

THE KEEPERS
INSURRECTION

1
00:00:04,920 --> 00:00:03,149
and it hits me oh my gosh this is that

2
00:00:06,119 --> 00:00:04,930
triangle you know there's explanation

3
00:00:08,070 --> 00:00:06,129
for everything that occurred in the

4
00:00:10,560 --> 00:00:08,080
rendlesham forest incident it doesn't

5
00:00:13,950 --> 00:00:10,570
involve aliens at all it was completely

6
00:00:16,800 --> 00:00:13,960
silent it comes right over our head it's

7
00:00:18,420 --> 00:00:16,810
so a classic flying-saucer really

8
00:00:20,160 --> 00:00:18,430
standing in the clearing he turned over

9
00:00:21,540 --> 00:00:20,170
to my father and held his hand and he

10
00:00:28,140 --> 00:00:21,550
looked in his eyes and said we're not

11
00:00:31,019 --> 00:00:28,150
alone welcome to Podcast UFO for our

12
00:00:33,270 --> 00:00:31,029
live show we're live every wednesday at

13
00:00:35,520 --> 00:00:33,280

eight pm eastern standard time on the

14

00:00:37,520 --> 00:00:35,530

Dark Matter radio network please

15

00:00:41,490 --> 00:00:37,530

remember to visit the website podcast

16

00:00:44,010 --> 00:00:41,500

UFO calm for past episodes blogs and

17

00:00:46,049 --> 00:00:44,020

forums during the show feel free to

18

00:00:48,479 --> 00:00:46,059

participate live in our chat room and

19

00:00:52,830 --> 00:00:48,489

don't forget to Like us on our very

20

00:00:55,049 --> 00:00:52,840

active Facebook page hello everyone this

21

00:00:57,029 --> 00:00:55,059

is Martin Willis your host and we have

22

00:01:00,930 --> 00:00:57,039

another good one coming at you tonight

23

00:01:03,930 --> 00:01:00,940

our guest later on is mark schwartz from

24

00:01:06,450 --> 00:01:03,940

truth funders before that of course we

25

00:01:09,480 --> 00:01:06,460

have alejandro rojas from open minds

26
00:01:12,570 --> 00:01:09,490
radio to talk to us about the latest UFO

27
00:01:14,910 --> 00:01:12,580
events if you want to subscribe to hear

28
00:01:19,260 --> 00:01:14,920
the second hour of the podcasts go to

29
00:01:21,090 --> 00:01:19,270
get joy dried calm / podcast UFO don't

30
00:01:24,660 --> 00:01:21,100
fret the link is right on our website

31
00:01:28,830 --> 00:01:24,670
it's in our sidebar and subscribers pay

32
00:01:31,530 --> 00:01:28,840
a dollar a month or more only that's 23

33
00:01:33,660 --> 00:01:31,540
cents a week or more to listen to the

34
00:01:35,700 --> 00:01:33,670
second hour of the show and there's a

35
00:01:37,920 --> 00:01:35,710
private link right on I to that will put

36
00:01:40,080 --> 00:01:37,930
you right on itunes and and other media

37
00:01:42,510 --> 00:01:40,090
players there's all kinds of cool ways

38
00:01:44,910 --> 00:01:42,520

you connect and listen to the show that

39

00:01:47,280 --> 00:01:44,920

way there's also a studio tab and I'm

40

00:01:49,380 --> 00:01:47,290

probably going to put up a how-to page

41

00:01:51,420 --> 00:01:49,390

just because I'm you know I'm getting a

42

00:01:53,130 --> 00:01:51,430

number of email and you are welcome to

43

00:01:57,240 --> 00:01:53,140

email me if you have any issues at

44

00:01:59,459 --> 00:01:57,250

Martin at podcast UFO calm well it's

45

00:02:01,889 --> 00:01:59,469

time to thank if you at least some new

46

00:02:04,530 --> 00:02:01,899

subscribers at the five dollar a month

47

00:02:05,880 --> 00:02:04,540

and higher fees and by the way the

48

00:02:08,279 --> 00:02:05,890

campaign is going really well I

49

00:02:10,559 --> 00:02:08,289

appreciate everyone's supporting and if

50

00:02:12,089 --> 00:02:10,569

you can't support us I do appreciate you

51
00:02:14,280 --> 00:02:12,099
listening I appreciate every single

52
00:02:15,809 --> 00:02:14,290
listener I'll put it that way ah

53
00:02:18,390 --> 00:02:15,819
couple names out there want to do a

54
00:02:20,399 --> 00:02:18,400
shout-out on is someone who's actually

55
00:02:23,490 --> 00:02:20,409
given us some music you hear some of it

56
00:02:26,339 --> 00:02:23,500
later on tonight Bruce ranier thank you

57
00:02:28,559 --> 00:02:26,349
Bruce and we have another Bruce and his

58
00:02:29,970 --> 00:02:28,569
name is Bruce F now I'm only going to

59
00:02:32,729 --> 00:02:29,980
give the initial the last name unless

60
00:02:34,229 --> 00:02:32,739
you email me at martinet podcast UFO

61
00:02:37,170 --> 00:02:34,239
calm and say go ahead and use my full

62
00:02:40,920 --> 00:02:37,180
name and I will shout out the full name

63
00:02:43,199 --> 00:02:40,930

if you'd like and we have a Gabe w and

64

00:02:47,699 --> 00:02:43,209

he is from overseas i can tell that and

65

00:02:51,210 --> 00:02:47,709

so is anders j and then we have a david

66

00:02:52,920 --> 00:02:51,220

m and so and we have a lot of one dollar

67

00:02:55,770 --> 00:02:52,930

subscribers i want to thank you all for

68

00:02:58,110 --> 00:02:55,780

that I mean we have so many people

69

00:03:00,569 --> 00:02:58,120

subscribing that other podcasts that are

70

00:03:02,490 --> 00:03:00,579

in the same campaign have been contacted

71

00:03:05,399 --> 00:03:02,500

me and asked me what I'm doing because

72

00:03:07,170 --> 00:03:05,409

they're not doing quite as well and I

73

00:03:10,520 --> 00:03:07,180

wish them best of luck of trying to help

74

00:03:13,589 --> 00:03:10,530

them out and I really do appreciate all

75

00:03:15,330 --> 00:03:13,599

the nice email and support that we are

76

00:03:17,789 --> 00:03:15,340

getting for our shows I loved doing the

77

00:03:21,089 --> 00:03:17,799

show you can probably tell and I hope to

78

00:03:24,089 --> 00:03:21,099

continue doing it our website did crash

79

00:03:27,149 --> 00:03:24,099

this last week once again I had it on

80

00:03:29,520 --> 00:03:27,159

sort of like a its own server but it was

81

00:03:31,890 --> 00:03:29,530

a cloud and now we had to put it on a

82

00:03:34,289 --> 00:03:31,900

its own special dedicated server and

83

00:03:37,080 --> 00:03:34,299

this is a gold-plated problem getting so

84

00:03:40,199 --> 00:03:37,090

much traffic that you know the site just

85

00:03:41,849 --> 00:03:40,209

keeps crashing i am going to be stopping

86

00:03:44,550 --> 00:03:41,859

my chatting here in introducing

87

00:03:48,830 --> 00:03:44,560

alejandro rojas right now how are you

88

00:03:52,259 --> 00:03:48,840

alejandro i am doing pretty well but

89

00:03:55,140 --> 00:03:52,269

extremely busy getting ready for the UFO

90

00:03:59,059 --> 00:03:55,150

Congress yes and you know by the way

91

00:04:06,210 --> 00:03:59,069

guess guess what I'm purchasing tomorrow

92

00:04:09,629 --> 00:04:06,220

at a laser gun um that and I am

93

00:04:16,289 --> 00:04:09,639

purchasing a ticket to come out to the

94

00:04:19,080 --> 00:04:16,299

Phoenix area on february 17th yeah sweet

95

00:04:20,550 --> 00:04:19,090

that's awesome i'm so excited and what's

96

00:04:22,320 --> 00:04:20,560

kind of cool about this year although

97

00:04:24,149 --> 00:04:22,330

i'm a little bit worried about it there

98

00:04:25,800 --> 00:04:24,159

are so many people coming to it that

99

00:04:27,620 --> 00:04:25,810

haven't been there before such as

100

00:04:30,290 --> 00:04:27,630

yourself people I've known and work with

101
00:04:32,000 --> 00:04:30,300
for a while that and then my mom and my

102
00:04:33,530 --> 00:04:32,010
sister are going to be there hopefully I

103
00:04:36,110 --> 00:04:33,540
have time to say hi to everybody it's

104
00:04:37,520 --> 00:04:36,120
such a busy busy event but I am excited

105
00:04:40,910 --> 00:04:37,530
because I know people will love it

106
00:04:43,700 --> 00:04:40,920
because it's a gorgeous venue and I was

107
00:04:45,980 --> 00:04:43,710
you know going over our program we're

108
00:04:48,800 --> 00:04:45,990
looking that over getting that ready to

109
00:04:51,290 --> 00:04:48,810
print and the speakers are just so cool

110
00:04:53,840 --> 00:04:51,300
I mean we've got Cheryl Kosta from New

111
00:04:56,360 --> 00:04:53,850
York talking about New York UFOs her

112
00:04:59,690 --> 00:04:56,370
talk looks cool James Clarkson worked

113
00:05:01,100 --> 00:04:59,700

with MUFON and he is talking about this

114

00:05:03,440 --> 00:05:01,110

amazing witness who worked at

115

00:05:07,100 --> 00:05:03,450

wright-patterson Air Force Base we've

116

00:05:09,790 --> 00:05:07,110

got Joan bird who did about UFOs in

117

00:05:12,680 --> 00:05:09,800

Montana Linda Zimmerman who wrote about

118

00:05:15,650 --> 00:05:12,690

Hudson Valley UFOs and did a film on it

119

00:05:17,000 --> 00:05:15,660

just these amazing people that some

120

00:05:18,920 --> 00:05:17,010

people might not have heard of before

121

00:05:20,180 --> 00:05:18,930

and if you haven't had these people on

122

00:05:22,340 --> 00:05:20,190

your show you've got to because they're

123

00:05:24,950 --> 00:05:22,350

great but just have done some excellent

124

00:05:26,960 --> 00:05:24,960

work that people are going to love I was

125

00:05:31,340 --> 00:05:26,970

just talking about Joan burnt bird to

126

00:05:34,400 --> 00:05:31,350

the last podcast i did with dr. RD Clark

127

00:05:37,820 --> 00:05:34,410

big skeller yeah yep and because they're

128

00:05:40,340 --> 00:05:37,830

good friends and joan was going to be on

129

00:05:42,950 --> 00:05:40,350

the show and her email vaporized so

130

00:05:44,210 --> 00:05:42,960

hopefully she will show we can talk

131

00:05:47,630 --> 00:05:44,220

about that later and i can get her on

132

00:05:50,120 --> 00:05:47,640

prior to possibly get her on prior to

133

00:05:51,230 --> 00:05:50,130

being out there and you know talk a

134

00:05:53,240 --> 00:05:51,240

little bit about she's going to talk

135

00:05:57,440 --> 00:05:53,250

about out there a little more extra

136

00:05:59,930 --> 00:05:57,450

promotion but anyway I'm really looking

137

00:06:03,290 --> 00:05:59,940

forward to it and I really would like to

138

00:06:05,660 --> 00:06:03,300

do some type of round robin live during

139

00:06:08,060 --> 00:06:05,670

you know during the the live spot on

140

00:06:09,830 --> 00:06:08,070

this show right from there and I'm going

141

00:06:12,380 --> 00:06:09,840

to be talking to you you know offline of

142

00:06:14,180 --> 00:06:12,390

course trying to see if I can make that

143

00:06:16,940 --> 00:06:14,190

happen sounds like it would be a lot of

144

00:06:19,910 --> 00:06:16,950

fun and interesting that would be

145

00:06:22,850 --> 00:06:19,920

excellent and excellent i'm going to do

146

00:06:24,710 --> 00:06:22,860

another podcast on location and I'm just

147

00:06:27,140 --> 00:06:24,720

kind of I'm going to do it live of

148

00:06:28,430 --> 00:06:27,150

course live on the radio but I just

149

00:06:31,790 --> 00:06:28,440

wanted to kind of give the listener that

150

00:06:33,500 --> 00:06:31,800

throw that out there that toward the end

151
00:06:36,590 --> 00:06:33,510
of this month or just like in two weeks

152
00:06:38,840 --> 00:06:36,600
or so or possibly a little bit later I'm

153
00:06:39,910 --> 00:06:38,850
going to be traveling down to the

154
00:06:41,860 --> 00:06:39,920
Baltimore air

155
00:06:44,230 --> 00:06:41,870
yeah and doing a live podcast with a

156
00:06:47,110 --> 00:06:44,240
really interesting gentleman with some

157
00:06:49,630 --> 00:06:47,120
amazing things that he's going to be

158
00:06:51,130 --> 00:06:49,640
showing me it's so interesting that I

159
00:06:52,810 --> 00:06:51,140
decide I'm just going to do the podcast

160
00:06:55,810 --> 00:06:52,820
right with him right there that'll be

161
00:06:57,640 --> 00:06:55,820
fun yeah that'll be a lot of fun alright

162
00:07:00,400 --> 00:06:57,650
so now we plugged you we plugged me

163
00:07:03,250 --> 00:07:00,410

we're all set to the news yeah yeah okay

164

00:07:04,870 --> 00:07:03,260

now that we've plugged everybody and

165

00:07:08,230 --> 00:07:04,880

been all nice nice i'm going to give you

166

00:07:12,100 --> 00:07:08,240

some crap for something you did today

167

00:07:14,920 --> 00:07:12,110

you posted a facebook story that is our

168

00:07:17,710 --> 00:07:14,930

story and he didn't post us but it's not

169

00:07:20,010 --> 00:07:17,720

necessarily your fault partially well it

170

00:07:23,320 --> 00:07:20,020

is very much your fault actually so

171

00:07:25,450 --> 00:07:23,330

there's the project Bluebook files went

172

00:07:27,820 --> 00:07:25,460

online John Greenwald posted those

173

00:07:29,950 --> 00:07:27,830

they're all free and PDF format they're

174

00:07:31,840 --> 00:07:29,960

searchable I wrote a story about it

175

00:07:34,750 --> 00:07:31,850

because I'm so happy with what drawn

176

00:07:36,550 --> 00:07:34,760

goon wall did here funny enough we cool

177

00:07:39,310 --> 00:07:36,560

which is really cool the Daily Mail

178

00:07:41,530 --> 00:07:39,320

picked it up and they linked to us and

179

00:07:43,690 --> 00:07:41,540

gave us credit which is great but then a

180

00:07:45,670 --> 00:07:43,700

bunch of other new sources now have

181

00:07:47,950 --> 00:07:45,680

picked up the Daily Mail story and

182

00:07:49,990 --> 00:07:47,960

they've kind of dropped us so they're

183

00:07:52,390 --> 00:07:50,000

not even mentioning us but they are

184

00:07:55,060 --> 00:07:52,400

mentioning John Green Walden and putting

185

00:07:56,740 --> 00:07:55,070

a link to the Black Bolt which is good

186

00:07:58,900 --> 00:07:56,750

because that's the whole point of this

187

00:08:01,300 --> 00:07:58,910

but you posted one of these copycat

188

00:08:04,690 --> 00:08:01,310

stories I think from the mirror who

189

00:08:10,110 --> 00:08:04,700

dropped us and so well yes I got it from

190

00:08:12,400 --> 00:08:10,120

the source yes and you know I I have a

191

00:08:15,280 --> 00:08:12,410

good oh she's listening right now I know

192

00:08:16,990 --> 00:08:15,290

she is Peggy Peggy one hand Peggy's grey

193

00:08:18,580 --> 00:08:17,000

she works she is great and she works

194

00:08:21,430 --> 00:08:18,590

really hard at the facebook you're

195

00:08:24,580 --> 00:08:21,440

passing the back I am but I'm also going

196

00:08:26,710 --> 00:08:24,590

to say this that Peggy would never mean

197

00:08:29,470 --> 00:08:26,720

to do any harm so it's just totally an

198

00:08:31,780 --> 00:08:29,480

oversight I think pinky could do some

199

00:08:34,710 --> 00:08:31,790

harm she seems like a person who is able

200

00:08:36,790 --> 00:08:34,720

to take care of and handle herself

201
00:08:39,250 --> 00:08:36,800
absolutely I wouldn't want to mess with

202
00:08:41,320 --> 00:08:39,260
her she seems like you know yeah he

203
00:08:46,330 --> 00:08:41,330
could do harm to someone if she got

204
00:08:47,770 --> 00:08:46,340
upset enough that's my Peggy yes yeah so

205
00:08:49,630 --> 00:08:47,780
but this is really cool it's cool that

206
00:08:53,040 --> 00:08:49,640
the story got picked up a lot of people

207
00:08:54,810 --> 00:08:53,050
are competing hey

208
00:08:56,280 --> 00:08:54,820
he spilled some files from someone else

209
00:08:57,780 --> 00:08:56,290
but that's not the case and just to

210
00:09:00,509 --> 00:08:57,790
clear that up for any of your listeners

211
00:09:02,550 --> 00:09:00,519
there was a gentleman he went by on

212
00:09:04,949 --> 00:09:02,560
above top secret in some other places

213
00:09:07,019 --> 00:09:04,959

something like extreme was his name and

214

00:09:09,810 --> 00:09:07,029

his name is anonymous even though I know

215

00:09:12,389 --> 00:09:09,820

his name because he emailed me and other

216

00:09:14,490 --> 00:09:12,399

organizations and said hey I've got all

217

00:09:17,130 --> 00:09:14,500

the Blue Book files you can download

218

00:09:19,500 --> 00:09:17,140

them here it wasn't an easy task to do

219

00:09:23,130 --> 00:09:19,510

it either the way he set it up it was

220

00:09:25,259 --> 00:09:23,140

like 200 gigs of picture files it took

221

00:09:27,509 --> 00:09:25,269

two days for me to download and he's

222

00:09:29,069 --> 00:09:27,519

like please post this but that's not

223

00:09:30,120 --> 00:09:29,079

easy people don't understand just

224

00:09:32,759 --> 00:09:30,130

because you have those files it's

225

00:09:35,250 --> 00:09:32,769

extremely difficult to then get those on

226

00:09:37,009 --> 00:09:35,260

your server to host them online and then

227

00:09:39,540 --> 00:09:37,019

format them you're talking about

228

00:09:41,310 --> 00:09:39,550

thousands of files so you got to create

229

00:09:44,519 --> 00:09:41,320

thousands of links to get those up there

230

00:09:46,110 --> 00:09:44,529

so I couldn't do it MUFON asked us if we

231

00:09:47,490 --> 00:09:46,120

could help them do it we said

232

00:09:50,250 --> 00:09:47,500

unfortunately we don't have the time to

233

00:09:52,259 --> 00:09:50,260

do that but John Greenwald is smart

234

00:09:54,329 --> 00:09:52,269

enough where he worked with this extreme

235

00:09:57,480 --> 00:09:54,339

guy and he was able to create some

236

00:09:59,579 --> 00:09:57,490

programs automated the process turned

237

00:10:02,760 --> 00:09:59,589

him into pdfs that are searchable and

238

00:10:04,710 --> 00:10:02,770

then he was able to post them and it's

239

00:10:07,380 --> 00:10:04,720

awesome that he did that and he had to

240

00:10:08,819 --> 00:10:07,390

know how to do that so he didn't steal

241

00:10:11,160 --> 00:10:08,829

these from the extreme guy he actually

242

00:10:14,069 --> 00:10:11,170

worked with that guy to get them up on

243

00:10:15,630 --> 00:10:14,079

his site that guy has I won't use his

244

00:10:18,870 --> 00:10:15,640

real name because he's wanted to remain

245

00:10:20,970 --> 00:10:18,880

anonymous but just so people know you

246

00:10:23,400 --> 00:10:20,980

know John didn't steal those and he had

247

00:10:25,500 --> 00:10:23,410

to do a lot of work to get those files

248

00:10:27,210 --> 00:10:25,510

up and some people have said well

249

00:10:29,430 --> 00:10:27,220

they're kind of free lots of them on on

250

00:10:32,100 --> 00:10:29,440

a site called full three but they are

251

00:10:34,410 --> 00:10:32,110

all pictures you can't you know the

252

00:10:36,829 --> 00:10:34,420

searchability is nowhere near as nice as

253

00:10:40,290 --> 00:10:36,839

these PDFs which you can easily download

254

00:10:43,199 --> 00:10:40,300

from John Greenwald site so it is a fee

255

00:10:45,420 --> 00:10:43,209

it is great when I research blue book

256

00:10:47,730 --> 00:10:45,430

you know it used to be very difficult to

257

00:10:51,120 --> 00:10:47,740

find those files even with full three it

258

00:10:53,519 --> 00:10:51,130

was a bit of an effort but and I had to

259

00:10:54,870 --> 00:10:53,529

pay to get access to download those that

260

00:10:57,720 --> 00:10:54,880

pulled through when I first went on

261

00:11:01,470 --> 00:10:57,730

there now they offer him for free but if

262

00:11:03,660 --> 00:11:01,480

I had the Greenwald database I would and

263

00:11:06,210 --> 00:11:03,670

I even though I have him on on a hard

264

00:11:07,770 --> 00:11:06,220

drive that i schlep around

265

00:11:09,450 --> 00:11:07,780

I'm actually just going to use John

266

00:11:11,910 --> 00:11:09,460

Greenwald site from here on out to

267

00:11:14,220 --> 00:11:11,920

access those because but it's been

268

00:11:16,740 --> 00:11:14,230

difficult to get to all of the Blue Book

269

00:11:19,320 --> 00:11:16,750

files prior to this so i think it's a

270

00:11:21,000 --> 00:11:19,330

big deal these other stories have picked

271

00:11:22,830 --> 00:11:21,010

it up and are running with it as well I

272

00:11:26,360 --> 00:11:22,840

think it's I think it's absolutely great

273

00:11:29,700 --> 00:11:26,370

and yeah that website above top secret

274

00:11:31,410 --> 00:11:29,710

gets a traffic like you can't believe

275

00:11:34,680 --> 00:11:31,420

and this is only good am it's going to

276

00:11:38,340 --> 00:11:34,690

excel you know even higher well that

277

00:11:40,680 --> 00:11:38,350

these are all on the blackboard oh the

278

00:11:43,020 --> 00:11:40,690

black fault yeah what was I thinking

279

00:11:45,540 --> 00:11:43,030

above top secret I had mentioned above

280

00:11:49,200 --> 00:11:45,550

top secret because originally that 200

281

00:11:52,500 --> 00:11:49,210

gig download was posted on about top

282

00:11:54,540 --> 00:11:52,510

secret ah ok all right and that's why

283

00:11:56,580 --> 00:11:54,550

people think John just stole those and

284

00:11:58,380 --> 00:11:56,590

posted those but he did do it in

285

00:12:00,240 --> 00:11:58,390

cooperation and he did get credit on his

286

00:12:02,460 --> 00:12:00,250

site too so there's some conspiracy

287

00:12:05,460 --> 00:12:02,470

theories out there that i would like to

288

00:12:08,250 --> 00:12:05,470

quelch that John deserves the credit

289

00:12:09,900 --> 00:12:08,260

he's getting yeah yeah John's a good guy

290

00:12:12,420 --> 00:12:09,910

he's going to be on the show soon he

291

00:12:14,880 --> 00:12:12,430

says oh really he will be he's a good

292

00:12:16,710 --> 00:12:14,890

guy i like i like the work he's done oh

293

00:12:18,480 --> 00:12:16,720

and this story too just to follow up i

294

00:12:20,070 --> 00:12:18,490

did do an interview with him so he talks

295

00:12:22,500 --> 00:12:20,080

about the posting of those files and

296

00:12:24,660 --> 00:12:22,510

some good invite insightful stuff there

297

00:12:26,730 --> 00:12:24,670

alright so someone can listen to that on

298

00:12:29,430 --> 00:12:26,740

now i'm going to plug you again even

299

00:12:31,980 --> 00:12:29,440

though you know you just bashed me so

300

00:12:36,480 --> 00:12:31,990

that's that's on open minds TV you can

301
00:12:39,960 --> 00:12:36,490
find that correct open mind TV the place

302
00:12:44,700 --> 00:12:39,970
for UFO news and right here so carry on

303
00:12:48,170 --> 00:12:44,710
son another one that i wanted to talk

304
00:12:51,000 --> 00:12:48,180
about is just the day after we talked

305
00:12:53,460 --> 00:12:51,010
and and i think i was researching this

306
00:12:56,430 --> 00:12:53,470
when we did talk last there was a story

307
00:13:01,590 --> 00:12:56,440
about thousands of people seeing a UFO

308
00:13:05,840 --> 00:13:01,600
in argentina this was about a week ago

309
00:13:08,940 --> 00:13:05,850
last sunday a week a half ago now and

310
00:13:11,160 --> 00:13:08,950
these were this was mostly in the town

311
00:13:14,280 --> 00:13:11,170
of i'm not even sure how to say it's

312
00:13:16,560 --> 00:13:14,290
like wale kuai qu quality wait you

313
00:13:17,879 --> 00:13:16,570

something like that in argentina real

314

00:13:20,579 --> 00:13:17,889

very narrow your

315

00:13:23,699 --> 00:13:20,589

why but a lot of people I saw this light

316

00:13:26,579 --> 00:13:23,709

flying over and some of the videos I

317

00:13:28,499 --> 00:13:26,589

went and I found several videos people

318

00:13:30,749 --> 00:13:28,509

posted online of these lights you can

319

00:13:34,289 --> 00:13:30,759

see people out in the street looking at

320

00:13:36,989 --> 00:13:34,299

it I slowly moved over the city then in

321

00:13:40,530 --> 00:13:36,999

another city about 20 miles away they

322

00:13:42,780 --> 00:13:40,540

spotted it as well and so this was kind

323

00:13:46,590 --> 00:13:42,790

of a big deal a lot of the Argentine

324

00:13:48,720 --> 00:13:46,600

news was covering it in these videos you

