

1
00:00:04,160 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:05,360 --> 00:00:04,170
triangle you know there's explanation

3
00:00:07,309 --> 00:00:05,370
for everything that occurred in the

4
00:00:09,799 --> 00:00:07,319
rendlesham forest incident that doesn't

5
00:00:12,440 --> 00:00:09,809
involve aliens at all it was completely

6
00:00:16,039 --> 00:00:12,450
silent it comes right over our heads

7
00:00:17,660 --> 00:00:16,049
it's so a classic flying-saucer really

8
00:00:19,400 --> 00:00:17,670
standing in the clearing he turned over

9
00:00:20,689 --> 00:00:19,410
to my father and held his hand and he

10
00:00:27,380 --> 00:00:20,699
looked in his eyes and said we're not

11
00:00:30,290 --> 00:00:27,390
alone welcome to Podcast UFO for our

12

ask our guest upcoming some questions

50

00:02:13,980 --> 00:02:12,270

for now we have the news with the one

51

00:02:16,440 --> 00:02:13,990

the only Alejandra

52

00:02:20,310 --> 00:02:16,450

rojas what's going on there bud hey

53

00:02:23,850 --> 00:02:20,320

that's me that's yeah UFOs are what's

54

00:02:27,960 --> 00:02:23,860

going on buddy that's good to hear is

55

00:02:29,910 --> 00:02:27,970

there some activity there is some yeah

56

00:02:32,940 --> 00:02:29,920

cuz if there wasn't then I would be like

57

00:02:35,160 --> 00:02:32,950

I've got known to say yeah yeah and out

58

00:02:36,990 --> 00:02:35,170

of a job but luckily there is something

59

00:02:39,000 --> 00:02:37,000

to say so yeah the first story I want to

60

00:02:42,780 --> 00:02:39,010

talk about is kind of neat it's this

61

00:02:45,920 --> 00:02:42,790

lady who's a hotel clerk at this resort

62

00:02:49,860 --> 00:02:45,930

at the first in Hawaii and vilano beach

63

00:02:52,620 --> 00:02:49,870

I'm sorry Florida I don't know I said

64

00:02:56,070 --> 00:02:52,630

Hawaii but she works at the ocean Sands

65

00:02:59,100 --> 00:02:56,080

beach in beautiful place oh my gosh the

66

00:03:01,560 --> 00:02:59,110

pictures here it's blue it's at the

67

00:03:04,320 --> 00:03:01,570

beaches just look wonderful I want to be

68

00:03:09,600 --> 00:03:04,330

there so bad it's making me really want

69

00:03:11,820 --> 00:03:09,610

to kind of take off but she gets UFO

70

00:03:14,280 --> 00:03:11,830

reports from her guests so I guess she

71

00:03:16,620 --> 00:03:14,290

feels that there are a lot of UFOs being

72

00:03:18,690 --> 00:03:16,630

seen out there and she spoke with the

73

00:03:21,360 --> 00:03:18,700

news first coast news and they did this

74

00:03:23,790 --> 00:03:21,370

new segment on her and we've got this

75

00:03:25,500 --> 00:03:23,800

video of it posted on the site so it's

76
00:03:28,500 --> 00:03:25,510
kind of neat she even provided them with

77
00:03:30,360 --> 00:03:28,510
some video that guests have provided her

78
00:03:33,090 --> 00:03:30,370
and most of the guests don't want to

79
00:03:35,700 --> 00:03:33,100
really go on record as saying that they

80
00:03:38,790 --> 00:03:35,710
have seen UFOs but she says often they

81
00:03:43,730 --> 00:03:38,800
see lots light hovering overhead and

82
00:03:46,500 --> 00:03:43,740
people get frightened she said in

83
00:03:49,350 --> 00:03:46,510
December some people called and said

84
00:03:51,660 --> 00:03:49,360
they had seen some lights coming in they

85
00:03:55,640 --> 00:03:51,670
said that one looked acted like it was

86
00:03:59,130 --> 00:03:55,650
distressed and was going up and down

87
00:04:01,830 --> 00:03:59,140
while one hovered and then darted off so

88
00:04:02,820 --> 00:04:01,840

just really weird behavior some people

89

00:04:05,910 --> 00:04:02,830

have told her that they're probably

90

00:04:08,190 --> 00:04:05,920

Chinese lanterns but she says that you

91

00:04:10,290 --> 00:04:08,200

know they don't really act like Chinese

92

00:04:12,840 --> 00:04:10,300

lantern to wood because it seemed to

93

00:04:14,970 --> 00:04:12,850

kind of be zipping and zooming and doing

94

00:04:17,250 --> 00:04:14,980

really weird stuff so it's a neat video

95

00:04:19,110 --> 00:04:17,260

that was posted by our first coast news

96

00:04:22,260 --> 00:04:19,120

and we've got a little story on that

97

00:04:24,090 --> 00:04:22,270

Roger Marsh found this and posted it on

98

00:04:26,820 --> 00:04:24,100

our site so people got to check it out I

99

00:04:27,770 --> 00:04:26,830

wonder if they could be Chinese lanterns

100

00:04:31,950 --> 00:04:27,780

in distress

101
00:04:34,260 --> 00:04:31,960
you know it could be yeah you know what

102
00:04:36,890 --> 00:04:34,270
happens when a Chinese and other Chinese

103
00:04:39,719 --> 00:04:36,900
lanterns coming to its aid perhaps

104
00:04:43,050 --> 00:04:39,729
absolutely no I'm wondering if anyone

105
00:04:45,469 --> 00:04:43,060
has checked like prosaic for most of the

106
00:04:50,010 --> 00:04:45,479
lights like for instance an airport

107
00:04:51,929 --> 00:04:50,020
within range a lot of times those you

108
00:04:54,179 --> 00:04:51,939
know those big bright lights look like

109
00:04:57,869 --> 00:04:54,189
they're hovering because they're you

110
00:05:00,059 --> 00:04:57,879
know right far away type of thing and I

111
00:05:02,610 --> 00:05:00,069
know like mine since I'm Long Island

112
00:05:05,640 --> 00:05:02,620
there was people reporting you know UFOs

113
00:05:07,679 --> 00:05:05,650

and ended up being you know lights from

114

00:05:09,719 --> 00:05:07,689

those big headlights the airplanes have

115

00:05:11,640 --> 00:05:09,729

when they're coming in for landing yeah

116

00:05:15,659 --> 00:05:11,650

yeah it's always possible there's

117

00:05:17,850 --> 00:05:15,669

military bases out there even NASA is

118

00:05:19,019 --> 00:05:17,860

not too far away from there so it's

119

00:05:20,999 --> 00:05:19,029

possible and I know what you mean

120

00:05:22,679 --> 00:05:21,009

because planes that happens out here a

121

00:05:25,559 --> 00:05:22,689

lot because we've got such a busy

122

00:05:27,809 --> 00:05:25,569

Airport and clear skies and when claims

123

00:05:29,489 --> 00:05:27,819

like turn you know you'll see their

124

00:05:31,920 --> 00:05:29,499

headlights coming straight at you and

125

00:05:34,170 --> 00:05:31,930

then there there's another in another

126

00:05:36,360 --> 00:05:34,180

direction so it looks like this bright

127

00:05:40,409 --> 00:05:36,370

light just came on and faded off when it

128

00:05:42,089 --> 00:05:40,419

really didn't happens a lot so she

129

00:05:43,920 --> 00:05:42,099

wanders about that but she doesn't think

130

00:05:46,230 --> 00:05:43,930

so she thinks something's checking out

131

00:05:48,570 --> 00:05:46,240

the area in fact her quote is there's

132

00:05:51,839 --> 00:05:48,580

something out there besides the shrimp

133

00:05:54,869 --> 00:05:51,849

boats well maybe checking out Florida

134

00:05:56,999 --> 00:05:54,879

real estate or something yeah I mean why

135

00:05:59,040 --> 00:05:57,009

not at least and the pictures the area

136

00:06:01,320 --> 00:05:59,050

looks beautiful I want to check out some

137

00:06:03,570 --> 00:06:01,330

Florida real estate did you live in

138

00:06:05,909 --> 00:06:03,580

Florida never lived in Florida I've been

139

00:06:08,070 --> 00:06:05,919

there many many times stayed there you

140

00:06:11,879 --> 00:06:08,080

know for a month one time in the winter

141

00:06:13,350 --> 00:06:11,889

and you know if I had my choice between

142

00:06:15,360 --> 00:06:13,360

Florida and California would be

143

00:06:18,360 --> 00:06:15,370

California first except for the drought

144

00:06:20,070 --> 00:06:18,370

but there are some places in Florida

145

00:06:24,420 --> 00:06:20,080

that are absolutely beautiful like

146

00:06:27,869 --> 00:06:24,430

Sanibel Island and down along the west

147

00:06:31,050 --> 00:06:27,879

coast just absolutely gorgeous all that

148

00:06:32,790 --> 00:06:31,060

area Sarasota Naples you name it I've

149

00:06:34,589 --> 00:06:32,800

never been to Florida but I'd love to

150

00:06:37,839 --> 00:06:34,599

check it out I've been to the Caribbean

151

00:06:40,510 --> 00:06:37,849

but and I love it out there so

152

00:06:43,119 --> 00:06:40,520

yeah it looks beautiful it is it is so

153

00:06:47,019 --> 00:06:43,129

what else is happening well going even

154

00:06:52,570 --> 00:06:47,029

further away a spat of UFO reports in

155

00:06:54,639 --> 00:06:52,580

the I English town of newbury so this is

156

00:06:56,709 --> 00:06:54,649

kind of interesting so what happened is

157

00:07:01,320 --> 00:06:56,719

there's that there's a town near newbury

158

00:07:05,439 --> 00:07:01,330

it's just what northwest of Newbury

159

00:07:07,839 --> 00:07:05,449

called hungerford and a few days ago

160

00:07:11,489 --> 00:07:07,849

there was a report of a UFO and this

161

00:07:13,929 --> 00:07:11,499

lady posted this picture now the picture

162

00:07:15,969 --> 00:07:13,939

really looks like a point of light out

163

00:07:18,540 --> 00:07:15,979

of focus and I posted you know a video

164

00:07:21,489 --> 00:07:18,550

and a picture of Venus out of focus and

165

00:07:23,350 --> 00:07:21,499

to show that often people will get

166

00:07:26,320 --> 00:07:23,360

pictures of Venus you know that looked

167

00:07:28,209 --> 00:07:26,330

like this but not to say that it isn't

168

00:07:29,739 --> 00:07:28,219

unusual just that it does look like that

169

00:07:32,290 --> 00:07:29,749

so we can't tell much from the video

170

00:07:34,600 --> 00:07:32,300

itself but this got even more

171

00:07:36,669 --> 00:07:34,610

interesting she says that she sees it

172

00:07:39,279 --> 00:07:36,679

often and it often moves kind of

173

00:07:41,980 --> 00:07:39,289

strangely and then it disappears she

174

00:07:44,199 --> 00:07:41,990

says she's even told neighbors one time

175

00:07:46,779 --> 00:07:44,209

she got her neighbors and that's where

176
00:07:48,790 --> 00:07:46,789
this photo I came from and knocked on

177
00:07:51,279 --> 00:07:48,800
the door and she's like look at that

178
00:07:53,619 --> 00:07:51,289
what the heck is that and they see this

179
00:07:58,659 --> 00:07:53,629
light up there it often reported as

180
00:08:01,959 --> 00:07:58,669
being flashing green and blue so the

181
00:08:04,449 --> 00:08:01,969
Newbury weekly news posted this story

182
00:08:06,579 --> 00:08:04,459
and they said they got a flurry of

183
00:08:09,939 --> 00:08:06,589
reports from people who said they've

184
00:08:14,679 --> 00:08:09,949
seen the same thing so people in the

185
00:08:17,169 --> 00:08:14,689
area from Newbury and other areas have

186
00:08:20,399 --> 00:08:17,179
called in and they're all saying you

187
00:08:23,739 --> 00:08:20,409
know it's weird it's there so often it

188
00:08:26,290 --> 00:08:23,749

flashes it moves very strangely it's

189

00:08:28,239 --> 00:08:26,300

eerie and they've got like at least five

190

00:08:30,129 --> 00:08:28,249

reports that they've got here on their

191

00:08:33,040 --> 00:08:30,139

site of other people thinking that this

192

00:08:35,949 --> 00:08:33,050

is something odd so it's really

193

00:08:38,429 --> 00:08:35,959

interesting in fact one person reported

194

00:08:40,689 --> 00:08:38,439

it as looking like a ball bearing

195

00:08:44,559 --> 00:08:40,699

hanging in the sky he said it was

196

00:08:46,360 --> 00:08:44,569

metallic and silvery and it went over

197

00:08:50,890 --> 00:08:46,370

them and he was sure it was not a

198

00:08:54,550 --> 00:08:50,900

balloon and he watched it in amazement

199

00:08:57,370 --> 00:08:54,560

well that's quote unquote I imagine and

200

00:09:00,510 --> 00:08:57,380

what he said it was yeah essentially and

201
00:09:04,600 --> 00:09:00,520
then he said it vanished huh interesting

202
00:09:06,940 --> 00:09:04,610
and blue and green is not what you would

203
00:09:09,070 --> 00:09:06,950
see on an airplane that's for sure you

204
00:09:10,900 --> 00:09:09,080
wouldn't see that on a airplane however

205
00:09:12,880 --> 00:09:10,910
i did make one point that that you know

206
00:09:13,810 --> 00:09:12,890
the same reason you see a star twinkle

207
00:09:16,750 --> 00:09:13,820
because you're looking through the

208
00:09:20,110 --> 00:09:16,760
atmosphere if a star especially if it is

209
00:09:22,240 --> 00:09:20,120
on the horizon where there's more

210
00:09:24,700 --> 00:09:22,250
atmosphere you're looking through and

211
00:09:28,810 --> 00:09:24,710
even more so if you're like in Phoenix

212
00:09:31,810 --> 00:09:28,820
or LA or someplace where there is

213
00:09:33,490 --> 00:09:31,820

pollution the lights will look different

214

00:09:37,420 --> 00:09:33,500

colors and they look like they're

215

00:09:38,950 --> 00:09:37,430

changing different colors so that would

216

00:09:40,660 --> 00:09:38,960

be something that could make a light

217

00:09:42,820 --> 00:09:40,670

change different colors but of course

218

00:09:47,260 --> 00:09:42,830

some of these people said they felt it

219

00:09:49,420 --> 00:09:47,270

flew closer to them and that it's you

220

00:09:51,730 --> 00:09:49,430

know got these weird strange movement so

221

00:09:55,150 --> 00:09:51,740

really weird stuff yeah now there's

222

00:09:57,250 --> 00:09:55,160

another i want to say warminster there's

223

00:10:00,760 --> 00:09:57,260

another area where they see sightings a

224

00:10:02,260 --> 00:10:00,770

lot as well in england and they don't

225

00:10:04,810 --> 00:10:02,270

really have the clearest weather either

226

00:10:07,930 --> 00:10:04,820

yeah they don't what's interesting I I

227

00:10:09,730 --> 00:10:07,940

don't know I I don't feel like when they

228

00:10:11,380 --> 00:10:09,740

claim that in area is a hot spot in

229

00:10:13,840 --> 00:10:11,390

England that they can really say that

230

00:10:15,790 --> 00:10:13,850

most of the time you know they don't

231

00:10:17,950 --> 00:10:15,800

have organizations that are doing like

232

00:10:20,530 --> 00:10:17,960

like MUFON or we've talked about these

233

00:10:23,740 --> 00:10:20,540

UFO maps with new fork where people are

234

00:10:26,290 --> 00:10:23,750

actually you know using some data to

235

00:10:28,600 --> 00:10:26,300

come to those conclusions often it's

236

00:10:30,970 --> 00:10:28,610

anecdotal and warminster does have

237

00:10:33,760 --> 00:10:30,980

sightings and they've had a couple of

238

00:10:35,530 --> 00:10:33,770

really important sightings that and I

239

00:10:38,800 --> 00:10:35,540

think that's why it's in people's minds

240

00:10:40,240 --> 00:10:38,810

but it would be interesting however you

241

00:10:41,950 --> 00:10:40,250

know especially if you look at the

242

00:10:45,430 --> 00:10:41,960

headlines that we post because we post

243

00:10:47,950 --> 00:10:45,440

them every day the UK seems to be

244

00:10:51,910 --> 00:10:47,960

writing about UFO stories at least on a

245

00:10:54,520 --> 00:10:51,920

daily basis they are tabloid 'ish these

246

00:10:58,060 --> 00:10:54,530

two papers in mirror and the Daily

247

00:10:59,830 --> 00:10:58,070

Express very tabloid ish and they can be

248

00:11:03,340 --> 00:10:59,840

silly and sometimes their research isn't

249

00:11:04,600 --> 00:11:03,350

that good and they're sensationalizing

250

00:11:08,410 --> 00:11:04,610

something that's not that

251
00:11:11,740 --> 00:11:08,420
citing but they write about UFOs on a

252
00:11:14,139 --> 00:11:11,750
daily basis and but also local people

253
00:11:16,449 --> 00:11:14,149
papers like this Newberry one they seem

254
00:11:18,699 --> 00:11:16,459
to very very open to the topic and it

255
00:11:22,449 --> 00:11:18,709
seems to beg there are quite a bit of

256
00:11:25,240 --> 00:11:22,459
sightings in England in fact reading all

257
00:11:27,759 --> 00:11:25,250
of these stories certainly I would say

258
00:11:31,120 --> 00:11:27,769
there's more new stories about UFOs in

259
00:11:33,430 --> 00:11:31,130
England and it could be that there are

260
00:11:35,650 --> 00:11:33,440
more UFO sightings per person in England

261
00:11:37,540 --> 00:11:35,660
and if someone could verify that that

262
00:11:40,180 --> 00:11:37,550
would be really interesting yeah it

263
00:11:43,180 --> 00:11:40,190

would be good to see a similar map like

264

00:11:46,000 --> 00:11:43,190

you're saying in yeah too bad they don't

265

00:11:48,610 --> 00:11:46,010

have like a move on type of you know

266

00:11:50,470 --> 00:11:48,620

centralized organization like that

267

00:11:51,880 --> 00:11:50,480

especially am you think that they would

268

00:11:54,670 --> 00:11:51,890

if they're actually seeing all these

269

00:11:56,380 --> 00:11:54,680

things they do have some organizations

270

00:11:59,139 --> 00:11:56,390

but nothing that's kind of taken off

271

00:12:02,380 --> 00:11:59,149

like MUFON is all over the country right

272

00:12:04,150 --> 00:12:02,390

right so we have one more story we got

273

00:12:06,850 --> 00:12:04,160

one more and this is a really exciting

274

00:12:10,509 --> 00:12:06,860

story i love NASA's stories anyway but

275

00:12:12,699 --> 00:12:10,519

this is kind of neat and this is about

276

00:12:14,980 --> 00:12:12,709

the same time i wrote a longer story

277

00:12:16,810 --> 00:12:14,990

very more sciency about Europa because

278

00:12:18,850 --> 00:12:16,820

this is kind of cool NASA cysts are

279

00:12:20,889 --> 00:12:18,860

going to go to Europa which is a moon of

280

00:12:22,960 --> 00:12:20,899

Jupiter that they think has a crust of

281

00:12:24,490 --> 00:12:22,970

ice with water below so it's exciting

282

00:12:26,199 --> 00:12:24,500

they're going to go there and start to

283

00:12:28,060 --> 00:12:26,209

explore it and there's already these

284

00:12:30,280 --> 00:12:28,070

machines that can go under the ice and

285

00:12:32,920 --> 00:12:30,290

it's just incredible to think about what

286

00:12:36,130 --> 00:12:32,930

might be under the ice but is it also

287

00:12:39,939 --> 00:12:36,140

pardon me but isn't the ice like a mile

288

00:12:44,620 --> 00:12:39,949

thick or something it is 12 to 19 miles

289

00:12:48,100 --> 00:12:44,630

thick okay that'd be why out of a robot

290

00:12:50,470 --> 00:12:48,110

it would but at like I wrote in my story

291

00:12:53,680 --> 00:12:50,480

there's a company stone aerospace that

292

00:12:55,449 --> 00:12:53,690

believes that they've developed a hydro

293

00:12:58,480 --> 00:12:55,459

bot is what they're called that drills

294

00:13:01,269 --> 00:12:58,490

through the ice that can drill that far

295

00:13:03,870 --> 00:13:01,279

it uses fiber optics to be controlled

296

00:13:07,000 --> 00:13:03,880

and to get its power and everything and

297

00:13:10,090 --> 00:13:07,010

they've done some trials with it already

298

00:13:12,040 --> 00:13:10,100

i think it's gone 31 meters but you know

299

00:13:15,040 --> 00:13:12,050

it's hard to find mile walk the guys

300

00:13:17,019 --> 00:13:15,050

here on our planet but they say no

301
00:13:18,430 --> 00:13:17,029
problem they can do it so it seems like

302
00:13:20,770 --> 00:13:18,440
the technology already

303
00:13:22,960 --> 00:13:20,780
us too to accomplish that so it might

304
00:13:26,140 --> 00:13:22,970
not be as far-fetched as we think Wow

305
00:13:28,210 --> 00:13:26,150
how about that but so this is to support

306
00:13:31,480 --> 00:13:28,220
my idea that over in England they love

307
00:13:34,720 --> 00:13:31,490
UFOs you know NASA's administrator

308
00:13:38,110 --> 00:13:34,730
charles bolden went to speak with a

309
00:13:42,160 --> 00:13:38,120
british school children and that they

310
00:13:43,570 --> 00:13:42,170
asked him about aliens in area 51 and

311
00:13:46,840 --> 00:13:43,580
it's kind of cool his answers were

312
00:13:49,570 --> 00:13:46,850
pretty neat he essentially said in his

313
00:13:50,860 --> 00:13:49,580

talk that you know at NASA they believe

314

00:13:54,430 --> 00:13:50,870

they're going to find extraterrestrial

315

00:13:56,770 --> 00:13:54,440

life somewhere so one kid said well do

316

00:13:59,050 --> 00:13:56,780

you believe in aliens and he said I do

317

00:14:01,810 --> 00:13:59,060

believe that we will someday find other

318

00:14:03,880 --> 00:14:01,820

forms of life or a form of life if not

319

00:14:06,640 --> 00:14:03,890

in our solar system than in some other

320

00:14:09,400 --> 00:14:06,650

solar system the billions of other solar

321

00:14:11,440 --> 00:14:09,410

systems in the universe so that was kind

322

00:14:14,470 --> 00:14:11,450

of cool but then he started talking

323

00:14:16,930 --> 00:14:14,480

about area 51 she says it does exist but

324

00:14:20,530 --> 00:14:16,940

he doesn't think there are aliens there

325

00:14:22,390 --> 00:14:20,540

in fact he said he's been there he

326

00:14:24,310 --> 00:14:22,400
called it a normal research and

327

00:14:26,860 --> 00:14:24,320
development place he says I never saw

328

00:14:29,380 --> 00:14:26,870
any alien tour alien spacecraft or

329

00:14:30,910 --> 00:14:29,390
anything when i was there he says i

330

00:14:33,100 --> 00:14:30,920
think because of the secrecy of the

331

00:14:35,200 --> 00:14:33,110
aeronautics research that goes on there

332

00:14:39,160 --> 00:14:35,210
it's ripe for people to talk about

333

00:14:43,060 --> 00:14:39,170
aliens being there so kind of cool this

334

00:14:45,550 --> 00:14:43,070
guy had been to area 51 and talked about

335

00:14:46,900 --> 00:14:45,560
it so any you know he admitted and

336

00:14:50,530 --> 00:14:46,910
there's still some people who don't

337

00:14:54,850 --> 00:14:50,540
believe area 51 exists so just further

338

00:14:57,010 --> 00:14:54,860

support to area 51 exists well maybe

339

00:14:59,260 --> 00:14:57,020

there's no aliens there but says there's

340

00:15:03,130 --> 00:14:59,270

alien somewhere and gosh darn it he

341

00:15:06,420 --> 00:15:03,140

thinks NASA is going to find them well

342

00:15:09,250 --> 00:15:06,430

either that or they'll find us right

343

00:15:12,250 --> 00:15:09,260

yeah I think that's most likely the case

344

00:15:14,260 --> 00:15:12,260

if of course like the field war in of

345

00:15:16,900 --> 00:15:14,270

course they haven't already found us in

346

00:15:21,130 --> 00:15:16,910

there sneaking around being sneaky

347

00:15:23,320 --> 00:15:21,140

little buggers just frustrating the heck

348

00:15:26,140 --> 00:15:23,330

out of people like me and you or our

349

00:15:29,890 --> 00:15:26,150

listeners not exposing themselves

350

00:15:31,840 --> 00:15:29,900

thoroughly but just kind of being tricky

351

00:15:34,900 --> 00:15:31,850

yeah a little-little

352

00:15:37,180 --> 00:15:34,910

writers makes you really when you really

353

00:15:39,100 --> 00:15:37,190

think about it you know comes up on the

354

00:15:44,199 --> 00:15:39,110

show all the time and your show too is

355

00:15:47,410 --> 00:15:44,209

that it really is so elusive and it's

356

00:15:49,480 --> 00:15:47,420

just you know the the common comment you

357

00:15:52,240 --> 00:15:49,490

always hear from anyone on The Skeptical

358

00:15:54,519 --> 00:15:52,250

side which I think it's good to be on

359

00:15:58,210 --> 00:15:54,529

The Skeptical side but is um you know

360

00:16:01,210 --> 00:15:58,220

all so-called evidence is fleeting you

361

00:16:06,670 --> 00:16:01,220

know there's and unpredictable

362

00:16:08,710 --> 00:16:06,680

unrepeatable so it it just I I think

363

00:16:12,819 --> 00:16:08,720

it's up to them if they want us to know

364

00:16:16,930 --> 00:16:12,829

they will let us know I am of the same

365

00:16:18,910 --> 00:16:16,940

exact opinion because like you said what

366

00:16:22,150 --> 00:16:18,920

we found thus far has been bleeding and

367

00:16:23,620 --> 00:16:22,160

a lot of the best minds the scientists

368

00:16:25,269 --> 00:16:23,630

who believe there's something going on

369

00:16:29,680 --> 00:16:25,279

