

a documentary by randall nickerson

ariel

phenomenon

the ariel school sighting revisited

1
00:00:03,139 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:04,249 --> 00:00:03,149
triangle

3
00:00:05,360 --> 00:00:04,259
you know there's explanation for

4
00:00:06,710 --> 00:00:05,370
everything that occurred in the

5
00:00:09,169 --> 00:00:06,720
Rendlesham forest incident

6
00:00:11,839 --> 00:00:09,179
it doesn't involve aliens at all it was

7
00:00:15,799 --> 00:00:11,849
completely silent it comes right over

8
00:00:17,210 --> 00:00:15,809
our head it's so on the fly souls are

9
00:00:18,830 --> 00:00:17,220
really standing in the clearing he

10
00:00:20,450 --> 00:00:18,840
turned over to my father and held his

11
00:00:24,950 --> 00:00:20,460
hand and he looked in his eyes and said

12
00:00:28,130 --> 00:00:24,960
we're not alone hello and welcome to the

13
00:00:30,560 --> 00:00:28,140

show the show we call podcast UFO I'm

14

00:00:32,630 --> 00:00:30,570

Martin Willis your host and we're coming

15

00:00:35,510 --> 00:00:32,640

at you live like every Wednesday at 9

16

00:00:37,610 --> 00:00:35,520

p.m. Eastern Standard Time on the dark

17

00:00:40,389 --> 00:00:37,620

matter radio network if you're listening

18

00:00:44,270 --> 00:00:40,399

live please join in our chat room at

19

00:00:46,130 --> 00:00:44,280

podcast UFO comm I'd like to take a

20

00:00:49,220 --> 00:00:46,140

second to thank all those who have

21

00:00:51,350 --> 00:00:49,230

donated to help our our show we have

22

00:00:52,580 --> 00:00:51,360

some bandwidth use that's costing some

23

00:00:54,799 --> 00:00:52,590

money and I really really appreciate

24

00:00:56,930 --> 00:00:54,809

that well we have another great show for

25

00:00:59,420 --> 00:00:56,940

you tonight Alejandro Rojas of open

26

00:01:01,430 --> 00:00:59,430

minds is coming on with the news in just

27

00:01:03,830 --> 00:01:01,440

a second and tonight we have a guest

28

00:01:07,550 --> 00:01:03,840

Randall Nickerson to talk about his

29

00:01:10,190 --> 00:01:07,560

upcoming film and the Zimbabwe Ariel

30

00:01:12,590 --> 00:01:10,200

school encounter and to me this is one

31

00:01:15,380 --> 00:01:12,600

of the all-time important cases that

32

00:01:18,080 --> 00:01:15,390

there is out there we'll be talking

33

00:01:20,210 --> 00:01:18,090

about the 62 school children that were

34

00:01:23,810 --> 00:01:20,220

involved and what their lives are like

35

00:01:26,690 --> 00:01:23,820

now it happened on September 16 1994 so

36

00:01:28,370 --> 00:01:26,700

we just passed the 20th anniversary so

37

00:01:31,640 --> 00:01:28,380

I'm pretty excited to talk about this

38

00:01:35,600 --> 00:01:31,650

and Alejandro how're you doing today

39

00:01:37,880 --> 00:01:35,610

hello I am doing good good and I you

40

00:01:40,069 --> 00:01:37,890

pass the news over to me today this some

41

00:01:41,600 --> 00:01:40,079

great great things were happening last

42

00:01:43,280 --> 00:01:41,610

week well I don't want to say great

43

00:01:46,190 --> 00:01:43,290

things I mean kind of interesting

44

00:01:48,950 --> 00:01:46,200

exciting writings yeah so one is just

45

00:01:51,889 --> 00:01:48,960

want you enlighten us yes there's some

46

00:01:55,490 --> 00:01:51,899

really cool stuff the hot one today I'll

47

00:01:59,270 --> 00:01:55,500

start off with and this is a video of a

48

00:02:01,160 --> 00:01:59,280

UFO over the protests in Hong Kong so

49

00:02:02,899 --> 00:02:01,170

this is a really cool video and it's

50

00:02:05,209 --> 00:02:02,909

starting to spread all over the place

51
00:02:07,819 --> 00:02:05,219
Lee Spiegel from The Huffington Post

52
00:02:10,669 --> 00:02:07,829
just wrote about it today I tipped them

53
00:02:12,050 --> 00:02:10,679
off on this one but essentially the BBC

54
00:02:15,950 --> 00:02:12,060
was covering the protests

55
00:02:20,590 --> 00:02:15,960
in Hong Kong and on one of the and this

56
00:02:26,870 --> 00:02:20,600
was on Tuesday and a gentleman in Sound

57
00:02:28,880 --> 00:02:26,880
linker sure in in Blantyre Scotland was

58
00:02:31,880 --> 00:02:28,890
watching the BBC and he recorded the

59
00:02:34,070 --> 00:02:31,890
section where he saw a UFO and in this

60
00:02:37,250 --> 00:02:34,080
video that he posted you can see this

61
00:02:38,480 --> 00:02:37,260
bright object come from the left some

62
00:02:40,760 --> 00:02:38,490
people thought it came from in between

63
00:02:43,220 --> 00:02:40,770

the buildings but it is in front of the

64

00:02:46,699 --> 00:02:43,230

buildings which which matters and it

65

00:02:48,410 --> 00:02:46,709

comes in it look goes it looks like it's

66

00:02:49,970 --> 00:02:48,420

going to the top of this building and

67

00:02:52,460 --> 00:02:49,980

the guy thinks it landed on this

68

00:02:57,020 --> 00:02:52,470

building and then it shot straight up

69

00:02:59,360 --> 00:02:57,030

into the sky on the video you can tell

70

00:03:01,160 --> 00:02:59,370

the lie actually isn't landing on the

71

00:03:02,570 --> 00:03:01,170

video it's are on the building it's in

72

00:03:04,930 --> 00:03:02,580

front of the building and the reason

73

00:03:07,550 --> 00:03:04,940

that's important is because some of the

74

00:03:10,580 --> 00:03:07,560

analysts such as I had been handsome

75

00:03:13,220 --> 00:03:10,590

look at it from fact or faked I had Mark

76

00:03:16,340 --> 00:03:13,230

Dantonio look at it for very fun yep

77

00:03:18,770 --> 00:03:16,350

they both felt it could be a drone and

78

00:03:21,740 --> 00:03:18,780

that it's just closer or you know a

79

00:03:23,630 --> 00:03:21,750

drone with the BBC did have a drone

80

00:03:26,479 --> 00:03:23,640

there and they were taking video and

81

00:03:28,580 --> 00:03:26,489

they think that's what it could be you

82

00:03:32,060 --> 00:03:28,590

know my objection was this thing shoots

83

00:03:34,699 --> 00:03:32,070

up straight up at a really fast rate of

84

00:03:36,229 --> 00:03:34,709

speed and their objection is well it

85

00:03:39,020 --> 00:03:36,239

could be closer than you think

86

00:03:41,720 --> 00:03:39,030

and it could be flying up and towards

87

00:03:43,580 --> 00:03:41,730

the person taking the video which would

88

00:03:47,180 --> 00:03:43,590

make it look like it's shooting straight

89

00:03:49,910 --> 00:03:47,190

up and I was skeptical but then you know

90

00:03:53,180 --> 00:03:49,920

some people post it on Facebook in some

91

00:03:55,520 --> 00:03:53,190

videos of these quad copters flying

92

00:03:58,220 --> 00:03:55,530

around and kind of this stunt pilot guy

93

00:04:02,180 --> 00:03:58,230

and they can do some incredible stuff

94

00:04:04,069 --> 00:04:02,190

they can move extremely fast so it is

95

00:04:06,710 --> 00:04:04,079

possible that that's what it is I

96

00:04:09,530 --> 00:04:06,720

suppose but the video is very shocking

97

00:04:11,810 --> 00:04:09,540

very cool and of course you could see

98

00:04:13,610 --> 00:04:11,820

that at open mind TV have you been able

99

00:04:16,670 --> 00:04:13,620

to take a look at this one I did you

100

00:04:19,159 --> 00:04:16,680

know a few days ago and I saw you know

101
00:04:22,130 --> 00:04:19,169
the comments posted on it as well and by

102
00:04:23,940 --> 00:04:22,140
the way we have links to this in our

103
00:04:25,410 --> 00:04:23,950
show notes right on our website

104
00:04:29,520 --> 00:04:25,420
right and I'll shoot you right over to

105
00:04:34,410 --> 00:04:29,530
open minds TV and with the stories this

106
00:04:36,630 --> 00:04:34,420
reminded me of the UFO over the Dome of

107
00:04:38,760 --> 00:04:36,640
the rock you know the way it shot up

108
00:04:40,950 --> 00:04:38,770
this thing shot up yeah Lee really fast

109
00:04:42,480 --> 00:04:40,960
and you know that's that's the one thing

110
00:04:44,940 --> 00:04:42,490
that stood out to me more than anything

111
00:04:47,040 --> 00:04:44,950
else as far as it being a drone I just

112
00:04:48,180 --> 00:04:47,050
can't picture a drone I know you're

113
00:04:50,280 --> 00:04:48,190

talking about the angles and everything

114

00:04:52,020 --> 00:04:50,290

but I certainly can't picture a drone

115

00:04:54,330 --> 00:04:52,030

shooting up like that

116

00:04:57,720 --> 00:04:54,340

so there's no question that this is not

117

00:04:59,700 --> 00:04:57,730

a CGI thing nobody thus far and those

118

00:05:02,490 --> 00:04:59,710

are very capable analyst you know

119

00:05:06,540 --> 00:05:02,500

obeying mark they don't feel that it is

120

00:05:09,420 --> 00:05:06,550

CGI that it looks like it is legit

121

00:05:10,800 --> 00:05:09,430

so you know what I have a hard time with

122

00:05:15,600 --> 00:05:10,810

the same part that you're talking about

123

00:05:17,550 --> 00:05:15,610

so I really want to you know be

124

00:05:20,010 --> 00:05:17,560

definitive when it comes to a drone but

125

00:05:23,100 --> 00:05:20,020

I look at the video and it's just so

126

00:05:25,080 --> 00:05:23,110

strange the way it shoots up that now

127

00:05:25,260 --> 00:05:25,090

hopefully mark will cuz he does this a

128

00:05:26,970 --> 00:05:25,270

lot

129

00:05:28,590 --> 00:05:26,980

he likes to demonstrate what he's

130

00:05:30,150 --> 00:05:28,600

