

1
00:00:04,160 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:05,360 --> 00:00:04,170
triangle you know there's explanation

3
00:00:07,309 --> 00:00:05,370
for everything that occurred in the

4
00:00:09,799 --> 00:00:07,319
rendlesham forest incident that doesn't

5
00:00:13,190 --> 00:00:09,809
involve aliens at all it was completely

6
00:00:16,039 --> 00:00:13,200
silent it comes right over our head it's

7
00:00:17,630 --> 00:00:16,049
so a classic flying-saucer really

8
00:00:19,400 --> 00:00:17,640
standing in the clearing he turned over

9
00:00:20,779 --> 00:00:19,410
to my father and held his hand and he

10
00:00:27,380 --> 00:00:20,789
looked in his eyes and said we're not

11
00:00:30,290 --> 00:00:27,390
alone welcome to Podcast UFO for our

12
00:00:32,510 --> 00:00:30,300
live show we're live every wednesday at

13
00:00:34,760 --> 00:00:32,520

eight pm eastern standard time on the

14

00:00:36,760 --> 00:00:34,770

Dark Matter radio network please

15

00:00:40,760 --> 00:00:36,770

remember to visit the website podcast

16

00:00:43,250 --> 00:00:40,770

UFO calm for past episodes blogs and

17

00:00:45,290 --> 00:00:43,260

forums during the show feel free to

18

00:00:47,720 --> 00:00:45,300

participate live in our chat room and

19

00:00:51,590 --> 00:00:47,730

don't forget to Like us on our very

20

00:00:53,840 --> 00:00:51,600

active Facebook page hello everyone this

21

00:00:57,889 --> 00:00:53,850

is Martin Willis your host and I'm back

22

00:01:00,680 --> 00:00:57,899

in the snowy mountaintop in Maine and we

23

00:01:02,990 --> 00:01:00,690

have a couple of guests tonight first

24

00:01:05,870 --> 00:01:03,000

are we have some know who I met out in

25

00:01:07,490 --> 00:01:05,880

Phoenix her name is Lori Hines she's an

26

00:01:09,800 --> 00:01:07,500

author and she's going to be talking

27

00:01:12,710 --> 00:01:09,810

about the Native American culture and

28

00:01:14,929 --> 00:01:12,720

the star people and some ancient times

29

00:01:16,580 --> 00:01:14,939

as well I never really touched on this

30

00:01:19,070 --> 00:01:16,590

subject so it should be interesting and

31

00:01:22,969 --> 00:01:19,080

we have Stephen Bassett is going to be

32

00:01:25,030 --> 00:01:22,979

in our two before Lori we have alejandro

33

00:01:28,539 --> 00:01:25,040

rojas coming right up from open minds

34

00:01:31,330 --> 00:01:28,549

radio he's going to be sharing the UFO

35

00:01:34,160 --> 00:01:31,340

conference information that we just had

36

00:01:36,020 --> 00:01:34,170

last week it was really exciting and we

37

00:01:38,090 --> 00:01:36,030

were going to be chatting back and forth

38

00:01:40,910 --> 00:01:38,100

about that no UFO news he hasn't even

39

00:01:42,440 --> 00:01:40,920

had time to take a look well don't

40

00:01:44,359 --> 00:01:42,450

forget we have new t-shirts on our

41

00:01:47,179 --> 00:01:44,369

website and you know what I found out

42

00:01:50,539 --> 00:01:47,189

they're not real popular so I'm going to

43

00:01:53,149 --> 00:01:50,549

have new graphics done and it must be

44

00:01:54,230 --> 00:01:53,159

that I can't understand why else people

45

00:01:56,800 --> 00:01:54,240

aren't really buying them only

46

00:01:59,179 --> 00:01:56,810

supporters bought them out at the

47

00:02:01,940 --> 00:01:59,189

listeners bought them out in Phoenix and

48

00:02:03,260 --> 00:02:01,950

no one else so that kind of says that

49

00:02:05,359 --> 00:02:03,270

they're not all that good and I

50

00:02:07,910 --> 00:02:05,369

apologize for that I think they're good

51
00:02:09,800 --> 00:02:07,920
anyway so speaking of that I'm going to

52
00:02:12,470 --> 00:02:09,810
draw a name out of the ten-dollar

53
00:02:13,940 --> 00:02:12,480
supporters for a free t-shirt that you

54
00:02:19,420 --> 00:02:13,950
probably won't like so

55
00:02:23,180 --> 00:02:19,430
hang on just a minute and here we have

56
00:02:26,509 --> 00:02:23,190
Gary Oliver a ten-dollar supporter who

57
00:02:29,720 --> 00:02:26,519
wins a t-shirt I hope you like it Gary

58
00:02:33,080 --> 00:02:29,730
and I guess that's it for now and we

59
00:02:36,110 --> 00:02:33,090
have alejandro how are you I'm still

60
00:02:39,020 --> 00:02:36,120
tired I bet you who are you you did a

61
00:02:42,320 --> 00:02:39,030
beautiful job and you're a hard worker

62
00:02:43,970 --> 00:02:42,330
and it went off without a hitch when I

63
00:02:46,030 --> 00:02:43,980

was there I don't know what happened it

64

00:02:49,520 --> 00:02:46,040

must have fallen apart after I left

65

00:02:51,800 --> 00:02:49,530

luckily it did not although I'm always I

66

00:02:55,490 --> 00:02:51,810

during the conference I'm always

67

00:02:58,220 --> 00:02:55,500

stressed and thinking about you know the

68

00:03:00,080 --> 00:02:58,230

next day the next few speakers making

69

00:03:03,229 --> 00:03:00,090

sure we've got there we've checked their

70

00:03:05,539 --> 00:03:03,239

PowerPoint everything's working where

71

00:03:07,910 --> 00:03:05,549

are they I need to get them we need to

72

00:03:10,400 --> 00:03:07,920

check everything you know what are their

73

00:03:13,699 --> 00:03:10,410

what are their needs and so it's so

74

00:03:16,490 --> 00:03:13,709

hectic and you're just living cut a

75

00:03:19,940 --> 00:03:16,500

moment by moment and then just popping

76
00:03:23,000 --> 00:03:19,950
on the stage and introducing or hosting

77
00:03:24,920 --> 00:03:23,010
a panel so it's just like so stressful

78
00:03:28,610 --> 00:03:24,930
and running around and everything that

79
00:03:30,650 --> 00:03:28,620
it man it really saps you so even though

80
00:03:34,250 --> 00:03:30,660
I took the last two days off slept most

81
00:03:37,550 --> 00:03:34,260
of Monday just kind of in bed watching

82
00:03:42,650 --> 00:03:37,560
american horror story whenever I woke up

83
00:03:44,150 --> 00:03:42,660
and and so now it's like I've this is my

84
00:03:46,370 --> 00:03:44,160
first day back to the office and I'm

85
00:03:49,629 --> 00:03:46,380
still just so tired and my throat is

86
00:03:53,180 --> 00:03:49,639
still hurting but you know what luckily

87
00:03:56,090 --> 00:03:53,190
even after you left even without your

88
00:03:59,900 --> 00:03:56,100

wonderful moral support everything went

89

00:04:03,110 --> 00:03:59,910

very smoothly bob lazar luckily actually

90

00:04:05,300 --> 00:04:03,120

did show up and we were worried about

91

00:04:07,610 --> 00:04:05,310

that yeah and that all went very

92

00:04:10,970 --> 00:04:07,620

smoothly we were able to keep the public

93

00:04:14,839 --> 00:04:10,980

at bay and whisk him in and out and

94

00:04:16,520 --> 00:04:14,849

everything went well yes uh well yeah I

95

00:04:17,960 --> 00:04:16,530

want to talk a little bit about Lazar

96

00:04:19,759 --> 00:04:17,970

unfortunately I missed it while I was

97

00:04:22,250 --> 00:04:19,769

out there and you know some of the I

98

00:04:24,710 --> 00:04:22,260

gotta tell the the listening audience

99

00:04:27,860 --> 00:04:24,720

the highlights when I was out there for

100

00:04:29,540 --> 00:04:27,870

me was the listeners that came up

101
00:04:32,060 --> 00:04:29,550
and talk to me i had such a blast with

102
00:04:34,700 --> 00:04:32,070
all them and speaking of listeners i

103
00:04:37,939 --> 00:04:34,710
want to talk about sprog Sprague Ryan

104
00:04:41,810 --> 00:04:37,949
Sprague spray guy [h__h] bra goo because

105
00:04:44,060 --> 00:04:41,820
his room is kind of spelt like ragu with

106
00:04:46,400 --> 00:04:44,070
SP at the beginning yes I like to come

107
00:04:49,189 --> 00:04:46,410
Spragg ooh what what I gotta tell you

108
00:04:52,909 --> 00:04:49,199
what a gentleman what a nice guy he's

109
00:04:54,620 --> 00:04:52,919
awesome he is he just he was just such a

110
00:04:56,510 --> 00:04:54,630
pleasure to hang with I really really

111
00:04:58,969 --> 00:04:56,520
enjoyed him I did get to spend a little

112
00:05:00,860 --> 00:04:58,979
time with Charlie faults and what

113
00:05:03,260 --> 00:05:00,870

another nice guy he is I mean I

114

00:05:06,170 --> 00:05:03,270

forgotten what a nice gentleman he was

115

00:05:08,390 --> 00:05:06,180

and he did a great presentation he did

116

00:05:10,370 --> 00:05:08,400

his presentation was one of my favorites

117

00:05:12,290 --> 00:05:10,380

I think that's a highlight because I

118

00:05:15,800 --> 00:05:12,300

think their case is so important and so

119

00:05:17,860 --> 00:05:15,810

great in fact you know luckily we were

120

00:05:21,409 --> 00:05:17,870

able to get some video interviews with

121

00:05:24,110 --> 00:05:21,419

Jim wiener and Jack Weiner the twin

122

00:05:26,570 --> 00:05:24,120

brothers who were with him we integrated

123

00:05:28,790 --> 00:05:26,580

some of that into his talk but I have

124

00:05:31,250 --> 00:05:28,800

these hour long interviews where on my

125

00:05:34,159 --> 00:05:31,260

show I'm going to play those because

126

00:05:37,640 --> 00:05:34,169

Jack who we never hear from writes a

127

00:05:39,469 --> 00:05:37,650

really fun interesting guy and they all

128

00:05:43,100 --> 00:05:39,479

are they're just really salt of the

129

00:05:45,110 --> 00:05:43,110

earth honest regular guys and so I'm so

130

00:05:46,640 --> 00:05:45,120

excited that I'm really going to we're

131

00:05:49,430 --> 00:05:46,650

going to make a video we did more

132

00:05:51,680 --> 00:05:49,440

interviewing with Chuck bolts I want to

133

00:05:53,779 --> 00:05:51,690

really focus on this case because I want

134

00:05:56,870 --> 00:05:53,789

to bring it back and make it one of the

135

00:05:59,659 --> 00:05:56,880

primary abduction cases because it does

136

00:06:01,850 --> 00:05:59,669

rank up there with betty hill and Travis

137

00:06:04,310 --> 00:06:01,860

Walton you know I think this is an

138

00:06:06,710 --> 00:06:04,320

amazing case and so I'm going to

139

00:06:09,860 --> 00:06:06,720

continue to make a big deal out of it

140

00:06:12,320 --> 00:06:09,870

because it's it's just an incredible

141

00:06:14,480 --> 00:06:12,330

it's so mind-boggling well you have my

142

00:06:15,980 --> 00:06:14,490

support on that you know not just

143

00:06:18,860 --> 00:06:15,990

because I live here and Maine were to

144

00:06:21,560 --> 00:06:18,870

happened but because I just really

145

00:06:24,200 --> 00:06:21,570

believe in it also it's to me it's one

146

00:06:25,969 --> 00:06:24,210

of the the most solid ones and i think i

147

00:06:28,040 --> 00:06:25,979

mentioned that two or three times last

148

00:06:29,240 --> 00:06:28,050

week and hey for the listener who's

149

00:06:32,689 --> 00:06:29,250

listening also you can go to the website

150

00:06:35,629 --> 00:06:32,699

podcast UFO calm and you can see the

151
00:06:38,360 --> 00:06:35,639
video that was taken well behind the

152
00:06:40,730 --> 00:06:38,370
scenes about an hour of that podcast is

153
00:06:41,629 --> 00:06:40,740
on video on our homepage i'm going to

154
00:06:43,760 --> 00:06:41,639
leave it up there

155
00:06:47,239 --> 00:06:43,770
I want to talk about bob lazar i miss

156
00:06:51,290 --> 00:06:47,249
bob lazar but last I spoke during our

157
00:06:53,989 --> 00:06:51,300
podcast with Stan Friedman he said that

158
00:06:55,969 --> 00:06:53,999
he was going to actually bring up a few

159
00:07:00,050 --> 00:06:55,979
things during the Q&A and I just wonder

160
00:07:03,860 --> 00:07:00,060
did that happen no and and it's because

161
00:07:07,010 --> 00:07:03,870
there was the QA was only George and Bob

162
00:07:11,390 --> 00:07:07,020
and that was the deal that deal was we

163
00:07:14,260 --> 00:07:11,400

whisk in Bob George gets all of the

164

00:07:17,089 --> 00:07:14,270

questions in written form from the

165

00:07:19,580 --> 00:07:17,099

people at the conference and he asks the

166

00:07:22,820 --> 00:07:19,590

questions we actually didn't have too

167

00:07:26,149 --> 00:07:22,830

many submitted but of those several of

168

00:07:27,980 --> 00:07:26,159

them were from Stanton Friedman I was so

169

00:07:30,769 --> 00:07:27,990

busy doing this in that and especially

170

00:07:33,260 --> 00:07:30,779

during George's talk or getting ready

171

00:07:34,879 --> 00:07:33,270

for Bob Lazar and then you know I

172

00:07:38,390 --> 00:07:34,889

promised and this was a kind of funny

173

00:07:40,640 --> 00:07:38,400

behind-the-scenes for people I promised

174

00:07:43,399 --> 00:07:40,650

Bob and it was the big deal and you know

175

00:07:46,119 --> 00:07:43,409

lots of back and forth to get him in

176

00:07:49,129 --> 00:07:46,129

quietly and get him out quietly

177

00:07:53,119 --> 00:07:49,139

unmolested by or not having to interact

178

00:07:55,309 --> 00:07:53,129

with anybody with taking selfies or

179

00:07:59,089 --> 00:07:55,319

anything like that I told him that's

180

00:08:01,010 --> 00:07:59,099

what we would do and that if afterwards

181

00:08:02,959 --> 00:08:01,020

he decided you know he felt good about

182

00:08:04,850 --> 00:08:02,969

it and wanted to do some interacting he

183

00:08:07,579 --> 00:08:04,860

could do that if he wanted to but he

184

00:08:08,929 --> 00:08:07,589

didn't feel like that but it was behind

185

00:08:10,639 --> 00:08:08,939

the scenes luckily it went really

186

00:08:13,159 --> 00:08:10,649

smoothly because we came up with this

187

00:08:16,550 --> 00:08:13,169

plan on how to sneak him back there and

188

00:08:18,350 --> 00:08:16,560

get him the only people that I kind of

189

00:08:21,110 --> 00:08:18,360

had to strong arm and push out of the

190

00:08:23,809 --> 00:08:21,120

room and get out of there were speakers

191

00:08:27,019 --> 00:08:23,819

because some of the speakers snuck back

192

00:08:29,659 --> 00:08:27,029

and I won't say who one in particular

193

00:08:32,029 --> 00:08:29,669

was really upset with me for screwing up

194

00:08:35,449 --> 00:08:32,039

his selfie but I grabbed his phone and

195

00:08:37,850 --> 00:08:35,459

put it in his jacket and say yeah and he

196

00:08:40,339 --> 00:08:37,860

got really mad at me I think he's over

197

00:08:43,069 --> 00:08:40,349

it but one of the pictures made facebook

198

00:08:44,720 --> 00:08:43,079

by the way yeah there are yeah I know

199

00:08:47,240 --> 00:08:44,730

there were a couple backstage because

200

00:08:49,040 --> 00:08:47,250

then I had to yell at the crew hey quit

201
00:08:50,480 --> 00:08:49,050
taking selfies and screwing around we

202
00:08:53,870 --> 00:08:50,490
need to get this ready because I'm just

203
00:08:55,190 --> 00:08:53,880
you know in conference mode we got to

204
00:08:56,600 --> 00:08:55,200
get this going we

205
00:08:59,600 --> 00:08:56,610
I think check everything and get it

206
00:09:01,460 --> 00:08:59,610
rolling everybody so twitterpated that

207
00:09:03,470 --> 00:09:01,470
they're like okay did already George

208
00:09:07,340 --> 00:09:03,480
doesn't even have a microphone Bob's

209
00:09:10,400 --> 00:09:07,350
microphone is hanging by his leg so I'm

210
00:09:12,790 --> 00:09:10,410
like what the hell are you guys doing so

211
00:09:15,170 --> 00:09:12,800
it was a real you know just kind of a

212
00:09:16,910 --> 00:09:15,180
mess back there but luckily we got it

213
00:09:19,340 --> 00:09:16,920

all straightened out we got them on the

214

00:09:22,070 --> 00:09:19,350

stage we got them out and of course then

215

00:09:24,410 --> 00:09:22,080

everybody comes rushing to come back to

216

00:09:27,170 --> 00:09:24,420

meet him and I'm like sorry guys he's

217

00:09:29,570 --> 00:09:27,180

already on the road and out of here so

218

00:09:31,640 --> 00:09:29,580

he just wanted it that way and and

219

00:09:34,250 --> 00:09:31,650

that's what I guaranteed him so sorry to

220

00:09:36,130 --> 00:09:34,260

the speakers or two people who came back

221

00:09:38,810 --> 00:09:36,140

and wanted to get pictures or whatever I

222

00:09:41,870 --> 00:09:38,820

you know I was going to hold to my word

223

00:09:44,330 --> 00:09:41,880

and make sure that it was a seamless

224

00:09:46,760 --> 00:09:44,340

real easy in-and-out type of situation

225

00:09:49,460 --> 00:09:46,770

but luckily it was and he was very happy

226

00:09:51,860 --> 00:09:49,470

with it and I know this one of the

227

00:09:54,170 --> 00:09:51,870

speakers who was like Bob likes me and

228

00:09:56,540 --> 00:09:54,180

it was like well he was very happy that

229

00:09:59,000 --> 00:09:56,550

I kicked you out and to get a control

230

00:10:00,830 --> 00:09:59,010

thing because and he may have liked you

231

00:10:02,330 --> 00:10:00,840

know this keep older people but of

232

00:10:04,370 --> 00:10:02,340

course we had a show to put on and you

233

00:10:07,040 --> 00:10:04,380

don't have much time and you need to get

234

00:10:10,010 --> 00:10:07,050

people out there and rolling so they did

235

00:10:12,340 --> 00:10:10,020

not ask Stanton's questions from what I

236

00:10:15,380 --> 00:10:12,350

understand because I was really nervous

237

00:10:17,300 --> 00:10:15,390

checking security checking this checking

238

00:10:19,880 --> 00:10:17,310

that I didn't get a see a lot of it so

239

00:10:21,590 --> 00:10:19,890

I'm gonna have to watch the video but

240

00:10:24,080 --> 00:10:21,600

people did come up to me later and said

241

00:10:26,870 --> 00:10:24,090

they didn't ask much about the education

242

00:10:29,330 --> 00:10:26,880

stuff but people really loved it and it

243

00:10:31,460 --> 00:10:29,340

was really interesting because you know

244

00:10:34,940 --> 00:10:31,470

Bob's answers are really off the cuff

245

00:10:36,980 --> 00:10:34,950

you know they feel so genuine they feel

246

00:10:40,430 --> 00:10:36,990

like you know he really has these

247

00:10:43,250 --> 00:10:40,440

experiences however we did have a panel

248

00:10:47,240 --> 00:10:43,260

the next day that was really got kind of

249

00:10:50,090 --> 00:10:47,250

heated with Stanton and Jeremy corbel

250

00:10:51,920 --> 00:10:50,100

who interviewed bob lazar his friends

251
00:10:55,220 --> 00:10:51,930
with George Knapp and Bob Lazar and was

252
00:10:57,920 --> 00:10:55,230
defending Bob Lazar we also had a mark

253
00:11:00,440 --> 00:10:57,930
Pilkington who wrote a book and did a

254
00:11:02,690 --> 00:11:00,450
documentary on Richard Doty so there was

255
00:11:05,030 --> 00:11:02,700
heated debate about Dodie there's heated

256
00:11:08,900 --> 00:11:05,040
debate about Lazar and Stanton got to

257
00:11:11,180 --> 00:11:08,910
get in his arguments for the education

258
00:11:14,660 --> 00:11:11,190
like that so people should watch that

259
00:11:17,150 --> 00:11:14,670
panel was really good because Stanton

260
00:11:19,700 --> 00:11:17,160
got to get in his comments and Jeremy

261
00:11:21,500 --> 00:11:19,710
his retorts but it was funny was heated

262
00:11:22,820 --> 00:11:21,510
because of course I jumped in there some

263
00:11:25,100 --> 00:11:22,830

people wanted to see a debate between

264

00:11:26,930 --> 00:11:25,110

Stanton and I about Dodie and we were

265

00:11:30,950 --> 00:11:26,940

able to get a little bit of that in that

266

00:11:33,620 --> 00:11:30,960

panel so it was fun and luckily you know

267

00:11:36,590 --> 00:11:33,630

the whole group or people who really

268

00:11:39,650 --> 00:11:36,600

respect each other and and we're very

269

00:11:43,040 --> 00:11:39,660

respectful so now I just saw Richard

270

00:11:45,440 --> 00:11:43,050

Doty on Facebook reaching out to George

271

00:11:48,560 --> 00:11:45,450

a nap George naps a friend of mine on

272

00:11:50,330 --> 00:11:48,570

facebook and so it looks like who knows

273

00:11:53,300 --> 00:11:50,340

he might be coming up on coast-to-coast

274

00:11:54,950 --> 00:11:53,310

or something yeah I know George Knapp

275

00:11:57,110 --> 00:11:54,960

whenever I'm on coast-to-coast and I

276

00:11:58,790 --> 00:11:57,120

talked about Dodie often George Knapp

277

00:12:04,280 --> 00:11:58,800

will go oh I'm going to hear from him

278

00:12:06,020 --> 00:12:04,290

because I you know he's a liar and I and

279

00:12:08,180 --> 00:12:06,030

of course so I often talk about the

280

00:12:10,250 --> 00:12:08,190

different things he's lied about and

281

00:12:12,620 --> 00:12:10,260

he's admitted you know he says he's a

282

00:12:14,660 --> 00:12:12,630

disinformation I so I I just always

283

00:12:16,790 --> 00:12:14,670

cautioned we can't trust him if he says

284

00:12:18,470 --> 00:12:16,800

he's a disinformation asst and he keeps

285

00:12:20,630 --> 00:12:18,480

lying why do we try to believe

286

00:12:23,180 --> 00:12:20,640

everything things that he has to say and

287

00:12:27,260 --> 00:12:23,190

a lot of people do going back to Lazar I

288

00:12:28,610 --> 00:12:27,270

I just have a gut feeling that he the

289

00:12:30,860 --> 00:12:28,620

whole thing it has nothing to do with

290

00:12:32,740 --> 00:12:30,870

San Friedman or anyone else but right

291

00:12:38,060 --> 00:12:32,750

from the beginning when I first started

292

00:12:40,250 --> 00:12:38,070

looking into Bob Lazar claims it just

293

00:12:42,350 --> 00:12:40,260

doesn't feel right I don't know I I

294

00:12:44,420 --> 00:12:42,360

don't know if I really believe it I just

295

00:12:47,060 --> 00:12:44,430

I just don't get that warm and fuzzy

296

00:12:48,710 --> 00:12:47,070

feeling I know he's an really

297

00:12:50,840 --> 00:12:48,720

intelligent what you look for when

298

00:12:54,010 --> 00:12:50,850

verifying cases if you just get that

299

00:12:57,530 --> 00:12:54,020

warm fuzzy feeling well it helps yeah

300

00:13:00,140 --> 00:12:57,540

but you know I I see that you know he's

301

00:13:02,900 --> 00:13:00,150

an incredible speaker he's he's really

302

00:13:05,120 --> 00:13:02,910

really sharp brilliant and I but I just

303

00:13:07,760 --> 00:13:05,130

don't know I don't know you know maybe

304

00:13:09,500 --> 00:13:07,770

there are parts of it that are true but

305

00:13:11,780 --> 00:13:09,510

you know my whole feeling is that he was

306

00:13:14,180 --> 00:13:11,790

never even there that's just my feeling

307

00:13:16,520 --> 00:13:14,190

and I know last time I said this about

308

00:13:20,150 --> 00:13:16,530

him I got some hate mail and I'm ready

309

00:13:22,700 --> 00:13:20,160

for it you know well you know I'm I'm

310

00:13:24,890 --> 00:13:22,710

not well I'm always like this

311

00:13:26,270 --> 00:13:24,900

and I think some people don't like it

312

00:13:28,880 --> 00:13:26,280

I'm never a hundred percent about

313

00:13:32,510 --> 00:13:28,890

anything but I'm still on the fence with

314

00:13:36,350 --> 00:13:32,520

this one I go back and forth and George

315

00:13:39,620 --> 00:13:36,360

has very compelling arguments when it

316

00:13:44,840 --> 00:13:39,630

comes to this case and I want to really

317

00:13:48,710 --> 00:13:44,850

view George's talk and Bob Lazar's a QA

318

00:13:50,840 --> 00:13:48,720

and then go from there and when I do

319

00:13:55,400 --> 00:13:50,850

that maybe we could talk more at length

320

00:13:57,470 --> 00:13:55,410

about that but I would recommend this

321

00:13:59,750 --> 00:13:57,480

isn't necessarily a sales pitch but for

322

00:14:01,430 --> 00:13:59,760

exploring this case I would recommend

323

00:14:05,960 --> 00:14:01,440

that people get the George Knapp video

324

00:14:08,360 --> 00:14:05,970

and the Q&A with Bob Lazar and the panel

325

00:14:11,930 --> 00:14:08,370

with Stanton Friedman and I think you're

326

00:14:14,840 --> 00:14:11,940

going to get a really full idea of you

327

00:14:20,270 --> 00:14:14,850

know both sides of the stories and get

328

00:14:22,880 --> 00:14:20,280

an idea for the feeling of the story and

329

00:14:25,370 --> 00:14:22,890

what Bob Lazar claims are and it was

330

00:14:28,790 --> 00:14:25,380

really funny because we did struggle and

331

00:14:30,800 --> 00:14:28,800

at one point Bob Lazar threatened to he

332

00:14:34,850 --> 00:14:30,810

said I just don't feel good about this I

333

00:14:36,620 --> 00:14:34,860

can't do it and we were like uh well

334

00:14:39,440 --> 00:14:36,630

you've already signed the contract and

335

00:14:41,930 --> 00:14:39,450

we've already sold tons of tickets for

336

00:14:44,450 --> 00:14:41,940

this so you can't back out now yeah

337

