

1
00:00:03,169 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:04,249 --> 00:00:03,179
triangle

3
00:00:05,360 --> 00:00:04,259
you know there's explanation for

4
00:00:08,270 --> 00:00:05,370
everything that occurred in the

5
00:00:11,209 --> 00:00:08,280
Rendlesham forest incident that aliens

6
00:00:15,259 --> 00:00:11,219
at all it was completely silent it comes

7
00:00:17,060 --> 00:00:15,269
right over our head it's so toxic flying

8
00:00:18,830 --> 00:00:17,070
saucer really standing in the clearing

9
00:00:20,450 --> 00:00:18,840
he turned over to my father and held his

10
00:00:26,960 --> 00:00:20,460
hand and he looked in his eyes and said

11
00:00:28,429 --> 00:00:26,970
we're not alone welcome to podcast UFO

12
00:00:30,830 --> 00:00:28,439
for our live show

13
00:00:33,049 --> 00:00:30,840

we're live every Wednesday at 8 p.m.

14

00:00:35,540 --> 00:00:33,059
Eastern Standard Time on the dark matter

15

00:00:39,229 --> 00:00:35,550
radio network please remember to visit

16

00:00:42,440 --> 00:00:39,239
the website podcast UFO comm for past

17

00:00:44,420 --> 00:00:42,450
episodes blogs and forums during the

18

00:00:46,910 --> 00:00:44,430
show feel free to participate live in

19

00:00:49,779 --> 00:00:46,920
our chat room and don't forget to Like

20

00:00:51,950 --> 00:00:49,789
us on our very active Facebook page

21

00:00:53,450 --> 00:00:51,960
hello everyone this is Martin Willis

22

00:00:55,700 --> 00:00:53,460
show host and we have a great show

23

00:00:58,490 --> 00:00:55,710
coming up for you this evening with our

24

00:00:59,389 --> 00:00:58,500
guest a good friend of mine out in the

25

00:01:02,900 --> 00:00:59,399
Chicago area

26
00:01:05,440 --> 00:01:02,910
Sam moranto you may remember him as Sam

27
00:01:08,539 --> 00:01:05,450
helped out here between the UFO

28
00:01:11,539 --> 00:01:08,549
newscasters and he'll be coming up after

29
00:01:12,859 --> 00:01:11,549
Alejandro Rojas from open minds radio is

30
00:01:15,740 --> 00:01:12,869
going to be telling us about the latest

31
00:01:17,210 --> 00:01:15,750
UFO events we have some new t-shirts

32
00:01:18,950 --> 00:01:17,220
available on our website and they're

33
00:01:20,690 --> 00:01:18,960
pretty awesome they have a great image

34
00:01:23,270 --> 00:01:20,700
UFO crash site

35
00:01:26,510 --> 00:01:23,280
by James Nathan he has given us the

36
00:01:28,550 --> 00:01:26,520
rights to use that image and so for \$25

37
00:01:30,140 --> 00:01:28,560
right on our website you can buy a

38
00:01:32,270 --> 00:01:30,150

t-shirt all different sizes

39

00:01:34,670 --> 00:01:32,280

free shipping we'll have to work out

40

00:01:35,749 --> 00:01:34,680

European shipping and around the world I

41

00:01:38,450 --> 00:01:35,759

don't know what the cost will be for

42

00:01:41,749 --> 00:01:38,460

that but we'll figure that out check it

43

00:01:44,179 --> 00:01:41,759

out on podcast UFO well what better

44

00:01:48,139 --> 00:01:44,189

place does anyone have to complain but

45

00:01:51,410 --> 00:01:48,149

on their own podcast and last week I had

46

00:01:54,940 --> 00:01:51,420

moved our domain podcast UFO calm to a

47

00:01:57,469 --> 00:01:54,950

dedicated server because of traffic and

48

00:01:59,359 --> 00:01:57,479

if you're a subscriber through Joyride

49

00:02:01,730 --> 00:01:59,369

that will not affect you in any way it

50

00:02:03,469 --> 00:02:01,740

didn't affect you last week but if

51
00:02:05,780 --> 00:02:03,479
you're a regular listener on our web

52
00:02:08,389 --> 00:02:05,790
site or on itunes stitcher and all that

53
00:02:09,869 --> 00:02:08,399
I do apologize the show just went up on

54
00:02:13,520 --> 00:02:09,879
Monday

55
00:02:16,649 --> 00:02:13,530
last Wednesday after the last podcast I

56
00:02:19,170 --> 00:02:16,659
couldn't upload the podcast because of

57
00:02:22,679 --> 00:02:19,180
the new server settings and I spent most

58
00:02:25,140 --> 00:02:22,689
of the night with a Hostgator trying to

59
00:02:29,190 --> 00:02:25,150
figure that out and it never got fixed

60
00:02:33,240 --> 00:02:29,200
and I spent at least 10 hours with their

61
00:02:36,899 --> 00:02:33,250
customer service and tech week and

62
00:02:39,059 --> 00:02:36,909
finally got fixed on Monday I'm still

63
00:02:40,949 --> 00:02:39,069

having a lot of syntax errors name

64

00:02:44,789 --> 00:02:40,959

server errors and all that stuff but I

65

00:02:47,490 --> 00:02:44,799

think it will be okay for now I was

66

00:02:50,399 --> 00:02:47,500

accidentally hung up on five times by

67

00:02:51,990 --> 00:02:50,409

Hostgator support and each time it went

68

00:02:55,289 --> 00:02:52,000

into a survey asking if I would

69

00:02:58,259 --> 00:02:55,299

recommend Hostgator to a friend let me

70

00:03:00,629 --> 00:02:58,269

just say this I wouldn't I wouldn't want

71

00:03:03,569 --> 00:03:00,639

to recommend them to an enemy at this

72

00:03:05,729 --> 00:03:03,579

point I'm really upset with this whole

73

00:03:07,140 --> 00:03:05,739

situation hopefully it'll be ironed out

74

00:03:10,050 --> 00:03:07,150

and the show will get straightened out

75

00:03:12,270 --> 00:03:10,060

and just one more thing before we bring

76

00:03:15,420 --> 00:03:12,280

Alejandro on if you want to subscribe to

77

00:03:19,740 --> 00:03:15,430

here the second hour has a podcast go to

78

00:03:22,039 --> 00:03:19,750

get Joyride comm slash podcast UFO the

79

00:03:24,689 --> 00:03:22,049

link is right on our website as well

80

00:03:27,479 --> 00:03:24,699

subscribers pay \$1 a month or more to

81

00:03:29,219 --> 00:03:27,489

access the full two hours show and that

82

00:03:31,920 --> 00:03:29,229

includes a private link you can use for

83

00:03:33,899 --> 00:03:31,930

iTunes on your iPhone and all kinds of

84

00:03:35,729 --> 00:03:33,909

media players and if you have any

85

00:03:38,789 --> 00:03:35,739

questions or problems just email me at

86

00:03:40,439 --> 00:03:38,799

Martin at podcast UFO comm and by the

87

00:03:42,750 --> 00:03:40,449

way my email is not quite straightened

88

00:03:45,960 --> 00:03:42,760

out it's almost fixed I am getting some

89

00:03:47,640 --> 00:03:45,970

of the emails and so hopefully all will

90

00:03:49,920 --> 00:03:47,650

be straightened out and that's enough

91

00:03:50,399 --> 00:03:49,930

complaining for me but boy does it feel

92

00:03:53,909 --> 00:03:50,409

good

93

00:03:54,420 --> 00:03:53,919

Alejandro was that too much no this is

94

00:03:58,640 --> 00:03:54,430

okay

95

00:04:03,599 --> 00:03:58,650

yeah I'm not a real Debbie Downer no I'm

96

00:04:06,619 --> 00:04:03,609

not bummed by that unfortunately good

97

00:04:09,719 --> 00:04:06,629

customer service is hard to come by he

98

00:04:12,899 --> 00:04:09,729

it's been something else but anyway

99

00:04:15,689 --> 00:04:12,909

hopefully it'll be all set and let's

100

00:04:18,449 --> 00:04:15,699

talk about what's going on out there

101
00:04:20,819 --> 00:04:18,459
you're getting busy and ready for the

102
00:04:22,710 --> 00:04:20,829
for the upcoming UFO Congress I'm making

103
00:04:25,800 --> 00:04:22,720
arrangements to be out there

104
00:04:29,280 --> 00:04:25,810
I'm pretty excited yeah so am i I'm

105
00:04:31,320 --> 00:04:29,290
really excited I just I I think I've

106
00:04:33,420 --> 00:04:31,330
said this before I just love you know

107
00:04:34,470 --> 00:04:33,430
these people being able to share their

108
00:04:36,120 --> 00:04:34,480
information

109
00:04:38,820 --> 00:04:36,130
you know people that you've interviewed

110
00:04:42,150 --> 00:04:38,830
and you know I think it's hit-or-miss

111
00:04:44,880 --> 00:04:42,160
always just like when you have someone

112
00:04:46,500 --> 00:04:44,890
on you don't know I think it's a good

113
00:04:49,200 --> 00:04:46,510

thing to do someone who does some work

114

00:04:51,450 --> 00:04:49,210

but you're not familiar with them or or

115

00:04:53,850 --> 00:04:51,460

you know how well they're able to

116

00:04:55,170 --> 00:04:53,860

articulate their work but there's so

117

00:04:59,340 --> 00:04:55,180

many times where you're pleasantly

118

00:05:02,820 --> 00:04:59,350

surprised and I love just featuring the

119

00:05:05,370 --> 00:05:02,830

great hard work by so many people out

120

00:05:07,440 --> 00:05:05,380

there you know that are really into this

121

00:05:09,960 --> 00:05:07,450

topic and take it very seriously

122

00:05:12,360 --> 00:05:09,970

so it's always really exciting you know

123

00:05:14,250 --> 00:05:12,370

we always like to present people that

124

00:05:16,260 --> 00:05:14,260

aren't out there on the circuit I think

125

00:05:18,810 --> 00:05:16,270

it's unfortunate that most of

126

00:05:21,180 --> 00:05:18,820

conferences have the same people because

127

00:05:24,450 --> 00:05:21,190

they're just so fearful of having

128

00:05:27,090 --> 00:05:24,460

someone different mm-hmm so I love doing

129

00:05:29,159 --> 00:05:27,100

that and often you know the speakers

130

00:05:30,810 --> 00:05:29,169

that we have end up being the new people

131

00:05:33,270 --> 00:05:30,820

on the circuit bringing in new blood I

132

00:05:34,680 --> 00:05:33,280

think maybe some of the people who are

133

00:05:36,840 --> 00:05:34,690

regular on the circuit maybe get

134

00:05:39,030 --> 00:05:36,850

frustrated by that but you know it's

135

00:05:42,090 --> 00:05:39,040

fair and it's good and some of them who

136

00:05:44,159 --> 00:05:42,100

are genuine you know researchers and

137

00:05:46,020 --> 00:05:44,169

love the field are happy to have new

138

00:05:49,020 --> 00:05:46,030

blood coming in and sharing new

139

00:05:51,210 --> 00:05:49,030

information and new perspectives so I'm

140

00:05:52,650 --> 00:05:51,220

extremely excited mainly to share the

141

00:05:55,050 --> 00:05:52,660

information with people and we have a

142

00:05:57,600 --> 00:05:55,060

lot of great speakers yeah I've always

143

00:05:58,350 --> 00:05:57,610

tried to get unique and new speakers on

144

00:06:00,030 --> 00:05:58,360

this show

145

00:06:01,530 --> 00:06:00,040

and you know sometimes you know I

146

00:06:04,370 --> 00:06:01,540

watched the download sometimes the

147

00:06:07,830 --> 00:06:04,380

downloads aren't that popular but still

148

00:06:10,350 --> 00:06:07,840

you know I just think it is it is good

149

00:06:14,090 --> 00:06:10,360

to to shine to a new light on you know

150

00:06:18,510 --> 00:06:17,010

probably due to we've got kind of a an

151
00:06:20,969 --> 00:06:18,520
audience who's gonna be there no matter

152
00:06:23,250 --> 00:06:20,979
what and that's what's great they'll

153
00:06:25,170 --> 00:06:23,260
listen maybe they won't like it

154
00:06:28,170 --> 00:06:25,180
and they'll say that and you'll you'll

155
00:06:30,450 --> 00:06:28,180
have a little bit of a less listeners

156
00:06:32,790 --> 00:06:30,460
and you know maybe get some feedback but

157
00:06:35,159 --> 00:06:32,800
what's great is often you know they'll

158
00:06:36,240 --> 00:06:35,169
still give it a chance because they like

159
00:06:39,660 --> 00:06:36,250
listening fish

160
00:06:42,570 --> 00:06:39,670
and and then they're happily surprised

161
00:06:44,730 --> 00:06:42,580
by you know how great someone is or the

162
00:06:47,490 --> 00:06:44,740
great information that they have and and

163
00:06:49,200 --> 00:06:47,500

you're introducing someone new to people

164

00:06:51,450 --> 00:06:49,210

and that's that's awesome well I gotta

165

00:06:53,790 --> 00:06:51,460

tell you ever since I've been on your

166

00:06:57,780 --> 00:06:53,800

show way back I think was a year and a

167

00:07:01,380 --> 00:06:57,790

half ago my show has instantly grew up

168

00:07:03,660 --> 00:07:01,390

by one grew one third for downloads

169

00:07:05,250 --> 00:07:03,670

right after that and so I think we share

170

00:07:06,540 --> 00:07:05,260

a lot of the same listeners matter of

171

00:07:08,370 --> 00:07:06,550

fact someone emailed me the other day

172

00:07:10,440 --> 00:07:08,380

they said they're kind of listening to

173

00:07:15,350 --> 00:07:10,450

the same UFO news twice but they don't

174

00:07:17,880 --> 00:07:15,360

care funny but and it's with a different

175

00:07:23,370 --> 00:07:17,890

you know straight guy because you're my

176
00:07:25,520 --> 00:07:23,380
straight guy and Jason is on our show so

177
00:07:28,110 --> 00:07:25,530
so that means it's different strokes

178
00:07:31,080 --> 00:07:28,120
look slightly different sense of humor

179
00:07:32,670 --> 00:07:31,090
but and different takes on because then

180
00:07:34,890 --> 00:07:32,680
you'll have you know interesting

181
00:07:37,260 --> 00:07:34,900
questions regarding the news that of

182
00:07:39,150 --> 00:07:37,270
course we wouldn't have on our show so

183
00:07:41,520 --> 00:07:39,160
it's still good and I agree with you I

184
00:07:45,480 --> 00:07:41,530
think we have a similar sensibility to

185
00:07:47,159 --> 00:07:45,490
this we agree so much on and have

186
00:07:50,070 --> 00:07:47,169
similar perspectives on the whole thing

187
00:07:53,250 --> 00:07:50,080
right oh so what is going on this week

188
00:07:55,350 --> 00:07:53,260

has it been has it been a busy week it's

189

00:07:58,860 --> 00:07:55,360

been an interesting week it has been

190

00:08:02,250 --> 00:07:58,870

somewhat busy and it's been a real weird

191

00:08:03,900 --> 00:08:02,260

interesting week which is good so yeah I

192

00:08:08,130 --> 00:08:03,910

have a couple sightings and then I kind

193

00:08:10,200 --> 00:08:08,140

of a new new cool story and that has to

194

00:08:11,550 --> 00:08:10,210

do with John Greenwald so but something

195

00:08:15,270 --> 00:08:11,560

completely different than what's been

196

00:08:16,890 --> 00:08:15,280

going on here yeah okay but yeah fuchs

197

00:08:19,260 --> 00:08:16,900

stories here so the first one I want to

198

00:08:22,350 --> 00:08:19,270

talk about is a UFO sighting outside of

199

00:08:25,440 --> 00:08:22,360

Roswell New Mexico so this is exciting

200

00:08:27,120 --> 00:08:25,450

this was December 27th this was written

201
00:08:29,909 --> 00:08:27,130
up by Roger Marsh she was the director

202
00:08:32,520 --> 00:08:29,919
of communications for a MUFON who writes

203
00:08:34,980 --> 00:08:32,530
about MUFON stories or sightings on our

204
00:08:38,010 --> 00:08:34,990
website and this one took place December

205
00:08:40,469 --> 00:08:38,020
27th it was a guy driving in an RV

206
00:08:42,300 --> 00:08:40,479
I guess he's driving across country I

207
00:08:44,900 --> 00:08:42,310
don't think he gave details there but

208
00:08:48,300 --> 00:08:44,910
he's outside of town and he sees

209
00:08:49,370 --> 00:08:48,310
something you know 50 60 feet off the

210
00:08:51,320 --> 00:08:49,380
ground

211
00:08:54,590 --> 00:08:51,330
and he's wondering what the heck this

212
00:08:56,840 --> 00:08:54,600
thing is eventually he thought then it

213
00:08:58,970 --> 00:08:56,850

was a large metal bar but as he got

214

00:09:03,110 --> 00:08:58,980

closer he said he could tell it was a

215

00:09:05,510 --> 00:09:03,120

large triangle it moved down to about 25

216

00:09:08,300 --> 00:09:05,520

feet off the ground and it was there for

217

00:09:11,000 --> 00:09:08,310

a while while him and and his wife were

218

00:09:12,950 --> 00:09:11,010

looking her sister was sitting back

219

00:09:15,410 --> 00:09:12,960

there looking at this UFO wondering what

220

00:09:18,100 --> 00:09:15,420

the hell this is he finally realized oh

221

00:09:21,640 --> 00:09:18,110

man I've got my camera right over here

222

00:09:24,500 --> 00:09:21,650

he goes to grab the camera and it's gone

223

00:09:26,990 --> 00:09:24,510

so yeah really interesting sighting

224

00:09:28,790 --> 00:09:27,000

right outside of Roswell is this like

225

00:09:30,830 --> 00:09:28,800

two weeks in a row someone that happened

226

00:09:32,570 --> 00:09:30,840

to know the other guy got pictures but

227

00:09:34,430 --> 00:09:32,580

when he put gas in his car the thing

228

00:09:36,620 --> 00:09:34,440

just took off or something yeah exactly

229

00:09:38,390 --> 00:09:36,630

he got a picture but the object was

230

00:09:40,070 --> 00:09:38,400

really far off and so you couldn't

231

00:09:42,200 --> 00:09:40,080

really make much out of the picture but

232

00:09:44,540 --> 00:09:42,210

yeah he felt that that was a triangular

233

00:09:46,370 --> 00:09:44,550

shaped object as well so it does seem

234

00:09:47,870 --> 00:09:46,380

and we've got some more stories does

235

00:09:50,780 --> 00:09:47,880

seem like there's a lot of triangular

236

00:09:52,640 --> 00:09:50,790

UFO sightings out these days it does you

237

00:09:56,590 --> 00:09:52,650

know I think the saucer went out of

238

00:10:01,040 --> 00:09:56,600

style when other and the new model the

239

00:10:04,370 --> 00:10:01,050

2015 in our time model is the triangle

240

00:10:06,710 --> 00:10:04,380

yeah and you know a lot of people say no

241

00:10:09,470 --> 00:10:06,720

those are government but you know it's

242

00:10:12,710 --> 00:10:09,480

it's been in my experience because I've

243

00:10:14,660 --> 00:10:12,720

done a lot of research here these ideas

244

00:10:16,460 --> 00:10:14,670

are that we're flying these triangles I

245

00:10:18,560 --> 00:10:16,470

can hover and then move off quickly

246

00:10:20,030 --> 00:10:18,570

there's no evidence that we are creating

247

00:10:21,830 --> 00:10:20,040

something like this there's this kind of

248

00:10:26,150 --> 00:10:21,840

urban legend of something called the

249

00:10:28,790 --> 00:10:26,160

tr-3b but there was a tr3 eywa that was

250

00:10:30,920 --> 00:10:28,800

a prototype kind of ship but and that's

251
00:10:33,830 --> 00:10:30,930
been known you can go look that up but

252
00:10:35,480 --> 00:10:33,840
there is no tr-3b that's known about and

253
00:10:37,310 --> 00:10:35,490
that there has been no evidence that

254
00:10:39,650 --> 00:10:37,320
something like that's been developed so

255
00:10:42,530 --> 00:10:39,660
these are unexplained objects these

256
00:10:45,040 --> 00:10:42,540
triangular UFOs we don't know where they

257
00:10:48,530 --> 00:10:45,050
come from yeah so what else is happening

258
00:10:50,170 --> 00:10:48,540
yeah in a location of another big UFO

259
00:10:52,460 --> 00:10:50,180
case that's the Rendlesham forest

260
00:10:54,170 --> 00:10:52,470
there's a video that was posted to

261
00:10:55,760 --> 00:10:54,180
YouTube of these three balls of lights

262
00:10:58,130 --> 00:10:55,770
they kind of flash there's a military

263
00:10:59,680 --> 00:10:58,140

cop helicopter following these three

264

00:11:02,770 --> 00:10:59,690

balls of lights around

265

00:11:04,900 --> 00:11:02,780

and kind of a weird video however a lot

266

00:11:06,490 --> 00:11:04,910

of people are very skeptical about this

267

00:11:08,950 --> 00:11:06,500

video it's one of these things where

268

00:11:11,800 --> 00:11:08,960

it's posted on YouTube on an account

269

00:11:13,300 --> 00:11:11,810

that was just created so it seems like

270

00:11:15,940 --> 00:11:13,310

this account was just created only to

271

00:11:17,920 --> 00:11:15,950

post this video and a lot of people are

272

00:11:20,400 --> 00:11:17,930

feeling like a lot of researchers are

273

00:11:23,110 --> 00:11:20,410

feeling like this could be in

274

00:11:26,650 --> 00:11:23,120

preparation for a new movie coming out

275

00:11:30,340 --> 00:11:26,660

called the UFO Rendlesham incident and

276

00:11:32,260 --> 00:11:30,350

this is a fiction movie about the

277

00:11:35,500 --> 00:11:32,270

Rendlesham forest and they even say it's

278

00:11:37,780 --> 00:11:35,510

not about the original things but it's

279

00:11:39,790 --> 00:11:37,790

about you know you're a leonis chase

280

00:11:42,400 --> 00:11:39,800

seeing people on the forest or something

281

00:11:43,990 --> 00:11:42,410

and so a lot of people feel this is

282

00:11:45,670 --> 00:11:44,000

probably a publicity thing for that

283

00:11:48,870 --> 00:11:45,680

upcoming movie Wow

284

00:11:58,870 --> 00:11:48,880

was there also a sighting in Phoenix

285

00:12:01,060 --> 00:11:58,880

Phoenix lights recently yeah remember

286

00:12:03,130 --> 00:12:01,070

not too long ago this David Collins died

287

00:12:05,020 --> 00:12:03,140

and we called yeah he tweeted us trying

288

00:12:07,000 --> 00:12:05,030

to convince us otherwise but there was a

289

00:12:08,410 --> 00:12:07,010

story that came out recently and well

290

00:12:10,210 --> 00:12:08,420

they wrote a press release about this

291

00:12:12,310 --> 00:12:10,220

movie coming out and they even said

292

00:12:13,540 --> 00:12:12,320

we've been doing some viral stuff to try

293

00:12:15,130 --> 00:12:13,550

to get this movie out there for

294

00:12:17,830 --> 00:12:15,140

marketing and we're going to be doing

295

00:12:21,100 --> 00:12:17,840

some more and it confirmed that that was

296

00:12:22,510 --> 00:12:21,110

some marketing for their movie so yeah

297

00:12:23,800 --> 00:12:22,520

they're gonna be doing more so we're

298

00:12:25,630 --> 00:12:23,810

gonna have to be on the lookout for that

299

00:12:28,960 --> 00:12:25,640

for sure sure

300

00:12:30,880 --> 00:12:28,970

so what else is happening so the final

301

00:12:33,790 --> 00:12:30,890

story and this is really cool the black

302

00:12:35,350 --> 00:12:33,800

vault we most recently talked about that

