Podcast UFO

Dark Matter Radio Network

1
00:00:03,169 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:04,249 --> 00:00:03,179
triangle

3
00:00:05,360 --> 00:00:04,259
you know there's explanation for

4
00:00:07,309 --> 00:00:05,370
everything that occurred in the

5
00:00:09,680 --> 00:00:07,319
Rendlesham forest incident that doesn't

6
00:00:13,190 --> 00:00:09,690
involve aliens at all it was completely

7
00:00:16,490 --> 00:00:13,200
silent it comes right over our head it's

8
00:00:18,050 --> 00:00:16,500
so toxic flying saucer really standing

9
00:00:19,609 --> 00:00:18,060
in the clearing he turned over to my

10
00:00:24,670 --> 00:00:19,619
father and held his hand and he looked

11
00:00:30,830 --> 00:00:28,429
welcome to podcast UFO for our live show

12
00:00:32,990 --> 00:00:30,840
we're live every Wednesday at 8 p.m.

13
00:00:35,540 --> 00:00:33,000

Eastern Standard Time on the Dark Matter

14

00:00:39,229 --> 00:00:35,550

radio network please remember to visit

15

00:00:42,440 --> 00:00:39,239

the website podcast UFO calm for past

16

00:00:44,420 --> 00:00:42,450

episodes blogs and forums during the

17

00:00:46,910 --> 00:00:44,430

show feel free to participate live in

18

00:00:49,660 --> 00:00:46,920

our chat room and don't forget to Like

19

00:00:52,010 --> 00:00:49,670

us on our very active Facebook page

20

00:00:54,680 --> 00:00:52,020

hello everyone and welcome to the show

21

00:00:57,619 --> 00:00:54,690

well things got a little discombobulated

22

00:01:00,830 --> 00:00:57,629

with this show in particular as story

23

00:01:03,049 --> 00:01:00,840

Musgrave is coming on as our guest but

24

00:01:04,880 --> 00:01:03,059

he has a very short window that he can

25

00:01:07,460 --> 00:01:04,890

be with us so what we're gonna have to

26
00:01:10,760 --> 00:01:07,470
do is we're gonna have to talk with him

27
00:01:12,710 --> 00:01:10,770
first and then I will put the news in

28
00:01:14,750 --> 00:01:12,720
which was pre-recorded with Alejandro

29
00:01:17,719 --> 00:01:14,760
Rojas somewhere in the middle of the

30
00:01:20,870 --> 00:01:17,729
show we'll be bringing in Peter Slattery

31
00:01:22,999 --> 00:01:20,880
from Australia right after story

32
00:01:26,359 --> 00:01:23,009
Musgrave so it'll go like this first of

33
00:01:29,420 --> 00:01:26,369
all we will have story Musgrave the

34
00:01:31,219 --> 00:01:29,430
Space Shuttle astronaut will be on the

35
00:01:33,530 --> 00:01:31,229
news will be on after that and then

36
00:01:36,530 --> 00:01:33,540
after that we'll have Peter Slattery

37
00:01:40,520 --> 00:01:36,540
and he'll be on for our one the rest of

38
00:01:43,700 --> 00:01:40,530

the our one and our two thanks a lot and

39

00:01:46,190 --> 00:01:43,710

right here is story Musgrave story

40

00:01:47,870 --> 00:01:46,200

you're out in California and berbay yeah

41

00:01:49,700 --> 00:01:47,880

I'm at work right now in Burbank

42

00:01:52,310 --> 00:01:49,710

California well you know I was reading

43

00:01:54,920 --> 00:01:52,320

your bio and you have a lot of things

44

00:01:57,230 --> 00:01:54,930

going on you want to talk a little bit

45

00:01:58,730 --> 00:01:57,240

about your I mean Europe you're a busy

46

00:02:01,130 --> 00:01:58,740

you're retired but you're not retired

47

00:02:04,609 --> 00:02:01,140

your busiest act no well I never retired

48

00:02:08,510 --> 00:02:04,619

no it's not a word I use you retired as

49

00:02:11,809 --> 00:02:08,520

an astronaut maybe no I don't I left so

50

00:02:13,400 --> 00:02:11,819

ok today I'm a professor of design in

51
00:02:13,760 --> 00:02:13,410
our Center College for design and

52
00:02:15,170 --> 00:02:13,770
working

53
00:02:18,380 --> 00:02:15,180
right now in a company called applied

54
00:02:20,750 --> 00:02:18,390
minds I saw were innovators rapid

55
00:02:23,420 --> 00:02:20,760
prototyper x' you know it meant a future

56
00:02:25,280 --> 00:02:23,430
for other companies not a production

57
00:02:26,510 --> 00:02:25,290
company in Sydney a landscaping company

58
00:02:29,930 --> 00:02:26,520
in Orlando

59
00:02:32,060 --> 00:02:29,940
I got a eight-year-old daughter Wow yeah

60
00:02:37,820 --> 00:02:32,070
she's the light of my life I was my

61
00:02:41,720 --> 00:02:37,830
oldest child is 55 hey so I need to say

62
00:02:44,930 --> 00:02:41,730
so far mark yeah that's great

63
00:02:46,670 --> 00:02:44,940

that's great hey so you are one of the

64

00:02:49,850 --> 00:02:46,680

reasons you're on the show is you're

65

00:02:51,980 --> 00:02:49,860

coming up at contact in the desert yes

66

00:02:53,150 --> 00:02:51,990

later on so yes

67

00:03:00,140 --> 00:02:53,160

what are your chops are actually going

68

00:03:01,610 --> 00:03:00,150

to be at that at that yeah I think uh of

69

00:03:03,770 --> 00:03:01,620

course a bunch of panels and I don't

70

00:03:07,010 --> 00:03:03,780

think the most important thing and I

71

00:03:09,950 --> 00:03:07,020

have done lots of uh earlier ones I like

72

00:03:13,040 --> 00:03:09,960

to move on you know it's I think the

73

00:03:15,890 --> 00:03:13,050

most important thing I can do is is talk

74

00:03:19,280 --> 00:03:15,900

about my visual observations I talk

75

00:03:21,440 --> 00:03:19,290

about I've had the privilege of being in

76
00:03:24,410 --> 00:03:21,450
airplanes eighteen thousand hours and

77
00:03:26,960 --> 00:03:24,420
six base lines and the privilege of the

78
00:03:30,800 --> 00:03:26,970
opportunities to see things and to

79
00:03:34,430 --> 00:03:30,810
interpret things and to develop skills

80
00:03:37,430 --> 00:03:34,440
skills for being an observer both what's

81
00:03:38,870 --> 00:03:37,440
there and what could be there and what

82
00:03:42,560 --> 00:03:38,880
it's going to look like and what

83
00:03:44,720 --> 00:03:42,570
different objects might look like so I'm

84
00:03:46,520 --> 00:03:44,730
going to talk about all that so I have

85
00:03:50,620 --> 00:03:46,530
like a phrase say I have a massive

86
00:03:53,330 --> 00:03:50,630
experience maybe anyone in history of

87
00:03:54,920 --> 00:03:53,340
deploying satellites and see how when

88
00:03:57,590 --> 00:03:54,930

they when they disappear you know over

89

00:04:01,430 --> 00:03:57,600

the horizon so to speak and what do they

90

00:04:04,520 --> 00:04:01,440

look like so how do you see other flying

91

00:04:06,860 --> 00:04:04,530

spacecraft of which I said lightest one

92

00:04:10,120 --> 00:04:06,870

have they'd use a huge experience in

93

00:04:13,580 --> 00:04:10,130

recovering satellites of approaching a

94

00:04:16,370 --> 00:04:13,590

satellite you know in Mission Control I

95

00:04:18,650 --> 00:04:16,380

had 25 missions in Mission Control so I

96

00:04:21,320 --> 00:04:18,660

love those folks and go curious and him

97

00:04:23,120 --> 00:04:21,330

about things and so they always point

98

00:04:25,790 --> 00:04:23,130

out objects have that are going by and

99

00:04:26,940 --> 00:04:25,800

they're very very good about that in

100

00:04:28,860 --> 00:04:26,950

other words

101
00:04:31,830 --> 00:04:28,870
now we never let another sad might come

102
00:04:34,260 --> 00:04:31,840
within 30 miles of this SSO room sort of

103
00:04:36,360 --> 00:04:34,270
the resolution of the radar but there

104
00:04:39,660 --> 00:04:36,370
will always point things out to me when

105
00:04:41,310 --> 00:04:39,670
they're going by and they'll tell me in

106
00:04:43,500 --> 00:04:41,320
a very precise way you know it's a

107
00:04:45,270 --> 00:04:43,510
looking at the back we know it's 20

108
00:04:47,340 --> 00:04:45,280
degrees left to tell and 30 degrees

109
00:04:49,980 --> 00:04:47,350
above the tail then I can spot that

110
00:04:53,340 --> 00:04:49,990
thing and so I'll be able to spot that

111
00:04:55,830 --> 00:04:53,350
thing and I'll see it down by well so

112
00:04:59,820 --> 00:04:55,840
it's things it's things like that you

113
00:05:03,060 --> 00:04:59,830

know and then our great challenges first

114

00:05:05,010 --> 00:05:03,070

line outside challenges first right when

115

00:05:07,110 --> 00:05:05,020

you are manufacturing a huge spacecraft

116

00:05:10,260 --> 00:05:07,120

like at this x and that's bolts washers

117

00:05:12,810 --> 00:05:10,270

and even tools fall behind panels and

118

00:05:14,160 --> 00:05:12,820

fall behind walls and you've got no way

119

00:05:15,210 --> 00:05:14,170

to get them out they just sit there

120

00:05:20,160 --> 00:05:15,220

that's where they are

121

00:05:22,500 --> 00:05:20,170

hmm what the Shake Rattle role of of a

122

00:05:26,100 --> 00:05:22,510

launch just rattles them loose you see

123

00:05:28,950 --> 00:05:26,110

and then you shut down and then you pop

124

00:05:30,930 --> 00:05:28,960

right into you you looked right into Oj

125

00:05:33,150 --> 00:05:30,940

so G everything will get out of the

126
00:05:35,490 --> 00:05:33,160
cavity it's in a giving example you've

127
00:05:37,440 --> 00:05:35,500
got a gallon milk container you got a

128
00:05:40,440 --> 00:05:37,450
girl milk container and you put a tiny

129
00:05:42,690 --> 00:05:40,450
screw in it well on orbit you can watch

130
00:05:43,980 --> 00:05:42,700
that screw bounce all over and

131
00:05:45,690 --> 00:05:43,990
eventually it's going to bounce for the

132
00:05:48,360 --> 00:05:45,700
homeless even though the holes not that

133
00:05:50,670 --> 00:05:48,370
big it will get out of its closet so you

134
00:05:53,160 --> 00:05:50,680
can't contain anything if the hole out

135
00:05:54,660 --> 00:05:53,170
of the container you know it's big

136
00:05:58,010 --> 00:05:54,670
enough to mount object it's going to

137
00:06:00,120 --> 00:05:58,020
come out so I got challenges first light

138
00:06:02,100 --> 00:06:00,130

and so challenge you want to all the

139

00:06:04,470 --> 00:06:02,110

manufacturer when I open the payload bay

140

00:06:06,960 --> 00:06:04,480

doors it's like home people coming out

141

00:06:08,940 --> 00:06:06,970

I got wrenches it's not just nothing

142

00:06:13,320 --> 00:06:08,950

boss I got ranges so I got the whole

143

00:06:15,990 --> 00:06:13,330

stuff coming out okay well it comes out

144

00:06:18,300 --> 00:06:16,000

now and so you can study you can study

145

00:06:21,000 --> 00:06:18,310

those objects as they move away from you

146

00:06:24,360 --> 00:06:21,010

you can study things like to orbital

147

00:06:26,640 --> 00:06:24,370

mechanics you can say things like if no

148

00:06:29,460 --> 00:06:26,650

other object touches that object it's

149

00:06:31,980 --> 00:06:29,470

going to move straight away from you and

150

00:06:34,710 --> 00:06:31,990

you'll learn to look at its velocity you

151
00:06:36,050 --> 00:06:34,720
see you see its current velocity you

152
00:06:38,880 --> 00:06:36,060
know it came from you

153
00:06:41,159 --> 00:06:38,890
because if you simply if you extrapolate

154
00:06:42,959 --> 00:06:41,169
that its current belong

155
00:06:44,999 --> 00:06:42,969
because you know Newton's second it's

156
00:06:47,640 --> 00:06:45,009
going to maintain that exact direction

157
00:06:51,329 --> 00:06:47,650
till touch my son mills mmm and so you

158
00:06:53,040 --> 00:06:51,339
can see you left it but anyway and it's

159
00:06:56,309 --> 00:06:53,050
are deploying satellites and looking

160
00:06:58,529 --> 00:06:56,319
into debris the daily and so it's that

161
00:07:01,079 --> 00:06:58,539
totality of things and it's looking at

162
00:07:02,820 --> 00:07:01,089
things in other orbits and seeing how

163
00:07:04,739 --> 00:07:02,830

they have to behave if you're in a

164

00:07:07,529 --> 00:07:04,749

different orbit and I'm talking only

165

00:07:09,360 --> 00:07:07,539

about a few hundred feet if you got some

166

00:07:11,010 --> 00:07:09,370

a few hundred feet away it's not got the

167

00:07:12,480 --> 00:07:11,020

same orbital mechanics you guys it's not

168

00:07:14,999 --> 00:07:12,490

going to stay with you it can't stay

169

00:07:17,129 --> 00:07:15,009

with you Wow unless it's in a totally

170

00:07:19,619 --> 00:07:17,139

active unless it's continuously firing

171

00:07:22,469 --> 00:07:19,629

its rocket that's just orbital mechanics

172

00:07:24,119 --> 00:07:22,479

so anyway Martin you know what I got to

173

00:07:26,369 --> 00:07:24,129

offer them it's really the night scene

174

00:07:27,600 --> 00:07:26,379

but what I got to offer them is the only

175

00:07:30,510 --> 00:07:27,610

time they're gonna see anything is that

176

00:07:32,040 --> 00:07:30,520

night yeah I have got Trevor to see

177

00:07:34,679 --> 00:07:32,050

things today you can't see things in a

178

00:07:36,269 --> 00:07:34,689

day when you really see stuff it's when

179

00:07:38,700 --> 00:07:36,279

you were in the dark and the abject your

180

00:07:41,730 --> 00:07:38,710

local force in the Sun and it is a

181

00:07:44,219 --> 00:07:41,740

bright star right there and I've spent

182

00:07:47,570 --> 00:07:44,229

days and days tracking two satellites my

183

00:07:50,909 --> 00:07:47,580

last mission we put out two satellites

184

00:07:52,649 --> 00:07:50,919

sixteen days so it's they were just

185

00:07:55,469 --> 00:07:52,659

sitting out there with us in the same

186

00:07:58,079 --> 00:07:55,479

Worman anyway it's stuff like that

187

00:08:00,689 --> 00:07:58,089

it's to give people because I've had the

188

00:08:03,329 --> 00:08:00,699

privilege of a huge amount of airplane

189

00:08:06,420 --> 00:08:03,339

flight at altitude that's forty thousand

190

00:08:09,209 --> 00:08:06,430

above and I've had a huge number of you

191

00:08:11,689 --> 00:08:09,219

know experience in space line is what

192

00:08:14,610 --> 00:08:11,699

are things look like how do they behave

193

00:08:17,159 --> 00:08:14,620

what have you seen what does it mean how

194

00:08:19,139 --> 00:08:17,169

do you interpret it and how are you

195

00:08:22,079 --> 00:08:19,149

going to see other stuff other stuff

196

00:08:23,540 --> 00:08:22,089

that has a calm yet maybe okay so I

197

00:08:27,260 --> 00:08:23,550

think that's the main thing my

198

00:08:30,179 --> 00:08:27,270

experience of being in those places and

199

00:08:32,370 --> 00:08:30,189

how you get to be our great observer how

200

00:08:34,829 --> 00:08:32,380

do you think about ahead of time how do

201
00:08:37,559 --> 00:08:34,839
your researching you know so that you

202
00:08:39,659 --> 00:08:37,569
it's a privilege to be there and doggone

203
00:08:41,730 --> 00:08:39,669
it you represent humanity and you've got

204
00:08:43,079 --> 00:08:41,740
to be the best observer possible so I

205
00:08:46,680 --> 00:08:43,089
think that's what I'm gonna give them

206
00:08:49,319 --> 00:08:46,690
well I consider that any astronaut would

207
00:08:51,480 --> 00:08:49,329
have to be a very good observer and I'm

208
00:08:52,860 --> 00:08:51,490
wondering if um if they don't work on it

209
00:08:54,390 --> 00:08:52,870
though they don't work

210
00:08:57,450 --> 00:08:54,400
No and they don't turn all the lights

211
00:08:59,220 --> 00:08:57,460
off either they do a lot of don't turn

212
00:09:01,950 --> 00:08:59,230
all the lights off to see the stars and

213
00:09:04,380 --> 00:09:01,960

the planets and everything else and so

214

00:09:05,790 --> 00:09:04,390

no there's a huge range this astronauts

215

00:09:10,019 --> 00:09:05,800

got the huge range the same as they

216

00:09:12,540 --> 00:09:10,029

other people some do most in fact I

217

00:09:14,790 --> 00:09:12,550

don't know of anyone else we made a

218

00:09:16,350 --> 00:09:14,800

science of what you can see you got to

219

00:09:19,140 --> 00:09:16,360

do work you have to do your homework

220

00:09:21,480 --> 00:09:19,150

between flights that's all you have to

221

00:09:22,890 --> 00:09:21,490

work on it it doesn't just come you

222

00:09:25,350 --> 00:09:22,900

don't just jump up there and get in the

223

00:09:29,250 --> 00:09:25,360

window and see stuff don't work that way

224

00:09:30,750 --> 00:09:29,260

I had a conversation with Alan bean oh I

225

00:09:33,660 --> 00:09:30,760

don't know maybe three or four years ago

226

00:09:35,610 --> 00:09:33,670

is actually I did a show with him I also

227

00:09:38,310 --> 00:09:35,620

have another podcast on art and antiques

228

00:09:41,519 --> 00:09:38,320

and I did a show with him on his artwork

229

00:09:42,360 --> 00:09:41,529

and but basically I asked him I said you

230

00:09:44,550 --> 00:09:42,370

know what do you say to these people

231

00:09:46,769 --> 00:09:44,560

that say that no one ever really landed

232

00:09:48,870 --> 00:09:46,779

on the moon and he he kind of chuckled

233

00:09:51,510 --> 00:09:48,880

and he said you know you can't convince

234

00:09:53,610 --> 00:09:51,520

those people any different so he doesn't

235

00:09:56,540 --> 00:09:53,620

even bother trying you know but he knows

236

00:09:59,850 --> 00:09:56,550

he was there and it is a belief system

237

00:10:02,579 --> 00:09:59,860

Sordo but you know you have to be sort

238

00:10:05,370 --> 00:10:02,589

of evident evidence-based person it it's

239

00:10:08,640 --> 00:10:05,380

not fair I'm not to look at the evidence

240

00:10:11,630 --> 00:10:08,650

and just say we didn't a powerful

241

00:10:14,550 --> 00:10:11,640

telescope can see our spacecraft there

242

00:10:16,800 --> 00:10:14,560

that's you can see you can see the

243

00:10:19,710 --> 00:10:16,810

landing part of the space map that we

244

00:10:21,630 --> 00:10:19,720

launched there a then even more powerful

245

00:10:24,410 --> 00:10:21,640

telescope is going to be able to see the

246

00:10:26,970 --> 00:10:24,420

backpacks in the suits we might fear and

247

00:10:29,190 --> 00:10:26,980

the laser reflector you want to fire a

248

00:10:34,140 --> 00:10:29,200

laser at the moon it will come back at

249

00:10:37,860 --> 00:10:34,150

you and a a 500-dollar direction finder

250

00:10:39,780 --> 00:10:37,870

radio it can point at it can point at

251
00:10:42,510 --> 00:10:39,790
the radio signals coming from the moon

252
00:10:44,519 --> 00:10:42,520
when we were talking there that's \$500

253
00:10:47,430 --> 00:10:44,529
little point at the moment that's where

254
00:10:50,400 --> 00:10:47,440
that signal came from and the Russians

255
00:10:52,890 --> 00:10:50,410
the Russians are not gonna let us say we

256
00:10:54,750 --> 00:10:52,900
went there when we didn't anyway there's

257
00:10:57,570 --> 00:10:54,760
a lot of evidence based stuff that we

258
00:10:59,670 --> 00:10:57,580
were there right right now it's hard to

259
00:11:01,230 --> 00:10:59,680
fake it's hard to take one v g2 and it's

260
00:11:06,630 --> 00:11:01,240
hard to take that golf ball away forever

261
00:11:10,290 --> 00:11:06,640
I can't even imagine what it was like

262
00:11:13,140 --> 00:11:10,300
to be out in space I mean is it and to

263
00:11:15,000 --> 00:11:13,150

look down you know I mean how accurate

264

00:11:17,130 --> 00:11:15,010

accurate did you see the movie gravity

265

00:11:18,480 --> 00:11:17,140

I'm gonna ask you first of all and I

266

00:11:24,480 --> 00:11:18,490

just wonder what you thought the first

267

00:11:26,910 --> 00:11:24,490

part of that accuracy was well I don't

268

00:11:30,390 --> 00:11:26,920

expect uh I don't expect a movie to be

269

00:11:33,000 --> 00:11:30,400

accurate in the drama it's a it's a film

270

00:11:35,610 --> 00:11:33,010

so you don't expect it to be accurate it

271

00:11:39,390 --> 00:11:35,620

wasn't but then I think it had a problem

272

00:11:42,450 --> 00:11:39,400

with being a great film hmm so I'm you

273

00:11:44,700 --> 00:11:42,460

know I'm a film kind of person I wasn't

274

00:11:47,070 --> 00:11:44,710

crazy about gravity as a film but I

275

00:11:48,810 --> 00:11:47,080

don't go in and judge a film based on it

276

00:11:51,300 --> 00:11:48,820

it's reality

277

00:11:52,830 --> 00:11:51,310

course you know that's not what a film

278

00:11:55,170 --> 00:11:52,840

is if it was supposed to be a great

279

00:11:57,630 --> 00:11:55,180

story right I was a little disappointed

280

00:11:59,010 --> 00:11:57,640

in the story it blows everything up the

281

00:12:01,260 --> 00:11:59,020

theme is we're going to keep blowing it

282

00:12:04,320 --> 00:12:01,270

up and see if we survive that's not

283

00:12:06,960 --> 00:12:04,330

enough thing hmm we keep blowing it up

284

00:12:08,280 --> 00:12:06,970

and see if we survive but there's a

285

00:12:10,200 --> 00:12:08,290

whole bunch of course it's totally

286

00:12:12,780 --> 00:12:10,210

inaccurate you're not going to survive

287

00:12:15,210 --> 00:12:12,790

those kind of hits right

288

00:12:18,240 --> 00:12:15,220

but anyway it's it's not supposed to be

289

00:12:21,420 --> 00:12:18,250

accurate it's a film okay if it wants to

290

00:12:23,580 --> 00:12:21,430

be if it wants to be a campy alright and

291

00:12:26,040 --> 00:12:23,590

now I'm gonna ask you I haven't really

292

00:12:28,800 --> 00:12:26,050

been able to find I mean I saw a couple

293

00:12:34,290 --> 00:12:28,810

things online on some forums but what is

294