325

00:13:51,539 --> 00:13:48,730

can't see a whole lot people described

326

00:13:53,429 --> 00:13:51,549

it as a slow-moving blinking light that

327

00:13:56,069 --> 00:13:53,439

was stationary for a while then would

328

00:14:00,749 --> 00:13:56,079

move some people said that at zigzagged

329

00:14:02,159 --> 00:14:00,759

at times and so there's different

330

00:14:04,590 --> 00:14:02,169

reports of course that would be really

331

00:14:05,609 --> 00:14:04,600

weird if there is zigzagging some people

332

00:14:08,609 --> 00:14:05,619

have said well it's probably a

333

00:14:10,319 --> 00:14:08,619

quadcopter or a drone but a lot of the

334

00:14:12,389 --> 00:14:10,329

witnesses had said no they don't think

335

00:14:13,889 --> 00:14:12,399

so and they argue that if that was the

336

00:14:18,239 --> 00:14:13,899

case you know it wouldn't have been

337

00:14:20,129 --> 00:14:18,249

seeing 20 miles away so a lot of people

338

00:14:22,679 --> 00:14:20,139

in Argentina were excited about this and

339

00:14:24,960 --> 00:14:22,689

there are lots of videos up on this one

340

00:14:27,900 --> 00:14:24,970

cool well it's great when you have that

341

00:14:31,109 --> 00:14:27,910

many witnesses yeah yeah and so that's

342

00:14:34,679 --> 00:14:31,119

pretty cool one yeah yep so our last

343

00:14:37,499 --> 00:14:34,689

story of the evening the last one is for

344

00:14:39,239 --> 00:14:37,509

our UK listeners again some of them may

345

00:14:41,909 --> 00:14:39,249

be aware of it because it's starting to

346

00:14:44,939 --> 00:14:41,919

get all over their news out there in the

347

00:14:46,739 --> 00:14:44,949

UK but one of their stories are one of

348

00:14:50,639 --> 00:14:46,749

their papers a chronicle had posted this

349

00:14:54,539 --> 00:14:50,649

story about a UFO over the town of

350

00:14:58,229 --> 00:14:54,549

cinnamon and this was Monday now the

351
00:14:59,729 --> 00:14:58,239
video was Arthur UFO was recorded but

352
00:15:02,999 --> 00:14:59,739
essentially this gentleman who's do

353
00:15:04,559 --> 00:15:03,009
venture capitalists I believe was going

354
00:15:07,559 --> 00:15:04,569
outside to walk his dog at about

355
00:15:10,529 --> 00:15:07,569
eleven-thirty and he saw an unusual

356
00:15:13,829 --> 00:15:10,539
light he said it wasn't he's used to the

357
00:15:17,220 --> 00:15:13,839
planes it was moving like a plane it was

358
00:15:20,279 --> 00:15:17,230
different colors and he thought it was

359
00:15:22,769 --> 00:15:20,289
really weird he videotaped it and posted

360
00:15:25,979 --> 00:15:22,779
that video and so the story is getting

361
00:15:28,079 --> 00:15:25,989
out there and this isn't just a UFO

362
00:15:30,519 --> 00:15:28,089
sighting story it's also a story to

363
00:15:33,100 --> 00:15:30,529

watch out because this video

364

00:15:36,309 --> 00:15:33,110

the gentleman said I recorded it and it

365

00:15:37,989 --> 00:15:36,319

looks like a pulsating light that's

366

00:15:41,079 --> 00:15:37,999

pulsating different colors and is

367

00:15:43,720 --> 00:15:41,089

diamond shape however some of you may be

368

00:15:46,300 --> 00:15:43,730

aware but there are lots of diamond

369

00:15:51,009 --> 00:15:46,310

shaped UFO videos yes on the internet

370

00:15:53,230 --> 00:15:51,019

but that is not the UFOs shape what that

371

00:15:55,179 --> 00:15:53,240

is is the aperture in the camera what

372

00:15:56,980 --> 00:15:55,189

happens is if you have a bright point of

373

00:15:59,769 --> 00:15:56,990

light in the sky and you get it out of

374

00:16:02,139 --> 00:15:59,779

focus it'll turn whatever shape the

375

00:16:03,819 --> 00:16:02,149

aperture is and most apertures are

376

00:16:06,309 --> 00:16:03,829

diamond shaped so you're going to see

377

00:16:08,170 --> 00:16:06,319

that diamond shape so unfortunately this

378

00:16:12,699 --> 00:16:08,180

is not an accurate representation of

379

00:16:14,499 --> 00:16:12,709

what that craft looks like also often it

380

00:16:18,400 --> 00:16:14,509

can look like it's changing colors

381

00:16:20,889 --> 00:16:18,410

because of the atmosphere however when

382

00:16:22,960 --> 00:16:20,899

you do watch this code this video you

383

00:16:24,879 --> 00:16:22,970

can see that the there's something

384

00:16:27,429 --> 00:16:24,889

pulsating there but of course I could be

385

00:16:30,059 --> 00:16:27,439

a plane light so the video isn't

386

00:16:32,590 --> 00:16:30,069

conclusive that it's not a plane but

387

00:16:34,090 --> 00:16:32,600

something was there so really in this

388

00:16:36,369 --> 00:16:34,100

case you have to rely on the witness

389

00:16:37,900 --> 00:16:36,379

testimony in that he says you know it

390

00:16:41,110 --> 00:16:37,910

wasn't a plane that it was something

391

00:16:43,179 --> 00:16:41,120

different than that but of course then

392

00:16:44,860 --> 00:16:43,189

it's just anecdotal but people can go

393

00:16:48,970 --> 00:16:44,870

look at that and that's a story that's

394

00:16:50,230 --> 00:16:48,980

in the UK news today well you also every

395

00:16:51,670 --> 00:16:50,240

once in a while you hear about these

396

00:16:54,189 --> 00:16:51,680

diamond-shaped crafts that people

397

00:16:56,980 --> 00:16:54,199

actually see like for instance some I

398

00:17:00,280 --> 00:16:56,990

believe cash Landrum case I believe that

399

00:17:03,009 --> 00:17:00,290

has tax Landrum true and it was more of

400

00:17:04,179 --> 00:17:03,019

a taller diamond shape so that's a good

401

00:17:07,210 --> 00:17:04,189

point that doesn't mean that people

402

00:17:10,419 --> 00:17:07,220

haven't seen diamond shaped craft but

403

00:17:13,360 --> 00:17:10,429

this story all day has make it out going

404

00:17:17,079 --> 00:17:13,370

over and over in my head is shine bright

405

00:17:18,579 --> 00:17:17,089

like a diamond shine like a diamond but

406

00:17:20,649 --> 00:17:18,589

now I've got that stick in your

407

00:17:23,350 --> 00:17:20,659

listeners head as well yeah and mine

408

00:17:25,510 --> 00:17:23,360

thanks a lot buddy hey uh huh will will

409

00:17:28,750 --> 00:17:25,520

be talking to you next week alright

410

00:17:30,279 --> 00:17:28,760

awesome thanks man my pleasure and so

411

00:17:33,430 --> 00:17:30,289

hang in there and we'll be right back

412

00:17:43,250 --> 00:17:33,440

with mark schwartz this music is by

413

00:18:53,330 --> 00:17:45,799

you

414

00:18:58,410 --> 00:18:56,280

thanks mark schwartz for joining us and

415

00:18:59,730 --> 00:18:58,420

from truth funders believe we spoke a

416

00:19:03,930 --> 00:18:59,740

little bit earlier you know I've been

417

00:19:06,750 --> 00:19:03,940

crazy busy I with a startup that I'm

418

00:19:09,780 --> 00:19:06,760

involved in and I never really got to

419

00:19:12,870 --> 00:19:09,790

look to see exactly what truth funders

420

00:19:15,240 --> 00:19:12,880

is so the audience listening audience

421

00:19:17,190 --> 00:19:15,250

out there and I are going to all find

422

00:19:20,580 --> 00:19:17,200

out together and by the way if you're

423

00:19:23,190 --> 00:19:20,590

listening live in the dark matter radio

424

00:19:25,680 --> 00:19:23,200

network you can jump over to podcast UFO

425

00:19:27,990 --> 00:19:25,690

calm into the chat room it's real quick

426

00:19:31,080 --> 00:19:28,000

easy sign in you can ask our ask our

427

00:19:33,660 --> 00:19:31,090

guests some questions and we have a

428

00:19:37,160 --> 00:19:33,670

couple of other guests coming up we have

429

00:19:39,030 --> 00:19:37,170

Jonas is coming up Jonas I don't know

430

00:19:42,980 --> 00:19:39,040

pechanga is that how you say his last

431

00:19:45,600 --> 00:19:42,990

name it's close we can ask him okay

432

00:19:48,360 --> 00:19:45,610

he'll be coming up involved in the truth

433

00:19:50,460 --> 00:19:48,370

funders as well that coming up in a half

434

00:19:53,280 --> 00:19:50,470

hour I mean not 15 minutes or so and

435

00:19:56,610 --> 00:19:53,290

then and the second hour of this show

436

00:19:58,710 --> 00:19:56,620

will have Rick fryer on as well so first

437

00:20:01,880 --> 00:19:58,720

of all let's hear it what is true

438

00:20:04,680 --> 00:20:01,890

funders alright well truth funders is a

439

00:20:08,190 --> 00:20:04,690

crowdfunding platform specifically

440

00:20:11,460 --> 00:20:08,200

designed for the paranormal you know I'm

441

00:20:16,040 --> 00:20:11,470

a big fan of the paranormal of Art Bell

442

00:20:18,780 --> 00:20:16,050

I grew up listening to art bell and I

443

00:20:21,480 --> 00:20:18,790

I've been working in the technology and

444

00:20:25,050 --> 00:20:21,490

video production world for the past 15

445

00:20:27,480 --> 00:20:25,060

years I helped create a language called

446

00:20:29,760 --> 00:20:27,490

TV ml which is the television markup

447

00:20:32,730 --> 00:20:29,770

language and created a lot of

448

00:20:35,640 --> 00:20:32,740

applications and was nominated for a

449

00:20:37,970 --> 00:20:35,650

prime-time interactive media a me back

450

00:20:40,740 --> 00:20:37,980

in 2010 for some of the work that I did

451
00:20:43,650 --> 00:20:40,750
so here in Silicon Valley I was

452
00:20:46,170 --> 00:20:43,660
constantly you know making the trek from

453
00:20:48,930 --> 00:20:46,180
Northern California to Southern

454
00:20:51,570 --> 00:20:48,940
California and bringing them the latest

455
00:20:54,360 --> 00:20:51,580
tech that they could use because as we

456
00:20:57,149 --> 00:20:54,370
all know Hollywood is changing and the

457
00:20:59,639 --> 00:20:57,159
way you know the broadcast

458
00:21:02,310 --> 00:20:59,649
people aren't plugged in as they used to

459
00:21:04,950 --> 00:21:02,320
be now everybody streams things and

460
00:21:07,649 --> 00:21:04,960
watches TV through their computer they

461
00:21:10,560 --> 00:21:07,659
call us cord cutters and places like

462
00:21:13,379 --> 00:21:10,570
Comcast are not big fans of cord cutters

463
00:21:15,839 --> 00:21:13,389

but the new generation that's that's how

464

00:21:20,369 --> 00:21:15,849

a lot of us actually get our information

465

00:21:21,839 --> 00:21:20,379

and our television so you know while I

466

00:21:23,849 --> 00:21:21,849

was doing this and while I've been

467

00:21:25,680 --> 00:21:23,859

working on all these different projects

468

00:21:29,399 --> 00:21:25,690

and social media projects and video

469

00:21:33,509 --> 00:21:29,409

projects I while I code all day and

470

00:21:37,139 --> 00:21:33,519

while I work all day long I listen to

471

00:21:39,210 --> 00:21:37,149

old art bell podcasts and that led me to

472

00:21:41,430 --> 00:21:39,220

new podcasts that are out there you can

473

00:21:43,619 --> 00:21:41,440

only get so much of the old before you

474

00:21:46,440 --> 00:21:43,629

need to know what's new and what's

475

00:21:49,379 --> 00:21:46,450

happening and what's going on so I

476
00:21:53,789 --> 00:21:49,389
started listening to things like you

477
00:21:55,499 --> 00:21:53,799
know dark matter radio network at a lot

478
00:21:57,479 --> 00:21:55,509
of other different podcasts a lot of

479
00:22:00,210 --> 00:21:57,489
other different paranormal podcasts and

480
00:22:02,729 --> 00:22:00,220
something that I heard all the time was

481
00:22:05,339 --> 00:22:02,739
that people needed funding they needed

482
00:22:11,099 --> 00:22:05,349
funding for the project to test you know

483
00:22:14,519 --> 00:22:11,109
Bigfoot DNA or to test DNA from

484
00:22:18,299 --> 00:22:14,529
potential extraterrestrial DNA and so

485
00:22:20,369 --> 00:22:18,309
out of this I started thinking about you

486
00:22:23,149 --> 00:22:20,379
know places like Kickstarter that are

487
00:22:26,430 --> 00:22:23,159
out there and what crowdfunding is is

488
00:22:29,159 --> 00:22:26,440

where you have a project and you put it

489

00:22:31,139 --> 00:22:29,169

online and you say hey I need ten

490

00:22:33,419 --> 00:22:31,149

thousand dollars I need five thousand

491

00:22:35,489 --> 00:22:33,429

dollars in order to get this project up

492

00:22:39,089 --> 00:22:35,499

and running that project could be a book

493

00:22:42,119 --> 00:22:39,099

it could be a documentary it can be all

494

00:22:45,060 --> 00:22:42,129

sorts of things but what happens is that

495

00:22:47,430 --> 00:22:45,070

if you're really into UFOs and trying to

496

00:22:49,499 --> 00:22:47,440

create a UFO documentary and you put it

497

00:22:52,649 --> 00:22:49,509

on a place like one of these bigger

498

00:22:54,659 --> 00:22:52,659

sites it gets lost in the shuffle there

499

00:22:56,729 --> 00:22:54,669

are so many projects that are on these

500

00:22:59,339 --> 00:22:56,739

sites and a lot of the people that are

501
00:23:03,469 --> 00:22:59,349
going to some of those bigger crowd

502
00:23:08,009 --> 00:23:03,479
funding sites aren't really looking for

503
00:23:09,989 --> 00:23:08,019
you know paranormal projects and if they

504
00:23:10,920 --> 00:23:09,999
are looking for them they're very

505
00:23:14,010 --> 00:23:10,930
difficult

506
00:23:17,790 --> 00:23:14,020
find so what I started doing was

507
00:23:21,410 --> 00:23:17,800
thinking about this idea of crowdfunding

508
00:23:23,970 --> 00:23:21,420
and creating a specific niche

509
00:23:26,700 --> 00:23:23,980
specifically for the paranormal so

510
00:23:29,490 --> 00:23:26,710
people could get that type of money that

511
00:23:32,430 --> 00:23:29,500
they need for research for documentaries

512
00:23:35,280 --> 00:23:32,440
for the conspiracy theories for to

513
00:23:37,140 --> 00:23:35,290

ufology you know anything that has to do

514

00:23:40,800 --> 00:23:37,150

with the paranormal they can put their

515

00:23:44,370 --> 00:23:40,810

project there it's a safe place and and

516

00:23:46,910 --> 00:23:44,380

also for other people that do podcasts

517

00:23:50,100 --> 00:23:46,920

you know they could get their news from

518

00:23:52,020 --> 00:23:50,110

truth funders and see what some of the

519

00:23:53,730 --> 00:23:52,030

latest projects that people out there in

520

00:23:57,180 --> 00:23:53,740

the world are actually creating and

521

00:23:59,430 --> 00:23:57,190

doing in order to seek the truth and so

522

00:24:02,220 --> 00:23:59,440

that was the beginning and the

523

00:24:05,700 --> 00:24:02,230

conceptualization for for truth funders

524

00:24:07,680 --> 00:24:05,710

and how is it going so far well we

525

00:24:10,530 --> 00:24:07,690

launched about a week and a half or two

526

00:24:13,050 --> 00:24:10,540

weeks ago we did our initial launch and

527

00:24:14,970 --> 00:24:13,060

so we just have a couple of projects on

528

00:24:18,360 --> 00:24:14,980

right now we have about six projects

529

00:24:20,450 --> 00:24:18,370

that are up we have 20 projects in our

530

00:24:23,160 --> 00:24:20,460

arsenal and we are releasing them slowly

531

00:24:25,800 --> 00:24:23,170

sort of every day or two there's a new

532

00:24:28,680 --> 00:24:25,810

project that shows up on the site and

533

00:24:31,380 --> 00:24:28,690

you know it's it's a word of mouth we

534

00:24:34,440 --> 00:24:31,390

actually we've sponsored Jimmy church's

535

00:24:37,890 --> 00:24:34,450

showed fade to black so that's helped to

536

00:24:41,100 --> 00:24:37,900

you know open open the doors to let

537

00:24:42,840 --> 00:24:41,110

people know that we're out there and not

538

00:24:45,420 --> 00:24:42,850

only that but through social media we

539

00:24:47,670 --> 00:24:45,430

have a lot of the so our team is is

540

00:24:49,800 --> 00:24:47,680

there's eight of us there's four of us

541

00:24:52,470 --> 00:24:49,810

based here in the United States and then

542

00:24:54,600 --> 00:24:52,480

there's four of us in the UK working you

543

00:24:58,170 --> 00:24:54,610

know the night shift where we can't stay

544

00:25:00,690 --> 00:24:58,180

up all night working here in California

545

00:25:06,300 --> 00:25:00,700

so the late shift goes to the people

546

00:25:09,060 --> 00:25:06,310

over in the UK and so it's it's going

547

00:25:11,820 --> 00:25:09,070

it's going slowly we've actually we've

548

00:25:14,700 --> 00:25:11,830

actually had an enormous amount of

549

00:25:16,590 --> 00:25:14,710

traffic to the site so that we've had is

550

00:25:19,050 --> 00:25:16,600

in the in the two weeks that we've been

551
00:25:21,180 --> 00:25:19,060
open we've had about 4,000 people visit

552
00:25:24,630 --> 00:25:21,190
the site which is fantastic I mean

553
00:25:24,899 --> 00:25:24,640
that's great but as far as donations and

554
00:25:27,479 --> 00:25:24,909
people

555
00:25:30,180 --> 00:25:27,489
donating to projects that's been a

556
00:25:33,029 --> 00:25:30,190
little bit but just to be honest that's

557
00:25:35,159 --> 00:25:33,039
been a little bit slower and I think

558
00:25:37,680 --> 00:25:35,169
people need to begin to trust it and

559
00:25:39,869 --> 00:25:37,690
need to begin to understand it you know

560
00:25:42,089 --> 00:25:39,879
what's out there and also I think that

561
00:25:44,339 --> 00:25:42,099
once we have several hundred projects on

562
00:25:47,339 --> 00:25:44,349
the site that's going to change because

563
00:25:50,219 --> 00:25:47,349

people can look and search on truth

564

00:25:52,229 --> 00:25:50,229

funders through a you know a lot of

565

00:25:54,509 --> 00:25:52,239

these other crowdfunding platforms you

566

00:25:57,419 --> 00:25:54,519

look for movies and you click on movie

567

00:25:58,919 --> 00:25:57,429

and then there's hundreds of thousands

568

00:26:02,249 --> 00:25:58,929

of different projects of movies that

569

00:26:06,239 --> 00:26:02,259

people are trying to have people donate

570

00:26:09,810 --> 00:26:06,249

to whereas on our site you can click on

571

00:26:13,200 --> 00:26:09,820

Bigfoot or UFO or alien abduction and

572

00:26:17,310 --> 00:26:13,210

then it's not so much bye-bye movie but

573

00:26:20,249 --> 00:26:17,320

it's by category so you know if there's

574

00:26:22,950 --> 00:26:20,259

someone creating trying to fund a book

575

00:26:25,950 --> 00:26:22,960

on alien abduction they would find it

576

00:26:27,779 --> 00:26:25,960

under the category of alien abduction

577

00:26:29,999 --> 00:26:27,789

they could also find movies that are

578

00:26:34,289 --> 00:26:30,009

there so it's more in tune to the search

579

00:26:37,680 --> 00:26:34,299

of what people like in in this specific

580

00:26:41,759 --> 00:26:37,690

genre uh-huh now how we got together was

581

00:26:45,149 --> 00:26:41,769

Richard cutting us from Milgram in the

582

00:26:46,710 --> 00:26:45,159

fast walkers he and he said he had

583

00:26:50,580 --> 00:26:46,720

conversations you thought you'd make a

584

00:26:53,249 --> 00:26:50,590

good guest he's a great guy I always

585

00:26:54,749 --> 00:26:53,259

enjoy talking him now I'm going to ask

586

00:26:58,950 --> 00:26:54,759

you first of all you and I had a

587

00:27:00,659 --> 00:26:58,960

conversation yesterday and I was you

588

00:27:02,759 --> 00:27:00,669

know I was out in your town which i

589

00:27:05,639 --> 00:27:02,769

think is pretty ironic the very town you

590

00:27:08,789 --> 00:27:05,649

live in San Rafael California I live

591

00:27:10,320 --> 00:27:08,799

there you know and you know exactly when

592

00:27:13,019 --> 00:27:10,330

I told you where i lived where i lived

593

00:27:14,909 --> 00:27:13,029

in these different places and nice and

594

00:27:17,549 --> 00:27:14,919

warm out the it's freezing back here but

595

00:27:21,269 --> 00:27:17,559

i want to ask you what started you on

596

00:27:23,849 --> 00:27:21,279

this path the interest of of the

597

00:27:25,349 --> 00:27:23,859

paranormal in general and and UFOs have

598

00:27:30,389 --> 00:27:25,359

you can touch on that topic as well

599

00:27:32,519 --> 00:27:30,399

absolutely well so my dad is a geologist

600

00:27:35,609 --> 00:27:32,529

he works for the United States

601
00:27:37,919 --> 00:27:35,619
Geological Survey and so science has

602
00:27:38,549 --> 00:27:37,929
been something that has really been very

603
00:27:40,799 --> 00:27:38,559
big

604
00:27:45,090 --> 00:27:40,809
my family and my life you know since i

605
00:27:48,529 --> 00:27:45,100
was a child i became my dad's a big

606
00:27:52,139 --> 00:27:48,539
sci-fi fan I became obsessed with aliens

607
00:27:54,779 --> 00:27:52,149
when I was I don't know seven or eight

608
00:27:57,210 --> 00:27:54,789
years old there there was an original

609
00:27:58,889 --> 00:27:57,220
Time Life series books and I don't know

610
00:28:00,360 --> 00:27:58,899
if you remember these books but they

611
00:28:03,570 --> 00:28:00,370
would have this commercial and it would

612
00:28:05,909 --> 00:28:03,580
say three men were lost in in the middle

613
00:28:08,730 --> 00:28:05,919

of the forest one of them suddenly

614

00:28:11,489 --> 00:28:08,740

started floating into the sky towards a

615

00:28:13,350 --> 00:28:11,499

spaceship like what happened find out in

616

00:28:15,509 --> 00:28:13,360

the time-life mysteries of the unknown

617

00:28:18,989 --> 00:28:15,519

and this was something that just

618

00:28:21,109 --> 00:28:18,999

captured me I had my parents I begged

619

00:28:24,779 --> 00:28:21,119

them to order these books for me I

620

00:28:27,359 --> 00:28:24,789

started just there's always been a

621

00:28:29,759 --> 00:28:27,369

connection and I'm not exactly sure what

622

00:28:32,759 --> 00:28:29,769

that connection is but I'm finding out

623

00:28:35,070 --> 00:28:32,769

more and more as i get older what that

624

00:28:38,090 --> 00:28:35,080

connection is and i don't know if i

625

00:28:41,070 --> 00:28:38,100

should necessarily go into it right now

626

00:28:46,139 --> 00:28:41,080

on the podcast but i've had some

627

00:28:47,820 --> 00:28:46,149

experiences back in 2007 I was actually

628

00:28:51,830 --> 00:28:47,830

in downtown Walnut Creek California

629

00:28:55,350 --> 00:28:51,840

which is is you know close to san rafael

630

00:28:58,710 --> 00:28:55,360

and i was getting out of my car going to

631

00:29:01,409 --> 00:28:58,720

kinkos just to fax some some papers and

632

00:29:03,840 --> 00:29:01,419

make some copies for the the business

633

00:29:05,879 --> 00:29:03,850

that i was working at then and literally

634

00:29:09,060 --> 00:29:05,889

got out of my car looked up into the sky

635

00:29:12,440 --> 00:29:09,070

and i had my first UFO sighting in the

636

00:29:14,909 --> 00:29:12,450

middle of the day and i was just

637

00:29:17,100 --> 00:29:14,919

astonished it was right before the

638

00:29:19,470 --> 00:29:17,110

iphone came out so you couldn't take

639

00:29:21,629 --> 00:29:19,480

pictures I had a flip phone I couldn't

640

00:29:24,450 --> 00:29:21,639

could you know it wasn't worth it you

641

00:29:26,869 --> 00:29:24,460

know in my mind it was like just look at

642

00:29:29,369 --> 00:29:26,879

this stare at this enjoy this experience

643

00:29:30,570 --> 00:29:29,379

don't try to capture it on your phone

644

00:29:33,359 --> 00:29:30,580

because you're not going to get that

645

00:29:36,869 --> 00:29:33,369

picture but that was something that

646

00:29:39,570 --> 00:29:36,879

really just I mean made me a believer

647

00:29:42,060 --> 00:29:39,580

and then from that moment on I started

648

00:29:45,509 --> 00:29:42,070

have dry started to have dreams and the

