

1
00:00:04,160 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:05,360 --> 00:00:04,170
triangle you know there's explanation

3
00:00:07,309 --> 00:00:05,370
for everything that occurred in the

4
00:00:09,799 --> 00:00:07,319
rendlesham forest incident that doesn't

5
00:00:13,190 --> 00:00:09,809
involve aliens at all it was completely

6
00:00:16,039 --> 00:00:13,200
silent it comes right over our head it's

7
00:00:17,630 --> 00:00:16,049
so a classic flying-saucer really

8
00:00:19,400 --> 00:00:17,640
standing in the clearing he turned over

9
00:00:20,779 --> 00:00:19,410
to my father and held his hand and he

10
00:00:27,380 --> 00:00:20,789
looked in his eyes and said we're not

11
00:00:30,290 --> 00:00:27,390
alone welcome to Podcast UFO for our

12
00:00:32,510 --> 00:00:30,300
live show we're live every wednesday at

13
00:00:34,760 --> 00:00:32,520

eight pm eastern standard time on the

14

00:00:36,770 --> 00:00:34,770

Dark Matter radio network please

15

00:00:40,760 --> 00:00:36,780

remember to visit the website podcast

16

00:00:43,250 --> 00:00:40,770

UFO calm for past episodes blogs and

17

00:00:45,290 --> 00:00:43,260

forums during the show feel free to

18

00:00:47,720 --> 00:00:45,300

participate live in our chat room and

19

00:00:51,170 --> 00:00:47,730

don't forget to Like us on our very

20

00:00:53,540 --> 00:00:51,180

active Facebook page hello everyone and

21

00:00:55,970 --> 00:00:53,550

welcome this is martin Willis your host

22

00:00:57,500 --> 00:00:55,980

I'm in a good mood tonight I'm not

23

00:01:00,920 --> 00:00:57,510

really sure why because it's cold

24

00:01:02,810 --> 00:01:00,930

outside and but it's nice and warm here

25

00:01:05,509 --> 00:01:02,820

inside and we have another great show

26
00:01:07,609 --> 00:01:05,519
coming up for you this evening we have a

27
00:01:10,070 --> 00:01:07,619
couple of guests our guests coming up in

28
00:01:12,429 --> 00:01:10,080
the first hour is Christina knowles and

29
00:01:14,410 --> 00:01:12,439
she'll be talking about her website

30
00:01:17,929 --> 00:01:14,420
foundation for research and

31
00:01:19,910 --> 00:01:17,939
extraterrestrial encounters and much

32
00:01:23,810 --> 00:01:19,920
more and in the second hour we have

33
00:01:27,590 --> 00:01:23,820
angel s pineo coming up I heard him talk

34
00:01:29,539 --> 00:01:27,600
on UFOs on another show and thought it

35
00:01:32,120 --> 00:01:29,549
was pretty good so I've invited him on

36
00:01:34,870 --> 00:01:32,130
my show and he'll be on in the second

37
00:01:38,929 --> 00:01:34,880
hour before that we have alejandro rojas

38
00:01:41,300 --> 00:01:38,939

coming up from open minds TV he's going

39

00:01:43,910 --> 00:01:41,310

to talk about the latest UFO events and

40

00:01:46,850 --> 00:01:43,920

just a one thing i want to announce here

41

00:01:48,170 --> 00:01:46,860

if you've been emailing me i haven't

42

00:01:50,060 --> 00:01:48,180

been getting your email for a while it's

43

00:01:51,770 --> 00:01:50,070

been pretty quiet and I've actually kind

44

00:01:53,960 --> 00:01:51,780

of relaxed a little bit it's been going

45

00:01:56,389 --> 00:01:53,970

well then I realized today people

46

00:01:58,550 --> 00:01:56,399

haven't been responding to my email it

47

00:02:00,350 --> 00:01:58,560

was going out but not coming back in and

48

00:02:03,109 --> 00:02:00,360

that's because i have a new dedicated

49

00:02:05,450 --> 00:02:03,119

server and it just wasn't set up

50

00:02:07,490 --> 00:02:05,460

properly so that's what's going on with

51
00:02:10,699 --> 00:02:07,500
that so if i haven't answered your email

52
00:02:12,680 --> 00:02:10,709
i am not ignoring you i will be back

53
00:02:13,530 --> 00:02:12,690
soon as it gets straightened out and

54
00:02:16,979 --> 00:02:13,540
that's Martin

55
00:02:18,809 --> 00:02:16,989
at podcast UFO calm so if you want to

56
00:02:22,020 --> 00:02:18,819
subscribe to hear the second hour of our

57
00:02:26,130 --> 00:02:22,030
shows as a podcast go to get Joyride

58
00:02:29,309 --> 00:02:26,140
calm / podcast UFO the link is right on

59
00:02:32,460 --> 00:02:29,319
our website and subscribers pay only a

60
00:02:35,399 --> 00:02:32,470
dollar or more a month to access the

61
00:02:37,410 --> 00:02:35,409
full show and also you have a private

62
00:02:40,530 --> 00:02:37,420
link there's a way to listen on itunes

63
00:02:44,520 --> 00:02:40,540

there's a way to listen on your iphone

64

00:02:46,289 --> 00:02:44,530

there is a android app and course

65

00:02:48,300 --> 00:02:46,299

there's stitcher not sure what i'm going

66

00:02:50,039 --> 00:02:48,310

to do about that yet but if you have any

67

00:02:53,520 --> 00:02:50,049

problems or questions you can always

68

00:02:57,119 --> 00:02:53,530

reach me at again Martin at podcast UFO

69

00:03:01,080 --> 00:02:57,129

calm when that email is working and we

70

00:03:04,879 --> 00:03:01,090

are ready to draw the prize for the ten

71

00:03:08,369 --> 00:03:04,889

dollar per month supporter for a free

72

00:03:09,809 --> 00:03:08,379

shipped to you podcast UFO t-shirt

73

00:03:12,030 --> 00:03:09,819

doesn't matter where you live I know it

74

00:03:13,649 --> 00:03:12,040

costs some money this ship overseas but

75

00:03:17,719 --> 00:03:13,659

if you're the winning you'll get this

76

00:03:23,809 --> 00:03:17,729

and we are waiting right now for our

77

00:03:27,089 --> 00:03:23,819

lovely assistant hang on just one moment

78

00:03:29,939 --> 00:03:27,099

yes would you mind coming over here and

79

00:03:35,789 --> 00:03:29,949

picking from this basket just pick a

80

00:03:40,159 --> 00:03:35,799

name from the basket if you would and hi

81

00:03:44,969 --> 00:03:40,169

Martin hi who do we have here oh we have

82

00:03:47,009 --> 00:03:44,979

ads and warm ed Sanborn one yes at

83

00:03:49,170 --> 00:03:47,019

Sanborn so I'll be reaching out to you

84

00:03:52,140 --> 00:03:49,180

get your mailing address thank you very

85

00:03:55,259 --> 00:03:52,150

much and will be sending that right out

86

00:03:58,800 --> 00:03:55,269

so it's time now to bring on alejandro

87

00:04:01,439 --> 00:03:58,810

what is happening alejandro oh my gosh

88

00:04:02,759 --> 00:04:01,449

there's so much happening and and you

89

00:04:05,219 --> 00:04:02,769

know I think we talked about this last

90

00:04:07,979 --> 00:04:05,229

week the blue book thing right yeah I've

91

00:04:11,640 --> 00:04:07,989

been would posting the files so that has

92

00:04:14,490 --> 00:04:11,650

exploded so the Daily Mail picked up my

93

00:04:18,089 --> 00:04:14,500

story and then other UK news picked up

94

00:04:20,520 --> 00:04:18,099

their story Daily Mail luckily linked

95

00:04:22,940 --> 00:04:20,530

back to me and gave me credit but the

96

00:04:26,270 --> 00:04:22,950

others didn't but

97

00:04:29,120 --> 00:04:26,280

this is exploded so than ABC News calls

98

00:04:32,360 --> 00:04:29,130

him he's on ABC News Tonight are you

99

00:04:33,800 --> 00:04:32,370

thought that Stowe yeah yeah so I

100

00:04:35,510 --> 00:04:33,810

think we talked about some of the

101
00:04:37,700 --> 00:04:35,520
controversy around this as some people

102
00:04:40,040 --> 00:04:37,710
were accusing him of stealing him but it

103
00:04:42,920 --> 00:04:40,050
was this anonymous guy who who provided

104
00:04:47,120 --> 00:04:42,930
them too many of us of course these are

105
00:04:51,080 --> 00:04:47,130
Air Force files they're all free to the

106
00:04:53,960 --> 00:04:51,090
public you know so he was able to get

107
00:04:55,970 --> 00:04:53,970
those posters which is really cool but

108
00:04:59,810 --> 00:04:55,980
the news is Miss reporting everything

109
00:05:02,300 --> 00:04:59,820
the Today Show says something like you

110
00:05:04,130 --> 00:05:02,310
know Oh John Greenwald did all of these

111
00:05:06,260 --> 00:05:04,140
foils which he has and he's gotten

112
00:05:08,420 --> 00:05:06,270
millions of pages of documents from

113
00:05:10,250 --> 00:05:08,430

foyers he's been doing since he's a

114

00:05:12,590 --> 00:05:10,260

teenager that he has at the Blackwell

115

00:05:14,180 --> 00:05:12,600

vote but of course the US Air Force Blue

116

00:05:16,880 --> 00:05:14,190

Book files have been out for a long long

117

00:05:19,250 --> 00:05:16,890

time she isn't responsible of that nor

118

00:05:21,680 --> 00:05:19,260

is he claiming to be responsible for

119

00:05:24,080 --> 00:05:21,690

that but all of these new sites are

120

00:05:26,780 --> 00:05:24,090

crediting him with it even the Today

121

00:05:29,360 --> 00:05:26,790

Show of course is out there saying John

122

00:05:31,160 --> 00:05:29,370

Greenwald got these files released when

123

00:05:33,170 --> 00:05:31,170

that wasn't the case and it's funny

124

00:05:35,540 --> 00:05:33,180

because I keep in contact with him and

125

00:05:37,130 --> 00:05:35,550

he's like I clarified I went over and

126

00:05:39,350 --> 00:05:37,140

over this with them because they kept

127

00:05:41,120 --> 00:05:39,360

saying well when you got these files out

128

00:05:43,820 --> 00:05:41,130

from the Air Force and he said no no no

129

00:05:46,100 --> 00:05:43,830

no I didn't get them out from the air

130

00:05:48,770 --> 00:05:46,110

force they were already out so even

131

00:05:50,810 --> 00:05:48,780

though he tried to clarify they just

132

00:05:53,450 --> 00:05:50,820

said whatever the hell they wanted to

133

00:05:56,210 --> 00:05:53,460

anyway in and as we know you know

134

00:05:58,970 --> 00:05:56,220

because we monitor the stories from the

135

00:06:00,650 --> 00:05:58,980

media they just don't care about getting

136

00:06:04,040 --> 00:06:00,660

the facts right when it comes to UFO

137

00:06:06,680 --> 00:06:04,050

stories I just make stuff up and it's so

138

00:06:10,370 --> 00:06:06,690

right weird did you happen to read Kevin

139

00:06:12,770 --> 00:06:10,380

Randall's blog on that no I I don't

140

00:06:15,440 --> 00:06:12,780

think so yeah he wrote a lot you know

141

00:06:17,720 --> 00:06:15,450

just trying to clear up some of the the

142

00:06:19,520 --> 00:06:17,730

Miss quotes and stuff like that yeah

143

00:06:21,950 --> 00:06:19,530

that that's interesting because I follow

144

00:06:24,080 --> 00:06:21,960

his blog and read it quite often but I

145

00:06:25,790 --> 00:06:24,090

hadn't seen that one but yeah there's a

146

00:06:28,730 --> 00:06:25,800

lot of mistakes and stuff like that but

147

00:06:30,680 --> 00:06:28,740

the point is what's good about this is

148

00:06:32,720 --> 00:06:30,690

uh you know a lot of people are looking

149

00:06:34,220 --> 00:06:32,730

at the files a lot of people in the UFO

150

00:06:35,600 --> 00:06:34,230

field didn't even know

151

00:06:37,190 --> 00:06:35,610

you know you could go out there took

152

00:06:39,490 --> 00:06:37,200

some research but you could find them

153

00:06:41,510 --> 00:06:39,500

and so now they're more prevalent

154

00:06:43,460 --> 00:06:41,520

everybody's getting to know that these

155

00:06:46,490 --> 00:06:43,470

files are here and they are reporting

156

00:06:50,990 --> 00:06:46,500

how there were 700 well the Air Force

157

00:06:53,030 --> 00:06:51,000

alleges 700 unidentified cases so people

158

00:06:56,090 --> 00:06:53,040

are hopefully looking for those and

159

00:06:58,760 --> 00:06:56,100

finding out more about that so they can

160

00:07:00,470 --> 00:06:58,770

read some of these amazing unidentified

161

00:07:02,540 --> 00:07:00,480

cases that are in the Blue Book files

162

00:07:06,440 --> 00:07:02,550

yeah what was the documentary that James

163

00:07:09,110 --> 00:07:06,450

Fox is working on is it isn't it 701 or

164

00:07:11,660 --> 00:07:09,120

something like that yeah yeah James Fox

165

00:07:14,030 --> 00:07:11,670

with Tracy Torme and a couple others are

166

00:07:15,920 --> 00:07:14,040

working on some producers from hangar 1

167

00:07:17,570 --> 00:07:15,930

are working on this documentary they're

168

00:07:19,070 --> 00:07:17,580

trying to get funds for it so I don't

169

00:07:21,350 --> 00:07:19,080

know if it's ever going to happen but

170

00:07:23,600 --> 00:07:21,360

that's the premise is the 701 I

171

00:07:26,630 --> 00:07:23,610

unidentified cases of course the Air

172

00:07:29,450 --> 00:07:26,640

Force said there were 701 and their

173

00:07:33,680 --> 00:07:29,460

website says this 700 on one

174

00:07:36,110 --> 00:07:33,690

unidentified among nearly 13,000 cases

175

00:07:40,190 --> 00:07:36,120

but when you go look at the actual

176

00:07:42,220 --> 00:07:40,200

records there aren't 701 in some cases

177

00:07:45,680 --> 00:07:42,230

you see you see different numbers

178

00:07:48,560 --> 00:07:45,690

everywhere so and nowhere except for

179

00:07:51,350 --> 00:07:48,570

their claim do you see 701 unidentifieds

180

00:07:56,030 --> 00:07:51,360

some people estimated at more like 650

181

00:07:58,100 --> 00:07:56,040

some say 500 some people say 1600 but if

182

00:08:00,320 --> 00:07:58,110

you go through the files at least and

183

00:08:03,320 --> 00:08:00,330

there are some guides out there that you

184

00:08:04,850 --> 00:08:03,330

could google and find to find what some

185

00:08:07,580 --> 00:08:04,860

of the unidentified words and then

186

00:08:11,390 --> 00:08:07,590

there's also J Allen Hynek had his own

187

00:08:13,430 --> 00:08:11,400

count accounting so he felt there were

188

00:08:15,890 --> 00:08:13,440

more unidentified than the Air Force had

189

00:08:17,570 --> 00:08:15,900

said but he also felt some that the

190

00:08:20,510 --> 00:08:17,580

airport said were unidentified were

191

00:08:23,780 --> 00:08:20,520

identified so it's kind of confusing but

192

00:08:25,820 --> 00:08:23,790

that's the official word 701 you know I

193

00:08:27,770 --> 00:08:25,830

have to admit that I am one of those

194

00:08:31,040 --> 00:08:27,780

people that didn't know those files were

195

00:08:32,900 --> 00:08:31,050

accessible and it's it's just only

196

00:08:35,780 --> 00:08:32,910

because I didn't really look into it and

197

00:08:37,250 --> 00:08:35,790

I think what is going to happen is a lot

198

00:08:39,440 --> 00:08:37,260

of people out there now will start

199

00:08:42,440 --> 00:08:39,450

looking into these files because they

200

00:08:44,510 --> 00:08:42,450

perhaps have the same you know thoughts

201

00:08:46,100 --> 00:08:44,520

that I did possibly that they didn't

202

00:08:47,840 --> 00:08:46,110

know that they were readily handy so

203

00:08:49,490 --> 00:08:47,850

maybe you know some more cases will

204

00:08:52,460 --> 00:08:49,500

it stirred up and a little more

205

00:08:54,199 --> 00:08:52,470

investigation and you know who knows I

206

00:08:56,800 --> 00:08:54,209

know it was a long time ago but perhaps

207

00:08:59,650 --> 00:08:56,810

some witnesses will you know get

208

00:09:02,780 --> 00:08:59,660

contacted or come forward or whatever

209

00:09:05,930 --> 00:09:02,790

it's only maybe maybe I'm just dreaming

210

00:09:09,050 --> 00:09:05,940

here but you know it could happen yeah

211

00:09:11,269 --> 00:09:09,060

it could I think it's positive I think

212

00:09:13,699 --> 00:09:11,279

it just demonstrates that there are were

213

00:09:15,290 --> 00:09:13,709

good cases out there that even though

214

00:09:17,030 --> 00:09:15,300

people fill the air force kind of blew

215

00:09:20,509 --> 00:09:17,040

the whole thing off that they took it

216

00:09:23,150 --> 00:09:20,519

very very seriously and because of these

217

00:09:25,610 --> 00:09:23,160

unidentified cases many in the airports

218

00:09:27,620 --> 00:09:25,620

were not convinced that it is something

219

00:09:30,680 --> 00:09:27,630

not to pay attention to many felt that

220

00:09:32,629 --> 00:09:30,690

it was a very important subject yeah i

221

00:09:35,090 --> 00:09:32,639

agree with you on that has anything been

222

00:09:37,400 --> 00:09:35,100

happening yeah there has this is a

223

00:09:40,430 --> 00:09:37,410

really fun story i think this is a cool

224

00:09:41,960 --> 00:09:40,440

one and this is one of those where it's

225

00:09:44,150 --> 00:09:41,970

a slow news day and i'm hunting and

226

00:09:46,670 --> 00:09:44,160

hunting for stories and i found a really

227

00:09:49,220 --> 00:09:46,680

interesting one in the French newspapers

228

00:09:51,559 --> 00:09:49,230

also other I found out other European

229

00:09:54,499 --> 00:09:51,569

newspapers are writing about this but

230

00:09:57,439 --> 00:09:54,509

there have been UFOs since October

231

00:10:00,679 --> 00:09:57,449

flying over nuclear power plants in

232

00:10:03,410 --> 00:10:00,689

France and Belgium and they don't know

233

00:10:06,530 --> 00:10:03,420

what they are in fact the French

234

00:10:09,590 --> 00:10:06,540

government says are on high alert due to

235

00:10:10,970 --> 00:10:09,600

these UFO sightings now the media and

236

00:10:14,030 --> 00:10:10,980

authorities believe that they're

237

00:10:16,100 --> 00:10:14,040

probably drones quadcopters or something

238

00:10:19,699 --> 00:10:16,110

like that however sometimes they're seen

239

00:10:22,579 --> 00:10:19,709

in pairs and some of the witnesses don't

240

00:10:24,590 --> 00:10:22,589

agree with that theory the other thing

241

00:10:26,449 --> 00:10:24,600

is is they don't know who they are

242

00:10:29,019 --> 00:10:26,459

they're saying okay well we think

243

00:10:33,189 --> 00:10:29,029

they're drones but we don't know whose

244

00:10:36,860 --> 00:10:33,199

they're suspecting that it could be a

245

00:10:39,199 --> 00:10:36,870

antinuclear organizations that that's

246

00:10:41,569 --> 00:10:39,209

doing this to show that you know nukes

247

00:10:44,629 --> 00:10:41,579

are scary and they can't protect them

248

00:10:46,220 --> 00:10:44,639

properly but a lot of organizations have

249

00:10:49,160 --> 00:10:46,230

been working with the authorities and

250

00:10:51,679 --> 00:10:49,170

come forward and said no it's not us so

251

00:10:53,600 --> 00:10:51,689

that hasn't panned out but a lot of

252

00:10:55,579 --> 00:10:53,610

people are up in arms Greenpeace is

253

00:10:58,100 --> 00:10:55,589

saying look you're downplaying the

254

00:11:00,590 --> 00:10:58,110

danger this shows that you know anyone

255

00:11:01,300 --> 00:11:00,600

with a drone could flag you know a bomb

256

00:11:03,940 --> 00:11:01,310

in

257

00:11:07,180 --> 00:11:03,950

a nuclear power plant so this is really

258

00:11:11,080 --> 00:11:07,190

crazy there were something like 18 of

259

00:11:13,120 --> 00:11:11,090

them between flyovers in October and

260

00:11:15,910 --> 00:11:13,130

November but they have been happening

261

00:11:19,060 --> 00:11:15,920

since the last time this happened was

262

00:11:21,310 --> 00:11:19,070

January third in France where some

263

00:11:24,250 --> 00:11:21,320

security guard said they saw two flying

264

00:11:29,650 --> 00:11:24,260

objects there were some teenagers

265

00:11:32,920 --> 00:11:29,660

arrested in October that who were they

266

00:11:34,870 --> 00:11:32,930

were called airplane enthusiasts model

267

00:11:37,630 --> 00:11:34,880

aircraft enthusiasts is what the news

268

00:11:39,340 --> 00:11:37,640

said and they were going to attempt to

269

00:11:41,590 --> 00:11:39,350

fly something so it was before they did

270

00:11:43,540 --> 00:11:41,600

it over the nuclear power plants but the

271

00:11:45,160 --> 00:11:43,550

authorities have said these aren't the

272

00:11:47,050 --> 00:11:45,170

people who have been doing this they

273

00:11:49,600 --> 00:11:47,060

were just copycatting because they're

274

00:11:52,150 --> 00:11:49,610

just using a simple toy with limited

275

00:11:54,280 --> 00:11:52,160

range whereas whatever has been flying

276

00:11:56,490 --> 00:11:54,290

over these things must have you know

277

00:11:59,470 --> 00:11:56,500

just must be military-grade highly

278

00:12:01,300 --> 00:11:59,480

sophisticated because they can't track

279

00:12:03,880 --> 00:12:01,310

them and they don't know where they're

280

00:12:07,890 --> 00:12:03,890

coming from how crazy is that now I'm

281

00:12:10,690 --> 00:12:07,900

wondering here if it's some actually of

282

00:12:13,690 --> 00:12:10,700

eyewitness accounts totally or is there

283

00:12:15,610 --> 00:12:13,700

any radar involved in any of this well

284

00:12:17,740 --> 00:12:15,620

supposedly from what I've read it's

285

00:12:20,079 --> 00:12:17,750

eyewitness account some of those

286

00:12:22,600 --> 00:12:20,089

witnesses have posted on some websites

287

00:12:25,420 --> 00:12:22,610

in particular there's a guy named

288

00:12:30,160 --> 00:12:25,430

andre's Mueller who has a website called

289

00:12:32,230 --> 00:12:30,170

GRE WI and he has been reporting on this

290

00:12:34,300 --> 00:12:32,240

with some of the witness testimony and

291

00:12:37,800 --> 00:12:34,310

what they report is weird like tubes of

292

00:12:40,390 --> 00:12:37,810

light and some strange stuff however I

293

00:12:44,590 --> 00:12:40,400

supposedly there are some is some

294

00:12:48,040 --> 00:12:44,600

footage and pictures that the nuclear

295

00:12:49,960 --> 00:12:48,050

power plants have obtained but that they

296

00:12:54,579 --> 00:12:49,970

have not shared with the public as of

297

00:12:56,560 --> 00:12:54,589

yet I did read that they did to share

298

00:12:58,150 --> 00:12:56,570

some with the public but I have not seen

299

00:13:01,990 --> 00:12:58,160

those pictures or videos yet I haven't

300

00:13:03,880 --> 00:13:02,000

been able to find them so and and

301
00:13:05,740 --> 00:13:03,890
throughout this you can see there were a

302
00:13:07,480 --> 00:13:05,750
lot of people in the media telling them

303
00:13:11,680 --> 00:13:07,490
you need to release these pictures show

304
00:13:14,170 --> 00:13:11,690
us these pictures and videos so so they

305
00:13:15,140 --> 00:13:14,180
do have that but you like I said these

306
00:13:17,900 --> 00:13:15,150
are security guard

307
00:13:20,000 --> 00:13:17,910
people at these plans that work for the

308
00:13:22,400 --> 00:13:20,010
plants that are seeing these things and

309
00:13:25,550 --> 00:13:22,410
reporting them to the authorities Wow

310
00:13:27,740 --> 00:13:25,560
amazing interesting i wonder if Robert

311
00:13:30,290 --> 00:13:27,750
Hastings is up you know alerted to this

312
00:13:32,180 --> 00:13:30,300
or looking into any part of it yeah you

313
00:13:34,640 --> 00:13:32,190

know I've been uh we've been so busy

314

00:13:37,190 --> 00:13:34,650

with our conference that I haven't asked

315

00:13:39,350 --> 00:13:37,200

him about that but now you remind me I

316

00:13:41,300 --> 00:13:39,360

did want to send this story to him and

317

00:13:43,370 --> 00:13:41,310

see if he has been following and I'm

318

00:13:46,910 --> 00:13:43,380

assuming he does I know he looks at our

319

00:13:48,920 --> 00:13:46,920

website but I haven't heard from him but

320

00:13:51,560 --> 00:13:48,930

you're right we should check with him

321

00:13:53,570 --> 00:13:51,570

because of course he follows UFO

322

00:13:57,530 --> 00:13:53,580

sightings at nuclear power plants and he

323

00:13:58,940 --> 00:13:57,540

has a ton of incredible witnesses and I

324

00:14:00,760 --> 00:13:58,950

think we talked about this he's trying

325

00:14:03,170 --> 00:14:00,770

to make a documentary and would love

326

00:14:06,980 --> 00:14:03,180

financial support from the public so

327

00:14:10,160 --> 00:14:06,990

right I encourage that too yeah okay so

328

00:14:11,750 --> 00:14:10,170

what we have one more story sure this is

329

00:14:14,540 --> 00:14:11,760

kind of an interesting one from the last

330

00:14:18,440 --> 00:14:14,550

few days this is a from New Mexico there

331

00:14:21,080 --> 00:14:18,450

was a guy driving on the i-10 westbound

332

00:14:24,650 --> 00:14:21,090

near New Mexico and he says he saw an

333

00:14:26,930 --> 00:14:24,660

extremely large completely dark object

334

00:14:30,320 --> 00:14:26,940

hovering he said he watched this thing

335

00:14:32,750 --> 00:14:30,330

for like an hour as he was driving he

336

00:14:34,070 --> 00:14:32,760

did then pull over because he had to go

337

00:14:36,740 --> 00:14:34,080

to the restroom or something like that

338

00:14:38,840 --> 00:14:36,750

or get gas he took a picture of the

339

00:14:40,670 --> 00:14:38,850

object and he reported this to move on

340

00:14:43,130 --> 00:14:40,680

and we've got it on our site this was

341

00:14:45,770 --> 00:14:43,140

written by Roger Marsh who writes for us

342

00:14:49,550 --> 00:14:45,780

and posts works for a move on and post

343

00:14:52,730 --> 00:14:49,560

their sightings but he when he can't got

344

00:14:55,850 --> 00:14:52,740

done getting gas he looked for the

345

00:14:58,400 --> 00:14:55,860

object and it was gone so even though he

346

00:15:01,010 --> 00:14:58,410

had been watching this for an hour and

347

00:15:03,890 --> 00:15:01,020

it apparently to him was completely

348

00:15:06,260 --> 00:15:03,900

still for that entire hour so kind of a

349

00:15:07,610 --> 00:15:06,270

you can't make very much out from the

350

00:15:09,680 --> 00:15:07,620

picture at all you can see there's

351
00:15:12,050 --> 00:15:09,690
something there he took the picture with

352
00:15:14,390 --> 00:15:12,060
his phone but unfortunately the

353
00:15:17,450 --> 00:15:14,400
resolution isn't enough you zoom in and

354
00:15:19,550 --> 00:15:17,460
it's just kind of a blur so it's hard to

355
00:15:22,490 --> 00:15:19,560
make anything out from the photograph

356
00:15:25,670 --> 00:15:22,500
but kind of a strange kind of a cool

357
00:15:27,950 --> 00:15:25,680
citing their right and you can see this

358
00:15:28,970 --> 00:15:27,960
if you follow the show notes right on

359
00:15:30,980 --> 00:15:28,980
podcast you a photo

360
00:15:33,740 --> 00:15:30,990
calm your link right to the original

361
00:15:36,290 --> 00:15:33,750
story on open minds TV Thank You

362
00:15:38,329 --> 00:15:36,300
alejandro and we'll be talking I know

363
00:15:40,280 --> 00:15:38,339

you're going to be busy next week you're

364

00:15:42,139 --> 00:15:40,290

going to get busier and busier as we go

365

00:15:45,740 --> 00:15:42,149

along but hopefully we'll be talking to

366

00:15:48,410 --> 00:15:45,750

you next week yeah definitely always a

367

00:15:51,319 --> 00:15:48,420

pleasure my friend you betcha all right

368

00:15:52,790 --> 00:15:51,329

I'll talk to you then oh yes alright so

369

00:15:54,319 --> 00:15:52,800

if you hang in there right after the

370

00:16:07,079 --> 00:15:54,329

quick music break we'll be right back

371

00:17:13,579 --> 00:16:10,960

you

372

00:17:20,370 --> 00:17:16,790

music was provided by our listener Bruce

373

00:17:22,770 --> 00:17:20,380

Rainier and thank you Bruce Christina I

374

00:17:25,439 --> 00:17:22,780

hope you're on the line how are you very

375

00:17:28,110 --> 00:17:25,449

very good Martin how are you good thanks

376

00:17:30,080 --> 00:17:28,120

so much for joining us and I had the

377

00:17:33,240 --> 00:17:30,090

pleasure meeting you a few years ago and

378

00:17:35,430 --> 00:17:33,250

really enjoyed your company and thought

379

00:17:38,310 --> 00:17:35,440

you were fairly bright you're very

380

00:17:41,340 --> 00:17:38,320

bright and I want to talk to you about

381

00:17:44,580 --> 00:17:41,350

your recent involvement this is is this

382

00:17:46,290 --> 00:17:44,590

a new a new venture for you or fairly

383

00:17:49,910 --> 00:17:46,300

new I know that you've been working hard

384

00:17:54,660 --> 00:17:49,920

with experiences over the several years

385

00:17:58,290 --> 00:17:54,670

but this particular website the

386

00:17:59,730 --> 00:17:58,300

foundation for research into let's go

387

00:18:01,170 --> 00:17:59,740

ahead and talk about that and you can

388

00:18:03,720 --> 00:18:01,180

talk about your background a little bit

389

00:18:04,920 --> 00:18:03,730

too fantastic i really appreciate that

390

00:18:06,750 --> 00:18:04,930

and yeah it's great to be on the air

391

00:18:08,700 --> 00:18:06,760

with you again I know in the past was

392

00:18:11,220 --> 00:18:08,710

working with the experiencers project so

393

00:18:12,720 --> 00:18:11,230

