

1
00:00:03,320 --> 00:00:02,540
and it hits me oh my gosh this is that

2
00:00:04,400 --> 00:00:03,330
triangle

3
00:00:05,510 --> 00:00:04,410
you know there's explanation for

4
00:00:06,860 --> 00:00:05,520
everything that occurred in the

5
00:00:09,290 --> 00:00:06,870
Rendlesham forest incident

6
00:00:12,169 --> 00:00:09,300
it doesn't involve aliens at all it was

7
00:00:12,950 --> 00:00:12,179
completely silent it comes right over

8
00:00:16,580 --> 00:00:12,960
our heads

9
00:00:18,200 --> 00:00:16,590
it's so toxic he's also really standing

10
00:00:19,760 --> 00:00:18,210
in the clearing he turned over to my

11
00:00:24,820 --> 00:00:19,770
father and held his hand and he looked

12
00:00:30,980 --> 00:00:28,250

can do the whole show live and I want to

28

00:01:10,520 --> 00:01:08,760

month or more all that information is on

33

00:01:23,090 --> 00:01:20,240

podcast UFO comm right on the sidebar

34

00:01:25,969 --> 00:01:23,100

and we have a live chat room going right

35

00:01:27,830 --> 00:01:25,979

now on podcast UFO Carm right on the

36

00:01:29,990 --> 00:01:27,840

main page takes two clicks to get in

37

00:01:32,690 --> 00:01:30,000

there you can ask our guest a question

38

00:01:35,929 --> 00:01:32,700

later on and that guest is Peter

39

00:01:39,380 --> 00:01:35,939

Davenport from new Fork he'll be on for

40

00:01:42,889 --> 00:01:39,390

both our one and our two so get some

41

00:01:45,859 --> 00:01:42,899

questions ready for him he was one of

42

00:01:49,310 --> 00:01:45,869

the first people on the incident Exeter

43

00:01:53,030 --> 00:01:49,320

case back in I think it was 1965 and

44

00:01:54,830 --> 00:01:53,040

that's local to me and he also has done

45

00:01:56,959 --> 00:01:54,840

a bunch of different things I think he

46

00:01:59,690 --> 00:01:56,969

had a sighting early on to look back in

47

00:02:02,300 --> 00:01:59,700

the 50s in his youth and Greg I'm really

48

00:02:03,859 --> 00:02:02,310

looking forward to that and that's

49

00:02:07,459 --> 00:02:03,869

enough for me

50

00:02:10,580 --> 00:02:07,469

alejandro how are you I am good how are

51
00:02:12,130 --> 00:02:10,590
you I am great in the great state of

52
00:02:14,500 --> 00:02:12,140
Maine and we

53
00:02:17,530 --> 00:02:14,510
I'm talking about traffic jams in

54
00:02:20,650 --> 00:02:17,540
Arizona and there's hardly even roads

55
00:02:21,970 --> 00:02:20,660
here so really well that's I don't know

56
00:02:24,040 --> 00:02:21,980
if that's good or bad that's probably

57
00:02:25,630 --> 00:02:24,050
bad hon they get all clogged up I'm

58
00:02:30,040 --> 00:02:25,640
assuming well it's good for the Moose

59
00:02:31,510 --> 00:02:30,050
but yeah it's right a moose yeah you got

60
00:02:33,790 --> 00:02:31,520
to be creative think outside of the box

61
00:02:36,400 --> 00:02:33,800
well you know who's for Transportation

62
00:02:38,500 --> 00:02:36,410
tourism here is getting heavier in

63
00:02:41,050 --> 00:02:38,510

heavier every year so winning anything

64

00:02:42,070 --> 00:02:41,060

like you know July 4th weekend coming

65

00:02:44,800 --> 00:02:42,080

right up

66

00:02:47,199 --> 00:02:44,810

boy does i-95 goes right at the state of

67

00:02:49,120 --> 00:02:47,209

Maine and it is clogged all over really

68

00:02:51,580 --> 00:02:49,130

yeah from it goes way down into New

69

00:02:52,900 --> 00:02:51,590

Hampshire because there's tolls you know

70

00:02:54,640 --> 00:02:52,910

they have to go through tolls and stop

71

00:02:56,920 --> 00:02:54,650

with a toll and that clogs everybody up

72

00:02:59,440 --> 00:02:56,930

so it's always a pain so I like being up

73

00:03:01,780 --> 00:02:59,450

in the mountain away from everybody

74

00:03:03,850 --> 00:03:01,790

well I think that gives me an excuse to

75

00:03:06,750 --> 00:03:03,860

plug something and since this is alive

76

00:03:08,920 --> 00:03:06,760

you can't stop me where's the music

77

00:03:11,100 --> 00:03:08,930

Roswell I'm gonna be in Roswell this

78

00:03:13,660 --> 00:03:11,110

weekend so that's exciting ufo-related

79

00:03:15,790 --> 00:03:13,670

it's gonna be like my eighth year or

80

00:03:18,640 --> 00:03:15,800

something going out there I did miss one

81

00:03:20,680 --> 00:03:18,650

year but it's always a lot of fun and

82

00:03:22,930 --> 00:03:20,690

they have the most amazing fireworks

83

00:03:25,990 --> 00:03:22,940

display there's a fireworks company out

84

00:03:27,250 --> 00:03:26,000

there so it's like 45 minutes and you

85

00:03:31,840 --> 00:03:27,260

think the whole thing and it's the

86

00:03:33,220 --> 00:03:31,850

finale cuz they're just tons and tons I

87

00:03:35,560 --> 00:03:33,230

think they just blew up all their extra

88

00:03:37,990 --> 00:03:35,570

ones out there it's incredible you would

89

00:03:39,699 --> 00:03:38,000

not imagine it in this little town in

90

00:03:42,100 --> 00:03:39,709

the middle of nowhere in New Mexico but

91

00:03:45,250 --> 00:03:42,110

of course it'll be fun and I will be

92

00:03:46,270 --> 00:03:45,260

seeing Tom and Dawn there and hearing

93

00:03:49,569 --> 00:03:46,280

what they have to say

94

00:03:51,850 --> 00:03:49,579

of course they are in the limelight they

95

00:03:56,050 --> 00:03:51,860

are quite notorious at this moment

96

00:03:59,170 --> 00:03:56,060

because of the Roswell slides stuff you

97

00:04:01,750 --> 00:03:59,180

have the lingering and lingering mm-hmm

98

00:04:04,300 --> 00:04:01,760

yep we'll see how long it lingers but

99

00:04:05,530 --> 00:04:04,310

yeah I promised I wouldn't talk about

100

00:04:08,229 --> 00:04:05,540

that so what's going on with the news

101

00:04:10,840 --> 00:04:08,239

the news it's too late you already did

102

00:04:13,990 --> 00:04:10,850

talk about it but I should mention I not

103

00:04:15,730 --> 00:04:14,000

much about it but today is Canadian Day

104

00:04:19,210 --> 00:04:15,740

Canada Day

105

00:04:23,620 --> 00:04:19,220

so we do have a story up written by a

106

00:04:25,000 --> 00:04:23,630

Canadian Chris Bukowski and he runs a

107

00:04:27,310 --> 00:04:25,010

site up there where they do a lot of

108

00:04:29,650 --> 00:04:27,320

really good work on following sightings

109

00:04:32,650 --> 00:04:29,660

and he wrote this story about the top 10

110

00:04:35,620 --> 00:04:32,660

strangest Canadian UFO reports and he

111

00:04:37,840 --> 00:04:35,630

based it off of UFO researchers

112

00:04:39,970 --> 00:04:37,850

investigators that he pulled so that's

113

00:04:41,560 --> 00:04:39,980

kind of fun after Canadian day story

114

00:04:43,390 --> 00:04:41,570

that's up there and I kind of sprung

115

00:04:46,860 --> 00:04:43,400

that on you so you probably don't have

116

00:04:49,810 --> 00:04:46,870

to link up yet it's not there you hoser

117

00:04:52,360 --> 00:04:49,820

i'm hoser i you know I've been

118

00:04:53,650 --> 00:04:52,370

refraining from saying a and hoser even

119

00:04:55,210 --> 00:04:53,660

though it's a lot of fun and before the

120

00:04:57,700 --> 00:04:55,220

show started we were doing quite a bit

121

00:04:59,620 --> 00:04:57,710

of it and I just started thinking if

122

00:05:01,540 --> 00:04:59,630

it's Canada Day shouldn't we be

123

00:05:04,090 --> 00:05:01,550

celebrating them and not making fun of

124

00:05:06,940 --> 00:05:04,100

them not that's uh that is celebrating

125

00:05:08,830 --> 00:05:06,950

them yeah it's okay it'd be awesome to

126

00:05:09,970 --> 00:05:08,840

be able to talk like that you will you

127

00:05:13,890 --> 00:05:09,980

convinced me eh

128

00:05:16,000 --> 00:05:13,900

yeah all right so otherwise though

129

00:05:18,700 --> 00:05:16,010

speaking of other news in other

130

00:05:22,420 --> 00:05:18,710

countries we've posted a story and this

131

00:05:24,760 --> 00:05:22,430

was given to us by Andres Muller he has

132

00:05:27,520 --> 00:05:24,770

a fourteen kind of website frontier

133

00:05:30,910 --> 00:05:27,530

science he calls that website in Germany

134

00:05:32,860 --> 00:05:30,920

that's very popular and he'll send us

135

00:05:35,620 --> 00:05:32,870

stories once in a while and this is a

136

00:05:38,970 --> 00:05:35,630

really interesting one so the federal

137

00:05:44,770 --> 00:05:38,980

administrative Supreme Court of Germany

138

00:05:47,830 --> 00:05:44,780

has forced the essentially the German

139

00:05:49,900 --> 00:05:47,840

government to release this UFO file I

140

00:05:52,240 --> 00:05:49,910

guess they haven't done it yet but

141

00:05:55,060 --> 00:05:52,250

there's a scientific organization that

142

00:05:56,860 --> 00:05:55,070

did a report on UFOs and the German

143

00:05:59,020 --> 00:05:56,870

government has not wanted to release

144

00:06:01,480 --> 00:05:59,030

this even though people know it exists

145

00:06:04,570 --> 00:06:01,490

it was created by their scientific

146

00:06:07,960 --> 00:06:04,580

service is what they call it and I guess

147

00:06:12,370 --> 00:06:07,970

it has to do with Germany and the UN

148

00:06:14,200 --> 00:06:12,380

resolution to release UFO information

149

00:06:17,350 --> 00:06:14,210

but it's been kind of a long fought

150

00:06:21,580 --> 00:06:17,360

battle for UFO researchers to see this

151
00:06:23,170 --> 00:06:21,590
paper and soon they will because the had

152
00:06:25,240 --> 00:06:23,180
to go all the way up to the Supreme

153
00:06:27,070 --> 00:06:25,250
Court of Germany to release this

154
00:06:29,650 --> 00:06:27,080
document so it's a really interesting

155
00:06:31,210 --> 00:06:29,660
file or a story

156
00:06:34,900 --> 00:06:31,220
and that should be coming out soon and

157
00:06:36,580 --> 00:06:34,910
as far as that UN resolution it actually

158
00:06:39,910 --> 00:06:36,590
got watered down

159
00:06:41,490 --> 00:06:39,920
it was a UN I can't remember the exact

160
00:06:44,530 --> 00:06:41,500
word but something like you and

161
00:06:47,200 --> 00:06:44,540
suggestion it came out to be but if

162
00:06:51,400 --> 00:06:47,210
people aren't aware in the 1970s Eric

163
00:06:53,200 --> 00:06:51,410

gairy of Grenada had got really into

164

00:06:56,650 --> 00:06:53,210

UFOs he said he had a sighting and he

165

00:06:59,790 --> 00:06:56,660

went to the UN as a Ewing you know

166

00:07:02,440 --> 00:06:59,800

country delegate and said we need to

167

00:07:04,420 --> 00:07:02,450

release information on UFOs and share

168

00:07:07,510 --> 00:07:04,430

information and create a department at

169

00:07:10,720 --> 00:07:07,520

the UN then investigates UFOs it got

170

00:07:17,350 --> 00:07:10,730

stalled for a year this was I think 76

171

00:07:19,660 --> 00:07:17,360

to 77 and 78 and finally it came out as

172

00:07:21,850 --> 00:07:19,670

kind of this UN I can't remember the

173

00:07:23,620 --> 00:07:21,860

word but it is like a suggestion or

174

00:07:26,680 --> 00:07:23,630

something like that which it just means

175

00:07:29,770 --> 00:07:26,690

that it got watered down to the point

176

00:07:31,420 --> 00:07:29,780

but it did get voted on and passed on

177

00:07:33,940 --> 00:07:31,430

the records where all of the UN

178

00:07:35,620 --> 00:07:33,950

countries were to share their UFO

179

00:07:37,420 --> 00:07:35,630

information with the UN and then they

180

00:07:39,820 --> 00:07:37,430

would all share it amongst each other in

181

00:07:41,920 --> 00:07:39,830

these countries and never came out to

182

00:07:43,750 --> 00:07:41,930

fruition we've had some interesting

183

00:07:45,520 --> 00:07:43,760

stories come out and Lee Spiegel has

184

00:07:48,250 --> 00:07:45,530

written about this because Lee Spiegel

185

00:07:49,990 --> 00:07:48,260

actually organized yeah he was involved

186

00:07:52,480 --> 00:07:50,000

he organized a presentation at the UN

187

00:07:54,640 --> 00:07:52,490

for this thing and we have found out

188

00:07:57,970 --> 00:07:54,650

later on that the UK government

189

00:08:00,160 --> 00:07:57,980

especially was really against the whole

190

00:08:02,830 --> 00:08:00,170

thing and in the background was lobbying

191

00:08:04,570 --> 00:08:02,840

against it so really interesting story

192

00:08:07,540 --> 00:08:04,580

and I guess this German paper is about

193

00:08:09,400 --> 00:08:07,550

their implementation of this UN

194

00:08:12,520 --> 00:08:09,410

resolution so it ought to be interesting

195

00:08:15,520 --> 00:08:12,530

to see but pretty cool pretty cool news

196

00:08:18,700 --> 00:08:15,530

there did you get an idea of exactly

197

00:08:21,970 --> 00:08:18,710

when that will be released no the story

198

00:08:26,160 --> 00:08:21,980

doesn't really go into when it may be

199

00:08:30,310 --> 00:08:26,170

released at just that just recently the

200

00:08:33,909 --> 00:08:30,320

ruling had come down I see okay however

201
00:08:35,980 --> 00:08:33,919
andreas Muller did get other UFO FILES

202
00:08:37,510 --> 00:08:35,990
recently released and that we have a

203
00:08:40,450 --> 00:08:37,520
link to that story and that's another

204
00:08:43,480 --> 00:08:40,460
story he had given us in the past as

205
00:08:46,329 --> 00:08:43,490
well so of course we don't speak

206
00:08:48,820 --> 00:08:46,339
so we got a relay or rely on some of the

207
00:08:50,410 --> 00:08:48,830
points that he made on those files but

208
00:08:52,150 --> 00:08:50,420
there's some stuff that somewhat

209
00:08:54,880 --> 00:08:52,160
interesting it's kind of like the

210
00:08:56,949 --> 00:08:54,890
WikiLeaks UFO stuff that came out it

211
00:08:59,500 --> 00:08:56,959
wasn't really exciting our

212
00:09:02,199 --> 00:08:59,510
groundbreaking but it was interesting

213
00:09:06,820 --> 00:09:02,209

kind of stuff Nine's but I can see it

214

00:09:11,550 --> 00:09:06,830

touch yeah that's German isn't it yeah

215

00:09:15,160 --> 00:09:11,560

yeah wow you are you have latent talents

216

00:09:18,490 --> 00:09:15,170

that come out periodically and you're

217

00:09:21,430 --> 00:09:18,500

just a person like blatant I think is

218

00:09:24,370 --> 00:09:21,440

more like hey before we go on to the

219

00:09:27,579 --> 00:09:24,380

next show I just want to announce our

220

00:09:29,949 --> 00:09:27,589

listeners that art Bell is coming back

221

00:09:32,230 --> 00:09:29,959

on this network and it's coming up I

222

00:09:35,440 --> 00:09:32,240

think I want to get this wrong I think

223

00:09:38,530 --> 00:09:35,450

it's July 20th and you can actually go

224

00:09:42,790 --> 00:09:38,540

to the dark matter radio or dark matter

225

00:09:45,340 --> 00:09:42,800

digital I'm sorry media network it has

226

00:09:48,010 --> 00:09:45,350

changed the URL has changed and you can

227

00:09:49,480 --> 00:09:48,020

find where you can support our art for

228

00:09:52,720 --> 00:09:49,490

as little as like five dollars a month

229

00:09:54,010 --> 00:09:52,730

for a subscription listen to all these

230

00:09:59,500 --> 00:09:54,020

shows you know these shows over five

231

00:10:01,180 --> 00:09:59,510

days a week so I am just I'm looking at

232

00:10:04,199 --> 00:10:01,190

I'm getting a message I think from the

233

00:10:07,720 --> 00:10:04,209

producer of the show right here so dark

234

00:10:10,480 --> 00:10:07,730

matter digital network.com there it is

235

00:10:12,610 --> 00:10:10,490

Thank You Keith dark matter did you know

236

00:10:14,949 --> 00:10:12,620

that was I just stunned that that's

237

00:10:17,139 --> 00:10:14,959

where you want to go and you can sport

238

00:10:20,260 --> 00:10:17,149

art it's midnight in the desert you can

239

00:10:23,079 --> 00:10:20,270

see the link right there and I'm really

240

00:10:24,960 --> 00:10:23,089

excited about that but we can go ahead

241

00:10:27,370 --> 00:10:24,970

and move on with the news if you'd like

242

00:10:29,199 --> 00:10:27,380

yeah I'm super excited too and what's

243

00:10:31,900 --> 00:10:29,209

funny is we wrote a story on that and we

244

00:10:34,540 --> 00:10:31,910

included some of these fan trailers that

245

00:10:35,980 --> 00:10:34,550

are popping up on YouTube and ever since

246

00:10:38,440 --> 00:10:35,990

then I've gotten at least two or three

247

00:10:41,079 --> 00:10:38,450

other messages from people that have

248

00:10:42,819 --> 00:10:41,089

said oh you know I created a fan trailer

249

00:10:44,560 --> 00:10:42,829

check it out at least one of them I

250

00:10:46,269 --> 00:10:44,570

posted on my facebook and the guy was

251
00:10:48,100 --> 00:10:46,279
really cool he's like oh thank you and

252
00:10:50,440 --> 00:10:48,110
it was a great trailer but there's all

253
00:10:52,600 --> 00:10:50,450
these fan trailers for art fellas show

254
00:10:54,430 --> 00:10:52,610
coming up popping up on YouTube which is

255
00:10:55,750 --> 00:10:54,440
pretty cool everybody's really excited

256
00:10:57,790 --> 00:10:55,760
about it I am

257
00:11:00,310 --> 00:10:57,800
as well yeah and I think he'll really

258
00:11:04,330 --> 00:11:00,320
like you know starring his own boat being

259
00:11:06,940 --> 00:11:04,340
in charge of the digital yeah in charge

260
00:11:09,490 --> 00:11:06,950
of the media he's on or you know of

261
00:11:11,830 --> 00:11:09,500
course with Keith's help but he'll be in

262
00:11:14,050 --> 00:11:11,840
charge and and so there won't be any of

263
00:11:16,530 --> 00:11:14,060

the typical BS that's happened to him in

264

00:11:21,340 --> 00:11:16,540

the past so yeah it's really exciting

265

00:11:23,230 --> 00:11:21,350

very exciting speaking of exciting it's

266

00:11:24,670 --> 00:11:23,240

the next exciting finding that I want to

267

00:11:27,580 --> 00:11:24,680

share with everybody which has to do

268

00:11:30,370 --> 00:11:27,590

with Bob Lazar so many of you probably

269

00:11:31,990 --> 00:11:30,380

know of course Bob Lazar is the alleged

270

00:11:35,050 --> 00:11:32,000

whistleblower who came out and said I

271

00:11:38,710 --> 00:11:35,060

worked at area 51 or specifically at

272

00:11:40,660 --> 00:11:38,720

this s4 facility near area 51 but he

273

00:11:43,200 --> 00:11:40,670

kind of fluent area 51 and was bused

274

00:11:47,470 --> 00:11:43,210

there and he says he back engineered

275

00:11:49,540 --> 00:11:47,480

alien technology well he says that he

276

00:11:52,270 --> 00:11:49,550

also worked at Los Alamos which is

277

00:11:56,350 --> 00:11:52,280

another secret kind of a place where

278

00:11:58,590 --> 00:11:56,360

secret projects are worked on and and he

279

00:12:01,090 --> 00:11:58,600

says he has degrees from Caltech and MIT

280

00:12:03,420 --> 00:12:01,100

well none of this could be for confirmed

281

00:12:06,760 --> 00:12:03,430

there's no teachers that have come or no

282

00:12:08,230 --> 00:12:06,770

students you know colleagues of his had

283

00:12:10,090 --> 00:12:08,240

said oh yeah I went to school with them

284

00:12:12,340 --> 00:12:10,100

