

1
00:00:35,990 --> 00:00:32,810
since we have this is awesome we have

2
00:00:37,790 --> 00:00:36,000
Travis Walton just walked in and so we

3
00:00:39,170 --> 00:00:37,800
have look at this nice full panel and

4
00:00:42,140 --> 00:00:39,180
I've got I'm gonna take a little bit of

5
00:00:44,750 --> 00:00:42,150
a video that will be up on the website

6
00:00:46,660 --> 00:00:44,760
so you can see everyone here if you

7
00:00:51,110 --> 00:00:46,670
don't mind I'm going to pass this over

8
00:00:53,119 --> 00:00:51,120
for a minute to the mic if you wouldn't

9
00:01:01,010 --> 00:00:53,129
mind passing that over to Kathleen

10
00:01:04,040 --> 00:01:01,020
Martin in to say hi hi Kathleen hello

11
00:01:11,510 --> 00:01:04,050
and it was so nice to see you it I seem

12
00:01:13,040 --> 00:01:11,520
to run into you all the time yeah so

13
00:01:14,719 --> 00:01:13,050

what's going on with you it sounded to

14

00:01:16,249 --> 00:01:14,729

me today when we talked briefly that

15

00:01:19,370 --> 00:01:16,259

your title changed a little bit for

16

00:01:23,440 --> 00:01:19,380

MUFON or is it basically the same we

17

00:01:26,750 --> 00:01:23,450

decided to change the title from the

18

00:01:30,230 --> 00:01:26,760

abduction research team to be experience

19

00:01:34,550 --> 00:01:30,240

or research team the reason for that is

20

00:01:37,730 --> 00:01:34,560

that I had a lot of complaints over a

21

00:01:39,859 --> 00:01:37,740

number of years about the word abduction

22

00:01:42,350 --> 00:01:39,869

because it implied that it was a

23

00:01:45,170 --> 00:01:42,360

negative experience and some people are

24

00:01:48,230 --> 00:01:45,180

saying well I don't view my experience

25

00:01:50,300 --> 00:01:48,240

as being negative and you know other

26

00:01:54,140 --> 00:01:50,310

people tried to convince me to use the

27

00:01:57,319 --> 00:01:54,150

word contact or contact D but to me that

28

00:02:02,510 --> 00:01:57,329

implies a positive experience going back

29

00:02:05,539 --> 00:02:02,520

to the 50s contactees so john mack came

30

00:02:07,460 --> 00:02:05,549

up with the term experience or it seems

31

00:02:10,520 --> 00:02:07,470

to be more of a generic term that

32

00:02:13,819 --> 00:02:10,530

applies to anyone who has believes that

33

00:02:16,670 --> 00:02:13,829

had this kind of experience so we went

34

00:02:19,250 --> 00:02:16,680

with the word experience ER so I hope

35

00:02:24,380 --> 00:02:19,260

it's all semantics I'm happy but I have

36

00:02:27,650 --> 00:02:24,390

already received a complaint saying why

37

00:02:31,290 --> 00:02:27,660

why do you want to blur the lines here

38

00:02:33,750 --> 00:02:31,300

why don't we call it abduction

39

00:02:35,940 --> 00:02:33,760

you can't make everybody happy it's like

40

00:02:39,810 --> 00:02:35,950

the UAP and UFO and you know I mean

41

00:02:42,060 --> 00:02:39,820

there's yeah is that I'm trying to think

42

00:02:45,540 --> 00:02:42,070

ooh it is a Richard Haines that doesn't

43

00:02:48,300 --> 00:02:45,550

like to use the word UFO just like it's

44

00:02:50,090 --> 00:02:48,310

a bad thing you know and it can be you

45

00:02:52,830 --> 00:02:50,100

know conjured as a bad thing because of

46

00:02:56,160 --> 00:02:52,840

you know the way a lot of society looks

47

00:02:57,810 --> 00:02:56,170

at it so there was one other thing you

48

00:03:00,480 --> 00:02:57,820

and I were talking about so you're

49

00:03:02,220 --> 00:03:00,490

getting contacted sort of organically

50

00:03:04,770 --> 00:03:02,230

people are reaching out to you from all

51
00:03:07,680 --> 00:03:04,780
over you said from Italy Poland places

52
00:03:09,950 --> 00:03:07,690
like that so how does that happen they

53
00:03:13,740 --> 00:03:09,960
just find you on the internet and

54
00:03:16,770 --> 00:03:13,750
oftentimes they find me on the Internet

55
00:03:20,820 --> 00:03:16,780
they've maybe heard me on a radio show

56
00:03:25,100 --> 00:03:20,830
or also MUFON is expanding quite a lot

57
00:03:27,470 --> 00:03:25,110
now around the world and I'm mu fons

58
00:03:30,690 --> 00:03:27,480
international and national as well

59
00:03:33,480 --> 00:03:30,700
director of experience or research so

60
00:03:36,930 --> 00:03:33,490
they might have heard my name through

61
00:03:39,180 --> 00:03:36,940
MUFON as well uh-huh okay now we're

62
00:03:40,800 --> 00:03:39,190
gonna say hi to Stanton and I'm just

63
00:03:43,440 --> 00:03:40,810

hoping the microphone cord reaches over

64

00:03:46,440 --> 00:03:43,450

there it seems to yeah how you doing

65

00:03:48,240 --> 00:03:46,450

Stan you look pretty good you look like

66

00:03:50,430 --> 00:03:48,250

you're in good health these days how you

67

00:03:50,760 --> 00:03:50,440

feeling yeah I mean so I had a heart

68

00:03:53,970 --> 00:03:50,770

attack

69

00:03:56,610 --> 00:03:53,980

lots of I know are you tired of people

70

00:03:58,530 --> 00:03:56,620

asking you that not really because there

71

00:04:00,449 --> 00:03:58,540

have been some strange stories out there

72

00:04:04,320 --> 00:04:00,459

were some people were told that I had

73

00:04:06,330 --> 00:04:04,330

passed away I heard that yeah I told my

74

00:04:09,740 --> 00:04:06,340

death are greatly exaggerated as Mark

75

00:04:13,890 --> 00:04:09,750

Twain said others have had me having

76

00:04:15,870 --> 00:04:13,900

being in poorly and poor health and so

77

00:04:18,390 --> 00:04:15,880

forth and you know I had a heart attack

78

00:04:20,270 --> 00:04:18,400

I had two stents put in I spent a few

79

00:04:22,860 --> 00:04:20,280

days in the hospital being bored stiff

80

00:04:25,740 --> 00:04:22,870

yeah and that was it and I've gone about

81

00:04:28,710 --> 00:04:25,750

my life and I've driven and lectured and

82

00:04:30,510 --> 00:04:28,720

and flown and and you're glad to get out

83

00:04:32,159 --> 00:04:30,520

of where you're living right now with

84

00:04:33,750 --> 00:04:32,169

this snow aren't you yeah if I had a

85

00:04:36,720 --> 00:04:33,760

choice of places to be I'd much rather

86

00:04:38,250 --> 00:04:36,730

be here than in Fredericton where it was

87

00:04:39,659 --> 00:04:38,260

ten below the other day and where

88

00:04:40,370 --> 00:04:39,669

there's four feet of snow on the front

89

00:04:45,320 --> 00:04:40,380

lawn

90

00:04:49,220 --> 00:04:45,330

yeah I'd say lon boots yeah it can't say

91

00:04:52,010 --> 00:04:49,230

anything green yeah yeah yeah so uh I'm

92

00:04:55,520 --> 00:04:52,020

here I've got a talk in San Diego next

93

00:04:56,780 --> 00:04:55,530

week - oh really so you're staying here

94

00:04:58,730 --> 00:04:56,790

and then drop you're going over to San

95

00:05:01,460 --> 00:04:58,740

Diego or yes all right at home until

96

00:05:05,060 --> 00:05:01,470

next a week from Thursday so you're a

97

00:05:07,100 --> 00:05:05,070

smart man Stan well yeah it arranged

98

00:05:10,310 --> 00:05:07,110

everything of course just happened that

99

00:05:12,260 --> 00:05:10,320

way yeah yeah perfect so how do you

100

00:05:13,550 --> 00:05:12,270

think this this seems like it's it's a

101
00:05:15,950 --> 00:05:13,560
great conference how do you think it's

102
00:05:17,450 --> 00:05:15,960
going well I haven't had much chance to

103
00:05:19,280 --> 00:05:17,460
see how it oh that's right you can in

104
00:05:21,020 --> 00:05:19,290
the vendor room man in the vendor room

105
00:05:23,660 --> 00:05:21,030
and people want to talk to me and they

106
00:05:25,100 --> 00:05:23,670
all want to ask me how I am and yeah I

107
00:05:26,960 --> 00:05:25,110
get a lot of thank-yous for all I've

108
00:05:27,790 --> 00:05:26,970
contributed which just reflects how old

109
00:05:32,360 --> 00:05:27,800
I am

110
00:05:34,370 --> 00:05:32,370
how long I've been around yeah so I

111
00:05:36,800 --> 00:05:34,380
haven't really heard any of the speakers

112
00:05:40,070 --> 00:05:36,810
yet there is one event there two events

113
00:05:43,430 --> 00:05:40,080

I have to participate in one is that I

114

00:05:45,430 --> 00:05:43,440

will be in the last panel on Sunday the

115

00:05:50,440 --> 00:05:45,440

last event of the conference as a

116

00:05:53,210 --> 00:05:50,450

invited guest and it's talking about Oh

117

00:05:55,970 --> 00:05:53,220

whistle blowers hmm and a little

118

00:05:58,910 --> 00:05:55,980

concerned are one of the people on the

119

00:05:59,330 --> 00:05:58,920

panel is Pocklington I think that's his

120

00:06:04,130 --> 00:05:59,340

name

121

00:06:05,930 --> 00:06:04,140

who did mirage men read his book and I

122

00:06:08,240 --> 00:06:05,940

watched the movie and I think he's all

123

00:06:09,530 --> 00:06:08,250

wrong when it comes to the abduction for

124

00:06:11,750 --> 00:06:09,540

the hundred and all this stuff that he's

125

00:06:14,980 --> 00:06:11,760

saying government intelligence agencies

126

00:06:17,450 --> 00:06:14,990

are creating all this stuff as mythology

127

00:06:20,510 --> 00:06:17,460

but he's got so many mistakes so many

128

00:06:24,320 --> 00:06:20,520

factual errors and so many things he's

129

00:06:26,630 --> 00:06:24,330

ignored for example he blames Roswell on

130

00:06:28,760 --> 00:06:26,640

the Aztec story which makes no sense at

131

00:06:32,270 --> 00:06:28,770

all hmm and he hasn't done his homework

132

00:06:36,290 --> 00:06:32,280

so that's one event it'll be interesting

133

00:06:41,570 --> 00:06:36,300

for me the other term apart well we'll

134

00:06:43,730 --> 00:06:41,580

see the other is that George Knapp is

135

00:06:46,330 --> 00:06:43,740

giving a talk and then afterward he's

136

00:06:49,310 --> 00:06:46,340

interviewing Bob Lazar on stage right

137

00:06:51,230 --> 00:06:49,320

and we know about yeah I remember you

138

00:06:54,290 --> 00:06:51,240

and I talking about you doing the

139

00:06:56,630 --> 00:06:54,300

research on on his schooling background

140

00:06:58,790 --> 00:06:56,640

well not only is well primarily is

141

00:07:01,790 --> 00:06:58,800

schooling background yes and I found it

142

00:07:03,350 --> 00:07:01,800

wasn't telling the truth uh I talked to

143

00:07:04,430 --> 00:07:03,360

his high school for goodness sakes he

144

00:07:06,530 --> 00:07:04,440

