

1
00:00:03,169 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:04,249 --> 00:00:03,179
triangle

3
00:00:05,360 --> 00:00:04,259
you know there's explanation for

4
00:00:06,710 --> 00:00:05,370
everything that appeared in the

5
00:00:09,169 --> 00:00:06,720
Rendlesham forest incident

6
00:00:11,810 --> 00:00:09,179
it doesn't involve aliens at all it was

7
00:00:15,950 --> 00:00:11,820
completely silent it comes right over

8
00:00:18,050 --> 00:00:15,960
our head it's so toxic he's also really

9
00:00:19,609 --> 00:00:18,060
stunningly McCleary he turned over to my

10
00:00:23,800 --> 00:00:19,619
father and held his hand and he looked

11
00:00:27,650 --> 00:00:26,060
hello and welcome to the show I'm Martyn

we have a fun show for you this evening

18

00:00:44,900 --> 00:00:43,170

Alejandro Rojas from open minds is

19

00:00:47,630 --> 00:00:44,910

coming right up with the news and our

20

00:00:50,330 --> 00:00:47,640

guest tonight is Sheila Martin aka

21

00:00:52,430 --> 00:00:50,340

Sheila aliens on YouTube I will be

22

00:00:55,549 --> 00:00:52,440

having Andy Fleming on about once a

23

00:00:57,619 --> 00:00:55,559

month with a astronomy clip Andy's done

24

00:01:00,709 --> 00:00:57,629

a bang-up job and I really appreciate

25

00:01:03,200 --> 00:01:00,719

that Andy and alright it's it's time to

26
00:01:05,359 --> 00:01:03,210
bring in Alejandro how are you good how

27
00:01:07,399 --> 00:01:05,369
are you doing great and I want to thank

28
00:01:10,399 --> 00:01:07,409
you so much for for helping us out here

29
00:01:12,800 --> 00:01:10,409
this is gonna be fun yeah I'm really

30
00:01:14,359 --> 00:01:12,810
excited to bring you some news every

31
00:01:16,910 --> 00:01:14,369
week because there's so much going on

32
00:01:18,950 --> 00:01:16,920
and of course we're spending all day

33
00:01:21,050 --> 00:01:18,960
every day collecting that news and

34
00:01:22,789 --> 00:01:21,060
posting it I love it I love it

35
00:01:25,760 --> 00:01:22,799
so why don't we just roll right in with

36
00:01:27,890 --> 00:01:25,770
the with the first story okay yeah the

37
00:01:29,920 --> 00:01:27,900
first story where I guess first I'll

38
00:01:33,410 --> 00:01:29,930

cover a couple MUFON things because

39

00:01:36,410 --> 00:01:33,420

Roger Marsh as you know is posting now

40

00:01:38,960 --> 00:01:36,420

on our site he's the official MUFON guy

41

00:01:40,910 --> 00:01:38,970

posting all of the latest that comes out

42

00:01:44,270 --> 00:01:40,920

of MUFON so we've posted a couple

43

00:01:46,490 --> 00:01:44,280

interesting things there one of them

44

00:01:49,429 --> 00:01:46,500

which has gotten the most hits is kind

45

00:01:51,170 --> 00:01:49,439

of interesting very short story and it

46

00:01:53,929 --> 00:01:51,180

was just a report from someone who said

47

00:01:56,690 --> 00:01:53,939

my grandma my grandparents lived in

48

00:01:58,249 --> 00:01:56,700

Dayton Ohio and they had a friend that

49

00:02:01,850 --> 00:01:58,259

worked at wright-patterson Air Force

50

00:02:05,480 --> 00:02:01,860

Base and they asked you know what about

51
00:02:07,490 --> 00:02:05,490
these UFOs and aliens and he said if the

52
00:02:09,559 --> 00:02:07,500
public knew what was at the base from

53
00:02:12,860 --> 00:02:09,569
the Roswell incident there would be a

54
00:02:14,350 --> 00:02:12,870
general panic amongst the public so that

55
00:02:16,570 --> 00:02:14,360
was kind of a neat story

56
00:02:18,250 --> 00:02:16,580
and it's just kind of fun because you

57
00:02:21,010 --> 00:02:18,260
know I don't know how you feel in that

58
00:02:23,140 --> 00:02:21,020
and be interesting to hear there's so

59
00:02:25,480 --> 00:02:23,150
much anecdotal stuff that comes along

60
00:02:27,820 --> 00:02:25,490
with Roswell so many people and

61
00:02:30,460 --> 00:02:27,830
wright-patterson talking about aliens

62
00:02:31,720 --> 00:02:30,470
and UFOs related to Roswell and those

63
00:02:33,970 --> 00:02:31,730

then being transferred to

64

00:02:35,980 --> 00:02:33,980

wright-patterson that it's kind of

65

00:02:38,350 --> 00:02:35,990

overwhelming we understand Gordon on

66

00:02:40,000 --> 00:02:38,360

last week and Kecksburg may have been

67

00:02:42,010 --> 00:02:40,010

brought over there not just Roswell

68

00:02:46,690 --> 00:02:42,020

we've had Don Schmitt on the past

69

00:02:49,540 --> 00:02:46,700

talking about that and Ben Hansen

70

00:02:51,880 --> 00:02:49,550

I believe he he believed that his

71

00:02:54,190 --> 00:02:51,890

grandfather might have something to do

72

00:02:55,930 --> 00:02:54,200

with bringing some material over there

73

00:02:58,720 --> 00:02:55,940

at one time this all all types of

74

00:03:00,610 --> 00:02:58,730

mystery about that yeah yeah Ben's a

75

00:03:02,800 --> 00:03:00,620

good friend and I really take it I he's

76

00:03:05,350 --> 00:03:02,810

an honest guy and I think that he

77

00:03:07,210 --> 00:03:05,360

doesn't over embellish so yeah a lot of

78

00:03:08,080 --> 00:03:07,220

these days anecdotal stuff is pretty

79

00:03:10,270 --> 00:03:08,090

substantial

80

00:03:13,270 --> 00:03:10,280

there was a Satori that Don Schmidt told

81

00:03:15,190 --> 00:03:13,280

about some like floors being sealed off

82

00:03:18,490 --> 00:03:15,200

there and that makes it even more

83

00:03:20,320 --> 00:03:18,500

interesting right yeah so Don Schmitt of

84

00:03:22,030 --> 00:03:20,330

course has his new book out that talks a

85

00:03:24,729 --> 00:03:22,040

lot about wright-patterson and he's kind

86

00:03:26,590 --> 00:03:24,739

of saying hey forget area 51

87

00:03:28,330 --> 00:03:26,600

wright-patterson is where it's at and

88

00:03:30,670 --> 00:03:28,340

he's got a lot of interesting stories in

89

00:03:31,960 --> 00:03:30,680

there including I guess I could give a

90

00:03:35,650 --> 00:03:31,970

preview to people we're gonna have a

91

00:03:38,170 --> 00:03:35,660

James Clarkson at the UFO Congress in

92

00:03:40,090 --> 00:03:38,180

2015 and he talks about a lady named

93

00:03:41,920 --> 00:03:40,100

June crane who was a secretary at

94

00:03:43,690 --> 00:03:41,930

wright-patterson and she was an

95

00:03:45,729 --> 00:03:43,700

attractive young woman at the time and

96

00:03:47,199 --> 00:03:45,739

the guys used to come and flirt and she

97

00:03:51,009 --> 00:03:47,209

says over the years they told her a lot

98

00:03:53,860 --> 00:03:51,019

of stuff about UFOs and and it's really

99

00:03:57,610 --> 00:03:53,870

interesting why do why do men always

100

00:03:59,830 --> 00:03:57,620

tell pretty women stuff they're excite

101
00:04:03,009 --> 00:03:59,840
they're just so vulnerable yeah I guess

102
00:04:04,630 --> 00:04:03,019
to impress them and yeah you know and I

103
00:04:08,680 --> 00:04:04,640
kind of say I'm a sucker for a pretty

104
00:04:12,580 --> 00:04:08,690
face myself so I know I've tripped over

105
00:04:15,520 --> 00:04:12,590
myself a few times so what else is going

106
00:04:18,520 --> 00:04:15,530
on alright yeah also from MUFON we

107
00:04:20,979 --> 00:04:18,530
posted the top ten cases from 2013 this

108
00:04:22,510 --> 00:04:20,989
is something new they started doing last

109
00:04:24,840 --> 00:04:22,520
year at the symposium where their

110
00:04:27,000 --> 00:04:24,850
scientific board puts together some

111
00:04:28,770 --> 00:04:27,010
cases these cases

112
00:04:31,680 --> 00:04:28,780
this year there were no video or even

113
00:04:33,330 --> 00:04:31,690

really photographic stories there but

114

00:04:35,520 --> 00:04:33,340

there are some interesting drawings and

115

00:04:37,920 --> 00:04:35,530

stuff but I think more interesting with

116

00:04:40,470 --> 00:04:37,930

this story comes some statistics for the

117

00:04:43,790 --> 00:04:40,480

year so for instance they show that in

118

00:04:48,960 --> 00:04:43,800

2012 there was about 7500 sightings

119

00:04:52,860 --> 00:04:48,970

reported to them in 2013 6500 last year

120

00:04:54,510 --> 00:04:52,870

was kind of a landmark year 2012 where

121

00:04:57,240 --> 00:04:54,520

they had a lot of sightings a record

122

00:05:00,000 --> 00:04:57,250

year so they're still alive this is the

123

00:05:03,090 --> 00:05:00,010

second as far as as long as they've been

124

00:05:05,610 --> 00:05:03,100

tracking this the second most reports

125

00:05:07,470 --> 00:05:05,620

they've gotten in a year but that's

126

00:05:10,700 --> 00:05:07,480

interesting and they do break it down

127

00:05:14,130 --> 00:05:10,710

from shape so of course spherical and

128

00:05:16,620 --> 00:05:14,140

circular are large are the most common

129

00:05:18,570 --> 00:05:16,630

lots of fire balls and then of course

130

00:05:19,200 --> 00:05:18,580

you get into the triangles and things

131

00:05:22,320 --> 00:05:19,210

like that

132

00:05:24,720 --> 00:05:22,330

triangles are around 11% of the

133

00:05:27,300 --> 00:05:24,730

sightings and then they do break it down

134

00:05:31,650 --> 00:05:27,310

also which i think is interesting on how

135

00:05:35,010 --> 00:05:31,660

many are unknowns or or knowns and

136

00:05:39,390 --> 00:05:35,020

essentially they say 32 percent of their

137

00:05:41,310 --> 00:05:39,400

cases they close as unknown Wow yeah so

138

00:05:42,690 --> 00:05:41,320

that's quite a bit and I think this is

139

00:05:44,190 --> 00:05:42,700

really interesting because a lot of

140

00:05:48,230 --> 00:05:44,200

people think they're either unknown or

141

00:05:50,730 --> 00:05:48,240

hoaxes no actually a lot of them are

142

00:05:53,010 --> 00:05:50,740

misidentification - way more than hoaxes

143

00:05:54,930 --> 00:05:53,020

and this is pretty consistent I've seen

144

00:05:56,970 --> 00:05:54,940

over the years but last year the only

145

00:06:00,510 --> 00:05:56,980

three percent of them were closed as

146

00:06:02,580 --> 00:06:00,520

hoaxes only three percent boy yeah

147

00:06:04,530 --> 00:06:02,590

that's that's kind of shocking isn't it

148

00:06:06,540 --> 00:06:04,540

I think it is for most people most

149

00:06:09,030 --> 00:06:06,550

people assume there's a lot more hoaxes

150

00:06:12,230 --> 00:06:09,040

but there aren't a lot of hoaxing going

151
00:06:15,630 --> 00:06:12,240
on more so it's just innocent

152
00:06:18,060 --> 00:06:15,640
well-meaning misidentifications and I

153
00:06:21,330 --> 00:06:18,070
think the more the hoaxing goes into you

154
00:06:22,740 --> 00:06:21,340
know the YouTube videos and and my guest

155
00:06:25,980 --> 00:06:22,750
tonight and I are gonna be talking about

156
00:06:28,260 --> 00:06:25,990
that oh yeah Sheila alien Jess she's

157
00:06:30,660 --> 00:06:28,270
great we've kind of talked back and

158
00:06:31,740 --> 00:06:30,670
forth about different hoaxing and and I

159
00:06:34,020 --> 00:06:31,750
know that's something that really

160
00:06:36,390 --> 00:06:34,030
frustrates her and it does all of us who

161
00:06:36,780 --> 00:06:36,400
are looking for legitimate information

162
00:06:38,010 --> 00:06:36,790
yeah

163
00:06:40,470 --> 00:06:38,020

and it's good to have like a watchdog