00:14:46,310 --> 00:14:44,460

that's talked about that you know I

338

00:14:48,680 --> 00:14:46,320

haven't said anything about this to

339

00:14:50,930 --> 00:14:48,690

anybody but he actually talked about

340

00:14:53,840 --> 00:14:50,940

that which I thought was hilarious he

341

00:14:55,640 --> 00:14:53,850

said something like well but I couldn't

342

00:14:58,580 --> 00:14:55,650

because they would have sued me but in a

343

00:15:01,160 --> 00:14:58,590

nice way so it would have suited me in a

344

00:15:04,450 --> 00:15:01,170

nice way yeah it was really funny that

345

00:15:06,620 --> 00:15:04,460

he brought that up which was also a

346

00:15:09,740 --> 00:15:06,630

positive thing because it just showed he

347

00:15:12,140 --> 00:15:09,750

was open and about some of this stuff

348

00:15:14,690 --> 00:15:12,150

that could be embarrassing towards him

349

00:15:16,160 --> 00:15:14,700

but that was really funny that he had

350

00:15:19,070 --> 00:15:16,170

brought that up I'm going to put a

351

00:15:21,560 --> 00:15:19,080

banner on my website so that'll just

352

00:15:24,650 --> 00:15:21,570

someone can click on write on podcast

353

00:15:28,250 --> 00:15:24,660

UFO on our home page or on the sidebar

354

00:15:31,310 --> 00:15:28,260

we can get these dvds and I'll gladly do

355

00:15:36,199 --> 00:15:31,320

that once i receive the ones for free in

356

00:15:39,290 --> 00:15:36,209

the mail from you haha i'm kidding you

357

00:15:41,329 --> 00:15:39,300

just come free i really enjoyed my

358

00:15:45,259 --> 00:15:41,339

t-shirt that you gave me of the Yoko

359

00:15:47,869 --> 00:15:45,269

podcast and and so I don't know what

360

00:15:49,519 --> 00:15:47,879

they're these people's problems are we

361

00:15:51,590 --> 00:15:49,529

sold out a tee shirts maybe it was just

362

00:15:53,269 --> 00:15:51,600

that you were there during the beginning

363

00:15:55,189 --> 00:15:53,279

of the conference and not towards the

364

00:15:57,889 --> 00:15:55,199

end where people spend their money a

365

00:16:00,679 --> 00:15:57,899

little more but thank you very much for

366

00:16:03,679 --> 00:16:00,689

the t-shirts I t-shirt I greatly enjoy

367

00:16:06,350 --> 00:16:03,689

it oh that's great well hey so next week

368

00:16:09,350 --> 00:16:06,360

we'll be back with the real news yeah

369

00:16:13,369 --> 00:16:09,360

we'll be back with some news fit fer

370

00:16:15,679 --> 00:16:13,379

radio ok alright hey you get you get

371

00:16:17,239 --> 00:16:15,689

yourself some good rests on and we'll be

372

00:16:19,220 --> 00:16:17,249

talking to you next week and it was a

373

00:16:21,919 --> 00:16:19,230

real pleasure recording with you out

374

00:16:23,509 --> 00:16:21,929

there and seeing it was it was really

375

00:16:25,210 --> 00:16:23,519

the highlight of the year especially

376

00:16:27,829 --> 00:16:25,220

when I'm have four feet of snow here

377

00:16:31,309 --> 00:16:27,839

yeah the weather out he was wonderful

378

00:16:32,840 --> 00:16:31,319

our lucky the weather held up to so it

379

00:16:35,449 --> 00:16:32,850

was a great time I think people had a

380

00:16:38,239 --> 00:16:35,459

really good time and I was so happy you

381

00:16:41,379 --> 00:16:38,249

could make it I was just so sad that I

382

00:16:43,639 --> 00:16:41,389

had to leave so yeah so was that buddy

383

00:16:46,280 --> 00:16:43,649

already i'll be talking to you next week

384

00:16:48,710 --> 00:16:46,290

all right talk to you later so hang in

385

00:17:58,000 --> 00:16:48,720

there for the music break and we'll be

386

00:18:02,980 --> 00:18:00,650

that music was by a fan of the show

387

00:18:06,560 --> 00:18:02,990

Bruce ranier thanks for that Bruce and

388

00:18:09,170 --> 00:18:06,570

welcome to the show Lori thanks Martin

389

00:18:11,060 --> 00:18:09,180

glad to be here yes it was uh we

390

00:18:13,520 --> 00:18:11,070

actually shared what we even share a

391

00:18:17,750 --> 00:18:13,530

table we were side by side on tables out

392

00:18:20,990 --> 00:18:17,760

and Phoenix and and it was a lot of fun

393

00:18:22,100 --> 00:18:21,000

sitting next to you it was an absolute

394

00:18:23,720 --> 00:18:22,110

blast and that some of the most

395

00:18:25,190 --> 00:18:23,730

interesting people at that conference

396

00:18:27,950 --> 00:18:25,200

and actually some pretty highly

397

00:18:30,230 --> 00:18:27,960

intelligent people too very well studied

398

00:18:32,930 --> 00:18:30,240

as far as conspiracy theories and you

399

00:18:34,910 --> 00:18:32,940

ask most and all that and yeah had a

400

00:18:37,370 --> 00:18:34,920

blast getting to know you and some of

401
00:18:39,260 --> 00:18:37,380
the other vendors there too okay I've

402
00:18:40,550 --> 00:18:39,270
just got a message from Keith once you

403
00:18:44,180 --> 00:18:40,560
get a little bit closer to the phone if

404
00:18:46,520 --> 00:18:44,190
you could okay all right that better it

405
00:18:48,650 --> 00:18:46,530
seems better maybe maybe it says maybe

406
00:18:50,210 --> 00:18:48,660
it's the level of you to talk a little

407
00:18:51,890 --> 00:18:50,220
bit louder I know it's awful hard when I

408
00:18:54,200 --> 00:18:51,900
ask people to do something they never

409
00:18:58,520 --> 00:18:54,210
can remember for too long but if you can

410
00:19:00,410 --> 00:18:58,530
just try to be good and clear and so

411
00:19:04,340 --> 00:19:00,420
we're going to be talking about a

412
00:19:06,440 --> 00:19:04,350
subject that I know your your books that

413
00:19:09,530 --> 00:19:06,450

you wrote they're basically fiction

414

00:19:11,750 --> 00:19:09,540

aren't they yes i have three it's a

415

00:19:13,670 --> 00:19:11,760

series called the ancient one series and

416

00:19:16,250 --> 00:19:13,680

they are fiction novels on their

417

00:19:18,440 --> 00:19:16,260

paranormal murder mysteries and they all

418

00:19:21,530 --> 00:19:18,450

take place here either in Arizona or the

419

00:19:23,420 --> 00:19:21,540

southwest of the four corners mm-hmm but

420

00:19:26,690 --> 00:19:23,430

I know you did a lot of research in the

421

00:19:30,140 --> 00:19:26,700

subject of us ate Native Americans and

422

00:19:32,210 --> 00:19:30,150

the star people and all that and that's

423

00:19:35,540 --> 00:19:32,220

that's always one of the subjects that

424

00:19:39,170 --> 00:19:35,550

kind of fascinated me you know that I've

425

00:19:41,030 --> 00:19:39,180

heard about I know at the UFO Congress

426

00:19:45,320 --> 00:19:41,040

it was a I think this first speaker

427

00:19:47,780 --> 00:19:45,330

there was was a native american and it's

428

00:19:51,110 --> 00:19:47,790

always fascinating to hear you know what

429

00:19:54,260 --> 00:19:51,120

their lore is that comes up through the

430

00:19:57,200 --> 00:19:54,270

generations the storytelling and and but

431

00:20:00,230 --> 00:19:57,210

what what type of research did you end

432

00:20:03,350 --> 00:20:00,240

up doing for your books in regards to

433

00:20:05,570 --> 00:20:03,360

this well for me it was on the only

434

00:20:07,139 --> 00:20:05,580

places that I feature and my novels are

435

00:20:10,049 --> 00:20:07,149

places but I visited

436

00:20:13,289 --> 00:20:10,059

heaven week national monument and canyon

437

00:20:15,479 --> 00:20:13,299

of the Ancients in the four corners and

438

00:20:17,879 --> 00:20:15,489

my first book one of the main settings

439

00:20:21,329 --> 00:20:17,889

or locations is Sunset Crater wupatki

440

00:20:24,289 --> 00:20:21,339

which is about 20 miles north of

441

00:20:27,719 --> 00:20:24,299

Flagstaff and that's an amazing location

442

00:20:29,489 --> 00:20:27,729

it's volcanic ruins Indian ruins things

443

00:20:32,070 --> 00:20:29,499

like that so it's absolutely beautiful

444

00:20:33,029 --> 00:20:32,080

so a lot of people say when they read

445

00:20:35,339 --> 00:20:33,039

the book for like well that really

446

00:20:37,979 --> 00:20:35,349

brings me back to the location reminds

447

00:20:40,619 --> 00:20:37,989

me of places I visited because the

448

00:20:43,469 --> 00:20:40,629

amount of detail you have so for me when

449

00:20:45,359 --> 00:20:43,479

I visit a place I visit a lot of Indian

450

00:20:48,869 --> 00:20:45,369

ruins in places like that you know

451
00:20:50,749 --> 00:20:48,879
prehistoric locations or historic so

452
00:20:53,849 --> 00:20:50,759
that I can include those in my books

453
00:20:55,379 --> 00:20:53,859
uh-huh now if you're listening live on

454
00:20:59,009 --> 00:20:55,389
the Dark Matter radio network you can

455
00:21:01,560 --> 00:20:59,019
jump over to podcast UFO calm and it's a

456
00:21:03,570 --> 00:21:01,570
real easy sign in on our chat room the

457
00:21:05,609 --> 00:21:03,580
level of attendance in our chat room has

458
00:21:07,560 --> 00:21:05,619
been down for the last few weeks I

459
00:21:10,859 --> 00:21:07,570
understand last week because I was out

460
00:21:13,049 --> 00:21:10,869
of town but so we're going to continue

461
00:21:16,409 --> 00:21:13,059
that but if the level just keep slow

462
00:21:19,979 --> 00:21:16,419
then I'm probably not going to keep

463
00:21:22,739 --> 00:21:19,989

going with it and I'm sorry to waste so

464

00:21:26,489 --> 00:21:22,749

much time on this but i thought i would

465

00:21:29,099 --> 00:21:26,499

address it if that is the case then we

466

00:21:32,489 --> 00:21:29,109

can use the twitter feed on Dark Matter

467

00:21:36,299 --> 00:21:32,499

radio net which is dark matter radio net

468

00:21:39,450 --> 00:21:36,309

which is right below the the podcast the

469

00:21:41,129 --> 00:21:39,460

live of the live player so that that

470

00:21:42,599 --> 00:21:41,139

might even be more convenient I just

471

00:21:44,669 --> 00:21:42,609

like when people go to my website I

472

00:21:46,469 --> 00:21:44,679

guess that's what it's all about and by

473

00:21:48,779 --> 00:21:46,479

the way since I'm talking about this if

474

00:21:51,149 --> 00:21:48,789

you're go to our website we do have a

475

00:21:53,310 --> 00:21:51,159

lot of blogs on there going way back

476

00:21:56,009 --> 00:21:53,320

when Michael luke used to write for us

477

00:21:58,799 --> 00:21:56,019

tons of information pages and pages of

478

00:22:01,499 --> 00:21:58,809

great blogs so if you ever bored under

479

00:22:04,019 --> 00:22:01,509

sunday or something like that go to our

480

00:22:06,719 --> 00:22:04,029

website podcast UFO calm and check out

481

00:22:12,749 --> 00:22:06,729

all the blogs there sorry for that

482

00:22:16,469 --> 00:22:12,759

infomercial Lori um so what what gets

483

00:22:21,090 --> 00:22:16,479

you started in the fascination with this

484

00:22:24,150 --> 00:22:21,100

whole this whole situation

485

00:22:25,770 --> 00:22:24,160

I with the book yeah I actually will

486

00:22:27,330 --> 00:22:25,780

actually started out doing poetry but

487

00:22:29,100 --> 00:22:27,340

that was like 20 years ago and I had

488

00:22:30,120 --> 00:22:29,110

actually had some poems published and

489

00:22:33,000 --> 00:22:30,130

then I thought you know I've always

490

00:22:35,010 --> 00:22:33,010

wanted to do a novel and so I started

491

00:22:37,669 --> 00:22:35,020

attending writers critiques group and

492

00:22:40,770 --> 00:22:37,679

started talking to published authors and

493

00:22:42,840 --> 00:22:40,780

the series itself and the subject of the

494

00:22:45,240 --> 00:22:42,850

series could say our paranormal murder

495

00:22:48,000 --> 00:22:45,250

mysteries started I was actually a

496

00:22:51,240 --> 00:22:48,010

paranormal investigator for a couple of

497

00:22:53,610 --> 00:22:51,250

groups here in Phoenix and including a

498

00:22:55,529 --> 00:22:53,620

taps family member called Sonoran

499

00:22:57,659 --> 00:22:55,539

paranormal investigations and I believe

500

00:22:59,789 --> 00:22:57,669

they're still together but some

501
00:23:01,950 --> 00:22:59,799
experiences that I had with that group

502
00:23:05,010 --> 00:23:01,960
actually got me going with the mystery

503
00:23:07,919 --> 00:23:05,020
and the series itself and it started out

504
00:23:10,500 --> 00:23:07,929
more paranormal supernatural one of the

505
00:23:12,750 --> 00:23:10,510
main characters is Joe Luna he's a

506
00:23:16,230 --> 00:23:12,760
native american he's a medicine man but

507
00:23:18,270 --> 00:23:16,240
he's also an FBI agent and there's a

508
00:23:20,430 --> 00:23:18,280
number of important characters including

509
00:23:23,520 --> 00:23:20,440
a psychic medium and her name is Lorelei

510
00:23:25,260 --> 00:23:23,530
linear so each of these characters and

511
00:23:28,560 --> 00:23:25,270
the plot progresses through out the

512
00:23:31,770 --> 00:23:28,570
whole series I see and I do have another

513
00:23:33,570 --> 00:23:31,780

book and the works following yeah it's

514

00:23:35,700 --> 00:23:33,580

my fourth book in the series on they'll

515

00:23:38,340 --> 00:23:35,710

probably be at least six and I'm looking

516

00:23:39,779 --> 00:23:38,350

to do a nonfiction book too but um the

517

00:23:44,640 --> 00:23:39,789

fourth book in the series is called a

518

00:23:46,680 --> 00:23:44,650

piece of time and it's it's kind of

519

00:23:49,260 --> 00:23:46,690

there's some fantasy elements to it

520

00:23:52,289 --> 00:23:49,270

there's a scene in Ireland I believe

521

00:23:53,730 --> 00:23:52,299

some scenes in Arizona and it's kind of

522

00:23:56,450 --> 00:23:53,740

spread throughout the Southwest like

523

00:23:58,740 --> 00:23:56,460

some of the other novels are so it's

524

00:24:00,960 --> 00:23:58,750

there should be at least six but the

525

00:24:03,210 --> 00:24:00,970

fourth one still needs to be edited and

526
00:24:06,270 --> 00:24:03,220
that I've already started on some ideas

527
00:24:08,700 --> 00:24:06,280
for the fifth one as well and that one

528
00:24:10,680 --> 00:24:08,710
oh go ahead no well the one you said

529
00:24:13,919 --> 00:24:10,690
that's nonfiction what's that what is

530
00:24:15,539 --> 00:24:13,929
your idea on that one so about what I'm

531
00:24:18,930 --> 00:24:15,549
still trying to figure out probably

532
00:24:21,750 --> 00:24:18,940
something tying into native american

533
00:24:24,690 --> 00:24:21,760
history and maybe even star children

534
00:24:26,820 --> 00:24:24,700
that kind of thing because um there is a

535
00:24:28,620 --> 00:24:26,830
belief many Native Americans and not

536
00:24:31,140 --> 00:24:28,630
just native americans believe that we

537
00:24:32,669 --> 00:24:31,150
have very strong ties to the stars that

538
00:24:34,899 --> 00:24:32,679

were made of Stardust and things like

539

00:24:38,320 --> 00:24:34,909

that a lot of people people leave dad

540

00:24:40,180 --> 00:24:38,330

so not quite sure I have a friend in the

541

00:24:41,560 --> 00:24:40,190

Laguna Pueblo I was up there and he

542

00:24:44,440 --> 00:24:41,570

showed me around and told me a lot about

543

00:24:46,930 --> 00:24:44,450

history and I think he's really wanting

544

00:24:48,849 --> 00:24:46,940

to wanting me to write a book about the

545

00:24:50,499 --> 00:24:48,859

Pueblo is up there there's 19 different

546

00:24:53,379 --> 00:24:50,509

Pueblo so that would actually be pretty

547

00:24:55,749 --> 00:24:53,389

interesting oh yeah yeah an

548

00:24:58,389 --> 00:24:55,759

astrophysicist will tell you that we are

549

00:25:01,570 --> 00:24:58,399

all made of Stardust basically all the

550

00:25:05,469 --> 00:25:01,580

elements came from a you know from

551
00:25:07,450 --> 00:25:05,479
supernovas that you know so everything

552
00:25:09,489 --> 00:25:07,460
that we see everything that we are is

553
00:25:13,389 --> 00:25:09,499
it's pretty amazingly when you look at

554
00:25:16,180 --> 00:25:13,399
it that way but as far as the thing that

555
00:25:19,330 --> 00:25:16,190
I was fascinated me was the lore that

556
00:25:22,509 --> 00:25:19,340
goes back for I think it goes back for

557
00:25:25,119 --> 00:25:22,519
you know hundreds of generations so that

558
00:25:29,080 --> 00:25:25,129
they can I don't know how far back they

559
00:25:32,680 --> 00:25:29,090
can document but still that we came from

560
00:25:33,639 --> 00:25:32,690
the stars this is Native American and

561
00:25:35,499 --> 00:25:33,649
yeah and it's a pretty interesting

562
00:25:38,440 --> 00:25:35,509
subject because when you think about I

563
00:25:40,539 --> 00:25:38,450

started studying prehistory probably

564

00:25:42,190 --> 00:25:40,549

like about five years ago and that that

565

00:25:44,469 --> 00:25:42,200

kind of detail worked its way into my

566

00:25:46,299 --> 00:25:44,479

books as far as for example if a

567

00:25:48,639 --> 00:25:46,309

character was walking around and since

568

00:25:50,710 --> 00:25:48,649

that crater would [h__h] homology ruins

569

00:25:52,419 --> 00:25:50,720

here in Arizona the kind of potsherds

570

00:25:54,190 --> 00:25:52,429

they would see on the ground they would

571

00:25:56,529 --> 00:25:54,200

mention petroglyph for pictographs they

572

00:25:58,269 --> 00:25:56,539

were seeing and maybe kind of touch on

573

00:26:01,299 --> 00:25:58,279

prehistory so that's kind of how it

574

00:26:03,099 --> 00:26:01,309

works its way into the books but some

575

00:26:07,119 --> 00:26:03,109

cultures here in Arizona are the

576
00:26:10,419 --> 00:26:07,129
ancestral Pueblo mogy on segawa all very

577
00:26:12,519 --> 00:26:10,429
fascinating cultures from that time and

578
00:26:15,759 --> 00:26:12,529
we're talking maybe late bc into the ad

579
00:26:17,349 --> 00:26:15,769
era somehow long disappeared enough for

580
00:26:19,769 --> 00:26:17,359
a lot of people they still consider it a

581
00:26:23,320 --> 00:26:19,779
great mystery that's why a lot of these

582
00:26:24,820 --> 00:26:23,330
tribes or cultures disappeared but I

583
00:26:27,580 --> 00:26:24,830
think a lot of people believe it was

584
00:26:30,219 --> 00:26:27,590
just migrations yeah lot of it had to do

585
00:26:32,619 --> 00:26:30,229
with them there a lot of the speculation

586
00:26:35,649 --> 00:26:32,629
on that has to do with drought you know

587
00:26:40,659 --> 00:26:35,659
drought and in growing seasons and you

588
00:26:44,529 --> 00:26:40,669

know I mean some of these beautiful sort

589

00:26:47,469 --> 00:26:44,539

of societal cities that are you know in

590

00:26:48,770 --> 00:26:47,479

ruins they can't understand how so many

591

00:26:51,350 --> 00:26:48,780

people could have left there and

592

00:26:53,990 --> 00:26:51,360

vanished but a lot of times they will

593

00:26:57,860 --> 00:26:54,000

just it will just be related to you know

594

00:27:00,560 --> 00:26:57,870

say something like a drought exactly in

595

00:27:02,510 --> 00:27:00,570

some cases it was um archaeologists used

596

00:27:04,340 --> 00:27:02,520

to think that it was all drought or a

597

00:27:05,750 --> 00:27:04,350

lot of people all of what archaeologists

598

00:27:07,970 --> 00:27:05,760

and surveyors and researchers were

599

00:27:09,710 --> 00:27:07,980

saying it was drought and now these days

600

00:27:11,120 --> 00:27:09,720

a lot of say a lot of them are saying it

601
00:27:12,770 --> 00:27:11,130
depends on the site it depends on the

602
00:27:14,510 --> 00:27:12,780
culture and a lot of cases it could have

603
00:27:17,090 --> 00:27:14,520
been a political instability and

604
00:27:18,710 --> 00:27:17,100
probably was as you had other cultures

605
00:27:21,590 --> 00:27:18,720
and other tribes moving into the area

606
00:27:23,270 --> 00:27:21,600
and as you mentioned and a lot of pieces

607
00:27:25,730 --> 00:27:23,280
they had they had no choice but to move

608
00:27:28,120 --> 00:27:25,740
on they had no resources no water you

609
00:27:30,380 --> 00:27:28,130
know they had to do those migrations and

610
00:27:32,060 --> 00:27:30,390
I've talked to people at the UFO

611
00:27:34,730 --> 00:27:32,070
conference and other people who believe

612
00:27:36,470 --> 00:27:34,740
it's a huge mystery I I've talked to

613
00:27:37,850 --> 00:27:36,480

people who believe that you know the

614

00:27:39,860 --> 00:27:37,860

Native Americans were returned to the

615

00:27:42,530 --> 00:27:39,870

Stars where they came from you know

616

00:27:44,570 --> 00:27:42,540

spaceship yes spacious literally came

617

00:27:46,760 --> 00:27:44,580

and took them on and Mesa Verde there's

618

00:27:48,890 --> 00:27:46,770

a site I'm I didn't see it when I

619

00:27:50,450 --> 00:27:48,900

visited there but I'm not sure it's off

620

00:27:52,730 --> 00:27:50,460

the main trail but there's supposedly a

621

00:27:56,090 --> 00:27:52,740

huge round rock it's just big enough for

622

00:27:57,770 --> 00:27:56,100

UFO to land on and some people actually

623

00:28:00,530 --> 00:27:57,780

and there was a native american woman

624

00:28:02,870 --> 00:28:00,540

that took a tour of unleaded Torf people

625

00:28:04,460 --> 00:28:02,880

out to that side and she mentioned that

626
00:28:07,550 --> 00:28:04,470
you know it's big enough for you a photo

627
00:28:09,620 --> 00:28:07,560
land on so it actually landed and then

628
00:28:11,180 --> 00:28:09,630
took them back up to the stars and I

629
00:28:12,860 --> 00:28:11,190
actually met some people the UFO

630
00:28:17,360 --> 00:28:12,870
conference that thought that would be

631
00:28:20,780 --> 00:28:17,370
the case huh well I know dr. Lin cat I

632
00:28:23,240 --> 00:28:20,790
was there at the conference and when I

633
00:28:25,610 --> 00:28:23,250
had her on the show I don't know year

634
00:28:27,800 --> 00:28:25,620
and a half ago she had done some

635
00:28:32,630 --> 00:28:27,810
research into the Native American

636
00:28:35,480 --> 00:28:32,640
cultures in regards to you know UFOs and

637
00:28:38,750 --> 00:28:35,490
their stories that were passed down and

638
00:28:41,420 --> 00:28:38,760

she said that somewhere in the desert

639

00:28:45,230 --> 00:28:41,430

around there in the Phoenix area they

640

00:28:47,750 --> 00:28:45,240

were like the drawings on rocks not in

641

00:28:51,200 --> 00:28:47,760

caves or something that actually like a

642

00:28:53,060 --> 00:28:51,210

triangle like the Phoenix lights have

643

00:28:56,600 --> 00:28:53,070

you ever heard of anything like that

644

00:28:58,730 --> 00:28:56,610

around there not as far as a triangle

645

00:29:01,350 --> 00:28:58,740

I've come across in my research there's

646

00:29:03,210 --> 00:29:01,360

a picture of two UFOs

647

00:29:05,220 --> 00:29:03,220

other and there's actually a Navajo or

648

00:29:06,419 --> 00:29:05,230

DNA mess behind it and I kind of

649

00:29:09,000 --> 00:29:06,429

mentioned this briefly in my

650

00:29:11,370 --> 00:29:09,010

presentation sometimes but there's a

651
00:29:14,580 --> 00:29:11,380
myth that one UFO came down broke down

652
00:29:16,289 --> 00:29:14,590
was on earth and then another just like

653
00:29:17,910 --> 00:29:16,299
it came down and rescued and now there's

654
00:29:20,789 --> 00:29:17,920
a whole mix behind it it's like two or

655
00:29:23,310 --> 00:29:20,799
three pages of mythology behind that but

656
00:29:26,280 --> 00:29:23,320
that's you know kind of the just behind

657
00:29:28,980 --> 00:29:26,290
it and you do see a lot of rock art here

658
00:29:31,020 --> 00:29:28,990
of what people call aunt people and

659
00:29:34,380 --> 00:29:31,030
there's debate some people you talk to

660
00:29:36,210 --> 00:29:34,390
including the UFOs and theorists will

661
00:29:38,450 --> 00:29:36,220
say well they actually the Native

662
00:29:41,549 --> 00:29:38,460
Americans actually had they saw these

663
00:29:44,070 --> 00:29:41,559

UFOs they saw these aliens and that's

664

00:29:46,409 --> 00:29:44,080

why these drawings or petroglyphs and

665

00:29:50,730 --> 00:29:46,419

pictographs are on the rocks and on the

666

00:29:54,330 --> 00:29:50,740

panels and some people including Hopi

667

00:29:56,190 --> 00:29:54,340

there's a myth called the ant people and

668

00:29:57,870 --> 00:29:56,200

the ant people actually took the Hopi

669

00:29:59,820 --> 00:29:57,880

underground and taught them the merits

670

00:30:02,340 --> 00:29:59,830

of food storage and sustenance and

671

00:30:05,700 --> 00:30:02,350

actually saved them from starvation so

672

00:30:07,560 --> 00:30:05,710

