

Rolling Stone

1  
00:00:03,110 --> 00:00:02,470  
and it hits me oh my gosh this is that

2  
00:00:04,309 --> 00:00:03,120  
triangle

3  
00:00:05,670 --> 00:00:04,319  
you know there's explanation for

4  
00:00:06,309 --> 00:00:05,680  
everything that occurred in the rendel

5  
00:00:08,470 --> 00:00:06,319  
champions

6  
00:00:10,790 --> 00:00:08,480  
incident that doesn't involve aliens at

7  
00:00:14,150 --> 00:00:10,800  
all it was completely silent

8  
00:00:16,470 --> 00:00:14,160  
it comes right over our heads he saw a

9  
00:00:18,310 --> 00:00:16,480  
classic flying saucer really standing in

10  
00:00:19,830 --> 00:00:18,320  
the clearing he turned over to my father

11  
00:00:24,950 --> 00:00:19,840  
and held his hand and he looked in his

12  
00:00:28,150 --> 00:00:26,470  
hello everyone and if you're in the

13  
00:00:29,029 --> 00:00:28,160

united states i'm saying top of the

14

00:00:31,429 --> 00:00:29,039

morning and

15

00:00:32,549 --> 00:00:31,439

happy thanksgiving to everyone this is

16

00:00:35,830 --> 00:00:32,559

martin willis

17

00:00:37,430 --> 00:00:35,840

the host of podcast ufo and the reason

18

00:00:38,229 --> 00:00:37,440

i'm saying top of the morning is because

19

00:00:40,790 --> 00:00:38,239

our show

20

00:00:42,950 --> 00:00:40,800

was not live last night we had a major

21

00:00:45,110 --> 00:00:42,960

snow storm here in maine

22

00:00:46,389 --> 00:00:45,120

all yesterday and last night and my

23

00:00:49,029 --> 00:00:46,399

power went out just

24

00:00:49,510 --> 00:00:49,039

before the broadcast i tried to hook up

25

00:00:52,950 --> 00:00:49,520

my

26  
00:00:55,590 --> 00:00:52,960  
generator but the modem wouldn't work so

27  
00:00:56,150 --> 00:00:55,600  
this is a pre-recorded show and our

28  
00:00:59,029 --> 00:00:56,160  
guest

29  
00:01:01,270 --> 00:00:59,039  
lee spiegel was gracious enough to agree

30  
00:01:02,549 --> 00:01:01,280  
to record with me on this holiday to get

31  
00:01:05,350 --> 00:01:02,559  
a show out to you this week

32  
00:01:06,870 --> 00:01:05,360  
albeit late we have a lot of fun things

33  
00:01:08,950 --> 00:01:06,880  
to talk about

34  
00:01:11,510 --> 00:01:08,960  
with lee today including a strange

35  
00:01:15,190 --> 00:01:11,520  
rolling stones interview he just did

36  
00:01:17,270 --> 00:01:15,200  
about aliens and ufos i had pre-recorded

37  
00:01:19,590 --> 00:01:17,280  
the news with alejandro rojas so that'll

38  
00:01:21,590 --> 00:01:19,600

be coming up in just a few minutes

39

00:01:23,190 --> 00:01:21,600

and we usually come at you live every

40

00:01:25,990 --> 00:01:23,200

week on wednesday night

41

00:01:28,070 --> 00:01:26,000

at 8 pm to 10 p.m eastern standard time

42

00:01:29,990 --> 00:01:28,080

on the dark matter radio network

43

00:01:31,910 --> 00:01:30,000

a little housekeeping here you can

44

00:01:34,069 --> 00:01:31,920

always listen to the whole show for free

45

00:01:36,310 --> 00:01:34,079

on the dark matter radio network

46

00:01:37,429 --> 00:01:36,320

that is when my power doesn't go out and

47

00:01:39,670 --> 00:01:37,439

starting next week

48

00:01:41,830 --> 00:01:39,680

the second hour of the podcast will be

49

00:01:45,190 --> 00:01:41,840

hosted on a program that will launch

50

00:01:46,550 --> 00:01:45,200

on december 1st subscribers will be able

51

00:01:48,630 --> 00:01:46,560

to download and listen

52

00:01:49,749 --> 00:01:48,640

to the second half of the shows on all

53

00:01:52,789 --> 00:01:49,759

kinds of platforms

54

00:01:54,149 --> 00:01:52,799

including itunes and more and if you've

55

00:01:57,109 --> 00:01:54,159

not been able to subscribe

56

00:01:58,230 --> 00:01:57,119

with paypal this same platform will also

57

00:02:00,550 --> 00:01:58,240

be able to accept

58

00:02:02,069 --> 00:02:00,560

a vast variety of payment options we'll

59

00:02:03,190 --> 00:02:02,079

give you all the details about this in

60

00:02:05,749 --> 00:02:03,200

next week's show

61

00:02:08,150 --> 00:02:05,759

ever since i added an hour to the show

62

00:02:10,710 --> 00:02:08,160

making the second hour of the podcast

63

00:02:12,070 --> 00:02:10,720

paid subscription only people have been

64

00:02:14,550 --> 00:02:12,080

upset that i'm cutting

65

00:02:15,430 --> 00:02:14,560

the interview in half for the non-paying

66

00:02:17,750 --> 00:02:15,440

listeners

67

00:02:20,309 --> 00:02:17,760

and i totally get this and though i

68

00:02:23,270 --> 00:02:20,319

can't possibly make everyone happy

69

00:02:24,869 --> 00:02:23,280

i had two choices one get a second guest

70

00:02:26,470 --> 00:02:24,879

and just getting one guest

71

00:02:28,470 --> 00:02:26,480

is a lot of work and a lot of trouble

72

00:02:30,790 --> 00:02:28,480

sometimes or two

73

00:02:32,309 --> 00:02:30,800

make the monthly subscription so small

74

00:02:34,550 --> 00:02:32,319

that it will be affordable to

75

00:02:36,390 --> 00:02:34,560

anyone who wants it so that's what i'm

76

00:02:37,430 --> 00:02:36,400

going to do i'm lowering the monthly

77

00:02:40,790 --> 00:02:37,440

subscription to

78

00:02:43,030 --> 00:02:40,800

just 99 cents a month and you'll have an

79

00:02:44,869 --> 00:02:43,040

option to pay more but 99 cents a month

80

00:02:47,830 --> 00:02:44,879

will sure get you in

81

00:02:49,990 --> 00:02:47,840

and as a side note if you are a

82

00:02:52,070 --> 00:02:50,000

subscriber at 99 cents or more

83

00:02:53,270 --> 00:02:52,080

a month and you listen to youtube only

84

00:02:55,110 --> 00:02:53,280

please let me know

85

00:02:57,190 --> 00:02:55,120

i may be able to do something with that

86

00:02:59,750 --> 00:02:57,200

in the future you know i've been getting

87

00:03:01,190 --> 00:02:59,760

a lot of feedback and some of it good

88

00:03:02,070 --> 00:03:01,200

people trying to help me out and as a

89

00:03:04,869 --> 00:03:02,080

matter of fact

90

00:03:06,949 --> 00:03:04,879

when i drop the rate down to 99 cents um

91

00:03:09,430 --> 00:03:06,959

one of the subscribers that were on at

92

00:03:11,910 --> 00:03:09,440

five dollars canceled his subscription

93

00:03:13,270 --> 00:03:11,920

and he resigned for double that amount

94

00:03:14,790 --> 00:03:13,280

thank you gary

95

00:03:16,710 --> 00:03:14,800

again there's been a lot of great

96

00:03:19,589 --> 00:03:16,720

support and it's really

97

00:03:21,030 --> 00:03:19,599

appreciated a lot of people upset too so

98

00:03:21,910 --> 00:03:21,040

hopefully this will work out everyone

99

00:03:27,430 --> 00:03:21,920

will be happy

100

00:03:29,270 --> 00:03:27,440

that's it for now and we're coming back

101  
00:03:49,670 --> 00:03:29,280  
with alejandro with the news

102  
00:03:54,630 --> 00:03:53,350  
what's going on alejandro hello ufos are

103  
00:03:57,750 --> 00:03:54,640  
going on buddy

104  
00:04:00,149 --> 00:03:57,760  
and just in time for turkey day uh

105  
00:04:01,350 --> 00:04:00,159  
whether there is a correlation between

106  
00:04:04,309 --> 00:04:01,360  
ufo sightings

107  
00:04:05,030 --> 00:04:04,319  
and uh turkeys during this site part of

108  
00:04:06,949 --> 00:04:05,040  
the

109  
00:04:08,390 --> 00:04:06,959  
holiday season uh that has not been

110  
00:04:10,390 --> 00:04:08,400  
confirmed just uh

111  
00:04:11,910 --> 00:04:10,400  
to clear that out yeah i think i think

112  
00:04:14,949 --> 00:04:11,920  
i've heard something about that

113  
00:04:16,150 --> 00:04:14,959

yeah yeah hey i gotta tell you quickly

114

00:04:19,189 --> 00:04:16,160

before we get rolling here

115

00:04:21,990 --> 00:04:19,199

some i'm having an alien problem

116

00:04:23,030 --> 00:04:22,000

well it's not really they're alien to

117

00:04:25,270 --> 00:04:23,040

where they are

118

00:04:26,230 --> 00:04:25,280

and it kind of reminds me of chevy chase

119

00:04:28,710 --> 00:04:26,240

and uh

120

00:04:29,510 --> 00:04:28,720

christmas vacation but you know my house

121

00:04:31,990 --> 00:04:29,520

where i live

122

00:04:33,030 --> 00:04:32,000

right next door to me is was a

123

00:04:34,710 --> 00:04:33,040

convention center

124

00:04:36,150 --> 00:04:34,720

i'm going to turn it into something else

125

00:04:37,430 --> 00:04:36,160

i'm not really sure what i'm doing with

126  
00:04:39,110 --> 00:04:37,440  
it but

127  
00:04:40,629 --> 00:04:39,120  
i sealed the squirrels they were in

128  
00:04:42,230 --> 00:04:40,639  
there last winter

129  
00:04:43,749 --> 00:04:42,240  
and i got them all out this spring and

130  
00:04:45,270 --> 00:04:43,759  
there sealed the whole place up well

131  
00:04:46,550 --> 00:04:45,280  
they're in there again i went into a

132  
00:04:48,790 --> 00:04:46,560  
room the other day

133  
00:04:50,550 --> 00:04:48,800  
and one was running around in the room

134  
00:04:52,230 --> 00:04:50,560  
climbs up the curtain

135  
00:04:54,310 --> 00:04:52,240  
i'm trying to get a door open i'm going

136  
00:04:55,670 --> 00:04:54,320  
everywhere the doors are all frozen shut

137  
00:04:58,230 --> 00:04:55,680  
i'm trying to get them open the

138  
00:05:01,510 --> 00:04:58,240

squirrel's up on the curtain rod

139

00:05:03,590 --> 00:05:01,520

it jumps bounces off my chest

140

00:05:05,110 --> 00:05:03,600

i scream like an idiot jump in the other

141

00:05:07,830 --> 00:05:05,120

room no

142

00:05:08,310 --> 00:05:07,840

and uh but anyway i i think i got him

143

00:05:12,790 --> 00:05:08,320

out

144

00:05:16,150 --> 00:05:12,800

come back in

145

00:05:19,350 --> 00:05:16,160

so it's a gray squirrel alien right

146

00:05:20,870 --> 00:05:19,360

even oh my gosh it was probably sent by

147

00:05:23,830 --> 00:05:20,880

the aliens that is not

148

00:05:24,550 --> 00:05:23,840

normal behavior so that's a bit of an

149

00:05:27,430 --> 00:05:24,560

anomaly

150

00:05:27,990 --> 00:05:27,440

and we all know giorgio has taught us

151  
00:05:30,790 --> 00:05:28,000  
that all

152  
00:05:32,310 --> 00:05:30,800  
anomalies are alien related that's right

153  
00:05:35,029 --> 00:05:32,320  
and if you look at their eyes

154  
00:05:36,710 --> 00:05:35,039  
yes they do i love squirrels they're

155  
00:05:39,029 --> 00:05:36,720  
cute little buggers

156  
00:05:40,550 --> 00:05:39,039  
but uh yeah that would be a a bit

157  
00:05:42,390 --> 00:05:40,560  
unnerving

158  
00:05:43,670 --> 00:05:42,400  
and i want to live with them yeah they

159  
00:05:45,830 --> 00:05:43,680  
are really they take over

160  
00:05:46,790 --> 00:05:45,840  
fast let me tell you wow that's amazing

161  
00:05:50,230 --> 00:05:46,800  
well i hope you

162  
00:05:51,270 --> 00:05:50,240  
solve that alien problem uh i don't know

163  
00:05:54,150 --> 00:05:51,280

a specialist

164

00:05:54,870 --> 00:05:54,160

in this sort of alien problem if he had

165

00:05:58,070 --> 00:05:54,880

been

166

00:06:01,110 --> 00:05:58,080

to refer you to someone

167

00:06:01,590 --> 00:06:01,120

yeah well i am looking to abduct them

168

00:06:04,150 --> 00:06:01,600

and

169

00:06:04,870 --> 00:06:04,160

set them free somewhere else i have a

170

00:06:08,070 --> 00:06:04,880

have a

171

00:06:08,550 --> 00:06:08,080

heart trap that's hard to say yeah i

172

00:06:13,430 --> 00:06:08,560

have

173

00:06:15,670 --> 00:06:13,440

so what's going on with the news this

174

00:06:19,029 --> 00:06:15,680

week so what's going on

175

00:06:21,830 --> 00:06:19,039

basic goes to washington

176

00:06:23,430 --> 00:06:21,840

again steve we've written ever since

177

00:06:25,189 --> 00:06:23,440

i've been in this field i write this

178

00:06:26,230 --> 00:06:25,199

story over and over and over and over

179

00:06:28,790 --> 00:06:26,240

and over again

180

00:06:30,550 --> 00:06:28,800

each time uh you know bassett phil's

181

00:06:31,510 --> 00:06:30,560

disclosure's right around the corner

182

00:06:33,670 --> 00:06:31,520

sometimes he

183

00:06:34,710 --> 00:06:33,680

he puts a date and says it's within a

184

00:06:37,270 --> 00:06:34,720

month it's

185

00:06:39,189 --> 00:06:37,280

within a week and unfortunately none of

186

00:06:41,749 --> 00:06:39,199

that has ever happened of course

187

00:06:42,550 --> 00:06:41,759

the most exciting basket goes to

188

00:06:45,830 --> 00:06:42,560

washington

189

00:06:48,070 --> 00:06:45,840

story was a year ago right or so and

190

00:06:49,749 --> 00:06:48,080

that was for the citizens hearing which

191

00:06:51,510 --> 00:06:49,759

of course i'm sure your listeners are

192

00:06:52,790 --> 00:06:51,520

familiar with where he took lots of very

193

00:06:55,350 --> 00:06:52,800

credible people

194

00:06:56,390 --> 00:06:55,360

to speak with some former members of

195

00:06:58,309 --> 00:06:56,400

congress

196

00:06:59,670 --> 00:06:58,319

about ufos in a mock kind of

197

00:07:02,950 --> 00:06:59,680

congressional hearing

198

00:07:06,629 --> 00:07:02,960

well this is phase two of that and

199

00:07:07,029 --> 00:07:06,639

phase two entails him he he made a ten

200

00:07:10,870 --> 00:07:07,039

disc

201  
00:07:13,990 --> 00:07:10,880  
dvd set of the entire video uh testimony

202  
00:07:17,749 --> 00:07:14,000  
and he sent that to 538

203  
00:07:20,550 --> 00:07:17,759  
members of congress and now he is

204  
00:07:21,350 --> 00:07:20,560  
asking people to kind of go on social

205  
00:07:23,909 --> 00:07:21,360  
media

206  
00:07:24,950 --> 00:07:23,919  
and to ping via twitter or facebook all

207  
00:07:27,029 --> 00:07:24,960  
of these

208  
00:07:29,189 --> 00:07:27,039  
members of congress and say hey check

209  
00:07:31,430 --> 00:07:29,199  
out those videos

210  
00:07:33,430 --> 00:07:31,440  
he is hoping this will then create

211  
00:07:36,309 --> 00:07:33,440  
congressional hearings

212  
00:07:37,350 --> 00:07:36,319  
which he says then will topple the truth

213  
00:07:40,469 --> 00:07:37,360

embargo

214

00:07:41,270 --> 00:07:40,479

so we'll see what happens there uh he he

215

00:07:44,230 --> 00:07:41,280

was hoping

216

00:07:46,309 --> 00:07:44,240

he said to get a lot of media attention

217

00:07:48,390 --> 00:07:46,319

for his campaign here but

218

00:07:50,629 --> 00:07:48,400

thus far he's gotten a story in the

219

00:07:53,990 --> 00:07:50,639

washington times

220

00:07:57,189 --> 00:07:54,000

not the post but a different paper and

221

00:08:00,710 --> 00:07:57,199

it's kind of a short blurb

222

00:08:02,790 --> 00:08:00,720

they don't say a whole lot but uh

223

00:08:04,150 --> 00:08:02,800

not a lot of media otherwise he sent

224

00:08:07,430 --> 00:08:04,160

everything out on november

225

00:08:10,710 --> 00:08:07,440

5th so we'll see what happens i mean

226

00:08:12,629 --> 00:08:10,720

i think uh i don't know that any

227

00:08:14,869 --> 00:08:12,639

even an eight is going to sit through

228

00:08:17,510 --> 00:08:14,879

you know hours and hours of video

229

00:08:18,390 --> 00:08:17,520

so maybe something more concise would

230

00:08:20,710 --> 00:08:18,400

have been good

231

00:08:22,710 --> 00:08:20,720

like an executive briefing kind of thing

232

00:08:23,270 --> 00:08:22,720

to give them but he's done that in the

233

00:08:26,550 --> 00:08:23,280

past

234

00:08:28,629 --> 00:08:26,560

so uh we'll see if it goes anywhere yeah

235

00:08:29,749 --> 00:08:28,639

you know steve was the first guest on

236

00:08:31,749 --> 00:08:29,759

this show

