

1
00:00:03,169 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:04,249 --> 00:00:03,179
triangle

3
00:00:05,390 --> 00:00:04,259
you know there's explanation for

4
00:00:07,309 --> 00:00:05,400
everything that occurred in the

5
00:00:09,680 --> 00:00:07,319
Rendlesham forest incident that doesn't

6
00:00:13,190 --> 00:00:09,690
involve aliens at all it was completely

7
00:00:16,430 --> 00:00:13,200
silent it comes right over our head it's

8
00:00:18,050 --> 00:00:16,440
so classic flying-saucer really standing

9
00:00:19,429 --> 00:00:18,060
in the clearing he turned over to my

10
00:00:24,670 --> 00:00:19,439
father and held his hand and he looked

11
00:00:30,830 --> 00:00:28,099
welcome to podcast UFO for our live show

12
00:00:33,049 --> 00:00:30,840
we're live every Wednesday at 8 p.m.

13
00:00:35,540 --> 00:00:33,059

Eastern Standard Time on the dark matter

14

00:00:39,229 --> 00:00:35,550

radio network please remember to visit

15

00:00:42,440 --> 00:00:39,239

the website podcast UFO calm for past

16

00:00:44,420 --> 00:00:42,450

episodes blogs and forums during the

17

00:00:46,910 --> 00:00:44,430

show feel free to participate live in

18

00:00:49,180 --> 00:00:46,920

our chat room and don't forget to like

19

00:00:51,380 --> 00:00:49,190

us on our very active Facebook page

20

00:00:52,990 --> 00:00:51,390

hello everyone this is Martin militia

21

00:00:55,189 --> 00:00:53,000

host and we have the one and only

22

00:00:56,689 --> 00:00:55,199

Alejandro Rojas he's back from vacation

23

00:00:59,389 --> 00:00:56,699

he's going to help us with the news

24

00:01:01,939 --> 00:00:59,399

coming right up and for our guests this

25

00:01:04,899 --> 00:01:01,949

evening for both hours we have Terry ray

26
00:01:07,310 --> 00:01:04,909
and he's an author and UFO investigator

27
00:01:09,890 --> 00:01:07,320
and we're gonna be talking about his new

28
00:01:13,070 --> 00:01:09,900
book it's called the complete story of

29
00:01:15,530 --> 00:01:13,080
the worldwide invasion of orange orbs

30
00:01:17,480 --> 00:01:15,540
and we're not talking just about Chinese

31
00:01:20,120 --> 00:01:17,490
lanterns I've had kind of a fascination

32
00:01:23,480 --> 00:01:20,130
with these for a while and I want to see

33
00:01:25,399 --> 00:01:23,490
what he has to say about that I want to

34
00:01:28,219 --> 00:01:25,409
thank everyone for their help and

35
00:01:30,109 --> 00:01:28,229
support and I thank every listener for

36
00:01:31,910 --> 00:01:30,119
listening if you'd like to subscribe to

37
00:01:34,100 --> 00:01:31,920
hear the whole full show go to our

38
00:01:36,590 --> 00:01:34,110

website podcast UFO calm and you'll see

39

00:01:40,249 --> 00:01:36,600

right on the sidebar all the information

40

00:01:41,929 --> 00:01:40,259

you need right there and I am ready to

41

00:01:43,819 --> 00:01:41,939

bring in Alejandro but first

42

00:01:45,499 --> 00:01:43,829

Alejandro did you hear that Stephen

43

00:01:47,270 --> 00:01:45,509

Bassett he called me I don't know if he

44

00:01:49,420 --> 00:01:47,280

called you and he said that disclosure

45

00:01:54,620 --> 00:01:49,430

has really happened did you hear that oh

46

00:01:57,139 --> 00:01:54,630

my goodness gracious meaning before he

47

00:02:02,719 --> 00:01:57,149

called me but well anyway April Fool's

48

00:02:04,850 --> 00:02:02,729

buddy you had everybody heard you get me

49

00:02:07,850 --> 00:02:04,860

and you fooled me there and you have the

50

00:02:11,330 --> 00:02:07,860

evidence on the air that you trickster

51
00:02:14,390 --> 00:02:11,340
and I'm not going to edit it out so

52
00:02:16,970 --> 00:02:14,400
man-boy when I get my hands on you I'm

53
00:02:18,770 --> 00:02:16,980
just gonna grab that cute little neck of

54
00:02:26,150 --> 00:02:18,780
yours and squeeze and squeeze and

55
00:02:27,140 --> 00:02:26,160
squeeze just like last time so tell me

56
00:02:29,119 --> 00:02:27,150
what's happening

57
00:02:31,190 --> 00:02:29,129
oh yeah there are some funny April

58
00:02:34,699 --> 00:02:31,200
Fool's ones out there oh we're gonna the

59
00:02:37,759 --> 00:02:34,709
bunk peoples April Fool's good

60
00:02:39,470 --> 00:02:37,769
don't fall for this people okay the

61
00:02:41,420 --> 00:02:39,480
first one and these are funny these guys

62
00:02:43,009 --> 00:02:41,430
these are funny guys it's Ryan sprog you

63
00:02:46,009 --> 00:02:43,019

know this character right yes I do

64

00:02:48,289 --> 00:02:46,019

yeah this tricky little guy he posted

65

00:02:50,420 --> 00:02:48,299

this on his Facebook just received word

66

00:02:53,750 --> 00:02:50,430

from the sci-fi channel that my series

67

00:02:56,059 --> 00:02:53,760

pilot Bigfoot alien Ghost Hunters has

68

00:02:58,400 --> 00:02:56,069

been approved production begins in

69

00:02:59,110 --> 00:02:58,410

October in North Carolina more info to

70

00:03:02,210 --> 00:02:59,120

follow

71

00:03:05,690 --> 00:03:02,220

he doesn't have he's got a very good

72

00:03:08,690 --> 00:03:05,700

keyword string going there for sure well

73

00:03:09,470 --> 00:03:08,700

I know and that's why I thought this was

74

00:03:12,050 --> 00:03:09,480

plausible

75

00:03:13,910 --> 00:03:12,060

you know Bigfoot alien ghost hunters I

76

00:03:16,580 --> 00:03:13,920

thought some TV show just wants to get

77

00:03:19,610 --> 00:03:16,590

it all in there people love it I thought

78

00:03:21,110 --> 00:03:19,620

oh you know and I come wearing get the

79

00:03:23,870 --> 00:03:21,120

name of this show and she's like you

80

00:03:25,879 --> 00:03:23,880

idiot you're so stupid not like that she

81

00:03:28,339 --> 00:03:25,889

was she was mean but she didn't say all

82

00:03:29,930 --> 00:03:28,349

those things but in any way she was just

83

00:03:34,699 --> 00:03:29,940

like that's obviously an April Fool's

84

00:03:35,300 --> 00:03:34,709

joke and I was like so he got me don't

85

00:03:37,370 --> 00:03:35,310

let him fool you

86

00:03:39,740 --> 00:03:37,380

but then I read another one on Facebook

87

00:03:41,690 --> 00:03:39,750

and this one didn't get me cuz I wasn't

88

00:03:44,839 --> 00:03:41,700

gonna let it happen again and this is

89

00:03:47,479 --> 00:03:44,849

John Greenwald of the black vault he

90

00:03:48,979 --> 00:03:47,489

wrote something about how the x-files

91

00:03:50,390 --> 00:03:48,989

and where I was going to talk about that

92

00:03:53,150 --> 00:03:50,400

we'll talk about that in a minute it's

93

00:03:55,520 --> 00:03:53,160

returning so the expo files the summer

94

00:03:57,979 --> 00:03:55,530

has got six epic so it's coming back

95

00:04:01,180 --> 00:03:57,989

this is no joke this is exciting

96

00:04:04,699 --> 00:04:01,190

you know Gillian Anderson David Duchovny

97

00:04:06,500 --> 00:04:04,709

there Fox Mulder and and Dana Scully

98

00:04:09,080 --> 00:04:06,510

we'll be back this summer they're going

99

00:04:11,509 --> 00:04:09,090

to do six episodes but he wrote here's

100

00:04:15,500 --> 00:04:11,519

the part that isn't true he wrote I they

101
00:04:18,589 --> 00:04:15,510
want me to be the third FBI agent and

102
00:04:20,810 --> 00:04:18,599
what's funny is most of people Ryan and

103
00:04:23,460 --> 00:04:20,820
John most of people that are commenting

104
00:04:25,310 --> 00:04:23,470
on these these things have posted

105
00:04:26,580 --> 00:04:25,320
them and they're like that's so cool

106
00:04:29,160 --> 00:04:26,590
congratulations

107
00:04:32,550 --> 00:04:29,170
so I wasn't the only one to get pulled

108
00:04:35,250 --> 00:04:32,560
oh that's good yeah that's not bad uh

109
00:04:37,170 --> 00:04:35,260
yeah I don't think you knew this at the

110
00:04:40,830 --> 00:04:37,180
I think it was two or three years ago I

111
00:04:42,480 --> 00:04:40,840
had a whole fake website I actually made

112
00:04:46,920 --> 00:04:42,490
the domain switch over to it if someone

113
00:04:49,530 --> 00:04:46,930

clicked on my website and I put a lot of

114

00:04:51,570 --> 00:04:49,540

work I put about 50 hours into the bogan

115

00:04:54,930 --> 00:04:51,580

Valley it was a lot of fun Leslie Cain

116

00:04:57,000 --> 00:04:54,940

even loved it so but anyway that was

117

00:04:59,370 --> 00:04:57,010

then I didn't have the energy or time to

118

00:05:02,190 --> 00:04:59,380

do it this year even Leslie Cain loved

119

00:05:05,580 --> 00:05:02,200

it did you believe that Wow

120

00:05:10,860 --> 00:05:05,590

she had a laugh that's cool that is

121

00:05:12,720 --> 00:05:10,870

that's so what's going on news so we

122

00:05:14,130 --> 00:05:12,730

already talked about the x-files I think

123

00:05:16,740 --> 00:05:14,140

that's a big deal because really when

124

00:05:19,020 --> 00:05:16,750

you look at it a lot of UFO researchers

125

00:05:21,390 --> 00:05:19,030

feel like the 90s there was a law and

126
00:05:23,670 --> 00:05:21,400
UFO research for a period of time there

127
00:05:25,950 --> 00:05:23,680
I felt that when when I got involved

128
00:05:28,080 --> 00:05:25,960
with this all of the documentaries and

129
00:05:30,180 --> 00:05:28,090
TV shows ended with the debunkers coming

130
00:05:32,490 --> 00:05:30,190
out and saying yeah but it's all just BS

131
00:05:34,140 --> 00:05:32,500
but you know things have changed and I

132
00:05:34,830 --> 00:05:34,150
think that's largely because of the

133
00:05:41,040 --> 00:05:34,840
x-files

134
00:05:43,530 --> 00:05:41,050
for six episodes I can't wait to see

135
00:05:45,990 --> 00:05:43,540
what new special effects and stuff

136
00:05:48,440 --> 00:05:46,000
they'll be using and even new thoughts

137
00:05:51,420 --> 00:05:48,450
and ideas that they didn't have before

138
00:05:54,030 --> 00:05:51,430

some new music would be nice because it

139

00:05:56,210 --> 00:05:54,040

the synthesized horns I think the

140

00:05:59,760 --> 00:05:56,220

technology has been improved as well

141

00:06:02,520 --> 00:05:59,770

yeah so we'll see so that was one of the

142

00:06:04,710 --> 00:06:02,530

stories I wanted to talk about but

143

00:06:07,860 --> 00:06:04,720

another one that I'm excited about Ben

144

00:06:09,659 --> 00:06:07,870

Hansen of the Syfy channel's Factor

145

00:06:12,659 --> 00:06:09,669

faked paranormal files of course that

146

00:06:15,750 --> 00:06:12,669

shows no longer being aired but that is

147

00:06:19,260 --> 00:06:15,760

what he's known in these circles for he

148

00:06:21,390 --> 00:06:19,270

did an analysis when Jimmy Kimmel had on

149

00:06:24,469 --> 00:06:21,400

Bill Clinton and asked him about UFOs

150

00:06:28,380 --> 00:06:24,479

right and it looks like you know when

151
00:06:30,930 --> 00:06:28,390
Obama was on Jimmy Kimmel recently the

152
00:06:33,510 --> 00:06:30,940
day before the LA Times her or LA Weekly

153
00:06:34,800 --> 00:06:33,520
had written about that Jimmy Kimmel has

154
00:06:35,970 --> 00:06:34,810
said he's going to ask of Obama about

155
00:06:38,010 --> 00:06:35,980
UFOs

156
00:06:40,380 --> 00:06:38,020
they said you know maybe this guy will

157
00:06:42,510 --> 00:06:40,390
analyze it and they posted about Ben

158
00:06:46,920 --> 00:06:42,520
Hanson doing this analysis

159
00:06:49,800 --> 00:06:46,930
well when Obama was on the show Jimmy

160
00:06:51,450 --> 00:06:49,810
Kimmel had kind of weren't Obama you

161
00:06:52,920 --> 00:06:51,460
know somebody they're gonna look into

162
00:06:55,640 --> 00:06:52,930
this and every movement and everything

163
00:06:57,930 --> 00:06:55,650

you say and analyze everything and

164

00:06:59,790 --> 00:06:57,940

alluding to Jimmy Kimmel possibly

165

00:07:03,890 --> 00:06:59,800

knowing about Ben Hansen doing this and

166

00:07:07,320 --> 00:07:03,900

sure enough Ben Hansen has done it again

167

00:07:11,580 --> 00:07:07,330

so he did this analysis it's 40 minutes

168

00:07:14,610 --> 00:07:11,590

long so I look watch the 40 minutes and

169

00:07:16,650 --> 00:07:14,620

I took notes and I summarized in a very

170

00:07:19,650 --> 00:07:16,660

long story because there was a lot of

171

00:07:22,710 --> 00:07:19,660

information essentially Ben's analysis

172

00:07:25,200 --> 00:07:22,720

and what he's saying is that he like for

173

00:07:27,000 --> 00:07:25,210

instance Obama's breathing faster when

174

00:07:29,670 --> 00:07:27,010

they're talking about UFOs that to him

175

00:07:31,440 --> 00:07:29,680

shows us some sort of nervousness also

176

00:07:33,030 --> 00:07:31,450

Obama joked the whole time you know was

177

00:07:34,790 --> 00:07:33,040

cracking jokes really good ones I

178

00:07:37,530 --> 00:07:34,800

thought he was funny he was funny and

179

00:07:39,630 --> 00:07:37,540

Ben says this is often used to kind of

180

00:07:41,160 --> 00:07:39,640

belittle the person asking questions to

181

00:07:42,570 --> 00:07:41,170

hopefully make them feel silly about

182

00:07:45,210 --> 00:07:42,580

their question so they move on to a

183

00:07:47,970 --> 00:07:45,220

different topic but he notes that Jimmy

184

00:07:53,520 --> 00:07:47,980

Kimmel was not dissuaded he kept asking

185

00:07:56,310 --> 00:07:53,530

questions and he feels that the the body

186

00:08:00,180 --> 00:07:56,320

language through most of this Obama was

187

00:08:03,720 --> 00:08:00,190

joking around but he feels at one moment

188

00:08:06,180 --> 00:08:03,730

Obama's demeanor changed and he says

189

00:08:09,840 --> 00:08:06,190

that it changed so much for instance he

190

00:08:12,150 --> 00:08:09,850

looked down to the ground and he thinks

191

00:08:14,670 --> 00:08:12,160

that you know screw his body language

192

00:08:18,660 --> 00:08:14,680

analysis that Obama seems to be a very

193

00:08:21,780 --> 00:08:18,670

honest person and he feels that he made

194

00:08:23,250 --> 00:08:21,790

an honest statement when Kimmel was

195

00:08:27,000 --> 00:08:23,260

really kind of prodding him about

196

00:08:30,390 --> 00:08:27,010

information Obama replied I can't reveal

197

00:08:33,030 --> 00:08:30,400

anything and because of various reasons

198

00:08:35,190 --> 00:08:33,040

like some of them I've mentioned Ben

199

00:08:38,100 --> 00:08:35,200

Hansen believes that he was telling the

200

00:08:41,219 --> 00:08:38,110

truth when he says that so Ben feels

201
00:08:43,500 --> 00:08:41,229
that either he's been told he can't know

202
00:08:45,600 --> 00:08:43,510
or talk about this topic or he knows

203
00:08:48,250 --> 00:08:45,610
something that he can't talk about he

204
00:08:51,400 --> 00:08:48,260
kind of made a funny and now

205
00:08:53,800 --> 00:08:51,410
he compared it to like a guy who would

206
00:08:55,330 --> 00:08:53,810
like to go out with his buddies and he

207
00:08:57,370 --> 00:08:55,340
can't because his wife wants him to

208
00:08:59,170 --> 00:08:57,380
clean the garage but he doesn't say oh

209
00:09:00,820 --> 00:08:59,180
my wife said this and that cuz you know

210
00:09:03,400 --> 00:09:00,830
he can't diss his wife in front of his

211
00:09:05,590 --> 00:09:03,410
buddies so he just says oh sorry guys I

212
00:09:07,210 --> 00:09:05,600
can't and he kind of gets sad he feels

213
00:09:08,910 --> 00:09:07,220

that that's kind of what Obama was

214

00:09:11,860 --> 00:09:08,920

demonstrating that same sort of

215

00:09:14,230 --> 00:09:11,870

sentiment or feeling so kind of

216

00:09:16,840 --> 00:09:14,240

interesting that it has been she feel

217

00:09:18,340 --> 00:09:16,850

that way and banned for the listener

218

00:09:21,490 --> 00:09:18,350

that doesn't know this ben is a former

219

00:09:22,930 --> 00:09:21,500

FBI agent and he was trained and that

220

00:09:25,300 --> 00:09:22,940

sort of thing I've talked to him about

221

00:09:26,800 --> 00:09:25,310

it on the show before it's not to say

222

00:09:28,900 --> 00:09:26,810

that we can say for sure but it

223

00:09:31,810 --> 00:09:28,910

certainly makes it certainly makes it

224

00:09:34,570 --> 00:09:31,820

interesting yeah it makes me think I was

225

00:09:38,260 --> 00:09:34,580

100% convinced Obama was joking through

226

00:09:40,060 --> 00:09:38,270

the whole thing I'm still there but it

227

00:09:42,280 --> 00:09:40,070

does make me think it makes me scratch

228

00:09:45,250 --> 00:09:42,290

my head and and been in this video is

229

00:09:47,680 --> 00:09:45,260

very thorough and professional so it's a

230

00:09:50,560 --> 00:09:47,690

great video I recommend that people take

231

00:09:52,390 --> 00:09:50,570

the 40 minutes to watch and I will you

232

00:09:55,750 --> 00:09:52,400

have that embedded I'm sure on open

233

00:09:58,510 --> 00:09:55,760

minds yep yep okay so that'll be a link

234

00:10:01,920 --> 00:09:58,520

in the show notes and we got one more

235

00:10:04,060 --> 00:10:01,930

story yeah sure I'll go with this one

236

00:10:05,740 --> 00:10:04,070

unfortunately it's another it's a

237

00:10:08,170 --> 00:10:05,750

debunking one I don't I like to put in

238

00:10:10,060 --> 00:10:08,180

UFO stories but we really didn't have a

239

00:10:12,550 --> 00:10:10,070

lot we do have some interesting ones

240

00:10:14,230 --> 00:10:12,560

from MUFON on the site that you can go

241

00:10:16,270 --> 00:10:14,240

check out there's like 10 stories I

242

00:10:18,130 --> 00:10:16,280

wanted to talk about this week but I do

243

00:10:20,740 --> 00:10:18,140

want to let people know about this one

244

00:10:22,990 --> 00:10:20,750

there is a video out there it's gotten

245

00:10:25,800 --> 00:10:23,000

very popular showing what looks like a

246

00:10:29,110 --> 00:10:25,810

UFO being hauled around by a truck and

247

00:10:33,460 --> 00:10:29,120

someone posted it and said this is a UFO

248

00:10:36,550 --> 00:10:33,470

being transported near area 51 not the

249

00:10:38,110 --> 00:10:36,560

case actually this video it looks like

250

00:10:41,830 --> 00:10:38,120

it's the same video that was posted

251
00:10:45,700 --> 00:10:41,840
years ago when they were transporting

252
00:10:48,490 --> 00:10:45,710
it's like the x-47b it's this high-tech

253
00:10:50,440 --> 00:10:48,500
cool looking drone they were

254
00:10:52,150 --> 00:10:50,450
transporting it across the country and

255
00:10:53,950 --> 00:10:52,160
and there were sightings of it and

256
00:10:55,840 --> 00:10:53,960
people taking pictures and so there are

257
00:10:58,600 --> 00:10:55,850
lots of news stories about this being a

258
00:11:00,730 --> 00:10:58,610
UFO it looks like that that same video

259
00:11:01,900 --> 00:11:00,740
just taken off of youtube and then

260
00:11:04,870 --> 00:11:01,910
reposted

261
00:11:07,180 --> 00:11:04,880
on YouTube so you could check that out

262
00:11:09,490 --> 00:11:07,190
but it looks like even if this is a new

263
00:11:11,699 --> 00:11:09,500

video it says the exact same thing if

264

00:11:15,069 --> 00:11:11,709

you look at the pictures so this is the

265

00:11:17,650 --> 00:11:15,079

x-47b which is really cool-looking

266

00:11:20,199 --> 00:11:17,660

but that's what it looks like you know

267

00:11:23,199 --> 00:11:20,209

has gotten because unfortunately this

268

00:11:25,269 --> 00:11:23,209

person took it reposted it and there's

269

00:11:27,670 --> 00:11:25,279

goofball new sites out there that are

270

00:11:29,889 --> 00:11:27,680

posting it all over the place and it's

271

00:11:31,389 --> 00:11:29,899

kind of frustrating when the news does

272

00:11:33,519 --> 00:11:31,399

that and they don't do their due

273

00:11:36,249 --> 00:11:33,529

diligence to find some history around

274

00:11:37,930 --> 00:11:36,259

these things so don't be fooled that

275

00:11:39,939 --> 00:11:37,940

gets the ball rolling on something like

276

00:11:41,170 --> 00:11:39,949

that you know we have time if you'd like

277

00:11:43,210 --> 00:11:41,180

to throw out another one of those

278

00:11:45,280 --> 00:11:43,220

stories I'm interested so go ahead if

279

00:11:47,410 --> 00:11:45,290

you would yeah this one got a lot of