talking about that's right hopefully

131

00:05:32,550 --> 00:05:30,160

he'll do that I know he had some quad

132

00:05:35,520 --> 00:05:32,560

copters and I'd like to see him do that

133

00:05:37,710 --> 00:05:35,530

so we can see that they can't duplicate

134

00:05:39,780 --> 00:05:37,720

this yeah yeah that's great about mark

135

00:05:42,680 --> 00:05:39,790

he likes to replicate things to see if

136

00:05:45,840 --> 00:05:42,690

we can be done so what else is happening

137

00:05:48,630 --> 00:05:45,850

this is a great story I really like this

138

00:05:50,700 --> 00:05:48,640

so we had talked about the Ministry of

139

00:05:54,570 --> 00:05:50,710

Defense I believe in the eighteen files

140

00:05:56,640 --> 00:05:54,580

they found yeah there's this story well

141

00:05:58,920 --> 00:05:56,650

it turns out John Burroughs had had

142

00:06:00,870 --> 00:05:58,930

message me and he's like you know where

143

00:06:05,580 --> 00:06:00,880

did these files come from these are

144

00:06:07,200 --> 00:06:05,590

these are my files and who who did how

145

00:06:10,380 --> 00:06:07,210

did this get on the mo Dee and stuff

146

00:06:12,510 --> 00:06:10,390

like this so it turns out this is really

147

00:06:14,370 --> 00:06:12,520

strange talking with John Burroughs

148

00:06:16,470 --> 00:06:14,380

she's one of the witnesses to the

149

00:06:19,230 --> 00:06:16,480

Rendlesham forest and he's been doing a

150

00:06:21,300 --> 00:06:19,240

lot of work in some FOIAs with our

151
00:06:23,910 --> 00:06:21,310
government and with the UK government to

152
00:06:26,520 --> 00:06:23,920
find out more he has been sick he's got

153
00:06:29,220 --> 00:06:26,530
congenital heart disease and he thinks

154
00:06:31,080 --> 00:06:29,230
that his UFO sighting was related he's

155
00:06:36,120 --> 00:06:31,090
been trying to get his medical records

156
00:06:37,890 --> 00:06:36,130
and it happens that the at first he went

157
00:06:39,990 --> 00:06:37,900
to go seek this and they said that

158
00:06:43,140 --> 00:06:40,000
she wasn't in the air force during that

159
00:06:46,380 --> 00:06:43,150
time when he certainly was a really

160
00:06:49,230 --> 00:06:46,390
strange so he had to go to get help from

161
00:06:51,660 --> 00:06:49,240
Senator McCain his senator out here they

162
00:06:54,570 --> 00:06:51,670
finally were able to acknowledge that he

163
00:06:55,980 --> 00:06:54,580

did join the air force in 79 but they

164

00:06:59,760 --> 00:06:55,990

told him we'll probably never get your

165

00:07:03,120 --> 00:06:59,770

medical records from 79 to 82 the UFO

166

00:07:05,070 --> 00:07:03,130

sighting happened in 1980 and the reason

167

00:07:08,220 --> 00:07:05,080

that 18 files is important because it

168

00:07:10,710 --> 00:07:08,230

was a FOIA that he did back in December

169

00:07:12,300 --> 00:07:10,720

that got the mo D to say okay we found

170

00:07:16,110 --> 00:07:12,310

18 more files were going to release

171

00:07:18,780 --> 00:07:16,120

those well a UK gentleman named Andy

172

00:07:21,900 --> 00:07:18,790

Russell read a story about that and did

173

00:07:25,070 --> 00:07:21,910

another FOIA and that's what DM OT

174

00:07:28,110 --> 00:07:25,080

responded to the other day well

175

00:07:30,510 --> 00:07:28,120

unbelievable so it's funny how more

176

00:07:32,100 --> 00:07:30,520

missing files as they say yeah but

177

00:07:34,260 --> 00:07:32,110

what's even more mysterious about these

178

00:07:37,410 --> 00:07:34,270

files is that Burroughs released on the

179

00:07:39,270 --> 00:07:37,420

15th a press release about him trying to

180

00:07:41,790 --> 00:07:39,280

find this stuff his problem getting his

181

00:07:46,020 --> 00:07:41,800

medical records and everything and the

182

00:07:48,840 --> 00:07:46,030

mo D on the 16th posted on their website

183

00:07:50,790 --> 00:07:48,850

a response to this Andy Russell guy

184

00:07:54,630 --> 00:07:50,800

saying that we're going to release these

185

00:07:57,570 --> 00:07:54,640

18 files so it's really weird that the

186

00:07:59,400 --> 00:07:57,580

mo D only posted on the 16th that they

187

00:08:01,410 --> 00:07:59,410

were going to release the files they

188

00:08:03,330 --> 00:08:01,420

only posted their response to Andy

189

00:08:05,220 --> 00:08:03,340

Russell even though they had told

190

00:08:07,560 --> 00:08:05,230

Burroughs in December they were going to

191

00:08:09,960 --> 00:08:07,570

do this but they didn't post Burroughs

192

00:08:12,300 --> 00:08:09,970

their response to Burroughs and they

193

00:08:14,460 --> 00:08:12,310

post their response that date after he

194

00:08:18,120 --> 00:08:14,470

sent out a press release to a lot of UK

195

00:08:20,160 --> 00:08:18,130

media so really weird so it was really

196

00:08:22,740 --> 00:08:20,170

his press release that caused the Daily

197

00:08:24,710 --> 00:08:22,750

Star to write a story so when I first

198

00:08:27,450 --> 00:08:24,720

asked him and Nick about this Nick Pope

199

00:08:30,090 --> 00:08:27,460

they were kind of confused because I was

200

00:08:32,520 --> 00:08:30,100

referring to the mo d site and we

201
00:08:35,760 --> 00:08:32,530
finally cleared all this up so it is

202
00:08:39,900 --> 00:08:35,770
really strange but what Jim burrows also

203
00:08:42,120 --> 00:08:39,910
found was a UK document from that was

204
00:08:44,400 --> 00:08:42,130
created by defense intelligence a very

205
00:08:48,840 --> 00:08:44,410
secretive intelligence organization in

206
00:08:50,970 --> 00:08:48,850
the UK they had a UFO report that they

207
00:08:52,470 --> 00:08:50,980
released that they did in two

208
00:08:55,829 --> 00:08:52,480
thousand but they didn't release it to

209
00:08:57,629 --> 00:08:55,839
the public until 2006 Burroughs went

210
00:09:01,949 --> 00:08:57,639
through this report and he found a

211
00:09:04,910 --> 00:09:01,959
section on you AP radiation they were at

212
00:09:07,439 --> 00:09:04,920
this time using the phrase UAP which is

213
00:09:10,110 --> 00:09:07,449

unidentified aerial phenomena instead a

214

00:09:11,910 --> 00:09:10,120

UFO Burroughs thinks they did that so if

215

00:09:14,819 --> 00:09:11,920

you search for UFO documents you

216

00:09:17,030 --> 00:09:14,829

wouldn't get their new you ap documents

217

00:09:20,189 --> 00:09:17,040

but this thing talked about you ap

218

00:09:23,189 --> 00:09:20,199

radiation and speculated that the people

219

00:09:26,490 --> 00:09:23,199

in Rendlesham those witnesses could have

220

00:09:29,400 --> 00:09:26,500

been exposed to a long period of you AP

221

00:09:33,180 --> 00:09:29,410

radiation that caused some effects on

222

00:09:35,819 --> 00:09:33,190

them so really interesting that he found

223

00:09:37,980 --> 00:09:35,829

this as well the whole thing really does

224

00:09:43,319 --> 00:09:37,990

smack of conspiracy you know and I'm

225

00:09:45,090 --> 00:09:43,329

nice to jump to that oh I am yes no but

226

00:09:46,590 --> 00:09:45,100

you know there are a lot of questions

227

00:09:49,620 --> 00:09:46,600

that had to be answered how do they

228

00:09:52,019 --> 00:09:49,630

conveniently lose his medical files they

229

00:09:55,379 --> 00:09:52,029

also lost uh James

230

00:09:58,439 --> 00:09:55,389

add peniston's medical files right so

231

00:10:00,720 --> 00:09:58,449

why is this yeah mm-hmm so really

232

00:10:04,019 --> 00:10:00,730

mysterious so we got a lot more details

233

00:10:06,449 --> 00:10:04,029

about this in the story and we're going

234

00:10:08,759 --> 00:10:06,459

to be following John and his uh you know

235

00:10:11,550 --> 00:10:08,769

fight to get all this information yep

236

00:10:14,040 --> 00:10:11,560

and I wish both of them really good luck

237

00:10:15,509 --> 00:10:14,050

because if they are indeed suffering you

238

00:10:16,650 --> 00:10:15,519

know from something that happened while

239

00:10:20,490 --> 00:10:16,660

they were in the military there should

240

00:10:23,189 --> 00:10:20,500

be taken care of right so pretty crazy

241

00:10:25,530 --> 00:10:23,199

stuff it is and what's our final story

242

00:10:28,050 --> 00:10:25,540

tonight final story is about a UFO

243

00:10:30,449 --> 00:10:28,060

sighting and Missouri and it's just kind

244

00:10:33,240 --> 00:10:30,459

of cool I mean it happened the first one

245

00:10:36,090 --> 00:10:33,250

happened in July where these people said

246

00:10:39,360 --> 00:10:36,100

they saw this object bigger than a house

247

00:10:42,269 --> 00:10:39,370

in a field some guy actually flagged

248

00:10:44,160 --> 00:10:42,279

them down they saw this disc craft in

249

00:10:46,009 --> 00:10:44,170

the air some guy was walking his dog

250

00:10:49,710 --> 00:10:46,019

flagged him down and said look at that

251
00:10:52,590 --> 00:10:49,720
so they looked they followed it they saw

252
00:10:54,689 --> 00:10:52,600
it landing in this in landed in this

253
00:10:58,019 --> 00:10:54,699
field so it was really interesting so

254
00:11:01,050 --> 00:10:58,029
the Missouri MUFON has been looking into

255
00:11:03,190 --> 00:11:01,060
it and they also got a third witness and

256
00:11:05,370 --> 00:11:03,200
this gentleman is an air

257
00:11:08,440 --> 00:11:05,380