237

00:08:33,829 --> 00:08:31,759

so um you know i'm always gonna be nice

238

00:08:35,750 --> 00:08:33,839

to him he helped me out because

239

00:08:38,630 --> 00:08:35,760

it's it's hard when you're starting a

240

00:08:41,430 --> 00:08:38,640

show and to get the very first guest on

241

00:08:41,829 --> 00:08:41,440

and he takes the stuff darn serious oh

242

00:08:44,790 --> 00:08:41,839

yeah

243

00:08:45,430 --> 00:08:44,800

and and he he gets angry about it you

244

00:08:47,910 --> 00:08:45,440

know

245

00:08:50,150 --> 00:08:47,920

he's passionate about it so you got to

246

00:08:53,190 --> 00:08:50,160

love anyone passionate about anything

247

00:08:56,470 --> 00:08:53,200

i think don't you so um

248

00:08:57,670 --> 00:08:56,480

sometimes certainly we've ran into those

249

00:09:00,550 --> 00:08:57,680

people who

250

00:09:02,070 --> 00:09:00,560

uh take their passion a little uh to the

251  
00:09:05,190 --> 00:09:02,080  
extremes

252  
00:09:08,310 --> 00:09:05,200  
and uh that can be bad

253  
00:09:11,910 --> 00:09:08,320  
so what else is happening

254  
00:09:15,030 --> 00:09:11,920  
tis the season for crowdfunding

255  
00:09:17,509 --> 00:09:15,040  
there are three crowdfunding projects

256  
00:09:19,910 --> 00:09:17,519  
that we wrote about in the past week

257  
00:09:22,550 --> 00:09:19,920  
regarding ufos or at least

258  
00:09:24,070 --> 00:09:22,560  
kind of space related all of which are

259  
00:09:26,790 --> 00:09:24,080  
pretty exciting

260  
00:09:28,310 --> 00:09:26,800  
and so however i don't know that this is

261  
00:09:29,430 --> 00:09:28,320  
a time that people are taking out their

262  
00:09:31,670 --> 00:09:29,440  
checkbook

263  
00:09:33,110 --> 00:09:31,680

to crowdfund really they're taking out

264

00:09:36,230 --> 00:09:33,120

their checkbook to

265

00:09:38,949 --> 00:09:36,240

buy sweaters and ties and various other

266

00:09:40,230 --> 00:09:38,959

gifts for people mostly of which are not

267

00:09:43,670 --> 00:09:40,240

appreciated by

268

00:09:45,990 --> 00:09:43,680

the receiver victoria secrets yes uh

269

00:09:47,670 --> 00:09:46,000

and i i appreciate them in the products

270

00:09:48,710 --> 00:09:47,680

that they sell and the ones that my

271

00:09:56,949 --> 00:09:48,720

girlfriend

272

00:10:01,190 --> 00:09:59,190

i know could you like the victoria

273

00:10:02,550 --> 00:10:01,200

secrets catalogs with the girls wearing

274

00:10:04,310 --> 00:10:02,560

their santa claus hats

275

00:10:06,069 --> 00:10:04,320

and you've probably been looking at that

276

00:10:10,310 --> 00:10:06,079

no past few days

277

00:10:13,750 --> 00:10:10,320

yes so yeah all right gotcha

278

00:10:16,470 --> 00:10:13,760

so the first campaign is uh one

279

00:10:18,069 --> 00:10:16,480

that i've written about and oh i'm gonna

280

00:10:20,470 --> 00:10:18,079

bash huffington post

281

00:10:21,269 --> 00:10:20,480

uh which lee spiegel's a part of he's

282

00:10:23,350 --> 00:10:21,279

actually been

283

00:10:25,110 --> 00:10:23,360

helping i've written a bunch of blogs

284

00:10:26,630 --> 00:10:25,120

lately for the huffington post one on

285

00:10:29,990 --> 00:10:26,640

travis walton recently

286

00:10:32,550 --> 00:10:30,000

but they actually denied one of my

287

00:10:33,430 --> 00:10:32,560

blogs and this is about this space warp

288

00:10:35,110 --> 00:10:33,440

project

289

00:10:37,269 --> 00:10:35,120

because i've interviewed i i think you

290

00:10:37,829 --> 00:10:37,279

might have to this gentleman named david

291

00:10:41,590 --> 00:10:37,839

paris

292

00:10:44,790 --> 00:10:41,600

yes uh who's an adjunct professor he

293

00:10:45,990 --> 00:10:44,800

out of the university of uh nebraska and

294

00:10:47,750 --> 00:10:46,000

other schools out there

295

00:10:49,110 --> 00:10:47,760

him along with some grad students and

296

00:10:50,870 --> 00:10:49,120

some engineers

297

00:10:52,710 --> 00:10:50,880

have put together what they believe is a

298

00:10:55,110 --> 00:10:52,720

space warf technology

299

00:10:57,430 --> 00:10:55,120

now they are having an indiegogo

300

00:10:58,389 --> 00:10:57,440

campaign to crowdfund this technology in

301  
00:11:00,630 --> 00:10:58,399  
order to

302  
00:11:01,750 --> 00:11:00,640  
build a working model a drone that will

303  
00:11:05,030 --> 00:11:01,760  
fly around

304  
00:11:07,430 --> 00:11:05,040  
i think this is extremely exciting and

305  
00:11:09,509 --> 00:11:07,440  
so i wrote about it on our site but i i

306  
00:11:10,790 --> 00:11:09,519  
posted a blog for huffington post and

307  
00:11:13,829 --> 00:11:10,800  
for some reason

308  
00:11:14,710 --> 00:11:13,839  
they denied me which is so frustrating

309  
00:11:17,190 --> 00:11:14,720  
for me because

310  
00:11:19,430 --> 00:11:17,200  
i was hoping to get their project in a

311  
00:11:21,269 --> 00:11:19,440  
bigger venue get more eyes on it

312  
00:11:22,710 --> 00:11:21,279  
because i think they deserve a shot you

313  
00:11:24,389 --> 00:11:22,720

know they're not asking for a whole lot

314

00:11:27,750 --> 00:11:24,399

of money but

315

00:11:28,389 --> 00:11:27,760

i i would love to see them possibly

316

00:11:30,949 --> 00:11:28,399

build

317

00:11:32,790 --> 00:11:30,959

something to ferret this out to discover

318

00:11:34,630 --> 00:11:32,800

whether this technology that they've

319

00:11:36,230 --> 00:11:34,640

uh believed they've been able to

320

00:11:39,509 --> 00:11:36,240

demonstrate works or not

321

00:11:40,710 --> 00:11:39,519

yeah that is surprising yeah so you know

322

00:11:43,269 --> 00:11:40,720

give lee some

323

00:11:43,990 --> 00:11:43,279

some stuff for me give him a hard time

324

00:11:45,670 --> 00:11:44,000

i'll try

325

00:11:47,269 --> 00:11:45,680

yeah although admittedly he is helping

326

00:11:47,910 --> 00:11:47,279

me and hopefully he will get that posted

327

00:11:50,550 --> 00:11:47,920

but

328

00:11:52,389 --> 00:11:50,560

their kickstarter campaign is not or i'm

329

00:11:54,310 --> 00:11:52,399

sorry it's indiegogo is

330

00:11:56,150 --> 00:11:54,320

not lasting very much longer it's only

331

00:11:57,990 --> 00:11:56,160

going for a few more days so i urge

332

00:11:59,509 --> 00:11:58,000

people to go up there and to

333

00:12:01,190 --> 00:11:59,519

give them some money i think this is a

334

00:12:03,350 --> 00:12:01,200

really cool project

335

00:12:05,110 --> 00:12:03,360

and the second of course is the mufon

336

00:12:07,670 --> 00:12:05,120

website which we talked about

337

00:12:09,430 --> 00:12:07,680

last week so they've still got that

338

00:12:12,150 --> 00:12:09,440

rolling about a week left

339

00:12:13,750 --> 00:12:12,160

uh they've actually gotten now close to

340

00:12:15,030 --> 00:12:13,760

twenty thousand dollars i guess people

341

00:12:16,949 --> 00:12:15,040

have mailed in they've got close to

342

00:12:18,949 --> 00:12:16,959

thirty thousand if you include those

343

00:12:20,550 --> 00:12:18,959

but through the kickstarter they've got

344

00:12:22,310 --> 00:12:20,560

about something like fifteen thousand

345

00:12:23,190 --> 00:12:22,320

now so they've got a week to go to make

346

00:12:25,829 --> 00:12:23,200

their seventy eight

347

00:12:28,230 --> 00:12:25,839

000. however the third is one that i'm

348

00:12:31,509 --> 00:12:28,240

really excited about as well which is

349

00:12:34,550 --> 00:12:31,519

robert hastings is doing a

350

00:12:37,430 --> 00:12:34,560

uh documentary of course he's spoken

351

00:12:40,870 --> 00:12:37,440

with over 115

352

00:12:42,790 --> 00:12:40,880

witnesses to military witnesses to

353

00:12:45,670 --> 00:12:42,800

people who say they've worked at nuclear

354

00:12:48,150 --> 00:12:45,680

facilities and they have seen ufos and

355

00:12:50,790 --> 00:12:48,160

and or those ufos have reacted

356

00:12:52,310 --> 00:12:50,800

with the nuclear weapons so i think he's

357

00:12:54,069 --> 00:12:52,320

got some incredible

358

00:12:56,389 --> 00:12:54,079

information and research some people

359

00:12:59,269 --> 00:12:56,399

have argued well we've seen this on tv

360

00:13:01,269 --> 00:12:59,279

but robert hastings doesn't do tv he's

361

00:13:03,030 --> 00:13:01,279

frustrated with tv producers because he

362

00:13:05,590 --> 00:13:03,040

says they just take your research

363

00:13:06,150 --> 00:13:05,600

and they screw it up and i agree with

364

00:13:08,230 --> 00:13:06,160

them because

365

00:13:09,829 --> 00:13:08,240

usually they they do add dubious

366

00:13:11,670 --> 00:13:09,839

material it's very

367

00:13:13,509 --> 00:13:11,680

frustrating that the producers aren't

368

00:13:16,710 --> 00:13:13,519

more careful with your research

369

00:13:18,629 --> 00:13:16,720

so he's uh usually denies when

370

00:13:20,069 --> 00:13:18,639

he gets requests to work with tv

371

00:13:23,430 --> 00:13:20,079

production

372

00:13:24,389 --> 00:13:23,440

companies so to see his pure data and

373

00:13:26,949 --> 00:13:24,399

research which is

374

00:13:28,710 --> 00:13:26,959

amazing uh he's trying to work on a

375

00:13:29,990 --> 00:13:28,720

documentary he said he was given a

376

00:13:31,430 --> 00:13:30,000

hundred thousand dollars he's gone

377

00:13:32,230 --> 00:13:31,440

through that he just needs twenty five

378

00:13:34,150 --> 00:13:32,240

thousand more

379

00:13:35,269 --> 00:13:34,160

to finish this up so he's asking people

380

00:13:37,430 --> 00:13:35,279

for donations

381

00:13:39,590 --> 00:13:37,440

so hopefully people will do that because

382

00:13:40,230 --> 00:13:39,600

uh you can even watch a five-minute clip

383

00:13:42,949 --> 00:13:40,240

there and it's

384

00:13:44,150 --> 00:13:42,959

chuck full of these amazing sightings

385

00:13:48,470 --> 00:13:44,160

and cases

386

00:13:52,230 --> 00:13:48,480

as told by these military witnesses so

387

00:13:54,069 --> 00:13:52,240

everybody's uh vying for your money um

388

00:13:55,670 --> 00:13:54,079

maybe give a little bit to each i don't

389

00:13:58,150 --> 00:13:55,680

know what to advise you there but

390

00:13:59,509 --> 00:13:58,160

uh you know chicken five bucks or

391

00:14:01,990 --> 00:13:59,519

something people

392

00:14:04,069 --> 00:14:02,000

right okay yeah the last story is just

393

00:14:06,069 --> 00:14:04,079

to kind of relate it to the ufo nukes

394

00:14:07,030 --> 00:14:06,079

it's just in alabama recently there was

395

00:14:09,110 --> 00:14:07,040

a sighting over

396

00:14:11,269 --> 00:14:09,120

a nuclear power plant so that's just

397

00:14:13,990 --> 00:14:11,279

kind of interesting just to show that uh

398

00:14:14,949 --> 00:14:14,000

these sightings over uh nuclear sites

399

00:14:17,550 --> 00:14:14,959

still

400

00:14:19,750 --> 00:14:17,560

happen and that is the news from

401  
00:14:21,670 --> 00:14:19,760  
openmindset tv

402  
00:14:23,189 --> 00:14:21,680  
thanks so much and you can find links to

403  
00:14:24,629 --> 00:14:23,199  
this right in our show notes

404  
00:14:26,470 --> 00:14:24,639  
that'll go right to the story thanks so

405  
00:14:28,870 --> 00:14:26,480  
much alejandro and we'll be

406  
00:14:30,629 --> 00:14:28,880  
talking to you next week all right talk

407  
00:14:33,189 --> 00:14:30,639  
to you soon have a great day

408  
00:14:34,949 --> 00:14:33,199  
same to you good thanksgiving all right

409  
00:14:37,829 --> 00:14:34,959  
we're coming right back with

410  
00:14:38,629 --> 00:14:37,839  
lee spiegel from the huffington post and

411  
00:14:41,269 --> 00:14:38,639  
music

412  
00:15:37,350 --> 00:14:41,279  
by carrie lloyd whitehouse hang in for

413  
00:15:41,590 --> 00:15:39,430

all right lee hey thanks for joining us

414

00:15:42,949 --> 00:15:41,600  
on this special american holiday

415

00:15:44,949 --> 00:15:42,959  
thanksgiving how are you

416

00:15:47,110 --> 00:15:44,959  
well i'm fine and the happy turkey day

417

00:15:49,189 --> 00:15:47,120  
to you too thank you and yeah what a

418

00:15:50,790 --> 00:15:49,199  
nightmare last night was and i'm sorry

419

00:15:53,269 --> 00:15:50,800  
we didn't get to record

420

00:15:53,910 --> 00:15:53,279  
you and i were talking every few minutes

421

00:15:56,150 --> 00:15:53,920  
and that

422

00:15:57,670 --> 00:15:56,160  
just wasn't happening i know and i felt

423

00:15:59,829 --> 00:15:57,680  
badly also for

424

00:16:00,870 --> 00:15:59,839  
i had i had actually uh mentioned to a

425

00:16:03,430 --> 00:16:00,880  
few friends of mine that

426

00:16:04,230 --> 00:16:03,440

they might want to catch the show live

427

00:16:06,230 --> 00:16:04,240

and

428

00:16:08,470 --> 00:16:06,240

i told them how to find it on on the

429

00:16:09,350 --> 00:16:08,480

internet and they they probably didn't

430

00:16:11,110 --> 00:16:09,360

hear us

431

00:16:13,030 --> 00:16:11,120

yeah i guess not now they're hearing

432

00:16:16,150 --> 00:16:13,040

reruns and kept waiting for you

433

00:16:17,350 --> 00:16:16,160

yeah hey um so last time you were on we

434

00:16:18,710 --> 00:16:17,360

ended the show

435

00:16:20,710 --> 00:16:18,720

um and you said that you were going to

436

00:16:22,790 --> 00:16:20,720

talk next time

437

00:16:23,829 --> 00:16:22,800

on how you brought ufos to the united

438

00:16:26,150 --> 00:16:23,839

nations

439

00:16:26,870 --> 00:16:26,160

and let's i know that was a long time

440

00:16:29,110 --> 00:16:26,880

ago and that's

441

00:16:30,310 --> 00:16:29,120

really interesting let's hear about that

442

00:16:32,629 --> 00:16:30,320

well you know

443

00:16:33,590 --> 00:16:32,639

it was a long time ago uh it seems like

444

00:16:35,829 --> 00:16:33,600

a lifetime ago

445

00:16:37,670 --> 00:16:35,839

and uh it's probably the the thing that

446

00:16:41,110 --> 00:16:37,680

i'm most proud of

447

00:16:42,389 --> 00:16:41,120

uh in my career working and researching

448

00:16:44,550 --> 00:16:42,399

ufos

449

00:16:45,509 --> 00:16:44,560

um a lot of people consider it still

450

00:16:48,389 --> 00:16:45,519

consider it

451  
00:16:49,350 --> 00:16:48,399  
a milestone in the whole effort of

452  
00:16:52,150 --> 00:16:49,360  
trying to get

453  
00:16:54,710 --> 00:16:52,160  
some kind of international disclosure uh

454  
00:16:58,870 --> 00:16:54,720  
about the ufo field

455  
00:17:02,310 --> 00:16:58,880  
back in 1977 i was i was noticing that

456  
00:17:05,510 --> 00:17:02,320  
the prime minister of grenada

457  
00:17:07,029 --> 00:17:05,520  
eric gary he had his own little crusade

458  
00:17:08,150 --> 00:17:07,039  
going on to try and get the united

459  
00:17:11,110 --> 00:17:08,160  
nations

460  
00:17:12,870 --> 00:17:11,120  
to pay attention to him to his he was he

461  
00:17:15,110 --> 00:17:12,880  
was really pleasing

462  
00:17:16,870 --> 00:17:15,120  
with the nations of the world to put

463  
00:17:19,429 --> 00:17:16,880

some kind of a committee together to

464

00:17:22,309 --> 00:17:19,439

share and study ufos

465

00:17:23,750 --> 00:17:22,319

but i also noticed in the press that

466

00:17:24,870 --> 00:17:23,760

nobody was really taking him very

467

00:17:27,029 --> 00:17:24,880

seriously

468

00:17:29,270 --> 00:17:27,039

so i thought well boy this is this would

469

00:17:31,590 --> 00:17:29,280

be a great opportunity

470

00:17:32,710 --> 00:17:31,600

if the united nations would kind of step