280

00:11:51,069 --> 00:11:47,420

attention this was a florida witness who

281

00:11:54,430 --> 00:11:51,079

says that a silent UFO cloaked itself so

282

00:11:57,340 --> 00:11:54,440

this is a guy and these were events that

283

00:11:59,470 --> 00:11:57,350

happened in December of 2013 this was

284

00:12:01,900 --> 00:11:59,480

posted on MUFON so Roger Marsh you know

285

00:12:04,210 --> 00:12:01,910

he will post MUFON sighting reports on

286

00:12:05,710 --> 00:12:04,220

our site for us and summarize them this

287

00:12:09,370 --> 00:12:05,720

is a guy with his girlfriend and they

288

00:12:11,759 --> 00:12:09,380

say they saw a large boomerang shaped

289

00:12:14,710 --> 00:12:11,769

crap at night they said it was very

290

00:12:16,420 --> 00:12:14,720

distinct that they could see the lights

291

00:12:18,370 --> 00:12:16,430

that were going up and down this thing

292

00:12:20,579 --> 00:12:18,380

and not there were hard edges to it and

293

00:12:24,699 --> 00:12:20,589

that it kind of cooked itself and blue

294

00:12:27,400 --> 00:12:24,709

very interesting account that is getting

295

00:12:29,379 --> 00:12:27,410

a lot of hits on the site so people

296

00:12:31,660 --> 00:12:29,389

might want to check that one out all

297

00:12:33,699 --> 00:12:31,670

right and again those links will be

298

00:12:35,290 --> 00:12:33,709

right in our show notes well thank you

299

00:12:38,400 --> 00:12:35,300

Alejandro welcome back hope you had a

300

00:12:41,019 --> 00:12:38,410

good vacation I had a great time and

301
00:12:42,610 --> 00:12:41,029
thank you for having me on the show on

302
00:12:44,710 --> 00:12:42,620
April Fool's Day I hope you're not

303
00:12:46,840 --> 00:12:44,720
trying to imply something you give me

304
00:12:48,490 --> 00:12:46,850
something to think about all right thank

305
00:12:50,679 --> 00:12:48,500
you and I'll talk to you next week and

306
00:12:52,360 --> 00:12:50,689
everyone hang in there for the quick

307
00:14:01,890 --> 00:12:52,370
music break and we'll be right back with

308
00:14:07,270 --> 00:14:04,960
alright that music was by Bruce Renier

309
00:14:10,420 --> 00:14:07,280
thanks Bruce for supplying us with some

310
00:14:13,270 --> 00:14:10,430
music and we have Terry ray on how are

311
00:14:14,110 --> 00:14:13,280
you Terry I'm fine Martin how are you

312
00:14:17,080 --> 00:14:14,120
great

313
00:14:18,790 --> 00:14:17,090

welcome to the show thank you by the way

314

00:14:23,670 --> 00:14:18,800

that music was putting me into a trance

315

00:14:28,930 --> 00:14:25,930

that's how I usually get my guests I

316

00:14:31,390 --> 00:14:28,940

play that background yeah hey thank you

317

00:14:32,950 --> 00:14:31,400

for sending the book along is this your

318

00:14:35,070 --> 00:14:32,960

first book by the way I never never

319

00:14:39,030 --> 00:14:35,080

asked you that question it's my first

320

00:14:42,610 --> 00:14:39,040

non-fiction book I am a novelist by

321

00:14:44,410 --> 00:14:42,620

profession ah that's why that's right

322

00:14:48,730 --> 00:14:44,420

thank you a second when did you get this

323

00:14:50,830 --> 00:14:48,740

I did yeah and I didn't yeah no I was

324

00:14:54,700 --> 00:14:50,840

gonna say I did notice this was very

325

00:14:57,400 --> 00:14:54,710

well written and we can talk about that

326

00:14:58,630 --> 00:14:57,410

first of all if you wouldn't mind and I

327

00:15:01,120 --> 00:14:58,640

didn't really mean to cut you off there

328

00:15:03,040 --> 00:15:01,130

but we can talk about that a little bit

329

00:15:04,920 --> 00:15:03,050

later but if you can tell the listening

330

00:15:10,660 --> 00:15:04,930

audience before we get into our topic

331

00:15:15,370 --> 00:15:10,670

just your background if you would well I

332

00:15:18,210 --> 00:15:15,380

grew up in a steel mill town in western

333

00:15:23,050 --> 00:15:18,220

Pennsylvania went to Grove City College

334

00:15:27,220 --> 00:15:23,060

Beek was a I went to I was a military

335

00:15:30,040 --> 00:15:27,230

pilot Air Force until I was injured I

336

00:15:33,010 --> 00:15:30,050

spent about six months in a hospital and

337

00:15:36,220 --> 00:15:33,020

got out of the service as a disabled

338

00:15:38,440 --> 00:15:36,230

veteran and I got a teaching degree a

339

00:15:40,540 --> 00:15:38,450

master's and I taught elementary

340

00:15:42,460 --> 00:15:40,550

education and then in the evening I went

341

00:15:47,080 --> 00:15:42,470

to law school and I became a trial

342

00:15:49,170 --> 00:15:47,090

lawyer and then I decided to get an

343

00:15:53,440 --> 00:15:49,180

honest job and became a law professor

344

00:15:55,600 --> 00:15:53,450

Wow quite a colorful background you have

345

00:15:58,090 --> 00:15:55,610

there yeah I left out a bunch of stuff

346

00:16:02,590 --> 00:15:58,100

but those are the high points Wow

347

00:16:05,170 --> 00:16:02,600

interesting so while you were lager in

348

00:16:08,200 --> 00:16:05,180

the Air Force did you have a fascination

349

00:16:13,620 --> 00:16:08,210

with UFOs all the way back then and if

350

00:16:17,100 --> 00:16:13,630

so was it ever spoken about well I had

351
00:16:22,500 --> 00:16:17,110
nation with UFOs since I was 10 years

352
00:16:26,130 --> 00:16:22,510
old a group of us were out in the late

353
00:16:29,490 --> 00:16:26,140
summer about about 10 10 11 of us

354
00:16:32,520 --> 00:16:29,500
playing football in a big yard and we

355
00:16:34,830 --> 00:16:32,530
heard a loud roaring noise and a jet

356
00:16:37,350 --> 00:16:34,840
came overhead very low altitude I'd say

357
00:16:39,270 --> 00:16:37,360
about 500 feet and I think it was

358
00:16:43,440 --> 00:16:39,280
probably an f-18 least call him Sabre

359
00:16:46,560 --> 00:16:43,450
jets but anyway and there was right he

360
00:16:49,260 --> 00:16:46,570
was right behind a very very

361
00:16:52,640 --> 00:16:49,270
strange-looking craft there was nothing

362
00:16:55,620 --> 00:16:52,650
like we could ever make had no wings and

363
00:17:01,680 --> 00:16:55,630

they made a turn right over us

364

00:17:04,439 --> 00:17:01,690

and took off in another direction and we

365

00:17:06,179 --> 00:17:04,449

ran to my parents house and my mother

366

00:17:08,429 --> 00:17:06,189

was in the kitchen washing clothes and

367

00:17:10,410 --> 00:17:08,439

like 11 of us ran into the kitchen and

368

00:17:13,230 --> 00:17:10,420

we told her we had to call the army

369

00:17:16,140 --> 00:17:13,240

because we saw a flying saucer and she

370

00:17:19,290 --> 00:17:16,150

told us to get out oh no that was the

371

00:17:21,900 --> 00:17:19,300

beginning of my fascination with UFOs

372

00:17:25,620 --> 00:17:21,910

well before we move on I want to just

373

00:17:28,439 --> 00:17:25,630

mention something about that I hear that

374

00:17:31,560 --> 00:17:28,449

so often about you know some type of

375

00:17:34,080 --> 00:17:31,570

fighter pilot or or jets flying you know

376

00:17:37,260 --> 00:17:34,090

following and a friend of mine who lives

377

00:17:38,790 --> 00:17:37,270

in Canada when I actually told him I was

378

00:17:41,310 --> 00:17:38,800

doing a show on UFOs he told me a story

379

00:17:44,820 --> 00:17:41,320

about being out on the deck during a

380

00:17:48,240 --> 00:17:44,830

party and seeing two fighter jets flying

381

00:17:51,060 --> 00:17:48,250

right behind this disc and and watch it

382

00:17:54,510 --> 00:17:51,070

take off now the question I have about

383

00:17:58,770 --> 00:17:54,520

this and it's just a wonder I would say

384

00:18:01,020 --> 00:17:58,780

is you never hear pilots really talking

385

00:18:07,530 --> 00:18:01,030

about being the person in the jet you

386

00:18:09,840 --> 00:18:07,540

know do you think it's just the yeah if

387

00:18:13,740 --> 00:18:09,850

you're a military pilot you're forbidden

388

00:18:18,240 --> 00:18:13,750

to do it there the government is very

389

00:18:21,810 --> 00:18:18,250

strict in that they do not allow any

390

00:18:23,910 --> 00:18:21,820

talk about UFOs well your new military

391

00:18:27,589 --> 00:18:23,920

service have you ever actually heard

392

00:18:35,009 --> 00:18:32,879

now I didn't but I have I've heard I

393

00:18:38,729 --> 00:18:35,019

heard talk with some of the older pilots

394

00:18:42,060 --> 00:18:38,739

you know about things they talk they you

395

00:18:44,299 --> 00:18:42,070

know they talk among themselves and they

396

00:18:46,529 --> 00:18:44,309

say well you know we you can't be

397

00:18:50,159 --> 00:18:46,539

talking about that kind of stuff you

398

00:18:53,519 --> 00:18:50,169

know so you're just you would you could

399

00:18:55,409 --> 00:18:53,529

would probably if you went public if

400

00:18:59,070 --> 00:18:55,419

you're a military pilot and went public

401
00:19:01,649 --> 00:18:59,080
about seeing something and you described

402
00:19:03,589 --> 00:19:01,659
it realistic there's UFO you you would

403
00:19:06,239 --> 00:19:03,599
have a very good chance of being

404
00:19:08,070 --> 00:19:06,249
dismissed from a service

405
00:19:10,379 --> 00:19:08,080
dishonorable discharge or something like

406
00:19:11,579 --> 00:19:10,389
that I don't think they'd go that far

407
00:19:14,459 --> 00:19:11,589
they don't want to get you're really

408
00:19:18,539 --> 00:19:14,469
aggravated yeah but you there would be

409
00:19:21,539 --> 00:19:18,549
some discipline involved commercial

410
00:19:25,709 --> 00:19:21,549
pilots they keep their mouths shut too

411
00:19:28,369 --> 00:19:25,719
because the government has done such a

412
00:19:35,419 --> 00:19:28,379
good job of making fools out of people

413
00:19:37,709 --> 00:19:35,429

whenever they report a UFO that you

414

00:19:42,479 --> 00:19:37,719

everybody actually even the average

415

00:19:43,529 --> 00:19:42,489

person is careful there let me tell you

416

00:19:59,310 --> 00:19:43,539

something really interesting

417

00:20:02,369 --> 00:19:59,320

only a profit of \$100 to any any

418

00:20:06,329 --> 00:20:02,379

official body and that is because they

419

00:20:08,070 --> 00:20:06,339

are afraid of the repercussions I also

420

00:20:11,430 --> 00:20:08,080

really think because of my own

421

00:20:13,859 --> 00:20:11,440

experience that I didn't even know where

422

00:20:18,060 --> 00:20:13,869

to report something I never write never

423

00:20:21,659 --> 00:20:18,070

that's another problem yes and the

424

00:20:23,729 --> 00:20:21,669

places that this is something that we're

425

00:20:25,649 --> 00:20:23,739

gonna be getting into and move form we

426

00:20:27,989 --> 00:20:25,659

want to try to get real numbers of how

427

00:20:30,060 --> 00:20:27,999

many sightings

428

00:20:32,940 --> 00:20:30,070

how many UFOs are actually in the air

429

00:20:36,659 --> 00:20:32,950

and if let's say we in a month we have a

430

00:20:39,870 --> 00:20:36,669

thousand reports to MUFON well what we

431

00:20:42,800 --> 00:20:39,880

need to know is how many people

432

00:20:48,140 --> 00:20:42,810

and I say there's a thousand people that

433

00:20:51,270 --> 00:20:48,150

see UFOs in a month how many of those

434

00:20:51,990 --> 00:20:51,280

report them report the sighting anywhere

435

00:20:55,410 --> 00:20:52,000

mmm

436

00:20:58,170 --> 00:20:55,420

number one and if they do report where

437

00:21:00,720 --> 00:20:58,180

where do they report and I can tell you

438

00:21:02,420 --> 00:21:00,730

the primary places some of there has

439

00:21:05,100 --> 00:21:02,430

been some research done on this and

440

00:21:09,360 --> 00:21:05,110

MUFON is not at the top of list it's way

441

00:21:11,490 --> 00:21:09,370

at the bottom number one is the police

442

00:21:16,560 --> 00:21:11,500

that's what I call that's who I called

443

00:21:18,780 --> 00:21:16,570

right and number two is the media you

444

00:21:23,630 --> 00:21:18,790

call a radio station you call a TV

445

00:21:27,420 --> 00:21:23,640

station and third they dial some number

446

00:21:29,550 --> 00:21:27,430

some government number hmm now whatever

447

00:21:31,740 --> 00:21:29,560

they can find in the yellow pages you

448

00:21:35,610 --> 00:21:31,750

know some some government official and

449

00:21:38,280 --> 00:21:35,620

all of those are worthless because I

450

00:21:43,200 --> 00:21:38,290

mean police don't want to be bothered

451
00:21:45,000 --> 00:21:43,210
with it right the mainstream media the

452
00:21:46,980 --> 00:21:45,010
only thing they'll use it for is their

453
00:21:49,890 --> 00:21:46,990
for their funny story at the end of the

454
00:21:52,740 --> 00:21:49,900
news right when they when they you know

455
00:21:55,830 --> 00:21:52,750
bring on you know the twilight zone

456
00:21:58,080 --> 00:21:55,840
music and they all laugh and talk about

457
00:21:58,710 --> 00:21:58,090
this correctly right yeah and the

458
00:22:02,640 --> 00:21:58,720
government

459
00:22:07,440 --> 00:22:02,650
you know as a policy don't acknowledge

460
00:22:10,590 --> 00:22:07,450
that there are UFOs so in very very few

461
00:22:15,120 --> 00:22:10,600
people contact MUFON because even though

462
00:22:18,120 --> 00:22:15,130
MUFON is becoming much more broadly

463
00:22:23,400 --> 00:22:18,130

known because of I think a lot of it has

464

00:22:25,110 --> 00:22:23,410

to do with hangar 51 their show that you

465

00:22:29,190 --> 00:22:25,120

know people are becoming more aware move

466

00:22:31,530 --> 00:22:29,200

on but to even at this current moment I

467

00:22:33,170 --> 00:22:31,540

would say if you asked a hundred people

468

00:22:35,700 --> 00:22:33,180

on the street if you've heard of MUFON

469

00:22:38,040 --> 00:22:35,710

maybe five or ten would have heard of it

470

00:22:40,770 --> 00:22:38,050

if that I believe you're right yeah

471

00:22:44,550 --> 00:22:40,780

right so that's something we really have

472

00:22:46,140 --> 00:22:44,560

to find out because if let's say we get

473

00:22:46,470 --> 00:22:46,150

a thousand reports and MUFON in one

474

00:22:49,290 --> 00:22:46,480

month

475

00:22:51,390 --> 00:22:49,300

how many sightings were there actually

476
00:22:53,520 --> 00:22:51,400
for us to have gotten a thousand if you

477
00:22:57,200 --> 00:22:53,530
understand what I'm saying right

478
00:22:59,520 --> 00:22:57,210
you know Jennifer if we're getting one

479
00:23:02,370 --> 00:22:59,530
hundredth or one thousandth of the

480
00:23:08,480 --> 00:23:02,380
sightings reporter to move on the number

481
00:23:11,370 --> 00:23:08,490
of actual sightings is huge absolutely

482
00:23:14,180 --> 00:23:11,380
you can't even can't even imagine and

483
00:23:17,610 --> 00:23:14,190
you know what percentage of that is

484
00:23:19,500 --> 00:23:17,620
unexplainable is probably still low but

485
00:23:21,830 --> 00:23:19,510
if you do the map it's probably higher

486
00:23:25,380 --> 00:23:21,840
than the people that are reporting them

487
00:23:28,470 --> 00:23:25,390
well you know I have an opinion on these

488
00:23:33,240 --> 00:23:28,480

things that are so so so-called

489

00:23:36,140 --> 00:23:33,250

explainable one of the the in the

490

00:23:40,710 --> 00:23:36,150

research I did for my book I read over

491

00:23:45,390 --> 00:23:40,720

2000 cases on orange orbs and I can tell

492

00:23:48,660 --> 00:23:45,400

you that the the vast majority of them

493

00:23:52,800 --> 00:23:48,670

were dismissed saying that was an

494

00:23:57,090 --> 00:23:52,810

identified craft such as a Chinese

495

00:23:59,430 --> 00:23:57,100

lantern a weather balloon and that sort

496

00:24:03,090 --> 00:23:59,440

of thing and I know from the description

497

00:24:05,670 --> 00:24:03,100

it wasn't either one of those it was an

498

00:24:07,380 --> 00:24:05,680

orange or they are vastly different than

499

00:24:10,080 --> 00:24:07,390

a weather balloon or a Chinese lantern

500

00:24:14,150 --> 00:24:10,090

their behavior is so a lot of these

501
00:24:18,090 --> 00:24:14,160
things that are supposedly explained

502
00:24:23,240 --> 00:24:18,100
really are not explained they what is

503
00:24:26,490 --> 00:24:23,250
offered is merely a spurious explanation

504
00:24:30,150 --> 00:24:26,500
right I you know when you're mentioning

505
00:24:32,130 --> 00:24:30,160
this a lot of times when people claim to

506
00:24:34,380 --> 00:24:32,140
have the real reason for things

507
00:24:36,440 --> 00:24:34,390
happening I was just shown an article

508
00:24:39,660 --> 00:24:36,450
now the article is old it goes back to

509
00:24:43,020 --> 00:24:39,670
2011 but there was a guy saying the

510
00:24:46,530 --> 00:24:43,030
Exeter incident Exeter is totally

511
00:24:48,930 --> 00:24:46,540
explained and I'm reading this article

512
00:24:51,270 --> 00:24:48,940
and they're talking about this this

513
00:24:54,420 --> 00:24:51,280

refueling plane and had strange lights

514

00:24:57,600 --> 00:24:54,430

on it so so there's you answer and you

515

00:25:00,900 --> 00:24:57,610

know done deal and you know and and you

516

00:25:03,240 --> 00:25:00,910

know this thing was was hovering over a

517

00:25:05,040 --> 00:25:03,250

house for forever and the police saw it

518

00:25:07,170 --> 00:25:05,050

and it came back and you know on and on

519

00:25:09,750 --> 00:25:07,180

it's it's really an amazing incident

520

00:25:11,760 --> 00:25:09,760

the whole thing and but all the people

521

00:25:14,550 --> 00:25:11,770

that read that article and just say oh

522

00:25:16,440 --> 00:25:14,560

there it is it's explained and that can

523

00:25:18,750 --> 00:25:16,450

happen many times in many ways in this

524

00:25:21,750 --> 00:25:18,760

field bring it happens in my opinion

525

00:25:23,880 --> 00:25:21,760

most of the time and when they when that

526

00:25:27,450 --> 00:25:23,890

it really bothers me that there's this

527

00:25:30,290 --> 00:25:27,460

common saying well they're probably five

528

00:25:34,230 --> 00:25:30,300

percent of these cases are unexplained

529

00:25:37,350 --> 00:25:34,240

that's not really true a much larger

530

00:25:41,100 --> 00:25:37,360

percent are unexplained and they are

531

00:25:46,050 --> 00:25:41,110

explained with some rationale that makes

532

00:25:48,810 --> 00:25:46,060

no sense I think I think I've heard

533

00:25:50,970 --> 00:25:48,820

Stanton Friedman say something along

534

00:25:53,820 --> 00:25:50,980

those lines like he's you know he goes

535

00:25:56,010 --> 00:25:53,830

by he's a very statistical person so he

536

00:25:57,710 --> 00:25:56,020

he goes by statistics and saying you

537

00:26:01,110 --> 00:25:57,720

know they said it's around here you know

538

00:26:03,960 --> 00:26:01,120

that's right he's the founder Pittsburgh

539

00:26:07,230 --> 00:26:03,970

yeah oh no no he lives and he lives in

540

00:26:09,600 --> 00:26:07,240

Edmonton Canada who am I thinking of

541

00:26:13,320 --> 00:26:09,610

then well he probably lived there at one

542

00:26:18,810 --> 00:26:13,330

time you're not thinking of I think

543

00:26:23,160 --> 00:26:18,820

you're Gordon Dan Gordon

544

00:26:26,090 --> 00:26:23,170

Stan Gordon he looked down there it

545

00:26:29,700 --> 00:26:26,100

could be yeah whatever

546

00:26:32,400 --> 00:26:29,710

yes all right so let me just ask you

547

00:26:35,970 --> 00:26:32,410

this so you you became a lawyer at one

548

00:26:39,300 --> 00:26:35,980

time and a professor and all this were

549

00:26:40,530 --> 00:26:39,310

you into the subject enough publicly at

550

00:26:47,490 --> 00:26:40,540

that point through all these different

551
00:26:51,750 --> 00:26:47,500
careers no okay I wasn't I was very much

552
00:26:54,620 --> 00:26:51,760
a believer in UFOs because of what I saw

553
00:26:57,830 --> 00:26:54,630
when I was 10 years old and also just

554
00:27:01,140 --> 00:26:57,840
through pure logic

555
00:27:05,100 --> 00:27:01,150
no it's to be it's more illogical to say