was in the bottom third of his high

145

00:07:08,960 --> 00:07:06,540

school class and you don't get into MIT

146

00:07:12,050 --> 00:07:08,970

with that no but I talked to five

147

00:07:13,820 --> 00:07:12,060

different people at MIT and none of them

148

00:07:15,800 --> 00:07:13,830

ever heard of him and I talked to legal

149

00:07:18,050 --> 00:07:15,810

counsel is that there's no way to erase

150

00:07:20,150 --> 00:07:18,060

his records once you're in the system

151
00:07:22,130 --> 00:07:20,160
you're in the system and of course MIT

152
00:07:25,580 --> 00:07:22,140
was doing classified research back in

153
00:07:27,170 --> 00:07:25,590
the 40s so it's not just you know it has

154
00:07:29,240 --> 00:07:27,180
to do with the government kind of thing

155
00:07:31,220 --> 00:07:29,250
they're pretty independent group at MIT

156
00:07:35,210 --> 00:07:31,230
now let me ask you something Stan are

157
00:07:37,460 --> 00:07:35,220
you actually going to ask I know that's

158
00:07:40,370 --> 00:07:37,470
why I'm going there to see what they'll

159
00:07:43,010 --> 00:07:40,380
let me say yeah I have take your heart

160
00:07:44,630 --> 00:07:43,020
medicine first just just to say what

161
00:07:47,630 --> 00:07:44,640
take your heart medicine first just in

162
00:07:51,830 --> 00:07:47,640
case you know look I tried to meet with

163
00:07:55,040 --> 00:07:51,840

Bob back 25 years ago I was here when in

164

00:07:57,920 --> 00:07:55,050

Las Vegas when George originally talked

165

00:07:59,960 --> 00:07:57,930

about the story and because I'm a

166

00:08:02,530 --> 00:07:59,970

nuclear physicist and I was being asked

167

00:08:04,760 --> 00:08:02,540

about this young nuclear physicist I

168

00:08:06,920 --> 00:08:04,770

figured I ought to check things out

169

00:08:10,700 --> 00:08:06,930

because I don't want to reflect badly on

170

00:08:15,950 --> 00:08:10,710

the trade so to speak and that's when I

171

00:08:18,200 --> 00:08:15,960

kept coming up- and so I have trouble

172

00:08:20,930 --> 00:08:18,210

believing what somebody says if he can't

173

00:08:22,130 --> 00:08:20,940

believe what he says about himself why

174

00:08:24,850 --> 00:08:22,140

should I believe anything else there's

175

00:08:29,510 --> 00:08:24,860

no doubt bob is a bright young anymore

176

00:08:31,490 --> 00:08:29,520

neither mind guy but is he telling the

177

00:08:34,070 --> 00:08:31,500

truth that's what it's kind of you know

178

00:08:35,150 --> 00:08:34,080

and and what I do for work is fine arts

179

00:08:37,730 --> 00:08:35,160

and things like that and it's kind of

180

00:08:39,770 --> 00:08:37,740

like if there's a fake in the bunch then

181

00:08:41,870 --> 00:08:39,780

you have to look them all over you know

182

00:08:45,410 --> 00:08:41,880

I mean you have to carefully examine

183

00:08:47,750 --> 00:08:45,420

this person knew this person is selling

184

00:08:49,760 --> 00:08:47,760

a fake then it kind of loses the whole

185

00:08:51,950 --> 00:08:49,770

you know the whole credibility thing so

186

00:08:54,410 --> 00:08:51,960

I understand where this is going no I'm

187

00:08:56,030 --> 00:08:54,420

glad you mentioned that because it's the

188

00:09:00,140 --> 00:08:56,040

point I've tried to make to people to

189

00:09:03,110 --> 00:09:00,150

switch the subject over to mj-12 if

190

00:09:04,580 --> 00:09:03,120

you're going to make a fake a fraud I

191

00:09:07,070 --> 00:09:04,590

don't know what the right term is these

192

00:09:07,590 --> 00:09:07,080

days you want to do as little as

193

00:09:09,660 --> 00:09:07,600

possible

194

00:09:12,449 --> 00:09:09,670

to call attention to it nothing out of

195

00:09:13,800 --> 00:09:12,459

the way he's right to the procedures

196

00:09:17,150 --> 00:09:13,810

that went with the person you're trying

197

00:09:20,160 --> 00:09:17,160

to emulate or whatever you're doing and

198

00:09:24,930 --> 00:09:20,170

what I recently did two articles for the

199

00:09:26,340 --> 00:09:24,940

MUFON Journal is in one list a dozen

200

00:09:29,430 --> 00:09:26,350

arguments that have been made against

201
00:09:31,019 --> 00:09:29,440
the mj-12 documents showed that none of

202
00:09:34,530 --> 00:09:31,029
them stand up they hadn't done their

203
00:09:36,059 --> 00:09:34,540
homework and the other was there's a

204
00:09:38,939 --> 00:09:36,069
whole bunch of stuff that we didn't know

205
00:09:42,420 --> 00:09:38,949
to be true it turned out to be true well

206
00:09:47,579 --> 00:09:42,430
after we got the documents how did the

207
00:09:50,759 --> 00:09:47,589
person know psychic faker psychic hoaxer

208
00:09:53,819 --> 00:09:50,769
what is it just just to give one example

209
00:09:57,720 --> 00:09:53,829
the date of one of the important items

210
00:10:01,050 --> 00:09:57,730
is the only date and eight month period

211
00:10:03,540 --> 00:10:01,060
where President Truman met with James

212
00:10:09,660 --> 00:10:03,550
Forrestal and Vannevar Bush at the same

213
00:10:12,809 --> 00:10:09,670

time and the memo is from Truman to

214

00:10:16,170 --> 00:10:12,819

Forrestal and naming Bush within the

215

00:10:18,269 --> 00:10:16,180

text and that's the only date in an

216

00:10:19,980 --> 00:10:18,279

eight month period for those three met

217

00:10:21,660 --> 00:10:19,990

together and I asked the Truman library

218

00:10:26,759 --> 00:10:21,670

were there anybody else it arrests the

219

00:10:29,790 --> 00:10:26,769

question no there are some strange the

220

00:10:37,470 --> 00:10:29,800

date is not continuous on it September

221

00:10:39,240 --> 00:10:37,480

and then the 24 1915 1947 is an angle to

222

00:10:42,360 --> 00:10:39,250

it obviously had been in a typewriter

223

00:10:45,809 --> 00:10:42,370

twice now why would anybody faking a

224

00:10:48,179 --> 00:10:45,819

document do that you don't want to call

225

00:10:50,910 --> 00:10:48,189

attention to that mm-hmm and there are a

226

00:10:52,949 --> 00:10:50,920

number of other items like that and I

227

00:10:57,030 --> 00:10:52,959

always remember what Budd Hopkins told

228

00:10:59,220 --> 00:10:57,040

me about artists faking you know oh yeah

229

00:11:01,290 --> 00:10:59,230

artwork of some known artists they

230

00:11:03,809 --> 00:11:01,300

always want to make it very very similar

231

00:11:04,949 --> 00:11:03,819

a lot of times I'll just for instance

232

00:11:07,199 --> 00:11:04,959

they'll find a painting that's already

233

00:11:09,540 --> 00:11:07,209

painted that looks just like an artist's

234

00:11:11,579 --> 00:11:09,550

work but of course it's not a valuable

235

00:11:13,199 --> 00:11:11,589

artists and then they'll just it

236

00:11:15,689 --> 00:11:13,209

mysteriously it gets the artists name

237

00:11:17,009 --> 00:11:15,699

put on it you know so it's along the

238

00:11:20,440 --> 00:11:17,019

same but you don't do anything to call

239

00:11:23,440 --> 00:11:20,450

attention right it's it has to be close

240

00:11:25,440 --> 00:11:23,450

yes - yeah so it's kind of you know

241

00:11:29,560 --> 00:11:25,450

Here I am a physicist getting into

242

00:11:31,810 --> 00:11:29,570

artwork and stuff like that but it's

243

00:11:33,670 --> 00:11:31,820

kind of fun and there's a real challenge

244

00:11:35,079 --> 00:11:33,680

here I feel that people have a

245

00:11:36,870 --> 00:11:35,089

responsibility if they're kind of claim

246

00:11:39,850 --> 00:11:36,880

to be researchers and do their homework

247

00:11:42,220 --> 00:11:39,860

yeah what one just to pick one thing I

248

00:11:44,110 --> 00:11:42,230

made a point about dr. Donald Menzel

249

00:11:45,970 --> 00:11:44,120

being a member of this mj-12 group

250

00:11:48,280 --> 00:11:45,980

everybody knew he was a total debunk

251
00:11:49,710 --> 00:11:48,290
re-written three debunking books how

252
00:11:54,790 --> 00:11:49,720
could he know about a crashed saucer

253
00:11:56,019 --> 00:11:54,800
alien bodies etc well I went up I got

254
00:11:59,350 --> 00:11:56,029
from rich from three different people to

255
00:12:02,259 --> 00:11:59,360
see his papers at Harvard people

256
00:12:04,150 --> 00:12:02,269
complain and I found to my total

257
00:12:06,519 --> 00:12:04,160
astonishment because I didn't like them

258
00:12:08,319 --> 00:12:06,529
and he was a lot like you but that that

259
00:12:09,850 --> 00:12:08,329
he told Jack Kennedy he had a longer

260
00:12:13,689 --> 00:12:09,860
continuous association with the National

261
00:12:15,970 --> 00:12:13,699
Security Agency and navy intelligence of

262
00:12:20,590 --> 00:12:15,980
anybody in the country nobody knew that

263
00:12:22,180 --> 00:12:20,600

hmm and so how did they know that but

264

00:12:24,579 --> 00:12:22,190

knowing other people who say he couldn't

265

00:12:26,560 --> 00:12:24,589

have led a double life and I would point

266

00:12:29,710 --> 00:12:26,570

to some spies who have nicely led double

267

00:12:33,430 --> 00:12:29,720

life's burgers filthy and McClane and

268

00:12:35,829 --> 00:12:33,440

England and so forth but they none of

269

00:12:38,590 --> 00:12:35,839

them have gone to Harvard look at the

270

00:12:41,470 --> 00:12:38,600

papers well darn it if you're gonna say

271

00:12:43,300 --> 00:12:41,480

it isn't true check it out you know yeah

272

00:12:46,300 --> 00:12:43,310

just say well I know it can't be so I'm

273

00:12:49,300 --> 00:12:46,310

just gonna say it isn't Travis you've

274

00:12:50,769 --> 00:12:49,310

had the same problem here haven't you

275

00:12:51,970 --> 00:12:50,779

with people making claims where they

276

00:12:54,280 --> 00:12:51,980

don't know what the hell yeah you know

277

00:12:56,710 --> 00:12:54,290

that people you know just make something

278

00:12:58,449 --> 00:12:56,720

they can't back it up and you know it's

279

00:13:00,550 --> 00:12:58,459

pretty easy to just blow them out of the

280

00:13:02,889 --> 00:13:00,560

water when you produce and you can

281

00:13:05,889 --> 00:13:02,899

direct people to the original source for

282

00:13:08,230 --> 00:13:05,899

the you know authentic information yeah

283

00:13:10,079 --> 00:13:08,240

and that's what we have to do we and you

284

00:13:14,019 --> 00:13:10,089

followed you have to police are