is it that they saw UFOs or that it's

673

00:30:10,680 --> 00:30:07,570

related to their mythology of the amp

674

00:30:12,840 --> 00:30:10,690

you know the ant people maybe it's some

675

00:30:15,870 --> 00:30:12,850

of both I mean I have no doubt that they

676
00:30:18,030 --> 00:30:15,880
lined up seeing UFOs southern mom

677
00:30:20,909 --> 00:30:18,040
probably did considering how many

678
00:30:23,789 --> 00:30:20,919
sightings we have today was there more

679
00:30:25,280 --> 00:30:23,799
back then so it's pretty interesting

680
00:30:28,640 --> 00:30:25,290
when you do see a lot of the rock art

681
00:30:31,049 --> 00:30:28,650
yes yeah I really don't think I'm I

682
00:30:34,200 --> 00:30:31,059
really don't think the time element has

683
00:30:36,299 --> 00:30:34,210
much to do with UFO sightings you know

684
00:30:38,850 --> 00:30:36,309
everyone you know the skeptics or

685
00:30:41,070 --> 00:30:38,860
DeMocker sore a lot of people say oh

686
00:30:43,919 --> 00:30:41,080
yeah this whole thing started in 1947

687
00:30:46,710 --> 00:30:43,929
you know and Roswell and you know was

688
00:30:50,549 --> 00:30:46,720

all because of you know people went

689

00:30:53,970 --> 00:30:50,559

crazy over the media and everything and

690

00:30:56,370 --> 00:30:53,980

but I you know if you look hard enough

691

00:30:57,840 --> 00:30:56,380

you can find the possibility of

692

00:30:59,970 --> 00:30:57,850

sightings a lot of it's not very clear

693

00:31:01,650 --> 00:30:59,980

you know there's there's something out

694

00:31:04,880 --> 00:31:01,660

there people are talking about Alexander

695

00:31:07,980 --> 00:31:04,890

the Great how do you fo sighting but

696

00:31:09,810 --> 00:31:07,990

that was you know basically debunked

697

00:31:13,110 --> 00:31:09,820

because that was just something that was

698

00:31:15,000 --> 00:31:13,120

made up in 1952 in a book or something

699

00:31:19,860 --> 00:31:15,010

like that so

700

00:31:21,990 --> 00:31:19,870

it is really hard to research things

701
00:31:25,730 --> 00:31:22,000
like this and especially when it goes

702
00:31:27,840 --> 00:31:25,740
into history and the written word and

703
00:31:32,910 --> 00:31:27,850
what's out there you know the cave

704
00:31:36,060 --> 00:31:32,920
drawings and are ancient and are very

705
00:31:38,460 --> 00:31:36,070
intriguing all the different figures and

706
00:31:39,720 --> 00:31:38,470
then there are aunt like people i don't

707
00:31:42,750 --> 00:31:39,730
know if that has anything to do with it

708
00:31:45,450 --> 00:31:42,760
but there are aunt looking people on

709
00:31:49,950 --> 00:31:45,460
some of those rocks all they're really

710
00:31:52,590 --> 00:31:49,960
intriguing onion-like nevada and utah

711
00:31:55,410 --> 00:31:52,600
supposedly helped a lot of that on its

712
00:31:56,670 --> 00:31:55,420
really all over the world to and a lot

713
00:31:59,010 --> 00:31:56,680

of people do look at that and here

714

00:32:00,900 --> 00:31:59,020

that's evidence that they saw UFOs and

715

00:32:02,760 --> 00:32:00,910

as you mentioned as far as the time

716

00:32:04,350 --> 00:32:02,770

patient I'm sure they did i'm sure a lot

717

00:32:07,530 --> 00:32:04,360

of them did it just didn't just start

718

00:32:10,080 --> 00:32:07,540

with roswell that might be one of the

719

00:32:12,570 --> 00:32:10,090

major recorded event but it you know it

720

00:32:13,650 --> 00:32:12,580

had was started long before that yeah i

721

00:32:16,170 --> 00:32:13,660

think there was someone at the

722

00:32:18,120 --> 00:32:16,180

conference some cheryl Costa that

723

00:32:20,520 --> 00:32:18,130

actually came up to me when we were

724

00:32:23,370 --> 00:32:20,530

sitting together and said you know she

725

00:32:26,610 --> 00:32:23,380

wanted to be on the show 200 years of

726
00:32:29,790 --> 00:32:26,620
UFOs and New York I do I am interested

727
00:32:31,860 --> 00:32:29,800
in that so I would like to have a run

728
00:32:34,200 --> 00:32:31,870
and I was thinking about having to New

729
00:32:39,780 --> 00:32:34,210
York people on at the same time coming

730
00:32:42,930 --> 00:32:39,790
up in a show soon but yeah I think the

731
00:32:48,030 --> 00:32:42,940
whole thing is you know speculation but

732
00:32:50,940 --> 00:32:48,040
still it's fascinating do you have any

733
00:32:53,730 --> 00:32:50,950
did you actually interview any Native

734
00:32:57,330 --> 00:32:53,740
American people directly or was this

735
00:33:00,150 --> 00:32:57,340
just other types of research I have

736
00:33:04,110 --> 00:33:00,160
talked casually like I had my own radio

737
00:33:05,780 --> 00:33:04,120
show called under the surface and I did

738
00:33:08,280 --> 00:33:05,790

interview a lot of Native Americans

739

00:33:10,050 --> 00:33:08,290

mostly from the southwest but I think I

740

00:33:13,140 --> 00:33:10,060

did I might have had a Cherokee personal

741

00:33:14,370 --> 00:33:13,150

and Lakota on the people like that but

742

00:33:17,340 --> 00:33:14,380

most of them were from the southwest

743

00:33:19,440 --> 00:33:17,350

because the events I attend our art

744

00:33:21,720 --> 00:33:19,450

festivals here in the southwest but um

745

00:33:23,190 --> 00:33:21,730

we never really got into discussion as

746

00:33:26,820 --> 00:33:23,200

far as the UFOs usually was more

747

00:33:28,790 --> 00:33:26,830

prehistory but some of them do believe

748

00:33:30,470 --> 00:33:28,800

you know that there are

749

00:33:32,510 --> 00:33:30,480

as far as the mythology to the ant

750

00:33:35,180 --> 00:33:32,520

people and things like that and the

751

00:33:38,090 --> 00:33:35,190

research I've done some people I've

752

00:33:39,770 --> 00:33:38,100

talked to they do think that the ant

753

00:33:42,740 --> 00:33:39,780

people that you see on the rocks could

754

00:33:44,510 --> 00:33:42,750

tie back to the mythology and when I

755

00:33:45,800 --> 00:33:44,520

talk to some UFO people are like oh no

756

00:33:49,640 --> 00:33:45,810

that's just indicates they've actually

757

00:33:53,990 --> 00:33:49,650

seen aliens and and maybe it's some of

758

00:33:55,880 --> 00:33:54,000

those uh-huh one of the things you hear

759

00:33:58,880 --> 00:33:55,890

a lot and actually I heard people

760

00:34:02,300 --> 00:33:58,890

talking at the conference about this is

761

00:34:06,020 --> 00:34:02,310

is kind of like the mystery of of

762

00:34:08,330 --> 00:34:06,030

ancient life and you know the discovery

763

00:34:12,640 --> 00:34:08,340

of people are talking about oh there's

764

00:34:17,360 --> 00:34:12,650

you know Roman artifacts found in and

765

00:34:20,720 --> 00:34:17,370

somewhere in the Americas or things like

766

00:34:22,550 --> 00:34:20,730

that what do you think about all that do

767

00:34:25,190 --> 00:34:22,560

you have an opinion on on the

768

00:34:28,400 --> 00:34:25,200

possibility that you know we were

769

00:34:29,560 --> 00:34:28,410

visited by other countries way you know

770

00:34:33,440 --> 00:34:29,570

that weren't supposed to be here

771

00:34:34,970 --> 00:34:33,450

pre-columbian oh it's so interesting is

772

00:34:37,460 --> 00:34:34,980

one of the things I talk about in the

773

00:34:39,800 --> 00:34:37,470

presentations is cranial deformation and

774

00:34:42,169 --> 00:34:39,810

if anybody's ever watched ancient aliens

775

00:34:44,450 --> 00:34:42,179

which I'm sure a lot of your listeners

776
00:34:47,090 --> 00:34:44,460
probably have that's something I worked

777
00:34:49,130 --> 00:34:47,100
into the talks and the Mayans were very

778
00:34:53,840 --> 00:34:49,140
heavy into cranial deformation as

779
00:34:56,060 --> 00:34:53,850
whereas as well as the Germanic Huns and

780
00:34:58,970 --> 00:34:56,070
other cold Aegon ancestral Pueblo and

781
00:35:02,060 --> 00:34:58,980
there's evidence of the Hohokam people

782
00:35:04,730 --> 00:35:02,070
here in Phoenix there's been skull found

783
00:35:07,160 --> 00:35:04,740
that they think the reason for these

784
00:35:09,440 --> 00:35:07,170
deformations is to kind of prey to alien

785
00:35:11,840 --> 00:35:09,450
gods they or because of sightings

786
00:35:14,030 --> 00:35:11,850
they've had in things like that the

787
00:35:16,220 --> 00:35:14,040
Mayans in particular and a lot of cases

788
00:35:19,040 --> 00:35:16,230

their d forms because the one and put

789

00:35:21,440 --> 00:35:19,050

them put their babies and and these

790

00:35:23,180 --> 00:35:21,450

cradle boards and working in the fields

791

00:35:25,910 --> 00:35:23,190

and things like that so after time their

792

00:35:27,410 --> 00:35:25,920

skulls get deformed but the Mayans

793

00:35:30,200 --> 00:35:27,420

actually had deliberate skull

794

00:35:33,080 --> 00:35:30,210

deformation it was it was like a major

795

00:35:35,330 --> 00:35:33,090

cultural thing and when one of the

796

00:35:37,250 --> 00:35:35,340

Spanish explorers actually asked one of

797

00:35:39,710 --> 00:35:37,260

the minds why do you do this they said

798

00:35:41,820 --> 00:35:39,720

quote this is done because our ancestors

799

00:35:44,580 --> 00:35:41,830

were told by the gods

800

00:35:46,800 --> 00:35:44,590

that if our heads would thus formed we

801
00:35:49,890 --> 00:35:46,810
should appear noble and handsome and

802
00:35:51,660 --> 00:35:49,900
better able to bear burdens when you

803
00:35:54,960 --> 00:35:51,670
consider the size of the skull that kind

804
00:35:56,370 --> 00:35:54,970
of makes sense so I mean there is I

805
00:36:01,080 --> 00:35:56,380
don't know if I necessarily agree with

806
00:36:02,640 --> 00:36:01,090
the actual alien pie in stats just the

807
00:36:04,770 --> 00:36:02,650
size of the skull better able to bear

808
00:36:07,200 --> 00:36:04,780
burdens and make them they actually

809
00:36:10,400 --> 00:36:07,210
consider to make it more attractive have

810
00:36:16,200 --> 00:36:10,410
you ever heard of the lloyd pye sauce

811
00:36:18,330 --> 00:36:16,210
Starchild skull yes actually i did i

812
00:36:20,910 --> 00:36:18,340
tried to get ahold of someone from that

813
00:36:22,220 --> 00:36:20,920

experiment who are from that project to

814

00:36:24,780 --> 00:36:22,230

be on my show and I never heard that

815

00:36:27,480 --> 00:36:24,790

yeah Lloyd passed away I think it was

816

00:36:30,120 --> 00:36:27,490

two years ago now or so somewhere around

817

00:36:34,110 --> 00:36:30,130

there and I'm curious to find out what

818

00:36:37,140 --> 00:36:34,120

what the status is of that it's kind of

819

00:36:40,080 --> 00:36:37,150

funny for some reason that show i did

820

00:36:42,960 --> 00:36:40,090

with lloyd pye is my absolute number one

821

00:36:46,110 --> 00:36:42,970

listen to show it's still it's still

822

00:36:50,460 --> 00:36:46,120

getting thousands of listening listens I

823

00:36:52,050 --> 00:36:50,470

don't know exactly why that but I guess

824

00:36:55,410 --> 00:36:52,060

there's a lot of people interested in

825

00:36:58,110 --> 00:36:55,420

that and in particular that skull is

826

00:37:01,680 --> 00:36:58,120

very very puzzling it's almost beyond

827

00:37:03,540 --> 00:37:01,690

deformity yeah it's pretty interesting

828

00:37:04,860 --> 00:37:03,550

compared to like you know like I was

829

00:37:09,120 --> 00:37:04,870

just talking about the normal cranial

830

00:37:10,800 --> 00:37:09,130

deformation and stuff like that and it's

831

00:37:12,390 --> 00:37:10,810

sort of like the Starchild a lot of

832

00:37:14,970 --> 00:37:12,400

people I dog to say what is that what is

833

00:37:18,090 --> 00:37:14,980

the Starchild but there's so much more

834

00:37:19,530 --> 00:37:18,100

beyond that I mean star chosen I can

835

00:37:22,740 --> 00:37:19,540

send a way all of us the star children

836

00:37:24,870 --> 00:37:22,750

but there's a purpose for star children

837

00:37:26,160 --> 00:37:24,880

that and I'm sure you know this problem

838

00:37:27,810 --> 00:37:26,170

is touched on during your interview with

839

00:37:30,510 --> 00:37:27,820

him but there's a reason and that star

840

00:37:34,140 --> 00:37:30,520

children are here supposedly to make the

841

00:37:38,210 --> 00:37:34,150

planet better and stronger we've got so

842

00:37:41,730 --> 00:37:38,220

many wars going on and it's just I mean

843

00:37:44,640 --> 00:37:41,740

it's it's really scary in my opinion the

844

00:37:45,990 --> 00:37:44,650

direction we're heading and four star

845

00:37:47,640 --> 00:37:46,000

children there's different levels of

846

00:37:48,870 --> 00:37:47,650

starch Mulder and a lot of sight she

847

00:37:52,170 --> 00:37:48,880

belong will say there's three different

848

00:37:54,630 --> 00:37:52,180

types rainbow and crystal and indigo

849

00:37:55,760 --> 00:37:54,640

being the three main types but I've

850

00:37:58,280 --> 00:37:55,770

actually talked to pee

851
00:38:00,230 --> 00:37:58,290
bull who had two different categories to

852
00:38:03,560 --> 00:38:00,240
that platinum and diamonds who are the

853
00:38:05,000 --> 00:38:03,570
newer versions of star children and one

854
00:38:06,530 --> 00:38:05,010
of these people and I've talked to other

855
00:38:09,050 --> 00:38:06,540
people as well that can actually they

856
00:38:10,880 --> 00:38:09,060
have the ability to download languages

857
00:38:13,340 --> 00:38:10,890
from alien species they'll just find

858
00:38:15,560 --> 00:38:13,350
themselves talking these specific

859
00:38:19,460 --> 00:38:15,570
languages and I'm sure in some cases

860
00:38:21,560 --> 00:38:19,470
it's totally fake but this one woman I

861
00:38:23,210 --> 00:38:21,570
know she's highly intelligent and just

862
00:38:24,620 --> 00:38:23,220
the fact that she can do that and I

863
00:38:27,320 --> 00:38:24,630

think I met somebody else at the UFO

864

00:38:29,150 --> 00:38:27,330

Congress to that either said they need

865

00:38:30,350 --> 00:38:29,160

somebody that did that and it might have

866

00:38:32,680 --> 00:38:30,360

been somebody at the conference

867

00:38:35,390 --> 00:38:32,690

themselves but it's pretty fascinating

868

00:38:38,240 --> 00:38:35,400

what's happening and the abilities that

869

00:38:41,900 --> 00:38:38,250

these star children have I mean some of

870

00:38:46,280 --> 00:38:41,910

them can even contact extraterrestrials

871

00:38:50,060 --> 00:38:46,290

and called at the UFOs to earn their

872

00:38:52,430 --> 00:38:50,070

telepathic they can levitate and they

873

00:38:54,830 --> 00:38:52,440

actually let them have physical

874

00:38:56,540 --> 00:38:54,840

characteristics like that of an actual

875

00:38:58,760 --> 00:38:56,550

alien there their skulls of the big

876
00:39:00,860 --> 00:38:58,770
skulls they have a large almond-shaped

877
00:39:03,520 --> 00:39:00,870
eyes and in my fourth book I actually

878
00:39:07,040 --> 00:39:03,530
develop a character she's a star child

879
00:39:08,780 --> 00:39:07,050
based on that description kind of where

880
00:39:12,380 --> 00:39:08,790
where are these descriptions coming from

881
00:39:13,820 --> 00:39:12,390
Oh as far as the start or they

882
00:39:17,360 --> 00:39:13,830
supposedly well the physical

883
00:39:18,980 --> 00:39:17,370
characteristics there's there's

884
00:39:20,840 --> 00:39:18,990
different sites I've looked on and they

885
00:39:22,820 --> 00:39:20,850
all you know kind of share the same

886
00:39:24,410 --> 00:39:22,830
characteristics may think because they

887
00:39:26,690 --> 00:39:24,420
are star children and they do have that

888
00:39:28,310 --> 00:39:26,700

ability a lot of them are said to look

889

00:39:31,970 --> 00:39:28,320

just like that and I've kind of seen

890

00:39:33,920 --> 00:39:31,980

pictures of some I think a lot of them

891

00:39:36,260 --> 00:39:33,930

just looks like normal children it's

892

00:39:38,750 --> 00:39:36,270

just they have those they have

893

00:39:40,270 --> 00:39:38,760

extrasensory abilities they they're just

894

00:39:43,130 --> 00:39:40,280

remarkable and what they can do

895

00:39:45,290 --> 00:39:43,140

particularly calling aliens to the plan

896

00:39:47,870 --> 00:39:45,300

at being able to communicate with aliens

897

00:39:49,820 --> 00:39:47,880

I don't know if that necessarily means

898

00:39:51,370 --> 00:39:49,830

they're being abducted I don't think so

899

00:39:54,020 --> 00:39:51,380

i think it's on a whole different level

900

00:39:56,240 --> 00:39:54,030

but there's some remarkable abilities

901
00:39:58,310 --> 00:39:56,250
being able to walk by you know i

902
00:40:00,260 --> 00:39:58,320
actually have a friend in roswell that

903
00:40:02,660 --> 00:40:00,270
took a test there's test you can take to

904
00:40:05,660 --> 00:40:02,670
determine if you're a star child I'm not

905
00:40:07,970 --> 00:40:05,670
necessarily you know i'm not i wouldn't

906
00:40:09,770 --> 00:40:07,980
call that scientific evidence but i

907
00:40:12,740 --> 00:40:09,780
talked to people who say that

908
00:40:14,210 --> 00:40:12,750
they can walk by light bulbs and on the

909
00:40:16,730 --> 00:40:14,220
street lamps and things like that and

910
00:40:18,050 --> 00:40:16,740
they'll explode and there's that's

911
00:40:19,610 --> 00:40:18,060
supposed to be a main thing as well a

912
00:40:21,530 --> 00:40:19,620
main characteristic I've heard a lot of

913
00:40:23,510 --> 00:40:21,540

people say that I always wanted to be

914

00:40:25,670 --> 00:40:23,520

able to do that thank you that would be

915

00:40:28,820 --> 00:40:25,680

kind of cool I've never been able to do

916

00:40:30,980 --> 00:40:28,830

that you know one of the things that

917

00:40:33,950 --> 00:40:30,990

getting back to the Native American

918

00:40:39,080 --> 00:40:33,960

culture and the Hopi I believe it's the

919

00:40:41,690 --> 00:40:39,090

Hopi that have Kachina dolls yeah yeah

920

00:40:43,670 --> 00:40:41,700

and what what is uh what is the story

921

00:40:45,410 --> 00:40:43,680

behind the Kachina doll so I've heard

922

00:40:47,690 --> 00:40:45,420

people some people say it has something

923

00:40:51,290 --> 00:40:47,700

to do it you know star people or

924

00:40:54,620 --> 00:40:51,300

something like that but but I don't even

925

00:40:56,210 --> 00:40:54,630

know what the background is on that well

926

00:40:57,500 --> 00:40:56,220

I'm kind of still studying a lot of the

927

00:41:01,070 --> 00:40:57,510

culture I've been studying is just

928

00:41:04,790 --> 00:41:01,080

Navajo and some Hopi but the changes are

929

00:41:06,560 --> 00:41:04,800

essentially gods and they kind of

930

00:41:08,660 --> 00:41:06,570

returned to the different nouns and some

931

00:41:11,210 --> 00:41:08,670

different areas here in Arizona and they

932

00:41:14,330 --> 00:41:11,220

are considered yes to be from the stars

933

00:41:17,350 --> 00:41:14,340

very very spiritual beings and they're

934

00:41:20,570 --> 00:41:17,360

tied into the daily lives at the Hopi

935

00:41:23,420 --> 00:41:20,580

uh-huh and and these some of these

936

00:41:25,790 --> 00:41:23,430

examples I'm being in the you know fine

937

00:41:29,210 --> 00:41:25,800

arts and antiques I've handled pretty

938

00:41:32,360 --> 00:41:29,220

early Kachina dolls a pan they've been

939

00:41:36,050 --> 00:41:32,370

around for a long time I don't know when

940

00:41:38,050 --> 00:41:36,060

the tradition started but but but there

941

00:41:40,970 --> 00:41:38,060

some of them are absolutely beautiful

942

00:41:44,210 --> 00:41:40,980

and it said like if the Navajo do have

943

00:41:45,920 --> 00:41:44,220

versions of Kachina dolls but the Hopi

944

00:41:47,870 --> 00:41:45,930

or said to be the real authentic thing

945

00:41:49,700 --> 00:41:47,880

and it's not like the Navajo I'm going

946

00:41:54,110 --> 00:41:49,710

to make some remarkable looking ones too

947

00:41:55,850 --> 00:41:54,120

but I believe what the Hopi I think it

948

00:41:57,740 --> 00:41:55,860

starts like with the with the children

949

00:42:00,320 --> 00:41:57,750

when they're babies i think the Kachinas

950

00:42:03,230 --> 00:42:00,330

kind of tied in with that and was

951
00:42:06,170 --> 00:42:03,240
helping them develop and it kind of ties

952
00:42:07,850 --> 00:42:06,180
into the children to say well more so

953
00:42:10,580 --> 00:42:07,860
though the little girls and little

954
00:42:12,710 --> 00:42:10,590
babies that are born I'm so kind of

955
00:42:15,800 --> 00:42:12,720
starts with that but yes then that goes

956
00:42:18,740 --> 00:42:15,810
back quite a ways now does any of your

957
00:42:21,680 --> 00:42:18,750
research or any of this go into Mexico

958
00:42:24,430 --> 00:42:21,690
itself or is it all like basically in

959
00:42:27,620 --> 00:42:24,440
the in the states

960
00:42:29,030 --> 00:42:27,630
mostly in the States but I've done like

961
00:42:30,980 --> 00:42:29,040
his first that when I mentioned the

962
00:42:33,980 --> 00:42:30,990
cranial deformation it kind of ties back

963
00:42:36,110 --> 00:42:33,990

to the Mayans and I've done some

964

00:42:39,080 --> 00:42:36,120

studying as far as Mesoamerica because

965

00:42:41,840 --> 00:42:39,090

there was talk of traders that went back

966

00:42:43,820 --> 00:42:41,850

and forth from they were kind of elite

967

00:42:45,620 --> 00:42:43,830

merchant military class and they went

968

00:42:48,650 --> 00:42:45,630

back and forth they were traders between

969

00:42:50,920 --> 00:42:48,660

Mesoamerica and made the Chaco Canyon

970

00:42:56,060 --> 00:42:50,930

area four corners and things like that

971

00:43:00,380 --> 00:42:56,070

mm-hmm I was thinking of some of the

972

00:43:02,630 --> 00:43:00,390

tomb shaft figures that come out are

973

00:43:04,190 --> 00:43:02,640

really really bizarre talk about alien

974

00:43:07,100 --> 00:43:04,200

looking you never see too much about

975

00:43:09,260 --> 00:43:07,110

that either on TV or anything or ancient

976

00:43:11,690 --> 00:43:09,270

aliens I don't know if I ever I haven't

977

00:43:13,300 --> 00:43:11,700

watched a whole lot of that but I've

978

00:43:17,210 --> 00:43:13,310

never really seen some of these

979

00:43:21,650 --> 00:43:17,220

pre-columbian figures that are you know

980

00:43:26,300 --> 00:43:21,660

there's also the trying to remember that

981

00:43:27,950 --> 00:43:26,310

the sort of of Chinese looking and that

982

00:43:31,460 --> 00:43:27,960

there's a name for that just slips my

983

00:43:34,760 --> 00:43:31,470

mind right now but there was these were

984

00:43:37,280 --> 00:43:34,770

dug up for you know 2,000 years old in

985

00:43:40,040 --> 00:43:37,290

these tombs shafts by usually by farmers

986

00:43:41,690 --> 00:43:40,050

in the Mexican fields would dig these

987

00:43:43,460 --> 00:43:41,700

figures up but talk about looking like

988

00:43:45,080 --> 00:43:43,470

aliens they should have more pictures of

989

00:43:46,400 --> 00:43:45,090

those out there have you ever do you

990

00:43:51,620 --> 00:43:46,410

understand what I'm talking about these

991

00:43:53,750 --> 00:43:51,630

these are clay figures now I have to

992

00:43:55,160 --> 00:43:53,760

figure I know I'd have to do research on

993

00:43:56,630 --> 00:43:55,170

that I don't know anything about those I

994

00:43:59,690 --> 00:43:56,640

mean I know there are similar symbols

995

00:44:00,920 --> 00:43:59,700

like when you hear information about the

996

00:44:04,430 --> 00:44:00,930

feathered serpent and things like that

997

00:44:09,050 --> 00:44:04,440

associated with me so America there's a

998

00:44:11,540 --> 00:44:09,060

village paquimé in Mesoamerica and you

999

00:44:14,180 --> 00:44:11,550

would actually see similar symbols found

1000

00:44:16,940 --> 00:44:14,190

in [h__\h] me in Chaco Canyon and things

1001

00:44:18,170 --> 00:44:16,950

like that there's similar statues and

1002

00:44:19,970 --> 00:44:18,180

similar symbols that would be found

1003

00:44:24,320 --> 00:44:19,980

between both villages so I know there's

1004

00:44:26,450 --> 00:44:24,330

been a lot of question is to migrations

1005

00:44:29,090 --> 00:44:26,460

and the type of people lived in azle

1006

00:44:32,330 --> 00:44:29,100

America land their migrations into Chaco

1007

00:44:35,120 --> 00:44:32,340

Canyon and into that area yeah we always

1008

00:44:37,670 --> 00:44:35,130

think of the border of between the u.s.