556
00:27:06,690 --> 00:27:05,110
there aren't there's no the only

557
00:27:11,270 --> 00:27:06,700
intelligent life is on earth that is

558
00:27:14,610 --> 00:27:11,280
more illogical than saying there are

559
00:27:17,430 --> 00:27:14,620
countless intelligent civilizations in

560
00:27:20,300 --> 00:27:17,440
this universe yeah that is far more

561
00:27:23,150 --> 00:27:20,310
rational I'm with you there

562
00:27:24,980 --> 00:27:23,160
that the arguments of course you've

563
00:27:26,480 --> 00:27:24,990

heard him a million times like they

564

00:27:29,120 --> 00:27:26,490

can't get there from here and there are

565

00:27:31,010 --> 00:27:29,130

vast differences but you know I've

566

00:27:34,160 --> 00:27:31,020

argued many times and not to be

567

00:27:36,290 --> 00:27:34,170

redundant but you know they you get an

568

00:27:39,140 --> 00:27:36,300

advanced intelligence will eventually

569

00:27:41,090 --> 00:27:39,150

figure out something we have not well

570

00:27:42,320 --> 00:27:41,100

you know what Einstein already figured

571

00:27:45,320 --> 00:27:42,330

it out

572

00:27:48,470 --> 00:27:45,330

because when he discovered that the

573

00:27:55,670 --> 00:27:48,480

space-time continuum is bendable mm-hmm

574

00:27:58,760 --> 00:27:55,680

and he he he speculated that we could

575

00:28:01,340 --> 00:27:58,770

create wormholes by bending space and

576

00:28:04,370 --> 00:28:01,350

these people say well you know if there

577

00:28:05,900 --> 00:28:04,380

are a million light years away there's

578

00:28:09,980 --> 00:28:05,910

no way they could ever get here that's

579

00:28:11,210 --> 00:28:09,990

true if it's linear travel hmm even if

580

00:28:13,160 --> 00:28:11,220

they travel at the speed of light it

581

00:28:16,520 --> 00:28:13,170

would take a million years but if they

582

00:28:18,020 --> 00:28:16,530

bend space right and through a wormhole

583

00:28:22,310 --> 00:28:18,030

they could be here almost

584

00:28:24,020 --> 00:28:22,320

instantaneously so that really drives me

585

00:28:26,210 --> 00:28:24,030

crazy this thing like oh it would take

586

00:28:29,320 --> 00:28:26,220

too long for them to get here if

587

00:28:32,300 --> 00:28:29,330

Einstein can can has the concept and

588

00:28:34,940 --> 00:28:32,310

worked out the numbers as to how you

589

00:28:38,690 --> 00:28:34,950

could deform a wormhole which is merely

590

00:28:41,390 --> 00:28:38,700

a black hole it's a it's a hole through

591

00:28:44,480 --> 00:28:41,400

the space-time continuum with bent space

592

00:28:46,310 --> 00:28:44,490

if he can figure that out I'm sure some

593

00:28:48,760 --> 00:28:46,320

civilization it's a thousand years ahead

594

00:28:51,560 --> 00:28:48,770

of us figured that a long time ago right

595

00:28:53,120 --> 00:28:51,570

right and you know that and the other

596

00:28:55,430 --> 00:28:53,130

thing is the energy there'd never have

597

00:28:58,240 --> 00:28:55,440

the energy and you know here's different

598

00:29:01,280 --> 00:28:58,250

arguments but you know that's a

599

00:29:03,020 --> 00:29:01,290

anthropomorphic you know that is putting

600

00:29:05,900 --> 00:29:03,030

something in human terms it doesn't

601
00:29:08,660 --> 00:29:05,910
belong there right because we're we're

602
00:29:10,640 --> 00:29:08,670
measuring how much energy we can produce

603
00:29:12,680 --> 00:29:10,650
mm-hmm and saying well we couldn't

604
00:29:15,740 --> 00:29:12,690
possibly produce that much energy you're

605
00:29:18,130 --> 00:29:15,750
right we couldn't but someone some far

606
00:29:21,260 --> 00:29:18,140
advanced civilization I'll bet can do it

607
00:29:23,360 --> 00:29:21,270
yes I've had those I did a couple of

608
00:29:25,850 --> 00:29:23,370
debates and that was part of the debate

609
00:29:29,240 --> 00:29:25,860
was um you know just the fact that we're

610
00:29:32,870 --> 00:29:29,250
thinking in our terms today and right

611
00:29:35,570 --> 00:29:32,880
not yes what these advanced so exact

612
00:29:37,220 --> 00:29:35,580
right that's exactly right so I think

613
00:29:41,240 --> 00:29:37,230

we're getting along pretty good so far

614

00:29:43,220 --> 00:29:41,250

so far so anyone listening live you can

615

00:29:47,000 --> 00:29:43,230

jump right over to our chat room just go

616

00:29:48,560 --> 00:29:47,010

to podcast UFO comm and the left's sorry

617

00:29:50,030 --> 00:29:48,570

the right sidebar you'll see our chat

618

00:29:51,530 --> 00:29:50,040

room you can jump right in and ask our

619

00:29:53,270 --> 00:29:51,540

guests to question

620

00:29:59,270 --> 00:29:53,280

wonder if they're living they're not

621

00:30:03,920 --> 00:29:59,280

alive well we'll just have that for

622

00:30:07,520 --> 00:30:03,930

another podcast yeah okay so let's let

623

00:30:10,000 --> 00:30:07,530

let's talk about your your path and what

624

00:30:15,440 --> 00:30:10,010

made you actually write this book

625

00:30:19,190 --> 00:30:15,450

well I in 2013 that's just when I was

626
00:30:21,470 --> 00:30:19,200
becoming I was about to take my exam to

627
00:30:27,800 --> 00:30:21,480
become field an investigator for MUFON

628
00:30:32,540 --> 00:30:27,810
I was in City Maryland in the last day

629
00:30:34,280 --> 00:30:32,550
of July then was July 31st and I was

630
00:30:36,740 --> 00:30:34,290
sitting out in the balcony facing we

631
00:30:41,570 --> 00:30:36,750
arere on beach front those facing the

632
00:30:44,090 --> 00:30:41,580
Atlantic Ocean and I saw to my left I

633
00:30:46,360 --> 00:30:44,100
was all by myself out there the three

634
00:30:48,950 --> 00:30:46,370
kids of my way for like in the room

635
00:30:53,330 --> 00:30:48,960
asleep and I wasn't allowed to watch TV

636
00:30:55,760 --> 00:30:53,340
so I was banished to the patio anyway on

637
00:30:57,800 --> 00:30:55,770
the balcony to my left which would be

638
00:31:03,370 --> 00:30:57,810

north since I'm facing the Atlantic

639

00:31:06,350 --> 00:31:03,380

Ocean to the north I saw an orange dot a

640

00:31:10,400 --> 00:31:06,360

great distance way and it caught my

641

00:31:13,730 --> 00:31:10,410

attention because as a pilot that is not

642

00:31:17,210 --> 00:31:13,740

a color you see in the sky you see blue

643

00:31:19,790 --> 00:31:17,220

I mean you see reds greens whites you

644

00:31:23,240 --> 00:31:19,800

know position lights in general or the

645

00:31:26,390 --> 00:31:23,250

you know the headlights of an aircraft

646

00:31:29,420 --> 00:31:26,400

but you do not see orange in the sky at

647

00:31:31,940 --> 00:31:29,430

night and so it caught my attention I

648

00:31:33,890 --> 00:31:31,950

just kept watching it and it kept

649

00:31:36,230 --> 00:31:33,900

getting bigger and bigger and bigger

650

00:31:37,700 --> 00:31:36,240

until it was I would say it's about five

651
00:31:42,140 --> 00:31:37,710
miles away from me and it was about the

652
00:31:45,860 --> 00:31:42,150
size of a full moon and it was a an

653
00:31:46,310 --> 00:31:45,870
orange sphere and it was very very

654
00:31:50,330 --> 00:31:46,320
beautiful

655
00:31:51,620 --> 00:31:50,340
for look like the Setting Sun and there

656
00:31:53,269 --> 00:31:51,630
were no lights on it

657
00:31:58,039 --> 00:31:53,279
everything was illuminated there was a

658
00:32:01,310 --> 00:31:58,049
sort of a soft pastel muted light coming

659
00:32:04,879 --> 00:32:01,320
from inside it's very pretty and it was

660
00:32:07,700 --> 00:32:04,889
about so maybe 500 feet off the ground

661
00:32:09,710 --> 00:32:07,710
and it was right along the water's edge

662
00:32:13,519 --> 00:32:09,720
about five miles away and it stopped

663
00:32:15,909 --> 00:32:13,529

there and for about a minute and then it

664

00:32:19,759 --> 00:32:15,919

headed out to sea

665

00:32:21,830 --> 00:32:19,769

I'd say went out about 10 miles then

666

00:32:25,460 --> 00:32:21,840

stopped out there and then it went into

667

00:32:30,409 --> 00:32:25,470

about a 45 degree climb up to about

668

00:32:31,249 --> 00:32:30,419

10,000 feet leveled off flew about ten

669

00:32:34,159 --> 00:32:31,259

more seconds

670

00:32:36,590 --> 00:32:34,169

level flight and then headed south east

671

00:32:42,789 --> 00:32:36,600

into a thunderstorm there was a

672

00:32:48,259 --> 00:32:46,460

was sort of speechless

673

00:32:51,470 --> 00:32:48,269

it sounds funny I was by myself but I

674

00:32:53,240 --> 00:32:51,480

didn't want to think and so I wanted to

675

00:32:55,700 --> 00:32:53,250

run in and tell everybody then I thought

676
00:32:57,980 --> 00:32:55,710
what the repercussions would be if I ran

677
00:33:00,590 --> 00:32:57,990
and woke up three kids and wife to say I

678
00:33:03,200 --> 00:33:00,600
just saw a flying saucer I don't think

679
00:33:05,330 --> 00:33:03,210
it would work out so I stayed there by

680
00:33:07,330 --> 00:33:05,340
the way I had binoculars so I was able

681
00:33:10,039 --> 00:33:07,340
to get a close look at that this thing

682
00:33:13,940 --> 00:33:10,049
about ten minutes later I saw another

683
00:33:16,669 --> 00:33:13,950
orange dot same place this thing went

684
00:33:20,889 --> 00:33:16,679
through the precise of the same flight

685
00:33:23,360 --> 00:33:20,899
pattern and in all I saw eight of them

686
00:33:27,110 --> 00:33:23,370
and they all did the same exact flight

687
00:33:29,840 --> 00:33:27,120
path exactly it was to be like what if I

688
00:33:32,180 --> 00:33:29,850

was given a flight plan in a military

689

00:33:34,850 --> 00:33:32,190

jet you know and and I was supposed to

690

00:33:36,560 --> 00:33:34,860

fly certain headings for a certain

691

00:33:39,399 --> 00:33:36,570

period of time that's exactly what that

692

00:33:42,080 --> 00:33:39,409

was so that was not a Chinese lantern

693

00:33:45,919 --> 00:33:42,090

they don't fly flight patterns they blow

694

00:33:50,389 --> 00:33:45,929

with the wind it was not a balloon and

695

00:33:53,299 --> 00:33:50,399

so and it was in my opinion I'm having

696

00:33:57,110 --> 00:33:53,309

been a pilot I I mean I try to keep up

697

00:33:59,860 --> 00:33:57,120

with aircraft development I'm quite sure

698

00:34:03,230 --> 00:33:59,870

we have nothing like that

699

00:34:06,919 --> 00:34:03,240

so I have no doubt in my mind that that

700

00:34:08,149 --> 00:34:06,929

was something not made on earth now let

701
00:34:10,339 --> 00:34:08,159
me ask you this while you were sitting

702
00:34:12,440 --> 00:34:10,349
there in you're looking out the balcony

703
00:34:15,109 --> 00:34:12,450
I read your book but I wanted you to

704
00:34:16,879 --> 00:34:15,119
tell your story yeah I read that part of

705
00:34:19,030 --> 00:34:16,889
it and you went and got your popcorn and

706
00:34:25,720 --> 00:34:19,040
all that right and they're saying

707
00:34:31,490 --> 00:34:28,730
wasn't you know what there was a camera

708
00:34:38,200 --> 00:34:31,500
in there somewhere but the room was

709
00:34:41,690 --> 00:34:38,210
completely dark and do you have kids

710
00:34:44,690 --> 00:34:41,700
yeah I have I have a grown son yes yeah

711
00:34:46,819 --> 00:34:44,700
well you know in your wife sleeping in

712
00:34:51,139 --> 00:34:46,829
room with all these kids I got it if you

713
00:34:54,950 --> 00:34:51,149

flip on understand you just don't do it

714

00:34:59,109 --> 00:34:54,960

so I felt my way back out of the dark

715

00:35:02,120 --> 00:34:59,119

room out onto the balcony again so

716

00:35:09,230 --> 00:35:02,130

that's why I didn't have a camera okay

717

00:35:13,760 --> 00:35:09,240

what it's called marital peace yeah okay

718

00:35:19,849 --> 00:35:13,770

and so yeah go ahead yeah I I dutifully

719

00:35:23,960 --> 00:35:19,859

filed my report with MUFON for Maryland

720

00:35:27,740 --> 00:35:23,970

and I got a call from the field

721

00:35:30,050 --> 00:35:27,750

investigator and we didn't talk for very

722

00:35:33,020 --> 00:35:30,060

long he said he told me it was the best

723

00:35:36,140 --> 00:35:33,030

report he's ever seen and then I told

724

00:35:41,059 --> 00:35:36,150

him I was already ready to take my field

725

00:35:43,970 --> 00:35:41,069

investigator exam so he said oh so he

726

00:35:49,760 --> 00:35:43,980

already knew I had some training but

727

00:35:51,890 --> 00:35:49,770

anyway I i talked that when I got back

728

00:35:54,589 --> 00:35:51,900

to Pennsylvania I'm from Pennsylvania in

729

00:35:57,530 --> 00:35:54,599

Pennsylvania MUFON first meeting I went

730

00:35:59,750 --> 00:35:57,540

to I was all excited about this and I

731

00:36:04,370 --> 00:35:59,760

was telling this group of people at my

732

00:36:06,470 --> 00:36:04,380

table about seeing these orange orbs and

733

00:36:07,819 --> 00:36:06,480

they all start laughing and they they

734

00:36:12,230 --> 00:36:07,829

said don't waste your time they're

735

00:36:12,839 --> 00:36:12,240

Chinese lanterns hmm and at that point I

736

00:36:19,799 --> 00:36:12,849

was

737

00:36:23,309 --> 00:36:19,809

yes or field investigators and I found

738

00:36:25,680 --> 00:36:23,319

out pretty quickly that that was the

739

00:36:27,839 --> 00:36:25,690

ubiquitous opinion throughout MUFON

740

00:36:31,769 --> 00:36:27,849

these things are not taken seriously

741

00:36:35,160 --> 00:36:31,779

they have been somebody decided they

742

00:36:37,410 --> 00:36:35,170

were Chinese lanterns and no matter what

743

00:36:39,989 --> 00:36:37,420

came along with an orange orb case the

744

00:36:44,999 --> 00:36:39,999

explanation was identified as a Chinese

745

00:36:48,779 --> 00:36:45,009

lantern and maybe you could tell that to

746

00:36:50,339 --> 00:36:48,789

someone who hasn't seen these things but

747

00:36:52,049 --> 00:36:50,349

you can't tell anybody

748

00:36:55,019 --> 00:36:52,059

there's there's nobody it's ever seen an

749

00:36:58,259 --> 00:36:55,029

orange orb there could ever be convinced

750

00:37:02,069 --> 00:36:58,269

it was a Chinese lantern it's impossible

751

00:37:05,339 --> 00:37:02,079

it couldn't be and of course this kind

752

00:37:08,969 --> 00:37:05,349

of aggravated me and because I was all

753

00:37:10,799 --> 00:37:08,979

proud of my find so I decided well you

754

00:37:11,940 --> 00:37:10,809

know I'm gonna find out what these are

755

00:37:13,650 --> 00:37:11,950

and I'm gonna come back and tell

756

00:37:16,380 --> 00:37:13,660

everybody and I thought it would take me

757

00:37:21,569 --> 00:37:16,390

a couple of weeks and it took me an

758

00:37:29,660 --> 00:37:21,579

entire year research I read over 2,000

759

00:37:34,410 --> 00:37:32,579

excuse me and the entire story just as

760

00:37:36,749 --> 00:37:34,420

the book says the complete story I

761

00:37:41,519 --> 00:37:36,759

pieced it all together as the what's

762

00:37:46,700 --> 00:37:41,529

going on I went I went back to the 1890s

763

00:37:52,289 --> 00:37:46,710

all the way up to 2013 reading cases and

764

00:37:54,529 --> 00:37:52,299

I put I put it all together and that's

765

00:37:59,009 --> 00:37:54,539

how the book came about

766

00:38:00,959 --> 00:37:59,019

okay now had you done any research or

767

00:38:04,950 --> 00:38:00,969

looked into this topic before that

768

00:38:09,150 --> 00:38:04,960

sighting you had no I did not I you know

769

00:38:10,529 --> 00:38:09,160

before I was in MUFON I remember from

770

00:38:13,259 --> 00:38:10,539

time to time I've read in the paper

771

00:38:15,839 --> 00:38:13,269

about these orange balls of light or

772

00:38:21,319 --> 00:38:15,849

sighted and then you get to the end the

773

00:38:24,089 --> 00:38:21,329

article and they say that NASA or

774

00:38:26,670 --> 00:38:24,099

whoever the official body is says these

775

00:38:29,220 --> 00:38:26,680

are things merely are Chinese lanterns

776

00:38:33,420 --> 00:38:29,230

mmm-hmm that's all I knew about it so

777

00:38:36,150 --> 00:38:33,430

for all I knew if you see back then if

778

00:38:39,420 --> 00:38:36,160

you saw a orange ball of light it was

779

00:38:41,970 --> 00:38:39,430

Chinese lantern but once I saw these

780

00:38:46,080 --> 00:38:41,980

things I knew that was a ridiculous

781

00:38:48,390 --> 00:38:46,090

explanation now sometimes you hear about

782

00:38:50,280 --> 00:38:48,400

these well one of the things you hear

783

00:38:52,440 --> 00:38:50,290

often about these is something you said

784

00:38:54,500 --> 00:38:52,450

earlier is that it was beautiful a lot

785

00:38:59,670 --> 00:38:54,510

of people are you hear people say that

786

00:39:01,980 --> 00:38:59,680

the light was an unusual light not a

787

00:39:04,170 --> 00:39:01,990

typical light that would more of a light

788

00:39:06,540 --> 00:39:04,180

that would glow than shine or something

789

00:39:09,150 --> 00:39:06,550

like along the islands it's actually I

790

00:39:11,220 --> 00:39:09,160

would describe it as mesmerizing you

791

00:39:13,440 --> 00:39:11,230

really can't take your eyes off of it

792

00:39:15,440 --> 00:39:13,450

when you see it and and then the other

793

00:39:17,850 --> 00:39:15,450

thing that puzzles me is for instance

794

00:39:20,240 --> 00:39:17,860

let's talk quickly about the Phoenix

795

00:39:24,120 --> 00:39:20,250

lights there at that comment was made

796

00:39:27,420 --> 00:39:24,130

also from I think dr. Lynn two-tire

797

00:39:30,210 --> 00:39:27,430

someone said something about their they

798

00:39:32,430 --> 00:39:30,220

were mesmerizing or beautiful but some

799

00:39:36,450 --> 00:39:32,440

people were saying that you could see

800

00:39:38,250 --> 00:39:36,460

through the craft like to the other side

801
00:39:41,520 --> 00:39:38,260
and some people said that it was like

802
00:39:44,670 --> 00:39:41,530
waves and a lot of times you do hear

803
00:39:47,670 --> 00:39:44,680
about triangular formation of these orbs

804
00:39:49,800 --> 00:39:47,680
and sometimes people say that you can

805
00:39:52,950 --> 00:39:49,810
see through them sometimes people say

806
00:39:55,620 --> 00:39:52,960
they block out the light any comments on

807
00:39:57,780 --> 00:39:55,630
that yeah I don't know what to mean by

808
00:39:59,790 --> 00:39:57,790
they block out the light I'm sorry

809
00:40:03,090 --> 00:39:59,800
starlight oh yeah

810
00:40:07,020 --> 00:40:03,100
well yeah you you can't they they are

811
00:40:09,780 --> 00:40:07,030
somewhat translucent yeah you do you can

812
00:40:14,070 --> 00:40:09,790
see you can see something inside and a

813
00:40:19,770 --> 00:40:14,080

lot of people see something that's kind

814

00:40:21,810 --> 00:40:19,780

of a dark spot in the middle and I you

815

00:40:27,480 --> 00:40:21,820

know once I did all my research I I

816

00:40:31,460 --> 00:40:27,490

found out what that was and but the

817

00:40:36,450 --> 00:40:31,470

Phoenix lights were were orange and

818

00:40:37,980 --> 00:40:36,460

orange orbs they want to be seen that's

819

00:40:40,410 --> 00:40:37,990

what you if you want to understand

820

00:40:44,730 --> 00:40:40,420

orange orbs orange orbs one

821

00:40:48,360 --> 00:40:44,740

to be seen they have picked a color in a

822

00:40:50,790 --> 00:40:48,370

shape that they know people are going to

823

00:40:53,130 --> 00:40:50,800

look at because it's an unusual color in

824

00:40:57,450 --> 00:40:53,140

the nighttime sky and then they do

825

00:41:02,760 --> 00:40:57,460

things to entertain people they form in

826

00:41:04,980 --> 00:41:02,770

they in the cases I've read they I've

827

00:41:06,960 --> 00:41:04,990

read descriptions where they get into a

828

00:41:10,500 --> 00:41:06,970

square then they quickly shift they're

829

00:41:14,250 --> 00:41:10,510

in a triangle then they get arranged

830

00:41:16,710 --> 00:41:14,260

themselves in a circle and they almost

831

00:41:18,990 --> 00:41:16,720

look a lot of people say it almost looks

832

00:41:22,710 --> 00:41:19,000