there's some sort of intelligence at

370

00:16:33,490 --> 00:16:29,690

play here third party that they're just

371

00:16:36,249 --> 00:16:33,500

two steps ahead of us and we just can't

372

00:16:38,230 --> 00:16:36,259

catch them if they have the means to get

373

00:16:42,790 --> 00:16:38,240

here then they have the means to do that

374

00:16:44,410 --> 00:16:42,800

too right exactly yeah I agree all right

375

00:16:46,900 --> 00:16:44,420

there friend will be talking to you next

376

00:16:49,929 --> 00:16:46,910

week all right talk to you next week

377

00:16:52,059 --> 00:16:49,939

buddy all right so everyone hang on for

378

00:17:02,150 --> 00:16:52,069

just a minute here a quick little music

379

00:18:19,380 --> 00:18:09,019

you

380

00:18:22,680 --> 00:18:19,390

joining us and and this first time we've

381

00:18:24,779 --> 00:18:22,690

ever spoke well today and so on the

382

00:18:28,169 --> 00:18:24,789

listening audience out there would like

383

00:18:30,110 --> 00:18:28,179

to know who is Ron James so if you

384

00:18:33,360 --> 00:18:30,120

wouldn't mind going right in explaining

385

00:18:36,389 --> 00:18:33,370

who you are your interests how you got

386

00:18:41,039 --> 00:18:36,399

interested in the topic and we'll talk

387

00:18:44,159 --> 00:18:41,049

about filmmaking after that awesome well

388

00:18:46,320 --> 00:18:44,169

you know back when I was coming up in

389

00:18:48,960 --> 00:18:46,330

the in the media business I used to

390

00:18:51,509 --> 00:18:48,970

watch UFO shows and read the magazines

391

00:18:53,399 --> 00:18:51,519

and I remember Nick Pope when he was

392

00:18:56,009 --> 00:18:53,409

actually still Minister of Defence used

393

00:18:57,840 --> 00:18:56,019

to write a column for UFO magazine now I

394

00:18:59,340 --> 00:18:57,850

remember thinking wow that's pretty cool

395

00:19:01,320 --> 00:18:59,350

but some guy in government will actually

396

00:19:03,990 --> 00:19:01,330

talk to people about this stuff and then

397

00:19:05,909 --> 00:19:04,000

I see Stanton Friedman on TV and I did

398

00:19:08,129 --> 00:19:05,919

to myself wow this is so awesome here's

399

00:19:09,690 --> 00:19:08,139

this guy who's a scientist and he was

400

00:19:12,180 --> 00:19:09,700

actually willing to really go on the

401
00:19:14,940 --> 00:19:12,190
record and it really explore the subject

402
00:19:17,129 --> 00:19:14,950
and so I thought that it was really

403
00:19:19,110 --> 00:19:17,139
great that it was getting kind of

404
00:19:22,379 --> 00:19:19,120
exposure that it was getting in later on

405
00:19:24,570 --> 00:19:22,389
I started being exposed to a lot of

406
00:19:26,549 --> 00:19:24,580
different ministries besides just the e

407
00:19:28,259 --> 00:19:26,559
key question and I started realizing

408
00:19:31,320 --> 00:19:28,269
that they're all profoundly

409
00:19:33,450 --> 00:19:31,330
interconnected and you know early on I

410
00:19:35,779 --> 00:19:33,460
decided that when I got in the media

411
00:19:39,539 --> 00:19:35,789
this is a direction that I wanted to go

412
00:19:41,730 --> 00:19:39,549
from so since then I've been on a

413
00:19:45,690 --> 00:19:41,740

spiritual Odyssey through Sedona Arizona

414

00:19:48,930 --> 00:19:45,700

where I produced over 200 dvds covering

415

00:19:52,529 --> 00:19:48,940

everything from cryptozoology to ghosts

416

00:19:55,250 --> 00:19:52,539

and EVP electronic voice phenomenon all

417

00:19:58,169 --> 00:19:55,260

the way to several docs about UFOs

418

00:20:00,389 --> 00:19:58,179

metaphysical practices new science

419

00:20:04,230 --> 00:20:00,399

quantum physics and how you know science

420

00:20:07,019 --> 00:20:04,240

and the paranormal are kind of fusing

421

00:20:08,580 --> 00:20:07,029

together into some common understandings

422

00:20:11,129 --> 00:20:08,590

it hasn't happened yet but it's getting

423

00:20:13,799 --> 00:20:11,139

there and of course the UFO stuff so

424

00:20:16,200 --> 00:20:13,809

I've produced previously that's

425

00:20:18,150 --> 00:20:16,210

conference two years in a row I've done

426

00:20:20,490 --> 00:20:18,160

a ton of behind-the-scenes stuff

427

00:20:22,650 --> 00:20:20,500

producing these are these events and

428

00:20:24,750 --> 00:20:22,660

handling all the video production in the

429

00:20:27,210 --> 00:20:24,760

streaming and then of course I did the

430

00:20:29,310 --> 00:20:27,220

Citizen hearing on disclosure which was

431

00:20:31,740 --> 00:20:29,320

which in which my company produced and

432

00:20:33,360 --> 00:20:31,750

then I am currently involved in the

433

00:20:36,180 --> 00:20:33,370

congressional hearing initiative working

434

00:20:39,030 --> 00:20:36,190

with steve bassett we sent out the dvds

435

00:20:40,800 --> 00:20:39,040

of the Citizen hearing to every single

436

00:20:46,410 --> 00:20:40,810

member of Congress we sat on my house

437

00:20:49,770 --> 00:20:46,420

together and made 6500 DVDs on a burner

438

00:20:51,240 --> 00:20:49,780

and put them in boxes and shut them to

439

00:20:53,070 --> 00:20:51,250

every member of Congress and so now

440

00:20:54,930 --> 00:20:53,080

we're very actively pursuing people in

441

00:20:58,110 --> 00:20:54,940

Washington to try and bring about

442

00:21:00,030 --> 00:20:58,120

disclosure so that's a background on you

443

00:21:02,550 --> 00:21:00,040

know what I've done where I'm from then

444

00:21:04,980 --> 00:21:02,560

of course have won the the EBD awards

445

00:21:08,670 --> 00:21:04,990

are arguably the biggest award and the

446

00:21:10,830 --> 00:21:08,680

film test in the ET film category and in

447

00:21:14,250 --> 00:21:10,840

2012 i won best picture people's choice

448

00:21:17,280 --> 00:21:14,260

for the disclosure dialogues and then in

449

00:21:19,740 --> 00:21:17,290

2015 and the one the best film in

450

00:21:24,090 --> 00:21:19,750

people's choice for the travel

451
00:21:28,860 --> 00:21:24,100
documentary on the chocolate continuing

452
00:21:30,060 --> 00:21:28,870
to take a good roll yeah uh it seems

453
00:21:31,770 --> 00:21:30,070
like we're having just a little bit of

454
00:21:33,230 --> 00:21:31,780
an issue with your phone is everything

455
00:21:36,750 --> 00:21:33,240
all right with that as hard you know

456
00:21:40,020 --> 00:21:36,760
yeah sure okay it should be is it better

457
00:21:42,960 --> 00:21:40,030
now seems a little better now yes and

458
00:21:50,610 --> 00:21:42,970
the name of your website is I've evolved

459
00:21:52,620 --> 00:21:50,620
tv.com I yep olv e tv.com yes and that's

460
00:21:54,810 --> 00:21:52,630
that's like an online subscription based

461
00:21:57,210 --> 00:21:54,820
TV network where you can find all kinds

462
00:22:00,210 --> 00:21:57,220
of topics about the metaphysical staff

463
00:22:04,200 --> 00:22:00,220

the ET question and of course all the

464

00:22:07,680 --> 00:22:04,210

related subjects is it just your your

465

00:22:10,200 --> 00:22:07,690

material alone no we have material from

466

00:22:12,480 --> 00:22:10,210

other people I've produced a lot of

467

00:22:14,190 --> 00:22:12,490

stuff so a lot of the content on there

468

00:22:17,160 --> 00:22:14,200

is mine but with that the original shows

469

00:22:18,990 --> 00:22:17,170

right now and you know it's everybody's

470

00:22:20,850 --> 00:22:19,000

invited to participate so if there's

471

00:22:22,710 --> 00:22:20,860

content creators out there that would

472

00:22:24,600 --> 00:22:22,720

have to find a place to monetize their

473

00:22:27,510 --> 00:22:24,610

content yeah we can give them that

474

00:22:29,430 --> 00:22:27,520

option now I don't really want to open a

475

00:22:30,130 --> 00:22:29,440

can of worms here but I might be by

476
00:22:32,380 --> 00:22:30,140
asking this

477
00:22:37,020 --> 00:22:32,390
question but it seems to me that there

478
00:22:39,840 --> 00:22:37,030
are other people that are did a

479
00:22:42,730 --> 00:22:39,850
disclosure you know the Citizen hearing

480
00:22:47,590 --> 00:22:42,740
video so is it two different parties

481
00:22:49,720 --> 00:22:47,600
that did these videos no the the Citizen

482
00:22:55,450 --> 00:22:49,730
hearing was put on by steve bassett and

483
00:22:58,000 --> 00:22:55,460
CHD two productions and the the guys

484
00:22:59,620 --> 00:22:58,010
that are running CHD two productions

485
00:23:02,680 --> 00:22:59,630
have released the official Citizen

486
00:23:05,620 --> 00:23:02,690
hearing package and so it's out there

487
00:23:07,510 --> 00:23:05,630
it's available and yes also Steve still

488
00:23:11,050 --> 00:23:07,520

owns a third of that company and

489

00:23:13,540 --> 00:23:11,060

everybody's working together okay okay

490

00:23:16,000 --> 00:23:13,550

because I I had someone on a while back

491

00:23:18,490 --> 00:23:16,010

that was saying that they did the video

492

00:23:21,880 --> 00:23:18,500

as well that's why I'm a little bit

493

00:23:23,290 --> 00:23:21,890

confused about that part of it well you

494

00:23:25,210 --> 00:23:23,300

know what a big production there's a lot

495

00:23:27,190 --> 00:23:25,220

of people that do a lot of things I'm

496

00:23:30,430 --> 00:23:27,200

just to set the record straight my

497

00:23:31,990 --> 00:23:30,440

company was the surra provider of video

498

00:23:34,270 --> 00:23:32,000

services to the Citizen hearing on

499

00:23:39,030 --> 00:23:34,280

disclosure we shot every purpose footage

500

00:23:42,220 --> 00:23:39,040

we provided all of the edited pieces to

501
00:23:43,780 --> 00:23:42,230
see HD two productions and remember I'm

502
00:23:46,090 --> 00:23:43,790
not going to really get too far into it

503
00:23:47,740 --> 00:23:46,100
I have heard that and I figured maybe

504
00:23:49,150 --> 00:23:47,750
there's people out there taking credit

505
00:23:51,160 --> 00:23:49,160
for things they didn't do and they

506
00:23:55,410 --> 00:23:51,170
shouldn't do it beyond that I'm not

507
00:23:58,320 --> 00:23:55,420
going to comment all right sure um so

508
00:24:01,750 --> 00:23:58,330
speaking of that okay you put out these

509
00:24:03,490 --> 00:24:01,760
6,500 deep DVDs her that you burned

510
00:24:05,380 --> 00:24:03,500
which is amazing I can't imagine how

511
00:24:10,060 --> 00:24:05,390
long that took you sent them a little

512
00:24:13,420 --> 00:24:10,070
job yeah now I had Steve on shortly

513
00:24:15,430 --> 00:24:13,430

after that and I asked him what the

514

00:24:17,620 --> 00:24:15,440

reaction was and he said so far nothing

515

00:24:20,020 --> 00:24:17,630

how do you know if anything's changed as

516

00:24:22,900 --> 00:24:20,030

far as the reaction of those dvds going

517

00:24:24,370 --> 00:24:22,910

out sure you know it's very interesting

518

00:24:26,140 --> 00:24:24,380

because there's some person very

519

00:24:28,270 --> 00:24:26,150

interesting correlations between some

520

00:24:31,120 --> 00:24:28,280

things would have happened and some some

521

00:24:33,400 --> 00:24:31,130

dates and some announcements made by prg

522

00:24:35,140 --> 00:24:33,410

so you know one of the things that was

523

00:24:37,420 --> 00:24:35,150

very interesting is that the Citizen

524

00:24:41,110 --> 00:24:37,430

hearing on disclosure on you know John

525

00:24:42,160 --> 00:24:41,120

Burroughs was giving his testimony about

526

00:24:43,640 --> 00:24:42,170

the fact that he couldn't get his

527

00:24:45,230 --> 00:24:43,650

medical records and

528

00:24:47,600 --> 00:24:45,240

since then the government has come to

529

00:24:50,570 --> 00:24:47,610

him and settled in Maidan agree with him

530

00:24:52,100 --> 00:24:50,580

that he can live with and there are some

531

00:24:55,220 --> 00:24:52,110

admissions on the government's part

532

00:24:58,370 --> 00:24:55,230

inside these documents and we feel with

533

00:25:00,440 --> 00:24:58,380

the large part of that was caught could

534

00:25:02,300 --> 00:25:00,450

be brought about by the fact that the

535

00:25:06,850 --> 00:25:02,310

effects Congress people that heard

536

00:25:08,900 --> 00:25:06,860

testimony at the Citizen hearing were

537

00:25:11,480 --> 00:25:08,910

instrumental in writing a letter to

538

00:25:14,600 --> 00:25:11,490

Congress and to the deposit being

539

00:25:16,820 --> 00:25:14,610

governed asking that they make these

540

00:25:20,480 --> 00:25:16,830

medical records available so that was

541

00:25:22,250 --> 00:25:20,490

when cata final action that we saw as a

542

00:25:25,490 --> 00:25:22,260

result of the hearings and then in

543

00:25:27,200 --> 00:25:25,500

Washington we've had a publicist working

544

00:25:29,450 --> 00:25:27,210

to get us you have more and more

545

00:25:32,930 --> 00:25:29,460

information it could get the information

546

00:25:34,730 --> 00:25:32,940

out there so the anab super DVDs were

547

00:25:36,080 --> 00:25:34,740

going to Congress just we're going to

548

00:25:37,820 --> 00:25:36,090

click upgrades with that announced state

549

00:25:41,180 --> 00:25:37,830

Bill Clinton when I'm Jimmy Kimmel and

550

00:25:43,160 --> 00:25:41,190

did his famous conversation and then

551
00:25:47,420 --> 00:25:43,170
there was another announcement by prg

552
00:25:50,570 --> 00:25:47,430
about the current Hillary Clinton and

553
00:25:52,820 --> 00:25:50,580
the Rockefeller initiative and surely

554
00:25:54,950 --> 00:25:52,830
before that information is going to hit

555
00:25:56,810 --> 00:25:54,960
Capitol Hill or banner in on Jimmy

556
00:25:58,970 --> 00:25:56,820
Kimmel and talked about the e key issue

557
00:26:02,480 --> 00:25:58,980
and I really didn't give us much they

558
00:26:06,110 --> 00:26:02,490
gave us certainly food for fodder and um

559
00:26:08,090 --> 00:26:06,120
yeah it's a we think that those events

560
00:26:11,630 --> 00:26:08,100
are interconnected and certainly when

561
00:26:13,730 --> 00:26:11,640
Tedesco made his his announcement that

562
00:26:15,410 --> 00:26:13,740
the his biggest disappointment of eight

563
00:26:18,530 --> 00:26:15,420

years in the White House was that he was

564

00:26:22,370 --> 00:26:18,540

unable to get the UFO FILES Declassified

565

00:26:25,000 --> 00:26:22,380

you actually in his tweet where he made

566

00:26:28,670 --> 00:26:25,010

that comment we use hashtag disclosure

567

00:26:30,680 --> 00:26:28,680

lanham the hashtag disclosure is the

568

00:26:32,330 --> 00:26:30,690

hashtag that we create eclipses critic

569

00:26:34,730 --> 00:26:32,340

for the congressional hearing initiative

570

00:26:37,250 --> 00:26:34,740

and people are paying attention to these

571

00:26:39,350 --> 00:26:37,260

these actions that was almost a signal

572

00:26:40,880 --> 00:26:39,360

to the people that are involved heavily

573

00:26:43,250 --> 00:26:40,890

in the disclosure movement that we're on

574

00:26:46,010 --> 00:26:43,260

the right track it was a acknowledgment

575

00:26:48,680 --> 00:26:46,020

in an unofficial way and so where those

576
00:26:51,080 --> 00:26:48,690
things happened and then the the biggest

577
00:26:53,090 --> 00:26:51,090
magazine in this kids a congress reads

578
00:26:54,710 --> 00:26:53,100
is called where kaulitz at the type of

579
00:26:57,350 --> 00:26:54,720
trade magazine for congressmen and

580
00:27:01,220 --> 00:26:57,360
Senators and they gave us a huge right

581
00:27:03,140 --> 00:27:01,230
explaining the fair thing from the very

582
00:27:04,610 --> 00:27:03,150
beginning before the Citizen hearing all

583
00:27:07,760 --> 00:27:04,620
the way through the disclosure may think

584
00:27:10,460 --> 00:27:07,770
that it was it was very well received

585
00:27:11,600 --> 00:27:10,470
and since then believe it or not steve

586
00:27:13,190 --> 00:27:11,610
has been getting meetings as

587
00:27:14,690 --> 00:27:13,200
congressional staffers giving them

588
00:27:17,210 --> 00:27:14,700

another copy of the Citizen hearing on

589

00:27:19,100 --> 00:27:17,220

disclosure and wearing part for them

590

00:27:22,580 --> 00:27:19,110

Ronnie Congress should be out of hearing

591

00:27:26,390 --> 00:27:22,590

so when we consider the fact that the

592

00:27:28,370 --> 00:27:26,400

lobbyist movement is trying to do this

593

00:27:31,039 --> 00:27:28,380

through the political process it exists

594

00:27:33,980 --> 00:27:31,049

now without the need for secrecy there's

595

00:27:36,799 --> 00:27:33,990

been the issue has been wrapped in for

596

00:27:38,810 --> 00:27:36,809

decades it's good to see that yes there

597

00:27:42,140 --> 00:27:38,820

is seven group that happen and actually

598

00:27:45,140 --> 00:27:42,150

a lot more than a lot of people saw hmm

599

00:27:46,909 --> 00:27:45,150

well it'll be interesting you know I

600

00:27:49,340 --> 00:27:46,919

always hear from different people last

601
00:27:53,740 --> 00:27:49,350
week we actually had been Hansen on the

602
00:27:56,440 --> 00:27:53,750
show he's the one that went through both

603
00:27:59,570 --> 00:27:56,450
the Jimmy Kimmel films of both the

604
00:28:02,510 --> 00:27:59,580
president and mass president and studied

605
00:28:04,039 --> 00:28:02,520
them and gave an analysis interesting

606
00:28:09,500 --> 00:28:04,049
you know that whole thing was

607
00:28:13,909 --> 00:28:09,510
interesting and I when I spoke to Leslie

608
00:28:16,580 --> 00:28:13,919
Kane right after of the Podesta Podesta

609
00:28:18,110 --> 00:28:16,590
tweet and she she was under the

610
00:28:20,480 --> 00:28:18,120
impression she knows them pretty well

611
00:28:23,810 --> 00:28:20,490
they they keep in touch but she never

612
00:28:26,000 --> 00:28:23,820
asked him directly about that tweet but

613
00:28:27,980 --> 00:28:26,010

she said that's just his sense of humor

614

00:28:31,280 --> 00:28:27,990

so I think you know that was partially

615

00:28:33,350 --> 00:28:31,290

speculating on her side well I mean

616

00:28:37,880 --> 00:28:33,360

Leslie's on the record as not really

617

00:28:39,890 --> 00:28:37,890

believing in the work of prg and and so

618

00:28:42,980 --> 00:28:39,900

you know different people are going to

619

00:28:45,680 --> 00:28:42,990

have different opinions and you know

620

00:28:49,220 --> 00:28:45,690

that's that's okay that I I know that

621

00:28:51,890 --> 00:28:49,230

you know in Bern analyze the footage he

622

00:28:53,840 --> 00:28:51,900

was pretty convinced that they know more

623

00:28:56,870 --> 00:28:53,850

than they're telling and I think they're

624

00:28:58,520 --> 00:28:56,880

just going on there and giving us what

625

00:29:00,020 --> 00:28:58,530

we call a limited hang up where you're

626
00:29:00,950 --> 00:29:00,030
just going to acknowledge something but

627
00:29:03,250 --> 00:29:00,960
you're not going to acknowledge

628
00:29:06,740 --> 00:29:03,260
everything we know that Bill Clinton

629
00:29:09,620 --> 00:29:06,750
that the Jimmy Kimmel show said what he

630
00:29:11,090 --> 00:29:09,630
said and basically we're saying that it

631
00:29:12,950 --> 00:29:11,100
wasn't until the second term

632
00:29:14,779 --> 00:29:12,960
had an interest in the eat you issue but

633
00:29:16,880 --> 00:29:14,789
we know for a fact that that's not true

634
00:29:18,529 --> 00:29:16,890
because the Rockefeller initiative the

635
00:29:20,570 --> 00:29:18,539
Florence Rockefellers started during the

636
00:29:22,730 --> 00:29:20,580
first term and there is you know

637
00:29:24,049 --> 00:29:22,740
obviously a very famous paper trail and

638
00:29:28,039 --> 00:29:24,059

the pictures of Clinton with Hillary

639

00:29:30,740 --> 00:29:28,049

Clinton with pod Davies book in her bag

640

00:29:35,120 --> 00:29:30,750

on the Rockefeller estate during the

641

00:29:38,029 --> 00:29:35,130

first the first administration the first

642

00:29:39,260 --> 00:29:38,039

years that's all you know in the record

643

00:29:41,570 --> 00:29:39,270

so you sir where we don't pay attention

644

00:29:43,399 --> 00:29:41,580

to it for the second term when I started

645

00:29:44,899 --> 00:29:43,409

that Roswell investigated where we know

646

00:29:47,060 --> 00:29:44,909

that's not true so again under me come

647

00:29:52,039 --> 00:29:47,070

in for people that are in the know he

648

00:29:53,360 --> 00:29:52,049

gave us basically a lie and so you know

649

00:29:57,169 --> 00:29:53,370

what some of it when somebody lies like

650

00:29:59,810 --> 00:29:57,179

that and it's very easy to to to plan

651
00:30:01,220 --> 00:29:59,820
out then yeah there's going to be people

652
00:30:02,120 --> 00:30:01,230
it don't really pay attention there's

653
00:30:03,200 --> 00:30:02,130
going to be people that know what's

654
00:30:05,090 --> 00:30:03,210
going on that are going to say wait a

655
00:30:07,640 --> 00:30:05,100
minute no that's that's tantamount to an

656
00:30:09,620 --> 00:30:07,650
admission to almost except when the Air

657
00:30:11,510 --> 00:30:09,630
Force says the Roswell was crashed on

658
00:30:13,669 --> 00:30:11,520
these or no it was a better than a no

659
00:30:16,430 --> 00:30:13,679
it's not when the lie becomes so

660
00:30:22,070 --> 00:30:16,440
ludicrous it's almost like an admission

661
00:30:24,500 --> 00:30:22,080
in itself right I I know there was a

662
00:30:28,399 --> 00:30:24,510
there was some controversy about that

663
00:30:29,630 --> 00:30:28,409

book but I check that out too and I'm

664

00:30:32,090 --> 00:30:29,640

trying to remember I was trying to find

665

00:30:34,640 --> 00:30:32,100

it really quick which book that was it

666

00:30:37,399 --> 00:30:34,650

supposedly she was carrying i do

667

00:30:39,680 --> 00:30:37,409

remember what that that book was there

668

00:30:41,810 --> 00:30:39,690

was a book by Paul Davies and I don't

669

00:30:45,220 --> 00:30:41,820

return me back but will something like

670

00:30:47,659 --> 00:30:45,230

the societal implications BG contact

671

00:30:49,820 --> 00:30:47,669

okay we're having a little bit of a

672

00:30:51,560 --> 00:30:49,830

signal issue there is your signals would

673

00:30:55,100 --> 00:30:51,570

you mind checking your phone just seeing

674

00:31:02,750 --> 00:30:55,110

if you have a good signal on that yeah

675

00:31:04,760 --> 00:31:02,760

i'm close its good let me uh alright how

676

00:31:12,320 --> 00:31:04,770

about now is it Tom better yeah right

677

00:31:14,510 --> 00:31:12,330

now so okay um yeah I have I have the

678

00:31:16,399 --> 00:31:14,520

page up where all the photos are

679

00:31:17,930 --> 00:31:16,409

compared and everything better I'll be

680

00:31:20,299 --> 00:31:17,940

darned if I can't find the book name

681

00:31:22,960 --> 00:31:20,309

it's not on that it doesn't look like

682

00:31:26,529 --> 00:31:22,970

it's even on that page

683

00:31:30,120 --> 00:31:26,539

and John Gibbons nope that was a science

684

00:31:32,860 --> 00:31:30,130

advisor no it's a baby Paul Davies okay

685

00:31:36,580 --> 00:31:32,870

well we have to google that Davies upon

686

00:31:39,220 --> 00:31:36,590

on the boat yeah yeah well that that's

687

00:31:40,720 --> 00:31:39,230

that was an interesting thing it seemed

688

00:31:43,899 --> 00:31:40,730

to me that someone was trying to say

689

00:31:46,210 --> 00:31:43,909

that that was that was hoaxed there or

690

00:31:48,250 --> 00:31:46,220

something there a photoshopped in there

691

00:31:51,460 --> 00:31:48,260

or something I don't know had you ever

692

00:31:52,840 --> 00:31:51,470

heard anything about that well you know

693

00:31:54,460 --> 00:31:52,850

I suppose that anything could be

694

00:31:56,470 --> 00:31:54,470

photoshopped you have to remember that

695

00:31:58,230 --> 00:31:56,480

these were pictures certainly in Castle

696

00:32:01,390 --> 00:31:58,240

a business owner says other pictures

697

00:32:05,409 --> 00:32:01,400

right on nobody's ever been able to show

698

00:32:07,539 --> 00:32:05,419

an original it doesn't have okay there's

699

00:32:12,820 --> 00:32:07,549

a person on the message board that wants

