

OF ENCOUNTER

Ariel School

1
00:00:03,169 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:04,249 --> 00:00:03,179
triangle

3
00:00:05,390 --> 00:00:04,259
you know there's explanation for

4
00:00:08,570 --> 00:00:05,400
everything that occurred in the

5
00:00:11,540 --> 00:00:08,580
Rendlesham forest incident aliens at all

6
00:00:14,450 --> 00:00:11,550
it was completely silent it comes right

7
00:00:16,700 --> 00:00:14,460
over our head it's so classic

8
00:00:18,560 --> 00:00:16,710
flying-saucer really standing in the

9
00:00:20,000 --> 00:00:18,570
clearing he turned over to my father and

10
00:00:25,820 --> 00:00:20,010
held his hand and he looked in his eyes

11
00:00:28,429 --> 00:00:25,830
and said we're not alone welcome to

12
00:00:30,830 --> 00:00:28,439
podcast UFO for our live show

13
00:00:33,020 --> 00:00:30,840

we're live every Wednesday at 8 p.m.

14

00:00:35,569 --> 00:00:33,030
Eastern Standard Time on the dark matter

15

00:00:39,229 --> 00:00:35,579
radio network please remember to visit

16

00:00:42,440 --> 00:00:39,239
the website podcast UFO calm for past

17

00:00:44,420 --> 00:00:42,450
episodes blogs and forums during the

18

00:00:46,910 --> 00:00:44,430
show feel free to participate live in

19

00:00:49,450 --> 00:00:46,920
our chat room and don't forget to like

20

00:00:52,400 --> 00:00:49,460
us on our very active Facebook page

21

00:00:54,049 --> 00:00:52,410
hello everyone and welcome to the show

22

00:00:56,450 --> 00:00:54,059
this is Martin Willis your host and we

23

00:00:57,819 --> 00:00:56,460
have Tom Reed coming up in the first

24

00:01:00,439 --> 00:00:57,829
hour and he's going to be talking about

25

00:01:03,500 --> 00:01:00,449
being inducted in the Great Barrington

26

00:01:05,960 --> 00:01:03,510

Historical Society about his case his

27

00:01:08,539 --> 00:01:05,970

family case that's kind of interesting

28

00:01:11,090 --> 00:01:08,549

and exciting so he'll be coming up in

29

00:01:12,530 --> 00:01:11,100

the first hour in the second hour it's

30

00:01:15,109 --> 00:01:12,540

kind of a strange thing we've never

31

00:01:16,550 --> 00:01:15,119

tried anything like this we have Randall

32

00:01:19,520 --> 00:01:16,560

Nickerson he's going to be live

33

00:01:21,140 --> 00:01:19,530

streaming from his own website and he's

34

00:01:23,030 --> 00:01:21,150

going to have a chat room on his own

35

00:01:25,130 --> 00:01:23,040

website that's being set up right now

36

00:01:28,280 --> 00:01:25,140

with questions and answers about his new

37

00:01:31,069 --> 00:01:28,290

documentary and that is for the Ariel

38

00:01:32,539 --> 00:01:31,079

school phenomenon and that'll be in the

39

00:01:34,700 --> 00:01:32,549

second hour that's only going on for

40

00:01:38,149 --> 00:01:34,710

about a half an hour so at 9:30 we're

41

00:01:42,440 --> 00:01:38,159

going to be taking calls and that is at

42

00:01:45,050 --> 00:01:42,450

the number 6 0 3 9 6 7 403 oh I'll be

43

00:01:48,170 --> 00:01:45,060

giving that number out again as we go

44

00:01:51,560 --> 00:01:48,180

along now Randy's chat room is on his

45

00:01:53,749 --> 00:01:51,570

own website that link is right on our

46

00:01:55,219 --> 00:01:53,759

website so you can go right to it it's

47

00:01:57,649 --> 00:01:55,229

too long for me to tell you what it is

48

00:02:00,230 --> 00:01:57,659

but that's not to be confused with our

49

00:02:03,020 --> 00:02:00,240

own chat room right on our sidebar go to

50

00:02:06,020 --> 00:02:03,030

podcast UFO comm and you'll see our own

51
00:02:09,680 --> 00:02:06,030
chat bar that you can talk to the guests

52
00:02:11,510 --> 00:02:09,690
in the first hour right there ok and I

53
00:02:13,650 --> 00:02:11,520
want to thank everyone who's helping us

54
00:02:16,440 --> 00:02:13,660
by supporting the show

55
00:02:18,270 --> 00:02:16,450
and subscribing to us it's only \$1 a

56
00:02:19,920 --> 00:02:18,280
month or more to hear the second half of

57
00:02:22,230 --> 00:02:19,930
the show you can go to our website again

58
00:02:25,170 --> 00:02:22,240
and all that information is right there

59
00:02:28,680 --> 00:02:25,180
and we have that all set up for iTunes

60
00:02:30,510 --> 00:02:28,690
and all kinds of other media players so

61
00:02:32,730 --> 00:02:30,520
if you are gonna be all set with

62
00:02:36,060 --> 00:02:32,740
whatever you have except stitcher we

63
00:02:37,770 --> 00:02:36,070

can't figure that part out so I want to

64

00:02:39,720 --> 00:02:37,780

thank everyone again for listening

65

00:02:41,490 --> 00:02:39,730

whether you're supporting us or not each

66

00:02:43,590 --> 00:02:41,500

and every one of you is very important

67

00:02:45,990 --> 00:02:43,600

to us and now we're ready to roll in the

68

00:02:49,620 --> 00:02:46,000

news with Alejandro Rojas from open

69

00:02:52,710 --> 00:02:49,630

minds how are you alejandro good am i

70

00:02:53,400 --> 00:02:52,720

important to you too somewhat yes

71

00:02:56,850 --> 00:02:53,410

account

72

00:03:00,330 --> 00:02:56,860

oh I guess I wanted to hear it you are

73

00:03:03,030 --> 00:03:00,340

hugs I knew it but I wanted to hear it

74

00:03:04,590 --> 00:03:03,040

can we have a digital hug here yeah here

75

00:03:08,010 --> 00:03:04,600

we go there you go buddy

76

00:03:09,420 --> 00:03:08,020

yeah that was a good one so we got a

77

00:03:11,250 --> 00:03:09,430

squeeze through the news kind of fat

78

00:03:13,860 --> 00:03:11,260

okay it's weak so what's going on

79

00:03:16,920 --> 00:03:13,870

let's do it so one of the stories we

80

00:03:19,410 --> 00:03:16,930

wrote about recently is from 2013 but

81

00:03:22,530 --> 00:03:19,420

it's taken MUFON that long to analyze it

82

00:03:25,500 --> 00:03:22,540

no actually the MUFON scientific board

83

00:03:29,010 --> 00:03:25,510

puts out an annual report on the top

84

00:03:31,590 --> 00:03:29,020

cases and they're they're backed up so

85

00:03:33,870 --> 00:03:31,600

they just got to 2013 top cases out and

86

00:03:36,180 --> 00:03:33,880

one of the top cases includes a video

87

00:03:38,040 --> 00:03:36,190

and everybody loves videos so I posted

88

00:03:41,040 --> 00:03:38,050

what was essentially their idea of the

89

00:03:45,090 --> 00:03:41,050

best UFO video from 2013 it shows a

90

00:03:46,650 --> 00:03:45,100

bright light and a smaller light

91

00:03:48,960 --> 00:03:46,660

dropping out of it that's blinking

92

00:03:51,180 --> 00:03:48,970

though I kind of moves up and then moves

93

00:03:54,150 --> 00:03:51,190

out down and out of sight quickly and

94

00:03:57,510 --> 00:03:54,160

this was in Boise Idaho December 24th

95

00:03:59,160 --> 00:03:57,520

2013 it was about 9:00 p.m. and so the

96

00:04:00,870 --> 00:03:59,170

video is interesting it was taken by a

97

00:04:03,360 --> 00:04:00,880

couple who had spotted it while they're

98

00:04:05,310 --> 00:04:03,370

driving so they stopped rushed home to

99

00:04:07,620 --> 00:04:05,320

get their camera and were able to catch

100

00:04:09,570 --> 00:04:07,630

this orb coming out of it they said they

101
00:04:12,180 --> 00:04:09,580
saw another similar thing prior to this

102
00:04:14,010 --> 00:04:12,190
but what's really interesting about this

103
00:04:16,680 --> 00:04:14,020
case is that there were two other groups

104
00:04:19,260 --> 00:04:16,690
of people that saw the same thing that

105
00:04:21,030 --> 00:04:19,270
evening and they reported pretty much

106
00:04:24,000 --> 00:04:21,040
exactly the same thing seeing this

107
00:04:26,010 --> 00:04:24,010
bright red light where with this other

108
00:04:26,520 --> 00:04:26,020
light coming it down and dropping out at

109
00:04:27,030 --> 00:04:26,530
the bottom

110
00:04:29,010 --> 00:04:27,040
the

111
00:04:31,470 --> 00:04:29,020
second set of people were some people

112
00:04:34,050 --> 00:04:31,480
out driving around looking at Christmas

113
00:04:37,530 --> 00:04:34,060

lights whose side and then the third set

114

00:04:39,540 --> 00:04:37,540

was a mother a stay-at-home mom who was

115

00:04:41,280 --> 00:04:39,550

going outside to have a smoke and saw

116

00:04:43,110 --> 00:04:41,290

this and she called her kids to come out

117

00:04:48,210 --> 00:04:43,120

and watch it with her so pretty

118

00:04:51,000 --> 00:04:48,220

interesting the it finally was a it was

119

00:04:53,220 --> 00:04:51,010

investigated he couldn't find any local

120

00:04:55,430 --> 00:04:53,230

airport or international card or

121

00:04:58,380 --> 00:04:55,440

anything who could determine what it was

122

00:05:02,310 --> 00:04:58,390

but a really interesting case what's

123

00:05:05,310 --> 00:05:02,320

more interesting is that MUFON MUFON -

124

00:05:08,570 --> 00:05:05,320

Roger Marsh who posts sightings on open

125

00:05:13,200 --> 00:05:08,580

minds TV of the sighting this week from

126

00:05:15,780 --> 00:05:13,210

Oregon and this was on March 4th at

127

00:05:18,690 --> 00:05:15,790

about 8:15 p.m.

