

1  
00:00:03,169 --> 00:00:02,389  
and it hits me oh my gosh this is that

2  
00:00:04,280 --> 00:00:03,179  
triangle

3  
00:00:05,390 --> 00:00:04,290  
you know there's explanation for

4  
00:00:08,570 --> 00:00:05,400  
everything that occurred in the

5  
00:00:11,509 --> 00:00:08,580  
Rendlesham forest incident aliens at all

6  
00:00:14,450 --> 00:00:11,519  
it was completely silent it comes right

7  
00:00:16,700 --> 00:00:14,460  
over our head it's so classic

8  
00:00:18,529 --> 00:00:16,710  
flying-saucer really standing in the

9  
00:00:20,000 --> 00:00:18,539  
clearing he turned over to my father and

10  
00:00:25,820 --> 00:00:20,010  
held his hand and he looked in his eyes

11  
00:00:28,429 --> 00:00:25,830  
and said we're not alone welcome to

12  
00:00:30,830 --> 00:00:28,439  
podcast UFO for our live show

13  
00:00:33,020 --> 00:00:30,840

we're live every Wednesday at 8 p.m.

14

00:00:35,569 --> 00:00:33,030  
Eastern Standard Time on the dark matter

15

00:00:39,229 --> 00:00:35,579  
radio network please remember to visit

16

00:00:42,440 --> 00:00:39,239  
the website podcast UFO calm for past

17

00:00:44,420 --> 00:00:42,450  
episodes blogs and forums during the

18

00:00:46,910 --> 00:00:44,430  
show feel free to participate live in

19

00:00:51,040 --> 00:00:46,920  
our chat room and don't forget to like

20

00:00:53,420 --> 00:00:51,050  
us on our very active Facebook page

21

00:00:56,000 --> 00:00:53,430  
hello everyone this is Martin Willis

22

00:00:58,220 --> 00:00:56,010  
your host we have Alejandro Rojas coming

23

00:01:01,670 --> 00:00:58,230  
up with the news our guest tonight is

24

00:01:03,950 --> 00:01:01,680  
dr. Leo sprinkle and at least I hope it

25

00:01:06,950 --> 00:01:03,960  
is I tried to reach him today with no

26

00:01:10,179 --> 00:01:06,960

luck so cross your fingers I was on Bill

27

00:01:12,890 --> 00:01:10,189

and Nancy burns show future theater on

28

00:01:14,480 --> 00:01:12,900

Monday night and I had a blast with them

29

00:01:17,660 --> 00:01:14,490

it felt like I was sitting with family

30

00:01:19,760 --> 00:01:17,670

having a nice chat and that podcast will

31

00:01:22,219 --> 00:01:19,770

be in our show notes if anyone would

32

00:01:24,920 --> 00:01:22,229

care to listen to that I want to thank

33

00:01:26,480 --> 00:01:24,930

everyone for their support and if you'd

34

00:01:28,700 --> 00:01:26,490

like to support us to listen to the

35

00:01:30,560 --> 00:01:28,710

second part of the show you can do that

36

00:01:33,230 --> 00:01:30,570

for only \$1 a month or more and that

37

00:01:36,469 --> 00:01:33,240

information is right on the icon on our

38

00:01:38,179 --> 00:01:36,479

website sidebar

39

00:01:41,450 --> 00:01:38,189

tonight is the night I'm gonna do a

40

00:01:43,940 --> 00:01:41,460

little shout out for supporters now I'm

41

00:01:46,880 --> 00:01:43,950

going to do just random names because

42

00:01:47,840 --> 00:01:46,890

the full list is way too many and I

43

00:01:51,080 --> 00:01:47,850

don't want to take up the whole entire

44

00:01:53,749 --> 00:01:51,090

show doing that so first of all Phil s

45

00:01:59,359 --> 00:01:53,759

he's a double supporter at the \$25 level

46

00:02:03,940 --> 00:01:59,369

Thank You Phil Edie s and he's a new \$25

47

00:02:12,130 --> 00:02:03,950

supporter thanks Donna Kay Gary Oh

48

00:02:14,119 --> 00:02:12,140

Mary Ann Ann Jordan B Dan B David M

49

00:02:18,300 --> 00:02:14,129

Anders Jay

50

00:02:24,750 --> 00:02:18,310

another David M we have a Sid and we

51  
00:02:26,399 --> 00:02:24,760  
have a Chuck a and Jethro J and Allen s

52  
00:02:29,670 --> 00:02:26,409  
and there's many more and I'll announce

53  
00:02:31,860 --> 00:02:29,680  
the names again or different names maybe

54  
00:02:34,890 --> 00:02:31,870  
the following week I also want to draw a

55  
00:02:37,559 --> 00:02:34,900  
we have a in the ten dollar or above

56  
00:02:45,080 --> 00:02:37,569  
level we have a drawing once a month for

57  
00:02:48,539 --> 00:02:45,090  
t-shirt and hang on and it's Donna Kay

58  
00:02:51,449 --> 00:02:48,549  
gets the t-shirt how about that

59  
00:02:55,259 --> 00:02:51,459  
congratulations Donna so we are ready to

60  
00:02:58,559 --> 00:02:55,269  
bring in the one and the only Alejandro

61  
00:03:01,530 --> 00:02:58,569  
Rojas hey that's me that's you what's

62  
00:03:03,630 --> 00:03:01,540  
going on this week there's all kinds of

63  
00:03:05,910 --> 00:03:03,640

stuff going on all week we've got a lot

64

00:03:07,890 --> 00:03:05,920

of story so I picked some that I thought

65

00:03:11,369 --> 00:03:07,900

you might find interesting here to talk

66

00:03:13,170 --> 00:03:11,379

about far away buddy this first one had

67

00:03:15,539 --> 00:03:13,180

some good news you know we talk a lot

68

00:03:17,369 --> 00:03:15,549

about UFOs of course your shows based on

69

00:03:20,759 --> 00:03:17,379

it everything that we do here is based

70

00:03:23,789 --> 00:03:20,769

on it at open mind but with all the UFOs

71

00:03:26,550 --> 00:03:23,799

flying around out there luckily none of

72

00:03:28,500 --> 00:03:26,560

them are pestering the people of Japan

73

00:03:31,740 --> 00:03:28,510

at least that's according to their

74

00:03:35,190 --> 00:03:31,750

defense minister on April 1st the

75

00:03:38,099 --> 00:03:35,200

defense minister responded to some

76  
00:03:41,129 --> 00:03:38,109  
questions about threats from space and

77  
00:03:43,259 --> 00:03:41,139  
this was printed in Japan Times they

78  
00:03:45,839 --> 00:03:43,269  
reported that the questions came from a

79  
00:03:49,920 --> 00:03:45,849  
quote flamboyant wrestler turned

80  
00:03:54,300 --> 00:03:49,930  
lawmaker Antonio Inoki but he asked

81  
00:03:57,259 --> 00:03:54,310  
during a budget Q&A type of thing if the

82  
00:03:59,129 --> 00:03:57,269  
military dispatches jets to intercept

83  
00:04:02,789 --> 00:03:59,139  
extraterrestrial spacecraft

84  
00:04:05,580 --> 00:04:02,799  
the defense minister said that we do

85  
00:04:07,710 --> 00:04:05,590  
launch jets when we detect unidentified

86  
00:04:11,670 --> 00:04:07,720  
flying objects however they usually turn

87  
00:04:14,250 --> 00:04:11,680  
out to be Birds or other aircraft or

88  
00:04:16,500 --> 00:04:14,260

other flying objects but as far as they

89

00:04:19,979 --> 00:04:16,510

know none of them have ever been from

90

00:04:21,479 --> 00:04:19,989

anywhere other than Earth so interesting

91

00:04:24,089 --> 00:04:21,489

that he should have that answer but it

92

00:04:25,620 --> 00:04:24,099

also gave Jason wrote this story and it

93

00:04:27,240 --> 00:04:25,630

gave him an opportunity to write about

94

00:04:29,970 --> 00:04:27,250

other japanese

95

00:04:32,670 --> 00:04:29,980

who have had a different opinion so for

96

00:04:35,190 --> 00:04:32,680

instance the wife of former Prime

97

00:04:39,720 --> 00:04:35,200

Minister Yukio Hatoyama

98

00:04:41,160 --> 00:04:39,730

Katayama he the book saying that the way

99

00:04:44,910 --> 00:04:41,170

I pronounce the name that was good

100

00:04:47,370 --> 00:04:44,920

yo-yo ma she talked about how she hurt

101  
00:04:50,670 --> 00:04:47,380  
while she was sleeping her spirit left

102  
00:04:53,670 --> 00:04:50,680  
her and flew around in a triangular UFO

103  
00:04:58,700 --> 00:04:53,680  
to Venus this was in a book that she

104  
00:05:01,920 --> 00:04:58,710  
wrote other more down to earth I guess

105  
00:05:06,780 --> 00:05:01,930  
opinions have come from a parliament

106  
00:05:09,960 --> 00:05:06,790  
member Ryoji Yamani in 2007 he said that

107  
00:05:13,950 --> 00:05:09,970  
it was really important that the

108  
00:05:16,200 --> 00:05:13,960  
government collect UFO information for

109  
00:05:19,890 --> 00:05:16,210  
national security sake and for public

110  
00:05:22,470 --> 00:05:19,900  
interests and with amid you know so many

111  
00:05:27,420 --> 00:05:22,480  
eyewitness reports of UFOs out there

112  
00:05:29,460 --> 00:05:27,430  
also in 2007 the defense minister said

113  
00:05:32,370 --> 00:05:29,470

that there were no grounds to deny that

114

00:05:35,370 --> 00:05:32,380

there are unidentified objects and some

115

00:05:38,820 --> 00:05:35,380

other life-form controlling them so a

116

00:05:40,740 --> 00:05:38,830

couple of people in the military or

117

00:05:44,790 --> 00:05:40,750

government of Japan that have been into

118

00:05:47,700 --> 00:05:44,800

UFOs but I guess you know there you go

119

00:05:51,330 --> 00:05:47,710

Wow you know I hate that when my spirit

120

00:05:53,340 --> 00:05:51,340

goes in a triangle UFO and goes to Venus

121

00:05:56,040 --> 00:05:53,350

I'd rather yeah I'd rather it be like a

122

00:05:58,710 --> 00:05:56,050

disk does that happen to you often oh

123

00:06:00,390 --> 00:05:58,720

you know not not all that often but you

124

00:06:01,800 --> 00:06:00,400

know the triangle I just I just don't

125

00:06:04,230 --> 00:06:01,810

like the triangle like the disc much

126

00:06:07,050 --> 00:06:04,240

better triangular the hard edges are

127

00:06:09,180 --> 00:06:07,060

more of the masculine type of thing the

128

00:06:13,170 --> 00:06:09,190

round curves are usually more feminine

129

00:06:15,300 --> 00:06:13,180

and if I'm to be swept away just you

130

00:06:17,909 --> 00:06:15,310

know I would rather be swept away by a

131

00:06:19,800 --> 00:06:17,919

feminine sort of energy or feel as well

132

00:06:24,150 --> 00:06:19,810

yeah you're preaching to the choir here

133

00:06:25,560 --> 00:06:24,160

buddy so what else is you say you have a

134

00:06:27,840 --> 00:06:25,570

lot of stories are you going to just

135

00:06:30,270 --> 00:06:27,850

talk a lot of stories I'm just gonna

136

00:06:32,610 --> 00:06:30,280

yeah pick from them so I'd picked three

137

00:06:34,530 --> 00:06:32,620

and there are a lot of really good MUFON

138

00:06:37,380 --> 00:06:34,540

stories that Roger Marsh has posted on

139

00:06:39,030 --> 00:06:37,390

our site lately one of those is from a

140

00:06:42,030 --> 00:06:39,040

military witness

141

00:06:46,050 --> 00:06:42,040

who says that he was out having a

142

00:06:50,310 --> 00:06:46,060

cigarette this is in Georgia and he saw

143

00:06:53,670 --> 00:06:50,320

a it was about 11 o'clock at night on

144

00:06:55,940 --> 00:06:53,680

February 2nd and he saw what he

145

00:06:59,130 --> 00:06:55,950

describes as a kind of a cigar shaped

146

00:07:01,680 --> 00:06:59,140

silhouette against the Stars and there

147

00:07:04,380 --> 00:07:01,690

were four lights on the object he said

148

00:07:07,440 --> 00:07:04,390

the two middle ones were bright were

149

00:07:09,480 --> 00:07:07,450

brightest he says that he has spent six

150

00:07:11,580 --> 00:07:09,490

years in the military and four of those

151

00:07:13,980 --> 00:07:11,590

were with special operations and he

152

00:07:16,320 --> 00:07:13,990

knows everything that is flying up there

153

00:07:19,020 --> 00:07:16,330

but he couldn't tell what the heck this

154

00:07:21,600 --> 00:07:19,030

thing was he was pretty floored by the

155

00:07:24,810 --> 00:07:21,610

whole thing then he says soon after he

156

00:07:27,390 --> 00:07:24,820

sees that it's followed by a Black Hawk

157

00:07:30,420 --> 00:07:27,400

helicopter like he says a black hawk or

158

00:07:31,920 --> 00:07:30,430

a Jayhawk one is like you know I they're

159

00:07:34,290 --> 00:07:31,930

both the same helicopter but they're

160

00:07:37,770 --> 00:07:34,300

used by I think ones used by Coast Guard

161

00:07:39,210 --> 00:07:37,780

when Jews by like the Navy and they just

162

00:07:41,040 --> 00:07:39,220

have different names for who's using

163

00:07:43,470 --> 00:07:41,050

this sukhiya

164

00:07:45,180 --> 00:07:43,480

helicopter but anyway he said he could

165

00:07:47,700 --> 00:07:45,190

tell it was this type of helicopter from

166

00:07:50,100 --> 00:07:47,710

the configuration of the lights in the

167

00:07:51,900 --> 00:07:50,110

back so that's kind of a really

168

00:07:54,060 --> 00:07:51,910

interesting exciting from a pretty

169

00:07:57,840 --> 00:07:54,070

credible witness there so that's one of

170

00:08:00,750 --> 00:07:57,850

some very interesting MUFON reports that

171

00:08:02,790 --> 00:08:00,760

have come recently he also did draw a

172

00:08:06,090 --> 00:08:02,800

couple of sketches of what he saw and

173

00:08:09,000 --> 00:08:06,100

those can be seen at the story but last

174

00:08:11,820 --> 00:08:09,010

guest I had on last week I see was a Air

175

00:08:14,040 --> 00:08:11,830

Force pilot and I I said to him what

176

00:08:17,130 --> 00:08:14,050

happens to all these you know like Air

177

00:08:20,730 --> 00:08:17,140

Force Navy whoever it is helicopters or

178

00:08:22,680 --> 00:08:20,740

jets that are chasing UFOs why don't the

179

00:08:23,820 --> 00:08:22,690

pilots ever talk about it he basically

180

00:08:26,760 --> 00:08:23,830

said you know while you're in the

181

00:08:28,740 --> 00:08:26,770

service you definitely can't and it's

182

00:08:30,600 --> 00:08:28,750

it's you know if you go into being a

183

00:08:33,089 --> 00:08:30,610

commercial pilot which a lot of Air

184

00:08:35,100 --> 00:08:33,099

Force pilots do go into commercial

185

00:08:38,190 --> 00:08:35,110

piloting you know you can't talk about

186

00:08:41,760 --> 00:08:38,200

it there either mm-hmm although with the

187

00:08:43,589 --> 00:08:41,770

I've always heard with the airliners you

188

00:08:45,180 --> 00:08:43,599

know commercial airlines it's more of a

189

00:08:47,820 --> 00:08:45,190

taboo kind of thing where you don't want

190

00:08:49,780 --> 00:08:47,830

to be seen as weird and they don't want

191

00:08:51,970 --> 00:08:49,790

you to mention the

192

00:08:54,610 --> 00:08:51,980

who you're working for but I've known

193

00:08:56,050 --> 00:08:54,620

some pilots even who do talks but yeah

194

00:08:59,320 --> 00:08:56,060

the air force guys I guess are

195

00:09:01,570 --> 00:08:59,330

especially worried because they could be

196

00:09:03,490 --> 00:09:01,580

grounded and that's like you know the

197

00:09:05,800 --> 00:09:03,500

worst thing you can do to a jet fighter

198

00:09:07,120 --> 00:09:05,810

pilot or a pilot is to ground them so

199

00:09:09,250 --> 00:09:07,130

yeah yeah

200

00:09:13,000 --> 00:09:09,260

stop it's like taking the microphone

201  
00:09:14,370 --> 00:09:13,010  
away from us you know no man would I be

202  
00:09:17,620 --> 00:09:14,380  
upset

203  
00:09:21,100 --> 00:09:17,630  
God God help the person who tries to do

204  
00:09:24,030 --> 00:09:21,110  
that right so we got two more stories or

205  
00:09:26,470 --> 00:09:24,040  
one I'm totally one more story all right

206  
00:09:29,680 --> 00:09:26,480  
but this is exciting and this is

207  
00:09:31,860 --> 00:09:29,690  
foretelling possibly of what we're gonna

208  
00:09:34,420 --> 00:09:31,870  
be seeing in the future and this is

209  
00:09:37,690 --> 00:09:34,430  
Hillary Clinton in her office being

210  
00:09:39,790 --> 00:09:37,700  
asked about UFOs because as you can see

211  
00:09:43,180 --> 00:09:39,800  
and I've linked to it in our story that

212  
00:09:44,200 --> 00:09:43,190  
you know Hillary and the Clintons and

213  
00:09:46,240 --> 00:09:44,210

John Podesta

214

00:09:49,060 --> 00:09:46,250

who was Bill Clinton's chief of staff

215

00:09:51,310 --> 00:09:49,070

and he's come out talking about UFOs

216

00:09:53,740 --> 00:09:51,320

Clinton has talked about how he looked

217

00:09:55,240 --> 00:09:53,750

into UFOs there's a whole UFO thing

218

00:09:55,780 --> 00:09:55,250

there with Clintons and the people they

219

00:09:59,620 --> 00:09:55,790

work with

220

00:10:01,990 --> 00:09:59,630

and so Mother Jones decided to do a

221

00:10:05,410 --> 00:10:02,000

story on this they interviewed Stephen

222

00:10:07,350 --> 00:10:05,420

Bassett and Michael Sawa Stephen Bassett

223

00:10:09,820 --> 00:10:07,360

was essentially saying hey you know

224

00:10:12,670 --> 00:10:09,830

there's a lot going on here we need to

225

00:10:16,390 --> 00:10:12,680

pay attention he pointed out that John

226

00:10:18,730 --> 00:10:16,400

Podesta had recently tweeted that he

227

00:10:22,630 --> 00:10:18,740

said one of his biggest failures in 2014

228

00:10:24,700 --> 00:10:22,640

was not to secure the disclosure of the

229

00:10:28,180 --> 00:10:24,710

UFO FILES a lot of people thought he was

230

00:10:30,130 --> 00:10:28,190

kidding around Bassett says no way so

231

00:10:32,920 --> 00:10:30,140

does Michael Saleh Michael Saleh says

232

00:10:35,700 --> 00:10:32,930

that we are interacting with 17

233

00:10:39,550 --> 00:10:35,710

different types of alien civilizations

234

00:10:41,680 --> 00:10:39,560

and that when Obama recently was on

235

00:10:43,480 --> 00:10:41,690

Jimmy Kimmel and he says you know the

236

00:10:46,030 --> 00:10:43,490

UFOs are controlling or the aliens

237

00:10:50,020 --> 00:10:46,040

control what we say and do that he takes

238

00:10:51,930 --> 00:10:50,030

it you know pretty seriously and so he

239

00:10:54,190 --> 00:10:51,940

thinks this is an indication that

240

00:10:56,500 --> 00:10:54,200

there's going to be a release of

241

00:10:58,170 --> 00:10:56,510

information and he feels that Hillary

242

00:11:00,160 --> 00:10:58,180

Clinton running for president

243

00:11:02,500 --> 00:11:00,170

essentially I guess he's saying he

244

00:11:03,790 --> 00:11:02,510

doesn't say this explicitly but he

245

00:11:05,259 --> 00:11:03,800

thinks she's going to win and

246

00:11:09,699 --> 00:11:05,269

and she's going to work towards

247

00:11:11,889 --> 00:11:09,709

disclosing UFO information so Mother

248

00:11:13,960 --> 00:11:11,899

Jones tried to get ahold of Podesta and

249

00:11:17,590 --> 00:11:13,970

Clinton but as it would not comment on

250

00:11:22,090 --> 00:11:17,600

his tweet but Clinton's office did

251  
00:11:25,680 --> 00:11:22,100  
respond and yeah interesting huh and a

252  
00:11:29,440 --> 00:11:25,690  
spokesman from her office said with that

253  
00:11:31,660 --> 00:11:29,450  
Arnon campaign because of course she's

254  
00:11:34,660 --> 00:11:31,670  
not officially running for president yet

255  
00:11:37,180 --> 00:11:34,670  
our non campaign has a strict policy of

256  
00:11:42,550 --> 00:11:37,190  
not commenting on extraterrestrial

257  
00:11:45,400 --> 00:11:42,560  
activity but the truth is out there pum

258  
00:11:48,130 --> 00:11:45,410  
pum pum those exact words

259  
00:11:51,220 --> 00:11:48,140  
yeah those exact words how about that

260  
00:11:53,860 --> 00:11:51,230  
they maybe had been aware of Podesta's

261  
00:11:55,750 --> 00:11:53,870  
tweet because he does have a hashtag

262  
00:11:57,970 --> 00:11:55,760  
that says the truth is still out there

263  
00:12:00,970 --> 00:11:57,980

of course the truth is out there comes

264

00:12:02,949 --> 00:12:00,980

from the x-files yeah what you're

265

00:12:06,240 --> 00:12:02,959

starting up this summer so x-files is

266

00:12:09,430 --> 00:12:06,250

big news so the Nick Merrill who was the

267

00:12:11,230 --> 00:12:09,440

representative for the Clinton's office

268

00:12:14,949 --> 00:12:11,240

must have been familiar with one of

269

00:12:18,550 --> 00:12:14,959

those that to use that term but the

270

00:12:21,639 --> 00:12:18,560

question is yeah what will she win and

271

00:12:25,180 --> 00:12:21,649

if she does is she gonna want anything

272

00:12:28,110 --> 00:12:25,190

to do with UFOs other government files

273

00:12:29,949 --> 00:12:28,120

on that Grant Cameron had retrieved

274

00:12:31,840 --> 00:12:29,959

there's a more that I wrote about

275

00:12:34,180 --> 00:12:31,850

there's some more history but you know

276

00:12:37,240 --> 00:12:34,190

Laurance Rockefeller who has since

277

00:12:39,130 --> 00:12:37,250

passed away when he you know was

278

00:12:41,949 --> 00:12:39,140

practically on his deathbed funded in

279

00:12:43,750 --> 00:12:41,959

the nineties some paranormal research

280

00:12:47,350 --> 00:12:43,760

and he was friends with the Clinton and

281

00:12:49,930 --> 00:12:47,360

he talked with them about UFOs and and

282

00:12:51,280 --> 00:12:49,940

trying to research UFOs and there was

283

00:12:52,750 --> 00:12:51,290

some documents showing that his

284

00:12:55,810 --> 00:12:52,760

correspondence was going through

285

00:12:58,900 --> 00:12:55,820

Hillary's office when she was first lady

286

00:13:01,329 --> 00:12:58,910

so she at least has she talked to

287

00:13:03,699 --> 00:13:01,339

rockefeller about them she hasn't

288

00:13:07,030 --> 00:13:03,709

personally shown or said she's had any

289

00:13:09,819 --> 00:13:07,040

interest really a picture of her holding

290

00:13:11,560 --> 00:13:09,829

I think was Leslie Cain's book no I've

291

00:13:14,860 --> 00:13:11,570

seen that picture because we're the ones

292

00:13:17,900 --> 00:13:14,870

who broke that story

293

00:13:20,510 --> 00:13:17,910

actually it was a guy Anthony coos in

294

00:13:23,510 --> 00:13:20,520

and he worked with he posted this

295

00:13:25,790 --> 00:13:23,520

information on open minds forum which

296

00:13:27,800 --> 00:13:25,800

was not our forum everybody thought it

297

00:13:30,080 --> 00:13:27,810

was but they were friends of ours so we

298