00:12:36,060 --> 00:12:34,300

your thoughts about UFOs in general what

295

00:12:38,070 --> 00:12:36,070

is suicide today and that is that this

296

00:12:41,010 --> 00:12:38,080

trillions of life forms out there this

297

00:12:43,440 --> 00:12:41,020

trains our planet to have life and so

298

00:12:45,710 --> 00:12:43,450

the universe is so massively big it is

299

00:12:48,000 --> 00:12:45,720

it is big beyond the imagination

300

00:12:49,950 --> 00:12:48,010

wherever you wherever you shine help

301
00:12:51,810 --> 00:12:49,960
away we look at Hubble even in dark sky

302
00:12:53,790 --> 00:12:51,820
it's another thousand galaxies they can

303
00:12:55,830 --> 00:12:53,800
under being stars and ichigaya my

304
00:12:57,390 --> 00:12:55,840
goodness you're talking about every

305
00:12:59,400 --> 00:12:57,400
single picture how what takes got five

306
00:13:02,160 --> 00:12:59,410
tree and stars and the place is

307
00:13:04,590 --> 00:13:02,170
absolutely huge and the whole bunch of

308
00:13:06,870 --> 00:13:04,600
planets conducive to life and the carbon

309
00:13:09,090 --> 00:13:06,880
carbon we're carbon life wood away

310
00:13:11,820 --> 00:13:09,100
carbon hooks to itself that's what makes

311
00:13:13,830 --> 00:13:11,830
life but we probably got we're still

312
00:13:16,110 --> 00:13:13,840
finding species we probably got six

313
00:13:19,140 --> 00:13:16,120

million species on this earth alone that

314

00:13:20,340 --> 00:13:19,150

is power and so whether life evolved

315

00:13:22,920 --> 00:13:20,350

here we think we can

316

00:13:25,410 --> 00:13:22,930

it started from all the commonalities

317

00:13:27,480 --> 00:13:25,420

between all living forms life life

318

00:13:29,730 --> 00:13:27,490

started here about 4 billion years ago

319

00:13:31,800 --> 00:13:29,740

it could have come from somewhere else

320

00:13:33,240 --> 00:13:31,810

you know we don't have that answer it

321

00:13:34,860 --> 00:13:33,250

could have written in on a meteorite

322

00:13:37,500 --> 00:13:34,870

something like ad it could have written

323

00:13:41,280 --> 00:13:37,510

in or it formed in the soup but we don't

324

00:13:43,740 --> 00:13:41,290

know that but my goodness the power of

325

00:13:48,240 --> 00:13:43,750

life to arise and the power of life to

326

00:13:50,430 --> 00:13:48,250

travel even on you know me to write to

327

00:13:52,620 --> 00:13:50,440

that kind of stuff so life is

328

00:13:55,230 --> 00:13:52,630

unbelievably powerful and it's trillions

329

00:13:57,060 --> 00:13:55,240

of planets that could support life so I

330

00:13:58,920 --> 00:13:57,070

think out there and life is everywhere

331

00:14:01,950 --> 00:13:58,930

out there in fact I think there's

332

00:14:03,720 --> 00:14:01,960

billions that are doing star travel ok

333

00:14:07,080 --> 00:14:03,730

planning if a planet gets his stuff

334

00:14:09,150 --> 00:14:07,090

together now so on this plan here we've

335

00:14:12,360 --> 00:14:09,160

been doing technology for however long

336

00:14:13,770 --> 00:14:12,370

300 years only if a planet got its life

337

00:14:16,650 --> 00:14:13,780

together it could be doing that

338

00:14:18,330 --> 00:14:16,660

technology for millions of years and so

339

00:14:21,570 --> 00:14:18,340

it could achieve it could achieve star

340

00:14:23,580 --> 00:14:21,580

travel so I think a know how universe is

341

00:14:27,390 --> 00:14:23,590

heck there's hundreds of millions of

342

00:14:30,030 --> 00:14:27,400

planets did also do it star travel ok

343

00:14:33,990 --> 00:14:30,040

that's a sign on the other side for me

344

00:14:36,480 --> 00:14:34,000

and it's very important for me I have no

345

00:14:38,430 --> 00:14:36,490

evidence and that's my personal evidence

346

00:14:40,320 --> 00:14:38,440

I have no personal observation or

347

00:14:44,340 --> 00:14:40,330

evidence brought to me this place we

348

00:14:47,910 --> 00:14:44,350

have been visited here but no money I

349

00:14:49,800 --> 00:14:47,920

don't say we have not that's different

350

00:14:52,650 --> 00:14:49,810

I've spoken to people have been abducted

351
00:14:54,990 --> 00:14:52,660
that's right and I did not tell them

352
00:14:57,270 --> 00:14:55,000
they were not abducted I was not happy

353
00:14:59,490 --> 00:14:57,280
with her mouth what evidence they

354
00:15:01,400 --> 00:14:59,500
brought to me I was not happy with a

355
00:15:04,950 --> 00:15:01,410
number of details that gave me the

356
00:15:06,780 --> 00:15:04,960
observations that doesn't matter I don't

357
00:15:10,380 --> 00:15:06,790
tell them they were not because I was

358
00:15:13,020 --> 00:15:10,390
not there and I do not say we have not

359
00:15:14,880 --> 00:15:13,030
been visited because I have not been

360
00:15:18,450 --> 00:15:14,890
there to make all observations other

361
00:15:22,290 --> 00:15:18,460
people have all I say that his story

362
00:15:26,070 --> 00:15:22,300
Musgrave the observation that I have

363
00:15:28,830 --> 00:15:26,080

made in evidence brought to me I do not

364

00:15:31,440 --> 00:15:28,840

have evidence satisfactory to me to say

365

00:15:34,000 --> 00:15:31,450

we have been visited so it's two things

366

00:15:36,910 --> 00:15:34,010

it's everywhere out there he isn't

367

00:15:40,000 --> 00:15:36,920

trains and people don't start travel but

368

00:15:42,310 --> 00:15:40,010

for me the little story Musgrave and the

369

00:15:44,020 --> 00:15:42,320

narrow experiences that I've had I don't

370

00:15:48,340 --> 00:15:44,030

have any evidence we've been visited

371

00:15:50,800 --> 00:15:48,350

here not to say it hasn't happened um do

372

00:15:55,240 --> 00:15:50,810

you mind I'm gonna play a quick clip

373

00:15:57,580 --> 00:15:55,250

I had a UFO debate with dr. Seth Shostak

374

00:15:59,110 --> 00:15:57,590

from the SETI end up he mentions your

375

00:16:00,520 --> 00:15:59,120

name and I'd like to play this quick

376

00:16:02,440 --> 00:16:00,530

clip and then I'd like to have your

377

00:16:05,470 --> 00:16:02,450

opinion after it it's less than a minute

378

00:16:08,530 --> 00:16:05,480

so I'm gonna play it right now okay so

379

00:16:10,540 --> 00:16:08,540

you wouldn't consider witnesses so many

380

00:16:13,510 --> 00:16:10,550

witnesses say for instance astronaut

381

00:16:16,180 --> 00:16:13,520

Gordon Cooper and former governor Fife

382

00:16:17,500 --> 00:16:16,190

Symington and people like that what

383

00:16:19,870 --> 00:16:17,510

would you say about them being as

384

00:16:21,310 --> 00:16:19,880

observers oh well I don't think that

385

00:16:23,200 --> 00:16:21,320

they're professional observers I mean

386

00:16:25,150 --> 00:16:23,210

it's it's not that I'm impugning their

387

00:16:26,980 --> 00:16:25,160

integrity I've talked with a lot of the

388

00:16:28,810 --> 00:16:26,990

astronauts Edgar Mitchell and Gene

389

00:16:30,460 --> 00:16:28,820

Cernan and all these guys you know and

390

00:16:32,380 --> 00:16:30,470

if you talk to them about these things

391

00:16:33,670 --> 00:16:32,390

to begin with usually it's secondhand

392

00:16:35,170 --> 00:16:33,680

they haven't actually seen these things

393

00:16:36,610 --> 00:16:35,180

themselves they heard somebody else

394

00:16:38,440 --> 00:16:36,620

talking about it but even if they have

395

00:16:40,090 --> 00:16:38,450

seen them themselves you know story

396

00:16:42,130 --> 00:16:40,100

Musgrave thought he heard the aliens and

397

00:16:44,710 --> 00:16:42,140

the muffin fans in the in the space

398

00:16:46,480 --> 00:16:44,720

shuttle okay III don't think he's lying

399

00:16:48,790 --> 00:16:46,490

I don't think he's making something up

400

00:16:50,560 --> 00:16:48,800

but I don't consider that very good

401
00:16:52,060 --> 00:16:50,570
evidence and in fact anybody who's in

402
00:16:53,800 --> 00:16:52,070
forensics will tell you that witness

403
00:16:55,990 --> 00:16:53,810
testimony is about that porous kind of

404
00:16:59,140 --> 00:16:56,000
evidence there is particularly in

405
00:17:02,580 --> 00:16:59,150
science so I just read on that clip and

406
00:17:05,050 --> 00:17:02,590
what do you have to say to his comment

407
00:17:08,470 --> 00:17:05,060
well I don't know where he's getting it

408
00:17:11,920 --> 00:17:08,480
from I certainly didn't hear any aliens

409
00:17:13,020 --> 00:17:11,930
and the fans so I don't know where

410
00:17:18,430 --> 00:17:13,030
that's coming from

411
00:17:21,670 --> 00:17:18,440
well I did comment on yes the fans the

412
00:17:24,400 --> 00:17:21,680
particular fans caused a reverberation

413
00:17:27,699 --> 00:17:24,410

in the hearing system in me

414

00:17:29,890 --> 00:17:27,709

and it kind of kicked off some music in

415

00:17:32,560 --> 00:17:29,900

other words for me the fans have got a

416

00:17:36,250 --> 00:17:32,570

rhythm and a beat to them which

417

00:17:40,270 --> 00:17:36,260

represents music and so it stimulates in

418

00:17:44,770 --> 00:17:40,280

me kind of a musical sensation not just

419

00:17:47,230 --> 00:17:44,780

a pure hum of a fan so somehow he

420

00:17:49,000 --> 00:17:47,240

interpreted that

421

00:17:52,180 --> 00:17:49,010

it's not a very scientific thing for him

422

00:17:54,700 --> 00:17:52,190

to do well no he that was that noise

423

00:17:57,730 --> 00:17:54,710

I love sense and we have a great time

424

00:18:01,090 --> 00:17:57,740

together but he may have read what

425

00:18:04,510 --> 00:18:01,100

somebody else so when you make comments

426
00:18:07,150 --> 00:18:04,520
and they get past done tribally from one

427
00:18:12,790 --> 00:18:07,160
person to another and the story can

428
00:18:15,880 --> 00:18:12,800
change right yeah yeah but so it's very

429
00:18:18,790 --> 00:18:15,890
interesting and it's very beautiful you

430
00:18:22,210 --> 00:18:18,800
know what happens when the fans the fans

431
00:18:24,850 --> 00:18:22,220
start reverberating and they create this

432
00:18:27,220 --> 00:18:24,860
rhythmic kind of music in your ear it's

433
00:18:28,120 --> 00:18:27,230
related it's like music and it's

434
00:18:31,150 --> 00:18:28,130
beautiful

435
00:18:33,760 --> 00:18:31,160
mm-hmm Wow Wow

436
00:18:37,780 --> 00:18:33,770
I mean just the thing I always think

437
00:18:39,790 --> 00:18:37,790
about how wonderful it must be to be out

438
00:18:43,390 --> 00:18:39,800

in space and looking down at the earth I

439

00:18:47,980 --> 00:18:43,400

mean that is beyond words isn't it it

440

00:18:50,830 --> 00:18:47,990

must be no like okay what it's not

441

00:18:52,210 --> 00:18:50,840

beyond words but it's gorgeous I mean

442

00:18:57,100 --> 00:18:52,220

it's beautiful in all kinds of different

443

00:18:59,200 --> 00:18:57,110

ways all kinds of different ways hmm so

444

00:19:01,030 --> 00:18:59,210

the aurora is the aurorus you it's so

445

00:19:03,300 --> 00:19:01,040

beautiful you can't stand it no I love

446

00:19:06,310 --> 00:19:03,310

night passes I just adore night passes

447

00:19:07,750 --> 00:19:06,320

and so they're incredibly rich you don't

448

00:19:09,190 --> 00:19:07,760

always get them you need to get a

449

00:19:13,480 --> 00:19:09,200

consensus remember when you turn the

450

00:19:15,220 --> 00:19:13,490

lights off and get dark-adapted but so

451
00:19:17,920 --> 00:19:15,230
the Stars the Stars kind of intermingle

452
00:19:20,800 --> 00:19:17,930
with a street lights you know and the

453
00:19:22,900 --> 00:19:20,810
aurora is is just so beautiful it's

454
00:19:25,810 --> 00:19:22,910
beyond the imagination you barely can

455
00:19:28,120 --> 00:19:25,820
you can stay in it and deny key Lucent

456
00:19:28,780 --> 00:19:28,130
clouds which go to 30 40 miles sign

457
00:19:31,570 --> 00:19:28,790
their color

458
00:19:33,640 --> 00:19:31,580
I thought two sprites and I defined

459
00:19:36,400 --> 00:19:33,650
somebody before they were accepted as a

460
00:19:39,880 --> 00:19:36,410
phenomenon mine were green that's

461
00:19:42,520 --> 00:19:39,890
vertical lightning coming up 30 40 miles

462
00:19:45,250 --> 00:19:42,530
in the moon racing across the ocean to

463
00:19:47,020 --> 00:19:45,260

moon racing down the rivers and so the

464

00:19:49,840 --> 00:19:47,030

moon going down the rivers of course at

465

00:19:53,110 --> 00:19:49,850

an 18,000 miles an hour that's your

466

00:19:55,900 --> 00:19:53,120

speed and the only part of the river is

467

00:19:58,840 --> 00:19:55,910

where the reflection of the moon you can

468

00:20:00,790 --> 00:19:58,850

actually see you can see things with

469

00:20:03,550 --> 00:20:00,800

starlight you don't even need a moon

470

00:20:06,790 --> 00:20:03,560

you can see you can see partially you

471

00:20:09,490 --> 00:20:06,800

can see man messes with starlight so the

472

00:20:12,220 --> 00:20:09,500

whole suite is and then of course many

473

00:20:14,500 --> 00:20:12,230

more stars than you see down here and

474

00:20:16,120 --> 00:20:14,510

the whole celestial sphere is different

475

00:20:19,240 --> 00:20:16,130

the North Star does not remain in the

476
00:20:22,120 --> 00:20:19,250
North you know it depends on your but it

477
00:20:24,070 --> 00:20:22,130
cones around because this is your orbit

478
00:20:26,050 --> 00:20:24,080
and how big the stars up and down it's

479
00:20:29,320 --> 00:20:26,060
not the Earth's orbit it's not the earth

480
00:20:33,190 --> 00:20:29,330
spin and it brings stars up and down you

481
00:20:35,470 --> 00:20:33,200
do 16 times faster in here snow but

482
00:20:38,170 --> 00:20:35,480
anyway the celestial spheres one two so

483
00:20:39,970 --> 00:20:38,180
that passes spectacular I like that

484
00:20:41,140 --> 00:20:39,980
lightning to horizontal lightning it

485
00:20:43,450 --> 00:20:41,150
goes for a hundred miles

486
00:20:45,580 --> 00:20:43,460
yeah well I've seen just lightning from

487
00:20:47,640 --> 00:20:45,590
from an airplane you know from a jet

488
00:20:51,870 --> 00:20:47,650

30,000 feet and it's pretty spectacular

489

00:20:57,040 --> 00:20:51,880

yes whoa yeah

490

00:20:59,170 --> 00:20:57,050

whatever I'm ready okay thanks one of

491

00:21:01,510 --> 00:20:59,180

the again we will take another five or

492

00:21:04,600 --> 00:21:01,520

ten minutes here okay

493

00:21:09,700 --> 00:21:04,610

one of the things I always think about

494

00:21:11,050 --> 00:21:09,710

as when you're up there do you like have

495

00:21:13,420 --> 00:21:11,060

in the back of your mind am I going to

496

00:21:18,010 --> 00:21:13,430

get back safely I mean is that always

497

00:21:21,520 --> 00:21:18,020

like nagging at you it is done and of

498

00:21:23,620 --> 00:21:21,530

course you know I flew uh I did not fly

499

00:21:26,080 --> 00:21:23,630

after Columbia we thought launch was the

500

00:21:28,780 --> 00:21:26,090

really hazardous part of a mission if

501
00:21:31,000 --> 00:21:28,790
you got through that there's no signs of

502
00:21:33,790 --> 00:21:31,010
impending disaster up there so you're

503
00:21:35,320 --> 00:21:33,800
very comfortable really so it's not the

504
00:21:37,360 --> 00:21:35,330
site well there's no signs of impending

505
00:21:40,030 --> 00:21:37,370
disaster I wasn't the fan that's very

506
00:21:41,380 --> 00:21:40,040
quiet and Sergey is very smooth and it's

507
00:21:44,830 --> 00:21:41,390
very serene because you're floating

508
00:21:46,750 --> 00:21:44,840
around you know no you don't worry about

509
00:21:48,990 --> 00:21:46,760
that and I never worried during a

510
00:21:52,480 --> 00:21:49,000
spacewalk either maybe I should yeah

511
00:21:53,590 --> 00:21:52,490
that was that was totally peaceful like

512
00:21:56,710 --> 00:21:53,600
that okay

513
00:21:58,600 --> 00:21:56,720

we had an astrophysicist dr. Jeffrey

514

00:22:00,940 --> 00:21:58,610

Bennett on here and he was a senior

515

00:22:04,600 --> 00:22:00,950

let's say he was a visiting scientist

516

00:22:07,090 --> 00:22:04,610

with NASA and he said that between him

517

00:22:10,060 --> 00:22:07,100

and his colleagues they all sort of

518

00:22:12,070 --> 00:22:10,070

agreed that if a intelligence can get

519

00:22:14,140 --> 00:22:12,080

through a bottleneck of technology

520

00:22:15,730 --> 00:22:14,150

without blowing themselves up

521

00:22:17,200 --> 00:22:15,740

we'd be traveling they'd be traveling

522

00:22:20,590 --> 00:22:17,210

the stars is that kind of your

523

00:22:26,250 --> 00:22:20,600

philosophy as well I think you're gonna

524

00:22:31,660 --> 00:22:28,900

let's just say humankind you know we

525

00:22:34,120 --> 00:22:31,670

have this bottleneck socially to get

526

00:22:37,840 --> 00:22:34,130

through this bottleneck of Technology

527

00:22:39,730 --> 00:22:37,850

that without blowing ourselves up and he

528

00:22:43,750 --> 00:22:39,740

was you know of course we can't really

529

00:22:47,770 --> 00:22:43,760

predict what other social aspects of

530

00:22:51,300 --> 00:22:47,780

other intelligence are out there but but

531

00:22:53,470 --> 00:22:51,310

if they do whoever it is get through

532

00:22:55,060 --> 00:22:53,480

technology without blowing themselves up

533

00:22:57,040 --> 00:22:55,070

they probably are traveling the stars

534

00:22:58,950 --> 00:22:57,050

and you mentioned you thought that there

535

00:23:02,350 --> 00:22:58,960

were probably a lot of interstellar

536

00:23:04,240 --> 00:23:02,360

travelers out there I think there are of

537

00:23:05,830 --> 00:23:04,250

course we need a big breakthrough in a

538

00:23:07,900 --> 00:23:05,840

technical breakthrough so in our

539

00:23:11,080 --> 00:23:07,910

chemical rocket engines at the current

540

00:23:13,270 --> 00:23:11,090

speeds we need a breakthrough there but

541

00:23:15,370 --> 00:23:13,280

no serious question would we be visited

542

00:23:17,650 --> 00:23:15,380

we were done there's 50 wars this week

543

00:23:20,560 --> 00:23:17,660

the world is getting worse right now

544

00:23:22,900 --> 00:23:20,570

it's coming apart in terms of what the

545

00:23:25,570 --> 00:23:22,910

specie is doing to itself now it is 50

546

00:23:26,950 --> 00:23:25,580

wars this week and so if you're going to

547

00:23:28,960 --> 00:23:26,960

be if you're visiting creature you're

548

00:23:31,630 --> 00:23:28,970

not coming here you're not coming here

549

00:23:35,200 --> 00:23:31,640

because the advanced evolutionary string

550

00:23:37,870 --> 00:23:35,210

can't get along with itself if we can't

551
00:23:40,660 --> 00:23:37,880
get along with our own species how are

552
00:23:42,100 --> 00:23:40,670
we going to welcome them you see another

553
00:23:44,770 --> 00:23:42,110
thing you look at the earth is a tiny

554
00:23:46,930 --> 00:23:44,780
little speck on there like Cassini

555
00:23:48,760 --> 00:23:46,940
trying to take a picture center and it

556
00:23:51,340 --> 00:23:48,770
got a picture this little speck earth

557
00:23:54,190 --> 00:23:51,350
and voyager course took a picture earth

558
00:23:56,110 --> 00:23:54,200
some 1 billion months you've got 30

559
00:23:59,020 --> 00:23:56,120
thousand nuclear bombs sitting on that

560
00:24:01,290 --> 00:23:59,030
little speck and that is not smart and

561
00:24:04,300 --> 00:24:01,300
then it's very good thing to do and

562
00:24:06,540 --> 00:24:04,310
someone that looks in less and sees dad

563
00:24:08,950 --> 00:24:06,550

they say well why would they do that

564

00:24:10,620 --> 00:24:08,960

what is that about and we're not going

565

00:24:14,260 --> 00:24:10,630

there

566

00:24:16,780 --> 00:24:14,270

yeah so so the look from far out could

567

00:24:21,610 --> 00:24:16,790

be a you know it could be kind of a

568

00:24:25,450 --> 00:24:21,620

calibration on who we are right yeah I

569

00:24:26,980 --> 00:24:25,460

think there's a Stanton Friedman kind of

570

00:24:28,420 --> 00:24:26,990

says the same thing you know where we're

571

00:24:30,850 --> 00:24:28,430

in tribal warfare

572

00:24:33,760 --> 00:24:30,860

oh why the heck would they want to come

573

00:24:37,660 --> 00:24:33,770

here and show themselves if they are you

574

00:24:39,900 --> 00:24:37,670

know you know if they're if they're

575

00:24:42,280 --> 00:24:39,910

watching what's going on you're right

576

00:24:43,740 --> 00:24:42,290

but you know it's funny you hear there's

577

00:24:45,820 --> 00:24:43,750

a lot of UFO sightings whether

578

00:24:49,810 --> 00:24:45,830

extraterrestrial or not but you hear a

579

00:24:51,790 --> 00:24:49,820

lot of sightings during wartime and more

580

00:24:55,900 --> 00:24:51,800

situations battle scenes things like

581

00:24:57,730 --> 00:24:55,910

that yeah yeah okay I know you have to

582

00:25:00,970 --> 00:24:57,740

leave fairly soon and that's fine we can

583

00:25:05,260 --> 00:25:00,980

make do on this end here but what do you

584

00:25:07,810 --> 00:25:05,270

say about other astronauts that talk

585

00:25:10,060 --> 00:25:07,820

about UFOs that like Gordon Cooper I'm

586

00:25:14,650 --> 00:25:10,070

sure you probably knew him what do you

587

00:25:17,710 --> 00:25:14,660

think about his comments on the u.s.