471

00:17:37,190 --> 00:17:32,720

in

472

00:17:40,470 --> 00:17:37,200

with an idea

473

00:17:43,029 --> 00:17:40,480

of of trying to meet the man

474

00:17:43,830 --> 00:17:43,039

and and propose to do a pitch to him

475

00:17:46,870 --> 00:17:43,840

about

476

00:17:49,110 --> 00:17:46,880

maybe letting me help and so what i did

477

00:17:50,630 --> 00:17:49,120

was as you and i had discussed the last

478

00:17:54,710 --> 00:17:50,640

time i was on

479

00:17:58,549 --> 00:17:54,720

i i sent my 1975

480

00:18:00,150 --> 00:17:58,559

ufo documentary record album called ufos

481

00:18:03,029 --> 00:18:00,160

the credibility factor

482

00:18:04,390 --> 00:18:03,039

i sent a couple of copies of it over to

483

00:18:08,150 --> 00:18:04,400

the grenada mission

484

00:18:09,750 --> 00:18:08,160

at the united nations and i said to his

485

00:18:12,630 --> 00:18:09,760

ambassadors please give my

486

00:18:13,590 --> 00:18:12,640

album to your prime minister with my

487

00:18:16,070 --> 00:18:13,600

compliments

488

00:18:16,710 --> 00:18:16,080

and tell him that i'd love to meet him

489

00:18:19,669 --> 00:18:16,720

and discuss

490

00:18:20,549 --> 00:18:19,679

some ways that i could help him in his

491

00:18:23,510 --> 00:18:20,559

crusade

492

00:18:25,350 --> 00:18:23,520

to bring united nations and ufos

493

00:18:28,470 --> 00:18:25,360

together in some way

494

00:18:31,830 --> 00:18:28,480

and so they they they got the album down

495

00:18:34,710 --> 00:18:31,840

to him down to grenada and i was invited

496

00:18:35,830 --> 00:18:34,720

to the united nations on the night that

497

00:18:39,430 --> 00:18:35,840

eric gary was

498

00:18:41,909 --> 00:18:39,440

knighted and became sir eric gary

499

00:18:43,029 --> 00:18:41,919

and it was great it was it was like the

500

00:18:44,470 --> 00:18:43,039

first time i'd ever

501  
00:18:46,630 --> 00:18:44,480  
the only time actually that i'd ever

502  
00:18:49,029 --> 00:18:46,640  
been to the united nations with some

503  
00:18:50,070 --> 00:18:49,039  
pomp and circumstance ceremony and i got

504  
00:18:52,230 --> 00:18:50,080  
to see

505  
00:18:53,110 --> 00:18:52,240  
different leaders of of the united

506  
00:18:55,110 --> 00:18:53,120  
nations

507  
00:18:56,870 --> 00:18:55,120  
i mean i they certainly do this on a

508  
00:18:57,510 --> 00:18:56,880  
regular basis but that was not part of

509  
00:19:00,870 --> 00:18:57,520  
my life

510  
00:19:01,430 --> 00:19:00,880  
at the time and at some point during the

511  
00:19:04,950 --> 00:19:01,440  
evening

512  
00:19:08,070 --> 00:19:04,960  
i was introduced to sir eric gary and

513  
00:19:09,430 --> 00:19:08,080

we went into a room alone

514

00:19:11,750 --> 00:19:09,440

where we could just talk for a few

515

00:19:13,750 --> 00:19:11,760

minutes and and i i said

516

00:19:15,110 --> 00:19:13,760

with all due respect sir i've been

517

00:19:17,909 --> 00:19:15,120

following your

518

00:19:20,230 --> 00:19:17,919

your crusade in the media to try and get

519

00:19:21,990 --> 00:19:20,240

the united nations to take you seriously

520

00:19:23,750 --> 00:19:22,000

about ufos but

521

00:19:25,909 --> 00:19:23,760

they're not taking you seriously i can

522

00:19:29,110 --> 00:19:25,919

help you do that are you interested

523

00:19:31,430 --> 00:19:29,120

and over a handshake he said yes i would

524

00:19:32,310 --> 00:19:31,440

be very much interested in having you do

525

00:19:35,669 --> 00:19:32,320

this

526

00:19:39,510 --> 00:19:35,679

so uh that's what we decided to do

527

00:19:42,470 --> 00:19:39,520

and and he offered to to fund

528

00:19:44,710 --> 00:19:42,480

uh my my part of the presentation in

529

00:19:48,549 --> 00:19:44,720

case i needed to do any traveling to

530

00:19:51,750 --> 00:19:48,559

collect speakers documents

531

00:19:52,150 --> 00:19:51,760

information and and i discovered at the

532

00:19:54,950 --> 00:19:52,160

time

533

00:19:57,190 --> 00:19:54,960

very quickly that you you cannot just

534

00:19:58,150 --> 00:19:57,200

walk into the united nations and say i'd

535

00:20:00,310 --> 00:19:58,160

like to do

536

00:20:01,909 --> 00:20:00,320

a presentation here they they just won't

537

00:20:05,430 --> 00:20:01,919

allow you to do that unless

538

00:20:08,310 --> 00:20:05,440

you are a member of a delegation

539

00:20:09,830 --> 00:20:08,320

or of a country that is interested in

540

00:20:13,190 --> 00:20:09,840

putting something together

541

00:20:15,590 --> 00:20:13,200

and i wasn't a member so they had to

542

00:20:16,789 --> 00:20:15,600

they had to make me a delegate and i

543

00:20:20,070 --> 00:20:16,799

actually got

544

00:20:23,110 --> 00:20:20,080

a delegate card that indicated

545

00:20:23,590 --> 00:20:23,120

that i was a delegate of grenada and in

546

00:20:26,310 --> 00:20:23,600

fact

547

00:20:27,029 --> 00:20:26,320

uh for any listeners who are really

548

00:20:29,510 --> 00:20:27,039

interested in

549

00:20:30,470 --> 00:20:29,520

seeing more about this if if they go to

550

00:20:33,990 --> 00:20:30,480

my website

551  
00:20:37,270 --> 00:20:34,000  
which is simply lee spiegel.com

552  
00:20:41,029 --> 00:20:37,280  
and click on the button that says un

553  
00:20:44,870 --> 00:20:41,039  
you will see my my official 1978

554  
00:20:47,510 --> 00:20:44,880  
grenada delegation card and other

555  
00:20:49,190 --> 00:20:47,520  
interesting pictures from that whole

556  
00:20:51,909 --> 00:20:49,200  
situation

557  
00:20:53,270 --> 00:20:51,919  
so i started off working on on the

558  
00:20:55,750 --> 00:20:53,280  
presentation

559  
00:20:56,710 --> 00:20:55,760  
and uh preparing all the materials that

560  
00:21:00,390 --> 00:20:56,720  
we were going to

561  
00:21:02,789 --> 00:21:00,400  
to need and and getting people lined up

562  
00:21:04,630 --> 00:21:02,799  
to become part of this like astronomer

563  
00:21:07,830 --> 00:21:04,640

jay allen heineck

564

00:21:10,710 --> 00:21:07,840

nuclear physicist stanton friedman

565

00:21:12,950 --> 00:21:10,720

astronaut gordon cooper astronomer

566

00:21:15,669 --> 00:21:12,960

jacques valley

567

00:21:16,149 --> 00:21:15,679

french astronomer claude pohair who had

568

00:21:19,830 --> 00:21:16,159

just

569

00:21:23,270 --> 00:21:19,840

created the the official french

570

00:21:25,430 --> 00:21:23,280

ufo study group called japan and japan

571

00:21:29,430 --> 00:21:25,440

is still in existence

572

00:21:32,470 --> 00:21:29,440

and and other people the

573

00:21:35,190 --> 00:21:32,480

uh major larry coyne who

574

00:21:36,310 --> 00:21:35,200

was the the commander of a four-man

575

00:21:40,070 --> 00:21:36,320

helicopter

576

00:21:40,789 --> 00:21:40,080

who in 1973 was involved with a near

577

00:21:44,230 --> 00:21:40,799

collision

578

00:21:45,029 --> 00:21:44,240

with the ufo over ohio i mean i got all

579

00:21:47,190 --> 00:21:45,039

these people

580

00:21:48,950 --> 00:21:47,200

these were people who had primarily been

581

00:21:51,270 --> 00:21:48,960

on my ufo album

582

00:21:52,470 --> 00:21:51,280

so it was easy for me to get them to

583

00:21:54,470 --> 00:21:52,480

come together and

584

00:21:55,830 --> 00:21:54,480

and be with me at the united nations

585

00:21:58,789 --> 00:21:55,840

because they already knew

586

00:22:00,789 --> 00:21:58,799

that i was serious about this and they

587

00:22:03,830 --> 00:22:00,799

all wanted to be at the um

588

00:22:07,830 --> 00:22:03,840

so once i got them all to agree uh then

589

00:22:10,870 --> 00:22:07,840

in july of 1978

590

00:22:14,390 --> 00:22:10,880

there was a preliminary uh closed-door

591

00:22:16,549 --> 00:22:14,400

meeting at the united nations

592

00:22:18,390 --> 00:22:16,559

where the secretary general curt of all

593

00:22:21,669 --> 00:22:18,400

time wanted to meet

594

00:22:23,430 --> 00:22:21,679

with me and all of the people that i was

595

00:22:24,230 --> 00:22:23,440

going to be bringing to the un later

596

00:22:26,470 --> 00:22:24,240

that year

597

00:22:27,669 --> 00:22:26,480

he basically wanted to know what are you

598

00:22:30,230 --> 00:22:27,679

folks going to do here

599

00:22:32,590 --> 00:22:30,240

in november what's what's this all about

600

00:22:35,190 --> 00:22:32,600

and and again if you listen is go to

601  
00:22:35,909 --> 00:22:35,200  
leasepiegle.com and look at un you will

602  
00:22:38,549 --> 00:22:35,919  
see

603  
00:22:40,070 --> 00:22:38,559  
uh a kind of a famous picture of all of

604  
00:22:41,590 --> 00:22:40,080  
us sitting around the table with the

605  
00:22:45,430 --> 00:22:41,600  
secretary general

606  
00:22:46,390 --> 00:22:45,440  
at our meeting and so i spent the rest

607  
00:22:49,029 --> 00:22:46,400  
of that year

608  
00:22:50,789 --> 00:22:49,039  
just compiling information getting

609  
00:22:53,510 --> 00:22:50,799  
documents and pictures and

610  
00:22:54,549 --> 00:22:53,520  
films and a variety of things to to put

611  
00:22:57,190 --> 00:22:54,559  
together

612  
00:22:58,870 --> 00:22:57,200  
for the presentation which was scheduled

613  
00:23:00,710 --> 00:22:58,880

near the end of november

614

00:23:02,470 --> 00:23:00,720

when the the general assembly came back

615

00:23:05,270 --> 00:23:02,480

together and they

616

00:23:06,870 --> 00:23:05,280

they scheduled us to be uh in a very big

617

00:23:08,390 --> 00:23:06,880

room called the special political

618

00:23:12,070 --> 00:23:08,400

committee room

619

00:23:15,190 --> 00:23:12,080

for all the nations and uh

620

00:23:16,310 --> 00:23:15,200

gordon cooper who could not be there in

621

00:23:18,630 --> 00:23:16,320

november

622

00:23:20,149 --> 00:23:18,640

uh said to me you know look i want to be

623

00:23:22,710 --> 00:23:20,159

part of this

624

00:23:25,190 --> 00:23:22,720

but i have other obligations of what

625

00:23:27,750 --> 00:23:25,200

what else can i do how can i help you

626

00:23:29,350 --> 00:23:27,760

with what you're doing uh in new york

627

00:23:32,710 --> 00:23:29,360

and i i said well you know what gordon

628

00:23:35,350 --> 00:23:32,720

here's what you can do send me a letter

629

00:23:37,110 --> 00:23:35,360

on your official stationery at the time

630

00:23:40,630 --> 00:23:37,120

he was the vice president

631

00:23:41,430 --> 00:23:40,640

for wed enterprises wed stands for

632

00:23:44,630 --> 00:23:41,440

walter e

633

00:23:47,029 --> 00:23:44,640

disney he worked for a disney company in

634

00:23:50,230 --> 00:23:47,039

california and i said send me a letter

635

00:23:51,190 --> 00:23:50,240

on your letterhead stationery basically

636

00:23:54,630 --> 00:23:51,200

outlining

637

00:23:55,750 --> 00:23:54,640

your personal views on ufos where they

638

00:23:57,990 --> 00:23:55,760

might come from

639

00:23:59,110 --> 00:23:58,000

why astronauts don't like talking about

640

00:24:01,110 --> 00:23:59,120

it publicly

641

00:24:02,950 --> 00:24:01,120

what the united nations should do about

642

00:24:05,190 --> 00:24:02,960

it etc etc

643

00:24:06,950 --> 00:24:05,200

and i said but don't address it to me

644

00:24:08,710 --> 00:24:06,960

address it to

645

00:24:10,390 --> 00:24:08,720

one of the ambassadors or the prime

646

00:24:12,310 --> 00:24:10,400

minister of grenada

647

00:24:15,830 --> 00:24:12,320

and their address at the mission of

648

00:24:18,789 --> 00:24:15,840

grenada but send me the original letter

649

00:24:19,590 --> 00:24:18,799

i will and before i give the original to

650

00:24:22,950 --> 00:24:19,600

grenada

651

00:24:25,269 --> 00:24:22,960

i will make a gazillion copies of it so

652

00:24:25,990 --> 00:24:25,279

so that we can uh because part of what

653

00:24:28,710 --> 00:24:26,000

we had to do

654

00:24:31,029 --> 00:24:28,720

martin was because of of the different

655

00:24:32,870 --> 00:24:31,039

languages that are used at the un

656

00:24:34,630 --> 00:24:32,880

all the written materials that i had

657

00:24:37,190 --> 00:24:34,640

gathered during the year

658

00:24:38,789 --> 00:24:37,200

had to be translated into into the

659

00:24:40,470 --> 00:24:38,799

various languages the

660

00:24:42,230 --> 00:24:40,480

the main three or four languages that

661

00:24:44,710 --> 00:24:42,240

are used there and so

662

00:24:46,149 --> 00:24:44,720

i needed time to make sure that i handed

663

00:24:49,190 --> 00:24:46,159

in all my materials

664

00:24:50,789 --> 00:24:49,200

by a specific date so it could then be

665

00:24:52,789 --> 00:24:50,799

worked out so all the different

666

00:24:54,789 --> 00:24:52,799

languages could be covered

667

00:24:56,149 --> 00:24:54,799

so it was it was it was an interesting

668

00:24:59,110 --> 00:24:56,159

task but i was

669

00:24:59,990 --> 00:24:59,120

i was so highly energized every day of

670

00:25:01,909 --> 00:25:00,000

the year to do this

671

00:25:03,510 --> 00:25:01,919

it was great now lee let me just

672

00:25:05,430 --> 00:25:03,520

interrupt you for sure did you

673

00:25:06,870 --> 00:25:05,440

were you also working a full-time job

674

00:25:11,909 --> 00:25:06,880

while you were trying to do this

675

00:25:15,110 --> 00:25:11,919

i was i was and well since you asked

676

00:25:17,990 --> 00:25:15,120

uh i was working at the um to do this

677

00:25:19,190 --> 00:25:18,000

during the day and by night i was a

678

00:25:23,350 --> 00:25:19,200

maitre d

679

00:25:26,870 --> 00:25:24,789

it was just something i need i needed to

680

00:25:28,950 --> 00:25:26,880

bring in some extra money to to pay the

681

00:25:31,350 --> 00:25:28,960

rent and other things because

682

00:25:32,549 --> 00:25:31,360

uh because grenada was only giving me

683

00:25:35,750 --> 00:25:32,559

enough money

684

00:25:37,350 --> 00:25:35,760

to to handle my expenses

685

00:25:39,669 --> 00:25:37,360

for what i was doing they weren't giving

686

00:25:43,269 --> 00:25:39,679

me a living expense

687

00:25:46,070 --> 00:25:43,279

fund and so i was i was okay with that

688

00:25:47,510 --> 00:25:46,080

um because the like i i don't if i

689

00:25:48,070 --> 00:25:47,520

recall i don't think the money that they

690

00:25:50,149 --> 00:25:48,080

gave me

691

00:25:52,070 --> 00:25:50,159

i don't know if i even had to declare it

692

00:25:52,630 --> 00:25:52,080

because i got i got it from another

693

00:25:54,549 --> 00:25:52,640

country

694

00:25:56,310 --> 00:25:54,559

yeah yeah it's like i really can't

695

00:25:58,230 --> 00:25:56,320

remember that and now see now that i'm

696

00:25:58,789 --> 00:25:58,240

telling you this on the air now the irs

697

00:26:00,870 --> 00:25:58,799

is gonna

698

00:26:02,230 --> 00:26:00,880

gotta come get me it's already flagged

699

00:26:05,269 --> 00:26:02,240

yeah

700

00:26:07,430 --> 00:26:05,279

so um and

701  
00:26:08,549 --> 00:26:07,440  
and you know even when i was working on

702  
00:26:12,149 --> 00:26:08,559  
this project

703  
00:26:15,269 --> 00:26:12,159  
uh many times i i knew

704  
00:26:19,029 --> 00:26:15,279  
i just knew that i was being

705  
00:26:22,950 --> 00:26:19,039  
watched and and and my phone was being

706  
00:26:25,190 --> 00:26:22,960  
bugged yeah it's like

707  
00:26:26,789 --> 00:26:25,200  
i'd be on the phone uh talking to

708  
00:26:27,190 --> 00:26:26,799  
anybody whether it was somebody about