128

00:05:21,510 --> 00:05:18,700

just this year so just the other day and

129

00:05:23,850 --> 00:05:21,520

a very similar description this object

130

00:05:26,460 --> 00:05:23,860

that was hovering there and a smaller

131

00:05:28,740 --> 00:05:26,470

object coming out of it so pretty

132

00:05:33,330 --> 00:05:28,750

interesting that the similar report came

133

00:05:35,580 --> 00:05:33,340

from this mm similar to the 2013 one yes

134

00:05:38,280 --> 00:05:35,590

and I know all these stories are linked

135

00:05:41,370 --> 00:05:38,290

in our show notes to your website but I

136

00:05:43,500 --> 00:05:41,380

do want to say that if someone goes to

137

00:05:45,840 --> 00:05:43,510

podcast UFO comm right on the home page

138

00:05:47,520 --> 00:05:45,850

or in our show notes you will see that

139

00:05:52,920 --> 00:05:47,530

video that you were talking about in

140

00:05:56,520 --> 00:05:52,930

Boise Idaho and that is I always get a

141

00:05:58,200 --> 00:05:56,530

thrill out of seeing those UFOs when the

142

00:05:59,580 --> 00:05:58,210

thing drops out of them or more than one

143

00:06:02,190 --> 00:05:59,590

thing that's out of them I mean that's

144

00:06:04,890 --> 00:06:02,200

makes it even more unexplainable but in

145

00:06:06,870 --> 00:06:04,900

a way it's almost like a drone type of

146

00:06:10,110 --> 00:06:06,880

situation I mean it it kind of makes

147

00:06:11,850 --> 00:06:10,120

some type of sense well that a drone

148

00:06:13,920 --> 00:06:11,860

would have something dropping out of it

149

00:06:16,800 --> 00:06:13,930

and kind of coming back up and dropping

150

00:06:20,520 --> 00:06:16,810

down again knowing the drop it's like a

151

00:06:23,160 --> 00:06:20,530

drone dropping out of it so it's really

152

00:06:25,320 --> 00:06:23,170

weird definitely a weird case and these

153

00:06:28,140 --> 00:06:25,330

days video isn't enough you need that

154

00:06:31,170 --> 00:06:28,150

good witness testimony and especially to

155

00:06:34,500 --> 00:06:31,180

have multiple witnesses is a great thing

156

00:06:36,540 --> 00:06:34,510

so really interesting case right and so

157

00:06:38,520 --> 00:06:36,550

what else is going on a couple other

158

00:06:39,490 --> 00:06:38,530

videos there's a lot of people who have

159

00:06:42,520 --> 00:06:39,500

seen this

160

00:06:45,790 --> 00:06:42,530

Argentina TV station with a UFO in the

161

00:06:48,640 --> 00:06:45,800

background oh yeah and that's created a

162

00:06:52,120 --> 00:06:48,650

lot of buzz however unfortunately it

163

00:06:55,600 --> 00:06:52,130

turned out to be a hoax so just a hoax

164

00:06:57,460 --> 00:06:55,610

that well you just replaced the video in

165

00:07:00,850 --> 00:06:57,470

the background they added so Leif

166

00:07:02,890 --> 00:07:00,860

Spiegel wrote about it and the TV

167

00:07:05,170 --> 00:07:02,900

station got ahold of Lee Spiegel and

168

00:07:07,840 --> 00:07:05,180

said here's the real video from our

169

00:07:10,060 --> 00:07:07,850

newscast and he provided them with the

170

00:07:12,100 --> 00:07:10,070

video of that segment of the newscast

171

00:07:15,880 --> 00:07:12,110

and you don't see a UFO in the

172

00:07:16,920 --> 00:07:15,890

background so somebody yeah CGI that UFO

173

00:07:20,080 --> 00:07:16,930

in the background

174

00:07:21,460 --> 00:07:20,090

unfortunately so it's really good - yeah

175

00:07:24,310 --> 00:07:21,470

it looks really good it was a really

176

00:07:27,060 --> 00:07:24,320

interesting one but that turned out to

177

00:07:32,170 --> 00:07:27,070

be a hoax Wow

178

00:07:34,990 --> 00:07:32,180

another one that is a suspected hoax but

179

00:07:36,880 --> 00:07:35,000

nobody's quite sure yet is one that is

180

00:07:39,130 --> 00:07:36,890

out of California in the Silicon Valley

181

00:07:41,530 --> 00:07:39,140

this is a video that was taken on March

182

00:07:43,510 --> 00:07:41,540

5th so it's also recent and this was

183

00:07:46,659 --> 00:07:43,520

taken with a drone so this drone is

184

00:07:49,510 --> 00:07:46,669

flying around it has a 4k camera on it

185

00:07:52,840 --> 00:07:49,520

and it caught something whipping by the

186

00:07:55,000 --> 00:07:52,850

drone was about at 265 feet and it's a

187

00:07:57,610 --> 00:07:55,010

really kind of interesting video it's a

188

00:08:00,130 --> 00:07:57,620

kind of a shocking video it is now

189

00:08:01,600 --> 00:08:00,140

has anyone explored I don't know don't

190

00:08:04,600 --> 00:08:01,610

yell at me when I say this but has

191

00:08:07,240 --> 00:08:04,610

anyone thought about an insect I saw I

192

00:08:12,430 --> 00:08:07,250

did watch the video of course people

193

00:08:17,710 --> 00:08:12,440

have that an insect just become

194

00:08:19,360 --> 00:08:17,720

descending no but yeah there's a lot of

195

00:08:21,070 --> 00:08:19,370

people there's a guy in count one of the

196

00:08:22,870 --> 00:08:21,080

California MUFON guys thinks it might be

197

00:08:25,150 --> 00:08:22,880

CGI because he thinks that he sees it

198

00:08:27,370 --> 00:08:25,160

disappear here and there however others

199

00:08:29,530 --> 00:08:27,380

feel that it could be well a lot of

200

00:08:31,780 --> 00:08:29,540

people felt a genuine UFO some people

201
00:08:34,209 --> 00:08:31,790
think a bird some people think a bug a

202
00:08:37,089 --> 00:08:34,219
lot of the MUFON guys including the star

203
00:08:39,610 --> 00:08:37,099
team I had and Mark Dantonio the photo

204
00:08:41,860 --> 00:08:39,620
analysts feel that it's probably a bug

205
00:08:43,779 --> 00:08:41,870
and I think that it might be a bug I

206
00:08:46,360 --> 00:08:43,789
think when people look at it it looks so

207
00:08:47,829 --> 00:08:46,370
white it's white and it looks kind of

208
00:08:50,440 --> 00:08:47,839
stunning so they think oh that's

209
00:08:52,010 --> 00:08:50,450
definitely not a bug but I think as bug

210
00:08:54,139 --> 00:08:52,020
zooming by the camera that

211
00:08:56,329 --> 00:08:54,149
you know illuminated could look like

212
00:08:58,550 --> 00:08:56,339
this so it could be a bug and I'm kind

213
00:09:00,260 --> 00:08:58,560

of leaning in that way myself yeah and

214

00:09:02,870 --> 00:09:00,270

it's awful hard even though that was a

215

00:09:04,610 --> 00:09:02,880

4k camera it's awful hard to do a

216

00:09:06,620 --> 00:09:04,620

frame-by-frame on that I tried to do

217

00:09:09,230 --> 00:09:06,630

that frame by frame at YouTube and it's

218

00:09:11,389 --> 00:09:09,240

not easy no even though it's 4k high

219

00:09:14,720 --> 00:09:11,399

resolution is seeing so small moving so

220

00:09:17,150 --> 00:09:14,730

fast in our story Jason who wrote it

221

00:09:19,340 --> 00:09:17,160

put it still so you could see and even

222

00:09:22,699 --> 00:09:19,350

at 4k it's difficult to make anything

223

00:09:24,110 --> 00:09:22,709

out right oh well I know you did a great

224

00:09:26,810 --> 00:09:24,120

job blazing through the news this week

225

00:09:30,230 --> 00:09:26,820

and so we just want to make sure we get

226

00:09:32,900 --> 00:09:30,240

a pretty good our in with Tom and thanks

227

00:09:35,120 --> 00:09:32,910

so much I really appreciate sure and we

228

00:09:37,579 --> 00:09:35,130

can chat more and have more fun next

229

00:09:40,370 --> 00:09:37,589

week possibly all right hopefully

230

00:09:43,010 --> 00:09:40,380

hopefully yeah all right sub thanks so

231

00:09:44,150 --> 00:09:43,020

much and everyone if you hang in there

232

00:09:46,100 --> 00:09:44,160

we'll be right back

233

00:10:57,750 --> 00:09:46,110

with Tom Reed right after this quick

234

00:11:04,150 --> 00:11:01,330

well that tune was by Bruce Renier and

235

00:11:05,380 --> 00:11:04,160

how you doing Tom Reed very good I

236

00:11:07,750 --> 00:11:05,390

appreciate you having me on

237

00:11:08,980 --> 00:11:07,760

it's it was a pleasure and it was a

238

00:11:11,770 --> 00:11:08,990

pleasure to meet you out in Phoenix

239

00:11:14,740 --> 00:11:11,780

unfortunately you didn't get to record

240

00:11:16,870 --> 00:11:14,750

for a live show but here you are that

241

00:11:19,690 --> 00:11:16,880

was a tough couple of days my plane was

242

00:11:21,610 --> 00:11:19,700

grounded for two days I got in did my

243

00:11:23,950 --> 00:11:21,620

power pilot point out two hours sleep

244

00:11:26,860 --> 00:11:23,960

and had to get some rest and by the time

245

00:11:30,060 --> 00:11:26,870

I I was up and moving around you were

246

00:11:32,470 --> 00:11:30,070

gone so well I'll tell you no one had

247

00:11:33,880 --> 00:11:32,480

any idea that you had two hours sleep

248

00:11:36,340 --> 00:11:33,890

I'll tell you that you did a great

249

00:11:39,550 --> 00:11:36,350

presentation oh did you watch it yeah I

250

00:11:41,710 --> 00:11:39,560

watched most of it oh yeah I mean it was

251
00:11:44,830 --> 00:11:41,720
a pretty big crowd yeah it was packed

252
00:11:46,990 --> 00:11:44,840
yeah amazing amazing so and I wanted to

253
00:11:48,070 --> 00:11:47,000
congratulate you because I guess it

254
00:11:51,070 --> 00:11:48,080
happened while you and I were

255
00:11:54,130 --> 00:11:51,080
communicating back and forth before the

256
00:11:56,320 --> 00:11:54,140
Phoenix conference that you were and

257
00:12:00,370 --> 00:11:56,330
your story was inducted into the great

258
00:12:01,450 --> 00:12:00,380
barrington Historical Society and so how

259
00:12:03,940 --> 00:12:01,460
do you feel about that that's pretty

260
00:12:05,230 --> 00:12:03,950
amazing yeah they actually had been

261
00:12:09,100 --> 00:12:05,240
talking about it for quite some time

262
00:12:10,210 --> 00:12:09,110
being that our case was given a I'll

263
00:12:13,270 --> 00:12:10,220

tell you how it led up to it our case

264

00:12:16,960 --> 00:12:13,280
was given a OCE classification in

265

00:12:20,080 --> 00:12:16,970
September of 1969 in great barrington it

266

00:12:21,850 --> 00:12:20,090
was actually reported by several at I

267

00:12:23,890 --> 00:12:21,860
say several it was like nine people I

268

00:12:26,550 --> 00:12:23,900
think that gave testimony from South

269

00:12:29,620 --> 00:12:26,560
Egremont something that jug and absorb

270

00:12:33,150 --> 00:12:29,630
they were a flock in Sheffield but that

271

00:12:35,920 --> 00:12:33,160
saw the craft and our local bistro

272

00:12:38,950 --> 00:12:35,930
village on the green which by the way is

273

00:12:40,900 --> 00:12:38,960
still there today it became like a

274

00:12:42,130 --> 00:12:40,910
gathering spot for people to talk about

275

00:12:44,350 --> 00:12:42,140
it because it was laid the only

276

00:12:44,920 --> 00:12:44,360

restaurant you know big restaurant in

277

00:12:48,360 --> 00:12:44,930

Sheffield

278

00:12:51,070 --> 00:12:48,370

so a lot of people our town constables

279

00:12:52,360 --> 00:12:51,080

you know people cross through the gas

280

00:12:54,210 --> 00:12:52,370

stations would come in everyone even

281

00:12:56,710 --> 00:12:54,220

talked about it so it was never

282

00:12:59,050 --> 00:12:56,720

something that was like whispered I mean

283

00:13:02,380 --> 00:12:59,060

it wasn't very well known back then and

284

00:13:04,360 --> 00:13:02,390

then it went out on W SBS radio whose

285

00:13:07,630 --> 00:13:04,370

letter has been hanging in Roswell for

286

00:13:08,860 --> 00:13:07,640

quite some time and that's still under

287

00:13:12,340 --> 00:13:08,870

the same call letters

288

00:13:14,140 --> 00:13:12,350

as well and and South baking our country

289

00:13:14,650 --> 00:13:14,150

club is still South Egremont Country

290

00:13:19,810 --> 00:13:14,660

Club

291

00:13:23,170 --> 00:13:19,820

so our house is still there and at one

292

00:13:26,290 --> 00:13:23,180

point the town had a time capsule they

293

00:13:28,690 --> 00:13:26,300

buried all the people's names in town so

294

00:13:30,970 --> 00:13:28,700

they took you know everybody's that live

295

00:13:32,470 --> 00:13:30,980

their age and everything and they put

296

00:13:35,410 --> 00:13:32,480

together this time capsule and they

297

00:13:36,760 --> 00:13:35,420

buried it so you have W SBS radio was

298

00:13:39,490 --> 00:13:36,770

still there under the same call letters

299

00:13:41,890 --> 00:13:39,500

who happened you were down staircase or

300

00:13:44,470 --> 00:13:41,900

announce the craft I should say back in

301
00:13:46,510 --> 00:13:44,480
September of 1969 it was given Hynek

302
00:13:47,380 --> 00:13:46,520
classification back then doing he as a

303
00:13:48,820 --> 00:13:47,390
project Bluebook

304
00:13:49,840 --> 00:13:48,830
that doesn't mean it is Project Blue

305
00:13:51,490 --> 00:13:49,850
Book but it was given a Heine

306
00:13:53,950 --> 00:13:51,500
classification during those last three

307
00:13:55,450 --> 00:13:53,960
months and then a restaurant is still

308
00:13:58,480 --> 00:13:55,460
there our house is still there so I

309
00:14:00,519 --> 00:13:58,490
think when all the witnesses and the

310
00:14:03,640 --> 00:14:00,529
polygraph tasks and the people talking

311
00:14:05,710 --> 00:14:03,650
about it still today I saw something

312
00:14:08,200 --> 00:14:05,720
that they were contemplating for quite

313
00:14:10,600 --> 00:14:08,210

some time and and last I knew it really

314

00:14:14,829 --> 00:14:10,610

wasn't supposed to happen until Labor

315

00:14:18,910 --> 00:14:14,839

Day the weekend this September which

316

00:14:21,190 --> 00:14:18,920

would be the anniversary of it but some

317

00:14:26,470 --> 00:14:21,200

kids and I guess at the Simon's Rock

318

00:14:28,720 --> 00:14:26,480

early college and I guess it was the the

319

00:14:31,390 --> 00:14:28,730

annual Art Center summer can Daniel Art

320

00:14:35,829 --> 00:14:31,400

Center was actually listed in it so the

321

00:14:36,490 --> 00:14:35,839

tally we got behind it and and so there

322

00:14:40,180 --> 00:14:36,500

was a vote

323

00:14:44,440 --> 00:14:40,190

you know September inducted and and went

324

00:14:48,310 --> 00:14:44,450

3-1 February 6 and I couldn't be happier

325

00:14:50,440 --> 00:14:48,320

I mean to me it's a it says a lot for a

326

00:14:52,060 --> 00:14:50,450

lot of reasons and in one of those

327

00:14:55,650 --> 00:14:52,070

reasons a lot of people don't know this

328

00:15:00,940 --> 00:14:55,660

either is that I was nearly killed in

329

00:15:05,260 --> 00:15:00,950

December of 2005 and my father actually

330

00:15:07,329 --> 00:15:05,270

came out to Florida to be by my side and

331

00:15:09,130 --> 00:15:07,339

took some time off he was a principal at

332

00:15:13,900 --> 00:15:09,140

the time he had gotten out of politics

333

00:15:15,280 --> 00:15:13,910

and stepped down as an attorney and we

334

00:15:17,590 --> 00:15:15,290

had always talked about doing this book

335

00:15:19,670 --> 00:15:17,600

and in writing about things that he had

336

00:15:21,860 --> 00:15:19,680

gotten back from one of black men and

337

00:15:23,930 --> 00:15:21,870

friends and that sort of thing that that

338

00:15:26,840 --> 00:15:23,940

were filtered to him after those United

339

00:15:28,730 --> 00:15:26,850

Nations think back in 1992 yet documents

340

00:15:31,340 --> 00:15:28,740

back then papers who knows what he had I

341

00:15:34,310 --> 00:15:31,350

mean but he had an awful lot had a lot

342

00:15:37,100 --> 00:15:34,320

from sign and you know Blue Book and all

343

00:15:39,889 --> 00:15:37,110

the other ones and and letters from the

344

00:15:42,230 --> 00:15:39,899

Greece ministry defense the Pentagon you

345

00:15:44,860 --> 00:15:42,240

know a lot of stuff back probably you

346

00:15:47,540 --> 00:15:44,870

don't see a lot whether it was really

347

00:15:50,570 --> 00:15:47,550

powerful documentation I couldn't tell

348

00:15:52,639 --> 00:15:50,580

you but I have a lot of it but I don't

349

00:15:56,690 --> 00:15:52,649

know what I'm working to be honest with

350

00:15:58,490 --> 00:15:56,700

ya so anyway so when he came down to see

351
00:16:02,900 --> 00:15:58,500
me he brought some of the stuff with him

352
00:16:04,100 --> 00:16:02,910
and had entertained the thought of when

353
00:16:05,420 --> 00:16:04,110
you get back on your feet and you need

354
00:16:07,490 --> 00:16:05,430
to do this book because I think at one

355
00:16:09,230 --> 00:16:07,500
point when he said when the time is

356
00:16:11,420 --> 00:16:09,240
right Tom you know we'll put this book

357
00:16:13,360 --> 00:16:11,430
together and now that I almost died

358
00:16:15,590 --> 00:16:13,370
maybe he thought well this would be your

359
00:16:18,230 --> 00:16:15,600
conversation or they really meant it or

360
00:16:21,170 --> 00:16:18,240
what have you so after I got back on my

361
00:16:23,030 --> 00:16:21,180
feet I really pushed him to write this

362
00:16:25,790 --> 00:16:23,040
book with me you know hey you came down

363
00:16:28,190 --> 00:16:25,800

let's do it I'm running around on

364

00:16:30,440 --> 00:16:28,200

crutches you know I've got plenty of

365

00:16:36,949 --> 00:16:30,450

time what do you say start it that kind

366

00:16:40,000 --> 00:16:36,959

of thing and and so it was October and

367

00:16:42,199 --> 00:16:40,010

he what the school his head hit the desk

368

00:16:46,940 --> 00:16:42,209

he was rushed to Yale you Native in

369

00:16:50,240 --> 00:16:46,950

hospital and he had a nasty fungus going

370

00:16:52,850 --> 00:16:50,250

he was blood the mayor of Bridgeport

371

00:16:57,829 --> 00:16:52,860

called in the CDC they came in from

372

00:17:00,980 --> 00:16:57,839

Atlanta shut down and my father died

373

00:17:05,569 --> 00:17:00,990

that day oh my god he died on the same

374

00:17:07,130 --> 00:17:05,579

day that our case got mentioned within

375

00:17:09,559 --> 00:17:07,140

the front runner just got some slight

376

00:17:15,829 --> 00:17:09,569

mention at the United Nations through

377

00:17:20,179 --> 00:17:15,839

our weekend and he mentioned a case at

378

00:17:23,000 --> 00:17:20,189

the UN in support of 33 for 26 14 years

379

00:17:27,640 --> 00:17:23,010

later after talk of the book my father

380

00:17:32,780 --> 00:17:27,650

dies on that same day well and so that

381

00:17:35,900 --> 00:17:32,790

to me is why and why my mother

382

00:17:37,640 --> 00:17:35,910

and we all have decided to to step out

383

00:17:42,110 --> 00:17:37,650

and talk about this more because until

384

00:17:44,930 --> 00:17:42,120

then just just got a bullet got lost in

385

00:17:48,680 --> 00:17:44,940

the shuffle but now that we have a real

386

00:17:52,400 --> 00:17:48,690

heartfelt purpose for it and would this

387

00:17:55,280 --> 00:17:52,410

induction into the Historical Society as

388

00:17:57,650 --> 00:17:55,290

far as I'm concerned you know this place

389

00:18:03,260 --> 00:17:57,660

tribute to my late father I mean this is

390

00:18:06,380 --> 00:18:03,270

for him and and so for that I'm honored

391

00:18:10,060 --> 00:18:06,390

and I'm very grateful because I think

392

00:18:11,990 --> 00:18:10,070

that we were able to show that this

393

00:18:13,880 --> 00:18:12,000

powerful individual who had a

394

00:18:17,260 --> 00:18:13,890

proclamation in his honor a bench of a

395

00:18:20,030 --> 00:18:17,270

city green that was a respected attorney

396

00:18:22,670 --> 00:18:20,040

talk about the topic you know some

397

00:18:29,750 --> 00:18:22,680

people would take that that having the

398

00:18:33,140 --> 00:18:29,760

case now inducted I think what he was

399

00:18:36,140 --> 00:18:33,150

trying to do Wow

400

00:18:37,490 --> 00:18:36,150

I do want to talk about about that about

401
00:18:40,850 --> 00:18:37,500
your father and about the rest of your

402
00:18:43,700 --> 00:18:40,860
family in this case your brother and all

403
00:18:46,220 --> 00:18:43,710
but we have a message board and there is

404
00:18:49,700 --> 00:18:46,230
a there is a question posted up there

405
00:18:51,530 --> 00:18:49,710
sure and at the UFO Congress this was

406
00:18:53,960 --> 00:18:51,540
someone that was there I actually met

407
00:18:56,630 --> 00:18:53,970
he's a listener to the show you

408
00:18:59,840 --> 00:18:56,640
mentioned that nine of your family

409
00:19:02,210 --> 00:18:59,850
members are Rh negative in your own

410
00:19:05,630 --> 00:19:02,220
words for those not familiar with Rh

411
00:19:10,630 --> 00:19:05,640
negative and the UFO abductions what is

412
00:19:14,960 --> 00:19:10,640
the significance of this well I can't

413
00:19:19,310 --> 00:19:14,970

question um in my opinion I believe that

414

00:19:23,540 --> 00:19:19,320

man was originally Rh negative I say

415

00:19:27,380 --> 00:19:23,550

that because anybody Rh positive has a

416

00:19:37,310 --> 00:19:27,390

link to the monkey there's a connection

417

00:19:41,530 --> 00:19:37,320

too there is no link to anything else

418

00:19:45,190 --> 00:19:41,540