700

00:32:15,279 --> 00:32:12,830

to know what your Sedona media site is

701
00:32:18,570 --> 00:32:15,289
pleased website is are there any videos

702
00:32:22,390 --> 00:32:18,580
out there where people can buy and and

703
00:32:24,970 --> 00:32:22,400
where get them well you can go to

704
00:32:26,950 --> 00:32:24,980
eyeball TV calm and my DVDs wouldn't

705
00:32:30,250 --> 00:32:26,960
stir then also the catalog is available

706
00:32:32,020 --> 00:32:30,260
on pay-per-view so we can you can but

707
00:32:34,630 --> 00:32:32,030
you my password and watch it you know

708
00:32:38,860 --> 00:32:34,640
anytime anywhere on all of the funds are

709
00:32:40,899 --> 00:32:38,870
available and we actually have it an ET

710
00:32:44,049 --> 00:32:40,909
collection that has some very great

711
00:32:46,600 --> 00:32:44,059
films from suzanne tara aware escamilla

712
00:32:49,600 --> 00:32:46,610
and myself in collapse all of them for

713
00:32:51,279 --> 00:32:49,610

999 um so yeah there's a there's some

714

00:32:54,940 --> 00:32:51,289

different options and inside the store

715

00:32:58,630 --> 00:32:54,950

of eyeball TV you can buy the dvds okay

716

00:33:01,080 --> 00:32:58,640

good so did you have an the going way

717

00:33:04,409 --> 00:33:01,090

back here did you have an interest in

718

00:33:07,630 --> 00:33:04,419

you know UFOs and other paranormal

719

00:33:11,890 --> 00:33:07,640

activities early on in life or is this

720

00:33:13,510 --> 00:33:11,900

something that came about later um you

721

00:33:15,460 --> 00:33:13,520

know I always had a passing interest in

722

00:33:16,930 --> 00:33:15,470

it but I've never realized that it was

723

00:33:19,690 --> 00:33:16,940

going to be as big a part of my life as

724

00:33:21,760 --> 00:33:19,700

it is now when I try to approach items

725

00:33:23,980 --> 00:33:21,770

from a journalistic standpoint and so

726

00:33:25,960 --> 00:33:23,990

people say what kind of experiences you

727

00:33:27,970 --> 00:33:25,970

had the LED you here and you know

728

00:33:29,770 --> 00:33:27,980

truthfully I've never seen a UFO I've

729

00:33:31,539 --> 00:33:29,780

never been abducted by an alien I've had

730

00:33:34,270 --> 00:33:31,549

some strange things happened in haunted

731

00:33:36,130 --> 00:33:34,280

house but at the end of the day I think

732

00:33:39,130 --> 00:33:36,140

that exploring

733

00:33:41,590 --> 00:33:39,140

mysteries is the adventure of life and

734

00:33:42,940 --> 00:33:41,600

so you know there's a lot of things that

735

00:33:44,440 --> 00:33:42,950

are out there that we can see and touch

736

00:33:46,240 --> 00:33:44,450

and feel and there's a lot of things

737

00:33:48,190 --> 00:33:46,250

that are out there that we just know and

738

00:33:52,300 --> 00:33:48,200

bringing those to the forefront and

739

00:33:54,220 --> 00:33:52,310

trying to solidify the the presidents in

740

00:33:58,060 --> 00:33:54,230

a more scientifically validated manner

741

00:34:00,940 --> 00:33:58,070

is really exciting I'm it I'm there with

742

00:34:02,710 --> 00:34:00,950

you a hundred percent you know I I did

743

00:34:05,440 --> 00:34:02,720

have a sighting I had a passing interest

744

00:34:08,110 --> 00:34:05,450

as well you know but always had an

745

00:34:11,230 --> 00:34:08,120

interest in astronomy and science and

746

00:34:14,380 --> 00:34:11,240

things like that and once I had a

747

00:34:18,220 --> 00:34:14,390

sighting in 2006 you know I started

748

00:34:20,649 --> 00:34:18,230

paying a lot more attention and I don't

749

00:34:22,330 --> 00:34:20,659

know I guess it's time I can tell this I

750

00:34:26,919 --> 00:34:22,340

told this toward the beginning of the

751
00:34:30,070 --> 00:34:26,929
show when I started but how I got into

752
00:34:32,590 --> 00:34:30,080
doing a podcast is kind of on the UFO

753
00:34:34,389 --> 00:34:32,600
topic is kind of funny if any one

754
00:34:38,530 --> 00:34:34,399
listener hasn't heard it out there I'll

755
00:34:40,630 --> 00:34:38,540
just tell it real quickly and years ago

756
00:34:43,450 --> 00:34:40,640
I was up I was doing a little bit of

757
00:34:46,240 --> 00:34:43,460
stand-up comedy you know nothing you

758
00:34:50,830 --> 00:34:46,250
know just amateur but I had a podcast

759
00:34:53,669 --> 00:34:50,840
for a while on on interviewing some

760
00:34:57,280 --> 00:34:53,679
actually pretty good comedians and

761
00:34:59,470 --> 00:34:57,290
another podcast contacted me said they

762
00:35:01,560 --> 00:34:59,480
want to be on you know asked me on their

763
00:35:04,090 --> 00:35:01,570

show and so I went on their show and

764

00:35:05,680 --> 00:35:04,100

they asked me in the middle of the show

765

00:35:07,630 --> 00:35:05,690

was a strangest thing that ever happened

766

00:35:11,860 --> 00:35:07,640

and I talked about my sighting in the

767

00:35:13,870 --> 00:35:11,870

entire time the entire time I would the

768

00:35:17,290 --> 00:35:13,880

person that was running the podcasts

769

00:35:19,840 --> 00:35:17,300

named skip something was teasing me the

770

00:35:21,730 --> 00:35:19,850

whole entire time and laughing and you

771

00:35:23,260 --> 00:35:21,740

know talking about the anal probe and

772

00:35:24,790 --> 00:35:23,270

you know all this stuff and stuff and I

773

00:35:27,460 --> 00:35:24,800

has all brother you know I had to listen

774

00:35:29,230 --> 00:35:27,470

to that so I said well that's the last

775

00:35:32,740 --> 00:35:29,240

time I talked about that you know type

776

00:35:36,070 --> 00:35:32,750

you think well he was having like Google

777

00:35:38,200 --> 00:35:36,080

Analytics and he was saying of this you

778

00:35:40,150 --> 00:35:38,210

know this podcast is being played a lot

779

00:35:43,840 --> 00:35:40,160

and he had his up he had his podcast

780

00:35:45,160 --> 00:35:43,850

transcribed and then he emailed me and

781

00:35:47,010 --> 00:35:45,170

says guess what it's when we were

782

00:35:50,109 --> 00:35:47,020

talking about UFOs

783

00:35:51,819 --> 00:35:50,119

so like two weeks later I said you know

784

00:35:54,460 --> 00:35:51,829

what I'm going to I was doing a podcast

785

00:35:56,980 --> 00:35:54,470

on fine art and antiques and it's it's a

786

00:36:00,220 --> 00:35:56,990

little dry I'm really into the topic but

787

00:36:05,079 --> 00:36:00,230

it's kind of dry but this is exciting to

788

00:36:08,589 --> 00:36:05,089

me and I just decided one day I checked

789

00:36:10,660 --> 00:36:08,599

up checked out different URLs and I said

790

00:36:12,670 --> 00:36:10,670

what's the easiest you are well for

791

00:36:17,319 --> 00:36:12,680

someone looking for a podcast on UFOs

792

00:36:22,030 --> 00:36:17,329

and podcast UFO it was and there we go

793

00:36:24,430 --> 00:36:22,040

and so I started and I contacted a bunch

794

00:36:25,539 --> 00:36:24,440

of people Stanton Friedman and all kinds

795

00:36:27,910 --> 00:36:25,549

of people like that and all of a sudden

796

00:36:30,400 --> 00:36:27,920

one guy answered me and that was steve

797

00:36:33,609 --> 00:36:30,410

bassett so he was the first person on my

798

00:36:35,440 --> 00:36:33,619

show and yeah that's pretty funny I've

799

00:36:38,680 --> 00:36:35,450

been working with speed for on and off

800

00:36:40,180 --> 00:36:38,690

for a long time and I turned wood

801
00:36:42,130 --> 00:36:40,190
there's a lot of people that are part of

802
00:36:43,569 --> 00:36:42,140
my life now that I met through Steve but

803
00:36:45,309 --> 00:36:43,579
it's very interesting people that have

804
00:36:47,799 --> 00:36:45,319
nothing to do with the UFO building then

805
00:36:50,319 --> 00:36:47,809
so he's been is going to influence and

806
00:36:52,960 --> 00:36:50,329
you know I just been able to happen not

807
00:36:54,280 --> 00:36:52,970
with this stuff and a lot of people I

808
00:36:55,809 --> 00:36:54,290
catch a certain amount of flat because

809
00:36:58,299 --> 00:36:55,819
people say there's no where there's ever

810
00:36:59,710 --> 00:36:58,309
going to be disclosure there is no way

811
00:37:02,049 --> 00:36:59,720
that the president is ever going to

812
00:37:04,030 --> 00:37:02,059
stand on a podium and say oh we've been

813
00:37:07,270 --> 00:37:04,040

lying to you for 50 years investors

814

00:37:10,589 --> 00:37:07,280

alien base because I'm right here and

815

00:37:13,059 --> 00:37:10,599

you know maybe that's true but the

816

00:37:17,200 --> 00:37:13,069

political process moving for disclosure

817

00:37:19,329 --> 00:37:17,210

is just another part of the push for

818

00:37:22,390 --> 00:37:19,339

truth so we didn't have somebody in

819

00:37:24,970 --> 00:37:22,400

Washington doing this work there would

820

00:37:26,980 --> 00:37:24,980

be a big void in the movement and so I

821

00:37:28,809 --> 00:37:26,990

always saw the people that regardless of

822

00:37:30,789 --> 00:37:28,819

whether you think this is going to end

823

00:37:32,589 --> 00:37:30,799

in the kind of disclosure that scheme so

824

00:37:34,780 --> 00:37:32,599

it's going blend in it doesn't really

825

00:37:36,970 --> 00:37:34,790

matter it's extremely battle but

826

00:37:39,549 --> 00:37:36,980

somebody be doing this work because it's

827

00:37:42,460 --> 00:37:39,559

part of the process the ship of change

828

00:37:45,190 --> 00:37:42,470

is a huge ocean liner and it turns very

829

00:37:47,109 --> 00:37:45,200

slowly and you've got the media

830

00:37:50,980 --> 00:37:47,119

providing some element of disclosure

831

00:37:54,190 --> 00:37:50,990

send said we've got declassified

832

00:37:55,480 --> 00:37:54,200

documents that are providing it and the

833

00:37:57,490 --> 00:37:55,490

day that the government comes out and

834

00:38:00,059 --> 00:37:57,500

says yes okay it's all it's all been a

835

00:38:03,059 --> 00:38:00,069

lie man they're not come

836

00:38:04,559 --> 00:38:03,069

it's just another side of this that we

837

00:38:06,599 --> 00:38:04,569

have to keep pushing you have to keep

838

00:38:08,549 --> 00:38:06,609

knocking on the door we have to keep in

839

00:38:10,799 --> 00:38:08,559

hedging the political process no matter

840

00:38:13,019 --> 00:38:10,809

whether it turns out to be it's part of

841

00:38:14,819 --> 00:38:13,029

the movement and so for other people

842

00:38:16,170 --> 00:38:14,829

that did come in and say you know that's

843

00:38:18,779 --> 00:38:16,180

never going to happen or a basset

844

00:38:20,249 --> 00:38:18,789

fixative I just have to say it says it

845

00:38:22,319 --> 00:38:20,259

doesn't matter it has to be done

846

00:38:23,779 --> 00:38:22,329

somebody somebody has to be business if

847

00:38:26,370 --> 00:38:23,789

we didn't have somebody in Washington

848

00:38:27,209 --> 00:38:26,380

trying to wear against monsanto and we

849

00:38:30,089 --> 00:38:27,219

are going to put them out of business

850

00:38:32,819 --> 00:38:30,099

area that you stop GMO is probable mall

851

00:38:34,559 --> 00:38:32,829

but without that pressure we would be

852

00:38:36,539 --> 00:38:34,569

running to play the rampant on us so he

853

00:38:38,759 --> 00:38:36,549

didn't have groups out there making

854

00:38:40,170 --> 00:38:38,769

these obvious movements and engaging the

855

00:38:43,380 --> 00:38:40,180

political process through political

856

00:38:45,420 --> 00:38:43,390

means then you know who knows how bad

857

00:38:46,979 --> 00:38:45,430

guys would get and who knows how much

858

00:38:49,920 --> 00:38:46,989

disclosure would be getting to the other

859

00:38:54,449 --> 00:38:49,930

source so you know it's really important

860

00:38:56,999 --> 00:38:54,459

war yeah I'm on the side where I kind of

861

00:38:59,910 --> 00:38:57,009

agree with you know the side that says

862

00:39:03,120 --> 00:38:59,920

the government would you know never you

863

00:39:05,609 --> 00:39:03,130

know disclose and it's it's mostly

864

00:39:08,729 --> 00:39:05,619

because what would they what could they

865

00:39:11,430 --> 00:39:08,739

possibly say about lying to us if that

866

00:39:14,400 --> 00:39:11,440

is the case you know how they'd have a

867

00:39:16,049 --> 00:39:14,410

lot of answers to answer but I do have

868

00:39:18,269 --> 00:39:16,059

to say that I agree with you and I have

869

00:39:21,870 --> 00:39:18,279

said it before that it's better than

870

00:39:23,880 --> 00:39:21,880

doing nothing and it will like you just

871

00:39:26,309 --> 00:39:23,890

said about Monsanto which you would love

872

00:39:28,910 --> 00:39:26,319

to see something happen with that but

873

00:39:33,900 --> 00:39:28,920

it's just like if no one does anything

874

00:39:37,979 --> 00:39:33,910

as far as politics go then things could

875

00:39:40,079 --> 00:39:37,989

run rampant as far as the lies the

876

00:39:42,689 --> 00:39:40,089

future lives or the cover-ups you know

877

00:39:45,539 --> 00:39:42,699

this would make them at least a little

878

00:39:48,449 --> 00:39:45,549

more guarded if such a thing is actually

879

00:39:50,759 --> 00:39:48,459

happening in my opinion well it's true

880

00:39:54,390 --> 00:39:50,769

and you know it knows what cadets are

881

00:39:56,699 --> 00:39:54,400

really met with hashtag disposal but to

882

00:39:57,839 --> 00:39:56,709

us we feel like it was a direct nod and

883

00:39:59,069 --> 00:39:57,849

I you know I don't think there's

884

00:40:00,900 --> 00:39:59,079

somebody worked that hard in the

885

00:40:02,939 --> 00:40:00,910

administration despite all it was a team

886

00:40:04,259 --> 00:40:02,949

says some of the work that had in the

887

00:40:06,329 --> 00:40:04,269

administration to get that information

888

00:40:08,579 --> 00:40:06,339

released is going to make a big joke out

889

00:40:11,400 --> 00:40:08,589

of it when he has to move to make this

890

00:40:13,350 --> 00:40:11,410

tweet I mean it's like to go on the

891

00:40:14,700 --> 00:40:13,360

record saying that

892

00:40:16,320 --> 00:40:14,710

and to put something like hashtag

893

00:40:17,820 --> 00:40:16,330

disclose her in there and then have

894

00:40:19,410 --> 00:40:17,830

somebody like team just write it off as

895

00:40:21,180 --> 00:40:19,420

a big joke because he's got a funny

896

00:40:24,570 --> 00:40:21,190

sense of humor so they're making sense

897

00:40:26,100 --> 00:40:24,580

so there's a lot of you know there's a

898

00:40:28,740 --> 00:40:26,110

lot of things that have happened the

899

00:40:30,300 --> 00:40:28,750

article and will call and these other

900

00:40:32,580 --> 00:40:30,310

things they all go into the official

901
00:40:34,770 --> 00:40:32,590
record and you might have somebody

902
00:40:37,650 --> 00:40:34,780
standing on a corner I'm screaming that

903
00:40:38,640 --> 00:40:37,660
the contactee or whatever and but none

904
00:40:40,680 --> 00:40:38,650
of that's going into the political

905
00:40:44,370 --> 00:40:40,690
record the convert the Citizen hearing

906
00:40:46,920 --> 00:40:44,380
on disclosure was a documented event the

907
00:40:48,480 --> 00:40:46,930
part of history and the congressional

908
00:40:51,930 --> 00:40:48,490
hearing initiatives has been documented

909
00:40:54,410 --> 00:40:51,940
by Congress the cds the dvds that

910
00:40:56,790 --> 00:40:54,420
arrived in Washington will receive

911
00:40:59,160 --> 00:40:56,800
there's a record of all of this and so

912
00:41:00,810 --> 00:40:59,170
some nerve in the future when all of the

913
00:41:02,820 --> 00:41:00,820

people would have something to lose by

914

00:41:05,430 --> 00:41:02,830

being clap for being a part of a lie are

915

00:41:08,220 --> 00:41:05,440

dead there is this record of this effort

916

00:41:10,290 --> 00:41:08,230

and on you know whether it's going to go

917

00:41:17,910 --> 00:41:10,300

it's going to end up but at the end of

918

00:41:22,530 --> 00:41:17,920

the day on good looks in history yep no

919

00:41:25,380 --> 00:41:22,540

I agree and I think you know it's who

920

00:41:27,720 --> 00:41:25,390

knows how if there ever is disclosure

921

00:41:30,960 --> 00:41:27,730

how it's ever really going to come about

922

00:41:32,280 --> 00:41:30,970

you know I mean everyone says if you

923

00:41:35,370 --> 00:41:32,290

know not everyone but a lot of people

924

00:41:38,850 --> 00:41:35,380

speculate that you know what would it

925

00:41:42,420 --> 00:41:38,860

take for the government if it has been

926
00:41:45,270 --> 00:41:42,430
hiding the UFO topic what would it take

927
00:41:49,290 --> 00:41:45,280
for them to actually break down and say

928
00:41:52,110 --> 00:41:49,300
okay we acknowledge this I mean it would

929
00:41:55,410 --> 00:41:52,120
have to be some type of massive contact

930
00:41:57,780 --> 00:41:55,420
or even beyond a sighting it would have

931
00:42:00,330 --> 00:41:57,790
to be more than that I believe and you

932
00:42:02,280 --> 00:42:00,340
know that may happen sooner or later I

933
00:42:04,350 --> 00:42:02,290
mean now there's more acknowledgement

934
00:42:06,000 --> 00:42:04,360
about the possibility of life out there

935
00:42:11,360 --> 00:42:06,010
it's kind of like we're almost being

936
00:42:13,680 --> 00:42:11,370
eased into the reality of this being so

937
00:42:17,010 --> 00:42:13,690
well you know that's certainly part of

938
00:42:18,840 --> 00:42:17,020

the process of disclosure is that you

939

00:42:20,850 --> 00:42:18,850

know the information is out there sure

940

00:42:24,660 --> 00:42:20,860

it's buried in disinformation and you

941

00:42:26,790 --> 00:42:24,670

have to kind of pick the bones of the

942

00:42:27,269 --> 00:42:26,800

legends in war to look for the things I

943

00:42:29,699 --> 00:42:27,279

resume

944

00:42:31,439 --> 00:42:29,709

to you as possibly being true but you

945

00:42:34,829 --> 00:42:31,449

have to do your own research but again

946

00:42:36,870 --> 00:42:34,839

today the informations out there and the

947

00:42:38,459 --> 00:42:36,880

people that have been guarding this

948

00:42:40,559 --> 00:42:38,469

information they know they can't keep it

949

00:42:42,449 --> 00:42:40,569

a secret forever but you know there's

950

00:42:44,249 --> 00:42:42,459

also this idea people see this in fact

951
00:42:47,339 --> 00:42:44,259
they're somehow clarified to become part

952
00:42:49,769 --> 00:42:47,349
of a galactic family and I think that if

953
00:42:52,679 --> 00:42:49,779
I've ventured my opinion about it i

954
00:42:55,859 --> 00:42:52,689
don't think that humanity is ready to be

955
00:42:57,689 --> 00:42:55,869
welcomed into a Federation of space

956
00:42:59,789 --> 00:42:57,699
levels i think that we have a long way

957
00:43:02,309 --> 00:42:59,799
to go and I think that until you develop

958
00:43:04,739 --> 00:43:02,319
as a species beyond the threat of

959
00:43:07,439 --> 00:43:04,749
self-destruction and beyond the threat

960
00:43:11,130 --> 00:43:07,449
you know i read with Isis does not

961
00:43:12,989 --> 00:43:11,140
belong off this planet and so you know I

962
00:43:14,579 --> 00:43:12,999
see a lot of people in LA you know like

963
00:43:16,349 --> 00:43:14,589

oh I'm enlightened by go to yoga

964

00:43:18,299 --> 00:43:16,359

spiritual I love everybody it's that

965

00:43:20,989 --> 00:43:18,309

great in my power to you but until we

966

00:43:23,669 --> 00:43:20,999

spread that leather or human advancement

967

00:43:26,189 --> 00:43:23,679

by the way through the farthest corners

968

00:43:29,059 --> 00:43:26,199

of the globe services so that we are not

969

00:43:30,779 --> 00:43:29,069

backing around constantly doing

970

00:43:34,380 --> 00:43:30,789

self-destructive and dysfunctional

971

00:43:36,329 --> 00:43:34,390

behavior we're not ready and so I don't

972

00:43:38,339 --> 00:43:36,339

think that we're going to be you know

973

00:43:41,429 --> 00:43:38,349

maybe there's some persons helping us

974

00:43:43,439 --> 00:43:41,439

and hindering us from unseen places but

975

00:43:45,989 --> 00:43:43,449

the facts are not going to land in

976

00:43:49,399 --> 00:43:45,999

Central Park and welcome us to space and

977

00:43:54,380 --> 00:43:49,409

so we've proven that we can do it right

978

00:43:57,539 --> 00:43:54,390

right have you excuse me in your and

979

00:44:01,249 --> 00:43:57,549

your research for any of your videos or

980

00:44:04,589 --> 00:44:01,259

anything like that have you considered

981

00:44:07,849 --> 00:44:04,599

it seems to me that when the UFO topic

982

00:44:10,469 --> 00:44:07,859

comes up people consider different

983

00:44:12,859 --> 00:44:10,479

different thoughts of what they may be

984

00:44:15,959 --> 00:44:12,869

not just extraterrestrial have you ever

985

00:44:17,909 --> 00:44:15,969

thought about or talk to anybody that

986

00:44:19,859 --> 00:44:17,919

made sense to you about any other

987

00:44:23,609 --> 00:44:19,869

possibilities of what they possibly

988

00:44:25,380 --> 00:44:23,619

could be sure I mean you know that's

989

00:44:27,539 --> 00:44:25,390

that I had a very interesting talk with

990

00:44:29,219 --> 00:44:27,549

what you're doing about that and also I

991

00:44:30,989 --> 00:44:29,229

don't know if you know who chris o'brien

992

00:44:32,429 --> 00:44:30,999

is but my guess and i have made several

993

00:44:36,239 --> 00:44:32,439

signs together and he's one of my best

994

00:44:37,999 --> 00:44:36,249

friends and you know he's of the idea

995

00:44:40,430 --> 00:44:38,009

that there's an underground says

996

00:44:42,890 --> 00:44:40,440

civilization and you know as always

997

00:44:44,839 --> 00:44:42,900

dimensional possibility and truthfully

998

00:44:46,579 --> 00:44:44,849

when we write down to it if you are

999

00:44:48,079 --> 00:44:46,589

traversing the great distance of space

1000

00:44:50,599 --> 00:44:48,089

and you're using some sort of a wormhole

1001

00:44:52,099 --> 00:44:50,609

that would almost make you a dimensional

1002

00:44:54,680 --> 00:44:52,109

travel are just as much as it made you

1003

00:44:57,470 --> 00:44:54,690

an extraterrestrial traveler so the idea

1004

00:44:59,630 --> 00:44:57,480

that there are entities coming from

1005

00:45:02,510 --> 00:44:59,640

places that are not necessarily other

1006

00:45:05,420 --> 00:45:02,520

planets and looks perfect sense and if

1007

00:45:07,339 --> 00:45:05,430

there's probably that as well so I think

1008

00:45:08,930 --> 00:45:07,349

that maybe there's a I think there's a

1009

00:45:11,240 --> 00:45:08,940

lot of different civilizations and a lot

1010

00:45:13,640 --> 00:45:11,250

of different types of entities and there

1011

00:45:15,680 --> 00:45:13,650

are around this by the time that we

1012

00:45:17,359 --> 00:45:15,690

don't see and and that we don't know

1013

00:45:21,290 --> 00:45:17,369

about and I think all of those things

1014

00:45:23,329 --> 00:45:21,300

are possible well you know sometimes you

1015

00:45:26,599 --> 00:45:23,339

know I mean last week I ended up telling

1016

00:45:28,550 --> 00:45:26,609

a ghost story and I never thought i

1017

00:45:31,730 --> 00:45:28,560

would do that you know something that i

1018

00:45:35,240 --> 00:45:31,740

experienced and that was in the second

1019

00:45:36,950 --> 00:45:35,250

hour of the program and i'm surprised i

1020

00:45:38,990 --> 00:45:36,960

didn't get a lot of email you know email

1021

00:45:41,210 --> 00:45:39,000

people saying wait it's a UFO show for

1022

00:45:44,150 --> 00:45:41,220

crying out loud but we'd also some of

1023

00:45:47,630 --> 00:45:44,160

them sometimes though it makes you

1024

00:45:50,210 --> 00:45:47,640

wonder if you know these things are

1025

00:45:53,030 --> 00:45:50,220

connect connect shins through something

1026
00:45:56,780 --> 00:45:53,040
that we just you know we can't see we

1027
00:45:58,339 --> 00:45:56,790
can't actually touch and feel but

1028
00:46:01,250 --> 00:45:58,349
somehow there's a connection through

