

1  
00:00:03,169 --> 00:00:02,389  
and it hits me oh my gosh this is that

2  
00:00:04,249 --> 00:00:03,179  
triangle

3  
00:00:05,360 --> 00:00:04,259  
you know there's explanation for

4  
00:00:06,710 --> 00:00:05,370  
everything that occurred in the

5  
00:00:09,169 --> 00:00:06,720  
Rendlesham forest incident

6  
00:00:12,049 --> 00:00:09,179  
it doesn't involve aliens at all it was

7  
00:00:15,379 --> 00:00:12,059  
completely silent it comes right over

8  
00:00:17,210 --> 00:00:15,389  
our head it's so classic flying-saucer

9  
00:00:18,830 --> 00:00:17,220  
really standing in the clearing he

10  
00:00:20,450 --> 00:00:18,840  
turned over to my father and held his

11  
00:00:26,960 --> 00:00:20,460  
hand and he looked in his eyes and said

12  
00:00:29,599 --> 00:00:26,970  
we're not alone welcome to podcast UFO

13  
00:00:31,429 --> 00:00:29,609

for our live show we're live every

14

00:00:34,040 --> 00:00:31,439

Wednesday at 8 p.m. Eastern Standard

15

00:00:36,260 --> 00:00:34,050

Time on the dark matter radio network

16

00:00:40,400 --> 00:00:36,270

please remember to visit the website

17

00:00:43,250 --> 00:00:40,410

podcast UFO calm for past episodes blogs

18

00:00:45,319 --> 00:00:43,260

and forums during the show feel free to

19

00:00:47,779 --> 00:00:45,329

participate live in our chat room and

20

00:00:51,799 --> 00:00:47,789

don't forget to like us on our very

21

00:00:53,479 --> 00:00:51,809

active Facebook page hello everybody and

22

00:00:56,450 --> 00:00:53,489

welcome to the show I'm Martin Willis

23

00:01:00,709 --> 00:00:56,460

your host and coming up in just a minute

24

00:01:04,759 --> 00:01:00,719

or even less is Alejandro Rojas with the

25

00:01:07,490 --> 00:01:04,769

UFO news and I want to give a big shout

26

00:01:09,830 --> 00:01:07,500

out to actually he's been the show's

27

00:01:12,230 --> 00:01:09,840

biggest supporter Phil now Phil is

28

00:01:14,270 --> 00:01:12,240

somewhere in Michigan and he's on a

29

00:01:14,960 --> 00:01:14,280

fishing trip and I think he's been

30

00:01:17,840 --> 00:01:14,970

skunked

31

00:01:19,609 --> 00:01:17,850

there's no no fish so I'm gonna give a

32

00:01:22,940 --> 00:01:19,619

shout out to his buddies with him

33

00:01:28,100 --> 00:01:22,950

Gary hang in men Paul Brown and of

34

00:01:30,140 --> 00:01:28,110

course Phil Sanders and Phil also wants

35

00:01:35,210 --> 00:01:30,150

Lou to know that he should have come

36

00:01:38,179 --> 00:01:35,220

it's all his fault anyway thanks Phil I

37

00:01:41,270 --> 00:01:38,189

hope you have better luck after this all

38

00:01:43,639 --> 00:01:41,280

right so coming up for a guest tonight

39

00:01:47,600 --> 00:01:43,649

is Ben Hansen the one and only Ben

40

00:01:48,800 --> 00:01:47,610

Hansen and after that in our 2 we're

41

00:01:52,069 --> 00:01:48,810

gonna do something entirely different

42

00:01:54,859 --> 00:01:52,079

we've never done before and that is we

43

00:01:58,100 --> 00:01:54,869

are going to play some clips from the

44

00:02:03,170 --> 00:01:58,110

faded discs now this is an archive of

45

00:02:04,609 --> 00:02:03,180

early UFO interviews and talks from some

46

00:02:06,800 --> 00:02:04,619

icons of the past

47

00:02:09,020 --> 00:02:06,810

Wendy Connors put this together and

48

00:02:11,240 --> 00:02:09,030

Michael Luke who you know used to be on

49

00:02:12,949 --> 00:02:11,250

this show is still writing blogs he

50

00:02:13,890 --> 00:02:12,959

wrote a blog on that that's a fresh new

51  
00:02:17,250 --> 00:02:13,900  
blog right up on our

52  
00:02:19,350 --> 00:02:17,260  
website podcast UFO comm and all the

53  
00:02:23,490 --> 00:02:19,360  
links to these archives are in that blog

54  
00:02:25,530 --> 00:02:23,500  
so our one Ben Hansen our two I'm gonna

55  
00:02:27,960 --> 00:02:25,540  
play some clips you can call in if you'd

56  
00:02:30,809 --> 00:02:27,970  
like we can discuss these clips you can

57  
00:02:32,970 --> 00:02:30,819  
chatroom discuss this anything you want

58  
00:02:34,170 --> 00:02:32,980  
when I said Phil was the biggest

59  
00:02:37,800 --> 00:02:34,180  
supporter of the show

60  
00:02:40,289 --> 00:02:37,810  
I meant financially peggy shunning out

61  
00:02:42,720 --> 00:02:40,299  
in las vegas is our biggest supporter as

62  
00:02:45,479 --> 00:02:42,730  
far as help Thank You Peggy she helps us

63  
00:02:47,160 --> 00:02:45,489

with the Facebook page now supporters

64

00:02:48,809 --> 00:02:47,170

can listen to the second part of the

65

00:02:50,970 --> 00:02:48,819

show and I want to thank you for all

66

00:02:53,520 --> 00:02:50,980

your support and listening whether you

67

00:02:55,649 --> 00:02:53,530

can help us out or not I appreciate each

68

00:02:57,809 --> 00:02:55,659

and every one of you but for just \$1 a

69

00:02:59,280 --> 00:02:57,819

month or more you can listen to the

70

00:03:02,369 --> 00:02:59,290

second part of the show just go to

71

00:03:05,009 --> 00:03:02,379

podcast UFO calm all right we're ready

72

00:03:07,470 --> 00:03:05,019

to roll in the news and how you doin

73

00:03:11,009 --> 00:03:07,480

Alejandro I'm doing well how are you

74

00:03:16,470 --> 00:03:11,019

good good long time no talk man yeah

75

00:03:17,939 --> 00:03:16,480

it's been hours I know yeah so what is

76

00:03:20,250 --> 00:03:17,949

is there anything new in the news

77

00:03:22,619 --> 00:03:20,260

there's lots of new stuff and the

78

00:03:23,069 --> 00:03:22,629

advantage of you know you're doing your

79

00:03:24,900 --> 00:03:23,079

show

80

00:03:26,670 --> 00:03:24,910

midweek whereas I do mine at the

81

00:03:29,399 --> 00:03:26,680

beginning of the week is that there are

82

00:03:33,089 --> 00:03:29,409

updates to the news that we've discussed

83

00:03:36,300 --> 00:03:33,099

on my show so one of those updates

84

00:03:37,920 --> 00:03:36,310

though has to do with the Roswell slides

85

00:03:41,490 --> 00:03:37,930

will you allow me to speak about the

86

00:03:42,119 --> 00:03:41,500

Roswell slides momentarily I will give

87

00:03:44,430 --> 00:03:42,129

you a mulligan

88

00:03:45,569 --> 00:03:44,440

yes the great thing about this is that

89

00:03:48,240 --> 00:03:45,579

they're gonna get the latest and

90

00:03:50,550 --> 00:03:48,250

greatest information from you on the

91

00:03:51,869 --> 00:03:50,560

show here so this is kind of cool

92

00:03:55,170 --> 00:03:51,879

Shepard Johnson

93

00:03:57,240 --> 00:03:55,180

who you know I know we see him on UFO

94

00:04:01,530 --> 00:03:57,250

updates he's written some stories for I

95

00:04:04,229 --> 00:04:01,540

said open minds he did a FOIA for the

96

00:04:07,110 --> 00:04:04,239

National Park Service because of the

97

00:04:10,469 --> 00:04:07,120

evidence of when the Packard was

98

00:04:12,509 --> 00:04:10,479

deciphered in the Roswell slide said you

99

00:04:15,719 --> 00:04:12,519

know this was a mummy or a mummified

100

00:04:19,379 --> 00:04:15,729

body discovered by SL Palmer he was

101  
00:04:23,430 --> 00:04:19,389  
undiscovered that this was found in like

102  
00:04:26,310 --> 00:04:23,440  
the late 1800s by SL Palmer and then it

103  
00:04:27,830 --> 00:04:26,320  
spent some time at Mesa Verde Park and

104  
00:04:31,320 --> 00:04:27,840  
then at fauna Zuma's

105  
00:04:33,210 --> 00:04:31,330  
park post national parks well he got

106  
00:04:37,020 --> 00:04:33,220  
back like a hundred and sixty page

107  
00:04:39,120 --> 00:04:37,030  
document chronicling kind of the history

108  
00:04:42,090 --> 00:04:39,130  
of this thing with a bunch of

109  
00:04:44,640 --> 00:04:42,100  
information and a photo the photo looks

110  
00:04:47,190 --> 00:04:44,650  
very very similar to the to the Roswell

111  
00:04:48,870 --> 00:04:47,200  
slides and so it pretty much just kind

112  
00:04:54,210 --> 00:04:48,880  
of seals up everything because it talks

113  
00:04:56,550 --> 00:04:54,220

about this SL Palmer you know thing you

114

00:04:59,370 --> 00:04:56,560

know body and it does confirm him

115

00:05:01,050 --> 00:04:59,380

essentially that the body was reburied

116

00:05:03,780 --> 00:05:01,060

it was given back to the Native

117

00:05:08,460 --> 00:05:03,790

Americans and reburied in a in the late

118

00:05:10,470 --> 00:05:08,470

90s when these things were returned to

119

00:05:12,420 --> 00:05:10,480

the Native American so they could do

120

00:05:14,100 --> 00:05:12,430

that because of course digging up

121

00:05:16,530 --> 00:05:14,110

people's aunts histories and just kind

122

00:05:18,390 --> 00:05:16,540

of showing them on display is considered

123

00:05:20,760 --> 00:05:18,400

a bit disrespectful and I don't think

124

00:05:22,590 --> 00:05:20,770

anybody can blame Native Americans for

125

00:05:24,030 --> 00:05:22,600

feeling that way so they wanted to

126

00:05:26,880 --> 00:05:24,040

ribery those bodies and they were able

127

00:05:28,590 --> 00:05:26,890

to do that in the late 90s so what's

128

00:05:30,180 --> 00:05:28,600

interesting of course is Jaime Muhsin

129

00:05:33,560 --> 00:05:30,190

has said he'll give ten thousand to

130

00:05:36,240 --> 00:05:33,570

anybody who is able to crack the case

131

00:05:38,370 --> 00:05:36,250

five thousand to anybody who produces a

132

00:05:40,440 --> 00:05:38,380

picture someone else produced a picture

133

00:05:43,710 --> 00:05:40,450

in the past which was valid but for some

134

00:05:44,970 --> 00:05:43,720

reason he said it was a painting and now

135

00:05:46,920 --> 00:05:44,980

that Shepard has done this I think

136

00:05:49,200 --> 00:05:46,930

Shepherds deserving of the ten thousand

137

00:05:52,110 --> 00:05:49,210

dollars however I don't think he will

138

00:05:53,940 --> 00:05:52,120

receive it hi Mameluke on still very

139

00:05:58,230 --> 00:05:53,950

quickly without research is just saying

140

00:06:00,270 --> 00:05:58,240

no that information is wrong and and

141

00:06:02,160 --> 00:06:00,280

it's frustrating but that's what he's

142

00:06:04,530 --> 00:06:02,170

doing but there is an update that's

143

00:06:07,020 --> 00:06:04,540

interesting everybody keeps saying the

144

00:06:09,180 --> 00:06:07,030

curtain is closed it's the end of the

145

00:06:10,530 --> 00:06:09,190

story and I don't know why they keep

146

00:06:12,090 --> 00:06:10,540

saying that because it never is the end

147

00:06:15,230 --> 00:06:12,100

of the story but that's the latest and

148

00:06:19,080 --> 00:06:15,240

greatest show me the mummy well you know

149

00:06:23,310 --> 00:06:19,090

if you dial back this podcast several

150

00:06:26,670 --> 00:06:23,320

episodes ago I mentioned that the body

151  
00:06:28,170 --> 00:06:26,680  
has the mummy was probably buried you

152  
00:06:30,240 --> 00:06:28,180  
can right you can actually hear me say

153  
00:06:33,510 --> 00:06:30,250  
that Wow that was that was kind of a

154  
00:06:36,510 --> 00:06:33,520  
guess really oh yeah yeah because I know

155  
00:06:40,580 --> 00:06:36,520  
that they did that when with like you

156  
00:06:43,330 --> 00:06:40,590  
saying Native Americans they they

157  
00:06:46,250 --> 00:06:43,340  
there's there's a lot there's a lot of

158  
00:06:49,130 --> 00:06:46,260  
if you research that there's been a lot

159  
00:06:51,320 --> 00:06:49,140  
of history of people digging these

160  
00:06:54,440 --> 00:06:51,330  
things up taking them and actually being

161  
00:06:58,010 --> 00:06:54,450  
prosecuted and spending time in prison

162  
00:07:00,320 --> 00:06:58,020  
for for messing with remains of Native

163  
00:07:01,910 --> 00:07:00,330

Americans so yeah there's a lot of laws

164

00:07:05,540 --> 00:07:01,920

protecting that right now it's not a

165

00:07:09,440 --> 00:07:05,550

cool thing to do no it's not but Wow

166

00:07:10,250 --> 00:07:09,450

so that's this is it this is the final

167

00:07:14,960 --> 00:07:10,260

curtain yes

168

00:07:16,370 --> 00:07:14,970

oh no hideout is yeah and I I did I know

169

00:07:18,680 --> 00:07:16,380

there's gonna be a radio show tomorrow

170

00:07:20,510 --> 00:07:18,690

where they're all gonna talk and I'm

171

00:07:22,940 --> 00:07:20,520

sure they're not going to concede I

172

00:07:25,070 --> 00:07:22,950

don't know why I mean the placard their

173

00:07:27,140 --> 00:07:25,080

own picture was deciphered the thing

174

00:07:29,030 --> 00:07:27,150

looks extremely familiar now they're

175

00:07:32,060 --> 00:07:29,040

saying that their picture shows a larger

176

00:07:34,580 --> 00:07:32,070

body but the body is exactly I mean even

177

00:07:37,010 --> 00:07:34,590

the mouth and the eyes one eye is closed

178

00:07:39,650 --> 00:07:37,020

one eye is partially open I mean it is

179

00:07:42,530 --> 00:07:39,660

the same exact thing now there is a

180

00:07:46,040 --> 00:07:42,540

there's if you look at the original

181

00:07:48,140 --> 00:07:46,050

slide you'll see there's above the I

182

00:07:50,780 --> 00:07:48,150

think it's the left eye there's a little

183

00:07:53,990 --> 00:07:50,790

bit of an angle I don't want to say scar

184

00:07:55,910 --> 00:07:54,000

but a marking and if you look on the

185

00:07:59,030 --> 00:07:55,920

pictures that were found recently

186

00:08:00,980 --> 00:07:59,040

there's the same marking mm-hmm you know

187

00:08:05,300 --> 00:08:00,990

I mean it pretty much covers it's got to

188

00:08:07,340 --> 00:08:05,310

be the same yeah I think yeah there are

189

00:08:11,330 --> 00:08:07,350

so many similarities I mean that it's

190

00:08:14,000 --> 00:08:11,340

the same thing so I mean it's just it's

191

00:08:17,090 --> 00:08:14,010

really to me really silly at this point

192

00:08:19,100 --> 00:08:17,100

to be arguing against all of these great

193

00:08:21,740 --> 00:08:19,110

discoveries and and I wrote this in a

194

00:08:23,660 --> 00:08:21,750

post that it's frustrating that the rods

195

00:08:26,390 --> 00:08:23,670

well slides research group has gotten

196

00:08:28,100 --> 00:08:26,400

bashed by the supporters of the slides

197

00:08:29,960 --> 00:08:28,110

and claimed that they were hoaxing

198

00:08:32,360 --> 00:08:29,970

things because never have they hoaxed

199

00:08:34,270 --> 00:08:32,370

and they have really been doing a

200

00:08:38,660 --> 00:08:34,280

professional and thorough investigation

201  
00:08:40,610 --> 00:08:38,670  
and a much much better investigation

202  
00:08:43,730 --> 00:08:40,620  
that was done by the people with the

203  
00:08:45,170 --> 00:08:43,740  
slides unfortunately and I'm not you

204  
00:08:49,310 --> 00:08:45,180  
know some of those researchers with the

205  
00:08:51,140 --> 00:08:49,320  
slides I respect but they they can learn

206  
00:08:53,240 --> 00:08:51,150  
something from the roswell sites group

207  
00:08:54,260 --> 00:08:53,250  
and I know these guys they're not

208  
00:08:56,690 --> 00:08:54,270  
hoaxers

209  
00:09:00,500 --> 00:08:56,700  
they may be honoree at some times but

210  
00:09:02,810 --> 00:09:00,510  
they are careful researchers right well

211  
00:09:06,050 --> 00:09:02,820  
I'll tell you I think George Knapp said

212  
00:09:07,550 --> 00:09:06,060  
it the best that the UFO community took

213  
00:09:10,040 --> 00:09:07,560

care of itself and did what they should

214

00:09:12,530 --> 00:09:10,050

have done and that is in researching

215

00:09:14,120 --> 00:09:12,540

these slides right exactly I agree a

216

00:09:17,840 --> 00:09:14,130

hundred percent he said he's a cool dude

217

00:09:22,190 --> 00:09:17,850

yeah and the UFO community is not dead

218

00:09:24,770 --> 00:09:22,200

and now people have said that this it's

219

00:09:26,900 --> 00:09:24,780

not a doom at all not at all a Nick Pope

220

00:09:28,430 --> 00:09:26,910

wrote a big thing saying hey guys you

221

00:09:30,410 --> 00:09:28,440

know this is a debacle and it's

222

00:09:32,200 --> 00:09:30,420

ridiculous and I don't know why anybody

223

00:09:36,560 --> 00:09:32,210

would think it wasn't anything but a

224

00:09:38,810 --> 00:09:36,570

body in a museum but the media also saw

225

00:09:40,970 --> 00:09:38,820

that and they could care less about this

226

00:09:43,400 --> 00:09:40,980

story and there was maybe one media

227

00:09:45,320 --> 00:09:43,410

story in the UK that made fun of the

228

00:09:47,420 --> 00:09:45,330

whole thing but that's it the media has

229

00:09:50,780 --> 00:09:47,430

not have paid attention to this whole

230

00:09:52,760 --> 00:09:50,790

thing so besides UFO errs you know

231

00:09:55,220 --> 00:09:52,770

nobody really knows about it yeah that's

232

00:09:58,910 --> 00:09:55,230

a lucky break for us yeah it is it

233

00:10:01,970 --> 00:09:58,920

really is yeah yep so what else is going

234

00:10:04,940 --> 00:10:01,980

on well you talked on my show about this

235

00:10:07,430 --> 00:10:04,950

UFO over the over Loch Ness that was

236

00:10:09,830 --> 00:10:07,440

your theory was that these UFOs were

237

00:10:11,810 --> 00:10:09,840

were possibly Loch Ness monsters are

238

00:10:14,210 --> 00:10:11,820

coming to to see the Loch Ness monster

239

00:10:18,350 --> 00:10:14,220

or something like that I thought that

240

00:10:20,150 --> 00:10:18,360

theory was a little wild maybe yeah but

241

00:10:22,640 --> 00:10:20,160

there's actually been more discovery on

242

00:10:26,000 --> 00:10:22,650

this case oh so what happened is in

243

00:10:29,210 --> 00:10:26,010

April this family the BET's Allen and

244

00:10:31,880 --> 00:10:29,220

Anna and Anna's parents all were

245

00:10:34,190 --> 00:10:31,890

vacationing out Loch Ness next to that

246

00:10:37,070 --> 00:10:34,200

castle you know that beautiful castle

247

00:10:40,040 --> 00:10:37,080

you see your pictures yeah I have a

248

00:10:40,760 --> 00:10:40,050

difficulty saying it correctly but yeah

249

00:10:43,850 --> 00:10:40,770

something like that

250

00:10:45,770 --> 00:10:43,860

it was raining really hard supposedly

251  
00:10:48,170 --> 00:10:45,780  
when the rain stopped mom went outside

252  
00:10:50,360 --> 00:10:48,180  
took a picture of the scenery and you

253  
00:10:52,700 --> 00:10:50,370  
can see the rain off in the distance and

254  
00:10:56,090 --> 00:10:52,710  
in this picture she has these two little

255  
00:10:58,640 --> 00:10:56,100  
lights they didn't see that at first

256  
00:11:00,800 --> 00:10:58,650  
they say their dog was barking strangely

257  
00:11:03,610 --> 00:11:00,810  
but they didn't notice anything peculiar

258  
00:11:05,930 --> 00:11:03,620  
until the family looked at the photos

259  
00:11:07,280 --> 00:11:05,940  
you know a couple months later just

260  
00:11:11,300 --> 00:11:07,290  
recently and they

261  
00:11:13,220 --> 00:11:11,310  
oh my gosh look at these UFOs so you

262  
00:11:15,050 --> 00:11:13,230  
know they say that there was that they

263  
00:11:16,819 --> 00:11:15,060

took multiple pictures and this wasn't

264

00:11:19,490 --> 00:11:16,829

in other pictures so they don't believe

265

00:11:22,879 --> 00:11:19,500

what some have said is some kind of muck

266

00:11:25,910 --> 00:11:22,889

on the lent or something like that and

267

00:11:27,889 --> 00:11:25,920

so the mystery is what are these well

268

00:11:31,189 --> 00:11:27,899

you know what right before I walked into

269

00:11:34,790 --> 00:11:31,199

the room I posted my version of this

270

00:11:36,590 --> 00:11:34,800

story on open minds and someone sent me

271

00:11:40,939 --> 00:11:36,600

a link of someone who essentially

272

00:11:44,900 --> 00:11:40,949

seemingly has debunked this whole thing

273

00:11:46,759 --> 00:11:44,910

so oh let's hear the debunk and I think

274

00:11:50,079 --> 00:11:46,769

they've got it so what they're saying is

275

00:11:54,829 --> 00:11:50,089

it's probably a reflection of a light

276  
00:11:57,430 --> 00:11:54,839  
kind of a from inside the house so even

277  
00:11:59,569 --> 00:11:57,440  
though the mom said she went outside

278  
00:12:01,730 --> 00:11:59,579  
there's evidence in the picture that she

279  
00:12:03,410 --> 00:12:01,740  
didn't so this person zoomed in on the

280  
00:12:05,749 --> 00:12:03,420  
picture and was able to show that it

281  
00:12:08,689 --> 00:12:05,759  
looks like there are reflections of the

282  
00:12:10,340 --> 00:12:08,699  
curtains on the light or on the picture

283  
00:12:15,170 --> 00:12:10,350  
and if you if you look carefully it

284  
00:12:17,210 --> 00:12:15,180  
looks like you can't see that and he was

285  
00:12:19,069 --> 00:12:17,220  
actually in this room the same room that

286  
00:12:21,199 --> 00:12:19,079  
they were in and he there was a certain

287  
00:12:24,800 --> 00:12:21,209  
kind of light that he was able to show

288  
00:12:27,590 --> 00:12:24,810

has the same shape as what's in the

289

00:12:29,720 --> 00:12:27,600

photo one of the arguments is we'll wire

290

00:12:33,650 --> 00:12:29,730

there - well he noticed that it's

291

00:12:37,400 --> 00:12:33,660

probably a double paned window yeah and

292

00:12:40,189 --> 00:12:37,410

there are many examples that not only he

293

00:12:42,319 --> 00:12:40,199

found but others have posted of kind of

294

00:12:44,689 --> 00:12:42,329

this mirror this reflecting light

295

00:12:45,530 --> 00:12:44,699

phenomena doubling because of double

296

00:12:48,170 --> 00:12:45,540

paned windows

297

00:12:49,970 --> 00:12:48,180

I think he's cracked the case I think so

298

00:12:54,889 --> 00:12:49,980

- yeah I know

299

00:12:56,720 --> 00:12:54,899

so what's funny is for our UFO report

300

00:13:00,199 --> 00:12:56,730

that we do every week we're about to

301

00:13:01,879 --> 00:13:00,209

interview Lee Spiegel and he I wrote

302

00:13:03,740 --> 00:13:01,889

about this as well he spoke with the

303

00:13:04,879 --> 00:13:03,750

couple so we're gonna ask him about what

304

00:13:06,829 --> 00:13:04,889

they talked about but I'm gonna have to

305

00:13:08,809 --> 00:13:06,839

break this news to him yeah

306

00:13:11,749 --> 00:13:08,819

just break it to him live on the air

307

00:13:15,699 --> 00:13:11,759

make sure yeah yeah yeah you think

308

00:13:19,939 --> 00:13:15,709

you're so great what about this I'm not

309

00:13:20,960 --> 00:13:19,949

perfect yeah make him cry yeah so what

310

00:13:22,730 --> 00:13:20,970

else is happening

311

00:13:25,519 --> 00:13:22,740

a couple other stories this one's kind

312

00:13:30,710 --> 00:13:25,529

of neat and this was halfway to bunked I

313

00:13:33,499 --> 00:13:30,720

think this was it uf overly disclosure

314

00:13:35,329 --> 00:13:33,509

which is a YouTube site and it's not one

315

00:13:38,210 --> 00:13:35,339

we refer to often but this is kind of an

316

00:13:41,809 --> 00:13:38,220

interesting video of some UFOs over

317

00:13:44,179 --> 00:13:41,819

Tulum Mexico another castle Mayan castle

318

00:13:46,579 --> 00:13:44,189

that's right on the beach oh man I was

319

00:13:48,139 --> 00:13:46,589

just in Cozumel near this place but it

320

00:13:49,879 --> 00:13:48,149

was a little too far away for us to get

321

00:13:52,960 --> 00:13:49,889

out there to visit I wish I could have

322

00:13:54,829 --> 00:13:52,970

but it's this beautiful castle and

323

00:13:57,499 --> 00:13:54,839

recently there was a video and

324

00:14:00,470 --> 00:13:57,509

supposedly a man's wife said she saw

325

00:14:02,929 --> 00:14:00,480

some flashes he tried to take a video of

326

00:14:04,129 --> 00:14:02,939

it and said he got this thing that seems

327

00:14:06,740 --> 00:14:04,139

like it's going through the cloud and

328

00:14:07,309 --> 00:14:06,750

these two strange flashes so it's kind

329

00:14:09,619 --> 00:14:07,319

of weird

330

00:14:12,860 --> 00:14:09,629

some people are marking that off to some

331

00:14:14,809 --> 00:14:12,870

sort of reflection people have to take a

332

00:14:16,879 --> 00:14:14,819

look and see what they think

333

00:14:19,220 --> 00:14:16,889

then there's a second video that from

334

00:14:21,559 --> 00:14:19,230

2013 Roger Marsh wrote this story and he

335

00:14:23,240 --> 00:14:21,569

saw that in 2013 there was another

336

00:14:26,360 --> 00:14:23,250

sighting and this was a picture that was

337

00:14:29,389 --> 00:14:26,370

captured on Google zoom and he wrote

338

00:14:32,259 --> 00:14:29,399

about that however a lot of people have

339

00:14:35,389 --> 00:14:32,269

demonstrated that the Google Street

340

00:14:39,769 --> 00:14:35,399

video was most likely a bug on the

341

00:14:41,420 --> 00:14:39,779

camera housing so some people disagree

342

00:14:43,460 --> 00:14:41,430

with that but I think that it probably

343

00:14:45,439 --> 00:14:43,470

is but the flashing video is a little

344

00:14:48,379 --> 00:14:45,449

more mysterious so yeah people can check

345

00:14:51,470 --> 00:14:48,389

that out on our website in this Friday

346

00:14:53,150 --> 00:14:51,480

on our UFO report and I have just one

347

00:14:55,819 --> 00:14:53,160

more quick quickie I want to talk about

348

00:14:58,759 --> 00:14:55,829

a fun picture yeah this is kind of cool

349

00:15:02,749 --> 00:14:58,769

so this is a leaked photo from the

350

00:15:05,420 --> 00:15:02,759

x-files set and it's a crashed UFO have

351

00:15:05,869 --> 00:15:05,430

you seen this I have yes yeah pretty

352

00:15:08,449 --> 00:15:05,879

cool huh

353

00:15:10,040 --> 00:15:08,459

so yeah yeah it's just crashed UFO and

354

00:15:13,730 --> 00:15:10,050

I'm sure this picture is going to begin

355

00:15:16,819 --> 00:15:13,740

to circulate as a real crashed UFO at

356

00:15:18,650 --> 00:15:16,829

any moment now but luckily we were able

357

00:15:20,660 --> 00:15:18,660

to document prior to that that it's

358

00:15:22,999 --> 00:15:20,670

actually a movie set from the x-files

359

00:15:24,650 --> 00:15:23,009

and it's just really exciting I think

360

00:15:26,900 --> 00:15:24,660

people are excited about this in fact

361

00:15:29,660 --> 00:15:26,910

when I posted this story earlier today

362

00:15:31,669 --> 00:15:29,670

George Knapp who we refer to reposted it

363

00:15:33,470 --> 00:15:31,679

on his Facebook because I think we're

364

00:15:34,519 --> 00:15:33,480

just all so excited about the x-files

365

00:15:36,199 --> 00:15:34,529

starting app

366

00:15:38,780 --> 00:15:36,209

we're hoping it's there's lots of lots

367

00:15:41,210 --> 00:15:38,790

of UFOs and aliens in it and this just

368

00:15:42,739 --> 00:15:41,220

demonstrates zero they'll be UFOs in

369

00:15:44,900 --> 00:15:42,749

some manner yeah

370

00:15:47,600 --> 00:15:44,910

hey Alejandro you in like a diner or

371

00:15:51,860 --> 00:15:47,610

something do I hear no I

372

00:15:54,410 --> 00:15:51,870

you do hear clanking it is someone worth

373

00:15:57,949 --> 00:15:54,420

setting up for at least bagel interview

374

00:16:01,220 --> 00:15:57,959

ah okay Lee did it again that senate

375

00:16:04,489 --> 00:16:01,230

again yeah hey thanks so much man this

376

00:16:07,369 --> 00:16:04,499

is good good stuff all right no problem

377

00:16:09,019 --> 00:16:07,379

all right so hang in there for our guest

378

00:16:12,020 --> 00:16:09,029

been hints and right after this music

379

00:17:51,490 --> 00:16:23,760

[Music]

