

1
00:00:04,160 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:05,360 --> 00:00:04,170
triangle you know there's explanation

3
00:00:07,309 --> 00:00:05,370
for everything that occurred in the

4
00:00:09,410 --> 00:00:07,319
rendlesham forest incident that doesn't

5
00:00:13,190 --> 00:00:09,420
involve aliens at all it was completely

6
00:00:16,039 --> 00:00:13,200
silent it comes right over our head it's

7
00:00:17,660 --> 00:00:16,049
so a classic flying-saucer really

8
00:00:19,400 --> 00:00:17,670
standing in the clearing he turned over

9
00:00:20,689 --> 00:00:19,410
to my father and held his hand and he

10
00:00:27,380 --> 00:00:20,699
looked in his eyes and said we're not

11
00:00:30,290 --> 00:00:27,390
alone welcome to Podcast UFO for our

12
00:00:32,510 --> 00:00:30,300

abductees his own sighting and an

33

00:01:34,609 --> 00:01:30,829

interesting topic et's versus ghosts

34

00:01:36,410 --> 00:01:34,619

which may be proven first that sounds

35

00:01:38,870 --> 00:01:36,420

really interesting just so there's no

36

00:01:40,999 --> 00:01:38,880

confusion chip will be live in the

00:01:47,210 --> 00:01:45,390

questions feel free to well Tom wortman

40

00:01:49,880 --> 00:01:47,220

private link to iTunes and several other

50

00:02:16,920 --> 00:02:13,330

listening

51
00:02:21,870 --> 00:02:16,930
media that's it for me for now so what

52
00:02:24,170 --> 00:02:21,880
is going on alejandro well I am trying

53
00:02:26,340 --> 00:02:24,180
to determine whether or not my

54
00:02:29,550 --> 00:02:26,350
co-workers who have been accused of

55
00:02:32,220 --> 00:02:29,560
being reptilian aliens truly are because

56
00:02:35,460 --> 00:02:32,230
if I can prove that or at least convince

57
00:02:38,280 --> 00:02:35,470
myself of it I might be able to be on

58
00:02:41,070 --> 00:02:38,290
television I think you can convince

59
00:02:44,190 --> 00:02:41,080
yourself of it that's yeah that's the

60
00:02:48,330 --> 00:02:44,200
easy part yeah so tell me how does that

61
00:02:51,230 --> 00:02:48,340
work well I got this email from Go Go

62
00:02:57,300 --> 00:02:51,240
Luckey today and they are the people who

63
00:03:01,830 --> 00:02:57,310

do the show hangar 1 and disclosed vials

64

00:03:04,140 --> 00:03:01,840

some other goofy you fo sho I am I think

65

00:03:08,160 --> 00:03:04,150

the UFO shows these days are terrible

66

00:03:10,590 --> 00:03:08,170

personally but yeah they sent this weird

67

00:03:13,080 --> 00:03:10,600

email saying oh please we need someone

68

00:03:15,500 --> 00:03:13,090

who knows about aliens walking among us

69

00:03:19,530 --> 00:03:15,510

or reptilians walking among us

70

00:03:21,840 --> 00:03:19,540

immediately oh by Friday I I got

71

00:03:23,310 --> 00:03:21,850

something like this about but yeah I got

72

00:03:25,920 --> 00:03:23,320

something like this felt like a month

73

00:03:28,650 --> 00:03:25,930

ago and really yeah but didn't say

74

00:03:32,280 --> 00:03:28,660

reptilians it just said that aliens are

75

00:03:36,420 --> 00:03:32,290

walking among us type of yeah so so they

76

00:03:40,020 --> 00:03:36,430

need someone by friday so listeners if

77

00:03:42,090 --> 00:03:40,030

you feel add contact Alejandro Rojas

78

00:03:45,509 --> 00:03:42,100

said open minds no don't contact me

79

00:03:48,750 --> 00:03:45,519

contact Go Go Luckey just Google Go Go

80

00:03:51,390 --> 00:03:48,760

Luckey and email them and say oh I know

81

00:03:54,449 --> 00:03:51,400

all about it my neighbors are reptilians

82

00:03:56,910 --> 00:03:54,459

and then you'll go on TV and maybe

83

00:03:59,880 --> 00:03:56,920

you'll be famous hey speaking of you

84

00:04:02,520 --> 00:03:59,890

like honey boo boo hahaha the UFO shows

85

00:04:05,090 --> 00:04:02,530

that I tend to agree with you but Ben

86

00:04:08,100 --> 00:04:05,100

Hansen last time I spoke with him he was

87

00:04:10,410 --> 00:04:08,110

potentially starting a show that sound

88

00:04:13,470 --> 00:04:10,420

like it was going to be great have you

89

00:04:15,000 --> 00:04:13,480

heard of any movement on that no i'm not

90

00:04:16,949 --> 00:04:15,010

sure i think that was going to be by the

91

00:04:18,360 --> 00:04:16,959

smithsonian channel from what i

92

00:04:20,880 --> 00:04:18,370

understand that was going to air in

93

00:04:23,520 --> 00:04:20,890

canada first that's when i'm not sure if

94

00:04:26,170 --> 00:04:23,530

it's come to the stage yet but yeah I

95

00:04:28,930 --> 00:04:26,180

you know who knows it

96

00:04:30,640 --> 00:04:28,940

I've done a few TV shows you have done

97

00:04:33,969 --> 00:04:30,650

TV but in a different arena I suppose

98

00:04:35,950 --> 00:04:33,979

but you never know you know you go do

99

00:04:38,140 --> 00:04:35,960

the interview you feel great about it

100

00:04:41,200 --> 00:04:38,150

you're strutting around all who you know

101
00:04:44,230 --> 00:04:41,210
and then it airs and it's like Oh what

102
00:04:49,800 --> 00:04:44,240
did they do the Edit I did not say that

103
00:04:52,529 --> 00:04:49,810
and it's disappointing depressing and

104
00:04:55,180 --> 00:04:52,539
unfortunate that's how i feel about

105
00:04:57,730 --> 00:04:55,190
hangar 1 quite frankly in a number of

106
00:04:59,890 --> 00:04:57,740
the other shows so yeah so you never

107
00:05:01,629 --> 00:04:59,900
know and these days it gets into the

108
00:05:04,510 --> 00:05:01,639
editing and they just don't care about

109
00:05:08,680 --> 00:05:04,520
the facts they don't care about help the

110
00:05:10,719 --> 00:05:08,690
the true story in their reality programs

111
00:05:13,210 --> 00:05:10,729
and it's really unfortunate because I

112
00:05:15,700 --> 00:05:13,220
think in this field that the real

113
00:05:18,400 --> 00:05:15,710

stories and the real mysteries are so

114

00:05:21,370 --> 00:05:18,410

fascinating I you too yeah it's the

115

00:05:23,290 --> 00:05:21,380

fluff they want it they want if it's if

116

00:05:24,580 --> 00:05:23,300

it's a little boring to them they want

117

00:05:26,680 --> 00:05:24,590

to make it more exciting and that's

118

00:05:28,810 --> 00:05:26,690

that's all of it all his ratings really

119

00:05:31,420 --> 00:05:28,820

and the unfortunate part is they feel

120

00:05:36,310 --> 00:05:31,430

that their fiction that they make up is

121

00:05:38,710 --> 00:05:36,320

more exciting than the than the genuine

122

00:05:40,990 --> 00:05:38,720

mystery and they're often wrong I think

123

00:05:43,450 --> 00:05:41,000

and they're just too lazy to look into

124

00:05:46,330 --> 00:05:43,460

the facts and it's easier just to write

125

00:05:48,399 --> 00:05:46,340

the script before you even get your so

126

00:05:53,680 --> 00:05:48,409

called experts to come and say anything

127

00:05:56,680 --> 00:05:53,690

so I it's unfortunate and I feel the

128

00:05:59,980 --> 00:05:56,690

same you know happened with oh really in

129

00:06:04,629 --> 00:05:59,990

box oh that was chasing you up I

130

00:06:07,439 --> 00:06:04,639

actually because of james fox well i was

131

00:06:10,029 --> 00:06:07,449

in it but I also helped them a lot with

132

00:06:12,100 --> 00:06:10,039

developing episodes and getting in touch

133

00:06:16,659 --> 00:06:12,110

with people for months i was helping

134

00:06:18,339 --> 00:06:16,669

them and yeah James Fox and I and a Ben

135

00:06:20,379 --> 00:06:18,349

McGee and others felt that it would be

136

00:06:22,450 --> 00:06:20,389

better and unfortunately they did the

137

00:06:25,270 --> 00:06:22,460

same thing they just kind of destroyed

138

00:06:28,360 --> 00:06:25,280

it yep that's uh that's what i hear ya

139

00:06:30,790 --> 00:06:28,370

too bad yeah it is so what's happening

140

00:06:32,710 --> 00:06:30,800

with the news this week well here's

141

00:06:35,409 --> 00:06:32,720

something I never would have imagined

142

00:06:37,959 --> 00:06:35,419

you know Jason McClellan and I talked

143

00:06:39,730 --> 00:06:37,969

about the space news and and how we're

144

00:06:43,390 --> 00:06:39,740

getting so close all the time

145

00:06:46,150 --> 00:06:43,400

22 the discovery of life elsewhere you

146

00:06:48,400 --> 00:06:46,160

know mainstream science is getting so

147

00:06:50,770 --> 00:06:48,410

close and we get closer and closer new

148

00:06:52,749 --> 00:06:50,780

evidence all the time and this is new

149

00:06:55,360 --> 00:06:52,759

evidence that none of us could have even

150

00:06:57,700 --> 00:06:55,370

seen coming that is that you know as

151

00:07:01,050 --> 00:06:57,710

exciting as the rest and you probably

152

00:07:04,650 --> 00:07:01,060

heard of this but the Cassini spacecraft

153

00:07:09,939 --> 00:07:04,660

has made some discoveries around the

154

00:07:13,120 --> 00:07:09,949

moon Saturn's moon Saturn's moon

155

00:07:15,939 --> 00:07:13,130

Enceladus hmm and essentially ten years

156

00:07:17,559 --> 00:07:15,949

ago they noticed it had geysers and they

157

00:07:19,990 --> 00:07:17,569

thought wow that's interesting and they

158

00:07:22,390 --> 00:07:20,000

would they noted it in their notepad but

159

00:07:24,249 --> 00:07:22,400

now the Cassini spacecraft has been able

160

00:07:26,920 --> 00:07:24,259

to analyze what's been coming out of

161

00:07:29,770 --> 00:07:26,930

those geysers and essentially the makeup

162

00:07:32,559 --> 00:07:29,780

of the water and and well that's coming

163

00:07:35,350 --> 00:07:32,569

out of there they believe that it must

164

00:07:38,320 --> 00:07:35,360

be coming out of geysers that are at the

165

00:07:41,740 --> 00:07:38,330

sea floors of these vast oceans under

166

00:07:45,550 --> 00:07:41,750

the ice on this moon and that it's very

167

00:07:48,550 --> 00:07:45,560

one like 194 degrees at these vents

168

00:07:51,249 --> 00:07:48,560

these thermal vents and so the water is

169

00:07:54,399 --> 00:07:51,259

warm enough for life so you've got this

170

00:07:56,499 --> 00:07:54,409

water you know that that's there's an

171

00:07:59,709 --> 00:07:56,509

area of water there were we would be

172

00:08:02,110 --> 00:07:59,719

comfortable even really so I pretty

173

00:08:04,510 --> 00:08:02,120

exciting squid and plankton squirting

174

00:08:07,060 --> 00:08:04,520

out of the car sir there could be squid

175

00:08:10,809 --> 00:08:07,070

there could be plankton there could be a

176
00:08:12,659 --> 00:08:10,819
reptilian amphibious sort of intelligent

177
00:08:14,890 --> 00:08:12,669
creature that has developed

178
00:08:17,350 --> 00:08:14,900
civilizations and if they get here quick

179
00:08:20,830 --> 00:08:17,360
enough they could be on TV all right

180
00:08:23,110 --> 00:08:20,840
yeah they could so yet so this is

181
00:08:27,219 --> 00:08:23,120
exciting though just another big step

182
00:08:28,870 --> 00:08:27,229
towards the inevitable distillery and

183
00:08:31,330 --> 00:08:28,880
you know it's funny my son was telling

184
00:08:33,219 --> 00:08:31,340
me about this like I what was it like a

185
00:08:35,740 --> 00:08:33,229
week ago or something like that yeah

186
00:08:37,449 --> 00:08:35,750
this came out yeah that's pretty cool oh

187
00:08:39,639 --> 00:08:37,459
yeah that this came out yeah yeah it

188
00:08:42,250 --> 00:08:39,649

came out a few days ago so pretty

189

00:08:45,699 --> 00:08:42,260

exciting it is I don't I think we are

190

00:08:47,230 --> 00:08:45,709

creeping toward that fact mm-hmm I did

191

00:08:50,470 --> 00:08:47,240

have a conversation with Jason out in

192

00:08:53,720 --> 00:08:50,480

Phoenix about that yeah and he had a

193

00:08:55,970 --> 00:08:53,730

little non-committal about saying

194

00:08:58,340 --> 00:08:55,980

a hundred percent that he thought it was

195

00:09:00,319 --> 00:08:58,350

going to be this year oh really he we've

196

00:09:02,480 --> 00:09:00,329

got this bet well I think he said in the

197

00:09:04,189 --> 00:09:02,490

next two years but I thought his bet

198

00:09:06,470 --> 00:09:04,199

that you know he was saying within the

199

00:09:08,000 --> 00:09:06,480

next year yeah I think he was he was

200

00:09:10,610 --> 00:09:08,010

giving himself a little bit of wiggle

201
00:09:13,160 --> 00:09:10,620
room when I was he amended it okay well

202
00:09:14,960 --> 00:09:13,170
go two years ain't bad but that's still

203
00:09:16,759 --> 00:09:14,970
you know you got it if you got to be a

204
00:09:19,189 --> 00:09:16,769
man and stand by your numbers I think so

205
00:09:21,740 --> 00:09:19,199
it's not to give them a bit of cup for

206
00:09:24,250 --> 00:09:21,750
that I hope you do yeah all right so

207
00:09:27,410 --> 00:09:24,260
what else is going on Wow UFOs over

208
00:09:29,360 --> 00:09:27,420
Oklahoma City so this is exciting I