303

00:12:37,870 --> 00:12:35,360

with the Blue Book files but John

304

00:12:39,310 --> 00:12:37,880

Greenwald who runs this they have

305

00:12:41,440 --> 00:12:39,320

something else that they got going on

306

00:12:47,260 --> 00:12:41,450

here the black ball is helping to

307

00:12:49,690 --> 00:12:47,270

sponsor a UFO detector software so this

308

00:12:51,550 --> 00:12:49,700

software assuming it works it's really

309

00:12:55,570 --> 00:12:51,560

cool so it's created by this peep these

310

00:12:57,970 --> 00:12:55,580

people called Project C II the C stands

311

00:13:00,790 --> 00:12:57,980

for connecting evidence they want to

312

00:13:03,760 --> 00:13:00,800

remain again anonymous in the creation

313

00:13:05,470 --> 00:13:03,770

of this but this is a program you can

314

00:13:08,620 --> 00:13:05,480

download and install on your computer

315

00:13:11,580 --> 00:13:08,630

and then what it'll do is you take your

316

00:13:14,550 --> 00:13:11,590

USB webcam you put it out your

317

00:13:17,160 --> 00:13:14,560

No and this thing will monitor the

318

00:13:19,800 --> 00:13:17,170

webcam and whenever something comes a

319

00:13:22,200 --> 00:13:19,810

flies across the screen it will analyze

320

00:13:24,270 --> 00:13:22,210

it to find out if it's like a bird or

321

00:13:27,570 --> 00:13:24,280

plane if it doesn't know what it is

322

00:13:31,530 --> 00:13:27,580

it'll record the video of this thing so

323

00:13:33,150 --> 00:13:31,540

you can look at it later so yeah pretty

324

00:13:34,920 --> 00:13:33,160

cool so what they're doing with this

325

00:13:37,770 --> 00:13:34,930

software too because they want you to

326

00:13:39,570 --> 00:13:37,780

submit like if it records an object and

327

00:13:42,840 --> 00:13:39,580

you're like well that's obviously a bird

328

00:13:45,870 --> 00:13:42,850

you can submit a picture of that object

329

00:13:48,210 --> 00:13:45,880

to the developers so they can adjust the

330

00:13:50,280 --> 00:13:48,220

software so it's more and more accurate

331

00:13:53,700 --> 00:13:50,290

so it doesn't get what they call false

332

00:13:55,980 --> 00:13:53,710

positives so it doesn't record birds and

333

00:13:59,250 --> 00:13:55,990

mundane things but it only captures

334

00:14:02,520 --> 00:13:59,260

videos of UFOs it's got that records in

335

00:14:04,560 --> 00:14:02,530

high-definition and and it's a free

336

00:14:06,540 --> 00:14:04,570

download so it's just gonna ask you how

337

00:14:10,590 --> 00:14:06,550

much it was yeah absolutely

338

00:14:12,600 --> 00:14:10,600

yep Wow so really cool so this is

339

00:14:15,720 --> 00:14:12,610

exciting especially if it works I'm

340

00:14:20,130 --> 00:14:15,730

hopefully it you know it may help people

341

00:14:23,460 --> 00:14:20,140

get a lot more really good UFO videos so

342

00:14:25,710 --> 00:14:23,470

it can record a night you can have this

343

00:14:27,600 --> 00:14:25,720

thing running all day and night I'm

344

00:14:30,030 --> 00:14:27,610

gonna do this I'm gonna get a hook up a

345

00:14:32,850 --> 00:14:30,040

webcam and do this at home and have it

346

00:14:34,770 --> 00:14:32,860

just you know monitoring the low above

347

00:14:37,920 --> 00:14:34,780

my apartment complex and see what I can

348

00:14:40,740 --> 00:14:37,930

get but real easy to use I've got some

349

00:14:44,070 --> 00:14:40,750

screenshots here I have links to the

350

00:14:46,170 --> 00:14:44,080

project's EE site but John Greenwald has

351

00:14:47,730 --> 00:14:46,180

a support site on the black bolt for

352

00:14:50,520 --> 00:14:47,740

this that has some really good

353

00:14:52,740 --> 00:14:50,530

instructions and he also has a forum

354

00:14:54,900 --> 00:14:52,750

because part of this is they want to

355

00:14:57,690 --> 00:14:54,910

create a community where people are

356

00:15:00,360 --> 00:14:57,700

submitting their videos everybody's kind

357

00:15:03,630 --> 00:15:00,370

of analyzing the videos as a community

358

00:15:06,800 --> 00:15:03,640

and then also giving feedback asking

359

00:15:08,850 --> 00:15:06,810

questions so we can together kind of

360

00:15:10,860 --> 00:15:08,860

investigate and find some good videos

361

00:15:12,660 --> 00:15:10,870

awesome I wonder if this thing will

362

00:15:16,620 --> 00:15:12,670

record a flying squirrel who went across

363

00:15:18,840 --> 00:15:16,630

I bet it would it probably would but it

364

00:15:21,180 --> 00:15:18,850

wouldn't hopefully it wouldn't save the

365

00:15:24,960 --> 00:15:21,190

video because it's not a UFO dive being

366

00:15:29,610 --> 00:15:28,260

and identified flying squirrel I'm only

367

00:15:32,870 --> 00:15:29,620

saying this because I'm squirrel

368

00:15:36,840 --> 00:15:32,880

infested up here in the mountain I've

369

00:15:39,930 --> 00:15:36,850

done all right thanks a lot and stay

370

00:17:05,380 --> 00:15:39,940

tuned after this tune by Bruce Rainier

371

00:17:12,620 --> 00:17:09,199

welcome back Sam Wow

372

00:17:15,890 --> 00:17:12,630

that was interesting the music yeah

373

00:17:18,500 --> 00:17:15,900

and the conversation with Alejandro yes

374

00:17:21,199 --> 00:17:18,510

always it's a pleasure having him on and

375

00:17:25,130 --> 00:17:21,209

it's a pleasure having you back for

376

00:17:27,650 --> 00:17:25,140

those who have not heard Sam before if

377

00:17:30,290 --> 00:17:27,660

you're a new listener Sam helped out for

378

00:17:32,540 --> 00:17:30,300

a while on the show he's been a guest a

379

00:17:34,400 --> 00:17:32,550

couple of times and always has a lot of

380

00:17:37,550 --> 00:17:34,410

fascinating things to say a lot of fun I

381

00:17:40,550 --> 00:17:37,560

consider him a good friend and I'm glad

382

00:17:43,460 --> 00:17:40,560

you're you're doing well what's going on

383

00:17:45,380 --> 00:17:43,470

in the Midwest well I tell you what if

384

00:17:47,810 --> 00:17:45,390

the old boy could just stay on his two

385

00:17:50,240 --> 00:17:47,820

feet he'd be doing better I tell you on

386

00:17:53,480 --> 00:17:50,250

Tuesdays my new routine is to schedule

387

00:17:56,180 --> 00:17:53,490

myself to fall I fell yesterday an ice I

388

00:17:57,890 --> 00:17:56,190

did a side I did this little thing like

389

00:18:00,440 --> 00:17:57,900

I don't know it was kind of weird and

390

00:18:02,390 --> 00:18:00,450

it's a miracle and break a shoulder in

391

00:18:05,060 --> 00:18:02,400

the process but sure enough black ice

392

00:18:08,960 --> 00:18:05,070

got me last week did did a similar thing

393

00:18:11,180 --> 00:18:08,970

without the ice somehow I forgot to you

394

00:18:13,730 --> 00:18:11,190

know remember there was 18 inches of

395

00:18:16,970 --> 00:18:13,740

stairs between my next step and took a

396

00:18:20,870 --> 00:18:16,980

spill there but I tell you the the

397

00:18:25,070 --> 00:18:20,880

winter has been unusually peaceful for

398

00:18:27,200 --> 00:18:25,080

the most part and so have the reports so

399

00:18:29,420 --> 00:18:27,210

the reports that have been coming in

400

00:18:32,980 --> 00:18:29,430

none of which have fallen into our lap

401
00:18:35,450 --> 00:18:32,990
being very gracefully unique and just so

402
00:18:39,680 --> 00:18:35,460
stunning that we have to run out and

403
00:18:42,620 --> 00:18:39,690
leave our mukluks in you know in the

404
00:18:46,130 --> 00:18:42,630
closet because they're so interesting

405
00:18:50,450 --> 00:18:46,140
but we are getting some reports many of

406
00:18:53,810 --> 00:18:50,460
them having to do with of course lights

407
00:18:55,880 --> 00:18:53,820
in the sky and you know the thing is the

408
00:18:59,780 --> 00:18:55,890
notorious lights in the sky anything at

409
00:19:02,180 --> 00:18:59,790
a distance could seem peculiar depending

410
00:19:05,570 --> 00:19:02,190
on your perspective and of course your

411
00:19:08,630 --> 00:19:05,580
bias the other thing that we get is of

412
00:19:11,090 --> 00:19:08,640
course the complete opposite that it's

413
00:19:13,310 --> 00:19:11,100

mundane that of course just

414

00:19:16,700 --> 00:19:13,320

because it's out there and it does seem

415

00:19:20,810 --> 00:19:16,710

unusual and it is moving unusual well

416

00:19:23,570 --> 00:19:20,820

it's just some something very ROS a ik

417

00:19:26,299 --> 00:19:23,580

and that you know the thing is it

418

00:19:30,940 --> 00:19:26,309

doesn't hurt to file a report especially

419

00:19:33,789 --> 00:19:30,950

if we find out that somebody closer

420

00:19:36,680 --> 00:19:33,799

noticed something a little more unusual

421

00:19:39,770 --> 00:19:36,690

because of their perspective and then

422

00:19:41,570 --> 00:19:39,780

that other case can add or I should say

423

00:19:44,450 --> 00:19:41,580

report because doesn't really become a

424

00:19:47,870 --> 00:19:44,460

case until it's investigated that report

425

00:19:53,149 --> 00:19:47,880

adds a little more credence possibly to

426
00:19:56,450 --> 00:19:53,159
the better perspective or observation so

427
00:19:59,240 --> 00:19:56,460
folks out there that may be hesitant to

428
00:20:01,370 --> 00:19:59,250
file a report you know if there's some

429
00:20:06,140 --> 00:20:01,380
merit that I feel it's worthwhile go to

430
00:20:08,149 --> 00:20:06,150
MUFON comm file a report and you're

431
00:20:10,640 --> 00:20:08,159
gonna get a call back and either way

432
00:20:13,490 --> 00:20:10,650
you'll get some idea what you you did

433
00:20:16,669 --> 00:20:13,500
not see or what you may have seen you

434
00:20:20,960 --> 00:20:16,679
know Sam I the last show I announced

435
00:20:23,840 --> 00:20:20,970
that well I quietly said that I've been

436
00:20:26,659 --> 00:20:23,850
hesitant to talk about second sighting

437
00:20:29,289 --> 00:20:26,669
because I feel like you know I've talked

438
00:20:32,630 --> 00:20:29,299

many times about the sighting I had but

439

00:20:35,060 --> 00:20:32,640

Ill was feeling like if I mentioned that

440

00:20:40,760 --> 00:20:35,070

I saw something else unusual

441

00:20:43,760 --> 00:20:40,770

that it would hurt my credit but I got I

442

00:20:45,620 --> 00:20:43,770

think about four or five emails of

443

00:20:48,770 --> 00:20:45,630

people saying go ahead tell me what what

444

00:20:51,620 --> 00:20:48,780

did you what did you see oh so I'm just

445

00:20:53,180 --> 00:20:51,630

gonna say it and and it could be as

446

00:20:56,960 --> 00:20:53,190

you're saying could be something totally

447

00:20:57,649 --> 00:20:56,970

prosaic something but it was kind of

448

00:21:00,890 --> 00:20:57,659

hard to explain

449

00:21:02,320 --> 00:21:00,900

I was in walking in a golf course at

450

00:21:06,140 --> 00:21:02,330

night I was living on a golf course

451
00:21:09,020 --> 00:21:06,150
about a year ago yes a year ago and so I

452
00:21:13,010 --> 00:21:09,030
was out at night and I saw what I

453
00:21:14,539 --> 00:21:13,020
thought was it looked like the size of

454
00:21:16,130 --> 00:21:14,549
like a star moving and I thought well

455
00:21:19,159 --> 00:21:16,140
it's a big satellite and then I thought

456
00:21:23,270 --> 00:21:19,169
wow it's a real big satellite and but it

457
00:21:24,650 --> 00:21:23,280
was moving like one and so I I was

458
00:21:26,330 --> 00:21:24,660
thinking well this thing so

459
00:21:28,220 --> 00:21:26,340
it's got to be the International Space

460
00:21:29,420 --> 00:21:28,230
Station or something I just couldn't

461
00:21:31,730 --> 00:21:29,430
figure out what it was and then all of a

462
00:21:33,920 --> 00:21:31,740
sudden it did these couple of weird

463
00:21:37,910 --> 00:21:33,930

maneuvers and I go oh my god I'm not

464

00:21:41,450 --> 00:21:37,920

really seeing this mi it's I took out my

465

00:21:42,890 --> 00:21:41,460

iPhone I had at the time in and filmed

466

00:21:44,480 --> 00:21:42,900

it and I looked at when I got home you

467

00:21:46,430 --> 00:21:44,490

could just barely see this little line

468

00:21:48,680 --> 00:21:46,440

you know moving but you couldn't tell

469

00:21:50,150 --> 00:21:48,690

whether it was a camera shake or you

470

00:21:53,510 --> 00:21:50,160

know it was actually moving in the sky

471

00:21:55,760 --> 00:21:53,520

so that was so I won't get any more

472

00:21:58,190 --> 00:21:55,770

email I don't think about that I'm not

473

00:22:00,140 --> 00:21:58,200

going to say it was it was that

474

00:22:01,640 --> 00:22:00,150

unidentified to me but I don't know what

475

00:22:03,710 --> 00:22:01,650

it was but I'm not

476

00:22:06,140 --> 00:22:03,720

it was nothing like the first sighting I

477

00:22:08,270 --> 00:22:06,150

had or possible them a real sighting I

478

00:22:10,190 --> 00:22:08,280

had did you talk about that much because

479

00:22:12,680 --> 00:22:10,200

that is a good sighting oh yeah yeah I

480

00:22:13,730 --> 00:22:12,690

brought that up for the listener hasn't

481

00:22:15,860 --> 00:22:13,740

heard I don't want to you know keep

482

00:22:17,840 --> 00:22:15,870

repeating myself but basically I was in

483

00:22:21,430 --> 00:22:17,850

a hot tub and yes I got teased about

484

00:22:25,100 --> 00:22:21,440

that was not drinking at the time and

485

00:22:28,100 --> 00:22:25,110

this perfectly shaped disc with a little

486

00:22:30,350 --> 00:22:28,110

bluish silver tent came right over me

487

00:22:32,510 --> 00:22:30,360

and the thing that I had never heard

488

00:22:35,360 --> 00:22:32,520

about her known about at the time was it

489

00:22:37,700 --> 00:22:35,370

made absolutely no sound and to me that

490

00:22:40,430 --> 00:22:37,710

was the most baffling I kept waiting to

491

00:22:44,750 --> 00:22:40,440

hear something and then it took off on a

492

00:22:48,050 --> 00:22:44,760

right angle toward Monterey I was in

493

00:22:49,280 --> 00:22:48,060

Carmel Valley California took off toward

494

00:22:51,320 --> 00:22:49,290

Monterey and I called the police

495

00:22:53,060 --> 00:22:51,330

department and I was sort of ridiculed

496

00:22:55,370 --> 00:22:53,070

about it and put on hold for 20 minutes

497

00:22:59,150 --> 00:22:55,380

and hung up so that's the basically the

498

00:23:01,970 --> 00:22:59,160

whole ordeal but whenever it was it

499

00:23:05,090 --> 00:23:01,980

certainly was nothing that I had could

500

00:23:08,480 --> 00:23:05,100

ever call that was something earthly you

501
00:23:11,510 --> 00:23:08,490
know be if it was then it's being kept

502
00:23:14,120 --> 00:23:11,520
totally secret from us out there well

503
00:23:18,530 --> 00:23:14,130
you know I had a call once at a

504
00:23:22,130 --> 00:23:18,540
conversation with a lady who was a

505
00:23:24,320 --> 00:23:22,140
secretary and pertaining to some

506
00:23:27,860 --> 00:23:24,330
business I was working on at that time

507
00:23:29,720 --> 00:23:27,870
and she was telling me about an

508
00:23:31,940 --> 00:23:29,730
experience she had

509
00:23:35,120 --> 00:23:31,950
mm trying to think of us where it was it

510
00:23:39,019 --> 00:23:35,130
always mehleb ooh and it was between I

511
00:23:42,649 --> 00:23:39,029
was near the coast between two mountains

512
00:23:44,930 --> 00:23:42,659
or whatever in that vicinity and they

513
00:23:48,560 --> 00:23:44,940

decided to have a fire in the evening

514

00:23:51,080 --> 00:23:48,570

they built this fire they just get it

515

00:23:53,899 --> 00:23:51,090

started and then it was some ways you

516

00:23:55,399 --> 00:23:53,909

know off from the cabin that formed some

517

00:23:57,350 --> 00:23:55,409

friends of theirs not not it's not

518

00:23:59,289 --> 00:23:57,360

necessarily that far you know with

519

00:24:02,529 --> 00:23:59,299

within close walking distance

520

00:24:08,299 --> 00:24:02,539

they just started and all of a sudden

521

00:24:12,889 --> 00:24:08,309

they seen these two these two points of

522

00:24:16,090 --> 00:24:12,899

light appearing at intervals let's say I

523

00:24:19,639 --> 00:24:16,100

must parallel over the peaks of the two

524

00:24:21,950 --> 00:24:19,649

mountains on each side of them they

525

00:24:25,370 --> 00:24:21,960

watched it and what had happened is they

526

00:24:27,710 --> 00:24:25,380

started to head towards each other to

527

00:24:31,159 --> 00:24:27,720

you know to be coming directly overhead

528

00:24:33,799 --> 00:24:31,169

and then maybe came directly overhead

529

00:24:36,950 --> 00:24:33,809

while they were moving up they starting

530

00:24:39,980 --> 00:24:36,960

to he began to hear the coyotes yipping

531

00:24:42,379 --> 00:24:39,990

and yelling and carrying on then all of

532

00:24:45,860 --> 00:24:42,389

a sudden as this progression of these

533

00:24:48,980 --> 00:24:45,870

two lights start to come together there

534

00:24:50,600 --> 00:24:48,990

was this buzzing of like if they said it

535

00:24:54,110 --> 00:24:50,610

was if they were being swarmed by

536

00:24:58,129 --> 00:24:54,120

insects or bees and I've heard this many

537

00:25:04,490 --> 00:24:58,139

a time in Close Encounters or being very

538

00:25:09,830 --> 00:25:04,500

close a close proximity to a object such

539

00:25:12,409 --> 00:25:09,840

as a UFO and its progressing and

540

00:25:14,810 --> 00:25:12,419

progressing that all of a sudden when it

541

00:25:17,629 --> 00:25:14,820

they come together directly overhead

542

00:25:21,440 --> 00:25:17,639

there there's this humongous being of

543

00:25:25,610 --> 00:25:21,450

light that just shines down and it's

544

00:25:29,570 --> 00:25:25,620

just wow and all of a sudden they feel

545

00:25:32,299 --> 00:25:29,580

they were knocked out wake up look at

546

00:25:35,629 --> 00:25:32,309

each other and running out of the house

547

00:25:37,610 --> 00:25:35,639

is the woman who owned the place and she

548

00:25:40,070 --> 00:25:37,620

goes what was that what happened what

549

00:25:42,710 --> 00:25:40,080

happened and they all look at her and

550

00:25:46,630 --> 00:25:42,720

they look down and

551

00:25:50,299 --> 00:25:46,640

that they had just started this huge

552

00:25:52,820 --> 00:25:50,309

bonfire was nothing but ashes and cinder

553

00:25:56,930 --> 00:25:52,830

so they had the time missing - that's

554

00:25:59,899 --> 00:25:56,940

very much like the allagash incest yes

555

00:26:03,680 --> 00:25:59,909

very much was telling me that I was

556

00:26:05,659 --> 00:26:03,690

thinking of the very same case and they

557

00:26:10,930 --> 00:26:05,669

swore to each other Martin that they

558

00:26:14,659 --> 00:26:10,940

would never tell anybody about this and

559

00:26:18,110 --> 00:26:14,669

how I be befriend her to least gain her

560

00:26:19,760 --> 00:26:18,120

confidence into talking about this was

561

00:26:25,100 --> 00:26:19,770

the week prior

562

00:26:27,200 --> 00:26:25,110

I have nocturnal cognition and for a

563

00:26:30,919 --> 00:26:27,210

series of nights it was really being

564

00:26:32,600 --> 00:26:30,929

active on unusual things and usually I

565

00:26:36,169 --> 00:26:32,610

would wake up and I would say a few

566

00:26:38,720 --> 00:26:36,179

words seems you know gibberish in the

567

00:26:40,549 --> 00:26:38,730

morning but they were all relevant to

568

00:26:44,440 --> 00:26:40,559

what transpired further on in the day

569

00:26:55,490 --> 00:26:44,450

and I woke up that day and I said red

570

00:26:57,649 --> 00:26:55,500

cat something to do with something so

571

00:27:00,680 --> 00:26:57,659

this very same person mind you now this

572

00:27:04,430 --> 00:27:00,690

is like a week or two earlier we start

573

00:27:06,950 --> 00:27:04,440

talking and she was a secretary so she

574

00:27:09,409 --> 00:27:06,960

was the person had to go through to talk

575

00:27:12,110 --> 00:27:09,419

to I had a business relationship with

576

00:27:14,270 --> 00:27:12,120

and so we got the talk quite a bit and

577

00:27:15,560 --> 00:27:14,280

we start talking and there's all sorts

578

00:27:17,570 --> 00:27:15,570

of things and I says well what did you

579

00:27:20,450 --> 00:27:17,580

this week and she goes you'd never guess

580

00:27:23,750 --> 00:27:20,460

what happened to me I was by my friend's

581

00:27:25,940 --> 00:27:23,760

house and her cat had kittens and they

582

00:27:28,340 --> 00:27:25,950

were all just so beautiful but one in

583

00:27:31,279 --> 00:27:28,350

particularly was just so unusual you

584

00:27:33,380 --> 00:27:31,289

never guess what color it was and I go

585

00:27:41,830 --> 00:27:33,390

red and all of a sudden there was this

586

00:27:48,549 --> 00:27:44,720

from that point on we started talking

587

00:27:51,139 --> 00:27:48,559

about we started talking about unusual

588

00:27:54,480 --> 00:27:51,149

experiences paranormal experiences or

589

00:27:57,510 --> 00:27:54,490

experiences working at a haunted

590

00:27:59,520 --> 00:27:57,520

hotel I believe was an Oregon and it was

591

00:28:02,490 --> 00:27:59,530

interesting to to hear about it and then

592

00:28:05,310 --> 00:28:02,500

soon later I you know I think was no

593

00:28:06,450 --> 00:28:05,320

more than six months ago I actually seen

594

00:28:09,300 --> 00:28:06,460

something other than the shows

595

00:28:12,380 --> 00:28:09,310

pertaining to the very location she was

596

00:28:14,670 --> 00:28:12,390

at and she was telling me about it was a

597

00:28:17,280 --> 00:28:14,680

woman eventually told you about this

598

00:28:20,100 --> 00:28:17,290