649

00:29:47,970 --> 00:29:45,519

dreams just kept coming and I have these

650

00:29:50,330 --> 00:29:47,980

dreams when I was a child as well there

651
00:29:52,040 --> 00:29:50,340
were these dreams that continued

652
00:29:56,240 --> 00:29:52,050
continuation dreams

653
00:29:58,790 --> 00:29:56,250
when I was fighting a war and I was in a

654
00:30:02,240 --> 00:29:58,800
war and I was helping people it was an

655
00:30:04,370 --> 00:30:02,250
interplanetary war and without saying

656
00:30:06,470 --> 00:30:04,380
all this stuff to make me sound you know

657
00:30:10,610 --> 00:30:06,480
totally bizarre and and saying these

658
00:30:14,560 --> 00:30:10,620
were these dreams that continued to to

659
00:30:17,840 --> 00:30:14,570
grow and move forward as as I got older

660
00:30:20,570 --> 00:30:17,850
in fact I was spending the night at this

661
00:30:22,760 --> 00:30:20,580
girls house for the first time ever it

662
00:30:25,880 --> 00:30:22,770
was like the first night at spending her

663
00:30:27,560 --> 00:30:25,890

house she had three roommates and in it

664

00:30:30,110 --> 00:30:27,570

just happened to be the night that I was

665

00:30:32,930 --> 00:30:30,120

sleeping there I had this dream where

666

00:30:35,360 --> 00:30:32,940

forever the UFO was chasing me yeah in

667

00:30:38,240 --> 00:30:35,370

all the previous dreams I had but in

668

00:30:42,080 --> 00:30:38,250

this particular dream the UFO came and

669

00:30:44,540 --> 00:30:42,090

and you know the light beam came down

670

00:30:48,350 --> 00:30:44,550

from the UFO and suck me up and I

671

00:30:50,930 --> 00:30:48,360

screamed I I stood out of bed and I just

672

00:30:54,110 --> 00:30:50,940

stood there screaming aah at the top of

673

00:30:56,600 --> 00:30:54,120

my lungs and i frightened this this poor

674

00:30:59,090 --> 00:30:56,610

girl doesn't that you know you know she

675

00:31:01,070 --> 00:30:59,100

had invited me to spend the night she's

676
00:31:04,340 --> 00:31:01,080
like what what and her roommates come

677
00:31:06,980 --> 00:31:04,350
running in and it was just it was it was

678
00:31:09,680 --> 00:31:06,990
laughable I guess the moment but I was

679
00:31:11,690 --> 00:31:09,690
dripping in sweat and I've had these

680
00:31:15,650 --> 00:31:11,700
experiences and they've been a part of

681
00:31:18,740 --> 00:31:15,660
me for my life and so this is something

682
00:31:20,540 --> 00:31:18,750
that I felt that I want to give back to

683
00:31:22,940 --> 00:31:20,550
the community I really feel that truth

684
00:31:25,280 --> 00:31:22,950
funders is a way to give back to the

685
00:31:29,720 --> 00:31:25,290
community and for our community to have

686
00:31:31,970 --> 00:31:29,730
a place to you know safely put our

687
00:31:35,120 --> 00:31:31,980
projects there without them being mocked

688
00:31:38,060 --> 00:31:35,130

by the rest of the world or shunned by

689

00:31:40,040 --> 00:31:38,070

you know some of the bigger crowdfunding

690

00:31:45,350 --> 00:31:40,050

platforms and to actually have a place

691

00:31:47,600 --> 00:31:45,360

for us to to trust and and and to you

692

00:31:50,060 --> 00:31:47,610

know and to for the believers to help

693

00:31:51,980 --> 00:31:50,070

fund the people believing and actually

694

00:31:54,320 --> 00:31:51,990

getting off their butts and doing

695

00:31:55,790 --> 00:31:54,330

something and creating a project and and

696

00:31:58,340 --> 00:31:55,800

trying to do something good and

697

00:32:02,180 --> 00:31:58,350

different in this world well yeah that's

698

00:32:04,220 --> 00:32:02,190

very good so we're ready to connect with

699

00:32:05,660 --> 00:32:04,230

Jonas but I just want to ask you how

700

00:32:11,030 --> 00:32:05,670

that relationship too

701
00:32:13,370 --> 00:32:11,040
out it didn't um sure shortly thereafter

702
00:32:16,730 --> 00:32:13,380
I didn't have anything to do with that

703
00:32:18,920 --> 00:32:16,740
particular you know instance but I'm

704
00:32:23,450 --> 00:32:18,930
happy I'm happily engaged now to a

705
00:32:26,030 --> 00:32:23,460
wonderful woman and she has she has

706
00:32:28,810 --> 00:32:26,040
stood by me while I've gone on this

707
00:32:31,970 --> 00:32:28,820
venture of creating truth funders and

708
00:32:33,380 --> 00:32:31,980
it's it's been you know she's been she's

709
00:32:36,110 --> 00:32:33,390
been right there with me the whole time

710
00:32:39,410 --> 00:32:36,120
in fact she was the one who came up with

711
00:32:41,810 --> 00:32:39,420
the name truth funders after my business

712
00:32:46,010 --> 00:32:41,820
partner and i were trying to tackle a

713
00:32:48,710 --> 00:32:46,020

proper name for so long so so you know

714

00:32:51,110 --> 00:32:48,720

when you have someone there who doesn't

715

00:32:53,240 --> 00:32:51,120

quite necessarily understand but

716

00:32:55,850 --> 00:32:53,250

supports that's a that's a beautiful

717

00:33:02,300 --> 00:32:55,860

thing it really is okay lets up let's

718

00:33:04,010 --> 00:33:02,310

give jonas a try alrighty yeah go ahead

719

00:33:06,800 --> 00:33:04,020

just real quickly i heard just a slight

720

00:33:09,140 --> 00:33:06,810

bit of feedback just a second i do you

721

00:33:11,540 --> 00:33:09,150

have ear ear plugs in I mean your your

722

00:33:14,690 --> 00:33:11,550

phones in I do yes okay all right very

723

00:33:17,180 --> 00:33:14,700

good Jonas are you there yes sir I am

724

00:33:18,620 --> 00:33:17,190

how are you tonight very good and Jonas

725

00:33:20,600 --> 00:33:18,630

can you pronounce your last name because

726

00:33:23,240 --> 00:33:20,610

I think I kind of butchered it you did

727

00:33:25,820 --> 00:33:23,250

not you nailed it cachaca is my last

728

00:33:29,450 --> 00:33:25,830

name excellent job okay very good and

729

00:33:31,940 --> 00:33:29,460

you're you're in New York I am long I'm

730

00:33:33,680 --> 00:33:31,950

in New York all right so you're on it's

731

00:33:36,560 --> 00:33:33,690

you're an eastern standard time and

732

00:33:41,870 --> 00:33:36,570

let's uh let's talk about I like I love

733

00:33:44,570 --> 00:33:41,880

the title of your book OMG UFOs so so

734

00:33:47,420 --> 00:33:44,580

let's let's talk about your book and how

735

00:33:49,280 --> 00:33:47,430

this relates to the truth unders well

736

00:33:51,830 --> 00:33:49,290

thank you so much and I just want to say

737

00:33:54,260 --> 00:33:51,840

it's a pleasure for for you having me on

738

00:33:56,360 --> 00:33:54,270

I'm very excited to be here and I'd also

739

00:33:58,370 --> 00:33:56,370

like to thank Mark for acting is my

740

00:34:00,590 --> 00:33:58,380

benefactor with this project it's

741

00:34:02,690 --> 00:34:00,600

incredibly difficult to gain momentum

742

00:34:04,310 --> 00:34:02,700

with something like this and you know

743

00:34:07,640 --> 00:34:04,320

whether or not the the gum chewing

744

00:34:10,610 --> 00:34:07,650

public likes it ufology is becoming more

745

00:34:12,800 --> 00:34:10,620

and more of an established science and

746

00:34:16,430 --> 00:34:12,810

it's slowly penetrating the mainstream

747

00:34:18,790 --> 00:34:16,440

media and as we look across the spectrum

748

00:34:20,770 --> 00:34:18,800

that that transcends

749

00:34:22,900 --> 00:34:20,780

that's available for young adults today

750

00:34:24,730 --> 00:34:22,910

and by young adults I mean anywhere from

751
00:34:27,130 --> 00:34:24,740
10 years old all the way up to 18 years

752
00:34:29,530 --> 00:34:27,140
old obviously depending upon a maturity

753
00:34:32,410 --> 00:34:29,540
level what's out there for them in terms

754
00:34:36,060 --> 00:34:32,420
of ufology of course we have shows like

755
00:34:39,910 --> 00:34:36,070
ancient aliens and h2 i think has been

756
00:34:43,660 --> 00:34:39,920
instrumental in our cause and as much as

757
00:34:47,820 --> 00:34:43,670
it exposes it exposes the public to you

758
00:34:50,770 --> 00:34:47,830
follow g but in a very shallow sense and

759
00:34:53,140 --> 00:34:50,780
when they went to young adults want to

760
00:34:56,110 --> 00:34:53,150
go beyond the television and really go

761
00:34:57,910 --> 00:34:56,120
in depth there's not much out there for

762
00:35:00,460 --> 00:34:57,920
them there there are books that are that

763
00:35:03,610 --> 00:35:00,470

are very deep and probably wouldn't hold

764

00:35:05,980 --> 00:35:03,620

the attention span of most at elks that

765

00:35:08,980 --> 00:35:05,990

I know to be honest with you let alone a

766

00:35:11,950 --> 00:35:08,990

young adult so we need something that

767

00:35:15,520 --> 00:35:11,960

closes that gap we need something that

768

00:35:17,350 --> 00:35:15,530

goes between ancient aliens and perhaps

769

00:35:19,570 --> 00:35:17,360

a video game that they would be sitting

770

00:35:21,670 --> 00:35:19,580

in front of four hours or maybe a comic

771

00:35:23,500 --> 00:35:21,680

book that's going to entertain them for

772

00:35:25,540 --> 00:35:23,510

10 minutes it's we need something that's

773

00:35:28,180 --> 00:35:25,550

going to grab hold of them and teach

774

00:35:30,190 --> 00:35:28,190

them that this is not something that

775

00:35:32,980 --> 00:35:30,200

should be should be frowned upon this is

776

00:35:36,880 --> 00:35:32,990

not thing that should be looked as as

777

00:35:38,620 --> 00:35:36,890

passe or the rollaway topic you know

778

00:35:42,880 --> 00:35:38,630

listening to mark talked earlier about

779

00:35:44,890 --> 00:35:42,890

the experience he had with a UFO and

780

00:35:46,630 --> 00:35:44,900

before he told his story which was an

781

00:35:50,230 --> 00:35:46,640

excellent story mark if I don't say so

782

00:35:53,170 --> 00:35:50,240

myself he said I don't want to sound

783

00:35:55,870 --> 00:35:53,180

like a crazy person there's something to

784

00:35:59,110 --> 00:35:55,880

that extent and you know what you don't

785

00:36:01,330 --> 00:35:59,120

you don't to me you don't too many other

786

00:36:04,150 --> 00:36:01,340

people who support what you're doing and

787

00:36:07,660 --> 00:36:04,160

and support this millage in of ufology

788

00:36:13,570 --> 00:36:07,670

and the paranormal it's not a crazy

789

00:36:16,060 --> 00:36:13,580

topic and I think that for years the

790

00:36:20,170 --> 00:36:16,070

mainstream media has hasn't been

791

00:36:23,020 --> 00:36:20,180

instilling upon the public that notion

792

00:36:25,780 --> 00:36:23,030

that notion that you follow G is crazy

793

00:36:27,550 --> 00:36:25,790

and now we're slowly starting to make

794

00:36:31,000 --> 00:36:27,560

headway there and it's slowly starting

795

00:36:31,880 --> 00:36:31,010

to open up to a broader audience if you

796

00:36:35,930 --> 00:36:31,890

will

797

00:36:39,470 --> 00:36:35,940

what OMG UFOs is looking to do is to

798

00:36:41,839 --> 00:36:39,480

expand that aims to not only adults who

799

00:36:43,819 --> 00:36:41,849

have this curiosity but young folks as

800

00:36:46,099 --> 00:36:43,829

well because they're going to be doing

801
00:36:50,839 --> 00:36:46,109
what the three of us are doing right now

802
00:36:53,960 --> 00:36:50,849
20 years from there right well I agree

803
00:36:57,829 --> 00:36:53,970
you know there's there seems to be a gap

804
00:37:00,410 --> 00:36:57,839
in in young people with a lot of things

805
00:37:02,509 --> 00:37:00,420
I think what's happened is there's so

806
00:37:06,019 --> 00:37:02,519
much technology flying at them every

807
00:37:08,930 --> 00:37:06,029
which way and so many as they say it's

808
00:37:12,529 --> 00:37:08,940
kind of a rude word but there's so many

809
00:37:15,589 --> 00:37:12,539
time sucks out there that people get

810
00:37:20,569 --> 00:37:15,599
involved in whether you know it's social

811
00:37:22,730 --> 00:37:20,579
media whether it's gadgets that and it's

812
00:37:25,609 --> 00:37:22,740
a disposable society and it's a society

813
00:37:28,339 --> 00:37:25,619

where you know the interest a lot of

814

00:37:31,039 --> 00:37:28,349

interests that people have don't go out

815

00:37:32,150 --> 00:37:31,049

the door so they just stay in door with

816

00:37:36,559 --> 00:37:32,160

everything that's right at their

817

00:37:39,380 --> 00:37:36,569

fingertips so yes I agree that you know

818

00:37:44,299 --> 00:37:39,390

things have to get passed down and the

819

00:37:47,269 --> 00:37:44,309

gaps filled and all that so how did you

820

00:37:48,920 --> 00:37:47,279

you get how did you two find each other

821

00:37:50,450 --> 00:37:48,930

how does you know I'm just I'm just

822

00:37:53,450 --> 00:37:50,460

curious how something like this get

823

00:37:57,349 --> 00:37:53,460

started how people network how does that

824

00:37:58,970 --> 00:37:57,359

all work well sure oh go ahead doughnuts

825

00:38:01,819 --> 00:37:58,980

go ahead we could talk about how we

826

00:38:04,519 --> 00:38:01,829

first interacted I think it's through

827

00:38:06,849 --> 00:38:04,529

those through those same sort of social

828

00:38:10,490 --> 00:38:06,859

media circles but but go ahead

829

00:38:12,980 --> 00:38:10,500

absolutely there's a there's a fanta

830

00:38:15,440 --> 00:38:12,990

show that follows yours Martin on Dark

831

00:38:18,349 --> 00:38:15,450

Matter radio network that's fade to

832

00:38:21,499 --> 00:38:18,359

black with Jimmy Sherrod ah and he's

833

00:38:25,730 --> 00:38:21,509

created a social media and Twitter known

834

00:38:28,039 --> 00:38:25,740

as the sandbox 22 its followers and I

835

00:38:31,609 --> 00:38:28,049

been working with Jimmy for a while now

836

00:38:33,140 --> 00:38:31,619

as a producer low-level helping book

837

00:38:36,920 --> 00:38:33,150

guests on the show and of course

838

00:38:39,140 --> 00:38:36,930

interacting in the sandbox and lo and

839

00:38:42,650 --> 00:38:39,150

behold one one night we were talking

840

00:38:45,500 --> 00:38:42,660

about truth funders and we're so excited

841

00:38:48,830 --> 00:38:45,510

there's I was working with fade to black

842

00:38:51,650 --> 00:38:48,840

and just as a throwaway comment dyad

843

00:38:53,150 --> 00:38:51,660

said hooray for truth funders they're

844

00:38:55,870 --> 00:38:53,160

going to be helping me publish my book

845

00:38:59,420 --> 00:38:55,880

next year they just don't know it yet

846

00:39:02,180 --> 00:38:59,430

but and you know more contacted me after

847

00:39:04,730 --> 00:39:02,190

that only said hey uh serious were you

848

00:39:07,100 --> 00:39:04,740

about that and the relationship sort

849

00:39:10,040 --> 00:39:07,110

blossomed from there once I got to learn

850

00:39:13,910 --> 00:39:10,050

what truth funders was really about how

851

00:39:16,190 --> 00:39:13,920

sincere marks intentions were well he

852

00:39:19,130 --> 00:39:16,200

had me he had me at hello as they say

853

00:39:22,910 --> 00:39:19,140

mm-hmm that's really really kind of you

854

00:39:25,910 --> 00:39:22,920

to say it's it's hard you know um and I

855

00:39:28,250 --> 00:39:25,920

believe and what I love about what Jonas

856

00:39:32,870 --> 00:39:28,260

is doing and specifically about his book

857

00:39:35,090 --> 00:39:32,880

is that I think that I look back to the

858

00:39:37,790 --> 00:39:35,100

time when I was six seven eight years

859

00:39:40,700 --> 00:39:37,800

old and obsessed with UFOs you know

860

00:39:43,220 --> 00:39:40,710

because I did wind up getting those

861

00:39:45,680 --> 00:39:43,230

time-life books but the next thing the

862

00:39:48,500 --> 00:39:45,690

next evolution for me was wit least

863

00:39:50,630 --> 00:39:48,510

rebours communion and so i went ahead

864

00:39:52,460 --> 00:39:50,640

and i bought that and i think i was in

865

00:39:55,630 --> 00:39:52,470

third grade and i started reading

866

00:39:58,700 --> 00:39:55,640

communion now you can imagine anybody

867

00:40:01,430 --> 00:39:58,710

looking at a nine year old or nine or

868

00:40:03,650 --> 00:40:01,440

ten year old reading this book with this

869

00:40:06,110 --> 00:40:03,660

alien on the cover and it was in

870

00:40:08,690 --> 00:40:06,120

in-depth book I don't think I understood

871

00:40:11,270 --> 00:40:08,700

half of what I was reading but I needed

872

00:40:15,670 --> 00:40:11,280

to know more and I needed to understand

873

00:40:18,500 --> 00:40:15,680

more and so I do think that there is

874

00:40:20,900 --> 00:40:18,510

youth that's out there that there are

875

00:40:23,000 --> 00:40:20,910

young people that really want to know

876

00:40:25,490 --> 00:40:23,010

more about this maybe they have had

877

00:40:27,350 --> 00:40:25,500

experiences in their life and so they're

878

00:40:29,000 --> 00:40:27,360

trying to figure out and and their

879

00:40:32,150 --> 00:40:29,010

brains are trying to figure out exactly

880

00:40:34,280 --> 00:40:32,160

what happened and connect the dots or

881

00:40:37,280 --> 00:40:34,290

maybe they're just really interested in

882

00:40:40,070 --> 00:40:37,290

it and it's not there there's not enough

883

00:40:43,100 --> 00:40:40,080

out there to connect them to it a lot of

884

00:40:45,260 --> 00:40:43,110

it is is the lower which I I mean I love

885

00:40:48,770 --> 00:40:45,270

this stuff as well but you know knowing

886

00:40:52,100 --> 00:40:48,780

about secret military bases and UFO

887

00:40:55,280 --> 00:40:52,110

flyovers that happen and getting down

888

00:40:56,030 --> 00:40:55,290

into the nitty-gritty that some of you

889

00:40:59,570 --> 00:40:56,040

know the stuff that we

890

00:41:03,410 --> 00:40:59,580

cover on a lot of podcasts has to offer

891

00:41:07,760 --> 00:41:03,420

that's great but for being you know 8 9

892

00:41:10,610 --> 00:41:07,770

10 11 12 13 14 15 sometimes that can be

893

00:41:13,160 --> 00:41:10,620

a little bit over the head or a little

894

00:41:16,160 --> 00:41:13,170

overwhelming and so to ease into that

895

00:41:18,230 --> 00:41:16,170

and to start understanding that there is

896

00:41:21,800 --> 00:41:18,240

there really is something happening

897

00:41:25,640 --> 00:41:21,810

there really is something that we can

898

00:41:27,470 --> 00:41:25,650

explain that's going on out there I mean

899

00:41:29,870 --> 00:41:27,480

I support that project one hundred

900

00:41:34,190 --> 00:41:29,880

percent and Jonas's project is actually

901
00:41:36,170 --> 00:41:34,200
one of the ones that's doing the best on

902
00:41:37,850 --> 00:41:36,180
the site so far and like I said we've

903
00:41:40,600 --> 00:41:37,860
only been out for a week and a half two

904
00:41:44,870 --> 00:41:40,610
weeks and we've had a ton of traffic but

905
00:41:47,120 --> 00:41:44,880
Jonas's is is really starting to to take

906
00:41:49,490 --> 00:41:47,130
off a little bit more and I think that

907
00:41:51,350 --> 00:41:49,500
once people trust the site and once we

908
00:41:54,470 --> 00:41:51,360
get a little bit more awareness to the

909
00:41:57,470 --> 00:41:54,480
site like you haven't you had rojas on

910
00:41:59,810 --> 00:41:57,480
the very beginning of your podcast man i

911
00:42:02,060 --> 00:41:59,820
would love for him to I would love to

912
00:42:03,920 --> 00:42:02,070
just connect with him and for had to

913
00:42:05,810 --> 00:42:03,930

have him explain what truth funders is

914

00:42:08,900 --> 00:42:05,820

trying to do because we want to do

915

00:42:10,790 --> 00:42:08,910

research there we want people to to pay

916

00:42:13,310 --> 00:42:10,800

for some of the research that's going on

917

00:42:17,840 --> 00:42:13,320

and crowd fund that to help open the

918

00:42:20,510 --> 00:42:17,850

doors to what is really going on in this

919

00:42:24,290 --> 00:42:20,520

community and in this world that that we

920

00:42:26,210 --> 00:42:24,300

can't explain and I'm one less thing i

921

00:42:28,460 --> 00:42:26,220

know i just talked for like 5 minutes

922

00:42:31,640 --> 00:42:28,470

right there but i do think that there is

923

00:42:34,480 --> 00:42:31,650

this youth that has been watching

924

00:42:39,400 --> 00:42:34,490

ancient aliens and that is really into

925

00:42:42,380 --> 00:42:39,410

alien culture and ufology culture and

926

00:42:45,350 --> 00:42:42,390

they just they're on twitter they're on

927

00:42:48,020 --> 00:42:45,360

facebook they are doing the social media

928

00:42:49,880 --> 00:42:48,030

and so hopefully that's what we're

929

00:42:52,610 --> 00:42:49,890

trying to do with truth funders to is

930

00:42:54,380 --> 00:42:52,620

reach out to people and reach out to

931

00:42:57,200 --> 00:42:54,390

people that want to do projects using

932

00:43:00,740 --> 00:42:57,210

social media and those tactics to try to

933

00:43:03,310 --> 00:43:00,750

get that younger generation involved and

934

00:43:07,760 --> 00:43:03,320

not just you know through word of mouth

935

00:43:09,880 --> 00:43:07,770

you know i have a google analytics on my

936

00:43:14,190 --> 00:43:09,890

site and it seems to

937

00:43:18,970 --> 00:43:14,200

me that there are you know the the

938

00:43:21,400 --> 00:43:18,980

percentages of 18 to 35 is absolutely

939

00:43:24,540 --> 00:43:21,410

three quarters of my listening audience

940

00:43:28,600 --> 00:43:24,550

or at least that visit the website and

941

00:43:33,250 --> 00:43:28,610

so there are young people involved in

942

00:43:34,960 --> 00:43:33,260

actually looking I do believe however it

943

00:43:37,870 --> 00:43:34,970

could be just because it's an internet

944

00:43:39,970 --> 00:43:37,880

thing a podcast easy to find all that

945

00:43:41,830 --> 00:43:39,980

because what is happening you know

946

00:43:45,400 --> 00:43:41,840

getting back to the younger people less

947

00:43:47,830 --> 00:43:45,410

involved is across the board every type

948

00:43:50,170 --> 00:43:47,840

of conference you can imagine whether

949

00:43:52,570 --> 00:43:50,180

it's in the field that I'm involved in

950

00:43:55,720 --> 00:43:52,580

for you know antiques or any type of

951
00:43:58,330 --> 00:43:55,730
collectibles right across the board the

952
00:44:00,790 --> 00:43:58,340
attendance the young attendance is is

953
00:44:02,640 --> 00:44:00,800
way down and mm-hmm you know I just

954
00:44:06,930 --> 00:44:02,650
think it's because everything is geared

955
00:44:11,260 --> 00:44:06,940
indoor and including this podcast and

956
00:44:14,550 --> 00:44:11,270
and and everything digital basically you

957
00:44:17,110 --> 00:44:14,560
hit it oh you hit it right on the head

958
00:44:20,740 --> 00:44:17,120
you know when I went to my first MUFON

959
00:44:22,150 --> 00:44:20,750
meeting it was a year ago and when I

960
00:44:26,020 --> 00:44:22,160
went there I was the youngest person

961
00:44:28,330 --> 00:44:26,030
there I'm 30-34 years old and I was by

962
00:44:30,670 --> 00:44:28,340
far the youngest person at this MUFON

963
00:44:32,860 --> 00:44:30,680

meeting but I know that there's people

964

00:44:35,470 --> 00:44:32,870

my age I know there's people way younger

965

00:44:39,100 --> 00:44:35,480

who were super into this and if you type

966

00:44:41,950 --> 00:44:39,110

in podcast UFO I mean what great search

967

00:44:44,740 --> 00:44:41,960

terms are that right so people who are

968

00:44:47,290 --> 00:44:44,750

looking for it can can find it it's it's

969

00:44:49,120 --> 00:44:47,300

a way for them to to connect and that's

970

00:44:51,220 --> 00:44:49,130

I'm sure that's why you're seeing on