like they're dancing together they do

833

00:41:29,600 --> 00:41:22,720

funny little things and they are known

834

00:41:37,620 --> 00:41:31,740

they will blink out and all of a sudden

835

00:41:40,620 --> 00:41:37,630

I'd be the Big Dipper you know and they

836

00:41:43,080 --> 00:41:40,630

they are up there to be seen that that's

837

00:41:45,150 --> 00:41:43,090

what you have to understand and that was

838

00:41:47,670 --> 00:41:45,160

that's why orange orbs are much

839

00:41:51,800 --> 00:41:47,680

different than anything that's ever come

840

00:41:56,900 --> 00:41:51,810

into our skies before because prior to

841

00:42:00,260 --> 00:41:56,910

the influx of these orange orbs seeing a

842

00:42:04,200 --> 00:42:00,270

flying saucer was a very very rare thing

843

00:42:06,900 --> 00:42:04,210

you know and usually it was some sort of

844

00:42:09,240 --> 00:42:06,910

blurry picture hang on just a moment we

845

00:42:11,240 --> 00:42:09,250

have an incoming call let me know make

846

00:42:16,830 --> 00:42:11,250

sure this is about this show hang on

847

00:42:20,760 --> 00:42:16,840

yes you're on the air at podcast UFO Who

848

00:42:23,460 --> 00:42:20,770

am I speaking with they're gone

849

00:42:25,590 --> 00:42:23,470

okay it was a New York City number hey

850

00:42:28,020 --> 00:42:25,600

since I already interrupted you let me

851
00:42:30,420 --> 00:42:28,030
ask you a couple message couple

852
00:42:32,460 --> 00:42:30,430
questions up on the message board one

853
00:42:36,990 --> 00:42:32,470
was a question I was gonna ask you also

854
00:42:39,210 --> 00:42:37,000
but have you concluded what the

855
00:42:43,050 --> 00:42:39,220
differences are between the red and

856
00:42:46,500 --> 00:42:43,060
orange orbs or are they the same no

857
00:42:50,660 --> 00:42:46,510
they're not the same the orange orbs are

858
00:42:54,180 --> 00:42:50,670
they are the big ones they they can be

859
00:43:00,270 --> 00:42:54,190
the diameter of a football field

860
00:43:02,430 --> 00:43:00,280
the red orbs are they are what I'd call

861
00:43:04,410 --> 00:43:02,440
or drones they're small things they're

862
00:43:06,480 --> 00:43:04,420
usually about the size though of a

863
00:43:11,760 --> 00:43:06,490

softball up to about the size of a

864

00:43:15,650 --> 00:43:11,770

basketball and these things come up

865

00:43:18,450 --> 00:43:15,660

they're very up close and personal they

866

00:43:21,750 --> 00:43:18,460

they come right at it come right up to a

867

00:43:24,870 --> 00:43:21,760

person and there are a few inches from a

868

00:43:27,270 --> 00:43:24,880

person's face they move all around their

869

00:43:31,950 --> 00:43:27,280

body it's almost as though they're

870

00:43:38,970 --> 00:43:31,960

scanning them and then they they skip

871

00:43:42,960 --> 00:43:38,980

away and they saw a red one red orb when

872

00:43:47,250 --> 00:43:42,970

I was coming back from Cleveland Ohio I

873

00:43:48,720 --> 00:43:47,260

was on yo hyou Turnpike and I don't know

874

00:43:50,880 --> 00:43:48,730

how far you've gotten in a book but

875

00:43:55,770 --> 00:43:50,890

there is an underwater orange orb base

876

00:44:00,480 --> 00:43:55,780

in Lake Erie and I saw coming from Lake

877

00:44:02,640 --> 00:44:00,490

Erie this red thing that moved it went

878

00:44:06,799 --> 00:44:02,650

from Horizon to Horizon in about two

879

00:44:11,130 --> 00:44:06,809

seconds and it was one of these little

880

00:44:14,849 --> 00:44:11,140

red drones they're they're they're orbs

881

00:44:18,390 --> 00:44:14,859

the red spheres but there's there's

882

00:44:22,559 --> 00:44:18,400

nobody in there there I think they're

883

00:44:25,950 --> 00:44:22,569

being manipulated from another place

884

00:44:29,849 --> 00:44:25,960

orange orbs have something in there

885

00:44:32,309 --> 00:44:29,859

there are vehicles inside of them mm-hmm

886

00:44:35,220 --> 00:44:32,319

so that's the difference there are two

887

00:44:37,440 --> 00:44:35,230

completely different things okay I'm

888

00:44:39,839 --> 00:44:37,450

gonna ask you why you think that but

889

00:44:43,260 --> 00:44:39,849

first of all I didn't want to go too far

890

00:44:45,390 --> 00:44:43,270

because a question up there and one I

891

00:44:48,990 --> 00:44:45,400

had in mind too is can you explain the

892

00:44:57,480 --> 00:44:49,000

dark spot yeah the dark spot is the

893

00:44:59,309 --> 00:44:57,490

vehicle the the orb is not the UFO there

894

00:45:04,799 --> 00:44:59,319

have been a number of people that have

895

00:45:07,650 --> 00:45:04,809

seen what it what the orange orb is is a

896

00:45:12,059 --> 00:45:07,660

cloak that the vehicle

897

00:45:13,200 --> 00:45:12,069

projects around itself and there have

898

00:45:16,980 --> 00:45:13,210

been a number of people that have

899

00:45:19,980 --> 00:45:16,990

watched this happen they see some sort

900

00:45:22,770 --> 00:45:19,990

of craft you know they sit in the sky

901
00:45:27,500 --> 00:45:22,780
it's somewhat often described as

902
00:45:30,390 --> 00:45:27,510
metallic looking and then this discharge

903
00:45:32,370 --> 00:45:30,400
which some people describe as a plasma

904
00:45:35,069 --> 00:45:32,380
looking thing comes out at the bottom of

905
00:45:38,400 --> 00:45:35,079
the craft it comes down around a craft

906
00:45:42,329 --> 00:45:38,410
up around it and envelops the craft and

907
00:45:47,370 --> 00:45:42,339
forms a sphere around it so what you're

908
00:45:51,150 --> 00:45:47,380
seeing the dark spot is a vehicle you

909
00:45:53,609 --> 00:45:51,160
know a space vehicle so the or all the

910
00:45:56,279 --> 00:45:53,619
orange part all that is is a cloak

911
00:45:59,039 --> 00:45:56,289
around a vehicle and another interesting

912
00:46:02,250 --> 00:45:59,049
thing is I have a picture of this by the

913
00:46:05,510 --> 00:46:02,260

way that case I investigated there can

914

00:46:08,069 --> 00:46:05,520

be any number of crafts inside an orb I

915

00:46:12,420 --> 00:46:08,079

have a picture of one with about 12

916

00:46:17,130 --> 00:46:12,430

crafts inside of it and and how do you

917

00:46:19,380 --> 00:46:17,140

see that there very this is a very good

918

00:46:22,260 --> 00:46:19,390

picture of it I mean you can see it

919

00:46:25,740 --> 00:46:22,270

through the orange membrane you can see

920

00:46:30,299 --> 00:46:25,750

the various vehicles in there really

921

00:46:33,660 --> 00:46:30,309

yeah and here's how orbs are often

922

00:46:35,730 --> 00:46:33,670

described as splitting into two and then

923

00:46:38,039 --> 00:46:35,740

merging back into one or splitting into

924

00:46:41,490 --> 00:46:38,049

four yeah I can so I can tell you how

925

00:46:45,779 --> 00:46:41,500

that works with the let's say there's

926
00:46:49,680 --> 00:46:45,789
five crafts five vehicles inside this

927
00:46:52,349 --> 00:46:49,690
orb okay and one of the vehicles is

928
00:46:56,460 --> 00:46:52,359
going to leave what it does is it cloaks

929
00:46:57,690 --> 00:46:56,470
itself and then leaves that orb are you

930
00:47:01,680 --> 00:46:57,700
with me mm-hmm

931
00:47:03,779 --> 00:47:01,690
and so it looks like there is an orb

932
00:47:07,349 --> 00:47:03,789
splitting but all it is is a cloaked

933
00:47:11,670 --> 00:47:07,359
vehicle leaving that orb being cloaked

934
00:47:13,730 --> 00:47:11,680
itself are you with me okay that's how

935
00:47:17,940 --> 00:47:13,740
it works

936
00:47:20,579 --> 00:47:17,950
and and if it goes back in it can go

937
00:47:21,450 --> 00:47:20,589
back at the so this now you have a large

938
00:47:24,120 --> 00:47:21,460

herb

939

00:47:26,730 --> 00:47:24,130

small war beside it they can make this

940

00:47:29,430 --> 00:47:26,740

orb any size by the way some of them

941

00:47:32,220 --> 00:47:29,440

they blow them up to be huge some of

942

00:47:35,430 --> 00:47:32,230

them are just barely enough to cover the

943

00:47:37,260 --> 00:47:35,440

craft so there are different sizes to

944

00:47:40,349 --> 00:47:37,270

these things obviously if you have if

945

00:47:43,920 --> 00:47:40,359

there's like 1012 vehicles inside this

946

00:47:47,730 --> 00:47:43,930

it's a pretty big pumped up orb you know

947

00:47:50,280 --> 00:47:47,740

it's a large sized orb but that's that's

948

00:47:55,500 --> 00:47:50,290

what's going on they what if a vehicle

949

00:47:57,120 --> 00:47:55,510

leaves the main orb it forms its own war

950

00:48:01,980 --> 00:47:57,130

before it leaves so it looks like

951
00:48:04,620 --> 00:48:01,990
there's two words dot alright well how

952
00:48:07,109 --> 00:48:04,630
are you just just a question for you and

953
00:48:11,880 --> 00:48:07,119
how are you you sound very definitive

954
00:48:16,500 --> 00:48:11,890
first of all yeah I went crazy for a

955
00:48:20,430 --> 00:48:16,510
year okay it was a total obsession with

956
00:48:21,420 --> 00:48:20,440
me I just I've read over 2,000 cases you

957
00:48:24,750 --> 00:48:21,430
know how long that takes

958
00:48:27,390 --> 00:48:24,760
yeah and I don't think anyone else ever

959
00:48:29,910 --> 00:48:27,400
did this before now before we get off of

960
00:48:33,329 --> 00:48:29,920
that right there how where did you were

961
00:48:35,730 --> 00:48:33,339
all these MUFON cases yeah are the files

962
00:48:38,960 --> 00:48:35,740
readily available to anyone or just

963
00:48:41,910 --> 00:48:38,970

because you're a field investigator

964

00:48:45,750 --> 00:48:41,920

because I'm a field investigator I can

965

00:48:48,270 --> 00:48:45,760

get everything you know I have my own ID

966

00:48:54,810 --> 00:48:48,280

number right I get into the the private

967

00:49:00,260 --> 00:48:54,820

files and I'm able to extract the field

968

00:49:03,120 --> 00:49:00,270

investigators report all the excuse me

969

00:49:07,500 --> 00:49:03,130

all the documents are attached all the

970

00:49:10,050 --> 00:49:07,510

photos videos I can get all that so the

971

00:49:12,420 --> 00:49:10,060

average person couldn't do that the

972

00:49:14,160 --> 00:49:12,430

average field investigator could do that

973

00:49:17,940 --> 00:49:14,170

but that's generally not what field

974

00:49:21,329 --> 00:49:17,950

investigators do they sort of our sort

975

00:49:24,750 --> 00:49:21,339

of one and done you know what what I did

976

00:49:29,130 --> 00:49:24,760

is is something that I'm trying to

977

00:49:33,260 --> 00:49:29,140

encourage in MUFON we have I don't know

978

00:49:35,380 --> 00:49:33,270

how maybe a million cases or more but

979

00:49:38,589 --> 00:49:35,390

almost nobody connects the

980

00:49:41,109 --> 00:49:38,599

dots do you understand what I'm saying

981

00:49:44,410 --> 00:49:41,119

they're just you know it's a sky full of

982

00:49:46,390 --> 00:49:44,420

stars no one's drawing the lines and

983

00:49:50,410 --> 00:49:46,400

these things and what I did that is

984

00:49:52,420 --> 00:49:50,420

unique in UFO research is that I

985

00:49:55,059 --> 00:49:52,430

connected all the dots with the orange

986

00:49:57,690 --> 00:49:55,069

orbs to form a complete story of it

987

00:49:59,079 --> 00:49:57,700

I think we need to do more of that

988

00:50:03,759 --> 00:49:59,089

mm-hmm

989

00:50:05,140 --> 00:50:03,769

it gives you a context now you you were

990

00:50:07,480 --> 00:50:05,150

saying that the orange orbs are

991

00:50:10,990 --> 00:50:07,490

generally larger but I have heard people

992

00:50:12,819 --> 00:50:11,000

talk maybe they've got the colors wrong

993

00:50:17,079 --> 00:50:12,829

or whatever but people have talked about

994

00:50:19,839 --> 00:50:17,089

a small or in a house or yeah in a

995

00:50:22,870 --> 00:50:19,849

backyard right I think there's this

996

00:50:24,700 --> 00:50:22,880

quite a story I think about some little

997

00:50:28,390 --> 00:50:24,710

girl in the backyard and in Horeb maybe

998

00:50:33,160 --> 00:50:28,400

she was hurt or something are you

999

00:50:35,109 --> 00:50:33,170

familiar with that one well I'd have to

1000

00:50:40,960 --> 00:50:35,119

get the details I've read so many of

1001
00:50:42,819 --> 00:50:40,970
these I'm sure I read it how how when

1002
00:50:45,579 --> 00:50:42,829
you have been talking about you know the

1003
00:50:49,690 --> 00:50:45,589
vehicles inside the the orbs how is that

1004
00:50:51,730 --> 00:50:49,700
being received by other people other

1005
00:50:55,240 --> 00:50:51,740
investigator how's your book you know

1006
00:50:56,950 --> 00:50:55,250
what the average the average person on

1007
00:51:02,950 --> 00:50:56,960
the street I think is more open-minded

1008
00:51:06,069 --> 00:51:02,960
about it then the the MUFON is because

1009
00:51:09,880 --> 00:51:06,079
MUFON has been around a long long time

1010
00:51:11,799 --> 00:51:09,890
you know since the 1960s and you know

1011
00:51:13,359 --> 00:51:11,809
there's sort of like any organization

1012
00:51:16,960 --> 00:51:13,369
efforts been around for a long time

1013
00:51:17,559 --> 00:51:16,970

I think they develop groupthink on

1014

00:51:19,859 --> 00:51:17,569

things

1015

00:51:25,120 --> 00:51:19,869

mm-hm and you know there's sort of this

1016

00:51:28,200 --> 00:51:25,130

understanding among you know the members

1017

00:51:32,380 --> 00:51:28,210

that 13 certain things are a certain way

1018

00:51:34,749 --> 00:51:32,390

and it's they're not in my opinion as

1019

00:51:36,339 --> 00:51:34,759

open-minded as they should be maybe they

1020

00:51:39,039 --> 00:51:36,349

were in the very beginning but I think

1021

00:51:42,430 --> 00:51:39,049

there are people that have just been in

1022

00:51:45,519 --> 00:51:42,440

you know in a in a move on for like 40

1023

00:51:48,910 --> 00:51:45,529

50 years and they're kind of like set in

1024

00:51:53,110 --> 00:51:48,920

their mind what is what and

1025

00:52:01,080 --> 00:51:53,120

they really aren't many are not open to

1026

00:52:04,480 --> 00:52:01,090

new suggestions so once I explained it I

1027

00:52:06,160 --> 00:52:04,490

think they'd be they don't want to admit

1028

00:52:08,320 --> 00:52:06,170

that it makes any sense but I can see

1029

00:52:12,480 --> 00:52:08,330

from the look in their eye it makes

1030

00:52:15,190 --> 00:52:12,490

sense now so you read these 2000 cases

1031

00:52:18,970 --> 00:52:15,200

yeah but I I and I understand that

1032

00:52:21,270 --> 00:52:18,980

that's a big huge undertaking but what

1033

00:52:23,680 --> 00:52:21,280

made you come to certain conclusions

1034

00:52:25,840 --> 00:52:23,690

let's go back to the vehicles for

1035

00:52:29,200 --> 00:52:25,850

instances because they were splitting

1036

00:52:30,850 --> 00:52:29,210

off which I have heard before you know

1037

00:52:32,530 --> 00:52:30,860

that type of thing or what what made you

1038

00:52:36,190 --> 00:52:32,540

come up with these different conclusions

1039

00:52:41,590 --> 00:52:36,200

that all the various descriptions that I

1040

00:52:43,930 --> 00:52:41,600

read of of orb activity once you I want

1041

00:52:46,600 --> 00:52:43,940

to read the book you have my book now

1042

00:52:50,230 --> 00:52:46,610

and I I include just a small number of

1043

00:52:53,590 --> 00:52:50,240

cases in there probably I don't know 100

1044

00:52:54,610 --> 00:52:53,600

or so but they are representative they

1045

00:52:57,850 --> 00:52:54,620

will soar in all the cases the

1046

00:53:01,000 --> 00:52:57,860

representative of how ident I identified

1047

00:53:04,840 --> 00:53:01,010

certain things mm-hmm

1048

00:53:08,560 --> 00:53:04,850

in terms of or behavior or you know what

1049

00:53:11,860 --> 00:53:08,570

they do and as I said I I connected the

1050

00:53:14,440 --> 00:53:11,870

dots I read you know I started seeing

1051

00:53:18,190 --> 00:53:14,450

certain things repeated a number of

1052

00:53:19,990 --> 00:53:18,200

times the same thing you know and I just

1053

00:53:22,420 --> 00:53:20,000

started piecing this whole thing

1054

00:53:25,480 --> 00:53:22,430

together until I got a really good

1055

00:53:27,790 --> 00:53:25,490

picture of what's going on these words

1056

00:53:31,090 --> 00:53:27,800

what they do you know what the cloaks

1057

00:53:33,790 --> 00:53:31,100

are all about even you know the traffic

1058

00:53:37,750 --> 00:53:33,800

patterns I was able to establish what

1059

00:53:39,970 --> 00:53:37,760

their traffic patterns were by going

1060

00:53:42,280 --> 00:53:39,980

through each case and noting the

1061

00:53:46,320 --> 00:53:42,290

direction they were coming from and

1062

00:53:50,710 --> 00:53:46,330

going to and I was able to figure out

1063

00:53:52,090 --> 00:53:50,720

they come the the orbs in the United

1064

00:53:55,630 --> 00:53:52,100

States come from four different

1065

00:54:01,140 --> 00:53:55,640

locations and I was able to determine

1066

00:54:05,579 --> 00:54:04,109

you know what we have we have about 6

1067

00:54:07,769 --> 00:54:05,589

minutes left to the top of the hour and

1068

00:54:10,920 --> 00:54:07,779

I just realized that you were gonna make

1069

00:54:13,440 --> 00:54:10,930

some type of announcement yes okay go

1070

00:54:14,700 --> 00:54:13,450

ahead far away well this is actually a

1071

00:54:17,579 --> 00:54:14,710

life lesson to everybody that's

1072

00:54:19,920 --> 00:54:17,589

listening often people say well you know

1073

00:54:22,680 --> 00:54:19,930

what can one person do you know there's

1074

00:54:24,599 --> 00:54:22,690

a problem what can one person do well

1075

00:54:29,430 --> 00:54:24,609

this is a good story as to what person

1076

00:54:35,130 --> 00:54:29,440

one person can do as I said in 2013 when

1077

00:54:39,359 --> 00:54:35,140

I saw these weren't orbs the almost

1078

00:54:44,609 --> 00:54:39,369

accepted dogma of MUFON is that they are

1079

00:54:48,269 --> 00:54:44,619

Chinese lanterns and since my book came

1080

00:54:51,299 --> 00:54:48,279

out it's been but it's been doing very

1081

00:54:53,789 --> 00:54:51,309

well worldwide and a number of field

1082

00:54:56,549 --> 00:54:53,799

investigators are reading it and it's

1083

00:54:58,559 --> 00:54:56,559

made it made its way all the way up to

1084

00:55:04,460 --> 00:54:58,569

the state directors and then to MUFON

1085

00:55:09,019 --> 00:55:04,470

headquarters and I have sort of

1086

00:55:12,599 --> 00:55:09,029

accumulated some disciples who are

1087

00:55:15,900 --> 00:55:12,609

picking up on what I did and some of

1088

00:55:22,009 --> 00:55:15,910

them are connected with the headquarters

1089

00:55:27,989 --> 00:55:22,019

and the the powers that be have become

1090

00:55:29,970 --> 00:55:27,999

so so influenced by my book and some of

1091

00:55:33,120 --> 00:55:29,980

the work that some other people are

1092

00:55:36,739 --> 00:55:33,130

doing that after they read my book they

1093

00:55:41,599 --> 00:55:36,749

sort of began doing what I'm doing that

1094

00:55:43,799 --> 00:55:41,609

MUFON headquarters mmm out in California

1095

00:55:47,539 --> 00:55:43,809

has decided to do something they've

1096

00:55:50,460 --> 00:55:47,549

never done before they are forming a

1097

00:55:56,329 --> 00:55:50,470

specific research project they're gonna

1098

00:55:59,670 --> 00:55:56,339

call it project Orange created to study

1099

00:56:04,380 --> 00:55:59,680

one phenomenon and that is the orange

1100

00:56:09,539 --> 00:56:04,390

orb phenomenon and there are four

1101

00:56:12,799 --> 00:56:09,549

members right now I'm a member bill

1102

00:56:14,880 --> 00:56:12,809

burns is a member I'm sure you know bill

1103

00:56:19,259 --> 00:56:14,890

you know bill bill

1104

00:56:21,980 --> 00:56:19,269

tired lasting bill birnes he does UFO

1105

00:56:26,190 --> 00:56:21,990

magazine and he was on UFO Hunters is a

1106

00:56:29,940 --> 00:56:26,200

show in a couple yeah yeah he's like mr.