164

00:06:43,200 --> 00:06:40,480

out there you know like with with her

165

00:06:45,090 --> 00:06:43,210

confronting I like that yeah that is

166

00:06:48,180 --> 00:06:45,100

cool yeah she's great she said she's a

167

00:06:51,480 --> 00:06:48,190

breath of fresh air I think in this

168

00:06:53,130 --> 00:06:51,490

field so right um they also list the

169

00:06:55,650 --> 00:06:53,140

foreign reports which is interesting

170

00:06:57,510 --> 00:06:55,660

because they show out of all the

171

00:06:59,730 --> 00:06:57,520

countries that are reporting to move on

172

00:07:02,250 --> 00:06:59,740

and I think this is interesting the for

173

00:07:04,650 --> 00:07:02,260

that report the most to move on are

174

00:07:07,020 --> 00:07:04,660

Australia Mexico Great Britain and

175

00:07:10,080 --> 00:07:07,030

Canada I think it's interesting that out

176
00:07:12,270 --> 00:07:10,090
of those Canada gives back about 40% of

177
00:07:14,400 --> 00:07:12,280
the sightings of the foreign sightings

178
00:07:16,020 --> 00:07:14,410
are from Canada makes sense since

179
00:07:17,370 --> 00:07:16,030
they're close and we partner with them

180
00:07:19,950 --> 00:07:17,380
of course people like Stanton Friedman

181
00:07:22,530 --> 00:07:19,960
Grant Cameron other researchers are from

182
00:07:25,500 --> 00:07:22,540
Canada and right now I'm writing a story

183
00:07:27,900 --> 00:07:25,510
today on this Toronto UFO video thing

184
00:07:29,460 --> 00:07:27,910
that you've probably heard about yes so

185
00:07:31,440 --> 00:07:29,470
we'll have that up but this is

186
00:07:34,230 --> 00:07:31,450
interesting Great Britain and Mexico are

187
00:07:36,750 --> 00:07:34,240
about even so Mexico is at 13% Great

188
00:07:39,450 --> 00:07:36,760

Britain at 14% so I thought that was

189

00:07:41,190 --> 00:07:39,460

really interesting because it seems that

190

00:07:45,540 --> 00:07:41,200

Great Britain gets a lot more attention

191

00:07:47,730 --> 00:07:45,550

than Mexico right but I guess that's a

192

00:07:50,700 --> 00:07:47,740

good segue to another Great Britain

193

00:07:52,620 --> 00:07:50,710

story I was just gonna mention which you

194

00:07:54,030 --> 00:07:52,630

already talked about you know some of

195

00:07:55,920 --> 00:07:54,040

the crop circles that they've had out

196

00:08:00,240 --> 00:07:55,930

there but this is kind of neat another

197

00:08:03,000 --> 00:08:00,250

guy who's been sending us some reports

198

00:08:07,190 --> 00:08:03,010

and stories is Andris Muir

199

00:08:11,070 --> 00:08:07,200

Mueller andreas Mueller from Germany and

200

00:08:15,330 --> 00:08:11,080

he's a UFO researcher out there great

201
00:08:16,980 --> 00:08:15,340
one and he has sent us I don't know if

202
00:08:20,310 --> 00:08:16,990
you saw this this was a few weeks ago

203
00:08:22,800 --> 00:08:20,320
about some German secret service UFO

204
00:08:25,830 --> 00:08:22,810
FILES which is really cool but just weak

205
00:08:27,980 --> 00:08:25,840
he sent this out Wiltshire museum piece

206
00:08:30,690 --> 00:08:27,990
so they're doing a crop circle

207
00:08:32,750 --> 00:08:30,700
exhibition which is pretty neat because

208
00:08:35,580 --> 00:08:32,760
it's a pretty big museum out there and

209
00:08:37,860 --> 00:08:35,590
they're focusing on all of the beautiful

210
00:08:40,290 --> 00:08:37,870
pictures and everything they asked him

211
00:08:43,920 --> 00:08:40,300
in another German ufologist interesting

212
00:08:45,780 --> 00:08:43,930
enough to help them put together this

213
00:08:50,160 --> 00:08:45,790

exhibit even though of course crop

214

00:08:52,200 --> 00:08:50,170

circles are largely a British phenomenon

215

00:08:53,580 --> 00:08:52,210

not completely and it's changing more

216

00:08:56,220 --> 00:08:53,590

and more all the time it's seen

217

00:08:57,840 --> 00:08:56,230

but yeah this is kind of cool that they

218

00:09:00,900 --> 00:08:57,850

put together this exhibit and he gives

219

00:09:03,810 --> 00:09:00,910

some insight into that sort of on the

220

00:09:05,700 --> 00:09:03,820

fence with crop circles no you know I

221

00:09:08,280 --> 00:09:05,710

mean I've heard some really really good

222

00:09:11,190 --> 00:09:08,290

arguments from a past guest that I had I

223

00:09:13,410 --> 00:09:11,200

I don't know if that really does tie in

224

00:09:15,540 --> 00:09:13,420

to the UFO field or not I keep going

225

00:09:17,100 --> 00:09:15,550

back and forth on that it's a really

226

00:09:19,650 --> 00:09:17,110

tough one and I agree with you I know

227

00:09:21,480 --> 00:09:19,660

one of my favorite crop circle people is

228

00:09:22,980 --> 00:09:21,490

Nancy Talbott that's what I was talking

229

00:09:25,860 --> 00:09:22,990

about yes yeah we've got good friends

230

00:09:27,630 --> 00:09:25,870

you've had her on she's great and she

231

00:09:29,780 --> 00:09:27,640

you know that there's no way that it has

232

00:09:32,550 --> 00:09:29,790

anything to do with UFOs but you know

233

00:09:35,130 --> 00:09:32,560

with all of the sightings that happen

234

00:09:37,350 --> 00:09:35,140

and the other thing that I think you'd

235

00:09:39,180 --> 00:09:37,360

probably agree that it is tied into and

236

00:09:42,329 --> 00:09:39,190

this is maybe a little loose but maybe

237

00:09:45,420 --> 00:09:42,339

not is balls of light even in that

238

00:09:47,640 --> 00:09:45,430

recent story you know one of the crop

239

00:09:50,070 --> 00:09:47,650

circle hoaxers and a lot of them talk

240

00:09:51,900 --> 00:09:50,080

about how when they create crop circles

241

00:09:54,960 --> 00:09:51,910

they still see these mysterious balls of

242

00:09:57,030 --> 00:09:54,970

lights flying around and those have been

243

00:09:59,340 --> 00:09:57,040

tied to crop circles quite a bit and

244

00:10:02,370 --> 00:09:59,350

those are technically UFOs I guess

245

00:10:04,230 --> 00:10:02,380

you're right and you know Jacques Vallee

246

00:10:08,010 --> 00:10:04,240

which I'm gonna mention in a minute but

247

00:10:10,770 --> 00:10:08,020

you know I bring him up a lot okay

248

00:10:13,740 --> 00:10:10,780

always have to remember or a lot more

249

00:10:17,160 --> 00:10:13,750

possible explanations for UFOs and just

250

00:10:19,020 --> 00:10:17,170

extraterrestrials so that's right who

251

00:10:21,720 --> 00:10:19,030

knows what the heck some of these

252

00:10:23,760 --> 00:10:21,730

phenomena that we ascribe to the term

253

00:10:26,310 --> 00:10:23,770

UFO like balls of light who knows what

254

00:10:29,370 --> 00:10:26,320

they could be I mean anything is

255

00:10:32,579 --> 00:10:29,380

possible yeah and they are something we

256

00:10:34,530 --> 00:10:32,589

just don't know what that is exactly so

257

00:10:36,720 --> 00:10:34,540

and of course Nancy Talbot saw this big

258

00:10:42,600 --> 00:10:36,730

beam of light come from the sky in Crete

259

00:10:45,120 --> 00:10:42,610

when once so right very much so

260

00:10:47,070 --> 00:10:45,130

so yeah ballet I haven't heard it yet

261

00:10:49,920 --> 00:10:47,080

was on coast to coast this weekend

262

00:10:52,440 --> 00:10:49,930

however I was already excited about him

263

00:10:54,840 --> 00:10:52,450

because this week we posted a interview

264

00:10:57,449 --> 00:10:54,850

that some French gentleman did with him

265

00:10:59,940 --> 00:10:57,459

a lot of French UFO researchers they're

266

00:11:03,960 --> 00:10:59,950

associated with the website of these

267

00:11:06,600 --> 00:11:03,970

direct and a lot of very intelligent

268

00:11:07,260 --> 00:11:06,610

people ask some great questions of

269

00:11:09,810 --> 00:11:07,270

Valley

270

00:11:11,610 --> 00:11:09,820

they actually conducted this eminent

271

00:11:13,950 --> 00:11:11,620

view in February took him some time to

272

00:11:15,750 --> 00:11:13,960

put it together and put it into English

273

00:11:18,330 --> 00:11:15,760

and then they sent it to us and asked us

274

00:11:21,690 --> 00:11:18,340

if we would like to post it and I was

275

00:11:24,270 --> 00:11:21,700

very enthusiastic to do so because you

276

00:11:26,600 --> 00:11:24,280

know ballet is one of the great minds in

277

00:11:29,160 --> 00:11:26,610

this field his life is so interesting

278

00:11:31,410 --> 00:11:29,170

regardless of the UFO phenomena having

279

00:11:34,110 --> 00:11:31,420

been a venture capitalist an astronomer

280

00:11:37,980 --> 00:11:34,120

or a computer specialist all of these

281

00:11:39,810 --> 00:11:37,990

things but but you know a couple of the

282

00:11:41,100 --> 00:11:39,820

comments I think at the points he made

283

00:11:42,780 --> 00:11:41,110

one of the points he made which I

284

00:11:44,670 --> 00:11:42,790

thought was really good which I think

285

00:11:46,650 --> 00:11:44,680

it's fair and you'd probably appreciate

286

00:11:50,820 --> 00:11:46,660

this is he talks about how a lot of

287

00:11:54,150 --> 00:11:50,830

people ascribe different phenomena to

288

00:11:55,890 --> 00:11:54,160

quantum physics and he points that we

289

00:11:57,570 --> 00:11:55,900

just don't know point out we don't know

290

00:11:59,460 --> 00:11:57,580

much about quantum physics and it seems

291

00:12:01,470 --> 00:11:59,470

like a lot of people then because we

292

00:12:03,540 --> 00:12:01,480

don't know much it's easy to just say oh

293

00:12:08,310 --> 00:12:03,550

that must be related to quantum physics

294

00:12:09,990 --> 00:12:08,320

and he's kind of criticizing that you

295

00:12:11,400 --> 00:12:10,000

know we don't know that and just because

296

00:12:13,110 --> 00:12:11,410

we don't it's kind of like dark matter

297

00:12:15,630 --> 00:12:13,120

just because we don't know what it is

298

00:12:18,300 --> 00:12:15,640

doesn't mean that it has anything to do

299

00:12:20,940 --> 00:12:18,310

with other phenomena that is unknown to

300

00:12:23,610 --> 00:12:20,950

us that's right and you know I I never

301

00:12:25,590 --> 00:12:23,620

really give a plug for other you know

302

00:12:27,660 --> 00:12:25,600

other shows and stuff but I gotta tell

303

00:12:29,400 --> 00:12:27,670

you for the listener out there if you

304

00:12:32,790 --> 00:12:29,410

want to check out coast to coast with

305

00:12:34,770 --> 00:12:32,800

the George Knapp and Jacques Foley as

306

00:12:37,800 --> 00:12:34,780

well as Lise Spiegel I'm telling you

307

00:12:40,620 --> 00:12:37,810

it's a great great UFO show mmm-hmm and

308

00:12:42,930 --> 00:12:40,630

I guess George Knapp told me today that

309

00:12:45,360 --> 00:12:42,940

he thinks Lee Spiegel is gonna write a

310

00:12:48,690 --> 00:12:45,370

story about the whole thing so I hope he

311

00:12:51,600 --> 00:12:48,700

does because interviews with Vallet are

312

00:12:54,120 --> 00:12:51,610

far and few between I got when I had

313

00:12:58,380 --> 00:12:54,130

been trying for years I got one about a

314

00:13:00,030 --> 00:12:58,390

year or so ago got him on the show and I

315

00:13:03,300 --> 00:13:00,040

don't know if I'll ever get one again