971

00:44:53,110 --> 00:44:51,230

your google analytics because those

972

00:44:55,870 --> 00:44:53,120

people are interested and they are there

973

00:44:58,450 --> 00:44:55,880

and they and and it's a great way your

974

00:45:01,990 --> 00:44:58,460

podcast and the way that you're able to

975

00:45:03,910 --> 00:45:02,000

have podcast UFO be your keywords those

976
00:45:06,970 --> 00:45:03,920
are just such beautiful wonderful

977
00:45:08,290 --> 00:45:06,980
magical keywords well as if I funny you

978
00:45:11,260 --> 00:45:08,300
say that you know a few people have

979
00:45:13,750 --> 00:45:11,270
teased me about that but that's 100% the

980
00:45:15,430 --> 00:45:13,760
reason will hi I chose the name I

981
00:45:18,730 --> 00:45:15,440
thought well I want to do a podcast on

982
00:45:21,490 --> 00:45:18,740
UFOs what is the simplest thing I can

983
00:45:23,530 --> 00:45:21,500
make it so people can find it but it is

984
00:45:25,570 --> 00:45:23,540
it is kind of a silly name but it

985
00:45:28,030 --> 00:45:25,580
only works as far as so much traffic

986
00:45:31,540 --> 00:45:28,040
that my website has been crashed twice

987
00:45:35,980 --> 00:45:31,550
in the last up six months and hopefully

988
00:45:37,840 --> 00:45:35,990

it won't happen again yeah and we can

989

00:45:40,420 --> 00:45:37,850

only hope but that's I mean that's a

990

00:45:43,240 --> 00:45:40,430

great sign and and you hit it on you

991

00:45:45,400 --> 00:45:43,250

know you really that's right on because

992

00:45:48,160 --> 00:45:45,410

in this new world in order to reach

993

00:45:50,140 --> 00:45:48,170

people people are plugged in and the

994

00:45:53,650 --> 00:45:50,150

youth is plugged in I mean I take a look

995

00:45:58,630 --> 00:45:53,660

at my five-year-old nephew and he has

996

00:46:01,330 --> 00:45:58,640

his designated amazon fire module that

997

00:46:02,890 --> 00:46:01,340

lets him play any game he wants but only

998

00:46:04,600 --> 00:46:02,900

lets him play it for an hour and a half

999

00:46:07,330 --> 00:46:04,610

before it cuts him off for the rest of

1000

00:46:09,190 --> 00:46:07,340

the day I mean people are plugged in if

1001
00:46:11,290 --> 00:46:09,200
you if you walk outside on the streets

1002
00:46:13,750 --> 00:46:11,300
when we were kids we'd be outside

1003
00:46:16,120 --> 00:46:13,760
playing Baseball or skateboarding or

1004
00:46:17,800 --> 00:46:16,130
doing doing these things and it's not

1005
00:46:20,140 --> 00:46:17,810
like you don't see that it's not like

1006
00:46:22,960 --> 00:46:20,150
it's not happening still but for the

1007
00:46:26,410 --> 00:46:22,970
most part I would say there's a much

1008
00:46:29,080 --> 00:46:26,420
much smaller majority of that of that

1009
00:46:31,270 --> 00:46:29,090
happening and what we're seeing is

1010
00:46:35,260 --> 00:46:31,280
people on the computers or playing video

1011
00:46:36,970 --> 00:46:35,270
games and and in doing that and those

1012
00:46:39,520 --> 00:46:36,980
are the people that we want to reach and

1013
00:46:41,440 --> 00:46:39,530

say like hey it's okay you know if you

1014

00:46:43,000 --> 00:46:41,450

have had an experience if you want to

1015

00:46:46,300 --> 00:46:43,010

write a book about it you could do that

1016

00:46:48,310 --> 00:46:46,310

on truth funders reach out to us if you

1017

00:46:51,550 --> 00:46:48,320

have a documentary that you want to

1018

00:46:53,020 --> 00:46:51,560

create reach out to us there's people

1019

00:46:55,090 --> 00:46:53,030

out there that you know they work their

1020

00:46:57,310 --> 00:46:55,100

day jobs they come home they're looking

1021

00:47:01,300 --> 00:46:57,320

for the next news or something to be a

1022

00:47:03,610 --> 00:47:01,310

part of they might not go to the the

1023

00:47:05,890 --> 00:47:03,620

conferences because conferences are

1024

00:47:08,830 --> 00:47:05,900

could be scary you don't know a lot of

1025

00:47:11,970 --> 00:47:08,840

people it is an older generation so if

1026

00:47:14,620 --> 00:47:11,980

we can get this younger generation

1027

00:47:16,750 --> 00:47:14,630

involves somehow and and maybe that is

1028

00:47:19,780 --> 00:47:16,760

going to a conference but if it's not

1029

00:47:22,510 --> 00:47:19,790

the next best thing is something like a

1030

00:47:26,410 --> 00:47:22,520

truth funders or a podcast UFO where

1031

00:47:29,680 --> 00:47:26,420

people can be involved and and and feel

1032

00:47:32,500 --> 00:47:29,690

free to do it in that way mmm no

1033

00:47:34,960 --> 00:47:32,510

gentleman I'm sorry yeah I just wanted

1034

00:47:36,320 --> 00:47:34,970

to add this briefly I'm a father of

1035

00:47:39,260 --> 00:47:36,330

three and

1036

00:47:42,620 --> 00:47:39,270

well my oldest my 17 year old daughter

1037

00:47:44,720 --> 00:47:42,630

probably wouldn't notice a UFO unless it

1038

00:47:48,100 --> 00:47:44,730

landed on my house and Bruno Mars

1039

00:47:52,670 --> 00:47:48,110

stepped out of it my ten-year-old son

1040

00:47:54,890 --> 00:47:52,680

Julian is Incred fascinated with you

1041

00:47:57,920 --> 00:47:54,900

follow G you know he'll sit and watch

1042

00:47:59,630 --> 00:47:57,930

shows like ancient aliens with me he

1043

00:48:02,990 --> 00:47:59,640

tells me he discusses it with his

1044

00:48:05,690 --> 00:48:03,000

friends at school the other day he came

1045

00:48:09,050 --> 00:48:05,700

up to me it was such a proud moment he

1046

00:48:11,330 --> 00:48:09,060

said dad once cakes Berg and I said oh

1047

00:48:13,640 --> 00:48:11,340

my goodness and we SAT and had

1048

00:48:15,110 --> 00:48:13,650

accusation about cats lair we've bought

1049

00:48:16,520 --> 00:48:15,120

a telescope and we've got him going

1050

00:48:19,190 --> 00:48:16,530

outside and we look at the Stars

1051
00:48:21,650 --> 00:48:19,200
obviously not tonight at 17 degrees but

1052
00:48:22,970 --> 00:48:21,660
when it's a bit warmer outside you bet

1053
00:48:25,940 --> 00:48:22,980
we're out there we're looking at the

1054
00:48:31,520 --> 00:48:25,950
Stars just want to get involved with

1055
00:48:36,440 --> 00:48:31,530
this and I think maybe it was simply

1056
00:48:40,220 --> 00:48:36,450
maybe not but the exposure that UFOs

1057
00:48:43,130 --> 00:48:40,230
have gotten in mainstream media even if

1058
00:48:45,500 --> 00:48:43,140
it's in mediums like movies where it's

1059
00:48:48,470 --> 00:48:45,510
an Independence Day or it's a men in

1060
00:48:51,200 --> 00:48:48,480
black and there's a slightly comedic

1061
00:48:55,030 --> 00:48:51,210
twist to it still raising those

1062
00:48:59,510 --> 00:48:55,040
questions and a pop I think that it is

1063
00:49:01,280 --> 00:48:59,520

excuse me more or less intrinsic for us

1064

00:49:04,460 --> 00:49:01,290

as human beings to have a relationship

1065

00:49:07,550 --> 00:49:04,470

with the sky to look up and say what's

1066

00:49:10,040 --> 00:49:07,560

up there what am I doing here now

1067

00:49:12,770 --> 00:49:10,050

perhaps I was a strange child well I

1068

00:49:15,290 --> 00:49:12,780

know I was a strange child but I asked

1069

00:49:17,300 --> 00:49:15,300

question I know that there were other

1070

00:49:19,940 --> 00:49:17,310

children that asked that question and I

1071

00:49:22,100 --> 00:49:19,950

think that that relationship the Stars

1072

00:49:25,070 --> 00:49:22,110

was severed whether it was set on

1073

00:49:28,580 --> 00:49:25,080

purpose or not I can't attest to that

1074

00:49:31,640 --> 00:49:28,590

but i will say that there's some time

1075

00:49:33,740 --> 00:49:31,650

ago probably within the 1900s and it i

1076

00:49:36,550 --> 00:49:33,750

do think Martin that what you say about

1077

00:49:40,070 --> 00:49:36,560

technology is spot on accurate our

1078

00:49:42,770 --> 00:49:40,080

connection to the heavens has been

1079

00:49:46,730 --> 00:49:42,780

interrupted it's been terminated to a

1080

00:49:49,309 --> 00:49:46,740

certain degree and it it shows like like

1081

00:49:50,989 --> 00:49:49,319

podcast UFO it's organizations

1082

00:49:54,829 --> 00:49:50,999

truth funders that are gonna they're

1083

00:49:57,920 --> 00:49:54,839

going to get that connection reunited so

1084

00:50:00,650 --> 00:49:57,930

that again the generation of tomorrow

1085

00:50:04,069 --> 00:50:00,660

won't struggle the way that we struggle

1086

00:50:06,739 --> 00:50:04,079

when it comes to spread delves on topics

1087

00:50:08,329 --> 00:50:06,749

like ufology like oh it doesn't matter

1088

00:50:10,849 --> 00:50:08,339

whether we're talking about Bigfoot or

1089

00:50:12,880 --> 00:50:10,859

we're talking about greys there's a

1090

00:50:15,890 --> 00:50:12,890

certain stigma that's attached to us

1091

00:50:19,279 --> 00:50:15,900

whereas people are ready to jump out and

1092

00:50:20,359 --> 00:50:19,289

scream 2 foot putts tin foil hats we're

1093

00:50:22,640 --> 00:50:20,369

nuts there's there's something wrong

1094

00:50:25,370 --> 00:50:22,650

with us because it needed with this no

1095

00:50:28,849 --> 00:50:25,380

there's nothing wrong with us this is as

1096

00:50:31,930 --> 00:50:28,859

natural as trees in a meadow or fish

1097

00:50:34,189 --> 00:50:31,940

swimming in a brook there are

1098

00:50:36,079 --> 00:50:34,199

extraterrestrials I have no problem

1099

00:50:38,689 --> 00:50:36,089

saying that and I think that anybody who

1100

00:50:41,799 --> 00:50:38,699

can't acknowledge the fact that there

1101
00:50:44,269 --> 00:50:41,809
has to be something beyond this planet

1102
00:50:46,370 --> 00:50:44,279
has serious issues either that have

1103
00:50:50,569 --> 00:50:46,380
they've been brain won't know but I

1104
00:50:52,009 --> 00:50:50,579
really hope that that again my book in

1105
00:50:53,749 --> 00:50:52,019
my project as well as some of the other

1106
00:50:57,829 --> 00:50:53,759
projects that are on truth funders they

1107
00:51:02,029 --> 00:50:57,839
can they can really help expose what it

1108
00:51:05,150 --> 00:51:02,039
is that is a passion of us to that that

1109
00:51:08,329 --> 00:51:05,160
much more of us of the population even

1110
00:51:11,660 --> 00:51:08,339
if we get one more person hey we grow

1111
00:51:13,189 --> 00:51:11,670
that much stronger yeah hey just to let

1112
00:51:15,049 --> 00:51:13,199
you know there's there's some type of

1113
00:51:17,779 --> 00:51:15,059

signal issue you've been cutting in and

1114

00:51:20,269 --> 00:51:17,789

out a little bit and I don't know if if

1115

00:51:23,120 --> 00:51:20,279

there's a Wi-Fi issue or something like

1116

00:51:27,430 --> 00:51:23,130

that there I just want to let you know

1117

00:51:29,599 --> 00:51:27,440

that and so Jonas before you head out

1118

00:51:35,049 --> 00:51:29,609

you're going to be on just a few more

1119

00:51:37,759 --> 00:51:35,059

minutes let's see what what started you

1120

00:51:39,650 --> 00:51:37,769

down the path of the interest in this

1121

00:51:42,170 --> 00:51:39,660

and have you written have you written

1122

00:51:44,209 --> 00:51:42,180

books or any type of book before or is

1123

00:51:46,489 --> 00:51:44,219

just the first one this will be my first

1124

00:51:48,289 --> 00:51:46,499

book I have a bunch of projects that are

1125

00:51:50,809 --> 00:51:48,299

on hold at the moment because of this

1126

00:51:54,499 --> 00:51:50,819

one I've written blog posts here and

1127

00:51:57,890 --> 00:51:54,509

there it's always been something that I

1128

00:51:59,809 --> 00:51:57,900

wanted to do but I have to say as Mark

1129

00:52:02,870 --> 00:51:59,819

said earlier and hoping that the

1130

00:52:07,700 --> 00:52:02,880

connection is better now I did not know

1131

00:52:09,289 --> 00:52:07,710

how to to be guessed that it is I didn't

1132

00:52:11,749 --> 00:52:09,299

think it was possible in terms of

1133

00:52:14,660 --> 00:52:11,759

funding and what truth thunders has done

1134

00:52:17,420 --> 00:52:14,670

for me personally it is giving me an

1135

00:52:19,519 --> 00:52:17,430

opportunity down and write this book and

1136

00:52:22,509 --> 00:52:19,529

and get it out there to people so I

1137

00:52:25,309 --> 00:52:22,519

could get some sort of momentum because

1138

00:52:27,890 --> 00:52:25,319

without it I was lost I really didn't

1139

00:52:29,539 --> 00:52:27,900

know where to begin I had the idea i

1140

00:52:32,029 --> 00:52:29,549

know that i had other ideas and we've

1141

00:52:34,130 --> 00:52:32,039

spoken about those as well I just didn't

1142

00:52:37,370 --> 00:52:34,140

know how to begin it's it's a it's a

1143

00:52:39,680 --> 00:52:37,380

formidable task for somebody who doesn't

1144

00:52:42,079 --> 00:52:39,690

have exposure while I've written before

1145

00:52:44,930 --> 00:52:42,089

writing on this topic is is rather

1146

00:52:47,450 --> 00:52:44,940

unique you have you can't approach just

1147

00:52:50,240 --> 00:52:47,460

any part there with the topic like

1148

00:52:53,359 --> 00:52:50,250

ufology they're going to look at it with

1149

00:52:57,710 --> 00:52:53,369

a bit of a campaign you as I said

1150

00:53:02,059 --> 00:52:57,720

earlier yeah we have a bad signal on

1151

00:53:05,359 --> 00:53:02,069

your line as well so so i think i think

1152

00:53:07,490 --> 00:53:05,369

i'm going to say that will probably be

1153

00:53:10,160 --> 00:53:07,500

it for you do you have a website or

1154

00:53:12,380 --> 00:53:10,170

anything you want to get out there yeah

1155

00:53:15,499 --> 00:53:12,390

I'd like to I'd like anybody to go to

1156

00:53:18,079 --> 00:53:15,509

truth under scam and if you don't

1157

00:53:19,670 --> 00:53:18,089

support my project support any project

1158

00:53:22,160 --> 00:53:19,680

and tell your friends about it because

1159

00:53:23,299 --> 00:53:22,170

it's a great site Marta thank you so

1160

00:53:25,370 --> 00:53:23,309

much for having me on I really

1161

00:53:27,829 --> 00:53:25,380

appreciate the opportunity you're very

1162

00:53:29,960 --> 00:53:27,839

welcome Thank You Jonas appreciated

1163

00:53:32,019 --> 00:53:29,970

thanks for coming on you guys have a

1164

00:53:35,599 --> 00:53:32,029

great night thanks so much thank you eat

1165

00:53:39,859 --> 00:53:35,609

alright so let me just do something here

1166

00:53:44,720 --> 00:53:39,869

okay here we go and so we're back with

1167

00:53:47,420 --> 00:53:44,730

just you mark alright and that sounds

1168

00:53:50,390 --> 00:53:47,430

better the signals much better now and

1169

00:53:52,789 --> 00:53:50,400

yeah so mark we have we have about five

1170

00:53:55,160 --> 00:53:52,799

five or six minutes to to the top to the

1171

00:53:57,470 --> 00:53:55,170

hour and there was a question here if

1172

00:54:00,470 --> 00:53:57,480

you don't mind I'm going to ask ask you

1173

00:54:03,650 --> 00:54:00,480

this question please for the first

1174

00:54:09,589 --> 00:54:03,660

speaker he sounds like he feels he's a

1175

00:54:15,849 --> 00:54:09,599

contact he is that is that so or is that

1176

00:54:18,940 --> 00:54:15,859

just what someone is speculating um hi

1177

00:54:24,309 --> 00:54:18,950

I you know I couldn't quite answer that

1178

00:54:29,620 --> 00:54:24,319

I feel that probably deep down yes is

1179

00:54:32,799 --> 00:54:29,630

there proof no but I've definitely just

1180

00:54:37,839 --> 00:54:32,809

been really really intrigued and

1181

00:54:44,799 --> 00:54:37,849

fascinated with UFOs and aliens for as

1182

00:54:47,140 --> 00:54:44,809

long as I can remember in fact it was

1183

00:54:51,549 --> 00:54:47,150

just it was just last week I think it

1184

00:54:54,309 --> 00:54:51,559

was last monday i went to go and walk my

1185

00:54:58,299 --> 00:54:54,319

dog it was 130 am and I walk outside

1186

00:55:01,749 --> 00:54:58,309

take three steps and I look up and I see

1187

00:55:04,839 --> 00:55:01,759

a for the second time of my life I see

1188

00:55:08,739 --> 00:55:04,849

three lights I mean really big lights

1189

00:55:12,190 --> 00:55:08,749

very close a half mile away that are

1190

00:55:15,190 --> 00:55:12,200

never there ever I ran back inside I

1191

00:55:16,720 --> 00:55:15,200

grabbed my my phone I wound up going

1192

00:55:19,450 --> 00:55:16,730

back and the lights were still there

1193

00:55:23,769 --> 00:55:19,460

it's a little bit further away around a

1194

00:55:25,960 --> 00:55:23,779

bit uh snapping six pictures and

1195

00:55:28,900 --> 00:55:25,970

throwing them on Twitter instantly just

1196

00:55:32,950 --> 00:55:28,910

like boom boom boom boom from being

1197

00:55:36,279 --> 00:55:32,960

there until it disappeared have I been

1198

00:55:37,690 --> 00:55:36,289

contacted you know i don't i don't know

1199

00:55:40,059 --> 00:55:37,700

i don't know if there's something about

1200

00:55:42,489 --> 00:55:40,069

the cover of witless Reavers book that

1201

00:55:45,190 --> 00:55:42,499

struck me as a child that i felt that i

1202

00:55:48,099 --> 00:55:45,200

needed to read it i don't i don't have

1203

00:55:50,259 --> 00:55:48,109

an answer one way or another but i have

1204

00:55:52,900 --> 00:55:50,269

had dreams and it's been something that

1205

00:55:57,759 --> 00:55:52,910

stuck with me and enough to to go ahead

1206

00:55:59,620 --> 00:55:57,769

and create a platform for people to to

1207

00:56:02,979 --> 00:55:59,630

create projects to try to figure out the

1208

00:56:04,809 --> 00:56:02,989

truth mm-hmm you know it's funny I I had

1209

00:56:08,829 --> 00:56:04,819

a conversation with my son a few weeks

1210

00:56:10,779 --> 00:56:08,839

ago and and I thought I had my second

1211

00:56:12,160 --> 00:56:10,789

sighting but you know I said to him I'm

1212

00:56:13,989 --> 00:56:12,170

not even going to talk I'm not even

1213

00:56:15,400 --> 00:56:13,999

going to talk about it and the reason

1214

00:56:19,960 --> 00:56:15,410

I'm not going to talk about it is

1215

00:56:23,410 --> 00:56:19,970

because it would seem the first one was

1216

00:56:26,140 --> 00:56:23,420

unreal to have first of all and the

1217

00:56:29,799 --> 00:56:26,150

second one like I don't even want to

1218

00:56:32,279 --> 00:56:29,809

talk about it because I'm afraid that

1219

00:56:35,130 --> 00:56:32,289

I might lose a little bit of credibility

1220

00:56:38,160 --> 00:56:35,140

you know being a host of the show

1221

00:56:40,299 --> 00:56:38,170

because a lot of times when people say

1222

00:56:41,890 --> 00:56:40,309

you know they had this sighting they had

1223

00:56:44,380 --> 00:56:41,900

that sighting and they have so many

1224

00:56:46,989 --> 00:56:44,390

sightings you know you start to think

1225

00:56:50,679 --> 00:56:46,999

hmm you know all right maybe I'm

1226
00:56:51,819 --> 00:56:50,689
overthinking it but uh but you can't get

1227
00:56:54,789 --> 00:56:51,829
it out of me I'm not going to talk about

1228
00:56:57,640 --> 00:56:54,799
it right right I mean and that's how I

1229
00:56:59,920 --> 00:56:57,650
feel too it's a that the one sighting I

1230
00:57:01,900 --> 00:56:59,930
had talked about with particular people

1231
00:57:03,489 --> 00:57:01,910
just some people here and there the the

1232
00:57:05,799 --> 00:57:03,499
one that happened in walnut creek

1233
00:57:08,170 --> 00:57:05,809
california and i had researched that I

1234
00:57:10,390 --> 00:57:08,180
mean for years I would go online and

1235
00:57:12,370 --> 00:57:10,400
research and research the date and look

1236
00:57:14,229 --> 00:57:12,380
for it and see if anything else happened

1237
00:57:15,999 --> 00:57:14,239
if anybody else saw anything that was

1238
00:57:19,390 --> 00:57:16,009

clear as day that was during the day

1239

00:57:21,939 --> 00:57:19,400

this other one was you know just a week

1240

00:57:24,699 --> 00:57:21,949

ago and it was after I've started this

1241

00:57:26,109 --> 00:57:24,709

truth funder stuff there's been some

1242

00:57:27,759 --> 00:57:26,119

there's been a couple of weird wacky

1243

00:57:30,279 --> 00:57:27,769

things that have happened since I've

1244

00:57:32,529 --> 00:57:30,289

since you know this the conception of

1245

00:57:36,009 --> 00:57:32,539

this and it was started with my business

1246

00:57:38,169 --> 00:57:36,019

partner he you know used to work at sort

1247

00:57:40,410 --> 00:57:38,179

of a bigwig at AOL Time Warner he's

1248

00:57:45,069 --> 00:57:40,420

created three other businesses all I've

1249

00:57:50,919 --> 00:57:45,079

done really well and sold yeah you know

1250

00:57:52,569 --> 00:57:50,929

I'm i have a very legitimate past you

1251
00:57:55,029 --> 00:57:52,579
know like i said earlier being nominated

1252
00:57:57,489 --> 00:57:55,039
for for some prestigious awards it's

1253
00:58:01,029 --> 00:57:57,499
it's kind of strange to come out and

1254
00:58:03,699 --> 00:58:01,039
talk about all this stuff but for what

1255
00:58:06,009 --> 00:58:03,709
i'm doing the you know and creating

1256
00:58:10,059 --> 00:58:06,019
right here truth funders it's it's a

1257
00:58:12,039 --> 00:58:10,069
necessity to kind of talk about things

1258
00:58:14,439 --> 00:58:12,049
that happen I mean there's people that

1259
00:58:16,809 --> 00:58:14,449
I'm sure I've seen ghosts have seen

1260
00:58:19,179 --> 00:58:16,819
strange lights in the sky that will not

1261
00:58:21,939 --> 00:58:19,189
admit to it or will not not talk about

1262
00:58:26,049 --> 00:58:21,949
it I don't think that you know the more

1263
00:58:29,559 --> 00:58:26,059

that we keep it to ourselves the more it

1264

00:58:31,870 --> 00:58:29,569

just remains taboo and you know if what

1265

00:58:36,489 --> 00:58:31,880

I saw in the sky the other night was not

1266

00:58:38,459 --> 00:58:36,499

a UFO or some strange object and it

1267

00:58:42,260 --> 00:58:38,469

wasn't and that's great and that's fine

1268

00:58:45,140 --> 00:58:42,270

and you know I I don't

1269

00:58:47,510 --> 00:58:45,150

care if something is true is real or not

1270

00:58:50,690 --> 00:58:47,520

as long as there's proof and there's

1271

00:58:54,910 --> 00:58:50,700

truth on you know like with with the

1272

00:58:57,860 --> 00:58:54,920

underwater Malibu base with with Jimmy

1273

00:59:00,290 --> 00:58:57,870

I'm sure you've heard about that they

1274

00:59:03,920 --> 00:59:00,300

discovered that through google maps you

1275

00:59:05,840 --> 00:59:03,930

know it whether or not but if we're ever

1276

00:59:09,050 --> 00:59:05,850

able to go down there and discover it

1277

00:59:11,720 --> 00:59:09,060

and let's say it is UFO base well heck

1278

00:59:13,460 --> 00:59:11,730

we just nailed the jackpot but let's say

1279

00:59:16,100 --> 00:59:13,470

it's not a UFO base and it's rock

1280

00:59:18,710 --> 00:59:16,110

formations we know what now we know that

1281

00:59:20,930 --> 00:59:18,720

and now we know the truth and that's all

1282

00:59:22,790 --> 00:59:20,940

that that's all that I care about and I

1283

00:59:25,420 --> 00:59:22,800

think that's what we what we all care

1284

00:59:28,400 --> 00:59:25,430

about is is finding out the answers to

1285

00:59:33,460 --> 00:59:28,410

to these items like what's what's real

1286

00:59:37,190 --> 00:59:33,470

what's not and and it doesn't have to be

1287

00:59:38,780 --> 00:59:37,200

X Files music playing before you know

1288

00:59:40,520 --> 00:59:38,790

when you're watching the news and and

1289

00:59:42,410 --> 00:59:40,530

they're talking about a sighting that 10

1290