nor has there been anybody to come

285

00:12:15,460 --> 00:12:12,350

forward and say yeah I work with him at

286

00:12:17,170 --> 00:12:15,470

Los Alamos now George Knapp who is an

287

00:12:19,870 --> 00:12:17,180

investigative journalist he's won

288

00:12:22,720 --> 00:12:19,880

something like a numerous Emmy Awards

289

00:12:25,900 --> 00:12:22,730

and this guy is a real-deal George Knapp

290

00:12:27,880 --> 00:12:25,910

I'm a huge fan of his if he says it it's

291

00:12:30,190 --> 00:12:27,890

real integrity and journalistic

292

00:12:32,650 --> 00:12:30,200

integrity is a big deal to him I believe

293

00:12:34,300 --> 00:12:32,660

what he has to say and he says he has

294

00:12:36,790 --> 00:12:34,310

spoken with people that worked with

295

00:12:37,870 --> 00:12:36,800

lazar at Los Alamos but they don't want

296

00:12:40,480 --> 00:12:37,880

to come forward because they're afraid

297

00:12:42,340 --> 00:12:40,490

of getting in trouble well Jeremy Korb

298

00:12:45,760 --> 00:12:42,350

who you've had on the show who's had

299

00:12:48,730 --> 00:12:45,770

who's done some documentaries including

300

00:12:51,010 --> 00:12:48,740

on Bob Lazar he debated and he's had

301
00:12:54,250 --> 00:12:51,020
this online debate going on with Stanton

302
00:12:56,770 --> 00:12:54,260
Friedman but he just recently released

303
00:12:59,710 --> 00:12:56,780
just last weekend that oh when he was on

304
00:13:04,990 --> 00:12:59,720
coast-to-coast am with George Knapp that

305
00:13:08,390 --> 00:13:05,000
he found a physicist who worked at Los

306
00:13:11,030 --> 00:13:08,400
Alamos with Bob Lazar and this guy has

307
00:13:12,620 --> 00:13:11,040
willing to come forward in fact I wrote

308
00:13:15,470 --> 00:13:12,630
a story about it and he shared with me

309
00:13:19,280 --> 00:13:15,480
this link that talks about this guy he's

310
00:13:21,800 --> 00:13:19,290
dr. Robert Crangle and he is a physicist

311
00:13:24,260 --> 00:13:21,810
you know he's an impressive person

312
00:13:27,830 --> 00:13:24,270
that's why this magazine had done a

313
00:13:32,420 --> 00:13:27,840

story on him and some of his work but

314

00:13:34,370 --> 00:13:32,430

this guy has come forward and said that

315

00:13:36,620 --> 00:13:34,380

yeah I worked with Bob Lazar he says I

316

00:13:39,110 --> 00:13:36,630

know Bob Lazar was a physicist with the

317

00:13:40,550 --> 00:13:39,120

security clearance at Los Alamos one of

318

00:13:42,800 --> 00:13:40,560

the reasons he knows this is he was in

319

00:13:44,540 --> 00:13:42,810

me security meetings with Bob Lazar and

320

00:13:46,280 --> 00:13:44,550

these I guess are kind of routine

321

00:13:47,750 --> 00:13:46,290

meetings where people are told now

322

00:13:49,930 --> 00:13:47,760

remember you're working on secret

323

00:13:52,610 --> 00:13:49,940

projects who don't tell anybody about it

324

00:13:55,280 --> 00:13:52,620

apparently Bob Lazar was asleep at the

325

00:13:57,590 --> 00:13:55,290

meetings he did go out and tell people

326

00:13:59,210 --> 00:13:57,600

about it but he also says you know he

327

00:14:02,930 --> 00:13:59,220

just knew from being around there that

328

00:14:04,730 --> 00:14:02,940

Bob Lazar was a physicist so it doesn't

329

00:14:06,470 --> 00:14:04,740

prove that Bob Lazar was working on

330

00:14:08,570 --> 00:14:06,480

alien technology

331

00:14:11,120 --> 00:14:08,580

but what it does demonstrate is that he

332

00:14:15,770 --> 00:14:11,130

was a technician and arguably a

333

00:14:19,100 --> 00:14:15,780

scientist at Los Alamos well at least it

334

00:14:22,460 --> 00:14:19,110

helps bolster that claim and so the

335

00:14:25,670 --> 00:14:22,470

question is why has Los Alamos been

336

00:14:28,760 --> 00:14:25,680

denying that Bob Lazar worked at Los

337

00:14:33,020 --> 00:14:28,770

Alamos if he actually did so it's just

338

00:14:35,120 --> 00:14:33,030

more mystery it could be proving that

339

00:14:38,180 --> 00:14:35,130

Bob Lazar isn't lying at least in that

340

00:14:41,030 --> 00:14:38,190

you know Los Alamos is is trying to

341

00:14:43,460 --> 00:14:41,040

erase his existence or working with them

342

00:14:45,170 --> 00:14:43,470

there which is awfully mysterious and

343

00:14:47,750 --> 00:14:45,180

George Knapp makes another point a

344

00:14:49,790 --> 00:14:47,760

couple points that if we could prove he

345

00:14:53,030 --> 00:14:49,800

worked at Los Alamos who cares about his

346

00:14:54,950 --> 00:14:53,040

college degree his degrees because Knapp

347

00:14:57,470 --> 00:14:54,960

has not been able to confirm that he has

348

00:14:59,390 --> 00:14:57,480

these degrees that he claims to have and

349

00:15:01,790 --> 00:14:59,400

that if he was a technician at Los

350

00:15:05,260 --> 00:15:01,800

Alamos which is an important place then

351

00:15:08,630 --> 00:15:05,270

it's possible he did work at area 51

352

00:15:10,070 --> 00:15:08,640

yeah I'm still I got to tell you I'm

353

00:15:12,260 --> 00:15:10,080

gonna get some people mad at me and

354

00:15:15,230 --> 00:15:12,270

maybe you go for you a little bit but

355

00:15:16,730 --> 00:15:15,240

I'm still totally on the fence about Bob

356

00:15:20,330 --> 00:15:16,740

Lazar and now Matt's gonna get really

357

00:15:21,440 --> 00:15:20,340

mad at me in the message board but and

358

00:15:22,280 --> 00:15:21,450

here's the thing you know my

359

00:15:24,470 --> 00:15:22,290

brother-in-law

360

00:15:28,189 --> 00:15:24,480

a chemist at Los Alamos for many years

361

00:15:29,569 --> 00:15:28,199

and and you know there was it's you know

362

00:15:32,240 --> 00:15:29,579

I had a conversation with him he says

363

00:15:34,090 --> 00:15:32,250

you know there's nine to 13 thousand

364

00:15:36,819 --> 00:15:34,100

people working there at any given time

365

00:15:39,620 --> 00:15:36,829

including about six to eight hundred

366

00:15:41,090 --> 00:15:39,630

subcontractors that are working there

367

00:15:44,300 --> 00:15:41,100

there's hundreds and hundreds of

368

00:15:47,449 --> 00:15:44,310

buildings and he said you know for him

369

00:15:50,180 --> 00:15:47,459

to remember someone that he met that was

370

00:15:52,910 --> 00:15:50,190

not close friends with back in the 1980s

371

00:15:55,360 --> 00:15:52,920

is basically you know I want to say

372

00:15:58,519 --> 00:15:55,370

almost impossible like what would make

373

00:16:01,100 --> 00:15:58,529

Bob Lazar stand out he said if he was

374

00:16:02,689 --> 00:16:01,110

famous he was well-known or you know

375

00:16:04,340 --> 00:16:02,699

famous in his field or something like

376

00:16:07,730 --> 00:16:04,350

that yes of course you'd remember him

377

00:16:11,139 --> 00:16:07,740

but if he was not a standout person it

378

00:16:13,939 --> 00:16:11,149

would be really difficult to you know to

379

00:16:16,100 --> 00:16:13,949

remember him and and well how did this

380

00:16:18,379 --> 00:16:16,110

come up how did he all of a sudden say

381

00:16:21,290 --> 00:16:18,389

oh yeah I knew Bob Lazar and I know that

382

00:16:24,050 --> 00:16:21,300

some of it had to do with supposedly a

383

00:16:25,540 --> 00:16:24,060

friend had given him a tape but one of

384

00:16:28,430 --> 00:16:25,550

the things my brother-in-law said was

385

00:16:30,110 --> 00:16:28,440

simply ask Bob Lazar what division and

386

00:16:31,670 --> 00:16:30,120

group he was in and just leave it at

387

00:16:36,079 --> 00:16:31,680

that don't give him any hints just ask

388

00:16:39,379 --> 00:16:36,089

him that question no but anyway how dare

389

00:16:41,240 --> 00:16:39,389

you not believe all of this first you

390

00:16:43,759 --> 00:16:41,250

don't believe in the Roswell slides now

391

00:16:46,490 --> 00:16:43,769

this no I agree with you I'm a fence

392

00:16:48,319 --> 00:16:46,500

sitter on this thing too although I did

393

00:16:50,180 --> 00:16:48,329

totally disagree with that argument I

394

00:16:52,490 --> 00:16:50,190

think that's kind of silly I know people

395

00:16:55,280 --> 00:16:52,500

I worked with or I went to school with

396

00:16:57,079 --> 00:16:55,290

in 1980 I can easily remember of course

397

00:16:59,269 --> 00:16:57,089

I'm not gonna remember every kid at my

398

00:17:01,340 --> 00:16:59,279

school but I'm gonna remember a few

399

00:17:04,490 --> 00:17:01,350

people so there's got to be people out

400

00:17:07,309 --> 00:17:04,500

there like dr. Crangle who remember Bob

401
00:17:09,620 --> 00:17:07,319
Lazar if he really worked out there so I

402
00:17:12,079 --> 00:17:09,630
mean that's completely possible not only

403
00:17:12,590 --> 00:17:12,089
that this is an interesting part of the

404
00:17:15,890 --> 00:17:12,600
story

405
00:17:17,569 --> 00:17:15,900
it's Jeremy was using BOTS I don't know

406
00:17:20,510 --> 00:17:17,579
where the hell he got these are or how

407
00:17:22,280 --> 00:17:20,520
he uses them but there are thirty spots

408
00:17:24,140 --> 00:17:22,290
that go out to your Facebook they're

409
00:17:27,500 --> 00:17:24,150
looking at your Facebook so he's like

410
00:17:30,260 --> 00:17:27,510
the NSA but he's grabbing people talking

411
00:17:35,090 --> 00:17:30,270
about Bob Lazar and he'll go look to see

412
00:17:35,900 --> 00:17:35,100
what they're doing anyway they said this

413
00:17:37,220 --> 00:17:35,910

person just said

414

00:17:39,850 --> 00:17:37,230

my neighbor says he worked with Bob

415

00:17:41,750 --> 00:17:39,860

Lazar so Jeremy got ahold of that guy

416

00:17:43,160 --> 00:17:41,760

eventually became friends with the

417

00:17:46,070 --> 00:17:43,170

neighbor and then neighbor said yeah I

418

00:17:47,570 --> 00:17:46,080

really did work with Bob Lazar so I mean

419

00:17:51,590 --> 00:17:47,580

that's why this person never came

420

00:17:55,040 --> 00:17:51,600

forward before that would make sense so

421

00:17:57,190 --> 00:17:55,050

all right I mean yeah but I'm open to

422

00:18:01,310 --> 00:17:57,200

the fact that it's possible but also

423

00:18:05,600 --> 00:18:01,320

it's I want to say closer to improbable

424

00:18:08,200 --> 00:18:05,610

than possible but you know if it's if it

425

00:18:10,640 --> 00:18:08,210

really if it's really you know factual

426

00:18:13,100 --> 00:18:10,650

great it's just it's kind of a little

427

00:18:15,380 --> 00:18:13,110

bit of a mystery that's all yeah it's

428

00:18:18,200 --> 00:18:15,390

funny right after I posted this story

429

00:18:20,240 --> 00:18:18,210

within a minute John Alexander pounced

430

00:18:22,220 --> 00:18:20,250

and he's sending me emails this is

431

00:18:24,680 --> 00:18:22,230

ridiculous I worked at Los Alamos he

432

00:18:26,900 --> 00:18:24,690

wasn't there so it's kind of funny it's

433

00:18:27,980 --> 00:18:26,910

certainly out of nine or ten thousand

434

00:18:30,820 --> 00:18:27,990

people how are you gonna tell who's

435

00:18:34,940 --> 00:18:30,830

there and who's not you know well even

436

00:18:37,670 --> 00:18:34,950

if he wasn't no you wouldn't know if I'm

437

00:18:41,630 --> 00:18:37,680

for John Alexandre to say you know he

438

00:18:43,730 --> 00:18:41,640

was no exactly I know for examle and you

439

00:18:46,640 --> 00:18:43,740

know your point about subcontractors is

440

00:18:48,710 --> 00:18:46,650

exactly correct in fact dr. Crangle told

441

00:18:50,870 --> 00:18:48,720

Jeremy that most of the employees out

442

00:18:53,300 --> 00:18:50,880

there are subcontractors now and I think

443

00:18:55,040 --> 00:18:53,310

we hear this a lot fact most of the

444

00:18:57,550 --> 00:18:55,050

people that the federal government hires

445

00:19:00,110 --> 00:18:57,560

these days are contractors the

446

00:19:02,990 --> 00:19:00,120

percentage is super-high they've talked

447

00:19:04,250 --> 00:19:03,000

about this lately but yeah you've got

448

00:19:06,440 --> 00:19:04,260

you've got a number of great points

449

00:19:08,900 --> 00:19:06,450

there I think though I give this guy the

450

00:19:11,420 --> 00:19:08,910

benefit of the doubt just because of his

451
00:19:13,370 --> 00:19:11,430
really impressive impressive background

452
00:19:15,800 --> 00:19:13,380
and there's no reason that this person

453
00:19:18,710 --> 00:19:15,810
should be putting his reputation on the

454
00:19:24,110 --> 00:19:18,720
line for making statements like this so

455
00:19:26,030 --> 00:19:24,120
it's entirely possible almost it's still

456
00:19:28,160 --> 00:19:26,040
a big leap from working on

457
00:19:32,210 --> 00:19:28,170
extraterrestrial spacecraft that's right

458
00:19:35,300 --> 00:19:32,220
so so no closer to that and you know I

459
00:19:37,370 --> 00:19:35,310
mean I listened to the interview and you

460
00:19:39,800 --> 00:19:37,380
know he did sound you know pretty cool

461
00:19:42,290 --> 00:19:39,810
and stuff like that you know there are

462
00:19:45,350 --> 00:19:42,300
people out there just looking for a

463
00:19:46,850 --> 00:19:45,360

little fun a little Fame sure you know

464

00:19:49,550 --> 00:19:46,860

so I don't know I'm not a hundred

465

00:19:50,870 --> 00:19:49,560

percent into it but anyway

466

00:19:52,370 --> 00:19:50,880

Peter I told him we'd be calling him

467

00:19:54,560 --> 00:19:52,380

five minutes ago he's waiting by the

468

00:19:56,180 --> 00:19:54,570

phone so we gotta go Alejandro but it's

469

00:20:00,950 --> 00:19:56,190

been great thanks so much for doing this

470

00:20:06,320 --> 00:20:00,960

live all right and we will see you later

471

00:20:38,770 --> 00:20:06,330

next week all right I think thanks a

472

00:20:42,290 --> 00:20:41,450

national UFO Reporting Center good

473

00:20:45,230 --> 00:20:42,300

afternoon

474

00:20:48,050 --> 00:20:45,240

well hello Peter how are you it's Martin

475

00:20:50,210 --> 00:20:48,060

from podcast UFO welcome to the show

476
00:20:52,430 --> 00:20:50,220
Thank You Martin good to be here and

477
00:20:54,620 --> 00:20:52,440
looking forward to this always enjoy

478
00:20:58,000 --> 00:20:54,630
talking about my favorite subject UFOs

479
00:21:01,730 --> 00:20:58,010
yes I've always enjoyed your great

480
00:21:04,160 --> 00:21:01,740
enthusiasm when you're giving your UFO

481
00:21:05,870 --> 00:21:04,170
reports it's always always a lot of fun

482
00:21:08,330 --> 00:21:05,880
and there's a lot of ground I want to

483
00:21:11,060 --> 00:21:08,340
cover and you know we can talk about

484
00:21:14,510 --> 00:21:11,070
what's going on lately but first of all

485
00:21:16,580 --> 00:21:14,520
you know I want to say again welcome to

486
00:21:22,730 --> 00:21:16,590
the show and how did you get interested

487
00:21:25,010 --> 00:21:22,740
in this topic computer yeah I think I

488
00:21:28,850 --> 00:21:25,020

can honestly say I'm interested in it

489

00:21:32,690 --> 00:21:28,860

because in I think it was July of 1954 I

490

00:21:35,330 --> 00:21:32,700

saw a UFO as a young boy with my entire

491

00:21:37,580 --> 00:21:35,340

family with literally hundreds of other

492

00:21:41,570 --> 00:21:37,590

people who saw the same thing that a

493

00:21:45,260 --> 00:21:41,580

dragon theater and I've been captivated

494

00:21:48,410 --> 00:21:45,270

by the subject ever since clearly

495

00:21:50,570 --> 00:21:48,420

something as immense magnitude and

496

00:21:52,850 --> 00:21:50,580

gravity is taking place on this planet

497

00:21:56,420 --> 00:21:52,860

and most people don't know about it

498

00:21:59,740 --> 00:21:56,430

frankly now that I am a scientist much

499

00:22:02,630 --> 00:21:59,750

older and a scientist by training I

500

00:22:05,900 --> 00:22:02,640

consider this this is the field of

501
00:22:08,930 --> 00:22:05,910
ufology to be the most compelling and

502
00:22:12,410 --> 00:22:08,940
the most important scientific subject

503
00:22:15,080 --> 00:22:12,420
that has ever stood before man well I'm

504
00:22:17,330 --> 00:22:15,090
I'm afraid I'm hooked to it that is

505
00:22:20,210 --> 00:22:17,340
quite the statement and you know I have

506
00:22:21,470 --> 00:22:20,220
to agree it's funny I have I have a son

507
00:22:25,310 --> 00:22:21,480
that's always been you know very

508
00:22:26,570 --> 00:22:25,320
skeptical of this and and he enjoys me

509
00:22:29,240 --> 00:22:26,580
talking about the show and you know

510
00:22:32,150 --> 00:22:29,250
guests and things going on and he's

511
00:22:34,100 --> 00:22:32,160
starting to say things like wouldn't it

512
00:22:36,290 --> 00:22:34,110
really be something if this is you know

513
00:22:38,690 --> 00:22:36,300

this is really happening

514

00:22:40,250 --> 00:22:38,700

you know how exciting would it be be so

515

00:22:41,870 --> 00:22:40,260

you know it would make the world a lot

516

00:22:44,600 --> 00:22:41,880

less boring I think he said something

517

00:22:48,289 --> 00:22:44,610

like that boy that's the truth

518

00:22:49,279 --> 00:22:48,299

if if the UFO phenomenon is a real

519

00:22:53,180 --> 00:22:49,289

phenomenon

520

00:22:55,880 --> 00:22:53,190

it adds an immense new dimension to our

521

00:22:59,360 --> 00:22:55,890

understanding of the galaxy and universe

522

00:23:01,990 --> 00:22:59,370

that we live in yeah I believe it does I

523

00:23:04,519 --> 00:23:02,000

believe we are dealing with a real

524

00:23:07,370 --> 00:23:04,529

phenomenon I wouldn't have spent the

525

00:23:09,230 --> 00:23:07,380

last 21 years of my life running the

526

00:23:12,380 --> 00:23:09,240

national UFO Reporting Center if I

527

00:23:14,539 --> 00:23:12,390

didn't feel that way frankly yeah yep

528

00:23:17,060 --> 00:23:14,549

now when you had this sighting back in

529

00:23:19,810 --> 00:23:17,070

1954 you said your family witnessed it

530

00:23:21,889 --> 00:23:19,820

as well whether other people involved

531

00:23:23,870 --> 00:23:21,899

hundreds of people in a drive-in theater

532

00:23:26,480 --> 00:23:23,880

on the south side of the st. Louis

533

00:23:28,970 --> 00:23:26,490

Airport and I have written up a

534

00:23:31,870 --> 00:23:28,980

description a detailed description of

535

00:23:34,490 --> 00:23:31,880

what happened and posted it to our webs

536

00:23:37,269 --> 00:23:34,500

the national UFO Reporting Center

537

00:23:41,120 --> 00:23:37,279

website UFO center.com

538

00:23:44,049 --> 00:23:41,130

and people can read my description of

539

00:23:47,000 --> 00:23:44,059

what happened and it's not just a

540

00:23:50,210 --> 00:23:47,010

question of whether I might have been

541

00:23:52,190 --> 00:23:50,220

making something up because whenever my

542

00:23:55,370 --> 00:23:52,200

family got together my parents and my

543

00:23:58,940 --> 00:23:55,380

older brother and I got together we

544

00:24:01,759 --> 00:23:58,950

would talk about it what did we see what

545

00:24:04,250 --> 00:24:01,769

did it look like what did it do and so

546

00:24:06,259 --> 00:24:04,260

