1
00:00:04,160 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:05,390 --> 00:00:04,170
triangle you know there's explanation

3
00:00:07,550 --> 00:00:05,400
for everything that occurred in the

4
00:00:10,070 --> 00:00:07,560
Rendlesham forest incident involved

5
00:00:15,620 --> 00:00:10,080
aliens at all it was completely silent

6
00:00:17,210 --> 00:00:15,630
it comes right over our head it's also

7
00:00:19,040 --> 00:00:17,220
really standing in the clearing he

8
00:00:20,660 --> 00:00:19,050
turned over to my father held his hand

9
00:00:27,380 --> 00:00:20,670
and he looked in his eyes and said we're

10
00:00:28,460 --> 00:00:27,390
not alone welcome to podcast UFO for our

11
00:00:30,830 --> 00:00:28,470
live show

12
00:00:32,179 --> 00:00:30,840

00:00:53,660 --> 00:00:52,079

is Martin Willis your host and we're

22

00:00:56,810 --> 00:00:53,670

coming at you live on the Dark Matter

p.m. to 10 p.m. Eastern Standard Time

25

00:01:05,060 --> 00:01:02,160

we're coming at you live for two hours

26

00:01:07,609 --> 00:01:05,070

starting last week before we get into

27

00:01:09,980 --> 00:01:07,619

the details about the changes Alejandro

28

00:01:12,950 --> 00:01:09,990

Rojas from open minds is going to be

29

00:01:16,520 --> 00:01:12,960

sitting in and talking about UFO events

30

00:01:18,010 --> 00:01:16,530

in a minute and he will be joined by a

31

00:01:20,810 --> 00:01:18,020

special guest a little later on

32

00:01:23,030 --> 00:01:20,820

journalist Leslie came to talk about her

33

00:01:25,660 --> 00:01:23,040

experience recently at the UFO

34

00:01:28,660 --> 00:01:25,670

discussion panel at American University

35

00:01:32,690 --> 00:01:28,670

then basically at the half hour

36

00:01:34,880 --> 00:01:32,700

AJ Sherrod a noted ufologists from

37

00:01:36,039 --> 00:01:34,890

bazzill will be talking to us for an

38

00:01:38,660 --> 00:01:36,049

hour and a half or so

39

00:01:40,969 --> 00:01:38,670

well after I announced that future

40

00:01:43,280 --> 00:01:40,979

podcasts would be two hours long last

41

00:01:46,039 --> 00:01:43,290

week and that the second hour would be

42

00:01:49,310 --> 00:01:46,049

by subscription only I received quite a

43

00:01:53,899 --> 00:01:49,320

few emails basically people telling me

44

00:01:55,880 --> 00:01:53,909

to go you know what myself and I have to

45

00:01:57,770 --> 00:01:55,890

admit I was taken by surprise given that

46

00:02:01,550 --> 00:01:57,780

everyone will still be getting the usual

47

00:02:03,499 --> 00:02:01,560

our free show I look at it this way I'm

48

00:02:05,899 --> 00:02:03,509

not taking away anything I'm just

49

00:02:06,410 --> 00:02:05,909

offering more another hour that's all

50

00:02:08,510 --> 00:02:06,420

I'm doing

51
00:02:10,499 --> 00:02:08,520
I was also surprised by the number of

52
00:02:13,500 --> 00:02:10,509
people telling me that at five bucks

53
00:02:16,800 --> 00:02:13,510
month a little over a dollar per podcast

54
00:02:19,440 --> 00:02:16,810
was way too expensive well for as long

55
00:02:22,080 --> 00:02:19,450
as I've run this podcast I have done so

56
00:02:24,390 --> 00:02:22,090
at my own expense and I don't make any

57
00:02:27,119 --> 00:02:24,400
money at this as a matter of fact since

58
00:02:29,729 --> 00:02:27,129
the show has grown so much I am out of

59
00:02:32,039 --> 00:02:29,739
pocket each and every month unlike many

60
00:02:35,220 --> 00:02:32,049
other podcasts I'm not a paid employee

61
00:02:38,099 --> 00:02:35,230
nor do I have any sponsors a number of

62
00:02:39,899 --> 00:02:38,109
things that are out of pocket as well

63
00:02:42,240 --> 00:02:39,909

that I'd like to bring you is a live

64

00:02:44,610 --> 00:02:42,250

show from the UFO Congress in Arizona

65

00:02:46,589 --> 00:02:44,620

this coming February I would also like

66

00:02:48,479 --> 00:02:46,599

to pay to have the show's transcribed

67

00:02:51,059 --> 00:02:48,489

like I used to that was very helpful to

68

00:02:54,599 --> 00:02:51,069

a lot of people and of course I'd like

69

00:02:56,670 --> 00:02:54,609

to pay for fresh blogs on our website so

70

00:02:58,289 --> 00:02:56,680

if you feel paying a fee for the second

71

00:03:01,170 --> 00:02:58,299

half of the show is not something you

72

00:03:03,000 --> 00:03:01,180

care to do I understand if charging a

73

00:03:06,240 --> 00:03:03,010

fee makes you no longer a fan of the

74

00:03:08,910 --> 00:03:06,250

show I will understand as well and we're

75

00:03:10,289 --> 00:03:08,920

sorry to lose you but in truth I'm just

76

00:03:12,720 --> 00:03:10,299

trying to make this a better show and

77

00:03:16,619 --> 00:03:12,730

thank you for understanding we really do

78

00:03:18,210 --> 00:03:16,629

appreciate each and every one of you so

79

00:03:20,729 --> 00:03:18,220

show I will certainly put you on the

alright that's enough of that

98

00:04:11,250 --> 00:04:08,560

now we're ready to talk to Alejandro how

99

00:04:12,920 --> 00:04:11,260

are you this week Alejandro I am doing

100

00:04:15,530 --> 00:04:12,930

good how are you

101
00:04:17,659 --> 00:04:15,540
great great and we're freezing up here

102
00:04:20,120 --> 00:04:17,669
you know that up here on the mountain I

103
00:04:22,490 --> 00:04:20,130
have had an ice storm a couple of days

104
00:04:24,860 --> 00:04:22,500
ago really yeah I got some took some

105
00:04:28,010 --> 00:04:24,870
great pictures and everything that was

106
00:04:30,620 --> 00:04:28,020
just frozen like every grass blade and

107
00:04:32,240 --> 00:04:30,630
every twig oh my god big thick gob of

108
00:04:35,870 --> 00:04:32,250
ice on it now there's snow on the ground

109
00:04:37,820 --> 00:04:35,880
and I'm I go I sound like you know a

110
00:04:40,460 --> 00:04:37,830
mountain man or something but drive down

111
00:04:45,920 --> 00:04:40,470
the bottom of the mountain from where I

112
00:04:47,749 --> 00:04:45,930
live and if there's no snow so I know at

113
00:04:50,029 --> 00:04:47,759

least I can escape for a little while

114

00:04:54,050 --> 00:04:50,039

I'm picturing you with like icicle

115

00:04:55,909 --> 00:04:54,060

beards and all this snow kind of a Santa

116

00:04:58,339 --> 00:04:55,919

Claus kind of thing is what I'm sort of

117

00:05:03,620 --> 00:04:58,349

staring out the window looking for a UFO

118

00:05:05,390 --> 00:05:03,630

that never seen yeah it's gotten chilly

119

00:05:08,689 --> 00:05:05,400

around here too I had to wear a jacket

120

00:05:12,409 --> 00:05:08,699

yesterday I might need to put one on

121

00:05:14,210 --> 00:05:12,419

this evening because it's the cold time

122

00:05:18,110 --> 00:05:14,220

of year here in Phoenix

123

00:05:22,189 --> 00:05:18,120

temperatures have dipped down into the

124

00:05:25,070 --> 00:05:22,199

highs are as low as 71 degrees oh geez

125

00:05:29,659 --> 00:05:25,080

I'm really feeling for you men yeah yeah

126

00:05:32,000 --> 00:05:29,669

I'm I'm you know doing what I can

127

00:05:34,610 --> 00:05:32,010

day by day is what you got to do that's

128

00:05:37,909 --> 00:05:34,620

right so what do we have going on for

129

00:05:39,649 --> 00:05:37,919

news this week okay first we'll start

130

00:05:40,909 --> 00:05:39,659

off because this is really cool and

131

00:05:42,290 --> 00:05:40,919

there's a lot of background I'd like to

132

00:05:44,510 --> 00:05:42,300

share with your listeners that I'm sure

133

00:05:47,390 --> 00:05:44,520

they would love it at but we got to get

134

00:05:50,240 --> 00:05:47,400

through this quick before Leslie comes

135

00:05:52,879 --> 00:05:50,250

on because this is the American

136

00:05:55,600 --> 00:05:52,889

University talk which Leslie Kane of

137

00:05:58,070 --> 00:05:55,610

course it's going to talk about however

138

00:05:59,810 --> 00:05:58,080

you know this is a part that she said

139

00:06:02,779 --> 00:05:59,820

she didn't have anything to do with and

140

00:06:05,770 --> 00:06:02,789

so she doesn't know much about it and

141

00:06:07,850 --> 00:06:05,780

nor does she seem to be particularly

142

00:06:08,930 --> 00:06:07,860

interested at this point and I

143

00:06:11,420 --> 00:06:08,940

understand why

144

00:06:14,180 --> 00:06:11,430

and essentially what had happened is the

145

00:06:16,040 --> 00:06:14,190

Roswell researcher Tom Kerry now I was

146

00:06:17,570 --> 00:06:16,050

really excited when I saw him on the

147

00:06:20,330 --> 00:06:17,580

list of speakers because I think he's a

148

00:06:22,399 --> 00:06:20,340

very credible researcher I'm a big fan

149

00:06:23,690 --> 00:06:22,409

of him and his research partner Don

150

00:06:27,830 --> 00:06:23,700

Schmidt

151

00:06:30,050 --> 00:06:27,840

however surprisingly at this event he

152

00:06:33,980 --> 00:06:30,060

came out and said I have the smoking gun

153

00:06:36,530 --> 00:06:33,990

I have pictures of an alien but he said

154

00:06:39,170 --> 00:06:36,540

sorry I don't have them with me I'm

155

00:06:41,750 --> 00:06:39,180

gonna have to show those to you later

156

00:06:43,190 --> 00:06:41,760

now I you know when I first heard that

157

00:06:45,830 --> 00:06:43,200

I'm thinking yeah

158

00:06:47,210 --> 00:06:45,840

but now you know I totally understand

159

00:06:48,680 --> 00:06:47,220

you why would you want to show something

160

00:06:51,440 --> 00:06:48,690

up where all of a sudden people can grab

161

00:06:53,630 --> 00:06:51,450

you know images of it and it'd be posted

162

00:06:56,420 --> 00:06:53,640

blasted all over the place especially if

163

00:07:00,320 --> 00:06:56,430

this is a and I hate to say it but it

164

00:07:02,390 --> 00:07:00,330

could be some type of cash cow or - well

165

00:07:04,040 --> 00:07:02,400

you know and I'm giving him the benefit

166

00:07:06,680 --> 00:07:04,050

of the doubt because of who he is and

167

00:07:08,900 --> 00:07:06,690

the research they've done he says you

168

00:07:11,690 --> 00:07:08,910

know these these films were these

169

00:07:14,810 --> 00:07:11,700

pictures were found with some other

170

00:07:17,330 --> 00:07:14,820

pictures with this couple who I guess

171

00:07:19,520 --> 00:07:17,340

took the pictures or may have taken the

172

00:07:22,370 --> 00:07:19,530

pictures new Eisenhower because they

173

00:07:24,020 --> 00:07:22,380

were in pictures with Eisenhower so it

174

00:07:26,450 --> 00:07:24,030

looks interesting

175

00:07:28,520 --> 00:07:26,460

like I said Leslie said well I wasn't

176

00:07:30,590 --> 00:07:28,530

didn't have anything to do with that

177

00:07:32,420 --> 00:07:30,600

because you know it doesn't necessarily

178

00:07:34,310 --> 00:07:32,430

make the field look good though I think

179

00:07:37,520 --> 00:07:34,320

that the mainstream kind of views

180

00:07:39,440 --> 00:07:37,530

ufology in this manner you know we're

181

00:07:41,450 --> 00:07:39,450

all a bunch of guys here saying there's

182

00:07:43,310 --> 00:07:41,460

some great stuff here UFOs are real the

183

00:07:46,850 --> 00:07:43,320

evidence is there and when they say okay

184

00:07:48,950 --> 00:07:46,860

where is it oh well I can't show it to

185

00:07:51,380 --> 00:07:48,960

your the government's got it or they're

186

00:07:54,200 --> 00:07:51,390

hiding it you know or look at this muddy

187

00:07:56,630 --> 00:07:54,210

picture of a UFO so it doesn't I don't

188

00:08:00,400 --> 00:07:56,640

think in this environment serve our

189

00:08:02,950 --> 00:08:00,410

field well especially when Leslie and

190

00:08:05,960 --> 00:08:02,960

Richard Haines and the others I have

191

00:08:08,720 --> 00:08:05,970

Charles thought have such incredibly

192

00:08:11,030 --> 00:08:08,730

credible and interesting information to

193

00:08:14,570 --> 00:08:11,040

share in this field so I I could see how

194

00:08:17,390 --> 00:08:14,580

she would be frustrated some of the

195

00:08:21,020 --> 00:08:17,400

background I wanted to share he's at

196

00:08:24,290 --> 00:08:21,030

these pictures actually made a whole

197

00:08:26,690 --> 00:08:24,300

ruckus a year ago when information was

198

00:08:30,770 --> 00:08:26,700

leaked that Tom and Dawn were working on

199

00:08:33,520 --> 00:08:30,780

this and Tom and Don have not said one

200

00:08:35,390 --> 00:08:33,530

thing this is the first time well even

201
00:08:37,790 --> 00:08:35,400
I'd like to score

202
00:08:40,640 --> 00:08:37,800
correct you on that I had I had both of

203
00:08:42,560 --> 00:08:40,650
them on since that time and I can't

204
00:08:45,380 --> 00:08:42,570
remember which one it was either dawn or

205
00:08:47,690 --> 00:08:45,390
Tom but we did talk about it and they

206
00:08:50,030 --> 00:08:47,700
didn't want he didn't want to elaborate

207
00:08:52,460 --> 00:08:50,040
much on it whoever the person was I was

208
00:08:54,590 --> 00:08:52,470