285

00:13:16,930 --> 00:13:14,029

sightings if you will by checking out

286

00:13:18,460 --> 00:13:16,940

the facts I found somebody who worked

287

00:13:20,680 --> 00:13:18,470

for Troma in the entire time I was at

288

00:13:22,300 --> 00:13:20,690

the White House and asked his opinion

289

00:13:25,000 --> 00:13:22,310

about the documents after sending them

290

00:13:27,940 --> 00:13:25,010

and stuff like that nobody else it's

291

00:13:34,360 --> 00:13:32,019

more than 10 years oh yeah I I I've been

292

00:13:36,310 --> 00:13:34,370

to the presidential libraries and I find

293

00:13:39,090 --> 00:13:36,320

they're very valuable and the people are

294

00:13:41,710 --> 00:13:39,100

very helpful and well as another example

295

00:13:43,720 --> 00:13:41,720

every top-secret document has to have a

296

00:13:44,680 --> 00:13:43,730

top-secret Control Number I was told by

297

00:13:46,689 --> 00:13:44,690

several people

298

00:13:48,790 --> 00:13:46,699

I'd already published a couple that

299

00:13:50,920 --> 00:13:48,800

didn't that I know her genuine because

300

00:13:52,300 --> 00:13:50,930

they came from the archives so I asked

301
00:13:54,939 --> 00:13:52,310
the archivist oh we have loads of

302
00:13:57,189 --> 00:13:54,949
top-secret documents without top-secret

303
00:13:59,620 --> 00:13:57,199
control levers on them but nobody but

304
00:14:01,509 --> 00:13:59,630
other to check that they know because

305
00:14:04,150 --> 00:14:01,519
when they worked at a certain office at

306
00:14:06,340 --> 00:14:04,160
a certain time all our documents had top

307
00:14:07,660 --> 00:14:06,350
secret control over well to generalize

308
00:14:10,800 --> 00:14:07,670
that to everybody

309
00:14:14,410 --> 00:14:10,810
is ridiculous are there phony abduction

310
00:14:17,500 --> 00:14:14,420
experiencers stories of course does that

311
00:14:20,620 --> 00:14:17,510
mean everybody who claims one is of

312
00:14:22,930 --> 00:14:20,630
course not so there's some rules for the

313
00:14:29,860 --> 00:14:22,940

game they don't seem to be being adhered

314

00:14:32,470 --> 00:14:29,870

to by people who attack you're looking

315

00:14:34,870 --> 00:14:32,480

forward to the movie yeah that will be

316

00:14:36,189 --> 00:14:34,880

the first time I've seen it I haven't

317

00:14:38,050 --> 00:14:36,199

seen it yeah I'm supposed to introduce

318

00:14:40,329 --> 00:14:38,060

it but I haven't even seen the trailer

319

00:14:42,759 --> 00:14:40,339

for it yet so I don't know whether to

320

00:14:45,250 --> 00:14:42,769

say rah rah rah this is great or not

321

00:14:47,650 --> 00:14:45,260

I'll know after I watch it went that's

322

00:14:50,800 --> 00:14:47,660

Friday night yes Friday Friday night

323

00:14:55,240 --> 00:14:50,810

7:00 o'clock yes so Marion I don't know

324

00:14:57,480 --> 00:14:55,250

where well you know a lot went into this

325

00:15:00,340 --> 00:14:57,490

production it was quite a bit of

326

00:15:01,900 --> 00:15:00,350

in-depth research you know a lot of

327

00:15:05,980 --> 00:15:01,910

people that were very hard to get a hold

328

00:15:09,720 --> 00:15:05,990

of were interviewed and you know I'm

329

00:15:12,939 --> 00:15:09,730

sure you know there's a pretty wide

330

00:15:15,819 --> 00:15:12,949

comprehensive amount of content there

331

00:15:17,920 --> 00:15:15,829

and how it was all edit together and

332

00:15:19,600 --> 00:15:17,930

whether it would just be exactly the way

333

00:15:21,970 --> 00:15:19,610

I would do it I'm you know I'm waiting

334

00:15:24,340 --> 00:15:21,980

to see but I'm looking forward to it

335

00:15:26,009 --> 00:15:24,350

because I think they're gonna use a few

336

00:15:28,090 --> 00:15:26,019

minutes from my movie UFOs are real

337

00:15:30,879 --> 00:15:28,100

because I interviewed him back when he

338

00:15:33,400 --> 00:15:30,889

was a young man I was younger to Stan

339

00:15:35,949 --> 00:15:33,410

Feynman was one of the first researchers

340

00:15:39,460 --> 00:15:35,959

to actually visit the area and the site

341

00:15:43,079 --> 00:15:39,470

and talk to the people he does his

342

00:15:49,259 --> 00:15:46,210

Travis on and them in the movie fire in

343

00:15:52,630 --> 00:15:49,269

the sky for instance there is a

344

00:15:54,160 --> 00:15:52,640

ufologist that you know I don't even

345

00:15:56,079 --> 00:15:54,170

know if that any of this is accurate but

346

00:15:59,230 --> 00:15:56,089

there's a ufologist that is like waiting

347

00:16:04,000 --> 00:15:59,240

to see you and puts a lot of pressure on

348

00:16:05,380 --> 00:16:04,010

you or and it was that real and if so do

349

00:16:09,940 --> 00:16:05,390

you want to talk about who that was and

350

00:16:11,829 --> 00:16:09,950

her well that scene doesn't depict a

351

00:16:13,900 --> 00:16:11,839

particular incident that actually

352

00:16:16,949 --> 00:16:13,910

occurred but there was quite a bit of

353

00:16:19,480 --> 00:16:16,959

back and forth between the various

354

00:16:25,300 --> 00:16:19,490

organizations some of which don't exist

355

00:16:27,540 --> 00:16:25,310

anymore but I in my mind I associate

356

00:16:29,769 --> 00:16:27,550

that scene mostly with a now-defunct

357

00:16:32,710 --> 00:16:29,779

organization called ground saucer watch

358

00:16:35,410 --> 00:16:32,720

that all of the people in there with a

359

00:16:37,960 --> 00:16:35,420

little research uncovered that they had

360

00:16:42,220 --> 00:16:37,970

to put it mildly exaggerated their

361

00:16:44,199 --> 00:16:42,230

credentials yeah well that's true and I

362

00:16:45,699 --> 00:16:44,209

checked on one of them who claimed a

363

00:16:48,160 --> 00:16:45,709

degree from a certain school and he

364

00:16:49,900 --> 00:16:48,170

didn't have one I'm fond of checking on

365

00:16:53,130 --> 00:16:49,910

people that strike me as not telling the

366

00:16:55,150 --> 00:16:53,140

truth about their academic background

367

00:16:57,220 --> 00:16:55,160

that's one of the things that'll come up

368

00:16:59,470 --> 00:16:57,230

about Lazar I hope I get a chance to

369

00:17:01,329 --> 00:16:59,480

express my I hope you do too and

370

00:17:03,490 --> 00:17:01,339

unfortunately I won't be here just

371

00:17:05,319 --> 00:17:03,500

actually see that but I know they'll

372

00:17:08,679 --> 00:17:05,329

have the DVD and you know they'll be

373

00:17:11,860 --> 00:17:08,689

recording it but yeah I would I don't

374

00:17:14,319 --> 00:17:11,870

have it I think Bob Lazar is very bright

375

00:17:17,590 --> 00:17:14,329

yeah person it's like you say and

376

00:17:20,530 --> 00:17:17,600

everything I mean he's sharp the story

377

00:17:23,020 --> 00:17:20,540

is a little you know I mean it'll be

378

00:17:25,449 --> 00:17:23,030

interesting to hear you know what he has

379

00:17:28,299 --> 00:17:25,459

to say after all this time and and I

380

00:17:30,909 --> 00:17:28,309

think you know that the question and

381

00:17:32,230 --> 00:17:30,919

answer part is going to be the you know

382

00:17:34,180 --> 00:17:32,240

the cream of the crop right you're sure

383

00:17:37,240 --> 00:17:34,190

they're gonna have one I would think so

384

00:17:37,930 --> 00:17:37,250

I mean they're supposed to have one okay

385

00:17:40,240 --> 00:17:37,940

yeah yeah

386

00:17:42,940 --> 00:17:40,250

can stand can you go into a little more

387

00:17:44,980 --> 00:17:42,950

about when you research Travis's case

388

00:17:48,669 --> 00:17:44,990

since it was so early on I just I just

389

00:17:50,860 --> 00:17:48,679

never heard that before well of course

390

00:17:52,900 --> 00:17:50,870

I'd heard the noise and I talked to the

391

00:17:53,650 --> 00:17:52,910

people at a pro which doesn't exist

392

00:17:57,010 --> 00:17:53,660

anymore

393

00:17:59,590 --> 00:17:57,020

choral and Jim Lorenzen to get their

394

00:18:01,690 --> 00:17:59,600

findings and I also talked to Jim harder

395

00:18:04,870 --> 00:18:01,700

dr. James harder from University of

396

00:18:06,550 --> 00:18:04,880

California Berkeley who did the was that

397

00:18:10,030 --> 00:18:06,560

the only hypnosis yes that's the only

398

00:18:13,330 --> 00:18:10,040

hypnosis yeah and I I've known Jim

399

00:18:18,720 --> 00:18:13,340

harder and for quite a long time he's

400

00:18:22,900 --> 00:18:18,730

gone too now as a matter of fact and so

401
00:18:24,700 --> 00:18:22,910
after talking to the people we were I

402
00:18:28,870 --> 00:18:24,710
was working on the movie UFOs are real

403
00:18:31,660 --> 00:18:28,880
and I wanted to use this as one of the

404
00:18:34,260 --> 00:18:31,670
cases we traveled across the country we

405
00:18:36,490 --> 00:18:34,270
talked to harder and Berkeley going up

406
00:18:38,350 --> 00:18:36,500
there's a way to get up to his house in

407
00:18:41,890 --> 00:18:38,360
the Berkeley Hills on that sort of a

408
00:18:44,350 --> 00:18:41,900
tram like just kind of different we

409
00:18:49,570 --> 00:18:44,360
talked to Betty Hill talked to Jesse

410
00:18:52,720 --> 00:18:49,580
Marcel found in Louisiana talked to

411
00:18:56,530 --> 00:18:52,730
several other prominent Marjorie fish

412
00:18:59,590 --> 00:18:56,540
with the video star map dr. George

413
00:19:02,410 --> 00:18:59,600

Mitchell our heard dr. Mitchell anyway

414

00:19:04,390 --> 00:19:02,420

of the Ohio State University Astronomy

415

00:19:05,920 --> 00:19:04,400

Department who had some strong things to

416

00:19:10,300 --> 00:19:05,930

say about the accuracy of Marjorie's

417

00:19:14,440 --> 00:19:10,310

work and so we went to people who were

418

00:19:17,560 --> 00:19:14,450

directly involved in cases and Travis's

419

00:19:18,970 --> 00:19:17,570

case was was good because there were

420

00:19:23,020 --> 00:19:18,980

several people involved we talked to

421

00:19:25,360 --> 00:19:23,030

Mike Rogers too and because we went out

422

00:19:28,560 --> 00:19:25,370

to the actual location so used to could

423

00:19:30,850 --> 00:19:28,570

get a feeling for what the area was like

424

00:19:32,680 --> 00:19:30,860

that part of Arizona is a little bit

425

00:19:35,860 --> 00:19:32,690

different from New England for example

426

00:19:38,860 --> 00:19:35,870