on and so forth and there must have been

547

00:24:09,230 --> 00:24:06,269

at least hundreds of people in that

548

00:24:13,629 --> 00:24:09,240

drive-in theater that night it was in

549

00:24:15,860 --> 00:24:13,639

July of 1954 I believe was the case I

550

00:24:18,230 --> 00:24:15,870

remember that because I remember the

551
00:24:25,149 --> 00:24:18,240
automobile that we were sitting in and

552
00:24:28,970 --> 00:24:25,159
we we had that automobile in 1954 so

553
00:24:32,240 --> 00:24:28,980
July of 1954 Lambert field st. Louis

554
00:24:35,690 --> 00:24:32,250
Airport was a dramatic sighting an

555
00:24:38,029 --> 00:24:35,700
object as big as a full moon in the

556
00:24:43,399 --> 00:24:38,039
night sky the color of a traffic red

557
00:24:45,440 --> 00:24:43,409
traffic signal and it was initially when

558
00:24:48,500 --> 00:24:45,450
I first saw it it was hovering

559
00:24:50,450 --> 00:24:48,510
motionless in the night sky suddenly as

560
00:24:53,899 --> 00:24:50,460
I was looking at it it suddenly

561
00:24:57,260 --> 00:24:53,909
accelerated and went right across the

562
00:24:58,460 --> 00:24:57,270
airport it executed an s-shaped turn

563
00:25:03,919 --> 00:24:58,470

over the

564

00:25:06,889 --> 00:25:03,929

McDonald Aircraft Corporation and that

565

00:25:12,169 --> 00:25:06,899

was a the whole sighting I estimate

566

00:25:15,799 --> 00:25:12,179

Martin lasted I would say perhaps 10

567

00:25:18,879 --> 00:25:15,809

seconds at the outside Wow it was a

568

00:25:23,169 --> 00:25:18,889

really quite a quite a dramatic sighting

569

00:25:25,909 --> 00:25:23,179

uh-huh yeah and interestingly my father

570

00:25:27,320 --> 00:25:25,919

was in the air traffic control tower at

571

00:25:31,039 --> 00:25:27,330

the time on the other side of the

572

00:25:33,230 --> 00:25:31,049

airport the North back in 1954 the tower

573

00:25:35,930 --> 00:25:33,240

was on the north side of the st. Louis

574

00:25:37,759 --> 00:25:35,940

Airport now it's on the south side but

575

00:25:39,230 --> 00:25:37,769

he was standing in that tower on the

576

00:25:41,629 --> 00:25:39,240

north side of the airport

577

00:25:44,720 --> 00:25:41,639

looking at the object with binoculars as

578

00:25:47,600 --> 00:25:44,730

were the air traffic controllers on duty

579

00:25:50,440 --> 00:25:47,610

at the time Wow amazing

580

00:25:53,899 --> 00:25:50,450

did they notice on on the radar as well

581

00:25:56,799 --> 00:25:53,909

don't know I was six and a half years of

582

00:26:00,470 --> 00:25:56,809

age at the time and yeah if I had been

583

00:26:03,440 --> 00:26:00,480

67 instead of 6 I would have been asking

584

00:26:07,820 --> 00:26:03,450

them those questions but at 6 and a half

585

00:26:10,460 --> 00:26:07,830

I didn't ask the questions that a good

586

00:26:12,950 --> 00:26:10,470

seasoned investigator should and would

587

00:26:16,639 --> 00:26:12,960

ask yeah of course I just wondered if

588

00:26:17,869 --> 00:26:16,649

later on if the subject came up where

589

00:26:22,549 --> 00:26:17,879

your father might have mentioned that or

590

00:26:24,830 --> 00:26:22,559

not I don't recall at this time

591

00:26:27,769 --> 00:26:24,840

now whether other sightings that you see

592

00:26:30,860 --> 00:26:27,779

was he was he always in it was he an air

593

00:26:33,350 --> 00:26:30,870

traffic controller no he was an

594

00:26:37,039 --> 00:26:33,360

executive for a major American airline

595

00:26:39,649 --> 00:26:37,049

and we were at the airport that evening

596

00:26:42,409 --> 00:26:39,659

because he had to do some work at his

597

00:26:44,240 --> 00:26:42,419

office and of course back in the 50s

598

00:26:47,629 --> 00:26:44,250

things were much different than they are

599

00:26:51,019 --> 00:26:47,639

today he knew probably most of the

600

00:26:53,060 --> 00:26:51,029

people who worked at the airport and so

601
00:26:56,590 --> 00:26:53,070
he happened to go up into the air

602
00:26:59,659 --> 00:26:56,600
traffic control tower to visit with his

603
00:27:05,360 --> 00:26:59,669
friends who were were air traffic

604
00:27:08,090 --> 00:27:05,370
control operators and they were just

605
00:27:10,609 --> 00:27:08,100
standing up there gabbing I presume when

606
00:27:11,930 --> 00:27:10,619
they saw that object on the south side

607
00:27:14,930 --> 00:27:11,940
of the airport

608
00:27:16,700 --> 00:27:14,940
well now one of the things I wanted to

609
00:27:20,720 --> 00:27:16,710
talk to you about tonight was you were

610
00:27:23,720 --> 00:27:20,730
involved in incident Exeter's getting on

611
00:27:26,419 --> 00:27:23,730
that might be jumping too far ahead

612
00:27:27,139 --> 00:27:26,429
because I was back in 65 right that's

613
00:27:32,629 --> 00:27:27,149

correct

614

00:27:34,549 --> 00:27:32,639

September 3rd it occurred and I was

615

00:27:38,119 --> 00:27:34,559

involved in it through an act of

616

00:27:40,340 --> 00:27:38,129

serendipity I worked for a newspaper in

617

00:27:43,190 --> 00:27:40,350

southern New Hampshire at the time I

618

00:27:45,080 --> 00:27:43,200

lived in East Derry New Hampshire oh

619

00:27:47,330 --> 00:27:45,090

yeah most people are familiar with the

620

00:27:48,879 --> 00:27:47,340

state know where Derry Derry New

621

00:27:53,419 --> 00:27:48,889

Hampshire is popular place for

622

00:27:55,789 --> 00:27:53,429

politicians to go and talk now and I

623

00:28:00,799 --> 00:27:55,799

worked for the Derry news for about

624

00:28:04,279 --> 00:28:00,809

probably nine or ten months and somehow

625

00:28:07,810 --> 00:28:04,289

someway the editor and I got on the

626
00:28:13,159 --> 00:28:07,820
subject of UFOs and he was an absolute

627
00:28:18,049 --> 00:28:13,169
dyed-in-the-wool skeptic and in about

628
00:28:19,789 --> 00:28:18,059
the first week of september 1965 the

629
00:28:24,529 --> 00:28:19,799
year i graduated from high school in

630
00:28:26,389 --> 00:28:24,539
Derry we had a very dramatic sighting in

631
00:28:30,980 --> 00:28:26,399
Exeter it was covered by the Manchester

632
00:28:32,690 --> 00:28:30,990
union leader and my editor read that

633
00:28:35,600 --> 00:28:32,700
article and he came to me and he said

634
00:28:39,669 --> 00:28:35,610
Peter you're now a cub reporter I want

635
00:28:42,769 --> 00:28:39,679
you to go up to Exeter New Hampshire and

636
00:28:45,860 --> 00:28:42,779
get a story for us about this sighting

637
00:28:50,180 --> 00:28:45,870
so I made several trips up there I

638
00:28:54,139 --> 00:28:50,190

talked to the two police officers Hunt

639

00:28:55,549 --> 00:28:54,149

and Bertrand who had seen the object

640

00:28:58,669 --> 00:28:55,559

while they were standing together I

641

00:29:02,659 --> 00:28:58,679

talked to a hitchhiker a young 18 year

642

00:29:05,990 --> 00:29:02,669

old boy who had been chased by a disc

643

00:29:08,659 --> 00:29:06,000

out on a rural Highway near Kensington

644

00:29:12,259 --> 00:29:08,669

New Hampshire AG technically speaking

645

00:29:15,529 --> 00:29:12,269

the sighting occurred in Kensington not

646

00:29:19,850 --> 00:29:15,539

an Exeter Exeter police force was

647

00:29:23,629 --> 00:29:19,860

involved so I wrote a two-part article

648

00:29:25,850 --> 00:29:23,639

that was published in mid-september 1965

649

00:29:30,049 --> 00:29:25,860

and in

650

00:29:32,419 --> 00:29:30,059

the year 2000 actually wrote the piece

651
00:29:36,799 --> 00:29:32,429
on the incident for an incident of

652
00:29:42,529 --> 00:29:36,809
Exeter for Ronald DS story who edited

653
00:29:45,769 --> 00:29:42,539
the UFO encyclopedia wrote the piece

654
00:29:48,529 --> 00:29:45,779
about the incident have Exeter was a

655
00:29:51,769 --> 00:29:48,539
really very interesting very dramatic

656
00:29:55,100 --> 00:29:51,779
and that was my second experience with

657
00:29:56,960 --> 00:29:55,110
UFOs Wow can we for the listener out

658
00:29:59,750 --> 00:29:56,970
there that's not familiar with that case

659
00:30:01,700 --> 00:29:59,760
I think it's it's one of the it's one of

660
00:30:05,570 --> 00:30:01,710
the big cases well I think it's probably

661
00:30:07,759 --> 00:30:05,580
in the top 20 or 30 I would imagine as

662
00:30:10,730 --> 00:30:07,769
time goes on I don't know how you feel

663
00:30:12,350 --> 00:30:10,740

about that but yeah it was pretty

664

00:30:16,159 --> 00:30:12,360

dramatic and a lot of people were

665

00:30:18,289 --> 00:30:16,169

involved there it really started not in

666

00:30:20,299 --> 00:30:18,299

the wee hours of the morning when the

667

00:30:23,720 --> 00:30:20,309

hitch-hiker his name was Norman

668

00:30:26,590 --> 00:30:23,730

muscarello as I recall was chased by the

669

00:30:30,820 --> 00:30:26,600

object that the incident had started

670

00:30:34,480 --> 00:30:30,830

apparently about four hours earlier

671

00:30:37,940 --> 00:30:34,490

officer Bertrand was on patrol and he

672

00:30:41,779 --> 00:30:37,950

came upon a what they call a roundabout

673

00:30:44,389 --> 00:30:41,789

a traffic circle up there and as I

674

00:30:47,930 --> 00:30:44,399

remember there was a car that was parked

675

00:30:51,049 --> 00:30:47,940

in the center of the traffic circle

676

00:30:55,430 --> 00:30:51,059

which was very unusual cars don't go

677

00:30:58,220 --> 00:30:55,440

there it's it's grass so he investigated

678

00:31:00,740 --> 00:30:58,230

and he found a woman who was hunkered

679

00:31:04,519 --> 00:31:00,750

down on the floor of the backseat and

680

00:31:08,060 --> 00:31:04,529

her dog as I remember was hunkered down

681

00:31:10,490 --> 00:31:08,070

on the floor in the front seat and she

682

00:31:13,580 --> 00:31:10,500

was telling when he approached the car

683

00:31:17,060 --> 00:31:13,590

she started explaining to the officer

684

00:31:22,820 --> 00:31:17,070

that she had been chased by a disc from

685

00:31:24,200 --> 00:31:22,830

a nearby town and in desperation trying

686

00:31:27,710 --> 00:31:24,210

to get away from her she pulled up on

687

00:31:29,840 --> 00:31:27,720

the traffic island well he didn't know

688

00:31:33,620 --> 00:31:29,850

what to make of that but she was taken

689

00:31:35,810 --> 00:31:33,630

to the hospital as I recall and later

690

00:31:39,500 --> 00:31:35,820

that night about 2:00 or 2:30 in the

691

00:31:43,300 --> 00:31:39,510

morning he heard a call

692

00:31:46,280 --> 00:31:43,310

to all units from their headquarters in

693

00:31:49,430 --> 00:31:46,290

Exeter to the effect that a young man

694

00:31:53,470 --> 00:31:49,440

had just burst into the Exeter police

695

00:31:57,410 --> 00:31:53,480

force office and he was quite excited

696

00:32:00,830 --> 00:31:57,420

quite muddy obviously he'd been in a

697

00:32:03,310 --> 00:32:00,840

swamp or thicket or something like that

698

00:32:05,270 --> 00:32:03,320

which was had indeed been the case

699

00:32:08,180 --> 00:32:05,280

talking about how he had been

700

00:32:11,690 --> 00:32:08,190

hitchhiking on a rural road near

701
00:32:14,150 --> 00:32:11,700
Kensington and he had been approached by

702
00:32:17,210 --> 00:32:14,160
a saucer that scared him so badly

703
00:32:21,080 --> 00:32:17,220
started running in final desperation he

704
00:32:24,200 --> 00:32:21,090
jumped into swamp which was on one side

705
00:32:27,200 --> 00:32:24,210
of the road and hunkered down over under

706
00:32:30,440 --> 00:32:27,210
some bushes the object that had chased

707
00:32:33,410 --> 00:32:30,450
him pulled right above him and it

708
00:32:35,960 --> 00:32:33,420
rotated 90 degrees so it's now pointed

709
00:32:38,870 --> 00:32:35,970
the edge of the disc is pointed down at

710
00:32:41,540 --> 00:32:38,880
him and he said it hit its high beams he

711
00:32:45,080 --> 00:32:41,550
said he's never seen light as bright as

712
00:32:47,720 --> 00:32:45,090
that so I interviewed all of these

713
00:32:52,190 --> 00:32:47,730

people who were involved and I was left

714

00:32:54,650 --> 00:32:52,200

convinced that they had experienced

715

00:32:57,260 --> 00:32:54,660

something quite real and to them at the

716

00:33:00,860 --> 00:32:57,270

time quite frightening right what did

717

00:33:05,510 --> 00:33:00,870

you ever think of the the supposed

718

00:33:08,030 --> 00:33:05,520

debunking of a air plane refueler and

719

00:33:13,310 --> 00:33:08,040

did you ever hear that one oh I've heard

720

00:33:16,460 --> 00:33:13,320

a lot of attempts to debunk it or claim

721

00:33:19,400 --> 00:33:16,470

it wasn't true but I talked to the

722

00:33:23,680 --> 00:33:19,410

witnesses literally days after they had

723

00:33:26,690 --> 00:33:23,690

had their experience and one of the

724

00:33:30,140 --> 00:33:26,700

police officers officer Bertrand had

725

00:33:35,230 --> 00:33:30,150

been in the US Air Force and the notion

726

00:33:40,300 --> 00:33:35,240

that he would mistake refueling aircraft

727

00:33:43,790 --> 00:33:40,310

for a UFO is just utter nonsense so

728

00:33:47,990 --> 00:33:43,800

these these claims always come forward

729

00:33:50,900 --> 00:33:48,000

are always presented after a major event

730

00:33:53,360 --> 00:33:50,910

like that has occurred I suspect there's

731

00:33:56,980 --> 00:33:53,370

a concerted effort on the part of

732

00:33:59,840 --> 00:33:56,990

I suspect the government to discredit

733

00:34:01,930 --> 00:33:59,850

the case and if they can't discredit the

734

00:34:05,570 --> 00:34:01,940

case they'll try to discredit the people

735

00:34:07,610 --> 00:34:05,580

right Peter we're having just a little

736

00:34:09,710 --> 00:34:07,620

bit of sound issue I'm wondering if you

737

00:34:13,160 --> 00:34:09,720

could make sure that you're you're right

738

00:34:15,920 --> 00:34:13,170

up to your your phone you bet a little

739

00:34:20,000 --> 00:34:15,930

better that is better yes okay yeah

740

00:34:23,960 --> 00:34:20,010

let's up now let's talk about new fork

741

00:34:26,480 --> 00:34:23,970

is that the first this is a you you

742

00:34:28,700 --> 00:34:26,490

actually man basically most of the work

743

00:34:31,430 --> 00:34:28,710

on that don't you yeah I'm the only

744

00:34:34,040 --> 00:34:31,440

person here and I wanted to say that I

745

00:34:36,800 --> 00:34:34,050

was I can't believe you can do it I

746

00:34:39,800 --> 00:34:36,810

don't that's it's a it's been a major

747

00:34:42,590 --> 00:34:39,810

effort for sure and some days I wonder

748

00:34:46,760 --> 00:34:42,600

how I've done it and most days I wonder

749

00:34:49,370 --> 00:34:46,770

why I've done it but I think the

750

00:34:51,020 --> 00:34:49,380

principal driving force is what I

751
00:34:53,720 --> 00:34:51,030
mentioned earlier it's the greatest

752
00:34:56,000 --> 00:34:53,730
scientific question before mankind are

753
00:34:59,480 --> 00:34:56,010
we alone in this universe or are we not

754
00:35:02,840 --> 00:34:59,490
and clearly the answer to that question

755
00:35:05,410 --> 00:35:02,850
from my seat here at the national UFO

756
00:35:08,930 --> 00:35:05,420
Reporting Center is we are not alone and

757
00:35:11,440 --> 00:35:08,940
there is some fundamental relationship

758
00:35:13,940 --> 00:35:11,450
between these creatures that we presume

759
00:35:16,730 --> 00:35:13,950
navigate in these ships that are being

760
00:35:21,260 --> 00:35:16,740
reported to us that we are not yet aware

761
00:35:24,650 --> 00:35:21,270
of and if we can prove that they are

762
00:35:26,630 --> 00:35:24,660
there and maybe we can talk about my

763
00:35:30,230 --> 00:35:26,640

proposal for doing that later in the

764

00:35:32,000 --> 00:35:30,240

program sure using passive radar if we

765

00:35:34,100 --> 00:35:32,010

can prove they're there it's the

766

00:35:34,720 --> 00:35:34,110

greatest scientific discovery of all

767

00:35:41,060 --> 00:35:34,730

time

768

00:35:45,140 --> 00:35:41,070

show that this is such a passing

769

00:35:47,600 --> 00:35:45,150

phenomena that cannot be repeated it's

770

00:35:49,640 --> 00:35:47,610

it's there like you mentioned early on

771

00:35:52,520 --> 00:35:49,650

that sighting where there was a 10

772

00:35:54,950 --> 00:35:52,530

second involvement and what you saw and

773

00:35:58,640 --> 00:35:54,960

a lot of times that's all you have the

774

00:36:01,460 --> 00:35:58,650

other day yesterday I was in Boston and

775

00:36:03,050 --> 00:36:01,470

something caught my eye and in this guy

776

00:36:07,160 --> 00:36:03,060

and I went to get my phone and by the

777

00:36:09,589 --> 00:36:07,170

time it by the time I got my phone ready

778

00:36:11,630 --> 00:36:09,599

take a picture it was already gone but

779

00:36:13,460 --> 00:36:11,640

by the way it's kind of funny and ended

780

00:36:16,760 --> 00:36:13,470

up being a blimp and it was like going

781

00:36:18,109 --> 00:36:16,770

through the trees so um but I really you

782

00:36:21,170 --> 00:36:18,119

know something caught my eye and it

783

00:36:23,930 --> 00:36:21,180

looked different and not a lot of times

784

00:36:25,280 --> 00:36:23,940

you just don't have time to react yeah

785

00:36:28,460 --> 00:36:25,290

you know they're startling and you're

786

00:36:30,440 --> 00:36:28,470

like trying to find you know now we have

787

00:36:32,809 --> 00:36:30,450

we all walk around with cameras now

788

00:36:35,930 --> 00:36:32,819

basically on our phones or most a lot of

789

00:36:39,460 --> 00:36:35,940

people do but it's still - you know the

790

00:36:42,770 --> 00:36:39,470

when I had mice I had a sighting back in

791

00:36:44,450 --> 00:36:42,780

2006 that and by the way I'm gonna talk

792

00:36:46,849 --> 00:36:44,460

a little bit about this I had no idea

793

00:36:49,099 --> 00:36:46,859

that it could be reported I didn't even

794

00:36:52,670 --> 00:36:49,109

know that was an option when I had my

795

00:36:54,079 --> 00:36:52,680

sighting though really the last thing I

796

00:36:57,079 --> 00:36:54,089

would have thought of is grabbing a

797

00:37:00,980 --> 00:36:57,089

camera no I was just so mesmerised in

798

00:37:03,950 --> 00:37:00,990

like what the heck happens often happens

799

00:37:05,569 --> 00:37:03,960

people are so focused on this strange

800

00:37:08,059 --> 00:37:05,579

object that they're looking at before

801
00:37:10,940 --> 00:37:08,069
them that they don't even stop to think

802
00:37:15,589 --> 00:37:10,950
to get a photographic record of it right

803
00:37:16,940 --> 00:37:15,599
right and so about reporting UFOs like I

804
00:37:17,990 --> 00:37:16,950
just mentioned the only thing I could

805
00:37:19,940 --> 00:37:18,000
think of was called the police

806
00:37:21,859 --> 00:37:19,950
department which I did I got the

807
00:37:26,000 --> 00:37:21,869
runaround it was it was not a fun

808
00:37:28,970 --> 00:37:26,010
experience but I had no idea who to call

809
00:37:31,910 --> 00:37:28,980
but even with that going on

810