1107

00:56:32,069 --> 00:56:29,950

UFO mm-hmm and there's a guy by name of

1108

00:56:35,519 --> 00:56:32,079

Bob spearing he's from New Jersey

1109

00:56:40,279 --> 00:56:35,529

he he he read my book and it sort of

1110

00:56:47,640 --> 00:56:44,670

detailed work using a lot of computer

1111

00:56:50,220 --> 00:56:47,650

apps to sort of piece together the

1112

00:56:53,220 --> 00:56:50,230

things that I was doing he's used Excel

1113

00:56:58,529 --> 00:56:53,230

and spreadsheets and all sorts of things

1114

00:57:02,099 --> 00:56:58,539

he is on the a project member and Erica

1115

00:57:06,269 --> 00:57:02,109

Luke's mmm she's a state director for in

1116

00:57:08,460 --> 00:57:06,279

Utah and she also works with MUFON

1117

00:57:16,049 --> 00:57:08,470

headquarters she's also on the project

1118

00:57:19,920 --> 00:57:16,059

so that is a 180-degree turn that was

1119

00:57:22,740 --> 00:57:19,930

made since last October in your book was

1120

00:57:24,359 --> 00:57:22,750

released when October of last year okay

1121

00:57:26,519 --> 00:57:24,369

so that's what you're talking about this

1122

00:57:28,890 --> 00:57:26,529

has made a tremendous difference and new

1123

00:57:30,930 --> 00:57:28,900

thinking and move on it really has to

1124

00:57:31,740 --> 00:57:30,940

the point that they're doing something

1125

00:57:34,499 --> 00:57:31,750

never did before

1126
00:57:38,210 --> 00:57:34,509
we're gonna have Project Orange yeah you

1127
00:57:43,579 --> 00:57:38,220
know and it's we're going to do a lot of

1128
00:57:46,710 --> 00:57:43,589
in-depth studies documentation you know

1129
00:57:49,259 --> 00:57:46,720
we're gonna be going on you know various

1130
00:57:53,099 --> 00:57:49,269
investigations I want to hear one of the

1131
00:57:57,809 --> 00:57:53,109
first things we're gonna do sure what we

1132
00:58:02,190 --> 00:57:57,819
want to do is completely do away with

1133
00:58:03,660 --> 00:58:02,200
this Chinese lantern thing you know

1134
00:58:07,680 --> 00:58:03,670
we've got to get rid of that idea and

1135
00:58:09,359 --> 00:58:07,690
move on and what we're gonna do is Bob

1136
00:58:12,359 --> 00:58:09,369
spearing and I are working on this in

1137
00:58:16,829 --> 00:58:12,369
particular we are going to do a map of

1138
00:58:20,430 --> 00:58:16,839

the United States and find the hot spots

1139

00:58:24,690 --> 00:58:20,440

there are places that orange orbs visit

1140

00:58:26,009 --> 00:58:24,700

daily people come they know where to

1141

00:58:28,829 --> 00:58:26,019

stand and they'll see them come out

1142

00:58:32,670 --> 00:58:28,839

every night what we're doing is we're

1143

00:58:33,209 --> 00:58:32,680

going to map them and what we're gonna

1144

00:58:38,160 --> 00:58:33,219

do

1145

00:58:41,059 --> 00:58:38,170

year or if you get in this far in the

1146

00:58:44,700 --> 00:58:41,069

book what night of the year that the

1147

00:58:45,150 --> 00:58:44,710

sightings go up a thousand fold wasn't

1148

00:58:48,239 --> 00:58:45,160

it

1149

00:58:50,630 --> 00:58:48,249

July fourth right fourth of July that's

1150

00:58:53,339 --> 00:58:50,640

because the herbs want to be seen and

1151

00:58:54,359 --> 00:58:53,349

they know that probably two hundred

1152

00:58:55,650 --> 00:58:54,369

thirty million people gonna be looking

1153

00:58:57,749 --> 00:58:55,660

at the sky that night

1154

00:59:00,719 --> 00:58:57,759

I've also many people argued that that's

1155

00:59:02,789 --> 00:59:00,729

when Chinese lanterns are out there I've

1156

00:59:04,289 --> 00:59:02,799

heard that argument just to just to

1157

00:59:07,170 --> 00:59:04,299

throw it or they can make the argument

1158

00:59:09,390 --> 00:59:07,180

but if you look at the characteristics

1159

00:59:13,380 --> 00:59:09,400

of what a Chinese Lantern does in orange

1160

00:59:16,049 --> 00:59:13,390

orb does it's sort of like comparing a

1161

00:59:18,839 --> 00:59:16,059

bird to a blimp you know what I mean

1162

00:59:21,209 --> 00:59:18,849

they are they're nothing alike

1163

00:59:25,469 --> 00:59:21,219

I mean if once you see an orange orb you

1164

00:59:26,969 --> 00:59:25,479

will never say that you'll laugh when

1165

00:59:30,539 --> 00:59:26,979

someone says that was a Chinese lantern

1166

00:59:33,209 --> 00:59:30,549

they were so different but anyway what

1167

00:59:36,779 --> 00:59:33,219

we're gonna do is we're going to publish

1168

00:59:38,279 --> 00:59:36,789

this map throughout the country you know

1169

00:59:41,999 --> 00:59:38,289

through news media and everything and

1170

00:59:44,390 --> 00:59:42,009

and and tell people to go this coming

1171

00:59:47,370 --> 00:59:44,400

fourth of July to one of the hotspots

1172

00:59:49,620 --> 00:59:47,380

take their cameras take their videos and

1173

00:59:52,739 --> 00:59:49,630

I predict we're going to get a lot of

1174

00:59:55,829 --> 00:59:52,749

converts this fourth of July hmm about

1175

00:59:57,660 --> 00:59:55,839

that do you for the first hour listen do

1176

01:00:01,380 --> 00:59:57,670

you have a website you can throw out

1177

01:00:05,219 --> 01:00:01,390

there or where to get your book I'll

1178

01:00:07,620 --> 01:00:05,229

tell you Amazon or Barnes and Noble

1179

01:00:12,120 --> 01:00:07,630

whatever but I would like to recommend

1180

01:00:15,599 --> 01:00:12,130

that you get it on the MUFON bookstore

1181

01:00:17,579 --> 01:00:15,609

online because the money goes to move on

1182

01:00:20,489 --> 01:00:17,589

you know rather than make it an Amazon

1183

01:00:25,019 --> 01:00:20,499

rich I would rather see move on get the

1184

01:00:29,239 --> 01:00:25,029

money so I would suggest they go to the

1185

01:00:32,219 --> 01:00:29,249

it's called arc star AR SI st AR but if

1186

01:00:35,039 --> 01:00:32,229

the easiest ways is just to go to the

1187

01:00:39,049 --> 01:00:35,049

move on website anyone can find a MUFON

1188

01:00:42,000 --> 01:00:39,059

comm and you will see on their books

1189

01:00:44,940 --> 01:00:42,010

just click on books and

1190

01:00:47,970 --> 01:00:44,950

I'm the number one seller there all

1191

01:00:49,710 --> 01:00:47,980

right that's it for this hour and hang

1192

01:01:25,849 --> 01:00:49,720

in there after the music break for our

1193

01:01:31,650 --> 01:01:28,560

well that was by Carrie Lord white house

1194

01:01:33,240 --> 01:01:31,660

he is uh in Ireland and he supplies some

1195

01:01:35,460 --> 01:01:33,250

of our music and that was probably for

1196

01:01:38,430 --> 01:01:35,470

some movie he does a lot of music for

1197

01:01:41,069 --> 01:01:38,440

different movies kind of spooky and

1198

01:01:44,460 --> 01:01:41,079

mesmerizing once again so we're back

1199

01:01:47,040 --> 01:01:44,470

with Terry ray and this hour we're going

1200

01:01:50,550 --> 01:01:47,050

to be I'm hitting on a subject that has

1201

01:01:52,170 --> 01:01:50,560

to do with what is valid UFO evidence

1202

01:01:54,390 --> 01:01:52,180

we're going to touch on that and a

1203

01:01:56,550 --> 01:01:54,400

number of other things and continue to

1204

01:02:00,329 --> 01:01:56,560

talk about Terry you're back aren't you

1205

01:02:02,460 --> 01:02:00,339

I am back and I would like to have you

1206

01:02:04,290 --> 01:02:02,470

pick out a couple of cases and talk

1207

01:02:07,980 --> 01:02:04,300

about them that you wrote in your book

1208

01:02:11,450 --> 01:02:07,990

just one in particular that you find is

1209

01:02:19,920 --> 01:02:11,460

a really interesting case of you would

1210

01:02:20,670 --> 01:02:19,930

okay one one case let me back up a

1211

01:02:23,780 --> 01:02:20,680

second there

1212

01:02:27,000 --> 01:02:23,790

there have been landings of these orbs

1213

01:02:29,880 --> 01:02:27,010

which means the vehicle has landed you

1214

01:02:34,319 --> 01:02:29,890

know which it is in the cloak with the

1215

01:02:39,690 --> 01:02:34,329

orb anyway and there there have been a

1216

01:02:41,370 --> 01:02:39,700

number of people that have seen the the

1217

01:02:44,520 --> 01:02:41,380

the people whatever you want to call

1218

01:02:49,589 --> 01:02:44,530

them the beings that are piloting these

1219

01:02:53,370 --> 01:02:49,599

orbs have seen them come out in very

1220

01:02:59,099 --> 01:02:53,380

close proximity there are two types

1221

01:03:01,980 --> 01:02:59,109

there are is the the tall the tall being

1222

01:03:06,030 --> 01:03:01,990

there about eight to nine feet tall they

1223

01:03:09,870 --> 01:03:06,040

were a black shiny skin tight suit of

1224

01:03:12,630 --> 01:03:09,880

some kind and they are very very strong

1225

01:03:14,700 --> 01:03:12,640

and there's their suit as short a shiny

1226

01:03:18,569 --> 01:03:14,710

black material and then there are the

1227

01:03:22,309 --> 01:03:18,579

smaller ones and they are about four

1228

01:03:25,740 --> 01:03:22,319

feet tall and they are a lighter color

1229

01:03:28,349 --> 01:03:25,750

and no one is quite sure what exactly

1230

01:03:30,150 --> 01:03:28,359

they have on their skin and whether it's

1231

01:03:34,890 --> 01:03:30,160

just skin or whatever it is

1232

01:03:38,010 --> 01:03:34,900

anyway here's the point there are here's

1233

01:03:41,000 --> 01:03:38,020

here's an example of

1234

01:03:45,660 --> 01:03:41,010

in case where these were seen together

1235

01:03:49,920 --> 01:03:45,670

it was a I'm trying to think I think it

1236

01:03:52,160 --> 01:03:49,930

was North Carolina I don't I don't

1237

01:03:58,440 --> 01:03:52,170

remember but I think it was there was a

1238

01:04:01,860 --> 01:03:58,450

was a farmhouse and they saw from the

1239

01:04:04,080 --> 01:04:01,870

orbs the orange orbs going overhead and

1240

01:04:05,820 --> 01:04:04,090

there was two there if you came out

1241

01:04:08,490 --> 01:04:05,830

their front door to their right there is

1242

01:04:11,940 --> 01:04:08,500

a big tall Hill that's pretty steep hill

1243

01:04:14,610 --> 01:04:11,950

and looked like the orange orb landed up

1244

01:04:17,070 --> 01:04:14,620

there so they climbed up the hill it was

1245

01:04:20,550 --> 01:04:17,080

a whole family there were about five of

1246

01:04:23,400 --> 01:04:20,560

them including grandmother who climbed

1247

01:04:27,570 --> 01:04:23,410

up anyway when they got the top of the

1248

01:04:29,250 --> 01:04:27,580

hill the the V there was a vehicle

1249

01:04:31,830 --> 01:04:29,260

parked here a space they call it no

1250

01:04:38,010 --> 01:04:31,840

longer had the orb they had turned off

1251
01:04:43,850 --> 01:04:38,020
the orb and they saw the tall beings and

1252
01:04:46,980 --> 01:04:43,860
the small beings together and what what

1253
01:04:50,250 --> 01:04:46,990
their description really made an

1254
01:04:54,180 --> 01:04:50,260
impression on my mind they said when

1255
01:04:57,840 --> 01:04:54,190
they watched them and looked like human

1256
01:05:00,620 --> 01:04:57,850
beings at a playground the tall beings

1257
01:05:05,160 --> 01:05:00,630
were sort of standing around conversing

1258
01:05:06,480 --> 01:05:05,170
while the little ones were playing you

1259
01:05:10,710 --> 01:05:06,490
know running around playing like

1260
01:05:13,560 --> 01:05:10,720
children which I found fascinating I

1261
01:05:16,230 --> 01:05:13,570
thought well that could be what we're

1262
01:05:18,660 --> 01:05:16,240
looking at they you know the the smaller

1263
01:05:20,310 --> 01:05:18,670

beings they that's what they look like

1264

01:05:23,460 --> 01:05:20,320

when they're kids and then they grow up

1265

01:05:25,380 --> 01:05:23,470

to be you know nine feet tall but I

1266

01:05:27,720 --> 01:05:25,390

thought that was a fascinating case that

1267

01:05:30,980 --> 01:05:27,730

to get an insight as to the relationship

1268

01:05:33,930 --> 01:05:30,990

between the big ones and the little ones

1269

01:05:37,830 --> 01:05:33,940

mm-hmm now sometimes you hear people

1270

01:05:42,090 --> 01:05:37,840

talking about plasma plasma ball yeah

1271

01:05:44,280 --> 01:05:42,100

and and I want to address that and then

1272

01:05:47,640 --> 01:05:44,290

I have a question up on the message

1273

01:05:51,300 --> 01:05:47,650

board okay what do you say to that

1274

01:05:53,340 --> 01:05:51,310

I'm not dunking or anything but

1275

01:05:56,430 --> 01:05:53,350

there's probably situations where there

1276

01:06:01,010 --> 01:05:56,440

is plasma I would think well for all I

1277

01:06:05,850 --> 01:06:01,020

know I really have no idea what this

1278

01:06:09,990 --> 01:06:05,860

this cloak is made of for all I know it

1279

01:06:12,390 --> 01:06:10,000

could be plasma it's sort of has the the

1280

01:06:15,920 --> 01:06:12,400

characteristics of slope of plasma its

1281

01:06:21,080 --> 01:06:15,930

appearance looks like a mix between a

1282

01:06:25,560 --> 01:06:21,090

solid and a liquid sometime they are

1283

01:06:27,750 --> 01:06:25,570

somewhat shimmery and a lot of people

1284

01:06:31,290 --> 01:06:27,760

have said about these cloaks that it

1285

01:06:32,040 --> 01:06:31,300

looks like they're the it's moving

1286

01:06:34,530 --> 01:06:32,050

around

1287

01:06:39,990 --> 01:06:34,540

it's neither that the orbit self the

1288

01:06:42,150 --> 01:06:40,000

surface is moving around and if someone

1289

01:06:45,920 --> 01:06:42,160

told me that was plasma I would say

1290

01:06:49,230 --> 01:06:45,930

that's that's very plausible okay and

1291

01:06:51,810 --> 01:06:49,240

question up on the message board

1292

01:06:53,880 --> 01:06:51,820

have you ever collaborated this data

1293

01:06:58,020 --> 01:06:53,890

from MUFON with other places such as

1294

01:07:03,600 --> 01:06:58,030

nycap or new fork anything like that no

1295

01:07:09,360 --> 01:07:03,610

I have not I I know they they are

1296

01:07:11,910 --> 01:07:09,370

interested I mean I've had contact with

1297

01:07:14,880 --> 01:07:11,920

certain people and other organizations

1298

01:07:18,390 --> 01:07:14,890

about my book so they're interested but

1299

01:07:22,100 --> 01:07:18,400

I've never really it's kind of hard

1300

01:07:25,320 --> 01:07:22,110

right now you know you you have these

1301

01:07:29,040 --> 01:07:25,330

proprietary things that you deal with

1302

01:07:32,880 --> 01:07:29,050

like MUFON has its own cases and you

1303

01:07:35,520 --> 01:07:32,890

have to be a member to see them you know

1304

01:07:38,940 --> 01:07:35,530

to a certain extent just by being a

1305

01:07:40,980 --> 01:07:38,950

regular member and then you can see more

1306

01:07:45,690 --> 01:07:40,990

and more detail when you're field

1307

01:07:48,750 --> 01:07:45,700

investigator and I don't know that

1308

01:07:50,460 --> 01:07:48,760

MUFON would be thrilled it would be hard

1309

01:07:51,030 --> 01:07:50,470

to collaborate if you understand what

1310

01:07:53,540 --> 01:07:51,040

I'm saying

1311

01:07:56,130 --> 01:07:53,550

I I would have no way of giving

1312

01:08:00,330 --> 01:07:56,140

permission to anyone else to go into the

1313

01:08:03,480 --> 01:08:00,340

files MUFON files and work with me on

1314

01:08:05,280 --> 01:08:03,490

these files there's been a little bit of

1315

01:08:08,520 --> 01:08:05,290

not I don't want to say contra

1316

01:08:12,750 --> 01:08:08,530

but I know a long time investigator that

1317

01:08:16,620 --> 01:08:12,760

was trying to have someone at MUFON give

1318

01:08:18,360 --> 01:08:16,630

that a witness in a case his number say

1319

01:08:20,039 --> 01:08:18,370

I don't want you know I want that person

1320

01:08:22,320 --> 01:08:20,049

to be able to call me because I'm been

1321

01:08:26,789 --> 01:08:22,330

researching this case on my own right

1322

01:08:30,300 --> 01:08:26,799

and they're refused to get in that is

1323

01:08:33,120 --> 01:08:30,310

that just policy it is that's one of the

1324

01:08:37,230 --> 01:08:33,130

first things you learn there's a reason

1325

01:08:42,059 --> 01:08:37,240

for it people because of the stigma

1326

01:08:44,130 --> 01:08:42,069

attached to reporting a UFO people if

1327

01:08:47,789 --> 01:08:44,140

they think their personal information

1328

01:08:51,480 --> 01:08:47,799

would be released to somebody else often

1329

01:08:53,220 --> 01:08:51,490

will not talk to you they want they want

1330

01:08:56,340 --> 01:08:53,230

to know that this remained completely

1331

01:08:59,010 --> 01:08:56,350

confidential we are not allowed to give

1332

01:09:03,539 --> 01:08:59,020

when we write a report we're not allowed

1333

01:09:05,670 --> 01:09:03,549

to give a an address or a complete name

1334

01:09:10,039 --> 01:09:05,680

of anybody we can use first names or a

1335

01:09:13,950 --> 01:09:10,049

pseudonym but confidentiality is sort of

1336

01:09:16,140 --> 01:09:13,960

the rule of the day when it comes to

1337

01:09:18,150 --> 01:09:16,150

MUFON cases and there's as I said

1338

01:09:20,400 --> 01:09:18,160

there's a reason for it well I you know

1339

01:09:23,010 --> 01:09:20,410

don't want it to get out yeah you also

1340

01:09:26,370 --> 01:09:23,020

want to have a safe place for people to

1341

01:09:28,920 --> 01:09:26,380

report whether they're not gonna have to

1342

01:09:29,519 --> 01:09:28,930

worry about that right so I understand

1343

01:09:32,550 --> 01:09:29,529

that

1344

01:09:35,789 --> 01:09:32,560

have you ever investigated personally an

1345

01:09:39,539 --> 01:09:35,799

orange orb case or an orb case yeah

1346

01:09:41,820 --> 01:09:39,549

quite a few of them is this like many

1347

01:09:46,740 --> 01:09:41,830

years have to factor or right after no

1348

01:09:52,700 --> 01:09:46,750

after since I started writing about

1349

01:09:56,160 --> 01:09:52,710

orange orbs now my my state director

1350

01:09:57,740 --> 01:09:56,170

sends me most of the cases or I'm called

1351

01:10:02,130 --> 01:09:57,750

in on a case

1352

01:10:06,090 --> 01:10:02,140

so I've you know I I'm sort of the go-to

1353

01:10:07,590 --> 01:10:06,100

orb guy in Pennsylvania I see huh huh

1354

01:10:11,610 --> 01:10:07,600

and I get called by other field

1355

01:10:13,470 --> 01:10:11,620

investigators too well you know who want

1356

01:10:16,650 --> 01:10:13,480

an opinion on something they send me a

1357

01:10:18,570 --> 01:10:16,660

video they'll send me a photo that sort

1358

01:10:21,220 --> 01:10:18,580

of thing

1359

01:10:23,680 --> 01:10:21,230

don't want no if I have I ever seen

1360

01:10:27,240 --> 01:10:23,690

anything like this or what's my opinion

1361

01:10:31,260 --> 01:10:27,250

on it that kind of thing so I'm sort of

1362

01:10:34,930 --> 01:10:31,270

become a consultant in a way I'm pay

1363

01:10:37,720 --> 01:10:34,940

right now when you mentioned earlier

1364

01:10:40,030 --> 01:10:37,730

we're talking about beings and the

1365

01:10:41,280 --> 01:10:40,040

different sizes and all that yeah first

1366

01:10:45,850 --> 01:10:41,290

of all someone on the message board

1367

01:10:48,600 --> 01:10:45,860

wondered why you suggested that the

1368

01:10:52,330 --> 01:10:48,610

taller ones were strong what made you

1369

01:10:55,360 --> 01:10:52,340

because they have been seen doing some

1370

01:11:00,220 --> 01:10:55,370

very very heavy lifting and carrying

1371

01:11:03,010 --> 01:11:00,230

some things that the you know the

1372

01:11:06,670 --> 01:11:03,020

witness said it would take you know five

1373

01:11:08,610 --> 01:11:06,680

men to lift that and one one of the tall

1374

01:11:11,080 --> 01:11:08,620

beings was lifting it and carrying it

1375

01:11:15,430 --> 01:11:11,090

that's been mentioned a number of times

1376

01:11:16,960 --> 01:11:15,440

in a number of cases so that's why no I

1377

01:11:19,000 --> 01:11:16,970

would conclude there they're pretty

1378

01:11:21,700 --> 01:11:19,010

strong now when you're talking about

1379

01:11:23,110 --> 01:11:21,710

these beings in the orbs the tall ones

1380

01:11:24,430 --> 01:11:23,120

the short ones yeah

1381

01:11:29,140 --> 01:11:24,440

are there many cases that they're

1382

01:11:31,660 --> 01:11:29,150

actually saying the same thing what do

1383

01:11:34,810 --> 01:11:31,670

you mean that's a seeing beings coming

1384

01:11:36,730 --> 01:11:34,820

out of these orbs yeah oh yeah quite a

1385

01:11:39,130 --> 01:11:36,740

few cases and in different areas

1386

01:11:42,430 --> 01:11:39,140

different witnesses all over the country

1387

01:11:45,010 --> 01:11:42,440

all over the country and this one poor

1388

01:11:48,820 --> 01:11:45,020

woman she was she lived on a farm and

1389

01:11:54,930 --> 01:11:48,830

saw the orbs come down and she was out

1390

01:11:58,920 --> 01:11:54,940

on her porch and the orb came down and

1391

01:12:03,520 --> 01:11:58,930

then she saw something moving and then

1392

01:12:04,960 --> 01:12:03,530

she is she something was coming out of

1393

01:12:07,660 --> 01:12:04,970

the orb she didn't want it was as they

1394

01:12:11,430 --> 01:12:07,670

got closer she saw they were there about

1395

01:12:14,680 --> 01:12:11,440

ten of their really tall by beings and

1396

01:12:17,440 --> 01:12:14,690

she said they ran like a deer she'd

1397

01:12:20,350 --> 01:12:17,450

never seen anything run so fast in her

1398

01:12:21,970 --> 01:12:20,360

