

1
00:00:03,169 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:04,249 --> 00:00:03,179
triangle

3
00:00:05,360 --> 00:00:04,259
you know there's explanation for

4
00:00:08,570 --> 00:00:05,370
everything that occurred in the

5
00:00:11,540 --> 00:00:08,580
Rendlesham forest incident aliens at all

6
00:00:14,450 --> 00:00:11,550
it was completely silent it comes right

7
00:00:16,700 --> 00:00:14,460
over our head it's so classic

8
00:00:18,560 --> 00:00:16,710
flying-saucer really standing in the

9
00:00:20,000 --> 00:00:18,570
clearing he turned over to my father and

10
00:00:24,670 --> 00:00:20,010
held his hand and he looked in his eyes

his new book the UFO phenomenon should I

25

00:01:06,440 --> 00:01:04,379

believe and that's actually part of the

26

00:01:09,020 --> 00:01:06,450

title I'm not saying should I believe

27

00:01:12,050 --> 00:01:09,030

anyway I just got it in the mail a few

28

00:01:15,289 --> 00:01:12,060

minutes ago so I probably won't have

29

00:01:17,630 --> 00:01:15,299

that read by the time Robert is on and

30

00:01:21,140 --> 00:01:17,640

he'll be coming up after Alejandro Rojas

full name unless you ask me to a few

62
00:02:39,980 --> 00:02:37,170
people emailed me so if you've been

64

00:02:46,490 --> 00:02:43,110

server migration my email has gone up

65

00:02:48,080 --> 00:02:46,500

somewhere into the digital ether and I

66

00:02:49,790 --> 00:02:48,090

have no idea who it was that said I

67

00:02:51,440 --> 00:02:49,800

thank you all very much and thank you

79

00:03:46,400 --> 00:03:44,220

other you know the dollar supporters

80

00:03:48,199 --> 00:03:46,410

that's great too and thank you for

81

00:03:50,840 --> 00:03:48,209

listening even if you're not supporting

82

00:03:52,520 --> 00:03:50,850

us and you know that's enough for me

83

00:03:56,150 --> 00:03:52,530

talking it's about time we bring in

84

00:03:58,400 --> 00:03:56,160

Alejandro how are you Alejandro good but

85

00:04:01,630 --> 00:03:58,410

you left a couple names out I did I

86

00:04:05,720 --> 00:04:01,640

probably left out yeah you let that IP

87

00:04:08,720 --> 00:04:05,730

freely and Seymour butts

88

00:04:11,000 --> 00:04:08,730

I always forget those two yeah yeah

89

00:04:12,440 --> 00:04:11,010

they're on the lower level anyway you

90

00:04:16,069 --> 00:04:12,450

know three months

91

00:04:19,069 --> 00:04:16,079

yeah those cheapos yeah so what's

92

00:04:23,870 --> 00:04:19,079

happening for the news so yeah I'm gonna

93

00:04:25,730 --> 00:04:23,880

kind of bring you some news it's I'm a

94

00:04:26,470 --> 00:04:25,740

little disjointed it's not that I'm

95

00:04:29,110 --> 00:04:26,480

having a

96

00:04:35,140 --> 00:04:29,120

bad attitude about stuff I'm just tired

97

00:04:38,380 --> 00:04:35,150

I'm a little jet lag and I so I'm not

98

00:04:41,410 --> 00:04:38,390

totally caught up because we on the news

99

00:04:44,440 --> 00:04:41,420

because of course uh we've been swamped

100

00:04:45,880 --> 00:04:44,450

with this UFO Congress stuff so you're

101
00:04:49,480 --> 00:04:45,890
basically saying you're not on your game

102
00:04:50,170 --> 00:04:49,490
today yeah not on my game and that's

103
00:04:52,570 --> 00:04:50,180
okay

104
00:04:54,790 --> 00:04:52,580
so I want to talk more about like just

105
00:04:57,850 --> 00:04:54,800
my life and what's been going on okay

106
00:04:59,230 --> 00:04:57,860
hey look next week you will not be you

107
00:05:01,690 --> 00:04:59,240
won't even have time to breathe next

108
00:05:04,450 --> 00:05:01,700
week so you know no news next week when

109
00:05:06,100 --> 00:05:04,460
I'm live there if you're walking by the

110
00:05:07,510 --> 00:05:06,110
mic you can pop in and say hi but I

111
00:05:11,050 --> 00:05:07,520
don't think that's going to happen

112
00:05:14,080 --> 00:05:11,060
I'll try you never know never it's just

113
00:05:17,230 --> 00:05:14,090

you know sometimes everything's going

114

00:05:18,610 --> 00:05:17,240

smooth but then something you know goes

115

00:05:21,160 --> 00:05:18,620

haywire and we've got to run around

116

00:05:22,840 --> 00:05:21,170

where someone comes and they're like you

117

00:05:25,030 --> 00:05:22,850

know I've got a carousel the slides

118

00:05:26,800 --> 00:05:25,040

could use it I just want you to scan

119

00:05:30,160 --> 00:05:26,810

these and this is going to be my

120

00:05:31,810 --> 00:05:30,170

presentation they don't wait to last you

121

00:05:33,460 --> 00:05:31,820

know something like that hey how many

122

00:05:38,830 --> 00:05:33,470

years have you been involved in this

123

00:05:41,830 --> 00:05:38,840

yourself you know this is our fifth year

124

00:05:46,540 --> 00:05:41,840

we're running it completely the year

125

00:05:48,400 --> 00:05:46,550

prior to that the 2008 I was involved

126

00:05:51,010 --> 00:05:48,410

where it was kind of a transitional

127

00:05:53,140 --> 00:05:51,020

where we were informing people about you

128

00:05:56,140 --> 00:05:53,150

know open minds and how we'd be taking

129

00:05:59,140 --> 00:05:56,150

it over and so I ate it in that and then

130

00:06:02,680 --> 00:05:59,150

prior to that I worked the Congress I

131

00:06:05,710 --> 00:06:02,690

think it was 2006 why I ran the register

132

00:06:10,960 --> 00:06:05,720

in the mornings and then watched the

133

00:06:13,840 --> 00:06:10,970

lectures in the evenings so and then

134

00:06:17,260 --> 00:06:13,850

even prior to that I was involved a bit

135

00:06:20,290 --> 00:06:17,270

so so it's been a while and this is the

136

00:06:25,060 --> 00:06:20,300

number one in the whole entire world is

137

00:06:28,120 --> 00:06:25,070

it not the whole entire world as far as

138

00:06:31,480 --> 00:06:28,130

we know I know in China they have a huge

139

00:06:33,520 --> 00:06:31,490

organization there however I don't know

140

00:06:36,910 --> 00:06:33,530

that they have regular conferences and

141

00:06:37,430 --> 00:06:36,920

I've asked dr. Soong sheerly or we have

142

00:06:39,620 --> 00:06:37,440

who

143

00:06:42,170 --> 00:06:39,630

runs the group over there and he says

144

00:06:45,140 --> 00:06:42,180

they don't have anything regular annual

145

00:06:47,690 --> 00:06:45,150

type of deal I've heard you know of

146

00:06:50,060 --> 00:06:47,700

conferences that happened sporadically

147

00:06:55,040 --> 00:06:50,070

here and there but as far as an annual

148

00:06:57,380 --> 00:06:55,050

conference yes we are the largest so

149

00:06:59,810 --> 00:06:57,390

that's kind of cool that is pretty cool

150

00:07:01,760 --> 00:06:59,820

so do we have any did you get that

151
00:07:04,010 --> 00:07:01,770
chance yeah I mean I've got some news I

152
00:07:07,430 --> 00:07:04,020
can't say that I'm well versed on the

153
00:07:09,560 --> 00:07:07,440
details I was actually in New York the

154
00:07:13,250 --> 00:07:09,570
last couple days I got to go to a film

155
00:07:16,040 --> 00:07:13,260
junket so that's the jet lag stamp or

156
00:07:18,620 --> 00:07:16,050
chappie which is a really cool movie by

157
00:07:21,650 --> 00:07:18,630
the way so yes that's really cool

158
00:07:24,680 --> 00:07:21,660
but let's see here this is something

159
00:07:27,620 --> 00:07:24,690
Jason just posted this morning which is

160
00:07:32,420 --> 00:07:27,630
others people who are making some

161
00:07:35,510 --> 00:07:32,430
bathroom carpets out of that are based

162
00:07:36,140 --> 00:07:35,520
off of crop circle designs they're very

163
00:07:38,900 --> 00:07:36,150

pretty

164

00:07:42,380 --> 00:07:38,910

you know crop circle designed deals here

165

00:07:45,680 --> 00:07:42,390

so that's kind of cool or is it the

166

00:07:47,930 --> 00:07:45,690

other way around people making crop

167

00:07:49,970 --> 00:07:47,940

circles off the bathroom mats I don't

168

00:07:52,540 --> 00:07:49,980

know but anyway that's a very good point

169

00:07:57,470 --> 00:07:52,550

yeah you'd have to research that further

170

00:07:59,840 --> 00:07:57,480

but there's some cool sightings that

171

00:08:02,810 --> 00:07:59,850

MUFON is posted Roger Marcia North

172

00:08:07,100 --> 00:08:02,820

Carolina witness says he saw a UFO

173

00:08:11,530 --> 00:08:07,110

triangle UFO for military terminal this

174

00:08:14,360 --> 00:08:11,540

one's really neat this is a video and

175

00:08:16,610 --> 00:08:14,370

the videos are quite large and they

176

00:08:18,890 --> 00:08:16,620

should have put these on youtubes so

177

00:08:21,620 --> 00:08:18,900

they could be accessed more easily but

178

00:08:23,540 --> 00:08:21,630

they're like downloadable files but this

179

00:08:26,690 --> 00:08:23,550

is a video it's supposedly over Red

180

00:08:30,020 --> 00:08:26,700

Rocks Amphitheatre that's in Colorado

181

00:08:32,029 --> 00:08:30,030

yeah in fact that's where I spent most

182

00:08:35,120 --> 00:08:32,039

that's probably where I've seen most of

183

00:08:37,700 --> 00:08:35,130

my concerts because once you go to Red

184

00:08:39,529 --> 00:08:37,710

Rocks because I lived in Denver you

185

00:08:41,870 --> 00:08:39,539

don't want to go anywhere else it's only

186

00:08:44,420 --> 00:08:41,880

open the summer it's absolutely

187

00:08:48,140 --> 00:08:44,430

incredible it's really many many shows

188

00:08:51,080 --> 00:08:48,150

there back in the late 70s one luckily

189

00:08:54,170 --> 00:08:51,090

my favorite band

190

00:08:57,350 --> 00:08:54,180

you know especially in the 2000s and

191

00:08:59,690 --> 00:08:57,360

even in the 90s and stuff were Radiohead

192

00:09:02,570 --> 00:08:59,700

and Bjork we're two of my absolute

193

00:09:03,950 --> 00:09:02,580

favorites and they loved Red Rock so

194

00:09:06,650 --> 00:09:03,960

they would come to Red Rocks almost

195

00:09:08,660 --> 00:09:06,660

every year at least quite often and I'd

196

00:09:10,730 --> 00:09:08,670

go see them every time they went there

197

00:09:14,180 --> 00:09:10,740

and it's just spectacular

198

00:09:18,230 --> 00:09:14,190

so yeah so this is a really interesting

199

00:09:19,490 --> 00:09:18,240

kind of circular shaped lights flying

200

00:09:24,230 --> 00:09:19,500

over Red Rocks

201
00:09:27,140 --> 00:09:24,240
but overall MUFON says that they the

202
00:09:29,210 --> 00:09:27,150
reports are up in January in fact they

203
00:09:33,640 --> 00:09:29,220
say they have a forty four point five

204
00:09:36,650 --> 00:09:33,650
percent increase in sightings in January

205
00:09:39,740 --> 00:09:36,660
compared to December of 2014

206
00:09:42,290 --> 00:09:39,750
Wow did they go per year on something

207
00:09:44,120 --> 00:09:42,300
like that like for instance January last

208
00:09:48,740 --> 00:09:44,130
year there were this many sightings and

209
00:09:51,140 --> 00:09:48,750
it's good but they didn't in this case

210
00:09:53,780 --> 00:09:51,150
but that would be really interesting to

211
00:09:56,960 --> 00:09:53,790
look at I have those numbers so maybe

212
00:09:59,810 --> 00:09:56,970
I'll do that at some point or you know I

213
00:10:01,790 --> 00:09:59,820

wouldn't be opposed to sending you my my

214

00:10:06,410 --> 00:10:01,800

spreadsheet on this if you want to take

215

00:10:09,260 --> 00:10:06,420

a look but they compared it to December

216

00:10:12,590 --> 00:10:09,270

so but that's an interesting question of

217

00:10:14,210 --> 00:10:12,600

how we compared to January usually the

218

00:10:15,440 --> 00:10:14,220

summer months are when there are more

219

00:10:17,450 --> 00:10:15,450

sightings I think it's just because

220

00:10:19,220 --> 00:10:17,460

there's more clear sky so people can see

221

00:10:19,640 --> 00:10:19,230

more and more people outside that's

222

00:10:21,560 --> 00:10:19,650

right

223

00:10:23,090 --> 00:10:21,570

yeah that would be interesting to look

224

00:10:25,610 --> 00:10:23,100

at yeah

225

00:10:27,350 --> 00:10:25,620

otherwise you know there's I think we

226

00:10:30,430 --> 00:10:27,360

talked about the Roswell slides that's

227

00:10:33,620 --> 00:10:30,440

making a lot of news and the ongoing

228

00:10:38,270 --> 00:10:33,630

still ongoing and I put a documentary a

229

00:10:41,480 --> 00:10:38,280

trailer - a documentary that it seems

230

00:10:43,670 --> 00:10:41,490

one of the photo analysts it's going to

231

00:10:46,250 --> 00:10:43,680

make on the slides and in this

232

00:10:50,060 --> 00:10:46,260

documentary you can actually see some

233

00:10:52,940 --> 00:10:50,070

more details about the slides in fact in

234

00:10:57,350 --> 00:10:52,950

one scene the person is looking at a

235

00:11:00,890 --> 00:10:57,360

slide on like a light table someone

236

00:11:02,569 --> 00:11:00,900

zoomed in on that enlarged it and fixed

237

00:11:05,829 --> 00:11:02,579

it so it wasn't a tan

238

00:11:08,749 --> 00:11:05,839

go so you can get more of an idea of

239

00:11:12,919 --> 00:11:08,759

what the slide actually looks like so

240

00:11:15,350 --> 00:11:12,929

it's a little less fuzzy dup then the

241

00:11:21,160 --> 00:11:15,360

ones that we've seen and I've got to say

242

00:11:25,639 --> 00:11:21,170

that this slide is very very

243

00:11:28,160 --> 00:11:25,649

underwhelming now do you have a picture

244

00:11:31,189 --> 00:11:28,170

we can put that in the show notes yeah

245

00:11:34,939 --> 00:11:31,199

you know what I I know I I it's UFO

246

00:11:36,530 --> 00:11:34,949

Chronicles has that slide up and I I

247

00:11:39,710 --> 00:11:36,540

don't think I'm gonna have time to write

248

00:11:43,639 --> 00:11:39,720

a story on where you put it up but find

249

00:11:46,970 --> 00:11:43,649

that UFO Chronicles has it up so and

250

00:11:49,639 --> 00:11:46,980

that's who I tweeted mm-hmm all right

251
00:11:51,439 --> 00:11:49,649
retweeted on and would have gotten the

252
00:11:52,579 --> 00:11:51,449
info from so you know that's really

253
00:11:54,829 --> 00:11:52,589
interesting otherwise of course the

254
00:11:57,769 --> 00:11:54,839
Steven Greer thing is still making a lot

255
00:12:00,979 --> 00:11:57,779
of noise most analysts are quite certain

256
00:12:03,229 --> 00:12:00,989
that video was flares but a lot of

257
00:12:05,629 --> 00:12:03,239
discussion about that video we discussed

258
00:12:08,059 --> 00:12:05,639
last week as well you know I did a

259
00:12:11,059 --> 00:12:08,069
podcast on my other podcast which is for

260
00:12:13,549 --> 00:12:11,069
antiques and fine art and I spoke with a

261
00:12:15,619 --> 00:12:13,559
guy that's running this thing called the

262
00:12:17,689 --> 00:12:15,629
rescued film project and what they do is

263
00:12:19,850 --> 00:12:17,699

they find film that's never been

264

00:12:21,499 --> 00:12:19,860

developed that was left in cameras or

265

00:12:24,859 --> 00:12:21,509

just filed in the States

266

00:12:27,590 --> 00:12:24,869

yeah guy interviewed on NPR recently oh

267

00:12:31,669 --> 00:12:27,600

yeah well I had him on my podcast and I

268

00:12:33,739 --> 00:12:31,679

told him about the alien slides in the

269

00:12:36,619 --> 00:12:33,749

middle of the podcast I said have you

270

00:12:38,030 --> 00:12:36,629

ever found anything spectacular like

271

00:12:40,280 --> 00:12:38,040

that and he said I'll tell you what if I

272

00:12:42,979 --> 00:12:40,290

find any aliens I'll you'll be the first

273

00:12:46,789 --> 00:12:42,989

to know oh that's good that's good that

274

00:12:49,669 --> 00:12:46,799

he'll let you know because I think in

275

00:12:53,179 --> 00:12:49,679

the United States for the people who

276

00:12:55,759 --> 00:12:53,189

know you your credibility is higher than

277

00:12:57,769 --> 00:12:55,769

that of Jaime moose and because of

278

00:12:59,479 --> 00:12:57,779

course people are kind of disappointed

279

00:13:01,639 --> 00:12:59,489

in some of the hoaxes that they feel

280

00:13:05,090 --> 00:13:01,649

he's backed in the past a lot of people

281

00:13:08,329 --> 00:13:05,100

are questioning the wisdom of releasing

282

00:13:10,159 --> 00:13:08,339

this slide in Mexico yeah that is kind

283

00:13:13,309 --> 00:13:10,169

of curious why they're doing it in

284

00:13:16,069 --> 00:13:13,319

Mexico something that was found here is

285

00:13:16,460 --> 00:13:16,079

it well it's probably about the

286

00:13:19,280 --> 00:13:16,470

all-mighty

287

00:13:22,850 --> 00:13:19,290

a dollar as they say you know and yeah

288

00:13:24,170 --> 00:13:22,860

in defensive Don Schmidt and and Tom

289

00:13:25,970 --> 00:13:24,180

