

1
00:00:03,169 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:04,249 --> 00:00:03,179
triangle

3
00:00:05,360 --> 00:00:04,259
you know there's explanation for

4
00:00:08,419 --> 00:00:05,370
everything that occurred in the

5
00:00:11,209 --> 00:00:08,429
Rendlesham forest incident did aliens at

6
00:00:14,600 --> 00:00:11,219
all it was completely silent it comes

7
00:00:16,640 --> 00:00:14,610
right over our head it's so a classic

8
00:00:18,529 --> 00:00:16,650
flying-saucer wave is standing in the

9
00:00:20,000 --> 00:00:18,539
clearing he turned over to my father and

10
00:00:25,160 --> 00:00:20,010
held his hand and he looked in his eyes

11
00:00:27,170 --> 00:00:25,170
and said we're not alone hello and

12
00:00:30,169 --> 00:00:27,180
welcome to the show the show that we

13
00:00:32,060 --> 00:00:30,179

call podcast UFO I'm Martin Willis your

14

00:00:34,250 --> 00:00:32,070

host and we're coming at you live like

15

00:00:36,530 --> 00:00:34,260

every Wednesday at 9:00 p.m. Eastern

16

00:00:39,830 --> 00:00:36,540

Standard Time on the dark matter radio

17

00:00:43,040 --> 00:00:39,840

network you can go to our website for

18

00:00:45,590 --> 00:00:43,050

our easy sign-in chat room and join us

19

00:00:47,569 --> 00:00:45,600

in our show live we have another great

20

00:00:50,690 --> 00:00:47,579

one for you tonight including upcoming

21

00:00:52,970 --> 00:00:50,700

UFO news that's coming up in just a few

22

00:00:56,299 --> 00:00:52,980

minutes with open minds Alejandro Rojas

23

00:00:58,580 --> 00:00:56,309

our guest tonight is Yvonne Smith and

24

00:01:01,010 --> 00:00:58,590

we'll be discussing her book Coronado

25

00:01:04,700 --> 00:01:01,020

the president the Secret Service and

26

00:01:06,890 --> 00:01:04,710

alien abductions this is a great book

27

00:01:09,679 --> 00:01:06,900

that describes the explicit and dramatic

28

00:01:12,590 --> 00:01:09,689

detail of the famous case involving a

29

00:01:15,710 --> 00:01:12,600

mass abduction of about a dozen people I

30

00:01:18,859 --> 00:01:15,720

think it was in San Diego and that was

31

00:01:21,380 --> 00:01:18,869

back in 1994 now I met you Vaughn last

32

00:01:24,140 --> 00:01:21,390

year and I visited with her in her

33

00:01:25,820 --> 00:01:24,150

office in California and wait till you

34

00:01:28,960 --> 00:01:25,830

hear what happened when we tried to

35

00:01:32,810 --> 00:01:28,970

record a show how's that for a teaser

36

00:01:36,020 --> 00:01:32,820

well I got a number of emails about our

37

00:01:37,660 --> 00:01:36,030

last show last week with Sheila now a

38

00:01:41,830 --> 00:01:37,670

lot of people liked her I liked her too

39

00:01:49,310 --> 00:01:41,840

but they said we had a lot of well quote

40

00:01:51,920 --> 00:01:49,320

awkward moments unquote well it it might

41

00:01:54,590 --> 00:01:51,930

it might be it might be true that can

42

00:01:57,620 --> 00:01:54,600

happen sometimes isn't isn't that right

43

00:02:03,200 --> 00:02:00,560

this is awkward just kidding yeah

44

00:02:05,030 --> 00:02:03,210

unfortunately it happens but you know

45

00:02:06,920 --> 00:02:05,040

what that's kind of fun it's a spice of

46

00:02:10,400 --> 00:02:06,930

radio I think when something like that

47

00:02:12,559 --> 00:02:10,410

happens even on talk shows you know they

48

00:02:13,490 --> 00:02:12,569

make fun of the awkward moments and it

49

00:02:15,950 --> 00:02:13,500

can be kind of fun

50

00:02:17,750 --> 00:02:15,960

these days yeah I'm gonna try to jump on

51
00:02:20,060 --> 00:02:17,760
the opportunity to next time that really

52
00:02:22,430 --> 00:02:20,070
happens somehow I don't know what I'm

53
00:02:25,100 --> 00:02:22,440
gonna do but uh maybe I'll get one of

54
00:02:28,400 --> 00:02:25,110
those a squeak toy or something yeah

55
00:02:31,640 --> 00:02:28,410
awkward the new cool oh that's good

56
00:02:33,860 --> 00:02:31,650
that's I'm comfortable at that yeah so

57
00:02:36,890 --> 00:02:33,870
hey what's going on with the UFO news

58
00:02:39,050 --> 00:02:36,900
this week oh there's a lot of news as

59
00:02:40,430 --> 00:02:39,060
usual so I have a number of things I

60
00:02:41,570 --> 00:02:40,440
want to talk to you about and I know we

61
00:02:43,310 --> 00:02:41,580
don't have a whole lot of time because

62
00:02:45,230 --> 00:02:43,320
you got great interview wonderful so

63
00:02:47,540 --> 00:02:45,240

this is going to be great I know it but

64

00:02:50,030 --> 00:02:47,550

I'll hit on some of these these big

65

00:02:53,180 --> 00:02:50,040

stories this week one of the big ones is

66

00:02:56,240 --> 00:02:53,190

a video that comes out of Milan Italy

67

00:02:59,150 --> 00:02:56,250

and it's this object that was filmed on

68

00:03:01,910 --> 00:02:59,160

July 6 by a gentleman named Antonio

69

00:03:03,979 --> 00:03:01,920

Jersey and a lot of the news is picking

70

00:03:05,449 --> 00:03:03,989

it up however a lot of them don't know

71

00:03:08,060 --> 00:03:05,459

that Antonio

72

00:03:11,000 --> 00:03:08,070

earthy for over a decade has been

73

00:03:14,750 --> 00:03:11,010

getting a lot of UFO videos and pictures

74

00:03:16,580 --> 00:03:14,760

and a lot of these have been what you

75

00:03:19,520 --> 00:03:16,590

could title too good to be true

76
00:03:22,970 --> 00:03:19,530
which of course makes people skeptical

77
00:03:25,310 --> 00:03:22,980
about what he's capturing so I did post

78
00:03:27,979 --> 00:03:25,320
a video where someone kind of explains

79
00:03:30,770 --> 00:03:27,989
how he believes that he is getting these

80
00:03:32,840 --> 00:03:30,780
photos however this video is something

81
00:03:35,060 --> 00:03:32,850
different than what he normally gets it

82
00:03:37,130 --> 00:03:35,070
is a spectacular video with these these

83
00:03:39,320 --> 00:03:37,140
lighting objects that are kind of

84
00:03:41,270 --> 00:03:39,330
blinking in the sky some people have

85
00:03:44,090 --> 00:03:41,280
said maybe they're angels or something

86
00:03:48,259 --> 00:03:44,100
like that I unfortunately have a feeling

87
00:03:51,020 --> 00:03:48,269
that they might be balloons and he calls

88
00:03:54,710 --> 00:03:51,030

them he calls it an e Boni

89

00:03:55,850 --> 00:03:54,720

he says incredible ebon e on Milan and a

90

00:03:58,940 --> 00:03:55,860

lot of people are wondering what the

91

00:04:02,259 --> 00:03:58,950

heck does that mean actually II Bonny's

92

00:04:06,970 --> 00:04:02,269

is something that kid was coined in

93

00:04:11,000 --> 00:04:06,980

Mexico and essentially it means an

94

00:04:13,400 --> 00:04:11,010

unidentified anomalous biological entity

95

00:04:15,560 --> 00:04:13,410

so essentially in Mexico they were

96

00:04:18,440 --> 00:04:15,570

hitting these long strings kind of

97

00:04:19,880 --> 00:04:18,450

looking at videos and they called them

98

00:04:22,279 --> 00:04:19,890

ebon e because they thought they they

99

00:04:24,920 --> 00:04:22,289

moved like they were big snakes in the

100

00:04:27,020 --> 00:04:24,930

sky now things didn't they spit out

101
00:04:29,330 --> 00:04:27,030
little things too

102
00:04:31,220 --> 00:04:29,340
we're some that did that yeah those were

103
00:04:32,810 --> 00:04:31,230
but those I don't think they labeled

104
00:04:35,090 --> 00:04:32,820
those of Bonny they labeled those

105
00:04:37,010 --> 00:04:35,100
motherships because yeah there were a

106
00:04:38,420 --> 00:04:37,020
couple videos that I still think are

107
00:04:40,670 --> 00:04:38,430
interesting I'm not so sure what they

108
00:04:42,230 --> 00:04:40,680
are yet where yeah they there's a couple

109
00:04:44,870 --> 00:04:42,240
of those that spit out some other

110
00:04:46,550 --> 00:04:44,880
smaller craft and those are really cool

111
00:04:49,909 --> 00:04:46,560
videos that I have never heard an

112
00:04:51,350 --> 00:04:49,919
explanation for hmm now this this one in

113
00:04:53,420 --> 00:04:51,360

particular you're right it does look

114

00:04:55,820 --> 00:04:53,430

like sort of like a clear balloon with

115

00:04:59,210 --> 00:04:55,830

like lights inside of it almost like an

116

00:05:01,790 --> 00:04:59,220

organic type of figure you know it does

117

00:05:04,070 --> 00:05:01,800

does have that appearance yeah well you

118

00:05:06,260 --> 00:05:04,080

know a when balloons are tied together

119

00:05:08,780 --> 00:05:06,270

they can look like this and this is

120

00:05:12,560 --> 00:05:08,790

often you see videos where they kind of

121

00:05:15,380 --> 00:05:12,570

move weird because of the wind in Mexico

122

00:05:17,750 --> 00:05:15,390

I actually met Antonio Zee a few years

123

00:05:19,840 --> 00:05:17,760

ago in a conference that Jaime Muhsin

124

00:05:23,240 --> 00:05:19,850

had in Mexico City he's a famous

125

00:05:25,760 --> 00:05:23,250

ufologist out there and some of their

126
00:05:28,210 --> 00:05:25,770
researchers presented these Abani and

127
00:05:32,270 --> 00:05:28,220
they looked exactly like those wedding

128
00:05:34,159 --> 00:05:32,280
you know trains of balloons that had

129
00:05:35,690 --> 00:05:34,169
gotten loose and they stay admit it

130
00:05:38,210 --> 00:05:35,700
these look like balloons but they're

131
00:05:40,490 --> 00:05:38,220
moving so weird they're probably not but

132
00:05:43,490 --> 00:05:40,500
you know up in the sky the way the wind

133
00:05:46,070 --> 00:05:43,500
is you know they can move kind of weird

134
00:05:49,820 --> 00:05:46,080
and some people took a look at this

135
00:05:52,460 --> 00:05:49,830
actually Mark Dantonio the young photo

136
00:05:54,830 --> 00:05:52,470
analyst just got back to me on Facebook

137
00:05:56,900 --> 00:05:54,840
today and I posted that in a story but

138
00:06:00,200 --> 00:05:56,910

yeah he explains he thinks pretty sure

139

00:06:02,390 --> 00:06:00,210

that this video is probably some

140

00:06:04,969 --> 00:06:02,400

balloons tied together but you know I

141

00:06:07,460 --> 00:06:04,979

implore people to take a look and let us

142

00:06:09,440 --> 00:06:07,470

know what you think and Mersey has a

143

00:06:12,170 --> 00:06:09,450

number of like I said these

144

00:06:14,900 --> 00:06:12,180

too-good-to-be-true kind of UFO videos