00:13:32,720 --> 00:13:30,090

work closely with them and I saw that he

299

00:13:34,400 --> 00:13:32,730

posted he had zoomed in on this picture

300

00:13:36,560 --> 00:13:34,410

of Hillary walking with Laurance

301

00:13:38,810 --> 00:13:36,570

Rockefeller and everybody suspected they

302

00:13:41,030 --> 00:13:38,820

were talking about aliens and UFOs but

303

00:13:45,230 --> 00:13:41,040

nobody knew for sure but he was able to

304

00:13:49,510 --> 00:13:45,240

zoom in and identify a book that Hillary

305

00:13:52,550 --> 00:13:49,520

is holding when she is talking with with

306

00:13:54,890 --> 00:13:52,560

Rockefellers so we wrote a whole thing

307

00:13:57,710 --> 00:13:54,900

we had a video where I talked about this

308

00:14:00,830 --> 00:13:57,720

and and it's it's in the story but it

309

00:14:03,980 --> 00:14:00,840

actually was a book by Paul David oh

310

00:14:05,990 --> 00:14:03,990

okay yeah who's an astronomer out here

311

00:14:11,060 --> 00:14:06,000

at ASU and I think he's from Australia

312

00:14:12,320 --> 00:14:11,070

but he works in astrobiology and it was

313

00:14:17,080 --> 00:14:12,330

a book about the philosophical

314

00:14:19,940 --> 00:14:17,090

implications of you know us discovering

315

00:14:23,420 --> 00:14:19,950

extraterrestrials so but it was about

316

00:14:25,390 --> 00:14:23,430

ETS so yeah really interesting that she

317

00:14:27,920 --> 00:14:25,400

should have that book in her arm

318

00:14:30,170 --> 00:14:27,930

um when she's walking do we know

319

00:14:32,060 --> 00:14:30,180

did he give that book to her did she

320

00:14:33,530 --> 00:14:32,070

bring it to give to him because you know

321

00:14:36,290 --> 00:14:33,540

she thought some of those information

322

00:14:39,020 --> 00:14:36,300

was interesting it's hard to say we

323

00:14:41,210 --> 00:14:39,030

don't know for sure but it's a strong

324

00:14:43,730 --> 00:14:41,220

indication that they did you know talk

325

00:14:45,950 --> 00:14:43,740

about this sort of thing during that

326

00:14:48,020 --> 00:14:45,960

visit you know and here's how rumors

327

00:14:48,710 --> 00:14:48,030

start me thinking that it was Lesley

328

00:14:51,020 --> 00:14:48,720

Kane's book

329

00:14:54,380 --> 00:14:51,030

speaking of Lesley came though the last

330

00:14:57,050 --> 00:14:54,390

time I had Stephen Bassett on my show

331

00:14:58,640 --> 00:14:57,060

she was a bit upset I got it she almost

332

00:15:02,120 --> 00:14:58,650

was on my show the next week to talk

333

00:15:07,730 --> 00:15:02,130

really but she was upset about Stephen

334

00:15:10,670 --> 00:15:07,740

Bassett really taking Podesta's tweet so

335

00:15:13,280 --> 00:15:10,680

seriously and she said you have to treat

336

00:15:15,220 --> 00:15:13,290

him with total respect and not try to

337

00:15:19,460 --> 00:15:15,230

engage in this way she was pretty upset

338

00:15:23,090 --> 00:15:19,470

well you know what i I understand how

339

00:15:25,370 --> 00:15:23,100

people this is a pet peeve of mine I

340

00:15:27,330 --> 00:15:25,380

mean I I'm a big fan of Leslie Kane and

341

00:15:29,850 --> 00:15:27,340

she's extremely careful about how

342

00:15:32,460 --> 00:15:29,860

she approaches the topic and that's why

343

00:15:34,440 --> 00:15:32,470

she's the one who's gotten Podesta to

344

00:15:36,810 --> 00:15:34,450

come out and talk about UFOs more than

345

00:15:39,450 --> 00:15:36,820

anyone because she is careful right so

346

00:15:41,640 --> 00:15:39,460

Leslie Kane is someone who knows Podesta

347

00:15:45,240 --> 00:15:41,650

I think she's gonna be the best source

348

00:15:48,090 --> 00:15:45,250

in ufology as to what Podesta meant when

349

00:15:50,340 --> 00:15:48,100

he tweeted that researchers should be

350

00:15:53,040 --> 00:15:50,350

getting a hold of her and finding out

351

00:15:56,100 --> 00:15:53,050

what she has to say before they start

352

00:15:58,980 --> 00:15:56,110

spouting opinions like their fact and I

353

00:16:00,990 --> 00:15:58,990

totally agree with her there and and she

354

00:16:02,940 --> 00:16:01,000

says you know she's very familiar with

355

00:16:05,010 --> 00:16:02,950

his wry sense of humor it would be to

356

00:16:07,110 --> 00:16:05,020

her advantage if he was serious and if

357

00:16:08,940 --> 00:16:07,120

she thought he was serious and he was

358

00:16:11,130 --> 00:16:08,950

she would say that I'm sure it would be

359

00:16:13,110 --> 00:16:11,140

good for her to say hey guys I just

360

00:16:14,910 --> 00:16:13,120

confirmed with Podesta he really was

361

00:16:17,460 --> 00:16:14,920

bumped he didn't get the UFO FILES out

362

00:16:18,030 --> 00:16:17,470

but she's certain that he was joking

363

00:16:21,420 --> 00:16:18,040

around

364

00:16:23,460 --> 00:16:21,430

yeah yes that that means a lot so it is

365

00:16:25,560 --> 00:16:23,470

frustrating that you know both of these

366

00:16:27,900 --> 00:16:25,570

guys masala and Bassett you know have

367

00:16:29,460 --> 00:16:27,910

have kind of take this stuff and run

368

00:16:31,500 --> 00:16:29,470

they take their speculation and they

369

00:16:34,350 --> 00:16:31,510

build these kind of ideas that are just

370

00:16:37,080 --> 00:16:34,360

not substantiated and there's so many

371

00:16:39,570 --> 00:16:37,090

people that claim responsibility for all

372

00:16:42,510 --> 00:16:39,580

of this political action that happened

373

00:16:45,650 --> 00:16:42,520

and of course they all can't be right

374

00:16:48,500 --> 00:16:45,660

and most likely none of them are right

375

00:16:51,600 --> 00:16:48,510

so yeah I understand her frustration

376

00:16:54,360 --> 00:16:51,610

yeah well I'm glad we talked about all

377

00:16:57,240 --> 00:16:54,370

this because I think it's I think it's

378

00:16:59,700 --> 00:16:57,250

really important too because you know

379

00:17:02,720 --> 00:16:59,710

it's just like me saying her that was

380

00:17:04,710 --> 00:17:02,730

her book in Hillary's hands and that

381

00:17:06,720 --> 00:17:04,720

next thing you know you know someone's

382

00:17:08,910 --> 00:17:06,730

talking about it and you know it goes on

383

00:17:10,949 --> 00:17:08,920

it's the same exact thing some are not

384

00:17:12,840 --> 00:17:10,959

really confirming the facts and talking

385

00:17:15,000 --> 00:17:12,850

about it Leslie's right you're part of

386

00:17:19,440 --> 00:17:15,010

the problem I am part of the problem no

387

00:17:21,900 --> 00:17:19,450

you're my fear gate guy sometimes all

388

00:17:26,130 --> 00:17:21,910

right alejandro we'll talk to you next

389

00:17:28,800 --> 00:17:26,140

week no we won't talk next week okay

390

00:17:30,000 --> 00:17:28,810

we'll be that way yeah well I'm going to

391

00:17:33,000 --> 00:17:30,010

Vegas baby

392

00:17:34,950 --> 00:17:33,010

all right you aren't actually NAB the

393

00:17:36,630 --> 00:17:34,960

National Association of Broadcasters so

394

00:17:38,970 --> 00:17:36,640

you probably might be aware of it so

395

00:17:42,180 --> 00:17:38,980

lots of toys when it comes to

396

00:17:44,390 --> 00:17:42,190

whether you're small time or you're

397

00:17:47,130 --> 00:17:44,400

making movies and audio whether you're

398

00:17:49,020 --> 00:17:47,140

podcasters like us or big time you know

399

00:17:51,030 --> 00:17:49,030

they have tons and tons of vendors and

400

00:17:52,650 --> 00:17:51,040

stuff so we're gonna go check out the

401  
00:17:54,450 --> 00:17:52,660  
latest and greatest technology because

402  
00:17:57,480 --> 00:17:54,460  
we need to update some of our equipment

403  
00:17:59,760 --> 00:17:57,490  
here at open mind and so yeah I'm gonna

404  
00:18:01,470 --> 00:17:59,770  
be in Vegas that's sweet I'm happy well

405  
00:18:04,770 --> 00:18:01,480  
you got a week off hey you know speaking

406  
00:18:08,640 --> 00:18:04,780  
of that I have a whole set up here in my

407  
00:18:10,890 --> 00:18:08,650  
studio a \$700 studio mic mm-hm and when

408  
00:18:13,110 --> 00:18:10,900  
I was on the burns show Nancy and bill

409  
00:18:15,810 --> 00:18:13,120  
burns the other day they sounded better

410  
00:18:19,740 --> 00:18:15,820  
than me and I said what now eyes using

411  
00:18:21,570 --> 00:18:19,750  
dot twenty five dollar headset mmm yeah

412  
00:18:23,430 --> 00:18:21,580  
I know I talked to them about that too

413  
00:18:25,140 --> 00:18:23,440

when I was on their show and I had the

414

00:18:27,450 --> 00:18:25,150

same headset because I think we got the

415

00:18:29,850 --> 00:18:27,460

advice from the same person and so I

416

00:18:32,130 --> 00:18:29,860

used to use that headset now I have this

417

00:18:34,830 --> 00:18:32,140

small little mic that I love to death

418

00:18:37,980 --> 00:18:34,840

because it's a USB mic but this mic I

419

00:18:39,630 --> 00:18:37,990

think was like 30 40 bucks to so I I

420

00:18:41,040 --> 00:18:39,640

mean yeah I've learned you don't got to

421

00:18:42,840 --> 00:18:41,050

spend hundreds of dollars to have some

422

00:18:45,020 --> 00:18:42,850

good sound yeah that's where it goes

423

00:18:47,460 --> 00:18:45,030

well you have a good week officer and

424

00:18:49,800 --> 00:18:47,470

see you the following week so hang in

425

00:19:00,120 --> 00:18:49,810

there right after the music break we'll

426

00:19:00,130 --> 00:20:09,909

you

427

00:20:16,820 --> 00:20:12,649

well hello Leo welcome to the show

428

00:20:18,950 --> 00:20:16,830

thank you very much yes I had we had

429

00:20:22,999 --> 00:20:18,960

just a couple minutes to talk ahead of

430

00:20:25,190 --> 00:20:23,009

the show and I I think I mentioned too

431

00:20:27,409 --> 00:20:25,200

could you get a little bit closer to the

432

00:20:28,700 --> 00:20:27,419

phone the show producer saying you just

433

00:20:32,539 --> 00:20:28,710

need to be a little bit closer if you

434

00:20:33,110 --> 00:20:32,549

would I can tell yes that's that's real

435

00:20:37,279 --> 00:20:33,120

good thank you

436

00:20:39,710 --> 00:20:37,289

okay I have heard your name since I

437

00:20:43,639 --> 00:20:39,720

started looking at this topic your name

438

00:20:45,619 --> 00:20:43,649

comes up all the time yeah

439

00:20:47,240 --> 00:20:45,629

can you go into your background if you

440

00:20:50,119 --> 00:20:47,250

would how you got interested in the

441

00:20:52,610 --> 00:20:50,129

topic and basically I'd really be

442

00:20:54,669 --> 00:20:52,620

interested you know first of all how you

443

00:20:57,470 --> 00:20:54,679

get interested but what was the first

444

00:21:01,759 --> 00:20:57,480

you know case or whatever that you

445

00:21:06,169 --> 00:21:01,769

looked into because of my own

446

00:21:07,669 --> 00:21:06,179

experiences when I was a child I had

447

00:21:10,909 --> 00:21:07,679

experiences I couldn't understand

448

00:21:12,919 --> 00:21:10,919

explain you know nightmares later as it

449

00:21:15,769 --> 00:21:12,929

got older I was able to understand more

450

00:21:22,340 --> 00:21:15,779

about what had happened but consciously

451  
00:21:25,460 --> 00:21:22,350  
the first event was in 1949 when a buddy

452  
00:21:27,830 --> 00:21:25,470  
and I at the University of Colorado we

453  
00:21:29,990 --> 00:21:27,840  
were students are we had a sighting we

454  
00:21:34,519 --> 00:21:30,000  
were walking along the campus near the

455  
00:21:35,990 --> 00:21:34,529  
Arts and Science Building and we were

456  
00:21:37,490 --> 00:21:36,000  
playing this little game because we

457  
00:21:39,950 --> 00:21:37,500  
hadn't heard a speaker talk about

458  
00:21:40,820 --> 00:21:39,960  
science and reality and what's true and

459  
00:21:43,669 --> 00:21:40,830  
what's not true

460  
00:21:45,049 --> 00:21:43,679  
and so we were playing this little game

461  
00:21:46,490 --> 00:21:45,059  
well what do you see over there while I

462  
00:21:48,649 --> 00:21:46,500  
call it the tree well how do you

463  
00:21:52,129 --> 00:21:48,659

describe it well it's got trunk and it's

464

00:21:54,230 --> 00:21:52,139

got branches and it's got leaves

465

00:21:55,490 --> 00:21:54,240

I think it has roots but I can't see

466

00:21:57,980 --> 00:21:55,500

them because they're under the ground

467

00:22:00,200 --> 00:21:57,990

and then my friend looked at what do you

468

00:22:02,779 --> 00:22:00,210

see over there and what was it well I

469

00:22:05,690 --> 00:22:02,789

looked at it it wasn't an airplane

470

00:22:09,529 --> 00:22:05,700

wasn't a balloon looked elliptical like

471

00:22:12,349 --> 00:22:09,539

a lens and there was a light gleaming on

472

00:22:14,779 --> 00:22:12,359

the edge and if the sunlight was rich

473

00:22:16,639 --> 00:22:14,789

so we talked about it but we didn't want

474

00:22:19,759 --> 00:22:16,649

to tell anybody else because flying

475

00:22:22,580 --> 00:22:19,769

saucers in 1949 worked and readily

476

00:22:25,849 --> 00:22:22,590

accepted by the public mmm

477

00:22:27,139 --> 00:22:25,859

then my wife and I had a sighting after

478

00:22:30,099 --> 00:22:27,149

I came back from Germany

479

00:22:35,919 --> 00:22:30,109

I'd been when I graduated I went into

480

00:22:38,509 --> 00:22:35,929

the US Army overseas and came back and

481

00:22:41,330 --> 00:22:38,519

in graduate school University of

482

00:22:43,700 --> 00:22:41,340

Colorado Boulder and we were coming back

483

00:22:46,759 --> 00:22:43,710

from Denver one evening even topped the

484

00:22:48,889 --> 00:22:46,769

hill looking over the valley and we saw

485

00:22:50,599 --> 00:22:48,899

this strange light come on II would

486

00:22:54,529 --> 00:22:50,609

hover and they would move it would hover

487

00:22:57,499 --> 00:22:54,539

to move well it wasn't an airplane we

488

00:23:00,019 --> 00:22:57,509

didn't know what it was we saw several

489

00:23:03,080 --> 00:23:00,029

car lights down below I assumed other

490

00:23:05,989 --> 00:23:03,090

people were stopping like we did and

491

00:23:08,810 --> 00:23:05,999

getting out and looking at it I've been

492

00:23:11,659 --> 00:23:08,820

after a while it went north and

493

00:23:16,820 --> 00:23:11,669

disappeared from view but the feeling I

494

00:23:18,969 --> 00:23:16,830

had inside was okay twice now given an

495

00:23:22,879 --> 00:23:18,979

opportunity to see something anomalous

496

00:23:25,149 --> 00:23:22,889

so I knew that I had to study the

497

00:23:30,349 --> 00:23:25,159

phenomena I also knew that it'd be

498

00:23:33,310 --> 00:23:30,359

lonely and perceived as weird yeah so I

499

00:23:35,960 --> 00:23:33,320

said okay let's get the doctorate and

500

00:23:40,609 --> 00:23:35,970

then it that way instead of being crazy

501  
00:23:44,960 --> 00:23:40,619  
just merely eccentric went to the

502  
00:23:48,009 --> 00:23:44,970  
University of Missouri and graduated

503  
00:23:51,820 --> 00:23:48,019  
with the PhD doctor in philosophy

504  
00:23:54,409 --> 00:23:51,830  
especially in counseling psychology in

505  
00:23:58,879 --> 00:23:54,419  
1961 went to the University of North

506  
00:24:01,279 --> 00:23:58,889  
Dakota and after I had the results of

507  
00:24:03,589 --> 00:24:01,289  
the dissertation published I I studied

508  
00:24:08,570 --> 00:24:03,599  
the permanence of vocational interests

509  
00:24:10,609 --> 00:24:08,580  
and then based upon measured vocational

510  
00:24:13,820 --> 00:24:10,619  
interest after I had that published but

511  
00:24:16,310 --> 00:24:13,830  
then I started doing UFO studies I wrote

512  
00:24:17,719 --> 00:24:16,320  
to various people can you pardon me can

513  
00:24:23,660 --> 00:24:17,729

you tell me approximately what year that

514

00:24:26,360 --> 00:24:23,670

that was right after yeah yeah 1960

515

00:24:30,080 --> 00:24:26,370

I went there at night 1961 when I

516

00:24:35,900 --> 00:24:30,090

graduated from University of Missouri

517

00:24:41,800 --> 00:24:35,910

then went to North Dakota and so as 6263

518

00:24:45,490 --> 00:24:41,810

I became invested in UFO research I

519

00:24:48,530 --> 00:24:45,500

developed little survey asking people

520

00:24:51,830 --> 00:24:48,540

their background educational vocational

521

00:24:55,720 --> 00:24:51,840

background and then what they saw what

522

00:25:01,180 --> 00:24:55,730

they observed how they responded to it

523

00:25:04,670 --> 00:25:01,190

so I got a several sets of surveys

524

00:25:06,770 --> 00:25:04,680

including Betty and Barney Hill because

525

00:25:17,540 --> 00:25:06,780

their case came out about that time

526  
00:25:20,450 --> 00:25:17,550  
right yeah and then 64 and 60 62 63 for

527  
00:25:23,240 --> 00:25:20,460  
I not only started surveying people but

528  
00:25:26,600 --> 00:25:23,250  
I joined organizations I joined what was

529  
00:25:29,360 --> 00:25:26,610  
called a pearl aerial phenomena research

530  
00:25:33,500 --> 00:25:29,370  
organization out of Arizona Jim and

531  
00:25:35,270 --> 00:25:33,510  
Karla Remsen and night-cap the national

532  
00:25:38,150 --> 00:25:35,280  
investigations committee on aerial

533  
00:25:42,290 --> 00:25:38,160  
phenomena those two organizations later

534  
00:25:45,200 --> 00:25:42,300  
folded and so I consulted the people in

535  
00:25:48,020 --> 00:25:45,210  
MUFON mutual UFO network plus other

536  
00:25:51,380 --> 00:25:48,030  
groups so it's been a interesting

537  
00:25:52,790 --> 00:25:51,390  
history Wow well yeah I have I have a

538  
00:25:54,770 --> 00:25:52,800

lot of questions but I just want to say

539

00:25:56,930 --> 00:25:54,780

to people who are listening live a

540

00:26:00,980 --> 00:25:56,940

couple things you can jump over to

541

00:26:02,600 --> 00:26:00,990

podcast UFO calm and on the Left right

542

00:26:06,680 --> 00:26:02,610

sidebar you can jump in our chat room

543

00:26:09,140 --> 00:26:06,690

and ask dr. Leo sprinkles some questions

544

00:26:12,860 --> 00:26:09,150

also you can call into the show if you'd

545

00:26:17,600 --> 00:26:12,870

like and that's six zero three nine six

546

00:26:20,660 --> 00:26:17,610

seven four OH three oh and I also forgot

547

00:26:24,710 --> 00:26:20,670

to mention that we are going to be

548

00:26:26,600 --> 00:26:24,720

talking in our two more about we're

549

00:26:28,640 --> 00:26:26,610

gonna go off the UFO topic a little bit

550

00:26:31,910 --> 00:26:28,650

now or two in talk about some other

551  
00:26:35,380 --> 00:26:31,920  
things that dr. sprinkle has been

552  
00:26:37,240 --> 00:26:35,390  
interested in free energy ideas

553  
00:26:40,720 --> 00:26:37,250  
Niccolo

554  
00:26:45,580 --> 00:26:40,730  
Nikola tester a Tesla and some other

555  
00:26:48,610 --> 00:26:45,590  
things as well so now going back to

556  
00:26:52,450 --> 00:26:48,620  
Betty and Barney Hill did you actually

557  
00:26:53,710 --> 00:26:52,460  
invest investigate that case yes they

558  
00:26:56,350 --> 00:26:53,720  
were willing to fill out the information

559  
00:27:01,269 --> 00:26:56,360  
about their experience and then later I

560  
00:27:05,850 --> 00:27:01,279  
had the opportunity to talk with them on

561  
00:27:08,980 --> 00:27:05,860  
a New York TV program in 1966

562  
00:27:12,279 --> 00:27:08,990  
interesting things happened dr. Carl

563  
00:27:17,919 --> 00:27:12,289

Sagan and others were there we were

564

00:27:23,980 --> 00:27:17,929

interviewing Barney Hill and at one

565

00:27:26,169 --> 00:27:23,990

point dr. Carl Sagan turned to Betty he

566

00:27:29,499 --> 00:27:26,179

said now mrs. Hill he said you say that

567

00:27:32,850 --> 00:27:29,509

your memory based upon the hypnosis

568

00:27:36,369 --> 00:27:32,860

session with dr. Benjamin Simon he was a

569

00:27:37,810 --> 00:27:36,379

psychiatrist that they meant to to help

570

00:27:40,299 --> 00:27:37,820

him understand more about their

571

00:27:44,409 --> 00:27:40,309

experience he said you say you remember

572

00:27:48,070 --> 00:27:44,419

fun being on a examining table and the

573

00:27:51,159 --> 00:27:48,080

extra-terrestrial was examining you with

574

00:27:54,340 --> 00:27:51,169

a probe in their navel and she said yes

575

00:27:56,019 --> 00:27:54,350

and any kind of smile and in his

576

00:27:58,690 --> 00:27:56,029

charming way and he said no we're all

577

00:28:00,639 --> 00:27:58,700

amateur psychologists here and then he

578

00:28:01,090 --> 00:28:00,649

glanced with me and he's oh I'm sorry

579

00:28:03,549 --> 00:28:01,100

about that

580

00:28:06,549 --> 00:28:03,559

I said that's how I my friends think of

581

00:28:09,580 --> 00:28:06,559

me as an amateur psychologist and he was

582

00:28:12,879 --> 00:28:09,590

about to tell her and the viewing

583

00:28:15,070 --> 00:28:12,889

audience that there was a psychological

584

00:28:18,070 --> 00:28:15,080

explanation for her experience I thought

585

00:28:20,230 --> 00:28:18,080

that was arrogant all right so even

586

00:28:22,509 --> 00:28:20,240

though he was charming when he did it I

587

00:28:25,419 --> 00:28:22,519

still feel like it was an indication of

588

00:28:30,159 --> 00:28:25,429

how he was rejecting what she claimed

589

00:28:31,919 --> 00:28:30,169

was a physical on board experience so

590

00:28:35,710 --> 00:28:31,929

that taught me and something along with

591

00:28:39,820 --> 00:28:35,720

that same year I was at a New York TV

592

00:28:44,889 --> 00:28:39,830

program when dr. J Allen Hynek dr.