709  
00:26:29,750 --> 00:26:27,200  
this

710  
00:26:31,430 --> 00:26:29,760  
presentation or just friends or family

711  
00:26:32,870 --> 00:26:31,440  
and and

712  
00:26:36,070 --> 00:26:32,880  
there would be pauses in the

713  
00:26:38,470 --> 00:26:36,080

conversation and i could hear breathing

714

00:26:39,590 --> 00:26:38,480

and i knew was it wasn't my breathing

715

00:26:41,430 --> 00:26:39,600

and it wasn't the breathing of the

716

00:26:44,630 --> 00:26:41,440

person i was talking to

717

00:26:45,350 --> 00:26:44,640

um and and so a couple of times i just i

718

00:26:46,950 --> 00:26:45,360

just said you know

719

00:26:49,110 --> 00:26:46,960

screw this you know what i'm just gonna

720

00:26:52,310 --> 00:26:49,120

go for it and i'd say something like

721

00:26:54,549 --> 00:26:52,320

hey listen guys i know you're listening

722

00:26:55,909 --> 00:26:54,559

and it's okay you're not going to get

723

00:26:56,390 --> 00:26:55,919

anything from me that's going to be

724

00:26:59,430 --> 00:26:56,400

worth

725

00:27:01,510 --> 00:26:59,440

anything to anybody so you can either

726

00:27:04,870 --> 00:27:01,520

continue listening and recording

727

00:27:09,510 --> 00:27:04,880

or just take a break you know give it up

728

00:27:12,710 --> 00:27:11,430

i i would do that just just to

729

00:27:15,909 --> 00:27:12,720

acknowledge that

730

00:27:20,630 --> 00:27:15,919

that that i i knew what was going on

731

00:27:22,549 --> 00:27:20,640

and and this was kind of confirmed to me

732

00:27:24,230 --> 00:27:22,559

a couple of months after the whole

733

00:27:25,110 --> 00:27:24,240

presentation took place at the end of

734

00:27:29,510 --> 00:27:25,120

the year

735

00:27:32,310 --> 00:27:29,520

i got a call from attorney peter gersten

736

00:27:33,669 --> 00:27:32,320

who was was very important at the time

737

00:27:36,950 --> 00:27:33,679

in helping to

738

00:27:40,389 --> 00:27:36,960

to get uh original

739

00:27:41,909 --> 00:27:40,399

classified documents released from the

740

00:27:43,430 --> 00:27:41,919

government by using the freedom of

741

00:27:45,510 --> 00:27:43,440

information act

742

00:27:47,190 --> 00:27:45,520

and and he was he was really responsible

743

00:27:48,789 --> 00:27:47,200

for getting a lot of these documents out

744

00:27:51,029 --> 00:27:48,799

and one day he called me

745

00:27:52,870 --> 00:27:51,039

his office was up in the bronx near

746

00:27:54,389 --> 00:27:52,880

yankee stadium

747

00:27:56,070 --> 00:27:54,399

and he said listen i just got a new

748

00:27:58,789 --> 00:27:56,080

batch of documents

749

00:28:00,389 --> 00:27:58,799

and one of them is about you and and

750

00:28:02,149 --> 00:28:00,399

what you did at the u.n

751  
00:28:04,070 --> 00:28:02,159  
would you would you like me to send you

752  
00:28:07,430 --> 00:28:04,080  
the document and i said

753  
00:28:09,830 --> 00:28:07,440  
no i'm coming to your office right now

754  
00:28:11,830 --> 00:28:09,840  
yeah don't do anything i want you to

755  
00:28:13,830 --> 00:28:11,840  
hand it to me

756  
00:28:15,350 --> 00:28:13,840  
i don't want it to get lost in the mail

757  
00:28:17,350 --> 00:28:15,360  
or anything like that and

758  
00:28:19,750 --> 00:28:17,360  
up up to the bronx i went i got this

759  
00:28:23,190 --> 00:28:19,760  
this two-page document

760  
00:28:26,549 --> 00:28:23,200  
in which it was uh it was written by

761  
00:28:29,669 --> 00:28:26,559  
in in 1978 it had been written by

762  
00:28:33,190 --> 00:28:29,679  
the american ambassador

763  
00:28:36,470 --> 00:28:33,200

to the united nations and it was written

764

00:28:39,190 --> 00:28:36,480

to the secretary of state in washington

765

00:28:40,070 --> 00:28:39,200

and it and it basically said that the

766

00:28:43,269 --> 00:28:40,080

subject

767

00:28:44,470 --> 00:28:43,279

of of the document was grenada ufo

768

00:28:47,990 --> 00:28:44,480

crusade

769

00:28:51,110 --> 00:28:48,000

deja vu yeah as

770

00:28:54,310 --> 00:28:51,120

in here we go again unreal

771

00:28:56,310 --> 00:28:54,320

okay and and it talked about

772

00:28:57,990 --> 00:28:56,320

you know here's what grenada is is

773

00:28:59,510 --> 00:28:58,000

working on this year at the um

774

00:29:01,350 --> 00:28:59,520

here's what they're planning on doing at

775

00:29:04,870 --> 00:29:01,360

the end of the year and

776

00:29:06,230 --> 00:29:04,880

and it says you know undaunted by a lack

777

00:29:09,669 --> 00:29:06,240

of response

778

00:29:12,870 --> 00:29:09,679

to this ufo item since the 32nd

779

00:29:14,789 --> 00:29:12,880

general assembly prime minister gary has

780

00:29:16,230 --> 00:29:14,799

apparently laid the groundwork for a

781

00:29:19,350 --> 00:29:16,240

blitzkrieg

782

00:29:21,830 --> 00:29:19,360

sales pitch which will include a cast of

783

00:29:24,710 --> 00:29:21,840

supporters ranging from scientists

784

00:29:25,430 --> 00:29:24,720

to astronauts supplemented by a film

785

00:29:26,630 --> 00:29:25,440

production

786

00:29:29,510 --> 00:29:26,640

i mean i'm right now i'm actually

787

00:29:32,549 --> 00:29:29,520

reading from the the document

788

00:29:34,710 --> 00:29:32,559

goes on to say we understand

789

00:29:36,870 --> 00:29:34,720

that the person responsible for bringing

790

00:29:37,909 --> 00:29:36,880

the group together is producer lee

791

00:29:39,590 --> 00:29:37,919

spiegel

792

00:29:41,350 --> 00:29:39,600

who's produced an audio visual

793

00:29:43,909 --> 00:29:41,360

presentation that will follow the

794

00:29:46,789 --> 00:29:43,919

testimony of the experts

795

00:29:48,470 --> 00:29:46,799

all of the people listed have been

796

00:29:51,510 --> 00:29:48,480

officially accredited

797

00:29:53,590 --> 00:29:51,520

to the un general assembly by grenada

798

00:29:55,029 --> 00:29:53,600

so it then finishes the document

799

00:29:58,070 --> 00:29:55,039

finishes by saying here's what they're

800

00:29:59,909 --> 00:29:58,080

planning on doing in november

801  
00:30:01,430 --> 00:29:59,919  
only a few countries have gone on record

802  
00:30:04,789 --> 00:30:01,440  
with any position

803  
00:30:07,190 --> 00:30:04,799  
on ufos uh basically

804  
00:30:08,710 --> 00:30:07,200  
the ambassador is asking his bosses at

805  
00:30:12,789 --> 00:30:08,720  
the state department

806  
00:30:18,630 --> 00:30:15,029  
how do you want us to take any kind of

807  
00:30:21,750 --> 00:30:18,640  
position on this one way or the other

808  
00:30:21,990 --> 00:30:21,760  
and so i had this document in my hands

809  
00:30:24,070 --> 00:30:22,000  
which

810  
00:30:26,230 --> 00:30:24,080  
basically said to me yes they were

811  
00:30:29,750 --> 00:30:26,240  
paying attention to what i was doing

812  
00:30:31,669 --> 00:30:29,760  
wow um that's amazing and again i'll

813  
00:30:33,269 --> 00:30:31,679

i'll tell you again you listen is if if

814

00:30:36,549 --> 00:30:33,279

you want to see the document

815

00:30:38,510 --> 00:30:36,559

you can even copy it if you want it's on

816

00:30:39,669 --> 00:30:38,520

the u.n page of my website at

817

00:30:41,510 --> 00:30:39,679

leastbeagle.com

818

00:30:43,590 --> 00:30:41,520

all i put all the stuff there so

819

00:30:46,870 --> 00:30:43,600

everybody can see exactly

820

00:30:49,990 --> 00:30:46,880

what this was all about wow uh

821

00:30:53,350 --> 00:30:50,000

and and so we we

822

00:30:57,029 --> 00:30:53,360

we did the presentation uh in november

823

00:31:00,310 --> 00:30:57,039

and uh my my three main speakers

824

00:31:03,909 --> 00:31:00,320

were ellen heineck jacques vallee

825

00:31:07,110 --> 00:31:03,919

um larry coyne the uh

826

00:31:10,230 --> 00:31:07,120

army uh helicopter pilot and and then

827

00:31:11,350 --> 00:31:10,240

uh following um a lunch break press

828

00:31:13,990 --> 00:31:11,360

conference

829

00:31:14,710 --> 00:31:14,000

for the afternoon session uh stan

830

00:31:17,750 --> 00:31:14,720

friedman

831

00:31:19,750 --> 00:31:17,760

came out and and did his blitzkrieg

832

00:31:22,630 --> 00:31:19,760

thing about how yes earth is being

833

00:31:26,710 --> 00:31:22,640

visited by some extraterrestrials

834

00:31:29,029 --> 00:31:26,720

so the upshot was that

835

00:31:29,909 --> 00:31:29,039

all we were trying to do was to get

836

00:31:32,389 --> 00:31:29,919

enough

837

00:31:33,669 --> 00:31:32,399

official in our interest at the united

838

00:31:36,149 --> 00:31:33,679

nations

839

00:31:37,350 --> 00:31:36,159

so that some kind of committee could be

840

00:31:40,950 --> 00:31:37,360

formed

841

00:31:42,630 --> 00:31:40,960

uh to investigate and to share ufo

842

00:31:45,509 --> 00:31:42,640

information from around the world

843

00:31:46,070 --> 00:31:45,519

because the the one of the problems of

844

00:31:47,590 --> 00:31:46,080

doing

845

00:31:50,310 --> 00:31:47,600

something like this on this kind of a

846

00:31:52,549 --> 00:31:50,320

scale is the the language

847

00:31:54,149 --> 00:31:52,559

situation you get different countries

848

00:31:55,110 --> 00:31:54,159

with different languages and they have

849

00:31:57,590 --> 00:31:55,120

their own

850

00:31:59,110 --> 00:31:57,600

uh reports how do you how do you get

851  
00:32:00,950 --> 00:31:59,120  
this stuff to share it and

852  
00:32:03,190 --> 00:32:00,960  
and to translate the languages it's a

853  
00:32:05,509 --> 00:32:03,200  
huge it's a huge task

854  
00:32:06,789 --> 00:32:05,519  
and and so we were just trying to get a

855  
00:32:08,710 --> 00:32:06,799  
small committee

856  
00:32:10,310 --> 00:32:08,720  
formed that wouldn't cost the united

857  
00:32:13,269 --> 00:32:10,320  
nations a lot of money

858  
00:32:15,029 --> 00:32:13,279  
and i i didn't even want to necessarily

859  
00:32:16,870 --> 00:32:15,039  
or need to be part of the committee

860  
00:32:19,269 --> 00:32:16,880  
it was once the committee was set up it

861  
00:32:23,269 --> 00:32:19,279  
could just run by itself

862  
00:32:26,230 --> 00:32:23,279  
and in the end the the then

863  
00:32:27,990 --> 00:32:26,240

soviet union and the united states

864

00:32:29,590 --> 00:32:28,000

vetoed the resolution

865

00:32:30,630 --> 00:32:29,600

and i pretty much killed it you know

866

00:32:31,590 --> 00:32:30,640

because none of the other none of the

867

00:32:34,149 --> 00:32:31,600

other countries

868

00:32:36,310 --> 00:32:34,159

wanted to want to go along with it and

869

00:32:39,669 --> 00:32:36,320

now here's here's kind of a

870

00:32:41,110 --> 00:32:39,679

you know fast forward like 30 years

871

00:32:44,710 --> 00:32:41,120

later

872

00:32:46,230 --> 00:32:44,720

um i discovered um this is just a couple

873

00:32:48,310 --> 00:32:46,240

of years ago

874

00:32:50,630 --> 00:32:48,320

i i'm working for huffington post and

875

00:32:52,789 --> 00:32:50,640

writing a lot of stories

876

00:32:54,830 --> 00:32:52,799

uh there was a point in time when the

877

00:32:57,830 --> 00:32:54,840

united kingdom

878

00:32:58,230 --> 00:32:57,840

was releasing to the public they were

879

00:33:02,070 --> 00:32:58,240

doing

880

00:33:05,750 --> 00:33:02,080

these occasional releases of all of the

881

00:33:07,830 --> 00:33:05,760

british ministry of defense ufo files

882

00:33:08,950 --> 00:33:07,840

that they had they had gathered from for

883

00:33:11,590 --> 00:33:08,960

decades

884

00:33:13,669 --> 00:33:11,600

and in batches they were releasing these

885

00:33:16,710 --> 00:33:13,679

files to the public

886

00:33:19,509 --> 00:33:16,720

and and so during one of these release

887

00:33:19,909 --> 00:33:19,519

points my editor came up to me and said

888

00:33:21,350 --> 00:33:19,919

um

889

00:33:23,430 --> 00:33:21,360

looks like great britain is releasing

890

00:33:25,110 --> 00:33:23,440

some more ufo files do you want to do

891

00:33:26,470 --> 00:33:25,120

a piece about it i said sure because

892

00:33:27,110 --> 00:33:26,480

they usually have some good stuff in

893

00:33:29,190 --> 00:33:27,120

there

894

00:33:30,950 --> 00:33:29,200

and i could do a couple of interviews

895

00:33:34,549 --> 00:33:30,960

and make it a good story

896

00:33:38,149 --> 00:33:34,559

so i started going through the the files

897

00:33:41,029 --> 00:33:38,159

that they had released and and i i i

898

00:33:42,389 --> 00:33:41,039

read a story from the bbc the bbc had

899

00:33:44,630 --> 00:33:42,399

gotten the first batch

900

00:33:45,509 --> 00:33:44,640

of um declassified files and they

901  
00:33:47,750 --> 00:33:45,519  
released them

902  
00:33:49,509 --> 00:33:47,760  
so i was looking at the bbc story and

903  
00:33:51,830 --> 00:33:49,519  
and it said

904  
00:33:52,549 --> 00:33:51,840  
among the more interesting files

905  
00:33:55,590 --> 00:33:52,559  
released

906  
00:33:59,750 --> 00:33:55,600  
today by the bbc are some

907  
00:34:02,789 --> 00:33:59,760  
that show that in 1978

908  
00:34:06,230 --> 00:34:02,799  
great britain tried to stop

909  
00:34:09,430 --> 00:34:06,240  
a u.n presentation from happening really

910  
00:34:11,109 --> 00:34:09,440  
and i went i'm sorry what

911  
00:34:12,950 --> 00:34:11,119  
let me let me let me read that over

912  
00:34:14,230 --> 00:34:12,960  
again and make sure i read that

913  
00:34:17,510 --> 00:34:14,240

correctly

914

00:34:19,829 --> 00:34:17,520

yeah in 1978 the the un was putting a

915

00:34:21,109 --> 00:34:19,839

presentation together or someone was and

916

00:34:24,149 --> 00:34:21,119

that

917

00:34:26,069 --> 00:34:24,159

good idea

918

00:34:27,829 --> 00:34:26,079

i went no wait a minute this camp this

919

00:34:31,510 --> 00:34:27,839

can't possibly be

920

00:34:34,629 --> 00:34:31,520

my presentation but yes it was

921

00:34:36,790 --> 00:34:34,639

wow and and so i i dug out

922

00:34:38,470 --> 00:34:36,800

more of the documents that had just been

923

00:34:39,510 --> 00:34:38,480

released a couple of years ago about

924

00:34:46,230 --> 00:34:39,520

this

925

00:34:50,149 --> 00:34:46,240

and

926  
00:34:52,389 --> 00:34:50,159  
this is a good idea because

927  
00:34:53,750 --> 00:34:52,399  
uh it would it would not leave the

928  
00:34:56,550 --> 00:34:53,760  
united nations

929  
00:34:57,030 --> 00:34:56,560  
with a good reputation if all of a

930  
00:35:00,870 --> 00:34:57,040  
sudden

931  
00:35:03,030 --> 00:35:00,880  
it was it was doing something about ufos

932  
00:35:04,950 --> 00:35:03,040  
and i thought well wait a minute the

933  
00:35:06,069 --> 00:35:04,960  
united nations has its own problems

934  
00:35:08,710 --> 00:35:06,079  
anyway

935  
00:35:10,710 --> 00:35:08,720  
um you know talking about ufos isn't

936  
00:35:13,910 --> 00:35:10,720  
just going to add to the problems

937  
00:35:16,150 --> 00:35:13,920  
i went to my editor and i said listen um

938  
00:35:17,510 --> 00:35:16,160

this has now become like a personal

939

00:35:19,990 --> 00:35:17,520

issue for me

940

00:35:21,430 --> 00:35:20,000

i would like to write the story but i

941

00:35:22,790 --> 00:35:21,440

would like to write it in the first

942

00:35:24,150 --> 00:35:22,800

person

943

00:35:25,990 --> 00:35:24,160

basically and basically say i've

944

00:35:29,109 --> 00:35:26,000

uncovered these documents

945

00:35:30,150 --> 00:35:29,119

um that great britain tried to stop my

946