209
00:09:31,220 --> 00:09:29,370
don't know if you've seen this but this

210
00:09:34,340 --> 00:09:31,230
is you're creating a buzz out there yeah

211
00:09:38,720 --> 00:09:34,350
this is essentially the Morning News cam

212
00:09:40,819 --> 00:09:38,730
goes to their their video cam that's

213
00:09:43,189 --> 00:09:40,829

over a casino called grand casino

214

00:09:45,410 --> 00:09:43,199

outside of Oklahoma City and this is

215

00:09:46,699 --> 00:09:45,420

Oklahoma City News they look at they're

216

00:09:49,759 --> 00:09:46,709

looking at the traffic on the highway

217

00:09:52,639 --> 00:09:49,769

early in the morning and zip you see

218

00:09:55,730 --> 00:09:52,649

this little light quickly move in front

219

00:09:59,210 --> 00:09:55,740

of the camera will the newscast KO co

220

00:10:01,430 --> 00:09:59,220

Coco they didn't shy away from this they

221

00:10:03,800 --> 00:10:01,440

took that 13 seconds of this thing

222

00:10:06,710 --> 00:10:03,810

flying across they didn't reference it

223

00:10:09,230 --> 00:10:06,720

or seemingly notice it during the cast

224

00:10:11,569 --> 00:10:09,240

but they put it online and so people

225

00:10:13,400 --> 00:10:11,579

have been looking at it and speculating

226

00:10:15,819 --> 00:10:13,410

a lot of people have been saying you

227

00:10:19,370 --> 00:10:15,829

know maybe it's a bug maybe it's a bird

228

00:10:21,379 --> 00:10:19,380

the next day actually KO co went to the

229

00:10:23,600 --> 00:10:21,389

local college and asked a couple

230

00:10:26,090 --> 00:10:23,610

professors they believed it could be a

231

00:10:28,939 --> 00:10:26,100

small meteor like a meteorite like I

232

00:10:32,689 --> 00:10:28,949

even pea-sized meteorite zipping across

233

00:10:36,530 --> 00:10:32,699

but you know Mark Dantonio for instance

234

00:10:39,079 --> 00:10:36,540

today the photo analyst for move on he

235

00:10:42,530 --> 00:10:39,089

adamantly disagrees with that he says

236

00:10:44,750 --> 00:10:42,540

that's ridiculous because this for one

237

00:10:46,189 --> 00:10:44,760

thing you can see it like it you can see

238

00:10:49,480 --> 00:10:46,199

it when it's all the way down to the

239

00:10:52,850 --> 00:10:49,490

ground but it it doesn't streak like a

240

00:10:55,370 --> 00:10:52,860

meteor would you know the constant

241

00:10:57,500 --> 00:10:55,380

streak you see in person there's a one I

242

00:10:59,000 --> 00:10:57,510

don't think you can't see it go all the

243

00:11:01,069 --> 00:10:59,010

way to the ground or at least I don't

244

00:11:03,860 --> 00:11:01,079

know where you know you they will

245

00:11:05,540 --> 00:11:03,870

dissolve dates a little bit down near

246

00:11:07,440 --> 00:11:05,550

the ground if you watch it I saw this

247

00:11:09,450 --> 00:11:07,450

last Sunday and I watch it over and over

248

00:11:11,850 --> 00:11:09,460

and it looks like when it's heading down

249

00:11:13,380 --> 00:11:11,860

toward the ground it doesn't show that

250

00:11:15,060 --> 00:11:13,390

it's hitting the ground but it almost

251

00:11:16,860 --> 00:11:15,070

looks like it hesitates a little bit

252

00:11:19,680 --> 00:11:16,870

something's a little funny about the

253

00:11:22,590 --> 00:11:19,690

thing well what I think my theory

254

00:11:25,350 --> 00:11:22,600

personal theory is that it's a very low

255

00:11:27,750 --> 00:11:25,360

frames per second which is common for

256

00:11:31,890 --> 00:11:27,760

cameras like that because it saves on

257

00:11:34,860 --> 00:11:31,900

memory and so that's it so it looks kind

258

00:11:39,840 --> 00:11:34,870

of jittery and that at the end there's a

259

00:11:41,670 --> 00:11:39,850

dissolve into the next scene and so it

260

00:11:44,760 --> 00:11:41,680

looks like it's moving but it's just

261

00:11:47,310 --> 00:11:44,770

like the the dissolved function you know

262

00:11:49,320 --> 00:11:47,320

making it look weird so that's that's

263

00:11:51,270 --> 00:11:49,330

what I think I don't know but regardless

264

00:11:53,010 --> 00:11:51,280

that what was interesting is Mark wasn't

265

00:11:55,770 --> 00:11:53,020

sure what it was at first he thought it

266

00:11:58,500 --> 00:11:55,780

might be a meteorite but he in looking

267

00:12:00,960 --> 00:11:58,510

at it he totally does not think that any

268

00:12:03,360 --> 00:12:00,970

more however he took look at it on a

269

00:12:05,280 --> 00:12:03,370

really large screen and he says he

270

00:12:07,940 --> 00:12:05,290

thinks now it might be a bird that's

271

00:12:11,130 --> 00:12:07,950

illuminated by the nearby light but

272

00:12:12,930 --> 00:12:11,140

that's cute Lee it's not obvious what it

273

00:12:15,540 --> 00:12:12,940

is which just shows what an interesting

274

00:12:17,790 --> 00:12:15,550

video it is so people have to check that

275

00:12:21,390 --> 00:12:17,800

out I did draw the commune Oh

276

00:12:23,490 --> 00:12:21,400

similarities between it and a video that

277

00:12:25,380 --> 00:12:23,500

was taken on a drone in the Silicon

278

00:12:27,510 --> 00:12:25,390

Valley lately all that we talked about

279

00:12:30,360 --> 00:12:27,520

last week now how we talked about that

280

00:12:32,340 --> 00:12:30,370

last week that one is a more I think

281

00:12:36,150 --> 00:12:32,350

that one more looks more likely to be a

282

00:12:39,690 --> 00:12:36,160

bug but it's also a white object zipping

283

00:12:43,260 --> 00:12:39,700

by but yeah pretty interesting video it

284

00:12:45,660 --> 00:12:43,270

is it is and last but not least last but

285

00:12:49,200 --> 00:12:45,670

not least this is the big news out there

286

00:12:53,510 --> 00:12:49,210

which is Jimmy Kimmel talking to Obama

287

00:12:56,130 --> 00:12:53,520

about UFOs so this is a causing a lot of

288

00:12:59,430 --> 00:12:56,140

controversy of course as we of course it

289

00:13:01,740 --> 00:12:59,440

would but Jimmy Kimmel the day before

290

00:13:03,750 --> 00:13:01,750

this happened I at Bretton LA Times

291

00:13:05,880 --> 00:13:03,760

piece where he said I think I'm gonna

292

00:13:08,340 --> 00:13:05,890

ask Obama about UFOs just like i did

293

00:13:10,500 --> 00:13:08,350

with clinton and of course i got excited

294

00:13:12,810 --> 00:13:10,510

and was thinking why i hope he does and

295

00:13:15,150 --> 00:13:12,820

he did so just like he did with clinton

296

00:13:17,130 --> 00:13:15,160

he said you know if if i were to be

297

00:13:20,010 --> 00:13:17,140

president which he says he'd ever would

298

00:13:20,850 --> 00:13:20,020

become president the first thing he

299

00:13:23,700 --> 00:13:20,860

would do is

300

00:13:26,220 --> 00:13:23,710

run and to where the files about area 51

301
00:13:28,260 --> 00:13:26,230
and UFOs are because he really wants to

302
00:13:29,940 --> 00:13:28,270
find out President Obama said well

303
00:13:32,160 --> 00:13:29,950
that's why you're never going to be

304
00:13:34,980 --> 00:13:32,170
President is pretty funny but yeah it

305
00:13:37,680 --> 00:13:34,990
was really funny I thought so Jimmy

306
00:13:39,810 --> 00:13:37,690
Kimmel kept talking about this Obama

307
00:13:42,090 --> 00:13:39,820
essentially said that you know I can't

308
00:13:45,440 --> 00:13:42,100
tell you because the aliens won't let us

309
00:13:47,790 --> 00:13:45,450
they keep a strict control over us and

310
00:13:49,260 --> 00:13:47,800
Jimmy Kimmel said well you know Clinton

311
00:13:52,020 --> 00:13:49,270
said he looked into it and he didn't

312
00:13:54,570 --> 00:13:52,030
find out anything and that Obama said

313
00:13:56,640 --> 00:13:54,580

well that's what we're told to say so

314

00:13:58,200 --> 00:13:56,650

and at one point he said I can't reveal

315

00:14:02,070 --> 00:13:58,210

anything and they're laughing and he's

316

00:14:04,290 --> 00:14:02,080

joking I the entire time I sod is

317

00:14:07,110 --> 00:14:04,300

laughing and joking it seems like the

318

00:14:08,640 --> 00:14:07,120

majority of Americans or people around

319

00:14:10,260 --> 00:14:08,650

the world did feel that way but of

320

00:14:12,450 --> 00:14:10,270

course you do have a number of people

321

00:14:15,630 --> 00:14:12,460

who are like I can't believe you people

322

00:14:17,640 --> 00:14:15,640

think he's joking just he's telling the

323

00:14:19,740 --> 00:14:17,650

truth the aliens won't let him talk and

324

00:14:21,090 --> 00:14:19,750

that's what they're told to say and a

325

00:14:22,170 --> 00:14:21,100

lot of our colleagues a lot of people

326

00:14:24,900 --> 00:14:22,180

we've some of the people we've

327

00:14:27,630 --> 00:14:24,910

interviewed both of us and some of them

328

00:14:29,850 --> 00:14:27,640

that are more well-known who we may have

329

00:14:31,680 --> 00:14:29,860

interviewed often are coming out and

330

00:14:34,020 --> 00:14:31,690

saying yeah he's probably telling the

331

00:14:37,470 --> 00:14:34,030

truth you know just trying to make a

332

00:14:39,750 --> 00:14:37,480

joke of it so I don't know that's what

333

00:14:41,460 --> 00:14:39,760

happens in my story I also wrote about

334

00:14:43,070 --> 00:14:41,470

you know a similar situation that

335

00:14:45,960 --> 00:14:43,080

happened back in nineteen eighty-two

336

00:14:50,040 --> 00:14:45,970

when Steven Spielberg went to the White

337

00:14:51,900 --> 00:14:50,050

House to screen ET and with Ronald and

338

00:14:53,820 --> 00:14:51,910

Nancy Reagan and at the end Ronald

339

00:14:55,440 --> 00:14:53,830

Reagan stood up and said you know

340

00:14:58,110 --> 00:14:55,450

there's not many people who know just

341

00:15:01,020 --> 00:14:58,120

how real this is and everybody started

342

00:15:03,120 --> 00:15:01,030

laughing Spielberg has said himself he

343

00:15:05,970 --> 00:15:03,130

thinks Reagan was joking he's a

344

00:15:09,000 --> 00:15:05,980

ufologist and he hopes he was hoping you

345

00:15:11,040 --> 00:15:09,010

know he wishes he wasn't joking and it

346

00:15:12,720 --> 00:15:11,050

was real but that he was just joking but

347

00:15:14,640 --> 00:15:12,730

of course a lot of our fellow

348

00:15:18,510 --> 00:15:14,650

researchers in this case believe that

349

00:15:21,210 --> 00:15:18,520

Reagan was not joking as well so that's

350

00:15:23,040 --> 00:15:21,220

what happens well he many times I think

351

00:15:25,830 --> 00:15:23,050

like three times during his presidency

352

00:15:28,950 --> 00:15:25,840

he did say something along the lines

353

00:15:31,590 --> 00:15:28,960

with if we were being attacked by you

354

00:15:33,210 --> 00:15:31,600

know someone from another world we would

355

00:15:34,590 --> 00:15:33,220

all join together and actually Bill

356

00:15:36,180 --> 00:15:34,600

Clinton said the same thing

357

00:15:39,449 --> 00:15:36,190

jimmy kimmel you know a very similar

358

00:15:40,829 --> 00:15:39,459

thing right yeah so anyway what does

359

00:15:42,600 --> 00:15:40,839

that make you think what do you what do

360

00:15:45,629 --> 00:15:42,610

you think are you telling me you think

361

00:15:49,759 --> 00:15:45,639

which is fine i respect other opinions

362

00:15:53,400 --> 00:15:49,769

do you think Obama Clinton and Reagan

363

00:15:57,300 --> 00:15:53,410

are hiding something i I really don't

364

00:15:59,009 --> 00:15:57,310

know and I i really think that it if

365

00:16:01,350 --> 00:15:59,019

there was something to hide that the

366

00:16:03,360 --> 00:16:01,360

government is hiding that I think it's

367

00:16:07,470 --> 00:16:03,370

very possible that the government would

368

00:16:10,199 --> 00:16:07,480

not let the president know it's a need

369

00:16:13,470 --> 00:16:10,209

to non type a situation that something

370

00:16:16,680 --> 00:16:13,480

has yeah Clinton has said on this topic

371

00:16:20,850 --> 00:16:16,690

I wouldn't be the first president that

372

00:16:22,290 --> 00:16:20,860

career bureaucrats have lied to and it

373

00:16:25,470 --> 00:16:22,300

makes sense that if there is a project

374

00:16:28,430 --> 00:16:25,480

out there you know it would be a need to

375

00:16:30,329 --> 00:16:28,440

know and why would you tell the

376

00:16:33,860 --> 00:16:30,339

president you probably wouldn't want to

377

00:16:37,530 --> 00:16:33,870

tell any politician yeah that's so true

378

00:16:39,960 --> 00:16:37,540

well hey this has been fun and I could

379

00:16:41,340 --> 00:16:39,970

go on and on forever about this but it

380

00:16:44,280 --> 00:16:41,350

really should problem the guests do a

381

00:16:47,879 --> 00:16:44,290

little bit of talking yeah well if you

382

00:16:51,329 --> 00:16:47,889

want all right whatever kick me to the

383

00:16:53,220 --> 00:16:51,339