life but at that point they were running

1399

01:12:24,910 --> 01:12:21,980

like in the direction of the farmhouse

1400

01:12:27,250 --> 01:12:24,920

she so she went in I got everybody

1401

01:12:28,930 --> 01:12:27,260

together locked the doors and pulled

1402

01:12:30,460 --> 01:12:28,940

down the shades and she was very much

1403

01:12:32,620 --> 01:12:30,470

afraid mm-hmm

1404

01:12:35,800 --> 01:12:32,630

that sounds like a case I've heard

1405

01:12:37,990 --> 01:12:35,810

before were they recruiting and yeah I

1406

01:12:40,150 --> 01:12:38,000

felt bad for her because I you know I

1407

01:12:42,040 --> 01:12:40,160

don't think she quite understands I

1408

01:12:44,950 --> 01:12:42,050

think she thought MUFON was a government

1409

01:12:45,910 --> 01:12:44,960

or organization or something because she

1410

01:12:47,770 --> 01:12:45,920

said can you

1411

01:12:51,490 --> 01:12:47,780

we're frightened can you please come

1412

01:12:53,890 --> 01:12:51,500

help us you know and we're not equipped

1413

01:12:56,020 --> 01:12:53,900

to do that you know and the government

1414

01:12:58,510 --> 01:12:56,030

isn't gonna do it because you have a

1415

01:13:00,460 --> 01:12:58,520

problem you know when I very first heard

1416

01:13:02,230 --> 01:13:00,470

of MUFON and what it stood for I thought

1417

01:13:05,080 --> 01:13:02,240

it was a government organization yeah a

1418

01:13:06,520 --> 01:13:05,090

lot of people do yeah now and she she

1419

01:13:10,090 --> 01:13:06,530

was turning you coming to us for help

1420

01:13:11,800 --> 01:13:10,100

you know for her safety right Wow now

1421

01:13:13,450 --> 01:13:11,810

one of the things that comes to mind

1422

01:13:16,390 --> 01:13:13,460

when you're talking about these landing

1423

01:13:23,590 --> 01:13:16,400

cases has anyone researched any trace

1424

01:13:26,140 --> 01:13:23,600

evidence --is of any of these orbs I I

1425

01:13:30,610 --> 01:13:26,150

you know I haven't read any of that

1426
01:13:32,620 --> 01:13:30,620
happening but I've been told that people

1427
01:13:36,790 --> 01:13:32,630
have done some trace evidence I don't

1428
01:13:39,730 --> 01:13:36,800
know of anything personally none of the

1429
01:13:43,020 --> 01:13:39,740
cases I read mentioned anything about

1430
01:13:48,160 --> 01:13:43,030
any trace evidence

1431
01:13:50,250 --> 01:13:48,170
there were descriptions of marks being

1432
01:13:53,620 --> 01:13:50,260
left on the ground like circular marks

1433
01:13:55,360 --> 01:13:53,630
that kind of thing but I endure all the

1434
01:13:58,660 --> 01:13:55,370
reports I read I didn't read it if

1435
01:14:02,710 --> 01:13:58,670
anyone doing any in a soil analysis or

1436
01:14:05,470 --> 01:14:02,720
anything along that line I see what

1437
01:14:10,480 --> 01:14:05,480
about other countries

1438
01:14:15,130 --> 01:14:10,490

well MUFON has about 60 countries that

1439

01:14:18,400 --> 01:14:15,140

are members and this is going on all

1440

01:14:21,190 --> 01:14:18,410

over the world if you if you have my

1441

01:14:23,140 --> 01:14:21,200

book there yes I do and I saw a map and

1442

01:14:28,180 --> 01:14:23,150

everything yeah there's there's a map

1443

01:14:31,660 --> 01:14:28,190

there is a there's a chapter near the

1444

01:14:34,180 --> 01:14:31,670

back called around the world and I I

1445

01:14:39,420 --> 01:14:34,190

have cases about I don't know 15 20

1446

01:14:44,460 --> 01:14:39,430

cases from you know China India South

1447

01:14:48,100 --> 01:14:44,470

America Japan

1448

01:14:51,310 --> 01:14:48,110

Ireland there all over the world mm-hmm

1449

01:14:52,840 --> 01:14:51,320

same exact same description you know I I

1450

01:14:54,400 --> 01:14:52,850

think I mentioned to you earlier I

1451

01:14:56,890 --> 01:14:54,410

didn't get a chance to get through your

1452

01:14:59,770 --> 01:14:56,900

book but I still like to ask questions

1453

01:15:01,300 --> 01:14:59,780

even if I know the answers just so you

1454

01:15:03,070 --> 01:15:01,310

know the listening audience yeah they're

1455

01:15:07,690 --> 01:15:03,080

because they didn't read it yet right

1456

01:15:10,300 --> 01:15:07,700

yeah and I talked to you about the UFO

1457

01:15:12,220 --> 01:15:10,310

evidence in just a second but I wanted

1458

01:15:14,050 --> 01:15:12,230

to find out what another if you can just

1459

01:15:15,400 --> 01:15:14,060

throw another case that was really

1460

01:15:18,520 --> 01:15:15,410

interesting you and as you were looking

1461

01:15:20,650 --> 01:15:18,530

through all these - okay yeah another

1462

01:15:24,250 --> 01:15:20,660

one this happened I think it was in

1463

01:15:27,700 --> 01:15:24,260

Pennsylvania there were a group of

1464

01:15:33,850 --> 01:15:27,710

hunters out in the fall and they had

1465

01:15:37,120 --> 01:15:33,860

camped out and there they saw through

1466

01:15:40,420 --> 01:15:37,130

the trees they saw these round orange

1467

01:15:45,250 --> 01:15:40,430

globes coming along and looked like they

1468

01:15:47,950 --> 01:15:45,260

landed in an opening not far away you

1469

01:15:50,350 --> 01:15:47,960

know maybe a half a mile away and two of

1470

01:15:52,090 --> 01:15:50,360

the guy the - the guy said let's go see

1471

01:15:53,440 --> 01:15:52,100

what it is and the rest of them weren't

1472

01:15:58,270 --> 01:15:53,450

interested they wanted to sit around the

1473

01:16:01,210 --> 01:15:58,280

fire so these two guys went and they

1474

01:16:04,560 --> 01:16:01,220

went into this open field and there was

1475

01:16:08,230 --> 01:16:04,570

no orange orb however they did see a

1476

01:16:16,300 --> 01:16:08,240

vehicle they said was about the size of

1477

01:16:18,460 --> 01:16:16,310

a large van and they saw two guys they

1478

01:16:20,470 --> 01:16:18,470

said the one guy described it like it's

1479

01:16:21,850 --> 01:16:20,480

two guys out looking at an engine trying

1480

01:16:24,910 --> 01:16:21,860

to figure out what the matter is you

1481

01:16:27,520 --> 01:16:24,920

know they were looking over their craft

1482

01:16:29,260 --> 01:16:27,530

and they seemed to be discussing

1483

01:16:35,110 --> 01:16:29,270

something with one another they were two

1484

01:16:37,810 --> 01:16:35,120

of these large beings and the beings at

1485

01:16:40,440 --> 01:16:37,820

some point heard them and they were at

1486

01:16:43,480 --> 01:16:40,450

this point maybe three in her feet away

1487

01:16:46,540 --> 01:16:43,490

they heard them and they just turned and

1488

01:16:49,630 --> 01:16:46,550

looked at these two hunters and then

1489

01:16:52,960 --> 01:16:49,640

they turned away then the hunters said

1490

01:16:55,930 --> 01:16:52,970

that they were they were starting to get

1491

01:16:57,870 --> 01:16:55,940

a little uneasy at this point I'm a

1492

01:17:00,730 --> 01:16:57,880

decided they were going to leave

1493

01:17:06,160 --> 01:17:00,740

but they couldn't they were moving

1494

01:17:08,920 --> 01:17:06,170

toward the craft and they couldn't stop

1495

01:17:12,220 --> 01:17:08,930

moving toward the craft there was

1496

01:17:14,980 --> 01:17:12,230

something pulling them and they said

1497

01:17:19,480 --> 01:17:14,990

they were pulled all the way to the

1498

01:17:21,160 --> 01:17:19,490

craft and these these two tall beings I

1499

01:17:23,680 --> 01:17:21,170

don't know if they were guys I assume

1500

01:17:29,620 --> 01:17:23,690

they're guys but maybe not anyway took

1501
01:17:31,630 --> 01:17:29,630
them inside the craft and they didn't go

1502
01:17:35,890 --> 01:17:31,640
into great detail but they said they did

1503
01:17:41,500 --> 01:17:35,900
things to them that were disgusting and

1504
01:17:47,050 --> 01:17:41,510
humiliating like to their bodies and

1505
01:17:50,470 --> 01:17:47,060
then they let him go similar story you

1506
01:17:53,730 --> 01:17:50,480
hear a lot yeah I'm going up to a

1507
01:17:56,470 --> 01:17:53,740
question here earlier you mentioned that

1508
01:17:59,500 --> 01:17:56,480
there was a good photo of an orb that

1509
01:18:01,990 --> 01:17:59,510
looked like it had 12 crafts inside has

1510
01:18:06,070 --> 01:18:02,000
a picture ever been analyzed by a photo

1511
01:18:08,740 --> 01:18:06,080
specialists like Bruce Maccabee or or D

1512
01:18:12,940 --> 01:18:08,750
Antonio or anyone like that well it has

1513
01:18:16,140 --> 01:18:12,950

been circulated all through MUFON and no

1514

01:18:19,600 --> 01:18:16,150

one has ever gotten back to me about it

1515

01:18:21,850 --> 01:18:19,610

but we do arm on me as I said I'm a

1516

01:18:27,900 --> 01:18:21,860

member of the orange orb project team

1517

01:18:31,950 --> 01:18:27,910

and we have have a video and

1518

01:18:34,350 --> 01:18:31,960

photographic expert and that is one of

1519

01:18:38,980 --> 01:18:34,360

the first things I'm asked them to do

1520

01:18:42,490 --> 01:18:38,990

mark - Antonio I believe I know he's at

1521

01:18:46,030 --> 01:18:42,500

least one of them one of MU phones so

1522

01:18:49,300 --> 01:18:46,040

that is that picture not available to

1523

01:18:51,220 --> 01:18:49,310

the public at all the picture I have yes

1524

01:18:54,040 --> 01:18:51,230

well I'll tell you what you want me to

1525

01:18:55,570 --> 01:18:54,050

send it to you would I have permission

1526

01:18:57,640 --> 01:18:55,580

to put it on my website

1527

01:19:01,540 --> 01:18:57,650

sure all right I'd like to have that

1528

01:19:05,560 --> 01:19:01,550

that would I asked I asked the person

1529

01:19:10,320 --> 01:19:05,570

who took it if I could circulate this

1530

01:19:14,730 --> 01:19:10,330

publicly and he said

1531

01:19:16,290 --> 01:19:14,740

I may do that so you want you can just

1532

01:19:18,420 --> 01:19:16,300

tell me after the program whatever you

1533

01:19:19,620 --> 01:19:18,430

put it yeah I'll put it right in the

1534

01:19:20,100 --> 01:19:19,630

show no I don't have to write anything

1535

01:19:22,740 --> 01:19:20,110

down

1536

01:19:24,510 --> 01:19:22,750

it's a crazy-looking thing it really is

1537

01:19:28,500 --> 01:19:24,520

I've never seen anything like it it

1538

01:19:33,450 --> 01:19:28,510

looks like a pig literally it looks like

1539

01:19:38,070 --> 01:19:33,460

a pig and you will your your listeners

1540

01:19:40,620 --> 01:19:38,080

when they said they I'm not sure about

1541

01:19:43,200 --> 01:19:40,630

this whether the there are vehicles

1542

01:19:44,280 --> 01:19:43,210

either entering or exiting a number of

1543

01:19:46,140 --> 01:19:44,290

them it seems I don't know which

1544

01:19:49,680 --> 01:19:46,150

direction they're coming but you know

1545

01:19:52,500 --> 01:19:49,690

they can decide for themselves mm-hmm

1546

01:19:54,930 --> 01:19:52,510

it's fascinating a picture I can't wait

1547

01:19:58,020 --> 01:19:54,940

to see it and so the listener can go

1548

01:20:00,530 --> 01:19:58,030

into the show notes that'll be in there

1549

01:20:04,560 --> 01:20:00,540

in there tomorrow which is Thursday yeah

1550

01:20:06,150 --> 01:20:04,570

okay also I would like to ask one of the

1551

01:20:09,240 --> 01:20:06,160

people that just joined the message

1552

01:20:11,520 --> 01:20:09,250

board said that he saw himself a green

1553

01:20:15,540 --> 01:20:11,530

or and I know I think I read something

1554

01:20:18,510 --> 01:20:15,550

about that in your book yep yeah let me

1555

01:20:23,520 --> 01:20:18,520

let me just haven't mentioned this yet

1556

01:20:25,650 --> 01:20:23,530

but the orbs the the vehicle inside the

1557

01:20:34,320 --> 01:20:25,660

orb can make the or of any color they

1558

01:20:37,710 --> 01:20:34,330

want it orbs have been sorry the orbs

1559

01:20:40,680 --> 01:20:37,720

have been seen to change colors right in

1560

01:20:42,900 --> 01:20:40,690

front of the witness's eyes it's orange

1561

01:20:46,700 --> 01:20:42,910

and then it's red then it's green then

1562

01:20:49,940 --> 01:20:46,710

it's blue then it's rainbow colored

1563

01:20:54,680 --> 01:20:49,950

that's what they do that's part of

1564

01:20:57,300 --> 01:20:54,690

entertaining people and there are

1565

01:20:59,490 --> 01:20:57,310

there's another thing that's often seen

1566

01:21:02,790 --> 01:20:59,500

to which I have mentioned yet it's a

1567

01:21:04,860 --> 01:21:02,800

blue beam that comes out of these orbs

1568

01:21:08,220 --> 01:21:04,870

that's how they put things on the ground

1569

01:21:11,040 --> 01:21:08,230

or extract things from the ground it's a

1570

01:21:15,810 --> 01:21:11,050

it's it's always blue the beam that they

1571

01:21:18,690 --> 01:21:15,820

used to for depositing things are

1572

01:21:21,780 --> 01:21:18,700

extracting people which includes their

1573

01:21:23,430 --> 01:21:21,790

own you know passengers they put them

1574

01:21:26,100 --> 01:21:23,440

down with a blue beam

1575

01:21:31,459 --> 01:21:26,110

there was a they actually picked up a

1576

01:21:38,010 --> 01:21:35,760

really this is this is these are just

1577

01:21:42,090 --> 01:21:38,020

witness testimonies and different

1578

01:21:44,310 --> 01:21:42,100

reports yes yeah but I mean you can read

1579

01:21:46,740 --> 01:21:44,320

them and you know these these aren't

1580

01:21:49,229 --> 01:21:46,750

there they're very credible I mean the

1581

01:21:52,770 --> 01:21:49,239

details they give I you know I'm an old

1582

01:21:56,670 --> 01:21:52,780

trial lawyer and I can tell a liar from

1583

01:21:59,520 --> 01:21:56,680

a mile away and these are and I did

1584

01:22:02,160 --> 01:21:59,530

dismiss some of the cases I read because

1585

01:22:05,150 --> 01:22:02,170

I thought this is not real you know it

1586

01:22:10,500 --> 01:22:05,160

sounds like someone who wants wants to

1587

01:22:14,850 --> 01:22:10,510

you know write his own screenplay you

1588

01:22:19,200 --> 01:22:14,860

know you can tell but so maybe ten

1589

01:22:21,780 --> 01:22:19,210

percent of the cases I did not bother

1590

01:22:24,740 --> 01:22:21,790

with because they weren't credible but

1591

01:22:28,800 --> 01:22:24,750

every case I used was extremely credible

1592

01:22:31,500 --> 01:22:28,810

now what do you can you get more into

1593

01:22:34,350 --> 01:22:31,510

elaborating why you think that these

1594

01:22:37,860 --> 01:22:34,360

things are entertaining us or why they'd

1595

01:22:42,600 --> 01:22:37,870

even want to yeah I want to talk about

1596

01:22:47,550 --> 01:22:42,610

that now yeah sure I think here's my

1597

01:22:49,680 --> 01:22:47,560

opinion they they have decided rather

1598

01:22:52,590 --> 01:22:49,690

than to be stealthy which they were at

1599

01:22:54,600 --> 01:22:52,600

one time and they were very infrequently

1600

01:22:59,729 --> 01:22:54,610

seen or photographed they're not

1601
01:23:04,880 --> 01:22:59,739
starting in about 2003 they they're they

1602
01:23:08,430 --> 01:23:04,890
made a decision to become very visible

1603
01:23:13,860 --> 01:23:08,440
and that's why they're orange in the

1604
01:23:20,130 --> 01:23:13,870
night sky the they could be flying along

1605
01:23:22,620 --> 01:23:20,140
without being seen the the the metal or

1606
01:23:25,110 --> 01:23:22,630
whatever frame they use of their vehicle

1607
01:23:29,640 --> 01:23:25,120
up in this guy you'd never see it and

1608
01:23:32,760 --> 01:23:29,650
then instead of a vehicle you can't see

1609
01:23:36,009 --> 01:23:32,770
they've decided to sort of like dress up

1610
01:23:39,620 --> 01:23:36,019
for Halloween they have this

1611
01:23:42,290 --> 01:23:39,630
shining orange globe up there so they

1612
01:23:46,879 --> 01:23:42,300
clearly have decided instead of hiding

1613
01:23:50,450 --> 01:23:46,889

they not want to be seen and they they

1614

01:23:53,479 --> 01:23:50,460

go where the people are they are they

1615

01:23:56,089 --> 01:23:53,489

appear over if you lie in the book I

1616

01:23:59,330 --> 01:23:56,099

would picture a satellite picture that

1617

01:24:02,239 --> 01:23:59,340

shows the lights of the big cities in

1618

01:24:04,279 --> 01:24:02,249

the United States then I did a map of

1619

01:24:06,950 --> 01:24:04,289

every orbit that's ever been seen in

1620

01:24:09,799 --> 01:24:06,960

United States and you can lay one on the

1621

01:24:11,750 --> 01:24:09,809

other and they match up perfectly hmm so

1622

01:24:16,580 --> 01:24:11,760

the orbs are going where the people are

1623

01:24:22,540 --> 01:24:16,590

they want to be seen and so that led me

1624

01:24:27,859 --> 01:24:24,739

speculation you know what what

1625

01:24:30,770 --> 01:24:27,869

conclusion I come to I'm thinking why

1626
01:24:32,839 --> 01:24:30,780
would they want to be seen why do they

1627
01:24:35,350 --> 01:24:32,849
go out of their way to have people look

1628
01:24:38,950 --> 01:24:35,360
at them by being entertaining and being

1629
01:24:43,779 --> 01:24:38,960
having different colors being in like

1630
01:24:49,549 --> 01:24:43,789
dancing with one another I in my opinion

1631
01:24:52,370 --> 01:24:49,559
they're trying to conditioned us to see

1632
01:24:57,200 --> 01:24:52,380
them and not be afraid of them and they

1633
01:24:59,180 --> 01:24:57,210
I told you the the old lady the farmer

1634
01:25:01,850 --> 01:24:59,190
lady was really afraid but that's

1635
01:25:03,830 --> 01:25:01,860
because she saw these very tall

1636
01:25:07,189 --> 01:25:03,840
creatures running toward her farmhouse

1637
01:25:09,609 --> 01:25:07,199
but in general most people described

1638
01:25:13,729 --> 01:25:09,619

these orbs as being beautiful

1639

01:25:18,109 --> 01:25:13,739

mesmerizing peaceful yes it is very

1640

01:25:19,969 --> 01:25:18,119

peaceful muted pastel color and I think

1641

01:25:23,689 --> 01:25:19,979

what they're trying to do is they're

1642

01:25:26,959 --> 01:25:23,699

trying to conditioned us not to be

1643

01:25:29,560 --> 01:25:26,969

afraid of them and you know they're

1644

01:25:32,410 --> 01:25:29,570

their numbers have been increasing

1645

01:25:36,109 --> 01:25:32,420

dramatically over the last 10 years and

1646

01:25:38,629 --> 01:25:36,119

and it's all over the world and in my

1647

01:25:41,810 --> 01:25:38,639

opinion I think what they're doing is

1648

01:25:46,149 --> 01:25:41,820

they're they're getting us ready to

1649

01:25:48,259 --> 01:25:46,159

actually deal with them personally well

1650

01:25:50,419 --> 01:25:48,269

you never know

1651

01:25:53,270 --> 01:25:50,429

I think in general P

1652

01:25:56,209 --> 01:25:53,280

I'm gonna be more acceptable as you know

1653

01:25:57,890 --> 01:25:56,219

more science comes out about the

1654

01:26:01,330 --> 01:25:57,900

possibility of life elsewhere I think

1655

01:26:05,570 --> 01:26:01,340

we're just getting more attuned I think

1656

01:26:07,640 --> 01:26:05,580

question besides the Phoenix lights have

1657

01:26:11,709 --> 01:26:07,650

there been any other mass sightings of

1658

01:26:14,450 --> 01:26:11,719

orange orbs that come to mind oh yeah

1659

01:26:16,490 --> 01:26:14,460

they they're going on all over the place

1660

01:26:18,410 --> 01:26:16,500

I mean Phoenix lights it's really

1661

01:26:20,540 --> 01:26:18,420

interesting that was a relatively small

1662

01:26:23,450 --> 01:26:20,550

sighting of orange roars but it was the

1663

01:26:28,729 --> 01:26:23,460

one of the first they got much publicity

1664

01:26:30,320 --> 01:26:28,739

but I mean these things they show up now

1665

01:26:32,959 --> 01:26:30,330

when there's thousands of people

1666

01:26:34,580 --> 01:26:32,969

watching the fireworks display as soon

1667

01:26:37,850 --> 01:26:34,590

as the fireworks were over they come out

1668

01:26:41,359 --> 01:26:37,860

so they've been seen by huge crowds and

1669

01:26:43,939 --> 01:26:41,369

if you know if anybody who's listening

1670

01:26:48,080 --> 01:26:43,949

wants to see what an orange orb looks

1671

01:26:51,669 --> 01:26:48,090

like go on YouTube Google orange or

1672

01:26:54,830 --> 01:26:51,679

videos and you can see about 500 of them

1673

01:26:56,359 --> 01:26:54,840

mm-hmm they are everywhere it's not like

1674

01:27:00,500 --> 01:26:56,369

you know you have to be somebody special

1675

01:27:02,780 --> 01:27:00,510

to see an orange or video and they're

1676

01:27:05,600 --> 01:27:02,790

there everywhere because they have been

1677

01:27:08,510 --> 01:27:05,610

seen everywhere they're there all over

1678

01:27:12,160 --> 01:27:08,520

the place all over the world though like

1679

01:27:15,530 --> 01:27:12,170

mosquitoes really they're everywhere

1680

01:27:17,870 --> 01:27:15,540

yeah one question comes to mind has

1681

01:27:22,399 --> 01:27:17,880

anyone ever reported any sounds with

1682

01:27:24,919 --> 01:27:22,409

these would not always say that there's

1683

01:27:27,169 --> 01:27:24,929

some they are that's what's eerie about

1684

01:27:29,600 --> 01:27:27,179

them that's what was unsettling to me

1685

01:27:31,280 --> 01:27:29,610

you know I'm accustomed having been a

1686

01:27:33,859 --> 01:27:31,290

pilot I'm accustomed to hearing noise

1687

01:27:36,169 --> 01:27:33,869

you know Jets made a lot of noise and

1688

01:27:38,570 --> 01:27:36,179

some of the helicopters mm-hmm but these

1689

01:27:40,840 --> 01:27:38,580