316

00:13:05,670 --> 00:13:03,310

but I wrote him a letter on cycle years

317

00:13:07,830 --> 00:13:05,680

ago right to his San Francisco address

318

00:13:09,750 --> 00:13:07,840

never heard from him he's you're right

319

00:13:10,470 --> 00:13:09,760

he's hard to get on the show hey well

320

00:13:12,180 --> 00:13:10,480

thanks so much

321

00:13:13,350 --> 00:13:12,190

alejandra I really appreciate it and

322

00:13:13,950 --> 00:13:13,360

we're looking forward to having you back

323

00:13:16,740 --> 00:13:13,960

next week

324

00:13:18,540 --> 00:13:16,750

yeah thanks remember open mindset TV

325

00:13:20,370 --> 00:13:18,550

there is a lot more just it's hard to

326

00:13:21,120 --> 00:13:20,380

get to all of it but if you want to read

327

00:13:22,890 --> 00:13:21,130

all any of

328

00:13:24,870 --> 00:13:22,900

stories and thanks so much for having me

329

00:13:25,530 --> 00:13:24,880

on and I guess I'll be talking to you

330

00:13:27,960 --> 00:13:25,540

next week

331

00:13:47,400 --> 00:13:27,970

you bet okay and now we're coming right

332

00:13:48,870 --> 00:13:47,410

up with Sheila Martin or should I say

333

00:13:51,780 --> 00:13:48,880

Sheila aliens

334

00:13:54,150 --> 00:13:51,790

how you doing Sheila I'm good are you

335

00:13:56,490 --> 00:13:54,160

doing good and for those live listeners

336

00:13:59,310 --> 00:13:56,500

out there don't forget to jump over in

337

00:14:01,170 --> 00:13:59,320

our chat room at podcast UFO comm it's

338

00:14:03,110 --> 00:14:01,180

real easy to sign in just two clicks and

339

00:14:06,360 --> 00:14:03,120

you're there Sheila welcome to the show

340

00:14:09,810 --> 00:14:06,370

hi Martin thanks mom yes

341

00:14:13,050 --> 00:14:09,820

you know I stumbled across your YouTube

342

00:14:15,330 --> 00:14:13,060

video you know kind of debunking not

343

00:14:18,300 --> 00:14:15,340

kind of debunking I mean you went you

344

00:14:20,910 --> 00:14:18,310

went you locked horns with Blake cousins

345

00:14:22,740 --> 00:14:20,920

and I loved it because the reason I

346

00:14:25,800 --> 00:14:22,750

found you is because I watched a couple

347

00:14:29,070 --> 00:14:25,810

of third phase of the Moon you know

348

00:14:30,810 --> 00:14:29,080

videos up on on YouTube and I went wait

349

00:14:32,670 --> 00:14:30,820

a minute wait a minute and and I

350

00:14:34,020 --> 00:14:32,680

realized it was a money game because you

351

00:14:36,900 --> 00:14:34,030

know they can make a lot of money when

352

00:14:39,090 --> 00:14:36,910

you have 160,000 followers you you make

353

00:14:41,310 --> 00:14:39,100

a ton of money off of youtube so it's a

354

00:14:44,970 --> 00:14:41,320

business and you confronted them all the

355

00:14:47,580 --> 00:14:44,980

way through and before we get into any

356

00:14:50,130 --> 00:14:47,590

of that let's talk about you and what

357

00:14:54,900 --> 00:14:50,140

sparked your interest and what made you

358

00:14:57,110 --> 00:14:54,910

figure this whole thing out okay well it

359

00:15:01,200 --> 00:14:57,120

started in Tucson Arizona

360

00:15:02,820 --> 00:15:01,210

where I grew up it's just there's a lot

361

00:15:07,560 --> 00:15:02,830

of weird things going on there it kind

362

00:15:09,090 --> 00:15:07,570

of woke me up I guess but before that

363

00:15:12,060 --> 00:15:09,100

since I was a child I've always been

364

00:15:14,460 --> 00:15:12,070

interested in all things paranormal and

365

00:15:16,500 --> 00:15:14,470

being in an area where I see things

366

00:15:21,120 --> 00:15:16,510

going on it just it all just happened

367

00:15:23,790 --> 00:15:21,130

like naturally yes yeah well yeah there

368

00:15:25,380 --> 00:15:23,800

is quite a bit going on out that way you

369

00:15:28,050 --> 00:15:25,390

know you you know you think about like

370

00:15:30,840 --> 00:15:28,060

the Phoenix lights and all all types of

371

00:15:32,910 --> 00:15:30,850

things you know you hear about you know

372

00:15:34,870 --> 00:15:32,920

the ancient Indian culture and how they

373

00:15:36,910 --> 00:15:34,880

had you know there

374

00:15:38,530 --> 00:15:36,920

some rock drawings out there and you

375

00:15:41,050 --> 00:15:38,540

know there's been you know it's there's

376

00:15:44,050 --> 00:15:41,060

been supposedly things going on out

377

00:15:46,840 --> 00:15:44,060

there for quite a while yeah and Sedona

378

00:15:48,850 --> 00:15:46,850

Arizona is out here Travis Walton was

379

00:15:53,530 --> 00:15:48,860

abducted from Arizona that's right

380

00:15:56,470 --> 00:15:53,540

snowflake yeah no yeah that's right

381

00:15:59,620 --> 00:15:56,480

so so you got interested in the subject

382

00:16:03,550 --> 00:15:59,630

young and then you got into looking at

383

00:16:07,840 --> 00:16:03,560

videos and checking things out and and

384

00:16:10,090 --> 00:16:07,850

then what made you decide to to really

385

00:16:12,220 --> 00:16:10,100

call these people out which I I applaud

386

00:16:15,490 --> 00:16:12,230

you for doing that by the way and I have

387

00:16:18,220 --> 00:16:15,500

no problem when someone is clouding up

388

00:16:19,990 --> 00:16:18,230

muddying up the waters of ufology to

389

00:16:22,120 --> 00:16:20,000

call them out on it and a lot of people

390

00:16:25,510 --> 00:16:22,130

get mad at me you know I mean every time

391

00:16:31,480 --> 00:16:25,520

I talk about dr. Steven Greer you know I

392

00:16:32,440 --> 00:16:31,490

make fun of him or whatever yeah yeah

393

00:16:33,700 --> 00:16:32,450

yeah

394

00:16:37,360 --> 00:16:33,710

you know you're not gonna hate me now

395

00:16:40,300 --> 00:16:37,370

are you no no he's funny he told me my

396

00:16:46,810 --> 00:16:40,310

name was an insult to the aliens my

397

00:16:48,760 --> 00:16:46,820

Sheila aliens name Wow yeah yeah but

398

00:16:52,480 --> 00:16:48,770

anyway you know when someone you know

399

00:16:56,020 --> 00:16:52,490

and you know going back years ago Greer

400

00:16:59,110 --> 00:16:56,030

you know did a great job with I want to

401
00:17:02,560 --> 00:16:59,120
say what was he had like up in

402
00:17:04,059 --> 00:17:02,570
Washington a UFO hmm I can't remember

403
00:17:06,460 --> 00:17:04,069
what it was called at the time Congress

404
00:17:09,010 --> 00:17:06,470
like a congress type of things yeah but

405
00:17:11,890 --> 00:17:09,020
he he actually did an excellent job and

406
00:17:13,900 --> 00:17:11,900
then something happened along the way

407
00:17:15,970 --> 00:17:13,910
and a lot of times it does seem to

408
00:17:16,960 --> 00:17:15,980
happen in this field where maybe its

409
00:17:20,020 --> 00:17:16,970
popularity

410
00:17:22,150 --> 00:17:20,030
maybe it's the thought of making money

411
00:17:24,280 --> 00:17:22,160
you know possibly I'm not really sure

412
00:17:27,280 --> 00:17:24,290
and it's kind of a joke because most

413
00:17:29,410 --> 00:17:27,290

people in the UFO world you know the

414

00:17:33,790 --> 00:17:29,420

real legit people make very little if

415

00:17:36,280 --> 00:17:33,800

any money at all that is correct it does

416

00:17:38,380 --> 00:17:36,290

seem like they start off with good

417

00:17:40,420 --> 00:17:38,390

intentions and then later on they end up

418

00:17:43,210 --> 00:17:40,430

going to the dark side and just putting

419

00:17:45,970 --> 00:17:43,220

out kind of useless content I was at the

420

00:17:47,170 --> 00:17:45,980

Hollywood premiere of his serious movie

421

00:17:49,240 --> 00:17:47,180

I'm

422

00:17:51,280 --> 00:17:49,250

and I wasn't impressed by it to be

423

00:17:54,730 --> 00:17:51,290

honest it was just stuff we all already

424

00:17:56,350 --> 00:17:54,740

know and tacked on with some other stuff

425

00:17:59,530 --> 00:17:56,360

that didn't make sense about the little

426

00:18:02,020 --> 00:17:59,540

atacama alien yes which is actually yeah

427

00:18:04,630 --> 00:18:02,030

that thing was I talked to the scientist

428

00:18:08,440 --> 00:18:04,640

who did the DNA testing and he's

429

00:18:11,080 --> 00:18:08,450

convinced it was human so that's amazing

430

00:18:13,690 --> 00:18:11,090

to me that's so cool that would make

431

00:18:15,190 --> 00:18:13,700

that like an eight inch tall human yeah

432

00:18:17,050 --> 00:18:15,200

and like six years old or something you

433

00:18:19,570 --> 00:18:17,060

know that is a great story all in itself

434

00:18:21,280 --> 00:18:19,580

but it was there was quite a claim to go

435

00:18:23,410 --> 00:18:21,290

way out there and say you know this was

436

00:18:25,900 --> 00:18:23,420

an alien being without you know having

437

00:18:29,590 --> 00:18:25,910

fax fax in Hannah's Stan Freeman would

438

00:18:31,840 --> 00:18:29,600

say yep I think it is a ploy to make

439

00:18:33,910 --> 00:18:31,850

money that's just how it goes for a lot

440

00:18:37,450 --> 00:18:33,920

of people and so while we're bashing

441

00:18:40,030 --> 00:18:37,460

serious the movie I want to say as

442

00:18:43,690 --> 00:18:40,040

Steven it was it was a movie about

443

00:18:46,810 --> 00:18:43,700

Steven Greer and in his and it's too

444

00:18:49,900 --> 00:18:46,820

sexy for their shirt bodyguards you know

445

00:18:51,970 --> 00:18:49,910

it was really yeah it was really it was

446

00:18:53,950 --> 00:18:51,980

all about him and you know the

447

00:18:56,350 --> 00:18:53,960

free-energy thing and you know I mean

448

00:19:00,190 --> 00:18:56,360

I'm not gonna go and you know keep keep

449

00:19:03,070 --> 00:19:00,200

bashing but it's just that you know it

450

00:19:05,680 --> 00:19:03,080

was a real ego movie that's it and it's

451
00:19:09,250 --> 00:19:05,690
very cliché to is 101 for some

452
00:19:10,270 --> 00:19:09,260
conspiracy theories along with you know

453
00:19:14,710 --> 00:19:10,280
everything about him

454
00:19:16,600 --> 00:19:14,720
yeah so Sheila up on the let's see how

455
00:19:17,980 --> 00:19:16,610
did Sheila talk to the scientists up on

456
00:19:21,880 --> 00:19:17,990
the message board we have a couple of a

457
00:19:23,890 --> 00:19:21,890
couple of our questions I was invited to

458
00:19:26,080 --> 00:19:23,900
go to that premiere by Fran Allison Cruz

459
00:19:29,680 --> 00:19:26,090
she's a UFO hunter from Pennsylvania I'm

460
00:19:31,630 --> 00:19:29,690
seeing UFOs PA is her Channel she's

461
00:19:33,670 --> 00:19:31,640
friends with that scientist and she

462
00:19:36,130 --> 00:19:33,680
invited me to the premiere and we had

463
00:19:38,260 --> 00:19:36,140

dinner with him I said you know I got to

464

00:19:40,060 --> 00:19:38,270

tell you a funny story I did a silly

465

00:19:43,390 --> 00:19:40,070

little and you can find it on YouTube a

466

00:19:45,430 --> 00:19:43,400

silly little karaoke song about the

467

00:19:49,210 --> 00:19:45,440

atacama baby and I call it something

468

00:19:51,370 --> 00:19:49,220

like like dr. Greer's YouTube I can't

469

00:19:55,240 --> 00:19:51,380

remember what it was a fundraising or

470

00:19:57,250 --> 00:19:55,250

something but anyway it's it's a lot of