curb just until next week all right

384

00:16:56,610 --> 00:16:53,230

thanks a lot and will be talk to you

385

00:16:58,050 --> 00:16:56,620

next week okay talk to you next week so

386

00:17:38,230 --> 00:16:58,060

hang in for the music clip we'll be

387

00:17:44,720 --> 00:17:42,440

Tom wortman how are you I'm great how

388

00:17:47,630 --> 00:17:44,730

are you did great and thanks for joining

389

00:17:49,780 --> 00:17:47,640

us for the show I did mention earlier in

390

00:17:52,100 --> 00:17:49,790

the monologue that this is pre-recorded

391

00:17:54,410 --> 00:17:52,110

because of their the schedules just

392

00:17:57,590 --> 00:17:54,420

didn't work but I'm actually the very

393

00:18:00,980 --> 00:17:57,600

first listener to this podcast Scott you

394

00:18:02,630 --> 00:18:00,990

did meet him at when he ER talks out

395

00:18:05,540 --> 00:18:02,640

there and he suggested to have you on

396

00:18:07,670 --> 00:18:05,550

and here you are how about that we

397

00:18:10,240 --> 00:18:07,680

mentioned Scott and we kind of talked a

398

00:18:14,330 --> 00:18:10,250

little about is switching about spatens a

399

00:18:16,220 --> 00:18:14,340

wonderful gentleman on there and I mean

400

00:18:18,530 --> 00:18:16,230

he was very much into the faculty of

401
00:18:20,750 --> 00:18:18,540
that night and I appreciate him you know

402
00:18:23,870 --> 00:18:20,760
giving you my contact information on me

403
00:18:26,990 --> 00:18:23,880
yeah we know Scott by the mega beardy

404
00:18:29,210 --> 00:18:27,000
has is a really lovely other though yeah

405
00:18:34,420 --> 00:18:29,220
but that was an easy identification when

406
00:18:36,950 --> 00:18:34,430
you pointed that out so Tom who are you

407
00:18:39,440 --> 00:18:36,960
well the listening audience who you are

408
00:18:41,480 --> 00:18:39,450
I know you have a number of titles but

409
00:18:43,670 --> 00:18:41,490
you one of the things I did read about

410
00:18:46,700 --> 00:18:43,680
you is you and I kind of share the same

411
00:18:48,920 --> 00:18:46,710
interest in science so I like that about

412
00:18:52,940 --> 00:18:48,930
you and I go ahead and tell the

413
00:18:54,530 --> 00:18:52,950

listening audience who you are well my

414

00:18:57,200 --> 00:18:54,540

name is Tom Morgan a honey sweet

415

00:19:01,880 --> 00:18:57,210

director for mutual UFO network for Ohio

416

00:19:05,300 --> 00:19:01,890

I'm also remember the star team for move

417

00:19:07,760 --> 00:19:05,310

on itself and also part of the case

418

00:19:09,860 --> 00:19:07,770

assessment which works with doing

419

00:19:12,640 --> 00:19:09,870

international places investigations out

420

00:19:15,500 --> 00:19:12,650

there this is something that you know

421

00:19:17,780 --> 00:19:15,510

when I got into this is just when I

422

00:19:21,350 --> 00:19:17,790

phone with like photo 6 that's specially

423

00:19:23,510 --> 00:19:21,360

inscribed because you know we bust our

424

00:19:25,580 --> 00:19:23,520

hind ends for how many years now like

425

00:19:28,130 --> 00:19:25,590

I'm I'm Greg non-book I'm 60 years old

426

00:19:31,550 --> 00:19:28,140

and I'm thinking I've worked behind it

427

00:19:33,860 --> 00:19:31,560

off for 42 years you raise a family you

428

00:19:35,660 --> 00:19:33,870

raise the kids you type in the chase to

429

00:19:39,050 --> 00:19:35,670

quit value help model all these years

430

00:19:41,870 --> 00:19:39,060

put them off to their study and now the

431

00:19:42,690 --> 00:19:41,880

sudden you hit in midlife crisis and its

432

00:19:45,480 --> 00:19:42,700

kind of man

433

00:19:47,460 --> 00:19:45,490

which roots in wheaton and what i want

434

00:19:49,830 --> 00:19:47,470

to that realization like supplement this

435

00:19:53,100 --> 00:19:49,840

is male logical i want to experience

436

00:19:55,620 --> 00:19:53,110

changes one ways i always ask about if I

437

00:19:58,380 --> 00:19:55,630

said you know I work could have a

438

00:20:00,570 --> 00:19:58,390

Corvette and she said he can deploy

439

00:20:02,580 --> 00:20:00,580

venison practically we've got kids I

440

00:20:06,300 --> 00:20:02,590

said kid you only one giving in fact

441

00:20:08,250 --> 00:20:06,310

Galloway that I want to bet well she's

442

00:20:10,530 --> 00:20:08,260

blonde and the veteran garage nothing

443

00:20:13,020 --> 00:20:10,540

yeah that's another thing that happens

444

00:20:15,540 --> 00:20:13,030

in life with some of us too well she

445

00:20:16,890 --> 00:20:15,550

showed me sentia that's way more than

446

00:20:20,100 --> 00:20:16,900

that logic number two you know male

447

00:20:21,600 --> 00:20:20,110

logic number two was I got with a

448

00:20:23,670 --> 00:20:21,610

motorcycle not long after you get

449

00:20:24,990 --> 00:20:23,680

married there goes to Harley and the

450

00:20:27,660 --> 00:20:25,000

guys out here probably listen to

451
00:20:29,070 --> 00:20:27,670
children make a triple Harley what type

452
00:20:31,560 --> 00:20:29,080
of video are you coming should be at

453
00:20:33,870 --> 00:20:31,570
Littleford to eternally you know well

454
00:20:35,340 --> 00:20:33,880
again like I said she's gone so the

455
00:20:37,050 --> 00:20:35,350
motor type of mounted garage to keep the

456
00:20:39,720 --> 00:20:37,060
cord the accompanist again not just male

457
00:20:43,620 --> 00:20:39,730
logic but when we cleared the label as i

458
00:20:45,390 --> 00:20:43,630
said be noisy as all these years I've

459
00:20:49,050 --> 00:20:45,400
we're talking earlier when we both had

460
00:20:53,040 --> 00:20:49,060
similar errors and ethology and mine

461
00:20:54,600 --> 00:20:53,050
started back in mid-may intensities i'm

462
00:20:58,290 --> 00:20:54,610
going to get my book of the month club

463
00:21:02,250 --> 00:20:58,300

and construe it 11 i think a cosmic

464

00:21:04,410 --> 00:21:02,260

aguanto bit like 35 to 50 cents to buy

465

00:21:08,280 --> 00:21:04,420

Frank Edwards flying saucer serious

466

00:21:10,530 --> 00:21:08,290

business then when I would that work it

467

00:21:13,650 --> 00:21:10,540

was my first book that nature I was

468

00:21:16,740 --> 00:21:13,660

taught and I went back looking from the

469

00:21:19,410 --> 00:21:16,750

back I mean I've notable a scrimmage and

470

00:21:22,140 --> 00:21:19,420

I remember it even as a kid making notes

471

00:21:25,740 --> 00:21:22,150

in the margins on my thoughts about

472

00:21:27,150 --> 00:21:25,750

different topics in presented until then

473

00:21:30,420 --> 00:21:27,160

one of those in particular there's a

474

00:21:32,880 --> 00:21:30,430

photograph from mcminnville boy them oh

475

00:21:34,470 --> 00:21:32,890

yes yeah and I was a kid I remember

476
00:21:36,560 --> 00:21:34,480
looking at full breath a little evidence

477
00:21:38,810 --> 00:21:36,570
saying about those dividers but Sam

478
00:21:41,280 --> 00:21:38,820
where is the strands don't see you at

479
00:21:44,370 --> 00:21:41,290
and i just made a note in a marquee

480
00:21:46,440 --> 00:21:44,380
saying i got a little bit and here to

481
00:21:49,050 --> 00:21:46,450
this way that photographs those hands up

482
00:21:51,990 --> 00:21:49,060
is one of the best right photographs on

483
00:21:55,110 --> 00:21:52,000
UFOs mmhmm yeah so they even have a

484
00:21:56,400 --> 00:21:55,120
festival out there once a year exactly

485
00:21:59,340 --> 00:21:56,410
and I've never been there

486
00:22:00,900 --> 00:21:59,350
something that you really love to do but

487
00:22:03,510 --> 00:22:00,910
that was where I kind of started them

488
00:22:05,910 --> 00:22:03,520

well then I kept saying that we go on

489

00:22:08,130 --> 00:22:05,920

and raise a family and we're not about

490

00:22:11,250 --> 00:22:08,140

two degrees I've got a bachelor's in

491

00:22:13,680 --> 00:22:11,260

business specialized in HR and also at a

492

00:22:16,500 --> 00:22:13,690

master's in education and I've been

493

00:22:20,580 --> 00:22:16,510

involved involved on education for this

494

00:22:23,400 --> 00:22:20,590

is going on 33 years further they say

495

00:22:25,830 --> 00:22:23,410

now it's meantime then I also see you

496

00:22:28,340 --> 00:22:25,840

know some things I've been involved with

497

00:22:30,810 --> 00:22:28,350

its field as vicious a synchronicity

498

00:22:35,970 --> 00:22:30,820

well things happen for a certain reason

499

00:22:38,190 --> 00:22:35,980

and when I got this idea to them start

500

00:22:41,490 --> 00:22:38,200

you're pursuing my career in us back

501
00:22:44,760 --> 00:22:41,500
mythology I start wonderful anybody who

502
00:22:46,290 --> 00:22:44,770
does this stuff then I just have to be

503
00:22:50,340 --> 00:22:46,300
listening to another radiators for that

504
00:22:52,080 --> 00:22:50,350
night was discussing UFOs and I long

505
00:22:55,340 --> 00:22:52,090
internet did a google search and I found

506
00:22:57,900 --> 00:22:55,350
a group called the Queen ecology project

507
00:23:00,060 --> 00:22:57,910
the wake of plane is being loaded smooth

508
00:23:04,290 --> 00:23:00,070
mattress no matter the patrol founded

509
00:23:06,150 --> 00:23:04,300
1952 and have been meeting ever since by

510
00:23:08,130 --> 00:23:06,160
the one of the first meeting and here's

511
00:23:11,160 --> 00:23:08,140
the synchronicity but was their first

512
00:23:12,840 --> 00:23:11,170
movie was only two miles more live then

513
00:23:17,580 --> 00:23:12,850

it was like two days after I found on

514

00:23:19,410 --> 00:23:17,590

the Internet I became a member i started

515

00:23:21,570 --> 00:23:19,420

taking be involved northcote group and

516

00:23:23,340 --> 00:23:21,580

that was the same time miss you know

517

00:23:25,770 --> 00:23:23,350

this because a lot of general at new

518

00:23:27,320 --> 00:23:25,780

stuff they're very good at it you've got

519

00:23:30,450 --> 00:23:27,330

some great people in the organization

520

00:23:32,490 --> 00:23:30,460

but one of the following and that's why

521

00:23:34,920 --> 00:23:32,500

i found move on and then that certified

522

00:23:37,680 --> 00:23:34,930

as a field investigator and started

523

00:23:39,930 --> 00:23:37,690

doing investigations then from that

524

00:23:43,260 --> 00:23:39,940

start roughly of almost six years ago

525

00:23:47,640 --> 00:23:43,270

now I've done I think maybe often I hit

526

00:23:50,390 --> 00:23:47,650

600 cases investigations and several

527

00:23:52,770 --> 00:23:50,400

other those had actually been in Canada

528

00:23:55,890 --> 00:23:52,780

and Letty came to many construction

529

00:23:56,910 --> 00:23:55,900

guidance and photographing safer and I

530

00:23:59,220 --> 00:23:56,920

found it when I started doing

531

00:24:01,620 --> 00:23:59,230

investigations number one I have to talk

532

00:24:06,090 --> 00:24:01,630

to people because they're seeing things

533

00:24:07,379 --> 00:24:06,100

they can't explain reality probably

534

00:24:09,749 --> 00:24:07,389

eighty percent

535

00:24:12,690 --> 00:24:09,759

can be explained out there and as I got

536

00:24:15,479 --> 00:24:12,700

involved with us are becoming more adept

537

00:24:18,239 --> 00:24:15,489

investigation skills I'm very computer

538

00:24:21,979 --> 00:24:18,249

iterate I start expanding when schools

539

00:24:25,560 --> 00:24:21,989

we can do an analysis and investigations

540

00:24:27,719 --> 00:24:25,570

and over these years I've had some real

541

00:24:31,049 --> 00:24:27,729

gems and investigations have just jumped

542

00:24:32,729 --> 00:24:31,059

out and I expect me to open its at some

543

00:24:35,310 --> 00:24:32,739

times by turn over a hundred cases

544

00:24:38,430 --> 00:24:35,320

before we find out done Jim a triangular

545

00:24:41,159 --> 00:24:38,440

hooded rocks but when you find that

546

00:24:44,129 --> 00:24:41,169

dream out there it makes going through

547

00:24:46,289 --> 00:24:44,139

hundred days is worth it I bet someone's

548

00:24:47,759 --> 00:24:46,299

people can we talk about some of those

549

00:24:49,759 --> 00:24:47,769

gems we don't have to right now you can

550

00:24:52,459 --> 00:24:49,769

keep keep going if you'd like but I

551
00:24:55,139 --> 00:24:52,469
would love to hear about those gems

552
00:24:57,739 --> 00:24:55,149
anytime you like I mean we're ones well

553
00:25:02,339 --> 00:24:57,749
actually two of them kind of stand up

554
00:25:04,769 --> 00:25:02,349
and one of the cases it stands out was

555
00:25:06,449 --> 00:25:04,779
one who had happened go to hell but i

556
00:25:09,599 --> 00:25:06,459
received a phone call the home run

557
00:25:13,859 --> 00:25:09,609
afternoon that was from greg lame who's

558
00:25:17,099 --> 00:25:13,869
in charge at have done cases for who is