1029
00:46:03,470 --> 00:46:01,260
other ways you know maybe that's the

1030
00:46:05,960 --> 00:46:03,480
explanation of what people call ghosts

1031
00:46:08,450 --> 00:46:05,970
and I don't know and sometimes there

1032
00:46:13,160 --> 00:46:08,460
they are interrelated I mean you hear

1033
00:46:16,010 --> 00:46:13,170
about say maybe hot spots with sightings

1034
00:46:17,510 --> 00:46:16,020
and people see Bigfoot and ghosts and

1035
00:46:19,910 --> 00:46:17,520
everything else in the same area I mean

1036
00:46:23,960 --> 00:46:19,920
it's really kind of amazing when you

1037
00:46:27,710 --> 00:46:23,970
hear about these places that experience

1038
00:46:30,140 --> 00:46:27,720

all that and you know I've been all go

1039

00:46:34,210 --> 00:46:30,150

ahead oh no I was going to ask you also

1040

00:46:37,520 --> 00:46:34,220

have you ever like checked into any any

1041

00:46:39,559 --> 00:46:37,530

thing like that for one of your videos

1042

00:46:40,579 --> 00:46:39,569

like one of these hot spots where all

1043

00:46:43,220 --> 00:46:40,589

these different things seem to be

1044

00:46:45,200 --> 00:46:43,230

happening oh absolutely i've written

1045

00:46:46,490 --> 00:46:45,210

twice in the service valleys handle this

1046

00:46:49,160 --> 00:46:46,500

valley you know where Chris Weitz is

1047

00:46:51,800 --> 00:46:49,170

booked oh yeah books about him and I did

1048

00:46:53,270 --> 00:46:51,810

the we did the documentary on it did

1049

00:46:53,870 --> 00:46:53,280

surrounded simply the horse but it was

1050

00:46:56,540 --> 00:46:53,880

really all

1051

00:46:59,270 --> 00:46:56,550

the valley itself and then I and so we

1052

00:47:01,130 --> 00:46:59,280

did that from and then I big mysterious

1053

00:47:03,740 --> 00:47:01,140

creatures in southwest with David

1054

00:47:05,570 --> 00:47:03,750

hatchery Childress press and I and a big

1055

00:47:08,120 --> 00:47:05,580

part of that was our journey to dulfer

1056

00:47:10,670 --> 00:47:08,130

but we were taken out of the reservation

1057

00:47:12,770 --> 00:47:10,680

and shown some places it were supposedly

1058

00:47:14,960 --> 00:47:12,780

heavily trafficked by Bigfoot and

1059

00:47:16,370 --> 00:47:14,970

interviewed some witnesses and really do

1060

00:47:18,230 --> 00:47:16,380

read out the red carpet for us in the

1061

00:47:21,440 --> 00:47:18,240

way that you don't really see the Native

1062

00:47:24,380 --> 00:47:21,450

Americans that we can do normally so it

1063

00:47:26,240 --> 00:47:24,390

was very interesting well getting back

1064

00:47:29,060 --> 00:47:26,250

out earlier we were talking about the

1065

00:47:30,560 --> 00:47:29,070

book that supposedly Hillary Clinton has

1066

00:47:32,960 --> 00:47:30,570

in her baggage is blocking on the

1067

00:47:35,930 --> 00:47:32,970

Rockefeller estate and I found the title

1068

00:47:37,820 --> 00:47:35,940

it's called we are we alone and there's

1069

00:47:40,400 --> 00:47:37,830

no question mark there and that is by

1070

00:47:42,140 --> 00:47:40,410

Paul Davies so that's the name of the

1071

00:47:44,360 --> 00:47:42,150

band i think the subtitle something had

1072

00:47:47,570 --> 00:47:44,370

the societal impact of extraterrestrial

1073

00:47:50,480 --> 00:47:47,580

contact is awful yeah well anyway that's

1074

00:47:52,610 --> 00:47:50,490

like that little mystery has i see

1075

00:47:53,810 --> 00:47:52,620

here's the thing so we know that that

1076

00:47:55,610 --> 00:47:53,820

was happening during the first

1077

00:47:57,980 --> 00:47:55,620

administration and it's not like it's a

1078

00:47:59,480 --> 00:47:57,990

big secret right everybody knows it has

1079

00:48:01,310 --> 00:47:59,490

fathered to do any research the

1080

00:48:03,320 --> 00:48:01,320

documentation is in a hundred places on

1081

00:48:05,960 --> 00:48:03,330

the internet so when bill clinton just

1082

00:48:09,140 --> 00:48:05,970

boldface says well when the second term

1083

00:48:11,300 --> 00:48:09,150

us decided to look into it hehe got is

1084

00:48:13,610 --> 00:48:11,310

you're literally acknowledging sort of

1085

00:48:14,570 --> 00:48:13,620

look to those people who know get your

1086

00:48:17,060 --> 00:48:14,580

talent but you're not telling the truth

1087

00:48:17,990 --> 00:48:17,070

and so you know you really have to kind

1088

00:48:19,730 --> 00:48:18,000

of look at that that's why i've been

1089

00:48:22,820 --> 00:48:19,740

Hansen's work was so valuable on these

1090

00:48:27,260 --> 00:48:22,830

two interviews because he was able to

1091

00:48:28,940 --> 00:48:27,270

use an educated process to read between

1092

00:48:31,970 --> 00:48:28,950

lines and tell us what was really being

1093

00:48:33,830 --> 00:48:31,980

said you know certainly and he preface

1094

00:48:35,510 --> 00:48:33,840

is it that no it's just his opinion but

1095

00:48:38,360 --> 00:48:35,520

it's based on on some pretty good

1096

00:48:40,190 --> 00:48:38,370

foundations then that's exactly what

1097

00:48:43,010 --> 00:48:40,200

happened he said on the surface to give

1098

00:48:45,110 --> 00:48:43,020

us a limited response that you know

1099

00:48:47,060 --> 00:48:45,120

there's lack an laughter and everything

1100

00:48:49,610 --> 00:48:47,070

else but for the people that are really

1101
00:48:51,920 --> 00:48:49,620
paying attention they got a big nugget

1102
00:48:53,660 --> 00:48:51,930
from both of these interviews and so

1103
00:48:55,160 --> 00:48:53,670
that's kind of how it works and that's

1104
00:48:57,380 --> 00:48:55,170
how disclosure is working and that's why

1105
00:49:01,190 --> 00:48:57,390
I hashtag disclosure and Podesta Street

1106
00:49:04,430 --> 00:49:01,200
was such a big deal and so you know the

1107
00:49:06,170 --> 00:49:04,440
people that are in the position there

1108
00:49:07,830 --> 00:49:06,180
this rate they can't just come out and

1109
00:49:10,500 --> 00:49:07,840
disclose but they can leave

1110
00:49:12,960 --> 00:49:10,510
includes and people can say well but now

1111
00:49:14,670 --> 00:49:12,970
that wasn't a clue but if you know let's

1112
00:49:18,390 --> 00:49:14,680
listen for and you know and you know the

1113
00:49:20,100 --> 00:49:18,400

facts then you know they're telling the

1114

00:49:23,880 --> 00:49:20,110

people who know what to listen for what

1115

00:49:26,730 --> 00:49:23,890

they need to hear now I wonder Podesta

1116

00:49:29,660 --> 00:49:26,740

if anyone actually I'm sure it happened

1117

00:49:32,010 --> 00:49:29,670

that maybe even as colleagues or someone

1118

00:49:34,050 --> 00:49:32,020

said hey what's up with that you know

1119

00:49:36,780 --> 00:49:34,060

type of thing it'd be interesting to

1120

00:49:39,480 --> 00:49:36,790

know you know if anyone's actually

1121

00:49:41,490 --> 00:49:39,490

talked to him about this and I don't

1122

00:49:44,460 --> 00:49:41,500

think that anybody has been you know

1123

00:49:47,490 --> 00:49:44,470

releasing what he said one-on-one about

1124

00:49:48,930 --> 00:49:47,500

it have you heard any bail out there and

1125

00:49:51,060 --> 00:49:48,940

now you know it's interesting there's

1126

00:49:53,250 --> 00:49:51,070

very little and I think that yeah it has

1127

00:49:56,040 --> 00:49:53,260

to do with again that this is where this

1128

00:49:57,900 --> 00:49:56,050

process works you know you've got all

1129

00:50:00,300 --> 00:49:57,910

these people clamoring for disclosure

1130

00:50:02,340 --> 00:50:00,310

you've got a government that is yeah

1131

00:50:05,610 --> 00:50:02,350

probably divided on how much we should

1132

00:50:08,520 --> 00:50:05,620

be told well the evidence is piled up

1133

00:50:11,820 --> 00:50:08,530

and you've got to do something so you

1134

00:50:13,380 --> 00:50:11,830

take that mid-level guy and you get into

1135

00:50:14,820 --> 00:50:13,390

set making some noise about it look

1136

00:50:16,230 --> 00:50:14,830

gives you the illusion that you're doing

1137

00:50:17,550 --> 00:50:16,240

something or that you're trying to do

1138

00:50:19,770 --> 00:50:17,560

something or that you're on the side of

1139

00:50:21,000 --> 00:50:19,780

people that want to know and again it

1140

00:50:22,980 --> 00:50:21,010

brings the people that want to know a

1141

00:50:24,690 --> 00:50:22,990

little bit to hold onto it a little bit

1142

00:50:27,360 --> 00:50:24,700

to look there to a little bit of

1143

00:50:30,300 --> 00:50:27,370

acknowledgment and it kind of satisfies

1144

00:50:32,550 --> 00:50:30,310

everybody not obviously not to the point

1145

00:50:34,710 --> 00:50:32,560

of disclosure but and then you know you

1146

00:50:36,300 --> 00:50:34,720

go a little bit further with that was

1147

00:50:38,340 --> 00:50:36,310

hanging out some of these phases and

1148

00:50:41,460 --> 00:50:38,350

some of these miss truths and some of

1149

00:50:43,950 --> 00:50:41,470

these other actions that mean more than

1150

00:50:46,800 --> 00:50:43,960

others than me more to some than others

1151
00:50:49,290 --> 00:50:46,810
and and so yeah it's a very clever way

1152
00:50:53,160 --> 00:50:49,300
of playing the game yes so maintaining

1153
00:50:56,430 --> 00:50:53,170
the official Bill of secrecy right right

1154
00:50:58,260 --> 00:50:56,440
so we're on right now with Ron James and

1155
00:51:01,020 --> 00:50:58,270
if someone would like to call in every

1156
00:51:04,470 --> 00:51:01,030
once in a while Ron someone will call in

1157
00:51:08,610 --> 00:51:04,480
and so if you'd like to call in the

1158
00:51:10,700 --> 00:51:08,620
number is 603 967 4030 and if you're

1159
00:51:13,800 --> 00:51:10,710
listening live you can jump over to

1160
00:51:15,390 --> 00:51:13,810
podcast UFO calm and right on the

1161
00:51:17,550 --> 00:51:15,400
homepage there you'll see the chat room

1162
00:51:20,940 --> 00:51:17,560
you can jump in and ask our guest a

1163
00:51:23,640 --> 00:51:20,950

question so what we do

1164

00:51:25,380 --> 00:51:23,650

run I neglected to tell you about in

1165

00:51:27,329 --> 00:51:25,390

about eight minutes or so we take just a

1166

00:51:28,859 --> 00:51:27,339

quick little music break and you're not

1167

00:51:31,339 --> 00:51:28,869

to go anywhere it's just so I can

1168

00:51:34,740 --> 00:51:31,349

separate the two parts of the show and

1169

00:51:39,290 --> 00:51:34,750

so at the top of the hour I will let you

1170

00:51:42,750 --> 00:51:39,300

know that but continuing on you're in

1171

00:51:45,839 --> 00:51:42,760

you live right near Steve Bassett don't

1172

00:51:47,430 --> 00:51:45,849

you out there in California well

1173

00:51:50,160 --> 00:51:47,440

actually Steve's in Washington right now

1174

00:51:52,500 --> 00:51:50,170

during the congressional hearings but

1175

00:51:55,109 --> 00:51:52,510

yeah when he's in California we were

1176

00:51:57,960 --> 00:51:55,119

both in those in the south bay area

1177

00:52:00,569 --> 00:51:57,970

Valerie Hollywood yeah and in the beach

1178

00:52:02,310 --> 00:52:00,579

cities now it seemed to me like that

1179

00:52:05,069 --> 00:52:02,320

wasn't too long ago there was a sighting

1180

00:52:06,599 --> 00:52:05,079

in Southern California do you do you

1181

00:52:10,079 --> 00:52:06,609

stay up on that what's going on

1182

00:52:12,780 --> 00:52:10,089

regionally weather so many sightings in

1183

00:52:14,190 --> 00:52:12,790

at these different places and you know

1184

00:52:15,660 --> 00:52:14,200

I'm not the one that grabs my video

1185

00:52:17,520 --> 00:52:15,670

camera and goes running every time

1186

00:52:19,500 --> 00:52:17,530

there's there's reports of a sighting so

1187

00:52:22,319 --> 00:52:19,510

you know we've got this weird anomaly

1188

00:52:23,730 --> 00:52:22,329

underwater that has been found off of

1189

00:52:27,440 --> 00:52:23,740

the coast of Malibu and then we've got

1190

00:52:30,870 --> 00:52:27,450

you know my window that's right out over

1191

00:52:32,579 --> 00:52:30,880

the Catalina area so the very strange

1192

00:52:34,680 --> 00:52:32,589

things happening in the sky together or

1193

00:52:38,160 --> 00:52:34,690

not it's things that can't be explained

1194

00:52:39,660 --> 00:52:38,170

you know I don't know but yeah there's

1195

00:52:42,420 --> 00:52:39,670

bear sightings everywhere and they're

1196

00:52:43,920 --> 00:52:42,430

starting to increase and so like this

1197

00:52:46,620 --> 00:52:43,930

weekend I went and took a look at this

1198

00:52:48,720 --> 00:52:46,630

thing this guy does named Robert ding

1199

00:52:51,290 --> 00:52:48,730

and he calls himself to us Oh summoner

1200

00:52:54,120 --> 00:52:51,300

and he says that he can go anywhere and

1201
00:52:56,640 --> 00:52:54,130
meditate and strange anomalies will

1202
00:52:58,140 --> 00:52:56,650
appear in the sky and so he wrestled

1203
00:52:59,760 --> 00:52:58,150
goats have quite a reputation and so I'm

1204
00:53:02,250 --> 00:52:59,770
going to see for myself this weekend I

1205
00:53:08,520 --> 00:53:02,260
was kind of interesting and did you see

1206
00:53:10,589 --> 00:53:08,530
anything anyone phone oh that's I I did

1207
00:53:13,770 --> 00:53:10,599
not see any US open that day I saw out

1208
00:53:15,569 --> 00:53:13,780
of my locker room however I will say

1209
00:53:18,359 --> 00:53:15,579
that some of the videos that he's gotten

1210
00:53:20,250 --> 00:53:18,369
are intriguing but a lot of them are

1211
00:53:22,020 --> 00:53:20,260
obviously something that can be

1212
00:53:23,760 --> 00:53:22,030
explained logically but you know it only

1213
00:53:26,579 --> 00:53:23,770

takes those few they can't explain how I

1214

00:53:28,319 --> 00:53:26,589

Project Blue Book so who knows what's

1215

00:53:29,579 --> 00:53:28,329

going on with that there's definitely

1216

00:53:31,800 --> 00:53:29,589

things happening in the sky that we

1217

00:53:34,050 --> 00:53:31,810

can't explain be even beyond the USO

1218

00:53:34,740 --> 00:53:34,060

thing you know there's there's the idea

1219

00:53:36,390 --> 00:53:34,750

that maybe there's

1220

00:53:38,280 --> 00:53:36,400

life forms that we haven't discovered

1221

00:53:39,930 --> 00:53:38,290

that live in the atmosphere like rods

1222

00:53:42,600 --> 00:53:39,940

you know that have been caught on on

1223

00:53:45,930 --> 00:53:42,610

cameras high-speed cameras and so he

1224

00:53:48,200 --> 00:53:45,940

knows what he's really seeing some of

1225

00:53:51,960 --> 00:53:48,210

the times when things look like

1226

00:53:54,230 --> 00:53:51,970

unexplainable objects that prison that

1227

00:53:57,870 --> 00:53:54,240

forever to warrant for the investigation

1228

00:54:01,290 --> 00:53:57,880

well I remember there was a little bit

1229

00:54:04,260 --> 00:54:01,300

of a battle going on between want to say

1230

00:54:09,720 --> 00:54:04,270

Jimmy church and Lee Spiegel about that

1231

00:54:12,630 --> 00:54:09,730

Malibu geological thing off the coast of

1232

00:54:16,200 --> 00:54:12,640

Malibu and I think that there was some

1233

00:54:20,250 --> 00:54:16,210

research done on that by someone from

1234

00:54:22,350 --> 00:54:20,260

the US Geological Survey that is just a

1235

00:54:25,770 --> 00:54:22,360

rock formation or something have you

1236

00:54:28,260 --> 00:54:25,780

looked into that at all yeah I mean I've

1237

00:54:29,580 --> 00:54:28,270

heard both sides of the story at the end

1238

00:54:31,890 --> 00:54:29,590

of the day until somebody goes down

1239

00:54:34,350 --> 00:54:31,900

there and photographs that we don't know

1240

00:54:35,940 --> 00:54:34,360

it's quite possible but it's just an

1241

00:54:39,120 --> 00:54:35,950

anomaly with with the Google Earth

1242

00:54:41,610 --> 00:54:39,130

satellite mapping you know but rock

1243

00:54:44,040 --> 00:54:41,620

formations if you go to Peru and you

1244

00:54:45,570 --> 00:54:44,050

look at a rock formation requiring the

1245

00:54:47,820 --> 00:54:45,580

jungle to Guatemala and you look at a

1246

00:54:49,350 --> 00:54:47,830

rock formation it doesn't mean it's not

1247

00:54:54,150 --> 00:54:49,360

something if that's a lot of times it's

1248

00:54:55,950 --> 00:54:54,160

a pyramid covered up so and so until the

1249

00:54:57,390 --> 00:54:55,960

mystery is completely address in the way

1250

00:54:59,310 --> 00:54:57,400

that nobody can debate it anymore it's

1251

00:55:00,450 --> 00:54:59,320

going to be a topic of discussion but

1252

00:55:02,370 --> 00:55:00,460

there's definitely a lot of weird

1253

00:55:06,600 --> 00:55:02,380

underwater things happening in this area

1254

00:55:09,990 --> 00:55:06,610

off the coast you know early on I asked

1255

00:55:13,370 --> 00:55:10,000

you about what type of reaction that was

1256

00:55:17,540 --> 00:55:13,380

you got out of when you send all those

1257

00:55:20,220 --> 00:55:17,550

dvds out to you know members of Congress

1258

00:55:23,040 --> 00:55:20,230

but someone in the message board wants

1259

00:55:24,840 --> 00:55:23,050

to know has anyone actually acknowledged

1260

00:55:28,470 --> 00:55:24,850

that they receive them and watch them

1261

00:55:30,630 --> 00:55:28,480

didn't happen to know that well I mean

1262

00:55:32,010 --> 00:55:30,640

we are good now we don't know how many

1263

00:55:34,590 --> 00:55:32,020

people have watched them but we know

1264

00:55:37,680 --> 00:55:34,600

that we've had some meetings but it's

1265

00:55:39,060 --> 00:55:37,690

the major committees in Washington the

1266

00:55:40,320 --> 00:55:39,070

ones that we've targeted for meetings

1267

00:55:42,690 --> 00:55:40,330

because if you can get this thing into a

1268

00:55:44,370 --> 00:55:42,700

committee where they're discussing it

1269

00:55:46,080 --> 00:55:44,380

and they have to talk openly about the

1270

00:55:47,160 --> 00:55:46,090

possibilities excited hearings and then

1271

00:55:48,480 --> 00:55:47,170

you have to explain if they choose not

1272

00:55:51,000 --> 00:55:48,490

to do it why they wouldn't

1273

00:55:54,330 --> 00:55:51,010

so yeah we do know we what we know for a

1274

00:55:57,000 --> 00:55:54,340

fact is that the dvds or parts of the

1275

00:55:59,609 --> 00:55:57,010

dvds have been viewed by several

1276

00:56:01,260 --> 00:55:59,619

staffers in several offices we don't

1277

00:56:02,820 --> 00:56:01,270

know how many Congress people have

1278

00:56:04,320 --> 00:56:02,830

actually taken the time to watch them

1279

00:56:05,730 --> 00:56:04,330

but we do know that you know they're

1280

00:56:07,170 --> 00:56:05,740

making their rounds unless it they

1281

00:56:08,970 --> 00:56:07,180

receive them as been acknowledged to

1282

00:56:11,520 --> 00:56:08,980

meetings or have you know that's the

1283

00:56:12,660 --> 00:56:11,530

most exciting thing is that you know

1284

00:56:13,770 --> 00:56:12,670

you're not going to be there is enough

1285

00:56:15,630 --> 00:56:13,780

they're going to talk to you even if

1286

00:56:17,250 --> 00:56:15,640

it's a low-level staffer that they just

1287

00:56:18,720 --> 00:56:17,260

sent you they let you into the office

1288

00:56:20,250 --> 00:56:18,730

and they sit down long enough to hear

1289

00:56:23,940 --> 00:56:20,260

what you have to say it's still

1290

00:56:26,130 --> 00:56:23,950

something and so you know that's her

1291

00:56:28,890 --> 00:56:26,140

that's a big deal so yeah they've been

1292

00:56:30,359 --> 00:56:28,900

acknowledged and there's a certain

1293

00:56:31,980 --> 00:56:30,369

amount of attention and the attention is

1294

00:56:33,960 --> 00:56:31,990

not ending because but because of the

1295

00:56:37,740 --> 00:56:33,970

Rockefeller initiative and Hillary

1296

00:56:40,109 --> 00:56:37,750

Clinton's presidential bid you know this

1297

00:56:41,970 --> 00:56:40,119

ongoing strategy right now it's to Vegas

1298

00:56:44,250 --> 00:56:41,980

into the limelight make it a question

1299

00:56:46,230 --> 00:56:44,260

that she has to answer as part of the

1300

00:56:48,900 --> 00:56:46,240

campaign and we think that there's just

1301
00:56:51,570 --> 00:56:48,910
enough opposition to can't just see that

1302
00:56:54,980 --> 00:56:51,580
somebody's gonna bring it up they'll

1303
00:56:57,800 --> 00:56:54,990
probably bring up the email first the

1304
00:57:00,900 --> 00:56:57,810
email know when you're caring about that

1305
00:57:02,370 --> 00:57:00,910
yeah well what would be fun to you that

1306
00:57:04,830 --> 00:57:02,380
you know is in reference to the

1307
00:57:07,140 --> 00:57:04,840
Rockefellers if there you go maybe but

1308
00:57:09,690 --> 00:57:07,150
maybe the email the Podesta saying you

1309
00:57:11,340 --> 00:57:09,700
know this is why we can't disclose to

1310
00:57:13,890 --> 00:57:11,350
you never know but at the end of the day

1311
00:57:16,440 --> 00:57:13,900
it's another it's another potential

1312
00:57:18,570 --> 00:57:16,450
issue for somebody who needs some

1313
00:57:20,400 --> 00:57:18,580

potential issues regarding acquaintance

1314

00:57:22,620 --> 00:57:20,410

to bring into the mix and so maybe they

1315

00:57:26,070 --> 00:57:22,630

walk right that would be what you call a

1316

00:57:27,570 --> 00:57:26,080

twofer we get that yeah and I know for a

1317

00:57:29,460 --> 00:57:27,580

fact that you know i mean that's that's

1318

00:57:31,140 --> 00:57:29,470

kind of the strategy right now reaching

1319

00:57:32,220 --> 00:57:31,150

out to the republican opposition and

1320

00:57:34,890 --> 00:57:32,230

saying by the way did you know about

1321

00:57:37,740 --> 00:57:34,900

this and i know for a fact that's being

1322

00:57:40,770 --> 00:57:37,750

done yeah so you were there at the

1323

00:57:44,520 --> 00:57:40,780

entire time obviously filming during the

1324

00:57:47,810 --> 00:57:44,530

Citizen hearing what do you think and I

1325

00:57:50,310 --> 00:57:47,820

know that some of the people that spoke

1326

00:57:52,950 --> 00:57:50,320

sort of went a little bit fringy I mean

1327

00:57:54,330 --> 00:57:52,960

I was kind of involved and checking out

1328

00:57:55,859 --> 00:57:54,340

what was going on at the time and all

1329

00:57:58,140 --> 00:57:55,869

that and got a lot of feedback from

1330

00:57:59,749 --> 00:57:58,150

people that were there you know live and

1331

00:58:01,549 --> 00:57:59,759

you know on

1332

00:58:05,689 --> 00:58:01,559

every other day or whatever I'd hear

1333

00:58:08,769 --> 00:58:05,699

from someone but when you heard those

1334

00:58:13,099 --> 00:58:08,779

people speak and then you heard the

1335

00:58:15,769 --> 00:58:13,109

retired congressional people interact

1336

00:58:18,259 --> 00:58:15,779

did you see anyone in particular that

1337

00:58:21,829 --> 00:58:18,269

you would say now that person really has

1338

00:58:23,389 --> 00:58:21,839

taken this seriously you know it's

1339

00:58:26,929 --> 00:58:23,399

interesting because there wasn't a

1340

00:58:28,370 --> 00:58:26,939

single one that did not some interviews

1341

00:58:30,889 --> 00:58:28,380

that I shot that I haven't released yet

1342

00:58:32,569 --> 00:58:30,899

where I actually stood and in spoke to

1343

00:58:35,269 --> 00:58:32,579

every one of them and ask them these

1344

00:58:37,279 --> 00:58:35,279

questions and yeah every one of them

1345

00:58:39,349 --> 00:58:37,289

walked into this thing either a not

1346

00:58:41,449 --> 00:58:39,359

thinking much about the topic or be not

1347

00:58:44,779 --> 00:58:41,459

knowing what to expect and they left

1348

00:58:47,719 --> 00:58:44,789

saying you know we really have to get to

1349

00:58:49,489 --> 00:58:47,729

the bottom of this and so anyway that's

1350

00:58:52,729 --> 00:58:49,499

a credit to how professionally the via

1351

00:58:55,279 --> 00:58:52,739

that was cool off it looked inside and

1352

00:58:57,559 --> 00:58:55,289

was you know constructed just like a

1353

00:58:59,029 --> 00:58:57,569

will just like a real hearing and yes