380

00:17:56,659 --> 00:17:53,539

then Hanson

381

00:17:58,460 --> 00:17:56,669

how you doing good how are you good you

382

00:18:00,220 --> 00:17:58,470

know I had no idea you were even on or

383

00:18:03,860 --> 00:18:00,230

not

384

00:18:05,090 --> 00:18:03,870

glad you here yeah you too you too

385

00:18:07,070 --> 00:18:05,100

as long as I'm coming through clear

386

00:18:08,360 --> 00:18:07,080

we're all good you are yes I just told

387

00:18:12,379 --> 00:18:08,370

everyone in the chat room to cross their

388

00:18:14,779 --> 00:18:12,389

fingers it worked well I just moved my

389

00:18:19,039 --> 00:18:14,789

house to another apartment when I got

390

00:18:21,499 --> 00:18:19,049

married so I had all my mics and

391

00:18:23,419 --> 00:18:21,509

computer parts in different boxes so I'm

392

00:18:25,490 --> 00:18:23,429

glad we got it back together well I know

393

00:18:29,509 --> 00:18:25,500

hey congratulations you just very

394

00:18:33,019 --> 00:18:29,519

recently got married I did I was married

395

00:18:35,480 --> 00:18:33,029

on the 5th of May and then I was with my

396

00:18:39,529 --> 00:18:35,490

wife for five days before I took off to

397

00:18:40,549 --> 00:18:39,539

Australia well for several weeks so yeah

398

00:18:44,330 --> 00:18:40,559

it was kind of fun

399

00:18:45,980 --> 00:18:44,340

wow wow that's something now you

400

00:18:48,259 --> 00:18:45,990

probably broke a lot of women's hearts

401  
00:18:51,289 --> 00:18:48,269  
as soon as they found Ben Hansen was no

402  
00:18:56,779 --> 00:18:51,299  
longer available about that I don't know

403  
00:18:58,970 --> 00:18:56,789  
about that but yeah well welcome to the

404  
00:19:00,950 --> 00:18:58,980  
show we do have we do have a call in

405  
00:19:02,990 --> 00:19:00,960  
capability every once in a while every

406  
00:19:05,629 --> 00:19:03,000  
like two or three show someone will call

407  
00:19:09,200 --> 00:19:05,639  
in I'll just give that number out is 603

408  
00:19:11,029 --> 00:19:09,210  
96.7 403 oh and you can also jump in the

409  
00:19:13,930 --> 00:19:11,039  
chat room we have a chat room right on

410  
00:19:16,549 --> 00:19:13,940  
right on the main page at podcast UFO

411  
00:19:17,930 --> 00:19:16,559  
calm and Ben

412  
00:19:21,639 --> 00:19:17,940  
one of the things I thought we could

413  
00:19:25,070 --> 00:19:21,649

talk about tonight is i love the

414

00:19:26,690 --> 00:19:25,080

analysis that you did I you and I

415

00:19:28,789 --> 00:19:26,700

haven't even discussed what we're going

416

00:19:33,350 --> 00:19:28,799

to talk about but the analysis you did

417

00:19:35,269 --> 00:19:33,360

first of all of a Bill Clinton and and

418

00:19:37,909 --> 00:19:35,279

then of Obama can we talk a little bit

419

00:19:39,560 --> 00:19:37,919

about that and it seems like sure it

420

00:19:41,840 --> 00:19:39,570

seems like Jimmy Kimmel had a heads up

421

00:19:47,509 --> 00:19:41,850

on that you were going to be looking at

422

00:19:48,769 --> 00:19:47,519

Obama yeah it was for those who haven't

423

00:19:51,049 --> 00:19:48,779

seen those are hadn't heard about it was

424

00:19:58,119 --> 00:19:51,059

kind of a daunting thing that happened

425

00:20:00,320 --> 00:19:58,129

because it was April of 2014 last year a

426

00:20:03,380 --> 00:20:00,330

Jimmy Kimmel interviewed

427

00:20:06,259 --> 00:20:03,390

in Clinton and he said I think was on a

428

00:20:08,750 --> 00:20:06,269

Wednesday baby you know Monday but he

429

00:20:11,269 --> 00:20:08,760

had two or three days heads up about

430

00:20:13,700 --> 00:20:11,279

what he was going to ask him we don't

431

00:20:15,710 --> 00:20:13,710

know exactly if Jimmy Kimmel has his own

432

00:20:18,049 --> 00:20:15,720

personal interest in the UFO alien

433

00:20:20,750 --> 00:20:18,059

subject or if that's something the

434

00:20:23,320 --> 00:20:20,760

producers have kind of you know written

435

00:20:27,919 --> 00:20:23,330

up for him or some have suggested that

436

00:20:29,299 --> 00:20:27,929

Bill Clinton and Obama seeing that it

437

00:20:30,799 --> 00:20:29,309

would be reasonable they get all the

438

00:20:32,840 --> 00:20:30,809

questions before you know they're

439

00:20:34,850 --> 00:20:32,850

interviewed that they specifically

440

00:20:38,840 --> 00:20:34,860

requested to be asked about the subject

441

00:20:40,580 --> 00:20:38,850

so Jimmy Kimmel said I'm going to talk

442

00:20:43,310 --> 00:20:40,590

to a bomb or I'm sorry to Clinton I'm

443

00:20:46,370 --> 00:20:43,320

gonna ask him if he looked into the UFO

444

00:20:48,259 --> 00:20:46,380

FILES and blah blah blah well so that

445

00:20:51,139 --> 00:20:48,269

interview took place it was it is a

446

00:20:52,909 --> 00:20:51,149

little less than three minutes long but

447

00:20:56,389 --> 00:20:52,919

he asked some pretty direct questions

448

00:21:02,629 --> 00:20:56,399

and I did an analysis of it which turned

449

00:21:04,879 --> 00:21:02,639

into 36 minute long a YouTube video but

450

00:21:07,190 --> 00:21:04,889

it's I think just sitting under a

451  
00:21:08,870 --> 00:21:07,200  
hundred thousand views I mean it's for

452  
00:21:12,620 --> 00:21:08,880  
me that's a lot of views I don't really

453  
00:21:17,509 --> 00:21:12,630  
make a lot of videos but so this past

454  
00:21:20,389 --> 00:21:17,519  
March what happened was I was was

455  
00:21:22,850 --> 00:21:20,399  
sitting there listening to the radio and

456  
00:21:24,560 --> 00:21:22,860  
I hear that all the the freeways up in

457  
00:21:26,240 --> 00:21:24,570  
LA are gonna be closed because Obama's

458  
00:21:29,029 --> 00:21:26,250  
coming into town and he's gonna be

459  
00:21:31,039 --> 00:21:29,039  
interviewed on Jimmy Kimmel I really

460  
00:21:32,090 --> 00:21:31,049  
didn't think anything about it I didn't

461  
00:21:33,799 --> 00:21:32,100  
think he was gonna be asked the same

462  
00:21:36,200 --> 00:21:33,809  
questions or what was gonna happen I

463  
00:21:39,440 --> 00:21:36,210

don't even really watch TV so I went to

464

00:21:42,919 --> 00:21:39,450

sleep well the next morning I get a slew

465

00:21:44,570 --> 00:21:42,929

of emails people sending me things when

466

00:21:46,399 --> 00:21:44,580

are you going to do an analysis what do

467

00:21:48,230 --> 00:21:46,409

you think about what he said and all

468

00:21:51,769 --> 00:21:48,240

they said I was what are you talking

469

00:21:54,230 --> 00:21:51,779

about so I went online and first of all

470

00:21:58,009 --> 00:21:54,240

I found that the Los Angeles Times had

471

00:22:01,490 --> 00:21:58,019

done a story the day before on Jimmy

472

00:22:04,220 --> 00:22:01,500

Kimmel asking hypothetically well what

473

00:22:06,230 --> 00:22:04,230

who is Jimmy Kimmel going to ask Obama

474

00:22:11,299 --> 00:22:06,240

the same questions and they referenced

475

00:22:14,120 --> 00:22:11,309

my analysis on Clinton so then you get

476

00:22:16,190 --> 00:22:14,130

online you watch I watched

477

00:22:18,940 --> 00:22:16,200

Obama's interview which is only about 50

478

00:22:22,370 --> 00:22:18,950

seconds long that part of the segment

479

00:22:24,910 --> 00:22:22,380

but Jimmy Kimmel preface it preface is

480

00:22:27,170 --> 00:22:24,920

that part of the one of the questions

481

00:22:29,390 --> 00:22:27,180

telling him there are people who are

482

00:22:31,040 --> 00:22:29,400

going to analyze everything you say

483

00:22:33,230 --> 00:22:31,050

every gesture of Aloha

484

00:22:35,990 --> 00:22:33,240

so he's referencing my video which was

485

00:22:38,470 --> 00:22:36,000

kind of kind of a daunting thing like I

486

00:22:41,210 --> 00:22:38,480

said to have the president United States

487

00:22:43,310 --> 00:22:41,220

laughing and saying I know I know and so

488

00:22:47,300 --> 00:22:43,320

I felt compelled by this point I was

489

00:22:50,680 --> 00:22:47,310

like okay got to do it yeah now how long

490

00:22:53,660 --> 00:22:50,690

let's talk about first of all about

491

00:22:56,720 --> 00:22:53,670

Clinton how long did it take you to

492

00:22:58,420 --> 00:22:56,730

study that and I could just imagine you

493

00:23:01,280 --> 00:22:58,430

going back and forth and back and forth

494

00:23:02,510 --> 00:23:01,290

to watch these expressions and hand

495

00:23:05,210 --> 00:23:02,520

gestures did bliss

496

00:23:07,670 --> 00:23:05,220

let's basically you say right in the

497

00:23:09,920 --> 00:23:07,680

beginning of the film that you know

498

00:23:12,170 --> 00:23:09,930

you're not considered an expert but you

499

00:23:14,080 --> 00:23:12,180

did have you know you did have some

500

00:23:17,120 --> 00:23:14,090

training when you're with the FBI but

501  
00:23:20,450 --> 00:23:17,130  
can you explain how that how that works

502  
00:23:22,400 --> 00:23:20,460  
sure before I went to the FBI I worked

503  
00:23:26,510 --> 00:23:22,410  
for several years investigating child

504  
00:23:29,480 --> 00:23:26,520  
sex crimes so I was certified in what we

505  
00:23:32,800 --> 00:23:29,490  
call forensic interviewing technique so

506  
00:23:35,810 --> 00:23:32,810  
interviewing victims and perpetrators

507  
00:23:38,420 --> 00:23:35,820  
basically interrogations trying to get

508  
00:23:40,730 --> 00:23:38,430  
confessions and also you know listening

509  
00:23:42,710 --> 00:23:40,740  
to witnesses which does not include

510  
00:23:44,180 --> 00:23:42,720  
advanced degrees or anything about

511  
00:23:47,000 --> 00:23:44,190  
nature it's more kind of on-the-job

512  
00:23:51,380 --> 00:23:47,010  
experience there are psychologists who

513  
00:23:54,200 --> 00:23:51,390

research and study nonverbal but the

514

00:23:56,360 --> 00:23:54,210

disclaimers I made were that I think I

515

00:23:57,830 --> 00:23:56,370

hope and I believe that I know a little

516

00:23:59,990 --> 00:23:57,840

bit more than the the everyday person

517

00:24:01,900 --> 00:24:00,000

but at the same time I have not done my

518

00:24:04,610 --> 00:24:01,910

own research what I did was compiled

519

00:24:06,770 --> 00:24:04,620

what other people have studied about

520

00:24:09,230 --> 00:24:06,780

these different gestures and that the

521

00:24:12,530 --> 00:24:09,240

first thing you have to do is transcribe

522

00:24:14,510 --> 00:24:12,540

the whole interview which you wouldn't

523

00:24:17,240 --> 00:24:14,520

think is very difficult it was less than

524

00:24:20,870 --> 00:24:17,250

three minutes but when you break it down

525

00:24:23,540 --> 00:24:20,880

I add in all those little arms ya know

526

00:24:25,280 --> 00:24:23,550

the stutters the stuff that people don't

527

00:24:27,799 --> 00:24:25,290

put in a normal transcription because

528

00:24:31,119 --> 00:24:27,809

those are very important and then

529

00:24:33,589 --> 00:24:31,129

you really do go by frame by frame and

530

00:24:36,049 --> 00:24:33,599

for people who think I was being really

531

00:24:39,589 --> 00:24:36,059

hypocritical hypercritical like I

532

00:24:40,969 --> 00:24:39,599

pointed out in the video you should take

533

00:24:42,200 --> 00:24:40,979

a look at research done on

534

00:24:46,759 --> 00:24:42,210

micro-expressions

535

00:24:49,070 --> 00:24:46,769

because these are the the thing that the

536

00:24:51,549 --> 00:24:49,080

the TV show lie to me was based on

537

00:24:54,739 --> 00:24:51,559

alright I watched a little bit of that

538

00:24:57,619 --> 00:24:54,749

will be consulting the technical advisor

539

00:24:59,570 --> 00:24:57,629

Paul Eckhart developed micro-expressions

540

00:25:02,299 --> 00:24:59,580

and he's looking at things that are so

541

00:25:04,639 --> 00:25:02,309

minut we're talking about thousands of a

542

00:25:06,979 --> 00:25:04,649

second where somebody has a little

543

00:25:09,589 --> 00:25:06,989

twitch mm-hm a little corner of their

544

00:25:12,649 --> 00:25:09,599

mouth goes up right before they speak or

545

00:25:15,349 --> 00:25:12,659

do something so the depth that I got

546

00:25:18,619 --> 00:25:15,359

into is nowhere near what they analyze

547

00:25:20,180 --> 00:25:18,629

and say is is very accurate and and so

548

00:25:22,159 --> 00:25:20,190

that's what we do and we look not only

549

00:25:24,079 --> 00:25:22,169

at what they're saying how they're

550

00:25:25,489 --> 00:25:24,089

saying it and what their body's

551  
00:25:28,700 --> 00:25:25,499  
conveying and basically we're looking

552  
00:25:30,950 --> 00:25:28,710  
for incongruencies so we have to know

553  
00:25:32,959 --> 00:25:30,960  
the person primarily how they

554  
00:25:35,659 --> 00:25:32,969  
communicate when they're not being

555  
00:25:38,450 --> 00:25:35,669  
deceptive or stressed and then we look

556  
00:25:41,209 --> 00:25:38,460  
for a deviation in that and with Bill

557  
00:25:44,899 --> 00:25:41,219  
Clinton we had a lot of good examples of

558  
00:25:46,430 --> 00:25:44,909  
him being deceptive and with Obama we

559  
00:25:49,039 --> 00:25:46,440  
had a lot of good examples of him being

560  
00:25:52,879 --> 00:25:49,049  
stressed so that's where we make the

561  
00:25:54,709 --> 00:25:52,889  
comparisons right and it seems to me you

562  
00:25:57,379 --> 00:25:54,719  
know I may be wrong but you know that

563  
00:26:00,289 --> 00:25:57,389

the Clintons actually did have I mean

564

00:26:05,810 --> 00:26:00,299

there is some evidence out there that

565

00:26:08,959 --> 00:26:05,820

they did have an interest in in UFOs yes

566

00:26:11,060 --> 00:26:08,969

definitely and and before Clinton even

567

00:26:13,310 --> 00:26:11,070

talked about it on Jimmy Kimmel we all

568

00:26:14,839 --> 00:26:13,320

well you know those of us who study this

569

00:26:17,779 --> 00:26:14,849

we we know about the Rockefeller

570

00:26:21,200 --> 00:26:17,789

initiative mm-hmm we know about John

571

00:26:23,239 --> 00:26:21,210

Podesta Rihanna you know and his

572

00:26:27,529 --> 00:26:23,249

involvement and and how he was probably

573

00:26:28,639 --> 00:26:27,539

tasked as part of that initiative to go

574

00:26:31,820 --> 00:26:28,649

and do the things that he was saying

575

00:26:33,889 --> 00:26:31,830

happened on Jimmy Kimmel he said he

576

00:26:36,259 --> 00:26:33,899

looked into area 51 and he said he

577

00:26:39,560 --> 00:26:36,269

looked into Roswell and that's where it

578

00:26:40,909 --> 00:26:39,570

gets really messy because I'll give him

579

00:26:41,480 --> 00:26:40,919

the fact that he might be getting a

580

00:26:44,299 --> 00:26:41,490

little scene

581

00:26:46,760 --> 00:26:44,309

I was getting up there an age but he was

582

00:26:49,130 --> 00:26:46,770

very confused about the timelines and we

583

00:26:51,140 --> 00:26:49,140

had those documented as to when the the

584

00:26:56,150 --> 00:26:51,150

Office of Inspector General report came

585

00:26:57,919 --> 00:26:56,160

out about Roswell and we have well we

586

00:26:59,750 --> 00:26:57,929

didn't have really much about as area 51

587

00:27:01,520 --> 00:26:59,760

inquiries other than there was that

588

00:27:04,520 --> 00:27:01,530

lawsuit that was going on at the time

589

00:27:07,100 --> 00:27:04,530

and he just says some things that were

590

00:27:09,049 --> 00:27:07,110

very odd things that were not common

591

00:27:10,940 --> 00:27:09,059

knowledge and then he mixes up the

592

00:27:14,630 --> 00:27:10,950

timeline and he starts talking about

593

00:27:17,570 --> 00:27:14,640

something changes a subject shows all

594

00:27:19,640 --> 00:27:17,580

these signs of being stressed and and

595

00:27:22,870 --> 00:27:19,650

then just tries to bail out of it and

596

00:27:26,240 --> 00:27:22,880

and he's got a lot of practice at that

597

00:27:26,930 --> 00:27:26,250

you know I mean his years in the in the

598

00:27:29,060 --> 00:27:26,940

Oval Office

599

00:27:31,940 --> 00:27:29,070

you know the whole Monica Lewinsky thing

600

00:27:35,960 --> 00:27:31,950

you know I mean he's he's he's a he is

601  
00:27:38,080 --> 00:27:35,970  
one of the both Clinton and Obama in my

602  
00:27:42,500 --> 00:27:38,090  
opinion are some of the most eloquent

603  
00:27:44,480 --> 00:27:42,510  
speakers smooth talkers that have been

604  
00:27:47,510 --> 00:27:44,490  
in the in the office at least in my

605  
00:27:50,060 --> 00:27:47,520  
lifetime yes I would totally agree and

606  
00:27:52,310 --> 00:27:50,070  
that's the argument that a lot of people

607  
00:27:55,190 --> 00:27:52,320  
use for and against you know an analysis

608  
00:27:58,490 --> 00:27:55,200  
of this sort because if he if he is so

609  
00:28:01,549 --> 00:27:58,500  
eloquent that could mean this must be

610  
00:28:03,500 --> 00:28:01,559  
something that really is stressful

611  
00:28:07,010 --> 00:28:03,510  
because these signs are what we call

612  
00:28:08,540 --> 00:28:07,020  
leaking out these emotions that

613  
00:28:11,000 --> 00:28:08,550

incongruencies are leaking through

614

00:28:13,520 --> 00:28:11,010

despite his attempts to control them or

615

00:28:15,650 --> 00:28:13,530

we could say oh he's just messing with

616

00:28:18,500 --> 00:28:15,660

us I mean he's so good at this he's just

617

00:28:19,910 --> 00:28:18,510

you know and and my experience with

618

00:28:21,919 --> 00:28:19,920

interviewing people though however is

619

00:28:25,160 --> 00:28:21,929

that most people are not good liars

620

00:28:27,620 --> 00:28:25,170

they're just not even at your attempts

621

00:28:29,930 --> 00:28:27,630

to try and control something if you know

622

00:28:34,640 --> 00:28:29,940

the person they usually come off kind of

623

00:28:36,850 --> 00:28:34,650

contrived mm-hmm now is Clinton you

624

00:28:40,700 --> 00:28:36,860

mentioned that you thought maybe he's

625

00:28:44,240 --> 00:28:40,710

out just touched a little bit because of

626  
00:28:45,130 --> 00:28:44,250  
his age how old is Clinton oh you've got

627  
00:28:49,760 --> 00:28:45,140  
me there

628  
00:28:53,510 --> 00:28:49,770  
gosh he's he's got to be pushing late

629  
00:28:55,280 --> 00:28:53,520  
sixty's is he 70 already I don't know

630  
00:28:59,870 --> 00:28:55,290  
he's up there

631  
00:29:04,640 --> 00:28:59,880  
yeah okay but okay so yeah he's 68

632  
00:29:07,100 --> 00:29:04,650  
actually so but anyway I haven't really

633  
00:29:09,110 --> 00:29:07,110  
noticed that about him he seems he still

634  
00:29:11,200 --> 00:29:09,120  
seems pretty sharp are you you do

635  
00:29:15,050 --> 00:29:11,210  
consider him being a little bit confused

636  
00:29:19,850 --> 00:29:15,060  
well no not necessarily that's what kind

637  
00:29:21,800 --> 00:29:19,860  
of the those who object the detractors I

638  
00:29:24,020 --> 00:29:21,810

guess to to my analysis are saying is it

639

00:29:27,320 --> 00:29:24,030

always is confused see now well we do

640

00:29:29,210 --> 00:29:27,330

know he's had a stroke before and that's

641

00:29:32,080 --> 00:29:29,220

something I did not address in the video

642

00:29:34,400 --> 00:29:32,090

when we talk about one side of his body

643

00:29:36,710 --> 00:29:34,410

you can see it in his eyes if you pull

644

00:29:38,780 --> 00:29:36,720

up a picture of him lately you'll see

645

00:29:41,330 --> 00:29:38,790

one half of his face is kind of drooped

646

00:29:43,190 --> 00:29:41,340

more than the other one eyelid is kind

647

00:29:45,860 --> 00:29:43,200

of closed more that's typical of a

648

00:29:49,490 --> 00:29:45,870

stroke right right I had no idea he had

649

00:29:51,710 --> 00:29:49,500

a stroke yeah that's that's what I've

650

00:29:55,630 --> 00:29:51,720

been told and you know that that will

651  
00:29:58,070 --> 00:29:55,640  
affect some things but his memory is

652  
00:29:59,900 --> 00:29:58,080  
typical of what he was doing is what I

653  
00:30:02,000 --> 00:29:59,910  
call backing out of the dead-end alley

654  
00:30:04,580 --> 00:30:02,010  
is when you start talking about

655  
00:30:09,140 --> 00:30:04,590  
something because Clinton style of

656  
00:30:11,570 --> 00:30:09,150  
speech he doesn't like silence so he's a

657  
00:30:13,490 --> 00:30:11,580  
type of guy who will just open his mouth

658  
00:30:17,420 --> 00:30:13,500  
start talking and hope that it leaves

659  
00:30:20,930 --> 00:30:17,430  
somewhere whereas Obama maintains his

660  
00:30:23,830 --> 00:30:20,940  
composure more and he uses more humor to

661  
00:30:26,600 --> 00:30:23,840  
try to fill in the gap and buy time and

662  
00:30:29,300 --> 00:30:26,610  
so you'll see that in the in the Clinton

663  
00:30:32,020 --> 00:30:29,310

video and he'll start talking about area

664

00:30:37,550 --> 00:30:32,030

51 for example and he'll say things like

665

00:30:40,190 --> 00:30:37,560

well the reason that you know there's no

666

00:30:42,260 --> 00:30:40,200

aliens there well he says that later but

667

00:30:44,720 --> 00:30:42,270

he says that people had to stop an hour

668

00:30:47,060 --> 00:30:44,730

outside of the base to put on special

669

00:30:49,400 --> 00:30:47,070

clothing because they're working on

670

00:30:52,880 --> 00:30:49,410

stealth technology there but there's no

671

00:30:56,540 --> 00:30:52,890

aliens down there and which makes no

672

00:31:00,050 --> 00:30:56,550

sense no sense I mean I talked to George

673

00:31:05,480 --> 00:31:00,060

Knapp you know who's who broke the story

674

00:31:07,220 --> 00:31:05,490

and he of anybody should know if if any

675

00:31:09,049 --> 00:31:07,230

of the workers had come forward and say

676

00:31:12,100 --> 00:31:09,059

yeah there's special clothes you put on

677

00:31:15,019 --> 00:31:12,110

but that was a detail that was added

678

00:31:17,299 --> 00:31:15,029

which which kind of makes you think that

679

00:31:18,769 --> 00:31:17,309

he's been advised by somebody and it was

680

00:31:21,350 --> 00:31:18,779

given a whole lot of details that he

681

00:31:23,899 --> 00:31:21,360

can't keep straight or that he realized

682

00:31:26,739 --> 00:31:23,909

he was saying things that wasn't public

683

00:31:29,480 --> 00:31:26,749

knowledge and so you start to see the

684

00:31:32,149 --> 00:31:29,490

elevation of his stress go up now that

685

00:31:34,659 --> 00:31:32,159

does not mean he knows anything about

686

00:31:37,610 --> 00:31:34,669

aliens or UFOs it doesn't mean that he's

687

00:31:40,639 --> 00:31:37,620

covering something up all that it means

688

00:31:43,190 --> 00:31:40,649

is that we can see his stress going up

689

00:31:46,310 --> 00:31:43,200

he does not like the subject so then we

690

00:31:50,810 --> 00:31:46,320

have to speculate as to why right and

691

00:31:52,609 --> 00:31:50,820

and you said with so he was stressed and

692

00:31:56,109 --> 00:31:52,619

what it again what did you say about

693

00:32:02,450 --> 00:31:56,119

Obama what was his underlying reaction

694

00:32:04,879 --> 00:32:02,460

well I believe that Obama we had 5050

695

00:32:08,060 --> 00:32:04,889

seconds basically to analyze from from

696

00:32:09,859 --> 00:32:08,070

his own area which is not much but I did

697

00:32:11,539 --> 00:32:09,869

point out something I didn't think I was

698

00:32:15,519 --> 00:32:11,549

going to be able to to take out of this

699

00:32:17,600 --> 00:32:15,529

and a lot of people disagree that's fine

700

00:32:19,909 --> 00:32:17,610

because it's shot in high definition

701  
00:32:25,730 --> 00:32:19,919  
when they post these these videos online

702  
00:32:27,649 --> 00:32:25,740  
I was actually able to zoom in on his

703  
00:32:29,930 --> 00:32:27,659  
chest as he's giving the interview and

704  
00:32:32,659 --> 00:32:29,940  
you can see as he's breathing you can

705  
00:32:35,090 --> 00:32:32,669  
actually count the breathing rate right

706  
00:32:38,840 --> 00:32:35,100  
now it doesn't take much to get into the

707  
00:32:40,759 --> 00:32:38,850  
the medical you know background on

708  
00:32:46,129 --> 00:32:40,769  
normal rates of breathing and all this

709  
00:32:48,109 --> 00:32:46,139  
stuff and he's he's he's over twice at

710  
00:32:51,710 --> 00:32:48,119  
least the normal breathing rate for this

711  
00:32:53,989 --> 00:32:51,720  
brief period of time and if you

712  
00:32:56,109 --> 00:32:53,999  
understand what stress breathing is when

713  
00:32:59,389 --> 00:32:56,119

when someone hooks you up to a polygraph

714

00:33:00,859 --> 00:32:59,399