there is no beginning to anything and

419

00:19:46,720 --> 00:19:45,200

it's cleaner cell the Queen

420

00:19:49,120 --> 00:19:46,730

negative is much cleaner than large

421

00:19:50,289 --> 00:19:49,130

positive because it lacks certain copper

422

00:19:56,019 --> 00:19:50,299

isn't sugar wasn't that sort of thing

423

00:19:59,610 --> 00:19:56,029

now secondly time life did a test on

424

00:20:05,470 --> 00:19:59,620

those who were Rh negative and found

425

00:20:08,620 --> 00:20:05,480

that the common denominator was when

426
00:20:09,340 --> 00:20:08,630
testing for remote viewing the Rh

427
00:20:15,519 --> 00:20:09,350
negative

428
00:20:16,269 --> 00:20:15,529
to test higher than those red Rh

429
00:20:20,310 --> 00:20:16,279
positive

430
00:20:23,289 --> 00:20:20,320
really now there's more to it o negative

431
00:20:27,039 --> 00:20:23,299
blood types which is Rh negative O

432
00:20:31,480 --> 00:20:27,049
Negative was the only blood type

433
00:20:32,169 --> 00:20:31,490
that was really tracked by the US

434
00:20:35,680 --> 00:20:32,179
government

435
00:20:39,029 --> 00:20:35,690
back in the 60s because it was the

436
00:20:46,450 --> 00:20:41,940
anybody can receive O negative blood

437
00:20:49,659 --> 00:20:46,460
anybody but someone with Rh negative or

438
00:20:53,379 --> 00:20:49,669

own negative blood can only receive O

439

00:20:56,049 --> 00:20:53,389

negative blood because it's it's in some

440

00:20:59,259 --> 00:20:56,059

respects I'm not sure that the word pure

441

00:21:02,620 --> 00:20:59,269

is really the word for it but there was

442

00:21:04,750 --> 00:21:02,630

absolutely nothing on it on the on the

443

00:21:08,919 --> 00:21:04,760

cell itself that your body will be Jack

444

00:21:13,210 --> 00:21:08,929

now you're Rh negative and you are

445

00:21:16,960 --> 00:21:13,220

having an Rh positive child and Rh

446

00:21:19,240 --> 00:21:16,970

negative mother well actually her body

447

00:21:21,549 --> 00:21:19,250

will go in to a state where it will

448

00:21:25,480 --> 00:21:21,559

attempt to abort that baby because it

449

00:21:28,389 --> 00:21:25,490

sees it as a foreign object right so

450

00:21:29,620 --> 00:21:28,399

when we look at that it's almost I don't

451
00:21:31,330 --> 00:21:29,630
want to go too far I know I don't know

452
00:21:34,330 --> 00:21:31,340
limb here but it's almost like we're a

453
00:21:36,879 --> 00:21:34,340
different type of human being when your

454
00:21:39,759 --> 00:21:36,889
body wants to reject another human that

455
00:21:42,399 --> 00:21:39,769
should be human but the other thing too

456
00:21:46,029 --> 00:21:42,409
you know Rh negative my body temperature

457
00:21:50,139 --> 00:21:46,039
doesn't run in 98.7 my body temperature

458
00:21:54,369 --> 00:21:50,149
runs at 97.1 98.7 I've got a point to

459
00:21:56,130 --> 00:21:54,379
half temperature so I'm I'm running a

460
00:21:58,860 --> 00:21:56,140
different temperature

461
00:22:04,380 --> 00:21:58,870
Oh negative have tested to be more

462
00:22:08,220 --> 00:22:04,390
intuitive or with regard to testing my

463
00:22:13,950 --> 00:22:08,230

what pressure runs lower temperature

464

00:22:15,509 --> 00:22:13,960

runs lower yeah you have a child if it's

465

00:22:18,630 --> 00:22:15,519

already positive it's a it's looked at

466

00:22:22,139 --> 00:22:18,640

as a foreign substance so maybe there's

467

00:22:24,149 --> 00:22:22,149

more here but I believe that that uh

468

00:22:26,490 --> 00:22:24,159

negative or arch negative blood groups

469

00:22:28,230 --> 00:22:26,500

were the original blood of man I believe

470

00:22:28,799 --> 00:22:28,240

that I can be wrong but that's what I

471

00:22:30,750 --> 00:22:28,809

believe

472

00:22:34,860 --> 00:22:30,760

have you ever looked into any of the

473

00:22:36,240 --> 00:22:34,870

scientific facts about that hadn't spent

474

00:22:38,639 --> 00:22:36,250

a lot of time with it I'm pretty

475

00:22:41,629 --> 00:22:38,649

occupied with other things but I'm

476

00:22:44,580 --> 00:22:41,639

starting to look into it more and more

477

00:22:49,620 --> 00:22:44,590

we have another question up there and

478

00:22:53,820 --> 00:22:49,630

that is your brother Matt had physical

479

00:22:55,769 --> 00:22:53,830

trace marks on his chest mm-hmm did you

480

00:22:59,850 --> 00:22:55,779

have any physical trace marks on

481

00:23:02,269 --> 00:22:59,860

yourself I just had the scoop mark thing

482

00:23:04,440 --> 00:23:02,279

on my right arm that so many people have

483

00:23:07,440 --> 00:23:04,450

alluded to the fact that that's a

484

00:23:10,169 --> 00:23:07,450

typical scoop markets it's pretty big

485

00:23:12,720 --> 00:23:10,179

it's larger than a pencil eraser of a

486

00:23:14,940 --> 00:23:12,730

pencil eraser it's it's quite deep and

487

00:23:18,149 --> 00:23:14,950

I've had it since I was about six or

488

00:23:21,870 --> 00:23:18,159

seven years old and it's almost

489

00:23:24,600 --> 00:23:21,880

perfectly round and never tans I have

490

00:23:27,090 --> 00:23:24,610

never seen a scar I just remember having

491

00:23:28,379 --> 00:23:27,100

it since I was a child yeah it seems

492

00:23:32,070 --> 00:23:28,389

like the scoop mark I remember you

493

00:23:35,850 --> 00:23:32,080

talking about that let's see did Matt

494

00:23:38,639 --> 00:23:35,860

shave his chest for the photo or did the

495

00:23:51,269 --> 00:23:38,649

aliens and that is a goofy question says

496

00:23:54,299 --> 00:23:51,279

he like owns like little you know they

497

00:23:58,710 --> 00:23:54,309

were flanged out atop my top and and

498

00:24:01,019 --> 00:23:58,720

kind of they were actually fairly big

499

00:24:02,159 --> 00:24:01,029

when you really think about it so what

500

00:24:04,230 --> 00:24:02,169

they were they weren't just like a

501
00:24:06,899 --> 00:24:04,240
needle puncture I mean I think there was

502
00:24:08,910 --> 00:24:06,909
three centimeters if I'm not mistaken

503
00:24:12,120 --> 00:24:08,920
I've got the back of your board here

504
00:24:14,120 --> 00:24:12,130
somewhere but they were fairly large and

505
00:24:17,130 --> 00:24:14,130
they look like miniature sugar cones

506
00:24:19,920 --> 00:24:17,140
with a little bit of flange on the

507
00:24:22,950 --> 00:24:19,930
outside and it was very strange so there

508
00:24:25,260 --> 00:24:22,960
was talk from the doctor that if you

509
00:24:27,180 --> 00:24:25,270
were trying to reach the thymus gland

510
00:24:29,490 --> 00:24:27,190
that would have been the spot where you

511
00:24:30,960 --> 00:24:29,500
would have been certain a needle and it

512
00:24:34,560 --> 00:24:30,970
was why would you want to go to the

513
00:24:36,330 --> 00:24:34,570

thymus gland well there is a sac off to

514

00:24:38,220 --> 00:24:36,340

the side of it which is where your body

515

00:24:38,850 --> 00:24:38,230

produces the t-cells for your immune

516

00:24:41,700 --> 00:24:38,860

system

517

00:24:44,690 --> 00:24:41,710

now most people or doctors will attest

518

00:24:47,150 --> 00:24:44,700

and make you aware that by the

519

00:24:51,060 --> 00:24:47,160

communists of those cells are dried up

520

00:24:55,020 --> 00:24:51,070

those t-cells but if you wanted to

521

00:24:56,940 --> 00:24:55,030

extract something about that that you

522

00:24:58,920 --> 00:24:56,950

know and something that would build your

523

00:25:00,540 --> 00:24:58,930

immune system you could still get

524

00:25:01,950 --> 00:25:00,550

whatever you wanted from that sac well

525

00:25:07,350 --> 00:25:01,960

there at the T cells will still be a

526

00:25:11,700 --> 00:25:07,360

manufacturer not it's still there a

527

00:25:15,140 --> 00:25:11,710

topic for a while but you know who knows

528

00:25:18,930 --> 00:25:15,150

but it wasn't a peculiar spot in the

529

00:25:22,080 --> 00:25:18,940

director location would have been that

530

00:25:24,360 --> 00:25:22,090

sac that produces the t-cells you know I

531

00:25:26,310 --> 00:25:24,370

think of being a little bit rude to the

532

00:25:28,770 --> 00:25:26,320

listener that may not know about your

533

00:25:31,890 --> 00:25:28,780

case so if you would kind of in a

534

00:25:33,630 --> 00:25:31,900

nutshell can we talk about the your

535

00:25:36,200 --> 00:25:33,640

early childhood how this whole thing

536

00:25:41,840 --> 00:25:36,210

started and where it progressed and

537

00:25:47,850 --> 00:25:41,850

progressing in Sheffield Massachusetts

538

00:25:51,000 --> 00:25:47,860

which it was out in the tri-state area

539

00:25:53,130 --> 00:25:51,010

an edge kind of nestled if you will

540

00:25:57,290 --> 00:25:53,140

between New York Connecticut and then

541

00:26:04,320 --> 00:26:00,600

the camp our canvas the berkshire area

542

00:26:08,430 --> 00:26:04,330

yeah would you know that kind of thing

543

00:26:11,160 --> 00:26:08,440

and like I said we had a large spread of

544

00:26:13,620 --> 00:26:11,170

land in our house was pretty much on the

545

00:26:15,420 --> 00:26:13,630

top part of it now a lot of people don't

546

00:26:17,730 --> 00:26:15,430

realize this and I mentioned it after

547

00:26:20,580 --> 00:26:17,740

Congress that Sheffield is one of the

548

00:26:21,420 --> 00:26:20,590

highest locations for 1700 mile stretch

549

00:26:23,670 --> 00:26:21,430

of road

550

00:26:26,250 --> 00:26:23,680

it's almost 2,000 feet high back it's

551
00:26:27,900 --> 00:26:26,260
3,000 feet high and our house basically

552
00:26:31,130 --> 00:26:27,910
sat if you look at the pictures pretty

553
00:26:33,210 --> 00:26:31,140
much up on top of that and so it's been

554
00:26:35,570 --> 00:26:33,220
speculated that because we had the

555
00:26:41,040 --> 00:26:35,580
highest or one of the highest elevations

556
00:26:42,270 --> 00:26:41,050
that could have been some testing and

557
00:26:45,330 --> 00:26:42,280
that sort of thing up there when we look

558
00:26:57,810 --> 00:26:45,340
at you know Pratt Whitney was only 55

559
00:27:00,060 --> 00:26:57,820
miles away command aerospace by Road and

560
00:27:02,010 --> 00:27:00,070
so you had a lot of military around this

561
00:27:04,800 --> 00:27:02,020
mountain that's not even talking about

562
00:27:06,930 --> 00:27:04,810
Albany and everything just Massachusetts

563
00:27:09,210 --> 00:27:06,940

and Connecticut and so we here we are

564

00:27:11,700 --> 00:27:09,220

with the highest elevation with a house

565

00:27:16,160 --> 00:27:11,710

on top of it on top of that hill if you

566

00:27:20,460 --> 00:27:16,170

went down in the valleys and so you know

567

00:27:22,980 --> 00:27:20,470

maybe that is part of maybe that played

568

00:27:28,320 --> 00:27:22,990

a role in what happened with us hard to

569

00:27:32,910 --> 00:27:28,330

say but but we had seen a craft in 1966

570

00:27:34,650 --> 00:27:32,920

and the back side of the property not

571

00:27:38,100 --> 00:27:34,660

too far from the house maybe 400 yards

572

00:27:43,290 --> 00:27:38,110

from the house and more than that just

573

00:27:48,210 --> 00:27:43,300

pass our tree line and 67 we saw it a

574

00:27:57,420 --> 00:27:48,220

second time the alien mysteries did a

575

00:27:59,010 --> 00:27:57,430

pretty good job on that one remember I

576

00:28:00,300 --> 00:27:59,020

remember staring at my brother and I

577

00:28:04,530 --> 00:28:00,310

remember my mother coming out and

578

00:28:06,510 --> 00:28:04,540

grabbing him but as far as my my my

579

00:28:08,520 --> 00:28:06,520

demeanor I guess if you were looking in

580

00:28:11,120 --> 00:28:08,530

from the outside I looked to be just

581

00:28:13,740 --> 00:28:11,130

Placid and out of it and they

582

00:28:15,720 --> 00:28:13,750

unresponsive yet I remember things

583

00:28:17,730 --> 00:28:15,730

pretty clearly just as my brother did he

584

00:28:20,400 --> 00:28:17,740

wasn't really responding but we for some

585

00:28:27,750 --> 00:28:20,410

reason seemed to be in this state where

586

00:28:30,540 --> 00:28:27,760

we were our bodies seemed to be or just

587

00:28:33,630 --> 00:28:30,550

like a dead you know look to ourselves

588

00:28:34,650 --> 00:28:33,640

and not really moving yet our insights

589

00:28:37,110 --> 00:28:34,660

our brain and our

590

00:28:39,780 --> 00:28:37,120

eyes and thoughts were moving you know

591

00:28:42,750 --> 00:28:39,790

we were thinking we were able to respond

592

00:28:46,590 --> 00:28:42,760

in a way but our bodies wouldn't you

593

00:28:49,050 --> 00:28:46,600

know was almost like we can bind to a

594

00:28:51,420 --> 00:28:49,060

shell or a mannequin but we were alive

595

00:28:53,700 --> 00:28:51,430

in it was a little good and so my mother

596

00:28:58,080 --> 00:28:53,710

grabbed mice like my younger brother

597

00:29:00,120 --> 00:28:58,090

Matthew grabbed me and so she grabbed

598

00:29:03,410 --> 00:29:00,130

her son brother like ran us under the

599

00:29:06,810 --> 00:29:03,420

house satis up to dining room table and

600

00:29:09,240 --> 00:29:06,820

give us aspirin and orange juice and in

601
00:29:11,790 --> 00:29:09,250
the living room next to a fireplace we

602
00:29:16,100 --> 00:29:11,800
stepped on the sofas mother stayed with

603
00:29:20,210 --> 00:29:16,110
us at night and that night was you know

604
00:29:23,490 --> 00:29:20,220
you know seeing this crack more like a

605
00:29:26,490 --> 00:29:23,500
tarnished or dirty turtle shell and it

606
00:29:35,220 --> 00:29:26,500
was laying on the ground I didn't see

607
00:29:37,800 --> 00:29:35,230
any windows 15 18 feet high and it was

608
00:29:40,350 --> 00:29:37,810
probably 40 to 60 feet around and it had

609
00:29:42,240 --> 00:29:40,360
a lip around it almost like a tire lip

610
00:29:48,330 --> 00:29:42,250
not made of rubber but I mean it had a

611
00:29:51,690 --> 00:29:48,340
lip around it that reference as well you

612
00:29:53,100 --> 00:29:51,700
know almost like a p.m. had a ten-speed

613
00:29:55,650 --> 00:29:53,110

bike you know you had to spin rubber

614

00:29:58,500 --> 00:29:55,660

lips for the tires almost something like

615

00:30:01,170 --> 00:29:58,510

that a big lip like that that wrapped

616

00:30:04,170 --> 00:30:01,180

around the front of it in the back and I

617

00:30:05,850 --> 00:30:04,180

circled it and it wasn't at the bottom

618

00:30:08,520 --> 00:30:05,860

part the bottom part kind of taped it

619

00:30:11,040 --> 00:30:08,530

back in but there was a big round lip

620

00:30:12,990 --> 00:30:11,050

that went around it and it almost looked

621

00:30:15,510 --> 00:30:13,000

like it had sections to little lines in

622

00:30:20,400 --> 00:30:15,520

it I'm not going to say was panels but

623

00:30:24,450 --> 00:30:20,410

there was some lines through it and it

624

00:30:39,780 --> 00:30:24,460

wasn't so it was more like a bronze with

625

00:30:42,750 --> 00:30:39,790

her silvery or yeah like a like a burned

626

00:30:44,670 --> 00:30:42,760

pewter or like a like a bronzing pewter

627

00:30:47,280 --> 00:30:44,680

that blended into it wasn't an even

628

00:30:48,150 --> 00:30:47,290

color and I asked myself was it the

629

00:30:50,070 --> 00:30:48,160

light you know what

630

00:30:52,470 --> 00:30:50,080

the sunlight wasn't making it collecting

631

00:30:54,270 --> 00:30:52,480

differently but it did not did not

632

00:30:57,060 --> 00:30:54,280

designate the same color and seemed to

633

00:30:58,860 --> 00:30:57,070

have different tints in it I guess if

634

00:31:00,450 --> 00:30:58,870

you took a blowtorch to it you know

635

00:31:02,250 --> 00:31:00,460

sometimes you got that orangey bronze

636

00:31:03,750 --> 00:31:02,260

look and then you it's a little lightest

637

00:31:06,860 --> 00:31:03,760

that's the way it looked it looked very

638

00:31:10,460 --> 00:31:06,870

weathered to me and it was big and

639

00:31:13,290 --> 00:31:10,470

remember the inside of it I remember a

640

00:31:16,200 --> 00:31:13,300

inside that was probably about the size

641

00:31:20,250 --> 00:31:16,210

of a master bedroom a hall like a square

642

00:31:22,740 --> 00:31:20,260

squaring off area I was escorted out

643

00:31:24,930 --> 00:31:22,750

this room I was taking down right out

644

00:31:26,310 --> 00:31:24,940

the front I took a right down his

645

00:31:28,650 --> 00:31:26,320

hallway that wrapped around like a

646

00:31:30,840 --> 00:31:28,660

question mark I had passed my brother

647

00:31:32,790 --> 00:31:30,850

who was standing there very Placid again

648

00:31:35,460 --> 00:31:32,800

yeah clearly

649

00:31:40,680 --> 00:31:35,470

but to me he was almost asleep standing

650

00:31:43,170 --> 00:31:40,690

up and I was taking around him every

651
00:31:44,640 --> 00:31:43,180
time we had somebody next to us or that

652
00:31:47,010 --> 00:31:44,650
was with us during this time they were

653
00:31:48,690 --> 00:31:47,020
always on our left side even it was

654
00:31:50,880 --> 00:31:48,700
almost like we got escorted and there

655
00:31:52,830 --> 00:31:50,890
were zones so I was taking up this

656
00:31:55,260 --> 00:31:52,840
winding area that wrapped to the right

657
00:31:57,510 --> 00:31:55,270
we came back around and when I got to

658
00:32:00,830 --> 00:31:57,520
the front of it this individual that was

659
00:32:03,060 --> 00:32:00,840
with me left and this new person

660
00:32:05,700 --> 00:32:03,070
interviewer have you was now responsible

661
00:32:08,730 --> 00:32:05,710
for me that's the way it appeared and

662
00:32:13,560 --> 00:32:08,740
then I was taken into this darker room Y

663
00:32:15,660 --> 00:32:13,570

saw what was very dark and a screen that

664

00:32:18,030 --> 00:32:15,670

had come up that when trapped from 3

665

00:32:20,100 --> 00:32:18,040

o'clock to 9 o'clock and this was just a

666

00:32:24,410 --> 00:32:20,110

beautiful shot of a lake and a little

667

00:32:26,940 --> 00:32:24,420

tree and it was moving and it was

668

00:32:30,920 --> 00:32:26,950

beautiful and chanting and it was just

669

00:32:33,540 --> 00:32:30,930

totally took my mind off my brother and

670

00:32:43,980 --> 00:32:33,550

then it just I'll never forget it I mean

671

00:32:48,720 --> 00:32:47,340

hello yeah I thought you were recording

672

00:32:54,270 --> 00:32:48,730

I wasn't gonna say anything that's okay

673

00:32:57,240 --> 00:32:54,280

I am recording and Tommy there yeah what

674

00:33:00,630 --> 00:32:57,250

happened we're back we're actually we're

675

00:33:02,580 --> 00:33:00,640

actually gonna go live so just hoping

676

00:33:05,250 --> 00:33:02,590

just hold that thought and I'm recording

677

00:33:06,870 --> 00:33:05,260

all this so the podcast is going to hear

678

00:33:08,640 --> 00:33:06,880

all this what we're going through so

679

00:33:12,510 --> 00:33:08,650

Keith anytime you want to fire us into

680

00:33:15,890 --> 00:33:12,520

the live we're ready to go should I keep

681

00:33:19,520 --> 00:33:15,900

talking yeah sure is that okay Keith

682

00:33:23,910 --> 00:33:19,530

yeah hold on here powers back

683

00:33:27,930 --> 00:33:23,920

yeah so if you want to just hold that

684

00:33:29,400 --> 00:33:27,940

thought for a minute we'll just once we

685

00:33:30,690 --> 00:33:29,410

know power is on I'm just gonna say

686

00:33:37,400 --> 00:33:30,700

something to the live listening real

687

00:33:41,820 --> 00:33:37,410

quickly okay okay you can go anytime

688

00:33:44,190 --> 00:33:41,830

alright let's go now alright so if

689

00:33:47,640 --> 00:33:44,200

you're listening live were just right

690

00:33:50,940 --> 00:33:47,650

back or where the power was out at the

691

00:33:53,250 --> 00:33:50,950

Dark Matter radio network so the powers

692

00:33:55,050 --> 00:33:53,260

back on and we were right in the middle

693

00:33:59,700 --> 00:33:55,060

of a conversation Tom do you remember

694

00:34:01,980 --> 00:33:59,710

where you left off yeah I think so

695

00:34:04,590 --> 00:34:01,990

I'm a little bit just the case because

696

00:34:06,270 --> 00:34:04,600

went down to a few minutes anyway I was

697

00:34:07,770 --> 00:34:06,280

talking about inside that what this

698

00:34:11,310 --> 00:34:07,780

craft wasn't it was near our property

699

00:34:14,790 --> 00:34:11,320

that was in 1967 and it's one of the

700

00:34:16,920 --> 00:34:14,800

wall it's the second to the the second

701
00:34:20,730 --> 00:34:16,930
of three that were seen in our property

702
00:34:23,190 --> 00:34:20,740
that made so much local noise and and

703
00:34:24,810 --> 00:34:23,200
like I said I remember this highway that

704
00:34:28,800 --> 00:34:24,820
wrapped almost like a question mark and

705
00:34:30,420 --> 00:34:28,810
I and I really did it kind of where I

706
00:34:31,980 --> 00:34:30,430
guess the circle would be at the bottom

707
00:34:34,920 --> 00:34:31,990
of the question mark was really a square

708
00:34:38,310 --> 00:34:34,930
room more squared-off room and not

709
00:34:40,830 --> 00:34:38,320
perfectly square but softly rounded

710