1009

00:44:39,530 --> 00:44:37,680

in Mexico but you know

1010

00:44:41,600 --> 00:44:39,540

you go back out a couple thousand years

1011

00:44:44,060 --> 00:44:41,610

well actually just a few hundred years

1012

00:44:46,340 --> 00:44:44,070

and it wasn't you know it wasn't there

1013

00:44:53,090 --> 00:44:46,350

so that's that's kind of where that that

1014

00:44:55,310 --> 00:44:53,100

came from anyway what are some other

1015

00:44:57,620 --> 00:44:55,320

things that when you were doing your

1016

00:45:00,410 --> 00:44:57,630

research that you've uncovered as far as

1017

00:45:04,880 --> 00:45:00,420

like the stories of the Native American

1018

00:45:09,440 --> 00:45:04,890

stories in relation to you know the star

1019

00:45:11,030 --> 00:45:09,450

children I'll see well imma star star

1020

00:45:13,910 --> 00:45:11,040

children I've just been doing a lot of

1021

00:45:16,160 --> 00:45:13,920

research on their abilities the types of

1022

00:45:18,830 --> 00:45:16,170

star children may be their physical

1023

00:45:20,660 --> 00:45:18,840

characteristics most i believe just

1024

00:45:23,650 --> 00:45:20,670

looks fairly normal i think they're

1025

00:45:26,870 --> 00:45:23,660

already exceptions i must come across

1026
00:45:29,840 --> 00:45:26,880
some Navajo mythology one of the main

1027
00:45:32,210 --> 00:45:29,850
locations and the second book and I

1028
00:45:33,950 --> 00:45:32,220
think it's mentioned and some of the

1029
00:45:37,640 --> 00:45:33,960
other books after that is part of the

1030
00:45:39,200 --> 00:45:37,650
series is Shiprock peak and there's

1031
00:45:41,570 --> 00:45:39,210
certain mythology and legend behind

1032
00:45:44,990 --> 00:45:41,580
Shiprock peak as well as a lot of other

1033
00:45:46,100 --> 00:45:45,000
sacred sites in particular to the star

1034
00:45:47,990 --> 00:45:46,110
children I don't know if that

1035
00:45:50,630 --> 00:45:48,000
necessarily right necessarily relates

1036
00:45:52,340 --> 00:45:50,640
back to the star children but Shiprock

1037
00:45:54,170 --> 00:45:52,350
peak is actually said some of these

1038
00:45:56,210 --> 00:45:54,180

sites are actually said to have UFO

1039

00:45:59,090 --> 00:45:56,220

bases underneath and that's one of them

1040

00:46:01,460 --> 00:45:59,100

I was doing a signing in Flagstaff and I

1041

00:46:04,400 --> 00:46:01,470

can't remember she was Navajo or Hopi or

1042

00:46:05,480 --> 00:46:04,410

if he said but um he mentioned it he's

1043

00:46:09,380 --> 00:46:05,490

like did you know they were actually

1044

00:46:12,020 --> 00:46:09,390

UFOs under Shiprock Pete and I know it's

1045

00:46:13,960 --> 00:46:12,030

all changing Mexico I think a lot of

1046

00:46:17,540 --> 00:46:13,970

people know about that one that was

1047

00:46:20,660 --> 00:46:17,550

supposedly a base as well and Shiprock

1048

00:46:21,950 --> 00:46:20,670

peak is a very strong location you just

1049

00:46:23,480 --> 00:46:21,960

type it in and you get all kinds of

1050

00:46:25,730 --> 00:46:23,490

pretty fascinating information that

1051

00:46:27,680 --> 00:46:25,740

comes up about it and they're supposedly

1052

00:46:29,660 --> 00:46:27,690

ley lines associated with a Shiprock

1053

00:46:33,230 --> 00:46:29,670

peak and things like that as well so

1054

00:46:35,240 --> 00:46:33,240

it's a very interesting location a very

1055

00:46:37,340 --> 00:46:35,250

high energy location some people think

1056

00:46:40,700 --> 00:46:37,350

Sedona Arizona is a pretty high energy

1057

00:46:43,790 --> 00:46:40,710

association but to me which it is but

1058

00:46:47,180 --> 00:46:43,800

Shiprock peak kind of blows that way you

1059

00:46:48,800 --> 00:46:47,190

just drive up to it and the energy you

1060

00:46:51,080 --> 00:46:48,810

feel I mean you can actually feel the

1061

00:46:51,500 --> 00:46:51,090

humming and the energy behind it now

1062

00:46:53,300 --> 00:46:51,510

just

1063

00:46:56,270 --> 00:46:53,310

I mean there's a UFO base underneath no

1064

00:46:58,520 --> 00:46:56,280

not necessarily but my husband and I

1065

00:47:01,520 --> 00:46:58,530

visited their ex husband about 20 years

1066

00:47:04,250 --> 00:47:01,530

ago and he decided to relieve himself on

1067

00:47:06,380 --> 00:47:04,260

the base of Shiprock and all of a sudden

1068

00:47:08,180 --> 00:47:06,390

a woman's voice I know yeah if I was

1069

00:47:09,980 --> 00:47:08,190

just lookin like you're nuts and all of

1070

00:47:12,020 --> 00:47:09,990

a sudden a woman's voice just rang out

1071

00:47:13,730 --> 00:47:12,030

and there was no one around no cars this

1072

00:47:15,290 --> 00:47:13,740

is this is like the middle of the

1073

00:47:16,910 --> 00:47:15,300

reservation out there kind of I mean

1074

00:47:19,700 --> 00:47:16,920

it's getting a little bit more developed

1075

00:47:22,220 --> 00:47:19,710

but all of a sudden a woman's voice rang

1076

00:47:24,050 --> 00:47:22,230

out and she just redid her singing and

1077

00:47:25,280 --> 00:47:24,060

it sounds like an older woman but you

1078

00:47:27,920 --> 00:47:25,290

know it's kind of a little hard to tell

1079

00:47:29,180 --> 00:47:27,930

but people get the shivers on I told him

1080

00:47:31,340 --> 00:47:29,190

that he looked at me and he's like you

1081

00:47:35,630 --> 00:47:31,350

know I think I should have done yeah

1082

00:47:37,010 --> 00:47:35,640

that'll stop him so people laugh when I

1083

00:47:38,870 --> 00:47:37,020

tell them that even matter their eyes

1084

00:47:42,350 --> 00:47:38,880

get really big or like your ex-husband

1085

00:47:45,020 --> 00:47:42,360

wasn't that bright was the other oh that

1086

00:47:47,420 --> 00:47:45,030

was a very interesting experience that

1087

00:47:50,510 --> 00:47:47,430

like that really was yeah you know I

1088

00:47:55,010 --> 00:47:50,520

think there is something to these of

1089

00:47:56,900 --> 00:47:55,020

these places in regards to some type of

1090

00:47:59,510 --> 00:47:56,910

energy I mean there's a lot of things

1091

00:48:02,510 --> 00:47:59,520

that just don't make any sense as far as

1092

00:48:05,630 --> 00:48:02,520

you know the say the paranormal activity

1093

00:48:07,580 --> 00:48:05,640

in a certain area you know and it just

1094

00:48:10,820 --> 00:48:07,590

it just really makes you wonder you know

1095

00:48:12,740 --> 00:48:10,830

with a lot of times it comes up the

1096

00:48:15,920 --> 00:48:12,750

skinwalker ranch and I just heard from

1097

00:48:18,320 --> 00:48:15,930

George nap today that you know hopefully

1098

00:48:21,350 --> 00:48:18,330

in May I'm sorry in March he's going to

1099

00:48:23,270 --> 00:48:21,360

be on our show and talk about that you

1100

00:48:24,680 --> 00:48:23,280

know that that fascinates me and there's

1101
00:48:27,430 --> 00:48:24,690
so many things that were going on there

1102
00:48:30,800 --> 00:48:27,440
and you know I know that's north of

1103
00:48:33,110 --> 00:48:30,810
northwest of Phoenix by many hundreds of

1104
00:48:35,840 --> 00:48:33,120
miles but you know that's just all

1105
00:48:37,820 --> 00:48:35,850
fascinates me yeah that's it that was a

1106
00:48:39,850 --> 00:48:37,830
fascinating location it was all kind of

1107
00:48:44,000 --> 00:48:39,860
adjusting stuff going on at that place

1108
00:48:45,620 --> 00:48:44,010
yeah UFO sightings for many years and

1109
00:48:49,010 --> 00:48:45,630
their native american cultures all

1110
00:48:50,810 --> 00:48:49,020
around there as well yeah and then

1111
00:48:52,580 --> 00:48:50,820
there's all kinds of like I think cattle

1112
00:48:55,490 --> 00:48:52,590
mutilations were involved in that and

1113
00:48:57,890 --> 00:48:55,500

you know UFOs and skinwalker yeah yeah

1114

00:49:02,630 --> 00:48:57,900

and keep going there's like trip toys

1115

00:49:04,910 --> 00:49:02,640

and Bigfoot and large wolves and dogs

1116

00:49:05,180 --> 00:49:04,920

and yeah boy I mean just so much stuff

1117

00:49:08,390 --> 00:49:05,190

you

1118

00:49:10,430 --> 00:49:08,400

it just seems like a a science-fiction

1119

00:49:12,859 --> 00:49:10,440

movie you know the things that people

1120

00:49:15,020 --> 00:49:12,869

were reporting there and you know there

1121

00:49:18,710 --> 00:49:15,030

were people that were taking some

1122

00:49:21,220 --> 00:49:18,720

serious scientific study there after Bob

1123

00:49:23,690 --> 00:49:21,230

Bigelow you know bought the ranch and

1124

00:49:26,030 --> 00:49:23,700

you know they really looked into things

1125

00:49:28,599 --> 00:49:26,040

that were really happening but

1126

00:49:30,710 --> 00:49:28,609

unexplainable still and of course

1127

00:49:34,010 --> 00:49:30,720

everyone wants to know about evidence

1128

00:49:35,390 --> 00:49:34,020

that's always the tough part a lot of

1129

00:49:38,359 --> 00:49:35,400

people i think thought that that was

1130

00:49:39,890 --> 00:49:38,369

drummed up and a lot of mistake and i

1131

00:49:41,569 --> 00:49:39,900

met the family suppose we only lived

1132

00:49:42,829 --> 00:49:41,579

there for two two and a half years and

1133

00:49:44,990 --> 00:49:42,839

then moved out because the amount of

1134

00:49:49,520 --> 00:49:45,000

stuff going on but yeah they couldn't

1135

00:49:52,400 --> 00:49:49,530

take it anymore yes it's pretty heavy

1136

00:49:53,960 --> 00:49:52,410

duty if all that is true so right now

1137

00:49:57,079 --> 00:49:53,970

there any other places that you're aware

1138

00:49:59,839 --> 00:49:57,089

about you said is it Sonoma know what

1139

00:50:02,480 --> 00:49:59,849

was the name of it oh the pizza's

1140

00:50:05,440 --> 00:50:02,490

Shiprock teeth yeah there any other

1141

00:50:09,230 --> 00:50:05,450

places like that that you're aware of

1142

00:50:11,000 --> 00:50:09,240

that she visitor well that's as far as

1143

00:50:14,960 --> 00:50:11,010

all the ones all of them were kind of

1144

00:50:17,780 --> 00:50:14,970

spiritual to me they just because I have

1145

00:50:19,880 --> 00:50:17,790

you know I've had my approved in their

1146

00:50:23,450 --> 00:50:19,890

past lives as a Native American a lot of

1147

00:50:25,069 --> 00:50:23,460

course a lot of people have it's you

1148

00:50:28,069 --> 00:50:25,079

know that's no surprise a lot of people

1149

00:50:31,220 --> 00:50:28,079

feel they have ties to Native American

1150

00:50:33,710 --> 00:50:31,230

pass some have had many so for me to

1151

00:50:36,349 --> 00:50:33,720

visit Indian ruins petroglyphs and

1152

00:50:39,140 --> 00:50:36,359

things like that are very spiritual very

1153

00:50:40,670 --> 00:50:39,150

important when I go to national parks

1154

00:50:43,670 --> 00:50:40,680

which a lot of the locations in the

1155

00:50:46,940 --> 00:50:43,680

books our national parks or BLM land

1156

00:50:49,430 --> 00:50:46,950

things like that it's pretty much to

1157

00:50:52,010 --> 00:50:49,440

Chaco Canyon is an amazing place mm-hmm

1158

00:50:55,490 --> 00:50:52,020

and I've talked to there's a geologist

1159

00:50:56,990 --> 00:50:55,500

author friend that you know she she

1160

00:50:59,240 --> 00:50:57,000

feels she has ties to a lot of these

1161

00:51:00,620 --> 00:50:59,250

places as well and Stonehenge she said

1162

00:51:03,079 --> 00:51:00,630

my thing she said Stonehenge was the

1163

00:51:04,880 --> 00:51:03,089

most powerful place for her so I think

1164

00:51:08,000 --> 00:51:04,890

for each person it's different but for

1165

00:51:10,280 --> 00:51:08,010

me I by making an effort to visit Indian

1166

00:51:12,319 --> 00:51:10,290

ruins and I prefer to visit more remote

1167

00:51:14,890 --> 00:51:12,329

locations like them in the four corners

1168

00:51:17,420 --> 00:51:14,900

on the border of Colorado and Utah was

1169

00:51:18,380 --> 00:51:17,430

both hub and wheat National Monument and

1170

00:51:20,329 --> 00:51:18,390

canyon at the

1171

00:51:22,069 --> 00:51:20,339

agency kind of it's interesting because

1172

00:51:25,250 --> 00:51:22,079

you've got national park land that kind

1173

00:51:26,960 --> 00:51:25,260

of crosses over with BLM land or the

1174

00:51:30,049 --> 00:51:26,970

bureau of land management but there's

1175

00:51:31,370 --> 00:51:30,059

some amazing just hundreds and hundreds

1176

00:51:34,579 --> 00:51:31,380

of sites some of which are still

1177

00:51:37,009 --> 00:51:34,589

undiscovered and just amazing sights up

1178

00:51:39,680 --> 00:51:37,019

there the one that's a cover it's on the

1179

00:51:41,690 --> 00:51:39,690

cover of my third book is part of canyon

1180

00:51:44,329 --> 00:51:41,700

of the Ancients and it's called painted

1181

00:51:45,950 --> 00:51:44,339

hand Pueblo and it's a cool little site

1182

00:51:48,470 --> 00:51:45,960

it's kind of like a steep trail that

1183

00:51:49,819 --> 00:51:48,480

goes down to it but it's not a long-lost

1184

00:51:52,370 --> 00:51:49,829

just kind of walk around some of the

1185

00:51:54,200 --> 00:51:52,380

ruins and then go back up but that's

1186

00:51:56,870 --> 00:51:54,210

just one of the many many sites there

1187

00:51:59,240 --> 00:51:56,880

that's that you can explore its you

1188

00:52:03,319 --> 00:51:59,250

could spend years out there exploring

1189

00:52:07,839 --> 00:52:03,329

Wow well I was some oh I don't know in

1190

00:52:10,880 --> 00:52:07,849

my 20s or so I went to four corners and

1191

00:52:12,380 --> 00:52:10,890

there was something really i mean i felt

1192

00:52:14,539 --> 00:52:12,390

like i had to get the heck out of there

1193

00:52:18,069 --> 00:52:14,549

I don't know there was a really weird

1194

00:52:21,980 --> 00:52:18,079

area I don't know how else to explain

1195

00:52:26,390 --> 00:52:21,990

the feeling I had you know probably

1196

00:52:29,089 --> 00:52:26,400

nothing paranormal at all but I was it

1197

00:52:31,880 --> 00:52:29,099

just kind of a negative feeling yeah yes

1198

00:52:34,880 --> 00:52:31,890

it was it was like get out of here

1199

00:52:37,700 --> 00:52:34,890

something you know felt like yep almost

1200

00:52:39,920 --> 00:52:37,710

like there was some type of danger so we

1201
00:52:42,950 --> 00:52:39,930
have just a minute or so left do you

1202
00:52:44,779 --> 00:52:42,960
have you do have a website right um yes

1203
00:52:47,630 --> 00:52:44,789
my books three books that are out now

1204
00:52:49,970 --> 00:52:47,640
are on Amazon both in print and ebook

1205
00:52:53,059 --> 00:52:49,980
but yeah I do have a site on bird press

1206
00:52:56,720 --> 00:52:53,069
and you can either go WordPress and just

1207
00:53:01,249 --> 00:52:56,730
type in my name or LH my initials for

1208
00:53:03,380 --> 00:53:01,259
Lori Hines author a utho our wordpress

1209
00:53:06,829 --> 00:53:03,390
com and that will take you right to my

1210
00:53:09,950 --> 00:53:06,839
website well very good well it's been a

1211
00:53:12,620 --> 00:53:09,960
real pleasure it was you were very kind

1212
00:53:14,180 --> 00:53:12,630
when we sat next to gether and it's been

1213
00:53:16,220 --> 00:53:14,190

a real pleasure speaking to you tonight

1214

00:53:17,769 --> 00:53:16,230

I was great meeting you as well I

1215

00:53:21,349 --> 00:53:17,779

appreciate you having me on the show

1216

00:53:23,240 --> 00:53:21,359

very good thank you and I'm going to be

1217

00:53:25,160 --> 00:53:23,250

signing you off and I don't do this very

1218

00:53:27,049 --> 00:53:25,170

often switch guests in the middle of the

1219

00:53:29,720 --> 00:53:27,059

stream here but if you're listening live

1220

00:53:42,880 --> 00:53:29,730

hang in and thanks again Lori all right

1221

00:53:48,620 --> 00:53:46,640

yes I was by a fan of the show moot

1222

00:53:51,710 --> 00:53:48,630

Davis is his name you can google him

1223

00:53:54,349 --> 00:53:51,720

he's on tour right now a great guy fan

1224

00:53:56,990 --> 00:53:54,359

of the show Stephen how are you I'm just

1225

00:54:00,140 --> 00:53:57,000

I'm Martin how are you good it's a I

1226

00:54:01,849 --> 00:54:00,150

think it's a little better okay doesn't

1227

00:54:04,099 --> 00:54:01,859

sound no quite the same as it usually

1228

00:54:07,099 --> 00:54:04,109

does when we speak but we're going to go

1229

00:54:09,800 --> 00:54:07,109

with it at the way it is regardless so

1230

00:54:11,780 --> 00:54:09,810

Steve I always have a special place on

1231

00:54:13,250 --> 00:54:11,790

this show for you because you were the

1232

00:54:15,109 --> 00:54:13,260

first one that believed me you were my

1233

00:54:18,829 --> 00:54:15,119

very first guests and you're always

1234

00:54:22,250 --> 00:54:18,839

welcome thank you and and you've been on

1235

00:54:24,920 --> 00:54:22,260

a number of times and we haven't spoken

1236

00:54:27,500 --> 00:54:24,930

die think about a year and a half last

1237

00:54:28,940 --> 00:54:27,510

time I was out in your area I think we

1238

00:54:30,650 --> 00:54:28,950

try to connect but it just didn't work

1239

00:54:33,200 --> 00:54:30,660

out we're going to have lunch or

1240

00:54:37,579 --> 00:54:33,210

something I think mmm yes not long

1241

00:54:40,120 --> 00:54:37,589

amazing yes so what is going on I know

1242

00:54:43,550 --> 00:54:40,130

we could talk a little bit about a

1243

00:54:45,109 --> 00:54:43,560

Podesta and things like that but let's

1244

00:54:51,890 --> 00:54:45,119

lets just hear what's going on with you

1245

00:54:53,900 --> 00:54:51,900

these days well I be or g shifty fruity

1246

00:54:57,740 --> 00:54:53,910

our record of the video video record of

1247

00:55:02,990 --> 00:54:57,750

the Citizen hearing on disclosure to the

1248

00:55:05,390 --> 00:55:03,000

US Congress of 538 offices on an early

1249

00:55:08,599 --> 00:55:05,400

November and those who have arrived

1250

00:55:11,560 --> 00:55:08,609

throughout the month of November the 10

1251
00:55:15,050 --> 00:55:11,570
guests DVD set congressional version

1252
00:55:19,520 --> 00:55:15,060
noncommercial i arrived in Washington

1253
00:55:22,220 --> 00:55:19,530
around November 20 furrow and set up

1254
00:55:24,380 --> 00:55:22,230
shop thinking about trying to make a

1255
00:55:26,329 --> 00:55:24,390
move in December but there was just a

1256
00:55:32,720 --> 00:55:26,339
lot going down in December it was really

1257
00:55:35,300 --> 00:55:32,730
crazy overseas also politically it was

1258
00:55:38,329 --> 00:55:35,310
not not not a cry at post-election

1259
00:55:40,550 --> 00:55:38,339
transition period that's for sure so we

1260
00:55:42,500 --> 00:55:40,560
didn't really get underway until after

1261
00:55:49,000 --> 00:55:42,510
the Congress reconvened on January

1262
00:55:56,750 --> 00:55:49,010
third not long after that i sent a

1263
00:55:58,430 --> 00:55:56,760

verbal request into 170 offices on seven

1264

00:56:00,650 --> 00:55:58,440

committees that we were considering a

1265

00:56:04,070 --> 00:56:00,660

verbal request to meet with their

1266

00:56:10,310 --> 00:56:04,080

legislative aide liaison to the

1267

00:56:11,630 --> 00:56:10,320

committee's then about we did some more

1268

00:56:13,310 --> 00:56:11,640

and of course then we started working

1269

00:56:16,580 --> 00:56:13,320

the media like we started working in

1270

00:56:18,290 --> 00:56:16,590

media around mid-november social process

1271

00:56:20,330 --> 00:56:18,300

because of all the things competing Isis

1272

00:56:22,820 --> 00:56:20,340

for instance has just created a huge

1273

00:56:24,140 --> 00:56:22,830

media drain as well as the first of

1274

00:56:26,780 --> 00:56:24,150

crisis in Ukraine and then we've had

1275

00:56:30,410 --> 00:56:26,790