Kerry not so much because I've been

290

00:13:28,880 --> 00:13:25,980

talking to Don Schmidt mostly so I don't

291

00:13:32,570 --> 00:13:28,890

know it wasn't his decision it was up to

292

00:13:34,850 --> 00:13:32,580

the person who owns the slide yes like I

293

00:13:37,190 --> 00:13:34,860

believe I said last week and I hope I'm

294

00:13:38,840 --> 00:13:37,200

not repeating myself as an estate sale

295

00:13:40,490 --> 00:13:38,850

person is looking for money and they

296

00:13:43,760 --> 00:13:40,500

don't really necessarily worry too much

297

00:13:45,710 --> 00:13:43,770

about write something whether it's a

298

00:13:47,600 --> 00:13:45,720

lien or whatever else they just you know

299

00:13:48,980 --> 00:13:47,610

that's how they make their living as

300

00:13:50,750 --> 00:13:48,990

they buy something and they sell

301
00:13:53,180 --> 00:13:50,760
something and make money so that's the

302
00:13:56,750 --> 00:13:53,190
most important well that's about it for

303
00:13:59,210 --> 00:13:56,760
this week right that's pretty much it my

304
00:14:02,330 --> 00:13:59,220
friend all right so I will see you in

305
00:14:05,210 --> 00:14:02,340
person in just a matter of days very

306
00:14:06,800 --> 00:14:05,220
excited to see you it's gonna be a lot

307
00:14:09,500 --> 00:14:06,810
of fun I'm so happy that you're gonna be

308
00:14:10,760 --> 00:14:09,510
able to make it out and although we're

309
00:14:12,350 --> 00:14:10,770
getting our butts kicked right now to

310
00:14:14,750 --> 00:14:12,360
get prepared for it I have a table full

311
00:14:16,850 --> 00:14:14,760
of beautiful t-shirts I saw yours yours

312
00:14:18,500 --> 00:14:16,860
is very nice as well it's gonna be a

313
00:14:20,720 --> 00:14:18,510

wonderful event it's gonna be a lot of

314

00:14:22,730 --> 00:14:20,730

fun well I can't wait all right

315

00:14:24,710 --> 00:14:22,740

well thanks so much and I'll be seeing

316

00:14:26,690 --> 00:14:24,720

you next week all right tuck you next

317

00:14:28,520 --> 00:14:26,700

week Betty alright so hang in there for

318

00:15:33,660 --> 00:14:28,530

the little quick music break and we'll

319

00:15:41,769 --> 00:15:36,819

how you doing Robert I'm fine thank you

320

00:15:44,740 --> 00:15:41,779

thanks for joining us and I just got

321

00:15:47,920 --> 00:15:44,750

your book you probably heard that in our

322

00:15:52,090 --> 00:15:47,930

news segment but I just got your book a

323

00:15:55,509 --> 00:15:52,100

few minutes before so I've not been able

324

00:15:57,519 --> 00:15:55,519

to read it unfortunately but we're going

325

00:15:59,710 --> 00:15:57,529

to be talking about your book mostly

326

00:16:01,540 --> 00:15:59,720

this evening and we're going to take a

327

00:16:04,590 --> 00:16:01,550

break at the top of the hour just for a

328

00:16:09,100 --> 00:16:04,600

second come back on but I want to know

329

00:16:12,910 --> 00:16:09,110

who is Robert Davis PhD and how did you

330

00:16:16,740 --> 00:16:12,920

get here thank you very much for

331

00:16:20,590 --> 00:16:16,750

inviting me on your excellent show and

332

00:16:23,470 --> 00:16:20,600

listeners could find out more about my

333

00:16:29,290 --> 00:16:23,480

book on my website the UFO phenomenon

334

00:16:33,720 --> 00:16:29,300

calm and can get my book on Amazon but

335

00:16:37,480 --> 00:16:33,730

as a scientist I have always found the

336

00:16:40,470 --> 00:16:37,490

unexplained very intriguing and for some

337

00:16:43,629 --> 00:16:40,480

unknown reason the UFO phenomenon has

338

00:16:46,930 --> 00:16:43,639

stimulated my interest ever since I was

339

00:16:52,509 --> 00:16:46,940

a child and I think it's as intriguing

340

00:16:55,030 --> 00:16:52,519

as it gets and as a baby boomer we all

341

00:16:57,970 --> 00:16:55,040

remember the Flying Saucer hype and Star

342

00:17:01,350 --> 00:16:57,980

Trek episodes over some frozen TV

343

00:17:04,539 --> 00:17:01,360

dinners during nineteen sixties and

344

00:17:09,490 --> 00:17:04,549

although I'd like to see reruns of Star

345

00:17:12,460 --> 00:17:09,500

Trek some 50 or so years later which I

346

00:17:16,600 --> 00:17:12,470

would find engaging I also find this

347

00:17:19,600 --> 00:17:16,610

phenomenon to be as well and it clearly

348

00:17:23,020 --> 00:17:19,610

presents very unique topics of debate

349

00:17:26,530 --> 00:17:23,030

and research challenges that once

350

00:17:28,449 --> 00:17:26,540

adequately addressed if it can be may

351

00:17:31,630 --> 00:17:28,459

have very important implications for

352

00:17:35,260 --> 00:17:31,640

science and society so but what really

353

00:17:38,649 --> 00:17:35,270

motivated me to write this book was when

354

00:17:39,600 --> 00:17:38,659

my wife and I visited Sedona Arizona

355

00:17:42,060 --> 00:17:39,610

probably one

356

00:17:46,980 --> 00:17:42,070

most beautiful cities in that only

357

00:17:51,150 --> 00:17:46,990

America but the world when we observe an

358

00:17:55,620 --> 00:17:51,160

orange orb at night and while observing

359

00:17:58,350 --> 00:17:55,630

it we saw another one either emerge from

360

00:18:00,600 --> 00:17:58,360

that one or from behind it and they both

361

00:18:04,710 --> 00:18:00,610

remain stationary for a period of time

362

00:18:10,880 --> 00:18:04,720

until they blinked out then they said

363

00:18:14,310 --> 00:18:10,890

I'm writing a book in a sentence was

364

00:18:17,700 --> 00:18:14,320

intended to evoke choice a critical

365

00:18:20,039 --> 00:18:17,710

thought of the the extraordinary

366

00:18:23,220 --> 00:18:20,049

phenomenon that that encompasses this

367

00:18:25,380 --> 00:18:23,230

field that we call ufology and i and i

368

00:18:27,380 --> 00:18:25,390

don't intend to convince the UFO

369

00:18:30,450 --> 00:18:27,390

skeptics and believers that some

370

00:18:34,470 --> 00:18:30,460

unexplained ufos are governed by alien

371

00:18:37,260 --> 00:18:34,480

beings or that all ufos can be explained

372

00:18:40,919 --> 00:18:37,270

as natural and or man-made phenomenon

373

00:18:44,039 --> 00:18:40,929

that the primary goal of this book was

374

00:18:47,549 --> 00:18:44,049

to simply present at the evidence series

375

00:18:50,730 --> 00:18:47,559

topics for debate and and scientific

376

00:18:52,950 --> 00:18:50,740

analysis so that we can possibly better

377

00:18:55,620 --> 00:18:52,960

understand the phenomenon and especially

378

00:18:59,640 --> 00:18:55,630

the support that governs and regulates

379

00:19:01,980 --> 00:18:59,650

its behavior which we do not know now

380

00:19:04,230 --> 00:19:01,990

just going back to well first of all

381

00:19:06,870 --> 00:19:04,240

just let me just throw this out there if

382

00:19:09,000 --> 00:19:06,880

you're listening live please jump into

383

00:19:11,130 --> 00:19:09,010

the chat room and join us and i'm in

384

00:19:13,620 --> 00:19:11,140

there as well and you can ask our guests

385

00:19:17,570 --> 00:19:13,630

a question that's at podcast UFO calm

386

00:19:20,460 --> 00:19:17,580

takes you two clicks to get in there so

387

00:19:25,799 --> 00:19:20,470

how long ago was this sighting you had

388

00:19:30,120 --> 00:19:25,809

in Sedona 2012 Oh so this is recently

389

00:19:33,210 --> 00:19:30,130

and have you been more or less keeping

390

00:19:34,770 --> 00:19:33,220

your eye on the topic all along here or

391

00:19:38,610 --> 00:19:34,780

is this something you just overwrite

392

00:19:41,789 --> 00:19:38,620

into no I've been I've been curious

393

00:19:43,770 --> 00:19:41,799

about the the subject matter for my

394

00:19:48,630 --> 00:19:43,780

entire life and certainly read many

395

00:19:51,120 --> 00:19:48,640

books on the on the issues of the UFO

396

00:19:53,039 --> 00:19:51,130

phenomenon that have been frustrated

397

00:19:57,690 --> 00:19:53,049

because you keep here

398

00:20:00,149 --> 00:19:57,700

about the same the same various

399

00:20:02,879 --> 00:20:00,159

incidents such as Roswell the Phoenix

400

00:20:07,529 --> 00:20:02,889

like Phoenix writes among many other

401
00:20:13,409 --> 00:20:07,539
types of mass sightings that lead many

402
00:20:16,859 --> 00:20:13,419
researches to continue to address as the

403
00:20:20,249 --> 00:20:16,869
so called smoking gun that proves that

404
00:20:23,460 --> 00:20:20,259
UFOs are aliens from either another

405
00:20:27,169 --> 00:20:23,470
solar system or dimension or is a

406
00:20:32,279 --> 00:20:27,179
paranormal manifestation of some type

407
00:20:35,759 --> 00:20:32,289
but the the existence of UFOs does not

408
00:20:39,509 --> 00:20:35,769
necessarily mean that such crap are from

409
00:20:41,700 --> 00:20:39,519
another solar system or dimension

410
00:20:43,409 --> 00:20:41,710
it simply indicates that it's an

411
00:20:45,029 --> 00:20:43,419
unexplained object in the sky

412
00:20:47,700 --> 00:20:45,039
and more often than not the weather

413
00:20:53,749 --> 00:20:47,710

balloon is satellite of an atmospheric

414

00:21:01,070 --> 00:20:57,330

if quantum physics can possibly possibly

415

00:21:06,029 --> 00:21:01,080

explain that the phenomenon associated

416

00:21:09,359 --> 00:21:06,039

with it but the more elusive question I

417

00:21:14,909 --> 00:21:09,369

think is does the collective evidence

418

00:21:17,909 --> 00:21:14,919

provided provide undeniable confirmation

419

00:21:22,019 --> 00:21:17,919

that non-human intelligent beings are

420

00:21:27,119 --> 00:21:22,029

operating UFOs and interacting in very

421

00:21:31,249 --> 00:21:27,129

unusual ways with humans so I think my

422

00:21:34,529 --> 00:21:31,259

position on the phenomenon can best be

423

00:21:37,859 --> 00:21:34,539

phrased as that is an exciting things an

424

00:21:39,779 --> 00:21:37,869

agnostic and based on the analysis of

425

00:21:43,220 --> 00:21:39,789

the evidence which is provided in

426

00:21:47,430 --> 00:21:43,230

countless books many are good many are

427

00:21:50,879 --> 00:21:47,440

far-fetched I'm simply not able to

428

00:21:54,330 --> 00:21:50,889

commit to a belief in the existence or

429

00:21:58,139 --> 00:21:54,340

non-existence of intelligently

430

00:22:01,409 --> 00:21:58,149

controlled UFOs of non earthly origin or

431

00:22:03,960 --> 00:22:01,419

from another dimension I simply do not

432

00:22:07,760 --> 00:22:03,970

know and I think most people don't know

433

00:22:15,690 --> 00:22:11,480

researchers contend that they do know

434

00:22:18,659 --> 00:22:15,700

buddy clearly there's highly unusual

435

00:22:20,669 --> 00:22:18,669

aerial events that defy logical

436

00:22:29,180 --> 00:22:20,679

explanation I don't think anybody will

437

00:22:39,020 --> 00:22:35,549

the recent the recent foundation for

438

00:22:45,870 --> 00:22:42,530

experiences this experiences this is

439

00:22:48,180 --> 00:22:45,880

known as free the foundation again for

440

00:22:49,440 --> 00:22:48,190

research into extra rest field I thought

441

00:22:54,260 --> 00:22:49,450

it would be called the last term

442

00:22:56,520 --> 00:22:54,270

encounters this is a recent not

443

00:23:00,210 --> 00:22:56,530

not-for-profit organization that was

444

00:23:02,580 --> 00:23:00,220

developed by PhD physicists and the

445

00:23:06,780 --> 00:23:02,590

colleges and various scientists

446

00:23:09,240 --> 00:23:06,790

physicians and experiences are both

447

00:23:12,480 --> 00:23:09,250

people who have had some form of contact

448

00:23:16,350 --> 00:23:12,490

with non-human intelligent beings and

449

00:23:20,909 --> 00:23:16,360

it's attempt to bring together this the

450

00:23:24,450 --> 00:23:20,919

diverse group to study the subject areas

451
00:23:27,030 --> 00:23:24,460
of human encounters with non-human

452
00:23:31,680 --> 00:23:27,040
intelligence and related paranormal

453
00:23:35,730 --> 00:23:31,690
phenomena and their goal which I support

454
00:23:40,620 --> 00:23:35,740
it to determine through some scientific

455
00:23:44,880 --> 00:23:40,630
research with contactees with non-human

456
00:23:48,169 --> 00:23:44,890
intelligence and the paranormal and its

457
00:23:51,080 --> 00:23:48,179
relationship with quantum physics

458
00:23:54,360 --> 00:23:51,090
consciousness the paranormal and

459
00:23:58,020 --> 00:23:54,370
non-human intelligence and I encourage

460
00:24:03,659 --> 00:23:58,030
any any of your listeners who believes

461
00:24:09,750 --> 00:24:03,669
they have been abducted by let's say a

462
00:24:13,169 --> 00:24:09,760
UFO or have had unique experiences with

463
00:24:17,010 --> 00:24:13,179

non-human intelligent beings to visit

464

00:24:19,680 --> 00:24:17,020

their website which is experiencers dot

465

00:24:23,670 --> 00:24:19,690

Co it's not calm but

466

00:24:26,760 --> 00:24:23,680

CEO experience or dot CEO and take phase

467

00:24:28,890 --> 00:24:26,770

one of their survey and there's also

468

00:24:34,320 --> 00:24:28,900

information on their website that allows

469

00:24:37,290 --> 00:24:34,330

them to contact various individuals such

470

00:24:42,330 --> 00:24:37,300

as the co-founders Christina knows and

471

00:24:46,590 --> 00:24:42,340

and ray Fernandez to provide some

472

00:24:49,830 --> 00:24:46,600

related information for them to share

473

00:24:52,530 --> 00:24:49,840

their unique experiences and their goal

474

00:24:55,470 --> 00:24:52,540

is also the determinant quantum physics

475

00:25:00,240 --> 00:24:55,480

can explain the phenomenon associated

476

00:25:03,950 --> 00:25:00,250

with this phenomenon and essentially

477

00:25:09,800 --> 00:25:03,960

this is the first scientific research

478

00:25:13,290 --> 00:25:09,810

that has been undertaken in this field

479

00:25:17,100 --> 00:25:13,300

yes I had Christine on a few weeks ago

480

00:25:19,550 --> 00:25:17,110

actually talking about this and you know

481

00:25:23,130 --> 00:25:19,560

I have to say you're the first person

482

00:25:25,530 --> 00:25:23,140

that I can recall on this show that

483

00:25:29,190 --> 00:25:25,540

brought up the quantum physics thing and

484

00:25:31,410 --> 00:25:29,200

it's kind of ironic because a couple of

485

00:25:35,730 --> 00:25:31,420

days ago I was watching a documentary on

486

00:25:37,890 --> 00:25:35,740

dark matter and I started thinking about

487

00:25:41,250 --> 00:25:37,900

quantum physics and maybe there's some

488

00:25:43,920 --> 00:25:41,260

type of relationship between quantum

489

00:25:48,120 --> 00:25:43,930

physics which is so hard to explain

490

00:25:52,380 --> 00:25:48,130

anyway you know if you just the space

491

00:25:56,280 --> 00:25:52,390

inside of an atom alone is crazy

492

00:26:00,060 --> 00:25:56,290

if you think about it how how and in the

493

00:26:02,580 --> 00:26:00,070

vast reaches of the the solar system the

494

00:26:03,510 --> 00:26:02,590

universe all that and I started thinking

495

00:26:07,530 --> 00:26:03,520

I wonder if this some type of

496

00:26:09,950 --> 00:26:07,540

relationship between this and the forces

497

00:26:15,570 --> 00:26:09,960

of dark matter as well you know I mean

498

00:26:17,820 --> 00:26:15,580

it's it's such a topic that you know

499

00:26:19,590 --> 00:26:17,830

it's such a hard thing to explore to

500

00:26:24,200 --> 00:26:19,600

begin with you know I know they have the

501
00:26:27,540 --> 00:26:24,210
the one of my thinking up in CERN the

502
00:26:29,010 --> 00:26:27,550
the splitter there you know what I mean

503
00:26:31,170 --> 00:26:29,020
I just can't think of the name of any

504
00:26:32,950 --> 00:26:31,180
now but you know I know they're doing a

505
00:26:34,899 --> 00:26:32,960
lot of research there but

506
00:26:38,049 --> 00:26:34,909
that's that's fascinating I've never

507
00:26:40,840 --> 00:26:38,059
even thought about the UFO topic and

508
00:26:45,210 --> 00:26:40,850
quantum physics but well I think the

509
00:26:49,450 --> 00:26:45,220
direction that many scientists should

510
00:26:52,870 --> 00:26:49,460
should take and again this foundation is

511
00:26:56,519 --> 00:26:52,880
attempting to do this because although

512
00:27:01,649 --> 00:26:56,529
quantum physics is highly theoretical

513
00:27:05,590 --> 00:27:01,659

and it incorporates the theories of

514

00:27:09,250 --> 00:27:05,600

multiverse or several dimensions which

515

00:27:13,289 --> 00:27:09,260

coexist with our own reality a concept

516

00:27:19,299 --> 00:27:13,299

supported by Stephen Hawking and dr.