00:34:42,180 --> 00:34:40,840
square llyya and I was taken out that

711
00:34:44,280 --> 00:34:42,190
into the would be the bottom of the

712
00:34:47,310 --> 00:34:44,290
question mark and we're wrapped to the

713
00:34:49,680 --> 00:34:47,320

right and wrapped around you know to me

714

00:34:52,200 --> 00:34:49,690

and when I you know it really did

715

00:34:54,410 --> 00:34:52,210

resemble a question mark and I passed my

716

00:34:56,550 --> 00:34:54,420

brother and got to the front of this

717

00:35:00,020 --> 00:34:56,560

area and I was

718

00:35:08,430 --> 00:35:00,030

released for lack of a better word and

719

00:35:39,330 --> 00:35:08,440

someone else that was it had a couple of

720

00:35:44,160 --> 00:35:39,340

tables in it and this would be like that

721

00:36:18,320 --> 00:35:44,170

it was absolutely amazing and I was just

722

00:36:31,980 --> 00:36:22,920

and then colectomy looked like it had um

723

00:36:33,900 --> 00:36:31,990

let's say almost like a second tier look

724

00:36:36,180 --> 00:36:33,910

like glass of some sweat off to the left

725

00:36:40,740 --> 00:36:36,190

and almost like brick glass you know

726

00:36:45,120 --> 00:36:40,750

those square glass pieces and then I was

727

00:36:47,790 --> 00:36:45,130

I was brought back to the driveway where

728

00:36:49,290 --> 00:36:47,800

my mother um came running out of the

729

00:36:51,840 --> 00:36:49,300

house and scoop this up and brought us

730

00:36:55,830 --> 00:36:51,850

in for the house and um cared for those

731

00:36:59,730 --> 00:36:55,840

with blankets and everything I know it

732

00:37:05,490 --> 00:36:59,740

was their missing time according to what

733

00:37:09,750 --> 00:37:05,500

you thought or and another thing how old

734

00:37:12,510 --> 00:37:09,760

were you when this happened so

735

00:37:14,220 --> 00:37:12,520

did you make it I mean how could you

736

00:37:16,290 --> 00:37:14,230

possibly wrap your brain about what you

737

00:37:34,730 --> 00:37:16,300

just wrap your brain around what you

738

00:37:41,340 --> 00:37:37,790

so you're seven years old you have this

739

00:37:42,600 --> 00:37:41,350

beyond amazing thing happened so your

740

00:37:45,000 --> 00:37:42,610

mother scooped you up in the driveway

741

00:37:47,820 --> 00:37:45,010

did she call the police or what happened

742

00:37:53,660 --> 00:37:47,830

at that point well when we were gone she

743

00:38:05,100 --> 00:37:55,890

my grandmother came out onto the screen

744

00:38:06,750 --> 00:38:05,110

porch and like I said good 80 acres just

745

00:38:22,790 --> 00:38:06,760

to give you an idea in our closest

746

00:38:27,120 --> 00:38:25,320

like you know she had known something

747

00:38:36,410 --> 00:38:27,130

was going on it doesn't have a novice to

748

00:38:46,830 --> 00:38:39,090

staring at my brother nice staring at

749

00:38:48,930 --> 00:38:46,840

each other and my grandmother was on a

750

00:38:51,990 --> 00:38:48,940

screen porch and then all the sudden she

751

00:38:54,030 --> 00:38:52,000

yells my mother here is hurt and then

752

00:38:55,560 --> 00:38:54,040

runs down on the horse and jumps off and

753

00:38:58,200 --> 00:38:55,570

scoops up my little brother and scoops

754

00:39:04,490 --> 00:38:58,210

up me rushes us in the house you know

755

00:39:08,010 --> 00:39:04,500

like I said put the baby aspirin juice

756

00:39:20,490 --> 00:39:08,020

and we sleep in the living room anybody

757

00:39:23,130 --> 00:39:20,500

I don't think she'd called my mother to

758

00:39:32,130 --> 00:39:23,140

the village on the green restaurant and

759

00:39:34,470 --> 00:39:32,140

I would open it with her and you know

760

00:39:36,270 --> 00:39:34,480

the restaurant was walking distance from

761

00:39:38,460 --> 00:39:36,280

the school so if your parents were

762

00:39:40,290 --> 00:39:38,470

driving to work they'd drop the kids off

763

00:39:42,720 --> 00:39:40,300

at the restaurant my mother would make

764

00:39:44,550 --> 00:39:42,730

him breakfast you know at the end of the

765

00:39:45,960 --> 00:39:44,560

week got squirted a bowl away you know

766

00:39:49,350 --> 00:39:45,970

the kids would run across the street to

767

00:39:51,090 --> 00:39:49,360

the school and I when I go across the

768

00:39:54,330 --> 00:39:51,100

street to the school I mean it was like

769

00:39:55,620 --> 00:39:54,340

walking basically just across a

770

00:40:02,430 --> 00:39:55,630

four-lane road and you were at the

771

00:40:04,890 --> 00:40:02,440

school it became the hub and a lot of

772

00:40:11,340 --> 00:40:04,900

people were talking the whole town had

773

00:41:13,500 --> 00:40:11,350

seen anything so you know hey what's

774

00:41:15,480 --> 00:41:13,510

going on you know and because of the

775

00:41:18,060 --> 00:41:15,490

high net classification and WSB radio

776

00:41:19,980 --> 00:41:18,070

being there and our restaurants door

777

00:41:21,420 --> 00:41:19,990

being there and start the society

778

00:41:26,700 --> 00:41:21,430

getting a lot of calls about this

779

00:41:29,850 --> 00:41:26,710

because they talk about today how it got

780

00:41:31,590 --> 00:41:29,860

inducted into society but as far as what

781

00:41:33,060 --> 00:41:31,600

we saw that night I wasn't even butter

782

00:41:37,260 --> 00:41:33,070

nut base and ski resort

783

00:41:40,340 --> 00:41:37,270

I was riding at a 4h show and my shadow

784

00:41:43,170 --> 00:41:40,350

had come loose and so we left early and

785

00:41:47,270 --> 00:41:43,180

gonna do so well I got a brown ribbon

786

00:41:54,690 --> 00:41:47,280

and he took me to the metals restaurant

787

00:41:56,130 --> 00:41:54,700

and then after that we had to make the

788

00:41:57,390 --> 00:41:56,140

make deposit rock because a cook had

789

00:41:59,070 --> 00:41:57,400

been locking up because it was Labor Day

790

00:42:00,870 --> 00:41:59,080

weekend my grandmother who nobody

791

00:42:02,760 --> 00:42:00,880

normally would have run it wasn't well

792

00:42:04,200 --> 00:42:02,770

that's where I was in competition does

793

00:42:05,880 --> 00:42:04,210

she want to make the night deposit drop

794

00:42:08,460 --> 00:42:05,890

make sure the chairs were a lot places

795

00:42:10,170 --> 00:42:08,470

locked up I went to the bank make the

796

00:42:13,230 --> 00:42:10,180

deposit and now we're heading back

797

00:42:15,660 --> 00:42:13,240

towards Great Barrington and a shortcut

798

00:42:17,940 --> 00:42:15,670

to the home would have been over the

799

00:42:19,800 --> 00:42:17,950

Sheffield Bridge and so that's what she

800

00:42:21,600 --> 00:42:19,810

did my mother took a shortcut over

801
00:42:25,230 --> 00:42:21,610
Sheffield Bridge which is basically very

802
00:42:28,590 --> 00:42:25,240
swampy you know willow tree type of

803
00:42:33,000 --> 00:42:28,600
scenario you know they marshy and a lot

804
00:42:34,230 --> 00:42:33,010
of open land and my grandmother turned

805
00:42:36,300 --> 00:42:34,240
around as I was sitting in the backseat

806
00:42:39,600 --> 00:42:36,310
I was going to give my brother a

807
00:42:41,730 --> 00:42:39,610
fireball and and she had turned

808
00:42:47,070 --> 00:42:41,740
basically to tell me we could choke on

809
00:42:49,260 --> 00:42:47,080
it he was kagome long I didn't think it

810
00:42:51,150 --> 00:42:49,270
was a good idea and sure enough you see

811
00:42:54,510 --> 00:42:51,160
the lights out the back side of the car

812
00:43:00,210 --> 00:42:54,520
on the left side kind of all well I was

813
00:43:06,720 --> 00:43:00,220

sitting in the backseat and and then my

814

00:43:09,630 --> 00:43:06,730

mother says that the doesn't know if she

815

00:43:11,880 --> 00:43:09,640

panicked and flooded in or well I don't

816

00:43:14,540 --> 00:43:11,890

know she knows that it came off to the

817

00:43:17,700 --> 00:43:14,550

right here two stones tapping underneath

818

00:43:21,000 --> 00:43:17,710

the gas tank and the thunder rolls and

819

00:43:23,520 --> 00:43:21,010

and it was like driving over you know

820

00:43:26,370 --> 00:43:23,530

eggshells it was that kind of a cloud

821

00:43:31,860 --> 00:43:26,380

that kind of a dead and it just went

822

00:43:34,590 --> 00:43:31,870

completely silent it was like it's

823

00:43:37,170 --> 00:43:34,600

almost like was surreal then we had this

824

00:43:40,830 --> 00:43:37,180

tingling feeling and which later on

825

00:43:43,740 --> 00:43:40,840

we've associated with e.l.f but it was

826

00:43:45,360 --> 00:43:43,750

just a very strange feeling your body

827

00:43:46,160 --> 00:43:45,370

picked up on it was not something that

828

00:43:49,130 --> 00:43:46,170

you were

829

00:43:52,579 --> 00:43:49,140

- and then bang there was a rupture -

830

00:43:54,109 --> 00:43:52,589

crickets and canyons and and then we can

831

00:43:56,089 --> 00:43:54,119

just changed it was like being in the

832

00:43:58,849 --> 00:43:56,099

middle of a hurricane you could feel a

833

00:44:02,120 --> 00:43:58,859

barometric change in pressure we're no

834

00:44:05,769 --> 00:44:02,130

longer in a car and we were separated

835

00:44:09,019 --> 00:44:05,779

and wherever this was I was in look like

836

00:44:10,789 --> 00:44:09,029

like almost like a airplane hangar no

837

00:44:13,759 --> 00:44:10,799

way I can describe it it was that kind

838

00:44:17,049 --> 00:44:13,769

of big and open and and there were cards

839

00:44:23,269 --> 00:44:17,059

next to me there were two silver courts

840

00:44:26,359 --> 00:44:23,279

ideals are not to cry looking cards that

841

00:44:46,279 --> 00:44:26,369

were maybe four feet high and the side

842

00:44:48,529 --> 00:44:46,289

was empty and for the first time I was

843

00:44:50,289 --> 00:44:48,539

actually very scared I was very nervous

844

00:44:59,359 --> 00:44:50,299

this wasn't something there when I was

845

00:45:36,529 --> 00:44:59,369

engulfed or engaged and happening I

846

00:45:39,620 --> 00:45:36,539

didn't know I was on my left arm twenty

847

00:45:41,390 --> 00:45:39,630

feet and then I took a left and another

848

00:45:43,549 --> 00:45:41,400

twenty feet and I was taken into a room

849

00:45:46,970 --> 00:45:43,559

to the right now this one that I was

850

00:45:49,549 --> 00:45:46,980

taking into was very odd by very weird

851
00:45:52,099 --> 00:45:49,559
shaped very strangely it had an inner

852
00:45:55,249 --> 00:45:52,109
the center of it bowed in like it would

853
00:45:57,499 --> 00:45:55,259
if you had a coffee can and there was a

854
00:45:59,280 --> 00:45:57,509
pocket the left between or this bowed

855
00:46:01,890 --> 00:45:59,290
out area would come back to the

856
00:46:04,800 --> 00:46:01,900
into the normal wall there was a pocket

857
00:46:10,140 --> 00:46:04,810
there maybe like an 8 or 10 foot stand

858
00:46:14,359 --> 00:46:10,150
in between were that rounded area and it

859
00:46:19,020 --> 00:46:14,369
was the same on the other side there was

860
00:46:22,620 --> 00:46:19,030
and there was a cable towards pretty

861
00:46:28,500 --> 00:46:22,630
much underneath it and it wasn't much in

862
00:46:29,760 --> 00:46:28,510
there then I remember I sat there for a

863
00:46:32,070 --> 00:46:29,770

bit

864

00:46:34,560 --> 00:46:32,080

very aware of what was happening they

865

00:46:38,240 --> 00:46:34,570

shot at this point I know this very

866

00:46:45,380 --> 00:46:38,250

scared and there was what looked like I

867

00:46:47,910 --> 00:46:45,390

can't describe it and it had kind moved

868

00:46:49,710 --> 00:46:47,920

I've got my attention I was very

869

00:46:52,290 --> 00:46:49,720

frightened by that and I took off back

870

00:46:54,450 --> 00:46:52,300

to the right side of the road in Camden

871

00:46:57,720 --> 00:46:54,460

area on the opposite side of where they

872

00:47:00,750 --> 00:46:57,730

were I had run into a highway now this

873

00:47:05,220 --> 00:47:00,760

hallway was absolutely massive when I

874

00:47:08,190 --> 00:47:05,230

say big it was the centre what I came in

875

00:47:11,280 --> 00:47:08,200

was like a big circle which is why the

876

00:47:20,130 --> 00:47:11,290

room that I ran out of had an inward

877

00:47:24,020 --> 00:47:20,140

belt and so I would assume that rounded

878

00:47:28,200 --> 00:47:24,030

area would have a boat in area in it now

879

00:47:31,320 --> 00:47:28,210

they were was like set up like a why off

880

00:47:33,210 --> 00:47:31,330

to the right there was right - to my

881

00:47:37,020 --> 00:47:33,220

right shoulder at this point out in this

882

00:47:39,540 --> 00:47:37,030

hallway you're looking at a a tube that

883

00:47:41,820 --> 00:47:39,550

way of some maybe distance of four cars

884

00:47:44,910 --> 00:47:41,830

car lengths of four-lane highway and

885

00:47:46,620 --> 00:47:44,920

then just opposite that and upon the

886

00:47:50,359 --> 00:47:46,630

other part of the top of the Y if you

887

00:47:54,330 --> 00:47:50,369

will was set up very much the same now

888

00:47:58,109 --> 00:47:54,340

the bottom y part was probably twice

889

00:47:59,550 --> 00:47:58,119

that so to me it looked like traffic

890

00:48:02,250 --> 00:47:59,560

coming in from the top of these Y's

891

00:48:06,330 --> 00:48:02,260

which filter down onto the larger tube

892

00:48:09,150 --> 00:48:06,340

and the rounded out area was meant to

893

00:48:10,329 --> 00:48:09,160

accommodate traffic that's what I get

894

00:48:14,120 --> 00:48:10,339

from that

895

00:48:15,980 --> 00:48:14,130

so whatever whatever this was going who

896

00:48:20,210 --> 00:48:15,990

knows about was I could spot her a bad

897

00:48:23,059 --> 00:48:20,220

spot but that's the way it looked at me

898

00:48:25,970 --> 00:48:23,069

and I groove it for several seconds then

899

00:48:29,870 --> 00:48:25,980

I was taken I was brought back in I sat

900

00:48:31,190 --> 00:48:29,880

on this table and this apparatus came

901
00:48:33,650 --> 00:48:31,200
over me that looked like the top of

902
00:48:35,030 --> 00:48:33,660
maybe a tanning bed or MRI machine as I

903
00:48:36,530 --> 00:48:35,040
was on the side of it it was made by two

904
00:48:40,700 --> 00:48:36,540
different parts I look like the two

905
00:48:42,799 --> 00:48:40,710
parts separated and it would I laid down

906
00:48:44,660 --> 00:48:42,809
it covered me to some degree I could

907
00:48:50,420 --> 00:48:44,670
still see under that was not tight on me

908
00:48:51,920 --> 00:48:50,430
and all the holes all the way through

909
00:48:56,930 --> 00:48:51,930
this apparatus and it stopped just

910
00:48:59,900 --> 00:48:56,940
before my chin and they look like raisin

911
00:49:02,900 --> 00:48:59,910
packets large Latham package with a move

912
00:49:08,930 --> 00:49:02,910
on it and these were actually placed on

913
00:49:11,960 --> 00:49:08,940

my body on my leg my stomach and my face

914

00:49:21,920 --> 00:49:11,970

today were you fully clothed at the time

915

00:49:24,559 --> 00:49:21,930

or or not that's okay yeah well I I do

916

00:49:28,849 --> 00:49:24,569

have some questions here for you so it

917

00:49:31,760 --> 00:49:28,859

sounds to me this experience you had a

918

00:49:34,250 --> 00:49:31,770

Total Recall like a lot of times you

919

00:49:37,069 --> 00:49:34,260

hear about you know regression and you

920

00:49:40,010 --> 00:49:37,079

know hypnotherapy to get to get the

921

00:49:55,780 --> 00:49:40,020

story did you have Total Recall of this

922

00:50:13,010 --> 00:50:09,950

segments you know fragmented moments on

923

00:50:22,340 --> 00:50:13,020

that crack that's what we were we talked

924

00:50:31,080 --> 00:50:28,550

made to Menor kipper get it I think

925

00:50:33,210 --> 00:50:31,090

because we were so young and this has

926

00:50:38,130 --> 00:50:33,220

been something that been told us by

927

00:50:42,650 --> 00:50:38,140

others in the field young kid and there

928

00:51:27,480 --> 00:51:21,930

exchange somebody up something that was

929

00:51:29,580 --> 00:51:27,490

extracted from you know that would have

930

00:51:31,860 --> 00:51:29,590

happened first and then they were to put

931

00:51:34,890 --> 00:51:31,870

the packets on your body to absorb

932

00:51:38,070 --> 00:51:34,900

something and then at the end of the day

933

00:51:39,420 --> 00:51:38,080

you know put you out one of the packet

934

00:51:46,550 --> 00:51:39,430

to put you out one of the package of

935

00:51:52,740 --> 00:51:49,230

testing or whatever it's completed and

936

00:51:56,520 --> 00:51:52,750

you brought back into this standing and

937

00:51:59,430 --> 00:51:56,530

then we're back in the car my mother was

938

00:52:02,100 --> 00:51:59,440

completely unconscious my brother's out

939

00:52:05,730 --> 00:52:02,110

like a light my grandmother was the one

940

00:52:07,740 --> 00:52:05,740

who first was was awake wide awake and I

941

00:52:10,470 --> 00:52:07,750

found her walking in the middle of the

942

00:52:13,020 --> 00:52:10,480

world now she had turned the car around

943

00:52:14,580 --> 00:52:13,030

and shot right back into town worse

944

00:52:16,080 --> 00:52:14,590

there was where they made the night drop

945

00:52:19,020 --> 00:52:16,090

because one of the stores was open the

946

00:52:22,710 --> 00:52:19,030

silks restaurant about convenience store

947

00:52:24,660 --> 00:52:22,720

money stole candy and ice cream and then

948

00:52:26,430 --> 00:52:24,670

so when she went back there to get them

949

00:52:27,810 --> 00:52:26,440

that's when he realized how much time

950

00:52:32,130 --> 00:52:27,820

had passed they were getting really

951
00:52:34,290 --> 00:52:32,140
close and so she speaks to to the owner

952
00:52:38,370 --> 00:52:34,300
of the restaurant upside the

953
00:52:39,900 --> 00:52:38,380
in store and she gets wrapped up in

954
00:52:41,520 --> 00:52:39,910
bikes and strollers and these other

955
00:52:43,350 --> 00:52:41,530
things in the amateur she's trying to

956
00:52:46,290 --> 00:52:43,360
find her way out and she's not really

957
00:52:48,510 --> 00:52:46,300
thinking clearly I walk in after her I'm

958
00:52:49,320 --> 00:52:48,520
trying to you know on the Emma on the NI

959
00:52:51,270 --> 00:52:49,330
you're trying to get her attention

960
00:52:54,450 --> 00:52:51,280
because everyone else in the car is out

961
00:52:56,150 --> 00:52:54,460
and and she finally takes my hand like

962
00:52:58,470 --> 00:52:56,160
walk out of the store then she starts

963
00:53:00,840 --> 00:52:58,480

breaking down a little bit start to

964

00:53:03,750 --> 00:53:00,850

shake and cry a little bitter with a bad

965

00:53:06,390 --> 00:53:03,760

day for her and she gets comes over to

966

00:53:08,160 --> 00:53:06,400

the car my mother now is up and she gets

967

00:53:09,600 --> 00:53:08,170

into the driver's seat my group my

968

00:53:11,220 --> 00:53:09,610

grandmother gets back in a passenger

969

00:53:12,570 --> 00:53:11,230

seat for some reason they were reversed

970

00:53:14,670 --> 00:53:12,580

my grandmother was in the driver's seat

971

00:53:20,730 --> 00:53:14,680

my mom I've been driving earlier so they

972

00:53:31,160 --> 00:53:20,740

were reversed and it was like it was

973

00:54:23,660 --> 00:53:39,540

because this was a big you know two

974

00:54:29,880 --> 00:54:27,030

you know friends and had coffee it

975

00:54:32,790 --> 00:54:29,890

Lakers house or the governor's mansion I

976

00:54:35,460 --> 00:54:32,800

should say and then my father starts

977

00:54:38,400 --> 00:54:35,470

running into Robert Bloch Minh who used

978

00:54:40,470 --> 00:54:38,410

to work the jail and Hynek and after all

979

00:54:43,050 --> 00:54:40,480

the drinks we start talking I start

980

00:54:44,550 --> 00:54:43,060

meeting him on Fridays at his office he

981

00:54:46,020 --> 00:54:44,560

takes an interest in our case he finds

982

00:54:47,610 --> 00:54:46,030

behind it classification that it was

983

00:54:49,380 --> 00:54:47,620

given in 1969

984

00:54:51,510 --> 00:54:49,390

he tells us he's got something big

985

00:54:53,160 --> 00:54:51,520

coming up which happens to be the United

986

00:54:57,600 --> 00:54:53,170

Nations suppose him you know in a couple

987

00:54:59,190 --> 00:54:57,610

of years this apply 8990 yeah 18 months

988

00:55:01,290 --> 00:54:59,200

down the road you know I'd really like

989

00:55:03,360 --> 00:55:01,300

to discuss your case and your father

990

00:55:06,000 --> 00:55:03,370

still politics yes is you know I don't

991

00:55:17,340 --> 00:55:06,010

think I appreciate that and so my father

992

00:55:18,870 --> 00:55:17,350

and I did I give a check for \$1,500 and

993

00:55:21,420 --> 00:55:18,880

he mentioned our case at the United

994

00:55:24,300 --> 00:55:21,430

Nations in support of 33 for 2,600 so

995

00:55:28,020 --> 00:55:24,310

very carefully and it was really only

996

00:55:30,180 --> 00:55:28,030

the only piece of dis that he really

997

00:55:33,150 --> 00:55:30,190

found of interest and because he was