it doesn't mean that you ask somebody

715

00:33:03,259 --> 00:33:00,869

and they lie they're going to suddenly

716

00:33:05,779 --> 00:33:03,269

be out of breath because he doesn't seem

717

00:33:08,090 --> 00:33:05,789

out of breath at all in fact it's it's

718

00:33:10,310 --> 00:33:08,100

kind of a physiological response that

719

00:33:12,560 --> 00:33:10,320

your body thinks you need more oxygen so

720

00:33:15,139 --> 00:33:12,570

that's why we pay attention to when

721

00:33:16,460 --> 00:33:15,149

somebody's breathing rate goes up now

722

00:33:19,519 --> 00:33:16,470

that's okay

723

00:33:21,350 --> 00:33:19,529

that aside yeah that's interesting but

724

00:33:23,870 --> 00:33:21,360

as you start to see how he uses these

725

00:33:26,390 --> 00:33:23,880

other techniques such

726  
00:33:28,700 --> 00:33:26,400  
humor which you know most people who

727  
00:33:30,800 --> 00:33:28,710  
even if you don't like Obama think he's

728  
00:33:32,750 --> 00:33:30,810  
you got to admit he's kind of a likable

729  
00:33:37,940 --> 00:33:32,760  
guy he likes to laugh and joke he's

730  
00:33:40,910 --> 00:33:37,950  
easygoing he uses humor a lot and he

731  
00:33:42,620 --> 00:33:40,920  
uses it inappropriately he gets in

732  
00:33:45,530 --> 00:33:42,630  
trouble a lot for the things he says and

733  
00:33:47,930 --> 00:33:45,540  
I put a string of things together as to

734  
00:33:51,200 --> 00:33:47,940  
when he addresses the UFO subject how he

735  
00:33:54,380 --> 00:33:51,210  
always has treated it it's always been

736  
00:33:57,140 --> 00:33:54,390  
with derision always until one part of

737  
00:33:59,840 --> 00:33:57,150  
this interview so he throws in a few

738  
00:34:02,090 --> 00:33:59,850

jokes I believe it was an attempt to

739

00:34:04,970 --> 00:34:02,100

kind of buy time and break the ice and

740

00:34:08,630 --> 00:34:04,980

kind of give him some some time to relax

741

00:34:11,120 --> 00:34:08,640

into this subject but when Kimmel

742

00:34:15,260 --> 00:34:11,130

finally corners him and says did you

743

00:34:18,470 --> 00:34:15,270

look did you see did you explore and he

744

00:34:20,960 --> 00:34:18,480

stutters he looks away he turns his eyes

745

00:34:24,530 --> 00:34:20,970

down and he says I I can't reveal

746

00:34:28,100 --> 00:34:24,540

anything now people who thought he was

747

00:34:31,250 --> 00:34:28,110

joking the whole time I would agree that

748

00:34:36,370 --> 00:34:31,260

he was he was he was joking in the

749

00:34:39,530 --> 00:34:36,380

beginning because he's using it as as a

750

00:34:42,020 --> 00:34:39,540

technique to to buy time and loosen

751  
00:34:44,180 --> 00:34:42,030  
things up however when you get to this

752  
00:34:46,880 --> 00:34:44,190  
part here and I break it down in the

753  
00:34:48,860 --> 00:34:46,890  
video and show I believe it's a demeanor

754  
00:34:52,160 --> 00:34:48,870  
shift that's as great if not greater

755  
00:34:54,950 --> 00:34:52,170  
than what Bill Clinton did and I do not

756  
00:34:56,660 --> 00:34:54,960  
believe that he was joking if you take

757  
00:34:59,540 --> 00:34:56,670  
it into the context of what just

758  
00:35:01,580 --> 00:34:59,550  
happened with John Podesta leaving the

759  
00:35:04,550 --> 00:35:01,590  
White House making his tweet we know

760  
00:35:06,080 --> 00:35:04,560  
that Podesta was not joking as well that

761  
00:35:08,540 --> 00:35:06,090  
would be going against everything that

762  
00:35:10,480 --> 00:35:08,550  
he's he stood for the National Press

763  
00:35:12,740 --> 00:35:10,490

Club and speaking out about disclosure

764

00:35:15,170 --> 00:35:12,750

it would go against all the work he's

765

00:35:18,170 --> 00:35:15,180

done with the Clintons regarding a

766

00:35:22,010 --> 00:35:18,180

disclosure so he's not joking when he

767

00:35:24,110 --> 00:35:22,020

tweets my biggest regret of you know

768

00:35:26,450 --> 00:35:24,120

leaving in 2014 leaving the Obama

769

00:35:30,590 --> 00:35:26,460

administration is not obtaining UFO

770

00:35:33,380 --> 00:35:30,600

disclosure so he leaves and about three

771

00:35:36,530 --> 00:35:33,390

weeks later or a month later Obama

772

00:35:38,630 --> 00:35:36,540

appears on Jimmy Kimmel

773

00:35:42,740 --> 00:35:38,640

I don't think you can dismiss that as as

774

00:35:46,000 --> 00:35:42,750

being you know non sequitur because he

775

00:35:49,130 --> 00:35:46,010

really in the context of this it was not

776

00:35:51,170 --> 00:35:49,140

that far-fetched to assume that sometime

777

00:35:52,940 --> 00:35:51,180

during that whole year Podesta grabbed

778

00:35:54,740 --> 00:35:52,950

the ear of the president and tried to

779

00:35:56,960 --> 00:35:54,750

push his agenda and say hey hey while

780

00:36:00,290 --> 00:35:56,970

I'm here this is something I think you

781

00:36:02,210 --> 00:36:00,300

should really look into so break that

782

00:36:07,250 --> 00:36:02,220

one sentence apart I can't reveal

783

00:36:09,050 --> 00:36:07,260

anything no US president has ever stated

784

00:36:12,140 --> 00:36:09,060

about the UFO subject I can't reveal

785

00:36:14,690 --> 00:36:12,150

anything they just haven't that's a very

786

00:36:17,000 --> 00:36:14,700

strange thing to say if your

787

00:36:19,940 --> 00:36:17,010

administration has already come out and

788

00:36:23,390 --> 00:36:19,950

has already said we looked into the

789

00:36:26,090 --> 00:36:23,400

subject there's no credible evidence of

790

00:36:28,210 --> 00:36:26,100

a cover-up nor credible evidence that we

791

00:36:31,220 --> 00:36:28,220

have discovered extraterrestrial life

792

00:36:33,050 --> 00:36:31,230

they said that you know with the

793

00:36:36,140 --> 00:36:33,060

disclosure petition in his

794

00:36:38,300 --> 00:36:36,150

administration that's right yeah so why

795

00:36:40,730 --> 00:36:38,310

would you come out and say I can't

796

00:36:43,190 --> 00:36:40,740

reveal anything why not say I refer you

797

00:36:45,200 --> 00:36:43,200

to the petition that's on the web on the

798

00:36:48,260 --> 00:36:45,210

White House website right now there's

799

00:36:51,530 --> 00:36:48,270

nothing new to talk about well one of

800

00:36:54,770 --> 00:36:51,540

the things going back to when Podesta

801  
00:36:58,280 --> 00:36:54,780  
said that state that tweet I had Stephen

802  
00:37:02,540 --> 00:36:58,290  
Bassett on the following week and Leslie

803  
00:37:05,740 --> 00:37:02,550  
Kane was was very upset she said that

804  
00:37:09,940 --> 00:37:05,750  
she has close ties to him and there they

805  
00:37:14,060 --> 00:37:09,950  
communicate quite a bit and she said

806  
00:37:18,050 --> 00:37:14,070  
knowing him he was joking oh really

807  
00:37:20,540 --> 00:37:18,060  
yeah but you know I mean so I'm here you

808  
00:37:22,820 --> 00:37:20,550  
know you hear both sides of that you

809  
00:37:24,980 --> 00:37:22,830  
know I mean she I I did ask her if she

810  
00:37:27,440 --> 00:37:24,990  
talked to him directly to ask him and

811  
00:37:29,390 --> 00:37:27,450  
she said no but she said he has a sense

812  
00:37:33,140 --> 00:37:29,400  
of humor like that and he it could have

813  
00:37:36,740 --> 00:37:33,150

been just just a joke and you know when

814

00:37:38,810 --> 00:37:36,750

I when I was watching Obama before I

815

00:37:41,120 --> 00:37:38,820

watched your video and that's a pretty

816

00:37:43,760 --> 00:37:41,130

long video like that how long did that

817

00:37:46,340 --> 00:37:43,770

one that one's 40 minutes so you know

818

00:37:47,810 --> 00:37:46,350

yes it back grab a drink yeah it's

819

00:37:50,420 --> 00:37:47,820

actually good and I can link these on

820

00:37:51,799 --> 00:37:50,430

this on in the show notes I would

821

00:37:55,930 --> 00:37:51,809

do that I'll put those up in the

822

00:38:00,020 --> 00:37:55,940

shownotes tomorrow but when I watched

823

00:38:03,020 --> 00:38:00,030

Obama I without even looking into it I

824

00:38:06,020 --> 00:38:03,030

just thought well he's a funny guy he's

825

00:38:08,030 --> 00:38:06,030

got a good sense of humor I didn't you

826

00:38:09,470 --> 00:38:08,040

know my first reaction was that he

827

00:38:12,559 --> 00:38:09,480

wasn't hiding anything and then I

828

00:38:15,440 --> 00:38:12,569

watched your your video and it really

829

00:38:17,900 --> 00:38:15,450

made me think and so I do suggest to the

830

00:38:20,599 --> 00:38:17,910

listener to like I said sit back have a

831

00:38:22,700 --> 00:38:20,609

drink watch watch the videos and and you

832

00:38:25,160 --> 00:38:22,710

make some very valid points with these

833

00:38:26,839 --> 00:38:25,170

uh very you know small signals these

834

00:38:30,440 --> 00:38:26,849

people are doing and it's kind of like

835

00:38:33,440 --> 00:38:30,450

in a way it's sort of like a polygraph

836

00:38:36,049 --> 00:38:33,450

without being hooked up you know because

837

00:38:37,630 --> 00:38:36,059

someone they ask people questions and

838

00:38:40,910 --> 00:38:37,640

they see how they are and a normal

839

00:38:44,089 --> 00:38:40,920

answering you know truthful questions

840

00:38:47,839 --> 00:38:44,099

how the the pulse and everything else

841

00:38:50,059 --> 00:38:47,849

reacts and then when they when they lie

842

00:38:52,339 --> 00:38:50,069

or you know that then that's when

843

00:38:54,170 --> 00:38:52,349

everything kind of there's fluctuations

844

00:38:55,849 --> 00:38:54,180

so in a way you're kind of doing that

845

00:38:59,000 --> 00:38:55,859

right you know through body language

846

00:39:01,880 --> 00:38:59,010

yeah yeah and and if anything does leak

847

00:39:04,520 --> 00:39:01,890

through I actually think it's more

848

00:39:07,880 --> 00:39:04,530

significant because the the stress

849

00:39:10,039 --> 00:39:07,890

levels are ratcheted up many many more

850

00:39:12,170 --> 00:39:10,049

times when you're actually sitting in a

851

00:39:13,670 --> 00:39:12,180

chair with a paragraph or having an

852

00:39:15,440 --> 00:39:13,680

interrogation and you're being accused

853

00:39:19,760 --> 00:39:15,450

of some criminal thing or taking a

854

00:39:21,650 --> 00:39:19,770

deposition in court the stress levels

855

00:39:23,539 --> 00:39:21,660

are increased greatly

856

00:39:25,520 --> 00:39:23,549

this was supposed to be for

857

00:39:28,789 --> 00:39:25,530

entertainment this is supposed to be fun

858

00:39:30,799 --> 00:39:28,799

loose he's talking about Kanye West

859

00:39:33,680 --> 00:39:30,809

you know Clinton's talking about his

860

00:39:36,980 --> 00:39:33,690

favorite food is cheese and so you'll

861

00:39:39,410 --> 00:39:36,990

see that relaxation take place earlier

862

00:39:44,270 --> 00:39:39,420

in the interviews but there's a very

863

00:39:46,640 --> 00:39:44,280

marked difference and shift in demeanor

864

00:39:48,410 --> 00:39:46,650

with both of them and that's why I think

865

00:39:51,230 --> 00:39:48,420

it is it is pretty significant now

866

00:39:52,819 --> 00:39:51,240

Alejandro who he just had on he

867

00:39:54,770 --> 00:39:52,829

disagrees he's one of them who

868

00:39:56,500 --> 00:39:54,780

respectfully disagrees with me that he

869

00:39:59,329 --> 00:39:56,510

thinks he's joking the whole time and

870

00:40:02,120 --> 00:39:59,339

and that's why we can't rely just upon

871

00:40:04,400 --> 00:40:02,130

the body language you have to bring in

872

00:40:06,440 --> 00:40:04,410

the context everything

873

00:40:08,300 --> 00:40:06,450

has to be looked at in the context of

874

00:40:11,420 --> 00:40:08,310

how it was said and the words that

875

00:40:15,950 --> 00:40:11,430

somebody chooses and and that's why I

876

00:40:19,100 --> 00:40:15,960

think that one phrase is is gold that

877

00:40:20,330 --> 00:40:19,110

one phrase I can't reveal anything it

878

00:40:23,690 --> 00:40:20,340

leaves us with really just two

879

00:40:25,640 --> 00:40:23,700

possibilities number one Obama likes to

880

00:40:27,410 --> 00:40:25,650

be the cool kid in high school and make

881

00:40:30,830 --> 00:40:27,420

you think that he knows something but

882

00:40:32,480 --> 00:40:30,840

that's just kind of his his tagline for

883

00:40:34,970 --> 00:40:32,490

everything because he wants you to think

884

00:40:37,100 --> 00:40:34,980

he's in the know maybe he's trying to

885

00:40:40,970 --> 00:40:37,110

divert people from talking about the

886

00:40:43,730 --> 00:40:40,980

economy problems or whatever or that was

887

00:40:46,970 --> 00:40:43,740

a genuine reaction because he's had

888

00:40:49,130 --> 00:40:46,980

conversations with people that have told

889

00:40:51,320 --> 00:40:49,140

him in no uncertain terms don't worry

890

00:40:53,300 --> 00:40:51,330

about it mr. president or you don't need

891

00:40:58,730 --> 00:40:53,310

to go there you don't have a need to

892

00:41:00,500 --> 00:40:58,740

know that type of reaction would be kind

893

00:41:03,650 --> 00:41:00,510

of typical of somebody who's kind of

894

00:41:05,330 --> 00:41:03,660

like I don't appreciate this I don't

895

00:41:07,250 --> 00:41:05,340

like it but I'm gonna joke about it

896

00:41:10,330 --> 00:41:07,260

because I'm not at liberty to talk about

897

00:41:12,860 --> 00:41:10,340

it up on the message board we had

898

00:41:14,480 --> 00:41:12,870

someone made kind of a good point and I

899

00:41:17,810 --> 00:41:14,490

just wondered what your thoughts were on

900

00:41:19,640 --> 00:41:17,820

this because you mentioned earlier which

901  
00:41:21,680 --> 00:41:19,650  
I believe is always in the case of a

902  
00:41:24,380 --> 00:41:21,690  
president or a royalty or anything like

903  
00:41:28,340 --> 00:41:24,390  
that that they do have the questions a

904  
00:41:30,620 --> 00:41:28,350  
day or two in advance so why couldn't

905  
00:41:32,690 --> 00:41:30,630  
someone be more relaxed if they know

906  
00:41:35,090 --> 00:41:32,700  
that they're going to be asked a

907  
00:41:37,100 --> 00:41:35,100  
question like this that's that's my

908  
00:41:38,870 --> 00:41:37,110  
point exactly you would expect them to

909  
00:41:40,850 --> 00:41:38,880  
be more relaxed you'd expect them to be

910  
00:41:44,330 --> 00:41:40,860  
more rehearsed

911  
00:41:47,180 --> 00:41:44,340  
you know they Obama especially loves it

912  
00:41:49,160 --> 00:41:47,190  
when he has this teleprompter but if you

913  
00:41:51,170 --> 00:41:49,170

take that away you should still have

914

00:41:53,420 --> 00:41:51,180

time if you've been given the questions

915

00:41:58,430 --> 00:41:53,430

you should have time too if you're going

916

00:42:01,400 --> 00:41:58,440

to tell jokes to perfect your jokes when

917

00:42:05,660 --> 00:42:01,410

somebody's not a great actor if you know

918

00:42:09,620 --> 00:42:05,670

you can see that well Ill should say you

919

00:42:14,870 --> 00:42:09,630

can see when somebody I like is trying

920

00:42:16,430 --> 00:42:14,880

to control their their response in in

921

00:42:18,380 --> 00:42:16,440

such a way that that wouldn't seem

922

00:42:20,920 --> 00:42:18,390

spontaneous like I

923

00:42:24,529 --> 00:42:20,930

believe Obama really was being genuine

924

00:42:26,930 --> 00:42:24,539

you saw some genuine smiles like he

925

00:42:28,609 --> 00:42:26,940

normally does when he's having fun you

926  
00:42:31,910 --> 00:42:28,619  
see everything that indicates he's being

927  
00:42:34,579 --> 00:42:31,920  
genuine including when he turns away and

928  
00:42:37,910 --> 00:42:34,589  
says that he can't talk about something

929  
00:42:40,059 --> 00:42:37,920  
I think that was genuine right didn't he

930  
00:42:43,069 --> 00:42:40,069  
like look down at his feet or something

931  
00:42:45,109 --> 00:42:43,079  
he did briefly and I point out in the

932  
00:42:48,349 --> 00:42:45,119  
video that's that's not uncommon for

933  
00:42:50,150 --> 00:42:48,359  
Obama he he looks down 50% of the time

934  
00:42:52,279 --> 00:42:50,160  
when he's in interviews but there's

935  
00:42:54,529 --> 00:42:52,289  
another reason for that and that gets

936  
00:42:57,140 --> 00:42:54,539  
into talking about neuro linguistic

937  
00:42:59,000 --> 00:42:57,150  
programming and what where his he's

938  
00:43:01,039 --> 00:42:59,010

trying to access in his mind so it's not

939

00:43:02,480 --> 00:43:01,049

necessarily I'm avoiding I contacted you

940

00:43:06,289 --> 00:43:02,490

because I don't like to look at you when

941

00:43:08,539 --> 00:43:06,299

I'm you know stressed it's it's probably

942

00:43:10,609 --> 00:43:08,549

a combination of things but that that in

943

00:43:12,890 --> 00:43:10,619

itself does not you know indicate that

944

00:43:14,620 --> 00:43:12,900

he's being untruthful I think he was

945

00:43:18,620 --> 00:43:14,630

being truthful

946

00:43:22,069 --> 00:43:18,630

well great work it was really very

947

00:43:24,559 --> 00:43:22,079

entertaining to to watch that and you

948

00:43:27,620 --> 00:43:24,569

know it's not just one other question

949

00:43:31,029 --> 00:43:27,630

has anyone else attempted to do what

950

00:43:33,799 --> 00:43:31,039

you've done with these videos you know I

951  
00:43:35,749 --> 00:43:33,809  
know not that I know of an in that

952  
00:43:38,779 --> 00:43:35,759  
degree I think I have seen a couple

953  
00:43:42,499 --> 00:43:38,789  
videos where people you know might take

954  
00:43:46,309 --> 00:43:42,509  
you know one phrase or somebody was

955  
00:43:48,079 --> 00:43:46,319  
trying to make the case that that that

956  
00:43:49,970 --> 00:43:48,089  
there's a grand deception going on

957  
00:43:52,640 --> 00:43:49,980  
there's no such thing as aliens and this

958  
00:43:56,150 --> 00:43:52,650  
is part of you know kind of angels and

959  
00:43:57,890 --> 00:43:56,160  
demons thing but no nobody else I know

960  
00:44:00,920 --> 00:43:57,900  
has done this and that's why I like I

961  
00:44:03,650 --> 00:44:00,930  
said I I kind of felt like that morning

962  
00:44:06,319 --> 00:44:03,660  
after the intervals like nobody does

963  
00:44:09,710 --> 00:44:06,329

this if I don't do it who's gonna do it

964

00:44:14,029 --> 00:44:09,720

somebody has to say something and just

965

00:44:16,339 --> 00:44:14,039

what the people decide mm-hmm someone up

966

00:44:17,630 --> 00:44:16,349

on the message board and I thought we

967

00:44:20,089 --> 00:44:17,640

could get into this a little bit later

968

00:44:24,049 --> 00:44:20,099

but - we'll bring it up now we'll shift

969

00:44:29,059 --> 00:44:24,059

gears here and in regards to your night

970

00:44:30,589 --> 00:44:29,069

vision a technology that you sell I hope

971

00:44:31,970 --> 00:44:30,599

that's going well we have a banner I

972

00:44:36,650 --> 00:44:31,980

believe we have a banner upper now

973

00:44:38,359 --> 00:44:36,660

website for you and if that is selling

974

00:44:40,300 --> 00:44:38,369

well our customer saying that they're

975

00:44:44,270 --> 00:44:40,310

seeing UFOs with them

976  
00:44:45,920 --> 00:44:44,280  
yes typically what what we see with the

977  
00:44:49,070 --> 00:44:45,930  
night vision is because the the

978  
00:44:51,680 --> 00:44:49,080  
generation 3 stuff enhances light by

979  
00:44:53,450 --> 00:44:51,690  
about 50,000 times and it's getting

980  
00:44:56,030 --> 00:44:53,460  
better in fact we just came out with a

981  
00:44:57,590 --> 00:44:56,040  
new one that really really decreases

982  
00:45:01,190 --> 00:44:57,600  
what we call the halo effects around

983  
00:45:03,590 --> 00:45:01,200  
bright objects so what we're seeing most

984  
00:45:07,070 --> 00:45:03,600  
of our these objects are about the size

985  
00:45:10,010 --> 00:45:07,080  
and and height of a satellite you'll see

986  
00:45:11,900 --> 00:45:10,020  
a lot more satellites tracking but like

987  
00:45:13,550 --> 00:45:11,910  
I've seen before you'll see these these

988  
00:45:15,050 --> 00:45:13,560

objects that will go in a straight line

989

00:45:18,140 --> 00:45:15,060

and suddenly that will start changing

990

00:45:24,380 --> 00:45:18,150

course they will slightly deviate

991

00:45:27,290 --> 00:45:24,390

they'll do S turns I don't buy into who

992

00:45:29,120 --> 00:45:27,300

to people who you know don't try to do

993

00:45:31,220 --> 00:45:29,130

their own debunking at first and they

994

00:45:34,070 --> 00:45:31,230

just say I was powering up its having a

995

00:45:37,099 --> 00:45:34,080

war with the other the other UFOs and

996

00:45:39,520 --> 00:45:37,109

you have to know a lot about Iridium

997

00:45:42,770 --> 00:45:39,530

satellite flares you have to know about

998

00:45:44,720 --> 00:45:42,780

you know how the satellite might turn on

999

00:45:46,400 --> 00:45:44,730

its axes and the panels are actually

1000

00:45:49,099 --> 00:45:46,410

reflecting and that's what looks like

1001

00:45:51,050 --> 00:45:49,109

it's pulsating and so but any rate

1002

00:45:54,650 --> 00:45:51,060

people are recording these we have

1003

00:45:55,940 --> 00:45:54,660

hookups to iPhones to DSR cameras and

1004

00:46:00,770 --> 00:45:55,950

stuff that makes it very simple to

1005

00:46:02,840 --> 00:46:00,780

record Wow iPhones Wow I had no idea you

1006

00:46:04,720 --> 00:46:02,850

had an iPhone app for that is it's not

1007

00:46:08,450 --> 00:46:04,730

an app but it looks right up to your

1008

00:46:10,250 --> 00:46:08,460

camera it's not not an app it's uh it's

1009

00:46:14,599 --> 00:46:10,260

sort of a bracket that will go on the

1010

00:46:16,910 --> 00:46:14,609

the the eyepiece as a scope I see kind

1011

00:46:19,190 --> 00:46:16,920

of like I've seen lenses that go on

1012

00:46:21,590 --> 00:46:19,200

iPhones and things like that yeah for

1013

00:46:24,260 --> 00:46:21,600

the microscopes and all those things so

1014

00:46:26,060 --> 00:46:24,270

for the new technology you just spoke

1015

00:46:29,359 --> 00:46:26,070

about is that some type of polarizing

1016

00:46:34,880 --> 00:46:32,450

for the latest night vision right know

1017

00:46:38,510 --> 00:46:34,890

what they've done is is the night vision

1018

00:46:41,180 --> 00:46:38,520

has an ion barrier so the light bomb

1019

00:46:43,870 --> 00:46:41,190

Bard's this this kind of barrier that

1020

00:46:45,630 --> 00:46:43,880

turns it to electromagnetic to a pulse

1021

00:46:49,289 --> 00:46:45,640

that is

1022

00:46:51,299 --> 00:46:49,299

by the computer chips and from what I

1023

00:46:54,239 --> 00:46:51,309

understand is they tried to make this

1024

00:46:56,549 --> 00:46:54,249

this ion film thinner and thinner and

1025

00:46:58,799 --> 00:46:56,559

thinner and so they just basically got

1026

00:47:01,140 --> 00:46:58,809

rid of it altogether but it's not been

1027

00:47:03,839 --> 00:47:01,150

until now that they've been able to to

1028

00:47:06,420 --> 00:47:03,849

have a product that is not too fragile

1029

00:47:07,200 --> 00:47:06,430

that doesn't break so that's where

1030

00:47:10,710 --> 00:47:07,210

they're at on it

1031

00:47:13,620 --> 00:47:10,720

I see now as a follow-up to the last

1032

00:47:15,239 --> 00:47:13,630

question is there any collection of

1033

00:47:20,039 --> 00:47:15,249

these videos anywhere that have been

1034

00:47:22,680 --> 00:47:20,049

taking with taken with an iPhone yeah

1035

00:47:25,950 --> 00:47:22,690

there's there's a great article I'm not

1036

00:47:29,460 --> 00:47:25,960

sure if if Lee Spiegel has published it

1037

00:47:31,529 --> 00:47:29,470

yet on Huffington Post but he should

1038

00:47:35,729 --> 00:47:31,539

pretty soon I don't want to give it away

1039

00:47:38,130 --> 00:47:35,739

for him but I sold one of the scopes to

1040

00:47:39,900 --> 00:47:38,140

a gentleman who's not too far from where

1041

00:47:43,200 --> 00:47:39,910

I am here in Newport Beach California

1042

00:47:47,160 --> 00:47:43,210

and he's been filming these strange sort

1043

00:47:50,460 --> 00:47:47,170

of orb like objects if I could find

1044

00:47:53,130 --> 00:47:50,470

where his website link is I'd give it to

1045

00:47:55,380 --> 00:47:53,140

you but he's been posting these for

1046

00:47:57,599 --> 00:47:55,390

quite a while now and he has recorded

1047

00:48:02,849 --> 00:47:57,609

some quite incredible things Lee also

1048

00:48:05,999 --> 00:48:02,859

did a story on a military guy who's out

1049