517

00:27:22,210 --> 00:27:19,309

Kaku it might very well explain the

518

00:27:24,250 --> 00:27:22,220

phenomenon that we are observing in

519

00:27:29,760 --> 00:27:24,260

other words it might be extra

520

00:27:33,880 --> 00:27:29,770

dimensional highly theoretical certainly

521

00:27:37,840 --> 00:27:33,890

according to quantum physics a particle

522

00:27:41,590 --> 00:27:37,850

is in a constant state of flux where it

523

00:27:44,440 --> 00:27:41,600

can be determined to be anywhere or in

524

00:27:47,560 --> 00:27:44,450

many places at the same time so if some

525

00:27:51,850 --> 00:27:47,570

UFOs use quantum mechanics to bend space

526
00:27:53,919 --> 00:27:51,860
and time and our consciousness then it

527
00:27:57,100 --> 00:27:53,929
might explain how the same UFO could

528
00:28:00,970 --> 00:27:57,110
appear as two separate objects at the

529
00:28:05,889 --> 00:28:00,980
same time and this is often the case so

530
00:28:08,320 --> 00:28:05,899
it's real physical effects can enter and

531
00:28:11,289 --> 00:28:08,330
leave our reality and appear different

532
00:28:13,210 --> 00:28:11,299
to different people which it does then

533
00:28:16,659 --> 00:28:13,220
it would indicate that our reality is

534
00:28:19,210 --> 00:28:16,669
not as real as we perceive it to be and

535
00:28:22,029 --> 00:28:19,220
if reality is not fixed then then that

536
00:28:25,240 --> 00:28:22,039
has important implications for UFOs and

537
00:28:27,610 --> 00:28:25,250
maybe that's why we can't understand the

538
00:28:30,789 --> 00:28:27,620

UFO phenomenon because we simply don't

539

00:28:33,610 --> 00:28:30,799

have the scientific principles at

540

00:28:35,919 --> 00:28:33,620

present yeah and and our principle

541

00:28:42,220 --> 00:28:35,929

simply don't apply but again this is

542

00:28:44,350 --> 00:28:42,230

what free is attempting to discern it's

543

00:28:46,540 --> 00:28:44,360

like if you split an atom this is this

544

00:28:51,070 --> 00:28:46,550

is a true

545

00:28:55,090 --> 00:28:51,080

a true experimental event it split an

546

00:28:59,140 --> 00:28:55,100

atom and you separate them by vast

547

00:29:03,340 --> 00:28:59,150

distances and if you manipulate one the

548

00:29:07,660 --> 00:29:03,350

other one also responds accordingly or

549

00:29:10,780 --> 00:29:07,670

entangle in opposite direction yeah and

550

00:29:15,300 --> 00:29:10,790

that is bewildering certainly the

551
00:29:20,320 --> 00:29:15,310
scientists but it might explain how

552
00:29:24,190 --> 00:29:20,330
physical objects have an influence on

553
00:29:30,310 --> 00:29:24,200
one another despite despite the space

554
00:29:32,920 --> 00:29:30,320
the space-time continuum so UFOs may

555
00:29:35,110 --> 00:29:32,930
very well be explainable by this

556
00:29:39,840 --> 00:29:35,120
although certainly it's theoretical and

557
00:29:42,910 --> 00:29:39,850
unproven at the present time right right

558
00:29:45,400 --> 00:29:42,920
so when you started writing your book

559
00:29:47,380 --> 00:29:45,410
and again I apologize that I haven't

560
00:29:49,210 --> 00:29:47,390
even had time to go through it I was

561
00:29:51,880 --> 00:29:49,220
breezing through it real quickly but

562
00:29:53,560 --> 00:29:51,890
while I was getting ready for the show I

563
00:29:57,340 --> 00:29:53,570

see that you cited a number of

564

00:30:00,280 --> 00:29:57,350

incidences in there you know historical

565

00:30:04,600 --> 00:30:00,290

incidences and was that just so you

566

00:30:08,830 --> 00:30:04,610

could you could explain what was known

567

00:30:18,870 --> 00:30:08,840

about these things and what was what

568

00:30:23,890 --> 00:30:18,880

conclusions were well I many of the many

569

00:30:27,660 --> 00:30:23,900

incidents which are fairly fairly common

570

00:30:32,770 --> 00:30:27,670

and debated about by many leading

571

00:30:36,970 --> 00:30:32,780

ufologists who conclude that again

572

00:30:46,480 --> 00:30:36,980

UFOs represent non-human intelligence

573

00:30:51,700 --> 00:30:46,490

from another dimension the scientific

574

00:30:55,930 --> 00:30:51,710

community to the science because they

575

00:30:57,810 --> 00:30:55,940

see a lot of UFO researchers make these

576

00:31:01,840 --> 00:30:57,820

kinds of conclusions

577

00:31:07,870 --> 00:31:01,850

based on limited evidence or lack of

578

00:31:10,780 --> 00:31:07,880

tangible evidence to study mm-hmm and an

579

00:31:15,299 --> 00:31:10,790

offense against ethology a bad name

580

00:31:20,430 --> 00:31:15,309

right I don't think we can make firm

581

00:31:23,590 --> 00:31:20,440

irrefutable conclusions yet many do

582

00:31:27,040 --> 00:31:23,600

which is unfortunate because we cannot

583

00:31:30,400 --> 00:31:27,050

apply the scientific method to this

584

00:31:34,210 --> 00:31:30,410

phenomenon at least not yet simply

585

00:31:37,960 --> 00:31:34,220

because we may not have again the proper

586

00:31:41,290 --> 00:31:37,970

scientific principles in which to apply

587

00:31:44,110 --> 00:31:41,300

the scientific method to in order to

588

00:31:47,380 --> 00:31:44,120

satisfy the scientific academic

589

00:31:49,780 --> 00:31:47,390

community into believing that there is

590

00:31:52,060 --> 00:31:49,790

something real about these UFOs so we

591

00:31:55,270 --> 00:31:52,070

have the believers and the skeptics as

592

00:31:59,290 --> 00:31:55,280

well as the debunkers and it goes on and

593

00:32:06,910 --> 00:31:59,300

on and where we're still debating this

594

00:32:10,049 --> 00:32:06,920

issue yet for decades very little if any

595

00:32:14,169 --> 00:32:10,059

progress has been made in terms of our

596

00:32:16,510 --> 00:32:14,179

understanding of this phenomenon right

597

00:32:19,120 --> 00:32:16,520

thus I think we we need to go in a

598

00:32:22,870 --> 00:32:19,130

different direction and and the best

599

00:32:27,190 --> 00:32:22,880

foundation the acronym again is three fr

600

00:32:29,950 --> 00:32:27,200

EE may be headed in the proper direction

601
00:32:34,960 --> 00:32:29,960
and certainly remains to be seen but

602
00:32:37,150 --> 00:32:34,970
quantum physics may hold the key that

603
00:32:42,070 --> 00:32:37,160
unlocks this mystery at least it is

604
00:32:44,049 --> 00:32:42,080
certainly worth the effort in fact Edgar

605
00:32:47,740 --> 00:32:44,059
Mitchell the sixth man to walk on the

606
00:32:50,500 --> 00:32:47,750
moon is a member of this foundation as

607
00:32:53,110 --> 00:32:50,510
well as I mentioned many leading

608
00:32:57,669 --> 00:32:53,120
high-powered scientists from a diverse

609
00:33:00,220 --> 00:32:57,679
range of professions I'm happy to say

610
00:33:03,030 --> 00:33:00,230
that I am also a member of this of this

611
00:33:07,600 --> 00:33:03,040
foundation and they are currently

612
00:33:10,830 --> 00:33:07,610
conducting research on using contactees

613
00:33:13,649 --> 00:33:10,840

who have reportedly been

614

00:33:16,619 --> 00:33:13,659

things have been abducted or have had

615

00:33:19,529 --> 00:33:16,629

again very unique strange and we'll use

616

00:33:24,659 --> 00:33:19,539

the term paranormal like experiences

617

00:33:31,080 --> 00:33:24,669

with non-human intelligence of various

618

00:33:36,149 --> 00:33:31,090

kinds so I yes I did provide some of the

619

00:33:39,360 --> 00:33:36,159

more common UFO related incidents like

620

00:33:44,029 --> 00:33:39,370

the the sightings in Washington DC in 52

621

00:33:47,029 --> 00:33:44,039

of course the Roswell was Stephenville

622

00:33:51,840 --> 00:33:47,039

encountered the feat the Phoenix lights

623

00:33:56,730 --> 00:33:51,850

Hudson Valley waved back in the 80s what

624

00:34:02,340 --> 00:33:56,740

goes on and on but ufologists continued

625

00:34:04,470 --> 00:34:02,350

to survey the documents released by the

626

00:34:08,700 --> 00:34:04,480

government and the project Bluebook

627

00:34:10,520 --> 00:34:08,710

which was also recently Declassified and

628

00:34:13,349 --> 00:34:10,530

numerous other countries have also

629

00:34:18,589 --> 00:34:13,359

declassified documents pertaining to the

630

00:34:25,950 --> 00:34:23,280

that something very strange occurring in

631

00:34:30,180 --> 00:34:25,960

our skies as well as the land where

632

00:34:38,159 --> 00:34:30,190

people encounter non-human intelligence

633

00:34:42,379 --> 00:34:38,169

in various strange ways so some of these

634

00:34:45,930 --> 00:34:42,389

incidents are quite remarkable however

635

00:34:50,069 --> 00:34:45,940

but there's an absence of a wildly

636

00:34:53,879 --> 00:34:50,079

approved theory of the phenomenon right

637

00:34:56,280 --> 00:34:53,889

cannot we cannot study it using now

638

00:34:59,370 --> 00:34:56,290

again our own scientific principle

639

00:35:02,460 --> 00:34:59,380

so where we go where do we go from here

640

00:35:07,200 --> 00:35:02,470

you know in fact in my book I devote one

641

00:35:09,809 --> 00:35:07,210

chapter coincidentally to to trying to

642

00:35:12,900 --> 00:35:09,819

explain what we need to do to better

643

00:35:15,750 --> 00:35:12,910

understand this phenomenon and I

644

00:35:20,300 --> 00:35:15,760

mentioned that we do need an

645

00:35:24,840 --> 00:35:20,310

organization whose governance structure

646

00:35:28,260 --> 00:35:24,850

leads a multidisciplinary team of

647

00:35:34,730 --> 00:35:28,270

scientists from a diverse range of

648

00:35:40,370 --> 00:35:34,740

fields to better study this phenomenon

649

00:35:44,820 --> 00:35:40,380

hopefully being funded by the private or

650

00:35:48,710 --> 00:35:44,830

public organizations and and among other

651
00:35:52,680 --> 00:35:48,720
related issues and quite surprisingly

652
00:35:57,810 --> 00:35:52,690
this foundation 3 is attempting to do

653
00:36:02,570 --> 00:35:57,820
just that serious scientific review and

654
00:36:06,590 --> 00:36:02,580
there has been limited scientific

655
00:36:11,580 --> 00:36:06,600
investigations but this brings into mind

656
00:36:15,660 --> 00:36:11,590
the project Bluebook and dr. Allen Hynek

657
00:36:21,660 --> 00:36:15,670
who all ufologists and Nonya fathers

658
00:36:24,330 --> 00:36:21,670
have have probably heard her dogs he was

659
00:36:27,660 --> 00:36:24,340
he was an astrophysicist from the Ohio

660
00:36:31,350 --> 00:36:27,670
State University who was the director

661
00:36:34,290 --> 00:36:31,360
and main scientific adviser to Project

662
00:36:38,760 --> 00:36:34,300
Blue Book which was conducted back in

663
00:36:44,970 --> 00:36:38,770

the 60s 70s and initially he was a

664

00:36:49,680 --> 00:36:44,980

skeptic but after having studied several

665

00:36:57,860 --> 00:36:49,690

hundred ufo-related incidences he became

666

00:37:04,230 --> 00:36:57,870

a believer and interestingly he he

667

00:37:08,100 --> 00:37:04,240

reported that the UFOs maneuver with

668

00:37:11,550 --> 00:37:08,110

ease in our skies they're unaffected by

669

00:37:14,400 --> 00:37:11,560

gravity and inertia they helped her a

670

00:37:17,880 --> 00:37:14,410

few feet above the ground and then

671

00:37:24,650 --> 00:37:17,890

obviously accelerate at Clementis speeds

672

00:37:30,450 --> 00:37:24,660

with little effort without any noise and

673

00:37:33,980 --> 00:37:30,460

he described he described these the

674

00:37:37,290 --> 00:37:33,990

appearance and the behaviors of UFOs as

675

00:37:38,700 --> 00:37:37,300

luminous objects surrounded by a haze

676
00:37:40,530 --> 00:37:38,710
they can be

677
00:37:43,349 --> 00:37:40,540
I'm invisible and then a few seconds

678
00:37:47,820 --> 00:37:43,359
later they can appear a short distance

679
00:37:52,440 --> 00:37:47,830
away they can shape-shift or modify

680
00:37:56,730 --> 00:37:52,450
their physical structure they remain

681
00:38:00,359 --> 00:37:56,740
stationary they move in angular make

682
00:38:02,839 --> 00:38:00,369
angular turns your listeners have heard

683
00:38:06,150 --> 00:38:02,849
this all before and of course you have

684
00:38:09,540 --> 00:38:06,160
they produce electromagnetic effects

685
00:38:13,680 --> 00:38:09,550
there are some physical ground traces as

686
00:38:16,800 --> 00:38:13,690
well where they land they lose landing

687
00:38:22,230 --> 00:38:16,810
marks radiation they disturb the soil

688
00:38:26,220 --> 00:38:22,240

they can petrify wood and they also

689

00:38:29,790 --> 00:38:26,230

induce physiological effects in humans

690

00:38:33,810 --> 00:38:29,800

that's capable to electromagnetic or

691

00:38:37,800 --> 00:38:33,820

radiation like effects and the people

692

00:38:40,820 --> 00:38:37,810

feel sensations of heat paralysis nausea

693

00:38:44,070 --> 00:38:40,830

irritation of the eyes etc as well as

694

00:38:53,730 --> 00:38:44,080

paranormal related events such as

695

00:38:59,010 --> 00:38:53,740

missing time so included included in a

696

00:39:04,170 --> 00:38:59,020

report to the members of Congress I

697

00:39:07,320 --> 00:39:04,180

believe was in nineteen 1978 regarding

698

00:39:12,150 --> 00:39:07,330

the phenomenon and and he said that this

699

00:39:17,910 --> 00:39:12,160

is a mystery so profound that it may be

700

00:39:24,150 --> 00:39:17,920

related to extraterrestrial or extra

701
00:39:26,849 --> 00:39:24,160
dimensional possibilities certainly did

702
00:39:30,050 --> 00:39:26,859
not exclude that but he was firmly

703
00:39:35,550 --> 00:39:30,060
committed to the belief based on his

704
00:39:38,660 --> 00:39:35,560
experience that something quite unique

705
00:39:47,940 --> 00:39:38,670
was occurring that defies logical

706
00:39:49,950 --> 00:39:47,950
explanation so so just a couple of

707
00:39:52,590 --> 00:39:49,960
things here well a few weeks ago I was

708
00:39:55,680 --> 00:39:52,600
down in Miami and

709
00:39:57,900 --> 00:39:55,690
with some friends and they said they one

710
00:40:01,140 --> 00:39:57,910
of the people said so you actually

711
00:40:04,500 --> 00:40:01,150
believe in UFOs and I thought for a

712
00:40:07,890 --> 00:40:04,510
second and I said well it's more what I

713
00:40:10,500 --> 00:40:07,900

believe about UFOs I do believe that

714

00:40:11,910 --> 00:40:10,510

they are here but I'm certainly not

715

00:40:15,590 --> 00:40:11,920

going to tell you what I think they are

716

00:40:17,490 --> 00:40:15,600

and that's that's really how I feel

717

00:40:19,890 --> 00:40:17,500

sometimes I can be a little bit

718

00:40:24,750 --> 00:40:19,900

redundant but I think it's it's a point

719

00:40:26,370 --> 00:40:24,760

worth saying and that is it may be

720

00:40:28,260 --> 00:40:26,380

something that we absolutely haven't

721

00:40:31,080 --> 00:40:28,270

even thought of or couldn't even think

722

00:40:33,870 --> 00:40:31,090

of you know to begin with that's what it

723

00:40:36,800 --> 00:40:33,880

might all be about and that's why I find

724

00:40:39,930 --> 00:40:36,810

it fascinating of this quantum physics

725

00:40:42,860 --> 00:40:39,940

pitch that's not pitch but thought or a

726

00:40:46,200 --> 00:40:42,870

theory that you have pretty interesting

727

00:40:48,930 --> 00:40:46,210

let's let's just hit a couple of things

728

00:40:54,300 --> 00:40:48,940

in your book here one of them one of the

729

00:40:58,050 --> 00:40:54,310

chapters it's titled the psychological

730

00:41:22,730 --> 00:40:58,060

and sociological theories and what do

731

00:41:29,910 --> 00:41:25,470

subconscious recalls from from the media

732

00:41:38,180 --> 00:41:29,920

or heightened shall we say level of

733

00:41:44,820 --> 00:41:42,060

founded analytical psychology was a

734

00:41:48,270 --> 00:41:44,830

proponent of the psycho culture

735

00:41:56,970 --> 00:41:48,280

hypothesis and paranormal theory to

736

00:42:00,500 --> 00:41:56,980

explain the phenomenon of our society's

737

00:42:03,330 --> 00:42:00,510

interests with space flight and and was

738

00:42:05,220 --> 00:42:03,340

reinforced by media type of of aliens

739

00:42:08,010 --> 00:42:05,230

and flying saucers and again this was

740

00:42:11,000 --> 00:42:08,020

a more common place they think back in

741

00:42:15,420 --> 00:42:11,010

the 50s and 60s than it is now

742

00:42:18,960 --> 00:42:15,430

although with recent TV shows and there

743

00:42:22,020 --> 00:42:18,970

are many of them coming on more people I

744

00:42:31,400 --> 00:42:22,030

think are beginning to be interested in

745

00:42:35,190 --> 00:42:31,410

this phenomenon that you mentioned also

746

00:42:39,270 --> 00:42:35,200

contend that many of those who have had

747

00:42:42,840 --> 00:42:39,280

UFO experience may have physiological or

748

00:42:45,410 --> 00:42:42,850

psychological problems like temple what

749

00:42:50,550 --> 00:42:45,420

to call temporal lobe epilepsy or

750

00:42:56,070 --> 00:42:50,560

fantasy prone personality or are deluded

751
00:42:57,990 --> 00:42:56,080
in some way but I don't buy that because

752
00:43:00,930 --> 00:42:58,000
I don't buy that theory because the

753
00:43:04,520 --> 00:43:00,940
strong argument against it is that many

754
00:43:07,940 --> 00:43:04,530
sightings involve multiple witnesses

755
00:43:13,109 --> 00:43:07,950
simultaneous radar on visual sightings

756
00:43:16,140 --> 00:43:13,119
so it's hard to explain that on the

757
00:43:19,920 --> 00:43:16,150
second psychological level well

758
00:43:23,310 --> 00:43:19,930