1354

00:59:00,739 --> 00:58:59,039

I'd be the first to admit there's a

1355

00:59:03,409 --> 00:59:00,749

couple of people that just went

1356

00:59:05,239 --> 00:59:03,419

completely derailed especially in

1357

00:59:07,759 --> 00:59:05,249

closing statements and you know we don't

1358

00:59:09,919 --> 00:59:07,769

need to mention any names but rather

1359

00:59:11,479 --> 00:59:09,929

since it goes and things that probably

1360

00:59:14,329 --> 00:59:11,489

shouldn't have been said in the way they

1361

00:59:17,409 --> 00:59:14,339

were set but overall you kind of have to

1362

00:59:21,229 --> 00:59:17,419

look at the big picture and it is very

1363

00:59:22,819 --> 00:59:21,239

professional very loops we lost them so

1364

00:59:24,259 --> 00:59:22,829

that's it for the first part of the show

1365

00:59:27,559 --> 00:59:24,269

here if you hang in just a minute we'll

1366

00:59:53,140 --> 00:59:27,569

be right back for our two again with ron

1367

01:00:37,580 --> 00:59:55,580

your call has been forwarded to an

1368

01:00:44,550 --> 01:00:41,130

your call has been forwarded well you

1369

01:00:49,710 --> 01:00:44,560

know this is interesting we probably

1370

01:00:54,180 --> 01:00:49,720

have a dead cell phone and one of the

1371

01:00:57,030 --> 01:00:54,190

things that dark matter radio network

1372

01:00:59,880 --> 01:00:57,040

producer as pushing is that we never

1373

01:01:06,390 --> 01:00:59,890

have cell phones and this is a pretty

1374

01:01:08,040 --> 01:01:06,400

good argument for that so I'll keep

1375

01:01:09,990 --> 01:01:08,050

trying him hopefully he'll plug it into

1376

01:01:12,240 --> 01:01:10,000

his charger everything will be cool but

1377

01:01:13,860 --> 01:01:12,250

when he sees the number that comes up

1378

01:01:16,500 --> 01:01:13,870

that I'm dialing from he can't call that

1379

01:01:20,190 --> 01:01:16,510

number back it's a because it's a skype

1380

01:01:22,470 --> 01:01:20,200

number it he will not ring back so I'll

1381

01:01:24,930 --> 01:01:22,480

just keep trying him and for now if

1382

01:01:31,470 --> 01:01:24,940

anyone wants to call in and say hi the

1383

01:01:44,220 --> 01:01:31,480

phone number here is 603 967 4030 let's

1384

01:01:46,110 --> 01:01:44,230

see if he answers you know it could be

1385

01:01:48,630 --> 01:01:46,120

just that the darn government just shut

1386

01:01:50,190 --> 01:01:48,640

him down hey don't know what happened i

1387

01:01:53,070 --> 01:01:50,200

was just saying it's probably the

1388

01:01:58,260 --> 01:01:53,080

government oh yeah it's only it always

1389

01:02:00,090 --> 01:01:58,270

is well so yeah well we were wondering

1390

01:02:02,940 --> 01:02:00,100

if your battery went dead no it wasn't

1391

01:02:05,250 --> 01:02:02,950

that though i charged the rightful got

1392

01:02:07,260 --> 01:02:05,260

on the phone yeah so i thought so it

1393

01:02:09,570 --> 01:02:07,270

just dropped and hopefully that won't

1394

01:02:12,150 --> 01:02:09,580

happen again I know I was really little

1395

01:02:13,980 --> 01:02:12,160

saying something so profound said you

1396

01:02:15,270 --> 01:02:13,990

know I'm sure that the the Angels got

1397

01:02:17,190 --> 01:02:15,280

together and said oh you know what the

1398

01:02:20,310 --> 01:02:17,200

universe isn't ready for this they

1399

01:02:23,820 --> 01:02:20,320

have to have to preempt you well you

1400

01:02:25,260 --> 01:02:23,830

know someone is very insistent I should

1401

01:02:27,930 --> 01:02:25,270

say on the chat room they want to know

1402

01:02:29,250 --> 01:02:27,940

why you won't mention names of the

1403

01:02:34,140 --> 01:02:29,260

people that were a little bit out there

1404

01:02:38,200 --> 01:02:34,150

and I had someone on the show I I'm

1405

01:02:39,849 --> 01:02:38,210

going to say it to the chat room that

1406

01:02:42,160 --> 01:02:39,859

I had this person on the show but I

1407

01:02:44,980 --> 01:02:42,170

understand she went really out there and

1408

01:02:47,349 --> 01:02:44,990

that's the wonderful Lynn Linda Moulton

1409

01:02:50,920 --> 01:02:47,359

Howe I heard that she went a little on

1410

01:02:54,640 --> 01:02:50,930

the fringe side during that so I'll be

1411

01:02:55,839 --> 01:02:54,650

the first to admit that and i will tell

1412

01:02:59,230 --> 01:02:55,849

you you know i had to run the show she

1413

01:03:04,030 --> 01:02:59,240

was very gracious very nice and for some

1414

01:03:07,810 --> 01:03:04,040

reason there's tens of thousands of

1415

01:03:10,420 --> 01:03:07,820

listens to that show she has a lot of

1416

01:03:12,790 --> 01:03:10,430

people that follow her that's really

1417

01:03:15,550 --> 01:03:12,800

good it is i think i think that there

1418

01:03:17,800 --> 01:03:15,560

was a time in a place the Citizen

1419

01:03:21,160 --> 01:03:17,810

hearing was a time in a place for to

1420

01:03:23,230 --> 01:03:21,170

stick to the facts and not to get out

1421

01:03:26,950 --> 01:03:23,240

there with too much conjecture and not

1422

01:03:28,210 --> 01:03:26,960

to get out there is too much too many

1423

01:03:29,980 --> 01:03:28,220

things that are so far out of the

1424

01:03:34,510 --> 01:03:29,990

mainstream the science can't even begin

1425

01:03:36,280 --> 01:03:34,520

to buy or sell and so I think that

1426

01:03:37,900 --> 01:03:36,290

anybody to pay attention a citizen

1427

01:03:39,820 --> 01:03:37,910

hearing knows what happened I'm not

1428

01:03:42,490 --> 01:03:39,830

really interested in dishing on people

1429

01:03:44,440 --> 01:03:42,500

and putting my opinion about things that

1430

01:03:46,450 --> 01:03:44,450

people said there was wrong because it's

1431

01:03:48,130 --> 01:03:46,460

our in my place I'm a journalist and I

1432

01:03:51,010 --> 01:03:48,140

shouldn't interject my own viewpoints

1433

01:03:53,410 --> 01:03:51,020

into the stories i show you know that

1434

01:03:55,150 --> 01:03:53,420

being said you know the people who were

1435

01:03:57,250 --> 01:03:55,160

at the hearing people watch the hearing

1436

01:03:58,900 --> 01:03:57,260

they know that you know if somebody

1437

01:04:02,890 --> 01:03:58,910

crossed the line and that should be

1438

01:04:04,210 --> 01:04:02,900

enough I think that the plan you know

1439

01:04:06,190 --> 01:04:04,220

some of the closing statements that a

1440

01:04:08,859 --> 01:04:06,200

little bit off track and I think that

1441

01:04:11,710 --> 01:04:08,869

you know maybe Paul has decided quote

1442

01:04:13,599 --> 01:04:11,720

from the booklet equal a trend was it

1443

01:04:15,790 --> 01:04:13,609

was done on it was going to procreate

1444

01:04:19,150 --> 01:04:15,800

for the time in the platform and I think

1445

01:04:22,210 --> 01:04:19,160

anytime anybody jumped in with too much

1446

01:04:25,270 --> 01:04:22,220

conjecture and not enough science its

1447

01:04:26,620 --> 01:04:25,280

kind of derailed what the hearings were

1448

01:04:29,170 --> 01:04:26,630

supposed to be about it was about an

1449

01:04:30,940 --> 01:04:29,180

investigation of the facts and so yeah

1450

01:04:34,570 --> 01:04:30,950

that's that's what I thought about yeah

1451

01:04:38,290 --> 01:04:34,580

sure and Paul Hellyer had such an

1452

01:04:40,690 --> 01:04:38,300

advantage with his background of making

1453

01:04:43,510 --> 01:04:40,700

some you know some some things really

1454

01:04:45,280 --> 01:04:43,520

happen in that whole situation and yeah

1455

01:04:46,960 --> 01:04:45,290

you know he's actually I've been

1456

01:04:49,829 --> 01:04:46,970

communicating with him now for a year

1457

01:04:51,579 --> 01:04:49,839

and a half and I want him on the show

1458

01:04:55,749 --> 01:04:51,589

regardless of

1459

01:04:57,819 --> 01:04:55,759

how out there he's you know gone I mean

1460

01:05:00,729 --> 01:04:57,829

I'll tell you something the stuff that

1461

01:05:03,069 --> 01:05:00,739

he said okay I think that the you know

1462

01:05:04,719 --> 01:05:03,079

it was pretty valid you know but I just

1463

01:05:07,150 --> 01:05:04,729

don't think that it was the place in the

1464

01:05:10,959 --> 01:05:07,160

platform to bring it to the forefront

1465

01:05:16,359 --> 01:05:10,969

ferret oh goody it just wasn't the place

1466

01:05:18,670 --> 01:05:16,369

okay to open up those doors mm-hmm I was

1467

01:05:20,319 --> 01:05:18,680

really I was really glad about you

1468

01:05:23,289 --> 01:05:20,329

mentioned earlier about John Burroughs

1469

01:05:26,229 --> 01:05:23,299

and Penniston both of their you know

1470

01:05:29,739 --> 01:05:26,239

medical records looked into because of

1471

01:05:32,469 --> 01:05:29,749

that I think you know if it's true that

1472

01:05:36,249 --> 01:05:32,479

they are suffering from whatever

1473

01:05:38,049 --> 01:05:36,259

radiation or whatever that happened it

1474

01:05:39,519 --> 01:05:38,059

may be just something other than that

1475

01:05:40,989 --> 01:05:39,529

but if it's true that that's what

1476

01:05:44,979 --> 01:05:40,999

they're suffering from you know they

1477

01:05:48,489 --> 01:05:44,989

should be taken care of instead of just

1478

01:05:51,329 --> 01:05:48,499

ignored so I was glad to have that

1479

01:05:54,450 --> 01:05:51,339

happen I did spoke I did speak with him

1480

01:05:56,799 --> 01:05:54,460

John Burroughs on the show shortly after

1481

01:05:59,709 --> 01:05:56,809

they acknowledge that and started

1482

01:06:01,180 --> 01:05:59,719

working on it and hopefully you know

1483

01:06:03,249 --> 01:06:01,190

they both have some really bad health

1484

01:06:06,249 --> 01:06:03,259

problems and hopefully the only taken

1485

01:06:08,440 --> 01:06:06,259

care of yeah and when I think with you I

1486

01:06:10,569 --> 01:06:08,450

honestly think that the urging of the ex

1487

01:06:11,829 --> 01:06:10,579

Congress people have that exposure from

1488

01:06:14,799 --> 01:06:11,839

the Citizen hearing was very

1489

01:06:17,769 --> 01:06:14,809

instrumental in getting cold momentum I

1490

01:06:19,599 --> 01:06:17,779

was adding all of that and now it's very

1491

01:06:22,150 --> 01:06:19,609

interesting molarity back to so much as

1492

01:06:24,849 --> 01:06:22,160

I love you and Sarah no paperwork you

1493

01:06:26,650 --> 01:06:24,859

know that's that's very telling you no

1494

01:06:28,930 --> 01:06:26,660

unidentified aerial phenomenon and

1495

01:06:31,690 --> 01:06:28,940

things that that nature that will refer

1496

01:06:34,170 --> 01:06:31,700

to he wants to so it's just another

1497

01:06:39,519 --> 01:06:34,180

feather in the slow cap of the

1498

01:06:42,849 --> 01:06:39,529

disclosure movement now some was just

1499

01:06:45,489 --> 01:06:42,859

asking on the message board wondering

1500

01:06:47,410 --> 01:06:45,499

why it wasn't available the just the

1501

01:06:50,559 --> 01:06:47,420

Citizen hearing wasn't available for

1502

01:06:53,380 --> 01:06:50,569

free on YouTube like a former one back

1503

01:06:56,229 --> 01:06:53,390

in two thousand one and I know that

1504

01:06:59,170 --> 01:06:56,239

there was someone's trying to recoup

1505

01:07:00,249 --> 01:06:59,180

some money that was spent or something

1506

01:07:02,410 --> 01:07:00,259

like that I've heard these type of

1507

01:07:03,350 --> 01:07:02,420

things do you know anything about any of

1508

01:07:08,690 --> 01:07:03,360

that

1509

01:07:12,260 --> 01:07:08,700

significant amount of money was invested

1510

01:07:14,990 --> 01:07:12,270

in Citizen hearing and you know let me

1511

01:07:16,820 --> 01:07:15,000

just say that and I'm not offend some

1512

01:07:20,180 --> 01:07:16,830

people right now that it's kind of gets

1513

01:07:23,240 --> 01:07:20,190

my goat I don't get where people think

1514

01:07:25,070 --> 01:07:23,250

that some makers especially should be

1515

01:07:27,260 --> 01:07:25,080

obligated to go out and work their butts

1516

01:07:29,630 --> 01:07:27,270

off so that they can get their work away

1517

01:07:32,420 --> 01:07:29,640

for free to people who somehow think

1518

01:07:33,890 --> 01:07:32,430

that they deserve it if the sort of a

1519

01:07:35,840 --> 01:07:33,900

pair of the scores would cost almost a

1520

01:07:37,310 --> 01:07:35,850

million dollars to produce now that's

1521

01:07:38,960 --> 01:07:37,320

great and we would love to give it away

1522

01:07:41,210 --> 01:07:38,970

for you to the entire planet but the

1523

01:07:42,860 --> 01:07:41,220

fact of the matter is is that we keep

1524

01:07:46,730 --> 01:07:42,870

that money you can't keep doing this

1525

01:07:48,680 --> 01:07:46,740

work and so that person you know you

1526

01:07:51,920 --> 01:07:48,690

don't go to your job every day and work

1527

01:07:53,750 --> 01:07:51,930

for free and why should we okay we put a

1528

01:07:56,540 --> 01:07:53,760

lot of energy into that we put a lot of

1529

01:07:58,130 --> 01:07:56,550

money into it and frankly the people out

1530

01:07:59,660 --> 01:07:58,140

there that want to see disclose their

1531

01:08:02,270 --> 01:07:59,670

happen I'll ask you this movement

1532

01:08:05,570 --> 01:08:02,280

survive I want to see people at myself

1533

01:08:07,970 --> 01:08:05,580

and Ruben and Jeremy and seeds are be

1534

01:08:10,670 --> 01:08:07,980

able to continue doing this work okay

1535

01:08:13,100 --> 01:08:10,680

wake up call dude we deserve to make a

1536

01:08:14,810 --> 01:08:13,110

living too and so why should we take the

1537

01:08:17,360 --> 01:08:14,820

fruits of our labors and put them on

1538

01:08:19,220 --> 01:08:17,370

YouTube for free you're not taking what

1539

01:08:21,770 --> 01:08:19,230

you do for a living in giving it away

1540

01:08:24,530 --> 01:08:21,780

going home without a paycheck so shame

1541

01:08:25,880 --> 01:08:24,540

on you for asking the question that's

1542

01:08:27,620 --> 01:08:25,890

what I think about that I guess so

1543

01:08:30,380 --> 01:08:27,630

annoyed by people who think that as a

1544

01:08:32,270 --> 01:08:30,390

filmmaker I have some obligation to work

1545

01:08:34,640 --> 01:08:32,280

my ass off so that you couldn't steal my

1546

01:08:39,260 --> 01:08:34,650

stuff on YouTube it really takes me off

1547

01:08:43,180 --> 01:08:39,270

sorry that ball no that's uh that's okay

1548

01:08:45,830 --> 01:08:43,190

you got fired up that's that's ok I

1549

01:08:47,540 --> 01:08:45,840

understand that and let me just tell you

1550

01:08:49,630 --> 01:08:47,550

you know I started charging for the

1551
01:08:52,130 --> 01:08:49,640
second hour of the podcast here because

1552
01:08:55,280 --> 01:08:52,140
it was costing me money you know I had

1553
01:08:57,980 --> 01:08:55,290
to get a dedicated server i dunno i do

1554
01:09:00,860 --> 01:08:57,990
pay for you know other expenses

1555
01:09:03,170 --> 01:09:00,870
constantly on a monthly basis so but

1556
01:09:05,270 --> 01:09:03,180
here here's the issue with any of this

1557
01:09:08,390 --> 01:09:05,280
stuff if you ask me my opinion if you

1558
01:09:11,870 --> 01:09:08,400
want to hear it or not is that the

1559
01:09:16,040 --> 01:09:11,880
problem is is that there's so much out

1560
01:09:17,090 --> 01:09:16,050
there that is free and in so many ways

1561
01:09:22,190 --> 01:09:17,100
to get it whether it

1562
01:09:25,490 --> 01:09:22,200
someone ripping torrents or or you know

1563
01:09:28,220 --> 01:09:25,500

all the way back to Napster no it's just

1564

01:09:31,370 --> 01:09:28,230

that there's so many ways of getting

1565

01:09:34,670 --> 01:09:31,380

free material out there that it's a it's

1566

01:09:37,490 --> 01:09:34,680

a paradise for a person that doesn't

1567

01:09:41,210 --> 01:09:37,500

matter yeah I understand that it's not

1568

01:09:44,990 --> 01:09:41,220

it is it's fever if I you who just

1569

01:09:46,970 --> 01:09:45,000

ripped my DVD off of youtube or whipped

1570

01:09:49,010 --> 01:09:46,980

it out to DVD and posted it to YouTube

1571

01:09:50,780 --> 01:09:49,020

how about I come to your house tonight i

1572

01:09:52,400 --> 01:09:50,790

work till you leave and I go in and I go

1573

01:09:54,230 --> 01:09:52,410

through your last your inbox nights a

1574

01:09:57,500 --> 01:09:54,240

lot of stuff so that's what you're doing

1575

01:09:59,240 --> 01:09:57,510

to me not only is it just as your legal

1576

01:10:01,370 --> 01:09:59,250

Justin kids get away with it because

1577

01:10:02,900 --> 01:10:01,380

it's hard to catch you doesn't mean

1578

01:10:04,520 --> 01:10:02,910

you're not a criminal it doesn't mean

1579

01:10:05,930 --> 01:10:04,530

you're not a dishonest person and it

1580

01:10:07,880 --> 01:10:05,940

doesn't mean that your integrity is in

1581

01:10:10,520 --> 01:10:07,890

the toilet so everything that does this

1582

01:10:15,740 --> 01:10:10,530

stuff is participating in a criminal act

1583

01:10:17,570 --> 01:10:15,750

and shame on all of you okay well we

1584

01:10:20,030 --> 01:10:17,580

don't even know if any of our listeners

1585

01:10:22,430 --> 01:10:20,040

actually do any of that stuff so we all

1586

01:10:24,950 --> 01:10:22,440

the guys who wants to know how come my

1587

01:10:26,620 --> 01:10:24,960

work isn't available for free I would

1588

01:10:29,840 --> 01:10:26,630

like to invite him to come mow my lawn

1589

01:10:33,770 --> 01:10:29,850

because if I'm given all my stuff away I

1590

01:10:36,650 --> 01:10:33,780

can't afford to pay my gardener well to

1591

01:10:41,390 --> 01:10:36,660

be to be fair it was it was a I think it

1592

01:10:43,490 --> 01:10:41,400

was a question he was just asking I know

1593

01:10:47,270 --> 01:10:43,500

because he innocently indicative of the

1594

01:10:49,730 --> 01:10:47,280

mentality of the public that that people

1595

01:10:53,900 --> 01:10:49,740

actually scented it is even gotten so

1596

01:10:56,480 --> 01:10:53,910

bad that now people think that just as a

1597

01:10:59,390 --> 01:10:56,490

given if I go and I make a movie I

1598

01:11:01,310 --> 01:10:59,400

should just give it to you and and and

1599

01:11:03,980 --> 01:11:01,320

and you know if I can't afford to make

1600

01:11:05,360 --> 01:11:03,990

another movie or I had to mortgage my

1601

01:11:07,430 --> 01:11:05,370

house and I don't get it back because

1602

01:11:10,280 --> 01:11:07,440

I'm not making any money maybe I just

1603

01:11:12,470 --> 01:11:10,290

made nobody cares why do a different set

1604

01:11:14,750 --> 01:11:12,480

of rules apply to us as media careers

1605

01:11:17,510 --> 01:11:14,760

then apply to anybody else and he's very

1606

01:11:19,120 --> 01:11:17,520

same people wouldn't dream of going to

1607

01:11:22,340 --> 01:11:19,130

work for a day and not getting carried

1608

01:11:24,140 --> 01:11:22,350

so if all it does is it points to a

1609

01:11:26,210 --> 01:11:24,150

dysfunctional thing that's happening in

1610

01:11:28,580 --> 01:11:26,220

our society and I can't turn it around

1611

01:11:30,710 --> 01:11:28,590

right now but that's why I've all TV is

1612

01:11:32,810 --> 01:11:30,720

paid for viewers to Christian basics you

1613

01:11:36,110 --> 01:11:32,820

material help support our ability to

1614

01:11:39,320 --> 01:11:36,120

make it I mean it's it's perfectly

1615

01:11:41,150 --> 01:11:39,330

sensible if you go to a restaurant to

1616

01:11:43,310 --> 01:11:41,160

eat food you understand that you need to

1617

01:11:45,620 --> 01:11:43,320

pay for the whole if you want to enjoy

1618

01:11:47,690 --> 01:11:45,630

stuff that is made with no advertising

1619

01:11:49,670 --> 01:11:47,700

and if you have the fun Lakers to be

1620

01:11:51,320 --> 01:11:49,680

able to continue to do what they do then

1621

01:11:54,490 --> 01:11:51,330

you have to be willing to support it and

1622

01:11:58,850 --> 01:11:54,500

I don't know how the perception of

1623

01:12:02,000 --> 01:11:58,860

people got so twisted but now it's like

1624

01:12:04,010 --> 01:12:02,010

you know you can't go to a bank and

1625

01:12:05,360 --> 01:12:04,020

robbed the bank but the same people who

1626

01:12:07,010 --> 01:12:05,370

would never rob a bank because it's

1627

01:12:08,990 --> 01:12:07,020

wrong and it's illegal they'll have no

1628

01:12:11,000 --> 01:12:09,000

problem stealing a song or stealing a

1629

01:12:13,130 --> 01:12:11,010

video or watching something on YouTube

1630

01:12:16,340 --> 01:12:13,140

knowing that they were thought the

1631

01:12:20,780 --> 01:12:16,350

concept created and put it up well it's

1632

01:12:23,870 --> 01:12:20,790

um it's a big issue I think part of the

1633

01:12:27,800 --> 01:12:23,880

movement has to do with I mean I I only

1634

01:12:30,770 --> 01:12:27,810

recently started charging you know but

1635

01:12:32,150 --> 01:12:30,780

i've had some generous people help me

1636

01:12:36,050 --> 01:12:32,160

out one of them is actually in the chat

1637

01:12:39,560 --> 01:12:36,060

room right now coupled them actually so

1638

01:12:41,290 --> 01:12:39,570

that the deal is um you know I I know

1639

01:12:43,850 --> 01:12:41,300

but if you're a waiter in a restaurant

1640

01:12:45,590 --> 01:12:43,860

should you be expected so work in that

1641

01:12:46,790 --> 01:12:45,600

restaurant for free hoping that one or

1642

01:12:49,940 --> 01:12:46,800

two people are going to give you a big

1643

01:12:52,220 --> 01:12:49,950

tip no my why does that apply to us but

1644

01:12:55,640 --> 01:12:52,230

my point my point that I was trying to

1645

01:12:58,280 --> 01:12:55,650

make is I did this totally for the love

1646

01:13:00,350 --> 01:12:58,290

of doing it and when it started costing

1647

01:13:02,390 --> 01:13:00,360

me money that's I'm not looking to make

1648

01:13:04,100 --> 01:13:02,400

money on this particular podcast and I'm

1649

01:13:06,770 --> 01:13:04,110

not comparing it to your movies or your

1650

01:13:08,690 --> 01:13:06,780

film or anything like that because that

1651
01:13:10,910 --> 01:13:08,700
is something you are doing as an

1652
01:13:15,440 --> 01:13:10,920
occupation I this is not my primary

1653
01:13:17,840 --> 01:13:15,450
occupation and well so yeah it is or it

1654
01:13:19,550 --> 01:13:17,850
is our primary occupation and the people

1655
01:13:21,530 --> 01:13:19,560
that made the circuit Citizen hearing on

1656
01:13:23,210 --> 01:13:21,540
disclosure it blew me away and we

1657
01:13:27,110 --> 01:13:23,220
actually got people complaining that

1658
01:13:28,850 --> 01:13:27,120
they couldn't access the go they

1659
01:13:30,530 --> 01:13:28,860
couldn't download from the live stream

1660
01:13:33,290 --> 01:13:30,540
so they could post it on youtube I mean

1661
01:13:35,030 --> 01:13:33,300
it just really blew me away we only

1662
01:13:37,220 --> 01:13:35,040
charge three dollars to watch the entire

1663
01:13:40,280 --> 01:13:37,230

week testimony we had people complaining

1664

01:13:42,980 --> 01:13:40,290

about that and you know it's just like i

1665

01:13:44,600 --> 01:13:42,990

beez don't get it but when I whenever I

1666

01:13:45,950 --> 01:13:44,610

get into this debate

1667

01:13:48,879 --> 01:13:45,960

people and you can tell I'm a little

1668

01:13:51,770 --> 01:13:48,889

charge stuff about it because this it's

1669

01:13:54,609 --> 01:13:51,780

anybody out there that's watching the

1670

01:13:56,990 --> 01:13:54,619

anything that they didn't pay for the

1671

01:13:58,820 --> 01:13:57,000

content creator is trying to get pay for

1672

01:14:00,320 --> 01:13:58,830

any one of you are doing that now say

1673

01:14:03,080 --> 01:14:00,330

about how you feel and how fired up

1674

01:14:04,939 --> 01:14:03,090

cutie if a bunch of filmmakers waiting

1675

01:14:07,250 --> 01:14:04,949

outside your house until you left and

1676

01:14:09,229 --> 01:14:07,260

then that mean sorry TV it's the same

1677

01:14:10,959 --> 01:14:09,239