amazing sighting you were just yes and

599

00:28:24,390 --> 00:28:20,110

that was the last time I got to speak to

600

00:28:27,600 --> 00:28:24,400

her but the the way she she built it up

601
00:28:29,760 --> 00:28:27,610
and and you could tell she's she was

602
00:28:32,900 --> 00:28:29,770
actually afraid to talk about it but she

603
00:28:36,120 --> 00:28:32,910
gave it in such details that you know

604
00:28:38,220 --> 00:28:36,130
when somebody describes something and

605
00:28:40,230 --> 00:28:38,230
this I think goes back to the value of

606
00:28:44,280 --> 00:28:40,240
the oral tradition it's so important to

607
00:28:46,970 --> 00:28:44,290
us I think it's part of our physiology

608
00:28:49,500 --> 00:28:46,980
more so than our psychology who knows

609
00:28:53,610 --> 00:28:49,510
but you know I think this goes way back

610
00:28:55,680 --> 00:28:53,620
to being sitting around the campfire and

611
00:28:57,360 --> 00:28:55,690
telling stories when she's giving me

612
00:28:59,640 --> 00:28:57,370
she's painting this picture with her

613
00:29:02,580 --> 00:28:59,650

beautiful words I get this whole image

614

00:29:04,800 --> 00:29:02,590

and the sound I know this sound I know

615

00:29:07,620 --> 00:29:04,810

the sound of what she was talking about

616

00:29:10,650 --> 00:29:07,630

I can relate to this the sound of the

617

00:29:12,750 --> 00:29:10,660

swarming sound of bees or insects around

618

00:29:15,180 --> 00:29:12,760

here and the yipping of coyotes these

619

00:29:16,860 --> 00:29:15,190

are things like a relay to relay to it

620

00:29:19,110 --> 00:29:16,870

and in the background hearing the

621

00:29:21,600 --> 00:29:19,120

crackling of the fire then all of a

622

00:29:25,350 --> 00:29:21,610

sudden to this APEC services these two

623

00:29:27,030 --> 00:29:25,360

adjoining lights and an instant beam and

624

00:29:29,010 --> 00:29:27,040

I could just feel the energy because

625

00:29:30,060 --> 00:29:29,020

I've been there I know what she's

626

00:29:31,620 --> 00:29:30,070

talking about

627

00:29:34,440 --> 00:29:31,630

and I know many people out there

628

00:29:36,720 --> 00:29:34,450

listening to us right now can we link to

629

00:29:40,020 --> 00:29:36,730

it if not soar in a personal experience

630

00:29:43,650 --> 00:29:40,030

that maybe somebody they know yeah well

631

00:29:45,360 --> 00:29:43,660

well yeah I don't remember the details

632

00:29:46,980 --> 00:29:45,370

of your sighting but I just wanted to

633

00:29:49,350 --> 00:29:46,990

say to the list and live listener out

634

00:29:51,330 --> 00:29:49,360

there right now you can jump in our chat

635

00:29:54,720 --> 00:29:51,340

room if you'd like to send Sam a

636

00:29:58,440 --> 00:29:54,730

question or or talk between yourselves

637

00:30:00,950 --> 00:29:58,450

whatever it's at podcast UFO comm right

638

00:30:04,790 --> 00:30:00,960

on the sidebar two clicks to get in and

639

00:30:08,310 --> 00:30:04,800

so Sam and I are gonna be talking about

640

00:30:11,790 --> 00:30:08,320

UFOs in general some Illinois

641

00:30:14,640 --> 00:30:11,800

and Midwestern UFO encounters over the

642

00:30:16,380 --> 00:30:14,650

years and then in the second hour

643

00:30:18,570 --> 00:30:16,390

what did you say we're gonna do we're

644

00:30:23,580 --> 00:30:18,580

gonna get get freaky we're going to talk

645

00:30:26,040 --> 00:30:23,590

about the freaky so so stay tuned for

646

00:30:29,100 --> 00:30:26,050

that and if you're not a subscriber for

647

00:30:31,260 --> 00:30:29,110

only \$1 a month which is about 23 cents

648

00:30:34,110 --> 00:30:31,270

a week you can listen to the full show

649

00:30:38,790 --> 00:30:34,120

if you're just listening to this part on

650

00:30:41,910 --> 00:30:38,800

a podcast so Sam from here would you

651

00:30:44,190 --> 00:30:41,920

like to talk about I wanted I want you

652

00:30:46,140 --> 00:30:44,200

to tell me why you know about this this

653

00:30:50,130 --> 00:30:46,150

buzzing sound headed are you did you

654

00:30:53,550 --> 00:30:50,140

have a similar experience yes I I've had

655

00:30:57,540 --> 00:30:53,560

a similar experience years back when was

656

00:31:01,460 --> 00:30:57,550

a child I was having what we probably

657

00:31:07,140 --> 00:31:01,470

refer to as encounters these beings and

658

00:31:08,940 --> 00:31:07,150

whatever else was out there this is the

659

00:31:11,370 --> 00:31:08,950

sound I heard this was prior to having

660

00:31:12,900 --> 00:31:11,380

tinnitus and I hear it all the time but

661

00:31:15,270 --> 00:31:12,910

it's it's a different version of the

662

00:31:19,740 --> 00:31:15,280

buzzing this is more of a ringing

663

00:31:24,840 --> 00:31:19,750

tinnitus but it's like whirling insects

664

00:31:27,630 --> 00:31:24,850

around you and you could hear it's the

665

00:31:28,860 --> 00:31:27,640

sound of it is isn't okay for those who

666

00:31:31,590 --> 00:31:28,870

have tinnitus you know it's a constant

667

00:31:35,010 --> 00:31:31,600

buzzing sound but imagine insects if you

668

00:31:37,950 --> 00:31:35,020

ever been near a beehive or something

669

00:31:40,380 --> 00:31:37,960

like that but magnified you know much

670

00:31:42,960 --> 00:31:40,390

greater and swirling around you or

671

00:31:44,220 --> 00:31:42,970

there's depth and feel that there's

672

00:31:48,450 --> 00:31:44,230

motion going on

673

00:31:51,750 --> 00:31:48,460

so this was going on around them and the

674

00:31:53,430 --> 00:31:51,760

lping of coyotes during the Tinley Park

675

00:31:56,400 --> 00:31:53,440

case to allude to that right real quick

676
00:31:59,790 --> 00:31:56,410
there was hyping and in fact and some of

677
00:32:02,970 --> 00:31:59,800
the the video footage we actually had

678
00:32:04,560 --> 00:32:02,980
that the dogs barking and people's

679
00:32:07,140 --> 00:32:04,570
although it's because there were people

680
00:32:08,700 --> 00:32:07,150
around no it wasn't because people

681
00:32:11,310 --> 00:32:08,710
around they were barking at a distance

682
00:32:14,280 --> 00:32:11,320
too and that seemed like they were all

683
00:32:19,170 --> 00:32:14,290
yiping and barking and and further off

684
00:32:22,420 --> 00:32:19,180
in the parks or some of these hollows

685
00:32:24,850 --> 00:32:22,430
or you have lakes and stuff you could

686
00:32:27,730 --> 00:32:24,860
hear him howling the coyotes howling so

687
00:32:30,850 --> 00:32:27,740
well something was getting their

688
00:32:33,100 --> 00:32:30,860

attention and this was prior to these

689

00:32:35,830 --> 00:32:33,110

things being directly overhead were

690

00:32:38,680 --> 00:32:35,840

there it was seeing the illuminations or

691

00:32:42,910 --> 00:32:38,690

the potentially would possibly a massive

692

00:32:47,700 --> 00:32:42,920

triangular some unusually massive object

693

00:32:50,440 --> 00:32:47,710

now other sounds that people some people

694

00:32:55,360 --> 00:32:50,450

were getting interference as you recall

695

00:32:58,210 --> 00:32:55,370

on the FM band on there was like a

696

00:33:00,400 --> 00:32:58,220

Nextel phone with radio and they were

697

00:33:02,170 --> 00:33:00,410

getting interference in fact that those

698

00:33:06,370 --> 00:33:02,180

Nextel phones didn't work when it came

699

00:33:09,040 --> 00:33:06,380

to that radio mode some people were

700

00:33:13,120 --> 00:33:09,050

actually getting some unusual chatter

701
00:33:16,960 --> 00:33:13,130
and talk on baby monitors and you know

702
00:33:21,640 --> 00:33:16,970
this was wasn't because they had just

703
00:33:25,120 --> 00:33:21,650
seen what was the movie signs so you

704
00:33:27,130 --> 00:33:25,130
know it's funny how movies do reflect

705
00:33:30,460 --> 00:33:27,140
actual things that take place in this

706
00:33:33,760 --> 00:33:30,470
field so this was going on now as far as

707
00:33:36,610 --> 00:33:33,770
the swirling sounds no one heard that

708
00:33:38,410 --> 00:33:36,620
that I heard you know I never heard

709
00:33:41,920 --> 00:33:38,420
anybody mentioning it in that case

710
00:33:45,730 --> 00:33:41,930
but in other cases yes where people are

711
00:33:50,080 --> 00:33:45,740
close to objects for the objects seem to

712
00:33:52,840 --> 00:33:50,090
kind of down upon them and many a time

713
00:33:56,470 --> 00:33:52,850

you hear you hear about this this very

714

00:34:00,550 --> 00:33:56,480

brilliant light shining down and ending

715

00:34:04,150 --> 00:34:00,560

them whether attractor beams or whatever

716

00:34:07,260 --> 00:34:04,160

transpires one thing that does take

717

00:34:11,110 --> 00:34:07,270

place with anything that's altering

718

00:34:15,280 --> 00:34:11,120

gravity and we think that this is part

719

00:34:22,930 --> 00:34:15,290

of the the science behind the physics

720

00:34:26,440 --> 00:34:22,940

behind the actual thing you're gonna

721

00:34:29,950 --> 00:34:26,450

have an effect on time it does affect

722

00:34:32,620 --> 00:34:29,960

time and the same thing with genuine

723

00:34:35,770 --> 00:34:32,630

crop glyphs slash crop circles

724

00:34:39,130 --> 00:34:35,780

whatever you get reports of the effect

725

00:34:40,630 --> 00:34:39,140

of time loss or time altered one other

726

00:34:44,410 --> 00:34:40,640

thing that I don't know if I ever talk

727

00:34:46,210 --> 00:34:44,420

to you about the time lost seems to be

728

00:34:48,490 --> 00:34:46,220

regained at some point is if it's

729

00:34:53,590 --> 00:34:48,500

elastic like stretching out a rubber

730

00:34:57,750 --> 00:34:53,600

band this is kind of strange on three

731

00:35:00,220 --> 00:34:57,760

instances and I'll tell you two of them

732

00:35:02,770 --> 00:35:00,230

part of the case that we'll be talking

733

00:35:05,590 --> 00:35:02,780

or talking about later is what I

734

00:35:08,950 --> 00:35:05,600

referred to as the Frankie a gentleman

735

00:35:13,030 --> 00:35:08,960

who is one of the key figures in this

736

00:35:20,680 --> 00:35:13,040

case that I worked on for many years he

737

00:35:25,530 --> 00:35:20,690

was was a sad who was leaving from

738

00:35:28,570 --> 00:35:25,540

northern Wisconsin going to all close to

739

00:35:31,840 --> 00:35:28,580

Lake Superior he was some ways off but

740

00:35:33,850 --> 00:35:31,850

yet not as long as his trip actually

741

00:35:38,860 --> 00:35:33,860

end up taking it was a well a well

742

00:35:42,520 --> 00:35:38,870

plotted in length and time as far as his

743

00:35:47,110 --> 00:35:42,530

journey this guy sees a triangular UFO

744

00:35:49,150 --> 00:35:47,120

UFO by the side of the road pulls over

745

00:35:52,780 --> 00:35:49,160

and watches this thing just sitting

746

00:35:55,510 --> 00:35:52,790

there next to a barn it was large it

747

00:35:58,300 --> 00:35:55,520

wasn't a massive one that was miles long

748

00:36:03,400 --> 00:35:58,310

but one that you know obviously very big

749

00:36:06,490 --> 00:36:03,410

hundreds of feet it had below the

750

00:36:11,860 --> 00:36:06,500

exterior on the bottom what would be

751
00:36:13,960 --> 00:36:11,870
like I'm here to take a Oh a ping-pong

752
00:36:16,480 --> 00:36:13,970
ball cut it in half and place it near

753
00:36:21,870 --> 00:36:16,490
each corner and have it swirling around

754
00:36:26,320 --> 00:36:21,880
with self-luminous iridescent sir or

755
00:36:28,710 --> 00:36:26,330
obsolescence like like shampoo or

756
00:36:31,780 --> 00:36:28,720
something like that an herbal essence

757
00:36:34,000 --> 00:36:31,790
yellowish white color but brilliant and

758
00:36:36,730 --> 00:36:34,010
he says that's what it looked like and

759
00:36:38,860 --> 00:36:36,740
that object sat there for some like the

760
00:36:41,890 --> 00:36:38,870
time he was you know it's just sat there

761
00:36:43,990 --> 00:36:41,900
he says easily could have spent ten

762
00:36:45,700 --> 00:36:44,000
minutes then he jumped back and his

763
00:36:47,589 --> 00:36:45,710

current thing was still there

764

00:36:51,450 --> 00:36:47,599

you know he's just like wow he's trying

765

00:36:54,579 --> 00:36:51,460

to get as much observation he drew it

766

00:36:56,770 --> 00:36:54,589

you know he drew the object well it gets

767

00:36:59,290 --> 00:36:56,780

to his point of destination but it was

768

00:37:01,450 --> 00:36:59,300

some three hours later than it was not

769

00:37:02,820 --> 00:37:01,460

what normally have taken him his wife

770

00:37:05,680 --> 00:37:02,830

had called over there

771

00:37:07,839 --> 00:37:05,690

deathly afraid to sing what you know

772

00:37:11,020 --> 00:37:07,849

what would what the end result was why

773

00:37:14,079 --> 00:37:11,030

he was missing but here all it was was a

774

00:37:16,480 --> 00:37:14,089

loss of time now was there an encounter

775

00:37:21,790 --> 00:37:16,490

during that period of time maybe but

776
00:37:25,540 --> 00:37:21,800
three hours was lost so within a week or

777
00:37:26,560 --> 00:37:25,550
two after this experience he lived in

778
00:37:29,320 --> 00:37:26,570
Michigan at the time

779
00:37:31,780 --> 00:37:29,330
excuse me Minnesota at the time he he

780
00:37:33,310 --> 00:37:31,790
had a couple on and he had to do some

781
00:37:37,060 --> 00:37:33,320
other errands his wife had to do the

782
00:37:38,800 --> 00:37:37,070
same and he's out there and he knew how

783
00:37:40,480 --> 00:37:38,810
long it would take and the time element

784
00:37:42,900 --> 00:37:40,490
what it came out to approximately three

785
00:37:45,880 --> 00:37:42,910
hours do everything you need to do and

786
00:37:50,740 --> 00:37:45,890
he had everything done within a period

787
00:37:53,079 --> 00:37:50,750
of a half-hour so the wife and the both

788
00:37:55,150 --> 00:37:53,089

of them came together and they go wait a

789

00:37:56,500 --> 00:37:55,160

minute how can this be they looked at

790

00:37:59,140 --> 00:37:56,510

the time you know from the time they

791

00:38:01,570 --> 00:37:59,150

started and the Bothan finishing their

792

00:38:05,589 --> 00:38:01,580

chores and they knew how long it would

793

00:38:07,540 --> 00:38:05,599

have taken and know when it started and

794

00:38:10,240 --> 00:38:07,550

they go now that just can't be

795

00:38:12,640 --> 00:38:10,250

I'm sure enough that time that was

796

00:38:16,320 --> 00:38:12,650

missing for him came back but this

797

00:38:20,589 --> 00:38:16,330

instance came back for both of them Wow

798

00:38:22,390 --> 00:38:20,599

another time a gentleman was actually a

799

00:38:26,370 --> 00:38:22,400

woman coming from Wyoming to visit her

800

00:38:30,430 --> 00:38:26,380

her elderly father in Dixon Illinois and

801
00:38:36,190 --> 00:38:30,440
traveling down i-88 which was at that

802
00:38:38,820 --> 00:38:36,200
time I believe and coming in she's

803
00:38:43,630 --> 00:38:38,830
on the road and she notices up ahead

804
00:38:45,120 --> 00:38:43,640
some brilliant illuminations and she

805
00:38:48,609 --> 00:38:45,130
thought it was just some sort of tower

806
00:38:50,829 --> 00:38:48,619
as she's getting closer and closer what

807
00:38:52,660 --> 00:38:50,839
it what it is is not standing directly

808
00:38:56,230 --> 00:38:52,670
over the middle of the road but moved

809
00:38:59,440 --> 00:38:56,240
off to her right into a farm field and

810
00:39:02,079 --> 00:38:59,450
there was this unusual

811
00:39:05,049 --> 00:39:02,089
but you will fall with eliminations

812
00:39:08,079 --> 00:39:05,059
underneath it and it was hovering

813
00:39:10,509 --> 00:39:08,089

directly over the ground she pulls over

814

00:39:13,990 --> 00:39:10,519

her children are just terrified a boy

815

00:39:17,859 --> 00:39:14,000

and a girl on the backseat terrified she

816

00:39:20,680 --> 00:39:17,869

gets out and she's just staring at this

817

00:39:23,499 --> 00:39:20,690

and staring and she says there are cars

818

00:39:26,589 --> 00:39:23,509

going past me and it's like I'm in my

819

00:39:28,839 --> 00:39:26,599

own world nobody else is paying

820

00:39:31,390 --> 00:39:28,849

attention and not only are they not

821

00:39:33,549 --> 00:39:31,400

paying attention to the to the object in

822

00:39:37,120 --> 00:39:33,559

the field they aren't paying attention

823

00:39:39,430 --> 00:39:37,130

to me I'm waving people and pointing to

824

00:39:43,059 --> 00:39:39,440

this and they're not paying attention to

825

00:39:45,329 --> 00:39:43,069

me as if I'm not even there Wow

826

00:39:48,160 --> 00:39:45,339

like a dead ghost or something exactly

827

00:39:51,460 --> 00:39:48,170

they get back in the car she looks down

828

00:39:53,410 --> 00:39:51,470

as she takes off and she realizes the

829

00:39:56,259 --> 00:39:53,420

time she had spent out there was

830

00:39:59,370 --> 00:39:56,269

substantially more than the time that

831

00:40:01,900 --> 00:39:59,380

she actually knew she was out there she

832

00:40:04,180 --> 00:40:01,910

shows up at the father's house and says

833

00:40:04,839 --> 00:40:04,190

why are you the father says what took

834

00:40:06,579 --> 00:40:04,849

you so long

835

00:40:09,220 --> 00:40:06,589

you called me from this Junction

836

00:40:12,670 --> 00:40:09,230

wherever sheep she was last call and

837

00:40:14,650 --> 00:40:12,680

here you are here so much later than you

838

00:40:16,870 --> 00:40:14,660

normally would need she tells him what

839

00:40:18,849 --> 00:40:16,880

she saw and whatever but it wouldn't

840

00:40:22,660 --> 00:40:18,859

account for the large amount of time

841

00:40:25,329 --> 00:40:22,670

something around an hour and so she gets

842

00:40:27,069 --> 00:40:25,339

back to Wyoming the very next week very

843

00:40:29,430 --> 00:40:27,079

next week she gets to go back to work

844

00:40:33,819 --> 00:40:29,440

she kisses her husband the morning

845

00:40:36,789 --> 00:40:33,829

closed door and off she goes she gets to

846

00:40:40,059 --> 00:40:36,799

work and as always she calls him and as

847

00:40:41,890 --> 00:40:40,069

she states her point from the disc that

848

00:40:43,930 --> 00:40:41,900

you know the travel time is

849

00:40:48,160 --> 00:40:43,940

approximately an hour from the house to

850

00:40:52,240 --> 00:40:48,170

work she calls him up he grabs the phone

851
00:40:53,769 --> 00:40:52,250
and he says who is this you know and she

852
00:40:56,319 --> 00:40:53,779
says well it's me I'm here at work and

853
00:40:59,140 --> 00:40:56,329
she goes and says that is absolutely

854
00:41:00,670 --> 00:40:59,150
absolutely impossible you just kissed me

855
00:41:07,480 --> 00:41:00,680
and I could still hear the door that it

856
00:41:09,880 --> 00:41:07,490
slammed Wow that's freaky very freaky

857
00:41:11,559 --> 00:41:09,890
and we're supposed to save the freaky

858
00:41:17,709 --> 00:41:11,569
stuff for our - I would get

859
00:41:22,959 --> 00:41:17,719
better so there seems to be this effect

860
00:41:24,910 --> 00:41:22,969
of time-space by these encounters so and

861
00:41:29,229 --> 00:41:24,920
I don't think it's psychological because

862
00:41:33,609 --> 00:41:29,239
apparently it's recorded in safer

863
00:41:37,539 --> 00:41:33,619

instance even the the mechanics of a

864

00:41:41,189 --> 00:41:37,549

clock or a watch so there is some sort

865

00:41:46,449 --> 00:41:41,199

of recordable variance that even affects

866

00:41:51,099 --> 00:41:46,459

you know mechanisms the case of the UFO

867

00:41:55,630 --> 00:41:51,109

car case for Vail Johnson's case back in

868

00:41:58,829 --> 00:41:55,640

ease his car was hit by what was either

869

00:42:03,549 --> 00:41:58,839

an energy beam or actually some

870

00:42:07,299 --> 00:42:03,559

extension that was self-luminous from an

871

00:42:11,289 --> 00:42:07,309

object or whatever or even some sort of

872

00:42:14,739 --> 00:42:11,299

unusual natural phenomena that that may

873

00:42:20,130 --> 00:42:14,749

very well possess a similar type of

874

00:42:23,019 --> 00:42:20,140

energy and and what's a residual effect

875

00:42:25,239 --> 00:42:23,029

it hit the car I'm not sure if are you

876

00:42:27,789 --> 00:42:25,249

aware of this case no unless it's the

877

00:42:32,650 --> 00:42:27,799

one in Australia no this is the one in

878

00:42:34,239 --> 00:42:32,660

actually in Minnesota okay and police he

879

00:42:36,519 --> 00:42:34,249

was a police officer he was actually in

880

00:42:38,109 --> 00:42:36,529

a dispatch to see what was going on out

881

00:42:40,089 --> 00:42:38,119

there people reporting some unusual

882

00:42:42,670 --> 00:42:40,099

things were it was a no I think was just

883

00:42:44,529 --> 00:42:42,680

a regular routine ride and he sees this

884

00:42:46,539 --> 00:42:44,539

object at a distance its illumination

885

00:42:48,609 --> 00:42:46,549

didn't know was an object into the state

886

00:42:50,799 --> 00:42:48,619

we don't know but we you know whatever

887

00:42:55,120 --> 00:42:50,809

it has the properties to bend things and

888

00:42:59,999 --> 00:42:55,130

affect things so it's able to cause some

889

00:43:03,939 --> 00:43:00,009

damage this thing came right at him and

890

00:43:08,920 --> 00:43:03,949

he says it felt like he was hit by a 200

891

00:43:13,569 --> 00:43:08,930

pound pillow he was knocked out he woke

892

00:43:17,680 --> 00:43:13,579

up his eyes were were out of focus and

893

00:43:19,930 --> 00:43:17,690

painful he says it felt as if I had had

894

00:43:22,390 --> 00:43:19,940

welders flash and for those of you who