145

00:06:16,700 --> 00:06:14,910

because yeah you definitely if you're

146

00:06:19,550 --> 00:06:16,710

not familiar with him in its videos

147

00:06:21,080 --> 00:06:19,560

you'll want to take a look and kind of

148

00:06:23,750 --> 00:06:21,090

decide for yourself do you think he's

149

00:06:26,360 --> 00:06:23,760

hoaxing these things or not yes and for

150

00:06:28,790 --> 00:06:26,370

the listener you can go on podcast UFO

151

00:06:30,740 --> 00:06:28,800

and writing the show notes are all the

152

00:06:34,130 --> 00:06:30,750

links that Alejandro was talking about

153

00:06:36,230 --> 00:06:34,140

so let's move on to the next one the

154

00:06:38,990 --> 00:06:36,240

next one of course we've been posting

155

00:06:40,610 --> 00:06:39,000

some MUFON Case Files written by Roger

156

00:06:43,100 --> 00:06:40,620

Marsh she's their director

157

00:06:45,260 --> 00:06:43,110

of communications and there was a really

158

00:06:47,720 --> 00:06:45,270

interesting photo case that they posted

159

00:06:50,000 --> 00:06:47,730

this is taken in the Ukraine which of

160

00:06:52,210 --> 00:06:50,010

course is so much in the news because of

161

00:06:55,430 --> 00:06:52,220

the fighting going on there

162

00:06:58,280 --> 00:06:55,440

really unfortunate but in the town of is

163

00:07:03,440 --> 00:06:58,290

mile which is right off the Danube River

164

00:07:06,800 --> 00:07:03,450

River on earlier this month or actually

165

00:07:08,840 --> 00:07:06,810

last month July 14th a guy was out on

166

00:07:11,030 --> 00:07:08,850

his balcony took a couple pictures and

167

00:07:14,290 --> 00:07:11,040

he looked at him later and he saw these

168

00:07:17,660 --> 00:07:14,300

weird objects in them now I would say

169

00:07:19,430 --> 00:07:17,670

99% of the time when we get a case hey I

170

00:07:21,200 --> 00:07:19,440

took some pictures and I didn't see

171

00:07:22,970 --> 00:07:21,210

anything at the time but I looked at him

172

00:07:25,190 --> 00:07:22,980

again and I see these weird things

173

00:07:27,050 --> 00:07:25,200

they're usually bugs or birds because

174

00:07:28,730 --> 00:07:27,060

you know if a birds flying by you don't

175

00:07:30,260 --> 00:07:28,740

notice it when you take the picture and

176
00:07:32,660 --> 00:07:30,270
then you forget it was there you don't

177
00:07:34,370 --> 00:07:32,670
even really mentally take note that it

178
00:07:35,030 --> 00:07:34,380
was there and and that's what it appears

179
00:07:36,980 --> 00:07:35,040
to be

180
00:07:38,900 --> 00:07:36,990
however these images they haven't been

181
00:07:42,650 --> 00:07:38,910
analysed yet but they do look really

182
00:07:46,040 --> 00:07:42,660
strange they don't definitively look

183
00:07:47,390 --> 00:07:46,050
like birds which many of these do so I

184
00:07:49,850 --> 00:07:47,400
think there are really some interesting

185
00:07:51,740 --> 00:07:49,860
pictures and I can't wait till someone

186
00:07:54,170 --> 00:07:51,750
takes a look at these yeah I was just

187
00:07:56,810 --> 00:07:54,180
looking up it looks almost like you know

188
00:07:59,210 --> 00:07:56,820

discs like with a dome on top yeah yeah

189

00:08:03,320 --> 00:07:59,220

they look like a silver kind of metallic

190

00:08:06,320 --> 00:08:03,330

object at your typical dome domed disc

191

00:08:08,720 --> 00:08:06,330

so really interesting and maybe it will

192

00:08:11,780 --> 00:08:08,730

never get an answer but they don't

193

00:08:14,660 --> 00:08:11,790

appear to be hoaxed right yep which is

194

00:08:17,540 --> 00:08:14,670

good so pretty cool pictures so what

195

00:08:19,580 --> 00:08:17,550

else is happening so what else of course

196

00:08:21,530 --> 00:08:19,590

we went to the movement symposium I

197

00:08:23,750 --> 00:08:21,540

think we talked about that last week I

198

00:08:27,020 --> 00:08:23,760

said open minds and we got some

199

00:08:30,590 --> 00:08:27,030

interviews and our videographer Michael

200

00:08:33,560 --> 00:08:30,600

Klein put together a great piece on this

201
00:08:35,360 --> 00:08:33,570
the theme was UFOs and the media and

202
00:08:38,510 --> 00:08:35,370
they had some of the best people to talk

203
00:08:41,210 --> 00:08:38,520
on this there and I love this video and

204
00:08:43,760 --> 00:08:41,220
these interviews because they all kind

205
00:08:48,200 --> 00:08:43,770
of I think this it really gives you an

206
00:08:51,290 --> 00:08:48,210
idea of how UFOs and the media works

207
00:08:53,240 --> 00:08:51,300
with UFOs so we interview people like

208
00:08:54,410 --> 00:08:53,250
George Knapp of course who works for

209
00:08:57,650 --> 00:08:54,420
klas he

210
00:08:59,960 --> 00:08:57,660
the area 51 story bob lazar he's been

211
00:09:02,750 --> 00:08:59,970
doing this for decades james fox who did

212
00:09:05,750 --> 00:09:02,760
arguably the best UFO documentary ever

213
00:09:07,850 --> 00:09:05,760

out of the blue you know ben handsome

214

00:09:09,440 --> 00:09:07,860

from fact or faked Roger Marsh the

215

00:09:12,139 --> 00:09:09,450

director who's been a journalist for

216

00:09:14,870 --> 00:09:12,149

many many years so we ended up you know

217

00:09:16,790 --> 00:09:14,880

guys and we asked him you know have you

218

00:09:18,800 --> 00:09:16,800

ever been censored when it comes to UFOs

219

00:09:21,769 --> 00:09:18,810

do you believe there there is censorship

220

00:09:22,970 --> 00:09:21,779

and the answer overwhelmingly oh and of

221

00:09:26,930 --> 00:09:22,980

course Lee Spiegel with the Huffington

222

00:09:29,060 --> 00:09:26,940

Post the base mainstream media covering

223

00:09:31,040 --> 00:09:29,070

UFOs on a regular basis and they all

224

00:09:33,019 --> 00:09:31,050

said no we've never been censored by

225

00:09:34,639 --> 00:09:33,029

someone above we've never had an editor

226

00:09:37,189 --> 00:09:34,649

say you can't cover this

227

00:09:38,920 --> 00:09:37,199

however there they said mostly in the

228

00:09:41,870 --> 00:09:38,930

media their self-censorship because

229

00:09:45,740 --> 00:09:41,880

editors typically don't really care

230

00:09:47,540 --> 00:09:45,750

about UFOs the journalists feel like

231

00:09:49,850 --> 00:09:47,550

they get made fun of from their peers

232

00:09:52,519 --> 00:09:49,860

and that's one of the reasons they don't

233

00:09:54,920 --> 00:09:52,529

cover UFOs so these guys all have to

234

00:09:56,210 --> 00:09:54,930

kind of be courageous enough to say I

235

00:09:58,370 --> 00:09:56,220

don't care if I'm gonna get made fun of

236

00:10:01,850 --> 00:09:58,380

I'm gonna go out and do this and they're

237

00:10:03,680 --> 00:10:01,860

never told no don't do it and in fact a

238

00:10:06,710 --> 00:10:03,690

lot of their stories become popular so

239

00:10:08,689 --> 00:10:06,720

they go out and do it so really

240

00:10:11,660 --> 00:10:08,699

interesting I think that this is a case

241

00:10:15,290 --> 00:10:11,670

it's not so much than being censored by

242

00:10:18,319 --> 00:10:15,300

above but kind of just the social taboo

243

00:10:21,019 --> 00:10:18,329

the stigma of things now george knapp

244

00:10:23,150 --> 00:10:21,029

did say he believes he's been bugged and

245

00:10:25,610 --> 00:10:23,160

some of the people he's interviewed have

246

00:10:27,410 --> 00:10:25,620

been harassed which is interesting of

247

00:10:29,810 --> 00:10:27,420

course he covers our stories on

248

00:10:32,840 --> 00:10:29,820

top-secret projects such as those going

249

00:10:35,540 --> 00:10:32,850

on at area 51 so he was the only one to

250

00:10:37,970 --> 00:10:35,550

speak to that which is interesting and

251

00:10:40,000 --> 00:10:37,980

James Fox I think had some insight

252

00:10:42,439 --> 00:10:40,010

because he works on kind of these

253

00:10:44,030 --> 00:10:42,449

one-off shows kind of these cable

254

00:10:47,329 --> 00:10:44,040

channel shows and stuff like that like

255

00:10:49,160 --> 00:10:47,339

chasing UFOs and his comment which you

256

00:10:50,900 --> 00:10:49,170

know sounds the same throughout most of

257

00:10:53,480 --> 00:10:50,910

these working with TV it's just that the

258

00:10:56,840 --> 00:10:53,490

editors especially in TV just don't

259

00:10:59,629 --> 00:10:56,850

really care about the topic at all their

260

00:11:02,420 --> 00:10:59,639

only interest is viewership and money

261

00:11:06,189 --> 00:11:02,430

and unfortunately that means they have

262

00:11:08,269 --> 00:11:06,199

no interest in accuracy which of course

263

00:11:10,879 --> 00:11:08,279

comes across and

264

00:11:13,850 --> 00:11:10,889

final cut of many of these shows

265

00:11:16,790 --> 00:11:13,860

including chasing UFOs which he was on

266

00:11:18,679 --> 00:11:16,800

and he's very quick to admit that he was

267

00:11:21,470 --> 00:11:18,689

certainly dissatisfied with the way

268

00:11:23,900 --> 00:11:21,480

those came together well I understand on

269

00:11:25,910 --> 00:11:23,910

the cutting room floor that a lot of

270

00:11:29,059 --> 00:11:25,920

things changed in those episodes yeah

271

00:11:31,720 --> 00:11:29,069

Travis Walton he was pretty upset about

272

00:11:34,160 --> 00:11:31,730

what happened to the episode he was in

273

00:11:37,879 --> 00:11:34,170

right yeah really unfortunate because

274

00:11:40,429 --> 00:11:37,889

the real story such as well in all of

275

00:11:43,189 --> 00:11:40,439

these in my opinion and including in

276

00:11:46,879 --> 00:11:43,199

Travis Waltons are much much more

277

00:11:50,030 --> 00:11:46,889

interesting let alone they lend more

278

00:11:52,220 --> 00:11:50,040

insight into the world we actually live

279

00:11:53,960 --> 00:11:52,230

in and I think sometimes egos getting

280

00:11:55,730 --> 00:11:53,970

away when these producers think oh my

281

00:11:57,949 --> 00:11:55,740

creative people or I can come up with

282

00:12:00,470 --> 00:11:57,959

something more interesting no you can

283

00:12:02,809 --> 00:12:00,480

you know it is my answer what you post

284

00:12:06,110 --> 00:12:02,819

is not interesting it's typically cliché

285

00:12:08,720 --> 00:12:06,120