00:48:09,930 --> 00:48:06,009

in North Carolina who filmed a triangle

1050

00:48:12,150 --> 00:48:09,940

that seems to be kind of turning we're

1051  
00:48:14,309 --> 00:48:12,160  
trying to decide if that triangle was

1052  
00:48:18,120 --> 00:48:14,319  
turning or if it was just his camera

1053  
00:48:19,950 --> 00:48:18,130  
position but the reason it's important

1054  
00:48:24,029 --> 00:48:19,960  
is because it's a pretty quick turn and

1055  
00:48:25,589 --> 00:48:24,039  
it's silent so he may have captured one

1056  
00:48:28,019 --> 00:48:25,599  
of these silent triangles and and on our

1057  
00:48:31,559 --> 00:48:28,029  
show fact or faked we reviewed another

1058  
00:48:34,319 --> 00:48:31,569  
night vision video that was similar that

1059  
00:48:37,589 --> 00:48:34,329  
is debatable whether it was people hang

1060  
00:48:39,900 --> 00:48:37,599  
gliding at night you know so the the

1061  
00:48:42,089 --> 00:48:39,910  
tricky thing is is having this with you

1062  
00:48:43,769 --> 00:48:42,099  
because most of these sightings only

1063  
00:48:45,660 --> 00:48:43,779

lasts a couple seconds so you really

1064

00:48:47,670 --> 00:48:45,670

have to be out there looking for it or

1065

00:48:49,289 --> 00:48:47,680

have this thing ready to go because the

1066

00:48:52,349 --> 00:48:49,299

things I've seen are over within four

1067

00:48:55,559 --> 00:48:52,359

seconds well you want to talk about a

1068

00:48:58,140 --> 00:48:55,569

couple of ones you've seen was that

1069

00:48:59,490 --> 00:48:58,150

Earth that's one triangle is that was

1070

00:49:03,540 --> 00:48:59,500

that one you saw

1071

00:49:04,590 --> 00:49:03,550

I have seen a triangle in Huntington

1072

00:49:07,620 --> 00:49:04,600

Beach California

1073

00:49:09,000 --> 00:49:07,630

just a few years ago and it was

1074

00:49:12,240 --> 00:49:09,010

spectacular it was everything that

1075

00:49:14,070 --> 00:49:12,250

people talked about it was it was

1076

00:49:15,570 --> 00:49:14,080

strangest thing again is people

1077

00:49:17,820 --> 00:49:15,580

explained it was completely silent

1078

00:49:21,480 --> 00:49:17,830

there's about a thousand feet over my

1079

00:49:22,470 --> 00:49:21,490

head my now wife also witnessed it with

1080

00:49:25,680 --> 00:49:22,480

me

1081

00:49:28,320 --> 00:49:25,690

we were jogging on a track at night at

1082

00:49:30,750 --> 00:49:28,330

the high school and I had stopped just

1083

00:49:35,070 --> 00:49:30,760

to to stretch was looking up at the sky

1084

00:49:37,920 --> 00:49:35,080

it had three lights on each point and

1085

00:49:39,870 --> 00:49:37,930

the the inner part in the middle was

1086

00:49:42,840 --> 00:49:39,880

either painted the same color as the sky

1087

00:49:44,760 --> 00:49:42,850

above or it had some type of technology

1088

00:49:47,730 --> 00:49:44,770

it allowed it to be transparent because

1089

00:49:50,670 --> 00:49:47,740

I could see a defined edge but just like

1090

00:49:53,220 --> 00:49:50,680

people say it was literally transparent

1091

00:49:55,080 --> 00:49:53,230

you know in the middle so hear this all

1092

00:49:57,870 --> 00:49:55,090

the time I mean that seems to be a

1093

00:50:00,150 --> 00:49:57,880

reoccurring thing you know I mean there

1094

00:50:04,440 --> 00:50:00,160

was uh even in the Phoenix lights when

1095

00:50:06,180 --> 00:50:04,450

it went over between the two peaks they

1096

00:50:09,650 --> 00:50:06,190

there was a similar description if I'm

1097

00:50:12,780 --> 00:50:09,660

if I'm correct no that's it's very true

1098

00:50:15,300 --> 00:50:12,790

you know the the people theorizing on

1099

00:50:17,370 --> 00:50:15,310

the propulsion system talked about light

1100

00:50:19,020 --> 00:50:17,380

being bent around it you know maybe

1101  
00:50:21,300 --> 00:50:19,030  
because the propulsion bends the light

1102  
00:50:24,990 --> 00:50:21,310  
or maybe it's just an intentional

1103  
00:50:28,590 --> 00:50:25,000  
something rather but my question again

1104  
00:50:31,620 --> 00:50:28,600  
is is if this is military why would they

1105  
00:50:32,910 --> 00:50:31,630  
be flying it over a very populated area

1106  
00:50:34,350 --> 00:50:32,920  
like this if they want to keep it a

1107  
00:50:36,540 --> 00:50:34,360  
secret

1108  
00:50:38,160 --> 00:50:36,550  
it was cruising fast and I've had two

1109  
00:50:41,010 --> 00:50:38,170  
other experiences my first one was in

1110  
00:50:43,110 --> 00:50:41,020  
the Caribbean I saw one of these

1111  
00:50:45,450 --> 00:50:43,120  
satellite type objects and it was in a

1112  
00:50:48,990 --> 00:50:45,460  
straight line until it started doing s

1113  
00:50:51,870 --> 00:50:49,000

turns in the sky so you consider that

1114

00:50:53,100 --> 00:50:51,880

the G forces at play they're not not

1115

00:50:57,150 --> 00:50:53,110

conventional at all

1116

00:51:01,140 --> 00:50:57,160

I had a show producer on and also some

1117

00:51:03,870 --> 00:51:01,150

of that writes for Larry David and all

1118

00:51:06,360 --> 00:51:03,880

that and he's he wrote I mean he had a

1119

00:51:09,660 --> 00:51:06,370

movie called Trekkies and so I had him

1120

00:51:13,440 --> 00:51:09,670

on he's he's a skeptic basically and he

1121

00:51:15,390 --> 00:51:13,450

said every single triangle

1122

00:51:18,329 --> 00:51:15,400

they see out there people see out there

1123

00:51:20,670 --> 00:51:18,339

is something secretive military he's

1124

00:51:23,630 --> 00:51:20,680

said that that is the answer 100 percent

1125

00:51:26,790 --> 00:51:23,640

boarded I got a lot of email after that

1126

00:51:29,390 --> 00:51:26,800

after well that's great it's great to

1127

00:51:32,849 --> 00:51:29,400

have an opinion isn't it yeah I mean

1128

00:51:37,680 --> 00:51:32,859

yeah you you take a look at the military

1129

00:51:40,410 --> 00:51:37,690

mindset and how how they strived so hard

1130

00:51:42,599 --> 00:51:40,420

to keep area51 a secret you know because

1131

00:51:45,750 --> 00:51:42,609

they have this huge expanse of land and

1132

00:51:48,630 --> 00:51:45,760

now we've got you know dubbed area 52

1133

00:51:51,390 --> 00:51:48,640

and Dugway utah and these places that

1134

00:51:53,220 --> 00:51:51,400

lots of space you can go fly your planes

1135

00:51:55,950 --> 00:51:53,230

and keep them a secret at least from the

1136

00:51:59,430 --> 00:51:55,960

public maybe not from foreign satellites

1137

00:52:01,020 --> 00:51:59,440

but it kind of defeats the purpose if

1138

00:52:05,670 --> 00:52:01,030

you're gonna fly these over downtown

1139

00:52:10,500 --> 00:52:05,680

Phoenix over Bulgaria over the Hudson

1140

00:52:14,130 --> 00:52:10,510

Valley over Illinois builds of yeah if

1141

00:52:15,900 --> 00:52:14,140

you're yeah it's not not really a secret

1142

00:52:18,750 --> 00:52:15,910

anymore is it if that's what you decide

1143

00:52:21,900 --> 00:52:18,760

to do with it exactly I think I brought

1144

00:52:26,130 --> 00:52:21,910

up something like that to him and of

1145

00:52:27,690 --> 00:52:26,140

course he had some type of answer Ben

1146

00:52:29,280 --> 00:52:27,700

I'm gonna put you on the spot here I'm

1147

00:52:30,900 --> 00:52:29,290

wondering if we could squeeze a couple

1148

00:52:33,180 --> 00:52:30,910

more minutes out of you were coming up

1149

00:52:34,620 --> 00:52:33,190

on the top of the hour because there's

1150

00:52:36,750 --> 00:52:34,630

just a couple more questions I want to

1151  
00:52:38,250 --> 00:52:36,760  
ask is that a possibility sure that's

1152  
00:52:41,700 --> 00:52:38,260  
fine okay

1153  
00:52:44,089 --> 00:52:41,710  
before the top of the hour though I'd

1154  
00:52:48,030 --> 00:52:44,099  
like to ask you if you wouldn't mind

1155  
00:52:48,329 --> 00:52:48,040  
repeating when I first had you on the

1156  
00:52:50,280 --> 00:52:48,339  
show

1157  
00:52:51,510 --> 00:52:50,290  
you told us a story about your

1158  
00:52:52,980 --> 00:52:51,520  
grandfather and I wondered if you

1159  
00:52:57,000 --> 00:52:52,990  
wouldn't mind repeating that story

1160  
00:53:00,120 --> 00:52:57,010  
basically his his involvement and and

1161  
00:53:03,050 --> 00:53:00,130  
you know with his father and with your

1162  
00:53:07,609 --> 00:53:03,060  
father the things he said and all that

1163  
00:53:13,140 --> 00:53:07,619

sure yeah well it kind of starts out in

1164

00:53:16,440 --> 00:53:13,150

the the mid 90s early 90s my my

1165

00:53:20,400 --> 00:53:16,450

grandfather served in the Army World War

1166

00:53:23,339 --> 00:53:20,410

two retired served in the Rings for a

1167

00:53:24,870 --> 00:53:23,349

little bit actually that was where he

1168

00:53:26,970 --> 00:53:24,880

was in World War two and then retired

1169

00:53:30,240 --> 00:53:26,980

and joined

1170

00:53:33,450 --> 00:53:30,250

the Air Force is a civilian logistical

1171

00:53:36,270 --> 00:53:33,460

technician so he worked from

1172

00:53:41,040 --> 00:53:36,280

approximately nineteen I want to say it

1173

00:53:44,900 --> 00:53:41,050

was fifty two to the 80s and he was

1174

00:53:47,849 --> 00:53:44,910

based in Hill Air Force Base Utah and

1175

00:53:51,710 --> 00:53:47,859

growing up my dad it was him and his two

1176

00:53:55,230 --> 00:53:51,720

sisters so sometime around about 1964

1177

00:53:59,520 --> 00:53:55,240

1965 my grandfather comes to him and

1178

00:54:03,300 --> 00:53:59,530

says son I've been asked to be be a part

1179

00:54:05,310 --> 00:54:03,310

of a special team that might be called

1180

00:54:06,990 --> 00:54:05,320

upon in times of an emergency and I'll

1181

00:54:09,270 --> 00:54:07,000

have to leave and I can't tell you where

1182

00:54:11,790 --> 00:54:09,280

I'm going or when I'll be back so you're

1183

00:54:15,540 --> 00:54:11,800

the man in charge of the house my dad

1184

00:54:18,180 --> 00:54:15,550

said well is this like a nuclear threat

1185

00:54:19,800 --> 00:54:18,190

emergency type of thing he says yeah

1186

00:54:23,460 --> 00:54:19,810

something like that

1187

00:54:25,170 --> 00:54:23,470

so the summer of 65 it was the first

1188

00:54:29,040 --> 00:54:25,180

time he remembers that my grandpa got a

1189

00:54:30,840 --> 00:54:29,050

call and he remembers him going to the

1190

00:54:32,220 --> 00:54:30,850

airport and on that occasion he

1191

00:54:33,359 --> 00:54:32,230

remembers he went to wright-patterson

1192

00:54:38,060 --> 00:54:33,369

Air Force Base

1193

00:54:40,980 --> 00:54:38,070

so everyone who knows about the Roswell

1194

00:54:42,930 --> 00:54:40,990

documents legends and and such we know

1195

00:54:44,880 --> 00:54:42,940

that the debris most of the debris went

1196

00:54:46,680 --> 00:54:44,890

to wright-patterson it was the home of

1197

00:54:50,849 --> 00:54:46,690

the foreign technology division it still

1198

00:54:53,310 --> 00:54:50,859

is home a project Bluebook and he made

1199

00:54:56,640 --> 00:54:53,320

several trips over those decades to

1200

00:54:59,520 --> 00:54:56,650

wright-patterson he was given my father

1201  
00:55:01,140 --> 00:54:59,530  
was given a phone number at times he

1202  
00:55:03,870 --> 00:55:01,150  
would call the operator and say I need

1203  
00:55:06,170 --> 00:55:03,880  
to talk to Merlin Hanson and the

1204  
00:55:11,400 --> 00:55:06,180  
operator would say which building

1205  
00:55:14,400 --> 00:55:11,410  
building 18 were which 18 ABCD I don't

1206  
00:55:16,200 --> 00:55:14,410  
know I just need to talk to him so his

1207  
00:55:18,210 --> 00:55:16,210  
exchange is over the years when he'd

1208  
00:55:21,359 --> 00:55:18,220  
come back he was very quiet

1209  
00:55:23,570 --> 00:55:21,369  
he said he often worked alone only time

1210  
00:55:26,099 --> 00:55:23,580  
to people by their first names

1211  
00:55:28,440 --> 00:55:26,109  
dad didn't really think much about it

1212  
00:55:30,150 --> 00:55:28,450  
except that he was very hard to get

1213  
00:55:31,950 --> 00:55:30,160

ahold of including when my grandmother

1214

00:55:34,109 --> 00:55:31,960

nearly passed away he couldn't get ahold

1215

00:55:36,060 --> 00:55:34,119

of him to tell her tell him that she was

1216

00:55:40,620 --> 00:55:36,070

in the hospital and my dad was very

1217

00:55:41,970 --> 00:55:40,630

upset about this so I don't know

1218

00:55:45,980 --> 00:55:41,980

time we have I could tell you one little

1219

00:55:50,280 --> 00:55:45,990

thing oh yeah yeah we could time okay so

1220

00:55:51,870 --> 00:55:50,290

the one one particular summer my my

1221

00:55:55,340 --> 00:55:51,880

father was was on the high school

1222

00:55:59,580 --> 00:55:55,350

basketball team and he remembers because

1223

00:56:01,290 --> 00:55:59,590

his dad had never gone to well I think

1224

00:56:03,660 --> 00:56:01,300

his dad had gone to the games but he

1225

00:56:04,830 --> 00:56:03,670

really wanted him to see this game but

1226

00:56:10,560 --> 00:56:04,840

he couldn't because he was out at

1227

00:56:13,890 --> 00:56:10,570

wright-patt and my grandmother was you

1228

00:56:15,950 --> 00:56:13,900

know sick on another occasion to where

1229

00:56:18,270 --> 00:56:15,960

she was in the hospital like I said and

1230

00:56:21,060 --> 00:56:18,280

he couldn't get ahold of him so when he

1231

00:56:23,160 --> 00:56:21,070

came back grandfather came home and my

1232

00:56:26,220 --> 00:56:23,170

father just kind of let him have it

1233

00:56:29,360 --> 00:56:26,230

he just said where were you we almost

1234

00:56:31,620 --> 00:56:29,370

lost mom I was here alone

1235

00:56:35,120 --> 00:56:31,630

grandfather looks him in the eyes and he

1236

00:56:39,060 --> 00:56:35,130

says I told you I'm not always available

1237

00:56:41,610 --> 00:56:39,070

when when I go out on these TDY Z's

1238

00:56:42,720 --> 00:56:41,620

temporary assignments and he says what

1239

00:56:45,960 --> 00:56:42,730

do you mean you're not available there's

1240

00:56:48,360 --> 00:56:45,970

phones everywhere and he said there's

1241

00:56:52,650 --> 00:56:48,370

not always phones where I'm working

1242

00:56:54,210 --> 00:56:52,660

underground and some people still debate

1243

00:56:57,420 --> 00:56:54,220

whether there's an underground complex

1244

00:56:58,590 --> 00:56:57,430

at wright-patterson that that to me is

1245

00:57:00,720 --> 00:56:58,600

not debatable

1246

00:57:02,360 --> 00:57:00,730

you know dodge spent Tom Kerry's book

1247

00:57:05,970 --> 00:57:02,370

right

1248

00:57:08,750 --> 00:57:05,980

you know thoroughly describes people you

1249

00:57:13,320 --> 00:57:08,760

know there's several several layers of

1250

00:57:16,410 --> 00:57:13,330

levels of hangers now they did this for

1251

00:57:17,790 --> 00:57:16,420

several reasons one of them was that

1252

00:57:20,370 --> 00:57:17,800

kind of played a shell game with the

1253

00:57:21,750 --> 00:57:20,380

Russians in the Cold War so when the

1254

00:57:23,550 --> 00:57:21,760

satellites would fly over they didn't

1255

00:57:26,130 --> 00:57:23,560

want them to know how many jets they had

1256

00:57:27,450 --> 00:57:26,140

parked out in the tarmac so they'd bring

1257

00:57:31,740 --> 00:57:27,460

him in and they'd he take him down

1258

00:57:33,500 --> 00:57:31,750

several levels to Park him well so so my

1259

00:57:36,660 --> 00:57:33,510

dad you know just kind of put this away

1260

00:57:40,650 --> 00:57:36,670

didn't think much about it until the 90s

1261

00:57:43,200 --> 00:57:40,660

when my grandfather contracted liver

1262

00:57:46,670 --> 00:57:43,210

cancer eventually spread to his brain

1263

00:57:49,320 --> 00:57:46,680

and pancreas or prostate I believe and

1264

00:57:51,960 --> 00:57:49,330

they would go to the gym to try and

1265

00:57:54,240 --> 00:57:51,970

exercise and keep his health up as he

1266

00:57:55,530 --> 00:57:54,250

was going through chemo

1267

00:57:57,860 --> 00:57:55,540

they would also sit down and they'd

1268

00:58:01,680 --> 00:57:57,870

watch shows like unsolved mysteries and

1269

00:58:06,060 --> 00:58:01,690

this is when the we first really started

1270

00:58:08,220 --> 00:58:06,070

hearing about the Roswell account and

1271

00:58:11,250 --> 00:58:08,230

wright-patterson and so my dad would say

1272

00:58:12,510 --> 00:58:11,260

hey you were out there weren't you like

1273

00:58:16,680 --> 00:58:12,520

is any of this true

1274

00:58:20,700 --> 00:58:16,690

and my grandfather generally would just

1275

00:58:24,390 --> 00:58:20,710

kind of laugh it off you know he

1276

00:58:27,210 --> 00:58:24,400

sometimes would would just kind of get

1277

00:58:28,260 --> 00:58:27,220

uncomfortable this particular time when

1278

00:58:30,510 --> 00:58:28,270

they were at the gym

1279

00:58:35,100 --> 00:58:30,520

my father had asked him several things

1280

00:58:37,650 --> 00:58:35,110

and he looked at him and he said I think

1281

00:58:39,870 --> 00:58:37,660

it's time we go they were just having a

1282

00:58:42,840 --> 00:58:39,880

great conversation enjoying themselves

1283

00:58:45,270 --> 00:58:42,850

and he says it's time we leave so he

1284

00:58:51,320 --> 00:58:45,280

knew when he says this you don't push

1285

00:58:53,940 --> 00:58:51,330

you know my grandfather so they left and

1286

00:58:57,540 --> 00:58:53,950

over the last little bit that we had him

1287

00:58:59,330 --> 00:58:57,550

alive there wasn't much of the subject

1288

00:59:01,970 --> 00:58:59,340

being brought up again except for

1289

00:59:04,830 --> 00:59:01,980

sometimes he would not his head yes

1290

00:59:06,720 --> 00:59:04,840

that's interesting he would say you know

1291

00:59:09,120 --> 00:59:06,730

on the TV shows when they talk about

1292

00:59:11,700 --> 00:59:09,130

something and then other times you'd say

1293

00:59:13,830 --> 00:59:11,710

that's that's completely BS they don't

1294

00:59:15,750 --> 00:59:13,840

know what they're talking about and that

1295

00:59:17,460 --> 00:59:15,760

kind of was away my dad thought he was

1296

00:59:19,530 --> 00:59:17,470

sort of confirming to him some things

1297

00:59:24,540 --> 00:59:19,540

but he never outright spoke about it

1298

00:59:32,370 --> 00:59:24,550

well fast forward now to I believe it

1299

00:59:34,200 --> 00:59:32,380

was 1996 and I had gone out that night I

1300

00:59:37,260 --> 00:59:34,210

was planning on stopping by to see my

1301  
00:59:39,900 --> 00:59:37,270  
grandfather in the hospital and you know

1302  
00:59:45,030 --> 00:59:39,910  
cell phones were were rather new I think

1303  
00:59:50,220 --> 00:59:45,040  
I had a 30 minute plan so I had just

1304  
00:59:51,780 --> 00:59:50,230  
made a call to to my dad to see if I

1305  
00:59:54,450 --> 00:59:51,790  
could stop by the hospital on my way

1306  
00:59:56,700 --> 00:59:54,460  
home from a date and he said your

1307  
00:59:57,440 --> 00:59:56,710  
grandfather's she actually just passed

1308  
01:00:00,350 --> 00:59:57,450  
away

1309  
01:00:02,730 --> 01:00:00,360  
sorry I missed him but I had an amazing

1310  
01:00:06,840 --> 01:00:02,740  
experience with him I was here in the

1311  
01:00:08,190 --> 01:00:06,850  
room alone and he didn't tell me at that

1312  
01:00:09,690 --> 01:00:08,200  
time exactly what they

1313  
01:00:13,020 --> 01:00:09,700

talked about because it was just one of

1314

01:00:15,089 --> 01:00:13,030

many things but he had been pretty

1315

01:00:19,740 --> 01:00:15,099

silent as you know he starts to breathe

1316

01:00:23,400 --> 01:00:19,750

slower and and get closer and at one

1317

01:00:25,980 --> 01:00:23,410

point he took my dad's hand and he

1318

01:00:28,620 --> 01:00:25,990

looked him in the eyes and he said I

1319

01:00:31,710 --> 01:00:28,630

know what you've been asking me they

1320

01:00:37,980 --> 01:00:31,720

said son you need to know we're not

1321

01:00:39,930 --> 01:00:37,990

alone and don't be afraid and in the

1322

01:00:42,089 --> 01:00:39,940

context of it my dad is absolutely

1323

01:00:43,440 --> 01:00:42,099

positive he wasn't talking about there's

1324

01:00:46,290 --> 01:00:43,450

life after death

1325

01:00:48,930 --> 01:00:46,300

you know they already believed had a

1326

01:00:50,220 --> 01:00:48,940

strong belief in that he was talking

1327

01:00:52,650 --> 01:00:50,230

about all the things he had been

1328

01:00:55,890 --> 01:00:52,660

pestering and about his work and

1329

01:00:58,200 --> 01:00:55,900

everything else and he maintained his

1330

01:00:59,700 --> 01:00:58,210

oath I mean my dad and I haven't I've

1331

01:01:01,650 --> 01:00:59,710

always kind of searched around the house

1332

01:01:05,700 --> 01:01:01,660

looking for like the national treasure

1333

01:01:07,500 --> 01:01:05,710

you know looking for a clue maybe he

1334

01:01:10,410 --> 01:01:07,510

left us something and all we've been

1335

01:01:12,690 --> 01:01:10,420

able to come up with really is we've

1336

01:01:14,309 --> 01:01:12,700

been able to line up and it's it's

1337

01:01:15,750 --> 01:01:14,319

speculative of course but we've been

1338

01:01:16,380 --> 01:01:15,760

able to line up the times that he was

1339

01:01:19,740 --> 01:01:16,390

gone

1340

01:01:21,780 --> 01:01:19,750

to some actual events that you know in

1341

01:01:24,420 --> 01:01:21,790

in my mind it would be great if it were

1342

01:01:27,210 --> 01:01:24,430

actually meant something but for example

1343

01:01:29,670 --> 01:01:27,220

we have night 1965

1344

01:01:33,809 --> 01:01:29,680

December I believe it was we have the

1345

01:01:35,940 --> 01:01:33,819

Kecksburg Pennsylvania yeah well he was

1346

01:01:37,559 --> 01:01:35,950

called just uh just one or two days

1347

01:01:39,450 --> 01:01:37,569

after that event and was called out to

1348

01:01:42,150 --> 01:01:39,460

wright-patterson you know we have

1349

01:01:44,609 --> 01:01:42,160

witnesses saying that that debris went

1350

01:01:47,579 --> 01:01:44,619

through the back gate into right path

1351

01:01:49,950 --> 01:01:47,589

and he was gone for a good week or two

1352

01:01:52,230 --> 01:01:49,960

after that event and and we were getting

1353

01:01:54,870 --> 01:01:52,240

into finding more about what he did and

1354

01:01:57,900 --> 01:01:54,880

his work and basically he was a

1355

01:02:01,680 --> 01:01:57,910

logistical technician for for projects

1356

01:02:05,339 --> 01:02:01,690

and inventory and and for new equipment

1357

01:02:07,650 --> 01:02:05,349

so when a new project was it would come

1358

01:02:10,470 --> 01:02:07,660

in they had to allocate space for it and

1359

01:02:11,940 --> 01:02:10,480

and all of the Air Force's assets had to

1360

01:02:17,359 --> 01:02:11,950

be inventoried in their computer

1361

01:02:20,040 --> 01:02:17,369

database so he was one of the key guys

1362

01:02:21,960 --> 01:02:20,050

across the country that that knew the

1363

01:02:25,080 --> 01:02:21,970

system inside and out and

1364

01:02:28,650 --> 01:02:25,090

helped new ways of inventory and

1365

01:02:31,080 --> 01:02:28,660

allocating resources and you have to ask

1366

01:02:34,770 --> 01:02:31,090

yourself well there's either one of only

1367

01:02:36,180 --> 01:02:34,780

one of him or there's some reason while

1368

01:02:38,910 --> 01:02:36,190

they're pulling people in from across

1369

01:02:40,680 --> 01:02:38,920

the country clear across the country to

1370

01:02:43,740 --> 01:02:40,690

work for only a week or two on special

1371

01:02:46,470 --> 01:02:43,750

things right had that kind of tends to

1372

01:02:47,660 --> 01:02:46,480

you know go along with how the

1373

01:02:50,430 --> 01:02:47,670

government operates in

1374

01:02:52,410 --> 01:02:50,440

compartmentalization uh-huh

1375

01:02:54,750 --> 01:02:52,420

been you know you've told me that story

1376

01:02:57,480 --> 01:02:54,760

twice and I gotta tell you I get I get

1377

01:03:00,150 --> 01:02:57,490

goose bumps and I can't I can't remember

1378

01:03:02,880 --> 01:03:00,160

any other time on the show I get this

1379

01:03:04,890 --> 01:03:02,890

bonus so thank you so we're gonna take a

1380

01:03:07,230 --> 01:03:04,900

quick little music break here but we're

1381

01:03:10,260 --> 01:03:07,240

going to be right back and I'd like to

1382

01:03:13,240 --> 01:03:10,270

talk to you about some shows and what

1383

01:03:20,750 --> 01:03:13,250

you're up to so hang on just one minute

1384

01:03:20,760 --> 01:03:39,670

[Music]