that led you know the television project

394

00:18:15,270 --> 00:18:12,730

in conjunction with Jim O'Connell so

395

00:18:17,100 --> 00:18:15,280

that led to a wonderful opportunity to

396

00:18:18,840 --> 00:18:17,110

get more involved in this and to find

397

00:18:20,970 --> 00:18:18,850

out that this was really my niche that I

398

00:18:22,290 --> 00:18:20,980

wanted to work with experiencers and I

399

00:18:24,150 --> 00:18:22,300

just have to compliment you too Martin

400

00:18:25,470 --> 00:18:24,160

you have been fantastic I've been

401
00:18:27,960 --> 00:18:25,480
following your work over the last couple

402
00:18:29,580 --> 00:18:27,970
of years and absolutely love all the

403
00:18:31,560 --> 00:18:29,590
speakers that you bring on in just all

404
00:18:33,900 --> 00:18:31,570
the breakthroughs that we seem to

405
00:18:36,240 --> 00:18:33,910
continually enjoy in this field so it's

406
00:18:40,500 --> 00:18:36,250
an honor to be with you again well thank

407
00:18:42,420 --> 00:18:40,510
you and yes might the show I do has only

408
00:18:45,300 --> 00:18:42,430
do with the guests and and it's not

409
00:18:47,040 --> 00:18:45,310
always easy getting guests but it's it's

410
00:18:49,680 --> 00:18:47,050
a there's interesting ones sometimes

411
00:18:53,700 --> 00:18:49,690
there's a you know I get a lot of email

412
00:18:56,310 --> 00:18:53,710
about different people but it's real

413
00:18:58,440 --> 00:18:56,320

enjoyable to speak to so many you know

414

00:19:01,650 --> 00:18:58,450

different people with different ideas

415

00:19:04,200 --> 00:19:01,660

and thoughts because you know no one

416

00:19:07,530 --> 00:19:04,210

really has an answer it's just it's more

417

00:19:09,000 --> 00:19:07,540

interesting just looking for it and you

418

00:19:11,760 --> 00:19:09,010

know perhaps someday that will change

419

00:19:14,070 --> 00:19:11,770

but let's let's talk about the

420

00:19:14,880 --> 00:19:14,080

foundation for research into et

421

00:19:17,340 --> 00:19:14,890

encounter

422

00:19:19,230 --> 00:19:17,350

great great I appreciate that so first

423

00:19:20,700 --> 00:19:19,240

off I want to make sure that I give our

424

00:19:22,710 --> 00:19:20,710

website out just so that everyone knows

425

00:19:25,950 --> 00:19:22,720

how to actually find where we're located

426

00:19:31,110 --> 00:19:25,960

on the web it's experienter so that's

427

00:19:33,720 --> 00:19:31,120

expe are ience our CEO so instead of com

428

00:19:35,010 --> 00:19:33,730

it's just dot CEO and then of course we

429

00:19:38,870 --> 00:19:35,020

can be reached at our email address

430

00:19:43,290 --> 00:19:38,880

which is free at experienter see oh and

431

00:19:45,030 --> 00:19:43,300

I should say that when i was leaving the

432

00:19:47,250 --> 00:19:45,040

other project when you and I met that

433

00:19:48,780 --> 00:19:47,260

the TV series acting as co-producer and

434

00:19:52,050 --> 00:19:48,790

whatnot and lead investigator for that

435

00:19:54,450 --> 00:19:52,060

one thing that happened and occurred to

436

00:19:57,720 --> 00:19:54,460

me is that a really really good quality

437

00:20:00,120 --> 00:19:57,730

research is necessary in the field and I

438

00:20:03,450 --> 00:20:00,130

didn't feel that we completely had that

439

00:20:05,640 --> 00:20:03,460

to date so what had happened as i was

440

00:20:07,230 --> 00:20:05,650

working with a wonderful gentleman was

441

00:20:09,060 --> 00:20:07,240

actually a case that I had been

442

00:20:12,360 --> 00:20:09,070

investigating by the name of ray

443

00:20:14,670 --> 00:20:12,370

Hernandez out of Miami Florida and he

444

00:20:17,370 --> 00:20:14,680

called one day with an a brilliant

445

00:20:20,010 --> 00:20:17,380

download and any experience sir that's

446

00:20:22,320 --> 00:20:20,020

had the download kind of thing occur

447

00:20:24,060 --> 00:20:22,330

would definitely relate to that so I

448

00:20:25,380 --> 00:20:24,070

said oh my gosh ray pull over you know I

449

00:20:26,640 --> 00:20:25,390

don't want to get hit you know because I

450

00:20:28,770 --> 00:20:26,650

knew he was on the freeway and he had

451

00:20:31,050 --> 00:20:28,780

this download and he just was very

452

00:20:34,290 --> 00:20:31,060

excited and animated and went into this

453

00:20:36,690 --> 00:20:34,300

concept that we should be collaborating

454

00:20:38,330 --> 00:20:36,700

and and doing research so I just thought

455

00:20:42,090 --> 00:20:38,340

it was phenomenal and from there it

456

00:20:44,340 --> 00:20:42,100

expanded to marry Rodwell out of

457

00:20:47,070 --> 00:20:44,350

brisbane australia who is phenomenal i

458

00:20:48,600 --> 00:20:47,080

had been meeting with her over skype and

459

00:20:51,450 --> 00:20:48,610

had been following her work for many

460

00:20:54,360 --> 00:20:51,460

years and so the idea had come up that

461

00:20:56,970 --> 00:20:54,370

we would creating a new non-for-profit

462

00:20:59,040 --> 00:20:56,980

research organization and so we refer to

463

00:21:00,480 --> 00:20:59,050

ourselves as free which stands for the

464

00:21:03,570 --> 00:21:00,490

foundation for research into

465

00:21:07,230 --> 00:21:03,580

extraterrestrial encounters so out of

466

00:21:08,730 --> 00:21:07,240

this idea we stopped once we started to

467

00:21:11,670 --> 00:21:08,740

attract to ourselves which is very

468

00:21:14,250 --> 00:21:11,680

rapidly and mysteriously just all fell

469

00:21:17,490 --> 00:21:14,260

right into place but different PhD

470

00:21:19,830 --> 00:21:17,500

physicists PhD psychologists various

471

00:21:22,590 --> 00:21:19,840

scientists medical professionals and a

472

00:21:24,990 --> 00:21:22,600

diversity of experiences that would all

473

00:21:25,600 --> 00:21:25,000

work in you know under one umbrella as

474

00:21:30,549 --> 00:21:25,610

an

475

00:21:34,960 --> 00:21:30,559

bringing these diverse voices together

476
00:21:38,020 --> 00:21:34,970
that we could discuss specifically what

477
00:21:40,630 --> 00:21:38,030
was going on with the experiencers or

478
00:21:44,890 --> 00:21:40,640
some call us contact these or abductees

479
00:21:47,320 --> 00:21:44,900
I certainly identify and have all the

480
00:21:48,910 --> 00:21:47,330
qualifying markers so this is you could

481
00:21:52,570 --> 00:21:48,920
say I have a very vested interest in

482
00:21:54,760 --> 00:21:52,580
this specific area of you apology so

483
00:21:56,590 --> 00:21:54,770
going into that what we did is we

484
00:21:59,890 --> 00:21:56,600
created a board of directors they should

485
00:22:01,210 --> 00:21:59,900
say that the phenomenal part if you look

486
00:22:03,520 --> 00:22:01,220
at our website there's a lot of

487
00:22:08,230 --> 00:22:03,530
information there but we we have not

488
00:22:10,690 --> 00:22:08,240

done this alone we have the honor of

489

00:22:12,730 --> 00:22:10,700

working with some amazing people so I

490

00:22:15,640 --> 00:22:12,740

just kind of want to go into that a bit

491

00:22:17,620 --> 00:22:15,650

dr. Edgar Mitchell the sixth man on the

492

00:22:20,260 --> 00:22:17,630

moon and also the founder of the

493

00:22:22,299 --> 00:22:20,270

Institute of noetic Sciences played a

494

00:22:25,600 --> 00:22:22,309

very key role in meeting with ray

495

00:22:28,570 --> 00:22:25,610

Hernandez and inspiring us to develop

496

00:22:30,610 --> 00:22:28,580

free and then we have dr. Rudy shields

497

00:22:33,400 --> 00:22:30,620

the emeritus professor of astrophysics

498

00:22:35,409 --> 00:22:33,410

at the Harvard University and currently

499

00:22:37,930 --> 00:22:35,419

working with the harvard-smithsonian

500

00:22:39,880 --> 00:22:37,940

Center for Astrophysics so they're

501
00:22:42,820 --> 00:22:39,890
actually both two of our founding board

502
00:22:44,950 --> 00:22:42,830
members for the advisory board and it's

503
00:22:47,020 --> 00:22:44,960
been phenomenal to work with them and

504
00:22:49,330 --> 00:22:47,030
what I love about this is it's not just

505
00:22:50,980 --> 00:22:49,340
about a bunch of BIOS but people are

506
00:22:53,409 --> 00:22:50,990
actually coming together and have been

507
00:22:57,150 --> 00:22:53,419
for some time now we launched this i

508
00:23:00,010 --> 00:22:57,160
would say probably in March of 2013 and

509
00:23:01,750 --> 00:23:00,020
it grew very rapidly and then we

510
00:23:06,400 --> 00:23:01,760
officially launched the site in

511
00:23:09,730 --> 00:23:06,410
September last year so wonderful stuff

512
00:23:11,830 --> 00:23:09,740
great great and just for anyone that's

513
00:23:14,680 --> 00:23:11,840

listening live you can jump in the chat

514

00:23:17,980 --> 00:23:14,690

room and send Christina a question if

515

00:23:20,350 --> 00:23:17,990

you'd like or comment and that's very

516

00:23:23,770 --> 00:23:20,360

easy to just jump on podcast UFO calm

517

00:23:25,930 --> 00:23:23,780

and right to the right hand side you'll

518

00:23:30,900 --> 00:23:25,940

see the chat rooms you just it's a to

519

00:23:34,150 --> 00:23:30,910

click Sign In so Christina you've you've

520

00:23:37,510 --> 00:23:34,160

have you actually been working with with

521

00:23:39,190 --> 00:23:37,520

a dr. Mitchell yes so we have a very

522

00:23:39,549 --> 00:23:39,200

interesting relationship with in free

523

00:23:42,279 --> 00:23:39,559

will

524

00:23:44,529 --> 00:23:42,289

to appreciate the gentleman's time and

525

00:23:46,360 --> 00:23:44,539

make sure everyone at a certain level

526

00:23:48,369 --> 00:23:46,370

has certainly their day job and other

527

00:23:50,649 --> 00:23:48,379

things that that they have to

528

00:23:53,230 --> 00:23:50,659

accommodate within what they're doing so

529

00:23:55,509 --> 00:23:53,240

when we have specific projects that we

530

00:23:57,759 --> 00:23:55,519

need feedback on typically that will go

531

00:24:01,720 --> 00:23:57,769

through way who has met you no way

532

00:24:03,460 --> 00:24:01,730

Hernandez who has met with dr. Mitchell

533

00:24:06,639 --> 00:24:03,470

a number of times at his home and then

534

00:24:08,409 --> 00:24:06,649

of course dr. Rudy shields knows Edgar

535

00:24:10,539 --> 00:24:08,419

so a lot of times we'll get information

536

00:24:12,879 --> 00:24:10,549

back that way and he's been phenomenal

537

00:24:15,100 --> 00:24:12,889

now dr. shields is much more accessible

538

00:24:17,830 --> 00:24:15,110

which has been lovely and a lot of the

539

00:24:19,239 --> 00:24:17,840

quantum you know you'll see a lot of the

540

00:24:20,769 --> 00:24:19,249

different questions and things on the

541

00:24:24,519 --> 00:24:20,779

website a lot of the write-ups that's

542

00:24:26,109 --> 00:24:24,529

the information that we can refer to no

543

00:24:27,970 --> 00:24:26,119

I think I've done a little disservice

544

00:24:31,720 --> 00:24:27,980

here I want to go backwards in time and

545

00:24:34,330 --> 00:24:31,730

just kind of talk a little bit about Ray

546

00:24:36,730 --> 00:24:34,340

Hernandez because this gentleman is

547

00:24:38,739 --> 00:24:36,740

phenomenal where you to quickly just so

548

00:24:41,919 --> 00:24:38,749

that the listening audience knows but

549

00:24:43,779 --> 00:24:41,929

he's an experimenter who is currently

550

00:24:46,570 --> 00:24:43,789

employed as an estate tax attorney with

551
00:24:49,389 --> 00:24:46,580
the IRS US Department of Treasury he's

552
00:24:51,879 --> 00:24:49,399
also obviously co-founder co-director of

553
00:24:54,789 --> 00:24:51,889
free he was previously the director of

554
00:24:57,909 --> 00:24:54,799
center for sustainable urban environment

555
00:24:59,889 --> 00:24:57,919
at the City University of New York and

556
00:25:01,570 --> 00:24:59,899
the director of the Office of Community

557
00:25:04,810 --> 00:25:01,580
environmental planning for the city of

558
00:25:07,119 --> 00:25:04,820
New York he's attended rutgers college

559
00:25:10,359 --> 00:25:07,129
cornell university and was a PhD

560
00:25:11,919 --> 00:25:10,369
candidate at UC berkeley in city and

561
00:25:13,389 --> 00:25:11,929
regional planning he was also the

562
00:25:16,749 --> 00:25:13,399
recipient of the National Science

563
00:25:18,759 --> 00:25:16,759

Foundation PhD fellowship and he resides

564

00:25:20,619 --> 00:25:18,769

as i said in florida and then again i

565

00:25:22,629 --> 00:25:20,629

just want to give credit to anyone who

566

00:25:26,590 --> 00:25:22,639

might not know who Mary Rodwell is she

567

00:25:28,810 --> 00:25:26,600

certainly really well known within my

568

00:25:31,570 --> 00:25:28,820

circles but some might know so she's a

569

00:25:34,149 --> 00:25:31,580

counselor and hypnotherapist UF ologist

570

00:25:36,190 --> 00:25:34,159

researcher metaphysician and former

571

00:25:38,470 --> 00:25:36,200

registered nurse and midwife in the UK

572

00:25:40,299 --> 00:25:38,480

she's found her in principle of a cern

573

00:25:42,730 --> 00:25:40,309

which is australian close encounter

574

00:25:43,989 --> 00:25:42,740

resource network and she is recognized

575

00:25:45,999 --> 00:25:43,999

internationally as one of the leading

576

00:25:49,060 --> 00:25:46,009

researchers in the UFO and contact

577

00:25:51,320 --> 00:25:49,070

phenomenon she's lectured in all over

578

00:25:53,540 --> 00:25:51,330

the world US canada hawaii UK newsea

579

00:25:54,950 --> 00:25:53,550

and and appears regularly in national

580

00:25:57,440 --> 00:25:54,960

and international media and news

581

00:25:59,060 --> 00:25:57,450

programs so she's phenomenal and anyone

582

00:26:01,300 --> 00:25:59,070

that hasn't read the book I would highly

583

00:26:03,650 --> 00:26:01,310

suggest getting it awakening how

584

00:26:07,490 --> 00:26:03,660

extraterrestrial contact can transform

585

00:26:09,890 --> 00:26:07,500

your life and she resides in Queensland

586

00:26:11,600 --> 00:26:09,900

Australia but fantastic so we put this

587

00:26:15,890 --> 00:26:11,610

idea together we decided that we really

588

00:26:17,990 --> 00:26:15,900

wanted to develop a team and for three

589

00:26:22,990 --> 00:26:18,000

specific reasons so our main objective

590

00:26:26,390 --> 00:26:23,000

is research educate and support hmmm

591

00:26:28,220 --> 00:26:26,400

excuse me so a research project what

592

00:26:30,620 --> 00:26:28,230

we're doing with that we have dr. John

593

00:26:32,900 --> 00:26:30,630

cleo he's the chair of our experience a

594

00:26:34,790 --> 00:26:32,910

research project he is a professor of

595

00:26:37,850 --> 00:26:34,800

psychology with over 40 years experience

596

00:26:41,000 --> 00:26:37,860

as an academic researcher and teaching

597

00:26:44,470 --> 00:26:41,010

professor who has chaired over 250 PhD

598

00:26:47,350 --> 00:26:44,480

dissertations in psychology 75 of those

599

00:26:49,850 --> 00:26:47,360

have been in the field of the paranormal

600

00:26:51,710 --> 00:26:49,860

fantastic near-death experience me this

601
00:26:55,580 --> 00:26:51,720
man I could talk to him forever he's

602
00:26:58,100 --> 00:26:55,590
phenomenal and then we have dr. Leo

603
00:26:59,990 --> 00:26:58,110
sprinkle he's the co-chair he's retired

604
00:27:01,580 --> 00:27:00,000
professor psychology who has undertaken

605
00:27:04,940 --> 00:27:01,590
research in the field since nineteen

606
00:27:08,510 --> 00:27:04,950
sixty-two and very his name comes up a

607
00:27:11,390 --> 00:27:08,520
lot yeah right yep and Kathleen Mardan

608
00:27:13,610 --> 00:27:11,400
she's a MUFON structure of abduction

609
00:27:15,020 --> 00:27:13,620
research and she's the author of several

610
00:27:16,910 --> 00:27:15,030
major you have followed G books

611
00:27:20,690 --> 00:27:16,920
including the one alien abduction files

612
00:27:23,690 --> 00:27:20,700
with Denise toner and Denise stoner I'll

613
00:27:25,520 --> 00:27:23,700

go into her bio in a quick second but

614

00:27:28,280 --> 00:27:25,530

she has been phenomenal to work with as

615

00:27:31,130 --> 00:27:28,290

well and then we have Barbara lamb she

616

00:27:33,620 --> 00:27:31,140

was the therapist that I was able to

617

00:27:37,040 --> 00:27:33,630

work with years ago when I was having my

618

00:27:40,640 --> 00:27:37,050

awakening after my experiences in March

619

00:27:42,890 --> 00:27:40,650

of 1999 so that helped tremendously she

620

00:27:44,990 --> 00:27:42,900

is the author of alien experiences and

621

00:27:48,700 --> 00:27:45,000

crop circles revealed and she has

622

00:27:50,810 --> 00:27:48,710

conducted research and over 3500

623

00:27:54,230 --> 00:27:50,820

experiencer cases now throughout the

624

00:27:56,120 --> 00:27:54,240

world and again Denise toner a lifelong

625

00:27:57,830 --> 00:27:56,130

experience ER she has worked in the

626

00:28:00,110 --> 00:27:57,840

field for the last 20 years and his

627

00:28:03,080 --> 00:28:00,120

co-author with Kathleen Martin on the

628

00:28:04,360 --> 00:28:03,090

alien abduction files again and then we

629

00:28:06,370 --> 00:28:04,370

have Ralph Steiner

630

00:28:09,580 --> 00:28:06,380

he is a researcher in the paranormal

631

00:28:12,370 --> 00:28:09,590

field for 25 years now and a

632

00:28:14,350 --> 00:28:12,380

non-academic physicist with expertise on

633

00:28:17,049 --> 00:28:14,360

the quantum hologram theory of physics

634

00:28:19,690 --> 00:28:17,059

and consciousness so again it's an honor

635

00:28:20,710 --> 00:28:19,700

to be able to work with these folks I

636

00:28:22,900 --> 00:28:20,720

feel like the idiot of the budge

637

00:28:24,220 --> 00:28:22,910

sometimes to tell you the truth there

638

00:28:28,000 --> 00:28:24,230

especially when we start getting into

639

00:28:31,750 --> 00:28:28,010

all the different quantum discussions

640

00:28:33,730 --> 00:28:31,760

it's awesome mmm and I should say that I

641

00:28:35,860 --> 00:28:33,740

wanted volley to stop quickly with

642

00:28:39,669 --> 00:28:35,870

wealth and say I want to congratulate

643

00:28:43,570 --> 00:28:39,679

Ralph because he is going to be starting

644

00:28:46,990 --> 00:28:43,580

this lovely radio show on k gr a radio

645

00:28:49,630 --> 00:28:47,000

and the it's going to be entitled the

646

00:28:51,400 --> 00:28:49,640

other side of the universe and the focus

647

00:28:54,040 --> 00:28:51,410

is going to be science explores all

648

00:28:56,799 --> 00:28:54,050

aspects of ET contact and the paranormal

649

00:28:58,780 --> 00:28:56,809

and again it's going to be on k gr a

650

00:29:00,669 --> 00:28:58,790

digital broadcasting station and it

651
00:29:03,520 --> 00:29:00,679
should start sometime early March of

652
00:29:06,010 --> 00:29:03,530
this year oh very good stuff that's

653
00:29:09,070 --> 00:29:06,020
great right now I want to just I just

654
00:29:10,299 --> 00:29:09,080
had this conversation with someone down

655
00:29:13,630 --> 00:29:10,309
in Portsmouth New Hampshire the other

656
00:29:17,049 --> 00:29:13,640
day we were out at lunch and and we were

657
00:29:18,640 --> 00:29:17,059
just chatting and he and I'm just going

658
00:29:21,730 --> 00:29:18,650
to ask you what you would say to this

659
00:29:23,650 --> 00:29:21,740
this claim that he had he said well you

660
00:29:25,720 --> 00:29:23,660
know you talk he was talking about alien

661
00:29:28,330 --> 00:29:25,730
abductions and he says you go back in

662
00:29:31,690 --> 00:29:28,340
time he said there were the elves there

663
00:29:33,610 --> 00:29:31,700

were the you know the demons there was

664

00:29:35,919 --> 00:29:33,620

you know all these different things he

665

00:29:40,090 --> 00:29:35,929

says today is just you know it's the

666

00:29:43,330 --> 00:29:40,100

fashion is aliens instead and alien

667

00:29:45,190 --> 00:29:43,340

abduction and that's all it is you know

668

00:29:47,410 --> 00:29:45,200

a leprechaun's he went on and on and

669

00:29:49,060 --> 00:29:47,420

naming all the different mythical you

670

00:29:51,940 --> 00:29:49,070

know encounters that happened in the

671

00:29:54,190 --> 00:29:51,950

past and and so you know I just want to

672

00:29:56,080 --> 00:29:54,200

hear what your take was on how would you

673

00:29:57,610 --> 00:29:56,090

respond to someone that would say that

674

00:30:00,850 --> 00:29:57,620

to you know I think it's a fantastic

675

00:30:02,980 --> 00:30:00,860

theory and we should actually test that

676

00:30:07,030 --> 00:30:02,990

you know with with the data that we're

677

00:30:09,669 --> 00:30:07,040

receiving so in other words f in fact

678

00:30:13,000 --> 00:30:09,679

whatever has been visiting mankind has

679

00:30:14,860 --> 00:30:13,010

the ability to manipulate the mind then

680

00:30:17,650 --> 00:30:14,870

wouldn't it stand to reason that one

681

00:30:21,880 --> 00:30:17,660

would perceive the

682

00:30:24,520 --> 00:30:21,890

as an elf or an angel or a demon or god

683

00:30:26,530 --> 00:30:24,530

only knows what so this is another

684

00:30:28,960 --> 00:30:26,540

aspect of research and I think this is

685

00:30:30,160 --> 00:30:28,970

the exciting part of research is first

686

00:30:32,620 --> 00:30:30,170

admitting we don't know what the hell

687

00:30:35,230 --> 00:30:32,630

we're doing haha and then secondly

688

00:30:38,680 --> 00:30:35,240

really digging into it and looking at

689

00:30:40,510 --> 00:30:38,690

the data and I mean let's face it today

690

00:30:42,250 --> 00:30:40,520

in this age we're not hearing a bunch of

691

00:30:45,730 --> 00:30:42,260

fairly reports are we know we're hearing

692

00:30:47,260 --> 00:30:45,740

et however we do have more scientific

693

00:30:50,200 --> 00:30:47,270

practices now to be able to ascertain

694

00:30:52,180 --> 00:30:50,210

that something is clearly non-human you

695

00:30:54,820 --> 00:30:52,190

know the vessel let's say these you know

696

00:30:58,000 --> 00:30:54,830

so are we when we go into these types of

697

00:30:59,470 --> 00:30:58,010

flying vessels which we are being you

698

00:31:01,750 --> 00:30:59,480

know in our modern day able to record

699

00:31:04,090 --> 00:31:01,760

and obviously firsthand testimony such

700

00:31:05,530 --> 00:31:04,100

as mine and others around the globe what

701
00:31:08,890 --> 00:31:05,540
are we really going to look at when we

702
00:31:11,170 --> 00:31:08,900
pop the you know when let's say we look

703
00:31:14,410 --> 00:31:11,180
inside that craft so I think it's a

704
00:31:16,690 --> 00:31:14,420
great question something that again

705
00:31:18,490 --> 00:31:16,700
hopefully the research will give us a

706
00:31:21,340 --> 00:31:18,500
clearer picture but I highly doubt that

707
00:31:23,740 --> 00:31:21,350
we will be any in other words in my

708
00:31:27,160 --> 00:31:23,750
lifetime and we might be just a tad

709
00:31:29,020 --> 00:31:27,170
closer so this is to me an endeavor that

710
00:31:30,640 --> 00:31:29,030
you never quite it's a rabbit hole you

711
00:31:33,130 --> 00:31:30,650
will never quite get to the bottom of

712
00:31:36,730 --> 00:31:33,140
and that's exactly I will never tire of

713
00:31:40,060 --> 00:31:36,740

it you know I agree well let's just say

714

00:31:41,890 --> 00:31:40,070

that you were in getting in the counter

715

00:31:44,290 --> 00:31:41,900

from an alien and these millions of

716

00:31:46,480 --> 00:31:44,300

people or hundreds of thousands how many

717

00:31:49,570 --> 00:31:46,490

are that are claiming you know globally

718

00:31:53,710 --> 00:31:49,580

that this is happening to them you know

719

00:31:56,530 --> 00:31:53,720

if if these beings were clever enough to

720

00:31:59,350 --> 00:31:56,540

actually go interstellar then they could

721

00:32:02,470 --> 00:31:59,360

probably control about anything that

722

00:32:05,320 --> 00:32:02,480

they want if everything is true what you

723

00:32:09,130 --> 00:32:05,330

hear or even part of it is true of what

724

00:32:11,770 --> 00:32:09,140

you hear you know but it makes you

725

00:32:14,110 --> 00:32:11,780

wonder too like it just seems like there

726

00:32:16,000 --> 00:32:14,120

would be more witnesses or something

727

00:32:17,670 --> 00:32:16,010

like this someone would actually you

728

00:32:19,600 --> 00:32:17,680

know you hear of a couple of cases but

729

00:32:22,030 --> 00:32:19,610

you hear of a couple of interesting

730

00:32:23,440 --> 00:32:22,040

cases about people being awake and not

731

00:32:26,050 --> 00:32:23,450

being able to move and all that and

732

00:32:28,030 --> 00:32:26,060

seeing things happen but it just seems

733

00:32:30,930 --> 00:32:28,040

like there would be some type of slip up

734

00:32:33,430 --> 00:32:30,940

eventually where there were

735

00:32:35,500 --> 00:32:33,440

yeah what's your opinion on that that's

736

00:32:37,450 --> 00:32:35,510

right well here's my opinion I do this

737

00:32:39,909 --> 00:32:37,460

work all day long and if I wanted to I

738

00:32:42,549 --> 00:32:39,919

could take a new case or more sometimes

739

00:32:44,260 --> 00:32:42,559

I there was a mode I'd say several years

740

00:32:46,210 --> 00:32:44,270

ago when I was crazy enough to take

741

00:32:47,710 --> 00:32:46,220

three new cases on a day which is

742

00:32:50,320 --> 00:32:47,720

insanity because if you're really trying

743

00:32:51,580 --> 00:32:50,330

to work a case so what I can tell you is

744

00:32:57,130 --> 00:32:51,590

from my perspective and where I'm

745

00:32:59,919 --> 00:32:57,140

sitting we are overwhelmed with cases

746

00:33:01,840 --> 00:32:59,929

and people do not really know what's

747

00:33:04,000 --> 00:33:01,850

going on and when you've talked to one

748

00:33:05,830 --> 00:33:04,010

you and again this is why I mean one of

749

00:33:08,440 --> 00:33:05,840

my goals is actually to document the

750

00:33:10,870 --> 00:33:08,450

research I'm going to be speaking at the

751

00:33:12,820 --> 00:33:10,880

experiencers speak conference hopefully

752

00:33:14,260 --> 00:33:12,830

in August and that will give me an

753

00:33:16,419 --> 00:33:14,270

opportunity to have some of that

754

00:33:18,490 --> 00:33:16,429

research there I want to go back to what

755

00:33:19,899 --> 00:33:18,500

you said a second ago well over you know

756

00:33:21,940 --> 00:33:19,909

you said something to the effect of a

757

00:33:23,769 --> 00:33:21,950

hundred thousand cases here's what we're

758

00:33:25,630 --> 00:33:23,779

dealing with we're dealing with many

759

00:33:28,330 --> 00:33:25,640

many more than that okay and this is

760

00:33:31,419 --> 00:33:28,340

only what we know so in research so far

761

00:33:32,889 --> 00:33:31,429

what we found is that they do ET and I

762

00:33:34,149 --> 00:33:32,899

do believe their extraterrestrial I'm

763

00:33:35,130 --> 00:33:34,159

not here to talk about fairies and

764

00:33:38,350 --> 00:33:35,140

mermaids i'm here to talk about

765

00:33:39,430 --> 00:33:38,360

extraterrestrials and intelligent x and

766

00:33:40,810 --> 00:33:39,440

we can call them whatever we want i

767

00:33:42,730 --> 00:33:40,820

don't care we can talk about you know

768

00:33:44,529 --> 00:33:42,740

what do they look like we could spend

769

00:33:48,220 --> 00:33:44,539

all day okay the different species and

770

00:33:50,680 --> 00:33:48,230

all that but when you are in an

771

00:33:52,720 --> 00:33:50,690

abduction scenario or contact scenario

772

00:33:55,000 --> 00:33:52,730

is that where can you find yourself

773

00:33:58,000 --> 00:33:55,010

connecting with these beings they are

774

00:34:00,460 --> 00:33:58,010

extremely telepathic so number one is a

775

00:34:03,580 --> 00:34:00,470

researcher that's one of my clothes

776

00:34:06,909 --> 00:34:03,590

because again i did not believe in UFOs

777

00:34:08,919 --> 00:34:06,919

prior to march of 1999 when i had my

778

00:34:10,810 --> 00:34:08,929

adult sighting i did not believe in the

779

00:34:14,680 --> 00:34:10,820

existence of extraterrestrial life i had

780

00:34:17,500 --> 00:34:14,690

been deprogrammed by society by the

781

00:34:19,599 --> 00:34:17,510

media by religion not to believe that

782

00:34:23,440 --> 00:34:19,609

this even was ever going to pop up on my

783

00:34:27,220 --> 00:34:23,450

radar okay so when it did and i actually

784

00:34:30,490 --> 00:34:27,230

went through that process of having

785

00:34:32,919 --> 00:34:30,500