and it would be much more interesting to

286

00:12:10,040 --> 00:12:08,730

get the real story so you can check out

287

00:12:12,290 --> 00:12:10,050

all these stories on our show notes

288

00:12:13,850 --> 00:12:12,300

again at podcast UFO well thank you

289

00:12:14,210 --> 00:12:13,860

Alejandro and we'll talk to you next

290

00:12:16,999 --> 00:12:14,220

week

291

00:12:19,369 --> 00:12:17,009

all right great say hello to Yvonne for

292

00:12:21,829 --> 00:12:19,379

me and we'll talk to you next week

293

00:12:25,549 --> 00:12:21,839

great thanks a lot so hold on to your

294

00:12:27,139 --> 00:12:25,559

hats gather around your computers we're

295

00:12:29,600 --> 00:12:27,149

getting ready for our guests Yvonne

296

00:12:32,090 --> 00:12:29,610

Smith coming right up jump in our chat

297

00:12:33,740 --> 00:12:32,100

room it's an easy signup and we'll be

298

00:13:45,530 --> 00:12:33,750

right back right after this quick music

299

00:13:51,630 --> 00:13:49,590

Yvonne Smith how are you I'm fine how

300

00:13:54,060 --> 00:13:51,640

are you good

301

00:13:56,940 --> 00:13:54,070

you know I I said in the in the intro

302

00:13:59,579 --> 00:13:56,950

there I teased everyone out there about

303

00:14:01,680 --> 00:13:59,589

the story about being in your studio but

304

00:14:04,740 --> 00:14:01,690

I didn't give the details what a bizarre

305

00:14:07,079 --> 00:14:04,750

thing that happened there

306

00:14:11,670 --> 00:14:07,089

yeah and what it was two listening

307

00:14:14,340 --> 00:14:11,680

audiences we I sat down in in your your

308

00:14:15,990 --> 00:14:14,350

studio your office and we recorded a

309

00:14:19,620 --> 00:14:16,000

full session wasn't it yeah we did a

310

00:14:21,600 --> 00:14:19,630

whole show and it this sounds really

311

00:14:23,670 --> 00:14:21,610

really strange and hard to believe but

312

00:14:26,040 --> 00:14:23,680

there was like a chanting in the

313

00:14:28,710 --> 00:14:26,050

background and it was it was really loud

314

00:14:30,720 --> 00:14:28,720

and the craziest thing of it all is I

315

00:14:39,930 --> 00:14:30,730

got so frustrated when I was editing it

316

00:14:49,530 --> 00:14:39,940

that I deleted the whole thing it's gone

317

00:14:53,670 --> 00:14:49,540

I was right there it was very strange

318

00:14:56,699 --> 00:14:53,680

but that's you know that happens many

319

00:14:59,519 --> 00:14:56,709

times during interviews on this subject

320

00:15:01,170 --> 00:14:59,529

so I actually really was not surprised

321

00:15:04,230 --> 00:15:01,180

it was but it was strange

322

00:15:07,769 --> 00:15:04,240

really yes so we're here tonight to talk

323

00:15:10,650 --> 00:15:07,779

about your book and and a few other

324

00:15:12,930 --> 00:15:10,660

things of course but I have actually

325

00:15:17,420 --> 00:15:12,940

been to that hotel the isn't it the del

326

00:15:22,740 --> 00:15:21,030

such a beautiful place but we're going

327

00:15:24,570 --> 00:15:22,750

to talk about and you and I did discuss

328

00:15:27,300 --> 00:15:24,580

this when we spoke before the situation

329

00:15:29,810 --> 00:15:27,310

that happened there back in 1994 I think

330

00:15:32,840 --> 00:15:29,820

wasn't Bill Clinton there and all that

331

00:15:36,750 --> 00:15:32,850

clicking his entourage of Secret Service

332

00:15:41,880 --> 00:15:36,760

we were having a huge UFO conference

333

00:15:46,100 --> 00:15:41,890

that same weekend the triad conference

334

00:15:50,790 --> 00:15:46,110

that at that time it was sponsored by

335

00:15:53,439 --> 00:15:50,800

Robert Bigelow and my colleagues and I

336

00:15:57,429 --> 00:15:53,449

would travel around the country

337

00:16:00,460 --> 00:15:57,439

for the triad conferences so this time

338

00:16:03,249 --> 00:16:00,470

because it was in my backyard in San

339

00:16:05,109 --> 00:16:03,259

Diego they asked me to emcee the

340

00:16:07,289 --> 00:16:05,119

conference which I was happy to do so I

341

00:16:11,199 --> 00:16:07,299

was down there along with several of my

342

00:16:14,409 --> 00:16:11,209

thorough support group members when this

343

00:16:18,519 --> 00:16:14,419

whole this whole thing happened of

344

00:16:22,119 --> 00:16:18,529

course we really didn't grasp the

345

00:16:25,569 --> 00:16:22,129

enormity of the situation that weekend

346

00:16:28,629 --> 00:16:25,579

it wasn't until months and you know a

347

00:16:33,340 --> 00:16:28,639

couple years later when I started

348

00:16:36,549 --> 00:16:33,350

putting together all the pieces Wow now

349

00:16:38,769 --> 00:16:36,559

did it did it come together like when

350

00:16:42,489 --> 00:16:38,779

people often talk about they have dreams

351
00:16:44,470 --> 00:16:42,499
and then you know other people start

352
00:16:48,970 --> 00:16:44,480
talking to each other and how did it all

353
00:16:53,319 --> 00:16:48,980
start out and discovering that something

354
00:16:57,400 --> 00:16:53,329
happened well just gradually just as you

355
00:17:01,059 --> 00:16:57,410
said that weekend in fact it was the

356
00:17:03,279 --> 00:17:01,069
Saturday morning when the conference was

357
00:17:06,699 --> 00:17:03,289
just getting going I believe I may be

358
00:17:11,590 --> 00:17:06,709
introduced one or two speakers and I had

359
00:17:13,149 --> 00:17:11,600
a couple of my serial members of now 0

360
00:17:16,169 --> 00:17:13,159
was close encounter resource

361
00:17:19,870 --> 00:17:16,179
organization which is the support group

362
00:17:22,779 --> 00:17:19,880
they came up to me and you know they

363
00:17:25,029 --> 00:17:22,789

they just they described those one or

364

00:17:27,279 --> 00:17:25,039

two that they were having terrible

365

00:17:30,789 --> 00:17:27,289

headaches you know flu-like symptoms

366

00:17:34,539 --> 00:17:30,799

which is very very typical after an

367

00:17:37,149 --> 00:17:34,549

abduction occurs but of course they

368

00:17:41,879 --> 00:17:37,159

weren't sure you know if something may

369

00:17:46,779 --> 00:17:41,889

have happened but on in one hotel room

370

00:17:52,389 --> 00:17:46,789

this was Mike and his wife he woke up

371

00:17:53,740 --> 00:17:52,399

with blood spots on his pillow and for

372

00:17:57,580 --> 00:17:53,750

many years you kept saying you know I

373

00:18:01,440 --> 00:17:57,590

must have hit my chin on the sink you

374

00:18:04,240 --> 00:18:01,450

know in in the bathroom of the hotel and

375

00:18:06,090 --> 00:18:04,250

Alice who was in the room right next

376

00:18:07,710 --> 00:18:06,100

door to his

377

00:18:08,580 --> 00:18:07,720

kept telling them you know that doesn't

378

00:18:10,919 --> 00:18:08,590

make sense

379

00:18:13,080 --> 00:18:10,929

my house did you say you hit the your

380

00:18:16,320 --> 00:18:13,090

chimba it was a it was a very small

381

00:18:18,120 --> 00:18:16,330

bathroom it's an old hotel they were

382

00:18:20,940 --> 00:18:18,130

seeing at the village in another

383

00:18:23,580 --> 00:18:20,950

landmark there and on Coronado Island

384

00:18:26,190 --> 00:18:23,590

and in walking distance to the del

385

00:18:30,570 --> 00:18:26,200

Coronado there were six people seen in

386

00:18:33,810 --> 00:18:30,580

that village in hotel and so many years

387

00:18:35,700 --> 00:18:33,820

he kept that was his memory and you know

388

00:18:38,519 --> 00:18:35,710

we call it screen memory because that's

389

00:18:40,799 --> 00:18:38,529

not exactly what happened

390

00:18:44,820 --> 00:18:40,809

he actually had blood coming out of his

391

00:18:46,799 --> 00:18:44,830

ear and you know later on went to the

392

00:18:51,210 --> 00:18:46,809

doctor for this and they found a

393

00:18:53,220 --> 00:18:51,220

puncture wound in his ear are you saying

394

00:18:55,740 --> 00:18:53,230

I'm pardon me are you saying that the

395

00:18:58,470 --> 00:18:55,750

people that were involved in this were

396

00:19:01,289 --> 00:18:58,480

at two different locations three

397

00:19:04,799 --> 00:19:01,299

different locations we had because the

398

00:19:08,639 --> 00:19:04,809

del Coronado as you know is expensive

399

00:19:10,889 --> 00:19:08,649

and we had the conference there and

400

00:19:12,810 --> 00:19:10,899

because I was the MC of course I was I

401
00:19:14,370 --> 00:19:12,820
was fortunate enough to have the

402
00:19:17,820 --> 00:19:14,380
conference pay for my room I had a

403
00:19:20,789 --> 00:19:17,830
beautiful room there and I had say there

404
00:19:23,549 --> 00:19:20,799
were three others I remember staying at

405
00:19:26,580 --> 00:19:23,559
the del Coronado then I had two other

406
00:19:28,409 --> 00:19:26,590
people Sam and Gary standing right

407
00:19:31,200 --> 00:19:28,419
across the street from del Coronado in a

408
00:19:35,399 --> 00:19:31,210
small motel then we had the six people

409
00:19:38,190 --> 00:19:35,409
at the Village Inn so it was they were

410
00:19:39,990 --> 00:19:38,200
all staying on the island so it wasn't

411
00:19:43,490 --> 00:19:40,000
necessarily where they were abducted

412
00:19:48,690 --> 00:19:43,500
from just one hotel it occurred

413
00:19:51,899 --> 00:19:48,700

throughout the island which you know

414

00:19:55,289 --> 00:19:51,909

later on I started putting all these

415

00:19:57,299 --> 00:19:55,299

pieces together and meaning you know

416

00:20:00,840 --> 00:19:57,309

several months after the conference I

417

00:20:03,720 --> 00:20:00,850

began doing some hypnosis sessions in

418

00:20:06,000 --> 00:20:03,730

regard to that weekend especially the

419

00:20:09,000 --> 00:20:06,010

ones with Mike because he did have the

420

00:20:11,190 --> 00:20:09,010

physical evidence of the blood and then

421

00:20:14,190 --> 00:20:11,200

Alice who was next door she came away

422

00:20:16,260 --> 00:20:14,200

from that conference with an object in

423

00:20:21,799 --> 00:20:16,270

her shin

424

00:20:25,080 --> 00:20:21,809

and eventually our late dr. Roger Leir

425

00:20:27,990 --> 00:20:25,090

he he took x-rays of it found that there

426
00:20:31,410 --> 00:20:28,000
was something underneath the skin and

427
00:20:34,490 --> 00:20:31,420
eventually Alice decided to have it

428
