

1
00:00:03,439 --> 00:00:02,659
and it hits me oh my gosh this is that

2
00:00:04,519 --> 00:00:03,449
triangle

3
00:00:05,630 --> 00:00:04,529
you know there's explanation for

4
00:00:09,169 --> 00:00:05,640
everything that occurred in the

5
00:00:12,290 --> 00:00:09,179
Rendlesham forest incident it was

6
00:00:25,939 --> 00:00:12,300
completely silent it comes right over

7
00:00:29,179 --> 00:00:25,949

our chat room and don't forget to Like

16

00:00:51,680 --> 00:00:49,320

us on our very active Facebook page

17

00:00:53,660 --> 00:00:51,690

hello everyone this is Martin Willis

18

00:00:56,330 --> 00:00:53,670

your host and first of all I would like

19

00:00:58,490 --> 00:00:56,340

to apologize for last week it was

20

00:01:02,950 --> 00:00:58,500

Murphy's Law kicking in every which way

21

00:01:06,440 --> 00:01:02,960

we had high winds and dark matter radio

22

00:01:09,800 --> 00:01:06,450

we had a fried hard drive it was a

23

00:01:11,359 --> 00:01:09,810

comedy of errors and so we don't really

24

00:01:14,270 --> 00:01:11,369

don't want that to happen again

25

00:01:16,340 --> 00:01:14,280

and this week in our one and also

26

00:01:18,560 --> 00:01:16,350

helping me out with the news is chip

27

00:01:19,969 --> 00:01:18,570

Reich and Thal that's right I said

28

00:01:23,030 --> 00:01:19,979

helping me out with the news and guess

29

00:01:25,700 --> 00:01:23,040

what Alejandro Rojas somehow forgot to

30

00:01:27,469 --> 00:01:25,710

tell me he was on vacation this week so

31

00:01:30,530 --> 00:01:27,479

I'm gonna be doing the news and chips

32

00:01:32,810 --> 00:01:30,540

gonna help me and I refuse to let Murphy

33

00:01:35,539 --> 00:01:32,820

and his laws affect the show this week

34

00:01:37,730 --> 00:01:35,549

so chip will be on later actually

35

00:01:40,940 --> 00:01:37,740

through our one and he's going to be

36

00:01:44,090 --> 00:01:40,950

talking about hypnosis of abductees he's

37

00:01:47,389 --> 00:01:44,100

gonna be talking about his first or his

38

00:01:49,280 --> 00:01:47,399

UFO sighting and this is an interesting

39

00:01:53,420 --> 00:01:49,290

topic we're going to bring up et's

40

00:01:55,100 --> 00:01:53,430

versus ghosts which will be proven first

41

00:01:56,719 --> 00:01:55,110

and it's funny I'm gonna talk to him

42

00:01:58,580 --> 00:01:56,729

about someone that was in my office

43

00:02:01,280 --> 00:01:58,590

today talking about ghosts it was kind

44

00:02:03,620 --> 00:02:01,290

of interesting so an hour two we have

45

00:02:07,819 --> 00:02:03,630

something really kind of exciting it's a

46

00:02:12,110 --> 00:02:07,829

first time speaker Rob Mercer and Rob is

47

00:02:13,700 --> 00:02:12,120

in Ohio MUFON and he also was happened

48

00:02:16,160 --> 00:02:13,710

he happened to be on Craigslist a while

49

00:02:17,630 --> 00:02:16,170

back and he saw something that was

50

00:02:20,440 --> 00:02:17,640

interesting and he went and checked it

51
00:02:24,500 --> 00:02:20,450
out and it was Project Blue Book files

52
00:02:27,290 --> 00:02:24,510
so he found out that who the person was

53
00:02:28,850 --> 00:02:27,300
were they originated from contacted him

54
00:02:31,700 --> 00:02:28,860
the gentleman is still alive he's I

55
00:02:32,810 --> 00:02:31,710
believe in his 80s and he got all kinds

56
00:02:36,290 --> 00:02:32,820
of great move

57
00:02:37,220 --> 00:02:36,300
I'm sorry Project Blue Book stuff that

58
00:02:37,850 --> 00:02:37,230
we're going to talk about it's pretty

59
00:02:39,590 --> 00:02:37,860
exciting

60
00:02:41,450 --> 00:02:39,600
so it's kind of like breaking news and

61
00:02:43,790 --> 00:02:41,460
that's an hour too so I want to thank

62
00:02:45,200 --> 00:02:43,800
everyone for their support and if you

63
00:02:47,450 --> 00:02:45,210

haven't subscribed yet and you want to

64

00:02:50,020 --> 00:02:47,460

00:02:53,060 --> 00:02:50,030

more a month that's just 23 cents a week

66

00:02:54,650 --> 00:02:53,070

and I bought a Starbucks a latte the

67

00:02:56,090 --> 00:02:54,660

other day and it was like 5 something

68

00:02:58,460 --> 00:02:56,100

and I was thinking wow someone can

69

00:03:00,710 --> 00:02:58,470

listen for five months for this one

88
00:03:50,930 --> 00:03:47,760

91

00:03:58,460 --> 00:03:56,250

love the show here and I have to find a

92

00:04:00,860 --> 00:03:58,470

sexier name so I can keep up with you

93

00:04:03,050 --> 00:04:00,870

know Han grow as far as doing the news

94

00:04:05,300 --> 00:04:03,060

goes but great to be here thank you you

95

00:04:06,770 --> 00:04:05,310

cans Latin eyes your name somehow I have

96

00:04:08,540 --> 00:04:06,780

to work on that well then it would be

97

00:04:10,790 --> 00:04:08,550

cheap and that just doesn't cut it

98

00:04:12,770 --> 00:04:10,800

you know first of all I want to say as

99

00:04:15,710 --> 00:04:12,780

far as the news goes all the links are

100

00:04:17,750 --> 00:04:15,720

right on our show notes at podcast UFO

101
00:04:21,650 --> 00:04:17,760
calm and they're all from they all

102
00:04:23,690 --> 00:04:21,660
originate at open minds dot TV and we're

103
00:04:26,840 --> 00:04:23,700
going to start out Pennsylvania UFO

104
00:04:27,510 --> 00:04:26,850
described as Star Trek shimmery now this

105
00:04:29,700 --> 00:04:27,520
guy sounds

106
00:04:32,100 --> 00:04:29,710
the real observer here he was out

107
00:04:33,930 --> 00:04:32,110
walking his dog and he had a satellite

108
00:04:36,089 --> 00:04:33,940
app on his phone and he was looking at

109
00:04:37,460 --> 00:04:36,099
satellites spotting them and all of a

110
00:04:42,649 --> 00:04:37,470
sudden out of the corner of his eye he

111
00:04:45,180 --> 00:04:42,659
sees a like a black triangle and then he

112
00:04:47,760 --> 00:04:45,190
it was like a Flying V across the

113
00:04:49,860 --> 00:04:47,770

southwest to the northwest and he gives

114

00:04:52,170 --> 00:04:49,870

all this really detailed information

115

00:04:53,969 --> 00:04:52,180

about holding his thumb up in front of

116

00:04:56,999 --> 00:04:53,979

his eye and trying to see how big the

117

00:04:59,279 --> 00:04:57,009

thing was he guesses approximately how

118

00:05:02,279 --> 00:04:59,289

big how fast it was going anyway that

119

00:05:04,140 --> 00:05:02,289

story's right right on our website the

120

00:05:07,439 --> 00:05:04,150

link to it and what do you think did you

121

00:05:10,290 --> 00:05:07,449

read that chip yeah I did Martin and you

122

00:05:13,499 --> 00:05:10,300

know I look I'm I think a lot about this

123

00:05:16,320 --> 00:05:13,509

especially in Pennsylvania but Lancaster

124

00:05:19,230 --> 00:05:16,330

County and I I'm mainly known as a

125

00:05:23,040 --> 00:05:19,240

paranormal guy but I'm very tied into

126
00:05:25,559 --> 00:05:23,050
the UFO community there Wilfong level 5

127
00:05:29,339 --> 00:05:25,569
which means that there's more sightings

128
00:05:32,339 --> 00:05:29,349
in Pennsylvania and around that area

129
00:05:34,050 --> 00:05:32,349
Lancaster County area than just about

130
00:05:37,290 --> 00:05:34,060
any other state in the country you know

131
00:05:40,290 --> 00:05:37,300
9 sightings alone in February so it says

132
00:05:42,450 --> 00:05:40,300
a lot you know it ties into something

133
00:05:45,149 --> 00:05:42,460
and admittedly out you know I'm a little

134
00:05:47,219 --> 00:05:45,159
sentimental today at that plane crash in

135
00:05:48,600 --> 00:05:47,229
the French Alps you know you see world

136
00:05:51,240 --> 00:05:48,610
leaders hugging each other and crying

137
00:05:53,339 --> 00:05:51,250
and that that can I think I can't help

138
00:05:55,170 --> 00:05:53,349

but be affected by that but there's

139

00:05:57,990 --> 00:05:55,180

something that ties into this story and

140

00:06:00,209 --> 00:05:58,000

I'll be brief about it but again in

141

00:06:02,269 --> 00:06:00,219

southern France there was a guy who

142

00:06:04,589 --> 00:06:02,279

works with helicopters and quad

143

00:06:08,279 --> 00:06:04,599

quadrocopters that builds the star

144

00:06:10,740 --> 00:06:08,289

trek-like flying devices and one is

145

00:06:11,070 --> 00:06:10,750

triangular-shaped it's got LED lights on

146

00:06:15,029 --> 00:06:11,080

it

147

00:06:17,700 --> 00:06:15,039

been creating stuff in the South of

148

00:06:19,890 --> 00:06:17,710

France for a long time now you know kind

149

00:06:22,499 --> 00:06:19,900

of like some of the guys we brought in

150

00:06:26,010 --> 00:06:22,509

from Germany back in the 40s to you know

151
00:06:28,080 --> 00:06:26,020
help us out with rocket propulsion and

152
00:06:30,390 --> 00:06:28,090
things of that nature and it looks very

153
00:06:34,320 --> 00:06:30,400
much similar to what this guy described

154
00:06:36,839 --> 00:06:34,330
so it could be something you know

155
00:06:38,610 --> 00:06:36,849
explainable here but it also could be

156
00:06:41,430 --> 00:06:38,620
something else because in Pennsylvania

157
00:06:44,220 --> 00:06:41,440
they've got Bigfoot they've got this dog

158
00:06:46,530 --> 00:06:44,230
you know lots of UFO sighting MUFON

159
00:06:48,660 --> 00:06:46,540
level five so there could be something

160
00:06:49,790 --> 00:06:48,670
to it yeah you do you're right you'd

161
00:06:52,710 --> 00:06:49,800
hear all kinds of things about

162
00:06:55,770 --> 00:06:52,720
Pennsylvania and and Bigfoot is no

163
00:06:58,590 --> 00:06:55,780

stranger there for sure so secondly I'd

164

00:07:00,570 --> 00:06:58,600

like to talk about the SETI just had an

165

00:07:03,180 --> 00:07:00,580

upgrade and I think it's kind of funny

166

00:07:05,880 --> 00:07:03,190

if anyone is supporting the show and

167

00:07:08,970 --> 00:07:05,890

they went in to look on our on get

168

00:07:12,870 --> 00:07:08,980

Joyride they saw that I posted a debate

169

00:07:14,400 --> 00:07:12,880

with us Seth Shostak from SETI I posted

170

00:07:15,900 --> 00:07:14,410

it last week it's still up there if

171

00:07:18,030 --> 00:07:15,910

anyone is supporting the show they can

172

00:07:21,060 --> 00:07:18,040

listen and it's a UFO debate and I

173

00:07:24,450 --> 00:07:21,070

talked to him about sort of about this

174

00:07:26,490 --> 00:07:24,460

now they have this new on the radio

175

00:07:28,200 --> 00:07:26,500

telescope so doing an infrared thing

176

00:07:29,700 --> 00:07:28,210

it's an upgrade from just the radio

177

00:07:30,900 --> 00:07:29,710

waves and that's one of the questions I

178

00:07:33,290 --> 00:07:30,910

asked him I said isn't that kind of

179

00:07:36,480 --> 00:07:33,300

primitive you know if you're thinking

180

00:07:38,370 --> 00:07:36,490

civilizations are real advanced way

181

00:07:41,250 --> 00:07:38,380

advanced of us and you're looking for

182

00:07:42,840 --> 00:07:41,260

them in radio waves and he said well you

183

00:07:43,890 --> 00:07:42,850

know basically he said and I thought he

184

00:07:46,200 --> 00:07:43,900

actually had a good point

185

00:07:47,909 --> 00:07:46,210

he said that well it's better than doing

186

00:07:51,270 --> 00:07:47,919

nothing we're just exploring with what

187

00:07:52,830 --> 00:07:51,280

we know and so I have to agree it was

188

00:07:57,990 --> 00:07:52,840

really hard to agree with that point but

189

00:08:00,690 --> 00:07:58,000

I that point and you did you Frank Drake

190

00:08:03,480 --> 00:08:00,700

God he's like 84 years old or something

191

00:08:05,130 --> 00:08:03,490

and I don't really agree that much with

192

00:08:09,030 --> 00:08:05,140

the Drake Equation and all that but he

193

00:08:10,920 --> 00:08:09,040

is a pioneer of SETI yeah yeah are you

194

00:08:16,170 --> 00:08:10,930

familiar with SETI at all their trip I

195

00:08:19,110 --> 00:08:16,180

am and you know I look I got to be

196

00:08:21,330 --> 00:08:19,120

honest here because I like that they're

197

00:08:23,909 --> 00:08:21,340

thinking infrared but this guy started

198

00:08:25,620 --> 00:08:23,919

with radio and if if radio waves are

199

00:08:29,370 --> 00:08:25,630

moving at the speed of light then we've

200

00:08:32,219 --> 00:08:29,380

only hit what like maybe 60 light-years

201
00:08:35,490 --> 00:08:32,229
I mean we're in the asteroid belt maybe

202
00:08:37,230 --> 00:08:35,500
so it'll take a while really before we

203
00:08:41,640 --> 00:08:37,240
could reach a civilization that hears

204
00:08:45,030 --> 00:08:41,650
about radio you know but these guys are

205
00:08:46,620 --> 00:08:45,040
more astronomers than Frank Drake is you

206
00:08:49,380 --> 00:08:46,630
know he's working with microwaves

207
00:08:51,329 --> 00:08:49,390
they're working with infrared and from I

208
00:08:53,860 --> 00:08:51,339
don't know my experience

209
00:08:56,740 --> 00:08:53,870
astronomers seem to be

210
00:08:59,080 --> 00:08:56,750
kind of non-believers you know they they

211
00:09:02,050 --> 00:08:59,090
see what they see and and they don't see

212
00:09:03,640 --> 00:09:02,060
any evidence of life elsewhere even

213
00:09:06,100 --> 00:09:03,650

though they're really looking for it and

214

00:09:07,960 --> 00:09:06,110

look there's a lot of possibilities on

215

00:09:09,580 --> 00:09:07,970

the moons and Jupiter and Saturn where

216

00:09:11,890 --> 00:09:09,590

they're seeing the possibilities of

217

00:09:13,930 --> 00:09:11,900

water very similar to what we have and

218

00:09:16,329 --> 00:09:13,940

there could be maybe microbial life

219

00:09:18,610 --> 00:09:16,339

maybe even oceanic life you know

220

00:09:20,260 --> 00:09:18,620

something this week just discovered on

221

00:09:22,630 --> 00:09:20,270

Mars I don't know if you read that oh

222

00:09:25,360 --> 00:09:22,640

yeah with the with the soil samples okay

223

00:09:27,130 --> 00:09:25,370

this is where kind of like this week as

224

00:09:30,150 --> 00:09:27,140

opposed to last week where they're

225

00:09:32,860 --> 00:09:30,160

really making lemonade out of lemons

226

00:09:35,970 --> 00:09:32,870

something leaked into their samples but

227

00:09:38,740 --> 00:09:35,980

it turns out that they found two percent

228

00:09:41,140 --> 00:09:38,750

water which means there once was water

229

00:09:42,820 --> 00:09:41,150

there and could even be something

230

00:09:45,220 --> 00:09:42,830

underground I mean there's a lot of

231

00:09:47,470 --> 00:09:45,230

possibilities it seems like you know if

232

00:09:50,050 --> 00:09:47,480

they're looking at the theory of

233

00:09:52,300 --> 00:09:50,060

panspermia where we originated from

234

00:09:53,950 --> 00:09:52,310

somewhere else like an asteroid or

235

00:09:57,070 --> 00:09:53,960

something of this sort it could have

236

00:10:00,010 --> 00:09:57,080

been Mars absolutely okay we're ready to

237

00:10:03,190 --> 00:10:00,020

move on to the last story and it's an mo

238

00:10:05,920 --> 00:10:03,200

D ministry of defence helicopter chases

239

00:10:07,750 --> 00:10:05,930

for UFOs in England this family was

240

00:10:09,690 --> 00:10:07,760

outdoors enjoying a barbecue

241

00:10:11,950 --> 00:10:09,700

and all of a sudden they heard a

242

00:10:14,440 --> 00:10:11,960

helicopter and they looked at it was

243

00:10:17,710 --> 00:10:14,450

chasing UFOs through the sky now the

244

00:10:19,840 --> 00:10:17,720

woman told her husband told her son I

245

00:10:21,940 --> 00:10:19,850

guess to run and get the camera so he

246

00:10:23,530 --> 00:10:21,950

came back and was just a regular camera

247

00:10:25,150 --> 00:10:23,540

nothing special didn't have a zoom or

248

00:10:27,040 --> 00:10:25,160

anything they snapped a couple of photos

249

00:10:29,980 --> 00:10:27,050

so if you look at we have a picture

250

00:10:33,340 --> 00:10:29,990

right on our show notes or on our home

251
00:10:35,110 --> 00:10:33,350
page on podcast UFO comm and it looks

252
00:10:37,210 --> 00:10:35,120
just like what you would think of as a

253
00:10:40,570 --> 00:10:37,220
Maui Island sighting which was actually

254
00:10:42,490 --> 00:10:40,580
before Roswell back in 1947 they said

255
00:10:45,490 --> 00:10:42,500
they had these doughnut shaped UFOs that

256
00:10:47,590 --> 00:10:45,500
were flying over and one of them started

257
00:10:49,930 --> 00:10:47,600
having trouble and started spilling like

258
00:10:51,579 --> 00:10:49,940
this lava stuff off of it and landed on

259
00:10:54,160 --> 00:10:51,589
the boat killed the dog injured the boy

260
00:10:55,660 --> 00:10:54,170
all that stuff anyway if you look at

261
00:10:57,699 --> 00:10:55,670
this picture it's definitely one of

262
00:11:02,800 --> 00:10:57,709
those donut shaped UFOs and they're back

263
00:11:04,870 --> 00:11:02,810

did you look at it I did and well it's

264

00:11:06,770 --> 00:11:04,880

funny because if you look around the

265

00:11:09,380 --> 00:11:06,780

world there are

266

00:11:11,360 --> 00:11:09,390

countries that take UFO sightings and

267

00:11:14,600 --> 00:11:11,370

extraterrestrials much more seriously

268

00:11:17,120 --> 00:11:14,610

than we do and they're really out over

269

00:11:18,620 --> 00:11:17,130

it much more than the United States and

270

00:11:21,440 --> 00:11:18,630

England I mean those are the two places

271

00:11:23,900 --> 00:11:21,450

that seems to be the most reserved as

272

00:11:25,910 --> 00:11:23,910

far as admitting anything it's a miracle

273

00:11:27,950 --> 00:11:25,920

we got Project Blue Book you know which

274

00:11:30,770 --> 00:11:27,960

something we'll talk about and that goes

275

00:11:32,720 --> 00:11:30,780

first as UFOs things later on the hour I

276

00:11:36,410 --> 00:11:32,730

take it very seriously this one

277

00:11:38,930 --> 00:11:36,420

especially because things seem to come

278

00:11:42,020 --> 00:11:38,940

back to areas like England and Ireland

279

00:11:45,440 --> 00:11:42,030

you know and maybe it's something from

280

00:11:48,980 --> 00:11:45,450

ancient times but it just seems like

281

00:11:50,570 --> 00:11:48,990

things tend to show up there that

282

00:11:54,350 --> 00:11:50,580

haven't shown up there in a long time

283

00:11:56,180 --> 00:11:54,360

and they don't really speak out much

284

00:11:58,040 --> 00:11:56,190

about this sort of thing so there has to

285

00:12:00,020 --> 00:11:58,050

be something to this one I think I

286

00:12:01,580 --> 00:12:00,030

remember I'm turning around the

287

00:12:04,700 --> 00:12:01,590

gentleman's name his name is Simon

288

00:12:07,520 --> 00:12:04,710

something I interviewed him in England

289

00:12:09,710 --> 00:12:07,530

he was in an area of England that with

290

00:12:11,180 --> 00:12:09,720

really bad weather and I said have you

291

00:12:17,750 --> 00:12:11,190

ever had a sighting he goes no I never

292

00:12:19,460 --> 00:12:17,760

even see the sky hey well you know

293

00:12:23,900 --> 00:12:19,470

that's it for the news this week and

294

00:12:26,450 --> 00:12:23,910

take that Alejandro Rojas we did it so

295

00:12:28,060 --> 00:12:26,460

hey thanks chip for helping me out there

296

00:12:31,130 --> 00:12:28,070

and let's let's get started with you

297

00:12:32,750 --> 00:12:31,140

because a number of my listeners have

298

00:12:34,310 --> 00:12:32,760

not a clue who you are so why don't you

299

00:12:37,610 --> 00:12:34,320

go ahead and give your background yeah

300

00:12:40,070 --> 00:12:37,620

absolutely I'm actually more known for a

301

00:12:43,190 --> 00:12:40,080

paranormal guy but I'm very tied into

302

00:12:44,930 --> 00:12:43,200

the UF ology and extraterrestrials and I

303

00:12:47,330 --> 00:12:44,940

have a lot of friends who have expen

304

00:12:49,880 --> 00:12:47,340

either what they call experiencers which

305

00:12:52,330 --> 00:12:49,890

means they had either benign or positive

306

00:12:55,310 --> 00:12:52,340

experiences was what they consider to be

307

00:12:57,920 --> 00:12:55,320

extraterrestrial beings and abductees

308

00:13:01,010 --> 00:12:57,930

and I'm also certified as a

309

00:13:02,870 --> 00:13:01,020

hypnotherapist so I'm familiar with some

310

00:13:06,080 --> 00:13:02,880

of the hypnosis techniques that they use

311

00:13:08,470 --> 00:13:06,090

to talk to a abductees but I'm probably

312

00:13:12,200 --> 00:13:08,480

that best known as a radio host

313

00:13:14,390 --> 00:13:12,210

including a time here a very honored

314

00:13:17,060 --> 00:13:14,400

time on dark matter on a show called

315

00:13:19,490 --> 00:13:17,070

keeping the spirits alive I was co-host

316

00:13:20,180 --> 00:13:19,500

with my buddy John Tobin I had opening

317

00:13:22,340 --> 00:13:20,190

editorials

318

00:13:24,710 --> 00:13:22,350

called chip isms I have a book published

319

00:13:26,030 --> 00:13:24,720

that is more of a paranormal thing it's

320

00:13:28,550 --> 00:13:26,040

called even the dead won't tell you the

321

00:13:31,610 --> 00:13:28,560

truth it's kind of a murder mystery that

322

00:13:33,860 --> 00:13:31,620

is from the point of view of somebody

323

00:13:36,650 --> 00:13:33,870

who talks to dead people sign you got

324

00:13:38,210 --> 00:13:36,660

some first-person perspective there but

325

00:13:40,340 --> 00:13:38,220

I've also written a couple of science

326

00:13:42,650 --> 00:13:40,350

fiction books and so I've done a lot of

327

00:13:44,690 --> 00:13:42,660

research on extraterrestrials and you'll

328

00:13:47,000 --> 00:13:44,700

ethology and some of the deeper stuff

329

00:13:51,920 --> 00:13:47,010

that you know most people don't get to

330

00:13:54,770 --> 00:13:51,930

see but yeah I'm currently hosting a

331

00:13:57,050 --> 00:13:54,780

show on the a1 B radio network called

332

00:13:59,060 --> 00:13:57,060

beyond the norm where we talk about all

333

00:14:02,630 --> 00:13:59,070

aspects of paranormal and metaphysical

334

00:14:04,250 --> 00:14:02,640

annual anthology Wow great Wow well it's

335

00:14:07,220 --> 00:14:04,260

it's great to have you on I've always

336

00:14:09,920 --> 00:14:07,230

enjoyed talking to you Oh likewise yeah

337

00:14:11,360 --> 00:14:09,930

it's an honor thank you and what we were

338

00:14:12,830 --> 00:14:11,370

going to talk this week I'm trying to

339

00:14:15,110 --> 00:14:12,840

remember what the subjects were one of

340

00:14:18,170 --> 00:14:15,120

them was you had a sighting so let's

341

00:14:20,660 --> 00:14:18,180

talk about that yeah I did a couple of

342

00:14:24,620 --> 00:14:20,670

them actually and and the one I didn't

343

00:14:27,080 --> 00:14:24,630

mention to you may be profound than the

344

00:14:29,750 --> 00:14:27,090

first one but the first one when I was

345

00:14:33,680 --> 00:14:29,760

10 years old I was with my best friend

346

00:14:35,420 --> 00:14:33,690

growing up and we were having an

347

00:14:37,820 --> 00:14:35,430

argument which was very rare because we

348

00:14:39,770 --> 00:14:37,830

got along really well and all of a

349

00:14:42,860 --> 00:14:39,780

sudden we saw this thing up in the sky

350

00:14:46,010 --> 00:14:42,870

and it was very close to us when I'm

351
00:14:50,120 --> 00:14:46,020
kind of old so when I was 10 there was a

352
00:14:53,200 --> 00:14:50,130
show called lost in space on TV and they

353
00:14:55,910 --> 00:14:53,210
had a spaceship yeah

354
00:14:59,000 --> 00:14:55,920
mommy and I talked on Facebook now and

355
00:15:01,580 --> 00:14:59,010
then no kidding oh I everybody thought I

356
00:15:05,780 --> 00:15:01,590
looked like him I was like a kind of a

357
00:15:10,190 --> 00:15:05,790
twin of his so that's Wow please send

358
00:15:17,120 --> 00:15:10,200
him my love next time you talk to him on

359
00:15:19,040 --> 00:15:17,130
the show so he decided to ignore me but

360
00:15:21,440 --> 00:15:19,050
anyway I mean this thing was it was

361
00:15:23,450 --> 00:15:21,450
almost exactly like the lost in

362
00:15:26,000 --> 00:15:23,460
spaceship it was it was really you know

363
00:15:27,260 --> 00:15:26,010

round and kind of big I mean it was

364

00:15:29,690 --> 00:15:27,270

close up to us and there were

365

00:15:32,130 --> 00:15:29,700

multicolored lights about a third of the

366

00:15:34,530 --> 00:15:32,140

circumference of this disk and it

367

00:15:39,030 --> 00:15:34,540