that's what I mean is that they have

209
00:08:59,540 --> 00:08:54,600
been very tight-lipped and said very

210
00:09:01,220 --> 00:08:59,550
little a lot of alleged facts about the

211
00:09:04,880 --> 00:09:01,230
pictures came out about a year ago

212
00:09:07,880 --> 00:09:04,890
things such as that it was discovered by

213
00:09:12,410 --> 00:09:07,890

a cleaning lady who was cleaning stuff

214

00:09:15,020 --> 00:09:12,420

up at an estate sale right that the

215

00:09:17,990 --> 00:09:15,030

pictures show an alien that appears to

216

00:09:20,390 --> 00:09:18,000

have been and I think Tom said this that

217

00:09:23,390 --> 00:09:20,400

at the university american university

218

00:09:25,400 --> 00:09:23,400

that looks like it's insides had been

219

00:09:30,380 --> 00:09:25,410

taken out and it had undergone some sort

220

00:09:33,020 --> 00:09:30,390

of autopsy so yeah so it's interesting I

221

00:09:34,820 --> 00:09:33,030

just you know what's hard I can imagine

222

00:09:36,800 --> 00:09:34,830

why people would be skeptical and of

223

00:09:39,050 --> 00:09:36,810

course I can't help but be skeptical

224

00:09:42,640 --> 00:09:39,060

because every time something like this

225

00:09:45,500 --> 00:09:42,650

comes along the smoking guns seem to be

226

00:09:46,460 --> 00:09:45,510

smoking cap guns or water guns or like

227

00:09:48,650 --> 00:09:46,470

the Martian guns

228

00:09:53,720 --> 00:09:48,660

Marvin the Martian gun where it's just

229

00:09:57,310 --> 00:09:53,730

one it's a bit worrisome but this has

230

00:10:00,080 --> 00:09:57,320

made a lot of news and there's a lot of

231

00:10:02,330 --> 00:10:00,090

criticism of the way Tom Kerry went

232

00:10:07,190 --> 00:10:02,340

about this but there's also some people

233

00:10:09,470 --> 00:10:07,200

are excited to and hopeful ya know that

234

00:10:11,210 --> 00:10:09,480

now something you have to connect to to

235

00:10:16,370 --> 00:10:11,220

Leslie here in just a second but I

236

00:10:19,360 --> 00:10:16,380

didn't buy anything never happened yes I

237

00:10:23,240 --> 00:10:19,370

also want to say that didn't he claim

238

00:10:26,960 --> 00:10:23,250

and also at this panel that he did get

239

00:10:28,880 --> 00:10:26,970

these authenticated to be 1947 there

240

00:10:30,620 --> 00:10:28,890

were rumors were saying that some

241

00:10:33,500 --> 00:10:30,630

television show had gotten them

242

00:10:35,810 --> 00:10:33,510

authenticated by Kodak that that but

243

00:10:37,820 --> 00:10:35,820

according to the rumors from a year ago

244

00:10:39,980 --> 00:10:37,830

and I I want to say these are rumors we

245

00:10:41,420 --> 00:10:39,990

don't know the exact facts yet the rumor

246

00:10:45,680 --> 00:10:41,430

said that they authenticated them

247

00:10:47,090 --> 00:10:45,690

something between 1945 and 1962 that

248

00:10:50,060 --> 00:10:47,100

there was a window there

249

00:10:50,960 --> 00:10:50,070

but whatever using that type of film but

250

00:10:52,880 --> 00:10:50,970

all right we're ready

251
00:10:56,750 --> 00:10:52,890
Mosley is waiting for us now so here we

252
00:11:02,390 --> 00:10:56,760
go we're gonna connect to her and always

253
00:11:05,540 --> 00:11:02,400
enjoy speaking to her oh yes and Lesley

254
00:11:08,690 --> 00:11:05,550
hey Martin alejandro how are you guys

255
00:11:11,150 --> 00:11:08,700
good good thanks for joining us

256
00:11:14,870 --> 00:11:11,160
and let's talk about what went on was it

257
00:11:17,360 --> 00:11:14,880
last week oh gosh I've lost all sense of

258
00:11:20,750 --> 00:11:17,370
time I think it was last week it was

259
00:11:22,160 --> 00:11:20,760
last week yes last Wednesday yes so

260
00:11:26,270 --> 00:11:22,170
let's hear about it

261
00:11:28,160 --> 00:11:26,280
well it was a fantastic day we had we

262
00:11:30,230 --> 00:11:28,170
had this first we started with his lunch

263
00:11:32,780 --> 00:11:30,240

I mean I guess everybody knows that who

264

00:11:35,710 --> 00:11:32,790

was involved and that it was at American

265

00:11:38,240 --> 00:11:35,720

University which was a very important

266

00:11:40,550 --> 00:11:38,250

University in Washington they have you

267

00:11:43,070 --> 00:11:40,560

know Obama has spoken there in the last

268

00:11:47,150 --> 00:11:43,080

year it's very plugged in to the

269

00:11:49,280 --> 00:11:47,160

political scene and so it was just very

270

00:11:52,130 --> 00:11:49,290

impressive that they went all out to

271

00:11:54,710 --> 00:11:52,140

host us because of the topic and most

272

00:11:56,990 --> 00:11:54,720

universities don't do that and what we

273

00:11:59,960 --> 00:11:57,000

did was started with a luncheon there

274

00:12:02,030 --> 00:11:59,970

and which involved the students from the

275

00:12:04,460 --> 00:12:02,040

honors class that Professor John

276

00:12:06,770 --> 00:12:04,470

Weisskopf teaches and it was because of

277

00:12:08,360 --> 00:12:06,780

his class that he invited us to come

278

00:12:11,420 --> 00:12:08,370

over there

279

00:12:14,420 --> 00:12:11,430

a bunch of administrative people from

280

00:12:16,220 --> 00:12:14,430

the University there and very you know

281

00:12:19,010 --> 00:12:16,230

all these people that had contributed to

282

00:12:21,800 --> 00:12:19,020

making this thing happen and then we

283

00:12:24,020 --> 00:12:21,810

went and spoke to the honors class which

284

00:12:27,710 --> 00:12:24,030

was really fun they're incredibly smart

285

00:12:29,750 --> 00:12:27,720

there's a group of 11 kids and they're

286

00:12:33,170 --> 00:12:29,760

undergrads really smart kids and they

287

00:12:35,390 --> 00:12:33,180

just asked really great questions very

288

00:12:36,650 --> 00:12:35,400

thoughtful and they'd all read my book

289

00:12:39,260 --> 00:12:36,660

you know what was personally really

290

00:12:41,210 --> 00:12:39,270

thrilling for me it was just very cool

291

00:12:43,160 --> 00:12:41,220

for me because they were sitting at

292

00:12:45,380 --> 00:12:43,170

these long tables which were like desks

293

00:12:47,180 --> 00:12:45,390

in a classroom with their sort of

294

00:12:48,710 --> 00:12:47,190

notebooks you know how like kids have

295

00:12:50,569 --> 00:12:48,720

piles of stuff in front of them their

296

00:12:53,090 --> 00:12:50,579

pens in their notebooks and

297

00:12:56,900 --> 00:12:53,100

Pyles was my book you know sort of a

298

00:12:58,549 --> 00:12:56,910

well-worn paperback version of my book

299

00:13:00,379 --> 00:12:58,559

and they were all had them there and

300

00:13:03,889 --> 00:13:00,389

because they were actually used as a

301

00:13:06,530 --> 00:13:03,899

textbook in the course it was just so

302

00:13:08,350 --> 00:13:06,540

cool for me to see my book being used in

303

00:13:10,519 --> 00:13:08,360

that context that was really exciting

304

00:13:11,869 --> 00:13:10,529

anyway and after that class we went

305

00:13:14,150 --> 00:13:11,879

right over to this very beautiful

306

00:13:16,460 --> 00:13:14,160

auditorium that they have in the art

307

00:13:19,699 --> 00:13:16,470

center there and gave an evening panel

308

00:13:21,679 --> 00:13:19,709

in which the four of us presented our

309

00:13:23,720 --> 00:13:21,689

presentations and we only had twenty

310

00:13:25,999 --> 00:13:23,730

minutes each so it was very difficult to

311

00:13:28,539 --> 00:13:26,009

keep everything short but it was very

312

00:13:31,609 --> 00:13:28,549

well received and the audience was great

313

00:13:33,350 --> 00:13:31,619

very intelligent questions again at the

314

00:13:35,840 --> 00:13:33,360

evening event and then we did a book

315

00:13:37,879 --> 00:13:35,850

signing afterwards and there was just so

316

00:13:40,280 --> 00:13:37,889

much positive energy there and

317

00:13:43,220 --> 00:13:40,290

enthusiasm for it so it was a great

318

00:13:47,509 --> 00:13:43,230

experience Wow now did the press get

319

00:13:51,079 --> 00:13:47,519

involved the university did not want to

320

00:13:53,269 --> 00:13:51,089

go all out and invite the press so which

321

00:13:56,119 --> 00:13:53,279

was sort of they intended to but then it

322

00:13:58,119 --> 00:13:56,129

turned out they didn't so we there

323

00:14:01,280 --> 00:13:58,129

wasn't a lot of press there was one

324

00:14:07,929 --> 00:14:01,290

major radio station that came called

325

00:14:10,850 --> 00:14:07,939

WTOP my Facebook page probably seen that

326

00:14:13,699 --> 00:14:10,860

they did a story about the event but

327

00:14:16,309 --> 00:14:13,709

that was the only press I think that was

328

00:14:19,220 --> 00:14:16,319

you know they covered it how were the

329

00:14:21,859 --> 00:14:19,230

students in the honors class how did it

330

00:14:24,650 --> 00:14:21,869

seem like they they felt about the

331

00:14:26,659 --> 00:14:24,660

information in the book I think they

332

00:14:28,340 --> 00:14:26,669

were very interested I mean i sat with

333

00:14:31,129 --> 00:14:28,350

some of them at lunch and they just

334

00:14:33,650 --> 00:14:31,139

asked a lot of good questions and no but

335

00:14:37,249 --> 00:14:33,660

nobody was you know not taking it

336

00:14:39,859 --> 00:14:37,259

seriously that's for sure really cool

337

00:14:44,210 --> 00:14:39,869

yeah they were just it was just part of

338

00:14:46,100 --> 00:14:44,220

their learning process and it was just

339

00:14:46,369 --> 00:14:46,110

it was very cool to see it treated like

340

00:14:49,309 --> 00:14:46,379

that

341

00:14:51,229 --> 00:14:49,319

and which is the way it should be so

342

00:14:56,470 --> 00:14:51,239

actually and one level wasn't surprising

343

00:15:01,030 --> 00:14:58,960

interaction with Miles O'Brien before it

344

00:15:04,900 --> 00:15:01,040

was really exciting to see that he was

345

00:15:08,200 --> 00:15:04,910

going to moderate early on especially

346

00:15:10,480 --> 00:15:08,210

given his sighting have you ever talked

347

00:15:13,060 --> 00:15:10,490

with him before yeah I have a couple of

348

00:15:17,230 --> 00:15:13,070

times I met him in New York City

349

00:15:19,360 --> 00:15:17,240

Quinn's because he covered he did a

350

00:15:21,850 --> 00:15:19,370

program on CNN I guess you probably

351

00:15:24,310 --> 00:15:21,860

aware that I had five parts to a good on

352

00:15:25,900 --> 00:15:24,320

UFOs and that's when he announced his

353

00:15:27,550 --> 00:15:25,910

sighting so I've had some contact with

354

00:15:29,770 --> 00:15:27,560

him since then and then he wrote a blurb

355

00:15:32,380 --> 00:15:29,780

for my book so I had some conversations

356

00:15:34,420 --> 00:15:32,390

with him then and we just sort of have

357

00:15:36,520 --> 00:15:34,430

loosely kept in touch over the years and

358

00:15:39,670 --> 00:15:36,530

so I I was the one that approached him

359

00:15:41,260 --> 00:15:39,680

about doing this and he agreed to do it

360

00:15:43,120 --> 00:15:41,270

but then unfortunately the last minute

361

00:15:50,110 --> 00:15:43,130

had to be called away so but the

362

00:15:54,160 --> 00:15:50,120

moderator we had Jesus name is interview

363

00:15:56,410 --> 00:15:54,170

but he was absolutely fantastic he is

364

00:15:58,870 --> 00:15:56,420

one of the deans at the school and he's

365

00:16:01,560 --> 00:15:58,880

a political scientist very very

366

00:16:06,010 --> 00:16:01,570

intelligent guy and he was just terrific

367

00:16:08,020 --> 00:16:06,020

assimilator so Lesley what kind of class

368

00:16:10,170 --> 00:16:08,030

was this that studied that did you see

369

00:16:13,450 --> 00:16:10,180

any other books they're reading - I

370

00:16:15,730 --> 00:16:13,460

didn't see any their books but it's I

371

00:16:18,010 --> 00:16:15,740

think it's a class on like science

372

00:16:22,350 --> 00:16:18,020

fiction and alien contact or something

373

00:16:24,850 --> 00:16:22,360

like that is what science fiction / fact

374

00:16:27,250 --> 00:16:24,860

alien contact I know they've studied a

375

00:16:29,160 --> 00:16:27,260

lot of movies about you know movies that

376

00:16:33,220 --> 00:16:29,170

involve the theme of extraterrestrials

377

00:16:35,110 --> 00:16:33,230

we had different kinds of books so I

378

00:16:38,110 --> 00:16:35,120

started looking at the whole John you

379

00:16:41,320 --> 00:16:38,120

know the whole world of how the society

380

00:16:42,580 --> 00:16:41,330

has approached the whole notion of alien

381

00:16:45,310 --> 00:16:42,590

contact I think that's what they're

382

00:16:47,400 --> 00:16:45,320

doing from both a factual perspective

383

00:16:49,630 --> 00:16:47,410

and from a science-fiction perspective

384

00:16:51,700 --> 00:16:49,640

actually so I think it sound like a

385

00:16:55,360 --> 00:16:51,710

great course and kids really enjoyed it