895

00:43:23,750 --> 00:43:22,400

ever encountered welders flesh it's very

896

00:43:28,880 --> 00:43:23,760

painful

897

00:43:33,140 --> 00:43:28,890

just thinking of it now it hurts and

898

00:43:37,310 --> 00:43:33,150

then he says I had the car was sitting

899

00:43:40,610 --> 00:43:37,320

sideways the windshield was damaged but

900

00:43:43,400 --> 00:43:40,620

it was it was damaged in it was if it

901
00:43:48,350 --> 00:43:43,410
was imploded like the energy pulled it

902
00:43:51,920 --> 00:43:48,360
out and in simultaneously Ford I think

903
00:43:54,320 --> 00:43:51,930
was Ford Motor Company a laboratory over

904
00:44:00,020 --> 00:43:54,330
there did he said there was at least 800

905
00:44:01,700 --> 00:44:00,030
pages of final text on the series of

906
00:44:04,760 --> 00:44:01,710
tests that they ran on it and other

907
00:44:07,640 --> 00:44:04,770
groups then they said it's in part you

908
00:44:09,950 --> 00:44:07,650
could actually get the result in the

909
00:44:11,690 --> 00:44:09,960
laboratory but you have to do it

910
00:44:14,150 --> 00:44:11,700
independently and it would take at least

911
00:44:17,000 --> 00:44:14,160
two processes not not at once and

912
00:44:22,040 --> 00:44:17,010
instantaneously so whatever happened was

913
00:44:24,550 --> 00:44:22,050

was you know no doubt a phenomena and

914

00:44:26,870 --> 00:44:24,560

something they couldn't understand and

915

00:44:29,330 --> 00:44:26,880

the other thing is the physical

916

00:44:31,780 --> 00:44:29,340

effectiveness eyes were burned his face

917

00:44:34,730 --> 00:44:31,790

and he had as if it looked like a

918

00:44:38,470 --> 00:44:34,740

second-degree burn throughout his bat

919

00:44:41,290 --> 00:44:38,480

his face an exposed area he was red

920

00:44:48,530 --> 00:44:41,300

helmet reminds you of Close Encounters

921

00:44:50,630 --> 00:44:48,540

the enamel on his teeth or damage to

922

00:44:53,510 --> 00:44:50,640

happen I would think oh sure the animals

923

00:44:56,120 --> 00:44:53,520

most probably one of the strongest parts

924

00:45:00,170 --> 00:44:56,130

yes our hardest parts of the body it's

925

00:45:02,720 --> 00:45:00,180

the end with the enamel of teeth yes all

926

00:45:08,090 --> 00:45:02,730

these these cracks and you know hairline

927

00:45:10,190 --> 00:45:08,100

cracks the antenna which was on a spring

928

00:45:12,020 --> 00:45:10,200

- mechanism so when it would hit

929

00:45:14,330 --> 00:45:12,030

something out there in the you know

930

00:45:17,690 --> 00:45:14,340

Minnesota a lot of things besides deer

931

00:45:20,180 --> 00:45:17,700

birds and twigs you're going into areas

932

00:45:22,820 --> 00:45:20,190

you can lose an antenna once a week

933

00:45:24,560 --> 00:45:22,830

you're going into some of these areas so

934

00:45:26,240 --> 00:45:24,570

they have a spring and I think you've

935

00:45:29,870 --> 00:45:26,250

seen them at the bottom of spring

936

00:45:33,200 --> 00:45:29,880

mechanism sort of bends so if anything

937

00:45:34,910 --> 00:45:33,210

would have hit it it would have bent it

938

00:45:36,890 --> 00:45:34,920

would have you know went to damage it

939

00:45:40,190 --> 00:45:36,900

well there was nearly

940

00:45:42,560 --> 00:45:40,200

a 45-degree angle fan it was about 30s

941

00:45:46,120 --> 00:45:42,570

38 degrees I forget the exact amount of

942

00:45:48,740 --> 00:45:46,130

degrees in the antenna itself

943

00:45:52,580 --> 00:45:48,750

the other interesting thing is the

944

00:45:57,590 --> 00:45:52,590

insect crust that was on the exterior of

945

00:46:01,670 --> 00:45:57,600

the the antenna words you know was just

946

00:46:04,760 --> 00:46:01,680

caked up bug juice that Harden was

947

00:46:09,590 --> 00:46:04,770

actually molded around it as if it was

948

00:46:14,030 --> 00:46:09,600

superheated instead of cracked very

949

00:46:17,990 --> 00:46:14,040

unusual and then he looked at his watch

950

00:46:21,710 --> 00:46:18,000

and the watch and the clock in the car

951
00:46:24,230 --> 00:46:21,720
for exactly the same time off in other

952
00:46:26,920 --> 00:46:24,240
words they were both the same but off I

953
00:46:29,720 --> 00:46:26,930
think was 15 minutes or 18 minutes I

954
00:46:32,690 --> 00:46:29,730
think was 18 minutes they both were

955
00:46:35,540 --> 00:46:32,700
precisely off 18 minutes in other words

956
00:46:37,220 --> 00:46:35,550
they were the same and he always kept a

957
00:46:39,530 --> 00:46:37,230
correct time that's the first thing he

958
00:46:41,690 --> 00:46:39,540
did he drove off in the morning was to

959
00:46:45,590 --> 00:46:41,700
check the time and had to correct in the

960
00:46:52,190 --> 00:46:45,600
car and on his watch before he went went

961
00:46:54,770 --> 00:46:52,200
on his patrol and this this is one of

962
00:46:58,520 --> 00:46:54,780
the best physical trace cases the car

963
00:47:00,950 --> 00:46:58,530

itself is in I forget is it Madison

964

00:47:03,500 --> 00:47:00,960

County Fairgrounds

965

00:47:07,430 --> 00:47:03,510

is that okay I think I know of this case

966

00:47:09,970 --> 00:47:07,440

now it took a while but yes I think this

967

00:47:13,400 --> 00:47:09,980

was actually investigated on a show on a

968

00:47:17,390 --> 00:47:13,410

couple of them yeah but I think I have

969

00:47:20,750 --> 00:47:17,400

the only video interview with Phil

970

00:47:23,600 --> 00:47:20,760

Johnson I think I'm the only person who

971

00:47:25,430 --> 00:47:23,610

has a video interview with him now is

972

00:47:28,490 --> 00:47:25,440

that online where anybody can see it

973

00:47:32,330 --> 00:47:28,500

no in fact hopefully I'm going to get

974

00:47:35,720 --> 00:47:32,340

approval after I added it to get a right

975

00:47:37,400 --> 00:47:35,730

to release it in along with volumes of

976

00:47:42,980 --> 00:47:37,410

things that I've accumulated in the last

977

00:47:45,790 --> 00:47:42,990

20 years so and when I do that I'll make

978

00:47:48,620 --> 00:47:45,800

sure to tell premiers some of the

979

00:47:52,520 --> 00:47:48,630

excerpts from it on your show okay

980

00:47:54,740 --> 00:47:52,530

oh yeah oh yeah love that so let's see

981

00:47:56,690 --> 00:47:54,750

we have we have about ten minutes left

982

00:47:58,580 --> 00:47:56,700

and I wanted to talk about a couple of

983

00:48:04,070 --> 00:47:58,590

cases um you know we've talked about

984

00:48:07,730 --> 00:48:04,080

Tinley Park and oftentimes the the

985

00:48:09,500 --> 00:48:07,740

O'Hare sighting comes up but let's talk

986

00:48:13,060 --> 00:48:09,510

about some of the obscure ones I was

987

00:48:15,770 --> 00:48:13,070

looking in some of the top Illinois

988

00:48:17,570 --> 00:48:15,780

encounters over the years and how about

989

00:48:18,770 --> 00:48:17,580

the Franklin Park sighting are you

990

00:48:21,800 --> 00:48:18,780

familiar with that one

991

00:48:23,960 --> 00:48:21,810

I think dr. ah Tiger worked on that one

992

00:48:26,480 --> 00:48:23,970

I didn't work on it all okay

993

00:48:29,300 --> 00:48:26,490

well that one's basically there was a

994

00:48:32,540 --> 00:48:29,310

Boy Scouts and they saw you know

995

00:48:34,580 --> 00:48:32,550

metallic pulsing saucer about 20 feet in

996

00:48:36,860 --> 00:48:34,590

diameter that was interesting so what

997

00:48:40,550 --> 00:48:36,870

are some of the other ones that you have

998

00:48:42,590 --> 00:48:40,560

worked on besides a Rockford didn't you

999

00:48:44,780 --> 00:48:42,600

work on that yes the Rockford mass

1000

00:48:48,710 --> 00:48:44,790

sighting and that was a mass sighting

1001
00:48:50,360 --> 00:48:48,720
and I think there was hundreds of people

1002
00:48:53,210 --> 00:48:50,370
that saw it was the orange orbs or

1003
00:48:57,740 --> 00:48:53,220
something like that right it was seen

1004
00:48:59,870 --> 00:48:57,750
well what it was there was a mass

1005
00:49:07,660 --> 00:48:59,880
sighting started actually on New Year's

1006
00:49:12,590 --> 00:49:10,580
2000 millennium concern all the

1007
00:49:20,840 --> 00:49:12,600
computers going down and everything

1008
00:49:22,820 --> 00:49:20,850
going haywire and stashed away somewhere

1009
00:49:24,680 --> 00:49:22,830
from that don't you know but you know

1010
00:49:27,980 --> 00:49:24,690
what I you know I don't want to get way

1011
00:49:31,370 --> 00:49:27,990
off topic but I knew a guy that bought a

1012
00:49:34,040 --> 00:49:31,380
250 gallon oil tank put diesel in it got

1013
00:49:37,820 --> 00:49:34,050

the generator he was he had machine guns

1014

00:49:40,130 --> 00:49:37,830

oh my god was he he was pretty scary and

1015

00:49:43,430 --> 00:49:40,140

then like two weeks later he dropped out

1016

00:49:45,440 --> 00:49:43,440

of a heart attack didn't really help him

1017

00:49:51,610 --> 00:49:45,450

too much I think it was just an excuse

1018

00:49:57,500 --> 00:49:54,620

honey this is a good reason I really got

1019

00:50:01,920 --> 00:49:57,510

to get this now you know okay I'll just

1020

00:50:04,099 --> 00:50:01,930

get the darn thing like tons

1021

00:50:07,290 --> 00:50:04,109

tons of food was buying food for a year

1022

00:50:10,290 --> 00:50:07,300

and oh I could see that a lot of people

1023

00:50:12,089 --> 00:50:10,300

did that yeah yeah crazy huh yeah my

1024

00:50:14,160 --> 00:50:12,099

brother did too in fact what do you

1025

00:50:17,160 --> 00:50:14,170

think we mentioned it he was he was

1026

00:50:20,819 --> 00:50:17,170

looking at the the rations that he had

1027

00:50:25,290 --> 00:50:20,829

stored away those pretty good they go I

1028

00:50:27,839 --> 00:50:25,300

don't know oh you mean he still has him

1029

00:50:29,549 --> 00:50:27,849

yeah I forgot the shelf-life on some of

1030

00:50:33,180 --> 00:50:29,559

this stuff was was pretty good it

1031

00:50:35,670 --> 00:50:33,190

he had a great day he's really good at

1032

00:50:39,000 --> 00:50:35,680

keeping things organized that way me I

1033

00:50:45,270 --> 00:50:39,010

tell you anything anything chaotic comes

1034

00:50:50,400 --> 00:50:45,280

along I guess I'm screwed you know I'm

1035

00:50:54,599 --> 00:50:50,410

the first one to go I know the the place

1036

00:50:57,210 --> 00:50:54,609

I own up on the mountain area the people

1037

00:51:00,630 --> 00:50:57,220

were absolutely paranoid as well and

1038

00:51:03,990 --> 00:51:00,640

there's a bomb shelter there's a fire

1039

00:51:06,150 --> 00:51:04,000

system with the a water tower I mean you

1040

00:51:08,130 --> 00:51:06,160

know and the indoor pool was hooked into

1041

00:51:16,309 --> 00:51:08,140

it I mean they were just they were ready

1042

00:51:22,680 --> 00:51:19,170

just play crazy like that for a week and

1043

00:51:25,650 --> 00:51:22,690

have a party well there was tornado

1044

00:51:27,180 --> 00:51:25,660

warnings last summer and I went down

1045

00:51:29,220 --> 00:51:27,190

into the bomb shelter so that was kind

1046

00:51:31,289 --> 00:51:29,230

of cool to have actually oh yeah well

1047

00:51:33,510 --> 00:51:31,299

out here we have tornado warnings you do

1048

00:51:35,430 --> 00:51:33,520

want to go low because they do hit I

1049

00:51:36,539 --> 00:51:35,440

don't know how many tornadoes you get

1050

00:51:39,900 --> 00:51:36,549

out in your neck of the woods but we've

1051
00:51:43,859 --> 00:51:39,910
rare out here it's like Tornado Alley we

1052
00:51:48,510 --> 00:51:43,869
were shooting invasion Illinois and I

1053
00:51:51,240 --> 00:51:48,520
had secured a property for us to shoot

1054
00:51:54,980 --> 00:51:51,250
it in fact of gentleman's a county

1055
00:52:01,349 --> 00:51:54,990
police officer a sergeant and that owned

1056
00:52:03,450 --> 00:52:01,359
property so we got out there and most

1057
00:52:05,480 --> 00:52:03,460
his guys are from the you know eath

1058
00:52:08,309 --> 00:52:05,490
Coast and West Coast and they've never

1059
00:52:10,770 --> 00:52:08,319
never seen anything like tornadoes and

1060
00:52:13,819 --> 00:52:10,780
he had like three of them that evening

1061
00:52:22,249 --> 00:52:13,829
they were just shook and by

1062
00:52:24,140 --> 00:52:22,259
you know just like Wow Sam just remember

1063
00:52:25,759 --> 00:52:24,150

the sound guy putting on the you know

1064

00:52:27,529 --> 00:52:25,769

here he's listening to get make sure the

1065

00:52:30,410 --> 00:52:27,539

audio is correct and it's got the mics

1066

00:52:33,799 --> 00:52:30,420

all of a sudden this crack of lightning

1067

00:52:36,099 --> 00:52:33,809

goes right outside just you know a

1068

00:52:40,819 --> 00:52:36,109

couple hundred feet away and

1069

00:52:43,009 --> 00:52:40,829

instantaneous thunder throughout the the

1070

00:52:46,099 --> 00:52:43,019

pole barn that we were in this poor guy

1071

00:52:58,459 --> 00:52:46,109

those took the cans on his head just

1072

00:53:01,880 --> 00:52:58,469

popped right off so tell me about that

1073

00:53:04,819 --> 00:53:01,890

was that a series or was that a one time

1074

00:53:07,099 --> 00:53:04,829

documentary or what or that was the

1075

00:53:09,049 --> 00:53:07,109

first episode in fact you'll see it if

1076

00:53:12,459 --> 00:53:09,059

you ever watch the repeats on the

1077

00:53:16,069 --> 00:53:12,469

History Channel of UFO Hunters that was

1078

00:53:19,910 --> 00:53:16,079

2001 available right yeah I worked on

1079

00:53:22,819 --> 00:53:19,920

five episodes as a consultant but the

1080

00:53:25,459 --> 00:53:22,829

ones that I actually had a chance cameo

1081

00:53:27,620 --> 00:53:25,469

and of course for the ones that I I was

1082

00:53:29,689 --> 00:53:27,630

actually involved on an investigative

1083

00:53:32,120 --> 00:53:29,699

researcher and that would be Tinley Park

1084

00:53:35,630 --> 00:53:32,130

and that's invasion Illinois aliens at

1085

00:53:40,989 --> 00:53:35,640

the airport that was the old hair case

1086

00:53:44,059 --> 00:53:40,999

in conjunction with other UFO cases at

1087

00:53:45,559 --> 00:53:44,069

airports and related to aviation and

1088

00:53:48,739 --> 00:53:45,569

that was good that was very good episode

1089

00:53:51,859 --> 00:53:48,749

that you know the funny thing is it was

1090

00:53:53,689 --> 00:53:51,869

a great show it was starting to lose I

1091

00:53:57,739 --> 00:53:53,699

could see it and you know in the end it

1092

00:53:59,959 --> 00:53:57,749

was starting to lose its appeal and they

1093

00:54:02,180 --> 00:53:59,969

already I think working on a ancient

1094

00:54:04,430 --> 00:54:02,190

aliens they had that maybe even he had

1095

00:54:05,760 --> 00:54:04,440

the pilot and the can I don't know there

1096

00:54:08,130 --> 00:54:05,770

may have been

1097

00:54:12,500 --> 00:54:08,140

had that you know and the other thing is

1098

00:54:17,430 --> 00:54:12,510

consider what took the time slot was

1099

00:54:20,720 --> 00:54:17,440

Pawn Stars my god that is one of the

1100

00:54:22,890 --> 00:54:20,730

best shows on television period I mean

1101
00:54:25,200 --> 00:54:22,900
what are we going into our seventh

1102
00:54:26,850 --> 00:54:25,210
season on that one my god I wish I was

1103
00:54:29,550 --> 00:54:26,860
involved in that yeah

1104
00:54:31,650 --> 00:54:29,560
that's rigged by the way it's rigged

1105
00:54:34,160 --> 00:54:31,660
that's right yeah I mean I have inside

1106
00:54:37,110 --> 00:54:34,170
news on that that's a whole nother story

1107
00:54:39,300 --> 00:54:37,120
I don't want to get too off talked about

1108
00:54:41,610 --> 00:54:39,310
that but it's uh yeah I'm assuming they

1109
00:54:43,500 --> 00:54:41,620
have to because people with that with

1110
00:54:45,750 --> 00:54:43,510
that much interesting stuff just don't

1111
00:54:47,730 --> 00:54:45,760
make their way into pawn shops in one

1112
00:54:49,620 --> 00:54:47,740
way after another first for an episode

1113
00:54:52,140 --> 00:54:49,630

you have to sit around all day

1114

00:54:54,150 --> 00:54:52,150

yeah and that's costly yeah ya know

1115

00:54:56,940 --> 00:54:54,160

there's some time off here I'll tell you

1116

00:54:58,740 --> 00:54:56,950

that funny story about a specialist they

1117

00:55:01,170 --> 00:54:58,750

thought that I know that they hired and

1118

00:55:03,410 --> 00:55:01,180

they talked verbatim exactly like the

1119

00:55:05,880 --> 00:55:03,420

words she wrote it was pretty funny

1120

00:55:07,830 --> 00:55:05,890

let's see we got about five minutes left

1121

00:55:09,750 --> 00:55:07,840

and I want you to tell us a little bit

1122

00:55:11,430 --> 00:55:09,760

about the Rockford sighting you know

1123

00:55:13,710 --> 00:55:11,440

some details on that but detail about

1124

00:55:17,160 --> 00:55:13,720

the Rockford sighting you know and this

1125

00:55:19,080 --> 00:55:17,170

is a very significant mass sighting one

1126
00:55:22,650 --> 00:55:19,090
that just fell off the face of the earth

1127
00:55:25,890 --> 00:55:22,660
and it all ties in with the southern

1128
00:55:28,890 --> 00:55:25,900
illinois sighting which ties into the

1129
00:55:31,350 --> 00:55:28,900
rock the Tinley Park sighting these

1130
00:55:33,990 --> 00:55:31,360
objects that were seen may very well

1131
00:55:37,350 --> 00:55:34,000
have been the large triangular objects

1132
00:55:43,110 --> 00:55:37,360
the same but this happened in like I

1133
00:55:45,240 --> 00:55:43,120
said going into 2010 you airy 4th and

1134
00:55:47,910 --> 00:55:45,250
January 5th of that year was the

1135
00:55:50,400 --> 00:55:47,920
sightings down in in southern Illinois

1136
00:55:53,310 --> 00:55:50,410
that got all the attention simply

1137
00:55:55,880 --> 00:55:53,320
because of it was being you know being

1138
00:55:59,790 --> 00:55:55,890

followed and reported by police officers

1139

00:56:02,460 --> 00:55:59,800

strange thing enough strangely enough up

1140

00:56:04,220 --> 00:56:02,470

in Rockford we had not just hundreds of

1141

00:56:06,380 --> 00:56:04,230

witnesses but thousands of witnesses

1142

00:56:11,580 --> 00:56:06,390

unmultiplied

1143

00:56:13,920 --> 00:56:11,590

there was as many as 13 nights of nia

1144

00:56:16,400 --> 00:56:13,930

sightings nine of which that we feel

1145

00:56:17,950 --> 00:56:16,410

have merit and at least five of those

1146

00:56:20,260 --> 00:56:17,960

genuine

1147

00:56:23,290 --> 00:56:20,270

there were photographs taken these

1148

00:56:27,480 --> 00:56:23,300

photographs are relatively similar to

1149

00:56:33,250 --> 00:56:27,490

other crafts that have been recorded and

1150

00:56:35,950 --> 00:56:33,260

there is videotape again you have these

1151
00:56:41,349 --> 00:56:35,960
illuminations in the sky you have orange

1152
00:56:45,880 --> 00:56:41,359
orbs and they're not conventional

1153
00:56:49,120 --> 00:56:45,890
aircraft the other thing was during this

1154
00:56:53,020 --> 00:56:49,130
sighting we had other sightings going on

1155
00:56:56,560 --> 00:56:53,030
in the Midwest out in the Quad Cities

1156
00:57:00,849 --> 00:56:56,570
and all over the world even on the

1157
00:57:03,250 --> 00:57:00,859
island of man so that night was pretty

1158
00:57:06,310 --> 00:57:03,260
active all over the world what the neck

1159
00:57:09,370 --> 00:57:06,320
was going on I have no idea but

1160
00:57:11,380 --> 00:57:09,380
apparently maybe they got the bug too

1161
00:57:13,329 --> 00:57:11,390
like oh no our computers are going to go

1162
00:57:17,430 --> 00:57:13,339
down we're going to crash I don't know

1163
00:57:21,130 --> 00:57:17,440

either way things were going on that

1164

00:57:23,980 --> 00:57:21,140

could not be accountable as conventional

1165

00:57:26,560 --> 00:57:23,990

or Chinese lanterns or flares on

1166

00:57:28,089 --> 00:57:26,570

balloons all that malarkey though I

1167

00:57:32,109 --> 00:57:28,099

think at least three of those were

1168

00:57:35,190 --> 00:57:32,119

hoaxes later on but you know during the

1169

00:57:38,950 --> 00:57:35,200

attorney that whole episode we had a

1170

00:57:41,980 --> 00:57:38,960

meeting you know had orders I think was

1171

00:57:43,690 --> 00:57:41,990

Borders bookstore we had a tea some

1172

00:57:46,060 --> 00:57:43,700

people show up the press was there and

1173

00:57:48,160 --> 00:57:46,070

people were it got to the point we

1174

00:57:49,599 --> 00:57:48,170

couldn't even get enough people good

1175

00:57:52,630 --> 00:57:49,609

enough accommodate the people that were

1176
00:57:54,010 --> 00:57:52,640
there it was just crazy and when they

1177
00:57:56,260 --> 00:57:54,020
were there people were telling us

1178
00:57:57,730 --> 00:57:56,270
stories of accounts that they had

1179
00:58:00,550 --> 00:57:57,740
nothing to do with this

1180
00:58:04,240 --> 00:58:00,560
how four years they had sightings out

1181
00:58:07,060 --> 00:58:04,250
there and little did I know that those

1182
00:58:10,060 --> 00:58:07,070
days the history of UFO sightings on the

1183
00:58:14,260 --> 00:58:10,070
borderline area in the Rockford area

1184
00:58:18,070 --> 00:58:14,270
Rockdale at all this area they go way

1185
00:58:21,970 --> 00:58:18,080
back they go back well before 1947

1186
00:58:24,040 --> 00:58:21,980
though 1947 was a peak year too but some

1187
00:58:26,140 --> 00:58:24,050
farmers were these favorite farmers in

1188
00:58:29,860 --> 00:58:26,150

their 80s were telling us of accounts

1189

00:58:32,230 --> 00:58:29,870

that they seen things in there

1190

00:58:34,240 --> 00:58:32,240