I'm pilot who wanted to remain anonymous

258
00:11:12,160 --> 00:11:08,450
who confirmed that he saw the same

259
00:11:14,740 --> 00:11:12,170
object and that now this week there's a

260
00:11:19,590 --> 00:11:14,750
third witness now and this is a state

261
00:11:24,940 --> 00:11:19,600
trooper however this happened on August

262
00:11:28,360 --> 00:11:24,950
16th in Joplin Missouri and it just is

263
00:11:32,320 --> 00:11:28,370

very similar this guy you know saw craft

264

00:11:36,040 --> 00:11:32,330

and it was in this field and just a very

265

00:11:37,960 --> 00:11:36,050

similar sighting but in August so it's

266

00:11:40,300 --> 00:11:37,970

just kind of interesting that Missouri

267

00:11:44,800 --> 00:11:40,310

is having these sightings that are

268

00:11:46,420 --> 00:11:44,810

similar by very credible people um so

269

00:11:48,760 --> 00:11:46,430

they've got kind of a flap going on

270

00:11:51,070 --> 00:11:48,770

there and really for the last like three

271

00:11:53,890 --> 00:11:51,080

years Missouri is all of a sudden the

272

00:11:56,830 --> 00:11:53,900

hot spot I mean they weren't so much a

273

00:12:01,440 --> 00:11:56,840

hot spot years ago but they're getting a

274

00:12:04,930 --> 00:12:01,450

lot more strange reports out there in

275

00:12:06,580 --> 00:12:04,940

Missouri so I've been following this for

276

00:12:09,940 --> 00:12:06,590

a while I don't know if you've had them

277

00:12:12,700 --> 00:12:09,950

on but Debbie's Eagle Meyer is the MUFON

278

00:12:15,190 --> 00:12:12,710

State Director out there and the

279

00:12:16,840 --> 00:12:15,200

assistant State Director is margie kay I

280

00:12:18,180 --> 00:12:16,850

talked to them both and they've both

281

00:12:20,680 --> 00:12:18,190

done some really interesting

282

00:12:23,170 --> 00:12:20,690

investigating out there well no I

283

00:12:24,490 --> 00:12:23,180

haven't had them on and did anyone try

284

00:12:27,730 --> 00:12:24,500

to check to see if there's any trace

285

00:12:30,400 --> 00:12:27,740

evidence on this up one day in psi

286

00:12:33,220 --> 00:12:30,410

Landing from what I understand there has

287

00:12:35,950 --> 00:12:33,230

not been trace evidence discovered at

288

00:12:37,780 --> 00:12:35,960

this point yeah well but interesting

289

00:12:39,250 --> 00:12:37,790

yeah they they haven't really explored

290

00:12:39,970 --> 00:12:39,260

Missouri yet so they're checking it out

291

00:12:42,250 --> 00:12:39,980

that's what it's about

292

00:12:44,260 --> 00:12:42,260

yeah and I should mention that there

293

00:12:47,320 --> 00:12:44,270

were effects to a couple people the

294

00:12:50,830 --> 00:12:47,330

vehicles Wow like electrical effects

295

00:12:54,160 --> 00:12:50,840

yeah one wouldn't start and then another

296

00:12:56,260 --> 00:12:54,170

one had a strange static noise that

297

00:12:56,830 --> 00:12:56,270

started coming over his speakers sounds

298

00:13:01,000 --> 00:12:56,840

familiar

299

00:13:02,650 --> 00:13:01,010

yeah sounds like Close Encounters that's

300

00:13:04,660 --> 00:13:02,660

right hey we'll see you next week

301
00:13:06,700 --> 00:13:04,670
alejandro thanks so much for today's

302
00:13:09,160 --> 00:13:06,710
news all right thanks man talk to you

303
00:13:10,750 --> 00:13:09,170
next week talk to you next week so hang

304
00:14:24,640 --> 00:13:10,760
in there right after the music break

305
00:14:31,100 --> 00:14:28,100
Randy Nickerson how are you hey good

306
00:14:34,310 --> 00:14:31,110
Martin are you I'm doing well thanks so

307
00:14:37,910 --> 00:14:34,320
much for joining us before we get into

308
00:14:39,950 --> 00:14:37,920
the Ariel school encounter can you give

309
00:14:42,290 --> 00:14:39,960
the listening audience first a little

310
00:14:43,550 --> 00:14:42,300
bit background about your yourself

311
00:14:45,350 --> 00:14:43,560
you're a filmmaker

312
00:14:47,390 --> 00:14:45,360
you're an amazing photography you've

313
00:14:50,200 --> 00:14:47,400

gone all over the world but can you fill

314

00:14:55,250 --> 00:14:50,210

us in on your background if you would oh

315

00:15:01,090 --> 00:14:55,260

sure um I started in actually theatre

316

00:15:06,890 --> 00:15:01,100

and piano was my majors in college and

317

00:15:10,070 --> 00:15:06,900

got started to make documentaries in you

318

00:15:15,530 --> 00:15:10,080

know short short form Doc's back in 1990

319

00:15:18,110 --> 00:15:15,540

let's see was that yes 1999 and other

320

00:15:23,140 --> 00:15:18,120

than that a piano technician look to

321

00:15:26,810 --> 00:15:23,150

work on cars and oh yeah roundabout guy

322

00:15:30,770 --> 00:15:26,820

yeah I liked yeah I like to understand

323

00:15:33,710 --> 00:15:30,780

my world and so for the person out there

324

00:15:36,980 --> 00:15:33,720

that has not really looked into this

325

00:15:38,750 --> 00:15:36,990

encounter how about you talk about it in

326

00:15:40,690 --> 00:15:38,760

a nutshell and I mentioned this in the

327

00:15:45,460 --> 00:15:40,700

beginning I do think this is one of the

328

00:15:48,710 --> 00:15:45,470

most amazing encounters in the field and

329

00:15:52,520 --> 00:15:48,720

one that I've been drawn to for many

330

00:15:53,930 --> 00:15:52,530

years and and can you just go again for

331

00:15:54,970 --> 00:15:53,940

the listener that is not totally

332

00:15:58,070 --> 00:15:54,980

familiar with it

333

00:16:03,830 --> 00:15:58,080

sure you know I went through that same

334

00:16:07,430 --> 00:16:03,840

process of um when the John Mac

335

00:16:10,270 --> 00:16:07,440

Institute approached me dr. John Mac was

336

00:16:12,620 --> 00:16:10,280

a Harvard professor of psychiatry who

337

00:16:16,910 --> 00:16:12,630

went to Zimbabwe when he heard about

338

00:16:20,030 --> 00:16:16,920

this particular case when I they asked

339

00:16:21,680 --> 00:16:20,040

me to uh to look at the footage and if

340

00:16:26,650 --> 00:16:21,690

I'd be interested in making a project

341

00:16:33,010 --> 00:16:26,660

out of it and it was basically a

342

00:16:36,230 --> 00:16:33,020

encounter with the 62 I believe it was

343

00:16:37,370 --> 00:16:36,240

that had seen a

344

00:16:41,690 --> 00:16:37,380

laughs land in the back of their

345

00:16:47,600 --> 00:16:41,700

schoolyard and two beings get out and

346

00:16:50,380 --> 00:16:47,610

that were in black um and that was the

347

00:16:53,480 --> 00:16:50,390

story that I understood the time and

348

00:16:58,310 --> 00:16:53,490

when I saw the interviews the John Max

349

00:17:01,760 --> 00:16:58,320

raw footage uh I was really struck by

350

00:17:04,699 --> 00:17:01,770

the fact that these were children from

351

00:17:07,250 --> 00:17:04,709

the ages of six to twelve years old all

352

00:17:09,470 --> 00:17:07,260

telling the same story and you know when

353

00:17:12,710 --> 00:17:09,480

you look at them you can tell that

354

00:17:16,309 --> 00:17:12,720

there's there they saw something for

355

00:17:19,040 --> 00:17:16,319

sure as far as you know their their

356

00:17:24,710 --> 00:17:19,050

honesty it reads really clearly on

357

00:17:27,319 --> 00:17:24,720

camera so that piqued my interest about

358

00:17:31,130 --> 00:17:27,329

exploring well what what exactly

359

00:17:34,190 --> 00:17:31,140

happened here did and started a

360

00:17:36,520 --> 00:17:34,200

seven-year investigation essentially

361

00:17:42,320 --> 00:17:36,530

which is taken me all over the world

362

00:17:44,419 --> 00:17:42,330

well now when when was the first time

363

00:17:47,440 --> 00:17:44,429

that you actually visited the school and

364

00:17:51,919 --> 00:17:47,450

actually spoke with some of the

365

00:17:54,049 --> 00:17:51,929

experiences of that 2008 was the first

366

00:17:57,290 --> 00:17:54,059

time I went there and that basically was

367

00:17:59,750 --> 00:17:57,300

to find uh to visit the school to see if

368

00:18:02,270 --> 00:17:59,760

it was still operating and it was and

369

00:18:04,460 --> 00:18:02,280

that took quite a bit of time to sort

370

00:18:07,310 --> 00:18:04,470

that all out and to get there some dog

371

00:18:08,450 --> 00:18:07,320

way as people may know I don't know how

372

00:18:15,049 --> 00:18:08,460

many Americans actually know where

373

00:18:22,580 --> 00:18:15,059

Zimbabwe is but it is it's a tricky

374

00:18:26,210 --> 00:18:22,590

place politically um so yes in Oh 8 my

375

00:18:28,040 --> 00:18:26,220

primary goal other than talking to some

376

00:18:31,250 --> 00:18:28,050

of the teachers that were there in 94

377

00:18:34,910 --> 00:18:31,260

when this event occurred was to find the

378

00:18:39,710 --> 00:18:34,920

children today um and that was not not

379

00:18:41,540 --> 00:18:39,720

an easy task because of the political

380

00:18:47,090 --> 00:18:41,550

situation in Zimbabwe they moved all

381

00:18:49,730 --> 00:18:47,100

around the world um so the first visit

382

00:18:55,010 --> 00:18:49,740

and I visited several times since

383

00:18:56,570 --> 00:18:55,020

was primarily was in 2008 I say now when

384

00:18:58,460 --> 00:18:56,580

you you said you went all over the world

385

00:19:02,630 --> 00:18:58,470

I'm assuming that you went all over the