559
00:25:19,310 --> 00:25:17,109
personal to start taking early response

560
00:25:22,469 --> 00:25:19,320
team and he notified me that there's a

561
00:25:24,539 --> 00:25:22,479
instant where two gentlemen bound in

562
00:25:27,029 --> 00:25:24,549
southern ohio in the state park called

563
00:25:30,239 --> 00:25:27,039

salt fork had had experience with

564

00:25:32,879 --> 00:25:30,249

missing honey the gentleman the doorman

565

00:25:36,209 --> 00:25:32,889

all night fishing trip they were bout an

566

00:25:39,060 --> 00:25:36,219

evening or friday evening and it was

567

00:25:41,099 --> 00:25:39,070

early Saturday morning that the discover

568

00:25:45,329 --> 00:25:41,109

debate with three and a half hours of

569

00:25:46,649 --> 00:25:45,339

time they couldnt explaining and will

570

00:25:50,310 --> 00:25:46,659

not i got the phone call that I

571

00:25:51,869 --> 00:25:50,320

immediatly called the witnesses up the

572

00:25:53,879 --> 00:25:51,879

part of the witness that background

573

00:25:56,519 --> 00:25:53,889

information on the witnesses battle

574

00:25:59,010 --> 00:25:56,529

winners or authorities another than 19

575

00:26:07,230 --> 00:26:02,160

very nice individual on the phone and

576

00:26:08,940 --> 00:26:07,240

what it is I taught the senior team will

577

00:26:11,040 --> 00:26:08,950

be getting Vulcan to go right back into

578

00:26:15,500 --> 00:26:11,050

a vicious a base for the Lions done at

579

00:26:18,180 --> 00:26:15,510

night they'd gotten in that house

580

00:26:20,490 --> 00:26:18,190

sometimes early morning then why talk to

581

00:26:24,330 --> 00:26:20,500

me Aquaman his record right around that

582

00:26:25,860 --> 00:26:24,340

turn out in the quad I halka require men

583

00:26:28,440 --> 00:26:25,870

and I had to drive and a southern Ohio

584

00:26:31,230 --> 00:26:28,450

then we got back down to that evening

585

00:26:35,100 --> 00:26:31,240

and the men traced all we went to the

586

00:26:38,670 --> 00:26:35,110

head it was a really big case because

587

00:26:41,360 --> 00:26:38,680

it's really work they were setting law

588

00:26:43,770 --> 00:26:41,370

of am a lake down there called sulfur

589

00:26:47,460 --> 00:26:43,780

and they had their fishing poles in the

590

00:26:49,410 --> 00:26:47,470

water family this past Sonny back you

591

00:26:51,510 --> 00:26:49,420

know rebating the books every half hour

592

00:26:53,850 --> 00:26:51,520

they're going back and putting women to

593

00:26:55,830 --> 00:26:53,860

fire every half hour and even when as

594

00:26:58,890 --> 00:26:55,840

far as playing a game of each other so

595

00:27:00,900 --> 00:26:58,900

you know we've got to me that minutes

596

00:27:02,220 --> 00:27:00,910

left before we have to go back and put

597

00:27:04,890 --> 00:27:02,230

them to fire and they were dressed

598

00:27:07,860 --> 00:27:04,900

herself closer to come to exactly one

599

00:27:09,540 --> 00:27:07,870

half of an hour so they'd been doing

600

00:27:12,780 --> 00:27:09,550

that not just at night but other night

601
00:27:14,640 --> 00:27:12,790
previous weapon and have gone fishing it

602
00:27:17,970 --> 00:27:14,650
was proximate about ten-thirty when they

603
00:27:20,760 --> 00:27:17,980
sell first of lights to the north Kevin

604
00:27:23,460 --> 00:27:20,770
above a tree line there Washington for a

605
00:27:25,470 --> 00:27:23,470
short time and then he went back to

606
00:27:29,610 --> 00:27:25,480
fishing kind of them disregarded the

607
00:27:32,250 --> 00:27:29,620
lights of exceed at eleven-thirty lights

608
00:27:34,670 --> 00:27:32,260
come back again there are hovering back

609
00:27:39,270 --> 00:27:34,680
and forth along the same tree line area

610
00:27:41,960 --> 00:27:39,280
very bright but in this case it was a

611
00:27:44,160 --> 00:27:41,970
weather is much lighter normal start

612
00:27:47,580 --> 00:27:44,170
almost like a sea may be that the

613
00:27:50,250 --> 00:27:47,590

aircraft was right on top of them when i

614

00:27:52,710 --> 00:27:50,260

did my initial investigation that same

615

00:27:54,690 --> 00:27:52,720

day there were people aircraft but not

616

00:28:01,880 --> 00:27:54,700

in that same exact location early

617

00:28:03,870 --> 00:28:01,890

describing about 140 in the morning we

618

00:28:06,420 --> 00:28:03,880

remembered hearing about the worst

619

00:28:08,460 --> 00:28:06,430

shrill voice and it's your boy sound

620

00:28:10,650 --> 00:28:08,470

almost female though that company

621

00:28:11,690 --> 00:28:10,660

started getting spooked here two

622

00:28:13,669 --> 00:28:11,700

gentlemen we've been

623

00:28:18,110 --> 00:28:13,679

officially the same location not just

624

00:28:19,669 --> 00:28:18,120

once but they had probably a thousand

625

00:28:23,930 --> 00:28:19,679

hours fisherman more at that same

626

00:28:25,610 --> 00:28:23,940

location so in that area inside no well

627

00:28:27,200 --> 00:28:25,620

it would scoop from the mother they

628

00:28:29,930 --> 00:28:27,210

almost happened acquired weapon they're

629

00:28:34,070 --> 00:28:29,940

actually the trépanier where they

630

00:28:35,629 --> 00:28:34,080

studied and one of john was up to

631

00:28:39,740 --> 00:28:35,639

younger women I tomorrow but waiting as

632

00:28:43,850 --> 00:28:39,750

well and the next thing they remembered

633

00:28:46,990 --> 00:28:43,860

was the 30-some world look it was a cell

634

00:28:52,610 --> 00:28:47,000

phone and said they do not go believe it

635

00:28:56,000 --> 00:28:52,620

was what goes 519 in the morning so they

636

00:28:59,899 --> 00:28:56,010

don't remember anything from them 3205

637

00:29:01,639 --> 00:28:59,909

19 morning and they said first of all

638

00:29:03,769 --> 00:29:01,649

the nitrile would never stood by us

639

00:29:07,250 --> 00:29:03,779

fishing line for three and a half hour

640

00:29:08,930 --> 00:29:07,260

three hours 45 minutes without makeup

641

00:29:11,750 --> 00:29:08,940

doing something else maybe even do some

642

00:29:13,789 --> 00:29:11,760

outside their time also family members

643

00:29:16,570 --> 00:29:13,799

that had been doing phone calls back and

644

00:29:19,279 --> 00:29:16,580

forth for the life of your friend and

645

00:29:22,100 --> 00:29:19,289

they're out of contact for that same

646

00:29:27,259 --> 00:29:22,110

time frame morning and it did have soft

647

00:29:28,940 --> 00:29:27,269

on its with such an evil erect glad

648

00:29:31,430 --> 00:29:28,950

Lightwood went back to retrace your

649

00:29:33,440 --> 00:29:31,440

entire slips but I important when I did

650

00:29:35,419 --> 00:29:33,450

the investigation they showed me said

651
00:29:36,889 --> 00:29:35,429
yeah we've got a coil here I popped the

652
00:29:39,259 --> 00:29:36,899
cooler open looking for you have to

653
00:29:42,799 --> 00:29:39,269
enjoy alcohol nothing like that bra

654
00:29:44,450 --> 00:29:42,809
party I checked it in a hand there's no

655
00:29:47,090 --> 00:29:44,460
sign to me or anything else would have

656
00:29:50,779 --> 00:29:47,100
affected that laughter client monitored

657
00:29:52,310 --> 00:29:50,789
by our he no other methods we walk the

658
00:29:54,850 --> 00:29:52,320
whole region down here to show me what

659
00:29:59,029 --> 00:29:54,860
has been after he faced all their steps

660
00:30:02,000 --> 00:29:59,039
then they were extremely scared that's

661
00:30:03,710 --> 00:30:02,010
what he described it the 19 year old was

662
00:30:05,570 --> 00:30:03,720
kind of like almost like acting that

663
00:30:08,539 --> 00:30:05,580

Bernie fighting his way I donated seat

664

00:30:11,720 --> 00:30:08,549

and you have a soundy burden lips he was

665

00:30:13,399 --> 00:30:11,730

just jumping all over the place and what

666

00:30:15,680 --> 00:30:13,409

I didn't tell them is that night when we

667

00:30:19,100 --> 00:30:15,690

were walking around at one time when

668

00:30:21,460 --> 00:30:19,110

they reacted I'm normally very easygoing

669

00:30:24,780 --> 00:30:21,470

that it puts a lot to get me pee my

670

00:30:27,720 --> 00:30:24,790

attention like that but wonder noise is

671

00:30:30,540 --> 00:30:27,730

varied off in the distance I sense

672

00:30:32,910 --> 00:30:30,550

something myself in that direction the

673

00:30:35,790 --> 00:30:32,920

ones i say sensitives that I'd have have

674

00:30:39,840 --> 00:30:35,800

some experiences from doing these

675

00:30:42,930 --> 00:30:39,850

investigations where I felt a presence

676

00:30:45,810 --> 00:30:42,940

or felt some maybe energy often a

677

00:30:49,560 --> 00:30:45,820

distance or energies around and I felt

678

00:30:52,710 --> 00:30:49,570

like an energy often one distance but

679

00:30:54,650 --> 00:30:52,720

acted like nothing happened we finished

680

00:30:57,390 --> 00:30:54,660

out going for the investigation at night

681

00:31:00,660 --> 00:30:57,400

I've accepted either those that they had

682

00:31:04,170 --> 00:31:00,670

which I bet have being researched

683

00:31:06,240 --> 00:31:04,180

analyzed and the belly didn't tell them

684

00:31:09,060 --> 00:31:06,250

is that following week I went back down

685

00:31:10,560 --> 00:31:09,070

myself about feeling a moment and when

686

00:31:13,400 --> 00:31:10,570

the first I'll see if they were down

687

00:31:15,540 --> 00:31:13,410

there at that time which they weren't

688

00:31:18,150 --> 00:31:15,550

secondly I wanted to take and basically

689

00:31:23,040 --> 00:31:18,160

retrace their such as social climbers oh

690

00:31:24,600 --> 00:31:23,050

I put the Gator there and you're going

691

00:31:26,340 --> 00:31:24,610

to present walking around i took the

692

00:31:28,950 --> 00:31:26,350

typical instruments investigated abused

693

00:31:31,620 --> 00:31:28,960

I didn't pick up any magnetic anomalies

694

00:31:34,410 --> 00:31:31,630

I didn't pick any unusual fluids up or

695

00:31:37,950 --> 00:31:34,420

nothing like that but I was walking

696

00:31:39,810 --> 00:31:37,960

around the region or there that but I

697

00:31:42,840 --> 00:31:39,820

started walking around at the merits or

698

00:31:45,750 --> 00:31:42,850

the Walkman was the part when I hit one

699

00:31:48,210 --> 00:31:45,760

spot but look at samantha's my hand and

700

00:31:50,880 --> 00:31:48,220

against completely black completely dark

701
00:31:53,610 --> 00:31:50,890
got almost no ambient light just a

702
00:31:55,830 --> 00:31:53,620
little tiny flashlight i had my him and

703
00:31:59,220 --> 00:31:55,840
also when he hit one spot I sent

704
00:32:02,370 --> 00:31:59,230
something I felt and energy and I said

705
00:32:04,320 --> 00:32:02,380
whatever it was was here and I looked

706
00:32:07,380 --> 00:32:04,330
down I was standing in a impression of

707
00:32:11,700 --> 00:32:07,390
her dress barely same size as my

708
00:32:13,370 --> 00:32:11,710
shoulders and it was the only spot where

709
00:32:17,010 --> 00:32:13,380
you could see that the same type of

710
00:32:20,190 --> 00:32:17,020
damage the West but I just felt

711
00:32:23,970 --> 00:32:20,200
something was there since that time I've

712
00:32:25,830 --> 00:32:23,980
had contact with dopamine before weeks

713
00:32:28,860 --> 00:32:25,840

after he meant the 40 some world would

714

00:32:30,060 --> 00:32:28,870

swell extremely nervous he said for a

715

00:32:32,610 --> 00:32:30,070

number nights and everyone out of the

716

00:32:34,800 --> 00:32:32,620

house after dark there's a matter of

717

00:32:36,820 --> 00:32:34,810

fact the nineteen-year-old stayed at the

718

00:32:40,930 --> 00:32:36,830

hall from the via 30 somewhere

719

00:32:43,090 --> 00:32:40,940

there's another family group and they

720

00:32:44,470 --> 00:32:43,100

basically all slept in the same room has

721

00:32:45,880 --> 00:32:44,480

been the life of the four runs everybody

722

00:32:49,330 --> 00:32:45,890

stay in the same limpid Rafael you

723

00:32:52,180 --> 00:32:49,340

scared but not wear something that fact

724

00:32:53,799 --> 00:32:52,190

that individual out so bad they went

725

00:32:56,169 --> 00:32:53,809

about night on whose construction worker

726

00:32:58,659 --> 00:32:56,179

he also was trained in martial arts I

727

00:33:01,750 --> 00:32:58,669

can dance instructor I turned to my legs

728

00:33:05,320 --> 00:33:01,760

myself well I mean there was no reason

729

00:33:07,570 --> 00:33:05,330

he should have been that's shaken up but

730

00:33:10,180 --> 00:33:07,580

whatever happens when left an impression

731

00:33:12,340 --> 00:33:10,190

of even we've talked to a cadet claim

732

00:33:16,180 --> 00:33:12,350

they would still extremely bothers you

733

00:33:19,180 --> 00:33:16,190

because he doesn't split with UFO voting