and in their fields and they know about

1191

00:58:36,550 --> 00:58:34,250

their parents talking about things

1192

00:58:40,000 --> 00:58:36,560

landing in the fields and and flying

1193

00:58:44,020 --> 00:58:40,010

around or UFOs flying saucers whatever

1194

00:58:47,020 --> 00:58:44,030

you want to call them so this was a hot

1195

00:58:51,820 --> 00:58:47,030

area that's ignored by most people

1196

00:58:54,730 --> 00:58:51,830

because of course it's Illinois and if

1197

00:58:58,210 --> 00:58:54,740

you're within you know a mile or two of

1198

00:59:00,010 --> 00:58:58,220

a farm and fleet or some farm implements

1199

00:59:02,740 --> 00:59:00,020

store of course you know you're just

1200

00:59:05,910 --> 00:59:02,750

wacky that's the attitude some of these

1201
00:59:08,560 --> 00:59:05,920
people take and what I find interesting

1202
00:59:11,890 --> 00:59:08,570
similar events took place of course and

1203
00:59:15,700 --> 00:59:11,900
Jersey soon thereafter in Newark in July

1204
00:59:17,170 --> 00:59:15,710
and the Carteret sightings you may have

1205
00:59:19,990 --> 00:59:17,180
seen the man heard about the mass

1206
00:59:25,300 --> 00:59:20,000
sightings Colette got a rat this is the

1207
00:59:28,150 --> 00:59:25,310
same thing yet that got Creedence this

1208
00:59:31,510 --> 00:59:28,160
didn't get as much but yet further south

1209
00:59:33,460 --> 00:59:31,520
and the police officer saw him you know

1210
00:59:35,590 --> 00:59:33,470
just a day later or four days of it

1211
00:59:37,870 --> 00:59:35,600
later it became big news and of course

1212
00:59:40,120 --> 00:59:37,880
Discovery Channel did a special on it

1213
00:59:42,190 --> 00:59:40,130

Darrell Barker did that did a very good

1214

00:59:45,400 --> 00:59:42,200

documentary and still does finding more

1215

00:59:47,650 --> 00:59:45,410

witnesses to this case down there in

1216

00:59:49,900 --> 00:59:47,660

southern Illinois Wow

1217

00:59:53,350 --> 00:59:49,910

all right well sample that's the first

1218

00:59:55,480 --> 00:59:53,360

hour so again we're going into the kind

1219

00:59:57,430 --> 00:59:55,490

of the freaky weird stuff an hour two

1220

00:59:59,530 --> 00:59:57,440

and why don't you say goodbye to the

1221

01:00:03,490 --> 00:59:59,540

hour when listeners if you would well

1222

01:00:05,080 --> 01:00:03,500

our listeners tell you what by your next

1223

01:00:07,870 --> 01:00:05,090

hour because it's be well worth it and

1224

01:00:10,720 --> 01:00:07,880

thank you for listening either way thank

1225

01:00:12,720 --> 01:00:10,730

you Sam alright so we're just going to

1226

01:00:37,130 --> 01:00:12,730

take a quick little music break and

1227

01:00:43,650 --> 01:00:41,010

all right we're here in our to with Sam

1228

01:00:45,240 --> 01:00:43,660

moranto if you're listening live you can

1229

01:00:46,710 --> 01:00:45,250

jump into the chatroom I'm not real

1230

01:00:48,600 --> 01:00:46,720

active on the chatroom today I'm having

1231

01:00:51,930 --> 01:00:48,610

a little trouble with that particular

1232

01:00:54,060 --> 01:00:51,940

computer staying online so but anyway

1233

01:00:55,950 --> 01:00:54,070

you I will check back on the chatroom if

1234

01:00:58,380 --> 01:00:55,960

you're in there you can certainly send a

1235

01:01:02,120 --> 01:00:58,390

message out all right

1236

01:01:06,060 --> 01:01:02,130

so Sam we were talking about basically

1237

01:01:08,640 --> 01:01:06,070

you know UFO encounters in Illinois

1238

01:01:11,460 --> 01:01:08,650

which to me is is kind of fascinating

1239

01:01:14,970 --> 01:01:11,470

and I I wanted to to just address

1240

01:01:17,430 --> 01:01:14,980

something you just said you're saying

1241

01:01:20,040 --> 01:01:17,440

that you know like the farm or anyone

1242

01:01:20,640 --> 01:01:20,050

near a silo whatever isn't really taken

1243

01:01:26,340 --> 01:01:20,650

seriously

1244

01:01:28,950 --> 01:01:26,350

to me in my experience farmers are one

1245

01:01:32,850 --> 01:01:28,960

of the least ones that would come up

1246

01:01:36,090 --> 01:01:32,860

with a bizarre story like that and and

1247

01:01:37,830 --> 01:01:36,100

for good reason they are they already

1248

01:01:40,850 --> 01:01:37,840

walked there are walking around with a

1249

01:01:44,900 --> 01:01:40,860

stigma on them and yet we are the

1250

01:01:47,370 --> 01:01:44,910

recipients of their produce we eat it I

1251

01:01:50,220 --> 01:01:47,380

find that unusual it's like complaining

1252

01:01:53,040 --> 01:01:50,230

about the or you know down you know

1253

01:01:54,810 --> 01:01:53,050

giving grief to the waiter or I would

1254

01:01:58,110 --> 01:01:54,820

never give wait a waiter any grief

1255

01:02:00,420 --> 01:01:58,120

they're handling my food or yeah it's

1256

01:02:02,760 --> 01:02:00,430

just the wrong to do if you could do it

1257

01:02:04,650 --> 01:02:02,770

do it after you leave or you're about to

1258

01:02:06,080 --> 01:02:04,660

walk out the door and expect to never

1259

01:02:09,000 --> 01:02:06,090

come back again

1260

01:02:11,670 --> 01:02:09,010

the these are some of the most

1261

01:02:15,870 --> 01:02:11,680

intelligent people I've ever met you

1262

01:02:17,820 --> 01:02:15,880

know are the farmers out here they first

1263

01:02:21,210 --> 01:02:17,830

of all to be a farmer today you have to

1264

01:02:24,720 --> 01:02:21,220

use in some pretty scientific methods

1265

01:02:27,140 --> 01:02:24,730

and and these are people that survived

1266

01:02:30,310 --> 01:02:27,150

and made their way in the

1267

01:02:34,010 --> 01:02:30,320

old-timers these are not idiots and

1268

01:02:35,720 --> 01:02:34,020

there they think twice about mentioning

1269

01:02:38,830 --> 01:02:35,730

things so I see a lot of things and

1270

01:02:41,750 --> 01:02:38,840

they're very guarded on who they talk to

1271

01:02:43,930 --> 01:02:41,760

as you know in this field the most

1272

01:02:46,880 --> 01:02:43,940

important thing is to get some degree of

1273

01:02:48,920 --> 01:02:46,890

acquaintance and Trust it's important if

1274

01:02:51,650 --> 01:02:48,930

you can't get beyond that you're never

1275

01:02:54,080 --> 01:02:51,660

gonna get people to open up to you and

1276

01:02:55,700 --> 01:02:54,090

the other thing you'll find out is when

1277

01:02:59,210 --> 01:02:55,710

you'd start working on a case especially

1278

01:03:02,060 --> 01:02:59,220

a mass sighting people reveal

1279

01:03:05,510 --> 01:03:02,070

information only to the gree that they

1280

01:03:08,570 --> 01:03:05,520

feel you need that information or worthy

1281

01:03:12,710 --> 01:03:08,580

of it or it won't harm them so what I

1282

01:03:16,220 --> 01:03:12,720

find over time is people will give more

1283

01:03:18,440 --> 01:03:16,230

information as you gain a closer

1284

01:03:20,450 --> 01:03:18,450

relationship with them or they feel

1285

01:03:21,950 --> 01:03:20,460

comfortable in their guards down or

1286

01:03:24,530 --> 01:03:21,960

maybe in the case and this is the

1287

01:03:27,050 --> 01:03:24,540

benefit of Emmaus sighting is that so

1288

01:03:28,610 --> 01:03:27,060

many people seeing something that first

1289

01:03:30,830 --> 01:03:28,620

of all they're gonna agree to the fact

1290

01:03:33,170 --> 01:03:30,840

that they seen something but they may

1291

01:03:35,630 --> 01:03:33,180

qualify it differently and that's fine

1292

01:03:38,120 --> 01:03:35,640

but as time progresses if they've

1293

01:03:39,770 --> 01:03:38,130

experienced something else they may pull

1294

01:03:42,140 --> 01:03:39,780

you aside once they're comfortable with

1295

01:03:48,340 --> 01:03:42,150

you and tell you about what they really

1296

01:03:50,180 --> 01:03:48,350

saw and that's where it does get freaky

1297

01:03:52,940 --> 01:03:50,190

promise we're gonna be talking about

1298

01:03:56,090 --> 01:03:52,950

freaky oh yes yes we did promise and I

1299

01:03:57,860 --> 01:03:56,100

think will fulfill that the Tinley Park

1300

01:03:59,480 --> 01:03:57,870

sightings oh it seems like something you

1301

01:04:04,580 --> 01:03:59,490

know just like three lights in the sky

1302

01:04:09,170 --> 01:04:04,590

and I recall doing the Dateline NBC

1303

01:04:14,090 --> 01:04:09,180

there's special on the ten best you know

1304

01:04:21,640 --> 01:04:14,100

UFO count encounters and and I remember

1305

01:04:27,290 --> 01:04:23,690

sitting there for I don't know how long

1306

01:04:30,920 --> 01:04:27,300

in the hot seat and like nerdy nerdy was

1307

01:04:33,380 --> 01:04:30,930

the producer asking all these questions

1308

01:04:35,150 --> 01:04:33,390

and questions and questions and each

1309

01:04:37,590 --> 01:04:35,160

question seemed to get closer and closer

1310

01:04:39,510 --> 01:04:37,600

to what they really wanted to hear

1311

01:04:44,280 --> 01:04:39,520

wanted to hear me say Extra Terrestrial

1312

01:04:47,760 --> 01:04:44,290

I don't use the e word much as you know

1313

01:04:49,410 --> 01:04:47,770

and and I don't like to qualify

1314

01:04:54,210 --> 01:04:49,420

something when it's under investigation

1315

01:04:57,890 --> 01:04:54,220

and and I can tell you what it isn't but

1316

01:05:00,780 --> 01:04:57,900

I don't want to throw you no definitive

1317

01:05:05,430 --> 01:05:00,790

anything unless I know for certain what

1318

01:05:09,600 --> 01:05:05,440

it is and I could tell you the the case

1319

01:05:12,750 --> 01:05:09,610

itself after all these years looking at

1320

01:05:14,970 --> 01:05:12,760

it reviewing it I think when the most

1321

01:05:19,530 --> 01:05:14,980

telling aspects of it is the feedback

1322

01:05:23,400 --> 01:05:19,540

from the social response be it the let's

1323

01:05:25,140 --> 01:05:23,410

say the officials or how the media when

1324

01:05:28,470 --> 01:05:25,150

they grab it how they spin it right away

1325

01:05:32,630 --> 01:05:28,480

or the repercussions I get and I've

1326

01:05:36,560 --> 01:05:32,640

gotten some truly negative repercussions

1327

01:05:40,350 --> 01:05:36,570

and I can't put my finger on what

1328

01:05:42,930 --> 01:05:40,360

individuals agencies or crackpots or a

1329

01:05:45,030 --> 01:05:42,940

combination thereof a responsible for

1330

01:05:48,320 --> 01:05:45,040

some of these things but all I can tell

1331

01:05:51,900 --> 01:05:48,330

you is when I get into this subject

1332

01:05:55,200 --> 01:05:51,910

publicly out here in the area it is not

1333

01:05:57,210 --> 01:05:55,210

well received I mean it's well received

1334

01:06:01,320 --> 01:05:57,220

by the individuals but it's not well

1335

01:06:05,910 --> 01:06:01,330

received by certain again crack bats

1336

01:06:07,740 --> 01:06:05,920

individuals or groups the agencies or

1337

01:06:09,540 --> 01:06:07,750

whatever mm-hmm there are always

1338

01:06:11,040 --> 01:06:09,550

repercussions but I'm going to tell you

1339

01:06:13,530 --> 01:06:11,050

some of the freaky that happened with

1340

01:06:19,740 --> 01:06:13,540

the Tinley Park case again I think I

1341

01:06:23,700 --> 01:06:19,750

alluded to the the walkie talkie that

1342

01:06:26,340 --> 01:06:23,710

was kind of odd I don't recall that was

1343

01:06:29,190 --> 01:06:26,350

that something nothing no this evening

1344

01:06:33,440 --> 01:06:29,200

yeah was the not the walkie-talkie but

1345

01:06:35,310 --> 01:06:33,450

the they were all the radio

1346

01:06:40,050 --> 01:06:35,320

communications and the next telephones

1347

01:06:42,530 --> 01:06:40,060

oh yes okay now the second sighting no

1348

01:06:46,410 --> 01:06:42,540

what happened Martin was that these

1349

01:06:49,440 --> 01:06:46,420

radio communications didn't work when

1350

01:06:55,140 --> 01:06:49,450

when the object was near

1351

01:06:56,190 --> 01:06:55,150

and on the 31st here at Halloween people

1352

01:06:57,720 --> 01:06:56,200

are going about doing many different

1353

01:07:00,620 --> 01:06:57,730

things of course doing all sorts of

1354

01:07:03,900 --> 01:07:00,630

stuff there's two girls in particular

1355

01:07:06,750 --> 01:07:03,910

went to the show and they were the ones

1356

01:07:09,030 --> 01:07:06,760

that also had experienced the next

1357

01:07:11,670 --> 01:07:09,040

iPhones not working they left the show

1358

01:07:13,920 --> 01:07:11,680

went outside got in the car and they

1359

01:07:17,430 --> 01:07:13,930

tried calling their husbands using the

1360

01:07:19,470 --> 01:07:17,440

in the Nextel radio films you know the

1361

01:07:21,150 --> 01:07:19,480

communication and they didn't work and

1362

01:07:23,520 --> 01:07:21,160

what came out of their mouths was is

1363

01:07:26,940 --> 01:07:23,530

would it be funny if the UFO was here

1364

01:07:28,859 --> 01:07:26,950

again little do they know yes it was and

1365

01:07:33,480 --> 01:07:28,869

they didn't get a chance to see what

1366

01:07:36,450 --> 01:07:33,490

until they got home but it was just how

1367

01:07:39,630 --> 01:07:36,460

odd is that well it gets even odder

1368

01:07:42,690 --> 01:07:39,640

still on the 31st that Halloween

1369

01:07:45,380 --> 01:07:42,700

sighting people were seeing him a myriad

1370

01:07:48,809 --> 01:07:45,390

of objects it wasn't just the one

1371

01:07:51,780 --> 01:07:48,819

triangular you know formation of three

1372

01:07:54,780 --> 01:07:51,790

red illuminations in the sky they were

1373

01:07:59,190 --> 01:07:54,790

seeing objects coming in and out they

1374

01:08:04,230 --> 01:07:59,200

were seeing the large orange orbs one

1375

01:08:06,750 --> 01:08:04,240

gentleman was talking to his son-in-law

1376

01:08:10,620 --> 01:08:06,760

on the other side of town five miles

1377

01:08:12,299 --> 01:08:10,630

away and he's telling him he's calling

1378

01:08:13,770 --> 01:08:12,309

MUP he says you know it's oh yeah it's

1379

01:08:16,200 --> 01:08:13,780

directly over the net I could see it

1380

01:08:18,930 --> 01:08:16,210

rigo's know it is and it's right here I

1381

01:08:22,620 --> 01:08:18,940

could see it it's right here what he was

1382

01:08:24,990 --> 01:08:22,630

seeing was the large orange forbs and I

1383

01:08:27,090 --> 01:08:25,000

don't know why or what purpose but they

1384

01:08:29,880 --> 01:08:27,100

seem to be associated with these large

1385

01:08:33,630 --> 01:08:29,890

triangular craft they come in and out

1386

01:08:37,140 --> 01:08:33,640

attach detach whatever this thing came

1387

01:08:40,079 --> 01:08:37,150

down towards the house him and his wife

1388

01:08:42,390 --> 01:08:40,089

ran outside had the camera and they're

1389

01:08:44,340 --> 01:08:42,400

trying to take pictures with this time

1390

01:08:48,120 --> 01:08:44,350

and time again when these things come

1391

01:08:50,669 --> 01:08:48,130

close electronics don't work certain

1392

01:08:53,059 --> 01:08:50,679

mechanical things will not work and of

1393

01:08:55,620 --> 01:08:53,069

course there's distortion of time-space

1394

01:08:57,300 --> 01:08:55,630

this thing gets closer to him and as he

1395

01:08:59,760 --> 01:08:57,310

described that this man came right up to

1396

01:09:01,030 --> 01:08:59,770

my face with an inch is screaming he

1397

01:09:04,990 --> 01:09:01,040

says Sam

1398

01:09:09,370 --> 01:09:05,000

this thing was as big as my house as big

1399

01:09:11,380 --> 01:09:09,380

as my house his wife was standing there

1400

01:09:13,780 --> 01:09:11,390

shaking his shaking her head yes this

1401

01:09:16,240 --> 01:09:13,790

thing was massive and he says you know

1402

01:09:18,849 --> 01:09:16,250

what else our camera didn't work and

1403

01:09:21,490 --> 01:09:18,859

then we went inside the house we were

1404

01:09:24,329 --> 01:09:21,500

looking for one of our dogs the smaller

1405

01:09:27,700 --> 01:09:24,339

dog and that dog was nowhere to be seen

1406

01:09:30,070 --> 01:09:27,710

they have a two-level home and you were

1407

01:09:33,789 --> 01:09:30,080

able to see the hallway

1408

01:09:35,260 --> 01:09:33,799

from one vantage point in the foyer when

1409

01:09:37,120 --> 01:09:35,270

they walked back to the floor

1410

01:09:39,970 --> 01:09:37,130

because they're looking all over they

1411

01:09:43,090 --> 01:09:39,980

were upstairs they looked under all the

1412

01:09:45,970 --> 01:09:43,100

beds and every place imaginable calmed

1413

01:09:46,930 --> 01:09:45,980

the dog they went downstairs they joined

1414

01:09:49,870 --> 01:09:46,940

together and they've turned around

1415

01:09:53,200 --> 01:09:49,880

looked standing in the middle of the

1416

01:09:56,260 --> 01:09:53,210

hall was this dog just shivering just

1417

01:09:57,910 --> 01:09:56,270

shivering they went up there and grabbed

1418

01:10:03,580 --> 01:09:57,920

the dog to see what was wrong with it

1419

01:10:09,580 --> 01:10:03,590

and it was like frozen completely so

1420

01:10:11,080 --> 01:10:09,590

cold it was cold to the touch and they

1421

01:10:16,780 --> 01:10:11,090

says we couldn't figure out what

1422

01:10:18,280 --> 01:10:16,790

happened to it to be this cold I was

1423

01:10:21,100 --> 01:10:18,290

working on this case is working on

1424

01:10:24,400 --> 01:10:21,110

another case out in Arizona and this

1425

01:10:26,590 --> 01:10:24,410

gentleman he had a dog - funny thing was

1426

01:10:29,530 --> 01:10:26,600

she always said dog was afraid of the

1427

01:10:31,270 --> 01:10:29,540

objects things that were blooming about

1428

01:10:33,910 --> 01:10:31,280

the house and part of his own research

1429

01:10:37,300 --> 01:10:33,920

it was a very good researcher can I

1430

01:10:40,420 --> 01:10:37,310

interrupt you for a second sure I was

1431

01:10:43,810 --> 01:10:40,430

unaware that you did any investigations

1432

01:10:47,740 --> 01:10:43,820

and in other areas so you actually do in

1433

01:10:50,140 --> 01:10:47,750

different states sure yeah so now why am

1434

01:10:52,630 --> 01:10:50,150

I thinking that you only did Illinois

1435

01:10:55,840 --> 01:10:52,640

because it's all I move on and I'm the

1436

01:10:57,580 --> 01:10:55,850

state director but just considered you

1437

01:11:00,670 --> 01:10:57,590

know I I started doing this a long time

1438

01:11:05,950 --> 01:11:00,680

ago so do other research other places

1439

01:11:09,299 --> 01:11:05,960

okay that's fine now I've worked on

1440

01:11:12,310 --> 01:11:09,309

cases in other places

1441

01:11:15,009 --> 01:11:12,320

there's enough going on right here that

1442

01:11:17,680 --> 01:11:15,019

didn't have to but it it all dovetailed

1443

01:11:19,870 --> 01:11:17,690

into other some of the research was

1444

01:11:25,569 --> 01:11:19,880

going on at the same time this was all

1445

01:11:28,450 --> 01:11:25,579

in 2004 the year the weird so I was

1446

01:11:32,020 --> 01:11:28,460

trying I was at the time I was looking

1447

01:11:36,430 --> 01:11:32,030

to see if by chance I was working on an

1448

01:11:39,850 --> 01:11:36,440

idea i premise that is there a reason

1449

01:11:42,839 --> 01:11:39,860

why there seems to be more activity in

1450

01:11:46,089 --> 01:11:42,849

certain areas again that there's been

1451

01:11:48,569 --> 01:11:46,099

books written papers written on I'm

1452

01:11:52,169 --> 01:11:48,579

trying to find a common denominator for

1453

01:11:55,209 --> 01:11:52,179

areas that have higher incidence of

1454

01:11:58,470 --> 01:11:55,219

activity not so much sightings per se

1455

01:12:03,520 --> 01:11:58,480

but genuine activity well documented

1456

01:12:07,180 --> 01:12:03,530

recorded activity and I was thinking

1457

01:12:09,430 --> 01:12:07,190

geology is there a higher concentration

1458

01:12:11,169 --> 01:12:09,440

of quartz and stuff like that so in

1459

01:12:13,509 --> 01:12:11,179

other words part of what I was doing

1460

01:12:17,470 --> 01:12:13,519

yeah yeah I was concerned I was I was

1461

01:12:21,520 --> 01:12:17,480

looking to see if there's trying to find

1462

01:12:24,459 --> 01:12:21,530

some sort of pattern that may be related

1463

01:12:26,979 --> 01:12:24,469

to a substrate in other words let's say

1464

01:12:33,370 --> 01:12:26,989

you have an area that's more conducive

1465

01:12:37,140 --> 01:12:33,380

for a phenomena to be witnessed us you

1466

01:12:39,640 --> 01:12:37,150

know by our senses because of the

1467

01:12:42,189 --> 01:12:39,650

substrate because of the DIAC geology

1468

01:12:45,189 --> 01:12:42,199

quartz or whatever in other words you're

1469

01:12:49,479 --> 01:12:45,199

something else they're making it making

1470

01:12:51,729 --> 01:12:49,489

it more making it easier for our senses

1471

01:12:55,660 --> 01:12:51,739

to perceive it does that make sense

1472

01:12:57,580 --> 01:12:55,670

mm-hmm so that's an it's still a promise

1473

01:12:59,649 --> 01:12:57,590

you know it's still something that I'd

1474

01:13:03,790 --> 01:12:59,659

like to finish working on it I don't

1475

01:13:06,669 --> 01:13:03,800

know if it's valid but it may be you

1476

01:13:11,529 --> 01:13:06,679

know in some instances we know how areas

1477

01:13:14,560 --> 01:13:11,539

of ports of course seem to have some

1478

01:13:16,629 --> 01:13:14,570

other properties to it and it was

1479

01:13:18,189 --> 01:13:16,639

reports itself so I was thinking well

1480

01:13:21,620 --> 01:13:18,199

maybe that's the case higher incidents

1481

01:13:26,480 --> 01:13:24,680

and it seems to be the case you know it