588

00:25:21,700 --> 00:25:17,720

very well he never brought me evidence

589

00:25:23,169 --> 00:25:21,710

that I could accept as as a intelligent

590

00:25:23,919 --> 00:25:23,179

being on visiting spacecraft from

591

00:25:26,470 --> 00:25:23,929

somewhere else

592

00:25:29,320 --> 00:25:26,480

uh-huh God never brought me ever bad

593

00:25:31,150 --> 00:25:29,330

evidence that I could expect that's the

594

00:25:34,450 --> 00:25:31,160

that's the hardest part about this whole

595

00:25:37,720 --> 00:25:34,460

thing is the is the evidence of course I

596

00:25:41,290 --> 00:25:37,730

mean it's just it is of course you need

597

00:25:47,110 --> 00:25:41,300

to this Gordon's won this 600 people in

598

00:25:49,660 --> 00:25:47,120

space or more and he's the only one so

599

00:25:51,820 --> 00:25:49,670

you know you you have to look at the

600

00:25:54,580 --> 00:25:51,830

bell-shaped curve you look at the sample

601
00:25:57,160 --> 00:25:54,590
of things you have one person that

602
00:26:01,600 --> 00:25:57,170
thinks they saw something and you have

603
00:26:03,490 --> 00:26:01,610
600 people it didn't now again I am NOT

604
00:26:05,230 --> 00:26:03,500
saying they they have none have been

605
00:26:07,900 --> 00:26:05,240
here that's not what I'm saying

606
00:26:10,720 --> 00:26:07,910
I understand look at the evidence that's

607
00:26:14,650 --> 00:26:10,730
all and so nobody's brought me evidence

608
00:26:16,510 --> 00:26:14,660
that I can accept conclusively yeah oh

609
00:26:19,000 --> 00:26:16,520
you know I'm not saying I'm not saying

610
00:26:21,520 --> 00:26:19,010
they haven't been here huh we have a

611
00:26:23,320 --> 00:26:21,530
message board and there's a question up

612
00:26:25,630 --> 00:26:23,330
there and I haven't been able to pay too

613
00:26:28,120 --> 00:26:25,640

much attention to that tonight but what

614

00:26:33,430 --> 00:26:28,130

do you think of the Institute for noetic

615

00:26:37,660 --> 00:26:33,440

Sciences Edgar Mitchell yeah well you

616

00:26:40,450 --> 00:26:37,670

know that's what he does okay is that

617

00:26:42,270 --> 00:26:40,460

true well yes well no I don't there no

618

00:26:45,840 --> 00:26:42,280

any science is that that

619

00:26:48,000 --> 00:26:45,850

that's one thing but Edie is someone it

620

00:26:50,370 --> 00:26:48,010

is someone who supports considered a

621

00:26:52,620 --> 00:26:50,380

conspiracy theory and is someone that

622

00:26:56,550 --> 00:26:52,630

makes public statements about a

623

00:26:59,420 --> 00:26:56,560

conspiracy to cover up evidence that the

624

00:27:02,730 --> 00:26:59,430

government covers up evidence about

625

00:27:05,010 --> 00:27:02,740

visitations from out there well I can

626

00:27:07,470 --> 00:27:05,020

only say that I totally disagree with

627

00:27:09,840 --> 00:27:07,480

that conclusion I have been on to

628

00:27:12,900 --> 00:27:09,850

Department of Defense missions I'm a

629

00:27:15,270 --> 00:27:12,910

Marine I'm Air Force I'm 30 years when

630

00:27:17,220 --> 00:27:15,280

NASA I was on to Department of Defense

631

00:27:20,850 --> 00:27:17,230

missions as deep in the government as

632

00:27:23,900 --> 00:27:20,860

you can possibly go and I am always open

633

00:27:28,020 --> 00:27:23,910

I'm totally honest I'm from the heart

634

00:27:30,690 --> 00:27:28,030

and I never found any evidence for any

635

00:27:32,880 --> 00:27:30,700

kind of cover-up there's too many good

636

00:27:35,520 --> 00:27:32,890

people in there there when something is

637

00:27:37,170 --> 00:27:35,530

important for the public to know when

638

00:27:39,660 --> 00:27:37,180

something's important for Mother Earth

639

00:27:41,640 --> 00:27:39,670

to be aware of something that's going on

640

00:27:43,650 --> 00:27:41,650

those people are going to come forward

641

00:27:46,640 --> 00:27:43,660

and believe me I'm gonna come forward

642

00:27:50,670 --> 00:27:46,650

believe me I'm not going to let anyone

643

00:27:55,380 --> 00:27:50,680

cover-up stuff it's important to the

644

00:27:58,980 --> 00:27:55,390

species know but again I have no

645

00:28:01,920 --> 00:27:58,990

evidence but maybe ads got evidence I'd

646

00:28:02,940 --> 00:28:01,930

over here but again he couldn't bring me

647

00:28:06,660 --> 00:28:02,950

any evidence

648

00:28:09,690 --> 00:28:06,670

so again again it's kind of personal

649

00:28:11,910 --> 00:28:09,700

it's story Musgrave has been looking for

650

00:28:14,460 --> 00:28:11,920

conspiracy story Musgrave been looking

651

00:28:17,970 --> 00:28:14,470

for the cover-up and I cannot find it

652

00:28:20,160 --> 00:28:17,980

NASA is massively totally open that was

653

00:28:23,190 --> 00:28:20,170

their Charter and doggone if they're not

654

00:28:26,100 --> 00:28:23,200

and no one in the government or NASA has

655

00:28:28,770 --> 00:28:26,110

ever put the slightest muzzle the

656

00:28:32,390 --> 00:28:28,780

slightest thing on me that that totally

657

00:28:34,590 --> 00:28:32,400

express myself and talk about whatever

658

00:28:36,630 --> 00:28:34,600

that's that's good to hear

659

00:28:40,010 --> 00:28:36,640

do you think it's possible though that

660

00:28:43,650 --> 00:28:40,020

that it could be so compartmentalized

661

00:28:45,860 --> 00:28:43,660

that a person like you couldn't even

662

00:28:48,150 --> 00:28:45,870

find out if there was some type of

663

00:28:50,910 --> 00:28:48,160

cover-up even if it was from just a

664

00:28:52,510 --> 00:28:50,920

decades ago hypothetically had the

665

00:28:56,539 --> 00:28:52,520

possibility

666

00:28:59,270 --> 00:28:56,549

but you were you were deep into things

667

00:29:00,640 --> 00:28:59,280

working very very deep I had to

668

00:29:05,330 --> 00:29:00,650

Department of Defense missions

669

00:29:06,890 --> 00:29:05,340

classified missions unknown clients and

670

00:29:09,140 --> 00:29:06,900

so I'm just saying I had classified

671

00:29:12,350 --> 00:29:09,150

missions with the Marines I was there

672

00:29:14,900 --> 00:29:12,360

for 30 years with NASA I'm just saying I

673

00:29:18,230 --> 00:29:14,910

can't I couldn't find I couldn't find a

674

00:29:20,120 --> 00:29:18,240

conspiracy I couldn't find and I was

675

00:29:21,919 --> 00:29:20,130

totally open even though I am on the

676
00:29:26,240 --> 00:29:21,929
edge everyone knows I'm on the edge I

677
00:29:27,380 --> 00:29:26,250
was accepted as being on edge that's

678
00:29:29,890 --> 00:29:27,390
good that's good to know

679
00:29:32,779 --> 00:29:29,900
another question up on the message board

680
00:29:35,870 --> 00:29:32,789
it says that you weren't happy with the

681
00:29:37,310 --> 00:29:35,880
amount of details abductees provided to

682
00:29:42,020 --> 00:29:37,320
you can you elaborate a little bit on

683
00:29:44,360 --> 00:29:42,030
that well it's a matter of if you take

684
00:29:47,240 --> 00:29:44,370
yourself if he's simply going explore on

685
00:29:49,909 --> 00:29:47,250
one of the national parks and so yeah

686
00:29:53,600 --> 00:29:49,919
Binta price can you haven't been through

687
00:29:55,730 --> 00:29:53,610
the Badlands or Sequoia a person who has

688
00:29:57,500 --> 00:29:55,740

been to the national parks will come

689

00:30:00,049 --> 00:29:57,510

back with unbelievable details

690

00:30:01,700 --> 00:30:00,059

it's everything called it's every piece

691

00:30:03,710 --> 00:30:01,710

of sand it's the temperatures the

692

00:30:07,909 --> 00:30:03,720

dryness is how it felt

693

00:30:10,700 --> 00:30:07,919

and so you go into you know some unusual

694

00:30:12,919 --> 00:30:10,710

environment or scenario the people

695

00:30:14,810 --> 00:30:12,929

who've been there come back where

696

00:30:17,270 --> 00:30:14,820

they're just are flowing it's just

697

00:30:20,330 --> 00:30:17,280

coming out in their mark water it is a

698

00:30:23,060 --> 00:30:20,340

total totally flowing description of

699

00:30:26,930 --> 00:30:23,070

what their experiences were with what

700

00:30:31,010 --> 00:30:26,940

they saw heard so I just I have not done

701
00:30:32,990 --> 00:30:31,020
that kind but they also they may save

702
00:30:35,450 --> 00:30:33,000
you know they were brainwashed so they

703
00:30:40,940 --> 00:30:35,460
couldn't reveal what happened to them

704
00:30:43,460 --> 00:30:40,950
well in something else interesting is

705
00:30:50,270 --> 00:30:43,470
how much the description well yeah let's

706
00:30:51,890 --> 00:30:50,280
go a couple more minutes okay so what

707
00:30:56,600 --> 00:30:51,900
type of evidence would you say would be

708
00:30:58,549 --> 00:30:56,610
good evidence for UFOs I mean video is

709
00:31:01,580 --> 00:30:58,559
not and what is what do you think of

710
00:31:04,170 --> 00:31:01,590
video evidence sure it's okay

711
00:31:07,730 --> 00:31:04,180
any evidence yeah

712
00:31:10,140 --> 00:31:07,740
it's just you know any form of evidence

713
00:31:12,900 --> 00:31:10,150

what is some verification where does

714

00:31:15,150 --> 00:31:12,910

some objectivity videos my anything's

715

00:31:18,570 --> 00:31:15,160

fine after some objectivity that's

716

00:31:21,240 --> 00:31:18,580

beyond the observer so the an observer

717

00:31:23,850 --> 00:31:21,250

can take that can take the pictures can

718

00:31:26,190 --> 00:31:23,860

take the video can take the sound and

719

00:31:28,560 --> 00:31:26,200

can take their experiences and bring

720

00:31:30,480 --> 00:31:28,570

something objective which is outside of

721

00:31:38,910 --> 00:31:30,490

themselves to somebody else

722

00:31:41,370 --> 00:31:38,920

I see and so with that being said you

723

00:31:44,790 --> 00:31:41,380

say that you have not seen enough

724

00:31:47,040 --> 00:31:44,800

evidence or do you mean as far as

725

00:31:48,930 --> 00:31:47,050

anybody in this world has not seen

726

00:31:53,070 --> 00:31:48,940

enough evidence or do you just mean

727

00:31:56,400 --> 00:31:53,080

yourself personally Hey only well myself

728

00:31:58,080 --> 00:31:56,410

and what was brought to me my others so

729

00:32:00,690 --> 00:31:58,090

this is the personal thing I'm not

730

00:32:03,060 --> 00:32:00,700

saying there but not there I'm not

731

00:32:04,830 --> 00:32:03,070

saying that I'm wholly saying the

732

00:32:06,330 --> 00:32:04,840

evidence that came to me was not

733

00:32:13,350 --> 00:32:06,340

satisfactory for me to make that

734

00:32:15,390 --> 00:32:13,360

conclusion I see okay and now I'm just

735

00:32:17,760 --> 00:32:15,400

gonna talk to you a little bit about if

736

00:32:19,640 --> 00:32:17,770

we got just another minute here yeah um

737

00:32:21,570 --> 00:32:19,650

how do you think do you think the odds

738

00:32:32,880 --> 00:32:21,580

how do you think the odds are of

739

00:32:34,650 --> 00:32:32,890

actually finding life on Mars I'm sorry

740

00:32:37,320 --> 00:32:34,660

I'm certainly a whole bunch yeah I meant

741

00:32:40,950 --> 00:32:37,330

to say signs of former life on Mars what

742

00:32:42,240 --> 00:32:40,960

I meant to say yeah yeah sure oh there

743

00:32:44,520 --> 00:32:42,250

could be life there too

744

00:32:47,010 --> 00:32:44,530

well we know where a bunch is a bunch of

745

00:32:48,960 --> 00:32:47,020

canyons of water there and so where'd it

746

00:32:51,120 --> 00:32:48,970

go so there was a huge change of state

747

00:32:53,730 --> 00:32:51,130

from a visible flowing you know from

748

00:32:56,730 --> 00:32:53,740

flowing water to its current dry state

749

00:33:02,160 --> 00:32:56,740

so I went through so big I'll just be a

750

00:33:04,200 --> 00:33:02,170

few seconds here done yeah yeah so Mars

751

00:33:06,120 --> 00:33:04,210

a very friendly place and in terms of

752

00:33:08,670 --> 00:33:06,130

terraforming and introducing life to it

753

00:33:10,080 --> 00:33:08,680

I think that's very possible to it's

754

00:33:13,740 --> 00:33:10,090

very powerful there was the possibility

755

00:33:16,980 --> 00:33:13,750

in life so I think most scientists think

756

00:33:17,760 --> 00:33:16,990

it had a big change of state yeah you

757

00:33:20,570 --> 00:33:17,770

know a big change

758

00:33:23,250 --> 00:33:20,580

date from back then to what it is today

759

00:33:25,380 --> 00:33:23,260

it could have been that place the

760

00:33:27,600 --> 00:33:25,390

magnetosphere probably or that could

761

00:33:29,190 --> 00:33:27,610

have been perfect yes oh yeah and of

762

00:33:31,830 --> 00:33:29,200

course life life helps to make an

763

00:33:34,530 --> 00:33:31,840

atmosphere is very real atmosphere but

764

00:33:38,190 --> 00:33:34,540

life helps to make an atmosphere I think

765

00:33:40,350 --> 00:33:38,200

I think Mars a very living place even if

766

00:33:42,360 --> 00:33:40,360

it is not life there now I could support

767

00:33:45,420 --> 00:33:42,370

and we terraformed in which you got a

768

00:33:46,830 --> 00:33:45,430

you have to it's got to be ethical you

769

00:33:49,440 --> 00:33:46,840

can't tear form something if it's

770

00:33:52,860 --> 00:33:49,450

another life already there you have to

771

00:33:55,440 --> 00:33:52,870

respect the other culture well I think I

772

00:33:57,960 --> 00:33:55,450

better run okay all right well it's been

773

00:34:00,320 --> 00:33:57,970

it's been great thank you so much okay

774

00:34:03,450 --> 00:34:00,330

Merton I've really enjoyed it a lot

775

00:34:06,780 --> 00:34:03,460

thanks a lot I hope thanks for bringing

776

00:34:09,030 --> 00:34:06,790

me tea listeners you bet okay very good

777

00:34:12,600 --> 00:34:09,040

okay all right I'll talk to you later

778

00:34:14,760 --> 00:34:12,610

good night good night so that's it for

779

00:34:17,610 --> 00:34:14,770

this guest in what's going to happen now

780

00:34:19,560 --> 00:34:17,620

is because we had to do things a little

781

00:34:21,120 --> 00:34:19,570

different I'm gonna go ahead and play

782

00:34:23,639 --> 00:34:21,130

the news now it's gonna sound a little

783

00:34:25,380 --> 00:34:23,649

funny because I think well the news is

784

00:34:27,750 --> 00:34:25,390

definitely pre-recorded but I think in

785

00:34:29,760 --> 00:34:27,760

that I say something about story

786

00:34:32,490 --> 00:34:29,770

Musgrave coming up at the end so just

787

00:34:35,389 --> 00:34:32,500

ignore that who is coming up after the

788

00:34:38,460 --> 00:34:35,399

music break instead of story Musgrave is

789

00:34:40,649 --> 00:34:38,470

Australia's Peter Slattery and he is

790

00:34:43,530 --> 00:34:40,659

coming up right after this and right now

791

00:34:46,110 --> 00:34:43,540

I'm going to play the news and it hits

792

00:34:47,310 --> 00:34:46,120

me oh my gosh this is that triangle you

793

00:34:48,659 --> 00:34:47,320

know there's explanation for everything

794

00:34:51,630 --> 00:34:48,669

that occurred in the Rendlesham forest

795

00:34:53,639 --> 00:34:51,640

incident you know what that's pretty

796

00:34:57,150 --> 00:34:53,649

funny that was the wrong one here is the

797

00:35:00,120 --> 00:34:57,160

news that I bear with me a lot of people

798

00:35:02,640 --> 00:35:00,130

here we go and I can't really think of

799

00:35:06,450 --> 00:35:02,650

much more to say than introduce you

800

00:35:10,560 --> 00:35:06,460

Alejandro how are you I am muy bueno

801
00:35:13,910 --> 00:35:10,570
that is Spanish for very good thank you

802
00:35:16,110 --> 00:35:13,920
for the Spanish lesson men mm-hm yeah so

803
00:35:18,960 --> 00:35:16,120
you know story right you've met him

804
00:35:20,550 --> 00:35:18,970
before I have met story Musgrave and it

805
00:35:22,290 --> 00:35:20,560
was a lot of fun cuz he's a really

806
00:35:25,770 --> 00:35:22,300
interesting guy he spoke at a MUFON a

807
00:35:28,380 --> 00:35:25,780
few years ago in in California I'm a

808
00:35:30,120 --> 00:35:28,390
huge fan of NASA I know conspiracy

809
00:35:33,240 --> 00:35:30,130
people like to hate on him

810
00:35:35,910 --> 00:35:33,250
I really like you know space and space

811
00:35:38,160 --> 00:35:35,920
exploration so I find him terribly

812
00:35:39,570 --> 00:35:38,170
fascinating yeah interesting guy and

813
00:35:41,970 --> 00:35:39,580

there was a there's something Seth

814

00:35:43,710 --> 00:35:41,980

Shostak said to me a while back I'm

815

00:35:46,080 --> 00:35:43,720

gonna ask him so what do we have going

816

00:35:49,920 --> 00:35:46,090

on for the news this week yeah lots of

817

00:35:52,890 --> 00:35:49,930

cool stuff so Dan Akroyd about a week or

818

00:35:55,470 --> 00:35:52,900

so was on The Huffington Post show they

819

00:35:56,730 --> 00:35:55,480

call it the HuffPo show and some of you

820

00:35:59,250 --> 00:35:56,740

may be aware that there's this thing

821

00:36:01,820 --> 00:35:59,260

called HuffPost live where 24/7 they're

822

00:36:04,950 --> 00:36:01,830

streaming news and they have this studio

823

00:36:06,810 --> 00:36:04,960

I've been there a few times to visit my

824

00:36:08,820 --> 00:36:06,820

buddy Lee Spiegel and you could see I've

825

00:36:11,280 --> 00:36:08,830

been on the show actually and it's

826

00:36:13,350 --> 00:36:11,290

really cool but now instead of just

827

00:36:16,320 --> 00:36:13,360

these kind of live news pieces kind of

828

00:36:19,440 --> 00:36:16,330

CNN ish but it's also you know very

829

00:36:22,620 --> 00:36:19,450

casual more casual more millennial

830

00:36:24,960 --> 00:36:22,630

hipster kind of style news but now they

831

00:36:27,420 --> 00:36:24,970

have a show that they do and they it was

832

00:36:29,190 --> 00:36:27,430

only their third episode it airs every

833

00:36:32,040 --> 00:36:29,200

Friday and they had dan Aykroyd on it

834

00:36:34,140 --> 00:36:32,050

and the host said hey you know I I told

835

00:36:36,180 --> 00:36:34,150

myself I'd do this if you ever got to

836

00:36:38,580 --> 00:36:36,190

talk to you you believe in UFOs right

837

00:36:40,530 --> 00:36:38,590

and Dan Aykroyd kind of pause for a sec

838

00:36:42,840 --> 00:36:40,540

there were some chuckles coming from the

839

00:36:46,350 --> 00:36:42,850

crowd or I think it's just some people

840

00:36:47,970 --> 00:36:46,360

who are hanging out there and so he kind

841

00:36:50,880 --> 00:36:47,980

of paused then he went right into it

842

00:36:53,130 --> 00:36:50,890

because Dan Aykroyd's way until UFOs and

843

00:36:54,720 --> 00:36:53,140

he loves talking about it so he starts

844

00:36:56,220 --> 00:36:54,730

talking about it he starts talking about

845

00:36:58,740 --> 00:36:56,230

how the Air Force knows about this

846

00:37:00,690 --> 00:36:58,750

there's a conspiracy but essentially

847

00:37:02,250 --> 00:37:00,700

saying that you know the Air Force even

848

00:37:03,870 --> 00:37:02,260

though they're not telling us they know

849

00:37:05,790 --> 00:37:03,880

what Kent how can they tell us that

850

00:37:07,470 --> 00:37:05,800

there's aliens here or that you know

851
00:37:09,390 --> 00:37:07,480
they don't know what's going on and and

852
00:37:11,370 --> 00:37:09,400
he's like I don't think they know much

853
00:37:13,950 --> 00:37:11,380
more than anybody really knows but it's

854
00:37:15,450 --> 00:37:13,960
and then they ask them about his own

855
00:37:19,560 --> 00:37:15,460
sightings and he talked about how he's

856
00:37:22,320 --> 00:37:19,570
had a few sightings that he said they

857
00:37:25,140 --> 00:37:22,330
were definitely aerial constructs of

858
00:37:27,780 --> 00:37:25,150
sometimes kind and then he gave a little

859
00:37:30,360 --> 00:37:27,790
more detail about - that he saw in

860
00:37:32,340 --> 00:37:30,370
Martha's Vineyard with a couple of

861
00:37:35,610 --> 00:37:32,350
friends of his - flying side-by-side

862
00:37:38,220 --> 00:37:35,620
that kind of zoomed by going very

863
00:37:40,880 --> 00:37:38,230

quickly so really interesting really

864

00:37:43,390 --> 00:37:40,890

cool because he just went straight into

865

00:37:46,549 --> 00:37:43,400

and I started talking about it and

866

00:37:48,620 --> 00:37:46,559

pretty cool yep now I actually saw

867

00:37:51,410 --> 00:37:48,630

somewhere online a picture of you

868

00:37:53,660 --> 00:37:51,420

interviewing him at one time yeah I did

869

00:37:56,660 --> 00:37:53,670

yep locally he came here he's got a

870

00:37:58,609 --> 00:37:56,670

vodka coke Crystal Skull vodka that is

871

00:38:00,710 --> 00:37:58,619

based off of the crystal skulls you know

872

00:38:04,910 --> 00:38:00,720

the legend of those those skulls and

873

00:38:07,160 --> 00:38:04,920

everything so we were able to get in

874

00:38:10,009 --> 00:38:07,170

there as press and do a short interview

875

00:38:12,529 --> 00:38:10,019

with him and he was really excited to

876

00:38:14,809 --> 00:38:12,539

talk about it at the time but Hopkins

877

00:38:16,460 --> 00:38:14,819

had just passed away he was aware of

878

00:38:19,099 --> 00:38:16,470

that and he mentioned how sad he was

879

00:38:22,220 --> 00:38:19,109

about Budd Hopkins just to show you he

880

00:38:24,620 --> 00:38:22,230

stays up-to-date on like the day by

881

00:38:27,579 --> 00:38:24,630

midday news when it comes to UFOs pretty

882

00:38:31,249 --> 00:38:27,589

cool yeah you know his neighbor actually

883

00:38:34,970 --> 00:38:31,259

listens to the show to my show and

884

00:38:37,789 --> 00:38:34,980

really yep and he actually put an

885

00:38:39,319 --> 00:38:37,799

envelope gave an envelope to his

886

00:38:41,450 --> 00:38:39,329

assistant try and get him on my show

887

00:38:44,059 --> 00:38:41,460

from you which was very nice that is

888

00:38:47,870 --> 00:38:44,069

very nice that's awesome but of course

889

00:38:49,519 --> 00:38:47,880

he's not been on the show so yeah well

890

00:38:52,009 --> 00:38:49,529

good luck yeah we've tried to get him at

891

00:38:54,979 --> 00:38:52,019

the conference and his publicist just

892

00:38:58,130 --> 00:38:54,989

wants too much money for us to afford

893

00:39:01,729 --> 00:38:58,140

but hopefully one day you know he'll

894

00:39:05,059 --> 00:39:01,739

he'll kind of come in and you know with

895

00:39:07,519 --> 00:39:05,069

MUFON I when I was a director with MUFON

896

00:39:09,589 --> 00:39:07,529

I never got the chance to do this but he

897

00:39:12,170 --> 00:39:09,599

has dinner with the board once in awhile

898

00:39:14,420 --> 00:39:12,180

because he really likes move on yeah

899

00:39:16,789 --> 00:39:14,430

really cool they had it standing kind of

900

00:39:20,690 --> 00:39:16,799

yearly thing I know for a period of time

901
00:39:22,999 --> 00:39:20,700
Wow yeah but you know the day I get dan

902
00:39:24,650 --> 00:39:23,009
Aykroyd on it's probably gonna be my

903
00:39:26,870 --> 00:39:24,660
last show I'll probably yeah well you

904
00:39:28,880 --> 00:39:26,880
can't get better than this and the whole

905
00:39:30,970 --> 00:39:28,890
Costanza and leave on the high note

906
00:39:33,890 --> 00:39:30,980
alright I'm out of here

907
00:39:35,930 --> 00:39:33,900
well I better not say that because my

908
00:39:38,329 --> 00:39:35,940
supporters and listeners will just plain

909
00:39:40,430 --> 00:39:38,339
go away they ever here yeah he's gonna

910
00:39:43,819 --> 00:39:40,440
be on the show so I take that back

911
00:39:44,299 --> 00:39:43,829
I take that back anyway so what else is

912
00:39:46,940 --> 00:39:44,309
happening

913
00:39:50,690 --> 00:39:46,950

well another celebrity and this is kind

914

00:39:53,770 --> 00:39:50,700

of like the our big UFO alien celebrity

915

00:39:58,330 --> 00:39:53,780

talked about UFOs this week and that is

916

00:39:59,920 --> 00:39:58,340

is he beloved Giorgio tsoukalos so of

917

00:40:03,370 --> 00:39:59,930

course he's famous and what was funny is

918

00:40:05,020 --> 00:40:03,380

this he did a read it a reddit AMA were

919

00:40:06,880 --> 00:40:05,030

you asking anything kind of thing where

920

00:40:09,670 --> 00:40:06,890

people can chat with him and ask him

921

00:40:13,660 --> 00:40:09,680

questions and this website called what's

922

00:40:15,400 --> 00:40:13,670

culture did kind of the top ten what

923

00:40:18,550 --> 00:40:15,410

they felt was a pieces of information

924

00:40:20,350 --> 00:40:18,560

that came out of that whole thing and

925

00:40:22,360 --> 00:40:20,360

it's funny because they talked about how

926

00:40:24,840 --> 00:40:22,370

nobody knows this guy's name all they

927

00:40:28,420 --> 00:40:24,850

know is his photo and the alien stuff

928

00:40:30,310 --> 00:40:28,430

because he's so super famous with his

929

00:40:32,980 --> 00:40:30,320

photo with his hair standing up and

930

00:40:35,110 --> 00:40:32,990

everything in particular one that say it

931

00:40:37,930 --> 00:40:35,120

that says I'm not saying it was aliens

932

00:40:39,940 --> 00:40:37,940

but it was ailing with aliens you know

933

00:40:41,440 --> 00:40:39,950

all of these memes I've got tons of them

934

00:40:43,960 --> 00:40:41,450

in this story because it was just too

935

00:40:46,810 --> 00:40:43,970

fun but one of the things they asked him

936

00:40:48,580 --> 00:40:46,820

about was his if he had his own UFO

937

00:40:51,490 --> 00:40:48,590

sighting and what's interesting I think

938

00:40:53,740 --> 00:40:51,500

is that he only just recently had it at

939

00:40:57,010 --> 00:40:53,750

the last contact in the desert

940

00:40:59,530 --> 00:40:57,020

conference in in 2014 he said he was

941

00:41:01,630 --> 00:40:59,540

with 26 other people that they were out

942

00:41:04,060 --> 00:41:01,640

there doing a night sky watch with some

943

00:41:06,880 --> 00:41:04,070

night-vision goggles and at about

944

00:41:09,220 --> 00:41:06,890

midnight they saw what they thought were

945

00:41:11,080 --> 00:41:09,230

stars inside the Big Dipper which he

946

00:41:14,170 --> 00:41:11,090

said didn't believe there and after a

947

00:41:16,480 --> 00:41:14,180

while they began to move off into space

948

00:41:18,640 --> 00:41:16,490

or something so that's how he described

949

00:41:21,400 --> 00:41:18,650

it so kind of cool that it's just recent

950

00:41:23,560 --> 00:41:21,410

and he'll be a contact in the desert

951
00:41:25,600 --> 00:41:23,570
again this year and so will I all be

952
00:41:28,960 --> 00:41:25,610
talking out there oh maybe I'll see a

953
00:41:31,150 --> 00:41:28,970
UFO with him how about that yeah so kind

954
00:41:32,350 --> 00:41:31,160
of neat but otherwise it was kind of

955
00:41:34,030 --> 00:41:32,360
funny because of course they asked him

956
00:41:35,830 --> 00:41:34,040
about the hair and why he did it he's

957
00:41:39,040 --> 00:41:35,840
like I don't know it just happened and

958
00:41:41,020 --> 00:41:39,050
I've heard another story I think from

959
00:41:42,340 --> 00:41:41,030
him I can't remember where I heard it

960
00:41:44,170 --> 00:41:42,350
but he just kind of said he had a bad

961
00:41:46,480 --> 00:41:44,180
hair day excited to go with some crazy

962
00:41:49,240 --> 00:41:46,490
hair and and people loved it so he's

963
00:41:53,290 --> 00:41:49,250

stuck with that but you didn't say it

964

00:41:56,290 --> 00:41:53,300