certainly some UFOs may be explainable

759
00:43:26,040 --> 00:43:23,320
on that basis but we don't only have

760
00:43:28,140 --> 00:43:26,050
that theory which you mentioned but

761
00:43:31,349 --> 00:43:28,150
certainly the extra-terrestrial and

762
00:43:39,750 --> 00:43:31,359
extra-dimensional theory and there's a

763
00:43:44,040 --> 00:43:39,760

great debate about that obviously

764

00:43:45,920 --> 00:43:44,050

maintains that are governed by non-human

765

00:43:49,920 --> 00:43:45,930

intelligence from another solar system

766

00:43:52,620 --> 00:43:49,930

well look what our closest solar system

767

00:43:56,700 --> 00:43:52,630

is what's the name Proxima century is

768

00:43:58,200 --> 00:43:56,710

about 4.2 light years away I think

769

00:44:02,790 --> 00:43:58,210

that's something like seven trillion

770

00:44:06,120 --> 00:44:02,800

miles and if we and if we have our space

771

00:44:07,800 --> 00:44:06,130

shuttle which I believe jobs are 25,000

772

00:44:09,440 --> 00:44:07,810

miles an hour if we take a hundred

773

00:44:16,610 --> 00:44:09,450

thousand years to get there unless

774

00:44:20,140 --> 00:44:16,620

unless we have these beings can

775

00:44:23,030 --> 00:44:20,150

access wormholes or bend space and time

776

00:44:25,760 --> 00:44:23,040

which Stephen Hawking among other

777

00:44:31,990 --> 00:44:25,770

leading physicists contend is is quite

778

00:44:35,450 --> 00:44:32,000

possible which may allow for them to get

779

00:44:40,400 --> 00:44:35,460

their to here in a maybe a blink of an

780

00:44:43,940 --> 00:44:40,410

eye or not but the extra dimensional

781

00:44:47,270 --> 00:44:43,950

hypothesis implies that non-human

782

00:44:49,400 --> 00:44:47,280

intelligence is operating these crafts

783

00:44:53,680 --> 00:44:49,410

from another dimension or parallel

784

00:44:57,460 --> 00:44:53,690

universe and that brings into play the

785

00:45:06,310 --> 00:44:57,470

highly theoretical nature of quantum

786

00:45:11,090 --> 00:45:06,320

mechanics has been the predominant

787

00:45:15,020 --> 00:45:11,100

explanation for UFOs but many people

788

00:45:19,370 --> 00:45:15,030

have abandon it in a sense in favor of

789

00:45:26,630 --> 00:45:19,380

the dimensional hypothesis which again

790

00:45:31,730 --> 00:45:26,640

says that being in a parallel reality as

791

00:45:35,030 --> 00:45:31,740

strange as that might sound so I'm not

792

00:45:41,090 --> 00:45:35,040

one to disagree with us people like

793

00:45:44,690 --> 00:45:41,100

Stephen Hawking or dr. Kaku but again

794

00:45:47,360 --> 00:45:44,700

this is highly theoretical yet they are

795

00:45:50,540 --> 00:45:47,370

supporters of this notion that there are

796

00:45:52,430 --> 00:45:50,550

beings in coexisting realities and maybe

797

00:45:56,230 --> 00:45:52,440

maybe that's where we should go with

798

00:46:00,610 --> 00:45:56,240

research in terms of quantum physics and

799

00:46:04,730 --> 00:46:00,620

again we don't have a firm objective

800

00:46:09,740 --> 00:46:04,740

grasp on that on that theory maybe

801
00:46:11,780 --> 00:46:09,750
someday I expect we will but this

802
00:46:15,800 --> 00:46:11,790
foundation that I have mentioned a few

803
00:46:19,190 --> 00:46:15,810
times is trying to to examine that

804
00:46:21,290 --> 00:46:19,200
possibility to a variety of different

805
00:46:24,890 --> 00:46:21,300
ways and that's why there are some

806
00:46:27,920 --> 00:46:24,900
leading physicists on that committee who

807
00:46:30,109 --> 00:46:27,930
certainly may provide some some unique

808
00:46:35,620 --> 00:46:30,119
insight into that into

809
00:46:42,440 --> 00:46:35,630
that explanation of the this phenomenon

810
00:46:45,640 --> 00:46:42,450
so it's branch of physics that deals

811
00:46:49,870 --> 00:46:45,650
with physical phenomena at microscopic

812
00:46:53,180 --> 00:46:49,880
levels is very certainly controversial

813
00:46:57,859 --> 00:46:53,190

but it is again promoted as a possible

814

00:47:01,660 --> 00:46:57,869

explanation for the phenomenon and it

815

00:47:04,460 --> 00:47:01,670

might provide a realistic approach

816

00:47:09,230 --> 00:47:04,470

what's something that we should further

817

00:47:12,380 --> 00:47:09,240

pursue in a formal organized manner and

818

00:47:14,089 --> 00:47:12,390

this is what free is attempting to

819

00:47:16,400 --> 00:47:14,099

explore and whether or not that

820

00:47:20,349 --> 00:47:16,410

successful certainly remains to be seen

821

00:47:25,009 --> 00:47:20,359

but regardless we do need that type of

822

00:47:29,960 --> 00:47:25,019

organized scientific investigation by

823

00:47:34,670 --> 00:47:29,970

many scientists from many different

824

00:47:35,599 --> 00:47:34,680

disciplines so yeah for them to be taken

825

00:47:38,839 --> 00:47:35,609

seriously

826

00:47:42,049 --> 00:47:38,849

you know you that that's the that's the

827

00:47:43,999 --> 00:47:42,059

issue you know they'd have to be someone

828

00:47:46,099 --> 00:47:44,009

that could actually have say a

829

00:47:47,299 --> 00:47:46,109

peer-reviewed paper or something like

830

00:47:49,880 --> 00:47:47,309

that

831

00:47:53,029 --> 00:47:49,890

because this you know the subject as you

832

00:47:56,210 --> 00:47:53,039

know is is so far out there I am having

833

00:47:57,559 --> 00:47:56,220

trouble with the chatroom but it doesn't

834

00:47:59,690 --> 00:47:57,569

mean that people that want to be in the

835

00:48:01,910 --> 00:47:59,700

chat can't be in there and communicate

836

00:48:05,720 --> 00:48:01,920

with themself with each other

837

00:48:07,370 --> 00:48:05,730

but I see past someone wrote what kind

838

00:48:10,400 --> 00:48:07,380

of scientists are you do you have a

839

00:48:17,390 --> 00:48:10,410

background that helps you in this type

840

00:48:22,039 --> 00:48:17,400

of study to be on that board as well my

841

00:48:25,450 --> 00:48:22,049

background scientists will hopefully

842

00:48:30,200 --> 00:48:25,460

allow me to provide some insight into

843

00:48:32,870 --> 00:48:30,210

the methodology that's needed to better

844

00:48:36,349 --> 00:48:32,880

understand this phenomenon as a

845

00:48:43,230 --> 00:48:36,359

contributor to the foundation but I will

846

00:48:46,000 --> 00:48:43,240

also be involved in surveying

847

00:48:50,050 --> 00:48:46,010

obtaining quantitative and qualitative

848

00:48:53,050 --> 00:48:50,060

information from so-called contactees or

849

00:48:56,560 --> 00:48:53,060

people who allegedly claimed to have had

850

00:48:58,030 --> 00:48:56,570

some type of experience with non-human

851
00:49:03,520 --> 00:48:58,040
intelligence whether they were abducted

852
00:49:10,510 --> 00:49:03,530
by a UFO and and went through what david

853
00:49:14,260 --> 00:49:10,520
jacobs and john mack contend people go

854
00:49:21,069 --> 00:49:14,270
through in terms of being taken from

855
00:49:24,880 --> 00:49:21,079
their home being transported to the wall

856
00:49:29,349 --> 00:49:24,890
and taken on the ship and and undergo

857
00:49:32,620 --> 00:49:29,359
various types of biologic experiments

858
00:49:36,579 --> 00:49:32,630
but the experience tends to be

859
00:49:39,819 --> 00:49:36,589
relatively the same across many

860
00:49:41,710 --> 00:49:39,829
individuals who have had such strange

861
00:49:45,630 --> 00:49:41,720
encounters and it's not only limited to

862
00:49:52,000 --> 00:49:45,640
the abduction phenomenon but my

863
00:49:54,339 --> 00:49:52,010

background as a scientist in audiology

864

00:50:01,690 --> 00:49:54,349

and hearing science doesn't really

865

00:50:05,130 --> 00:50:01,700

directly make me qualified to answer to

866

00:50:09,900 --> 00:50:05,140

provide answers to this question but but

867

00:50:14,410 --> 00:50:09,910

i think i can provide some unique

868

00:50:16,870 --> 00:50:14,420

contributions nevertheless to the study

869

00:50:20,530 --> 00:50:16,880

of the phenomenon using the scientific

870

00:50:24,400 --> 00:50:20,540

method which really has not been done in

871

00:50:27,970 --> 00:50:24,410

any systematic and consistent way in the

872

00:50:34,890 --> 00:50:27,980

past again most of the it's not all of

873

00:50:38,319 --> 00:50:34,900

the UFO studies are basically

874

00:50:43,750 --> 00:50:38,329

retrospective you know even now people

875

00:50:46,270 --> 00:50:43,760

still look at the roswell incident where

876

00:50:50,130 --> 00:50:46,280

you know supposedly of course the UFO

877

00:50:52,569 --> 00:50:50,140

crash we took some dead alien bodies

878

00:50:56,010 --> 00:50:52,579

maybe we took them to some underground

879

00:50:59,220 --> 00:50:56,020

base somewhere out in the southwest

880

00:51:04,230 --> 00:50:59,230

government's covering it up the point is

881

00:51:08,330 --> 00:51:04,240

people continue to rely on this

882

00:51:13,890 --> 00:51:08,340

retrospective analysis of prior events

883

00:51:16,910 --> 00:51:13,900

debating it continuously and nothing

884

00:51:19,790 --> 00:51:16,920

nothing gets resolved doing that or

885

00:51:23,370 --> 00:51:19,800

reviewing the documents that have been

886

00:51:25,620 --> 00:51:23,380

Declassified and debating death as well

887

00:51:29,940 --> 00:51:25,630

as whether or not there's a smoking gun

888

00:51:32,340 --> 00:51:29,950

there now there's no question through

889

00:51:36,540 --> 00:51:32,350

the disclosure project led by Steven

890

00:51:42,110 --> 00:51:36,550

Greer and and Steve Bassett there's no

891

00:51:46,440 --> 00:51:42,120

question that the testimony provided by

892

00:51:49,890 --> 00:51:46,450

pilots of military and civilian radar

893

00:51:54,330 --> 00:51:49,900

experts government officials among

894

00:51:57,780 --> 00:51:54,340

others contend and that they have very

895

00:52:01,340 --> 00:51:57,790

strange encounters with UFOs and some of

896

00:52:03,930 --> 00:52:01,350

their experiences are unbelievable

897

00:52:05,910 --> 00:52:03,940

there's no doubt they experience

898

00:52:11,900 --> 00:52:05,920

something that that cannot be easily

899

00:52:15,300 --> 00:52:11,910

explained especially when these craft

900

00:52:17,760 --> 00:52:15,310

mitigate laws of inertia and gravity and

901
00:52:22,550 --> 00:52:17,770
move up to nine twelve thousand miles

902
00:52:26,880 --> 00:52:22,560
per hour among other types of physical

903
00:52:28,890 --> 00:52:26,890
events that we simply don't understand

904
00:52:33,320 --> 00:52:28,900
I don't think anybody can dispute that

905
00:52:38,490 --> 00:52:33,330
the point is the point is while these

906
00:52:42,450 --> 00:52:38,500
experiences are common I don't deny that

907
00:52:47,370 --> 00:52:42,460
the question is what governs and

908
00:52:49,770 --> 00:52:47,380
regulates the behavior of these UFOs and

909
00:52:54,050 --> 00:52:49,780
we're talking about maybe five to ten

910
00:52:56,610 --> 00:52:54,060
percent of all UFOs that have remained

911
00:53:00,810 --> 00:52:56,620
unexplainable according to Project Blue

912
00:53:03,150 --> 00:53:00,820
Book and many other investigations into

913
00:53:07,230 --> 00:53:03,160

this phenomenon there's that small

914

00:53:09,930 --> 00:53:07,240

percentage that remains unexplained now

915

00:53:11,850 --> 00:53:09,940

again it doesn't mean that

916

00:53:13,800 --> 00:53:11,860

non-human intelligence from another

917

00:53:18,360 --> 00:53:13,810

dimension or a solar system or a

918

00:53:20,540 --> 00:53:18,370

paranormal event it could be it could be

919

00:53:25,010 --> 00:53:20,550

and I don't exclude that that

920

00:53:29,400 --> 00:53:25,020

possibility but you know when you oppose

921

00:53:33,360 --> 00:53:29,410

you oppose levitate cars or people and

922

00:53:36,840 --> 00:53:33,370

when people get into some type of close

923

00:53:39,780 --> 00:53:36,850

encounter with with UFO or all beings

924

00:53:43,410 --> 00:53:39,790

they they contend they develop for

925

00:53:47,370 --> 00:53:43,420

instance psychic abilities or special

926

00:53:49,890 --> 00:53:47,380

healing powers and many of them are very

927

00:53:54,750 --> 00:53:49,900

conscious when they are abducted most

928

00:53:58,200 --> 00:53:54,760

aren't and most recall their abduction

929

00:54:01,470 --> 00:53:58,210

or so-called paranormal experience with

930

00:54:05,070 --> 00:54:01,480

non-human intelligence through hypnotic

931

00:54:08,670 --> 00:54:05,080

regression which is highly debatable and

932

00:54:15,180 --> 00:54:08,680

certainly the our court of law does not

933

00:54:19,130 --> 00:54:15,190

regard recall under hypnosis as a valid

934

00:54:23,070 --> 00:54:19,140

means of evidence although hypnosis is

935

00:54:25,350 --> 00:54:23,080

helpful in many other ways but about

936

00:54:27,780 --> 00:54:25,360

thirty percent I believe of those who

937

00:54:36,270 --> 00:54:27,790

have had these kinds of experience have

938

00:54:38,400 --> 00:54:36,280

conscious recall of it so I I'm not

939

00:54:43,710 --> 00:54:38,410

gonna argue I'm not going to argue with

940

00:54:48,240 --> 00:54:43,720

some of these leading scientists who

941

00:54:52,080 --> 00:54:48,250

again contend that that we might be

942

00:54:57,090 --> 00:54:52,090

looking at a paranormal event or an

943

00:55:01,530 --> 00:54:57,100

extra dimensional theory that governs

944

00:55:04,350 --> 00:55:01,540

and regulates the behavior of this

945

00:55:09,830 --> 00:55:04,360

phenomenon because of the seemingly

946

00:55:21,690 --> 00:55:09,840

bizarre nature of experiences by

947

00:55:22,779 --> 00:55:21,700

individuals so I guess we can also look

948

00:55:27,069 --> 00:55:22,789

at

949

00:55:30,219 --> 00:55:27,079

normal theory which is tied into the X

950

00:55:33,239 --> 00:55:30,229

dimensional theory as well I believe it

951
00:55:37,199 --> 00:55:33,249
was Jacques Vallee who coined the term

952
00:55:41,319 --> 00:55:37,209
remember high strangeness mm-hmm which

953
00:55:44,049 --> 00:55:41,329
relates to some of the experiences we're

954
00:55:48,359 --> 00:55:44,059
talking about and in kind of asides at

955
00:55:52,739 --> 00:55:48,369
the fringe a lot of UFO theory continuum

956
00:55:56,529 --> 00:55:52,749
especially since what we call paranormal

957
00:56:01,209 --> 00:55:56,539
it can't be measured or explained using

958
00:56:05,019 --> 00:56:01,219
the scientific method and given the high

959
00:56:08,349 --> 00:56:05,029
strangeness of the phenomenon any theory

960
00:56:12,400 --> 00:56:08,359
to explain these unusual aerial events

961
00:56:15,909 --> 00:56:12,410
or or types of encounters is certainly

962
00:56:22,269 --> 00:56:15,919
met with a high degree of skepticism by

963
00:56:25,599 --> 00:56:22,279

the scientific community so that's why

964

00:56:31,659 --> 00:56:25,609

mainstream science regazzi apology in

965

00:56:34,329 --> 00:56:31,669

part as a pseudoscience and in part they

966

00:56:38,409 --> 00:56:34,339

they're very reluctant to get involved

967

00:56:41,439 --> 00:56:38,419

with research in this phenomenon

968

00:56:45,399 --> 00:56:41,449

certainly for fear of ridiculed by their

969

00:56:48,839 --> 00:56:45,409

colleagues and because throughout the

970

00:56:52,749 --> 00:56:48,849

decades of investigating this phenomenon

971

00:56:57,339 --> 00:56:52,759

as far as I'm concerned we have made

972

00:57:00,339 --> 00:56:57,349

very little if any progress to better

973

00:57:04,809 --> 00:57:00,349

understand the phenomenon the spikes

974

00:57:06,579 --> 00:57:04,819

again decades of analysis and and

975

00:57:10,689 --> 00:57:06,589

misdirection and if we continue along

976
00:57:12,699 --> 00:57:10,699
the same lines unless a flying saucer

977
00:57:17,459 --> 00:57:12,709
so-called lands on the White House lawn

978
00:57:20,849 --> 00:57:17,469
or is on CNN breaking news

979
00:57:24,579 --> 00:57:20,859
we're still not going to have any

980
00:57:27,999 --> 00:57:24,589
reasonable understanding of the

981
00:57:32,229 --> 00:57:28,009
phenomenon unless we take a different

982
00:57:36,089 --> 00:57:32,239
route and possibly looking into this

983
00:57:40,359 --> 00:57:36,099
quantum physics and applying

984
00:57:42,490 --> 00:57:40,369
to the phenomenon and and trying to

985
00:57:44,650 --> 00:57:42,500
better understand how how this may

986
00:57:48,670 --> 00:57:44,660
influence one's consciousness and

987
00:57:51,510 --> 00:57:48,680
reality which it might explain the

988
00:57:55,059 --> 00:57:51,520

unusual features of this phenomenon

989

00:58:05,260 --> 00:57:55,069

senses affects people in very profound

990

00:58:09,010 --> 00:58:05,270

ways so when did UFOs shape-shift they

991

00:58:11,079 --> 00:58:09,020

materialize and dematerialize people

992

00:58:13,289 --> 00:58:11,089

report aliens floating through

993

00:58:16,900 --> 00:58:13,299

structures and having telepathic

994

00:58:21,089 --> 00:58:16,910

communication with them or experiencing

995

00:58:24,849 --> 00:58:21,099

a lost time or being abducted by by

996

00:58:28,960 --> 00:58:24,859

beings this falls under again that that

997

00:58:32,559 --> 00:58:28,970

paranormal theory which probably isn't a

998

00:58:35,289 --> 00:58:32,569

good term to use something that simply

999

00:58:38,410 --> 00:58:35,299

cannot be explained by scientific

1000

00:58:42,279 --> 00:58:38,420