direct recall okay there's a lot of it

786

00:34:34,780 --> 00:34:32,929

with research oh you know regression

787

00:34:36,399 --> 00:34:34,790

blah blah blah fine don't look at

788

00:34:37,810 --> 00:34:36,409

regression work let's just look at the

789

00:34:40,419 --> 00:34:37,820

hard research and what someone actually

790

00:34:41,829 --> 00:34:40,429

consciously recalls okay there's a lot

791

00:34:43,369 --> 00:34:41,839

of evidence and then of course

792

00:34:46,430 --> 00:34:43,379

researching many

793

00:34:48,169 --> 00:34:46,440

cases now and again when you do this

794

00:34:51,230 --> 00:34:48,179

research experiencers don't go away

795

00:34:54,349 --> 00:34:51,240

which is a beautiful thing they continue

796

00:34:56,029 --> 00:34:54,359

to call and check in and that's the most

797

00:34:57,370 --> 00:34:56,039

important part that we can do is

798

00:35:01,160 --> 00:34:57,380

actually connect with one another

799

00:35:03,769 --> 00:35:01,170

connect talk open up okay now why don't

800

00:35:05,569 --> 00:35:03,779

people want to go so public with this

801
00:35:07,309 --> 00:35:05,579
because they have families because

802
00:35:08,900 --> 00:35:07,319
there's still this ridiculous societal

803
00:35:11,269 --> 00:35:08,910
stigma that if you even talk about UFOs

804
00:35:13,190 --> 00:35:11,279
you're crazy much less having some type

805
00:35:14,930 --> 00:35:13,200
of you know communication with these

806
00:35:16,190 --> 00:35:14,940
beings so there's there's a lot of that

807
00:35:19,339 --> 00:35:16,200
and again that's why I feel so

808
00:35:22,910 --> 00:35:19,349
passionately about free it's because we

809
00:35:24,769 --> 00:35:22,920
really are not doing ourselves any kind

810
00:35:28,099 --> 00:35:24,779
of service by just pretending that this

811
00:35:29,809 --> 00:35:28,109
is not real I think hello if they're

812
00:35:31,279 --> 00:35:29,819
flying in the sky then yeah maybe we

813
00:35:32,690 --> 00:35:31,289

should pay attention to the evidence

814

00:35:33,920 --> 00:35:32,700

that they're leaving behind and everyone

815

00:35:35,329 --> 00:35:33,930

just show me the evidence show me the

816

00:35:37,519 --> 00:35:35,339

evidence I can it's called hundreds of

817

00:35:39,470 --> 00:35:37,529

thousands of human beings all over the

818

00:35:41,299 --> 00:35:39,480

globe they're having these contact

819

00:35:43,099 --> 00:35:41,309

experiences and guess what they're not

820

00:35:45,170 --> 00:35:43,109

stopping they call me all the time I add

821

00:35:46,670 --> 00:35:45,180

another one okay cool when we get a cup

822

00:35:47,990 --> 00:35:46,680

of tea sit down right what let's go

823

00:35:50,120 --> 00:35:48,000

what's what's going on here you know

824

00:35:51,890 --> 00:35:50,130

Kate up up up up ah so again it's more

825

00:35:54,049 --> 00:35:51,900

than I can handle or anyone else so

826

00:35:55,370 --> 00:35:54,059

that's why we've developed these kinds

827

00:35:58,039 --> 00:35:55,380

of instruments to be able to really

828

00:35:59,779 --> 00:35:58,049

study this and to really really really a

829

00:36:02,240 --> 00:35:59,789

matter of fact let me talk about that

830

00:36:04,279 --> 00:36:02,250

for a second so the research instruments

831

00:36:06,019 --> 00:36:04,289

the first survey or questionnaire alone

832

00:36:08,120 --> 00:36:06,029

than anyone can take and by the way if

833

00:36:09,559 --> 00:36:08,130

you're an experimenter and you would like

834

00:36:12,799 --> 00:36:09,569

to fill out the information in an

835

00:36:15,710 --> 00:36:12,809

anonymous with an anonymous name that's

836

00:36:17,120 --> 00:36:15,720

fine we do have certain technical

837

00:36:19,519 --> 00:36:17,130

mechanisms which I'm not going to go

838

00:36:21,170 --> 00:36:19,529

into detail but we can track certain

839

00:36:23,359 --> 00:36:21,180

things just to make sure that we're not

840

00:36:25,279 --> 00:36:23,369

getting inundated with garbage data and

841

00:36:27,079 --> 00:36:25,289

that is just for the phase one

842

00:36:29,539 --> 00:36:27,089

questionnaire so that's a hundred

843

00:36:32,420 --> 00:36:29,549

questions roughly when we get into Phase

844

00:36:35,240 --> 00:36:32,430

two we are well over a thousand

845

00:36:37,160 --> 00:36:35,250

questions okay and I'm document yes I'm

846

00:36:38,990 --> 00:36:37,170

not going to go into why I'm going to

847

00:36:41,660 --> 00:36:39,000

say again this has been taken the

848

00:36:43,039 --> 00:36:41,670

methodology quantitative qualitative and

849

00:36:45,440 --> 00:36:43,049

everything else that we've been putting

850

00:36:47,269 --> 00:36:45,450

together for quite some time now is

851
00:36:50,509 --> 00:36:47,279
there for a reason and I didn't design

852
00:36:52,039 --> 00:36:50,519
it I i I'm just blown away at the

853
00:36:55,400 --> 00:36:52,049
individuals and what they've come up

854
00:36:56,690 --> 00:36:55,410
with at the academic level then the

855
00:37:01,310 --> 00:36:56,700
phase 3 and

856
00:37:04,210 --> 00:37:01,320
views would be one on one so that group

857
00:37:07,370 --> 00:37:04,220
will be smaller so we'll be able to look

858
00:37:09,109 --> 00:37:07,380
for different indicators within okay now

859
00:37:10,460 --> 00:37:09,119
some of the indicators just and I don't

860
00:37:12,020 --> 00:37:10,470
know how much you talk about abduction a

861
00:37:13,760 --> 00:37:12,030
lot of people talk about UFOs so let's

862
00:37:15,170 --> 00:37:13,770
so some of the indicators for me

863
00:37:17,270 --> 00:37:15,180

researcher that's already been there

864

00:37:19,550 --> 00:37:17,280

done that I would look for the paralysis

865

00:37:21,520 --> 00:37:19,560

because I certainly can relate to that i

866

00:37:25,160 --> 00:37:21,530

would love by the way you are awake

867

00:37:26,930 --> 00:37:25,170

you're absolutely awake and so this is

868

00:37:28,579 --> 00:37:26,940

much different than this garbage where

869

00:37:31,010 --> 00:37:28,589

they say oh it's sleep paralysis or

870

00:37:33,829 --> 00:37:31,020

anything like that you're actually able

871

00:37:35,599 --> 00:37:33,839

to see a being for a certain amount of

872

00:37:37,099 --> 00:37:35,609

time and again we can talk about

873

00:37:38,810 --> 00:37:37,109

verbiage we should write new

874

00:37:40,160 --> 00:37:38,820

dictionaries for everything that's being

875

00:37:43,310 --> 00:37:40,170

discovered in the research but let's

876

00:37:45,980 --> 00:37:43,320

just say that the individual is switched

877

00:37:48,170 --> 00:37:45,990

off at a certain point why well because

878

00:37:50,089 --> 00:37:48,180

of the stress because it's very very

879

00:37:51,680 --> 00:37:50,099

stressful and no matter even if you're a

880

00:37:53,210 --> 00:37:51,690

lifelong contact d and this is something

881

00:37:56,150 --> 00:37:53,220

I'm monitoring in a lot of the cases

882

00:37:58,910 --> 00:37:56,160

that I'm working with some do do very

883

00:38:01,460 --> 00:37:58,920

well in their environment which means in

884

00:38:03,109 --> 00:38:01,470

their home and this is also a shift and

885

00:38:05,870 --> 00:38:03,119

what I'm seeing in a lot of cases is

886

00:38:07,670 --> 00:38:05,880

that people would say oh I'm you know

887

00:38:09,349 --> 00:38:07,680

I'm abducted and I'm in and I believe me

888

00:38:11,210 --> 00:38:09,359

I've been in both environments I can say

889

00:38:11,990 --> 00:38:11,220

yes I definitely can relate to what it

890

00:38:14,270 --> 00:38:12,000

was like to be in a more

891

00:38:16,819 --> 00:38:14,280

extraterrestrial environment on a craft

892

00:38:20,020 --> 00:38:16,829

let's say and what it is to have contact

893

00:38:22,460 --> 00:38:20,030

when I'm in the comfort of my own home

894

00:38:24,950 --> 00:38:22,470

so I kind of covered a lot of that and

895

00:38:26,660 --> 00:38:24,960

again we're only talking about my little

896

00:38:28,130 --> 00:38:26,670

you know neck of the woods and my

897

00:38:31,309 --> 00:38:28,140

Kristina's research we're not even

898

00:38:33,290 --> 00:38:31,319

talking about what free is done very

899

00:38:35,390 --> 00:38:33,300

excited and again we don't have a

900

00:38:37,579 --> 00:38:35,400

tremendous amount of cases like some of

901
00:38:40,579 --> 00:38:37,589
the organization's others do we're

902
00:38:42,319 --> 00:38:40,589
taking things very slowly and very at a

903
00:38:45,290 --> 00:38:42,329
very clinical level because we do want

904
00:38:47,059 --> 00:38:45,300
to make sure that the data is good we do

905
00:38:49,490 --> 00:38:47,069
want to vet it out and then we want to

906
00:38:52,220 --> 00:38:49,500
dig deeper into that data and follow the

907
00:38:53,359 --> 00:38:52,230
cases throughout so we're not in a rush

908
00:38:54,920 --> 00:38:53,369
it's not about making a name for

909
00:38:57,440 --> 00:38:54,930
ourselves or anything like that it's

910
00:38:59,420 --> 00:38:57,450
actually about really understanding and

911
00:39:02,450 --> 00:38:59,430
uncovering something that is happening

912
00:39:04,339 --> 00:39:02,460
globally now so I know I have covered a

913
00:39:06,079 --> 00:39:04,349

lot of ground you're not looking at the

914

00:39:07,579 --> 00:39:06,089

chat room right the second well that's

915

00:39:10,579 --> 00:39:07,589

good we do have one question up there

916

00:39:13,370 --> 00:39:10,589

please and someone to know if the

917

00:39:16,700 --> 00:39:13,380

experience with the contact you you had

918

00:39:19,940 --> 00:39:16,710

was that positive or negative oh I think

919

00:39:23,239 --> 00:39:19,950

that that's an excellent question that's

920

00:39:25,910 --> 00:39:23,249

actually part of the some of the pie

921

00:39:27,859 --> 00:39:25,920

charts and what's awesome to me about a

922

00:39:29,209 --> 00:39:27,869

lot of the research that were that the

923

00:39:33,109 --> 00:39:29,219

feedback we're getting from the

924

00:39:35,359 --> 00:39:33,119

experiencers is that we are somewhere

925

00:39:37,870 --> 00:39:35,369

around neutral so in other words they're

926

00:39:41,719 --> 00:39:37,880

saying just like me positive negative

927

00:39:43,940 --> 00:39:41,729

and neutral why is that because it

928

00:39:46,069 --> 00:39:43,950

depends on where you are with your

929

00:39:47,690 --> 00:39:46,079

psychology you know it you know your

930

00:39:49,670 --> 00:39:47,700

psyche so in other words in the

931

00:39:51,799 --> 00:39:49,680

beginning terrified are you kidding me

932

00:39:55,279 --> 00:39:51,809

absolutely terrified absolutely

933

00:39:57,469 --> 00:39:55,289

terrified march of 1999 in fact I talked

934

00:39:59,059 --> 00:39:57,479

to a friend of mine who knew me around

935

00:40:01,759 --> 00:39:59,069

that time and said christina don't

936

00:40:03,349 --> 00:40:01,769

remember you'd come over after work eat

937

00:40:05,059 --> 00:40:03,359

shower and you curl up in a ball and

938

00:40:06,259 --> 00:40:05,069

fall asleep you did not want to go back

939

00:40:07,459 --> 00:40:06,269

to your apartment and he said you

940

00:40:08,959 --> 00:40:07,469

couldn't you could not stop talking

941

00:40:10,940 --> 00:40:08,969

about the UFO that you saw in your

942

00:40:12,259 --> 00:40:10,950

hunting trip nor the red light that

943

00:40:14,420 --> 00:40:12,269

floated into your room you know a couple

944

00:40:16,209 --> 00:40:14,430

nights later I couldn't remember that

945

00:40:18,440 --> 00:40:16,219

kind of stuff gives me chills because

946

00:40:20,420 --> 00:40:18,450

and I think that's why it gives me so

947

00:40:22,609 --> 00:40:20,430

much compassion due to do the work that

948

00:40:25,819 --> 00:40:22,619

I do to the most important part of this

949

00:40:27,769 --> 00:40:25,829

is talking for me today is talking to

950

00:40:29,509 --> 00:40:27,779

other experiencers because this doesn't

951
00:40:31,400 --> 00:40:29,519
only affect them this affects their

952
00:40:35,479 --> 00:40:31,410
families this affects their children

953
00:40:38,150 --> 00:40:35,489
their careers everything okay so yes

954
00:40:41,180 --> 00:40:38,160
absolutely negative in some respects now

955
00:40:44,089 --> 00:40:41,190
over time and perhaps because I've

956
00:40:46,219 --> 00:40:44,099
decided not to run away from it but to

957
00:40:47,989 --> 00:40:46,229
really integrate these experiences and

958
00:40:49,910 --> 00:40:47,999
try to come to a deeper understanding of

959
00:40:53,150 --> 00:40:49,920
why that they're in my life and what

960
00:40:55,009 --> 00:40:53,160
possibly could et want with me what is

961
00:40:58,009 --> 00:40:55,019
this about am i inviting it you know

962
00:41:01,400 --> 00:40:58,019
lots of deep questions then we get into

963
00:41:04,039 --> 00:41:01,410

the positive aspect and I don't believe

964

00:41:05,660 --> 00:41:04,049

that that is just some you know altered

965

00:41:07,549 --> 00:41:05,670

state that they are projecting I've

966

00:41:10,160 --> 00:41:07,559

heard so many different theories that I

967

00:41:12,140 --> 00:41:10,170

really don't believe that you hear just

968

00:41:13,640 --> 00:41:12,150

everything but that's fine everyone is

969

00:41:15,170 --> 00:41:13,650

entitled to their belief and I do

970

00:41:17,029 --> 00:41:15,180

believe that there are positive each

971

00:41:19,819 --> 00:41:17,039

ease as it is in heaven so it is below

972

00:41:22,400 --> 00:41:19,829

so we have positive ETS we have negative

973

00:41:24,620 --> 00:41:22,410

ETS for sure and I need this sooner

974

00:41:26,420 --> 00:41:24,630

that mankind kind of wakes up to that I

975

00:41:28,849 --> 00:41:26,430

think that to me is like an awakening

976

00:41:31,640 --> 00:41:28,859

all in of itself wow really ok great

977

00:41:36,349 --> 00:41:31,650

free will uh-huh then what do we do with

978

00:41:38,990 --> 00:41:36,359

it so mm-hmm well another another

979

00:41:42,680 --> 00:41:39,000

question that just came to mind for me

980

00:41:44,779 --> 00:41:42,690

is um when when this is going on first

981

00:41:48,230 --> 00:41:44,789

of all you said earlier which I would

982

00:41:50,359 --> 00:41:48,240

have I'd be totally like scared to death

983

00:41:52,309 --> 00:41:50,369

I couldn't even imagine you know what

984

00:41:54,589 --> 00:41:52,319

what I've hear about you know some of

985

00:41:56,390 --> 00:41:54,599

these things but when this first

986

00:41:59,809 --> 00:41:56,400

happened to you right away did you

987

00:42:02,809 --> 00:41:59,819

actually realize what it was going on no

988

00:42:05,539 --> 00:42:02,819

no no absolutely not no I mean I I see

989

00:42:10,039 --> 00:42:05,549

okay I observed with three other adult

990

00:42:12,140 --> 00:42:10,049

friends of mine several UFOs so first we

991

00:42:15,140 --> 00:42:12,150

had one sighting we we knew that

992

00:42:16,880 --> 00:42:15,150

whatever it was that it was you know we

993

00:42:18,589 --> 00:42:16,890

were in Apple Valley California in the

994

00:42:20,299 --> 00:42:18,599

desert in the black of night on a

995

00:42:24,529 --> 00:42:20,309

hunting trip no this was one of my first

996

00:42:26,660 --> 00:42:24,539

hunting trips I am NOT a hunter I had a

997

00:42:28,760 --> 00:42:26,670

spiritual epiphany that night and

998

00:42:30,319 --> 00:42:28,770

thought I can't do this this is not me I

999

00:42:31,880 --> 00:42:30,329

was really just trying to do it back

1000

00:42:34,880 --> 00:42:31,890

then to impress my boyfriend at the time

1001
00:42:36,680 --> 00:42:34,890
and so I was with him and a married

1002
00:42:40,120 --> 00:42:36,690
couple that I was rooming with at the

1003
00:42:42,680 --> 00:42:40,130
time in Huntington Beach California so

1004
00:42:47,930 --> 00:42:42,690
here we are in apple valley we see this

1005
00:42:50,690 --> 00:42:47,940
beautiful white orb that was to my right

1006
00:42:53,390 --> 00:42:50,700
probably 30 feet off the ground 30 to 60

1007
00:42:55,970 --> 00:42:53,400
at that point and remember thinking wow

1008
00:42:59,690 --> 00:42:55,980
that's awesome just completely look Olli

1009
00:43:01,250 --> 00:42:59,700
moly that's so not you know that's not

1010
00:43:02,930 --> 00:43:01,260
the moon we were trying to put you know

1011
00:43:05,450 --> 00:43:02,940
like what is that it was absolutely no

1012
00:43:07,599 --> 00:43:05,460
sound whatsoever so we pulled our gear

1013
00:43:11,329 --> 00:43:07,609

out I'm going to fast forward the story

1014

00:43:14,990 --> 00:43:11,339

my friend oh I won't mention his name he

1015

00:43:16,880 --> 00:43:15,000

ended up killing the Bobcat so we

1016

00:43:18,380 --> 00:43:16,890

brought the Bobcat back to the truck

1017

00:43:20,000 --> 00:43:18,390

we're putting the gear in the truck we

1018

00:43:22,220 --> 00:43:20,010

get in the sleeping bags we're looking

1019

00:43:24,319 --> 00:43:22,230

up at the sky we're bumbling down the

1020

00:43:26,329 --> 00:43:24,329

dirt road the Mary you know the husband

1021

00:43:29,599 --> 00:43:26,339

is driving the wife is sitting next to

1022

00:43:31,339 --> 00:43:29,609

him and all of a sudden I see from my

1023

00:43:35,380 --> 00:43:31,349

left what I thought was a shooting star

1024

00:43:37,420 --> 00:43:35,390

and this white orb stops directly

1025

00:43:40,829 --> 00:43:37,430

over the truck and this is probably

1026
00:43:43,809 --> 00:43:40,839
maybe a hundred feet up in the air and I

1027
00:43:46,059 --> 00:43:43,819
am thinking to myself what the heck and

1028
00:43:48,849 --> 00:43:46,069
before I can even sit up another one is

1029
00:43:51,700 --> 00:43:48,859
joined from my right and the two are now

1030
00:43:54,640 --> 00:43:51,710
directly above the truck the two orbs

1031
00:43:57,220 --> 00:43:54,650
start to spin around one another a third

1032
00:44:01,059 --> 00:43:57,230
blips out eventually and they fought

1033
00:44:04,029 --> 00:44:01,069
make a triangle formation and it was

1034
00:44:05,769 --> 00:44:04,039
just phenomenal I remember we SAT up we

1035
00:44:08,200 --> 00:44:05,779
wrapped on the back of the truck you

1036
00:44:11,289 --> 00:44:08,210
know to tell our friends hey look up

1037
00:44:13,509 --> 00:44:11,299
they were stunned and that's what

1038
00:44:15,490 --> 00:44:13,519

everything gets real weird irie have

1039

00:44:18,640 --> 00:44:15,500

recalled to the point that the truck

1040

00:44:21,220 --> 00:44:18,650

completely is drained of energy it we

1041

00:44:23,200 --> 00:44:21,230

went from being very excited to being

1042

00:44:25,960 --> 00:44:23,210

absolutely terrified because these

1043

00:44:29,470 --> 00:44:25,970

things were descending upon the truck we

1044

00:44:35,680 --> 00:44:29,480

were eventually engulfed in a blue light

1045

00:44:40,120 --> 00:44:35,690

and the body memory of being pulled up

1046

00:44:42,640 --> 00:44:40,130

into this energy of the craft was very

1047

00:44:45,430 --> 00:44:42,650

much what I had experienced all my life

1048

00:44:48,359 --> 00:44:45,440

but I had no place to kind of fit that

1049

00:44:52,240 --> 00:44:48,369

in so I do identify as being a childhood

1050

00:44:54,069 --> 00:44:52,250

contactee had many many many experiences

1051
00:44:55,960 --> 00:44:54,079
my whole childhood but didn't have any

1052
00:44:57,400 --> 00:44:55,970
context to put it in so I kind of just

1053
00:45:00,249 --> 00:44:57,410
blocked it out and again this is a

1054
00:45:02,200 --> 00:45:00,259
fascinating area of the research we're

1055
00:45:04,720 --> 00:45:02,210
finding that that over and over again

1056
00:45:06,220 --> 00:45:04,730
that a lot of these childhood cases they

1057
00:45:08,920 --> 00:45:06,230
kind of dismiss it they go through

1058
00:45:11,589 --> 00:45:08,930
puberty they try to to you know block it

1059
00:45:13,480 --> 00:45:11,599
out for whatever reason and then BAM oh

1060
00:45:16,990 --> 00:45:13,490
there's an adult awakening and it all

1061
00:45:19,240 --> 00:45:17,000
kind of comes back hey uh huh I talked

1062
00:45:21,759 --> 00:45:19,250
to Denise stoner back i don't know i

1063
00:45:24,279 --> 00:45:21,769

think was about eight months ago

1064

00:45:27,400 --> 00:45:24,289

something like that and we talked about

1065

00:45:29,200 --> 00:45:27,410

the commonalities and i thought that was

1066

00:45:33,240 --> 00:45:29,210

pretty interesting but one of the things

1067

00:45:36,490 --> 00:45:33,250

i want to ask you do you have any

1068

00:45:38,670 --> 00:45:36,500

reference to anything that is just way

1069

00:45:41,049 --> 00:45:38,680

out there different i mean do you have

1070

00:45:43,450 --> 00:45:41,059

what people claim to have encounters

1071

00:45:48,190 --> 00:45:43,460

that it just doesn't fit but it still

1072

00:45:48,790 --> 00:45:48,200

sounds credible in a way no no typically

1073

00:45:50,950 --> 00:45:48,800

to

1074

00:45:52,840 --> 00:45:50,960

quickly there's such a pattern that when

1075

00:45:55,030 --> 00:45:52,850

things don't fit it's not that I won't

1076
00:45:58,240 --> 00:45:55,040
look at the data and believe me I'm

1077
00:46:00,070 --> 00:45:58,250
growing every day every every day I'm

1078
00:46:04,660 --> 00:46:00,080
learning something new so I really have

1079
00:46:08,950 --> 00:46:04,670
had to stretch myself but I would say

1080
00:46:10,870 --> 00:46:08,960
that I would in what I'm interested in

1081
00:46:12,280 --> 00:46:10,880
researching with this is that yes I'd

1082
00:46:15,040 --> 00:46:12,290
like to stick with things that actually

1083
00:46:19,030 --> 00:46:15,050
fit what we already know now let me give

1084
00:46:21,400 --> 00:46:19,040
you a perfect example when ET okay it

1085
00:46:23,230 --> 00:46:21,410
disrupts the environment and in the

1086
00:46:26,980 --> 00:46:23,240
early research you would hear a lot of

1087
00:46:31,030 --> 00:46:26,990
what missing time ok so when and contact

1088
00:46:33,130 --> 00:46:31,040

e is taken they will sense cognitively

1089

00:46:35,350 --> 00:46:33,140

that they've had a block of missing time

1090

00:46:37,810 --> 00:46:35,360

ok not only were they physically

1091

00:46:39,640 --> 00:46:37,820

typically not in the environment that

1092

00:46:40,990 --> 00:46:39,650

they were last seen by family members

1093

00:46:43,540 --> 00:46:41,000

there's all kinds of markers in the

1094

00:46:45,280 --> 00:46:43,550

casework right that you could do to do

1095

00:46:46,900 --> 00:46:45,290

have these certain things proven so this

1096

00:46:48,700 --> 00:46:46,910

is we came up with missing time right

1097

00:46:51,070 --> 00:46:48,710

somewhere along an abduction research

1098

00:46:53,230 --> 00:46:51,080

certainly not me this has been way way

1099

00:46:54,580 --> 00:46:53,240

before me now a new trend that I'm

1100

00:46:56,530 --> 00:46:54,590

seeing and I've discuss with other

1101
00:46:58,690 --> 00:46:56,540
researchers that again their caseloads

1102
00:47:00,670 --> 00:46:58,700
much heavier than mine and they have

1103
00:47:02,950 --> 00:47:00,680
entire teams such as joe montaldo at I

1104
00:47:05,380 --> 00:47:02,960
car very involved in this research but

1105
00:47:09,480 --> 00:47:05,390
there's the idea that you would be

1106
00:47:13,210 --> 00:47:09,490
contactee is sometimes put back a day

1107
00:47:16,570 --> 00:47:13,220
sooner ok so the contactees are

1108
00:47:18,880 --> 00:47:16,580
reporting deja vu they're reliving an

1109
00:47:21,340 --> 00:47:18,890
entire day all over again or a variation

1110
00:47:23,140 --> 00:47:21,350
because the timelines are so easy I

1111
00:47:26,200 --> 00:47:23,150
don't know how this works that's why I

1112
00:47:27,580 --> 00:47:26,210
think like this is crazy a bit but

1113
00:47:29,710 --> 00:47:27,590

certainly if you can have missing time

1114

00:47:31,720 --> 00:47:29,720

that I pursue it the reason you know if

1115

00:47:33,490 --> 00:47:31,730

they can manipulate time and and all of

1116

00:47:34,840 --> 00:47:33,500

that so again I don't know that that's

1117

00:47:37,750 --> 00:47:34,850

why I'm gonna leave it to the scientist

1118

00:47:39,940 --> 00:47:37,760

I just I just kind of as the experimenter

1119

00:47:43,210 --> 00:47:39,950

I try to be as open as I possibly can

1120

00:47:45,880 --> 00:47:43,220

and get this information and and it's

1121

00:47:47,830 --> 00:47:45,890

okay if I sound nuts to me I mean I

1122

00:47:51,640 --> 00:47:47,840

don't mind because I get that I'm like

1123

00:47:53,830 --> 00:47:51,650

no problem you know what we doing we do

1124

00:47:56,710 --> 00:47:53,840

fight this is my niche I mean you'd have

1125

00:47:58,840 --> 00:47:56,720

to be crazy number one is stick with and

1126
00:47:59,890 --> 00:47:58,850
we laugh about it too it's great oh and

1127
00:48:02,440 --> 00:47:59,900
I should say

1128
00:48:06,490 --> 00:48:02,450
that out of our board all but two are

1129
00:48:07,750 --> 00:48:06,500
experiencers in other words so that to

1130
00:48:10,000 --> 00:48:07,760
me is amazing and I'm not going to

1131
00:48:12,490 --> 00:48:10,010
divulge the two that aren't I get asked

1132
00:48:14,950 --> 00:48:12,500
that all the time and a lot of folks to

1133
00:48:17,529 --> 00:48:14,960
it's not safe for them so understand

1134
00:48:19,480 --> 00:48:17,539
that many will my understanding is a lot

1135
00:48:21,220 --> 00:48:19,490
of people make the assumption that

1136
00:48:23,710 --> 00:48:21,230
because they've seen a craft but they

1137
00:48:25,299 --> 00:48:23,720
don't have memory of contact well I'm

1138
00:48:28,029 --> 00:48:25,309

following cases like that too and

1139

00:48:31,329 --> 00:48:28,039

eventually there's some contacts markers

1140

00:48:34,470 --> 00:48:31,339

that start to flood back mm-hmm so does

1141

00:48:37,000 --> 00:48:34,480

it have to do with the extraterrestrials

1142

00:48:39,400 --> 00:48:37,010

manipulating us or does it have to do

1143

00:48:41,620 --> 00:48:39,410

with our own human consciousness that's

1144

00:48:45,039 --> 00:48:41,630

the question does it have to do with

1145

00:48:47,950 --> 00:48:45,049

when we are ready on some level to

1146

00:48:49,539 --> 00:48:47,960

interact with these and you know

1147

00:48:53,470 --> 00:48:49,549

intelligences these apparently

1148

00:48:55,990 --> 00:48:53,480

otherworldly beings mm-hmm that makes a

1149

00:48:58,569 --> 00:48:56,000

lot of sense now just the one question

1150

00:49:01,990 --> 00:48:58,579

that I'm sure you get asked all the time

1151
00:49:04,990 --> 00:49:02,000
is what do you think they want and why

1152
00:49:06,940 --> 00:49:05,000
would they be abducting all these

1153
00:49:08,950 --> 00:49:06,950
hundreds of thousands of people what

1154
00:49:11,650 --> 00:49:08,960
what benefit for them could they

1155
00:49:14,230 --> 00:49:11,660
possibly be getting if that's the case

1156
00:49:16,240 --> 00:49:14,240
oh you know maybe they're just gonna eat

1157
00:49:18,609 --> 00:49:16,250
us blah blah blah I mean you hear so

1158
00:49:20,200 --> 00:49:18,619
many theories it's really ridiculous I

1159
00:49:21,549 --> 00:49:20,210
think we should pay attention to

1160
00:49:24,130 --> 00:49:21,559
everything but the more important

1161
00:49:27,849 --> 00:49:24,140
question to ask is what would we want

1162
00:49:30,010 --> 00:49:27,859
with them um I don't see to me it's a

1163
00:49:33,039 --> 00:49:30,020

consciousness thing and anyone that's

1164

00:49:35,829 --> 00:49:33,049

had any kind of telepathic experience

1165

00:49:37,779 --> 00:49:35,839

with these beings and I did a little

1166

00:49:39,519 --> 00:49:37,789

writing but I need to do more about this

1167

00:49:41,559 --> 00:49:39,529

because this is really important what

1168

00:49:43,750 --> 00:49:41,569

I've been tracking is that with the

1169

00:49:45,609 --> 00:49:43,760

contactee when they're 10 it again

1170

00:49:47,049 --> 00:49:45,619

depends on the being so that's why I

1171

00:49:49,269 --> 00:49:47,059

love when people what do you think their

1172

00:49:50,950 --> 00:49:49,279

agenda is well what they are we talking

1173

00:49:53,890 --> 00:49:50,960

about reptilian we talking about mantic

1174

00:49:57,730 --> 00:49:53,900

beings greys we're talking about greys

1175

00:49:59,620 --> 00:49:57,740

that live purportedly on chips okay and

1176

00:50:02,170 --> 00:49:59,630