00:37:33,620 --> 00:37:31,920
I'm saying maybe I'm an I don't know if

811
00:37:36,079 --> 00:37:33,630
I'm would you consider an average person

812
00:37:39,859 --> 00:37:36,089
out there but um I was a person that had

813
00:37:42,640 --> 00:37:39,869

not seen anything before that happened

814

00:37:45,859 --> 00:37:42,650

I didn't know what to do and I think

815

00:37:47,870 --> 00:37:45,869

that has got to be a major percentage of

816

00:37:50,240 --> 00:37:47,880

people that have sightings they must

817

00:37:52,760 --> 00:37:50,250

come up with the same thing I don't know

818

00:37:54,289 --> 00:37:52,770

where to go with this and well some of

819

00:37:58,370 --> 00:37:54,299

them think to go online and take a look

820

00:38:00,799 --> 00:37:58,380

but I didn't yeah most 911 facilities

821

00:38:05,150 --> 00:38:00,809

across the country know about our car

822

00:38:07,039 --> 00:38:05,160

center so if a person dials 911

823

00:38:10,309 --> 00:38:07,049

telephone and goes to the local

824

00:38:13,910 --> 00:38:10,319

emergency response center they most of

825

00:38:17,089 --> 00:38:13,920

them perhaps all of them by now have our

826

00:38:19,940 --> 00:38:17,099

contact information both silently

827

00:38:20,600 --> 00:38:19,950

website as well as a hotline telephone

828

00:38:22,580 --> 00:38:20,610

number

829

00:38:25,250 --> 00:38:22,590

they should have given that to you I

830

00:38:28,540 --> 00:38:25,260

guess there may still be a few Luddites

831

00:38:33,320 --> 00:38:28,550

out there that don't have it some

832

00:38:36,260 --> 00:38:33,330

hangers on but most people if they call

833

00:38:38,780 --> 00:38:36,270

the local 9 1 1 facility will be given

834

00:38:43,070 --> 00:38:38,790

our number isn't that amazing that's

835

00:38:44,090 --> 00:38:43,080

great I think that's great and you know

836

00:38:46,550 --> 00:38:44,100

one of the things I was thinking about

837

00:38:48,890 --> 00:38:46,560

all these reports come in would you have

838

00:38:54,440 --> 00:38:48,900

a guess of how many per year that you

839

00:38:58,100 --> 00:38:54,450

handle yes I am posting probably about

840

00:39:01,310 --> 00:38:58,110

between 6,000 and 10,000 reports per

841

00:39:04,940 --> 00:39:01,320

year although we get vastly more than

842

00:39:07,280 --> 00:39:04,950

that most people do not want to submit a

843

00:39:10,190 --> 00:39:07,290

written report it's one of the hardest

844

00:39:13,670 --> 00:39:10,200

things and in this job is trying to get

845

00:39:16,010 --> 00:39:13,680

people to write down what they've seen

846

00:39:18,380 --> 00:39:16,020

most people just want to talk about it

847

00:39:20,810 --> 00:39:18,390

they want to call they'll chitchat for

848

00:39:23,660 --> 00:39:20,820

maybe 5 or 10 minutes most people want

849

00:39:25,520 --> 00:39:23,670

30 or 40 or 50 minutes to tell me the

850

00:39:28,640 --> 00:39:25,530

whole story and I try to stop them from

851

00:39:29,990 --> 00:39:28,650

doing that what I want people to do if

852

00:39:32,510 --> 00:39:30,000

they believe they've been witnessed

853

00:39:35,180 --> 00:39:32,520

through UFO is write out a detailed

854

00:39:38,350 --> 00:39:35,190

description of what it was they saw and

855

00:39:43,040 --> 00:39:38,360

submit it using our online report form

856

00:39:46,640 --> 00:39:43,050

so we get many more calls than we get

857

00:39:51,380 --> 00:39:46,650

reports and what people see on our

858

00:39:54,260 --> 00:39:51,390

website probably represents a third of

859

00:39:56,990 --> 00:39:54,270

what we receive so for example in the

860

00:40:00,190 --> 00:39:57,000

month of June we posted between five and

861

00:40:05,960 --> 00:40:00,200

six hundred reports to our website and

862

00:40:10,460 --> 00:40:05,970

that might represent all the thousand or

863

00:40:12,140 --> 00:40:10,470

1500 contacts we had and most of those

864

00:40:14,900 --> 00:40:12,150

people don't follow up with a report

865

00:40:17,540 --> 00:40:14,910

it's great tragedy and here's an

866

00:40:20,510 --> 00:40:17,550

interesting factoid a margin that you

867

00:40:23,810 --> 00:40:20,520

might find very interesting it is my

868

00:40:25,070 --> 00:40:23,820

estimate now after having done this job

869

00:40:29,810 --> 00:40:25,080

for 21 years

870

00:40:34,070 --> 00:40:29,820

it is my estimate that out of 20,000 or

871

00:40:37,610 --> 00:40:34,080

so Americans who witness what they think

872

00:40:40,940 --> 00:40:37,620

may have been a UFO only one out of

873

00:40:48,380 --> 00:40:40,950

20,000 will ever reported one out of

874

00:40:54,010 --> 00:40:48,390

20,000 my god I had no idea I I have

875

00:40:57,080 --> 00:40:54,020

been in rooms like unconfereces where

876
00:40:59,630 --> 00:40:57,090
the speaker for instance Richard Dolan

877
00:41:01,550 --> 00:40:59,640
once said how many people think they

878
00:41:05,480 --> 00:41:01,560
have seen UFO and watch the hands and

879
00:41:08,630 --> 00:41:05,490
then how many people reported it and you

880
00:41:11,030 --> 00:41:08,640
know it's just just a few hands go up

881
00:41:13,340 --> 00:41:11,040
now and here's the thing about that if

882
00:41:16,370 --> 00:41:13,350
these people are at a convention about

883
00:41:17,960 --> 00:41:16,380
UFOs they're more likely to be the type

884
00:41:21,010 --> 00:41:17,970
of person that would have reported it

885
00:41:26,390 --> 00:41:21,020
than not so then you factor all that and

886
00:41:30,140 --> 00:41:26,400
and so if you do the math you come up

887
00:41:33,890 --> 00:41:30,150
with an enormous amount possible

888
00:41:39,230 --> 00:41:33,900

sightings per year I mean I'm having a

889

00:41:43,880 --> 00:41:39,240

ball um yes I agree and it's very

890

00:41:46,220 --> 00:41:43,890

frustrating to us who know that most of

891

00:41:50,030 --> 00:41:46,230

the reports are falling through the

892

00:41:53,150 --> 00:41:50,040

cracks it's very frustrating that we're

893

00:41:55,940 --> 00:41:53,160

not receiving those reports and I have

894

00:41:58,970 --> 00:41:55,950

never heard so many excuses in all my

895

00:42:02,410 --> 00:41:58,980

life as I've heard running a UFO hotline

896

00:42:05,090 --> 00:42:02,420

as to why people cannot write it down

897

00:42:07,160 --> 00:42:05,100

cannot write down the details of their

898

00:42:11,300 --> 00:42:07,170

sighting it's sort of disheartening

899

00:42:13,940 --> 00:42:11,310

actually but fortunately there's some

900

00:42:18,560 --> 00:42:13,950

diligent many diligent people out there

901
00:42:21,620 --> 00:42:18,570
enough so we're getting a fairly steady

902
00:42:24,140 --> 00:42:21,630
stream of high-quality reports from

903
00:42:25,970 --> 00:42:24,150
those relatively few people who are

904
00:42:28,550 --> 00:42:25,980
willing to write it down and report it

905
00:42:31,310 --> 00:42:28,560
if you had to guess why a person

906
00:42:34,190 --> 00:42:31,320
wouldn't go through with the report once

907
00:42:36,410 --> 00:42:34,200
they contacted you what why would you

908
00:42:38,360 --> 00:42:36,420
think that might be the possibility you

909
00:42:41,060 --> 00:42:38,370
know I don't think we have enough time

910
00:42:44,650 --> 00:42:41,070
time remaining in this program for me to

911
00:42:47,210 --> 00:42:44,660
cite all of the excuses that people have

912
00:42:50,240 --> 00:42:47,220
leveled at me

913
00:42:52,880 --> 00:42:50,250

it's it's just amazing a lot of people

914

00:42:55,850 --> 00:42:52,890

say well they're in a sensitive business

915

00:42:58,520 --> 00:42:55,860

I am governing about that they would

916

00:43:00,590 --> 00:42:58,530

pull their top-secret security clearance

917

00:43:04,850 --> 00:43:00,600

and they lose their job at the solid

918

00:43:06,800 --> 00:43:04,860

landfill something like that and on and

919

00:43:09,590 --> 00:43:06,810

on they don't want their family to know

920

00:43:12,980 --> 00:43:09,600

they don't want this person to know they

921

00:43:16,160 --> 00:43:12,990

it's just amazing the excuses that

922

00:43:17,990 --> 00:43:16,170

people will come up with that will get

923

00:43:19,910 --> 00:43:18,000

them off the hook of white writing just

924

00:43:22,310 --> 00:43:19,920

one or two or three paragraphs to

925

00:43:24,650 --> 00:43:22,320

describe what they saw well in a way I

926

00:43:26,870 --> 00:43:24,660

understand you know the ridicule factor

927

00:43:29,360 --> 00:43:26,880

is all part of that because you know

928

00:43:31,250 --> 00:43:29,370

just uh for instance going on further

929

00:43:33,590 --> 00:43:31,260

about the sighting I had I told one

930

00:43:35,330 --> 00:43:33,600

person that I worked with the the

931

00:43:39,140 --> 00:43:35,340

following in Monday or whatever it was

932

00:43:42,530 --> 00:43:39,150

and I said now don't tell anybody and

933

00:43:45,140 --> 00:43:42,540

you know it wasn't too long you know

934

00:43:46,930 --> 00:43:45,150

maybe a couple days later there was you

935

00:43:51,080 --> 00:43:46,940

know there was a lot of teasing going on

936

00:43:53,240 --> 00:43:51,090

mm-hmm well that's the advantage of

937

00:43:56,240 --> 00:43:53,250

having a national UFO Reporting Center

938

00:43:59,780 --> 00:43:56,250

and we do essentially the same thing

939

00:44:02,570 --> 00:43:59,790

that MUFON does they do a good job at

940

00:44:05,630 --> 00:44:02,580

collecting reports as well but that's

941

00:44:08,330 --> 00:44:05,640

where the guaranteed anonymity comes

942

00:44:11,240 --> 00:44:08,340

into play because if a person reports to

943

00:44:13,520 --> 00:44:11,250

our Center and we post the report nobody

944

00:44:15,710 --> 00:44:13,530

will ever know who had submitted the

945

00:44:18,550 --> 00:44:15,720

report so they don't have to worry about

946

00:44:21,590 --> 00:44:18,560

ridicule nobody will know who they are

947

00:44:23,900 --> 00:44:21,600

who have submitted the report to our

948

00:44:25,460 --> 00:44:23,910

Center you know we have a message up on

949

00:44:28,490 --> 00:44:25,470

the message board that kind of dovetails

950

00:44:30,770 --> 00:44:28,500

this and that is a Matt wants to know I

951
00:44:32,750 --> 00:44:30,780
wanted to know why that witness

952
00:44:35,720 --> 00:44:32,760
information wasn't up there and I

953
00:44:39,320 --> 00:44:35,730
realized that is you know with anonymity

954
00:44:42,620 --> 00:44:39,330
you can get truthful information and a

955
00:44:44,930 --> 00:44:42,630
lot of information out there however is

956
00:44:47,590 --> 00:44:44,940
there ever a point where someone wants

957
00:44:50,600 --> 00:44:47,600
to be contacted by someone who

958
00:44:52,730 --> 00:44:50,610
investigates a particular case or

959
00:44:56,030 --> 00:44:52,740
something like that you bet but most

960
00:44:58,370 --> 00:44:56,040
cases in my opinion usually do not

961
00:45:01,730 --> 00:44:58,380
warrant the amount of resource you have

962
00:45:04,190 --> 00:45:01,740
to dedicate to an investigation

963
00:45:08,240 --> 00:45:04,200

an object a distant object in the

964

00:45:12,650 --> 00:45:08,250

daytime or nighttime sky probably does

965

00:45:17,300 --> 00:45:12,660

very little good for an investigator to

966

00:45:19,070 --> 00:45:17,310

go out and interview the the witness if

967

00:45:21,740 --> 00:45:19,080

it's just a distant object we'll

968

00:45:25,099 --> 00:45:21,750

probably never know what it is or what

969

00:45:27,710 --> 00:45:25,109

it was what I encouraged people to do

970

00:45:31,040 --> 00:45:27,720

and they can be their own investigators

971

00:45:33,260 --> 00:45:31,050

and people we live in a society in which

972

00:45:35,329 --> 00:45:33,270

everybody expects somebody else to do

973

00:45:38,960 --> 00:45:35,339

the work that's why committees are so

974

00:45:42,829 --> 00:45:38,970

popular but in fact the witness can do a

975

00:45:45,920 --> 00:45:42,839

great deal by contacting the press radio

976
00:45:49,820 --> 00:45:45,930
television and newspapers to apprise

977
00:45:51,650 --> 00:45:49,830
them of that person sighting and to ask

978
00:45:54,560 --> 00:45:51,660
them if the person can get some

979
00:45:57,140 --> 00:45:54,570
publicity or if the news media would

980
00:45:58,490 --> 00:45:57,150
publicize it and encourage anybody else

981
00:46:01,570 --> 00:45:58,500
you might have seen the same thing to

982
00:46:04,900 --> 00:46:01,580
come forward but for some strange reason

983
00:46:08,450 --> 00:46:04,910
people hesitate to do that even though

984
00:46:11,570 --> 00:46:08,460
the press is often willing to impart

985
00:46:14,030 --> 00:46:11,580
anonymity to a witness I don't

986
00:46:17,599 --> 00:46:14,040
understand it in fact the young people

987
00:46:20,210 --> 00:46:17,609
are sort of interesting it's it's a bit

988
00:46:24,170 --> 00:46:20,220

distressing when I encourage them to

989

00:46:26,359 --> 00:46:24,180

contact the press more often than not in

990

00:46:31,099 --> 00:46:26,369

dealing with a person who's maybe 25 or

991

00:46:34,790 --> 00:46:31,109

younger they'll say who is that they

992

00:46:37,670 --> 00:46:34,800

don't know who the press is or are and I

993

00:46:39,740 --> 00:46:37,680

say well radio television and newspapers

994

00:46:42,730 --> 00:46:39,750

and they say well do you have any

995

00:46:45,829 --> 00:46:42,740

telephone numbers for them and I say no

996

00:46:48,290 --> 00:46:45,839

they're in your area look them up in the

997

00:46:49,849 --> 00:46:48,300

telephone book and apprise them of your

998

00:46:53,960 --> 00:46:49,859

sighting and see if you can get some

999

00:46:57,310 --> 00:46:53,970

publicity and almost invariably they do

1000

00:47:01,640 --> 00:46:57,320

not do that it's very strange

1001
00:47:05,329 --> 00:47:01,650
you know one thing I I work with almost

1002
00:47:07,880 --> 00:47:05,339
30 young people in a start-up I do a lot

1003
00:47:10,579 --> 00:47:07,890
of them are 25 or under most of them in

1004
00:47:14,870 --> 00:47:10,589
every single person there knows that I

1005
00:47:18,230 --> 00:47:14,880
do this show and no not one person

1006
00:47:20,000 --> 00:47:18,240
gives me our time about it and and that

1007
00:47:23,150 --> 00:47:20,010
some of them listen to it some may be

1008
00:47:25,250 --> 00:47:23,160
listening right now so good I think it's

1009
00:47:27,650 --> 00:47:25,260
a good thing that young people are you

1010
00:47:30,260 --> 00:47:27,660
know interested in this subject because

1011
00:47:33,680 --> 00:47:30,270
and this is going to segue into my next

1012
00:47:35,930 --> 00:47:33,690
question you know we need this to carry

1013
00:47:38,480 --> 00:47:35,940

on it's very important I believe the

1014

00:47:42,890 --> 00:47:38,490

same way you do but speaking of carrying

1015

00:47:45,100 --> 00:47:42,900

on with with all the work you do and

1016

00:47:48,740 --> 00:47:45,110

you're really totally totally dedicated

1017

00:47:52,160 --> 00:47:48,750

do you have a predecessor someone that

1018

00:47:54,410 --> 00:47:52,170

will pick up when you're ready to see

1019

00:47:57,980 --> 00:47:54,420

how down a little bit yeah

1020

00:48:00,020 --> 00:47:57,990

that's pretty well provided for that

1021

00:48:02,060 --> 00:48:00,030

eliminates the possibility of somebody

1022

00:48:06,950 --> 00:48:02,070

being able to eliminate the hotline by

1023

00:48:10,940 --> 00:48:06,960

eliminating me so that's we've made a

1024

00:48:13,460 --> 00:48:10,950

provision for that and the person is

1025

00:48:15,800 --> 00:48:13,470

aware of it and is willing to take it

1026

00:48:19,490 --> 00:48:15,810

over in the event that I'm not able to

1027

00:48:22,700 --> 00:48:19,500

do it and that's a good point I have an

1028

00:48:25,160 --> 00:48:22,710

immense amount of material most of all a

1029

00:48:29,560 --> 00:48:25,170

database that now has about a hundred

1030

00:48:33,080 --> 00:48:29,570

and eight thousand the entries in it and

1031

00:48:35,330 --> 00:48:33,090

that that work should be continued it's

1032

00:48:38,540 --> 00:48:35,340

far more important something far more

1033

00:48:42,380 --> 00:48:38,550

important than the welfare of one single

1034

00:48:45,680 --> 00:48:42,390

individual and so do you think this

1035

00:48:47,780 --> 00:48:45,690

person or people would have the same

1036

00:48:50,360 --> 00:48:47,790

dedication that you have

1037

00:48:52,010 --> 00:48:50,370

well once I started taking calls and

1038

00:48:56,360 --> 00:48:52,020

receiving reports I think they would

1039

00:49:00,320 --> 00:48:56,370

it's it's an addictive pastime if you're

1040

00:49:05,540 --> 00:49:00,330

interested in UFOs in the first place to

1041

00:49:07,700 --> 00:49:05,550

have free rein of the hotline is an

1042

00:49:10,550 --> 00:49:07,710

immense luxury because you see what's

1043

00:49:13,190 --> 00:49:10,560

going on not just across the United

1044

00:49:15,950 --> 00:49:13,200

States but around the world with respect

1045

00:49:17,990 --> 00:49:15,960

to the UFO phenomenon now one of the

1046

00:49:21,410 --> 00:49:18,000

things you know MUFON is another place

1047

00:49:24,260 --> 00:49:21,420

where people call in and you know give

1048

00:49:27,760 --> 00:49:24,270

reports those investigations and and all

1049

00:49:30,070 --> 00:49:27,770

that has there ever been any talk about

1050

00:49:32,800 --> 00:49:30,080

type of unity between different

1051
00:49:35,560 --> 00:49:32,810
organizations even internationally that

1052
00:49:38,560 --> 00:49:35,570
you're aware yes everybody wants all

1053
00:49:41,620 --> 00:49:38,570
these UFO organizations to unify and one

1054
00:49:44,440 --> 00:49:41,630
person wants control of it and to date

1055
00:49:49,020 --> 00:49:44,450
I've avoided that MUFON has actually

1056
00:49:53,260 --> 00:49:49,030
proposed that to me so that our

1057
00:49:54,940 --> 00:49:53,270
databases are merged but I've decided

1058
00:49:57,310 --> 00:49:54,950
that I really don't want to do that I

1059
00:50:00,160 --> 00:49:57,320
don't want to have worked for 21 years

1060
00:50:04,240 --> 00:50:00,170
only to give all my information away for

1061
00:50:08,740 --> 00:50:04,250
free so I think a little competition is

1062
00:50:13,390 --> 00:50:08,750
probably a good thing because if there

1063
00:50:17,080 --> 00:50:13,400

were one body that would controlled all

1064

00:50:20,620 --> 00:50:17,090

of the flow of information and that

1065

00:50:23,500 --> 00:50:20,630

entity decided to make a decision that

1066

00:50:26,170 --> 00:50:23,510

the contributors were not pleased with

1067

00:50:30,010 --> 00:50:26,180

it would end up it would be sort of the

1068

00:50:33,430 --> 00:50:30,020

Greek the Greek syndrome alluding to the

1069

00:50:36,430 --> 00:50:33,440

situation in Greece this week many of

1070

00:50:38,590 --> 00:50:36,440