was aliens no well he did said my hair

965

00:41:58,300 --> 00:41:56,300

was abducted by aliens and then he went

966

00:42:00,720 --> 00:41:58,310

on to gave that the other answer that it

967

00:42:04,810 --> 00:42:00,730

just happened and what else is going on

968

00:42:08,050 --> 00:42:04,820

a couple of sightings too

969

00:42:09,700 --> 00:42:08,060

debunk sorry guys but there have been a

970

00:42:12,460 --> 00:42:09,710

couple sightings out there and you know

971

00:42:14,860 --> 00:42:12,470

I I love sightings when you can't debunk

972

00:42:16,540 --> 00:42:14,870

that's the most fun of course that's the

973

00:42:18,280 --> 00:42:16,550

most interesting and what inspires me to

974

00:42:19,750 --> 00:42:18,290

stay in this field but there are some

975

00:42:21,310 --> 00:42:19,760

bigger sightings and it seems like we

976

00:42:24,700 --> 00:42:21,320

know what what's going on here there was

977

00:42:27,520 --> 00:42:24,710

a UFO video that's been circling quite a

978

00:42:29,740 --> 00:42:27,530

bit of a UFO near this Chile volcanic

979

00:42:32,200 --> 00:42:29,750

all right shin yeah yeah

980

00:42:33,850 --> 00:42:32,210

Jason wrote this story my colleague

981

00:42:35,890 --> 00:42:33,860

Jason McClellan and he did a great job

982

00:42:38,470 --> 00:42:35,900

because he went through all of the news

983

00:42:40,690 --> 00:42:38,480

and he was able to find this news where

984

00:42:43,240 --> 00:42:40,700

there's a pilot who is flying around

985

00:42:45,010 --> 00:42:43,250

there and he did some filming uh real

986

00:42:47,590 --> 00:42:45,020

close to the plumes and he's like well

987

00:42:48,550 --> 00:42:47,600

that was me that was in a UFO so he put

988

00:42:50,560 --> 00:42:48,560

that up there there were also

989

00:42:52,960 --> 00:42:50,570

helicopters flying around in the area

990

00:42:55,450 --> 00:42:52,970

and there's video from those helicopters

991

00:42:58,210 --> 00:42:55,460

out on the internet so it looks like it

992

00:42:59,680 --> 00:42:58,220

was this aircraft now Lee Spiegel wrote

993

00:43:02,260 --> 00:42:59,690

about this and he interviewed Mark

994

00:43:04,210 --> 00:43:02,270

Dantonio and Mark Phil's that it's a

995

00:43:07,090 --> 00:43:04,220

drone he doesn't think it is a plane so

996

00:43:09,790 --> 00:43:07,100

I talked to mark about that and we had

997

00:43:12,190 --> 00:43:09,800

some back and forth and and Mark says he

998

00:43:14,320 --> 00:43:12,200

thinks that perhaps it wasn't the pilot

999

00:43:16,120 --> 00:43:14,330

that the pilot was probably up there but

1000

00:43:17,950 --> 00:43:16,130

that he doesn't think it looks like a

1001
00:43:19,600 --> 00:43:17,960
plane so it could have been a drone now

1002
00:43:21,670 --> 00:43:19,610
nobody said they were flying drones

1003
00:43:23,470 --> 00:43:21,680
about around it there's no evidence that

1004
00:43:25,060 --> 00:43:23,480
there was although that's entirely

1005
00:43:27,850 --> 00:43:25,070
possible because people are filming

1006
00:43:29,110 --> 00:43:27,860
everything with drums these days so it

1007
00:43:31,660 --> 00:43:29,120
was most likely one of those

1008
00:43:38,470 --> 00:43:31,670
explanations yeah but what would Giorgio

1009
00:43:45,090 --> 00:43:38,480
say it was alien aliens aliens and the

1010
00:43:48,070 --> 00:43:45,100
last story is also a ufos buzzed the

1011
00:43:51,850 --> 00:43:48,080
bronx no this was not a hoax whatsoever

1012
00:43:54,700 --> 00:43:51,860
okay it's very interesting and this is a

1013
00:43:56,740 --> 00:43:54,710

most likely case so it seems like when

1014

00:44:00,640 --> 00:43:56,750

you read their story throughout the day

1015

00:44:02,590 --> 00:44:00,650

in the Bronx in particular a an area

1016

00:44:04,180 --> 00:44:02,600

called Hunts Point there were some

1017

00:44:06,760 --> 00:44:04,190

reports coming in that there was some

1018

00:44:09,300 --> 00:44:06,770

UFO activity so people are reporting

1019

00:44:12,790 --> 00:44:09,310

UFOs this is kind of cool though because

1020

00:44:15,430 --> 00:44:12,800

the website Inquisitor had found this

1021

00:44:17,319 --> 00:44:15,440

somehow a New York Times reporter I

1022

00:44:18,699 --> 00:44:17,329

guess looked into it

1023

00:44:21,609 --> 00:44:18,709

and I don't think they wrote a story

1024

00:44:24,249 --> 00:44:21,619

about it but he tweeted that he called

1025

00:44:26,019 --> 00:44:24,259

the police and to ask them hey I heard

1026

00:44:28,120 --> 00:44:26,029

you're getting a lot of UFO reports and

1027

00:44:29,229 --> 00:44:28,130

they said don't ask us about it or we're

1028

00:44:32,199 --> 00:44:29,239

gonna hang up on you

1029

00:44:34,029 --> 00:44:32,209

I said called NYPD they said if I asked

1030

00:44:36,569 --> 00:44:34,039

about it you'll hear a dial tone

1031

00:44:39,370 --> 00:44:36,579

quote-unquote on the last section so

1032

00:44:41,410 --> 00:44:39,380

funny he then tweeted later protip then

1033

00:44:42,910 --> 00:44:41,420

why APD Public Affairs Office really

1034

00:44:45,849 --> 00:44:42,920

does not like it when you call on a

1035

00:44:48,969 --> 00:44:45,859

Saturday night to ask about UFOs in the

1036

00:44:51,339 --> 00:44:48,979

Bronx so he was not treated well

1037

00:44:53,049 --> 00:44:51,349

the New York Post however has written a

1038

00:44:57,279 --> 00:44:53,059

couple stories of it now they're kind of

1039

00:44:59,199 --> 00:44:57,289

a a new they kind of do like a lot of

1040

00:45:02,019 --> 00:44:59,209

the new sites do where they're really

1041

00:45:03,900 --> 00:45:02,029

tongue-in-cheek they're almost like if

1042

00:45:06,519 --> 00:45:03,910

you have a Village Voice type of thing

1043

00:45:08,949 --> 00:45:06,529

the New Times is what we have out here

1044

00:45:11,499 --> 00:45:08,959

whether they're jokey and their stories

1045

00:45:13,269 --> 00:45:11,509

are really silly so they do a lot of

1046

00:45:16,089 --> 00:45:13,279

that kind of thing in their stories but

1047

00:45:18,249 --> 00:45:16,099

they did interview some witnesses one of

1048

00:45:20,019 --> 00:45:18,259

those witnesses said he saw these two

1049

00:45:23,140 --> 00:45:20,029

things streaking across the sky

1050

00:45:25,569 --> 00:45:23,150

he put his phone out the window of his

1051

00:45:27,969 --> 00:45:25,579

car cuz he was driving and snapped like

1052

00:45:30,969 --> 00:45:27,979

crazy and he thinks he got a picture of

1053

00:45:32,380 --> 00:45:30,979

a UFO it looks like the picture is

1054

00:45:35,709 --> 00:45:32,390

actually the lens flare because he

1055

00:45:37,959 --> 00:45:35,719

started directly into the Sun so I don't

1056

00:45:41,410 --> 00:45:37,969

think he absolutely captured what he saw

1057

00:45:43,749 --> 00:45:41,420

streaking across the sky but people saw

1058

00:45:46,900 --> 00:45:43,759

streaks all throughout the night but

1059

00:45:48,819 --> 00:45:46,910

they asked MUFON New York what they

1060

00:45:51,239 --> 00:45:48,829

thought about it and move on said I

1061

00:45:54,309 --> 00:45:51,249

think it's the Lyrids a meteor shower

1062

00:45:56,709 --> 00:45:54,319

and they're probably right just because

1063

00:45:58,839 --> 00:45:56,719

these were all little lights streaking

1064

00:46:02,650 --> 00:45:58,849

across the sky every definite every

1065

00:46:06,160 --> 00:46:02,660

person kind of described it similarly so

1066

00:46:08,380 --> 00:46:06,170

and actually on Sunday night there was

1067

00:46:10,269 --> 00:46:08,390

in Northern Ireland one of these things

1068

00:46:12,489 --> 00:46:10,279

was videotaped and I've got that in the

1069

00:46:15,130 --> 00:46:12,499

story where you see kind of this massive

1070

00:46:18,039 --> 00:46:15,140

meteorite light up pretty cool and that

1071

00:46:19,539 --> 00:46:18,049

was a big story out in Ireland they also

1072

00:46:22,259 --> 00:46:19,549

interviewed for this story

1073

00:46:26,709 --> 00:46:22,269

Ryan sprog and guess what he said it was

1074

00:46:28,800 --> 00:46:26,719

an alien he did Georgio proud

1075

00:46:31,230 --> 00:46:28,810

he said no he

1076

00:46:32,550 --> 00:46:31,240

he'd said that it could be many

1077

00:46:34,460 --> 00:46:32,560

different things it could even be a

1078

00:46:37,980 --> 00:46:34,470

plane because this is near LaGuardia

1079

00:46:39,780 --> 00:46:37,990

Airport but he said just because it's

1080

00:46:42,360 --> 00:46:39,790

near the airport you know we can't

1081

00:46:46,980 --> 00:46:42,370

disregard all UFO sightings because some

1082

00:46:48,810 --> 00:46:46,990

of them could be aliens but kind of cool

1083

00:46:50,460 --> 00:46:48,820

Ryan got interviewed in there and I

1084

00:46:52,560 --> 00:46:50,470

guess it was in the print article

1085

00:46:56,820 --> 00:46:52,570

because I think I saw him post on

1086

00:46:59,430 --> 00:46:56,830

Facebook and I posted his pic to his

1087

00:47:03,360 --> 00:46:59,440

headshot from his website where he's

1088

00:47:06,060 --> 00:47:03,370

looking very dashing so that's in the

1089

00:47:08,430 --> 00:47:06,070

story as well so these are some big

1090

00:47:10,380 --> 00:47:08,440

stories you're going to hear about seems

1091

00:47:13,830 --> 00:47:10,390

like there's explanations for these

1092

00:47:16,350 --> 00:47:13,840

sightings however as Martin and I know

1093

00:47:21,240 --> 00:47:16,360

there are men T of sightings out there

1094

00:47:22,590 --> 00:47:21,250

for which there are no easy answers yeah

1095

00:47:25,170 --> 00:47:22,600

we'll see you next week

1096

00:47:26,940 --> 00:47:25,180

Alejandro all right thank you so much

1097

00:47:29,040 --> 00:47:26,950

for having me on again and we'll talk to

1098

00:47:30,870 --> 00:47:29,050

you next week so hang in everyone we'll

1099

00:48:38,160 --> 00:47:30,880

be right back with story Musgrave right

1100

00:48:43,420 --> 00:48:40,950

okay that tune was by Carrie Lloyd

1101
00:48:45,640 --> 00:48:43,430
Whitehouse and if you're listening live

1102
00:48:49,360 --> 00:48:45,650
you can jump over to our chat room at

1103
00:48:51,460 --> 00:48:49,370
podcast UFO calm and it is not story

1104
00:48:54,430 --> 00:48:51,470
Musgrave coming up we just spoke with

1105
00:48:58,330 --> 00:48:54,440
him that was pre-recorded news and who

1106
00:49:00,030 --> 00:48:58,340
is on the other end is Peter Slatterly

1107
00:49:03,720 --> 00:49:00,040
how you doing Peter

1108
00:49:06,340 --> 00:49:03,730
Goodman and hey gown very good and your

1109
00:49:08,310 --> 00:49:06,350
your your your somehow doing tronic

1110
00:49:10,480 --> 00:49:08,320
time-travel you're in tomorrow it's a

1111
00:49:12,310 --> 00:49:10,490
we're here and Wednesday and your

1112
00:49:16,960 --> 00:49:12,320
Thursday morning or something right

1113
00:49:18,490 --> 00:49:16,970

yeah 10:50 I am on Thursday and yeah

1114

00:49:22,060 --> 00:49:18,500

your Wednesday they say yeah you're

1115

00:49:25,360 --> 00:49:22,070

talking to the future yeah thank you for

1116

00:49:27,160 --> 00:49:25,370

joining joining us and you know you were

1117

00:49:30,220 --> 00:49:27,170

really kind to come on like last minute

1118

00:49:33,010 --> 00:49:30,230

I found out that story Musgrave is a

1119

00:49:35,560 --> 00:49:33,020

very very busy guy and he didn't realize

1120

00:49:38,410 --> 00:49:35,570

that he was booked for two hours and I

1121

00:49:40,840 --> 00:49:38,420

feel like I was lucky enough to get as

1122

00:49:42,550 --> 00:49:40,850

much time as I did with him so I really

1123

00:49:47,200 --> 00:49:42,560

want to thank you for being able to just

1124

00:49:50,920 --> 00:49:47,210

say yes so quickly and and welcome back

1125

00:49:54,250 --> 00:49:50,930

you were on I think about two years ago

1126

00:49:55,870 --> 00:49:54,260

a year and a half ago right yeah of all

1127

00:50:00,730 --> 00:49:55,880

account remember when but it was a wall

1128

00:50:02,290 --> 00:50:00,740

ago yeah yeah and you have if you want

1129

00:50:04,210 --> 00:50:02,300

to if you would if you would just

1130

00:50:05,860 --> 00:50:04,220

refresh to the audience a lot of people

1131

00:50:07,690 --> 00:50:05,870

are new listeners and they don't know

1132

00:50:09,760 --> 00:50:07,700

your background if you could just kind

1133

00:50:12,130 --> 00:50:09,770

of give your background if you would and

1134

00:50:16,630 --> 00:50:12,140

how you got interested in the subject of

1135

00:50:18,760 --> 00:50:16,640

UFOs as you can hear on put the

1136

00:50:22,420 --> 00:50:18,770

Australian accent so I'm from Down Under

1137

00:50:25,270 --> 00:50:22,430

I grew up in all be which is situated or

1138

00:50:27,550 --> 00:50:25,280

all be were donger the Albury side is

1139

00:50:30,520 --> 00:50:27,560

New South Wales this is twin city or we

1140

00:50:32,980 --> 00:50:30,530

were dango it's a New South Wales side

1141

00:50:35,380 --> 00:50:32,990

next to Victoria sort of about three and

1142

00:50:36,760 --> 00:50:35,390

a half hours north east of Melbourne

1143

00:50:39,520 --> 00:50:36,770

which is where I'm actually living now

1144

00:50:42,460 --> 00:50:39,530

but always where I was born

1145

00:50:44,260 --> 00:50:42,470

went through school you know hate

1146

00:50:45,970 --> 00:50:44,270

cleaning jobs and stuff like that once I

1147

00:50:47,170 --> 00:50:45,980

left school but I was pursuing a music

1148

00:50:50,069 --> 00:50:47,180

career

1149

00:50:54,339 --> 00:50:50,079

eventually brought out 14 albums and

1150

00:50:58,089 --> 00:50:54,349

then sort of everything went crazy once

1151

00:51:00,970 --> 00:50:58,099

I moved up to Queensland and came back

1152

00:51:03,930 --> 00:51:00,980

to Aubrey basically I just didn't want

1153

00:51:06,549 --> 00:51:03,940

to continue on in the music arena and

1154

00:51:08,829 --> 00:51:06,559

this stills is shifting in just my

1155

00:51:11,520 --> 00:51:08,839

circumstances and everything and when I

1156

00:51:14,559 --> 00:51:11,530

moved back to Oliver I started to have

1157

00:51:16,510 --> 00:51:14,569

sightings of strange aerial phenomena

1158

00:51:18,960 --> 00:51:16,520

which I did have when I was younger and

1159

00:51:21,640 --> 00:51:18,970

I had some interactions with some weed

1160

00:51:24,160 --> 00:51:21,650

what I'll call bangs I didn't seem as

1161

00:51:25,650 --> 00:51:24,170

aliens I didn't seem as demons or angels

1162

00:51:27,640 --> 00:51:25,660

I didn't know what the hell I was

1163

00:51:31,120 --> 00:51:27,650

experiencing but then everything started

1164

00:51:34,630 --> 00:51:31,130

up in 2010 as I just said and before I

1165

00:51:36,339 --> 00:51:34,640

knew it it went on the news here in

1166

00:51:37,660 --> 00:51:36,349

Australia primetime news I thought it

1167

00:51:38,829 --> 00:51:37,670

was just gonna be shown in the local

1168

00:51:41,500 --> 00:51:38,839

area because I was just wondering what

1169

00:51:43,750 --> 00:51:41,510

the hell I was saying and lo and behold

1170

00:51:46,299 --> 00:51:43,760

I get contacted by actually somebody

1171

00:51:48,609 --> 00:51:46,309

that was in the military who actually

1172

00:51:50,109 --> 00:51:48,619

left the military few years beforehand

1173

00:51:52,000 --> 00:51:50,119

telling me that he'd seen me on the news

1174

00:51:53,950 --> 00:51:52,010

up and I think it was costs harbour

1175

00:51:57,069 --> 00:51:53,960

that's when I realized that this went

1176

00:52:00,039 --> 00:51:57,079

around the country and the sightings

1177

00:52:02,500 --> 00:52:00,049

didn't stop and the you know I started

1178

00:52:06,039 --> 00:52:02,510

to experience other weird things besides

1179

00:52:07,569 --> 00:52:06,049

shadow bangs and and weed what people

1180

00:52:09,099 --> 00:52:07,579

would call the greys but it wasn't if

1181

00:52:12,490 --> 00:52:09,109

these things were more about actually

1182

00:52:14,470 --> 00:52:12,500

white color and things just picked up

1183

00:52:16,569 --> 00:52:14,480

and today they continue I actually take

1184

00:52:18,460 --> 00:52:16,579

people out sky watching now of dis film

1185

00:52:21,280 --> 00:52:18,470

to craft the other day which I'm about

1186

00:52:22,839 --> 00:52:21,290

to put up soon next to the Sun for 10

1187

00:52:25,240 --> 00:52:22,849

minutes with witnesses in my backyard

1188

00:52:26,980 --> 00:52:25,250

here in the city where two and a half

1189

00:52:29,740 --> 00:52:26,990

million people live and I've actually

1190

00:52:32,710 --> 00:52:29,750

just moved here September last year to

1191

00:52:34,809 --> 00:52:32,720

be with my partner who's a psychic

1192

00:52:37,030 --> 00:52:34,819

medium and also an HT communication she

1193

00:52:39,130 --> 00:52:37,040

calls herself in terms of she speaks

1194

00:52:40,299 --> 00:52:39,140

Starlin which she's also been on

1195

00:52:42,309 --> 00:52:40,309

television and done different things

1196

00:52:44,670 --> 00:52:42,319

here but since I've moved to the city

1197

00:52:47,829 --> 00:52:44,680

I've actually started filming more

1198

00:52:50,440 --> 00:52:47,839

objects with witnesses some people I've

1199

00:52:52,150 --> 00:52:50,450

had pilots with me and I thought the

1200

00:52:53,710 --> 00:52:52,160

activity was gonna actually calm down

1201
00:52:57,309 --> 00:52:53,720
but is quite picked up which I'm

1202
00:53:00,170 --> 00:52:57,319
surprised of and a lot of things can be

1203
00:53:03,680 --> 00:53:00,180
seen at Peter Maxwell slattery calm

1204
00:53:05,420 --> 00:53:03,690
these lots safe for people to say that's

1205
00:53:07,579 --> 00:53:05,430
sort of just a quick over you know a

1206
00:53:12,470 --> 00:53:07,589
thumbnail sketch of Who I am and what's

1207
00:53:14,359 --> 00:53:12,480
going on yes by the way that website is

1208
00:53:16,970 --> 00:53:14,369
right in our show notes you can find

1209
00:53:18,530 --> 00:53:16,980
that and click right on that and there's

1210
00:53:20,660 --> 00:53:18,540
other information also in the show notes

1211
00:53:24,260 --> 00:53:20,670
that have the news we just went over and

1212
00:53:26,510 --> 00:53:24,270
all that so one of the things I

1213
00:53:28,790 --> 00:53:26,520

remembered the last conversation didn't

1214

00:53:30,380 --> 00:53:28,800

you say your brother had and you know

1215

00:53:32,540 --> 00:53:30,390

when you were younger was a new your

1216

00:53:38,030 --> 00:53:32,550

brother or our friend or something that

1217

00:53:40,190 --> 00:53:38,040

you had like a major encounter or there

1218

00:53:41,960 --> 00:53:40,200

was one of my brothers how do you count

1219

00:53:43,430 --> 00:53:41,970

as himself and it wasn't it was pretty

1220

00:53:45,380 --> 00:53:43,440

funny cuz not until a couple of years

1221

00:53:47,390 --> 00:53:45,390

ago did he say anything and this was

1222

00:53:48,950 --> 00:53:47,400

after I went public and everything which

1223

00:53:51,349 --> 00:53:48,960

I thought was a bit stupid looking back

1224

00:53:54,349 --> 00:53:51,359

now that you do what you do but I'm not

1225

00:53:56,990 --> 00:53:54,359

I'm not too worried now but what

1226
00:53:59,450 --> 00:53:57,000
happened was in 2010 I had a friend with

1227
00:54:01,280 --> 00:53:59,460
me for for deciding still sick starting

1228
00:54:03,980 --> 00:54:01,290
he's handed up having one himself

1229
00:54:07,370 --> 00:54:03,990
now he's blurred out in my second last

1230
00:54:09,710 --> 00:54:07,380
documentary documentary confirmation but

1231
00:54:11,359 --> 00:54:09,720
it was funny because we still in we

1232
00:54:13,460 --> 00:54:11,369
contact each other today and stay in

1233
00:54:17,180 --> 00:54:13,470
touch and he's actually had a major

1234
00:54:21,109 --> 00:54:17,190
sighting probably about a year ago and

1235
00:54:23,750 --> 00:54:21,119
he's he's skeptical but like and I like

1236
00:54:25,309 --> 00:54:23,760
skeptics because he himself can't

1237
00:54:27,530 --> 00:54:25,319
explain what he's seen with me and what

1238
00:54:29,420 --> 00:54:27,540

he's seen in the last year but I like

1239

00:54:31,130 --> 00:54:29,430

skeptics because they look at both sides

1240

00:54:33,020 --> 00:54:31,140

of the argument and the evidence no way

1241

00:54:34,819 --> 00:54:33,030

their conclusions on it now he said he's

1242

00:54:36,710 --> 00:54:34,829

not saying these are aliens or whatever

1243

00:54:38,660 --> 00:54:36,720

people want to call it but he's saying

1244

00:54:40,549 --> 00:54:38,670

least he's not a friggin satellite it's

1245

00:54:42,559 --> 00:54:40,559

not a plane it's not a helicopter he

1246

00:54:44,660 --> 00:54:42,569

doesn't know what it was and there's not

1247

00:54:46,280 --> 00:54:44,670

too much military activity around or

1248

00:54:48,349 --> 00:54:46,290

where you'd be looking at three hours at

1249

00:54:52,130 --> 00:54:48,359

least or two to three hours because

1250

00:54:53,660 --> 00:54:52,140

there is a re are based a but what they

1251

00:54:56,059 --> 00:54:53,670

do is to tanks to come back from

1252

00:54:59,210 --> 00:54:56,069

Afghanistan and Iraq they sort of bring

1253

00:55:01,250 --> 00:54:59,220

they strippin radioed electronics and

1254

00:55:04,849 --> 00:55:01,260

send it back at there's no you know Air

1255

00:55:06,920 --> 00:55:04,859

Force there's no nothing like that so

1256

00:55:08,960 --> 00:55:06,930

yeah one of my friends had witness a lot

1257

00:55:11,030 --> 00:55:08,970

of this stuff with me today I've got

1258

00:55:12,319 --> 00:55:11,040

over a hundred witnesses to a lot of

1259

00:55:13,410 --> 00:55:12,329

phenomena around me and a lot of these

1260

00:55:14,910 --> 00:55:13,420

you can hear them in the

1261

00:55:18,000 --> 00:55:14,920

some witness testimony in the

1262

00:55:20,100 --> 00:55:18,010

documentaries as well so you know people

1263

00:55:23,280 --> 00:55:20,110

have seen some of these stuff with me

1264

00:55:25,500 --> 00:55:23,290

and yeah you know I've got it running in

1265

00:55:25,890 --> 00:55:25,510

the family my dad who's a cop for 38

1266

00:55:27,900 --> 00:55:25,900

years

1267

00:55:30,390 --> 00:55:27,910

or was it cop he was a senior sergeant

1268

00:55:32,190 --> 00:55:30,400

retired now he started witnessing things

1269

00:55:34,560 --> 00:55:32,200

with me before I left Aubree as well and

1270

00:55:37,050 --> 00:55:34,570

Hades threw his hands up not knowing

1271

00:55:39,300 --> 00:55:37,060

what he was seeing either because I said

1272

00:55:40,410 --> 00:55:39,310

to him you know I hope he sees it one

1273

00:55:43,350 --> 00:55:40,420

day and he ended up saying something

1274

00:55:45,510 --> 00:55:43,360

that that talking back and there was

1275

00:55:47,790 --> 00:55:45,520

high flying jets in the air at the time

1276

00:55:50,940 --> 00:55:47,800

that was estimate there usually fly

1277

00:55:52,320 --> 00:55:50,950

around 33,000 feet above wall Bri is he

1278

00:55:56,190 --> 00:55:52,330

going from Melbourne to Sydney or to

1279

00:55:57,870 --> 00:55:56,200

Canberra and these objects were you know

1280

00:55:59,820 --> 00:55:57,880

basically blinking in and out doing

1281

00:56:03,030 --> 00:55:59,830

different things in our lower than the

1282

00:56:05,700 --> 00:56:03,040

jet as well which my brother was there

1283

00:56:09,300 --> 00:56:05,710

with me so sort of a family event which

1284

00:56:12,720 --> 00:56:09,310

was good and before that what did he

1285

00:56:15,210 --> 00:56:12,730

think about your sightings did he did he

1286

00:56:17,910 --> 00:56:15,220

believe what you were saying or it was

1287

00:56:19,650 --> 00:56:17,920

just kind of a wake up for him well I'll

1288

00:56:21,120 --> 00:56:19,660

tell you something you know I don't know

1289

00:56:23,490 --> 00:56:21,130

if you've had Mary Rodwell on the show

1290

00:56:25,440 --> 00:56:23,500

she's very well known worldwide she's

1291

00:56:27,570 --> 00:56:25,450

won a BA Awards with her documentaries

1292

00:56:29,820 --> 00:56:27,580

and she's a hypnotherapist was nice with

1293

00:56:31,980 --> 00:56:29,830

Dolores Cannon and she's had over yeah I

1294

00:56:33,930 --> 00:56:31,990

think it's two or three thousand clients

1295

00:56:36,420 --> 00:56:33,940

now and I actually did a documentary for

1296

00:56:38,250 --> 00:56:36,430

recently and this is what ties in with

1297

00:56:40,830 --> 00:56:38,260

what my dad said is what mary says he's

1298

00:56:44,430 --> 00:56:40,840

still the best documentation or evidence

1299

00:56:45,930 --> 00:56:44,440

you can have that how people have really

1300

00:56:48,240 --> 00:56:45,940

had an experience a lot is how they

1301
00:56:51,150 --> 00:56:48,250
change their life now

1302
00:56:52,350 --> 00:56:51,160
I've been very vocal in Who I am and my

1303
00:56:54,330 --> 00:56:52,360
rap career

1304
00:56:56,370 --> 00:56:54,340
yes I used to smoke a bit at least and

1305
00:56:58,200 --> 00:56:56,380
drink a beer that whatever now I had a

1306
00:56:59,820 --> 00:56:58,210
doctor recently asked me when the dear

1307
00:57:01,380 --> 00:56:59,830
experiences start and I said eight and

1308
00:57:03,150 --> 00:57:01,390
he goes well it can't be drug-induced no

1309
00:57:05,520 --> 00:57:03,160
I said frickin I found Les Halles doing

1310
00:57:07,740 --> 00:57:05,530
this stuff at eight no way you know

1311
00:57:10,950 --> 00:57:07,750
because this is when stuff started but

1312
00:57:13,500 --> 00:57:10,960
my father he proofread my first three or

1313
00:57:18,510 --> 00:57:13,510

four books I've got seven books out

1314

00:57:20,490 --> 00:57:18,520

there and he he talked I talked about

1315

00:57:23,990 --> 00:57:20,500

these he basically tried to investigate

1316

00:57:25,950 --> 00:57:24,000

me as if he was doing a you know a

1317

00:57:28,290 --> 00:57:25,960

report for the

1318

00:57:31,200 --> 00:57:28,300

please you know he looked at everything

1319

00:57:34,410 --> 00:57:31,210

he tried to trick question me he tried

1320

00:57:35,970 --> 00:57:34,420

to ask me things the same way but you

1321

00:57:41,310 --> 00:57:35,980

know with different wording to see if I

1322

00:57:43,230 --> 00:57:41,320

would do whatever and you know he came

1323

00:57:46,349 --> 00:57:43,240

to the conclusion later on that you know

1324

00:57:49,620 --> 00:57:46,359

something's happened to me whether or

1325

00:57:50,910 --> 00:57:49,630

not it's real it's been real to me and I

1326
00:57:52,620 --> 00:57:50,920
then I could you know I could produce

1327
00:57:56,460 --> 00:57:52,630
some evidence and then when he saw

1328
00:57:58,170 --> 00:57:56,470
something with me he he believed

1329
00:57:59,700 --> 00:57:58,180
something's going on and that I'm saying

1330
00:58:01,560 --> 00:57:59,710
something I actually predicted when this

1331
00:58:03,780 --> 00:58:01,570
was going to happen when when we went

1332
00:58:05,400 --> 00:58:03,790
outside and I was telling him that this

1333
00:58:07,230 --> 00:58:05,410
was gonna happen now this isn't

1334
00:58:08,670 --> 00:58:07,240
summoning or anything but I got a voice

1335
00:58:10,620 --> 00:58:08,680