they've never even they don't live on

1177

00:50:04,120 --> 00:50:02,180

planets are we talking about greys you

1178

00:50:05,980 --> 00:50:04,130

know you know what i mean so i'm not i

1179

00:50:08,109 --> 00:50:05,990

don't have my own spaceship i wish i did

1180

00:50:10,420 --> 00:50:08,119

i'd be up there so you know maybe

1181

00:50:12,309 --> 00:50:10,430

although i'ma was to write because

1182

00:50:13,540 --> 00:50:12,319

anytime i watch like space stuff i get

1183

00:50:15,370 --> 00:50:13,550

sick to my stomach ever

1184

00:50:17,380 --> 00:50:15,380

time i've been in on a craft environment

1185

00:50:19,930 --> 00:50:17,390

I throw up so those are markers that I

1186

00:50:25,450 --> 00:50:19,940

work for and I'm serious I throw up I

1187

00:50:27,670 --> 00:50:25,460

gets wicked just seasick over it so um I

1188

00:50:29,530 --> 00:50:27,680

don't know what all the agendas are and

1189

00:50:30,970 --> 00:50:29,540

I think that's why there is not one of

1190

00:50:33,880 --> 00:50:30,980

these are excellent questions by the way

1191

00:50:36,340 --> 00:50:33,890

but there's not this is why the research

1192

00:50:38,740 --> 00:50:36,350

this is why I think experiencers even if

1193

00:50:41,050 --> 00:50:38,750

they're anonymous not only do we have to

1194

00:50:42,970 --> 00:50:41,060

support one another and stick together

1195

00:50:45,640 --> 00:50:42,980

because the biggest thing in the field

1196

00:50:47,290 --> 00:50:45,650

right now okay like it and I'll tell you

1197

00:50:50,050 --> 00:50:47,300

one of my favorite things is acting as a

1198

00:50:54,160 --> 00:50:50,060

buddy to other experiencers once they

1199

00:50:56,620 --> 00:50:54,170

feel heard and validated and oh gosh

1200

00:50:59,440 --> 00:50:56,630

okay I know I knew it wasn't crazy okay

1201
00:51:02,140 --> 00:50:59,450
then we can calm down and really start

1202
00:51:04,660 --> 00:51:02,150
to look at what's going on with their

1203
00:51:07,540 --> 00:51:04,670
contact experiences so how could I

1204
00:51:09,550 --> 00:51:07,550
possibly know what the agenda is I

1205
00:51:12,010 --> 00:51:09,560
wouldn't I don't know what the agenda is

1206
00:51:14,020 --> 00:51:12,020
I know what my conversations are with

1207
00:51:15,850 --> 00:51:14,030
the ETS that I've been in contact with

1208
00:51:18,460 --> 00:51:15,860
and those conversations are very

1209
00:51:20,290 --> 00:51:18,470
specifically that we need to be better

1210
00:51:23,680 --> 00:51:20,300
guardians of our planet and that we need

1211
00:51:26,980 --> 00:51:23,690
to cease and desist with the wars and

1212
00:51:28,300 --> 00:51:26,990
nukes especially so I know that's not

1213
00:51:30,520 --> 00:51:28,310

going to be I'm not going to be a fan of

1214

00:51:31,810 --> 00:51:30,530

a lot of folks but it does go back to

1215

00:51:33,250 --> 00:51:31,820

the little news item right they were

1216

00:51:36,280 --> 00:51:33,260

talking about and if we could go on

1217

00:51:39,700 --> 00:51:36,290

forever about that and why are these

1218

00:51:41,500 --> 00:51:39,710

UFOs going and shutting monitoring or

1219

00:51:43,690 --> 00:51:41,510

shutting the installations down and

1220

00:51:45,550 --> 00:51:43,700

they're not being jerks about it they're

1221

00:51:47,650 --> 00:51:45,560

not initiating war from what I can see

1222

00:51:50,050 --> 00:51:47,660

they're just saying guys knock it off

1223

00:51:53,110 --> 00:51:50,060

what'd you do to your planet does affect

1224

00:51:54,970 --> 00:51:53,120

us too we tend to make everything

1225

00:51:56,410 --> 00:51:54,980

although their ETS we'll wait a minute

1226

00:51:59,110 --> 00:51:56,420

did it occur to people that they have

1227

00:52:02,530 --> 00:51:59,120

babies too does it occur to humanity

1228

00:52:04,000 --> 00:52:02,540

that they have families Oh or is it part

1229

00:52:05,350 --> 00:52:04,010

of the programming don't know their

1230

00:52:08,290 --> 00:52:05,360

robotic they all work at a hive

1231

00:52:09,940 --> 00:52:08,300

mentality does that kind of make us feel

1232

00:52:11,770 --> 00:52:09,950

somewhat indifferent so that we don't

1233

00:52:14,020 --> 00:52:11,780

have to deal with this intelligence is

1234

00:52:16,420 --> 00:52:14,030

that we insulate ourselves or do we

1235

00:52:18,250 --> 00:52:16,430

perhaps a Oh hold up wait a minute you

1236

00:52:19,780 --> 00:52:18,260

know is our tendency to go with to war

1237

00:52:22,240 --> 00:52:19,790

with everything that we don't understand

1238

00:52:26,240 --> 00:52:22,250

or should we try to achieve Communion

1239

00:52:29,290 --> 00:52:26,250

and what is communion but to understand

1240

00:52:31,820 --> 00:52:29,300

and to be able to see what do you value

1241

00:52:34,100 --> 00:52:31,830

what's important to you are they here

1242

00:52:36,590 --> 00:52:34,110

just for our resources and either way we

1243

00:52:38,180 --> 00:52:36,600

need to wake up to me either way it's

1244

00:52:39,860 --> 00:52:38,190

great that we're looking and documenting

1245

00:52:42,050 --> 00:52:39,870

UFOs in the sky love it because that

1246

00:52:44,900 --> 00:52:42,060

only furthers what's going on you know

1247

00:52:47,480 --> 00:52:44,910

within to me the real guts the juice of

1248

00:52:50,300 --> 00:52:47,490

it is with the experiencers the sacred

1249

00:52:52,250 --> 00:52:50,310

truth tellers is dr. the late dr. John

1250

00:52:54,710 --> 00:52:52,260

Mack referred to the math and as and I

1251
00:52:56,930 --> 00:52:54,720
think that that's very accurate well

1252
00:52:59,090 --> 00:52:56,940
because it takes a lot of guts I mean

1253
00:53:00,920 --> 00:52:59,100
who wants to say oh I got abducted by

1254
00:53:03,080 --> 00:53:00,930
aliens and I've heard it all we don't

1255
00:53:06,680 --> 00:53:03,090
have to talk about the alien probes or

1256
00:53:08,690 --> 00:53:06,690
any of this I've heard it all well one

1257
00:53:10,940 --> 00:53:08,700
thing I do i do want to ask you while

1258
00:53:14,750 --> 00:53:10,950
we're on this subject and we have about

1259
00:53:18,290 --> 00:53:14,760
seven minutes or so left and that is how

1260
00:53:21,620 --> 00:53:18,300
has this affected relationships not only

1261
00:53:25,370 --> 00:53:21,630
with you but people you know how does

1262
00:53:29,120 --> 00:53:25,380
that work when I mean you are obviously

1263
00:53:31,040 --> 00:53:29,130

really into this and you know you're

1264

00:53:33,350 --> 00:53:31,050

doing your work that you're doing so

1265

00:53:35,810 --> 00:53:33,360

someone like you I imagine you have to

1266

00:53:38,630 --> 00:53:35,820

live and breathe it to to be as

1267

00:53:40,570 --> 00:53:38,640

dedicated as you are and how does how

1268

00:53:42,980 --> 00:53:40,580

does when you're going through life

1269

00:53:45,950 --> 00:53:42,990

friendships relationships anything like

1270

00:53:47,900 --> 00:53:45,960

that what goes on with that oh my gosh

1271

00:53:50,990 --> 00:53:47,910

what what an absolutely beautiful

1272

00:53:52,550 --> 00:53:51,000

question this is an area to i would say

1273

00:53:56,030 --> 00:53:52,560

in the research well first off I should

1274

00:54:00,140 --> 00:53:56,040

say that my entire family does not like

1275

00:54:02,600 --> 00:54:00,150

that I study UFO state my mom you know

1276

00:54:04,550 --> 00:54:02,610

just know hates it and you know again

1277

00:54:06,800 --> 00:54:04,560

different belief systems religiously or

1278

00:54:09,350 --> 00:54:06,810

whatever okay so there's that then the

1279

00:54:11,870 --> 00:54:09,360

interpersonal relationships not only in

1280

00:54:13,280 --> 00:54:11,880

mine I just recently not too long a

1281

00:54:16,100 --> 00:54:13,290

couple years ago went through a divorce

1282

00:54:18,020 --> 00:54:16,110

but again just that not people not

1283

00:54:20,690 --> 00:54:18,030

really getting it or understanding it

1284

00:54:22,280 --> 00:54:20,700

which is fine but again what I'm

1285

00:54:24,140 --> 00:54:22,290

tracking is what's going on in the

1286

00:54:25,900 --> 00:54:24,150

relationships too with a lot of the

1287

00:54:29,300 --> 00:54:25,910

contactees and what we're finding is

1288

00:54:32,170 --> 00:54:29,310

many times the more advanced that the

1289

00:54:36,200 --> 00:54:32,180

contact dee gets in their own awakening

1290

00:54:38,990 --> 00:54:36,210

they will oftentimes divorce and find

1291

00:54:41,150 --> 00:54:39,000

another contact eight another happy

1292

00:54:42,950 --> 00:54:41,160

so we'll see what and this is another

1293

00:54:45,440 --> 00:54:42,960

part of the research but I did I love it

1294

00:54:47,300 --> 00:54:45,450

I love it now what is it done for me in

1295

00:54:49,340 --> 00:54:47,310

my relationships with humanity and

1296

00:54:50,810 --> 00:54:49,350

relationship primarily with myself my

1297

00:54:54,230 --> 00:54:50,820

understanding of the Creator these are

1298

00:54:56,750 --> 00:54:54,240

the important I have a much broader

1299

00:55:00,440 --> 00:54:56,760

concept of a universal creator whatever

1300

00:55:02,270 --> 00:55:00,450

that looks like and then the friendships

1301
00:55:04,670 --> 00:55:02,280
it's sweetened my friendships the

1302
00:55:07,880 --> 00:55:04,680
experiencers have become like family to

1303
00:55:09,770 --> 00:55:07,890
me so I really and I still adore my

1304
00:55:11,660 --> 00:55:09,780
earthling family but I have a lot of

1305
00:55:14,420 --> 00:55:11,670
thing weird UFO people are star children

1306
00:55:16,220 --> 00:55:14,430
that I just absolutely adore their crazy

1307
00:55:19,010 --> 00:55:16,230
like me so it's really enriched my life

1308
00:55:21,410 --> 00:55:19,020
and in many ways and I do think it would

1309
00:55:23,930 --> 00:55:21,420
have been easier you to to hide my light

1310
00:55:25,940 --> 00:55:23,940
to dumb myself down you just simply shut

1311
00:55:28,220 --> 00:55:25,950
up and go away but I've decided that

1312
00:55:30,410 --> 00:55:28,230
that is not the path to take that it is

1313
00:55:33,320 --> 00:55:30,420

important to be bold so that I can be a

1314

00:55:35,450 --> 00:55:33,330

voice for the other experiences globally

1315

00:55:38,120 --> 00:55:35,460

as they find their voice and step out

1316

00:55:40,600 --> 00:55:38,130

and say hey yeah this is me too oh by

1317

00:55:43,640 --> 00:55:40,610

the way in regards to coming out mm-hmm

1318

00:55:45,980 --> 00:55:43,650

we are having a experienter liberation

1319

00:55:48,260 --> 00:55:45,990

day on october fish fifth I'm sorry

1320

00:55:51,560 --> 00:55:48,270

first 2015 we're going to be selling

1321

00:55:52,970 --> 00:55:51,570

pins on our website and I was though

1322

00:55:54,170 --> 00:55:52,980

it's going to be very exciting and I did

1323

00:55:59,090 --> 00:55:54,180

want to mention again that starborn

1324

00:56:01,340 --> 00:55:59,100

support is going to be also having their

1325

00:56:03,620 --> 00:56:01,350

next event I believe the last week of

1326

00:56:06,980 --> 00:56:03,630

august so go on starborn supports the

1327

00:56:08,630 --> 00:56:06,990

experiencer speak conference yep come to

1328

00:56:10,550 --> 00:56:08,640

people you know Audrey actually came

1329

00:56:12,980 --> 00:56:10,560

over to my house and we sat down and

1330

00:56:15,410 --> 00:56:12,990

recorded and it was just one of those

1331

00:56:18,290 --> 00:56:15,420

times I've had this happen twice where

1332

00:56:19,760 --> 00:56:18,300

the recording didn't come out so i'll

1333

00:56:22,690 --> 00:56:19,770

have to have her on sometimes she's a

1334

00:56:25,700 --> 00:56:22,700

real nice nice lady yeah she's fantastic

1335

00:56:27,770 --> 00:56:25,710

and she does a nice job she did very

1336

00:56:29,930 --> 00:56:27,780

well organized i went to the experience

1337

00:56:33,770 --> 00:56:29,940

to speak not last year but the year

1338

00:56:36,110 --> 00:56:33,780

before very well organized great

1339

00:56:39,410 --> 00:56:36,120

speakers and you know i know how hard

1340

00:56:42,800 --> 00:56:39,420

that is just from events that i put on

1341

00:56:44,900 --> 00:56:42,810

not related to the UFOs and experiences

1342

00:56:46,430 --> 00:56:44,910

or any of that but you know takes a lot

1343

00:56:50,300 --> 00:56:46,440

of real dedication to put something like

1344

00:56:52,880 --> 00:56:50,310

that on a lot of hard work insurance yes

1345

00:56:54,170 --> 00:56:52,890

and so we just have a couple more min

1346

00:56:57,590 --> 00:56:54,180

so if there's anything else you want to

1347

00:56:59,240 --> 00:56:57,600

say about your website or to actually

1348

00:57:01,790 --> 00:56:59,250

have does that have a Facebook page as

1349

00:57:03,800 --> 00:57:01,800

well know what we do we do so if you

1350

00:57:06,230 --> 00:57:03,810

just look for free experiencers on

1351
00:57:07,820 --> 00:57:06,240
facebook you can find our group and we

1352
00:57:08,960 --> 00:57:07,830
have several admins and there's so many

1353
00:57:11,180 --> 00:57:08,970
people again that i haven't mentioned

1354
00:57:13,400 --> 00:57:11,190
tonight I just want to thank Dana don

1355
00:57:17,060 --> 00:57:13,410
don one as well for being the website

1356
00:57:20,420 --> 00:57:17,070
creator of again free which is

1357
00:57:22,490 --> 00:57:20,430
experienced or dot CEO and it's a very

1358
00:57:24,650 --> 00:57:22,500
nice website by the way and that will be

1359
00:57:27,770 --> 00:57:24,660
linked in our show notes that's

1360
00:57:30,680 --> 00:57:27,780
fantastic I appreciate that great that

1361
00:57:32,590 --> 00:57:30,690
you bet so how can someone reach you if

1362
00:57:34,970 --> 00:57:32,600
you would like to be contacted by them

1363
00:57:36,410 --> 00:57:34,980

excellent question so the best way right

1364

00:57:38,330 --> 00:57:36,420

now we have a couple of people that

1365

00:57:40,490 --> 00:57:38,340

helped source the email for everyone but

1366

00:57:42,440 --> 00:57:40,500

they can just identify that they'd like

1367

00:57:44,420 --> 00:57:42,450

me specifically and then that will get

1368

00:57:47,050 --> 00:57:44,430

forwarded by the admins to me so the

1369

00:57:50,240 --> 00:57:47,060

email is free that's free at

1370

00:57:51,800 --> 00:57:50,250

experianer co and then from there once

1371

00:57:53,810 --> 00:57:51,810

i established relationship with the

1372

00:57:57,470 --> 00:57:53,820

individual you'll have all my

1373

00:57:59,060 --> 00:57:57,480

information ok well I'm going to do

1374

00:58:00,740 --> 00:57:59,070

something I've never done before and

1375

00:58:03,590 --> 00:58:00,750

that's I'm I'm switching guests in the

1376

00:58:06,170 --> 00:58:03,600

middle of this you know this to our show

1377

00:58:07,280 --> 00:58:06,180

so you'll have to bear with me everyone

1378

00:58:08,750 --> 00:58:07,290

it's going to be just a little bit

1379

00:58:10,850 --> 00:58:08,760

tricky and i want to thank you very very

1380

00:58:12,740 --> 00:58:10,860

much for coming on the show tonight

1381

00:58:14,540 --> 00:58:12,750

thank you for having me Martin it's been

1382

00:58:16,640 --> 00:58:14,550

a pleasure and it'll be nice to catch up

1383

00:58:19,940 --> 00:58:16,650

and see you in person hopefully this

1384

00:58:25,780 --> 00:58:19,950

next August I hope so I hope so Oh take

1385

00:58:29,000 --> 00:58:25,790

care you two thank you angel how are you

1386

00:58:31,010 --> 00:58:29,010

how are you doing sir I'm well thank you

1387

00:58:33,350 --> 00:58:31,020

and now for the live listener I'm sorry

1388

00:58:35,120 --> 00:58:33,360

for any of the technical difficulty we

1389

00:58:37,820 --> 00:58:35,130

just had I knew it was going to be a

1390

00:58:39,440 --> 00:58:37,830

little bit tricky so welcomed it always

1391

00:58:41,450 --> 00:58:39,450

is with modern technology isn't it

1392

00:58:45,400 --> 00:58:41,460

that's right so welcome to the show

1393

00:58:49,190 --> 00:58:45,410

angel and I heard you on I think it was

1394

00:58:52,640 --> 00:58:49,200

open minds and I really liked your view

1395

00:58:55,850 --> 00:58:52,650

and understand basically on you know UFO

1396

00:58:59,540 --> 00:58:55,860

research you're you're not to fringy

1397

00:59:01,970 --> 00:58:59,550

which I always enjoy listening to so

1398

00:59:04,490 --> 00:59:01,980

first of all you let's talk about your

1399

00:59:06,620 --> 00:59:04,500

background you you actually you actually

1400

00:59:08,900 --> 00:59:06,630

were kind to me in the past

1401

00:59:12,740 --> 00:59:08,910

and offered me a spot i believe at one

1402

00:59:14,390 --> 00:59:12,750

point on your show and going way back so

1403

00:59:17,150 --> 00:59:14,400

why don't we talk about your show and

1404

00:59:18,680 --> 00:59:17,160

and when it is and you have a lot of

1405

00:59:21,079 --> 00:59:18,690

people on that as well that's pretty

1406

00:59:23,480 --> 00:59:21,089

successful from what I hear it's doing

1407

00:59:26,029 --> 00:59:23,490

pretty well it is our show airs every

1408

00:59:27,589 --> 00:59:26,039

Tuesday night Wednesday morning

1409

00:59:30,049 --> 00:59:27,599

depending on where you are one in the

1410

00:59:31,609 --> 00:59:30,059

morning eastern time on Dark Matter

1411

00:59:33,470 --> 00:59:31,619

radio network right here it's it's

1412

00:59:35,749 --> 00:59:33,480

called sky watchers radio for those not

1413

00:59:37,880 --> 00:59:35,759

familiar with the show I am the main

1414

00:59:41,269 --> 00:59:37,890

host along with me as Allen my co-host

1415

00:59:43,339 --> 00:59:41,279

the show's actually ran for nearly six

1416

00:59:45,259 --> 00:59:43,349

years now five and a half years on and

1417

00:59:47,630 --> 00:59:45,269

off we actually had about a two year

1418

00:59:49,309 --> 00:59:47,640

break in between the original host and

1419

00:59:51,349 --> 00:59:49,319

myself that did the show was actually

1420

00:59:52,880 --> 00:59:51,359

four of us they're no longer involved

1421

00:59:54,740 --> 00:59:52,890

with the show we kind of retooled and

1422

00:59:56,660 --> 00:59:54,750

rebooted when we came on to the Dark

1423

00:59:58,279 --> 00:59:56,670

Matter radio network and we just

1424

01:00:00,769 --> 00:59:58,289

celebrated our one year anniversary in

1425

01:00:03,140 --> 01:00:00,779

December which was awesome right when

1426

01:00:07,759 --> 01:00:03,150

you're on dark matter that's a feat I

1427

01:00:09,559 --> 01:00:07,769

think wonderful wonderful and so I'm

1428

01:00:12,650 --> 01:00:09,569

sorry we just were having the chat room

1429

01:00:15,109 --> 01:00:12,660

here also so if anyone is listening live

1430

01:00:17,720 --> 01:00:15,119

well check so I got room jump right over

1431

01:00:21,019 --> 01:00:17,730

to the podcast UFO calm and take a swig

1432

01:00:24,440 --> 01:00:21,029

us a quick sign in so how did you get

1433

01:00:26,539 --> 01:00:24,450

interested in these topics wow that's

1434

01:00:28,249 --> 01:00:26,549

interesting out it goes back to the 80's

1435

01:00:29,930 --> 01:00:28,259

I used to live in california as a kid

1436

01:00:31,490 --> 01:00:29,940

and i had a sighting out in California

1437

01:00:33,200 --> 01:00:31,500

as a little kid I was playing the

1438

01:00:35,720 --> 01:00:33,210

backyard with a friend of mine and we

1439

01:00:37,940 --> 01:00:35,730

both saw this thing the sky and we were

1440

01:00:40,309 --> 01:00:37,950

stared at it into it flew right into the

1441

01:00:42,650 --> 01:00:40,319

into the abyss of nothingness it just

1442

01:00:44,690 --> 01:00:42,660

disappeared and it you know that

1443

01:00:47,029 --> 01:00:44,700

motorized me as a kid I'd never really

1444

01:00:48,680 --> 01:00:47,039

thought of it as an alien being or it's

1445

01:00:49,549 --> 01:00:48,690

like that I just even as a kid I thought

1446

01:00:50,960 --> 01:00:49,559

it might have been some kind of a

1447

01:00:53,180 --> 01:00:50,970

government aircraft there's no because I

1448

01:00:55,279 --> 01:00:53,190

was really into aviation and planes and

1449

01:00:56,809 --> 01:00:55,289

whatnot as a kid so I was like I

1450

01:00:58,279 --> 01:00:56,819

automatically thought all that must be

1451
01:01:00,230 --> 01:00:58,289
some kind of a government spy plane or

1452
01:01:01,759 --> 01:01:00,240
something that's what I thought but I

1453
01:01:04,279 --> 01:01:01,769
was really really captivated by the

1454
01:01:05,960 --> 01:01:04,289
subject and along the way over the years

1455
01:01:08,029 --> 01:01:05,970
I was also a big fan of sci-fi movies

1456
01:01:10,519 --> 01:01:08,039
like Star Wars and Star Trek and a big

1457
01:01:13,370 --> 01:01:10,529
track he also and Star Wars fanatic and

1458
01:01:14,809 --> 01:01:13,380
you know the subject always was near and

1459
01:01:17,150 --> 01:01:14,819
dear to my heart because of the movies

1460
01:01:20,000 --> 01:01:17,160
and things that I that I liked and then

1461
01:01:22,310 --> 01:01:20,010
I heard of a story there really

1462
01:01:25,340 --> 01:01:22,320
captured my attention in the late 90s in

1463
01:01:26,540 --> 01:01:25,350

the late 80s Early 90s and that was the

1464

01:01:30,140 --> 01:01:26,550

most certain gentleman by the name of

1465

01:01:33,950 --> 01:01:30,150

Travis Walton aha and literally his

1466

01:01:36,230 --> 01:01:33,960

story completely shaped what you hear

1467

01:01:38,750 --> 01:01:36,240

today on radio with me it completely

1468

01:01:41,570 --> 01:01:38,760

blew me away that he had this experience

1469

01:01:44,090 --> 01:01:41,580

that he was there with witnesses who

1470

01:01:46,220 --> 01:01:44,100

were there and saw him go through it and

1471

01:01:48,080 --> 01:01:46,230

they all passed pilot on polygraph test

1472

01:01:49,520 --> 01:01:48,090

they were searching for this man for

1473

01:01:51,320 --> 01:01:49,530

days and they couldn't find him

1474

01:01:54,200 --> 01:01:51,330

literally they thought they had murdered

1475

01:01:55,970 --> 01:01:54,210

Travis and that really being away

1476

01:01:57,860 --> 01:01:55,980

because here's the one story now that we

1477

01:01:59,840 --> 01:01:57,870

don't only have somebody telling his

1478

01:02:03,530 --> 01:01:59,850

story or something to happen to them but

1479

01:02:05,840 --> 01:02:03,540

you have I witnesses you have police you

1480

01:02:08,150 --> 01:02:05,850

have an actual investigation involved

1481

01:02:10,880 --> 01:02:08,160

polygraph tests all kinds of evidence

1482

01:02:12,920 --> 01:02:10,890

that is tangible evidence in that really

1483

01:02:14,930 --> 01:02:12,930

sparked my interest and then along the

1484

01:02:17,450 --> 01:02:14,940

way as you know growing up in the 90s

1485

01:02:20,150 --> 01:02:17,460

80s and 90s kid that's what I was I

1486

01:02:22,400 --> 01:02:20,160

heard of another voice on radio by the

1487

01:02:23,870 --> 01:02:22,410

name of art bell ah which I'm sure it's

1488

01:02:26,330 --> 01:02:23,880

familiar to everybody here on Dark

1489

01:02:27,530 --> 01:02:26,340

Matter radio network in an art really is

1490

01:02:29,390 --> 01:02:27,540

the inspiration for just about

1491

01:02:31,610 --> 01:02:29,400

everything that I've done on radio sense

1492

01:02:33,740 --> 01:02:31,620

i mean his format you know completely

1493

01:02:35,420 --> 01:02:33,750

stole me i was one of the few kids who

1494

01:02:38,330 --> 01:02:35,430

was rather listen to our bill as a kid

1495

01:02:39,620 --> 01:02:38,340

then go out and play sports or or be you

1496

01:02:41,270 --> 01:02:39,630

know hanging out with friends overnight

1497

01:02:43,430 --> 01:02:41,280

or sun like I was more interested in

1498

01:02:45,050 --> 01:02:43,440

just listening to art bell on the radio

1499

01:02:47,360 --> 01:02:45,060

because he really had just interesting

1500

01:02:49,190 --> 01:02:47,370

guests after interesting guests and that

1501

01:02:50,900 --> 01:02:49,200

really is were you know shaped my

1502

01:02:52,490 --> 01:02:50,910

interest in getting into rating for a

1503

01:02:55,880 --> 01:02:52,500

long time I actually wanted to do radio

1504

01:02:57,530 --> 01:02:55,890

and I thought about it I I you know I

1505

01:02:59,720 --> 01:02:57,540

talked to friends who are in the

1506

01:03:00,950 --> 01:02:59,730

industry just to pick their brain and

1507

01:03:02,660 --> 01:03:00,960

what they would do and you know how

1508

01:03:04,640 --> 01:03:02,670

would they would do a show but I'd never

1509

01:03:06,830 --> 01:03:04,650

really knew how to go about it until i

1510

01:03:09,590 --> 01:03:06,840

would say about six years ago I found

1511

01:03:12,170 --> 01:03:09,600

online podcasting now it was kind of in

1512

01:03:14,540 --> 01:03:12,180

his infancy stage still six seven years

1513

01:03:15,830 --> 01:03:14,550

ago but the one show that really caught

1514

01:03:19,730 --> 01:03:15,840

my attention on the internet was

1515

01:03:21,290 --> 01:03:19,740

alejandro rojas UFO think tank and that

1516

01:03:22,850 --> 01:03:21,300

was one of the first shows that I really

1517

01:03:24,800 --> 01:03:22,860

heard and paid attention to for a long

1518

01:03:26,420 --> 01:03:24,810

period of time and just you know

1519

01:03:28,610 --> 01:03:26,430

listening to him to do what he did I

1520

01:03:30,770 --> 01:03:28,620

really told me that a you know I could

1521

01:03:32,090 --> 01:03:30,780

probably do some in this and I started

1522

01:03:32,640 --> 01:03:32,100

doing a little podcast along the way

1523

01:03:35,279 --> 01:03:32,650

with some

1524

01:03:37,380 --> 01:03:35,289

there was nothing serious and you know

1525

01:03:38,750 --> 01:03:37,390

Alejandro heard and Jesse Randolph heard

1526
01:03:41,010 --> 01:03:38,760
and a couple other people herded and

1527
01:03:42,660 --> 01:03:41,020
they started talking to me about you

1528
01:03:44,370 --> 01:03:42,670
know with what i should do differently

1529
01:03:46,200 --> 01:03:44,380
than what i was doing at that at that

1530
01:03:47,609 --> 01:03:46,210
moment and how to maybe take you

1531
01:03:51,260 --> 01:03:47,619
followed a little bit more serious and

1532
01:03:54,000 --> 01:03:51,270
do it you know a little bit more um I

1533
01:03:55,170 --> 01:03:54,010
guess formatted because it was kind of

1534
01:03:57,180 --> 01:03:55,180
all over the place before and really

1535
01:03:59,220 --> 01:03:57,190
format the shows and do it properly and

1536
01:04:00,690 --> 01:03:59,230
really helped me a lot and I give a lot

1537
01:04:03,150 --> 01:04:00,700
of credit to Alejandro and Jesse for

1538
01:04:04,470 --> 01:04:03,160

their help early on and if you don't you

1539

01:04:08,880 --> 01:04:04,480

guys don't know what Jesse Randolph is

1540

01:04:11,370 --> 01:04:08,890

look up you for not radio late show you

1541

01:04:12,930 --> 01:04:11,380

had a show for a long time and he's

1542

01:04:15,180 --> 01:04:12,940

unfortunately not doing it anymore but

1543

01:04:16,650 --> 01:04:15,190

he's a really good host and you know

1544

01:04:19,410 --> 01:04:16,660

that's really what got me into into

1545

01:04:21,480 --> 01:04:19,420

podcasting on the internet and I've met

1546

01:04:23,400 --> 01:04:21,490

a couple friends Jeremiah Greer from

1547

01:04:25,319 --> 01:04:23,410

tenacity radios shadows in the dark

1548

01:04:27,960 --> 01:04:25,329

which he's also not hound radio anymore

1549

01:04:30,569 --> 01:04:27,970

which is a shame and he's the first

1550

01:04:32,279 --> 01:04:30,579

person took me out of the block talk you

1551

01:04:33,779 --> 01:04:32,289

know I don't know Knobloch talk radio

1552

01:04:35,700 --> 01:04:33,789

but took me out of that format in and

1553

01:04:38,010 --> 01:04:35,710

said you know let me you should try out

1554

01:04:39,269 --> 01:04:38,020

shoutcast and you know that was the

1555

01:04:44,940 --> 01:04:39,279

first station that I was on the internet

1556

01:04:47,069 --> 01:04:44,950

was on his radio station mm-hmm well one

1557

01:04:48,390 --> 01:04:47,079

of the things I thought about art bell

1558

01:04:52,349 --> 01:04:48,400

the first time I heard him and it was

1559

01:04:53,760 --> 01:04:52,359

many years ago and it's like I wasn't

1560

01:04:55,500 --> 01:04:53,770

even listening to the subject i was

1561

01:04:58,410 --> 01:04:55,510