386

00:16:57,630 --> 00:16:55,370

a lot the professor who puts it on did

387

00:16:58,840 --> 00:16:57,640

he contact you about doing this panel

388

00:17:01,300 --> 00:16:58,850

yeah

389

00:17:03,879 --> 00:17:01,310

contacted me I'd see it about a year ago

390

00:17:06,460 --> 00:17:03,889

I mean it was a long time in the making

391

00:17:08,770 --> 00:17:06,470

this thing he contacted me first and we

392

00:17:10,630 --> 00:17:08,780

sort of we talked about you know who the

393

00:17:12,340 --> 00:17:10,640

other panelists might be and we just

394

00:17:14,500 --> 00:17:12,350

sort of have kept in touch with it as

395

00:17:16,720 --> 00:17:14,510

the whole thing evolved it took a lot of

396

00:17:20,049 --> 00:17:16,730

work on his part to make this thing

397

00:17:22,559 --> 00:17:20,059

happen and you know the university it

398

00:17:25,960 --> 00:17:22,569

all had to be organized way in advance

399

00:17:28,299 --> 00:17:25,970

so yeah but that's how it all started he

400

00:17:36,730 --> 00:17:28,309

just contacted me to see if I would be

401
00:17:39,039 --> 00:17:36,740
willing to travels to another you know

402
00:17:40,659 --> 00:17:39,049
another university we'll take the same

403
00:17:42,970 --> 00:17:40,669
type of approach that would be great to

404
00:17:45,669 --> 00:17:42,980
see this happen I certainly hope so too

405
00:17:48,850 --> 00:17:45,679
and that's what I was hoping this would

406
00:17:51,399 --> 00:17:48,860
be you know sort of a a green light for

407
00:17:53,289 --> 00:17:51,409
other universities to start doing what

408
00:17:55,510 --> 00:17:53,299
they've done but we'll see what happens

409
00:17:57,340 --> 00:17:55,520
I hope it does happen again and they may

410
00:17:59,049 --> 00:17:57,350
they may want to do it again at American

411
00:18:00,610 --> 00:17:59,059
University they've they talked about

412
00:18:03,190 --> 00:18:00,620
doing something else especially if he

413
00:18:06,010 --> 00:18:03,200

does the course again if he repeats the

414

00:18:10,960 --> 00:18:06,020

course then he might be able to make

415

00:18:13,060 --> 00:18:10,970

this some more repeatable situation I

416

00:18:16,320 --> 00:18:13,070

mean bringing people in to the

417

00:18:18,460 --> 00:18:16,330

University so you see what happens

418

00:18:21,430 --> 00:18:18,470

congratulations I mean this just speaks

419

00:18:25,330 --> 00:18:21,440

to once again the power and the impact

420

00:18:27,190 --> 00:18:25,340

that you know this credible information

421

00:18:30,010 --> 00:18:27,200

has and I think that's what's really

422

00:18:32,409 --> 00:18:30,020

great is that how far how much legs you

423

00:18:34,899 --> 00:18:32,419

know your book has had and what a great

424

00:18:36,669 --> 00:18:34,909

impact it's had in the mainstream sure

425

00:18:39,340 --> 00:18:36,679

thanks a lot thank you Alejandra I

426

00:18:41,730 --> 00:18:39,350

appreciate that absolutely and you know

427

00:18:44,590 --> 00:18:41,740

it's like the go-to book you hear about

428

00:18:46,360 --> 00:18:44,600

it doesn't seem like you can be anywhere

429

00:18:48,310 --> 00:18:46,370

where we're talking about UFOs and the

430

00:18:49,480 --> 00:18:48,320

book doesn't come up when someone is

431

00:18:53,220 --> 00:18:49,490

talking about it seriously

432

00:18:57,510 --> 00:18:53,230

so where can someone find your website

433

00:19:00,250 --> 00:18:57,520

my website is UFOs on the record calm

434

00:19:01,010 --> 00:19:00,260

raise UFOs on the record calm and I'm

435

00:19:03,680 --> 00:19:01,020

also

436

00:19:05,750 --> 00:19:03,690

a very active Facebook page which is an

437

00:19:07,190 --> 00:19:05,760

open page so you don't have to be a

438

00:19:09,410 --> 00:19:07,200

friend or anything you can just go there

439

00:19:20,720 --> 00:19:09,420

there's a lot of activity on my Facebook

440

00:19:22,880 --> 00:19:20,730

yes there is I look at it often so it's

441

00:19:25,790 --> 00:19:22,890

always great talking to her isn't it it

442

00:19:27,440 --> 00:19:25,800

is and I just get so excited I mean you

443

00:19:30,140 --> 00:19:27,450

know a lot of people feel like you have

444

00:19:32,540 --> 00:19:30,150

to go to the fringe too and that's

445

00:19:35,240 --> 00:19:32,550

what's most popular but I don't I don't

446

00:19:37,610 --> 00:19:35,250

agree I think you know look at the

447

00:19:39,610 --> 00:19:37,620

impact I think she's an example that if

448

00:19:41,990 --> 00:19:39,620

you have that the mainstream

449

00:19:44,750 --> 00:19:42,000

institutions aren't interested if you're

450

00:19:47,840 --> 00:19:44,760

careful about what you do and you have

451

00:19:49,820 --> 00:19:47,850

really good credible information and

452

00:19:51,650 --> 00:19:49,830

that's where possibly Tom may have

453

00:19:53,150 --> 00:19:51,660

crossed the line a little bit but

454

00:19:55,460 --> 00:19:53,160

hopefully it won't have a negative

455

00:19:57,350 --> 00:19:55,470

impact on the whole situation yeah

456

00:19:59,660 --> 00:19:57,360

hopefully it won't and I was excited

457

00:20:02,330 --> 00:19:59,670

because I know Tom has a lot of great

458

00:20:03,860 --> 00:20:02,340

credible research some incredible

459

00:20:06,320 --> 00:20:03,870

witness testimony

460

00:20:08,630 --> 00:20:06,330

for Roswell I mean I think they make a

461

00:20:10,610 --> 00:20:08,640

great thread argument that something

462

00:20:13,640 --> 00:20:10,620

mysterious went on there and I was

463

00:20:16,310 --> 00:20:13,650

hoping he would present that but we'll

464

00:20:20,270 --> 00:20:16,320

see what happens right so well we have

465

00:20:22,970 --> 00:20:20,280

other news stories that is correct so

466

00:20:24,650 --> 00:20:22,980

some of the other news stories we did

467

00:20:26,060 --> 00:20:24,660

have sighting reports that we've had

468

00:20:28,880 --> 00:20:26,070

throughout the week but none of them

469

00:20:32,030 --> 00:20:28,890

that really stood out enough for me to

470

00:20:34,010 --> 00:20:32,040

talk about here with you but one of the

471

00:20:37,850 --> 00:20:34,020

kind of interesting stories I think this

472

00:20:40,040 --> 00:20:37,860

week is this Russian satellite so on May

473

00:20:41,840 --> 00:20:40,050

23rd Russia sent up a rocket with a

474

00:20:44,300 --> 00:20:41,850

couple communication military

475

00:20:45,920 --> 00:20:44,310

communication satellites and something

476

00:20:47,930 --> 00:20:45,930

came out of the rocket that everyone

477

00:20:50,630 --> 00:20:47,940

thought was space debris it just floated

478

00:20:54,440 --> 00:20:50,640

along and then it began to maneuver and

479

00:20:56,120 --> 00:20:54,450

have maneuvered to various space objects

480

00:20:58,580 --> 00:20:56,130

above the Russians and then it

481

00:21:01,160 --> 00:20:58,590

maneuvered and followed and pasted the

482

00:21:04,880 --> 00:21:01,170

rocket that it flew up with so people

483

00:21:07,850 --> 00:21:04,890

are wondering what this is Russia in the

484

00:21:09,500 --> 00:21:07,860

past has said if you know relations

485

00:21:12,080 --> 00:21:09,510

deteriorate with the West they're going

486

00:21:15,320 --> 00:21:12,090

to restart a program they used to have

487

00:21:17,570 --> 00:21:15,330

of killer satellites it was a called EIS

488

00:21:20,600 --> 00:21:17,580

program and these were satellites that

489

00:21:22,400 --> 00:21:20,610

kill other satellites and a lot of

490

00:21:25,880 --> 00:21:22,410

people are suspecting that that's what

491

00:21:29,600 --> 00:21:25,890

this is and interesting enough the

492

00:21:32,000 --> 00:21:29,610

Chinese recently also in May had a

493

00:21:34,850 --> 00:21:32,010

satellite that began every people began

494

00:21:37,550 --> 00:21:34,860

to observe was doing unusual movements

495

00:21:40,820 --> 00:21:37,560

and it went and seemingly captured

496

00:21:43,070 --> 00:21:40,830

another satellite odd people suspect

497

00:21:46,130 --> 00:21:43,080

that this is another test of you know

498

00:21:51,260 --> 00:21:46,140

some some kind of military almost

499

00:21:55,010 --> 00:21:51,270

warfare type of activity so this is

500

00:21:56,960 --> 00:21:55,020

getting really kind of scary and I think

501
00:21:59,510 --> 00:21:56,970
it's important for UFO researchers just

502
00:22:02,510 --> 00:21:59,520
to know there are more and more military

503
00:22:05,600 --> 00:22:02,520
devices up there we've heard a lot about

504
00:22:09,050 --> 00:22:05,610
the Air Force's Air Force Space

505
00:22:11,360 --> 00:22:09,060
command's unmanned shuttle that has been

506
00:22:14,780 --> 00:22:11,370
flying around and it will go up for

507
00:22:17,480 --> 00:22:14,790
months and months on end flying around

508
00:22:20,810 --> 00:22:17,490
up there it landed recently in

509
00:22:23,420 --> 00:22:20,820
California and they do show it's it's

510
00:22:25,340 --> 00:22:23,430
secret in that we don't know what it's

511
00:22:27,530 --> 00:22:25,350
doing we know it exists there's videos

512
00:22:29,210 --> 00:22:27,540
of it landing and taking off but we

513
00:22:32,120 --> 00:22:29,220

don't know what the heck it's doing up

514

00:22:34,250 --> 00:22:32,130

there so it's getting interesting and

515

00:22:39,230 --> 00:22:34,260

this story that was in The Washington

516

00:22:44,540 --> 00:22:39,240

Post quoted a story from 2010 written by

517

00:22:48,320 --> 00:22:44,550

Popular Mechanics in which a Russian

518

00:22:51,770 --> 00:22:48,330

official had who's in charge of Defence

519

00:22:54,020 --> 00:22:51,780

and the sort of thing said that they're

520

00:22:57,260 --> 00:22:54,030

ready for war in space his quote was

521

00:22:59,540 --> 00:22:57,270

there should be no war in space but we

522

00:23:02,180 --> 00:22:59,550

are military people and should be ready

523

00:23:06,620 --> 00:23:02,190

trust me we would be able to respond

524

00:23:10,040 --> 00:23:06,630

quickly and adequately and this was

525

00:23:12,350 --> 00:23:10,050

translated to mean by the authors of the

526

00:23:15,380 --> 00:23:12,360

story that there's more out there that

527

00:23:17,480 --> 00:23:15,390

there are military space vehicles up

528

00:23:20,660 --> 00:23:17,490

there of some sort and that they're

529

00:23:22,930 --> 00:23:20,670

ready to have a satellite battle or

530

00:23:25,239 --> 00:23:22,940

whatever they're gonna do this

531

00:23:27,820 --> 00:23:25,249

like it's gonna end up being just like

532

00:23:30,580 --> 00:23:27,830

nuclear arms eventually you know like

533

00:23:33,909 --> 00:23:30,590

right have all this way to destroy each

534

00:23:36,039 --> 00:23:33,919

other and you know everyone's finger

535

00:23:39,219 --> 00:23:36,049

near the trigger but not pushing it you

536

00:23:41,320 --> 00:23:39,229

know I don't know you know the future

537

00:23:44,469 --> 00:23:41,330

standoff yeah where it's our satellite

538

00:23:46,539 --> 00:23:44,479

versus your satellite and trying to gain

539

00:23:48,879 --> 00:23:46,549

that higher ground who is the woman

540

00:23:51,039 --> 00:23:48,889

researcher that was really involved and

541

00:23:53,759 --> 00:23:51,049

trying to make sure that the Star Wars

542

00:23:56,049 --> 00:23:53,769

program or whatever it was closed called

543

00:23:59,830 --> 00:23:56,059

never went anywhere do you know who I

544

00:24:03,129 --> 00:23:59,840

mean yeah I do that was the woman who

545

00:24:06,879 --> 00:24:03,139

worked with Verner von Braun and I

546

00:24:08,739 --> 00:24:06,889

cannot remember Oh Carol rosin okay so

547

00:24:11,710 --> 00:24:08,749

you're thinking of yeah she does a lot

548

00:24:13,779 --> 00:24:11,720

of peace and space sort of work trying

549

00:24:16,629 --> 00:24:13,789

to make sure that space is not

550

00:24:18,580 --> 00:24:16,639

militarized and technically you know

551
00:24:20,080 --> 00:24:18,590
legally I think with there are

552
00:24:22,469 --> 00:24:20,090
agreements where the space isn't

553
00:24:25,899 --> 00:24:22,479
supposed to be militarized but obviously

554
00:24:28,539 --> 00:24:25,909
the larger powers including you know the

555
00:24:31,779 --> 00:24:28,549
u.s. kind of ignore that and do whatever

556
00:24:33,879 --> 00:24:31,789
the heck they want so so it is

557
00:24:36,909 --> 00:24:33,889
especially in these times where rhetoric

558
00:24:39,940 --> 00:24:36,919
between the United States and Russia is

559
00:24:41,919 --> 00:24:39,950
getting more bellicose and what

560
00:24:45,460 --> 00:24:41,929
seemingly things are okay with us in

561
00:24:47,440 --> 00:24:45,470
China at the moment but of course we are

562
00:24:52,810 --> 00:24:47,450
at odds with some of their allies as

563
00:24:57,099 --> 00:24:52,820

well so cold war ish it is cold war [h__h]