1482

01:13:29,570 --> 01:13:26,490

could be just by chance or coincidence

1483

01:13:32,990 --> 01:13:29,580

that the case up in Wisconsin is much

1484

01:13:35,540 --> 01:13:33,000

like the with the phenomena very similar

1485

01:13:37,690 --> 01:13:35,550

to skin the skinwalker ranch which I

1486

01:13:40,400 --> 01:13:37,700

think a lot of people people know the

1487

01:13:42,950 --> 01:13:40,410

skinwalker story I think you need some

1488

01:13:45,110 --> 01:13:42,960

people on talking about that

1489

01:13:47,570 --> 01:13:45,120

yeah I've talked about it or nothing and

1490

01:13:50,000 --> 01:13:47,580

have tried to get George Knapp on he

1491

01:13:53,150 --> 01:13:50,010

almost was on one time but I couldn't

1492

01:13:55,100 --> 01:13:53,160

quite make it for a schedule but yeah

1493

01:13:57,590 --> 01:13:55,110

that is an interesting really

1494

01:14:00,110 --> 01:13:57,600

interesting case it's a great case you

1495

01:14:03,140 --> 01:14:00,120

know here's a location and and the funny

1496

01:14:06,710 --> 01:14:03,150

thing is but you know in 2007 we were

1497

01:14:08,060 --> 01:14:06,720

both speaking at the MUFON symposium

1498

01:14:10,340 --> 01:14:08,070

there was last time I was out doing

1499

01:14:14,060 --> 01:14:10,350

anything a couple times after I did a

1500

01:14:15,590 --> 01:14:14,070

few things but I told my says what

1501
01:14:16,220 --> 01:14:15,600
you're talking about we actually have on

1502
01:14:18,860 --> 01:14:16,230
video

1503
01:14:23,810 --> 01:14:18,870
goes what I go yeah you're talking about

1504
01:14:26,210 --> 01:14:23,820
the the creature or whatever thing is

1505
01:14:28,480 --> 01:14:26,220
moving about looking like predator I've

1506
01:14:32,570 --> 01:14:28,490
actually seen that on video because my

1507
01:14:35,630 --> 01:14:32,580
witness or the subject of the over the

1508
01:14:38,390 --> 01:14:35,640
investigation one of the subjects being

1509
01:14:42,680 --> 01:14:38,400
the person himself actually took video

1510
01:14:46,160 --> 01:14:42,690
of this and so when you hear things

1511
01:14:49,580 --> 01:14:46,170
about predator looking things oh no it's

1512
01:14:53,950 --> 01:14:49,590
actually recorded and I remember

1513
01:14:59,000 --> 01:14:53,960

reviewing some twelve hours of footage

1514

01:15:01,100 --> 01:14:59,010

two nights and when we've seen that take

1515

01:15:03,860 --> 01:15:01,110

place we had a roomful of people and all

1516

01:15:05,900 --> 01:15:03,870

of us at once seen seen it we didn't

1517

01:15:11,000 --> 01:15:05,910

have to be no one had to pointed out it

1518

01:15:16,190 --> 01:15:11,010

was stinkin obvious right there in your

1519

01:15:17,900 --> 01:15:16,200

face and it's like oh my god now when

1520

01:15:19,850 --> 01:15:17,910

you're saying you're reviewing video is

1521

01:15:21,670 --> 01:15:19,860

it you're just sitting there watching

1522

01:15:26,690 --> 01:15:21,680

video waiting for something to happen

1523

01:15:28,730 --> 01:15:26,700

yes because it was boring oh yeah when

1524

01:15:30,710 --> 01:15:28,740

you only have a few minutes of anything

1525

01:15:32,990 --> 01:15:30,720

that's really worthwhile and the guy

1526

01:15:34,150 --> 01:15:33,000

didn't cue anything ago I don't want it

1527

01:15:37,300 --> 01:15:34,160

cued

1528

01:15:41,110 --> 01:15:37,310

see if you know I want to see everything

1529

01:15:44,050 --> 01:15:41,120

see if there's any flaw if it's the

1530

01:15:49,020 --> 01:15:44,060

camera doing this if it's just you know

1531

01:15:54,820 --> 01:15:52,240

and I still have I don't even know how

1532

01:15:57,130 --> 01:15:54,830

many more to go through but we

1533

01:16:00,010 --> 01:15:57,140

pinpointed exactly what he was talking

1534

01:16:03,820 --> 01:16:00,020

about what he would do is he would just

1535

01:16:06,010 --> 01:16:03,830

leave the camera run leave it run let it

1536

01:16:08,590 --> 01:16:06,020

sit and run and have nothing to do it I

1537

01:16:10,930 --> 01:16:08,600

I would tell no interaction with the

1538

01:16:14,200 --> 01:16:10,940

environment or the camera just set it up

1539

01:16:16,240 --> 01:16:14,210

let it run and he would do that and he

1540

01:16:18,420 --> 01:16:16,250

was very good after a while I got to be

1541

01:16:23,260 --> 01:16:18,430

quite the researcher himself you know

1542

01:16:26,200 --> 01:16:23,270

that was very proactive and and getting

1543

01:16:28,000 --> 01:16:26,210

a lot of the information he went crazy

1544

01:16:30,820 --> 01:16:28,010

for a while I told him I says you know

1545

01:16:33,520 --> 01:16:30,830

at some point you are gonna hate me and

1546

01:16:36,190 --> 01:16:33,530

he couldn't understand why but I found

1547

01:16:37,690 --> 01:16:36,200

out it's a lot of people who real close

1548

01:16:40,390 --> 01:16:37,700

to the phenomena that what's actually

1549

01:16:42,940 --> 01:16:40,400

happening to them for some reason

1550

01:16:46,720 --> 01:16:42,950

somehow somehow they corrupt the case

1551

01:16:49,270 --> 01:16:46,730

they Jeff they just compromised either

1552

01:16:51,190 --> 01:16:49,280

the data they lose it they goof it up

1553

01:16:54,850 --> 01:16:51,200

they misrepresent what's actually there

1554

01:16:55,780 --> 01:16:54,860

all of a sudden everything is a

1555

01:16:58,300 --> 01:16:55,790

phenomena

1556

01:17:02,950 --> 01:16:58,310

everything's equipped everything's a UFO

1557

01:17:06,010 --> 01:17:02,960

everything is something unusual it isn't

1558

01:17:07,480 --> 01:17:06,020

the case can we can we talk a little bit

1559

01:17:10,230 --> 01:17:07,490

more on this subject because this is

1560

01:17:13,900 --> 01:17:10,240

something that fascinates me because

1561

01:17:17,250 --> 01:17:13,910

I've I've noticed this as well is that

1562

01:17:21,040 --> 01:17:17,260

this seems to happen sometimes in and

1563

01:17:24,460 --> 01:17:21,050

what I have wondered or I just you know

1564

01:17:26,920 --> 01:17:24,470

ponder if the fact that you know they're

1565

01:17:29,410 --> 01:17:26,930

they're real vested in this particular

1566

01:17:32,320 --> 01:17:29,420

case they're working on it's their their

1567

01:17:35,530 --> 01:17:32,330

baby their only child and what they're

1568

01:17:39,850 --> 01:17:35,540

known for in the UFO field and either

1569

01:17:42,010 --> 01:17:39,860

evidence comes up that shows that some

1570

01:17:45,910 --> 01:17:42,020

part of the research was wrong or and

1571

01:17:47,580 --> 01:17:45,920

they completely put blinders to it or or

1572

01:17:51,550 --> 01:17:47,590

they're very protective of

1573

01:17:55,680 --> 01:17:51,560

and or they they just go off the deep

1574

01:17:59,260 --> 01:17:55,690

end because it's it has to be more

1575

01:18:03,399 --> 01:17:59,270

spectacular than than it is in order to

1576

01:18:05,439 --> 01:18:03,409

to get news again is this along the

1577

01:18:08,290 --> 01:18:05,449

lines of similar to what your you're

1578

01:18:11,080 --> 01:18:08,300

talking about yeah I would say it's very

1579

01:18:13,180 --> 01:18:11,090

similar along the lines except that it's

1580

01:18:15,970 --> 01:18:13,190

the actual witness themselves to the

1581

01:18:17,410 --> 01:18:15,980

subject when I have a case the person

1582

01:18:19,450 --> 01:18:17,420

themselves not put so much the

1583

01:18:21,250 --> 01:18:19,460

phenomenon a lot of what I wanted

1584

01:18:24,129 --> 01:18:21,260

research is that is the you know the

1585

01:18:27,520 --> 01:18:24,139

social responses psychology what's going

1586

01:18:33,310 --> 01:18:27,530

on there with the individual the

1587

01:18:36,520 --> 01:18:33,320

families everybody that is part of the

1588

01:18:38,260 --> 01:18:36,530

events how is it affecting them how what

1589

01:18:40,720 --> 01:18:38,270

is the cause and effect here of what's

1590

01:18:43,209 --> 01:18:40,730

going on is there an interaction in

1591

01:18:44,580 --> 01:18:43,219

other words can they be affecting it in

1592

01:18:47,620 --> 01:18:44,590

some way

1593

01:18:51,359 --> 01:18:47,630

I'll think the phenomena is far deeper

1594

01:18:56,939 --> 01:18:51,369

than just little men or little people

1595

01:19:01,140 --> 01:18:56,949

and that may be part of the reasoning of

1596

01:19:06,910 --> 01:19:01,150

it being such a taboo thing in in our

1597

01:19:08,950 --> 01:19:06,920

society so but as far as people who do

1598

01:19:11,709 --> 01:19:08,960

the investigative work and feel they

1599

01:19:14,140 --> 01:19:11,719

have this is okay their case is so

1600

01:19:16,510 --> 01:19:14,150

perfect and they covet it and it has to

1601

01:19:18,580 --> 01:19:16,520

be this and it's this way and they're

1602

01:19:26,770 --> 01:19:18,590

you know they won't take criticism or

1603

01:19:28,770 --> 01:19:26,780

you know I see it it happens and the the

1604

01:19:31,390 --> 01:19:28,780

subject matter is spectacular enough

1605

01:19:33,220 --> 01:19:31,400

that you don't have to Trump it you know

1606

01:19:37,180 --> 01:19:33,230

every second for the one case to trump

1607

01:19:38,800 --> 01:19:37,190

the next case the bottom line is we

1608

01:19:41,770 --> 01:19:38,810

always have to we all have to start in

1609

01:19:45,430 --> 01:19:41,780

the same place and the same place is to

1610

01:19:49,600 --> 01:19:45,440

qualify it as being genuine a sighting

1611

01:19:50,649 --> 01:19:49,610

is just a story until there's evidence

1612

01:19:53,830 --> 01:19:50,659

to support it

1613

01:19:55,899 --> 01:19:53,840

and this is what what bothers me and it

1614

01:19:57,020 --> 01:19:55,909

probably gets a lot of people in the

1615

01:19:59,720 --> 01:19:57,030

field

1616

01:20:03,169 --> 01:19:59,730

very angry with me because as you know

1617

01:20:03,680 --> 01:20:03,179

I'm not exactly a regular guy in the

1618

01:20:07,700 --> 01:20:03,690

field

1619

01:20:11,120 --> 01:20:07,710

I like the scientific I like to have the

1620

01:20:13,760 --> 01:20:11,130

case go as far but the information go as

1621

01:20:15,979 --> 01:20:13,770

as far as the evidence from there it's

1622

01:20:18,589 --> 01:20:15,989

you know beyond that it's speculation

1623

01:20:20,899 --> 01:20:18,599

and it's a story that's fine it's great

1624

01:20:24,379 --> 01:20:20,909

to talk about you could talk about the

1625

01:20:27,169 --> 01:20:24,389

person's perception the story but don't

1626

01:20:32,060 --> 01:20:27,179

qualify to anything more than that it

1627

01:20:34,490 --> 01:20:32,070

isn't evidence and when it comes to

1628

01:20:36,919 --> 01:20:34,500

science science demands evidence not

1629

01:20:38,930 --> 01:20:36,929

proof proof against only in math and

1630

01:20:42,169 --> 01:20:38,940

alcohol and this is what people really

1631

01:20:45,500 --> 01:20:42,179

don't understand the distinction

1632

01:20:48,049 --> 01:20:45,510

there's never proof in science it's just

1633

01:20:51,770 --> 01:20:48,059

evidence that evolves and hopefully get

1634

01:20:55,609 --> 01:20:51,780

some sort of hypotheses and again it's

1635

01:20:58,760 --> 01:20:55,619

an extraterrestrial hypotheses not proof

1636

01:21:00,410 --> 01:20:58,770

and you know we never followed one of

1637

01:21:05,510 --> 01:21:00,420

these things back home that it's mom and

1638

01:21:07,399 --> 01:21:05,520

sat down for chili so this is or we got

1639

01:21:10,669 --> 01:21:07,409

to understand things and we have to put

1640

01:21:12,740 --> 01:21:10,679

things into some logical context and

1641

01:21:16,669 --> 01:21:12,750

you're right on the money when it comes

1642

01:21:19,879 --> 01:21:16,679

to you know holding anything sacred

1643

01:21:22,129 --> 01:21:19,889

again any case that I've worked on show

1644

01:21:26,209 --> 01:21:22,139

me the evidence if it's contrary to what

1645

01:21:28,189 --> 01:21:26,219

I've I've seen and for good reason I'm

1646

01:21:30,169 --> 01:21:28,199

the first I want to be the first one to

1647

01:21:33,049 --> 01:21:30,179

say what it is and that's what I'm

1648

01:21:38,270 --> 01:21:33,059

looking for what it is first not what

1649

01:21:38,600 --> 01:21:38,280

it's not right right I just had a

1650

01:21:41,299 --> 01:21:38,610

thought

1651

01:21:45,529 --> 01:21:41,309

and it just escaped me because it's

1652

01:21:47,500 --> 01:21:45,539

along these lines and oh yes a thing I

1653

01:21:50,839 --> 01:21:47,510

mentioned a couple times lately is some

1654

01:21:53,810 --> 01:21:50,849

you know we we don't have any answer to

1655

01:21:56,089 --> 01:21:53,820

what these things are and it's very

1656

01:22:00,830 --> 01:21:56,099

possible that we haven't even thought of

1657

01:22:03,560 --> 01:22:00,840

what they are at all and you know we

1658

01:22:06,770 --> 01:22:03,570

were discussing earlier in our one you

1659

01:22:10,500 --> 01:22:06,780

know about the time distortion and it

1660

01:22:13,709 --> 01:22:10,510

kept me thinking about what if

1661

01:22:16,199 --> 01:22:13,719

what if most of what you know people are

1662

01:22:20,129 --> 01:22:16,209

seeing and experiencing all has to do

1663

01:22:23,160 --> 01:22:20,139

with with the time situation that again

1664

01:22:26,339 --> 01:22:23,170

we can't even perceive yet you know when

1665

01:22:28,529 --> 01:22:26,349

you're talking about time people losing

1666

01:22:30,449 --> 01:22:28,539

time and then gaining it back it just

1667

01:22:33,029 --> 01:22:30,459

made me think of you know maybe this is

1668

01:22:35,219 --> 01:22:33,039

even deeper than you know you can even

1669

01:22:37,169 --> 01:22:35,229

if we could even imagine and maybe it

1670

01:22:40,020 --> 01:22:37,179

has a lot of it has to do with time or

1671

01:22:43,290 --> 01:22:40,030

like you say a lot of it distorts time

1672

01:22:46,589 --> 01:22:43,300

and but what is what is all that about

1673

01:22:50,549 --> 01:22:46,599

it's it's really fascinating that I

1674

01:22:55,620 --> 01:22:50,559

think lies the crux of the real scary

1675

01:22:58,109 --> 01:22:55,630

stuff to truly freaky and when you get

1676

01:23:01,140 --> 01:22:58,119

into this phenomena you find out that it

1677

01:23:03,209 --> 01:23:01,150

dovetails to other things the comp

1678

01:23:04,589 --> 01:23:03,219

Squatch or Squatch you call it about

1679

01:23:07,799 --> 01:23:04,599

these you know script it's the

1680

01:23:09,839 --> 01:23:07,809

skinwalker ranch these these dimensional

1681

01:23:13,500 --> 01:23:09,849

what appears to be all of a sudden

1682

01:23:17,009 --> 01:23:13,510

you're looking and there's this rip or a

1683

01:23:19,770 --> 01:23:17,019

tear or a dimensional something

1684

01:23:24,959 --> 01:23:19,780

something's walking in as if it just

1685

01:23:28,020 --> 01:23:24,969

ripped open a you know a piece of fabric

1686

01:23:29,339 --> 01:23:28,030

that that's the backdrop to what you

1687

01:23:32,879 --> 01:23:29,349

were looking at and you thought was

1688

01:23:37,290 --> 01:23:32,889

there now what does that how does that

1689

01:23:40,729 --> 01:23:37,300

happen and then pops and pops out and

1690

01:23:43,410 --> 01:23:40,739

you see things that you know say for

1691

01:23:45,569 --> 01:23:43,420

instils that were seeing that were

1692

01:23:48,239 --> 01:23:45,579

prehistoric loss more likely the

1693

01:23:50,310 --> 01:23:48,249

shooting at it not affecting it yet you

1694

01:23:53,160 --> 01:23:50,320

know it's there grab the calf and down

1695

01:23:54,839 --> 01:23:53,170

there killed it so you have all these

1696

01:23:57,930 --> 01:23:54,849

unusual things things that look like

1697

01:24:00,239 --> 01:23:57,940

dinosaur cryptid things up at the

1698

01:24:03,419 --> 01:24:00,249

Wisconsin case the gentleman described

1699

01:24:06,739 --> 01:24:03,429

and we have it on video we have pictures

1700

01:24:11,549 --> 01:24:06,749

of these things that look like

1701

01:24:17,219 --> 01:24:11,559

iridescent translucent the one he

1702

01:24:21,000 --> 01:24:17,229

describes him as algae eaters what do

1703

01:24:23,820 --> 01:24:21,010

you call them yes plecos yes now on the

1704

01:24:26,970 --> 01:24:23,830

edge in one of those crawling or slither

1705

01:24:30,660 --> 01:24:26,980

up a tree and and he says they eat the

1706

01:24:32,700 --> 01:24:30,670

deer because the deer go berserk when

1707

01:24:36,090 --> 01:24:32,710

these things are nearby and you could

1708

01:24:38,420 --> 01:24:36,100

see that the the oozing from what

1709

01:24:42,710 --> 01:24:38,430

appeared to be gills are some sort of

1710

01:24:47,670 --> 01:24:42,720

breathing device a self-luminous

1711

01:24:50,760 --> 01:24:47,680

pocket or inflated area below the eye

1712

01:24:56,340 --> 01:24:50,770

and in the where would be your throat

1713

01:25:00,210 --> 01:24:56,350

area throats whatever and it's self

1714

01:25:02,610 --> 01:25:00,220

illuminant self-illuminating now what is

1715

01:25:04,530 --> 01:25:02,620

this a breeding you know trans loose

1716

01:25:07,170 --> 01:25:04,540

then he's talking about Dragon sing

1717

01:25:14,990 --> 01:25:07,180

things that look like dragons well you

1718

01:25:19,140 --> 01:25:15,000

know what it comes down to is myth

1719

01:25:21,330 --> 01:25:19,150

Methos myth whatever what's the

1720

01:25:23,460 --> 01:25:21,340

difference between that and a story

1721

01:25:26,280 --> 01:25:23,470

today I don't think there's anything

1722

01:25:29,550 --> 01:25:26,290

different except back then I think

1723

01:25:31,050 --> 01:25:29,560

people were able to you know years back

1724

01:25:35,460 --> 01:25:31,060

they were able to accept these things

1725

01:25:37,170 --> 01:25:35,470

because everybody saw everybody saw you

1726

01:25:40,140 --> 01:25:37,180

know dragons weren't something that were

1727

01:25:43,080 --> 01:25:40,150

make-believe in the textbook so it

1728

01:25:45,450 --> 01:25:43,090

wasn't a story of legends it was a fact

1729

01:25:47,430 --> 01:25:45,460

they were making this stuff up they were

1730

01:25:54,540 --> 01:25:47,440

killing these things because they were

1731

01:25:56,910 --> 01:25:54,550

there and apparently some variation of

1732

01:26:01,290 --> 01:25:56,920

them may be alive today in other places

1733

01:26:04,050 --> 01:26:01,300

do they have some correlation with UFOs

1734

01:26:06,930 --> 01:26:04,060

and all this other stuff I think yes and

1735

01:26:09,920 --> 01:26:06,940

are there certain places that for one

1736

01:26:15,030 --> 01:26:09,930

reason be it the geology or whatever

1737

01:26:17,460 --> 01:26:15,040

somehow like a television set then you

1738

01:26:22,100 --> 01:26:17,470

walk to this place it's turned on for

1739

01:26:25,800 --> 01:26:22,110

you or you something about you triggers

1740

01:26:29,520 --> 01:26:25,810

the environment and it displays itself

1741

01:26:33,840 --> 01:26:29,530

to you you know since this is the freaky

1742

01:26:37,320 --> 01:26:33,850

hour I also think you know you know I

1743

01:26:40,530 --> 01:26:37,330

mean this is a show about UFOs

1744

01:26:44,520 --> 01:26:40,540

etc but you know there's people that

1745

01:26:45,990 --> 01:26:44,530

report ghosts there's people that report

1746

01:26:49,560 --> 01:26:46,000

you know crypt I'd like you're talking

1747

01:26:52,860 --> 01:26:49,570

about there's people that report all

1748

01:26:57,900 --> 01:26:52,870

these things and in a similar area and

1749

01:27:00,350 --> 01:26:57,910

and that really is a wonder you know and

1750

01:27:03,690 --> 01:27:00,360

you know I know some pretty credible

1751

01:27:07,020 --> 01:27:03,700

people that have told quite amazing

1752

01:27:11,610 --> 01:27:07,030

ghost stories that again are like you

1753

01:27:14,490 --> 01:27:11,620

shake your head and say wow if that's

1754

01:27:17,790 --> 01:27:14,500

true you know what would be the answer

1755

01:27:21,390 --> 01:27:17,800

to that right is there a common

1756

01:27:24,420 --> 01:27:21,400

denominator I think so I think the veil

1757

01:27:27,120 --> 01:27:24,430

whatever it is dimensional veil and I

1758

01:27:29,190 --> 01:27:27,130

and during this the one up in Wisconsin

1759

01:27:31,470 --> 01:27:29,200

some of the photographs and some of the

1760

01:27:34,650 --> 01:27:31,480

photographs that I've looked at enhanced

1761

01:27:37,590 --> 01:27:34,660

and worked on from the Arizona case

1762

01:27:42,200 --> 01:27:37,600

seems to indicate there is such a thing

1763

01:27:45,420 --> 01:27:42,210

as a veil a dimensional veil and I

1764

01:27:49,800 --> 01:27:45,430

personally think it had been recorded in

1765

01:27:53,880 --> 01:27:49,810

some instances and what I would find

1766

01:27:56,580 --> 01:27:53,890

very unusual between the two cases as

1767

01:28:00,950 --> 01:27:56,590

the fact that first of all both

1768

01:28:04,710 --> 01:28:00,960

individuals had what appears to be

1769

01:28:10,560 --> 01:28:04,720

implants or growths in their eyes at the

1770

01:28:16,500 --> 01:28:10,570

exact exactly placed or grown if they

1771

01:28:19,560 --> 01:28:16,510

were grown next to Iris and it would

1772

01:28:28,100 --> 01:28:19,570

have been at the three o'clock and 9

1773

01:28:32,460 --> 01:28:28,110

o'clock both were very obvious when

1774

01:28:36,120 --> 01:28:32,470

exposed to black light and I recall in