them would want to withdraw mm-hmm so I

1071

00:50:42,580 --> 00:50:38,600

think a little competition is a good

1072

00:50:46,390 --> 00:50:42,590

idea and there enough UFO sightings and

1073

00:50:49,090 --> 00:50:46,400

sighting reports to keep all UFO

1074

00:50:52,960 --> 00:50:49,100

organizations plenty busy if we're

1075

00:50:55,930 --> 00:50:52,970

catching oh if my estimate is right that

1076

00:51:01,000 --> 00:50:55,940

only one out of 20,000 UFO reports has

1077

00:51:04,390 --> 00:51:01,010

ever ever reported by the witness then

1078

00:51:10,180 --> 00:51:04,400

there's plenty of work to be done still

1079

00:51:12,310 --> 00:51:10,190

and we done enough for many UFO

1080

00:51:13,750 --> 00:51:12,320

organizations is what I'm trying to say

1081

00:51:15,160 --> 00:51:13,760

mm-hmm

1082

00:51:17,580 --> 00:51:15,170

up on the message board we had a

1083

00:51:21,310 --> 00:51:17,590

question someone wanted to know

1084

00:51:25,120 --> 00:51:21,320

basically what your thoughts were of the

1085

00:51:26,830 --> 00:51:25,130

government if well it remains to be seen

1086

00:51:29,200 --> 00:51:26,840

whether the government's covering up I

1087

00:51:31,990 --> 00:51:29,210

think there's in my opinion it's a

1088

00:51:33,580 --> 00:51:32,000

possibility that there's some fragment

1089

00:51:36,220 --> 00:51:33,590

of the government at least that has

1090

00:51:38,410 --> 00:51:36,230

covered up in the past possibly still or

1091

00:51:40,630 --> 00:51:38,420

most likely still I would say because

1092

00:51:41,680 --> 00:51:40,640

you know there's still reports coming in

1093

00:51:44,440 --> 00:51:41,690

to the Air Force and that

1094

00:51:46,330 --> 00:51:44,450

just hush-hush but what do you think it

1095

00:51:48,070 --> 00:51:46,340

would take this is the question on the

1096

00:51:49,810 --> 00:51:48,080

message board what do you think it would

1097

00:51:52,990 --> 00:51:49,820

take for the government to finally admit

1098

00:51:54,640 --> 00:51:53,000

that these things are happening well I

1099

00:51:56,680 --> 00:51:54,650

think it's going to take an overt

1100

00:52:01,540 --> 00:51:56,690

display something like the Phoenix

1101
00:52:05,010 --> 00:52:01,550
lights back in 1997 March of 97 so that

1102
00:52:07,630 --> 00:52:05,020
the government's position has just made

1103
00:52:10,390 --> 00:52:07,640
extraneous they've been lying to the

1104
00:52:13,600 --> 00:52:10,400
American people about UFOs I believe

1105
00:52:15,760 --> 00:52:13,610
since the 1940s after you've been lined

1106
00:52:20,560 --> 00:52:15,770
for that length of time and a subject of

1107
00:52:22,630 --> 00:52:20,570
that gravity of that importance then

1108
00:52:27,330 --> 00:52:22,640
it's very difficult to do an about-face

1109
00:52:30,730 --> 00:52:27,340
and say well we've been lying to you for

1110
00:52:32,500 --> 00:52:30,740
67 years but now we're going to come

1111
00:52:35,380 --> 00:52:32,510
clean and tell you what's really going

1112
00:52:38,590 --> 00:52:35,390
on so they've painted themselves into a

1113
00:52:40,750 --> 00:52:38,600

corner and they're probably trying to

1114

00:52:44,770 --> 00:52:40,760

figure out what's what they're going to

1115

00:52:49,330 --> 00:52:44,780

do if there's a really dramatic overt

1116

00:52:52,420 --> 00:52:49,340

display of UFO presence in the

1117

00:52:55,330 --> 00:52:52,430

near-earth environment and in fact we're

1118

00:52:58,390 --> 00:52:55,340

getting a lot of reports that in my

1119

00:53:02,350 --> 00:52:58,400

opinion fall under that category a lot

1120

00:53:05,470 --> 00:53:02,360

of reports and the most interesting

1121

00:53:09,400 --> 00:53:05,480

phenomenon currently in my opinion is

1122

00:53:13,150 --> 00:53:09,410

the reports of displays of clusters of

1123

00:53:16,570 --> 00:53:13,160

red orange yellow amber and gold orbs or

1124

00:53:18,130 --> 00:53:16,580

fireballs call them what you will we

1125

00:53:19,570 --> 00:53:18,140

really don't have an adequate term

1126
00:53:23,320 --> 00:53:19,580
because we don't know what these things

1127
00:53:26,380 --> 00:53:23,330
are and we probably will not know until

1128
00:53:29,200 --> 00:53:26,390
we have a long-handled butterfly net

1129
00:53:30,790 --> 00:53:29,210
that allows us to reach up and snag one

1130
00:53:35,920 --> 00:53:30,800
of these things and bring it down to the

1131
00:53:38,710 --> 00:53:35,930
laboratory bench that the US government

1132
00:53:41,050 --> 00:53:38,720
is a strange bird in fact my greatest

1133
00:53:45,210 --> 00:53:41,060
concern is not the UFOs my greatest

1134
00:53:48,880 --> 00:53:45,220
concern is the possibility that our

1135
00:53:54,580 --> 00:53:48,890
governments are now coordinating their

1136
00:53:55,780 --> 00:53:54,590
activities with you with alien creatures

1137
00:53:58,600 --> 00:53:55,790
and when I look at what the US

1138
00:54:01,420 --> 00:53:58,610

government is now doing to the American

1139

00:54:03,070 --> 00:54:01,430

people instead of for the American

1140

00:54:05,650 --> 00:54:03,080

people which is what they should be

1141

00:54:09,670 --> 00:54:05,660

doing in my opinion I get very concerned

1142

00:54:12,660 --> 00:54:09,680

and some of the examples are the US

1143

00:54:14,830 --> 00:54:12,670

government seems dedicated to taking

1144

00:54:17,830 --> 00:54:14,840

firearms away from the American people

1145

00:54:19,690 --> 00:54:17,840

that's not their job of course under

1146

00:54:22,450 --> 00:54:19,700

article 6 paragraph 2 of the

1147

00:54:25,210 --> 00:54:22,460

Constitution any public servant who

1148

00:54:27,580 --> 00:54:25,220

takes an oath of office swears and

1149

00:54:31,270 --> 00:54:27,590

testifies to the effect that he's he or

1150

00:54:33,730 --> 00:54:31,280

she is going to defend and protect the

1151
00:54:36,520 --> 00:54:33,740
Constitution against all enemies foreign

1152
00:54:38,350 --> 00:54:36,530
and domestic and suddenly as soon as

1153
00:54:42,330 --> 00:54:38,360
they take office they're trying to

1154
00:54:47,050 --> 00:54:42,340
re-engineer the country and re-engineer

1155
00:54:50,530 --> 00:54:47,060
individual citizens lives so when I see

1156
00:54:51,550 --> 00:54:50,540
this take place and I ask myself why are

1157
00:54:54,400 --> 00:54:51,560
they doing that

1158
00:54:56,890 --> 00:54:54,410
and I bounce it off the UFO phenomenon

1159
00:55:00,610 --> 00:54:56,900
it makes me wonder what's going on in

1160
00:55:04,720 --> 00:55:00,620
Washington DC clearly those people know

1161
00:55:07,330 --> 00:55:04,730
about UFOs if I can with nothing more

1162
00:55:11,080 --> 00:55:07,340
than a telephone a computer a tape

1163
00:55:13,930 --> 00:55:11,090

recorder and a dedicated webmaster can

1164

00:55:17,200 --> 00:55:13,940

collect a hundred and eight UFO 108

1165

00:55:20,770 --> 00:55:17,210

thousand UFO reports and post them i

1166

00:55:23,350 --> 00:55:20,780

canna met just imagine how many the US

1167

00:55:25,150 --> 00:55:23,360

government must have in its files must

1168

00:55:27,520 --> 00:55:25,160

be in the millions you know that's right

1169

00:55:29,830 --> 00:55:27,530

that's that is while you're mentioning

1170

00:55:32,160 --> 00:55:29,840

this I mentioned earlier that I didn't

1171

00:55:34,780 --> 00:55:32,170

know who to call when I had my sighting

1172

00:55:36,430 --> 00:55:34,790

the Air Force is one of the things on my

1173

00:55:39,430 --> 00:55:36,440

mind like should I call the Air Force

1174

00:55:41,380 --> 00:55:39,440

and I imagine that a lot of people do a

1175

00:55:42,700 --> 00:55:41,390

question up on the message board and by

1176

00:55:44,830 --> 00:55:42,710

the way if you're listening live you can

1177

00:55:48,280 --> 00:55:44,840

jump in to the message board it's right

1178

00:55:52,300 --> 00:55:48,290

on podcast UFO we're taking calls in the

1179

00:55:56,050 --> 00:55:52,310

second second hour of the show and you

1180

00:55:58,930 --> 00:55:56,060

know this darn chatroom just goes away I

1181

00:56:02,010 --> 00:55:58,940

mean here we go what is your point of

1182

00:56:04,300 --> 00:56:02,020

view on the most effective way for

1183

00:56:06,730 --> 00:56:04,310

disclosure to take place other than

1184

00:56:08,000 --> 00:56:06,740

you're saying a massive sighting yeah

1185

00:56:10,490 --> 00:56:08,010

well

1186

00:56:12,410 --> 00:56:10,500

I've been over that ground before it's a

1187

00:56:15,770 --> 00:56:12,420

very good question that's very pertinent

1188

00:56:17,300 --> 00:56:15,780

and my response is very simple please

1189

00:56:20,030 --> 00:56:17,310

read the paper

1190

00:56:23,780 --> 00:56:20,040

that is posted to the homepage of the

1191

00:56:28,220 --> 00:56:23,790

national UFO Reporting Center the paper

1192

00:56:31,130 --> 00:56:28,230

in which I described the use of passive

1193

00:56:35,330 --> 00:56:31,140

radar for detecting the presence of UFOs

1194

00:56:38,000 --> 00:56:35,340

in the near-earth environment the the

1195

00:56:40,490 --> 00:56:38,010

paper was written in preparation for a

1196

00:56:45,770 --> 00:56:40,500

presentation at the MUFON symposium in

1197

00:56:49,010 --> 00:56:45,780

Denver in July of 2004 and the day MUFON

1198

00:56:52,190 --> 00:56:49,020

published the abstract the one paragraph

1199

00:56:54,320 --> 00:56:52,200

abstract of my paper I got a telephone

1200

00:56:56,180 --> 00:56:54,330

call from a senior officer at the

1201

00:56:59,930 --> 00:56:56,190

Central Intelligence Agency in

1202

00:57:03,650 --> 00:56:59,940

Washington DC he called from his office

1203

00:57:07,310 --> 00:57:03,660

it was during daylight hour during work

1204

00:57:10,730 --> 00:57:07,320

work hours and he said Mr Davenport I am

1205

00:57:12,830 --> 00:57:10,740

so-and-so he said I am a senior officer

1206

00:57:16,250 --> 00:57:12,840

at the Central Intelligence Agency I've

1207

00:57:19,310 --> 00:57:16,260

been with them for over two decades he

1208

00:57:22,040 --> 00:57:19,320

said to let you know how senior I am I

1209

00:57:26,210 --> 00:57:22,050

am the person who gives President Bush

1210

00:57:29,359 --> 00:57:26,220

his daily briefing every morning at 6:30

1211

00:57:32,330 --> 00:57:29,369

a.m. he said a retired colleague of mine

1212

00:57:32,990 --> 00:57:32,340

just sent me a copy of the abstract of

1213

00:57:36,349 --> 00:57:33,000

your paper

1214

00:57:39,260 --> 00:57:36,359

he said if you build the radar system

1215

00:57:42,050 --> 00:57:39,270

that you describe in your paper he said

1216

00:57:44,420 --> 00:57:42,060

you will be successful in answering the

1217

00:57:47,900 --> 00:57:44,430

question of whether UFOs are real or not

1218

00:57:50,270 --> 00:57:47,910

he didn't say he he chose his words very

1219

00:57:53,930 --> 00:57:50,280

carefully of course he didn't say you

1220

00:57:56,570 --> 00:57:53,940

will detect UFOs because that probably

1221

00:57:58,940 --> 00:57:56,580

would have had him violating a secrecy

1222

00:58:01,700 --> 00:57:58,950

oh he just said you will be successful

1223

00:58:03,380 --> 00:58:01,710

in answering the question of whether

1224

00:58:06,140 --> 00:58:03,390

UFOs are real or not

1225

00:58:08,810 --> 00:58:06,150

well we've had several conversations and

1226

00:58:11,030 --> 00:58:08,820

exchanged emails since that first

1227

00:58:15,260 --> 00:58:11,040

conversation that first conversation

1228

00:58:18,260 --> 00:58:15,270

occurred on the 6th of July 2004 this

1229

00:58:21,829 --> 00:58:18,270

guy is very interested in UFOs and he

1230

00:58:25,219 --> 00:58:21,839

described to me he's a PhD

1231

00:58:28,160 --> 00:58:25,229

a PhD in physics he described to me the

1232

00:58:31,459 --> 00:58:28,170

fact that during the first decade or two

1233

00:58:35,089 --> 00:58:31,469

of his work at the CIA his principal

1234

00:58:37,309 --> 00:58:35,099

responsibility was building passive

1235

00:58:40,609 --> 00:58:37,319

radar systems for the clandestine

1236

00:58:45,039 --> 00:58:40,619

detection of targets so that tells me

1237

00:58:48,229 --> 00:58:45,049

several things one that my proposal for

1238

00:58:52,309 --> 00:58:48,239

breaking down the barriers to UFO

1239

00:58:54,920 --> 00:58:52,319

secrecy has merit to it it also tells me

1240

00:58:57,319 --> 00:58:54,930

that the US government knows fully well

1241

00:58:59,749 --> 00:58:57,329

what's going on and they probably are

1242

00:59:04,729 --> 00:58:59,759

operating passive radar systems all the

1243

00:59:07,630 --> 00:59:04,739

time and see UFOs I suspect on a daily

1244

00:59:10,700 --> 00:59:07,640

basis hmm Wow

1245

00:59:14,749 --> 00:59:10,710

amazing so that is on your that's on the

1246

00:59:18,709 --> 00:59:14,759

new Fork website yes it's been there for

1247

00:59:21,829 --> 00:59:18,719

11 years and I rarely rarely get a

1248

00:59:26,839 --> 00:59:21,839

comment but I solved the problem we can

1249

00:59:28,579 --> 00:59:26,849

build a passive radar system and many

1250

00:59:31,039 --> 00:59:28,589

people probably are not familiar with

1251

00:59:34,519 --> 00:59:31,049

passive radar but if they go to our

1252

00:59:38,150 --> 00:59:34,529

homepage last Wednesday we updated the

1253

00:59:41,630 --> 00:59:38,160

homepage and I put some links and some

1254

00:59:44,599 --> 00:59:41,640

articles about passive radar on our

1255

00:59:48,979 --> 00:59:44,609

homepage and people can read about it

1256

00:59:52,219 --> 00:59:48,989

and they will see that human beings we

1257

00:59:55,729 --> 00:59:52,229

mere citizens and civilians are now

1258

00:59:59,779 --> 00:59:55,739

because of the developments in computers

1259

01:00:03,309 --> 00:59:59,789

and the global positioning system we are

1260

01:00:06,499 --> 01:00:03,319

now able to detect UFOs and track them

1261

01:00:09,160 --> 01:00:06,509

by ourselves we don't need to rely on

1262

01:00:11,989 --> 01:00:09,170

the government anymore to do that for us

1263

01:00:16,239 --> 01:00:11,999

well I think that's pretty exciting and

1264

01:00:18,859 --> 01:00:16,249

what I've been touting this system for

1265

01:00:19,670 --> 01:00:18,869

over 20 years I've been to four

1266

01:00:22,880 --> 01:00:19,680

billionaires

1267

01:00:25,910 --> 01:00:22,890

I've explained it to one and I've sent

1268

01:00:29,660 --> 01:00:25,920

letters to the others and we could build

1269

01:00:32,950 --> 01:00:29,670

this system out of pocket change in

1270

01:00:35,640 --> 01:00:32,960

their coffee fund and yet I have yet to

1271

01:00:38,640 --> 01:00:35,650

receive any funding

1272

01:00:41,550 --> 01:00:38,650

for my proposal yes it's very strange

1273

01:00:43,200 --> 01:00:41,560

yeah yep there's a few other people out

1274

01:00:45,360 --> 01:00:43,210

there with some ideas we can talk about

1275

01:01:24,060 --> 01:00:45,370

that a little bit in the second hour

1276

01:01:31,720 --> 01:01:27,640

okay we're an hour - and we're live with

1277

01:01:35,080 --> 01:01:31,730

Peter Davenport and in this hour again

1278

01:01:37,810 --> 01:01:35,090

we could take phone calls as well as you

1279

01:01:40,600 --> 01:01:37,820

can jump in the message board on the

1280

01:01:42,760 --> 01:01:40,610

message board at podcast UFO comm and

1281

01:01:45,970 --> 01:01:42,770

once again that phone number is six oh

1282

01:01:49,120 --> 01:01:45,980

three nine six seven four OH three oh

1283

01:01:51,700 --> 01:01:49,130

you still there Peter I'm still with you

1284

01:01:53,520 --> 01:01:51,710

and I gather from your area code that

1285

01:01:58,030 --> 01:01:53,530

you must be located in New Hampshire

1286

01:01:59,380 --> 01:01:58,040

that's I am actually I am north of New

1287

01:02:01,090 --> 01:01:59,390

Hampshire and for some reasons Skype

1288

01:02:03,160 --> 01:02:01,100

gave me that number I wasn't even living

1289

01:02:05,350 --> 01:02:03,170

in New Hampshire at the time I'm in

1290

01:02:07,120 --> 01:02:05,360

Maine the great state of Maine oh yeah

1291

01:02:10,750 --> 01:02:07,130

up on top of a mountain where there's

1292

01:02:13,390 --> 01:02:10,760

beautiful views no UFOs yet and lots of

1293

01:02:15,490 --> 01:02:13,400

mosquitoes and black flies

1294

01:02:17,560 --> 01:02:15,500

oh yeah the black flies now you're

1295

01:02:20,020 --> 01:02:17,570

you're located is in Washington

1296

01:02:22,420 --> 01:02:20,030

Washington State I'm in the Eastern

1297

01:02:25,210 --> 01:02:22,430

Washington the national UFO Reporting

1298

01:02:27,370 --> 01:02:25,220

Center and this hotline used to be in

1299

01:02:29,830 --> 01:02:27,380

Seattle until nine years ago and then I

1300

01:02:32,830 --> 01:02:29,840

moved to a more rural part of the state

1301
01:02:35,650 --> 01:02:32,840
so I'm about 50 miles west of Spokane

1302
01:02:37,680 --> 01:02:35,660
now you know I took a trip up through

1303
01:02:41,320 --> 01:02:37,690
there a few years ago and it it's

1304
01:02:43,570 --> 01:02:41,330
absolutely beautiful Nate it is gorgeous

1305
01:02:47,860 --> 01:02:43,580
mm-hmm I absolutely loved it I wanted to

1306
01:02:50,740 --> 01:02:47,870
see Mount st. Helens no I don't say

1307
01:02:53,710 --> 01:02:50,750
intelligent scene Helens yeah that whole

1308
01:02:55,690 --> 01:02:53,720
area you know yep but just drove right

1309
01:02:57,550 --> 01:02:55,700
up all the way up through into Canada

1310
01:02:59,410 --> 01:02:57,560
and it was absolutely gorgeous really

1311
01:03:01,930 --> 01:02:59,420
had a wonderful time one of my favorite

1312
01:03:03,550 --> 01:03:01,940
areas of the country yeah oh it's a

1313
01:03:05,860 --> 01:03:03,560

beautiful place to live if I didn't live

1314

01:03:08,440 --> 01:03:05,870

here I would live in Vermont New

1315

01:03:11,110 --> 01:03:08,450

Hampshire or Maine I love those places

1316

01:03:14,110 --> 01:03:11,120

they're wonderful except for the winter

1317

01:03:17,170 --> 01:03:14,120

but that's another podcast I'm going to

1318

01:03:19,930 --> 01:03:17,180

be back there in September for my 50th

1319

01:03:22,570 --> 01:03:19,940

high school reunion and Derry oh really

1320

01:03:24,819 --> 01:03:22,580

Wow about looking forward to it yeah

1321

01:03:26,019 --> 01:03:24,829

how about that okay

1322

01:03:28,449 --> 01:03:26,029

you were talking you you're just

1323

01:03:30,969 --> 01:03:28,459

blocking your phone calls I think you

1324

01:03:32,979 --> 01:03:30,979

just said in between our our show break

1325

01:03:35,019 --> 01:03:32,989

and how many calls would you guess that

1326

01:03:37,779 --> 01:03:35,029

you get per day Oh

1327

01:03:40,779 --> 01:03:37,789

a typical day is we get somewhere

1328

01:03:43,749 --> 01:03:40,789

between 10 and 50 calls per day it's

1329

01:03:46,599 --> 01:03:43,759