564

00:25:01,539 --> 00:24:57,109

is kind of a the waters are getting

565

00:25:04,180 --> 00:25:01,549

cooler around this area and it is a to

566

00:25:07,299 --> 00:25:04,190

me it's a bit scary so we have one more

567

00:25:08,830 --> 00:25:07,309

quick story right yeah just another real

568

00:25:11,649 --> 00:25:08,840

quick note that this is something that

569

00:25:14,529 --> 00:25:11,659

MUFON has launched recently they are

570

00:25:16,719 --> 00:25:14,539

looking to do a new website and along

571

00:25:18,879 --> 00:25:16,729

with that a new kind of reporting Center

572

00:25:22,299 --> 00:25:18,889

which would mean that it's much easier

573

00:25:24,940 --> 00:25:22,309

to report and that the database is much

574

00:25:26,830 --> 00:25:24,950

easier to access for instance I've been

575

00:25:29,759 --> 00:25:26,840

using this database to do some

576

00:25:32,320 --> 00:25:29,769

statistical work for years unfortunately

577

00:25:34,720 --> 00:25:32,330

all I can get is some high level

578

00:25:36,700 --> 00:25:34,730

data pinning down you know where

579

00:25:39,399 --> 00:25:36,710

triangles are happening when for

580

00:25:41,529 --> 00:25:39,409

instance it's very difficult to do but

581

00:25:43,810 --> 00:25:41,539

they're gonna make that easier now if

582

00:25:46,120 --> 00:25:43,820

they are able to put together this

583

00:25:48,580 --> 00:25:46,130

interface that they're working on you

584

00:25:50,590 --> 00:25:48,590

can go it's a Kickstarter they can't the

585

00:25:54,370 --> 00:25:50,600

campaign they started they're hoping to

586

00:25:57,310 --> 00:25:54,380

raise \$80,000 78 to be precise which is

587

00:25:58,750 --> 00:25:57,320

a lot of money it's got about a little

588

00:26:01,480 --> 00:25:58,760

less than two weeks to go and they've

589

00:26:04,090 --> 00:26:01,490

got about 10,000 so we'll see if they

590

00:26:05,610 --> 00:26:04,100

get there but it's just kind of

591

00:26:08,379 --> 00:26:05,620

interesting if you go to the Kickstarter

592

00:26:10,180 --> 00:26:08,389

we've got a story that Roger Marsh wrote

593

00:26:12,820 --> 00:26:10,190

about it today but if you go to the

594

00:26:15,430 --> 00:26:12,830

Kickstarter you'll see a mock-up of the

595

00:26:17,980 --> 00:26:15,440

website they want to have and it's

596

00:26:20,440 --> 00:26:17,990

gorgeous it's really nice it's very easy

597

00:26:23,169 --> 00:26:20,450

to work with if you go through reporting

598

00:26:25,330 --> 00:26:23,179

a UFO and the experience is like it's

599

00:26:27,789 --> 00:26:25,340

fun it's a lot of fun to go through and

600

00:26:32,710 --> 00:26:27,799

easier to do that sort of thing whereas

601
00:26:34,750 --> 00:26:32,720
now it's a little bit daunting it's so I

602
00:26:36,909 --> 00:26:34,760
think it should be a lot easier you know

603
00:26:39,129 --> 00:26:36,919
I mean as I mentioned many times I had

604
00:26:41,889 --> 00:26:39,139
no idea you could even report one online

605
00:26:43,889 --> 00:26:41,899
but yeah make it as simple things as

606
00:26:48,039 --> 00:26:43,899
simple as possible always better right

607
00:26:49,419 --> 00:26:48,049
right so hopefully they do well but yeah

608
00:26:52,870 --> 00:26:49,429
that's something else that's going on

609
00:26:54,879 --> 00:26:52,880
out there in the UFO sphere well sir

610
00:26:56,620 --> 00:26:54,889
thank you so much for joining us a

611
00:26:59,830 --> 00:26:56,630
pleasure as always

612
00:27:01,840 --> 00:26:59,840
ditto my friend talk to you soon okay so

613
00:27:24,460 --> 00:27:01,850

hang in for this quick music break we'll

614

00:27:31,610 --> 00:27:28,700

well everyone guess what AJ has not been

615

00:27:34,970 --> 00:27:31,620

answering and I've been trying to Skype

616

00:27:37,700 --> 00:27:34,980

him and this is live radio and I

617

00:27:40,880 --> 00:27:37,710

apologize this is happening but I always

618

00:27:43,250 --> 00:27:40,890

had to think about when I was doing live

619

00:27:46,700 --> 00:27:43,260

radio to have a plan B and I've talked

620

00:27:50,360 --> 00:27:46,710

to a few people and they have

621

00:27:52,520 --> 00:27:50,370

volunteered to be a pinch-hitter you

622

00:27:56,900 --> 00:27:52,530

want to call it someone to fill in we

623

00:27:59,150 --> 00:27:56,910

can have one of my good friends that I

624

00:28:01,310 --> 00:27:59,160

always enjoy in the show and I'm going

625

00:28:05,540 --> 00:28:01,320

to try to contact him now I'm going to

626

00:28:08,120 --> 00:28:05,550

give up on AJ unfortunately if all goes

627

00:28:12,530 --> 00:28:08,130

well I'm going to be connecting to a

628

00:28:15,470 --> 00:28:12,540

friend and past guests someone that

629

00:28:17,840 --> 00:28:15,480

really takes the topic seriously does a

630

00:28:21,580 --> 00:28:17,850

great job Chris Lambright we're going to

631

00:28:29,650 --> 00:28:23,270

it's ringing

632

00:28:32,960 --> 00:28:29,660

isn't that good news and I see people

633

00:28:35,660 --> 00:28:32,970

hello Chris how are you hi Martin how

634

00:28:38,780 --> 00:28:35,670

are you couldn't get the Skype fired up

635

00:28:40,790 --> 00:28:38,790

huh I've got two computers actually

636

00:28:42,620 --> 00:28:40,800

three but have both of them and when in

637

00:28:44,570 --> 00:28:42,630

the Skype I even went in and changed my

638

00:28:47,180 --> 00:28:44,580

password that was fine but on both

639

00:28:49,160 --> 00:28:47,190

computers Skype will not even connect I

640

00:28:51,530 --> 00:28:49,170

mean just trying to again the microphone

641

00:28:53,240 --> 00:28:51,540

headset works but neither one will sign

642

00:28:55,640 --> 00:28:53,250

in disguise I even tried signing in with

643

00:28:58,160 --> 00:28:55,650

Facebook did you know how fix that later

644

00:29:00,520 --> 00:28:58,170

on but yeah did you happen to notice any

645

00:29:04,910 --> 00:29:00,530

you know men in black around the

646

00:29:07,400 --> 00:29:04,920

duraguard yeah anything I told your guy

647

00:29:09,470 --> 00:29:07,410

when you called I said it's amazing to

648

00:29:12,290 --> 00:29:09,480

me I've used on both of these sets

649

00:29:14,210 --> 00:29:12,300

before and I can get online I could even

650

00:29:15,560 --> 00:29:14,220

go in and change password to fight you

651
00:29:17,320 --> 00:29:15,570
know just on to be on the safe side I

652
00:29:20,210 --> 00:29:17,330
can set it up to sign in with Facebook

653
00:29:22,129 --> 00:29:20,220
but when I fire up Skype and type in and

654
00:29:24,289 --> 00:29:22,139
hit connect it says can't

655
00:29:26,869 --> 00:29:24,299
well there's something else going on but

656
00:29:29,149 --> 00:29:26,879
I don't know what yeah yeah well you're

657
00:29:31,399 --> 00:29:29,159
here and you're on the phone and thanks

658
00:29:32,720 --> 00:29:31,409
so much for joining us and you know I

659
00:29:38,869 --> 00:29:32,730
guess we're not going to be talking

660
00:29:40,460 --> 00:29:38,879
about Brazil cases tonight are we yeah

661
00:29:42,289 --> 00:29:40,470
yeah and you know I

662
00:29:43,369 --> 00:29:42,299
there's no sour grapes here I'll you

663
00:29:46,129 --> 00:29:43,379

know something must have happened and

664

00:29:48,289 --> 00:29:46,139

I'll I'll try them on and if someone

665

00:29:51,169 --> 00:29:48,299

wants to jump in the chat room before

666

00:29:53,930 --> 00:29:51,179

listening live it's at podcast UFO calm

667

00:29:56,180 --> 00:29:53,940

real easy sign in and you can type in a

668

00:29:58,210 --> 00:29:56,190

question for Chris Lambright and if you

669

00:30:00,799 --> 00:29:58,220

want to Google the Paul bennewitz case

670

00:30:04,700 --> 00:30:00,809

he knows that case inside and out

671

00:30:06,230 --> 00:30:04,710

actually knew Paul and what would you

672

00:30:07,909 --> 00:30:06,240

like to talk about tonight Chris we've

673

00:30:13,340 --> 00:30:07,919

got an aha we got what an hour and a

674

00:30:15,259 --> 00:30:13,350

half almost two hour and the subject

675

00:30:16,460 --> 00:30:15,269

that seems to come up with me among some

676

00:30:20,060 --> 00:30:16,470

of the people that I talk to these days

677

00:30:23,149 --> 00:30:20,070

is the idea of now that we're much more

678

00:30:27,409 --> 00:30:23,159

of the surveillance state how can you

679

00:30:29,539 --> 00:30:27,419

actually accomplish something if there's

680

00:30:31,159 --> 00:30:29,549

that risk that anything you try to do is

681

00:30:33,259 --> 00:30:31,169

going to be known ahead of time I mean

682

00:30:34,820 --> 00:30:33,269

not not presenting to be paranoid that

683

00:30:38,330 --> 00:30:34,830

you know everybody's being listened in

684

00:30:42,919 --> 00:30:38,340

on but I've you know my feeling is if

685

00:30:44,240 --> 00:30:42,929

the subject is as important as it is for

686

00:30:46,249 --> 00:30:44,250

those of us who've been in it a while

687

00:30:49,070 --> 00:30:46,259

and kind of know where some of the real

688

00:30:51,049 --> 00:30:49,080

evidence is if it's that important you

689

00:30:53,240 --> 00:30:51,059

would presume somebody's monitoring or

690

00:30:55,639 --> 00:30:53,250

somebody's watching what happens I mean

691

00:30:57,980 --> 00:30:55,649

it's a kind of a crazy situation because

692

00:31:01,039 --> 00:30:57,990

even what Leslie was talking about that

693

00:31:03,159 --> 00:31:01,049

she goes to the conference others go and

694

00:31:07,269 --> 00:31:03,169

try to present very credible information

695

00:31:10,249 --> 00:31:07,279

in a credible and responsible way but

696

00:31:13,639 --> 00:31:10,259

what gets all the presses somebody comes

697

00:31:15,830 --> 00:31:13,649

out and says something that tends to

698

00:31:17,690 --> 00:31:15,840

muddy the entire waters you know the

699

00:31:20,330 --> 00:31:17,700

whole thing of this photograph that was

700

00:31:22,100 --> 00:31:20,340

taken that's what gets put into the

701
00:31:23,990 --> 00:31:22,110
articles online and unfortunately it

702
00:31:26,180 --> 00:31:24,000
taints everything and you know tomorrow

703
00:31:28,490 --> 00:31:26,190
it's no news anymore so the good good

704
00:31:31,430 --> 00:31:28,500
articles are the good talks good

705
00:31:34,279 --> 00:31:31,440
information gets lost because the one

706
00:31:35,389 --> 00:31:34,289
gee-whiz frivolous more entertaining

707
00:31:38,359 --> 00:31:35,399
seeming yeah

708
00:31:40,489 --> 00:31:38,369
aspect and who's to say that that's not

709
00:31:42,799 --> 00:31:40,499
one way of suppressing the good

710
00:31:44,419 --> 00:31:42,809
information by always throwing a ringer

711
00:31:45,769 --> 00:31:44,429
in or something I don't mean to put

712
00:31:47,509 --> 00:31:45,779
anybody down that way but you see what

713
00:31:48,889 --> 00:31:47,519

I'm getting at I mean sure here you're

714

00:31:50,570 --> 00:31:48,899

him you don't hear much about what

715

00:31:51,829 --> 00:31:50,580

Leslie had to say or what Hall had to

716

00:31:54,109 --> 00:31:51,839

say or some of the others might have had

717

00:31:55,549 --> 00:31:54,119

to say because anybody who runs to post

718

00:31:57,919 --> 00:31:55,559

something and it reporter who wants to

719

00:32:05,299 --> 00:31:57,929

post something is going to focus on the

720

00:32:07,609 --> 00:32:05,309

one topic - no nobody has the evidence

721

00:32:10,190 --> 00:32:07,619

nobody has whatever and it just deflates

722

00:32:12,950 --> 00:32:10,200

everything so I you know I've wondered

723

00:32:15,619 --> 00:32:12,960

after the Paul bennewitz situation about

724

00:32:17,479 --> 00:32:15,629

counterintelligence this is their job is

725

00:32:21,200 --> 00:32:17,489

to make sure that they spend off

726

00:32:22,909 --> 00:32:21,210

possible issues but nowadays with you

727

00:32:24,469 --> 00:32:22,919

know with the idea that anything we say

728

00:32:26,119 --> 00:32:24,479

I mean I go into Skype and I have to log

729

00:32:28,279 --> 00:32:26,129

into Facebook and immediately it wants

730

00:32:29,690 --> 00:32:28,289

to know who all of my contacts are and

731

00:32:30,789 --> 00:32:29,700

who all you know this sort of thing so

732

00:32:37,310 --> 00:32:30,799

at some point

733

00:32:39,019 --> 00:32:37,320

look you have to try to email someone

734

00:32:42,469 --> 00:32:39,029

you have to try to contact somebody in a

735

00:32:45,019 --> 00:32:42,479

in a way to at least try to get some

736

00:32:47,299 --> 00:32:45,029

information across without being heard

737

00:32:51,139 --> 00:32:47,309

by whoever might be listening on the

738

00:32:52,430 --> 00:32:51,149