00:59:44,480 --> 00:59:42,420

different people saw and so it's

1291

00:59:47,120 --> 00:59:44,490

actually making the news and then they

1292

00:59:49,730 --> 00:59:47,130

play the UFO or the x-files music just

1293

00:59:51,380 --> 00:59:49,740

to kind of make it can't be it doesn't

1294

00:59:54,040 --> 00:59:51,390

have to be that way it can just be

1295

00:59:56,690 --> 00:59:54,050

people explaining what they see or

1296

00:59:59,060 --> 00:59:56,700

talking about what they see or what

1297

01:00:03,100 --> 00:59:59,070

they've experienced it shouldn't be

1298

01:00:07,280 --> 01:00:03,110

taboo well getting back to the Malibu

1299

01:00:09,590 --> 01:00:07,290

underwater thing I had a conversation

1300

01:00:12,380 --> 01:00:09,600

with Jimmy church I'm not Jimmy church

1301

01:00:15,530 --> 01:00:12,390

I'm sorry with Lee Spiegel about that he

1302

01:00:17,900 --> 01:00:15,540

was and he found out some geological

1303

01:00:20,390 --> 01:00:17,910

information about that and was due to go

1304

01:00:24,710 --> 01:00:20,400

on Jimmy churches show and then Jimmy

1305

01:00:27,530 --> 01:00:24,720

church did not call him so I think that

1306

01:00:29,300 --> 01:00:27,540

has been explained but that's like you

1307

01:00:32,060 --> 01:00:29,310

said that's just another one of the

1308

01:00:35,180 --> 01:00:32,070

things that people are are looking to

1309

01:00:38,210 --> 01:00:35,190

find the answers for just real quick

1310

01:00:40,250 --> 01:00:38,220

because we're at the top of the hour did

1311

01:00:42,520 --> 01:00:40,260

you I'm going to say I'm going to admit

1312

01:00:47,660 --> 01:00:42,530

that I didn't report what I saw recently

1313

01:00:50,720 --> 01:00:47,670

I just I just didn't and I just wondered

1314

01:00:54,010 --> 01:00:50,730

and shame on me and I wonder did you

1315

01:00:55,579 --> 01:00:54,020

report either one of your sightings um I

1316

01:00:59,120 --> 01:00:55,589

reported it on

1317

01:01:01,819 --> 01:00:59,130

Twitter but did I record it on on the

1318

01:01:04,039 --> 01:01:01,829

MUFON site I did not yeah just wondering

1319

01:01:05,989 --> 01:01:04,049

and it just kind of goes along with what

1320

01:01:07,999 --> 01:01:05,999

I've seen in audiences when the

1321

01:01:10,489 --> 01:01:08,009

questions asked how many people have

1322

01:01:12,259 --> 01:01:10,499

think they've seen a UFO the hands go up

1323

01:01:15,109 --> 01:01:12,269

how many people reported it it's about

1324

01:01:17,359 --> 01:01:15,119

ten percent right so all right I think

1325

01:01:20,299 --> 01:01:17,369

that's kind of a fascinating number and

1326

01:01:23,870 --> 01:01:20,309

I i understand it all right so we're

1327

01:01:27,219 --> 01:01:23,880

coming up this is it for this part of

1328

01:01:29,959 --> 01:01:27,229

the show and if you're listening live

1329

01:01:33,549 --> 01:01:29,969

hang in here I have to do all kinds of

1330

01:01:36,019 --> 01:01:33,559

things at once here yeah and and I think

1331

01:01:40,279 --> 01:01:36,029

just if I could say real quick I think

1332

01:01:42,440 --> 01:01:40,289

Jimmy and and we do wound up you know

1333

01:01:43,940 --> 01:01:42,450

working out all the difference all the

1334

01:01:47,599 --> 01:01:43,950

difference whatever happened I think

1335

01:01:49,700 --> 01:01:47,609

there was a you know they they had a

1336

01:01:52,819 --> 01:01:49,710

show together and all that stuff worked

1337

01:01:55,479 --> 01:01:52,829

out so that was that was good but that I

1338

01:01:58,309 --> 01:01:55,489

didn't know I did not know that part so

1339

01:02:00,739 --> 01:01:58,319

yeah all right so we're coming back

1340

01:02:03,890 --> 01:02:00,749

we're coming back in the next hour and

1341

01:02:33,200 --> 01:02:03,900

we're going to have Rick fire is on for

1342

01:02:40,710 --> 01:02:37,529

ro hi there is this rick yet for Rick

1343

01:02:43,650 --> 01:02:40,720

you are on podcast UFO inhaling I hang

1344

01:02:47,219 --> 01:02:43,660

on just a second my my computer is going

1345

01:02:49,950 --> 01:02:47,229

wild here welcome to the show oh thank

1346

01:02:52,200 --> 01:02:49,960

you pleasure to be here and you're also

1347

01:02:55,109 --> 01:02:52,210

out on the west coast I see by your area

1348

01:02:58,079 --> 01:02:55,119

code you have for all in the fall from

1349

01:03:00,630 --> 01:02:58,089

football Bay Area yep and you know it's

1350

01:03:02,819 --> 01:03:00,640

funny I wish I was into the topic more

1351
01:03:05,460 --> 01:03:02,829
when I had my sighting out there that I

1352
01:03:08,700 --> 01:03:05,470
had back in two thousand six but I

1353
01:03:11,309 --> 01:03:08,710
didn't become active in this into 2011

1354
01:03:13,349 --> 01:03:11,319
as far as you know the show but i really

1355
01:03:15,539 --> 01:03:13,359
wish i had the show going and i was out

1356
01:03:18,269 --> 01:03:15,549
there because it seems to be seems to be

1357
01:03:21,989 --> 01:03:18,279
quite a nucleus of people involved in

1358
01:03:23,880 --> 01:03:21,999
the bay area in UFOs well that makes

1359
01:03:26,910 --> 01:03:23,890
perfect sense of course because they're

1360
01:03:28,890 --> 01:03:26,920
certainly an unique energy out here in

1361
01:03:32,190 --> 01:03:28,900
general you know especially within the

1362
01:03:35,999 --> 01:03:32,200
past 40 years and and a generally

1363
01:03:38,729 --> 01:03:36,009

positive you know energy out here in

1364

01:03:42,479 --> 01:03:38,739

terms of you know the heart of a

1365

01:03:46,079 --> 01:03:42,489

peacemaking generation and like right

1366

01:03:49,289 --> 01:03:46,089

now marc was telling me earlier that you

1367

01:03:52,680 --> 01:03:49,299

are into it's something about

1368

01:03:56,370 --> 01:03:52,690

intergalactic politics is that referred

1369

01:03:58,109 --> 01:03:56,380

that that's the that's going to that is

1370

01:04:01,049 --> 01:03:58,119

what i'm writing right now for my next

1371

01:04:02,999 --> 01:04:01,059

series i wrote a sci-fi trilogy about

1372

01:04:07,380 --> 01:04:03,009

World War through P that was the keepers

1373

01:04:08,519 --> 01:04:07,390

and now i'm working on a satisfaction i

1374

01:04:11,849 --> 01:04:08,529

like to call it because a very

1375

01:04:15,269 --> 01:04:11,859

fact-based but you know as an adventure

1376

01:04:18,029 --> 01:04:15,279

story bound with facts about what

1377

01:04:20,579 --> 01:04:18,039

appears to be the intergalactic politics

1378

01:04:23,880 --> 01:04:20,589

that are affecting earth all right you

1379

01:04:26,849 --> 01:04:23,890

know and it's interesting so Rick's

1380

01:04:29,609 --> 01:04:26,859

first series the keepers it was it was a

1381

01:04:33,100 --> 01:04:29,619

really big seller on amazon for for a

1382

01:04:35,050 --> 01:04:33,110

long time we came out several years ago

1383

01:04:38,370 --> 01:04:35,060

and Rick was also you know at comic-con

1384

01:04:42,360 --> 01:04:38,380

or wondercon or maybe you were at both

1385

01:04:46,000 --> 01:04:42,370

yeah for many years I lip all of them

1386

01:04:48,460 --> 01:04:46,010

yeah and and his his books are

1387

01:04:51,310 --> 01:04:48,470

fascinating and like he said he does he

1388

01:04:54,130 --> 01:04:51,320

knows a ton of research I mean research

1389

01:04:56,710 --> 01:04:54,140

talking to professor's at UC Berkeley

1390

01:04:59,620 --> 01:04:56,720

and Stanford and and all over the place

1391

01:05:01,840 --> 01:04:59,630

to get the right type of sort of

1392

01:05:06,790 --> 01:05:01,850

futurist technology that he needs for

1393

01:05:08,620 --> 01:05:06,800

his novels but his new novel he he's

1394

01:05:11,170 --> 01:05:08,630

creating it and I actually wanted to

1395

01:05:13,120 --> 01:05:11,180

touch base with them he's going to be

1396

01:05:15,940 --> 01:05:13,130

creating a truth funders project around

1397

01:05:17,980 --> 01:05:15,950

it the truth funders project is not up

1398

01:05:19,330 --> 01:05:17,990

yet but that's something that we're

1399

01:05:22,270 --> 01:05:19,340

working on and will be up in the next

1400

01:05:23,920 --> 01:05:22,280

couple days but I just wanted to

1401

01:05:27,820 --> 01:05:23,930

interject real quick and throw that out

1402

01:05:31,360 --> 01:05:27,830

there and intergalactic politics it's

1403

01:05:33,550 --> 01:05:31,370

it's I saw Rick give a speech at a MUFON

1404

01:05:35,260 --> 01:05:33,560

meeting and it was on inter galactic

1405

01:05:41,080 --> 01:05:35,270

politics and I just found it

1406

01:05:45,580 --> 01:05:41,090

extraordinary yeah yeah yeah I often get

1407

01:05:47,620 --> 01:05:45,590

my information from solid sources as

1408

01:05:49,480 --> 01:05:47,630

Marco saying you know also you know

1409

01:05:52,570 --> 01:05:49,490

articles and the like you know whether

1410

01:05:56,290 --> 01:05:52,580

it's in York Times or government Bureau

1411

01:05:58,060 --> 01:05:56,300

you know files and you know this is a

1412

01:06:01,300 --> 01:05:58,070

little different than a lot of people in

1413

01:06:03,370 --> 01:06:01,310

our community where a lot of it is taken

1414

01:06:05,920 --> 01:06:03,380

from areas where it's preaching to the

1415

01:06:08,860 --> 01:06:05,930

choir and so sometimes it's hard for the

1416

01:06:11,500 --> 01:06:08,870

mainstream to trust it but I derive my

1417

01:06:14,320 --> 01:06:11,510

fax from places where the mainstream

1418

01:06:17,200 --> 01:06:14,330

trust and it's remarkable how those

1419

01:06:19,720 --> 01:06:17,210

facts are out there if you filter them

1420

01:06:22,450 --> 01:06:19,730

out they're quite obviously there which

1421

01:06:25,960 --> 01:06:22,460

is which is really fascinating yeah can

1422

01:06:28,990 --> 01:06:25,970

you elaborate more on yes sir yet one

1423

01:06:31,690 --> 01:06:29,000

potent example is the Roswell

1424

01:06:33,850 --> 01:06:31,700

investigation now of course you know the

1425

01:06:35,950 --> 01:06:33,860

government avoided you know releasing

1426

01:06:37,780 --> 01:06:35,960

any reports for quite some time on and

1427

01:06:40,480 --> 01:06:37,790

finally in the 90s they release the

1428

01:06:42,640 --> 01:06:40,490

report news it was so desperate it was

1429

01:06:44,290 --> 01:06:42,650

called case closed you know like just

1430

01:06:46,450 --> 01:06:44,300

trying to shove it down your throat that

1431

01:06:49,359 --> 01:06:46,460

that's is it which is you know

1432

01:06:52,089 --> 01:06:49,369

ridiculous titles it's not close just

1433

01:06:54,460 --> 01:06:52,099

because they say so but you know on its

1434

01:06:56,410 --> 01:06:54,470

face like or you know that the

1435

01:06:59,200 --> 01:06:56,420

conclusion was you know it was so

1436

01:07:02,520 --> 01:06:59,210

obviously you know a B and C you know

1437

01:07:06,609 --> 01:07:02,530

absurd concepts like you know you know a

1438

01:07:09,849 --> 01:07:06,619

test dummies were mistaken as aliens

1439

01:07:12,640 --> 01:07:09,859

blah blah blah any say you know this is

1440

01:07:16,030 --> 01:07:12,650

this is just obviously what happened and

1441

01:07:18,940 --> 01:07:16,040

and you know it's it's just it's all

1442

01:07:21,010 --> 01:07:18,950

there but then at the same time he talks

1443

01:07:24,310 --> 01:07:21,020

you know the lead investigator talks

1444

01:07:26,530 --> 01:07:24,320

about how he had to really go searching

1445

01:07:28,450 --> 01:07:26,540

for this information now here's

1446

01:07:31,510 --> 01:07:28,460

something that stinks to high heaven on

1447

01:07:33,910 --> 01:07:31,520

that Roswell is just so well known by

1448

01:07:36,070 --> 01:07:33,920

this time I mean 50 years of people

1449

01:07:38,980 --> 01:07:36,080

talking about it you know you wouldn't

1450

01:07:40,960 --> 01:07:38,990

have to go investigating the heck out of

1451

01:07:43,630 --> 01:07:40,970

it if you're inside the government and

1452

01:07:46,740 --> 01:07:43,640

it's all just readily available and easy

1453

01:07:49,570 --> 01:07:46,750

to see it would require high level

1454

01:07:51,730 --> 01:07:49,580

investigation work and that's right you

1455

01:07:53,710 --> 01:07:51,740

know it you know finding out about the

1456

01:07:55,630 --> 01:07:53,720

Manhattan Project and discovering that

1457

01:07:58,270 --> 01:07:55,640

it was to make the nuclear bomb required

1458

01:07:59,710 --> 01:07:58,280

high level investigation know by the 90s

1459

01:08:02,140 --> 01:07:59,720

that wouldn't require high level

1460

01:08:04,510 --> 01:08:02,150

investigation the required just talking

1461

01:08:07,480 --> 01:08:04,520

to all the key people real quick and it

1462

01:08:10,050 --> 01:08:07,490

basically the very fact that he had to

1463

01:08:12,849 --> 01:08:10,060

say that he had to go through a ton of

1464

01:08:16,209 --> 01:08:12,859

Investigation already sent off alarm

1465

01:08:19,030 --> 01:08:16,219

bells on also you know many of the

1466

01:08:20,920 --> 01:08:19,040

things he talked about were you know

1467

01:08:23,079 --> 01:08:20,930

they weren't clear you know then they

1468

01:08:25,090 --> 01:08:23,089

say oh you know a service man is fell

1469

01:08:27,430 --> 01:08:25,100

out of a weather balloon and it's his

1470

01:08:29,200 --> 01:08:27,440

head you know he died and his head was

1471

01:08:32,440 --> 01:08:29,210

all swollen up so that's what they

1472

01:08:34,150 --> 01:08:32,450

mistook for for the alien but they

1473

01:08:36,550 --> 01:08:34,160

couldn't find out who that servicemen

1474

01:08:39,550 --> 01:08:36,560

was and again if these things were being

1475

01:08:41,800 --> 01:08:39,560

linked to Roswell you know you would

1476

01:08:43,329 --> 01:08:41,810

think that there would be a lot more you

1477

01:08:45,550 --> 01:08:43,339

know written down it's like oh by the

1478

01:08:47,320 --> 01:08:45,560

way this is the guy that was mistaken

1479

01:08:49,360 --> 01:08:47,330

for an alien you know and if you're

1480

01:08:51,999 --> 01:08:49,370

interviewing all the top dogs that were

1481

01:08:54,190 --> 01:08:52,009

in charge of these little projects would

1482

01:08:56,650 --> 01:08:54,200

be like oh that was you know so and so

1483

01:08:58,570 --> 01:08:56,660

the guy who is mistaken for an Aryan so

1484

01:08:59,630 --> 01:08:58,580

it's just it's just really interesting

1485

01:09:01,220 --> 01:08:59,640

that they are long

1486

01:09:03,320 --> 01:09:01,230

say oh its case closed it was so easy

1487

01:09:05,090 --> 01:09:03,330

it's just so obviously this but then the

1488

01:09:07,130 --> 01:09:05,100

next minute you felt realizing we're

1489

01:09:08,750 --> 01:09:07,140

looking easy for you to find and it

1490

01:09:10,280 --> 01:09:08,760

wasn't you know a lot of things are

1491

01:09:13,730 --> 01:09:10,290

still missing why are those missing why

1492

01:09:16,670 --> 01:09:13,740

are those facts still missing and so

1493

01:09:19,400 --> 01:09:16,680

that right in and of itself tells me you

1494

01:09:21,710 --> 01:09:19,410

know that that you know Roswell it

1495

01:09:25,010 --> 01:09:21,720

actually made it more fishy that they

1496

01:09:27,140 --> 01:09:25,020

tried so hard to close the case with

1497

01:09:29,750 --> 01:09:27,150

facts that were not substantial and

1498

01:09:32,660 --> 01:09:29,760

that's just one example yeah I like that

1499

01:09:35,660 --> 01:09:32,670

example because that's that topics come

1500

01:09:38,090 --> 01:09:35,670

up many times on this show about how for

1501

01:09:39,910 --> 01:09:38,100

instance the crash test dummies didn't

1502

01:09:43,940 --> 01:09:39,920

even come out till five years after

1503

01:09:46,160 --> 01:09:43,950

walking and also there was another thing

1504

01:09:48,380 --> 01:09:46,170

that they had mentioned that the aliens

1505

01:09:50,060 --> 01:09:48,390

could have been and that was I want to

1506

01:09:52,010 --> 01:09:50,070

say a plane crash or something like that

1507

01:09:54,440 --> 01:09:52,020

and they said the bodies you know we're

1508

01:09:56,510 --> 01:09:54,450

badly burned or I may be confusing this

1509

01:10:01,370 --> 01:09:56,520

with another case I'm not really sure

1510

01:10:04,160 --> 01:10:01,380

but you know Roswell is interesting and

1511

01:10:07,490 --> 01:10:04,170

I'd like the the stand that Stanton

1512

01:10:11,090 --> 01:10:07,500

Friedman says that the Air Force slide

1513

01:10:15,620 --> 01:10:11,100

four times flat-out lied for times when

1514

01:10:18,470 --> 01:10:15,630

it comes to Roswell and you know I he

1515

01:10:20,870 --> 01:10:18,480

said that enough I I believe that he's

1516

01:10:24,350 --> 01:10:20,880

not just saying that because he's a man

1517

01:10:26,930 --> 01:10:24,360

about facts themselves I agree and see

1518

01:10:29,260 --> 01:10:26,940

the thing is as someone who doesn't want

1519

01:10:32,060 --> 01:10:29,270

to be too quick to jump to conclusions I

1520

01:10:33,920 --> 01:10:32,070

literally you know open i mean i've been

1521

01:10:36,140 --> 01:10:33,930

interested in this since the 80s when I

1522

01:10:38,330 --> 01:10:36,150

was very very young and at the prime you

1523

01:10:41,630 --> 01:10:38,340

know I've always been fascinated with

1524

01:10:44,330 --> 01:10:41,640

history and I knew that you know you

1525

01:10:46,370 --> 01:10:44,340

know the the Germans you know had a lot

1526
01:10:47,840 --> 01:10:46,380
of really advanced technology you know

1527
01:10:50,000 --> 01:10:47,850
one can ask where they got that but

1528
01:10:52,370 --> 01:10:50,010
let's assume for a second they made it

1529
01:10:54,950 --> 01:10:52,380
themselves and then when the a life took

1530
01:10:56,390 --> 01:10:54,960
over Germany they were you know using

1531
01:10:57,890 --> 01:10:56,400
all these things and working with all

1532
01:10:59,660 --> 01:10:57,900
these things and maybe they didn't want

1533
01:11:01,970 --> 01:10:59,670
the world to know you know what exactly

1534
01:11:05,330 --> 01:11:01,980
prototype crops that are making but

1535
01:11:06,980 --> 01:11:05,340
fifty years later you know it would

1536
01:11:08,480 --> 01:11:06,990
serve them to just go ahead and say hey

1537
01:11:10,670 --> 01:11:08,490
guys we were just working with prototype

1538
01:11:12,320 --> 01:11:10,680

craft you know any was crashing all over

1539

01:11:12,910 --> 01:11:12,330

the place and blah blah blah that would

1540

01:11:15,250 --> 01:11:12,920

be

1541

01:11:18,160 --> 01:11:15,260

to just go ahead and admit 50 years

1542

01:11:20,410 --> 01:11:18,170

later the fact that they don't want to

1543

01:11:23,439 --> 01:11:20,420

say any of that really makes me believe

1544

01:11:27,280 --> 01:11:23,449

that it wasn't our own crowd at all

1545

01:11:30,790 --> 01:11:27,290

mmhmm yeah that's that's that's oral

1546

01:11:34,419 --> 01:11:30,800

totally interesting I you got me hooked

1547

01:11:38,200 --> 01:11:34,429

I want to hear more of more examples if

1548

01:11:42,669 --> 01:11:38,210

you would yes yes well you know there's

1549

01:11:44,800 --> 01:11:42,679

so many elements of of of you know what

1550

01:11:46,930 --> 01:11:44,810

came together and all these different

1551

01:11:48,220 --> 01:11:46,940

things and let's let's go to Roswell

1552

01:11:50,410 --> 01:11:48,230

game because of course you know the

1553

01:11:53,590 --> 01:11:50,420

well-known people you know they said

1554

01:11:57,729 --> 01:11:53,600

that you know there was a bunch of

1555

01:12:00,910 --> 01:11:57,739

really strange uh you know symbols all

1556

01:12:04,030 --> 01:12:00,920

over the craft that were found by the

1557

01:12:06,640 --> 01:12:04,040

key people and of course they said oh

1558

01:12:08,439 --> 01:12:06,650

well this was the the numbers are you

1559

01:12:10,270 --> 01:12:08,449

know the the symbols that they used on

1560

01:12:12,820 --> 01:12:10,280

these and they just quickly and it's

1561

01:12:14,979 --> 01:12:12,830

just it's very dogmatic the way they

1562

01:12:17,709 --> 01:12:14,989

described it in the case closed report

1563

01:12:20,229 --> 01:12:17,719

it's just like and that's exactly what

1564

01:12:22,360 --> 01:12:20,239

they use and you know I'm paraphrasing

1565

01:12:25,330 --> 01:12:22,370

it's like and anyone the food to deny

1566

01:12:26,890 --> 01:12:25,340

that if they could no back up to that so

1567

01:12:29,410 --> 01:12:26,900

then as I did more and more research i

1568

01:12:31,720 --> 01:12:29,420

found it was absolutely no symbol used

1569

01:12:33,220 --> 01:12:31,730

like this I mean nowhere is there any

1570

01:12:35,020 --> 01:12:33,230

evidence of course they don't say in

1571

01:12:36,729 --> 01:12:35,030

case closed and say well clearly it was

1572

01:12:38,380 --> 01:12:36,739

used in this project and was using this

1573

01:12:41,020 --> 01:12:38,390

project many symbols were used in this

1574

01:12:43,840 --> 01:12:41,030

project it never gives any clarity it

1575

01:12:46,300 --> 01:12:43,850

just says this was you know clearly used

1576

01:12:49,419 --> 01:12:46,310

by the government and their projects and

1577

01:12:51,640 --> 01:12:49,429

you know that's just been obvious hey

1578

01:12:53,590 --> 01:12:51,650

you know in so many words and meanwhile

1579

01:12:55,870 --> 01:12:53,600

these are the most far-out looking

1580

01:12:57,580 --> 01:12:55,880

symbols you know I mean it really truly

1581

01:13:01,810 --> 01:12:57,590

looks like something out of Star Gate

1582

01:13:05,770 --> 01:13:01,820

and it's just impossible to think what

1583

01:13:09,280 --> 01:13:05,780

we used you know this weird cuneiform

1584

01:13:11,260 --> 01:13:09,290

looking writing all of a sudden on these

1585

01:13:13,360 --> 01:13:11,270

crafts what was the point that are

1586

01:13:15,939 --> 01:13:13,370

supposedly just weather balloons you

1587

01:13:17,860 --> 01:13:15,949

know why would they use these bizarre

1588

01:13:19,570 --> 01:13:17,870

measurement systems that are never used

1589

01:13:22,750 --> 01:13:19,580

in anything else and they can't even

1590

01:13:25,720 --> 01:13:22,760

themselves point to it it's just it's

1591

01:13:26,750 --> 01:13:25,730

just beyond you know that that they

1592

01:13:28,729 --> 01:13:26,760

think they can just shut

1593

01:13:31,310 --> 01:13:28,739

that down our throats that this really

1594

01:13:33,049 --> 01:13:31,320

really fine looking writing system it's

1595

01:13:36,529 --> 01:13:33,059

blatantly obvious that the writing

1596

01:13:38,450 --> 01:13:36,539

system uh it is you know they try to

1597

01:13:41,149 --> 01:13:38,460

provide a backstory hilariously

1598

01:13:43,520 --> 01:13:41,159

desperate it this is the beauty of all

1599

01:13:45,979 --> 01:13:43,530

this is that if they have not done that

1600

01:13:48,290 --> 01:13:45,989

report in fact would have been less

1601

01:13:50,419 --> 01:13:48,300

suspicious but the fact that they do

1602

01:13:52,339 --> 01:13:50,429

this report they say case closed and

1603

01:13:54,169 --> 01:13:52,349

they have all these things like that was

1604

01:13:55,970 --> 01:13:54,179

just some measurement symbols were used

1605

01:13:58,009 --> 01:13:55,980

I mean stop being stupid you know of

1606

01:13:59,629 --> 01:13:58,019

course I was just measurements to locate

1607

01:14:01,490 --> 01:13:59,639

points other times that they use that