386

00:19:05,419 --> 00:19:02,640

world to find and speak with these then

387

00:19:11,200 --> 00:19:05,429

grown mostly children yeah they're in

388

00:19:18,799 --> 00:19:14,750

went to South Africa a lot many had

389

00:19:22,669 --> 00:19:18,809

moved to South Africa and London Europe

390

00:19:26,630 --> 00:19:22,679

and Canada United States Australia

391

00:19:28,549 --> 00:19:26,640

yeah it's quite quite a large area in

392

00:19:32,630 --> 00:19:28,559

which it's not I can go to one place and

393

00:19:35,540 --> 00:19:32,640

find them all um so it was and that was

394

00:19:39,950 --> 00:19:35,550

a journey now how many were you able to

395

00:19:41,990 --> 00:19:39,960

actually connect with out of the 62 um I

396

00:19:48,200 --> 00:19:42,000

I mean I was able to connect with about

397

00:19:52,730 --> 00:19:48,210

45 yeah and and I'm still everyday as uh

398

00:19:54,410 --> 00:19:52,740

I received not every day but it's I'm

399

00:19:57,680 --> 00:19:54,420

always getting somebody else coming

400

00:20:00,260 --> 00:19:57,690

forward mm-hmm I think that's one of the

401
00:20:04,040 --> 00:20:00,270
things that is interesting about this

402
00:20:08,930 --> 00:20:04,050
case is that these are well functioning

403
00:20:10,640 --> 00:20:08,940
you know people in normal life and this

404
00:20:14,720 --> 00:20:10,650
is something that not just one person

405
00:20:18,919 --> 00:20:14,730
one of these kids saw this was a group

406
00:20:21,799 --> 00:20:18,929
of these children uh so it's there's it

407
00:20:26,180 --> 00:20:21,809
lends a lot of credibility and a little

408
00:20:27,860 --> 00:20:26,190
less a little bit more of a honey say

409
00:20:30,140 --> 00:20:27,870
that a lack of fear of them coming

410
00:20:32,210 --> 00:20:30,150
forward not that they haven't had issues

411
00:20:35,240 --> 00:20:32,220
with people you know wanting to speak

412
00:20:38,540 --> 00:20:35,250
about it but the fact that there was

413
00:20:42,160 --> 00:20:38,550

there were so many lends a lot of

414

00:20:46,490 --> 00:20:42,170

credibility and in the present day

415

00:20:50,510 --> 00:20:46,500

they're remarkable children I mean I'm

416

00:20:53,060 --> 00:20:50,520

sorry not chill adults yeah ah yep now

417

00:20:55,820 --> 00:20:53,070

when you when you when you've actually

418

00:20:57,470 --> 00:20:55,830

questioned them are you you know when

419

00:20:59,390 --> 00:20:57,480

you go back and you watch the tapes when

420

00:21:01,880 --> 00:20:59,400

John Mac was interviewing them they're

421

00:21:03,560 --> 00:21:01,890

very consistent now but there's always

422

00:21:06,550 --> 00:21:03,570

magic in the editing

423

00:21:09,680 --> 00:21:06,560

room when you actually sought these

424

00:21:12,350 --> 00:21:09,690

people out and you spoke with them were

425

00:21:16,010 --> 00:21:12,360

they consistent and consistent with the

426

00:21:18,620 --> 00:21:16,020

original story yeah then that's been the

427

00:21:21,380 --> 00:21:18,630

most profound thing that has struck me

428

00:21:27,290 --> 00:21:21,390

because you know I am open-minded and I

429

00:21:30,560 --> 00:21:27,300

also am critical and the thing that that

430

00:21:34,730 --> 00:21:30,570

from day one their first interview three

431

00:21:35,720 --> 00:21:34,740

days after the event to today the story

432

00:21:38,270 --> 00:21:35,730

has not changed

433

00:21:41,330 --> 00:21:38,280

nothing's you know it's that that's

434

00:21:44,030 --> 00:21:41,340

what's clearly remarkable right now

435

00:21:46,900 --> 00:21:44,040

right now one of them just to talk a

436

00:21:49,790 --> 00:21:46,910

little bit more about the story they

437

00:21:52,580 --> 00:21:49,800

commented that the beings were like you

438

00:21:55,520 --> 00:21:52,590

said dressed in black and they had long

439

00:21:59,150 --> 00:21:55,530

hair and large eyes and it looked like

440

00:22:03,020 --> 00:21:59,160

they were like they were floating and

441

00:22:07,010 --> 00:22:03,030

also there's there's some people some of

442

00:22:08,780 --> 00:22:07,020

the kids that at the time thought the I

443

00:22:11,000 --> 00:22:08,790

thought it was two UFOs but I'm not sure

444

00:22:16,720 --> 00:22:11,010

I thought thought they landed and then

445

00:22:20,390 --> 00:22:16,730

some thought they were just hovering and

446

00:22:22,310 --> 00:22:20,400

what was your conclusion on that well

447

00:22:24,350 --> 00:22:22,320

you got a-you got to remember that there

448

00:22:27,140 --> 00:22:24,360

was the whole playground school of

449

00:22:35,030 --> 00:22:27,150

children that saw different things at

450

00:22:36,830 --> 00:22:35,040

different times and uh I guess it's a

451
00:22:41,680 --> 00:22:36,840
bit depends on the age of the child I

452
00:22:45,080 --> 00:22:41,690
guess I would have come to understand

453
00:22:52,310 --> 00:22:45,090
because I do love kids tend to I think

454
00:22:53,930 --> 00:22:52,320
notice more detail but the would be the

455
00:22:55,760 --> 00:22:53,940
the description of the hair and the

456
00:22:58,460 --> 00:22:55,770
beings it kind of threw me a little bit

457
00:23:04,090 --> 00:22:58,470
but it's not something that has never

458
00:23:07,460 --> 00:23:04,100
been reported before um but one of the

459
00:23:09,050 --> 00:23:07,470
according to them the children one one

460
00:23:10,580 --> 00:23:09,060
of them had hair and the other one did

461
00:23:13,400 --> 00:23:10,590
not yeah

462
00:23:15,380 --> 00:23:13,410
that the one that approached approach

463
00:23:16,880 --> 00:23:15,390

them on the playground did not uh-huh

464

00:23:19,490 --> 00:23:16,890

yeah

465

00:23:21,860 --> 00:23:19,500

and one of the thing that I've found

466

00:23:25,780 --> 00:23:21,870

very dramatic when you're watching these

467

00:23:28,340 --> 00:23:25,790

kids talk about this situation is the

468

00:23:31,790 --> 00:23:28,350

messages that they were feeling that

469

00:23:34,250 --> 00:23:31,800

they were getting and that oh one of the

470

00:23:35,870 --> 00:23:34,260

subjects I want to talk about is how

471

00:23:39,740 --> 00:23:35,880

it's affected their lives now and all

472

00:23:41,540 --> 00:23:39,750

that but can you talk um that was more

473

00:23:46,880 --> 00:23:41,550

or less a consistent message to that

474

00:23:48,860 --> 00:23:46,890

basically that were we may destroy

475

00:23:51,350 --> 00:23:48,870

ourselves through technology which is a

476
00:23:53,450 --> 00:23:51,360
pretty common theory but nothing a young

477
00:23:54,740 --> 00:23:53,460
child would think of that you wouldn't

478
00:23:57,560 --> 00:23:54,750
think about it and that we're harming

479
00:24:03,320 --> 00:23:57,570
the planet and apparently these kids

480
00:24:05,030 --> 00:24:03,330
weren't influenced by any peers or or

481
00:24:06,680 --> 00:24:05,040
parents or anything like that that was

482
00:24:09,260 --> 00:24:06,690
just like again you said three days

483
00:24:13,100 --> 00:24:09,270
after the event there they were coming

484
00:24:14,780 --> 00:24:13,110
out with a pretty consistent thoughts of

485
00:24:17,510 --> 00:24:14,790
this that they were actually thinking

486
00:24:19,400 --> 00:24:17,520
these things and I believe correct me if

487
00:24:21,920 --> 00:24:19,410
I'm wrong but I think one girl thought

488
00:24:26,480 --> 00:24:21,930

about it when she went home and not

489

00:24:29,500 --> 00:24:26,490

right away yeah it wasn't consistent

490

00:24:32,000 --> 00:24:29,510

through all the children that were there

491

00:24:35,720 --> 00:24:32,010

what I've come to understand is the ones

492

00:24:40,370 --> 00:24:35,730

that were closest to that being that

493

00:24:43,880 --> 00:24:40,380

approached them were the ones that had

494

00:24:46,280 --> 00:24:43,890

that one message messages about our

495

00:24:49,460 --> 00:24:46,290

planet what we were doing to it I mean

496

00:24:51,530 --> 00:24:49,470

for people in Africa at that time to be

497

00:24:53,450 --> 00:24:51,540

I mean the adults didn't even weren't

498

00:24:56,420 --> 00:24:53,460

even talking about a kids pollution and

499

00:24:57,980 --> 00:24:56,430

at that particular time in Africa was

500

00:25:02,540 --> 00:24:57,990

not a discussion

501
00:25:05,840 --> 00:25:02,550
I mean it's it's that's a very different

502
00:25:11,090 --> 00:25:05,850
place it's very it mean it's the

503
00:25:12,980 --> 00:25:11,100
wildlife and the basically pollution was

504
00:25:14,630 --> 00:25:12,990
not was not an issue or a talking point

505
00:25:19,060 --> 00:25:14,640
at the time and the fact that the kids

506
00:25:22,040 --> 00:25:19,070
were talking about it after this was

507
00:25:24,400 --> 00:25:22,050
pretty profound and you know many of the

508
00:25:28,970 --> 00:25:24,410
investigators that worked on this case

509
00:25:30,640 --> 00:25:28,980
we're very to this day some of the ones

510
00:25:34,940 --> 00:25:30,650
that are still alive

511
00:25:37,909 --> 00:25:34,950
I've been very that haunts them to this

512
00:25:40,010 --> 00:25:37,919
day what the children talked about well

513
00:25:43,159 --> 00:25:40,020

huh speaking of that did any of the

514

00:25:44,870 --> 00:25:43,169