00:35:32,310 --> 00:35:30,160

presentation

947

00:35:34,069 --> 00:35:32,320

and now i'm just finding out about this

948

00:35:37,190 --> 00:35:34,079

like three decades later

949

00:35:40,470 --> 00:35:37,200

are you kidding this is a story

950

00:35:42,150 --> 00:35:40,480

and one of the things that i did was to

951  
00:35:44,150 --> 00:35:42,160  
call up and interview my friend nick

952  
00:35:47,430 --> 00:35:44,160  
pope

953  
00:35:50,630 --> 00:35:47,440  
who for a few years in the 1990s

954  
00:35:53,589 --> 00:35:50,640  
he ran the ufo office

955  
00:35:54,550 --> 00:35:53,599  
at the ministry of defense he was in

956  
00:35:56,630 --> 00:35:54,560  
charge of

957  
00:35:58,630 --> 00:35:56,640  
looking at all the ufo information that

958  
00:36:00,870 --> 00:35:58,640  
came through the office

959  
00:36:01,990 --> 00:36:00,880  
so when i got him on the phone first

960  
00:36:06,069 --> 00:36:02,000  
thing he said to me was

961  
00:36:07,829 --> 00:36:06,079  
i know why you're calling really

962  
00:36:09,190 --> 00:36:07,839  
why is that he said he said well maybe

963  
00:36:10,790 --> 00:36:09,200

because we just released some

964

00:36:13,670 --> 00:36:10,800

information about

965

00:36:14,150 --> 00:36:13,680

your presentation in 1978 and i said

966

00:36:16,710 --> 00:36:14,160

yeah

967

00:36:17,430 --> 00:36:16,720

nick um what can you tell me about this

968

00:36:20,310 --> 00:36:17,440

and he said

969

00:36:21,589 --> 00:36:20,320

well first of all i had nothing to do

970

00:36:24,710 --> 00:36:21,599

with this

971

00:36:26,710 --> 00:36:24,720

you you can't blame me because when

972

00:36:28,390 --> 00:36:26,720

when you were doing your presentation i

973

00:36:30,710 --> 00:36:28,400

was only a teenager

974

00:36:32,390 --> 00:36:30,720

so i wasn't even working at the ministry

975

00:36:33,910 --> 00:36:32,400

of defense yet

976  
00:36:35,430 --> 00:36:33,920  
i said all right all right you're off

977  
00:36:38,790 --> 00:36:35,440  
the hook um

978  
00:36:41,990 --> 00:36:38,800  
but but why why would the

979  
00:36:43,589 --> 00:36:42,000  
great united kingdom not want this to

980  
00:36:45,589 --> 00:36:43,599  
come out he said because they thought

981  
00:36:48,790 --> 00:36:45,599  
that the u.n would be embarrassed

982  
00:36:49,670 --> 00:36:48,800  
or would be shamed or or that it would

983  
00:36:51,190 --> 00:36:49,680  
just

984  
00:36:54,150 --> 00:36:51,200  
place the whole united nations

985  
00:36:54,630 --> 00:36:54,160  
organization in disrepute or ill repute

986  
00:36:57,829 --> 00:36:54,640  
i said

987  
00:36:59,270 --> 00:36:57,839  
really you you're kidding me he said for

988  
00:37:02,310 --> 00:36:59,280

for better or worse

989

00:37:02,710 --> 00:37:02,320

that's what happened and and he said i

990

00:37:05,349 --> 00:37:02,720

just

991

00:37:06,150 --> 00:37:05,359

i will go on record right now i will

992

00:37:09,190 --> 00:37:06,160

give you an

993

00:37:09,829 --> 00:37:09,200

unofficial apology on behalf of my

994

00:37:12,069 --> 00:37:09,839

country

995

00:37:12,870 --> 00:37:12,079

because since i had nothing to do with

996

00:37:15,190 --> 00:37:12,880

it

997

00:37:16,630 --> 00:37:15,200

i can only apologize for me to you and i

998

00:37:19,670 --> 00:37:16,640

said you know what

999

00:37:19,990 --> 00:37:19,680

i accept your apology uh 30 years late

1000

00:37:24,150 --> 00:37:20,000

but

1001

00:37:26,310 --> 00:37:24,160

yeah okay so so i i obviously

1002

00:37:29,510 --> 00:37:26,320

martin i i must have i must have hit a

1003

00:37:32,950 --> 00:37:29,520

nerve there somewhere in 1978

1004

00:37:34,470 --> 00:37:32,960

um to get the the um the united states

1005

00:37:36,069 --> 00:37:34,480

ambassador and the state department

1006

00:37:38,710 --> 00:37:36,079

interested in what i was doing

1007

00:37:40,069 --> 00:37:38,720

to get great britain wanting to shut the

1008

00:37:42,150 --> 00:37:40,079

whole thing down

1009

00:37:43,190 --> 00:37:42,160

even before we we put the presentation

1010

00:37:45,430 --> 00:37:43,200

together

1011

00:37:47,589 --> 00:37:45,440

it it was really interesting to watch

1012

00:37:50,470 --> 00:37:47,599

this all take place

1013

00:37:51,589 --> 00:37:50,480

the upshot was that we did the

1014

00:37:55,349 --> 00:37:51,599

presentation in

1015

00:37:59,030 --> 00:37:55,359

november of 1978 a couple of months

1016

00:38:02,790 --> 00:37:59,040

later uh sir eric gary

1017

00:38:04,950 --> 00:38:02,800

was overthrown in a political takeover

1018

00:38:05,829 --> 00:38:04,960

in grenada so he was suddenly out of

1019

00:38:08,790 --> 00:38:05,839

power

1020

00:38:09,510 --> 00:38:08,800

and just a couple of few years after

1021

00:38:11,510 --> 00:38:09,520

that

1022

00:38:14,150 --> 00:38:11,520

i'm sitting at home watching the nightly

1023

00:38:16,470 --> 00:38:14,160

news and there's this big news item and

1024

00:38:19,190 --> 00:38:16,480

this is under president ronald reagan

1025

00:38:20,390 --> 00:38:19,200

that all of a sudden the news item is

1026

00:38:23,430 --> 00:38:20,400

the united states

1027

00:38:25,670 --> 00:38:23,440

has just invaded grenada right do you

1028

00:38:28,310 --> 00:38:25,680

remember that i sure do

1029

00:38:30,310 --> 00:38:28,320

man i was sitting there watching this

1030

00:38:35,829 --> 00:38:30,320

and the only thought that came to my

1031

00:38:39,750 --> 00:38:38,550

i mean really did you really think that

1032

00:38:41,990 --> 00:38:39,760

oh yeah

1033

00:38:43,190 --> 00:38:42,000

listen man i was following the timeline

1034

00:38:46,470 --> 00:38:43,200

of all this stuff

1035

00:38:48,390 --> 00:38:46,480

here here's eric gary in 1977

1036

00:38:51,109 --> 00:38:48,400

talking it up talking ufos up to the

1037

00:38:54,230 --> 00:38:51,119

united nations trying to stir up the pot

1038

00:38:56,790 --> 00:38:54,240

then in 1978 i make a deal with him to

1039

00:38:57,750 --> 00:38:56,800

do a big presentation about ufos with

1040

00:39:00,069 --> 00:38:57,760

some big time

1041

00:39:00,950 --> 00:39:00,079

speakers and personalities incredible

1042

00:39:05,109 --> 00:39:00,960

people

1043

00:39:08,390 --> 00:39:05,119

um and now i'm stirring the pot and then

1044

00:39:10,630 --> 00:39:08,400

as we now know great britain is is

1045

00:39:13,190 --> 00:39:10,640

trying to stop this from happening

1046

00:39:14,230 --> 00:39:13,200

in 1978 and i didn't know that at the

1047

00:39:16,470 --> 00:39:14,240

time

1048

00:39:18,069 --> 00:39:16,480

and then we do our presentation it it

1049

00:39:20,150 --> 00:39:18,079

goes over really well

1050

00:39:21,270 --> 00:39:20,160

and and suddenly both the united states

1051  
00:39:23,349 --> 00:39:21,280  
and the soviet union

1052  
00:39:24,550 --> 00:39:23,359  
and maybe they were maybe they they

1053  
00:39:27,670 --> 00:39:24,560  
vetoed this

1054  
00:39:30,069 --> 00:39:27,680  
together i don't know but

1055  
00:39:31,829 --> 00:39:30,079  
so the resolution died it's still

1056  
00:39:33,510 --> 00:39:31,839  
available if somebody wants to pick it

1057  
00:39:34,790 --> 00:39:33,520  
up and run with it again

1058  
00:39:37,510 --> 00:39:34,800  
and then and then and then all of a

1059  
00:39:40,790 --> 00:39:37,520  
sudden eric gary is overthrown

1060  
00:39:42,950 --> 00:39:40,800  
in a political coup and and then

1061  
00:39:44,470 --> 00:39:42,960  
we invade grenada so when i put all

1062  
00:39:46,950 --> 00:39:44,480  
these little elements of the timeline

1063  
00:39:51,910 --> 00:39:46,960

together i'm i'm sitting here going holy

1064

00:39:54,950 --> 00:39:54,630

i mean i could i could never prove that

1065

00:39:58,790 --> 00:39:54,960

but

1066

00:40:01,030 --> 00:39:58,800

gee whiz i mean really yeah the timing

1067

00:40:04,390 --> 00:40:01,040

something else i mean i i didn't want to

1068

00:40:05,750 --> 00:40:04,400

ever leave my apartment again

1069

00:40:08,470 --> 00:40:05,760

well one of the people you mentioned you

1070

00:40:10,950 --> 00:40:08,480

know all those people you mentioned are

1071

00:40:11,670 --> 00:40:10,960

iconic but one of them i want to talk

1072

00:40:15,109 --> 00:40:11,680

about

1073

00:40:18,390 --> 00:40:15,119

is um gordon cooper he was

1074

00:40:19,270 --> 00:40:18,400

one solid guy if you ask me you know i

1075

00:40:22,470 --> 00:40:19,280

mean

1076

00:40:24,309 --> 00:40:22,480

he was just uh such a cautious man

1077

00:40:26,390 --> 00:40:24,319

in everything he did and anyone that

1078

00:40:30,230 --> 00:40:26,400

becomes an astronaut first of all

1079

00:40:32,630 --> 00:40:30,240

has to be you know grade a and

1080

00:40:33,829 --> 00:40:32,640

um i always enjoyed hearing the accounts

1081

00:40:36,150 --> 00:40:33,839

of his two

1082

00:40:38,790 --> 00:40:36,160

situations not actually two but talking

1083

00:40:40,550 --> 00:40:38,800

about world war ii um and the fighter

1084

00:40:42,069 --> 00:40:40,560

jets and seeing basically the foo

1085

00:40:46,150 --> 00:40:42,079

fighters or whatever they called them

1086

00:40:49,270 --> 00:40:46,160

and then um when he was involved in that

1087

00:40:49,750 --> 00:40:49,280

uh ufo landing when he was filming that

1088

00:40:51,910 --> 00:40:49,760

day

1089

00:40:53,349 --> 00:40:51,920

that's right what was he like in person

1090

00:40:56,630 --> 00:40:53,359

he was he was a great guy

1091

00:40:57,829 --> 00:40:56,640

uh we we became friends and and i'll

1092

00:40:59,030 --> 00:40:57,839

tell you

1093

00:41:00,550 --> 00:40:59,040

while i was working on the the

1094

00:41:01,670 --> 00:41:00,560

presentation as i told you i was a

1095

00:41:03,750 --> 00:41:01,680

maitre d

1096

00:41:05,430 --> 00:41:03,760

at an upper east side new york

1097

00:41:07,109 --> 00:41:05,440

restaurant when gordon

1098

00:41:08,550 --> 00:41:07,119

was coming into new york to do things he

1099

00:41:09,349 --> 00:41:08,560

would call he would call me ahead of

1100

00:41:12,069 --> 00:41:09,359

time

1101  
00:41:13,510 --> 00:41:12,079  
and and say i'm coming in on a friday

1102  
00:41:15,270 --> 00:41:13,520  
can you give me a good table at the

1103  
00:41:18,470 --> 00:41:15,280  
restaurant

1104  
00:41:21,430 --> 00:41:18,480  
and and and if there are any young

1105  
00:41:24,550 --> 00:41:21,440  
ladies around that you'd like me to meet

1106  
00:41:25,109 --> 00:41:24,560  
um i i'd certainly enjoy meeting some

1107  
00:41:29,270 --> 00:41:25,119  
people and

1108  
00:41:35,910 --> 00:41:32,870  
he was a great guy and in fact

1109  
00:41:38,550 --> 00:41:35,920  
um even before i did the

1110  
00:41:39,150 --> 00:41:38,560  
the un presentation i first met gordon

1111  
00:41:42,550 --> 00:41:39,160  
in

1112  
00:41:44,230 --> 00:41:42,560  
1975 uh when he was

1113  
00:41:46,309 --> 00:41:44,240

one of the astronauts that i had on my

1114

00:41:49,829 --> 00:41:46,319

ufo documentary album

1115

00:41:51,270 --> 00:41:49,839

and and on one of my trips to california

1116

00:41:54,150 --> 00:41:51,280

to interview him i interviewed him

1117

00:41:57,829 --> 00:41:54,160

several times that year in 75

1118

00:42:00,309 --> 00:41:57,839

he had me meet him uh over at the

1119

00:42:01,030 --> 00:42:00,319

over the disney where he worked uh

1120

00:42:03,190 --> 00:42:01,040

because

1121

00:42:04,550 --> 00:42:03,200

we were going to go and play tennis that

1122

00:42:07,109 --> 00:42:04,560

day

1123

00:42:07,589 --> 00:42:07,119

and and i was i was totally up for that

1124

00:42:09,030 --> 00:42:07,599

uh

1125

00:42:11,589 --> 00:42:09,040

oh my god i'm going to play tennis with

1126

00:42:14,710 --> 00:42:11,599

gordon cooper this is very cool

1127

00:42:16,950 --> 00:42:14,720

so we met we went to a tennis court and

1128

00:42:17,910 --> 00:42:16,960

and he brought out a couple of cans of

1129

00:42:20,470 --> 00:42:17,920

of wilson

1130

00:42:22,950 --> 00:42:20,480

tennis balls they were unopened and he

1131

00:42:25,829 --> 00:42:22,960

cracked open the can

1132

00:42:27,030 --> 00:42:25,839

and these balls came out and and every

1133

00:42:31,589 --> 00:42:27,040

one of the balls

1134

00:42:33,349 --> 00:42:31,599

had the image of mickey mouse on them

1135

00:42:34,630 --> 00:42:33,359

i thought that's pretty cool because you

1136

00:42:36,069 --> 00:42:34,640

can't really buy

1137

00:42:37,829 --> 00:42:36,079

i don't think you could buy these

1138

00:42:39,750 --> 00:42:37,839

particular tennis balls in

1139

00:42:42,950 --> 00:42:39,760

in a sporting goods store but wow we're

1140

00:42:45,589 --> 00:42:42,960

playing with mickey mouse balls

1141

00:42:47,190 --> 00:42:45,599

so that's that's the kind of guy he was

1142

00:42:48,790 --> 00:42:47,200

um

1143

00:42:50,390 --> 00:42:48,800

we used to talk about a lot of

1144

00:42:53,829 --> 00:42:50,400

interesting things

1145

00:42:56,710 --> 00:42:53,839

in in 1980 i believe it was i did an

1146

00:42:57,990 --> 00:42:56,720

interview with him for the old omni

1147

00:43:00,630 --> 00:42:58,000

magazine do you recall

1148

00:43:01,349 --> 00:43:00,640

harmony omni omni was a magazine that

1149

00:43:07,750 --> 00:43:01,359

was

1150

00:43:11,109 --> 00:43:07,760

consumer friendly magazine

1151  
00:43:13,589 --> 00:43:11,119  
and i was one of their featured writers

1152  
00:43:15,270 --> 00:43:13,599  
and i asked them if they'd be interested

1153  
00:43:17,190 --> 00:43:15,280  
in having me put together

1154  
00:43:18,470 --> 00:43:17,200  
for their interview of the month an

1155  
00:43:20,470 --> 00:43:18,480  
interview with gordon cooper and they

1156  
00:43:22,950 --> 00:43:20,480  
said yeah absolutely

1157  
00:43:24,630 --> 00:43:22,960  
so we we sat down we talked about a

1158  
00:43:28,069 --> 00:43:24,640  
variety of things

1159  
00:43:29,990 --> 00:43:28,079  
from his days as an astronaut from uh

1160  
00:43:31,270 --> 00:43:30,000  
from that and and what we did at the

1161  
00:43:33,589 --> 00:43:31,280  
united nations

1162  
00:43:35,190 --> 00:43:33,599  
and you know i can't remember

1163  
00:43:38,710 --> 00:43:35,200

specifically

1164

00:43:41,670 --> 00:43:38,720

how the topic came around to this

1165

00:43:44,550 --> 00:43:41,680

but at some point during the interview

1166

00:43:47,510 --> 00:43:44,560

we started talking about time travel

1167

00:43:49,270 --> 00:43:47,520

uh i had um i'd always been interested

1168

00:43:50,870 --> 00:43:49,280

in this i think most people are it's one

1169

00:43:52,950 --> 00:43:50,880

of those things that you grew up and

1170

00:43:54,550 --> 00:43:52,960

you see you see movies you read books

1171

00:43:56,150 --> 00:43:54,560

and you hear about time travel

1172

00:43:57,990 --> 00:43:56,160

it's something that we're all kind of

1173

00:44:00,710 --> 00:43:58,000

fascinated with

1174

00:44:02,710 --> 00:44:00,720

and we were just talking about it and

1175

00:44:05,910 --> 00:44:02,720

and he just kind of blurted out

1176

00:44:08,309 --> 00:44:05,920

something to the effect you know

1177

00:44:09,430 --> 00:44:08,319

i'm working with some astronauts not

1178

00:44:11,270 --> 00:44:09,440

astronauts i'm working with some

1179

00:44:12,069 --> 00:44:11,280

scientists i have some scientist friends

1180

00:44:15,270 --> 00:44:12,079

out here