471

00:19:59,500 --> 00:19:57,260

people get some laughs out of it and I

472

00:20:00,580 --> 00:19:59,510

sent it to him I sent it to the

473

00:20:02,350 --> 00:20:00,590

scientists you're talking about

474

00:20:05,919 --> 00:20:02,360

what is his name I can you recall his

475

00:20:07,750 --> 00:20:05,929

name after that I know him that's no no

476

00:20:11,529 --> 00:20:07,760

one okay I sent it to him and he loved

477

00:20:14,200 --> 00:20:11,539

it he loved the carrier I think yeah I'm

478

00:20:15,909 --> 00:20:14,210

he was a cool guy cool yeah guy he seems

479

00:20:18,010 --> 00:20:15,919

like it in the movie and another

480

00:20:20,049 --> 00:20:18,020

question up on the board that what is

481

00:20:22,149 --> 00:20:20,059

your two different people here but what

482

00:20:25,810 --> 00:20:22,159

is your opinion on James Fox and what is

483

00:20:27,460 --> 00:20:25,820

your opinion on Leslie Kane neither of

484

00:20:32,560 --> 00:20:27,470

those names mean anything to me at this

485

00:20:35,350 --> 00:20:32,570

point I can look into it though argue oh

486

00:20:38,440 --> 00:20:35,360

yeah yeah James Fox is the one he's a

487

00:20:42,070 --> 00:20:38,450

producer and he said he was in UFO not

488

00:20:46,180 --> 00:20:42,080

hunters UFO chasing UFOs and he was also

489

00:20:47,560 --> 00:20:46,190

in let's see he made some great great

490

00:20:49,360 --> 00:20:47,570

films and he's in the middle of making a

491

00:20:53,649 --> 00:20:49,370

really good one to call it I believe 701

492

00:20:56,590 --> 00:20:53,659

which is the blue Project Blue Book

493

00:20:59,440 --> 00:20:56,600

cases that were unexplained basically

494

00:21:04,180 --> 00:20:59,450

and he's a real real good documentary

495

00:21:05,680 --> 00:21:04,190

maker made out of the blue which I

496

00:21:08,350 --> 00:21:05,690

recommend to any listener out there is

497

00:21:11,350 --> 00:21:08,360

one of the best UFO movies in my opinion

498

00:21:14,529 --> 00:21:11,360

you'll see out there and Leslie Kane is

499

00:21:17,350 --> 00:21:14,539

a journalist and she is a journalist

500

00:21:20,260 --> 00:21:17,360

that has taken a real strong interest in

501
00:21:23,620 --> 00:21:20,270
UFOs and she's been a guest on the show

502
00:21:26,649 --> 00:21:23,630
many times and she studied the O'Hair

503
00:21:29,980 --> 00:21:26,659
incident and you know she does a real

504
00:21:32,980 --> 00:21:29,990
thorough very very thorough job I'd be

505
00:21:38,049 --> 00:21:32,990
happy to check those two out Leslie Kane

506
00:21:39,970 --> 00:21:38,059
and James Fox I'm gonna check them out

507
00:21:43,090 --> 00:21:39,980
and those are all topics that I'm very

508
00:21:43,930 --> 00:21:43,100
interested in myself so I'm sure fine

509
00:21:45,639 --> 00:21:43,940
whatever they're talking about

510
00:21:47,769 --> 00:21:45,649
interesting but I can't comment at this

511
00:21:51,820 --> 00:21:47,779
point in time I'm not sure yeah

512
00:21:55,750 --> 00:21:51,830
let's see let's go back to third phase

513
00:21:57,880 --> 00:21:55,760

of the Moon and what how did you get you

514

00:22:02,460 --> 00:21:57,890

were on their show it's or was it or did

515

00:22:07,750 --> 00:22:02,470

you talk to him off offline um they they

516

00:22:09,190 --> 00:22:07,760

invited me to be on their show and they

517

00:22:12,130 --> 00:22:09,200

kept bugging me about it I didn't want

518

00:22:14,110 --> 00:22:12,140

to at first I'm just gonna do it once

519

00:22:15,100 --> 00:22:14,120

and for all and just somebody has to do

520

00:22:19,540 --> 00:22:15,110

it

521

00:22:21,460 --> 00:22:19,550

to come back as a reoccurring guest they

522

00:22:23,620 --> 00:22:21,470

loved it probably because I've got the

523

00:22:25,330 --> 00:22:23,630

ratings or whatever but they have no

524

00:22:27,670 --> 00:22:25,340

shame they wanted me to come back and

525

00:22:33,460 --> 00:22:27,680

keep debunking them week after week are

526

00:22:34,150 --> 00:22:33,470

you serious know that and why did you

527

00:22:36,100 --> 00:22:34,160

bet

528

00:22:41,380 --> 00:22:36,110

oh yeah they wanted me to be a

529

00:22:44,020 --> 00:22:41,390

reoccurring guest yeah you know I I bet

530

00:22:45,730 --> 00:22:44,030

you know with one of their videos you

531

00:22:47,590 --> 00:22:45,740

know in the they've you in the millions

532

00:22:50,890 --> 00:22:47,600

I bet they're they're they're making six

533

00:22:53,680 --> 00:22:50,900

figures off their YouTube channel per

534

00:22:55,360 --> 00:22:53,690

year yeah over a hundred thousand

535

00:22:59,260 --> 00:22:55,370

subscribers so yeah they're probably

536

00:23:02,590 --> 00:22:59,270

making good money yeah and yeah and the

537

00:23:04,870 --> 00:23:02,600

thing I like testing yeah I liked the

538

00:23:06,610 --> 00:23:04,880

way you never back down to them and I I

539

00:23:08,950 --> 00:23:06,620

just can't get over the fact that they

540

00:23:12,790 --> 00:23:08,960

actually invited you back that that is a

541

00:23:14,230 --> 00:23:12,800

riot because up I saw the way yeah you

542

00:23:16,420 --> 00:23:14,240

know you confronted them and if it were

543

00:23:22,600 --> 00:23:16,430

me I would like I would have stopped the

544

00:23:24,700 --> 00:23:22,610

show if I worth it no no you exactly

545

00:23:27,370 --> 00:23:24,710

call them on exactly what they were

546

00:23:29,080 --> 00:23:27,380

doing yeah the thing is they don't have

547

00:23:31,660 --> 00:23:29,090

shame it doesn't affect them whatsoever

548

00:23:34,150 --> 00:23:31,670

they love it I think I think sometimes

549

00:23:35,920 --> 00:23:34,160

that they think it's a joke like the way

550

00:23:37,360 --> 00:23:35,930

that you'll see them in their own videos

551
00:23:40,150 --> 00:23:37,370
or one of them will be in the video

552
00:23:41,860 --> 00:23:40,160
because they're twins right and it just

553
00:23:43,870 --> 00:23:41,870
seems like they're almost joking the way

554
00:23:46,270 --> 00:23:43,880
that they talk I don't know it's a joke

555
00:23:48,250 --> 00:23:46,280
to them for sure they wanted me to keep

556
00:23:50,140 --> 00:23:48,260
coming back just to debunk them so they

557
00:23:53,590 --> 00:23:50,150
could get more views yeah that's

558
00:23:55,210 --> 00:23:53,600
probably right just like Barnum PT

559
00:23:57,820 --> 00:23:55,220
Barnum used to say good bad or

560
00:24:03,610 --> 00:23:57,830
indifferent publicity as publicity and

561
00:24:05,440 --> 00:24:03,620
yeah yeah so now I also found on your

562
00:24:06,040 --> 00:24:05,450
Facebook page or I believe it's on your

563
00:24:08,890 --> 00:24:06,050

Facebook page

564

00:24:10,810 --> 00:24:08,900

it has your list to verify blacklisted

565

00:24:14,620 --> 00:24:10,820

hoax channels on YouTube can you go over

566

00:24:17,320 --> 00:24:14,630

that sure those are channels that are

567

00:24:19,690 --> 00:24:17,330

known to have hopes videos and many of

568

00:24:22,900 --> 00:24:19,700

them are connected with one another and

569

00:24:25,180 --> 00:24:22,910

set up by the same people I look I found

570

00:24:25,830 --> 00:24:25,190

a lot of them through going to the hoax

571

00:24:27,880 --> 00:24:25,840

killer

572

00:24:30,210 --> 00:24:27,890

com they have

573

00:24:33,700 --> 00:24:30,220

forms and they they just intricately

574

00:24:36,070 --> 00:24:33,710

debunk these channels on a visual aspect

575

00:24:38,320 --> 00:24:36,080

like they'd analyze the video itself and

576

00:24:41,950 --> 00:24:38,330

then the audio sometimes it catches them

577

00:24:43,540 --> 00:24:41,960

that way and they can find out that this

578

00:24:45,760 --> 00:24:43,550

person owns that channel in that channel

579

00:24:48,670 --> 00:24:45,770

so they they put it all together so I

580

00:24:50,650 --> 00:24:48,680

just added it to a list I see this is

581

00:24:52,900 --> 00:24:50,660

good to know yeah yeah there's a lot out

582

00:24:55,000 --> 00:24:52,910

there I know you know I've talked many

583

00:24:59,080 --> 00:24:55,010

times on this show over and over again

584

00:25:01,390 --> 00:24:59,090

about and I'm not sure I know that we

585

00:25:03,280 --> 00:25:01,400

were having Skype trouble excuse me at

586

00:25:06,490 --> 00:25:03,290

the beginning of the show but when I was

587

00:25:10,150 --> 00:25:06,500

talking to Alejandro Rojas he was saying

588

00:25:12,880 --> 00:25:10,160

that only 3% of MUFON sightings that are

589

00:25:16,360 --> 00:25:12,890

reported are hoaxes which to me I had no

590

00:25:21,670 --> 00:25:16,370

idea it was that low and but when you go

591

00:25:24,460 --> 00:25:21,680

on YouTube I would say 75 to 80% of the

592

00:25:26,230 --> 00:25:24,470

UFO videos are hoaxed you know I'm just

593

00:25:29,680 --> 00:25:26,240

throwing out a raw number I don't know

594

00:25:32,050 --> 00:25:29,690

but yeah that makes sense to me though

595

00:25:34,000 --> 00:25:32,060

because nobody really knows about the

596

00:25:36,370 --> 00:25:34,010

MUFON reporting system and that they can

597

00:25:38,200 --> 00:25:36,380

upload their videos there so if they do

598

00:25:39,610 --> 00:25:38,210

I've loaded they're you know it's

599

00:25:42,220 --> 00:25:39,620

because they had a sighting or they

600

00:25:46,330 --> 00:25:42,230

think they had a sighting but on YouTube

601
00:25:50,640 --> 00:25:46,340
you know just spam that sound that sound

602
00:25:56,050 --> 00:25:53,860
no no I I heard a fire engine go by

603
00:25:58,720 --> 00:25:56,060
you're right now yeah you're right in

604
00:26:00,090 --> 00:25:58,730
the West Coast you're do do we say where

605
00:26:01,990 --> 00:26:00,100
you are do you want to say where you are

606
00:26:04,450 --> 00:26:02,000
that's fine I'm in West Hollywood

607
00:26:07,870 --> 00:26:04,460
California and you move there from

608
00:26:08,890 --> 00:26:07,880
Phoenix how long ago I moved from Tucson

609
00:26:14,170 --> 00:26:08,900
about a year and a half ago

610
00:26:15,340 --> 00:26:14,180
I'm sorry Tucson and yeah and let me

611
00:26:19,750 --> 00:26:15,350
just ask you something

612
00:26:22,120 --> 00:26:19,760
when you were in say Arizona did you

613
00:26:24,610 --> 00:26:22,130

connect with any people other than the

614

00:26:28,390 --> 00:26:24,620

internet that had you know that shared

615

00:26:29,890 --> 00:26:28,400

your fascination at all actually you

616

00:26:32,080 --> 00:26:29,900

know I didn't I didn't get a chance to

617

00:26:34,660 --> 00:26:32,090

do that because I'm nobody there that I

618

00:26:36,970 --> 00:26:34,670

knew of I'm really into that type of

619

00:26:39,910 --> 00:26:36,980

thing I'm like out here I've already met

620

00:26:41,260 --> 00:26:39,920

a couple people who are in you know kind

621

00:26:43,930 --> 00:26:41,270

of big names in that

622

00:26:48,040 --> 00:26:43,940

realm of things but no long tucson yeah

623

00:26:49,960 --> 00:26:48,050

I know I would pardon me I went to a

624

00:26:54,150 --> 00:26:49,970

really good place to find people like