thing that's what you're doing to us if

1678

01:14:14,060 --> 01:14:10,969

you're just a little tired of it that

1679

01:14:16,490 --> 01:14:14,070

it's terrible and I don't really like to

1680

01:14:19,129 --> 01:14:16,500

get into a debate about it on radio show

1681

01:14:21,470 --> 01:14:19,139

is BB brought it up and the fact of the

1682

01:14:23,959 --> 01:14:21,480

matter is it just has to stop the good

1683

01:14:27,050 --> 01:14:23,969

public needs to understand that media

1684

01:14:28,609 --> 01:14:27,060

just because you can get it doesn't mean

1685

01:14:30,229 --> 01:14:28,619

you should and just because you can get

1686

01:14:32,959 --> 01:14:30,239

away still like something doesn't mean

1687

01:14:34,100 --> 01:14:32,969

it's not still so you know you beat all

1688

01:14:35,660 --> 01:14:34,110

these people that are upstanding

1689

01:14:37,729 --> 01:14:35,670

church-going folks that they have no

1690

01:14:40,640 --> 01:14:37,739

problem pirating software for

1691

01:14:43,340 --> 01:14:40,650

downloading a movie that they know

1692

01:14:45,169 --> 01:14:43,350

they're downloading illegally so other

1693

01:14:50,570 --> 01:14:45,179

society who have take a look at that

1694

01:14:54,080 --> 01:14:50,580

okay so let's move on to be a yep let's

1695

01:14:56,149 --> 01:14:54,090

um I want to ask you what is what's in

1696

01:14:58,609 --> 01:14:56,159

the future what are things that you're

1697

01:15:00,879 --> 01:14:58,619

looking to do you know mostly I'm want

1698

01:15:03,740 --> 01:15:00,889

to stay a course on the UFO topic but

1699

01:15:07,040 --> 01:15:03,750

are you involved in something now or

1700

01:15:08,689 --> 01:15:07,050

have something planned yeah I mean that

1701

01:15:11,540 --> 01:15:08,699

United stream may or may not know I'm ah

1702

01:15:13,490 --> 01:15:11,550

I'm supervising I with special effects

1703

01:15:17,870 --> 01:15:13,500

sequences for the reenactments for the

1704

01:15:20,780 --> 01:15:17,880

Travis loading dock which is a the

1705

01:15:22,070 --> 01:15:20,790

second version 2.0 that movies coming

1706

01:15:23,870 --> 01:15:22,080

out in the one but it's going to be very

1707

01:15:26,570 --> 01:15:23,880

very path with some really cool stuff

1708

01:15:29,419 --> 01:15:26,580

and when I show bigger questions I'm

1709

01:15:31,820 --> 01:15:29,429

constantly bad enough they just added a

1710

01:15:33,379 --> 01:15:31,830

spaceship set and we're going to be

1711

01:15:35,689 --> 01:15:33,389

doing some really fun stuff that's

1712

01:15:37,970 --> 01:15:35,699

taking the second to sell out of the

1713

01:15:41,000 --> 01:15:37,980

studio and having a little imagination

1714

01:15:43,370 --> 01:15:41,010

and the sci-fi so that's it and we're

1715

01:15:46,820 --> 01:15:43,380

really exploring how science is bringing

1716

01:15:49,550 --> 01:15:46,830

us closer to extending the unexplainable

1717

01:15:53,959 --> 01:15:49,560

and it's a really encouraging place to

1718

01:15:55,850 --> 01:15:53,969

be because for instance you know NASA is

1719

01:15:58,370 --> 01:15:55,860

not saying hey you know maybe what tribe

1720

01:16:00,229 --> 01:15:58,380

is possible answer years ago 20th day

1721

01:16:02,600 --> 01:16:00,239

like oh that's a pipe dream so that's

1722

01:16:04,430 --> 01:16:02,610

just a basic example but there's so many

1723

01:16:06,169 --> 01:16:04,440

things where scientific theories that we

1724

01:16:09,169 --> 01:16:06,179

didn't have five and tenants a few years

1725

01:16:11,419 --> 01:16:09,179

ago are popping up but they're also

1726

01:16:14,120 --> 01:16:11,429

giving us potential answers to a whole

1727

01:16:17,660 --> 01:16:14,130

bunch of things we consider paranormal

1728

01:16:19,970 --> 01:16:17,670

today and I've had this sense that as a

1729

01:16:23,090 --> 01:16:19,980

society until we can get science

1730

01:16:26,240 --> 01:16:23,100

spirituality and mysterious phenomenon

1731

01:16:27,979 --> 01:16:26,250

on the same page we're largely in a

1732

01:16:29,810 --> 01:16:27,989

dysfunctional place because we've got

1733

01:16:32,120 --> 01:16:29,820

three different factions about of our

1734

01:16:35,090 --> 01:16:32,130

civilization basically ignoring the

1735

01:16:37,340 --> 01:16:35,100

other and syrups like different make any

1736

01:16:38,770 --> 01:16:37,350

sense and until there's other entries

1737

01:16:42,140 --> 01:16:38,780

you till you can get on the same page

1738

01:16:44,390 --> 01:16:42,150

it's actually about different ways of

1739

01:16:46,220 --> 01:16:44,400

looking at things then we're not really

1740

01:16:49,129 --> 01:16:46,230

able to move forward as a cohesive

1741

01:16:51,890 --> 01:16:49,139

species so to me the choosing of science

1742

01:16:55,970 --> 01:16:51,900

spirituality and unexplained phenomena

1743

01:16:57,709 --> 01:16:55,980

are you know one of the most important

1744

01:16:59,439 --> 01:16:57,719

things that a mediator should be showed

1745

01:17:03,350 --> 01:16:59,449

the bottom so that's what I'm doing now

1746

01:17:08,240 --> 01:17:03,360

I saw something on YouTube and it was

1747

01:17:09,830 --> 01:17:08,250

free that it showed your what is it

1748

01:17:12,080 --> 01:17:09,840

called the big question or what does

1749

01:17:15,620 --> 01:17:12,090

that call it the show a bigger question

1750

01:17:18,649 --> 01:17:15,630

a bigger question and I did see that's

1751

01:17:22,160 --> 01:17:18,659

quite a studio you have there there's a

1752

01:17:26,000 --> 01:17:22,170

lot of that green screen or you will see

1753

01:17:27,800 --> 01:17:26,010

you Wow okay yeah and yeah you're not

1754

01:17:29,419 --> 01:17:27,810

psychic if I'm not putting episode of my

1755

01:17:31,910 --> 01:17:29,429

show on YouTube for food that's great

1756

01:17:34,669 --> 01:17:31,920

but that doesn't mean that I want

1757

01:17:35,870 --> 01:17:34,679

somebody else pirating it prior pirating

1758

01:17:38,419 --> 01:17:35,880

all the other episodes at my website

1759

01:17:40,490 --> 01:17:38,429

including enough for free I sure I share

1760

01:17:44,060 --> 01:17:40,500

a lot of that stuff for free but yeah I

1761

01:17:45,830 --> 01:17:44,070

have a whole studio that I sure somebody

1762

01:17:48,680 --> 01:17:45,840

else who has a tripod in square foot

1763

01:17:52,490 --> 01:17:48,690

facility we shoot the original shows

1764

01:17:54,560 --> 01:17:52,500

here and gone and breakfast is expanding

1765

01:17:56,479 --> 01:17:54,570

one more sometime in process on nine

1766

01:17:59,149 --> 01:17:56,489

different regional shows covering at the

1767

01:18:02,030 --> 01:17:59,159

topics from Fukushima radiation all the

1768

01:18:05,330 --> 01:18:02,040

way to alternative agriculture how to

1769

01:18:08,390 --> 01:18:05,340

sites that's the GMO issue by producing

1770

01:18:09,770 --> 01:18:08,400

world truth and so you know there's a

1771

01:18:12,170 --> 01:18:09,780

lot of different topics that I can't

1772

01:18:15,650 --> 01:18:12,180

appeal to everybody

1773

01:18:17,780 --> 01:18:15,660

that were putting them on the channel do

1774

01:18:22,490 --> 01:18:17,790

you have a fairly easy time getting

1775

01:18:24,230 --> 01:18:22,500

guests for that I mean you know I people

1776

01:18:25,970 --> 01:18:24,240

have to come to the studio so sighs I

1777

01:18:28,250 --> 01:18:25,980

can call them on the phone so we don't

1778

01:18:30,320 --> 01:18:28,260

adhere to a fixed schedule but so far

1779

01:18:32,720 --> 01:18:30,330

just recently I had sound reasoning

1780

01:18:35,000 --> 01:18:32,730

which was like God the behavior shows i

1781

01:18:37,400 --> 01:18:35,010

was talking about how you guys inspired

1782

01:18:38,690 --> 01:18:37,410

me early off if you were charred me 20

1783

01:18:40,220 --> 01:18:38,700

years ago well you know one day you're

1784

01:18:42,140 --> 01:18:40,230

going to be making movies with that guy

1785

01:18:45,830 --> 01:18:42,150

neck broken that guy Stanton Friedman

1786

01:18:49,280 --> 01:18:45,840

and I would have been like wow no way

1787

01:18:52,310 --> 01:18:49,290

but now I do nan said it's pretty cool

1788

01:18:55,790 --> 01:18:52,320

yeah I said that adventure BIA and that

1789

01:18:58,760 --> 01:18:55,800

had Nassim Haramein in just recently had

1790

01:19:01,220 --> 01:18:58,770

great interview about the paranormal and

1791

01:19:04,700 --> 01:19:01,230

quantum physics just have Rosemary on

1792

01:19:07,520 --> 01:19:04,710

diary in part David's the producer

1793

01:19:10,130 --> 01:19:07,530

Roswell was in just recently and so yeah

1794

01:19:13,910 --> 01:19:10,140

we had a pretty good do to people coming

1795

01:19:17,690 --> 01:19:13,920

through yeah I always enjoy seeing

1796

01:19:20,180 --> 01:19:17,700

Stanton Friedman he is just such an

1797

01:19:22,790 --> 01:19:20,190

approachable man you know you would

1798

01:19:24,560 --> 01:19:22,800

think he almost wouldn't be but he's

1799

01:19:28,280 --> 01:19:24,570

very approachable run it what a nice

1800

01:19:30,140 --> 01:19:28,290

gentleman he is he were raving he wanted

1801

01:19:32,060 --> 01:19:30,150

a thirty one of the finest work even if

1802

01:19:35,870 --> 01:19:32,070

you have the sciences the scientists who

1803

01:19:38,990 --> 01:19:35,880

do have seen enough to know that there's

1804

01:19:40,910 --> 01:19:39,000

something going on and yeah it was just

1805

01:19:43,670 --> 01:19:40,920

a rural area happen up here I work with

1806

01:19:46,760 --> 01:19:43,680

them on top yourself and to have him

1807

01:19:48,320 --> 01:19:46,770

that likes to do was to set an intercept

1808

01:19:49,820 --> 01:19:48,330

people meeting the president would be

1809

01:19:52,460 --> 01:19:49,830

kind of would be a big deal for me

1810

01:19:56,870 --> 01:19:52,470

having Stanton come to my studio G show

1811

01:19:59,420 --> 01:19:56,880

he was like this amazing gratifying yeah

1812

01:20:02,960 --> 01:19:59,430

he says he says crew things kind of

1813

01:20:08,300 --> 01:20:02,970

repetitive but I never get tired of

1814

01:20:09,950 --> 01:20:08,310

hearing him he's a great guy and let's

1815

01:20:11,330 --> 01:20:09,960

talk a little bit about you know at

1816

01:20:14,210 --> 01:20:11,340

first first of all I was going to have

1817

01:20:18,710 --> 01:20:14,220

you as a third guest on a few weeks ago

1818

01:20:21,440 --> 01:20:18,720

when I had Jennifer Stein on talking

1819

01:20:24,530 --> 01:20:21,450

about the Travis Wall new video getting

1820

01:20:25,910 --> 01:20:24,540

a little bit of feedback rondo uence

1821

01:20:31,580 --> 01:20:25,920

you're not on speakerphone

1822

01:20:34,580 --> 01:20:31,590

you know yeah ok so anyway can you

1823

01:20:36,050 --> 01:20:34,590

explain you said you did some effects or

1824

01:20:38,120 --> 01:20:36,060

some type of editing or what would it

1825

01:20:40,430 --> 01:20:38,130

what is your mail we've got we've gotten

1826
01:20:42,950 --> 01:20:40,440
in after the first additionally and we

1827
01:20:44,600 --> 01:20:42,960
hired actors we have shot complete

1828
01:20:47,650 --> 01:20:44,610
reenactment of everything that happened

1829
01:20:51,320 --> 01:20:47,660
to Travis off the inside of craft and

1830
01:20:52,850 --> 01:20:51,330
you know it's all go you know there's

1831
01:20:54,709 --> 01:20:52,860
the movies and everything else forever

1832
01:20:57,979 --> 01:20:54,719
all right now is that if you like the

1833
01:20:59,990 --> 01:20:57,989
most elaborate ooh a napkin sequences

1834
01:21:02,390 --> 01:21:00,000
that have been done and so it's going to

1835
01:21:05,570 --> 01:21:02,400
be part of the second version of the new

1836
01:21:09,169 --> 01:21:05,580
release it's very exciting yeah yeah

1837
01:21:12,439 --> 01:21:09,179
I've talked to him I don't know I was

1838
01:21:14,870 --> 01:21:12,449

out in Phoenix of last february and I

1839

01:21:16,700 --> 01:21:14,880

said what about you know another fire in

1840

01:21:18,500 --> 01:21:16,710

the sky is that you know is that do you

1841

01:21:20,540 --> 01:21:18,510

think that'll ever happened he he thinks

1842

01:21:22,820 --> 01:21:20,550

it may happen you know and in his

1843

01:21:24,890 --> 01:21:22,830

lifetime will they do a remake and if it

1844

01:21:27,169 --> 01:21:24,900

does you know he really wants to a

1845

01:21:29,600 --> 01:21:27,179

little more input that show is yeah

1846

01:21:31,189 --> 01:21:29,610

watched quite a bit actually yeah you

1847

01:21:32,689 --> 01:21:31,199

know it's no secret that there's a lot

1848

01:21:34,820 --> 01:21:32,699

about that movie in the process of

1849

01:21:39,260 --> 01:21:34,830

making a movie that didn't sit well with

1850

01:21:41,540 --> 01:21:39,270

Travis and um I've been very aware of

1851
01:21:44,930 --> 01:21:41,550
keeping him included in this process as

1852
01:21:47,479 --> 01:21:44,940
we do these are these shots you know

1853
01:21:49,280 --> 01:21:47,489
he's cute didn't didn't was going to put

1854
01:21:51,229 --> 01:21:49,290
out what works what doesn't work and so

1855
01:21:53,630 --> 01:21:51,239
we really want to make the reenactment

1856
01:21:55,850 --> 01:21:53,640
that I joke about people I say you know

1857
01:21:57,620 --> 01:21:55,860
this Travis watches this and does not

1858
01:22:00,590 --> 01:21:57,630
get creeped out and I have sailed as a

1859
01:22:04,310 --> 01:22:00,600
filmmaker to accomplish my goal yeah

1860
01:22:08,570 --> 01:22:04,320
yeah you know because the part of that

1861
01:22:11,090 --> 01:22:08,580
whole experience that is so amazing to

1862
01:22:14,689 --> 01:22:11,100
me as you know when he when he woke up

1863
01:22:16,820 --> 01:22:14,699

on board whatever it was and you know

1864

01:22:18,709 --> 01:22:16,830

the beings and all that out of that part

1865

01:22:21,110 --> 01:22:18,719

is chilling especially when you're

1866

01:22:23,620 --> 01:22:21,120

talking to him face-to-face and he's

1867

01:22:26,300 --> 01:22:23,630

telling telling the story you know I

1868

01:22:29,900 --> 01:22:26,310

there's no BS meter going off when I

1869

01:22:31,939 --> 01:22:29,910

talked to Travis know and yell I wasn't

1870

01:22:34,580 --> 01:22:31,949

as intimately familiar with the story as

1871

01:22:37,130 --> 01:22:34,590

I am now and one of the things that

1872

01:22:39,770 --> 01:22:37,140

really strikes me about Travis's story

1873

01:22:42,649 --> 01:22:39,780

is that he is talking about

1874

01:22:44,899 --> 01:22:42,659

you know races and creatures and beings

1875

01:22:48,609 --> 01:22:44,909

that you know people back then what were

1876

01:22:51,410 --> 01:22:48,619

we talking about um but now you know the

1877

01:22:53,299 --> 01:22:51,420

reports of these encounters is grown

1878

01:22:54,740 --> 01:22:53,309

exponentially and they're asking to

1879

01:22:56,629 --> 01:22:54,750

collaborate what he was saying way back

1880

01:22:59,000 --> 01:22:56,639

then I mean all the way down to the

1881

01:23:01,310 --> 01:22:59,010

humanoids to be the creatures that were

1882

01:23:03,020 --> 01:23:01,320

getting the grey aliens and the

1883

01:23:06,049 --> 01:23:03,030

descriptions of the crafts and the

1884

01:23:09,529 --> 01:23:06,059

things that he saw um like filet yeah he

1885

01:23:11,930 --> 01:23:09,539

made all that up but the truth is to me

1886

01:23:13,819 --> 01:23:11,940

there are so many more stories about

1887

01:23:17,000 --> 01:23:13,829

this stuff awful in different ways that

1888

01:23:18,260 --> 01:23:17,010

having these unifying threads but I'm

1889

01:23:20,540 --> 01:23:18,270

told you that there's something to it

1890

01:23:23,450 --> 01:23:20,550

and use all the first ones to bring

1891

01:23:25,850 --> 01:23:23,460

these these images into into the

1892

01:23:27,680 --> 01:23:25,860

collective consciousness and so you know

1893

01:23:29,540 --> 01:23:27,690

that plus the only haven't gotten in

1894

01:23:33,799 --> 01:23:29,550

know Travis I I did it this really

1895

01:23:35,899 --> 01:23:33,809

happened it's it's a heck of a soil it

1896

01:23:39,799 --> 01:23:35,909

really is and no one of them we brought

1897

01:23:41,660 --> 01:23:39,809

up earlier talking about is we talked

1898

01:23:43,370 --> 01:23:41,670

about earlier is the Rendlesham forest a

1899

01:23:45,529 --> 01:23:43,380

little bit about that we touched on that

1900

01:23:49,520 --> 01:23:45,539

I should say and to me that's another

1901

01:23:53,720 --> 01:23:49,530

one that is just an amazing story and

1902

01:23:56,120 --> 01:23:53,730

the absolute most convoluted story of

1903

01:23:58,549 --> 01:23:56,130

anything I think there is out there in

1904

01:24:00,470 --> 01:23:58,559

other words there's a lot of he said

1905

01:24:03,950 --> 01:24:00,480

that no he didn't and you know that

1906

01:24:06,470 --> 01:24:03,960

going on constantly and a bit of a riff

1907

01:24:11,359 --> 01:24:06,480

here and there and but I still think

1908

01:24:12,979 --> 01:24:11,369

it's a real solid a solid case yeah

1909

01:24:16,220 --> 01:24:12,989

absolutely and you know the fact that

1910

01:24:18,260 --> 01:24:16,230

it's almost like if there's nothing to

1911

01:24:21,919 --> 01:24:18,270

it then why are the color of while the

1912

01:24:23,959 --> 01:24:21,929

obvious color help about the efforts to

1913

01:24:26,750 --> 01:24:23,969

keep it covered up and all the

1914

01:24:28,819 --> 01:24:26,760

disappearing from and the discrepancies

1915

01:24:30,709 --> 01:24:28,829

and the drugs and I mean it's just like

1916

01:24:32,600 --> 01:24:30,719

it's almost like saying well nothing

1917

01:24:34,040 --> 01:24:32,610

happened and that's why balasore get

1918

01:24:37,069 --> 01:24:34,050

make such a big deal out of it it makes

1919

01:24:39,049 --> 01:24:37,079

no sense the military the government

1920

01:24:40,669 --> 01:24:39,059

people are keeping these secrets they do

1921

01:24:43,129 --> 01:24:40,679

this to themselves all the time and you

1922

01:24:45,229 --> 01:24:43,139

have to wonder are they really trying

1923

01:24:47,120 --> 01:24:45,239

are they so inept that they think we're

1924

01:24:50,029 --> 01:24:47,130

going to believe that Roswell is passed

1925

01:24:51,950 --> 01:24:50,039

on these or are they just in a way

1926

01:24:53,270 --> 01:24:51,960

giving up saying well nobody's this too

1927

01:24:56,149 --> 01:24:53,280

but if you tell on this

1928

01:24:57,830 --> 01:24:56,159

no line and then there that the stories

1929

01:25:00,109 --> 01:24:57,840

out there have juice too but that's the

1930

01:25:04,100 --> 01:25:00,119

best give you that it's almost like are

1931

01:25:05,620 --> 01:25:04,110

they I say at the end of one of my clips

1932

01:25:08,060 --> 01:25:05,630

that are in the bigger question show

1933

01:25:10,339 --> 01:25:08,070

could it be that they were getting

1934

01:25:14,299 --> 01:25:10,349

disclosure by the velocity of the lies

1935

01:25:15,979 --> 01:25:14,309

and it's a question of control well I'm

1936

01:25:17,839 --> 01:25:15,989

going to tell a little bit behind the

1937

01:25:21,439 --> 01:25:17,849

fourth wall here to the listener out

1938

01:25:25,310 --> 01:25:21,449

there I think it was about them maybe

1939

01:25:28,729 --> 01:25:25,320

last november or october i mentioned on

1940

01:25:31,870 --> 01:25:28,739

line briefly when i had someone on him

1941

01:25:34,879 --> 01:25:31,880

trying to remember the guests that i met

1942

01:25:38,390 --> 01:25:34,889

Charles halt down in North Carolina and

1943

01:25:41,990 --> 01:25:38,400

in the general conversation he admitted

1944

01:25:44,180 --> 01:25:42,000

that he was also drugged and Robert

1945

01:25:45,919 --> 01:25:44,190

Hastings who has helped the show out for

1946

01:25:50,240 --> 01:25:45,929

a long time actually listen to the show

1947

01:25:52,640 --> 01:25:50,250

and started emailing me that's not true

1948

01:25:54,950 --> 01:25:52,650

and you know all this and then he got

1949

01:25:58,339 --> 01:25:54,960

ahold of Charles halt and Charles said

1950

01:26:01,220 --> 01:25:58,349

no way I never said that and and I said

1951

01:26:03,500 --> 01:26:01,230

no you know I stood right there and I

1952

01:26:05,209 --> 01:26:03,510

heard him say that you know he he didn't

1953

01:26:08,180 --> 01:26:05,219

realize it until years later and you

1954

01:26:10,250 --> 01:26:08,190

know he told the whole story and you

1955

01:26:12,319 --> 01:26:10,260

know then he was in complete denial

1956

01:26:14,359 --> 01:26:12,329

about it well Robert Hastings got really

1957

01:26:15,589 --> 01:26:14,369

really angry at me and won't talk to me

1958

01:26:18,709 --> 01:26:15,599

anymore he's gone he's out of the

1959

01:26:21,799 --> 01:26:18,719

picture but I was communicating with

1960

01:26:23,419 --> 01:26:21,809

Charles halt through all this and I said

1961

01:26:28,189 --> 01:26:23,429

listen here's my phone number just

1962

01:26:30,529 --> 01:26:28,199

please just call me let's talk so I so

1963

01:26:35,120 --> 01:26:30,539

Charles halt calls me and I said Charles

1964

01:26:39,379 --> 01:26:35,130

right now if you took a any type of Lie

1965

01:26:42,229 --> 01:26:39,389

Detector online and I'm getting some

1966

01:26:44,240 --> 01:26:42,239

feedback there Ron took any type of Lie

1967

01:26:46,879 --> 01:26:44,250

Detector or whatever i'm going to say

1968

01:26:48,709 --> 01:26:46,889

this and it's going to come back that

1969

01:26:53,689 --> 01:26:48,719

I'm telling the truth because you said

1970

01:26:55,520 --> 01:26:53,699

this to be and he said can we do this he

1971

01:26:58,010 --> 01:26:55,530

said I believe that you were telling

1972

01:27:00,500 --> 01:26:58,020

what you think is the truth but he said

1973

01:27:02,180 --> 01:27:00,510

I did not say that we all ended up we

1974

01:27:05,299 --> 01:27:02,190

patched things up enough to the point

1975

01:27:06,490 --> 01:27:05,309

where he actually came on the show like

1976

01:27:09,760 --> 01:27:06,500

the month after that

1977

01:27:11,260 --> 01:27:09,770

so it was interesting but I never

1978

01:27:13,680 --> 01:27:11,270

brought it up during the show but I'm

1979

01:27:16,030 --> 01:27:13,690

just giving the listener of our two of

1980

01:27:20,770 --> 01:27:16,040

our to just a little behind the scenes

1981

01:27:23,230 --> 01:27:20,780

of what happened no it's really a shame

1982

01:27:25,090 --> 01:27:23,240

that it cuz you know that kind of put

1983

01:27:27,550 --> 01:27:25,100

you in a situation where no matter how

1984

01:27:28,990 --> 01:27:27,560

much in integrity you try to be you find

1985

01:27:31,870 --> 01:27:29,000

yourself in a situation where your

1986

01:27:33,370 --> 01:27:31,880

integrity can be questioned and on you

1987

01:27:36,130 --> 01:27:33,380

just have to be really careful won't you

1988

01:27:40,240 --> 01:27:36,140

oh yeah you know I mean I was threatened

1989

01:27:45,370 --> 01:27:40,250

up by Robert Hastings about libel and

1990

01:27:47,050 --> 01:27:45,380

you know all this other stuff so but you

1991

01:27:51,400 --> 01:27:47,060

know I was glad that he and I more or

1992

01:27:53,200 --> 01:27:51,410

less I earned it out but I still I'm not

1993

01:27:56,680 --> 01:27:53,210

going to go any further than you know I

1994

01:27:59,980 --> 01:27:56,690

I thought that's what I heard so I'll

1995

01:28:01,810 --> 01:27:59,990

just leave it yeah what you know it's

1996

01:28:05,230 --> 01:28:01,820

it's a minefield especially in this

1997

01:28:07,240 --> 01:28:05,240

genre because there's so many people

1998

01:28:08,860 --> 01:28:07,250

with an interest in disinformation and

1999

01:28:11,230 --> 01:28:08,870

there's so many people that want to see

2000

01:28:13,510 --> 01:28:11,240

us turn into just a bunch of back by the