593

00:28:47,120 --> 00:28:44,899

Shockley's we were with some astronomers

594

00:28:52,800 --> 00:28:47,130

from Harvard

595

00:28:55,560 --> 00:28:52,810

and it was intriguing because the the

596

00:28:59,460 --> 00:28:55,570

name of the TV program was flying

597

00:29:01,560 --> 00:28:59,470

saucers a fact or fiction and those days

598

00:29:04,010 --> 00:29:01,570

the game was played between two groups

599

00:29:06,540 --> 00:29:04,020

of people one when one group is labeled

600

00:29:09,840 --> 00:29:06,550

skeptics and one group was labeled that

601  
00:29:11,430 --> 00:29:09,850  
believers and the believers we were kind

602  
00:29:12,930 --> 00:29:11,440  
of muddled headed and we didn't really

603  
00:29:17,730 --> 00:29:12,940  
know what we're talking about we didn't

604  
00:29:20,630 --> 00:29:17,740  
know astronomical phenomena etc whereas

605  
00:29:23,670 --> 00:29:20,640  
the skeptics were portrayed as now any

606  
00:29:26,690 --> 00:29:23,680  
intelligent and educated but also as

607  
00:29:30,090 --> 00:29:26,700  
much more in tune with what was going on

608  
00:29:33,300 --> 00:29:30,100  
all over the years the game changed from

609  
00:29:35,670 --> 00:29:33,310  
skeptics versus believers to skeptics

610  
00:29:38,790 --> 00:29:35,680  
and debunkers we found out that some

611  
00:29:41,850 --> 00:29:38,800  
people were paid to make light of this

612  
00:29:44,330 --> 00:29:41,860  
and to make people afraid to talk about

613  
00:29:46,710 --> 00:29:44,340

their experiences or as some of the

614

00:29:49,200 --> 00:29:46,720

believers were also knowers some of us

615

00:29:54,150 --> 00:29:49,210

had been on board craft and talked with

616

00:29:56,580 --> 00:29:54,160

ETS and so the game changed and then of

617

00:30:01,230 --> 00:29:56,590

course it was much more difficult to

618

00:30:04,040 --> 00:30:01,240

talk about that publicly because the air

619

00:30:06,330 --> 00:30:04,050

force representatives and others really

620

00:30:09,210 --> 00:30:06,340

held the sway

621

00:30:12,210 --> 00:30:09,220

it wasn't until just more recently that

622

00:30:17,340 --> 00:30:12,220

people are becoming beginning to not

623

00:30:21,360 --> 00:30:17,350

only be observers but witnesses a not

624

00:30:23,760 --> 00:30:21,370

only see flying saucers animation they

625

00:30:26,630 --> 00:30:23,770

see extraterrestrials but they also

626

00:30:29,580 --> 00:30:26,640

testify to their experience and then

627

00:30:34,560 --> 00:30:29,590

some of the witnesses are also reporters

628

00:30:37,380 --> 00:30:34,570

they're writing their stories and giving

629

00:30:39,870 --> 00:30:37,390

people information about what they have

630

00:30:44,100 --> 00:30:39,880

experienced so that's a really exciting

631

00:30:47,190 --> 00:30:44,110

trend Wow

632

00:30:49,320 --> 00:30:47,200

we have a couple of questions up on the

633

00:30:51,090 --> 00:30:49,330

message board and again people are

634

00:30:53,810 --> 00:30:51,100

welcome to callin if they want six oh

635

00:30:58,490 --> 00:30:53,820

three nine six seven four OH three oh

636

00:31:00,360 --> 00:30:58,500

they want to know were you the first

637

00:31:04,950 --> 00:31:00,370

psychologist to

638

00:31:09,150 --> 00:31:04,960

use hypnosis with abductees as far as I

639

00:31:13,380 --> 00:31:09,160

know there may have been a psychologist

640

00:31:18,090 --> 00:31:13,390

in the US Air Force who were using

641

00:31:20,850 --> 00:31:18,100

hypnosis but unknown publicly that's the

642

00:31:24,060 --> 00:31:20,860

possibility so I don't know whether on

643

00:31:27,300 --> 00:31:24,070

the first but course dr. Benjamin Simon

644

00:31:30,660 --> 00:31:27,310

he was a psychiatrist he said Betty and

645

00:31:34,440 --> 00:31:30,670

Barney Hill 61 and I didn't start

646

00:31:38,340 --> 00:31:34,450

hypnosis until in the middle 60s after I

647

00:31:41,550 --> 00:31:38,350

had gathered information from many

648

00:31:44,250 --> 00:31:41,560

people then I realized and talking with

649

00:31:48,330 --> 00:31:44,260

Betty and Barney Hill at that T TV

650

00:31:49,770 --> 00:31:48,340

program in 66 that dr. Simon had helped

651  
00:31:51,990 --> 00:31:49,780  
him with hypnosis oh well I know

652  
00:31:57,180 --> 00:31:52,000  
hypnosis so I'll help people and so I

653  
00:32:00,680 --> 00:31:57,190  
started working with a guy in Boulder

654  
00:32:03,330 --> 00:32:00,690  
Colorado about his experience and then

655  
00:32:05,730 --> 00:32:03,340  
when herb Sherman I don't know if you

656  
00:32:11,540 --> 00:32:05,740  
heard that name but he was a patrolman

657  
00:32:14,870 --> 00:32:11,550  
for the Nebraska State Highway and he

658  
00:32:17,700 --> 00:32:14,880  
went to the University of Colorado

659  
00:32:20,210 --> 00:32:17,710  
during the Condon committee I think that

660  
00:32:23,790 --> 00:32:20,220  
was in 68 I had an opportunity to

661  
00:32:26,700 --> 00:32:23,800  
interview him and see if hypnosis would

662  
00:32:31,290 --> 00:32:26,710  
be helpful he was nervous because it was

663  
00:32:33,120 --> 00:32:31,300

on you know televised and and so we got

664

00:32:34,710 --> 00:32:33,130

some information and later he worked

665

00:32:37,500 --> 00:32:34,720

with another hypnotist and got more

666

00:32:42,060 --> 00:32:37,510

information so that was probably one of

667

00:32:45,840 --> 00:32:42,070

the earlier hypnosis sessions publicly

668

00:32:46,980 --> 00:32:45,850

known yeah the show producer is asking

669

00:32:51,150 --> 00:32:46,990

you if you could move a little bit

670

00:32:55,020 --> 00:32:51,160

closer to the mic all right I know it's

671

00:32:58,950 --> 00:32:55,030

always hard to stay in the habit but did

672

00:33:01,140 --> 00:32:58,960

you did you ever speak to dr. Simon

673

00:33:13,769 --> 00:33:01,150

about bet him the Betty and Barney Hill

674

00:33:15,749 --> 00:33:13,779

no I see okay and do you remember the

675

00:33:19,169 --> 00:33:15,759

excuse me you said it's a possibility

676  
00:33:22,409 --> 00:33:19,179  
that in the Air Force someone may have

677  
00:33:25,560 --> 00:33:22,419  
been using hypnotism would that possibly

678  
00:33:28,889 --> 00:33:25,570  
be in either like project sign or blue

679  
00:33:31,440 --> 00:33:28,899  
blue book or anything like that or a

680  
00:33:34,979 --> 00:33:31,450  
different possibility there have been

681  
00:33:39,599 --> 00:33:34,989  
people who are called insiders who have

682  
00:33:41,129 --> 00:33:39,609  
talked about their experience and some

683  
00:33:45,450 --> 00:33:41,139  
people have said that there were not

684  
00:33:51,629 --> 00:33:45,460  
only dead bodies on the Roswell crash

685  
00:33:55,259 --> 00:33:51,639  
but also there were some entities who

686  
00:33:57,509 --> 00:33:55,269  
are alive so maybe that there were

687  
00:34:01,589 --> 00:33:57,519  
psychologists or other trained

688  
00:34:03,479 --> 00:34:01,599

professionals who interviewed the a-team

689

00:34:05,549 --> 00:34:03,489

in that regard

690

00:34:08,779 --> 00:34:05,559

more recently there's some interesting

691

00:34:11,069 --> 00:34:08,789

people who have combined their

692

00:34:13,799 --> 00:34:11,079

experiences there's a woman named Jaclyn

693

00:34:16,589 --> 00:34:13,809

Smith out of Ohio she she's written a

694

00:34:19,409 --> 00:34:16,599

couple of books on animal communication

695

00:34:22,500 --> 00:34:19,419

there's a woman named Judy Carroll from

696

00:34:26,339 --> 00:34:22,510

Australia and a woman that I interviewed

697

00:34:32,069 --> 00:34:26,349

many years ago Sahni Seiko she lives in

698

00:34:35,159 --> 00:34:32,079

Colorado and Ulrich editor of a little

699

00:34:38,909 --> 00:34:35,169

journal called star beacon introduced me

700

00:34:42,419 --> 00:34:38,919

to her she had described her memory of a

701  
00:34:45,930 --> 00:34:42,429  
previous lifetime when she was an

702  
00:34:49,349 --> 00:34:45,940  
extraterrestrial and she's written a

703  
00:34:53,760 --> 00:34:49,359  
couple of books on her memories one

704  
00:34:56,669 --> 00:34:53,770  
called stranded on earth where she felt

705  
00:34:59,130 --> 00:34:56,679  
that she was an extraterrestrial a grey

706  
00:35:05,370 --> 00:34:59,140  
what some people call it an eight Zeta a

707  
00:35:08,789 --> 00:35:05,380  
little grey humanoid piloting craft that

708  
00:35:11,789 --> 00:35:08,799  
crashed in Roswell New Mexico well now

709  
00:35:14,210 --> 00:35:11,799  
some Jacqueline Smith and Judy Carroll

710  
00:35:17,519 --> 00:35:14,220  
and have kind of team that they're both

711  
00:35:20,010 --> 00:35:17,529  
bright people haven't met Judy Carol but

712  
00:35:22,769 --> 00:35:20,020  
she's hoping to come to us from

713  
00:35:28,050 --> 00:35:22,779

Australia either this year or next year

714

00:35:31,410 --> 00:35:28,060

and they are recalling

715

00:35:34,490 --> 00:35:31,420

what they feel were past life as crew

716

00:35:38,250 --> 00:35:34,500

members on craft that crashed in Roswell

717

00:35:41,760 --> 00:35:38,260

it's intriguing to me because they seem

718

00:35:44,490 --> 00:35:41,770

to have not only similar memories but

719

00:35:47,160 --> 00:35:44,500

they also seem to have similar intent

720

00:35:52,290 --> 00:35:47,170

and that is like so many people who are

721

00:35:56,670 --> 00:35:52,300

so-called eg experiences or star seed or

722

00:35:58,920 --> 00:35:56,680

contactees or whatever one called

723

00:36:02,730 --> 00:35:58,930

themselves they seem to have the intent

724

00:36:06,090 --> 00:36:02,740

that they are here to assist humanity to

725

00:36:09,660 --> 00:36:06,100

not only recognize its past from the

726

00:36:13,140 --> 00:36:09,670

stars but that now we're ready to start

727

00:36:15,570 --> 00:36:13,150

moving back into the stars and so they

728

00:36:17,940 --> 00:36:15,580

want to be on the side of those who are

729

00:36:22,670 --> 00:36:17,950

peaceful rather than those who are

730

00:36:25,920 --> 00:36:22,680

exploiting what seems to be the

731

00:36:30,960 --> 00:36:25,930

resources of the planet and what seem to

732

00:36:35,280 --> 00:36:30,970

be the main human interest some people

733

00:36:41,960 --> 00:36:35,290

talk about let's call the Anunnaki the

734

00:36:46,710 --> 00:36:41,970

ancient ETS who came down from the sky

735

00:36:49,950 --> 00:36:46,720

according to this view these ancient ETS

736

00:36:53,940 --> 00:36:49,960

were both good and bad from the

737

00:36:54,840 --> 00:36:53,950

standpoint of humanity both made

738

00:36:58,770 --> 00:36:54,850

martians

739

00:37:02,880 --> 00:36:58,780

who supposedly set up shop in the

740

00:37:06,900 --> 00:37:02,890

atlantis northern hemisphere and then

741

00:37:10,760 --> 00:37:06,910

the Venetians who supposedly had a

742

00:37:14,400 --> 00:37:10,770

civilization memoria in South Pacific

743

00:37:18,420 --> 00:37:14,410

two different groups and according to

744

00:37:22,230 --> 00:37:18,430

Zecharia Sitchin's who was born in

745

00:37:24,510 --> 00:37:22,240

russia grew up in England and from why

746

00:37:26,910 --> 00:37:24,520

was living in the u.s. he he was one

747

00:37:32,430 --> 00:37:26,920

among the few who could read the ancient

748

00:37:34,020 --> 00:37:32,440

script of the symbols of those ancient

749

00:37:40,260 --> 00:37:34,030

scrolls and according to his

750

00:37:43,280 --> 00:37:40,270

interpretation the Venetians settled

751  
00:37:46,770 --> 00:37:43,290  
when when Lori went down they settle in

752  
00:37:51,140 --> 00:37:46,780  
on a southern Egypt high up in the

753  
00:37:54,780 --> 00:37:51,150  
mountains and the Martians settled in

754  
00:37:57,660 --> 00:37:54,790  
northern Egypt down in the valley next

755  
00:38:01,770 --> 00:37:57,670  
to the Mediterranean Sea so according to

756  
00:38:07,290 --> 00:38:01,780  
that theory or that history there were

757  
00:38:16,140 --> 00:38:07,300  
both remnants of Atlantis marshes and

758  
00:38:21,660 --> 00:38:16,150  
Mars in Egypt

759  
00:38:26,040 --> 00:38:21,670  
well then along comes one of the Kings

760  
00:38:33,780 --> 00:38:26,050  
King Todd who claims that there is only

761  
00:38:37,530 --> 00:38:33,790  
one God and the Jews following Moses had

762  
00:38:39,420 --> 00:38:37,540  
the same view as you know from the

763  
00:38:43,110 --> 00:38:39,430

commandments thou shalt have no other

764

00:38:47,970 --> 00:38:43,120

gods before me I mean meeting that on

765

00:38:50,840 --> 00:38:47,980

earth the big God was Jehovah the et who

766

00:38:54,840 --> 00:38:50,850

had the most strength and most authority

767

00:38:57,180 --> 00:38:54,850

compared to the other gods it's an

768

00:39:03,260 --> 00:38:57,190

interesting question and that maybe

769

00:39:05,850 --> 00:39:03,270

someday we can sit down with happened

770

00:39:10,020 --> 00:39:05,860

yeah this is all speculation there's

771

00:39:12,480 --> 00:39:10,030

there's some interesting ideas out there

772

00:39:15,570 --> 00:39:12,490

for sure let's say we have another

773

00:39:17,460 --> 00:39:15,580

message up on the on the board here but

774

00:39:19,860 --> 00:39:17,470

I wanted to say that I actually know

775

00:39:24,870 --> 00:39:19,870

someone I'm I'm kind of close to someone

776

00:39:27,120 --> 00:39:24,880

that told me that when she was over

777

00:39:29,430 --> 00:39:27,130

since she was a little girl and still

778

00:39:32,730 --> 00:39:29,440

continuing to this day she feels like

779

00:39:35,280 --> 00:39:32,740

she is from another planet and I thought

780

00:39:38,220 --> 00:39:35,290

and in every other aspect about this

781

00:39:42,870 --> 00:39:38,230

person she's perfectly normal that I've

782

00:39:45,270 --> 00:39:42,880

always seen it it's really and she never

783

00:39:47,610 --> 00:39:45,280

said anything to me about this until I

784

00:39:51,840 --> 00:39:47,620

started you know exploring this topic

785

00:39:53,850 --> 00:39:51,850

and going into it but she she says I

786

00:39:56,070 --> 00:39:53,860

just want to go oh she's

787

00:39:58,530 --> 00:39:56,080

actually says he actually feels that way

788

00:40:00,170 --> 00:39:58,540

you know many people feel that they want

789

00:40:03,780 --> 00:40:00,180

to go home and some people will describe

790

00:40:05,730 --> 00:40:03,790

their encounter with an ad as scary

791

00:40:08,990 --> 00:40:05,740

frightening feel like they've been

792

00:40:13,860 --> 00:40:09,000

examined other people feel like they are

793

00:40:17,550 --> 00:40:13,870

being visited by the home folks and the

794

00:40:20,390 --> 00:40:17,560

that they are here and kind of pioneers

795

00:40:23,790 --> 00:40:20,400

or kind of settlers to help Humanity

796

00:40:26,280 --> 00:40:23,800

orient itself and return to the Stars

797

00:40:30,660 --> 00:40:26,290

and so some of those people will say

798

00:40:32,130 --> 00:40:30,670

once they recall about what happened

799

00:40:33,720 --> 00:40:32,140

during the encounter there's a feeling

800

00:40:39,090 --> 00:40:33,730

the head is that they wanted to go back

801  
00:40:42,270 --> 00:40:39,100  
with the ETS I had a young man football

802  
00:40:45,600 --> 00:40:42,280  
player in college who had a strange

803  
00:40:48,420 --> 00:40:45,610  