00:20:38,490 --> 00:20:34,500
removed surgically by dr. Lear's

429
00:20:40,440 --> 00:20:38,500
associate I have the analysis and went

430
00:20:43,320 --> 00:20:40,450
through that and I have the details of

431
00:20:48,380 --> 00:20:43,330
course all in the book that it was Mike

432
00:20:51,660 --> 00:20:48,390
and Alice who really began thinking out

433
00:20:53,610 --> 00:20:51,670
the regression sessions because of their

434
00:20:59,610 --> 00:20:53,620
they felt the physical evidence they

435
00:21:02,310 --> 00:20:59,620
they had from that weekend and had

436
00:21:04,860 --> 00:21:02,320
pictures of the blood on Mike's pillow

437
00:21:07,350 --> 00:21:04,870
I'm so glad he had the frame of mind to

438
00:21:10,950 --> 00:21:07,360

take pictures I always encourage people

439

00:21:16,650 --> 00:21:10,960

to take pictures of evidence like blood

440

00:21:19,080 --> 00:21:16,660

or marks or scars on their bodies they

441

00:21:21,060 --> 00:21:19,090

wake up the game after the morning after

442

00:21:23,790 --> 00:21:21,070

and obviously they didn't have this the

443

00:21:26,910 --> 00:21:23,800

night before it's very important for

444

00:21:29,220 --> 00:21:26,920

everybody listening out there to take

445

00:21:32,640 --> 00:21:29,230

pictures because you may want to look

446

00:21:34,560 --> 00:21:32,650

into your experiences later now this is

447

00:21:39,750 --> 00:21:34,570

how long it took me this happened in

448

00:21:44,100 --> 00:21:39,760

March of 1994 and I began writing about

449

00:21:46,799 --> 00:21:44,110

it several years ago I believe it was I

450

00:21:50,580 --> 00:21:46,809

can't even remember the year I started

451
00:21:53,100 --> 00:21:50,590
writing it was probably late 90s that I

452
00:21:57,450 --> 00:21:53,110
had to put it down because of lights you

453
00:22:00,150 --> 00:21:57,460
know life happens and it just wasn't

454
00:22:02,580 --> 00:22:00,160
ready for the project and it was not

455
00:22:06,240 --> 00:22:02,590
until after my first book chosen was

456
00:22:09,600 --> 00:22:06,250
published in 2008 so I decided to tackle

457
00:22:11,790 --> 00:22:09,610
cornado again but it's so huge because

458
00:22:13,380 --> 00:22:11,800
of so many people being involved in all

459
00:22:16,799 --> 00:22:13,390
the hypnosis sessions and all the

460
00:22:21,690 --> 00:22:16,809
transcripts I actually went down to

461
00:22:23,460 --> 00:22:21,700
Coronado Island 2008 December of 2008 to

462
00:22:27,510 --> 00:22:23,470
spend the weekend there so I can start

463
00:22:29,210 --> 00:22:27,520

researching speak to this story in there

464

00:22:32,779 --> 00:22:29,220

ask about the

465

00:22:36,080 --> 00:22:32,789

the Clinton visit and we took some

466

00:22:38,930 --> 00:22:36,090

pictures my photographer videographer

467

00:22:43,490 --> 00:22:38,940

Laurie Wagner took some beautiful photos

468

00:22:47,720 --> 00:22:43,500

there on the island but it's here it was

469

00:22:51,529 --> 00:22:47,730

here we are 2014 I finally released the

470

00:22:54,919 --> 00:22:51,539

book the end of June 2014 so it took me

471

00:22:59,000 --> 00:22:54,929

all these years all these pieces

472

00:23:02,330 --> 00:22:59,010

together but I felt it was this this

473

00:23:04,370 --> 00:23:02,340

case as this was too important for not

474

00:23:08,470 --> 00:23:04,380

to be presented to the public and I have

475

00:23:13,549 --> 00:23:08,480

a feeling that I'm going to have a

476
00:23:15,770 --> 00:23:13,559
second volume say or a follow-up to this

477
00:23:16,549 --> 00:23:15,780
first book on Coronado because after I

478
00:23:19,520 --> 00:23:16,559
did

479
00:23:21,740 --> 00:23:19,530
coast to coast with George now right

480
00:23:25,100 --> 00:23:21,750
before I left for the Roswell conference

481
00:23:27,440 --> 00:23:25,110
I had a couple people email me telling

482
00:23:31,070 --> 00:23:27,450
me that they recall being on that island

483
00:23:33,890 --> 00:23:31,080
on that same weekend so I'm going to be

484
00:23:36,860 --> 00:23:33,900
interviewing them and as I do more shows

485
00:23:39,560 --> 00:23:36,870
and I think is the book the longer the

486
00:23:39,890 --> 00:23:39,570
book is out and people have a chance to

487
00:23:42,049 --> 00:23:39,900
read it

488
00:23:45,320 --> 00:23:42,059

I have a feeling I'm going to be hearing

489

00:23:49,580 --> 00:23:45,330

from more people it seems to snowball

490

00:23:54,289 --> 00:23:49,590

like that you know if you google del

491

00:23:59,240 --> 00:23:54,299

Coronado hotel what will come up is that

492

00:24:02,450 --> 00:23:59,250

it's haunted yeah that's pretty

493

00:24:03,680 --> 00:24:02,460

interesting now I want to just take a

494

00:24:06,919 --> 00:24:03,690

little bit of a jag here and we'll go

495

00:24:08,390 --> 00:24:06,929

get back to this book but for the

496

00:24:09,350 --> 00:24:08,400

listener this is actually the first time

497

00:24:11,210 --> 00:24:09,360

you've been on the show

498

00:24:15,310 --> 00:24:11,220

second attempt but the first time you've

499

00:24:17,690 --> 00:24:15,320

been on if you can go back and and tell

500

00:24:21,080 --> 00:24:17,700

you know the audience how you got

501
00:24:23,570 --> 00:24:21,090
started and in what your specialty is

502
00:24:25,789 --> 00:24:23,580
and when I was in your office I mean you

503
00:24:30,919 --> 00:24:25,799
had there was people coming in from all

504
00:24:33,529 --> 00:24:30,929
over the country to deal with what they

505
00:24:35,240 --> 00:24:33,539
consider their abduction experiences so

506
00:24:37,520 --> 00:24:35,250
can you go into your background and how

507
00:24:39,350 --> 00:24:37,530
you got into this and and how its

508
00:24:40,560 --> 00:24:39,360
progressed I mean you're pretty busy

509
00:24:44,669 --> 00:24:40,570
aren't you

510
00:24:47,669 --> 00:24:44,679
I'm very busy it's this is so the

511
00:24:51,240 --> 00:24:47,679
abduction phenomenon is so widespread

512
00:24:56,549 --> 00:24:51,250
that I get emails you know when I

513
00:24:58,560 --> 00:24:56,559

started my practice early 90s a 91 we

514

00:25:01,139 --> 00:24:58,570

didn't have the internet like we have

515

00:25:04,470 --> 00:25:01,149

now we were just starting to use email

516

00:25:07,259 --> 00:25:04,480

so when I started my practice we were it

517

00:25:09,360 --> 00:25:07,269

was phone calls you know our phone bills

518

00:25:11,909 --> 00:25:09,370

were were sky-high

519

00:25:17,960 --> 00:25:11,919

because I would get calls from all over

520

00:25:22,860 --> 00:25:17,970

the country but back then in the late

521

00:25:27,090 --> 00:25:22,870

80s is when it was actually my mother

522

00:25:30,740 --> 00:25:27,100

had asked me to go with her to to be at

523

00:25:33,990 --> 00:25:30,750

the time was the whole life Expo and

524

00:25:36,799 --> 00:25:34,000

this was in Pasadena California right

525

00:25:40,379 --> 00:25:36,809

near where I live up in the foothills

526

00:25:42,930 --> 00:25:40,389

but Hawkins at that time during that

527

00:25:44,700 --> 00:25:42,940

conference was lecturing and she she

528

00:25:47,549 --> 00:25:44,710

knew about bud Hoskins my mother was

529

00:25:51,269 --> 00:25:47,559

very very open-minded she read quite a

530

00:25:53,430 --> 00:25:51,279

bit about you know paranormal and in

531

00:25:54,869 --> 00:25:53,440

UFOs and in fact she was the one that

532

00:25:59,369 --> 00:25:54,879

introduced me to the Betty and Barney

533

00:26:02,999 --> 00:25:59,379

Hill case and in Look magazine so I went

534

00:26:06,299 --> 00:26:03,009

with her she was lecture and I was

535

00:26:08,399 --> 00:26:06,309

amazed at what he was presenting he had

536

00:26:11,539 --> 00:26:08,409

his slides and he was talking about you

537

00:26:14,369 --> 00:26:11,549

know what happens to these people and

538

00:26:18,419 --> 00:26:14,379

all the drawings that he had from his

539

00:26:21,749 --> 00:26:18,429

clients and and then the next experience

540

00:26:23,460 --> 00:26:21,759

I had was taking my son - at the time

541

00:26:26,580 --> 00:26:23,470

you know we had all the bookstores

542

00:26:29,369 --> 00:26:26,590

still hit before the internet came in

543

00:26:33,930 --> 00:26:29,379

and took him - at the time crown books

544

00:26:38,159 --> 00:26:33,940

for a school project and I happen to

545

00:26:39,930 --> 00:26:38,169

come across communion Whitly streamers

546

00:26:42,029 --> 00:26:39,940

look I didn't know who at least raver

547

00:26:43,529 --> 00:26:42,039

was and I saw the cover of the book I

548

00:26:46,440 --> 00:26:43,539

thought that was pretty interesting I

549

00:26:48,810 --> 00:26:46,450

picked it up and I read the side jacket

550

00:26:51,119 --> 00:26:48,820

and I I thought well you know I'm going

551
00:26:53,680 --> 00:26:51,129
to buy this book and see what it's all

552
00:26:55,330 --> 00:26:53,690
about I read it in two days and any

553
00:27:04,480 --> 00:26:55,340
who knows may I read anything in two

554
00:27:08,919 --> 00:27:04,490
days you know it just I was amazed at

555
00:27:11,169 --> 00:27:08,929
what people were experiencing I began

556
00:27:14,850 --> 00:27:11,179
studying hypnotherapy I went to college

557
00:27:17,470 --> 00:27:14,860
and at that time as I was studying I

558
00:27:21,730 --> 00:27:17,480
wanted to open my practice to work with

559
00:27:25,299 --> 00:27:21,740
cancer patients when I was gathering my

560
00:27:27,249 --> 00:27:25,309
hours in the clinic I saw a few cancer

561
00:27:29,649 --> 00:27:27,259
patients and it was very rewarding to

562
00:27:31,629 --> 00:27:29,659
work with them so this is what I thought

563
00:27:33,970 --> 00:27:31,639

I was going to specialize in because a

564

00:27:38,139 --> 00:27:33,980

very close family member of mine had

565

00:27:42,190 --> 00:27:38,149

died not too long before that of cancer

566

00:27:45,990 --> 00:27:42,200

he was only 41 years old so when I

567

00:27:51,879 --> 00:27:46,000

started my practice I was so surprised

568

00:27:56,700 --> 00:27:51,889

to find that I was beginning to see

569

00:28:01,480 --> 00:27:56,710

people who were exploring their possible

570

00:28:03,700 --> 00:28:01,490