2001

01:28:15,580 --> 01:28:13,520

infighting people and resolve our

2002

01:28:19,120 --> 01:28:15,590

credibility and you have to be aware

2003

01:28:22,120 --> 01:28:19,130

that constantly and so you know all I

2004

01:28:24,040 --> 01:28:22,130

ever hope for in this field is that the

2005

01:28:28,180 --> 01:28:24,050

bickering can stop and that everybody

2006

01:28:29,860 --> 01:28:28,190

night and come up with some professional

2007

01:28:31,690 --> 01:28:29,870

standards conduct and connect with some

2008

01:28:34,590 --> 01:28:31,700

professional standards of Investigation

2009

01:28:38,080 --> 01:28:34,600

and some serious peer review yeah

2010

01:28:39,250 --> 01:28:38,090

because the field of you followed you if

2011

01:28:41,650 --> 01:28:39,260

you want to call it that a lot of people

2012

01:28:43,990 --> 01:28:41,660

don't like that the fear with the

2013

01:28:45,990 --> 01:28:44,000

apology is a dysfunctional crowd at the

2014

01:28:49,000 --> 01:28:46,000

moment and so we can really get

2015

01:28:51,460 --> 01:28:49,010

disorganized you know it's hard for us

2016

01:28:54,160 --> 01:28:51,470

to unify and have the web take it

2017

01:28:55,480 --> 01:28:54,170

seriously and so you know that's one of

2018

01:28:57,280 --> 01:28:55,490

the reasons that I'm supported in the

2019

01:28:59,500 --> 01:28:57,290

political movement in all of this is

2020

01:29:03,550 --> 01:28:59,510

because at least it has some cohesive on

2021

01:29:06,450 --> 01:29:03,560

parameters or operates within and so we

2022

01:29:08,890 --> 01:29:06,460

have me to just bring our a game and

2023

01:29:10,180 --> 01:29:08,900

then quit fighting amongst ourselves if

2024

01:29:12,670 --> 01:29:10,190

they're trying to discredit each other

2025

01:29:13,990 --> 01:29:12,680

and the most thumbs like pictures of

2026

01:29:15,340 --> 01:29:14,000

mummies they're going to be worried

2027

01:29:16,990 --> 01:29:15,350

about in front of the world we should

2028

01:29:18,280 --> 01:29:17,000

have a much bigger peer review for

2029

01:29:20,680 --> 01:29:18,290

something like that is allowed to be

2030

01:29:24,680 --> 01:29:20,690

showing yeah hang on

2031

01:29:25,970 --> 01:29:24,690

we have a caller color identify yourself

2032

01:29:28,730 --> 01:29:25,980

if you would and please ask your

2033

01:29:33,290 --> 01:29:28,740

question longtime listener first-time

2034

01:29:37,100 --> 01:29:33,300

caller all right yes a butyl oh hey how

2035

01:29:39,770 --> 01:29:37,110

you doing Matthew excellent I would like

2036

01:29:43,310 --> 01:29:39,780

to know from our gifts what's the best

2037

01:29:45,620 --> 01:29:43,320

way to obtain his content I know German

2038

01:29:47,450 --> 01:29:45,630

corbel was obviously but if he could

2039

01:29:51,380 --> 01:29:47,460

kind of repeat that with what the best

2040

01:29:53,240 --> 01:29:51,390

value is and then follow-up comment just

2041

01:29:56,360 --> 01:29:53,250

as I didn't mean that his work was

2042

01:29:58,130 --> 01:29:56,370

invaluable I just was wondering for the

2043

01:30:00,500 --> 01:29:58,140

purpose of disclosures and thoughtful

2044

01:30:02,840 --> 01:30:00,510

huge goal if all that his hard work

2045

01:30:04,370 --> 01:30:02,850

would be more fruitful because he by

2046

01:30:06,430 --> 01:30:04,380

those who are actually interested in the

2047

01:30:08,930 --> 01:30:06,440

field person sending them to random

2048

01:30:12,920 --> 01:30:08,940

Congress people that that more likely is

2049

01:30:15,590 --> 01:30:12,930

not interested well the fact of the

2050

01:30:17,810 --> 01:30:15,600

matter is is it making the trailer 3 to

2051
01:30:20,000 --> 01:30:17,820
somebody who's going to do a digestive

2052
01:30:23,360 --> 01:30:20,010
in their arm chair at home and Wichita

2053
01:30:24,830 --> 01:30:23,370
is not the best use of resources the

2054
01:30:27,140 --> 01:30:24,840
Congress people may or may not be

2055
01:30:28,850 --> 01:30:27,150
interested in disclosure that when

2056
01:30:31,090 --> 01:30:28,860
you're engaging the political process

2057
01:30:33,560 --> 01:30:31,100
they are the people that you must engage

2058
01:30:35,300 --> 01:30:33,570
the thing thought of giving away the

2059
01:30:36,950 --> 01:30:35,310
Citizen hearing on disclosure on YouTube

2060
01:30:39,350 --> 01:30:36,960
this won't create a national outcry

2061
01:30:41,150 --> 01:30:39,360
where tens of thousands of people are

2062
01:30:42,770 --> 01:30:41,160
going to demand from their politicians

2063
01:30:44,720 --> 01:30:42,780

that this happened and we are going to

2064

01:30:48,290 --> 01:30:44,730

see demonstrations and the capitals of

2065

01:30:50,060 --> 01:30:48,300

states you demanding action then we

2066

01:30:52,430 --> 01:30:50,070

would certainly do it but I don't think

2067

01:30:55,010 --> 01:30:52,440

that that would be the results and so

2068

01:30:57,560 --> 01:30:55,020

you know the people there's only in core

2069

01:30:59,150 --> 01:30:57,570

audience maybe 20,000 people around the

2070

01:31:00,560 --> 01:30:59,160

world that would have enough to

2071

01:31:03,860 --> 01:31:00,570

interested in sort of some hearing of

2072

01:31:05,960 --> 01:31:03,870

the squares or to buy it and so later

2073

01:31:07,870 --> 01:31:05,970

you know it's been we've given away free

2074

01:31:12,080 --> 01:31:07,880

clips the TV who's done a lot of things

2075

01:31:13,280 --> 01:31:12,090

to to get the word out but at the end of

2076

01:31:16,010 --> 01:31:13,290

the day it costs money to be in

2077

01:31:19,310 --> 01:31:16,020

Washington it costs money to to stay in

2078

01:31:20,690 --> 01:31:19,320

DC it costs money to pay a publicist it

2079

01:31:22,310 --> 01:31:20,700

costs money to knock on the doors of

2080

01:31:26,990 --> 01:31:22,320

these Congress people and if we're not

2081

01:31:29,000 --> 01:31:27,000

giving that money from the fruits of the

2082

01:31:33,140 --> 01:31:29,010

work that we've done the way we supposed

2083

01:31:34,850 --> 01:31:33,150

to get it so you know if we thought

2084

01:31:36,440 --> 01:31:34,860

the Citizen hearing on disclosure a bit

2085

01:31:38,030 --> 01:31:36,450

of commercial and flying violet asked

2086

01:31:41,540 --> 01:31:38,040

him every day the watches it send us

2087

01:31:44,480 --> 01:31:41,550

apart my beer attended to back so

2088

01:31:46,850 --> 01:31:44,490

unfortunately world we live in says that

2089

01:31:50,720 --> 01:31:46,860

you know it takes money to do your work

2090

01:31:52,550 --> 01:31:50,730

and so you put it out there we live

2091

01:31:54,980 --> 01:31:52,560

stream divided over the world for three

2092

01:31:56,420 --> 01:31:54,990

dollars I don't know how much my private

2093

01:31:58,250 --> 01:31:56,430

service we could have been across this

2094

01:32:00,560 --> 01:31:58,260

more than that just pay the company that

2095

01:32:02,900 --> 01:32:00,570

provided the bandwidth so I forgot

2096

01:32:05,540 --> 01:32:02,910

you've done a bit and as far as Jeremy

2097

01:32:08,540 --> 01:32:05,550

corbel well you know he started of CHD

2098

01:32:10,820 --> 01:32:08,550

too he was not involved in selling the

2099

01:32:12,860 --> 01:32:10,830

Citizen hearing this kind of I hear that

2100

01:32:15,080 --> 01:32:12,870

he does say that and it's a shame but

2101
01:32:16,610 --> 01:32:15,090
I'm glad nothing to do Sam in the actual

2102
01:32:19,780 --> 01:32:16,620
event and he had a little bit to do with

2103
01:32:22,310 --> 01:32:19,790
helping to produce the DVD city for sale

2104
01:32:23,840 --> 01:32:22,320
and that's the only place to buy the

2105
01:32:26,330 --> 01:32:23,850
official Citizen hearing on disclosure

2106
01:32:28,940 --> 01:32:26,340
DVD collection is from CH t two

2107
01:32:32,560 --> 01:32:28,950
productions and yeah that's perfectly

2108
01:32:35,660 --> 01:32:32,570
fine thank you for that question Matthew

2109
01:32:38,800 --> 01:32:35,670
one of the things that I do recall and

2110
01:32:42,430 --> 01:32:38,810
correct me if I'm wrong on this run is

2111
01:32:45,860 --> 01:32:42,440
that when the Citizen hearing was first

2112
01:32:49,280 --> 01:32:45,870
getting formed that there was a wealthy

2113
01:32:51,830 --> 01:32:49,290

donor that donated a million dollars am

2114

01:32:53,930 --> 01:32:51,840

I getting that wrong yeah he didn't

2115

01:32:57,230 --> 01:32:53,940

donate it he invested it and that money

2116

01:32:59,510 --> 01:32:57,240

was invested as and that donor as you

2117

01:33:00,860 --> 01:32:59,520

want to call him I had a contract that

2118

01:33:02,930 --> 01:33:00,870

says that he's entitled to get that

2119

01:33:05,630 --> 01:33:02,940

money back in fact he is entirety all

2120

01:33:07,820 --> 01:33:05,640

the proceeds from any sales and

2121

01:33:10,340 --> 01:33:07,830

distribution episodes and hearing on

2122

01:33:12,020 --> 01:33:10,350

disclosure and the subsequent movie that

2123

01:33:14,060 --> 01:33:12,030

is supposed to be made about the poor

2124

01:33:17,060 --> 01:33:14,070

thing so it wasn't that somebody came up

2125

01:33:18,890 --> 01:33:17,070

this adheres Italian box I think that

2126

01:33:21,250 --> 01:33:18,900

that person expects to get his money

2127

01:33:24,050 --> 01:33:21,260

back I see so as an investor not a donor

2128

01:33:28,940 --> 01:33:24,060

that's that's where the although he

2129

01:33:34,040 --> 01:33:28,950

turned into a goner yeah unfortunately a

2130

01:33:35,450 --> 01:33:34,050

lot of investors can do that and but

2131

01:33:37,820 --> 01:33:35,460

anyway I mean you haven't done it

2132

01:33:42,110 --> 01:33:37,830

voluntarily he's done enough cuz ya know

2133

01:33:43,880 --> 01:33:42,120

that the media has been co-opted and as

2134

01:33:45,410 --> 01:33:43,890

much as we try to keep it off youtube

2135

01:33:46,790 --> 01:33:45,420

for free and as much as people seem to

2136

01:33:47,100 --> 01:33:46,800

think that we should just put it out

2137

01:33:50,370 --> 01:33:47,110

there

2138

01:33:54,090 --> 01:33:50,380

we did we really been burned pretty bad

2139

01:33:58,709 --> 01:33:54,100

on that now are you going to be involved

2140

01:34:01,350 --> 01:33:58,719

in the the movie part of it i think that

2141

01:34:03,300 --> 01:34:01,360

the movie you know some that I here yet

2142

01:34:04,859 --> 01:34:03,310

the movie is just stagnant a lot of

2143

01:34:07,680 --> 01:34:04,869

money was lost on the Citizen hearing on

2144

01:34:10,080 --> 01:34:07,690

disclosure I'll think that there's a you

2145

01:34:11,520 --> 01:34:10,090

know this was a perfect example if I did

2146

01:34:13,859 --> 01:34:11,530

it's supposed to be this movie truth

2147

01:34:18,050 --> 01:34:13,869

embargo that is supposed to be being

2148

01:34:22,229 --> 01:34:18,060

made with the Citizen hearing as its

2149

01:34:26,399 --> 01:34:22,239

pivotal moment and you know the support

2150

01:34:27,930 --> 01:34:26,409

for that is gone and you know that we

2151
01:34:30,390 --> 01:34:27,940
would love to see that movie get made

2152
01:34:33,419 --> 01:34:30,400
I'm not personally involved in in

2153
01:34:36,840 --> 01:34:33,429
producing it nor did I did I raise money

2154
01:34:38,820 --> 01:34:36,850
or take money for making it but at this

2155
01:34:40,669 --> 01:34:38,830
point in time it would appear that there

2156
01:34:44,250 --> 01:34:40,679
are no resources to make this movie oh

2157
01:34:45,959 --> 01:34:44,260
that's too bad and for all the people

2158
01:34:47,700 --> 01:34:45,969
out there that are asking you get gets

2159
01:34:49,830 --> 01:34:47,710
that's the same thing this is the result

2160
01:34:51,510 --> 01:34:49,840
of what happens when people are willing

2161
01:34:53,280 --> 01:34:51,520
to pay for the work that filmmakers make

2162
01:34:55,560 --> 01:34:53,290
they can't make them excel the truth

2163
01:34:58,439 --> 01:34:55,570

embargo is going to be an amazing movie

2164

01:35:01,770 --> 01:34:58,449

a milestone event a theatrical release

2165

01:35:03,270 --> 01:35:01,780

quality film and then the sort of

2166

01:35:06,419 --> 01:35:03,280

hearing ended up on YouTube for free

2167

01:35:13,050 --> 01:35:06,429

cells were nothing and now we can't make

2168

01:35:15,990 --> 01:35:13,060

the movie Wow okay so I asked you

2169

01:35:20,100 --> 01:35:16,000

earlier him you know what you had in the

2170

01:35:21,870 --> 01:35:20,110

work and all that but I didn't I don't

2171

01:35:25,979 --> 01:35:21,880

recall you mentioning anything about

2172

01:35:28,709 --> 01:35:25,989

what your future projects are and if you

2173

01:35:30,830 --> 01:35:28,719

did address that you know I apologize

2174

01:35:33,750 --> 01:35:30,840

but do let me just put it this way other

2175

01:35:36,120 --> 01:35:33,760

things out there that you are looking to

2176

01:35:39,479 --> 01:35:36,130

do that you haven't embarked on of

2177

01:35:42,629 --> 01:35:39,489

really getting into yet well you know my

2178

01:35:45,240 --> 01:35:42,639

my primary focus now is on eyeballs TV

2179

01:35:47,550 --> 01:35:45,250

and it is a subscription-based website

2180

01:35:49,140 --> 01:35:47,560

and we're creating fantastic original

2181

01:35:50,820 --> 01:35:49,150

media for people that don't mind selling

2182

01:35:54,620 --> 01:35:50,830

out over the money every muscle they

2183

01:35:56,760 --> 01:35:54,630

have access to stuff without ads and

2184

01:35:59,399 --> 01:35:56,770

people trying to sell them toilet paper

2185

01:36:00,870 --> 01:35:59,409

and at the end of the day there's enough

2186

01:36:03,000 --> 01:36:00,880

people out there that are

2187

01:36:04,530 --> 01:36:03,010

appreciate that and all they spend their

2188

01:36:06,600 --> 01:36:04,540

dollars a month and we're making these

2189

01:36:08,640 --> 01:36:06,610

original shows and my sir bigger

2190

01:36:10,590 --> 01:36:08,650

question is my passion it's the show

2191

01:36:12,330 --> 01:36:10,600

that I've always wanted to make and it's

2192

01:36:13,680 --> 01:36:12,340

getting better and better and then all

2193

01:36:16,140 --> 01:36:13,690

the other shows around executive

2194

01:36:18,750 --> 01:36:16,150

producing on eyeballs and you know these

2195

01:36:20,280 --> 01:36:18,760

are programs that like oddly enough so

2196

01:36:22,890 --> 01:36:20,290

this is an example we live in a world

2197

01:36:25,649 --> 01:36:22,900

where you would think for this channel

2198

01:36:28,200 --> 01:36:25,659

called HGTV this home and garden

2199

01:36:29,820 --> 01:36:28,210

television would just be running to put

2200

01:36:32,010 --> 01:36:29,830

on a show about how people can raise

2201

01:36:33,930 --> 01:36:32,020

their own food in the backyard and not

2202

01:36:36,330 --> 01:36:33,940

have to use GMOs not have to be

2203

01:36:39,240 --> 01:36:36,340

subjected to pesticides and chemicals

2204

01:36:41,580 --> 01:36:39,250

but they can't because they're you know

2205

01:36:43,740 --> 01:36:41,590

that they're getting their support from

2206

01:36:45,479 --> 01:36:43,750

companies like Monsanto that make round

2207

01:36:47,910 --> 01:36:45,489

up and other companies that have other

2208

01:36:50,490 --> 01:36:47,920

agendas so you can't get through media

2209

01:36:52,260 --> 01:36:50,500

from the existing media because the

2210

01:36:53,700 --> 01:36:52,270

first system has been co-opted by

2211

01:36:56,240 --> 01:36:53,710

corporate interest in advertising

2212

01:36:58,860 --> 01:36:56,250

dollars we believe that people want

2213

01:37:00,780 --> 01:36:58,870

honest media that helps them solve

2214

01:37:02,640 --> 01:37:00,790

problems and improve their lives and

2215

01:37:04,500 --> 01:37:02,650

helps us as a society build a better

2216

01:37:06,330 --> 01:37:04,510

future at the same time it's

2217

01:37:08,399 --> 01:37:06,340

entertaining it's fun to watch we

2218

01:37:10,379 --> 01:37:08,409

believe that those people the smarter

2219

01:37:12,090 --> 01:37:10,389

among us are along because he thought to

2220

01:37:14,550 --> 01:37:12,100

have access to that instead of being

2221

01:37:16,740 --> 01:37:14,560

bombarded with disgusted the mainstream

2222

01:37:19,080 --> 01:37:16,750

media feeds us so that's what we're

2223

01:37:20,610 --> 01:37:19,090

doing with eyeball and know about

2224

01:37:24,840 --> 01:37:20,620

everybody could be a part of it it's a

2225

01:37:27,540 --> 01:37:24,850

community yes it would be a whole

2226

01:37:29,640 --> 01:37:27,550

different podcast but I I have to say

2227

01:37:33,540 --> 01:37:29,650

I'm on board with you with that stuff

2228

01:37:35,640 --> 01:37:33,550

and I think we have someone disagree on

2229

01:37:38,160 --> 01:37:35,650

the message board about it but it but

2230

01:37:40,740 --> 01:37:38,170

I'm on board with you on that because we

2231

01:37:43,500 --> 01:37:40,750

just the studies not out there I think

2232

01:37:47,189 --> 01:37:43,510

the FDA is corrupt but I again this is a

2233

01:37:49,320 --> 01:37:47,199

different yeah what did somebody say in

2234

01:37:52,760 --> 01:37:49,330

the message board I can't do it oh I

2235

01:37:57,390 --> 01:37:52,770

think it was something to do with a that

2236

01:37:59,340 --> 01:37:57,400

scientists say that that GMO is actually

2237

01:38:01,410 --> 01:37:59,350

good that it will feed third world

2238

01:38:03,930 --> 01:38:01,420

countries but I know that that's been

2239

01:38:05,640 --> 01:38:03,940

proven I did the Monsanto scientist says

2240

01:38:07,500 --> 01:38:05,650

that let me let me clarify that for the

2241

01:38:10,680 --> 01:38:07,510

guy in the message board they have made

2242

01:38:12,600 --> 01:38:10,690

the GMOs largely to be roundup resistant

2243

01:38:14,729 --> 01:38:12,610

and that's so that they can spray these

2244

01:38:16,950 --> 01:38:14,739

crops with Roundup but

2245

01:38:18,509 --> 01:38:16,960

crop plants will still grow what's been

2246

01:38:20,250 --> 01:38:18,519

happening in these third world countries

2247

01:38:23,759 --> 01:38:20,260

is that the weeds are now becoming

2248

01:38:25,589 --> 01:38:23,769

resistant to Roundup so we shown the

2249

01:38:26,790 --> 01:38:25,599

roundup is a carcinogen they sent it

2250

01:38:29,220 --> 01:38:26,800

maybe that has something to do with

2251

01:38:31,080 --> 01:38:29,230

autism this happening what they're

2252

01:38:32,549 --> 01:38:31,090

saying is in the near future it could be

2253

01:38:35,729 --> 01:38:32,559

sixty percent of our children born with

2254

01:38:37,140 --> 01:38:35,739

autism roundup is prevalent all over the

2255

01:38:40,080 --> 01:38:37,150

world and they're finding all kinds of

2256

01:38:42,839 --> 01:38:40,090

problems with it the GMO crops are evade

2257

01:38:44,729 --> 01:38:42,849

to resist it and so we're getting not

2258

01:38:46,259 --> 01:38:44,739

only are we getting crops that are that

2259

01:38:47,520 --> 01:38:46,269

have been genetically also if you don't

2260

01:38:49,379 --> 01:38:47,530

know what that effect is but we're

2261

01:38:51,930 --> 01:38:49,389

getting costs are saturated in this in

2262

01:38:53,910 --> 01:38:51,940

this verb aside and they're going all

2263

01:38:56,279 --> 01:38:53,920

the way through our systems and being

2264

01:38:58,950 --> 01:38:56,289

impregnated into ourselves you know so

2265

01:39:02,879 --> 01:38:58,960

that's just one example of how GMOs are

2266

01:39:05,399 --> 01:39:02,889

proving to be a big problem yeah I again

2267

01:39:08,310 --> 01:39:05,409

this is up really the wrong podcast for

2268

01:39:11,100 --> 01:39:08,320

that but I understand yeah yeah yeah so

2269

01:39:12,839 --> 01:39:11,110

no problem i'm the one who actually I'm

2270

01:39:15,569 --> 01:39:12,849

probably the most PolyJet it guests

2271

01:39:17,459 --> 01:39:15,579

you've ever had ah sorry I don't mean to

2272

01:39:19,229 --> 01:39:17,469

say that I'm sorry about that oh yeah

2273

01:39:24,390 --> 01:39:19,239

sorry I didn't mean to get so sad oh

2274

01:39:26,250 --> 01:39:24,400

sorry didn't mean to say that no I think

2275

01:39:29,910 --> 01:39:26,260

I've had I've had a few of them to feel

2276

01:39:32,100 --> 01:39:29,920

them on there but but anyway no it's a

2277

01:39:33,989 --> 01:39:32,110

be a bet that is interesting and you

2278

01:39:37,529 --> 01:39:33,999

know I'm glad you're out there talking

2279

01:39:42,450 --> 01:39:37,539

about and but so do you want to hear

2280

01:39:46,379 --> 01:39:42,460

something funny is a UFO related hey

2281

01:39:48,689 --> 01:39:46,389

guys it's pretty ufo-related so what I

2282

01:39:50,790 --> 01:39:48,699

find prevalent in this field in another

2283

01:39:52,229 --> 01:39:50,800

fields to cryptozoology etc and this

2284

01:39:54,689 --> 01:39:52,239

one's a little more crypto but it's just

2285

01:39:57,270 --> 01:39:54,699

say it's the same thing is what i call

2286

01:40:00,810 --> 01:39:57,280

the jesus is walking on water syndrome

2287

01:40:03,029 --> 01:40:00,820

and that is you know jesus is at my

2288

01:40:04,799 --> 01:40:03,039

house today he's back he's in my back

2289

01:40:06,989 --> 01:40:04,809

gardens walking our water in my swimming

2290

01:40:09,600 --> 01:40:06,999

pool but i can't really let anybody know

2291

01:40:11,580 --> 01:40:09,610

a called idiot because now is not the

2292

01:40:13,290 --> 01:40:11,590

time right so there's all these people

2293

01:40:15,209 --> 01:40:13,300

that are saying that they've gotten his

2294

01:40:17,609 --> 01:40:15,219

knowledge in the sensation but it's not

2295

01:40:19,140 --> 01:40:17,619

ready to be released to humanity or for

2296

01:40:20,339 --> 01:40:19,150

some kind of strange reason they can't

2297

01:40:22,439 --> 01:40:20,349

put their money where their mouth is

2298

01:40:25,109 --> 01:40:22,449

approved so i get a call from the guy

2299

01:40:26,969 --> 01:40:25,119

and he says look good I'm gonna break

2300

01:40:28,700 --> 01:40:26,979

the story you I want you to be the one

2301

01:40:31,470 --> 01:40:28,710

who brings it to the world

2302

01:40:33,690 --> 01:40:31,480

Bigfoot is an interdimensional creature

2303

01:40:36,660 --> 01:40:33,700

tied in with aliens for another planet

2304

01:40:39,030 --> 01:40:36,670

and they come through portals to come in

2305

01:40:43,140 --> 01:40:39,040

and out of the earth and there's some

2306

01:40:45,750 --> 01:40:43,150

portals in Arkansas okay and Bigfoot has

2307

01:40:48,330 --> 01:40:45,760

agreed to be interviewed but you have to

2308

01:40:50,310 --> 01:40:48,340

come to Arkansas and then Govinda call

2309

01:40:51,960 --> 01:40:50,320

this happen and I'm not cool now let me

2310

01:40:53,970 --> 01:40:51,970

know in the plane ticket there and he

2311

01:40:56,760 --> 01:40:53,980

says well yet to buy the plane ticket

2312

01:40:59,400 --> 01:40:56,770

yesterday for your crew to come out I so

2313

01:41:01,230 --> 01:40:59,410

I'll tell you what I will arrange for

2314

01:41:03,480 --> 01:41:01,240

you to have a million dollars deposited

2315

01:41:06,180 --> 01:41:03,490

in your checking account when I leave

2316

01:41:08,490 --> 01:41:06,190

Arkansas with the Bigfoot interview but

2317

01:41:11,430 --> 01:41:08,500

i'm not buying plane tickets and the

2318

01:41:13,410 --> 01:41:11,440

guys like well and then he tells me that

2319

01:41:14,850 --> 01:41:13,420

we can't bring a camera equipment into

2320

01:41:17,730 --> 01:41:14,860

the dimensional portal because

2321

01:41:18,990 --> 01:41:17,740

electronics don't work and so I say well

2322

01:41:20,940 --> 01:41:19,000

how about we just bring an old-fashioned

2323

01:41:25,910 --> 01:41:20,950

camera with film that doesn't have

2324

01:41:28,650 --> 01:41:25,920

electronics and so you know here's a guy

2325