you know or from Ohio or we were in

427

00:19:41,320 --> 00:19:38,870

other places like that so I was very

428

00:19:42,580 --> 00:19:41,330

favorably impressed with Travis it took

429

00:19:45,310 --> 00:19:42,590

us a while to get there of course

430

00:19:48,070 --> 00:19:45,320

because snow flake is not really near

431

00:19:54,670 --> 00:19:48,080

any large I think it's quite a ways out

432

00:19:56,140 --> 00:19:54,680

of the way yes and we I was all of us

433

00:19:58,690 --> 00:19:56,150

there's only a small group of us making

434

00:20:00,880 --> 00:19:58,700

the movie but well you were quite

435

00:20:03,010 --> 00:20:00,890

impressed with Travis and with Mike and

436

00:20:05,530 --> 00:20:03,020

with the circumstances and as I've tried

437

00:20:07,630 --> 00:20:05,540

to tell people if you go to a small town

438

00:20:11,289 --> 00:20:07,640

and a guy is

439

00:20:14,169 --> 00:20:11,299

know you get a reputation everybody in

440

00:20:17,110 --> 00:20:14,179

town knows you you can't hide they'll

441

00:20:19,360 --> 00:20:17,120

say oh he's a liar or you know he makes

442

00:20:21,250 --> 00:20:19,370

up stories all the time and so forth and

443

00:20:25,960 --> 00:20:21,260

it's a little bit of that in Roswell so

444

00:20:29,530 --> 00:20:25,970

that you get a reputation and we asked

445

00:20:34,410 --> 00:20:29,540

around in snowflake we visited Travis at

446

00:20:36,520 --> 00:20:34,420

his home I met his family and I would

447

00:20:37,870 --> 00:20:36,530

Travis won't mind my saying this I was

448

00:20:41,560 --> 00:20:37,880

impressed by the fact that he delivered

449

00:20:44,740 --> 00:20:41,570

his own children having been present at

450

00:20:50,260 --> 00:20:44,750

the birth of my daughter I that made a

451
00:20:54,120 --> 00:20:50,270
very favorable impression on me and it

452
00:20:57,220 --> 00:20:54,130
takes somebody with a certain kind of

453
00:21:00,220 --> 00:20:57,230
devotion to doing the right thing that's

454
00:21:04,060 --> 00:21:00,230
an awkward way of saying that but who

455
00:21:06,630 --> 00:21:04,070
can be trusted with significant events

456
00:21:10,450 --> 00:21:06,640
in the birth of a child several of them

457
00:21:11,409 --> 00:21:10,460
it's certainly a significant event and I

458
00:21:13,120 --> 00:21:11,419
don't think I've ever said that the

459
00:21:15,280 --> 00:21:13,130
Travis before but I was impressed by the

460
00:21:18,070 --> 00:21:15,290
fact that you had delivered your kids

461
00:21:21,789 --> 00:21:18,080
well thank you and you know I contrast

462
00:21:25,120 --> 00:21:21,799
your hands-on in person investigation

463
00:21:28,000 --> 00:21:25,130

with that of my critics none of them had

464

00:21:29,890 --> 00:21:28,010

ever spoken to me visited the site or in

465

00:21:34,150 --> 00:21:29,900

any way have done any sort of in-person

466

00:21:39,510 --> 00:21:34,160

on hands-on research so there are

467

00:21:49,539 --> 00:21:46,150

Kathy could you tell us did Betty Betty

468

00:21:52,060 --> 00:21:49,549

Hill ever look in or talk about Travis

469

00:21:55,260 --> 00:21:52,070

Walton or did that ever come up do you

470

00:21:59,460 --> 00:21:55,270

know yes absolutely

471

00:22:03,850 --> 00:21:59,470

betty was asked to speak with Travis

472

00:22:09,190 --> 00:22:03,860

after this happened Jim harder dr. James

473

00:22:12,520 --> 00:22:09,200

harder was active in in in Betty's case

474

00:22:18,760 --> 00:22:12,530

and also a friend of Betty by the time I

475

00:22:21,169 --> 00:22:18,770

met him and Jim was talking about his

476

00:22:22,940 --> 00:22:21,179

investigation of Travis's

477

00:22:26,029 --> 00:22:22,950

and I happened to be at Betty's home

478

00:22:29,149 --> 00:22:26,039

when this was going on Betty had already

479

00:22:31,430 --> 00:22:29,159

spoken to Travis and the concern was

480

00:22:34,450 --> 00:22:31,440

that Betty had had this experience

481

00:22:37,399 --> 00:22:34,460

herself she was also a social worker and

482

00:22:41,029 --> 00:22:37,409

we knew that that Travis was quite

483

00:22:43,899 --> 00:22:41,039

shaken by this event and so Betty was

484

00:22:47,869 --> 00:22:43,909

asked to speak with Travis in order to

485

00:22:50,269 --> 00:22:47,879

try to calm him down so that he'd have

486

00:22:52,969 --> 00:22:50,279

the opportunity to speak with someone

487

00:22:55,549 --> 00:22:52,979

who understood what he was going through

488

00:22:59,299 --> 00:22:55,559

who had been through the same kind of

489

00:23:01,999 --> 00:22:59,309

experience himself and the conversation

490

00:23:10,190 --> 00:23:02,009

was quite effective to that end she had

491

00:23:11,989 --> 00:23:10,200

some good advice I have quite a lot of

492

00:23:14,899 --> 00:23:11,999

correspondence from her over the years

493

00:23:19,099 --> 00:23:14,909

that I want to go back and and look at

494

00:23:23,509 --> 00:23:19,109

with fresh eyes and I have to tell you

495

00:23:25,129 --> 00:23:23,519

that Betty did not believe that everyone

496

00:23:29,180 --> 00:23:25,139

who thought they had been abducted

497

00:23:32,169 --> 00:23:29,190

actually had been but she really did

498

00:23:35,239 --> 00:23:32,179

believe that Travis's event was real and

499

00:23:38,599 --> 00:23:35,249

that he was the real thing

500

00:23:41,779 --> 00:23:38,609

Jim harder talked about how traumatized

501
00:23:44,359 --> 00:23:41,789
Travis was by the event and told us

502
00:23:46,849 --> 00:23:44,369
about his hypnosis session with Travis

503
00:23:50,180 --> 00:23:46,859
when it was at Betty's home I see that's

504
00:23:53,690 --> 00:23:50,190
interesting about Betty I never knew

505
00:23:55,249 --> 00:23:53,700
that she had some skepticism for other

506
00:24:00,259 --> 00:23:55,259
abductions that's almost gives her a

507
00:24:03,019 --> 00:24:00,269
little more credibility of herself you

508
00:24:06,109 --> 00:24:03,029
may not know too that Betty was actually

509
00:24:11,229 --> 00:24:06,119
an investigator for the aerial phenomena

510
00:24:15,159 --> 00:24:11,239
research research organization afro

511
00:24:18,289 --> 00:24:15,169
after her experience and she

512
00:24:19,310 --> 00:24:18,299
investigated other abductions herself

513
00:24:21,859 --> 00:24:19,320

Wow

514

00:24:24,680 --> 00:24:21,869

while I have you here I was at a

515

00:24:27,139 --> 00:24:24,690

conference when someone like took me to

516

00:24:28,999 --> 00:24:27,149

the side and was talking to me and they

517

00:24:33,480 --> 00:24:29,009

said you know that Betty and Barney Hill

518

00:24:35,760 --> 00:24:33,490

is you know a bunk don't you and I said

519

00:24:37,290 --> 00:24:35,770

mmm what do you have to say you know

520

00:24:41,520 --> 00:24:37,300

they said well there was a light on

521

00:24:42,840 --> 00:24:41,530

Cannon Mountain that went up in 1959 or

522

00:24:45,450 --> 00:24:42,850

something like that and if you drive

523

00:24:47,130 --> 00:24:45,460

along it looks like a craft you know

524

00:24:48,419 --> 00:24:47,140

being up in the mountain and then

525

00:24:50,970 --> 00:24:48,429

there's a jack-o'-lantern where a

526

00:24:52,890 --> 00:24:50,980

restaurant that has a jack-o'-lantern

527

00:24:56,100 --> 00:24:52,900

that could look like a flying saucer

528

00:24:58,500 --> 00:24:56,110

landed what about all that I mean did

529

00:25:00,480 --> 00:24:58,510

did she hear that in her lifetime or was

530

00:25:03,000 --> 00:25:00,490

she confronted with that not in her

531

00:25:04,760 --> 00:25:03,010

lifetime but I have heard it and I have

532

00:25:08,549 --> 00:25:04,770

read it and I've actually even

533

00:25:10,880 --> 00:25:08,559

investigated it because of course the

534

00:25:14,549 --> 00:25:10,890

light that was on top of Cannon Mountain

535

00:25:17,810 --> 00:25:14,559

was smaller in 1961 than it is today

536

00:25:20,700 --> 00:25:17,820

it's been replaced but the new

537

00:25:23,250 --> 00:25:20,710

investigator who has been trying to

538

00:25:25,710 --> 00:25:23,260

debunk all of this claimed that he went

539

00:25:28,350 --> 00:25:25,720

to the Mount Cleveland picnic area and

540

00:25:30,840 --> 00:25:28,360

from the Mount Cleveland picnic area he

541

00:25:32,940 --> 00:25:30,850

could see that light on top of Cannon

542

00:25:35,130 --> 00:25:32,950

Mountain so I went to the Mount

543

00:25:38,190 --> 00:25:35,140

Cleveland picnic area and looked for the

544

00:25:41,460 --> 00:25:38,200

light at night couldn't find it couldn't

545

00:25:44,490 --> 00:25:41,470

see it but I did as I was driving toward

546

00:25:47,460 --> 00:25:44,500

Franconia Notch go to the top of a hill

547

00:25:49,860 --> 00:25:47,470

and was able to see it very briefly from

548

00:25:53,040 --> 00:25:49,870

the top of the hill now you have to also

549

00:25:56,130 --> 00:25:53,050

remember that the close encounter field

550

00:25:58,860 --> 00:25:56,140

was eight miles south of Cannon Mountain

551
00:26:00,960 --> 00:25:58,870
and you could not see the light at the

552
00:26:03,810 --> 00:26:00,970
top of Cannon Mountain from eight miles

553
00:26:06,780 --> 00:26:03,820
self and that's where the craft hovered

554
00:26:11,370 --> 00:26:06,790
only a hundred feet above the hills car

555
00:26:16,350 --> 00:26:11,380
and then the abduction site was about

556
00:26:18,660 --> 00:26:16,360
eight miles south of there I see what

557
00:26:22,440 --> 00:26:18,670
would you I'm gonna ask this of you

558
00:26:24,840 --> 00:26:22,450
Travis as well I consider you know

559
00:26:27,030 --> 00:26:24,850
Travis is one of the big case I also

560
00:26:30,830 --> 00:26:27,040
think the allagash case is pretty

561
00:26:33,270 --> 00:26:30,840
amazing if there's some other like

562
00:26:36,150 --> 00:26:33,280
abductions I know there's a lot of

563
00:26:39,870 --> 00:26:36,160

people that you know you're involved

564

00:26:43,680 --> 00:26:39,880

with the Free thing that we can talk a

565

00:26:47,280 --> 00:26:43,690

little bit about that but the ones that

566

00:26:49,560 --> 00:26:47,290

I guess that I'm interested in right now

567

00:26:51,810 --> 00:26:49,570

as the case is like Travis Walton and

568

00:26:54,600 --> 00:26:51,820