1385

01:03:44,750 --> 01:03:42,800

all right we're back with Ben Hansen and

1386

01:03:49,070 --> 01:03:44,760

our two we've got them for just a little

1387

01:03:51,590 --> 01:03:49,080

while here so Ben last time you and I

1388

01:03:54,800 --> 01:03:51,600

spoke on this show I can't remember

1389

01:03:58,040 --> 01:03:54,810

exactly how long ago it was but you were

1390

01:04:00,980 --> 01:03:58,050

I think you were creating a pilot

1391

01:04:02,690 --> 01:04:00,990

perhaps and I just wanted to find out

1392

01:04:04,430 --> 01:04:02,700

what's going on in your life these days

1393

01:04:08,570 --> 01:04:04,440

what you're what you're up to because

1394

01:04:10,210 --> 01:04:08,580

you've been very nice in your emails and

1395

01:04:14,420 --> 01:04:10,220

everything but you've been extremely

1396

01:04:21,080 --> 01:04:14,430

busy or all over the world what are you

1397

01:04:23,960 --> 01:04:21,090

doing yeah I I sometimes yeah I do feel

1398

01:04:26,390 --> 01:04:23,970

bad when I have to just you know when I

1399

01:04:27,860 --> 01:04:26,400

first got into the it's not like I

1400

01:04:29,120 --> 01:04:27,870

haven't been busy in my life before but

1401

01:04:31,760 --> 01:04:29,130

what they got in a Hollywood business

1402

01:04:34,670 --> 01:04:31,770

that was one thing that I really didn't

1403

01:04:36,380 --> 01:04:34,680

like about people is that the executive

1404

01:04:40,220 --> 01:04:36,390

producers and stuff would respond with

1405

01:04:42,740 --> 01:04:40,230

like one line like yep looks good no see

1406

01:04:45,500 --> 01:04:42,750

Tuesday nope no word and I'm like that

1407

01:04:49,610 --> 01:04:45,510

is rude and and I'm afraid way that I'm

1408

01:04:54,170 --> 01:04:49,620

becoming that type of a person because I

1409

01:04:55,520 --> 01:04:54,180

kind of see how it's you just get

1410

01:04:59,060 --> 01:04:55,530

overwhelmed because you have to have

1411

01:05:02,210 --> 01:04:59,070

your hand in so many things and you know

1412

01:05:06,260 --> 01:05:02,220

like you got a siren going on outside

1413

01:05:07,670 --> 01:05:06,270

apologize yeah what if one of the the

1414

01:05:10,610 --> 01:05:07,680

pilots that we were filming we've

1415

01:05:12,890 --> 01:05:10,620

probably got let me think here we

1416

01:05:17,540 --> 01:05:12,900

finished a sizzle that we're pitching a

1417

01:05:20,150 --> 01:05:17,550

new a new UFO kind of docu-series which

1418

01:05:22,190 --> 01:05:20,160

I really really believe in I can't talk

1419

01:05:23,480 --> 01:05:22,200

a whole lot about it but I'm working

1420

01:05:28,880 --> 01:05:23,490

with some people and I'm sure you'd

1421

01:05:31,100 --> 01:05:28,890

recognize and I've been asked by I think

1422

01:05:34,100 --> 01:05:31,110

four or five different shows now to be

1423

01:05:36,920 --> 01:05:34,110

considered hosting new shows in a

1424

01:05:41,510 --> 01:05:36,930

similar vein you know sort of conspiracy

1425

01:05:42,980 --> 01:05:41,520

related or mystery related and you know

1426

01:05:46,280 --> 01:05:42,990

it's kind of like you just see which

1427

01:05:48,020 --> 01:05:46,290

horse comes out first we uh you know

1428

01:05:50,630 --> 01:05:48,030

pitching our own and and other people

1429

01:05:52,560 --> 01:05:50,640

pitching to us so eventually I think

1430

01:05:55,350 --> 01:05:52,570

something will work out but

1431

01:05:57,390 --> 01:05:55,360

that doesn't pay the bills so you know I

1432

01:06:01,200 --> 01:05:57,400

bet I have been touring and traveling I

1433

01:06:02,820 --> 01:06:01,210

have yet to to write a book lease

1434

01:06:05,070 --> 01:06:02,830

Spiegel and I have joked about it we

1435

01:06:06,300 --> 01:06:05,080

should write one together well that

1436

01:06:10,160 --> 01:06:06,310

would be that would be a great book I'd

1437

01:06:13,410 --> 01:06:10,170

buy that oh thank you yeah it's

1438

01:06:15,180 --> 01:06:13,420

something I want to do but it's it's

1439

01:06:17,880 --> 01:06:15,190

just kind of bad plus I have my night

1440

01:06:23,490 --> 01:06:17,890

vision business at night vision ops calm

1441

01:06:25,380 --> 01:06:23,500

and that that is is starting to a kind

1442

01:06:29,550 --> 01:06:25,390

of go abs and flows because it's it's

1443

01:06:31,080 --> 01:06:29,560

kind of like a plant that I neglect and

1444

01:06:33,530 --> 01:06:31,090

I just kind of leave it out there and

1445

01:06:35,940 --> 01:06:33,540

then I'll have some UFO conferences and

1446

01:06:37,560 --> 01:06:35,950

we'll put out the new stuff and then I

1447

01:06:40,470 --> 01:06:37,570

kind of leave it again because I get so

1448

01:06:48,210 --> 01:06:40,480

busy and now that I'm married maybe I

1449

01:06:49,410 --> 01:06:48,220

can assign some duties to the wife you

1450

01:06:54,300 --> 01:06:49,420

know it's funny you were talking about

1451

01:06:56,550 --> 01:06:54,310

the email and besides in my life during

1452

01:06:59,910 --> 01:06:56,560

the day I'm involved in a start-up keeps

1453

01:07:03,540 --> 01:06:59,920

me extremely busy and I'm thinking I get

1454

01:07:06,680 --> 01:07:03,550

between 800 to 900 emails a week so I

1455

01:07:09,300 --> 01:07:06,690

understand about I understand about

1456

01:07:11,820 --> 01:07:09,310

short I may be exaggerating this it's

1457

01:07:15,600 --> 01:07:11,830

not I know I get I get sometimes a

1458

01:07:18,330 --> 01:07:15,610

hundred plus a day so a lot of times I

1459

01:07:20,610 --> 01:07:18,340

will throw back very brief emails and

1460

01:07:22,680 --> 01:07:20,620

and unfortunately I don't know if this

1461

01:07:25,590 --> 01:07:22,690

happens to you and maybe it's my a DD I

1462

01:07:27,990 --> 01:07:25,600

don't know but when I open an email and

1463

01:07:31,620 --> 01:07:28,000

it's like 14 pages long I can't I can't

1464

01:07:34,530 --> 01:07:31,630

do it it's true it's true and the

1465

01:07:37,740 --> 01:07:34,540

Facebook messages for people who want to

1466

01:07:38,880 --> 01:07:37,750

contact me on Facebook brief is good you

1467

01:07:39,630 --> 01:07:38,890

know I don't I don't need to hear the

1468

01:07:43,260 --> 01:07:39,640

whole life story

1469

01:07:45,870 --> 01:07:43,270

it it helps if they first say can I tell

1470

01:07:49,290 --> 01:07:45,880

you something yeah and that I say how

1471

01:07:51,900 --> 01:07:49,300

long is it you know like if you want me

1472

01:07:54,690 --> 01:07:51,910

to analyze a photo or video I can do it

1473

01:07:57,540 --> 01:07:54,700

when I have time and I'll tell them it's

1474

01:08:00,840 --> 01:07:57,550

just that when you have like you said

1475

01:08:03,930 --> 01:08:00,850

you know 20 people a week or more just

1476

01:08:05,730 --> 01:08:03,940

wanting to look at photos and videos it

1477

01:08:06,190 --> 01:08:05,740

adds up it's and a lot of times they

1478

01:08:09,339 --> 01:08:06,200

don't want to

1479

01:08:11,319 --> 01:08:09,349

hear what you have to say I know that is

1480

01:08:13,349 --> 01:08:11,329

true if you're not talking with them if

1481

01:08:16,090 --> 01:08:13,359

you're not saying what they want to hear

1482

01:08:19,959 --> 01:08:16,100

they either one get mad at you or go on

1483

01:08:22,269 --> 01:08:19,969

to the next person basically speaking of

1484

01:08:23,829 --> 01:08:22,279

that that is a topic I did want to talk

1485

01:08:26,400 --> 01:08:23,839

to you about the time just seemed to fly

1486

01:08:29,559 --> 01:08:26,410

by here but I know a lot of times

1487

01:08:33,630 --> 01:08:29,569

Alejandro and I talk and and he'll say

1488

01:08:35,950 --> 01:08:33,640

you know mark if D Antonio by the way

1489

01:08:38,050 --> 01:08:35,960

let's have some good thoughts for mark

1490

01:08:42,700 --> 01:08:38,060

he's not he's not doing well

1491

01:08:45,729 --> 01:08:42,710

I found out this week and I am hoping he

1492

01:08:48,640 --> 01:08:45,739

recovers well he's he has some health

1493

01:08:51,309 --> 01:08:48,650

issues and we can all just hope that

1494

01:08:54,190 --> 01:08:51,319

he'll recover soon he's a great guy and

1495

01:08:56,229 --> 01:08:54,200

thank you yeah I I'd heard he was in the

1496

01:08:59,530 --> 01:08:56,239

hospital I I didn't know what the latest

1497

01:09:01,930 --> 01:08:59,540

update though yeah had some heart issues

1498

01:09:06,070 --> 01:09:01,940

and we can just hope that he pulls

1499

01:09:09,190 --> 01:09:06,080

through okay so but I hear a lot of

1500

01:09:11,650 --> 01:09:09,200

times from from Alejandro he'll say oh

1501

01:09:14,979 --> 01:09:11,660

yeah mark D Antonio looked at this and

1502

01:09:16,809 --> 01:09:14,989

he has this opinion and then Ben Hansen

1503

01:09:18,999 --> 01:09:16,819

looked at it and he thinks it's a drone

1504

01:09:21,599 --> 01:09:19,009

and you know they agree on it they don't

1505

01:09:24,849 --> 01:09:21,609

agree on it

1506

01:09:27,999 --> 01:09:24,859

so I imagine that that takes up a lot of

1507

01:09:32,590 --> 01:09:28,009

your time sort of like doing analysis on

1508

01:09:34,300 --> 01:09:32,600

things it does and and Lee knows that we

1509

01:09:37,479 --> 01:09:34,310

love it we love it when he sends his

1510

01:09:41,079 --> 01:09:37,489

stuff he's like my second wife it just

1511

01:09:44,320 --> 01:09:41,089

yeah my my first wife doesn't really

1512

01:09:45,519 --> 01:09:44,330

like it because she'll and no offense if

1513

01:09:48,309 --> 01:09:45,529

if Lee's listening

1514

01:09:50,019 --> 01:09:48,319

she loves Lee Lee loves her but but

1515

01:09:52,570 --> 01:09:50,029

sometimes we'll be out on our date you

1516

01:09:55,090 --> 01:09:52,580

know or something and and Lee calls and

1517

01:09:59,470 --> 01:09:55,100

I'm like I gotta answer she's likely can

1518

01:10:02,170 --> 01:09:59,480

wait you know like but he's got a story

1519

01:10:04,959 --> 01:10:02,180

I'm sure he's got something is like yes

1520

01:10:06,850 --> 01:10:04,969

but Lee likes to chat a lot and and you

1521

01:10:08,709 --> 01:10:06,860

guys will I you know you'll talk for

1522

01:10:10,390 --> 01:10:08,719

like an hour and I was like okay okay

1523

01:10:11,010 --> 01:10:10,400

let me just tell him that I'll call him

1524

01:10:15,250 --> 01:10:11,020

back

1525

01:10:17,290 --> 01:10:15,260

so I I love Lee he's such a he's such a

1526

01:10:20,080 --> 01:10:17,300

great guy I had him on the show a while

1527

01:10:23,320 --> 01:10:20,090

back and it's so funny it's like when my

1528

01:10:25,150 --> 01:10:23,330

show ends I am editing and putting

1529

01:10:27,550 --> 01:10:25,160

together the full show and the separate

1530

01:10:31,150 --> 01:10:27,560

show and everything and then a YouTube

1531

01:10:33,880 --> 01:10:31,160

video with its just audio but it's you

1532

01:10:35,740 --> 01:10:33,890

know put on YouTube so I'm up another

1533

01:10:37,600 --> 01:10:35,750

like hour and a half two hours sometimes

1534

01:10:40,900 --> 01:10:37,610

you know just doing that after every

1535

01:10:43,150 --> 01:10:40,910

single show and after I have my show

1536

01:10:47,140 --> 01:10:43,160

with Lee we talked for almost two hours

1537

01:10:49,330 --> 01:10:47,150

on the phone yeah he's just a lot of fun

1538

01:10:52,180 --> 01:10:49,340

he's you know he is it has a great

1539

01:10:55,870 --> 01:10:52,190

storytelling voice I always like it

1540

01:11:00,870 --> 01:10:55,880

sounds like it was a bull lives

1541

01:11:03,610 --> 01:11:00,880

the Christmas song guy so yeah he calls

1542

01:11:06,520 --> 01:11:03,620

yeah usually about once a week or so and

1543

01:11:08,670 --> 01:11:06,530

he might have something and it does take

1544

01:11:13,390 --> 01:11:08,680

a little a little bit of time but I

1545

01:11:16,060 --> 01:11:13,400

consider it a pleasure because it keeps

1546

01:11:17,680 --> 01:11:16,070

me relevant in in what's going on and

1547

01:11:20,080 --> 01:11:17,690

when people ask me did what do you think

1548

01:11:21,940 --> 01:11:20,090

about this or that a lot of times I only

1549

01:11:25,440 --> 01:11:21,950

know about it because Lee has forwarded

1550

01:11:27,970 --> 01:11:25,450

it to me so it keeps my skills sharp and

1551

01:11:32,320 --> 01:11:27,980

it gives me more material if we ever

1552

01:11:37,600 --> 01:11:32,330

decide to write a book right right so

1553

01:11:39,490 --> 01:11:37,610

right now as far as the I just want to

1554

01:11:41,410 --> 01:11:39,500

ask you there was a show you mentioned

1555

01:11:43,750 --> 01:11:41,420

and is it the same show you were talking

1556

01:11:45,730 --> 01:11:43,760

about the last time we talked it sounds

1557

01:11:49,890 --> 01:11:45,740

similar or was there something else in

1558

01:11:52,660 --> 01:11:49,900

the works I'm not sure we had UFOs

1559

01:11:56,620 --> 01:11:52,670

Declassified is on the History Channel

1560

01:12:00,160 --> 01:11:56,630

and we I filmed a couple episodes with

1561

01:12:06,180 --> 01:12:00,170

them I think I only made the edit in one

1562

01:12:08,350 --> 01:12:06,190

episode but it's it aired six six in in

1563

01:12:11,380 --> 01:12:08,360

Canada and the interesting thing is the

1564

01:12:13,960 --> 01:12:11,390

Smithsonian and us bought it as well but

1565

01:12:17,920 --> 01:12:13,970

they as of yet have not aired it they

1566

01:12:22,300 --> 01:12:17,930

had some problems shall we say just

1567

01:12:23,890 --> 01:12:22,310

agreeing on on the content no I'm not

1568

01:12:26,290 --> 01:12:23,900

I'm not insinuating any type of

1569

01:12:28,720 --> 01:12:26,300

conspiracy we love the Smithsonian for

1570

01:12:32,140 --> 01:12:28,730

for having even considered this because

1571

01:12:33,850 --> 01:12:32,150

it's very non-conventional for them

1572

01:12:37,030 --> 01:12:33,860

right but but even

1573

01:12:39,430 --> 01:12:37,040

considering it it's great it's just that

1574

01:12:42,700 --> 01:12:39,440

from what I hear there had been a lot of

1575

01:12:44,350 --> 01:12:42,710

edits and so they don't know if it's

1576

01:12:47,350 --> 01:12:44,360

actually going to air on the Smithsonian

1577

01:12:49,359 --> 01:12:47,360

anymore wow that's too bad yeah because

1578

01:12:51,550 --> 01:12:49,369

I think that's the the piece I remember

1579

01:12:54,820 --> 01:12:51,560

something about that if you're listening

1580

01:12:57,580 --> 01:12:54,830

live you can call in we have been on

1581

01:13:01,350 --> 01:12:57,590

just for a few more minutes and call in

1582

01:13:06,879 --> 01:13:01,360

at six oh three nine six seven four

1583

01:13:11,410 --> 01:13:06,889

o3o and then do people just associate

1584

01:13:13,000 --> 01:13:11,420

you with fact or faked you know i'm is

1585

01:13:14,979 --> 01:13:13,010

that what you get the most when someone

1586

01:13:18,070 --> 01:13:14,989

sees you or i mean that was a pretty

1587

01:13:21,070 --> 01:13:18,080

popular show wasn't it yeah it was and

1588

01:13:23,770 --> 01:13:21,080

that's by far the thing I'm most known

1589

01:13:27,209 --> 01:13:23,780

for yeah I if people were to recognize

1590

01:13:30,490 --> 01:13:27,219

me that's that's what I'm known for but

1591

01:13:34,060 --> 01:13:30,500

it's you know like UFOs Declassified I

1592

01:13:35,020 --> 01:13:34,070

was just up in Vancouver Canada and so

1593

01:13:38,140 --> 01:13:35,030

they're the ones that have been watching

1594

01:13:40,180 --> 01:13:38,150

that one you know down in Australia

1595

01:13:44,490 --> 01:13:40,190

they're still showing reruns of our last

1596

01:13:47,530 --> 01:13:44,500

season hmm down there as well so I

1597

01:13:51,010 --> 01:13:47,540

really had not done anything in in TV

1598

01:13:53,010 --> 01:13:51,020

you know prior to that so a lot of the

1599

01:13:58,030 --> 01:13:53,020

conference's that I get asked to though

1600

01:13:59,590 --> 01:13:58,040

they don't should I say well I want to

1601  
01:14:02,530 --> 01:13:59,600  
say advertised but I really want to say

1602  
01:14:05,350 --> 01:14:02,540  
exploit they don't really exploit the

1603  
01:14:08,560 --> 01:14:05,360  
title as much because they're they're

1604  
01:14:10,359 --> 01:14:08,570  
more academic it you tend to find that

1605  
01:14:13,899 --> 01:14:10,369  
the UFO conferences are more academic

1606  
01:14:15,340 --> 01:14:13,909  
than fan-based which is great because

1607  
01:14:16,780 --> 01:14:15,350  
they want to hear what have you done

1608  
01:14:20,800 --> 01:14:16,790  
recently what have you researched

1609  
01:14:22,419 --> 01:14:20,810  
recently and you know at first when I

1610  
01:14:25,060 --> 01:14:22,429  
started doing a circuit I was drawing

1611  
01:14:27,340 --> 01:14:25,070  
upon stories of things we did on the

1612  
01:14:30,669 --> 01:14:27,350  
show but since then I've been drawing

1613  
01:14:33,040 --> 01:14:30,679

upon videos you know that people have

1614

01:14:34,840 --> 01:14:33,050

sent me the analysis on on the

1615

01:14:38,500 --> 01:14:34,850

interviews and things like that so

1616

01:14:40,840 --> 01:14:38,510

that's kind of the niche that that that

1617

01:14:44,530 --> 01:14:40,850

I've taken is kind of the especially the

1618

01:14:47,500 --> 01:14:44,540

hoaxing aspect of it and what I

1619

01:14:49,479 --> 01:14:47,510

developed with a profiling system of

1620

01:14:51,669 --> 01:14:49,489

of trying to categorize why people do

1621

01:14:55,919 --> 01:14:51,679

things and and what we can do to kind of

1622

01:14:58,419 --> 01:14:55,929

spot the hoaxes right now here's a

1623

01:15:01,660 --> 01:14:58,429

question up on the message board has

1624

01:15:04,810 --> 01:15:01,670

there ever been any footage on fact or

1625

01:15:07,750 --> 01:15:04,820

faked that the producers have had to shy

1626

01:15:10,740 --> 01:15:07,760

away from for any reason other than you

1627

01:15:14,459 --> 01:15:10,750

know not being newsworthy

1628

01:15:17,339 --> 01:15:14,469

yeah there's actually a few things and

1629

01:15:20,229 --> 01:15:17,349

I'm sure it's it's okay to talk about

1630

01:15:23,290 --> 01:15:20,239

they don't like you to know you know how

1631

01:15:25,439 --> 01:15:23,300

the sausage is made behind the scenes

1632

01:15:28,209 --> 01:15:25,449

meaning they don't want you to know that

1633

01:15:31,060 --> 01:15:28,219

what they call the fourth wall okay so

1634

01:15:33,580 --> 01:15:31,070

yeah they want you to be in the moment

1635

01:15:36,209 --> 01:15:33,590

and to imagine this is just us there's

1636

01:15:38,169 --> 01:15:36,219

not camera people filming us and so

1637

01:15:41,140 --> 01:15:38,179

there was one thing that was interesting

1638

01:15:45,850 --> 01:15:41,150

we were filming a I wasn't there it was

1639

01:15:50,319 --> 01:15:45,860

a ghost case though it was a bar where

1640

01:15:53,140 --> 01:15:50,329

an ashtray exploded on camera and when

1641

01:15:57,399 --> 01:15:53,150

my team went back to replicate that we

1642

01:15:59,109 --> 01:15:57,409

