1477  
00:53:36,390 --> 00:53:34,160  
share it you know before they do but you

1478  
00:53:38,470 --> 00:53:36,400  
know in a situation like that

1479  
00:53:40,710 --> 00:53:38,480  
you know there's no reason that mufon

1480  
00:53:42,549 --> 00:53:40,720  
can't go to that person say look there's

1481  
00:53:43,910 --> 00:53:42,559  
somebody who wants to talk to you we you

1482  
00:53:45,750 --> 00:53:43,920  
know we would not give them your

1483  
00:53:47,190 --> 00:53:45,760  
identity unless we had your permission

1484  
00:53:48,790 --> 00:53:47,200  
you know

1485  
00:53:50,150 --> 00:53:48,800  
send us your permission in writing and

1486  
00:53:52,470 --> 00:53:50,160  
we can connect you you know something

1487  
00:53:54,230 --> 00:53:52,480  
like that but you know i think that you

1488  
00:53:56,230 --> 00:53:54,240

know there has been a lot of that with

1489

00:53:58,150 --> 00:53:56,240

mufon you know i think a lot of people

1490

00:53:59,589 --> 00:53:58,160

have criticized them for you know kind

1491

00:54:01,430 --> 00:53:59,599

of keeping their

1492

00:54:04,470 --> 00:54:01,440

information to themselves and you know

1493

00:54:07,109 --> 00:54:04,480

the one particular case that you know i

1494

00:54:08,950 --> 00:54:07,119

did an article about that was a alleged

1495

00:54:10,870 --> 00:54:08,960

abduction in new hampshire where mufon

1496

00:54:13,109 --> 00:54:10,880

investigated

1497

00:54:13,910 --> 00:54:13,119

the investigator would not reveal who

1498

00:54:19,750 --> 00:54:13,920

the

1499

00:54:21,589 --> 00:54:19,760

he claimed all this evidence yet it was

1500

00:54:23,589 --> 00:54:21,599

never scientifically examined or

1501  
00:54:24,470 --> 00:54:23,599  
presented

1502  
00:54:26,549 --> 00:54:24,480  
so

1503  
00:54:28,470 --> 00:54:26,559  
you know i've seen a little bit of that

1504  
00:54:30,630 --> 00:54:28,480  
on myself you know with mufon and i

1505  
00:54:33,109 --> 00:54:30,640  
think you know i think ultimately the

1506  
00:54:35,030 --> 00:54:33,119  
you know the more info they share with

1507  
00:54:37,190 --> 00:54:35,040  
people and on their website you know

1508  
00:54:38,549 --> 00:54:37,200  
obviously respecting people's privacy

1509  
00:54:41,349 --> 00:54:38,559  
the more they're going to get people

1510  
00:54:43,030 --> 00:54:41,359  
excited about the subject you know so

1511  
00:54:45,589 --> 00:54:43,040  
you know i think they maybe could do a

1512  
00:54:48,710 --> 00:54:45,599  
little better at that um you know we we

1513  
00:54:52,069 --> 00:54:48,720

have a situation here where we only got

1514

00:54:54,950 --> 00:54:52,079

a couple minutes left but um

1515

00:54:56,630 --> 00:54:54,960

you and i you know and one of our phone

1516

00:54:58,390 --> 00:54:56,640

chats talked about it

1517

00:54:59,430 --> 00:54:58,400

and i'm not going to point any fingers

1518

00:55:00,789 --> 00:54:59,440

but there are a couple of people

1519

00:55:02,789 --> 00:55:00,799

involved in mufon they're kind of

1520

00:55:05,270 --> 00:55:02,799

whacked i'm going to say it um you know

1521

00:55:07,030 --> 00:55:05,280

there's some really good people um like

1522

00:55:08,789 --> 00:55:07,040

roger marsh that was on our show i

1523

00:55:10,710 --> 00:55:08,799

thought he was really solid

1524

00:55:12,710 --> 00:55:10,720

but i i hate to say it but there's a

1525

00:55:13,670 --> 00:55:12,720

couple of state directors

1526

00:55:15,829 --> 00:55:13,680

that

1527

00:55:18,950 --> 00:55:15,839

um in my humble opinion

1528

00:55:21,030 --> 00:55:18,960

should not be there representing mufon

1529

00:55:22,789 --> 00:55:21,040

yeah you know i mean you know another

1530

00:55:25,109 --> 00:55:22,799

thing and you know obviously i'm you

1531

00:55:26,470 --> 00:55:25,119

know i'm all of my critiques and move on

1532

00:55:28,630 --> 00:55:26,480

you know definitely i mean i'm

1533

00:55:29,670 --> 00:55:28,640

constructive and you know to what you

1534

00:55:31,270 --> 00:55:29,680

just said

1535

00:55:33,190 --> 00:55:31,280

i think that's a good point because what

1536

00:55:35,190 --> 00:55:33,200

i find is there's a there's a lot of

1537

00:55:37,589 --> 00:55:35,200

inconsistency

1538

00:55:39,670 --> 00:55:37,599

from maybe state to state or reach

1539

00:55:42,309 --> 00:55:39,680

region to region with you know the

1540

00:55:44,549 --> 00:55:42,319

quality of maybe the state directors or

1541

00:55:46,710 --> 00:55:44,559