in my head telling me that something was

1336
00:58:13,200 --> 00:58:10,630
going to happen all the more of what I

1337
00:58:14,370 --> 00:58:13,210
call thought transferred some people

1338
00:58:15,810 --> 00:58:14,380

would call it telepathy but I would

1339

00:58:18,960 --> 00:58:15,820

rather call it thought transferred from

1340

00:58:21,630 --> 00:58:18,970

my understanding and from that point on

1341

00:58:22,980 --> 00:58:21,640

and with what also produced and other

1342

00:58:25,320 --> 00:58:22,990

people who have told him they've seen

1343

00:58:27,000 --> 00:58:25,330

with me lately he's inclined to still

1344

00:58:28,680 --> 00:58:27,010

think something's going on and now he's

1345

00:58:30,510 --> 00:58:28,690

had a bit of a taste of it he's you know

1346

00:58:33,930 --> 00:58:30,520

been taken aback by it but what exactly

1347

00:58:35,460 --> 00:58:33,940

still like a lot of people they need to

1348

00:58:37,320 --> 00:58:35,470

have the full-blown experience himself

1349

00:58:39,570 --> 00:58:37,330

or they just not gonna get it or else

1350

00:58:41,849 --> 00:58:39,580

you and I wouldn't be smoking and you

1351

00:58:44,460 --> 00:58:41,859

wouldn't be doing the shows Carmen Alice

1352

00:58:45,990 --> 00:58:44,470

wouldn't be doing it and you know this

1353

00:58:48,300 --> 00:58:46,000

is sort of the predicament we're in but

1354

00:58:52,380 --> 00:58:48,310

people think this is nuts-and-bolts and

1355

00:58:57,060 --> 00:58:52,390

a very small manyu part of this is nuts

1356

00:58:59,070 --> 00:58:57,070

and bolts a lot of this is you know I've

1357

00:59:01,950 --> 00:58:59,080

had experiences lately where I'm

1358

00:59:04,170 --> 00:59:01,960

starting they think a large majority of

1359

00:59:06,240 --> 00:59:04,180

my experiences are projected or third

1360

00:59:08,339 --> 00:59:06,250

eye experiences that seem as real as

1361

00:59:10,950 --> 00:59:08,349

this computer screen in front of me in

1362

00:59:12,810 --> 00:59:10,960

the microphone now but then again the

1363

00:59:13,770 --> 00:59:12,820

camera is capturing some of these stuff

1364

00:59:15,359 --> 00:59:13,780

and then you've got some of these

1365

00:59:17,550 --> 00:59:15,369

experiences where some people will see

1366

00:59:19,560 --> 00:59:17,560

the crafts and some people won't and yet

1367

00:59:21,180 --> 00:59:19,570

you can show them the video go on here's

1368

00:59:23,460 --> 00:59:21,190

the here's a crafting like what couldn't

1369

00:59:24,990 --> 00:59:23,470

I say that that's on so these are things

1370

00:59:26,970 --> 00:59:25,000

we're all questioning even though I've

1371

00:59:28,800 --> 00:59:26,980

got a communication a dialogue going on

1372

00:59:31,140 --> 00:59:28,810

with these things which are far beyond

1373

00:59:32,579 --> 00:59:31,150

even extraterrestrial it goes beyond

1374

00:59:34,710 --> 00:59:32,589

that and I'm starting to think now that

1375

00:59:38,310 --> 00:59:34,720

there's one dimension with different

1376

00:59:39,780 --> 00:59:38,320

vibrations in it rather than all these

1377

00:59:41,910 --> 00:59:39,790

different dimensions to people

1378

00:59:44,400 --> 00:59:41,920

talk about and these these enterprise in

1379

00:59:47,340 --> 00:59:44,410

between the vibrations but I can't prove

1380

00:59:49,550 --> 00:59:47,350

it's this is what more realities and it

1381

00:59:52,170 --> 00:59:49,560

is what it is

1382

00:59:53,460 --> 00:59:52,180

but what can you do with a lot of this

1383

00:59:56,220 --> 00:59:53,470

you know there's there's a lot of people

1384

00:59:59,160 --> 00:59:56,230

been investigating this for years they

1385

01:00:01,320 --> 00:59:59,170

haven't seen anything you know I myself

1386

01:00:03,690 --> 01:00:01,330

if I take people out to do the sky

1387

01:00:05,310 --> 01:00:03,700

watchers we're using satellite trackers

1388

01:00:06,900 --> 01:00:05,320

I'll use sat tracks one of the most

1389

01:00:08,100 --> 01:00:06,910

comprehensive ones you're still going to

1390

01:00:09,990 --> 01:00:08,110

have a few things but I'm not looking

1391

01:00:12,210 --> 01:00:10,000

for satellites I'm looking for stuff

1392

01:00:14,760 --> 01:00:12,220

that's coming down low this change in

1393

01:00:17,190 --> 01:00:14,770

direction I'm looking for the skeptics

1394

01:00:18,960 --> 01:00:17,200

are looking for because I want to show

1395

01:00:20,850 --> 01:00:18,970

people some crazy stuff and there's a

1396

01:00:22,140 --> 01:00:20,860

few videos up that you can see for

1397

01:00:24,780 --> 01:00:22,150

yourself or in the the latest

1398

01:00:28,020 --> 01:00:24,790

documentary they're revealing that I've

1399

01:00:29,730 --> 01:00:28,030

done you can see people's responses and

1400

01:00:32,730 --> 01:00:29,740

you can see some of the footage for

1401

01:00:34,380 --> 01:00:32,740

yourself but is there ever a changing

1402

01:00:38,490 --> 01:00:34,390

thing and I think we've got to admit

1403

01:00:40,050 --> 01:00:38,500

that we don't know everything all myself

1404

01:00:42,180 --> 01:00:40,060

even an experience to interacting with

1405

01:00:43,950 --> 01:00:42,190

what I'm interacting with I still

1406

01:00:45,810 --> 01:00:43,960

haven't got a clue what's going on and

1407

01:00:47,940 --> 01:00:45,820

this is where I think people need to

1408

01:00:50,660 --> 01:00:47,950

accept that I don't know what they don't

1409

01:00:53,610 --> 01:00:50,670

know you've got a take preconceived

1410

01:00:56,070 --> 01:00:53,620

ideas and preconceived notion out of the

1411

01:00:58,470 --> 01:00:56,080

mix I'm you know if you don't your

1412

01:01:00,180 --> 01:00:58,480

debugger either way you're trying to

1413

01:01:02,700 --> 01:01:00,190

debunk those that are trying to say full

1414

01:01:05,100 --> 01:01:02,710

of crap and all your debunking those

1415

01:01:07,380 --> 01:01:05,110

that are saying you know this is real so

1416

01:01:09,270 --> 01:01:07,390

you've got to have that balance I see I

1417

01:01:10,530 --> 01:01:09,280

agree I agree with that so we're right

1418

01:01:14,190 --> 01:01:10,540

at the top of the arrow we're gonna take

1419

01:01:55,229 --> 01:01:14,200

a quick break thank you for filling in

1420

01:02:02,679 --> 01:01:59,349

all right so we're on live with Peter

1421

01:02:03,789 --> 01:02:02,689

Slattery and from Australia and we're in

1422

01:02:06,219 --> 01:02:03,799

the second hour again if you're

1423

01:02:08,679 --> 01:02:06,229

listening Bob you can jump in our chat

1424

01:02:10,599 --> 01:02:08,689

room and pose a question and Peter we

1425

01:02:14,049 --> 01:02:10,609

have a question right off the bat

1426

01:02:16,329 --> 01:02:14,059

in our chat room and that is let's see

1427

01:02:21,789 --> 01:02:16,339

can you elaborate can you elaborate on

1428

01:02:23,709 --> 01:02:21,799

the thought transfers all right now if

1429

01:02:25,059 --> 01:02:23,719

we look at some of the stuff what

1430

01:02:26,769 --> 01:02:25,069

doesn't matter what you think of Richard

1431

01:02:28,539 --> 01:02:26,779

Hogan or whoever but you hear people

1432

01:02:31,269 --> 01:02:28,549

even like him and Carl Sagan talk about

1433

01:02:34,839 --> 01:02:31,279

the universal language is mathematics

1434

01:02:36,429 --> 01:02:34,849

and geometry and all that well maybe it

1435

01:02:38,319 --> 01:02:36,439

depends what realm you're in but

1436

01:02:40,839 --> 01:02:38,329

something that I could talk to somebody

1437

01:02:42,429 --> 01:02:40,849

from any culture any race or any plane

1438

01:02:45,069 --> 01:02:42,439

in any dimensional whatever you want to

1439

01:02:48,009 --> 01:02:45,079

call it is what I call thought transfer

1440

01:02:51,789 --> 01:02:48,019

and it's basically telepathy but if you

1441

01:02:54,219 --> 01:02:51,799

can connect minds you surpass what you

1442

01:02:56,439 --> 01:02:54,229

even need language for it's like

1443

01:02:59,829 --> 01:02:56,449

straightaway what I'm picturing my

1444

01:03:03,209 --> 01:02:59,839

emotions my thoughts and the information

1445

01:03:07,149 --> 01:03:03,219

pertaining to that is basically just

1446

01:03:08,799 --> 01:03:07,159

transferred through thought it's the

1447

01:03:10,599 --> 01:03:08,809

only way I can put it and this is how

1448

01:03:13,209 --> 01:03:10,609

the interactions have played out

1449

01:03:16,539 --> 01:03:13,219

I talked to of as you know I've got my

1450

01:03:18,159 --> 01:03:16,549

own showing after doing a few now like

1451

01:03:20,620 --> 01:03:18,169

I've done around a hundred shows but

1452

01:03:24,249 --> 01:03:20,630

I've been talking to a lot of people in

1453

01:03:26,559 --> 01:03:24,259

the school for four years now and it's a

1454

01:03:27,789 --> 01:03:26,569

very common thing and when I say you

1455

01:03:28,899 --> 01:03:27,799

know just thought transfer they're

1456

01:03:30,399 --> 01:03:28,909

they're sort of like well you know

1457

01:03:31,959 --> 01:03:30,409

that's a good way to interpret it

1458

01:03:33,579 --> 01:03:31,969

because a lot of these people whether

1459

01:03:35,799 --> 01:03:33,589

are their experiences all that is

1460

01:03:37,959 --> 01:03:35,809

skywatching and they're catching awesome

1461

01:03:40,329 --> 01:03:37,969

footage that one thing that's common is

1462

01:03:43,329 --> 01:03:40,339

the thought transfer they know when they

1463

01:03:45,129 --> 01:03:43,339

go out and it's a thought a good way to

1464

01:03:48,219 --> 01:03:45,139

describe and I've used this many times

1465

01:03:50,109 --> 01:03:48,229

is if you can imagine being at work and

1466

01:03:53,049 --> 01:03:50,119

you're working on a particular thing all

1467

01:03:55,120 --> 01:03:53,059

day and you just can't get this one

1468

01:03:58,180 --> 01:03:55,130

thing done no matter how hard

1469

01:04:00,010 --> 01:03:58,190

now you'll go home or you'll go and get

1470

01:04:02,260 --> 01:04:00,020

a feed or go and have a beer or see

1471

01:04:04,360 --> 01:04:02,270

whatever you do and all of a sudden the

1472

01:04:06,010 --> 01:04:04,370

idea to fix that problem

1473

01:04:09,460 --> 01:04:06,020

to solve that problem comes to you

1474

01:04:11,710 --> 01:04:09,470

instantaneously in a split second this

1475

01:04:14,020 --> 01:04:11,720

but how that thought comes to is how a

1476

01:04:15,610 --> 01:04:14,030

lot of the what I call thought transfer

1477

01:04:18,910 --> 01:04:15,620

and the information from the beings

1478

01:04:20,290 --> 01:04:18,920

whatever they are interact and this is

1479

01:04:22,120 --> 01:04:20,300

very common when I talk to a lot of

1480

01:04:23,380 --> 01:04:22,130

experiences go and that's that's how you

1481

01:04:25,660 --> 01:04:23,390

describe it that's how it's

1482

01:04:27,850 --> 01:04:25,670

instantaneous there's a knowingness to

1483

01:04:30,400 --> 01:04:27,860

it there's information is always up like

1484

01:04:31,870 --> 01:04:30,410

somebody's got a USB stick and either

1485

01:04:33,760 --> 01:04:31,880

they've rounded in your head and you've

1486

01:04:37,480 --> 01:04:33,770

downloaded the information or you do a

1487

01:04:40,000 --> 01:04:37,490

factly or it's just you know a little

1488

01:04:41,470 --> 01:04:40,010

message and you it might be i'm not

1489

01:04:42,880 --> 01:04:41,480

going outside and check on the car and

1490

01:04:45,250 --> 01:04:42,890

as you go and do that you look up at the

1491

01:04:47,170 --> 01:04:45,260

sky not even trying to lots of the time

1492

01:04:49,360 --> 01:04:47,180

for my understandings this is the beings

1493

01:04:51,790 --> 01:04:49,370

putting that thought into your mind to

1494

01:04:53,380 --> 01:04:51,800

do so and because in the human what I

1495

01:04:55,540 --> 01:04:53,390

call the human body computer and others

1496

01:04:58,840 --> 01:04:55,550

have been if calling it that can't

1497

01:05:00,850 --> 01:04:58,850

handle some of the real reality this is

1498

01:05:03,490 --> 01:05:00,860

how the thought transfer comes through

1499

01:05:05,620 --> 01:05:03,500

you perceive it as your own thought now

1500

01:05:07,990 --> 01:05:05,630

if you can break that barrier and it's

1501
01:05:09,460 --> 01:05:08,000
almost like the beans can push push you

1502
01:05:11,470 --> 01:05:09,470
to a point without they'll test you

1503
01:05:13,750 --> 01:05:11,480
every now and then and freak out your

1504
01:05:15,820 --> 01:05:13,760
reality a little bit then it becomes

1505
01:05:17,260 --> 01:05:15,830
more knowing of alright this isn't my

1506
01:05:18,970 --> 01:05:17,270
thought this is something else and you

1507
01:05:20,380 --> 01:05:18,980
can you can send that thought back and

1508
01:05:24,640 --> 01:05:20,390
you can actually get some type of

1509
01:05:26,470 --> 01:05:24,650
dialogue going on so this is what

1510
01:05:29,770 --> 01:05:26,480
thought thought transfer what I call

1511
01:05:31,960 --> 01:05:29,780
thought transfer is if I hope I'm

1512
01:05:35,580 --> 01:05:31,970
describing it in a way the people can

1513
01:05:38,980 --> 01:05:35,590

understand yes we have a chat room and

1514

01:05:40,390 --> 01:05:38,990

someone was thinking you meant ESP and

1515

01:05:43,060 --> 01:05:40,400

now he understands what you were saying

1516

01:05:47,470 --> 01:05:43,070

so you put it very well and you know I

1517

01:05:50,350 --> 01:05:47,480

have heard other people say a similar

1518

01:05:51,850 --> 01:05:50,360

thing you know and it's a lot of times

1519

01:05:56,380 --> 01:05:51,860

people that seem to have a lot of

1520

01:05:58,390 --> 01:05:56,390

sightings like yourself and I wouldn't

1521

01:05:59,770 --> 01:05:58,400

even want to guess how many sightings

1522

01:06:01,360 --> 01:05:59,780

you've had but a number of them and

1523

01:06:04,420 --> 01:06:01,370

you've had witnesses with a number of

1524

01:06:06,070 --> 01:06:04,430

them yeah it keeps getting more and more

1525

01:06:08,500 --> 01:06:06,080

and one of my good friends who's

1526

01:06:10,480 --> 01:06:08,510

speaking at the Perricone with me at DC

1527

01:06:12,849 --> 01:06:10,490

consumer here in Australia Damien not

1528

01:06:14,380 --> 01:06:12,859

now Damien not from my understanding

1529

01:06:16,000 --> 01:06:14,390

he's got the most footage in the world

1530

01:06:16,690 --> 01:06:16,010

at the moment he's based in Sydney

1531

01:06:18,430 --> 01:06:16,700

Australia

1532

01:06:20,230 --> 01:06:18,440

he's been on a lot of shows will be good

1533

01:06:21,370 --> 01:06:20,240

for you to talk to him because he

1534

01:06:22,720 --> 01:06:21,380

doesn't know what the hell is

1535

01:06:24,280 --> 01:06:22,730

interacting with and that's what I love

1536

01:06:27,370 --> 01:06:24,290

about him and we've had experiences

1537

01:06:29,320 --> 01:06:27,380

together he was in confirmation my

1538

01:06:34,090 --> 01:06:29,330

second documentary I think it was on my

1539

01:06:36,400 --> 01:06:34,100

third and he's a lot of these footage

1540

01:06:39,880 --> 01:06:36,410

has been authentic authentic a double

1541

01:06:41,590 --> 01:06:39,890

harmless on lots of people you know in

1542

01:06:43,480 --> 01:06:41,600

the military and police officers and

1543

01:06:46,960 --> 01:06:43,490

people from all walks of life of witness

1544

01:06:48,970 --> 01:06:46,970

of the sightings with him as well and

1545

01:06:50,380 --> 01:06:48,980

he's having a you know we're feeling

1546

01:06:52,060 --> 01:06:50,390

what I'm getting in Melbourne he's

1547

01:06:55,690 --> 01:06:52,070

getting in Sydney and we're talking

1548

01:06:57,400 --> 01:06:55,700

about this is very funny and you know he

1549

01:06:58,840 --> 01:06:57,410

seemed more honest that he just doesn't

1550

01:07:01,090 --> 01:06:58,850

know what's going on but what he does

1551

01:07:04,000 --> 01:07:01,100

get is what I call thought transfer he

1552

01:07:07,180 --> 01:07:04,010

will know when they go out and it's just

1553

01:07:09,460 --> 01:07:07,190

the way it is so it's something that's

1554

01:07:11,080 --> 01:07:09,470

you know happening and in Australia

1555

01:07:12,490 --> 01:07:11,090

there is lots going on but Damien not

1556

01:07:15,130 --> 01:07:12,500

seems to be somebody there's I've had

1557

01:07:18,160 --> 01:07:15,140

him on my show recently because I've got

1558

01:07:20,140 --> 01:07:18,170

a show as well and you know it's just

1559

01:07:21,550 --> 01:07:20,150

good that you know this stuff's getting

1560

01:07:23,140 --> 01:07:21,560

out is what people are saying in

1561

01:07:25,240 --> 01:07:23,150

Australian he's actually been on Jaime

1562

01:07:27,220 --> 01:07:25,250

massage so I think it's like once a week

1563

01:07:29,380 --> 01:07:27,230

or once a month or something he's on

1564

01:07:32,290 --> 01:07:29,390

there we sort of updates from Australia

1565

01:07:33,820 --> 01:07:32,300

but you know it's not just myself you

1566

01:07:35,290 --> 01:07:33,830

know I'm talking to people all around

1567

01:07:38,980 --> 01:07:35,300

the country and actually around the

1568

01:07:40,660 --> 01:07:38,990

world my emails would be you know about

1569

01:07:42,760 --> 01:07:40,670

equal what I get from Australia in the

1570

01:07:44,680 --> 01:07:42,770

UK and America I get emails from all

1571

01:07:46,510 --> 01:07:44,690

around the world every day and you know

1572

01:07:49,150 --> 01:07:46,520

there's lots going on now I'm not

1573

01:07:51,490 --> 01:07:49,160

inclined to believe everyone I'm still

1574

01:07:53,020 --> 01:07:51,500

skeptical myself and I want you know

1575

01:07:54,880 --> 01:07:53,030

something is will and that's why I can

1576

01:07:57,849 --> 01:07:54,890

understand I don't try approving this

1577

01:07:59,410 --> 01:07:57,859

reality to anyone I just produce what

1578

01:08:00,910 --> 01:07:59,420

I've got and it's up to them to do what

1579

01:08:04,030 --> 01:08:00,920

they want because the last thing I want

1580

01:08:05,560 --> 01:08:04,040

is to try and push my reality on others

1581

01:08:08,440 --> 01:08:05,570

like their tribe they've tried to do to

1582

01:08:10,090 --> 01:08:08,450

me but they me not might be somebody you

1583

01:08:13,390 --> 01:08:10,100

might want to check out and talk to you

1584

01:08:15,490 --> 01:08:13,400

because he's very articulate about the

1585

01:08:16,539 --> 01:08:15,500

sightings about how they happen he's a

1586

01:08:19,059 --> 01:08:16,549

lifelong

1587

01:08:21,309 --> 01:08:19,069

I would say experience too that he

1588

01:08:22,360 --> 01:08:21,319

doesn't know really what he's

1589

01:08:25,900 --> 01:08:22,370

interacting we thought

1590

01:08:27,610 --> 01:08:25,910

you know he's he's very honest about

1591

01:08:29,800 --> 01:08:27,620

that which I love because when I went up

1592

01:08:31,990 --> 01:08:29,810

to go into saying we had a I was in the

1593

01:08:33,520 --> 01:08:32,000

backyard with him and we had a flying

1594

01:08:36,160 --> 01:08:33,530

sort of like it literally it was a

1595

01:08:39,430 --> 01:08:36,170

friggin full-on something you could

1596

01:08:40,840 --> 01:08:39,440

touch Fred a flying saucer come from the

1597

01:08:42,880 --> 01:08:40,850

right of us I'm not sure about the

1598

01:08:45,220 --> 01:08:42,890

direction actually it was probably east

1599

01:08:47,560 --> 01:08:45,230

and this thing was a thousand foot off

1600

01:08:49,780 --> 01:08:47,570

the ground and it looked like a typical

1601
01:08:51,370 --> 01:08:49,790
flying saucer and there was a flash of

1602
01:08:55,720 --> 01:08:51,380
lights going around it which were red

1603
01:08:58,720 --> 01:08:55,730
green blue in yellow and he's got a

1604
01:09:01,510 --> 01:08:58,730
photo of this craft later on but we all

1605
01:09:03,760 --> 01:09:01,520
tried war out there because we had orbs

1606
01:09:05,020 --> 01:09:03,770
going off in the house like he said when

1607
01:09:06,100 --> 01:09:05,030
I got up there the high strangest

1608
01:09:07,870 --> 01:09:06,110
activity in the house it was like

1609
01:09:10,900 --> 01:09:07,880
something new all together and it just

1610
01:09:13,000 --> 01:09:10,910
went off tap but free cameras didn't

1611
01:09:14,680 --> 01:09:13,010
work and we charged him all day and as

1612
01:09:17,830 --> 01:09:14,690
soon as his craft flip over the house

1613
01:09:19,660 --> 01:09:17,840

and flew over the town had Danny do the

1614

01:09:21,820 --> 01:09:19,670

camera the cameras worked again and that

1615

01:09:24,520 --> 01:09:21,830

was a very interesting siding with him

1616

01:09:25,780 --> 01:09:24,530

and you know he's got lots of other

1617

01:09:27,370 --> 01:09:25,790

stories to tell but there is lots

1618

01:09:29,230 --> 01:09:27,380

happening here in Australia the moment

1619

01:09:31,960 --> 01:09:29,240

especially up and down the East Coast

1620

01:09:33,850 --> 01:09:31,970

I'm you do like we were last time on the

1621

01:09:35,590 --> 01:09:33,860

show if you eat there are hotspots and

1622

01:09:38,470 --> 01:09:35,600

pull what you could call portal spots

1623

01:09:40,270 --> 01:09:38,480

but the fact of the reality is this is

1624

01:09:42,970 --> 01:09:40,280

happening all around the world now it

1625

01:09:46,320 --> 01:09:42,980

was good hearing our story on before the

1626

01:09:49,120 --> 01:09:46,330

performing on the show talking about

1627

01:09:50,350 --> 01:09:49,130

observations and I think he's very

1628

01:09:52,330 --> 01:09:50,360

correct in it you know there's been

1629

01:09:54,400 --> 01:09:52,340

times when I've gone here and you know

1630

01:09:56,230 --> 01:09:54,410

not until the crafts almost gone that

1631

01:09:58,390 --> 01:09:56,240

have all been out of proved that they

1632

01:10:00,220 --> 01:09:58,400

were looking at a plane you know and

1633

01:10:02,080 --> 01:10:00,230

this is the thing sometimes I might seem

1634

01:10:03,820 --> 01:10:02,090

like I'm a bit of a bastard to pay well

1635

01:10:05,470 --> 01:10:03,830

but if it's a dust or but it's a dust or

1636

01:10:08,500 --> 01:10:05,480

but it's supplying is supply and if it's

1637

01:10:10,570 --> 01:10:08,510

a satellite it's a satellite and I've

1638

01:10:13,210 --> 01:10:10,580

gotta be honest with people I don't want

1639

01:10:14,560 --> 01:10:13,220

them going on thinking you know it's but

1640

01:10:16,360 --> 01:10:14,570

you know a lot of the time in the ocean

1641

01:10:18,310 --> 01:10:16,370

here because I take people there to see

1642

01:10:20,170 --> 01:10:18,320

the crafts on the ocean you'll have

1643

01:10:22,320 --> 01:10:20,180

these big ball light and it will look

1644

01:10:25,120 --> 01:10:22,330

like the space station sometimes it is

1645

01:10:28,090 --> 01:10:25,130

because I check all these but sometimes

1646

01:10:29,980 --> 01:10:28,100

it's a plane coming in with a slanting

1647

01:10:31,510 --> 01:10:29,990

light on for a few minutes and you're

1648

01:10:33,500 --> 01:10:31,520

not going to see the the navigate you

1649

01:10:35,720 --> 01:10:33,510

know the blinking lights that you know

1650

01:10:37,160 --> 01:10:35,730

and you know all of a sudden that light

1651
01:10:39,770 --> 01:10:37,170
turns off and you can tell it's supplier

1652
01:10:42,760 --> 01:10:39,780
so this is where I think knowing stuff

1653
01:10:45,640 --> 01:10:42,770
like iridium flares satellites planes

1654
01:10:48,590 --> 01:10:45,650
balloons whatever it is I think it's

1655
01:10:52,510 --> 01:10:48,600
important for sky watchers to know but

1656
01:10:54,980 --> 01:10:52,520
that's not to say that everything can be

1657
01:10:56,510 --> 01:10:54,990
you know it can be work there you know

1658
01:10:57,980 --> 01:10:56,520
exactly what it is does you know

1659
01:10:59,450 --> 01:10:57,990
sometimes you just don't know what you

1660
01:11:00,800 --> 01:10:59,460
see you know in the problem with a lot

1661
01:11:02,840 --> 01:11:00,810
of this is that sometimes you are just

1662
01:11:04,580 --> 01:11:02,850
seeing a light in the sky and no matter

1663
01:11:07,820 --> 01:11:04,590

how good or camera you got that's all

1664

01:11:09,380 --> 01:11:07,830

it's going to appear as but there sure

1665

01:11:12,200 --> 01:11:09,390

as hell is a lot going on here in

1666

01:11:15,050 --> 01:11:12,210

Australia now if did you say is it all

1667

01:11:16,760 --> 01:11:15,060

Bree is that the where you are what we

1668

01:11:18,530 --> 01:11:16,770

swear on from I'm actually located

1669

01:11:21,230 --> 01:11:18,540

Melbourne in the city now I actually

1670

01:11:25,130 --> 01:11:21,240

meant from all be up the Queensland for

1671

01:11:27,290 --> 01:11:25,140

a few months and I was living with the

1672

01:11:29,780 --> 01:11:27,300

saw up had him on my show jaws Campbell

1673

01:11:32,420 --> 01:11:29,790

now he's a former scientist for the

1674

01:11:35,810 --> 01:11:32,430

CSIRO which is basically like a

1675

01:11:37,940 --> 01:11:35,820

government here and I was basically

1676

01:11:40,220 --> 01:11:37,950

doing you know Skywalker's from there

1677

01:11:42,110 --> 01:11:40,230

and basically it was a good time out for

1678

01:11:44,780 --> 01:11:42,120

me and helping him but he's got 44 acres

1679

01:11:49,400 --> 01:11:44,790

there just off the beach near Mary Road

1680

01:11:51,110 --> 01:11:49,410

well and he's met Leo sprinkle and james

1681

01:11:53,600 --> 01:11:51,120

gilliland and him stand raman taking a

1682

01:11:55,610 --> 01:11:53,610

lot of other people in the field and we

1683

01:11:57,200 --> 01:11:55,620

sort of hit it off until i can't I met

1684

01:11:58,790 --> 01:11:57,210

my partner now and moved to Melbourne

1685

01:12:00,950 --> 01:11:58,800

but he's been on my show talking about

1686

01:12:04,340 --> 01:12:00,960

his experiences it was fascinating

1687

01:12:05,930 --> 01:12:04,350

because because he's a scientist he when

1688

01:12:09,260 --> 01:12:05,940

he got brain scans he thought he was

1689

01:12:11,540 --> 01:12:09,270

going nuts people were saying this with

1690

01:12:13,640 --> 01:12:11,550

him and he's talked about mantid purple

1691

01:12:15,560 --> 01:12:13,650

bluish see-through Mantid beings with

1692

01:12:19,010 --> 01:12:15,570

beads alight in their vein so to see

1693

01:12:23,120 --> 01:12:19,020

through he's one of the most articulate

1694

01:12:26,180 --> 01:12:23,130

person people in how he describes the

1695

01:12:28,550 --> 01:12:26,190

space and time how how these events

1696

01:12:30,020 --> 01:12:28,560

occurred which is very well worth

1697

01:12:35,420 --> 01:12:30,030

listening to and he's got great

1698

01:12:36,950 --> 01:12:35,430

credentials he was a geneticist but we

1699

01:12:38,300 --> 01:12:36,960

hit it off very much so and he's

1700

01:12:39,620 --> 01:12:38,310

somebody that has helped keep me

1701

01:12:41,920 --> 01:12:39,630

grounded as well we've had some

1702

01:12:44,210 --> 01:12:41,930

experiences together walls up there but

1703

01:12:46,290 --> 01:12:44,220

you know once I met my partner who

1704

01:12:48,840 --> 01:12:46,300