multiple political crisis here so we

1276

00:56:35,600 --> 00:56:30,420

were difficult to penetrate then I sent

1277

00:56:38,240 --> 00:56:35,610

in early februari I sent in a to refax

1278

00:56:42,230 --> 00:56:38,250

request to we narrowed the field down to

1279

00:56:43,820 --> 00:56:42,240

five committees the two committees on

1280

00:56:47,560 --> 00:56:43,830

intelligence the flu Science and

1281

00:56:51,380 --> 00:56:47,570

Technology committees and the Senate

1282

00:56:53,330 --> 00:56:51,390

online security committee so about 90

1283

00:56:56,930 --> 00:56:53,340

members with 78 faxes we sent in three

1284

00:56:59,480 --> 00:56:56,940

facts requests and continue to work the

1285

00:57:02,090 --> 00:56:59,490

media we had some articles get through

1286

00:57:04,370 --> 00:57:02,100

articles in Washington child and then

1287

00:57:09,680 --> 00:57:04,380

things suddenly took a dramatic turn

1288

00:57:12,710 --> 00:57:09,690

upward one of the facts as I sent into

1289

00:57:16,280 --> 00:57:12,720

the side committee members for the five

1290

00:57:18,370 --> 00:57:16,290

committees rather 70 members gadi got it

1291

00:57:21,290 --> 00:57:18,380

linked into the Rockefeller initiative

1292

00:57:24,290 --> 00:57:21,300

naming names including very Clinton Bill

1293

00:57:26,630 --> 00:57:24,300

Clinton John Podesta and so forth about

1294

00:57:29,870 --> 00:57:26,640

three days after that fax hit Capitol

1295

00:57:33,310 --> 00:57:29,880

Hill is when John Podesta it has to put

1296

00:57:36,500 --> 00:57:33,320

a tweet out on his Twitter account and

1297

00:57:39,110 --> 00:57:36,510

things put out one since he was he was

1298

00:57:41,000 --> 00:57:39,120

just about to leave the executive office

1299

00:57:44,810 --> 00:57:41,010

the White House as adviser to the

1300

00:57:46,250 --> 00:57:44,820

president one year which everyone noted

1301
00:57:48,200 --> 00:57:46,260
with interest we were very surprised he

1302
00:57:51,680 --> 00:57:48,210
that he left the center for american

1303
00:57:53,400 --> 00:57:51,690
progress as CEO and became advisor to

1304
00:57:56,580 --> 00:57:53,410
Barack Obama

1305
00:57:59,670 --> 00:57:56,590
and the tweet was rather remarkable and

1306
00:58:04,380 --> 00:57:59,680
it's easy to find just Google John

1307
00:58:07,580 --> 00:58:04,390
Podesta a tweet UFO he said that his

1308
00:58:10,290 --> 00:58:07,590
number one regret during the nineteen

1309
00:58:12,230 --> 00:58:10,300
2014 on his advisor to the president was

1310
00:58:14,460 --> 00:58:12,240
not getting the UFO files released

1311
00:58:17,910 --> 00:58:14,470
referring back to his call to release

1312
00:58:20,460 --> 00:58:17,920
those files in 2002 2003 and then he he

1313
00:58:25,950 --> 00:58:20,470

copied that tweet to marine doubt in the

1314

00:58:27,420 --> 00:58:25,960

New York time just amazing shouldn't

1315

00:58:30,360 --> 00:58:27,430

happen there's no way that that's

1316

00:58:32,250 --> 00:58:30,370

supposed to happen hmm and there was

1317

00:58:33,930 --> 00:58:32,260

these people like this do not do

1318

00:58:36,960 --> 00:58:33,940

something unless they have to and this

1319

00:58:39,800 --> 00:58:36,970

was a reason for everybody knows how

1320

00:58:43,110 --> 00:58:39,810

dangerous Twitter Facebook and Instagram

1321

00:58:46,740 --> 00:58:43,120

can be quite a few careers have already

1322

00:58:50,160 --> 00:58:46,750

been ended because of one tweet or one

1323

00:58:52,680 --> 00:58:50,170

Instagram so here's a guy who is just

1324

00:58:54,810 --> 00:58:52,690

leaving the White House as an advisor to

1325

00:58:58,140 --> 00:58:54,820

the president everyone knows he's going

1326

00:59:00,060 --> 00:58:58,150

to go very quickly to work for the heir

1327

00:59:03,480 --> 00:59:00,070

apparent to the Democratic nomination

1328

00:59:06,710 --> 00:59:03,490

Hillary Clinton who has the lead in the

1329

00:59:10,830 --> 00:59:06,720

early pony to be present United States

1330

00:59:13,020 --> 00:59:10,840

you don't put out a tweet saying that

1331

00:59:15,780 --> 00:59:13,030

your number one regret was not getting

1332

00:59:20,060 --> 00:59:15,790

UFO files released you just don't do it

1333

00:59:26,790 --> 00:59:20,070

unless you've got a reason and he did

1334

00:59:29,430 --> 00:59:26,800

because he he knew one that the 538

1335

00:59:31,920 --> 00:59:29,440

offices had gotten laid citizen yelling

1336

00:59:33,570 --> 00:59:31,930

video record which has three hours of

1337

00:59:36,330 --> 00:59:33,580

testimony on about the Rockefeller

1338

00:59:40,050 --> 00:59:36,340

initiative he probably got tipped off

1339

00:59:41,910 --> 00:59:40,060

that 70 faxes had gone in to pretty

1340

00:59:45,360 --> 00:59:41,920

important committees science and tech

1341

00:59:47,130 --> 00:59:45,370

and Intelligence Committee referring to

1342

00:59:50,790 --> 00:59:47,140

the Rockefeller initiative mentioning it

1343

00:59:52,770 --> 00:59:50,800

by name and so he he knows what Clinton

1344

00:59:54,600 --> 00:59:52,780

knew back when he put himself on Jimmy

1345

00:59:56,640 --> 00:59:54,610

Kimmel in April a second thinking that

1346

00:59:58,260 --> 00:59:56,650

the dvds are going to be shipped then

1347

00:59:59,730 --> 00:59:58,270

marched through first that the

1348

01:00:01,830 --> 00:59:59,740

Rockefeller initiative is about to come

1349

01:00:03,450 --> 01:00:01,840

out it's about to be brought back to

1350

01:00:04,229 --> 01:00:03,460

life again after being ignored by the

1351

01:00:06,329 --> 01:00:04,239

media

1352

01:00:08,519 --> 01:00:06,339

years and they're going to have to

1353

01:00:10,489 --> 01:00:08,529

answer questions about it and so this

1354

01:00:14,039 --> 01:00:10,499

was an attempt to inoculate himself

1355

01:00:15,449 --> 01:00:14,049

ahead of time huh so that he can say

1356

01:00:16,709 --> 01:00:15,459

that well I you know I did I have done

1357

01:00:18,959 --> 01:00:16,719

something on this we have looked into

1358

01:00:21,989 --> 01:00:18,969

this and so people won't think that

1359

01:00:23,939 --> 01:00:21,999

there's some sort of evasion here that's

1360

01:00:26,549 --> 01:00:23,949

very significant because that tweet

1361

01:00:28,499 --> 01:00:26,559

launched five six hundred articles I

1362

01:00:30,449 --> 01:00:28,509

mean there are articles that all over

1363

01:00:33,119 --> 01:00:30,459

the country is that right here oh yeah

1364

01:00:35,579 --> 01:00:33,129

absolutely it just it was like went

1365

01:00:37,379 --> 01:00:35,589

viral almost immediate you know some

1366

01:00:39,029 --> 01:00:37,389

some people are saying its his sense of

1367

01:00:42,359 --> 01:00:39,039

humor but I don't think so because that

1368

01:00:44,819 --> 01:00:42,369

I looked into a lot of the things that

1369

01:00:47,329 --> 01:00:44,829

he's written in in the past and you know

1370

01:00:50,129 --> 01:00:47,339

of course he was in Leslie canes book

1371

01:00:53,129 --> 01:00:50,139

but you know he really does have a

1372

01:00:55,469 --> 01:00:53,139

serious a serious fascination in a

1373

01:00:57,329 --> 01:00:55,479

serious interest in this topic yes he

1374

01:00:58,559 --> 01:00:57,339

does he's connected to his issue though

1375

01:01:00,419 --> 01:00:58,569

he's never mentioned the Rockefeller

1376

01:01:04,649 --> 01:01:00,429

initiative which is the local people

1377

01:01:06,839 --> 01:01:04,659

thought was the real problem so he had

1378

01:01:09,839 --> 01:01:06,849

to make that tweet but that only helped

1379

01:01:14,939 --> 01:01:09,849

us become so that generates all

1380

01:01:18,029 --> 01:01:14,949

depressed and then quickly the media

1381

01:01:21,079 --> 01:01:18,039

starts getting back to me and we've got

1382

01:01:23,309 --> 01:01:21,089

a quick rushing Times article and then a

1383

01:01:28,109 --> 01:01:23,319

breakthrough the breakthrough came on

1384

01:01:31,259 --> 01:01:28,119

Monday 23rd we got a huge article in the

1385

01:01:33,089 --> 01:01:31,269

local newspaper this is the political

1386

01:01:34,819 --> 01:01:33,099

paper that's been serving capital oil in

1387

01:01:37,139 --> 01:01:34,829

the Congress since nineteen fifty-five

1388

01:01:43,559 --> 01:01:37,149

it's got a huge website and as well as

1389

01:01:45,059 --> 01:01:43,569

print edition and on Monday to 23rd the

1390

01:01:48,149 --> 01:01:45,069

world ball ran a huge article on

1391

01:01:49,529 --> 01:01:48,159

everything on the congressional hearing

1392

01:01:54,299 --> 01:01:49,539

initiative Citizen hearing it online

1393

01:01:55,709 --> 01:01:54,309

yard with video plenty of links and then

1394

01:01:58,709 --> 01:01:55,719

there was also a print version of the

1395

01:02:00,919 --> 01:01:58,719

article because in the paper so a huge

1396

01:02:04,649 --> 01:02:00,929

percentage of everybody on Capitol Hill

1397

01:02:06,059 --> 01:02:04,659

we've got put on complete notice they

1398

01:02:08,849 --> 01:02:06,069

hadn't already been by the washington

1399

01:02:10,949 --> 01:02:08,859

times over that this is going wrong that

1400

01:02:11,850 --> 01:02:10,959

meetings are being sought and that these

1401

01:02:14,260 --> 01:02:11,860

are in play

1402

01:02:17,320 --> 01:02:14,270

that article was then picked up by the

1403

01:02:20,170 --> 01:02:17,330

new york magazine and it ran on tuesday

1404

01:02:22,300 --> 01:02:20,180

and then there's another major political

1405

01:02:25,420 --> 01:02:22,310

site in Washington that is about to take

1406

01:02:28,180 --> 01:02:25,430

it a step further immediately after the

1407

01:02:31,630 --> 01:02:28,190

article was in the world call I started

1408

01:02:35,110 --> 01:02:31,640

getting feedback from offices to set up

1409

01:02:37,180 --> 01:02:35,120

meetings and so now it's about to go to

1410

01:02:38,800 --> 01:02:37,190

the next level so things are now picking

1411

01:02:40,530 --> 01:02:38,810

up speed but the slow brow has been

1412

01:02:46,090 --> 01:02:40,540

pushed off the side up the top of hill

1413

01:02:48,250 --> 01:02:46,100

hmm so where this is going is I believe

1414

01:02:50,170 --> 01:02:48,260

the Rockefeller initiative the

1415

01:02:51,730 --> 01:02:50,180

three-year effort by lon chopper to get

1416

01:02:52,930 --> 01:02:51,740

Clinton to release all the files which

1417

01:02:55,210 --> 01:02:52,940

involved a lot of things including

1418

01:03:01,150 --> 01:02:55,220

direct environmental Hillary Clinton

1419

01:03:04,320 --> 01:03:01,160

John Podesta is about to be taken on by

1420

01:03:06,370 --> 01:03:04,330

the media at any other the perfect time

1421

01:03:07,840 --> 01:03:06,380

and they're going to have to answer

1422

01:03:09,640 --> 01:03:07,850

questions about it they're going to have

1423

01:03:10,900 --> 01:03:09,650

to explain why they not talked about it

1424

01:03:12,790 --> 01:03:10,910

for 20 years they're going to have to

1425

01:03:14,140 --> 01:03:12,800

explain what a media is not engaged it

1426

01:03:16,360 --> 01:03:14,150

and they're going to have to explain

1427

01:03:17,800 --> 01:03:16,370

right wife is done rack went on and the

1428

01:03:19,540 --> 01:03:17,810

moment they start giving those answers

1429

01:03:20,530 --> 01:03:19,550

the media is their temp media

1430

01:03:23,500 --> 01:03:20,540

temperatures is going to rise

1431

01:03:27,490 --> 01:03:23,510

exponentially and it's going to

1432

01:03:29,110 --> 01:03:27,500

definitely drive the hearing process

1433

01:03:31,120 --> 01:03:29,120

it's going to drive the meeting process

1434

01:03:32,470 --> 01:03:31,130

I've got the whole increase

1435

01:03:34,870 --> 01:03:32,480

substantially the likelihood getting

1436

01:03:36,430 --> 01:03:34,880

here we've got two hundred witnesses I

1437

01:03:40,060 --> 01:03:36,440

think that could testify obviously when

1438

01:03:44,200 --> 01:03:40,070

I bring that many probably doing 25 to

1439

01:03:47,680 --> 01:03:44,210

30 of the absolute best witnesses to a

1440

01:03:51,100 --> 01:03:47,690

hearing Wynette hearing set up and that

1441

01:03:53,050 --> 01:03:51,110

testimony we're pretty much an end the

1442

01:03:55,240 --> 01:03:53,060

hole in the ballgame ballgame appealed

1443

01:03:58,330 --> 01:03:55,250

truth embargo will not survive that

1444

01:04:01,090 --> 01:03:58,340

testimony sorry I mean we miss it not

1445

01:04:02,920 --> 01:04:01,100

long after that hearing is done if not

1446

01:04:05,070 --> 01:04:02,930

while it's being done it's not even

1447

01:04:07,590 --> 01:04:05,080

perhaps before it even starts a

1448

01:04:10,390 --> 01:04:07,600

disclosure will probably be triggered

1449

01:04:13,720 --> 01:04:10,400

because it is there's a limit to how far

1450

01:04:15,220 --> 01:04:13,730

you can push a pro a policy like this

1451

01:04:16,030 --> 01:04:15,230

and they've pushed it almost to the

1452

01:04:18,940 --> 01:04:16,040

absolute man

1453

01:04:23,110 --> 01:04:18,950

so we're close we're now closing in on

1454

01:04:24,250 --> 01:04:23,120

the finish line Steve how you there's a

1455

01:04:27,400 --> 01:04:24,260

lot of there's always a lot of

1456

01:04:29,830 --> 01:04:27,410

controversy about disclosure you know

1457

01:04:31,270 --> 01:04:29,840

whether it will ever happen and you know

1458

01:04:32,770 --> 01:04:31,280

you always hear the things all the world

1459

01:04:34,240 --> 01:04:32,780

will fall apart well I don't believe

1460

01:04:36,730 --> 01:04:34,250

that's going to be the fact anymore

1461

01:04:39,220 --> 01:04:36,740

because of all the breakthroughs there

1462

01:04:41,290 --> 01:04:39,230

is with you know finding earth-like

1463

01:04:42,790 --> 01:04:41,300

planets and you know more and more

1464

01:04:44,140 --> 01:04:42,800

people are coming forward saying you

1465

01:04:46,150 --> 01:04:44,150

know there has to be life it would be

1466

01:04:49,300 --> 01:04:46,160

more strange if there wasn't life out

1467

01:04:53,070 --> 01:04:49,310

there intelligent life but how do you

1468

01:04:55,780 --> 01:04:53,080

foresee let's just say that disclosure

1469

01:05:00,940 --> 01:04:55,790

starts to happen how do you foresee that

1470

01:05:04,480 --> 01:05:00,950

would come about and and materialize

1471

01:05:06,400 --> 01:05:04,490

what my disclosure is disclosure as we

1472

01:05:08,230 --> 01:05:06,410

define it doesn't doesn't start to

1473

01:05:11,890 --> 01:05:08,240

happen it's not a light switch it just

1474

01:05:14,170 --> 01:05:11,900

goes on be disclosure is the formal

1475

01:05:16,510 --> 01:05:14,180

acknowledged it's the formal adoption of

1476

01:05:18,540 --> 01:05:16,520

ET presence by the government through

1477

01:05:22,120 --> 01:05:18,550

their head of state of course the Obama

1478

01:05:24,310 --> 01:05:22,130

so and know the world is not going to

1479

01:05:27,370 --> 01:05:24,320

fall apart after this leader look the

1480

01:05:31,780 --> 01:05:27,380

world is falling apart because of human

1481

01:05:34,120 --> 01:05:31,790

babe we have we have much more to fear

1482

01:05:35,920 --> 01:05:34,130

in terms of our social contracts from

1483

01:05:38,800 --> 01:05:35,930

ourselves than we do from

1484

01:05:41,590 --> 01:05:38,810

extraterrestrial yeah I can maybe we're

1485

01:05:42,910 --> 01:05:41,600

still on case the disclosure will vary

1486

01:05:45,610 --> 01:05:42,920

like what I help us pull things back

1487

01:05:47,200 --> 01:05:45,620

together so that's all propaganda to

1488

01:05:51,100 --> 01:05:47,210

government seated out there years ago

1489

01:05:53,290 --> 01:05:51,110

and it's just just there's no there's no

1490

01:05:57,490 --> 01:05:53,300

basis for it it cannot be justified by

1491

01:06:00,160 --> 01:05:57,500

any logical argument to that group right

1492

01:06:03,130 --> 01:06:00,170

right now going back going back to

1493

01:06:07,360 --> 01:06:03,140

Podesta let's say he he runs Hillary's

1494

01:06:08,320 --> 01:06:07,370

campaign let's just say Hillary you know

1495

01:06:09,910 --> 01:06:08,330

I don't know what kind of email I'm

1496

01:06:12,820 --> 01:06:09,920

gonna get from this but let's just say

1497

01:06:15,010 --> 01:06:12,830

she gets back in the White House I saw I

1498

01:06:17,110 --> 01:06:15,020

saw Clinton on Jimmy Kimmel too and I

1499

01:06:20,620 --> 01:06:17,120

know it was a lot of body language going

1500

01:06:22,710 --> 01:06:20,630

on there uh where you know he was

1501

01:06:26,590 --> 01:06:22,720

uncomfortable with the question for sure

1502

01:06:28,780 --> 01:06:26,600

but what do you they both both the

1503

01:06:30,810 --> 01:06:28,790

Clintons did have a fascination

1504

01:06:32,830 --> 01:06:30,820

with UFOs so you think that would

1505

01:06:37,240 --> 01:06:32,840

because I wouldn't phrase it that way

1506

01:06:39,670 --> 01:06:37,250

sunup fascination the Clinton was

1507

01:06:41,290 --> 01:06:39,680

approached after he became president by

1508

01:06:43,480 --> 01:06:41,300

Lawrence rockefeller there was something

1509

01:06:44,890 --> 01:06:43,490

that couldn't be more and rocket thought

1510

01:06:46,300 --> 01:06:44,900

I want him to release all the files if

1511

01:06:47,740 --> 01:06:46,310

he had done that he had been able to

1512

01:06:52,240 --> 01:06:47,750

successfully do that he would have ended

1513

01:06:54,850 --> 01:06:52,250

the truth embargo in 1993 and so they

1514

01:06:58,150 --> 01:06:54,860

engage the issue Clinton's very smart

1515

01:07:00,370 --> 01:06:58,160

man and so you know you don't have to

1516

01:07:02,590 --> 01:07:00,380

you don't have to have a tour of area 51

1517

01:07:03,460 --> 01:07:02,600

or see that most classified documents

1518

01:07:05,650 --> 01:07:03,470

and government hands and others

1519

01:07:07,390 --> 01:07:05,660

extraterrestrials you can figure that

1520

01:07:09,040 --> 01:07:07,400

out by simple common sense or looking at

1521

01:07:12,580 --> 01:07:09,050

the evidence it's been amassed in the

1522

01:07:13,990 --> 01:07:12,590

public domain for the last 60 60 so he

1523

01:07:19,180 --> 01:07:14,000

probably knows where the 80s here

1524

01:07:24,490 --> 01:07:19,190

whether it's been paid or not so the

1525

01:07:27,780 --> 01:07:24,500

situation is this the way things are

1526

01:07:30,250 --> 01:07:27,790

going it's increasingly clear to me that

1527

01:07:31,480 --> 01:07:30,260

Hillary Clinton is not going to become

1528

01:07:32,980 --> 01:07:31,490

closer to the United States without

1529

01:07:35,440 --> 01:07:32,990

going through the rock without

1530

01:07:38,470 --> 01:07:35,450

permission she can't she can't stir it

1531

01:07:41,650 --> 01:07:38,480

any longer there's no way she's only got

1532

01:07:44,350 --> 01:07:41,660

two go two more years and not address it

1533

01:07:47,730 --> 01:07:44,360

not deal with it not talk about it same

1534

01:07:50,890 --> 01:07:47,740

to her husband so they are probably

1535

01:07:54,340 --> 01:07:50,900

right now I mean at this time they're

1536

01:07:57,430 --> 01:07:54,350

probably meeting and for at least

1537

01:07:59,800 --> 01:07:57,440

communicating I would you know I don't

1538

01:08:03,070 --> 01:07:59,810

think the communication would be her her

1539

01:08:05,500 --> 01:08:03,080

husband and Podesta planning on how

1540

01:08:07,570 --> 01:08:05,510

they're going to handle it see they have

1541

01:08:09,970 --> 01:08:07,580

a big problem normally what you do is

1542

01:08:12,340 --> 01:08:09,980