herd over us for maybe 11 seconds and

368

00:15:42,870 --> 00:15:39,040

then jolted like quickly to the left and

369

00:15:45,900 --> 00:15:42,880

then quickly - like this and then darted

370

00:15:49,560 --> 00:15:45,910

off and and we just well needless to say

371

00:15:52,950 --> 00:15:49,570

it stopped our argument but a couple of

372

00:15:56,010 --> 00:15:52,960

years later we saw one and it was a

373

00:15:57,890 --> 00:15:56,020

cloud in the sky and it was the kind of

374

00:16:01,890 --> 00:15:57,900

day where the clouds were moving along

375

00:16:04,350 --> 00:16:01,900

but this one cloud stayed still and even

376

00:16:06,900 --> 00:16:04,360

other clouds were penetrating through it

377

00:16:09,300 --> 00:16:06,910

and even though we were rather young at

378

00:16:11,940 --> 00:16:09,310

the time still it was I think we were 13

379

00:16:15,780 --> 00:16:11,950

you know it was over a buddy's house in

380

00:16:18,120 --> 00:16:15,790

the same neighborhood and it really for

381

00:16:21,980 --> 00:16:18,130

about three hours just hovered there Wow

382

00:16:24,570 --> 00:16:21,990

and then like we all I don't know got

383

00:16:27,570 --> 00:16:24,580

distracted and we turned and the thing

384

00:16:29,520 --> 00:16:27,580

was gone and I'm thinking you know if

385

00:16:31,740 --> 00:16:29,530

you talk of duction cases or things like

386

00:16:33,870 --> 00:16:31,750

that where other neighbors don't see

387

00:16:36,540 --> 00:16:33,880

this thing a lot of times and you know

388

00:16:38,820 --> 00:16:36,550

maybe if they're hovering in some sort

389

00:16:40,530 --> 00:16:38,830

of cloud type of thing you know then

390

00:16:43,410 --> 00:16:40,540

maybe they can get away with a lot of

391

00:16:44,970 --> 00:16:43,420

stuff that way how about that well I

392

00:16:47,610 --> 00:16:44,980

want to remind everyone who's listening

393

00:16:49,800 --> 00:16:47,620

live he can jump over to podcast UFO

394

00:16:51,480 --> 00:16:49,810

comm right on the right hand side

395

00:16:53,220 --> 00:16:51,490

there's a chat room you can jump in

396

00:16:56,520 --> 00:16:53,230

there and you can ask our guests a

397

00:16:58,830 --> 00:16:56,530

question it's real easy sign up so chip

398

00:17:01,260 --> 00:16:58,840

so how did that did did you talk about

399

00:17:04,920 --> 00:17:01,270

it with your friends a lot after that

400

00:17:10,079 --> 00:17:04,930

happened yeah we did you know and look

401
00:17:12,210 --> 00:17:10,089
it's it's at a time where I mean you

402
00:17:14,490 --> 00:17:12,220
just didn't talk about that stuff so it

403
00:17:16,560 --> 00:17:14,500
was I mean the first sighting with my

404
00:17:18,600 --> 00:17:16,570
best buddy and I yeah we talked about

405
00:17:21,000 --> 00:17:18,610
that one a lot we thought it was cool

406
00:17:22,590 --> 00:17:21,010
you know because it tied into lost in

407
00:17:24,150 --> 00:17:22,600
space and it was like our favorite show

408
00:17:27,329 --> 00:17:24,160
at the time you know I mean that was

409
00:17:29,870 --> 00:17:27,339
that was a big huge show it was in its

410
00:17:32,640 --> 00:17:29,880
day you know it's like everybody at

411
00:17:34,770 --> 00:17:32,650
school talked about it you know the next

412
00:17:36,360 --> 00:17:34,780
day it was that sort of thing but we

413
00:17:38,430 --> 00:17:36,370

didn't really talk about it with other

414

00:17:40,620 --> 00:17:38,440

people that much we mentioned it to our

415

00:17:42,870 --> 00:17:40,630

parents and our parents each encouraged

416

00:17:44,190 --> 00:17:42,880

us to kind of keep it quiet because

417

00:17:45,490 --> 00:17:44,200

that's the type of thing that might

418

00:17:48,520 --> 00:17:45,500

games give you a free

419

00:17:50,740 --> 00:17:48,530

label or get you ostracized just like a

420

00:17:52,240 --> 00:17:50,750

paranormal experience you know you know

421

00:17:54,720 --> 00:17:52,250

in that day and age you just didn't

422

00:17:58,690 --> 00:17:54,730

mention it so we kind of kept mum on it

423

00:18:01,180 --> 00:17:58,700

but for me when other people talk about

424

00:18:02,890 --> 00:18:01,190

sightings you know there's still even in

425

00:18:04,120 --> 00:18:02,900

this day and age where everything seems

426

00:18:06,670 --> 00:18:04,130

out there on the Internet

427

00:18:08,920 --> 00:18:06,680

and even the news has to be a little TMI

428

00:18:11,410 --> 00:18:08,930

now you know

429

00:18:13,210 --> 00:18:11,420

heustis it still comes with some risk

430

00:18:16,180 --> 00:18:13,220

when you talk about sightings or

431

00:18:20,320 --> 00:18:16,190

abductions or experiences or anything of

432

00:18:22,240 --> 00:18:20,330

that nature so I look I tend to take it

433

00:18:24,370 --> 00:18:22,250

at face value if somebody comes out and

434

00:18:26,710 --> 00:18:24,380

so something you know because I'm

435

00:18:28,840 --> 00:18:26,720

dealing with people that go to haunted

436

00:18:31,870 --> 00:18:28,850

houses and see apparitions for a living

437

00:18:36,160 --> 00:18:31,880

you know and and there's a lot of

438

00:18:37,690 --> 00:18:36,170

similarities in some of the \hat{H} the kind

439

00:18:39,640 --> 00:18:37,700

of pay attention to some of the quantum

440

00:18:41,140 --> 00:18:39,650

physics because there's some potential

441

00:18:43,840 --> 00:18:41,150

explanation so I don't think we're quite

442

00:18:46,240 --> 00:18:43,850

there yet but maybe in 50 years or so

443

00:18:48,310 --> 00:18:46,250

you know things will get clearer and the

444

00:18:51,340 --> 00:18:48,320

physics that we're learning at CERN in

445

00:18:54,370 --> 00:18:51,350

Geneva and the way particles go about

446

00:18:56,770 --> 00:18:54,380

and maybe wormholes and multiple

447

00:18:59,130 --> 00:18:56,780

universes and stuff like that you know

448

00:19:02,320 --> 00:18:59,140

everything will make a lot more sense

449

00:19:05,920 --> 00:19:02,330

but yeah I'm a believer but I'll tell

450

00:19:09,220 --> 00:19:05,930

you what it makes no sum of quantum

451
00:19:11,650 --> 00:19:09,230
physics quantum mechanics and you make

452
00:19:14,700 --> 00:19:11,660
absolutely no sense well that's that's

453
00:19:18,190 --> 00:19:14,710
you know what kills me about it is look

454
00:19:22,630 --> 00:19:18,200
and especially as either a ghost or a

455
00:19:24,940 --> 00:19:22,640
UFO or et guy you look at electricity

456
00:19:27,010 --> 00:19:24,950
nobody really knows how it works they

457
00:19:29,560 --> 00:19:27,020
just know that it works it's something

458
00:19:31,210 --> 00:19:29,570
it's an energy they can't see microwaves

459
00:19:33,220 --> 00:19:31,220
radio signals

460
00:19:34,870 --> 00:19:33,230
you know infrared lights these are all

461
00:19:37,360 --> 00:19:34,880
things that we can't see but we're

462
00:19:40,690 --> 00:19:37,370
perfectly acceptable love and especially

463
00:19:43,240 --> 00:19:40,700

science and it just seems that you know

464

00:19:46,090 --> 00:19:43,250

science right now thinks it's got its

465

00:19:48,220 --> 00:19:46,100

bearings you know I mean in the 1500s

466

00:19:51,250 --> 00:19:48,230

they thought they knew everything when

467

00:19:53,980 --> 00:19:51,260

the world was flat right you know so I

468

00:19:56,230 --> 00:19:53,990

mean it just seems in each day and age

469

00:19:57,820 --> 00:19:56,240

we think that the physics that we have

470

00:20:00,549 --> 00:19:57,830

are the science that we have

471

00:20:02,740 --> 00:20:00,559

is the end all know all you know and

472

00:20:05,680 --> 00:20:02,750

these guys are talking about spooky

473

00:20:07,899 --> 00:20:05,690

action at a distance but they won't they

474

00:20:08,529 --> 00:20:07,909

won't entertain ghosts that kills me a

475

00:20:10,779 --> 00:20:08,539

little bit

476

00:20:13,570 --> 00:20:10,789

I actually am starting to believe that

477

00:20:16,029 --> 00:20:13,580

it's possible that apparitions or ghosts

478

00:20:18,580 --> 00:20:16,039

could actually be living people in a

479

00:20:22,090 --> 00:20:18,590

time warp because our physics is

480

00:20:24,669 --> 00:20:22,100

starting to go there I like now they're

481

00:20:27,610 --> 00:20:24,679

talking about this multiverse theory if

482

00:20:29,649 --> 00:20:27,620

our universe is infinite than just by

483

00:20:32,470 --> 00:20:29,659

definition there has to be an infinite

484

00:20:34,990 --> 00:20:32,480

amount of universes parallel to ours and

485

00:20:37,419 --> 00:20:35,000

these travelers could possibly come from

486

00:20:41,350 --> 00:20:37,429

completely different universes through

487

00:20:43,240 --> 00:20:41,360

wormholes and and and what they say

488

00:20:46,360 --> 00:20:43,250

about these multiverses you know each

489

00:20:49,419 --> 00:20:46,370

potential universe has its own space and

490

00:20:52,539 --> 00:20:49,429

time so a universe parallel to ours

491

00:20:55,029 --> 00:20:52,549

could be lost 10 years ago you know or a

492

00:20:58,029 --> 00:20:55,039

hundred years ago and maybe sometimes

493

00:21:01,570 --> 00:20:58,039

those things meld and we see people from

494

00:21:04,299 --> 00:21:01,580

the 1890s you know or the 1960s telling

495

00:21:07,000 --> 00:21:04,309

us to get out of their house I I think

496

00:21:09,850 --> 00:21:07,010

some of these extraterrestrial sightings

497

00:21:12,399 --> 00:21:09,860

it could also be that I mean it's it's

498

00:21:15,549 --> 00:21:12,409

some of that stuff makes sense because

499

00:21:18,490 --> 00:21:15,559

of the the black holes I look I'm an

500

00:21:22,330 --> 00:21:18,500

Einstein guy I I like what he said and

501
00:21:25,299 --> 00:21:22,340
what he did and some of this one whole

502
00:21:28,330 --> 00:21:25,309
thing I mean the opening stargates is a

503
00:21:30,940 --> 00:21:28,340
very likely possible thing but the

504
00:21:33,039 --> 00:21:30,950
people that report the extraterrestrial

505
00:21:35,919 --> 00:21:33,049
sightings and I especially pay attention

506
00:21:37,870 --> 00:21:35,929
to experiencers those who have had

507
00:21:40,930 --> 00:21:37,880
either benign or positive sightings

508
00:21:43,629 --> 00:21:40,940
because I'm I'm a good guy and I like

509
00:21:47,950 --> 00:21:43,639
positive things so I pay attention to

510
00:21:49,539 --> 00:21:47,960
them but also with abductees and every

511
00:21:52,529 --> 00:21:49,549
case seems similar in that they're

512
00:21:54,970 --> 00:21:52,539
communicating with us telepathically and

513
00:21:57,909 --> 00:21:54,980

you know I look I work with a lot of

514

00:22:00,310 --> 00:21:57,919

psychics psychics used this thing in

515

00:22:02,620 --> 00:22:00,320

their brain called the pineal gland it's

516

00:22:04,720 --> 00:22:02,630

like the third eye you know in

517

00:22:08,500 --> 00:22:04,730

meditation and things like that it opens

518

00:22:11,379 --> 00:22:08,510

them up and there's some conspiracy

519

00:22:20,289 --> 00:22:11,389

theories interestingly enough that's

520

00:22:24,669 --> 00:22:20,299

to kind of kill that theory you know but

521

00:22:29,469 --> 00:22:24,679

I just I like to think that if we can

522

00:22:30,999 --> 00:22:29,479

better use our pineal glands it says

523

00:22:32,769 --> 00:22:31,009

that there's fluoride in the water these

524

00:22:37,449 --> 00:22:32,779

conspiracy theories by the way I'm sorry

525

00:22:41,079 --> 00:22:37,459

I drifted there below and it's TV early

526

00:22:44,409 --> 00:22:41,089

television is all designed to kill our

527

00:22:47,619 --> 00:22:44,419

pineal gland so we're more determined to

528

00:22:51,489 --> 00:22:47,629

follow others and not be individuals but

529

00:22:54,039 --> 00:22:51,499

be part of a group you know so it's kind

530

00:22:57,069 --> 00:22:54,049

of interesting to note that some of

531

00:22:58,839 --> 00:22:57,079

these extraterrestrials especially the

532

00:23:01,269 --> 00:22:58,849

most positive ones are these light

533

00:23:03,249 --> 00:23:01,279

beings they don't even need their own

534

00:23:05,019 --> 00:23:03,259

bodies to travel they can do it with

535

00:23:07,349 --> 00:23:05,029

their minds and use their minds to

536

00:23:10,989 --> 00:23:07,359

communicate and these Grey's that

537

00:23:13,239 --> 00:23:10,999

abductees talk about they function like

538

00:23:14,889 --> 00:23:13,249

a group of insects almost you know and

539

00:23:16,749 --> 00:23:14,899

there seems to be a queen bee and

540

00:23:18,819 --> 00:23:16,759

there's drones and there's workers

541

00:23:21,339 --> 00:23:18,829

they're not emotional they're doing

542

00:23:24,190 --> 00:23:21,349

their job it's like the way we would

543

00:23:28,259 --> 00:23:24,200

treat monkeys in a science lab it's kind

544

00:23:31,060 --> 00:23:28,269

of the same thing and you know look if

545

00:23:33,789 --> 00:23:31,070

we're gonna grow to be as advanced as

546

00:23:35,680 --> 00:23:33,799

these extraterrestrials seemingly then

547

00:23:38,769 --> 00:23:35,690

we would have to maybe a hundred two

548

00:23:41,889 --> 00:23:38,779

hundred three hundred years from now the

549

00:23:44,019 --> 00:23:41,899

even more superior and they're saying

550

00:23:45,849 --> 00:23:44,029

that our heads will get bigger and our

551
00:23:46,749 --> 00:23:45,859
eyes could get bigger these could be us

552
00:23:50,139 --> 00:23:46,759
from the future

553
00:23:51,969 --> 00:23:50,149
you know recreating their own

554
00:23:54,149 --> 00:23:51,979
great-great-great great-great-great

555
00:23:56,799 --> 00:23:54,159
grandchildren I mean we don't know that

556
00:23:59,709 --> 00:23:56,809
I think I've actually said that before

557
00:24:02,199 --> 00:23:59,719
only only because I was listening to a

558
00:24:05,589 --> 00:24:02,209
scientists talk about you know the

559
00:24:07,599 --> 00:24:05,599
difference in a billion years from now

560
00:24:08,469 --> 00:24:07,609
is like a difference of a million years

561
00:24:12,159 --> 00:24:08,479
in the past

562
00:24:14,709 --> 00:24:12,169
that we will be unrecognizable you know

563
00:24:19,209 --> 00:24:14,719

I mean if if the evolution if evolution

564

00:24:22,089 --> 00:24:19,219

you know moves forward it's just natural

565

00:24:24,309 --> 00:24:22,099

science that we will be completely what

566

00:24:24,860 --> 00:24:24,319

we're not if you actually survive that

567

00:24:27,080 --> 00:24:24,870

is

568

00:24:29,750 --> 00:24:27,090

well yeah and it doesn't look likely and

569

00:24:33,020 --> 00:24:29,760

and look I saw the show the other night

570

00:24:35,000 --> 00:24:33,030

about the end of days and and yeah you

571

00:24:37,610 --> 00:24:35,010

look from ancient times so you know

572

00:24:40,610 --> 00:24:37,620

you've got Hopi Indians and all these

573

00:24:43,280 --> 00:24:40,620

are the Egyptians and and you know all

574

00:24:45,080 --> 00:24:43,290

these ancient societies that all had

575

00:24:47,540 --> 00:24:45,090

kind of their in today's thing and it's

576

00:24:50,780 --> 00:24:47,550

very similar to you know the Bible then

577

00:24:53,360 --> 00:24:50,790

the the New Testament and the Quran each

578

00:24:55,220 --> 00:24:53,370

have their own version but in each

579

00:24:57,530 --> 00:24:55,230

version they're the good guys who are

580

00:24:59,540 --> 00:24:57,540

alive at the end and for everybody to

581

00:25:02,090 --> 00:24:59,550

come together as a society that's the

582

00:25:03,680 --> 00:25:02,100

Antichrist so that can't happen because

583

00:25:06,669 --> 00:25:03,690

whoever makes that happen as the

584

00:25:10,100 --> 00:25:06,679

ultimate evil so it's really set up to

585

00:25:12,410 --> 00:25:10,110

us not to survive as a society and in

586

00:25:14,450 --> 00:25:12,420

order to do that once we genetically

587

00:25:17,210 --> 00:25:14,460

create and I boy I hate to say that

588

00:25:19,510 --> 00:25:17,220

because Martin Lee I mean we could be

589

00:25:22,340 --> 00:25:19,520

the last real human beings in existence

590

00:25:24,530 --> 00:25:22,350

for all we know we don't know if they've

591

00:25:26,990 --> 00:25:24,540

really cloned us yet or what they're

592

00:25:29,360 --> 00:25:27,000

doing with that technology which they do

593

00:25:31,910 --> 00:25:29,370

have and look it's banned in this

594

00:25:35,030 --> 00:25:31,920

country but not around the world so they

595

00:25:36,830 --> 00:25:35,040

could already be a better stronger

596

00:25:39,020 --> 00:25:36,840

smarter us that they're working on and

597

00:25:41,480 --> 00:25:39,030

once they do that the best way to

598

00:25:44,240 --> 00:25:41,490

survive as a new society in a superior

599

00:25:46,669 --> 00:25:44,250

society it's to function like insects

600

00:25:49,490 --> 00:25:46,679

like bees like ants where they function

601
00:25:52,220 --> 00:25:49,500
is one brain you know and there's no

602
00:25:54,290 --> 00:25:52,230
good or evil in any of these encounters

603
00:25:56,030 --> 00:25:54,300
and I don't know you probably have heard

604
00:25:58,610 --> 00:25:56,040
differently but in all the people that

605
00:26:01,030 --> 00:25:58,620
I've talked to both with abductee and

606
00:26:04,970 --> 00:26:01,040
experienced or type of you know

607
00:26:06,740 --> 00:26:04,980
encounters they seem to think that there

608
00:26:09,590 --> 00:26:06,750
is no good and evil in any of these

609
00:26:11,630 --> 00:26:09,600
beings you know they're either here to

610
00:26:13,730 --> 00:26:11,640
help us are here to hurt us but it's not

611
00:26:15,530 --> 00:26:13,740
like personal or there's no Supreme

612
00:26:17,780 --> 00:26:15,540
Being and if there is it's a queen bee

613
00:26:20,960 --> 00:26:17,790

type of thing you know but it

614

00:26:22,790 --> 00:26:20,970

there's no good and evil in the in the

615

00:26:25,040 --> 00:26:22,800

extraterrestrial community seemingly

616

00:26:28,640 --> 00:26:25,050

just like there's no good and evil in

617

00:26:32,630 --> 00:26:30,650

universe with planets and stars you know

618

00:26:37,790 --> 00:26:32,640

so what do you what do you think about

619

00:26:41,000 --> 00:26:37,800

the singularity theory are you familiar

620

00:26:44,240 --> 00:26:41,010

with that you remind me please well it's

621

00:26:47,540 --> 00:26:44,250

basically where man and machine kind of

622

00:26:50,090 --> 00:26:47,550

emerge oh man no I hope that doesn't

623

00:26:53,510 --> 00:26:50,100

happen that can't go well it just simply

624

00:26:56,500 --> 00:26:53,520

can't go on and they just I saw today

625

00:27:00,260 --> 00:26:56,510

they have a Mercedes that drives itself

626
00:27:03,620 --> 00:27:00,270
well they've had an Audi and BMW drive

627
00:27:05,510 --> 00:27:03,630
themselves actually they had a car go

628
00:27:06,830 --> 00:27:05,520
with a driver in it but from coast to

629
00:27:10,720 --> 00:27:06,840
coast I think it has something to do

630
00:27:13,550 --> 00:27:10,730
with the something Google was doing and

631
00:27:15,830 --> 00:27:13,560
completely untouched you know by human

632
00:27:17,690 --> 00:27:15,840
has just it went on its own really oh

633
00:27:20,630 --> 00:27:17,700
yeah there was a driver inside just in

634
00:27:23,270 --> 00:27:20,640
case just in case if that scares the

635
00:27:26,300 --> 00:27:23,280
heck out of me and I saw a cartoon of

636
00:27:28,100 --> 00:27:26,310
all things called wall-e and it was a

637
00:27:30,320 --> 00:27:28,110
futuristic type of thing where robots

638
00:27:32,210 --> 00:27:30,330

cleaned up our garbage and we couldn't

639

00:27:34,640 --> 00:27:32,220

even walk because we're in these flying

640

00:27:36,320 --> 00:27:34,650

machines with computers just you know

641

00:27:37,970 --> 00:27:36,330

glued to our computers and our phones

642

00:27:39,380 --> 00:27:37,980

because we didn't have to there was

643

00:27:41,630 --> 00:27:39,390

nothing for us to do everything's

644

00:27:44,390 --> 00:27:41,640

automated so there's no need for us to

645

00:27:47,930 --> 00:27:44,400

work and we just became this kind of

646

00:27:50,750 --> 00:27:47,940

narcissistic waste of a pleasure-seeking

647

00:27:53,120 --> 00:27:50,760

society and look I'm a pleasure seeker

648

00:27:54,980 --> 00:27:53,130

so I I don't want to give that a bad rep

649

00:27:57,080 --> 00:27:54,990

you know but that scared the daylights

650

00:27:58,880 --> 00:27:57,090

out of me because that's closer to truth

651
00:28:01,520 --> 00:27:58,890
than any movie that I've seen about the

652
00:28:03,680 --> 00:28:01,530
future you know and when a cartoon kind

653
00:28:07,220 --> 00:28:03,690
of out does yes a good science fiction

654
00:28:09,460 --> 00:28:07,230
that's some scary stuff you know I like

655
00:28:12,470 --> 00:28:09,470
what Stephen Hawking thinks you know

656
00:28:14,690 --> 00:28:12,480
that with the either singularity or

657
00:28:16,610 --> 00:28:14,700
trying to reach out to other societies I

658
00:28:18,230 --> 00:28:16,620
have a little difficulty with that one

659
00:28:20,480 --> 00:28:18,240
because I think there are some good ones

660
00:28:23,390 --> 00:28:20,490
out there just by probability alone

661
00:28:25,700 --> 00:28:23,400
there has to be some you know one of the

662
00:28:28,610 --> 00:28:25,710
things he says that that I never really

663
00:28:30,620 --> 00:28:28,620

liked it's like only kook's and nuts you

664

00:28:34,490 --> 00:28:30,630

know see those you know that that parts

665

00:28:37,250 --> 00:28:34,500

not so good but I like that I'll happily

666

00:28:38,860 --> 00:28:37,260

be a coconut in that case you know you

667

00:28:41,090 --> 00:28:38,870

gotta wear it with some pride I think

668

00:28:42,220 --> 00:28:41,100

because look you have to think outside

669

00:28:45,590 --> 00:28:42,230

of the box

670

00:28:46,940 --> 00:28:45,600

yeah well yeah that that's for sure well

671

00:28:50,210 --> 00:28:46,950

let's let's talk a little bit about

672

00:28:51,650 --> 00:28:50,220

you're talking about abductees because I

673

00:28:53,240 --> 00:28:51,660

actually have a friend that she might

674

00:28:55,490 --> 00:28:53,250

even be listening tonight she listens to

675

00:28:58,550 --> 00:28:55,500

the ship every show and she is studying

676

00:29:00,170 --> 00:28:58,560

right now she had a she had a major

677

00:29:02,780 --> 00:29:00,180

sighting or a couple of them when she

678

00:29:06,760 --> 00:29:02,790

was young and we were actually born on

679

00:29:12,170 --> 00:29:06,770

the very same day on the very same hour

680

00:29:15,020 --> 00:29:12,180

very same city Boston that's cool in the

681

00:29:17,300 --> 00:29:15,030

very same line of work kind of yeah we

682

00:29:18,650 --> 00:29:17,310

just kind of she found me on Facebook

683

00:29:20,690 --> 00:29:18,660

and you know listened to the show and

684

00:29:22,010 --> 00:29:20,700

saw my birth date and then we started

685

00:29:24,170 --> 00:29:22,020

talking it was like where were you born

686

00:29:27,200 --> 00:29:24,180

Boston where were you born Boston wasn't

687

00:29:32,090 --> 00:29:27,210

I were you born nine nine thirty

688

00:29:34,220 --> 00:29:32,100

I was born at 9 but there's no way she

689

00:29:36,920 --> 00:29:34,230

is right now studying to be a

690

00:29:41,000 --> 00:29:36,930

hypnotherapist and oh nice and wants to

691

00:29:43,070 --> 00:29:41,010

get involved with with the abductees now

692

00:29:45,020 --> 00:29:43,080

I want to I want to talk to you first of

693

00:29:46,010 --> 00:29:45,030

all going back to your childhood I just

694

00:29:50,930 --> 00:29:46,020

want to know where you grew up

695

00:29:53,240 --> 00:29:50,940

oh I grew up in New Albany New York it's

696

00:29:56,060 --> 00:29:53,250

a suburb of Albany it's the capital of

697

00:30:00,500 --> 00:29:56,070

the Empire State it's a kind of midway

698

00:30:03,020 --> 00:30:00,510

between New York City and Montreal kind

699

00:30:05,060 --> 00:30:03,030

of dead center between them and a very

700

00:30:08,110 --> 00:30:05,070

dull community really because we're the

701

00:30:10,550 --> 00:30:08,120

political capital you know so

702

00:30:13,490 --> 00:30:10,560