highly variable and probably two-thirds

1330

01:03:51,039 --> 01:03:46,609

of those are ufo-related the others are

1331

01:03:53,469 --> 01:03:51,049

from radio talk show hosts or news

1332

01:03:58,150 --> 01:03:53,479

people who are seeking information or

1333

01:04:04,359 --> 01:03:58,160

personal calls so I would say on average

1334

01:04:07,150 --> 01:04:04,369

I get about 20 to 25 reports every day

1335

01:04:11,199 --> 01:04:07,160

over the telephone but as I mentioned

1336

01:04:13,599 --> 01:04:11,209

earlier I suspect it's not over a

1337

01:04:16,779 --> 01:04:13,609

quarter or a third of those people who

1338

01:04:20,440 --> 01:04:16,789

call and want to tell me all about their

1339

01:04:23,620 --> 01:04:20,450

sighting not over a quarter or a third

1340

01:04:25,449 --> 01:04:23,630

of those people who call follow up with

1341

01:04:26,349 --> 01:04:25,459

the written reports and we lose all that

1342

01:04:28,630 --> 01:04:26,359

information

1343

01:04:30,789 --> 01:04:28,640

I guess writing a paragraph or two has

1344

01:04:34,029 --> 01:04:30,799

become too difficult for most Americans

1345

01:04:34,989 --> 01:04:34,039

now do you sometimes almost feel like

1346

01:04:36,939 --> 01:04:34,999

writing it yourself

1347

01:04:39,849 --> 01:04:36,949

after you have the discussion with them

1348

01:04:41,709 --> 01:04:39,859

you just won't do it themselves I don't

1349

01:04:44,559 --> 01:04:41,719

want to do it if that's too much for

1350

01:04:48,249 --> 01:04:44,569

them I probably don't want their report

1351

01:04:48,999 --> 01:04:48,259

anyway yeah yeah I see you have to be

1352

01:04:53,049 --> 01:04:49,009

dedicated

1353

01:04:57,819 --> 01:04:53,059

outspoken aggressive determined resolute

1354

01:04:59,499 --> 01:04:57,829

and if they are not that I allow for the

1355

01:05:02,650 --> 01:04:59,509

possibility that their call may have

1356

01:05:05,589 --> 01:05:02,660

been a prank call and I'm sure that

1357

01:05:09,339 --> 01:05:05,599

happens Oh 60%

1358

01:05:11,949 --> 01:05:09,349

some days I asked mate 60% of the calls

1359

01:05:14,920 --> 01:05:11,959

or prank calls from young rude

1360

01:05:17,559 --> 01:05:14,930

oftentimes foul-mouthed Americans

1361

01:05:20,680 --> 01:05:17,569

generally males but not always all that

1362

01:05:23,049 --> 01:05:20,690

sad I'm glad that you you keep

1363

01:05:25,749 --> 01:05:23,059

persisting at doing this even through

1364

01:05:28,689 --> 01:05:25,759

all that that's still yeah well that's

1365

01:05:30,430 --> 01:05:28,699

it's not very pleasant I'd I don't know

1366

01:05:31,900 --> 01:05:30,440

what's wrong with young Americans

1367

01:05:37,299 --> 01:05:31,910

they're different from the way they were

1368

01:05:38,620 --> 01:05:37,309

when I was that age and they it's very

1369

01:05:41,410 --> 01:05:38,630

strange and tragic

1370

01:05:43,839 --> 01:05:41,420

they apparently don't have enough work

1371

01:05:46,569 --> 01:05:43,849

or enough responsibility in their lives

1372

01:05:49,109 --> 01:05:46,579

to keep them busy so their form of

1373

01:05:52,120 --> 01:05:49,119

recreation is to call somebody and

1374

01:05:58,480 --> 01:05:52,130

scream quadruple x-rated profanity

1375

01:06:02,980 --> 01:05:58,490

anthem boy very strange yeah now for

1376

01:06:06,759 --> 01:06:02,990

people do people actually send email to

1377

01:06:09,190 --> 01:06:06,769

you as well report that way they do but

1378

01:06:11,950 --> 01:06:09,200

it's a wasted effort what we ask people

1379

01:06:13,870 --> 01:06:11,960

to do if they've seen a UFO they're

1380

01:06:16,599 --> 01:06:13,880

welcome to call the hotline if it's been

1381

01:06:19,480 --> 01:06:16,609

within the last week or so but the the

1382

01:06:23,589 --> 01:06:19,490

telephone call is almost an extraneous

1383

01:06:27,609 --> 01:06:23,599

part of the process because it doesn't

1384

01:06:29,740 --> 01:06:27,619

serve to capture the information I often

1385

01:06:32,289 --> 01:06:29,750

equate it to sitting at a red light in

1386

01:06:35,079 --> 01:06:32,299

your powerful pickup truck and racing

1387

01:06:37,150 --> 01:06:35,089

the engine it makes you feel good it

1388

01:06:38,829 --> 01:06:37,160

sounds good it draws attention but it

1389

01:06:41,499 --> 01:06:38,839

doesn't do anything

1390

01:06:44,789 --> 01:06:41,509

the only kind of rapport that we can use

1391

01:06:48,789 --> 01:06:44,799

is a detailed carefully prepared

1392

01:06:51,730 --> 01:06:48,799

objective factual grammatically correct

1393

01:06:54,160 --> 01:06:51,740

statement that describes the the

1394

01:06:57,249 --> 01:06:54,170

sighting or the incident that the person

1395

01:06:59,499 --> 01:06:57,259

is reporting sufficient sufficient

1396

01:07:02,200 --> 01:06:59,509

detail so that another person reading

1397

01:07:05,049 --> 01:07:02,210

the report can understand clearly what

1398

01:07:07,029 --> 01:07:05,059

it all looked like to the original

1399

01:07:09,880 --> 01:07:07,039

witness that's what we asked people to

1400

01:07:14,380 --> 01:07:09,890

do and some days you think we're asking

1401

01:07:16,240 --> 01:07:14,390

for their firstborn but there are a lot

1402

01:07:18,640 --> 01:07:16,250

of people who nevertheless do follow

1403

01:07:20,680 --> 01:07:18,650

through and submit those reports and

1404

01:07:26,710 --> 01:07:20,690

those are the ones that you see on our

1405

01:07:28,170 --> 01:07:26,720

website at UFO Center calm now do you

1406

01:07:31,720 --> 01:07:28,180

ever send information out to

1407

01:07:33,940 --> 01:07:31,730

investigators oh yes okay so can you

1408

01:07:36,549 --> 01:07:33,950

talk about how that works yeah usually

1409

01:07:39,299 --> 01:07:36,559

we send it out to MUFON witness or a

1410

01:07:42,700 --> 01:07:39,309

MUFON investigators field investigators

1411

01:07:45,490 --> 01:07:42,710

we prefer I prefer to deal with them

1412

01:07:47,710 --> 01:07:45,500

because they're a known quantity they're

1413

01:07:49,930 --> 01:07:47,720

under supervision of the state director

1414

01:07:51,550 --> 01:07:49,940

who usually is a pretty professional

1415

01:07:54,670 --> 01:07:51,560

person

1416

01:07:58,410 --> 01:07:54,680

and also most of all we know that if we

1417

01:08:02,740 --> 01:07:58,420

hand a case off to a MUFON investigator

1418

01:08:07,390 --> 01:08:02,750

the the witness's anonymity is going to

1419

01:08:09,640 --> 01:08:07,400

be preserved that's one of their one of

1420

01:08:12,760 --> 01:08:09,650

their characteristics one of their

1421

01:08:15,910 --> 01:08:12,770

guarantees is just as the national UFO

1422

01:08:19,120 --> 01:08:15,920

Reporting Center guarantees and on a

1423

01:08:22,900 --> 01:08:19,130

MIDI so does MUFON so we know that the

1424

01:08:25,270 --> 01:08:22,910

witness is going to be protected so we

1425

01:08:30,160 --> 01:08:25,280

just had a case like this it's posted to

1426

01:08:31,750 --> 01:08:30,170

our website a case in West claims I

1427

01:08:34,720 --> 01:08:31,760

think it's West Plains or High Plains

1428

01:08:40,210 --> 01:08:34,730

Oregon there's a photo on our homepage

1429

01:08:42,610 --> 01:08:40,220

and Tom Bowden who's the state director

1430

01:08:45,640 --> 01:08:42,620

for MUFON contacted me shortly after we

1431

01:08:48,130 --> 01:08:45,650

posted that report and requested contact

1432

01:08:49,840 --> 01:08:48,140

information which I gave him and they're

1433

01:08:53,410 --> 01:08:49,850

in the process of investigating that

1434

01:08:56,170 --> 01:08:53,420

case now although again a point I made

1435

01:08:59,890 --> 01:08:56,180

earlier in this program is once an

1436

01:09:02,110 --> 01:08:59,900

object has been seen and is gone unless

1437

01:09:05,950 --> 01:09:02,120

it was on the ground and left marks

1438

01:09:07,690 --> 01:09:05,960

broken branches compression marks in the

1439

01:09:10,450 --> 01:09:07,700

ground and so on and so forth

1440

01:09:13,990 --> 01:09:10,460

it's my opinion that there's not much

1441

01:09:16,210 --> 01:09:14,000

that can be done particularly if you

1442

01:09:22,360 --> 01:09:16,220

wait more than four or five days after

1443

01:09:24,880 --> 01:09:22,370

the event if you place publicity in the

1444

01:09:28,780 --> 01:09:24,890

news media immediately after the event

1445

01:09:30,460 --> 01:09:28,790

you might be successful in causing other

1446

01:09:33,070 --> 01:09:30,470

people who've seen the same thing to

1447

01:09:37,000 --> 01:09:33,080

come forward but after four or five days

1448

01:09:38,829 --> 01:09:37,010

my opinion is that most people even if

1449

01:09:41,800 --> 01:09:38,839

they had a dramatic sighting will have

1450

01:09:43,329 --> 01:09:41,810

forgotten about it or will be unwilling

1451

01:09:46,360 --> 01:09:43,339

if they haven't already come forward

1452

01:09:48,640 --> 01:09:46,370

they'd probably be unwilling to come

1453

01:09:51,730 --> 01:09:48,650

forward in response to a request from

1454

01:09:54,340 --> 01:09:51,740

investigators but yeah we we deal with

1455

01:09:58,750 --> 01:09:54,350

MUFON investigators on a fairly routine

1456

01:10:01,480 --> 01:09:58,760

basis that's good now when did the

1457

01:10:04,390 --> 01:10:01,490

hotline itself start at the same time

1458

01:10:05,470 --> 01:10:04,400

that you began with the website you said

1459

01:10:08,380 --> 01:10:05,480

it was 21 years ago

1460

01:10:11,140 --> 01:10:08,390

well that's when I took it over from the

1461

01:10:15,150 --> 01:10:11,150

founder and my predecessor mr. Robert

1462

01:10:19,860 --> 01:10:15,160

Gribble he was a retired Seattle fireman

1463

01:10:23,350 --> 01:10:19,870

who set up the hotline in October of

1464

01:10:24,910 --> 01:10:23,360

1974 so we're coming up on our 41st

1465

01:10:31,510 --> 01:10:24,920

birthday here very soon

1466

01:10:33,970 --> 01:10:31,520

and he turned it over to me in I think

1467

01:10:36,580 --> 01:10:33,980

it was August of 1994 he'd done it for

1468

01:10:40,030 --> 01:10:36,590

20 years and I think he was pretty well

1469

01:10:43,060 --> 01:10:40,040

worn out and I after I've done it for 21

1470

01:10:45,790 --> 01:10:43,070

I understand why he would have been worn

1471

01:10:48,370 --> 01:10:45,800

out because it takes a great deal of

1472

01:10:53,050 --> 01:10:48,380

energy and a great deal of devotion and

1473

01:10:56,200 --> 01:10:53,060

dedication to keep the thing running and

1474

01:11:00,040 --> 01:10:56,210

a great deal of expense mm-hmm

1475

01:11:04,510 --> 01:11:00,050

it's run out of my pocket largely really

1476

01:11:08,860 --> 01:11:04,520

so but that's when it started was in

1477

01:11:10,630 --> 01:11:08,870

October of 1974 and ironically that's

1478

01:11:13,900 --> 01:11:10,640

just about the time I moved to Seattle

1479

01:11:16,150 --> 01:11:13,910

that has often made me wonder whether

1480

01:11:19,180 --> 01:11:16,160

there was something behind my moving to

1481

01:11:23,530 --> 01:11:19,190

Seattle that I'm not aware of that I

1482

01:11:26,280 --> 01:11:23,540

took it over in August of 1970 in 1994

1483

01:11:28,690 --> 01:11:26,290

and I've been doing it ever since a

1484

01:11:32,200 --> 01:11:28,700

question up on the message board how

1485

01:11:36,280 --> 01:11:32,210

confident were you that the person was

1486

01:11:39,250 --> 01:11:36,290

actually talking with Bush's CIA

1487

01:11:41,920 --> 01:11:39,260

briefing guy I'm sorry that sounds a

1488

01:11:44,950 --> 01:11:41,930

little convoluted I mean I think is yeah

1489

01:11:47,380 --> 01:11:44,960

he's the person probably alluding

1490

01:11:48,850 --> 01:11:47,390

alluding to the guy who called hang on

1491

01:11:52,450 --> 01:11:48,860

just a second Peter we have a call come

1492

01:11:55,240 --> 01:11:52,460

in mm-hmm caller thanks for calling

1493

01:12:00,700 --> 01:11:55,250

please identify yourself and give a

1494

01:12:03,820 --> 01:12:00,710

question I'm calling you

1495

01:12:06,610 --> 01:12:03,830

hi I'm calling to ask Peter question

1496

01:12:11,170 --> 01:12:06,620

regarding he said earlier on that he had

1497

01:12:13,090 --> 01:12:11,180

been in contact with CIA gentlemen and I

1498

01:12:16,480 --> 01:12:13,100

just want to know how he vetted the

1499

01:12:19,060 --> 01:12:16,490

gentlemen I guess he said he was Bush's

1500

01:12:21,240 --> 01:12:19,070

the guy who gave Bush the

1501

01:12:23,530 --> 01:12:21,250

daily briefings at 6:30 in the morning

1502

01:12:27,940 --> 01:12:23,540

yeah so I just wanna know how you've

1503

01:12:30,640 --> 01:12:27,950

added that gentleman how I what how you

1504

01:12:33,190 --> 01:12:30,650

vetted vetted him make sure that I was

1505

01:12:35,590 --> 01:12:33,200

this it turns out that this individual

1506

01:12:39,030 --> 01:12:35,600

who worked for the CIA is very very well

1507

01:12:41,530 --> 01:12:39,040

known in the CIA community and he has

1508

01:12:45,660 --> 01:12:41,540

lines of communication with a lot of

1509

01:12:47,830 --> 01:12:45,670

people in the CIA in the UFO community

1510

01:12:53,830 --> 01:12:47,840

I've talked with him a number of times

1511

01:12:57,610 --> 01:12:53,840

I've exchanged email with him he's he's

1512

01:13:00,460 --> 01:12:57,620

quite well known and I've told the story

1513

01:13:03,280 --> 01:13:00,470

to enough people who know him well I

1514

01:13:06,160 --> 01:13:03,290

know people who have worked for him and

1515

01:13:09,010 --> 01:13:06,170

they assure me that he has a very real

1516

01:13:14,280 --> 01:13:09,020

and very keen the interest in the CIA or

1517

01:13:17,680 --> 01:13:14,290

in the UFO phenomenon so there's there's

1518

01:13:20,800 --> 01:13:17,690

virtually no doubt in my mind but he was

1519

01:13:22,420 --> 01:13:20,810

who he said he was right right okay well

1520

01:13:25,450 --> 01:13:22,430

that's X I this I just wanted to make

1521

01:13:27,160 --> 01:13:25,460

sure that that point was that really

1522

01:13:29,470 --> 01:13:27,170

understood by the folks in the tack room

1523

01:13:32,410 --> 01:13:29,480

you know it's a very very good question

1524

01:13:35,170 --> 01:13:32,420

and please bear in mind I used to work

1525

01:13:37,000 --> 01:13:35,180

in military intelligence too I used to

1526

01:13:40,540 --> 01:13:37,010

be a Russian translator for the Army

1527

01:13:42,010 --> 01:13:40,550

Security Agency so I am sensitive to the

1528

01:13:45,310 --> 01:13:42,020

type of issue that the caller just

1529

01:13:50,650 --> 01:13:45,320

raised and would not allow myself if I

1530

01:13:54,940 --> 01:13:50,660

could help it to be deceived that easily

1531

01:13:56,860 --> 01:13:54,950

I require evidence in fact most of our

1532

01:13:59,740 --> 01:13:56,870

listeners would be quite surprised to

1533

01:14:02,230 --> 01:13:59,750

learn just how skeptical I am when

1534

01:14:05,140 --> 01:14:02,240

somebody calls me over the hotline or

1535

01:14:08,560 --> 01:14:05,150

sends me an email or emails a formal

1536

01:14:11,440 --> 01:14:08,570

report just how skeptical I am about

1537

01:14:14,350 --> 01:14:11,450

most reports people have to convince me

1538

01:14:16,270 --> 01:14:14,360

with their evidence most of all with

1539

01:14:19,150 --> 01:14:16,280

their behavior too you can tell a great

1540

01:14:20,980 --> 01:14:19,160

deal about a person just from that

1541

01:14:23,770 --> 01:14:20,990

person's voice over the telephone is

1542

01:14:29,590 --> 01:14:23,780

this a serious person or is this is not

1543

01:14:32,190 --> 01:14:29,600

a serious person and so I'm they have to

1544

01:14:33,570 --> 01:14:32,200

convince me that there's here

1545

01:14:36,300 --> 01:14:33,580

his person they're calling about a

1546

01:14:38,390 --> 01:14:36,310

serious sighting and so on and so forth

1547

01:14:41,520 --> 01:14:38,400

so the the caller raises a good point

1548

01:14:43,950 --> 01:14:41,530

well thank you okay well thanks Martin

1549

01:14:47,180 --> 01:14:43,960

just one last comment I just I've always

1550

01:14:50,340 --> 01:14:47,190

believed that within the UFO community

1551

01:14:53,970 --> 01:14:50,350

we ourselves must be better stewards

1552

01:14:57,000 --> 01:14:53,980

with our information and of course

1553

01:14:58,620 --> 01:14:57,010

that's proved out with various hosts

1554

01:15:01,710 --> 01:14:58,630

that have been perpetrated on your whole

1555

01:15:03,330 --> 01:15:01,720

community by not only also nevertheless

1556

01:15:06,150 --> 01:15:03,340

thanks gentlemen I appreciate the

1557

01:15:10,380 --> 01:15:06,160

answers thank you for the call and the

1558

01:15:14,280 --> 01:15:10,390

caller raises another good question and

1559

01:15:17,300 --> 01:15:14,290

that is how many people there may be who

1560

01:15:21,810 --> 01:15:17,310

call themselves ufologists whose

1561

01:15:24,600 --> 01:15:21,820

ultimate objective is really to deceive

1562

01:15:29,070 --> 01:15:24,610

people and to get people off the scent

1563

01:15:31,260 --> 01:15:29,080

of very good cases this I saw this in

1564

01:15:34,500 --> 01:15:31,270

the Phoenix lights case and I've seen it

1565

01:15:37,860 --> 01:15:34,510

several times with regard to the

1566

01:15:40,880 --> 01:15:37,870

sightings of these fireballs that I

1567

01:15:44,970 --> 01:15:40,890

alluded to earlier in the program people

1568

01:15:47,880 --> 01:15:44,980

sending me a message saying well you can

1569

01:15:50,190 --> 01:15:47,890

you can cancel that report because I

1570

01:15:53,640 --> 01:15:50,200

found the people who launched the

1571

01:15:57,080 --> 01:15:53,650

Chinese lanterns I was going to bring

1572

01:16:00,630 --> 01:15:57,090

that up yeah it's very tempting to

1573

01:16:02,280 --> 01:16:00,640

delete a case or to qualify a case so

1574

01:16:05,070 --> 01:16:02,290

people will know that it was Chinese

1575

01:16:08,400 --> 01:16:05,080

lanterns but I'm in the habit of going

1576

01:16:11,490 --> 01:16:08,410

back to that witness or the person who

1577

01:16:14,100 --> 01:16:11,500

supplied that information and asking for

1578

01:16:17,730 --> 01:16:14,110

the actual street address where the

1579

01:16:20,610 --> 01:16:17,740

launch was initiated or who did it or

1580

01:16:23,250 --> 01:16:20,620

how many were launched and usually those

1581

01:16:25,560 --> 01:16:23,260

people just go away they don't they

1582

01:16:28,920 --> 01:16:25,570

don't want to provide those details and

1583

01:16:30,570 --> 01:16:28,930

in many cases I assume they don't want

1584

01:16:33,600 --> 01:16:30,580

to provide the details because they

1585

01:16:36,690 --> 01:16:33,610

don't have the details their initial

1586

01:16:39,690 --> 01:16:36,700

report was a prank to try to get me off

1587