other end you know question up in the

739

00:32:54,619 --> 00:32:52,440

chat room and then I'm gonna ask him

740

00:32:57,649 --> 00:32:54,629

just a second but I just wanted to tell

741

00:32:59,629 --> 00:32:57,659

you I spoke with someone that was on the

742

00:33:03,229 --> 00:32:59,639

phone Oh a few weeks ago that was

743

00:33:05,450 --> 00:33:03,239

actually involved in the NSA for a

744

00:33:07,700 --> 00:33:05,460

number of years and it was a real

745

00:33:10,639 --> 00:33:07,710

interesting conversation and he quietly

746

00:33:14,329 --> 00:33:10,649

told me you know I can't identify who he

747

00:33:17,060 --> 00:33:14,339

is but he quietly told me that what we

748

00:33:20,419 --> 00:33:17,070

know like for instance what Snowden

749

00:33:22,310 --> 00:33:20,429

released or has released so far he said

750

00:33:25,159 --> 00:33:22,320

it's absolutely the tip of the iceberg

751
00:33:28,159 --> 00:33:25,169
and he said be careful and what you're

752
00:33:30,499 --> 00:33:28,169
doing and he didn't say it in a

753
00:33:33,440 --> 00:33:30,509
threatening way but he was saying it in

754
00:33:36,589 --> 00:33:33,450
a way like to warn me you know just be

755
00:33:39,829 --> 00:33:36,599
careful in what you're doing and the

756
00:33:44,329 --> 00:33:39,839
what I gathered from that is that the

757
00:33:48,289 --> 00:33:44,339
surveillance that every American has has

758
00:33:49,250 --> 00:33:48,299
had cast upon them is a lot deeper than

759
00:33:52,790 --> 00:33:49,260
we really

760
00:33:55,010 --> 00:33:52,800
even realize it is well that's that's

761
00:33:56,540 --> 00:33:55,020
the difficult aspect of it which of the

762
00:33:59,540 --> 00:33:56,550
song to a friend today and it's that

763
00:34:01,850 --> 00:33:59,550

none of us are interested in doing

764

00:34:03,820 --> 00:34:01,860

anything illegal I mean everybody here

765

00:34:08,210 --> 00:34:03,830

is simply interested in something that

766

00:34:10,820 --> 00:34:08,220

that potentially is crucial as crucial

767

00:34:12,290 --> 00:34:10,830

as Mars expeditions as anything else

768

00:34:14,680 --> 00:34:12,300

that's going on I mean it woves

769

00:34:18,260 --> 00:34:14,690

becoming a smaller place every day and

770

00:34:20,960 --> 00:34:18,270

we just simply want to know but for some

771

00:34:22,700 --> 00:34:20,970

reason there seems to be a real

772

00:34:26,210 --> 00:34:22,710

concerted effort and I'm not I'm not

773

00:34:28,100 --> 00:34:26,220

presuming that the people who are

774

00:34:29,720 --> 00:34:28,110

whoever they might be you know the

775

00:34:32,120 --> 00:34:29,730

people who do know what's going on and

776

00:34:34,040 --> 00:34:32,130

are trying to keep it quiet that's not

777

00:34:35,780 --> 00:34:34,050

doing it for a good reason and we might

778

00:34:37,790 --> 00:34:35,790

if we found out what that was we might

779

00:34:40,040 --> 00:34:37,800

understand you know why that why they're

780

00:34:41,930 --> 00:34:40,050

trying to do what they're doing but to

781

00:34:44,540 --> 00:34:41,940

feel like you don't even have the chance

782

00:34:48,889 --> 00:34:44,550

to find out what you want to find out

783

00:34:50,720 --> 00:34:48,899

because somebody is either going to hit

784

00:34:52,610 --> 00:34:50,730

you off at the pass or somebody's going

785

00:34:55,340 --> 00:34:52,620

to make sure that before you get out and

786

00:34:58,490 --> 00:34:55,350

talk to that person or before you make

787

00:34:59,810 --> 00:34:58,500

this take this step the answer is gone

788

00:35:02,090 --> 00:34:59,820

before you get there I mean how would it

789

00:35:04,100 --> 00:35:02,100

be if you wanted to to talk to someone

790

00:35:06,680 --> 00:35:04,110

and you knew who they were I mean look

791

00:35:08,720 --> 00:35:06,690

at the it sounds it does sound paranoid

792

00:35:09,890 --> 00:35:08,730

and unfortunately that's that's one of

793

00:35:12,680 --> 00:35:09,900

the reasons I think a lot of people

794

00:35:15,350 --> 00:35:12,690

dismiss a lot of this but Edward Snowden

795

00:35:17,840 --> 00:35:15,360

went through an entire process I mean I

796

00:35:20,180 --> 00:35:17,850

read Glenn Greenwald's first you know

797

00:35:22,700 --> 00:35:20,190

the book on this no place to hide and

798

00:35:24,020 --> 00:35:22,710

that was a huge process that Snowden

799

00:35:26,030 --> 00:35:24,030

made him go through before they could

800

00:35:28,730 --> 00:35:26,040

even meet and at first they didn't

801
00:35:30,980 --> 00:35:28,740
because greenwall wasn't aware of the

802
00:35:33,110 --> 00:35:30,990
security protocols and the methods to go

803
00:35:35,270 --> 00:35:33,120
about getting secure texts and whatnot

804
00:35:38,210 --> 00:35:35,280
and he missed his first chance because

805
00:35:41,180 --> 00:35:38,220
Snowden was obviously paranoid for good

806
00:35:45,020 --> 00:35:41,190
reason about it but that's the thing

807
00:35:46,730 --> 00:35:45,030
that gets me the most is how do you if

808
00:35:49,580 --> 00:35:46,740
if you're going to a talk I mean how can

809
00:35:51,850 --> 00:35:49,590
you get anybody reporting something to

810
00:35:54,500 --> 00:35:51,860
you privately

811
00:35:57,230 --> 00:35:54,510
somebody it used to be I mean I've had

812
00:35:59,030 --> 00:35:57,240
someone tell me now that really the best

813
00:36:01,370 --> 00:35:59,040

thing you might do is show up at the

814

00:36:02,930 --> 00:36:01,380

conference's because nobody's going to

815

00:36:04,730 --> 00:36:02,940

email you something

816

00:36:06,020 --> 00:36:04,740

who knows who's listening nobody's gonna

817

00:36:07,730 --> 00:36:06,030

call you on that and if you're someone

818

00:36:10,970 --> 00:36:07,740

in a position but these people just

819

00:36:12,710 --> 00:36:10,980

might try to approach you if they're

820

00:36:14,660 --> 00:36:12,720

gonna try the best chances for you to

821

00:36:17,540 --> 00:36:14,670

simply be at some place close to town

822

00:36:19,160 --> 00:36:17,550

where they can just go and meet you in

823

00:36:21,410 --> 00:36:19,170

the hallway try to do something

824

00:36:23,210 --> 00:36:21,420

privately because nobody's going to be

825

00:36:25,579 --> 00:36:23,220

talking or sending emails or I mean

826

00:36:28,130 --> 00:36:25,589

messages out some of the best cases that

827

00:36:30,890 --> 00:36:28,140

are sent who would you report to them we

828

00:36:33,050 --> 00:36:30,900

all have our own concerns about some of

829

00:36:36,050 --> 00:36:33,060

the reporting groups but if I was the

830

00:36:37,550 --> 00:36:36,060

intelligence community I'd started UFO

831

00:36:40,849 --> 00:36:37,560

group and make it the best one out there

832

00:36:43,130 --> 00:36:40,859

with everyone reporting to me it's like

833

00:36:45,079 --> 00:36:43,140

a false front you know because as soon

834

00:36:47,150 --> 00:36:45,089

as everyone's reporting to me the good

835

00:36:48,620 --> 00:36:47,160

stuff is never going to see the light of

836

00:36:51,020 --> 00:36:48,630

day because I'm gonna know about it long

837

00:36:52,280 --> 00:36:51,030

before he gets out but the people who

838

00:36:54,140 --> 00:36:52,290

know what you like the guys you were

839

00:36:56,480 --> 00:36:54,150

talking about this they spoke to you the

840

00:36:58,630 --> 00:36:56,490

people who know what can be done they're

841

00:37:01,130 --> 00:36:58,640

not going to do it they're not going to

842

00:37:03,740 --> 00:37:01,140

send you a message an email or something

843

00:37:04,760 --> 00:37:03,750

open like that because the people that

844

00:37:06,319 --> 00:37:04,770

are listening they're going to know

845

00:37:08,569 --> 00:37:06,329

who's sending it they're good at their

846

00:37:09,950 --> 00:37:08,579

jobs and look what Snowden's going

847

00:37:11,480 --> 00:37:09,960

through to just to try to tell us

848

00:37:14,300 --> 00:37:11,490

something but I think everybody wanted

849

00:37:16,520 --> 00:37:14,310

to know but they're still hanging out

850

00:37:18,500 --> 00:37:16,530

over there yeah anyway needless to say

851
00:37:21,109 --> 00:37:18,510
it concerns me now with Paul bennewitz

852
00:37:23,900 --> 00:37:21,119
because in a case like that where at

853
00:37:25,400 --> 00:37:23,910
least he called eya for us I you know

854
00:37:27,380 --> 00:37:25,410
the first thing and back in those days

855
00:37:29,329 --> 00:37:27,390
it was all male I mean unless you you

856
00:37:31,280 --> 00:37:29,339
know one really used email at the time

857
00:37:33,109 --> 00:37:31,290
and so they were if they were watching

858
00:37:34,640 --> 00:37:33,119
who he was seen mail back and forth to

859
00:37:39,950 --> 00:37:34,650
these days he'd be trying to do

860
00:37:41,450 --> 00:37:39,960
everything by internet by email and he

861
00:37:45,109 --> 00:37:41,460
would have been on their list to monitor

862
00:37:46,220 --> 00:37:45,119
you know in it within an hour so and I

863
00:37:47,780 --> 00:37:46,230

don't know whether any of the rest of us

864

00:37:51,589 --> 00:37:47,790

would have heard much more of it or what

865

00:37:54,710 --> 00:37:51,599

not easy to get paranoid but there's

866

00:37:56,510 --> 00:37:54,720

someone say on the chat room that I've

867

00:37:59,030 --> 00:37:56,520

heard it stated that they don't care

868

00:38:02,120 --> 00:37:59,040

what you say right or do but they are

869

00:38:08,890 --> 00:38:02,130

terminally interested in what you can

870

00:38:13,609 --> 00:38:11,900

another conversation and in this case it

871

00:38:16,840 --> 00:38:13,619

was once again about Paul bennewitz that

872

00:38:19,150 --> 00:38:16,850

if you are I took the video or film of

873

00:38:21,940 --> 00:38:19,160

who would care cuz you're not gonna be

874

00:38:24,850 --> 00:38:21,950

able to prove anything with it but if in

875

00:38:26,860 --> 00:38:24,860

the case of Paul he got it over the

876

00:38:28,900 --> 00:38:26,870

Manzano's he had it on film his wife had

877

00:38:31,540 --> 00:38:28,910

been there with him he could and he had

878

00:38:33,640 --> 00:38:31,550

a good reputation and credibility he

879

00:38:35,650 --> 00:38:33,650

could prove where it came from and that

880

00:38:38,530 --> 00:38:35,660

put whoever was on the other side an

881

00:38:40,780 --> 00:38:38,540

offense that put them on the hot seat so

882

00:38:42,790 --> 00:38:40,790

it was what he could prove with that so

883

00:38:45,340 --> 00:38:42,800

the films themselves are one thing and I

884

00:38:46,660 --> 00:38:45,350

think that's probably why he got in you

885

00:38:48,970 --> 00:38:46,670

know the trouble that he got into was

886

00:38:50,350 --> 00:38:48,980

because there was concern that this was

887

00:38:51,610 --> 00:38:50,360

a guy that would be believed and he

888

00:38:54,580 --> 00:38:51,620

could back it up with enough evidence

889

00:38:56,350 --> 00:38:54,590

and other testimony you know to make it

890

00:38:57,850 --> 00:38:56,360

credible but there's a point if you

891

00:38:59,940 --> 00:38:57,860

can't ever get far enough to prove it

892

00:39:01,870 --> 00:38:59,950

because everything to be monitored

893

00:39:05,680 --> 00:39:01,880

that's gonna make it makes a job

894

00:39:08,650 --> 00:39:05,690

difficult right right another question

895

00:39:11,800 --> 00:39:08,660

up there someone wants to know if you

896

00:39:21,040 --> 00:39:11,810

read exempt from disclosure by Collins

897

00:39:24,970 --> 00:39:21,050

Dodi just to be to know what's being

898

00:39:27,220 --> 00:39:24,980

said and in fact I think I referenced

899

00:39:28,870 --> 00:39:27,230

some of the confusion that came out of

900

00:39:31,330 --> 00:39:28,880

that book kind of course if I'm not

901
00:39:33,340 --> 00:39:31,340
mistaken I think it Dody later went back

902
00:39:35,170 --> 00:39:33,350
and said well his name shouldn't have

903
00:39:36,760 --> 00:39:35,180
been on it that Robert Collins had put

904
00:39:38,290 --> 00:39:36,770
his name on it although if you read it

905
00:39:40,120 --> 00:39:38,300
there's plenty of information inside

906
00:39:44,110 --> 00:39:40,130
that seems have been written practically

907
00:39:47,890 --> 00:39:44,120
firsthand by gaudí himself but I don't

908
00:39:51,520 --> 00:39:47,900
buy into it too much both of those guys

909
00:39:54,610 --> 00:39:51,530
in essence made their names riding in on

910
00:39:56,470 --> 00:39:54,620
the Paul bennewitz case and then leading

911
00:39:58,870 --> 00:39:56,480
everybody off like a Pied Piper often to

912
00:40:01,600 --> 00:39:58,880