principles so we call it paranormal and

1001

00:58:48,269 --> 00:58:42,289

people also report encounters with very

1002

00:58:53,200 --> 00:58:48,279

strange creatures and the guys like

1003

00:58:55,960 --> 00:58:53,210

phenomenon associated with with UFOs and

1004

00:58:59,109 --> 00:58:55,970

and here again if we're talking about

1005

00:59:03,130 --> 00:58:59,119

the paranormal people some people

1006

00:59:07,569 --> 00:59:03,140

develop psychic powers such as telepathy

1007

00:59:10,680 --> 00:59:07,579

or psychic healing or reports of being

1008

00:59:14,710 --> 00:59:10,690

threatened by what the core men in black

1009

00:59:18,640 --> 00:59:14,720

who applied pressure in order to silence

1010

00:59:22,480 --> 00:59:18,650

them no I don't know they're members of

1011

00:59:26,710 --> 00:59:22,490

a secret government organization or what

1012

00:59:30,789 --> 00:59:26,720

or they people see apparitions which

1013

00:59:34,599 --> 00:59:30,799

sometimes attack them but you know I can

1014

00:59:38,910 --> 00:59:34,609

go on and on with specific cases that

1015

00:59:43,450 --> 00:59:38,920

people allegedly have reported

1016

00:59:47,720 --> 00:59:43,460

incredible and very very difficult to

1017

00:59:51,950 --> 00:59:47,730

believe yet these cases

1018

00:59:54,320 --> 00:59:51,960

cysts and and we can get into that high

1019

00:59:59,660 --> 00:59:54,330

strangeness in more detail if you like

1020

01:00:03,849 --> 00:59:59,670

but it's wild but a plasma - is another

1021

01:00:07,670 --> 01:00:03,859

it's another possibility of a

1022

01:00:11,930 --> 01:00:07,680

physiologic defense that might help

1023

01:00:17,900 --> 01:00:11,940

explain some of the fire to 10% of UFOs

1024

01:00:21,109 --> 01:00:17,910

that that are considered unexplained and

1025

01:00:23,800 --> 01:00:21,119

and plasma which is like ball lightning

1026

01:00:26,060 --> 01:00:23,810

and is poorly understood it carries

1027

01:00:29,410 --> 01:00:26,070

electrical current and it generates

1028

01:00:31,760 --> 01:00:29,420

magnetic fields and and it actually

1029

01:00:36,050 --> 01:00:31,770

comprises and you mentioned survey Dark

1030

01:00:39,620 --> 01:00:36,060

Matter it comprises more than 99% of the

1031

01:00:42,349 --> 01:00:39,630

visible universe and again it's not

1032

01:00:45,920 --> 01:00:42,359

fully understood by modern science but

1033

01:00:50,390 --> 01:00:45,930

but what's interesting about plasma is

1034

01:00:55,400 --> 01:00:50,400

that it's very similar to many reports

1035

01:00:58,940 --> 01:00:55,410

that people contend about their

1036

01:01:01,220 --> 01:00:58,950

experience in other words that plasma

1037

01:01:05,050 --> 01:01:01,230

can appear as many different colors that

1038

01:01:10,490 --> 01:01:05,060

have the fuzzy appearance it can split

1039

01:01:13,970 --> 01:01:10,500

into two or more separate parts it

1040

01:01:17,450 --> 01:01:13,980

rotates and you know what you in a

1041

01:01:21,920 --> 01:01:17,460

nonlinear fashion it can emit light at

1042

01:01:26,270 --> 01:01:21,930

the point is it behaves in many ways

1043

01:01:29,570 --> 01:01:26,280

that are similar to the behavior of UFOs

1044

01:01:33,050 --> 01:01:29,580

as as expressed by many people that's

1045

01:01:36,410 --> 01:01:33,060

right we're at the top of the hour and I

1046

01:01:37,730 --> 01:01:36,420

would like to say on in the second hour

1047

01:01:40,520 --> 01:01:37,740

I would like to discuss more about

1048

01:01:42,109 --> 01:01:40,530

plasma I have a few questions about that

1049

01:01:44,840 --> 01:01:42,119

in the second hour we're going to be

1050

01:02:00,750 --> 01:01:44,850

taking phone calls from anyone listening

1051

01:02:09,850 --> 01:02:05,260

all right we're back live with our guest

1052

01:02:13,680 --> 01:02:09,860

Robert Davis PhD and talking about the

1053

01:02:16,150 --> 01:02:13,690

UFO phenomena in many different ways and

1054

01:02:19,090 --> 01:02:16,160

again if you would like to call into the

1055

01:02:23,290 --> 01:02:19,100

show the phone number is six zero three

1056

01:02:26,230 --> 01:02:23,300

nine six seven four o3o you're welcome

1057

01:02:29,160 --> 01:02:26,240

to call in with any questions and all

1058

01:02:34,840 --> 01:02:29,170

right so getting back on the subject of

1059

01:02:36,430 --> 01:02:34,850

plasma one of the things you wonder you

1060

01:02:39,670 --> 01:02:36,440

hear about the orbs like the orbs you

1061

01:02:41,770 --> 01:02:39,680

saw you hear about small orbs tiny orbs

1062

01:02:45,340 --> 01:02:41,780

and almost like they have intelligent

1063

01:02:50,110 --> 01:02:45,350

control you also hear about the Foo

1064

01:02:52,060 --> 01:02:50,120

Fighters and it's kind of like a whole

1065

01:02:53,880 --> 01:02:52,070

thing within itself and I know there's

1066

01:02:55,930 --> 01:02:53,890

someone coming out from what I

1067

01:02:58,060 --> 01:02:55,940

understand there's someone writing a

1068

01:03:00,100 --> 01:02:58,070

book right now that's going to be coming

1069

01:03:04,660 --> 01:03:00,110

out pretty soon and and it's focusing

1070

01:03:10,330 --> 01:03:04,670

solely on orbs and things like that how

1071

01:03:18,370 --> 01:03:10,340

much have you looked into that part well

1072

01:03:23,500 --> 01:03:18,380

I think about orbs they are commonly

1073

01:03:29,320 --> 01:03:23,510

seen they come in various colors they

1074

01:03:33,010 --> 01:03:29,330

behave in very strange ways but evidence

1075

01:03:37,210 --> 01:03:33,020

to support this plasma based theory and

1076

01:03:41,580 --> 01:03:37,220

was provided by the project condign back

1077

01:03:45,070 --> 01:03:41,590

I think it was 1997 or 2000 this is a

1078

01:03:49,240 --> 01:03:45,080

secret UFO study of over 10,000

1079

01:03:52,900 --> 01:03:49,250

sightings over a 30-year period that the

1080

01:03:57,370 --> 01:03:52,910

British government intelligence agency

1081

01:03:59,800 --> 01:03:57,380

conducted and they concluded that UFOs

1082

01:04:03,210 --> 01:03:59,810

are highly charged

1083

01:04:05,620 --> 01:04:03,220

atmospheric plasma which can cause

1084

01:04:08,620 --> 01:04:05,630

neurologic effects on those who

1085

01:04:11,560 --> 01:04:08,630

encountered them in other words they

1086

01:04:15,460 --> 01:04:11,570

said the majority of people who

1087

01:04:19,260 --> 01:04:15,470

encountered plasma felt dizzy or

1088

01:04:23,500 --> 01:04:19,270

reported tingling sensations or they had

1089

01:04:27,180 --> 01:04:23,510

strange images felt vibration or or

1090

01:04:29,500 --> 01:04:27,190

experienced fear or terror some of these

1091

01:04:33,640 --> 01:04:29,510

some of the physiological and

1092

01:04:38,020 --> 01:04:33,650

psychological symptoms that occur when

1093

01:04:41,260 --> 01:04:38,030

people do report seeing a UFO doesn't

1094

01:04:44,050 --> 01:04:41,270

mean that all UFOs are plasma base but

1095

01:04:47,080 --> 01:04:44,060

it might explain some of them because of

1096

01:04:51,030 --> 01:04:47,090

the similarities between the patterns of

1097

01:04:54,760 --> 01:04:51,040

behavior of plasma and those recorded by

1098

01:04:58,270 --> 01:04:54,770

witnesses of UFO encounters so they

1099

01:05:02,650 --> 01:04:58,280

share common characteristics at least

1100

01:05:06,430 --> 01:05:02,660

through anecdotal testimony and and the

1101

01:05:12,280 --> 01:05:06,440

point is that that the UFOs ability to

1102

01:05:16,900 --> 01:05:12,290

to separate or split to rotate disappear

1103

01:05:21,280 --> 01:05:16,910

they emit light it gives the appearance

1104

01:05:25,270 --> 01:05:21,290

that it's under intelligent control so

1105

01:05:29,770 --> 01:05:25,280

plasma does this as well and people may

1106

01:05:33,490 --> 01:05:29,780

think that non-human intelligence since

1107

01:05:39,450 --> 01:05:33,500

it's behaving in such uniquely strange

1108

01:05:43,420 --> 01:05:39,460

ways when in fact it may be plasma based

1109

01:05:45,070 --> 01:05:43,430

so we need to do certainly more of a

1110

01:05:47,890 --> 01:05:45,080

search into this area

1111

01:05:52,860 --> 01:05:47,900

I know Russian scientists are involved

1112

01:06:02,740 --> 01:05:56,020

there are physicists I forget their

1113

01:06:06,150 --> 01:06:02,750

names Pierre Durrani they observed or I

1114

01:06:13,499 --> 01:06:06,160

should say studied many UFO cases

1115

01:06:20,639 --> 01:06:17,870

they call plasmoid have been for

1116

01:06:22,499 --> 01:06:20,649

physical craft operated by non-human

1117

01:06:24,569 --> 01:06:22,509

intelligence obviously have been

1118

01:06:27,929 --> 01:06:24,579

recorded on numerous occasions you

1119

01:06:32,759 --> 01:06:27,939

mentioned Foo Fighters in World War 2 we

1120

01:06:34,439 --> 01:06:32,769

thought of a secret advanced craft by

1121

01:06:38,159 --> 01:06:34,449

our enemy and they thought the same

1122

01:06:42,120 --> 01:06:38,169

thing about about us but these these

1123

01:06:48,089 --> 01:06:42,130

plasmoid as these physicists referred

1124

01:06:52,499 --> 01:06:48,099

them as may be a basis for most UFO

1125

01:06:55,499 --> 01:06:52,509

sightings because it does appear under

1126

01:06:57,839 --> 01:06:55,509

intelligent control but but it's a

1127

01:07:03,449 --> 01:06:57,849

common characteristic of a of an

1128

01:07:08,639 --> 01:07:03,459

atmospheric media logic event that again

1129

01:07:13,739 --> 01:07:08,649

contains electrically charged currents

1130

01:07:18,829 --> 01:07:13,749

and can generate magnetic fields and

1131

01:07:21,629 --> 01:07:18,839

that's why when a UFO lands we often

1132

01:07:24,059 --> 01:07:21,639

scientists who study the landing area

1133

01:07:29,569 --> 01:07:24,069

and examine the the so-called physical

1134

01:07:34,679 --> 01:07:29,579

trace evidence of that reported UFO

1135

01:07:38,359 --> 01:07:34,689

event will will conclude that the soil

1136

01:07:42,409 --> 01:07:38,369

the vegetation the trees except etc

1137

01:07:47,549 --> 01:07:42,419

appear to have been exposed to an

1138

01:07:51,419 --> 01:07:47,559

electromagnetic wave or radioactivity of

1139

01:07:54,569 --> 01:07:51,429

some type and even the reports by humans

1140

01:07:56,909 --> 01:07:54,579

who have had a close encounter have

1141

01:08:03,569 --> 01:07:56,919

similar types of physiological and

1142

01:08:09,319 --> 01:08:03,579

psychological experiences since these

1143

01:08:13,259 --> 01:08:09,329

plasmoid can generate electromagnetic

1144

01:08:15,779 --> 01:08:13,269

energy now let me emphasize again

1145

01:08:19,319 --> 01:08:15,789

doesn't mean that UFOs all your photos

1146

01:08:21,629 --> 01:08:19,329

are plasma based but it's something that

1147

01:08:25,169 --> 01:08:21,639

needs to be examined more thoroughly

1148

01:08:26,050 --> 01:08:25,179

that's a possible explanation for for

1149

01:08:30,190 --> 01:08:26,060

some

1150

01:08:36,490 --> 01:08:30,200

UFOs yeah then you get into the time

1151

01:08:39,910 --> 01:08:36,500

travel before we move into that I'd like

1152

01:08:43,090 --> 01:08:39,920

to mention I saw in your book the the

1153

01:08:44,980 --> 01:08:43,100

Socorro case and I wanted to just say

1154

01:08:47,349 --> 01:08:44,990

you know to the listening audience out

1155

01:08:49,150 --> 01:08:47,359

there now there's a website a UFO

1156

01:08:52,390 --> 01:08:49,160

website that just published this found

1157

01:08:54,340 --> 01:08:52,400

footage of the Sikora case and you can

1158

01:08:57,070 --> 01:08:54,350

find it I can't remember exactly the

1159

01:08:59,890 --> 01:08:57,080

website it's on but but you'll see it if

1160

01:09:01,930 --> 01:08:59,900

you google it and I spoke with Ray

1161

01:09:05,470 --> 01:09:01,940

Stanford today who was the first

1162

01:09:08,590 --> 01:09:05,480

investigator on you know on the grounds

1163

01:09:10,300 --> 01:09:08,600

there and he said that basically he

1164

01:09:12,430 --> 01:09:10,310

knows all about that film he's looked at

1165

01:09:14,920 --> 01:09:12,440

that film many years ago it's not found

1166

01:09:17,800 --> 01:09:14,930

film or anything like that as it's being

1167

01:09:20,410 --> 01:09:17,810

claimed to be but he also said that the

1168

01:09:22,720 --> 01:09:20,420

the woman who's talking you know things

1169

01:09:24,190 --> 01:09:22,730

that happened as a child and why they

1170

01:09:27,190 --> 01:09:24,200

showed up there and all that he said

1171

01:09:29,980 --> 01:09:27,200

it's all BS he knows very well that it's

1172

01:09:31,960 --> 01:09:29,990

all BS because he was there and that the

1173

01:09:33,190 --> 01:09:31,970

family met with Lonnie and Lottie

1174

01:09:35,590 --> 01:09:33,200

brought him there he would have no

1175

01:09:38,110 --> 01:09:35,600

reason to do that because he did not

1176

01:09:39,640 --> 01:09:38,120

want our really even it you know admit

1177

01:09:41,890 --> 01:09:39,650

to the whole situation it was kind of

1178

01:09:43,240 --> 01:09:41,900

ducking the whole situation he wasn't

1179

01:09:44,470 --> 01:09:43,250

gonna take a family that he just

1180

01:09:47,440 --> 01:09:44,480

happened to palm and bring them out

1181

01:09:50,260 --> 01:09:47,450

there but anyway it's interesting it

1182

01:09:52,150 --> 01:09:50,270

just came out I think today or yesterday

1183

01:09:54,040 --> 01:09:52,160

and people are starting to post it as if

1184

01:09:56,890 --> 01:09:54,050

it's something new this this is one of

1185

01:09:59,560 --> 01:09:56,900

the things that happens in the field you

1186

01:10:02,170 --> 01:09:59,570

know a lot of times someone will pull

1187

01:10:05,440 --> 01:10:02,180

something without researching it deeply

1188

01:10:08,680 --> 01:10:05,450

and and a lot of times I'll get emails

1189

01:10:10,900 --> 01:10:08,690

about it from people that push the hard

1190

01:10:15,310 --> 01:10:10,910

line of trying to keep things you know

1191

01:10:17,650 --> 01:10:15,320

even and thoughtful in this field will

1192

01:10:20,350 --> 01:10:17,660

email me and tell me but sometimes it's

1193

01:10:22,180 --> 01:10:20,360

hard to tell who's right and who's got a

1194

01:10:24,520 --> 01:10:22,190

beef with someone and you know there's a

1195

01:10:28,330 --> 01:10:24,530

lot of politics in this and it's kind of

1196

01:10:32,020 --> 01:10:28,340

hard to to figure out while back on the

1197

01:10:34,300 --> 01:10:32,030

message board someone and I do want to

1198

01:10:37,030 --> 01:10:34,310

continue and talk about the Socorro case

1199

01:10:39,550 --> 01:10:37,040

but someone posed a question

1200

01:10:41,170 --> 01:10:39,560

so you're basically new in the field

1201

01:10:44,730 --> 01:10:41,180

what are you going to add to it or what

1202

01:10:53,310 --> 01:10:44,740

are you going to attempt to add to it

1203

01:10:57,300 --> 01:10:53,320

well my book phenomenon should I believe

1204

01:11:03,870 --> 01:10:57,310

which attempts to provide an objective

1205

01:11:06,850 --> 01:11:03,880

evaluation of the phenomenon with many

1206

01:11:11,920 --> 01:11:06,860

suggestions as to where we should go

1207

01:11:17,710 --> 01:11:11,930

from here I provide some some I think

1208

01:11:20,920 --> 01:11:17,720

unique insight about the phenomenon I'm

1209

01:11:24,100 --> 01:11:20,930

critical of the types of studies that

1210

01:11:27,850 --> 01:11:24,110

have been done I call the need for

1211

01:11:30,400 --> 01:11:27,860

further investigation again as I

1212

01:11:35,500 --> 01:11:30,410

mentioned earlier by a diverse group of

1213

01:11:42,930 --> 01:11:35,510

scientists that is now being being led

1214

01:11:46,320 --> 01:11:42,940

through that free foundation but I

1215

01:11:50,100 --> 01:11:46,330

contribute those types of insights which

1216

01:11:53,320 --> 01:11:50,110

people may or may not agree with but

1217

01:11:58,590 --> 01:11:53,330

again as a member of that free

1218

01:12:01,990 --> 01:11:58,600

Foundation I hope to provide some some

1219

01:12:04,560 --> 01:12:02,000

help collecting quantitative and

1220

01:12:08,760 --> 01:12:04,570

qualitative data analyzing it and

1221

01:12:12,130 --> 01:12:08,770

helping others write up the information

1222

01:12:15,700 --> 01:12:12,140

and to provide my background as a

1223

01:12:18,340 --> 01:12:15,710

scientist in in that regard whether or

1224

01:12:20,290 --> 01:12:18,350

not my contributions are working and

1225

01:12:23,790 --> 01:12:20,300

meaningful that that sort of remains to

1226

01:12:27,270 --> 01:12:23,800

be seen but I am excited about it

1227

01:12:30,700 --> 01:12:27,280

because it might it might provide some

1228

01:12:33,520 --> 01:12:30,710

answers to this phenomenon because

1229

01:12:37,780 --> 01:12:33,530

unless we undertake a different approach

1230

01:12:41,020 --> 01:12:37,790

than what has been taken over many

1231

01:12:45,280 --> 01:12:41,030

decades we're still going to continue to

1232

01:12:48,070 --> 01:12:45,290

debate the controversies about whether

1233

01:12:51,300 --> 01:12:48,080

or not the Flying Saucer crashed in

1234

01:12:58,300 --> 01:12:56,110

UFOs deactivated missile sites on

1235

01:13:03,520 --> 01:12:58,310

numerous occasions both here and in

1236

01:13:08,550 --> 01:13:03,530