contact experience so I just thought you

571

00:28:05,769 --> 00:28:03,710

know she would be interesting to maybe

572

00:28:07,869 --> 00:28:05,779

work with some of these abduction cases

573

00:28:11,159 --> 00:28:07,879

I I really thought they were just going

574

00:28:15,190 --> 00:28:11,169

to trickle in every once a while and

575

00:28:17,680 --> 00:28:15,200

didn't realize that years later you know

576

00:28:21,490 --> 00:28:17,690

it makes up about 95 percent of my

577

00:28:24,340 --> 00:28:21,500

practice I began lecturing and doing

578

00:28:26,560 --> 00:28:24,350

shows like yours over the years you know

579

00:28:30,070 --> 00:28:26,570

throughout the 90s and during that time

580

00:28:33,310 --> 00:28:30,080

Liat television shows like encounters

581

00:28:34,560 --> 00:28:33,320

and sightings and so it was you know I

582

00:28:39,279 --> 00:28:34,570

felt like I was being interviewed

583

00:28:44,259 --> 00:28:39,289

constantly about abductions and my work

584

00:28:47,619 --> 00:28:44,269

and so 23 Here I am 23 years later and

585

00:28:50,249 --> 00:28:47,629

and published my second book and we

586

00:28:53,169 --> 00:28:50,259

believe me when I started practicing

587

00:28:56,919 --> 00:28:53,179

hypnotherapy I never dreamed that I

588

00:29:00,129 --> 00:28:56,929

would even you know author a couple

589

00:29:02,980 --> 00:29:00,139

books but I feel like you know when

590

00:29:04,659 --> 00:29:02,990

someone gets put on there gets put on

591

00:29:07,450 --> 00:29:04,669

their path in

592

00:29:10,720 --> 00:29:07,460

this is what happens you know doors open

593

00:29:14,560 --> 00:29:10,730

you begin to experience things like

594

00:29:19,599 --> 00:29:14,570

writing I'm considered a writer now an

595

00:29:24,669 --> 00:29:19,609

author and it's something that I feel

596

00:29:27,879 --> 00:29:24,679

blessed with so an M plus if there's so

597

00:29:33,659 --> 00:29:27,889

much need out there for work like this I

598

00:29:38,139 --> 00:29:33,669

am planning to eventually start a

599

00:29:42,789 --> 00:29:38,149

Institute where I will have workshops

600

00:29:45,789 --> 00:29:42,799

for therapists who wish to work with

601
00:29:48,729 --> 00:29:45,799
abduction cases Wow

602
00:29:50,619 --> 00:29:48,739
now first of all for the live listener

603
00:29:53,859 --> 00:29:50,629
out there you can jump over to podcast

604
00:29:55,720 --> 00:29:53,869
UFO comm and jump in our easy sign in

605
00:30:00,099 --> 00:29:55,730
chat room if you'd like to ask you've on

606
00:30:02,019 --> 00:30:00,109
a question you've on before we get back

607
00:30:06,759 --> 00:30:02,029
into your book one other thing that

608
00:30:09,039 --> 00:30:06,769
comes to mind is it seems like there's a

609
00:30:11,799 --> 00:30:09,049
percentage of the population that are

610
00:30:15,190 --> 00:30:11,809
claiming that they're having some type

611
00:30:17,799 --> 00:30:15,200
of a duct abduction experience and I

612
00:30:20,349 --> 00:30:17,809
mean we're talking I don't know how many

613
00:30:22,899 --> 00:30:20,359

people what do you think about that you

614

00:30:27,460 --> 00:30:22,909

think something is really going on and

615

00:30:34,049 --> 00:30:27,470

like a mass of abductions worldwide or

616

00:30:42,070 --> 00:30:38,169

I'm sorry to interrupt I just came back

617

00:30:45,340 --> 00:30:42,080

from Brazil the big Brazil World

618

00:30:48,479 --> 00:30:45,350

Conference in this past May and as I was

619

00:30:50,919 --> 00:30:48,489

lecturing showing my PowerPoint

620

00:30:52,629 --> 00:30:50,929

presentation and of course you don't

621

00:30:55,149 --> 00:30:52,639

have an interpreter because everybody

622

00:30:58,049 --> 00:30:55,159

there mainly speak Portuguese I had

623

00:31:01,930 --> 00:30:58,059

people coming up to me afterwards and

624

00:31:03,909 --> 00:31:01,940

describing their experience and almost

625

00:31:06,840 --> 00:31:03,919

in tears because something resonated

626
00:31:09,190 --> 00:31:06,850
with them in my slide presentation and

627
00:31:11,259 --> 00:31:09,200
here these people don't even you know

628
00:31:13,450 --> 00:31:11,269
they speak Portuguese Portuguese we

629
00:31:15,489 --> 00:31:13,460
speak English I mean it's and the same

630
00:31:17,120 --> 00:31:15,499
thing when I when I lectured in Italy

631
00:31:21,070 --> 00:31:17,130
when I lectured and

632
00:31:24,140 --> 00:31:21,080
England and so it is definitely

633
00:31:27,170 --> 00:31:24,150
worldwide this is just not in the United

634
00:31:33,470 --> 00:31:27,180
States however you probably know Martin

635
00:31:38,600 --> 00:31:33,480
that in the mid nineties I believe 2002

636
00:31:41,630 --> 00:31:38,610
maybe it was a second Roper poll it it

637
00:31:44,840 --> 00:31:41,640
came out in the results shows that one

638
00:31:46,760 --> 00:31:44,850

in 50 and this is just America you know

639

00:31:51,290 --> 00:31:46,770

in the United States one in 50 American

640

00:31:54,530 --> 00:31:51,300

adults experienced something that could

641

00:31:56,650 --> 00:31:54,540

point to an objection they had they had

642

00:31:59,960 --> 00:31:56,660

some very strange high strangeness

643

00:32:01,670 --> 00:31:59,970

experiences as they you know as they

644

00:32:04,100 --> 00:32:01,680

fill out these questionnaires and one in

645

00:32:08,630 --> 00:32:04,110

50 can you I mean think about that one

646

00:32:10,450 --> 00:32:08,640

in 50 American adults amazing say so

647

00:32:14,750 --> 00:32:10,460

well they're not even talking about

648

00:32:18,080 --> 00:32:14,760

worldwide but it convinced because of

649

00:32:22,310 --> 00:32:18,090

all the years I've lectured and spoken

650

00:32:24,620 --> 00:32:22,320

to people in other countries what I've

651
00:32:27,890 --> 00:32:24,630
spoken to them one-on-one in private

652
00:32:30,820 --> 00:32:27,900
this definitely is a worldwide

653
00:32:34,670 --> 00:32:30,830
experience so it's it is more widespread

654
00:32:38,150 --> 00:32:34,680
than the average person would want to

655
00:32:40,940 --> 00:32:38,160
really know I think people want to keep

656
00:32:44,150 --> 00:32:40,950
their heads in the sand because it is

657
00:32:46,310 --> 00:32:44,160
much too frightening to think about

658
00:32:51,850 --> 00:32:46,320
something that we don't have any control

659
00:32:55,640 --> 00:32:51,860
over coming down and you know engaging

660
00:32:58,040 --> 00:32:55,650
that's right we have we have a question

661
00:33:01,280 --> 00:32:58,050
up a couple of questions up on the

662
00:33:05,420 --> 00:33:01,290
message board but I wanted to ask you

663
00:33:08,780 --> 00:33:05,430

first what is the steps for someone to

664

00:33:12,860 --> 00:33:08,790

actually make it to your couch you know

665

00:33:15,680 --> 00:33:12,870

I mean do does do they get referred to

666

00:33:17,990 --> 00:33:15,690

you by someone do they go to their own

667

00:33:20,540 --> 00:33:18,000

therapists and talk about what's going

668

00:33:26,050 --> 00:33:20,550

on and somehow you get connected there

669

00:33:30,480 --> 00:33:26,060

how does that work now with the internet

670

00:33:34,850 --> 00:33:30,490

it's much easier I have a Facebook page

671

00:33:36,869 --> 00:33:34,860

about my work I also have my the

672

00:33:38,850 --> 00:33:36,879

organization that branched out from

673

00:33:42,269 --> 00:33:38,860

Cyril the support group called

674

00:33:44,519 --> 00:33:42,279

zero international for the purpose of

675

00:33:48,029 --> 00:33:44,529

bringing in speakers from all over the

676

00:33:49,649 --> 00:33:48,039

world to keep this subject in the

677

00:33:53,430 --> 00:33:49,659

forefront and to educate the general

678

00:33:56,399 --> 00:33:53,440

public in mainstream media so they can

679

00:34:03,960 --> 00:33:56,409

go to now either Facebook or they can go

680

00:34:05,730 --> 00:34:03,970

to WWE or international comm and has my

681

00:34:08,010 --> 00:34:05,740

contact information there

682

00:34:10,290 --> 00:34:08,020

I've also as you mentioned I've also had

683

00:34:14,700 --> 00:34:10,300

referrals from many therapists and

684

00:34:17,339 --> 00:34:14,710

medical doctors because they they don't

685

00:34:19,319 --> 00:34:17,349

know what to do with this with the

686

00:34:23,639 --> 00:34:19,329

subject and they don't know really how

687

00:34:26,609 --> 00:34:23,649

to handle someone who is talking about

688

00:34:29,430 --> 00:34:26,619

you know seeing a UFO or having contact

689

00:34:32,940 --> 00:34:29,440

with with this occupants and this is why

690

00:34:36,270 --> 00:34:32,950

I do that's one of my goals is to begin

691

00:34:38,790 --> 00:34:36,280

to train therapists to do this because

692

00:34:43,050 --> 00:34:38,800

we certainly need people all over the

693

00:34:46,500 --> 00:34:43,060

country and we've already lost my mentor

694

00:34:48,569 --> 00:34:46,510

but Hopkins and and dr. John Knack who

695

00:34:51,000 --> 00:34:48,579

like lectured with and it's you know

696

00:34:56,369 --> 00:34:51,010

David Jacobs is on the East Coast and

697

00:34:59,609 --> 00:34:56,379

I'm here so the internet now has of

698

00:35:01,650 --> 00:34:59,619

course made it much easier to connect I

699

00:35:04,710 --> 00:35:01,660

mean I get emails from people all over

700

00:35:06,870 --> 00:35:04,720

the world about this so you know they

701
00:35:09,120 --> 00:35:06,880
get sort of zero international calm and

702
00:35:11,220 --> 00:35:09,130
then they can see the events that we

703
00:35:15,890 --> 00:35:11,230
have coming up in September we have

704
00:35:19,829 --> 00:35:15,900
Grant Cameron coming in from Canada and

705
00:35:24,510 --> 00:35:19,839
one of the say very quickly is that we

706
00:35:26,220 --> 00:35:24,520
I'm going to be lecturing in the the

707
00:35:30,210 --> 00:35:26,230
contact in the desert conference is

708
00:35:33,150 --> 00:35:30,220
coming weekend in Joshua Tree I'll be

709
00:35:36,210 --> 00:35:33,160
presenting my my work that I've done on

710
00:35:40,440 --> 00:35:36,220
my book and also doing a workshop this

711
00:35:42,180 --> 00:35:40,450
coming Sunday or abductees for people