625

00:26:57,820 --> 00:26:54,160

that though locally is actually Facebook

626
00:26:59,650 --> 00:26:57,830
pardon me everyone yep I didn't have a

627
00:27:01,930 --> 00:26:59,660
Facebook channel or a Facebook page

628
00:27:08,920 --> 00:27:01,940
until like after my channel had already

629
00:27:12,280 --> 00:27:08,930
gotten terminated on YouTube yeah right

630
00:27:13,630 --> 00:27:12,290
right okay now I have your your page up

631
00:27:16,420 --> 00:27:13,640
right now and you know what I'm going to

632
00:27:19,060 --> 00:27:16,430
read to the listening audience some of

633
00:27:22,240 --> 00:27:19,070
the channels here that you called out as

634
00:27:24,640 --> 00:27:22,250
hoaxers just so you know I think it's

635
00:27:26,830 --> 00:27:24,650
it's it never hurts to get this you know

636
00:27:28,780 --> 00:27:26,840
it's a negative thing but in my opinion

637
00:27:31,870 --> 00:27:28,790
it never hurts to get this type of news

638
00:27:33,670 --> 00:27:31,880

out there so third phases phase of the

639

00:27:36,250 --> 00:27:33,680

Moon we've already we've already just

640

00:27:39,340 --> 00:27:36,260

discussed that another these are all

641

00:27:40,720 --> 00:27:39,350

YouTube channels I believe and maybe

642

00:27:45,220 --> 00:27:40,730

some of them are internet you can

643

00:27:47,290 --> 00:27:45,230

correct me and destination unknown about

644

00:27:48,580 --> 00:27:47,300

the channel that's a channel okay and

645

00:27:51,310 --> 00:27:48,590

I'm just going to go over these and you

646

00:27:57,100 --> 00:27:51,320

can just say say what they are

647

00:28:00,520 --> 00:27:57,110

xxx donuts with the Z xxx UFO book UFO

648

00:28:06,970 --> 00:28:00,530

FILES TV crazy breaking news eight

649

00:28:11,350 --> 00:28:06,980

eleven eight secret science TV seven th

650

00:28:13,780 --> 00:28:11,360

area is that all the same person I think

651

00:28:18,130 --> 00:28:13,790

so if I need to take a look at my list

652

00:28:20,740 --> 00:28:18,140

but yeah yeah yeah I think that's all

653

00:28:23,920 --> 00:28:20,750

the same person um yeah those are all

654

00:28:29,980 --> 00:28:23,930

YouTube channel names yep and IMAX cache

655

00:28:34,600 --> 00:28:29,990

that sounds like a hoax yeah Omega UFO

656

00:28:36,940 --> 00:28:34,610

Channel galaxy music 69 this is for

657

00:28:39,970 --> 00:28:36,950

everyone to listen out there if you're

658

00:28:43,270 --> 00:28:39,980

if you like to watch the videos she has

659

00:28:46,960 --> 00:28:43,280

checked these out thoroughly the UFO the

660

00:28:48,760 --> 00:28:46,970

apology TV they let's say they were

661

00:28:53,370 --> 00:28:48,770

found guilty of taking an old rocket

662

00:28:55,100 --> 00:28:53,380

launch and labeling it as a new UFO okay

663

00:28:59,600 --> 00:28:55,110

Steven

664

00:29:01,130 --> 00:28:59,610

a d gu k you'd have to look at this I'm

665

00:29:02,960 --> 00:29:01,140

actually if it's okay with you I'm gonna

666

00:29:06,560 --> 00:29:02,970

post this up under the show notes this

667

00:29:08,630 --> 00:29:06,570

list okay Stephen Hanna is pretty well

668

00:29:11,779 --> 00:29:08,640

known I think he has a podcast even a

669

00:29:14,750 --> 00:29:11,789

website so oh is that right on UFOs or

670

00:29:17,360 --> 00:29:14,760

in paranormal in general um basically

671

00:29:19,130 --> 00:29:17,370

just leeches off at other people's stuff

672

00:29:21,470 --> 00:29:19,140

and then he also post hoaxes and

673

00:29:24,139 --> 00:29:21,480

misidentified purposefully mislabeled

674

00:29:27,740 --> 00:29:24,149

videos and stuff like that I got it I

675

00:29:34,730 --> 00:29:27,750

don't know and then we have a Jake as I

676

00:29:40,120 --> 00:29:34,740

saw of him Jake cotton jc8 ET e ra okay

677

00:29:47,419 --> 00:29:40,130

um yeah and we have J frizz na sky-quake

678

00:29:48,919 --> 00:29:47,429

2012 hue 70 people okay so I don't want

679

00:29:50,539 --> 00:29:48,929

to spend too much time in this but I

680

00:29:55,039 --> 00:29:50,549

just wanted to get those names out there

681

00:29:57,169 --> 00:29:55,049

for for the people and again if you're

682

00:30:01,190 --> 00:29:57,179

listening live you can jump in on our

683

00:30:04,730 --> 00:30:01,200

chat room at podcast UFO calm and ask

684

00:30:07,100 --> 00:30:04,740

Sheila a question here's one up on the

685

00:30:09,620 --> 00:30:07,110

message board and I don't exactly know

686

00:30:12,019 --> 00:30:09,630

what this means but I'm gonna read it

687

00:30:19,759 --> 00:30:12,029

anyway have you seen the mega deaf guy

688

00:30:21,919 --> 00:30:19,769

new vid mega oh yeah okay it's the I

689

00:30:25,490 --> 00:30:21,929

guess the singer from Megadeth I think

690

00:30:30,289 --> 00:30:25,500

it was um he recorded what's supposed to

691

00:30:31,639 --> 00:30:30,299

be some UFOs on what night was it the

692

00:30:34,129 --> 00:30:31,649

night of the full moon I think was July

693

00:30:38,149 --> 00:30:34,139

13th and it's ridiculous I think it's

694

00:30:40,009 --> 00:30:38,159

just a straight-up CGI fake it's pretty

695

00:30:41,720 --> 00:30:40,019

bad footage but yeah I don't get what

696

00:30:44,629 --> 00:30:41,730

he's doing there may be a PR stunt

697

00:30:47,169 --> 00:30:44,639

oh okay another question up there have

698

00:30:50,450 --> 00:30:47,179

you ever had any sightings of your own I

699

00:30:52,820 --> 00:30:50,460

have I don't know but the listeners know

700

00:30:55,730 --> 00:30:52,830

that I started off as a UFO hunter for

701
00:30:58,190 --> 00:30:55,740
three years when I lived in Tucson so I

702
00:30:59,899 --> 00:30:58,200
just I would hunt UFOs every night and

703
00:31:02,389 --> 00:30:59,909
upload them so yes I've had plenty of

704
00:31:03,500 --> 00:31:02,399
sightings myself oh and what type what

705
00:31:07,039 --> 00:31:03,510
would you see lights in the sky or

706
00:31:09,050 --> 00:31:07,049
something yeah and well they come in

707
00:31:10,940 --> 00:31:09,060
many different type of forms but they

708
00:31:12,860 --> 00:31:10,950
the orbs that have really talks about

709
00:31:14,500 --> 00:31:12,870
there's a lot of those over there in

710
00:31:19,430 --> 00:31:14,510
Tucson as well as what looked like

711
00:31:24,740 --> 00:31:19,440
military aircraft like special secret

712
00:31:27,560 --> 00:31:24,750
type of aircraft possibly so orbs yeah

713
00:31:30,920 --> 00:31:27,570

now other any other any military bases

714

00:31:34,160 --> 00:31:30,930

nearby there's the davis-monthan Air

715

00:31:37,730 --> 00:31:34,170

Force Base 13 miles away and 70 miles

716

00:31:39,890 --> 00:31:37,740

away is Fort Huachuca Arizona uh-huh

717

00:31:43,870 --> 00:31:39,900

there's a question up there asking if

718

00:31:46,280 --> 00:31:43,880

you were hunting for let's see

719

00:31:47,960 --> 00:31:46,290

hunting for what group I'm not really

720

00:31:52,520 --> 00:31:47,970

sure what that means I'm sorry about

721

00:31:54,880 --> 00:31:52,530

that okay so when you were doing this

722

00:31:58,850 --> 00:31:54,890

did you do this by yourself

723

00:32:02,240 --> 00:31:58,860

um 90% of the time I was yeah just by

724

00:32:03,950 --> 00:32:02,250

myself at night she's on Arizona I had

725

00:32:06,530 --> 00:32:03,960

to do is open my front door because the

726

00:32:08,510 --> 00:32:06,540

apartment I ended up living in just had

727

00:32:10,150 --> 00:32:08,520

a bird's-eye view of this mountain and

728

00:32:13,070 --> 00:32:10,160

everything was just right in front of me

729

00:32:15,470 --> 00:32:13,080

now they always a lot of times you hear

730

00:32:17,750 --> 00:32:15,480

about strange lights and orbs and things

731

00:32:20,270 --> 00:32:17,760

like that a lot of times when there's

732

00:32:28,370 --> 00:32:20,280

mountains around and there's some people

733

00:32:29,810 --> 00:32:28,380

theorize encoder izing that it might

734

00:32:32,630 --> 00:32:29,820

have to do with some type of metal

735

00:32:35,270 --> 00:32:32,640

deposits in the mountains that like a

736

00:32:37,700 --> 00:32:35,280

natural type phenomena and I I could

737

00:32:40,250 --> 00:32:37,710

believe it except them the only thing

738

00:32:42,530 --> 00:32:40,260

that I don't believe is some Naturals

739

00:32:44,690 --> 00:32:42,540

when these things make zigzags and

740

00:32:46,820 --> 00:32:44,700

unstrained you know really strange moves

741

00:32:49,070 --> 00:32:46,830

and then shoot off in the distance real

742

00:32:51,350 --> 00:32:49,080

fast that that can't be plasma is

743

00:32:56,240 --> 00:32:51,360

something else you know I think that

744

00:32:57,860 --> 00:32:56,250

theory is a complete reach because I've

745

00:32:59,600 --> 00:32:57,870

seen the experiment carried out where

746

00:33:01,220 --> 00:32:59,610

they rub the limestone together and it

747

00:33:02,840 --> 00:33:01,230

makes a little glow but they have to

748

00:33:05,750 --> 00:33:02,850

have the lights off to even see it it

749

00:33:08,750 --> 00:33:05,760

doesn't make a orb that detaches and

750

00:33:10,340 --> 00:33:08,760

flies away so you know that there is

751

00:33:14,390 --> 00:33:10,350

just the reach I think I don't think it

752

00:33:16,550 --> 00:33:14,400

explains it uh-huh have there's another

753

00:33:18,890 --> 00:33:16,560

question up there do you know if there's

754

00:33:21,650 --> 00:33:18,900

any significance to the green fireballs

755

00:33:23,510 --> 00:33:21,660

did you see any green ones

756

00:33:26,150 --> 00:33:23,520

I haven't personally but online I've

757

00:33:28,370 --> 00:33:26,160

heard about them I think the green ones

758

00:33:30,590 --> 00:33:28,380

I forget how it goes but it'll tell you

759

00:33:33,350 --> 00:33:30,600

online there might be meteors or they

760

00:33:34,030 --> 00:33:33,360

could be re-entering satellites or space

761

00:33:36,590 --> 00:33:34,040

debris

762

00:33:40,100 --> 00:33:36,600

sometimes the metal will burn green or

763

00:33:42,260 --> 00:33:40,110

or any kind of special whatever the

764

00:33:46,490 --> 00:33:42,270

meteor might be composed of might also

765

00:33:49,190 --> 00:33:46,500

cause it to burn green yep now someone's

766

00:33:52,820 --> 00:33:49,200

asking if you had any plans to do any

767

00:33:54,590 --> 00:33:52,830

UFO hunting in California I'd love to

768

00:33:56,960 --> 00:33:54,600

but right now I live in West Hollywood

769

00:34:00,620 --> 00:33:56,970

and the light pollution is gonna stay a

770

00:34:03,830 --> 00:34:00,630

little light pollution yeah at night

771

00:34:06,500 --> 00:34:03,840

they're just milky white bright with

772

00:34:07,910 --> 00:34:06,510

overcast it's weird so I can't do much

773

00:34:10,130 --> 00:34:07,920

with that at the moment and I'm also not

774

00:34:12,290 --> 00:34:10,140

mobile but as soon as I get a car up

775

00:34:15,110 --> 00:34:12,300

happily Drive outside the city a little

776

00:34:17,360 --> 00:34:15,120

bit and without the camera you know it

777

00:34:18,950 --> 00:34:17,370