thinking boy this guy is just a natural

1562

01:05:01,529 --> 01:04:58,420

I mean he was just a natural on the air

1563

01:05:03,120 --> 01:05:01,539

and but I really once I started

1564

01:05:06,150 --> 01:05:03,130

listening and hearing all these

1565

01:05:08,640 --> 01:05:06,160

interesting things you know really got

1566

01:05:11,190 --> 01:05:08,650

me hooked I can understand that ya know

1567

01:05:12,839 --> 01:05:11,200

for me it was funny because I I would

1568

01:05:14,279 --> 01:05:12,849

hang out with friends and buddies and

1569

01:05:15,510 --> 01:05:14,289

you know friends from school and one

1570

01:05:17,339 --> 01:05:15,520

night I would tell me have you heard Art

1571

01:05:18,660 --> 01:05:17,349

Bell before and they'll be like this

1572

01:05:20,579 --> 01:05:18,670

guy's crazy this guy didn't what he's

1573

01:05:22,170 --> 01:05:20,589

talking about and then I actually got a

1574

01:05:23,490 --> 01:05:22,180

bunch of my friends to become fans of

1575

01:05:25,079 --> 01:05:23,500

art but in fact that there's dozens of

1576

01:05:27,180 --> 01:05:25,089

friends of mine that are fans of art

1577

01:05:29,910 --> 01:05:27,190

bells because I told them about art and

1578

01:05:31,500 --> 01:05:29,920

had no idea who he was you know but our

1579

01:05:33,269 --> 01:05:31,510

wasn't the only person that piqued my

1580

01:05:35,370 --> 01:05:33,279

interest on radio also i'm a big fan of

1581

01:05:36,779 --> 01:05:35,380

phil hendrie I don't know you're

1582

01:05:40,650 --> 01:05:36,789

familiar with its work Art Bell knows

1583

01:05:42,029 --> 01:05:40,660

Phil Hendrie by the way mm-hmm if you

1584

01:05:44,250 --> 01:05:42,039

don't know who auto fill Andrea's look

1585

01:05:45,880 --> 01:05:44,260

up art bell and phil hendrie on youtube

1586

01:05:47,170 --> 01:05:45,890

and you're gonna see the cross

1587

01:05:49,240 --> 01:05:47,180

between the two of them it's very funny

1588

01:05:51,520 --> 01:05:49,250

stuff he's a comedian on radio which if

1589

01:05:53,350 --> 01:05:51,530

you listen to skywatchers radio you'll

1590

01:05:55,480 --> 01:05:53,360

notice that I goof off a little bit and

1591

01:05:57,790 --> 01:05:55,490

we do joke around a little bit more than

1592

01:05:59,590 --> 01:05:57,800

you know most of the serious ufology

1593

01:06:01,300 --> 01:05:59,600

shows that's a little bit of phil

1594

01:06:03,640 --> 01:06:01,310

hendrie influence because i am a huge

1595

01:06:06,490 --> 01:06:03,650

fan of his work also and neil rogers

1596

01:06:09,670 --> 01:06:06,500

also shaped a lot of my influence along

1597

01:06:12,010 --> 01:06:09,680

the way he was a miami radio host during

1598

01:06:13,960 --> 01:06:12,020

the 80s and 90s down here miami florida

1599

01:06:16,360 --> 01:06:13,970

and he passed away a few years ago I've

1600

01:06:18,250 --> 01:06:16,370

luckily became friends with him and few

1601
01:06:20,500 --> 01:06:18,260
of his folks they were associated with

1602
01:06:22,420 --> 01:06:20,510
him including his producer of 20-plus

1603
01:06:24,970 --> 01:06:22,430
years jorge rodriguez who is a good

1604
01:06:26,860 --> 01:06:24,980
friend of mine now and he actually i do

1605
01:06:29,110 --> 01:06:26,870
work with him as well on the side on his

1606
01:06:30,870 --> 01:06:29,120
radio station so floor radio so it's one

1607
01:06:33,610 --> 01:06:30,880
of those things where I've managed to

1608
01:06:36,730 --> 01:06:33,620
you know really pay attention to the

1609
01:06:38,710 --> 01:06:36,740
people that really enjoyed and in a way

1610
01:06:40,540 --> 01:06:38,720
you could see the inspiration or like

1611
01:06:43,780 --> 01:06:40,550
where they inspired in me what you see

1612
01:06:46,510 --> 01:06:43,790
now in the radio just to you know bring

1613
01:06:48,940 --> 01:06:46,520

a full circle mmm well the one thing

1614

01:06:51,520 --> 01:06:48,950

about doing your your own podcast for

1615

01:06:52,690 --> 01:06:51,530

instance is uh you know you're you're

1616

01:06:54,490 --> 01:06:52,700

the captain of the ship you can

1617

01:06:57,880 --> 01:06:54,500

basically do what you want to do and and

1618

01:07:01,210 --> 01:06:57,890

I when I had michael luke as a co-host

1619

01:07:02,920 --> 01:07:01,220

basically doing the news i had a really

1620

01:07:04,690 --> 01:07:02,930

good time with that and i remember

1621

01:07:08,830 --> 01:07:04,700

getting an email i read it loud on air

1622

01:07:10,930 --> 01:07:08,840

dear podcast host you are not funny you

1623

01:07:13,180 --> 01:07:10,940

shouldn't try to be funny you known on

1624

01:07:15,760 --> 01:07:13,190

and on but you know I just ignore it and

1625

01:07:18,420 --> 01:07:15,770

if the situation happens you know

1626

01:07:21,340 --> 01:07:18,430

Michael and I just had that type of

1627

01:07:23,170 --> 01:07:21,350

repertoire where we could you know have

1628

01:07:25,390 --> 01:07:23,180

a lot of fun and I think was because he

1629

01:07:27,190 --> 01:07:25,400

was like really serious and which made

1630

01:07:29,140 --> 01:07:27,200

me you know and he would just hold it

1631

01:07:31,570 --> 01:07:29,150

together when I went kind of you know

1632

01:07:33,130 --> 01:07:31,580

off-kilter a little bit you know it's

1633

01:07:34,990 --> 01:07:33,140

funny Alejandro asked me when we did

1634

01:07:37,720 --> 01:07:35,000

open minds when I did it and every other

1635

01:07:40,540 --> 01:07:37,730

show you ask me how do I deal with or

1636

01:07:42,580 --> 01:07:40,550

how has the reaction been from people

1637

01:07:44,620 --> 01:07:42,590

you know seeing that I do more you know

1638

01:07:46,600 --> 01:07:44,630

funnier stuff than normal podcast like

1639

01:07:49,390 --> 01:07:46,610

ours you know how does the reaction been

1640

01:07:51,130 --> 01:07:49,400

and he's had a kind of like a weird kind

1641

01:07:53,560 --> 01:07:51,140

of a backlash for doing you know little

1642

01:07:55,420 --> 01:07:53,570

humor on his shows it's been like the

1643

01:07:56,650 --> 01:07:55,430

opposite for me I for whatever reason i

1644

01:07:58,180 --> 01:07:56,660

guess i don't know maybe as

1645

01:07:59,650 --> 01:07:58,190

personalities people like i have no idea

1646

01:08:01,809 --> 01:07:59,660

but I've actually got a lot of

1647

01:08:03,549 --> 01:08:01,819

sort of feedback from doing that format

1648

01:08:05,859 --> 01:08:03,559

and just being a little bit of a goof on

1649

01:08:07,120 --> 01:08:05,869

air I think it really depends on the

1650

01:08:09,039 --> 01:08:07,130

person's for some people who works a

1651

01:08:10,270 --> 01:08:09,049

little bit better than others but even

1652

01:08:12,400 --> 01:08:10,280

if somebody gives you any negative

1653

01:08:13,720 --> 01:08:12,410

feedback I was turned that and into

1654

01:08:15,039 --> 01:08:13,730

positive at the end of the day and and

1655

01:08:17,890 --> 01:08:15,049

just make a joke out of it and

1656

01:08:20,439 --> 01:08:17,900

eventually they become fans yeah yeah so

1657

01:08:23,530 --> 01:08:20,449

all right so let's talk about UFOs now

1658

01:08:24,610 --> 01:08:23,540

okay a little bit it's a you know I

1659

01:08:27,150 --> 01:08:24,620

always have to get back to that

1660

01:08:31,059 --> 01:08:27,160

eventually when it comes to the show so

1661

01:08:33,070 --> 01:08:31,069

what would you be a format now you said

1662

01:08:34,360 --> 01:08:33,080

Travis Walton and I you know and the

1663

01:08:37,959 --> 01:08:34,370

pleasure of meeting him several times

1664

01:08:40,510 --> 01:08:37,969

and you know when you look into Travis's

1665

01:08:42,039 --> 01:08:40,520

eyes and he's talking to you it's solid

1666

01:08:45,789 --> 01:08:42,049

you know I mean there's there's ever

1667

01:08:49,329 --> 01:08:45,799

been any question in my mind with his

1668

01:08:52,510 --> 01:08:49,339

story you know told from him you know

1669

01:08:53,979 --> 01:08:52,520

there are a lot of people that have well

1670

01:08:55,209 --> 01:08:53,989

there's a lot of negativity and you can

1671

01:08:58,120 --> 01:08:55,219

search for it on the internet you can

1672

01:09:00,729 --> 01:08:58,130

find that on any case but I I totally

1673

01:09:02,169 --> 01:09:00,739

stick with the fact that I believe in

1674

01:09:04,329 --> 01:09:02,179

one hundred percent but what do you

1675

01:09:08,169 --> 01:09:04,339

consider some other cases out there that

1676

01:09:10,030 --> 01:09:08,179

fascinate you well you know that I'm a

1677

01:09:11,439 --> 01:09:10,040

hundred percent an agreement i believe

1678

01:09:13,209 --> 01:09:11,449

Travis one hundred percent but other

1679

01:09:15,099 --> 01:09:13,219

cases out there I mean the Roswell case

1680

01:09:17,320 --> 01:09:15,109

has always been a fascinating case to me

1681

01:09:19,360 --> 01:09:17,330

just because of the sheer amount of

1682

01:09:21,269 --> 01:09:19,370

times of the government's come out with

1683

01:09:24,099 --> 01:09:21,279

different stories of what happened

1684

01:09:26,349 --> 01:09:24,109

that's always been fascinating Betty and

1685

01:09:28,660 --> 01:09:26,359

Barney Hill there's a know their

1686

01:09:31,120 --> 01:09:28,670

abduction that's a fascinating case in

1687

01:09:33,189 --> 01:09:31,130

itself the Rendlesham forest case is

1688

01:09:34,959 --> 01:09:33,199

also a very interesting case there's a

1689

01:09:37,510 --> 01:09:34,969

lot of interesting stuff that happened

1690

01:09:39,189 --> 01:09:37,520

but the sad part of what I've seen in

1691

01:09:41,110 --> 01:09:39,199

ufology since I've been doing radio is

1692

01:09:43,720 --> 01:09:41,120

that a lot of the great stories happened

1693

01:09:45,700 --> 01:09:43,730

a long time ago yes that about a lot of

1694

01:09:48,459 --> 01:09:45,710

is happening today and that's very sad

1695

01:09:50,559 --> 01:09:48,469

yeah for whatever reason you know one of

1696

01:09:52,479 --> 01:09:50,569

the complaints i do get an email is you

1697

01:09:55,030 --> 01:09:52,489

know you're rehashing old you know you

1698

01:09:56,800 --> 01:09:55,040

reaction yo we have no choice I mean I

1699

01:09:58,090 --> 01:09:56,810

know enough guy this before THU morning

1700

01:09:59,740 --> 01:09:58,100

I mean after I people tell me how many

1701

01:10:01,720 --> 01:09:59,750

times can you talk about Roswell I'm

1702

01:10:03,970 --> 01:10:01,730

like well it's a pretty big case and

1703

01:10:05,770 --> 01:10:03,980

well there's nothing happening so far

1704

01:10:06,910 --> 01:10:05,780

there's bigger than Roswell I mean they

1705

01:10:07,890 --> 01:10:06,920

haven't landed on the White House lawn

1706

01:10:09,990 --> 01:10:07,900

yeah

1707

01:10:11,850 --> 01:10:10,000

and you know I personally I don't

1708

01:10:13,770 --> 01:10:11,860

believe certain individuals who come out

1709

01:10:15,450 --> 01:10:13,780

with video of aliens peeking through the

1710

01:10:18,120 --> 01:10:15,460

window so I mean that doesn't you know

1711

01:10:19,800 --> 01:10:18,130

qualify to be as big as Roswell so why

1712

01:10:21,360 --> 01:10:19,810

am I gonna talk about that guy let's

1713

01:10:23,490 --> 01:10:21,370

talk about Roswell that's more important

1714

01:10:26,070 --> 01:10:23,500

and unfortunately there really has not

1715

01:10:27,060 --> 01:10:26,080

been another Roswell I think the closest

1716

01:10:29,010 --> 01:10:27,070

we'll probably the Rendlesham forest

1717

01:10:31,740 --> 01:10:29,020

case but that was also a long time ago

1718

01:10:34,350 --> 01:10:31,750

so yeah that's a pretty solid case I I

1719

01:10:37,380 --> 01:10:34,360

really have always thought highly of

1720

01:10:40,740 --> 01:10:37,390

that one okay so I heard you say alien

1721

01:10:42,810 --> 01:10:40,750

in the window so let's talk about that a

1722

01:10:46,740 --> 01:10:42,820

little bit in and I'm not afraid to

1723

01:10:48,540 --> 01:10:46,750

mention not just wondered if I haven't

1724

01:10:53,370 --> 01:10:48,550

heard anything about the case that was

1725

01:10:57,090 --> 01:10:53,380

going to court in regards to mr. Romanek

1726

01:10:58,800 --> 01:10:57,100

and just wondered is there news out

1727

01:11:00,990 --> 01:10:58,810

there that I haven't heard and it's not

1728

01:11:02,220 --> 01:11:01,000

like I'm following it or anything but it

1729

01:11:06,120 --> 01:11:02,230

just seems like you'd hear more about

1730

01:11:07,620 --> 01:11:06,130

that whole situation and basically that

1731

01:11:10,950 --> 01:11:07,630

you know he was caught with child

1732

01:11:12,570 --> 01:11:10,960

pornography and you know and his wife

1733

01:11:14,100 --> 01:11:12,580

backed him up by saying that you know

1734

01:11:16,830 --> 01:11:14,110

the government put the child pornography

1735

01:11:19,020 --> 01:11:16,840

on his computer and then the case just

1736

01:11:21,000 --> 01:11:19,030

kind of died and went away and I haven't

1737

01:11:23,610 --> 01:11:21,010

heard well no yes as I really died I

1738

01:11:24,840 --> 01:11:23,620

mean I think they're still they haven't

1739

01:11:26,310 --> 01:11:24,850

gone to court yet I mean there's still a

1740

01:11:28,649 --> 01:11:26,320

court date that's going to happen the

1741

01:11:30,479 --> 01:11:28,659

trout hasn't happened yet I mean there's

1742

01:11:31,950 --> 01:11:30,489

a lot of stuff that store is yet to

1743

01:11:34,410 --> 01:11:31,960

happen and we have to see you know what

1744

01:11:36,060 --> 01:11:34,420

does happen at the other day like he's

1745

01:11:37,860 --> 01:11:36,070

innocent till proven guilty that's the

1746

01:11:40,320 --> 01:11:37,870

way it works in this country yeah and we

1747

01:11:42,060 --> 01:11:40,330

can't forget that what I don't like

1748

01:11:44,490 --> 01:11:42,070

about what happened on that case because

1749

01:11:46,110 --> 01:11:44,500

any look anybody can have stuff planted

1750

01:11:48,930 --> 01:11:46,120

on their computer that's an underperson

1751

01:11:51,300 --> 01:11:48,940

legit that can't happen my thing with

1752

01:11:53,959 --> 01:11:51,310

this case is the government would not

1753

01:11:57,570 --> 01:11:53,969

spend years investigating a person

1754

01:11:59,070 --> 01:11:57,580

tailing a person and really uh for what

1755

01:12:00,750 --> 01:11:59,080

to find child pornography in the

1756

01:12:03,930 --> 01:12:00,760

computer I mean they would not spend the

1757

01:12:06,390 --> 01:12:03,940

amount of man hours the money spent I

1758

01:12:08,280 --> 01:12:06,400

mean is ridiculously you look at the

1759

01:12:10,830 --> 01:12:08,290

entire time that they were you know

1760

01:12:12,570 --> 01:12:10,840

investigating Stan I don't think the

1761

01:12:13,860 --> 01:12:12,580

government would put that much effort

1762

01:12:16,470 --> 01:12:13,870

into it unless there was really

1763

01:12:18,990 --> 01:12:16,480

something tangible there it just doesn't

1764

01:12:20,189 --> 01:12:19,000

make any sense it doesn't compute now if

1765

01:12:21,690 --> 01:12:20,199

the government wants to plant evidence

1766

01:12:23,700 --> 01:12:21,700

they could do that within a week

1767

01:12:26,250 --> 01:12:23,710

time or 24 hours that would not spend a

1768

01:12:27,480 --> 01:12:26,260

year two years investigating the man you

1769

01:12:30,900 --> 01:12:27,490

know what I mean that just does not

1770

01:12:32,580 --> 01:12:30,910

factor at all and my thing and I said

1771

01:12:34,890 --> 01:12:32,590

this on the show before I just hope that

1772

01:12:36,420 --> 01:12:34,900

he is innocent I hope that they can

1773

01:12:39,120 --> 01:12:36,430

prove that he is innocent because I

1774

01:12:41,370 --> 01:12:39,130

would hate to have his association in

1775

01:12:43,950 --> 01:12:41,380

ufology be another black eye for the

1776

01:12:45,840 --> 01:12:43,960

entire you know field of ufology I would

1777

01:12:48,240 --> 01:12:45,850

hate for other people with in ufology

1778

01:12:50,730 --> 01:12:48,250

who are associated with him to

1779

01:12:52,890 --> 01:12:50,740

unfortunately maybe be labeled like what

1780

01:12:54,570 --> 01:12:52,900

he might be because you never know I

1781

01:12:57,570 --> 01:12:54,580

mean there could be an organization of

1782

01:12:59,310 --> 01:12:57,580

people that he was sharing pornography

1783

01:13:01,560 --> 01:12:59,320

with or sharing you this content with

1784

01:13:03,600 --> 01:13:01,570

and if some of them come out they were

1785

01:13:06,780 --> 01:13:03,610

here in ufology some big names we might

1786

01:13:08,610 --> 01:13:06,790

know well that's not good ya know I I

1787

01:13:10,920 --> 01:13:08,620

agree and I fight I have thought of all

1788

01:13:12,540 --> 01:13:10,930

these things that you know it it isn't

1789

01:13:16,020 --> 01:13:12,550

good because it just you know it just

1790

01:13:17,940 --> 01:13:16,030

adds to the fire of you know people

1791

01:13:21,030 --> 01:13:17,950

thinking that you know anyone interest

1792

01:13:24,950 --> 01:13:21,040

in this is a bunch of nut nut cases you

1793

01:13:27,210 --> 01:13:24,960

know and you know so he gets caught I

1794

01:13:29,100 --> 01:13:27,220

was a former guest of mine that was

1795

01:13:32,460 --> 01:13:29,110

interviewing him on skypeing he got

1796

01:13:35,580 --> 01:13:32,470

caught throwing a pen you know above his

1797

01:13:36,960 --> 01:13:35,590

head did you happen to see that Martin

1798

01:13:39,810 --> 01:13:36,970

you the funniest thing about that video

1799

01:13:41,610 --> 01:13:39,820

is I saw that video and I was cracking

1800

01:13:43,980 --> 01:13:41,620

up and I was like ah there he is busted

1801
01:13:46,170 --> 01:13:43,990
you know the complete hoaxing and then

1802
01:13:48,600 --> 01:13:46,180
like a day later the charges are brought

1803
01:13:50,880 --> 01:13:48,610
up on child pornography oh is that what

1804
01:13:52,140 --> 01:13:50,890
is that how that way it was like one day

1805
01:13:53,400 --> 01:13:52,150
to the next I mean that's when I saw it

1806
01:13:54,690 --> 01:13:53,410
I don't know the video had been online a

1807
01:13:56,670 --> 01:13:54,700
few days before or a month before

1808
01:13:58,650 --> 01:13:56,680
whatever but I saw it and literally the

1809
01:14:01,170 --> 01:13:58,660
next day the Chopin ography charges went

1810
01:14:06,750 --> 01:14:01,180
up and I just had this weird feeling

1811
01:14:08,310 --> 01:14:06,760
about karma uh and and how because look

1812
01:14:10,080 --> 01:14:08,320
I don't believe the alien in the window

1813
01:14:12,630 --> 01:14:10,090

I don't I'm sorry Stan I don't believe

1814

01:14:15,110 --> 01:14:12,640

that either I don't believe that he has

1815

01:14:18,120 --> 01:14:15,120

any psychic abilities or he or he is a

1816

01:14:21,450 --> 01:14:18,130

contact e or and we obviously saw him

1817

01:14:22,980 --> 01:14:21,460

hoax a video right that's there he threw

1818

01:14:25,590 --> 01:14:22,990

a pen in the air I mean they were flash

1819

01:14:28,230 --> 01:14:25,600

travel whatever was to me what's

1820

01:14:30,480 --> 01:14:28,240

happening to him now is karma you do

1821

01:14:33,450 --> 01:14:30,490

evil you do bad you get it right back in

1822

01:14:35,190 --> 01:14:33,460

the end and you know it is what it is

1823

01:14:35,970 --> 01:14:35,200

and like I said I hope they

1824

01:14:38,850 --> 01:14:35,980

he could prove that he's innocent

1825

01:14:40,440 --> 01:14:38,860

because if he can't and there are other

1826

01:14:41,880 --> 01:14:40,450

people involved is just going to be

1827

01:14:44,400 --> 01:14:41,890

really bad for the entire field of

1828

01:14:46,620 --> 01:14:44,410

ufology for all of us yeah even if it's

1829

01:14:50,250 --> 01:14:46,630

just him alone even over to sem units

1830

01:14:52,200 --> 01:14:50,260

still bad yeah it is it is you know so

1831

01:14:54,000 --> 01:14:52,210

of course we're talking about stuff like

1832

01:14:56,150 --> 01:14:54,010

this we always have to be careful

1833

01:14:59,790 --> 01:14:56,160

exactly you're saying in like you said I

1834

01:15:02,550 --> 01:14:59,800

he is innocent until proven guilty he

1835

01:15:04,980 --> 01:15:02,560

was I picked my third guest on the show

1836

01:15:08,130 --> 01:15:04,990

when I first started and I didn't really

1837

01:15:10,590 --> 01:15:08,140

know who he was or anything like that I

1838

01:15:12,810 --> 01:15:10,600

you know knew a little bit about him but

1839

01:15:14,340 --> 01:15:12,820

I didn't really know much very friendly

1840

01:15:15,990 --> 01:15:14,350

guy i mean i had on the show couple

1841

01:15:17,700 --> 01:15:16,000

times is a very friendly nice guy him

1842

01:15:20,610 --> 01:15:17,710

and his wife Lisa are very very nice

1843

01:15:22,320 --> 01:15:20,620

folks I to talk to it if you don't know

1844

01:15:24,300 --> 01:15:22,330

anything of the the shadowy stuff that's

1845

01:15:26,670 --> 01:15:24,310

going on behind the scenes if it's true

1846

01:15:29,370 --> 01:15:26,680

but just as a radio host and

1847

01:15:30,660 --> 01:15:29,380

interviewing Stan seem like a very nice

1848

01:15:32,250 --> 01:15:30,670

person when I interviewed them in fact

1849

01:15:34,530 --> 01:15:32,260

they were down here in Florida but a

1850

01:15:35,670 --> 01:15:34,540

year ago two years ago for convention

1851

01:15:37,800 --> 01:15:35,680

and oh yeah he was like two years ago

1852

01:15:39,540 --> 01:15:37,810

and they invited me out to the

1853

01:15:42,540 --> 01:15:39,550

convention I couldn't make it out to it

1854

01:15:43,560 --> 01:15:42,550

because of work reasons but the invited

1855

01:15:45,420 --> 01:15:43,570

me they're nice enough to you know

1856

01:15:47,160 --> 01:15:45,430

gesture for me to go out and do an

1857

01:15:49,290 --> 01:15:47,170

interview over there and and stuff so

1858

01:15:50,790 --> 01:15:49,300

they're nice folks all right i mean to

1859

01:15:52,590 --> 01:15:50,800

me they've never been nothing but nice

1860

01:15:53,820 --> 01:15:52,600

but that does not mean that i'm gonna

1861

01:15:56,490 --> 01:15:53,830

just because they're nice to me i'm not

1862

01:15:58,650 --> 01:15:56,500

gonna say well i'm gonna support hoaxing

1863

01:16:01,770 --> 01:15:58,660

you know what I mean that's not I'm not

1864

01:16:03,120 --> 01:16:01,780

that type person at in in Stan knows

1865

01:16:05,100 --> 01:16:03,130

that I mean I was hard to stand in

1866

01:16:06,690 --> 01:16:05,110

private about that before I even need to

1867

01:16:07,770 --> 01:16:06,700

show it i tol em like Stan you know I

1868

01:16:09,900 --> 01:16:07,780

love to have you on the show we could

1869

01:16:11,460 --> 01:16:09,910

definitely do an interview but you know

1870

01:16:12,870 --> 01:16:11,470

I really don't think that's an alien in

1871

01:16:14,640 --> 01:16:12,880

your window buddy I mean it just doesn't

1872

01:16:16,620 --> 01:16:14,650

look real and we had a whole

1873

01:16:18,330 --> 01:16:16,630

conversation about that in of course he

1874

01:16:20,430 --> 01:16:18,340

denied that he did any hoax anything he

1875

01:16:23,130 --> 01:16:20,440

said well maybe somebody's pranking me I

1876

01:16:25,530 --> 01:16:23,140

don't know but I dare do it wrong which

1877

01:16:27,540 --> 01:16:25,540

that's exactly also that's exactly what

1878

01:16:31,560 --> 01:16:27,550

i actually did ask him that you know i

1879

01:16:33,060 --> 01:16:31,570

mean and on the show i had and he he

1880

01:16:35,490 --> 01:16:33,070

said that very same thing I mean he's

1881

01:16:38,460 --> 01:16:35,500

he's ready for that you know he's ready

1882

01:16:40,920 --> 01:16:38,470

for he has the reply to that question

1883

01:16:43,050 --> 01:16:40,930

and then anything else and basically

1884

01:16:44,970 --> 01:16:43,060

well maybe it is and you know but maybe

1885

01:16:47,700 --> 01:16:44,980

it is that I'm you know that I'm getting

1886

01:16:48,630 --> 01:16:47,710

hoaxed I don't know I can't say for sure

1887

01:16:49,980 --> 01:16:48,640

you

1888

01:16:52,700 --> 01:16:49,990

no that type of thing so he's pretty

1889

01:16:56,760 --> 01:16:52,710

he's pretty smooth in that regards

1890

01:16:59,190 --> 01:16:56,770

mm-hmm if you ask me and psyching up

1891

01:17:03,600 --> 01:16:59,200

let's go into since we're on such a

1892

01:17:05,400 --> 01:17:03,610

great negative topic we're a Chopin

1893

01:17:08,700 --> 01:17:05,410

ography and hosted in ufology doesn't

1894

01:17:11,130 --> 01:17:08,710

get writer than our geez I want to just

1895

01:17:13,440 --> 01:17:11,140

I want to talk about I want to talk

1896

01:17:15,780 --> 01:17:13,450

about Hulk Singh because that is you

1897

01:17:17,130 --> 01:17:15,790

know I'm in the the fine arts and

1898

01:17:19,410 --> 01:17:17,140

antiques business that's what I do

1899

01:17:22,110 --> 01:17:19,420

that's my other life I'm involved in a

1900

01:17:23,520 --> 01:17:22,120

start-up right now and social media for

1901

01:17:26,730 --> 01:17:23,530

collectors it's pretty exciting and all

1902

01:17:29,160 --> 01:17:26,740

that but one of the things that bugs me

1903

01:17:31,560 --> 01:17:29,170

in my business is fakes you know fakes

1904

01:17:33,540 --> 01:17:31,570

and paintings fixing you know any type

1905

01:17:36,570 --> 01:17:33,550

of anything that's worth any money is

1906

01:17:38,160 --> 01:17:36,580

faked basically right and so that I have

1907

01:17:40,560 --> 01:17:38,170

a bone of contention when it comes to

1908

01:17:43,830 --> 01:17:40,570

that and I feel the same way when it

1909

01:17:45,900 --> 01:17:43,840

comes to UFO hoaxes and hoaxers there's

1910

01:17:48,750 --> 01:17:45,910

not a heck of a lot of them thank

1911

01:17:50,730 --> 01:17:48,760

goodness but there are there's some you

1912

01:17:53,340 --> 01:17:50,740

know that are pretty been pretty well

1913

01:17:55,560 --> 01:17:53,350

busted you know this and there's some

1914

01:17:57,270 --> 01:17:55,570

that people really don't care I'm just

1915

01:17:58,860 --> 01:17:57,280

going to throw out because I've already

1916

01:18:02,520 --> 01:17:58,870

thrown them under the bus a few times

1917

01:18:04,200 --> 01:18:02,530

and that's third phase of the moon Oh as

1918

01:18:08,400 --> 01:18:04,210

i like to call them third buffoons of

1919

01:18:11,550 --> 01:18:08,410

the moon now they they have they must be

1920

01:18:14,610 --> 01:18:11,560

generating a pretty tidy sum in coolin

1921

01:18:16,980 --> 01:18:14,620

YouTube ads are you rob up you know what

1922

01:18:21,600 --> 01:18:16,990

I'm saying monetizing the YouTube

1923

01:18:24,240 --> 01:18:21,610

channel but it's there's a couple of

1924

01:18:27,930 --> 01:18:24,250

decent ones mixed in with mostly hoaxes

1925

01:18:29,910 --> 01:18:27,940

well I mean from my my take on third

1926

01:18:32,070 --> 01:18:29,920

phase of Moon which that's worth their

1927

01:18:35,340 --> 01:18:32,080

face of a moon what happened to the but

1928

01:18:39,180 --> 01:18:35,350

anyway my take on them is they're doing

1929

01:18:40,890 --> 01:18:39,190

a lot of nice CGI work themselves god I

1930

01:18:42,360 --> 01:18:40,900

have nothing to back it up I don't have

1931

01:18:44,130 --> 01:18:42,370

any inside information or anything like

1932

01:18:45,960 --> 01:18:44,140

that but just looking at what they've

1933

01:18:47,940 --> 01:18:45,970

put out a lot of them looks like it's

1934

01:18:49,080 --> 01:18:47,950

created by the same people to eat when

1935

01:18:51,450 --> 01:18:49,090

you're a filmmaker and I am an amateur

1936

01:18:52,710 --> 01:18:51,460

filmmaker I wanted to write film that's

1937

01:18:54,870 --> 01:18:52,720

kind of like my passion in life also

1938

01:18:56,400 --> 01:18:54,880

eventually I want to direct a movie and

1939

01:18:58,920 --> 01:18:56,410

I'm writing a script now as we speak and

1940

01:19:00,810 --> 01:18:58,930

I've edited a lot of film in my day and

1941

01:19:02,400 --> 01:19:00,820

as a filmmaker and somebody who knows

1942

01:19:03,930 --> 01:19:02,410

how to do CGI work

1943

01:19:05,880 --> 01:19:03,940

you can come and tell when somebody's

1944

01:19:07,680 --> 01:19:05,890

doing the same kind of videos over and

1945

01:19:09,510 --> 01:19:07,690