Betty and and like that is there any

569

00:26:58,050 --> 00:26:54,610

other cases and in the allagash that you

570

00:27:00,300 --> 00:26:58,060

can think of that really hit like the

571

00:27:03,660 --> 00:27:00,310

witnesses type of thing you know I mean

572

00:27:06,090 --> 00:27:03,670

real real solid or is it is it all you

573

00:27:10,050 --> 00:27:06,100

know very hard to to put a finger on

574

00:27:14,460 --> 00:27:10,060

whether it one of my favorite cases is

575

00:27:19,800 --> 00:27:14,470

from Casey County Kentucky cases of

576

00:27:23,430 --> 00:27:19,810

mones Stafford Yvonne's oh no not a

577

00:27:29,810 --> 00:27:23,440

button Smith Louise Smith and Elaine

578

00:27:35,850 --> 00:27:29,820

Thomas and this occurred in January of

579

00:27:39,990 --> 00:27:35,860

1976 and it was a really good case in my

580

00:27:42,210 --> 00:27:40,000

opinion the three women knew each other

581

00:27:45,510 --> 00:27:42,220

- knew each other well another one

582

00:27:47,730 --> 00:27:45,520

casually they had just gotten together

583

00:27:52,380 --> 00:27:47,740

for an impromptu dinner it was one's

584

00:27:54,240 --> 00:27:52,390

birthday and they had driven about I

585

00:27:58,860 --> 00:27:54,250

think it was about 30 miles to a

586

00:28:01,080 --> 00:27:58,870

restaurant and had dinner there did not

587

00:28:03,210 --> 00:28:01,090

have any alcoholic beverages they were

588

00:28:05,310 --> 00:28:03,220

all interested in art they they had a

589

00:28:08,910 --> 00:28:05,320

good time they turned around and they

590

00:28:11,190 --> 00:28:08,920

were driving back home that night and on

591

00:28:14,220 --> 00:28:11,200

the way home they had a close encounter

592

00:28:17,370 --> 00:28:14,230

with a craft that came down very low

593

00:28:19,410 --> 00:28:17,380

over the top of their car there was a

594

00:28:21,810 --> 00:28:19,420

beam of light that went into the car

595

00:28:26,250 --> 00:28:21,820

that caused all of them to feel very

596

00:28:30,690 --> 00:28:26,260

very warm suddenly the car started

597

00:28:33,270 --> 00:28:30,700

moving on its own the the women tried to

598

00:28:37,560 --> 00:28:33,280

stop it couldn't at about 80 miles an

599

00:28:39,270 --> 00:28:37,570

hour and then all of a sudden stopped

600

00:28:41,640 --> 00:28:39,280

and it was being pulled back in the

601
00:28:45,000 --> 00:28:41,650
opposite direction almost as if they

602
00:28:48,120 --> 00:28:45,010
were bumping backwards over some kind of

603
00:28:52,110 --> 00:28:48,130
very strange highway and you know you

604
00:28:56,460 --> 00:28:52,120
think of the the aahs factor well this

605
00:28:59,610 --> 00:28:56,470
is just really very very strange and the

606
00:29:00,840 --> 00:28:59,620
next thing they know they're back and

607
00:29:04,830 --> 00:29:00,850
they're just outside

608
00:29:07,560 --> 00:29:04,840
the town that they live in and they

609
00:29:09,930 --> 00:29:07,570
realize that they're missing about an

610
00:29:14,520 --> 00:29:09,940
hour and forty-five minutes that they

611
00:29:18,390 --> 00:29:14,530
can't account for they go into one of

612
00:29:22,050 --> 00:29:18,400
the women's homes and try to decide what

613
00:29:24,450 --> 00:29:22,060

to do and so they decide that they

614

00:29:26,490 --> 00:29:24,460

should go tell a neighbor and the

615

00:29:29,430 --> 00:29:26,500

neighbor has them sit down and sketch

616

00:29:32,300 --> 00:29:29,440

what they saw they all drew similar

617

00:29:35,760 --> 00:29:32,310

sketches and so this was a fairly big

618

00:29:39,360 --> 00:29:35,770

case at that time they didn't want to go

619

00:29:42,300 --> 00:29:39,370

public with it it they ended up going

620

00:29:45,630 --> 00:29:42,310

public because it was leaked out to a

621

00:29:49,260 --> 00:29:45,640

newspaper and then some of the major

622

00:29:52,110 --> 00:29:49,270

organizations went in to investigate and

623

00:29:55,260 --> 00:29:52,120

Leo sprinkle dr. Leo sprinkle went in

624

00:29:57,960 --> 00:29:55,270

there and did hypnosis sessions with the

625

00:29:59,700 --> 00:29:57,970

women but it was a very very interesting

626

00:30:03,390 --> 00:29:59,710

case they remembered that they were

627

00:30:06,570 --> 00:30:03,400

taken on board a craft and that these

628

00:30:11,040 --> 00:30:06,580

ETS were very interested for example in

629

00:30:13,020 --> 00:30:11,050

the way their joints moved and it

630

00:30:14,490 --> 00:30:13,030

reminded me of Betty and Barney in a way

631

00:30:16,380 --> 00:30:14,500

because they were very interested in

632

00:30:18,930 --> 00:30:16,390

Betty's and Barney's skeletal structure

633

00:30:22,020 --> 00:30:18,940

and also that moved their fingers their

634

00:30:25,200 --> 00:30:22,030

you know their arms their legs and that

635

00:30:28,050 --> 00:30:25,210

sort of thing but one of the women had a

636

00:30:30,480 --> 00:30:28,060

really almost horrifying experience to

637

00:30:32,910 --> 00:30:30,490

where she felt that there was a lot of

638

00:30:35,850 --> 00:30:32,920

pressure on her head and that was very

639

00:30:38,910 --> 00:30:35,860

painful to her all three women ended up

640

00:30:40,670 --> 00:30:38,920

being traumatized yeah by the experience

641

00:30:41,910 --> 00:30:40,680

it had a major impact on their lives

642

00:30:44,520 --> 00:30:41,920

mm-hmm

643

00:30:47,240 --> 00:30:44,530

Travis are gonna ask you a different

644

00:30:52,350 --> 00:30:47,250

question than that basically you know

645

00:30:54,720 --> 00:30:52,360

Betty reached out to you and it was

646

00:30:56,090 --> 00:30:54,730

probably very helpful for you at the

647

00:30:59,790 --> 00:30:56,100

time for what you were going through

648

00:31:01,740 --> 00:30:59,800

have you ever had the opportunity to be

649

00:31:07,770 --> 00:31:01,750

able to help someone in the same type of

650

00:31:10,860 --> 00:31:07,780

way oh yeah I get lots of you know

651
00:31:13,210 --> 00:31:10,870
enquiries of that nature all the time

652
00:31:15,730 --> 00:31:13,220
you know people that

653
00:31:17,980 --> 00:31:15,740
I've experienced something ask me what

654
00:31:19,420 --> 00:31:17,990
they should do or they think they might

655
00:31:21,310 --> 00:31:19,430
have experienced something what should

656
00:31:26,680 --> 00:31:21,320
they do you know it happens all the time

657
00:31:28,240 --> 00:31:26,690
but I do my best but I often turn it

658
00:31:32,650 --> 00:31:28,250
over to people who are better qualified

659
00:31:35,040 --> 00:31:32,660
than I so so you ask them or you give

660
00:31:37,960 --> 00:31:35,050
them information of an organization or

661
00:31:40,420 --> 00:31:37,970
something like that yeah now I'm going

662
00:31:44,410 --> 00:31:40,430
to throw a question at you and just

663
00:31:46,510 --> 00:31:44,420

Linda in this research thank you

664

00:31:49,170 --> 00:31:46,520

this research that you were have been

665

00:31:53,110 --> 00:31:49,180

doing there kind of focusing in New York

666

00:31:56,050 --> 00:31:53,120

any abductions in that any abductions

667

00:31:58,180 --> 00:31:56,060

come to mind i when I first started this

668

00:32:00,040 --> 00:31:58,190

research I thought honestly I was going

669

00:32:03,310 --> 00:32:00,050

to talk to a lot of people who saw

670

00:32:05,290 --> 00:32:03,320

lights in the sky and the first

671

00:32:08,980 --> 00:32:05,300

interview I conducted was with a

672

00:32:13,630 --> 00:32:08,990

multi-generational abduction experience

673

00:32:17,650 --> 00:32:13,640

family blew my doors off right off the

674

00:32:22,900 --> 00:32:17,660

bat and I found that more often than not

675

00:32:25,000 --> 00:32:22,910

people had Intel I will call it intense

676
00:32:27,340 --> 00:32:25,010
experiences because they're not quite

677
00:32:31,720 --> 00:32:27,350
sure what happened at the very least

678
00:32:34,930 --> 00:32:31,730
missing time many cases clear symptoms

679
00:32:36,880 --> 00:32:34,940
of abductions I actually started calling

680
00:32:42,550 --> 00:32:36,890
the Hudson Valley abduction alley

681
00:32:45,340 --> 00:32:42,560
because it has happened so often to so

682
00:32:51,120 --> 00:32:45,350
many people going back as far as I can

683
00:32:56,290 --> 00:32:51,130
tell to 1929 was the first case and

684
00:33:01,270 --> 00:32:56,300
they're they're very unnerving the the

685
00:33:04,150 --> 00:33:01,280
cases of people being physically tested

686
00:33:07,840 --> 00:33:04,160
they may not recall the actual testing

687
00:33:11,320 --> 00:33:07,850
but they have scoop marks and the bloody

688
00:33:14,680 --> 00:33:11,330

noses and pieces missing and sudden

689

00:33:17,050 --> 00:33:14,690

phobias and all I guess what we would

690

00:33:19,270 --> 00:33:17,060

call the the classic symptoms of having

691

00:33:23,620 --> 00:33:19,280

been taken and something happened on

692

00:33:26,360 --> 00:33:23,630

them it's one case in particular I

693

00:33:28,280 --> 00:33:26,370

thought was quite remarkable was a

694

00:33:31,010 --> 00:33:28,290

I spoke about today was a little girl

695

00:33:33,380 --> 00:33:31,020

playing in her sandbox and she said

696

00:33:36,770 --> 00:33:33,390

suddenly everything just seemed to

697

00:33:39,470 --> 00:33:36,780

freeze time just Stood Still she could

698

00:33:41,630 --> 00:33:39,480

see her mother in the kitchen window not

699

00:33:44,600 --> 00:33:41,640

moving absolutely motionless

700

00:33:46,990 --> 00:33:44,610

a moment later she's on some sort of

701
00:33:51,560 --> 00:33:47,000
examining table and she's hearing

702
00:33:54,080 --> 00:33:51,570
whoever these beings are saying we can't

703
00:33:57,320 --> 00:33:54,090
keep her we have to send her back she's

704
00:33:58,970 --> 00:33:57,330
damaged she couldn't understand what

705
00:34:00,950 --> 00:33:58,980
that meant next thing she knows she's

706
00:34:05,120 --> 00:34:00,960
back in her sandbox it wasn't until

707
00:34:08,720 --> 00:34:05,130
years later she found out as a as a baby

708
00:34:11,240 --> 00:34:08,730
as a young child she had some sort of

709
00:34:14,210 --> 00:34:11,250
defect that she had to have surgery and

710
00:34:18,020 --> 00:34:14,220