1608

01:14:03,859 --> 01:14:01,500

well we can you know there's no evidence

1609

01:14:06,169 --> 01:14:03,869

of that so they just used it for these

1610

01:14:09,799 --> 01:14:06,179

weather balloon no one else has any you

1611

01:14:11,899 --> 01:14:09,809

know you know it any knowledge of the

1612

01:14:14,750 --> 01:14:11,909

strange symbology that was used and

1613

01:14:17,149 --> 01:14:14,760

they're just pointing to nothing else to

1614

01:14:19,910 --> 01:14:17,159

somehow with this one weather balloon

1615

01:14:23,629 --> 01:14:19,920

they use the most bizarre you know

1616

01:14:26,750 --> 01:14:23,639

symbols in and that's just one other

1617

01:14:28,279 --> 01:14:26,760

example of how you know in there and I'm

1618

01:14:30,229 --> 01:14:28,289

sure you know about these symbols right

1619

01:14:32,779 --> 01:14:30,239

i mean they obviously writing and

1620

01:14:35,060 --> 01:14:32,789

they're very really interesting looking

1621

01:14:36,890 --> 01:14:35,070

in there were some that akansha Sumerian

1622

01:14:39,529 --> 01:14:36,900

but but a little bit different very

1623

01:14:41,209 --> 01:14:39,539

obviously a lighting system well what i

1624

01:14:44,390 --> 01:14:41,219

do know i don't know that exactly but

1625

01:14:46,129 --> 01:14:44,400

what I do know is Jesse Marcel was

1626
01:14:48,500 --> 01:14:46,139
saying on the debris that he looked at

1627
01:14:50,509 --> 01:14:48,510
that his father brought back home late

1628
01:14:54,229 --> 01:14:50,519
that night and spread out on the kitchen

1629
01:14:57,950 --> 01:14:54,239
table that the little beams or whatever

1630
01:15:02,000 --> 01:14:57,960
they were had like hieroglyphics and

1631
01:15:05,299 --> 01:15:02,010
what he was told or what the story was

1632
01:15:07,430 --> 01:15:05,309
is that there was a tape company in New

1633
01:15:09,890 --> 01:15:07,440
York or something like that that had

1634
01:15:12,109 --> 01:15:09,900
like decorative tape that had these

1635
01:15:14,359 --> 01:15:12,119
symbols on it you know that was that was

1636
01:15:18,109 --> 01:15:14,369
the response that then I remember him

1637
01:15:21,649 --> 01:15:18,119
speaking about which is yes yes and um

1638
01:15:23,779 --> 01:15:21,659

as you know you know Jesse Marcel you

1639

01:15:26,890 --> 01:15:23,789

know went on to constantly sabers

1640

01:15:29,359 --> 01:15:26,900

there's no way that this was you know

1641

01:15:32,779 --> 01:15:29,369

what they say it is it was it was

1642

01:15:36,290 --> 01:15:32,789

obviously an amazing material you know

1643

01:15:39,649 --> 01:15:36,300

obviously you know it you know he tested

1644

01:15:41,149 --> 01:15:39,659

him himself you know he you know and

1645

01:15:43,969 --> 01:15:41,159

as you know it was first released that

1646

01:15:47,689 --> 01:15:43,979

it was in fact UFOs right it was a

1647

01:15:49,759 --> 01:15:47,699

crashed saucer yep yeah yeah I mean yeah

1648

01:15:51,529 --> 01:15:49,769

you know a lot of people say why do you

1649

01:15:54,290 --> 01:15:51,539

talk about Roswell but you know Roswell

1650

01:15:57,049 --> 01:15:54,300

I think his such a great case I know

1651

01:15:59,359 --> 01:15:57,059

it's so many years later but it's just

1652

01:16:02,540 --> 01:15:59,369

one like you said you know comes out

1653

01:16:05,029 --> 01:16:02,550

there's a you know the Army Air Force

1654

01:16:06,049 --> 01:16:05,039

captures a flying disc and you know next

1655

01:16:09,169 --> 01:16:06,059

thing you know it's a weather balloon

1656

01:16:10,580 --> 01:16:09,179

and that's the one I've brought up a

1657

01:16:12,319 --> 01:16:10,590

number of times to skeptics when I

1658

01:16:14,149 --> 01:16:12,329

talked to them and you know of course

1659

01:16:17,120 --> 01:16:14,159

they have their answers of the mogul and

1660

01:16:19,459 --> 01:16:17,130

all that another question there's a

1661

01:16:21,379 --> 01:16:19,469

question up on the not a question

1662

01:16:24,620 --> 01:16:21,389

there's a comment on the message board

1663

01:16:27,640 --> 01:16:24,630

by a frank it's he writes and I'm not

1664

01:16:30,109 --> 01:16:27,650

sure of the accuracy of this but Frank

1665

01:16:31,819 --> 01:16:30,119

Frank is saying at the time of the

1666

01:16:34,819 --> 01:16:31,829

Roswell incident I heard there was a

1667

01:16:36,949 --> 01:16:34,829

weekly base newsletter for personnel

1668

01:16:38,659 --> 01:16:36,959

that were stationed there and the

1669

01:16:41,419 --> 01:16:38,669

addition that came out a few days later

1670

01:16:43,640 --> 01:16:41,429

had no mention of anything that had

1671

01:16:47,060 --> 01:16:43,650

happened I think if that's true that's

1672

01:16:49,100 --> 01:16:47,070

that's another interesting fact yeah I i

1673

01:16:51,319 --> 01:16:49,110

I'm actually not aware of it but I could

1674

01:16:54,979 --> 01:16:51,329

believe it and this is this is where

1675

01:16:58,339 --> 01:16:54,989

ineptitude is actually our greatest ally

1676

01:17:00,729 --> 01:16:58,349

to truth because if they you know just

1677

01:17:03,770 --> 01:17:00,739

go about things in a more normal fashion

1678

01:17:07,069 --> 01:17:03,780

you know it'd be hard for us to feel so

1679

01:17:08,779 --> 01:17:07,079

convicted in our beliefs but when they

1680

01:17:12,049 --> 01:17:08,789

do things like that well they don't even

1681

01:17:14,029 --> 01:17:12,059

address a major incident where where

1682

01:17:16,759 --> 01:17:14,039

they released this report and say case

1683

01:17:18,979 --> 01:17:16,769

closed case closed and provides so

1684

01:17:22,069 --> 01:17:18,989

little evidence and just make blanket

1685

01:17:25,310 --> 01:17:22,079

dogmatic assertions with no evidence it

1686

01:17:27,229 --> 01:17:25,320

only makes us more suspicious but it's

1687

01:17:29,469 --> 01:17:27,239

fascinating and I owe something to that

1688

01:17:33,140 --> 01:17:29,479

because it only helps show up my belief

1689

01:17:35,239 --> 01:17:33,150

right yeah and there are some you know

1690

01:17:37,580 --> 01:17:35,249

there's there's been many other cases

1691

01:17:41,330 --> 01:17:37,590

and I don't know if you're familiar with

1692

01:17:43,100 --> 01:17:41,340

the Robertson panel yeah yeah so I mean

1693

01:17:45,949 --> 01:17:43,110

there was that you know pushing that but

1694

01:17:47,529 --> 01:17:45,959

you know back when this going back to

1695

01:17:51,429 --> 01:17:47,539

Roswell when it first happened you know

1696

01:17:53,450 --> 01:17:51,439

1947 we come out of the World War two

1697

01:17:57,230 --> 01:17:53,460

everyone listen to the government

1698

01:18:01,430 --> 01:17:57,240

and that sure went quiet very quickly

1699

01:18:04,940 --> 01:18:01,440

and faded away until it came back you

1700

01:18:08,210 --> 01:18:04,950

know quite by chance actually and it

1701

01:18:10,790 --> 01:18:08,220

makes me wonder I thought of this if if

1702

01:18:13,760 --> 01:18:10,800

that situation where I can't remember

1703

01:18:16,910 --> 01:18:13,770

was it who spoke with it might have been

1704

01:18:19,820 --> 01:18:16,920

Marcel I think it was Marcel a ham radio

1705

01:18:23,000 --> 01:18:19,830

operator that Stanton Friedman got

1706

01:18:24,440 --> 01:18:23,010

connected to and all that I'm sure the

1707

01:18:27,440 --> 01:18:24,450

case probably would have come out

1708

01:18:30,410 --> 01:18:27,450

eventually through either deathbed you

1709

01:18:33,530 --> 01:18:30,420

know confessions or or something like

1710

01:18:35,600 --> 01:18:33,540

that you know eventually people have to

1711

01:18:36,980 --> 01:18:35,610

have to talk after a while I think when

1712

01:18:40,340 --> 01:18:36,990

they experience something like that

1713

01:18:44,240 --> 01:18:40,350

right well there was recently and see

1714

01:18:46,220 --> 01:18:44,250

that's the thing it's hard to to the

1715

01:18:50,210 --> 01:18:46,230

thing that I always told me through

1716

01:18:52,310 --> 01:18:50,220

people in this works is that they go

1717

01:18:53,960 --> 01:18:52,320

well how come there's more evidence you

1718

01:18:55,460 --> 01:18:53,970

know from I'm going now broad with

1719

01:18:57,260 --> 01:18:55,470

everything they go how come those more

1720

01:18:59,650 --> 01:18:57,270

evidence well there's people of videos

1721

01:19:04,520 --> 01:18:59,660

yeah videos could be you know

1722

01:19:06,830 --> 01:19:04,530

manipulated okay so you're just throwing

1723

01:19:08,810 --> 01:19:06,840

out all potential video evidence okay

1724

01:19:10,430 --> 01:19:08,820

just just acknowledge that you're

1725

01:19:11,990 --> 01:19:10,440

throwing it all out any video evidence

1726

01:19:14,690 --> 01:19:12,000

you're just throwing out because that

1727

01:19:16,640 --> 01:19:14,700

could just be you know effects and

1728

01:19:20,090 --> 01:19:16,650

photoshopping and all that sort of thing

1729

01:19:22,730 --> 01:19:20,100

okay now what about you know just

1730

01:19:28,040 --> 01:19:22,740

recently I'm ranking on the guy you may

1731

01:19:29,900 --> 01:19:28,050

know what I'm talking about a major you

1732

01:19:32,030 --> 01:19:29,910

know Defense Department guy came out and

1733

01:19:33,710 --> 01:19:32,040

said that you know he had seen all these

1734

01:19:35,660 --> 01:19:33,720

aliens and he had worked with them in

1735

01:19:39,290 --> 01:19:35,670

the Air Force industry involved at all

1736

01:19:41,060 --> 01:19:39,300

Paul Hellyer in Canada that's was

1737

01:19:43,310 --> 01:19:41,070

defense minister we of course is very

1738

01:19:44,390 --> 01:19:43,320

intriguing yes yes I was actually

1739

01:19:45,740 --> 01:19:44,400

talking about someone else but let's

1740

01:19:48,170 --> 01:19:45,750

talk about Paul Hellyer everyone

1741

01:19:49,430 --> 01:19:48,180

dismisses him whenever I talk about him

1742

01:19:52,850 --> 01:19:49,440

in the mainstream line well here's a

1743

01:19:55,820 --> 01:19:52,860

major guy a major defense minister you

1744

01:19:57,710 --> 01:19:55,830

know who has for decades you know been

1745

01:20:00,440 --> 01:19:57,720

in the Canadian Parliament or a high up

1746

01:20:02,780 --> 01:20:00,450

official for Canada you know the first

1747

01:20:04,580 --> 01:20:02,790

world country you know Mexico constantly

1748

01:20:06,660 --> 01:20:04,590

has stories with their officials but ok

1749

01:20:09,209 --> 01:20:06,670

they dismiss that second world

1750

01:20:12,000 --> 01:20:09,219

country here's a first world nation a

1751
01:20:14,400 --> 01:20:12,010
major official coming out talking about

1752
01:20:16,950 --> 01:20:14,410
how he knows about the tall white and

1753
01:20:19,590 --> 01:20:16,960
and all these different types of aliens

1754
01:20:21,900 --> 01:20:19,600
why would you just you know right away

1755
01:20:23,689 --> 01:20:21,910
dismiss that you got it you got to ask

1756
01:20:26,280 --> 01:20:23,699
yourself what are you willing to believe

1757
01:20:29,459 --> 01:20:26,290
you know does it happen to happen right

1758
01:20:31,650 --> 01:20:29,469
in front of your face yeah I mean you

1759
01:20:33,540 --> 01:20:31,660
don't feel a lot of and and also what

1760
01:20:36,510 --> 01:20:33,550
are you willing to if I can interject

1761
01:20:40,080 --> 01:20:36,520
for a second what are you willing to

1762
01:20:42,959 --> 01:20:40,090
gain be it being that person and and

1763
01:20:46,650 --> 01:20:42,969

saying all this and having a career that

1764

01:20:49,110 --> 01:20:46,660

you have you can only you know damage

1765

01:20:52,080 --> 01:20:49,120

these days quote unquote you can only

1766

01:20:54,959 --> 01:20:52,090

damage your career like if you're saying

1767

01:20:56,850 --> 01:20:54,969

something like that it needs to be said

1768

01:21:01,800 --> 01:20:56,860

and there's a reason for it to be coming

1769

01:21:03,630 --> 01:21:01,810

out absolutely absolutely and then but

1770

01:21:07,380 --> 01:21:03,640

the big thing that I also like to focus

1771

01:21:08,760 --> 01:21:07,390

on and and this is you know the one of

1772

01:21:11,970 --> 01:21:08,770

the speeches I do at the new phone

1773

01:21:16,410 --> 01:21:11,980

presentation is that the the biggest

1774

01:21:18,750 --> 01:21:16,420

facts taking a step back is what is what

1775

01:21:21,900 --> 01:21:18,760

what is the cause of humanity self

1776

01:21:23,939 --> 01:21:21,910

destructive impulse is it truly an

1777

01:21:26,400 --> 01:21:23,949

instinct I don't believe so and if you

1778

01:21:29,340 --> 01:21:26,410

look at all the evidence it points the

1779

01:21:32,850 --> 01:21:29,350

idea that people who are

1780

01:21:36,750 --> 01:21:32,860

self-destructive don't tend to be highly

1781

01:21:39,810 --> 01:21:36,760

successful individuals you know you can

1782

01:21:41,729 --> 01:21:39,820

be highly successful and be sociopathic

1783

01:21:44,459 --> 01:21:41,739

but you don't tend to be

1784

01:21:46,439 --> 01:21:44,469

self-destructive unless sure we know of

1785

01:21:48,600 --> 01:21:46,449

some successful people that that are

1786

01:21:50,820 --> 01:21:48,610

self-destructive but on the whole the

1787

01:21:54,330 --> 01:21:50,830

two things don't seem to mix and yet

1788

01:21:56,820 --> 01:21:54,340

there are forces in our government that

1789

01:22:00,290 --> 01:21:56,830

are keen on things like nuclear warfare

1790

01:22:03,390 --> 01:22:00,300

which know anything in that is

1791

01:22:06,720 --> 01:22:03,400

indisputable nuclear war even if all our

1792

01:22:08,939 --> 01:22:06,730

nukes just bomb Russia we're still going

1793

01:22:11,939 --> 01:22:08,949

to feel the you know radioactive effects

1794

01:22:13,410 --> 01:22:11,949

in some ways yeah but that's not even

1795

01:22:15,990 --> 01:22:13,420

feasible well of course going to get

1796

01:22:17,550 --> 01:22:16,000

bombed ourselves by Russia and and

1797

01:22:19,660 --> 01:22:17,560

everyone else who had nuclear bombs

1798

01:22:22,150 --> 01:22:19,670

because that's the way it works the foot

1799

01:22:24,490 --> 01:22:22,160

most powerful nation everyone allies

1800

01:22:26,620 --> 01:22:24,500

against in a major war that's will have

1801

01:22:28,240 --> 01:22:26,630

more Germany you know there's no love

1802

01:22:30,070 --> 01:22:28,250

between the u.s. and the Soviet Union

1803

01:22:32,020 --> 01:22:30,080

but being added to take down Germany

1804

01:22:34,600 --> 01:22:32,030

same thing would happen if America went

1805

01:22:36,640 --> 01:22:34,610

on the warpath in a big way the point is

1806

01:22:38,620 --> 01:22:36,650

who then are these people who are so

1807

01:22:42,040 --> 01:22:38,630

keen on nuclear war who are these people

1808

01:22:44,439 --> 01:22:42,050

that are so keen on nuclear power I mean

1809

01:22:46,750 --> 01:22:44,449

it's just the nuclear power is just as

1810

01:22:48,430 --> 01:22:46,760

dangerous as nuclear war I mean we've

1811

01:22:50,560 --> 01:22:48,440

seen with Fukushima a lot of people

1812

01:22:53,439 --> 01:22:50,570

don't realize how dangerous that was or

1813

01:22:55,270 --> 01:22:53,449

still is actually it's not over here

1814

01:22:58,360 --> 01:22:55,280

backward you know when you're done right

1815

01:23:01,030 --> 01:22:58,370

you're done right and you know mature

1816

01:23:03,400 --> 01:23:01,040

Kaku you know went there and said people

1817

01:23:05,740 --> 01:23:03,410

don't realize that we're inches away

1818

01:23:08,970 --> 01:23:05,750

from having to evacuate 30 million

1819

01:23:13,360 --> 01:23:08,980

Japanese people from where they left and

1820

01:23:14,919 --> 01:23:13,370

and and you know people still you know

1821

01:23:17,020 --> 01:23:14,929

fight for that over here when solar

1822

01:23:19,150 --> 01:23:17,030

power is so easy and then you think

1823

01:23:22,270 --> 01:23:19,160

what's greed because they can control

1824

01:23:24,100 --> 01:23:22,280

the the nuclear plants but the fact is

1825

01:23:26,830 --> 01:23:24,110

they could control the solar panels to

1826

01:23:29,350 --> 01:23:26,840

you know it's not easy to set up a

1827

01:23:31,090 --> 01:23:29,360

forward power infrastructure and yes

1828

01:23:32,919 --> 01:23:31,100

people could eventually put them all up

1829

01:23:35,530 --> 01:23:32,929

on their houses and maybe by making a

1830

01:23:37,419 --> 01:23:35,540

solar power away in the desert it would

1831

01:23:40,150 --> 01:23:37,429

make people think of it more and put it

1832

01:23:41,590 --> 01:23:40,160

up on the houses but unlikely unlikely

1833

01:23:43,540 --> 01:23:41,600

the truth is they could make a fortune

1834

01:23:45,130 --> 01:23:43,550

they might not have as much revenue

1835

01:23:46,990 --> 01:23:45,140

people might be paying less but it'll be

1836

01:23:49,209 --> 01:23:47,000

much more profit because they're not

1837

01:23:51,100 --> 01:23:49,219

drilling for oil and they're not you

1838

01:23:53,500 --> 01:23:51,110

know uh extracting uranium which is

1839

01:23:56,080 --> 01:23:53,510

extremely hard to extract so why are

1840

01:23:57,910 --> 01:23:56,090

they fighting for power so badly when

1841

01:24:00,189 --> 01:23:57,920

they could be making money off of an

1842

01:24:01,390 --> 01:24:00,199

infrastructure based on full power why

1843

01:24:04,060 --> 01:24:01,400

are they why are they allowing

1844

01:24:05,950 --> 01:24:04,070

pesticides that they know mess with

1845

01:24:08,229 --> 01:24:05,960

people's minds and that you cannot

1846

01:24:10,450 --> 01:24:08,239

escape unless you're wearing an oxygen

1847

01:24:12,280 --> 01:24:10,460

mask all the time outside why did they

1848

01:24:14,650 --> 01:24:12,290

fight for lead in the gas when even the

1849

01:24:16,870 --> 01:24:14,660

Romans knew that lead was dangerous to

1850

01:24:18,669 --> 01:24:16,880

the mind and you can't get away from

1851
01:24:20,140 --> 01:24:18,679
lead you know what it was blowing out of

1852
01:24:22,720 --> 01:24:20,150
the exhaust pipes you couldn't get away

1853
01:24:25,570 --> 01:24:22,730
from it this all comes around to the

1854
01:24:28,360 --> 01:24:25,580
same thing that we do the first world

1855
01:24:30,550 --> 01:24:28,370
powers due to lesser nations to keep

1856
01:24:32,570 --> 01:24:30,560
them down to keep them from becoming

1857
01:24:35,690 --> 01:24:32,580
potential threats it's

1858
01:24:37,940 --> 01:24:35,700
like sanctions we you know it's very

1859
01:24:40,790 --> 01:24:37,950
broad brush it's very terror bombing

1860
01:24:42,920 --> 01:24:40,800
element you know where you just carpet

1861
01:24:44,870 --> 01:24:42,930
bomb a nation with sanctions you know

1862
01:24:47,630 --> 01:24:44,880
also that they can't you know let's say

1863
01:24:49,490 --> 01:24:47,640

an Iran case you know we sanction them

1864

01:24:52,010 --> 01:24:49,500

out so that they can't build a nuclear

1865

01:24:55,010 --> 01:24:52,020

bomb also that they won't be a potential

1866

01:24:57,110 --> 01:24:55,020

future threat this this is also

1867

01:25:00,290 --> 01:24:57,120

something we do in a multitude of other

1868

01:25:02,720 --> 01:25:00,300

much more black ops much more under you

1869

01:25:05,930 --> 01:25:02,730

know you know under-the-radar style ways

1870

01:25:07,970 --> 01:25:05,940

where we where we you know put lead into

1871

01:25:10,910 --> 01:25:07,980

Eastern European countries where we cook

1872

01:25:13,250 --> 01:25:10,920

led into African countries and we will

1873

01:25:16,790 --> 01:25:13,260

fully do that now knowing how bad it is

1874

01:25:19,490 --> 01:25:16,800

and in many other tactics all to keep

1875

01:25:21,500 --> 01:25:19,500

people from being potential nation

1876

01:25:24,650 --> 01:25:21,510

states that might one day be a threat

1877

01:25:27,440 --> 01:25:24,660

and as thick as it sounds that's the way

1878

01:25:29,720 --> 01:25:27,450

the more powerful nations treat the less

1879

01:25:31,910 --> 01:25:29,730

powerful they win the race and then they

1880

01:25:33,410 --> 01:25:31,920

try to keep everyone from even finishing

1881

01:25:35,540 --> 01:25:33,420

the race because then they might be

1882

01:25:38,120 --> 01:25:35,550

potential threats and that's what leads

1883

01:25:40,670 --> 01:25:38,130

you to see that there is something not

1884

01:25:42,320 --> 01:25:40,680

of this world that is affecting our

1885

01:25:44,690 --> 01:25:42,330

politics and that gets into that

1886

01:25:46,280 --> 01:25:44,700

intergalactic political game where I

1887

01:25:48,680 --> 01:25:46,290

believe we're caught between many

1888

01:25:50,630 --> 01:25:48,690

different superpowers neither one is

1889

01:25:52,670 --> 01:25:50,640

necessarily the good or the bad guy just

1890

01:25:55,400 --> 01:25:52,680

like the Soviet Union versus the United

1891

01:25:57,650 --> 01:25:55,410

States they chose their allies and their

1892

01:26:00,010 --> 01:25:57,660

proxy worse they found her politically

1893

01:26:04,040 --> 01:26:00,020

serve them not necessarily on on

1894

01:26:06,590 --> 01:26:04,050

morality or anything like that yeah we

1895

01:26:09,980 --> 01:26:06,600

we need to probably say a little bit

1896

01:26:12,710 --> 01:26:09,990

more on topic on you know on the UFO

1897

01:26:16,850 --> 01:26:12,720

subject a little bit in how this relates

1898

01:26:18,650 --> 01:26:16,860

relates to it if we could and let's see

1899

01:26:21,590 --> 01:26:18,660

I did have a question for you Paul

1900

01:26:23,450 --> 01:26:21,600

Hellyer is that has actually agreed many

1901

01:26:26,000 --> 01:26:23,460

months ago to be on the show he will be

1902

01:26:28,970 --> 01:26:26,010

really yeah he'll be on eventually we

1903

01:26:32,180 --> 01:26:28,980

pass e-mails back and forth every few

1904

01:26:35,030 --> 01:26:32,190

months he's always very busy and he's

1905

01:26:37,280 --> 01:26:35,040

rather elderly I think he's if i'm not

1906

01:26:40,220 --> 01:26:37,290

mistaken he's either 90 or close to it

1907

01:26:42,020 --> 01:26:40,230

oh yes yes because he's been in the you

1908

01:26:45,020 --> 01:26:42,030

know canadian government social sixties

1909

01:26:46,189 --> 01:26:45,030

yeah so i have a it's kind of a blunt

1910

01:26:48,680 --> 01:26:46,199

question here excuse

1911

01:26:51,140 --> 01:26:48,690

sir this is on the message board but are

1912

01:26:52,939 --> 01:26:51,150

you saying that people like hall Charles

1913

01:26:56,299 --> 01:26:52,949

halt hang on just a minute the message

1914

01:26:59,449 --> 01:26:56,309

boards moving around here who sees tall

1915

01:27:02,629 --> 01:26:59,459

whites is telling the truth uh you know

1916

01:27:05,060 --> 01:27:02,639

it's Yelp Charles a weird guy you know I

1917

01:27:07,040 --> 01:27:05,070

don't know that's weird you know she's

1918

01:27:11,569 --> 01:27:07,050

got a weird way about him and the way

1919

01:27:15,259 --> 01:27:11,579

decide things as well absurd and uh you

1920

01:27:17,270 --> 01:27:15,269

know it's just weird i don't get what

1921

01:27:19,339 --> 01:27:17,280

the point of his experience was he was

1922

01:27:23,000 --> 01:27:19,349

just sent out to interact with them from

1923

01:27:24,799 --> 01:27:23,010

kind of nobody there you know I had this

1924

01:27:26,180 --> 01:27:24,809

objective to interact with them and he

1925

01:27:28,160 --> 01:27:26,190