998

00:55:35,850 --> 00:55:33,160

still talking about the cash Linderman

999

00:55:37,710 --> 00:55:35,860

and the Hudson River Valley case that

1000

00:55:40,200 --> 00:55:37,720

the feeling that we had about the

1001
00:55:41,580 --> 00:55:40,210
environment you know how it would just

1002
00:55:43,800 --> 00:55:41,590
seem to change and how the barometric

1003
00:55:45,510 --> 00:55:43,810
pressure simple change and how life

1004
00:55:47,670 --> 00:55:45,520
would go kind of still and quiet and

1005
00:55:50,730 --> 00:55:47,680
become like a dead calm and then your

1006
00:55:55,820 --> 00:55:50,740
body will pick up on this feelings or

1007
00:55:58,860 --> 00:55:55,830
energy and this later Ness and almost

1008
00:56:01,590 --> 00:55:58,870
you know a gravity you know very very

1009
00:56:02,190 --> 00:56:01,600
strange it was a vibe doesn't really do

1010
00:56:04,080 --> 00:56:02,200
it justice

1011
00:56:10,490 --> 00:56:04,090
if you took three moons like you got a

1012
00:56:14,910 --> 00:56:10,500
full moon you have you know party later

1013
00:56:16,830 --> 00:56:14,920

okay if you have a full moon you know

1014

00:56:19,440 --> 00:56:16,840

you have an energy about you it's not

1015

00:56:21,450 --> 00:56:19,450

anxiety there's just something that I

1016

00:56:24,960 --> 00:56:21,460

can welcome your body I mean of water so

1017

00:56:28,530 --> 00:56:24,970

you almost feel different you know

1018

00:56:30,360 --> 00:56:28,540

almost enlightened and that is kind of

1019

00:56:33,330 --> 00:56:30,370

like what it was there's no way you're

1020

00:56:35,220 --> 00:56:33,340

going to see and and then bang it

1021

00:56:37,620 --> 00:56:35,230

changes and you're like Placid in the

1022

00:56:41,880 --> 00:56:37,630

phone there's a reprobate that's what I

1023

00:56:44,760 --> 00:56:41,890

would like we only have a couple minutes

1024

00:56:45,210 --> 00:56:44,770

and what I'm gonna do if it's alright

1025

00:56:48,690 --> 00:56:45,220

with you

1026
00:56:51,090 --> 00:56:48,700
tom is I'm not sure how this live stream

1027
00:56:54,000 --> 00:56:51,100
is gonna work and so I'd like to hold

1028
00:56:55,650 --> 00:56:54,010
you on in case it doesn't work I know

1029
00:56:58,110 --> 00:56:55,660
it's kind of a second fiddle thing I

1030
00:57:02,250 --> 00:56:58,120
hope you don't take it that way but

1031
00:57:04,230 --> 00:57:02,260
but anyway is that alright with you hang

1032
00:57:07,170 --> 00:57:04,240
on yeah but we're not ready to go just

1033
00:57:08,520 --> 00:57:07,180
yet because um if this is the end I want

1034
00:57:11,220 --> 00:57:08,530
you to answer one of the chatroom

1035
00:57:44,040 --> 00:57:11,230
questions and what did the beings look

1036
00:58:11,760 --> 00:57:44,050
like I glasses large I type of eye

1037
00:58:17,220 --> 00:58:11,770
lenses no her and they had a witch it

1038
00:58:19,980 --> 00:58:17,230

had a long greyish mushroom shaped or

1039

00:58:21,630 --> 00:58:19,990

colored a skin tone to it from the neck

1040

00:58:24,900 --> 00:58:21,640

down

1041

00:58:26,970 --> 00:58:24,910

it had limbs that kind of stemmed the

1042

00:58:29,010 --> 00:58:26,980

arms if it was the arms and the legs

1043

00:58:29,580 --> 00:58:29,020

kind of stemmed from the same lower part

1044

00:58:34,110 --> 00:58:29,590

of the body

1045

00:58:36,300 --> 00:58:34,120

they're very stick like and in my sketch

1046

00:58:37,800 --> 00:58:36,310

the the lines in they're more like a

1047

00:58:40,410 --> 00:58:37,810

gray but they were more like a wine

1048

00:58:43,370 --> 00:58:40,420

color you want like a red wine color

1049

00:58:46,530 --> 00:58:43,380

wings on it and the head was more like a

1050

00:58:48,870 --> 00:58:46,540

bronze gold and it seemed very smooth it

1051
00:58:51,480 --> 00:58:48,880
didn't seem like the pop out of it they

1052
00:58:55,260 --> 00:58:51,490
almost look like it was a smooth sphere

1053
00:58:57,540 --> 00:58:55,270
head but the size of a football and of

1054
00:58:59,400 --> 00:58:57,550
course alien mysteries gave it you know

1055
00:59:01,700 --> 00:58:59,410
duct tape and everything but that didn't

1056
00:59:10,910 --> 00:59:01,710
see me that it just looked like a

1057
00:59:14,270 --> 00:59:13,910
that was smooth eyes were just like an

1058
00:59:16,579 --> 00:59:14,280
ant

1059
00:59:17,870 --> 00:59:16,589
now you can pry or like like that of a

1060
00:59:19,220 --> 00:59:17,880
snake sighs you know how they're like

1061
00:59:22,160 --> 00:59:19,230
open all the time but they just look

1062
00:59:24,770 --> 00:59:22,170
like the ends right in like that and it

1063
00:59:28,760 --> 00:59:24,780

was about four feet tall a little bit of

1064

00:59:32,270 --> 00:59:28,770

a teardrop body and and it had like

1065

00:59:35,210 --> 00:59:32,280

human hands so people said to me that

1066

00:59:37,010 --> 00:59:35,220

sounds pretty pretty odd but then it was

1067

00:59:41,720 --> 00:59:37,020

you know we're splicing monkeys with

1068

00:59:45,020 --> 00:59:41,730

jellyfish now spiders that were the DNA

1069

00:59:47,289 --> 00:59:45,030

from that and into a cow to make batter

1070

00:59:49,819 --> 00:59:47,299

so if you take a powerful type of

1071

00:59:52,789 --> 00:59:49,829

material now that the government using

1072

00:59:55,130 --> 00:59:52,799

for bulletproof vests and you know we're

1073

00:59:56,960 --> 00:59:55,140

playing with species here so it occurs

1074

00:59:59,480 --> 00:59:56,970

to me now I can talk about it better

1075

01:00:02,089 --> 00:59:59,490

because it doesn't sound so far-fetched

1076
01:00:05,960 --> 01:00:02,099
anymore that you know that we saw look

1077
01:00:08,059 --> 01:00:05,970
like a big spider but then again if I

1078
01:00:09,559 --> 01:00:08,069
said to you you know how big is the

1079
01:00:12,200 --> 01:00:09,569
average bird you'd probably tell me a

1080
01:00:14,870 --> 01:00:12,210
couple of feet wide but then again you

1081
01:00:16,789 --> 01:00:14,880
go back to prehistoric days they had 38

1082
01:00:18,980 --> 01:00:16,799
foot wingspan so just because

1083
01:00:20,299 --> 01:00:18,990
something's an inch tall here doesn't

1084
01:00:27,980 --> 01:00:20,309
mean it's an inch tall somewhere else

1085
01:00:34,280 --> 01:00:27,990
and we have midgets that are so it's so

1086
01:00:38,170 --> 01:00:34,290
basically look like in like someone took

1087
01:00:42,319 --> 01:00:38,180
some human DNA and made an intelligent

1088
01:00:45,049 --> 01:00:42,329

spider that could perform tasks that

1089

01:00:46,839 --> 01:00:45,059

would be almost impossible for a human

1090

01:00:53,240 --> 01:00:46,849

to do because we're not very strong

1091

01:00:55,880 --> 01:00:53,250

right now yeah yeah they can jump 20 hey

1092

01:00:57,200 --> 01:00:55,890

we didn't get to talk about much and so

1093

01:00:59,000 --> 01:00:57,210

if you want to hang on for just a minute

1094

01:01:01,220 --> 01:00:59,010

because I'd like to have you back but

1095

01:01:02,930 --> 01:01:01,230

let's just see if this other show is is

1096

01:01:09,530 --> 01:01:02,940

working so just hang on just for a

1097

01:01:16,630 --> 01:01:09,540

second absolutely and I'm not hearing a

1098

01:01:21,319 --> 01:01:19,639

my honor you're still one we're still

1099

01:01:26,659 --> 01:01:21,329

we're still alive

1100

01:01:35,929 --> 01:01:26,669

and so but I'm just not sure how his no

1101

01:01:41,509 --> 01:01:35,939

no I think that's it I don't know here

1102

01:01:43,249 --> 01:01:41,519

we go so hang on a sec so Tom I want to

1103

01:01:44,749 --> 01:01:43,259

thank you so much the other show is

1104

01:01:46,429 --> 01:01:44,759

going live and we're going to tap into

1105

01:01:50,239 --> 01:01:46,439

that thanks so much we'll have you back

1106

01:01:51,979 --> 01:01:50,249

on thanks everybody all right you take

1107

01:02:17,149 --> 01:01:51,989

care and I'll be talking to you soon all

1108

01:02:19,249 --> 01:02:17,159

right good night okay so just let the

1109

01:02:22,339 --> 01:02:19,259

live listener no no we cannot I cannot

1110

01:02:23,479 --> 01:02:22,349

communicate with Randi he is he's on the

1111

01:02:25,219 --> 01:02:23,489

show alone so we're just gonna be

1112

01:02:27,499 --> 01:02:25,229

listening in and but you can go to that

1113

01:02:29,719 --> 01:02:27,509

chat room that's on our website you can

1114

01:02:32,949 --> 01:02:29,729

see the link there and join in the chat

1115

01:02:35,569 --> 01:02:32,959

to ask for Andy questions here he goes

1116

01:02:38,539 --> 01:02:35,579

with aerial phenomenon director Randall

1117

01:02:40,399 --> 01:02:38,549

Nexen before I hand it back over to

1118

01:02:43,129 --> 01:02:40,409

Randall I just want to go over if you

1119

01:02:45,139 --> 01:02:43,139

have keeping things real quick there is

1120

01:02:46,999 --> 01:02:45,149

no phone in function for this event

1121

01:02:49,069 --> 01:02:47,009

you'll get to listen to Randall talk

1122

01:02:51,499 --> 01:02:49,079

about the history of the event and the

1123

01:02:53,449 --> 01:02:51,509

progress on the film we'll talk for

1124

01:02:55,370 --> 01:02:53,459

about 15 minutes and then we'll take

1125

01:02:57,559 --> 01:02:55,380

some questions from the chat room so

1126

01:02:59,629 --> 01:02:57,569

there the media player I'll be in the

1127

01:03:02,419 --> 01:02:59,639

chat room interacting with you while

1128

01:03:05,209 --> 01:03:02,429

Randall is talking so feel free to start

1129

01:03:07,279 --> 01:03:05,219

typing in your questions now after he's

1130

01:03:09,229 --> 01:03:07,289

done talking we'll have about 10 or so

1131

01:03:11,839 --> 01:03:09,239

minutes to answer some of your questions

1132

01:03:13,579 --> 01:03:11,849

and then we'll take just a few more

1133

01:03:15,379 --> 01:03:13,589

minutes talk a little more about the

1134

01:03:18,620 --> 01:03:15,389

film one more time before we wrap things

1135

01:03:20,509 --> 01:03:18,630

up I apologize now that we won't be able

1136

01:03:22,909 --> 01:03:20,519

to take everyone's question because it's

1137

01:03:26,239 --> 01:03:22,919

fine we'll do what we can to answer as

1138

01:03:27,829 --> 01:03:26,249

many as possible I'll be randomly

1139

01:03:29,029 --> 01:03:27,839

selecting questions while Randall is

1140

01:03:31,329 --> 01:03:29,039

speaking so he can

1141

01:03:33,799 --> 01:03:31,339

are answering them as soon as he said

1142

01:03:35,959 --> 01:03:33,809

after tonight's event is finished the

1143

01:03:38,809 --> 01:03:35,969

recorded broadcast will be available

1144

01:03:41,539 --> 01:03:38,819

here on the film's website so anyone who

1145

01:03:43,099 --> 01:03:41,549

wasn't able to listen in life I'll post

1146

01:03:46,130 --> 01:03:43,109

the link to this page on the domes

1147

01:03:49,819 --> 01:03:46,140

Facebook and Twitter pages the chat room

1148

01:03:52,159 --> 01:03:49,829

will be closed after tonight if for any

1149

01:03:54,229 --> 01:03:52,169

reason I call just connect small doll

1150

01:03:55,609 --> 01:03:54,239

back in as quick as we can if something

1151

01:03:57,829 --> 01:03:55,619

like that happens I'll let you know in

1152

01:04:05,120 --> 01:03:57,839

the chat room and with that I'm going to

1153

01:04:10,339 --> 01:04:05,130

be there just random great hi hi

1154

01:04:12,229 --> 01:04:10,349

everyone thanks Anne um this one has

1155

01:04:14,749 --> 01:04:12,239

brought you the web site and she's

1156

01:04:17,120 --> 01:04:14,759

really done a fantastic job

1157

01:04:19,429 --> 01:04:17,130

my name is Randall Dixon I really

1158

01:04:21,969 --> 01:04:19,439

appreciate you taking the time to listen

1159

01:04:26,509 --> 01:04:21,979

in on tonight's event and very much

1160

01:04:28,359 --> 01:04:26,519

appreciate your support and all the

1161

01:04:32,989 --> 01:04:28,369

donations that have been made that's

1162

01:04:34,729 --> 01:04:32,999

really helpful this is an important film

1163

01:04:38,149 --> 01:04:34,739

and I I don't think you will be

1164

01:04:39,979 --> 01:04:38,159

disappointed when you see it it's an

1165

01:04:41,899 --> 01:04:39,989

amazing story whether you believe in

1166

01:04:44,809 --> 01:04:41,909

aliens or constants it's an incredible

1167

01:04:47,049 --> 01:04:44,819

story this is also being broadcast live

1168

01:04:49,339 --> 01:04:47,059

on podcast UFO with Martin Lewis

1169

01:04:52,149 --> 01:04:49,349

Martin's a good friend of mine and does

1170

01:04:56,269 --> 01:04:52,159

a wonderful job English these issues

1171

01:04:58,759 --> 01:04:56,279

this film has been a label a sort of

1172

01:05:01,759 --> 01:04:58,769

love for for many years and there's

1173

01:05:02,929 --> 01:05:01,769

nearing completion and there are a lot

1174

01:05:06,469 --> 01:05:02,939

of people have been waiting for it to

1175

01:05:09,529 --> 01:05:06,479

come out whatever at the end and in the

1176

01:05:10,099 --> 01:05:09,539

surrounding area and people all over the

1177

01:05:13,130 --> 01:05:10,109

world really

1178

01:05:15,289 --> 01:05:13,140

it's event that affected a lot of

1179

01:05:20,329 --> 01:05:15,299

people's lives and still lives on today

1180

01:05:22,579 --> 01:05:20,339

I Harvard professor dr. John Maxwell

1181

01:05:24,769 --> 01:05:22,589

several years after he passed it was

1182

01:05:26,089 --> 01:05:24,779

approached by Dominique Allen opposite

1183

01:05:29,479 --> 01:05:26,099

John McAfee

1184

01:05:32,719 --> 01:05:29,489

to make it DVDs interviews in Zimbabwe

1185

01:05:36,169 --> 01:05:32,729

regarding the aerial school event and as

1186

01:05:38,120 --> 01:05:36,179

I began seeing the scope the event the

1187

01:05:40,099 --> 01:05:38,130

discovery of several other archival

1188

01:05:42,960 --> 01:05:40,109

interviews from 94 of witnesses

1189

01:05:45,630 --> 01:05:42,970

fires involved including the BBC Reuters

1190

01:05:47,250 --> 01:05:45,640

Harvard and after having found several

1191

01:05:49,080 --> 01:05:47,260

other businesses from the local

1192

01:05:51,330 --> 01:05:49,090

community outside of arrow it became

1193

01:05:54,600 --> 01:05:51,340

clear to me that this was a much larger

1194

01:06:00,240 --> 01:05:54,610

store and will acquire considerably more

1195

01:06:02,670 --> 01:06:00,250

time and effort sorry for those who

1196

01:06:05,700 --> 01:06:02,680

don't know to flip rural primary

1197

01:06:08,880 --> 01:06:05,710

schooling Zimbabwe in 1994 for at least

1198

01:06:10,800 --> 01:06:08,890

60 school to 14 a craft and at least one

1199

01:06:13,650 --> 01:06:10,810

strange being on their playground during

1200

01:06:15,960 --> 01:06:13,660

the morning break time thousands of

1201

01:06:17,790 --> 01:06:15,970

other problems also report as being

1202

01:06:21,930 --> 01:06:17,800

something unusual during that same time

1203

01:06:24,180 --> 01:06:21,940

here and after Ariel the film has been

1204

01:06:27,570 --> 01:06:24,190

an effort to help define all those

1205

01:06:29,610 --> 01:06:27,580

people and the witness is involved in

1206

01:06:31,890 --> 01:06:29,620

document these then has it happened and

1207

01:06:34,890 --> 01:06:31,900

the effect that still carry on now 20

1208

01:06:36,750 --> 01:06:34,900

years later it's a little history on the

1209

01:06:38,670 --> 01:06:36,760

project the first thing I received was

1210

01:06:40,740 --> 01:06:38,680

the many hours of video interviews that

1211

01:06:43,590 --> 01:06:40,750

dr. John that conducted in 94 except

1212

01:06:45,600 --> 01:06:43,600

school I would begin transferring all

1213

01:06:47,940 --> 01:06:45,610

the beta s P Tate's the digital format

1214

01:06:49,560 --> 01:06:47,950

and as I looked at the footage and the

1215

01:06:52,440 --> 01:06:49,570

interviews that became interested in

1216

01:06:55,650 --> 01:06:52,450

whether or not that there was more to

1217

01:06:57,930 --> 01:06:55,660

the story with the Johnny Mac Institute

1218

01:07:01,080 --> 01:06:57,940

which was set up after dr. Mac staff we

1219

01:07:03,300 --> 01:07:01,090

initially raised 17,500 to a fundraiser

1220

01:07:06,150 --> 01:07:03,310

which allowed me to transfer footage

1221

01:07:07,710 --> 01:07:06,160

research and travel to Africa to locate

1222

01:07:11,670 --> 01:07:07,720

the school and anyone else who was

1223

01:07:13,500 --> 01:07:11,680

involved at the time once in Africa I

1224

01:07:15,690 --> 01:07:13,510

began to find many of the people

1225

01:07:18,150 --> 01:07:15,700

involved with the help of a reporter who

1226

01:07:19,890 --> 01:07:18,160

initially covered the story one

1227

01:07:22,490 --> 01:07:19,900

interesting thing I discovered was that

1228

01:07:25,050 --> 01:07:22,500

all the reporters who covered this story

1229

01:07:26,970 --> 01:07:25,060

the event were adamant that what

1230

01:07:29,400 --> 01:07:26,980

happened that area was real I found that

1231

01:07:31,320 --> 01:07:29,410

fascinating and every reporter that

1232

01:07:34,230 --> 01:07:31,330

covered the story also had kept all

1233

01:07:36,000 --> 01:07:34,240

their notes and video from this event of

1234

01:07:41,010 --> 01:07:36,010

all the stories they covered this one

1235

01:07:43,620 --> 01:07:41,020

held great importance I recovered all

1236

01:07:46,320 --> 01:07:43,630

the archival footage of the interviews

1237

01:07:47,970 --> 01:07:46,330

and other media that other media chat as

1238

01:07:49,560 --> 01:07:47,980

well as find the names of the people

1239

01:07:51,990 --> 01:07:49,570

that were witness to these and also

1240

01:07:54,450 --> 01:07:52,000

teachers and parents and this event had

1241

01:07:56,620 --> 01:07:54,460

been on so many people's minds for such

1242

01:07:59,410 --> 01:07:56,630

a long time that was never forgotten

1243

01:08:01,690 --> 01:07:59,420

now I was wondering why it had never

1244

01:08:03,370 --> 01:08:01,700

really been told and its entirety and

1245

01:08:05,110 --> 01:08:03,380

I'm sure the reason is because of the

1246

01:08:08,470 --> 01:08:05,120

expense and time it would take to find

1247

01:08:10,750 --> 01:08:08,480

travel and interview everybody the

1248

01:08:13,210 --> 01:08:10,760

explosion of social media may mean

1249

01:08:17,860 --> 01:08:13,220

people a little easier I don't really

1250

01:08:33,240 --> 01:08:17,870

think it would be without social media

1251

01:08:38,530 --> 01:08:36,370

scattered all across the globe and that

1252

01:08:41,860 --> 01:08:38,540

has made it a more difficult task for

1253

01:08:44,800 --> 01:08:41,870

sure to find everybody as an example it

1254

01:08:47,730 --> 01:08:44,810

took me two years alone to find the BBC

1255

01:08:50,320 --> 01:08:47,740

before this first on scene back in 1994

1256

01:08:52,570 --> 01:08:50,330

and I was able to get an interview with

1257

01:08:54,250 --> 01:08:52,580

him before he passed away and it's

1258

01:08:56,650 --> 01:08:54,260

everything he's ever done and his

1259

01:08:59,770 --> 01:08:56,660

coverage of this event he was a war

1260

01:09:03,070 --> 01:08:59,780

reporter in Africa and I spent some time

1261

01:09:05,260 --> 01:09:03,080

with him and you know he said many times

1262

01:09:09,520 --> 01:09:05,270

over that this is the most amazing story

1263

01:09:11,320 --> 01:09:09,530

he had ever covered when in Africa and

1264

01:09:23,560 --> 01:09:11,330

England I received a lot of help I

1265

01:09:25,380 --> 01:09:23,570

written Anna can't I do enough really

1266

01:09:28,329 --> 01:09:25,390

made it possible to get to this point

1267

01:09:31,990 --> 01:09:28,339

when I got back to the state with

1268

01:09:35,440 --> 01:09:32,000

hundreds of hours of footage kind of

1269

01:09:37,450 --> 01:09:35,450

been a little daunting I was working

1270

01:09:40,150 --> 01:09:37,460

alone on this project for a long time

1271

01:09:43,060 --> 01:09:40,160

and wearing many hats is to say too many

1272

01:09:45,070 --> 01:09:43,070

hats trying so very hard to get all the

1273

01:09:46,750 --> 01:09:45,080

facts down documented and to really

1274

01:09:48,849 --> 01:09:46,760

understand how everything occurred the

1275

01:09:53,320 --> 01:09:48,859

sequence of events in the aftermath now

1276

01:09:54,940 --> 01:09:53,330

which is you know one of the good things

1277

01:09:57,550 --> 01:09:54,950

about spending so much time on a project

1278

01:09:59,680 --> 01:09:57,560

is that the more more people come

1279

01:10:03,490 --> 01:09:59,690

forward over time and that is exactly

1280

01:10:05,290 --> 01:10:03,500

what happened it was it has just been

1281

01:10:07,420 --> 01:10:05,300

difficult to travel meet and interview

1282

01:10:10,779 --> 01:10:07,430

all of them I'm gonna be great you know

1283

01:10:14,470 --> 01:10:10,789

with a much higher budget to really

1284

01:10:16,390 --> 01:10:14,480

to interview everyone I just it just

1285