Russia of the Phoenix lights again you

1237

01:13:12,580 --> 01:13:08,560

know was a clear example of et related

1238

01:13:15,939 --> 01:13:12,590

contact including the rendered

1239

01:13:18,189 --> 01:13:15,949

Rendlesham forest incident which is also

1240

01:13:22,450 --> 01:13:18,199

a source of controversy and there's a

1241

01:13:25,920 --> 01:13:22,460

book out by Nick talk was done a

1242

01:13:29,340 --> 01:13:25,930

wonderful job as a leading UFO

1243

01:13:37,410 --> 01:13:29,350

researcher where he interviewed the

1244

01:13:41,620 --> 01:13:37,420

bus's named plaintiff had direct closed

1245

01:13:44,860 --> 01:13:41,630

experiences with a UFO

1246

01:13:48,310 --> 01:13:44,870

yeah there's a there's so there's a some

1247

01:13:51,580 --> 01:13:48,320

people that would beg argue that that is

1248

01:13:53,740 --> 01:13:51,590

such a good book I don't have anything

1249

01:13:55,479 --> 01:13:53,750

against Nick other I've asked him on the

1250

01:13:57,100 --> 01:13:55,489

show a number of times he refuses to

1251

01:14:00,760 --> 01:13:57,110

come on just because he says he's too

1252

01:14:01,600 --> 01:14:00,770

busy and that's that's fine and I'm just

1253

01:14:04,120 --> 01:14:01,610

saying that I don't have anything

1254

01:14:07,030 --> 01:14:04,130

against him when I say this that that

1255

01:14:11,110 --> 01:14:07,040

book was written it could have been

1256

01:14:13,120 --> 01:14:11,120

written in a first hand instead of he

1257

01:14:14,290 --> 01:14:13,130

basically wrote for them because they

1258

01:14:16,780 --> 01:14:14,300

said they couldn't write and I

1259

01:14:18,490 --> 01:14:16,790

understand that but it's just you know a

1260

01:14:21,189 --> 01:14:18,500

lot of people are complaining that you

1261

01:14:24,130 --> 01:14:21,199

can't really get the feel of the person

1262

01:14:27,160 --> 01:14:24,140

themselves talking I have not read that

1263

01:14:29,950 --> 01:14:27,170

book and I probably should before I you

1264

01:14:33,459 --> 01:14:29,960

know critique it of course that would be

1265

01:14:35,500 --> 01:14:33,469

the right thing to do of course so I

1266

01:14:38,910 --> 01:14:35,510

want to get back on track and we were

1267

01:14:41,380 --> 01:14:38,920

just talking about the Socorro case and

1268

01:14:44,800 --> 01:14:41,390

one of the things that comes to mind is

1269

01:14:47,800 --> 01:14:44,810

it possible that these things that we

1270

01:14:51,720 --> 01:14:47,810

actually see full form of are in part

1271

01:15:00,630 --> 01:14:51,730

plasma or a plasma motivated or

1272

01:15:04,540 --> 01:15:03,310

particles it's like somewhat the ball

1273

01:15:09,609 --> 01:15:04,550

light

1274

01:15:16,660 --> 01:15:09,619

which which has come down chimneys into

1275

01:15:20,910 --> 01:15:16,670

people's homes that the fact and point

1276

01:15:24,750 --> 01:15:20,920

is while it we know it exists there

1277

01:15:29,729 --> 01:15:24,760

there are other types of atmospheric

1278

01:15:33,899 --> 01:15:29,739

manifestations of electrically charged

1279

01:15:37,209 --> 01:15:33,909

events that are poorly understood and

1280

01:15:40,180 --> 01:15:37,219

again can be confused with an

1281

01:15:42,129 --> 01:15:40,190

intelligence or an intelligent crap

1282

01:15:44,950 --> 01:15:42,139

because it behaves in a manner that

1283

01:15:47,740 --> 01:15:44,960

suggests there there is an intelligence

1284

01:15:50,410 --> 01:15:47,750

behind it when it makes so angular

1285

01:15:56,069 --> 01:15:50,420

movements accelerates at rapid speeds

1286

01:16:01,000 --> 01:15:56,079

etc so that that might explain some of

1287

01:16:05,470 --> 01:16:01,010

the alleged contentions by those who

1288

01:16:09,339 --> 01:16:05,480

witness an unusual aerial event where

1289

01:16:11,979 --> 01:16:09,349

they may conclude its et coming here

1290

01:16:15,069 --> 01:16:11,989

when in fact it's not but it doesn't

1291

01:16:17,410 --> 01:16:15,079

fully exclude the possibility that it is

1292

01:16:22,000 --> 01:16:17,420

et from either another dimension north

1293

01:16:27,939 --> 01:16:22,010

over time or or solar system so we can

1294

01:16:30,700 --> 01:16:27,949

go on debating all of these incidents

1295

01:16:34,149 --> 01:16:30,710

some of which are quite remarkable like

1296

01:16:37,990 --> 01:16:34,159

the shag harbour incident back in 1900

1297

01:16:42,700 --> 01:16:38,000

was in 1967 or the mass sightings and in

1298

01:16:48,120 --> 01:16:42,710

Washington DC back in 52 there are

1299

01:16:51,780 --> 01:16:48,130

several remarkable experiences that that

1300

01:16:55,209 --> 01:16:51,790

thousands of people have witnessed

1301

01:16:59,950 --> 01:16:55,219

there's no debate in my mind at least

1302

01:17:02,790 --> 01:16:59,960

that that UFOs exist that the five

1303

01:17:12,030 --> 01:17:02,800

logical explanation I don't think

1304

01:17:17,680 --> 01:17:12,040

anybody will believe and that and and by

1305

01:17:20,830 --> 01:17:17,690

continuing to write books and debate

1306

01:17:23,590 --> 01:17:20,840

about these past events in terms of

1307

01:17:29,580 --> 01:17:23,600

whether or not it proves with

1308

01:17:34,840 --> 01:17:29,590

irrefutable evidence that is

1309

01:17:35,920 --> 01:17:34,850

intelligence from somewhere else we're

1310

01:17:39,250 --> 01:17:35,930

gonna go nowhere

1311

01:17:44,020 --> 01:17:39,260

yeah I agree I agree but I will I will

1312

01:17:47,260 --> 01:17:44,030

say that to just counter what you just

1313

01:17:49,959 --> 01:17:47,270

said there is that there are people that

1314

01:17:52,330 --> 01:17:49,969

I have actually talked with out there

1315

01:17:57,700 --> 01:17:52,340

and have actually debated here on on

1316

01:18:00,370 --> 01:17:57,710

this show that that do not believe that

1317

01:18:02,680 --> 01:18:00,380

there's unexplainable UFOs so they

1318

01:18:05,620 --> 01:18:02,690

believe that every single one of them is

1319

01:18:09,520 --> 01:18:05,630

explainable prosaically you know from

1320

01:18:12,130 --> 01:18:09,530

this earth in some way so there are

1321

01:18:13,479 --> 01:18:12,140

those people out there that and those

1322

01:18:15,959 --> 01:18:13,489

are the ones that have to be hit with a

1323

01:18:19,810 --> 01:18:15,969

hammer of evidence before they actually

1324

01:18:26,800 --> 01:18:19,820

would open their mind a little bit about

1325

01:18:33,030 --> 01:18:26,810

it that's my opinion make a very good

1326

01:18:38,729 --> 01:18:35,830

extraordinary conclusions by many many

1327

01:18:41,050 --> 01:18:38,739

leading researches I'm not even going to

1328

01:18:44,500 --> 01:18:41,060

provide names

1329

01:18:48,250 --> 01:18:44,510

that's unsubstantiated by compelling

1330

01:18:53,500 --> 01:18:48,260

factual evidence and they contend that

1331

01:18:57,189 --> 01:18:53,510

UFOs manifest in our time and space as

1332

01:18:59,950 --> 01:18:57,199

physical spaceship with biologic

1333

01:19:02,170 --> 01:18:59,960

life-forms they contend

1334

01:19:05,620 --> 01:19:02,180

we've been visited by advanced

1335

01:19:12,750 --> 01:19:05,630

interstellar civilizations that can

1336

01:19:17,520 --> 01:19:12,760

travel through other dimensions and

1337

01:19:21,459 --> 01:19:17,530

these types of theories continues to

1338

01:19:29,400 --> 01:19:21,469

bewilder many individuals who study the

1339

01:19:31,390 --> 01:19:29,410

phenomenon of vehicles and and deceased

1340

01:19:33,970 --> 01:19:31,400

life-forms of various

1341

01:19:37,990 --> 01:19:33,980

alien races that that are stored in an

1342

01:19:40,840 --> 01:19:38,000

underground facility what do you make of

1343

01:19:44,020 --> 01:19:40,850

that you know I I don't know and that

1344

01:19:47,590 --> 01:19:44,030

the military some of the military

1345

01:19:50,200 --> 01:19:47,600

complex are involved with alien

1346

01:19:53,490 --> 01:19:50,210

technology and we backed engineered it

1347

01:19:59,650 --> 01:19:53,500

and we're using it to our advantage

1348

01:20:02,260 --> 01:19:59,660

etc again unsubstantiated now it could

1349

01:20:04,540 --> 01:20:02,270

it be true yeah it could be true but

1350

01:20:07,120 --> 01:20:04,550

where is the tangible evidence and again

1351
01:20:10,330 --> 01:20:07,130
these these statements and conclusions

1352
01:20:12,850 --> 01:20:10,340
are made in my opinion without that

1353
01:20:17,350 --> 01:20:12,860
compelling testimony although although

1354
01:20:20,860 --> 01:20:17,360
there are there are people like Leslie

1355
01:20:23,200 --> 01:20:20,870
Kane who wrote a recent book and I

1356
01:20:26,860 --> 01:20:23,210
forget the title of it and she said

1357
01:20:29,380 --> 01:20:26,870
she's talked with many high-level no

1358
01:20:34,630 --> 01:20:29,390
therian government officials who contend

1359
01:20:40,800 --> 01:20:34,640
that that in fact we we are aware of an

1360
01:20:43,150 --> 01:20:40,810
et presence and that there is some

1361
01:20:46,120 --> 01:20:43,160
agency within the government poly

1362
01:20:49,420 --> 01:20:46,130
unknown to even presidents that are

1363
01:20:55,210 --> 01:20:49,430

aware of this phenomenon and then

1364

01:20:58,240 --> 01:20:55,220

believes it to be et in origin so but

1365

01:21:02,110 --> 01:20:58,250

nevertheless these there are so many

1366

01:21:03,460 --> 01:21:02,120

unconfirmed irrefutable conclusions

1367

01:21:07,530 --> 01:21:03,470

which which I think are

1368

01:21:11,620 --> 01:21:07,540

counterproductive and they do create

1369

01:21:14,530 --> 01:21:11,630

what disillusion among many scientists

1370

01:21:18,100 --> 01:21:14,540

and politicians and that that impedes

1371

01:21:22,770 --> 01:21:18,110

our effort to promote enhance the

1372

01:21:29,950 --> 01:21:22,780

quality and need for UFO based research

1373

01:21:34,330 --> 01:21:29,960

so again you can't make these kinds of

1374

01:21:38,890 --> 01:21:34,340

conclusions without without scientific

1375

01:21:42,910 --> 01:21:38,900

research and ten tangible evidence going

1376

01:21:44,890 --> 01:21:42,920

back to do we finish the Sakura case why

1377

01:21:45,310 --> 01:21:44,900

you wipe had that in the book I can't

1378

01:21:48,160 --> 01:21:45,320

remember

1379

01:21:52,570 --> 01:21:48,170

no no I mean I had I talked about

1380

01:21:54,370 --> 01:21:52,580

Roswell which in a sense is similar to

1381

01:21:57,720 --> 01:21:54,380

the car do you mean the Roswell incident

1382

01:22:09,130 --> 01:21:57,730

no the Socorro with Lonnie Zamora oh

1383

01:22:13,620 --> 01:22:09,140

yeah sort of some controversy to where

1384

01:22:17,130 --> 01:22:13,630

he observed a metallic craft with a

1385

01:22:20,110 --> 01:22:17,140

strange insignia on it and was also

1386

01:22:24,160 --> 01:22:20,120

verified by another individual who saw

1387

01:22:28,840 --> 01:22:24,170

it accelerated at tremendous speeds from

1388

01:22:31,230 --> 01:22:28,850

from the ground but things like that had

1389

01:22:36,180 --> 01:22:31,240

been reported on numerous occasions

1390

01:22:38,830 --> 01:22:36,190

worldwide the Toccara Toccara infants is

1391

01:22:42,220 --> 01:22:38,840

interesting but it is not all that

1392

01:22:46,480 --> 01:22:42,230

unique there there are many other types

1393

01:22:50,500 --> 01:22:46,490

of experiences and incidents that I

1394

01:22:58,210 --> 01:22:50,510

think are more let's say remarkable in

1395

01:23:02,800 --> 01:22:58,220

terms of trying to explain logically for

1396

01:23:07,300 --> 01:23:02,810

instance a going to per who some people

1397

01:23:10,330 --> 01:23:07,310

may recall was an astronaut and project

1398

01:23:13,390 --> 01:23:10,340

the mercury and Gemini he said and

1399

01:23:20,200 --> 01:23:13,400

anybody can get on YouTube and listen to

1400

01:23:24,880 --> 01:23:20,210

him say that he witnessed a physical

1401
01:23:28,390 --> 01:23:24,890
craft that was consumed by flames that

1402
01:23:32,770 --> 01:23:28,400
that left four indentation on the desert

1403
01:23:34,960 --> 01:23:32,780
and that beings left the craft they

1404
01:23:39,310 --> 01:23:34,970
collected soil samples and then they

1405
01:23:41,650 --> 01:23:39,320
eventually disappeared at tremendous

1406
01:23:44,020 --> 01:23:41,660
speeds and there was no doubt in his

1407
01:23:48,100 --> 01:23:44,030
mind that they were some they came from

1408
01:23:53,260 --> 01:23:48,110
some place other than Earth now is he

1409
01:23:55,660 --> 01:23:53,270
crazy maybe but this is what he intends

1410
01:23:58,210 --> 01:23:55,670
and he has made that public

1411
01:23:58,930 --> 01:23:58,220
likewise Edgar Mitchell another

1412
01:24:00,700 --> 01:23:58,940
astronaut

1413
01:24:03,100 --> 01:24:00,710

I mentioned earlier the sixth man to

1414

01:24:09,130 --> 01:24:03,110

walk on the moon and who is a member of

1415

01:24:13,600 --> 01:24:09,140

this free Foundation contends that there

1416

01:24:18,610 --> 01:24:13,610

are et visitors that they have correct

1417

01:24:23,430 --> 01:24:18,620

crashed on our planet we have recovered

1418

01:24:26,410 --> 01:24:23,440

bodies we have reverse-engineered

1419

01:24:29,050 --> 01:24:26,420

technology from the craft and now where

1420

01:24:33,189 --> 01:24:29,060

we get this information well he has

1421

01:24:36,430 --> 01:24:33,199

spoken with many officials and other

1422

01:24:41,290 --> 01:24:36,440

individuals I guess who have shared that

1423

01:24:46,959 --> 01:24:41,300

type of information with them with great

1424

01:24:51,189 --> 01:24:46,969

credibility enough so that he he is a

1425

01:24:53,939 --> 01:24:51,199

supporter of what UFOs being

1426
01:25:01,300 --> 01:24:53,949
intelligently controlled by non-human

1427
01:25:07,479 --> 01:25:01,310
intelligence some unbelievable cases

1428
01:25:11,740 --> 01:25:07,489
it's brings to mind you talk about high

1429
01:25:16,229 --> 01:25:11,750
strangeness and incidents like the

1430
01:25:19,560 --> 01:25:16,239
Socorro one one even more fascinating

1431
01:25:24,790 --> 01:25:19,570
involved cosmonaut since one of the

1432
01:25:29,950 --> 01:25:24,800
Sawyer's ships in space where three

1433
01:25:33,939 --> 01:25:29,960
cosmonauts reported seeing angel-like

1434
01:25:37,990 --> 01:25:33,949
beings outside the craft paralleling the

1435
01:25:44,590 --> 01:25:38,000
craft with wings with haloes around

1436
01:25:46,330 --> 01:25:44,600
their heads and and and they reported

1437
01:25:48,370 --> 01:25:46,340
this figure the grand all three

1438
01:25:52,510 --> 01:25:48,380

reporters and they mentioned the city

1439

01:25:55,600 --> 01:25:52,520

ground and they thought of course that

1440

01:25:57,990 --> 01:25:55,610

it was due to lack of oxygen or sleep

1441

01:26:05,130 --> 01:25:58,000

deprivation or effects from whatever

1442

01:26:13,350 --> 01:26:08,640

docked with that one and three other

1443

01:26:16,570 --> 01:26:13,360

cosmonauts join them gets what

1444

01:26:19,540 --> 01:26:16,580

they had the same experience so now we

1445

01:26:22,720 --> 01:26:19,550

have you know six cosmonauts reporting

1446

01:26:25,450 --> 01:26:22,730

attention the same thing and but they

1447

01:26:29,350 --> 01:26:25,460

just arrived and so how could it be due

1448

01:26:34,660 --> 01:26:29,360

to you know the reasons that the ground

1449

01:26:38,500 --> 01:26:34,670

provided for the initial experience from

1450

01:26:42,430 --> 01:26:38,510

the first no three cosmonauts you can't

1451

01:26:47,620 --> 01:26:42,440

you can't assume it's due to some type

1452

01:26:50,350 --> 01:26:47,630

of space phenomena and when they landed

1453

01:26:55,600 --> 01:26:50,360

they obviously were analyzed when two

1454

01:26:58,990 --> 01:26:55,610

psychological tests came out just fine

1455

01:27:02,560 --> 01:26:59,000

very balanced individuals who reported

1456

01:27:09,820 --> 01:27:02,570

the same story independent of each other

1457

01:27:11,020 --> 01:27:09,830

and those goes on unexplained after not

1458

01:27:15,189 --> 01:27:11,030

Musgraves

1459

01:27:18,070 --> 01:27:15,199

he flying one of the SPS missions he

1460

01:27:21,700 --> 01:27:18,080

said an object appears beneath the

1461

01:27:25,149 --> 01:27:21,710

shuttle and and followed it and he was

1462

01:27:29,080 --> 01:27:25,159

adamant that that he said these guys are

1463

01:27:32,260 --> 01:27:29,090

real you know I guarantee it meaning he

1464

01:27:36,060 --> 01:27:32,270

thought it was eating many astronauts

1465

01:27:39,750 --> 01:27:36,070

have made these kinds of allegations

1466

01:27:43,360 --> 01:27:39,760

hard to say what it is but they say it

1467

01:27:47,500 --> 01:27:43,370

and we can go again on and on looking at

1468

01:27:49,780 --> 01:27:47,510

these these types of cases and how how

1469

01:27:53,020 --> 01:27:49,790

UFOs have been seen over nuclear bases

1470

01:27:56,430 --> 01:27:53,030

Robert Hastings has examined this over

1471

01:28:00,750 --> 01:27:56,440

the past thirty four years interviewing

1472

01:28:03,610 --> 01:28:00,760

people from the nuclear bases who

1473

01:28:08,080 --> 01:28:03,620

whereby affected by many witnesses

1474

01:28:13,290 --> 01:28:08,090

confirmed by radar and and what they

1475

01:28:23,050 --> 01:28:16,540

reactivate them one by one and and and

1476

01:28:26,470 --> 01:28:23,060