or the sort of things that they're doing

1542

00:55:48,950 --> 00:55:46,720

so you know that's one thing that i've

1543

00:55:49,990 --> 00:55:48,960

noticed that i just think there's you

1544

00:55:51,910 --> 00:55:50,000

know

1545

00:55:54,390 --> 00:55:51,920

there's a lot of discrepancy there and

1546

00:55:57,270 --> 00:55:54,400

you know maybe that you know and also

1547

00:55:58,870 --> 00:55:57,280

having studied the mufon field manual

1548

00:56:01,510 --> 00:55:58,880

you know there's a whole section about

1549

00:56:03,190 --> 00:56:01,520

public relations in there and you know

1550

00:56:04,789 --> 00:56:03,200

some of the things you know i think

1551

00:56:06,630 --> 00:56:04,799

maybe you're alluding to or you know

1552

00:56:08,150 --> 00:56:06,640

things that come to mind you know

1553

00:56:10,789 --> 00:56:08,160

there's people just you know kind of

1554

00:56:13,190 --> 00:56:10,799

speaking out and it's clear they're not

1555

00:56:15,510 --> 00:56:13,200

taking you know mufon as an organization

1556

00:56:17,109 --> 00:56:15,520

maybe and you know they're not

1557

00:56:19,030 --> 00:56:17,119

taking that into consideration that

1558

00:56:21,510 --> 00:56:19,040

they're speaking you know

1559

00:56:23,670 --> 00:56:21,520

on behalf of an organization so you know

1560

00:56:26,470 --> 00:56:23,680

i've seen some of some of that you know

1561

00:56:28,069 --> 00:56:26,480

before and um you know i think maybe you

1562

00:56:29,990 --> 00:56:28,079

know that's just maybe they need to have

1563

00:56:31,430 --> 00:56:30,000

more oversight you know maybe people are

1564

00:56:33,349 --> 00:56:31,440

just allowed to

1565

00:56:35,510 --> 00:56:33,359

you know i'm not really sure i've never

1566

00:56:37,030 --> 00:56:35,520

been a part of mufon so it's hard for me

1567

00:56:39,589 --> 00:56:37,040

to comment but you know i can only

1568

00:56:40,470 --> 00:56:39,599

comment on what i've noticed but um

1569

00:56:43,109 --> 00:56:40,480

yeah

1570

00:56:44,950 --> 00:56:43,119

stone

1571

00:56:46,630 --> 00:56:44,960

for some people you know a lot of people

1572

00:56:48,309 --> 00:56:46,640

are are

1573

00:56:50,710 --> 00:56:48,319

looked at more seriously and they're in

1574

00:56:52,870 --> 00:56:50,720

documentaries because they're part of a

1575

00:56:54,950 --> 00:56:52,880

mufon investigation

1576

00:56:57,349 --> 00:56:54,960

so it has to go with that we only got a

1577

00:56:59,750 --> 00:56:57,359

few seconds left so why don't you throw

1578

00:57:01,950 --> 00:56:59,760

out your uh your website

1579

00:57:05,470 --> 00:57:01,960

sure you can check out my website is

1580

00:57:08,630 --> 00:57:06,870

hampshireuforesearch.blogspot.com and i

1581

00:57:10,789 --> 00:57:08,640

will be working on the new website and

1582

00:57:12,309 --> 00:57:10,799

hopefully we'll have that up next year

1583

00:57:14,670 --> 00:57:12,319

and you can also check me out on

1584

00:57:19,829 --> 00:57:14,680

facebook

1585

00:57:21,430 --> 00:57:19,839

research and also on twitter all right

1586

00:57:23,109 --> 00:57:21,440

so that's it for our show today if you

1587

00:57:24,630 --> 00:57:23,119

missed any part of the show you can

1588

00:57:26,950 --> 00:57:24,640

catch it as a podcast and a whole bunch

1589

00:57:29,109 --> 00:57:26,960

of other podcasts on our website which

1590

00:57:30,549 --> 00:57:29,119

is podcastufo.com i want to thank

1591

00:57:32,870 --> 00:57:30,559

everyone for helping out with the show

1592

00:57:34,230 --> 00:57:32,880

today our guest ryan mullahy keith

1593

00:57:37,109 --> 00:57:34,240

rowland producer for the dark matter

1594

00:57:39,510 --> 00:57:37,119

radio network andy fleming for astronomy

1595

00:57:41,589 --> 00:57:39,520

news carrie lloyd whitehouse for music

1596

00:57:43,670 --> 00:57:41,599

and peggy shunning for

1597

00:57:46,230 --> 00:57:43,680

admining our facebook page

1598

00:57:47,910 --> 00:57:46,240

next week we have nick redfern again

1599

00:57:49,510 --> 00:57:47,920

he's going to be on talking about his

1600

00:57:51,829 --> 00:57:49,520

latest book close encounters of the

1601

00:57:53,430 --> 00:57:51,839

fatal kind you could check us out right

1602

00:57:55,670 --> 00:57:53,440

here in the dark matter radio network

1603

00:57:57,430 --> 00:57:55,680

next week and every wednesday at 9 00 pm

1604

00:58:00,230 --> 00:57:57,440

eastern standard time

1605

00:58:01,589 --> 00:58:00,240

and that's it for our show