01:10:19,390 --> 01:10:16,400

hasn't been feasible and I'd really like

1286

01:10:21,819 --> 01:10:19,400

to do that funding has been an issue for

1287

01:10:23,620 --> 01:10:21,829

sure and I've had to stick to it and do

1288

01:10:25,959 --> 01:10:23,630

the best that I could with limited

1289

01:10:27,939 --> 01:10:25,969

resources you know they say that

1290

01:10:31,029 --> 01:10:27,949

completing a project like this it takes

1291

01:10:32,649 --> 01:10:31,039

three things time effort and money the

1292

01:10:34,330 --> 01:10:32,659

time and effort is definitely been there

1293

01:10:37,870 --> 01:10:34,340

but the lack of funds has slowed me down

1294

01:10:40,510 --> 01:10:37,880

a bit I reached a point recently where I

1295

01:10:42,089 --> 01:10:40,520

just could not take everything on alone

1296

01:10:44,500 --> 01:10:42,099

and I think that's a good thing and

1297

01:10:46,870 --> 01:10:44,510

started to put together a team to bring

1298

01:10:48,970 --> 01:10:46,880

the film to its completion which is why

1299

01:10:51,250 --> 01:10:48,980

I have to raise funds also because

1300

01:10:54,339 --> 01:10:51,260

several more witnesses have come forward

1301

01:11:01,260 --> 01:10:54,349

that are keyed to the story and need to

1302

01:11:10,029 --> 01:11:08,680

maybe a real event so the bigger picture

1303

01:11:21,279 --> 01:11:10,039

I mean you have a lot of thoughts when

1304

01:11:22,689 --> 01:11:21,289

you're making a film you know it was it

1305

01:11:24,100 --> 01:11:22,699

was not what I saw in the initial

1306

01:11:26,649 --> 01:11:24,110

interviews but I think anybody that

1307

01:11:29,410 --> 01:11:26,659

she's like what there's something

1308

01:11:31,540 --> 01:11:29,420

there's something to this you know it's

1309

01:11:33,370 --> 01:11:31,550

not a lot of describing what they saw of

1310

01:11:36,689 --> 01:11:33,380

an honesty that is difficult to create

1311

01:11:39,520 --> 01:11:36,699

especially for kids of that age range

1312

01:11:41,439 --> 01:11:39,530

but you have to look and when I was what

1313

01:11:44,379 --> 01:11:41,449

I found was through several interviews

1314

01:11:47,830 --> 01:11:44,389

not just dr. max interviews a different

1315

01:11:49,209 --> 01:11:47,840

news organizations overtime was that

1316

01:11:51,430 --> 01:11:49,219

their stories didn't change

1317

01:11:53,310 --> 01:11:51,440

there was a consistency to the reports

1318

01:11:55,149 --> 01:11:53,320

that spoke to the credibility that

1319

01:11:57,669 --> 01:11:55,159

something was witnessed by these

1320

01:11:59,290 --> 01:11:57,679

children I've shown the interviews to

1321

01:12:01,569 --> 01:11:59,300

teachers and psychiatrists for their

1322

01:12:04,029 --> 01:12:01,579

take on whatever they whether they do

1323

01:12:06,580 --> 01:12:04,039

what they were reporting was real and

1324

01:12:13,080 --> 01:12:06,590

they were impressed and said that you

1325

01:12:19,270 --> 01:12:13,090

know there's well they're there on the

1326

01:12:23,600 --> 01:12:21,770

and there were other witnesses that also

1327

01:12:26,750 --> 01:12:23,610

convinced me that there was something

1328

01:12:30,020 --> 01:12:26,760

more to this in the days of for and

1329

01:12:32,959 --> 01:12:30,030

after that were adults pilots air

1330

01:12:34,939 --> 01:12:32,969

traffic controllers etc and I was

1331

01:12:36,379 --> 01:12:34,949

looking verification from another source

1332

01:12:38,899 --> 01:12:36,389

that that what is the area of energy

1333

01:12:41,359 --> 01:12:38,909

trailer and that's where each other and

1334

01:12:43,459 --> 01:12:41,369

are so many others that's that who I

1335

01:12:47,450 --> 01:12:43,469

have not had the resources to go and

1336

01:12:51,500 --> 01:12:47,460

interview but they're out there my

1337

01:12:54,379 --> 01:12:51,510

question initially was for the witnesses

1338

01:12:57,080 --> 01:12:54,389

today was what would they think today I

1339

01:12:58,910 --> 01:12:57,090

mean I thought finding them would help

1340

01:13:02,510 --> 01:12:58,920

illuminate the truth in the event was

1341

01:13:04,609 --> 01:13:02,520

what they saw really one factor that how

1342

01:13:07,609 --> 01:13:04,619

did the families react this their

1343

01:13:10,700 --> 01:13:07,619

teachers yeah press reacts etcetera I

1344

01:13:13,310 --> 01:13:10,710

mean what did it mean to them all the

1345

01:13:15,229 --> 01:13:13,320

emotions that come up with what was an

1346

01:13:19,790 --> 01:13:15,239

impactful of mass that so many people

1347

01:13:21,830 --> 01:13:19,800

said was otherworldly as if he can't

1348

01:13:24,950 --> 01:13:21,840

began to find the individual witnesses I

1349

01:13:26,990 --> 01:13:24,960

found that some five different things at

1350

01:13:28,790 --> 01:13:27,000

different times this was a large

1351

01:13:31,160 --> 01:13:28,800

playground and different aged kids were

1352

01:13:32,959 --> 01:13:31,170

in different areas some were playing

1353

01:13:34,700 --> 01:13:32,969

soccer football on the playing field and

1354

01:13:37,280 --> 01:13:34,710

there's something some strange moving

1355

01:13:39,080 --> 01:13:37,290

lights and sky before the children began

1356

01:13:41,600 --> 01:13:39,090

to gather an area where these Dean's

1357

01:13:43,310 --> 01:13:41,610

List and somewhere in classrooms is

1358

01:13:46,160 --> 01:13:43,320

finishing up the time and summer on the

1359

01:13:47,589 --> 01:13:46,170

playground it was not like everyone saw

1360

01:13:50,830 --> 01:13:47,599

the same thing at the same time which

1361

01:13:53,120 --> 01:13:50,840

actually also added a validity to it I

1362

01:13:55,010 --> 01:13:53,130

think Colin Mackey who was the

1363

01:13:57,560 --> 01:13:55,020

headmaster at the time at the school

1364

01:14:01,100 --> 01:13:57,570

said of death said I'm convinced that

1365

01:14:03,140 --> 01:14:01,110

they saw something what it was like I

1366

01:14:05,600 --> 01:14:03,150

think he handled the whole event in a

1367

01:14:07,970 --> 01:14:05,610

way that is admirable what's in closed

1368

01:14:14,240 --> 01:14:07,980

minded and he wasn't too open-minded if

1369

01:14:15,859 --> 01:14:14,250

you know what I mean you know these

1370

01:14:18,310 --> 01:14:15,869

events happen all over the world and

1371

01:14:20,930 --> 01:14:18,320

hundreds of years if not more I

1372

01:14:23,689 --> 01:14:20,940

interviewed some African tribal leaders

1373

01:14:26,390 --> 01:14:23,699

well and I was there about this very

1374

01:14:29,540 --> 01:14:26,400

thing and one of some of the interesting

1375

01:14:31,910 --> 01:14:29,550

things they said was in much more

1376

01:14:36,240 --> 01:14:31,920

details we used to think

1377

01:14:38,250 --> 01:14:36,250

they were but now realize these visitors

1378

01:14:40,380 --> 01:14:38,260

they have had for hundreds of years or

1379

01:14:44,550 --> 01:14:40,390

creatures from another planet that

1380

01:14:48,030 --> 01:14:44,560

appear to have the capability of God you

1381

01:14:52,320 --> 01:14:48,040

know the questions many questions come

1382

01:14:54,150 --> 01:14:52,330

to mind when you're covering cosmic what

1383

01:14:57,420 --> 01:14:54,160

does it say about us as a species that's

1384

01:14:59,100 --> 01:14:57,430

humans these are the events real in a

1385

01:15:01,680 --> 01:14:59,110

factual sense or is there something else

1386

01:15:03,390 --> 01:15:01,690

being said through these events what

1387

01:15:06,150 --> 01:15:03,400

comes from the actual contact was

1388

01:15:08,610 --> 01:15:06,160

something unknown and what comes from

1389

01:15:10,470 --> 01:15:08,620

the human psyche after the after the

1390

01:15:13,740 --> 01:15:10,480

fact it makes sense of what we've seen

1391

01:15:17,280 --> 01:15:13,750

or experienced things also to explore in

1392

01:15:18,600 --> 01:15:17,290

the film as well if nothing else the

1393

01:15:20,670 --> 01:15:18,610

questions other life in the universe

1394

01:15:22,530 --> 01:15:20,680

seems to be prevalent in the human

1395

01:15:26,430 --> 01:15:22,540

consciousness and not going away anytime

1396

01:15:28,230 --> 01:15:26,440

soon discovering planets not so far away

1397

01:15:30,570 --> 01:15:28,240

from us that have the ingredients for

1398

01:15:33,810 --> 01:15:30,580

supporting life as we know it and that

1399

01:15:34,950 --> 01:15:33,820

is key as we know it so only have one

1400

01:15:39,060 --> 01:15:34,960

example that's far

1401

01:15:41,100 --> 01:15:39,070

and that's planet Earth and we live in

1402

01:15:43,190 --> 01:15:41,110

this vast vast space and we have not

1403

01:15:45,830 --> 01:15:43,200

even ventured past our own front door

1404

01:15:48,390 --> 01:15:45,840

we've been looking outside the windows

1405

01:15:50,580 --> 01:15:48,400

what we have today is like far as far as

1406

01:15:53,040 --> 01:15:50,590

capability and technology would appear

1407

01:15:54,930 --> 01:15:53,050

almost impossible or magical to our

1408

01:15:58,950 --> 01:15:54,940

ancestors of even less than 100 years

1409

01:16:00,990 --> 01:15:58,960

ago I don't know I think about I think I

1410

01:16:03,030 --> 01:16:01,000

don't think we can say with certainty at

1411

01:16:05,790 --> 01:16:03,040

all what an alien intervention-- would

1412

01:16:08,060 --> 01:16:05,800

look like maybe the reports from around

1413

01:16:10,410 --> 01:16:08,070

the world are what it would look like I

1414

01:16:12,810 --> 01:16:10,420

mean very well be difficult to

1415

01:16:15,000 --> 01:16:12,820

comprehend difficult to document or

1416

01:16:17,910 --> 01:16:15,010

prove in our understanding of reality at

1417

01:16:19,740 --> 01:16:17,920

this point if another civilization has

1418

01:16:21,300 --> 01:16:19,750

progressed outside their solar systems

1419

01:16:23,220 --> 01:16:21,310

it's sort of solar system earth

1420

01:16:26,060 --> 01:16:23,230

or has a million years of space travel

1421

01:16:30,060 --> 01:16:26,070

under their belt their capability

1422

01:16:32,430 --> 01:16:30,070

understanding intelligence in how they

1423

01:16:35,760 --> 01:16:32,440

interact with a far less advanced

1424

01:16:37,320 --> 01:16:35,770

species may seem like magic to us or be

1425

01:16:40,830 --> 01:16:37,330

so subtle that which can't even

1426

01:16:42,510 --> 01:16:40,840

recognize it for what it is it may

1427

01:16:44,620 --> 01:16:42,520

involve many things we haven't even

1428

01:16:46,700 --> 01:16:44,630

discovered yet or hi papa

1429

01:16:48,860 --> 01:16:46,710

there are many thoughts while shots the

1430

01:16:51,890 --> 01:16:48,870

one who goes through when considering

1431

01:16:53,900 --> 01:16:51,900

the possibilities of the unknown and not

1432

01:16:57,380 --> 01:16:53,910

to be afraid of it or get paranoid but

1433

01:16:58,880 --> 01:16:57,390

to look with an open skeptical mind at

1434

01:17:02,480 --> 01:16:58,890

this mysterious universe in which we

1435

01:17:06,830 --> 01:17:02,490

live just some thoughts that go across

1436

01:17:08,720 --> 01:17:06,840

one month in investigating the area

1437

01:17:13,490 --> 01:17:08,730

school school incident I'm not hundreds

1438

01:17:17,960 --> 01:17:13,500

of people from all over the world and

1439

01:17:19,760 --> 01:17:17,970

there's no big story as so many

1440

01:17:23,030 --> 01:17:19,770

investigators have found the same thing

1441

01:17:24,530 --> 01:17:23,040

I guess the question is on my mind that

1442

01:17:26,990 --> 01:17:24,540

you know I've had a lot of people

1443

01:17:29,030 --> 01:17:27,000

approach me and discuss it with me why

1444

01:17:31,280 --> 01:17:29,040

can't we discuss it more openly there's

1445

01:17:33,560 --> 01:17:31,290

so many people that keep it quiet

1446

01:17:36,220 --> 01:17:33,570

you know I've had several people I was

1447

01:17:42,560 --> 01:17:36,230

the only person he's ever told about

1448

01:17:44,240 --> 01:17:42,570

very moving I mean it is many people

1449

01:17:48,080 --> 01:17:44,250

have said the biggest in human history

1450

01:17:49,670 --> 01:17:48,090

and that that day never comes will be

1451

01:17:52,700 --> 01:17:49,680

the biggest day if it has not already

1452

01:17:55,220 --> 01:17:52,710

happened and I agree with that and I

1453

01:17:56,900 --> 01:17:55,230

guess but you see and seen in the past

1454

01:18:01,720 --> 01:17:56,910

is like incorrect at times the

1455

01:18:05,090 --> 01:18:01,730

resistance to something so new and

1456

01:18:07,070 --> 01:18:05,100

unchanging can be ferocious but we

1457

01:18:09,320 --> 01:18:07,080

should really look carefully at these

1458

01:18:11,960 --> 01:18:09,330

events very carefully and not dismiss

1459

01:18:18,020 --> 01:18:11,970

them so easily and find out what we can

1460

01:18:19,730 --> 01:18:18,030

learn I think it's important so in

1461

01:18:26,930 --> 01:18:19,740

spending years meeting all these people

1462

01:18:28,400 --> 01:18:26,940

or witnesses and events a lot of

1463

01:18:30,410 --> 01:18:28,410

questions of what happened that day

1464

01:18:33,710 --> 01:18:30,420

and I hope to answer a lot of their

1465

01:18:35,420 --> 01:18:33,720

questions and there's great support from

1466

01:18:43,400 --> 01:18:35,430

everybody involved who wants to see this

1467

01:18:50,150 --> 01:18:43,410

story told you're doing something that

1468

01:18:57,950 --> 01:18:50,160

even the people involved or wanna see so

1469

01:19:03,890 --> 01:19:01,430

much appreciated and I reach the point

1470

01:19:06,110 --> 01:19:03,900

where I cannot afford the next steps and

1471

01:19:06,800 --> 01:19:06,120

I had to bring people on board which is

1472

01:19:12,890 --> 01:19:06,810

wonderful

1473

01:19:16,220 --> 01:19:12,900

would see what an amazing story this is

1474

01:19:19,760 --> 01:19:16,230

and Christopher and Eric and Leslie and

1475

01:19:21,380 --> 01:19:19,770

seven amazing health and have also had a

1476

01:19:27,470 --> 01:19:21,390

lot of support from all the people who

1477

01:19:29,450 --> 01:19:27,480

have donated so far as you know we're

1478

01:19:32,000 --> 01:19:29,460

currently doing a fundraiser on our

1479

01:19:34,790 --> 01:19:32,010

website to raise additional resources to

1480

01:19:37,190 --> 01:19:34,800

keep the project going our goal is to

1481

01:19:39,950 --> 01:19:37,200

complete the final interviews and Cepeda

1482

01:19:43,040 --> 01:19:39,960

yet pay the editors which is 80 thousand

1483

01:19:46,010 --> 01:19:43,050

total for an app for that and we're less

1484

01:19:49,100 --> 01:19:46,020

than 20% there but hey 20% is really

1485

01:19:50,900 --> 01:19:49,110

good and we are also looking for an

1486

01:19:56,840 --> 01:19:50,910

executive producer who will share this

1487

01:19:59,420 --> 01:19:56,850

incredible store the world and we really

1488

01:20:01,790 --> 01:19:59,430

need your help our Facebook page has

1489

01:20:04,190 --> 01:20:01,800

exploded from zero through twenty six

1490

01:20:07,190 --> 01:20:04,200

hundred people in over a month and

1491

01:20:09,530 --> 01:20:07,200

fifteen thousand hits on our website in

1492

01:20:13,910 --> 01:20:09,540

a little over three weeks there's a lot

1493

01:20:15,770 --> 01:20:13,920

of interest in this story if you know if

1494

01:20:18,650 --> 01:20:15,780

everyone who is on our Facebook page

1495

01:20:22,910 --> 01:20:18,660

donated \$15 we would be well on our way

1496

01:20:24,650 --> 01:20:22,920

I thought the fundraising pages look at

1497

01:20:27,680 --> 01:20:24,660

the gifts available we really appreciate

1498

01:20:30,500 --> 01:20:27,690

any help that you can give us big thanks

1499

01:20:32,690 --> 01:20:30,510

to all those who have donated and to

1500

01:20:36,229 --> 01:20:32,700

continue to support this film we really

1501

01:20:38,420 --> 01:20:36,239

appreciate it so that's a little bit of

1502

01:20:48,050 --> 01:20:38,430

the talk right now and I'm going to

1503

01:20:52,970 --> 01:20:48,060

start answering some questions so okay I

1504

01:20:55,850 --> 01:20:52,980

mean did you track down oh no question

1505

01:20:58,550 --> 01:20:55,860

about forty of the children and then

1506

01:21:01,510 --> 01:20:58,560

most of the teachers all of the

1507

01:21:09,439 --> 01:21:01,520

reporters about fifty other witnesses

1508

01:21:12,930 --> 01:21:09,449

maybe of X 60 okay

1509

01:21:20,430 --> 01:21:12,940

how did be this experience affect or

1510

01:21:24,479 --> 01:21:20,440

impact the life traveling some I don't

1511

01:21:29,390 --> 01:21:24,489

think friends run into any think about

1512

01:21:32,310 --> 01:21:29,400

it very often it's not every single day

1513

01:21:37,290 --> 01:21:32,320

so there's I think the profound impact I

1514

01:21:40,979 --> 01:21:37,300

think I find that the children that were

1515

01:21:43,500 --> 01:21:40,989

closer to this being or the two of them

1516

01:21:51,959 --> 01:21:43,510

two beings that were reported I think

1517

01:21:53,729 --> 01:21:51,969

they had the most profound impact did

1518

01:21:55,770 --> 01:21:53,739

any of the kids parents or teachers

1519

01:22:01,530 --> 01:21:55,780

which used to be interviewed um

1520

01:22:04,800 --> 01:22:01,540

I not for the most part I only had one

1521

01:22:07,830 --> 01:22:04,810

person that that didn't want to be

1522

01:22:10,670 --> 01:22:07,840

interviewed and you know and set up the

1523

01:22:15,709 --> 01:22:10,680

interview and I was traveling there and

1524

01:22:18,720 --> 01:22:15,719

I think his reason I didn't was

1525

01:22:20,310 --> 01:22:18,730

fascinating to me actually it wasn't he

1526

01:22:22,620 --> 01:22:20,320

didn't say it didn't happen or anything

1527

01:22:27,930 --> 01:22:22,630

else he was very religious person and

1528

01:22:41,430 --> 01:22:27,940

thought that whatever happened and that

1529

01:22:43,830 --> 01:22:41,440

something you run into for sure has

1530

01:22:46,439 --> 01:22:43,840

another question have any skeptics

1531

01:22:48,750 --> 01:22:46,449

attempted to debunked this is this

1532

01:22:52,140 --> 01:22:48,760

incident what have the expressions

1533

01:22:58,370 --> 01:22:52,150

explanations thing well I've looked at

1534

01:23:02,250 --> 01:22:58,380

some of the the debunking people letters

1535

01:23:04,740 --> 01:23:02,260

you know the data presented and when you

1536

01:23:07,530 --> 01:23:04,750

research something for years you learn

1537

01:23:10,520 --> 01:23:07,540

about the whole sequence of events and

1538

01:23:17,360 --> 01:23:10,530

who is involved in this math and I

1539

01:23:20,580 --> 01:23:17,370

haven't found a good I haven't felt like

1540

01:23:21,839 --> 01:23:20,590

the skeptic side has really presented

1541

01:23:25,259 --> 01:23:21,849

that are chemicals aside

1542

01:23:27,540 --> 01:23:25,269

that are available which there are many

1543

01:23:33,149 --> 01:23:27,550

and also I think you know I want to

1544

01:23:34,349 --> 01:23:33,159

cover that as well it will be there's

1545

01:23:37,379 --> 01:23:34,359

another question what has made the

1546

01:23:44,069 --> 01:23:37,389

strongest impact on you and making this

1547

01:23:46,859 --> 01:23:44,079

documentary the people I think people

1548

01:23:52,859 --> 01:23:46,869

involved and how it's impacted their

1549

01:24:01,139 --> 01:23:52,869

lives also you know the other people

1550

01:24:03,540 --> 01:24:01,149

that have nothing things that have

1551
01:24:06,770 --> 01:24:03,550
happened to them like that has because

1552
01:24:11,339 --> 01:24:06,780
and that is really about me impacted me

1553
01:24:14,069 --> 01:24:11,349
because they a lot of times as I said

1554
01:24:17,330 --> 01:24:14,079
earlier these were they were telling me

1555
01:24:21,239 --> 01:24:17,340
something that they hadn't told anybody

1556
01:24:22,799 --> 01:24:21,249
that effect that affected me a lot and

1557
01:24:32,189 --> 01:24:22,809
brings up the question of why does this

1558
01:24:36,540 --> 01:24:32,199
have to be so secretive and you know

1559
01:24:40,319 --> 01:24:36,550
just be a little more open-minded about

1560
01:24:42,659 --> 01:24:40,329
looking at things like why not we live

1561
01:24:45,599 --> 01:24:42,669
in a big universe we live in making all

1562
01:24:47,279 --> 01:24:45,609
these discoveries every day we're still

1563
01:24:49,229 --> 01:24:47,289

discovering species on our planet

1564

01:24:53,639 --> 01:24:49,239

and we still haven't explored our oceans

1565

01:24:55,919 --> 01:24:53,649

really fully and you know personally I

1566

01:24:59,580 --> 01:24:55,929

just think I don't know if we can say

1567

01:25:02,669 --> 01:24:59,590

there's nothing out there or you know

1568

01:25:06,979 --> 01:25:02,679

make judgments on whether or not

1569

01:25:27,409 --> 01:25:12,779