doesn't take all that much because you

778

00:34:21,440 --> 00:34:18,960

know I've been in that and that whole

779

00:34:22,520 --> 00:34:21,450

area you can get away from the light you

780

00:34:23,900 --> 00:34:22,530

know I think you have there's a couple

781

00:34:27,080 --> 00:34:23,910

people in the message board that I think

782

00:34:29,540 --> 00:34:27,090

you know that are asking cuz somebody

783

00:34:31,390 --> 00:34:29,550

wrote Sheila actually used traffic cams

784

00:34:34,310 --> 00:34:31,400

at one point to check out UFOs

785

00:34:38,240 --> 00:34:34,320

she's also many of them - a good friend

786

00:34:40,700 --> 00:34:38,250

of mine - yeah that's how I got my start

787

00:34:42,080 --> 00:34:40,710

I guess this has interviewed on the

788

00:34:44,000 --> 00:34:42,090

local news station because of this

789

00:34:47,270 --> 00:34:44,010

because I was using the controlable

790

00:34:49,820 --> 00:34:47,280

webcams online better station downtown

791

00:34:51,020 --> 00:34:49,830

and Tucson as using those the UFO hunt

792

00:34:53,450 --> 00:34:51,030

because I didn't have my own camera and

793

00:34:55,430 --> 00:34:53,460

I would record the screen but you know

794

00:34:59,030 --> 00:34:55,440

looking back that was very in conclusion

795

00:35:02,060 --> 00:34:59,040

but you know the passion port started

796

00:35:05,960 --> 00:35:02,070

right there Wow now there's there is a

797

00:35:09,380 --> 00:35:05,970

great video I have seen online of some

798

00:35:11,470 --> 00:35:09,390

type of cam I don't know if it's a

799

00:35:14,120 --> 00:35:11,480

traffic cam or not but it looks down

800

00:35:17,180 --> 00:35:14,130

like over the hill toward the road and

801
00:35:22,220 --> 00:35:17,190
it showed this it's great it's one of

802
00:35:24,710 --> 00:35:22,230
the best videos of like an object that

803
00:35:26,630 --> 00:35:24,720
that like floats over and then stops and

804
00:35:28,310 --> 00:35:26,640
then a little object comes out of it I'm

805
00:35:33,020 --> 00:35:28,320
not sure if you've ever seen that online

806
00:35:34,430 --> 00:35:33,030
somewhere but maybe I don't know if

807
00:35:36,920 --> 00:35:34,440
you're talking about this

808
00:35:40,190 --> 00:35:36,930
terajima was there like smoke or

809
00:35:43,190 --> 00:35:40,200
anything that could have been I haven't

810
00:35:45,500 --> 00:35:43,200
seen it for quite quite a while I'm sure

811
00:35:47,809 --> 00:35:45,510
I've seen that I'm just not sure exactly

812
00:35:50,569 --> 00:35:47,819
which one do you mean yeah oh yeah I

813
00:35:53,510 --> 00:35:50,579

know I mean there's so many like I said

814

00:35:55,940 --> 00:35:53,520

yeah would you sort of agree with me

815

00:35:58,160 --> 00:35:55,950

when I'm I'm saying the do you think I'm

816

00:35:59,450 --> 00:35:58,170

off when I'm saying that about 75% of

817

00:36:04,819 --> 00:35:59,460

them are hoaxes do you think it's a lot

818

00:36:06,200 --> 00:36:04,829

less I mean on YouTube on YouTube I

819

00:36:09,410 --> 00:36:06,210

think nowadays that's pretty accurate

820

00:36:11,599 --> 00:36:09,420

that is that's true on all the ones that

821

00:36:13,609 --> 00:36:11,609

get the most views on hoaxes but you

822

00:36:16,010 --> 00:36:13,619

know there are some UFO Hunters that

823

00:36:17,390 --> 00:36:16,020

regularly post their videos all the time

824

00:36:18,740 --> 00:36:17,400

and they don't get many views and

825

00:36:21,650 --> 00:36:18,750

they're out there and they have good

826
00:36:23,539 --> 00:36:21,660
equipment and everything but the hoaxes

827
00:36:25,279 --> 00:36:23,549
are the loudest ones because there are

828
00:36:27,349 --> 00:36:25,289
people out there there that are

829
00:36:29,779 --> 00:36:27,359
interested in making money off of that

830
00:36:36,140 --> 00:36:29,789
so of course they're gonna start doing

831
00:36:39,829 --> 00:36:36,150
that right right I often wonder what

832
00:36:41,299 --> 00:36:39,839
what it is that makes someone you know

833
00:36:43,190 --> 00:36:41,309
besides them you know of course we talk

834
00:36:44,450 --> 00:36:43,200
about people that are making money off

835
00:36:46,640 --> 00:36:44,460
the videos because they have so many

836
00:36:48,890 --> 00:36:46,650
people watching the videos but for the

837
00:36:51,019 --> 00:36:48,900
average Joe out there what type of

838
00:36:51,500 --> 00:36:51,029

thrill I mean have you thought about

839

00:36:52,940 --> 00:36:51,510

that

840

00:36:55,970 --> 00:36:52,950

what type of thrill does someone have to

841

00:36:58,430 --> 00:36:55,980

get is that they're trying to appear

842

00:37:01,490 --> 00:36:58,440

like superior that they can fool

843

00:37:05,599 --> 00:37:01,500

everybody or I just don't get why hoax

844

00:37:07,730 --> 00:37:05,609

is hoax nowadays I think it it literally

845

00:37:09,349 --> 00:37:07,740

just has to do with AdSense and placing

846

00:37:12,289 --> 00:37:09,359

ads on their videos to make the money

847

00:37:17,059 --> 00:37:12,299

but prior to that it might have been for

848

00:37:19,190 --> 00:37:17,069

no duration or a notoriety I mean you

849

00:37:22,160 --> 00:37:19,200

know popular popularity and in the case

850

00:37:24,349 --> 00:37:22,170

of third place of moon they they think

851

00:37:25,609 --> 00:37:24,359

they fancied themselves actors and I

852

00:37:28,609 --> 00:37:25,619

think maybe they might want to land a

853

00:37:33,200 --> 00:37:28,619

gig or something so everybody's got an

854

00:37:34,910 --> 00:37:33,210

agenda right yeah you know someone asked

855

00:37:37,519 --> 00:37:34,920

I don't even know if you would even know

856

00:37:38,839 --> 00:37:37,529

what this is but did you someone's

857

00:37:44,380 --> 00:37:38,849

asking if you know anything about a

858

00:37:48,020 --> 00:37:44,390

giant bird over the fire in Colorado oh

859

00:37:51,350 --> 00:37:48,030

yes a video I posted a couple years ago

860

00:37:54,950 --> 00:37:51,360

of a fire in Colorado it was a forest

861

00:37:56,630 --> 00:37:54,960

fire and there's a night vision video of

862

00:37:59,120 --> 00:37:56,640

I guess but it's during the daytime

863

00:38:01,900 --> 00:37:59,130

infrared during the day and I guess it

864

00:38:05,570 --> 00:38:01,910

looked like a gigantic bird sized thing

865

00:38:08,320 --> 00:38:05,580

flew over the fire but nowadays I would

866

00:38:10,730 --> 00:38:08,330

say that video is just inconclusive I

867

00:38:12,860 --> 00:38:10,740

maybe it was a pterodactyl maybe it was

868

00:38:15,050 --> 00:38:12,870

a bluebird I don't know yeah you know

869

00:38:17,330 --> 00:38:15,060

it's funny you hear about these people

870

00:38:19,220 --> 00:38:17,340

sometimes will say you know they think

871

00:38:21,530 --> 00:38:19,230

they saw something like a pterodactyl or

872

00:38:22,970 --> 00:38:21,540

something that's it's bizarre you know

873

00:38:25,820 --> 00:38:22,980

you know they have a lot of pterodactyl

874

00:38:29,030 --> 00:38:25,830

sightings out here my significant other

875

00:38:31,370 --> 00:38:29,040

has actually he claims he saw one with

876

00:38:35,840 --> 00:38:31,380

his friend believe you're not Pacific

877

00:38:39,920 --> 00:38:35,850

Palisades pterodactyl sightings I would

878

00:38:42,170 --> 00:38:39,930

love to that would be so fun yeah that's

879

00:38:44,090 --> 00:38:42,180

a real thing it's a real thing it's so

880

00:38:46,040 --> 00:38:44,100

funny and people are actually claiming

881

00:38:49,790 --> 00:38:46,050

they're actually seeing these things and

882

00:38:52,160 --> 00:38:49,800

I wonder what exactly it is you know I

883

00:38:54,440 --> 00:38:52,170

mean I I don't know if I could quite by

884

00:38:57,260 --> 00:38:54,450

the fact that it's an actual pterodactyl

885

00:38:59,120 --> 00:38:57,270

but you know it's fine you know but

886

00:39:01,010 --> 00:38:59,130

there's some reason for some reason it's

887

00:39:05,030 --> 00:39:01,020

it happens right in the same area in

888

00:39:07,270 --> 00:39:05,040

Griffith Park and Pacific Palisades yeah

889

00:39:13,880 --> 00:39:07,280

there's a bird or something that's not

890

00:39:16,450 --> 00:39:13,890

native no albatross someone wants to

891

00:39:20,080 --> 00:39:16,460

know if you ever check Peter Davenport's

892

00:39:22,940 --> 00:39:20,090

website you know to cross-check reports

893

00:39:28,640 --> 00:39:22,950

are you familiar with Peter Davenport he

894

00:39:30,290 --> 00:39:28,650

has the new fork in you fo are see I'm

895

00:39:32,360 --> 00:39:30,300

familiar with that website but I don't I

896

00:39:34,880 --> 00:39:32,370

don't check on his updates though yeah I

897

00:39:38,030 --> 00:39:34,890

mean you're not a person that like

898

00:39:39,920 --> 00:39:38,040

checks so much on updates of what's

899

00:39:42,770 --> 00:39:39,930

happening as far as sightings go you're

900

00:39:43,940 --> 00:39:42,780

more or less looking at the videos and

901
00:39:46,550 --> 00:39:43,950
kind of going through them and seeing

902
00:39:50,390 --> 00:39:46,560
what's what's appears to be right and

903
00:39:53,000 --> 00:39:50,400
what is not is that no it's just that I

904
00:39:55,190 --> 00:39:53,010
consider myself sort of like a news

905
00:39:58,130 --> 00:39:55,200
aggregator so I don't really go to other

906
00:40:00,200 --> 00:39:58,140
news aggregators for anything like you

907
00:40:01,940 --> 00:40:00,210
know I'm just weird like that I just I

908
00:40:04,069 --> 00:40:01,950
just go and find whatever in

909
00:40:07,370 --> 00:40:04,079
just me at the moment and I go with that

910
00:40:09,140 --> 00:40:07,380
but I don't just you know look for

911
00:40:12,200 --> 00:40:09,150
something to debunk I'm just interested

912
00:40:14,359 --> 00:40:12,210
all around yes

913
00:40:18,140 --> 00:40:14,369

I didn't mean to paint you that way

914

00:40:20,030 --> 00:40:18,150

because uh yeah I know that you know I

915

00:40:22,400 --> 00:40:20,040

know you have been posting a lot longer

916

00:40:25,339 --> 00:40:22,410

before you started actually debunking

917

00:40:28,579 --> 00:40:25,349

people but it just shows that your your

918

00:40:30,109 --> 00:40:28,589

interests just grew you know and you

919

00:40:32,750 --> 00:40:30,119

just looked into things a little more

920

00:40:35,180 --> 00:40:32,760

serious and it just happens to be that a

921

00:40:37,130 --> 00:40:35,190

lot of things are you know a lot of

922

00:40:38,990 --> 00:40:37,140

things just need debunking or there's

923

00:40:41,569 --> 00:40:39,000

always something incorrect about what's

924

00:40:45,290 --> 00:40:41,579

being passed around as the truth I just

925

00:40:48,680 --> 00:40:45,300

I just pointed out I know ya know I love

926

00:40:50,900 --> 00:40:48,690

that and I hope you continue to do that

927

00:40:52,640 --> 00:40:50,910

and so just to let everyone know is

928

00:40:55,910 --> 00:40:52,650

listening live you can jump over to our

929

00:40:58,490 --> 00:40:55,920

chat room at podcast UFO calm and it's a