were filming actually a wide shot is

1643

01:16:01,720 --> 01:15:59,119

what I think picked it up and so you see

1644

01:16:05,049 --> 01:16:01,730

the cameraman there I think they were

1645

01:16:07,000 --> 01:16:05,059

just about to set up what we call an OT

1646

01:16:09,220 --> 01:16:07,010

f4 on the fly where you're talking to

1647

01:16:10,720 --> 01:16:09,230

cam ranh you're saying we're gonna set

1648

01:16:12,850 --> 01:16:10,730

up this experiment over here and do this

1649

01:16:16,529 --> 01:16:12,860

in blah blah blah well as they're

1650

01:16:19,299 --> 01:16:16,539

setting that up one of these wineglasses

1651  
01:16:23,140 --> 01:16:19,309  
that was on a rack hanging above the bar

1652  
01:16:26,319 --> 01:16:23,150  
flew off of the rack and came flying off

1653  
01:16:28,600 --> 01:16:26,329  
and broke and it was amazing because

1654  
01:16:29,319 --> 01:16:28,610  
this is what allegedly occurred object

1655  
01:16:32,799 --> 01:16:29,329  
manipulation

1656  
01:16:35,500 --> 01:16:32,809  
you know the ashtray and great catch the

1657  
01:16:39,100 --> 01:16:35,510  
the footage it it was captured on video

1658  
01:16:40,930 --> 01:16:39,110  
but when they went back to the edit the

1659  
01:16:42,669 --> 01:16:40,940  
producers loved it but it's got to go

1660  
01:16:44,350 --> 01:16:42,679  
through several layers you know to the

1661  
01:16:48,430 --> 01:16:44,360  
network and stuff and we love our

1662  
01:16:49,959 --> 01:16:48,440  
network execs I'll say that we do but

1663  
01:16:52,270 --> 01:16:49,969

but see they have something else they're

1664

01:16:53,620 --> 01:16:52,280

looking out for and because they weren't

1665

01:16:55,839 --> 01:16:53,630

there

1666

01:16:58,959 --> 01:16:55,849

they weren't insinuating that we faked

1667

01:17:01,000 --> 01:16:58,969

this but what they're saying was if we

1668

01:17:01,270 --> 01:17:01,010

air this and it's the same thing that

1669

01:17:04,030 --> 01:17:01,280

have

1670

01:17:07,270 --> 01:17:04,040

in Indiana people won't believe this is

1671

01:17:10,420 --> 01:17:07,280

real it's almost like it's too good to

1672

01:17:12,790 --> 01:17:10,430

be true and we're simple this isn't it

1673

01:17:14,950 --> 01:17:12,800

just like imported it's almost like if

1674

01:17:15,460 --> 01:17:14,960

you have a film of a UFO and it's too

1675

01:17:19,510 --> 01:17:15,470

good

1676

01:17:22,780 --> 01:17:19,520

who the hell's gonna believe it yeah GI

1677

01:17:25,390 --> 01:17:22,790

it's whatever you know exactly and their

1678

01:17:28,660 --> 01:17:25,400

contention here was well the camera guys

1679

01:17:30,490 --> 01:17:28,670

in the shot as well and they're like you

1680

01:17:32,620 --> 01:17:30,500

know can you go back

1681

01:17:34,570 --> 01:17:32,630

what do you wants to fly back and ask

1682

01:17:36,240 --> 01:17:34,580

whatever spirit or whatever did this -

1683

01:17:41,290 --> 01:17:36,250

do it again

1684

01:17:44,710 --> 01:17:41,300

Wow you know so that's anyways you know

1685

01:17:46,990 --> 01:17:44,720

I gotta say and I I don't think I've

1686

01:17:49,750 --> 01:17:47,000

ever said it on this show but I actually

1687

01:17:53,710 --> 01:17:49,760

had something happen to me

1688

01:17:57,490 --> 01:17:53,720

that is totally unexplainable and along

1689

01:17:59,320 --> 01:17:57,500

those lines and and I would you know I

1690

01:18:02,230 --> 01:17:59,330

would take any lie detector test

1691

01:18:03,700 --> 01:18:02,240

anything any one thing anyone ever wants

1692

01:18:07,330 --> 01:18:03,710

to do you could stare at me what I'm

1693

01:18:10,480 --> 01:18:07,340

telling you the story it happened to me

1694

01:18:12,490 --> 01:18:10,490

and you know what I'm gonna leave the

1695

01:18:13,560 --> 01:18:12,500

listener hanging and if you want to hear

1696

01:18:19,870 --> 01:18:13,570

it

1697

01:18:21,250 --> 01:18:19,880

open minds the last show last Monday so

1698

01:18:22,570 --> 01:18:21,260

if you want to hear the story you can

1699

01:18:25,570 --> 01:18:22,580

listen to it there and it really did

1700

01:18:28,810 --> 01:18:25,580

happen it was absolutely bizarre and

1701

01:18:31,630 --> 01:18:28,820

unexplainable there has to be some type

1702

01:18:34,380 --> 01:18:31,640

of explanation but I just don't know it

1703

01:18:38,530 --> 01:18:34,390

was it was it related to to go stunning

1704

01:18:41,110 --> 01:18:38,540

yes something am I gonna have to say it

1705

01:18:42,460 --> 01:18:41,120

don't see what the child says do you

1706

01:18:44,890 --> 01:18:42,470

want to hear it I'll just tell it again

1707

01:18:45,490 --> 01:18:44,900

people that I've already heard do you

1708

01:18:47,950 --> 01:18:45,500

have time

1709

01:18:50,500 --> 01:18:47,960

I do I was just gonna I was gonna throw

1710

01:18:53,350 --> 01:18:50,510

in there maybe it's you saw it with

1711

01:18:56,200 --> 01:18:53,360

Alejandro or no no he made me talk about

1712

01:18:59,710 --> 01:18:56,210

it Oh gotcha cuz because she might be a

1713

01:19:03,820 --> 01:18:59,720

magnet himself when I was at the Roswell

1714

01:19:05,530 --> 01:19:03,830

UFO festival when the day closed at the

1715

01:19:07,600 --> 01:19:05,540

very end of the conference we we had

1716

01:19:10,960 --> 01:19:07,610

heard that the the museum itself is

1717

01:19:12,910 --> 01:19:10,970

haunted and we decided to go do a little

1718

01:19:14,439 --> 01:19:12,920

investigation upstairs because it used

1719

01:19:21,069 --> 01:19:14,449

to be a movie theater

1720

01:19:24,879 --> 01:19:21,079

and so as Alejandro and his girlfriends

1721

01:19:26,770 --> 01:19:24,889

and Maureen I think I don't think Jason

1722

01:19:28,209 --> 01:19:26,780

was there anyways

1723

01:19:29,649 --> 01:19:28,219

they're all looking at me and I'm

1724

01:19:33,149 --> 01:19:29,659

looking down the hallway the other

1725

01:19:36,910 --> 01:19:33,159

direction and I saw a dark figure

1726

01:19:42,879 --> 01:19:36,920

probably a about six foot tall was sort

1727

01:19:46,540 --> 01:19:42,889

of a cloak trailing behind no no no

1728

01:19:48,489 --> 01:19:46,550

detail just the outline form walk from

1729

01:19:52,839 --> 01:19:48,499

one side of the hall to the other and

1730

01:19:55,089 --> 01:19:52,849

disappear Wow and I jumped up I ran down

1731

01:19:56,949 --> 01:19:55,099

there I turned the corner and there's an

1732

01:19:59,080 --> 01:19:56,959

open doorway where it looked like it

1733

01:20:02,109 --> 01:19:59,090

came out of but the other side is a wall

1734

01:20:05,770 --> 01:20:02,119

and it went right through the wall Jesus

1735

01:20:07,689 --> 01:20:05,780

so that can you imagine being a little

1736

01:20:08,020 --> 01:20:07,699

kid and seeing that you'd never sleep

1737

01:20:10,870 --> 01:20:08,030

again

1738

01:20:13,930 --> 01:20:10,880

you know all right so I'm gonna just

1739

01:20:17,529 --> 01:20:13,940

tell the story because it really

1740

01:20:19,299 --> 01:20:17,539

happened and so anyway years ago I

1741

01:20:22,810 --> 01:20:19,309

I grew up in the antiques and Fine Arts

1742

01:20:26,229 --> 01:20:22,820

and auction business mainly and years

1743

01:20:27,969 --> 01:20:26,239

ago I I got a call from a lawyer that

1744

01:20:29,979 --> 01:20:27,979

wanted me to take antiques out of a

1745

01:20:33,250 --> 01:20:29,989

house it wasn't an old house or anything

1746

01:20:35,379 --> 01:20:33,260

probably the 1940s so I looked and there

1747

01:20:36,910 --> 01:20:35,389

were you know some decent things and it

1748

01:20:39,939 --> 01:20:36,920

was a slow time of year was the winter

1749

01:20:41,439 --> 01:20:39,949

so I said I tell you I'll tell you what

1750

01:20:42,969 --> 01:20:41,449

I says I'll I'll get a crew in there

1751

01:20:44,919 --> 01:20:42,979

we'll clean it out and charge you you

1752

01:20:47,319 --> 01:20:44,929

know so much money to clean it out after

1753

01:20:49,739 --> 01:20:47,329

we take the antique so take stuff to the

1754

01:20:53,109 --> 01:20:49,749

dump sweep it down get it ready to sell

1755

01:20:56,709 --> 01:20:53,119

so no problem he said yeah go ahead and

1756

01:20:58,719 --> 01:20:56,719

do that so I had I had two crew a small

1757

01:21:00,879 --> 01:20:58,729

crew that day was just two other people

1758

01:21:03,910 --> 01:21:00,889

and myself and I was upstairs in one of

1759

01:21:06,580 --> 01:21:03,920

the bedrooms and what they had done is

1760

01:21:09,040 --> 01:21:06,590

they put in this green ugly carpet and I

1761

01:21:11,709 --> 01:21:09,050

had well I want to first say that there

1762

01:21:15,040 --> 01:21:11,719

was absolutely no win that day it was

1763

01:21:17,560 --> 01:21:15,050

early I think it was like February March

1764

01:21:19,689 --> 01:21:17,570

or something like that and so all the

1765

01:21:21,129 --> 01:21:19,699

windows were down in the room the storm

1766

01:21:23,890 --> 01:21:21,139

windows in New England they were down

1767

01:21:25,899 --> 01:21:23,900

and so I pulled the door open to the

1768

01:21:27,580 --> 01:21:25,909

closet and the door was hung up on the

1769

01:21:28,000 --> 01:21:27,590

carpet they never they never cut the

1770

01:21:29,890 --> 01:21:28,010

door when

1771

01:21:31,690 --> 01:21:29,900

put the carpet in so I had to really

1772

01:21:34,030 --> 01:21:31,700

yank the door really really hard to get

1773

01:21:35,860 --> 01:21:34,040

it open and I'm taking stuff out of the

1774

01:21:38,680 --> 01:21:35,870

closet putting it in a garbage bag

1775

01:21:39,430 --> 01:21:38,690

mostly coat hangers and hat boxes and

1776

01:21:43,150 --> 01:21:39,440

stuff like that

1777

01:21:45,310 --> 01:21:43,160

and I fill up the bag and I tie it up I

1778

01:21:48,640 --> 01:21:45,320

walk out into the hallway and all of a

1779

01:21:51,700 --> 01:21:48,650

sudden slam as loud as can be and I walk

1780

01:21:54,760 --> 01:21:51,710

back in and I look and the door was shut

1781

01:21:57,610 --> 01:21:54,770

so just to be sure I walked over to the

1782

01:22:00,730 --> 01:21:57,620

door and I pulled it back and it's

1783

01:22:03,550 --> 01:22:00,740

really pulling really hard on the carpet

1784

01:22:07,150 --> 01:22:03,560

and I go oh my god and just just just

1785

01:22:10,930 --> 01:22:07,160

before that I had slid the broom down

1786

01:22:15,100 --> 01:22:10,940

the stairway because I was done sweeping

1787

01:22:16,330 --> 01:22:15,110

and so just just after I pulled the door

1788

01:22:18,010 --> 01:22:16,340

and say I'm gonna get out of there at

1789

01:22:20,260 --> 01:22:18,020

the front door slam downstairs again

1790

01:22:21,700 --> 01:22:20,270

there was no win that day I walked down

1791

01:22:25,680 --> 01:22:21,710

to the bottom of the stairs and the

1792

01:22:29,170 --> 01:22:25,690

broom is leaning up against the door so

1793

01:22:31,180 --> 01:22:29,180

then the very last thing so one of the

1794

01:22:32,740 --> 01:22:31,190

workers came back and I told him the

1795

01:22:34,960 --> 01:22:32,750

story and he was walking around me going

1796

01:22:37,150 --> 01:22:34,970

whew you know trying you know making a

1797

01:22:39,190 --> 01:22:37,160

real joke of it and I said no I'm not

1798

01:22:42,130 --> 01:22:39,200

gonna be in this house alone I want to

1799

01:22:44,590 --> 01:22:42,140

get the hell out of here so we cleaned

1800

01:22:47,830 --> 01:22:44,600

the place out there was a truck backed

1801  
01:22:49,960 --> 01:22:47,840  
up like a trailer backed up and heat the

1802  
01:22:53,410 --> 01:22:49,970  
worker says alright I'll see you later

1803  
01:22:56,860 --> 01:22:53,420  
he takes off with his stuff and next

1804  
01:22:58,480 --> 01:22:56,870  
thing you know there's I look around

1805  
01:23:01,510 --> 01:22:58,490  
there's only one thing left and the

1806  
01:23:04,360 --> 01:23:01,520  
whole garage area and it's a it's a

1807  
01:23:06,880 --> 01:23:04,370  
basket so I reach over to pick up the

1808  
01:23:08,830 --> 01:23:06,890  
basket and it won't budge and I'm

1809  
01:23:11,140 --> 01:23:08,840  
thinking wow stuck to the floor saw it I

1810  
01:23:13,210 --> 01:23:11,150  
pull it really hard and it breaks in

1811  
01:23:16,420 --> 01:23:13,220  
half and the top half is in my hand and

1812  
01:23:18,820 --> 01:23:16,430  
I toss it in the and the trailer and all

1813  
01:23:20,470 --> 01:23:18,830

of a sudden I just think oh and I'll

1814

01:23:22,030 --> 01:23:20,480

walk over and I tap it with my foot and

1815

01:23:26,380 --> 01:23:22,040

it was loose on the floor wasn't even

1816

01:23:28,240 --> 01:23:26,390

attached the way did the second half the

1817

01:23:30,610 --> 01:23:28,250

second the bottom half that stuck to the

1818

01:23:33,970 --> 01:23:30,620

floor was not attached to anything when

1819

01:23:36,670 --> 01:23:33,980

I tapped it with my foot it just slid so

1820

01:23:40,210 --> 01:23:36,680

in that honest-to-god that's 100%

1821

01:23:41,620 --> 01:23:40,220

happened to me it's true and I stake my

1822

01:23:44,439 --> 01:23:41,630

reputation total

1823

01:23:46,540 --> 01:23:44,449

because I saw it happen and I remember

1824

01:23:48,970 --> 01:23:46,550

like keeping very quiet about it telling

1825

01:23:50,830 --> 01:23:48,980

just a few people and thinking I would

1826

01:23:53,470 --> 01:23:50,840

not believe this story if someone told

1827

01:23:56,530 --> 01:23:53,480

it to me and it's not one of these major

1828

01:23:58,709 --> 01:23:56,540

stories but I just know that it happened

1829

01:24:01,209 --> 01:23:58,719

and it there's no answer I can think of

1830

01:24:04,300 --> 01:24:01,219

yeah it's true you can't you can't

1831

01:24:06,010 --> 01:24:04,310

really this this stuff that I've seen

1832

01:24:06,700 --> 01:24:06,020

what you tell people I don't expect them

1833

01:24:10,149 --> 01:24:06,710

to believe it

1834

01:24:12,220 --> 01:24:10,159

some people will only be convinced if it

1835

01:24:15,040 --> 01:24:12,230

happens to them and even then you know

1836

01:24:16,750 --> 01:24:15,050

it's not if you do this long enough

1837

01:24:17,560 --> 01:24:16,760

though even when you're not looking for

1838

01:24:20,169 --> 01:24:17,570

it

1839

01:24:22,120 --> 01:24:20,179

exactly do you get in these areas these

1840

01:24:24,820 --> 01:24:22,130

locations these hotspots you're gonna

1841

01:24:27,760 --> 01:24:24,830

have stuff happen right and I know this

1842

01:24:30,160 --> 01:24:27,770

is UFO show so if someone just listened

1843

01:24:33,100 --> 01:24:30,170

wants to listen to UFOs I do apologize

1844

01:24:35,680 --> 01:24:33,110

one other question I had for you Ben is

1845

01:24:38,200 --> 01:24:35,690

when you were doing the fact or faked

1846

01:24:40,560 --> 01:24:38,210

was there any show that you can think of

1847

01:24:45,610 --> 01:24:40,570

that you just were totally blown away by

1848

01:24:50,140 --> 01:24:45,620

results yeah I mean there was there was

1849

01:24:52,270 --> 01:24:50,150

a lot of like I said the the ghost

1850

01:24:53,800 --> 01:24:52,280

hunting stuff we had object what we call

1851  
01:24:55,660 --> 01:24:53,810  
object manipulation things were thrown

1852  
01:24:56,620 --> 01:24:55,670  
around the rooms we had a camera

1853  
01:24:59,649 --> 01:24:56,630  
destroyed

1854  
01:25:04,300 --> 01:24:59,659  
I had objects were picked up and slammed

1855  
01:25:07,950 --> 01:25:04,310  
right behind me a light yeah came flying

1856  
01:25:10,510 --> 01:25:07,960  
off of a door and down the hallway so

1857  
01:25:14,110 --> 01:25:10,520  
that to me is undeniable but we also

1858  
01:25:16,870 --> 01:25:14,120  
captured some probably two of my very

1859  
01:25:19,810 --> 01:25:16,880  
favorite UFO cases and one of them I

1860  
01:25:23,350 --> 01:25:19,820  
don't know I categorize it is UFO

1861  
01:25:26,350 --> 01:25:23,360  
although there was a UFO involved was

1862  
01:25:28,060 --> 01:25:26,360  
the one in in England in the UK where we

1863  
01:25:30,660 --> 01:25:28,070

had a woman who who seems to have

1864

01:25:35,680 --> 01:25:30,670

disappeared from her bed for 13 minutes

1865

01:25:38,979 --> 01:25:35,690

so that one blew me away just because

1866

01:25:41,160 --> 01:25:38,989

it's either something very strange like

1867

01:25:43,090 --> 01:25:41,170

a spontaneous invisibility or

1868

01:25:45,250 --> 01:25:43,100

deportation which i think is it kind of

1869

01:25:47,919 --> 01:25:45,260

outlandish it's not that I don't have an

1870

01:25:49,270 --> 01:25:47,929

open mind to that but but really I don't

1871

01:25:54,310 --> 01:25:49,280

know there's much evidence to support

1872

01:25:55,600 --> 01:25:54,320

that or you have a very very strange

1873

01:25:58,590 --> 01:25:55,610

illusion that took place

1874

01:26:01,290 --> 01:25:58,600

and she's not really disappeared which

1875

01:26:04,000 --> 01:26:01,300

which is also very very extraordinary

1876  
01:26:08,770 --> 01:26:04,010  
and when you look at the video the other

1877  
01:26:10,660 --> 01:26:08,780  
one was a case it was not at but my

1878  
01:26:14,260 --> 01:26:10,670  
other team was down in the panhandle of

1879  
01:26:17,770 --> 01:26:14,270  
Florida and they were able to duplicate

1880  
01:26:20,080 --> 01:26:17,780  
some lights that a man filmed behind a

1881  
01:26:23,650 --> 01:26:20,090  
grove of trees kind of in a swampy

1882  
01:26:27,130 --> 01:26:23,660  
brackish water area so they they were

1883  
01:26:29,290 --> 01:26:27,140  
able to duplicate it however I don't I

1884  
01:26:30,970 --> 01:26:29,300  
don't think if we're to trust him and

1885  
01:26:33,130 --> 01:26:30,980  
they seemed like they said he was a very

1886  
01:26:35,110 --> 01:26:33,140  
you know trustworthy guy from their

1887  
01:26:38,170 --> 01:26:35,120  
impression I don't think he would have

1888  
01:26:40,540 --> 01:26:38,180

faked it he would have had to been lying

1889

01:26:43,960 --> 01:26:40,550

about you know that there was no noise

1890

01:26:46,810 --> 01:26:43,970

and all this stuff to to when they did

1891

01:26:49,480 --> 01:26:46,820

their night investigation though our

1892

01:26:53,560 --> 01:26:49,490

camera which is a full-spectrum it picks

1893

01:26:56,470 --> 01:26:53,570

up both the IR and UV spectrums captured

1894

01:26:59,500 --> 01:26:56,480

an orb like object as they were

1895

01:27:00,940 --> 01:26:59,510

witnessing from the backside they went

1896

01:27:05,980 --> 01:27:00,950

out on a boat and they witnessed an

1897

01:27:08,680 --> 01:27:05,990

object that kind of sucked in just from

1898

01:27:12,640 --> 01:27:08,690

from this mass of a light into nothing

1899

01:27:15,910 --> 01:27:12,650

and disappeared while on the backside we

1900

01:27:18,910 --> 01:27:15,920

filmed this light come up out of the

1901

01:27:22,930 --> 01:27:18,920

grove of trees and zip off like it like

1902

01:27:25,180 --> 01:27:22,940

speed and I I thought it was a

1903