01:41:30,570 --> 01:41:28,660

this is what we're doing every day is

2326

01:41:31,950 --> 01:41:30,580

like you want me to put to put my dime

2327

01:41:33,660 --> 01:41:31,960

to fly to bigfoot watch you and

2328

01:41:35,130 --> 01:41:33,670

interceptors flight Arkansas walk

2329

01:41:37,170 --> 01:41:35,140

through an interdimensional portal and

2330

01:41:38,940 --> 01:41:37,180

interview Bigfoot and you're so sure

2331

01:41:41,070 --> 01:41:38,950

it's going to happen but you did you

2332

01:41:43,740 --> 01:41:41,080

would put a two-hundred-dollar fine take

2333

01:41:45,870 --> 01:41:43,750

it against a million-dollar check and

2334

01:41:47,490 --> 01:41:45,880

that's what we're up against is just a

2335

01:41:49,800 --> 01:41:47,500

lot of people sound things that they

2336

01:41:53,310 --> 01:41:49,810

can't validate and then not

2337

01:41:54,990 --> 01:41:53,320

understanding why we don't believe so if

2338

01:41:56,960 --> 01:41:55,000

there's a lot of stuff getting lost in

2339

01:41:59,880 --> 01:41:56,970

the maze and that's my funniest sort of

2340

01:42:03,780 --> 01:41:59,890

how I've been approached by people with

2341

01:42:08,610 --> 01:42:03,790

these crazy stories it just on able to

2342

01:42:11,510 --> 01:42:08,620

validate are you familiar with the blt

2343

01:42:16,170 --> 01:42:11,520

research group it's actually rockefeller

2344

01:42:17,400 --> 01:42:16,180

funded blue moon I'm not familiar with

2345

01:42:20,430 --> 01:42:17,410

your work I don't know about the group

2346

01:42:22,290 --> 01:42:20,440

yeah there's a question up on the

2347

01:42:23,970 --> 01:42:22,300

message board and you know I don't

2348

01:42:26,580 --> 01:42:23,980

really want to harp on the gmf but I

2349

01:42:29,370 --> 01:42:26,590

know the question is regarding GMO have

2350

01:42:34,410 --> 01:42:29,380

you researched any of the blt research

2351

01:42:36,510 --> 01:42:34,420

group studies on crop circles oh no I

2352

01:42:38,310 --> 01:42:36,520

haven't yeah and I don't know exactly

2353

01:42:41,220 --> 01:42:38,320

what you mo had to do with that a most

2354

01:42:43,680 --> 01:42:41,230

porn is ninety percent

2355

01:42:45,690 --> 01:42:43,690

is or whatever but although you know

2356

01:42:47,760 --> 01:42:45,700

really did we really want to look

2357

01:42:50,280 --> 01:42:47,770

forward to the day when we can have a

2358

01:42:53,220 --> 01:42:50,290

BLT without toughening about GMO

2359

01:42:57,240 --> 01:42:53,230

tomatoes so I can't do it Sofia you keep

2360

01:42:58,800 --> 01:42:57,250

investigating okay crop circles is that

2361

01:43:02,130 --> 01:42:58,810

something you've ever actually looked

2362

01:43:03,840 --> 01:43:02,140

into well y'all work with Suzanne Taylor

2363

01:43:08,280 --> 01:43:03,850

that's right girl and I forgot you said

2364

01:43:09,780 --> 01:43:08,290

that yes mm-hmm so I have I mean I you

2365

01:43:12,030 --> 01:43:09,790

know I don't have a qualified opinion

2366

01:43:17,220 --> 01:43:12,040

that's any I'm not any more of an expert

2367

01:43:19,410 --> 01:43:17,230

than anybody else yeah yeah yeah it's it

2368

01:43:21,690 --> 01:43:19,420

is kind of interesting why did be so

2369

01:43:23,550 --> 01:43:21,700

many over in England and you know a lot

2370

01:43:24,960 --> 01:43:23,560

of I think some of them are me and made

2371

01:43:26,820 --> 01:43:24,970

I don't know if all the Mar I have no

2372

01:43:28,950 --> 01:43:26,830

idea i really don't want to go in with

2373

01:43:31,260 --> 01:43:28,960

my opinion either on that because i've

2374

01:43:33,690 --> 01:43:31,270

been on the fence on that whole topic

2375

01:43:35,520 --> 01:43:33,700

for well i sent out the guy that made

2376

01:43:37,920 --> 01:43:35,530

Mirage men I can't remember his name

2377

01:43:40,620 --> 01:43:37,930

Duluth we were talking right after the

2378

01:43:42,090 --> 01:43:40,630

epd awards and you know he's he's very

2379

01:43:43,560 --> 01:43:42,100

familiar with that he says with the

2380

01:43:45,870 --> 01:43:43,570

across servers are all one hundred

2381

01:43:48,090 --> 01:43:45,880

percent man-made but honestly some of

2382

01:43:50,070 --> 01:43:48,100

these things you can tell almost by

2383

01:43:52,170 --> 01:43:50,080

there by the imperfections in the

2384

01:43:54,060 --> 01:43:52,180

screwed-up shapes when something's been

2385

01:43:56,640 --> 01:43:54,070

fumble to buy people but some of these

2386

01:43:58,979 --> 01:43:56,650

crop formations are so mathematically

2387

01:44:01,229 --> 01:43:58,989

perfect i just don't see how you guys

2388

01:44:03,210 --> 01:44:01,239

good crew in the dark could be making

2389

01:44:04,620 --> 01:44:03,220

them so i think the pizza yeah there's

2390

01:44:06,180 --> 01:44:04,630

probably a lot of hoaxes that they're so

2391

01:44:10,950 --> 01:44:06,190

skewed that come across if you just

2392

01:44:14,940 --> 01:44:10,960

can't explain right right yeah it is and

2393

01:44:16,410 --> 01:44:14,950

there was a there was a group that we're

2394

01:44:18,000 --> 01:44:16,420

getting a little feedback i don't sounds

2395

01:44:21,840 --> 01:44:18,010

like wind or something on your end i'm

2396

01:44:26,970 --> 01:44:21,850

not sure what it is but the there was a

2397

01:44:29,370 --> 01:44:26,980

one group that tried to to make crop

2398

01:44:30,840 --> 01:44:29,380

circles in the dark and a geometric and

2399

01:44:32,880 --> 01:44:30,850

they they actually did a pretty darn

2400

01:44:34,410 --> 01:44:32,890

good job and they did it before the Sun

2401
01:44:38,820 --> 01:44:34,420
came up i don't know if you've ever seen

2402
01:44:41,520 --> 01:44:38,830
that documentary up but yeah that's that

2403
01:44:45,390 --> 01:44:41,530
kind of like made me think a little bit

2404
01:44:47,190 --> 01:44:45,400
about that whether they you know people

2405
01:44:51,750 --> 01:44:47,200
really do have pretty good skill and

2406
01:44:53,810 --> 01:44:51,760
they say that they do make them so yeah

2407
01:44:55,640 --> 01:44:53,820
I've heard all of that so it's on

2408
01:44:57,260 --> 01:44:55,650
you know again I don't think that I

2409
01:45:00,830 --> 01:44:57,270
think the question is still up for

2410
01:45:04,459 --> 01:45:00,840
debate that I think there's no logical

2411
01:45:06,589 --> 01:45:04,469
explanation done not in a lot of these

2412
01:45:08,930 --> 01:45:06,599
things as much as it you know I want to

2413
01:45:11,479 --> 01:45:08,940

believe I kind of like Fox Mulder and I

2414

01:45:14,629 --> 01:45:11,489

do be even a lot of stuff but not soon

2415

01:45:17,379 --> 01:45:14,639

enough stuff also to really try to not

2416

01:45:20,510 --> 01:45:17,389

drink kool-aid on in wrote a

2417

01:45:24,700 --> 01:45:20,520

dispassionate journalistic viewpoint to

2418

01:45:28,069 --> 01:45:24,710

everything that I encounter right right

2419

01:45:29,870 --> 01:45:28,079

so moving along we got about oh I don't

2420

01:45:33,169 --> 01:45:29,880

know maybe 10 or 15 minutes if anyone

2421

01:45:36,680 --> 01:45:33,179

would like to call in were on the line

2422

01:45:43,550 --> 01:45:36,690

here with ron james and the call in

2423

01:45:46,729 --> 01:45:43,560

number is 603 967 4030 and if anyone has

2424

01:45:49,129 --> 01:45:46,739

any questions on skype I mean I'm sorry

2425

01:45:52,189 --> 01:45:49,139

on our message board feel free to ask

2426

01:45:53,899 --> 01:45:52,199

our guests some questions and what do

2427

01:45:58,280 --> 01:45:53,909

you have someone just posted what do you

2428

01:46:00,800 --> 01:45:58,290

think of the ancient alien Theory you

2429

01:46:02,899 --> 01:46:00,810

know I think that the show is down to

2430

01:46:05,930 --> 01:46:02,909

the point where kind of reaches but you

2431

01:46:08,330 --> 01:46:05,940

know it's okay you know seven far just

2432

01:46:10,010 --> 01:46:08,340

in part of Ecuador there is a stone it's

2433

01:46:11,750 --> 01:46:10,020

a particular shade of green not found

2434

01:46:15,200 --> 01:46:11,760

anywhere else in the planet it must be

2435

01:46:17,089 --> 01:46:15,210

failing but on I think after six seasons

2436

01:46:19,580 --> 01:46:17,099

are reaching it however the ancient

2437

01:46:22,010 --> 01:46:19,590

alien Theory there is a huge amount of

2438

01:46:24,050 --> 01:46:22,020

evidence that the history of this planet

2439

01:46:26,500 --> 01:46:24,060

and the history of humanity is far more

2440

01:46:29,089 --> 01:46:26,510

complex and goes back farther than

2441

01:46:30,680 --> 01:46:29,099

anybody's want to admit and I think that

2442

01:46:33,109 --> 01:46:30,690

you know the government knows i took the

2443

01:46:36,290 --> 01:46:33,119

Smithsonian she is in possession of a

2444

01:46:38,479 --> 01:46:36,300

lot of archaeological artifacts that

2445

01:46:40,910 --> 01:46:38,489

point to a history that is not

2446

01:46:43,729 --> 01:46:40,920

officially acknowledged I think there's

2447

01:46:45,830 --> 01:46:43,739

a good case that there's been some sort

2448

01:46:48,800 --> 01:46:45,840

of extraterrestrial influence on our

2449

01:46:51,410 --> 01:46:48,810

history and on our genetics and that

2450

01:46:52,790 --> 01:46:51,420

still continues today so yeah I mean I

2451

01:46:58,879 --> 01:46:52,800

think that there's a lot of validity to

2452

01:47:01,609 --> 01:46:58,889

that yeah you know that the starter of

2453

01:47:04,399 --> 01:47:01,619

that whole thing was Erich von Daniken

2454

01:47:07,490 --> 01:47:04,409

and I had him on the show and you know

2455

01:47:09,560 --> 01:47:07,500

that it's funny I got

2456

01:47:11,840 --> 01:47:09,570

lot of email after that particular show

2457

01:47:13,880 --> 01:47:11,850

on someone said why didn't you ask him

2458

01:47:16,040 --> 01:47:13,890

this or why didn't you push that or all

2459

01:47:18,860 --> 01:47:16,050

that but you know its many many stores I

2460

01:47:22,550 --> 01:47:18,870

heard before but he was a very pleasant

2461

01:47:24,530 --> 01:47:22,560

man to talk to anyway yeah i got to hang

2462

01:47:26,960 --> 01:47:24,540

out with eric is contacting the desert

2463

01:47:29,630 --> 01:47:26,970

and uh you know i had to i told him i

2464

01:47:30,950 --> 01:47:29,640

see no Eric two guys I was sitting next

2465

01:47:32,540 --> 01:47:30,960

to him while he's doing all those book

2466

01:47:35,480 --> 01:47:32,550

signings and everything so I got to

2467

01:47:37,340 --> 01:47:35,490

really hang out talk and I told him I

2468

01:47:40,150 --> 01:47:37,350

said you know Australia so God is one of

2469

01:47:42,230 --> 01:47:40,160

those movies that is pivotal for me in

2470

01:47:43,670 --> 01:47:42,240

deciding to do this kind of work and

2471

01:47:45,290 --> 01:47:43,680

actually deciding to pay attention to

2472

01:47:48,530 --> 01:47:45,300

these kind of mysteries and I saw thank

2473

01:47:50,540 --> 01:47:48,540

you and he was like yeah thanks do I

2474

01:47:54,650 --> 01:47:50,550

wouldn't 30 books up Stan have you read

2475

01:47:57,140 --> 01:47:54,660

any of those and I had its if I go sorry

2476

01:48:01,010 --> 01:47:57,150

kiddo no but really choice regardless if

2477

01:48:02,630 --> 01:48:01,020

anyone else to G yeah but yeah I think

2478

01:48:04,670 --> 01:48:02,640

it was one of the best thing thats of

2479

01:48:06,560 --> 01:48:04,680

all time I can't remember with the what

2480

01:48:09,350 --> 01:48:06,570

the statistics obvious it's in that it's

2481

01:48:13,940 --> 01:48:09,360

right up there with the Bible is that

2482

01:48:15,410 --> 01:48:13,950

right and and I think he just barely got

2483

01:48:17,360 --> 01:48:15,420

that thing published 2 and I think he

2484

01:48:18,950 --> 01:48:17,370

got it he was in some type of trouble

2485

01:48:23,420 --> 01:48:18,960

right after that first came out I

2486

01:48:25,460 --> 01:48:23,430

believe in but he just barely got

2487

01:48:29,720 --> 01:48:25,470

through that and it totally changed his

2488

01:48:32,630 --> 01:48:29,730

life for sure yeah it was a pivotal work

2489

01:48:34,550 --> 01:48:32,640

yeah nom you know it yet established his

2490

01:48:36,170 --> 01:48:34,560

career and then of course years later

2491

01:48:40,400 --> 01:48:36,180

coming back and doing the engine Arians

2492

01:48:42,530 --> 01:48:40,410

which I do and did it service no it's

2493

01:48:45,290 --> 01:48:42,540

just it's picking it up so yeah I love

2494

01:48:47,060 --> 01:48:45,300

the show I think that you know it's

2495

01:48:49,610 --> 01:48:47,070

really difficult to so although Stevens

2496

01:48:53,090 --> 01:48:49,620

the TV with fresh exciting new material

2497

01:48:56,990 --> 01:48:53,100

but there the premise that they built

2498

01:48:59,630 --> 01:48:57,000

the show on this is rock solid yeah you

2499

01:49:02,480 --> 01:48:59,640

know I this is uh this has absolutely

2500

01:49:03,950 --> 01:49:02,490

never happened to me before but Ron

2501

01:49:06,200 --> 01:49:03,960

you're going to be the first one this

2502

01:49:10,070 --> 01:49:06,210

has ever happened to but I have to let

2503

01:49:13,520 --> 01:49:10,080

my dog out and I my dog needs to go up

2504

01:49:15,710 --> 01:49:13,530

and so I'm going to ask you a question

2505

01:49:18,740 --> 01:49:15,720

and if you'll just fill a little bit of

2506

01:49:20,250 --> 01:49:18,750

time if you would I'd appreciate that

2507

01:49:26,220 --> 01:49:20,260

real quick

2508

01:49:28,860 --> 01:49:26,230

but what is your favorite UFO case that

2509

01:49:30,000 --> 01:49:28,870

you can recall of all time and pen go

2510

01:49:34,590 --> 01:49:30,010

ahead and talk about that and I'll be

2511

01:49:36,330 --> 01:49:34,600

right back no that's that's an

2512

01:49:39,450 --> 01:49:36,340

interesting question because there's so

2513

01:49:41,760 --> 01:49:39,460

many UFO cases that are not as widely

2514

01:49:44,610 --> 01:49:41,770

reported and I think 300 intriguing the

2515

01:49:47,460 --> 01:49:44,620

most of them to come from pre-fight

2516

01:49:49,860 --> 01:49:47,470

history so we have the UFO crash in

2517

01:49:53,280 --> 01:49:49,870

Texas where the flying objects at the

2518

01:49:56,400 --> 01:49:53,290

windmill and being is supposedly buried

2519

01:50:00,770 --> 01:49:56,410

it's very interesting because a it was

2520

01:50:04,710 --> 01:50:00,780

documented in newspapers and rism and be

2521

01:50:07,260 --> 01:50:04,720

there is a sort of thing about witnesses

2522

01:50:09,990 --> 01:50:07,270

and burn values and an alien being that

2523

01:50:12,450 --> 01:50:10,000

was infamous worth lots of eyewitnesses

2524

01:50:16,470 --> 01:50:12,460

lots of documentation and then of course

2525

01:50:19,470 --> 01:50:16,480

as time progresses there is some

2526
01:50:21,810 --> 01:50:19,480
evidence of cover-up and people going

2527
01:50:24,810 --> 01:50:21,820
and moving stuff and doing everything

2528
01:50:27,650 --> 01:50:24,820
they can to eliminate the evidence so

2529
01:50:33,150 --> 01:50:27,660
now that is one of the most intriguing

2530
01:50:34,770 --> 01:50:33,160
UFO cases that that I think we had on

2531
01:50:37,020 --> 01:50:34,780
our plate that we don't we're just going

2532
01:50:39,510 --> 01:50:37,030
to light I'm talking about and then

2533
01:50:41,340 --> 01:50:39,520
there are some russian UFO cases that

2534
01:50:43,320 --> 01:50:41,350
are pretty intriguing but then go back

2535
01:50:46,290 --> 01:50:43,330
to America I took the can of oil citing

2536
01:50:51,540 --> 01:50:46,300
don't really deserve sweet isn't it

2537
01:50:54,870 --> 01:50:51,550
grand i'm back by the way oh i was

2538
01:50:56,550 --> 01:50:54,880

running out thanks for sale yeah that's

2539

01:50:58,800 --> 01:50:56,560

a guy said you have to get an export

2540

01:51:01,110 --> 01:50:58,810

council that cross alone that is a that

2541

01:51:03,660 --> 01:51:01,120

is that was a classic that's the first

2542

01:51:06,630 --> 01:51:03,670

time that's ever happened but yes I last

2543

01:51:11,400 --> 01:51:06,640

week I played a clip of a kenneth arnold

2544

01:51:13,290 --> 01:51:11,410

interview but yeah that you know not a

2545

01:51:17,070 --> 01:51:13,300

lot of people consider it the very first

2546

01:51:18,900 --> 01:51:17,080

sighting of course it's not the one that

2547

01:51:20,280 --> 01:51:18,910

done right you have a question you know

2548

01:51:22,770 --> 01:51:20,290

they answer the question well you're

2549

01:51:27,420 --> 01:51:22,780

about to Texas UFO crash into the window

2550

01:51:30,840 --> 01:51:27,430

it was you know pre-flight oh that that

2551
01:51:34,080 --> 01:51:30,850
happened to Texas who happens for ya you

2552
01:51:37,650 --> 01:51:34,090
know I gotta tell you that that was a

2553
01:51:39,360 --> 01:51:37,660
and UFO hunters they did a real thorough

2554
01:51:41,760 --> 01:51:39,370
investigation of that and which was

2555
01:51:46,200 --> 01:51:41,770
quite amazing and they actually found

2556
01:51:48,810 --> 01:51:46,210
that they think it was some type of war

2557
01:51:53,970 --> 01:51:48,820
spy dirigible type of thing because they

2558
01:51:56,400 --> 01:51:53,980
found evidence to cooperate that so I

2559
01:51:58,560 --> 01:51:56,410
think that one in particular I don't

2560
01:52:02,220 --> 01:51:58,570
want to say has been debunked but was

2561
01:52:06,030 --> 01:52:02,230
discovered to be something something

2562
01:52:08,070 --> 01:52:06,040
more prosaic I guess well you know the

2563
01:52:10,680 --> 01:52:08,080

because I don't even think they had a

2564

01:52:12,240 --> 01:52:10,690

functional dirty balls back then the the

2565

01:52:14,460 --> 01:52:12,250

P is the true believers would tell you

2566

01:52:16,530 --> 01:52:14,470

that that stuff was just planted later

2567

01:52:22,140 --> 01:52:16,540

on by the disinformation people that

2568

01:52:24,480 --> 01:52:22,150

came into like the area yeah it had to

2569

01:52:27,780 --> 01:52:24,490

do with them I think what they did well

2570

01:52:30,690 --> 01:52:27,790

I don't know anyone that wants to check

2571

01:52:32,550 --> 01:52:30,700

into that they can they can send a

2572

01:52:36,840 --> 01:52:32,560

something on the message board if they

2573

01:52:38,850 --> 01:52:36,850

know something about that or or or talk

2574

01:52:40,260 --> 01:52:38,860

about it but I think that was one and I

2575

01:52:44,310 --> 01:52:40,270

want to say that was bill birnes in the

2576

01:52:47,340 --> 01:52:44,320

UFO UFO hunters not not chasing ufos

2577

01:52:50,160 --> 01:52:47,350

which is that speaking of that have you

2578

01:52:53,970 --> 01:52:50,170

ever spoken to you have spoken to James

2579

01:52:55,290 --> 01:52:53,980

Fox haven't you oh yeah yeah he's

2580

01:52:56,430 --> 01:52:55,300

someone i've been trying if someone out

2581

01:52:57,990 --> 01:52:56,440

there's listening and they know how to

2582

01:53:00,750 --> 01:52:58,000

get ahold of my had other people reach

2583

01:53:02,130 --> 01:53:00,760

out to him ray stanford and a bunch of

2584

01:53:04,140 --> 01:53:02,140

other people reach out to him to get him

2585

01:53:07,410 --> 01:53:04,150

on the show i'd like to get james fox on

2586

01:53:09,570 --> 01:53:07,420

the show before I hang up my microphone

2587

01:53:11,520 --> 01:53:09,580

I'd really like to have him on he's he's

2588

01:53:15,930 --> 01:53:11,530

a great guy I know I he wasn't really

2589

01:53:17,310 --> 01:53:15,940

happy with chasing UFOs with the what

2590

01:53:18,570 --> 01:53:17,320

happened on the cutting room floor of

2591

01:53:21,300 --> 01:53:18,580

the editing and stuff he was pretty

2592

01:53:23,340 --> 01:53:21,310

disappointed in that but I think I think

2593

01:53:25,890 --> 01:53:23,350

he is really solid and I want to find

2594

01:53:27,330 --> 01:53:25,900

out what's going on with 701 do you

2595

01:53:29,790 --> 01:53:27,340

happen to know yeah well you know yeah

2596

01:53:31,500 --> 01:53:29,800

there's still you know the road is

2597

01:53:33,180 --> 01:53:31,510

around town and krista krista brian's

2598

01:53:35,520 --> 01:53:33,190

and walton it a little bit and so he

2599

01:53:38,160 --> 01:53:35,530

talks to tracy and yeah it's cladding

2600

01:53:39,390 --> 01:53:38,170

along and you know James is a hard guy

2601
01:53:41,700 --> 01:53:39,400
to come down to this kind of stuff

2602
01:53:44,580 --> 01:53:41,710
getting engaged it's a sheriff or an

2603
01:53:47,520 --> 01:53:44,590
energy excited act it's uh he's a great

2604
01:53:49,320 --> 01:53:47,530
guy in each state forms on

2605
01:53:50,820 --> 01:53:49,330
but I hadn't they just sometimes it

2606
01:53:53,520 --> 01:53:50,830
might take a little more time to get

2607
01:53:56,880 --> 01:53:53,530
back to you hope it was so easy yeah I

2608
01:53:59,940 --> 01:53:56,890
think I consider his boy just lost the

2609
01:54:02,370 --> 01:53:59,950
title of it I consider it for that long

2610
01:54:04,290 --> 01:54:02,380
I know it I saw and it was the other one

2611
01:54:08,550 --> 01:54:04,300
he did kind of the follow up after that

2612
01:54:12,480 --> 01:54:08,560
as I think it's the best ufo-related

2613
01:54:19,230 --> 01:54:12,490

movie of all time so far myself best

2614

01:54:21,570 --> 01:54:19,240

documentary on UFOs it's just I can't I

2615

01:54:26,310 --> 01:54:21,580

can't remember that I'm not doing too

2616

01:54:28,200 --> 01:54:26,320

good time but yeah I can't wait till

2617

01:54:30,330 --> 01:54:28,210

that 70 one does come out because I'm

2618

01:54:33,600 --> 01:54:30,340

sure with a quality of work that he does

2619

01:54:38,700 --> 01:54:33,610

it's going to be a really good film yeah

2620

01:54:41,610 --> 01:54:38,710

and let's see what so we have about 4

2621

01:54:45,060 --> 01:54:41,620

i'm going to say we have about 3 to 3

2622

01:54:47,700 --> 01:54:45,070

minutes i think we have left so if you

2623

01:54:49,230 --> 01:54:47,710

want to go over your out of the blue

2624

01:54:53,040 --> 01:54:49,240

that's the name of it out of the blue

2625

01:54:56,250 --> 01:54:53,050

all right yeah so if you'd like to go

2626

01:54:59,130 --> 01:54:56,260

over quickly one more time about your

2627

01:55:03,090 --> 01:54:59,140

website and how someone can find you and

2628

01:55:04,940 --> 01:55:03,100

also if you want friends on facebook any

2629

01:55:09,540 --> 01:55:04,950

of that stuff go ahead if you would

2630

01:55:11,220 --> 01:55:09,550

closer the website is I valve tv.com so

2631

01:55:13,500 --> 01:55:11,230

it's that just like the word dbag only

2632

01:55:15,840 --> 01:55:13,510

it starts with an i so it's evolved

2633

01:55:17,850 --> 01:55:15,850

tv.com and that's where you can find

2634

01:55:20,400 --> 01:55:17,860

pretty much collection them I work a lot

2635

01:55:22,110 --> 01:55:20,410

of the filmmakers into it and a lot of

2636

01:55:23,460 --> 01:55:22,120

original programming is coming down the

2637

01:55:25,110 --> 01:55:23,470

pike and you know there's some free

2638

01:55:26,850 --> 01:55:25,120

stuff on there but mostly it's really

2639

01:55:29,310 --> 01:55:26,860

want to incite after you either take

2640

01:55:30,900 --> 01:55:29,320

review for movies or subscribe you know

2641

01:55:32,400 --> 01:55:30,910

I know that's unpopular but we're

2642

01:55:34,590 --> 01:55:32,410

delivering a lightweight cool stuff that

2643

01:55:36,930 --> 01:55:34,600

you're not going to find on youtube not

2644

01:55:38,370 --> 01:55:36,940

yet anyway yeah mom all right well you

2645

01:55:39,540 --> 01:55:38,380

know I just found out that we're at the

2646

01:55:41,540 --> 01:55:39,550

end of our show and I want to thank you

2647

01:55:44,610 --> 01:55:41,550

very much for coming on the show today

2648

01:55:47,450 --> 01:55:44,620

2649

01:55:49,770 --> 01:55:47,460