a drain put in her brain which was still

711
00:34:21,879 --> 00:34:18,030
there and so perhaps in that regard she

712
00:34:24,889 --> 00:34:21,889
was damaged and not fit for whatever

713
00:34:30,950 --> 00:34:24,899

purpose they had for her Wow

714

00:34:33,340 --> 00:34:30,960

wow that's amazing Kathy a question I

715

00:34:37,149 --> 00:34:33,350

believe it may have been actually our

716

00:34:39,470 --> 00:34:37,159

single person audience out there George

717

00:34:43,010 --> 00:34:39,480

it may have been you are speaking to

718

00:34:46,550 --> 00:34:43,020

today about the French is he talking

719

00:34:52,490 --> 00:34:46,560

about the French oh sorry we're talking

720

00:34:56,960 --> 00:34:52,500

about abductions in in not not so much

721

00:35:00,830 --> 00:34:56,970

heard of in places like France or say I

722

00:35:02,360 --> 00:35:00,840

spoke with class one of Sweden and he's

723

00:35:05,210 --> 00:35:02,370

saying you know one or two about from

724

00:35:08,840 --> 00:35:05,220

cases that's all he has come across his

725

00:35:11,510 --> 00:35:08,850

desk every you know every year or so and

726

00:35:14,420 --> 00:35:11,520

a person I was speaking to today said

727

00:35:16,790 --> 00:35:14,430

the reason that people come forward

728

00:35:19,100 --> 00:35:16,800

about abductions here is because it's

729

00:35:21,380 --> 00:35:19,110

talked about Jacobs has talked about it

730

00:35:22,850 --> 00:35:21,390

he's been on TV and people actually come

731

00:35:24,380 --> 00:35:22,860

forward what's your opinion do you think

732

00:35:26,630 --> 00:35:24,390

that these things are happening

733

00:35:29,240 --> 00:35:26,640

worldwide it's just that it's not so

734

00:35:32,360 --> 00:35:29,250

publicly known so people are afraid to

735

00:35:34,730 --> 00:35:32,370

come forward or don't understand what's

736

00:35:38,720 --> 00:35:34,740

happening or or what's your opinion on

737

00:35:41,299 --> 00:35:38,730

that my opinion is that

738

00:35:43,940 --> 00:35:41,309

in the United States if you have this

739

00:35:46,970 --> 00:35:43,950

kind of experience there are a lot of

740

00:35:51,740 --> 00:35:46,980

groups that you can come forward and you

741

00:35:54,500 --> 00:35:51,750

can speak to and oftentimes you'll have

742

00:35:55,910 --> 00:35:54,510

a non-judgmental listener who will

743

00:35:58,609 --> 00:35:55,920

listen to you if you want an

744

00:36:03,500 --> 00:35:58,619

investigation you can get that to they

745

00:36:06,980 --> 00:36:03,510

simply don't have that kind of thing on

746

00:36:10,339 --> 00:36:06,990

a wide scale in Europe I have people

747

00:36:13,220 --> 00:36:10,349

from Europe who contact me and tell me

748

00:36:15,010 --> 00:36:13,230

about their experiences and so they're

749

00:36:19,609 --> 00:36:15,020

going to people in the United States

750

00:36:23,390 --> 00:36:19,619

that may be changing because the mutual

751
00:36:26,809 --> 00:36:23,400
UFO network is expanding and there are

752
00:36:29,450 --> 00:36:26,819
chapters in many countries around the

753
00:36:31,430 --> 00:36:29,460
world now they're still very small and

754
00:36:34,609 --> 00:36:31,440
you know they've just formed and they're

755
00:36:39,079 --> 00:36:34,619
in the process of growing but in

756
00:36:42,890 --> 00:36:39,089
Australia for example MUFON now has an

757
00:36:45,859 --> 00:36:42,900
abduction research team who and that is

758
00:36:49,819 --> 00:36:45,869
connected to our the one in the United

759
00:36:52,069 --> 00:36:49,829
States as well and you know as it

760
00:36:55,130 --> 00:36:52,079
expands there will be more opportunity

761
00:36:57,890 --> 00:36:55,140
for people to report these sorts of

762
00:37:00,859 --> 00:36:57,900
things as well but for the most part

763
00:37:02,960 --> 00:37:00,869

they're there they're making the reports

764

00:37:06,049 --> 00:37:02,970

but they're making them to us and and

765

00:37:08,539 --> 00:37:06,059

not on as wide a scale as we're

766

00:37:09,109 --> 00:37:08,549

receiving them from people in the United

767

00:37:16,789 --> 00:37:09,119

States

768

00:37:18,799 --> 00:37:16,799

I see Stan you you talk a lot about you

769

00:37:21,200 --> 00:37:18,809

know the flying saucers and UFOs and

770

00:37:23,180 --> 00:37:21,210

stuff like that you don't hear you

771

00:37:27,740 --> 00:37:23,190

talking a whole lot about abductions I

772

00:37:30,680 --> 00:37:27,750

mean a little bit you do and the thought

773

00:37:31,930 --> 00:37:30,690

just came to me in your field or

774

00:37:35,839 --> 00:37:31,940

whatever have you been ridiculed

775

00:37:37,400 --> 00:37:35,849

yourself from when people say oh you

776

00:37:38,960 --> 00:37:37,410

know you're a scientists and you're

777

00:37:41,710 --> 00:37:38,970

talking about UFOs so do they give you

778

00:37:45,289 --> 00:37:41,720

trouble about that and and what about

779

00:37:47,780 --> 00:37:45,299

abductions okay about abductions as you

780

00:37:50,450 --> 00:37:47,790

know I'm listed as a co-author with

781

00:37:52,280 --> 00:37:50,460

Kathy on the book I captured mm-hmm the

782

00:37:55,100 --> 00:37:52,290

Betty and Barney Hill UFO experience

783

00:37:57,170 --> 00:37:55,110

85% of work so I'm listed is the way I

784

00:37:59,720 --> 00:37:57,180

put it I wrote the chapter I was the

785

00:38:02,390 --> 00:37:59,730

first to publish about the starmap work

786

00:38:04,910 --> 00:38:02,400

Marjorie fishes were which i think is

787

00:38:06,200 --> 00:38:04,920

very important order and I was just

788

00:38:08,630 --> 00:38:06,210

reading a lot of the people who's going

789

00:38:11,720 --> 00:38:08,640

to be presenting here said Marjorie

790

00:38:14,780 --> 00:38:11,730

built a model of the local neighborhood

791

00:38:17,420 --> 00:38:14,790

she built more than 20 models of the

792

00:38:19,640 --> 00:38:17,430

local neighborhood with stars getting

793

00:38:21,620 --> 00:38:19,650

rid of stars as people were saying that

794

00:38:25,010 --> 00:38:21,630

kind of star won't have planets and so

795

00:38:28,310 --> 00:38:25,020

forth and so on not based on her whimsy

796

00:38:31,970 --> 00:38:28,320

but on what the scientific community was

797

00:38:34,340 --> 00:38:31,980

saying and so I think she did a splendid

798

00:38:37,160 --> 00:38:34,350

job and I was glad that afro which we've

799

00:38:39,260 --> 00:38:37,170

mentioned before contacted me to see if

800

00:38:42,920 --> 00:38:39,270

I would help Marjorie who wanted to talk

801
00:38:45,620 --> 00:38:42,930
to a scientist and they had a back row

802
00:38:49,790 --> 00:38:45,630
know she can trust me Cora Lorensen you

803
00:38:52,130 --> 00:38:49,800
know and I met with Marjorie and went

804
00:38:54,050 --> 00:38:52,140
with her to Chicago I talked to dr. J

805
00:38:56,810 --> 00:38:54,060
Allen Hynek there and and so forth and

806
00:38:59,590 --> 00:38:56,820
she's in the movie so I'm interested in

807
00:39:02,510 --> 00:38:59,600
abductions and if I can provide

808
00:39:04,610 --> 00:39:02,520
something useful I will try to do it I

809
00:39:07,460 --> 00:39:04,620
don't consider myself basically an

810
00:39:10,130 --> 00:39:07,470
abduction researcher I'll tell you I

811
00:39:11,780 --> 00:39:10,140
took a course in hypnosis hoping to help

812
00:39:15,260 --> 00:39:11,790
my son with his hemophilia that

813
00:39:17,240 --> 00:39:15,270

controlled bleeding and because it's

814

00:39:21,820 --> 00:39:17,250

been used for that purpose hypnosis has

815

00:39:25,280 --> 00:39:21,830

but during one of the sessions the

816

00:39:30,680 --> 00:39:25,290

instructor took a woman back regressed

817

00:39:33,200 --> 00:39:30,690

her she was maybe 30 to 20 15 10 down to

818

00:39:35,600 --> 00:39:33,210

her eighth birthday thinking that would

819

00:39:37,520 --> 00:39:35,610

be a safe time to talk about and her

820

00:39:40,490 --> 00:39:37,530

voice was changing as she went back in

821

00:39:42,440 --> 00:39:40,500

these age changes you know and as soon

822

00:39:46,640 --> 00:39:42,450

as it was her eighth birthday she burst

823

00:39:48,890 --> 00:39:46,650

into tears a strong emotional reaction

824

00:39:51,800 --> 00:39:48,900

turned out her father had died on a race

825

00:39:54,200 --> 00:39:51,810

birthday and I was so glad that that

826

00:39:57,890 --> 00:39:54,210

Professor was there a teacher of the

827

00:40:00,200 --> 00:39:57,900

class to calm her down keep things under

828

00:40:02,060 --> 00:40:00,210

control because I recognize this is

829

00:40:04,980 --> 00:40:02,070

something you better have somebody who's

830

00:40:08,370 --> 00:40:04,990

very sharp involved with

831

00:40:11,010 --> 00:40:08,380

and the beauty of the hill story is dr.

832

00:40:14,490 --> 00:40:11,020

Benjamin Simon on I didn't know anything

833

00:40:16,859 --> 00:40:14,500

about flying saucers but he know a great

834

00:40:21,329 --> 00:40:16,869

deal about post-traumatic stress

835

00:40:25,410 --> 00:40:21,339

disorder and he ran a hospital for three

836

00:40:29,190 --> 00:40:25,420

thousand a military hospital after World

837

00:40:31,530 --> 00:40:29,200

War two three thousand beds for people

838

00:40:33,660 --> 00:40:31,540

who came back with what today it was

839

00:40:37,200 --> 00:40:33,670

shell-shocked back then but what we do

840

00:40:39,299 --> 00:40:37,210

today would call PTSD and so I was very

841

00:40:42,540 --> 00:40:39,309

impressed with dr. Simon's saying in

842

00:40:44,520 --> 00:40:42,550

writing that the emotional intensity as

843

00:40:47,130 --> 00:40:44,530

they relive their experience was every

844

00:40:49,079 --> 00:40:47,140

bit as powerful as that of the veterans

845

00:40:50,730 --> 00:40:49,089

that he had worked with you know your

846

00:40:52,920 --> 00:40:50,740

buddy's head gets blown off next to you

847

00:40:57,120 --> 00:40:52,930

that's a little hard to reintegrate that

848

00:40:59,520 --> 00:40:57,130

kind of thing and so it was very

849

00:41:02,370 --> 00:40:59,530

important in that case that's the

850

00:41:04,680 --> 00:41:02,380

strongest part of the hill case is that

851

00:41:07,200 --> 00:41:04,690

the sessions were all conducted by dr.