a lot of questions but yeah I've been

1570

01:25:31,500 --> 01:25:29,759

thank you for doing this thank you I

1571

01:25:35,520 --> 01:25:31,510

really appreciate that it means a lot

1572

01:25:42,290 --> 01:25:35,530

when I hear that because it's been

1573

01:25:49,950 --> 01:25:42,300

a lot of work I really appreciate them

1574

01:25:51,930 --> 01:25:49,960

good good words from people did any of

1575

01:25:55,320 --> 01:25:51,940

the other children have intuitions of

1576

01:25:57,660 --> 01:25:55,330

ecological devastation yes I think

1577

01:26:02,970 --> 01:25:57,670

there's still a lot of people that I

1578

01:26:06,000 --> 01:26:02,980

have not been able to interview that

1579

01:26:08,660 --> 01:26:06,010

have more information on that part of

1580

01:26:19,320 --> 01:26:08,670

this the message which I think is just

1581

01:26:24,360 --> 01:26:19,330

when you think about that something

1582

01:26:28,190 --> 01:26:24,370

pretty magical about that stuff okay let

1583

01:26:32,490 --> 01:26:30,210

what are their similarities and

1584

01:26:34,680 --> 01:26:32,500

differences with the Westfall incident

1585

01:26:38,550 --> 01:26:34,690

that was in Australia I believe it was

1586

01:26:41,700 --> 01:26:38,560

1966 I believe this was an incident that

1587

01:26:46,560 --> 01:26:41,710

happened in Australia and I believe the

1588

01:26:49,070 --> 01:26:46,570

difference is that these were this was

1589

01:26:53,400 --> 01:26:49,080

an incident where a craft was seen

1590

01:26:55,620 --> 01:26:53,410

unusual craft repair crap I'll bring

1591

01:26:57,090 --> 01:26:55,630

very low to the ground I don't think

1592

01:26:58,830 --> 01:26:57,100

that there were any being seen I think

1593

01:27:00,030 --> 01:26:58,840

that's the only difference in there you

1594

01:27:14,190 --> 01:27:00,040

know there was another case in brought

1595

01:27:21,060 --> 01:27:14,200

Haven Wales back in the area it was

1596

01:27:22,290 --> 01:27:21,070

quite a big internet and you know I went

1597

01:27:25,200 --> 01:27:22,300

actually went there because it was

1598

01:27:27,210 --> 01:27:25,210

similar to area there there was a craft

1599

01:27:30,840 --> 01:27:27,220

scene and a few of the kids had seen a

1600

01:27:34,320 --> 01:27:30,850

beam so I went there and then and met

1601
01:27:38,130 --> 01:27:34,330
with some of the people that were now in

1602
01:27:41,660 --> 01:27:38,140
their 40s and still believe what

1603
01:27:47,780 --> 01:27:44,510
and they you know didn't want to be

1604
01:27:48,950 --> 01:27:47,790
interviewed at this point but I didn't

1605
01:27:52,610 --> 01:27:48,960
interview some of the teachers at broad

1606
01:27:54,050 --> 01:27:52,620
haven but you know that was interesting

1607
01:27:58,250 --> 01:27:54,060
that that many years later that

1608
01:27:59,959 --> 01:27:58,260
everybody was still said that what they

1609
01:28:06,020 --> 01:27:59,969
said with what they said when they were

1610
01:28:07,580 --> 01:28:06,030
young is real so yeah there's I had to

1611
01:28:10,490 --> 01:28:07,590
take some time to really look at other

1612
01:28:13,070 --> 01:28:10,500
incidents and you know there's a lot of

1613
01:28:32,990 --> 01:28:13,080

things you have to consider when looking

1614

01:28:34,669 --> 01:28:33,000

at anything like this okay interesting

1615

01:28:36,919 --> 01:28:34,679

have any of the children that have been

1616

01:28:44,600 --> 01:28:36,929

we interviewed recently claimed to have

1617

01:28:50,600 --> 01:28:44,610

been abducted I talked to several that

1618

01:28:52,790 --> 01:28:50,610

have had further definitely several who

1619

01:28:57,860 --> 01:28:52,800

had a lot of dreams and nightmares

1620

01:29:00,860 --> 01:28:57,870

around but it occurred there and some

1621

01:29:03,830 --> 01:29:00,870

question revolves around that I don't

1622

01:29:08,740 --> 01:29:03,840

know I haven't you know I'm not going to

1623

01:29:13,630 --> 01:29:08,750

like shift of time you know I kind of

1624

01:29:18,770 --> 01:29:13,640

want to respect people's you know we're

1625

01:29:24,800 --> 01:29:18,780

how far the ones go I don't know it's

1626

01:29:35,380 --> 01:29:24,810

bringing up things but it's a good

1627

01:29:39,530 --> 01:29:37,700

did the children yes that's a good

1628

01:29:42,200 --> 01:29:39,540

question did the children experience

1629

01:29:46,960 --> 01:29:42,210

nightmares over the years or were they

1630

01:29:51,440 --> 01:29:46,970

able to live normal lives I think uh I

1631

01:29:55,550 --> 01:29:51,450

would say just from my experience I'd

1632

01:29:58,040 --> 01:29:55,560

say about a quarter had nightmares over

1633

01:29:59,990 --> 01:29:58,050

the years I think they're all trying to

1634

01:30:03,950 --> 01:30:00,000

live normal lives and they're very

1635

01:30:06,920 --> 01:30:03,960

normal people all over the spectrum and

1636

01:30:07,910 --> 01:30:06,930

a huge ever been to Zimbabwe and that's

1637

01:30:10,060 --> 01:30:07,920

some of the people that are there just

1638

01:30:19,540 --> 01:30:10,070

been wonderful

1639

01:30:22,100 --> 01:30:19,550

grounded warm-hearted people but yes

1640

01:30:23,840 --> 01:30:22,110

question has anybody attempted to shop

1641

01:30:24,400 --> 01:30:23,850

this documentary well we're working on

1642

01:30:34,970 --> 01:30:24,410

it

1643

01:30:37,010 --> 01:30:34,980

this point and I just you know whoever

1644

01:30:38,600 --> 01:30:37,020

gets involved in this it's not going to

1645

01:30:41,690 --> 01:30:38,610

be deported I have a great editor a

1646

01:30:44,990 --> 01:30:41,700

great great team a great story editor

1647

01:30:48,050 --> 01:30:45,000

and it's a heart so you know there's

1648

01:30:52,010 --> 01:30:48,060

something that put a lot of my personal

1649

01:30:55,880 --> 01:30:52,020

heart into and and the people around me

1650

01:31:05,240 --> 01:30:55,890

also have been just wonderful support

1651
01:31:08,540 --> 01:31:05,250
and volunteering networks just in

1652
01:31:13,970 --> 01:31:08,550
broadcasting the final movie yes have

1653
01:31:15,380 --> 01:31:13,980
have some interest there and you know

1654
01:31:18,770 --> 01:31:15,390
I'm just trying to get it to the best

1655
01:31:22,720 --> 01:31:18,780
venue where it can reach a wide audience

1656
01:31:25,280 --> 01:31:22,730
I think this film has the potential to

1657
01:31:37,040 --> 01:31:25,290
completely open people's minds and think

1658
01:31:39,440 --> 01:31:37,050
about yeah it's um done yet when is it

1659
01:31:44,750 --> 01:31:39,450
going to be I don't we're well on the

1660
01:31:47,120 --> 01:31:44,760
way in and you know this has primarily

1661
01:31:49,120 --> 01:31:47,130
been a self-funded project sort of been

1662
01:31:52,970 --> 01:31:49,130
completing years ago

1663
01:31:58,490 --> 01:31:52,980

just hasn't been a progression and

1664

01:32:02,270 --> 01:31:58,500

everything and so yeah that's the reason

1665

01:32:06,560 --> 01:32:02,280

I mean projects take a long time I know

1666

01:32:08,060 --> 01:32:06,570

I know if you've ever seena when you

1667

01:32:12,370 --> 01:32:08,070

watch the credits of the movie you see

1668

01:32:15,770 --> 01:32:12,380

hundreds of people names roll by and

1669

01:32:17,510 --> 01:32:15,780

it's and and they get it done in a year

1670

01:32:25,550 --> 01:32:17,520

or two but what do you have one person

1671

01:32:28,160 --> 01:32:25,560

were five people if you have to wear

1672

01:32:35,810 --> 01:32:28,170

many hats and you learn a lot in doing

1673

01:32:38,060 --> 01:32:35,820

it and you know normally a project like

1674

01:32:41,419 --> 01:32:38,070

anything different when it's an

1675

01:32:45,550 --> 01:32:41,429

independent stuff like this you know it

1676

01:32:50,030 --> 01:32:45,560

can take seven years my friend of mine

1677

01:32:52,430 --> 01:32:50,040

their first um sense 14 years to me and

1678

01:32:57,760 --> 01:32:52,440

it's one that was wonderful it was well

1679

01:32:59,060 --> 01:32:57,770

worth wait much that only was on his own

1680

01:33:02,390 --> 01:32:59,070

wandah

1681

01:33:05,689 --> 01:33:02,400

the things going on there so yeah it

1682

01:33:19,820 --> 01:33:05,699

does take time and it's not been for

1683

01:33:21,649 --> 01:33:19,830

lack of effort or time in your

1684

01:33:24,439 --> 01:33:21,659

interviewing of the experiencers did you

1685

01:33:33,760 --> 01:33:24,449

see any analogies and then personality

1686

01:33:35,990 --> 01:33:33,770

life stories not really I mean they all

1687

01:33:41,510 --> 01:33:36,000

come across me of just very normal

1688

01:33:46,189 --> 01:33:41,520

people you know on doing all kinds of

1689

01:33:48,550 --> 01:33:46,199

different jobs most in their 20s very

1690

01:33:51,350 --> 01:33:48,560

late 20s early 30s

1691

01:33:52,879 --> 01:33:51,360

yeah just you know again it was like

1692

01:33:54,919 --> 01:33:52,889

what I guess the thing that strikes me

1693

01:33:57,649 --> 01:33:54,929

most is where they come from Zimbabwe

1694

01:34:00,260 --> 01:33:57,659

Africa it's it's it's a different world

1695

01:34:01,709 --> 01:34:00,270

over there it's almost like literally

1696

01:34:04,140 --> 01:34:01,719

going to another planet

1697

01:34:04,890 --> 01:34:04,150

different what we're used to in the

1698

01:34:22,919 --> 01:34:04,900

Western world

1699

01:34:28,580 --> 01:34:22,929

I didn't totally read yes say how

1700

01:34:33,390 --> 01:34:31,350

should just get the story told when you

1701

01:34:34,979 --> 01:34:33,400

know something you know something that's

1702

01:34:38,219 --> 01:34:34,989

a great story so many good people

1703

01:34:43,109 --> 01:34:38,229

involved the honesty at which which

1704

01:34:45,020 --> 01:34:43,119

people communicate how they feel I mean

1705

01:34:51,209 --> 01:34:45,030

that's the whole spectrum from the

1706

01:34:57,259 --> 01:34:51,219

children today to convened and back in

1707

01:35:02,489 --> 01:34:57,269

94 to the teachers to to the reporters

1708

01:35:08,069 --> 01:35:02,499

yeah it's just it's a great place a

1709

01:35:21,909 --> 01:35:08,079

really great project so I'm gonna get

1710

01:35:27,729 --> 01:35:24,819

yeah did you follow up with any of the

1711

01:35:41,609 --> 01:35:27,739

investigators well sin behind passed

1712

01:35:43,929 --> 01:35:41,619

away in 2000 I did get in touch with and

1713

01:35:46,509 --> 01:35:43,939

worked with Cynthia hind and spoke with

1714

01:35:49,209 --> 01:35:46,519

him and so another investigator came

1715

01:35:53,199 --> 01:35:49,219

back in 97 I would say this event has

1716

01:35:56,919 --> 01:35:53,209

been covered by a lot of different

1717

01:36:01,839 --> 01:35:56,929

countries and but mainly for like a

1718

01:36:04,899 --> 01:36:01,849

short ten-minute piece which covered the

1719

01:36:08,709 --> 01:36:04,909

events and basically didn't really look

1720

01:36:14,489 --> 01:36:08,719

into the deeper what happened how it

1721

01:36:17,469 --> 01:36:14,499

happens look or the order of events

1722

01:36:20,409 --> 01:36:17,479

which is you know you look I'm sorry

1723

01:36:22,060 --> 01:36:20,419

funny I mean looking back on it now

1724

01:36:25,540 --> 01:36:22,070

going back we're covering everything

1725

01:36:27,129 --> 01:36:25,550

looking at all of the facts and the

1726

01:36:29,529 --> 01:36:27,139

details of what was going out to time

1727

01:36:33,729 --> 01:36:29,539

all over in the full spectrum as far as

1728

01:36:41,620 --> 01:36:33,739

what's happening there except for the

1729

01:36:47,500 --> 01:36:41,630

political situation all that stuff here

1730

01:36:51,879 --> 01:36:47,510

and there so I'm gonna have to wrap it

1731

01:36:53,439 --> 01:36:51,889

up here soon somebody else asked do you

1732

01:36:55,000 --> 01:36:53,449

think of getting any of the witnesses

1733

01:36:58,149 --> 01:36:55,010

hypnotized or did you get them

1734

01:36:59,919 --> 01:36:58,159

emphasized that I did not and I'm not

1735

01:37:06,279 --> 01:36:59,929

aware that any it's been hypnotized

1736

01:37:08,799 --> 01:37:06,289

before I get for the detail yeah okay so

1737

01:37:11,459 --> 01:37:08,809

yeah we're really working on the one

1738

01:37:14,850 --> 01:37:11,469

when will the film be released and the

1739

01:37:21,069 --> 01:37:14,860

goal is for sure the end of this year

1740

01:37:24,520 --> 01:37:21,079

again editing carrying on right now we

1741

01:37:27,000 --> 01:37:24,530

are just trying to raise the funds

1742

01:37:31,229 --> 01:37:27,010

necessary to make it all happen

1743

01:37:33,609 --> 01:37:31,239

so okay let me I'm gonna end the Q&A

1744

01:37:35,229 --> 01:37:33,619

again I really appreciate the questions

1745

01:37:39,729 --> 01:37:35,239

and the interest

1746

01:37:41,260 --> 01:37:39,739

in this film and thank you so much for

1747

01:37:53,130 --> 01:37:41,270

listening I really appreciate all your

1748

01:37:58,120 --> 01:37:55,570

so please donate if you can if you can

1749

01:38:01,470 --> 01:37:58,130

and if you haven't already and if you

1750

01:38:04,300 --> 01:38:01,480

can't like our Facebook page and Twitter

1751

01:38:07,540 --> 01:38:04,310

send it to friends link through the web

1752

01:38:17,260 --> 01:38:07,550

site and help get the word out the web

1753

01:38:20,320 --> 01:38:17,270

site is aerial phenomenon and the

1754

01:38:22,660 --> 01:38:20,330

Facebook page is aerial documentary and

1755

01:38:26,140 --> 01:38:22,670

watching a pitch help course itself

1756

01:38:29,860 --> 01:38:26,150

centenary interest yeah really really

1757

01:38:32,170 --> 01:38:29,870

really appreciates them all the help and

1758

01:38:35,680 --> 01:38:32,180

thanks things are moving along well and

1759

01:38:38,500 --> 01:38:35,690

I think this will be a very important

1760

01:38:40,570 --> 01:38:38,510

film for the age we live in there's

1761

01:38:43,180 --> 01:38:40,580

never been a film on this topic that has

1762

01:38:46,390 --> 01:38:43,190

been told in such a way where it's not

1763

01:38:50,560 --> 01:38:46,400

people involved and not about special

1764

01:38:54,790 --> 01:38:50,570

effects speak so yeah please donate

1765

01:38:57,580 --> 01:38:54,800

again check out the gifts get some cool

1766

01:39:00,430 --> 01:38:57,590

gifts and help bring this fascinating

1767

01:39:02,200 --> 01:39:00,440

story to the world I really appreciate

1768

01:39:09,330 --> 01:39:02,210

it and thank you so much for my heart

1769

01:39:12,760 --> 01:39:09,340

and tonight alright so that is it for

1770

01:39:13,650 --> 01:39:12,770

that's at for that as they say hang on

1771

01:39:17,530 --> 01:39:13,660

just a minute

1772

01:39:19,420 --> 01:39:17,540

I've got about 50,000 things here going

1773

01:39:21,490 --> 01:39:19,430

so if you're listening live in the dark

1774

01:39:23,140 --> 01:39:21,500

matter radio thank you for hanging in

1775

01:39:26,140 --> 01:39:23,150

I'm sorry there was a little bit of

1776

01:39:29,560 --> 01:39:26,150

sound issues with that's a blog talk

1777

01:39:31,780 --> 01:39:29,570

radio sometimes there is and he was on a

1778

01:39:33,670 --> 01:39:31,790

cell phone so it didn't make it a real

1779

01:39:34,990 --> 01:39:33,680

clear show they're gonna try to work

1780

01:39:37,810 --> 01:39:35,000

something out I'll be glad to help

1781

01:39:40,180 --> 01:39:37,820

Brandi work something out with that for

1782

01:39:43,950 --> 01:39:40,190

his next show so if you want to bounce

1783

01:39:47,820 --> 01:39:43,960

back on over to podcast UFO calm and

1784

01:39:51,860 --> 01:39:47,830

jump in the chatroom you are welcome to

1785

01:39:54,330 --> 01:39:51,870

and we are going to be opening up the

1786

01:40:00,320 --> 01:39:54,340

we're gonna be opening up the phones

1787

01:40:03,060 --> 01:40:00,330

soon and Skype as well because we have

1788

01:40:07,500 --> 01:40:03,070

well we've got about 20 minutes left to

1789

01:40:09,000 --> 01:40:07,510

this show so I have a really good friend

1790

01:40:11,850 --> 01:40:09,010

of mine that I've known for a number of

1791

01:40:13,920 --> 01:40:11,860

years that happens to be in the antique

1792

01:40:16,410 --> 01:40:13,930

and auction business and we've known

1793

01:40:19,320 --> 01:40:16,420

each other like I said for years and one

1794

01:40:21,180 --> 01:40:19,330

day I was working late and I got a phone

1795

01:40:24,300 --> 01:40:21,190

call from him thinking he was gonna tell

1796

01:40:25,980 --> 01:40:24,310

me about antiques or whatever it is and

1797

01:40:27,180 --> 01:40:25,990

he says to me guess what we have

1798

01:40:30,240 --> 01:40:27,190

something in common

1799

01:40:33,510 --> 01:40:30,250

and I said yeah we both love antiques

1800

01:40:38,250 --> 01:40:33,520

and he said no UFOs I just found your

1801
01:40:41,640 --> 01:40:38,260
show so his name is Walt and he should

1802
01:40:44,430 --> 01:40:41,650
be he should be calling in any second

1803
01:40:51,600 --> 01:40:44,440
and I might even try to call him let's

1804
01:40:52,920 --> 01:40:51,610
see if I can figure that out and I was

1805
01:41:01,320 --> 01:40:52,930
just trying right now see if that

1806
01:41:04,500 --> 01:41:01,330
happens okay so bear with me everyone we

1807
01:41:07,860 --> 01:41:04,510
were all troupers so it's been a little

1808
01:41:14,430 --> 01:41:07,870
bit of a different show but I'm hoping

1809
01:41:20,220 --> 01:41:14,440
that it is enjoyable for you and here we

1810
01:41:26,460 --> 01:41:20,230
go Walt are you there good you sound

1811
01:41:28,050 --> 01:41:26,470
better than the last guy in a while but

1812
01:41:31,170 --> 01:41:28,060
everything seems to be all right so far

1813
01:41:33,380 --> 01:41:31,180

yes so Walt I was just I was just

1814

01:41:37,770 --> 01:41:33,390

telling the listening audience that

1815

01:41:39,630 --> 01:41:37,780

whoops guess what we lost our we lost

1816

01:41:41,910 --> 01:41:39,640

our live feed hang on just a minute

1817

01:41:45,480 --> 01:41:41,920

can you hear me I can hear you fine but

1818

01:41:50,300 --> 01:41:45,490

somehow like I hung up on our live feed

1819

01:41:56,430 --> 01:41:50,310

while I was calling you and here we go

1820

01:42:04,459 --> 01:41:59,310

sorry about that everyone I still don't

1821

01:42:10,560 --> 01:42:08,990

okay I think we're back live and I

1822

01:42:13,770 --> 01:42:10,570

apologize for that

1823

01:42:15,390 --> 01:42:13,780

for the listeners that you listening

1824

01:42:18,720 --> 01:42:15,400

live we had a little brief bit of

1825

01:42:21,270 --> 01:42:18,730

silence while I was calling it's my

1826

01:42:24,149 --> 01:42:21,280

fault I did it and but we are back live

1827

01:42:26,160 --> 01:42:24,159

and I have my good friend Walt Holland

1828

01:42:27,510 --> 01:42:26,170

on from down in Gloucester Massachusetts

1829

01:42:30,600 --> 01:42:27,520

how you doing Walt

1830

01:42:33,240 --> 01:42:30,610

pretty good my snow starting to melt so

1831

01:42:34,800 --> 01:42:33,250

I'm kind of excited about that yeah and

1832

01:42:36,180 --> 01:42:34,810

we have a we have a chat room and it's

1833

01:42:39,840 --> 01:42:36,190

kind of going wild tonight there's a lot

1834

01:42:43,350 --> 01:42:39,850

of people in it awesome I was telling

1835

01:42:45,149 --> 01:42:43,360

the story about how I was busy working

1836

01:42:46,860 --> 01:42:45,159

one night you called me and I thought

1837

01:42:49,680 --> 01:42:46,870

you were calling me about antiques or

1838

01:42:52,680 --> 01:42:49,690

something and you called me because you

1839

01:42:57,060 --> 01:42:52,690

said we have something in common that's

1840

01:42:58,709 --> 01:42:57,070

right that's right yeah yeah I think we

1841

01:43:00,300 --> 01:42:58,719

were we were already friends for quite a

1842

01:43:02,970 --> 01:43:00,310

while right

1843

01:43:07,410 --> 01:43:02,980

I saw I saw something on your Facebook

1844

01:43:12,350 --> 01:43:07,420

feed about your podcast and I said you

1845

01:43:15,899 --> 01:43:12,360

know we have something in common and I

1846

01:43:20,430 --> 01:43:15,909

actually I actually had a sighting

1847

01:43:22,260 --> 01:43:20,440

winnette when I was a kid and me and let

1848

01:43:25,290 --> 01:43:22,270

me say I haven't talked to these guys in

1849

01:43:31,439 --> 01:43:25,300

years I think that was four four other

1850

01:43:33,149 --> 01:43:31,449

guys that was Greg Andy Jerry and I

1851

01:43:35,520 --> 01:43:33,159

think guy was there he always hung out

1852

01:43:37,919 --> 01:43:35,530

when I was in myself I won't mention any

1853

01:43:42,750 --> 01:43:37,929

of their last name so yeah so you want

1854

01:43:46,560 --> 01:43:42,760

me to it's quite a all right I want you

1855

01:43:48,780 --> 01:43:46,570

to also tell because it struck me with

1856

01:43:53,910 --> 01:43:48,790

the feeling that it gave you so just go