over again in you know in different

1946

01:19:11,520 --> 01:19:09,520

scenarios or in different situations you

1947

01:19:14,850 --> 01:19:11,530

can tell the artistic you know the

1948

01:19:16,860 --> 01:19:14,860

artistic fingerprint off our work or the

1949

01:19:18,660 --> 01:19:16,870

fingerprints yeah of some and you can

1950

01:19:20,550 --> 01:19:18,670

tell a lot of their videos are made by

1951

01:19:22,470 --> 01:19:20,560

the same folks I mean anybody who's a

1952

01:19:23,820 --> 01:19:22,480

graphic designer or an artist or a

1953

01:19:25,560 --> 01:19:23,830

filmmaker will be able to tell right

1954

01:19:27,300 --> 01:19:25,570

away and they've been called out on it

1955

01:19:29,580 --> 01:19:27,310

before and their answer is always like

1956

01:19:30,660 --> 01:19:29,590

well if it wasn't for our videos you

1957

01:19:32,550 --> 01:19:30,670

know we would not be able to do this

1958

01:19:33,930 --> 01:19:32,560

interview with so-and-so and we could

1959

01:19:35,780 --> 01:19:33,940

not have met so and so I'm like what

1960

01:19:38,670 --> 01:19:35,790

what is that got to do with anything

1961

01:19:40,080 --> 01:19:38,680

mm-hmm what does that mean that's like

1962

01:19:41,490 --> 01:19:40,090

couple saying yeah we hopes to bed we

1963

01:19:44,550 --> 01:19:41,500

got to meet Travis Walton or staying

1964

01:19:46,770 --> 01:19:44,560

Roman Acre Wood who cares you're still

1965

01:19:49,590 --> 01:19:46,780

watching videos you know what I mean it

1966

01:19:51,840 --> 01:19:49,600

it to me that is the problem and folks

1967

01:19:54,900 --> 01:19:51,850

like them that clutter ufology with

1968

01:19:57,510 --> 01:19:54,910

nonsense in makes you follow G look to

1969

01:19:59,970 --> 01:19:57,520

the to the establishment as a joke and

1970

01:20:02,640 --> 01:19:59,980

it's not only after phase of moon you

1971

01:20:04,500 --> 01:20:02,650

know it goes down the line Billy Meyers

1972

01:20:06,900 --> 01:20:04,510

I don't believe I think he's a hoaxer I

1973

01:20:09,480 --> 01:20:06,910

think he's built a whole life in a cult

1974

01:20:12,960 --> 01:20:09,490

around a hoax I'm a hundred percent with

1975

01:20:14,490 --> 01:20:12,970

you on that one too and i'm trying to

1976

01:20:16,710 --> 01:20:14,500

think was that horn the guy that's

1977

01:20:19,410 --> 01:20:16,720

really pushing him here yes his American

1978

01:20:22,050 --> 01:20:19,420

pimp yes Michael Hornet vehicle horn

1979

01:20:23,940 --> 01:20:22,060

there was something he came out with

1980

01:20:26,820 --> 01:20:23,950

some type of statement he came out with

1981

01:20:29,370 --> 01:20:26,830

that you know alas where you know we're

1982

01:20:31,110 --> 01:20:29,380

being I forget exactly what it was I

1983

01:20:33,420 --> 01:20:31,120

don't know if you caught that maybe I

1984

01:20:35,880 --> 01:20:33,430

don't know six or eight months ago where

1985

01:20:37,470 --> 01:20:35,890

he was saying that so shitty yeah he's

1986

01:20:39,360 --> 01:20:37,480

always putting some craziness on there

1987

01:20:42,150 --> 01:20:39,370

in fact that I'm unluckily and then

1988

01:20:43,890 --> 01:20:42,160

willingly part of the email group I'm

1989

01:20:47,490 --> 01:20:43,900

gonna be familiar with Victor the sky

1990

01:20:49,590 --> 01:20:47,500

wizard let you know not at all part of

1991

01:20:51,300 --> 01:20:49,600

that but a lot of people within the

1992

01:20:53,130 --> 01:20:51,310

podcast community that do you Father she

1993

01:20:55,800 --> 01:20:53,140

shows somehow got trapped into this

1994

01:20:58,260 --> 01:20:55,810

email blasts and he's a part of it and

1995

01:21:00,270 --> 01:20:58,270

we get his propaganda every once in a

1996

01:21:01,830 --> 01:21:00,280

while and I've come back and forth with

1997

01:21:02,970 --> 01:21:01,840

him an email before I night and I felt

1998

01:21:05,280 --> 01:21:02,980

look Michael I'm just not interested

1999

01:21:07,470 --> 01:21:05,290

please take me off list stop emailing me

2000

01:21:09,330 --> 01:21:07,480

and just leave me alone and then he

2001

01:21:11,700 --> 01:21:09,340

sends me about 40 emails calling me all

2002

01:21:13,350 --> 01:21:11,710

kinds of names and salting me because he

2003

01:21:15,060 --> 01:21:13,360

just can't take the fact that I'm not

2004

01:21:18,300 --> 01:21:15,070

interested in what Billy Meyers

2005

01:21:20,970 --> 01:21:18,310

she in that is the worst kind of person

2006

01:21:22,680 --> 01:21:20,980

he is made a living off of a live there

2007

01:21:24,510 --> 01:21:22,690

they're all making a living out of a lie

2008

01:21:26,790 --> 01:21:24,520

out of the Billy Myers case there's no

2009

01:21:28,890 --> 01:21:26,800

truth to that whatsoever you can just

2010

01:21:30,359 --> 01:21:28,900

you know you can just look at the

2011

01:21:33,120 --> 01:21:30,369

evidence that Billy's provided over the

2012

01:21:35,220 --> 01:21:33,130

years and it speaks for itself like I

2013

01:21:36,510 --> 01:21:35,230

took pictures of girls from the Dean

2014

01:21:40,050 --> 01:21:36,520

Martin show and tried to pass him off as

2015

01:21:41,640 --> 01:21:40,060

aliens yeah I mean come on I think

2016

01:21:43,890 --> 01:21:41,650

Mellie could do better than that Dean

2017

01:21:47,280 --> 01:21:43,900

Martin show somebody's gonna figure this

2018

01:21:48,720 --> 01:21:47,290

out you gotta start somewhere well he

2019

01:21:50,540 --> 01:21:48,730

did started before that he took pictures

2020

01:21:53,069 --> 01:21:50,550

of a book from the National Geographic

2021

01:21:54,750 --> 01:21:53,079

the show dinosaurs on it and he said all

2022

01:21:57,540 --> 01:21:54,760

the aliens took me back in time and look

2023

01:21:59,010 --> 01:21:57,550

at the dinosaur pictures and then

2024

01:22:01,080 --> 01:21:59,020

somebody wisely looked at national

2025

01:22:03,660 --> 01:22:01,090

geographic magazine said wait a second

2026

01:22:08,189 --> 01:22:03,670

they're the same photographs look at

2027

01:22:10,890 --> 01:22:08,199

that that's pretty funny I'm he said

2028

01:22:12,629 --> 01:22:10,900

debunk countless times in and still you

2029

01:22:14,280 --> 01:22:12,639

have his American pimp pimp and his

2030

01:22:15,990 --> 01:22:14,290

stuff out there like its legit thing and

2031

01:22:17,669 --> 01:22:16,000

always come on coming out with oh he's a

2032

01:22:19,950 --> 01:22:17,679

prophet he prophesized this and that

2033

01:22:21,899 --> 01:22:19,960

okay where's the proof well here's a

2034

01:22:24,780 --> 01:22:21,909

website that public like a blog that

2035

01:22:26,669 --> 01:22:24,790

talks about it that's not proof I could

2036

01:22:28,950 --> 01:22:26,679

say something to happen on line 11 and

2037

01:22:30,899 --> 01:22:28,960

put it on a blog and misdated and two

2038

01:22:32,370 --> 01:22:30,909

full people anybody could do that give

2039

01:22:33,979 --> 01:22:32,380

me a book that came out published in the

2040

01:22:35,760 --> 01:22:33,989

70s where he's actually don't

2041

01:22:39,060 --> 01:22:35,770

prophesizing something that happen now

2042

01:22:40,560 --> 01:22:39,070

that's proof mm-hmm you know I tell you

2043

01:22:41,760 --> 01:22:40,570

the president the president is going to

2044

01:22:42,870 --> 01:22:41,770

have a son one day or there's going to

2045

01:22:44,910 --> 01:22:42,880

be a son of a president is gonna be a

2046

01:22:48,120 --> 01:22:44,920

president in a hundred years that ever

2047

01:22:51,629 --> 01:22:48,130

happens at my a profit no I'm a love

2048

01:22:53,970 --> 01:22:51,639

guess yeah yeah that's right that's

2049

01:22:55,919 --> 01:22:53,980

right well you know there's there's also

2050

01:22:57,149 --> 01:22:55,929

um you know I'm kind of digging this

2051
01:23:00,390 --> 01:22:57,159
topic because we're just having a

2052
01:23:02,399 --> 01:23:00,400
conversation here in and so I want to

2053
01:23:05,910 --> 01:23:02,409
say neither and let a professional I

2054
01:23:07,890 --> 01:23:05,920
just talk yeah so one of the things I've

2055
01:23:10,080 --> 01:23:07,900
commented on in the past when I've

2056
01:23:13,229 --> 01:23:10,090
talked to certain guests is that it

2057
01:23:16,229 --> 01:23:13,239
seems to me that a number of people that

2058
01:23:18,810 --> 01:23:16,239
have been in ufology for a while they

2059
01:23:20,850 --> 01:23:18,820
kind of they run out of something I

2060
01:23:23,459 --> 01:23:20,860
don't know what it is and then they seem

2061
01:23:25,379 --> 01:23:23,469
to go a little bit out there have have

2062
01:23:28,229 --> 01:23:25,389
you have any opinion on that have you

2063
01:23:28,800 --> 01:23:28,239

have you noticed that mmm explain going

2064

01:23:33,990 --> 01:23:28,810

a little bit out

2065

01:23:37,400 --> 01:23:34,000

there well okay boutros kid I'm gonna

2066

01:23:42,960 --> 01:23:37,410

throw someone else under the bus okay

2067

01:23:46,800 --> 01:23:42,970

dr. Steven Greer oh man uh okay even

2068

01:23:48,780 --> 01:23:46,810

steven oh man yeah um so I just think

2069

01:23:52,290 --> 01:23:48,790

you know he started out he started out

2070

01:23:56,160 --> 01:23:52,300

really solid he made a very good

2071

01:23:58,500 --> 01:23:56,170

impression early on earth yes and he did

2072

01:24:00,660 --> 01:23:58,510

really good work and then I think it's

2073

01:24:05,820 --> 01:24:00,670

um I'm not really sure what it is that

2074

01:24:06,960 --> 01:24:05,830

changes with with certain people but you

2075

01:24:09,560 --> 01:24:06,970

know here's the thing yeah it's

2076

01:24:11,580 --> 01:24:09,570

completely Eagle driven hand its

2077

01:24:12,960 --> 01:24:11,590

attention when certain people get

2078

01:24:17,070 --> 01:24:12,970

certain attention and they become

2079

01:24:18,300 --> 01:24:17,080

celebrity like they become a diva now

2080

01:24:23,910 --> 01:24:18,310

I'm not saying dr. Steven Greer is a

2081

01:24:26,760 --> 01:24:23,920

diva but he sure do act like a diva yes

2082

01:24:28,320 --> 01:24:26,770

I don't know did you ever hear you know

2083

01:24:30,300 --> 01:24:28,330

Michael loca again I mentioned him

2084

01:24:32,250 --> 01:24:30,310

earlier was you know on the show with me

2085

01:24:34,710 --> 01:24:32,260

and you know dug up something about him

2086

01:24:37,230 --> 01:24:34,720

taking pictures with people in an

2087

01:24:39,630 --> 01:24:37,240

invisible spaceship you know and

2088

01:24:42,450 --> 01:24:39,640

charging them for it and then also

2089

01:24:44,130 --> 01:24:42,460

locking people inside a conference with

2090

01:24:46,050 --> 01:24:44,140

the bodyguards there and all that I

2091

01:24:48,630 --> 01:24:46,060

don't know if any of this is true I've

2092

01:24:51,750 --> 01:24:48,640

never really seen any of it you know

2093

01:24:53,840 --> 01:24:51,760

documented or anything like that have

2094

01:24:56,250 --> 01:24:53,850

you heard those rumors out there as well

2095

01:24:57,930 --> 01:24:56,260

no but there's a nasty rumor that I

2096

01:24:59,550 --> 01:24:57,940

heard of dr. Greer that I can't say on

2097

01:25:02,130 --> 01:24:59,560

air just because it's kind of really

2098

01:25:04,170 --> 01:25:02,140

dirty out there later and you will laugh

2099

01:25:06,840 --> 01:25:04,180

and then kitho say thanks for not seeing

2100

01:25:08,730 --> 01:25:06,850

that on the air cuz that's we in fact

2101

01:25:09,870 --> 01:25:08,740

some of it involves the seven dirty

2102

01:25:13,410 --> 01:25:09,880

things you can't say on television

2103

01:25:15,090 --> 01:25:13,420

number those eight so I George Carlin

2104

01:25:16,980 --> 01:25:15,100

Isles I'll tell you later yeah George

2105

01:25:18,780 --> 01:25:16,990

Karl yes actly well you know now I'm

2106

01:25:23,730 --> 01:25:18,790

gonna have a bunch of angry listeners I

2107

01:25:25,710 --> 01:25:23,740

guess a email me yeah I'll figure I info

2108

01:25:28,380 --> 01:25:25,720

at skywatchers radio com addressed to me

2109

01:25:31,230 --> 01:25:28,390

don't worry we'll be good okay all right

2110

01:25:33,870 --> 01:25:31,240

very good so we were talking earlier

2111

01:25:35,370 --> 01:25:33,880

about video you know videos third phase

2112

01:25:37,710 --> 01:25:35,380

of the moon and all that you know it

2113

01:25:40,290 --> 01:25:37,720

really makes me wonder the way CGI is

2114

01:25:42,750 --> 01:25:40,300

going the way tech technology is going

2115

01:25:43,979 --> 01:25:42,760

you know we have we have things and

2116

01:25:46,439 --> 01:25:43,989

our favor we have you know better

2117

01:25:49,370 --> 01:25:46,449

iPhones and more people have them and

2118

01:25:51,750 --> 01:25:49,380

you know better smartphones I meant

2119

01:25:53,759 --> 01:25:51,760

we're just about everyone will have a

2120

01:25:55,799 --> 01:25:53,769

camera on them almost all the time and

2121

01:25:58,169 --> 01:25:55,809

up but I got to tell you when I had the

2122

01:25:59,520 --> 01:25:58,179

sighting I had I didn't even think of a

2123

01:26:04,229 --> 01:25:59,530

camera you know I just wanted to see

2124

01:26:08,819 --> 01:26:04,239

what I was seeing but but as we progress

2125

01:26:12,109 --> 01:26:08,829

though in technology the CGI YouTube's

2126
01:26:14,250 --> 01:26:12,119
are going to be more difficult I believe

2127
01:26:16,379 --> 01:26:14,260
it's going to get harder and harder to

2128
01:26:18,029 --> 01:26:16,389
tell what's real and what's not o mine

2129
01:26:19,919 --> 01:26:18,039
because you're completely hundred

2130
01:26:21,450 --> 01:26:19,929
percent right in fact it's already there

2131
01:26:23,759 --> 01:26:21,460
i mean it's already impossible to tell

2132
01:26:25,620 --> 01:26:23,769
what's real and what's not real any 12

2133
01:26:27,959 --> 01:26:25,630
year old kid in a basement some worker

2134
01:26:30,029 --> 01:26:27,969
create a beautiful CGI UFO and make it

2135
01:26:32,669 --> 01:26:30,039
fly around a city and i am do it within

2136
01:26:34,799 --> 01:26:32,679
a couple of hours or days it's not hard

2137
01:26:37,200 --> 01:26:34,809
to do technology is advanced enough that

2138
01:26:39,209 --> 01:26:37,210

anybody could do this stuff so anybody

2139

01:26:41,009 --> 01:26:39,219

tells you that all you'd have to be a

2140

01:26:43,830 --> 01:26:41,019

Hollywood to make this kind of video no

2141

01:26:45,779 --> 01:26:43,840

not really not anymore maybe in the 90s

2142

01:26:47,009 --> 01:26:45,789

but not now you know the 90s you might

2143

01:26:49,200 --> 01:26:47,019

have to have a Hollywood production

2144

01:26:51,330 --> 01:26:49,210

behind some like that but today anybody

2145

01:26:54,479 --> 01:26:51,340

could do it and that's really honestly

2146

01:26:57,149 --> 01:26:54,489

that's the worst part of technology but

2147

01:26:58,379 --> 01:26:57,159

at the same time is the best thing that

2148

01:27:00,899 --> 01:26:58,389

could happen for this kind of field

2149

01:27:03,330 --> 01:27:00,909

because for us now it's going to make it

2150

01:27:05,009 --> 01:27:03,340

you know to the point that we do is

2151
01:27:07,169 --> 01:27:05,019
going to be proof now we're going to

2152
01:27:09,540 --> 01:27:07,179
look for real proof tangible evidence

2153
01:27:11,640 --> 01:27:09,550
that you know just pictures and videos

2154
01:27:13,859 --> 01:27:11,650
are not going to fly anymore pardon the

2155
01:27:15,330 --> 01:27:13,869
pun you know what I mean you know it's

2156
01:27:16,950 --> 01:27:15,340
it we're gonna have to have some real

2157
01:27:19,319 --> 01:27:16,960
evidence before we could say okay this

2158
01:27:20,910 --> 01:27:19,329
is legit and you know even in the 90s

2159
01:27:23,700 --> 01:27:20,920
look in the 90s we got all duped by the

2160
01:27:25,259 --> 01:27:23,710
alien autopsy right okay a lot of folks

2161
01:27:27,270 --> 01:27:25,269
got duped by that because that was a

2162
01:27:29,549 --> 01:27:27,280
production behind that they produced

2163
01:27:31,589 --> 01:27:29,559

that so you know it's even tangible

2164

01:27:33,689 --> 01:27:31,599

evidence which looks real like that is

2165

01:27:35,910 --> 01:27:33,699

no good you know I wasn't even paying

2166

01:27:37,799 --> 01:27:35,920

much attention to the whole field that

2167

01:27:40,290 --> 01:27:37,809

was weighed before I had my sighting or

2168

01:27:42,689 --> 01:27:40,300

anything and um you know I watched that

2169

01:27:45,149 --> 01:27:42,699

i watch that with like oh my god you

2170

01:27:47,220 --> 01:27:45,159

know I believed it you know I mean I was

2171

01:27:48,750 --> 01:27:47,230

good yeah everybody did yeah everybody

2172

01:27:50,220 --> 01:27:48,760

if I died I've mentioned the name

2173

01:27:52,830 --> 01:27:50,230

earlier Justin Randolph of you from our

2174

01:27:54,240 --> 01:27:52,840

radio he was friends with some of the

2175

01:27:55,419 --> 01:27:54,250

folks that put that production together

2176

01:27:58,060 --> 01:27:55,429

and

2177

01:27:59,709 --> 01:27:58,070

he he told me straight up ya know that

2178

01:28:01,120 --> 01:27:59,719

was a hoax man I know the people you

2179

01:28:03,580 --> 01:28:01,130

want to talk to him like a

2180

01:28:05,620 --> 01:28:03,590

twenty-thousand-dollar budget to I mean

2181

01:28:07,870 --> 01:28:05,630

it was real small yeah are they you know

2182

01:28:11,020 --> 01:28:07,880

how they did that I had Phillip mantle

2183

01:28:12,729 --> 01:28:11,030

on I'm not sure if you know who he is ya

2184

01:28:15,399 --> 01:28:12,739

heard the name yeah he's one who really

2185

01:28:16,929 --> 01:28:15,409

came out and you know just you know put

2186

01:28:19,509 --> 01:28:16,939

it all on the table this thing's a hoax

2187

01:28:21,910 --> 01:28:19,519

everybody you know he started out his

2188

01:28:24,969 --> 01:28:21,920

interview with me was alright spoiler

2189

01:28:26,979 --> 01:28:24,979

everybody it's a hoax and then and then

2190

01:28:29,290 --> 01:28:26,989

we'll talk about it but what a path that

2191

01:28:31,719 --> 01:28:29,300

that one led I mean the guy made a

2192

01:28:34,209 --> 01:28:31,729

fortune actually off of that I think

2193

01:28:36,520 --> 01:28:34,219

there was one I don't want to say

2194

01:28:39,160 --> 01:28:36,530

fortune but I think right off the bat he

2195

01:28:41,410 --> 01:28:39,170

sold some part of it or all of it or

2196

01:28:44,259 --> 01:28:41,420

whatever for 250,000 or something like

2197

01:28:47,290 --> 01:28:44,269

that don't quote me but you know right

2198

01:28:50,169 --> 01:28:47,300

away and then you know as that that just

2199

01:28:52,600 --> 01:28:50,179

snowballed and you know what's going to

2200

01:28:55,179 --> 01:28:52,610

stop that from happening again you know

2201
01:28:57,219 --> 01:28:55,189
really and that's why we have to really

2202
01:28:59,199 --> 01:28:57,229
support movements like the Steve

2203
01:29:01,959 --> 01:28:59,209
Bassett's movement with the disclosure

2204
01:29:03,189 --> 01:29:01,969
movement you know those are the ways

2205
01:29:05,290 --> 01:29:03,199
we're going to get to the truth of

2206
01:29:08,319 --> 01:29:05,300
what's going on with a phenomenon that

2207
01:29:09,850 --> 01:29:08,329
is ufology by doing stuff that pushes

2208
01:29:12,790 --> 01:29:09,860
the government towards disclosing what

2209
01:29:14,379 --> 01:29:12,800
they know you know we can't we can't

2210
01:29:15,879 --> 01:29:14,389
wait for videos like that to come out

2211
01:29:17,620 --> 01:29:15,889
anymore because that's no good it really

2212
01:29:19,209 --> 01:29:17,630
isn't and yeah there probably be other

2213
01:29:21,549 --> 01:29:19,219

ones that come out and in the next few

2214

01:29:23,500 --> 01:29:21,559

years with technology getting as easy as

2215

01:29:24,879 --> 01:29:23,510

it is there's actually one that went

2216

01:29:26,439 --> 01:29:24,889

viral I don't have you ever seen this

2217

01:29:28,209 --> 01:29:26,449

one more and it's been on YouTube for a

2218

01:29:30,520 --> 01:29:28,219

couple years now and it's been viral

2219

01:29:32,979 --> 01:29:30,530

it's about it's an alien sitting in a

2220

01:29:34,629 --> 01:29:32,989

dark room and then there's a couple guys

2221

01:29:36,310 --> 01:29:34,639

talking to them in Portuguese I think or

2222

01:29:37,870 --> 01:29:36,320

another language and they're like

2223

01:29:39,699 --> 01:29:37,880

yelling at him and that his face comes

2224

01:29:43,060 --> 01:29:39,709

towards the camera and he's like almost

2225

01:29:45,160 --> 01:29:43,070

like moaning or robots is cry it looks

2226

01:29:47,919 --> 01:29:45,170

really realistic but of course it also

2227

01:29:50,020 --> 01:29:47,929

looks very CGI'd and that's not a black

2228

01:29:51,669 --> 01:29:50,030

and white is it it's black and white

2229

01:29:53,469 --> 01:29:51,679

yeah it is yeah I have seen that yeah

2230

01:29:55,209 --> 01:29:53,479

there's that there's another one that

2231

01:29:56,589 --> 01:29:55,219

has the alien in the room and he's like

2232

01:30:00,100 --> 01:29:56,599

leaning down he's like walking around

2233

01:30:02,589 --> 01:30:00,110

the room then I might also like Brazil

2234

01:30:03,939 --> 01:30:02,599

to visit a coke alien you can look sick

2235

01:30:05,439 --> 01:30:03,949

well days of alien so you don't know if

2236

01:30:06,460 --> 01:30:05,449

you look sicker or healthy really

2237

01:30:08,050 --> 01:30:06,470

telling what

2238

01:30:10,060 --> 01:30:08,060

what do we know you know but he's

2239

01:30:11,200 --> 01:30:10,070

walking fern green all scared and then

2240

01:30:12,520 --> 01:30:11,210

the guy comes in to open the door and

2241

01:30:14,890 --> 01:30:12,530

put some food on the floor any that goes

2242

01:30:17,170 --> 01:30:14,900

back in crouches I mean if you look at

2243

01:30:19,180 --> 01:30:17,180

that and you're not a filmmaker or not

2244

01:30:21,310 --> 01:30:19,190

your novice you look at that you'd be

2245

01:30:23,050 --> 01:30:21,320

like oh well it looks real you couldn't

2246

01:30:24,940 --> 01:30:23,060

tell the difference but as a filmmaker

2247

01:30:27,160 --> 01:30:24,950

you could tell that you know clear CGI

2248

01:30:30,160 --> 01:30:27,170

but that was four or five years ago

2249

01:30:34,110 --> 01:30:30,170

imagine now with the technology it is i

2250

01:30:37,900 --> 01:30:34,120

think the number one video for UFOs is

2251

01:30:40,840 --> 01:30:37,910

CGI that I think it has a hundred

2252

01:30:43,150 --> 01:30:40,850

million views something like that and

2253

01:30:46,660 --> 01:30:43,160

it's going through some palm trees in

2254

01:30:49,690 --> 01:30:46,670

Haiti I believe it yes yeah that was

2255

01:30:51,370 --> 01:30:49,700

Anibal that's a good one you know what

2256

01:30:52,930 --> 01:30:51,380

that was uh you know what that was

2257

01:30:54,730 --> 01:30:52,940

created for though right Martin I don't

2258

01:30:57,460 --> 01:30:54,740

have you ever followed up why that was

2259

01:31:00,820 --> 01:30:57,470

actually even created and put on mine no

2260

01:31:03,100 --> 01:31:00,830

I don't know if I knew that that was

2261

01:31:05,860 --> 01:31:03,110

created as test footage for an actual

2262

01:31:09,160 --> 01:31:05,870

movie that ended up coming out a couple

2263

01:31:12,340 --> 01:31:09,170

years later what about that no never

2264

01:31:14,350 --> 01:31:12,350

battle la bat overlay the the the alien

2265

01:31:16,630 --> 01:31:14,360

invasion movie that was actual test

2266

01:31:18,430 --> 01:31:16,640

footage for that movie well it's pretty

2267

01:31:21,160 --> 01:31:18,440

good it was pretty good was very

2268

01:31:23,470 --> 01:31:21,170

convincing wasn't it yeah yeah now I

2269

01:31:26,590 --> 01:31:23,480

think that's interesting that you know

2270

01:31:28,270 --> 01:31:26,600

it that a kid could actually you know

2271

01:31:30,730 --> 01:31:28,280

create something and it actually

2272

01:31:32,800 --> 01:31:30,740

probably makes you wonder why there

2273

01:31:35,440 --> 01:31:32,810

isn't more and I hate to say it but why

2274

01:31:37,930 --> 01:31:35,450

there isn't more on line with people

2275

01:31:40,180 --> 01:31:37,940

trying to you know hoax but it always

2276

01:31:41,920 --> 01:31:40,190

makes me wonder it doesn't make me

2277

01:31:43,800 --> 01:31:41,930

wonder in my business I mentioned

2278

01:31:46,180 --> 01:31:43,810

earlier in fine art and stuff like that

2279

01:31:48,490 --> 01:31:46,190

someone is hoaxing obviously for money

2280

01:31:51,760 --> 01:31:48,500

but for the most part some is not going

2281

01:31:53,320 --> 01:31:51,770

to be hoaxing a video in hopes for money

2282

01:31:55,030 --> 01:31:53,330

i don't think i don't i don't see that

2283

01:31:56,650 --> 01:31:55,040

happening thanks oh no yeah you actually

2284

01:31:58,450 --> 01:31:56,660

could you put it on YouTube it goes

2285

01:32:00,790 --> 01:31:58,460

viral get several million hits and you

2286

01:32:02,080 --> 01:32:00,800

make that sucker monetized and there you

2287

01:32:04,540 --> 01:32:02,090

guys start making a little scratch right

2288

01:32:06,970 --> 01:32:04,550

off the bat but here's the thing forget

2289

01:32:09,340 --> 01:32:06,980

CGI for a second we haven't even touched

2290

01:32:11,740 --> 01:32:09,350

on the the drone technology that's

2291

01:32:14,380 --> 01:32:11,750

really come come full circle in the last

2292

01:32:16,510 --> 01:32:14,390

a few years and really has exploded you

2293

01:32:18,310 --> 01:32:16,520

know in the next few years drones are

2294

01:32:19,570 --> 01:32:18,320

going to be all over the place on the

2295

01:32:21,820 --> 01:32:19,580

Amazon is working on

2296

01:32:23,200 --> 01:32:21,830

drones so there's a good chance you're

2297

01:32:25,210 --> 01:32:23,210

gonna see people start hooking videos

2298

01:32:26,830 --> 01:32:25,220

with drones that look like little mini

2299

01:32:29,100 --> 01:32:26,840

saucers because remember cameras don't

2300

01:32:32,380 --> 01:32:29,110

have very good perception of depth or

2301
01:32:34,270 --> 01:32:32,390
depth perception so he has it looks you

2302
01:32:36,460 --> 01:32:34,280
know at the right distance it could look

2303
01:32:39,340 --> 01:32:36,470
like a large ship in the sky and it

2304
01:32:41,860 --> 01:32:39,350
could be but a drone right and we had

2305
01:32:44,770 --> 01:32:41,870
earlier in the news with Alejandro was

2306
01:32:48,070 --> 01:32:44,780
speaking about possible drones and it

2307
01:32:50,860 --> 01:32:48,080
results in France open nuclear power

2308
01:32:52,660 --> 01:32:50,870
plants so you know that will be tough

2309
01:32:54,730 --> 01:32:52,670
and that is another another one and

2310
01:32:57,100 --> 01:32:54,740
there was a drone hoax I'm not sure if

2311
01:33:00,160 --> 01:32:57,110
you heard about that in Canada at some

2312
01:33:02,740 --> 01:33:00,170
sports game anyone heard about them

2313
01:33:05,380 --> 01:33:02,750

everyone got it and then it was like

2314

01:33:09,130 --> 01:33:05,390

they did it for publicity you know so

2315

01:33:11,290 --> 01:33:09,140

yeah yeah drones are going to be another

2316

01:33:14,260 --> 01:33:11,300

one and you know the Chinese lanterns

2317

01:33:16,900 --> 01:33:14,270

are another thing that fool a lot of

2318

01:33:19,360 --> 01:33:16,910

people so yeah we have more than ever to

2319

01:33:22,210 --> 01:33:19,370

worry about as far as you know what's

2320

01:33:24,340 --> 01:33:22,220

what's real and what's not you know and

2321

01:33:25,450 --> 01:33:24,350

it's not all it's not only just CGI it's

2322

01:33:28,180 --> 01:33:25,460

a little bit of a lot of different

2323

01:33:31,450 --> 01:33:28,190

things that makes it really really tough

2324

01:33:33,100 --> 01:33:31,460

to be in this field in and scrutinize

2325

01:33:35,050 --> 01:33:33,110

the videos that get on put on the

2326

01:33:37,750 --> 01:33:35,060

Internet that's why I don't really you

2327

01:33:39,880 --> 01:33:37,760

know it's funny I'm into ufology I do

2328

01:33:43,210 --> 01:33:39,890

the shows and everything and I rarely

2329

01:33:46,930 --> 01:33:43,220

look on online anymore videos mm-hmm

2330

01:33:49,720 --> 01:33:46,940

Irene is it no point right I had dr.