politicians get in trouble and none of

703

00:30:17,810 --> 00:30:13,500

us can act that way ever again so kind

704

00:30:21,290 --> 00:30:17,820

of a dull place but yeah but at least we

705

00:30:23,030 --> 00:30:21,300

had a couple of UFO sightings someone

706

00:30:24,200 --> 00:30:23,040

wants to know on the board and it may

707

00:30:28,120 --> 00:30:24,210

even be the person I'm talking about

708

00:30:31,610 --> 00:30:28,130

here is nice she wants to know how many

709

00:30:36,530 --> 00:30:31,620

let's see how many hypnotherapy sessions

710

00:30:39,170 --> 00:30:36,540

do you do with a client well it really

711

00:30:43,310 --> 00:30:39,180

depends because there are different

712

00:30:47,180 --> 00:30:43,320

focuses I you know my my main focuses

713

00:30:49,280 --> 00:30:47,190

were past life regression and and some

714

00:30:50,810 --> 00:30:49,290

of that is kind of similar to the

715

00:30:54,800 --> 00:30:50,820

techniques they use when they talk to

716

00:30:58,190 --> 00:30:54,810

abductees look and look there's wait

717

00:31:02,720 --> 00:30:58,200

and smoking cessation and pain

718

00:31:05,090 --> 00:31:02,730

management or you know feeling better

719

00:31:07,670 --> 00:31:05,100

about your job performance or confidence

720

00:31:10,070 --> 00:31:07,680

and things of that nature but when

721

00:31:12,290 --> 00:31:10,080

you're talking to an abductee and I I

722

00:31:13,700 --> 00:31:12,300

want to kind of keep it for at least for

723

00:31:17,710 --> 00:31:13,710

the listeners sake and for your friends

724

00:31:24,620 --> 00:31:21,560

look I've seen it on documentaries you

725

00:31:26,600 --> 00:31:24,630

know there's these guys that the

726

00:31:29,540 --> 00:31:26,610

experience was so traumatic that they

727

00:31:32,870 --> 00:31:29,550

blocked it out right and that kind of

728

00:31:34,540 --> 00:31:32,880

hysterical dissociative it's it's a

729

00:31:38,660 --> 00:31:34,550

neurotic reaction actually it's in the

730

00:31:42,710 --> 00:31:38,670

DSM it's like it's a psychiatric manual

731

00:31:44,510 --> 00:31:42,720

as a disorder so it's very you have to

732

00:31:46,310 --> 00:31:44,520

be kind of tender and bringing these

733

00:31:48,230 --> 00:31:46,320

things back in but a lot of

734

00:31:50,990 --> 00:31:48,240

non-believers watching will say well

735

00:31:52,280 --> 00:31:51,000

it's a very suggestive process so of

736

00:31:54,680 --> 00:31:52,290

course they're gonna make up a story

737

00:31:57,470 --> 00:31:54,690

because you tell them to make a story up

738

00:32:00,530 --> 00:31:57,480

and and here's the the thing especially

739

00:32:04,970 --> 00:32:00,540

for your friend that's listening you

740

00:32:10,190 --> 00:32:04,980

really have to watch your language so

741

00:32:12,320 --> 00:32:10,200

you don't have them create a memory you

742

00:32:14,690 --> 00:32:12,330

have to keep the language very plain as

743

00:32:17,510 --> 00:32:14,700

you bring them under and look hypnosis

744

00:32:19,580 --> 00:32:17,520

is not the spooky thing I mean if you

745

00:32:22,580 --> 00:32:19,590

drive from Boston to New York City

746

00:32:24,590 --> 00:32:22,590

Martin and and you know three hours go

747

00:32:26,720 --> 00:32:24,600

by and you go wow that was quick it was

748

00:32:28,550 --> 00:32:26,730

like I wasn't even thinking and all of a

749

00:32:31,460 --> 00:32:28,560

sudden I'm here well you've been in a

750

00:32:33,890 --> 00:32:31,470

hypnotic state most of the things that

751
00:32:36,380 --> 00:32:33,900
we do we're doing with our subconscious

752
00:32:38,600 --> 00:32:36,390
mind tying our shoes using silverware

753
00:32:40,280 --> 00:32:38,610
when we eat these are all things that we

754
00:32:42,950 --> 00:32:40,290
learned at a young age and now they're

755
00:32:45,260 --> 00:32:42,960
kind of we do it automatically so that's

756
00:32:46,850 --> 00:32:45,270
a subconscious process really our

757
00:32:49,850 --> 00:32:46,860
subconscious mind is in charge

758
00:32:52,520 --> 00:32:49,860
ninety-five percent of the time and it's

759
00:32:54,290 --> 00:32:52,530
this supercomputer basically that keeps

760
00:32:56,960 --> 00:32:54,300
track of all of our senses everything

761
00:32:59,540 --> 00:32:56,970
we've ever seen smell felt tasted or

762
00:33:02,170 --> 00:32:59,550
touch it's in there supercomputer but

763
00:33:05,660 --> 00:33:02,180

this supercomputer has the emotional

764

00:33:08,540 --> 00:33:05,670

inability of maybe a two-year-old child

765

00:33:15,260 --> 00:33:08,550

and it's being safeguarded

766

00:33:19,549 --> 00:33:15,270

by this judgment belief you know things

767

00:33:22,070 --> 00:33:19,559

that you grew up taught you know to

768

00:33:24,380 --> 00:33:22,080

believe or not to believe you know we

769

00:33:26,540 --> 00:33:24,390

might have religion that tells us we

770

00:33:28,580 --> 00:33:26,550

can't think about certain things because

771

00:33:30,140 --> 00:33:28,590

that's evil and you can't get involved

772

00:33:32,840 --> 00:33:30,150

in them we have friends and neighbors

773

00:33:34,910 --> 00:33:32,850

would say the same thing so you know

774

00:33:36,950 --> 00:33:34,920

really your own experience anything that

775

00:33:40,820 --> 00:33:36,960

you experience comes from all this stuff

776

00:33:44,090 --> 00:33:40,830

and all that stuff is blocking the

777

00:33:46,340 --> 00:33:44,100

supercomputer even though it's used 95%

778

00:33:49,730 --> 00:33:46,350

of the time so you have to use some very

779

00:33:52,730 --> 00:33:49,740

ginger and special ways to get through

780

00:33:59,240 --> 00:33:52,740

that cloud of judgment and belief and

781

00:34:01,160 --> 00:33:59,250

relax your patient into kind of a very

782

00:34:03,110 --> 00:34:01,170

relaxed state and there are some people

783

00:34:05,360 --> 00:34:03,120

who well you'll never hypnotize me

784

00:34:07,370 --> 00:34:05,370

because I'm always thinking so you have

785

00:34:10,270 --> 00:34:07,380

them do a mathematical problem in their

786

00:34:13,369 --> 00:34:10,280

head while you're feeding them this

787

00:34:16,220 --> 00:34:13,379

information it's all about relaxation I

788

00:34:19,570 --> 00:34:16,230

mean really that's it you get them to

789

00:34:23,840 --> 00:34:19,580

relax and and you can focus on

790

00:34:25,700 --> 00:34:23,850

reprogramming that supercomputer so you

791

00:34:28,460 --> 00:34:25,710

allow it to not want to have a cigarette

792

00:34:31,639 --> 00:34:28,470

or not want to eat so much or to go back

793

00:34:34,010 --> 00:34:31,649

to a previous life and the thing is and

794

00:34:35,510 --> 00:34:34,020

I'll tell you I thought that was the

795

00:34:37,490 --> 00:34:35,520

biggest bunk in the world past life

796

00:34:39,320 --> 00:34:37,500

regression hypnosis I I thought it was

797

00:34:43,790 --> 00:34:39,330

the dumbest thing I ever heard back when

798

00:34:45,859 --> 00:34:43,800

I was in college what it's really about

799

00:34:49,490 --> 00:34:45,869

it's actually kind of a cathartic

800

00:34:51,680 --> 00:34:49,500

process you know because you can answer

801
00:34:57,950 --> 00:34:51,690
questions that have been puzzling you

802
00:35:01,550 --> 00:34:57,960
all your life and so it kind of shows

803
00:35:03,800 --> 00:35:01,560
holes you know and I don't want to get

804
00:35:05,990 --> 00:35:03,810
into it too much but all I can say is

805
00:35:08,060 --> 00:35:06,000
once I've learned the process it doesn't

806
00:35:10,160 --> 00:35:08,070
matter if they've actually had this for

807
00:35:12,470 --> 00:35:10,170
my life personally I do believe in it

808
00:35:14,840 --> 00:35:12,480
from what I've worked with with spirit

809
00:35:17,030 --> 00:35:14,850
mediums and you know psychics and even

810
00:35:19,340 --> 00:35:17,040
paranormal investigators you know there

811
00:35:21,620 --> 00:35:19,350
is something to that and it is very

812
00:35:23,540 --> 00:35:21,630
possible and that kind of goes into the

813
00:35:26,450 --> 00:35:23,550

ghosts versus UFO thing we'll talk about

814

00:35:29,330 --> 00:35:26,460

a little while but here when you see

815

00:35:32,359 --> 00:35:29,340

somebody on a documentary getting

816

00:35:33,859 --> 00:35:32,369

somebody who's been an abductee who's

817

00:35:37,790 --> 00:35:33,869

blocked it out traumatically

818

00:35:39,640 --> 00:35:37,800

it's a very ginger thing you know in the

819

00:35:43,430 --> 00:35:39,650

hypnosis community especially in

820

00:35:45,890 --> 00:35:43,440

hypnotherapy it's very dangerous to work

821

00:35:50,359 --> 00:35:45,900

with people who have been diagnosed as

822

00:35:56,060 --> 00:35:50,369

bipolar or psychotic and nothing against

823

00:35:58,250 --> 00:35:56,070

my bipolar and psychotic for everybody's

824

00:36:02,930 --> 00:35:58,260

got some good sides to them you know

825

00:36:04,640 --> 00:36:02,940

that's that's my thing but people see

826

00:36:06,470 --> 00:36:04,650

this and say well do you know it's there

827

00:36:08,840 --> 00:36:06,480

it's a suggestive thing and of course

828

00:36:11,120 --> 00:36:08,850

they're creating it but no because these

829

00:36:12,800 --> 00:36:11,130

these hypnotherapists that have worked

830

00:36:15,530 --> 00:36:12,810

on these abductees to get these

831

00:36:18,890 --> 00:36:15,540

traumatic things out it's a very

832

00:36:20,780 --> 00:36:18,900

specialized and ginger process and the

833

00:36:23,240 --> 00:36:20,790

people that are studying hypnotherapy

834

00:36:25,730 --> 00:36:23,250

how to learn a lot of psychology and

835

00:36:28,220 --> 00:36:25,740

even psychiatry you know and some of

836

00:36:31,670 --> 00:36:28,230

some of even the basic things so you

837

00:36:34,790 --> 00:36:31,680

know where the boundaries are and you

838

00:36:40,220 --> 00:36:34,800

can even use a subliminal thing you know

839

00:36:44,180 --> 00:36:40,230

if you say going deeper you can hide it

840

00:36:47,900 --> 00:36:44,190

and you know you're thinking about a

841

00:36:50,930 --> 00:36:47,910

coffee cup and you are looking at that

842

00:36:54,650 --> 00:36:50,940

coffee cup and as you think about that

843

00:36:57,740 --> 00:36:54,660

you go deeper so those four accentuated

844

00:37:01,010 --> 00:36:57,750

words that you are going deeper or kind

845

00:37:03,620 --> 00:37:01,020

of supplanted in in your method there's

846

00:37:06,500 --> 00:37:03,630

I mean there's so much to this that I

847

00:37:09,980 --> 00:37:06,510

really have to kind of defend the

848

00:37:12,349 --> 00:37:09,990

process and I actually think not only is

849

00:37:15,080 --> 00:37:12,359

it actually happening and these people

850

00:37:17,960 --> 00:37:15,090

are really they're not making this stuff

851

00:37:20,090 --> 00:37:17,970

up because they're told to we have to

852

00:37:22,370 --> 00:37:20,100

watch that language very carefully we

853

00:37:27,500 --> 00:37:22,380

have to make sure that we keep them from

854

00:37:29,690 --> 00:37:27,510

suggestibility but allow them to feel

855

00:37:32,030 --> 00:37:29,700

relaxed about some of the things that

856

00:37:34,070 --> 00:37:32,040

have been haunting them kind of like the

857

00:37:34,550 --> 00:37:34,080

past life regression hypnosis it's a

858

00:37:37,010 --> 00:37:34,560

very

859

00:37:38,930 --> 00:37:37,020

Arctic type of thing and even though you

860

00:37:41,090 --> 00:37:38,940

see the guys in some of these documented

861

00:37:42,830 --> 00:37:41,100

here they're crying and all that you

862

00:37:45,710 --> 00:37:42,840

know they're they're meeting kids with

863

00:37:48,590 --> 00:37:45,720

graves and you know that and remembering

864

00:37:51,110 --> 00:37:48,600

being stabbed and hurtin you know all

865

00:37:53,450 --> 00:37:51,120

these things with these non emotive

866

00:37:55,280 --> 00:37:53,460

beings you know working on their

867

00:37:57,200 --> 00:37:55,290

reproductive system for you without

868

00:38:00,320 --> 00:37:57,210

their permission and stealing them from

869

00:38:02,390 --> 00:38:00,330

their homes I mean you know look I would

870

00:38:04,370 --> 00:38:02,400

love to meet an extraterrestrial someday

871

00:38:06,530 --> 00:38:04,380

I think it would be an honor but I don't

872

00:38:09,080 --> 00:38:06,540

think I'd like to be prodded you know

873

00:38:13,460 --> 00:38:09,090

like some of these people or or you know

874

00:38:16,610 --> 00:38:13,470

just abducted without permission so if

875

00:38:18,860 --> 00:38:16,620

you assume that it's true and it has

876

00:38:21,380 --> 00:38:18,870

happened to these people and again we're

877

00:38:24,410 --> 00:38:21,390

talking about if they come out you know

878

00:38:26,270 --> 00:38:24,420

to anybody friends neighbors you know

879

00:38:29,470 --> 00:38:26,280

who are they gonna tell cops you know

880

00:38:32,570 --> 00:38:29,480

the their pastors or priests or whatever

881

00:38:38,660 --> 00:38:32,580

you know I mean they're going to take

882

00:38:40,940 --> 00:38:38,670

some flak and and their authority in

883

00:38:43,760 --> 00:38:40,950

society is going to be clouded by that

884

00:38:47,480 --> 00:38:43,770

so it's kind of a thing where you can't

885

00:38:49,490 --> 00:38:47,490

win you know for losing a couple things

886

00:38:52,190 --> 00:38:49,500

first of all sure thanks for all that

887

00:38:54,200 --> 00:38:52,200

explanation and I I have to say you know

888

00:38:55,700 --> 00:38:54,210

I'm not afraid to say this that I've

889

00:38:59,120 --> 00:38:55,710

never said it on the show or anything

890

00:39:01,160 --> 00:38:59,130

but you know I did go to therapy I did

891

00:39:04,730 --> 00:39:01,170

not have the best of childhood so I went

892

00:39:07,460 --> 00:39:04,740

to therapy for a good a good while and I

893

00:39:09,650 --> 00:39:07,470

I know that I was led astray by that

894

00:39:13,520 --> 00:39:09,660

therapist you know I'm so sorry

895

00:39:16,790 --> 00:39:13,530

well psychology but I'm not big on the

896

00:39:19,160 --> 00:39:16,800

practice I think no seriously and I'm

897

00:39:22,190 --> 00:39:19,170

not afraid to say it look I I would I

898

00:39:23,900 --> 00:39:22,200

worked in a non-profit teaching computer

899

00:39:24,590 --> 00:39:23,910

skills and vocational skills to

900

00:39:26,810 --> 00:39:24,600

schizophrenic

901
00:39:30,050 --> 00:39:26,820
you know and there are such a stigma

902
00:39:32,480 --> 00:39:30,060
against schizophrenic again they can't

903
00:39:35,180 --> 00:39:32,490
win for losing and in the most primitive

904
00:39:40,250 --> 00:39:35,190
tribal societies if somebody has a

905
00:39:42,260 --> 00:39:40,260
psychotic thing you know a psychotic

906
00:39:45,620 --> 00:39:42,270
break the entire community comes

907
00:39:47,960 --> 00:39:45,630
together and it's none of the

908
00:39:50,809 --> 00:39:47,970
haters are addressed or blamed on the

909
00:39:52,940 --> 00:39:50,819
person it's it's an evil spirit so the

910
00:39:55,400 --> 00:39:52,950
entire community comes together with a

911
00:39:58,130 --> 00:39:55,410
medicine man or shaman and very

912
00:40:00,950 --> 00:39:58,140
nurturing factor you know the support

913
00:40:03,529 --> 00:40:00,960

and nurturing is there and they can

914

00:40:06,829 --> 00:40:03,539

eliminate this behavior and drive that

915

00:40:09,410 --> 00:40:06,839

evil spirit out in a matter of weeks or

916

00:40:12,019 --> 00:40:09,420

days so they've basically cured a

917

00:40:14,420 --> 00:40:12,029

psychotic illness in less than a month

918

00:40:15,920 --> 00:40:14,430

here in this society with the way we

919

00:40:17,269 --> 00:40:15,930

treat it where if you think there's

920

00:40:19,640 --> 00:40:17,279

something wrong with you you have to go

921

00:40:22,220 --> 00:40:19,650

to somebody smarter than you to say oh

922

00:40:24,829 --> 00:40:22,230

yeah you're screwed up yeah how are you

923

00:40:28,400 --> 00:40:24,839

gonna come out of that our psychotic

924

00:40:31,910 --> 00:40:28,410

disorders have an average cure ratio of

925

00:40:37,069 --> 00:40:31,920

27 years brother because the way that

926

00:40:38,660 --> 00:40:37,079

therapy works or doesn't work well I

927

00:40:41,450 --> 00:40:38,670

just thought I'd chime in you know

928

00:40:44,930 --> 00:40:41,460

because of you you're long-winded guy

929

00:40:47,690 --> 00:40:44,940

and that's good because when I ever I

930

00:40:50,480 --> 00:40:47,700

need you back again and I need to fill

931

00:40:52,670 --> 00:40:50,490

some time oh yeah I'm just using you man

932

00:40:55,549 --> 00:40:52,680

but no just say chip how you doing and

933

00:40:57,890 --> 00:40:55,559

you've got three hours you know but I

934

00:40:59,779 --> 00:40:57,900

know I wanted I didn't want to leave me

935

00:41:01,880 --> 00:40:59,789

you know hanging when I just said that

936

00:41:04,400 --> 00:41:01,890

over remark I also want to say that I

937

00:41:06,890 --> 00:41:04,410

ended up going to someone that corrected

938

00:41:08,920 --> 00:41:06,900

all the time I lost and everything so it

939

00:41:11,390 --> 00:41:08,930

ended up being a really good thing I

940

00:41:13,759 --> 00:41:11,400

didn't recognize what I was going to get

941

00:41:16,549 --> 00:41:13,769

at and my point is I wasn't recognizing

942

00:41:18,799 --> 00:41:16,559

that this was happening that I was being

943

00:41:20,450 --> 00:41:18,809

led down a wrong path and I started

944

00:41:25,130 --> 00:41:20,460

believing things that never really

945

00:41:29,210 --> 00:41:25,140

happened to me and all that and the

946

00:41:31,880 --> 00:41:29,220

truth the truth is tough nobody yeah but

947

00:41:35,930 --> 00:41:31,890

but the bottom line is I wonder that

948

00:41:38,390 --> 00:41:35,940

must happen if someone is not really on

949

00:41:42,829 --> 00:41:38,400

them on the mark with hypnotherapy and

950

00:41:47,829 --> 00:41:42,839

let me just ask you this I think that

951
00:41:52,759 --> 00:41:47,839
it's very possible that some people that

952
00:41:57,650 --> 00:41:52,769
use hypnotherapy on abductees possibly

953
00:41:59,210 --> 00:41:57,660
do lead them I'm not saying that I'm not

954
00:42:01,280 --> 00:41:59,220
saying that burly and all

955
00:42:04,160 --> 00:42:01,290
or something but I'm saying that some of

956
00:42:06,290 --> 00:42:04,170
them I'm sure do because it's just kind

957
00:42:08,210 --> 00:42:06,300
of human nature if you're not yeah I

958
00:42:10,099 --> 00:42:08,220
know but I I'm saying for the sake of

959
00:42:12,230 --> 00:42:10,109
the documentaries that I've seen look

960
00:42:14,450 --> 00:42:12,240
there's some good documentaries out

961
00:42:16,220 --> 00:42:14,460
there now I mean really good pretty much

962
00:42:18,320 --> 00:42:16,230
from 2008 up

963
00:42:20,930 --> 00:42:18,330

they've been next level and you watched

964

00:42:22,700 --> 00:42:20,940

some of them and you go oh my god you

965

00:42:25,700 --> 00:42:22,710

know what kind of world do I live in I

966

00:42:27,109 --> 00:42:25,710

mean I I absolutely believe I think a

967

00:42:28,640 --> 00:42:27,119

hundred percent of the people in this

968

00:42:30,770 --> 00:42:28,650

country believe that their government

969

00:42:33,680 --> 00:42:30,780

has lied to them one way or another even

970

00:42:36,170 --> 00:42:33,690

though statistics say about 70 percent I

971

00:42:38,270 --> 00:42:36,180

think it's a hundred percent you know so

972

00:42:40,370 --> 00:42:38,280

you just really never know but in a

973

00:42:41,180 --> 00:42:40,380

situation like that admittedly look it's

974

00:42:45,380 --> 00:42:41,190

a crapshoot

975

00:42:48,380 --> 00:42:45,390

you know but I think that we're all born

976

00:42:50,900 --> 00:42:48,390

with instinct even if we come in to

977

00:42:53,420 --> 00:42:50,910

where we are now a little broken you

978

00:42:53,900 --> 00:42:53,430

know look everybody's broken in one way

979

00:42:56,150 --> 00:42:53,910

or another

980

00:42:59,450 --> 00:42:56,160

everybody has been traumatized or hurt

981

00:43:02,210 --> 00:42:59,460

or feels inferior and the reality is

982

00:43:06,170 --> 00:43:02,220

that we all want to be respected you

983

00:43:09,470 --> 00:43:06,180

know heard that believed you know and

984

00:43:12,109 --> 00:43:09,480

this is it's just not set up for that to

985

00:43:15,890 --> 00:43:12,119

happen right but I think that we all if

986

00:43:17,420 --> 00:43:15,900

we really think about it do have this

987

00:43:19,820 --> 00:43:17,430

thing called the sixth sense it's really

988

00:43:21,980 --> 00:43:19,830

a gut feeling you kind of know when

989

00:43:25,730 --> 00:43:21,990

you're walking into trouble before it

990

00:43:29,510 --> 00:43:25,740

happens I think anybody could agree with

991

00:43:31,430 --> 00:43:29,520

that now I just you know yeah I have to

992

00:43:34,400 --> 00:43:31,440

cut in here because we have we have like

993

00:43:35,720 --> 00:43:34,410

20 minutes left and no we have like

994

00:43:40,190 --> 00:43:35,730

something really important to talk about

995

00:43:42,050 --> 00:43:40,200

yes we do sorry I just want to change

996

00:43:44,120 --> 00:43:42,060

the course a little bit you kind of have

997

00:43:45,500 --> 00:43:44,130

to with me but that's okay well no that

998

00:43:47,450 --> 00:43:45,510

was all that was all very fascinating

999

00:43:49,760 --> 00:43:47,460

I'm not really sure what I think about

1000

00:43:51,800 --> 00:43:49,770

past lives and I know last time I said

1001

00:43:53,329 --> 00:43:51,810

that on this show I got some email I

1002

00:43:57,109 --> 00:43:53,339

actually got an email from a scientist

1003

00:43:59,480 --> 00:43:57,119

that supports a show and saying you know

1004

00:44:01,760 --> 00:43:59,490

that he actually believed in it and I

1005

00:44:04,070 --> 00:44:01,770

thought that wow amazing Wow

1006

00:44:07,310 --> 00:44:04,080

so but I'm not really sure I'm on the

1007

00:44:09,560 --> 00:44:07,320

fence about that but also the the person

1008

00:44:11,599 --> 00:44:09,570

I was talking about earlier that's going

1009

00:44:12,289 --> 00:44:11,609

through hypnotherapy is doing some work

1010

00:44:13,999 --> 00:44:12,299

on that as well

1011

00:44:16,459 --> 00:44:14,009

so I'm gonna be talking to her about

1012

00:44:18,319 --> 00:44:16,469

that yeah good for her I think it's cool

1013

00:44:19,879 --> 00:44:18,329

that she listens to the podcast I think

1014

00:44:22,489 --> 00:44:19,889

it's cool that you were born at the same

1015

00:44:24,409 --> 00:44:22,499

time in the same area I mean you know

1016

00:44:26,479 --> 00:44:24,419

how many of us can find somebody like

1017

00:44:28,099 --> 00:44:26,489

that especially with such similar

1018

00:44:31,189 --> 00:44:28,109

interests it's almost like a twin

1019

00:44:33,499 --> 00:44:31,199

connection of sorts yeah there's a

1020

00:44:35,719 --> 00:44:33,509

message up on the message board then I

1021

00:44:37,669 --> 00:44:35,729

just they just want to clarify this

1022

00:44:38,989 --> 00:44:37,679

before we move on to the next subject

1023

00:44:40,609 --> 00:44:38,999

I'm sorry I'm getting a little pushy

1024

00:44:42,799 --> 00:44:40,619

here but we're I don't want to run out

1025

00:44:44,829 --> 00:44:42,809

of time do you think that all mental

1026

00:44:46,219 --> 00:44:44,839

illness is caused by evil spirits

1027

00:44:49,429 --> 00:44:46,229

absolutely not

1028

00:44:51,499 --> 00:44:49,439

no okay absolutely to clarify that no

1029

00:44:53,749 --> 00:44:51,509

I'm just saying that in primitive

1030

00:44:55,639 --> 00:44:53,759

society what the societies that we think

1031

00:44:57,469 --> 00:44:55,649

of as primitive you know they can

1032

00:44:59,629 --> 00:44:57,479

actually cure a psychotic illness in a

1033

00:45:03,499 --> 00:44:59,639

series of months where here it takes you

1034

00:45:06,079 --> 00:45:03,509

know decades and and it's because they

1035

00:45:07,729 --> 00:45:06,089

don't treat the behavior of the person

1036

00:45:09,859 --> 00:45:07,739