was allowed to talk about it when

1926

01:27:32,779 --> 01:27:28,170

everyone I don't get the story you know

1927

01:27:35,149 --> 01:27:32,789

I'm not uh it's so weird that it's

1928

01:27:37,489 --> 01:27:35,159

almost tempting to believe it because he

1929

01:27:40,939 --> 01:27:37,499

does he doesn't try to give a plausible

1930

01:27:42,259 --> 01:27:40,949

backstory which you know sometimes you

1931

01:27:45,069 --> 01:27:42,269

know that which appears to be

1932

01:27:48,439 --> 01:27:45,079

implausible you know once you know more

1933

01:27:51,949 --> 01:27:48,449

turns out to be much more it didn't end

1934

01:27:53,600 --> 01:27:51,959

up making sense so the fact that he

1935

01:27:56,540 --> 01:27:53,610

doesn't even try to give a plausible

1936

01:27:58,939 --> 01:27:56,550

backstory to it but you know so he's got

1937

01:28:02,149 --> 01:27:58,949

a weird guy just kind of a lunatic or

1938

01:28:06,979 --> 01:28:02,159

maybe a son to it but when i watch his

1939

01:28:10,339 --> 01:28:06,989

videos and like he just strikes me as

1940

01:28:12,979 --> 01:28:10,349

kind of um you know like he's just

1941

01:28:17,060 --> 01:28:12,989

seeking publicity maybe I I don't know I

1942

01:28:19,609 --> 01:28:17,070

find it very unbelievable yeah

1943

01:28:22,160 --> 01:28:19,619

everything you know that that doesn't

1944

01:28:26,029 --> 01:28:22,170

mean there's not like you know a

1945

01:28:28,189 --> 01:28:26,039

negative truth through the Charles Hall

1946

01:28:31,310 --> 01:28:28,199

is not what I used to be you know the

1947

01:28:34,189 --> 01:28:31,320

polite concept on Paul Hellyer on the

1948

01:28:35,959 --> 01:28:34,199

other hand you know he did seem to kind

1949

01:28:37,759 --> 01:28:35,969

of leap onto the tall white concept

1950

01:28:40,750 --> 01:28:37,769

after Charles Hall talked about it and

1951

01:28:43,580 --> 01:28:40,760

that sent that red flags to me yeah what

1952

01:28:48,609 --> 01:28:43,590

you know they want there's there's hard

1953

01:28:51,410 --> 01:28:48,619

me there's a few a few things you know

1954

01:28:54,140 --> 01:28:51,420

of course I have Paul coming up as guest

1955

01:28:56,390 --> 01:28:54,150

I'm not gonna not going to bad-mouth him

1956

01:28:57,799 --> 01:28:56,400

and basically what happens in situations

1957

01:28:59,730 --> 01:28:57,809

like that is I let people talk and

1958

01:29:03,000 --> 01:28:59,740

people can make up their own mind

1959

01:29:04,710 --> 01:29:03,010

as far as as far as what's what's he

1960

01:29:06,330 --> 01:29:04,720

saying but there's you know he's been

1961

01:29:09,030 --> 01:29:06,340

called out on a number of things that he

1962

01:29:11,490 --> 01:29:09,040

isn't really addressed in and you know a

1963

01:29:14,640 --> 01:29:11,500

lot of times that's what a message board

1964

01:29:18,030 --> 01:29:14,650

or a call-in shows about absolutely

1965

01:29:22,230 --> 01:29:18,040

someone can address that and and and

1966

01:29:24,870 --> 01:29:22,240

Rick so you know you you talked a lot

1967

01:29:30,540 --> 01:29:24,880

about politics but as far as sort of the

1968

01:29:33,480 --> 01:29:30,550

intergalactic politics where where do

1969

01:29:37,200 --> 01:29:33,490

you see that like you talked a little

1970

01:29:41,820 --> 01:29:37,210

bit in your MUFON you move on to talk

1971

01:29:44,010 --> 01:29:41,830

about about reptiles and how I'm sorry

1972

01:29:46,110 --> 01:29:44,020

you know what I can let me talk about

1973

01:29:52,010 --> 01:29:46,120

the reptiles because this is a nice

1974

01:29:53,670 --> 01:29:52,020

little factoid the the Paluxy River

1975

01:29:55,110 --> 01:29:53,680

footprints I don't know if you've heard

1976

01:29:58,550 --> 01:29:55,120

about them there are a hundred million

1977

01:30:01,380 --> 01:29:58,560

years old and they are clearly bipedal

1978

01:30:03,360 --> 01:30:01,390

footprints nation I said clearly which

1979

01:30:05,190 --> 01:30:03,370

is kind of like the ancient aliens guy

1980

01:30:07,140 --> 01:30:05,200

and stuff but this is actually clearly

1981

01:30:09,800 --> 01:30:07,150

this is accepted by the archeological

1982

01:30:12,810 --> 01:30:09,810

community that these are in fact bipedal

1983

01:30:14,790 --> 01:30:12,820

footprints well I'm going to just

1984

01:30:19,380 --> 01:30:14,800

interrupt you here because yeah well we

1985

01:30:21,090 --> 01:30:19,390

have a we have a dinosaur tracker who's

1986

01:30:22,710 --> 01:30:21,100

a scientist he's probably listening

1987

01:30:29,490 --> 01:30:22,720

right now he listens to most of the

1988

01:30:31,980 --> 01:30:29,500

shows and he he he I can't think of what

1989

01:30:35,400 --> 01:30:31,990

he came up with on that but he said that

1990

01:30:38,030 --> 01:30:35,410

is totally a dinosaur track that looks

1991

01:30:41,400 --> 01:30:38,040

very similar and he knew the exact

1992

01:30:43,350 --> 01:30:41,410

dinosaur and everything so I'm not

1993

01:30:45,540 --> 01:30:43,360

really sure I understand exactly because

1994

01:30:48,240 --> 01:30:45,550

I that was a question I said to him I

1995

01:30:49,950 --> 01:30:48,250

said you know does this mean that you

1996

01:30:51,900 --> 01:30:49,960

know there were people back when

1997

01:30:54,810 --> 01:30:51,910

dinosaurs were and he knew everything

1998

01:30:59,130 --> 01:30:54,820

about that pretty thoroughly and I would

1999

01:31:01,440 --> 01:30:59,140

be glad to shoot an email off to him and

2000

01:31:04,020 --> 01:31:01,450

get the exactly through and please do

2001
01:31:06,540 --> 01:31:04,030
actually I would love that because I

2002
01:31:08,340 --> 01:31:06,550
have you know I can't you know I I was

2003
01:31:10,200 --> 01:31:08,350
given a little bit of short warning for

2004
01:31:12,810 --> 01:31:10,210
the ship so I was actually on the road

2005
01:31:15,540 --> 01:31:12,820
and just got to a landline but

2006
01:31:18,570 --> 01:31:15,550
here's here there is a lot of facts that

2007
01:31:20,580 --> 01:31:18,580
it is not established what that was at

2008
01:31:22,080 --> 01:31:20,590
all and I and I get this from the

2009
01:31:26,400 --> 01:31:22,090
archaeological community I'd love to

2010
01:31:27,990 --> 01:31:26,410
hear what he thinks but it is not at all

2011
01:31:30,720 --> 01:31:28,000
established what that is that's why the

2012
01:31:32,580 --> 01:31:30,730
creationists were so you know jumping on

2013
01:31:34,080 --> 01:31:32,590

it saying look that means you know we're

2014

01:31:36,390 --> 01:31:34,090

only 5,000 years old we lived with the

2015

01:31:39,420 --> 01:31:36,400

dinosaurs as a human footprint it was

2016

01:31:41,370 --> 01:31:39,430

clear to scientists for you know over 30

2017

01:31:42,690 --> 01:31:41,380

years that these were weird footprints

2018

01:31:45,050 --> 01:31:42,700

that they couldn't be distinguished and

2019

01:31:48,450 --> 01:31:45,060

in fact yes then the lead guy who

2020

01:31:51,720 --> 01:31:48,460

decided to pursue it you know found that

2021

01:31:53,880 --> 01:31:51,730

the does appear to be three toes on it

2022

01:31:56,010 --> 01:31:53,890

even though those toes are not very

2023

01:31:58,290 --> 01:31:56,020

obvious but he was able to tell by by

2024

01:31:59,970 --> 01:31:58,300

Miss coloration in the stone and

2025

01:32:02,700 --> 01:31:59,980

everything that in fact there were close

2026

01:32:07,590 --> 01:32:02,710

and so the probably was three toes but

2027

01:32:10,110 --> 01:32:07,600

it's heavy on the heel and it and it's a

2028

01:32:12,450 --> 01:32:10,120

long fret as a personal ones that you

2029

01:32:15,030 --> 01:32:12,460

know the pause that we often see in

2030

01:32:18,660 --> 01:32:15,040

quadrupedal and and bipedal dinosaurs

2031

01:32:20,070 --> 01:32:18,670

and it does appear to even the Ark a lot

2032

01:32:22,230 --> 01:32:20,080

and the archeological community has

2033

01:32:24,600 --> 01:32:22,240

bought into this idea that it was this

2034

01:32:27,570 --> 01:32:24,610

type of dinosaur that either once in a

2035

01:32:29,520 --> 01:32:27,580

while or habitually walked in a plan to

2036

01:32:31,260 --> 01:32:29,530

great fashion as humans do and the only

2037

01:32:33,600 --> 01:32:31,270

other creature that walks in a plan to

2038

01:32:36,060 --> 01:32:33,610

great expression is the bear that in

2039

01:32:37,650 --> 01:32:36,070

today's day and of course the bear has

2040

01:32:39,780 --> 01:32:37,660

very obvious pause phones and everything

2041

01:32:41,550 --> 01:32:39,790

it doesn't have a distinct heel and all

2042

01:32:44,270 --> 01:32:41,560

those other things that are that go

2043

01:32:48,150 --> 01:32:44,280

along with being an evolved bipedal

2044

01:32:50,310 --> 01:32:48,160

animal and I took them it took the

2045

01:32:52,320 --> 01:32:50,320

archeological community decades to

2046

01:32:54,960 --> 01:32:52,330

finally latch onto the idea that this

2047

01:32:58,170 --> 01:32:54,970

might in fact be a dinosaur that least

2048

01:33:00,360 --> 01:32:58,180

oftentimes walk bipedally they still

2049

01:33:02,220 --> 01:33:00,370

haven't enjoyed latching on to it just

2050

01:33:03,390 --> 01:33:02,230

like the physics community doesn't enjoy

2051

01:33:05,370 --> 01:33:03,400

latching on to the idea that

2052

01:33:07,980 --> 01:33:05,380

consciousness effects outcome of

2053

01:33:10,590 --> 01:33:07,990

experiments but they have to accept that

2054

01:33:14,400 --> 01:33:10,600

at least according to factors oh no mal

2055

01:33:17,280 --> 01:33:14,410

it is a very unique fun so you know I

2056

01:33:19,290 --> 01:33:17,290

would love to hear from this person who

2057

01:33:21,720 --> 01:33:19,300

says that it's a well known dinosaur

2058

01:33:23,940 --> 01:33:21,730

because you know as I said I get it from

2059

01:33:25,750 --> 01:33:23,950

mainstream services and I'm very big

2060

01:33:28,240 --> 01:33:25,760

into archaeology and and

2061

01:33:30,009 --> 01:33:28,250

and are everything that I've read in the

2062

01:33:31,629 --> 01:33:30,019

archaeological field when I found anyone

2063

01:33:34,209 --> 01:33:31,639

to go on the internet right now and go

2064

01:33:36,669 --> 01:33:34,219

to you know the Smithsonian and and

2065

01:33:39,779 --> 01:33:36,679

reach out to archaeologists and top line

2066

01:33:41,950 --> 01:33:39,789

archaeologists this is not at all a

2067

01:33:44,169 --> 01:33:41,960

dinosaur that they understand or know

2068

01:33:46,990 --> 01:33:44,179

all right um I'm just going to say this

2069

01:33:49,839 --> 01:33:47,000

some ray if you happen to be listening

2070

01:33:52,080 --> 01:33:49,849

please give a call into the show maybe

2071

01:34:01,990 --> 01:33:52,090

you can just call in right now that's

2072

01:34:08,609 --> 01:34:02,000

603 oh my goodness okay 6039 6740 30

2073

01:34:14,229 --> 01:34:08,619

that's 6039 did I just say it again 60

2074

01:34:17,649 --> 01:34:14,239

3937 4030 99% sure that is the number

2075

01:34:20,680 --> 01:34:17,659

here it's a skype number so it's not

2076
01:34:24,370 --> 01:34:20,690
something that that I just remember off

2077
01:34:29,620 --> 01:34:24,380
off the top of my head so you have

2078
01:34:32,709 --> 01:34:29,630
written books Rick and is it all like

2079
01:34:34,450 --> 01:34:32,719
you say science fact is that what you

2080
01:34:37,959 --> 01:34:34,460
say faction science faction is that what

2081
01:34:39,819 --> 01:34:37,969
you called it yes yes sir yeah the

2082
01:34:42,370 --> 01:34:39,829
keepers revolved around at a potential

2083
01:34:44,229 --> 01:34:42,380
World War 3 in the future and the

2084
01:34:48,100 --> 01:34:44,239
outcomes of technology that's involved

2085
01:34:50,830 --> 01:34:48,110
in it and now as I said I'm working on

2086
01:34:53,500 --> 01:34:50,840
you know a one that is based around

2087
01:34:55,330 --> 01:34:53,510
aliens talking about at you know I was

2088
01:34:58,000 --> 01:34:55,340

discussing that basically what I was

2089

01:35:00,189 --> 01:34:58,010

leading to is I believe that reptilians

2090

01:35:03,220 --> 01:35:00,199

you know actually began on this planet

2091

01:35:05,740 --> 01:35:03,230

and some of the evidence is for instance

2092

01:35:10,450 --> 01:35:05,750

those Pepsi footprints because you know

2093

01:35:14,140 --> 01:35:10,460

by x cube ality is linked to you know

2094

01:35:16,330 --> 01:35:14,150

human consciousness even more than then

2095

01:35:18,669 --> 01:35:16,340

you'd be opposable thumb in the life as

2096

01:35:22,299 --> 01:35:18,679

we know we call homo erectus you know a

2097

01:35:24,009 --> 01:35:22,309

huge leap in our you know evolution

2098

01:35:26,830 --> 01:35:24,019

because that was when humanity started

2099

01:35:29,500 --> 01:35:26,840

walking upright and there's so many

2100

01:35:33,430 --> 01:35:29,510

reasons why that is important that

2101

01:35:36,310 --> 01:35:33,440

because it wait excuse walk is not is

2102

01:35:38,960 --> 01:35:36,320

not excellent for survival in terms of

2103

01:35:42,290 --> 01:35:38,970

physical survival it's not very fast

2104

01:35:44,570 --> 01:35:42,300

not very agile but if you're intelligent

2105

01:35:47,420 --> 01:35:44,580

it allows you to survey your

2106

01:35:49,490 --> 01:35:47,430

surroundings and assess you know how to

2107

01:35:51,350 --> 01:35:49,500

do deal with things strategically it

2108

01:35:53,480 --> 01:35:51,360

doesn't allow you to run away from Fred

2109

01:35:56,030 --> 01:35:53,490

over very easily but allows you to stand

2110

01:35:58,310 --> 01:35:56,040

there acknowledge how a predator and

2111

01:36:00,800 --> 01:35:58,320

study how predator fights and everything

2112

01:36:02,780 --> 01:36:00,810

and then you know it also allows this is

2113

01:36:04,850 --> 01:36:02,790

on the big things by standing by Peter

2114

01:36:07,550 --> 01:36:04,860

Lee constantly and in that particular

2115

01:36:10,610 --> 01:36:07,560

fashion it allows for an upright spine

2116

01:36:14,840 --> 01:36:10,620

which allows for a heavy head to sit

2117

01:36:17,000 --> 01:36:14,850

upon the spine to rest in a constant way

2118

01:36:19,700 --> 01:36:17,010

which allows for a bigger brain to form

2119

01:36:22,700 --> 01:36:19,710

it also allows for hands to be free to

2120

01:36:26,780 --> 01:36:22,710

hold tool instruments to hold Spears and

2121

01:36:29,810 --> 01:36:26,790

the like so by P ballot E is a huge step

2122

01:36:33,140 --> 01:36:29,820

in evolution and and you know

2123

01:36:35,180 --> 01:36:33,150

archaeologists you know have very little

2124

01:36:36,830 --> 01:36:35,190

you know that they go on in the past

2125

01:36:40,070 --> 01:36:36,840

ultimately I mean the amount of of

2126
01:36:42,710 --> 01:36:40,080
hominid fossils that have been found can

2127
01:36:44,870 --> 01:36:42,720
put in one room you know when it comes

2128
01:36:46,850 --> 01:36:44,880
and they were talking about at the most

2129
01:36:49,250 --> 01:36:46,860
two to three million years ago when it

2130
01:36:53,030 --> 01:36:49,260
comes to dinosaurs we often have very

2131
01:36:55,120 --> 01:36:53,040
little so when we find something as big

2132
01:36:58,220 --> 01:36:55,130
as the Paluxy River of footprints

2133
01:37:00,230 --> 01:36:58,230
conventionally that would cause the

2134
01:37:02,780 --> 01:37:00,240
scientific community to generate the

2135
01:37:05,330 --> 01:37:02,790
whole new paradigm of theories but other

2136
01:37:07,550 --> 01:37:05,340
saying even though consciousness has

2137
01:37:09,770 --> 01:37:07,560
long been accepted in the physics

2138
01:37:11,480 --> 01:37:09,780

community as affecting matter and

2139

01:37:12,590 --> 01:37:11,490

outcome of experiments you know with

2140

01:37:15,110 --> 01:37:12,600

things like the double slit like

2141

01:37:17,420 --> 01:37:15,120

experience they don't like it you know

2142

01:37:18,680 --> 01:37:17,430

they have to acknowledge it but you know

2143

01:37:21,170 --> 01:37:18,690

they don't like it they don't like

2144

01:37:23,450 --> 01:37:21,180

saying that conscious observation it's

2145

01:37:26,120 --> 01:37:23,460

you know effects outcome they don't like

2146

01:37:28,430 --> 01:37:26,130

saying that a dinosaur stood by pili a

2147

01:37:30,500 --> 01:37:28,440

hundred million years ago they but they

2148

01:37:33,890 --> 01:37:30,510

do acknowledge it but yet they don't

2149

01:37:37,580 --> 01:37:33,900

allow it to to make major paradigm

2150

01:37:40,220 --> 01:37:37,590

shifting theories and and you know

2151

01:37:44,510 --> 01:37:40,230

that's that's dogma you know I inhabit

2152

01:37:46,730 --> 01:37:44,520

the dogma okay so I just wanted to say

2153

01:37:49,370 --> 01:37:46,740

that Bray if you're listening I'm sorry

2154

01:37:52,740 --> 01:37:49,380

gave you the wrong number if you happen

2155

01:37:58,680 --> 01:37:52,750

to be listening one more time 60 396

2156

01:38:01,380 --> 01:37:58,690

7 40 30 40 30 last four digits so he may

2157

01:38:04,110 --> 01:38:01,390

or may not call in and a lot of times he

2158

01:38:08,970 --> 01:38:04,120

does catch the show you know later not

2159

01:38:12,530 --> 01:38:08,980

live but all right so I want to hear

2160

01:38:15,180 --> 01:38:12,540

Rick of course we'll get back to you

2161

01:38:18,780 --> 01:38:15,190

mark but Rick was what is your

2162

01:38:22,080 --> 01:38:18,790

background well I background is on the

2163

01:38:24,600 --> 01:38:22,090

journalism major so that that you know

2164

01:38:28,920 --> 01:38:24,610

explains my you know my left for

2165

01:38:33,900 --> 01:38:28,930

research and you know that that began my

2166

01:38:37,260 --> 01:38:33,910

exploration of you know everything you

2167

01:38:41,190 --> 01:38:37,270

know is that journalism mindset and of

2168

01:38:43,050 --> 01:38:41,200

course when I came out you know looking

2169

01:38:45,510 --> 01:38:43,060

to be a journalist the world was

2170

01:38:49,320 --> 01:38:45,520

shifting you know print was starting to

2171

01:38:52,680 --> 01:38:49,330

die journalism is getting dominated by

2172

01:38:55,200 --> 01:38:52,690

punditry which I'm not too fond of

2173

01:38:57,270 --> 01:38:55,210

because I think that that the

2174

01:38:59,850 --> 01:38:57,280

corresponding tree is just to cause

2175

01:39:02,880 --> 01:38:59,860

division in humanity you know we see a

2176
01:39:06,240 --> 01:39:02,890
blatantly with Fox News and CNN you know

2177
01:39:08,730 --> 01:39:06,250
it just tries to put forth ideas in a

2178
01:39:10,440 --> 01:39:08,740
way that will you know purposely touch a

2179
01:39:12,480 --> 01:39:10,450
nerve and some people in a good way and

2180
01:39:14,790 --> 01:39:12,490
purposely touch a nerve in a bad way and

2181
01:39:18,780 --> 01:39:14,800
other people so I decided not to go that

2182
01:39:21,750 --> 01:39:18,790
route and you know through my research I

2183
01:39:25,500 --> 01:39:21,760
discovered that there is potential for

2184
01:39:28,380 --> 01:39:25,510
looming World War the this century began

2185
01:39:31,170 --> 01:39:28,390
a lot like last century you know people

2186
01:39:34,200 --> 01:39:31,180
don't realize that the the last century

2187
01:39:36,810 --> 01:39:34,210
you know people you know what we're

2188
01:39:39,390 --> 01:39:36,820

looking to end war and and they were you

2189

01:39:41,490 --> 01:39:39,400

know the sick of it and impacting our

2190

01:39:43,590 --> 01:39:41,500

America Francis did not want to enter

2191

01:39:45,510 --> 01:39:43,600

world war one and Wilson you know

2192

01:39:47,910 --> 01:39:45,520

specifically called it the world to end

2193

01:39:49,770 --> 01:39:47,920

all wars right which of course was a

2194

01:39:52,770 --> 01:39:49,780

joke because it led to World War two and

2195

01:39:55,290 --> 01:39:52,780

he had all these you know idealisms that

2196

01:39:57,150 --> 01:39:55,300

in a George Bush put forth that you know

2197

01:39:59,580 --> 01:39:57,160

at the war for democracy at the war for

2198

01:40:02,820 --> 01:39:59,590

peace all of these things with a wilson

2199

01:40:05,700 --> 01:40:02,830

did not follow through with and this is

2200

01:40:06,450 --> 01:40:05,710

how a century of will get started and

2201

01:40:09,330 --> 01:40:06,460

that's how

2202

01:40:11,970 --> 01:40:09,340

came up with an IA you know a plot line

2203

01:40:13,979 --> 01:40:11,980

that spoke to basically it will it free

2204

01:40:16,400 --> 01:40:13,989

that would be you know very similar to

2205

01:40:19,440 --> 01:40:16,410

what will 02 was to the last century

2206

01:40:21,990 --> 01:40:19,450

right right well you know we're getting

2207

01:40:23,700 --> 01:40:22,000

a little off topic but I don't mind you

2208

01:40:25,770 --> 01:40:23,710

know I don't mind talking about

2209

01:40:28,950 --> 01:40:25,780

different things in the intergalactic

2210

01:40:32,010 --> 01:40:28,960

politics or whatever it is so I may have

2211

01:40:36,510 --> 01:40:32,020

misquoted that other any other other any

2212

01:40:40,650 --> 01:40:36,520

other UFO cases that come into mind or

2213

01:40:44,100 --> 01:40:40,660

anything like that all right the the big

2214

01:40:47,100 --> 01:40:44,110

thing that I often discusses is a you

2215

01:40:51,240 --> 01:40:47,110

know you know yeah I discuss for

2216

01:40:54,330 --> 01:40:51,250

instance how you know the Milky Way was

2217

01:40:56,780 --> 01:40:54,340

was blended you know a few hundred

2218

01:40:59,400 --> 01:40:56,790

million years ago with another galaxy

2219

01:41:02,490 --> 01:40:59,410

where the Arcturus stream is now a

2220

01:41:06,690 --> 01:41:02,500

remnant and basically what I discussed

2221

01:41:10,979 --> 01:41:06,700

my books is is the be kind of causations

2222

01:41:13,560 --> 01:41:10,989

of the different alien species and the

2223

01:41:17,340 --> 01:41:13,570

like and how and why they're affecting

2224

01:41:19,979 --> 01:41:17,350

our planet and you know I I don't let so

2225

01:41:21,810 --> 01:41:19,989

speak to specific sightings that have

2226

01:41:24,870 --> 01:41:21,820

occurred you know some of the stuff I've

2227

01:41:27,390 --> 01:41:24,880

talked about is is you know because I'm

2228

01:41:29,400 --> 01:41:27,400

fascinated as you can tell with my

2229

01:41:32,190 --> 01:41:29,410

previous series with with Laura

2230

01:41:34,590 --> 01:41:32,200

espionage how first work nations that's

2231

01:41:36,900 --> 01:41:34,600

what I was first on with my first series

2232

01:41:39,959 --> 01:41:36,910

and then I came on to seeing that in

2233

01:41:42,990 --> 01:41:39,969

fact we seem to be a proxy war for

2234

01:41:45,180 --> 01:41:43,000

intergalactic powers and so that's more

2235

01:41:47,820 --> 01:41:45,190

what my book focuses on and why the

2236

01:41:51,000 --> 01:41:47,830

Arcturus stream generated a different

2237

01:41:53,570 --> 01:41:51,010

set of alien consciousness and why our

2238

01:41:55,740 --> 01:41:53,580

planet you know derive the reptilian

2239

01:41:57,360 --> 01:41:55,750

consciousness and why there is now a

2240

01:41:59,640 --> 01:41:57,370

battle between those two different

2241

01:42:00,870 --> 01:41:59,650

consciousnesses all backed up by science

2242

01:42:02,430 --> 01:42:00,880

not the least of which being that

2243

01:42:05,060 --> 01:42:02,440