teachers I know there was I think a

515

00:25:47,780 --> 00:25:44,880

couple of teachers that actually saw

516

00:25:56,120 --> 00:25:47,790

something did they ever talk about any

517

00:25:58,930 --> 00:25:56,130

any thoughts of the same that's a good

518

00:26:01,990 --> 00:25:58,940

question that I can't really answer

519

00:26:06,380 --> 00:26:02,000

completely I do know the answer to that

520

00:26:10,280 --> 00:26:06,390

but yes let me just tell you about like

521

00:26:13,730 --> 00:26:10,290

that that whole time it wasn't just what

522

00:26:19,430 --> 00:26:13,740

happened at the Ariel school on that

523

00:26:21,380 --> 00:26:19,440

whole week of September 16th that the

524

00:26:26,299 --> 00:26:21,390

entire week there were sightings all

525

00:26:29,510 --> 00:26:26,309

around Southern Africa and Zimbabwe at

526
00:26:35,830 --> 00:26:29,520
that time on every single day that week

527
00:26:39,159 --> 00:26:35,840
on so there is a larger story here that

528
00:26:41,780 --> 00:26:39,169
hasn't really been talked about I

529
00:26:46,120 --> 00:26:41,790
managed to interview about 70 or 80

530
00:26:50,990 --> 00:26:46,130
people who had separate incidents

531
00:26:53,150 --> 00:26:51,000
surrounding the area of school which

532
00:26:58,370 --> 00:26:53,160
lends a lot of credibility to the event

533
00:27:00,320 --> 00:26:58,380
that the children in Ariel saw um so

534
00:27:01,970 --> 00:27:00,330
yeah there was a bigger story somehow

535
00:27:06,860 --> 00:27:01,980
some things I'm kind of waiting to share

536
00:27:10,400 --> 00:27:06,870
when the film comes out but there was

537
00:27:15,860 --> 00:27:10,410
you know daytime sightings of this this

538
00:27:19,159 --> 00:27:15,870

silver disc shaped craft um that whole

539

00:27:21,230 --> 00:27:19,169

week which is stunning I mean when I

540

00:27:24,520 --> 00:27:21,240

when I went up when I went over there I

541

00:27:29,930 --> 00:27:24,530

couldn't believe it I you know I I was

542

00:27:33,169 --> 00:27:29,940

reasonably skeptical and I was shocked

543

00:27:35,000 --> 00:27:33,179

when I started here oh well there what

544

00:27:37,610 --> 00:27:35,010

about this other day and this other

545

00:27:40,490 --> 00:27:37,620

person and then I started investigating

546

00:27:43,340 --> 00:27:40,500

that and one person led me to another

547

00:27:45,830 --> 00:27:43,350

person and um

548

00:27:49,760 --> 00:27:45,840

pilots paramedics I mean the witnesses

549

00:27:54,710 --> 00:27:49,770

as far as credibility were beyond

550

00:27:57,020 --> 00:27:54,720

reproach in my opinion so yeah there's a

551
00:27:58,100 --> 00:27:57,030
larger story than just the aerial story

552
00:28:01,669 --> 00:27:58,110
yeah

553
00:28:04,930 --> 00:28:01,679
read that today that there was sightings

554
00:28:08,360 --> 00:28:04,940
before that now we have we have a

555
00:28:09,830 --> 00:28:08,370
message board at podcast UFO comm if

556
00:28:11,960 --> 00:28:09,840
you're listening live you can jump over

557
00:28:14,029 --> 00:28:11,970
and ask our guests and questions we have

558
00:28:16,039 --> 00:28:14,039
a number of questions up there now for

559
00:28:18,940 --> 00:28:16,049
you first of all they're asking if the

560
00:28:21,320 --> 00:28:18,950
beans communicated but we know that

561
00:28:23,090 --> 00:28:21,330
they've helped messages but they didn't

562
00:28:26,899 --> 00:28:23,100
there wasn't back and forth

563
00:28:29,180 --> 00:28:26,909

communication was er not that no you

564

00:28:31,370 --> 00:28:29,190

know I've never heard that okay and the

565

00:28:34,279 --> 00:28:31,380

next question here are the students

566

00:28:36,560 --> 00:28:34,289

regulation recollections still vivid

567

00:28:41,600 --> 00:28:36,570

along with the content of the message

568

00:28:43,130 --> 00:28:41,610

sent I'd say some of them uh you know

569

00:28:45,549 --> 00:28:43,140

you when you're dealing with anybody

570

00:28:48,649 --> 00:28:45,559

they're at different stages in their

571

00:28:50,360 --> 00:28:48,659

lives and dealing with this or not

572

00:28:52,730 --> 00:28:50,370

dealing with this some people tend to

573

00:28:58,399 --> 00:28:52,740

block things out some people are more

574

00:29:01,100 --> 00:28:58,409

open to looking at the events that have

575

00:29:05,419 --> 00:29:01,110

occurred to them in any way so it varies

576

00:29:08,330 --> 00:29:05,429

yeah right right now one of the there's

577

00:29:11,360 --> 00:29:08,340

just a comment on the message board but

578

00:29:12,770 --> 00:29:11,370

I also wondered that too and it makes

579

00:29:16,940 --> 00:29:12,780

you wonder why they chose this

580

00:29:22,279 --> 00:29:16,950

particular site that's that's everybody

581

00:29:24,380 --> 00:29:22,289

the teachers the students all ask that

582

00:29:26,210 --> 00:29:24,390

question and you know some of the

583

00:29:28,340 --> 00:29:26,220

theories are well they're their children

584

00:29:32,180 --> 00:29:28,350

they're they're the next generation at

585

00:29:35,000 --> 00:29:32,190

the time there's a lot of theories but

586

00:29:37,159 --> 00:29:35,010

nobody really knows growing this

587

00:29:40,070 --> 00:29:37,169

playground was huge by the way this is

588

00:29:41,510 --> 00:29:40,080

not like this is more like a college hey

589

00:29:43,970 --> 00:29:41,520

know after you get a lot of room in

590

00:29:46,520 --> 00:29:43,980

Africa and Zimbabwe and all the

591

00:29:49,640 --> 00:29:46,530

countries there and I mean there's it's

592

00:29:52,370 --> 00:29:49,650

it's a very large state if you want to

593

00:29:54,590 --> 00:29:52,380

say as playground you know there's

594

00:29:56,259 --> 00:29:54,600

multiple playgrounds and playing fields

595

00:30:00,039 --> 00:29:56,269

and

596

00:30:03,729 --> 00:30:00,049

rounded by the bush just I'd say that

597

00:30:06,940 --> 00:30:03,739

it's it's a large large area yep

598

00:30:09,219 --> 00:30:06,950

now this does this have this encounter

599

00:30:16,149 --> 00:30:09,229

have any similarities to the one in

600

00:30:19,629 --> 00:30:16,159

Australia at the schoolyard well I'm not

601
00:30:20,889 --> 00:30:19,639
when I read up on that case I I mean

602
00:30:22,269 --> 00:30:20,899
it's very different as far because I

603
00:30:26,879 --> 00:30:22,279
don't think there were any actual

604
00:30:29,739 --> 00:30:26,889
creatures sighting um the most similar

605
00:30:32,940 --> 00:30:29,749
event that it is similar with is broad

606
00:30:36,459 --> 00:30:32,950
Haven which happened in Wales in 1977

607
00:30:38,109 --> 00:30:36,469
and I went to Wales also to investigate

608
00:30:40,359 --> 00:30:38,119
that because it was the most similar

609
00:30:43,509 --> 00:30:40,369
case I don't know if you're familiar

610
00:30:49,719 --> 00:30:43,519
with that case yeah or they saw craft

611
00:30:51,519 --> 00:30:49,729
and also a being so you know when I went

612
00:30:53,440 --> 00:30:51,529
there I also interviewed the teachers

613
00:30:55,959 --> 00:30:53,450

and the witnesses there and they still

614

00:30:59,019 --> 00:30:55,969

till the to this day have stuck to their

615

00:31:01,599 --> 00:30:59,029

story which I found impressive it's like

616

00:31:06,849 --> 00:31:01,609

well you know they're in their 40s now

617

00:31:11,440 --> 00:31:06,859

those witnesses um and you know these

618

00:31:14,229 --> 00:31:11,450

cases those I just want to say like the

619

00:31:17,409 --> 00:31:14,239

ridicule factor that was going on I

620

00:31:20,649 --> 00:31:17,419

think it's getting better the more time

621

00:31:23,409 --> 00:31:20,659

goes by but at that time it you know the

622

00:31:26,949 --> 00:31:23,419

witnesses to that event were pretty shy

623

00:31:29,430 --> 00:31:26,959

to be to talk with me um because they've

624

00:31:33,249 --> 00:31:29,440

already been through so much you know of

625

00:31:35,739 --> 00:31:33,259

people's you know press spinning stories

626
00:31:37,989 --> 00:31:35,749
and this and that you know these things

627
00:31:40,029 --> 00:31:37,999
are hard to believe but that doesn't

628
00:31:43,959 --> 00:31:40,039
mean they're not there's not something

629
00:31:47,529 --> 00:31:43,969
to them you know I've seen but that's a

630
00:31:49,569 --> 00:31:47,539
huge thing that really us all of us as a

631
00:31:52,930 --> 00:31:49,579
culture have to really address like

632
00:31:55,019 --> 00:31:52,940
there's so much we don't know and one of

633
00:31:58,089 --> 00:31:55,029
the stories that that just strikes me

634
00:32:00,430 --> 00:31:58,099
never forget it ah because I spent a

635
00:32:04,209 --> 00:32:00,440
year in Africa and and I would ask the

636
00:32:06,759 --> 00:32:04,219
tribal you know Chiefs and the different

637
00:32:08,049 --> 00:32:06,769
tribes the shown on the Zulu would ask

638
00:32:09,670 --> 00:32:08,059

them what do you think about if there's

639

00:32:13,720 --> 00:32:09,680

life

640

00:32:18,460 --> 00:32:13,730

outside this planet and we're like of

641

00:32:25,930 --> 00:32:18,470

course huh it's just of course there's

642

00:32:30,460 --> 00:32:25,940

no there was no doubt or uh it was just

643

00:32:33,760 --> 00:32:30,470

somehin accepted fact hmm so you spent

644