the the those who control these these

1477

01:28:32,100 --> 01:28:26,480

nuclear missiles contend that that in

1478

01:28:38,530 --> 01:28:32,110

tappable to do requires special codes

1479

01:28:40,770 --> 01:28:38,540

and contact with with these missiles -

1480

01:28:46,060 --> 01:28:40,780

in order to do that there are too many

1481

01:28:50,320 --> 01:28:46,070

too many obstacles for anything to

1482

01:28:54,000 --> 01:28:50,330

overcome or I should say to cause this

1483

01:28:57,820 --> 01:28:54,010

it happened in it happens in Russian

1484

01:28:59,410 --> 01:28:57,830

missile sites as well that UFOs are seen

1485

01:29:02,890 --> 01:28:59,420

in closets now maybe it's an

1486

01:29:07,300 --> 01:29:02,900

electromagnetic event which can

1487

01:29:11,020 --> 01:29:07,310

potentially deactivate nuclear missiles

1488

01:29:13,600 --> 01:29:11,030

or or there's a message Robert Hastings

1489

01:29:16,330 --> 01:29:13,610

contends that its et in nature and

1490

01:29:23,170 --> 01:29:16,340

they're providing us with a message like

1491

01:29:28,780 --> 01:29:23,180

you know stop this well maybe he's right

1492

01:29:32,710 --> 01:29:28,790

but we we can again go on and on and

1493

01:29:35,530 --> 01:29:32,720

look at simultaneous radar and visual

1494

01:29:39,310 --> 01:29:35,540

sighting it's mass sightings and these

1495

01:29:42,060 --> 01:29:39,320

50 space incidences of the major mass

1496

01:29:45,010 --> 01:29:42,070

sighting says that go on and on the

1497

01:29:47,440 --> 01:29:45,020

cases of high strangeness and and some

1498

01:29:50,380 --> 01:29:47,450

of the theories and that's all they are

1499

01:29:52,860 --> 01:29:50,390

theories that try to explain what

1500

01:29:56,200 --> 01:29:52,870

regulates and governs this extraordinary

1501

01:29:59,050 --> 01:29:56,210

phenomenon and maybe maybe they're all

1502

01:30:01,390 --> 01:29:59,060

right maybe they're all wrong in terms

1503

01:30:05,010 --> 01:30:01,400

of the paranormal the plaza the time

1504

01:30:07,780 --> 01:30:05,020

travel what you mentioned the psycho

1505

01:30:11,470 --> 01:30:07,790

sociological theory but we should be

1506

01:30:18,750 --> 01:30:11,480

aware of it we should not completely

1507

01:30:23,860 --> 01:30:18,760

ignore it but yet but yet we have made

1508

01:30:26,500 --> 01:30:23,870

any advanced advancement throughout the

1509

01:30:29,560 --> 01:30:26,510

decades in terms of our understanding

1510

01:30:31,990 --> 01:30:29,570

what's going on and is there conspiracy

1511

01:30:34,479 --> 01:30:32,000

theory to some people and the government

1512

01:30:37,780 --> 01:30:34,489

or military here in America or other

1513

01:30:39,399 --> 01:30:37,790

countries know what's going on and do

1514

01:30:41,979 --> 01:30:39,409

not tell us

1515

01:30:46,989 --> 01:30:41,989

maybe although there's very little

1516

01:30:49,899 --> 01:30:46,999

evidence to support that yet you can't

1517

01:30:51,759 --> 01:30:49,909

discount that as a possibility

1518

01:30:58,540 --> 01:30:51,769

Stan Friedman would disagree with you on

1519

01:31:02,319 --> 01:30:58,550

that standing Friedman it you know I and

1520

01:31:04,659 --> 01:31:02,329

I acknowledge the fine work by many many

1521

01:31:07,419 --> 01:31:04,669

you follow this I don't mean to denounce

1522

01:31:10,750 --> 01:31:07,429

that night I commend those with MUFON

1523

01:31:13,959 --> 01:31:10,760

and nightcap and our capital nor cap and

1524

01:31:17,319 --> 01:31:13,969

all those acronyms you know I commend

1525

01:31:19,989 --> 01:31:17,329

them for the work they have done forth

1526

01:31:23,739 --> 01:31:19,999

to better understand this phenomena and

1527

01:31:27,639 --> 01:31:23,749

I really do commend them I

1528

01:31:32,560 --> 01:31:27,649

but Stanton Friedman probably one of the

1529

01:31:36,790 --> 01:31:32,570

leading you follow this certainly

1530

01:31:41,879 --> 01:31:36,800

contends that that for instance a a UFO

1531

01:31:45,429 --> 01:31:41,889

a space spaceship did crash in Roswell

1532

01:31:47,709 --> 01:31:45,439

but surprisingly very little was made of

1533

01:31:54,669 --> 01:31:47,719

that Roswell incident back in what was

1534

01:31:59,770 --> 01:31:54,679

it 47 yeah until he interviewed major

1535

01:32:03,159 --> 01:31:59,780

was it named Marcel herself in 78 and

1536

01:32:05,699 --> 01:32:03,169

when he and when Marcel said you know it

1537

01:32:08,709 --> 01:32:05,709

was I found this I deem it had

1538

01:32:13,379 --> 01:32:08,719

hieroglyphics on it all right I have we

1539

01:32:20,080 --> 01:32:13,389

had material that was thin as paper but

1540

01:32:25,409 --> 01:32:20,090

couldn't burn then following that

1541

01:32:29,169 --> 01:32:25,419

interview of Marcel's contentions that

1542

01:32:33,250 --> 01:32:29,179

the alien craft landed and he saw the

1543

01:32:37,119 --> 01:32:33,260

body a lean body since then Roswell has

1544

01:32:42,099 --> 01:32:37,129

been a source of incredible debate even

1545

01:32:46,779 --> 01:32:42,109

to this day and now Stanton Friedman

1546

01:32:51,849 --> 01:32:46,789

believe believe that some spaceship bit

1547

01:32:53,199 --> 01:32:51,859

in fact some crash in Roswell well again

1548

01:32:57,100 --> 01:32:53,209

it's anecdotal

1549

01:33:00,520 --> 01:32:57,110

and most of the evidence ufologist have

1550

01:33:05,949 --> 01:33:00,530

to address and believe or not believe in

1551

01:33:07,629 --> 01:33:05,959

it's anecdotal witness testimony I I

1552

01:33:10,239 --> 01:33:07,639

don't know what to make of Roswell I

1553

01:33:12,489 --> 01:33:10,249

really don't because it'd be project

1554

01:33:16,330 --> 01:33:12,499

mogul as as the General Accounting

1555

01:33:20,189 --> 01:33:16,340

Office contends of the United States

1556

01:33:22,629 --> 01:33:20,199

content ad wouldn't surprise me since

1557

01:33:26,649 --> 01:33:22,639

we're in a cold war with Russia

1558

01:33:29,439 --> 01:33:26,659

we had the secret balloons with cameras

1559

01:33:32,370 --> 01:33:29,449

and maybe did Krypton that was it that

1560

01:33:35,560 --> 01:33:32,380

crashed again we're talking about

1561

01:33:37,959 --> 01:33:35,570

witness testimony alleged witness

1562

01:33:42,040 --> 01:33:37,969

testimony and trying to make sense of it

1563

01:33:44,910 --> 01:33:42,050

but that's why the scientific and

1564

01:33:48,899 --> 01:33:44,920

political community doesn't buy into it

1565

01:33:52,750 --> 01:33:48,909

because conclusions are made without

1566

01:33:55,509 --> 01:33:52,760

scientific led research using the

1567

01:34:02,589 --> 01:33:55,519

so-called scientific method which may in

1568

01:34:06,609 --> 01:34:02,599

fact be inappropriate to apply given

1569

01:34:09,729 --> 01:34:06,619

given the scientific principles we are

1570

01:34:13,239 --> 01:34:09,739

now familiar with in terms of applying

1571

01:34:16,660 --> 01:34:13,249

that to a phenomenon that may very well

1572

01:34:20,500 --> 01:34:16,670

not ascribed to to the principles we

1573

01:34:25,109 --> 01:34:20,510

have at this present time it only took

1574

01:34:29,140 --> 01:34:25,119

what 66 years from Kitty Hawk to when

1575

01:34:33,189 --> 01:34:29,150

Buzz Aldrin and Neil Armstrong walked on

1576

01:34:36,179 --> 01:34:33,199

the moon what's the next sixty six years

1577

01:34:39,040 --> 01:34:36,189

gonna bring obviously will we'll have

1578

01:34:41,580 --> 01:34:39,050

scientific theories that will that may

1579

01:34:43,689 --> 01:34:41,590

very well help us better understand this

1580

01:34:46,569 --> 01:34:43,699

phenomenon but I think that's what's

1581

01:34:51,399 --> 01:34:46,579

going to take our an increased

1582

01:34:57,339 --> 01:34:51,409

understanding of such principles in

1583

01:35:01,029 --> 01:34:57,349

order to apply to the phenomenon better

1584

01:35:04,600 --> 01:35:01,039

understand again what is governing its

1585

01:35:06,650 --> 01:35:04,610

behavior and whether or not it's quantum

1586

01:35:08,990 --> 01:35:06,660

physics that that may

1587

01:35:15,640 --> 01:35:09,000

provide us with some answers and

1588

01:35:21,830 --> 01:35:18,850

that's why the phenomenon is so

1589

01:35:26,360 --> 01:35:21,840

remarkably intriguing to me as well as

1590

01:35:31,880 --> 01:35:26,370

many other people it's so strange at so

1591

01:35:33,740 --> 01:35:31,890

many levels it's hard to explain there's

1592

01:35:37,970 --> 01:35:33,750

people that see beings come out of a

1593

01:35:41,480 --> 01:35:37,980

craft there he's a 3 feet tall or 10

1594

01:35:43,430 --> 01:35:41,490

feet tall they they try to force them

1595

01:35:48,470 --> 01:35:43,440

into the craft of some kind of suction

1596

01:35:52,990 --> 01:35:48,480

device and then and there is one case

1597

01:35:56,510 --> 01:35:53,000

they're unsuccessful and in doing so and

1598

01:36:01,130 --> 01:35:56,520

they suddenly into the crap and take off

1599

01:36:04,940 --> 01:36:01,140

a tremendous speeds experiences like

1600

01:36:09,440 --> 01:36:04,950

that now but that makes me unequivocally

1601
01:36:14,090 --> 01:36:09,450
believe that that it's alien beings who

1602
01:36:17,470 --> 01:36:14,100
did this because again who encountered

1603
01:36:22,040 --> 01:36:17,480
this alleged that this experience

1604
01:36:24,680 --> 01:36:22,050
occurred there was there was thousands

1605
01:36:28,130 --> 01:36:24,690
of people and I forget the city in

1606
01:36:32,270 --> 01:36:28,140
Russia who reported the appearance of

1607
01:36:37,550 --> 01:36:32,280
UFOs over many days which included many

1608
01:36:40,310 --> 01:36:37,560
landings by many people and and endowed

1609
01:36:42,650 --> 01:36:40,320
the Belgium way in fact I think in 89 of

1610
01:36:47,180 --> 01:36:42,660
the black triangles which by the way is

1611
01:36:52,160 --> 01:36:47,190
increasing now in reports for some

1612
01:36:55,100 --> 01:36:52,170
reason Peter Davenport who records as

1613
01:36:59,620 --> 01:36:55,110

you know sightings on a continual basis

1614

01:37:02,590 --> 01:36:59,630

I believe has mentioned that these

1615

01:37:06,710 --> 01:37:02,600

triangular crafts are becoming more

1616

01:37:10,010 --> 01:37:06,720

common in recent times again is it a

1617

01:37:14,180 --> 01:37:10,020

advanced military craft as it explained

1618

01:37:17,870 --> 01:37:14,190

the observations of such craft in the

1619

01:37:19,460 --> 01:37:17,880

Belgium waves where we again we have

1620

01:37:21,260 --> 01:37:19,470

very large craft

1621

01:37:23,980 --> 01:37:21,270

triangular craft with a red light in the

1622

01:37:27,380 --> 01:37:23,990

middle and some lights on the edges

1623

01:37:31,790 --> 01:37:27,390

again thousands of people see it what

1624

01:37:34,460 --> 01:37:31,800

does it mean I don't know but but in an

1625

01:37:39,670 --> 01:37:34,470

incident in that in that city that I

1626
01:37:44,200 --> 01:37:39,680
can't recall in Russia 10 foot tall beam

1627
01:37:48,950 --> 01:37:44,210
comes out of a ship with three eyes

1628
01:37:51,200 --> 01:37:48,960
wearing a silver outfit and they point

1629
01:37:56,690 --> 01:37:51,210
something device at a child that

1630
01:38:02,210 --> 01:37:56,700
paralyzes a child and then the object

1631
01:38:04,400 --> 01:38:02,220
leaves and and the boy who has it go one

1632
01:38:06,920 --> 01:38:04,410
big point that some kinds of fighters

1633
01:38:09,620 --> 01:38:06,930
the boy and the boy became paralyzed and

1634
01:38:12,650 --> 01:38:09,630
then disappeared and when then a ship

1635
01:38:17,060 --> 01:38:12,660
came back they pointed it at something

1636
01:38:19,940 --> 01:38:17,070
and the boy reappeared now a lot of

1637
01:38:21,530 --> 01:38:19,950
people saw this it's that kind of high

1638
01:38:25,220 --> 01:38:21,540

strangeness I don't know if it's true or

1639

01:38:30,500 --> 01:38:25,230

not but this is an alleged report by

1640

01:38:33,590 --> 01:38:30,510

many people it's certainly bizarre do I

1641

01:38:36,710 --> 01:38:33,600

believe it unequivocally I believe that

1642

01:38:40,970 --> 01:38:36,720

something very strange occurred I don't

1643

01:38:44,480 --> 01:38:40,980

know why or how I just don't know what

1644

01:38:48,760 --> 01:38:44,490

it means like those six cosmonauts that

1645

01:38:53,570 --> 01:38:48,770

see that those those reported angels

1646

01:38:55,280 --> 01:38:53,580

outside their craft how about the UFO

1647

01:38:57,170 --> 01:38:55,290

ranch I think it's called what they call

1648

01:39:03,410 --> 01:38:57,180

it the spin Walker ranch right talk

1649

01:39:11,270 --> 01:39:03,420

about paranormal here again where is the

1650

01:39:15,620 --> 01:39:11,280

the Nevada I believe and dr. Alice berry

1651
01:39:19,340 --> 01:39:15,630
wrote a book called you Utah UFO display

1652
01:39:23,150 --> 01:39:19,350
I think or an arc I can't recall if the

1653
01:39:26,560 --> 01:39:23,160
knowledge allure or a book where people

1654
01:39:30,160 --> 01:39:26,570
on this ranch reported poltergeist event

1655
01:39:31,900 --> 01:39:30,170
they even say they saw bigfoot-like

1656
01:39:38,290 --> 01:39:31,910
creatures

1657
01:39:42,760 --> 01:39:38,300
and Robert Bigelow who founded the

1658
01:39:46,080 --> 01:39:42,770
National Institute for discovery he

1659
01:39:48,910 --> 01:39:46,090
bought the ranch and he admitted to

1660
01:39:56,650 --> 01:39:48,920
difficulty obtaining evidence that's

1661
01:40:00,370 --> 01:39:56,660
consistent with science and and the the

1662
01:40:04,300 --> 01:40:00,380
person who bought the ranch in 1994 I

1663
01:40:06,610 --> 01:40:04,310

think his name but Tom Gorman he he his

1664

01:40:10,360 --> 01:40:06,620

wife also reported since floating

1665

01:40:15,520 --> 01:40:10,370

spheres or orbs of different sizes and

1666

01:40:19,350 --> 01:40:15,530

colors but that caused fear in them and

1667

01:40:23,020 --> 01:40:19,360

it convinced them to sell their ranch I

1668

01:40:27,130 --> 01:40:23,030

would have sold it in a second but here

1669

01:40:31,450 --> 01:40:27,140

again these are generated an emotional

1670

01:40:34,990 --> 01:40:31,460

reaction a cattle were also killed with

1671

01:40:38,470 --> 01:40:35,000

precision and calamity relations are also

1672

01:40:40,900 --> 01:40:38,480

a kind of a what a symptom of this

1673

01:40:45,630 --> 01:40:40,910

phenomenon although some concerns that

1674

01:40:51,910 --> 01:40:45,640

it is a secret military operation

1675

01:40:55,470 --> 01:40:51,920

because surgical procedures performed on

1676

01:40:59,740 --> 01:40:55,480

the cattle are done with such precision

1677

01:41:04,480 --> 01:40:59,750

it's taught to know actually what what's

1678

01:41:09,430 --> 01:41:04,490

behind it and why they see black

1679

01:41:12,490 --> 01:41:09,440

triangles on this ranch reptilian

1680

01:41:14,920 --> 01:41:12,500

creatures and some not to some many

1681

01:41:17,380 --> 01:41:14,930

people not only see the gray and common

1682

01:41:19,780 --> 01:41:17,390

gray aliens but reptilian creatures

1683

01:41:28,060 --> 01:41:19,790

among other types of strange-looking

1684

01:41:29,530 --> 01:41:28,070

creatures that come out of UFOs and you

1685

01:41:32,890 --> 01:41:29,540

know what do you what do you make of

1686

01:41:36,640 --> 01:41:32,900

this ranch and why only why why is this

1687

01:41:39,970 --> 01:41:36,650

ranch so unique in terms of all the

1688

01:41:43,810 --> 01:41:39,980

these kinds of experiences does it

1689

01:41:45,479 --> 01:41:43,820

happen in other places I bet it does but

1690

01:41:48,580 --> 01:41:45,489

I'm not aware

1691

01:41:52,149 --> 01:41:48,590

what's so unique about this particular

1692

01:41:59,350 --> 01:41:52,159

place and maybe we need to do some more

1693

01:42:03,069 --> 01:41:59,360

research in this area but the the dip

1694

01:42:06,870 --> 01:42:03,079

society that Robin Bigelow fallacy again

1695

01:42:11,439 --> 01:42:06,880

the National Institute for discovery

1696

01:42:14,620 --> 01:42:11,449

said that it isn't as simple as saying

1697

01:42:16,620 --> 01:42:14,630

that et or flying saucers are doing it

1698

01:42:23,109 --> 01:42:16,630

some people but some kind of

1699

01:42:27,239 --> 01:42:23,119

consciousness that's behind it and here

1700

01:42:33,850 --> 01:42:27,249

again if I may mention again this is

1701

01:42:36,399 --> 01:42:33,860

free foundation look at that aspect of

1702

01:42:41,339 --> 01:42:36,409

the phenomenon how that consciousness

1703

01:42:46,410 --> 01:42:41,349

and and quantum physics and and and the

1704

01:42:49,899 --> 01:42:46,420

contactees experience is related or not

1705

01:42:53,919 --> 01:42:49,909

but it could be something to that effect

1706

01:42:59,500 --> 01:42:53,929

where our reality is under some type of

1707

01:43:04,750 --> 01:42:59,510

manipulation or control by an extra

1708

01:43:06,899 --> 01:43:04,760

dimensional reality it's it's certainly

1709

01:43:13,029 --> 01:43:06,909

hard to say and it certainly sounds

1710

01:43:17,350 --> 01:43:13,039

weird to anybody maybe not so where you

1711

01:43:20,560 --> 01:43:17,360

follow this but but any person who you

1712

01:43:22,569 --> 01:43:20,570

know who hears it who doesn't know

1713

01:43:24,669 --> 01:43:22,579