cannot to actually visit marry myself on

1705

01:12:52,320 --> 01:12:48,850

I'm down in the city now and things are

1706

01:12:56,550 --> 01:12:52,330

continuing right we have a question up

1707

01:12:59,850 --> 01:12:56,560

on the message board now when people get

1708

01:13:02,430 --> 01:12:59,860

this thought transfer do they actually

1709

01:13:06,150 --> 01:13:02,440

have like a humming in their ear have

1710

01:13:07,740 --> 01:13:06,160

you ever heard of that there is now some

1711

01:13:10,350 --> 01:13:07,750

people sighs tendinitis but I'll tell

1712

01:13:13,440 --> 01:13:10,360

you what cause I always on stage we've

1713

01:13:15,690 --> 01:13:13,450

freaking 100 and plus what spike is next

1714

01:13:17,670 --> 01:13:15,700

we head and I was a drummer in a band

1715

01:13:19,380 --> 01:13:17,680

and I can tell you that there's a

1716

01:13:21,030 --> 01:13:19,390

difference now some people might might

1717

01:13:23,810 --> 01:13:21,040

actually be getting tendonitis or

1718

01:13:27,330 --> 01:13:23,820

whatever they call it but there is a low

1719

01:13:30,660 --> 01:13:27,340

hum and sometimes is that high pitch of

1720

01:13:32,580 --> 01:13:30,670

a harm that it's you know it's really

1721

01:13:36,080 --> 01:13:32,590

really high pitch almost like something

1722

01:13:39,450 --> 01:13:36,090

you think a dollar a cat can hear

1723

01:13:43,740 --> 01:13:39,460

there's many different ways you could

1724

01:13:45,480 --> 01:13:43,750

take this or what those hams are from

1725

01:13:47,220 --> 01:13:45,490

one of the bangs I'll talk to you she's

1726

01:13:49,530 --> 01:13:47,230

gone into a few different facets of what

1727

01:13:51,350 --> 01:13:49,540

these things are thought transfer is a

1728

01:13:53,460 --> 01:13:51,360

part of it some of this got to do with

1729

01:13:55,170 --> 01:13:53,470

Commandments coming from what she calls

1730

01:13:57,750 --> 01:13:55,180

the higher self down into the body now

1731

01:14:00,300 --> 01:13:57,760

this may dis be alright he's just lost

1732

01:14:02,730 --> 01:14:00,310

me but I've gotta tell it like it is as

1733

01:14:06,960 --> 01:14:02,740

it's been produced to me and shown to me

1734

01:14:08,280 --> 01:14:06,970

in and thought transferred to me but you

1735

01:14:11,970 --> 01:14:08,290

know sometimes when people are hearing

1736

01:14:15,000 --> 01:14:11,980

these hums and on my documentary and

1737

01:14:16,710 --> 01:14:15,010

there's a audio clip now I've had a

1738

01:14:20,340 --> 01:14:16,720

regression with Mary Rothwell which has

1739

01:14:22,080 --> 01:14:20,350

become quite known on the internet due

1740

01:14:24,630 --> 01:14:22,090

to we can say our writing Pete's

1741

01:14:26,160 --> 01:14:24,640

regression with Mary Rodwell the bangs

1742

01:14:28,860 --> 01:14:26,170

talk through me and it's very similar to

1743

01:14:31,170 --> 01:14:28,870

what Dominique had to happen with his

1744

01:14:33,330 --> 01:14:31,180

ones and I can understand people's take

1745

01:14:35,610 --> 01:14:33,340

on him now though I do consider him a

1746

01:14:38,160 --> 01:14:35,620

friend and I just don't you know I don't

1747

01:14:39,780 --> 01:14:38,170

like to judge people because I know what

1748

01:14:41,220 --> 01:14:39,790

it's like to be judged myself and you

1749

01:14:42,750 --> 01:14:41,230

can see you know we talked about this

1750

01:14:44,520 --> 01:14:42,760

before but I will say you can see what

1751

01:14:47,010 --> 01:14:44,530

he's done on the show but I love him and

1752

01:14:48,750 --> 01:14:47,020

Lisa and I support what he does but

1753

01:14:50,220 --> 01:14:48,760

unless you're an experienced - like

1754

01:14:54,540 --> 01:14:50,230

myself will stand and you've been

1755

01:14:56,520 --> 01:14:54,550

through run for the robes you know you

1756

01:14:58,230 --> 01:14:56,530

just can't judge people unless you've

1757

01:14:59,970 --> 01:14:58,240

walked in their shoes and I'll just say

1758

01:15:02,700 --> 01:14:59,980

that but there's the same

1759

01:15:06,110 --> 01:15:02,710

I went to Mary Rodwell about because I

1760

01:15:09,990 --> 01:15:06,120

had an experience where I was going from

1761

01:15:11,550 --> 01:15:10,000

Aubree to Mount Buffalo and I'd left

1762

01:15:13,620 --> 01:15:11,560

Beechworth on the way there which is

1763

01:15:15,810 --> 01:15:13,630

weird they'd kept the famous need Kelly

1764

01:15:19,340 --> 01:15:15,820

bushranger was jailed for quite some

1765

01:15:21,810 --> 01:15:19,350

time and as I left there with a friend

1766

01:15:24,690 --> 01:15:21,820

there was this weed the only way I can

1767

01:15:27,570 --> 01:15:24,700

describe it is a weird low low low low

1768

01:15:30,060 --> 01:15:27,580

harm and a really high pitched sound at

1769

01:15:32,190 --> 01:15:30,070

the same time now I'd never heard from

1770

01:15:34,200 --> 01:15:32,200

any craft the only thing I heard any

1771

01:15:37,530 --> 01:15:34,210

time was almost something like when you

1772

01:15:39,270 --> 01:15:37,540

near a transformer box for for

1773

01:15:40,920 --> 01:15:39,280

electricity the only thing I've heard

1774

01:15:42,600 --> 01:15:40,930

want any time and it wasn't even that

1775

01:15:45,210 --> 01:15:42,610

louder to see only time I had any Sam

1776

01:15:47,850 --> 01:15:45,220

that was from one experience but I'm

1777

01:15:49,920 --> 01:15:47,860

driving the car and I can't find these

1778

01:15:52,800 --> 01:15:49,930

turn off and I know this area like the

1779

01:15:54,900 --> 01:15:52,810

back of my hand an idea the bush area

1780

01:15:56,550 --> 01:15:54,910

between all me and my buff I could do it

1781

01:15:58,770 --> 01:15:56,560

with my eyes closed I know really well

1782

01:16:02,610 --> 01:15:58,780

and I couldn't find these turn off and I

1783

01:16:06,180 --> 01:16:02,620

had this I had a friend with me and all

1784

01:16:08,760 --> 01:16:06,190

of a sudden we get these noise and we're

1785

01:16:10,140 --> 01:16:08,770

at this town and I get I get a thought

1786

01:16:11,730 --> 01:16:10,150

transfer telling me to go to Lake

1787

01:16:13,650 --> 01:16:11,740

Buffalo and I hadn't been there for

1788

01:16:15,060 --> 01:16:13,660

years anyway I pull up we get out of the

1789

01:16:19,400 --> 01:16:15,070

car and there's a source of blinking and

1790

01:16:22,590 --> 01:16:19,410

out above us it was a good size too

1791

01:16:24,450 --> 01:16:22,600

anyway I get home and I tell Mary Rob

1792

01:16:26,370 --> 01:16:24,460

will marry you're not gonna believe what

1793

01:16:28,260 --> 01:16:26,380

happened you know and I told her and I

1794

01:16:29,940 --> 01:16:28,270

didn't think anything about it at the at

1795

01:16:31,860 --> 01:16:29,950

the time except there was this weed

1796

01:16:34,860 --> 01:16:31,870

friggin noise anyway Mary goes hang on

1797

01:16:36,720 --> 01:16:34,870

pay and she goes did it sound like this

1798

01:16:38,820 --> 01:16:36,730

since you played this audio clip and I'm

1799

01:16:40,950 --> 01:16:38,830

like boy ma that's exactly what I heard

1800

01:16:44,790 --> 01:16:40,960

I go what is it and she said that's the

1801
01:16:48,120 --> 01:16:44,800
sound of a of a UFO that James D Leland

1802
01:16:49,550 --> 01:16:48,130
recorded as a win over his ranch anyway

1803
01:16:53,220 --> 01:16:49,560
I was taken aback because it was exactly

1804
01:16:55,830 --> 01:16:53,230
what I heard now you can hear it in my

1805
01:16:57,330 --> 01:16:55,840
documentary our confirmation or you can

1806
01:17:00,480 --> 01:16:57,340
I think you might even be able to hear

1807
01:17:02,520 --> 01:17:00,490
it on the regression itself because I

1808
01:17:05,370 --> 01:17:02,530
made a video err but but the funny thing

1809
01:17:07,410 --> 01:17:05,380
is is that that this was not in the

1810
01:17:08,970 --> 01:17:07,420
public domain it had never been up on

1811
01:17:10,470 --> 01:17:08,980
the internet and if you listen to the

1812
01:17:11,669 --> 01:17:10,480
billy meier stuff or anything else

1813
01:17:13,200 --> 01:17:11,679

whether you believe that

1814

01:17:16,160 --> 01:17:13,210

believe Billy had experiences up to a

1815

01:17:19,950 --> 01:17:16,170

certain point I'm not so sure now but

1816

01:17:21,689 --> 01:17:19,960

this is very much what I heard in

1817

01:17:23,790 --> 01:17:21,699

completely different from what Billy is

1818

01:17:25,740 --> 01:17:23,800

recorded and others recorded this audio

1819

01:17:30,120 --> 01:17:25,750

I'd never heard of before but is very

1820

01:17:33,450 --> 01:17:30,130

similar to a Tibetan singing bowl so

1821

01:17:37,110 --> 01:17:33,460

you've got this really low whiny harm

1822

01:17:38,340 --> 01:17:37,120

and a really high pitch sound with it so

1823

01:17:39,750 --> 01:17:38,350

that's just another thing they go into

1824

01:17:41,610 --> 01:17:39,760

besides that the sound in the ears

1825

01:17:44,370 --> 01:17:41,620

because I have a lot of experiences

1826
01:17:46,380 --> 01:17:44,380
telling me but they hear the sound and

1827
01:17:48,300 --> 01:17:46,390
then I'll play that audio clip for him

1828
01:17:53,010 --> 01:17:48,310
and they're like are that's pretty much

1829
01:17:54,840 --> 01:17:53,020
what I heard so I had deep have you

1830
01:17:58,140 --> 01:17:54,850
heard what I'm talking about or have you

1831
01:18:00,570 --> 01:17:58,150
come across that at all no I've never

1832
01:18:04,260 --> 01:18:00,580
actually heard that I might be able to

1833
01:18:06,030 --> 01:18:04,270
ply it up on the other part of the

1834
01:18:09,090 --> 01:18:06,040
internet now if the condenser mod would

1835
01:18:09,630 --> 01:18:09,100
do would you want me to give it a go why

1836
01:18:12,689 --> 01:18:09,640
not

1837
01:18:17,430 --> 01:18:12,699
oh just don't for any typos night so why

1838
01:18:22,100 --> 01:18:17,440

not do something like this why not so

1839

01:18:25,500 --> 01:18:22,110

this is just trying to fajn the audio

1840

01:18:27,810 --> 01:18:25,510

now I know when you're you're a humble

1841

01:18:29,340 --> 01:18:27,820

guy because I mentioned to you last

1842

01:18:30,810 --> 01:18:29,350

night that we could talk about your show

1843

01:18:33,390 --> 01:18:30,820

and you said you didn't really want to

1844

01:18:35,700 --> 01:18:33,400

but you've had a hundred people on there

1845

01:18:39,750 --> 01:18:35,710

and you started your show after you were

1846

01:18:42,090 --> 01:18:39,760

on my show so you if you've had a lot of

1847

01:18:45,479 --> 01:18:42,100

shows you're running is it once a week

1848

01:18:47,640 --> 01:18:45,489

or is it more than that I don't have a

1849

01:18:49,020 --> 01:18:47,650

set tall or anything in the other reason

1850

01:18:51,030 --> 01:18:49,030

I do that is because I say a lot of

1851
01:18:53,100 --> 01:18:51,040
shows have problems we set times unless

1852
01:18:54,930 --> 01:18:53,110
I'm like you've got a crew working with

1853
01:18:56,640 --> 01:18:54,940
you in a lot of people that and I know

1854
01:18:58,640 --> 01:18:56,650
you're organizing these shows yourself

1855
01:19:01,500 --> 01:18:58,650
so everyone sort of doing something but

1856
01:19:03,060 --> 01:19:01,510
you know as I'm having experienced

1857
01:19:04,560 --> 01:19:03,070
myself sometimes I couldn't be stuff

1858
01:19:06,630 --> 01:19:04,570
getting out of bed till midday because

1859
01:19:08,729 --> 01:19:06,640
I'm that drained from the experience or

1860
01:19:10,380 --> 01:19:08,739
I've got something going on I just try

1861
01:19:12,570 --> 01:19:10,390
to make it constant at least I want to

1862
01:19:15,630 --> 01:19:12,580
get one done a month sometimes I've had

1863
01:19:17,280 --> 01:19:15,640

four date a month done it's just when I

1864

01:19:20,129 --> 01:19:17,290

can get it done I get it done it's just

1865

01:19:22,680 --> 01:19:20,139

one of those things but it seems to have

1866

01:19:23,939 --> 01:19:22,690

taken off quite well and main reason I

1867

01:19:24,620 --> 01:19:23,949

want to get out there was to try and get

1868

01:19:28,250 --> 01:19:24,630

more astray

1869

01:19:30,229 --> 01:19:28,260

stuff out there but it's just being good

1870

01:19:31,790 --> 01:19:30,239

because I get a lot of experiences on

1871

01:19:34,010 --> 01:19:31,800

the show and I sort of just I don't

1872

01:19:35,810 --> 01:19:34,020

believe everyone but I tend to be more

1873

01:19:38,600 --> 01:19:35,820

uncut and just like people will speak

1874

01:19:40,129 --> 01:19:38,610

what they want to speak and I'll let

1875

01:19:41,810 --> 01:19:40,139

everyone make up the judgement them so I

1876

01:19:44,990 --> 01:19:41,820

think people can tell when someone's

1877

01:19:46,129 --> 01:19:45,000

talking crap so but that's something

1878

01:19:47,780 --> 01:19:46,139

I've wanted to do because a lot of

1879

01:19:49,790 --> 01:19:47,790

experiences you know there's more

1880

01:19:51,950 --> 01:19:49,800

researchers listen to in the field and I

1881

01:19:53,899 --> 01:19:51,960

think to get an understanding of what's

1882

01:19:56,120 --> 01:19:53,909

going on even though I don't think any

1883

01:19:57,709 --> 01:19:56,130

one person has got the got an idea

1884

01:20:01,430 --> 01:19:57,719

what's going on I think if we listen to

1885

01:20:03,080 --> 01:20:01,440

the commonalities between experiences we

1886

01:20:04,399 --> 01:20:03,090

can start to build pictures because a

1887

01:20:06,229 --> 01:20:04,409

lot of the time talking especially

1888

01:20:08,750 --> 01:20:06,239

researchers in the states that have been

1889

01:20:10,850 --> 01:20:08,760

doing this stuff for years there one

1890

01:20:14,419 --> 01:20:10,860

thing that them and myself have talked

1891

01:20:17,149 --> 01:20:14,429

about is a lot of people are willing to

1892

01:20:19,100 --> 01:20:17,159

tell you about orbs and greys and crafts

1893

01:20:21,410 --> 01:20:19,110

and a little bit of high strangeness but

1894

01:20:22,790 --> 01:20:21,420

the really really crazy stuff they're

1895

01:20:24,260 --> 01:20:22,800

not willing to talk about until they

1896

01:20:27,860 --> 01:20:24,270

hear somebody else have the balls enough

1897

01:20:29,600 --> 01:20:27,870

to go into deep areas so it's sort of -

1898

01:20:31,479 --> 01:20:29,610

sigh - some people are embellishing

1899

01:20:33,979 --> 01:20:31,489

which I don't understand why they do cuz

1900

01:20:36,410 --> 01:20:33,989

quite frankly I think this is far out

1901

01:20:38,390 --> 01:20:36,420

enough as it is you know to bend the

1902

01:20:40,790 --> 01:20:38,400

mines to put our own perception in

1903

01:20:41,930 --> 01:20:40,800

reality but you know that's another side

1904

01:20:43,820 --> 01:20:41,940

that people don't really think much

1905

01:20:45,439 --> 01:20:43,830

about is some some of the real hardcore

1906

01:20:47,390 --> 01:20:45,449

stuff isn't spoken about but these

1907

01:20:48,890 --> 01:20:47,400

people distained want to talk of it and

1908

01:20:50,510 --> 01:20:48,900

I can understand that because you know

1909

01:20:53,450 --> 01:20:50,520

they're already considered or not or not

1910

01:20:56,180 --> 01:20:53,460

but I've got this audio here so I've got

1911

01:21:00,140 --> 01:20:56,190

to turn it up pretty loud because um it

1912

01:21:39,760 --> 01:21:00,150

was really low okay so let's give it a

1913

01:21:44,300 --> 01:21:42,410

now that spotted james gilliland

1914

01:21:47,570 --> 01:21:44,310

recorder and his ranch some people might

1915

01:21:49,880 --> 01:21:47,580

feel a bit weird from that i saw to have

1916

01:21:52,640 --> 01:21:49,890

flashbacks to that day with that just

1917

01:21:54,320 --> 01:21:52,650

because it's so resonates but it's up to

1918

01:21:56,209 --> 01:21:54,330

people to believe what they want but um

1919

01:21:57,590 --> 01:21:56,219

you know sometimes I've had the crafts

1920

01:21:58,970 --> 01:21:57,600

land over the bedroom and there's been

1921

01:22:00,770 --> 01:21:58,980

something like that and my partner's

1922

01:22:02,120 --> 01:22:00,780

seen it with me as well which I'm quite

1923

01:22:07,310 --> 01:22:02,130

blessed have a partner that some

1924

01:22:09,740 --> 01:22:07,320

inexperienced are also yeah so that was

1925

01:22:13,250 --> 01:22:09,750

actually a recorded sound that was a

1926

01:22:16,070 --> 01:22:13,260

recorded sound that James Gilliland

1927

01:22:17,510 --> 01:22:16,080

recorded the audio he recorded that

1928

01:22:20,180 --> 01:22:17,520

audio from I understand from Mary

1929

01:22:22,700 --> 01:22:20,190

Rodwell a lady called Kathy Dickman sent

1930

01:22:25,310 --> 01:22:22,710

it to Mary and Mary sent it to me but

1931

01:22:27,260 --> 01:22:25,320

it's from James originally and that's

1932

01:22:32,209 --> 01:22:27,270

what he recorded at the a Sadie ranch as

1933

01:22:35,000 --> 01:22:32,219

the craft went over the home Wow Wow

1934

01:22:36,320 --> 01:22:35,010

yeah so if and that's something I

1935

01:22:38,600 --> 01:22:36,330

haven't heard anywhere else oh I haven't

1936

01:22:41,030 --> 01:22:38,610

heard any other like when he if you type

1937

01:22:41,540 --> 01:22:41,040

in audio recordings of UFOs I have not

1938

01:22:43,430 --> 01:22:41,550

heard that

1939

01:22:46,490 --> 01:22:43,440

to this day anywhere else but through

1940

01:22:49,610 --> 01:22:46,500

James know I had someone on I think it

1941

01:22:51,800 --> 01:22:49,620

was two weeks ago and that was David

1942

01:22:55,910 --> 01:22:51,810

Marlar talking about you know triangle

1943

01:22:58,850 --> 01:22:55,920

UFOs and I he did say that there was one

1944

01:23:00,290 --> 01:22:58,860

particular instance where there was some

1945

01:23:03,620 --> 01:23:00,300

humming now whether what sounded like

1946

01:23:05,000 --> 01:23:03,630

that or not you know so if you're if

1947

01:23:08,540 --> 01:23:05,010

you're listening live and you're just

1948

01:23:12,560 --> 01:23:08,550

joining us we're on with Peter Slattery

1949

01:23:16,550 --> 01:23:12,570

from Australia and you can also jump in

1950

01:23:22,490 --> 01:23:16,560

our chat room at podcast UFO calm and

1951

01:23:25,610 --> 01:23:22,500

ask Peter post Peter a question so this

1952

01:23:28,790 --> 01:23:25,620

this person that that recorded that had

1953

01:23:31,160 --> 01:23:28,800

he had an experience before anything

1954

01:23:33,160 --> 01:23:31,170

like that um have you ever heard the

1955

01:23:37,010 --> 01:23:33,170

James D Leland

1956

01:23:39,560 --> 01:23:37,020

he's got the a city range in Washington

1957

01:23:43,040 --> 01:23:39,570

yeah that's the dude that recorded it so

1958

01:23:44,479 --> 01:23:43,050

he's been on lots of documentaries in TV

1959

01:23:48,889 --> 01:23:44,489

shows

1960

01:23:50,299 --> 01:23:48,899

I resonate dearly with James dolls who

1961

01:23:52,310 --> 01:23:50,309

are leave with helping Queensland the

1962

01:23:53,719 --> 01:23:52,320

scientists actually live with James for

1963

01:23:56,359 --> 01:23:53,729

a few months and he's really good

1964

01:23:58,729 --> 01:23:56,369

friends with him and people have you

1965

01:24:00,580 --> 01:23:58,739

know they take on James but he's had you

1966

01:24:02,989 --> 01:24:00,590

know he's been on our bill live when

1967

01:24:05,929 --> 01:24:02,999

people from some of the the projects to

1968

01:24:07,219 --> 01:24:05,939

work on some of the hard core you know

1969

01:24:08,389 --> 01:24:07,229

for Lockheed Martin and all through

1970

01:24:09,709 --> 01:24:08,399

government and all that sort of stuff

1971

01:24:11,419 --> 01:24:09,719

with ear saying stuff going on this

1972

01:24:13,969 --> 01:24:11,429

isn't freaking satellites or our stuff

1973

01:24:16,459 --> 01:24:13,979

and we work on these stuff so you know

1974

01:24:19,459 --> 01:24:16,469

whether you believe James is taken on a

1975

01:24:21,229 --> 01:24:19,469

you know to me what he who he is what

1976

01:24:23,000 --> 01:24:21,239

which is why I'm good in my my show it

1977

01:24:24,529 --> 01:24:23,010

dearly resonates and I think until

1978

01:24:27,080 --> 01:24:24,539

people go to the ranch I've been there

1979

01:24:29,270 --> 01:24:27,090

personally but I've talked to people and

1980

01:24:34,310 --> 01:24:29,280

seen footage and is very similar to what

1981

01:24:37,129 --> 01:24:34,320

I'm filming and saying and yeah is just

1982

01:24:38,839 --> 01:24:37,139

go to a city comm or.org of might be and

1983

01:24:40,339 --> 01:24:38,849

people can see a lot of different stuff

1984

01:24:43,939 --> 01:24:40,349

that James got he's been doing these

1985

01:24:46,040 --> 01:24:43,949

stuff since I was born so you know and

1986

01:24:47,899 --> 01:24:46,050

he's got you know hundreds hours I think

1987

01:24:51,379 --> 01:24:47,909

from what people has said to back up the

1988

01:24:52,549 --> 01:24:51,389

the claims in terms of footage okay now

1989

01:24:55,759 --> 01:24:52,559

one of the things I want to talk about

1990

01:24:59,060 --> 01:24:55,769

is and checking on my I do get a lot of

1991

01:25:01,129 --> 01:24:59,070

email to from all over the place and a

1992

01:25:04,540 --> 01:25:01,139

number of them are from Australia and

1993

01:25:07,699 --> 01:25:04,550

there's a Australia is when I do my

1994

01:25:10,189 --> 01:25:07,709

analytics for my website as far as

1995

01:25:14,060 --> 01:25:10,199

traffic goes Australia is always up in

1996

01:25:17,989 --> 01:25:14,070

the top five and so my question to you

1997

01:25:20,750 --> 01:25:17,999

is that as you consider Australians more

1998

01:25:22,520 --> 01:25:20,760

open-minded to the UFO subject or how is

1999

01:25:28,279 --> 01:25:22,530

that taken there and thought of there in

2000

01:25:31,009 --> 01:25:28,289

general it's hard to say you know like

2001

01:25:32,779 --> 01:25:31,019

for example Australia's only 23 24

2002

01:25:35,899 --> 01:25:32,789

million people to the landmass of

2003

01:25:37,520 --> 01:25:35,909

America so we basically got the same

2004

01:25:39,139 --> 01:25:37,530

land masses America from my

2005

01:25:42,049 --> 01:25:39,149

understanding from the research and what

2006

01:25:43,819 --> 01:25:42,059

I've seen now if you're getting a lot of

2007

01:25:45,770 --> 01:25:43,829

traffic from Australia that means a hell

2008

01:25:47,569 --> 01:25:45,780

of a lot even though is still a small

2009

01:25:48,979 --> 01:25:47,579

percentage in terms of population wise

2010

01:25:50,719 --> 01:25:48,989

that's still a fair amount of people

2011

01:25:52,729 --> 01:25:50,729

that's competing with America and Canada

2012

01:25:55,189 --> 01:25:52,739

and whatever else you got listening to

2013

01:25:56,320 --> 01:25:55,199

you so I think that says there's a fair

2014

01:26:00,229 --> 01:25:56,330

bit

2015

01:26:04,459 --> 01:26:00,239

now I've talked to so many people that

2016

01:26:05,930 --> 01:26:04,469

have you know UFOs they're seen a lot in

2017

01:26:08,270 --> 01:26:05,940

Australia a lot of people are

2018

01:26:09,800 --> 01:26:08,280

open-minded now it's when you start

2019

01:26:11,120 --> 01:26:09,810

saying they're 80 or they're

2020

01:26:12,379 --> 01:26:11,130

interdimensional whatever that you know

2021

01:26:14,030 --> 01:26:12,389

people go you know I just you know

2022

01:26:15,830 --> 01:26:14,040

that's just too much for me but then you

2023

01:26:18,290 --> 01:26:15,840

make some people that just you know that

2024

01:26:20,479 --> 01:26:18,300

doesn't phase but it's just like

2025

01:26:22,910 --> 01:26:20,489

anywhere else you've just got the people

2026

01:26:25,660 --> 01:26:22,920

that straightaway you lose them as soon

2027

01:26:28,010 --> 01:26:25,670

as you go there and sometimes you don't

2028

01:26:29,990 --> 01:26:28,020

but it is getting played more and more

2029

01:26:31,970 --> 01:26:30,000

on the news or I don't watch telly for

2030

01:26:36,709 --> 01:26:31,980

you but from what I'm saying when I do

2031

01:26:38,419 --> 01:26:36,719

post news on my website you know you got

2032

01:26:41,060 --> 01:26:38,429

your tongue to take stories but even

2033

01:26:45,740 --> 01:26:41,070

when I was on national Morning News here

2034

01:26:47,450 --> 01:26:45,750

in 2012 I was given a fair go I could

2035

01:26:49,570 --> 01:26:47,460

tell I wanted to be smart asses about it

2036

01:26:51,620 --> 01:26:49,580

but I brought up the reality of the

2037

01:26:53,990 --> 01:26:51,630

professional witnesses and people that

2038

01:26:56,360 --> 01:26:54,000

have got highly respectable positions

2039

01:26:57,770 --> 01:26:56,370

that had been in government and the

2040

01:27:00,290 --> 01:26:57,780

amount of sightings and everything else

2041

01:27:02,689 --> 01:27:00,300

and it was you know not too much

2042

01:27:05,510 --> 01:27:02,699

tongue-in-cheek from then on but it is

2043

01:27:07,250 --> 01:27:05,520

taken pretty well here especially up and

2044

01:27:08,720 --> 01:27:07,260

down the East Coast again in Australia

2045

01:27:11,419 --> 01:27:08,730

this is where a lot of the activity

2046

01:27:13,430 --> 01:27:11,429

seems to be happening now you know we

2047

01:27:14,570 --> 01:27:13,440

hear all these stories of this NASA that

2048

01:27:16,610 --> 01:27:14,580

it's the government but you know you

2049

01:27:17,840 --> 01:27:16,620

look at a lot of NASA's stuff you know

2050

01:27:19,490 --> 01:27:17,850

there was some stuff with the spiral

2051
01:27:21,439 --> 01:27:19,500
that I was saying it was a disregarded

2052
01:27:23,600 --> 01:27:21,449
rocket from Cape Canaveral in it from

2053
01:27:26,090 --> 01:27:23,610
Florida now you go and look at all the

2054
01:27:27,680 --> 01:27:26,100
the stuff from NASA the last thing

2055
01:27:29,899 --> 01:27:27,690
they're going to friggin do is fly or

2056
01:27:33,169 --> 01:27:29,909
disregard a rocket over a populated area

2057
01:27:35,479 --> 01:27:33,179
anywhere and yet this happens to go from

2058
01:27:37,729 --> 01:27:35,489
Melbourne to Sydney on an angle and then

2059
01:27:40,970 --> 01:27:37,739
go up to Queensland so it follows the

2060
01:27:42,709 --> 01:27:40,980
most populated area in Australia you

2061
01:27:44,750 --> 01:27:42,719
know and but what it does when you get

2062
01:27:47,660 --> 01:27:44,760
things like these what it does is it

2063
01:27:49,550 --> 01:27:47,670

puts public awareness on it again I

2064

01:27:51,800 --> 01:27:49,560

don't want to push my BRD on anyone but

2065

01:27:53,810 --> 01:27:51,810

what I do like to do is make just blank

2066

01:27:55,490 --> 01:27:53,820

people think you know if you can just

2067

01:27:57,919 --> 01:27:55,500

bring up something or whatever it is all

2068

01:28:00,260 --> 01:27:57,929

there are these news stories it just you

2069

01:28:02,090 --> 01:28:00,270

know opens people up to you know what

2070

01:28:03,860 --> 01:28:02,100

myself and you know millions of other

2071

01:28:06,410 --> 01:28:03,870

people witness on on a daily occurrence

2072

01:28:08,390 --> 01:28:06,420

what is it which isn't just crafts but