other things my understanding is they

913
00:40:04,360 --> 00:40:01,610

were both the characters in the shadows

914

00:40:07,210 --> 00:40:04,370

on that special that came out years ago

915

00:40:08,890 --> 00:40:07,220

and and if you see some of the things

916

00:40:10,750 --> 00:40:08,900

that Robert Collins I've never met

917

00:40:13,360 --> 00:40:10,760

Robert Collins I want to qualify that I

918

00:40:15,370 --> 00:40:13,370

don't know him some of the things he's

919

00:40:16,840 --> 00:40:15,380

the places he supposedly worked at

920

00:40:20,440 --> 00:40:16,850

wright-patt and other things seem to be

921

00:40:24,490 --> 00:40:20,450

fairly you know higher level you'd

922

00:40:26,440 --> 00:40:24,500

expect him to be a smart guy but some of

923

00:40:27,820 --> 00:40:26,450

the things that I read there that he

924

00:40:30,700 --> 00:40:27,830

said and some of the things that he's

925

00:40:33,580 --> 00:40:30,710

put out on his mailing list

926
00:40:36,250 --> 00:40:33,590
kind of really out there out there even

927
00:40:42,280 --> 00:40:36,260
for someone who's interested in UFOs but

928
00:40:44,200 --> 00:40:42,290
that Dodie that's the only thing I I

929
00:40:45,730 --> 00:40:44,210
don't know I don't know I mean I'm not

930
00:40:48,940 --> 00:40:45,740
going to say because I don't know

931
00:40:51,580 --> 00:40:48,950
personally what these guys did and Dodie

932
00:40:53,680 --> 00:40:51,590
I'm sure his life hasn't been all fun

933
00:40:55,230 --> 00:40:53,690
because of his involvement in this and

934
00:40:58,090 --> 00:40:55,240
he was the name who got hung out there

935
00:41:01,000 --> 00:40:58,100
basically to draw flies everybody came

936
00:41:03,160 --> 00:41:01,010
at this one after Dodie and I don't know

937
00:41:06,760 --> 00:41:03,170
what position he was in

938
00:41:09,640 --> 00:41:06,770

but part of me says you know in this

939

00:41:12,430 --> 00:41:09,650

country we don't do that kind of thing

940

00:41:14,260 --> 00:41:12,440

to somebody like Paul who was just

941

00:41:16,150 --> 00:41:14,270

trying to do the right thing you thought

942

00:41:18,790 --> 00:41:16,160

he was doing the right thing you don't

943

00:41:21,820 --> 00:41:18,800

just mess the guy over completely to

944

00:41:24,040 --> 00:41:21,830

where he practically destroyed from what

945

00:41:27,280 --> 00:41:24,050

everybody from what I've seen and heard

946

00:41:30,490 --> 00:41:27,290

and and the same if you looked at the

947

00:41:32,890 --> 00:41:30,500

video Mirage man you'll hear Dodie make

948

00:41:35,440 --> 00:41:32,900

a comment in there where he says Paul is

949

00:41:37,000 --> 00:41:35,450

very patriotic and something to the

950

00:41:39,910 --> 00:41:37,010

effect and people like that are easy to

951
00:41:42,550 --> 00:41:39,920
fool or easy to mislead you know if I

952
00:41:44,620 --> 00:41:42,560
was a veteran I would be somewhat

953
00:41:46,090 --> 00:41:44,630
offended to think yes okay so he was a

954
00:41:49,000 --> 00:41:46,100
patriot and we're going to use that

955
00:41:52,450 --> 00:41:49,010
against him to lead him down the golden

956
00:41:54,370 --> 00:41:52,460
path and I don't know I wonder what you

957
00:41:55,480 --> 00:41:54,380
know I don't know there are people out

958
00:41:58,090 --> 00:41:55,490
there that look like you and me but

959
00:42:00,700 --> 00:41:58,100
they're operating on some other terms of

960
00:42:03,250 --> 00:42:00,710
the compass moral compass isn't always

961
00:42:03,760 --> 00:42:03,260
points north I guess you'd say right hey

962
00:42:05,020 --> 00:42:03,770
Jed

963
00:42:07,660 --> 00:42:05,030

Chris I just want to let you know that

964

00:42:13,630 --> 00:42:07,670

I'm occasionally gonna give a Jake

965

00:42:14,920 --> 00:42:13,640

Savard a try so no and then he could

966

00:42:18,100 --> 00:42:14,930

just join the both of us and if he

967

00:42:28,120 --> 00:42:18,110

happens to answer it maybe right in the

968

00:42:31,690 --> 00:42:28,130

middle of your conversation because well

969

00:42:33,190 --> 00:42:31,700

you can hear it live but I'm feeling you

970

00:42:36,160 --> 00:42:33,200

know it is very late there now it's

971

00:42:37,900 --> 00:42:36,170

pushing midnight their time so I have a

972

00:42:40,240 --> 00:42:37,910

feeling he's probably just fast asleep

973

00:42:42,040 --> 00:42:40,250

and you know it he may have just

974

00:42:44,920 --> 00:42:42,050

forgotten the whole happened

975

00:42:47,890 --> 00:42:44,930

yeah but I just want to just wanted to

976
00:42:49,210 --> 00:42:47,900
warn you in case that happens so we got

977
00:42:50,320 --> 00:42:49,220
about another ten minutes so we're going

978
00:42:53,650 --> 00:42:50,330
to be at the top of the hour and then we

979
00:42:55,750 --> 00:42:53,660
have a whole nother hour to go and one

980
00:42:58,840 --> 00:42:55,760
of the things about Richard goes like

981
00:43:01,630 --> 00:42:58,850
this if I go I would like to ask if I

982
00:43:04,470 --> 00:43:01,640
want to make this observation that you

983
00:43:07,570 --> 00:43:04,480
know I wrote my book about these two

984
00:43:08,830 --> 00:43:07,580
characters the two films so to speak the

985
00:43:11,560 --> 00:43:08,840
one that Paul bennewitz took in the one

986
00:43:13,180 --> 00:43:11,570
that raised Stanford took the and the

987
00:43:16,300 --> 00:43:13,190
reason I chose those is not just that

988
00:43:18,670 --> 00:43:16,310

they were superb film showing what they

989

00:43:20,920 --> 00:43:18,680

did but because both of them indirectly

990

00:43:24,280 --> 00:43:20,930

connected back to the Air Force Research

991

00:43:26,440 --> 00:43:24,290

Lab now my belief at this point I guess

992

00:43:28,690 --> 00:43:26,450

if I had to make a vote one way or the

993

00:43:30,420 --> 00:43:28,700

other is that whatever Paul bennewitz

994

00:43:33,550 --> 00:43:30,430

films

995

00:43:35,560 --> 00:43:33,560

Dodi's superiors whoever was up above

996

00:43:37,090 --> 00:43:35,570

they're running the operation they knew

997

00:43:39,610 --> 00:43:37,100

it was supposed to be there it was Paul

998

00:43:41,890 --> 00:43:39,620

it wasn't because every bit of trying to

999

00:43:43,870 --> 00:43:41,900

be logical about how things came down

1000

00:43:46,090 --> 00:43:43,880

suggests to me now I don't know who is

1001
00:43:49,060 --> 00:43:46,100
who built them I mean whether they were

1002
00:43:51,520 --> 00:43:49,070
something we built or otherwise it's I I

1003
00:43:53,740 --> 00:43:51,530
think they were known to be coming in

1004
00:43:55,650 --> 00:43:53,750
there most three or four times that they

1005
00:43:59,680 --> 00:43:55,660
came in that all happened to see them

1006
00:44:01,900 --> 00:43:59,690
now what Ray took I just cannot fathom

1007
00:44:03,750 --> 00:44:01,910
that especially based on what I wrote

1008
00:44:06,610 --> 00:44:03,760
about in the book that that's anything

1009
00:44:10,240 --> 00:44:06,620
built here at least not in this

1010
00:44:11,950 --> 00:44:10,250
timeframe so to speak but seems like

1011
00:44:15,580 --> 00:44:11,960
most even though I'm fascinated with

1012
00:44:19,930 --> 00:44:15,590
Paul bennewitz case most of what you

1013
00:44:22,180 --> 00:44:19,940

follow gc-ms to dwell on our old cases

1014

00:44:23,620 --> 00:44:22,190

now don't get me wrong I mean I'm still

1015

00:44:25,210 --> 00:44:23,630

coming up with some intriguing new

1016

00:44:27,370 --> 00:44:25,220

information about and I've gotten an

1017

00:44:29,740 --> 00:44:27,380

f.y.i request and it would be a with air

1018

00:44:32,560 --> 00:44:29,750

force I of all things about the Socorro

1019

00:44:34,900 --> 00:44:32,570

case because I found serious evidence

1020

00:44:37,630 --> 00:44:34,910

that they squirrels that they lied to I

1021

00:44:41,470 --> 00:44:37,640

mean if I'm not mistaken I think there

1022

00:44:42,340 --> 00:44:41,480

was an effort made to not only dis

1023

00:44:45,760 --> 00:44:42,350

inform

1024

00:44:48,670 --> 00:44:45,770

differ engines from a pro but the same

1025

00:44:50,170 --> 00:44:48,680

symbol was used to disinfect know

1026
00:44:53,140 --> 00:44:50,180
whether he knew it or not I don't know

1027
00:44:54,490 --> 00:44:53,150
but it's not a symbol that not the one

1028
00:44:55,780 --> 00:44:54,500
that some or told to me so I'm

1029
00:44:58,810 --> 00:44:55,790
fascinated with older cases

1030
00:45:01,900 --> 00:44:58,820
but you know I would think ufology needs

1031
00:45:04,030 --> 00:45:01,910
to start looking forward and finding new

1032
00:45:06,340 --> 00:45:04,040
you know look at the technology that we

1033
00:45:08,650 --> 00:45:06,350
have now especially the types of things

1034
00:45:10,570 --> 00:45:08,660
that that even done was trouble was

1035
00:45:13,600 --> 00:45:10,580
talking about potentially doing that

1036
00:45:16,360 --> 00:45:13,610
kind of technology but we've got the

1037
00:45:18,520 --> 00:45:16,370
technology to get the evidence that

1038
00:45:22,360 --> 00:45:18,530

could change things ready got it on film

1039

00:45:24,430 --> 00:45:22,370

all those years ago but I just see the

1040

00:45:27,100 --> 00:45:24,440

apology seemingly stuck in a loop and I

1041

00:45:29,470 --> 00:45:27,110

I would love to see people reporting

1042

00:45:30,460 --> 00:45:29,480

more current days although what do you

1043

00:45:32,260 --> 00:45:30,470

report to right

1044

00:45:34,150 --> 00:45:32,270

I think they should call you Martin I

1045

00:45:35,830 --> 00:45:34,160

need to set up a reporting side of your

1046

00:45:37,770 --> 00:45:35,840

own and have people report everything to

1047

00:45:41,830 --> 00:45:37,780

you at least have a third independent

1048

00:45:43,120 --> 00:45:41,840

location to report to but it's the new

1049

00:45:45,760 --> 00:45:43,130

thing something we should be talking

1050

00:45:48,040 --> 00:45:45,770

about you know current day sighting

1051
00:45:50,080 --> 00:45:48,050
sightings that are happening that that

1052
00:45:51,520 --> 00:45:50,090
people can sink their teeth into you

1053
00:45:52,900 --> 00:45:51,530
know things that are happening now it

1054
00:45:54,640 --> 00:45:52,910
doesn't seem to happen all the time but

1055
00:45:57,430 --> 00:45:54,650
I still wonder whether it is happening

1056
00:45:59,020 --> 00:45:57,440
we just don't hear about it that's true

1057
00:46:01,750 --> 00:45:59,030
well you know with the number of

1058
00:46:04,930 --> 00:46:01,760
sightings people are reporting you know

1059
00:46:07,630 --> 00:46:04,940
which is probably only about 10% of the

1060
00:46:09,880 --> 00:46:07,640
ones that people are seeing you know I

1061
00:46:12,820 --> 00:46:09,890
mean if you just do the math alone you

1062
00:46:15,760 --> 00:46:12,830
can figure that there is something going

1063
00:46:18,100 --> 00:46:15,770

on we all anyone who's fascinated with

1064

00:46:20,770 --> 00:46:18,110

this topic realizes that there is

1065

00:46:24,270 --> 00:46:20,780

definitely something going on but again

1066

00:46:26,560 --> 00:46:24,280

I was I was talking about earlier the

1067

00:46:28,180 --> 00:46:26,570

people like you who've been at it for so

1068

00:46:30,040 --> 00:46:28,190

long you know you can get really

1069

00:46:32,830 --> 00:46:30,050

discouraged can't you just you know not

1070

00:46:38,740 --> 00:46:32,840

getting anywhere just kind of staying

1071

00:46:40,330 --> 00:46:38,750

still goes through my mind you know here

1072

00:46:42,520 --> 00:46:40,340

we are talking about the same kind of

1073

00:46:44,260 --> 00:46:42,530

not you and me but I'm just saying it

1074

00:46:45,880 --> 00:46:44,270

does come up and maybe you were all like

1075

00:46:47,740 --> 00:46:45,890

veterans sitting around having a beer

1076

00:46:50,470 --> 00:46:47,750

and you end up reliving all the old war

1077

00:46:52,570 --> 00:46:50,480

stories but we seem to be talking about

1078

00:46:55,990 --> 00:46:52,580

the same things we talked about for 50

1079

00:46:57,940 --> 00:46:56,000

years and the same approach in the same

1080

00:47:00,160 --> 00:46:57,950

way of doing beating on the government's

1081

00:47:01,540 --> 00:47:00,170

door I mean that's futile I mean if they

1082

00:47:03,280 --> 00:47:01,550

don't want to tell us they're not going

1083

00:47:04,690 --> 00:47:03,290

to but I guess if they think will keep

1084

00:47:07,240 --> 00:47:04,700

everybody beating on the door they know

1085

00:47:09,730 --> 00:47:07,250

where we are but it strikes me that

1086

00:47:12,040 --> 00:47:09,740

there are other cases that I think [\h__\h]