01:27:29,260 --> 01:27:25,190

tremendous tremendous catch and and

1904

01:27:32,140 --> 01:27:29,270

again it's it's unfortunate that I had

1905

01:27:36,070 --> 01:27:32,150

the file I did what I could to get the

1906

01:27:39,010 --> 01:27:36,080

file from the production but I couldn't

1907

01:27:40,710 --> 01:27:39,020

get the actual tape because I think it's

1908

01:27:44,230 --> 01:27:40,720

one of the greatest catches ever

1909

01:27:47,410 --> 01:27:44,240

definitely on the show of a phenomenon

1910

01:27:50,710 --> 01:27:47,420

that is unexplainable Wow amazing

1911

01:27:53,200 --> 01:27:50,720

now Ben I don't want to abuse your good

1912

01:27:56,650 --> 01:27:53,210

nature and keep you on for real long but

1913

01:28:00,400 --> 01:27:56,660

I do want to ask you just one last

1914

01:28:07,600 --> 01:28:00,410

question if I could and that is I

1915

01:28:12,069 --> 01:28:10,390

Jonathan Reed said yeah I could see you

1916

01:28:17,109 --> 01:28:12,079

wanted to say read but you were going to

1917

01:28:19,569 --> 01:28:17,119

say his real name rudder right yeah

1918

01:28:22,240 --> 01:28:19,579

now does do you happen to know that

1919

01:28:24,850 --> 01:28:22,250

let's recap the story a little bit that

1920

01:28:27,819 --> 01:28:24,860

the supposedly he's walking with his dog

1921

01:28:33,160 --> 01:28:27,829

and didn't the alien kill his dog or

1922

01:28:36,790 --> 01:28:33,170

something like that yes he was in gosh I

1923

01:28:38,649 --> 01:28:36,800

want to say it was 98 I want to say that

1924

01:28:43,330 --> 01:28:38,659

the air was but maybe it was earlier

1925

01:28:45,959 --> 01:28:43,340

than that was in Washington State at a

1926

01:28:49,660 --> 01:28:45,969

really really beautiful area near

1927

01:28:51,129 --> 01:28:49,670

Snoqualmie Falls my brother used to live

1928

01:28:55,030 --> 01:28:51,139

up there and this is a big area for

1929

01:28:56,950 --> 01:28:55,040

Bigfoot sightings as well and you know

1930

01:29:00,939 --> 01:28:56,960

everything you think of a Washington

1931

01:29:03,339 --> 01:29:00,949

lush big pine trees ferns and everything

1932

01:29:06,760 --> 01:29:03,349

and he he claims he was out walking with

1933

01:29:08,260 --> 01:29:06,770

his dog and I think his dog's name was

1934

01:29:11,140 --> 01:29:08,270

Susie it was a golden retriever or

1935

01:29:16,330 --> 01:29:11,150

something and his dog breaks away from

1936

01:29:19,479 --> 01:29:16,340

him yeah chasing after something so he

1937

01:29:21,580 --> 01:29:19,489

hears his dog kind of whimpering and he

1938

01:29:23,290 --> 01:29:21,590

thinks I'll know it's got entangled with

1939

01:29:26,979 --> 01:29:23,300

some type of a mountain lion or some

1940

01:29:29,080 --> 01:29:26,989

animal so he grabs a stick to go run

1941

01:29:33,870 --> 01:29:29,090

over and try to help his dog out he

1942

01:29:37,870 --> 01:29:33,880

finds his dog he sees this his creature

1943

01:29:42,189 --> 01:29:37,880

four foot something high this got his

1944

01:29:44,530 --> 01:29:42,199

dog by the neck and so he takes a stick

1945

01:29:48,390 --> 01:29:44,540

and it didn't look human

1946

01:29:52,060 --> 01:29:48,400

but he whacks the thing on the head and

1947

01:29:54,520 --> 01:29:52,070

so after what he believes he killed this

1948

01:29:56,919 --> 01:29:54,530

this anta see he wasn't sure if it was

1949

01:30:00,189 --> 01:29:56,929

human or not and he looks across the way

1950

01:30:02,410 --> 01:30:00,199

and sees what he refers to as the Ovilus

1951

01:30:04,899 --> 01:30:02,420

which is sort of this trying you're

1952

01:30:07,330 --> 01:30:04,909

looking craft it's hovering in the

1953

01:30:10,510 --> 01:30:07,340

forest so he had a video camera with him

1954

01:30:14,200 --> 01:30:10,520

he takes it out he films the the alien

1955

01:30:16,209 --> 01:30:14,210

he films the ship and then took a

1956

01:30:20,280 --> 01:30:16,219

survival blanket and wrapped the

1957

01:30:23,730 --> 01:30:20,290

creature up and took it back home

1958

01:30:25,800 --> 01:30:23,740

so look I would love for this this type

1959

01:30:29,580 --> 01:30:25,810

of thing it's a it's a fantastic story

1960

01:30:31,890 --> 01:30:29,590

and and if I didn't tell John he should

1961

01:30:33,600 --> 01:30:31,900

turn it into a movie he should it's it's

1962

01:30:36,630 --> 01:30:33,610

a great story

1963

01:30:39,090 --> 01:30:36,640

but yeah that was one of my favorite

1964

01:30:41,310 --> 01:30:39,100

cases because I really did approach it

1965

01:30:43,470 --> 01:30:41,320

with an open mind but I watched a lot of

1966

01:30:46,530 --> 01:30:43,480

stuff both his content and other

1967

01:30:48,960 --> 01:30:46,540

people's and it fell apart pretty

1968

01:30:50,790 --> 01:30:48,970

quickly yeah that's what I was gonna I

1969

01:30:54,390 --> 01:30:50,800

was gonna talk about that there was a

1970

01:30:59,540 --> 01:30:54,400

that I remember watching that particular

1971

01:31:02,370 --> 01:30:59,550

episode and he did not like your

1972

01:31:04,770 --> 01:31:02,380

conclusion of the whole thing but one of

1973

01:31:07,830 --> 01:31:04,780

the the main questions I have is he

1974

01:31:09,390 --> 01:31:07,840

still sticking to the story because

1975

01:31:11,610 --> 01:31:09,400

doesn't he have like a real strong

1976

01:31:15,780 --> 01:31:11,620

following this is what kind of scares me

1977

01:31:20,280 --> 01:31:15,790

sometimes in this field he does he does

1978

01:31:22,830 --> 01:31:20,290

he claimed to me while we were there he

1979

01:31:27,480 --> 01:31:22,840

told me that he'd sold I think it was

1980

01:31:29,640 --> 01:31:27,490

over \$100,000 worth or copies or I can't

1981

01:31:32,040 --> 01:31:29,650

exactly remember of his book right after

1982

01:31:33,600 --> 01:31:32,050

he had his coast-to-coast interview and

1983

01:31:35,460 --> 01:31:33,610

was kind of saying yeah I made a lot of

1984

01:31:39,410 --> 01:31:35,470

money off of this whatever am I thinking

1985

01:31:44,670 --> 01:31:39,420

well okay that's that's your motivation

1986

01:31:47,190 --> 01:31:44,680

but he he's traveled the world in in I

1987

01:31:49,860 --> 01:31:47,200

think Japan he's been to Mexico he's

1988

01:31:53,610 --> 01:31:49,870

been invited internationally and the

1989

01:31:56,130 --> 01:31:53,620

case you know after people had done some

1990

01:31:58,020 --> 01:31:56,140

research on him and found out some

1991

01:31:59,580 --> 01:31:58,030

things like it wasn't his real name and

1992

01:32:01,170 --> 01:31:59,590

he didn't have these degrees he probably

1993

01:32:04,350 --> 01:32:01,180

never had a dog because he's allergic

1994

01:32:08,820 --> 01:32:04,360

and when this all started happening

1995

01:32:11,340 --> 01:32:08,830

yeah the he said he was in hiding but

1996

01:32:15,870 --> 01:32:11,350

people had seen him at a wedding you

1997

01:32:17,910 --> 01:32:15,880

know so when this all happens he stopped

1998

01:32:20,910 --> 01:32:17,920

being invited to most of the UFO

1999

01:32:24,230 --> 01:32:20,920

conferences but he still has a very

2000

01:32:27,360 --> 01:32:24,240

loyal following in fact Jaime Masson

2001

01:32:30,210 --> 01:32:27,370

spoke to me once about it and he's you

2002

01:32:33,470 --> 01:32:30,220

know you gotta love Jaime for for who he

2003

01:32:37,729 --> 01:32:33,480

is he's it's a great entertainer

2004

01:32:39,140 --> 01:32:37,739

buddy he tells me you know I think that

2005

01:32:42,470 --> 01:32:39,150

you are right about some of these things

2006

01:32:43,729 --> 01:32:42,480

but I I do think that there is some

2007

01:32:47,260 --> 01:32:43,739

truth to what he's saying and I'm like

2008

01:32:49,550 --> 01:32:47,270

Jaime like what part is true

2009

01:32:52,280 --> 01:32:49,560

what part of this story are you going

2010

01:32:53,750 --> 01:32:52,290

along with because this is not something

2011

01:32:57,290 --> 01:32:53,760

that you kind of like mess up on one of

2012

01:32:59,780 --> 01:32:57,300

the details is like okay okay all right

2013

01:33:03,560 --> 01:32:59,790

the the the alien wasn't true but the

2014

01:33:07,060 --> 01:33:03,570

ship was or you know yeah my dog's name

2015

01:33:10,100 --> 01:33:07,070

was Bronco it wasn't Susie you know now

2016

01:33:13,850 --> 01:33:10,110

the its it's either a total fabrication

2017

01:33:17,090 --> 01:33:13,860

or not and what I cornered Jonathan on

2018

01:33:18,410 --> 01:33:17,100

this on especially that the videos that

2019

01:33:20,479 --> 01:33:18,420

I don't know if they're still floating

2020

01:33:23,150 --> 01:33:20,489

out there but the one that really got to

2021

01:33:26,900 --> 01:33:23,160

me was he claimed that he filmed before

2022

01:33:29,330 --> 01:33:26,910

a live audience in Canada TV show where

2023

01:33:32,210 --> 01:33:29,340

he used the artifact you put it on your

2024

01:33:35,240 --> 01:33:32,220

wrist and you you disappear you're

2025

01:33:37,430 --> 01:33:35,250

transported hmm well you never see the

2026

01:33:39,170 --> 01:33:37,440

live audience you only hear them it

2027

01:33:42,200 --> 01:33:39,180

looks like a 12 year old filmed it in

2028

01:33:45,170 --> 01:33:42,210

the basement and you never see the host

2029

01:33:47,900 --> 01:33:45,180

and you never see any cutaways it's one

2030

01:33:50,360 --> 01:33:47,910

camera angle I'm like Jonathan I'm gonna

2031

01:33:52,460 --> 01:33:50,370

come on I was like you expect me to

2032

01:33:54,229 --> 01:33:52,470

believe this is a professional t to be

2033

01:33:57,800 --> 01:33:54,239

showed he says I didn't do the editing

2034

01:33:59,660 --> 01:33:57,810

that was that and you on TV yes did you

2035

01:34:02,979 --> 01:33:59,670

disappear when you put the bracelet on

2036

01:34:06,260 --> 01:34:02,989

yes I was like okay you've lost me

2037

01:34:09,740 --> 01:34:06,270

because you see some static there's like

2038

01:34:13,460 --> 01:34:09,750

and then the camera goes blank and he's

2039

01:34:15,170 --> 01:34:13,470

gone when it comes on right and then he

2040

01:34:16,490 --> 01:34:15,180

comes back and he's breathing heaven

2041

01:34:21,920 --> 01:34:16,500

he's like it worked it worked

2042

01:34:24,440 --> 01:34:21,930

yeah so the thing is he has people close

2043

01:34:26,560 --> 01:34:24,450

to him that it's kind of like I'm

2044

01:34:29,030 --> 01:34:26,570

opening a whole other can here and

2045

01:34:32,930 --> 01:34:29,040

people are gonna hate me I just know

2046

01:34:38,210 --> 01:34:32,940

they will mind I don't care we stand

2047

01:34:40,880 --> 01:34:38,220

Romanek okay oh yeah Stan I believe and

2048

01:34:42,290 --> 01:34:40,890

and I don't know if he's listening to us

2049

01:34:44,750 --> 01:34:42,300

if he's in jail currently or what

2050

01:34:48,020 --> 01:34:44,760

situation is but

2051

01:34:49,850 --> 01:34:48,030

but I do believe Stan probably had a

2052

01:34:51,410 --> 01:34:49,860

legitimate experience at first I think

2053

01:34:56,270 --> 01:34:51,420

he probably had some legitimate

2054

01:34:57,950 --> 01:34:56,280

sightings and to be honest I have not

2055

01:34:59,900 --> 01:34:57,960

read his books yet I always tell people

2056

01:35:01,550 --> 01:34:59,910

before I have an opinion

2057

01:35:04,820 --> 01:35:01,560

I'm gonna read their material so I can't

2058

01:35:07,210 --> 01:35:04,830

quite come out however I feel silly

2059

01:35:09,950 --> 01:35:07,220

almost wasting my time because

2060

01:35:13,610 --> 01:35:09,960

everything that people told me my

2061

01:35:15,770 --> 01:35:13,620

experiences personally with him this

2062

01:35:18,260 --> 01:35:15,780

this happens to where people get a taste

2063

01:35:21,530 --> 01:35:18,270

of either fame or fortune or they just

2064

01:35:25,520 --> 01:35:21,540

feel like I feel important for once in

2065

01:35:29,060 --> 01:35:25,530

my life and I like the idea that I can

2066

01:35:32,300 --> 01:35:29,070

either manipulate somebody or give them

2067

01:35:36,140 --> 01:35:32,310

hope and in Jonathan's case I think he

2068

01:35:39,170 --> 01:35:36,150

truly does have a a good heart I know

2069

01:35:41,510 --> 01:35:39,180

that sounds weird to say but he likes

2070

01:35:43,970 --> 01:35:41,520

telling people there's hope don't give

2071

01:35:47,450 --> 01:35:43,980

up this and that and I think there is

2072

01:35:48,890 --> 01:35:47,460

some genuineness there but it does not

2073

01:35:51,350 --> 01:35:48,900

outweigh all the people he swindled

2074

01:35:56,990 --> 01:35:51,360

money from you know for his books and

2075

01:36:01,370 --> 01:35:57,000

stuff you know so anyways it's it's his

2076

01:36:05,290 --> 01:36:01,380

closest followers like Rama nack and who

2077

01:36:08,540 --> 01:36:05,300

knows how much Raman ex-wife knew but

2078

01:36:11,000 --> 01:36:08,550

it's very very interesting to me I would

2079

01:36:13,090 --> 01:36:11,010

love to do a study specifically on this

2080

01:36:17,380 --> 01:36:13,100

because it's a cult ish like following

2081

01:36:21,260 --> 01:36:17,390

to where they they are blinded

2082

01:36:23,360 --> 01:36:21,270

voluntarily to not see things and follow

2083

01:36:26,540 --> 01:36:23,370

these people and then they'll get online

2084

01:36:28,700 --> 01:36:26,550

and Jonathan's camp made a couple of

2085

01:36:32,150 --> 01:36:28,710

really silly cheesy videos you know

2086

01:36:35,510 --> 01:36:32,160

about us and you know and all this stuff

2087

01:36:36,800 --> 01:36:35,520

and mm-hmm whether they disagreed with

2088

01:36:40,550 --> 01:36:36,810

us which I'm sure they did

2089

01:36:42,950 --> 01:36:40,560

it had a side effect of bringing a story

2090

01:36:45,950 --> 01:36:42,960

back out and resurrecting it so in the

2091

01:36:47,360 --> 01:36:45,960

end it benefited them anyways there's

2092

01:36:48,890 --> 01:36:47,370

sort of like a link now I'm probably

2093

01:36:52,630 --> 01:36:48,900

gonna offend someone by saying this but

2094

01:36:55,310 --> 01:36:52,640

I almost see the link about Scientology

2095

01:36:58,569 --> 01:36:55,320

you know I don't know watch that video

2096

01:37:02,270 --> 01:36:58,579

or not but

2097

01:37:04,520 --> 01:37:02,280

yeah you know I'm trying to say goodbye

2098

01:37:07,160 --> 01:37:04,530

to you but I have to ask you another

2099

01:37:09,080 --> 01:37:07,170

another question and it's something I

2100

01:37:11,660 --> 01:37:09,090

kind of promised my audience I wouldn't

2101  
01:37:13,729 --> 01:37:11,670  
talk too much about it but we already we

2102  
01:37:16,430 --> 01:37:13,739  
already talked about it in the news a

2103  
01:37:20,719 --> 01:37:16,440  
little bit what did you think of a whole

2104  
01:37:24,169 --> 01:37:20,729  
situation recently down in Mexico with

2105  
01:37:26,299 --> 01:37:24,179  
the slides sure well let me let me add

2106  
01:37:28,549 --> 01:37:26,309  
the disclaimer that I have a lot of

2107  
01:37:32,299 --> 01:37:28,559  
friends who are involved at some degree

2108  
01:37:34,969 --> 01:37:32,309  
and they all had different parts

2109  
01:37:38,989 --> 01:37:34,979  
different reasons to be involved so I

2110  
01:37:44,479 --> 01:37:38,999  
I'm not going to i guess denigrate why

2111  
01:37:46,339 --> 01:37:44,489  
people decide to what they did but jaime

2112  
01:37:49,489 --> 01:37:46,349  
Masson was chosen because he had an

2113  
01:37:52,580 --> 01:37:49,499

audience Adam do came to me a couple

2114

01:37:54,890 --> 01:37:52,590

years ago and well I don't really

2115

01:37:58,640 --> 01:37:54,900

necessarily but we were put in contact

2116

01:38:02,259 --> 01:37:58,650

with each other and I I will stand up

2117

01:38:06,500 --> 01:38:02,269

for Adam in that I think he's a genuine

2118

01:38:08,959 --> 01:38:06,510

he is a good documentarian he makes an

2119

01:38:11,000 --> 01:38:08,969

excellent product and he had a genuine

2120

01:38:12,919 --> 01:38:11,010

interest in in trying to find out what

2121

01:38:15,379 --> 01:38:12,929

this was there was in no way shape or

2122

01:38:17,509 --> 01:38:15,389

form any type of hoaxing that I feel was

2123

01:38:21,700 --> 01:38:17,519

involved in him trying to pull one over

2124

01:38:24,919 --> 01:38:21,710

on people he showed me the slides of

2125

01:38:27,379 --> 01:38:24,929

this what they were hoping was you know

2126

01:38:31,129 --> 01:38:27,389

an alien and maybe had a connection to

2127

01:38:34,370 --> 01:38:31,139

Roswell and he just wanted my honest

2128

01:38:35,600 --> 01:38:34,380

opinion he knew that I might have some

2129

01:38:38,209 --> 01:38:35,610

connections with trying to get the

2130

01:38:42,350 --> 01:38:38,219

documentary sold he spent a lot of money

2131

01:38:45,439 --> 01:38:42,360

and years so as anyone would you want to

2132

01:38:48,080 --> 01:38:45,449

see something come of it but he really

2133

01:38:50,029 --> 01:38:48,090

didn't care where the cards fell and he

2134

01:38:53,589 --> 01:38:50,039

did all this research basically on his

2135

01:38:56,180 --> 01:38:53,599

own to take it to the Kodak to take it

2136

01:38:59,000 --> 01:38:56,190

you know to try and analyze the other

2137

01:39:04,160 --> 01:38:59,010

photos associated with what they found

2138

01:39:09,589 --> 01:39:04,170

and and the main I think I guess you

2139

01:39:12,709 --> 01:39:09,599

could say critique of where I think it

2140

01:39:16,489 --> 01:39:12,719

is is confusing was to why

2141

01:39:19,279 --> 01:39:16,499

he joined up with Jaime Masson to

2142

01:39:21,259 --> 01:39:19,289

present it in the way that it was if if

2143

01:39:23,209 --> 01:39:21,269

indeed we're hoping this is something

2144

01:39:24,799 --> 01:39:23,219

legitimate you know why why do it in

2145

01:39:27,830 --> 01:39:24,809

this way and that I understand when

2146

01:39:30,739 --> 01:39:27,840

people say that I also understand that

2147

01:39:33,350 --> 01:39:30,749

when you have you know my good friends

2148

01:39:35,629 --> 01:39:33,360

like you know Don Schmidt Tom Carrie and

2149

01:39:38,000 --> 01:39:35,639

and everyone else who went down there

2150

01:39:39,529 --> 01:39:38,010

for the conference I don't think you can

2151

01:39:41,330 --> 01:39:39,539

fault them at all

2152

01:39:43,459 --> 01:39:41,340

for saying they're part of something

2153

01:39:45,589 --> 01:39:43,469

like this because they're in it for the

2154

01:39:48,350 --> 01:39:45,599

legitimate interest in trying to find

2155

01:39:50,450 --> 01:39:48,360

out what this is I don't know anything

2156

01:39:54,709 --> 01:39:50,460

about profits or how they were shared or

2157

01:39:57,459 --> 01:39:54,719

anything like that but I don't think you

2158

01:40:00,020 --> 01:39:57,469

know that it was a money-making scam

2159

01:40:02,930 --> 01:40:00,030

because if something came out of it

2160

01:40:04,279 --> 01:40:02,940

they're able to solve the mystery and he

2161

01:40:07,189 --> 01:40:04,289