2073

01:28:09,170 --> 01:28:08,400

horror strangers paranormal activity

2074

01:28:12,560 --> 01:28:09,180

whatever

2075

01:28:15,710 --> 01:28:12,570

to label it as now how would you say the

2076

01:28:20,720 --> 01:28:15,720

the Australian government looks at the

2077

01:28:22,220 --> 01:28:20,730

subject well we have had papers released

2078

01:28:23,840 --> 01:28:22,230

you could probably go to a Bob

2079

01:28:25,520 --> 01:28:23,850

top-secret I think he's one of them I

2080

01:28:25,850 --> 01:28:25,530

don't I don't hang out all forms or

2081

01:28:27,830 --> 01:28:25,860

anything

2082

01:28:31,130 --> 01:28:27,840

I've actually got all the Australian

2083

01:28:33,110 --> 01:28:31,140

release papers here if that were in the

2084

01:28:37,270 --> 01:28:33,120

archives now there are still some that

2085

01:28:39,860 --> 01:28:37,280

are not to be made public Declassified

2086

01:28:42,710 --> 01:28:39,870

look the fact of the matter is is that

2087

01:28:45,170 --> 01:28:42,720

we are so much your allies in America

2088

01:28:48,050 --> 01:28:45,180

and I love America but whatever you guys

2089

01:28:50,800 --> 01:28:48,060

do we do and whatever Britain does we do

2090

01:28:53,900 --> 01:28:50,810

as well is you know New Zealand Canada

2091

01:28:55,700 --> 01:28:53,910

America Britain all of us guys together

2092

01:28:58,910 --> 01:28:55,710

on on whatever and we're going to tend

2093

01:29:03,560 --> 01:28:58,920

to follow you guys up there we've had

2094

01:29:05,180 --> 01:29:03,570

blue broken sign and and grudge and you

2095

01:29:06,590 --> 01:29:05,190

know all the in the con on report and

2096

01:29:09,800 --> 01:29:06,600

all these other things that America have

2097

01:29:12,970 --> 01:29:09,810

done and still you know Jimmy Carter try

2098

01:29:18,350 --> 01:29:12,980

getting a lot done here in Australia

2099

01:29:20,330 --> 01:29:18,360

we've been very I've noted we've been

2100

01:29:22,010 --> 01:29:20,340

very much the same as you guys that we

2101
01:29:24,770 --> 01:29:22,020
haven't had like an open thing like Blue

2102
01:29:26,630 --> 01:29:24,780
Book we have taken there is proof that

2103
01:29:28,070 --> 01:29:26,640
we had taken reports I've got the papers

2104
01:29:29,330 --> 01:29:28,080
to shout and everything else and it came

2105
01:29:31,250 --> 01:29:29,340
from the government archives funny

2106
01:29:33,850 --> 01:29:31,260
enough we've had a lot of papers on the

2107
01:29:36,500 --> 01:29:33,860
UFO phenomena go missing from the

2108
01:29:38,240 --> 01:29:36,510
government archives which was on

2109
01:29:40,100 --> 01:29:38,250
national Morning News who on the same

2110
01:29:42,020 --> 01:29:40,110
Charles on sunrise I think with Bill

2111
01:29:44,450 --> 01:29:42,030
talk were talking about it he's done a

2112
01:29:46,010 --> 01:29:44,460
lot of work here for years but you know

2113
01:29:48,470 --> 01:29:46,020

I attend the distinct you know

2114

01:29:50,510 --> 01:29:48,480

especially with myself I just look nuts

2115

01:29:51,830 --> 01:29:50,520

a lot of the time so they quite happy

2116

01:29:53,510 --> 01:29:51,840

made of spare what everyone want to

2117

01:29:55,190 --> 01:29:53,520

spare because I just look crazy though I

2118

01:29:56,930 --> 01:29:55,200

have had black helicopters and gray

2119

01:29:58,040 --> 01:29:56,940

stealth helicopter activity around me

2120

01:30:01,130 --> 01:29:58,050

which people have witnessed for no

2121

01:30:02,600 --> 01:30:01,140

reason this stuff appearing and I've

2122

01:30:04,610 --> 01:30:02,610

spoken to some people that have been

2123

01:30:07,550 --> 01:30:04,620

part of these projects they know what's

2124

01:30:09,500 --> 01:30:07,560

going on again you know people say a lot

2125

01:30:11,930 --> 01:30:09,510

of you know we hear the stupid story

2126
01:30:13,760 --> 01:30:11,940
lately that arm it was the government

2127
01:30:16,220 --> 01:30:13,770
that had this flying saucer or it was a

2128
01:30:18,050 --> 01:30:16,230
loon or some crap from from pouring up

2129
01:30:20,570 --> 01:30:18,060
in the middle of Australia that you know

2130
01:30:22,700 --> 01:30:20,580
200 students and teachers witness tool

2131
01:30:25,070 --> 01:30:22,710
room land at West all school

2132
01:30:27,680 --> 01:30:25,080
in 1966 which to me is one of the

2133
01:30:29,420 --> 01:30:27,690
biggest stories ever and why did I do

2134
01:30:30,740 --> 01:30:29,430
rock up and tell kids that they didn't

2135
01:30:33,890 --> 01:30:30,750
see what they see and this has been

2136
01:30:36,020 --> 01:30:33,900
investigated thoroughly so we have had

2137
01:30:37,970 --> 01:30:36,030
some cases like that in the Frederick

2138
01:30:41,270 --> 01:30:37,980

Valentich case where he was in heels a

2139

01:30:44,420 --> 01:30:41,280

pilot flying at a bass trade area and

2140

01:30:46,310 --> 01:30:44,430

there's radio we call recordings from

2141

01:30:48,350 --> 01:30:46,320

the control tower to him and he's seeing

2142

01:30:51,860 --> 01:30:48,360

this metallic object and then all of a

2143

01:30:53,720 --> 01:30:51,870

sudden he goes missing we hear about

2144

01:30:56,930 --> 01:30:53,730

these types of cases but there's a lot

2145

01:30:58,310 --> 01:30:56,940

more going on but it seems that not many

2146

01:30:59,690 --> 01:30:58,320

people are wanting to cover it unless

2147

01:31:02,120 --> 01:30:59,700

it's sort of something that's up in the

2148

01:31:03,770 --> 01:31:02,130

air I think they did a mistake when they

2149

01:31:06,050 --> 01:31:03,780

had my humble is I just thought of some

2150

01:31:08,120 --> 01:31:06,060

extra power that was just off his nut

2151
01:31:10,190 --> 01:31:08,130
and then I could sort of bring some fact

2152
01:31:12,380 --> 01:31:10,200
and in footage and things to the to the

2153
01:31:14,150 --> 01:31:12,390
subject and nobody will have a borrowed

2154
01:31:17,570 --> 01:31:14,160
machine which I'm quite cool with

2155
01:31:20,360 --> 01:31:17,580
because I don't care about that but the

2156
01:31:21,680 --> 01:31:20,370
government I think here's the thing with

2157
01:31:23,030 --> 01:31:21,690
the government I think they don't have a

2158
01:31:24,470 --> 01:31:23,040
clue what's going on but at the same

2159
01:31:28,459 --> 01:31:24,480
time they've got an idea

2160
01:31:31,340 --> 01:31:28,469
in terms of just like America you've got

2161
01:31:33,229 --> 01:31:31,350
things can come in your airspace that

2162
01:31:37,070 --> 01:31:33,239
you've got no control over they can

2163
01:31:38,690 --> 01:31:37,080

blink in that can blink out now if it

2164

01:31:40,310 --> 01:31:38,700

was something that was completely 3d

2165

01:31:40,910 --> 01:31:40,320

maybe there's something you could do

2166

01:31:44,300 --> 01:31:40,920

about it

2167

01:31:46,040 --> 01:31:44,310

but when you've got stuff that can you

2168

01:31:48,170 --> 01:31:46,050

know and it's not just coming from zero

2169

01:31:49,760 --> 01:31:48,180

reticular or the Pleiades and the future

2170

01:31:52,729 --> 01:31:49,770

coming back as nothing can exist in the

2171

01:31:54,229 --> 01:31:52,739

Pleiades at the moment because it's not

2172

01:31:55,370 --> 01:31:54,239

involved probably the star systems and

2173

01:31:57,680 --> 01:31:55,380

everything there it's in the future

2174

01:31:59,030 --> 01:31:57,690

these beings are coming from what the

2175

01:32:00,680 --> 01:31:59,040

hell do you do with this and what the

2176
01:32:02,990 --> 01:32:00,690
hell do you do when these beings are

2177
01:32:05,450 --> 01:32:03,000
using interdimensional technology to

2178
01:32:06,979 --> 01:32:05,460
travel to point A to point B coming from

2179
01:32:09,080 --> 01:32:06,989
completely other realms that star

2180
01:32:10,910 --> 01:32:09,090
systems and all that don't even exist in

2181
01:32:13,160 --> 01:32:10,920
and I've experienced some of these

2182
01:32:14,959 --> 01:32:13,170
realms and there is no friggin reference

2183
01:32:16,700 --> 01:32:14,969
now some of the realms I've experienced

2184
01:32:18,560 --> 01:32:16,710
there are still star systems or whatnot

2185
01:32:21,050 --> 01:32:18,570
but some of it doesn't now how do you

2186
01:32:22,580 --> 01:32:21,060
tell the people these and this is where

2187
01:32:24,380 --> 01:32:22,590
these things are coming and going

2188
01:32:25,729 --> 01:32:24,390

there's multiple agendas there's

2189

01:32:27,350 --> 01:32:25,739

multiple reasons they're not just a

2190

01:32:29,540 --> 01:32:27,360

tease they're not just from other realms

2191

01:32:31,550 --> 01:32:29,550

some of this I believe is being created

2192

01:32:32,600 --> 01:32:31,560

by people's own thoughts they're saying

2193

01:32:34,790 --> 01:32:32,610

some of these stuff just like

2194

01:32:37,459 --> 01:32:34,800

poltergeist and hora strangest activity

2195

01:32:41,209 --> 01:32:37,469

I think some people are creating it

2196

01:32:42,680 --> 01:32:41,219

I can't prove this is just from what my

2197

01:32:45,169 --> 01:32:42,690

understanding is in the nature of

2198

01:32:46,790 --> 01:32:45,179

reality but you know what does the

2199

01:32:49,120 --> 01:32:46,800

government do and I can understand this

2200

01:32:51,319 --> 01:32:49,130

and at the end of the day I don't think

2201

01:32:53,180 --> 01:32:51,329

people need to know what I know and

2202

01:32:54,680 --> 01:32:53,190

others know and I don't know not even 1%

2203

01:32:56,299 --> 01:32:54,690

air over trillion percent of what's

2204

01:32:57,620 --> 01:32:56,309

going on but as long as people treat

2205

01:33:00,229 --> 01:32:57,630

each other like they want to be treated

2206

01:33:02,029 --> 01:33:00,239

with respect and would give the shirt

2207

01:33:03,620 --> 01:33:02,039

off their back to a fellow human being I

2208

01:33:06,259 --> 01:33:03,630

don't think those type of people need to

2209

01:33:09,259 --> 01:33:06,269

know because I think they live in their

2210

01:33:11,390 --> 01:33:09,269

beliefs did they're good people you know

2211

01:33:13,430 --> 01:33:11,400

and but what doesn't need the change is

2212

01:33:15,589 --> 01:33:13,440

here we treat each other as humanity

2213

01:33:18,259 --> 01:33:15,599

that's something that needs to change in

2214

01:33:20,149 --> 01:33:18,269

you know at the same time don't even

2215

01:33:23,419 --> 01:33:20,159

think if the ETA reality or the other

2216

01:33:24,649 --> 01:33:23,429

roles being revealed to humanity if that

2217

01:33:26,719 --> 01:33:24,659

happened I don't even think that would

2218

01:33:28,339 --> 01:33:26,729

be enough to change it and if it did

2219

01:33:30,140 --> 01:33:28,349

happen old question the agenda behind

2220

01:33:33,859 --> 01:33:30,150

the agenda of letting this be known in

2221

01:33:37,040 --> 01:33:33,869

the first place you know so this is

2222

01:33:39,949 --> 01:33:37,050

where you know people want to talk about

2223

01:33:41,750 --> 01:33:39,959

18l all not used the word 18 UFO to grab

2224

01:33:43,939 --> 01:33:41,760

people's attention with my website my

2225

01:33:46,399 --> 01:33:43,949

footage but the truth of the matter is

2226

01:33:48,259 --> 01:33:46,409

this stuff is so far out there that ata

2227

01:33:50,779 --> 01:33:48,269

is not even 1% of what the hell's going

2228

01:33:53,600 --> 01:33:50,789

on and each day I've opened up more and

2229

01:33:56,109 --> 01:33:53,610

more to other concepts and other

2230

01:33:58,399 --> 01:33:56,119

realities that what I've learned from

2231

01:34:00,620 --> 01:33:58,409

myself with my experiences is some of

2232

01:34:03,560 --> 01:34:00,630

the information are lies to understand a

2233

01:34:05,239 --> 01:34:03,570

greater concept and this is how the

2234

01:34:06,770 --> 01:34:05,249

beings have to work sometimes because

2235

01:34:09,259 --> 01:34:06,780

we've got preconceived notions and the

2236

01:34:10,850 --> 01:34:09,269

body computer program such a way it's

2237

01:34:13,279 --> 01:34:10,860

like you have to be giving it being

2238

01:34:14,839 --> 01:34:13,289

given mind-bending information just to

2239

01:34:17,060 --> 01:34:14,849

expand you a little bit and then I say

2240

01:34:19,669 --> 01:34:17,070

right now that you get that now can hit

2241

01:34:21,020 --> 01:34:19,679

you up with this and a lot of the times

2242

01:34:23,000 --> 01:34:21,030

I'll be asked how could how can I

2243

01:34:25,009 --> 01:34:23,010

believe the information or or what I'm

2244

01:34:26,810 --> 01:34:25,019

being told and it's quite simple is to

2245

01:34:29,779 --> 01:34:26,820

fruit that comes from that knowledge if

2246

01:34:32,000 --> 01:34:29,789

it helps me evolve to become a help me

2247

01:34:34,459 --> 01:34:32,010

to understand myself and want to be

2248

01:34:36,439 --> 01:34:34,469

better and to help others and I

2249

01:34:38,839 --> 01:34:36,449

understand oneness I think that's part

2250

01:34:40,339 --> 01:34:38,849

of a positive nature if it's not it

2251

01:34:41,689 --> 01:34:40,349

could be a trickster intelligence it

2252

01:34:45,319 --> 01:34:41,699

could be something you know quite

2253

01:34:47,870 --> 01:34:45,329

self-serving you know it's different

2254

01:34:49,660 --> 01:34:47,880

ways you can go with this and I don't

2255

01:34:51,790 --> 01:34:49,670

expect anybody to believe

2256

01:34:53,410 --> 01:34:51,800

I've got to say I decided to put the

2257

01:34:55,870 --> 01:34:53,420

information out and he'll always get the

2258

01:34:57,820 --> 01:34:55,880

information out because it's you know

2259

01:34:59,770 --> 01:34:57,830

I've been helped by some other people

2260

01:35:01,419 --> 01:34:59,780

with what they've said and if I can do

2261

01:35:03,040 --> 01:35:01,429

the same back to others that you know

2262

01:35:05,350 --> 01:35:03,050

one day at least you need to be show or

2263

01:35:07,750 --> 01:35:05,360

another and you know and help them

2264

01:35:09,520 --> 01:35:07,760

that's where the payoff is and I believe

2265

01:35:11,520 --> 01:35:09,530

we're doing that you know subconsciously

2266

01:35:14,709 --> 01:35:11,530

all the time with each other hmm

2267

01:35:18,820 --> 01:35:14,719

very good a question up on the message

2268

01:35:21,040 --> 01:35:18,830

board Bobby wants to know what do you

2269

01:35:23,610 --> 01:35:21,050

think they want with you or what are

2270

01:35:26,050 --> 01:35:23,620

they what do you think they're doing

2271

01:35:27,640 --> 01:35:26,060

again it comes down to multiple agendas

2272

01:35:29,530 --> 01:35:27,650

it's like when somebody talks about the

2273

01:35:35,550 --> 01:35:29,540

gradual looks like what way cigars are

2274

01:35:38,410 --> 01:35:35,560

you talking about now is there's

2275

01:35:40,660 --> 01:35:38,420

different races and different types of

2276

01:35:43,209 --> 01:35:40,670

beings that I'm interacting with now the

2277

01:35:45,250 --> 01:35:43,219

younger white actually looking ones from

2278

01:35:47,229 --> 01:35:45,260

I understand you or what I can the only

2279

01:35:50,050 --> 01:35:47,239

described to you as a council of a whole

2280

01:35:52,810 --> 01:35:50,060

in terms of these beings can go

2281

01:35:58,060 --> 01:35:52,820

throughout any vibration any plane and

2282

01:36:00,010 --> 01:35:58,070

they work for basically a top not agenda

2283

01:36:03,880 --> 01:36:00,020

but it's just something that that

2284

01:36:05,590 --> 01:36:03,890

oversees everything they then still free

2285

01:36:08,380 --> 01:36:05,600

will and everything but these guys sort

2286

01:36:11,800 --> 01:36:08,390

of just monitor stuff and they pop they

2287

01:36:13,300 --> 01:36:11,810

still pop in and see me there are white

2288

01:36:14,590 --> 01:36:13,310

I'm just looking it's almost like you I

2289

01:36:16,810 --> 01:36:14,600

should see your red and you touch the

2290

01:36:19,180 --> 01:36:16,820

ash it's like that effect but it's more

2291

01:36:20,740 --> 01:36:19,190

wide than a gray or a black in it it's

2292

01:36:22,930 --> 01:36:20,750

all white but it's got that sort of

2293

01:36:25,450 --> 01:36:22,940

texture to it I've seen these things

2294

01:36:26,890 --> 01:36:25,460

with polls open up during the friggin

2295

01:36:28,419 --> 01:36:26,900

day and duck their head in and look at

2296

01:36:31,240 --> 01:36:28,429

me and then pop out and the sock did I

2297

01:36:32,650 --> 01:36:31,250

just say that there's other bangs for

2298

01:36:34,620 --> 01:36:32,660

example one of the bangs I interact with

2299

01:36:37,060 --> 01:36:34,630

who said she was from the play days

2300

01:36:38,500 --> 01:36:37,070

she's actually from the star my rope in

2301
01:36:40,479 --> 01:36:38,510
the play days and I've been told lately

2302
01:36:42,850 --> 01:36:40,489
she's a gatekeeper of that poll there

2303
01:36:45,520 --> 01:36:42,860
which all stars in all sons of portals

2304
01:36:47,680 --> 01:36:45,530
but it they talk about keys of knowledge

2305
01:36:49,930 --> 01:36:47,690
and the keys of knowledge will allow you

2306
01:36:52,660 --> 01:36:49,940
access to the higher realms that so pass

2307
01:36:54,310 --> 01:36:52,670
star systems and Suns and and all that

2308
01:36:55,360 --> 01:36:54,320
sort of physicality stuff that we see

2309
01:36:58,120 --> 01:36:55,370
here within this universe

2310
01:36:59,410 --> 01:36:58,130
so the to grant access to certain realms

2311
01:37:01,549 --> 01:36:59,420
you need a higher level of consciousness

2312
01:37:03,739 --> 01:37:01,559
which we all have but

2313
01:37:05,329 --> 01:37:03,749

tapping into it I'm known as better than

2314

01:37:08,119 --> 01:37:05,339

anyone else from my understanding from

2315

01:37:09,859 --> 01:37:08,129

this information it's all about us being

2316

01:37:11,329 --> 01:37:09,869

set up coming here at this time to help

2317

01:37:13,969 --> 01:37:11,339

humanity push forward

2318

01:37:16,729 --> 01:37:13,979

I've been shown information how we're a

2319

01:37:18,139 --> 01:37:16,739

mixture of a certain evolved beings and

2320

01:37:20,299 --> 01:37:18,149

that doing what we've done here will

2321

01:37:22,489 --> 01:37:20,309

create on a project intimating with one

2322

01:37:24,979 --> 01:37:22,499

another to basically create super beings

2323

01:37:26,449 --> 01:37:24,989

within the 3d realm from my

2324

01:37:28,609 --> 01:37:26,459

understanding there's stuff that we can

2325

01:37:29,869 --> 01:37:28,619

do that other beings can't do and some

2326

01:37:32,209 --> 01:37:29,879

of the jealous

2327

01:37:33,589 --> 01:37:32,219

for example reptilians they can only do

2328

01:37:36,559 --> 01:37:33,599

thought transfer up to a certain

2329

01:37:38,989 --> 01:37:36,569

distance or a certain room fortunately

2330

01:37:41,869 --> 01:37:38,999

they say us in the body computer we are

2331

01:37:45,049 --> 01:37:41,879

unbounded in what we can do like that

2332

01:37:46,669 --> 01:37:45,059

but we don't know it and we hear these

2333

01:37:49,009 --> 01:37:46,679

things about free energy this and that

2334

01:37:50,509 --> 01:37:49,019

you know we're not ready for it well we

2335

01:37:52,159 --> 01:37:50,519

are ready for it if we had a higher

2336

01:37:55,909 --> 01:37:52,169

level of consciousness with a higher

2337

01:37:58,609 --> 01:37:55,919

level of consciousness we surpass the

2338

01:38:00,199 --> 01:37:58,619

limitations we've got here some of the

2339

01:38:02,179 --> 01:38:00,209

crafts of bending and this being called

2340

01:38:04,009 --> 01:38:02,189

herself Shoji and she first appeared as

2341

01:38:06,579 --> 01:38:04,019

a female being some people have seen

2342

01:38:10,299 --> 01:38:06,589

least being with me and now she pees a

2343

01:38:12,919 --> 01:38:10,309

lot of the time in my mind's eye but

2344

01:38:14,779 --> 01:38:12,929

I've been on cross with her with the

2345

01:38:16,459 --> 01:38:14,789

crafts and the other beings are white

2346

01:38:19,189 --> 01:38:16,469

light beings with the tinge of blue and

2347

01:38:22,959 --> 01:38:19,199

there's the craft appears as a saucer

2348

01:38:25,339 --> 01:38:22,969

but everything's alright and this is how

2349

01:38:27,829 --> 01:38:25,349

they created was through thought

2350

01:38:29,449 --> 01:38:27,839

transfer as a group as a collective now

2351

01:38:31,699 --> 01:38:29,459

people say why the light beings need a

2352

01:38:33,770 --> 01:38:31,709

crowd fools to protect them when they're

2353

01:38:35,719 --> 01:38:33,780

together from other vibrations from my

2354

01:38:36,919 --> 01:38:35,729

understanding and I can understand any

2355

01:38:38,179 --> 01:38:36,929

questions people have got because I've

2356

01:38:40,479 --> 01:38:38,189

got more than what they've got because

2357

01:38:43,309 --> 01:38:40,489

the more I learn the more I want to know

2358

01:38:46,699 --> 01:38:43,319

there's been feline type beings from

2359

01:38:49,099 --> 01:38:46,709

Sirius that I interact with there are

2360

01:38:52,279 --> 01:38:49,109

light blue light beings which have said

2361

01:38:53,449 --> 01:38:52,289

that they're elohim but that they're not

2362

01:38:54,709 --> 01:38:53,459

even that but that's the terminology

2363

01:38:56,569 --> 01:38:54,719

we'll give them and that they're not

2364

01:38:58,849 --> 01:38:56,579

gods or but the closest thing we've got

2365

01:39:00,739 --> 01:38:58,859

reference to his angels i've recently

2366

01:39:02,869 --> 01:39:00,749

had experiences where I've been taking

2367

01:39:05,179 --> 01:39:02,879

the geometric realms and there's being

2368

01:39:07,069 --> 01:39:05,189

geometric Bane's and this is basically

2369

01:39:08,869 --> 01:39:07,079

why above the angelic realm and there's

2370

01:39:12,549 --> 01:39:08,879

even being said how far these beings are

2371

01:39:14,809 --> 01:39:12,559

from us are above them so each time

2372

01:39:15,379 --> 01:39:14,819

something's happening to me lately it's

2373

01:39:19,069 --> 01:39:15,389

been

2374

01:39:20,750 --> 01:39:19,079

what I think I know and now I'm just

2375

01:39:22,729 --> 01:39:20,760

willing to accept I don't know a friggin

2376

01:39:25,729 --> 01:39:22,739

theme because the more my experience has

2377

01:39:28,040 --> 01:39:25,739

happened the more I learn I don't know

2378

01:39:30,140 --> 01:39:28,050

and that you know I laugh at a lot of

2379

01:39:31,609 --> 01:39:30,150

these researchers and everyone else they

2380

01:39:33,859 --> 01:39:31,619

claim to know that they've got all the

2381

01:39:35,600 --> 01:39:33,869

answers I'll had people engineers in

2382

01:39:37,339 --> 01:39:35,610

America that think they know it all and

2383

01:39:39,049 --> 01:39:37,349

then they come and talk to men and what

2384

01:39:40,580 --> 01:39:39,059

ye talking to me if you know it all and

2385

01:39:42,859 --> 01:39:40,590

then a week later contact me again in

2386

01:39:44,780 --> 01:39:42,869

gone geez I thought I knew it all but

2387

01:39:46,640 --> 01:39:44,790

paid this happen and I laugh because

2388

01:39:49,189 --> 01:39:46,650

that's exactly what happens we don't

2389

01:39:50,689 --> 01:39:49,199

know what's going on there's people like

2390

01:39:52,520 --> 01:39:50,699

Mary world war who's two or three

2391

01:39:55,310 --> 01:39:52,530

thousand people she's had his clients

2392

01:39:58,580 --> 01:39:55,320

now and we've got people like this Boyle

2393

01:40:00,260 --> 01:39:58,590

I know in Solomon parks who's a council

2394

01:40:02,359 --> 01:40:00,270

or something for the government the

2395

01:40:05,060 --> 01:40:02,369

Labour Party I think in in a in England

2396

01:40:06,560 --> 01:40:05,070

who I've had a macho and these kid are

2397

01:40:08,390 --> 01:40:06,570

these guys understand each other in

2398

01:40:10,459 --> 01:40:08,400

Mantid language and all these sort of

2399

01:40:11,089 --> 01:40:10,469

stuff there's so much cross correlating

2400

01:40:13,370 --> 01:40:11,099

things

2401
01:40:15,620 --> 01:40:13,380
My partner story to speak star language

2402
01:40:17,149 --> 01:40:15,630
and and talks to people and they

2403
01:40:19,459 --> 01:40:17,159
understand what she's saying she

2404
01:40:21,200 --> 01:40:19,469
understands them now there's all these

2405
01:40:22,640 --> 01:40:21,210
different things going on it and the

2406
01:40:24,260 --> 01:40:22,650
amount of beings I've interacted with I

2407
01:40:26,419 --> 01:40:24,270
can't even tell you how many there are

2408
01:40:29,450 --> 01:40:26,429
now but it seems that the more you

2409
01:40:32,149 --> 01:40:29,460
awaken the more you'll you'll interact

2410
01:40:34,010 --> 01:40:32,159
with now I'm not awake it's like one eye

2411
01:40:37,069 --> 01:40:34,020
was open one millimeter just starting to

2412
01:40:40,189 --> 01:40:37,079
open and I'm starting to to wake up to

2413
01:40:42,080 --> 01:40:40,199

to who I am and if you talk to enough

2414

01:40:43,700 --> 01:40:42,090

experiences behind the scenes and even

2415

01:40:45,169 --> 01:40:43,710

some researchers and you gotta ask

2416

01:40:46,280 --> 01:40:45,179

researchers why they're doing what

2417

01:40:48,410 --> 01:40:46,290

they're doing is a lot of the time

2418

01:40:49,939 --> 01:40:48,420

they've had experiences a lot of the

2419

01:40:50,540 --> 01:40:49,949

time do you get them off mark bother

2420

01:40:52,399 --> 01:40:50,550

themselves

2421

01:40:54,260 --> 01:40:52,409

you pull into a corner of the room and

2422

01:40:55,490 --> 01:40:54,270

you go why the hell you researching this

2423

01:40:57,319 --> 01:40:55,500

and you've been doing it for 40 years

2424

01:40:58,910 --> 01:40:57,329

you'll find out that they've had an

2425

01:41:01,129 --> 01:40:58,920

experience and what a lot of this is

2426

01:41:04,250 --> 01:41:01,139

about is about who you are individually

2427

01:41:06,500 --> 01:41:04,260

and who we are as a collective not just

2428

01:41:09,680 --> 01:41:06,510

here on earth but universally and beyond

2429

01:41:12,410 --> 01:41:09,690

and that's why people like me are having

2430

01:41:14,870 --> 01:41:12,420

experiences and other people we're not

2431

01:41:16,280 --> 01:41:14,880

special but we've got intent and we've

2432

01:41:18,560 --> 01:41:16,290

had something happen enough where we

2433

01:41:20,870 --> 01:41:18,570

wake up to a purpose of being here and

2434

01:41:22,250 --> 01:41:20,880

while we do what we do a lot of people

2435

01:41:24,260 --> 01:41:22,260

are doing stuff they don't know why

2436

01:41:26,359 --> 01:41:24,270

they're doing it and it's in in service

2437

01:41:27,510 --> 01:41:26,369

mode now some of these people can't

2438

01:41:29,820 --> 01:41:27,520

handle the reality on

2439

01:41:31,050 --> 01:41:29,830

no you know people who've been around me

2440

01:41:33,620 --> 01:41:31,060

and I said they could handle an

2441

01:41:36,060 --> 01:41:33,630

experience and they've had an experience

2442

01:41:38,100 --> 01:41:36,070

their life is going to crap for quite

2443

01:41:39,540 --> 01:41:38,110

some time because I said to him be