1857

01:43:57,000 --> 01:43:53,920

ahead and just tell the story sure so we

1858

01:43:59,160 --> 01:43:57,010

were we were a bunch of Catholic kids

1859

01:44:05,340 --> 01:43:59,170

that we know let me get this straight so

1860

01:44:06,990 --> 01:44:05,350

we had to be 75 or 76 because we we used

1861

01:44:08,939 --> 01:44:07,000

to go to these roller skating parties

1862

01:44:11,640 --> 01:44:08,949

that our school or to put on you know

1863

01:44:11,939 --> 01:44:11,650

they do them like two or three times a

1864

01:44:13,530 --> 01:44:11,949

year

1865

01:44:19,800 --> 01:44:13,540

roller skating right with four

1866

01:44:21,540 --> 01:44:19,810

remember that so we don't tell any of

1867

01:44:24,180 --> 01:44:21,550

the nuns but we were kind of how razors

1868

01:44:25,920 --> 01:44:24,190

you know so on the way up we are even at

1869

01:44:28,350 --> 01:44:25,930

that young age we partied quite a bit

1870

01:44:30,840 --> 01:44:28,360

but this incident happened on the way

1871

01:44:32,640 --> 01:44:30,850

back and we were not we were all we were

1872

01:44:40,080 --> 01:44:32,650

all straight and right as rain so this

1873

01:44:42,020 --> 01:44:40,090

is 1975 76 or so so to prove that I'm

1874

01:44:45,420 --> 01:44:42,030

telling the truth about this story I

1875

01:44:47,310 --> 01:44:45,430

would if I was fibbing I would be I

1876

01:44:49,170 --> 01:44:47,320

would say I was the one with the

1877

01:44:51,840 --> 01:44:49,180

girlfriend that we were dropping off at

1878

01:44:53,280 --> 01:44:51,850

home but I wasn't there's that guy Jerry

1879

01:44:55,650 --> 01:44:53,290

one of the kids we hung around with

1880

01:44:59,130 --> 01:44:55,660

Jerry oh he's got all the girls and we

1881

01:45:01,200 --> 01:44:59,140

were dropping off one of his girlfriend

1882

01:45:04,080 --> 01:45:01,210

so we came back from the roller skating

1883

01:45:05,880 --> 01:45:04,090

party and there were some other girls

1884

01:45:08,250 --> 01:45:05,890

they were friends of ours and then Jerry

1885

01:45:10,800 --> 01:45:08,260

had a girlfriend we would walk the train

1886

01:45:15,000 --> 01:45:10,810

tracks on the way back to Ann's house

1887

01:45:17,070 --> 01:45:15,010

Annie's house so Jerry dropped off Annie

1888

01:45:20,280 --> 01:45:17,080

and we were out there and he came out

1889

01:45:22,920 --> 01:45:20,290

and we were all standing around together

1890

01:45:26,250 --> 01:45:22,930

and this is it wasn't it it was a quiet

1891

01:45:27,390 --> 01:45:26,260

street not not by any means a deserted

1892

01:45:29,670 --> 01:45:27,400

area but quiet

1893

01:45:31,260 --> 01:45:29,680

I'll back their train tracks and you

1894

01:45:33,540 --> 01:45:31,270

know you'd walk about maybe a quarter

1895

01:45:35,610 --> 01:45:33,550

mile and get to what you might call

1896

01:45:40,440 --> 01:45:35,620

civilization but you know the quiet

1897

01:45:42,000 --> 01:45:40,450

Street and I'm not really sure which one

1898

01:45:43,560 --> 01:45:42,010

of us in fact I can remember the

1899

01:45:47,070 --> 01:45:43,570

conversation clearly but I can't

1900

01:45:49,980 --> 01:45:47,080

remember who said what so all of a

1901
01:45:52,920 --> 01:45:49,990
sudden somebody said hey what's that and

1902
01:45:55,620 --> 01:45:52,930
we looked up and we all kind of froze

1903
01:45:57,690 --> 01:45:55,630
and I'm not kidding Marty this was the

1904
01:46:00,960 --> 01:45:57,700
strangest experience I've ever had in my

1905
01:46:03,270 --> 01:46:00,970
life it was absolutely amazing so we

1906
01:46:07,470 --> 01:46:03,280
looked up and we saw a yellow disc

1907
01:46:09,720 --> 01:46:07,480
shining down on us imagine the moon if

1908
01:46:10,110 --> 01:46:09,730
they didn't have any blue spots on it at

1909
01:46:12,180 --> 01:46:10,120
all

1910
01:46:15,480 --> 01:46:12,190
okay completely wrong I mean just

1911
01:46:17,700 --> 01:46:15,490
perfectly round and yellow it was up

1912
01:46:19,200 --> 01:46:17,710
sideways like that too or at least it

1913
01:46:22,950 --> 01:46:19,210

appeared to be sideways but it was

1914

01:46:25,200 --> 01:46:22,960

shining down on us and we were freaked

1915

01:46:26,220 --> 01:46:25,210

and we had a conversation with like what

1916

01:46:30,000 --> 01:46:26,230

is that like

1917

01:46:32,400 --> 01:46:30,010

man I don't know like that that's it's

1918

01:46:35,070 --> 01:46:32,410

freaking me out and we're talking like

1919

01:46:36,950 --> 01:46:35,080

that like what is it and I one of us

1920

01:46:40,110 --> 01:46:36,960

it's I think it was me

1921

01:46:44,340 --> 01:46:40,120

said I know what that is because earlier

1922

01:46:46,920 --> 01:46:44,350

in the last oh man the two weeks maybe

1923

01:46:50,010 --> 01:46:46,930

months before this there were a lot of

1924

01:46:51,810 --> 01:46:50,020

people sighting spotting UFOs and it was

1925

01:46:54,180 --> 01:46:51,820

in the news and there were stories

1926

01:46:56,490 --> 01:46:54,190

they're like oh yeah it's a lot of

1927

01:46:58,680 --> 01:46:56,500

people are getting helicopter beams

1928

01:47:01,560 --> 01:46:58,690

mixed up with UFOs because helicopters

1929

01:47:04,050 --> 01:47:01,570

have round lights but this wasn't a

1930

01:47:06,570 --> 01:47:04,060

helicopter and one of us said I know

1931

01:47:08,370 --> 01:47:06,580

what that is that's a helicopter they

1932

01:47:10,320 --> 01:47:08,380

have round lights like that and I think

1933

01:47:12,450 --> 01:47:10,330

it was me that said that and then

1934

01:47:15,750 --> 01:47:12,460

somebody else said helicopters make

1935

01:47:18,120 --> 01:47:15,760

noise and they move and we so the

1936

01:47:20,580 --> 01:47:18,130

conversation seems like five minutes but

1937

01:47:23,250 --> 01:47:20,590

I'm really probably pretty sure it was

1938

01:47:26,160 --> 01:47:23,260

like a minute or so and we looked up and

1939

01:47:29,850 --> 01:47:26,170

we're really you know so we're we're for

1940

01:47:32,670 --> 01:47:29,860

Catholic school boys and we're like

1941

01:47:35,790 --> 01:47:32,680

let's look down and see what by the way

1942

01:47:39,000 --> 01:47:35,800

this was it wasn't like super high up it

1943

01:47:42,780 --> 01:47:39,010

appeared to us like it was it looked as

1944

01:47:44,640 --> 01:47:42,790

high up as it is maybe a hundred a two

1945

01:47:47,670 --> 01:47:44,650

hundred feet it wasn't like real real

1946

01:47:49,860 --> 01:47:47,680

high and it was shining like right down

1947

01:47:51,870 --> 01:47:49,870

like it was right over us but it was

1948

01:47:56,190 --> 01:47:51,880

sideways but it yet it was shining down

1949

01:48:01,530 --> 01:47:56,200

so so we just just a second here with

1950

01:48:03,479 --> 01:48:01,540

sideways but shining it down we were

1951

01:48:05,520 --> 01:48:03,489

looking at the moon up at the moon we

1952

01:48:07,920 --> 01:48:05,530

could see we could see that it was a

1953

01:48:10,590 --> 01:48:07,930

circle you know and this is like this is

1954

01:48:15,780 --> 01:48:10,600

a long time ago I I recall it kind of

1955

01:48:18,270 --> 01:48:15,790

being sideways here that oh excuse me

1956

01:48:20,820 --> 01:48:18,280

you do hear of that oh really yeah like

1957

01:48:22,760 --> 01:48:20,830

like the way they're tilted has nothing

1958

01:48:28,650 --> 01:48:22,770

to do with their propulsion and moving

1959

01:48:30,900 --> 01:48:28,660

Wow yeah okay so I didn't know that but

1960

01:48:32,310 --> 01:48:30,910

so and that could be you know what it

1961

01:48:34,650 --> 01:48:32,320

could have been looking down on his flat

1962

01:48:38,820 --> 01:48:34,660

that's my memory that's my recall they

1963

01:48:39,959 --> 01:48:38,830

know I'm I'm 54 so this happened when I

1964

01:48:44,189 --> 01:48:39,969

was like 15

1965

01:48:46,439 --> 01:48:44,199

clean 7576 so but I recall it being

1966

01:48:47,969 --> 01:48:46,449

sideways so we were all in on this

1967

01:48:49,529 --> 01:48:47,979

together like we're talking about like

1968

01:48:52,620 --> 01:48:49,539

what do we do about this thing like is

1969

01:48:56,129 --> 01:48:52,630

it going to get us what is it and we

1970

01:48:57,080 --> 01:48:56,139

said let's look down and see what

1971

01:48:59,729 --> 01:48:57,090

happens

1972

01:49:04,259 --> 01:48:59,739

kind of like kind of like an ostrich you

1973

01:49:09,479 --> 01:49:04,269

know kind of we were yeah we were we

1974

01:49:12,479 --> 01:49:09,489

were like definitely unsavory where it's

1975

01:49:17,520 --> 01:49:12,489

a about we were we probably needed to

1976

01:49:21,930 --> 01:49:17,530

change it was it was scary so we did all

1977

01:49:23,430 --> 01:49:21,940

look down and we looked back up and it

1978

01:49:26,069 --> 01:49:23,440

was just gone

1979

01:49:31,350 --> 01:49:26,079

and you never heard of saying never

1980

01:49:33,029 --> 01:49:31,360

heard a thing never never I I talked to

1981

01:49:34,739 --> 01:49:33,039

those I'm not in touch with in in fact

1982

01:49:37,350 --> 01:49:34,749

I'm going to look up see if I can find

1983

01:49:41,069 --> 01:49:37,360

anything so us on Facebook I haven't

1984

01:49:44,209 --> 01:49:41,079

talked to him in many many years but we

1985

01:49:47,370 --> 01:49:44,219

you know we went to school after that we

1986

01:49:49,979 --> 01:49:47,380

I'm late so on the way home we were

1987

01:49:53,370 --> 01:49:49,989

talking about it and you know they were

1988

01:49:55,560 --> 01:49:53,380

right for Catholic school kids so one of

1989

01:49:57,270 --> 01:49:55,570

us Andy is saying you know what and he

1990

01:50:01,770 --> 01:49:57,280

went to you know he's a little bit more

1991

01:50:03,569 --> 01:50:01,780

of a into the the Catholic thing more

1992

01:50:05,339 --> 01:50:03,579

than some of us and he said you know

1993

01:50:07,890 --> 01:50:05,349

this is God punishing us and there's

1994

01:50:10,200 --> 01:50:07,900

something there's a message here and the

1995

01:50:13,229 --> 01:50:10,210

other ones like oh man I'm not even sure

1996

01:50:17,040 --> 01:50:13,239

I saw it and then I'm like I don't know

1997

01:50:20,189 --> 01:50:17,050

what it was and you know you know so we

1998

01:50:22,890 --> 01:50:20,199

kind of we talked about it on the way

1999

01:50:26,910 --> 01:50:22,900

home we were kind of scared by it so we

2000

01:50:30,959 --> 01:50:26,920

all live let me say it better to do we

2001

01:50:32,850 --> 01:50:30,969

Greg Greg lived on benefit Street is

2002

01:50:36,120 --> 01:50:32,860

happened on Dickens Street by the way in

2003

01:50:37,919 --> 01:50:36,130

Rhode Island Greg lived on benefit

2004

01:50:40,379 --> 01:50:37,929

Street so I guess we dropped him off for

2005

01:50:43,830 --> 01:50:40,389

us and then we all live I lived on Coyle

2006

01:50:47,160 --> 01:50:43,840

Avenue in Pawtucket we all live Gerry

2007

01:50:50,450 --> 01:50:47,170

lived on Cole Street so that an auntie

2008

01:50:53,310 --> 01:50:50,460

lived for that so Andy walked home I

2009

01:50:55,560 --> 01:50:53,320

think he was the most

2010

01:50:57,180 --> 01:50:55,570

scared at the time he but he thought it

2011

01:50:59,340 --> 01:50:57,190

he thought it was a message from God so

2012

01:51:01,410 --> 01:50:59,350

yeah so Jeremy and I had gotten home and

2013

01:51:02,400 --> 01:51:01,420

I'm not even sure right now if guy was

2014

01:51:05,490 --> 01:51:02,410

whether it's not but there was

2015

01:51:07,620 --> 01:51:05,500

definitely Greg Jerry Andy and myself so

2016

01:51:08,790 --> 01:51:07,630

there at least for a guy who was he used

2017

01:51:13,680 --> 01:51:08,800

to hang around with the group sometimes

2018

01:51:14,880 --> 01:51:13,690

not and so Jerry then I went then and II

2019

01:51:17,310 --> 01:51:14,890

would have kept walking straight and I

2020

01:51:20,430 --> 01:51:17,320

went home and we we talked about it what

2021

01:51:22,230 --> 01:51:20,440

we thought it was in until I talked to

2022

01:51:23,670 --> 01:51:22,240

you Marty I mean I remembered I've

2023

01:51:26,820 --> 01:51:23,680

always remember this has always been

2024

01:51:28,530 --> 01:51:26,830

clear I've told this story to friend a

2025

01:51:30,540 --> 01:51:28,540

million times and I'm not you know I'm

2026
01:51:32,460 --> 01:51:30,550
not shy about it cuz I'm not saying that

2027
01:51:34,400 --> 01:51:32,470
little green man came down and we

2028
01:51:37,740 --> 01:51:34,410
abducted or any you know we're adopting

2029
01:51:39,210 --> 01:51:37,750
abducted or anything it doesn't bother

2030
01:51:41,730 --> 01:51:39,220
me to talk about it but I talked about

2031
01:51:44,430 --> 01:51:41,740
it a lot of times but you know it I

2032
01:51:47,730 --> 01:51:44,440
didn't realize until I talk to you about

2033
01:51:50,850 --> 01:51:47,740
this maybe a year ago you know is his

2034
01:51:55,680 --> 01:51:50,860
kids now we were okay so we were 16 yeah

2035
01:51:59,310 --> 01:51:55,690
we had another only see if we didn't

2036
01:52:03,540 --> 01:51:59,320
close out of school that year we

2037
01:52:08,000 --> 01:52:03,550
graduated in this maybe the year after

2038
01:52:10,110 --> 01:52:08,010

and so we were together as a group

2039

01:52:13,770 --> 01:52:10,120

friends that hung out for another year

2040

01:52:15,540 --> 01:52:13,780

or so after that and I didn't realize

2041

01:52:19,170 --> 01:52:15,550

until I talked to you you know what the

2042

01:52:22,050 --> 01:52:19,180

strange thing is we never mentioned it

2043

01:52:24,210 --> 01:52:22,060

to each other again that is strange

2044

01:52:25,710 --> 01:52:24,220

hey hey well we only have three minutes

2045

01:52:30,600 --> 01:52:25,720

I can't believe it but the time is

2046

01:52:34,830 --> 01:52:30,610

flying but know one of the questions of

2047

01:52:37,470 --> 01:52:34,840

someone on the chat room says oMG that

2048

01:52:37,980 --> 01:52:37,480

person had a very similar sighting to

2049

01:52:41,370 --> 01:52:37,990

yours

2050

01:52:44,610 --> 01:52:41,380

in Massachusetts around the same time

2051
01:52:46,470 --> 01:52:44,620
and it was love the sky soundless but it

2052
01:52:51,000 --> 01:52:46,480
blinked out and you hear about that

2053
01:52:54,210 --> 01:52:51,010
blinked out thing really we didn't see

2054
01:52:56,100 --> 01:52:54,220
this blink out but I mean it was when we

2055
01:52:58,140 --> 01:52:56,110
looked up it probably I mean that's a

2056
01:53:00,960 --> 01:52:58,150
good term because we looked up it was

2057
01:53:02,670 --> 01:53:00,970
gone so if we'd stayed looking at it

2058
01:53:06,930 --> 01:53:02,680
what may have happened it might have

2059
01:53:10,050 --> 01:53:06,940
blinked out I mean yeah sure you know it

2060
01:53:12,090 --> 01:53:10,060
very very but that's that's the God's

2061
01:53:14,939 --> 01:53:12,100
honest truth according to the way I

2062
01:53:17,790 --> 01:53:14,949
remember and that happened and we you

2063
01:53:21,600 --> 01:53:17,800

know but we never you know and I hear I

2064

01:53:24,600 --> 01:53:21,610

didn't know much about this then or much

2065

01:53:26,910 --> 01:53:24,610

about UFOs then but I never thought that

2066

01:53:29,220 --> 01:53:26,920

you know was there any time lost or

2067

01:53:31,620 --> 01:53:29,230

anything like that I don't know we got

2068

01:53:34,290 --> 01:53:31,630

home late who knows if we lost an hour

2069

01:53:36,450 --> 01:53:34,300

or two we get home after a skating party

2070

01:53:38,640 --> 01:53:36,460

at ten o'clock we were probably by the

2071

01:53:40,650 --> 01:53:38,650

time we walked home 10:30 left I didn't

2072

01:53:42,600 --> 01:53:40,660

check my clock when I went in I don't

2073

01:53:45,300 --> 01:53:42,610

know if we lost time or anything or not

2074

01:53:48,420 --> 01:53:45,310

I I don't remember you know I never had

2075

01:53:51,630 --> 01:53:48,430

that sensation but I never realized that

2076

01:53:53,610 --> 01:53:51,640

we never talked about it again it wasn't

2077

01:53:56,130 --> 01:53:53,620

like we were afraid to or didn't it was

2078

01:53:56,760 --> 01:53:56,140

almost like I'd forgotten it until I was

2079

01:53:59,220 --> 01:53:56,770

an adult

2080

01:54:01,979 --> 01:53:59,230

we never thought to mention it to each

2081

01:54:04,890 --> 01:54:01,989

other or anybody else ever again it

2082

01:54:06,510 --> 01:54:04,900

wasn't till my adult years that I

2083

01:54:08,729 --> 01:54:06,520

remembered it and started talking about

2084

01:54:11,340 --> 01:54:08,739

it when UFOs came up in conversation I'm

2085

01:54:13,110 --> 01:54:11,350

like oh yeah this happened but one more

2086

01:54:15,990 --> 01:54:13,120

question and they're going to wrap it up

2087

01:54:17,390 --> 01:54:16,000

here is did have you ever had another

2088

01:54:20,090 --> 01:54:17,400

sighting

2089

01:54:23,010 --> 01:54:20,100

yes but I'm pretty sure I knew it was

2090

01:54:25,560 --> 01:54:23,020

real quick my wife and I at the time

2091

01:54:29,189 --> 01:54:25,570

were near Fort Devens in mass and we

2092

01:54:32,250 --> 01:54:29,199

were going up 202 or 101 to an auction

2093

01:54:34,320 --> 01:54:32,260

and we saw this giant black claw in the

2094

01:54:36,840 --> 01:54:34,330

sky and by the time I said what's that

2095

01:54:38,700 --> 01:54:36,850

she went and that and they went by like

2096

01:54:40,650 --> 01:54:38,710

in the blink of an eye

2097

01:54:42,360 --> 01:54:40,660

so we told people they're like you're

2098

01:54:45,510 --> 01:54:42,370

crazy it looks like big giant black

2099

01:54:47,400 --> 01:54:45,520

claws three weeks later they started

2100

01:54:50,070 --> 01:54:47,410

breaking news stories about the stealth

2101
01:54:52,470 --> 01:54:50,080
bomber these things these would have

2102
01:54:55,110 --> 01:54:52,480
been going in the direction of like Fort

2103
01:54:57,959 --> 01:54:55,120
Devens yeah Devin's was known to test

2104
01:55:01,530 --> 01:54:57,969
things like that so I'm pretty sure that

2105
01:55:04,650 --> 01:55:01,540
those were the stealth bombers when they

2106
01:55:07,439 --> 01:55:04,660
sound less - but now that you know but

2107
01:55:10,890 --> 01:55:07,449
they I think that's but I've never seen

2108
01:55:13,410 --> 01:55:10,900
any other any anything like what I saw

2109
01:55:16,770 --> 01:55:13,420
that night again no no well hey well

2110
01:55:18,360 --> 01:55:16,780
well thanks so much yeah I'll continue

2111
01:55:20,130 --> 01:55:18,370
thanks for the opportunity yeah it was

2112
01:55:20,680 --> 01:55:20,140
good seeing you yesterday we actually

2113
01:55:23,200 --> 01:55:20,690

hung

2114

01:55:24,850 --> 01:55:23,210

yesterday for a little while but anyway

2115

01:55:26,709 --> 01:55:24,860

thanks so much and thanks for telling

2116

01:55:28,450 --> 01:55:26,719

your story I would like to have people

2117

01:55:30,370 --> 01:55:28,460

that have different stories and and this

2118

01:55:32,890 --> 01:55:30,380

is a good one and it's really great that

2119

01:55:34,810 --> 01:55:32,900

it actually rung home to someone that is

2120

01:55:38,530 --> 01:55:34,820

right you know right in the chat room

2121

01:55:39,370 --> 01:55:38,540

yeah I hope they keep closer I in the

2122

01:55:41,189 --> 01:55:39,380

chat room

2123

01:55:43,870 --> 01:55:41,199

I do watch it to listen to the shows

2124

01:55:45,520 --> 01:55:43,880

just about every show so hey thanks for

2125

01:55:47,260 --> 01:55:45,530

putting out a great podcast Marty we'll

2126
01:55:50,260 --> 01:55:47,270
catch up with you soon all right you bet

2127
01:55:51,970 --> 01:55:50,270
all right you take care so that's it for

2128
01:55:54,280 --> 01:55:51,980
the show I want to thank everyone for

2129
01:55:58,060 --> 01:55:54,290
helping out today

2130
01:56:00,850 --> 01:55:58,070
Alejandro Rojas with the news our guests

2131
01:56:03,729 --> 01:56:00,860
we had three of them and that is starts

2132
01:56:05,860 --> 01:56:03,739
out with Tom Reid then we have Randall

2133
01:56:08,709 --> 01:56:05,870
Nickerson he's actually live streaming

2134
01:56:10,330 --> 01:56:08,719
he wasn't actually an active guest but

2135
01:56:13,570 --> 01:56:10,340
hope you enjoyed that even though the

2136
01:56:15,430 --> 01:56:13,580
sound quality wasn't so good and then my

2137
01:56:17,560 --> 01:56:15,440
good friend Walt Kalinda down in

2138
01:56:19,870 --> 01:56:17,570

Gloucester mass you can hassle him by

2139

01:56:23,080 --> 01:56:19,880

going to his auction down there kpn

2140

01:56:25,979 --> 01:56:23,090

auctions and ask him what he thinks

2141

01:56:29,470 --> 01:56:25,989

about UFOs in front of all his customers

2142

01:56:32,170 --> 01:56:29,480

see what happens anyway thanks again and

2143

01:56:35,290 --> 01:56:32,180

a few more people to thank we have a

2144

01:56:39,070 --> 01:56:35,300

Peggy shunning for managing the Facebook