was able to get his money back for the

2162

01:40:10,540 --> 01:40:07,199

documentary I think that's what Adam

2163

01:40:13,279 --> 01:40:10,550

really wanted and that's what happened

2164

01:40:14,689 --> 01:40:13,289

okay well I promise you know the

2165

01:40:17,779 --> 01:40:14,699

listeners I just wanted to hear your

2166

01:40:19,430 --> 01:40:17,789

your opinion on that and I am honestly

2167

01:40:21,649 --> 01:40:19,440

gonna let you go after this question on

2168

01:40:24,950 --> 01:40:21,659

the message board was going back to the

2169

01:40:26,989 --> 01:40:24,960

shadowy figure that you saw did anyone

2170

01:40:32,120 --> 01:40:26,999

try to get any video of this and the

2171

01:40:33,859 --> 01:40:32,130

hotel or look at hotel surveillance we

2172

01:40:36,830 --> 01:40:33,869

weren't in a hotel are we talking about

2173

01:40:41,390 --> 01:40:36,840

that yeah this is a this is the Roswell

2174

01:40:43,850 --> 01:40:41,400

UFO museum so it's upstairs and and no I

2175

01:40:45,259 --> 01:40:43,860

didn't have my video camera out I didn't

2176  
01:40:47,830 --> 01:40:45,269  
have a video camera wasn't playing on

2177  
01:40:51,319 --> 01:40:47,840  
doing ghost hunting so I had my my phone

2178  
01:40:53,180 --> 01:40:51,329  
but I talk about this a lot once again

2179  
01:40:54,560 --> 01:40:53,190  
even if that phone was out and I was

2180  
01:40:57,709 --> 01:40:54,570  
anticipating if something was gonna

2181  
01:41:01,790 --> 01:40:57,719  
happen without using night vision and

2182  
01:41:03,680 --> 01:41:01,800  
and or thermal or something that will

2183  
01:41:05,000 --> 01:41:03,690  
enhance the image there's no way the

2184  
01:41:09,469 --> 01:41:05,010  
phone would have picked up what I saw

2185  
01:41:11,689 --> 01:41:09,479  
very clearly right right well Ben again

2186  
01:41:14,719 --> 01:41:11,699  
I'm not going to abuse you I kept you on

2187  
01:41:19,040 --> 01:41:14,729  
for a real long time and and I don't

2188  
01:41:23,089 --> 01:41:19,050

want to get your wife mad at me but

2189

01:41:24,979 --> 01:41:23,099

she'll say you have another wife but

2190

01:41:26,270 --> 01:41:24,989

anyway it's always a real pleasure

2191

01:41:29,240 --> 01:41:26,280

talking you Ben your

2192

01:41:31,550 --> 01:41:29,250

great guy and I'm gonna be very

2193

01:41:33,140 --> 01:41:31,560

interested to see what happens down the

2194

01:41:35,210 --> 01:41:33,150

road with you and what you get involved

2195

01:41:37,160 --> 01:41:35,220

in well thank you so much I really

2196

01:41:39,080 --> 01:41:37,170

appreciate you having me on and it's

2197

01:41:43,670 --> 01:41:39,090

been fun yeah and we'll stay in touch

2198

01:41:47,240 --> 01:41:43,680

you take care all righty - all right

2199

01:41:52,460 --> 01:41:47,250

everyone well I had been on for a lot

2200

01:41:56,510 --> 01:41:52,470

lot longer than I anticipated and I got

2201

01:41:59,930 --> 01:41:56,520

to tell you it when I first was new that

2202

01:42:02,420 --> 01:41:59,940

Ben was gonna be on the show I had no

2203

01:42:07,670 --> 01:42:02,430

idea that you know he was absolutely so

2204

01:42:09,110 --> 01:42:07,680

swamped so busy and so he he wrote me

2205

01:42:13,250 --> 01:42:09,120

the other day that he could only be on

2206

01:42:16,880 --> 01:42:13,260

for about 30 minutes so I got him on for

2207

01:42:19,070 --> 01:42:16,890

just about an hour and a half so I did

2208

01:42:20,960 --> 01:42:19,080

pretty well so at the last minute I was

2209

01:42:23,450 --> 01:42:20,970

trying to figure out what to do for the

2210

01:42:25,310 --> 01:42:23,460

second part of the show and also anyone

2211

01:42:27,740 --> 01:42:25,320

that's listening live is welcome to call

2212

01:42:30,530 --> 01:42:27,750

in and just people want to share a story

2213

01:42:36,110 --> 01:42:30,540

you want to ask me question anything you

2214

01:42:37,130 --> 01:42:36,120

want it's 6:03 967 403 oh I'm not sure

2215

01:42:40,310 --> 01:42:37,140

if we have enough listeners out there

2216

01:42:41,990 --> 01:42:40,320

live right now that we can have an

2217

01:42:44,270 --> 01:42:42,000

actual call-in show but I would love to

2218

01:42:45,860 --> 01:42:44,280

hear from anyone that has a story they'd

2219

01:42:48,080 --> 01:42:45,870

like to tell about a sighting or

2220

01:42:54,020 --> 01:42:48,090

anything like that you're welcome to

2221

01:42:58,250 --> 01:42:54,030

call again 603 9 6 7 403 Oh

2222

01:43:01,250 --> 01:42:58,260

now Michael Luke who used to work with

2223

01:43:04,160 --> 01:43:01,260

us here he used to do the news a lot of

2224

01:43:06,560 --> 01:43:04,170

people still talk about him a great guy

2225

01:43:09,380 --> 01:43:06,570

we stay in touch he is writing blogs

2226

01:43:13,280 --> 01:43:09,390

maybe one or two a month for us he's

2227

01:43:15,920 --> 01:43:13,290

also writing a book and I believe he's

2228

01:43:18,830 --> 01:43:15,930

in the editing part of that book which

2229

01:43:20,930 --> 01:43:18,840

is going to be coming out he's very

2230

01:43:22,370 --> 01:43:20,940

excited about it I think in the fall and

2231

01:43:27,650 --> 01:43:22,380

we're gonna have him on the show when

2232

01:43:29,960 --> 01:43:27,660

his book does come out but recently he

2233

01:43:34,820 --> 01:43:29,970

wrote a blog that's up on podcast UFL

2234

01:43:38,210 --> 01:43:34,830

calm and it's called the faded disks and

2235

01:43:40,250 --> 01:43:38,220

what that is is back a number of years

2236

01:43:44,270 --> 01:43:40,260

ago a woman named

2237

01:43:47,919 --> 01:43:44,280

any Wendy Connors she took up collecting

2238

01:43:51,410 --> 01:43:47,929

and preserving and restoring vintage

2239

01:43:54,259 --> 01:43:51,420

ufo-related audio recordings I think

2240

01:43:57,890 --> 01:43:54,269

that's wonderful because I myself see

2241

01:44:00,259 --> 01:43:57,900

that you know we need to preserve these

2242

01:44:02,600 --> 01:44:00,269

things as time goes on right now we have

2243

01:44:05,060 --> 01:44:02,610

podcasts out there they're digital they

2244

01:44:06,350 --> 01:44:05,070

they're stored somewhere on the net who

2245

01:44:08,149 --> 01:44:06,360

knows what'll happen to them in the

2246

01:44:13,520 --> 01:44:08,159

future but when you go way back to the

2247

01:44:17,870 --> 01:44:13,530

old reel-to-reel tape and other ways of

2248

01:44:20,140 --> 01:44:17,880

recording these shows back then you know

2249

01:44:23,299 --> 01:44:20,150

the sound quality isn't always good but

2250

01:44:26,359 --> 01:44:23,309

she put these to digital and preserved

2251

01:44:29,390 --> 01:44:26,369

them and these are archives that go all

2252

01:44:33,250 --> 01:44:29,400

the way back to the 1940s all the way up

2253

01:44:35,450 --> 01:44:33,260

until I think the 1960s is some time and

2254

01:44:39,680 --> 01:44:35,460

so if you go to our website you can see

2255

01:44:41,120 --> 01:44:39,690

the the blog and on the blog there are

2256

01:44:42,979 --> 01:44:41,130

some videos again if anyone would like

2257

01:44:46,399 --> 01:44:42,989

to call in and say hi talk about a

2258

01:44:48,290 --> 01:44:46,409

sighting talk about anything else that

2259

01:44:51,669 --> 01:44:48,300

they would like to speak about in their

2260

01:44:56,839 --> 01:44:51,679

UFO topic even abductions I don't care

2261

01:44:57,979 --> 01:44:56,849

6:03 967 403 oh and just a minute here

2262

01:44:59,450 --> 01:44:57,989

I'm going to play a couple of

2263

01:45:03,740 --> 01:44:59,460

interesting clips of what I find

2264

01:45:05,330 --> 01:45:03,750

interesting and you can actually call in

2265

01:45:09,319 --> 01:45:05,340

in between them talk about them if you'd

2266

01:45:14,479 --> 01:45:09,329

like or anything else like that so going

2267

01:45:16,430 --> 01:45:14,489

through I made one little bit of a

2268

01:45:18,319 --> 01:45:16,440

mistake and that is I picked out some

2269

01:45:24,189 --> 01:45:18,329

long ones because I thought that I would

2270

01:45:26,750 --> 01:45:24,199

have the whole hour to myself here and

2271

01:45:36,790 --> 01:45:26,760

which I've never done before just plain

2272

01:45:40,129 --> 01:45:36,800

talking but I am going to play let's see

2273

01:45:42,979 --> 01:45:40,139

these are all too long for the time that

2274

01:45:48,680 --> 01:45:42,989

we have left so bear with me if you

2275

01:45:51,200 --> 01:45:48,690

would I am going to just play clips here

2276

01:45:53,209 --> 01:45:51,210

and there this is a Kenneth Arnold he

2277

01:45:54,060 --> 01:45:53,219

did a little short phone interview so

2278

01:47:33,870 --> 01:45:54,070

this one's going to

2279

01:48:58,650 --> 01:47:42,240

[Music]

2280

01:49:04,510 --> 01:49:01,990

and that goes back to Kenneth Arnold all

2281

01:49:06,280 --> 01:49:04,520

the way back you know he is when you

2282

01:49:07,750 --> 01:49:06,290

think of the Flying Saucer and of course

2283

01:49:10,450 --> 01:49:07,760

he talks about that I thought that was

2284

01:49:12,490 --> 01:49:10,460

interesting now I'm gonna play some a

2285

01:49:14,860 --> 01:49:12,500

couple of clips that I have not listened

2286

01:49:17,380 --> 01:49:14,870

to only because again I thought I had a

2287

01:49:18,729 --> 01:49:17,390

whole hour to fill so I'm just gonna be

2288

01:49:20,860 --> 01:49:18,739

playing a couple of other interesting

2289

01:49:22,300 --> 01:49:20,870

clips though I have no idea what's on

2290

01:49:26,110 --> 01:49:22,310

them have not listened to them

2291

01:49:29,110 --> 01:49:26,120

this right here is 1947 and it's ABC

2292

01:49:31,300 --> 01:49:29,120

News and it's on the roswell disc and

2293

01:49:34,150 --> 01:49:31,310

I'm not sure if I heard this maybe it's

2294

01:50:02,979 --> 01:49:34,160

the one I've heard before but here it

2295

01:50:04,600 --> 01:50:02,989

goes I'm sorry I'm stopping that one

2296

01:50:06,610 --> 01:50:04,610

only because yes I have heard that I'm

2297

01:50:09,880 --> 01:50:06,620

sure you have heard that but this sound

2298

01:50:11,890 --> 01:50:09,890

quality is just a little too a little

2299

01:50:17,200 --> 01:50:11,900

bit too rough in my opinion for that one

2300

01:50:18,850 --> 01:50:17,210

so I'm going to actually try we'll try

2301

01:50:19,600 --> 01:50:18,860

this one right here and see what it is

2302

01:50:24,340 --> 01:50:19,610

this

2303

01:50:26,830 --> 01:50:24,350

is up was in 1954 Lord Hugh Dowling

2304

01:51:29,290 --> 01:50:26,840

doubting on flying saucers I have no

2305

01:51:31,240 --> 01:51:29,300

idea what this one is all right this

2306

01:51:35,250 --> 01:51:31,250

next one I did listen to it's another it

2307

01:51:41,229 --> 01:51:35,260

is a short clip and it's basically I

2308

01:51:44,560 --> 01:51:41,239

think it was dr. Hynek admits that the

2309

01:51:47,470 --> 01:51:44,570

Roswell case was true now he's not

2310

01:51:49,300 --> 01:51:47,480

actually saying it but this is a

2311

01:51:52,439 --> 01:51:49,310

secondhand account but it's still

2312

01:52:04,979 --> 01:52:00,520

in 1973 during the great UFO wave in the

2313

01:52:09,729 --> 01:52:04,989

eastern United States in October of 1973

2314

01:52:15,160 --> 01:52:09,739

Hynek and I were at a luncheon in Ohio

2315

01:52:20,350 --> 01:52:15,170

and someone at the table said to Hynek

2316

01:52:22,810 --> 01:52:20,360

well dr. Hynek is it true that bodies of

2317

01:52:27,010 --> 01:52:22,820

aliens have been taken to right field

2318

01:52:30,950 --> 01:52:27,020

and he said of course he said I don't

2319

01:52:36,620 --> 01:52:30,960

know then he turned to me

2320

01:52:39,709 --> 01:52:36,630

and he said that it is true I like that

2321

01:52:41,510 --> 01:52:39,719

one and hang on what happens with these

2322

01:52:44,930 --> 01:52:41,520

if one will just play where after the

2323

01:52:46,729 --> 01:52:44,940

other so I have to jump around and we're

2324

01:52:49,820 --> 01:52:46,739

just gonna we're just gonna sample this

2325

01:52:55,880 --> 01:52:49,830

is a Canadian editorial on Project Blue

2326

01:52:58,490 --> 01:52:55,890

Book back in 1956 fighting of these

2327

01:53:00,500 --> 01:52:58,500

unidentified objects or UFOs as they

2328

01:53:02,510 --> 01:53:00,510

have come to be known has not been

2329

01:53:05,720 --> 01:53:02,520

confined to our time but has occurred

2330

01:53:07,490 --> 01:53:05,730

throughout past ages as well the reports

2331

01:53:09,620 --> 01:53:07,500

have come from all kinds of people

2332

01:53:11,720 --> 01:53:09,630

Anders first among those from obvious

2333

01:53:14,870 --> 01:53:11,730

Kravitz have been sightings made by

2334

01:53:17,209 --> 01:53:14,880

scientists by experienced pilots radar

2335

01:53:20,810 --> 01:53:17,219

operators and others who knew what they

2336

01:53:22,610 --> 01:53:20,820

were looking at what is the answer one

2337

01:53:24,709 --> 01:53:22,620

of the most exhaustive attempts to find

2338

01:53:27,320 --> 01:53:24,719

it has been the American Air Force's

2339

01:53:31,459 --> 01:53:27,330

Project Blue Book covering all the

2340

01:53:34,310 --> 01:53:31,469

available data surrounding 1593 UFO

2341

01:53:36,470 --> 01:53:34,320

reports most of these upon being tracked

2342

01:53:39,650 --> 01:53:36,480

down were found to have a natural and

2343

01:53:41,380 --> 01:53:39,660

logical explanation ice particles in the

2344

01:53:44,410 --> 01:53:41,390

atmosphere reflecting diffused light

2345

01:53:46,790 --> 01:53:44,420

weather balloons high-flying aircraft

2346

01:53:48,979 --> 01:53:46,800

simple reflections from inversion air

2347

01:53:51,050 --> 01:53:48,989

masses and even the bellies of birds

2348

01:53:53,060 --> 01:53:51,060

seem from a certain angle distance of

2349

01:53:55,700 --> 01:53:53,070

light are only a few of the many natural

2350

01:53:58,880 --> 01:53:55,710

phenomena that had been taken as flying

2351  
01:54:00,830 --> 01:53:58,890  
saucers but one of the 27% of sightings

2352  
01:54:03,530 --> 01:54:00,840  
by competent observers which project

2353  
01:54:05,660 --> 01:54:03,540  
Bluebook could not explain is there

2354  
01:54:07,430 --> 01:54:05,670  
additional information we have not yet

2355  
01:54:10,220 --> 01:54:07,440  
learned that will show them up is

2356  
01:54:12,440 --> 01:54:10,230  
perfectly natural phenomena or would

2357  
01:54:15,229 --> 01:54:12,450  
additional information explain them as

2358  
01:54:19,010 --> 01:54:15,239  
something we now in our present horizons

2359  
01:54:22,570 --> 01:54:19,020  
of science cannot even comprehend only

2360  
01:54:29,209 --> 01:54:25,820  
alright this one always interests me on

2361  
01:54:31,790 --> 01:54:29,219  
the ghost rockets that was in

2362  
01:54:35,979 --> 01:54:31,800  
Switzerland I believe so hopefully this

2363  
01:54:38,209 --> 01:54:35,989

is in English and this was back in 1946

2364

01:54:44,300 --> 01:54:38,219  
during when all the ghost rocket

2365

01:54:50,960 --> 01:54:46,730  
in that time during the love period of

2366

01:54:54,550 --> 01:54:50,970  
the war that very mysterious thing seems

2367

01:54:57,800 --> 01:54:54,560  
to be going on over our air in Sweden

2368

01:55:01,910 --> 01:54:57,810  
and for a long time we didn't know what

2369

01:55:05,270 --> 01:55:01,920  
it was and then the same thing happened

2370

01:55:07,820 --> 01:55:05,280  
with one of these things landed and

2371

01:55:09,860 --> 01:55:07,830  
there was big secrecy about it at the

2372

01:55:13,730 --> 01:55:09,870  
time we didn't get to know much there

2373

01:55:17,140 --> 01:55:13,740  
the whole thing of course went into

2374

01:55:20,450 --> 01:55:17,150  
pieces when it got into the ground and

2375

01:55:22,910 --> 01:55:20,460  
placed in southern Sweden but our

2376

01:55:25,010 --> 01:55:22,920

ministry feels very good riddance neighs

2377

01:55:28,190 --> 01:55:25,020

collected all the business that they

2378

01:55:32,110 --> 01:55:28,200

could find and attack it all over to

2379

01:55:36,080 --> 01:55:32,120

England and the British were able to

2380

01:55:40,070 --> 01:55:36,090

figure out what it was and so although

2381

01:55:42,380 --> 01:55:40,080

that didn't help much they really were

2382

01:55:46,220 --> 01:55:42,390

spared for what was going to happen they

2383

01:55:49,220 --> 01:55:46,230

were able to figure out how this thing

2384

01:55:54,650 --> 01:55:49,230

was hunting what had happened it was

2385

01:55:59,770 --> 01:55:54,660

considered this was one the things that

2386

01:56:04,160 --> 01:55:59,780

was being protected from in a minute and

2387

01:56:08,090 --> 01:56:04,170

walk out of it in hundreds of it if I

2388

01:56:11,030 --> 01:56:08,100

remember right - they're not during the

2389

01:56:14,600 --> 01:56:11,040

long period of the war but after copy

2390

01:56:19,930 --> 01:56:14,610

after their way of the rhythm of the

2391

01:56:23,120 --> 01:56:19,940

some kind of object that that working

2392

01:56:25,750 --> 01:56:23,130

over the Baltic I cannot refer to it

2393

01:56:36,830 --> 01:56:25,760

everything actually over Sweden they

2394

01:56:39,170 --> 01:56:36,840

were believed to have come from so

2395

01:56:41,900 --> 01:56:39,180

that's it if you want to check that out

2396

01:56:45,530 --> 01:56:41,910

again you just go to our website podcast

2397

01:56:49,370 --> 01:56:45,540

UFO calm and go to our blogs and you

2398

01:56:51,590 --> 01:56:49,380

will see right you will see that a link

2399

01:56:54,110 --> 01:56:51,600

with all these great things it's about

2400

01:56:55,700 --> 01:56:54,120

11 hours you can listen to that so

2401  
01:56:57,320 --> 01:56:55,710  
anyway that's it for the show tonight I

2402  
01:56:57,770 --> 01:56:57,330  
want to thank everyone for helping out I

2403  
01:57:00,410 --> 01:56:57,780  
want

2404  
01:57:02,990 --> 01:57:00,420  
think Alejandro Rojas for the news Ben

2405  
01:57:04,820 --> 01:57:03,000  
Hansen what a great guest I'm always

2406  
01:57:06,860 --> 01:57:04,830  
thrilled to have him on I want to thank

2407  
01:57:09,620 --> 01:57:06,870  
him Peggy shunning I want to thank you

2408  
01:57:11,720 --> 01:57:09,630  
for managing the Facebook page a great

2409  
01:57:15,620 --> 01:57:11,730  
job remember to like us on Facebook for

2410  
01:57:17,710 --> 01:57:15,630  
all the latest UFO news and Carrie Lloyd

2411  
01:57:20,090 --> 01:57:17,720  
Whitehouse for the music this week and

2412  
01:57:21,620 --> 01:57:20,100  
if you're listening this long you are

2413  
01:57:22,970 --> 01:57:21,630

our supporter or the show or listening

2414

01:57:25,700 --> 01:57:22,980

live and I want to thank you for doing

2415

01:57:28,550 --> 01:57:25,710

that and we'll be here next week

2416

01:57:30,230 --> 01:57:28,560

live at 8:00 to 10:00 Eastern Standard

2417

01:57:32,660 --> 01:57:30,240

Time in the dark matter radio network

2418

01:57:33,920 --> 01:57:32,670

thank you everyone and keep your eyes to