experience while he was a teenager and

804  
00:40:51,420 --> 00:40:48,430  
he wanted to remember more about it

805  
00:40:53,940 --> 00:40:51,430  
remember he was sitting in my chair and

806  
00:40:58,320 --> 00:40:53,950  
the chair was being rocked back and

807  
00:41:01,890 --> 00:40:58,330  
forth I was afraid the chair was gonna

808  
00:41:05,430 --> 00:41:01,900  
break as he took 200 pound plus guy with

809  
00:41:09,810 --> 00:41:05,440  
his football body and bright nice guy

810  
00:41:13,770 --> 00:41:09,820  
but his memory was not enough fear his

811  
00:41:15,870 --> 00:41:13,780  
memory was of coming down from the

812  
00:41:20,340 --> 00:41:15,880  
stairs and friend's house going outside

813  
00:41:28,730 --> 00:41:20,350

seeing a flying saucer and I'm seeing

814

00:41:32,190 --> 00:41:28,740

his family and so his feelings were Wow

815

00:41:35,550 --> 00:41:32,200

let's see the message up on the board

816

00:41:38,220 --> 00:41:35,560

here is you mentioned early experiences

817

00:41:41,670 --> 00:41:38,230

by you know seeing sightings did you

818

00:41:44,940 --> 00:41:41,680

ever have any feelings of being abducted

819

00:41:47,840 --> 00:41:44,950

yourself I don't call it an abduction

820

00:41:49,050 --> 00:41:47,850

because abduction has raised

821

00:41:51,990 --> 00:41:49,060

connotations

822

00:41:53,280 --> 00:41:52,000

that's why J dr. J Allen Hynek this

823

00:41:56,400 --> 00:41:53,290

businessman he started calling in

824

00:41:58,770 --> 00:41:56,410

encounters you know when I was growing

825

00:42:00,030 --> 00:41:58,780

after I'd worked in many people I went

826

00:42:03,150 --> 00:42:00,040

through hypnosis with another

827

00:42:04,680 --> 00:42:03,160

psychologist went back to a five year

828

00:42:07,320 --> 00:42:04,690

old experienced what I felt like I was

829

00:42:11,310 --> 00:42:07,330

on board talking to

830

00:42:14,570 --> 00:42:11,320

Extra Terrestrial tall guy and kind of a

831

00:42:17,460 --> 00:42:14,580

spacesuit his hand on my right shoulder

832

00:42:19,860 --> 00:42:17,470

and he was saying to me Leo learn to

833

00:42:21,120 --> 00:42:19,870

read and write well when you grow up you

834

00:42:24,450 --> 00:42:21,130

can help other people learn more about

835

00:42:27,450 --> 00:42:24,460

their purpose so I feel like I have been

836

00:42:30,710 --> 00:42:27,460

trained or guided or taught whatever you

837

00:42:36,000 --> 00:42:30,720

want to call it as part of my history

838

00:42:38,880 --> 00:42:36,010

now you're you you have a schooling

839

00:42:40,850 --> 00:42:38,890

background you were involved in the

840

00:42:42,780 --> 00:42:40,860

investigation were you at that

841

00:42:45,120 --> 00:42:42,790

throughout all this

842

00:42:47,400 --> 00:42:45,130

did you also have a career going on in

843

00:42:48,990 --> 00:42:47,410

teaching or whatever it is you know I

844

00:42:51,360 --> 00:42:49,000

have no philosophies kind of a narrow

845

00:42:56,720 --> 00:42:51,370

field as far as um what you do in the

846

00:43:00,450 --> 00:42:56,730

world but did you ever stay in that I

847

00:43:03,840 --> 00:43:00,460

was trained as a psychologist oh okay -

848

00:43:06,530 --> 00:43:03,850

University of North Dakota with both

849

00:43:12,030 --> 00:43:06,540

teaching classes and counseling

850

00:43:16,560 --> 00:43:12,040

experiences in 64 that was in 61 when I

851  
00:43:20,310 --> 00:43:16,570  
was in North Dakota in 64 I came to the

852  
00:43:22,080 --> 00:43:20,320  
University of Wyoming I was primarily

853  
00:43:27,420 --> 00:43:22,090  
teaching that time what they called a

854  
00:43:30,990 --> 00:43:27,430  
guidance Institute then after that first

855  
00:43:36,060 --> 00:43:31,000  
year I was in both the psychology

856  
00:43:40,440 --> 00:43:36,070  
department and what they call the

857  
00:43:44,190 --> 00:43:40,450  
counseling and guidance and 65 then I

858  
00:43:46,680 --> 00:43:44,200  
started in the counseling center for 13

859  
00:43:49,950 --> 00:43:46,690  
years I was director of the Counseling

860  
00:43:51,710 --> 00:43:49,960  
Center there's both administrative

861  
00:43:55,920 --> 00:43:51,720  
duties as well as teaching and

862  
00:43:59,280 --> 00:43:55,930  
counseling most of the courses that I

863  
00:44:02,160 --> 00:43:59,290

taught will graduate students on the

864

00:44:04,880 --> 00:44:02,170

first although I did have some

865

00:44:10,650 --> 00:44:04,890

undergraduate large classes that I

866

00:44:17,040 --> 00:44:10,660

taught from time to time so at the later

867

00:44:20,140 --> 00:44:17,050

years the director of student life the

868

00:44:23,440 --> 00:44:20,150

Dean of Students

869

00:44:27,520 --> 00:44:23,450

good Christian man very bright and man

870

00:44:30,280 --> 00:44:27,530

but he was upset by my UFO research I

871

00:44:32,560 --> 00:44:30,290

mean when I tried to go from assistant

872

00:44:35,410 --> 00:44:32,570

to associate professor of psychology

873

00:44:37,210 --> 00:44:35,420

that was given tried to go from

874

00:44:39,839 --> 00:44:37,220

associate professor to full professor

875

00:44:44,710 --> 00:44:39,849

when I was in front of all of the

876  
00:44:48,550 --> 00:44:44,720  
department of psychology faculty dozen

877  
00:44:54,190 --> 00:44:48,560  
or so guys and my application was

878  
00:44:56,620 --> 00:44:54,200  
rejected one fellow tried to help me he

879  
00:44:59,200 --> 00:44:56,630  
said nah Leo if you'll do this kind of a

880  
00:45:01,330 --> 00:44:59,210  
study and that kind of a steady and you

881  
00:45:03,849 --> 00:45:01,340  
can get those research results published

882  
00:45:07,120 --> 00:45:03,859  
and then you can be professor I said

883  
00:45:12,880 --> 00:45:07,130  
well I have my own interest he looked at

884  
00:45:17,589 --> 00:45:12,890  
me kind of puzzled he said this UFO is

885  
00:45:21,010 --> 00:45:17,599  
like a hobby I laughed I said no it's

886  
00:45:21,520 --> 00:45:21,020  
more of a compulsion he said oh you're

887  
00:45:28,990 --> 00:45:21,530  
serious

888  
00:45:31,900 --> 00:45:29,000

this is what I do and it was it got to

889

00:45:35,470 --> 00:45:31,910

the point where the Dean brought me in

890

00:45:38,880 --> 00:45:35,480

in front of somebody else and and in in

891

00:45:44,170 --> 00:45:38,890

writing then in person he told me that I

892

00:45:46,720 --> 00:45:44,180

should no longer engage in UFO research

893

00:45:49,720 --> 00:45:46,730

or reincarnation research during office

894

00:45:52,900 --> 00:45:49,730

hours because I was a professor which

895

00:45:55,329 --> 00:45:52,910

meant I could you know do any kind of

896

00:45:57,550 --> 00:45:55,339

research I want to do but I was also a

897

00:46:02,410 --> 00:45:57,560

staff member of the Counseling Center I

898

00:46:06,670 --> 00:46:02,420

had resigned as director and there's

899

00:46:08,230 --> 00:46:06,680

just a staff psychologist there and so I

900

00:46:10,690 --> 00:46:08,240

said oh okay I know how to play this

901  
00:46:13,780 --> 00:46:10,700  
game oh wait until five o'clock before I

902  
00:46:15,250 --> 00:46:13,790  
do my UFO or reincarnation research for

903  
00:46:18,970 --> 00:46:15,260  
example I was working with a young man

904  
00:46:21,520 --> 00:46:18,980  
who was a cutter he would take a razor

905  
00:46:25,350 --> 00:46:21,530  
blade and you'd slice you know his arm

906  
00:46:29,740 --> 00:46:25,360  
or shoulder and

907  
00:46:33,100 --> 00:46:29,750  
when in the residence hall counter I saw

908  
00:46:35,620 --> 00:46:33,110  
him bleeding one time he referred the

909  
00:46:39,880 --> 00:46:35,630  
young man to me this young man was so

910  
00:46:43,690 --> 00:46:39,890  
bright his scores academic aptitude test

911  
00:46:44,980 --> 00:46:43,700  
scores were much higher than the average

912  
00:46:46,990 --> 00:46:44,990  
student they're much higher than the

913  
00:46:50,680 --> 00:46:47,000

average professor he was much brighter

914

00:46:54,640 --> 00:46:50,690

than I am and so we sat down and I

915

00:46:56,260 --> 00:46:54,650

looked at his case history he'd been to

916

00:46:58,960 --> 00:46:56,270

a psychiatrist had been to a couple of

917

00:47:00,040 --> 00:46:58,970

other psychologists so I knew that I was

918

00:47:04,030 --> 00:47:00,050

gonna have to do something different I

919

00:47:05,500 --> 00:47:04,040

said well let's learn self-hypnosis he

920

00:47:08,380 --> 00:47:05,510

looked at me he said why should we learn

921

00:47:10,000 --> 00:47:08,390

self-hypnosis I said well we know you're

922

00:47:11,830 --> 00:47:10,010

going to cut yourself so we want you to

923

00:47:13,990 --> 00:47:11,840

be able to focus and really do a good

924

00:47:17,110 --> 00:47:14,000

job well he had a good sense of humor

925

00:47:19,930 --> 00:47:17,120

and so he laughed he's okay so the more

926

00:47:23,260 --> 00:47:19,940

we got into self-hypnosis the more we

927

00:47:27,490 --> 00:47:23,270

got into past lives where he was a

928

00:47:29,230 --> 00:47:27,500

swordsman and the excellent swordsman he

929

00:47:34,590 --> 00:47:29,240

would cut others down others should try

930

00:47:38,230 --> 00:47:34,600

to cut him and so he had this propensity

931

00:47:40,440 --> 00:47:38,240

to be on the defensive or on the

932

00:47:42,850 --> 00:47:40,450

offensive depending on how you look at

933

00:47:46,210 --> 00:47:42,860

regarding other people

934

00:47:48,340 --> 00:47:46,220

he was so bright he had three years he

935

00:47:50,860 --> 00:47:48,350

got an undergraduate degree he was

936

00:47:55,870 --> 00:47:50,870

working on a law degree he was going to

937

00:48:04,180 --> 00:47:55,880

become an international banker business

938

00:48:05,980 --> 00:48:04,190

person and so when he found out what was

939

00:48:08,710 --> 00:48:05,990

going on he recognized what was

940

00:48:10,930 --> 00:48:08,720

happening within him he was not only

941

00:48:14,590 --> 00:48:10,940

bright he was psychic he could sense

942

00:48:17,800 --> 00:48:14,600

other people and their attitude and he

943

00:48:19,540 --> 00:48:17,810

would make comments showing that he knew

944

00:48:22,170 --> 00:48:19,550

what was going on and sometimes if

945

00:48:25,090 --> 00:48:22,180

people were antagonistic well he would

946

00:48:27,190 --> 00:48:25,100

say sharp things and they would say

947

00:48:29,770 --> 00:48:27,200

sharp things and then he would go back

948

00:48:32,140 --> 00:48:29,780

home to his residence hall room and he

949

00:48:36,680 --> 00:48:32,150

would cut himself and so we realized

950

00:48:39,710 --> 00:48:36,690

that then the Nexus the topic of the

951  
00:48:41,300 --> 00:48:39,720  
what was going on was that he thought it

952  
00:48:44,349 --> 00:48:41,310  
would be better to cut himself and to

953  
00:48:47,780 --> 00:48:44,359  
cut somebody else which is very moral

954  
00:48:53,270 --> 00:48:47,790  
but it's also a waste of razor blades

955  
00:48:55,760 --> 00:48:53,280  
and blood so so he I encouraged him to

956  
00:48:58,490 --> 00:48:55,770  
use his sharp tongue to cut other

957  
00:49:03,550 --> 00:48:58,500  
people's arguments rather than to cut

958  
00:49:06,109 --> 00:49:03,560  
himself with a knife or a razor blade

959  
00:49:10,750 --> 00:49:06,119  
never did find out what happened to him

960  
00:49:15,290 --> 00:49:10,760  
but maybe someday he'll recognize that

961  
00:49:18,740 --> 00:49:15,300  
he's using his tongue rather than using

962  
00:49:21,260 --> 00:49:18,750  
a blade for his weapon right yeah it

963  
00:49:24,290 --> 00:49:21,270

really is it was really a sad thing when

964

00:49:30,020 --> 00:49:24,300

when that happens let's see I'm sorry

965

00:49:31,790 --> 00:49:30,030

had up here boy I had I had a message

966

00:49:34,760 --> 00:49:31,800

and I I just can't find it someone who

967

00:49:37,420 --> 00:49:34,770

had a question Oh Matthew hang on just a

968

00:49:40,520 --> 00:49:37,430

second oh yes have you had any other

969

00:49:50,120 --> 00:49:40,530

encounters more recent than those two or

970

00:50:01,849 --> 00:49:50,130

is that it from Michigan written a book

971

00:50:04,160 --> 00:50:01,859

about his experiences there was the one

972

00:50:06,109 --> 00:50:04,170

that was probably more interesting from

973

00:50:09,650 --> 00:50:06,119

a historical standpoint was Travis

974

00:50:11,750 --> 00:50:09,660

Walton the Apple people Jim and Collins

975

00:50:16,000 --> 00:50:11,760

and sent me to talk with him shortly

976

00:50:18,380 --> 00:50:16,010

after his experience now this next

977

00:50:20,390 --> 00:50:18,390

November or December camerawindow

978

00:50:25,130 --> 00:50:20,400

there's going to be a conference 40

979

00:50:29,450 --> 00:50:25,140

years later after people will be talking

980

00:50:33,020 --> 00:50:29,460

about his book and the movie fire in the

981

00:50:37,099 --> 00:50:33,030

sky so there I've collected thousands of

982

00:50:38,599 --> 00:50:37,109

people and what's exciting to me is that

983

00:50:41,630 --> 00:50:38,609

more and more people are not only

984

00:50:43,040 --> 00:50:41,640

willing to talk confidentially but more

985

00:50:44,410 --> 00:50:43,050

and more people are willing to talk

986

00:50:48,559 --> 00:50:44,420

openly

987

00:50:50,570 --> 00:50:48,569

right now Travis just had a new

988

00:50:53,930 --> 00:50:50,580

documentary or Phil

989

00:50:56,390 --> 00:50:53,940

that just came out just very recently I

990

00:50:59,710 --> 00:50:56,400

believe it's being shown at a film

991

00:51:03,950 --> 00:50:59,720

festival and from what I understand it's

992

00:51:06,350 --> 00:51:03,960

he hadn't seen I spoke with him a maybe

993

00:51:09,230 --> 00:51:06,360

a month and a half ago he hadn't seen it

994

00:51:11,540 --> 00:51:09,240

yet but he said before it went on the

995

00:51:13,130 --> 00:51:11,550

cutting floor before it was edited he

996

00:51:15,350 --> 00:51:13,140

said they were doing a really accurate

997

00:51:21,940 --> 00:51:15,360

and good job so I'll be very interested

998

00:51:28,100 --> 00:51:26,060

yes he's mentioned that to me also but

999

00:51:32,720 --> 00:51:28,110

thought it was better being done than

1000

00:51:36,740 --> 00:51:32,730

not he like you know take some grace

1001  
00:51:39,130 --> 00:51:36,750  
with that so those are those are kind of

1002  
00:51:41,750 --> 00:51:39,140  
iconic cases both of the ones you have

1003  
00:51:45,530 --> 00:51:41,760  
talked about did you ever speak to the

1004  
00:51:50,300 --> 00:51:45,540  
allagash people Jim Jim and Jack Weiner

1005  
00:51:53,500 --> 00:51:50,310  
and Chuck faults or any of those people

1006  
00:51:57,050 --> 00:51:53,510  
I haven't yeah what are some other cases

1007  
00:52:04,520 --> 00:51:57,060  
that you can mention that you look to

1008  
00:52:07,520 --> 00:52:04,530  
between 1980 and 2000 what we called the

1009  
00:52:11,870 --> 00:52:07,530  
Rocky Mountain UFO conference at the

1010  
00:52:14,510 --> 00:52:11,880  
University of Wyoming I left the

1011  
00:52:18,200 --> 00:52:14,520  
University in 89 I couldn't handle the

1012  
00:52:22,010 --> 00:52:18,210  
pressure anymore but some people are

1013  
00:52:25,150 --> 00:52:22,020

willing to continue with the program dr.