1087

00:47:14,349 --> 00:47:12,050

I'll give an example of one if I like in

1088

00:47:17,020 --> 00:47:14,359

paraphrase what I recall because I'm not

1089

00:47:19,240 --> 00:47:17,030

sure if Roger Marsh wrote about this on

1090

00:47:21,550 --> 00:47:19,250

Examiner but it was reported to neuf on

1091

00:47:24,099 --> 00:47:21,560

that case that was just seemed

1092

00:47:25,839 --> 00:47:24,109

fascinating to me about a couple who'd

1093

00:47:28,270 --> 00:47:25,849

been driving late at night and they

1094

00:47:30,220 --> 00:47:28,280

pulled off at some places to rest for a

1095

00:47:32,320 --> 00:47:30,230

moment and there was a picture of the

1096

00:47:34,630 --> 00:47:32,330

highway where they were and both of them

1097

00:47:36,400 --> 00:47:34,640

apparently saw some unusual things

1098

00:47:38,560 --> 00:47:36,410

seemed to rush in very quickly and stop

1099

00:47:40,420 --> 00:47:38,570

right out kind of in front of them about

1100

00:47:43,120 --> 00:47:40,430

a hundred yards away possibly lit up by

1101
00:47:46,240 --> 00:47:43,130
some of the night streetlights just for

1102
00:47:48,250 --> 00:47:46,250
a moment and then move away extremely

1103
00:47:50,620 --> 00:47:48,260
quickly and you have a husband and his

1104
00:47:52,020 --> 00:47:50,630
wife both sketched pictures and the

1105
00:47:54,339 --> 00:47:52,030
pictures had some interesting

1106
00:47:57,880 --> 00:47:54,349
differences even among the similarities

1107
00:47:59,109 --> 00:47:57,890
but that kind of case you know somebody

1108
00:48:00,609 --> 00:47:59,119
should have gotten up there and talked

1109
00:48:03,010 --> 00:48:00,619
to them very quickly and interviewed

1110
00:48:05,140 --> 00:48:03,020
them and gotten more details and start

1111
00:48:06,670 --> 00:48:05,150
to match that up with anything else that

1112
00:48:09,670 --> 00:48:06,680
might have been seen in the same area

1113
00:48:11,829 --> 00:48:09,680

but I don't know maybe new fun to doing

1114

00:48:14,020 --> 00:48:11,839

it and I'm not hearing about it but

1115

00:48:15,520 --> 00:48:14,030

that's why I think I wish there were

1116

00:48:17,230 --> 00:48:15,530

other places to report they're

1117

00:48:19,000 --> 00:48:17,240

independent people I'm not saying new

1118

00:48:20,620 --> 00:48:19,010

fun doesn't have some great people at

1119

00:48:22,540 --> 00:48:20,630

all but there are plenty of other

1120

00:48:24,250 --> 00:48:22,550

independent people who would love to and

1121

00:48:27,339 --> 00:48:24,260

be willing to help that some of these

1122

00:48:29,079 --> 00:48:27,349

out-of-the-way places if we just if they

1123

00:48:31,089 --> 00:48:29,089

knew that these cases were out there I

1124

00:48:32,200 --> 00:48:31,099

mean if nothing else you some of us

1125

00:48:34,349 --> 00:48:32,210

would have a way to call the old days

1126

00:48:36,910 --> 00:48:34,359

you pick up the phone and call nowadays

1127

00:48:39,520 --> 00:48:36,920

if it's reported the new father was

1128

00:48:41,320 --> 00:48:39,530

reported to somewhere else and nobody is

1129

00:48:43,030 --> 00:48:41,330

willing to help you if you call him and

1130

00:48:44,800 --> 00:48:43,040

we've all had experience with this

1131

00:48:48,070 --> 00:48:44,810

calling and saying you're interested in

1132

00:48:49,300 --> 00:48:48,080

this case but sorry they won't give you

1133

00:48:51,130 --> 00:48:49,310

the time of day it won't give you any

1134

00:48:53,380 --> 00:48:51,140

information to contact the witnesses and

1135

00:48:54,910 --> 00:48:53,390

and it makes it difficult because you're

1136

00:48:56,440 --> 00:48:54,920

right a lot of this stuff isn't reported

1137

00:48:59,109 --> 00:48:56,450

it certainly don't hit the newspapers

1138

00:49:02,230 --> 00:48:59,119

anymore we don't even have Lou farish's

1139

00:49:03,760 --> 00:49:02,240

clipping service to have clippings from

1140

00:49:04,930 --> 00:49:03,770

newspapers of these sightings where you

1141

00:49:07,480 --> 00:49:04,940

can hear about and it's all done

1142

00:49:10,570 --> 00:49:07,490

digitally and said by email and whatever

1143

00:49:13,810 --> 00:49:10,580

else and makes it difficult and but

1144

00:49:15,820 --> 00:49:13,820

needless to say right I just I don't

1145

00:49:17,770 --> 00:49:15,830

know yeah it is frustrating and it's

1146

00:49:19,180 --> 00:49:17,780

depressing to some extent when you think

1147

00:49:21,480 --> 00:49:19,190

there are things that you'd like to do

1148

00:49:23,650 --> 00:49:21,490

but how do you go about doing it right

1149

00:49:26,020 --> 00:49:23,660

now

1150

00:49:28,690 --> 00:49:26,030

we I think in the second hour we'll talk

1151

00:49:32,740 --> 00:49:28,700

a little bit about this but we've had a

1152

00:49:34,300 --> 00:49:32,750

discussion there's one agency you know

1153

00:49:37,000 --> 00:49:34,310

we were talking about a MUFON and

1154

00:49:38,680 --> 00:49:37,010

earlier in the news Alejandro Rojas was

1155

00:49:41,290 --> 00:49:38,690

talking about you know they're trying to

1156

00:49:44,140 --> 00:49:41,300

do I'm trying to create a new website

1157

00:49:48,160 --> 00:49:44,150

making it easier for people to report

1158

00:49:50,770 --> 00:49:48,170

but it seems to me that there's a lot of

1159

00:49:53,230 --> 00:49:50,780

controversy about MUFON you know there's

1160

00:49:55,930 --> 00:49:53,240

people that are really dedicated that

1161

00:49:58,870 --> 00:49:55,940

you know it's it's been around forever

1162

00:50:01,150 --> 00:49:58,880

people are dedicated that work with them

1163

00:50:03,220 --> 00:50:01,160

I know a number of people that work with

1164

00:50:05,350 --> 00:50:03,230

them that I highly respect and then

1165

00:50:08,160 --> 00:50:05,360

there's people that just get really

1166

00:50:09,940 --> 00:50:08,170

upset talking about him and I know I

1167

00:50:11,230 --> 00:50:09,950

don't know if you really want to talk

1168

00:50:14,470 --> 00:50:11,240

about it but I think you've had some

1169

00:50:18,820 --> 00:50:14,480

frustration with them in the past well

1170

00:50:20,080 --> 00:50:18,830

it's always qualified that I'm always

1171

00:50:22,180 --> 00:50:20,090

talking out of the experience that I've

1172

00:50:24,040 --> 00:50:22,190

had and I think you in fact in one of

1173

00:50:26,080 --> 00:50:24,050

your early podcast

1174

00:50:28,270 --> 00:50:26,090

which was a surprise to me had

1175

00:50:29,800 --> 00:50:28,280

interviewed one of the new fond state

1176

00:50:31,450 --> 00:50:29,810

directors I think at the time he was

1177

00:50:33,910 --> 00:50:31,460

covering a couple of the states up there

1178

00:50:36,040 --> 00:50:33,920

and a guy had never heard of and you

1179

00:50:37,900 --> 00:50:36,050

know I was impressed with a guy I mean I

1180

00:50:40,180 --> 00:50:37,910

don't recall his name I'm sorry I don't

1181

00:50:42,010 --> 00:50:40,190

but I do remember I'm you know kind of a

1182

00:50:43,870 --> 00:50:42,020

net-like gonna be sounding guy who was

1183

00:50:46,120 --> 00:50:43,880

running the you know state section and I

1184

00:50:49,120 --> 00:50:46,130

thought this guy was impressive he

1185

00:50:50,950 --> 00:50:49,130

seemed like a very sharp character not

1186

00:50:53,290 --> 00:50:50,960

you know starry-eyed or anything else

1187

00:50:55,750 --> 00:50:53,300

and the kind of guy you would have been

1188

00:50:57,370 --> 00:50:55,760

able to work with now the problems that

1189

00:50:59,290 --> 00:50:57,380

I have which are the same kind of

1190

00:51:03,040 --> 00:50:59,300

problems that I guess we have in

1191

00:51:05,920 --> 00:51:03,050

government today which is the everything

1192

00:51:08,670 --> 00:51:05,930

seems it's such a pyramid were

1193

00:51:11,410 --> 00:51:08,680

diminishing you know levels of

1194

00:51:13,930 --> 00:51:11,420

responsibility and that it's like

1195

00:51:16,000 --> 00:51:13,940

politics none of us can go easily talk

1196

00:51:18,010 --> 00:51:16,010

to our senators anymore and they're all

1197

00:51:19,360 --> 00:51:18,020

behind their doors making decisions and

1198

00:51:20,980 --> 00:51:19,370

say they're doing it for us but we don't

1199

00:51:23,560 --> 00:51:20,990

really know what goes on at that level

1200

00:51:26,380 --> 00:51:23,570

and many of the things are done kind of

1201
00:51:29,440 --> 00:51:26,390
behind the scenes and and I don't know

1202
00:51:31,750 --> 00:51:29,450
at this at this level what exactly is

1203
00:51:35,440 --> 00:51:31,760
going on at the upper levels of MUFON

1204
00:51:36,819 --> 00:51:35,450
because my concern is look what the NSA

1205
00:51:37,809 --> 00:51:36,829
why should they spend the money doing

1206
00:51:40,059 --> 00:51:37,819
they're doing that when they go to

1207
00:51:42,729 --> 00:51:40,069
Facebook and get everybody's contacts

1208
00:51:44,079 --> 00:51:42,739
and who's caught talking to they can

1209
00:51:46,479 --> 00:51:44,089
just go behind the scenes with a piece

1210
00:51:49,049 --> 00:51:46,489
of paper and get tap-in access to

1211
00:51:51,910 --> 00:51:49,059
everything that's going on if I was