712
00:35:43,359 --> 00:35:42,190
who want to sit and share with each

713
00:35:45,039 --> 00:35:43,369

other so

714

00:35:46,569 --> 00:35:45,049

it's going to be an experience recession

715

00:35:48,249 --> 00:35:46,579

that I'm going to be doing over the

716

00:35:50,650 --> 00:35:48,259

weekend Wow

717

00:35:53,739 --> 00:35:50,660

well that's great we do have a bunch of

718

00:35:55,390 --> 00:35:53,749

questions that have come up on the

719

00:35:57,849 --> 00:35:55,400

message board a quick one from me and

720

00:36:00,099 --> 00:35:57,859

then I'll start asking the ones that are

721

00:36:02,910 --> 00:36:00,109

up there is if you had to put a

722

00:36:06,519 --> 00:36:02,920

percentage on how many people saw a UFO

723

00:36:09,400 --> 00:36:06,529

before their abduction or had seen a UFO

724

00:36:11,859 --> 00:36:09,410

at one time and we're talking about an

725

00:36:15,660 --> 00:36:11,869

abduction experience or experiences

726
00:36:20,920 --> 00:36:15,670
ongoing what would that percentage be I

727
00:36:25,210 --> 00:36:20,930
would say over fifty percent the people

728
00:36:27,700 --> 00:36:25,220
who had a sighting the small percentage

729
00:36:30,549 --> 00:36:27,710
that that never have but feel that

730
00:36:32,890 --> 00:36:30,559
something strange is happening to them

731
00:36:33,430 --> 00:36:32,900
but I would say oh well over fifty

732
00:36:36,430 --> 00:36:33,440
percent

733
00:36:40,630 --> 00:36:36,440
Wow okay and so here's some questions

734
00:36:44,289 --> 00:36:40,640
coming at you does you Vaughn have any

735
00:36:51,579 --> 00:36:44,299
opinion or theory on why the abductions

736
00:36:56,680 --> 00:36:51,589
occur oh my gosh all the time is it such

737
00:36:59,200 --> 00:36:56,690
a million dollar question right now I

738
00:37:04,380 --> 00:36:59,210

mean over the last 23 years I can say

739

00:37:07,569 --> 00:37:04,390

now that the abductions are occurring

740

00:37:11,829 --> 00:37:07,579

because the alien beings and whoever

741

00:37:14,859 --> 00:37:11,839

they are have have an agenda they're

742

00:37:18,309 --> 00:37:14,869

very interested in our DNA and

743

00:37:22,170 --> 00:37:18,319

reproductive system they they definitely

744

00:37:25,749 --> 00:37:22,180

have a hybridization program going

745

00:37:29,289 --> 00:37:25,759

creating hybrids half-human half-alien I

746

00:37:32,170 --> 00:37:29,299

couldn't have said this 20 years ago I'm

747

00:37:38,380 --> 00:37:32,180

convinced now that that is very central

748

00:37:40,900 --> 00:37:38,390

to to their to their agenda to what they

749

00:37:42,430 --> 00:37:40,910

need to accomplish whatever that is and

750

00:37:44,950 --> 00:37:42,440

hopefully they're not going to pack up

751
00:37:47,410 --> 00:37:44,960
their bags and leave without giving us

752
00:37:48,460 --> 00:37:47,420
more information and explaining why

753
00:37:53,259 --> 00:37:48,470
they're doing this

754
00:37:55,370 --> 00:37:53,269
I also over the years have in working

755
00:37:58,910 --> 00:37:55,380
with abductees

756
00:38:05,559 --> 00:37:58,920
there also seems to be a sense of the

757
00:38:09,529 --> 00:38:05,569
alien beings are trying to teach us to

758
00:38:15,589 --> 00:38:09,539
elevate our our higher consciousness our

759
00:38:19,970 --> 00:38:15,599
spiritual our spiritual sense of

760
00:38:22,759 --> 00:38:19,980
ourselves it just seems that they've

761
00:38:26,089 --> 00:38:22,769
been getting these the objectives that

762
00:38:31,400 --> 00:38:26,099
have been receiving these messages about

763
00:38:34,519 --> 00:38:31,410

this you know whether that's true I mean

764

00:38:37,640 --> 00:38:34,529

the the abductors really don't give much

765

00:38:40,970 --> 00:38:37,650

information and certainly not detailed

766

00:38:44,599 --> 00:38:40,980

information about what they're doing but

767

00:38:48,109 --> 00:38:44,609

they seem to be concerned about our

768

00:38:51,470 --> 00:38:48,119

spiritual well-being and I also you know

769

00:38:52,249 --> 00:38:51,480

when you think back if it's a 63 you

770

00:38:55,039 --> 00:38:52,259

know I know

771

00:38:58,069 --> 00:38:55,049

Captain Robert solace very well when the

772

00:39:01,009 --> 00:38:58,079

UFO flew over Malstrom

773

00:39:06,559 --> 00:39:01,019

Air Force Base and turned off the 10 of

774

00:39:09,079 --> 00:39:06,569

his ICBM you know missiles they also are

775

00:39:11,809 --> 00:39:09,089

very concerned about what we're doing

776

00:39:14,960 --> 00:39:11,819

down here with our weaponry so I think

777

00:39:20,089 --> 00:39:14,970

that does tie in with our spiritual

778

00:39:23,900 --> 00:39:20,099

growth and so you know it's it's very so

779

00:39:26,120 --> 00:39:23,910

difficult to explain what their what

780

00:39:29,650 --> 00:39:26,130

their motive is in just a simple

781

00:39:32,539 --> 00:39:29,660

sentence I mean so much of it is still

782

00:39:34,460 --> 00:39:32,549

speculative because they as I as I

783

00:39:38,630 --> 00:39:34,470

mentioned before they really they have

784

00:39:41,740 --> 00:39:38,640

not told me their exact mission what

785

00:39:46,400 --> 00:39:41,750

their mission is but just from my

786

00:39:48,319 --> 00:39:46,410

personal cases and experience working

787

00:39:52,160 --> 00:39:48,329

with all these wonderful people who have

788

00:39:54,109 --> 00:39:52,170

come forward this is what I'm starting

789

00:39:57,019 --> 00:39:54,119

to I'm starting to form a picture on

790

00:39:59,539 --> 00:39:57,029

this but we'll see I mean time will tell

791

00:40:04,249 --> 00:39:59,549

Martin I just hope that we will have

792

00:40:06,049 --> 00:40:04,259

answers you know in our lifetime if it

793

00:40:08,029 --> 00:40:06,059

helps you know when we cross over

794

00:40:08,660 --> 00:40:08,039

maybe we'll have the answers I don't

795

00:40:15,890 --> 00:40:08,670

know

796

00:40:18,620 --> 00:40:15,900

for that question yeah and you you've

797

00:40:20,329 --> 00:40:18,630

been working with all these people you

798

00:40:22,609 --> 00:40:20,339

really feel comfortable with what you

799

00:40:24,770 --> 00:40:22,619

just said you will actually think that

800

00:40:26,630 --> 00:40:24,780

these with all the information you've

801
00:40:29,839 --> 00:40:26,640
gathered from all these hundreds of

802
00:40:34,609 --> 00:40:29,849
people in your opinion that's what you

803
00:40:39,430 --> 00:40:34,619
think is happening you know I I can't

804
00:40:43,160 --> 00:40:39,440
it's not set in stone but it seems that

805
00:40:51,049 --> 00:40:43,170
hybridization definitely that program is

806
00:40:53,230 --> 00:40:51,059
is you know still going on and the alien

807
00:40:57,859 --> 00:40:53,240
beings be concerned with our spiritual

808
00:41:00,710 --> 00:40:57,869
growth our spiritual welfare and the

809
00:41:02,359 --> 00:41:00,720
part that you know they've been like for

810
00:41:04,010 --> 00:41:02,369
a very long time they've been worried

811
00:41:08,569 --> 00:41:04,020
about what we're doing out down here

812
00:41:11,630 --> 00:41:08,579
with our weaponry and so because I could

813
00:41:13,819 --> 00:41:11,640

affect the rest of the universe and it's

814

00:41:16,309 --> 00:41:13,829

totally understandable but like I said

815

00:41:20,030 --> 00:41:16,319

this is not this is just speculation

816

00:41:22,910 --> 00:41:20,040

because this is just from what I have

817

00:41:24,470 --> 00:41:22,920

found from my cases and some people that

818

00:41:28,549 --> 00:41:24,480

I've worked with I mean I've worked with

819

00:41:30,829 --> 00:41:28,559

hundreds of people over the years right

820

00:41:32,809 --> 00:41:30,839

you know I hope we can get back to your

821

00:41:36,910 --> 00:41:32,819

book because we have a lot of questions

822

00:41:39,620 --> 00:41:36,920

rolling it and we'll tie it in somewhere

823

00:41:45,020 --> 00:41:39,630

so I'm going to go through these in

824

00:41:47,750 --> 00:41:45,030

order someone wants me to ask you who

825

00:41:51,230 --> 00:41:47,760

has read and researched everything could

826

00:41:53,569 --> 00:41:51,240

be for the subject I'm sorry I'm gonna

827

00:41:55,730 --> 00:41:53,579

read this over again Martin asked her if

828

00:41:58,760 --> 00:41:55,740

someone who has read and researched

829

00:41:59,539 --> 00:41:58,770

everything could be a subject for

830

00:42:03,740 --> 00:41:59,549

hypnosis

831

00:42:05,569 --> 00:42:03,750

I think the person's asking if how would

832

00:42:09,470 --> 00:42:05,579

they know if there could be if they

833

00:42:12,170 --> 00:42:09,480

could be a subject for hypnosis they

834

00:42:15,779 --> 00:42:12,180

could be a subject to find out whether

835

00:42:21,719 --> 00:42:20,159

well if people I don't know people just

836

00:42:25,219 --> 00:42:21,729

trying to say I think you start he may

837

00:42:29,219 --> 00:42:25,229

be trying to say if people have read

838

00:42:32,989 --> 00:42:29,229

about UFOs and UFO abduction if they've

839

00:42:35,069 --> 00:42:32,999

been contaminated by what they've read

840

00:42:37,649 --> 00:42:35,079

you know of course it makes it a little

841

00:42:41,039 --> 00:42:37,659

bit more difficult but even though and

842

00:42:44,249 --> 00:42:41,049

I've had people you know reading on the

843

00:42:45,839 --> 00:42:44,259

subject because they're trying to look

844

00:42:48,839 --> 00:42:45,849

for answers and that's totally

845

00:42:52,620 --> 00:42:48,849

understandable I feel that knowledge is

846

00:42:56,149 --> 00:42:52,630

power so even if someone has been has

847

00:43:00,719 --> 00:42:56,159

been reading up on abductions and UFOs

848

00:43:04,439 --> 00:43:00,729

when when they go into hypnotic

849

00:43:06,889 --> 00:43:04,449

regression and those they begin to

850

00:43:11,989 --> 00:43:06,899

relive their own experiences and the

851
00:43:14,749 --> 00:43:11,999
emotions Wells up and the tears come

852
00:43:18,029 --> 00:43:14,759
they realize that what they're

853
00:43:19,889 --> 00:43:18,039
experiencing or reliving is something

854
00:43:23,370 --> 00:43:19,899
very real it's not something that

855
00:43:27,719 --> 00:43:23,380