00:32:34,990 --> 00:32:33,770

a year there now a question on the sort

645

00:32:36,580 --> 00:32:35,000

of ask this question that's up on the

646

00:32:40,090 --> 00:32:36,590

message board you know a number of

647

00:32:42,070 --> 00:32:40,100

people have researched this case what

648

00:32:46,780 --> 00:32:42,080

are some of the new things that you

649

00:32:51,070 --> 00:32:46,790

learned apart from everyone else well

650

00:32:54,760 --> 00:32:51,080

you mean dot dr. Mac and Cynthia and yes

651
00:32:57,430 --> 00:32:54,770
I know you spend seven years researching

652
00:33:01,900 --> 00:32:57,440
this and we had a little chat earlier

653
00:33:05,080 --> 00:33:01,910
about how much research is missing from

654
00:33:08,350 --> 00:33:05,090
the UFO field and how important it is so

655
00:33:11,290 --> 00:33:08,360
you spent seven years researching and

656
00:33:12,550 --> 00:33:11,300
working on this film so if you I know

657
00:33:14,860 --> 00:33:12,560
you don't want to give us a whole

658
00:33:17,020 --> 00:33:14,870
spoiler alert here and tell us about the

659
00:33:18,310 --> 00:33:17,030
film completely but if you can give us

660
00:33:20,740 --> 00:33:18,320
some of the things that you found out

661
00:33:24,400 --> 00:33:20,750
that weren't uncovered before they'll be

662
00:33:28,480 --> 00:33:24,410
great well I think nobody really went

663
00:33:32,370 --> 00:33:28,490

beta you know it hindsight is 20/20 and

664

00:33:35,830 --> 00:33:32,380

nobody went back years later to really

665

00:33:38,290 --> 00:33:35,840

find out the sequence of events when

666

00:33:41,890 --> 00:33:38,300

when the the interviews of the kids were

667

00:33:45,610 --> 00:33:41,900

done by whom collected the material all

668

00:33:47,500 --> 00:33:45,620

the video all the trimming I've been

669

00:33:49,930 --> 00:33:47,510

collecting information for seven years

670

00:33:53,520 --> 00:33:49,940

which is a significant amount file

671

00:33:58,600 --> 00:33:53,530

cabinets at this point and and video and

672

00:34:01,510 --> 00:33:58,610

anything that was uh was was done on

673

00:34:03,640 --> 00:34:01,520

this particular incident uh I don't

674

00:34:06,430 --> 00:34:03,650

think anybody really explored Cynthia

675

00:34:12,160 --> 00:34:06,440

did a bit cynthia hind of the

676

00:34:14,020 --> 00:34:12,170

surrounding events eight of the the

677

00:34:16,960 --> 00:34:14,030

surrounding events other than aerial at

678

00:34:19,180 --> 00:34:16,970

the time but note even Cynthia was

679

00:34:20,770 --> 00:34:19,190

limited on resource as I was when I was

680

00:34:22,840 --> 00:34:20,780

over there and I kept finding new people

681

00:34:25,810 --> 00:34:22,850

witnesses to

682

00:34:28,659 --> 00:34:25,820

mainly this craft that seemed to have

683

00:34:30,790 --> 00:34:28,669

been around that entire week in

684

00:34:35,200 --> 00:34:30,800

different places I mean there's there's

685

00:34:39,159 --> 00:34:35,210

witnesses that I mean I've let part of

686

00:34:42,490 --> 00:34:39,169

the plan is also to to spend a little

687

00:34:47,710 --> 00:34:42,500

more time to particularly the people

688

00:34:49,450 --> 00:34:47,720

that saw it in the daylight finding and

689

00:34:52,419 --> 00:34:49,460

more than but I think that's a whole

690

00:34:55,150 --> 00:34:52,429

aspect that that has not been presented

691

00:35:00,370 --> 00:34:55,160

I don't it's never been presented have

692

00:35:02,890 --> 00:35:00,380

how it happened in in in great detail I

693

00:35:04,630 --> 00:35:02,900

mean that's why it's taken so long I

694

00:35:06,520 --> 00:35:04,640

mean there's an enormous amount of

695

00:35:08,950 --> 00:35:06,530

information and you know this was

696

00:35:12,340 --> 00:35:08,960

originally supposed to be a DVD project

697

00:35:15,990 --> 00:35:12,350

between John Mac Institute myself and I

698

00:35:18,970 --> 00:35:16,000

took it they know it's the more I did

699

00:35:21,340 --> 00:35:18,980

educated myself and ask questions and

700

00:35:24,520 --> 00:35:21,350

research the more I felt like this is a

701

00:35:27,580 --> 00:35:24,530

really incredible story the characters

702

00:35:29,890 --> 00:35:27,590

involved you know you have dr. John Mack

703

00:35:31,900 --> 00:35:29,900

from prep professor of psychiatry at

704

00:35:34,390 --> 00:35:31,910

Harvard then interviewed the kids you

705

00:35:36,270 --> 00:35:34,400

have a lot of media from all over the

706

00:35:40,120 --> 00:35:36,280

world that interviewed these children

707

00:35:46,390 --> 00:35:40,130

and the consistent consistency in their

708

00:35:48,870 --> 00:35:46,400

their testimony it's it's a very

709

00:35:51,190 --> 00:35:48,880

powerful story and you know the

710

00:35:54,340 --> 00:35:51,200

originally again it was supposed to be a

711

00:35:56,080 --> 00:35:54,350

DVD project but it's this is a story I

712

00:35:58,420 --> 00:35:56,090

think the world should see and that's

713

00:36:01,360 --> 00:35:58,430

why it's become a feature doc then why

714

00:36:03,550 --> 00:36:01,370

it's taken so long now we have a

715

00:36:06,040 --> 00:36:03,560

question up on the message board but I'm

716

00:36:08,740 --> 00:36:06,050

going to sort of answer it while I read

717

00:36:11,050 --> 00:36:08,750

it is there any chance that this

718

00:36:14,500 --> 00:36:11,060

incident might have been staged remember

719

00:36:15,880 --> 00:36:14,510

these are kids but for you know before

720

00:36:18,400 --> 00:36:15,890

you even answer that I mean there were

721

00:36:22,780 --> 00:36:18,410

some adults too that saw this right yes

722

00:36:24,790 --> 00:36:22,790

so I mean it wasn't just kids and and I

723

00:36:26,590 --> 00:36:24,800

can understand that it's always good a

724

00:36:29,620 --> 00:36:26,600

course to look at the skeptical side

725

00:36:31,300 --> 00:36:29,630

absolutely and I think you know the app

726

00:36:34,270 --> 00:36:31,310

that you have to look at the skeptical

727

00:36:35,160 --> 00:36:34,280

side and you have to look at what was

728

00:36:38,849 --> 00:36:35,170

going on in this

729

00:36:41,430 --> 00:36:38,859

at the time armed in space at the time

730

00:36:43,349 --> 00:36:41,440

as far as human beings programs if you

731

00:36:45,690 --> 00:36:43,359

want to put it that way you have to look

732

00:36:49,079 --> 00:36:45,700

at everything and that's really

733

00:36:51,539 --> 00:36:49,089

important just uh I think sometimes we

734

00:36:54,510 --> 00:36:51,549

missed that and how important it is to

735

00:36:56,130 --> 00:36:54,520

say okay wait let's look at this maybe

736

00:36:58,430 --> 00:36:56,140

what if it didn't happen what if I was

737

00:37:02,280 --> 00:36:58,440

mistaken identity hoax and all those or

738

00:37:03,980 --> 00:37:02,290

you know some other project um I think

739

00:37:07,440 --> 00:37:03,990

it's valuable to look at that

740

00:37:12,390 --> 00:37:07,450

absolutely right yeah to be really you

741

00:37:13,799 --> 00:37:12,400

know um um even-handed yes because there

742

00:37:16,770 --> 00:37:13,809

will be people out there attacking you

743

00:37:21,109 --> 00:37:16,780

if you're not sure that's up and rightly

744

00:37:24,030 --> 00:37:21,119

so you know yeah I let's see one of the

745

00:37:26,640 --> 00:37:24,040

questions I was thinking about earlier

746

00:37:30,000 --> 00:37:26,650

today is you know these kids went

747

00:37:31,770 --> 00:37:30,010

through this amazing experience and now

748

00:37:34,020 --> 00:37:31,780

you get a chance to actually talk to

749

00:37:37,170 --> 00:37:34,030

them when they're adults and I want to

750

00:37:38,390 --> 00:37:37,180

know how this whole incident affected

751
00:37:42,420 --> 00:37:38,400
their lives

752
00:37:45,390 --> 00:37:42,430
what's it and just a generality here was

753
00:37:48,710 --> 00:37:45,400
it in a positive way in a negative way

754
00:37:53,490 --> 00:37:48,720
and and how about some details on that

755
00:37:59,510 --> 00:37:53,500
okay um well it varies in by individual

756
00:38:04,140 --> 00:37:59,520
I think what I've learned through

757
00:38:08,280 --> 00:38:04,150
researching these events and is it

758
00:38:11,490 --> 00:38:08,290
depends on the the person's own coping

759
00:38:13,349 --> 00:38:11,500
mechanisms and you know all the other

760
00:38:19,020 --> 00:38:13,359
events in their lives their religious

761
00:38:21,630 --> 00:38:19,030
beliefs I mean it varies from why a wide

762
00:38:27,859 --> 00:38:21,640
range to this is what happened this is

763
00:38:31,430 --> 00:38:27,869

what I saw and to some very religious

764

00:38:35,970 --> 00:38:31,440

families that I talk spoke with that

765

00:38:39,000 --> 00:38:35,980

felt like it was the devil now the

766

00:38:40,920 --> 00:38:39,010

interesting thing about that is to me

767

00:38:42,660 --> 00:38:40,930

was well if they felt it was the devil

768

00:38:44,220 --> 00:38:42,670

it was definitely something really you

769

00:38:47,609 --> 00:38:44,230

know it was definitely something

770

00:38:48,569 --> 00:38:47,619

happened it's the interpretation is is

771

00:38:52,380 --> 00:38:48,579

different

772

00:38:55,079 --> 00:38:52,390