1181

00:44:17,910 --> 00:44:15,280

who are in the process now

1182

00:44:19,829 --> 00:44:17,920

of trying to put a time machine together

1183

00:44:21,510 --> 00:44:19,839

i went really and this was my this is

1184

00:44:24,950 --> 00:44:21,520

again this was 1980

1185

00:44:28,790 --> 00:44:24,960

okay it's like really a time machine

1186

00:44:31,589 --> 00:44:28,800

and how how exactly would this work

1187

00:44:34,309 --> 00:44:31,599

he said well the they're working on a

1188

00:44:37,510 --> 00:44:34,319

theory of something called orthogonal

1189

00:44:40,470 --> 00:44:37,520

rotation and for some reason martin

1190

00:44:42,150 --> 00:44:40,480

i never forgot that phrase and i'm still

1191

00:44:45,030 --> 00:44:42,160

not sure what it means

1192

00:44:46,309 --> 00:44:45,040

but but this is what he said and all

1193

00:44:49,270 --> 00:44:46,319

this went into

1194

00:44:50,390 --> 00:44:49,280

the final interview that i did with him

1195

00:44:51,030 --> 00:44:50,400

he said yeah they're working on

1196

00:44:54,870 --> 00:44:51,040

something called

1197

00:44:57,349 --> 00:44:54,880

orthogonal rotation where the vehicle

1198

00:44:59,510 --> 00:44:57,359

or the chair or the whatever it is that

1199

00:45:01,990 --> 00:44:59,520

you you'd be sitting in

1200

00:45:03,109 --> 00:45:02,000

it rotates in such a way at such a

1201  
00:45:05,750 --> 00:45:03,119  
frequency

1202  
00:45:06,950 --> 00:45:05,760  
that that they believe that it can break

1203  
00:45:09,990 --> 00:45:06,960  
the bounds

1204  
00:45:13,910 --> 00:45:10,000  
of of time and traveling and i said

1205  
00:45:16,550 --> 00:45:13,920  
well okay how close are they to

1206  
00:45:16,950 --> 00:45:16,560  
finishing such a device he said well

1207  
00:45:19,910 --> 00:45:16,960  
they're

1208  
00:45:20,870 --> 00:45:19,920  
going to happen and they'll they'll have

1209  
00:45:22,790 --> 00:45:20,880  
it ready

1210  
00:45:24,630 --> 00:45:22,800  
for some kind of testing soon i said

1211  
00:45:27,510 --> 00:45:24,640  
that's unbelievable

1212  
00:45:28,630 --> 00:45:27,520  
um and i said so so tell me more about

1213  
00:45:31,510 --> 00:45:28,640

this is

1214

00:45:32,069 --> 00:45:31,520

uh do they think they'll be able to send

1215

00:45:35,829 --> 00:45:32,079

something

1216

00:45:36,710 --> 00:45:35,839

or someone either into the future or

1217

00:45:39,750 --> 00:45:36,720

into the past

1218

00:45:41,510 --> 00:45:39,760

he said well they think that

1219

00:45:43,910 --> 00:45:41,520

the only way that they can get this to

1220

00:45:46,950 --> 00:45:43,920

work is to go into the past

1221

00:45:47,349 --> 00:45:46,960

and i said well okay he said they

1222

00:45:49,750 --> 00:45:47,359

haven't

1223

00:45:50,550 --> 00:45:49,760

quite figured out the calculations or

1224

00:45:52,309 --> 00:45:50,560

the science

1225

00:45:54,550 --> 00:45:52,319

or the technology to go in both

1226

00:45:57,589 --> 00:45:54,560

directions and i said all right

1227

00:46:00,790 --> 00:45:57,599

now next question gordon um

1228

00:46:02,870 --> 00:46:00,800

who would be foolish enough to sit

1229

00:46:05,589 --> 00:46:02,880

in something that could only be

1230

00:46:09,750 --> 00:46:05,599

basically a one-way trip

1231

00:46:12,150 --> 00:46:09,760

and he said you're looking at him really

1232

00:46:14,630 --> 00:46:12,160

yeah and at that moment i realized well

1233

00:46:17,670 --> 00:46:14,640

you know what

1234

00:46:20,790 --> 00:46:17,680

every probably the bravest

1235

00:46:22,230 --> 00:46:20,800

individuals on the planet are test

1236

00:46:25,109 --> 00:46:22,240

pilots

1237

00:46:25,990 --> 00:46:25,119

because they have to be they have to be

1238

00:46:29,190 --> 00:46:26,000

afraid of

1239

00:46:32,309 --> 00:46:29,200

nothing in order to do what they do

1240

00:46:35,270 --> 00:46:32,319

i mean all that whole right stuff that

1241

00:46:35,589 --> 00:46:35,280

we've heard about and we saw in the book

1242

00:46:37,190 --> 00:46:35,599

uh

1243

00:46:38,950 --> 00:46:37,200

and in the movie with the early

1244

00:46:41,990 --> 00:46:38,960

astronauts that they they took

1245

00:46:45,109 --> 00:46:42,000

so many chances um

1246

00:46:47,430 --> 00:46:45,119

you know to to test all of these

1247

00:46:48,309 --> 00:46:47,440

new vehicles including the new stealth

1248

00:46:51,750 --> 00:46:48,319

vehicles that

1249

00:46:55,270 --> 00:46:51,760

that we have people of the right stuff

1250

00:46:58,150 --> 00:46:55,280

they basically are afraid of nothing

1251

00:47:00,710 --> 00:46:58,160

uh and and he was one he was you know

1252

00:47:03,030 --> 00:47:00,720

you have to have that kind of attitude

1253

00:47:04,069 --> 00:47:03,040

and he was one of those individuals and

1254

00:47:06,870 --> 00:47:04,079

i said really you

1255

00:47:07,750 --> 00:47:06,880

you would take uh and you would give up

1256

00:47:10,470 --> 00:47:07,760

everything

1257

00:47:11,349 --> 00:47:10,480

your life here your family to go

1258

00:47:13,349 --> 00:47:11,359

someplace

1259

00:47:15,510 --> 00:47:13,359

and never be heard or seen from again he

1260

00:47:18,069 --> 00:47:15,520

said well yeah

1261

00:47:19,829 --> 00:47:18,079

because it's all part of you know

1262

00:47:21,990 --> 00:47:19,839

science and advancement i said yeah but

1263

00:47:23,270 --> 00:47:22,000

you're you're talking about

1264

00:47:25,670 --> 00:47:23,280

knowing that you're not going to come

1265

00:47:28,470 --> 00:47:25,680

back it's like you know people now

1266

00:47:29,349 --> 00:47:28,480

nowadays they talk about uh preparing

1267

00:47:32,069 --> 00:47:29,359

for the first

1268

00:47:34,150 --> 00:47:32,079

trip to mars and to become and they're

1269

00:47:35,829 --> 00:47:34,160

saying that they're actually taking

1270

00:47:37,510 --> 00:47:35,839

i guess some kind of pre-applications

1271

00:47:40,069 --> 00:47:37,520

for people who want to go to mars

1272

00:47:40,870 --> 00:47:40,079

but knowing that there's no return trip

1273

00:47:43,430 --> 00:47:40,880

right

1274

00:47:45,349 --> 00:47:43,440

i think there was like i want to say

1275

00:47:46,069 --> 00:47:45,359

hundreds of thousands of people signed

1276

00:47:49,910 --> 00:47:46,079

up for that

1277

00:47:53,190 --> 00:47:49,920

i know yeah isn't that amazing uh

1278

00:47:54,790 --> 00:47:53,200

i mean i i don't personally understand

1279

00:47:57,829 --> 00:47:54,800

the attitude

1280

00:48:00,390 --> 00:47:57,839

um but but i guess that there there is a

1281

00:48:02,470 --> 00:48:00,400

sense that you know it's not just a

1282

00:48:05,109 --> 00:48:02,480

matter of doing something for science

1283

00:48:07,589 --> 00:48:05,119

i think there are people who are so

1284

00:48:10,950 --> 00:48:07,599

unhappy with the way things are going on

1285

00:48:14,630 --> 00:48:10,960

this planet that that they would welcome

1286

00:48:16,710 --> 00:48:14,640

uh a move to go somewhere else and

1287

00:48:18,790 --> 00:48:16,720

that's crossed my mind too that would if

1288

00:48:22,390 --> 00:48:18,800

that's part of the reason

1289

00:48:24,870 --> 00:48:22,400

yeah so yeah i so gordon cooper was like

1290

00:48:25,589 --> 00:48:24,880

one of those guys and i'm assuming that

1291

00:48:27,750 --> 00:48:25,599

maybe

1292

00:48:28,790 --> 00:48:27,760

all test pilots would have would have

1293

00:48:31,510 --> 00:48:28,800

taken

1294

00:48:31,990 --> 00:48:31,520

uh that kind of a trip and so here we

1295

00:48:36,309 --> 00:48:32,000

are

1296

00:48:39,190 --> 00:48:36,319

that was 1980 now we're in 2014

1297

00:48:41,190 --> 00:48:39,200

i'm going to assume but i don't know for

1298

00:48:44,470 --> 00:48:41,200

sure so i can't prove it

1299

00:48:47,670 --> 00:48:44,480

i'm going to assume that a time machine

1300

00:48:48,390 --> 00:48:47,680

has been built and has been experimented

1301

00:48:51,190 --> 00:48:48,400

with

1302

00:48:51,910 --> 00:48:51,200

and then some kind of results but again

1303

00:48:55,030 --> 00:48:51,920

i don't know

1304

00:48:56,150 --> 00:48:55,040

no no documents have been released about

1305

00:48:58,309 --> 00:48:56,160

this thing i mean

1306

00:48:59,430 --> 00:48:58,319

certainly it would be a top secret kind

1307

00:49:02,870 --> 00:48:59,440

of project

1308

00:49:04,390 --> 00:49:02,880

but but wow how fascinating is that

1309

00:49:05,910 --> 00:49:04,400

well you know when i was a kid i used to

1310

00:49:07,990 --> 00:49:05,920

say kind of as a joke that

1311

00:49:09,349 --> 00:49:08,000

they'll never invite invent a time

1312

00:49:10,150 --> 00:49:09,359

machine because otherwise we'd see

1313

00:49:12,870 --> 00:49:10,160

people from

1314

00:49:13,430 --> 00:49:12,880

you know from the future but uh but who

1315

00:49:15,190 --> 00:49:13,440

knows

1316

00:49:17,510 --> 00:49:15,200

you know i mean one of the theories of

1317

00:49:20,549 --> 00:49:17,520

what ufos or some ufos

1318

00:49:23,510 --> 00:49:20,559

could be yeah that that they could be us

1319

00:49:24,549 --> 00:49:23,520

or humans from the future coming back in

1320

00:49:26,790 --> 00:49:24,559

time

1321

00:49:29,190 --> 00:49:26,800

with some kind of a some kind of a star

1322

00:49:31,109 --> 00:49:29,200

trek non-intervention policy

1323

00:49:32,790 --> 00:49:31,119

it's like you can go back in time you

1324

00:49:35,589 --> 00:49:32,800

can you can observe things

1325

00:49:37,510 --> 00:49:35,599

but do not do anything to change history

1326

00:49:40,630 --> 00:49:37,520

do not step on the butterfly let's say

1327

00:49:42,790 --> 00:49:40,640

yeah yeah yeah yeah so what it's all

1328

00:49:43,990 --> 00:49:42,800

really fascinating stuff it'd be great

1329

00:49:46,390 --> 00:49:44,000

it's it's always great

1330

00:49:47,510 --> 00:49:46,400

material for new movies and new books

1331

00:49:50,790 --> 00:49:47,520

and and we all

1332

00:49:53,750 --> 00:49:50,800

eat this stuff up that's right

1333

00:49:54,390 --> 00:49:53,760

now i want to i want to talk about a

1334

00:49:57,430 --> 00:49:54,400

recent

1335

00:49:59,430 --> 00:49:57,440

interview you had yes um

1336

00:50:00,870 --> 00:49:59,440

rolling stones and i want to say her

1337

00:50:04,309 --> 00:50:00,880

name is elephant

1338

00:50:06,390 --> 00:50:04,319

elephant elephant yes so

1339

00:50:08,069 --> 00:50:06,400

i i watched the interview and where can

1340

00:50:08,710 --> 00:50:08,079

someone find that it's on youtube i'm

1341

00:50:11,270 --> 00:50:08,720

sure

1342

00:50:12,309 --> 00:50:11,280

actually if if if if you want to just do

1343

00:50:13,750 --> 00:50:12,319

like um

1344

00:50:15,430 --> 00:50:13,760

it's it's on youtube but i think that

1345

00:50:16,390 --> 00:50:15,440

the easiest thing to do if anybody wants

1346

00:50:18,549 --> 00:50:16,400

to look at it

1347

00:50:19,990 --> 00:50:18,559

uh just do a google search and just

1348

00:50:23,270 --> 00:50:20,000

simply type in

1349

00:50:23,910 --> 00:50:23,280

elephant sex and and let me let me spell

1350

00:50:30,030 --> 00:50:23,920

her name

1351  
00:50:39,670 --> 00:50:31,430  
e-l-l-i-p-h-a-n-t

1352  
00:50:43,670 --> 00:50:39,680  
elephant she is a a swedish

1353  
00:50:45,990 --> 00:50:43,680  
rock star who has a variety of

1354  
00:50:48,950 --> 00:50:46,000  
provocative videos out there

1355  
00:50:50,870 --> 00:50:48,960  
and several albums and she's on a tour

1356  
00:50:54,069 --> 00:50:50,880  
right now to promote these things

1357  
00:50:57,190 --> 00:50:54,079  
and a couple months ago rolling stone

1358  
00:50:59,670 --> 00:50:57,200  
magazine brought her into new york um

1359  
00:51:01,829 --> 00:50:59,680  
to bring her to their their ufo their

1360  
00:51:03,990 --> 00:51:01,839  
ufo

1361  
00:51:05,270 --> 00:51:04,000  
you see you see what's on my brain yeah

1362  
00:51:08,309 --> 00:51:05,280  
they brought it to new york

1363  
00:51:11,750 --> 00:51:08,319

to the to the rolling stone studios to

1364

00:51:13,190 --> 00:51:11,760

have her interview someone about

1365

00:51:14,470 --> 00:51:13,200

something she's interested in and when

1366

00:51:15,589 --> 00:51:14,480

they asked her what do you want to talk

1367

00:51:18,790 --> 00:51:15,599

about she said

1368

00:51:21,990 --> 00:51:18,800

i want to talk to someone about ufos so

1369

00:51:24,309 --> 00:51:22,000

they so it finally came to me and they

1370

00:51:26,390 --> 00:51:24,319

invited me to come up to the studios and

1371

00:51:30,069 --> 00:51:26,400

and be interviewed by elephant

1372

00:51:31,589 --> 00:51:30,079

and um i was happy to do it um

1373

00:51:33,430 --> 00:51:31,599

because i looked her up on the internet

1374

00:51:34,069 --> 00:51:33,440

and i and i checked her out and she was

1375

00:51:37,510 --> 00:51:34,079

she's

1376

00:51:42,230 --> 00:51:37,520

totally totally cute oh yes and so

1377

00:51:48,069 --> 00:51:45,270

and so so i i went there and we we

1378

00:51:49,190 --> 00:51:48,079

sat and we talked uh for about for an

1379

00:51:51,030 --> 00:51:49,200

hour

1380

00:51:53,190 --> 00:51:51,040

that's how long the interview lasted and

1381

00:51:54,230 --> 00:51:53,200

they they condensed it down to about a

1382

00:51:57,030 --> 00:51:54,240

three minute

1383

00:51:58,950 --> 00:51:57,040

version which they released uh just a

1384

00:52:00,390 --> 00:51:58,960

few days ago with a little story that

1385

00:52:03,670 --> 00:52:00,400

goes with it

1386

00:52:05,349 --> 00:52:03,680

and basically elephant has been

1387

00:52:07,589 --> 00:52:05,359

interested in ufos

1388

00:52:08,710 --> 00:52:07,599

she says like like forever she they

1389

00:52:12,790 --> 00:52:08,720

quoted her saying

1390

00:52:15,510 --> 00:52:12,800

i look for a ufo every moment i get okay

1391

00:52:16,950 --> 00:52:15,520

um and and so we we talked about a

1392

00:52:19,030 --> 00:52:16,960

variety of things but she

1393

00:52:20,230 --> 00:52:19,040

she was kind of interested in focusing

1394

00:52:23,510 --> 00:52:20,240

on things

1395

00:52:23,829 --> 00:52:23,520

like i mean when she asked me if i had

1396

00:52:27,030 --> 00:52:23,839

ever

1397

00:52:28,150 --> 00:52:27,040

had my own personal close encounter with

1398

00:52:30,230 --> 00:52:28,160

something that i might

1399

00:52:32,150 --> 00:52:30,240

consider as a spaceship and when i

1400

00:52:35,910 --> 00:52:32,160

honestly said yes

1401

00:52:38,309 --> 00:52:35,920

her her one word response was cool

1402

00:52:40,309 --> 00:52:38,319

don't let's not get into details yeah i

1403

00:52:41,910 --> 00:52:40,319

mean i was fully ready to tell her about

1404

00:52:43,349 --> 00:52:41,920

my story that i think i told you the

1405

00:52:46,390 --> 00:52:43,359

last time yes

1406

00:52:48,470 --> 00:52:46,400

but but she went from cool to i think

1407

00:52:50,549 --> 00:52:48,480

the next thing she said was

1408

00:52:51,510 --> 00:52:50,559

um you know i really would like to

1409

00:52:54,790 --> 00:52:51,520

become the mother

1410

00:52:56,150 --> 00:52:54,800

of an alien hybrid baby and didn't you

1411

00:52:58,230 --> 00:52:56,160

say something like

1412

00:53:00,069 --> 00:52:58,240

get in line yeah yeah it's exactly what

1413

00:53:01,829 --> 00:53:00,079

i said well i started laughing and i

1414