scientists are now acknowledging that

2244

01:42:08,340 --> 01:42:05,070

consciousness is actually a physical

2245

01:42:11,930 --> 01:42:08,350

particle and that it's probably linked

2246

01:42:14,550 --> 01:42:11,940

to dark matter dark matter is with

2247

01:42:15,900 --> 01:42:14,560

galaxies both around you know galaxies

2248

01:42:18,000 --> 01:42:15,910

couldn't exist without dark matter dark

2249

01:42:20,010 --> 01:42:18,010

matter one of the biggest elements of

2250

01:42:22,950 --> 01:42:20,020

dark matter is galaxy creation for the

2251

01:42:24,930 --> 01:42:22,960

that our galaxy is is the original Milky

2252

01:42:26,220 --> 01:42:24,940

Way but also this other galaxies that

2253

01:42:27,600 --> 01:42:26,230

makes them that now is the author

2254

01:42:29,550 --> 01:42:27,610

extreme I'm sure you've heard of the

2255

01:42:32,220 --> 01:42:29,560

Arcturians this explains why the

2256

01:42:33,870 --> 01:42:32,230

Oriental well known for having a very

2257

01:42:35,880 --> 01:42:33,880

enlightened consciousness because they

2258

01:42:39,120 --> 01:42:35,890

are of a different galactic

2259

01:42:41,370 --> 01:42:39,130

consciousness than the Milky Way I'm not

2260

01:42:43,680 --> 01:42:41,380

familiar with that term actually oh you

2261

01:42:47,070 --> 01:42:43,690

haven't okay so yeah the attorneys and

2262

01:42:49,860 --> 01:42:47,080

the Pleiadians you know our are you know

2263

01:42:52,670 --> 01:42:49,870

through our kind of the New Age saw that

2264

01:42:55,470 --> 01:42:52,680

often related to the peacekeepers and

2265

01:42:58,980 --> 01:42:55,480

and the reptilians are generally seen as

2266

01:43:02,640 --> 01:42:58,990

the dark side so to speak and this seems

2267

01:43:08,010 --> 01:43:02,650

to pan out and all the research that

2268

01:43:09,300 --> 01:43:08,020

I've done I see okay all right so you

2269

01:43:12,180 --> 01:43:09,310

know we haven't we haven't talked to

2270

01:43:15,270 --> 01:43:12,190

march up with you mark so you've been

2271

01:43:19,340 --> 01:43:15,280

listening yeah I've just been enjoying

2272

01:43:22,650 --> 01:43:19,350

the conversation okay um yeah you know

2273

01:43:26,400 --> 01:43:22,660

so rick has he has a lot of very

2274

01:43:29,940 --> 01:43:26,410

interesting ideas and and they're not

2275

01:43:32,760 --> 01:43:29,950

they're not mainstream ideas by by any

2276

01:43:38,450 --> 01:43:32,770

means but they're they're different and

2277

01:43:41,400 --> 01:43:38,460

he has his facts to to back them up and

2278

01:43:44,370 --> 01:43:41,410

you know what he believes are as facts

2279

01:43:46,590 --> 01:43:44,380

to back them up and what are facts to

2280

01:43:51,090 --> 01:43:46,600

back them up and that's something that

2281

01:43:55,740 --> 01:43:51,100

we you know what went searching for the

2282

01:43:58,500 --> 01:43:55,750

truth and searching for what it is you

2283

01:44:02,820 --> 01:43:58,510

know a deeper meaning to life and what's

2284

01:44:07,140 --> 01:44:02,830

out there there's no reason to discredit

2285

01:44:09,090 --> 01:44:07,150

any sort of idea or philosophy unless

2286

01:44:11,220 --> 01:44:09,100

there is a reason to discredit that

2287

01:44:13,590 --> 01:44:11,230

philosophy and there is proof against it

2288

01:44:16,380 --> 01:44:13,600

and so so that's one of the things I

2289

01:44:20,850 --> 01:44:16,390

really like about rick is that he put so

2290

01:44:24,330 --> 01:44:20,860

much thought and philosophy into into

2291

01:44:26,790 --> 01:44:24,340

what he's into his research and so his

2292

01:44:28,710 --> 01:44:26,800

new book that's coming out he's trying

2293

01:44:31,080 --> 01:44:28,720

to fund it directly through truth

2294

01:44:32,479 --> 01:44:31,090

wanders so his last series he did was a

2295

01:44:36,529 --> 01:44:32,489

three-parter it

2296

01:44:38,359 --> 01:44:36,539

called the keepers and he was on hymns

2297

01:44:42,890 --> 01:44:38,369

on it was in barnes and noble he was

2298

01:44:44,660 --> 01:44:42,900

doing signing said and yeah this new one

2299

01:44:48,200 --> 01:44:44,670

he just wants to try something different

2300

01:44:50,660 --> 01:44:48,210

and a little bit more galactic and he

2301

01:44:53,180 --> 01:44:50,670

loves jump in I want to find out more

2302

01:44:55,129 --> 01:44:53,190

information which is what true funders

2303

01:44:57,620 --> 01:44:55,139

is also that's the main thing I want

2304

01:45:00,529 --> 01:44:57,630

from truth others is to get you know the

2305

01:45:03,140 --> 01:45:00,539

Freedom of Information Act to use it for

2306

01:45:05,779 --> 01:45:03,150

the individual there the Freedom of

2307

01:45:07,640 --> 01:45:05,789

Information Act was created by amazing

2308

01:45:09,259 --> 01:45:07,650

people who are fighting for you know

2309

01:45:10,850 --> 01:45:09,269

basically the average person to be able

2310

01:45:12,319 --> 01:45:10,860

to find out what the heck is going on in

2311

01:45:14,629 --> 01:45:12,329

their governments the foundation of

2312

01:45:16,459 --> 01:45:14,639

america and there's been awesome

2313

01:45:18,319 --> 01:45:16,469

pioneers since the 60s trying to get

2314

01:45:21,620 --> 01:45:18,329

that information out there however

2315

01:45:24,799 --> 01:45:21,630

there's a lot of bureaucracy you have to

2316

01:45:26,689 --> 01:45:24,809

go through in a cost a fortune you know

2317

01:45:28,009 --> 01:45:26,699

further because you have to have a

2318

01:45:30,049 --> 01:45:28,019

lawyer be able to do is the average

2319

01:45:32,060 --> 01:45:30,059

person cannot do and i want to find out

2320

01:45:34,970 --> 01:45:32,070

about everything that the government has

2321

01:45:36,500 --> 01:45:34,980

and oftentimes you know they do a number

2322

01:45:38,359 --> 01:45:36,510

of things they don't necessarily redact

2323

01:45:40,160 --> 01:45:38,369

you know that's not necessarily their

2324

01:45:42,049 --> 01:45:40,170

tactic because that that's too much of a

2325

01:45:45,229 --> 01:45:42,059

giveaway what they do if they give you a

2326

01:45:46,580 --> 01:45:45,239

room for files that is in legalese that

2327

01:45:48,620 --> 01:45:46,590

the average person can understand

2328

01:45:50,509 --> 01:45:48,630

literally it could cost you know a

2329

01:45:53,180 --> 01:45:50,519

hundred thousand dollars two hundred

2330

01:45:55,129 --> 01:45:53,190

thousand dollars to to get to the bottom

2331

01:45:57,169 --> 01:45:55,139

of any one given think that's what i

2332

01:45:59,450 --> 01:45:57,179

want to fund and I and you know there's

2333

01:46:00,620 --> 01:45:59,460

a multitude of lawyers out there that

2334

01:46:02,689 --> 01:46:00,630

are willing to do it and they've done

2335

01:46:03,830 --> 01:46:02,699

things pro bono but you know there's

2336

01:46:06,680 --> 01:46:03,840

only so much they could do they got to

2337

01:46:08,419 --> 01:46:06,690

put food on the table so that's what

2338

01:46:10,879 --> 01:46:08,429

truth finders I think to do for all of

2339

01:46:12,020 --> 01:46:10,889

us and I and I really think that you

2340

01:46:13,939 --> 01:46:12,030

know this is not just for me I think

2341

01:46:16,160 --> 01:46:13,949

this is for anyone who have something

2342

01:46:18,709 --> 01:46:16,170

they want to get to the bottom of what

2343

01:46:20,689 --> 01:46:18,719

you do is you find you know the lawyers

2344

01:46:22,790 --> 01:46:20,699

out there that are doing this you get it

2345

01:46:24,919 --> 01:46:22,800

funded and we can get to the bottom of

2346

01:46:26,450 --> 01:46:24,929

so many things at the very least with

2347

01:46:27,919 --> 01:46:26,460

the willing to disclose and it's

2348

01:46:31,489 --> 01:46:27,929

actually astounding what they're willing

2349

01:46:33,589 --> 01:46:31,499

to disclose if you have you know the

2350

01:46:36,169 --> 01:46:33,599

people that can do it in the time and

2351

01:46:38,750 --> 01:46:36,179

money and resources to be able to from

2352

01:46:41,750 --> 01:46:38,760

that one thing you know I'm going to ask

2353

01:46:45,200 --> 01:46:41,760

an you know I may sound a little crash

2354

01:46:45,770 --> 01:46:45,210

but you know you I'm talking to you Rick

2355

01:46:50,569 --> 01:46:45,780

you know

2356

01:46:51,950 --> 01:46:50,579

facts but you I can't see where there's

2357

01:46:55,790 --> 01:46:51,960

any facts to a lot of things you've been

2358

01:46:58,850 --> 01:46:55,800

talking about you know the for instance

2359

01:47:01,160 --> 01:46:58,860

the Arcturians and and all that where's

2360

01:47:04,810 --> 01:47:01,170

your facts and that type of claim that

2361

01:47:08,870 --> 01:47:04,820

you're making well the thing is is that

2362

01:47:11,089 --> 01:47:08,880

it's based on stuff that is not I guess

2363

01:47:13,850 --> 01:47:11,099

for this venue as much and all that I

2364

01:47:16,189 --> 01:47:13,860

want to talk about how you know physics

2365

01:47:18,709 --> 01:47:16,199

talks about how consciousness is a real

2366

01:47:21,290 --> 01:47:18,719

thing and and then how physics has

2367

01:47:23,660 --> 01:47:21,300

determined that particles are linked to

2368

01:47:26,450 --> 01:47:23,670

consciousness and how how those

2369

01:47:30,109 --> 01:47:26,460

particles are determined to possible

2370

01:47:33,229 --> 01:47:30,119

into dark matter how dark matter is the

2371

01:47:35,870 --> 01:47:33,239

you know the birthplace of galaxies and

2372

01:47:38,540 --> 01:47:35,880

all that but you know I get I suppose

2373

01:47:41,529 --> 01:47:38,550

it's a different you know it's a

2374

01:47:45,109 --> 01:47:41,539

different in head of fact streams that

2375

01:47:47,930 --> 01:47:45,119

you know I think they have coming in a

2376

01:47:50,319 --> 01:47:47,940

lot about specific UFO events on on the

2377

01:47:53,540 --> 01:47:50,329

earth but what I did have was a lot of

2378

01:47:56,180 --> 01:47:53,550

knowledge of how espionage works how

2379

01:47:58,790 --> 01:47:56,190

everything that is going on on our

2380

01:48:02,299 --> 01:47:58,800

planet is very akin to the proxy wars

2381

01:48:04,279 --> 01:48:02,309

that are done by superpowers here to

2382

01:48:07,370 --> 01:48:04,289

lesser nations and how it appears that

2383

01:48:09,560 --> 01:48:07,380

it's all a Russian Russian nesting doll

2384

01:48:11,779 --> 01:48:09,570

where we do it to lesser powers and in

2385

01:48:14,629 --> 01:48:11,789

fact ultimately it's being done to us

2386

01:48:17,810 --> 01:48:14,639

and you know who are these different

2387

01:48:20,839 --> 01:48:17,820

factors and and that's where i go back

2388

01:48:24,580 --> 01:48:20,849

to you know it does appear that there is

2389

01:48:27,529 --> 01:48:24,590

a ways before us and those multitude of

2390

01:48:30,100 --> 01:48:27,539

concepts that you know back up the idea

2391

01:48:33,439 --> 01:48:30,110

that you know i i'm sure you've heard of

2392

01:48:35,180 --> 01:48:33,449

the reptilians i have but you know i

2393

01:48:38,450 --> 01:48:35,190

mean i'm not i'm not convinced to be

2394

01:48:41,660 --> 01:48:38,460

honest with you yes okay you know that

2395

01:48:44,899 --> 01:48:41,670

that makes you know okay well that's

2396

01:48:46,850 --> 01:48:44,909

just different yeah okay you know I mean

2397

01:48:49,850 --> 01:48:46,860

you know I've heard I've heard you know

2398

01:48:52,939 --> 01:48:49,860

people claim that you know in abductions

2399

01:48:55,669 --> 01:48:52,949

and stuff like that but I just I I just

2400

01:48:58,370 --> 01:48:55,679

don't know how to how to think about

2401

01:48:59,690 --> 01:48:58,380

that so i guess i don't want to say I'm

2402

01:49:02,470 --> 01:48:59,700

on the fence i just sayin

2403

01:49:07,460 --> 01:49:02,480

say I'm neutral on the subject really

2404

01:49:10,330 --> 01:49:07,470

yes and and um it's and then I you know

2405

01:49:15,380 --> 01:49:10,340

the are trillions employee inspect and

2406

01:49:18,230 --> 01:49:15,390

you know in a lot of the the alien

2407

01:49:20,480 --> 01:49:18,240

community it's often the altar and

2408

01:49:23,600 --> 01:49:20,490

conclusions come up blood and and have

2409

01:49:25,370 --> 01:49:23,610

you heard of that uh yeah yeah I've

2410

01:49:29,960 --> 01:49:25,380

heard I've heard of these things and I'm

2411

01:49:31,220 --> 01:49:29,970

not again I just because I heard of it

2412

01:49:33,410 --> 01:49:31,230

or whatever it doesn't mean that I've

2413

01:49:36,110 --> 01:49:33,420

really looked into it deeply so that's

2414

01:49:38,720 --> 01:49:36,120

that's why another thing I don't really

2415

01:49:41,030 --> 01:49:38,730

want to you know comment on it but I

2416

01:49:44,750 --> 01:49:41,040

think some of the things are pretty much

2417

01:49:47,720 --> 01:49:44,760

out there you know and yes it would be

2418

01:49:50,750 --> 01:49:47,730

interesting to know about and and sure

2419

01:49:52,940 --> 01:49:50,760

if there's any thing that can link link

2420

01:49:55,790 --> 01:49:52,950

it you know directly to these things

2421

01:50:01,580 --> 01:49:55,800

really existing I would be all over it

2422

01:50:03,680 --> 01:50:01,590

and and very interested in it yes you

2423

01:50:09,520 --> 01:50:03,690

know a lot of course a few who do you

2424

01:50:13,040 --> 01:50:09,530

think is is looking us I think

2425

01:50:15,710 --> 01:50:13,050

intelligence is probably visiting us

2426

01:50:17,720 --> 01:50:15,720

from from other planets and other places

2427

01:50:20,690 --> 01:50:17,730

what they are and who they are i have no

2428

01:50:23,990 --> 01:50:20,700

idea and why they have not shown

2429

01:50:26,630 --> 01:50:24,000

themselves that's what I saw speculation

2430

01:50:28,850 --> 01:50:26,640

that's what I'm getting into see Beth

2431

01:50:33,020 --> 01:50:28,860

that's the stuff that I get into why

2432

01:50:34,910 --> 01:50:33,030

it's a why worth it technological powers

2433

01:50:37,790 --> 01:50:34,920

that you know to be able to get here

2434

01:50:39,380 --> 01:50:37,800

they obviously have you know the ability

2435

01:50:41,990 --> 01:50:39,390

to obliterate us why would they hide

2436

01:50:44,390 --> 01:50:42,000

what's the same reason that proxy wars

2437

01:50:46,970 --> 01:50:44,400

occur you know what why would Russia

2438

01:50:49,430 --> 01:50:46,980

need to hide you know a battle that it

2439

01:50:51,350 --> 01:50:49,440

wants to do you know in in all the

2440

01:50:53,390 --> 01:50:51,360

different places that you know during

2441

01:50:55,520 --> 01:50:53,400

the Cold War you know why would why

2442

01:50:57,920 --> 01:50:55,530

would America need to hide anything why

2443

01:51:00,230 --> 01:50:57,930

would we you no need to hide that were

2444

01:51:02,630 --> 01:51:00,240

engaging why would be for instance you

2445

01:51:04,640 --> 01:51:02,640

know el salvador tiny little nothing of

2446

01:51:06,110 --> 01:51:04,650

a nation well if we didn't want them to

2447

01:51:07,610 --> 01:51:06,120

be Congress why would just storm in

2448

01:51:09,560 --> 01:51:07,620

there with a few of our troops and just

2449

01:51:11,750 --> 01:51:09,570

obliterate all the columns ourselves

2450

01:51:13,490 --> 01:51:11,760

because we can't is we're locked between

2451
01:51:15,620 --> 01:51:13,500
you know politic

2452
01:51:16,970 --> 01:51:15,630
both of our own nation where people

2453
01:51:18,080 --> 01:51:16,980
don't want that within our own nation

2454
01:51:20,690 --> 01:51:18,090
but the government's will more

2455
01:51:22,340 --> 01:51:20,700
militaristic than we are but also with

2456
01:51:24,080 --> 01:51:22,350
all the other superpowers of the world

2457
01:51:25,580 --> 01:51:24,090
where you know trying to maintain a

2458
01:51:27,230 --> 01:51:25,590
balance of power they don't want us

2459
01:51:29,270 --> 01:51:27,240
marching into El Salvador because that

2460
01:51:31,010 --> 01:51:29,280
sets off a domino effect of power and

2461
01:51:32,810 --> 01:51:31,020
the Soviet Union didn't like that now

2462
01:51:35,030 --> 01:51:32,820
forget the Soviet Union we couldn't do

2463
01:51:37,700 --> 01:51:35,040

that because europe european union in

2464

01:51:40,220 --> 01:51:37,710

russia's for power china all that we

2465

01:51:42,620 --> 01:51:40,230

can't just do things you know outright

2466

01:51:45,230 --> 01:51:42,630

we have to engage in covert black ops

2467

01:51:47,390 --> 01:51:45,240

even though you know put all the other

2468

01:51:48,950 --> 01:51:47,400

superpowers out of the way the United

2469

01:51:50,960 --> 01:51:48,960

States you go around stomping over

2470

01:51:53,510 --> 01:51:50,970

everyone with its military we can't

2471

01:51:55,880 --> 01:51:53,520

because of the political landscape and

2472

01:51:58,160 --> 01:51:55,890

that's that's the issues that I'm or

2473

01:52:01,340 --> 01:51:58,170

discusses why are these intelligent

2474

01:52:03,710 --> 01:52:01,350

beings affecting our world and I don't

2475

01:52:06,020 --> 01:52:03,720

they just come out right with with their

2476

01:52:08,840 --> 01:52:06,030

intentions and that's the stuff that I

2477

01:52:11,390 --> 01:52:08,850

like to address with my knowledge of why

2478

01:52:13,670 --> 01:52:11,400

you know espionage has been engaged in

2479

01:52:15,920 --> 01:52:13,680

an hour you know on our planet in the

2480

01:52:18,110 --> 01:52:15,930

stuff we know about and I take that up

2481

01:52:20,150 --> 01:52:18,120

like I said the Russian nesting doll the

2482

01:52:23,180 --> 01:52:20,160

largest nesting doll being that inter

2483

01:52:26,990 --> 01:52:23,190

graphic politics uh-huh now we only have

2484

01:52:29,480 --> 01:52:27,000

two minutes left so if you each one at a

2485

01:52:32,720 --> 01:52:29,490

time want to just close up real quickly

2486

01:52:35,240 --> 01:52:32,730

and if you have any way to for someone

2487

01:52:36,530 --> 01:52:35,250

to reach you that's interested that want

2488

01:52:38,900 --> 01:52:36,540

to reach out to you whether it's email

2489

01:52:43,340 --> 01:52:38,910

or go ahead of course for the truth

2490

01:52:46,460 --> 01:52:43,350

funders calm go ahead sure so this is

2491

01:52:49,190 --> 01:52:46,470

mark yeah if you have a project we love

2492

01:52:50,900 --> 01:52:49,200

we love to help you out we have all

2493

01:52:53,410 --> 01:52:50,910

sorts of great projects coming through

2494

01:52:58,490 --> 01:52:53,420

you know Jonas's book to sort of help

2495

01:53:00,640 --> 01:52:58,500

reach reach the youth about ufology if

2496

01:53:03,950 --> 01:53:00,650

you want to do research if there's

2497

01:53:07,250 --> 01:53:03,960

stories that you have to tell we we are

2498

01:53:10,010 --> 01:53:07,260

here we want to help sort of answer and

2499

01:53:13,730 --> 01:53:10,020

solve and ask more questions and so

2500

01:53:15,800 --> 01:53:13,740

please reach out to us and also please

2501
01:53:17,960 --> 01:53:15,810
fund some of the projects that are there

2502
01:53:22,070 --> 01:53:17,970
because it's it's supporting this

2503
01:53:24,830 --> 01:53:22,080
wonderful community that's trying to

2504
01:53:25,810 --> 01:53:24,840
find out why and who's visiting us and

2505
01:53:29,470 --> 01:53:25,820
what's going

2506
01:53:31,479 --> 01:53:29,480
on you know whether you believe in it or

2507
01:53:34,390 --> 01:53:31,489
whether you're a skeptic that's okay

2508
01:53:38,649 --> 01:53:34,400
both and both are welcome and all are

2509
01:53:41,939 --> 01:53:38,659
welcome the the key to choose funders is

2510
01:53:44,890 --> 01:53:41,949
the truth so please visit us at www

2511
01:53:46,629 --> 01:53:44,900
Transcom and check out all the projects

2512
01:53:49,660 --> 01:53:46,639
some of them might not be for you and

2513
01:53:52,270 --> 01:53:49,670

other ones might be so I really I really

2514

01:53:54,550 --> 01:53:52,280

appreciate it if you guys would stop by

2515

01:53:57,640 --> 01:53:54,560

alright and you got something quick to

2516

01:54:00,220 --> 01:53:57,650

say Rick yes my big thing is you know

2517

01:54:03,189 --> 01:54:00,230

I'm searching for the truth as much as

2518

01:54:05,260 --> 01:54:03,199

anyone you know and especially like

2519

01:54:07,419 --> 01:54:05,270

cumson nitty-gritty of what our

2520

01:54:09,339 --> 01:54:07,429

government knows you know the stuff that

2521

01:54:13,180 --> 01:54:09,349

I think would be interesting to you and

2522

01:54:15,970 --> 01:54:13,190

your your your fan so I would so that

2523

01:54:18,220 --> 01:54:15,980

you know the big thing that I appreciate

2524

01:54:21,040 --> 01:54:18,230

about true funders is you know not

2525

01:54:22,899 --> 01:54:21,050

getting my workout is be able to fund

2526

01:54:25,060 --> 01:54:22,909

projects will with the Freedom of

2527

01:54:27,640 --> 01:54:25,070

Information Act we can at least get

2528

01:54:30,729 --> 01:54:27,650

whatever they're willing to disclose and

2529

01:54:32,050 --> 01:54:30,739

like I said there's amazing things

2530

01:54:34,270 --> 01:54:32,060

they're willing to disclose but they

2531

01:54:37,030 --> 01:54:34,280

disclose it with you know hundreds of

2532

01:54:38,260 --> 01:54:37,040

boxes full of files who can go through

2533

01:54:40,240 --> 01:54:38,270

that and then it's written in ways that

2534

01:54:42,339 --> 01:54:40,250

we can get you know we can't even

2535

01:54:44,680 --> 01:54:42,349

understand and then the logistics of

2536

01:54:46,149 --> 01:54:44,690

getting them to release it is not

2537

01:54:48,040 --> 01:54:46,159

something I would personally do you must

2538

01:54:50,020 --> 01:54:48,050

hire a lawyer to do it these are the

2539

01:54:52,390 --> 01:54:50,030

things that I really appreciate out the

2540

01:54:53,649 --> 01:54:52,400

truth lenders and lady fans might have

2541

01:54:55,419 --> 01:54:53,659

things we want to get to the bottom of

2542

01:54:57,819 --> 01:54:55,429

as well well thank you both very much

2543

01:54:59,919 --> 01:54:57,829

Thank You Martin hey it was a pleasure

2544

01:55:01,720 --> 01:54:59,929

to be on your show it was an honor I'd

2545

01:55:03,970 --> 01:55:01,730

really appreciate the chance to come on

2546

01:55:06,459 --> 01:55:03,980

and talk and you're a great host you

2547

01:55:08,589 --> 01:55:06,469

have you have great questions and yeah

2548

01:55:10,209 --> 01:55:08,599

and I really love the way you run your

2549

01:55:12,729 --> 01:55:10,219

show you're very welcome so that's it

2550

01:55:14,500 --> 01:55:12,739

for the show and next week I'm not

2551

01:55:16,390 --> 01:55:14,510

really sure who's coming up I had

2552

01:55:19,240 --> 01:55:16,400

someone drop out of me so I'm will be a

2553

01:55:21,729 --> 01:55:19,250

surprise guest next week thank you Bruce

2554

01:55:23,830 --> 01:55:21,739

Rainier and Carrie Lloyd White House for

2555

01:55:25,899 --> 01:55:23,840

the music Thank You Peggy shunning for

2556

01:55:28,510 --> 01:55:25,909

managing a Facebook page even though

2557

01:55:31,030 --> 01:55:28,520

alejandro gave you some trouble about it

2558

01:55:34,060 --> 01:55:31,040

you can check us out next week live

2559

01:55:37,990 --> 01:55:34,070

right here on the Dark Matter radio

2560

01:55:39,790 --> 01:55:38,000

network and eight to ten Wednesday and

2561

01:55:42,069 --> 01:55:39,800

like every week and