um but you know there's just a wide

773

00:38:56,640 --> 00:38:55,089

variety and you know I've got as much as

774

00:39:00,029 --> 00:38:56,650

I've been in the Edit room which is a

775

00:39:02,249 --> 00:39:00,039

crazy amount of time oh yeah we had

776

00:39:03,900 --> 00:39:02,259

conversations about that yeah you've

777

00:39:06,689 --> 00:39:03,910

been editing like crazy for a long time

778

00:39:09,269 --> 00:39:06,699

yeah and you know I really care about

779

00:39:11,699 --> 00:39:09,279

these these people these adult kids you

780

00:39:14,489 --> 00:39:11,709

know I really feel a lot for them

781

00:39:17,729 --> 00:39:14,499

they're really good people and I wish I

782

00:39:20,759 --> 00:39:17,739

have had I will in the coming days have

783

00:39:26,069 --> 00:39:20,769

more contact with them but um yeah I

784

00:39:27,660 --> 00:39:26,079

just you know I I think they're there

785

00:39:29,939 --> 00:39:27,670

everybody has their own different

786

00:39:35,699 --> 00:39:29,949

struggle with it you know I mean some

787

00:39:40,469 --> 00:39:35,709

people some of the kids it's profound

788

00:39:42,689 --> 00:39:40,479

some are afraid some are considerate the

789

00:39:44,999 --> 00:39:42,699

most amazing thing that's ever ever

790

00:39:47,459 --> 00:39:45,009

happened to them and think of it in very

791

00:39:49,789 --> 00:39:47,469

positive terms and they say it runs the

792

00:39:57,569 --> 00:39:52,410

I'm going to ask a real esoteric

793

00:40:00,839 --> 00:39:57,579

question even in the UFO field have any

794

00:40:03,299 --> 00:40:00,849

of them I mean you hear about certain

795

00:40:03,809 --> 00:40:03,309

things like the allagash abductions and

796

00:40:07,380 --> 00:40:03,819

things like that

797

00:40:12,809 --> 00:40:07,390

has anyone changed in any type of mental

798

00:40:14,640 --> 00:40:12,819

state where they can do things different

799

00:40:17,549 --> 00:40:14,650

than most people I know it's a real

800

00:40:22,319 --> 00:40:17,559

weird question but not not that I'm

801

00:40:28,079 --> 00:40:22,329

aware of um but it's uh it's definitely

802

00:40:30,239 --> 00:40:28,089

and like several of the kids say today

803

00:40:33,529 --> 00:40:30,249

it's it's I keep calling kids but

804

00:40:36,089 --> 00:40:33,539

they're adults now that is what that

805

00:40:38,400 --> 00:40:36,099

when they look out at the universe they

806

00:40:39,509 --> 00:40:38,410

they're in their mind their mindset is

807

00:40:42,870 --> 00:40:39,519

anything's possible

808

00:40:46,890 --> 00:40:42,880

after what we've seen and that changes a

809

00:40:49,019 --> 00:40:46,900

person's approach to life at a very

810

00:40:53,939 --> 00:40:49,029

young age they had something happen that

811

00:40:55,739 --> 00:40:53,949

wasn't supposed to be possible so I have

812

00:40:58,620 --> 00:40:55,749

never heard of any you know special

813

00:41:01,950 --> 00:40:58,630

gifts or anything like that but having

814

00:41:06,450 --> 00:41:01,960

having your your perception of reality

815

00:41:09,300 --> 00:41:06,460

blown up and is in itself a kind of gift

816

00:41:13,079 --> 00:41:09,310

depending on how you handle it all right

817

00:41:15,240 --> 00:41:13,089

and you know it actually I look at my

818

00:41:17,910 --> 00:41:15,250

own sighting like that because um I

819

00:41:19,260 --> 00:41:17,920

probably wouldn't paid hardly any

820

00:41:21,660 --> 00:41:19,270

attention to this at all this whole

821

00:41:23,970 --> 00:41:21,670

subject I've got another question up on

822

00:41:25,890 --> 00:41:23,980

the message board I think it's a pretty

823

00:41:30,240 --> 00:41:25,900

good one have any of the grown children

824

00:41:32,780 --> 00:41:30,250

been revisited or seen other UFOs during

825

00:41:37,800 --> 00:41:32,790

their life that you're aware of yes

826

00:41:41,130 --> 00:41:37,810

Wow talk about that if you would um well

827

00:41:44,430 --> 00:41:41,140

was three or four that I've discussed it

828

00:41:47,790 --> 00:41:44,440

with um that particular part and I've

829

00:41:50,880 --> 00:41:47,800

asked them all that if there was any

830

00:41:57,930 --> 00:41:50,890

further events beyond what happened as a

831

00:42:03,089 --> 00:41:57,940

child um yeah I don't know quite how did

832

00:42:05,640 --> 00:42:03,099

what to speak about on that um other

833

00:42:08,700 --> 00:42:05,650

than that's they're not with all of them

834

00:42:11,329 --> 00:42:08,710

but with some a small group that you

835

00:42:14,790 --> 00:42:11,339

know I'd say over you know a handful of

836

00:42:17,579 --> 00:42:14,800

them the will recurring incidents that

837

00:42:19,680 --> 00:42:17,589

happened later in their lives anything

838

00:42:21,810 --> 00:42:19,690

to do with them

839

00:42:24,690 --> 00:42:21,820

and I don't really talk about this

840

00:42:26,520 --> 00:42:24,700

subject too much but did any of them

841

00:42:30,589 --> 00:42:26,530

ever claim to have any abduction

842

00:42:35,430 --> 00:42:30,599

experiences well I looked into that and

843

00:42:38,099 --> 00:42:35,440

uh I have you know some of them sound

844

00:42:40,230 --> 00:42:38,109

there are some things that they said

845

00:42:42,300 --> 00:42:40,240

about what happened that makes me wonder

846

00:42:45,510 --> 00:42:42,310

about that you know there's certain

847

00:42:49,140 --> 00:42:45,520

things that occur in the abduction

848

00:42:49,950 --> 00:42:49,150

scenario mm-hmm Oh lots of time and

849

00:42:53,220 --> 00:42:49,960

things like that

850

00:42:55,740 --> 00:42:53,230

mm-hmm really yes interesting

851

00:43:00,450 --> 00:42:55,750

yeah but it's it's again like it's just

852

00:43:03,240 --> 00:43:00,460

it's a small percentage but then you the

853

00:43:05,880 --> 00:43:03,250

people are that like sigh I have to say

854

00:43:07,800 --> 00:43:05,890

like a lot of the men that were there

855

00:43:10,829 --> 00:43:07,810

you know they're men now of the children

856

00:43:12,900 --> 00:43:10,839

that were there uh tend to be more

857

00:43:15,259 --> 00:43:12,910

reticent about talking about what

858

00:43:19,130 --> 00:43:15,269

happened hmm

859

00:43:20,509 --> 00:43:19,140

the women much more open and brave if

860

00:43:27,229 --> 00:43:20,519

you want to say and I think that's just

861

00:43:28,999 --> 00:43:27,239

a cultural a cultural thing but yeah now

862

00:43:30,859 --> 00:43:29,009

let's talk about your film first of all

863

00:43:33,739 --> 00:43:30,869

does it have a working title at this

864

00:43:36,049 --> 00:43:33,749

point the working title is aerial

865

00:43:38,509 --> 00:43:36,059

phenomena ah Wow

866

00:43:41,449 --> 00:43:38,519

planned do you have an idea I know

867

00:43:42,979 --> 00:43:41,459

you've been editing away forever but do

868

00:43:45,919 --> 00:43:42,989

you have an idea when this may be

869

00:43:48,499 --> 00:43:45,929

released it'll definitely be released

870

00:43:50,329 --> 00:43:48,509

within the year with definitely here so

871

00:43:52,849 --> 00:43:50,339

yeah I'm going to make sure I stay in

872

00:43:54,349 --> 00:43:52,859

touch with you on that and get this you

873

00:43:57,739 --> 00:43:54,359

know right up on our website I mean I'm

874

00:44:00,679 --> 00:43:57,749

really fascinated myself by this whole

875

00:44:04,429 --> 00:44:00,689

thing and I really very excited to watch

876

00:44:06,139 --> 00:44:04,439

this I think my goal you know I just

877

00:44:08,689 --> 00:44:06,149

tell people like this you know it's

878

00:44:10,939 --> 00:44:08,699

taken a long time to do it and I wanted

879

00:44:17,209 --> 00:44:10,949

to really do it right you know tell the

880

00:44:17,599 --> 00:44:17,219

complete story you know and in the right

881

00:44:21,829 --> 00:44:17,609

way

882

00:44:24,819 --> 00:44:21,839

actually helps the people went through

883

00:44:27,229 --> 00:44:24,829

it because I more than anybody I want to

884

00:44:28,549 --> 00:44:27,239

present it to the the people that

885

00:44:29,809 --> 00:44:28,559

witnessed it so because they don't know

886

00:44:36,529 --> 00:44:29,819

what happened they don't know the full

887

00:44:38,629 --> 00:44:36,539

story and I've been trying to understand

888

00:44:41,529 --> 00:44:38,639

that for a long time and it'll be a good

889

00:44:44,089 --> 00:44:41,539

day to when I present it to them yeah we

890

00:44:47,179 --> 00:44:44,099

any part in this film or do you plan to

891

00:44:48,709 --> 00:44:47,189

do any type of situation I don't even

892

00:44:51,169 --> 00:44:48,719

know what you would call like phasing

893

00:44:52,999 --> 00:44:51,179

from showing someone has their being

894

00:44:58,099 --> 00:44:53,009

interviewed as a child and then showing

895

00:44:59,749 --> 00:44:58,109

them as the adult oh yes yeah yeah

896

00:45:02,749 --> 00:44:59,759

that's what I would do if I was doing

897

00:45:05,649 --> 00:45:02,759

the film yeah others moments do that in

898

00:45:09,349 --> 00:45:05,659

moments not to do that but but yeah

899

00:45:11,839 --> 00:45:09,359

absolutely part part of it now this as

900

00:45:15,199 --> 00:45:11,849

far as that isn't up on the message

901