things gliding long being absolutely

1690

01:27:45,109 --> 01:27:40,850

silent that to me that's the eerie thing

1691

01:27:49,040 --> 01:27:45,119

about them yeah I agree I mean that was

1692

01:27:51,620 --> 01:27:49,050

my sighting and I had no idea that any

1693

01:27:53,209 --> 01:27:51,630

of them would have been quiet or you

1694

01:27:56,000 --> 01:27:53,219

know no sound at all and I think that's

1695

01:27:57,560 --> 01:27:56,010

the thing that spooked me the most when

1696

01:28:00,200 --> 01:27:57,570

I wasn't really even paying attention to

1697

01:28:02,540 --> 01:28:00,210

UFOs I had a sighting and kind of woke

1698

01:28:03,320 --> 01:28:02,550

me up to it yeah right

1699

01:28:06,560 --> 01:28:03,330

well

1700

01:28:08,540 --> 01:28:06,570

one thing I'll say about I said the I

1701

01:28:11,180 --> 01:28:08,550

think these beings are trying to get us

1702

01:28:13,250 --> 01:28:11,190

used to to not be afraid of them because

1703

01:28:15,890 --> 01:28:13,260

you know if you introduce something into

1704

01:28:17,540 --> 01:28:15,900

a culture too quickly you can

1705

01:28:20,780 --> 01:28:17,550

disintegrate the culture you know it's

1706

01:28:23,180 --> 01:28:20,790

happened to many of the primitive tribes

1707

01:28:25,850 --> 01:28:23,190

in the Amazon and the South Pacific when

1708

01:28:27,710 --> 01:28:25,860

you know Margaret Meads first started

1709

01:28:30,860 --> 01:28:27,720

doing her investigations down there and

1710

01:28:32,510 --> 01:28:30,870

she introduced modern technology and it

1711

01:28:36,370 --> 01:28:32,520

just totally destroyed their culture

1712

01:28:40,160 --> 01:28:36,380

because everything they believed in just

1713

01:28:42,800 --> 01:28:40,170

was decimated by these new realizations

1714

01:28:44,380 --> 01:28:42,810

and I'm sure these people who are flying

1715

01:28:47,060 --> 01:28:44,390

these orange orbs have done this

1716

01:28:49,520 --> 01:28:47,070

hundreds maybe thousands of times to

1717

01:28:52,390 --> 01:28:49,530

other planets and I think this is just

1718

01:28:58,970 --> 01:28:52,400

part of their plan how you acclimate a

1719

01:29:00,440 --> 01:28:58,980

group of people to to in to introduce

1720

01:29:03,350 --> 01:29:00,450

yourself to them without destroying

1721

01:29:05,420 --> 01:29:03,360

their culture now you do it very slowly

1722

01:29:07,930 --> 01:29:05,430

and you don't frighten them and I think

1723

01:29:10,820 --> 01:29:07,940

that's up that's what they're doing and

1724

01:29:14,450 --> 01:29:10,830

one thing I want to mention they they

1725

01:29:16,720 --> 01:29:14,460

have not engaged in any violence and

1726
01:29:19,580 --> 01:29:16,730
they have certainly had the opportunity

1727
01:29:21,740 --> 01:29:19,590
they have been chased by jets that you

1728
01:29:25,880 --> 01:29:21,750
know chased by helicopters and they

1729
01:29:28,460 --> 01:29:25,890
always just peacefully leave and here's

1730
01:29:29,960 --> 01:29:28,470
I'll tell you something that indicates

1731
01:29:33,470 --> 01:29:29,970
to me that they don't want to fight with

1732
01:29:36,110 --> 01:29:33,480
us I told you they they appear in the

1733
01:29:38,780 --> 01:29:36,120
populated areas mostly because that's

1734
01:29:41,030 --> 01:29:38,790
where the people are there's only one

1735
01:29:44,150 --> 01:29:41,040
large metropolitan area where they have

1736
01:29:48,200 --> 01:29:44,160
orange orbs have never appeared never

1737
01:29:51,380 --> 01:29:48,210
Washington DC right yeah I read your

1738
01:29:53,300 --> 01:29:51,390

book yeah and the reason is and okay

1739

01:29:57,440 --> 01:29:53,310

Martin what's the reason

1740

01:30:01,100 --> 01:29:57,450

oh because of all the defense system

1741

01:30:03,850 --> 01:30:01,110

right right ever since 9/11 that's the

1742

01:30:06,410 --> 01:30:03,860

most heavily guarded city in the world

1743

01:30:09,140 --> 01:30:06,420

there are thousands of surface their

1744

01:30:11,180 --> 01:30:09,150

missiles around the city

1745

01:30:14,300 --> 01:30:11,190

you've got Andrews Air Force Base with

1746

01:30:16,810 --> 01:30:14,310

fighter jets ready to go at any second

1747

01:30:20,739 --> 01:30:16,820

and these people know that

1748

01:30:23,750 --> 01:30:20,749

and they're not going to provoke a war

1749

01:30:28,129 --> 01:30:23,760

which is what would happen if they flew

1750

01:30:31,520 --> 01:30:28,139

over you know after 9/11 if they flew

1751

01:30:34,729 --> 01:30:31,530

over Washington DC right now there would

1752

01:30:36,410 --> 01:30:34,739

be you know 500 missiles aimed at them

1753

01:30:41,419 --> 01:30:36,420

well do they show up on the radar as far

1754

01:30:47,149 --> 01:30:41,429

as you know I don't know I don't know

1755

01:30:51,310 --> 01:30:47,159

about orange herbs none of the cases I

1756

01:30:53,959 --> 01:30:51,320

read had any any radar information on it

1757

01:30:56,330 --> 01:30:53,969

all right one of the things we're we're

1758

01:30:58,250 --> 01:30:56,340

let's see where we are moving along now

1759

01:31:00,080 --> 01:30:58,260

we have a half hour left and I don't

1760

01:31:03,189 --> 01:31:00,090

want to leave this to last we were going

1761

01:31:05,709 --> 01:31:03,199

to talk about valid UFO evidence right

1762

01:31:09,410 --> 01:31:05,719

yes I

1763

01:31:14,330 --> 01:31:09,420

one of the major criticisms I've had of

1764

01:31:16,759 --> 01:31:14,340

my book is that I will I will say I will

1765

01:31:19,069 --> 01:31:16,769

hear from a number of field

1766

01:31:20,450 --> 01:31:19,079

investigators have said this to me so do

1767

01:31:22,549 --> 01:31:20,460

you have an interesting book but you

1768

01:31:25,759 --> 01:31:22,559

don't have any real evidence there all

1769

01:31:29,569 --> 01:31:25,769

you have is you know eyewitness

1770

01:31:32,290 --> 01:31:29,579

testimony and that's not evidence I beg

1771

01:31:37,850 --> 01:31:35,089

having been a trial lawyer for over 10

1772

01:31:41,089 --> 01:31:37,860

years I can tell you that

1773

01:31:46,759 --> 01:31:41,099

eyewitness testimony has put people to

1774

01:31:50,359 --> 01:31:46,769

death courts our legal system highly

1775

01:31:53,989 --> 01:31:50,369

values eyewitness testimony and as a

1776

01:31:56,930 --> 01:31:53,999

matter of fact in most cases like in

1777

01:31:59,899 --> 01:31:56,940

most criminal cases the the main

1778

01:32:02,209 --> 01:31:59,909

testimony in the trial is eyewitness

1779

01:32:06,140 --> 01:32:02,219

testimony let's say there are a group of

1780

01:32:10,479 --> 01:32:06,150

20 people let's see a guy shoot another

1781

01:32:13,189 --> 01:32:10,489

guy they bring in all 20 those people

1782

01:32:14,540 --> 01:32:13,199

they ask my 10 and they identify the

1783

01:32:16,850 --> 01:32:14,550

person that shot the man yeah they

1784

01:32:20,540 --> 01:32:16,860

pointed to a defendant tell us what

1785

01:32:23,209 --> 01:32:20,550

happened they tell them what happened if

1786

01:32:24,910 --> 01:32:23,219

those are credible witnesses and you

1787

01:32:26,959 --> 01:32:24,920

know the credibility is established by

1788

01:32:28,250 --> 01:32:26,969

cross-examination and the defense

1789

01:32:30,540 --> 01:32:28,260

attorney is going to try to rip them

1790

01:32:32,850 --> 01:32:30,550

apart but if the jury believed

1791

01:32:35,270 --> 01:32:32,860

that those witnesses are be incredible

1792

01:32:38,370 --> 01:32:35,280

they could very well find that man

1793

01:32:40,500 --> 01:32:38,380

guilty of first-degree murder and the

1794

01:32:43,350 --> 01:32:40,510

judge could very well sentence that man

1795

01:32:45,930 --> 01:32:43,360

to death that's all on eyewitness

1796

01:32:50,760 --> 01:32:45,940

testimony it's funny I had that argument

1797

01:32:52,310 --> 01:32:50,770

with Seth Shostak from SETI and you know

1798

01:32:55,620 --> 01:32:52,320

I asked him what about the credible

1799

01:32:57,270 --> 01:32:55,630

eyewitness accounts of observers like

1800

01:32:59,339 --> 01:32:57,280

astronauts and things like that and he

1801

01:33:02,189 --> 01:32:59,349

went right into a tirade basically

1802

01:33:05,189 --> 01:33:02,199

saying that eyewitness testimony is

1803

01:33:08,129 --> 01:33:05,199

never used as as very weak evidence and

1804

01:33:14,760 --> 01:33:08,139

never used as solid evidence in a court

1805

01:33:18,419 --> 01:33:14,770

of law that's that's funny he apparently

1806

01:33:20,069 --> 01:33:18,429

has never been in a trial that's I mean

1807

01:33:23,310 --> 01:33:20,079

what what do you think all these

1808

01:33:26,250 --> 01:33:23,320

witnesses are understand - do you know

1809

01:33:28,879 --> 01:33:26,260

they're up there telling the jury what

1810

01:33:31,970 --> 01:33:28,889

they saw what they heard what they smell

1811

01:33:36,060 --> 01:33:31,980

what the man looked like what he did

1812

01:33:39,770 --> 01:33:36,070

that's the backbone of it of a criminal

1813

01:33:44,280 --> 01:33:39,780

trial is eyewitness testimony and the

1814

01:33:46,979 --> 01:33:44,290

our legal justice system considers I

1815

01:33:50,120 --> 01:33:46,989

witness testimony if it is credible to

1816

01:33:52,080 --> 01:33:50,130

be enough to convict someone possibly

1817

01:33:57,689 --> 01:33:52,090

sentence them to death or put them away

1818

01:34:01,260 --> 01:33:57,699

for life and mouflon won't even accept

1819

01:34:02,750 --> 01:34:01,270

it as credible witness to establish a

1820

01:34:07,770 --> 01:34:02,760

UFO was there

1821

01:34:11,760 --> 01:34:07,780

that is ridiculous hmm if you think

1822

01:34:14,339 --> 01:34:11,770

about it you know so what are they what

1823

01:34:17,549 --> 01:34:14,349

are they asking for more more witnesses

1824

01:34:20,040 --> 01:34:17,559

or it's as I said there's my there's a

1825

01:34:22,260 --> 01:34:20,050

mindset and move on yeah well I want to

1826

01:34:26,100 --> 01:34:22,270

see something real like okay what's real

1827

01:34:30,060 --> 01:34:26,110

you know well oil samples radar you know

1828

01:34:32,450 --> 01:34:30,070

yeah you have that and you know trial

1829

01:34:37,140 --> 01:34:32,460

sometimes you have ballistics testimony

1830

01:34:40,680 --> 01:34:37,150

fired fingerprint testimony whatever but

1831

01:34:44,100 --> 01:34:40,690

you you also have a great deal of

1832

01:34:48,950 --> 01:34:44,110

eyewitness testimony and you know

1833

01:34:51,750 --> 01:34:48,960

legal system is willing to test I

1834

01:34:55,189 --> 01:34:51,760

witness testimony be beyond a reasonable

1835

01:34:59,729 --> 01:34:55,199

doubt to come to a conviction good lord

1836

01:35:02,700 --> 01:34:59,739

we we as members of MUFON can't judge

1837

01:35:04,680 --> 01:35:02,710

the credibility of eyewitness testimony

1838

01:35:06,149 --> 01:35:04,690

and come to a reasonable conclusion as

1839

01:35:10,439 --> 01:35:06,159

whether or not it's credible and

1840

01:35:13,350 --> 01:35:10,449

therefore good evidence so are you

1841

01:35:17,100 --> 01:35:13,360

saying basically that MUFON is is being

1842

01:35:21,120 --> 01:35:17,110

more cautious than or like a good old

1843

01:35:23,729 --> 01:35:21,130

boys club a little of both they're not

1844

01:35:25,649 --> 01:35:23,739

being to me it's not rational I mean

1845

01:35:27,209 --> 01:35:25,659

anybody who knows anything about

1846

01:35:30,600 --> 01:35:27,219

eyewitness testimony

1847

01:35:35,609 --> 01:35:30,610

you know our legal system knows that it

1848

01:35:36,660 --> 01:35:35,619

is you know the backbone of evidence in

1849

01:35:39,270 --> 01:35:36,670

a criminal trial

1850

01:35:41,820 --> 01:35:39,280

any kind of trial I remember I had Bruce

1851
01:35:44,490 --> 01:35:41,830
Maccabee on not not the last time he was

1852
01:35:47,340 --> 01:35:44,500
on but the time first time he was on and

1853
01:35:49,649 --> 01:35:47,350
I asked him about how strong his

1854
01:35:52,859 --> 01:35:49,659
photographic evidence and he says well

1855
01:35:56,550 --> 01:35:52,869
it has to be coupled with a really good

1856
01:35:58,169 --> 01:35:56,560
witness you know testimony so you know

1857
01:36:03,090 --> 01:35:58,179
it's it's no that's a contradiction

1858
01:36:05,459 --> 01:36:03,100
right there you know he's gonna trust

1859
01:36:08,640 --> 01:36:05,469
the eyewitness testimony concerning the

1860
01:36:12,450 --> 01:36:08,650
photo but he wanna trust I witness

1861
01:36:13,770 --> 01:36:12,460
testimony to testify you know to what he

1862
01:36:16,680 --> 01:36:13,780
saw two different people

1863
01:36:19,020 --> 01:36:16,690

oh yeah yeah now I'm talking about Bruce

1864

01:36:21,359 --> 01:36:19,030

Maccabee the photo analyst yeah right

1865

01:36:24,649 --> 01:36:21,369

yeah he and the other person I was

1866

01:36:27,450 --> 01:36:24,659

talking about was from SETI Friday yeah

1867

01:36:30,359 --> 01:36:27,460

Bruce Maccabee was saying that besides

1868

01:36:34,439 --> 01:36:30,369

the photo or video whatever it is he's

1869

01:36:36,750 --> 01:36:34,449

researching that you have it means

1870

01:36:41,459 --> 01:36:36,760

really nothing unless the witnesses is

1871

01:36:44,520 --> 01:36:41,469

strong okay so he is giving value to a

1872

01:36:46,830 --> 01:36:44,530

witness yes okay I mean yeah just think

1873

01:36:48,419 --> 01:36:46,840

about it let's say this fourth of July

1874

01:36:51,000 --> 01:36:48,429

people turn out all over the place

1875

01:36:55,750 --> 01:36:51,010

through these hotspots just to see where

1876

01:36:57,879 --> 01:36:55,760

in Georgia and you know and in one place

1877

01:37:03,209 --> 01:36:57,889

1800 people say they saw the orange orbs

1878

01:37:06,069 --> 01:37:03,219

okay and someone investigates this and

1879

01:37:07,810 --> 01:37:06,079

basically all they have are 1500 people

1880

01:37:11,470 --> 01:37:07,820

all telling exactly the same story

1881

01:37:14,669 --> 01:37:11,480

they're gonna discount that because it's

1882

01:37:18,790 --> 01:37:14,679

eyewitness testimony please what better

1883

01:37:19,959 --> 01:37:18,800

proof could you have than 1500 people

1884

01:37:21,939 --> 01:37:19,969

coming up with the exact same

1885

01:37:25,089 --> 01:37:21,949

description of the same thing that's

1886

01:37:26,979 --> 01:37:25,099

very very credible and and you know a

1887

01:37:29,770 --> 01:37:26,989

reasonable person should be able to

1888

01:37:34,029 --> 01:37:29,780

conclude that that is a fact as to what

1889

01:37:35,830 --> 01:37:34,039

happened which is what juries do and now

1890

01:37:39,399 --> 01:37:35,840

we're really missing the boat and MUFON

1891

01:37:41,080 --> 01:37:39,409

by having a very unrealistic standard

1892

01:37:46,509 --> 01:37:41,090

when it comes to eyewitness testimony

1893

01:37:52,240 --> 01:37:46,519

they think it's worthless wow I had no

1894

01:37:55,689 --> 01:37:52,250

idea that Stan was being taken yeah oh

1895

01:37:57,790 --> 01:37:55,699

yeah hear it all the time yeah you hear

1896

01:38:00,129 --> 01:37:57,800

well yeah well that's what he said but I

1897

01:38:08,140 --> 01:38:00,139

want to see some real evidence what do

1898

01:38:12,729 --> 01:38:08,150

you mean it's one of the best forms of

1899

01:38:15,430 --> 01:38:12,739

evidence that we have in any situation

1900

01:38:17,319 --> 01:38:15,440

you know police officer goes out and he

1901

01:38:20,229 --> 01:38:17,329

starts asking people what did you see

1902

01:38:22,899 --> 01:38:20,239

right you know he's trying to get a

1903

01:38:26,529 --> 01:38:22,909

picture of you know from eyewitnesses

1904

01:38:29,799 --> 01:38:26,539

what happened no not not to get off

1905

01:38:32,620 --> 01:38:29,809

topic too far yep but Tinley Park do you

1906

01:38:36,609 --> 01:38:32,630

happen to know of that situation which

1907

01:38:42,779 --> 01:38:36,619

was when we park in Chicago I was at a

1908

01:38:46,419 --> 01:38:42,789

building where the was no this was this

1909

01:38:48,669 --> 01:38:46,429

during a baseball game and stuff like

1910

01:38:50,830 --> 01:38:48,679

that but there were it was a massive

1911

01:38:52,720 --> 01:38:50,840

sighting but I was wondering I was

1912

01:38:54,609 --> 01:38:52,730

thinking that was orange orbs but it may

1913

01:38:58,029 --> 01:38:54,619

not have been and that's why I'm saying

1914

01:38:59,140 --> 01:38:58,039

I might be getting off top I don't

1915

01:39:02,049 --> 01:38:59,150

remember

1916

01:39:04,839 --> 01:39:02,059

but was it a sporting event I think it

1917

01:39:08,169 --> 01:39:04,849

was but this went on for for quite some

1918

01:39:09,549 --> 01:39:08,179

time I think it's a started but anyway

1919

01:39:11,770 --> 01:39:09,559

we were talking

1920

01:39:13,569 --> 01:39:11,780

you said earlier about if you anyone

1921

01:39:15,699 --> 01:39:13,579

wants to see orange orbs go on to

1922

01:39:17,199 --> 01:39:15,709

YouTube and you'll see a bunch of them

1923

01:39:19,599 --> 01:39:17,209

and some of them you know I have watched

1924

01:39:22,929 --> 01:39:19,609

a number of them myself some of them are

1925

01:39:25,419 --> 01:39:22,939

very plain to see that they're Chinese

1926

01:39:28,449 --> 01:39:25,429

lanterns and yeah and some aren't and

1927

01:39:31,629 --> 01:39:28,459

the frustration of Chinese lanterns is

1928

01:39:34,149 --> 01:39:31,639

pretty high and as far as investigators

1929

01:39:36,729 --> 01:39:34,159

I can understand why you know sort of

1930

01:39:38,759 --> 01:39:36,739

understand why people say you know pass

1931

01:39:41,379 --> 01:39:38,769

it off as lens because it is frustrating

1932

01:39:42,759 --> 01:39:41,389

well if they know the characteristics

1933

01:39:44,529 --> 01:39:42,769

that's one of the reasons I think my

1934

01:39:46,899 --> 01:39:44,539

book has made such a big difference if

1935

01:39:50,469 --> 01:39:46,909

you know the characteristics of orange

1936

01:39:52,509 --> 01:39:50,479

orbs you would not mistake it for a

1937

01:39:56,379 --> 01:39:52,519

Chinese lantern and it's the same thing

1938

01:39:58,809 --> 01:39:56,389

go for flares as well sure these layers

1939

01:40:00,159 --> 01:39:58,819

have a certain you know if they're shot

1940

01:40:01,750 --> 01:40:00,169

from the ground they have a certain

1941

01:40:03,989 --> 01:40:01,760

trajectory they go up and they go down

1942

01:40:06,729 --> 01:40:03,999

you know if they're dropped from the air

1943

01:40:09,129 --> 01:40:06,739

it's the same thing there's there's a

1944

01:40:10,959 --> 01:40:09,139

certain behavior of flares and there's a

1945

01:40:13,389 --> 01:40:10,969

certain behavior of orbs in there it

1946

01:40:16,329 --> 01:40:13,399

they are not at all alike they're

1947

01:40:19,209 --> 01:40:16,339

totally different first of all you know

1948

01:40:22,029 --> 01:40:19,219

they they can they fly against the wind

1949

01:40:24,339 --> 01:40:22,039

frequently know a Chinese letter and

1950

01:40:25,809 --> 01:40:24,349

can't do that right you know so there

1951

01:40:29,729 --> 01:40:25,819

are things you can look at where you can

1952

01:40:37,029 --> 01:40:33,899

you know that I brought up that argument

1953

01:40:38,679 --> 01:40:37,039

to someone one time and they said well

1954

01:40:40,599 --> 01:40:38,689

you know you get to different altitudes

1955

01:40:42,879 --> 01:40:40,609

and there's different wind currents and

1956

01:40:46,689 --> 01:40:42,889

those they go in different directions I

1957

01:40:50,290 --> 01:40:46,699

don't know if that's true or not well

1958

01:40:52,359 --> 01:40:50,300

yeah but that's the usually the upper

1959

01:40:57,669 --> 01:40:52,369

air I mean yeah you have the high

1960

01:41:00,549 --> 01:40:57,679

altitude wind currents but you know

1961

01:41:03,279 --> 01:41:00,559

that's you're talking up you know 40 50

1962

01:41:07,750 --> 01:41:03,289

thousand feet yeah where they have these

1963

01:41:10,569 --> 01:41:07,760

dramatic shifts not a hundred feet all

1964

01:41:13,809 --> 01:41:10,579

right a question sort of came up on the

1965

01:41:15,729 --> 01:41:13,819

message board and that is you're pretty

1966

01:41:17,949 --> 01:41:15,739

outspoken when it comes to MUFON but

1967

01:41:20,199 --> 01:41:17,959

you're in MUFON how do you get a lock

1968

01:41:23,850 --> 01:41:20,209

for that or or people just know you as

1969

01:41:23,860 --> 01:41:29,910

well I'm an outspoken period you know

1970

01:41:34,450 --> 01:41:32,530

I'm a product of my grandmother my

1971

01:41:37,030 --> 01:41:34,460

grandmother always taught me good ones

1972

01:41:39,610 --> 01:41:37,040

when you see something speak your mind

1973

01:41:41,470 --> 01:41:39,620

Tina if you have something to say speak

1974

01:41:43,600 --> 01:41:41,480

your mind you always used to say it to

1975

01:41:46,540 --> 01:41:43,610

me and that's what I do I let the chips

1976

01:41:48,550 --> 01:41:46,550

fall you know I try to I try to speak

1977

01:41:50,250 --> 01:41:48,560

the truth you know what I know to be the

1978

01:41:53,200 --> 01:41:50,260

truth and if someone doesn't like it

1979

01:41:55,210 --> 01:41:53,210

it's not my problem the whole truth and