2331

01:33:51,760 --> 01:33:49,730

Bruce Maccabee on a couple times but the

2332

01:33:54,640 --> 01:33:51,770

first time I yeah he has first time I

2333

01:33:56,950 --> 01:33:54,650

had him on I said to him something about

2334

01:33:59,620 --> 01:33:56,960

you know how do you know when you have a

2335

01:34:01,000 --> 01:33:59,630

good you know really good photo i think

2336

01:34:03,700 --> 01:34:01,010

i was talking about photos at the time

2337

01:34:06,370 --> 01:34:03,710

and he says well it's all about the

2338

01:34:08,590 --> 01:34:06,380

witnesses you know it's all that comes

2339

01:34:10,930 --> 01:34:08,600

first and you know that makes total

2340

01:34:13,960 --> 01:34:10,940

sense and that's a way you know even

2341

01:34:17,230 --> 01:34:13,970

more so now than ever that rule has to

2342

01:34:21,040 --> 01:34:17,240

follow i agree with that it is all about

2343

01:34:22,900 --> 01:34:21,050

the witnesses and look the more

2344

01:34:25,000 --> 01:34:22,910

important the witness or and i hate to

2345

01:34:26,440 --> 01:34:25,010

say it like that but you know for

2346

01:34:29,380 --> 01:34:26,450

example witnesses are police officers

2347

01:34:30,790 --> 01:34:29,390

are people in the army or you know

2348

01:34:32,080 --> 01:34:30,800

people in government they come forward

2349

01:34:32,709 --> 01:34:32,090

with their own experiences to me those

2350

01:34:34,629 --> 01:34:32,719

are the ones that

2351

01:34:37,000 --> 01:34:34,639

really have to take a little bit of a

2352

01:34:38,500 --> 01:34:37,010

closer look not just anybody who comes

2353

01:34:41,469 --> 01:34:38,510

out and says well I saw you have for my

2354

01:34:44,649 --> 01:34:41,479

backyard last week hmm you know that's

2355

01:34:48,549 --> 01:34:44,659

not helping you know what I mean I had I

2356

01:34:51,160 --> 01:34:48,559

had dr. Seth Shostak on the show and we

2357

01:34:53,469 --> 01:34:51,170

debated UFOs you know way way back and

2358

01:34:55,989 --> 01:34:53,479

you know I mentioned that to him I said

2359

01:34:58,899 --> 01:34:55,999

what about you know more credible people

2360

01:35:02,469 --> 01:34:58,909

as far as astronauts or police officers

2361

01:35:04,540 --> 01:35:02,479

or military and he says of there no more

2362

01:35:06,850 --> 01:35:04,550

better observers than anyone else you

2363

01:35:09,100 --> 01:35:06,860

know he just went on and on about that

2364

01:35:13,689 --> 01:35:09,110

he you know basically saying that you

2365

01:35:15,819 --> 01:35:13,699

know I witnesses I make no what did he

2366

01:35:18,009 --> 01:35:15,829

say they wouldn't hold up in a murder

2367

01:35:21,549 --> 01:35:18,019

trial they they make no difference there

2368

01:35:24,189 --> 01:35:21,559

there you know inconsequential really oh

2369

01:35:25,989 --> 01:35:24,199

he's right in a lot of ways because yeah

2370

01:35:27,969 --> 01:35:25,999

the witness doesn't really matter he's a

2371

01:35:30,729 --> 01:35:27,979

police officer or government agent or a

2372

01:35:34,120 --> 01:35:30,739

civilian of any kind but the thing is

2373

01:35:37,149 --> 01:35:34,130

who has more to lose an astronaut or a

2374

01:35:38,950 --> 01:35:37,159

farmer right you know what I mean look

2375

01:35:41,229 --> 01:35:38,960

at Edgar Mitchell for example use him as

2376

01:35:42,609 --> 01:35:41,239

a template he came forward saying that

2377

01:35:43,930 --> 01:35:42,619

he believes that there's aliens out

2378

01:35:47,919 --> 01:35:43,940

there the government's covering it up

2379

01:35:49,839 --> 01:35:47,929

and he had been scrutinized by people

2380

01:35:52,120 --> 01:35:49,849

within government he has taken a stance

2381

01:35:53,890 --> 01:35:52,130

that goes against the grain of NASA you

2382

01:35:57,729 --> 01:35:53,900

know what i mean so he has been put in

2383

01:36:00,219 --> 01:35:57,739

that kennel of a bubble and he had a lot

2384

01:36:02,439 --> 01:36:00,229

more to lose coming forward then you

2385

01:36:05,229 --> 01:36:02,449

know if average Joe Blow comes out of

2386

01:36:07,330 --> 01:36:05,239

North Carolina's as a I was abducted

2387

01:36:09,250 --> 01:36:07,340

with no evidence you know what I mean

2388

01:36:12,609 --> 01:36:09,260

the fact that Edgar Mitchell put himself

2389

01:36:15,009 --> 01:36:12,619

out there means a lot more and yeah as a

2390

01:36:18,040 --> 01:36:15,019

witness it to say he saw an alien ship

2391

01:36:20,229 --> 01:36:18,050

or he saw a UFO or whatever as the

2392

01:36:22,000 --> 01:36:20,239

witness his account of what he might

2393

01:36:24,850 --> 01:36:22,010

have seen is no more important than

2394

01:36:26,560 --> 01:36:24,860

anybody else's account and in terms of

2395

01:36:27,939 --> 01:36:26,570

what they may have seen at least saw

2396

01:36:29,649 --> 01:36:27,949

something together at the same time or

2397

01:36:32,049 --> 01:36:29,659

saw the same object they're not going to

2398

01:36:35,140 --> 01:36:32,059

say the same kind of story but is the

2399

01:36:37,029 --> 01:36:35,150

person itself is the the establishment

2400

01:36:39,819 --> 01:36:37,039

of the way they look in view at this

2401

01:36:41,020 --> 01:36:39,829

person that matters more that's why I

2402

01:36:43,149 --> 01:36:41,030

think it is more important to have

2403

01:36:44,859 --> 01:36:43,159

somebody like an Edgar Mitchell or

2404

01:36:46,000 --> 01:36:44,869

somebody within government or an

2405

01:36:48,520 --> 01:36:46,010

authority figure

2406

01:36:49,990 --> 01:36:48,530

they comes forward Podesta who's going

2407

01:36:51,759 --> 01:36:50,000

to be ahead of Hillary Clinton's

2408

01:36:56,890 --> 01:36:51,769

presidential campaign if she decides to

2409

01:37:00,129 --> 01:36:56,900

run he is in favor of disclosure he is

2410

01:37:01,629 --> 01:37:00,139

pushing for this subject mm-hmm you know

2411

01:37:04,600 --> 01:37:01,639

those are the type of people that I want

2412

01:37:06,759 --> 01:37:04,610

to see more out there well Clinton was

2413

01:37:08,890 --> 01:37:06,769

you know in the beginning he was I don't

2414

01:37:12,100 --> 01:37:08,900

know if you heard about him on the Jimmy

2415

01:37:13,779 --> 01:37:12,110

Kimmel show mom yeah you know he was

2416

01:37:16,390 --> 01:37:13,789

when he went into office he wanted to

2417

01:37:18,970 --> 01:37:16,400

find that out and I really don't know

2418

01:37:20,859 --> 01:37:18,980

how far a president could actually get

2419

01:37:22,750 --> 01:37:20,869

you know if that's we have no way of

2420

01:37:26,740 --> 01:37:22,760

knowing you know how that really works

2421

01:37:29,830 --> 01:37:26,750

no no Lana could be so compartmentalized

2422

01:37:32,140 --> 01:37:29,840

that you just can't get to it no matter

2423

01:37:34,479 --> 01:37:32,150

who you are you know it's very not very

2424

01:37:36,069 --> 01:37:34,489

possible it's possible and here's

2425

01:37:37,689 --> 01:37:36,079

another thing I thought if anybody was

2426

01:37:39,430 --> 01:37:37,699

going to be the disclosure president it

2427

01:37:42,430 --> 01:37:39,440

would have been like President Obama or

2428

01:37:44,259 --> 01:37:42,440

somebody like him who is so polarizing

2429

01:37:45,729 --> 01:37:44,269

and this would be great for his

2430

01:37:49,240 --> 01:37:45,739

administration to be the one who

2431

01:37:50,379 --> 01:37:49,250

discloses this to the public and already

2432

01:37:52,209 --> 01:37:50,389

he's done a lot of different things

2433

01:37:54,009 --> 01:37:52,219

which has been both controversial and

2434

01:37:55,959 --> 01:37:54,019

positive for a lot of folks like myself

2435

01:37:57,819 --> 01:37:55,969

look I'm CUBAN what he's going now with

2436

01:37:59,649 --> 01:37:57,829

the Cuba with the whole thing in Cuba is

2437

01:38:01,569 --> 01:37:59,659

very positive for the community in Cuba

2438

01:38:02,919 --> 01:38:01,579

so this would have been a great niche

2439

01:38:04,419 --> 01:38:02,929

for him also to add this to his

2440

01:38:06,189 --> 01:38:04,429

presidency I don't think it's going to

2441

01:38:07,959 --> 01:38:06,199

happen for him if it happens for like

2442

01:38:09,819 --> 01:38:07,969

the next president with whether it's

2443

01:38:11,439 --> 01:38:09,829

Hillary or whoever that would be great

2444

01:38:12,879 --> 01:38:11,449

but you're absolutely right we don't

2445

01:38:14,049 --> 01:38:12,889

know how that works we don't know if

2446

01:38:15,370 --> 01:38:14,059

somebody's in the Ptolemais you're the

2447

01:38:17,529 --> 01:38:15,380

president you're the one is going to say

2448

01:38:19,660 --> 01:38:17,539

it if somebody and who is there to say

2449

01:38:21,790 --> 01:38:19,670

no just if there is a shadow government

2450

01:38:22,689 --> 01:38:21,800

if there isn't a shadow government that

2451

01:38:25,240 --> 01:38:22,699

we've all just been making up

2452

01:38:26,620 --> 01:38:25,250

conspiracies all along and it really

2453

01:38:28,029 --> 01:38:26,630

just is all compartment

2454

01:38:30,009 --> 01:38:28,039

compartmentalized like you're saying

2455

01:38:31,600 --> 01:38:30,019

that's the case let stuff for word from

2456

01:38:34,839 --> 01:38:31,610

you by the way in Cuban but if that's

2457

01:38:36,279 --> 01:38:34,849

the case then you know what then there

2458

01:38:37,270 --> 01:38:36,289

might not be a person we had the scenes

2459

01:38:38,500 --> 01:38:37,280

pulling the strings that tells the

2460

01:38:41,200 --> 01:38:38,510

president by the way you're gonna be the

2461

01:38:42,040 --> 01:38:41,210

guy that person might not even exist you

2462

01:38:43,660 --> 01:38:42,050

want I mean there might not be that

2463

01:38:45,100 --> 01:38:43,670

shadow group we don't know we have no

2464

01:38:46,629 --> 01:38:45,110

idea at the end of the day is all

2465

01:38:49,870 --> 01:38:46,639

theories really because nobody really

2466

01:38:53,500 --> 01:38:49,880

knows I had some one-on-one time that

2467

01:38:55,509 --> 01:38:53,510

said even if the President had a press

2468

01:38:57,729 --> 01:38:55,519

conference and said we are being visited

2469

01:38:59,649 --> 01:38:57,739

by aliens a lot of people still wouldn't

2470

01:39:00,939 --> 01:38:59,659

believe probably not no cuz

2471

01:39:05,049 --> 01:39:00,949

where it will be like well mr. president

2472

01:39:08,109 --> 01:39:05,059

worse the proof yeah that's what we're

2473

01:39:10,419 --> 01:39:08,119

asking yeah we want to prove every and

2474

01:39:12,310 --> 01:39:10,429

you could blame you could blame years of

2475

01:39:14,830 --> 01:39:12,320

listen to William Cooper for that also

2476

01:39:16,600 --> 01:39:14,840

William Cooper didn't you know he push

2477

01:39:19,600 --> 01:39:16,610

that the government one day was gonna

2478

01:39:22,179 --> 01:39:19,610

you know folks a UFO invasion or some

2479

01:39:23,770 --> 01:39:22,189

kind of a UFO incident and that that was

2480

01:39:25,120 --> 01:39:23,780

going to happen so now if it does happen

2481

01:39:26,350 --> 01:39:25,130

we all have to be like wait a second

2482

01:39:29,020 --> 01:39:26,360

where William Cooper kind of said this

2483

01:39:31,120 --> 01:39:29,030

and behold a pale horse mr. president

2484

01:39:32,350 --> 01:39:31,130

where's the proof so that's the me in

2485

01:39:34,899 --> 01:39:32,360

the minds of a lot of folks like myself

2486

01:39:37,209 --> 01:39:34,909

who read the book behold a pale horse

2487

01:39:40,089 --> 01:39:37,219

you know people who are into conspiracy

2488

01:39:42,009 --> 01:39:40,099

theory field like us you know in ufology

2489

01:39:43,359 --> 01:39:42,019

field we're gonna ask that question so

2490

01:39:45,819 --> 01:39:43,369

again it's not just coming out and

2491

01:39:47,169 --> 01:39:45,829

saying it god bless steve bassett again

2492

01:39:49,149 --> 01:39:47,179

you know he's pushing for the right

2493

01:39:50,739 --> 01:39:49,159

thing but even if they come out and say

2494

01:39:53,250 --> 01:39:50,749

that you know yeah you know aliens are

2495

01:39:55,750 --> 01:39:53,260

real we still need to see some evidence

2496

01:39:57,489 --> 01:39:55,760

until i see an actual alien being

2497

01:39:59,649 --> 01:39:57,499

walking in a room that i could shake

2498

01:40:02,949 --> 01:39:59,659

hands with or have starbucks with or

2499

01:40:04,330 --> 01:40:02,959

whatever i'm not gonna believe it that's

2500

01:40:05,529 --> 01:40:04,340

just I think most people think that way

2501
01:40:06,699 --> 01:40:05,539
and it doesn't mean that we don't think

2502
01:40:08,020 --> 01:40:06,709
there they are out there because I

2503
01:40:10,299 --> 01:40:08,030
believe there's aliens all over the

2504
01:40:11,290 --> 01:40:10,309
place it's just I want to see the proof

2505
01:40:13,029 --> 01:40:11,300
at this point I don't want to see no

2506
01:40:15,310 --> 01:40:13,039
more jokes I don't want to see somebody

2507
01:40:17,409 --> 01:40:15,320
told me I had a dream and in my dream I

2508
01:40:19,239 --> 01:40:17,419
was contacted by a person in office and

2509
01:40:21,009 --> 01:40:19,249
Terry and they told me that one day I

2510
01:40:23,739 --> 01:40:21,019
was gonna be President of the world that

2511
01:40:27,759 --> 01:40:23,749
doesn't work for me yeah yeah we've come

2512
01:40:30,370 --> 01:40:27,769
a long way since that yeah I I know and

2513
01:40:33,969 --> 01:40:30,380

you know you go all the way back to

2514

01:40:36,520 --> 01:40:33,979

these you know the old contactees from

2515

01:40:39,850 --> 01:40:36,530

way back you know talking about you know

2516

01:40:42,000 --> 01:40:39,860

living on Jupiter and all this stuff so

2517

01:40:44,739 --> 01:40:42,010

we hadn't we've had a tough road to hoe

2518

01:40:48,339 --> 01:40:44,749

as far as you know trying to get any

2519

01:40:50,859 --> 01:40:48,349

answers really and Steve actually was

2520

01:40:52,779 --> 01:40:50,869

the first guest on on my show here he

2521

01:40:55,870 --> 01:40:52,789

was the first one that took the chance

2522

01:40:58,089 --> 01:40:55,880

and and speaking of that when you

2523

01:41:00,069 --> 01:40:58,099

started your show and you did your first

2524

01:41:03,339 --> 01:41:00,079

UFO show did you have a hard time

2525

01:41:05,949 --> 01:41:03,349

getting a s for that or was that did

2526

01:41:08,439 --> 01:41:05,959

that work out fine well Martin I'll tell

2527

01:41:09,879 --> 01:41:08,449

you what the first show I ever did there

2528

01:41:12,489 --> 01:41:09,889

was ufology based I had a hard time

2529

01:41:13,550 --> 01:41:12,499

getting a thought out because I had so

2530

01:41:15,650 --> 01:41:13,560

many things in my head

2531

01:41:17,150 --> 01:41:15,660

racing around that I didn't know exactly

2532

01:41:19,160 --> 01:41:17,160

where to start I mean I was literally

2533

01:41:21,020 --> 01:41:19,170

literally all over the place I did about

2534

01:41:23,030 --> 01:41:21,030

two or three podcast just by myself

2535

01:41:25,250 --> 01:41:23,040

talking about different cases that I was

2536

01:41:28,850 --> 01:41:25,260

interested in and just rambling on like

2537

01:41:30,830 --> 01:41:28,860

crazy madman on here and and then I ran

2538

01:41:32,480 --> 01:41:30,840

into Alejandro and Jesse and and you

2539

01:41:34,820 --> 01:41:32,490

know we were talking about having them

2540

01:41:36,320 --> 01:41:34,830

on and they really were the first mean

2541

01:41:37,760 --> 01:41:36,330

guessed that I had on my show they were

2542

01:41:40,250 --> 01:41:37,770

kind enough to be on the show and and

2543

01:41:42,980 --> 01:41:40,260

you know talk to me about what we all

2544

01:41:44,480 --> 01:41:42,990

like ufology and it was a learning

2545

01:41:45,740 --> 01:41:44,490

experience because they're more

2546

01:41:47,540 --> 01:41:45,750

professional than i was at that point

2547

01:41:48,830 --> 01:41:47,550

they're more professional i am now so

2548

01:41:50,870 --> 01:41:48,840

it's the learning experience whatever

2549

01:41:54,170 --> 01:41:50,880

i'm on the air with them and that was

2550

01:41:56,270 --> 01:41:54,180

the first real serious interview that I

2551
01:41:58,100 --> 01:41:56,280
did when it came to you follow Jean

2552
01:41:59,840 --> 01:41:58,110
after that I started just going crazy I

2553
01:42:00,980 --> 01:41:59,850
was like well let me see who I can have

2554
01:42:02,750 --> 01:42:00,990
on the air and I started putting a

2555
01:42:04,310 --> 01:42:02,760
bucket list together of the people I

2556
01:42:06,380 --> 01:42:04,320
wanted an interview number one of my

2557
01:42:09,070 --> 01:42:06,390
list was Travis Walton why not shoot for

2558
01:42:11,300 --> 01:42:09,080
the stars right go for the gusto and I

2559
01:42:14,300 --> 01:42:11,310
contacted Travis he agreed to be on the

2560
01:42:15,590 --> 01:42:14,310
show and you know that told me when I

2561
01:42:17,420 --> 01:42:15,600
was a better get travelling sounds like

2562
01:42:19,520 --> 01:42:17,430
okay I could i think i can get just

2563
01:42:22,880 --> 01:42:19,530

about anybody else at this point because

2564

01:42:24,590 --> 01:42:22,890

i'm travis is the biggest in ufology so

2565

01:42:27,050 --> 01:42:24,600

i started going after people like lloyd

2566

01:42:28,700 --> 01:42:27,060

pye steve bassett i went astray and

2567

01:42:30,230 --> 01:42:28,710

steve acid mean you know clicked right

2568

01:42:32,230 --> 01:42:30,240

away and he's good on the show dozens of

2569

01:42:34,850 --> 01:42:32,240

times he's a great great guy to talk to

2570

01:42:37,880 --> 01:42:34,860

Hosea media has been a good friend over

2571

01:42:40,250 --> 01:42:37,890

the years he's been on the show a lot I

2572

01:42:42,170 --> 01:42:40,260

mean the Paul Dale Roberts has been on

2573

01:42:43,550 --> 01:42:42,180

the show you know a lot I mean there's a

2574

01:42:45,020 --> 01:42:43,560

lot of folks in ufology that I keep

2575

01:42:46,250 --> 01:42:45,030

bringing on because they're really

2576

01:42:48,350 --> 01:42:46,260

really interesting people but they're

2577

01:42:49,640 --> 01:42:48,360

also good honest folks that are in it

2578

01:42:51,230 --> 01:42:49,650

for the same reasons that I'm in it they

2579

01:42:52,820 --> 01:42:51,240

want to know what the truth is they're

2580

01:42:54,410 --> 01:42:52,830

hungry to find out what's happening in

2581

01:42:56,090 --> 01:42:54,420

this field and they just want to you

2582

01:42:59,030 --> 01:42:56,100

know get to the final answer of are we

2583

01:43:00,290 --> 01:42:59,040

alone that's in and honestly when he

2584

01:43:02,330 --> 01:43:00,300

came to do in my show those are the

2585

01:43:04,400 --> 01:43:02,340

people I wanted to hit up and they also

2586

01:43:05,420 --> 01:43:04,410

did a you know just saying yes when I

2587

01:43:08,030 --> 01:43:05,430

said the other and that blew my mind

2588

01:43:09,830 --> 01:43:08,040

when I went load pais ideas Travis

2589

01:43:11,210 --> 01:43:09,840

Walton said yes steve bassett said yes

2590

01:43:12,620 --> 01:43:11,220

and it was like one as to the other I

2591

01:43:15,350 --> 01:43:12,630

felt like art bell in the 90s I was like

2592

01:43:17,870 --> 01:43:15,360

oh my god it's epic it's like one great

2593

01:43:19,790 --> 01:43:17,880

guest of the other I had no I don't even

2594

01:43:21,350 --> 01:43:19,800

like handle it and i'll tell you what

2595

01:43:23,390 --> 01:43:21,360

early on the first few episodes i was

2596

01:43:25,520 --> 01:43:23,400

probably terrible not that I'm much

2597

01:43:27,370 --> 01:43:25,530

better now but I've come a long way I

2598

01:43:28,570 --> 01:43:27,380

think but back then I was

2599

01:43:30,340 --> 01:43:28,580

I was terrible and they were kind enough

2600