00:45:18,109 --> 00:45:15,209
board is there the backing of this film

902
00:45:21,309 --> 00:45:18,119
is it backed by the John Mac Institute

903
00:45:24,649 --> 00:45:21,319
or partially initially it was and

904
00:45:28,320 --> 00:45:24,659
basically it's been on my back for for a

905
00:45:30,360 --> 00:45:28,330
while for a long time on the dot

906
00:45:32,010 --> 00:45:30,370
with all that travel and everything it

907
00:45:35,130 --> 00:45:32,020
sounds like you can really rack up some

908
00:45:36,020 --> 00:45:35,140
pretty heavy-duty expenses on something

909
00:45:40,830 --> 00:45:36,030
yes

910
00:45:45,480 --> 00:45:40,840
absolutely and and you know we're now

911
00:45:49,650 --> 00:45:45,490
looking for finishing funds and um yeah

912
00:45:52,440 --> 00:45:49,660
it's been quite a wait financially for

913
00:45:56,160 --> 00:45:52,450

sure I am to need some producers out

914

00:45:58,920 --> 00:45:56,170

there anyone listening yeah yeah yes

915

00:46:02,250 --> 00:45:58,930

now do you have a you don't actually

916

00:46:04,050 --> 00:46:02,260

have a website for this film yet no

917

00:46:07,860 --> 00:46:04,060

that's coming I I know I haven't been

918

00:46:11,430 --> 00:46:07,870

very forthcoming with in media you know

919

00:46:14,250 --> 00:46:11,440

and I really my whole feeling has been I

920

00:46:17,250 --> 00:46:14,260

want to get the story done tell it right

921

00:46:20,700 --> 00:46:17,260

and then talk about it and yeah I mean

922

00:46:24,510 --> 00:46:20,710

and the website's definitely definitely

923

00:46:27,360 --> 00:46:24,520

on its way um and people at the time

924

00:46:30,600 --> 00:46:27,370

will be able to find the progress of the

925

00:46:33,510 --> 00:46:30,610

film as it's going we have a Facebook

926
00:46:36,180 --> 00:46:33,520
page very school documentary Facebook

927
00:46:38,400 --> 00:46:36,190
page at this point the website is is in

928
00:46:42,510 --> 00:46:38,410
development okay I will link the

929
00:46:45,810 --> 00:46:42,520
Facebook page and it had a quick Twitter

930
00:46:47,310 --> 00:46:45,820
account or now there is document another

931
00:46:49,170 --> 00:46:47,320
question up there did the John Mac

932
00:46:52,370 --> 00:46:49,180
Institute actually withdraw their

933
00:46:55,170 --> 00:46:52,380
support for this film oh no they've been

934
00:46:55,710 --> 00:46:55,180
with with us been with me the entire

935
00:46:58,740 --> 00:46:55,720
time

936
00:47:02,880 --> 00:46:58,750
okay all right huh yes actually I spoke

937
00:47:03,480 --> 00:47:02,890
with will over there yeah nice guy yeah

938
00:47:07,680 --> 00:47:03,490

good guy

939

00:47:10,050 --> 00:47:07,690

absence uh you know with their with John

940

00:47:14,570 --> 00:47:10,060

Max archives and it's incredible what

941

00:47:17,570 --> 00:47:14,580

was what was kept not just video but

942

00:47:20,960 --> 00:47:17,580

documents and a lot of different things

943

00:47:24,990 --> 00:47:20,970

there was buried he was invaluable in

944

00:47:27,630 --> 00:47:25,000

tracking a lot of the background

945

00:47:30,840 --> 00:47:27,640

information of the kids and John's

946

00:47:32,340 --> 00:47:30,850

personal recordings on that um so John

947

00:47:33,960 --> 00:47:32,350

himself when he was there

948

00:47:37,800 --> 00:47:33,970

do you happen to know how many days he

949

00:47:41,170 --> 00:47:37,810

spent there he spent a week there um and

950

00:47:44,230 --> 00:47:41,180

I was three days of interviewing

951
00:47:45,970 --> 00:47:44,240
at two days at Ariel and you got to see

952
00:47:48,309 --> 00:47:45,980
the raw food is not not what we would

953
00:47:50,859 --> 00:47:48,319
see on any of these videos them say

954
00:47:55,359 --> 00:47:50,869
YouTube there's a lot a lot more footage

955
00:47:57,870 --> 00:47:55,369
than what is on YouTube absolutely but

956
00:48:00,849 --> 00:47:57,880
most I'm sure most of the profound

957
00:48:05,710 --> 00:48:00,859
things that the kids said were included

958
00:48:08,920 --> 00:48:05,720
in the films that we can watch well some

959
00:48:13,000 --> 00:48:08,930
of some of it there's some very profound

960
00:48:15,430 --> 00:48:13,010
things that I have found that are

961
00:48:18,460 --> 00:48:15,440
wouldn't be the the things right at the

962
00:48:23,740 --> 00:48:18,470
top of the you know I think it takes a

963
00:48:28,480 --> 00:48:23,750

little more introspection some very deep

964

00:48:31,750 --> 00:48:28,490

profound things that were said behaviors

965

00:48:35,039 --> 00:48:31,760

that they noticed things that which I

966

00:48:38,109 --> 00:48:35,049

find fascinating because they

967

00:48:40,359 --> 00:48:38,119

collaborate with other people who

968

00:48:43,359 --> 00:48:40,369

describes similar things from other

969

00:48:46,059 --> 00:48:43,369

countries and around the planet that

970

00:48:48,579 --> 00:48:46,069

stuff that fascinates me as well there's

971

00:48:51,579 --> 00:48:48,589

a lot that fascinates this particular

972

00:48:55,240 --> 00:48:51,589

case yeah yeah that's that's amazing

973

00:48:57,670 --> 00:48:55,250

so are you actually done with all the

974

00:48:59,260 --> 00:48:57,680

shooting of this film and you're just in

975

00:49:00,880 --> 00:48:59,270

the editing process or do you believe

976

00:49:02,890 --> 00:49:00,890

that there's still more shooting to do

977

00:49:05,799 --> 00:49:02,900

there's definitely going to be some more

978

00:49:08,970 --> 00:49:05,809

shooting to do but it's 90 you know in

979

00:49:13,450 --> 00:49:08,980

the 90 percentile lanes of completely

980

00:49:17,140 --> 00:49:13,460

shot as far as that as far as the camera

981

00:49:19,480 --> 00:49:17,150

work yeah and interviews that's great if

982

00:49:22,900 --> 00:49:19,490

you know we only have like a minute and

983

00:49:27,539 --> 00:49:22,910

a half or so left here so if you were to

984

00:49:30,010 --> 00:49:27,549

say to someone the most profound things

985

00:49:33,910 --> 00:49:30,020

the most profound thing that you think

986

00:49:37,089 --> 00:49:33,920

that the kids said in this whole thing

987

00:49:39,039 --> 00:49:37,099

would it be about the earth you know the

988

00:49:40,240 --> 00:49:39,049

thoughts that they had or is there

989

00:49:43,720 --> 00:49:40,250

something else that you think is even

990

00:49:46,089 --> 00:49:43,730

more interesting I think it's all

991

00:49:50,559 --> 00:49:46,099

interesting to me the fact that they're

992

00:49:53,440 --> 00:49:50,569

describing something that is not

993

00:49:54,370 --> 00:49:53,450

supposed to exist is fascinating the

994

00:49:57,210 --> 00:49:54,380

fact that

995

00:50:01,630 --> 00:49:57,220

somehow they were communicated

996

00:50:08,200 --> 00:50:01,640

communicating with these creatures with

997

00:50:10,440 --> 00:50:08,210

no vocal speaking word telepathy which

998

00:50:12,700 --> 00:50:10,450

and also the messages that were

999

00:50:14,830 --> 00:50:12,710

broadcast into their head essentially I

1000

00:50:17,710 --> 00:50:14,840

think that all of that to me is

1001
00:50:19,960 --> 00:50:17,720
fascinating hit like I'm right there

1002
00:50:21,820 --> 00:50:19,970
with you I agree thanks so much this is

1003
00:50:23,110 --> 00:50:21,830
a real pleasure I'm sorry we get a

1004
00:50:26,140 --> 00:50:23,120
little bit of a late start so we have to

1005
00:50:27,520 --> 00:50:26,150
end a little bit early but I really

1006
00:50:30,700 --> 00:50:27,530
really enjoyed speaking with you

1007
00:50:32,020 --> 00:50:30,710
Randall's same here and we'll look be

1008
00:50:33,460 --> 00:50:32,030
looking for your website and once you

1009
00:50:37,030 --> 00:50:33,470
get that website going let me know and

1010
00:50:39,610 --> 00:50:37,040
I'll be glad to post it on podcast UFO

1011
00:50:41,620 --> 00:50:39,620
so that's it for the show today if you

1012
00:50:43,120 --> 00:50:41,630
miss any part of the show you can catch

1013
00:50:44,640 --> 00:50:43,130

it as a podcast and a whole bunch of

1014

00:50:48,670 --> 00:50:44,650

other free podcasts at our website

1015

00:50:52,090 --> 00:50:48,680

podcast UFO comm our guest next week

1016

00:50:54,130 --> 00:50:52,100

will be UFO skeptic a UFO skeptic in his

1017

00:50:55,960 --> 00:50:54,140

name is Eric Schneider I want to thank

1018

00:50:56,890 --> 00:50:55,970

everyone for helping out the show today

1019

00:51:00,760 --> 00:50:56,900

of course our guest

1020

00:51:03,150 --> 00:51:00,770

Randall Nickerson Keith Roland for

1021

00:51:06,150 --> 00:51:03,160

producing the dark matter radio network

1022

00:51:08,410 --> 00:51:06,160

Kerry Lloyd Whitehouse for the music

1023

00:51:10,300 --> 00:51:08,420

Alejandro Rojas for the news

1024

00:51:13,540 --> 00:51:10,310

Peggy shining for managing the Facebook

1025

00:51:15,700 --> 00:51:13,550

page you can check us out on the

1026

00:51:18,160 --> 00:51:15,710

Facebook for all the latest UFO news

1027

00:51:19,630 --> 00:51:18,170

we'll be here next week on the dark

1028

00:51:21,850 --> 00:51:19,640

matter radio network and every Wednesday

1029

00:51:24,360 --> 00:51:21,860

at 9 p.m. Eastern Standard Time and

1030

00:51:26,650 --> 00:51:24,370

don't forget to jump into the chatroom