930

00:41:00,859 --> 00:40:58,500

one two click sign up you're in and you

931

00:41:04,970 --> 00:41:00,869

can ask Sheila question we have a number

932

00:41:07,460 --> 00:41:04,980

of people in there right now and so now

933

00:41:10,760 --> 00:41:07,470

your your that's someone just said that

934

00:41:15,460 --> 00:41:10,770

it's not too far from the LA Zoo where

935

00:41:18,740 --> 00:41:15,470

where they're Pterodactylus is that true

936

00:41:20,210 --> 00:41:18,750

I don't know what that lady was in but

937

00:41:21,829 --> 00:41:20,220

yeah I don't doubt it

938

00:41:23,359 --> 00:41:21,839

I mean as far as people saying that

939

00:41:25,550 --> 00:41:23,369

that's where it is because that sounds

940

00:41:27,079 --> 00:41:25,560

like a pterodactyl would like to live

941

00:41:29,000 --> 00:41:27,089

but I think people would have spotted it

942

00:41:31,910 --> 00:41:29,010

and got on camera by now

943

00:41:33,740 --> 00:41:31,920

yeah and they they they'd probably feed

944

00:41:38,690 --> 00:41:33,750

it to you know it get food over there I

945

00:41:41,059 --> 00:41:38,700

think so yeah yeah yeah so have you

946

00:41:43,819 --> 00:41:41,069

considered you know you have your own

947

00:41:46,430 --> 00:41:43,829

YouTube channel do you actually make

948

00:41:49,069 --> 00:41:46,440

videos or what you just the ones that

949

00:41:51,650 --> 00:41:49,079

I've seen up there or ones that you find

950

00:41:55,700 --> 00:41:51,660

in you post but do you ever make any

951
00:41:57,589 --> 00:41:55,710
videos yourself I do like I said I'm my

952
00:42:00,170 --> 00:41:57,599
original videos for the first couple

953
00:42:02,780 --> 00:42:00,180
years were just my raw UFO hunting

954
00:42:04,640 --> 00:42:02,790
videos that I recorded but I kind of

955
00:42:06,770 --> 00:42:04,650
branched off into making videos about

956
00:42:09,440 --> 00:42:06,780
everything that interests me

957
00:42:14,240 --> 00:42:09,450
conspiracies or strange happenings I'm

958
00:42:15,590 --> 00:42:14,250
very into like fireballs and cool

959
00:42:17,240 --> 00:42:15,600
looking clouds and we

960
00:42:19,750 --> 00:42:17,250
it's just anything interesting that

961
00:42:23,360 --> 00:42:19,760
happens to happen that's a mystery

962
00:42:25,820 --> 00:42:23,370
nowadays I plan to start making more

963
00:42:28,250 --> 00:42:25,830

videos soon I just haven't had privacy

964

00:42:31,520 --> 00:42:28,260

in about a year and a half due to my

965

00:42:33,140 --> 00:42:31,530

living situation but I'm moving yeah and

966

00:42:35,600 --> 00:42:33,150

I just feel weird making videos with

967

00:42:36,740 --> 00:42:35,610

everybody around and stuff but yeah

968

00:42:39,260 --> 00:42:36,750

hopefully I'll be getting back into that

969

00:42:41,660 --> 00:42:39,270

I got a new laptop and I'll be getting

970

00:42:43,880 --> 00:42:41,670

back into that but I used to own

971

00:42:47,480 --> 00:42:43,890

compiled videos with different

972

00:42:49,730 --> 00:42:47,490

contributors that I found regarding one

973

00:42:51,860 --> 00:42:49,740

subject like I'll do a compilation video

974

00:42:53,210 --> 00:42:51,870

of a tornado that happened and I'll find

975

00:42:54,680 --> 00:42:53,220

all these different perspectives and

976

00:42:56,960 --> 00:42:54,690

views from different people that

977

00:42:58,280 --> 00:42:56,970

recorded it and I'll put it together and

978

00:43:00,920 --> 00:42:58,290

put their name in the corner you know

979

00:43:02,270 --> 00:43:00,930

when it's their clip so but after view

980

00:43:04,640 --> 00:43:02,280

more careful these days because YouTube

981

00:43:07,760 --> 00:43:04,650

took my main channel down a couple years

982

00:43:11,030 --> 00:43:07,770

ago for copyright oh my goodness up

983

00:43:15,650 --> 00:43:11,040

because you had other peoples I see yeah

984

00:43:16,640 --> 00:43:15,660

yeah Disney and some other big name

985

00:43:18,920 --> 00:43:16,650

company I can't remember

986

00:43:22,760 --> 00:43:18,930

yeah Disney will do it that's for sure

987

00:43:25,610 --> 00:43:22,770

oh yeah yeah another question up on the

988

00:43:27,440 --> 00:43:25,620

board here is there was an earthquake

989

00:43:29,690 --> 00:43:27,450

that happened in LA and it was a big one

990

00:43:31,850 --> 00:43:29,700

and there was a UFO spotted during that

991

00:43:35,090 --> 00:43:31,860

time did you ever know anything about

992

00:43:36,890 --> 00:43:35,100

that and if they're referring to the one

993

00:43:39,140 --> 00:43:36,900

that happened on my birthday was March

994

00:43:42,050 --> 00:43:39,150

17th it was the biggest one that's

995

00:43:43,820 --> 00:43:42,060

happened around here and some years or

996

00:43:46,580 --> 00:43:43,830

something like that but I didn't hear

997

00:43:48,740 --> 00:43:46,590

anything about a UFO being seen along

998

00:43:52,280 --> 00:43:48,750

with that if he's referring to that one

999

00:43:56,080 --> 00:43:52,290

uh-huh and someone wants to know what

1000

00:43:59,750 --> 00:43:56,090

your theory is on UFO I mean on

1001
00:44:01,730 --> 00:43:59,760
alien abductions I'm sorry there's a lot

1002
00:44:04,820 --> 00:44:01,740
of people in the chat room so the

1003
00:44:07,790 --> 00:44:04,830
messages are moving around fast no

1004
00:44:10,010 --> 00:44:07,800
problem and I believe that it's a real

1005
00:44:11,690 --> 00:44:10,020
phenomenon it's never happened to me but

1006
00:44:16,340 --> 00:44:11,700
I think it does happen to some people

1007
00:44:19,760 --> 00:44:16,350
and I don't know maybe it is the gray

1008
00:44:21,650 --> 00:44:19,770
aliens abducting people who knows yeah

1009
00:44:23,300 --> 00:44:21,660
you know it was one of these subjects

1010
00:44:26,630 --> 00:44:23,310
when I started the show that I was

1011
00:44:28,760 --> 00:44:26,640
totally on the fence on and then after

1012
00:44:29,030 --> 00:44:28,770
talking to people like Travis Walton and

1013
00:44:32,930 --> 00:44:29,040

if

1014

00:44:36,500 --> 00:44:32,940

you other people that I I totally

1015

00:44:38,510 --> 00:44:36,510

believe their story and you know I just

1016

00:44:43,220 --> 00:44:38,520

became a little more open-minded to it

1017

00:44:46,220 --> 00:44:43,230

that it's if there is indeed if we are

1018

00:44:47,570 --> 00:44:46,230

being visited what would we do if we

1019

00:44:51,140 --> 00:44:47,580

were visiting somewhere we did we'd

1020

00:44:53,300 --> 00:44:51,150

inspect you know the living creatures so

1021

00:44:56,570 --> 00:44:53,310

it's it certainly makes sense that it's

1022

00:44:58,730 --> 00:44:56,580

it's very possible and Travis's story

1023

00:45:01,340 --> 00:44:58,740

hasn't changed over all these years and

1024

00:45:03,260 --> 00:45:01,350

it is very compelling just you can just

1025

00:45:05,780 --> 00:45:03,270

tell you know he's telling the truth

1026
00:45:06,530 --> 00:45:05,790
so something weirds going on there sure

1027
00:45:08,420 --> 00:45:06,540
yeah

1028
00:45:10,940 --> 00:45:08,430
you know I sat right across from him and

1029
00:45:12,350 --> 00:45:10,950
talked to him and and you know I don't

1030
00:45:17,540 --> 00:45:12,360
have a doubt in my mind he's telling the

1031
00:45:20,570 --> 00:45:17,550
truth and it's a such a bizarre story it

1032
00:45:23,270 --> 00:45:20,580
is actually I'd like to have aliens come

1033
00:45:24,650 --> 00:45:23,280
visit me but they don't I know you made

1034
00:45:28,430 --> 00:45:24,660
your name like that and everything it

1035
00:45:31,250 --> 00:45:28,440
might work yeah maybe they won't be

1036
00:45:34,220 --> 00:45:31,260
insulted by it they might find you on

1037
00:45:38,390 --> 00:45:34,230
facebook hopefully hopefully they they

1038
00:45:42,890 --> 00:45:38,400

add me on Twitter so what do you think

1039

00:45:44,900 --> 00:45:42,900

what's the future of Shila aliens that's

1040

00:45:46,070 --> 00:45:44,910

what I'm trying to figure out or you

1041

00:45:48,020 --> 00:45:46,080

know I'm just waiting to see what

1042

00:45:50,030 --> 00:45:48,030

direction this goes I'm not sure I'm

1043

00:45:52,520 --> 00:45:50,040

floating around in Hollywood I love it

1044

00:45:55,820 --> 00:45:52,530

here having a great time at the same

1045

00:45:58,100 --> 00:45:55,830

time it's not conducive to UFO hunting

1046

00:45:59,600 --> 00:45:58,110

until I guess get a vehicle or move

1047

00:46:01,550 --> 00:45:59,610

somewhere where there's not so much

1048

00:46:04,340 --> 00:46:01,560

light pollution but I can still make

1049

00:46:06,890 --> 00:46:04,350

other videos about other things maybe

1050

00:46:08,840 --> 00:46:06,900

I'm not sure exactly what I'm gonna do

1051
00:46:11,390 --> 00:46:08,850
but I'm gonna start making my channel

1052
00:46:14,960 --> 00:46:11,400
more active uploading more videos and

1053
00:46:18,980 --> 00:46:14,970
just see what happens well we have a we

1054
00:46:21,110 --> 00:46:18,990
have pam-pam z up on the message board

1055
00:46:26,810 --> 00:46:21,120
and she says that you need to get your

1056
00:46:29,360 --> 00:46:26,820
own podcast me tells me that they tell

1057
00:46:32,330 --> 00:46:29,370
me that but I don't know I don't like to

1058
00:46:36,680 --> 00:46:32,340
you know hear myself talk a lot yeah

1059
00:46:40,580 --> 00:46:36,690
well it's I think it'd be alright

1060
00:46:42,080 --> 00:46:40,590
it would be fun actually yeah I mean I

1061
00:46:42,920 --> 00:46:42,090
got all the topics in the world I can

1062
00:46:44,960 --> 00:46:42,930
think of

1063
00:46:47,000 --> 00:46:44,970

I just have to I guess get over my

1064

00:46:49,789 --> 00:46:47,010

shyness yeah there you go

1065

00:46:51,680 --> 00:46:49,799

well you're doing fine well thank you

1066

00:46:56,299 --> 00:46:51,690

and someone says you need to be on TV

1067

00:46:58,940 --> 00:46:56,309

instead but okay so in the future you're

1068

00:47:01,819 --> 00:46:58,950

not really sure what what you're going

1069

00:47:03,650 --> 00:47:01,829

to be doing but I would say that there

1070

00:47:06,260 --> 00:47:03,660

are a number of like-minded people in

1071

00:47:08,029 --> 00:47:06,270

your your area you know you're not too

1072

00:47:12,349 --> 00:47:08,039

far from Steven Bassett do you know who

1073

00:47:16,250 --> 00:47:12,359

he is bound to know me but I know he's

1074

00:47:18,710 --> 00:47:16,260

been he's he's the only lobbyist that

1075

00:47:21,789 --> 00:47:18,720

has to do with the disclosure and the

1076

00:47:25,069 --> 00:47:21,799

UFO you know he's a Washington lobbyist

1077

00:47:28,670 --> 00:47:25,079

and he's right he's not too far away

1078

00:47:32,630 --> 00:47:28,680

from you and Yvonne Smith who's gonna be

1079

00:47:35,859 --> 00:47:32,640

a guest next week everyone she does

1080

00:47:38,089 --> 00:47:35,869

hypnotic regressions for you know

1081

00:47:40,609 --> 00:47:38,099

abductees and she's gonna be on our show

1082

00:47:42,230 --> 00:47:40,619

she lives up I've visited her when I was

1083

00:47:45,470 --> 00:47:42,240