00:53:05,829 --> 00:53:01,839

said you're going to have to get in line

1415

00:53:07,270 --> 00:53:05,839

uh and and and then she would ask me

1416

00:53:09,349 --> 00:53:07,280

she said she'd say cold-blooded or

1417

00:53:11,430 --> 00:53:09,359

hot-blooded and i went what do you mean

1418

00:53:13,109 --> 00:53:11,440

do you think they're cold-blooded aliens

1419

00:53:14,309 --> 00:53:13,119

or hot-blooded aliens and i said

1420

00:53:18,230 --> 00:53:14,319

elephant

1421

00:53:21,430 --> 00:53:18,240

i i can't possibly answer that because

1422

00:53:21,990 --> 00:53:21,440

how would i know i have no in insider

1423

00:53:25,510 --> 00:53:22,000

knowledge

1424

00:53:28,390 --> 00:53:25,520

on this uh i only really believe

1425

00:53:28,950 --> 00:53:28,400

uh that that we are being visited by

1426

00:53:31,030 --> 00:53:28,960

someone

1427

00:53:33,750 --> 00:53:31,040

and she immediately went cool and raised

1428

00:53:35,349 --> 00:53:33,760

both of her arms up over her head

1429

00:53:36,790 --> 00:53:35,359

you know that that is an interesting

1430

00:53:39,990 --> 00:53:36,800

question i would have never thought

1431

00:53:42,309 --> 00:53:40,000

to even think of that yeah

1432

00:53:43,670 --> 00:53:42,319

i mean she she uh she wanted to go in

1433

00:53:46,950 --> 00:53:43,680

the direction of

1434

00:53:50,309 --> 00:53:46,960

uh do aliens um have

1435

00:53:53,670 --> 00:53:50,319

love in their lives and and i said well

1436

00:53:56,950 --> 00:53:53,680

it would be a sad thing if they didn't

1437

00:54:00,390 --> 00:53:56,960

but but again i don't know

1438

00:54:00,630 --> 00:54:00,400

all that i know is what scientists tell

1439

00:54:02,790 --> 00:54:00,640

me

1440

00:54:04,230 --> 00:54:02,800

this seth shawstak the the senior

1441

00:54:06,790 --> 00:54:04,240

astronomer at the seti

1442

00:54:07,430 --> 00:54:06,800

institute in california and all that

1443

00:54:11,589 --> 00:54:07,440

they do

1444

00:54:14,630 --> 00:54:11,599

constantly searching the heavens

1445

00:54:15,990 --> 00:54:14,640

um for any signs of intelligent life and

1446

00:54:19,349 --> 00:54:16,000

seth

1447

00:54:22,470 --> 00:54:19,359

told me that the current uh

1448

00:54:25,510 --> 00:54:22,480

thinking is that in our

1449

00:54:27,349 --> 00:54:25,520

galaxy our little ordinary milky way

1450

00:54:31,750 --> 00:54:27,359

galaxy

1451  
00:54:34,950 --> 00:54:31,760  
that there might be tens of thousands

1452  
00:54:38,069 --> 00:54:34,960  
of habitable planets and that there

1453  
00:54:41,430 --> 00:54:38,079  
are very likely many planets

1454  
00:54:42,390 --> 00:54:41,440  
that have intelligent civilizations on

1455  
00:54:45,589 --> 00:54:42,400  
them

1456  
00:54:47,589 --> 00:54:45,599  
uh and we're only talking about

1457  
00:54:50,069 --> 00:54:47,599  
this little galaxy that we live in

1458  
00:54:53,109 --> 00:54:50,079  
because now we know that there are

1459  
00:54:53,750 --> 00:54:53,119  
billions and billions of galaxies out

1460  
00:54:56,870 --> 00:54:53,760  
there

1461  
00:54:58,470 --> 00:54:56,880  
so when when when people say to me well

1462  
00:55:01,190 --> 00:54:58,480  
you know what proof of their

1463  
00:55:02,150 --> 00:55:01,200

is there of life in the universe i show

1464

00:55:04,069 --> 00:55:02,160

them a picture

1465

00:55:06,230 --> 00:55:04,079

of the hubble telescope that was that

1466

00:55:09,670 --> 00:55:06,240

was released earlier this year

1467

00:55:12,230 --> 00:55:09,680

that in one little picture shows 10 000

1468

00:55:12,950 --> 00:55:12,240

galaxies i show this picture to people

1469

00:55:15,990 --> 00:55:12,960

and i say

1470

00:55:16,950 --> 00:55:16,000

to me that's proof look at look at that

1471

00:55:20,230 --> 00:55:16,960

picture

1472

00:55:23,270 --> 00:55:20,240

because each galaxy

1473

00:55:26,630 --> 00:55:23,280

has billions of stars

1474

00:55:30,390 --> 00:55:26,640

most of those stars have planets

1475

00:55:33,109 --> 00:55:30,400

around them so statistically

1476

00:55:34,230 --> 00:55:33,119

you can't fight the odds there's life

1477

00:55:36,069 --> 00:55:34,240

out there

1478

00:55:40,150 --> 00:55:36,079

and that's my proof and i'm i'm

1479

00:55:41,750 --> 00:55:40,160

comfortable with that as proof to myself

1480

00:55:44,150 --> 00:55:41,760

other people will say well no that's not

1481

00:55:47,349 --> 00:55:44,160

proof enough well i don't care

1482

00:55:50,150 --> 00:55:47,359

um you know i've said to people martin

1483

00:55:51,109 --> 00:55:50,160

if you get 10 people line them up sit

1484

00:55:53,270 --> 00:55:51,119

them down

1485

00:55:55,030 --> 00:55:53,280

and and start from one end of the line

1486

00:55:58,150 --> 00:55:55,040

to the other and ask them all

1487

00:56:01,510 --> 00:55:58,160

what would it take for you to to believe

1488

00:56:03,910 --> 00:56:01,520

that earth is being visited by someone

1489

00:56:05,670 --> 00:56:03,920

you'll get 10 different answers right

1490

00:56:09,190 --> 00:56:05,680

you know i mean that's just the way

1491

00:56:10,390 --> 00:56:09,200

human nature is um and so i i am

1492

00:56:12,950 --> 00:56:10,400

comfortable

1493

00:56:14,390 --> 00:56:12,960

believing what i believe and i don't

1494

00:56:17,349 --> 00:56:14,400

feel like i have to

1495

00:56:18,390 --> 00:56:17,359

i have to defend myself and i often have

1496

00:56:21,349 --> 00:56:18,400

to i have

1497

00:56:23,109 --> 00:56:21,359

lots of people who who write comments in

1498

00:56:25,270 --> 00:56:23,119

my stories or send me emails

1499

00:56:26,950 --> 00:56:25,280

and tell me that i'm full of crap that

1500

00:56:27,910 --> 00:56:26,960

that i can't possibly know what i'm

1501  
00:56:31,270 --> 00:56:27,920  
saying and

1502  
00:56:31,910 --> 00:56:31,280  
and i say i'm i'm not an expert i just

1503  
00:56:35,190 --> 00:56:31,920  
present

1504  
00:56:37,190 --> 00:56:35,200  
people and i'm i'm very fortunate to be

1505  
00:56:40,549 --> 00:56:37,200  
able to pick up a phone and call

1506  
00:56:44,150 --> 00:56:40,559  
leading scientists and military people

1507  
00:56:46,710 --> 00:56:44,160  
and law enforcement people and ask them

1508  
00:56:48,309 --> 00:56:46,720  
what they think of this stuff uh you're

1509  
00:56:49,030 --> 00:56:48,319  
not just getting my opinions you're

1510  
00:56:51,589 --> 00:56:49,040  
getting

1511  
00:56:52,950 --> 00:56:51,599  
my beliefs based on the conversations i

1512  
00:56:56,309 --> 00:56:52,960  
have with people who

1513  
00:56:58,870 --> 00:56:56,319

we should be listening to um

1514

00:56:59,589 --> 00:56:58,880

you know when elephant asked me or told

1515

00:57:03,109 --> 00:56:59,599

me

1516

00:57:06,630 --> 00:57:03,119

an alien baby

1517

00:57:07,990 --> 00:57:06,640

uh my response to in addition to when i

1518

00:57:10,710 --> 00:57:08,000

said you have to get in line

1519

00:57:12,549 --> 00:57:10,720

i also said that and they didn't they

1520

00:57:14,150 --> 00:57:12,559

did not include this in the three-minute

1521

00:57:16,390 --> 00:57:14,160

version of the video

1522

00:57:17,670 --> 00:57:16,400

i said to her i know people who you

1523

00:57:20,309 --> 00:57:17,680

could talk to

1524

00:57:22,710 --> 00:57:20,319

who could perhaps put you in touch with

1525

00:57:24,870 --> 00:57:22,720

that situation

1526

00:57:25,990 --> 00:57:24,880

like i i guess the rolling stone editors

1527

00:57:27,910 --> 00:57:26,000

didn't think that that was

1528

00:57:29,910 --> 00:57:27,920

credible enough for me to say something

1529

00:57:33,510 --> 00:57:29,920

like that but it's but it's true

1530

00:57:37,670 --> 00:57:33,520

i do know people who claim

1531

00:57:38,150 --> 00:57:37,680

that they are the fathers and daughters

1532

00:57:43,349 --> 00:57:38,160

and

1533

00:57:45,270 --> 00:57:43,359

i don't know how accurate it is but if

1534

00:57:48,549 --> 00:57:45,280

she wants to talk to these people

1535

00:57:49,829 --> 00:57:48,559

i can give her some phone numbers

1536

00:57:51,990 --> 00:57:49,839

was there any other part of the

1537

00:57:55,349 --> 00:57:52,000

conversation that they took away

1538

00:57:58,789 --> 00:57:55,359

that you thought was pretty interesting

1539

00:58:03,430 --> 00:57:58,799

um well

1540

00:58:06,829 --> 00:58:03,440

for example um i i started to mention

1541

00:58:09,750 --> 00:58:06,839

that after i had done the the album in

1542

00:58:10,470 --> 00:58:09,760

1975 and that i believe that we're being

1543

00:58:13,910 --> 00:58:10,480

visited

1544

00:58:15,990 --> 00:58:13,920

i tried to get her to ask me

1545

00:58:17,670 --> 00:58:16,000

about the united nations presentation

1546

00:58:20,470 --> 00:58:17,680

that you and i just talked about

1547

00:58:21,670 --> 00:58:20,480

because that i is still a very important

1548

00:58:24,630 --> 00:58:21,680

thing that i did

1549

00:58:25,910 --> 00:58:24,640

but no there was she didn't really i

1550

00:58:26,870 --> 00:58:25,920

mean we had the time we could have

1551

00:58:28,950 --> 00:58:26,880

talked about it

1552

00:58:29,990 --> 00:58:28,960

but she wanted to go in some other

1553

00:58:32,870 --> 00:58:30,000

directions

1554

00:58:34,230 --> 00:58:32,880

and and in fact at the end of the

1555

00:58:37,589 --> 00:58:34,240

interview

1556

00:58:40,710 --> 00:58:37,599

um you you and when you see it

1557

00:58:41,829 --> 00:58:40,720

i i started asking her some questions uh

1558

00:58:45,030 --> 00:58:41,839

and i asked her

1559

00:58:47,510 --> 00:58:45,040

what what pieces of her

1560

00:58:50,309 --> 00:58:47,520

music would she like to see be

1561

00:58:52,470 --> 00:58:50,319

transmitted into outer space and her

1562

00:58:55,430 --> 00:58:52,480

response to that was

1563

00:58:56,230 --> 00:58:55,440

that's a very good question well you

1564

00:58:59,349 --> 00:58:56,240

know

1565

00:59:00,950 --> 00:58:59,359

during the interview

1566

00:59:02,710 --> 00:59:00,960

while the cameras were still rolling

1567

00:59:03,990 --> 00:59:02,720

they stopped the actual interview for a

1568

00:59:07,109 --> 00:59:04,000

moment and the producer said

1569

00:59:09,030 --> 00:59:07,119

to me why don't you ask elephant

1570

00:59:10,470 --> 00:59:09,040

which which of her music she'd like to

1571

00:59:12,069 --> 00:59:10,480

see go into outer space

1572

00:59:15,109 --> 00:59:12,079

so i didn't come up with that myself

1573

00:59:18,150 --> 00:59:15,119

they asked me to ask her that

1574

00:59:19,430 --> 00:59:18,160

so of course so of course

1575

00:59:23,910 --> 00:59:19,440

she thought that that was a very good

1576

00:59:29,270 --> 00:59:27,430

you know and did she have an answer

1577

00:59:32,309 --> 00:59:29,280

she did she said she said something like

1578

00:59:35,670 --> 00:59:32,319

i would like my my new ep um

1579

00:59:38,069 --> 00:59:35,680

my extra extended new video or song to

1580

00:59:39,430 --> 00:59:38,079

or or album to be put out there and i

1581

00:59:40,309 --> 00:59:39,440

and i then i said something like well do

1582

00:59:42,230 --> 00:59:40,319

you think that

1583

00:59:43,829 --> 00:59:42,240

that the the extraterrestrials would

1584

00:59:44,309 --> 00:59:43,839

would get it would understand it as

1585

00:59:47,349 --> 00:59:44,319

music

1586

00:59:49,670 --> 00:59:47,359

as a form of our culture yes absolutely

1587

00:59:50,390 --> 00:59:49,680

and and and it was at that point that

1588

00:59:52,470 --> 00:59:50,400

the the

1589

00:59:53,750 --> 00:59:52,480

the interview came to an end on the

1590

00:59:56,470 --> 00:59:53,760

screen

1591

00:59:56,789 --> 00:59:56,480

even even though she they didn't let you

1592

00:59:58,150 --> 00:59:56,799

see

1593

01:00:01,510 --> 00:59:58,160

where she says i've been sitting here

1594

01:00:03,030 --> 01:00:01,520

talking with the professor

1595

01:00:04,470 --> 01:00:03,040

well you know how those producers are

1596

01:00:06,309 --> 01:00:04,480

they're always thinking you know where

1597

01:00:09,430 --> 01:00:06,319

they can get their plugs in

1598

01:00:12,390 --> 01:00:09,440

i i know and and and and you know it

1599

01:00:14,390 --> 01:00:12,400

it wasn't until i got back to huffington

1600

01:00:16,630 --> 01:00:14,400

post that day after doing the interview

1601  
01:00:18,150 --> 01:00:16,640  
that i realized that throughout the

1602  
01:00:21,589 --> 01:00:18,160  
entire hour

1603  
01:00:24,870 --> 01:00:21,599  
that i was there with her she never once

1604  
01:00:28,710 --> 01:00:24,880  
actually mentioned my name

1605  
01:00:30,390 --> 01:00:28,720  
not what not not in the introduction

1606  
01:00:32,150 --> 01:00:30,400  
her introduction was something like i'm

1607  
01:00:34,789 --> 01:00:32,160  
here doing a special

1608  
01:00:35,589 --> 01:00:34,799  
elephant interview and and now let's get

1609  
01:00:37,510 --> 01:00:35,599  
into it

1610  
01:00:38,870 --> 01:00:37,520  
and and suddenly there i was sitting on

1611  
01:00:41,109 --> 01:00:38,880  
the other side of the table

1612  
01:00:42,630 --> 01:00:41,119  
and the only the only way that readers

1613  
01:00:45,030 --> 01:00:42,640

or viewers would know that

1614

01:00:46,309 --> 01:00:45,040

who i am was they put you know lee

1615

01:00:50,309 --> 01:00:46,319

spiegel huffington post

1616

01:00:53,270 --> 01:00:50,319

underneath me on the screen because i i

1617

01:00:54,870 --> 01:00:53,280

i got back to huffington post i sent an

1618

01:00:56,789 --> 01:00:54,880

email to the producer over there and i

1619

01:00:58,950 --> 01:00:56,799

said listen do me a favor

1620

01:01:01,430 --> 01:00:58,960

in your post production and editing

1621

01:01:04,789 --> 01:01:01,440

please identify me on screen because

1622

01:01:08,470 --> 01:01:04,799

because elephant never mentions my name

1623

01:01:11,190 --> 01:01:08,480

is something else yeah yeah lee let's um

1624

01:01:13,030 --> 01:01:11,200

let's get into some of your stories

1625

01:01:14,630 --> 01:01:13,040

recently because i just saw the one that

1626

01:01:17,910 --> 01:01:14,640

you wrote the other day

1627

01:01:21,190 --> 01:01:17,920

and in new hampshire yeah

1628

01:01:22,870 --> 01:01:21,200

uh pretty amazing i i kind of stumbled

1629

01:01:25,030 --> 01:01:22,880

onto this

1630

01:01:26,150 --> 01:01:25,040

over the last uh a few weeks ago i was

1631

01:01:29,990 --> 01:01:26,160

up in new hampshire

1632

01:01:33,589 --> 01:01:30,000

spending time with my family and my

1633

01:01:35,430 --> 01:01:33,599

my 15 year old nephew benjamin

1634

01:01:38,309 --> 01:01:35,440

came up to me and just very casually

1635

01:01:42,069 --> 01:01:38,319

matter of factly said hey uncle lee

1636

01:01:44,309 --> 01:01:42,079

i think i saw a ufo here in in october

1637

01:01:45,349 --> 01:01:44,319

and i just thought i would tell you

1638

01:01:47,589 --> 01:01:45,359

about it

1639

01:01:48,710 --> 01:01:47,599

and i said well why did you not tell me

1640

01:01:50,390 --> 01:01:48,720

about this before

1641

01:01:51,829 --> 01:01:50,400

well i didn't know if you'd believe it

1642

01:01:53,349 --> 01:01:51,839

and i didn't tell my parents because i

1643

01:01:54,950 --> 01:01:53,359

didn't know if they would care

1644

01:01:56,549 --> 01:01:54,960

but you're here so i'm just telling you

1645

01:01:57,829 --> 01:01:56,559