734

00:33:21,669 --> 00:33:19,190

suppose I missed three hours and 45

735

00:33:22,779 --> 00:33:21,679

minutes basis I cannot explain and I

736

00:33:25,330 --> 00:33:22,789

don't look you wouldn't happen either

737

00:33:27,430 --> 00:33:25,340

once they don't remember anything on

738

00:33:31,180 --> 00:33:27,440

time frame I could certainly see why

739

00:33:33,159 --> 00:33:31,190

that's scary now this is kind of

740

00:33:36,669 --> 00:33:33,169

interesting because this is now the

741

00:33:40,480 --> 00:33:36,679

third story that I've heard when someone

742

00:33:44,110 --> 00:33:40,490

was fishing there was that famous one

743

00:33:49,419 --> 00:33:44,120

down and want to say Louisiana and I had

744

00:33:51,970 --> 00:33:49,429

the gentleman on the show where the

745

00:33:54,850 --> 00:33:51,980

supposed alien had like cones coming out

746

00:33:57,340 --> 00:33:54,860

of their head just I'm just drawing a

747

00:33:59,769 --> 00:33:57,350

blank on who that is not really nice guy

748

00:34:01,840 --> 00:33:59,779

and then of course the allagash incident

749

00:34:05,710 --> 00:34:01,850

when they were outfitting in their canoe

750

00:34:09,210 --> 00:34:05,720

so caution to everyone going fishing

751

00:34:12,190 --> 00:34:09,220

look out not exactly especially

752

00:34:15,760 --> 00:34:12,200

especially literally state park all

753

00:34:17,379 --> 00:34:15,770

right long yeah it's funny about parks

754

00:34:19,839 --> 00:34:17,389

you know you hear a lot of things about

755

00:34:21,310 --> 00:34:19,849

parks people missing and all kinds of

756

00:34:24,810 --> 00:34:21,320

weird stuff have you been in touch with

757

00:34:27,730 --> 00:34:24,820

these people since and talked about this

758

00:34:29,800 --> 00:34:27,740

week singh gmail is not long ago over

759

00:34:33,639 --> 00:34:29,810

the Sun I've had to close up being

760

00:34:35,379 --> 00:34:33,649

reviewed being looked at and we did find

761

00:34:38,619 --> 00:34:35,389

some materials on the clothes that we

762

00:34:40,119 --> 00:34:38,629

will close for investigation and they

763

00:34:42,339 --> 00:34:40,129

didn't really comment about their

764

00:34:46,180 --> 00:34:42,349

condition right now but I can tell that

765

00:34:49,129 --> 00:34:46,190

we the older gentleman is still upset

766

00:34:52,500 --> 00:34:49,139

then the correspondence on Windows 8

767

00:34:54,300 --> 00:34:52,510

are the 19 world the last I had

768

00:34:57,090 --> 00:34:54,310

contacted before that was a few months

769

00:34:59,190 --> 00:34:57,100

ago but he was pretty much coming back

770

00:35:02,400 --> 00:34:59,200

to normal but again you think about his

771

00:35:03,960 --> 00:35:02,410

age he's 19 years old he's probably the

772

00:35:06,330 --> 00:35:03,970

most likely going to return back the

773

00:35:08,330 --> 00:35:06,340

moment somebody who's with it over

774

00:35:11,460 --> 00:35:08,340

there's going to be more upset

775

00:35:14,520 --> 00:35:11,470

potentially buy something like this and

776

00:35:16,530 --> 00:35:14,530

especially he's an individual who does

777

00:35:19,440 --> 00:35:16,540

his wife described it he's very much has

778

00:35:21,510 --> 00:35:19,450

to be in control of time if he said his

779

00:35:24,990 --> 00:35:21,520

no-good someplace eight o'clock he

780

00:35:26,820 --> 00:35:25,000

doesn't get there 801 yeah so now he has

781

00:35:28,500 --> 00:35:26,830

somebody basically taking to the hours

782

00:35:29,730 --> 00:35:28,510

and 45 minutes of light of day and

783

00:35:32,040 --> 00:35:29,740

that's what it's for the episode and

784

00:35:36,810 --> 00:35:32,050

fight and that's what he wants an answer

785

00:35:38,160 --> 00:35:36,820

for yeah that would when it happens like

786

00:35:42,000 --> 00:35:38,170

that I mean I just can't even imagine

787

00:35:45,060 --> 00:35:42,010

what that's like but you know to have

788

00:35:48,150 --> 00:35:45,070

two people have it at the exact same

789

00:35:50,520 --> 00:35:48,160

time it really is something that you

790

00:35:54,900 --> 00:35:50,530

know can't be explained to easily that's

791

00:35:57,240 --> 00:35:54,910

for sure exactly I'll turn it this way

792

00:35:58,920 --> 00:35:57,250

so beauty were the best Liars I've ever

793

00:36:02,820 --> 00:35:58,930

seen in my life I mean these guys

794

00:36:04,740 --> 00:36:02,830

deserved Academy Award or fins they

795

00:36:06,330 --> 00:36:04,750

skate something happened and I've talked

796

00:36:08,880 --> 00:36:06,340

with Travis rotten and against Travis

797

00:36:12,630 --> 00:36:08,890

Walton to Medellin to me who has a

798

00:36:15,170 --> 00:36:12,640

delivery federal story I hate suits and

799

00:36:17,730 --> 00:36:15,180

a shared similar signs of nervousness

800

00:36:19,920 --> 00:36:17,740

like my chocolate rabbits would be open

801
00:36:22,290 --> 00:36:19,930
and he discussed that movie with the

802
00:36:25,380 --> 00:36:22,300
seed of that event was really shook up

803
00:36:27,170 --> 00:36:25,390
his entire life yeah I think he's come

804
00:36:31,500 --> 00:36:27,180
more at terms with it lately in the last

805
00:36:34,710 --> 00:36:31,510
couple of years but well I the first

806
00:36:37,770 --> 00:36:34,720
time I met Travis he he just seemed very

807
00:36:41,220 --> 00:36:37,780
uncomfortable talking about it and but I

808
00:36:43,700 --> 00:36:41,230
think he's kind of he's a little bit

809
00:36:46,740 --> 00:36:43,710
more at peace with the whole thing now

810
00:36:49,200 --> 00:36:46,750
that's that's the last time I talked to

811
00:36:52,500 --> 00:36:49,210
him he sort of mentioned in a roundabout

812
00:36:54,420 --> 00:36:52,510
way that that's how he's feeling his

813
00:36:56,550 --> 00:36:54,430

next impression I got to because we

814

00:37:00,120 --> 00:36:56,560

cloth and it three years ago now and

815

00:37:02,579 --> 00:37:00,130

cleaning for a conference in Ohio and he

816

00:37:07,019 --> 00:37:02,589

said basically he's no

817

00:37:09,539 --> 00:37:07,029

come to peace but in his mind is it when

818

00:37:11,009 --> 00:37:09,549

that event happening initially thought

819

00:37:13,559 --> 00:37:11,019

you know somebody's trying to get here

820

00:37:15,420 --> 00:37:13,569

or something like that now he thinks

821

00:37:18,120 --> 00:37:15,430

that maybe he got closer to whatever

822

00:37:20,459 --> 00:37:18,130

this object it was but maybe almost had

823

00:37:23,370 --> 00:37:20,469

me electro static charge maybe Karen's

824

00:37:24,959 --> 00:37:23,380

no sweat something hit him and they

825

00:37:27,839 --> 00:37:24,969

actually took him inside with hoping

826

00:37:29,910 --> 00:37:27,849

Moore's translate and they want to make

827

00:37:33,390 --> 00:37:29,920

sure that he was okay before they living

828

00:37:36,299 --> 00:37:33,400

bad back well yeah that sounds over the

829

00:37:39,029 --> 00:37:36,309

roof boswells nation yeah yeah he did

830

00:37:40,799 --> 00:37:39,039

mention that on one of my shows and yeah

831

00:37:42,239 --> 00:37:40,809

I think that that would certainly help

832

00:37:45,390 --> 00:37:42,249

you deal with it a lot better that's for

833

00:37:47,130 --> 00:37:45,400

sure but you're right he's up he's one

834

00:37:48,959 --> 00:37:47,140

of the credible ones out there in my

835

00:37:52,499 --> 00:37:48,969

opinion anyway and when you're

836

00:37:55,339 --> 00:37:52,509

face-to-face with someone I think you

837

00:37:58,049 --> 00:37:55,349

really get a good feel about that oh

838

00:37:59,729 --> 00:37:58,059

yeah when I got to spend pretty much

839

00:38:02,039 --> 00:37:59,739

three days later movie vitamin for the

840

00:38:05,249 --> 00:38:02,049

conference and like I mentioned my

841

00:38:07,529 --> 00:38:05,259

background was my pedigree an HR so I

842

00:38:10,170 --> 00:38:07,539

really looked at him personality wise

843

00:38:12,599 --> 00:38:10,180

but nonverbal communication was really

844

00:38:14,190 --> 00:38:12,609

looked at and to me the signs were there

845

00:38:18,569 --> 00:38:14,200

that he was a very credible witness

846

00:38:20,279 --> 00:38:18,579

right right so I wonder at those two

847

00:38:23,999 --> 00:38:20,289

guys ever went back fishing again

848

00:38:26,789 --> 00:38:24,009

together well I'm on weddings

849

00:38:28,319 --> 00:38:26,799

individuals that it's not beyond me to

850

00:38:30,690 --> 00:38:28,329

hop in the car and again on the Friday

851
00:38:32,489 --> 00:38:30,700
Saturday night don't say anything

852
00:38:34,680 --> 00:38:32,499
anybody about and just drive down to

853
00:38:39,120 --> 00:38:34,690
southern Ohio and ce4 there that's the

854
00:38:41,160 --> 00:38:39,130
best way Wow yeah hey earlier you were

855
00:38:43,799 --> 00:38:41,170
mentioning you were up in Canada and

856
00:38:46,049 --> 00:38:43,809
then I believe you said Puerto Rico or

857
00:38:48,539 --> 00:38:46,059
some other place I can't remember it was

858
00:38:50,969 --> 00:38:48,549
in Costa Rica what are we going out I've

859
00:38:53,640 --> 00:38:50,979
been doing with long distance ones yeah

860
00:38:55,440 --> 00:38:53,650
I i wish i had the ability that they

861
00:38:58,229 --> 00:38:55,450
will fly down but i've been doing all my

862
00:38:59,999 --> 00:38:58,239
research by internet online for

863
00:39:01,859 --> 00:39:00,009

potentially putting individuals in

864

00:39:05,219 --> 00:39:01,869

contact with something that region once

865

00:39:07,499 --> 00:39:05,229

we leave Jennifer the case one of forms

866

00:39:09,479 --> 00:39:07,509

that we have sometimes is getting enough

867

00:39:13,390 --> 00:39:09,489

investigators are four different regions

868

00:39:16,990 --> 00:39:13,400

and Canada right now is doing a good job

869

00:39:19,600 --> 00:39:17,000

estimators in building up a group of

870

00:39:22,630 --> 00:39:19,610

investigators but it's not always that

871

00:39:25,870 --> 00:39:22,640

way another countries for sometimes I

872

00:39:27,910 --> 00:39:25,880

was helping out in Canada they also had

873

00:39:30,610 --> 00:39:27,920

me doing a lot of places in England

874

00:39:32,200 --> 00:39:30,620

because they had roughly about three

875

00:39:35,080 --> 00:39:32,210

investigators for doing the entire

876

00:39:37,270 --> 00:39:35,090

country and they were getting as many

877

00:39:40,270 --> 00:39:37,280

cases on an average that we would be

878

00:39:42,910 --> 00:39:40,280

home in Ohio here after about 30 plus

879

00:39:44,380 --> 00:39:42,920

places a month and when you've got three

880

00:39:49,120 --> 00:39:44,390

people you just get told the

881

00:39:51,330 --> 00:39:49,130

overwhelming wait he can bail you out so

882

00:39:54,490 --> 00:39:51,340

I'm one of these workaholics I jumped in

883

00:39:57,490 --> 00:39:54,500

and said sure I'll help out with it then

884

00:40:00,700 --> 00:39:57,500

they started giving me a lot of cases a

885

00:40:03,100 --> 00:40:00,710

number of them you could explain i came

886

00:40:04,960 --> 00:40:03,110

across individuals who said I'm videos

887

00:40:07,630 --> 00:40:04,970

of drones they maybe didn't believe it

888

00:40:12,070 --> 00:40:07,640

they were groans I've had situations

889

00:40:15,910 --> 00:40:12,080

where could maybe even object of there's

890

00:40:17,530 --> 00:40:15,920

a method known as insects even what you

891

00:40:19,240 --> 00:40:17,540

didn't extreme back to the patient and

892

00:40:22,060 --> 00:40:19,250

what was in such whining to me

893

00:40:24,940 --> 00:40:22,070

confessing his camera but then you get

894

00:40:27,990 --> 00:40:24,950

that aha moment again where an

895

00:40:32,070 --> 00:40:28,000

individual who reported in this case it

896

00:40:34,690 --> 00:40:32,080

was a historical place there's a child

897

00:40:37,570 --> 00:40:34,700

about seven eight years old he was

898

00:40:41,020 --> 00:40:37,580

driving with the family on wolf family

899

00:40:42,370 --> 00:40:41,030

excursion went on the way back heading

900

00:40:45,690 --> 00:40:42,380

back towards where they lived there

901
00:40:48,460 --> 00:40:45,700
going down when he's world country roads

902
00:40:50,230 --> 00:40:48,470
when they had the sunroof open on the

903
00:40:51,730 --> 00:40:50,240
clarity looked out the sunroof he sees

904
00:40:55,570 --> 00:40:51,740
the objects approaching from the

905
00:40:58,330 --> 00:40:55,580
business when he sees the three objects

906
00:41:00,880 --> 00:40:58,340
approached the car stalls out again this

907
00:41:04,780 --> 00:41:00,890
kind of the bad b-movie the car stalls

908
00:41:07,060 --> 00:41:04,790
out lights go out and Mexico he looks