out there she lives not too far away

1084

00:47:47,299 --> 00:47:45,480

from you as well yeah there's a lot of

1085

00:47:49,130 --> 00:47:47,309

people out here that are into that so I

1086

00:47:56,289 --> 00:47:49,140

was lucky to meet some of them at that

1087

00:47:59,990 --> 00:47:58,640

there was there's someone I think

1088

00:48:01,970 --> 00:48:00,000

they're asking a question are you

1089

00:48:03,710 --> 00:48:01,980

familiar with the person that claims

1090

00:48:13,130 --> 00:48:03,720

he's speaking to aliens through his cell

1091

00:48:17,150 --> 00:48:13,140

phone yeah okay so yeah that's up on the

1092

00:48:19,220 --> 00:48:17,160

message board okay I wish we could take

1093

00:48:21,200 --> 00:48:19,230

calls if you want to ask Sheila

1094

00:48:24,109 --> 00:48:21,210

questioned go to our chat room on

1095

00:48:28,039 --> 00:48:24,119

podcast UFO calm and throw a question

1096

00:48:29,150 --> 00:48:28,049

out for Sheila if you'd like and I'm

1097

00:48:30,440 --> 00:48:29,160

just trying to read there was quite a

1098

00:48:34,400 --> 00:48:30,450

few of them that came in I'm just gonna

1099

00:48:38,359 --> 00:48:34,410

pull back and see if we have any more up

1100

00:48:40,309 --> 00:48:38,369

here and do you know calls mmm you know

1101

00:48:42,620 --> 00:48:40,319

the funny thing is I can take a call and

1102

00:48:45,319 --> 00:48:42,630

I can give out a number but as soon as I

1103

00:48:47,079 --> 00:48:45,329

do then I lose everyone I lose you and I

1104

00:48:50,289 --> 00:48:47,089

haven't been able to figure that out

1105

00:48:54,019 --> 00:48:50,299

yeah well we don't want that to happen

1106

00:48:56,320 --> 00:48:54,029

certainly not yeah all right and we've

1107

00:49:00,670 --> 00:48:56,330

got about it looks like we've got

1108

00:49:02,860 --> 00:49:00,680

we're around ten minutes or so and so we

1109

00:49:08,050 --> 00:49:02,870

can move on to another subject we've

1110

00:49:11,560 --> 00:49:08,060

we've talked about abductions and all

1111

00:49:13,570 --> 00:49:11,570

that and let's see Pam she wants to know

1112

00:49:18,010 --> 00:49:13,580

what you think about UFOs over volcanoes

1113

00:49:19,510 --> 00:49:18,020

I've familiar with that phenomenon I'm

1114

00:49:24,010 --> 00:49:19,520

sorry what was that UFOs over volcanoes

1115

00:49:26,980 --> 00:49:24,020

yes I am familiar with it and I think

1116

00:49:29,590 --> 00:49:26,990

they're just as UFO there's just as much

1117

00:49:31,660 --> 00:49:29,600

UFO activity surrounding volcanoes as

1118

00:49:34,290 --> 00:49:31,670

there are mountains and they do seem to

1119

00:49:37,330 --> 00:49:34,300

be attracted to both of those things

1120

00:49:39,910 --> 00:49:37,340

maybe it's the energy from the earth

1121

00:49:42,070 --> 00:49:39,920

releasing itself like the theory goes or

1122

00:49:44,560 --> 00:49:42,080

maybe there's a reason that they are

1123

00:49:46,570 --> 00:49:44,570

attracted to those areas that's giving

1124

00:49:48,700 --> 00:49:46,580

you know them energy and there are

1125

00:49:50,790 --> 00:49:48,710

actually other beings you know or

1126

00:49:54,430 --> 00:49:50,800

they're being controlled by other beings

1127

00:49:57,190 --> 00:49:54,440

I think it's a legit phenomena and it

1128

00:49:59,770 --> 00:49:57,200

needs to be looked into more mm-hmm

1129

00:50:01,780 --> 00:49:59,780

another person wants to know do you have

1130

00:50:07,060 --> 00:50:01,790

any certain techniques or methods that

1131

00:50:09,730 --> 00:50:07,070

you use when your UFO hunting yeah well

1132

00:50:12,100 --> 00:50:09,740

I would just say be persistent first of

1133

00:50:14,890 --> 00:50:12,110

all and of course they say you know use

1134

00:50:18,190 --> 00:50:14,900

a tripod try to use a tripod if you can

1135

00:50:19,690 --> 00:50:18,200

but if you're you know you can't there's

1136

00:50:21,280 --> 00:50:19,700

a lot of things you can't do if you have

1137

00:50:24,430 --> 00:50:21,290

it on a tripod so you're gonna have it

1138

00:50:28,240 --> 00:50:24,440

in your hand obviously keep it steady

1139

00:50:30,160 --> 00:50:28,250

um don't keep it like make sure your

1140

00:50:32,320 --> 00:50:30,170

camera is not on auto focus because what

1141

00:50:34,900 --> 00:50:32,330

you're trying to film is a UFO it's far

1142

00:50:36,460 --> 00:50:34,910

away and if you have our autofocus it's

1143

00:50:39,030 --> 00:50:36,470

going to focus on the closest thing to

1144

00:50:41,620 --> 00:50:39,040

your camera which might be a tree or

1145

00:50:45,100 --> 00:50:41,630

somebody's pant leg who knows so you

1146

00:50:49,690 --> 00:50:45,110

want to have it on manual focus or set

1147

00:50:53,560 --> 00:50:49,700

to infinity also try to use night vision

1148

00:50:57,910 --> 00:50:53,570

if you can now design does that always

1149

00:50:59,800 --> 00:50:57,920

work for does that always work in like

1150

00:51:02,080 --> 00:50:59,810

to say if you see a light I just don't

1151
00:51:04,420 --> 00:51:02,090
I've never used it if you see a light as

1152
00:51:06,610 --> 00:51:04,430
the light actually show real like real

1153
00:51:09,670 --> 00:51:06,620
green I mean if you don't use it can you

1154
00:51:10,150 --> 00:51:09,680
still get an image it depends on the

1155
00:51:13,270 --> 00:51:10,160
camera

1156
00:51:16,240 --> 00:51:13,280
using but like with my Sony Handycam it

1157
00:51:18,400 --> 00:51:16,250
has a night shot mode and until you flip

1158
00:51:22,059 --> 00:51:18,410
it on the light might just look like a

1159
00:51:24,099 --> 00:51:22,069
speck of light on black and then you

1160
00:51:26,740 --> 00:51:24,109
turn it on and it illuminates the trees

1161
00:51:28,809 --> 00:51:26,750
it illuminates everything if it's a

1162
00:51:30,849 --> 00:51:28,819
certain type of night vision it'll be

1163
00:51:33,849 --> 00:51:30,859

green it doesn't have to be green though

1164

00:51:36,279 --> 00:51:33,859

I'm not I forget why exactly some night

1165

00:51:38,829 --> 00:51:36,289

vision is green but in some infrared

1166

00:51:41,650 --> 00:51:38,839

cameras are just like whitewashed and

1167

00:51:48,670 --> 00:51:41,660

there's other versions of that as well

1168

00:51:50,020 --> 00:51:48,680

so okay we let's see Keith if you're

1169

00:51:53,470 --> 00:51:50,030

listening are we having trouble with

1170

00:51:56,740 --> 00:51:53,480

Skype right now I'm sorry everyone okay

1171

00:51:58,960 --> 00:51:56,750

we're all set and have you ever tried to

1172

00:52:02,799 --> 00:51:58,970

interact with any UFOs this is a

1173

00:52:07,779 --> 00:52:02,809

question up on the board like oh okay go

1174

00:52:09,640 --> 00:52:07,789

ahead yeah I would always I would always

1175

00:52:11,710 --> 00:52:09,650

like ask them whoever they are to show

1176
00:52:13,690 --> 00:52:11,720
me something I hadn't seen before and

1177
00:52:15,940 --> 00:52:13,700
then I would have an amazing siding or

1178
00:52:19,000 --> 00:52:15,950
you know they seem to be interacting

1179
00:52:21,329 --> 00:52:19,010
with me a couple times and I don't

1180
00:52:23,559 --> 00:52:21,339
recommend this I shined a green laser

1181
00:52:25,510 --> 00:52:23,569
you know that's what I was going to ask

1182
00:52:28,299 --> 00:52:25,520
you if you did that's like that but you

1183
00:52:31,510 --> 00:52:28,309
really shouldn't do that thing um yeah I

1184
00:52:33,130 --> 00:52:31,520
would mentally I think possibly

1185
00:52:38,019 --> 00:52:33,140
communicate with these things and they

1186
00:52:42,460 --> 00:52:38,029
seem to be reciprocating uh-huh okay and

1187
00:52:44,980 --> 00:52:42,470
let's say someone wants to know have has

1188
00:52:49,019 --> 00:52:44,990

anyone has any men in black ever messed

1189

00:52:50,620 --> 00:52:49,029

with you no I never have had that happen

1190

00:52:53,019 --> 00:52:50,630

amazingly huh

1191

00:52:54,849 --> 00:52:53,029

yeah okay we have five minutes just to

1192

00:52:56,920 --> 00:52:54,859

let you know to wrap up the show do you

1193

00:53:00,190 --> 00:52:56,930

you don't have a website have you ever

1194

00:53:01,930 --> 00:53:00,200

thought of getting a website I didn't

1195

00:53:04,599 --> 00:53:01,940

think about it well I mean actually I'm

1196

00:53:07,480 --> 00:53:04,609

sorry I had one for a while um Sheila

1197

00:53:09,370 --> 00:53:07,490

aliens net but I just couldn't keep up

1198

00:53:14,079 --> 00:53:09,380

with it it was just too much it was

1199

00:53:15,730 --> 00:53:14,089

posted on Facebook Twitter YouTube and a

1200

00:53:18,099 --> 00:53:15,740

website just seems like a lot of trouble

1201
00:53:20,650 --> 00:53:18,109
for something I'm doing for free or

1202
00:53:22,900 --> 00:53:20,660
whatever which you know is just lazy I

1203
00:53:24,039 --> 00:53:22,910
don't know that's a lot to do believe me

1204
00:53:26,919 --> 00:53:24,049
I your

1205
00:53:29,019 --> 00:53:26,929
about that yeah you know like after the

1206
00:53:31,329 --> 00:53:29,029
show tonight I'll spend an hour or two

1207
00:53:33,160 --> 00:53:31,339
hours you know getting getting working

1208
00:53:37,150 --> 00:53:33,170
on this website so what do you think

1209
00:53:38,739 --> 00:53:37,160
about the Malstrom airbase disabling of

1210
00:53:40,390 --> 00:53:38,749
the nuclear warheads have you ever

1211
00:53:43,449 --> 00:53:40,400
looked into any of that these are

1212
00:53:44,709 --> 00:53:43,459
questions that are coming up I I don't

1213
00:53:45,819 --> 00:53:44,719

know if you know any of these things or

1214

00:53:47,919 --> 00:53:45,829

not but these are questions that are

1215

00:53:50,799 --> 00:53:47,929

coming up in the chat room yeah I've

1216

00:53:53,650 --> 00:53:50,809

heard of that and I don't know the exact

1217

00:53:56,829 --> 00:53:53,660

details but yeah the-- they say that UFO

1218

00:53:57,910 --> 00:53:56,839

is disabled nuclear warheads and they

1219

00:54:01,269 --> 00:53:57,920

really don't have any other explanation

1220

00:54:02,919 --> 00:54:01,279

for it and there's UFO sightings that

1221

00:54:08,529 --> 00:54:02,929

went along with it

1222

00:54:10,569 --> 00:54:08,539

I think if it's true then maybe they're

1223

00:54:13,630 --> 00:54:10,579

just trying to you know save the planet

1224

00:54:16,089 --> 00:54:13,640

or something yeah you know I've talked

1225

00:54:19,359 --> 00:54:16,099

with Robert Hastings who's done

1226

00:54:21,849 --> 00:54:19,369

extensive research on on that and

1227

00:54:27,809 --> 00:54:21,859

written books and or at least one I

1228

00:54:30,849 --> 00:54:27,819

think at least one book and okay so he

1229

00:54:33,729 --> 00:54:30,859

he thinks that that's exactly the reason

1230

00:54:36,189 --> 00:54:33,739

why is they're trying to you know trying

1231

00:54:39,789 --> 00:54:36,199

to stop us from blowing ourselves up and

1232

00:54:44,019 --> 00:54:39,799

we need that that would make sense yeah

1233

00:54:46,059 --> 00:54:44,029

she people don't go to Sheila aliens

1234

00:54:50,859 --> 00:54:46,069