1980

01:41:56,380 --> 01:41:55,220

nothing but the truth right yeah if you

1981

01:41:57,400 --> 01:41:56,390

if you're telling the truth you

1982

01:42:02,560 --> 01:41:57,410

shouldn't worry about it

1983

01:42:05,200 --> 01:42:02,570

I agree and but how do they view you

1984

01:42:07,450 --> 01:42:05,210

with them with your attitude I mean do

1985

01:42:12,100 --> 01:42:07,460

they they just they live with it or have

1986

01:42:18,070 --> 01:42:12,110

you been threatened at all some say he's

1987

01:42:21,340 --> 01:42:18,080

the crackpot you know but there are the

1988

01:42:24,490 --> 01:42:21,350

younger field investigators tend to be

1989

01:42:30,700 --> 01:42:24,500

much more open-minded about these things

1990

01:42:33,670 --> 01:42:30,710

you know and toward me those who have

1991

01:42:35,830 --> 01:42:33,680

been around forever and you know I think

1992

01:42:36,820 --> 01:42:35,840

they have it all worked out they don't

1993

01:42:39,760 --> 01:42:36,830

like that

1994

01:42:43,170 --> 01:42:39,770

you know I don't agree with their point

1995

01:42:45,940 --> 01:42:43,180

of view and I have a new point of view

1996

01:42:49,320 --> 01:42:45,950

it's just probably just the passing down

1997

01:42:54,100 --> 01:42:49,330

of you know like an old-school attitude

1998

01:42:56,229 --> 01:42:54,110

absolutely that's what it is yeah let's

1999

01:42:59,110 --> 01:42:56,239

see so we pretty much covered the valid

2000

01:43:01,150 --> 01:42:59,120

UFO evidence how about let's let's touch

2001

01:43:04,120 --> 01:43:01,160

on another year the stories are

2002

01:43:08,640 --> 01:43:04,130

interesting hear any any other one can

2003

01:43:16,420 --> 01:43:14,979

there was one over the there this had

2004

01:43:22,420 --> 01:43:16,430

been seen a number of times that this

2005

01:43:27,400 --> 01:43:22,430

one was going over it was out in LA and

2006

01:43:29,860 --> 01:43:27,410

it was you know there are you familiar

2007

01:43:32,620 --> 01:43:29,870

with Los Angeles oh yeah you know

2008

01:43:34,630 --> 01:43:32,630

there's I think it's interstate 10 is

2009

01:43:35,229 --> 01:43:34,640

the big one goes north and south one of

2010

01:43:39,280 --> 01:43:35,239

them anyway

2011

01:43:41,170 --> 01:43:39,290

this is right near LA and a that there

2012

01:43:41,979 --> 01:43:41,180

was this thing that stopped all the

2013

01:43:44,440 --> 01:43:41,989

traffic

2014

01:43:48,479 --> 01:43:44,450

all right on the freeway it was just

2015

01:43:55,590 --> 01:43:48,489

before an overpass and there was a

2016

01:44:00,910 --> 01:43:55,600

sphere with a being inside of it that

2017

01:44:05,200 --> 01:44:00,920

look was sort of walking in like walking

2018

01:44:06,820 --> 01:44:05,210

in the sphere but making it move it was

2019

01:44:09,040 --> 01:44:06,830

one that one of the bigger ones you know

2020

01:44:11,860 --> 01:44:09,050

one of the taller ones but it's like

2021

01:44:14,860 --> 01:44:11,870

yours I've seen pictures of these big

2022

01:44:15,910 --> 01:44:14,870

balloons people climb inside and they

2023

01:44:17,800 --> 01:44:15,920

float on water

2024

01:44:19,870 --> 01:44:17,810

I don't you ever seen or not they blow

2025

01:44:22,870 --> 01:44:19,880

up thing a lot of people said it looked

2026

01:44:25,570 --> 01:44:22,880

a lot like that but they said the it was

2027

01:44:28,750 --> 01:44:25,580

the person the thing the being was

2028

01:44:31,390 --> 01:44:28,760

making the really awkward movements as

2029

01:44:33,550 --> 01:44:31,400

it was doing this but it was enough it

2030

01:44:38,979 --> 01:44:33,560

walk you know went the whole way across

2031

01:44:40,990 --> 01:44:38,989

you know like six lanes of you know the

2032

01:44:44,950 --> 01:44:41,000

highway probably with the 105 or

2033

01:44:46,780 --> 01:44:44,960

something good be could be I don't know

2034

01:44:50,080 --> 01:44:46,790

I don't remember the exact I don't

2035

01:44:52,209 --> 01:44:50,090

remember what route it was anyway it

2036

01:44:55,300 --> 01:44:52,219

went all the way across and then just

2037

01:44:58,479 --> 01:44:55,310

disappear but that hit that thing is

2038

01:45:00,729 --> 01:44:58,489

that image has been seen a number of

2039

01:45:02,770 --> 01:45:00,739

times there's I don't know if it's like

2040

01:45:05,740 --> 01:45:02,780

a toy for the kids or you know I don't

2041

01:45:11,860 --> 01:45:05,750

know what it is it almost looks like

2042

01:45:13,900 --> 01:45:11,870

that like it's something that you know

2043

01:45:15,760 --> 01:45:13,910

something they they are the kids driving

2044

01:45:20,650 --> 01:45:15,770

appearance nuts inside the orange orbs

2045

01:45:22,660 --> 01:45:20,660

and they send them out really describe

2046

01:45:25,420 --> 01:45:22,670

what they're doing actually another

2047

01:45:26,709 --> 01:45:25,430

thing too with some orange orbs there

2048

01:45:28,360 --> 01:45:26,719

are the strangest little things

2049

01:45:30,729 --> 01:45:28,370

sometimes the orange orb is up there and

2050

01:45:35,020 --> 01:45:30,739

you will see it looks like a little tiny

2051

01:45:36,850 --> 01:45:35,030

orb is coming down it looks like there's

2052

01:45:39,490 --> 01:45:36,860

a little almost like a string attached

2053

01:45:42,310 --> 01:45:39,500

to it but several of them they'll come

2054

01:45:45,220 --> 01:45:42,320

down and they'll go back up again almost

2055

01:45:48,020 --> 01:45:45,230

like yeah I'm saying I'm thinking you

2056

01:45:50,060 --> 01:45:48,030

know what that looks like like parents

2057

01:45:51,500 --> 01:45:50,070

I'm using a kid you know they're putting

2058

01:45:53,839 --> 01:45:51,510

them in a little warp and letting go up

2059

01:45:55,100 --> 01:45:53,849

and down honest to god

2060

01:45:57,140 --> 01:45:55,110

that's what it looks like to me when I

2061

01:45:59,660 --> 01:45:57,150

see that yeah you see there are a number

2062

01:46:03,140 --> 01:45:59,670

of actually filmed sightings that you

2063

01:46:04,819 --> 01:46:03,150

see this little like some people think

2064

01:46:06,919 --> 01:46:04,829

it might be like a drone or a probe that

2065

01:46:07,729 --> 01:46:06,929

comes out of you know this vehicle or

2066

01:46:10,520 --> 01:46:07,739

whatever it is

2067

01:46:12,589 --> 01:46:10,530

yeah it's really pretty fascinating yeah

2068

01:46:15,470 --> 01:46:12,599

question couple of questions up on the

2069

01:46:17,089 --> 01:46:15,480

message board what is the what do you

2070

01:46:22,700 --> 01:46:17,099

consider the best case the most

2071

01:46:25,419 --> 01:46:22,710

compelling unimpeachable oh boy I don't

2072

01:46:27,770 --> 01:46:25,429

know if there's one best case because

2073

01:46:31,540 --> 01:46:27,780

there are so many different or there are

2074

01:46:35,450 --> 01:46:31,550

best cases in a lot of different areas

2075

01:46:38,299 --> 01:46:35,460

the one I found really fascinating there

2076

01:46:42,100 --> 01:46:38,309

was only one of them was we're talking

2077

01:46:46,819 --> 01:46:42,110

about how we're talking about wormholes

2078

01:46:48,529 --> 01:46:46,829

and how they could get here instantly

2079

01:46:52,069 --> 01:46:48,539

rather than taking a million years to do

2080

01:46:54,200 --> 01:46:52,079

it by bending space I found one case and

2081

01:46:58,399 --> 01:46:54,210

it's right near the end of my book where

2082

01:47:00,770 --> 01:46:58,409

a woman is describing something and if

2083

01:47:03,290 --> 01:47:00,780

you if you know anything about what a

2084

01:47:06,740 --> 01:47:03,300

wormhole is supposed to look like the

2085

01:47:09,339 --> 01:47:06,750

way Einstein described it this is a

2086

01:47:14,029 --> 01:47:09,349

perfect description of a vehicle

2087

01:47:16,430 --> 01:47:14,039

dropping out of a wormhole hmm it's

2088

01:47:19,010 --> 01:47:16,440

absolutely fascinating I mean and this

2089

01:47:20,740 --> 01:47:19,020

was not a really well-educated woman and

2090

01:47:23,290 --> 01:47:20,750

I was just she I think she was like

2091

01:47:25,760 --> 01:47:23,300

cafeteria worker or something like that

2092

01:47:29,870 --> 01:47:25,770

nothing against cafeteria workers but it

2093

01:47:32,240 --> 01:47:29,880

wasn't like she was some PhD type anyway

2094

01:47:35,359 --> 01:47:32,250

she was just describing this and and I

2095

01:47:37,970 --> 01:47:35,369

don't think she's read about Einstein

2096

01:47:41,120 --> 01:47:37,980

and wormholes to try to incorporate that

2097

01:47:43,040 --> 01:47:41,130

into a story but her description is a

2098

01:47:45,379 --> 01:47:43,050

perfect description of a vehicle

2099

01:47:48,140 --> 01:47:45,389

dropping out of a wormhole and then

2100

01:47:52,750 --> 01:47:48,150

wormhole closing up Wow

2101
01:47:56,540 --> 01:47:52,760
just we have I think it looks like maybe

2102
01:47:59,779 --> 01:47:56,550
eight minutes or so left so a couple of

2103
01:48:01,760 --> 01:47:59,789
questions you seemed pretty convinced

2104
01:48:05,920 --> 01:48:01,770
this is off the message board

2105
01:48:08,360 --> 01:48:05,930
that they are alien craft without using

2106
01:48:13,550 --> 01:48:08,370
those words what made you come to that

2107
01:48:17,330 --> 01:48:13,560
conclusion well based upon my life

2108
01:48:20,540 --> 01:48:17,340
experience and based upon my career is a

2109
01:48:23,060 --> 01:48:20,550
military pilot I have a pretty good idea

2110
01:48:25,280 --> 01:48:23,070
as to what it takes to fly something and

2111
01:48:28,660 --> 01:48:25,290
everything we have is flown with an

2112
01:48:31,070 --> 01:48:28,670
airfoil you know which means you have

2113
01:48:32,660 --> 01:48:31,080

more pressure under the wing that's why

2114

01:48:35,780 --> 01:48:32,670

wings are curved you have more pressure

2115

01:48:38,510 --> 01:48:35,790

you know the venturi principle and so

2116

01:48:42,340 --> 01:48:38,520

when an airplane makes a turn it has to

2117

01:48:45,200 --> 01:48:42,350

make a banked round turn to keep enough

2118

01:48:47,470 --> 01:48:45,210

lift under its wings that's what we have

2119

01:48:50,570 --> 01:48:47,480

and a helicopter is the same thing the

2120

01:48:52,670 --> 01:48:50,580

the helicopter blades are basically a

2121

01:48:55,310 --> 01:48:52,680

wing spinning around and that's what

2122

01:49:00,590 --> 01:48:55,320

pulls it up so it's all based upon

2123

01:49:07,000 --> 01:49:00,600

airfoil these orange herbs do not use

2124

01:49:09,380 --> 01:49:07,010

air foils they they they are clearly

2125

01:49:11,980 --> 01:49:09,390

anti-gravity they have an anti-gravity

2126
01:49:18,080 --> 01:49:11,990
mechanism that keeps them up there

2127
01:49:20,960 --> 01:49:18,090
without any visible means of being up

2128
01:49:23,540 --> 01:49:20,970
there you know they are just floating up

2129
01:49:24,650 --> 01:49:23,550
there and they are under intelligent

2130
01:49:28,700 --> 01:49:24,660
control

2131
01:49:30,260 --> 01:49:28,710
they make 90-degree turns and they can

2132
01:49:32,870 --> 01:49:30,270
make them in an instant there is

2133
01:49:36,080 --> 01:49:32,880
absolutely nothing on earth that can

2134
01:49:40,010 --> 01:49:36,090
make a 90-degree turn at a high speed

2135
01:49:42,110 --> 01:49:40,020
right it's impossible with how we slide

2136
01:49:43,550 --> 01:49:42,120
things it doesn't matter if it's a drone

2137
01:49:44,030 --> 01:49:43,560
or not I mean anything would just fall

2138
01:49:47,530 --> 01:49:44,040

apart

2139

01:49:53,690 --> 01:49:47,540

really well would you couldn't do it you

2140

01:49:54,860 --> 01:49:53,700

cannot we would have physically first of

2141

01:49:57,500 --> 01:49:54,870

all you couldn't do it an airplane

2142

01:49:59,300 --> 01:49:57,510

airplane turns are always curved they

2143

01:50:01,550 --> 01:49:59,310

have to be yeah well you fall out of the

2144

01:50:03,920 --> 01:50:01,560

sky you get a wing stall you follow this

2145

01:50:07,820 --> 01:50:03,930

guy helicopters can make 90-degree turns

2146

01:50:09,170 --> 01:50:07,830

but they have to stop and do it you know

2147

01:50:12,710 --> 01:50:09,180

you have to come to a stop make your

2148

01:50:15,590 --> 01:50:12,720

turn and go 90 degrees but these things

2149

01:50:20,690 --> 01:50:15,600

turn instantly and they can also

2150

01:50:23,630 --> 01:50:20,700

they can move at a rate of speed that we

2151
01:50:24,980 --> 01:50:23,640
would never dream of moving they can go

2152
01:50:27,080 --> 01:50:24,990
from one point in the sky

2153
01:50:33,590 --> 01:50:27,090
to another point of sky maybe 20 miles

2154
01:50:35,270 --> 01:50:33,600
away in a tenth of a second now weakness

2155
01:50:35,840 --> 01:50:35,280
we can't even dream about doing that

2156
01:50:39,170 --> 01:50:35,850
right now

2157
01:50:43,190 --> 01:50:39,180
so I mean the answer to your caller is

2158
01:50:47,330 --> 01:50:43,200
there there's nothing that we can do

2159
01:50:51,800 --> 01:50:47,340
that can do that so it has to be made

2160
01:50:55,220 --> 01:50:51,810
somewhere else than on earth yeah I mean

2161
01:50:59,330 --> 01:50:55,230
that's in my opinion the most logical I

2162
01:51:03,320 --> 01:50:59,340
would have to say now you mentioned

2163
01:51:06,560 --> 01:51:03,330

earlier about one particular case where

2164

01:51:09,590 --> 01:51:06,570

there was more or less an abduction are

2165

01:51:11,750 --> 01:51:09,600

there other cases that talk about these

2166

01:51:15,430 --> 01:51:11,760

orange orbs and abductions or was that

2167

01:51:20,510 --> 01:51:15,440

kind of an atypical situation they

2168

01:51:24,680 --> 01:51:20,520

rarely abduct there are only a few cases

2169

01:51:26,600 --> 01:51:24,690

with abductions and none of them lead

2170

01:51:31,330 --> 01:51:26,610

men these two hunters that were taken

2171

01:51:34,280 --> 01:51:31,340

onboard this craft they were as I said

2172

01:51:36,290 --> 01:51:34,290

treated to disgusting behavior as they

2173

01:51:38,570 --> 01:51:36,300

described it they didn't go into detail

2174

01:51:40,040 --> 01:51:38,580

I don't think they wanted to anyway they

2175

01:51:42,020 --> 01:51:40,050

were they were treated in a way they

2176
01:51:45,650 --> 01:51:42,030
found disgusting and nauseating but they

2177
01:51:51,820 --> 01:51:45,660
they weren't harmed in any way and no

2178
01:51:54,650 --> 01:51:51,830
one has been taken and not returned so

2179
01:51:57,950 --> 01:51:54,660
but they're not I don't think they're I

2180
01:52:00,130 --> 01:51:57,960
think they're the beings that are

2181
01:52:03,620 --> 01:52:00,140
operating these things I think are past

2182
01:52:06,340 --> 01:52:03,630
the investigative stage where they want

2183
01:52:09,020 --> 01:52:06,350
to abduct people and do experiments and

2184
01:52:12,560 --> 01:52:09,030
you know study our botany I think

2185
01:52:15,500 --> 01:52:12,570
they're past that and I think right now

2186
01:52:18,260 --> 01:52:15,510
they're there they're dealing in

2187
01:52:21,140 --> 01:52:18,270
psychological games right now because I

2188
01:52:23,300 --> 01:52:21,150

think they've decided that we are have

2189

01:52:24,950 --> 01:52:23,310

reached the stage where we in our

2190

01:52:28,310 --> 01:52:24,960

development that they can safely

2191

01:52:29,370 --> 01:52:28,320

integrate onto earth without totally

2192

01:52:34,320 --> 01:52:29,380

destroying our

2193

01:52:37,260 --> 01:52:34,330

our civilization so I don't think they

2194

01:52:40,050 --> 01:52:37,270

need to abduct anymore okay

2195

01:52:41,910 --> 01:52:40,060

I'm not sure exactly oh I think we got

2196

01:52:45,510 --> 01:52:41,920

four or five minutes here I want to ask

2197

01:52:48,270 --> 01:52:45,520

you also can you describe the occupants

2198

01:52:50,070 --> 01:52:48,280

in more detail I mean did people say I

2199

01:52:51,570 --> 01:52:50,080

know you talked about the suits or

2200

01:52:53,460 --> 01:52:51,580

whatever they appear to be wearing but

2201
01:52:59,430 --> 01:52:53,470
what about there the head shapes the

2202
01:53:03,390 --> 01:52:59,440
eyes thing yeah with the bangs

2203
01:53:05,090 --> 01:53:03,400
their heads were only they they they are

2204
01:53:08,010 --> 01:53:05,100
described as having a very human face

2205
01:53:10,980 --> 01:53:08,020
just slightly different their heads are

2206
01:53:15,120 --> 01:53:10,990
a little bit bigger than ours a little

2207
01:53:17,190 --> 01:53:15,130
bit more elongated but very similar to

2208
01:53:20,160 --> 01:53:17,200
the shape of a head and there they say

2209
01:53:23,490 --> 01:53:20,170
their eyes are exactly like human eyes

2210
01:53:25,860 --> 01:53:23,500
they're just bigger you know they're not

2211
01:53:28,080 --> 01:53:25,870
these you know off you can see pictures

2212
01:53:30,750 --> 01:53:28,090
of these slants almost oriental looking

2213
01:53:34,560 --> 01:53:30,760

eyes or something in picture just trying

2214

01:53:37,050 --> 01:53:34,570

whatever that's not what the that's not

2215

01:53:40,890 --> 01:53:37,060

what the witnesses are saying they're

2216

01:53:46,470 --> 01:53:40,900

saying their eyes look quite human but

2217

01:53:51,510 --> 01:53:46,480

they're just larger and they're they

2218

01:53:55,890 --> 01:53:51,520

have small noses no apparent ears and

2219

01:53:59,700 --> 01:53:55,900

very small mouths but they're they are

2220

01:54:01,770 --> 01:53:59,710

not like these people you know they say

2221

01:54:04,070 --> 01:54:01,780

they look like lizards or whatever all

2222

01:54:07,140 --> 01:54:04,080

these people sure don't they could they

2223

01:54:10,200 --> 01:54:07,150

most most witnesses describe them as

2224

01:54:13,920 --> 01:54:10,210

being very human looking well

2225

01:54:16,710 --> 01:54:13,930

interesting what about hair that's an

2226

01:54:18,000 --> 01:54:16,720

interesting situation a lot of people

2227

01:54:21,030 --> 01:54:18,010

have described there that there's

2228

01:54:22,830 --> 01:54:21,040

something but with the adults there's

2229

01:54:25,920 --> 01:54:22,840

something on their head

2230

01:54:29,370 --> 01:54:25,930

the there it's either hair or like a

2231

01:54:33,120 --> 01:54:29,380

flap of skin we toured the back of it

2232

01:54:36,000 --> 01:54:33,130

that sort of hangs a lot a lot of people

2233

01:54:38,070 --> 01:54:36,010

said that and they don't describe it as

2234

01:54:39,510 --> 01:54:38,080

hair they say you could at first it

2235

01:54:42,719 --> 01:54:39,520

looks like here but then you see it's

2236

01:54:45,330 --> 01:54:42,729

like skin or something then Oh

2237

01:54:47,759 --> 01:54:45,340

that's all I can tell you if they're not

2238

01:54:50,100 --> 01:54:47,769

describing in his hair it can appear

2239

01:54:52,259 --> 01:54:50,110

from a distance but up close it's more

2240

01:54:54,540 --> 01:54:52,269

like skin hanging down Wow

2241

01:54:57,509 --> 01:54:54,550

and the littler the smaller ones are

2242

01:55:01,649 --> 01:54:57,519

they very similar to the two the big

2243

01:55:06,799 --> 01:55:01,659

ones well they're not there they're not

2244

01:55:10,229 --> 01:55:06,809

as muscular looking it's almost like I

2245

01:55:13,439 --> 01:55:10,239

think of an adult male but you know

2246

01:55:16,140 --> 01:55:13,449

who's in good shape you know tall

2247

01:55:18,930 --> 01:55:16,150

muscular a kid's gonna be a little pudgy

2248

01:55:20,459 --> 01:55:18,940

here you know yeah and a softer looking

2249

01:55:22,290 --> 01:55:20,469

and that's how they're described they're

2250

01:55:25,589 --> 01:55:22,300

you know they're soft thing softer

2251

01:55:27,870 --> 01:55:25,599

looking creatures look by kids they've

2252

01:55:30,029 --> 01:55:27,880

childish all right well hey thanks so

2253

01:55:31,890 --> 01:55:30,039

much it's it's been a real real pleasure

2254

01:55:37,080 --> 01:55:31,900

speaking to you this evening

2255

01:55:42,330 --> 01:55:37,090

okay yes and you can find his book on

2256

01:55:46,890 --> 01:55:42,340

Amazon so I want to move on and move on

2257

01:55:48,060 --> 01:55:46,900

that's where yeah first you go yes all

2258

01:55:49,620 --> 01:55:48,070

right all right

2259

01:55:51,439 --> 01:55:49,630

so I want to thank everyone for helping

2260

01:55:55,709 --> 01:55:51,449

out with a show today Alejandro Rojas

2261

01:55:59,520 --> 01:55:55,719

for our news early on we want to thank

2262

01:56:01,439 --> 01:55:59,530

our guests Terry ray and Carrie Lloyd

2263

01:56:03,750 --> 01:56:01,449

Whitehouse and Bruce Renier for our

2264

01:56:05,520 --> 01:56:03,760

music Peggy shining for managing our

2265

01:56:08,250 --> 01:56:05,530

Facebook page and remember to like us on

2266

01:56:10,799 --> 01:56:08,260

Facebook for all the latest UFO news we

2267

01:56:12,660 --> 01:56:10,809

have dr. Leo sprinkle and old-time

2268

01:56:14,520 --> 01:56:12,670

investigators going to be on next week

2269

01:56:17,430 --> 01:56:14,530

you can check us out here live and

2270

01:56:19,199 --> 01:56:17,440

listen to the whole show at 8 p.m. to 10

2271

01:56:20,669 --> 01:56:19,209

p.m. Eastern Standard Time this is

2272

01:56:22,830 --> 01:56:20,679

Martyn Willis and that's Wednesday that