909
00:41:11,470 --> 00:41:07,070
over there's mom is dad in the sisters

910
00:41:13,720 --> 00:41:11,480
and they all basically fell asleep Alexa

911
00:41:16,360 --> 00:41:13,730
mean he remembers his dad wakes up they

912
00:41:18,070 --> 00:41:16,370
all wake up then he starts acquired they

913
00:41:19,180 --> 00:41:18,080

take off they cancel trip that they

914

00:41:22,660 --> 00:41:19,190

figure out that they're missing

915

00:41:25,270 --> 00:41:22,670

approximately others now you think

916

00:41:27,110 --> 00:41:25,280

here's a winter child and you know how

917

00:41:33,390 --> 00:41:27,120

credible is he going to

918

00:41:38,160 --> 00:41:33,400

well story wasn't intended by him he was

919

00:41:39,810 --> 00:41:38,170

talking to his mother about UFOs and she

920

00:41:43,590 --> 00:41:39,820

goes well don't you remember who we had

921

00:41:45,870 --> 00:41:43,600

art event here's what do you mean and

922

00:41:48,720 --> 00:41:45,880

she started describing it and he started

923

00:41:52,800 --> 00:41:48,730

remembering the details but his mother

924

00:41:56,880 --> 00:41:52,810

brought it up to him then and was a very

925

00:41:59,160 --> 00:41:56,890

deep story fianya and when he was

926

00:42:00,480 --> 00:41:59,170

talking about he says if later on his

927

00:42:04,530 --> 00:42:00,490

dad who's a little bit of strangeness

928

00:42:07,680 --> 00:42:04,540

father within the later years and one

929

00:42:10,350 --> 00:42:07,690

time is glad about Madden and his bad

930

00:42:16,830 --> 00:42:10,360

said you're not my son they took my son

931

00:42:18,300 --> 00:42:16,840

Oh chief exactly here this was one of

932

00:42:20,940 --> 00:42:18,310

the case it was potentially be

933

00:42:23,880 --> 00:42:20,950

overlooked just because it should die

934

00:42:26,340 --> 00:42:23,890

and just going to keep up but it was

935

00:42:28,800 --> 00:42:26,350

nobody's you know stones overturn it and

936

00:42:31,740 --> 00:42:28,810

here is agenda the case I put him in

937

00:42:34,130 --> 00:42:31,750

contact with some investigators from

938

00:42:36,450 --> 00:42:34,140

England and once I've done my research

939

00:42:39,480 --> 00:42:36,460

they follow up and then they actually

940

00:42:41,910 --> 00:42:39,490

got Captain Martin bold and the

941

00:42:43,910 --> 00:42:41,920

investigator over and England to talk to

942

00:42:47,930 --> 00:42:43,920

him he says you know this is another guy

943

00:42:50,610 --> 00:42:47,940

how he says again if this guy's not

944

00:42:54,350 --> 00:42:50,620

wouldn't happen again he's a fantastic

945

00:42:56,370 --> 00:42:54,360

lighter I talk to Jonah and state

946

00:42:58,110 --> 00:42:56,380

several times have been very very

947

00:43:00,540 --> 00:42:58,120

credible i watch the body language and

948

00:43:03,480 --> 00:43:00,550

they found out the same thing and he did

949

00:43:06,960 --> 00:43:03,490

their local investigations then all he

950

00:43:09,120 --> 00:43:06,970

was warning is no fame no really he said

951
00:43:11,940 --> 00:43:09,130
just he had helped me find him an answer

952
00:43:14,460 --> 00:43:11,950
to what happened he says because this

953
00:43:16,910 --> 00:43:14,470
has got happened here and that's all he

954
00:43:20,220 --> 00:43:16,920
was looking for is just an angel wow

955
00:43:23,960 --> 00:43:20,230
that's pretty amazing now as far as

956
00:43:27,120 --> 00:43:23,970
MUFON goes I have a few friends that are

957
00:43:30,720 --> 00:43:27,130
you know work with MUFON mark d Antonio

958
00:43:34,320 --> 00:43:30,730
on images and film and a few other

959
00:43:36,330 --> 00:43:34,330
people and there but MUFON there there

960
00:43:39,500 --> 00:43:36,340
can be some controversy about that now

961
00:43:42,740 --> 00:43:39,510
and then no I've heard

962
00:43:44,900 --> 00:43:42,750
no I got a message from an old-time

963
00:43:47,690 --> 00:43:44,910

investigator from all the way back in

964

00:43:51,230 --> 00:43:47,700

the 60s you know saying that MUFON was

965

00:43:54,580 --> 00:43:51,240

infiltrated by the government and by the

966

00:43:57,770 --> 00:43:54,590

CIA all the way back in the 1960s and

967

00:44:02,210 --> 00:43:57,780

and you kind of hear about stuff like

968

00:44:04,600 --> 00:44:02,220

that what do you hear while you're you

969

00:44:07,810 --> 00:44:04,610

you're involved and move on itself

970

00:44:09,950 --> 00:44:07,820

there's always the underlying rumor is a

971

00:44:12,530 --> 00:44:09,960

potentially different people given out

972

00:44:16,250 --> 00:44:12,540

different information but in this case

973

00:44:19,730 --> 00:44:16,260

of fun who I've had a couple cases for

974

00:44:22,880 --> 00:44:19,740

it come across that the witness was

975

00:44:26,480 --> 00:44:22,890

approached shortly after the case was

976

00:44:29,150 --> 00:44:26,490

filed by individuals from the outside

977

00:44:31,220 --> 00:44:29,160

the organization but it makes you wonder

978

00:44:33,770 --> 00:44:31,230

on where you know where the suicide

979

00:44:36,530 --> 00:44:33,780

information wasn't on why he's

980

00:44:39,530 --> 00:44:36,540

witnessing the contact on the core to be

981

00:44:43,160 --> 00:44:39,540

a very good place that's for my math

982

00:44:45,250 --> 00:44:43,170

good happy but but the thing is it

983

00:44:47,630 --> 00:44:45,260

something more volunteer organization

984

00:44:50,710 --> 00:44:47,640

and what about a volunteer organization

985

00:44:54,020 --> 00:44:50,720

you're filming the best people you can

986

00:44:57,680 --> 00:44:54,030

write you're going off of the people you

987

00:45:00,920 --> 00:44:57,690

know trusting you know putting faith in

988

00:45:03,320 --> 00:45:00,930

the that's what they were for I know

989

00:45:04,970 --> 00:45:03,330

there's one else look there's always one

990

00:45:07,340 --> 00:45:04,980

or two bad apples and whatever

991

00:45:09,530 --> 00:45:07,350

organization and you know what I think

992

00:45:13,340 --> 00:45:09,540

there have been a few people that have

993

00:45:14,960 --> 00:45:13,350

kind of used the title for you know for

994

00:45:18,050 --> 00:45:14,970

a little bit of Fame here and there a

995

00:45:20,840 --> 00:45:18,060

little bit of screen time perhaps but

996

00:45:22,700 --> 00:45:20,850

for the most part I think that you know

997

00:45:26,470 --> 00:45:22,710

anyone that's out there volunteering and

998

00:45:29,450 --> 00:45:26,480

investigating is a is doing a good thing

999

00:45:32,050 --> 00:45:29,460

and then that's what I mean I'm a lot of

1000

00:45:34,550 --> 00:45:32,060

people they need tons of owls

1001
00:45:37,580 --> 00:45:34,560
volunteering for this project at gotcha

1002
00:45:39,500 --> 00:45:37,590
whatever they can to help out and let me

1003
00:45:42,800 --> 00:45:39,510
say the other than a half inch of

1004
00:45:45,470 --> 00:45:42,810
somebody who decides to say okay I want

1005
00:45:47,930 --> 00:45:45,480
to do this for my own personal in it and

1006
00:45:49,100 --> 00:45:47,940
the thing I can look so big both rabble

1007
00:45:51,530 --> 00:45:49,110
is you know they leave

1008
00:45:53,800 --> 00:45:51,540
organization because when people were

1009
00:45:56,000 --> 00:45:53,810
really trying to gather more information

1010
00:45:58,130 --> 00:45:56,010
but a cause of trying to really figure

1011
00:46:01,550 --> 00:45:58,140
out you know where these things

1012
00:46:04,480 --> 00:46:01,560
are literally them they'll just try to

1013
00:46:07,640 --> 00:46:04,490

put an interview right now are you

1014

00:46:09,980 --> 00:46:07,650

supported by MUFON know or like to say

1015

00:46:12,950 --> 00:46:09,990

if you're a field investigator and they

1016

00:46:15,620 --> 00:46:12,960

ask you to go out to southern Ohio are

1017

00:46:18,080 --> 00:46:15,630

you supported by doing that or is your

1018

00:46:20,420 --> 00:46:18,090

your gas mileage everything is all out

1019

00:46:24,260 --> 00:46:20,430

of pocket or do they actually help with

1020

00:46:28,640 --> 00:46:24,270

expenses I'm supported by my mind I

1021

00:46:31,060 --> 00:46:28,650

played with my my regular job there's no

1022

00:46:34,640 --> 00:46:31,070

important women in sport disc a new one

1023

00:46:36,200 --> 00:46:34,650

even with any subscribers we have within

1024

00:46:38,540 --> 00:46:36,210

the state of Ohio because we put out

1025

00:46:40,040 --> 00:46:38,550

whether and subscribe you list but would

1026
00:46:42,710 --> 00:46:40,050
you look that money as that goes for a

1027
00:46:44,960 --> 00:46:42,720
newsletter that goes in towards post

1028
00:46:46,970 --> 00:46:44,970
about complet each year web browsing

1029
00:46:49,490 --> 00:46:46,980
going to the lining of anybody's pockets

1030
00:46:52,580 --> 00:46:49,500
in the organization those are sort of

1031
00:46:55,160 --> 00:46:52,590
web pages things like that when I go out

1032
00:46:57,200 --> 00:46:55,170
they do my investigations that money

1033
00:47:00,110 --> 00:46:57,210
dried out of my own pocket and I'm very

1034
00:47:03,260 --> 00:47:00,120
honest with people considering to become

1035
00:47:05,000 --> 00:47:03,270
investigators because they see TV show

1036
00:47:08,120 --> 00:47:05,010
sometimes they said you know hey I'd

1037
00:47:09,560 --> 00:47:08,130
have to do this kind of CSI but

1038
00:47:12,260 --> 00:47:09,570

then you realize that number one they've

1039

00:47:14,210 --> 00:47:12,270

got about menya the man opened up your

1040

00:47:16,910 --> 00:47:14,220

own pocket about studying the manual

1041

00:47:20,920 --> 00:47:16,920

opinion research we have to get together

1042

00:47:24,140 --> 00:47:20,930

you have to meet the mentoring processes

1043

00:47:27,830 --> 00:47:24,150

Benny find out the cage because some

1044

00:47:30,050 --> 00:47:27,840

time to add up to quite a bit how do you

1045

00:47:33,950 --> 00:47:30,060

remember programs across sort of Ohio

1046

00:47:35,480 --> 00:47:33,960

find educate the public then anything I

1047

00:47:37,250 --> 00:47:35,490

get for that all they asked us to ask

1048

00:47:39,380 --> 00:47:37,260

mother just about anything only been to

1049

00:47:42,170 --> 00:47:39,390

another one to keep this type of a thing

1050

00:47:43,430 --> 00:47:42,180

blowing it's not trying to make me rich

1051
00:47:46,100 --> 00:47:43,440
because I know it wouldn't happen any

1052
00:47:49,460 --> 00:47:46,110
like I just want to take and really see

1053
00:47:53,740 --> 00:47:49,470
you followed your veins can form the

1054
00:47:56,710 --> 00:47:53,750
public is sometimes a based or painting

1055
00:48:00,530 --> 00:47:56,720
for new affiliate ports on buckets unit

1056
00:48:02,800 --> 00:48:00,540
well I saw this youtube video and and

1057
00:48:06,730 --> 00:48:02,810
that's one of my pet peeves okay let's

1058
00:48:08,830 --> 00:48:06,740
we'll show you well chosen is alien okay

1059
00:48:12,610 --> 00:48:08,840
and Marc Antoni would probably laugh n

1060
00:48:15,280 --> 00:48:12,620
go this isn't good CGI and I've done the

1061
00:48:17,830 --> 00:48:15,290
same thing where I've got he gotten some

1062
00:48:19,150 --> 00:48:17,840
photographs in and I look at the

1063
00:48:21,820 --> 00:48:19,160

photographs and a couple match the

1064

00:48:24,550 --> 00:48:21,830

kicking them from Canada and it was

1065

00:48:27,640 --> 00:48:24,560

basing an appt putting an alien in a

1066

00:48:30,580 --> 00:48:27,650

photograph but it was extremely easy to

1067

00:48:34,210 --> 00:48:30,590

detect it then when i called the witness

1068

00:48:36,670 --> 00:48:34,220

up confronting about it oh I don't know

1069

00:48:38,950 --> 00:48:36,680

anything about that I know absolutely

1070

00:48:42,070 --> 00:48:38,960

one thing about phone apps but must

1071

00:48:44,230 --> 00:48:42,080

installed on my phone all by itself then

1072

00:48:46,240 --> 00:48:44,240

when the camera went off it must have

1073

00:48:51,010 --> 00:48:46,250

actually gone off along with the camera

1074

00:48:53,200 --> 00:48:51,020

at the same time it just drives you

1075

00:48:56,710 --> 00:48:53,210

crazy and I spent I don't know how many

1076

00:48:58,420 --> 00:48:56,720

hours getting the photographs with

1077

00:49:01,720 --> 00:48:58,430

research in the photograph because first

1078

00:49:03,340 --> 00:49:01,730

time they said I thought I said when we

1079

00:49:05,440 --> 00:49:03,350

the photographs you uploaded I want the

1080

00:49:10,510 --> 00:49:05,450

ones collected from your camera I don't

1081

00:49:12,940 --> 00:49:10,520

want multi-generation pockets well one

1082

00:49:14,470 --> 00:49:12,950

witness wouldn't submit me the original

1083