is wrong they don't treat the person

1037

00:45:11,869 --> 00:45:09,869

who's broken right if they think that

1038

00:45:15,309 --> 00:45:11,879

there is something beside the person

1039

00:45:19,459 --> 00:45:15,319

that causes that and the belief system

1040

00:45:22,219 --> 00:45:19,469

helps that unconscious mind subconscious

1041

00:45:25,879 --> 00:45:22,229

mind say you know what they're right I'm

1042

00:45:27,799 --> 00:45:25,889

wrong and the behavior stops I just

1043

00:45:30,289 --> 00:45:27,809

think it's kind of miraculous and in it

1044

00:45:31,939 --> 00:45:30,299

and it should be a lesson to the way we

1045

00:45:35,539 --> 00:45:31,949

treat our mentally ill that's all I had

1046

00:45:38,899 --> 00:45:35,549

to say back right okay so let's move on

1047

00:45:42,439 --> 00:45:38,909

and yeah this is a pretty exciting topic

1048

00:45:45,739 --> 00:45:42,449

because yeah and I'll just paraphrase we

1049

00:45:49,609 --> 00:45:45,749

had said before and that is which is

1050

00:45:51,529 --> 00:45:49,619

gonna get the proof first UFOs or ghosts

1051
00:45:52,969 --> 00:45:51,539
and and I don't know how you came up

1052
00:45:55,089 --> 00:45:52,979
with that topic but I want to hear what

1053
00:45:57,489 --> 00:45:55,099
you have to say about it well I've been

1054
00:46:00,949 --> 00:45:57,499
doing articles for a magazine called

1055
00:46:02,809 --> 00:46:00,959
supernatural magazine and it's going to

1056
00:46:05,749 --> 00:46:02,819
be my next article so I've been working

1057
00:46:08,179 --> 00:46:05,759
on it and look I'm primarily a ghost guy

1058
00:46:10,279 --> 00:46:08,189
but I pay a lot of attention to the UFO

1059
00:46:12,409 --> 00:46:10,289
community because there's a responsible

1060
00:46:13,099 --> 00:46:12,419
radio host you know you have to get into

1061
00:46:15,529 --> 00:46:13,109
these things

1062
00:46:17,389 --> 00:46:15,539
yeah there's an astronomy guy and now I

1063
00:46:19,699 --> 00:46:17,399

know everything about astronomy you know

1064

00:46:23,299 --> 00:46:19,709

rock jack of all trades master of most

1065

00:46:25,630 --> 00:46:23,309

of them because I just have the time and

1066

00:46:28,010 --> 00:46:25,640

effort to do that sort of thing

1067

00:46:30,590 --> 00:46:28,020

there you go two paranormal conventions

1068

00:46:32,750 --> 00:46:30,600

you go to UFO conventions and it's

1069

00:46:34,430 --> 00:46:32,760

always kind of on the table you know

1070

00:46:35,960 --> 00:46:34,440

what do you think is gonna get proven

1071

00:46:38,000 --> 00:46:35,970

first ghosts of UFOs and the ghost

1072

00:46:39,860 --> 00:46:38,010

people say all ghosts you know because

1073

00:46:41,330 --> 00:46:39,870

we're in there trying to look for them

1074

00:46:43,940 --> 00:46:41,340

and we know what we're doing and we'll

1075

00:46:46,400 --> 00:46:43,950

figure it out which I even though I'm

1076

00:46:49,340 --> 00:46:46,410

with them don't believe and the new

1077

00:46:51,560 --> 00:46:49,350

autologous and I I actually believe that

1078

00:46:54,290 --> 00:46:51,570

the answer is pretty clear and I think

1079

00:46:57,650 --> 00:46:54,300

it's easy and I do think it's UFOs and

1080

00:46:59,990 --> 00:46:57,660

look what but you have to think of the

1081

00:47:01,790 --> 00:47:00,000

ramifications of each and I'll speak to

1082

00:47:04,580 --> 00:47:01,800

ghosts first we do have a couple of

1083

00:47:05,720 --> 00:47:04,590

minutes on to work on that there are a

1084

00:47:07,220 --> 00:47:05,730

lot of different things that ghosts

1085

00:47:09,590 --> 00:47:07,230

could be and there's a lot of different

1086

00:47:11,330 --> 00:47:09,600

ghostly type of things and look I've

1087

00:47:13,670 --> 00:47:11,340

worked with spirit mediums I was

1088

00:47:15,980 --> 00:47:13,680

actually a tool just one for about seven

1089

00:47:17,810 --> 00:47:15,990

years that's a story for another show no

1090

00:47:21,800 --> 00:47:17,820

no I just want to know what is attuned

1091

00:47:24,170 --> 00:47:21,810

to one means all I spoke to dead people

1092

00:47:26,720 --> 00:47:24,180

for a while I asked them some very

1093

00:47:29,060 --> 00:47:26,730

detailed questions and look you know it

1094

00:47:31,340 --> 00:47:29,070

is what it is I I lost a lot of friends

1095

00:47:34,160 --> 00:47:31,350

so I let it go and it's kind of ironic

1096

00:47:36,620 --> 00:47:34,170

because you know seven years later no

1097

00:47:38,480 --> 00:47:36,630

I'm a radio guy representing spirit

1098

00:47:41,480 --> 00:47:38,490

mediums and ghost hunters you know so

1099

00:47:44,150 --> 00:47:41,490

and I I can't get it back

1100

00:47:46,190 --> 00:47:44,160

I just can't now you know and it's kind

1101

00:47:48,170 --> 00:47:46,200

of it's a sad thing but I ask very

1102

00:47:50,300 --> 00:47:48,180

detailed questions when I did have that

1103

00:47:53,030 --> 00:47:50,310

ability and look you know you can

1104

00:47:54,740 --> 00:47:53,040

believe it or not but you know just

1105

00:47:57,710 --> 00:47:54,750

these are things that I experienced and

1106

00:48:00,350 --> 00:47:57,720

and ghosts is a different kind of energy

1107

00:48:02,210 --> 00:48:00,360

and and there I think I don't like the

1108

00:48:05,450 --> 00:48:02,220

practice I think they're doing it kind

1109

00:48:08,030 --> 00:48:05,460

of wrong because for somebody to be in a

1110

00:48:11,290 --> 00:48:08,040

house in it and maybe at a different

1111

00:48:14,750 --> 00:48:11,300

time or secondary dimension or a ghost

1112

00:48:16,430 --> 00:48:14,760

and have trespassers come in on your

1113

00:48:18,590 --> 00:48:16,440

property you know that you built with

1114

00:48:20,690 --> 00:48:18,600

your blood sweat and tears and call you

1115

00:48:22,670 --> 00:48:20,700

evil or think that you're going to push

1116

00:48:24,380 --> 00:48:22,680

them down a flight of stairs well what

1117

00:48:26,330 --> 00:48:24,390

would you do I'd push them down to

1118

00:48:27,560 --> 00:48:26,340

places here you know these people are

1119

00:48:29,630 --> 00:48:27,570

coming into my house with all this

1120

00:48:32,360 --> 00:48:29,640

equipment that I had never seen before

1121

00:48:34,550 --> 00:48:32,370

they're like aliens you know I'd want to

1122

00:48:37,220 --> 00:48:34,560

get him out of there if I was from 1890

1123

00:48:38,720 --> 00:48:37,230

or 1950 so you think of them with

1124

00:48:40,250 --> 00:48:38,730

respect you talk to them

1125

00:48:42,109 --> 00:48:40,260

in the language in the culture of the

1126

00:48:43,670 --> 00:48:42,119

time period where do you think they

1127

00:48:45,589 --> 00:48:43,680

originated you do research on the

1128

00:48:47,329 --> 00:48:45,599

property think who could be there and

1129

00:48:49,339 --> 00:48:47,339

try to communicate with them

1130

00:48:51,230 --> 00:48:49,349

that's a communicating with an

1131

00:48:53,270 --> 00:48:51,240

interdimensional being it's very similar

1132

00:48:54,800 --> 00:48:53,280

to extraterrestrial I don't really see

1133

00:48:56,510 --> 00:48:54,810

that much difference between the two

1134

00:49:00,050 --> 00:48:56,520

because if you can communicate

1135

00:49:02,329 --> 00:49:00,060

successfully and in a respectful and

1136

00:49:05,359 --> 00:49:02,339

nurturing manner you know that's the

1137

00:49:07,970 --> 00:49:05,369

dream and look I don't want to prove

1138

00:49:10,760 --> 00:49:07,980

ghosts but I will say this in order to

1139

00:49:12,200 --> 00:49:10,770

prove the existence of ghosts you kind

1140

00:49:14,510 --> 00:49:12,210

of have to tell every religious

1141

00:49:16,670 --> 00:49:14,520

community that they're wrong because it

1142

00:49:19,460 --> 00:49:16,680

basically says that it doesn't matter

1143

00:49:21,890 --> 00:49:19,470

what you do how you behave in life he

1144

00:49:24,290 --> 00:49:21,900

will still go on and you will be with

1145

00:49:27,339 --> 00:49:24,300

like-minded people wherever you go and

1146

00:49:30,079 --> 00:49:27,349

you will be taught and you will have

1147

00:49:33,530 --> 00:49:30,089

multiple lifetimes to learn all the

1148

00:49:36,079 --> 00:49:33,540

lessons in life the way we look at time

1149

00:49:37,760 --> 00:49:36,089

you know the past is behind us the

1150

00:49:41,510 --> 00:49:37,770

future is not yet here so everything is

1151

00:49:43,339 --> 00:49:41,520

moments and we're so time conscious that

1152

00:49:45,440 --> 00:49:43,349

the moments are urgent we have to know

1153

00:49:47,660 --> 00:49:45,450

the emotional things now well you know

1154

00:49:49,339 --> 00:49:47,670

we have to have answers now so if we're

1155

00:49:52,069 --> 00:49:49,349

trying to talk with people who might

1156

00:49:54,260 --> 00:49:52,079

have died then we think of them in our

1157

00:49:56,210 --> 00:49:54,270

living State with all this urgency and

1158

00:49:57,859 --> 00:49:56,220

if they're dead they don't their hearts

1159

00:50:00,380 --> 00:49:57,869

aren't beating anymore and things are

1160

00:50:02,780 --> 00:50:00,390

really relaxed with them so the grudge's

1161

00:50:05,450 --> 00:50:02,790

don't count anymore all they really want

1162

00:50:06,950 --> 00:50:05,460

is people they're connected with and

1163

00:50:08,960 --> 00:50:06,960

they want to watch over them it's kind

1164

00:50:10,550 --> 00:50:08,970

of a guardian angel thing they don't

1165

00:50:12,230 --> 00:50:10,560

have supernatural abilities and they're

1166

00:50:14,120 --> 00:50:12,240

not automatically psychic just because

1167

00:50:15,500 --> 00:50:14,130

they're dead they really haven't changed

1168

00:50:17,750 --> 00:50:15,510

all that much from when they were alive

1169

00:50:19,309 --> 00:50:17,760

so if they're a little grumpy when

1170

00:50:21,319 --> 00:50:19,319

they're alive they'll be a little grumpy

1171

00:50:23,180 --> 00:50:21,329

when they're dead you know if they were

1172

00:50:24,770 --> 00:50:23,190

really nice when alive they'll be really

1173

00:50:27,349 --> 00:50:24,780

nice when they're dead if they were a

1174

00:50:29,270 --> 00:50:27,359

serial killer when alive then well they

1175

00:50:32,540 --> 00:50:29,280

can't kill you they can't really harm

1176

00:50:34,940 --> 00:50:32,550

you but the whole thing is in order to

1177

00:50:37,370 --> 00:50:34,950

prove the belief of ghosts you have to

1178

00:50:39,500 --> 00:50:37,380

pretty much wipe away all the faith in

1179

00:50:42,589 --> 00:50:39,510

the world because all the faith in the

1180

00:50:45,800 --> 00:50:42,599

world is saying no our guy says you know

1181

00:50:48,079 --> 00:50:45,810

he's the only one that you know died and

1182

00:50:49,910 --> 00:50:48,089

came back and we can't do that and we

1183

00:50:51,530 --> 00:50:49,920

can't talk to people who did that and

1184

00:50:52,250 --> 00:50:51,540

you know that's just wrong that's just

1185

00:50:54,170 --> 00:50:52,260

even when it's

1186

00:50:57,170 --> 00:50:54,180

not happening and you know we have to

1187

00:50:59,300 --> 00:50:57,180

live our own lives and watch our sinful

1188

00:51:01,220 --> 00:50:59,310

behaviors and our good behaviors and

1189

00:51:05,540 --> 00:51:01,230

yadda-yadda on the other hand what's

1190

00:51:08,330 --> 00:51:05,550

UFOs now if you think of it we've had a

1191

00:51:10,850 --> 00:51:08,340

Canadian Minister of Defense who spoke

1192

00:51:13,490 --> 00:51:10,860

in Parliament saying that he was

1193

00:51:15,980 --> 00:51:13,500

personally aware that the major

1194

00:51:18,710 --> 00:51:15,990

governments of the world since the mid

1195

00:51:20,510 --> 00:51:18,720

1940s or so really when we started

1196

00:51:23,300 --> 00:51:20,520

working with or thinking about working

1197

00:51:25,670 --> 00:51:23,310

on nuclear armaments you know we had the

1198

00:51:27,620 --> 00:51:25,680

Roswell thing and basically since then

1199

00:51:30,800 --> 00:51:27,630

they've been in lead with our major

1200

00:51:32,720 --> 00:51:30,810

governments we're swapping technology

1201
00:51:34,820 --> 00:51:32,730
and letting them play with our people

1202
00:51:37,460 --> 00:51:34,830
because we don't care about our people

1203
00:51:39,800 --> 00:51:37,470
we care about technology we want

1204
00:51:42,770 --> 00:51:39,810
antigravity first you know we want

1205
00:51:46,370 --> 00:51:42,780
stealth first these things we want

1206
00:51:48,590 --> 00:51:46,380
interstellar travel you know we want

1207
00:51:50,270 --> 00:51:48,600
that kind of technology so they're kind

1208
00:51:52,100 --> 00:51:50,280
of joining us along this guy says

1209
00:51:54,350 --> 00:51:52,110
there's like 20 different species that

1210
00:51:57,230 --> 00:51:54,360
he's personally you know familiar with

1211
00:51:58,310 --> 00:51:57,240
then he got a guy recently about a month

1212
00:52:01,370 --> 00:51:58,320
ago two months ago

1213
00:52:04,430 --> 00:52:01,380

well maybe longer on his deathbed he

1214

00:52:07,010 --> 00:52:04,440

confessed he worked in area 51 he was

1215

00:52:10,070 --> 00:52:07,020

this aeronautical engineer at Lockheed

1216

00:52:12,590 --> 00:52:10,080

Martin and other places and said it was

1217

00:52:15,710 --> 00:52:12,600

more like 27 different species some he

1218

00:52:17,180 --> 00:52:15,720

actually worked with that were like 250

1219

00:52:20,450 --> 00:52:17,190

years of age or older

1220

00:52:22,640 --> 00:52:20,460

and some are going to be good to us some

1221

00:52:24,590 --> 00:52:22,650

don't care about us you know they are

1222

00:52:26,960 --> 00:52:24,600

who they are but we're in league with

1223

00:52:29,240 --> 00:52:26,970

them and have these kinds of things

1224

00:52:32,000 --> 00:52:29,250

being told to us and to see these

1225

00:52:34,310 --> 00:52:32,010

stories on the internet daily about you

1226
00:52:36,590 --> 00:52:34,320
know you look at the Mars thing and look

1227
00:52:38,750 --> 00:52:36,600
we talked about the scientific aspects

1228
00:52:40,790 --> 00:52:38,760
of that today but do you see oh there's

1229
00:52:43,490 --> 00:52:40,800
a statue there and there's a coffin

1230
00:52:45,740 --> 00:52:43,500
there and you know here's evidence that

1231
00:52:48,050 --> 00:52:45,750
there were species there and you know

1232
00:52:49,940 --> 00:52:48,060
most of these are either for

1233
00:52:52,130 --> 00:52:49,950
photographic anomalies or somebody's

1234
00:52:53,480 --> 00:52:52,140
imagination you know we look at stuff we

1235
00:52:55,730 --> 00:52:53,490
make patterns out of them that's what

1236
00:52:58,490 --> 00:52:55,740
our brains do right but if you're going

1237
00:53:00,440 --> 00:52:58,500
to prepare the people for disclosure

1238
00:53:03,500 --> 00:53:00,450

that's the way you do it

1239

00:53:04,859 --> 00:53:03,510

so it may be in full swing already and

1240

00:53:06,509 --> 00:53:04,869

and by the

1241

00:53:09,660 --> 00:53:06,519

time they come out with it say ten years

1242

00:53:12,870 --> 00:53:09,670

even from now most of us will be used to

1243

00:53:15,450 --> 00:53:12,880

the idea because we're in this in web

1244

00:53:17,460 --> 00:53:15,460

you know and everybody knows everything

1245

00:53:20,099 --> 00:53:17,470

now you can't hide anything from anybody

1246

00:53:21,720 --> 00:53:20,109

what's really kind of stinks for the

1247

00:53:24,420 --> 00:53:21,730

news but I can't watch the news anymore

1248

00:53:25,589 --> 00:53:24,430

they have to go TMI on us you know they

1249

00:53:28,349 --> 00:53:25,599

have to show too much information

1250

00:53:29,970 --> 00:53:28,359

because if they don't people find it on

1251

00:53:31,859 --> 00:53:29,980

the Internet and that's what they're

1252

00:53:34,920 --> 00:53:31,869

competing with so it makes the news

1253

00:53:36,660 --> 00:53:34,930

really hard to watch yeah ChIP chip but

1254

00:53:38,339 --> 00:53:36,670

just interrupt you a little bit sure now

1255

00:53:39,989 --> 00:53:38,349

probably have to do that when I close

1256

00:53:42,650 --> 00:53:39,999

out someone on the chatroom wants to

1257

00:53:45,450 --> 00:53:42,660

know what type of coffee you drink but

1258

00:53:47,400 --> 00:53:45,460

actually redbull don't a redbull okay

1259

00:53:50,789 --> 00:53:47,410

yeah I might have to take that before my

1260

00:53:53,160 --> 00:53:50,799

next show you know a couple of things

1261

00:53:55,049 --> 00:53:53,170

you just said I just wanted to just talk

1262

00:53:58,650 --> 00:53:55,059

about quickly and that it's a first of

1263

00:54:02,329 --> 00:53:58,660

all Paul Hellyer it actually he and I

1264

00:54:06,809 --> 00:54:02,339

communicate I know I like that and and

1265

00:54:08,549 --> 00:54:06,819

he has many times slated for the show

1266

00:54:10,710 --> 00:54:08,559

and just has not made it and hopefully

1267

00:54:12,630 --> 00:54:10,720

he'll be on sooner or later it's a

1268

00:54:14,970 --> 00:54:12,640

little bit controversial what what he

1269

00:54:17,069 --> 00:54:14,980

has said this is just in ufology in

1270

00:54:18,749 --> 00:54:17,079

general a little bit controversial the

1271

00:54:21,059 --> 00:54:18,759

things that he said I would let him

1272

00:54:23,579 --> 00:54:21,069

speak anyway and say his piece and also

1273

00:54:26,299 --> 00:54:23,589

about the deathbed confession there's

1274

00:54:31,069 --> 00:54:26,309

this controversy about that too there's

1275

00:54:35,069 --> 00:54:31,079

you know as as you know as I know

1276
00:54:37,319 --> 00:54:35,079
nothing is is really a hundred percent

1277
00:54:41,400 --> 00:54:37,329
clear under type of things you know I

1278
00:54:43,259 --> 00:54:41,410
mean the interesting story but there was

1279
00:54:45,890 --> 00:54:43,269
some there's a there's been a little

1280
00:54:49,559 --> 00:54:45,900
backlash about both of those people

1281
00:54:52,440 --> 00:54:49,569
especially Paul Hellyer and which you

1282
00:54:55,559 --> 00:54:52,450
know very prestigious he had a very

1283
00:54:57,569 --> 00:54:55,569
prestigious position we with the

1284
00:54:59,039 --> 00:54:57,579
government he was very very

1285
00:55:01,559 --> 00:54:59,049
well-connected he's a nice gentleman

1286
00:55:03,140 --> 00:55:01,569
he's sharp he's very sharp for ninety

1287
00:55:07,499 --> 00:55:03,150
years old I believe that's what he is

1288
00:55:11,039 --> 00:55:07,509

but but he has he has definitely without

1289

00:55:13,950 --> 00:55:11,049

a doubt made some some far reaches and

1290

00:55:16,019 --> 00:55:13,960

some assumptions yeah you know it's very

1291

00:55:17,250 --> 00:55:16,029

it's an interesting guy and look he's

1292

00:55:19,590 --> 00:55:17,260

authoritative but

1293

00:55:22,500 --> 00:55:19,600

even for me in my mid-50s he's little

1294

00:55:25,800 --> 00:55:22,510

old-school you know and I'm looking yeah

1295

00:55:28,170 --> 00:55:25,810

you have to look I'm I I don't get along

1296

00:55:29,820 --> 00:55:28,180

with you know all the 20 year old kids

1297

00:55:31,650 --> 00:55:29,830

out there but I have to get along with

1298

00:55:34,440 --> 00:55:31,660

some I have a daughter that age you know

1299

00:55:36,810 --> 00:55:34,450

I'm keeping my eye on so I have to learn

1300

00:55:38,130 --> 00:55:36,820

her community in order to do that we've

1301

00:55:40,109 --> 00:55:38,140

been the cool parents in the

1302

00:55:41,490 --> 00:55:40,119

neighborhood you know but he also have

1303

00:55:44,190 --> 00:55:41,500

to pay attention and they're very

1304

00:55:46,650 --> 00:55:44,200

different than you know people at my age

1305

00:55:48,720 --> 00:55:46,660

group is and so they're there's some

1306

00:55:51,390 --> 00:55:48,730

distance between what we will accept or

1307

00:55:54,420 --> 00:55:51,400

not accept and even me is a bit liberal

1308

00:55:59,220 --> 00:55:54,430

you know for it for that level but you

1309

00:56:01,260 --> 00:55:59,230

know somebody at Paul's age and look I'm

1310

00:56:04,170 --> 00:56:01,270

not saying anything against him because

1311

00:56:06,210 --> 00:56:04,180

look he's one of my heroes truly but I

1312

00:56:08,370 --> 00:56:06,220

have to say in this internet day and age

1313

00:56:09,990 --> 00:56:08,380

you know everything you have to take

1314

00:56:12,690 --> 00:56:10,000

with grain of salt and I have read some

1315

00:56:14,790 --> 00:56:12,700

articles that are disparaging with

1316

00:56:17,340 --> 00:56:14,800

regard to the canadian prime minister or

1317

00:56:21,599 --> 00:56:17,350

the minister of defense rather and the

1318

00:56:23,520 --> 00:56:21,609

guy's deathbed confession but the news

1319

00:56:25,260 --> 00:56:23,530

organizations that that brought these

1320

00:56:27,510 --> 00:56:25,270

stories out are the things that i pay

1321

00:56:30,180 --> 00:56:27,520

attention to and look some have a lot of

1322

00:56:32,130 --> 00:56:30,190

kind of wishy-washy stuff where you know

1323

00:56:34,200 --> 00:56:32,140

they're really trying to sell the you

1324

00:56:36,810 --> 00:56:34,210

know blogs or magazines or whatever and

1325

00:56:38,880 --> 00:56:36,820

some have been authoritative figures and

1326

00:56:40,890 --> 00:56:38,890

and wouldn't really publish this stuff

1327

00:56:44,730 --> 00:56:40,900

and unless they felt good about it and

1328

00:56:47,340 --> 00:56:44,740

you see the kind of news organizations

1329

00:56:49,170 --> 00:56:47,350

they carry those stories and that's why

1330

00:56:51,450 --> 00:56:49,180

i tend to believe them as especially

1331

00:56:54,240 --> 00:56:51,460

when some of the documents i've seen

1332

00:56:57,740 --> 00:56:54,250

with experiencers and abductees or or

1333

00:57:00,210 --> 00:56:57,750

people that have been in classified

1334

00:57:02,490 --> 00:57:00,220

government organizations that are coming

1335

00:57:06,750 --> 00:57:02,500

out now you know there's a lot of risk

1336

00:57:08,550 --> 00:57:06,760

in doing that so it really depends you

1337

00:57:12,300 --> 00:57:08,560

know we're just about out of time chip

1338

00:57:14,430 --> 00:57:12,310

huh how can someone find you oh it's

1339

00:57:17,790 --> 00:57:14,440

kind of hard to do unfortunately at the

1340

00:57:19,440 --> 00:57:17,800

moment i i'm on facebook at chip Reich

1341

00:57:21,930 --> 00:57:19,450

and Thal and chip you know like potato

1342

00:57:24,570 --> 00:57:21,940

chip or computer chip it's chip and why

1343

00:57:29,010 --> 00:57:24,580

consol is like the Third Reich which I

1344

00:57:30,830 --> 00:57:29,020

hate to say our AI CH and then II and th

1345

00:57:34,220 --> 00:57:30,840

al actually there's good in for

1346

00:57:36,430 --> 00:57:34,230

about me on the podcast page so they can

1347

00:57:39,350 --> 00:57:36,440

they can find me or at least my book

1348

00:57:42,260 --> 00:57:39,360

through the podcast page I'm on LinkedIn

1349

00:57:43,640 --> 00:57:42,270

chip I can throw on Facebook I'm on

1350

00:57:46,010 --> 00:57:43,650

Twitter

1351

00:57:48,560 --> 00:57:46,020

well you can't victims of retail

1352

00:57:50,000 --> 00:57:48,570

actually about my old band name I'm

1353

00:57:52,040 --> 00:57:50,010

changing all of that in a couple of

1354

00:57:53,780 --> 00:57:52,050

months I'm starting a website and and

1355

00:57:56,600 --> 00:57:53,790

it'll be easier to find me but meantime

1356

00:57:57,800 --> 00:57:56,610

that's probably the best way and you can

1357

00:58:01,280 --> 00:57:57,810

email me if you want

1358

00:58:04,460 --> 00:58:01,290

victims of retail at yahoo.com that's my

1359

00:58:07,280 --> 00:58:04,470

band name victims as plural victims of

1360

00:58:09,260 --> 00:58:07,290

retail we all are you know it's kind of

1361

00:58:10,340 --> 00:58:09,270

my collective harmony type of thing I

1362

00:58:13,220 --> 00:58:10,350

guess we are yeah

1363

00:58:15,320 --> 00:58:13,230

so this has been a this has been a lot

1364

00:58:17,750 --> 00:58:15,330

of fun and I had just one more thing are

1365

00:58:20,540 --> 00:58:17,760

you planning to write another book at

1366

00:58:23,420 --> 00:58:20,550

any point on a couple of books and a