852

00:41:08,730 --> 00:41:07,210

Benjamin Simon and you know some of the

853

00:41:12,900 --> 00:41:08,740

myths that's going around is like he

854

00:41:14,549 --> 00:41:12,910

there was one session and he hypnotized

855

00:41:16,650 --> 00:41:14,559

Betty and Barney together I've heard

856

00:41:18,660 --> 00:41:16,660

that that's nonsense they were each done

857

00:41:21,150 --> 00:41:18,670

separately they're each amnesia was

858

00:41:24,089 --> 00:41:21,160

induced after each session strong

859

00:41:26,160 --> 00:41:24,099

careful control by a scientist who

860

00:41:28,589 --> 00:41:26,170

really knew what he was doing the army

861

00:41:32,789 --> 00:41:28,599

made a movie let there be light starring

862

00:41:36,180 --> 00:41:32,799

dr. Simon showing how he helped the war

863

00:41:39,120 --> 00:41:36,190

veterans get back into society so to

864

00:41:41,190 --> 00:41:39,130

speaking and that's the most powerful thing

865

00:41:44,430 --> 00:41:41,200

about that case to me anyway I mean I'd

866

00:41:46,349 --> 00:41:44,440

met Betty and Barney fortunately I met

867

00:41:50,210 --> 00:41:46,359

Barney before he died I don't know how

868

00:41:54,359 --> 00:41:50,220

to meet after death some people do but

869

00:41:56,370 --> 00:41:54,369

but I was very impressed by that so I

870

00:41:58,440 --> 00:41:56,380

did go to that extent and as a matter of

871

00:42:01,740 --> 00:41:58,450

fact it was kind of strangers living in

872

00:42:03,569 --> 00:42:01,750

Pittsburgh and I've been on KDKA which

873

00:42:05,520 --> 00:42:03,579

is a big 50,000 watt Clear Channel

874

00:42:07,680 --> 00:42:05,530

station television and radio and so

875

00:42:12,059 --> 00:42:07,690

that's how I got my start going public

876

00:42:16,230 --> 00:42:12,069

gun on UFOs I did some shows several

877

00:42:18,450 --> 00:42:16,240

times they called to tell me that Betty

878

00:42:21,300 --> 00:42:18,460

and Barney were coming to town

879

00:42:22,620 --> 00:42:21,310

to do a television show and they let me

880

00:42:24,450 --> 00:42:22,630

know where they were staying

881

00:42:25,920 --> 00:42:24,460

that's very unusual the station's

882

00:42:27,930 --> 00:42:25,930

normally don't give out that kind of

883

00:42:29,750 --> 00:42:27,940

information so I was fortunate I had

884

00:42:32,640 --> 00:42:29,760

dinner with them just the three of us

885

00:42:35,520 --> 00:42:32,650

and that's when I had a chance to meet

886

00:42:38,339 --> 00:42:35,530

them talk to them listen see what I

887

00:42:40,050 --> 00:42:38,349

could how I would judge that and I was

888

00:42:42,030 --> 00:42:40,060

very favorably impressed and I was so

889

00:42:45,839 --> 00:42:42,040

glad for that opportunity because Marnie

890

00:42:48,599 --> 00:42:45,849

died a few months later so I'm not an

891

00:42:51,810 --> 00:42:48,609

abduction researcher do I get a hard

892

00:42:54,050 --> 00:42:51,820

time well I know that there are people

893

00:42:56,280 --> 00:42:54,060

who say bad things behind my back

894

00:42:57,870 --> 00:42:56,290

somebody reported me today about

895

00:42:59,730 --> 00:42:57,880

somebody saying oh Friedman doesn't know

896

00:43:03,630 --> 00:42:59,740

what he was doing or he made that up for

897

00:43:05,880 --> 00:43:03,640

something like that but let's face it in

898

00:43:08,150 --> 00:43:05,890

over 700 lectures I've only had eleven

899

00:43:11,640 --> 00:43:08,160

hecklers and two of them were drunk

900

00:43:15,420 --> 00:43:11,650

maybe even more yeah when the audience

901
00:43:17,820 --> 00:43:15,430
took care of the rest of them so that I

902
00:43:20,130 --> 00:43:17,830
don't worry about it

903
00:43:22,440 --> 00:43:20,140
my basic rule is have facts in hand

904
00:43:24,390 --> 00:43:22,450
before putting mouth and gear and you

905
00:43:27,420 --> 00:43:24,400
know I've done debates formal debates

906
00:43:31,620 --> 00:43:27,430
hmm there's a DVD of me with James

907
00:43:34,740 --> 00:43:31,630
McGaha from here doing a debate at a

908
00:43:36,990 --> 00:43:34,750
university and I'd have anybody can look

909
00:43:38,579 --> 00:43:37,000
at that and see what make their own

910
00:43:40,710 --> 00:43:38,589
choice but I've debated on a

911
00:43:44,940 --> 00:43:40,720
coast-to-coast radio for example yeah

912
00:43:46,589 --> 00:43:44,950
and with Seth Shostak I got 57% of the

913
00:43:48,030 --> 00:43:46,599

vote he got 33 percent and 10 percent

914

00:43:50,520 --> 00:43:48,040

side I don't know

915

00:43:57,000 --> 00:43:50,530

let's stop running that went right here

916

00:43:58,910 --> 00:43:57,010

at at yeah at Shostak I just want to say

917

00:44:03,089 --> 00:43:58,920

something going back to your star map

918

00:44:04,500 --> 00:44:03,099

this star map yeah he said to me when I

919

00:44:06,359 --> 00:44:04,510

was talking to him one time that they

920

00:44:08,190 --> 00:44:06,369

actually pointed caddy toward that

921

00:44:11,970 --> 00:44:08,200

direction well yeah that was one of

922

00:44:14,520 --> 00:44:11,980

those crazy remarks what he said that

923

00:44:18,000 --> 00:44:14,530

they had listened with the radio

924

00:44:19,800 --> 00:44:18,010

telescope receiver so Zeta Reticuli and

925

00:44:20,790 --> 00:44:19,810

they didn't hear anything what he didn't

926

00:44:22,170 --> 00:44:20,800

add was of course we haven't heard

927

00:44:24,570 --> 00:44:22,180

anything from any place that we've

928

00:44:27,240 --> 00:44:24,580

listened to that's true hang on just one

929

00:44:29,720 --> 00:44:27,250

second Travis has to go so we just want

930

00:44:32,380 --> 00:44:29,730

to say goodbye to Travis

931

00:44:35,590 --> 00:44:32,390

okay it's been nice to be with y'all and

932

00:44:39,050 --> 00:44:35,600

it's been an interesting conversation

933

00:44:41,530 --> 00:44:39,060

bye don't forget the movie yeah the

934

00:44:43,850 --> 00:44:41,540

movie yes hey well then with that and

935

00:44:47,000 --> 00:44:43,860

Linda has to go to don't everyone leave

936

00:44:50,000 --> 00:44:47,010

I can't be here alone is that movie

937

00:44:53,530 --> 00:44:50,010

going to be available to the public yes

938

00:44:57,140 --> 00:44:53,540

we do have copies of that for sale here

939

00:45:01,570 --> 00:44:57,150

at my table and they'll also be

940

00:45:05,270 --> 00:45:01,580

available through on wings productions

941

00:45:06,590 --> 00:45:05,280

yes and Linda thank you so much and

942

00:45:08,140 --> 00:45:06,600

we're gonna have you on the show pretty

943

00:45:11,120 --> 00:45:08,150

soon I'll be getting in touch with you

944

00:45:17,330 --> 00:45:11,130

yes thank you it's wonderful being in

945

00:45:20,090 --> 00:45:17,340

the rarefied air of this UFO panel the

946

00:45:21,530 --> 00:45:20,100

air is very thin here and it was a

947

00:45:25,460 --> 00:45:21,540

pleasure and we'll speak again

948

00:45:26,960 --> 00:45:25,470

thank you Robert we haven't uh we've

949

00:45:31,280 --> 00:45:26,970

left you out of most of the conversation

950

00:45:33,140 --> 00:45:31,290

so I know that your book is on UFOs and

951
00:45:37,220 --> 00:45:33,150
have you ever looked into the this topic

952
00:45:40,400 --> 00:45:37,230
that we're on right now in regards to

953
00:45:43,580 --> 00:45:40,410
abductions yes I have in fact it's in

954
00:45:47,600 --> 00:45:43,590
it's in my book my science fiction book

955
00:45:49,700 --> 00:45:47,610
call not because I think it's fiction I

956
00:45:56,060 --> 00:45:49,710
happen to be very lucky I was lecturing

957
00:45:58,430 --> 00:45:56,070
down in Roswell in 2005 and Gloria

958
00:46:01,370 --> 00:45:58,440
Hawker was one of the speakers and she

959
00:46:03,050 --> 00:46:01,380
was an abductee and she needed a ride

960
00:46:05,240 --> 00:46:03,060
back to Albuquerque because that's why I

961
00:46:08,300 --> 00:46:05,250
was going back to catch my plane so I

962
00:46:10,490 --> 00:46:08,310
had two hours with her and I had a

963
00:46:12,260 --> 00:46:10,500

chance to pick her brain at the time I

964

00:46:15,010 --> 00:46:12,270

was in the middle of writing my second

965

00:46:18,170 --> 00:46:15,020

science fiction novel and I wanted to

966

00:46:21,980 --> 00:46:18,180

find out more about these implants

967

00:46:23,300 --> 00:46:21,990

because my character found out that it

968

00:46:24,590 --> 00:46:23,310

was determined that he had an implant

969

00:46:27,320 --> 00:46:24,600

and I want to know what they look like

970

00:46:30,650 --> 00:46:27,330

and things like that so so she gave me

971

00:46:33,140 --> 00:46:30,660

that information she also shared me

972

00:46:38,060 --> 00:46:33,150

might even be in a book which is called

973

00:46:42,680 --> 00:46:38,070

Morning Glory that she had polio when

974

00:46:43,670 --> 00:46:42,690

she was young and that she's now I don't

975

00:46:47,359 --> 00:46:43,680

know if she's old it's me

976
00:46:49,280 --> 00:46:47,369
getting there people who have had polio

977
00:46:51,819 --> 00:46:49,290
my sister had it too and she was young

978
00:46:54,680 --> 00:46:51,829
but people when they reach 60 or 70

979
00:46:56,660 --> 00:46:54,690
start getting reoccurrence of it and she

980
00:46:58,970 --> 00:46:56,670
was starting to have that problem and

981
00:47:02,480 --> 00:46:58,980
her daughter she recalls that she had to

982
00:47:04,400 --> 00:47:02,490
wear a brace and her daughter was

983
00:47:06,650 --> 00:47:04,410
getting married the next day and she

984
00:47:11,720 --> 00:47:06,660
happened to gay you get abducted that

985
00:47:15,290 --> 00:47:11,730
night and the the abductee questioner

986
00:47:18,049 --> 00:47:15,300
said Gloria you seemed very sad today

987
00:47:19,460 --> 00:47:18,059
why why what's what's wrong and she said

988
00:47:22,160 --> 00:47:19,470

well my daughters getting married

989

00:47:25,010 --> 00:47:22,170

tomorrow and I have to go down the aisle

990

00:47:26,599 --> 00:47:25,020

with this brace well the next morning

991

00:47:28,760 --> 00:47:26,609

she gets up normally she keeps the brace

992

00:47:30,230 --> 00:47:28,770

by the bed she gets up and she just

993

00:47:31,790 --> 00:47:30,240

walks out the door and forgets all about

994

00:47:34,670 --> 00:47:31,800

her brace and she doesn't need the brace

995

00:47:37,160 --> 00:47:34,680

anymore and I was talking to a lady next

996

00:47:39,799 --> 00:47:37,170

next to me at my table today she's also