00:49:16,600 --> 00:49:14,480

photographs kasim do what is going to

1084

00:49:18,130 --> 00:49:16,610

find the other one might bid which is

1085

00:49:21,370 --> 00:49:18,140

our shooting fish in a barrel is too

1086

00:49:23,710 --> 00:49:21,380

easy to identify then I want to say you

1087

00:49:25,900 --> 00:49:23,720

know here I've got to photograph from

1088

00:49:28,840 --> 00:49:25,910

really about within seven miles each

1089

00:49:30,640 --> 00:49:28,850

other of aliens one is basically by a

1090

00:49:35,860 --> 00:49:30,650

woodpile and the other one is posing the

1091

00:49:38,460 --> 00:49:35,870

bedroom and I'm look at these and say

1092

00:49:41,500 --> 00:49:38,470

you know they must have the same poses

1093

00:49:44,320 --> 00:49:41,510

these are very close the aliens because

1094

00:49:46,180 --> 00:49:44,330

I mean a very photogenic they take the

1095

00:49:49,990 --> 00:49:46,190

same status not sure I mean they look

1096

00:49:52,060 --> 00:49:50,000

the same and the image it look like the

1097

00:49:55,810 --> 00:49:52,070

one that's especially strong from almost

1098

00:49:58,000 --> 00:49:55,820

like a Halloween costume Bible Charlie I

1099

00:50:00,490 --> 00:49:58,010

was said I was sent one of these by the

1100

00:50:04,210 --> 00:50:00,500

way we were yeah and it was by a

1101
00:50:05,860 --> 00:50:04,220
swimming pool yeah well my very funny

1102
00:50:08,110 --> 00:50:05,870
and you're right it is an app that's

1103
00:50:10,600 --> 00:50:08,120
what I was told yeah but then there's a

1104
00:50:12,550 --> 00:50:10,610
bad thing when that same region that

1105
00:50:14,470 --> 00:50:12,560
this witness was fun he go he's what

1106
00:50:17,500 --> 00:50:14,480
insufficiency the phone

1107
00:50:19,590 --> 00:50:17,510
a week prior I got a case it's single

1108
00:50:21,670 --> 00:50:19,600
but hope you about an individual

1109
00:50:23,920 --> 00:50:21,680
describing light in his bedroom going

1110
00:50:25,990 --> 00:50:23,930
around inside his bedroom we also

1111
00:50:28,990 --> 00:50:26,000
reported looking at the window and some

1112
00:50:30,130 --> 00:50:29,000
degree alien look mins window now those

1113
00:50:32,740 --> 00:50:30,140

are from the ones that kind of make you

1114

00:50:34,150 --> 00:50:32,750

go from I'm sure yeah right okay we'll

1115

00:50:36,940 --> 00:50:34,160

check it out what do the investigation

1116

00:50:41,200 --> 00:50:36,950

bet yeah you know maybe I'm not going to

1117

00:50:42,700 --> 00:50:41,210

put all my hours in this one case well I

1118

00:50:44,470 --> 00:50:42,710

started doing a little internet research

1119

00:50:47,800 --> 00:50:44,480

because I mentioned I'd love to do the

1120

00:50:50,200 --> 00:50:47,810

research and the thing about today is

1121

00:50:52,180 --> 00:50:50,210

where we benefit something like social

1122

00:50:54,250 --> 00:50:52,190

media can go into Facebook you can see

1123

00:50:56,800 --> 00:50:54,260

that the person has a facebook aside

1124

00:51:00,070 --> 00:50:56,810

kind of profile awful what you see there

1125

00:51:01,990 --> 00:51:00,080

you will delete them why I found the

1126
00:51:04,510 --> 00:51:02,000
gentleman by the same name on lincoln

1127
00:51:08,859 --> 00:51:04,520
and same area who had a very

1128
00:51:11,650 --> 00:51:08,869
professional background and if I was in

1129
00:51:13,440 --> 00:51:11,660
his field that his leather according to

1130
00:51:16,150 --> 00:51:13,450
Lincoln it was the same person I

1131
00:51:20,109 --> 00:51:16,160
wouldn't want my self identified with

1132
00:51:22,990 --> 00:51:20,119
seeing aliens of the window when he's

1133
00:51:27,280 --> 00:51:23,000
other photographs came out they started

1134
00:51:30,150 --> 00:51:27,290
posting stuff in local newspapers and I

1135
00:51:33,040 --> 00:51:30,160
found local newspapers from the region

1136
00:51:35,430 --> 00:51:33,050
regarding these events in Lexington loi

1137
00:51:37,240 --> 00:51:35,440
tried to reach out and contact this

1138
00:51:40,570 --> 00:51:37,250

witness which may have had incredible

1139

00:51:41,950 --> 00:51:40,580

stored on it but he basic disappeared

1140

00:51:44,530 --> 00:51:41,960

and at work important I think a lot of

1141

00:51:47,920 --> 00:51:44,540

it was because the notoriety from the

1142

00:51:49,599 --> 00:51:47,930

other photographs and stuff on me and he

1143

00:51:53,470 --> 00:51:49,609

may have been where these people who've

1144

00:51:55,930 --> 00:51:53,480

been having these tremendous cases but I

1145

00:51:58,720 --> 00:51:55,940

was never able to make contact because

1146

00:52:00,670 --> 00:51:58,730

of the related events because of the

1147

00:52:03,660 --> 00:52:00,680

public people filling some dope sees in

1148

00:52:07,120 --> 00:52:03,670

that same area okay that's very ironic

1149

00:52:09,940 --> 00:52:07,130

now when MUFON gets these cases I know

1150

00:52:12,130 --> 00:52:09,950

Roger March does a lot of blogging about

1151
00:52:14,800 --> 00:52:12,140
the cases that come in when they get

1152
00:52:19,090 --> 00:52:14,810
these cases that come in how do they

1153
00:52:21,720 --> 00:52:19,100
delegate where a case is going to go you

1154
00:52:24,820 --> 00:52:21,730
know whose is that always by region or

1155
00:52:25,970 --> 00:52:24,830
sometimes do they they go by the type of

1156
00:52:29,120 --> 00:52:25,980
case it is

1157
00:52:32,150 --> 00:52:29,130
well it's actually goes both ways you've

1158
00:52:33,609 --> 00:52:32,160
got first ball lower profile cases which

1159
00:52:36,650 --> 00:52:33,619
you're not let's say for example

1160
00:52:38,810 --> 00:52:36,660
abduction let's say for example

1161
00:52:41,780 --> 00:52:38,820
sometimes maybe like a landing city is

1162
00:52:43,340 --> 00:52:41,790
extremely close encounter those cases

1163
00:52:46,010 --> 00:52:43,350

first of all with delegated down for

1164

00:52:48,070 --> 00:52:46,020

state so that MUFON does is when you

1165

00:52:50,690 --> 00:52:48,080

work for a case like right now mid-ohio

1166

00:52:52,820 --> 00:52:50,700

the case they look at they say this is

1167

00:52:55,940 --> 00:52:52,830

from Ohio let's send it to Ohio and

1168

00:52:57,859 --> 00:52:55,950

let's go 13 look at it I receive the

1169

00:53:00,020 --> 00:52:57,869

case because under limit signs all cases

1170

00:53:01,670 --> 00:53:00,030

within the state but I've got a prom

1171

00:53:04,190 --> 00:53:01,680

queen to investigators right now in the

1172

00:53:06,320 --> 00:53:04,200

state but what I do is I look at the

1173

00:53:09,170 --> 00:53:06,330

region they live in an assigned cases

1174

00:53:11,870 --> 00:53:09,180

based on the region you at their few

1175

00:53:13,310 --> 00:53:11,880

exceptions I made to make where is if I

1176
00:53:15,320 --> 00:53:13,320
had see the one investigators we know

1177
00:53:17,800 --> 00:53:15,330
related because let's say cincinnati has

1178
00:53:20,210 --> 00:53:17,810
more cases than maybe some other region

1179
00:53:23,030 --> 00:53:20,220
I'll take and maybe try to spread the

1180
00:53:25,790 --> 00:53:23,040
wealth a little bit another thing I look

1181
00:53:27,410 --> 00:53:25,800
at is if you get that aha moment but

1182
00:53:29,150 --> 00:53:27,420
maybe this case has a little bit more

1183
00:53:31,880 --> 00:53:29,160
substance which may be where people

1184
00:53:33,349 --> 00:53:31,890
realized then we may reach out to know

1185
00:53:36,470 --> 00:53:33,359
senior investigator and delegate that

1186
00:53:37,930 --> 00:53:36,480
case down to them but when you get cases

1187
00:53:41,570 --> 00:53:37,940
in this case like the induction

1188
00:53:44,090 --> 00:53:41,580

situation we had google at the star team

1189

00:53:46,040 --> 00:53:44,100

and not all states have a star team but

1190

00:53:48,800 --> 00:53:46,050

a number of states that it's more like

1191

00:53:51,160 --> 00:53:48,810

an immediate response came when I face

1192

00:53:53,840 --> 00:53:51,170

comes in the state records also notified

1193

00:53:58,099 --> 00:53:53,850

but it gets delegated down through star

1194

00:54:00,230 --> 00:53:58,109

team members from that state and our

1195

00:54:03,320 --> 00:54:00,240

goal was to make contact with the

1196

00:54:05,540 --> 00:54:03,330

witnesses within three hours we want to

1197

00:54:07,340 --> 00:54:05,550

be on that scene as those of you can't

1198

00:54:09,400 --> 00:54:07,350

especially if you can figure that what

1199

00:54:12,590 --> 00:54:09,410

if we had like a Roswell or ishiro honda

1200

00:54:15,170 --> 00:54:12,600

we're going to get there before these

1201
00:54:17,660 --> 00:54:15,180
bringing trust come up with canvasbacks

1202
00:54:20,060 --> 00:54:17,670
on record everything away we're going to

1203
00:54:22,970 --> 00:54:20,070
get that first opportunity they're also

1204
00:54:24,920 --> 00:54:22,980
forming a newer team though that's going

1205
00:54:26,540 --> 00:54:24,930
to get a similar nature where when these

1206
00:54:29,359 --> 00:54:26,550
high-profile cases coming again

1207
00:54:30,710 --> 00:54:29,369
extremely high-profile they hit again

1208
00:54:31,650 --> 00:54:30,720
more seasoned veterans out there

1209
00:54:34,289 --> 00:54:31,660
immediately

1210
00:54:37,440 --> 00:54:34,299
handled it so it's really like they're

1211
00:54:39,000 --> 00:54:37,450
they look at the case the type of case

1212
00:54:44,029 --> 00:54:39,010
20 and they weren't the best people hang

1213
00:54:47,789 --> 00:54:44,039

this and we that is possible I see now

1214

00:54:49,760 --> 00:54:47,799

wright-patterson and Dayton Ohio is

1215

00:54:54,299 --> 00:54:49,770

there a lot of things happening in that

1216

00:54:57,329 --> 00:54:54,309

area in particular we can live a good

1217

00:55:00,720 --> 00:54:57,339

fortunate region them and sometimes

1218

00:55:02,640 --> 00:55:00,730

depends of time of year those nearly

1219

00:55:05,160 --> 00:55:02,650

called the middle on Ohio down there

1220

00:55:07,799 --> 00:55:05,170

which has skydivers because what they

1221

00:55:12,120 --> 00:55:07,809

like to skydive with kyra players right

1222

00:55:15,270 --> 00:55:12,130

yes and every July june july we can

1223

00:55:17,789 --> 00:55:15,280

always expect who knows how many reports

1224

00:55:20,069 --> 00:55:17,799

coming in from skydivers and you go to

1225

00:55:21,809 --> 00:55:20,079

the website you see well we didn't we

1226
00:55:24,329 --> 00:55:21,819
didn't know that we're going to attract

1227
00:55:26,099 --> 00:55:24,339
attention like this but then when you

1228
00:55:28,190 --> 00:55:26,109
look at their advertisements they say

1229
00:55:31,529 --> 00:55:28,200
that we have been known to make news

1230
00:55:34,020 --> 00:55:31,539
media that draws attention to your event

1231
00:55:35,789 --> 00:55:34,030
if you're considering clarity's which

1232
00:55:38,279 --> 00:55:35,799
method of the future the national news

1233
00:55:41,609 --> 00:55:38,289
or local news because of your forward

1234
00:55:43,769 --> 00:55:41,619
ports is little bit availability we get

1235
00:55:45,480 --> 00:55:43,779
those will be the chinese lanterns but

1236
00:55:49,370 --> 00:55:45,490
when there are people with urban scene

1237
00:55:52,970 --> 00:55:49,380
objects around the the right pad area

1238
00:55:56,430 --> 00:55:52,980

and I've have a believer that you know

1239

00:55:58,859 --> 00:55:56,440

maybe with right path and legislation

1240

00:56:01,380 --> 00:55:58,869

island state but may be right that is

1241

00:56:04,289 --> 00:56:01,390

more of a simple area where the stuff is

1242

00:56:06,329 --> 00:56:04,299

being mounted well I don't know I had

1243

00:56:10,920 --> 00:56:06,339

detectable it just comes up too many

1244

00:56:13,829 --> 00:56:10,930

times and and it I you know it has to

1245

00:56:17,250 --> 00:56:13,839

have something going on there I've

1246

00:56:20,789 --> 00:56:17,260

always been fascinated with that also a

1247

00:56:24,480 --> 00:56:20,799

violent end of it the kid going back in

1248

00:56:26,839 --> 00:56:24,490

the 60s I remember talking to one of my

1249

00:56:29,670 --> 00:56:26,849

buddies whose blood pours a young

1250

00:56:32,940 --> 00:56:29,680

security about it right pad on the base

1251

00:56:34,980 --> 00:56:32,950

itself when he was telling his younger

1252

00:56:36,930 --> 00:56:34,990

brother about the fact that there is an

1253

00:56:40,109 --> 00:56:36,940

area bound it will occur before anybody

1254

00:56:41,880 --> 00:56:40,119

thought about inside was good and

1255

00:56:43,650 --> 00:56:41,890

it made me wonder what that building was

1256

00:56:46,650 --> 00:56:43,660

no these years later was it something

1257