1775

01:28:39,090 --> 01:28:36,130

both instances telling the subjects to

1776

01:28:42,120 --> 01:28:39,100

go into the room and take a you know

1777

01:28:44,250 --> 01:28:42,130

black light and turn it on you know then

1778

01:28:48,300 --> 01:28:44,260

just took over themselves and tell me

1779

01:28:50,160 --> 01:28:48,310

what you see and I asked that the the

1780

01:28:52,439 --> 01:28:50,170

wife and the daughter

1781

01:28:54,030 --> 01:28:52,449

the gentleman Wisconsin do the same you

1782

01:28:56,609 --> 01:28:54,040

know the wife going in and see if

1783

01:28:59,280 --> 01:28:56,619

there's anything unusual to the child or

1784

01:29:01,770 --> 01:28:59,290

lawful nothing those two came out clean

1785

01:29:04,830 --> 01:29:01,780

he on the other hand went over himself

1786

01:29:07,709 --> 01:29:04,840

nothing on his body and then he glared

1787

01:29:10,950 --> 01:29:07,719

up into the mirror and just freaked out

1788

01:29:14,910 --> 01:29:10,960

when he's seen these glowing green

1789

01:29:18,689 --> 01:29:14,920

things in his eyes exactly the same

1790

01:29:21,479 --> 01:29:18,699

spots on both eyes well the funny thing

1791

01:29:23,310 --> 01:29:21,489

is the gentleman down in Arizona was

1792

01:29:24,510 --> 01:29:23,320

experienced in explaining what he was

1793

01:29:32,280 --> 01:29:24,520

seeing

1794

01:29:33,990 --> 01:29:32,290

in Wisconsin had these self these

1795

01:29:36,689 --> 01:29:34,000

illuminated you know these glowing

1796

01:29:38,189 --> 01:29:36,699

things be it implants or whatever you

1797

01:29:40,109 --> 01:29:38,199

want to call them or maybe they didn't

1798

01:29:45,660 --> 01:29:40,119

screw naturally I don't know but they

1799

01:29:50,189 --> 01:29:45,670

were there same thing so what what's the

1800

01:29:52,919 --> 01:29:50,199

odds of that and they looked at these

1801
01:29:55,470 --> 01:29:52,929
things were not natural they were they

1802
01:29:57,600 --> 01:29:55,480
were anomalies no doubt and they don't

1803
01:29:59,370 --> 01:29:57,610
really want to nobody really wanted to

1804
01:30:00,689 --> 01:29:59,380
go beyond that the other thing is they

1805
01:30:04,680 --> 01:30:00,699
want to excite about they have them

1806
01:30:09,359 --> 01:30:04,690
things removed I had one of my

1807
01:30:12,750 --> 01:30:09,369
investigators go up there you see he was

1808
01:30:16,260 --> 01:30:12,760
a professor out here at universities

1809
01:30:17,970 --> 01:30:16,270
backgrounds electronics and computers

1810
01:30:20,250 --> 01:30:17,980
goes out there he was all excited to get

1811
01:30:22,890 --> 01:30:20,260
up there in on many hours away he gets

1812
01:30:27,030 --> 01:30:22,900
up there I was down in Arkansas working

1813
01:30:29,280 --> 01:30:27,040

on something else and he gets up there

1814

01:30:33,300 --> 01:30:29,290

and he calls me and he says Sam this

1815

01:30:35,640 --> 01:30:33,310

place is just unusual and he looked at

1816

01:30:39,109 --> 01:30:35,650

the guy's eyes he said he drew what he's

1817

01:30:41,609 --> 01:30:39,119

saying yeah he said there were Tenniel's

1818

01:30:46,020 --> 01:30:41,619

moving you know they were seem to be

1819

01:30:47,070 --> 01:30:46,030

moving out from from the you know the

1820

01:30:53,550 --> 01:30:47,080

object itself

1821

01:30:57,080 --> 01:30:53,560

and it seemed to been more defined lines

1822

01:30:59,910 --> 01:30:57,090

in structure to it than what he's seen

1823

01:31:02,700 --> 01:30:59,920

just maybe a few weeks afterwards he

1824

01:31:04,340 --> 01:31:02,710

felt that something had grown over it it

1825

01:31:06,630 --> 01:31:04,350

had become

1826

01:31:10,050 --> 01:31:06,640

you know taking it to the eye and now

1827

01:31:12,900 --> 01:31:10,060

it's part of the guy oh yeah wasn't

1828

01:31:14,550 --> 01:31:12,910

rejecting it it became part of it well

1829

01:31:17,880 --> 01:31:14,560

what the weird thing is they were able

1830

01:31:20,550 --> 01:31:17,890

to see part of the infrared or

1831

01:31:23,070 --> 01:31:20,560

ultraviolet more than better than you or

1832

01:31:25,230 --> 01:31:23,080

I afterwards and they were seeing things

1833

01:31:27,510 --> 01:31:25,240

that I could not see and they would even

1834

01:31:33,090 --> 01:31:27,520

look at photos well can't you see this

1835

01:31:34,830 --> 01:31:33,100

and I'm like no I can't and this isn't

1836

01:31:37,820 --> 01:31:34,840

the first time I heard that but I've

1837

01:31:40,680 --> 01:31:37,830

never had a case where two people

1838

01:31:44,550 --> 01:31:40,690

exactly at the same time seeing unusual

1839

01:31:46,680 --> 01:31:44,560

stuff but at two different places in the

1840

01:31:50,520 --> 01:31:46,690

country one being up Wisconsin one being

1841

01:31:52,770 --> 01:31:50,530

down in the Arizona so seeing the same

1842

01:31:54,900 --> 01:31:52,780

phenomenon saying the same stuff the

1843

01:31:56,690 --> 01:31:54,910

funny thing is each of them having a

1844

01:32:00,170 --> 01:31:56,700

different description on what they were

1845

01:32:04,560 --> 01:32:00,180

explaining each mum having their own

1846

01:32:07,440 --> 01:32:04,570

lexicon of Ward shoes and trying to

1847

01:32:10,350 --> 01:32:07,450

figure out what I'm talking about they

1848

01:32:14,250 --> 01:32:10,360

both knew I couldn't figure it out and

1849

01:32:17,040 --> 01:32:14,260

it just took time Wow Wow since this is

1850

01:32:20,760 --> 01:32:17,050

the freaky hour I have to I'm going to

1851

01:32:24,000 --> 01:32:20,770

tell you about a dream that Natalia here

1852

01:32:25,590 --> 01:32:24,010

the listeners would know where she was a

1853

01:32:28,620 --> 01:32:25,600

person helping out with the contest a

1854

01:32:32,610 --> 01:32:28,630

couple of times here Russian my

1855

01:32:35,700 --> 01:32:32,620

girlfriend here she had a dream last

1856

01:32:37,050 --> 01:32:35,710

night now she's not really into UFOs or

1857

01:32:38,990 --> 01:32:37,060

anything like that but she had a dream

1858

01:32:42,150 --> 01:32:39,000

last night that she

1859

01:32:45,750 --> 01:32:42,160

aliens came to visit her and they were

1860

01:32:51,060 --> 01:32:45,760

here for one thing this world that is

1861

01:32:52,740 --> 01:32:51,070

and that was her coffee and and she

1862

01:32:57,000 --> 01:32:52,750

doesn't drink coffee by the way and they

1863

01:32:59,640 --> 01:32:57,010

say yep and they said to her that if

1864

01:33:01,470 --> 01:32:59,650

they if she was able to get them you

1865

01:33:02,880 --> 01:33:01,480

know a large amount of coffee that they

1866

01:33:04,940 --> 01:33:02,890

would tell her anything she needed to

1867

01:33:10,440 --> 01:33:04,950

know and they were gonna take her home

1868

01:33:14,730 --> 01:33:10,450

she said I wanted to go home so that's

1869

01:33:16,360 --> 01:33:14,740

another freaky story you can't make that

1870

01:33:18,610 --> 01:33:16,370

stuff up now

1871

01:33:21,060 --> 01:33:18,620

we have a I'm having trouble again with

1872

01:33:23,920 --> 01:33:21,070

the chatroom and I apologize for that

1873

01:33:26,800 --> 01:33:23,930

having trouble with Internet not a Wi-Fi

1874

01:33:31,090 --> 01:33:26,810

internet this the Skype part that we're

1875

01:33:33,130 --> 01:33:31,100

recording here is on hardline so there's

1876

01:33:35,350 --> 01:33:33,140

no problem with that but there is a

1877

01:33:38,050 --> 01:33:35,360

question that came up do you have any

1878

01:33:39,880 --> 01:33:38,060

information about green fireballs or

1879

01:33:43,360 --> 01:33:39,890

have you ever looked into that subject

1880

01:33:45,250 --> 01:33:43,370

at all you know I got a chill up my

1881

01:33:48,750 --> 01:33:45,260

spine because I was gonna it was one of

1882

01:33:52,690 --> 01:33:48,760

the freaky I was going to talk about I

1883

01:33:57,040 --> 01:33:52,700

was asked that on the message board will

1884

01:34:05,290 --> 01:33:57,050

do to freak me out okay we're reviewing

1885

01:34:07,330 --> 01:34:05,300

a buddy of mine and we're looking at he

1886

01:34:10,600 --> 01:34:07,340

wanted to see the footage from Gimli

1887

01:34:13,090 --> 01:34:10,610

park and he came over I was working on

1888

01:34:16,120 --> 01:34:13,100

something else for him and he's sitting

1889

01:34:20,260 --> 01:34:16,130

there watching the Tinley Park footage I

1890

01:34:24,870 --> 01:34:20,270

lived in at that time in a condo in

1891

01:34:28,090 --> 01:34:24,880

Orland Park and we're watching this and

1892

01:34:31,540 --> 01:34:28,100

right after TJ started screaming there

1893

01:34:34,540 --> 01:34:31,550

he goes I got it I got it on tape but at

1894

01:34:37,480 --> 01:34:34,550

that point a green fireball flew over

1895

01:34:40,360 --> 01:34:37,490

the house I'm talking so bright it lit

1896

01:34:41,980 --> 01:34:40,370

up the inside of the house and it was

1897

01:34:47,170 --> 01:34:41,990

reported on the news but it food

1898

01:34:50,590 --> 01:34:47,180

directly directly over us in a South by

1899

01:34:53,650 --> 01:34:50,600

Southwest early direction and it glowed

1900

01:35:08,530 --> 01:34:53,660

I mean the whole area was a it happened

1901
01:35:12,730 --> 01:35:08,540
at the same time TJ was screaming he

1902
01:35:14,950 --> 01:35:12,740
goes I think it was a UFO that is gone

1903
01:35:17,380 --> 01:35:14,960
whatever it was it's gone sure enough

1904
01:35:21,510 --> 01:35:17,390
was a green fireball but the green

1905
01:35:24,280 --> 01:35:21,520
fireballs have been associated as being

1906
01:35:29,470 --> 01:35:24,290
potentially something other than just

1907
01:35:32,800 --> 01:35:29,480
meteorites the Los Alamos case

1908
01:35:35,170 --> 01:35:32,810
of years back in the 50s there was many

1909
01:35:37,810 --> 01:35:35,180
sightings we've had many sightings of

1910
01:35:39,790 --> 01:35:37,820
the green fireballs I don't think it

1911
01:35:42,460 --> 01:35:39,800
wasn't it was an accident

1912
01:35:45,700 --> 01:35:42,470
that this thing flew directly over if it

1913
01:35:46,920 --> 01:35:45,710

did at that time I would just be very

1914

01:35:51,130 --> 01:35:46,930

surprised

1915

01:35:53,680 --> 01:35:51,140

nothing was recovered on this very

1916

01:35:56,950 --> 01:35:53,690

brilliant green fireball that flew over

1917

01:35:58,450 --> 01:35:56,960

so you can actually look that up I'm

1918

01:36:03,340 --> 01:35:58,460

trying to think of when that was maybe

1919

01:36:07,240 --> 01:36:03,350

like two thousand and five or six that

1920

01:36:09,640 --> 01:36:07,250

was reported now I could see why say a

1921

01:36:12,130 --> 01:36:09,650

fireball would have you know different

1922

01:36:14,229 --> 01:36:12,140

colors like to say if it was a meteor

1923

01:36:17,260 --> 01:36:14,239

because of the different chemical

1924

01:36:19,479 --> 01:36:17,270

compounds that are burning up you know

1925

01:36:22,390 --> 01:36:19,489

in the atmosphere could come up with

1926

01:36:26,020 --> 01:36:22,400

different colors but oh definitely

1927

01:36:28,630 --> 01:36:26,030

but Green certainly is unusual it's

1928

01:36:30,970 --> 01:36:28,640

unusual you know me I always stick with

1929

01:36:33,700 --> 01:36:30,980

the prosaic first unless there's

1930

01:36:35,800 --> 01:36:33,710

anything good could stay saying anyways

1931

01:36:39,370 --> 01:36:35,810

anyways said that are something else

1932

01:36:40,780 --> 01:36:39,380

different but you can't just unless you

1933

01:36:43,570 --> 01:36:40,790

have evidence to say yeah it's

1934

01:36:46,590 --> 01:36:43,580

definitively something prosaic yeah you

1935

01:36:49,150 --> 01:36:46,600

have to take that into consideration too

1936

01:36:52,060 --> 01:36:49,160

consciousness does consciousness have an

1937

01:36:56,830 --> 01:36:52,070

interplay with the unidentified flying

1938

01:36:58,570 --> 01:36:56,840

objects I think I say yes and I'll tell

1939

01:37:00,460 --> 01:36:58,580

you why

1940

01:37:03,550 --> 01:37:00,470

many a time I've done a couple

1941

01:37:07,270 --> 01:37:03,560

experiences a couple experiments with

1942

01:37:09,610 --> 01:37:07,280

that one had to do with water the

1943

01:37:12,520 --> 01:37:09,620

properties of water and to think about

1944

01:37:14,260 --> 01:37:12,530

something and you know whatever the

1945

01:37:18,490 --> 01:37:14,270

whole notion of wishing wells and

1946

01:37:24,010 --> 01:37:18,500

everything else do I do I do I give any

1947

01:37:28,200 --> 01:37:24,020

credence to us I don't know but the same

1948

01:37:36,430 --> 01:37:28,210

token I tried it earlier the day was a

1949

01:37:40,330 --> 01:37:36,440

client's house and I kept on thinking

1950

01:37:42,339 --> 01:37:40,340

about this could be 100% spend I mean

1951

01:37:45,339 --> 01:37:42,349

very speculative on this

1952

01:37:50,799 --> 01:37:45,349

that evening which was I think the third

1953

01:37:54,609 --> 01:37:50,809

or the second of May 2003 we were on the

1954

01:37:57,909 --> 01:37:54,619

Grange Road 159th Street and Julie goes

1955

01:38:01,989 --> 01:37:57,919

look this guy what is that perfectly

1956

01:38:04,659 --> 01:38:01,999

clear night beautiful night I was my

1957

01:38:11,189 --> 01:38:04,669

eyes were tired I go Julie

1958

01:38:19,959 --> 01:38:15,419

look underneath the the visor look up

1959

01:38:23,799 --> 01:38:19,969

huge orange beautiful orb sitting the

1960

01:38:27,369 --> 01:38:23,809

sky my god

1961

01:38:30,189 --> 01:38:27,379

an orange orb is like nothing you ever

1962

01:38:32,649 --> 01:38:30,199

seen it doesn't look like a Chinese

1963

01:38:35,290 --> 01:38:32,659

lantern a flare and a balloon or a

1964

01:38:38,259 --> 01:38:35,300

balloon at all especially when it's

1965

01:38:40,540 --> 01:38:38,269

sitting in a 23 mile hour wind and it's

1966

01:38:45,060 --> 01:38:40,550

completely static this thing sitting

1967

01:38:52,540 --> 01:38:45,070

there is if you painted it in the sky

1968

01:38:54,939 --> 01:38:52,550

orange like like a sunset orange it

1969

01:38:59,349 --> 01:38:54,949

there's nothing like it and do you know

1970

01:39:02,500 --> 01:38:59,359

there's no variation whatsoever in the

1971

01:39:05,139 --> 01:39:02,510

coloration none it's exactly the same

1972

01:39:09,159 --> 01:39:05,149

all the way around if there's any

1973

01:39:11,790 --> 01:39:09,169

variation it's at the extremities and it

1974

01:39:14,020 --> 01:39:11,800

would probably have to do it atmospheric

1975

01:39:18,069 --> 01:39:14,030

you know as far as what you're seeing

1976

01:39:21,129 --> 01:39:18,079

but boozing from the bottom boozing from

1977

01:39:26,649 --> 01:39:21,139

the bottom were these smaller droplets

1978

01:39:30,250 --> 01:39:26,659

as would have appeared like of of the

1979

01:39:33,009 --> 01:39:30,260

same color but photons could play some

1980

01:39:35,799 --> 01:39:33,019

games on your with your eyes if you have

1981

01:39:40,659 --> 01:39:35,809

an orb let's say they coming out at the

1982

01:39:42,790 --> 01:39:40,669

bottom or whatever and it's illuminated

1983

01:39:44,319 --> 01:39:42,800

it's gonna look as though it's ripping

1984

01:39:47,020 --> 01:39:44,329

away from it and that's what it looked

1985

01:39:49,599 --> 01:39:47,030

like and there were these things coming

1986

01:39:51,790 --> 01:39:49,609

out for the bottom we watched it we were

1987

01:39:52,540 --> 01:39:51,800

at this light and all of us it sat there

1988

01:39:54,910 --> 01:39:52,550

I don't know

1989

01:39:58,270 --> 01:39:54,920

but we watched it for seven minutes it

1990

01:40:02,549 --> 01:39:58,280

had to sit there for or 30 seconds or

1991

01:40:06,790 --> 01:40:02,559

more and it took off it just slowly

1992

01:40:08,520 --> 01:40:06,800

gained altitude and it just went off and

1993

01:40:10,810 --> 01:40:08,530

a south by south westerly direction

1994

01:40:13,569 --> 01:40:10,820

Chile and I followed it for seven

1995

01:40:17,140 --> 01:40:13,579

minutes and as it was moving and going

1996

01:40:19,229 --> 01:40:17,150

along the coloration changed which I

1997

01:40:23,709 --> 01:40:19,239

found interesting at a certain distance

1998

01:40:25,810 --> 01:40:23,719

it was changing when from the orange to

1999

01:40:28,149 --> 01:40:25,820

a goldish to a yellow it's like a blue

2000

01:40:30,100 --> 01:40:28,159

and then to a white little distance you

2001

01:40:32,680 --> 01:40:30,110

know it was fun to me that says

2002

01:40:35,950 --> 01:40:32,690

different temperatures could be

2003

01:40:41,049 --> 01:40:35,960

temperature could be atmospheric the

2004

01:40:42,729 --> 01:40:41,059

effect of the wavelength could be and

2005

01:40:43,689 --> 01:40:42,739

temperature is always you know the

2006

01:40:47,620 --> 01:40:43,699

course wavelength

2007

01:40:49,510 --> 01:40:47,630

I don't know but the thing is that's how

2008

01:40:52,240 --> 01:40:49,520

I'm perceiving it you know how we're

2009

01:40:54,160 --> 01:40:52,250

seeing it they were telling Julie well

2010

01:40:55,569 --> 01:40:54,170

I'm driving tell me the colors while

2011

01:40:58,390 --> 01:40:55,579

we're going along tell me what if

2012

01:41:00,339 --> 01:40:58,400

there's any variation and she's telling

2013

01:41:04,000 --> 01:41:00,349

me it's this it's that and you know and

2014

01:41:04,689 --> 01:41:04,010

we're following for seven minutes it was

2015

01:41:07,049 --> 01:41:04,699

great

2016

01:41:11,459 --> 01:41:07,059

the next day well I came home that night

2017

01:41:14,470 --> 01:41:11,469

and I called the non-emergency number

2018

01:41:16,720 --> 01:41:14,480

for the dispatch in that area police

2019

01:41:19,390 --> 01:41:16,730

dispatch and I told him I says you know

2020

01:41:22,359 --> 01:41:19,400

did you receive any reports pertaining

2021

01:41:24,189 --> 01:41:22,369

to this large orange orb the UFO

2022

01:41:28,060 --> 01:41:24,199

researcher and the guy start clapping oh

2023

01:41:31,390 --> 01:41:28,070

no I'm serious you know nothing came in

2024

01:41:32,500 --> 01:41:31,400

and that was that I don't know maybe ten

2025

01:41:35,500 --> 01:41:32,510

o'clock or something

2026

01:41:37,359 --> 01:41:35,510

later that night before midnight I had

2027

01:41:40,600 --> 01:41:37,369

gotten a call it was the same person

2028

01:41:46,080 --> 01:41:40,610

they said they it says mister moranto

2029

01:41:48,370 --> 01:41:46,090

what you saw was children with balloons

2030

01:41:49,450 --> 01:41:48,380

first of all he's reading a script

2031

01:41:51,520 --> 01:41:49,460

children with balloons

2032

01:41:56,229 --> 01:41:51,530

I don't know now these were not balloons

2033

01:41:59,740 --> 01:41:56,239

and I don't know children with some you

2034

01:42:01,979 --> 01:41:59,750

know with a budget to assemble something

2035

01:42:04,250 --> 01:42:01,989

like this and do what that thing did

2036

01:42:07,380 --> 01:42:04,260

anything else

2037

01:42:09,510 --> 01:42:07,390

it's children with balloons I go who

2038

01:42:15,510 --> 01:42:09,520

told you to tell me that he goes I can't

2039

01:42:19,020 --> 01:42:15,520

tell you the next day the gentleman on

2040

01:42:21,840 --> 01:42:19,030

the guys that when my neighbor's his son

2041

01:42:24,300 --> 01:42:21,850

was a auxiliary police officer in the

2042

01:42:26,810 --> 01:42:24,310

area and he gave me the scoop and he

2043

01:42:29,700 --> 01:42:26,820

said it was pretty crazy that night

2044

01:42:32,730 --> 01:42:29,710

things were taken documents were taken

2045

01:42:35,670 --> 01:42:32,740

log pages in the log book were taken out

2046

01:42:39,720 --> 01:42:35,680

on and on and out of that so something

2047

01:42:43,020 --> 01:42:39,730

happened and that was a genuine sighting

2048

01:42:46,410 --> 01:42:43,030

with multiple witnesses which I found

2049

01:42:49,650 --> 01:42:46,420

out later and that was prior to the

2050

01:42:50,190 --> 01:42:49,660

Tinley Park sighting but right in the

2051

01:42:52,350 --> 01:42:50,200

area

2052

01:42:55,860 --> 01:42:52,360

Boylan park Tinley Park right next to

2053

01:42:58,380 --> 01:42:55,870

each other Wow when you're driving like

2054

01:43:00,510 --> 01:42:58,390

that you know the one thing I think of

2055

01:43:01,920 --> 01:43:00,520

us you know you're talking earlier in

2056

01:43:03,480 --> 01:43:01,930

the first hour about the woman that got

2057

01:43:07,260 --> 01:43:03,490

out of the car and was waving her arms

2058

01:43:10,020 --> 01:43:07,270

and pointing that's that's kind of what

2059

01:43:12,600 --> 01:43:10,030

I think I would do is try to pull over

2060

01:43:14,640 --> 01:43:12,610

and you know if you see something like

2061

01:43:17,370 --> 01:43:14,650

that but you're on chase

2062

01:43:18,870 --> 01:43:17,380

you know you chase this thing for you

2063

01:43:23,100 --> 01:43:18,880

said like seven minutes or something

2064

01:43:26,910 --> 01:43:23,110

like that you hear police officers doing

2065

01:43:29,690 --> 01:43:26,920

that and you know I guess out of

2066

01:43:32,430 --> 01:43:29,700

curiosity I would probably do that

2067

01:43:36,530 --> 01:43:32,440

although there's a fear level in there

2068

01:43:40,410 --> 01:43:36,540

as well to you know not to get too close

2069

01:43:45,660 --> 01:43:40,420

did you ever think those lines all the

2070

01:43:47,190 --> 01:43:45,670