1212
00:51:55,449 --> 00:51:51,920
somebody like that and I wanted to keep

1213
00:51:57,009 --> 00:51:55,459

tabs on what new Fon is doing I wouldn't

1214

00:51:58,390 --> 00:51:57,019

need to plant all my people around the

1215

00:52:01,059 --> 00:51:58,400

table like they're back in the old days

1216

00:52:02,769 --> 00:52:01,069

of nightcap in the CIA all I need to do

1217

00:52:05,799 --> 00:52:02,779

is have my guy get in there and become

1218

00:52:07,569 --> 00:52:05,809

the database manager right maybe at the

1219

00:52:10,029 --> 00:52:07,579

site where they maintain their you know

1220

00:52:12,519 --> 00:52:10,039

their whole database or website because

1221

00:52:15,009 --> 00:52:12,529

that guy is the one who really has

1222

00:52:17,079 --> 00:52:15,019

control over what hits their database

1223

00:52:19,299 --> 00:52:17,089

what shows up what doesn't but at least

1224

00:52:21,069 --> 00:52:19,309

even the things that you and I can't see

1225

00:52:23,410 --> 00:52:21,079

because for my understanding there are

1226

00:52:25,569 --> 00:52:23,420

some cases that yeah they're star team

1227

00:52:27,759 --> 00:52:25,579

or whoever else is is researching though

1228

00:52:29,079 --> 00:52:27,769

that they're looking into themselves so

1229

00:52:30,940 --> 00:52:29,089

the information isn't that's only out

1230

00:52:33,519 --> 00:52:30,950

there for the average person just see it

1231

00:52:35,529 --> 00:52:33,529

on their website but we don't know

1232

00:52:37,989 --> 00:52:35,539

what's going on and as you were

1233

00:52:41,499 --> 00:52:37,999

indicating my own experience was years

1234

00:52:43,779 --> 00:52:41,509

ago when I think the Dallas and I hope

1235

00:52:45,339 --> 00:52:43,789

you guys went over this in the book it

1236

00:52:48,430 --> 00:52:45,349

was back when the Walt Andrus was in

1237

00:52:51,160 --> 00:52:48,440

charge and the Dallas group decided to

1238

00:52:52,809 --> 00:52:51,170

kind of secede from you fund my friend

1239

00:52:56,259 --> 00:52:52,819

Tommy Bryan was there so he can vouch

1240

00:52:57,489 --> 00:52:56,269

for this and rot in K West or the ones

1241

00:52:59,920 --> 00:52:57,499

who were leading the Dallas group at the

1242

00:53:01,569 --> 00:52:59,930

time they had been a part of me fond but

1243

00:53:03,459 --> 00:53:01,579

for a couple of other reasons and

1244

00:53:05,920 --> 00:53:03,469

primarily this they were thinking of

1245

00:53:07,029 --> 00:53:05,930

seceding because Walt Anders have been

1246

00:53:08,499 --> 00:53:07,039

up there meeting with him and a couple

1247

00:53:10,589 --> 00:53:08,509

of the guys had written an article about

1248

00:53:12,549 --> 00:53:10,599

a case that they thought was very

1249

00:53:14,380 --> 00:53:12,559

important at least important to them as

1250

00:53:16,299 --> 00:53:14,390

well and had sent it to be published in

1251
00:53:19,569 --> 00:53:16,309
the new fun Journal and when they asked

1252
00:53:21,219 --> 00:53:19,579
Walt about it from what I was told what

1253
00:53:22,719 --> 00:53:21,229
I heard right there also responsive as

1254
00:53:25,630 --> 00:53:22,729
well some of the best stuff never gets

1255
00:53:28,209 --> 00:53:25,640
in the new phone Journal and the guys

1256
00:53:30,489 --> 00:53:28,219
were stunned and they began to go what

1257
00:53:31,930 --> 00:53:30,499
are they paying their dues for now I'm

1258
00:53:34,269 --> 00:53:31,940
not trying to make a mountain out of a

1259
00:53:36,939 --> 00:53:34,279
molehill with that but you see the point

1260
00:53:38,799 --> 00:53:36,949
if I don't know why what would save that

1261
00:53:41,650 --> 00:53:38,809
to them but you know there plenty of

1262
00:53:43,900 --> 00:53:41,660
times when you begin to think so what

1263
00:53:46,150 --> 00:53:43,910

does the membership know for all their

1264

00:53:48,939 --> 00:53:46,160

hard work and this may not necessarily

1265

00:53:50,470 --> 00:53:48,949

apply this to be fun I'm not it's not my

1266

00:53:54,250 --> 00:53:50,480

goal to bash

1267

00:53:55,660 --> 00:53:54,260

you find per se but this may be the same

1268

00:53:57,910 --> 00:53:55,670

way that it you know we certainly know

1269

00:53:59,770 --> 00:53:57,920

it applies in our government but it may

1270

00:54:02,080 --> 00:53:59,780

just be that at the top things are

1271

00:54:04,990 --> 00:54:02,090

happening that down below people are not

1272

00:54:07,750 --> 00:54:05,000

aware of and unfortunately I think we do

1273

00:54:10,990 --> 00:54:07,760

need transparency if only because of the

1274

00:54:13,870 --> 00:54:11,000

whole rigmarole that came around when

1275

00:54:15,730 --> 00:54:13,880

James carrion was getting some some

1276
00:54:17,980 --> 00:54:15,740
accusations about money being spent

1277
00:54:19,599 --> 00:54:17,990
when Bigelow was buying into MUFON

1278
00:54:21,760 --> 00:54:19,609
that's my turn buying in but he was

1279
00:54:23,770 --> 00:54:21,770
paying them to oppose idli Train their

1280
00:54:26,260 --> 00:54:23,780
investigators in exchange for access to

1281
00:54:28,810 --> 00:54:26,270
their database and there was a time that

1282
00:54:30,700 --> 00:54:28,820
if you looked at their site that there

1283
00:54:32,890 --> 00:54:30,710
was a comment when you post information

1284
00:54:34,390 --> 00:54:32,900
or when you submit a report that it

1285
00:54:36,520 --> 00:54:34,400
would only be handed out to MUFON

1286
00:54:39,640 --> 00:54:36,530
members and certain third parties and

1287
00:54:42,099 --> 00:54:39,650
the the point being that well that was

1288
00:54:44,800 --> 00:54:42,109

Bigelow and carrion was a little bit

1289

00:54:47,109 --> 00:54:44,810

frustrated with the idea of selling off

1290

00:54:49,750 --> 00:54:47,119

this information so to speak to Bigelow

1291

00:54:50,830 --> 00:54:49,760

but it just goes to show if we had never

1292

00:54:54,130 --> 00:54:50,840

heard about this how would we know

1293

00:54:56,470 --> 00:54:54,140

people and who's buying Bigelow and why

1294

00:54:58,120 --> 00:54:56,480

are they getting information that the

1295

00:54:59,590 --> 00:54:58,130

membership you would think would be

1296

00:55:01,210 --> 00:54:59,600

interested in saying you would think

1297

00:55:04,750 --> 00:55:01,220

you're getting free and clear

1298

00:55:06,220 --> 00:55:04,760

transparency but those are the things

1299

00:55:08,140 --> 00:55:06,230

that I'm not sure the people that move

1300

00:55:10,510 --> 00:55:08,150

fun notice I'm not telling you something

1301

00:55:13,630 --> 00:55:10,520

they're not aware of but I'm not

1302

00:55:15,340 --> 00:55:13,640

addressing the people down below it's

1303

00:55:17,349 --> 00:55:15,350

just that in an organization that's

1304

00:55:19,930 --> 00:55:17,359

supposed to be an educational

1305

00:55:21,580 --> 00:55:19,940

organization it should do everything

1306

00:55:24,460 --> 00:55:21,590

they can to make sure that their

1307

00:55:25,060 --> 00:55:24,470

credibility is never called into

1308

00:55:27,609 --> 00:55:25,070

question

1309

00:55:29,620 --> 00:55:27,619

absolutely I wish I wish there was a way

1310

00:55:31,180 --> 00:55:29,630

this is why I kind of feel I choked when

1311

00:55:33,310 --> 00:55:31,190

I say you should start a reporting site

1312

00:55:36,700 --> 00:55:33,320

Alejandro's shooters somebody should do

1313

00:55:38,290 --> 00:55:36,710

it because and even curt collins you

1314

00:55:39,730 --> 00:55:38,300

know you've had him on oh yeah I'm

1315

00:55:41,440 --> 00:55:39,740

posted an interesting point the other

1316

00:55:43,950 --> 00:55:41,450

day on the awful updates in which he

1317

00:55:46,240 --> 00:55:43,960

found that the FAA apparently no longer

1318

00:55:48,040 --> 00:55:46,250

says if you want to report a UFO

1319

00:55:50,980 --> 00:55:48,050

sighting they were no longer referring

1320

00:55:52,480 --> 00:55:50,990

people to a bigger Aerospace now they

1321

00:55:54,640 --> 00:55:52,490

just say well you can report it through

1322

00:55:56,170 --> 00:55:54,650

one of any number of sites like the

1323

00:55:57,340 --> 00:55:56,180

national UFO Reporting Center and we

1324

00:55:59,770 --> 00:55:57,350

found one as well so I don't know

1325

00:56:02,080 --> 00:55:59,780

whether it did that to just remove

1326
00:56:03,910 --> 00:56:02,090
bigger oh you know from the picture or

1327
00:56:05,680 --> 00:56:03,920
whether that's still going on

1328
00:56:08,500 --> 00:56:05,690
but my feeling is if things are getting

1329
00:56:11,020 --> 00:56:08,510
reported to MUFON into their database

1330
00:56:13,510 --> 00:56:11,030
and anybody who's knows a little bit

1331
00:56:14,740 --> 00:56:13,520
about how to search online I've had

1332
00:56:17,740 --> 00:56:14,750
times where I found some interesting

1333
00:56:19,420 --> 00:56:17,750
hits on research on searches that showed

1334
00:56:21,460 --> 00:56:19,430
to have been in the muon database but if

1335
00:56:23,770 --> 00:56:21,470
you go look for it it's not there hey

1336
00:56:25,420 --> 00:56:23,780
Chris even the case number yes all right

1337