1367

00:58:26,090 --> 00:58:23,430

couple of the next one is actually a

1368

00:58:29,270 --> 00:58:26,100

sequel to my current book but I'm adding

1369

00:58:31,220 --> 00:58:29,280

some UFOs to it very interesting the

1370

00:58:33,500 --> 00:58:31,230

first book was really about spirit

1371

00:58:36,200 --> 00:58:33,510

medium and handling a murder mystery and

1372

00:58:40,820 --> 00:58:36,210

the sequel has him having to chase a

1373

00:58:44,030 --> 00:58:40,830

ghost who convinced this guy who was

1374

00:58:46,970 --> 00:58:44,040

alleged to be mentally let's say

1375

00:58:49,070 --> 00:58:46,980

deranged it was his brother to him

1376

00:58:51,500 --> 00:58:49,080

suicided and the spirit of his brother

1377

00:58:53,840 --> 00:58:51,510

told him to kill a police officer who is

1378

00:58:55,760 --> 00:58:53,850

the partner of the homicide investigator

1379

00:59:00,320 --> 00:58:55,770

who is the main character in my first

1380

00:59:02,690 --> 00:59:00,330

book okay by the way can you make that

1381

00:59:04,460 --> 00:59:02,700

get a UFO in the book doughnut-shaped

1382

00:59:11,300 --> 00:59:04,470

one like mari island for anything

1383

00:59:16,060 --> 00:59:11,310

anything for you and i also named you it

1384

00:59:21,740 --> 00:59:19,520

well hey chip thanks so much and we'll

1385

00:59:24,740 --> 00:59:21,750

have you back you're you're a good guy a

1386

00:59:27,440 --> 00:59:24,750

friend and and i'd love to have you back

1387

00:59:29,600 --> 00:59:27,450

on sometime it's always a pleasure and

1388

00:59:32,810 --> 00:59:29,610

an honor brother III love talking with

1389

00:59:35,810 --> 00:59:32,820

you thank you so much we are going to be

1390

00:59:37,850 --> 00:59:35,820

right back this is just a little bit

1391

00:59:39,830 --> 00:59:37,860

tricky for us here because we usually

1392

00:59:41,510 --> 00:59:39,840

don't switch guests in the middle but

1393

01:01:32,450 --> 00:59:41,520

I'm gonna try this hopefully it all work

1394

01:01:39,360 --> 01:01:35,790

Rob Mercer how are you I'm not doing too

1395

01:01:43,140 --> 01:01:39,370

bad thank you for for joining us in our

1396

01:01:45,390 --> 01:01:43,150

to and this is your first time you've

1397

01:01:49,110 --> 01:01:45,400

ever been on a show am i right

1398

01:01:50,760 --> 01:01:49,120

yes that's it and let's let's first of

1399

01:01:52,590 --> 01:01:50,770

all before we get into why you're here

1400

01:01:54,480 --> 01:01:52,600

what why don't you tell the listening

1401
01:01:57,150 --> 01:01:54,490
audience and I I'm actually seeing you

1402
01:01:59,160 --> 01:01:57,160
on video here we're and you can actually

1403
01:02:01,350 --> 01:01:59,170
shut that off if you wanted to all you

1404
01:02:02,700 --> 01:02:01,360
have to do is hover over with your mouse

1405
01:02:04,770 --> 01:02:02,710
and you'll see a little camera and just

1406
01:02:07,590 --> 01:02:04,780
click it off and that way we'll have a

1407
01:02:09,180 --> 01:02:07,600
much clearer signal that's because I saw

1408
01:02:13,410 --> 01:02:09,190
the picture of UFOs and your background

1409
01:02:15,780 --> 01:02:13,420
there okay yeah why don't you tell the

1410
01:02:18,210 --> 01:02:15,790
listening audience who you are okay my

1411
01:02:20,100 --> 01:02:18,220
name is Rob Mercer I'm MUFON field

1412
01:02:22,370 --> 01:02:20,110
investigator and stay Section director

1413
01:02:28,680 --> 01:02:22,380

here in the southwestern part of Ohio

1414

01:02:30,420 --> 01:02:28,690

I'm doing it for a few years that's

1415

01:02:32,040 --> 01:02:30,430

pretty much the extent of it also

1416

01:02:33,510 --> 01:02:32,050

I've been following you athos my whole

1417

01:02:35,070 --> 01:02:33,520

life reading about him you know

1418

01:02:36,930 --> 01:02:35,080

everything I could find on him and

1419

01:02:38,850 --> 01:02:36,940

what's kind of led me to what I have to

1420

01:02:41,700 --> 01:02:38,860

share on here now

1421

01:02:46,470 --> 01:02:41,710

what got you started in the fascination

1422

01:02:46,700 --> 01:02:46,480

with UFOs to begin with was really into

1423

01:02:52,710 --> 01:02:46,710

it

1424

01:02:55,230 --> 01:02:52,720

used to do talk about and every time he

1425

01:02:58,400 --> 01:02:55,240

came over now how did mom and dad feel

1426
01:03:01,800 --> 01:02:58,410
about that oh no they didn't seem care

1427
01:03:03,210 --> 01:03:01,810
when I was young they I personally

1428
01:03:05,700 --> 01:03:03,220
myself I've never had one that I

1429
01:03:09,930 --> 01:03:05,710
couldn't figure out yet they did we were

1430
01:03:13,620 --> 01:03:09,940
in bed one night back probably back in

1431
01:03:15,780 --> 01:03:13,630
the early 80s but now they did I kind of

1432
01:03:17,760 --> 01:03:15,790
kept it to myself and you know did it in

1433
01:03:19,380 --> 01:03:17,770
my own time I had a big family I always

1434
01:03:21,390 --> 01:03:19,390
like to hear about sightings do you mind

1435
01:03:26,390 --> 01:03:21,400
did you have any details of what your

1436
01:03:28,680 --> 01:03:26,400
parents saw Champaign County Ohio and

1437
01:03:30,120 --> 01:03:28,690
they were in the middle of night they

1438
01:03:33,150 --> 01:03:30,130

saw a light out in the backyard now I

1439

01:03:36,750 --> 01:03:33,160

just remember brief parts of it but they

1440

01:03:38,460 --> 01:03:36,760

saw a light hovering over the house and

1441

01:03:41,850 --> 01:03:38,470

I don't have an exact time as far as

1442

01:03:44,370 --> 01:03:41,860

year to do any investigating myself I

1443

01:03:46,590 --> 01:03:44,380

would like to but it's something I need

1444

01:03:48,300 --> 01:03:46,600

to work on us try to my mom's no longer

1445

01:03:50,180 --> 01:03:48,310

around but work with my dad to try to

1446

01:03:52,320 --> 01:03:50,190

find out a little better details on that

1447

01:03:54,450 --> 01:03:52,330

mm-hmm

1448

01:03:56,130 --> 01:03:54,460

yeah you know a lot of times I'll still

1449

01:03:58,320 --> 01:03:56,140

you know you've hear you hear people say

1450

01:04:00,120 --> 01:03:58,330

something like oh you know they'll

1451

01:04:02,300 --> 01:04:00,130

remember something wrong well I'm

1452

01:04:05,280 --> 01:04:02,310

telling you when it's such a traumatic

1453

01:04:07,500 --> 01:04:05,290

situation you pretty much I believe you

1454

01:04:12,420 --> 01:04:07,510

pretty much remember quite a bit about

1455

01:04:15,120 --> 01:04:12,430

the details about it the next day I was

1456

01:04:22,170 --> 01:04:15,130

just so young that I didn't write down

1457

01:04:26,160 --> 01:04:22,180

the details but they were a statement

1458

01:04:28,860 --> 01:04:26,170

and a half now so your uncle had he had

1459

01:04:31,410 --> 01:04:28,870

a sighting as well remember he did he

1460

01:04:32,640 --> 01:04:31,420

was driving home from work and he had

1461

01:04:36,030 --> 01:04:32,650

seen some lights and thought they were

1462

01:04:37,860 --> 01:04:36,040

following him and he was meeting him a

1463

01:04:39,000 --> 01:04:37,870

real good friends and I say he was came

1464

01:04:40,770 --> 01:04:39,010

out to my house and was telling me about

1465

01:04:43,080 --> 01:04:40,780

it and I remember we went out looking

1466

01:04:44,940 --> 01:04:43,090

for it and from then on he always had a

1467

01:04:46,560 --> 01:04:44,950

telescope and you know we was just

1468

01:04:48,990 --> 01:04:46,570

always kind of into the sci-fi thing

1469

01:04:51,510 --> 01:04:49,000

there as far as looking looking for

1470

01:04:55,170 --> 01:04:51,520

things going to different events things

1471

01:04:58,680 --> 01:04:55,180

like that uh-huh so now just for the

1472

01:05:00,630 --> 01:04:58,690

listening audience you can go on our

1473

01:05:03,020 --> 01:05:00,640

website podcast UFO if you scroll down

1474

01:05:06,600 --> 01:05:03,030

into the show notes or on the home page

1475

01:05:10,380 --> 01:05:06,610

the week that this show is running you

1476

01:05:12,530 --> 01:05:10,390

will see a link to Rob's website where

1477

01:05:14,550 --> 01:05:12,540

it has a number of these documents

1478

01:05:17,820 --> 01:05:14,560

posted that we're going to be talking

1479

01:05:21,750 --> 01:05:17,830

about and they are actually Project Blue

1480

01:05:25,290 --> 01:05:21,760

Book files and first of all Rob let's

1481

01:05:27,090 --> 01:05:25,300

talk about this is a Craigslist fine to

1482

01:05:31,560 --> 01:05:27,100

begin with the very start of it can you

1483

01:05:34,050 --> 01:05:31,570

tell us what what happened oh yeah right

1484

01:05:35,730 --> 01:05:34,060

about 20 minutes from right Pat and I've

1485

01:05:39,030 --> 01:05:35,740

done service work in the area over

1486

01:05:41,670 --> 01:05:39,040

around there for years so I'm just one

1487

01:05:43,530 --> 01:05:41,680

night well I check all the time on

1488

01:05:45,660 --> 01:05:43,540

Craigslist for UFO collections because

1489

01:05:46,890 --> 01:05:45,670

being in a lot of people's houses over

1490

01:05:48,840 --> 01:05:46,900

the years I've seen them I know they

1491

01:05:50,250 --> 01:05:48,850

have them people tend to throw things

1492

01:05:52,680 --> 01:05:50,260

out get rid of things when some

1493

01:05:55,590 --> 01:05:52,690

body passes away you know I just

1494

01:05:58,170 --> 01:05:55,600

interrupt you first quick second here is

1495

01:06:00,000 --> 01:05:58,180

I'm I'm more or less like in the antique

1496

01:06:02,250 --> 01:06:00,010

you know fine arts business and I

1497

01:06:04,590 --> 01:06:02,260

checked for antiques and fine art on

1498

01:06:06,480 --> 01:06:04,600

Craigslist and all that I'm really into

1499

01:06:09,270 --> 01:06:06,490

UFOs and I've never even once thought of

1500

01:06:15,840 --> 01:06:09,280

doing that you may be one of the very

1501

01:06:18,120 --> 01:06:15,850

few people that actually do that this

1502

01:06:20,160 --> 01:06:18,130

you know I'm just looking for people's

1503

01:06:21,750 --> 01:06:20,170

other investigators you know you only

1504

01:06:24,300 --> 01:06:21,760

investigate a few years you tend to get

1505

01:06:25,950 --> 01:06:24,310

burned out on it things like that other

1506

01:06:28,200 --> 01:06:25,960

people's files but yeah I was very

1507

01:06:31,100 --> 01:06:28,210

surprised that I came across this and on

1508

01:06:35,250 --> 01:06:31,110

my website there I've got an actual

1509

01:06:37,380 --> 01:06:35,260

screenshot of the ad that particular

1510

01:06:39,120 --> 01:06:37,390

night yeah it's down a little bit you

1511

01:06:41,220 --> 01:06:39,130

can see it I guess I better tell you

1512

01:06:42,840 --> 01:06:41,230

about that I created that website just

1513

01:06:45,570 --> 01:06:42,850

for the area I'm a MUFON field

1514

01:06:47,610 --> 01:06:45,580

investigator and I'm always part of our

1515

01:06:49,770 --> 01:06:47,620

investigation processes you you check

1516

01:06:51,720 --> 01:06:49,780

the internet for correlating cases that

1517

01:06:53,670 --> 01:06:51,730

may have happened around the time of the

1518

01:06:56,330 --> 01:06:53,680

one you're investigating and I start

1519

01:06:58,710 --> 01:06:56,340

noticing that I live in Springfield I

1520

01:07:00,390 --> 01:06:58,720

mean I was never getting cases from this

1521

01:07:02,130 --> 01:07:00,400

area yet I'd get on somewhere like the

1522

01:07:04,650 --> 01:07:02,140

national UFO Reporting Center and they

1523

01:07:06,570 --> 01:07:04,660

just have cases left and right you know

1524

01:07:09,030 --> 01:07:06,580

from around here so I figure I would

1525

01:07:11,520 --> 01:07:09,040

create a local website for people in the

1526

01:07:13,860 --> 01:07:11,530

area that would go to maybe to get them

1527

01:07:15,150 --> 01:07:13,870

the kind of report more for us you know

1528

01:07:16,950 --> 01:07:15,160

tell us here are their stories a little

1529

01:07:19,110 --> 01:07:16,960

bit more that's kind of the purpose of

1530

01:07:21,030 --> 01:07:19,120

that website it's that's why it's called

1531

01:07:24,750 --> 01:07:21,040

we're technically called the Miami

1532

01:07:25,800 --> 01:07:24,760

Valley and that's what that's for I was

1533

01:07:27,840 --> 01:07:25,810

thinking that had something to do with

1534

01:07:29,880 --> 01:07:27,850

Miami Florida and I saw that and I

1535

01:07:31,380 --> 01:07:29,890

wonder what the connection was okay you

1536

01:07:33,330 --> 01:07:31,390

would be surprised how many people from

1537

01:07:36,590 --> 01:07:33,340

Florida actually visit that website to

1538

01:07:39,030 --> 01:07:36,600

it they have to make some changes to it

1539

01:07:41,670 --> 01:07:39,040

you know try to link to news I'm trying

1540

01:07:43,050 --> 01:07:41,680

to get people to report to report them

1541

01:07:45,030 --> 01:07:43,060

so they'll be investigated when they see

1542

01:07:47,190 --> 01:07:45,040

things there's I mean a lot I've been

1543

01:07:48,570 --> 01:07:47,200

doing a lot of Blue Book research and

1544

01:07:50,850 --> 01:07:48,580

there's been a lot of cases from around

1545

01:07:53,580 --> 01:07:50,860

this area so I'm just trying to make

1546

01:07:56,100 --> 01:07:53,590

sure I get some of them but that night

1547

01:07:58,380 --> 01:07:56,110

it was in September of 2013 we had had a

1548

01:08:00,260 --> 01:07:58,390

MUFON meeting over over in Columbus and

1549

01:08:02,000 --> 01:08:00,270

I was home that night I'm just kind of

1550

01:08:04,940 --> 01:08:02,010

on my mind and I was on Craigslist and

1551

01:08:07,160 --> 01:08:04,950

all I did was under for sale type in UFO

1552

01:08:09,890 --> 01:08:07,170

which I had done under times before and

1553

01:08:11,630 --> 01:08:09,900

I'd seen that ad I don't think I seen it

1554

01:08:14,870 --> 01:08:11,640

on there but it's an ad that said the

1555

01:08:18,559 --> 01:08:14,880

guy had files that had come from it said

1556

01:08:19,940 --> 01:08:18,569

from a captain in Project Blue Book so I

1557

01:08:21,530 --> 01:08:19,950

texted him it was you know about

1558

01:08:23,000 --> 01:08:21,540

midnight that night when I texted him

1559

01:08:25,880 --> 01:08:23,010

until him to hang on to them till I got

1560

01:08:27,559 --> 01:08:25,890

off work the next day and I drove down

1561

01:08:30,079 --> 01:08:27,569

to look for her down to see him they

1562

01:08:32,329 --> 01:08:30,089

were south of Dayton and sure enough

1563

01:08:35,930 --> 01:08:32,339

it's what he said it was it was a couple

1564

01:08:38,120 --> 01:08:35,940

black binders full of photos and what I

1565

01:08:40,190 --> 01:08:38,130

call case they're called case summaries

1566

01:08:42,710 --> 01:08:40,200

are just like the card with the basic

1567

01:08:44,930 --> 01:08:42,720

description of the sighting on them and

1568

01:08:49,610 --> 01:08:44,940

and what the finding was there was a

1569

01:08:51,920 --> 01:08:49,620

several boxes of slides there was three

1570

01:08:56,420 --> 01:08:51,930

binders that have basically they go from

1571

01:08:58,010 --> 01:08:56,430

1947 to 1969 in lists every case that

1572

01:09:00,070 --> 01:08:58,020

there is you know that there was for

1573

01:09:02,570 --> 01:09:00,080

blue book now you'll find these online

1574

01:09:04,340 --> 01:09:02,580

but everything's redacted as far as the

1575

01:09:06,170 --> 01:09:04,350

witnesses names oh yeah

1576

01:09:09,140 --> 01:09:06,180

these nothing and this is it's all

1577

01:09:10,490 --> 01:09:09,150

untouched and there was you know some

1578

01:09:13,610 --> 01:09:10,500

other documents and there a lot of files

1579

01:09:15,710 --> 01:09:13,620

in there so the guy gave him what he

1580

01:09:23,599 --> 01:09:15,720

wanted for it I got to hear what it is

1581

01:09:25,880 --> 01:09:23,609

how much did you have to pay I'm

1582

01:09:27,140 --> 01:09:25,890

laughing because there's probably a lot

1583

01:09:29,090 --> 01:09:27,150

of people listening to the show right

1584

01:09:32,450 --> 01:09:29,100

now that would pay ten times that and

1585

01:09:36,050 --> 01:09:32,460

you know I probably would be pretty

1586

01:09:38,480 --> 01:09:36,060

close to that there as well so and by

1587

01:09:40,460 --> 01:09:38,490

the way I just want to say on the area

1588

01:09:42,769 --> 01:09:40,470

because I know he's listening is a Chris

1589

01:09:45,440 --> 01:09:42,779

Lambright he's the one who connected you

1590

01:09:50,210 --> 01:09:45,450

and I together who you have spoke with

1591

01:09:51,530 --> 01:09:50,220

and you also have spoke with someone

1592

01:09:53,840 --> 01:09:51,540

working he's going to be on the show and

1593

01:09:57,080 --> 01:09:53,850

I don't know maybe two or three weeks

1594

01:09:59,150 --> 01:09:57,090

ray Stanford and we got to hook you up

1595

01:10:03,050 --> 01:09:59,160

with talking to him how I got hooked up

1596

01:10:05,450 --> 01:10:03,060

with Chris yeah ray I not knew much

1597

01:10:07,880 --> 01:10:05,460

about Ray before that point but I'd

1598

01:10:09,500 --> 01:10:07,890

found some files in there some some

1599

01:10:13,670 --> 01:10:09,510

paperwork in there that were of interest

1600

01:10:15,500 --> 01:10:13,680

to him with a his story yeah Socorro and

1601

01:10:18,560 --> 01:10:15,510

I've got after I'll tell you guys about

1602

01:10:20,960 --> 01:10:18,570

those but with those files that I had I

1603

01:10:22,820 --> 01:10:20,970

sat on them for about sick people from

1604

01:10:24,980 --> 01:10:22,830

MUFON over that weekend after how does

1605

01:10:25,970 --> 01:10:24,990

it excited to show them the people that

1606

01:10:28,250 --> 01:10:25,980

have been in the business a lot longer

1607

01:10:30,400 --> 01:10:28,260

than me just kind of get their take on

1608

01:10:31,940 --> 01:10:30,410

it so I had three guys over from our

1609

01:10:33,500 --> 01:10:31,950

MUFON leave Ohio

1610

01:10:35,480 --> 01:10:33,510

we spent about eight hours of my

1611

01:10:37,970 --> 01:10:35,490

basement going through them and we were

1612

01:10:40,460 --> 01:10:37,980

convinced when it was over that the guy

1613

01:10:42,140 --> 01:10:40,470

gave I mean we knew the lieutenant that

1614

01:10:44,210 --> 01:10:42,150

they belonged to gave briefings on the

1615

01:10:45,830 --> 01:10:44,220

subject just by documents that were in

1616

01:10:48,530 --> 01:10:45,840

there there were a lot of slides

1617

01:10:51,170 --> 01:10:48,540

explaining statistics and and different

1618

01:10:53,320 --> 01:10:51,180

policies so I just kind of sat on him

1619

01:10:55,490 --> 01:10:53,330

for about nine months after that

1620

01:10:57,920 --> 01:10:55,500

researching him trying to find out who

1621

01:11:00,050 --> 01:10:57,930

he was if he was alive not really

1622

01:11:02,480 --> 01:11:00,060

knowing what to do with not one to get

1623

01:11:05,210 --> 01:11:02,490

him in trouble or anything or have him

1624

01:11:07,730 --> 01:11:05,220

wanting them back from me you know I'd

1625

01:11:09,320 --> 01:11:07,740

even drive by his house where I put the

1626
01:11:12,440 --> 01:11:09,330
story together where they came from the

1627
01:11:14,690 --> 01:11:12,450
garage that they were found in and the

1628
01:11:17,270 --> 01:11:14,700
whole timeline to that knew about where

1629
01:11:18,680 --> 01:11:17,280
he was living you know I Drive by hoping

1630
01:11:20,420 --> 01:11:18,690
to catch him outside just to kind of

1631
01:11:26,030 --> 01:11:20,430
confirm it without calling him and

1632
01:11:27,680 --> 01:11:26,040
creeping him out you know he was former

1633
01:11:29,360 --> 01:11:27,690
Air Force I have a friend here a MUFON

1634
01:11:31,070 --> 01:11:29,370
it was former Air Force and we came to

1635
01:11:32,750 --> 01:11:31,080
conclusion that I might have him give

1636
01:11:36,170 --> 01:11:32,760
him a call for me and break the ice and

1637
01:11:38,120 --> 01:11:36,180
he wanted to so he gave him a call at

1638
01:11:39,680 --> 01:11:38,130

his house here in Fairborn and turned

1639

01:11:41,000 --> 01:11:39,690

out him and his wife a divorce several

1640

01:11:43,700 --> 01:11:41,010

years ago and he'd moved out of state

1641

01:11:46,340 --> 01:11:43,710

was wife was nice nice enough to give us

1642

01:11:49,250 --> 01:11:46,350

his phone number where he lived now so

1643

01:11:51,530 --> 01:11:49,260

my friend Pete Pete Arnie are from MUFON

1644

01:11:52,880 --> 01:11:51,540

he had called him and talked to him a

1645

01:11:54,410 --> 01:11:52,890

few minutes and called me back and said

1646

01:11:56,630 --> 01:11:54,420

you know lieutenant said to give him a

1647

01:12:00,200 --> 01:11:56,640

call he wants to hear about the stuff he

1648

01:12:01,760 --> 01:12:00,210

found of his so I gave him a call and he

1649

01:12:04,280 --> 01:12:01,770

was a little confused even a few minutes

1650

01:12:05,690 --> 01:12:04,290

later when I called him but once I you

1651
01:12:07,580 --> 01:12:05,700
know explained what happened he

1652
01:12:09,080 --> 01:12:07,590
basically told me how they'd gotten a

1653
01:12:10,820 --> 01:12:09,090
divorce and he'd forgot he left those

1654
01:12:13,970 --> 01:12:10,830
behind forgot they were up in the garage

1655
01:12:15,680 --> 01:12:13,980
it was a two-story garage with an attic

1656
01:12:17,570 --> 01:12:15,690
in it the kind of place that you'd store

1657
01:12:19,760 --> 01:12:17,580
stuff for years and years and kind of

1658
01:12:22,820 --> 01:12:19,770
forget to Chad now how old was he when

1659
01:12:26,390 --> 01:12:22,830
he was with Project Blue Book

1660
01:12:27,600 --> 01:12:26,400
because mid to late 20s oh okay and so

1661
01:12:30,510 --> 01:12:27,610
that was 18 69

1662
01:12:32,340 --> 01:12:30,520
so doing when it shut down I'd say he

1663
01:12:37,350 --> 01:12:32,350

was probably about 27 minutes shut down

1664

01:12:39,689 --> 01:12:37,360

28 okay so he is he 70 something yes

1665

01:12:42,479 --> 01:12:39,699

yeah yeah

1666

01:12:44,669 --> 01:12:42,489

is he the number one thing I think of

1667

01:12:47,669 --> 01:12:44,679

when I'm hearing all this I just can't

1668

01:12:49,950 --> 01:12:47,679

help myself but would he be the type of

1669

01:12:53,580 --> 01:12:49,960

person that would actually want to talk

1670

01:12:55,470 --> 01:12:53,590

about this well he doesn't like to talk

1671

01:12:57,750 --> 01:12:55,480

about the program I mean likes to tell

1672

01:12:59,430 --> 01:12:57,760

me you know stuff that went on gives me

1673

01:13:03,689 --> 01:12:59,440

the basics but he doesn't have a good

1674

01:13:06,020 --> 01:13:03,699

memory of a specifics on there I mean

1675

01:13:09,810 --> 01:13:06,030

basically when it shut down and he left

1676

01:13:12,359 --> 01:13:09,820

he did he quit even messing with UFOs he

1677

01:13:13,740 --> 01:13:12,369

went in a fan a sci-fi fan and he told

1678

01:13:16,290 --> 01:13:13,750

me he was going to prove they were real

1679

01:13:18,660 --> 01:13:16,300

but he was there for over two years and

1680

01:13:20,760 --> 01:13:18,670

by the time it shut down he he was

1681

01:13:22,800 --> 01:13:20,770

convinced otherwise he told me he kind

1682

01:13:24,959 --> 01:13:22,810

of put them all away and I've asked him

1683

01:13:26,910 --> 01:13:24,969

questions about well I mean I asked him

1684

01:13:28,109 --> 01:13:26,920

the most common question you ask

1685

01:13:29,390 --> 01:13:28,119

somebody is you know which what's your

1686

01:13:31,979 --> 01:13:29,400

opinion on Roswell

1687

01:13:37,050 --> 01:13:31,989

and it's honest to god he said he'd

1688

01:13:39,390 --> 01:13:37,060

never heard of Roswell I mean it did go

1689

01:13:43,500 --> 01:13:39,400

you know to one the 70s well that's

1690

01:13:45,390 --> 01:13:43,510

right 99 or something like that yeah and

1691

01:13:47,250 --> 01:13:45,400

I didn't sense that he was lying so it

1692

01:13:48,030 --> 01:13:47,260

did I kind of tend to believe him there

1693

01:13:51,390 --> 01:13:48,040

uh-huh

1694

01:13:52,410 --> 01:13:51,400

as far as that goes and I've asked him

1695

01:13:53,790 --> 01:13:52,420

you know what do you think about you