anything about ufology is not aware of

1714

01:43:28,750 --> 01:43:24,679

these high strangeness events it's

1715

01:43:31,839 --> 01:43:28,760

implausible and again again that's why

1716

01:43:34,089 --> 01:43:31,849

the scientific community you know looks

1717

01:43:38,080 --> 01:43:34,099

at ufology there's nothing more than new

1718

01:43:41,529 --> 01:43:38,090

ages or hoaxes confabulation what they

1719

01:43:46,419 --> 01:43:41,539

call confirmation bias well you know we

1720

01:43:50,109 --> 01:43:46,429

believe something that we read if if it

1721

01:43:53,200 --> 01:43:50,119

is if it supports our beliefs so if I

1722

01:43:57,239 --> 01:43:53,210

believe that UFOs are et and I read a

1723

01:43:58,900 --> 01:43:57,249

book that also contends that same

1724

01:44:01,000 --> 01:43:58,910

position

1725

01:44:03,690 --> 01:44:01,010

I'm gonna believe it I'm in other words

1726

01:44:05,860 --> 01:44:03,700

I'm not gonna look at it objectively

1727

01:44:08,710 --> 01:44:05,870

because my mind is made up

1728

01:44:13,510 --> 01:44:08,720

and if I read a book that says UFOs do

1729

01:44:15,250 --> 01:44:13,520

not et related and I'm a believer in ET

1730

01:44:17,500 --> 01:44:15,260

I'm gonna throw that book away it's not

1731

01:44:20,170 --> 01:44:17,510

consistent with my belief and we all

1732

01:44:23,740 --> 01:44:20,180

fall into that error in inductive

1733

01:44:27,670 --> 01:44:23,750

reasoning I I do too we all do some more

1734

01:44:30,220 --> 01:44:27,680

than others but that's why we had that

1735

01:44:34,240 --> 01:44:30,230

debate between the skeptics and

1736

01:44:38,140 --> 01:44:34,250

believers and debunkers everybody has

1737

01:44:42,070 --> 01:44:38,150

their own opinion but you can't dismiss

1738

01:44:48,070 --> 01:44:42,080

you can't dismiss that people are having

1739

01:44:52,020 --> 01:44:48,080

Close Encounters aerial maneuvers bite

1740

01:44:56,320 --> 01:44:52,030

by whatever it might be

1741

01:44:58,810 --> 01:44:56,330

plasma or possibly even et crap that

1742

01:45:04,000 --> 01:44:58,820

people are experiencing these high

1743

01:45:06,790 --> 01:45:04,010

strangeness and collectively they poorly

1744

01:45:08,860 --> 01:45:06,800

understood event inconsistent with as I

1745

01:45:11,350 --> 01:45:08,870

said before I pause I said being

1746

01:45:14,260 --> 01:45:11,360

redundant but they're inconsistent with

1747

01:45:17,920 --> 01:45:14,270

with physical laws and psychological

1748

01:45:21,820 --> 01:45:17,930

behavior but do these cases of high

1749

01:45:25,830 --> 01:45:21,830

strangeness doesn't represent a new area

1750

01:45:28,930 --> 01:45:25,840

of science or are we dealing with

1751

01:45:31,930 --> 01:45:28,940

creative hoaxes a cycle of cultural

1752

01:45:34,720 --> 01:45:31,940

tsunami phenomenon or delusional

1753

01:45:38,370 --> 01:45:34,730

behaviors like crop circles and that's

1754

01:45:45,010 --> 01:45:38,380

that's kind of on the fringe of the UFO

1755

01:45:50,250 --> 01:45:45,020

issue people see UFOs and then the next

1756

01:45:56,800 --> 01:45:54,280

but picture and in the wheat fields of

1757

01:45:59,970 --> 01:45:56,810

barley fields extraordinarily beautiful

1758

01:46:04,030 --> 01:45:59,980

and complex and and and done in

1759

01:46:07,420 --> 01:46:04,040

overnight that seems to defy not only

1760

01:46:09,460 --> 01:46:07,430

logical explanation but but you know how

1761

01:46:10,500 --> 01:46:09,470

could two people with the board you know

1762

01:46:17,040 --> 01:46:10,510

who

1763

01:46:19,229 --> 01:46:17,050

these crop circles do so in such an

1764

01:46:22,979 --> 01:46:19,239

elaborate complex fashion in such a

1765

01:46:27,410 --> 01:46:22,989

short period of time or is some kind of

1766

01:46:31,460 --> 01:46:27,420

methods being left for us to decipher by

1767

01:46:35,400 --> 01:46:31,470

eg of some type that's a dimensional or

1768

01:46:39,900 --> 01:46:35,410

otherwise we only have we only have

1769

01:46:44,550 --> 01:46:39,910

about ten minutes left or so and at one

1770

01:46:47,610 --> 01:46:44,560

time before I posed a question you

1771

01:46:58,530 --> 01:46:47,620

started to talk about your thoughts on

1772

01:47:04,110 --> 01:46:58,540

time travel so let's let's hit that as

1773

01:47:07,200 --> 01:47:04,120

well time travel the area that applies

1774

01:47:11,910 --> 01:47:07,210

to UFOs there are visitors from our

1775

01:47:14,580 --> 01:47:11,920

future and some UFO researchers believe

1776

01:47:19,170 --> 01:47:14,590

that that they're coming back into our

1777

01:47:20,880 --> 01:47:19,180

time for needed DNA which may be

1778

01:47:27,000 --> 01:47:20,890

consistent with the alien abduction

1779

01:47:30,900 --> 01:47:27,010

phenomenon since they do allegedly take

1780

01:47:33,180 --> 01:47:30,910

sperm and eggs and people on who are

1781

01:47:44,310 --> 01:47:33,190

abducted claim that they come in contact

1782

01:47:49,320 --> 01:47:44,320

with hybrid babies incorporates the

1783

01:47:51,570 --> 01:47:49,330

theory of general relativity which if

1784

01:47:53,310 --> 01:47:51,580

you move fast enough to space the

1785

01:47:56,090 --> 01:47:53,320

observations you're going to make about

1786

01:47:58,740 --> 01:47:56,100

space and time differ from the

1787

01:48:01,229 --> 01:47:58,750

observations of others moving at

1788

01:48:03,240 --> 01:48:01,239

different speeds but many in the

1789

01:48:05,550 --> 01:48:03,250

scientific community believe that

1790

01:48:10,860 --> 01:48:05,560

traveling back in time is highly

1791

01:48:13,500 --> 01:48:10,870

unlikely to be related to the problem I

1792

01:48:15,410 --> 01:48:13,510

think it's called causality and a

1793

01:48:18,600 --> 01:48:15,420

classic example is the grandfather

1794

01:48:21,390 --> 01:48:18,610

paradox which yes if you went back in

1795

01:48:24,180 --> 01:48:21,400

time and killed your grandfather before

1796

01:48:24,479 --> 01:48:24,190

your father is born you know what is

1797

01:48:27,810 --> 01:48:24,489

that

1798

01:48:31,470 --> 01:48:27,820

means the incidence obviously was upset

1799

01:48:33,509 --> 01:48:31,480

the balance of current day affairs but

1800

01:48:36,620 --> 01:48:33,519

some scientists believe that such a

1801

01:48:39,689 --> 01:48:36,630

paradox could be potentially avoided by

1802

01:48:41,640 --> 01:48:39,699

branching parallel universes now again

1803

01:48:43,439 --> 01:48:41,650

we're getting very theoretical here but

1804

01:48:45,589 --> 01:48:43,449

when you talk about time travel

1805

01:48:48,479 --> 01:48:45,599

obviously it is highly theoretical

1806

01:48:51,989 --> 01:48:48,489

although Einstein did proposed a theory

1807

01:49:01,500 --> 01:48:51,999

of general relativity that permits time

1808

01:49:03,959 --> 01:49:01,510

travel what Stephen Hawking said that he

1809

01:49:07,529 --> 01:49:03,969

has experimental evidence that time

1810

01:49:12,239 --> 01:49:07,539

travel is not possible I'm not gonna

1811

01:49:15,390 --> 01:49:12,249

argue with Stephen Hawking and so if

1812

01:49:18,270 --> 01:49:15,400

talking is correct UFOs are not from our

1813

01:49:21,120 --> 01:49:18,280

future you know called France Italy if

1814

01:49:27,899 --> 01:49:21,130

he's wrong you know maybe they are but

1815

01:49:30,479 --> 01:49:27,909

this is what Hawking's position is yet

1816

01:49:33,120 --> 01:49:30,489

many people do believe that that the

1817

01:49:39,750 --> 01:49:33,130

greys represents what humans are going

1818

01:49:42,540 --> 01:49:39,760

to be like or even let's say the Earth's

1819

01:49:45,299 --> 01:49:42,550

gonna last another four billion years or

1820

01:49:47,759 --> 01:49:45,309

another two billion years before it

1821

01:49:52,350 --> 01:49:47,769

becomes uninhabitable let's just say a

1822

01:49:54,899 --> 01:49:52,360

billion years from now something could

1823

01:49:57,270 --> 01:49:54,909

look like that I mean if you go back a

1824

01:50:00,600 --> 01:49:57,280

billion years in time now we certainly

1825

01:50:17,430 --> 01:50:00,610

wasn't you know beings like us here so

1826
01:50:22,279 --> 01:50:17,440
it could change it's possible again it's

1827
01:50:33,569 --> 01:50:26,939
speculation not supported by again

1828
01:50:36,660 --> 01:50:33,579
strict scientific research and the lack

1829
01:50:38,280 --> 01:50:36,670
of tangible evidence all highly highly

1830
01:50:40,740 --> 01:50:38,290
theoretical

1831
01:50:44,070 --> 01:50:40,750
and that's why I don't like it when many

1832
01:50:47,970 --> 01:50:44,080
ufologists again make those kinds of

1833
01:50:51,380 --> 01:50:47,980
conclusions unless unless they know

1834
01:50:54,690 --> 01:50:51,390
people in high authority who contend

1835
01:50:59,480 --> 01:50:54,700
unequivocally that yes we had dead alien

1836
01:51:03,710 --> 01:50:59,490
bodies here you know anger whatever and

1837
01:51:07,440 --> 01:51:03,720
you know I forget where in Ojai or

1838
01:51:12,060 --> 01:51:07,450

underground bases maybe we do maybe we

1839

01:51:15,350 --> 01:51:12,070

do but in order to keep such a thing a

1840

01:51:18,180 --> 01:51:15,360

secret for so long

1841

01:51:20,940 --> 01:51:18,190

implies that it's unlikely although you

1842

01:51:23,730 --> 01:51:20,950

can't dismiss it entirely and maybe

1843

01:51:27,690 --> 01:51:23,740

that's why some of you fathers believe

1844

01:51:31,230 --> 01:51:27,700

in ET because they've had direct you

1845

01:51:34,500 --> 01:51:31,240

know communication with individuals who

1846

01:51:39,900 --> 01:51:34,510

are in the know and many contend that

1847

01:51:42,060 --> 01:51:39,910

they have and I can't argue with them

1848

01:51:47,610 --> 01:51:42,070

you know I don't know what to believe

1849

01:51:51,360 --> 01:51:47,620

but as a scientist so to speak

1850

01:51:53,520 --> 01:51:51,370

maybe I'm approaching it wrong but I've

1851
01:51:56,610 --> 01:51:53,530
always utilized the scientific method in

1852
01:52:00,080 --> 01:51:56,620
my own particular field of study and I'd

1853
01:52:03,390 --> 01:52:00,090
like to do that in terms of uncovering

1854
01:52:06,870 --> 01:52:03,400
the answers to this phenomenon which may

1855
01:52:10,980 --> 01:52:06,880
be inappropriate again we may may not be

1856
01:52:14,160 --> 01:52:10,990
able to study this phenomenon like we do

1857
01:52:18,120 --> 01:52:14,170
with so many other questions to answer

1858
01:52:21,260 --> 01:52:18,130
within various fields because our

1859
01:52:25,650 --> 01:52:21,270
understanding of the principles that

1860
01:52:28,200 --> 01:52:25,660
govern and regulate some UFOs there that

1861
01:52:32,070 --> 01:52:28,210
are unexplainable or the paranormal high

1862
01:52:34,460 --> 01:52:32,080
strangeness events that abound are not

1863
01:52:38,280 --> 01:52:34,470

consistent that it can't be applied

1864

01:52:41,850 --> 01:52:38,290

which makes it frustrating to try to

1865

01:52:43,860 --> 01:52:41,860

figure out what is going on when one

1866

01:52:48,150 --> 01:52:43,870

other one last question that was up on

1867

01:52:52,050 --> 01:52:48,160

the chatroom and that is what is your

1868

01:53:00,729 --> 01:52:56,350

well here again we're talking about the

1869

01:53:02,380 --> 01:53:00,739

alien abduction phenomenon I can go on

1870

01:53:05,590 --> 01:53:02,390

and on about that but we apparently

1871

01:53:06,450 --> 01:53:05,600

don't have enough time how much time do

1872

01:53:11,649 --> 01:53:06,460

we have left

1873

01:53:13,570 --> 01:53:11,659

yeah about about five minutes well you

1874

01:53:16,240 --> 01:53:13,580

know much can be said about the alien

1875

01:53:19,380 --> 01:53:16,250

abduction phenomenon not just you need

1876
01:53:24,970 --> 01:53:19,390
to Travis Walton who claims that he was

1877
01:53:27,700 --> 01:53:24,980
abducted the case in general I'm talking

1878
01:53:31,540 --> 01:53:27,710
about is you know one of the most valid

1879
01:53:42,130 --> 01:53:31,550
or documented cases as far as some you

1880
01:53:48,310 --> 01:53:42,140
know witnesses and many abduction

1881
01:53:51,700 --> 01:53:48,320
experiences but again we don't have

1882
01:53:54,720 --> 01:53:51,710
pictures of it happening there's no you

1883
01:54:01,060 --> 01:53:54,730
know no video or photographic evidence

1884
01:54:04,330 --> 01:54:01,070
of that event question is why doesn't

1885
01:54:07,870 --> 01:54:04,340
mean it's not happening maybe whoever's

1886
01:54:10,300 --> 01:54:07,880
doing the abduction is making sure it's

1887
01:54:12,910 --> 01:54:10,310
not recorded for therefore reason

1888
01:54:15,310 --> 01:54:12,920

so not only Travis Walton I appreciate

1889

01:54:19,570 --> 01:54:15,320

you bringing that up it's many other

1890

01:54:21,880 --> 01:54:19,580

people who have had Close Encounters of

1891

01:54:24,669 --> 01:54:21,890

various types of non-human intelligence

1892

01:54:27,000 --> 01:54:24,679

including Travis Walton he did

1893

01:54:31,450 --> 01:54:27,010

experience something quite remarkable

1894

01:54:33,310 --> 01:54:31,460

and and here Yin people are taken

1895

01:54:35,709 --> 01:54:33,320

against their will

1896

01:54:38,890 --> 01:54:35,719

they're you know Travis Walton among

1897

01:54:44,740 --> 01:54:38,900

others say there is subjected to medical

1898

01:54:46,840 --> 01:54:44,750

procedures he again he included they

1899

01:54:49,149 --> 01:54:46,850

forget the majority of their experience

1900

01:54:53,950 --> 01:54:49,159

although he recalls they decide I'm not

1901
01:54:56,800 --> 01:54:53,960
mistaken through regresses we need

1902
01:55:01,810 --> 01:54:56,810
aggression hypnosis which is very

1903
01:55:02,930 --> 01:55:01,820
controversial the many psychologists do

1904
01:55:05,510 --> 01:55:02,940
not feel

1905
01:55:11,240 --> 01:55:05,520
that it that the recall of experiences

1906
01:55:15,439 --> 01:55:11,250
are valid so they dismiss what they say

1907
01:55:18,860 --> 01:55:15,449
and and if I'm not mistaken he recalled

1908
01:55:21,050 --> 01:55:18,870
that under hypnosis and about 70 percent

1909
01:55:25,729 --> 01:55:21,060
of individuals who have had an abduction

1910
01:55:28,520 --> 01:55:25,739
experience like Travis Walton don't

1911
01:55:32,570 --> 01:55:28,530
recall it although approximately 30

1912
01:55:37,370 --> 01:55:32,580
percent are consciously aware of that

1913
01:55:41,510 --> 01:55:37,380

strange event or some type of contact

1914

01:55:43,220 --> 01:55:41,520

with extraterrestrial intelligence of

1915

01:55:46,670 --> 01:55:43,230

the night Exeter essence of some

1916

01:55:49,450 --> 01:55:46,680

non-human intelligences of some type but

1917

01:55:53,180 --> 01:55:49,460

he has had prolonged psychological

1918

01:55:59,570 --> 01:55:53,190

effects from it as many people do who

1919

01:56:03,290 --> 01:55:59,580

are contactees or experiences and you

1920

01:56:04,970 --> 01:56:03,300

know David Jacobs John Mack but Hopkins

1921

01:56:10,580 --> 01:56:04,980

they've written many articles and books

1922

01:56:13,270 --> 01:56:10,590

on the matter John Mack for instance as

1923

01:56:16,220 --> 01:56:13,280

you probably know had a fight to retain

1924

01:56:18,050 --> 01:56:16,230

tenure at Harvard University because he

1925

01:56:21,680 --> 01:56:18,060

believed in the alien abduction

1926

01:56:24,550 --> 01:56:21,690

phenomenon he was convinced that

1927

01:56:28,790 --> 01:56:24,560

something unique was going on

1928

01:56:30,410 --> 01:56:28,800

so there's many psychologists who who

1929

01:56:37,250 --> 01:56:30,420

claim that the alien abduction

1930

01:56:40,250 --> 01:56:37,260

phenomenon is is just a fabrication of

1931

01:56:42,620 --> 01:56:40,260

of one's mind for whatever reason and

1932

01:56:45,229 --> 01:56:42,630

it's not a real event while there are

1933

01:56:47,780 --> 01:56:45,239

arguments that certainly support the

1934

01:56:52,840 --> 01:56:47,790

alien abduction phenomenon and there are

1935

01:56:55,939 --> 01:56:52,850

many scientists and psychologists who

1936

01:56:58,520 --> 01:56:55,949

contend that something like that is

1937

01:57:00,680 --> 01:56:58,530

happening okay

1938

01:57:04,729 --> 01:57:00,690

I'm sorry to say but we're at the end of

1939

01:57:08,780 --> 01:57:04,739

the show and do you have a website the

1940

01:57:12,610 --> 01:57:08,790

UFO phenomenon wow that must have been a

1941

01:57:14,780 --> 01:57:12,620

hard URL URL to get into thousands what

1942

01:57:15,830 --> 01:57:14,790

you had to pay someone for that one a

1943

01:57:18,500 --> 01:57:15,840

bit well

1944

01:57:20,419 --> 01:57:18,510

hey thank you very much it was a lot of

1945

01:57:22,790 --> 01:57:20,429

fun he's very welcome

1946

01:57:26,959 --> 01:57:22,800

I appreciate the the interviewing your

1947

01:57:29,959 --> 01:57:26,969

willingness to have me on your show

1948

01:57:32,240 --> 01:57:29,969

well that's it for the show tonight hey

1949

01:57:36,080 --> 01:57:32,250

by the way we have a great new blog on

1950

01:57:38,990 --> 01:57:36,090

our website podcast UFO calm written by

1951
01:57:42,950 --> 01:57:39,000
a Belgian about the Belgian way back in

1952
01:57:45,200 --> 01:57:42,960
1989 to 1993 and still ongoing as some

1953
01:57:47,510 --> 01:57:45,210
say I want to thank everyone for helping