time yeah on case is everything so I

2071

01:43:53,520 --> 01:43:47,200

want to go up to it and I want them to

2072

01:43:56,580 --> 01:43:53,530

take me I'm up to this no that's that's

2073

01:44:02,220 --> 01:43:56,590

like called stupid um first of all

2074

01:44:05,730 --> 01:44:02,230

that's Travis Walton stupid the first

2075

01:44:09,470 --> 01:44:05,740

wouldn't would to tell you that I would

2076

01:44:12,240 --> 01:44:09,480

do that again he would be the first one

2077

01:44:13,950 --> 01:44:12,250

but thank God he did and he lives to

2078

01:44:15,260 --> 01:44:13,960

tell about it because it's very

2079

01:44:17,570 --> 01:44:15,270

interesting and there's

2080

01:44:23,480 --> 01:44:17,580

he's not playing games demands genuine

2081

01:44:26,690 --> 01:44:23,490

could be you know the my own personal

2082

01:44:29,180 --> 01:44:26,700

experience you know you get excited

2083

01:44:31,070 --> 01:44:29,190

about this stuff but when it gets to the

2084

01:44:33,770 --> 01:44:31,080

point where just scared the living

2085

01:44:38,390 --> 01:44:33,780

bejesus out of you and it's involved in

2086

01:44:42,500 --> 01:44:38,400

your life what front and personal you

2087

01:44:44,210 --> 01:44:42,510

can't hide from it so I think that's

2088

01:44:50,000 --> 01:44:44,220

another element to this is the fear

2089

01:44:58,220 --> 01:44:50,010

factor is genuine and I think that goes

2090

01:45:00,320 --> 01:44:58,230

at every level and and one thing I don't

2091

01:45:04,250 --> 01:45:00,330

think you and I have ever talked about

2092

01:45:08,210 --> 01:45:04,260

is is the abduction phenomena you know I

2093

01:45:10,010 --> 01:45:08,220

owe a lot of what I have thought in the

2094

01:45:14,570 --> 01:45:10,020

past I've been kind of on the fence last

2095

01:45:16,580 --> 01:45:14,580

last week we had a woman on named

2096

01:45:20,630 --> 01:45:16,590

Christina Knowles she was very

2097

01:45:22,910 --> 01:45:20,640

articulate and bright and and considers

2098

01:45:26,870 --> 01:45:22,920

herself an experienced are very

2099

01:45:29,450 --> 01:45:26,880

convincing it's it's really it's a tough

2100

01:45:31,640 --> 01:45:29,460

pill to swallow for me that all these

2101

01:45:33,410 --> 01:45:31,650

millions of people are hundreds of

2102

01:45:37,010 --> 01:45:33,420

thousands are actually getting abducted

2103

01:45:40,220 --> 01:45:37,020

and and let go and repeatedly for some

2104

01:45:42,050 --> 01:45:40,230

reason but I'm not discounting and I'm

2105

01:45:46,670 --> 01:45:42,060

not saying it doesn't it doesn't happen

2106

01:45:48,680 --> 01:45:46,680

it's just it's a bizarre situation if so

2107

01:45:51,650 --> 01:45:48,690

it doesn't make any sense but what does

2108

01:45:53,450 --> 01:45:51,660

make sense in this whole field and I

2109

01:45:56,450 --> 01:45:53,460

think that's that what does make sense

2110

01:45:58,670 --> 01:45:56,460

if we had again I keep probably running

2111

01:46:05,480 --> 01:45:58,680

this into the ground if we had some clue

2112

01:46:09,260 --> 01:46:05,490

as to what we are why we are you know I

2113

01:46:11,960 --> 01:46:09,270

think all this would dovetail in like a

2114

01:46:14,120 --> 01:46:11,970

the meshing of gears and the phenomena

2115

01:46:17,990 --> 01:46:14,130

we call phenomena it would just be so

2116

01:46:20,090 --> 01:46:18,000

what does you know it's just this but it

2117

01:46:24,350 --> 01:46:20,100

has to do with us this whole everything

2118

01:46:25,640 --> 01:46:24,360

has to do with us not with whatever it

2119

01:46:28,490 --> 01:46:25,650

is it has

2120

01:46:31,520 --> 01:46:28,500

to do with us because that's where

2121

01:46:32,750 --> 01:46:31,530

reality starts for everything it's a

2122

01:46:35,510 --> 01:46:32,760

this journey

2123

01:46:37,760 --> 01:46:35,520

regardless not many of us experience

2124

01:46:40,760 --> 01:46:37,770

this this this journey call it live call

2125

01:46:44,030 --> 01:46:40,770

it whatever you want it's our journey

2126

01:46:46,940 --> 01:46:44,040

our human existence yes our human

2127

01:46:48,860 --> 01:46:46,950

whatever whatever it's Goodman right and

2128

01:46:51,890 --> 01:46:48,870

you know one of the things I always

2129

01:46:55,670 --> 01:46:51,900

question is I just think you know when

2130

01:46:57,860 --> 01:46:55,680

they say you know the human species is

2131

01:47:00,620 --> 01:46:57,870

only what a few million years old or

2132

01:47:03,020 --> 01:47:00,630

something like that I think I think

2133

01:47:05,270 --> 01:47:03,030

they're wrong you know and I oh yeah ask

2134

01:47:08,630 --> 01:47:05,280

Michael Cremo about that yeah I mean I

2135

01:47:11,870 --> 01:47:08,640

just think that we're way too developed

2136

01:47:15,020 --> 01:47:11,880

be just that short of time I know that's

2137

01:47:16,940 --> 01:47:15,030

a long time and a lot of generations and

2138

01:47:19,190 --> 01:47:16,950

all that but still I just think for

2139

01:47:22,720 --> 01:47:19,200

evolving into what we've evolved and in

2140

01:47:25,010 --> 01:47:22,730

just a few short million years I think

2141

01:47:27,410 --> 01:47:25,020

you know it's hard to it's hard to

2142

01:47:31,670 --> 01:47:27,420

conceive what that type of time is

2143

01:47:34,670 --> 01:47:31,680

anyway but still it's questionable it's

2144

01:47:36,800 --> 01:47:34,680

all questionable and this is the freaky

2145

01:47:39,320 --> 01:47:36,810

hour it is the freaky hour I mean it

2146

01:47:40,850 --> 01:47:39,330

stop and think about you know stop and

2147

01:47:42,710 --> 01:47:40,860

think about how could this all and our

2148

01:47:44,990 --> 01:47:42,720

time that UFOs and you talk about this

2149

01:47:47,480 --> 01:47:45,000

you know this all comes together there

2150

01:47:50,180 --> 01:47:47,490

is no all the line goes here and the

2151

01:47:51,770 --> 01:47:50,190

line there is no line folks there is no

2152

01:47:54,140 --> 01:47:51,780

line all this stuff all the allergies

2153

01:47:55,760 --> 01:47:54,150

all the all the things that go on in

2154

01:47:58,460 --> 01:47:55,770

your mind all this stuff comes together

2155

01:48:01,310 --> 01:47:58,470

what what happens is when you get into

2156

01:48:06,350 --> 01:48:01,320

this field of ufology call whatever you

2157

01:48:08,210 --> 01:48:06,360

want and any element that brings your

2158

01:48:11,330 --> 01:48:08,220

brain to a point that you come to

2159

01:48:13,910 --> 01:48:11,340

realize that you really need to shake

2160

01:48:16,730 --> 01:48:13,920

yourself free of beliefs that you

2161

01:48:19,130 --> 01:48:16,740

shouldn't take a notion and hang it up

2162

01:48:22,700 --> 01:48:19,140

on something and say yes that's it and

2163

01:48:26,000 --> 01:48:22,710

nothing more well that's the day your

2164

01:48:28,610 --> 01:48:26,010

brain just died and you just got rid of

2165

01:48:31,850 --> 01:48:28,620

anything that at that is at the crux of

2166

01:48:34,390 --> 01:48:31,860

what we want to say human because I

2167

01:48:37,100 --> 01:48:34,400

think part of the human experience is

2168

01:48:38,630 --> 01:48:37,110

experience let's look at this let's

2169

01:48:40,070 --> 01:48:38,640

analyze it

2170

01:48:41,990 --> 01:48:40,080

don't know what it is I don't even know

2171

01:48:46,970 --> 01:48:42,000

if we need to give it a name but it's

2172

01:48:50,720 --> 01:48:46,980

there and you know that rabbit hole

2173

01:48:54,080 --> 01:48:50,730

so I a lot longer and wider than than we

2174

01:48:55,820 --> 01:48:54,090

do want to run down but you know for

2175

01:49:00,620 --> 01:48:55,830

those of us are made at a point to do so

2176

01:49:03,740 --> 01:49:00,630

my god what what eye-opener the world is

2177

01:49:06,290 --> 01:49:03,750

is not what we think it is I mean just

2178

01:49:09,530 --> 01:49:06,300

enough just as a matter of fact matter

2179

01:49:11,330 --> 01:49:09,540

isn't what we think it is so if we have

2180

01:49:13,700 --> 01:49:11,340

we are dealing with beings or an

2181

01:49:16,490 --> 01:49:13,710

intelligence or a consciousness that's

2182

01:49:19,160 --> 01:49:16,500

that's vessel that it's been vessel be

2183

01:49:21,380 --> 01:49:19,170

it by evolution or or whatever that

2184

01:49:25,100 --> 01:49:21,390

they're possessing be it a body or

2185

01:49:29,120 --> 01:49:25,110

whatever has a different composition and

2186

01:49:31,340 --> 01:49:29,130

as far as abilities I mean just look

2187

01:49:33,500 --> 01:49:31,350

just look at our own planet look at a

2188

01:49:36,200 --> 01:49:33,510

squid look what a squid could do with

2189

01:49:39,170 --> 01:49:36,210

its colors it's it's like it's a it's a

2190

01:49:41,330 --> 01:49:39,180

living neon sign it we can't do that and

2191

01:49:44,450 --> 01:49:41,340

and what an octopus could do these are

2192

01:49:47,630 --> 01:49:44,460

beings right here on our planet that

2193

01:49:49,250 --> 01:49:47,640

ours that's foreign to us as alien us to

2194

01:49:51,560 --> 01:49:49,260

anything that could be sitting out there

2195

01:49:54,740 --> 01:49:51,570

trillions of miles away and it's right

2196

01:49:57,340 --> 01:49:54,750

here we eat the barren things but we

2197

01:50:00,110 --> 01:49:57,350

can't appreciate their their alien

2198

01:50:04,250 --> 01:50:00,120

they're they're so unusual and beautiful

2199

01:50:06,860 --> 01:50:04,260

abilities and intelligence my god you

2200

01:50:08,630 --> 01:50:06,870

know but it's right here we know more

2201
01:50:14,180 --> 01:50:08,640
about the moon than we know what's going

2202
01:50:16,880 --> 01:50:14,190
on in the ocean the ocean and we get UFO

2203
01:50:18,890 --> 01:50:16,890
cases the the you know on a diet I

2204
01:50:21,440 --> 01:50:18,900
notified some notable artists we had one

2205
01:50:24,230 --> 01:50:21,450
just recently a trucker called in one

2206
01:50:25,160 --> 01:50:24,240
from from Southern Illinois where he's

2207
01:50:28,220 --> 01:50:25,170
seeing this object

2208
01:50:30,770 --> 01:50:28,230
you know this UFO going to Red Lake now

2209
01:50:33,950 --> 01:50:30,780
we've had a lot of cases like that we've

2210
01:50:37,280 --> 01:50:33,960
had huge triangles come out of Lake

2211
01:50:40,250 --> 01:50:37,290
Michigan now what was the size of the

2212
01:50:42,380 --> 01:50:40,260
lake and there with this recent report

2213
01:50:45,200 --> 01:50:42,390

Grenn lakes a big lake it's a

2214

01:50:48,140 --> 01:50:45,210

impoundment it's one of those or they

2215

01:50:50,690 --> 01:50:48,150

blocked off a native dam and blocked off

2216

01:50:52,060 --> 01:50:50,700

an area look you look it up Brent Lakes

2217

01:50:55,400 --> 01:50:52,070

pretty big

2218

01:50:57,500 --> 01:50:55,410

again it's a story but it's you know

2219

01:51:00,770 --> 01:50:57,510

it's interesting and and everything's

2220

01:51:02,360 --> 01:51:00,780

credible to the point of a story it

2221

01:51:05,510 --> 01:51:02,370

can't go beyond that but give me some

2222

01:51:07,520 --> 01:51:05,520

evidence on it the other thing is you

2223

01:51:10,520 --> 01:51:07,530

know we've had other accounts in that

2224

01:51:13,670 --> 01:51:10,530

area of similar things these people had

2225

01:51:16,850 --> 01:51:13,680

come forward a good percentage of them

2226

01:51:19,460 --> 01:51:16,860

are just full of it but then there's

2227

01:51:23,300 --> 01:51:19,470

another huge percentage of of them

2228

01:51:25,070 --> 01:51:23,310

there's just as genuine is the most

2229

01:51:28,100 --> 01:51:25,080

Union people you could ever meet they

2230

01:51:29,840 --> 01:51:28,110

have no reason to lie they're telling

2231

01:51:34,160 --> 01:51:29,850

you what they saw is it a misperception

2232

01:51:36,380 --> 01:51:34,170

could be who knows but the thing is I've

2233

01:51:40,370 --> 01:51:36,390

had a lot of people said the same thing

2234

01:51:42,380 --> 01:51:40,380

so when you have multiple people say the

2235

01:51:45,350 --> 01:51:42,390

same thing maybe there's some credence

2236

01:51:48,950 --> 01:51:45,360

to it either way it's a darn good story

2237

01:51:52,400 --> 01:51:48,960

and to ignore it would be foolish yeah I

2238

01:51:57,770 --> 01:51:52,410

was always fascinated by what was it

2239

01:52:01,120 --> 01:51:57,780

Sweden where the cigar shaped vessels

2240

01:52:03,560 --> 01:52:01,130

around the world 1946 I think it was

2241

01:52:05,930 --> 01:52:03,570

Rockets yeah the ghost rockets they all

2242

01:52:09,560 --> 01:52:05,940

smashed into lakes or when you know

2243

01:52:12,890 --> 01:52:09,570

dropped into lakes another bizarre thing

2244

01:52:15,380 --> 01:52:12,900

that you know no one has any any clue to

2245

01:52:18,170 --> 01:52:15,390

what it is and and again you know

2246

01:52:20,480 --> 01:52:18,180

there's there's there's a book out now

2247

01:52:23,600 --> 01:52:20,490

that has an explanation to it but I

2248

01:52:28,700 --> 01:52:23,610

haven't read it the whole notion of

2249

01:52:30,710 --> 01:52:28,710

Russian experiments you know I just

2250

01:52:32,600 --> 01:52:30,720

don't buy it how did they find lakes I

2251
01:52:34,910 --> 01:52:32,610
mean they all win into lakes yeah how

2252
01:52:42,170 --> 01:52:34,920
about it it just makes sense and the

2253
01:52:46,040 --> 01:52:42,180
other thing is the Great Lakes for

2254
01:52:47,980 --> 01:52:46,050
instance the not too long ago maybe

2255
01:52:51,350 --> 01:52:47,990
about seven years ago eight years ago

2256
01:52:53,900 --> 01:52:51,360
all of a sudden you know satellite

2257
01:52:56,720 --> 01:52:53,910
images were showing unusual perfect

2258
01:52:59,330 --> 01:52:56,730
circular impressions on the bottom of

2259
01:53:01,220 --> 01:52:59,340
Lake Superior and they're trying to

2260
01:53:04,430 --> 01:53:01,230
figure out what are these things you

2261
01:53:06,590 --> 01:53:04,440
know like craters possibly or something

2262
01:53:12,560 --> 01:53:06,600
not sure but there were some perfectly

2263
01:53:17,180 --> 01:53:12,570

round impressions or holes in Lake

2264

01:53:19,580 --> 01:53:17,190

Superior so just to think that it's

2265

01:53:25,090 --> 01:53:19,590

beyond the possibility of there being

2266

01:53:28,340 --> 01:53:25,100

portals to underground or you know

2267

01:53:34,060 --> 01:53:28,350

whatever base is water I think it's a

2268

01:53:37,520 --> 01:53:34,070

perfect place to to hide you know

2269

01:53:39,860 --> 01:53:37,530

entries into something subterranean or

2270

01:53:42,530 --> 01:53:39,870

just to have bases under under water

2271

01:53:45,379 --> 01:53:42,540

that these things have no problem moving

2272

01:53:48,310 --> 01:53:45,389

through water and apparently summer may

2273

01:53:52,010 --> 01:53:48,320

even have the ability to transverse

2274

01:53:53,810 --> 01:53:52,020

material such as rocks and you don't

2275

01:54:01,100 --> 01:53:53,820

know I mean they may have a better

2276

01:54:03,350 --> 01:54:01,110

understanding of the way to do I don't

2277

01:54:05,090 --> 01:54:03,360

know you know the whole thing is what

2278

01:54:07,070 --> 01:54:05,100

are we dealing with and what we're

2279

01:54:10,399 --> 01:54:07,080

dealing is as if there's a multiplicity

2280

01:54:14,330 --> 01:54:10,409

of phenomena and possible explanations

2281

01:54:17,090 --> 01:54:14,340

it isn't one thing that that fits all it

2282

01:54:20,600 --> 01:54:17,100

isn't you know it isn't a Swiss Army

2283

01:54:23,060 --> 01:54:20,610

knife either I think it's it's things

2284

01:54:26,140 --> 01:54:23,070

being things that could be just quite

2285

01:54:28,520 --> 01:54:26,150

simply vessels things that could be

2286

01:54:30,620 --> 01:54:28,530

advanced technologies from other places

2287

01:54:33,110 --> 01:54:30,630

or their beings someday that live here

2288

01:54:35,840 --> 01:54:33,120

some that share this planet this place

2289

01:54:38,180 --> 01:54:35,850

this time to space or some variation of

2290

01:54:41,990 --> 01:54:38,190

it then of course there are things that

2291

01:54:44,030 --> 01:54:42,000

may be so outside the possibility of

2292

01:54:46,520 --> 01:54:44,040

even comprehending they could pending

2293

01:54:49,520 --> 01:54:46,530

you know by the human intelligent anyway

2294

01:54:52,129 --> 01:54:49,530

I don't care if you have a 500 IQ it's

2295

01:54:54,620 --> 01:54:52,139

just outside the scope of the realm of

2296

01:54:56,860 --> 01:54:54,630

human that that it just can only be put

2297

01:55:01,550 --> 01:54:56,870

into category of other and that's fine

2298

01:55:04,280 --> 01:55:01,560

why not right mm-hmm

2299

01:55:07,129 --> 01:55:04,290

I we only have like a couple minutes

2300

01:55:10,220 --> 01:55:07,139

left here I mean something like two

2301

01:55:13,399 --> 01:55:10,230

minutes or so Sam you don't I don't

2302

01:55:16,669 --> 01:55:13,409

believe you have a website to you know

2303

01:55:17,790 --> 01:55:16,679

not I'm working on it I have the UFO guy

2304

01:55:23,130 --> 01:55:17,800

by the way I've on

2305

01:55:25,800 --> 01:55:23,140

for how many years right since ages I

2306

01:55:26,400 --> 01:55:25,810

have the UFO guy I got the UFO sleuth I

2307

01:55:28,800 --> 01:55:26,410

got a few

2308

01:55:31,590 --> 01:55:28,810

I've got like 37 domains it's like I got

2309

01:55:33,390 --> 01:55:31,600

nothing to do your time it's like that

2310

01:55:37,080 --> 01:55:33,400

sounds good I got a good domain for that

2311

01:55:38,610 --> 01:55:37,090

you know really come on Sam what do you

2312

01:55:39,900 --> 01:55:38,620

do with these things Joey's gonna beat

2313

01:55:44,370 --> 01:55:39,910

you to death with them that's what you

2314

01:55:46,380 --> 01:55:44,380

do well can someone reach you out there

2315

01:55:49,680 --> 01:55:46,390

through any type of way absolutely you

2316

01:55:55,800 --> 01:55:49,690

could you could contact me @ SJ moranto

2317

01:55:58,980 --> 01:55:55,810

SJ moranto at comcast.net SJ around 2:00

2318

01:56:01,380 --> 01:55:58,990

at comcast.net and you know I did get a

2319

01:56:04,380 --> 01:56:01,390

Skype phone number though not eventually

2320

01:56:06,750 --> 01:56:04,390

give to you so people can just call and

2321

01:56:10,380 --> 01:56:06,760

leave a message on there - now do you

2322

01:56:12,150 --> 01:56:10,390

actually take reports yourselves I take

2323

01:56:14,160 --> 01:56:12,160

reports if they're outside the area if

2324

01:56:15,900 --> 01:56:14,170

people don't for some reason I don't

2325

01:56:18,600 --> 01:56:15,910

know why I don't want to give it to move

2326

01:56:25,230 --> 01:56:18,610

on or if it's to spookier they're afraid

2327

01:56:27,450 --> 01:56:25,240

of their anonymity anonymous go to the

2328

01:56:31,410 --> 01:56:27,460

MUFON site report it if you want

2329

01:56:33,900 --> 01:56:31,420

something directly to me and for for one

2330

01:56:36,510 --> 01:56:33,910

reason or another if you're with another

2331

01:56:38,340 --> 01:56:36,520

organization agency or whatever then you

2332

01:56:42,500 --> 01:56:38,350

want me to look at it that's fine police

2333

01:56:45,540 --> 01:56:42,510

department whatever if you're afraid to

2334

01:56:48,900 --> 01:56:45,550

to give it to any group / saying is one

2335

01:56:50,250 --> 01:56:48,910

a person without it fine and they're

2336

01:56:54,960 --> 01:56:50,260

welcome to give me a call

2337

01:56:57,840 --> 01:56:54,970

just shoot me an email all right that's

2338

01:56:59,910 --> 01:56:57,850

gonna be it for us today sorry we have

2339

01:57:03,150 --> 01:56:59,920

to cut off for another show coming up

2340

01:57:04,800 --> 01:57:03,160

live and thank you very much for being

2341

01:57:06,410 --> 01:57:04,810

on the show and I have a couple of other

2342

01:57:10,290 --> 01:57:06,420

people to thank

2343

01:57:12,060 --> 01:57:10,300

Alejandro Rojas for the UFO news then

2344

01:57:15,030 --> 01:57:12,070

after that I'd like to thank Keith

2345

01:57:16,230 --> 01:57:15,040

Roland for for producing the dark matter

2346

01:57:19,890 --> 01:57:16,240

radio network

2347

01:57:22,800 --> 01:57:19,900

Peggy shining for the Facebook page and

2348

01:57:24,780 --> 01:57:22,810

if you like us on Facebook about twenty

2349

01:57:26,730 --> 01:57:24,790

thousand people are so have you'll get

2350

01:57:29,610 --> 01:57:26,740

all the latest UFO news Peggy does a

2351

01:57:30,120 --> 01:57:29,620

great job with that and I also want to

2352

01:57:32,100 --> 01:57:30,130

thank

2353

01:57:35,310 --> 01:57:32,110

Kerry Lloyd White House

2354

01:57:37,260 --> 01:57:35,320

and Bruce Renier for the music and I

2355

01:57:38,820 --> 01:57:37,270

also want to thank you the subscriber

2356

01:57:41,610 --> 01:57:38,830

because if you're listening now that

2357

01:57:44,040 --> 01:57:41,620

means you're subscribing to get Joyride

2358

01:57:45,750 --> 01:57:44,050

and helping us out and I want to say I

2359

01:57:47,700 --> 01:57:45,760

really really appreciate that

2360

01:57:50,010 --> 01:57:47,710

helps with all the expenses of the show

2361

01:57:51,990 --> 01:57:50,020

well that's it for this week and we'll

2362

01:57:53,460 --> 01:57:52,000

see you here next week right here on the

2363

01:57:56,550 --> 01:57:53,470

Dark Matter radio network