1696

01:13:56,729 --> 01:13:53,800

know the astronauts and a lot of

1697

01:13:58,260 --> 01:13:56,739

credible people with reports you know I

1698

01:14:00,090 --> 01:13:58,270

mean that's hard to get around you know

1699

01:14:01,560 --> 01:14:00,100

you have no reason not to believe him

1700

01:14:03,390 --> 01:14:01,570

and he said he didn't know anything

1701

01:14:07,260 --> 01:14:03,400

about him but he said everybody has an

1702

01:14:11,160 --> 01:14:07,270

ulterior motive huh so I mean yes I

1703

01:14:12,930 --> 01:14:11,170

could not I've seen him a few books you

1704

01:14:14,459 --> 01:14:12,940

know from my collection just to try to

1705

01:14:16,200 --> 01:14:14,469

get him to read them and get back into

1706

01:14:20,040 --> 01:14:16,210

it a little bit me not calling from time

1707

01:14:21,419 --> 01:14:20,050

to time but he's uh I don't I'm not

1708

01:14:23,129 --> 01:14:21,429

getting any feedback from him for that

1709

01:14:25,290 --> 01:14:23,139

but he'll talk about some of the cases

1710

01:14:26,790 --> 01:14:25,300

you know from when he was there I can't

1711

01:14:27,810 --> 01:14:26,800

really go back before he was there

1712

01:14:31,260 --> 01:14:27,820

because he doesn't know a whole lot

1713

01:14:33,810 --> 01:14:31,270

about him yeah just what he had he still

1714

01:14:36,180 --> 01:14:33,820

would be he probably does not want to

1715

01:14:37,800 --> 01:14:36,190

talk about it at all like especially

1716

01:14:40,390 --> 01:14:37,810

like on the show or something like that

1717

01:14:44,260 --> 01:14:41,979

you know a person if you called it yeah

1718

01:14:46,630 --> 01:14:44,270

person to person but I don't know that

1719

01:14:48,399 --> 01:14:46,640

he would want to come on a show he still

1720

01:14:49,959 --> 01:14:48,409

would if he did he still would be very

1721

01:14:52,419 --> 01:14:49,969

interesting no matter what his employer

1722

01:14:57,090 --> 01:14:52,429

oh yeah he's got a physicists background

1723

01:14:59,439 --> 01:14:57,100

and very smart guy very smart guy but we

1724

01:15:01,290 --> 01:14:59,449

you know we talk a lot about politics

1725

01:15:03,310 --> 01:15:01,300

and a little bit of everything we don't

1726

01:15:05,260 --> 01:15:03,320

specifically talk about UFOs all the

1727

01:15:06,939 --> 01:15:05,270

time but after talking to him my first

1728

01:15:08,860 --> 01:15:06,949

time for an hour so and you know telling

1729

01:15:12,250 --> 01:15:08,870

him what I had he saw how interested I

1730

01:15:13,840 --> 01:15:12,260

was and everything he told me that you

1731

01:15:15,760 --> 01:15:13,850

know I've got a few more boxes of that

1732

01:15:17,950 --> 01:15:15,770

stuff that you know but at my house

1733

01:15:19,360 --> 01:15:17,960

where I stay in the summer he said call

1734

01:15:22,570 --> 01:15:19,370

me back in a month or so and I'll mail

1735

01:15:23,979 --> 01:15:22,580

it to you I said okay so you know he

1736

01:15:26,770 --> 01:15:23,989

gave me his number and I called him back

1737

01:15:29,200 --> 01:15:26,780

a few months later and reminded him and

1738

01:15:30,459 --> 01:15:29,210

he remembered and you know he said well

1739

01:15:32,860 --> 01:15:30,469

I got to sort through it it's got a lot

1740

01:15:35,680 --> 01:15:32,870

of trash and junk and stuff and I said

1741

01:15:37,180 --> 01:15:35,690

I'll take anything that you know was Air

1742

01:15:38,680 --> 01:15:37,190

Force and Blue Book related and you know

1743

01:15:40,720 --> 01:15:38,690

pencils even doesn't matter

1744

01:15:42,370 --> 01:15:40,730

uh-huh he said okay he said why God you

1745

01:15:45,520 --> 01:15:42,380

know is he was eventually promoted to

1746

01:15:48,130 --> 01:15:45,530

captain at a nuke base out west he

1747

01:15:49,959 --> 01:15:48,140

missile launch site he said well I got

1748

01:15:51,550 --> 01:15:49,969

my you know buttons and everything he

1749

01:15:54,490 --> 01:15:51,560

saw only have anybody give him to and he

1750

01:15:56,530 --> 01:15:54,500

sent all that to me and in the boxes

1751

01:16:00,990 --> 01:15:56,540

basically I got three more boxes from

1752

01:16:04,270 --> 01:16:01,000

him the files they were good sized boxes

1753

01:16:06,970 --> 01:16:04,280

full of books and I mean there's not

1754

01:16:08,439 --> 01:16:06,980

every file it's a good collection of

1755

01:16:13,200 --> 01:16:08,449

files a lot of them are just single page

1756

01:16:17,530 --> 01:16:13,210

there's a lot of complete files in there

1757

01:16:20,260 --> 01:16:17,540

yeah how how would someone in his

1758

01:16:22,780 --> 01:16:20,270

position actually take these out of the

1759

01:16:24,880 --> 01:16:22,790

office you know I just I just can't see

1760

01:16:27,280 --> 01:16:24,890

how that would be possible unless they

1761

01:16:30,189 --> 01:16:27,290

when they closed Project Blue Book in

1762

01:16:32,439 --> 01:16:30,199

1969 they just said they you know take

1763

01:16:35,290 --> 01:16:32,449

whatever you want or what's in your desk

1764

01:16:36,640 --> 01:16:35,300

we have the main files or something like

1765

01:16:39,010 --> 01:16:36,650

that how could someone actually take

1766

01:16:40,689 --> 01:16:39,020

those what he had well he said they

1767

01:16:42,640 --> 01:16:40,699

spent a couple weeks declassifying

1768

01:16:44,770 --> 01:16:42,650

everything you know all the devi files

1769

01:16:46,870 --> 01:16:44,780

they had to pitch out because you can't

1770

01:16:49,149 --> 01:16:46,880

they're all they couldn't declassify

1771

01:16:51,850 --> 01:16:49,159

those he said because of can't give away

1772

01:16:53,979 --> 01:16:51,860

locations mm-hmm but everything else

1773

01:16:56,380 --> 01:16:53,989

they Declassified that they could

1774

01:16:59,410 --> 01:16:56,390

and the only thing I've configure is

1775

01:17:02,800 --> 01:16:59,420

some of these I mean everything I have

1776

01:17:06,580 --> 01:17:02,810

file wise you can find the case file

1777

01:17:08,520 --> 01:17:06,590

online it may not have I may have you

1778

01:17:10,750 --> 01:17:08,530

know better look quality of pictures

1779

01:17:12,940 --> 01:17:10,760

things like that but they're all on the

1780

01:17:14,920 --> 01:17:12,950

case files themselves are all online so

1781

01:17:18,420 --> 01:17:14,930

I don't think there's nothing in there

1782

01:17:20,770 --> 01:17:18,430

that he didn't you know bring home but

1783

01:17:22,120 --> 01:17:20,780

for a while I was trying to figure it

1784

01:17:24,940 --> 01:17:22,130

out you know is this stuff out of his

1785

01:17:26,200 --> 01:17:24,950

desk and the last time I was talking to

1786

01:17:27,370 --> 01:17:26,210

him he's talking about a little bit more

1787

01:17:29,020 --> 01:17:27,380

I assumed it was because of the

1788

01:17:32,229 --> 01:17:29,030

briefings I've got documents where he's

1789

01:17:34,510 --> 01:17:32,239

had gay he gave briefings on UFOs to the

1790

01:17:36,280 --> 01:17:34,520

Air Force three or four of them I'm sure

1791

01:17:37,900 --> 01:17:36,290

he did more than that I just those are

1792

01:17:39,660 --> 01:17:37,910

just what I have but a lot of it seems

1793

01:17:42,760 --> 01:17:39,670

to be his personal stuff out of his desk

1794

01:17:45,220 --> 01:17:42,770

but also he revealed to me last time I

1795

01:17:47,229 --> 01:17:45,230

was talking to him as he put a press kit

1796

01:17:48,820 --> 01:17:47,239

together when he got there you know the

1797

01:17:52,120 --> 01:17:48,830

press was always going at it with the

1798

01:17:54,070 --> 01:17:52,130

Blue Book staff wanting to see things so

1799

01:17:56,590 --> 01:17:54,080

he would charge himself with putting it

1800

01:17:58,510 --> 01:17:56,600

and I've even got his basically a resume

1801

01:18:00,760 --> 01:17:58,520

he put up of his duties that's in here

1802

01:18:02,350 --> 01:18:00,770

he charged herself with straightening up

1803

01:18:03,940 --> 01:18:02,360

the files a little bit and making it

1804

01:18:08,200 --> 01:18:03,950

easier for the press to come in and look

1805

01:18:13,240 --> 01:18:08,210

at things so when he when he was doing

1806

01:18:15,459 --> 01:18:13,250

that only because that's what the

1807

01:18:17,340 --> 01:18:15,469

lieutenant calls him I'm probably not

1808

01:18:21,250 --> 01:18:17,350

pronouncing it right but it's easier

1809

01:18:22,660 --> 01:18:21,260

that way quinella came in and jumped him

1810

01:18:25,270 --> 01:18:22,670

for doing that basically said you know

1811

01:18:27,370 --> 01:18:25,280

this the press is always on us you know

1812

01:18:28,959 --> 01:18:27,380

don't do anything to help them well he

1813

01:18:30,670 --> 01:18:28,969

did it anyway made him nice and

1814

01:18:32,050 --> 01:18:30,680

organized for them to look at and of

1815

01:18:33,430 --> 01:18:32,060

course then they loved it

1816

01:18:35,979 --> 01:18:33,440

well then he told me that quintanilla

1817

01:18:39,490 --> 01:18:35,989

tried to take the credit for it being

1818

01:18:41,140 --> 01:18:39,500

his idea after that yeah these are I

1819

01:18:47,010 --> 01:18:41,150

think a lot of these are photos that

1820

01:18:52,090 --> 01:18:49,000

some of the numbers on some of these

1821

01:18:55,690 --> 01:18:52,100

files are from the you know the early

1822

01:18:57,580 --> 01:18:55,700

50s three digit case number files I mean

1823

01:18:59,590 --> 01:18:57,590

the files are so old they almost look

1824

01:19:02,260 --> 01:18:59,600

original so it's really hard for me to

1825

01:19:03,850 --> 01:19:02,270

say for sure that's what I kind of my

1826

01:19:05,380 --> 01:19:03,860

ongoing research trying to figure out

1827

01:19:07,160 --> 01:19:05,390

the time period that these were actually

1828

01:19:08,660 --> 01:19:07,170

copied and made I don't know

1829

01:19:10,250 --> 01:19:08,670

some of these are originals and copies

1830

01:19:14,090 --> 01:19:10,260

were made and putting the file more

1831

01:19:16,340 --> 01:19:14,100

organized but I've got you know a lot of

1832

01:19:17,660 --> 01:19:16,350

the early 50s cases on here too that are

1833

01:19:20,120 --> 01:19:17,670

actually complete they're actually in

1834

01:19:22,790 --> 01:19:20,130

brown folders they weren't loose like a

1835

01:19:24,169 --> 01:19:22,800

lot of the other files in there yet if

1836

01:19:28,610 --> 01:19:24,179

you go online you'll see the brown

1837

01:19:30,850 --> 01:19:28,620

folders scanned in on you know full

1838

01:19:33,410 --> 01:19:30,860

three website or the government website

1839

01:19:35,780 --> 01:19:33,420

so there's a lot of I'm still trying to

1840

01:19:38,720 --> 01:19:35,790

figure out the complete system as far as

1841

01:19:40,910 --> 01:19:38,730

that goes but there has been a lot of I

1842

01:19:44,150 --> 01:19:40,920

found things in here that I can't find

1843

01:19:47,570 --> 01:19:44,160

online as far as documents regulations

1844

01:19:49,660 --> 01:19:47,580

office memos lots of things like that

1845

01:19:51,950 --> 01:19:49,670

that came through the system yeah let's

1846

01:19:56,840 --> 01:19:51,960

anything stand out that you would like

1847

01:20:00,200 --> 01:19:56,850

to talk about with with the Socorro case

1848

01:20:03,229 --> 01:20:00,210

and Ray I we had a couple guys from

1849

01:20:06,410 --> 01:20:03,239

MUFON Virginia they were helping James

1850

01:20:09,080 --> 01:20:06,420

Fox do a look up some do some

1851
01:20:11,360 --> 01:20:09,090
researching on Socorro and I contacted

1852
01:20:13,700 --> 01:20:11,370
him telling him about the file I had not

1853
01:20:15,860 --> 01:20:13,710
really knowing what they were looking

1854
01:20:17,479 --> 01:20:15,870
for just kind of basically telling them

1855
01:20:21,110 --> 01:20:17,489
about it and they told me about Ray

1856
01:20:22,910 --> 01:20:21,120
what's prompted me to look into Ray so I

1857
01:20:25,640 --> 01:20:22,920
was reading about him on the internet

1858
01:20:26,990 --> 01:20:25,650
and and I saw his symbol that he had you

1859
01:20:28,610 --> 01:20:27,000
know for years have been saying the

1860
01:20:32,150 --> 01:20:28,620
inverted V with the three lines through

1861
01:20:35,419 --> 01:20:32,160
I know I have seen that in one of these

1862
01:20:37,310 --> 01:20:35,429
books so as I got the my Socorro file

1863
01:20:40,610 --> 01:20:37,320

it's the most complete file I have it's

1864

01:20:44,990 --> 01:20:40,620

a it's all xeroxed it's 100 basically

1865

01:20:47,090 --> 01:20:45,000

170 some pages the complete file and

1866

01:20:51,740 --> 01:20:47,100

inside there are probably I'm guessing

1867

01:20:53,510 --> 01:20:51,750

about 15 pages of notes taken the best

1868

01:20:56,810 --> 01:20:53,520

way I can figure notes taken from

1869

01:20:58,610 --> 01:20:56,820

wright-patterson these memo graphed

1870

01:21:01,040 --> 01:20:58,620

notes are the original they're

1871

01:21:02,330 --> 01:21:01,050

handwritten they're Xerox copies but

1872

01:21:04,970 --> 01:21:02,340

they're handwritten originals and in

1873

01:21:06,590 --> 01:21:04,980

Xerox they see the pages xeroxed and I

1874

01:21:09,709 --> 01:21:06,600

stuck one of them on my website and it's

1875

01:21:14,150 --> 01:21:09,719

actually got the symbol on it and it you

1876
01:21:17,270 --> 01:21:14,160
know talks about sergeant Chavez saying

1877
01:21:18,740 --> 01:21:17,280
that it says Air Force personnel which I

1878
01:21:20,100 --> 01:21:18,750
believe that the original story was

1879
01:21:22,320 --> 01:21:20,110
supposed to be army

1880
01:21:26,040 --> 01:21:22,330
captain holder told him but Air Force

1881
01:21:28,110 --> 01:21:26,050
personnel said substitute dissemble that

1882
01:21:30,150 --> 01:21:28,120
doesn't prove you know that that symbol

1883
01:21:32,550 --> 01:21:30,160
that is the truth but they wrote it down

1884
01:21:34,920 --> 01:21:32,560
I mean all it it does prove all these

1885
01:21:36,570 --> 01:21:34,930
years that race all that symbol was told

1886
01:21:38,070 --> 01:21:36,580
that symbol if you ask me because all

1887
01:21:41,370 --> 01:21:38,080
the it says on there that the police

1888
01:21:42,840 --> 01:21:41,380

officers told you know the airforce that

1889

01:21:43,380 --> 01:21:42,850

they were told they use a different

1890

01:21:48,140 --> 01:21:43,390

symbol

1891

01:21:50,760 --> 01:21:48,150

down there right yeah and there are also

1892

01:21:53,160 --> 01:21:50,770

real good quality pictures that came

1893

01:21:56,880 --> 01:21:53,170

with a I got a manila folder that came

1894

01:21:59,940 --> 01:21:56,890

with like 13 folders from the scene and

1895

01:22:02,340 --> 01:21:59,950

the site actually where the pad oh yeah

1896

01:22:05,040 --> 01:22:02,350

yeah you see the better than anything

1897

01:22:07,860 --> 01:22:05,050

you can see online I put a few of them

1898

01:22:09,990 --> 01:22:07,870

on my site there you can see the Scorch

1899

01:22:12,060 --> 01:22:10,000

first bushes they were taken the next

1900

01:22:14,640 --> 01:22:12,070

day I believe a lot of them were taken

1901
01:22:16,890 --> 01:22:14,650
by the newspaper but not all of them and

1902
01:22:19,670 --> 01:22:16,900
you know the police officers had already

1903
01:22:21,780 --> 01:22:19,680
placed the rocks around in impressions

1904
01:22:24,390 --> 01:22:21,790
but they're uh they're pretty good

1905
01:22:26,370 --> 01:22:24,400
quality pictures now when I when the

1906
01:22:29,640 --> 01:22:26,380
black vault had the Blue Book files

1907
01:22:31,710 --> 01:22:29,650
there for a week or two that was nice to

1908
01:22:32,340 --> 01:22:31,720
get on there and compare compare things

1909
01:22:34,830 --> 01:22:32,350
Oh

1910
01:22:37,830 --> 01:22:34,840
how long have you had these now you said

1911
01:22:40,170 --> 01:22:37,840
over a year I've had the first box in

1912
01:22:41,940 --> 01:22:40,180
September of 2013 but I kind of just

1913
01:22:45,000 --> 01:22:41,950

kept them to myself mm-hmm I got the

1914

01:22:47,220 --> 01:22:45,010

other stuff actually last June okay just

1915

01:22:48,480 --> 01:22:47,230

just to remind the we have a number of

1916

01:22:50,340 --> 01:22:48,490

people in the chat room no one's really

1917

01:22:51,780 --> 01:22:50,350

too active in there but if you're

1918

01:22:54,870 --> 01:22:51,790

listening live you can jump in the chat

1919

01:22:57,210 --> 01:22:54,880

room on podcast UFO comm and it's real

1920

01:23:00,600 --> 01:22:57,220

easy sign in and ask our guests a

1921

01:23:01,710 --> 01:23:00,610

question also if Chris array happened to

1922

01:23:03,230 --> 01:23:01,720

be listening out there and you want to

1923

01:23:09,270 --> 01:23:03,240

call in either one of you or both you

1924

01:23:12,290 --> 01:23:09,280

that six zero three nine six seven four

1925

01:23:16,080 --> 01:23:12,300

oh three oh one more time six oh three

1926

01:23:19,470 --> 01:23:16,090

nine six seven four OH three oh you're

1927

01:23:23,820 --> 01:23:19,480

welcome to call in okay so sorry to

1928

01:23:27,540 --> 01:23:23,830

interrupt you in go ahead they score Oh

1929

01:23:29,850 --> 01:23:27,550

file I'm trying to put a timeline i

1930

01:23:31,590 --> 01:23:29,860

talked to lieutenant about that file you

1931

01:23:33,180 --> 01:23:31,600

know I asked him did you put this one

1932

01:23:33,660 --> 01:23:33,190

together for the press and he said it

1933

01:23:36,810 --> 01:23:33,670

was put to

1934

01:23:39,180 --> 01:23:36,820

by David moody who was the sergeant

1935

01:23:41,610 --> 01:23:39,190

moody he was a guy from wright-patterson

1936

01:23:43,080 --> 01:23:41,620

that was down there investigating and he

1937

01:23:45,360 --> 01:23:43,090

said that he put that together and he

1938

01:23:46,830 --> 01:23:45,370

had spoke to him about that case I mean

1939

01:23:49,590 --> 01:23:46,840

that one he remember talking to him

1940

01:23:54,050 --> 01:23:49,600

about he said moody was convinced it was

1941

01:23:56,760 --> 01:23:54,060

a NASA lunar landers never bought that

1942

01:23:58,890 --> 01:23:56,770

that's totally ridiculous because things

1943

01:24:00,030 --> 01:23:58,900

I mean them things for wobbly there

1944

01:24:03,930 --> 01:24:00,040

would have been a crew out there if that

1945

01:24:08,340 --> 01:24:03,940

was the case didn't make any sense with

1946

01:24:10,830 --> 01:24:08,350

that claim but that's a lot of things

1947

01:24:12,870 --> 01:24:10,840

you'll see I was going page for page on

1948

01:24:16,080 --> 01:24:12,880

the black vault seeing what I have some

1949

01:24:17,580 --> 01:24:16,090

stuff I have that's not that not in the

1950

01:24:20,640 --> 01:24:17,590

government files some stuff that's in

1951

01:24:22,680 --> 01:24:20,650

the government files it's not my book so

1952

01:24:24,419 --> 01:24:22,690

just trying to I still a lot of research

1953

01:24:26,310 --> 01:24:24,429

to do to try to figure those out matte

1954

01:24:27,919 --> 01:24:26,320

black vault was handy but it only lasted

1955

01:24:30,300 --> 01:24:27,929

a week or so and they took it away so

1956

01:24:32,400 --> 01:24:30,310

kind of if the other ones are a little

1957

01:24:34,560 --> 01:24:32,410

harder to look into things it's

1958

01:24:38,100 --> 01:24:34,570

time-consuming to put that way but I've

1959

01:24:40,020 --> 01:24:38,110

also got a lot of just some of the let's

1960

01:24:41,459 --> 01:24:40,030

say some of the photos I have I'm gonna

1961

01:24:46,680 --> 01:24:41,469

point out another case here in

1962

01:24:49,080 --> 01:24:46,690

particular 1952 Cuba it's one that in

1963

01:24:51,600 --> 01:24:49,090

the project Bluebook files is listed as

1964

01:24:54,660 --> 01:24:51,610

a case missing or a card missing I got

1965

01:24:58,770 --> 01:24:54,670

several pictures it's just a dot from

1966

01:25:03,780 --> 01:24:58,780

that one sighting I've got a home in New

1967

01:25:05,729 --> 01:25:03,790

York in April of 11th 1964 had a doctor

1968

01:25:07,919 --> 01:25:05,739

him and his wife and her two kids we're

1969

01:25:09,540 --> 01:25:07,929

having a picnic and saw a craft come

1970

01:25:12,540 --> 01:25:09,550

down and break off into different pieces

1971

01:25:15,270 --> 01:25:12,550

and maneuver around over a 45 minute

1972

01:25:18,810 --> 01:25:15,280

period was why they didn't have a camera

1973

01:25:21,750 --> 01:25:18,820

in his wife sketched the pictures for

1974

01:25:23,310 --> 01:25:21,760

the Air Force and nice I don't have it

1975

01:25:25,169 --> 01:25:23,320

written in my files but I've seen it

1976

01:25:29,250 --> 01:25:25,179

online where they submitted you know

1977

01:25:31,770 --> 01:25:29,260

seven photos and seven glass slides to

1978

01:25:34,229 --> 01:25:31,780

the Air Force well the glass slides are

1979

01:25:37,050 --> 01:25:34,239

in this collection I doubt the Air Force

1980

01:25:38,550 --> 01:25:37,060

when it made duplicates of them so

1981

01:25:42,209 --> 01:25:38,560

there's a you know quite a few things in

1982

01:25:44,790 --> 01:25:42,219

here that aren't that are one-of-a-kind

1983

01:25:46,370 --> 01:25:44,800

that I you know have know figure out

1984

01:25:49,610 --> 01:25:46,380

what to do with yes

1985

01:25:51,320 --> 01:25:49,620

I there are several

1986

01:25:54,169 --> 01:25:51,330

lots of books in here too like I'm

1987

01:25:55,939 --> 01:25:54,179

looking right now at a book incident at

1988

01:25:58,280 --> 01:25:55,949

Exeter oh yeah

1989

01:26:00,020 --> 01:25:58,290

it's a Xerox copy but it was hynek's

1990

01:26:02,090 --> 01:26:00,030

copy cuz it's got his name on it huh

1991

01:26:03,590 --> 01:26:02,100

maybe it's his original I think he

1992

01:26:06,560 --> 01:26:03,600

copied it and gave it to the Air Force

1993

01:26:11,330 --> 01:26:06,570

but in it it is heavily highlighted

1994

01:26:13,459 --> 01:26:11,340

inside as well not annotated well there

1995

01:26:15,470 --> 01:26:13,469

are some question marks and different

1996

01:26:19,000 --> 01:26:15,480

things and smiley faces and things like

1997

01:26:22,820 --> 01:26:19,010

that but a lot of highlights smiley face

1998

01:26:24,860 --> 01:26:22,830

doodles and things where they've I mean

1999

01:26:26,270 --> 01:26:24,870

I've got a lot of the research tools

2000

01:26:26,870 --> 01:26:26,280

that's why I think a lot of it came from

2001

01:26:29,930 --> 01:26:26,880

their desk

2002

01:26:31,490 --> 01:26:29,940

lots of manuals and regulations and

2003

01:26:32,990 --> 01:26:31,500

everything and they had some pretty

2004

01:26:33,800 --> 01:26:33,000

interesting books in here they even had

2005

01:26:37,669 --> 01:26:33,810

a copy of the

2006

01:26:40,729 --> 01:26:37,679

nycap evident UFO evidence book from

2007

01:26:44,240 --> 01:26:40,739

1964 well hey let me let me just ask you

2008

01:26:47,209 --> 01:26:44,250

this some was this is just out of my own

2009

01:26:49,820 --> 01:26:47,219

ignorance here was a project Bluebook at

2010

01:26:51,260 --> 01:26:49,830

wright-patterson oh yeah yeah see I

2011

01:26:54,610 --> 01:26:51,270

didn't even know that but I mean now

2012

01:26:58,580 --> 01:26:54,620

that you know it even makes more sense

2013

01:27:01,970 --> 01:26:58,590

they started their project signs started

2014

01:27:06,669 --> 01:27:01,980

there in 47 and blue book started in 52

2015

01:27:09,950 --> 01:27:06,679

and went up 69 memos you know about

2016

01:27:13,490 --> 01:27:09,960

telling that basically it's a lot of

2017

01:27:14,990 --> 01:27:13,500

notes that they had telling telling them

2018

01:27:18,410 --> 01:27:15,000

what was coming as far as you know the

2019

01:27:20,510 --> 01:27:18,420

Condon report and lots of there's even a

2020

01:27:22,040 --> 01:27:20,520

folder in here that's for I think it's

2021

01:27:26,209 --> 01:27:22,050

the actual stuff they sent for the

2022

01:27:29,570 --> 01:27:26,219

Condon report Scott a lot of sightings

2023

01:27:32,570 --> 01:27:29,580

listed in it photographs put in it it's

2024

01:27:34,160 --> 01:27:32,580

what they sent out to Colorado that's