1014

00:52:29,080 --> 00:52:25,160

June Parnell she did her dissertation

1015

00:52:31,550 --> 00:52:29,090

with cases that I had worked with I

1016

00:52:35,210 --> 00:52:31,560

worked with people who not only were

1017

00:52:37,460 --> 00:52:35,220

willing to talk about their background

1018

00:52:39,550 --> 00:52:37,470

and their encounters but they were also

1019

00:52:42,280 --> 00:52:39,560

willing to take personality inventories

1020

00:52:48,020 --> 00:52:42,290

so that we could compare their

1021

00:52:53,540 --> 00:52:48,030

personality profile with the general

1022

00:52:55,130 --> 00:52:53,550

public or the general individual what

1023

00:52:57,560 --> 00:52:55,140

she found was that these people are

1024

00:52:58,890 --> 00:52:57,570

quote normal unquote in a psychological

1025

00:53:00,630 --> 00:52:58,900

sense

1026

00:53:07,320 --> 00:53:00,640

in fact in some ways they're kind of

1027

00:53:09,960 --> 00:53:07,330

super normal there were some profiles

1028

00:53:15,630 --> 00:53:09,970

that showed there kind of a suspicious

1029

00:53:18,540 --> 00:53:15,640

nature kind of a - the weirdness but in

1030

00:53:20,850 --> 00:53:18,550

terms of intelligence and education more

1031

00:53:26,250 --> 00:53:20,860

women and men were willing to complete

1032

00:53:31,200 --> 00:53:26,260

the surveys but in general these people

1033

00:53:36,000 --> 00:53:31,210

would be perceived as a good good person

1034

00:53:40,050 --> 00:53:36,010

so I masters I mean college graduate

1035

00:53:43,230 --> 00:53:40,060

level some was a graduate course of

1036

00:53:47,700 --> 00:53:43,240

study so so not only bright and educated

1037

00:53:52,080 --> 00:53:47,710

but also with strengths of various kind

1038

00:53:58,380 --> 00:53:52,090

along with the suspicious or skeptical

1039

00:54:01,820 --> 00:53:58,390

nature so what we found in that series

1040

00:54:05,310 --> 00:54:01,830

of conferences between 1980 and 2000

1041

00:54:08,580 --> 00:54:05,320

every year start off with 100 150 people

1042

00:54:12,300 --> 00:54:08,590

and it get beat to 300 people most of

1043

00:54:14,030 --> 00:54:12,310

them were not only willing to share

1044

00:54:18,150 --> 00:54:14,040

their experiences with one another

1045

00:54:20,880 --> 00:54:18,160

they're willing to stand up and and talk

1046

00:54:23,520 --> 00:54:20,890

in front of everybody remember one one

1047

00:54:29,670 --> 00:54:23,530

young man he said my knees are shaking

1048

00:54:33,210 --> 00:54:29,680

he said I belong to a club that talks

1049

00:54:34,800 --> 00:54:33,220

publicly you know yep talking about his

1050

00:54:37,020 --> 00:54:34,810

own personal experience with a little

1051

00:54:40,020 --> 00:54:37,030

different and I remember a couple of

1052

00:54:42,870 --> 00:54:40,030

women who were interesting a mother and

1053

00:54:44,040 --> 00:54:42,880

a daughter my mother was a teacher in

1054

00:54:46,640 --> 00:54:44,050

New Mexico the daughter was a

1055

00:54:49,500 --> 00:54:46,650

psychiatric social worker in California

1056

00:54:51,300 --> 00:54:49,510

and they came back to the following year

1057

00:54:54,210 --> 00:54:51,310

that they were there and they said they

1058

00:54:56,550 --> 00:54:54,220

had each talked with each other about

1059

00:54:59,250 --> 00:54:56,560

their hybrid children they had not been

1060

00:55:03,780 --> 00:54:59,260

able to be courageous enough to tell

1061

00:55:06,110 --> 00:55:03,790

each other what they had experienced as

1062

00:55:10,490 --> 00:55:06,120

many women have said they felt like they

1063

00:55:16,610 --> 00:55:10,500

became pregnant but not

1064

00:55:19,880 --> 00:55:16,620

the human level the gestation period was

1065

00:55:23,120 --> 00:55:19,890

cut short the fetus seemed to be taken

1066

00:55:24,830 --> 00:55:23,130

away and they talked about that and then

1067

00:55:26,390 --> 00:55:24,840

later they came back the next year they

1068

00:55:28,370 --> 00:55:26,400

had written a book called healing

1069

00:55:33,680 --> 00:55:28,380

shattered reality in which they

1070

00:55:36,250 --> 00:55:33,690

discussed their experience and so there

1071

00:55:40,970 --> 00:55:36,260

are many courageous men and women who

1072

00:55:43,340 --> 00:55:40,980

are not only willing to share their

1073

00:55:46,880 --> 00:55:43,350

experience but also they feel that they

1074

00:55:50,360 --> 00:55:46,890

are helping humanity to get ready for

1075

00:55:53,180 --> 00:55:50,370

the next leap in our evolution that we

1076

00:55:54,800 --> 00:55:53,190

will recognize not only have we come

1077

00:55:57,410 --> 00:55:54,810

from the stars but we're getting ready

1078

00:55:58,910 --> 00:55:57,420

to go back to the stars we have a

1079

00:56:01,640 --> 00:55:58,920

question I'm going to get to in just a

1080

00:56:03,980 --> 00:56:01,650

second on the message okay well actually

1081

00:56:06,350 --> 00:56:03,990

why don't I just ask it right now and

1082

00:56:08,540 --> 00:56:06,360

okay and that it's up can you elaborate

1083

00:56:14,090 --> 00:56:08,550

when you were talking alert earlier on

1084

00:56:16,310 --> 00:56:14,100

heightened awareness yeah according to

1085

00:56:20,840 --> 00:56:16,320

my guides I don't know if they know what

1086

00:56:24,860 --> 00:56:20,850

they're talking about but I'm told in my

1087

00:56:27,020 --> 00:56:24,870

meditation that there is some people

1088

00:56:31,070 --> 00:56:27,030

called a change point some people called

1089

00:56:35,270 --> 00:56:31,080

transformation some people call it day

1090

00:56:39,050 --> 00:56:35,280

of declaration this supposedly not only

1091

00:56:44,690 --> 00:56:39,060

involves the public political

1092

00:56:48,350 --> 00:56:44,700

announcement that ETS are here and that

1093

00:56:49,850 --> 00:56:48,360

they have special energies in fact some

1094

00:56:52,100 --> 00:56:49,860

experts think that that's the real

1095

00:56:53,810 --> 00:56:52,110

cover-up the cover-up is not of the et

1096

00:56:56,860 --> 00:56:53,820

presence of the cover-up is of the

1097

00:56:58,660 --> 00:56:56,870

energy technologies that the ETS use

1098

00:57:00,950 --> 00:56:58,670

because if we were to use that

1099

00:57:04,910 --> 00:57:00,960

technology what some people tell they

1100

00:57:07,970 --> 00:57:04,920

talk about this Tesla Nikola Tesla back

1101

00:57:12,410 --> 00:57:07,980

in the 30s he and a colleague was

1102

00:57:15,080 --> 00:57:12,420

driving an electric car in New York he

1103

00:57:17,500 --> 00:57:15,090

claimed to get energy from space and

1104

00:57:19,890 --> 00:57:17,510

then turn it into electricity

1105

00:57:22,769 --> 00:57:19,900

there's

1106

00:57:25,500 --> 00:57:22,779

a couple people who have developed

1107

00:57:28,170 --> 00:57:25,510

little generators that do this it's been

1108

00:57:31,370 --> 00:57:28,180

patented but this information is

1109

00:57:33,690 --> 00:57:31,380

generally suppressed because if we had

1110

00:57:38,220 --> 00:57:33,700

so-called free energy we wouldn't need

1111

00:57:39,750 --> 00:57:38,230

to burn the fossil fuels in order to

1112

00:57:44,370 --> 00:57:39,760

create electricity

1113

00:57:48,390 --> 00:57:44,380

so what everyone calls that the day of

1114

00:57:53,099 --> 00:57:48,400

declaration or the transformation was it

1115

00:57:55,049 --> 00:57:53,109

a change point it seems that some people

1116

00:57:59,190 --> 00:57:55,059

claim that we are headed toward this

1117

00:58:03,329 --> 00:57:59,200

point where everybody's awareness will

1118

00:58:07,680 --> 00:58:03,339

be increased I'm not sure exactly what

1119

00:58:10,160 --> 00:58:07,690

that means but it isn't described by

1120

00:58:18,930 --> 00:58:10,170

various people as a shift in energy or

1121

00:58:21,809 --> 00:58:18,940

or increased in frequency so that just

1122

00:58:23,910 --> 00:58:21,819

like if if you use the analogy of light

1123

00:58:25,559 --> 00:58:23,920

if we're walking around and it's kind of

1124

00:58:29,250 --> 00:58:25,569

dim and all of a sudden the lights are

1125

00:58:30,900 --> 00:58:29,260

turned on or or turned up higher then we

1126

00:58:34,260 --> 00:58:30,910

can see what's happening all the same

1127

00:58:37,529 --> 00:58:34,270

ways if we all raise our consciousness

1128

00:58:40,529 --> 00:58:37,539

and recognize that we are not only human

1129

00:58:44,970 --> 00:58:40,539

but we're also Souls and that we're part

1130

00:58:47,130 --> 00:58:44,980

of not only the planet not only the

1131

00:58:51,150 --> 00:58:47,140

solar system not only the galaxy but the

1132

00:58:53,970 --> 00:58:51,160

whole cosmos if the if the whole galaxy

1133

00:58:55,789 --> 00:58:53,980

were to increase in awareness and maybe

1134

00:59:02,940 --> 00:58:55,799

what we call the good guy bad guy

1135

00:59:05,130 --> 00:59:02,950

scenario will no longer be the game some

1136

00:59:09,960 --> 00:59:05,140

people think the game is good cop bad

1137

00:59:14,549 --> 00:59:09,970

cop that is that the ETS are presenting

1138

00:59:19,289 --> 00:59:14,559

themselves both as quote good unquote

1139

00:59:21,450 --> 00:59:19,299

and as quote bad unquote just like if we

1140

00:59:23,190 --> 00:59:21,460

thought of ourselves as of where the

1141

00:59:24,750 --> 00:59:23,200

patriarchs on the planet we're the ones

1142

00:59:25,859 --> 00:59:24,760

who are suppressing women and children

1143

00:59:28,799 --> 00:59:25,869

we're the ones who are polluting the

1144

00:59:30,970 --> 00:59:28,809

planet and so the bad cops come and say

1145

00:59:35,589 --> 00:59:30,980

hey come join us

1146

00:59:37,240 --> 00:59:35,599

and we will give you energy but you

1147

00:59:40,050 --> 00:59:37,250

don't have to tell the public about it

1148

00:59:42,910 --> 00:59:40,060

and so some people say that there is a

1149

00:59:47,410 --> 00:59:42,920

secret cabal that has developed flying

1150

00:59:52,380 --> 00:59:47,420

saucers here on the planet and that they

1151

00:59:55,359 --> 00:59:52,390

are in cahoots with the greys or the

1152

00:59:59,620 --> 00:59:55,369

lizards or different people say

1153

01:00:02,230 --> 00:59:59,630

different groups of ETS and then later

1154

01:00:07,030 --> 01:00:02,240

find out that all the EPS are working

1155

01:00:10,359 --> 01:00:07,040

together to help humanity grow up Wow

1156

01:00:12,250 --> 01:00:10,369

so that that's it say say goodbye if you

1157

01:00:18,700 --> 01:00:12,260

would to the first hour we're going into

1158

01:00:19,690 --> 01:00:18,710

the second hour but thank you and in the

1159

01:00:23,170 --> 01:00:19,700

second hour we're going to be talking

1160

01:00:26,650 --> 01:00:23,180

more about this idea of possible free

1161

01:00:28,920 --> 01:00:26,660

energy and I also want to find out I

1162

01:00:31,000 --> 01:00:28,930

have a couple of questions about

1163

01:00:33,940 --> 01:00:31,010

abductions and abductees so that's

1164

01:01:12,529 --> 01:00:33,950

coming up in our to hang in there just

1165

01:01:27,289 --> 01:01:22,819

I never know what those clips are gonna

1166

01:01:29,539 --> 01:01:27,299

be like that's yeah that's actually I'm

1167

01:01:33,319 --> 01:01:29,549

sure that's part of a movie from Carrie

1168

01:01:35,539 --> 01:01:33,329

Lloyd white house out of Scotland so the

1169

01:01:40,390 --> 01:01:35,549

question I was wanted to ask you before

1170

01:01:43,219 --> 01:01:40,400

we get more into the energy questions is

1171

01:01:45,799 --> 01:01:43,229

since you've been at this so long what

1172

01:01:49,370 --> 01:01:45,809

is your feeling about the increase in

1173

01:01:51,709 --> 01:01:49,380

activity in the abductions or if that's

1174

01:01:53,390 --> 01:01:51,719

even happening or just people are more

1175

01:01:58,359 --> 01:01:53,400

free to talk about it what what's your

1176

01:02:02,059 --> 01:01:58,369

opinion on that it's not an increase

1177

01:02:04,400 --> 01:02:02,069

it's more than a in terms of numbers of

1178

01:02:10,400 --> 01:02:04,410

encounters between the extraterrestrial

1179

01:02:11,809 --> 01:02:10,410

craft and and planetary persons as far

1180

01:02:13,729 --> 01:02:11,819

as I can tell it seems like it's an

1181

01:02:16,219 --> 01:02:13,739

increase in the number of people who are

1182

01:02:19,849 --> 01:02:16,229

willing to report their experience I've

1183

01:02:21,890 --> 01:02:19,859

conquered a lot of people who some of

1184

01:02:23,779 --> 01:02:21,900

whom have said they've had support from

1185

01:02:25,999 --> 01:02:23,789

their families or their spouse or

1186

01:02:28,669 --> 01:02:26,009

whatever and other people who have not

1187

01:02:34,399 --> 01:02:28,679

had support and so they've been kind of

1188

01:02:37,819 --> 01:02:34,409

hiding their story partly embarrassed or

1189

01:02:41,870 --> 01:02:37,829

frightened but also partly not wanting

1190

01:02:46,509 --> 01:02:41,880

to cause difficulty for friends and

1191

01:02:56,469 --> 01:02:46,519

family now some people will go ahead

1192

01:03:01,699 --> 01:03:00,109

girlfriends you seem like more and more

1193

01:03:02,959 --> 01:03:01,709

people willing to talk about their

1194

01:03:05,929 --> 01:03:02,969

experience openly

1195

01:03:07,130 --> 01:03:05,939

right and there are more groups and

1196

01:03:12,289 --> 01:03:07,140

support than ever

1197

01:03:15,289 --> 01:03:12,299

but I want to mention one group no

1198

01:03:17,299 --> 01:03:15,299

longer move on in the UFO Congress and

1199

01:03:19,479 --> 01:03:17,309

none of the people have been doing work

1200

01:03:26,180 --> 01:03:19,489

over the years there's another group

1201

01:03:32,480 --> 01:03:28,340

searched and extraterrestrial encounters

1202

01:03:34,910 --> 01:03:32,490

and extraterrestrial experiences and if

1203

01:03:39,910 --> 01:03:34,920

people are interested and know how to go

1204

01:03:47,270 --> 01:03:39,920

online they can go to WWE fr EE

1205

01:03:49,870 --> 01:03:47,280

experiencer dr. Co Co Co and they formed

1206

01:03:52,460 --> 01:03:49,880

a science committee and they formed a

1207

01:03:56,780 --> 01:03:52,470

survey committee and formed a Support

1208

01:04:00,880 --> 01:03:56,790

Committee and so they're trying to not

1209

01:04:04,460 --> 01:04:00,890

only use the scientific and intellectual

1210

01:04:07,640 --> 01:04:04,470

support for these people but also trying

1211

01:04:11,480 --> 01:04:07,650

to provide emotional and social support

1212

01:04:14,930 --> 01:04:11,490

for people right

1213

01:04:17,630 --> 01:04:14,940

I think it's ray hunt Hernandez yeah

1214

01:04:20,480 --> 01:04:17,640

yeah I we missed each other we were in

1215

01:04:23,390 --> 01:04:20,490

Phoenix I wanted to say hi to him and

1216

01:04:27,830 --> 01:04:23,400

and missed him out there and I actually

1217

01:04:30,140 --> 01:04:27,840

had Christina on the show and old yes

1218

01:04:31,490 --> 01:04:30,150

and a few other people talking about

1219

01:04:33,140 --> 01:04:31,500

that it sounds like they're they're

1220

01:04:36,500 --> 01:04:33,150

trying to do a really good job with this

1221

01:04:38,660 --> 01:04:36,510

thing yeah and the question I have about

1222

01:04:39,640 --> 01:04:38,670

that I do have another message but I'll

1223

01:04:42,110 --> 01:04:39,650

get to that later

1224

01:04:45,880 --> 01:04:42,120

the the question I have about that is

1225

01:04:49,400 --> 01:04:45,890

how did these people handle this when

1226

01:04:52,280 --> 01:04:49,410

what were their lives like when they had

1227

01:04:56,060 --> 01:04:52,290

nowhere to go no one to share the trauma

1228

01:04:58,250 --> 01:04:56,070

with very difficult for some people I've

1229

01:05:05,300 --> 01:04:58,260

talked to people who have been hiding

1230

01:05:07,460 --> 01:05:05,310

you know for 13 years some people it's

1231

01:05:11,870 --> 01:05:07,470

not like they live dual lives double

1232

01:05:17,300 --> 01:05:11,880

eyes but I think that that's also part

1233

01:05:18,380 --> 01:05:17,310

of the initiation if you will I don't

1234

01:05:25,030 --> 01:05:18,390

know if you've heard the name David

1235

01:05:28,610 --> 01:05:25,040

Campbell but he's a yes the cultural

1236

01:05:31,670 --> 01:05:28,620

experiences and he has a model and the

1237

01:05:34,540 --> 01:05:31,680

model is called a hero's journey the

1238

01:05:38,130 --> 01:05:34,550

hero is the man or woman who feels

1239

01:05:43,589 --> 01:05:38,140

pulled out of society and then

1240

01:05:46,200 --> 01:05:43,599

into challenges personal crises kind of

1241

01:05:48,180 --> 01:05:46,210

tests or examinations to see how they'll

1242

01:05:50,870 --> 01:05:48,190

do and then they come back into society

1243

01:05:55,140 --> 01:05:50,880

with new knowledge and with new courage

1244

01:05:59,960 --> 01:05:55,150

the example that many people use is the

1245

01:06:03,269 --> 01:05:59,970

story of Dorothy in The Wizard of Oz and

1246

01:06:06,690 --> 01:06:03,279

the story is look here's this woman who

1247

01:06:09,950 --> 01:06:06,700

has her companions attended and straw

1248

01:06:12,089 --> 01:06:09,960

man they're looking for

1249

01:06:14,490 --> 01:06:12,099

success or they're looking for

1250

01:06:16,259 --> 01:06:14,500

assistance they think that the Wizard of

1251

01:06:19,319 --> 01:06:16,269

Oz is going to help them well they find

1252

01:06:21,990 --> 01:06:19,329

out the Wizard of Oz is that doddering

1253

01:06:24,059 --> 01:06:22,000

old guy and he just hands out the

1254

01:06:25,740 --> 01:06:24,069

certificates it's kind of like those of

1255

01:06:28,140 --> 01:06:25,750

us who were professors and the students

1256

01:06:32,190 --> 01:06:28,150

the ones who go through the hard times

1257

01:06:36,480 --> 01:06:32,200

and then then the President or the Dean

1258

01:06:37,890 --> 01:06:36,490

or whoever hands out the certificate

1259

01:06:41,599 --> 01:06:37,900

when the person has completed the

1260

01:06:45,329 --> 01:06:41,609

program so if we look at it that way

1261

01:06:49,650 --> 01:06:45,339

then I often encourage people to

1262

01:06:51,569 --> 01:06:49,660

consider shortening the process by

1263

01:06:54,180 --> 01:06:51,579

saying I'm ready I'm ready

1264

01:06:58,950 --> 01:06:54,190