01:43:32,439 --> 01:43:30,350

to stick by it and they've been on

2601

01:43:35,260 --> 01:43:32,449

several times after that and and you

2602

01:43:37,870 --> 01:43:35,270

know I in I will never ever ever not

2603

01:43:39,310 --> 01:43:37,880

have a Steve ambassador or escamilla on

2604

01:43:40,660 --> 01:43:39,320

my show or one of those guys on my show

2605

01:43:42,600 --> 01:43:40,670

because those are just good friends at

2606

01:43:46,120 --> 01:43:42,610

this point and I love having them on so

2607

01:43:47,649 --> 01:43:46,130

yep I almost had lunch last year with

2608

01:43:49,320 --> 01:43:47,659

Steve ambassador but we just couldn't

2609

01:43:52,419 --> 01:43:49,330

put it together i was out fully I was

2610

01:43:55,000 --> 01:43:52,429

really close to his house and it just it

2611

01:43:57,580 --> 01:43:55,010

just could make it work but um I might

2612

01:44:00,939 --> 01:43:57,590

have him pop in the next show or two and

2613

01:44:02,169 --> 01:44:00,949

just catch up the last time we was on

2614

01:44:04,240 --> 01:44:02,179

the show he's really angry about

2615

01:44:05,590 --> 01:44:04,250

something and he's a very passionate of

2616

01:44:09,820 --> 01:44:05,600

me and he's always angry about something

2617

01:44:11,169 --> 01:44:09,830

still exists except action it's a

2618

01:44:13,180 --> 01:44:11,179

passion that he has to make some angry

2619

01:44:15,160 --> 01:44:13,190

but I know he's a great guy the guy I

2620

01:44:16,330 --> 01:44:15,170

have a met him in person yet I know I

2621

01:44:17,950 --> 01:44:16,340

know all these folks over the phone and

2622

01:44:19,899 --> 01:44:17,960

doing the interviews and and on the show

2623

01:44:23,050 --> 01:44:19,909

and just chatting with them on and on an

2624

01:44:24,820 --> 01:44:23,060

email and I'll fair but he's somebody

2625

01:44:26,290 --> 01:44:24,830

that I want to meet before I die or he

2626

01:44:28,479 --> 01:44:26,300

dies and I definitely to meet him one

2627

01:44:30,129 --> 01:44:28,489

day Travis Walton is another 1i want to

2628

01:44:31,390 --> 01:44:30,139

meet on the near future in fact he

2629

01:44:33,430 --> 01:44:31,400

doesn't have another summit this year

2630

01:44:35,169 --> 01:44:33,440

for the fire in disguise summit he added

2631

01:44:36,220 --> 01:44:35,179

just this past year they're having

2632

01:44:37,899 --> 01:44:36,230

another one this year and I'm gonna

2633

01:44:40,270 --> 01:44:37,909

attended him hopefully I get to meet

2634

01:44:42,399 --> 01:44:40,280

Travis and shake his hand because I mean

2635

01:44:44,590 --> 01:44:42,409

he really is part of the reason why I do

2636

01:44:46,750 --> 01:44:44,600

this today and one person that I don't

2637

01:44:48,399 --> 01:44:46,760

think I'll ever even haven't seen my

2638

01:44:51,580 --> 01:44:48,409

name on air but it would be a dream come

2639

01:44:53,379 --> 01:44:51,590

true would be art bell I mean yeah if he

2640

01:44:55,990 --> 01:44:53,389

just acknowledges my existence at some

2641

01:44:57,520 --> 01:44:56,000

point in time I would be happy that's

2642

01:44:59,680 --> 01:44:57,530

all we do that if you call in to a show

2643

01:45:01,300 --> 01:44:59,690

and by the way the listener should be

2644

01:45:03,640 --> 01:45:01,310

pretty excited because he'll be back and

2645

01:45:05,410 --> 01:45:03,650

you know just a matter of months yes

2646

01:45:08,830 --> 01:45:05,420

he'll be right here on the Dark Matter

2647

01:45:11,620 --> 01:45:08,840

radio network and yes I think his time

2648

01:45:14,530 --> 01:45:11,630

slot like I don't want to call this time

2649

01:45:17,680 --> 01:45:14,540

slot but but it's not going to affect a

2650

01:45:20,830 --> 01:45:17,690

lot of us on the show which affect me

2651

01:45:22,360 --> 01:45:20,840

actually but in a good way yeah right

2652

01:45:24,160 --> 01:45:22,370

now we do the overnight our we do one

2653

01:45:25,840 --> 01:45:24,170

two three in the morning and that's

2654

01:45:28,390 --> 01:45:25,850

going to be part of our bells time slot

2655

01:45:30,370 --> 01:45:28,400

I have no problems moving and letting

2656

01:45:33,399 --> 01:45:30,380

our belt I could take his time back no

2657

01:45:36,340 --> 01:45:33,409

problem with that no I just have any pro

2658

01:45:37,689 --> 01:45:36,350

I can't believe you do those hours and

2659

01:45:40,629 --> 01:45:37,699

you were kind enough to invite me on

2660

01:45:41,140 --> 01:45:40,639

your show which I'm going to be on while

2661

01:45:44,410 --> 01:45:41,150

doing it

2662

01:45:47,290 --> 01:45:44,420

cross-pollination here basically yes so

2663

01:45:49,480 --> 01:45:47,300

um yeah and so you're kind enough to let

2664

01:45:53,830 --> 01:45:49,490

me pre-record instead of staying up all

2665

01:45:55,510 --> 01:45:53,840

hours yes nice and which you're the

2666

01:45:58,330 --> 01:45:55,520

first person that I said okay I'll let

2667

01:46:01,990 --> 01:45:58,340

you pre-record why not all the other

2668

01:46:04,120 --> 01:46:02,000

guys I've been asked before and I'm like

2669

01:46:07,570 --> 01:46:04,130

nah man we do everything live no no we

2670

01:46:09,880 --> 01:46:07,580

realize baby no you're the first oh wow

2671

01:46:12,400 --> 01:46:09,890

she beat now I feel like I'm under part

2672

01:46:16,210 --> 01:46:12,410

of it you better deliver a good show

2673

01:46:19,750 --> 01:46:16,220

it's on Sam okay so we have someone on

2674

01:46:23,740 --> 01:46:19,760

the message board saying he's gonna

2675

01:46:25,600 --> 01:46:23,750

sound like a broken record Lisa in July

2676
01:46:29,050 --> 01:46:25,610
and hung out with them for a weekend

2677
01:46:32,170 --> 01:46:29,060
they are kind of down to earth forgive

2678
01:46:36,490 --> 01:46:32,180
the pun I but I believe him regardless

2679
01:46:38,950 --> 01:46:36,500
of the pencil trick he does not he does

2680
01:46:41,830 --> 01:46:38,960
like to joke around so that's just

2681
01:46:43,810 --> 01:46:41,840
someone's comment on the yeah and what

2682
01:46:45,040 --> 01:46:43,820
like i like i said uh you know when we

2683
01:46:46,750 --> 01:46:45,050
were talking about him earlier i have

2684
01:46:48,610 --> 01:46:46,760
had nothing but positive interactions

2685
01:46:50,800 --> 01:46:48,620
with him before so i can't say a

2686
01:46:52,240 --> 01:46:50,810
negative thing as you know between me

2687
01:46:54,850 --> 01:46:52,250
and him we've never had a negative

2688
01:46:57,790 --> 01:46:54,860

interaction but does not mean that he's

2689

01:46:59,410 --> 01:46:57,800

not guilty Jeffrey Dahmer was a lovely

2690

01:47:01,630 --> 01:46:59,420

young manager he started eating people

2691

01:47:03,160 --> 01:47:01,640

you know what I mean when he was in

2692

01:47:04,180 --> 01:47:03,170

prison guess what the guards love them

2693

01:47:06,760 --> 01:47:04,190

they thought it was a role model

2694

01:47:08,230 --> 01:47:06,770

prisoner until they murdered him but you

2695

01:47:09,370 --> 01:47:08,240

know I'm not trying to say he's Jeffrey

2696

01:47:10,270 --> 01:47:09,380

Dahmer he's coming people and eating

2697

01:47:12,970 --> 01:47:10,280

them that's not what I'm saying here

2698

01:47:14,440 --> 01:47:12,980

folks but let's be realistic here we

2699

01:47:17,710 --> 01:47:14,450

don't know what happens behind closed

2700

01:47:19,810 --> 01:47:17,720

doors we just don't yeah and there's

2701

01:47:22,750 --> 01:47:19,820

when there's smoke there's usually fire

2702

01:47:24,870 --> 01:47:22,760

right and one thing that happened when

2703

01:47:27,610 --> 01:47:24,880

the police went in and they got stand

2704

01:47:30,400 --> 01:47:27,620

which till this day really bottles my

2705

01:47:32,380 --> 01:47:30,410

mind why he would make this comment when

2706

01:47:34,180 --> 01:47:32,390

the cops were interrogating him and

2707

01:47:36,910 --> 01:47:34,190

talking to him or whatever they take him

2708

01:47:39,790 --> 01:47:36,920

over to her Lisa was in the house or

2709

01:47:41,650 --> 01:47:39,800

wherever was and the first thing he says

2710

01:47:44,560 --> 01:47:41,660

to lisa is all they just care about the

2711

01:47:46,090 --> 01:47:44,570

child porn stuff and she acknowledges

2712

01:47:48,970 --> 01:47:46,100

like oh like she knows it she knows

2713

01:47:50,680 --> 01:47:48,980

about it that to me is a little bit

2714

01:47:52,630 --> 01:47:50,690

because look if somebody's planting

2715

01:47:53,920 --> 01:47:52,640

stuff in your computer if when the MMA I

2716

01:47:54,850 --> 01:47:53,930

go to my computer and that's our my

2717

01:47:56,890 --> 01:47:54,860

computer on and all

2718

01:47:58,209 --> 01:47:56,900

I look at a full jen is full of child

2719

01:48:00,490 --> 01:47:58,219

pornography that i didn't put in there

2720

01:48:02,109 --> 01:48:00,500

what am I going to do delete it

2721

01:48:03,910 --> 01:48:02,119

immediately cuz that's not me I don't

2722

01:48:05,830 --> 01:48:03,920

want that in my computer right and then

2723

01:48:07,209 --> 01:48:05,840

I'm gonna grab the computer call my

2724

01:48:08,530 --> 01:48:07,219

internet provider and be like hey I've

2725

01:48:10,270 --> 01:48:08,540

been hacked and they just put cha

2726

01:48:11,830 --> 01:48:10,280

pornography my computer what the hell is

2727

01:48:13,930 --> 01:48:11,840

going on and I would launch my own

2728

01:48:15,310 --> 01:48:13,940

investigation because that is the most

2729

01:48:18,580 --> 01:48:15,320

disgusting thing that you could be

2730

01:48:20,410 --> 01:48:18,590

involved in child pornography so to me

2731

01:48:22,750 --> 01:48:20,420

for them to make it a joke out of the

2732

01:48:25,450 --> 01:48:22,760

police interaction with them or the

2733

01:48:26,709 --> 01:48:25,460

police questioning and to make it a like

2734

01:48:28,840 --> 01:48:26,719

you know like a silly comment oh you

2735

01:48:31,540 --> 01:48:28,850

have a jaw pornography stuff that to me

2736

01:48:33,189 --> 01:48:31,550

isn't it really telling of what really

2737

01:48:35,050 --> 01:48:33,199

might be going on behind the scenes it's

2738

01:48:37,450 --> 01:48:35,060

too it's too loose and a sewer like

2739

01:48:38,709 --> 01:48:37,460

nonchalant of an answer for them to

2740

01:48:40,720 --> 01:48:38,719

really you know come off as being

2741

01:48:42,520 --> 01:48:40,730

completely innocent if you're innocent

2742

01:48:43,930 --> 01:48:42,530

by oh god you're not to be like oh it's

2743

01:48:47,229 --> 01:48:43,940

just the child porn stuff yeah it's

2744

01:48:49,689 --> 01:48:47,239

nothing just choppin ography up put some

2745

01:48:53,080 --> 01:48:49,699

bacon kids getting you know get about a

2746

01:48:55,240 --> 01:48:53,090

bunch of old people that's nothing no

2747

01:48:57,520 --> 01:48:55,250

Stan that's actually a big deal you know

2748

01:48:59,290 --> 01:48:57,530

what I mean that's a problem that's

2749

01:49:01,209 --> 01:48:59,300

nothing to joke around about forget the

2750

01:49:03,459 --> 01:49:01,219

alien in the window forget you know the

2751

01:49:05,490 --> 01:49:03,469

auction of the pan or that trick with

2752

01:49:08,020 --> 01:49:05,500

unity of the hoax nvidia forget all that

2753

01:49:10,510 --> 01:49:08,030

this is more serious than anything he's

2754

01:49:12,729 --> 01:49:10,520

ever had happened to him or anything

2755

01:49:14,379 --> 01:49:12,739

that he's ever done this is really bad i

2756

01:49:17,310 --> 01:49:14,389

mean this is the most disgusting thing

2757

01:49:20,080 --> 01:49:17,320

you can be accused of period by none

2758

01:49:24,100 --> 01:49:20,090

yeah that's where that gets up anyone

2759

01:49:26,830 --> 01:49:24,110

that you know goes to prison for that is

2760

01:49:29,590 --> 01:49:26,840

not does not have a bright future in

2761

01:49:31,750 --> 01:49:29,600

prison you know what I know we can go in

2762

01:49:34,450 --> 01:49:31,760

Stan and he's gonna come out Ramona her

2763

01:49:36,760 --> 01:49:34,460

Monica or it's not gonna be good Janice

2764

01:49:38,379 --> 01:49:36,770

okay look um I got a different mode or

2765

01:49:42,189 --> 01:49:38,389

maybe not at the mouth I mean that's

2766

01:49:44,620 --> 01:49:42,199

just what happens dad too yeah yeah yeah

2767

01:49:46,450 --> 01:49:44,630

so you know we're getting near the end

2768

01:49:49,660 --> 01:49:46,460

of the show we have I don't know five or

2769

01:49:51,939 --> 01:49:49,670

six minutes left so I kind of think we

2770

01:49:56,080 --> 01:49:51,949

should probably end on more of a

2771

01:49:58,209 --> 01:49:56,090

positive way we sure we could go down a

2772

01:50:04,450 --> 01:49:58,219

little bit more in just the only point

2773

01:50:06,430 --> 01:50:04,460

uh yeah now so I'm gonna ask you you

2774

01:50:08,380 --> 01:50:06,440

know you've been involved in this for a

2775

01:50:10,630 --> 01:50:08,390

while where do you think

2776

01:50:17,400 --> 01:50:10,640

ufology is is headed and one of the

2777

01:50:19,510 --> 01:50:17,410

things let me rephrase that i had

2778

01:50:23,080 --> 01:50:19,520

alejandro on a while back of the year

2779

01:50:25,690 --> 01:50:23,090

end and we said something about we got

2780

01:50:28,030 --> 01:50:25,700

about three minutes left and he said

2781

01:50:30,460 --> 01:50:28,040

something about Jason at open minds

2782

01:50:33,720 --> 01:50:30,470

things said this will be the year that

2783

01:50:36,550 --> 01:50:33,730

they you know come out with

2784

01:50:37,690 --> 01:50:36,560

extraterrestrial life exists and I agree

2785

01:50:39,610 --> 01:50:37,700

with that I think that's going to happen

2786

01:50:42,030 --> 01:50:39,620

and since we only have a couple minutes

2787

01:50:43,570 --> 01:50:42,040

left what's your thoughts on that

2788

01:50:45,940 --> 01:50:43,580

unfortunately they've been saying that

2789

01:50:48,490 --> 01:50:45,950

for the last 15 years every years of the

2790

01:50:50,260 --> 01:50:48,500

year it never happens I hope it is the

2791

01:50:53,800 --> 01:50:50,270

year I've been open that for the last 10

2792

01:50:55,870 --> 01:50:53,810

15 years so I seen those signs are there

2793

01:50:57,550 --> 01:50:55,880

gonna disclose anything major but I do

2794

01:50:59,500 --> 01:50:57,560

see signs are there in discloses they

2795

01:51:01,750 --> 01:50:59,510

found maybe microbes on Mars or some

2796

01:51:04,780 --> 01:51:01,760

kind of yeah that artifact on Marshall T

2797

01:51:06,820 --> 01:51:04,790

small ones up there but that's not me

2798

01:51:10,030 --> 01:51:06,830

right there that's enough its life and

2799

01:51:11,560 --> 01:51:10,040

its life elsewhere mm-hm and I I do

2800

01:51:12,670 --> 01:51:11,570

believe that that's probably going to

2801
01:51:14,740 --> 01:51:12,680
happen this year and I don't know

2802
01:51:16,360 --> 01:51:14,750
exactly why but here's going to be the

2803
01:51:17,830 --> 01:51:16,370
kicker though what if we do find

2804
01:51:19,540 --> 01:51:17,840
something on Mars and it turns out that

2805
01:51:23,110 --> 01:51:19,550
it's not extraterrestrial but as ours

2806
01:51:27,090 --> 01:51:23,120
from a past civilization that is human

2807
01:51:29,290 --> 01:51:27,100
from Earth you will have yet what if

2808
01:51:32,020 --> 01:51:29,300
that I think is it'll blow everybody

2809
01:51:33,550 --> 01:51:32,030
away and that I think is a very big

2810
01:51:35,410 --> 01:51:33,560
possibility of what's been going on and

2811
01:51:38,080 --> 01:51:35,420
why there's such a big secrecy because

2812
01:51:40,480 --> 01:51:38,090
we might find out that a we actually are

2813
01:51:43,750 --> 01:51:40,490

the aliens and we've been the aliens all

2814

01:51:45,910 --> 01:51:43,760

along yeah well there's up you know

2815

01:51:49,720 --> 01:51:45,920

there's no answers here no answers

2816

01:51:51,280 --> 01:51:49,730

tonight but i love the speculation you

2817

01:51:54,250 --> 01:51:51,290

know that's the part that just keeps me

2818

01:51:55,300 --> 01:51:54,260

you know going week after week and you

2819

01:51:58,660 --> 01:51:55,310

know trying to figure this whole thing

2820

01:52:02,350 --> 01:51:58,670

out and i'm not sure if it'll happen in

2821

01:52:05,020 --> 01:52:02,360

my lifetime but i hope so the journey is

2822

01:52:07,390 --> 01:52:05,030

has been really fascinating and it's

2823

01:52:09,550 --> 01:52:07,400

it's always fun you know talking to two

2824

01:52:11,970 --> 01:52:09,560

people like you who are basically you're

2825

01:52:15,550 --> 01:52:11,980

out there doing what i'm doing and and

2826

01:52:17,620 --> 01:52:15,560

you know getting some basically the same

2827

01:52:20,680 --> 01:52:17,630

information kind of goes nowhere but

2828

01:52:21,040 --> 01:52:20,690

it's interesting anyway it is it's

2829

01:52:24,819 --> 01:52:21,050

always

2830

01:52:26,919 --> 01:52:24,829

yeah so um we're getting near the end of

2831

01:52:29,919 --> 01:52:26,929

the show if you can just announce out

2832

01:52:31,600 --> 01:52:29,929

there where people can find you you know

2833

01:52:33,850 --> 01:52:31,610

what you have going on your website and

2834

01:52:35,169 --> 01:52:33,860

all that stuff ya know and first I want

2835

01:52:37,180 --> 01:52:35,179

to say Martin thank you so much for

2836

01:52:40,750 --> 01:52:37,190

inviting me on your show it's been an

2837

01:52:42,910 --> 01:52:40,760

honor to be on the show here and to talk

2838

01:52:44,950 --> 01:52:42,920

to you for an hour anybody can go

2839

01:52:46,390 --> 01:52:44,960

anybody who's interested in listening to

2840

01:52:48,669 --> 01:52:46,400

my ramblings are you can check me out

2841

01:52:50,260 --> 01:52:48,679

every Tuesday night at 1am eastern or

2842

01:52:53,229 --> 01:52:50,270

wednesday morning with depending on what

2843

01:52:55,439 --> 01:52:53,239

part of the rockies urine skywatchers

2844

01:52:58,510 --> 01:52:55,449

radio that's the show and it's ww

2845

01:53:00,640 --> 01:52:58,520

skywatchers radio com that's our website

2846

01:53:03,729 --> 01:53:00,650

go there friend us on Facebook Like us

2847

01:53:05,140 --> 01:53:03,739

on Facebook you know see us on Twitter

2848

01:53:07,839 --> 01:53:05,150

all that good stuff we're all over the

2849

01:53:09,700 --> 01:53:07,849

place just search skywatchers radio very

2850

01:53:12,819 --> 01:53:09,710

good well thank you so much it's been a

2851
01:53:14,080 --> 01:53:12,829
real pleasure thank you so I want to

2852
01:53:16,089 --> 01:53:14,090
thank everyone for helping out with the

2853
01:53:20,790 --> 01:53:16,099
show today of course our two guests

2854
01:53:25,569 --> 01:53:20,800
Christina Knowles and Angel SP neo and

2855
01:53:27,939 --> 01:53:25,579
closest be not because yeah you know

2856
01:53:28,959 --> 01:53:27,949
what I'm gonna I'm sorry for that and I

2857
01:53:30,430 --> 01:53:28,969
think in the beginning of the show I

2858
01:53:32,290 --> 01:53:30,440
really butchered your name so sorry

2859
01:53:33,580 --> 01:53:32,300
about it it's okay i'm the great butcher

2860
01:53:36,209 --> 01:53:33,590
of names it happens to me all the time

2861
01:53:38,410 --> 01:53:36,219
so don't worry and i also want to thank

2862
01:53:40,750 --> 01:53:38,420
Kerry Lloyd White House and Bruce

2863
01:53:43,390 --> 01:53:40,760

Rainier for our music Peggy shunning for

2864

01:53:44,919 --> 01:53:43,400

managing our Facebook page remember to

2865

01:53:47,740 --> 01:53:44,929

Like us on Facebook for all the latest

2866

01:53:49,569 --> 01:53:47,750

UFO news and you can check us out live

2867

01:53:51,970 --> 01:53:49,579

next week right here on the Dark Matter

2868

01:53:54,580 --> 01:53:51,980

radio network and every wednesday at 8pm

2869

01:53:56,169 --> 01:53:54,590

to 10pm eastern standard time this is