about it and i said well what did it

1646

01:02:00,630 --> 01:01:57,839

look like

1647

01:02:02,150 --> 01:02:00,640

and he said well i took a picture of it

1648

01:02:05,430 --> 01:02:02,160

would you like to see the picture

1649

01:02:07,109 --> 01:02:05,440

and he went oh well yes now

1650

01:02:08,950 --> 01:02:07,119

now we're talking of course i'd like to

1651

01:02:11,670 --> 01:02:08,960

see the picture um

1652

01:02:13,029 --> 01:02:11,680

and and he showed me um the picture and

1653

01:02:13,670 --> 01:02:13,039

it's and it's right at the top of my

1654

01:02:16,309 --> 01:02:13,680

story

1655

01:02:18,150 --> 01:02:16,319

um at on huffington post it's it's like

1656

01:02:22,069 --> 01:02:18,160

it's definitely a v-shape or

1657

01:02:24,150 --> 01:02:22,079

boomerang object in the night sky

1658

01:02:26,789 --> 01:02:24,160

it's very well lit and you can see you

1659

01:02:29,589 --> 01:02:26,799

can see the actual shape of it

1660

01:02:30,390 --> 01:02:29,599

and then when we zoomed in on it you

1661

01:02:34,230 --> 01:02:30,400

could almost see

1662

01:02:36,390 --> 01:02:34,240

three separate areas on it that are more

1663

01:02:37,510 --> 01:02:36,400

well defined or more or more brightly

1664

01:02:39,829 --> 01:02:37,520

lit than

1665

01:02:41,190 --> 01:02:39,839

the and lit enough where the whole

1666

01:02:44,390 --> 01:02:41,200

object is lit up

1667

01:02:46,789 --> 01:02:44,400

so i basically i

1668

01:02:47,990 --> 01:02:46,799

if if it wasn't my nephew i wouldn't

1669

01:02:51,349 --> 01:02:48,000

know how reliable

1670

01:02:53,349 --> 01:02:51,359

he was um but but because we're related

1671

01:02:54,950 --> 01:02:53,359

and you know he wouldn't he wouldn't try

1672

01:02:56,710 --> 01:02:54,960

and pull a fast one on me

1673

01:02:59,029 --> 01:02:56,720

um i thought this was really interesting

1674

01:03:00,789 --> 01:02:59,039

and a neighborhood friend was with him

1675

01:03:02,950 --> 01:03:00,799

and i talked to both of them and i ended

1676

01:03:05,670 --> 01:03:02,960

up going outside

1677

01:03:07,190 --> 01:03:05,680

uh with ben and and i said well show me

1678

01:03:08,630 --> 01:03:07,200

where you saw it in the sky

1679

01:03:10,470 --> 01:03:08,640

let me let me ask you a few questions

1680

01:03:12,710 --> 01:03:10,480

about it so i did a little interview

1681

01:03:13,990 --> 01:03:12,720

with him about it and then i said let's

1682

01:03:16,630 --> 01:03:14,000

go sit at the computer

1683

01:03:18,390 --> 01:03:16,640

let's see if anybody else in town may

1684

01:03:19,510 --> 01:03:18,400

have seen the same thing and maybe it

1685

01:03:22,230 --> 01:03:19,520

was reported

1686

01:03:23,750 --> 01:03:22,240

so he punched in we did a google search

1687

01:03:26,630 --> 01:03:23,760

and all that he wrote was

1688

01:03:28,150 --> 01:03:26,640

concord new hampshire ufo and we didn't

1689

01:03:31,430 --> 01:03:28,160

even put any date on it

1690

01:03:33,750 --> 01:03:31,440

um he saw it on october 5th but

1691

01:03:35,670 --> 01:03:33,760

all we did was conquer new hampshire ufo

1692

01:03:39,349 --> 01:03:35,680

and we found a couple of articles

1693

01:03:40,230 --> 01:03:39,359

um that talked about how other people a

1694

01:03:43,270 --> 01:03:40,240

family

1695

01:03:46,630 --> 01:03:43,280

uh in nashua 30 miles south of

1696

01:03:50,069 --> 01:03:46,640

concord on the same night about an hour

1697

01:03:52,950 --> 01:03:50,079

later after ben's sighting they

1698

01:03:54,549 --> 01:03:52,960

they saw this thing that came close to

1699

01:03:56,710 --> 01:03:54,559

them above the trees and they were

1700

01:03:58,950 --> 01:03:56,720

driving on a highway about 50 miles an

1701  
01:04:01,990 --> 01:03:58,960  
hour and they said this thing was going

1702  
01:04:04,789 --> 01:04:02,000  
maybe only 30 or 40 miles an hour and

1703  
01:04:05,430 --> 01:04:04,799  
and and it was really really close and

1704  
01:04:08,470 --> 01:04:05,440  
they got a

1705  
01:04:10,789 --> 01:04:08,480  
very good look at it and it was also

1706  
01:04:12,309 --> 01:04:10,799  
boomerang shaped or v-shaped and when

1707  
01:04:15,510 --> 01:04:12,319  
they got home

1708  
01:04:18,950 --> 01:04:15,520  
uh the the father jim jim bo

1709  
01:04:21,109 --> 01:04:18,960  
uh quickly drew uh made an illustration

1710  
01:04:23,109 --> 01:04:21,119  
of what they had just seen

1711  
01:04:24,230 --> 01:04:23,119  
on the way home and then he took that

1712  
01:04:28,069 --> 01:04:24,240  
illustration to

1713  
01:04:29,910 --> 01:04:28,079

his son john who created a computer

1714

01:04:31,270 --> 01:04:29,920

rendition of it based on the

1715

01:04:33,510 --> 01:04:31,280

illustration and

1716

01:04:35,190 --> 01:04:33,520

and in my story i have both the original

1717

01:04:37,589 --> 01:04:35,200

drawing and the computer

1718

01:04:38,309 --> 01:04:37,599

rendition it's an amazing looking thing

1719

01:04:42,549 --> 01:04:38,319

whatever

1720

01:04:44,470 --> 01:04:42,559

it was and i i took all this information

1721

01:04:45,990 --> 01:04:44,480

came back to new york and went to my

1722

01:04:46,870 --> 01:04:46,000

editor and i said i think this is a good

1723

01:04:50,950 --> 01:04:46,880

story

1724

01:04:52,950 --> 01:04:50,960

um despite the fact that my nephew

1725

01:04:54,630 --> 01:04:52,960

uh is one of the prime witnesses we

1726

01:04:56,710 --> 01:04:54,640

shouldn't hold that against me

1727

01:04:58,630 --> 01:04:56,720

uh i i'd like to i'd like to write the

1728

01:05:00,150 --> 01:04:58,640

story and he said do it man so it's up

1729

01:05:02,710 --> 01:05:00,160

there on the site right now for

1730

01:05:03,430 --> 01:05:02,720

for all to see interesting sighting and

1731

01:05:06,950 --> 01:05:03,440

and

1732

01:05:10,390 --> 01:05:06,960

what i like a lot about it is is that in

1733

01:05:12,549 --> 01:05:10,400

in so many ufo encounters um

1734

01:05:14,390 --> 01:05:12,559

people don't have or or don't have the

1735

01:05:18,230 --> 01:05:14,400

time to take a picture

1736

01:05:20,150 --> 01:05:18,240

um ben is the only person who

1737

01:05:22,150 --> 01:05:20,160

photographed this thing

1738

01:05:23,670 --> 01:05:22,160

and yeah and and when you when it comes

1739

01:05:26,710 --> 01:05:23,680

to ufos

1740

01:05:29,670 --> 01:05:26,720

the credibility of of an image is

1741

01:05:30,950 --> 01:05:29,680

is really important to the story and and

1742

01:05:33,349 --> 01:05:30,960

so that's why

1743

01:05:34,549 --> 01:05:33,359

that's why we went with it because it's

1744

01:05:39,270 --> 01:05:34,559

it's a good

1745

01:05:42,309 --> 01:05:39,280

credible story now what the object was

1746

01:05:43,910 --> 01:05:42,319

we don't know i i interviewed a guy

1747

01:05:47,029 --> 01:05:43,920

named mark podell he's with

1748

01:05:47,910 --> 01:05:47,039

the mutual ufo network or mufon he's the

1749

01:05:51,190 --> 01:05:47,920

new hampshire

1750

01:05:54,549 --> 01:05:51,200

field investigator for mufon and his

1751

01:05:55,829 --> 01:05:54,559

his analysis he's come back with

1752

01:05:57,510 --> 01:05:55,839

thinking that

1753

01:05:59,430 --> 01:05:57,520

he told me he's studied aircraft and

1754

01:06:02,549 --> 01:05:59,440

propulsion systems for

1755

01:06:03,589 --> 01:06:02,559

25 years he thinks that what these folks

1756

01:06:06,950 --> 01:06:03,599

all saw

1757

01:06:08,549 --> 01:06:06,960

is a man-made probably stealth aircraft

1758

01:06:10,230 --> 01:06:08,559

that has abilities that most people

1759

01:06:12,789 --> 01:06:10,240

aren't aware of and

1760

01:06:13,430 --> 01:06:12,799

i agree with them that's that's most

1761

01:06:16,150 --> 01:06:13,440

likely

1762

01:06:18,789 --> 01:06:16,160

what it is um because there's so much of

1763

01:06:20,789 --> 01:06:18,799

that now we know that stealth aircraft

1764

01:06:22,549 --> 01:06:20,799

uh have these shapes we know that

1765

01:06:23,589 --> 01:06:22,559

they're often tested we know that people

1766

01:06:26,710 --> 01:06:23,599

see them

1767

01:06:27,910 --> 01:06:26,720

um yeah what about the 30 or 40 miles an

1768

01:06:30,069 --> 01:06:27,920

hour didn't you say

1769

01:06:31,029 --> 01:06:30,079

that's what they were assuming it was

1770

01:06:34,549 --> 01:06:31,039

yeah

1771

01:06:35,029 --> 01:06:34,559

again when when this guy mark said to me

1772

01:06:38,710 --> 01:06:35,039

that

1773

01:06:41,349 --> 01:06:38,720

people aren't aware of well maybe

1774

01:06:41,750 --> 01:06:41,359

maybe that's one of the things um you

1775

01:06:44,950 --> 01:06:41,760

know

1776

01:06:47,430 --> 01:06:44,960

i mean we there are some i think the

1777

01:06:49,270 --> 01:06:47,440

marines fly in i forget what the what

1778

01:06:50,069 --> 01:06:49,280

the designation number is but there's

1779

01:06:53,109 --> 01:06:50,079

some jets

1780

01:06:53,910 --> 01:06:53,119

that actually can kind of rise off the

1781

01:06:55,589 --> 01:06:53,920

ground

1782

01:06:57,510 --> 01:06:55,599

right and can float there for a second

1783

01:06:59,510 --> 01:06:57,520

and then and then take off

1784

01:07:00,870 --> 01:06:59,520

you know from a standing position and

1785

01:07:04,069 --> 01:07:00,880

they've been doing that for years

1786

01:07:07,029 --> 01:07:04,079

so i'm not surprised

1787

01:07:09,430 --> 01:07:07,039

that our all the money that our tax

1788

01:07:11,510 --> 01:07:09,440

dollars pay for the black ops projects

1789

01:07:12,950 --> 01:07:11,520

have has come up with something that can

1790

01:07:15,109 --> 01:07:12,960

do what people

1791

01:07:16,150 --> 01:07:15,119

claim to see in the sky i don't have a

1792

01:07:18,710 --> 01:07:16,160

problem with that

1793

01:07:19,750 --> 01:07:18,720

and and it's not necessarily

1794

01:07:22,549 --> 01:07:19,760

extraterrestrial

1795

01:07:23,190 --> 01:07:22,559

when i asked my nephew ben i said you

1796

01:07:24,710 --> 01:07:23,200

know what do you

1797

01:07:26,309 --> 01:07:24,720

what do you think it was do you want you

1798

01:07:27,109 --> 01:07:26,319

want to speculate what you think it was

1799

01:07:28,710 --> 01:07:27,119

and

1800

01:07:30,230 --> 01:07:28,720

he could have easily said well yeah i

1801  
01:07:30,789 --> 01:07:30,240  
think it was an alien from out of space

1802  
01:07:32,789 --> 01:07:30,799  
but

1803  
01:07:34,309 --> 01:07:32,799  
he didn't say that he always said was

1804  
01:07:37,190 --> 01:07:34,319  
uncle it was a ufo

1805  
01:07:38,390 --> 01:07:37,200  
it was an unidentified flying object i

1806  
01:07:41,430 --> 01:07:38,400  
didn't know what to think

1807  
01:07:43,190 --> 01:07:41,440  
it was just there i had my my ipod i

1808  
01:07:45,670 --> 01:07:43,200  
took a picture

1809  
01:07:47,270 --> 01:07:45,680  
that's all and he did say that when he

1810  
01:07:50,309 --> 01:07:47,280  
and his friend were looking at it

1811  
01:07:52,549 --> 01:07:50,319  
that this thing was slowly zigzagging

1812  
01:07:54,150 --> 01:07:52,559  
back and forth in the sky from right to

1813  
01:07:56,069 --> 01:07:54,160

left and it would rise up

1814

01:07:58,470 --> 01:07:56,079

then it would do it it would do a little

1815

01:07:59,829 --> 01:07:58,480

circle and then it would zigzag again

1816

01:08:01,029 --> 01:07:59,839

and then it eventually disappeared

1817

01:08:04,390 --> 01:08:01,039

behind some trees

1818

01:08:05,589 --> 01:08:04,400

well that's a good signing no matter

1819

01:08:08,870 --> 01:08:05,599

what it is

1820

01:08:11,109 --> 01:08:08,880

it's something unusual and um

1821

01:08:12,710 --> 01:08:11,119

so it made for a good story and i was i

1822

01:08:13,510 --> 01:08:12,720

was happy that ben could be part of the

1823

01:08:16,309 --> 01:08:13,520

story

1824

01:08:18,390 --> 01:08:16,319

excellent so we're we're out of time

1825

01:08:20,950 --> 01:08:18,400

basically lee but uh before i go

1826

01:08:22,550 --> 01:08:20,960

alejandro wanted me to give you a hard

1827

01:08:25,430 --> 01:08:22,560

time do you guys have a

1828

01:08:27,110 --> 01:08:25,440

like a relationship issues ufo

1829

01:08:29,189 --> 01:08:27,120

relationship issues

1830

01:08:30,870 --> 01:08:29,199

we're like an old married couple you

1831

01:08:32,470 --> 01:08:30,880

know we don't agree on anything

1832

01:08:34,470 --> 01:08:32,480

we give the impression that we hate each

1833

01:08:36,309 --> 01:08:34,480

other we're we're constantly

1834

01:08:37,990 --> 01:08:36,319

saying bad things about each other in

1835

01:08:40,870 --> 01:08:38,000

public when it when

1836

01:08:42,630 --> 01:08:40,880

in fact we we cannot love each other or

1837

01:08:45,030 --> 01:08:42,640

admire or respect each other

1838

01:08:45,749 --> 01:08:45,040

more i i was the guy who helped them

1839

01:08:47,749 --> 01:08:45,759

become

1840

01:08:49,590 --> 01:08:47,759

one of the huffington post's best

1841

01:08:52,070 --> 01:08:49,600

bloggers about ufos

1842

01:08:53,349 --> 01:08:52,080

we we talk several times a week we just

1843

01:08:55,669 --> 01:08:53,359

we just really

1844

01:08:57,749 --> 01:08:55,679

admire the hell out of each other and

1845

01:08:59,349 --> 01:08:57,759

and i'm happy to call him my friend

1846

01:09:01,030 --> 01:08:59,359

well that's great well happy

1847

01:09:02,390 --> 01:09:01,040

thanksgiving to you and thanks so much

1848

01:09:04,070 --> 01:09:02,400

for joining us today

1849

01:09:06,070 --> 01:09:04,080

thank you martin it's always a pleasure

1850

01:09:06,870 --> 01:09:06,080

to be here with you well that's it for

1851

01:09:09,189 --> 01:09:06,880

the show today

1852

01:09:12,229 --> 01:09:09,199

you can listen other free podcasts on

1853

01:09:14,149 --> 01:09:12,239

our website which is podcast ufo.com

1854

01:09:16,149 --> 01:09:14,159

you can also check out the links and the

1855

01:09:17,910 --> 01:09:16,159

stories in our show notes

1856

01:09:19,430 --> 01:09:17,920

as well as joining in the conversation

1857

01:09:20,870 --> 01:09:19,440

in our forums and i want to thank

1858

01:09:21,510 --> 01:09:20,880

everyone for helping out with the show

1859

01:09:23,749 --> 01:09:21,520

today

1860

01:09:25,510 --> 01:09:23,759

alejandro rojas for the news and our

1861

01:09:27,510 --> 01:09:25,520

guest of course lee spiegel

1862

01:09:28,550 --> 01:09:27,520

carrie lloyd whitehouse for the music

1863

01:09:30,390 --> 01:09:28,560

peggy shunning

1864

01:09:32,309 --> 01:09:30,400  
for managing our facebook page and

1865

01:09:34,709 --> 01:09:32,319  
remember to like us on facebook

1866

01:09:37,189 --> 01:09:34,719  
for all the latest ufo news we have

1867

01:09:39,430 --> 01:09:37,199  
linda moulton howe coming up next week

1868

01:09:41,910 --> 01:09:39,440  
and remember you can subscribe to hear

1869

01:09:44,870 --> 01:09:41,920  
all the second half hour shows

1870

01:09:45,990 --> 01:09:44,880  
for only 99 cents a month and we'll be

1871

01:09:48,070 --> 01:09:46,000  
right back here

1872

01:09:50,630 --> 01:09:48,080  
live next week on the dark matter radio

1873

01:09:52,470 --> 01:09:50,640  
network and every wednesday at 8 pm to

1874

01:09:54,149 --> 01:09:52,480  
10 p.m eastern standard time

1875

01:09:55,830 --> 01:09:54,159  
this is martin willis reminding you to