997

00:47:42,829 --> 00:47:39,809

an abductee and she said that she knew

998

00:47:46,640 --> 00:47:42,839

several cases where people who have been

999

00:47:51,380 --> 00:47:46,650

abducted have been helped by that

1000

00:47:53,660 --> 00:47:51,390

process and maybe maybe unfortunately I

1001
00:47:56,150 --> 00:47:53,670
don't know if you can elaborate on that

1002
00:48:00,650 --> 00:47:56,160
you know other cases where people have

1003
00:48:07,849 --> 00:48:00,660
been helped by abductees yes I do in

1004
00:48:11,359 --> 00:48:07,859
fact yes by by a tease yes Barbara Lam

1005
00:48:15,160 --> 00:48:11,369
has quite a list of experiences that she

1006
00:48:19,190 --> 00:48:15,170
has worked with who she will talk about

1007
00:48:25,069 --> 00:48:19,200
have been healed and unaware of people

1008
00:48:30,980 --> 00:48:25,079
who have had really pernicious forms of

1009
00:48:35,030 --> 00:48:30,990
cancer where they have had an 80 contact

1010
00:48:39,109 --> 00:48:35,040
experience and been healed quite

1011
00:48:44,589 --> 00:48:39,119
remarkable that this happens yeah

1012
00:48:49,420 --> 00:48:44,599
Kathy and I I may call you Kathy yeah I

1013
00:48:52,309 --> 00:48:49,430

was I was up at the experimenter speak in

1014

00:48:55,520 --> 00:48:52,319

Gorham Maine was held three years ago or

1015

00:48:57,140 --> 00:48:55,530

so and I believe you talked about your

1016

00:48:57,530 --> 00:48:57,150

own experience is that something you'd

1017

00:49:01,040 --> 00:48:57,540

be will

1018

00:49:04,040 --> 00:49:01,050

to talk about on the show yes and and

1019

00:49:06,590 --> 00:49:04,050

actually that was last September was it

1020

00:49:09,800 --> 00:49:06,600

last it was just last September that I

1021

00:49:12,170 --> 00:49:09,810

ever I mean let me let me let me just

1022

00:49:13,790 --> 00:49:12,180

say did you sort of hint at it before

1023

00:49:15,850 --> 00:49:13,800

because they're not going to tell you

1024

00:49:18,080 --> 00:49:15,860

why because I was up there and they said

1025

00:49:21,470 --> 00:49:18,090

some people came out and they said I

1026

00:49:24,230 --> 00:49:21,480

think Kathy Martin has been abducted

1027

00:49:27,140 --> 00:49:24,240

this was in Gorham three years must be

1028

00:49:30,290 --> 00:49:27,150

something that I said you wanted answers

1029

00:49:35,060 --> 00:49:30,300

we've but I I have never spoken publicly

1030

00:49:38,300 --> 00:49:35,070

okay about this all right until last

1031

00:49:40,130 --> 00:49:38,310

September okay and I mentioned it for

1032

00:49:41,900 --> 00:49:40,140

the first time on a radio show a couple

1033

00:49:43,430 --> 00:49:41,910

of weeks ago so I'm not breaking this

1034

00:49:49,640 --> 00:49:43,440

for the first time not for the first

1035

00:49:52,280 --> 00:49:49,650

okay oh he got me again okay so can you

1036

00:49:53,960 --> 00:49:52,290

can you tell us what what your

1037

00:49:57,950 --> 00:49:53,970

experience yes well this has been very

1038

00:50:02,140 --> 00:49:57,960

perplexing and you might know this about

1039

00:50:05,030 --> 00:50:02,150

me but I'm a natural skeptic and it's

1040

00:50:09,290 --> 00:50:05,040

been very difficult for me to even

1041

00:50:12,860 --> 00:50:09,300

convince myself that this was real even

1042

00:50:15,230 --> 00:50:12,870

though there were witnesses there was

1043

00:50:18,440 --> 00:50:15,240

another person with me well at the time

1044

00:50:20,360 --> 00:50:18,450

I've always attempted to find some kind

1045

00:50:23,240 --> 00:50:20,370

of rational explanation

1046

00:50:25,070 --> 00:50:23,250

it wouldn't be Denise know it was my

1047

00:50:29,810 --> 00:50:25,080

mother your mother and this dates back

1048

00:50:33,530 --> 00:50:29,820

to 1966 oh wow and what happened is that

1049

00:50:36,800 --> 00:50:33,540

my Aunt Betty Hill was taking part in

1050

00:50:39,260 --> 00:50:36,810

what they could scientific team called a

1051
00:50:42,380 --> 00:50:39,270
psycho physics experiment it was really

1052
00:50:47,060 --> 00:50:42,390
a ce-5 experiment to try to call in a

1053
00:50:50,300 --> 00:50:47,070
craft and they actually gave her script

1054
00:50:52,820 --> 00:50:50,310
and she at the same time every night

1055
00:50:57,290 --> 00:50:52,830
would attempt to send a telepathic

1056
00:51:00,410 --> 00:50:57,300
message to the ETS who had taken her to

1057
00:51:03,110 --> 00:51:00,420
ask them to show themselves in a certain

1058
00:51:06,620 --> 00:51:03,120
location or to land in a certain

1059
00:51:10,400 --> 00:51:06,630
location and so one of those locations

1060
00:51:10,880 --> 00:51:10,410
was my grandparents farm now I didn't

1061
00:51:13,519 --> 00:51:10,890
know this

1062
00:51:15,500 --> 00:51:13,529
going on at the time the family hadn't

1063
00:51:17,509 --> 00:51:15,510

told me you had no idea that I had no

1064

00:51:19,220 --> 00:51:17,519

idea this was that Maddie was doing this

1065

00:51:23,000 --> 00:51:19,230

experiment mm-hmm

1066

00:51:28,279 --> 00:51:23,010

but I grew up across the street from my

1067

00:51:35,690 --> 00:51:28,289

grandparents farm and in 1966 April of

1068

00:51:37,549 --> 00:51:35,700

66 there was a landing and one of our

1069

00:51:41,450 --> 00:51:37,559

neighbors who was a commercial pilot

1070

00:51:44,420 --> 00:51:41,460

returning home from work saw the UFO

1071

00:51:48,109 --> 00:51:44,430

coming down and two-on-two my

1072

00:51:50,930 --> 00:51:48,119

grandparents land it woke my grandmother

1073

00:51:54,019 --> 00:51:50,940

up and she looked out the window and saw

1074

00:51:56,690 --> 00:51:54,029

it coming in she was terribly frightened

1075

00:52:03,170 --> 00:51:56,700

at that point she woke my grandfather up

1076
00:52:10,220 --> 00:52:03,180
and he also saw it and that was about it

1077
00:52:13,190 --> 00:52:10,230
they heard knocks on the door they're

1078
00:52:16,069 --> 00:52:13,200
polite then like yeah well what Betty

1079
00:52:19,809 --> 00:52:16,079
has said was knock on the door and

1080
00:52:24,019 --> 00:52:19,819
you'll be invited in and my grandmother

1081
00:52:27,170 --> 00:52:24,029
remembered that part of it it wanted

1082
00:52:29,599 --> 00:52:27,180
nothing to do with it at that time well

1083
00:52:34,640 --> 00:52:29,609
in in the years that I would discuss

1084
00:52:39,109 --> 00:52:34,650
that with Betty I would say to her why

1085
00:52:40,880 --> 00:52:39,119
do you think they landed and now why

1086
00:52:42,980 --> 00:52:40,890
would they just come in and land and and

1087
00:52:47,150 --> 00:52:42,990
they left physical trace evidence on the

1088
00:52:49,430 --> 00:52:47,160

ground they sheared off some trees trees

1089

00:52:54,499 --> 00:52:49,440

were sort of splayed out in a circle

1090

00:52:57,620 --> 00:52:54,509

well around where this came in there the

1091

00:52:59,329 --> 00:52:57,630

the bark was curled on the trees they

1092

00:53:03,650 --> 00:52:59,339

were shared some of them were sheared up

1093

00:53:05,210 --> 00:53:03,660

and so I said you know you don't think

1094

00:53:10,640 --> 00:53:05,220

they were just setting down for a coffee

1095

00:53:13,430 --> 00:53:10,650

break do you what was going on and I was

1096

00:53:16,279 --> 00:53:13,440

so curious because at some point and I

1097

00:53:19,579 --> 00:53:16,289

knew that my mother and I had had the

1098

00:53:23,150 --> 00:53:19,589

same memory of finding ourselves on a

1099

00:53:24,140 --> 00:53:23,160

craft I was on a table on an examining

1100

00:53:25,940 --> 00:53:24,150

table

1101
00:53:28,460 --> 00:53:25,950
undergoing this exam which was

1102
00:53:31,910 --> 00:53:28,470
horrifying to me something else I'd

1103
00:53:34,579 --> 00:53:31,920
never put together - is that in that

1104
00:53:37,160 --> 00:53:34,589
same time frame we started to have

1105
00:53:41,569 --> 00:53:37,170
paranormal experiences in my childhood

1106
00:53:45,250 --> 00:53:41,579
home light orbs that appeared to be

1107
00:53:50,059 --> 00:53:45,260
intelligently controlled moving around

1108
00:53:53,269 --> 00:53:50,069
also poltergeist type activity and we

1109
00:53:56,809 --> 00:53:53,279
had never had that in the home before

1110
00:54:00,319 --> 00:53:56,819
that point and so after years of

1111
00:54:05,240 --> 00:54:00,329
research I finally put all of this

1112
00:54:08,210 --> 00:54:05,250
together in my 2012 questionnaire but my

1113
00:54:12,309 --> 00:54:08,220

commonalities study which you can read

1114

00:54:16,519 --> 00:54:12,319

on my website at Kathleen - Mardon

1115

00:54:20,269 --> 00:54:16,529

dot-com and it's also I talked about it

1116

00:54:24,559 --> 00:54:20,279

in the book that Denise and stoner and I

1117

00:54:26,450 --> 00:54:24,569

did the alien abduction files I found

1118

00:54:31,190 --> 00:54:26,460

out that I had all of these

1119

00:54:33,019 --> 00:54:31,200

commonalities that Denise had and I had

1120

00:54:35,720 --> 00:54:33,029

you know I had memories I had missing

1121

00:54:40,039 --> 00:54:35,730

time at one point when I was riding in a

1122

00:54:42,260 --> 00:54:40,049

vehicle and wanted just to write it off

1123

00:54:44,750 --> 00:54:42,270

as being something else I never wanted

1124

00:54:47,210 --> 00:54:44,760

because I have to say I was in denial

1125

00:54:51,230 --> 00:54:47,220

but at the same time I was suffering

1126
00:54:55,010 --> 00:54:51,240
trauma after some of these experiences

1127
00:54:58,039 --> 00:54:55,020
where I wasn't able to fall asleep at

1128
00:55:00,349 --> 00:54:58,049
night I felt fearful I had the classic

1129
00:55:01,970 --> 00:55:00,359
symptoms but I was always trying to

1130
00:55:04,640 --> 00:55:01,980
explain it as something else

1131
00:55:09,289 --> 00:55:04,650
mm-hmm and finally I came to the point

1132
00:55:12,490 --> 00:55:09,299
where I said no I I can't deny this any

1133
00:55:16,039 --> 00:55:12,500
longer my mother and I had this memory

1134
00:55:19,039 --> 00:55:16,049
you know these things did happen in my

1135
00:55:21,740 --> 00:55:19,049
life I talked to other family members

1136
00:55:24,410 --> 00:55:21,750
who told me they also had real these

1137
00:55:26,269 --> 00:55:24,420
memories so it's really every part of

1138
00:55:30,470 --> 00:55:26,279

your family then that mean your aren't

1139

00:55:32,750 --> 00:55:30,480

to begin to begin with her or earlier

1140

00:55:37,359 --> 00:55:32,760

would you say probably to begin with