2444

01:41:43,110 --> 01:41:39,550

careful what you wish for and I've seen

2445

01:41:44,850 --> 01:41:43,120

a brand grow my room and they're lost

2446

01:41:46,590 --> 01:41:44,860

they cracked because they thought they

2447

01:41:48,030 --> 01:41:46,600

could handle it and they couldn't so

2448

01:41:50,460 --> 01:41:48,040

this is where a lot of this has got to

2449

01:41:51,780 --> 01:41:50,470

do with intent and really noticing your

2450

01:41:54,690 --> 01:41:51,790

thoughts and where they're coming from

2451

01:41:56,910 --> 01:41:54,700

that I've learned in the later years

2452

01:41:58,320 --> 01:41:56,920

lately from from my experience it's just

2453

01:42:03,180 --> 01:41:58,330

like I know when to go outside to see

2454

01:42:07,740 --> 01:42:03,190

crafters is it's taken me places and in

2455

01:42:09,480 --> 01:42:07,750

realms of thoughts and ideas that you

2456

01:42:11,700 --> 01:42:09,490

know is this stuff that I you know some

2457

01:42:13,350 --> 01:42:11,710

of I consider you know I question my

2458

01:42:14,580 --> 01:42:13,360

sanity sometimes but you know when I'm

2459

01:42:17,250 --> 01:42:14,590

filming these stuff and people are

2460

01:42:20,670 --> 01:42:17,260

witnessing it with me in my own home and

2461

01:42:22,470 --> 01:42:20,680

and wherever I go and then they start

2462

01:42:24,720 --> 01:42:22,480

having experiences too you know this is

2463

01:42:26,700 --> 01:42:24,730

where you got to go you know some days

2464

01:42:28,140 --> 01:42:26,710

you got to lose you crap because you

2465

01:42:30,600 --> 01:42:28,150

just can't function and some days you

2466

01:42:34,800 --> 01:42:30,610

just get on with it but it you know so

2467

01:42:36,840 --> 01:42:34,810

quite a wild ride right question up on

2468

01:42:38,730 --> 01:42:36,850

the message board going all the way back

2469

01:42:43,710 --> 01:42:38,740

when you're talking about the ashen or

2470

01:42:45,000 --> 01:42:43,720

the that color what what to someone

2471

01:42:52,410 --> 01:42:45,010

wants to know what those particular

2472

01:42:56,190 --> 01:42:52,420

beings looked like I had tawny tawny

2473

01:42:57,240 --> 01:42:56,200

tawny noses I don't even think if you

2474

01:42:59,640 --> 01:42:57,250

looked at him quickly you wouldn't maybe

2475

01:43:01,320 --> 01:42:59,650

say it he's just walking the reason why

2476

01:43:02,640 --> 01:43:01,330

I know these in detail is because always

2477

01:43:04,140 --> 01:43:02,650

to wake up to these friggin things

2478

01:43:06,000 --> 01:43:04,150

standing over me in bed when I was eight

2479

01:43:09,150 --> 01:43:06,010

years old between eight and twelve I've

2480

01:43:11,400 --> 01:43:09,160

narrowed it down to anyway they've got

2481

01:43:15,870 --> 01:43:11,410

more of a you know how a human heads

2482

01:43:17,730 --> 01:43:15,880

oval like it's that shape I've seen

2483

01:43:21,390 --> 01:43:17,740

other ones that almost have a head like

2484

01:43:23,310 --> 01:43:21,400

Roger of American Dad but their brand

2485

01:43:25,200 --> 01:43:23,320

their these are what I will refer to

2486

01:43:26,820 --> 01:43:25,210

news the Orion grow so the tall ones

2487

01:43:29,220 --> 01:43:26,830

about five foot like that but these guys

2488

01:43:30,750 --> 01:43:29,230

there's about four or five and a half

2489

01:43:33,000 --> 01:43:30,760

foot ones and then ones that are up

2490

01:43:35,280 --> 01:43:33,010

around a seven foot and their shape

2491

01:43:37,920 --> 01:43:35,290

isn't that like a human head almost like

2492

01:43:39,750 --> 01:43:37,930

an oval and the eyes would be probably

2493

01:43:41,160 --> 01:43:39,760

two times the size of our eyes and

2494

01:43:43,350 --> 01:43:41,170

completely black

2495

01:43:45,240 --> 01:43:43,360

very small mouth you could publish up to

2496

01:43:48,600 --> 01:43:45,250

fingers in their mouth and that would be

2497

01:43:50,310 --> 01:43:48,610

like ramming it in there if I grabbed

2498

01:43:54,840 --> 01:43:50,320

their arm it's like I could just push

2499

01:43:57,540 --> 01:43:54,850

with my thumb and snap it very thin

2500

01:44:00,030 --> 01:43:57,550

there has been locking it with these

2501
01:44:02,790 --> 01:44:00,040
guys and the brand guys is sometimes

2502
01:44:05,370 --> 01:44:02,800
been almost like an alcohol smell not

2503
01:44:10,320 --> 01:44:05,380
like booze but you know like first aid

2504
01:44:12,240 --> 01:44:10,330
alcohol but makes me something else and

2505
01:44:14,160 --> 01:44:12,250
I feel is something natural like a

2506
01:44:17,040 --> 01:44:14,170
flower or a plant but I can't put my

2507
01:44:18,710 --> 01:44:17,050
finger on it um but that's just what my

2508
01:44:20,850 --> 01:44:18,720
mind is telling me when we're not even

2509
01:44:21,900 --> 01:44:20,860
obvious about this smell and I'm trying

2510
01:44:26,490 --> 01:44:21,910
to figure out what the hell it's like

2511
01:44:30,510 --> 01:44:26,500
but I can't exactly there's no private

2512
01:44:33,240 --> 01:44:30,520
parts or anything it's just I don't know

2513
01:44:34,830 --> 01:44:33,250

like these ones are intelligence they

2514

01:44:36,690 --> 01:44:34,840

got their own consciousness I know other

2515

01:44:38,430 --> 01:44:36,700

ones have been created but they're

2516

01:44:40,380 --> 01:44:38,440

they're different

2517

01:44:41,580 --> 01:44:40,390

you saw you almost get a robotic feel

2518

01:44:43,080 --> 01:44:41,590

from some of them are some of them

2519

01:44:44,400 --> 01:44:43,090

they've got their own intelligence

2520

01:44:45,300 --> 01:44:44,410

they've almost got a sense of humor

2521

01:44:50,760 --> 01:44:45,310

which style project we thought

2522

01:44:57,780 --> 01:44:55,770

oh yeah more than half of what I talk

2523

01:44:59,910 --> 01:44:57,790

about is while I'm awake like now and a

2524

01:45:03,330 --> 01:44:59,920

lot of it has been during the day this

2525

01:45:08,970 --> 01:45:03,340

is not stuff I would say for 10% of

2526

01:45:11,460 --> 01:45:08,980

stuff is when I wake up at night like

2527

01:45:14,150 --> 01:45:11,470

like I can't even put a percentage OH

2528

01:45:17,370 --> 01:45:14,160

even when 80% of this is during the day

2529

01:45:18,560 --> 01:45:17,380

and I've logged everything the best that

2530

01:45:21,030 --> 01:45:18,570

I can in my books

2531

01:45:22,500 --> 01:45:21,040

so this is where what's happening to me

2532

01:45:23,970 --> 01:45:22,510

is different with others and again that

2533

01:45:26,730 --> 01:45:23,980

I've got witness testimony and that to

2534

01:45:28,710 --> 01:45:26,740

people experiencing this stuff with me

2535

01:45:31,740 --> 01:45:28,720

they each one photo on the front page of

2536

01:45:34,140 --> 01:45:31,750

my website where you can see this misty

2537

01:45:36,930 --> 01:45:34,150

sort of stuff and Anna Gray's face in it

2538

01:45:38,940 --> 01:45:36,940

a lot of the time now I'll have the

2539

01:45:41,250 --> 01:45:38,950

crafts land in my bedroom at night wake

2540

01:45:43,800 --> 01:45:41,260

up and these bangs are almost like an

2541

01:45:46,140 --> 01:45:43,810

apparition I'm even when I've been out

2542

01:45:48,420 --> 01:45:46,150

sky watching whether you used UV cameras

2543

01:45:50,910 --> 01:45:48,430

infrared cameras cameras with the flash

2544

01:45:52,590 --> 01:45:50,920

cameras without the flash to try and get

2545

01:45:54,080 --> 01:45:52,600

some of these when this happen is

2546

01:45:57,320 --> 01:45:54,090

nothing were

2547

01:45:59,089 --> 01:45:57,330

or it just can't be captured but I

2548

01:46:00,350 --> 01:45:59,099

didn't want to talk about this for a

2549

01:46:02,270 --> 01:46:00,360

while and I've only started recently

2550

01:46:04,820 --> 01:46:02,280

talking about it but what it's like is

2551

01:46:06,680 --> 01:46:04,830

if you see in a full-blown apparition

2552

01:46:10,459 --> 01:46:06,690

and if you can imagine that as an actual

2553

01:46:12,589 --> 01:46:10,469

craft whether it's Paul shade this cigar

2554

01:46:14,810 --> 01:46:12,599

shape whatever shape it is and you can

2555

01:46:16,430 --> 01:46:14,820

imagine that landing on you this is what

2556

01:46:19,310 --> 01:46:16,440

happens a lot of the time you aren't

2557

01:46:21,830 --> 01:46:19,320

taken to other star systems or anything

2558

01:46:24,050 --> 01:46:21,840

a craft will land on you

2559

01:46:27,589 --> 01:46:24,060

somehow they bar bait you into their

2560

01:46:30,050 --> 01:46:27,599

field into their vibration and it will

2561

01:46:32,649 --> 01:46:30,060

appear as physical as this reality now

2562

01:46:34,729 --> 01:46:32,659

and then they'll put you back in bed

2563

01:46:36,439 --> 01:46:34,739

really without taking you anywhere

2564

01:46:37,970 --> 01:46:36,449

they've just landed on you they vibrated

2565

01:46:39,830 --> 01:46:37,980

you out done what they need to do or

2566

01:46:42,350 --> 01:46:39,840

interact with you and however they need

2567

01:46:44,510 --> 01:46:42,360

to do and then you're vibrated back

2568

01:46:46,070 --> 01:46:44,520

funny enough when I did start talking

2569

01:46:49,459 --> 01:46:46,080

about these some people have told me

2570

01:46:52,070 --> 01:46:49,469

that the Native Americans in America the

2571

01:46:55,580 --> 01:46:52,080

Indians have talked about a similar

2572

01:46:56,870 --> 01:46:55,590

thing and even tribute stuff later on

2573

01:46:58,609 --> 01:46:56,880

that I started to experience and

2574

01:47:00,290 --> 01:46:58,619

continue to this day sometimes I'll be

2575

01:47:04,310 --> 01:47:00,300

filming the craft and I'm on the craft

2576

01:47:05,959 --> 01:47:04,320

looking down at myself and talking to

2577

01:47:09,680 --> 01:47:05,969

I'm not talking about hearing dr. gray

2578

01:47:11,540 --> 01:47:09,690

and others as of late they've described

2579

01:47:13,700 --> 01:47:11,550

similar things that they experienced

2580

01:47:15,709 --> 01:47:13,710

when they're having an experience now

2581

01:47:17,510 --> 01:47:15,719

whether that's another facet of you

2582

01:47:19,609 --> 01:47:17,520

which I tend to believe sometimes is on

2583

01:47:21,410 --> 01:47:19,619

the craft looking at yourself or whether

2584

01:47:23,540 --> 01:47:21,420

they're sending the thought transfer in

2585

01:47:26,270 --> 01:47:23,550

that projection to your mind to say that

2586

01:47:27,560 --> 01:47:26,280

that's another you know that's up for

2587

01:47:30,140 --> 01:47:27,570

debate as well just like the almost

2588

01:47:32,270 --> 01:47:30,150

every single thing I'm I'm stating here

2589

01:47:33,589 --> 01:47:32,280

because again I'm happy to say I can't

2590

01:47:34,879 --> 01:47:33,599

prove all this I've got a hell of a lot

2591

01:47:37,729 --> 01:47:34,889

of footage and a lot of witnesses but

2592

01:47:41,390 --> 01:47:37,739

again if I could prove this or Billy

2593

01:47:42,830 --> 01:47:41,400

Mayer I could all that Antonio that

2594

01:47:44,180 --> 01:47:42,840

Italian bloke with the awesome footage

2595

01:47:45,379 --> 01:47:44,190

he's got if we could prove this we

2596

01:47:47,750 --> 01:47:45,389

wouldn't be sitting here having this

2597

01:47:50,060 --> 01:47:47,760

conversation so this is where I expect

2598

01:47:52,640 --> 01:47:50,070

the skepticism but this is stuff that

2599

01:47:54,260 --> 01:47:52,650

you know remember before I was talking

2600

01:47:56,030 --> 01:47:54,270

about how some people experience stuff

2601

01:47:58,070 --> 01:47:56,040

but won't talk about the real fire ant

2602

01:48:00,169 --> 01:47:58,080

stuff that's one of the things that

2603

01:48:02,740 --> 01:48:00,179

aspire to me that I'm on the craft

2604

01:48:05,030 --> 01:48:02,750

sometimes is on film in the craft

2605

01:48:07,160 --> 01:48:05,040

sometimes I'm getting full blind thought

2606

01:48:09,410 --> 01:48:07,170

transitory communication with it

2607

01:48:12,230 --> 01:48:09,420

I've got that many people that witness

2608

01:48:13,880 --> 01:48:12,240

we go they're here right now and we go

2609

01:48:15,650 --> 01:48:13,890

out in the crafts are there exactly when

2610

01:48:17,090 --> 01:48:15,660

I say and it's not like I'm summoning

2611

01:48:19,970 --> 01:48:17,100

you it's just like as if I've been

2612

01:48:21,980 --> 01:48:19,980

called to go outside and it's you know

2613

01:48:23,660 --> 01:48:21,990

and I can put the thought out as well

2614

01:48:26,660 --> 01:48:23,670

now if they walk up it's another thing

2615

01:48:28,280 --> 01:48:26,670

it's just like if I like you takes me

2616

01:48:30,050 --> 01:48:28,290

yesterday to see them I'll come on the

2617

01:48:31,550 --> 01:48:30,060

show either I can or Akana

2618

01:48:33,740 --> 01:48:31,560

it's just like that with these guys if

2619

01:48:36,560 --> 01:48:33,750

they're in the vicinity if they can they

2620

01:48:38,450 --> 01:48:36,570

can you know do that you know they can

2621

01:48:40,970 --> 01:48:38,460

if they can't they can't and this is why

2622

01:48:43,220 --> 01:48:40,980

I'm very skeptical about you know what

2623

01:48:45,140 --> 01:48:43,230

people call summoning and all that sort

2624

01:48:46,970 --> 01:48:45,150

of thing because there is a two-way

2625

01:48:50,360 --> 01:48:46,980

dialogue and once you start to

2626

01:48:52,370 --> 01:48:50,370

understand that and you know these

2627

01:48:54,470 --> 01:48:52,380

things aren't just eat here it's far

2628

01:48:56,030 --> 01:48:54,480

beyond that a lot of what people are

2629

01:48:58,070 --> 01:48:56,040

interacting with the other facets of

2630

01:49:01,310 --> 01:48:58,080

themselves which I've learnt in the last

2631

01:49:05,090 --> 01:49:01,320

year that's where you go on another

2632

01:49:08,750 --> 01:49:05,100

tangent of trying to absorb this because

2633

01:49:10,880 --> 01:49:08,760

it makes that scenario very smaller the

2634

01:49:15,080 --> 01:49:10,890

whole process of trying to understand

2635

01:49:20,870 --> 01:49:15,090

these right Fred was asking earlier can

2636

01:49:23,510 --> 01:49:20,880

you describe star language I know a

2637

01:49:26,630 --> 01:49:23,520

couple of words which I've started to do

2638

01:49:29,050 --> 01:49:26,640

it freaks me out but um hi a car

2639

01:49:31,730 --> 01:49:29,060

now that's something that I've got and

2640

01:49:34,040 --> 01:49:31,740

it's got to do with so I'm sort of

2641

01:49:38,660 --> 01:49:34,050

awakening thing in a turban Orion but

2642

01:49:41,710 --> 01:49:38,670

what I could do now is I could probably

2643

01:49:44,180 --> 01:49:41,720

get up a audio clip of my partner

2644

01:49:45,440 --> 01:49:44,190

talking styling which but I don't I

2645

01:49:46,880 --> 01:49:45,450

don't know for sure because I haven't

2646

01:49:50,510 --> 01:49:46,890

got it on my computer I'll have to go on

2647

01:49:51,590 --> 01:49:50,520

the internet but if you can go and type

2648

01:49:57,950 --> 01:49:51,600

in songwriter

2649

01:49:59,840 --> 01:49:57,960

it's o lr8 a a in styling weed or so

2650

01:50:01,520 --> 01:49:59,850

later psychic her website will come up

2651
01:50:04,910 --> 01:50:01,530
and she's got monthly videos where she

2652
01:50:06,950 --> 01:50:04,920
does syrian star language obviously and

2653
01:50:08,300 --> 01:50:06,960
people brought the tears buyer and these

2654
01:50:10,060 --> 01:50:08,310
people have been full grown and there's

2655
01:50:12,530 --> 01:50:10,070
some of these dudes are skeptical and

2656
01:50:14,270 --> 01:50:12,540
it's like like something's been

2657
01:50:18,500 --> 01:50:14,280
activated or there's a memory or they

2658
01:50:20,700 --> 01:50:18,510
know this language it's it's very weird

2659
01:50:22,650 --> 01:50:20,710
and a few what would say a what

2660
01:50:25,470 --> 01:50:22,660
words would equate to like a book of

2661
01:50:28,680 --> 01:50:25,480
knowledge or pages of information

2662
01:50:32,700 --> 01:50:28,690
it's more of an energetic thought

2663
01:50:36,540 --> 01:50:32,710

transfer with it behind the the language

2664

01:50:38,520 --> 01:50:36,550

but if you're typing so later even if

2665

01:50:40,470 --> 01:50:38,530

you go to my website and scroll down to

2666

01:50:42,450 --> 01:50:40,480

the links I've got on the front page it

2667

01:50:44,490 --> 01:50:42,460

would be soul readings I think it is you

2668

01:50:46,800 --> 01:50:44,500

click on that picture and it'll take you

2669

01:50:48,479 --> 01:50:46,810

to a website and there's lots of video

2670

01:50:50,340 --> 01:50:48,489

she's even got a documentary out as well

2671

01:50:52,560 --> 01:50:50,350

and she's been doing it for years so

2672

01:50:57,780 --> 01:50:52,570

yeah just look at those resources to

2673

01:50:59,459 --> 01:50:57,790

hear okay someone was saying they didn't

2674

01:51:01,229 --> 01:50:59,469

get a chance to write that down can you

2675

01:51:04,050 --> 01:51:01,239

just repeat real quickly where to look

2676

01:51:13,290 --> 01:51:04,060

that up again yes so ratio is in I'm

2677

01:51:15,720 --> 01:51:13,300

sorry s o L a T I saw later just put

2678

01:51:17,130 --> 01:51:15,730

psychic behind it or star language and I

2679

01:51:18,479 --> 01:51:17,140

think she's the only person that will

2680

01:51:20,520 --> 01:51:18,489

come out with the word spelt that way

2681

01:51:21,690 --> 01:51:20,530

from my understanding though so it

2682

01:51:25,890 --> 01:51:21,700

shouldn't be too hard to find from then

2683

01:51:28,290 --> 01:51:25,900

on yeah thank you for that so just

2684

01:51:29,760 --> 01:51:28,300

moving along someone actually when we

2685

01:51:34,470 --> 01:51:29,770

were talking about when you're talking

2686

01:51:36,510 --> 01:51:34,480

about the physical look of being someone

2687

01:51:38,870 --> 01:51:36,520

was asking how many digits did you

2688

01:51:41,850 --> 01:51:38,880

notice how many digits on their hands I

2689

01:51:43,620 --> 01:51:41,860

saw apply to spray some of notice for it

2690

01:51:45,959 --> 01:51:43,630

just depends on the on the top of bang

2691

01:51:50,370 --> 01:51:45,969

then wonders a for I think the white

2692

01:51:52,590 --> 01:51:50,380

ones from I don't say these ones that

2693

01:51:55,100 --> 01:51:52,600

much so I saw him a lot when I was a kid

2694

01:51:57,209 --> 01:51:55,110

again I didn't know what they were I

2695

01:51:58,410 --> 01:51:57,219

didn't think they alien I didn't think

2696

01:51:59,670 --> 01:51:58,420

though I didn't know what the hell it

2697

01:52:01,200 --> 01:51:59,680

was I used to put the shade out of my

2698

01:52:03,540 --> 01:52:01,210

head they used actually one of them used

2699

01:52:05,370 --> 01:52:03,550

to appear is Kurt Cobain to me until one

2700

01:52:07,200 --> 01:52:05,380

day started to vibrate between Kurt

2701
01:52:09,600 --> 01:52:07,210
Cobain and me singing it was because I

2702
01:52:11,580 --> 01:52:09,610
was into Nirvana at such young age from

2703
01:52:13,260 --> 01:52:11,590
my by my brother that I think they

2704
01:52:16,979 --> 01:52:13,270
decided to show themselves like that

2705
01:52:23,220 --> 01:52:16,989
originally but most of them that I've

2706
01:52:25,770 --> 01:52:23,230
seen have had four digits okay now we're

2707
01:52:27,360 --> 01:52:25,780
talking kind of all different types of

2708
01:52:29,990 --> 01:52:27,370
different things here so I wanted to ask

2709
01:52:34,229 --> 01:52:30,000
you while we're bouncing around a bit

2710
01:52:35,209 --> 01:52:34,239
any crypto situation in Australia that

2711
01:52:40,830 --> 01:52:35,219
you're

2712
01:52:43,850 --> 01:52:40,840
yeah very there is one black of hanumana

2713
01:52:46,649 --> 01:52:43,860

who is a part in his film stuff with me

2714

01:52:49,050 --> 01:52:46,659

Steve Harrison we will make Harrison we

2715

01:52:50,640 --> 01:52:49,060

call him as well or Styx

2716

01:52:53,790 --> 01:52:50,650

he was actually on Charles's property a

2717

01:52:55,530 --> 01:52:53,800

trade being bent over perfectly I think

2718

01:52:59,010 --> 01:52:55,540

once you'd walk through that area and

2719

01:53:03,750 --> 01:52:59,020

gone back but he's a we are Bigfoot and

2720

01:53:06,209 --> 01:53:03,760

big cats investigator in researcher I've

2721

01:53:08,910 --> 01:53:06,219

had some experiences myself with Bigfoot

2722

01:53:10,950 --> 01:53:08,920

up here my partner has as well when

2723

01:53:13,320 --> 01:53:10,960

we've been together and I actually had a

2724

01:53:15,360 --> 01:53:13,330

reptilian experience where I was taken I

2725

01:53:16,649 --> 01:53:15,370

didn't know for about a year year and a

2726

01:53:18,390 --> 01:53:16,659

half but I was taken somewhere

2727

01:53:19,919 --> 01:53:18,400

underground I don't know if it was

2728

01:53:21,840 --> 01:53:19,929

Australia or not but though I was

2729

01:53:25,709 --> 01:53:21,850

revealed later though earth type

2730

01:53:27,450 --> 01:53:25,719

reptilians but there is lots going on

2731

01:53:29,970 --> 01:53:27,460

here we've got the the bunyip which is

2732

01:53:32,430 --> 01:53:29,980

some we'd four-legged screwed up looking

2733

01:53:34,979 --> 01:53:32,440

for there's some crazy stuff that the

2734

01:53:37,590 --> 01:53:34,989

people report over here and abundance

2735

01:53:39,030 --> 01:53:37,600

we've got a big history but I think we

2736

01:53:39,990 --> 01:53:39,040

called the Yowie even though I still

2737

01:53:42,510 --> 01:53:40,000

call a Bigfoot

2738

01:53:45,479 --> 01:53:42,520

yeah he's basically another type of

2739

01:53:46,800 --> 01:53:45,489

Bigfoot lots of reports to get up and

2740

01:53:51,330 --> 01:53:46,810

down the east coast of these type of

2741

01:53:53,250 --> 01:53:51,340

theme there is there is a long history

2742

01:53:55,649 --> 01:53:53,260

with the aboriginals here the Australian

2743

01:53:58,320 --> 01:53:55,659

Aboriginals with they call them the

2744

01:54:01,320 --> 01:53:58,330

little hairy people or the other tall

2745

01:54:05,000 --> 01:54:01,330

hairy people the mean mean lights which

2746

01:54:09,629 --> 01:54:07,680

yeah that's there are lots of other

2747

01:54:12,570 --> 01:54:09,639

things but the reports are mainly he

2748

01:54:14,340 --> 01:54:12,580

will be about that all big cats there's

2749

01:54:16,229 --> 01:54:14,350

there's lots of stuff with big cats in

2750

01:54:17,970 --> 01:54:16,239

the area we've seen these things we've

2751
01:54:20,040 --> 01:54:17,980
got Panthers or something now there are

2752
01:54:22,770 --> 01:54:20,050
rumors that when the Americans were here

2753
01:54:24,510 --> 01:54:22,780
during World War two that a few of these

2754
01:54:26,189 --> 01:54:24,520
cats got away that they'd brought with

2755
01:54:27,930 --> 01:54:26,199
him or I think they bought him for

2756
01:54:31,050 --> 01:54:27,940
tracking or something like that it was

2757
01:54:32,189 --> 01:54:31,060
told and some of them got away but you

2758
01:54:33,330 --> 01:54:32,199
know you wouldn't want to encounter one

2759
01:54:35,459 --> 01:54:33,340
of these things there's been some

2760
01:54:36,990 --> 01:54:35,469
evidence shown about of scratch marks on

2761
01:54:38,879 --> 01:54:37,000
cows where they're being killed and the

2762
01:54:42,570 --> 01:54:38,889
these claws and the things that you know

2763
01:54:45,300 --> 01:54:42,580

gigantic but you know some of it I think

2764

01:54:47,010 --> 01:54:45,310

is good a a paranormal that I think the

2765

01:54:48,620 --> 01:54:47,020

paranormal is really normal I think it's

2766

01:54:51,080 --> 01:54:48,630

got a paranormal spin to it you know

2767

01:54:52,340 --> 01:54:51,090

the bigfoot-type thing but some of it

2768

01:54:54,740 --> 01:54:52,350

you know with the cats might be

2769

01:54:56,540 --> 01:54:54,750

explainable okay I didn't realize this

2770

01:54:58,040 --> 01:54:56,550

we're right at the end of the show I'm

2771

01:55:01,580 --> 01:54:58,050

sorry I thought we had a couple minutes

2772

01:55:02,090 --> 01:55:01,590

left so so that's it thank you very much

2773

01:55:04,070 --> 01:55:02,100

Peter

2774

01:55:06,979 --> 01:55:04,080

now let's bow on thank you very much to

2775

01:55:08,959 --> 01:55:06,989

2776

01:55:11,780 --> 01:55:08,969

show this evening I want to thank

everyone for helping out first of all I

2778

01:55:16,580 --> 01:55:13,800

want to thank Alejandro Rojas for

2779

01:55:18,110 --> 01:55:16,590

helping me with the news and I want to

2780

01:55:20,270 --> 01:55:18,120

thank you the listener for putting up

2781

01:55:24,050 --> 01:55:20,280

with how we had to shift things around

2782

01:55:26,780 --> 01:55:24,060

and have story Musgrave on first put the

2783

01:55:28,430 --> 01:55:26,790

news in in the middle it was a there was

2784

01:55:30,169 --> 01:55:28,440

a little bit of an undertaking and I

2785

01:55:32,930 --> 01:55:30,179

really thank you for your patience I

2786

01:55:36,080 --> 01:55:32,940

last minute much appreciated and for

2790

01:55:46,129 --> 01:55:43,050

show Carrie Lloyd Whitehouse for our

2792

01:55:49,459 --> 01:55:47,699

01:56:08,390 --> 01:56:06,630

the show again and that's all because of

2801
01:56:10,220 --> 01:56:08,400

us out with I can reach out to people

2803
01:56:17,300 --> 01:56:13,560
like him and I appreciate that next week

2804
01:56:20,120 --> 01:56:17,310
we are going to be live and that is may

2805
01:56:22,129 --> 01:56:20,130
6 next Wednesday it's going to be in

2806
01:56:25,399 --> 01:56:22,139
Portland Maine I'm trying to gather up

2807
01:56:28,820 --> 01:56:25,409
some UFO people in a state of Maine and

2808
01:56:31,280 --> 01:56:28,830
we'll see how that goes you can check us

2809
01:56:34,189 --> 01:56:31,290
out live right here on the dark matter

2810
01:56:36,410 --> 01:56:34,199
radio network and every Wednesday at 8

2811
01:56:37,700 --> 01:56:36,420
p.m. to 10 p.m. Eastern Standard Time

2812
01:56:39,950 --> 01:56:37,710
and if you've been paying attention

2813
01:56:42,200 --> 01:56:39,960

you'll see that art Bell is coming up

2814

01:56:44,090 --> 01:56:42,210

I think it's late July he'll be back on

2815

01:56:47,000 --> 01:56:44,100

this very Network right here we're

2816

01:56:48,560 --> 01:56:47,010

really excited about it to have him back

2817

01:56:51,500 --> 01:56:48,570

on the air again it'll be a real

2818

01:56:53,899 --> 01:56:51,510

pleasure he's only looking for help from

2819

01:56:56,479 --> 01:56:53,909

listeners out there at five dollars per

2820

01:56:59,209 --> 01:56:56,489

month now he has bandwidth he has new

2821

01:57:02,480 --> 01:56:59,219

equipment to be taken care of he also

2822

01:57:04,970 --> 01:57:02,490

has music that he has to pay for

2823

01:57:07,430 --> 01:57:04,980

which is very expensive so I'm sure this

2824

01:57:09,770 --> 01:57:07,440

station is gonna get a lot of listens

2825

01:57:12,410 --> 01:57:09,780

when he comes back and again it'll be

2826

01:57:15,230 --> 01:57:12,420

great to have him back so if you need to

2827

01:57:17,870 --> 01:57:15,240

2828

01:57:19,970 --> 01:57:17,880