2025

01:27:35,629 --> 01:27:34,170

what the folder says on the side of it

2026

01:27:38,090 --> 01:27:35,639

so I don't know if it's a copy of the

2027

01:27:40,879 --> 01:27:38,100

one or the actual one but it's got a lot

2028

01:27:43,939 --> 01:27:40,889

of stats in it and everything and

2029

01:27:47,360 --> 01:27:43,949

they've like a lot of statistics that

2030

01:27:50,000 --> 01:27:47,370

came with this there's a I'm trying to

2031

01:27:50,689 --> 01:27:50,010

grab some of these books here just

2032

01:27:54,379 --> 01:27:50,699

different

2033

01:27:56,060 --> 01:27:54,389

they had memberships to meteor clubs so

2034

01:27:57,770 --> 01:27:56,070

they could you know a lot of the

2035

01:27:59,390 --> 01:27:57,780

research tools things they were looking

2036

01:28:01,940 --> 01:27:59,400

into

2037

01:28:03,890 --> 01:28:01,950

now when they were there at the end they

2038

01:28:06,230 --> 01:28:03,900

lieutenant it was just down to him and

2039

01:28:08,000 --> 01:28:06,240

basically three other guys when he was

2040

01:28:09,560 --> 01:28:08,010

there when it shut down at the end and

2041

01:28:12,710 --> 01:28:09,570

then for the last couple months it was

2042

01:28:15,860 --> 01:28:12,720

just him and quintanilla so they were I

2043

01:28:21,040 --> 01:28:15,870

mean they were stretched thin as far as

2044

01:28:25,280 --> 01:28:21,050

investigating a lot going on now I've

2045

01:28:29,270 --> 01:28:25,290

got a box of reference cards and they're

2046

01:28:31,220 --> 01:28:29,280

notes that they used basically I'm

2047

01:28:32,450 --> 01:28:31,230

assuming for typing up things you know

2048

01:28:34,520 --> 01:28:32,460

when people call and ask him a question

2049

01:28:37,520 --> 01:28:34,530

and what I found in here was on the

2050

01:28:39,050 --> 01:28:37,530

estimate of situation my I haven't found

2051

01:28:40,340 --> 01:28:39,060

that in here I wish I would that's one

2052

01:28:42,320 --> 01:28:40,350

of the things first things I was looking

2053

01:28:45,610 --> 01:28:42,330

for I found several letters and

2054

01:28:48,080 --> 01:28:45,620

correspondences that that mention it and

2055

01:28:51,080 --> 01:28:48,090

I got one here that's uh

2056

01:28:52,970 --> 01:28:51,090

basically it's what they're to say best

2057

01:28:54,680 --> 01:28:52,980

I can figure is what they're to say if

2058

01:28:58,760 --> 01:28:54,690

somebody inquires about the estimate of

2059

01:29:02,120 --> 01:28:58,770

situation and it says that basically

2060

01:29:03,380 --> 01:29:02,130

captain Rupo said everything about it

2061

01:29:04,910 --> 01:29:03,390

that he could say in his book

2062

01:29:07,130 --> 01:29:04,920

I mean basically they're saying when he

2063

01:29:09,770 --> 01:29:07,140

said was true as far as it was brought

2064

01:29:12,200 --> 01:29:09,780

up through the chains and then they told

2065

01:29:14,570 --> 01:29:12,210

him to kill it and burn it I mean that's

2066

01:29:15,950 --> 01:29:14,580

what they even I found that surprisingly

2067

01:29:17,030 --> 01:29:15,960

to see that that they had that written

2068

01:29:19,580 --> 01:29:17,040

down in here because normally the Air

2069

01:29:24,760 --> 01:29:19,590

Force says it didn't exist never existed

2070

01:29:29,210 --> 01:29:24,770

in law little things like that in there

2071

01:29:41,380 --> 01:29:29,220

Wow so if I offered you like a grand

2072

01:29:41,390 --> 01:29:50,020

chance to see it libraries around here

2073

01:29:55,700 --> 01:29:53,450

on a serious note you know I think of

2074

01:29:59,510 --> 01:29:55,710

stuff like this I actually have I

2075

01:30:01,370 --> 01:29:59,520

actually have a former Museum it's

2076

01:30:05,120 --> 01:30:01,380

actually literally a former museum with

2077

01:30:06,470 --> 01:30:05,130

with showcases and you know an alarm

2078

01:30:09,590 --> 01:30:06,480

system and all that and I keep thinking

2079

01:30:11,180 --> 01:30:09,600

wow I would love to like house something

2080

01:30:12,500 --> 01:30:11,190

like that so a lot of people could come

2081

01:30:14,330 --> 01:30:12,510

in and take a look

2082

01:30:16,220 --> 01:30:14,340

so maybe when you get tired of them down

2083

01:30:18,620 --> 01:30:16,230

the road we'll talk there's some other

2084

01:30:20,210 --> 01:30:18,630

people I can talk to about this but it

2085

01:30:22,640 --> 01:30:20,220

would be a fun place because it's like

2086

01:30:24,620 --> 01:30:22,650

B&B people could stay and you know walk

2087

01:30:26,660 --> 01:30:24,630

read the stuff so if you're listening

2088

01:30:28,190 --> 01:30:26,670

and you have tons of money and you want

2089

01:30:35,000 --> 01:30:28,200

to help out with a project and open a

2090

01:30:37,130 --> 01:30:35,010

UFO Museum I got the place but keep that

2091

01:30:38,570 --> 01:30:37,140

in mind I know I'd like it to end up

2092

01:30:40,370 --> 01:30:38,580

somewhere where public can't see it

2093

01:30:41,870 --> 01:30:40,380

sometime I mean I hate when things like

2094

01:30:42,500 --> 01:30:41,880

it get put away and nobody gets a look

2095

01:30:45,350 --> 01:30:42,510

at them again

2096

01:30:47,420 --> 01:30:45,360

yeah and you cannot think on a serious

2097

01:30:49,640 --> 01:30:47,430

note I mean you know I'm sort of joking

2098

01:30:51,770 --> 01:30:49,650

around a little bit but but but a little

2099

01:30:54,170 --> 01:30:51,780

bit of it you know like I could always

2100

01:30:57,320 --> 01:30:54,180

be you know talk to about stuff like

2101
01:30:58,910 --> 01:30:57,330
this but I do want to say how that works

2102
01:31:01,280 --> 01:30:58,920
a lot of times is you can have things

2103
01:31:03,080 --> 01:31:01,290
out on loan you know things can be out

2104
01:31:05,710 --> 01:31:03,090
on loan to different like historical

2105
01:31:07,670 --> 01:31:05,720
societies or someone that actually

2106
01:31:09,560 --> 01:31:07,680
someone that would really have an

2107
01:31:11,330 --> 01:31:09,570
interest like let's just say it let's

2108
01:31:14,090 --> 01:31:11,340
throw this out there that the Roswell

2109
01:31:16,040 --> 01:31:14,100
museum would take it in and display it

2110
01:31:18,800 --> 01:31:16,050
for you for a year or two that these are

2111
01:31:20,920 --> 01:31:18,810
all possibilities and that is a place

2112
01:31:23,660 --> 01:31:20,930
right there were definitely people

2113
01:31:26,720 --> 01:31:23,670

interested down there it's nice nice

2114

01:31:27,350 --> 01:31:26,730

little setup they have back there a few

2115

01:31:30,650 --> 01:31:27,360

years ago

2116

01:31:33,350 --> 01:31:30,660

well I took all these a lot of the loose

2117

01:31:35,210 --> 01:31:33,360

fire there when I got these and I opened

2118

01:31:37,010 --> 01:31:35,220

all the boxes and stacked everything it

2119

01:31:39,500 --> 01:31:37,020

was probably five foot tall of papers

2120

01:31:42,740 --> 01:31:39,510

and books involved now some of these

2121

01:31:44,720 --> 01:31:42,750

books are Xerox copies but you know

2122

01:31:46,430 --> 01:31:44,730

they're still decent books but they were

2123

01:31:48,380 --> 01:31:46,440

it took me a while to separate

2124

01:31:50,780 --> 01:31:48,390

everything out trying to figure and I've

2125

01:31:53,120 --> 01:31:50,790

put everything in binders you know an

2126

01:31:56,120 --> 01:31:53,130

acid-free binder sleeves that way people

2127

01:31:58,010 --> 01:31:56,130

when they when I do come and share them

2128

01:31:59,570 --> 01:31:58,020

with somebody there they actually get to

2129

01:32:00,800 --> 01:31:59,580

touch I'm gonna look at him there were a

2130

01:32:02,270 --> 01:32:00,810

lot of things I guess having talked

2131

01:32:06,020 --> 01:32:02,280

about the films there were films in

2132

01:32:08,060 --> 01:32:06,030

there like 16 millimeter or something 16

2133

01:32:14,060 --> 01:32:08,070

there's a 16 millimeter of the tree

2134

01:32:15,740 --> 01:32:14,070

Monson sighting from 1952 but I went to

2135

01:32:19,040 --> 01:32:15,750

have them I had them all transferred to

2136

01:32:20,720 --> 01:32:19,050

digital format that one I was

2137

01:32:23,030 --> 01:32:20,730

disappointed in it first of all I was

2138

01:32:24,890 --> 01:32:23,040

hoping because officer Newhouse you know

2139

01:32:26,180 --> 01:32:24,900

I said there was about 20 feet missing

2140

01:32:30,020 --> 01:32:26,190

off his film and he got

2141

01:32:31,970 --> 01:32:30,030

from the Air Force hmm so you know it's

2142

01:32:33,770 --> 01:32:31,980

I I didn't try to measure it I kind of

2143

01:32:35,510 --> 01:32:33,780

want to get a count on it when I got

2144

01:32:37,940 --> 01:32:35,520

done but the thing is sixty years old

2145

01:32:39,590 --> 01:32:37,950

and was very brittle yes I'm

2146

01:32:41,840 --> 01:32:39,600

disappointed in the quality of the video

2147

01:32:43,670 --> 01:32:41,850

I got from it but I was able to get a

2148

01:32:44,770 --> 01:32:43,680

copy of it but what you can find online

2149

01:32:47,840 --> 01:32:44,780

looks better

2150

01:32:49,700 --> 01:32:47,850

it's unknown if it's longer just because

2151

01:32:53,210 --> 01:32:49,710

of the quality but I will say it

2152

01:32:55,940 --> 01:32:53,220

finishes it off it's got somebody sewing

2153

01:32:58,640 --> 01:32:55,950

I'm assuming it's you know him or his

2154

01:33:00,260 --> 01:32:58,650

wife so it may have the extra on it it's

2155

01:33:02,840 --> 01:33:00,270

just I've not been able to totally

2156

01:33:11,060 --> 01:33:02,850

determine that yet or this right is it a

2157

01:33:16,130 --> 01:33:11,070

gray sewing sewing machine okay now is

2158

01:33:18,230 --> 01:33:16,140

there actually negatives as well yes

2159

01:33:20,750 --> 01:33:18,240

yeah there's quite a few negatives quite

2160

01:33:23,840 --> 01:33:20,760

a few negatives they're not all of them

2161

01:33:25,910 --> 01:33:23,850

but some of them there are no I did back

2162

01:33:27,920 --> 01:33:25,920

to score okay there was a an interesting

2163

01:33:30,860 --> 01:33:27,930

mock-up in there

2164

01:33:33,470 --> 01:33:30,870

there was a toy police car and a toy

2165

01:33:36,260 --> 01:33:33,480

police officer running and then a craft

2166

01:33:37,850 --> 01:33:36,270

you know down in a golly desert scene

2167

01:33:41,480 --> 01:33:37,860

that you know look like the score oh

2168

01:33:43,970 --> 01:33:41,490

craft obviously the car wasn't the same

2169

01:33:45,350 --> 01:33:43,980

color but on the back on the envelope

2170

01:33:47,260 --> 01:33:45,360

there was nine and copies of this

2171

01:33:49,520 --> 01:33:47,270

picture in a manila envelope

2172

01:33:52,910 --> 01:33:49,530

pardon me they actually made a set up of

2173

01:33:54,680 --> 01:33:52,920

this and took a picture of it or

2174

01:33:56,540 --> 01:33:54,690

somebody made it and sent it to them but

2175

01:33:58,430 --> 01:33:56,550

the negatives were in there and nine

2176

01:34:00,080 --> 01:33:58,440

copies of the picture and it says

2177

01:34:01,940 --> 01:34:00,090

Socorro which I mean it was obvious

2178

01:34:03,680 --> 01:34:01,950

that's what it was but it says Socorro

2179

01:34:08,030 --> 01:34:03,690

mock-up on you know they'd written on

2180

01:34:10,520 --> 01:34:08,040

the back of the pictures Wow I've

2181

01:34:12,560 --> 01:34:10,530

actually here in the last few days a few

2182

01:34:15,200 --> 01:34:12,570

days came up with a few phone numbers

2183

01:34:17,390 --> 01:34:15,210

from former Blue Book staff people I

2184

01:34:19,300 --> 01:34:17,400

haven't called him yet you know a couple

2185

01:34:22,040 --> 01:34:19,310

secretaries are still alive

2186

01:34:23,420 --> 01:34:22,050

that's one of my endeavors is to try to

2187

01:34:25,370 --> 01:34:23,430

I want to try to figure out where that

2188

01:34:27,710 --> 01:34:25,380

picture came from who if it was the Air

2189

01:34:29,840 --> 01:34:27,720

Force that made it I'm hoping somebody

2190

01:34:31,880 --> 01:34:29,850

that was back here in 64 which I have a

2191

01:34:33,710 --> 01:34:31,890

ladies phone number that was I don't

2192

01:34:36,080 --> 01:34:33,720

know that she'll remember it or probably

2193

01:34:38,150 --> 01:34:36,090

not but I'm gonna kind of ask her and

2194

01:34:40,070 --> 01:34:38,160

see what she says I don't know if it was

2195

01:34:42,980 --> 01:34:40,080

made from somebody down that way

2196

01:34:44,420 --> 01:34:42,990

I just have no answer for that and the

2197

01:34:45,770 --> 01:34:44,430

lieutenant didn't either like I said it

2198

01:34:48,500 --> 01:34:45,780

was two and a half years before his

2199

01:34:51,530 --> 01:34:48,510

times he had no he didn't even remember

2200

01:34:57,590 --> 01:34:51,540

that they were in there no another film

2201

01:35:00,110 --> 01:34:57,600

I had was the Moline Illinois officer

2202

01:35:02,330 --> 01:35:00,120

Fisher he had taken seen a scar shaped

2203

01:35:05,030 --> 01:35:02,340

craft or the boxcar shaped craft in the

2204

01:35:08,360 --> 01:35:05,040

sky there was a eight millimeter of that

2205

01:35:11,270 --> 01:35:08,370

I have another sixteen millimeter it was

2206

01:35:13,190 --> 01:35:11,280

it's just a dot in the sky and the only

2207

01:35:16,310 --> 01:35:13,200

thing written on the case is UFO

2208

01:35:18,110 --> 01:35:16,320

unclassified so and foreign technology

2209

01:35:21,020 --> 01:35:18,120

division so I've not really been able to

2210

01:35:22,910 --> 01:35:21,030

figure out exactly what it is but there

2211

01:35:27,710 --> 01:35:22,920

were sound reel-to-reel tapes in there

2212

01:35:31,610 --> 01:35:27,720

also one of them was from the it was a

2213

01:35:33,920 --> 01:35:31,620

march of 1968 ends up being a Zhaan

2214

01:35:36,770 --> 01:35:33,930

Russian satellite re-entering the

2215

01:35:38,630 --> 01:35:36,780

atmosphere but there's probably a good

2216

01:35:40,580 --> 01:35:38,640

our interview with police officers from

2217

01:35:42,920 --> 01:35:40,590

Morgantown West Virginia this sighting

2218

01:35:44,420 --> 01:35:42,930

was all over the Northeast and the

2219

01:35:47,390 --> 01:35:44,430

lieutenant actually told me it was one

2220

01:35:50,120 --> 01:35:47,400

of his favorite ones you know and he was

2221

01:35:53,150 --> 01:35:50,130

never more sure about a sighting than

2222

01:35:54,770 --> 01:35:53,160

that that one right there he never

2223

01:35:56,270 --> 01:35:54,780

figured out exactly where it landed but

2224

01:35:59,600 --> 01:35:56,280

he had it down to like a fifty square

2225

01:36:01,580 --> 01:35:59,610

mile area up in northeastern

2226

01:36:05,420 --> 01:36:01,590

Pennsylvania southern New York in that

2227

01:36:08,150 --> 01:36:05,430

area but there was also a lot of radio

2228

01:36:10,100 --> 01:36:08,160

interviews on there from shows back in

2229

01:36:11,930 --> 01:36:10,110

the 50s on some of these sound tapes too

2230

01:36:13,790 --> 01:36:11,940

so the Air Force kept track of a lot of

2231

01:36:15,500 --> 01:36:13,800

that stuff now did they have anything

2232

01:36:18,860 --> 01:36:15,510

really fringy on there you know like

2233

01:36:20,840 --> 01:36:18,870

some real fringe ebooks on contactees or

2234

01:36:24,230 --> 01:36:20,850

anything as well or was it really

2235

01:36:26,360 --> 01:36:24,240

sticking to two cases more or less you

2236

01:36:35,750 --> 01:36:26,370

know there was one book it was Frank

2237

01:36:37,880 --> 01:36:35,760

strangest book to another guy 59 but it

2238

01:36:39,680 --> 01:36:37,890

was in that box of stuff so I'm assuming

2239

01:36:41,870 --> 01:36:39,690

only I can assume it was it was around

2240

01:36:43,880 --> 01:36:41,880

their deck desks there in the Blue Book

2241

01:36:46,910 --> 01:36:43,890

Office you know when he was cleaning up

2242

01:36:48,050 --> 01:36:46,920

yeah and he just kind of threw it in so

2243

01:36:49,820 --> 01:36:48,060

yeah there was I mean that was the only

2244

01:36:51,620 --> 01:36:49,830

thing fringy I found in there everything

2245

01:36:53,050 --> 01:36:51,630

else was more I mean there was a lot of

2246

01:36:54,310 --> 01:36:53,060

neat reference books like

2247

01:36:56,140 --> 01:36:54,320

I'm looking at one here it's the

2248

01:36:58,000 --> 01:36:56,150

reference for outstanding UFO sighting

2249

01:37:00,610 --> 01:36:58,010

reports they had a lot of reference

2250

01:37:03,790 --> 01:37:00,620

books like that there were a couple

2251

01:37:06,250 --> 01:37:03,800

textbooks for physics from the US Air

2252

01:37:08,350 --> 01:37:06,260

Force Academy also but they actually do

2253

01:37:11,230 --> 01:37:08,360

talk about unidentified flying objects

2254

01:37:12,730 --> 01:37:11,240

in these books the lieutenant didn't

2255

01:37:13,870 --> 01:37:12,740

remember I was asking particular about

2256

01:37:17,050 --> 01:37:13,880

him because he hasn't you know he's a

2257

01:37:18,610 --> 01:37:17,060

physicist by training he didn't remember

2258

01:37:20,530 --> 01:37:18,620

if they were from his training or

2259

01:37:22,630 --> 01:37:20,540

project Bluebook material he couldn't

2260

01:37:25,390 --> 01:37:22,640

tell me he didn't even remember him he

2261

01:37:28,090 --> 01:37:25,400

just sent them to me there are lots of

2262

01:37:30,610 --> 01:37:28,100

books another thing that was in there

2263

01:37:34,360 --> 01:37:30,620

was a Rolodex I've ever kind of a

2264

01:37:36,460 --> 01:37:34,370

who's-who of UFOs back in the 60s

2265

01:37:38,770 --> 01:37:36,470

Stanton Friedman's names and everything

2266

01:37:40,300 --> 01:37:38,780

you know his address everything phone

2267

01:37:40,570 --> 01:37:40,310

numbers addresses and everything like

2268

01:37:44,350 --> 01:37:40,580

that

2269

01:37:46,510 --> 01:37:44,360

now just NICAP let's talk a little bit

2270

01:37:48,420 --> 01:37:46,520

about nightcap no nightcap was was

2271

01:37:53,290 --> 01:37:48,430

actually going on the same time

2272

01:37:57,850 --> 01:37:53,300

somewhere in the 60s so Project Blue

2273

01:37:59,950 --> 01:37:57,860

Book and ICAP were both you know in

2274

01:38:02,350 --> 01:37:59,960

session basically at the same time was

2275

01:38:04,120 --> 01:38:02,360

there have you found any reference to

2276

01:38:11,980 --> 01:38:04,130

nightcap and nightcap papers or anything

2277

01:38:14,830 --> 01:38:11,990

mixed in there as well a lot of books so

2278

01:38:16,390 --> 01:38:14,840

they obviously either shared information

2279

01:38:19,360 --> 01:38:16,400

with them or at least followed them

2280

01:38:20,980 --> 01:38:19,370

mm-hmm they there's several these

2281

01:38:22,900 --> 01:38:20,990

reference books or you know are nycap

2282

01:38:26,560 --> 01:38:22,910

related and our paperwork in there

2283

01:38:31,420 --> 01:38:26,570

that's you know that's not have lots of

2284

01:38:36,580 --> 01:38:31,430

correspondences from Carl Sagan really

2285

01:38:38,170 --> 01:38:36,590

bill class some I mean there's almost

2286

01:38:40,120 --> 01:38:38,180

not a letter without him making fun of

2287

01:38:42,310 --> 01:38:40,130

somebody you know like you know it's

2288

01:38:44,440 --> 01:38:42,320

ended a subject I mean I didn't know

2289

01:38:46,360 --> 01:38:44,450

much about him himself till I started

2290

01:38:47,890 --> 01:38:46,370

looking at these and kind of got a you

2291

01:38:53,110 --> 01:38:47,900

know a better handle on what what he

2292

01:38:54,610 --> 01:38:53,120

what he did he there's a lot of things

2293

01:38:57,130 --> 01:38:54,620

like that in their correspondence as

2294

01:38:59,280 --> 01:38:57,140

those between James McDonald and uh I

2295

01:39:02,830 --> 01:38:59,290

got a book set up here

2296

01:39:06,760 --> 01:39:02,840

there was also they had a folder on

2297

01:39:07,060 --> 01:39:06,770

NORAD and space defense lot of I mean

2298

01:39:12,910 --> 01:39:07,070

it's

2299

01:39:14,560 --> 01:39:12,920

relevant anymore but pictures you know

2300

01:39:17,520 --> 01:39:14,570

inside the place pictures of their

2301

01:39:20,500 --> 01:39:17,530

telescopes pictures of radar locations

2302

01:39:23,169 --> 01:39:20,510

we charts things like that lots of

2303

01:39:25,510 --> 01:39:23,179

thanks from the FAA and this same folder

2304

01:39:29,470 --> 01:39:25,520

also once again though thought I mean

2305

01:39:31,450 --> 01:39:29,480

they did a lot of research I can't deny

2306

01:39:33,370 --> 01:39:31,460

that they didn't try just by seeing the

2307

01:39:39,300 --> 01:39:33,380

stuff they have in here now what was the

2308

01:39:44,560 --> 01:39:43,359

he was usually more I can't think I'm

2309

01:39:49,050 --> 01:39:44,570

right off just second here I'm getting

2310

01:39:51,419 --> 01:39:49,060

that book out he was his cases were more

2311

01:39:53,879 --> 01:39:51,429

trying to offer solutions

2312

01:39:56,229 --> 01:39:53,889

you know logical solutions what they had

2313

01:40:01,030 --> 01:39:56,239

guests this morning now I've got a lot

2314

01:40:04,209 --> 01:40:01,040

from Donald Roby he wrote a lot of books

2315

01:40:07,990 --> 01:40:04,219

on the green meteors and the fireballs

2316

01:40:09,250 --> 01:40:08,000

and plasma lot in there from him you

2317

01:40:11,260 --> 01:40:09,260

know there's a lot of most of

2318

01:40:14,200 --> 01:40:11,270

correspondences are trying to help them

2319

01:40:18,100 --> 01:40:14,210

explain they they would send these guys

2320

01:40:19,479 --> 01:40:18,110

papers even I've got a document from 66

2321

01:40:21,669 --> 01:40:19,489

where the Air Force says they're gonna

2322

01:40:23,800 --> 01:40:21,679

start using scientists but some of these

2323

01:40:25,390 --> 01:40:23,810

are from way before that where they were

2324

01:40:30,720 --> 01:40:25,400

actually using them and asking questions

2325

01:40:33,040 --> 01:40:30,730

about things I have to get some of the

2326

01:40:36,790 --> 01:40:33,050

some of those scanned in and put on my

2327

01:40:39,220 --> 01:40:36,800

website though a lot of publications

2328

01:40:41,640 --> 01:40:39,230

about aids I'm looking at one now aids

2329

01:40:44,470 --> 01:40:41,650

to identification of flying objects

2330

01:40:47,080 --> 01:40:44,480

they're straight for different issues of

2331

01:40:48,550 --> 01:40:47,090

that inside it would have the staffs and

2332

01:40:51,879 --> 01:40:48,560

you know tell you what the latest

2333

01:40:53,229 --> 01:40:51,889

airplanes that are out there things like

2334

01:40:57,310 --> 01:40:53,239

that stuff I've never seen anywhere

2335

01:40:59,859 --> 01:40:57,320

before there's a lot of stuff on Hynek

2336

01:41:01,720 --> 01:40:59,869

now you know by the time the lieutenant

2337

01:41:06,129 --> 01:41:01,730

was there Hynek had already kind of

2338

01:41:08,859 --> 01:41:06,139

changed as far as pro UFO pro alienness

2339

01:41:12,060 --> 01:41:08,869

and then lieutenant him butted heads a

2340

01:41:15,700 --> 01:41:12,070

lot now even in his book he mentions the

2341

01:41:20,200 --> 01:41:15,710

lieutenant you know said that the

2342

01:41:21,700 --> 01:41:20,210

surprise that murat that Hynek

2343

01:41:23,800 --> 01:41:21,710

about him in a good way because he had

2344

01:41:26,850 --> 01:41:23,810

to get on him so much he had to get on

2345

01:41:30,670 --> 01:41:26,860

him taking six months to complete a case

2346

01:41:33,070 --> 01:41:30,680

a lot of these files that I have that

2347

01:41:35,970 --> 01:41:33,080

are single page they'll have written on

2348

01:41:38,320 --> 01:41:35,980

it Hynek special you know an ink pen

2349

01:41:40,240 --> 01:41:38,330

basically it was at the the late the

2350

01:41:42,490 --> 01:41:40,250

ones in the late 60s basically where

2351

01:41:45,700 --> 01:41:42,500

lieutenant said everything he saw he

2352

01:41:48,130 --> 01:41:45,710

wanted on identify so they kind of butt

2353

01:41:49,930 --> 01:41:48,140

heads a little bit I do have like one of

2354

01:41:52,330 --> 01:41:49,940

his contracts and a lot of his bills

2355

01:41:54,520 --> 01:41:52,340