likes them like SpongeBob SquarePants

1265

01:07:00,599 --> 01:06:58,960

I'm ready ready ready then say okay I

1266

01:07:02,910 --> 01:07:00,609

need to be tested some more well then

1267

01:07:05,579 --> 01:07:02,920

test me then some people will get more

1268

01:07:08,759 --> 01:07:05,589

tests but other people there'll be a

1269

01:07:12,470 --> 01:07:08,769

shift for example willen told me years

1270

01:07:14,910 --> 01:07:12,480

ago that she was remembering during her

1271

01:07:19,490 --> 01:07:14,920

hypnosis session with me that she was on

1272

01:07:22,829 --> 01:07:19,500

board a craft and the little gray et's

1273

01:07:26,249 --> 01:07:22,839

had examined her and it was painful and

1274

01:07:29,130 --> 01:07:26,259

she was groaning and moaning and and at

1275

01:07:31,769 --> 01:07:29,140

one point she said her memory was that

1276

01:07:32,940 --> 01:07:31,779

she snapped looked at that little Gracie

1277

01:07:37,349 --> 01:07:32,950

stop it

1278

01:07:40,890 --> 01:07:37,359

I don't like this take me to your leader

1279

01:07:44,210 --> 01:07:40,900

or you know take me to your supervisor

1280

01:07:46,440 --> 01:07:44,220

and their little grade look startled and

1281

01:07:48,240 --> 01:07:46,450

according to her memory walked out into

1282

01:07:49,380 --> 01:07:48,250

the room and then came back with a tall

1283

01:07:52,410 --> 01:07:49,390

gray

1284

01:07:57,420 --> 01:07:52,420

who was feminine and much more

1285

01:08:02,400 --> 01:07:57,430

compassionate so is like the idea is

1286

01:08:05,850 --> 01:08:02,410

that as soon as we wake up and in hence

1287

01:08:08,430 --> 01:08:05,860

our consciousness saying okay we're her

1288

01:08:09,960 --> 01:08:08,440

things but we're also ETS we've been in

1289

01:08:12,690 --> 01:08:09,970

ETS and now we're going to go back and

1290

01:08:16,110 --> 01:08:12,700

be extraterrestrial again in our travels

1291

01:08:22,080 --> 01:08:16,120

when we are ready for the journey then

1292

01:08:26,280 --> 01:08:22,090

there the consciousness shifts and we

1293

01:08:28,200 --> 01:08:26,290

become more able not only to tolerate

1294

01:08:30,960 --> 01:08:28,210

the challenges but we know that we have

1295

01:08:33,930 --> 01:08:30,970

handled them and we are initiated just

1296

01:08:37,140 --> 01:08:33,940

like a sorority or fraternity member or

1297

01:08:39,330 --> 01:08:37,150

you know in the army we went through

1298

01:08:43,140 --> 01:08:39,340

basic training I remember when I was in

1299

01:08:47,430 --> 01:08:43,150

the army one guy looked at me and he saw

1300

01:08:50,100 --> 01:08:47,440

I was handling the stress we will need a

1301

01:08:52,710 --> 01:08:50,110

sprinkle he said do you like the army I

1302

01:08:54,270 --> 01:08:52,720

said no not enough food not enough sleep

1303

01:08:57,210 --> 01:08:54,280

he's where you don't seem to be bothered

1304

01:09:00,480 --> 01:08:57,220

by it I said this is the easiest time in

1305

01:09:04,200 --> 01:09:00,490

my life he said easy-peasy he was pissed

1306

01:09:06,660 --> 01:09:04,210

at me well I grew up in a farming family

1307

01:09:08,220 --> 01:09:06,670

and you had chores you get up early and

1308

01:09:09,330 --> 01:09:08,230

you do your chores then you go to school

1309

01:09:12,810 --> 01:09:09,340

then you come back and you do your

1310

01:09:15,180 --> 01:09:12,820

chores no I was lucky I was in athletics

1311

01:09:17,700 --> 01:09:15,190

and so my older brother got to do the

1312

01:09:22,020 --> 01:09:17,710

chores in the afternoon when I was in

1313

01:09:25,230 --> 01:09:22,030

football or a basketball or track so so

1314

01:09:27,630 --> 01:09:25,240

the sort of the task seems to be to grow

1315

01:09:31,490 --> 01:09:27,640

up and different people have different

1316

01:09:34,170 --> 01:09:31,500

meanings by that but from my standpoint

1317

01:09:37,200 --> 01:09:34,180

it's not only to accept our

1318

01:09:42,780 --> 01:09:37,210

reincarnation past lives it's also to

1319

01:09:44,490 --> 01:09:42,790

get ready for being a cosmic citizens in

1320

01:09:47,400 --> 01:09:44,500

fact when the papers I think I sent a

1321

01:09:50,340 --> 01:09:47,410

copy to you know ret experiences

1322

01:09:52,950 --> 01:09:50,350

planetary persons or are they becoming

1323

01:09:59,930 --> 01:09:52,960

cosmic citizens and so when we're ready

1324

01:10:05,640 --> 01:10:02,250

disclosure of the extra-terrestrial

1325

01:10:07,320 --> 01:10:05,650

presence will occur and also I think the

1326

01:10:10,320 --> 01:10:07,330

announcement about the energy

1327

01:10:12,510 --> 01:10:10,330

technologies will occur yeah I want to

1328

01:10:14,490 --> 01:10:12,520

talk to you more about that but I also

1329

01:10:31,670 --> 01:10:14,500

wanted to tell you that I am truly

1330

01:10:40,170 --> 01:10:35,100

we get introduced to several cartoon

1331

01:10:42,480 --> 01:10:40,180

characters now now we're going I want to

1332

01:10:44,580 --> 01:10:42,490

talk more about the you know the

1333

01:10:46,920 --> 01:10:44,590

possibilities of free energy because

1334

01:10:48,660 --> 01:10:46,930

I've you know this is going off the UFO

1335

01:10:51,060 --> 01:10:48,670

topic and you know forgive me for the

1336

01:10:53,460 --> 01:10:51,070

die-hard UFO people but you know this is

1337

01:10:58,230 --> 01:10:53,470

fascinating to me you know first of all

1338

01:11:00,720 --> 01:10:58,240

we can talk about Tesla and how you know

1339

01:11:05,070 --> 01:11:00,730

some people said he was crazy

1340

01:11:08,580 --> 01:11:05,080

some people said you know he had the

1341

01:11:11,610 --> 01:11:08,590

death ray and you know they stole his

1342

01:11:13,320 --> 01:11:11,620

papers the government it's pretty well

1343

01:11:15,680 --> 01:11:13,330

known the government took his all his

1344

01:11:18,690 --> 01:11:15,690

papers

1345

01:11:32,780 --> 01:11:18,700

there's a book that gives a good account

1346

01:11:38,040 --> 01:11:35,700

right and you know everything we look

1347

01:11:39,750 --> 01:11:38,050

around us today and you know sure

1348

01:11:42,480 --> 01:11:39,760

eventually things may have been invented

1349

01:11:45,090 --> 01:11:42,490

but everything we see around us the the

1350

01:11:47,670 --> 01:11:45,100

light switch the alternating current you

1351

01:11:49,320 --> 01:11:47,680

know that was his he was I believe his

1352

01:11:51,780 --> 01:11:49,330

like walking along and all of a sudden

1353

01:11:55,080 --> 01:11:51,790

had like an epiphany and scratched it

1354

01:11:58,830 --> 01:11:55,090

out on the idea out on a sand with a

1355

01:12:05,850 --> 01:11:58,840

stick or something you know this is you

1356

01:12:07,860 --> 01:12:05,860

know all this you know all direct

1357

01:12:09,810 --> 01:12:07,870

current or direct current is better and

1358

01:12:12,200 --> 01:12:09,820

of course alternating current had more

1359

01:12:15,709 --> 01:12:12,210

advantages oh yeah and you know there

1360

01:12:18,860 --> 01:12:15,719

so terrible revelry between them but you

1361

01:12:20,360 --> 01:12:18,870

think of this and the poor man could

1362

01:12:22,850 --> 01:12:20,370

have had all this money from

1363

01:12:24,200 --> 01:12:22,860

Westinghouse he let this thing go about

1364

01:12:26,479 --> 01:12:24,210

the horsepower I remember something

1365

01:12:28,790 --> 01:12:26,489

about that but he could have been a

1366

01:12:30,709 --> 01:12:28,800

millionaire Westinghouse was hurting at

1367

01:12:33,380 --> 01:12:30,719

the time and let the whole contract go

1368

01:12:35,390 --> 01:12:33,390

all I'm getting at is this brilliant

1369

01:12:37,640 --> 01:12:35,400

brilliant brilliant man was hardly

1370

01:12:40,959 --> 01:12:37,650

recognized in his lifetime and died

1371

01:12:44,660 --> 01:12:40,969

mostly penniless which is such a shame

1372

01:12:48,830 --> 01:12:44,670

family with the Royal Rice he developed

1373

01:12:53,600 --> 01:12:48,840

the cancer cure technology and several

1374

01:12:56,240 --> 01:12:53,610

physicians his deeds were helpful doing

1375

01:13:01,100 --> 01:12:56,250

but then later on according to some

1376

01:13:04,610 --> 01:13:01,110

people the powers-that-be took over that

1377

01:13:08,740 --> 01:13:04,620

information and now Royal Rice the

1378

01:13:11,959 --> 01:13:08,750

technology is not available medically I

1379

01:13:14,420 --> 01:13:11,969

I sent some you know long as that

1380

01:13:19,910 --> 01:13:14,430

material I said to you I've sent that

1381

01:13:24,250 --> 01:13:19,920

out to a dozen various editors in very

1382

01:13:27,190 --> 01:13:24,260

you know newspapers journals magazines

1383

01:13:30,890 --> 01:13:27,200

societies it is fascinating to me

1384

01:13:36,470 --> 01:13:30,900

no one has acknowledged receiving the

1385

01:13:40,040 --> 01:13:36,480

materials and I that's ok if but I hope

1386

01:13:42,970 --> 01:13:40,050

that somebody will inform the

1387

01:13:45,950 --> 01:13:42,980

powers-that-be that more and more people

1388

01:13:47,530 --> 01:13:45,960

recognize there is free energy there

1389

01:13:51,260 --> 01:13:47,540

more and more people around the planet

1390

01:13:55,729 --> 01:13:51,270

who know about this whereas here in the

1391

01:14:01,940 --> 01:13:55,739

US we we seem to feel numbed by what we

1392

01:14:03,709 --> 01:14:01,950

are told about free energy yeah there's

1393

01:14:05,600 --> 01:14:03,719

some of that one that wanted to know

1394

01:14:10,930 --> 01:14:05,610

will you have you ever been threatened

1395

01:14:20,810 --> 01:14:13,700

probably no need to threaten me I'm not

1396

01:14:23,000 --> 01:14:20,820

that important but the professor's kind

1397

01:14:24,950 --> 01:14:23,010

of muzzled their own you know professors

1398

01:14:26,240 --> 01:14:24,960

are not supposed to be outspoken we're

1399

01:14:30,650 --> 01:14:26,250

supposed to be quiet

1400

01:14:34,340 --> 01:14:30,660

and gentle and so and so I'm assuming

1401

01:14:39,140 --> 01:14:34,350

that anybody who is in the position to

1402

01:14:43,880 --> 01:14:39,150

know about what I know recognizes that I

1403

01:14:46,550 --> 01:14:43,890

don't have much influence yeah well I'm

1404

01:14:48,620 --> 01:14:46,560

gonna tell a story that I believe I have

1405

01:14:52,070 --> 01:14:48,630

never told on this but it's it's an

1406

01:14:56,180 --> 01:14:52,080

interesting one now my father was never

1407

01:14:58,820 --> 01:14:56,190

known to fib he had a sense of humor but

1408

01:15:03,490 --> 01:14:58,830

you know he was serious about this back

1409

01:15:06,980 --> 01:15:03,500

in like 1974 you know right after the

1410

01:15:11,000 --> 01:15:06,990

quote-unquote gas shortage crisis and

1411

01:15:14,930 --> 01:15:11,010

all that he had a friend that bought a

1412

01:15:17,360 --> 01:15:14,940

brand-new Buick and it was a you know v8

1413

01:15:19,750 --> 01:15:17,370

and all that and he drove it for a

1414

01:15:22,280 --> 01:15:19,760

couple hundred miles and noticed the gas

1415

01:15:25,220 --> 01:15:22,290

the gas gauge was broken so he pulled

1416

01:15:27,170 --> 01:15:25,230

into a gas station and it took just

1417

01:15:30,770 --> 01:15:27,180

about two gallons so he's thinking

1418

01:15:34,970 --> 01:15:30,780

what's going on here he lifted the hood

1419

01:15:40,820 --> 01:15:34,980

and he saw there was this bright orange

1420

01:15:44,630 --> 01:15:40,830

thing test equipment so he drove it back

1421

01:15:47,330 --> 01:15:44,640

to the dealership and they wouldn't let

1422

01:15:50,360 --> 01:15:47,340

him take the car off the lot and he

1423

01:15:52,550 --> 01:15:50,370

finally settled for two free vehicles

1424

01:15:54,290 --> 01:15:52,560

one for himself and one for his wife and

1425

01:15:58,010 --> 01:15:54,300

he actually settled for them you know

1426

01:16:00,710 --> 01:15:58,020

this is now I can tell you one thing my

1427

01:16:04,040 --> 01:16:00,720

father believed that that story and

1428

01:16:06,050 --> 01:16:04,050

believed his friend and I I don't know I

1429

01:16:08,120 --> 01:16:06,060

can't verify anything I don't even

1430

01:16:10,940 --> 01:16:08,130

remember who it is because it was so

1431

01:16:15,860 --> 01:16:10,950

long ago but the story are we stuck with

1432

01:16:18,470 --> 01:16:15,870

me because it has always baffled me and

1433

01:16:20,600 --> 01:16:18,480

still baffles me to this day where the

1434

01:16:23,990 --> 01:16:20,610

best you can get is a Prius that gets 50

1435

01:16:26,600 --> 01:16:24,000

miles to the gallon it and I just don't

1436

01:16:29,900 --> 01:16:26,610

believe it with all the technology that

1437

01:16:35,060 --> 01:16:29,910

we have that we can't do better than

1438

01:16:38,930 --> 01:16:35,070

some people say that the automakers have

1439

01:16:40,089 --> 01:16:38,940

a lot of generators and gradually we're

1440

01:16:43,399 --> 01:16:40,099

releasing

1441

01:16:48,859 --> 01:16:43,409

you know bit by bit so there as the

1442

01:16:51,950 --> 01:16:48,869

gasoline supplies go down within the the

1443

01:16:54,229 --> 01:16:51,960

number of miles goes up but sooner or

1444

01:16:56,209 --> 01:16:54,239

later we'll get to the free energy to

1445

01:17:00,169 --> 01:16:56,219

Tesla and then we can have electric cars

1446

01:17:04,279 --> 01:17:00,179

without burning fossil fuels to create

1447

01:17:08,450 --> 01:17:04,289

the electricity if you there's a couple

1448

01:17:10,489 --> 01:17:08,460

of theories out there kicking around and

1449

01:17:13,209 --> 01:17:10,499

one of them is that if all of a sudden

1450

01:17:16,339 --> 01:17:13,219

free energy was discovered and

1451

01:17:18,830 --> 01:17:16,349

implemented that the world a common

1452

01:17:21,319 --> 01:17:18,840

economy would would crush and fall and

1453

01:17:22,399 --> 01:17:21,329

and what do you what are your thoughts

1454

01:17:24,859 --> 01:17:22,409

on that and then and then of course

1455

01:17:28,430 --> 01:17:24,869

there's the one where the you know the

1456

01:17:30,439 --> 01:17:28,440

the energy companies would do would you

1457

01:17:39,799 --> 01:17:30,449

know wage war against anyone that would

1458

01:17:43,160 --> 01:17:39,809

get close to something like that would

1459

01:17:50,020 --> 01:17:43,170

happen in the short run it might be

1460

01:17:54,049 --> 01:17:50,030

disastrous but I grew up in a world of

1461

01:17:56,270 --> 01:17:54,059

economic depression world war two comes

1462

01:18:00,310 --> 01:17:56,280

along my older brother went in the Air

1463

01:18:03,140 --> 01:18:00,320

Force I went in during the Korean time a

1464

01:18:05,930 --> 01:18:03,150

lot of changes happened in our lives and

1465

01:18:08,930 --> 01:18:05,940

we adapted to them my feeling about

1466

01:18:12,049 --> 01:18:08,940

humanity is that the free energy were

1467

01:18:15,470 --> 01:18:12,059

introduced it take a while to take a few

1468

01:18:21,589 --> 01:18:15,480

years for us to convert from coal and

1469

01:18:24,459 --> 01:18:21,599

oil and gasoline to these devices just

1470

01:18:28,640 --> 01:18:24,469

like it takes a while for a city to

1471

01:18:34,189 --> 01:18:28,650

create a new power station and a new

1472

01:18:39,319 --> 01:18:34,199

power grid so my uneducated economic

1473

01:18:43,339 --> 01:18:39,329

philosophy is that the economics is not

1474

01:18:45,970 --> 01:18:43,349

as difficult as the emotional reaction

1475

01:18:48,800 --> 01:18:45,980

of those who are going down

1476

01:18:51,740 --> 01:18:48,810

my general belief and I feel quite

1477

01:18:55,430 --> 01:18:51,750

strong about this is that all over the

1478

01:18:57,320 --> 01:18:55,440

planet the patriarchy is coming down I

1479

01:18:59,600 --> 01:18:57,330

mentioned one I'll mention one book that

1480

01:19:01,850 --> 01:18:59,610

helps people if they want to read it

1481

01:19:05,750 --> 01:19:01,860

it's called the end of men and the rise

1482

01:19:09,400 --> 01:19:05,760

of women by Hanna rosin more rosin har

1483

01:19:14,770 --> 01:19:09,410

OSI in Chapter after Chapter she shows

1484

01:19:19,670 --> 01:19:14,780

that there are more women leaders in

1485

01:19:25,940 --> 01:19:19,680

military law academic world the business

1486

01:19:30,070 --> 01:19:25,950

world these these women are just as

1487

01:19:32,180 --> 01:19:30,080

competent as men but they are more

1488

01:19:35,810 --> 01:19:32,190

compassionate and they are more willing

1489

01:19:39,470 --> 01:19:35,820

to discuss matters there they're willing

1490

01:19:44,000 --> 01:19:39,480

to negotiate so men tend to be more

1491

01:19:44,900 --> 01:19:44,010

competitive and these women leaders are

1492

01:19:47,360 --> 01:19:44,910

more cooperative

1493

01:19:50,240 --> 01:19:47,370

now they she says that the war the two

1494

01:19:54,800 --> 01:19:50,250

areas is not yet true that women are the

1495

01:19:56,990 --> 01:19:54,810

primary leaders in the u.s. one example

1496

01:19:58,790 --> 01:19:57,000

is the Congress there are more males and

1497

01:20:01,300 --> 01:19:58,800

females in the Congress and there are

1498

01:20:03,710 --> 01:20:01,310

more males than females in

1499

01:20:05,270 --> 01:20:03,720

mega-corporations because some people

1500

01:20:12,110 --> 01:20:05,280

argue that we don't have a quote

1501  
01:20:16,390 --> 01:20:12,120  
democracy unquote we have a system built

1502  
01:20:19,550 --> 01:20:16,400  
on corporation we have a corporate CE

1503  
01:20:21,980 --> 01:20:19,560  
that's the and that really determines

1504  
01:20:26,840 --> 01:20:21,990  
whether we are good bad or indifferent

1505  
01:20:30,560 --> 01:20:26,850  
for example there's recent dust-up about

1506  
01:20:33,380 --> 01:20:30,570  
religious freedom religious liberty in

1507  
01:20:36,320 --> 01:20:33,390  
Indiana and it was so intriguing to me

1508  
01:20:38,440 --> 01:20:36,330  
to see that Walmart and some of the

1509  
01:20:40,550 --> 01:20:38,450  
other corporations came in and said hey

1510  
01:20:43,550 --> 01:20:40,560  
we don't want to have people

1511  
01:20:46,460 --> 01:20:43,560  
discriminating against gays we've got

1512  
01:20:50,240 --> 01:20:46,470  
this kind of a business operation going

1513  