they've read so I feel I could tell the

856
00:43:30,449 --> 00:43:27,729
difference you know with people and and

857
00:43:33,599 --> 00:43:30,459
most people yes can absolutely be

858
00:43:37,199 --> 00:43:33,609
hypnotized you just have to make up your

859
00:43:39,329 --> 00:43:37,209
mind that you're going to allow me or

860
00:43:42,329 --> 00:43:39,339
whoever you're working with to be your

861
00:43:45,059 --> 00:43:42,339
facilitator hypnosis is very safe

862
00:43:47,879 --> 00:43:45,069
there's no drugs views there's no mind

863
00:43:51,209 --> 00:43:47,889

control it's a very deep state of

864

00:43:54,409 --> 00:43:51,219

relaxation I access the subconscious

865

00:43:57,949 --> 00:43:54,419

mind where all of these 10 memories are

866

00:44:01,229 --> 00:43:57,959

are buried I'm not talking about just

867

00:44:03,449 --> 00:44:01,239

PTSD people I've worked with from the

868

00:44:05,299 --> 00:44:03,459

military or people have had terrible car

869

00:44:08,929 --> 00:44:05,309

accidents and people who have been

870

00:44:12,989 --> 00:44:08,939

physically or sexually abused it's all

871

00:44:17,370 --> 00:44:12,999

PTSD it's you know suffering a trauma it

872

00:44:21,769 --> 00:44:17,380

does it does help and heal the person as

873

00:44:25,379 --> 00:44:21,779

they bring the memory forward right okay

874

00:44:27,839 --> 00:44:25,389

this is kind of a long one here and it's

875

00:44:28,800 --> 00:44:27,849

sort of a statement but looking for your

876

00:44:31,980 --> 00:44:28,810

reaction to

877

00:44:34,920 --> 00:44:31,990

and and this is also from the chat room

878

00:44:38,460 --> 00:44:34,930

message board it always struck me as odd

879

00:44:41,370 --> 00:44:38,470

that these beings who can traverse the

880

00:44:43,620 --> 00:44:41,380

universe with technology hundreds or

881

00:44:46,320 --> 00:44:43,630

thousands of years ahead of us need to

882

00:44:48,930 --> 00:44:46,330

do something as archaic as physically

883

00:44:50,550 --> 00:44:48,940

abduct in probe people you would think

884

00:44:52,830 --> 00:44:50,560

they could manufacture anything they

885

00:44:54,960 --> 00:44:52,840

might need and not have to travel all

886

00:44:57,590 --> 00:44:54,970

the way here for whatever they need and

887

00:45:00,600 --> 00:44:57,600

what's your opinion about that comment

888

00:45:04,110 --> 00:45:00,610

you'd think so and and you know I tried

889

00:45:10,170 --> 00:45:04,120

this many many times before over the

890

00:45:13,170 --> 00:45:10,180

years that we're looking at it as from a

891

00:45:15,180 --> 00:45:13,180

human standpoint you know we don't know

892

00:45:19,380 --> 00:45:15,190

who they are or what their people were

893

00:45:21,990 --> 00:45:19,390

not capable of obviously they need our

894

00:45:24,720 --> 00:45:22,000

material they need our blood where they

895

00:45:29,340 --> 00:45:24,730

need our sperm they need our OVA to

896

00:45:32,700 --> 00:45:29,350

create these hybrid beings and you know

897

00:45:35,520 --> 00:45:32,710

they may not be traversing millions of

898

00:45:38,820 --> 00:45:35,530

miles I mean it could just be they

899

00:45:41,850 --> 00:45:38,830

stepped into you know these unzip and

900

00:45:45,620 --> 00:45:41,860

they step right into our world USA the

901
00:45:49,110 --> 00:45:45,630
parallel universe you know we don't know

902
00:45:53,310 --> 00:45:49,120
many of the scientists I've heard say oh

903
00:45:55,140 --> 00:45:53,320
you know it's impossible for them to

904
00:45:57,150 --> 00:45:55,150
travel this far and why would they

905
00:45:59,730 --> 00:45:57,160
travel you know and just abduct people

906
00:46:05,520 --> 00:45:59,740
and but they as I mentioned before when

907
00:46:08,460 --> 00:46:05,530
I listen to me shukaku you know it see

908
00:46:11,400 --> 00:46:08,470
it you can bend time and space so they

909
00:46:14,100 --> 00:46:11,410
may not be maybe may not have to travel

910
00:46:16,650 --> 00:46:14,110
millions of miles I mean they just could

911
00:46:18,480 --> 00:46:16,660
be right here zip in and out

912
00:46:20,760 --> 00:46:18,490
we don't know I mean we're looking at

913
00:46:23,810 --> 00:46:20,770

this and obviously we don't know and

914

00:46:29,220 --> 00:46:23,820

we're looking at this we can't help it

915

00:46:32,220 --> 00:46:29,230

with what we know and but all I know and

916

00:46:35,160 --> 00:46:32,230

all I can say is that this is a real

917

00:46:37,650 --> 00:46:35,170

experience it is a physical experience

918

00:46:39,589 --> 00:46:37,660

people are being taken from their homes

919

00:46:42,049 --> 00:46:39,599

from the cars there

920

00:46:44,150 --> 00:46:42,059

the fact that they are examined they've

921

00:46:47,439 --> 00:46:44,160

been followed throughout their lives it

922

00:46:51,680 --> 00:46:47,449

is an intergenerational experience

923

00:46:55,999 --> 00:46:51,690

they're very very interested in family

924

00:46:57,799 --> 00:46:56,009

lines and you know when I interview one

925

00:47:00,469 --> 00:46:57,809

or two people come into my office

926
00:47:02,089 --> 00:47:00,479
I know when saying we're not you people

927
00:47:03,739 --> 00:47:02,099
from the same family I know I'm going to

928
00:47:06,289 --> 00:47:03,749
be interviewing and working with other

929
00:47:11,749 --> 00:47:06,299
family members because it is a family

930
00:47:16,309 --> 00:47:11,759
affair so if you know this is isn't and

931
00:47:21,049 --> 00:47:16,319
I could only speak with what I know from

932
00:47:24,439 --> 00:47:21,059
my research in my cases but my goal is

933
00:47:26,449 --> 00:47:24,449
is to keep talking about this so doing

934
00:47:28,370 --> 00:47:26,459
shows like yours Martin to you know

935
00:47:31,849 --> 00:47:28,380
bring this keep bringing this out into

936
00:47:35,870 --> 00:47:31,859
the open so that people no longer have

937
00:47:39,439 --> 00:47:35,880
to be afraid to talk about you know even

938
00:47:41,150 --> 00:47:39,449

if they had a sighting no longer afraid

939

00:47:42,680 --> 00:47:41,160

where they're gonna lose standing in the

940

00:47:46,099 --> 00:47:42,690

community they're gonna lose their jobs

941

00:47:50,029 --> 00:47:46,109

if that's outrageous just because they

942

00:47:52,430 --> 00:47:50,039

talk about a UFO and to me it violates

943

00:47:54,859 --> 00:47:52,440

someone's civil rights when they can't

944

00:47:57,109 --> 00:47:54,869

talk about this and they're afraid that

945

00:47:58,670 --> 00:47:57,119

they're gonna lose everything and that

946

00:48:01,209 --> 00:47:58,680

they built up in their lives just

947

00:48:03,499 --> 00:48:01,219

because it's a UFO it is just ridiculous

948

00:48:06,739 --> 00:48:03,509

yeah it's it's something they have to

949

00:48:08,870 --> 00:48:06,749

deal with another question out there and

950

00:48:10,609 --> 00:48:08,880

we have about like nine minutes so I

951
00:48:12,109 --> 00:48:10,619
just want to jump back to your book so

952
00:48:14,900 --> 00:48:12,119
let's just burn quickly through these

953
00:48:17,719 --> 00:48:14,910
three questions right here of the

954
00:48:21,380 --> 00:48:17,729
contactee population what percentage are

955
00:48:26,059 --> 00:48:21,390
you thinking suffers from a

956
00:48:29,630 --> 00:48:26,069
post-traumatic stress disorder well the

957
00:48:32,630 --> 00:48:29,640
people who come to me all suffer from

958
00:48:36,680 --> 00:48:32,640
PTSD that's why they're coming to me for

959
00:48:38,900 --> 00:48:36,690
help now I know that there are people

960
00:48:41,660 --> 00:48:38,910
there out there that have said they have

961
00:48:44,390 --> 00:48:41,670
you know all positive experiences and

962
00:48:47,329 --> 00:48:44,400
that's wonderful and I hope that really

963
00:48:49,299 --> 00:48:47,339

is true for them but I would say you

964

00:48:52,570 --> 00:48:49,309

know a hundred percent of course of my

965

00:48:56,170 --> 00:48:52,580

my clients of my cases

966

00:48:59,730 --> 00:48:56,180

all suffered from PTSD right yeah

967

00:49:03,930 --> 00:48:59,740

okay do you see a connection between

968

00:49:10,050 --> 00:49:03,940

abductees and other paranormal activity

969

00:49:11,860 --> 00:49:10,060

there seems to be a overlapping of

970

00:49:14,760 --> 00:49:11,870

someone who's had an abduction

971

00:49:17,410 --> 00:49:14,770

experience and having paranormal

972

00:49:20,200 --> 00:49:17,420

activity around them around their house

973

00:49:23,530 --> 00:49:20,210

now you know we don't know what came

974

00:49:26,320 --> 00:49:23,540

first the chicken or the egg but you

975

00:49:28,360 --> 00:49:26,330

know it may be that having an abduction

976

00:49:31,890 --> 00:49:28,370

experience or having a paranormal

977

00:49:35,470 --> 00:49:31,900

experience may have opened them up to

978

00:49:38,100 --> 00:49:35,480

these all these experiences but I know

979

00:49:42,340 --> 00:49:38,110

that over the years people talk about

980

00:49:44,640 --> 00:49:42,350

having you know the typical paranormal

981

00:49:48,070 --> 00:49:44,650

lights going off and on toilets flushing

982

00:49:49,870 --> 00:49:48,080

and and it would be we've discussed this

983

00:49:53,560 --> 00:49:49,880

in the support group meeting so it's

984

00:49:56,950 --> 00:49:53,570

from you know it's another it's another

985

00:49:59,440 --> 00:49:56,960

mystery some of it makes me almost think

986

00:50:01,140 --> 00:49:59,450

that some of this if this is really

987

00:50:02,860 --> 00:50:01,150

going on that this some of this could be

988

00:50:07,300 --> 00:50:02,870

interdimensional just as easy as

989

00:50:09,070 --> 00:50:07,310

anything else you know it's you know who

990

00:50:11,170 --> 00:50:09,080

knows if I'll ever have the answer like

991

00:50:12,550 --> 00:50:11,180

you said one last question from the

992

00:50:15,550 --> 00:50:12,560

message board then we'll go back to your

993

00:50:20,040 --> 00:50:15,560

book have you been able to identify any

994

00:50:26,950 --> 00:50:24,190

subduction trends I'm not sure what what

995

00:50:29,530 --> 00:50:26,960

they mean by abduction trends things has

996