that he would send the Air Force copies

2356

01:41:56,590 --> 01:41:54,530

of them not the originals copies of his

2357

01:42:01,229 --> 01:41:56,600

bills for his time for each phone call

2358

01:42:03,670 --> 01:42:01,239

he made places he went from the late 60s

2359

01:42:06,610 --> 01:42:03,680

there's some pretty neat stuff in there

2360

01:42:10,479 --> 01:42:06,620

like at but there's little books a lot

2361

01:42:12,070 --> 01:42:10,489

of pictures a lot of color pictures I

2362

01:42:14,229 --> 01:42:12,080

mean when you get online now like on

2363

01:42:16,200 --> 01:42:14,239

full three sites

2364

01:42:19,090 --> 01:42:16,210

I'm gonna pull out one here in

2365

01:42:23,080 --> 01:42:19,100

particular is Governors Island New York

2366

01:42:26,320 --> 01:42:23,090

in 1952 July of 1952 it ended up being

2367

01:42:27,910 --> 01:42:26,330

an unidentified case and I've got you

2368

01:42:30,160 --> 01:42:27,920

know I've got four there were six

2369

01:42:30,750 --> 01:42:30,170

pictures taken I guess I've got four of

2370

01:42:33,970 --> 01:42:30,760

them

2371

01:42:35,800 --> 01:42:33,980

they're pretty made pretty interesting

2372

01:42:38,020 --> 01:42:35,810

pictures with color and everything which

2373

01:42:40,170 --> 01:42:38,030

you can see in them as far as you know

2374

01:42:42,220 --> 01:42:40,180

what the black and white parts are so

2375

01:42:43,540 --> 01:42:42,230

you know I'm not opposed to sharing them

2376

01:42:46,570 --> 01:42:43,550

with people if they if somebody's

2377

01:42:48,190 --> 01:42:46,580

interested in a particular case shoot me

2378

01:42:49,600 --> 01:42:48,200

an email if I have anything on it all

2379

01:42:51,850 --> 01:42:49,610

kind of share it with them that's how I

2380

01:42:54,610 --> 01:42:51,860

kind of got hooked up with Ray and Chris

2381

01:42:56,320 --> 01:42:54,620

I got another guy that's probably been

2382

01:42:58,600 --> 01:42:56,330

on your show before Dave Marlar out of

2383

01:43:02,290 --> 01:42:58,610

Albuquerque New Mexico he's coming up on

2384

01:43:04,360 --> 01:43:02,300

April 15th actually okay me and him we

2385

01:43:06,400 --> 01:43:04,370

do a lot of sharing information over you

2386

01:43:08,110 --> 01:43:06,410

know the internet and he kind of helps

2387

01:43:10,360 --> 01:43:08,120

me out a little bit with questions down

2388

01:43:12,400 --> 01:43:10,370

that way twos so I've got a couple guys

2389

01:43:14,530 --> 01:43:12,410

working with me a little bit trying to

2390

01:43:18,910 --> 01:43:14,540

sort this stuff out speaking of Dave

2391

01:43:22,150 --> 01:43:18,920

Marlar he's he's known for triangular

2392

01:43:24,880 --> 01:43:22,160

UFOs he wrote a book on it great guy you

2393

01:43:27,100 --> 01:43:24,890

know he you hear his name a lot and

2394

01:43:31,390 --> 01:43:27,110

speaking of that I noticed in these

2395

01:43:34,120 --> 01:43:31,400

pictures there's a triangular UF UFO and

2396

01:43:36,430 --> 01:43:34,130

a light formation daylight sighting

2397

01:43:37,510 --> 01:43:36,440

is it a color picture no it's a

2398

01:43:41,880 --> 01:43:37,520

black-and-white picture

2399

01:43:44,470 --> 01:43:41,890

um I can't pull it up right now but I

2400

01:43:46,300 --> 01:43:44,480

just was going to ask you it sounds like

2401
01:43:50,140 --> 01:43:46,310
you wouldn't be able to cite where that

2402
01:43:52,300 --> 01:43:50,150
particular one why it's actually out of

2403
01:43:54,760 --> 01:43:52,310
a window of a car or a train or oh

2404
01:43:58,570 --> 01:43:54,770
that's the that's the one in

2405
01:44:02,680 --> 01:43:58,580
Massachusetts a la Massachusetts in 1952

2406
01:44:05,890 --> 01:44:02,690
I believe yeah because it sets up on the

2407
01:44:09,580 --> 01:44:05,900
photo image July 52 Massachusetts yes

2408
01:44:11,670 --> 01:44:09,590
yes yeah I mean the air force I believe

2409
01:44:13,990 --> 01:44:11,680
that one was classified as a unknown

2410
01:44:17,350 --> 01:44:14,000
some people will say its reflection of

2411
01:44:19,120 --> 01:44:17,360
Lights inside no that picture when you

2412
01:44:21,400 --> 01:44:19,130
normally when you see that picture it's

2413
01:44:22,810 --> 01:44:21,410

cropped you can't see the actual window

2414

01:44:25,120 --> 01:44:22,820

but you can see there that there inside

2415

01:44:29,530 --> 01:44:25,130

of a building taking that picture out in

2416

01:44:31,210 --> 01:44:29,540

that picture and that one exact

2417

01:44:33,190 --> 01:44:31,220

classification of that one's escaping me

2418

01:44:34,750 --> 01:44:33,200

right now but I know it's when you're

2419

01:44:36,640 --> 01:44:34,760

talking about and I'm pretty sure that

2420

01:44:38,110 --> 01:44:36,650

one ended up being unidentified even

2421

01:44:39,970 --> 01:44:38,120

though a lot of people say its lights

2422

01:44:41,980 --> 01:44:39,980

reflect you know lights off of a ceiling

2423

01:44:44,740 --> 01:44:41,990

reflecting through the glass well that

2424

01:44:47,110 --> 01:44:44,750

is a possibility for sure you know look

2425

01:44:49,720 --> 01:44:47,120

at it and I've got the paperwork on that

2426
01:44:51,070 --> 01:44:49,730
and they you know in their investigation

2427
01:44:52,600 --> 01:44:51,080
they're talking about the way the sun's

2428
01:44:55,510 --> 01:44:52,610
hitting the cars and the shadows and

2429
01:45:00,040 --> 01:44:55,520
reflections off the cars a lot of these

2430
01:45:01,840 --> 01:45:00,050
as I get time I try to one got so many

2431
01:45:04,810 --> 01:45:01,850
things I'm trying to do with these count

2432
01:45:06,760 --> 01:45:04,820
how many is in there but I'm trying to

2433
01:45:08,410 --> 01:45:06,770
investigate cases you know with present

2434
01:45:11,500 --> 01:45:08,420
technology as far as star charts and

2435
01:45:15,130 --> 01:45:11,510
everything and it's a little time

2436
01:45:17,080 --> 01:45:15,140
consuming but I work on a little bit now

2437
01:45:18,370 --> 01:45:17,090
one thing I did not say the the three

2438
01:45:20,920 --> 01:45:18,380

books I was telling you about that have

2439

01:45:22,330 --> 01:45:20,930

all the case listings they've got up

2440

01:45:24,040 --> 01:45:22,340

first of all they've got all that it's

2441

01:45:26,410 --> 01:45:24,050

funny they got all the navy listings in

2442

01:45:28,930 --> 01:45:26,420

them all the military at sea ones all

2443

01:45:31,720 --> 01:45:28,940

the coordinates which when I told him I

2444

01:45:33,850 --> 01:45:31,730

had those books he said you know I

2445

01:45:35,770 --> 01:45:33,860

probably shouldn't say this but you know

2446

01:45:39,690 --> 01:45:35,780

there might be stuff in those books that

2447

01:45:42,130 --> 01:45:39,700

we didn't send down the Maxwell no now

2448

01:45:45,010 --> 01:45:42,140

all that did was make me try to count

2449

01:45:47,160 --> 01:45:45,020

them all and that's a [h__h] I just I

2450

01:45:50,250 --> 01:45:47,170

just went through counting the Ohio ones

2451
01:45:51,780 --> 01:45:50,260
and that took me a good week trying to

2452
01:45:54,480 --> 01:45:51,790
get you see how many there were there

2453
01:45:56,640 --> 01:45:54,490
but that's you can't really do it online

2454
01:45:58,080 --> 01:45:56,650
I mean there's so many different

2455
01:46:00,660 --> 01:45:58,090
versions of things out there and things

2456
01:46:02,130 --> 01:46:00,670
blacked out so you know over time here

2457
01:46:04,470 --> 01:46:02,140
I'll hope to have more answers on the

2458
01:46:07,230 --> 01:46:04,480
actual count in those books to see if

2459
01:46:10,490 --> 01:46:07,240
it's the same 12,000 618 that blue-books

2460
01:46:13,110 --> 01:46:10,500
supposed had you know in the same 701

2461
01:46:16,290 --> 01:46:13,120
there could be more could be less that's

2462
01:46:22,200 --> 01:46:16,300
kind of when I'm one of my projects I'm

2463
01:46:24,240 --> 01:46:22,210

working on alone in the 22 years of

2464

01:46:26,460 --> 01:46:24,250

Project Blue Book and sign and grudge

2465

01:46:32,640 --> 01:46:26,470

had eleven hundred and twenty four

2466

01:46:35,300 --> 01:46:32,650

sightings 22 of them and especially the

2467

01:46:38,190 --> 01:46:35,310

Dayton area which kind of surprised me

2468

01:46:40,980 --> 01:46:38,200

well I believe that's what our guest

2469

01:46:44,160 --> 01:46:40,990

said last week if I remember right also

2470

01:46:46,620 --> 01:46:44,170

from Ohio I was looking at a couple of

2471

01:46:51,260 --> 01:46:46,630

documents I wanted to talk about one and

2472

01:46:55,280 --> 01:46:51,270

we have a FAA Federal Aviation agency

2473

01:46:59,250 --> 01:46:55,290

document here basically on reporting of

2474

01:47:01,020 --> 01:46:59,260

identified flying objects and that's

2475

01:47:05,370 --> 01:47:01,030

interesting you know because basically

2476

01:47:12,060 --> 01:47:05,380

the FAA wants nothing to do with UFOs

2477

01:47:14,370 --> 01:47:12,070

today there's a huge file on FAA and

2478

01:47:17,130 --> 01:47:14,380

space tracking and radar tracking in

2479

01:47:20,070 --> 01:47:17,140

here yeah trying to find that particular

2480

01:47:21,300 --> 01:47:20,080

I mean I'm just gonna you know I mean

2481

01:47:23,640 --> 01:47:21,310

there's just a couple of them that we're

2482

01:47:28,230 --> 01:47:23,650

intriguing how many documents would you

2483

01:47:31,440 --> 01:47:28,240

say that you have approximately 30

2484

01:47:35,640 --> 01:47:31,450

binders that I put together that are two

2485

01:47:39,780 --> 01:47:35,650

inches thick on average and then I have

2486

01:47:44,220 --> 01:47:39,790

a a bowl of actual files probably have

2487

01:47:45,540 --> 01:47:44,230

40 files in them that are you know the

2488

01:47:47,910 --> 01:47:45,550

original ones I've not wanting to break

2489

01:47:49,770 --> 01:47:47,920

up out of they're brown folders a lot of

2490

01:47:51,470 --> 01:47:49,780

those are I mean historic ones trended

2491

01:47:53,490 --> 01:47:51,480

out island I mean just a whole

2492

01:47:56,820 --> 01:47:53,500

interviews with all the officers a lot

2493

01:47:58,620 --> 01:47:56,830

of military sightings in there but that

2494

01:48:00,760 --> 01:47:58,630

a lot of them are just single case files

2495

01:48:02,710 --> 01:48:00,770

also you know just one page and

2496

01:48:04,390 --> 01:48:02,720

lieutenant about that I said you know is

2497

01:48:05,830 --> 01:48:04,400

that all there was and easy to know

2498

01:48:07,780 --> 01:48:05,840

those were that's cooked because he had

2499

01:48:12,010 --> 01:48:07,790

pulled him for the press just the case

2500

01:48:14,020 --> 01:48:12,020

summaries yeah I would say I saw a

2501

01:48:18,750 --> 01:48:14,030

couple of things from us or I saw one

2502

01:48:20,950 --> 01:48:18,760

piece here from Carl Sagan interesting

2503

01:48:22,480 --> 01:48:20,960

remembered that one because when he when

2504

01:48:23,980 --> 01:48:22,490

I was talking to him that you know first

2505

01:48:26,020 --> 01:48:23,990

or second time he's like wears one

2506

01:48:27,970 --> 01:48:26,030

letter I'm well scindia he said it's an

2507

01:48:30,400 --> 01:48:27,980

autograph from Carl Sagan directly to

2508

01:48:33,250 --> 01:48:30,410

Quinton Ella and he said you'll like

2509

01:48:35,070 --> 01:48:33,260

that now I'm not sure I'm trying to

2510

01:48:38,920 --> 01:48:35,080

determine if that's Carl Sagan's

2511

01:48:40,870 --> 01:48:38,930

signature or actual secretaries that's

2512

01:48:42,550 --> 01:48:40,880

actually we could talk offline and

2513

01:48:44,440 --> 01:48:42,560

that's something I could do I do a lot

2514

01:48:45,070 --> 01:48:44,450

of that search like that but yeah it's

2515

01:48:52,990 --> 01:48:45,080

interesting

2516

01:48:55,420 --> 01:48:53,000

and aren't copies but but all the case

2517

01:48:58,750 --> 01:48:55,430

files himself or you know our copies

2518

01:49:00,190 --> 01:48:58,760

like say I've got those glass slides you

2519

01:49:03,700 --> 01:49:00,200

know I've got some other photos and

2520

01:49:05,470 --> 01:49:03,710

things in here that I'm assuming most of

2521

01:49:06,940 --> 01:49:05,480

them like I've not been able to research

2522

01:49:09,250 --> 01:49:06,950

all of them if that black vault would

2523

01:49:12,070 --> 01:49:09,260

been still around but they're easy to

2524

01:49:13,870 --> 01:49:12,080

search you know they had I'd have had a

2525

01:49:15,310 --> 01:49:13,880

little little have a little more answers

2526

01:49:18,670 --> 01:49:15,320

as I gets more time to go through that

2527

01:49:24,130 --> 01:49:18,680

stuff yep yeah that was a lot of wasted

2528

01:49:25,990 --> 01:49:24,140

work by I mean the other ones like say

2529

01:49:28,390 --> 01:49:26,000

you can search him but that one was so

2530

01:49:30,520 --> 01:49:28,400

easy to just get on there and put in

2531

01:49:32,260 --> 01:49:30,530

what you wanted I mean I was really able

2532

01:49:35,080 --> 01:49:32,270

to cruise right through the Socorro file

2533

01:49:36,460 --> 01:49:35,090

page for page and just see what I had

2534

01:49:38,200 --> 01:49:36,470

and what I didn't and that's kind of how

2535

01:49:41,080 --> 01:49:38,210

I came across you know that stuff for

2536

01:49:44,320 --> 01:49:41,090

Ray would you assume that these cartoons

2537

01:49:47,230 --> 01:49:44,330

that were in the lot were just sent like

2538

01:49:49,810 --> 01:49:47,240

from friends or you know those were I

2539

01:49:51,850 --> 01:49:49,820

think they were clearly collected by the

2540

01:49:53,680 --> 01:49:51,860

staff and some of them are I mean I

2541

01:49:56,500 --> 01:49:53,690

think by the staff the whole time some

2542

01:49:58,960 --> 01:49:56,510

of them from the early 50s they have

2543

01:50:00,640 --> 01:49:58,970

dates on them you I can't see them on

2544

01:50:02,850 --> 01:50:00,650

there but there's a some of them updates

2545

01:50:05,350 --> 01:50:02,860

you know as I say is 51 52

2546

01:50:09,400 --> 01:50:05,360

and then there's one up there that's got

2547

01:50:10,450 --> 01:50:09,410

a doodle about captain Gregory on it and

2548

01:50:12,490 --> 01:50:10,460

there might be more than one that's

2549

01:50:14,430 --> 01:50:12,500

actually doodle about him so I think

2550

01:50:16,380 --> 01:50:14,440

it's this guy sitting in the office

2551
01:50:18,540 --> 01:50:16,390
you know clipping and collected there's

2552
01:50:20,189 --> 01:50:18,550
a I mean even funny thing is that I've

2553
01:50:24,479 --> 01:50:20,199
got there's probably a hundred and fifty

2554
01:50:25,800 --> 01:50:24,489
cartoons Wow yeah some of them's napped

2555
01:50:27,959 --> 01:50:25,810
I mean one of them's a napkin with

2556
01:50:34,470 --> 01:50:27,969
aliens on it you know just anything they

2557
01:50:35,939 --> 01:50:34,480
could find some are pretty good too with

2558
01:50:37,080 --> 01:50:35,949
my favorite ones the one I put on the

2559
01:50:41,240 --> 01:50:37,090
website there if Quentin Eila

2560
01:50:45,200 --> 01:50:41,250
hypnotizing the crowd I mean that's all

2561
01:50:47,729 --> 01:50:45,210
somebody did that obviously from 66 on

2562
01:50:49,560 --> 01:50:47,739
scribbled that one on there I'll have to

2563
01:50:50,700 --> 01:50:49,570

have to check that out now there is one

2564

01:50:54,530 --> 01:50:50,710

picture I did want to talk to you about

2565

01:50:57,390 --> 01:50:54,540

in it looks like a disc-shaped UFO

2566

01:51:03,180 --> 01:50:57,400

behind the tail of a jet from the

2567

01:51:04,650 --> 01:51:03,190

cockpit fighter jet maybe yeah and I've

2568

01:51:06,930 --> 01:51:04,660

tried to figure that one out

2569

01:51:08,370 --> 01:51:06,940

that one was loose in the box I mean

2570

01:51:11,130 --> 01:51:08,380

everything all the other slides were in

2571

01:51:12,959 --> 01:51:11,140

a slide box but that one was just loose

2572

01:51:16,760 --> 01:51:12,969

in there in the papers and the only

2573

01:51:19,800 --> 01:51:16,770

thing written on it was b-47 tail wow

2574

01:51:22,380 --> 01:51:19,810

that's quite an object in the back and

2575

01:51:25,530 --> 01:51:22,390

it was dirt the thing was had like a

2576

01:51:27,240 --> 01:51:25,540

film all over it so I you know I bought

2577

01:51:31,470 --> 01:51:27,250

some special alcohol I was able to clean

2578

01:51:34,620 --> 01:51:31,480

it up and I've been it's kind of a

2579

01:51:36,870 --> 01:51:34,630

tie-in as far as that alien slide that's

2580

01:51:39,090 --> 01:51:36,880

coming out here in May right as far as

2581

01:51:39,900 --> 01:51:39,100

the dating goes I was able to date that

2582

01:51:41,790 --> 01:51:39,910

well yeah

2583

01:51:44,580 --> 01:51:41,800

there's another picture in there that

2584

01:51:48,390 --> 01:51:44,590

shows this on my website that shows

2585

01:51:51,780 --> 01:51:48,400

force seven silver slides those are the

2586

01:51:53,250 --> 01:51:51,790

Homer New York glass slides but also now

2587

01:51:55,110 --> 01:51:53,260

at the bottom it's got a red and white

2588

01:51:57,600 --> 01:51:55,120

slide that's that particular one the

2589

01:52:00,590 --> 01:51:57,610

casing and it's from you know for I

2590

01:52:02,850 --> 01:52:00,600

dated it from 49 I think the 55

2591

01:52:08,459 --> 01:52:02,860

somewhere in that period is when that

2592

01:52:10,820 --> 01:52:08,469

one was made I'm sorry 49 the 57 as I'm

2593

01:52:15,750 --> 01:52:10,830

trying to determine whether or not that

2594

01:52:20,070 --> 01:52:15,760

that's a few years before the be the

2595

01:52:21,510 --> 01:52:20,080

b-47 that went around there and around

2596

01:52:25,439 --> 01:52:21,520

Mississippi River Darrow Texas and

2597

01:52:27,039 --> 01:52:25,449

Mississippi the RB 47 mm-hmm I don't

2598

01:52:29,229 --> 01:52:27,049

know if it's from that one

2599

01:52:32,469 --> 01:52:29,239

I mean I've I've done a lot of search

2600

01:52:34,509 --> 01:52:32,479

and b-47s in Project Blue Book on the

2601
01:52:36,159 --> 01:52:34,519
internet and surprisingly there was a

2602
01:52:37,779 --> 01:52:36,169
bunch of them I can't find one in

2603
01:52:41,169 --> 01:52:37,789
particular that said there was pictures

2604
01:52:43,119 --> 01:52:41,179
like that now the are b-47 said there

2605
01:52:46,599 --> 01:52:43,129
supposedly was pictures but nobody knows

2606
01:52:48,969 --> 01:52:46,609
where they are I have never been able to

2607
01:52:50,469 --> 01:52:48,979
confirm if that's what that is I know

2608
01:52:53,229 --> 01:52:50,479
it's a pretty picture I mean you could

2609
01:52:54,399 --> 01:52:53,239
it almost looks fake and I can't tell if

2610
01:52:56,109 --> 01:52:54,409
that's I mean that's probably a glare

2611
01:52:57,939 --> 01:52:56,119
but I can't tell what that isn't that

2612
01:53:00,969 --> 01:52:57,949
I've stared at that thing for hours

2613
01:53:02,859 --> 01:53:00,979

trying to figure it out that's what's

2614

01:53:04,719 --> 01:53:02,869

following it if it's an actual object or

2615

01:53:08,349 --> 01:53:04,729

it looks like it and I'm wonder if that

2616

01:53:11,619 --> 01:53:08,359

can be enhanced somehow but that's just

2617

01:53:13,539 --> 01:53:11,629

as far as that slide that actual picture

2618

01:53:15,609 --> 01:53:13,549

I projected it on the wall in my you

2619

01:53:17,139 --> 01:53:15,619

know my house on my screen and just snap

2620

01:53:19,239 --> 01:53:17,149

the picture of it even that's fairly

2621

01:53:21,519 --> 01:53:19,249

good quality if I took it somewhere and

2622

01:53:22,959 --> 01:53:21,529

had it actually transferred I've kind of

2623

01:53:27,729 --> 01:53:22,969

been hesitant about taking this stuff

2624

01:53:29,229 --> 01:53:27,739

and leaving it places sure I mean I well

2625

01:53:30,219 --> 01:53:29,239

he killed me to do that to the film but

2626

01:53:32,169 --> 01:53:30,229

I had no choice

2627

01:53:36,369 --> 01:53:32,179

ray will make you even more scared if

2628

01:53:38,079 --> 01:53:36,379

you talk to him about it stuff come up

2629

01:53:39,729 --> 01:53:38,089

missing from his house and everything oh

2630

01:53:43,089 --> 01:53:39,739

yeah yeah he's had a bunch of stuff like

2631

01:53:46,779 --> 01:53:43,099

that happening we have we have about

2632

01:53:49,500 --> 01:53:46,789

about three minutes or so left actually

2633

01:53:53,709 --> 01:53:49,510

we only have a couple of minutes left so

2634

01:53:54,969 --> 01:53:53,719

let's talk quickly about first of all we

2635

01:53:59,279 --> 01:53:54,979

already talked about what your future

2636

01:54:02,019 --> 01:53:59,289

plans possibly are yeah and so if we

2637

01:54:04,059 --> 01:54:02,029

know where someone can find all these

2638

01:54:06,159 --> 01:54:04,069

and let's just say that someone has

2639

01:54:08,439 --> 01:54:06,169

enough of an interest that they actually

2640

01:54:12,119 --> 01:54:08,449

want to view these in hand is that

2641

01:54:15,579 --> 01:54:12,129

something you'd actually make possible I

2642

01:54:18,399 --> 01:54:15,589

mean if they want to come to where I'm

2643

01:54:20,109 --> 01:54:18,409

at yeah no I take them around Ohio here

2644

01:54:23,799 --> 01:54:20,119

and you know I may end up taking them

2645

01:54:24,879 --> 01:54:23,809

farther but we're having a one place I

2646

01:54:27,879 --> 01:54:24,889

can tell you in particular if it won't

2647

01:54:29,859 --> 01:54:27,889

be is a June 6th mufon of Ohio we're

2648

01:54:32,799 --> 01:54:29,869

having our conference it's up northern

2649

01:54:35,109 --> 01:54:32,809

Ohio in Ashland little south of Columbus

2650

01:54:37,209 --> 01:54:35,119

Cleveland I'm gonna have them there all

2651
01:54:39,639 --> 01:54:37,219
day I'm not doing any presentations or

2652
01:54:40,540 --> 01:54:39,649
anything I'm just I took the first box I

2653
01:54:42,850 --> 01:54:40,550
had last year

2654
01:54:44,500 --> 01:54:42,860
people loved coming up and looking at it

2655
01:54:46,359 --> 01:54:44,510
well this one I'm gonna have a couple

2656
01:54:48,640 --> 01:54:46,369
tables to set everything out so people

2657
01:54:50,859 --> 01:54:48,650
can you know browse through them during

2658
01:54:53,109 --> 01:54:50,869
the conference conferences six or seven

2659
01:54:57,700 --> 01:54:53,119
hours long you know in between speakers

2660
01:54:59,919 --> 01:54:57,710
and during lunch people anybody come on

2661
01:55:02,169 --> 01:54:59,929
browse them James Fox is gonna be there

2662
01:55:03,879 --> 01:55:02,179
and he's got he's been working on that

2663
01:55:06,160 --> 01:55:03,889

movie 701 right

2664

01:55:09,010 --> 01:55:06,170

I intend hopefully to show them to him

2665

01:55:10,689 --> 01:55:09,020

Oh that'd be great I'm sure he'd be very

2666

01:55:13,240 --> 01:55:10,699

that could actually be part of that that

2667

01:55:15,189 --> 01:55:13,250

film so we have a we have a little less

2668

01:55:17,830 --> 01:55:15,199

than a minute left so can you give out

2669

01:55:21,459 --> 01:55:17,840

your website if you would yes Miami

2670

01:55:23,709 --> 01:55:21,469

Valley UFO Society dot-com oh wow that's

2671

01:55:26,859 --> 01:55:23,719

a long one Miami

2672

01:55:31,030 --> 01:55:26,869

UFO Society calm and that will be in our

2673

01:55:32,229 --> 01:55:31,040

show notes okay it's just a link to news

2674

01:55:34,359 --> 01:55:32,239

sources

2675

01:55:36,490 --> 01:55:34,369

I mean it's mainly for to try to get

2676

01:55:38,770 --> 01:55:36,500

people around here you know a local

2677

01:55:40,479 --> 01:55:38,780

place maybe they'll start giving reports

2678

01:55:42,250 --> 01:55:40,489

clicking them our way which they'll go

2679

01:55:44,500 --> 01:55:42,260

to MUFON if they come through my site

2680

01:55:46,000 --> 01:55:44,510

but mainly it's just try to get people

2681

01:55:47,410 --> 01:55:46,010

around here talking about the subject so

2682

01:55:49,390 --> 01:55:47,420

many people have had relatives work

2683

01:55:51,069 --> 01:55:49,400

2684

01:55:52,780 --> 01:55:51,079

2685

01:55:54,819 --> 01:55:52,790

2688

01:56:01,990 --> 01:56:00,409

2689

01:56:05,740 --> 01:56:02,000