01:20:52,990 --> 01:20:50,250

and some people said that the Indiana

1514

01:20:56,380 --> 01:20:53,000

lawmakers are listening as much to the

1515

01:21:01,870 --> 01:20:56,390

corporation's as they are to the people

1516

01:21:06,140 --> 01:21:01,880

so so it's an interesting question as

1517

01:21:09,260 --> 01:21:06,150

are the corporations pro-democracy are

1518

01:21:10,840 --> 01:21:09,270

they pro-business are they Pro well it's

1519

01:21:14,510 --> 01:21:10,850

interesting because more and more people

1520

01:21:17,690 --> 01:21:14,520

no matter whether we are US citizens or

1521

01:21:23,660 --> 01:21:17,700

whether we are from Nairobi or Australia

1522

01:21:26,180 --> 01:21:23,670

more and more people are less and less

1523

01:21:29,150 --> 01:21:26,190

violent even though there are Wars going

1524

01:21:33,620 --> 01:21:29,160

on people are losing their lives being

1525

01:21:36,190 --> 01:21:33,630

shot and bombed in general the level of

1526

01:21:38,960 --> 01:21:36,200

violence is coming down and in general

1527

01:21:41,630 --> 01:21:38,970

there are more people who are gathering

1528

01:21:44,480 --> 01:21:41,640

in groups in a peaceful way to

1529

01:21:51,620 --> 01:21:44,490

demonstrate for their particular review

1530

01:21:56,720 --> 01:21:51,630

whether it's anti racial or anti ageism

1531

01:22:00,380 --> 01:21:56,730

or whatever it is that and I find

1532

01:22:03,650 --> 01:22:00,390

exciting because we have been basing our

1533

01:22:08,600 --> 01:22:03,660

philosophy on fight fight cancer fight

1534

01:22:11,060 --> 01:22:08,610

discrimination by war on drugs yeah

1535

01:22:14,200 --> 01:22:11,070

Norah's people who are a Christian say

1536

01:22:16,790 --> 01:22:14,210

Jesus said love thy neighbor as thyself

1537

01:22:19,910 --> 01:22:16,800

which is fascinating because that means

1538

01:22:23,030 --> 01:22:19,920

we gotta love ourselves first then our

1539

01:22:24,740 --> 01:22:23,040

neighbor and then our God whereas the

1540

01:22:29,750 --> 01:22:24,750

patriarchs they turn it around they said

1541

01:22:32,060 --> 01:22:29,760

Oh God why you got a fear not love you

1542

01:22:35,650 --> 01:22:32,070

got a fear of God and then fear your

1543

01:22:38,000 --> 01:22:35,660

neighbor and then fear yourself so the

1544

01:22:40,850 --> 01:22:38,010

patriarchal view that men not only

1545

01:22:43,640 --> 01:22:40,860

protect women and children but possess

1546

01:22:45,980 --> 01:22:43,650

women and children and possess mother

1547

01:22:48,940 --> 01:22:45,990

earth and can rape her for oil and gas

1548

01:22:52,670 --> 01:22:48,950

ago that that philosophy is shifting and

1549

01:22:56,300 --> 01:22:52,680

it would suggest to me that not only are

1550

01:22:57,710 --> 01:22:56,310

we going to have more female leaders but

1551  
01:23:01,820 --> 01:22:57,720  
we're also going to have more peaceful

1552  
01:23:04,840 --> 01:23:01,830  
world well getting back to you know

1553  
01:23:09,150 --> 01:23:04,850  
stepping back to the energy situation

1554  
01:23:11,790 --> 01:23:09,160  
you know I I really really hope that

1555  
01:23:14,400 --> 01:23:11,800  
I mean that would be the answer to so

1556  
01:23:17,220 --> 01:23:14,410  
many things but also just the fact that

1557  
01:23:20,190 --> 01:23:17,230  
we are actually heading toward doom the

1558  
01:23:23,880 --> 01:23:20,200  
way you know for instance every single

1559  
01:23:27,360 --> 01:23:23,890  
week every single week China is opening

1560  
01:23:29,520 --> 01:23:27,370  
a new coal plant power plant and you

1561  
01:23:32,040 --> 01:23:29,530  
know the coal burning we're doing is is

1562  
01:23:34,020 --> 01:23:32,050  
out of control and there's you know

1563  
01:23:37,170 --> 01:23:34,030

there's mercury in the water because of

1564

01:23:39,570 --> 01:23:37,180

it there's there's gonna be a you know

1565

01:23:43,830 --> 01:23:39,580

in I have a person that's been on the

1566

01:23:45,780 --> 01:23:43,840

show he's a friend he's in Beijing and

1567

01:23:48,900 --> 01:23:45,790

he can't go out of the house without

1568

01:23:52,110 --> 01:23:48,910

wearing a mask that's how you know

1569

01:23:56,280 --> 01:23:52,120

that's how they live it's it's getting

1570

01:23:59,310 --> 01:23:56,290

nasty and then the air currents will

1571

01:24:00,930 --> 01:23:59,320

bring the acid rain and coal fallout

1572

01:24:03,630 --> 01:24:00,940

over to the United States and the East

1573

01:24:04,920 --> 01:24:03,640

Coast mostly so you know I mean there's

1574

01:24:09,510 --> 01:24:04,930

there's something that has to be

1575

01:24:12,990 --> 01:24:09,520

addressed with this the increase in

1576

01:24:16,590 --> 01:24:13,000

nuclear weapons is also a threat to

1577

01:24:21,690 --> 01:24:16,600

peace on the planet there are efforts

1578

01:24:26,400 --> 01:24:21,700

both to decrease the number of bombs and

1579

01:24:29,850 --> 01:24:26,410

to negotiate arms treaty versus the

1580

01:24:31,500 --> 01:24:29,860

other side of where people want to

1581

01:24:35,490 --> 01:24:31,510

destroy the neighbor you know whether

1582

01:24:38,820 --> 01:24:35,500

Iran and Israel can actually learn to

1583

01:24:41,750 --> 01:24:38,830

cooperate even though they have quote

1584

01:24:46,500 --> 01:24:41,760

different God's unquote different Iggy's

1585

01:24:49,260 --> 01:24:46,510

background so it seems to me that one

1586

01:24:51,870 --> 01:24:49,270

can either take the negative point of

1587

01:24:53,970 --> 01:24:51,880

view that says we are killing ourselves

1588

01:24:58,880 --> 01:24:53,980

we're destroying the planet which is

1589

01:25:03,120 --> 01:24:58,890

true or take the point of view if we

1590

01:25:07,260 --> 01:25:03,130

want to stop that then we have to

1591

01:25:13,540 --> 01:25:07,270

embrace you know I don't know if you

1592

01:25:19,600 --> 01:25:17,020

anyway it's a character of swine who's

1593

01:25:23,530 --> 01:25:19,610

kind of a naive and a rat that's kind of

1594

01:25:27,130 --> 01:25:23,540

sly and shifty and other other animal

1595

01:25:29,140 --> 01:25:27,140

characters and the piglet is trying to

1596

01:25:31,060 --> 01:25:29,150

be nice and he says love thy neighbor

1597

01:25:35,490 --> 01:25:31,070

and the rat looked and said have you

1598

01:25:38,140 --> 01:25:35,500

seen my neighbor the same way with

1599

01:25:39,820 --> 01:25:38,150

Israelis and the Iranians are going to

1600

01:25:42,790 --> 01:25:39,830

have to learn to live together on this

1601  
01:25:45,700 --> 01:25:42,800  
planet otherwise the nuclear war and we

1602  
01:25:49,060 --> 01:25:45,710  
destroy the entire planet or at least

1603  
01:25:51,840 --> 01:25:49,070  
partial and make it rough so to me I

1604  
01:25:55,030 --> 01:25:51,850  
take the point of view that it's a

1605  
01:25:58,060 --> 01:25:55,040  
initiation it's a crisis and I'm hoping

1606  
01:25:59,710 --> 01:25:58,070  
that we pass it successfully although

1607  
01:26:02,140 --> 01:25:59,720  
one of my friends he was kind of a

1608  
01:26:04,120 --> 01:26:02,150  
skeptic he saying Leo you know he's

1609  
01:26:06,040 --> 01:26:04,130  
talking about peace and non-violence and

1610  
01:26:09,130 --> 01:26:06,050  
so I said what if what do we blow

1611  
01:26:10,480 --> 01:26:09,140  
ourselves up and I say well we'll pick

1612  
01:26:13,000 --> 01:26:10,490  
up our souls and we'll go to another

1613  
01:26:28,570 --> 01:26:13,010

planet start all over oh he looked at me

1614

01:26:29,920 --> 01:26:28,580

said oh well so getting back well no I

1615

01:26:32,410 --> 01:26:29,930

actually want to talk a little more

1616

01:26:35,410 --> 01:26:32,420

about this because you've been around

1617

01:26:38,800 --> 01:26:35,420

this for for such a long time and what

1618

01:26:41,440 --> 01:26:38,810

do you think about the work that like

1619

01:26:43,720 --> 01:26:41,450

Robert Hastings has done on you know

1620

01:26:47,200 --> 01:26:43,730

nuclear warheads when it comes to the

1621

01:26:48,940 --> 01:26:47,210

UFO interruptions and things like that

1622

01:26:59,590 --> 01:26:48,950

have you ever looked into that topic at

1623

01:27:02,710 --> 01:26:59,600

all military ex-military people not

1624

01:27:04,870 --> 01:27:02,720

people who are active about their

1625

01:27:07,600 --> 01:27:04,880

encounters and what's intriguing to me

1626

01:27:10,510 --> 01:27:07,610

is that over and over there have been

1627

01:27:13,630 --> 01:27:10,520

bases where the Power has turned off and

1628

01:27:18,160 --> 01:27:13,640

the nuclear warheads sit in the silo and

1629

01:27:21,820 --> 01:27:18,170

they aren't on a scent so it would

1630

01:27:26,070 --> 01:27:21,830

suggest to me as a reader and I'm not

1631

01:27:28,500 --> 01:27:26,080

familiar with nuclear warheads or with

1632

01:27:32,000 --> 01:27:28,510

you know what it takes to run a military

1633

01:27:36,090 --> 01:27:32,010

base um I dunno over in cheyenne their

1634

01:27:37,920 --> 01:27:36,100

silos and missiles at the ready but it

1635

01:27:39,990 --> 01:27:37,930

would suggest to me that the et's know

1636

01:27:42,270 --> 01:27:40,000

how to turn it off and so they are

1637

01:27:45,930 --> 01:27:42,280

demonstrating it and they're saying you

1638

01:27:49,020 --> 01:27:45,940

guys got to learn some other way to deal

1639

01:27:51,840 --> 01:27:49,030

with one another and then learn to deal

1640

01:27:55,380 --> 01:27:51,850

with us and we'll come and help you when

1641

01:27:59,640 --> 01:27:55,390

you're ready so that's my philosophy and

1642

01:28:02,040 --> 01:27:59,650

that's what I hope to instill in the

1643

01:28:07,590 --> 01:28:02,050

hearts and minds and souls of those

1644

01:28:09,420 --> 01:28:07,600

around me well yeah you know that whole

1645

01:28:12,780 --> 01:28:09,430

that whole thing I've had you know I've

1646

01:28:15,080 --> 01:28:12,790

had Robert on I've had Bob Salas and and

1647

01:28:19,260 --> 01:28:15,090

we you know when they someone that has a

1648

01:28:22,140 --> 01:28:19,270

first-hand experience it's just you just

1649

01:28:25,590 --> 01:28:22,150

can't explain that stuff away because

1650

01:28:28,140 --> 01:28:25,600

just just - it's too baffan it doesn't

1651  
01:28:41,850 --> 01:28:28,150  
you know a skeptic can't can really deal

1652  
01:28:44,220 --> 01:28:41,860  
with that exactly and you know that that

1653  
01:28:47,310 --> 01:28:44,230  
does that does happen I mean you know

1654  
01:28:50,790 --> 01:28:47,320  
I've heard for instance an astronomer

1655  
01:28:53,190 --> 01:28:50,800  
talked about that I was on Bill and

1656  
01:28:57,540 --> 01:28:53,200  
Nancy burns show the other night and

1657  
01:29:00,930 --> 01:28:57,550  
Bill mentioned that some astronomers

1658  
01:29:03,240 --> 01:29:00,940  
that we're doing detail work I forget

1659  
01:29:05,730 --> 01:29:03,250  
exactly what he said but they see UFOs

1660  
01:29:07,710 --> 01:29:05,740  
and they get mad because they're taking

1661  
01:29:09,360 --> 01:29:07,720  
a picture and it gets in the picture and

1662  
01:29:11,400 --> 01:29:09,370  
it frustrates them they have to take it

1663  
01:29:15,360 --> 01:29:11,410

over again for like a constellation or

1664

01:29:18,090 --> 01:29:15,370

something I don't know how I don't know

1665

01:29:21,990 --> 01:29:18,100

how accurate that is but it is sure it

1666

01:29:24,950 --> 01:29:22,000

sure it sounds great when you have gone

1667

01:29:27,060 --> 01:29:24,960

through all this time have your

1668

01:29:29,370 --> 01:29:27,070

interests changed in different

1669

01:29:39,449 --> 01:29:29,380

directions or you're pretty much open to

1670

01:29:49,709 --> 01:29:43,500

and so for example many of my friends

1671

01:29:54,689 --> 01:29:49,719

and MUFON mutual UFO network and I get a

1672

01:29:56,399 --> 01:29:54,699

copy of the journal but I found myself

1673

01:29:59,429 --> 01:29:56,409

of the years becoming less and less

1674

01:30:02,219 --> 01:29:59,439

interested in a detailed report of the

1675

01:30:06,479 --> 01:30:02,229

sighting which began at 6:43 and ended

1676

01:30:10,410 --> 01:30:06,489

at 10:50 tuned and this light and that

1677

01:30:13,169 --> 01:30:10,420

light I find myself much more interested

1678

01:30:17,669 --> 01:30:13,179

in the people for example it Betty and

1679

01:30:22,259 --> 01:30:17,679

Barney Hill it was such a relief to talk

1680

01:30:23,759 --> 01:30:22,269

with them compared to the other 1966 TV

1681

01:30:26,870 --> 01:30:23,769

programs when we were talking about

1682

01:30:30,020 --> 01:30:26,880

flying saucers is it true or is it false

1683

01:30:35,339 --> 01:30:30,030

it seems to me that a lot of time was

1684

01:30:40,819 --> 01:30:35,349

used to debate something that should be

1685

01:30:47,759 --> 01:30:40,829

a non-issue so to me the secret keepers

1686

01:30:49,469 --> 01:30:47,769

have kept it up not only with lies but

1687

01:30:51,810 --> 01:30:49,479

they're much more skilled than just

1688

01:30:52,830 --> 01:30:51,820

telling lies like say no you're a stupid

1689

01:30:53,219 --> 01:30:52,840

you don't know what you're talking

1690

01:31:03,199 --> 01:30:53,229

about

1691

01:31:07,100 --> 01:31:03,209

this kind of cloud and so this question

1692

01:31:11,370 --> 01:31:07,110

question question and doubt doubt doubt

1693

01:31:15,419 --> 01:31:11,380

allows the secret keepers to keep the

1694

01:31:17,429 --> 01:31:15,429

secret while the rest of us should go

1695

01:31:19,529 --> 01:31:17,439

about well I don't know everything and

1696

01:31:22,020 --> 01:31:19,539

so maybe they know what they're talking

1697

01:31:24,060 --> 01:31:22,030

about and maybe I didn't really see a

1698

01:31:29,060 --> 01:31:24,070

flying saucer maybe I didn't really talk

1699

01:31:33,890 --> 01:31:29,070

to any eighty no that's part of the

1700

01:31:38,850 --> 01:31:33,900

master plan is to cloud or disguise or

1701  
01:31:42,029 --> 01:31:38,860  
to disrupt public awareness got the e

1702  
01:31:44,580 --> 01:31:42,039  
teaser here the ETS have energy

1703  
01:31:48,330 --> 01:31:44,590  
technologies as soon as we grow up and

1704  
01:31:50,729 --> 01:31:48,340  
play nice we can use the energies to

1705  
01:31:51,689 --> 01:31:50,739  
develop a better planet and a better

1706  
01:31:56,049 --> 01:31:51,699  
humanity

1707  
01:32:00,790 --> 01:31:56,059  
when you when you look into the topic of

1708  
01:32:02,740 --> 01:32:00,800  
the UFO technology what are what are

1709  
01:32:05,319 --> 01:32:02,750  
your ideas or what have you heard over

1710  
01:32:07,540 --> 01:32:05,329  
the years that makes more sense to you

1711  
01:32:09,879 --> 01:32:07,550  
like the antigravity or whatever it is

1712  
01:32:12,310 --> 01:32:09,889  
how they can do the 90 degree turn and

1713  
01:32:14,200 --> 01:32:12,320

all that I've read different things I

1714

01:32:16,390 --> 01:32:14,210

don't have enough technical knowledge to

1715

01:32:22,359 --> 01:32:16,400

be able to evaluate it but I know that

1716

01:32:24,399 --> 01:32:22,369

some engineers have been the guy named

1717

01:32:26,049 --> 01:32:24,409

rich for example was quoted in one

1718

01:32:30,250 --> 01:32:26,059

account really this is Robert Hastings

1719

01:32:32,520 --> 01:32:30,260

book or another the UFOs in nooks

1720

01:32:38,160 --> 01:32:32,530

quarter in one of the books is saying

1721

01:32:43,569 --> 01:32:38,170

when asked about energy technology said

1722

01:32:45,629 --> 01:32:43,579

he said that it's not like a chemical

1723

01:32:48,609 --> 01:32:45,639

propulsion you know we use chemical

1724

01:32:51,930 --> 01:32:48,619

rockets to move to the moon or whatever

1725

01:32:54,060 --> 01:32:51,940

this is more like the speed of thought

1726

01:32:58,810 --> 01:32:54,070

and I don't know what electrical

1727

01:33:01,089 --> 01:32:58,820

propulsion systems what's involved this

1728

01:33:03,700 --> 01:33:01,099

is from the physical standpoint but I

1729

01:33:05,319 --> 01:33:03,710

know that physicists now talk

1730

01:33:09,430 --> 01:33:05,329

differently than they did twenty or

1731

01:33:13,660 --> 01:33:09,440

thirty years ago the citizens in the old

1732

01:33:18,010 --> 01:33:13,670

days the old science the scientist was

1733

01:33:21,819 --> 01:33:18,020

objective and he will he he was the

1734

01:33:25,109 --> 01:33:21,829

observer now the quantum physicists talk

1735

01:33:29,260 --> 01:33:25,119

about everything is connected

1736

01:33:31,870 --> 01:33:29,270

ions atoms molecules everything is

1737

01:33:34,750 --> 01:33:31,880

connected and the scientist is a

1738

01:33:37,180 --> 01:33:34,760

participant much different attitude

1739

01:33:42,160 --> 01:33:37,190

about science much a different attitude

1740

01:33:44,490 --> 01:33:42,170

about physics so that obviously some

1741

01:33:49,359 --> 01:33:44,500

extra trestles have found energy sources

1742

01:33:51,810 --> 01:33:49,369

that allow them to move vehicles in

1743

01:33:55,569 --> 01:33:51,820

different ways into chemical propulsion

1744

01:33:59,229 --> 01:33:55,579

yeah yeah it's the only thing that that

1745

01:34:02,279 --> 01:33:59,239

makes any sense and and we have so much

1746

01:34:05,229 --> 01:34:02,289

to explore in quantum mechanics quantum

1747

01:34:09,189 --> 01:34:05,239

physics and I don't know if you heard

1748

01:34:10,509 --> 01:34:09,199

that CERN is actually there they're

1749

01:34:11,830 --> 01:34:10,519

actually thinking they may have some

1750

01:34:15,310 --> 01:34:11,840

type of breakthrough into another

1751

01:34:16,660 --> 01:34:15,320

dimension that they may prove in short

1752

01:34:18,279 --> 01:34:16,670

time I don't know if you heard anything

1753

01:34:21,370 --> 01:34:18,289

about that but it's so I haven't died

1754

01:34:21,790 --> 01:34:21,380

years ago I talked to briefly with Edgar

1755

01:34:29,850 --> 01:34:21,800

Mitchell

1756

01:34:34,689 --> 01:34:29,860

etic sciences and done much to

1757

01:34:41,350 --> 01:34:34,699

illuminate the connection between energy

1758

01:34:42,430 --> 01:34:41,360

sources and ET observations right right

1759

01:34:44,290 --> 01:34:42,440

yep

1760

01:34:48,220 --> 01:34:44,300

I was trying I've been trying to get dr.