01:16:43,520 --> 01:16:39,700

the scent so you have to be very careful

1588

01:16:46,439 --> 01:16:43,530

in this field absolutely and speaking of

1589

01:16:49,650 --> 01:16:46,449

Chinese lanterns how much of a pain

1590

01:16:54,270 --> 01:16:49,660

in the butt has that been really not

1591

01:16:56,370 --> 01:16:54,280

very much when we get a report there are

1592

01:16:58,970 --> 01:16:56,380

several things that can be done while

1593

01:17:02,070 --> 01:16:58,980

we're on the telephone with the witness

1594

01:17:05,850 --> 01:17:02,080

most of all is to find out how large the

1595

01:17:08,160 --> 01:17:05,860

objects appear to be from the witness's

1596

01:17:10,080 --> 01:17:08,170

vantage point the other thing that we

1597

01:17:12,840 --> 01:17:10,090

encourage people to do before they

1598

01:17:15,330 --> 01:17:12,850

submit their written report using our

1599

01:17:17,220 --> 01:17:15,340

online report form is called the

1600

01:17:20,750 --> 01:17:17,230

national weather service or the FAA

1601
01:17:24,870 --> 01:17:20,760
flight service station for that area and

1602
01:17:27,720 --> 01:17:24,880
request data for the velocity and

1603
01:17:31,260 --> 01:17:27,730
direction of winds aloft at three six

1604
01:17:34,500 --> 01:17:31,270
and nine thousand feet and encourage the

1605
01:17:37,620 --> 01:17:34,510
the caller that the witness to include

1606
01:17:40,530 --> 01:17:37,630
that data with his report because what

1607
01:17:42,900 --> 01:17:40,540
that data can do it can resolve the

1608
01:17:45,630 --> 01:17:42,910
question of whether the objects were

1609
01:17:48,479 --> 01:17:45,640
drifting with the wind or whether they

1610
01:17:51,120 --> 01:17:48,489
were going some direction opposite the

1611
01:17:53,430 --> 01:17:51,130
wind if the latter is the case then they

1612
01:17:58,350 --> 01:17:53,440
must have been self-propelled because

1613
01:18:00,150 --> 01:17:58,360

obviously Chinese lanterns or any kind

1614

01:18:01,709 --> 01:18:00,160
of hot air balloon is going to drift

1615

01:18:05,370 --> 01:18:01,719
with the prevailing wind they're not

1616

01:18:08,340 --> 01:18:05,380
self-propelled right oh that's one thing

1617

01:18:13,260 --> 01:18:08,350
that I encourage anybody who sees one of

1618

01:18:14,970 --> 01:18:13,270
these displays to do in fact if people

1619

01:18:18,000 --> 01:18:14,980
would like to know if they'd like to

1620

01:18:19,860 --> 01:18:18,010
read some of the more dramatic cases on

1621

01:18:23,400 --> 01:18:19,870
our website we've posted a lot of them

1622

01:18:24,959 --> 01:18:23,410
on our home page so people can simply

1623

01:18:26,970 --> 01:18:24,969
click on the links that we've provided

1624

01:18:31,500 --> 01:18:26,980
on our home page and it will take them

1625

01:18:35,160 --> 01:18:31,510
to those reports but if they want to see

1626

01:18:39,720 --> 01:18:35,170

some interesting ones the first and

1627

01:18:42,300 --> 01:18:39,730

second of June 2012 there was a very

1628

01:18:45,030 --> 01:18:42,310

good one in st. Louis about two dozen

1629

01:18:48,870 --> 01:18:45,040

orange lights seen by a st. Louis police

1630

01:18:52,590 --> 01:18:48,880

officer the next day about at least a

1631

01:18:55,500 --> 01:18:52,600

dozen orange lights seen just east

1632

01:18:58,800 --> 01:18:55,510

of Vancouver Washington by a group of

1633

01:19:00,280 --> 01:18:58,810

campers they probably had 50 or 100

1634

01:19:03,010 --> 01:19:00,290

campers who were watching

1635

01:19:05,020 --> 01:19:03,020

display of orange lights and they

1636

01:19:07,590 --> 01:19:05,030

suddenly the light suddenly changed

1637

01:19:10,720 --> 01:19:07,600

direction and streaked off to the north

1638

01:19:15,160 --> 01:19:10,730

another interesting case is was

1639

01:19:19,210 --> 01:19:15,170

submitted by a former US astronaut the

1640

01:19:22,510 --> 01:19:19,220

5th of July 2013 so just about two years

1641

01:19:26,140 --> 01:19:22,520

ago he had a dramatic sighting in Athens

1642

01:19:28,540 --> 01:19:26,150

Texas ten weeks after that a retired

1643

01:19:32,710 --> 01:19:28,550

Arizona Highway Patrol officer in

1644

01:19:35,070 --> 01:19:32,720

Glendale Arizona saw an estimated 150 to

1645

01:19:39,120 --> 01:19:35,080

200 of these objects

1646

01:19:41,650 --> 01:19:39,130

streaked across the sky in clusters so

1647

01:19:44,290 --> 01:19:41,660

there's an abundance of reports that

1648

01:19:47,410 --> 01:19:44,300

people can read for this phenomenon

1649

01:19:49,480 --> 01:19:47,420

should they be interested yes I I wanted

1650

01:19:52,630 --> 01:19:49,490

to talk to you about what you thought

1651
01:19:54,940 --> 01:19:52,640
was the growing craft sighting but

1652
01:19:56,230 --> 01:19:54,950
before that we've had this question come

1653
01:19:58,960 --> 01:19:56,240
up a number of times on the message

1654
01:20:01,390 --> 01:19:58,970
board and that is in your own opinion

1655
01:20:04,330 --> 01:20:01,400
what would you consider is the most

1656
01:20:08,050 --> 01:20:04,340
compelling sighting that has been

1657
01:20:10,210 --> 01:20:08,060
reported to Newport well two of them

1658
01:20:12,820 --> 01:20:10,220
come to mind immediately and one I've

1659
01:20:15,550 --> 01:20:12,830
alluded to already and that is the

1660
01:20:19,300 --> 01:20:15,560
Phoenix lights case it was Thursday

1661
01:20:22,570 --> 01:20:19,310
night the 13th of March 1997

1662
01:20:25,390 --> 01:20:22,580
so almost eighteen years ago I remember

1663
01:20:29,620 --> 01:20:25,400

the night that had occurred very vividly

1664

01:20:32,290 --> 01:20:29,630

clearly and what a lot of people may not

1665

01:20:36,640 --> 01:20:32,300

recognize a lot of our readers may not

1666

01:20:39,550 --> 01:20:36,650

recognize is it is my suspicion the

1667

01:20:41,890 --> 01:20:39,560

president William Jefferson Clinton who

1668

01:20:44,310 --> 01:20:41,900

was down in Florida on a golf trip down

1669

01:20:48,190 --> 01:20:44,320

there on the night of the Phoenix lights

1670

01:20:52,210 --> 01:20:48,200

may have injured his knee as a result of

1671

01:20:56,470 --> 01:20:52,220

that UFO sighting very very dramatic it

1672

01:21:00,090 --> 01:20:56,480

lasted about two hours and objects were

1673

01:21:05,310 --> 01:21:00,100

intercepted over the intersection of

1674

01:21:11,800 --> 01:21:08,860

the two pilots that intercepted one of

1675

01:21:13,610 --> 01:21:11,810

the objects may have chaperones the

1676

01:21:17,990 --> 01:21:13,620

president down

1677

01:21:20,630 --> 01:21:18,000

florida from washington DC that day they

1678

01:21:23,360 --> 01:21:20,640

were passed we have reason to believe

1679

01:21:25,940 --> 01:21:23,370

that they were part of the Air Force one

1680

01:21:30,200 --> 01:21:25,950

an Air Force two protection group which

1681

01:21:33,290 --> 01:21:30,210

is a very excuse me very exclusive group

1682

01:21:36,230 --> 01:21:33,300

of pilots who defend the president or

1683

01:21:39,710 --> 01:21:36,240

vice president or any dignitary when

1684

01:21:41,780 --> 01:21:39,720

they're flying being flown in Air Force

1685

01:21:45,110 --> 01:21:41,790

One or any other aircraft for that

1686

01:21:47,300 --> 01:21:45,120

matter so it's very interesting

1687

01:21:49,880 --> 01:21:47,310

most people who have not heard me

1688

01:21:54,250 --> 01:21:49,890

lecture on this point may not be aware

1689

01:21:56,660 --> 01:21:54,260

that on the 15th of March 1997 Saturday

1690

01:21:58,460 --> 01:21:56,670

President Clinton was on the front page

1691

01:22:03,260 --> 01:21:58,470

of the New York Times lying in a

1692

01:22:07,910 --> 01:22:03,270

hospital bed and his alleged injury was

1693

01:22:10,550 --> 01:22:07,920

either a ruse to allow his handlers to

1694

01:22:12,920 --> 01:22:10,560

get into a military safe area in

1695

01:22:16,400 --> 01:22:12,930

response to the events over Phoenix that

1696

01:22:18,950 --> 01:22:16,410

night or perhaps he was being rushed to

1697

01:22:21,110 --> 01:22:18,960

a waiting vehicle in a house where had

1698

01:22:23,720 --> 01:22:21,120

never been before and he may have been

1699

01:22:27,260 --> 01:22:23,730

injured as he was being taken down a

1700

01:22:29,420 --> 01:22:27,270

staircase or something like that but my

1701

01:22:33,140 --> 01:22:29,430

suspicion is President Clinton was

1702

01:22:35,300 --> 01:22:33,150

injured when he was being moved in

1703

01:22:40,520 --> 01:22:35,310

response to the declaration of a DEFCON

1704

01:22:43,130 --> 01:22:40,530

3 status defense condition 3 has anyone

1705

01:22:47,810 --> 01:22:43,140

ever been able to confirm that there was

1706

01:22:51,560 --> 01:22:47,820

this the DEFCON 3 but Bill Hamilton

1707

01:22:54,410 --> 01:22:51,570

claims he has done that and he wrote a

1708

01:22:57,380 --> 01:22:54,420

book about the Phoenix lights case I

1709

01:23:02,110 --> 01:22:57,390

have a copy of it I don't know that he's

1710

01:23:05,090 --> 01:23:02,120

confirmed it I actually once called the

1711

01:23:08,540 --> 01:23:05,100

office the US Air Force in the Pentagon

1712

01:23:11,060 --> 01:23:08,550

US Air Force office and requested that

1713

01:23:13,760 --> 01:23:11,070

information and I could hear the

1714

01:23:16,820 --> 01:23:13,770

laughter in the background really yeah

1715

01:23:18,880 --> 01:23:16,830

they said well we don't reveal that but

1716

01:23:22,220 --> 01:23:18,890

I've since received a communication from

1717

01:23:25,850 --> 01:23:22,230

a gentleman who's above a one-star

1718

01:23:27,800 --> 01:23:25,860

general that's all I can say who says he

1719

01:23:30,820 --> 01:23:27,810

knows fully well

1720

01:23:35,240 --> 01:23:30,830

about the defense condition 3

1721

01:23:38,930 --> 01:23:35,250

declaration because he when his office

1722

01:23:41,960 --> 01:23:38,940

was affected by that DEFCON 3 on the

1723

01:23:45,680 --> 01:23:41,970

13th of March 1997 he's a very

1724

01:23:49,150 --> 01:23:45,690

responsible guy and I'm inclined to

1725

01:23:53,660 --> 01:23:49,160

believe every word he says so I think I

1726

01:23:55,850 --> 01:23:53,670

think we're pretty I am pretty convinced

1727

01:23:59,330 --> 01:23:55,860

that a DEFCON 3 was declared that night

1728

01:24:01,100 --> 01:23:59,340

Wow well up on the message board we had

1729

01:24:03,020 --> 01:24:01,110

a number of people asked this same

1730

01:24:06,080 --> 01:24:03,030

question they wanted to know your

1731

01:24:10,120 --> 01:24:06,090

opinion of advanced night vision for

1732

01:24:14,000 --> 01:24:10,130

sighting UFOs I was just talking to a

1733

01:24:18,470 --> 01:24:14,010

young woman who does night vision tours

1734

01:24:20,290 --> 01:24:18,480

down in Sedona Arizona and I don't know

1735

01:24:22,880 --> 01:24:20,300

what people are seeing with night vision

1736

01:24:26,270 --> 01:24:22,890

binoculars or night vision devices I

1737

01:24:29,990 --> 01:24:26,280

should call them I've seen some rather

1738

01:24:32,930 --> 01:24:30,000

interesting footage that's captured with

1739

01:24:35,330 --> 01:24:32,940

video the one thing I would warn people

1740

01:24:37,730 --> 01:24:35,340

about is the Chinese have put up a

1741

01:24:39,890 --> 01:24:37,740

triplet of satellites and a lot of

1742

01:24:44,180 --> 01:24:39,900

people are watching them thinking that

1743

01:24:48,980 --> 01:24:44,190

their UFOs they're not mr. Ted Molson

1744

01:24:53,240 --> 01:24:48,990

out of Canada who tracks satellites has

1745

01:24:56,240 --> 01:24:53,250

alerted me to those we the US Navy once

1746

01:24:59,270 --> 01:24:56,250

had our own I was once fooled by them

1747

01:25:01,550 --> 01:24:59,280

back in August of 1996 until I realized

1748

01:25:05,060 --> 01:25:01,560

what they were I started investigating

1749

01:25:08,660 --> 01:25:05,070

what they could be but you have to be

1750

01:25:10,280 --> 01:25:08,670

very careful about just lights in the

1751

01:25:12,830 --> 01:25:10,290

sky even if they're seen with

1752

01:25:15,560 --> 01:25:12,840

night-vision devices what I recommend

1753

01:25:18,730 --> 01:25:15,570

people do is get the kind of

1754

01:25:23,150 --> 01:25:18,740

night-vision device that allows them to

1755

01:25:26,930 --> 01:25:23,160

slave it to a video camera so you can

1756

01:25:29,810 --> 01:25:26,940

get a an indelible record of what is

1757

01:25:32,240 --> 01:25:29,820

seen just talking about what you saw is

1758

01:25:36,100 --> 01:25:32,250

not nearly as good obviously as having a

1759

01:25:38,480 --> 01:25:36,110

photographic record of what you observed

1760

01:25:41,450 --> 01:25:38,490

right I agree with that

1761

01:25:44,240 --> 01:25:41,460

the another message up there is

1762

01:25:48,830 --> 01:25:44,250

what what time of the year is your

1763

01:25:51,320 --> 01:25:48,840

busiest time for reports usually July

1764

01:25:54,470 --> 01:25:51,330

and I think it's because of the fourth

1765

01:25:57,680 --> 01:25:54,480

of July and before any of the skeptics

1766

01:26:01,220 --> 01:25:57,690

jump on my statement I would encourage

1767

01:26:04,910 --> 01:26:01,230

any listeners who are interested in this

1768

01:26:07,729 --> 01:26:04,920

phenomenon to look at the data for the

1769

01:26:11,690 --> 01:26:07,739

4th of July for last year the year

1770

01:26:14,600 --> 01:26:11,700

before that going back 5 or 10 years we

1771

01:26:19,100 --> 01:26:14,610

had a very dramatic incident over Lake

1772

01:26:22,880 --> 01:26:19,110

Union in Seattle last July 4th in fact I

1773

01:26:25,310 --> 01:26:22,890

had several of the witnesses on the jeff

1774

01:26:27,830 --> 01:26:25,320

ranch radio program to describe what

1775

01:26:30,160 --> 01:26:27,840

they saw and of course it's the easiest

1776

01:26:32,959 --> 01:26:30,170

thing in the world to say uh fireworks

1777

01:26:36,979 --> 01:26:32,969

who would doubt what they were but they

1778

01:26:38,630 --> 01:26:36,989

were not fireworks and you can see the

1779

01:26:42,440 --> 01:26:38,640

photograph that i posted to our website

1780

01:26:45,709 --> 01:26:42,450

i tried to get the seattle newspapers to

1781

01:26:50,000 --> 01:26:45,719

cover the incident many many people saw

1782

01:26:52,250 --> 01:26:50,010

the objects and the newspapers refused

1783

01:26:55,040 --> 01:26:52,260

to cover it it was really a tragedy

1784

01:26:56,780 --> 01:26:55,050

because if they had covered it and

1785

01:26:59,209 --> 01:26:56,790

encouraged other witnesses to come

1786

01:27:02,180 --> 01:26:59,219

forward we could have done a really

1787

01:27:04,790 --> 01:27:02,190

major investigation of what was seen

1788

01:27:08,870 --> 01:27:04,800

there but newspapers have become

1789

01:27:14,330 --> 01:27:08,880

pathetic feet milquetoast lapdogs that's

1790

01:27:17,830 --> 01:27:14,340

all they are today ok they they no

1791

01:27:20,990 --> 01:27:17,840

longer want to carry meaningful news

1792

01:27:23,900 --> 01:27:21,000

they want to carry factoids that are

1793

01:27:27,950 --> 01:27:23,910

trendy and will make sure that their

1794

01:27:29,720 --> 01:27:27,960

newspaper sells but i'm i question

1795

01:27:32,270 --> 01:27:29,730

whether the american people do much

1796

01:27:35,630 --> 01:27:32,280

reading anymore when I was a boy my

1797

01:27:39,020 --> 01:27:35,640

family is to go to the County Library in

1798

01:27:41,959 --> 01:27:39,030

st. Louis once a week we check out books

1799

01:27:45,350 --> 01:27:41,969

and read them and put them back in now

1800

01:27:49,490 --> 01:27:45,360

people are relying on their handheld

1801
01:27:52,040 --> 01:27:49,500
devices electronic devices and usually

1802
01:27:54,170 --> 01:27:52,050
when people call to tell me about

1803
01:27:55,160 --> 01:27:54,180
something that they have seen in the

1804
01:27:58,030 --> 01:27:55,170
media

1805
01:28:03,290 --> 01:27:58,040
it is a video done by Hollywood as

1806
01:28:05,390 --> 01:28:03,300
opposed to a printed book or something

1807
01:28:07,250 --> 01:28:05,400
along those lines

1808
01:28:10,959 --> 01:28:07,260
there's really been a quite a dramatic

1809
01:28:13,340 --> 01:28:10,969
change in how people consume their news

1810
01:28:18,410 --> 01:28:13,350
yes and I'm not sure it's for the good

1811
01:28:20,620 --> 01:28:18,420
frankly mm-hmm a question also up on the

1812
01:28:24,110 --> 01:28:20,630
message board how many international

1813
01:28:26,560 --> 01:28:24,120

calls you get international calls oh we

1814

01:28:29,540 --> 01:28:26,570

got international calls almost every day

1815

01:28:32,000 --> 01:28:29,550

from around the world I've gotten them

1816

01:28:34,820 --> 01:28:32,010

from Thailand from South Africa from

1817

01:28:38,919 --> 01:28:34,830

South America all over Europe from the

1818

01:28:43,370 --> 01:28:38,929

UK pretty frequently and people can see

1819

01:28:46,610 --> 01:28:43,380

the it reports from other nations on our

1820

01:28:50,930 --> 01:28:46,620

website they can sort all of the reports

1821

01:28:54,709 --> 01:28:50,940

by state and by province and by country

1822

01:28:56,660 --> 01:28:54,719

and they can just look at the reports if

1823

01:28:59,150 --> 01:28:56,670

they have a particular interest in one

1824

01:29:02,030 --> 01:28:59,160

country they can see all of the reports

1825

01:29:04,970 --> 01:29:02,040

from that country right now I want to

1826
01:29:06,740 --> 01:29:04,980
talk something that comes to mind to me

1827
01:29:09,169 --> 01:29:06,750
you were mentioned the clusters of

1828
01:29:12,200 --> 01:29:09,179
lights and things up you know the orbs

1829
01:29:14,930 --> 01:29:12,210
or whatever it is that people are seeing

1830
01:29:17,300 --> 01:29:14,940
and we had a guest on I think about two

1831
01:29:19,669 --> 01:29:17,310
months ago that said he was he wrote a

1832
01:29:22,160 --> 01:29:19,679
book on orange orbs I think that's what

1833
01:29:23,720 --> 01:29:22,170
it was about but it's part of MUFON is

1834
01:29:26,000 --> 01:29:23,730
actually doing some separate

1835
01:29:28,490 --> 01:29:26,010
investigation that I guess he's involved

1836
01:29:31,370 --> 01:29:28,500
and on that but I also want to talk

1837
01:29:34,430 --> 01:29:31,380
about what other different types of

1838
01:29:37,520 --> 01:29:34,440

crafts that get reported you hear I hear

1839

01:29:38,410 --> 01:29:37,530

a lot about the triangles and that that

1840

01:29:42,080 --> 01:29:38,420

intrigues me

1841

01:29:44,510 --> 01:29:42,090

you know the triangle ones the the disks

1842

01:29:48,260 --> 01:29:44,520

are not seen that's what I saw actually

1843

01:29:50,450 --> 01:29:48,270

but are not seen quite as often or am I

1844

01:29:55,430 --> 01:29:50,460

wrong about that no I think you're right

1845

01:29:58,070 --> 01:29:55,440