00:50:32,140 --> 00:50:29,540

have things changed let's just say have

997

00:50:35,230 --> 00:50:32,150

things changed in the abductions the way

998

00:50:37,090 --> 00:50:35,240

they've been happening reported to you

999

00:50:43,080 --> 00:50:37,100

over the last several years that you've

1000

00:50:45,970 --> 00:50:43,090

been doing this they don't think this

1001
00:50:50,020 --> 00:50:45,980
experience is the same it's all very

1002
00:50:52,750 --> 00:50:50,030
similar it's those who give them the the

1003
00:50:55,330 --> 00:50:52,760
hint you know they're having bits and

1004
00:50:59,140 --> 00:50:55,340
pieces of Mamre coming up very vivid

1005
00:51:02,200 --> 00:50:59,150
dreams or nightmares they're they still

1006
00:51:04,480 --> 00:51:02,210
they still seem to be or are very

1007
00:51:07,900 --> 00:51:04,490
interested in our DNA

1008
00:51:11,500 --> 00:51:07,910
there there people are taken aboard and

1009
00:51:15,760 --> 00:51:11,510
they're shown these very strange babies

1010
00:51:18,730 --> 00:51:15,770
or children sometimes they are shown the

1011
00:51:21,330 --> 00:51:18,740
would say the control room you know I'm

1012
00:51:24,340 --> 00:51:21,340
just given a tour of the control room

1013
00:51:28,260 --> 00:51:24,350

they are taking a course to examination

1014

00:51:33,730 --> 00:51:28,270

room they are shown at some point

1015

00:51:35,980 --> 00:51:33,740

pictures of devastation perhaps to see

1016

00:51:39,900 --> 00:51:35,990

what their reaction is or to give us a

1017

00:51:42,370 --> 00:51:39,910

warning it certainly the abduction

1018

00:51:43,960 --> 00:51:42,380

experiences have not slowed down so I

1019

00:51:46,480 --> 00:51:43,970

had that I've been asked that as well

1020

00:51:49,750 --> 00:51:46,490

and and I do not find that they have

1021

00:51:53,970 --> 00:51:49,760

slowed down okay very good so we have

1022

00:52:01,600 --> 00:51:58,690

so let's get back to that and can you

1023

00:52:04,750 --> 00:52:01,610

give more of I know we have such a short

1024

00:52:10,680 --> 00:52:04,760

time but kind of what the general is and

1025

00:52:18,640 --> 00:52:16,000

it's basically sharing with the public

1026

00:52:21,400 --> 00:52:18,650

about this one just one case I know

1027

00:52:22,750 --> 00:52:21,410

there's many about the mass abductions

1028

00:52:26,200 --> 00:52:22,760

it just doesn't happen to one or two

1029

00:52:30,880 --> 00:52:26,210

people but this happened on an island

1030

00:52:32,920 --> 00:52:30,890

during a UFO conference when President

1031

00:52:35,140 --> 00:52:32,930

Clinton was also on the island the

1032

00:52:40,990 --> 00:52:35,150

island was swarming with the Secret

1033

00:52:44,830 --> 00:52:41,000

Service agents and yet these dozen or

1034

00:52:47,950 --> 00:52:44,840

more people were abducted now the

1035

00:52:51,220 --> 00:52:47,960

question is were the were the alien

1036

00:52:53,170 --> 00:52:51,230

beings just doing this to prove that

1037

00:52:55,570 --> 00:52:53,180

they that they have control over this

1038

00:52:58,120 --> 00:52:55,580

experience what are their Secret Service

1039

00:53:00,040 --> 00:52:58,130

or anyone else around they're able to do

1040

00:53:03,670 --> 00:53:00,050

this under the nose of the President

1041

00:53:07,020 --> 00:53:03,680

or was the president there because he

1042

00:53:10,390 --> 00:53:07,030

was briefed on what was going to happen

1043

00:53:12,099 --> 00:53:10,400

you know that's that's speculation of

1044

00:53:16,140 --> 00:53:12,109

course but it was just he was just a

1045

00:53:21,240 --> 00:53:16,150

very strange set of circumstances

1046

00:53:22,950 --> 00:53:21,250

I think Clinton you know I think Clinton

1047

00:53:25,049 --> 00:53:22,960

has a passing interest in this whole

1048

00:53:27,559 --> 00:53:25,059

thing and he's sort of denied it you

1049

00:53:29,309 --> 00:53:27,569

know recently in a talk on a talk show

1050

00:53:33,839 --> 00:53:29,319

with Jimmy Kimmel

1051

00:53:37,109 --> 00:53:33,849

but I think it really does have a you

1052

00:53:39,000 --> 00:53:37,119

know he has you know spoken about it and

1053

00:53:41,579 --> 00:53:39,010

you know I think he has more of an

1054

00:53:44,430 --> 00:53:41,589

interest in it than he leads on I think

1055

00:53:47,730 --> 00:53:44,440

so too and I it was very strange as that

1056

00:53:50,039 --> 00:53:47,740

and I have I present that that segment

1057

00:53:53,430 --> 00:53:50,049

on Jimmy Kimmel in my powerpoint that

1058

00:53:56,670 --> 00:53:53,440

this happened with Jimmy Kimmel in April

1059

00:53:58,829 --> 00:53:56,680

and my book was coming out in June and I

1060

00:53:59,579 --> 00:53:58,839

thought oh my god what you know what

1061

00:54:02,789 --> 00:53:59,589

timing

1062

00:54:05,220 --> 00:54:02,799

so I wanted to show I want to show

1063

00:54:07,650 --> 00:54:05,230

everyone who has not seen the interview

1064

00:54:11,099 --> 00:54:07,660

with him about what he says about UFOs

1065

00:54:14,599 --> 00:54:11,109

that I I have the impression as well and

1066

00:54:18,329 --> 00:54:14,609

and Ben Hansen does a very brilliant

1067

00:54:19,920 --> 00:54:18,339

analysis of his body language during

1068

00:54:23,250 --> 00:54:19,930

this interview so is anybody there

1069

00:54:25,829 --> 00:54:23,260

serious pull it up on the enhances

1070

00:54:29,490 --> 00:54:25,839

website oh I have to dad I didn't know

1071

00:54:31,260 --> 00:54:29,500

that yeah Ben's good I talked to Ben

1072

00:54:33,210 --> 00:54:31,270

about it when we were both lecturing in

1073

00:54:35,579 --> 00:54:33,220

Roswell this past July and I told her

1074

00:54:37,920 --> 00:54:35,589

I'm not like I mentioned I mentioned him

1075

00:54:41,180 --> 00:54:37,930

on coast-to-coast about it and in and by

1076

00:54:45,150 --> 00:54:41,190

lecture in Roswell it's very interesting

1077

00:54:47,609 --> 00:54:45,160

when you study body language but I agree

1078

00:54:50,460 --> 00:54:47,619

I agree that that Clinton has an

1079

00:54:53,609 --> 00:54:50,470

interest and I think he what he wants to

1080

00:54:57,210 --> 00:54:53,619

know himself he may know more than you

1081

00:54:59,789 --> 00:54:57,220

know he's letting on but it's just you

1082

00:55:02,339 --> 00:54:59,799

he was just the boy you know as I was

1083

00:55:04,559 --> 00:55:02,349

writing the book I just thought this is

1084

00:55:08,400 --> 00:55:04,569

really really strange a whole set of

1085

00:55:11,089 --> 00:55:08,410

circumstances so the you know the reader

1086

00:55:15,539 --> 00:55:11,099

will I hope will find it interesting

1087

00:55:19,650 --> 00:55:15,549

it's available on on Amazon and on

1088

00:55:23,430 --> 00:55:19,660

Kindle and I hope everybody has a chance

1089

00:55:25,980 --> 00:55:23,440

to read Coronado that's great and it's

1090

00:55:29,100 --> 00:55:25,990

been a real pleasure and will be also

1091

00:55:31,380 --> 00:55:29,110

looking forward to finding out

1092

00:55:33,180 --> 00:55:31,390

you know what comes forward out of this

1093

00:55:36,120 --> 00:55:33,190

you said you had some witnesses to see

1094

00:55:39,230 --> 00:55:36,130

and talk to and just quickly because we

1095

00:55:42,120 --> 00:55:39,240

have we have less than a minute here but

1096

00:55:43,770 --> 00:55:42,130

are any of these people that are coming

1097

00:55:46,380 --> 00:55:43,780

forward are they actually claiming that

1098

00:55:51,600 --> 00:55:46,390

they had an abduction experience at the

1099

00:55:55,290 --> 00:55:51,610

same time with me they emailed me they

1100

00:55:58,260 --> 00:55:55,300

were not sure so I told them to look

1101
00:56:01,530 --> 00:55:58,270
back on their notes and we look back at

1102
00:56:04,080 --> 00:56:01,540
that weekend and it depends as well on

1103
00:56:06,510 --> 00:56:04,090
their on their background if they have

1104
00:56:10,140 --> 00:56:06,520
other experiences it's not just a one

1105
00:56:12,000 --> 00:56:10,150
time you know one time experience with

1106
00:56:14,520 --> 00:56:12,010
people their abductive throughout their

1107
00:56:17,130 --> 00:56:14,530
lives so it's just one of those so I

1108
00:56:19,500 --> 00:56:17,140
have to sit down and have a consultation

1109
00:56:22,230 --> 00:56:19,510
with them and see what happened very

1110
00:56:23,580 --> 00:56:22,240
good okay thanks a lot Yvonne thank you

1111
00:56:25,650 --> 00:56:23,590
so much for having me

1112
00:56:28,020 --> 00:56:25,660
you bet okay so that's it for our show

1113
00:56:30,360 --> 00:56:28,030

today if you missed any part of the show

1114

00:56:32,310 --> 00:56:30,370

you can catch it as a podcast and a

1115

00:56:35,520 --> 00:56:32,320

whole bunch of other free podcasts on

1116

00:56:37,710 --> 00:56:35,530

our website which is podcast UFO comma

1117

00:56:39,270 --> 00:56:37,720

course and I want to thank everyone for

1118

00:56:42,510 --> 00:56:39,280

helping out with the show today our

1119

00:56:44,430 --> 00:56:42,520

guests of course Yvonne Smith Keith

1120

00:56:46,530 --> 00:56:44,440

Rowland is a producer for the dark

1121

00:56:49,410 --> 00:56:46,540

matter radio network Carrie Lloyd

1122

00:56:52,440 --> 00:56:49,420

Whitehouse for our music Peggy shunning

1123

00:56:54,540 --> 00:56:52,450

for managing our Facebook page and don't

1124

00:56:57,630 --> 00:56:54,550

forget to like us on Facebook for all

1125

00:57:00,360 --> 00:56:57,640

the latest UFO news next week we are

1126

00:57:02,250 --> 00:57:00,370

blessed to have a great guest astronomer

1127

00:57:04,010 --> 00:57:02,260

Jeffrey Bennett he is an excellent

1128

00:57:06,960 --> 00:57:04,020

speaker you're going to enjoy that show

1129

00:57:08,610 --> 00:57:06,970

you can check us out live right here

1130

00:57:10,590 --> 00:57:08,620

next week in the dark matter radio

1131

00:57:12,840 --> 00:57:10,600

network and every Wednesday at 9 p.m.

1132

00:57:15,990 --> 00:57:12,850

Eastern Standard Time and don't forget

1133

00:57:19,020 --> 00:57:16,000

to jump in to the chatroom and join in

1134

00:57:21,720 --> 00:57:19,030

with the show at podcast UFO comm this