1761

01:34:51,279 --> 01:34:48,230

Mitchell on the show he doesn't do a lot

1762

01:34:53,649 --> 01:34:51,289

of interviews but I would love to have

1763

01:34:57,489 --> 01:34:53,659

him on he's another person who might be

1764

01:35:00,939 --> 01:34:57,499

interested in as a dr. Jones and dr. CB

1765

01:35:04,979 --> 01:35:00,949

Scott Jones he's a former Navy Commander

1766

01:35:08,489 --> 01:35:04,989

and he's been on the inside knowing

1767

01:35:15,669 --> 01:35:08,499

something about the military attitudes

1768

01:35:19,330 --> 01:35:15,679

but also hoping to move public along to

1769

01:35:21,910 --> 01:35:19,340

public disco disclosure yeah no I'm not

1770

01:35:24,390 --> 01:35:21,920

I'm not actually familiar with him I'll

1771

01:35:29,620 --> 01:35:24,400

look into it though

1772

01:35:35,109 --> 01:35:29,630

let's see moving along back let's talk a

1773

01:35:38,259 --> 01:35:35,119

little bit more about abductees have you

1774

01:35:44,379 --> 01:35:38,269

actually done regression with many of

1775

01:35:53,279 --> 01:35:44,389

them hypnosis regression and have you

1776

01:36:01,799 --> 01:35:56,859

reports each person feels individual

1777

01:36:05,890 --> 01:36:01,809

it's my experience is my experience but

1778

01:36:08,890 --> 01:36:05,900

the pattern that I see is that the

1779

01:36:14,439 --> 01:36:08,900

people who are courageous and who

1780

01:36:15,790 --> 01:36:14,449

explore and try to understand they do

1781

01:36:17,140 --> 01:36:15,800

better than the people who are

1782

01:36:18,099 --> 01:36:17,150

frightened and huddled over in the

1783

01:36:21,909 --> 01:36:18,109

corner

1784

01:36:25,479 --> 01:36:21,919

and so I encourage people when they're

1785

01:36:28,750 --> 01:36:25,489

ready not only to explore through

1786

01:36:31,659 --> 01:36:28,760

hypnosis their encounter but also to

1787

01:36:32,469 --> 01:36:31,669

find out was it an abduction were they

1788

01:36:35,799 --> 01:36:32,479

taken

1789

01:36:41,819 --> 01:36:35,809

or were they invited or did they invite

1790

01:36:44,770 --> 01:36:41,829

the person a tease to come just like

1791

01:36:47,349 --> 01:36:44,780

it's kind of a silly story but I know

1792

01:36:50,049 --> 01:36:47,359

what if a high school student said I was

1793

01:36:54,310 --> 01:36:50,059

abducted these guys came and they took

1794

01:36:56,079 --> 01:36:54,320

me to a college campus and there are a

1795

01:36:58,449 --> 01:36:56,089

whole bunch of students and there are a

1796

01:37:00,969 --> 01:36:58,459

whole bunch of teachers and instructors

1797

01:37:02,949 --> 01:37:00,979

and professors oh well

1798

01:37:07,839 --> 01:37:02,959

was that an abduction or was that

1799

01:37:10,899 --> 01:37:07,849

initiation hmm I encourage people to

1800

01:37:16,149 --> 01:37:10,909

consider the possibility that what they

1801

01:37:18,879 --> 01:37:16,159

feel was being taken away from the earth

1802

01:37:24,279 --> 01:37:18,889

was actually being taken toward the

1803

01:37:26,379 --> 01:37:24,289

Stars yeah we had a message up on the

1804

01:37:28,899 --> 01:37:26,389

board here but I think you've more or

1805

01:37:33,459 --> 01:37:28,909

less addressed it um wanting to know

1806

01:37:36,969 --> 01:37:33,469

what you your opinion as opinion is of

1807

01:37:39,159 --> 01:37:36,979

the whole phenomena what what would ET

1808

01:37:42,790 --> 01:37:39,169

or whatever it is happening here be up

1809

01:37:50,079 --> 01:37:42,800

to yeah some people said that there's

1810

01:37:54,040 --> 01:37:50,089

two jobs one is to educate and the other

1811

01:37:57,520 --> 01:37:54,050

is to monitor the monitoring is what

1812

01:37:59,409 --> 01:37:57,530

most people think about and I'll call it

1813

01:38:02,770 --> 01:37:59,419

the MUFON phase you know we are being

1814

01:38:06,569 --> 01:38:02,780

monitored and here was a craft that

1815

01:38:11,109 --> 01:38:06,579

showed up or here was a object and so on

1816

01:38:13,810 --> 01:38:11,119

and so if we think in terms of the usual

1817

01:38:16,089 --> 01:38:13,820

human response is that we're being

1818

01:38:21,479 --> 01:38:16,099

surveyed we're being surveilled we are

1819

01:38:24,579 --> 01:38:21,489

being checked on and that of course

1820

01:38:26,169 --> 01:38:24,589

frightens some people just like some

1821

01:38:29,310 --> 01:38:26,179

people are frightened because the police

1822

01:38:34,460 --> 01:38:29,320

are checking on them

1823

01:38:37,620 --> 01:38:34,470

but are the police checking on them to

1824

01:38:40,050 --> 01:38:37,630

to harm them well in some cases of some

1825

01:38:45,840 --> 01:38:40,060

racial minorities feel Eunice

1826

01:38:48,960 --> 01:38:45,850

that's happens and so we have a feeling

1827

01:38:51,600 --> 01:38:48,970

that if we're being surveyed if we're

1828

01:38:53,280 --> 01:38:51,610

being monitored that that's the negative

1829

01:38:54,810 --> 01:38:53,290

thing but other people say hey I'm glad

1830

01:38:56,250 --> 01:38:54,820

that the police are checking on our

1831

01:38:57,510 --> 01:38:56,260

neighborhood because you got something

1832

01:39:04,110 --> 01:38:57,520

strange going on here

1833

01:39:06,810 --> 01:39:04,120

so so the the focus that I take is that

1834

01:39:11,130 --> 01:39:06,820

I've been interested in this monitoring

1835

01:39:13,110 --> 01:39:11,140

and I I used to read all the reports I

1836

01:39:16,380 --> 01:39:13,120

could get but then it became more more

1837

01:39:18,810 --> 01:39:16,390

interested in the people and less and

1838

01:39:21,900 --> 01:39:18,820

less interested in what they saw or what

1839

01:39:25,170 --> 01:39:21,910

they experienced I wanted them to tell

1840

01:39:28,890 --> 01:39:25,180

me what they learned from the experience

1841

01:39:31,100 --> 01:39:28,900

it's like you know exit polls and you

1842

01:39:34,380 --> 01:39:31,110

find out what people did in the voting

1843

01:39:37,500 --> 01:39:34,390

to me that's more fun than it is in a

1844

01:39:41,430 --> 01:39:37,510

pre pol and the same way to find out

1845

01:39:43,020 --> 01:39:41,440

from people after their encounter rather

1846

01:39:46,200 --> 01:39:43,030

than to talk to people about the

1847

01:39:49,830 --> 01:39:46,210

possibility of an encounter all right I

1848

01:39:54,240 --> 01:39:49,840

have to say that the thing that I think

1849

01:39:58,800 --> 01:39:54,250

makes most sense is more along exactly

1850

01:40:01,020 --> 01:39:58,810

what you just said and that is you know

1851

01:40:04,970 --> 01:40:01,030

I think it's very possible that we are

1852

01:40:07,770 --> 01:40:04,980

being watched you know maybe that's

1853

01:40:11,370 --> 01:40:07,780

someone as a thinking I might be going

1854

01:40:14,130 --> 01:40:11,380

out there a little bit on a limb by

1855

01:40:17,400 --> 01:40:14,140

saying that but it does kind of make you

1856

01:40:20,220 --> 01:40:17,410

wonder if we're being observed and

1857

01:40:23,220 --> 01:40:20,230

watched with all the you know all the

1858

01:40:26,610 --> 01:40:23,230

sightings that go on and and the suppose

1859

01:40:29,040 --> 01:40:26,620

a ton of abductions that happen and all

1860

01:40:30,990 --> 01:40:29,050

that it just kind of makes you wonder

1861

01:40:33,810 --> 01:40:31,000

what else it could be

1862

01:40:36,420 --> 01:40:33,820

really sure and many people say that

1863

01:40:39,540 --> 01:40:36,430

there are UFO sightings it's in terms of

1864

01:40:41,430 --> 01:40:39,550

the message just like some people said

1865

01:40:43,319 --> 01:40:41,440

are there connections between the

1866

01:40:49,109 --> 01:40:43,329

extra-terrestrial

1867

01:40:53,379 --> 01:40:49,119

experiences and the crop circles and

1868

01:40:55,149 --> 01:40:53,389

some UFO researchers don't want to mix

1869

01:40:57,719 --> 01:40:55,159

up those things they want they don't

1870

01:41:01,929 --> 01:40:57,729

want me to mix up ESP and reincarnation

1871

01:41:04,479 --> 01:41:01,939

and messages along with the sightings

1872

01:41:09,129 --> 01:41:04,489

you know that's just a one with one

1873

01:41:11,770 --> 01:41:09,139

thing the trouble is it's like saying we

1874

01:41:13,419 --> 01:41:11,780

want to stay with one topic in a college

1875

01:41:15,729 --> 01:41:13,429

now what would that topic be would that

1876

01:41:21,189 --> 01:41:15,739

be science would that be history would

1877

01:41:22,629 --> 01:41:21,199

that be art would that be music the

1878

01:41:25,719 --> 01:41:22,639

college of the university you're gonna

1879

01:41:30,549 --> 01:41:25,729

have to find that there are many many

1880

01:41:33,789 --> 01:41:30,559

many topics someone wants to know now I

1881

01:41:36,549 --> 01:41:33,799

I think I've only heard someone say in

1882

01:41:38,459 --> 01:41:36,559

account of this one time before but

1883

01:41:41,649 --> 01:41:38,469

someone wants to know have you ever

1884

01:41:45,669 --> 01:41:41,659

heard about et where they were dropping

1885

01:41:53,199 --> 01:41:45,679

cars I think I heard something about

1886

01:41:54,669 --> 01:41:53,209

that in a cornfield one time I think

1887

01:41:57,759 --> 01:41:54,679

there was a story about that in some

1888

01:41:59,919 --> 01:41:57,769

cornfield and some farm or this came

1889

01:42:08,429 --> 01:41:59,929

over and a car was dropped from it

1890

01:42:15,819 --> 01:42:10,689

one of the questions would come to my

1891

01:42:20,500 --> 01:42:19,000

where was it picked up and and then you

1892

01:42:22,270 --> 01:42:20,510

know is there a connection is there a

1893

01:42:23,949 --> 01:42:22,280

message that's that's always the

1894

01:42:29,669 --> 01:42:23,959

question that comes to my mind is there

1895

01:42:32,379 --> 01:42:29,679

a message in the experience yeah right

1896

01:42:35,279 --> 01:42:32,389

all the cases that you've researched

1897

01:42:38,559 --> 01:42:35,289

over the years is there any one that

1898

01:42:42,000 --> 01:42:38,569

stands out to you were you you think of

1899

01:42:45,459 --> 01:42:42,010

it often like that was really something

1900

01:42:49,719 --> 01:42:45,469

I've been so many I don't know like like

1901

01:42:52,359 --> 01:42:49,729

a woman who's from Canada car she wrote

1902

01:42:54,690 --> 01:42:52,369

about her experiences so many people

1903

01:42:59,440 --> 01:42:54,700

write about their experiences

1904

01:43:02,170 --> 01:42:59,450

what stands out to me is not so much the

1905

01:43:04,960 --> 01:43:02,180

experience but how the person handle it

1906

01:43:07,420 --> 01:43:04,970

just like in counseling when I would

1907

01:43:09,220 --> 01:43:07,430

work with a college student there are

1908

01:43:11,980 --> 01:43:09,230

some students who came in with stories

1909

01:43:16,060 --> 01:43:11,990

of poverty some discrimination some

1910

01:43:20,320 --> 01:43:16,070

people with sexual abuse with verbal

1911

01:43:25,210 --> 01:43:20,330

abuse or neglect there are all kinds of

1912

01:43:29,350 --> 01:43:25,220

stories of people who are suffering what

1913

01:43:34,270 --> 01:43:29,360

intrigues me is when the person uses the

1914

01:43:36,550 --> 01:43:34,280

suffering not only to deal with his or

1915

01:43:40,300 --> 01:43:36,560

her situation but also to help others

1916

01:43:43,300 --> 01:43:40,310

and we find this over and over and over

1917

01:43:47,260 --> 01:43:43,310

that the people who in my opinion are

1918

01:43:51,040 --> 01:43:47,270

heroic are the women or the men of the

1919

01:43:53,200 --> 01:43:51,050

boys are the girls who not only learn to

1920

01:43:59,610 --> 01:43:53,210

help themselves but learn to help others

1921

01:44:03,520 --> 01:43:59,620

on the tonight's news we see some of the

1922

01:44:07,200 --> 01:44:03,530

stories of people who suffered injuries

1923

01:44:12,730 --> 01:44:07,210

or loss of limb at the Boston Marathon

1924

01:44:15,970 --> 01:44:12,740

when the bombs exploded and some of the

1925

01:44:19,510 --> 01:44:15,980

families some of the people may feel

1926

01:44:22,630 --> 01:44:19,520

hate toward the Bombers but many people

1927

01:44:26,500 --> 01:44:22,640

didn't focus so much on the Bombers and

1928

01:44:29,230 --> 01:44:26,510

as they focused on how they learned how

1929

01:44:31,600 --> 01:44:29,240

to get an artificial leg how to walk and

1930

01:44:34,150 --> 01:44:31,610

then how to help other people who are

1931

01:44:36,970 --> 01:44:34,160

learning how to walk and so those are

1932

01:44:39,100 --> 01:44:36,980

the stories that didn't ring me not only

1933

01:44:42,720 --> 01:44:39,110

overcoming suffering but helping others

1934

01:44:47,740 --> 01:44:42,730

to deal with their sufferings right yeah

1935

01:44:51,390 --> 01:44:47,750

and I think I think that is you know

1936

01:44:55,090 --> 01:44:51,400

part of our culture and also part of how

1937

01:44:57,340 --> 01:44:55,100

things work is for instance you know you

1938

01:45:00,520 --> 01:44:57,350

were talking earlier about free and

1939

01:45:02,830 --> 01:45:00,530

other associations like that where

1940

01:45:04,540 --> 01:45:02,840

people can share you know and the

1941

01:45:06,160 --> 01:45:04,550

gentleman you were speaking to his legs

1942

01:45:08,470 --> 01:45:06,170

were shaking who's so nervous talking

1943

01:45:10,270 --> 01:45:08,480

about it but the

1944

01:45:12,490 --> 01:45:10,280

people are the people I have talked to

1945

01:45:15,010 --> 01:45:12,500

seem to get a real sense of relief and

1946

01:45:18,400 --> 01:45:15,020

if this was truly happening to me I

1947

01:45:24,810 --> 01:45:18,410

don't know I don't know how I could you

1948

01:45:28,440 --> 01:45:24,820

know live a normal life okay there's a

1949

01:45:34,780 --> 01:45:28,450

someone want to know did you investigate

1950

01:45:37,330 --> 01:45:34,790

reproduction cases some people who say

1951

01:45:41,680 --> 01:45:37,340

that they have a hybrid child some

1952

01:45:46,750 --> 01:45:41,690

people report being on crafts and seeing

1953

01:45:50,950 --> 01:45:46,760

the hybrid children some people feel

1954

01:45:54,790 --> 01:45:50,960

like they have had sexual encounters

1955

01:45:57,729 --> 01:45:54,800

with ETS some field that they have

1956

01:46:00,880 --> 01:45:57,739

served more as on and what you call it

1957

01:46:04,510 --> 01:46:00,890

the implants that they have become

1958

01:46:07,780 --> 01:46:04,520

pregnant without sexual activity and

1959

01:46:10,990 --> 01:46:07,790

then later the fetus was taken and they

1960

01:46:16,920 --> 01:46:11,000

were told by ETS that that their child

1961

01:46:20,380 --> 01:46:16,930

was on board and circling the planet

1962

01:46:21,940 --> 01:46:20,390

what some people have assumed I don't

1963

01:46:25,750 --> 01:46:21,950

know if this is true but what some

1964

01:46:29,440 --> 01:46:25,760

people felt was that this is a secondary

1965

01:46:32,310 --> 01:46:29,450

program the primary program is to help

1966

01:46:34,210 --> 01:46:32,320

humans grow up and get ready for

1967

01:46:36,880 --> 01:46:34,220

returning to the stars

1968

01:46:39,010 --> 01:46:36,890

well the secondary program is if we

1969

01:46:42,310 --> 01:46:39,020

don't if we kill ourselves off when we

1970

01:46:45,190 --> 01:46:42,320

destroy the planet or at least destroy

1971

01:46:48,030 --> 01:46:45,200

humanity then the hybrid children would

1972

01:46:52,300 --> 01:46:48,040

take over and they would be able to

1973

01:46:53,530 --> 01:46:52,310

replenish the planet I don't know if

1974

01:46:56,920 --> 01:46:53,540

that's true or not but it's an

1975

01:46:59,440 --> 01:46:56,930

interesting view that it's not a kind of

1976

01:47:00,580 --> 01:46:59,450

my program but a secondary program well

1977

01:47:02,290 --> 01:47:00,590

they'd have to live with radiation

1978

01:47:05,500 --> 01:47:02,300

because that's probably the way we'd go

1979

01:47:08,110 --> 01:47:05,510

out you know probably so yeah

1980

01:47:11,650 --> 01:47:08,120

and you know we're talking about that

1981

01:47:15,580 --> 01:47:11,660

earlier and that's uh I think there was

1982

01:47:18,250 --> 01:47:15,590

a some documentary I was watching about

1983

01:47:21,760 --> 01:47:18,260

the nukes and you know we have certainly

1984

01:47:22,390 --> 01:47:21,770

we have cut them down but I think it's

1985

01:47:24,280 --> 01:47:22,400

like

1986

01:47:27,100 --> 01:47:24,290

20 times we can blow ourselves up it's

1987

01:47:31,020 --> 01:47:27,110

it's scary and and then all is it's

1988

01:47:35,200 --> 01:47:31,030

going to take is some misread situation

1989

01:47:39,640 --> 01:47:35,210

or third-world country or whatever it is

1990

01:47:41,410 --> 01:47:39,650

you know engaging it is a it is scary

1991

01:47:45,550 --> 01:47:41,420

times and you know there's nothing we

1992

01:47:47,800 --> 01:47:45,560

can do to unring the bell and oh yeah

1993

01:47:51,520 --> 01:47:47,810

there are things we can do are you

1994

01:47:53,530 --> 01:47:51,530

familiar with hormonal no let's hear

1995

01:47:56,740 --> 01:47:53,540

about that there's a book called the

1996

01:48:00,790 --> 01:47:56,750

zero limits zero limits by a guy named

1997

01:48:04,209 --> 01:48:00,800

Joe by Tom immediately it be Vitale and

1998

01:48:08,580 --> 01:48:04,219

Joe Votel and tells the story of dr.

1999

01:48:11,320 --> 01:48:08,590

Hugh Lynn a PhD psychologist

2000

01:48:19,360 --> 01:48:11,330

japanese-american who was living in

2001

01:48:25,209 --> 01:48:19,370

Hawaii and dr. Lynn borrowed a process

2002

01:48:28,090 --> 01:48:25,219

from a woman Hawaiian man she used her

2003

01:48:31,780 --> 01:48:28,100

pono ponal in dealing with contentious

2004

01:48:36,990 --> 01:48:31,790

family issues people who were quarreling

2005

01:48:39,189 --> 01:48:37,000

with their family members and so he

2006

01:48:44,950 --> 01:48:39,199

developed kind of an individualized

2007

01:48:48,280 --> 01:48:44,960

approach to use it the story goes that

2008

01:48:51,160 --> 01:48:48,290

he would sit in his office and he'd look

2009

01:48:54,700 --> 01:48:51,170

at the chart of an inmate

2010

01:48:57,160 --> 01:48:54,710

he was in a criminally insane ward in

2011

01:49:02,350 --> 01:48:57,170

hospital so there'd be rapists or

2012

01:49:04,689 --> 01:49:02,360

killers who were housed in the ward in

2013

01:49:07,060 --> 01:49:04,699

the prison and he would look at the

2014

01:49:11,890 --> 01:49:07,070

chart of a killer or a rapist or whoever

2015

01:49:16,240 --> 01:49:11,900

and he would send a message to the

2016

01:49:21,459 --> 01:49:16,250

universe and to the individual soul of

2017

01:49:23,560 --> 01:49:21,469

the person primarily for himself he

2018

01:49:27,580 --> 01:49:23,570

would he would look at the photo you'd

2019

01:49:30,310 --> 01:49:27,590

say I love you I'm so sorry for my

2020

01:49:32,800 --> 01:49:30,320

perception of you please forgive me

2021

01:49:34,689 --> 01:49:32,810

thank you in other words he was saying I

2022

01:49:36,220 --> 01:49:34,699

perceive you as a criminal I perceive

2023

01:49:38,980 --> 01:49:36,230

you as a killer or rapist

2024

01:49:43,600 --> 01:49:38,990

whatever but I'm sorry for my perception

2025

01:49:47,340 --> 01:49:43,610

his thesis is that he is responsible for

2026

01:49:51,220 --> 01:49:47,350

his perceptions as well as his actions

2027

01:49:53,830 --> 01:49:51,230

now in our society we we think we are

2028

01:49:56,740 --> 01:49:53,840

good because we are responsible for our

2029

01:49:59,320 --> 01:49:56,750

actions if I step on your toe and I

2030

01:50:01,900 --> 01:49:59,330

break it Tom well your friends would say

2031

01:50:04,090 --> 01:50:01,910

hey Leo come on I paid the medical bill

2032

01:50:05,020 --> 01:50:04,100

for Martin because you stepped on his

2033

01:50:09,910 --> 01:50:05,030

toe and you broke it

2034

01:50:13,300 --> 01:50:09,920

well if I have a perception of you that

2035

01:50:15,640 --> 01:50:13,310

is bothersome to me then I can use whole

2036

01:50:22,180 --> 01:50:15,650

puddle polar to deal with my perception

2037

01:50:24,520 --> 01:50:22,190

so what happened was intriguing not only

2038

01:50:27,940 --> 01:50:24,530

did he feel better about himself working

2039

01:50:31,480 --> 01:50:27,950

with these guys but also according to

2040

01:50:33,690 --> 01:50:31,490

observers after a few weeks and after a

2041

01:50:37,270 --> 01:50:33,700

few months the shackles came off the

2042

01:50:38,710 --> 01:50:37,280

medications went down the staff had come

2043

01:50:40,150 --> 01:50:38,720

to work they were no longer threatened

2044

01:50:42,970 --> 01:50:40,160

or attacked and then after four or five

2045

01:50:44,860 --> 01:50:42,980

years the ward was closed there are

2046

01:50:47,560 --> 01:50:44,870

still some common criminals who were

2047

01:50:51,600 --> 01:50:47,570

sent to other prisons but they were no

2048

01:50:56,290 --> 01:50:51,610

longer insane so here's a beautiful

2049

01:51:01,030 --> 01:50:56,300

process and to me it not only fits in

2050

01:51:03,940 --> 01:51:01,040

mystical religious spiritual use but it

2051  
01:51:07,120 --> 01:51:03,950  
also fits the modern quantum physics

2052  
01:51:09,430 --> 01:51:07,130  
world of the physically said that

2053  
01:51:13,570 --> 01:51:09,440  
everything is connected if a person

2054  
01:51:16,870 --> 01:51:13,580  
feels that the people who are holding on

2055  
01:51:21,060 --> 01:51:16,880  
to the secrets of the ETS and then the

2056  
01:51:24,490 --> 01:51:21,070  
people holding on to their fear of

2057  
01:51:30,070 --> 01:51:24,500  
encroachment by ETS or by their

2058  
01:51:33,310 --> 01:51:30,080  
neighboring nations they can use whole

2059  
01:51:35,320 --> 01:51:33,320  
holy ponal I love you I'm so sorry for

2060  
01:51:39,820 --> 01:51:35,330  
my perception of you you you

2061  
01:51:45,370 --> 01:51:39,830  
jerk head please forgive me thank you so

2062  
01:51:47,570 --> 01:51:45,380  
the process is meant to assist the

2063  
01:51:50,690 --> 01:51:47,580

person who's going through it

2064

01:51:53,710 --> 01:51:50,700

but it seems as if the process helps the

2065

01:51:56,810 --> 01:51:53,720

rest of us - mm-hmm

2066

01:52:01,190 --> 01:51:56,820

have you through your long career in

2067

01:52:03,560 --> 01:52:01,200

this or or study or interest have you

2068

01:52:06,890 --> 01:52:03,570

ever been frustrated the way things are

2069

01:52:08,930 --> 01:52:06,900

going or you sort of got out of it for a

2070

01:52:11,110 --> 01:52:08,940

while have you been steady at it ever

2071

01:52:18,770 --> 01:52:11,120

since

2072

01:52:21,650 --> 01:52:18,780

continue the frustration that would peel

2073

01:52:23,540 --> 01:52:21,660

as a human is there just like when I was

2074

01:52:25,340 --> 01:52:23,550

told that I couldn't be professor in

2075

01:52:28,100 --> 01:52:25,350

psychology so I became professor of

2076

01:52:31,940 --> 01:52:28,110

counseling services and just like I was

2077

01:52:33,800 --> 01:52:31,950

told don't do reincarnation research or

2078

01:52:36,620 --> 01:52:33,810

UFO searching the office hours so I do

2079

01:52:38,360 --> 01:52:36,630

it after hours then when I left I was

2080

01:52:42,500 --> 01:52:38,370

told you know I left the University I

2081

01:52:46,490 --> 01:52:42,510

said okay I can't continue because the

2082

01:52:51,500 --> 01:52:46,500

pressure was not only to not do my

2083

01:52:55,970 --> 01:52:51,510

research the pressure was on me as a

2084

01:52:59,060 --> 01:52:55,980

person and so I would say whole bottle

2085

01:53:06,130 --> 01:52:59,070

pono to people and I left the University

2086

01:53:09,350 --> 01:53:06,140

and went into a private practice so it

2087

01:53:11,890 --> 01:53:09,360

it's better from my standpoint for me

2088

01:53:16,070 --> 01:53:11,900

not to dwell too much on hate and fear

2089

01:53:20,350 --> 01:53:16,080

me I was taught as a Christian boy that

2090

01:53:24,080 --> 01:53:20,360

you should dwell on love and compassion

2091

01:53:27,890 --> 01:53:24,090

right right on the message board someone

2092

01:53:31,790 --> 01:53:27,900

wanted to know that they heard that

2093

01:53:34,190 --> 01:53:31,800

someone talked to Hynek someone from the

2094

01:53:37,370 --> 01:53:34,200

dead I'm trying to understand that

2095

01:53:41,780 --> 01:53:37,380

exactly stating that ETS were not what

2096

01:53:44,300 --> 01:53:41,790

we think and what the heck are they then

2097

01:53:47,720 --> 01:53:44,310

type of thing that's interesting and

2098

01:53:50,660 --> 01:53:47,730

that may be true but I myself when I

2099

01:53:54,320 --> 01:53:50,670

talk with Alan I think I was on a board

2100

01:53:56,840 --> 01:53:54,330

we meet each year to discuss cases I

2101  
01:53:58,730 --> 01:53:56,850  
don't remember him saying anything to

2102  
01:53:59,930 --> 01:53:58,740  
the rest of us along that line but it

2103  
01:54:02,730 --> 01:53:59,940  
may be true

2104  
01:54:04,680 --> 01:54:02,740  
so what was he like to work he was

2105  
01:54:08,610 --> 01:54:04,690  
interested in oh he was very bright and

2106  
01:54:12,480 --> 01:54:08,620  
very charming a gentleman that it's

2107  
01:54:15,990 --> 01:54:12,490  
quiet sense of humor and I enjoyed those

2108  
01:54:17,840 --> 01:54:16,000  
work when he left the group wallet was

2109  
01:54:22,080 --> 01:54:17,850  
no longer the same

2110  
01:54:25,950 --> 01:54:22,090  
he died in 85 and this is intriguing

2111  
01:54:32,340 --> 01:54:25,960  
because he and Jacque Saleh also another

2112  
01:54:38,460 --> 01:54:32,350  
PhD they they talked about the UFO

2113  
01:54:40,590 --> 01:54:38,470

experience they thinking from my point

2114

01:54:42,630 --> 01:54:40,600

of view they covered more things than

2115

01:54:44,070 --> 01:54:42,640

just quote abductions unquote you know

2116

01:54:46,440 --> 01:54:44,080

people feeling like they were taken away

2117

01:54:48,360 --> 01:54:46,450

they and you don't work with a lot of

2118

01:54:49,950 --> 01:54:48,370

different kinds of people

2119

01:54:55,470 --> 01:54:49,960

cousin felt like there were more

2120

01:54:58,800 --> 01:54:55,480

messages that were and volley of course

2121

01:55:02,940 --> 01:54:58,810

had a more historical point of view than

2122

01:55:06,020 --> 01:55:02,950

many UFO researchers and so he he saw

2123

01:55:11,010 --> 01:55:06,030

some of these kinds of stories in

2124

01:55:15,140 --> 01:55:11,020

cultural mores and cultural themes much

2125

01:55:18,810 --> 01:55:15,150

more open than the average researcher oh

2126

01:55:22,380 --> 01:55:18,820

I see you know we only have we only have

2127

01:55:23,910 --> 01:55:22,390

a minute left so real real quickly that

2128

01:55:26,220 --> 01:55:23,920

was supposedly that someone had

2129

01:55:27,420 --> 01:55:26,230

channeled high-neck after he died I

2130

01:55:30,530 --> 01:55:27,430

don't know if you ever heard anything

2131

01:55:33,090 --> 01:55:30,540

did you ever hear anything about that no

2132

01:55:35,280 --> 01:55:33,100

yeah no I don't have any information on

2133

01:55:39,450 --> 01:55:35,290

it's just that this was up on the

2134

01:55:41,870 --> 01:55:39,460

message board this has been a real

2135

01:55:44,940 --> 01:55:41,880

pleasure I consider you you know an icon

2136

01:55:46,980 --> 01:55:44,950

you know like I said your name has been

2137

01:55:49,020 --> 01:55:46,990

in print everywhere and I've heard your

2138

01:55:52,500 --> 01:55:49,030

name over and over account less times

2139

01:55:53,760 --> 01:55:52,510

and so it's been a real pleasure talking

2140

01:55:55,620 --> 01:55:53,770

to you tonight well it's a pleasure

2141

01:55:57,270 --> 01:55:55,630

talking with you you allowed me to speak

2142

01:56:00,750 --> 01:55:57,280

freely and I appreciate that thank you

2143

01:56:02,700 --> 01:56:00,760

well it's um it's always nice speaking

2144

01:56:06,630 --> 01:56:02,710

to people that are intelligent and have

2145

01:56:09,270 --> 01:56:06,640

an open mind I think I think it's you

2146

01:56:13,110 --> 01:56:09,280

know and we still have no real answer

2147

01:56:13,780 --> 01:56:13,120

but it's it really is interesting to

2148

01:56:18,490 --> 01:56:13,790

hear the different

2149

01:56:19,840 --> 01:56:18,500

points of view all right well I want to

2150

01:56:20,700 --> 01:56:19,850

thank everyone for helping out with the

2151

01:56:25,450 --> 01:56:20,710

show tonight

2152

01:56:33,580 --> 01:56:25,460

Alejandro Rojas for the news so yes yep

2153

01:56:35,800 --> 01:56:33,590

oh and also I want to thank you as well

2154

01:56:37,090 --> 01:56:35,810

and Carrie Lloyd Whitehouse and Bruce

2155

01:56:39,370 --> 01:56:37,100

Renier for our music

2156

01:56:41,500 --> 01:56:39,380

Peggy shining for managing our Facebook

2157

01:56:44,290 --> 01:56:41,510

page remember to Like us on Facebook for

2158

01:56:47,590 --> 01:56:44,300

all the latest UFO news and we have Dave

2159

01:56:50,860 --> 01:56:47,600

Marlar triangle UFOs some he's going to

2160

01:56:52,780 --> 01:56:50,870

be on next week and at the week after

2161

01:56:54,610 --> 01:56:52,790

that I'm gonna be going down to raze

2162

01:56:56,890 --> 01:56:54,620

Stanford's house and I'm gonna be

2163

01:56:58,630 --> 01:56:56,900

talking with him down there you can

2164

01:57:01,150 --> 01:56:58,640

check us out live next week on the dark

2165

01:57:03,430 --> 01:57:01,160

matter radio network and every Wednesday

2166

01:57:06,430 --> 01:57:03,440

at 8 p.m. to 10 p.m. Eastern Standard