00:56:48,870 --> 00:56:46,660

military related or who knows maybe it

1258

00:56:53,099 --> 00:56:48,880

goes back to something being good

1259

00:56:55,020 --> 00:56:53,109

endowed by the public side right right

1260

00:56:57,839 --> 00:56:55,030

so you just talked a minute ago about

1261

00:57:00,240 --> 00:56:57,849

Chinese lantern that's another another

1262

00:57:02,730 --> 00:57:00,250

headache the hoax two videos on YouTube

1263

00:57:05,940 --> 00:57:02,740

that's another headache now we have

1264

00:57:07,770 --> 00:57:05,950

drones coming on strong and I think

1265

00:57:10,890 --> 00:57:07,780

that's going to make things even more

1266

00:57:14,789 --> 00:57:10,900

top due to have to have I know there's a

1267

00:57:17,250 --> 00:57:14,799

lot of toys roans out there that someone

1268

00:57:21,210 --> 00:57:17,260

could possibly mistake for something but

1269

00:57:23,370 --> 00:57:21,220

you hear about drones at all yes to do

1270

00:57:25,289 --> 00:57:23,380

it we've had several posted in the Ohio

1271

00:57:28,950 --> 00:57:25,299

that you know in West layers of meaning

1272

00:57:32,460 --> 00:57:28,960

those they've seen a drone I had one

1273

00:57:35,520 --> 00:57:32,470

coming from northern united kingdom and

1274

00:57:37,200 --> 00:57:35,530

the witness submitted a video where you

1275

00:57:39,809 --> 00:57:37,210

could see an object when what beach i

1276

00:57:41,180 --> 00:57:39,819

decide to church steeple it went up

1277

00:57:43,680 --> 00:57:41,190

several hundred feet almost

1278

00:57:46,170 --> 00:57:43,690

instantaneously public there for about

1279

00:57:49,109 --> 00:57:46,180

five minutes without any emotion

1280

00:57:51,510 --> 00:57:49,119

whatsoever but a fairly intense light on

1281

00:57:54,839 --> 00:57:51,520

it and dropped exactly the way it came

1282

00:57:56,849 --> 00:57:54,849

back up after about five minutes when I

1283

00:57:59,970 --> 00:57:56,859

question the witness on it if anybody

1284

00:58:03,329 --> 00:57:59,980

was flying drones in that region he

1285

00:58:05,309 --> 00:58:03,339

really got hot huh he says I thought

1286

00:58:07,289 --> 00:58:05,319

MUFON was a credible organization that

1287

00:58:10,200 --> 00:58:07,299

uses all your kind of this critical i

1288

00:58:13,650 --> 00:58:10,210

saw i said no i'm just trying to see if

1289

00:58:15,240 --> 00:58:13,660

we can find a logical answer first i'm

1290

00:58:18,510 --> 00:58:15,250

not saying that's what it is that i'm

1291

00:58:20,039 --> 00:58:18,520

looking for a willing to know where he

1292

00:58:22,789 --> 00:58:20,049

says well nobody flies him around here

1293

00:58:25,349 --> 00:58:22,799

so that's it he's a ball check it out

1294

00:58:27,990 --> 00:58:25,359

several days later email be back and

1295

00:58:31,529 --> 00:58:28,000

said look nobody flies him absolutely

1296

00:58:34,109 --> 00:58:31,539

not well i did my own research and even

1297

00:58:40,109 --> 00:58:34,119

though I'm 3,000 miles away 2000 miles

1298

00:58:44,430 --> 00:58:40,119

away I found first all a secondary angle

1299

00:58:46,589 --> 00:58:44,440

of the video that same night they had a

1300

00:58:48,960 --> 00:58:46,599

fireworks display going on in an

1301
00:58:53,400 --> 00:58:48,970
engineer somebody was flying the drone

1302
00:58:55,330 --> 00:58:53,410
to film the thyroids secondly he said

1303
00:59:00,100 --> 00:58:55,340
nobody in the region had

1304
00:59:03,640 --> 00:59:00,110
rome well he was in a town called Peter

1305
00:59:07,750 --> 00:59:03,650
day and I could make all sorts of jokes

1306
00:59:12,010 --> 00:59:07,760
about that which I won't be okay but in

1307
00:59:13,690 --> 00:59:12,020
this case he go down this this Basin

1308
00:59:16,450 --> 00:59:13,700
where he lived that out of us was flat

1309
00:59:20,470 --> 00:59:16,460
and about 200 feet was flat was his

1310
00:59:22,420 --> 00:59:20,480
hobby shop that sells drones fella

1311
00:59:24,550 --> 00:59:22,430
powders and all sorts of old vehicles

1312
00:59:26,230 --> 00:59:24,560
like that and they had a great website

1313
00:59:30,370 --> 00:59:26,240

where they built all over the country

1314

00:59:31,900 --> 00:59:30,380

and I really want to get sarcastic and

1315

00:59:33,220 --> 00:59:31,910

say on the way to the pub you know when

1316

00:59:34,600 --> 00:59:33,230

you're heading down there some nightmare

1317

00:59:37,150 --> 00:59:34,610

kind of look over to your left hand side

1318

00:59:40,390 --> 00:59:37,160

and wave heights women a hobby shop is

1319

00:59:42,040 --> 00:59:40,400

they're selling their drums but you know

1320

00:59:44,020 --> 00:59:42,050

you can't get like that with the first

1321

00:59:46,140 --> 00:59:44,030

you have to be respectful so I just said

1322

00:59:48,490 --> 00:59:46,150

okay this is what my findings are

1323

00:59:51,580 --> 00:59:48,500

unfortunately like up to that no I'm so

1324

00:59:54,370 --> 00:59:51,590

you know but without a doubt that in

1325

00:59:57,160 --> 00:59:54,380

years ago I also had an aerial than from

1326

01:00:00,910 --> 00:59:57,170

over London that they were flying drones

1327

01:00:02,890 --> 01:00:00,920

out doing some sort of a maybe mapping

1328

01:00:04,750 --> 01:00:02,900

surveillance over downtown lemon or the

1329

01:00:06,760 --> 01:00:04,760

air it would have been commercially it's

1330

01:00:08,380 --> 01:00:06,770

like that but you can tell it when he

1331

01:00:10,360 --> 01:00:08,390

blew the image of the gash you had it

1332

01:00:13,090 --> 01:00:10,370

that they extremely high quality image

1333

01:00:14,380 --> 01:00:13,100

by the way but the person sent and once

1334

01:00:17,620 --> 01:00:14,390

you make the fighter because you'd see

1335

01:00:20,080 --> 01:00:17,630

exactly what it was but will the right

1336

01:00:23,020 --> 01:00:20,090

that is going to be a major problem in

1337

01:00:24,670 --> 01:00:23,030

ongoing years and will probably find no

1338

01:00:27,370 --> 01:00:24,680

restrictions on groans around certain

1339

01:00:30,610 --> 01:00:27,380

areas especially airports things like

1340

01:00:32,710 --> 01:00:30,620

that yeah there really isn't they really

1341

01:00:34,600 --> 01:00:32,720

have to figure out how to map map the

1342

01:00:38,440 --> 01:00:34,610

traffic out on how all that's going to

1343

01:00:41,350 --> 01:00:38,450

work and you know amazon has an idea of

1344

01:00:43,630 --> 01:00:41,360

delivering packages and you know i mean

1345

01:00:45,600 --> 01:00:43,640

these things will happen eventually it

1346

01:00:49,140 --> 01:00:45,610

Giselle has to be figured out and

1347

01:00:51,580 --> 01:00:49,150

meanwhile though you know people are

1348

01:00:53,700 --> 01:00:51,590

calling in reports it makes it harder

1349

01:00:57,160 --> 01:00:53,710

and harder for an investigator I'm sure

1350

01:01:00,550 --> 01:00:57,170

it does I mean when you did let's say 30

1351

01:01:02,470 --> 01:01:00,560

for 30 a month we've got in this case

1352

01:01:05,020 --> 01:01:02,480

ten investigators and they've got 90

1353

01:01:07,660 --> 01:01:05,030

days once it pays comes into the closed

1354

01:01:09,940 --> 01:01:07,670

the place down the work

1355

01:01:11,500 --> 01:01:09,950

develop substantial I mean we may have

1356

01:01:13,720 --> 01:01:11,510

to be driving out to different witnesses

1357

01:01:16,150 --> 01:01:13,730

the equations maybe not run short maybe

1358

01:01:17,680 --> 01:01:16,160

multiple trips the internet research

1359

01:01:20,710 --> 01:01:17,690

trying to find out there's a plausible

1360

01:01:22,150 --> 01:01:20,720

explanation those of aircraft maybe they

1361

01:01:25,500 --> 01:01:22,160

saw Venus I mean we're getting that

1362

01:01:28,930 --> 01:01:25,510

right now this time of year again but

1363

01:01:31,480 --> 01:01:28,940

why you know we try to tie up our time

1364

01:01:34,299 --> 01:01:31,490

and especially you know it would cost us

1365

01:01:37,150 --> 01:01:34,309

money in the process when we really love

1366

01:01:38,980 --> 01:01:37,160

to dedicate you know those much time as

1367

01:01:40,990 --> 01:01:38,990

possible it's extremely interesting

1368

01:01:42,670 --> 01:01:41,000

places out there but I'm being

1369

01:01:45,250 --> 01:01:42,680

distracted by somebody who just trying

1370

01:01:47,559 --> 01:01:45,260

to pull a hoax yeah it really muddies

1371

01:01:49,150 --> 01:01:47,569

the water well do you have a website

1372

01:01:52,420 --> 01:01:49,160

we're just about out of time here do you

1373

01:01:56,890 --> 01:01:52,430

have a website yes we do the website is

1374

01:01:58,420 --> 01:01:56,900

called MUFON Ohio calm when we post a

1375

01:02:00,910 --> 01:01:58,430

lot of our events that we've got going

1376

01:02:04,390 --> 01:02:00,920

on this year as a matter of fact a

1377

01:02:06,370 --> 01:02:04,400

trendy little promotion here we've got

1378

01:02:09,309 --> 01:02:06,380

our huddle Buffon conference coming up

1379

01:02:11,680 --> 01:02:09,319

in June and has to be the first making

1380

01:02:13,630 --> 01:02:11,690

of June and we're fortunate to have

1381

01:02:16,839 --> 01:02:13,640

James Fox coming and he did too

1382

01:02:18,370 --> 01:02:16,849

fantastic documentaries finally what I

1383

01:02:20,799 --> 01:02:18,380

saw and out of the blue team has to be

1384

01:02:23,049 --> 01:02:20,809

none of our featured speakers along with

1385

01:02:24,579 --> 01:02:23,059

Nick Redferns coming in it just is

1386

01:02:26,770 --> 01:02:24,589

releasing the brand new book is going to

1387

01:02:29,260 --> 01:02:26,780

be talking about and we were better

1388

01:02:31,299 --> 01:02:29,270

perdon but individual speaking that day

1389

01:02:34,809 --> 01:02:31,309

who's Terry reg is a filiger together

1390

01:02:38,740 --> 01:02:34,819

from Pennsylvania Oh is he the one on

1391

01:02:41,500 --> 01:02:38,750

the orbs yes he is okay yeah and trying

1392

01:02:43,299 --> 01:02:41,510

to reach him actually anyway thanks so

1393

01:02:46,059 --> 01:02:43,309

much for being on the show today I

1394

01:02:48,460 --> 01:02:46,069

really appreciate it alright everyone I

1395

01:02:53,410 --> 01:02:48,470

have some bad news for you the internet

1396

01:02:56,230 --> 01:02:53,420

is down there's high winds where I'm at

1397

01:02:59,620 --> 01:02:56,240

I was not able to do the live show part

1398

01:03:02,579 --> 01:02:59,630

two so chip is probably going to be on

1399

01:03:06,039 --> 01:03:02,589

next week and again I apologize for that

1400

01:03:08,859 --> 01:03:06,049

so that's the end of the show and I

1401

01:03:12,640 --> 01:03:08,869

apologize to the supporters for not

1402

01:03:15,430 --> 01:03:12,650

being able to put up the full two hour

1403

01:03:18,039 --> 01:03:15,440

show I mean no one really wants to just

1404

01:03:19,320 --> 01:03:18,049

listen to me talk for a full hour I

1405

01:03:23,610 --> 01:03:19,330

don't think so

1406

01:03:25,290 --> 01:03:23,620

so anyway again I apologize internet was

1407

01:03:28,110 --> 01:03:25,300

down we had trouble at the Dark Matter

1408

01:03:30,530 --> 01:03:28,120

radio network as well because a computer

1409

01:03:33,870 --> 01:03:30,540

went down so it was one of those nights

1410

01:03:37,140 --> 01:03:33,880

anyway I want to thank Alejandro Rojas

1411

01:03:41,310 --> 01:03:37,150

for the news and i also want to thank

1412

01:03:43,440 --> 01:03:41,320

our guests Tom workman and after that i

1413

01:03:47,490 --> 01:03:43,450

want to thank Terry Lloyd White House

1414

01:03:49,830 --> 01:03:47,500

and Bruce ranier for our music if you go

1415

01:03:53,130 --> 01:03:49,840

on our website podcast UFO com you'll

1416

01:03:57,800 --> 01:03:53,140

see a new blog posted by michael luke

1417

01:04:02,580 --> 01:03:57,810

and that is on comic books and UFOs and

1418

01:04:04,830 --> 01:04:02,590

I also want to thank Peggy shunning for

1419

01:04:06,930 --> 01:04:04,840

managing our Facebook page remember to

1420

01:04:10,560 --> 01:04:06,940

Like us on Facebook for all the latest

1421

01:04:12,870 --> 01:04:10,570

UFO news and again if I could talk an

1422

01:04:14,400 --> 01:04:12,880

hour and make a lot of sense and make it

1423

01:04:18,690 --> 01:04:14,410

interesting I certainly would give it a

1424

01:04:21,030 --> 01:04:18,700

try but I just I can't really think of

1425

01:04:22,830 --> 01:04:21,040

enough to say to fill up a whole hour

1426

01:04:24,930 --> 01:04:22,840

and again I do apologize for the

1427

01:04:26,760 --> 01:04:24,940

supporter I will somehow try to make

1428

01:04:30,060 --> 01:04:26,770

that up to you maybe have an extra long