you deny it they'd never happened I

1543

01:08:15,100 --> 01:08:12,350

don't know what you're talking about but

1544

01:08:17,309 --> 01:08:15,110

and enough your listeners know this of

1545

01:08:21,520 --> 01:08:17,319

course we know differently because of

1546

01:08:29,410 --> 01:08:21,530

the work of grand camera and his

1547

01:08:31,539 --> 01:08:29,420

presidential UFO for website Cameron you

1548

01:08:34,720 --> 01:08:31,549

know the people in our field knew about

1549

01:08:36,460 --> 01:08:34,730

the Rockefeller nation it was the press

1550

01:08:37,900 --> 01:08:36,470

that didn't cover and they never talked

1551

01:08:39,400 --> 01:08:37,910

about of a window of that and we were

1552

01:08:40,180 --> 01:08:39,410

stuck up in the meta better the quest is

1553

01:08:41,709 --> 01:08:40,190

never will

1554

01:08:45,430 --> 01:08:41,719

would never follow through that's truth

1555

01:08:47,380 --> 01:08:45,440

embargo so Cameron knowing that they'd

1556

01:08:48,999 --> 01:08:47,390

been because a lot of researchers were

1557

01:08:51,789 --> 01:08:49,009

involved that are still alive I mean

1558

01:08:54,280 --> 01:08:51,799

it's not hard to figure that out so

1559

01:08:56,890 --> 01:08:54,290

Cameron's you know submitted a Freedom

1560

01:08:58,930 --> 01:08:56,900

of Information Act request in two

1561

01:09:03,550 --> 01:08:58,940

thousand really two thousand I've been

1562

01:09:05,019 --> 01:09:03,560

about 19 anyway and essentially for

1563

01:09:10,269 --> 01:09:05,029

whatever reason I believe it was a

1564

01:09:14,620 --> 01:09:10,279

mistake somebody in the OSTP off signs

1565

01:09:18,249 --> 01:09:14,630

of the gospel policy truck if you just

1566

01:09:21,640 --> 01:09:18,259

didn't think that didn't think that well

1567

01:09:27,570 --> 01:09:21,650

you know documents about Rockefeller or

1568

01:09:31,240 --> 01:09:27,580

what have you would be a problem and

1569

01:09:33,910 --> 01:09:31,250

gable you got a thousand pages of the

1570

01:09:37,660 --> 01:09:33,920

thumping on and these documents

1571

01:09:40,059 --> 01:09:37,670

confirmed the Rockefeller initiative we

1572

01:09:41,650 --> 01:09:40,069

have paper sets of them I've got a

1573

01:09:45,970 --> 01:09:41,660

hundred and seventy of the most

1574

01:09:47,650 --> 01:09:45,980

important document up on the internet

1575

01:09:52,689 --> 01:09:47,660

they've been up on my site for like ten

1576

01:09:55,959 --> 01:09:52,699

years maybe longer and so they can't

1577

01:09:58,720 --> 01:09:55,969

deny it we have the goods now by the way

1578

01:10:01,420 --> 01:09:58,730

the reason that that was possible was

1579

01:10:04,990 --> 01:10:01,430

because the office of Technology Policy

1580

01:10:09,130 --> 01:10:05,000

at that time two thousand because not

1581

01:10:10,990 --> 01:10:09,140

part of the presidential Records Act now

1582

01:10:12,640 --> 01:10:11,000

their way to the White House Office but

1583

01:10:17,830 --> 01:10:12,650

it wasn't including the presidential

1584

01:10:19,150 --> 01:10:17,840

Records Act otherwise it couldn't have

1585

01:10:20,050 --> 01:10:19,160

been gotten they could have been

1586

01:10:21,189 --> 01:10:20,060

obtained through the Freedom of

1587

01:10:23,110 --> 01:10:21,199

Information they could have only been

1588

01:10:24,400 --> 01:10:23,120

obtained under the law under the law of

1589

01:10:25,860 --> 01:10:24,410

the presidential Records Act but they

1590

01:10:30,310 --> 01:10:25,870

would have been available for many years

1591

01:10:33,070 --> 01:10:30,320

so oddly enough one of the first things

1592

01:10:37,209 --> 01:10:33,080

that Bush did when he won and took

1593

01:10:41,950 --> 01:10:37,219

office in 2001 this is the year after

1594

01:10:43,720 --> 01:10:41,960

Cameron got those files Bush signed a

1595

01:10:45,340 --> 01:10:43,730

presidential directive putting the

1596

01:10:47,770 --> 01:10:45,350

Office of Science and Technology Policy

1597

01:10:51,280 --> 01:10:47,780

back under the presidential rumors

1598

01:10:53,200 --> 01:10:51,290

so that couldn't happen again so the

1599

01:10:55,860 --> 01:10:53,210

documents are up on the net and I'm

1600

01:10:58,360 --> 01:10:55,870

submitted them to journalists Marshall

1601
01:11:00,790 --> 01:10:58,370
so there's nowhere to go there's nowhere

1602
01:11:03,610 --> 01:11:00,800
to hide here they're going to have to

1603
01:11:05,560 --> 01:11:03,620
answer to it there's a lot of questions

1604
01:11:07,600 --> 01:11:05,570
to be asked and every single one of them

1605
01:11:10,990 --> 01:11:07,610
is going to heat the press up on the e

1606
01:11:14,530 --> 01:11:11,000
key issue and and the people involved

1607
01:11:20,350 --> 01:11:14,540
are big heaters the people that are

1608
01:11:23,260 --> 01:11:20,360
named and my efforts include individuals

1609
01:11:27,550 --> 01:11:23,270
who have either been president or run

1610
01:11:32,590 --> 01:11:27,560
for president six times is when hillary

1611
01:11:36,210 --> 01:11:32,600
clinton albert gore and there were six

1612
01:11:39,430 --> 01:11:36,220
times so they're going to have to answer

1613
01:11:41,890 --> 01:11:39,440

questions about this and that is what's

1614

01:11:43,330 --> 01:11:41,900

not happen and it's going to happen in a

1615

01:11:45,790 --> 01:11:43,340

run-up to the next election mean it's

1616

01:11:46,870 --> 01:11:45,800

been after since and that is what's

1617

01:11:49,510 --> 01:11:46,880

probably going to get me to

1618

01:11:53,080 --> 01:11:49,520

congressional hearing for Steve are you

1619

01:11:55,030 --> 01:11:53,090

are you in a public venue I yeah I'm in

1620

01:11:57,700 --> 01:11:55,040

the national press club some people were

1621

01:12:01,990 --> 01:11:57,710

buying me they're going out oh okay all

1622

01:12:03,550 --> 01:12:02,000

right all right let's just say let's say

1623

01:12:05,920 --> 01:12:03,560

a president I know this has actually

1624

01:12:07,900 --> 01:12:05,930

happened in the past with a couple but

1625

01:12:11,160 --> 01:12:07,910

let's just say a president gets into

1626

01:12:14,380 --> 01:12:11,170

office and his number one initiative is

1627

01:12:16,600 --> 01:12:14,390

for disclosure they seemed to hit walls

1628

01:12:19,060 --> 01:12:16,610

now can you describe what what goes on

1629

01:12:20,560 --> 01:12:19,070

with that sir the president's no longer

1630

01:12:24,010 --> 01:12:20,570

in the loop doesn't it no longer has

1631

01:12:27,340 --> 01:12:24,020

access to to the EPA issue so the

1632

01:12:29,260 --> 01:12:27,350

president come into office and he could

1633

01:12:31,030 --> 01:12:29,270

say I want to know I don't I want to see

1634

01:12:33,250 --> 01:12:31,040

what you got they're going to say you

1635

01:12:35,970 --> 01:12:33,260

don't have any tonight that's the way

1636

01:12:38,350 --> 01:12:35,980

it's been that's what it was for Clinton

1637

01:12:42,130 --> 01:12:38,360

pretty much led to it was for George

1638

01:12:46,060 --> 01:12:42,140

Bush not his father but for filler is

1639

01:12:48,070 --> 01:12:46,070

that way for Obama so that's it the

1640

01:12:50,260 --> 01:12:48,080

president can't and acknowledged can't

1641

01:12:52,150 --> 01:12:50,270

make announcement unless he's got access

1642

01:12:52,960 --> 01:12:52,160

to information less he has the backing

1643

01:12:57,700 --> 01:12:52,970

of the time

1644

01:12:59,800 --> 01:12:57,710

so what the president has to do is we'd

1645

01:13:03,070 --> 01:12:59,810

have to go to war in a sense an internal

1646

01:13:05,590 --> 01:13:03,080

war with the Pentagon to get full

1647

01:13:07,060 --> 01:13:05,600

acquiescence could get access in order

1648

01:13:10,120 --> 01:13:07,070

to make the announcement now I'm going

1649

01:13:12,220 --> 01:13:10,130

to do that look when Clinton came in he

1650

01:13:14,740 --> 01:13:12,230

he all he did if one of the first things

1651

01:13:16,420 --> 01:13:14,750

he did when he took office whereas he

1652

01:13:19,920 --> 01:13:16,430

keep trying to fight through on a

1653

01:13:22,570 --> 01:13:19,930

promise he made during his campaign to

1654

01:13:25,510 --> 01:13:22,580

eliminate discrimination against gays in

1655

01:13:29,020 --> 01:13:25,520

the military and the military literally

1656

01:13:32,110 --> 01:13:29,030

came right back at him and first him off

1657

01:13:34,330 --> 01:13:32,120

that issue I can assure the EG thing

1658

01:13:37,690 --> 01:13:34,340

would be a hundred times harder however

1659

01:13:39,760 --> 01:13:37,700

that was then this is now and so the

1660

01:13:41,170 --> 01:13:39,770

effect would what's going on now is the

1661

01:13:44,560 --> 01:13:41,180

congressional hearing initiative it's

1662

01:13:47,260 --> 01:13:44,570

underway is that we're getting to the

1663

01:13:50,100 --> 01:13:47,270

point where so i get to the point we're

1664

01:13:53,200 --> 01:13:50,110

both the White House and the Pentagon

1665

01:13:55,330 --> 01:13:53,210

will realize that the finish line is

1666

01:13:59,140 --> 01:13:55,340

pretty much here and that there's it's

1667

01:14:02,260 --> 01:13:59,150

just women and may have no choice yes g

1668

01:14:05,440 --> 01:14:02,270

but I've made up kind of agreed with a

1669

01:14:07,570 --> 01:14:05,450

statement i heard earlier this year and

1670

01:14:11,110 --> 01:14:07,580

that is up i think this is going to be

1671

01:14:14,260 --> 01:14:11,120

the year that at least they discover

1672

01:14:15,940 --> 01:14:14,270

some type of form of life that is

1673

01:14:17,410 --> 01:14:15,950

extraterrestrial i mean i think that

1674

01:14:19,000 --> 01:14:17,420

we're getting really really close to

1675

01:14:21,490 --> 01:14:19,010

that and i'm talking about you know

1676

01:14:23,860 --> 01:14:21,500

microbial something scientifically

1677

01:14:26,020 --> 01:14:23,870

proven anyway but nobody's gonna care

1678

01:14:29,290 --> 01:14:26,030

maybe it'll be as good be a big giant

1679

01:14:31,780 --> 01:14:29,300

yawn you think you will i mean i think

1680

01:14:35,680 --> 01:14:31,790

that's like the most important thing you

1681

01:14:40,270 --> 01:14:35,690

know that scientifically Allah it was 25

1682

01:14:42,550 --> 01:14:40,280

years ago if not now my god you just

1683

01:14:44,740 --> 01:14:42,560

don't have any done many movies were

1684

01:14:46,900 --> 01:14:44,750

made about extraterrestrials you know

1685

01:14:50,020 --> 01:14:46,910

him help penetrating that whole concept

1686

01:14:52,120 --> 01:14:50,030

is and human psyche I assure you that

1687

01:14:54,730 --> 01:14:52,130

learning that there's actually microbes

1688

01:14:57,370 --> 01:14:54,740

somewhere in a solar system it's going

1689

01:14:58,570 --> 01:14:57,380

to be nothing although the scientists

1690

01:15:00,010 --> 01:14:58,580

will make a big deal out of it because

1691

01:15:01,200 --> 01:15:00,020

they'll probably think they're going to

1692

01:15:03,900 --> 01:15:01,210

get some funding

1693

01:15:06,510 --> 01:15:03,910

trust me that's true it's become a joke

1694

01:15:08,430 --> 01:15:06,520

yeah and it won't slow things down at

1695

01:15:10,470 --> 01:15:08,440

all well they can have their time frame

1696

01:15:12,660 --> 01:15:10,480

you can other time schedules okay they

1697

01:15:15,540 --> 01:15:12,670

can believe whatever they want but it's

1698

01:15:17,160 --> 01:15:15,550

not going to work out that way okay we

1699

01:15:18,720 --> 01:15:17,170

have a chat room and I've been having

1700

01:15:21,420 --> 01:15:18,730

trouble with it I want to apologize to

1701

01:15:23,550 --> 01:15:21,430

the live listener I've got to figure out

1702

01:15:25,650 --> 01:15:23,560

something on another computer i'm

1703

01:15:27,690 --> 01:15:25,660

running a couple of computers here so we

1704

01:15:30,510 --> 01:15:27,700

do have a question a couple questions up

1705

01:15:33,930 --> 01:15:30,520

there for you and one of them is what's

1706

01:15:36,180 --> 01:15:33,940

your expectation on the May 5th photo of

1707

01:15:37,709 --> 01:15:36,190

the alleged alien body that's going to

1708

01:15:42,350 --> 01:15:37,719

be released that that's down to Mexico

1709

01:15:46,860 --> 01:15:42,360

City are you familiar with that I'm cool

1710

01:15:51,420 --> 01:15:46,870

always again this is what this is is

1711

01:15:53,940 --> 01:15:51,430

some evidence that's going to be handled

1712

01:15:59,070 --> 01:15:53,950

and on higher in a more sophisticated

1713

01:16:03,020 --> 01:15:59,080

way and you typically sit and it's being

1714

01:16:05,760 --> 01:16:03,030

handled I think well you put it and the

1715

01:16:07,850 --> 01:16:05,770

Providence for the slides the two slides

1716

01:16:12,510 --> 01:16:07,860

is is apparently been well established

1717

01:16:17,130 --> 01:16:12,520

the story makes a lot of sense they have

1718

01:16:20,340 --> 01:16:17,140

the slides analyzed for dating for

1719

01:16:21,150 --> 01:16:20,350

manipulation and what have you and I'm

1720

01:16:22,680 --> 01:16:21,160

probably going to make a pretty

1721

01:16:26,700 --> 01:16:22,690

persuasive case that these slides are

1722

01:16:31,380 --> 01:16:26,710

real and they seem to show two aliens in

1723

01:16:33,540 --> 01:16:31,390

a obviously I think you're in repose I

1724

01:16:38,070 --> 01:16:33,550

think the implication is it could be an

1725

01:16:39,300 --> 01:16:38,080

autopsy photo crew up 50 photo and it's

1726

01:16:41,190 --> 01:16:39,310

and you're going to make a big splash

1727

01:16:43,800 --> 01:16:41,200

out of it they've announced it ahead of

1728

01:16:46,500 --> 01:16:43,810

time they're building up some interest

1729

01:16:48,120 --> 01:16:46,510

and excitement in it they're going to do

1730

01:16:50,049 --> 01:16:48,130

a big program we're getting it down in

1731

01:16:52,209 --> 01:16:50,059

Mexico City because I'm a massage

1732

01:16:54,099 --> 01:16:52,219

alarms water so it's going to get to

1733

01:16:55,869 --> 01:16:54,109

trust it's going to attract attention

1734

01:16:58,509 --> 01:16:55,879

it's going to raise the exit risk

1735

01:17:01,719 --> 01:16:58,519

realest you again in the public mind set

1736

01:17:04,540 --> 01:17:01,729

and in the media does it slam dunk the

1737

01:17:09,339 --> 01:17:04,550

issue absolutely not it's simply two

1738

01:17:12,399 --> 01:17:09,349

slides okay Liam bunny but I'm happy to

1739

01:17:13,779 --> 01:17:12,409

see it I'm happy to see it i think it's

1740

01:17:16,839 --> 01:17:13,789

going to generate a lot of interest in

1741

01:17:18,339 --> 01:17:16,849

Mexico sure and that's just going to put

1742

01:17:22,029 --> 01:17:18,349

more pressure it's just more pressure on

1743

01:17:26,879 --> 01:17:22,039

the truth embargo what is going to end

1744

01:17:31,770 --> 01:17:26,889

the truth embargo yo his testimony

1745

01:17:37,209 --> 01:17:34,419

testifying under oath under penalty of

1746

01:17:39,509 --> 01:17:37,219

perjury federal perjury charges so forth

1747

01:17:42,459 --> 01:17:39,519

that's what's going to end the trip over

1748

01:17:45,969 --> 01:17:42,469

mm-hmm okay we have another question up

1749

01:17:49,149 --> 01:17:45,979

there and someone just wanted to know I

1750

01:17:51,339 --> 01:17:49,159

think I know the answer to this but once

1751

01:17:53,770 --> 01:17:51,349

I know if you do any other lobbying of

1752

01:17:57,489 --> 01:17:53,780

other nations or you just concentrate in

1753

01:18:00,790 --> 01:17:57,499

the US oh no nylon be nuns days going on

1754

01:18:03,790 --> 01:18:00,800

that's that's that's it i'm not i'm not

1755

01:18:06,729 --> 01:18:03,800

capable olive oil yeah lobby of the

1756

01:18:08,770 --> 01:18:06,739

government do you get any support from

1757

01:18:11,020 --> 01:18:08,780

other countries people from other

1758

01:18:13,599 --> 01:18:11,030

countries i'm sure you do well I don't

1759

01:18:15,699 --> 01:18:13,609

specifically but I mean I speak in other

1760

01:18:19,469 --> 01:18:15,709

countries I have supporters about the

1761

01:18:22,479 --> 01:18:19,479

world well this is the fundamental

1762

01:18:25,359 --> 01:18:22,489

international support comes from their

1763

01:18:28,029 --> 01:18:25,369

actions regarding your files the private

1764

01:18:31,059 --> 01:18:28,039

countries have released proactively many

1765

01:18:32,439 --> 01:18:31,069

thousands of files to the Internet where

1766

01:18:35,739 --> 01:18:32,449

they've been downloaded millions of

1767

01:18:37,509 --> 01:18:35,749

times amazing food most a lot of our

1768

01:18:43,989 --> 01:18:37,519

allies such as the UK Canada Australia

1769

01:18:45,669 --> 01:18:43,999

as well as saw France Sweden Norway and

1770

01:18:48,549 --> 01:18:45,679

so forth plus a number of South American

1771

01:18:50,529 --> 01:18:48,559

country these releases of files have

1772

01:18:52,779 --> 01:18:50,539

applause been covered and spent generate

1773

01:18:55,449 --> 01:18:52,789

a lot of news articles but they've also

1774

01:18:57,579 --> 01:18:55,459

made it clear to the US that they're not

1775

01:18:59,170 --> 01:18:57,589

in lockstep anymore with us they're not

1776

01:19:03,160 --> 01:18:59,180

prepared necessarily

1777

01:19:06,760 --> 01:19:03,170

stick this out until however long we

1778

01:19:08,260 --> 01:19:06,770

want to do so in that sense there these

1779

01:19:09,730 --> 01:19:08,270

countries these other nations are

1780

01:19:11,710 --> 01:19:09,740

putting great pressure on the truth

1781

01:19:14,770 --> 01:19:11,720

embargo that the u.s. still controls the

1782

01:19:17,680 --> 01:19:14,780

managers of runs and that's that's all

1783

01:19:21,780 --> 01:19:17,690

very helpful happy to doing and I expect

1784

01:19:25,780 --> 01:19:21,790

more files gurus hmm getting back to

1785

01:19:27,580 --> 01:19:25,790

Podesta has anyone directly talked to

1786

01:19:31,450 --> 01:19:27,590

him and interviewed him since he made

1787

01:19:33,610 --> 01:19:31,460

that tweet no as he's staying away from

1788

01:19:37,360 --> 01:19:33,620

that do you know as anyone attempting to

1789

01:19:40,030 --> 01:19:37,370

get ahold of him I have no idea he's not

1790

01:19:42,190 --> 01:19:40,040

going to talk she's or he does get long

1791

01:19:46,810 --> 01:19:42,200

as he doesn't was nothing like that he

1792

01:19:48,790 --> 01:19:46,820

did he did he was interviewed by a New

1793

01:19:50,350 --> 01:19:48,800

York Times reporter is part of an

1794

01:19:52,750 --> 01:19:50,360

article they did on the Citizen hearing

1795

01:19:56,680 --> 01:19:52,760

on disclosure see for the comment into

1796

01:19:59,980 --> 01:19:56,690

that he was in rusty canes documentary

1797

01:20:03,220 --> 01:19:59,990

he was in for de las de Cannes book but

1798

01:20:05,680 --> 01:20:03,230

came again he does a certain amount of

1799

01:20:08,290 --> 01:20:05,690

stuff he puts certain things out there

1800

01:20:10,150 --> 01:20:08,300

but he didn't volunteer much and he

1801
01:20:12,130 --> 01:20:10,160
doesn't do anything now I but then he

1802
01:20:13,540 --> 01:20:12,140
hasn't been impressed I already I don't

1803
01:20:16,780 --> 01:20:13,550
think he has a good press one oh that's

1804
01:20:20,620 --> 01:20:16,790
about to change so again they've been

1805
01:20:23,410 --> 01:20:20,630
able to finesse this thing from 1996

1806
01:20:27,730 --> 01:20:23,420
well really from 93 within 96 all the

1807
01:20:30,400 --> 01:20:27,740
way to 2015 19 years and and not had to

1808
01:20:31,930 --> 01:20:30,410
deal with it now again you might say

1809
01:20:33,430 --> 01:20:31,940
well that's their business that's that's

1810
01:20:34,980 --> 01:20:33,440
their can say what they want that's what

1811
01:20:38,650 --> 01:20:34,990
they want what's your problem the

1812
01:20:41,350 --> 01:20:38,660
problem is is that the people that are

1813
01:20:45,010 --> 01:20:41,360

finessing this we want to become the

1814

01:20:48,480 --> 01:20:45,020

president of the United States so it's

1815

01:20:51,340 --> 01:20:48,490

not their private business perfect not

1816

01:20:52,870 --> 01:20:51,350

in fact that they are running away from

1817

01:20:54,820 --> 01:20:52,880

an issue of this magnitude if they're

1818

01:20:57,520 --> 01:20:54,830

playing footsie with it is not

1819

01:21:00,190 --> 01:20:57,530

acceptable far as I'm concerned for

1820

01:21:01,420 --> 01:21:00,200

someone who wishes to be President hell

1821

01:21:04,660 --> 01:21:01,430

it's not acceptable or somebody wants to

1822

01:21:06,610 --> 01:21:04,670

be the secretary defence and so again

1823

01:21:08,950 --> 01:21:06,620

it's it comes under the truth embargo

1824

01:21:09,700 --> 01:21:08,960

meaning that this issue is treated

1825

01:21:13,240 --> 01:21:09,710

differently than

1826

01:21:16,150 --> 01:21:13,250

other issues it has a special place it

1827

01:21:18,700 --> 01:21:16,160

has to be handled a special way and all

1828

01:21:21,010 --> 01:21:18,710

of these rules are are mandated by the

1829

01:21:24,280 --> 01:21:21,020

government itself we don't have a say in

1830

01:21:27,550 --> 01:21:24,290

any of it and that's not accepted and so

1831

01:21:30,520 --> 01:21:27,560

I'm going to do whatever I can first

1832

01:21:34,300 --> 01:21:30,530

them to face it now if they handle it

1833

01:21:36,640 --> 01:21:34,310

well I think it will serve them well if

1834

01:21:38,530 --> 01:21:36,650

they continue to try to run from it even

1835

01:21:40,860 --> 01:21:38,540

after the pressure really starts to

1836

01:21:45,280 --> 01:21:40,870

increase that would be a big mistake

1837

01:21:48,370 --> 01:21:45,290

we'll see mm-hmm a couple more questions

1838

01:21:51,660 --> 01:21:48,380

up there someone wants to know how you

1839

01:21:57,240 --> 01:21:51,670

get funding as a lobbyist and access to

1840

01:22:01,270 --> 01:21:57,250

people to pursue in the UFO field well

1841

01:22:05,740 --> 01:22:01,280

people donate money to this work okay

1842

01:22:07,930 --> 01:22:05,750

mm-hmm we accept donations and we've

1843

01:22:12,100 --> 01:22:07,940

gotten a lot more in the last two years

1844

01:22:13,570 --> 01:22:12,110

that ever before going back to 2012 we

1845

01:22:14,950 --> 01:22:13,580

have one major funding that's what we

1846

01:22:18,430 --> 01:22:14,960

used it for the quick Citizen hearing on

1847

01:22:21,959 --> 01:22:18,440

disclosure on so its gate but it's never

1848

01:22:25,000 --> 01:22:21,969

its well I'm happy about that funding

1849

01:22:27,400 --> 01:22:25,010

since then we've gotten some it's never

1850

01:22:30,520 --> 01:22:27,410

enough though that 2012 funding is quite

1851

01:22:33,430 --> 01:22:30,530

a bit yeah well to put on what you did

1852

01:22:37,240 --> 01:22:33,440

that's a major a major deal it cost 700

1853

01:22:38,920 --> 01:22:37,250

grand a pathetic mmm we need more I hope

1854

01:22:40,000 --> 01:22:38,930

we get more funding as soon as possible

1855

01:22:46,000 --> 01:22:40,010

because the congressional hearing

1856

01:22:47,830 --> 01:22:46,010

initiative is definitely expensive so in

1857

01:22:49,920 --> 01:22:47,840

terms of access what will have been

1858

01:22:54,340 --> 01:22:49,930

networking in this issue for 18 years

1859

01:22:58,630 --> 01:22:54,350

I've got seven Facebook pages 6 web

1860

01:23:05,960 --> 01:22:58,640

pages a very large mail list networking

1861

01:23:11,300 --> 01:23:09,170

well I think the thing that I really

1862

01:23:13,430 --> 01:23:11,310

like about you steve is you're really

1863

01:23:15,800 --> 01:23:13,440

passionate about this and you really you

1864

01:23:18,680 --> 01:23:15,810

know you've been studying the course on

1865

01:23:21,950 --> 01:23:18,690

exactly what you're trying to do you

1866

01:23:24,830 --> 01:23:21,960

know it's a lot of work and I hope that

1867

01:23:28,400 --> 01:23:24,840

you're appreciated for what you're

1868

01:23:30,080 --> 01:23:28,410

attempting to do I am I've gotten like

1869

01:23:31,760 --> 01:23:30,090

just last year's I've gotten three

1870

01:23:34,280 --> 01:23:31,770

lifetime awards you know the research

1871

01:23:36,260 --> 01:23:34,290

with your words are constant so I mean

1872

01:23:41,240 --> 01:23:36,270

that's nice it's night preciation is the

1873

01:23:44,300 --> 01:23:41,250

currency of over after and I get plenty

1874

01:23:46,790 --> 01:23:44,310

of positive email so I there is plenty

1875

01:23:48,800 --> 01:23:46,800

of that no complaints here now what

1876

01:23:50,540 --> 01:23:48,810

here's another thing up on the message

1877

01:23:53,690 --> 01:23:50,550

board and what how do you answer this

1878

01:23:56,810 --> 01:23:53,700

and I sort of agree with it and you may

1879

01:23:59,360 --> 01:23:56,820

not like it but anyway Richard Dolan has

1880

01:24:01,520 --> 01:23:59,370

a strong argument that various agencies

1881

01:24:03,830 --> 01:24:01,530

involved in the cover-up will not

1882

01:24:07,820 --> 01:24:03,840

release disclosure unless they are

1883

01:24:10,580 --> 01:24:07,830

promised amnesty about their lying to

1884

01:24:13,430 --> 01:24:10,590

the public which I think there's a part

1885

01:24:17,360 --> 01:24:13,440

of that is true I would think look I

1886

01:24:19,010 --> 01:24:17,370

support amnesty I i do not i think it's

1887

01:24:20,510 --> 01:24:19,020

just it's inconceivable to me that any

1888

01:24:21,890 --> 01:24:20,520

amnesty would be author or at least

1889

01:24:25,370 --> 01:24:21,900

would go to play at until after

1890

01:24:28,040 --> 01:24:25,380

disclosure however but would it surprise

1891

01:24:30,590 --> 01:24:28,050

me if if it point that the Pentagon and

1892

01:24:32,750 --> 01:24:30,600

the White House have to meet to cut the

1893

01:24:37,180 --> 01:24:32,760

deal that allows the suppose we take

1894

01:24:40,730 --> 01:24:37,190

flutters women shocked me Pentagon

1895

01:24:44,450 --> 01:24:40,740

required from from the White House a

1896

01:24:47,120 --> 01:24:44,460

directive over amnesty I can make a case

1897

01:24:50,270 --> 01:24:47,130

then a God wouldn't want that in other

1898

01:24:52,460 --> 01:24:50,280

words what the Pentagon will want is for

1899

01:24:54,740 --> 01:24:52,470

the president to conduct a disclosure

1900

01:24:57,590 --> 01:24:54,750

event and conduct the post disclosure

1901
01:25:02,210 --> 01:24:57,600
world in a way that they are comfortable

1902
01:25:08,750 --> 01:25:02,220
with and granting amnesty to people to

1903
01:25:13,810 --> 01:25:08,760
come forward without repercussions is

1904
01:25:16,820 --> 01:25:13,820
not something he may not want so I

1905
01:25:18,390 --> 01:25:16,830
richard has said that I I would probably

1906
01:25:19,800 --> 01:25:18,400
disagree

1907
01:25:21,990 --> 01:25:19,810
think that no I don't think that will be

1908
01:25:23,820 --> 01:25:22,000
a factor but it is then president can

1909
01:25:27,180 --> 01:25:23,830
say falling off keep your presidential

1910
01:25:29,250 --> 01:25:27,190
directly point on that's what they want

1911
01:25:32,240 --> 01:25:29,260
that's an easy thing to give it just

1912
01:25:35,430 --> 01:25:32,250
make the president look even even more

1913
01:25:36,899 --> 01:25:35,440

progressive moral dance not only is it

1914

01:25:38,760 --> 01:25:36,909

bringing us the truth but he's actually

1915

01:25:41,070 --> 01:25:38,770

taking additional measures to help the

1916

01:25:42,419 --> 01:25:41,080

truth come out remember disclosure was

1917

01:25:45,120 --> 01:25:42,429

just the announcement of the presence of

1918

01:25:47,520 --> 01:25:45,130

ETS that's all that's all it is it's not

1919

01:25:49,830 --> 01:25:47,530

any anything else beyond that is

1920

01:25:51,660 --> 01:25:49,840

supposed to scultura war and so an

1921

01:25:53,700 --> 01:25:51,670

amnesty directive would be a way of

1922

01:25:55,950 --> 01:25:53,710

saying in addition to announcing Miki

1923

01:25:57,479 --> 01:25:55,960

presents underneath see what I can to

1924

01:26:01,280 --> 01:25:57,489

bring information out as quickly as

1925

01:26:04,110 --> 01:26:01,290

possible again I don't think he will

1926

01:26:06,090 --> 01:26:04,120

well I don't think he will initially but

1927

01:26:10,169 --> 01:26:06,100

i'm going to ask for i'm going to

1928

01:26:12,120 --> 01:26:10,179

campaign for but probably if an amnesty

1929

01:26:15,780 --> 01:26:12,130

and the truth and reconciliation program

1930

01:26:18,630 --> 01:26:15,790

he both who instituted it won't be right

1931

01:26:22,229 --> 01:26:18,640

away it will be a number of months after

1932

01:26:25,399 --> 01:26:22,239

the disclosures then what do you think

1933

01:26:30,390 --> 01:26:25,409

the the pressure is on the US when

1934

01:26:33,540 --> 01:26:30,400

outside countries are more and more open

1935

01:26:35,760 --> 01:26:33,550

to the idea that UFOs really do exist

1936

01:26:37,200 --> 01:26:35,770

and they're they're taking it serious

1937

01:26:40,530 --> 01:26:37,210

there's pressure there there have

1938

01:26:42,479 --> 01:26:40,540

success well if there is a huge and it

1939

01:26:46,979 --> 01:26:42,489

said this countless times and will

1940

01:26:48,689 --> 01:26:46,989

continue to say long it takes there is a

1941

01:26:52,260 --> 01:26:48,699

huge risk of the united states by

1942

01:26:55,229 --> 01:26:52,270

delaying disclosure the formal

1943

01:26:58,290 --> 01:26:55,239

announcement will be will go down in

1944

01:26:59,840 --> 01:26:58,300

history many will be able to see no

1945

01:27:03,090 --> 01:26:59,850

significant event in human history

1946

01:27:04,950 --> 01:27:03,100

mm-hmm the country would leads on it as

1947

01:27:08,550 --> 01:27:04,960

it goes first the president that needs

1948

01:27:13,010 --> 01:27:08,560

the party of the president who will

1949

01:27:17,189 --> 01:27:13,020

achieve an instant historical legacy

1950

01:27:20,850 --> 01:27:17,199

it's almost priceless the country that

1951

01:27:22,260 --> 01:27:20,860

comes in second will get squat right but

1952

01:27:24,830 --> 01:27:22,270

it's worse for the United States because

1953

01:27:28,010 --> 01:27:24,840

the US started this truth embargo

1954

01:27:32,690 --> 01:27:28,020

demanding its allies go along with it

1955

01:27:34,910 --> 01:27:32,700

maintained it has resisted it greater

1956

01:27:36,950 --> 01:27:34,920

than any of these other countries and so

1957

01:27:39,440 --> 01:27:36,960

if Russia for instance were to make the

1958

01:27:41,510 --> 01:27:39,450

announcement then the US would get all

1959

01:27:43,550 --> 01:27:41,520

of the blame and negatives associated

1960

01:27:45,560 --> 01:27:43,560

with the enviable itself without any of

1961

01:27:47,390 --> 01:27:45,570

the positives of being the lead country

1962

01:27:50,390 --> 01:27:47,400

that ended in bargo we would be a

1963

01:27:51,680 --> 01:27:50,400

geopolitical disaster and i keep saying

1964

01:27:53,570 --> 01:27:51,690

it in hopes that some people in the

1965

01:27:55,970 --> 01:27:53,580

White House will be listening because if

1966

01:27:58,550 --> 01:27:55,980

they don't get that they may be on the

1967

01:28:00,380 --> 01:27:58,560

verge of making a colossal mistake but

1968

01:28:02,360 --> 01:28:00,390

of course making colossal mistakes

1969

01:28:05,930 --> 01:28:02,370

that's how America rules right now

1970

01:28:07,910 --> 01:28:05,940

mm-hmm it's funny just before you said

1971

01:28:10,190 --> 01:28:07,920

that about Russia someone typed the same

1972

01:28:12,110 --> 01:28:10,200

thing on the chat room have to take in

1973

01:28:13,610 --> 01:28:12,120

the same way as you you know that

1974

01:28:14,840 --> 01:28:13,620

wouldn't surprise me you think Putin

1975

01:28:17,330 --> 01:28:14,850

would like to embarrass the United

1976

01:28:21,710 --> 01:28:17,340

States and and sees left classroom you

1977

01:28:26,990 --> 01:28:21,720

think he's that kind of guy mm-hmm yep

1978

01:28:30,740 --> 01:28:27,000

really good mm-hmm yep so when you did

1979

01:28:33,290 --> 01:28:30,750

to this DVD set you sent out um can you

1980

01:28:35,360 --> 01:28:33,300

get into the details of how many people

1981

01:28:39,050 --> 01:28:35,370

and who they were that you sent them out

1982

01:28:41,180 --> 01:28:39,060

to oh wow the DVD set was the full

1983

01:28:43,400 --> 01:28:41,190

record of a citizen here in 42 witnesses

1984

01:28:46,160 --> 01:28:43,410

30 hours of testimony 20 session was

1985

01:28:47,900 --> 01:28:46,170

over five days not congressional hearing

1986

01:28:51,350 --> 01:28:47,910

national press about 65 members of

1987

01:28:55,190 --> 01:28:51,360

Congress were mightily impressed by this

1988

01:28:57,590 --> 01:28:55,200

testimony we sent a copy to every every

1989

01:29:01,700 --> 01:28:57,600

3rd congressional office 538 they were

1990

01:29:05,270 --> 01:29:01,710

active at the time that's 5380 avg's and

1991

01:29:06,830 --> 01:29:05,280

make this DVD set a couple sets have

1992

01:29:10,580 --> 01:29:06,840

been sent to the media some more we'll

1993

01:29:13,670 --> 01:29:10,590

go to the media shortly these are not

1994

01:29:16,010 --> 01:29:13,680

commercial and not for sale monday we're

1995

01:29:19,220 --> 01:29:16,020

gonna do with a lot of money tell you

1996

01:29:23,780 --> 01:29:19,230

but so that's that's what it is the

1997

01:29:27,440 --> 01:29:23,790

Citizen hearing is that is the key

1998

01:29:32,030 --> 01:29:27,450

hidden to this maneuver I couldn't do it

1999

01:29:35,000 --> 01:29:32,040

without that citizen very much and so

2000

01:29:38,930 --> 01:29:35,010

we're going to whatever it costs it it

2001

01:29:40,370 --> 01:29:38,940

was worth it and the kid earrings that

2002

01:29:43,320 --> 01:29:40,380

will be the key

2003

01:29:44,970 --> 01:29:43,330

now i know i spoke with you i believe i

2004

01:29:47,910 --> 01:29:44,980

spoke with you just before you put that

2005

01:29:50,939 --> 01:29:47,920

on and but i don't think i've spoke to

2006

01:29:54,060 --> 01:29:50,949

you since that time at least not on this

2007

01:29:57,200 --> 01:29:54,070

show that is but what would you say was

2008

01:30:00,390 --> 01:29:57,210

the most profound part of that whole

2009

01:30:04,260 --> 01:30:00,400

that whole hearing I mean what what made

2010

01:30:11,839 --> 01:30:04,270

the most impact well goes it depends on

2011

01:30:16,939 --> 01:30:11,849

what you are the target for the impact

2012

01:30:19,890 --> 01:30:16,949

well there are two fundamental hooks

2013

01:30:27,439 --> 01:30:19,900

upon which the entire congressional

2014

01:30:31,080 --> 01:30:27,449

hearing initiative was is based on

2015

01:30:34,050 --> 01:30:31,090

because two is enough one is a national

2016

01:30:37,050 --> 01:30:34,060

security hook and one is a political

2017

01:30:39,300 --> 01:30:37,060

inch of these clips were presented in

2018

01:30:41,790 --> 01:30:39,310

event included in the Citizen hearing on

2019

01:30:45,089 --> 01:30:41,800

disclosure each of them had three hours

2020

01:30:47,790 --> 01:30:45,099

of testimony the national security hood

2021

01:30:53,310 --> 01:30:47,800

is the nuclear weapons tampering

2022

01:30:55,140 --> 01:30:53,320

evidence now that evidence the largest

2023

01:30:57,120 --> 01:30:55,150

repository of that evidence of course

2024

01:30:59,189 --> 01:30:57,130

was put together over many years by

2025

01:31:02,010 --> 01:30:59,199

Robert Hastings workers you appeal goes

2026

01:31:06,270 --> 01:31:02,020

and moves that's just an incredibly

2027

01:31:08,790 --> 01:31:06,280

important book Robert Salas who is one

2028

01:31:11,520 --> 01:31:08,800

of the Air Force officers that is

2029

01:31:13,379 --> 01:31:11,530

firsthand testimony to some of this

2030

01:31:16,140 --> 01:31:13,389

nuclear tampering and has helped collect

2031

01:31:18,870 --> 01:31:16,150

a lot of other witnesses also wrote a

2032

01:31:20,550 --> 01:31:18,880

book called fatal job me I think five

2033

01:31:23,550 --> 01:31:20,560

people testified on the new issue with

2034

01:31:25,950 --> 01:31:23,560

the hearing now that is a really

2035

01:31:27,330 --> 01:31:25,960

powerful issue the press is actually

2036

01:31:28,740 --> 01:31:27,340

written about it and it's been on the

2037

01:31:32,129 --> 01:31:28,750

internet but they've never followed up

2038

01:31:33,660 --> 01:31:32,139

that's truth embargoes them obviously if

2039

01:31:34,890 --> 01:31:33,670

this kind of testimony gets in front of

2040

01:31:37,290 --> 01:31:34,900

a congressional hearing under oath

2041

01:31:38,910 --> 01:31:37,300

that's a whole different matter and then

2042

01:31:41,879 --> 01:31:38,920

words of binding meetings with staff on

2043

01:31:43,420 --> 01:31:41,889

a hill and I'm presenting this is one of

2044

01:31:46,690 --> 01:31:43,430

the key testimony needs to be brought

2045

01:31:50,100 --> 01:31:46,700

hearing who is going to look at me and

2046

01:31:53,890 --> 01:31:50,110

say well you know why do you think that

2047

01:31:57,820 --> 01:31:53,900

having our missile shutdown while an

2048

01:32:00,600 --> 01:31:57,830

unknown vehicle is hovering over our sac

2049

01:32:02,560 --> 01:32:00,610

base is a national security matter I

2050

01:32:04,990 --> 01:32:02,570

don't think anybody is going to be

2051
01:32:08,110 --> 01:32:05,000
stupid enough to do that so that's the

2052
01:32:10,840 --> 01:32:08,120
national security vote that's powerful

2053
01:32:12,130 --> 01:32:10,850
stuff the other book is the political in

2054
01:32:14,110 --> 01:32:12,140
that of course is the Rockefeller

2055
01:32:16,560 --> 01:32:14,120
mission the people have talked about

2056
01:32:21,250 --> 01:32:16,570
then the reason that that book is

2057
01:32:24,130 --> 01:32:21,260
important again is that one of the

2058
01:32:26,110 --> 01:32:24,140
people involved as president twice the

2059
01:32:28,210 --> 01:32:26,120
other one wants to still be President

2060
01:32:29,920 --> 01:32:28,220
and has been Secretary of State another

2061
01:32:32,620 --> 01:32:29,930
person that is never spoken about the

2062
01:32:34,290 --> 01:32:32,630
initiative was secretary defense in the

2063
01:32:36,400 --> 01:32:34,300

head of the CIA and other one became

2064

01:32:37,960 --> 01:32:36,410

secretary of energy in the governor of

2065

01:32:40,990 --> 01:32:37,970

New Mexico and another one man for

2066

01:32:43,990 --> 01:32:41,000

president that would be a rule which to

2067

01:32:47,860 --> 01:32:44,000

go stood around having huge influence on

2068

01:32:51,100 --> 01:32:47,870

the American people and the governments

2069

01:32:53,440 --> 01:32:51,110

of the United State so right now these

2070

01:32:55,150 --> 01:32:53,450

are silly aren't retired they hadn't

2071

01:32:57,220 --> 01:32:55,160

gone off and into retirement will

2072

01:33:01,180 --> 01:32:57,230

private life of quiet contemplation and

2073

01:33:04,420 --> 01:33:01,190

so they're fully employed and so the

2074

01:33:07,930 --> 01:33:04,430

rough fellow initiative who is going to

2075

01:33:10,120 --> 01:33:07,940

take old and they're a lot of people i

2076

01:33:12,750 --> 01:33:10,130

think in Congress that would like to see

2077

01:33:15,220 --> 01:33:12,760

that fleshed out in a hearing process so

2078

01:33:18,340 --> 01:33:15,230

that's the two most important areas of

2079

01:33:20,320 --> 01:33:18,350

testimony for the PERT for the person

2080

01:33:22,060 --> 01:33:20,330

that apartment that is unfamiliar with

2081

01:33:25,930 --> 01:33:22,070

the Rockefeller initiative can you

2082

01:33:29,050 --> 01:33:25,940

explain that please well the truth

2083

01:33:32,550 --> 01:33:29,060

embargo was not going to end a lot of

2084

01:33:34,810 --> 01:33:32,560

coal overs underway there was no way we

2085

01:33:37,330 --> 01:33:34,820

must catch the terrestrials force

2086

01:33:40,180 --> 01:33:37,340

tonight once the crew were ended the

2087

01:33:43,180 --> 01:33:40,190

major barrier to ending truth embargo

2088

01:33:46,690 --> 01:33:43,190

also went away now there are still other

2089

01:33:48,260 --> 01:33:46,700

barriers other issues but the door was

2090

01:33:52,070 --> 01:33:48,270

open and

2091

01:33:55,730 --> 01:33:52,080

on paper that would have been the time

2092

01:34:00,200 --> 01:33:55,740

shortly after the war ended year or so

2093

01:34:03,620 --> 01:34:00,210

to go ahead and make it out Laurance

2094

01:34:07,130 --> 01:34:03,630

rockefeller one of those sons father

2095

01:34:08,750 --> 01:34:07,140

david brother in Penang Nelson bronze

2096

01:34:11,120 --> 01:34:08,760

Rockefellers a billionaire but he was a

2097

01:34:13,850 --> 01:34:11,130

very progressive person he was involved

2098

01:34:16,010 --> 01:34:13,860

in environmental issues and other issues

2099

01:34:18,920 --> 01:34:16,020

with and he had supported researchers

2100

01:34:23,810 --> 01:34:18,930

like John map in a circle Laurance

2101

01:34:27,830 --> 01:34:23,820

Rockefeller duties and so about two

2102

01:34:31,790 --> 01:34:27,840

months after Clinton and enter the right

2103

01:34:34,520 --> 01:34:31,800

house he began what we now call a

2104

01:34:36,080 --> 01:34:34,530

Rockefeller initiative and meaning the

2105

01:34:38,620 --> 01:34:36,090

first meeting was held after a letter

2106

01:34:40,970 --> 01:34:38,630

was sent first meetings held I believe

2107

01:34:44,960 --> 01:34:40,980

I'm not possible the wing was marched

2108

01:34:47,030 --> 01:34:44,970

23rd 1993 Rockefeller was there John

2109

01:34:49,040 --> 01:34:47,040

Gibbons the head of science office was

2110

01:34:52,490 --> 01:34:49,050

there and then Rockefeller had within

2111

01:34:54,230 --> 01:34:52,500

his attorney Henry diamond and also the

2112

01:34:59,270 --> 01:34:54,240

head of the human potential foundation

2113

01:35:03,410 --> 01:34:59,280

Rockefellers foundation see me Scott

2114

01:35:07,100 --> 01:35:03,420

Jones Air Force intelligence and they

2115

01:35:08,780 --> 01:35:07,110

met to discuss Rockefellers Apple desire

2116

01:35:11,450 --> 01:35:08,790

to get a letter to Clinton as well as a

2117

01:35:13,040 --> 01:35:11,460

report into Clinton making a case that

2118

01:35:14,690 --> 01:35:13,050

Clinton sir release all of the UFO files

2119

01:35:18,260 --> 01:35:14,700

in the government hands all of them and

2120

01:35:20,170 --> 01:35:18,270

also amnesty for witnesses that we come

2121

01:35:22,310 --> 01:35:20,180

forward from within the government

2122

01:35:24,580 --> 01:35:22,320

Gibbons didn't really want anything to

2123

01:35:26,330 --> 01:35:24,590

do with it but when Rockefeller

2124

01:35:27,740 --> 01:35:26,340

mentioned that he was thinking about

2125

01:35:30,860 --> 01:35:27,750

putting an ad in every American

2126
01:35:33,650 --> 01:35:30,870
newspaper about 5,000 cost about 30

2127
01:35:38,330 --> 01:35:33,660
million bucks oh they changed their mind

2128
01:35:40,460 --> 01:35:38,340
and so off they went and there were

2129
01:35:42,230 --> 01:35:40,470
meetings at the you know a bunch of

2130
01:35:44,420 --> 01:35:42,240
researchers met at the Rockefellers

2131
01:35:45,660 --> 01:35:44,430
ranch to discuss strategy Hillary

2132
01:35:47,850 --> 01:35:45,670
Brooklyn

2133
01:35:50,550 --> 01:35:47,860
met with in- this was part of your

2134
01:35:52,560 --> 01:35:50,560
discussion Thank You 95 there was a

2135
01:35:54,479 --> 01:35:52,570
report was meanings a lot this one on

2136
01:35:57,050 --> 01:35:54,489
and we know this because we have a

2137
01:35:59,430 --> 01:35:57,060
thousand pages of documents and prove it

2138
01:36:01,320 --> 01:35:59,440

that's the Rockefeller initiative now by

2139

01:36:03,620 --> 01:36:01,330

late nineteen ninety-six Rockefeller

2140

01:36:06,350 --> 01:36:03,630

display told was slipping and dementia

2141

01:36:09,709 --> 01:36:06,360

Clinton was tied down by endless

2142

01:36:12,000 --> 01:36:09,719

ceaseless attacks from the right among

2143

01:36:13,860 --> 01:36:12,010

against him his wife his brother his

2144

01:36:17,990 --> 01:36:13,870

sister is an example the cats the dogs

2145

01:36:21,840 --> 01:36:18,000

everything and so it didn't happen

2146

01:36:24,030 --> 01:36:21,850

whatever Clinton's intentions were in a

2147

01:36:26,700 --> 01:36:24,040

second term that all grew up with Monica

2148

01:36:29,580 --> 01:36:26,710

Lewinsky a new feature so they contained

2149

01:36:32,310 --> 01:36:29,590

it but nevertheless it went on for three

2150

01:36:35,490 --> 01:36:32,320

years that's the Rockefeller initiative

2151

01:36:38,300 --> 01:36:35,500

not only tell you if it wasn't for the

2152

01:36:40,350 --> 01:36:38,310

truth embargo a billionaire Rockefeller

2153

01:36:42,090 --> 01:36:40,360

walking in the White House trying to get

2154

01:36:44,669 --> 01:36:42,100

the present to release files from the US

2155

01:36:46,350 --> 01:36:44,679

government files is this news it's big

2156

01:36:49,080 --> 01:36:46,360

news it's political fodder it's

2157

01:36:50,340 --> 01:36:49,090

everything and nothing there's a one or

2158

01:36:52,919 --> 01:36:50,350

two articles written early on

2159

01:36:55,020 --> 01:36:52,929

disappeared right away nothing because

2160

01:36:59,910 --> 01:36:55,030

again this issue is in a place of its

2161

01:37:01,590 --> 01:36:59,920

own and so they did it they then walked

2162

01:37:03,660 --> 01:37:01,600

away from it and they hope that nothing

2163

01:37:07,350 --> 01:37:03,670

would come from it then and then they

2164

01:37:10,650 --> 01:37:07,360

started some new strategies in 2002 with

2165

01:37:13,200 --> 01:37:10,660

the beste so there is a game going on

2166

01:37:16,100 --> 01:37:13,210

about this behind the scenes that

2167

01:37:18,600 --> 01:37:16,110

involves the Democratic Party in close

2168

01:37:22,260 --> 01:37:18,610

they've played pretty much this game on

2169

01:37:24,180 --> 01:37:22,270

their own terms for 20 years now and now

2170

01:37:29,669 --> 01:37:24,190

we're going to very soon have to play it

2171

01:37:32,280 --> 01:37:29,679

on our terms very good now a question up

2172

01:37:34,260 --> 01:37:32,290

on the message board another one is was

2173

01:37:39,750 --> 01:37:34,270

there any reaction after you sent out

2174

01:37:42,360 --> 01:37:39,760

all those dvds no we had no responses

2175

01:37:45,240 --> 01:37:42,370

and one of the reasons was is that I

2176
01:37:47,850 --> 01:37:45,250
knew I mean the members were not in town

2177
01:37:49,770 --> 01:37:47,860
they were home but I was going to follow

2178
01:37:53,669 --> 01:37:49,780
up with meeting or class and try to work

2179
01:37:57,150 --> 01:37:53,679
some of the staffers during the intro

2180
01:37:59,160 --> 01:37:57,160
into women between the election and the

2181
01:38:00,720 --> 01:37:59,170
the congress in january third what

2182
01:38:02,850 --> 01:38:00,730
happened was things got delayed some

2183
01:38:07,830 --> 01:38:02,860
more and then he had all these crises

2184
01:38:11,400 --> 01:38:07,840
overseas Oh Stefan and so I didn't make

2185
01:38:14,940 --> 01:38:11,410
a move until january three so we didn't

2186
01:38:16,710 --> 01:38:14,950
get responses there I had to put in

2187
01:38:18,810 --> 01:38:16,720
several requests for meetings and then

2188
01:38:21,030 --> 01:38:18,820

of course we had serious articles we'd

2189

01:38:25,850 --> 01:38:21,040

have it took Podesta tweet and I were at

2190

01:38:29,700 --> 01:38:25,860

least we fertilize the soil so that by

2191

01:38:31,290 --> 01:38:29,710

about January 10 2015 things the plant

2192

01:38:35,340 --> 01:38:31,300

started to grow the crops start to grow

2193

01:38:36,450 --> 01:38:35,350

and now things are speeding up so the

2194

01:38:40,980 --> 01:38:36,460

thing that it's generated the most

2195

01:38:45,650 --> 01:38:40,990

response was in fact the article mm-hmm

2196

01:38:47,820 --> 01:38:45,660

in the roll call he's been I'm sure yeah

2197

01:38:49,710 --> 01:38:47,830

someone wanted to know if you've ever

2198

01:38:53,070 --> 01:38:49,720

thought about distributing some of them

2199

01:38:55,050 --> 01:38:53,080

in the UK or any other you know I I

2200

01:38:56,700 --> 01:38:55,060

understand earlier you answered that

2201

01:38:59,130 --> 01:38:56,710

question mostly that yours you're

2202

01:39:01,100 --> 01:38:59,140

sticking to the US you know that's your

2203

01:39:03,660 --> 01:39:01,110

thing but have you considered

2204

01:39:06,600 --> 01:39:03,670

distributing to other countries or have

2205

01:39:08,430 --> 01:39:06,610

you well anybody can go to Citizen

2206

01:39:12,210 --> 01:39:08,440

hearing battle of website and they can

2207

01:39:14,730 --> 01:39:12,220

purchase the commercial version of this

2208

01:39:18,600 --> 01:39:14,740

DVD set the commercial version of the

2209

01:39:20,430 --> 01:39:18,610

video record and steer they can take a

2210

01:39:23,820 --> 01:39:20,440

biggin buy it for a six-month period a

2211

01:39:25,590 --> 01:39:23,830

combined prominently and I think pretty

2212

01:39:27,300 --> 01:39:25,600

soon the dvds are going to be available

2213

01:39:30,360 --> 01:39:27,310

and you can buy them so they're

2214

01:39:32,340 --> 01:39:30,370

available anybody in the world marketed

2215

01:39:33,840 --> 01:39:32,350

that they are downloadable now anybody

2216

01:39:37,350 --> 01:39:33,850

the world and their dvds will be

2217

01:39:41,430 --> 01:39:37,360

available to a cool so we're going to

2218

01:39:42,480 --> 01:39:41,440

get it out there uh-huh someone on the

2219

01:39:46,850 --> 01:39:42,490

message board said you ought to

2220

01:39:51,690 --> 01:39:46,860

projected on the capital a big projector

2221

01:39:56,370 --> 01:39:51,700

now honorable Paul Hellyer was one of

2222

01:39:59,730 --> 01:39:56,380

the people at your that and what was the

2223

01:40:03,390 --> 01:39:59,740

overall a reaction to what he had to say

2224

01:40:07,460 --> 01:40:03,400

now how you got probably more published

2225

01:40:10,990 --> 01:40:07,470

in terms of web terms of

2226

01:40:13,130 --> 01:40:11,000

call for anybody who was very

2227

01:40:17,870 --> 01:40:13,140

significant to have a former defense

2228

01:40:23,450 --> 01:40:17,880

minister of the neighborhood is a

2229

01:40:25,820 --> 01:40:23,460

post-effective Canada's in there uh he

2230

01:40:29,720 --> 01:40:25,830

you know he's been a number of years

2231

01:40:31,670 --> 01:40:29,730

since he was in that role he's old but

2232

01:40:36,080 --> 01:40:31,680

he's in great shape I mean this man is

2233

01:40:37,130 --> 01:40:36,090

like 90 going on 55 so you know but

2234

01:40:39,980 --> 01:40:37,140

there have been other high-level people

2235

01:40:42,680 --> 01:40:39,990

that are spoken on this issue but

2236

01:40:45,230 --> 01:40:42,690

they're passed away Admiral or

2237

01:40:47,690 --> 01:40:45,240

hillmorton of the British who actually

2238

01:40:51,140 --> 01:40:47,700

ran a virgin military made some very

2239

01:40:52,820 --> 01:40:51,150

strong statement but that was then they

2240

01:40:56,270 --> 01:40:52,830

didn't go anywhere because it was cold

2241

01:40:57,650 --> 01:40:56,280

war time so yes you can be assured that

2242

01:41:00,760 --> 01:40:57,660

Paul Hellyer would be one of the

2243

01:41:04,280 --> 01:41:00,770

Congressional hearings when we get there

2244

01:41:08,180 --> 01:41:04,290

now I noticed I was at the UFO Congress

2245

01:41:12,770 --> 01:41:08,190

last week and I noticed that a majority

2246

01:41:16,580 --> 01:41:12,780

of the attendees out there were older so

2247

01:41:19,310 --> 01:41:16,590

no is that the case also with people

2248

01:41:20,870 --> 01:41:19,320

behind this it just you don't see a lot

2249

01:41:23,480 --> 01:41:20,880

of young people i mean there are some

2250

01:41:25,670 --> 01:41:23,490

yes but not the percentage is low what

2251
01:41:29,990 --> 01:41:25,680
are you finding you see any of that the

2252
01:41:31,880 --> 01:41:30,000
issue on its face does not have direct

2253
01:41:34,430 --> 01:41:31,890
impact on the lives of a

2254
01:41:36,380 --> 01:41:34,440
sixteen-year-old or an 18 year old or 20

2255
01:41:39,910 --> 01:41:36,390
year old it does it that age you you're

2256
01:41:44,210 --> 01:41:39,920
interested in finding us a wife husband

2257
01:41:45,800 --> 01:41:44,220
career enjoying yourself and this issue

2258
01:41:47,930 --> 01:41:45,810
doesn't have a media impact it will

2259
01:41:51,020 --> 01:41:47,940
ultimately impact their lives greatly so

2260
01:41:52,130 --> 01:41:51,030
the people that are the building

2261
01:41:54,590 --> 01:41:52,140
sponsors are the ones that have been

2262
01:41:57,310 --> 01:41:54,600
following it they're her life I mean you

2263
01:42:01,160 --> 01:41:57,320

know if you're my age I'm 68 I was born

2264

01:42:05,150 --> 01:42:01,170

about some eight months before Roswell

2265

01:42:11,240 --> 01:42:05,160

I've lived my whole life during the ET

2266

01:42:12,830 --> 01:42:11,250

era those the matter ET era and so these

2267

01:42:15,290 --> 01:42:12,840

people have obviously had all these

2268

01:42:17,270 --> 01:42:15,300

decades to get rid of it and follow

2269

01:42:18,470 --> 01:42:17,280

early and so they're the ones that have

2270

01:42:19,340 --> 01:42:18,480

the interest or the ones that come to

2271

01:42:22,140 --> 01:42:19,350

these com

2272

01:42:26,100 --> 01:42:22,150

obviously the age the age average is

2273

01:42:30,150 --> 01:42:26,110

dropping means dropping you see more but

2274

01:42:34,700 --> 01:42:30,160

I don't expect that to change much after

2275

01:42:41,070 --> 01:42:34,710

disclosure however haha trust me

2276

01:42:44,520 --> 01:42:41,080

Millennials will be on fire hmm let's

2277

01:42:47,490 --> 01:42:44,530

see there's a this is this is from the

2278

01:42:51,750 --> 01:42:47,500

board of the it's not directly for me

2279

01:42:54,360 --> 01:42:51,760

but I understand Charles Hall how it's

2280

01:42:56,730 --> 01:42:54,370

always kind of controversial to say the

2281

01:42:59,760 --> 01:42:56,740

least did that do you think that

2282

01:43:03,390 --> 01:42:59,770

affected your of the hearing at all

2283

01:43:05,430 --> 01:43:03,400

having him there Charles Hall is it

2284

01:43:07,740 --> 01:43:05,440

Charles halt the one you thought you've

2285

01:43:10,260 --> 01:43:07,750

got Colonel holds oh yeah I'm not sure

2286

01:43:13,170 --> 01:43:10,270

no was it they're not not halal scar was

2287

01:43:16,380 --> 01:43:13,180

doing III think there's two names being

2288

01:43:18,060 --> 01:43:16,390

mixed up here Hall H a ll I can't

2289

01:43:20,700 --> 01:43:18,070

remember his first name yeah there was

2290

01:43:23,190 --> 01:43:20,710

no hall there now if you don't know as

2291

01:43:25,950 --> 01:43:23,200

it happens Paul Hellyer the third to

2292

01:43:29,370 --> 01:43:25,960

Charles Wallace Testament yeah he's

2293

01:43:31,110 --> 01:43:29,380

Evans in the tall whites typos I'm

2294

01:43:33,150 --> 01:43:31,120

trying to think of the one that does the

2295

01:43:35,070 --> 01:43:33,160

tall blondes or whatever it is the

2296

01:43:37,590 --> 01:43:35,080

following since Charles fall he was not

2297

01:43:39,480 --> 01:43:37,600

there he was not there okay okay I think

2298

01:43:41,150 --> 01:43:39,490

there was some confusion about think

2299

01:43:45,480 --> 01:43:41,160

you're talking about the Citizen hearing

2300

01:43:50,250 --> 01:43:45,490

yes right correct okay we have about a

2301

01:43:51,570 --> 01:43:50,260

minute minute left here Steve so why

2302

01:43:55,200 --> 01:43:51,580

don't you go ahead and get up give out

2303

01:43:57,960 --> 01:43:55,210

all your information well if you want to

2304

01:43:59,850 --> 01:43:57,970

find out what the you only want to get

2305

01:44:02,370 --> 01:43:59,860

up to speed on the west i'm hearing

2306

01:44:04,350 --> 01:44:02,380

initiative just go to the p orgies main

2307

01:44:07,860 --> 01:44:04,360

site paradigm and research group tour

2308

01:44:12,630 --> 01:44:07,870

and there's a big graphic is click on it

2309

01:44:15,360 --> 01:44:12,640

a graphic take you right to the c CH I

2310

01:44:16,860 --> 01:44:15,370

page you can see the community cover as

2311

01:44:19,110 --> 01:44:16,870

you can see the interview schedule you

2312

01:44:23,640 --> 01:44:19,120

can also see the press releases and so

2313

01:44:26,280 --> 01:44:23,650

forth the Citizen hearing home pages to

2314

01:44:29,670 --> 01:44:26,290

Citizen hearing dork there you can buy

2315

01:44:30,850 --> 01:44:29,680

downloads of the entire summer parts of

2316

01:44:32,680 --> 01:44:30,860

or the entire

2317

01:44:35,379 --> 01:44:32,690

Citizen hearing on disclosure commercial

2318

01:44:37,570 --> 01:44:35,389

quality guys realized so funny DVD

2319

01:44:39,160 --> 01:44:37,580

alright I'm sorry we gotta we gotta

2320

01:44:41,290 --> 01:44:39,170

close the show Steve thank you so much

2321

01:44:43,510 --> 01:44:41,300

it's been a real pleasure look forward

2322

01:44:46,510 --> 01:44:43,520

to being back very good I'll talk to you

2323

01:44:47,709 --> 01:44:46,520

soon so that's it for the show and if

2324

01:44:49,450 --> 01:44:47,719

you're listening this fire that means

2325

01:44:51,340 --> 01:44:49,460

you're a dollar a month or more

2326
01:44:54,040 --> 01:44:51,350
supporter and I thank you very much for

2327
01:44:56,320 --> 01:44:54,050
helping us out I want to thank everyone

2328
01:44:58,899 --> 01:44:56,330
for helping us also with the show today

2329
01:45:01,629 --> 01:44:58,909
and that's Alejandro Rojas with the news

2330
01:45:04,870 --> 01:45:01,639
Kerry Lloyd White House and Bruce ranier

2331
01:45:07,780 --> 01:45:04,880
for the music and I want to thank our

2332
01:45:11,109 --> 01:45:07,790
two guests and that is Lori Hines and

2333
01:45:12,939 --> 01:45:11,119
Stephen Bassett Peggy shunning for

2334
01:45:15,100 --> 01:45:12,949
managing our facebook page remember to

2335
01:45:17,709 --> 01:45:15,110
Like us on facebook for the latest UFO

2336
01:45:20,290 --> 01:45:17,719
news you could check us out live for the

2337
01:45:24,729 --> 01:45:20,300
full show next week on the Dark Matter

2338
01:45:27,580 --> 01:45:24,739

radio network or right here on this

2339

01:45:29,680 --> 01:45:27,590

podcast I get Joyride calm or other

2340

01:45:31,600 --> 01:45:29,690

venues that you're listening on thanks