in fact if you haven't already had David

1846

01:29:59,479 --> 01:29:58,080

Marr Laurent as a guest well I am oh you

1847

01:30:02,570 --> 01:29:59,489

have he's wonderful

1848

01:30:05,870 --> 01:30:02,580

yeah here's a great researcher a great

1849

01:30:08,720 --> 01:30:05,880

writer as I speak I'm holding I just

1850

01:30:10,729 --> 01:30:08,730

dropped his book trying

1851
01:30:15,290 --> 01:30:10,739
are UFO's an estimate of the situation

1852
01:30:19,010 --> 01:30:15,300
and is to be commended for having made

1853
01:30:21,200 --> 01:30:19,020
the observation that really the use of

1854
01:30:24,320 --> 01:30:21,210
the term flying saucer is almost a

1855
01:30:28,220 --> 01:30:24,330
misnomer because when he invited me to

1856
01:30:31,040 --> 01:30:28,230
look at my data to see how many of the

1857
01:30:33,500 --> 01:30:31,050
reports in our database were triangles

1858
01:30:37,190 --> 01:30:33,510
versus disks or lights or other things

1859
01:30:39,950 --> 01:30:37,200
like that two-thirds of the cases were

1860
01:30:45,020 --> 01:30:39,960
triangular shaped they were wedge shapes

1861
01:30:49,970 --> 01:30:45,030
or or triangles or things smacking of

1862
01:30:52,130 --> 01:30:49,980
some kind of triangular formation and it

1863
01:30:55,910 --> 01:30:52,140

appears that what we should have done

1864

01:30:58,550 --> 01:30:55,920

back on the 24th of June 1947 when Ken

1865

01:31:01,070 --> 01:30:58,560

Arnold made his fateful flight over the

1866

01:31:05,090 --> 01:31:01,080

Cascade Mountains we should have coined

1867

01:31:07,430 --> 01:31:05,100

the term unidentified flying triangles

1868

01:31:09,280 --> 01:31:07,440

instead of unidentified flying objects

1869

01:31:12,680 --> 01:31:09,290

because most of them are triangles

1870

01:31:16,910 --> 01:31:12,690

ironically what Ken Arnold saw back in

1871

01:31:19,520 --> 01:31:16,920

June of 1947 really were not discs at

1872

01:31:24,680 --> 01:31:19,530

all they were sort of a scimitar shaped

1873

01:31:27,650 --> 01:31:24,690

object almost a triangle so we come up

1874

01:31:31,010 --> 01:31:27,660

with UFO by accident I'm afraid for

1875

01:31:33,560 --> 01:31:31,020

flying saucer by accident certainly I

1876

01:31:36,620 --> 01:31:33,570

was kind of surprised to hear that

1877

01:31:39,560 --> 01:31:36,630

how early some of the triangles have

1878

01:31:42,200 --> 01:31:39,570

been seen going there are some sightings

1879

01:31:45,080 --> 01:31:42,210

all the way back to the late 1800s up or

1880

01:31:46,300 --> 01:31:45,090

something was reported back young I'm

1881

01:31:49,520 --> 01:31:46,310

not surprised

1882

01:31:53,150 --> 01:31:49,530

they appear to be the most frequently

1883

01:31:56,350 --> 01:31:53,160

observed type of craft or type of object

1884

01:32:00,380 --> 01:31:56,360

that is seen and reported as a UFO n--

1885

01:32:04,090 --> 01:32:00,390

you're commenting on that takes me back

1886

01:32:07,370 --> 01:32:04,100

to the Phoenix lights event for a moment

1887

01:32:10,070 --> 01:32:07,380

the night of the event as I mentioned

1888

01:32:12,130 --> 01:32:10,080

earlier one of the objects at least one

1889

01:32:13,750 --> 01:32:12,140

of the objects was intercepted by two

1890

01:32:17,540 --> 01:32:13,760

f-15cs

1891

01:32:20,600 --> 01:32:17,550

see model jet fighters they were armed

1892

01:32:22,089 --> 01:32:20,610

to the teeth they also had according to

1893

01:32:25,740 --> 01:32:22,099

the one witness and Aaron

1894

01:32:28,720 --> 01:32:25,750

who participated in the in the intercept

1895

01:32:31,600 --> 01:32:28,730

they have mounted under their starboard

1896

01:32:35,229 --> 01:32:31,610

wing what's known as a lantern - pod

1897

01:32:37,149 --> 01:32:35,239

it's a pod for night imaging and

1898

01:32:41,410 --> 01:32:37,159

navigation very sensitive very

1899

01:32:43,899 --> 01:32:41,420

sophisticated they have a magnifying

1900

01:32:46,919 --> 01:32:43,909

device in the nose of the pod that

1901

01:32:49,540 --> 01:32:46,929

allows the pilot to reach out and

1902

01:32:52,709 --> 01:32:49,550

magnify a target so you can see it

1903

01:32:56,680 --> 01:32:52,719

visually and get positive identification

1904

01:32:59,410 --> 01:32:56,690

this is what makes us convinced that

1905

01:33:01,660 --> 01:32:59,420

those two aircraft had been flying with

1906

01:33:04,569 --> 01:33:01,670

Air Force One and therefore her Air

1907

01:33:07,270 --> 01:33:04,579

Force one earlier that day but the

1908

01:33:09,640 --> 01:33:07,280

object that the lead pilot intercepted

1909

01:33:12,310 --> 01:33:09,650

over Camelback Mountain which is about

1910

01:33:16,479 --> 01:33:12,320

three or four miles north of Sky Harbor

1911

01:33:19,750 --> 01:33:16,489

Airport was we've done the trigonometry

1912

01:33:22,540 --> 01:33:19,760

it was not less than 8,000 feet above

1913

01:33:24,879 --> 01:33:22,550

ground level and it's subtended an arc

1914

01:33:27,280 --> 01:33:24,889

when viewed from the ground of 135

1915

01:33:30,459 --> 01:33:27,290

degrees anybody who's familiar with

1916

01:33:32,859 --> 01:33:30,469

trigonometry will recognize what I'm

1917

01:33:36,550 --> 01:33:32,869

talking about and can easily do the

1918

01:33:39,419 --> 01:33:36,560

calculation that craft that was

1919

01:33:44,950 --> 01:33:39,429

intercepted by that pilot was not less

1920

01:33:48,069 --> 01:33:44,960

than 7.4 statute miles and with seven

1921

01:33:51,100 --> 01:33:48,079

point form statute miles from wingtip to

1922

01:33:53,620 --> 01:33:51,110

wingtip oh my goodness and that's why

1923

01:33:56,589 --> 01:33:53,630

the government probably panicked they

1924

01:34:00,700 --> 01:33:56,599

thought then the landing had probably

1925

01:34:03,580 --> 01:34:00,710

started and that's what induced the you

1926

01:34:07,180 --> 01:34:03,590

I presume it was the US Air Force to

1927

01:34:09,430 --> 01:34:07,190

declare a defense condition 3 Wow I

1928

01:34:13,149 --> 01:34:09,440

never heard that part of it now from

1929

01:34:14,770 --> 01:34:13,159

what I understand this has just bits and

1930

01:34:18,510 --> 01:34:14,780

pieces that I heard but that particular

1931

01:34:22,359 --> 01:34:18,520

pilot was absolutely scared to death

1932

01:34:24,339 --> 01:34:22,369

yeah in fact he was pretty upset he

1933

01:34:27,250 --> 01:34:24,349

didn't know what he had intercepted he

1934

01:34:30,700 --> 01:34:27,260

reported to his ground crew that as he

1935

01:34:32,470 --> 01:34:30,710

sat in the cockpit of his f15 and he was

1936

01:34:35,980 --> 01:34:32,480

streaking to the south towards this

1937

01:34:38,830 --> 01:34:35,990

object the left-hand wing tip of the

1938

01:34:41,410 --> 01:34:38,840

was visible at his 9 o'clock position

1939

01:34:44,320 --> 01:34:41,420

that is out the left-hand side of his

1940

01:34:47,290 --> 01:34:44,330

canopy the right-hand wingtip of the

1941

01:34:50,050 --> 01:34:47,300

craft that he was intercepting was at

1942

01:34:52,150 --> 01:34:50,060

his 3 o'clock position so the object

1943

01:34:54,880 --> 01:34:52,160

that he is flying towards no doubt its

1944

01:34:58,030 --> 01:34:54,890

closing velocity at many hundreds of

1945

01:35:01,600 --> 01:34:58,040

knots filled a hundred and eighty

1946

01:35:04,330 --> 01:35:01,610

degrees of his windscreen and canopy and

1947

01:35:07,120 --> 01:35:04,340

I presume that was pretty upsetting to a

1948

01:35:10,210 --> 01:35:07,130

seasoned fighter pilot to realize how

1949

01:35:13,180 --> 01:35:10,220

big the object was and it takes me to

1950

01:35:18,330 --> 01:35:13,190

the incident just over a year ago March

1951

01:35:22,830 --> 01:35:18,340

of last year when the Malaysian triple7

1952

01:35:26,740 --> 01:35:22,840

disappeared over in the vicinity of

1953

01:35:28,840 --> 01:35:26,750

Indonesia and the Pacific Ocean many

1954

01:35:33,610 --> 01:35:28,850

people have asked me well how could you

1955

01:35:37,510 --> 01:35:33,620

how could you hide triple7 in a UFO well

1956

01:35:40,810 --> 01:35:37,520

if the UFOs are as big as the ones that

1957

01:35:44,440 --> 01:35:40,820

were over Phoenix on the 13th of March

1958

01:35:46,800 --> 01:35:44,450

1997 you could hide a triple seven in a

1959

01:35:50,410 --> 01:35:46,810

corner of the ashtray of one of those

1960

01:35:53,680 --> 01:35:50,420

craft and you'd have a hard time finding

1961

01:35:56,260 --> 01:35:53,690

it again you know so we're dealing with

1962

01:35:59,920 --> 01:35:56,270

very sophisticated and in some cases

1963

01:36:01,930 --> 01:35:59,930

very large craft you know that's to me I

1964

01:36:06,250 --> 01:36:01,940

think you know we talked earlier earlier

1965

01:36:08,050 --> 01:36:06,260

and I mentioned I thought incident at

1966

01:36:11,860 --> 01:36:08,060

Exeter was one of the you know in the

1967

01:36:14,620 --> 01:36:11,870

top 20 or 30 I think I consider Phoenix

1968

01:36:17,620 --> 01:36:14,630

like this is just again my own opinion I

1969

01:36:21,940 --> 01:36:17,630

would say within the top 5 of UFO

1970

01:36:24,610 --> 01:36:21,950

sightings of all time what I yeah and in

1971

01:36:26,080 --> 01:36:24,620

fact I never did finish my discussion of

1972

01:36:30,040 --> 01:36:26,090

the Phoenix like you asked me for I

1973

01:36:32,140 --> 01:36:30,050

think the two leading cases and I cited

1974

01:36:34,930 --> 01:36:32,150

the Phoenix lights the other one that I

1975

01:36:39,430 --> 01:36:34,940

am very interested in is the Travis

1976

01:36:41,770 --> 01:36:39,440

Walton case of November 5th 1975 I feel

1977

01:36:44,980 --> 01:36:41,780

like no Travis quite well I trust him

1978

01:36:49,570 --> 01:36:44,990

implicitly and it's important to keep in

1979

01:36:55,480 --> 01:36:49,580

mind that he was he was gunned down by

1980

01:36:58,210 --> 01:36:55,490

a saucer before six witnesses and he was

1981

01:37:01,630 --> 01:36:58,220

gone and for five from the subsequent

1982

01:37:04,600 --> 01:37:01,640

five days that's pretty dramatic mm-hmm

1983

01:37:07,720 --> 01:37:04,610

and another one I would cite along

1984

01:37:13,210 --> 01:37:07,730

similar lines is the very strange and

1985

01:37:16,150 --> 01:37:13,220

tragic death of mr. Todd C's back in

1986

01:37:20,170 --> 01:37:16,160

August of 2002 it was Sunday August 4th

1987

01:37:22,240 --> 01:37:20,180

2002 he was seen being taken up into a

1988

01:37:25,690 --> 01:37:22,250

saucer in Northumberland County

1989

01:37:29,290 --> 01:37:25,700

Pennsylvania and it took the search

1990

01:37:32,980 --> 01:37:29,300

party about another thirty nine hours to

1991

01:37:34,540 --> 01:37:32,990

find his grossly mutilated remains I've

1992

01:37:37,870 --> 01:37:34,550

talked about it until I'm blue in the

1993

01:37:40,720 --> 01:37:37,880

face and the press is not going to pick

1994

01:37:45,910 --> 01:37:40,730

up on it I'm afraid that's the case in

1995

01:37:48,910 --> 01:37:45,920

Pennsylvania mm-hmm right yes it

1996

01:37:49,450 --> 01:37:48,920

occurred on a Sunday morning this Todd

1997

01:37:52,990 --> 01:37:49,460

C's

1998

01:37:55,840 --> 01:37:53,000

aged 37 I believe very physically fit

1999

01:37:58,570 --> 01:37:55,850

he'd been a earlier in his life he had

2000

01:38:03,850 --> 01:37:58,580

been a professional wrestler or an

2001

01:38:06,010 --> 01:38:03,860

wrestler in academia and at 5:00 a.m. he

2002

01:38:08,770 --> 01:38:06,020

left his home to go up on his family

2003

01:38:10,510 --> 01:38:08,780

property on Mount Montour which is a

2004

01:38:15,520 --> 01:38:10,520

high point in southern central

2005

01:38:18,820 --> 01:38:15,530

Pennsylvania and 30 minutes later for

2006

01:38:21,940 --> 01:38:18,830

adult witnesses saw a man's body clad

2007

01:38:25,660 --> 01:38:21,950

only in undergarments being levitated

2008

01:38:28,270 --> 01:38:25,670

off the top of mount Mont or up a shaft

2009

01:38:32,140 --> 01:38:28,280

of what appeared to be to them to the

2010

01:38:35,350 --> 01:38:32,150

witnesses a shaft of light like a shaft

2011

01:38:41,620 --> 01:38:35,360

of light out of a flashlight in a fog

2012

01:38:45,070 --> 01:38:41,630

bank and they had a search party was

2013

01:38:49,120 --> 01:38:45,080

assembled that day they didn't find him

2014

01:38:52,090 --> 01:38:49,130

that Sunday but about 7:15 that night

2015

01:38:53,470 --> 01:38:52,100

the next night on Monday the 5th of

2016

01:38:58,420 --> 01:38:53,480

August

2017

01:39:01,210 --> 01:38:58,430

mr. C's son found human remains hanging

2018

01:39:03,280 --> 01:39:01,220

above ground level in thick underbrush

2019

01:39:06,690 --> 01:39:03,290

and

2020

01:39:09,760 --> 01:39:06,700

it is it's been reported to me that the

2021

01:39:11,500 --> 01:39:09,770

remains were so grossly mutilated that

2022

01:39:14,860 --> 01:39:11,510

not even the Sun could positively

2023

01:39:18,790 --> 01:39:14,870

identify them as being the remains of

2024

01:39:22,000 --> 01:39:18,800

his late father very tragic case Wow now

2025

01:39:23,260 --> 01:39:22,010

for the skeptic out there you know we

2026

01:39:27,360 --> 01:39:23,270

always have to think of every single

2027

01:39:30,430 --> 01:39:27,370

case and we always hear the echoes of a

2028

01:39:33,880 --> 01:39:30,440

skeptic and what they would say happened

2029

01:39:36,010 --> 01:39:33,890

what were they saying I'm not sure I've

2030

01:39:38,890 --> 01:39:36,020

talked to any skeptics except a few

2031

01:39:41,800 --> 01:39:38,900

family members I talked to a nurse who

2032

01:39:43,690 --> 01:39:41,810

saw the remains and she reported to me

2033

01:39:46,480 --> 01:39:43,700

she saw the remains in the local

2034

01:39:47,530 --> 01:39:46,490

hospital before they were taken to the

2035

01:39:51,630 --> 01:39:47,540

county morgue

2036

01:39:54,930 --> 01:39:51,640

where an autopsy was performed but the

2037

01:39:58,690 --> 01:39:54,940

County Coroner of Northumberland County

2038

01:40:02,290 --> 01:39:58,700

when I talked to him briefly said under

2039

01:40:05,860 --> 01:40:02,300

no certain terms would I ever have

2040

01:40:08,020 --> 01:40:05,870

access to the autopsy report I asked him

2041

01:40:10,870 --> 01:40:08,030

if photographs of the decedent's remains

2042

01:40:14,020 --> 01:40:10,880

had been taken he said yes but you will

2043

01:40:16,390 --> 01:40:14,030

never see them Mr Davenport hmm that's a

2044

01:40:21,130 --> 01:40:16,400

pretty tall statement those are public

2045

01:40:25,000 --> 01:40:21,140

records it's not within the authority of

2046

01:40:29,170 --> 01:40:25,010

a coroner to say you cannot see public

2047

01:40:33,690 --> 01:40:29,180

records so an interesting case and

2048

01:40:37,510 --> 01:40:33,700

Richard Dolan has been to half the site

2049

01:40:39,850 --> 01:40:37,520

to talk to people about what happened

2050

01:40:44,470 --> 01:40:39,860

during that incident very tragic case

2051

01:40:47,500 --> 01:40:44,480

and the one interesting thing is that

2052

01:40:49,900 --> 01:40:47,510

this nurse described and you can read

2053

01:40:53,140 --> 01:40:49,910

her report on our website again for the

2054

01:40:57,970 --> 01:40:53,150

I believe it's the fourth of August 2002

2055

01:41:01,450 --> 01:40:57,980

if that's a Sunday she reported that the

2056

01:41:04,480 --> 01:41:01,460

remains had a very peculiar metallic

2057

01:41:07,540 --> 01:41:04,490

looking object that was clamped to the

2058

01:41:10,810 --> 01:41:07,550

body and I don't know any more details

2059

01:41:14,020 --> 01:41:10,820

than that my impression is it was

2060

01:41:16,469 --> 01:41:14,030

clamped to the upper arm that I'm hard

2061

01:41:22,049 --> 01:41:16,479

put to prove that statement is

2062

01:41:26,250 --> 01:41:22,059

correct so that's a if a man was killed

2063

01:41:28,949 --> 01:41:26,260

by a UFO while aboard a saucer that's a

2064

01:41:31,699 --> 01:41:28,959

pretty dramatic case by my measure yeah

2065

01:41:34,109 --> 01:41:31,709

I would say you know I I think I've

2066

01:41:36,989 --> 01:41:34,119

heard how we had someone on the show at

2067

01:41:39,390 --> 01:41:36,999

one point that was talking about some

2068

01:41:41,129 --> 01:41:39,400

possible you know human mutilations

2069

01:41:43,229 --> 01:41:41,139

along with the you know the cattle

2070

01:41:46,609 --> 01:41:43,239

mutilations you know similarities and

2071

01:41:49,410 --> 01:41:46,619

how they're mutilated but this sounds

2072

01:41:51,810 --> 01:41:49,420

this sounds really dramatic and I don't

2073

01:41:53,930 --> 01:41:51,820

really quite know if I want to get into

2074

01:41:56,279 --> 01:41:53,940

the details of that for the listener but

2075

01:41:59,729 --> 01:41:56,289

of what you know but it does not sound

2076

01:42:01,949 --> 01:41:59,739

pretty bouncing around just a little bit

2077

01:42:02,430 --> 01:42:01,959

because of the questions on the message

2078

01:42:06,930 --> 01:42:02,440

board

2079

01:42:09,839 --> 01:42:06,940

someone has asked repeatedly if you

2080

01:42:12,149 --> 01:42:09,849

think that the harp can be the high

2081

01:42:16,830 --> 01:42:12,159

frequency whatever it is radar could be

2082

01:42:19,410 --> 01:42:16,840

used as passive radar no I don't I don't

2083

01:42:21,120 --> 01:42:19,420

know exactly what HAARP is but my

2084

01:42:24,600 --> 01:42:21,130

impression is it's just a radio

2085

01:42:26,520 --> 01:42:24,610

transmitter although I will qualify my

2086

01:42:28,890 --> 01:42:26,530

statement just a little bit I commend

2087

01:42:32,040 --> 01:42:28,900

the the person who submitted the

2088

01:42:35,879 --> 01:42:32,050

question for thinking along the lines of

2089

01:42:40,250 --> 01:42:35,889

passive radar it could easily be that

2090

01:42:43,529 --> 01:42:40,260

the HAARP facility is a transmitter to

2091

01:42:46,770 --> 01:42:43,539

generate a transmitted signal that is

2092

01:42:49,109 --> 01:42:46,780

used as part of a passive radar system

2093

01:42:51,810 --> 01:42:49,119

obviously the person who's posed the

2094

01:42:54,419 --> 01:42:51,820

question knows what passive radar means

2095

01:42:57,620 --> 01:42:54,429

and I commend the person for a nice

2096

01:43:01,319 --> 01:42:57,630

question but I personally have no

2097

01:43:03,689 --> 01:43:01,329

knowledge of the HAARP facility and what

2098

01:43:06,209 --> 01:43:03,699

signal it broadcasts what the timing is

2099

01:43:09,000 --> 01:43:06,219

what the frequency is what the power of

2100

01:43:11,160 --> 01:43:09,010

it is what the antenna field may look

2101

01:43:13,410 --> 01:43:11,170

like and therefore the gain may be I

2102

01:43:17,489 --> 01:43:13,420

just don't have the technical facts on

2103

01:43:21,299 --> 01:43:17,499

it so I'm really unable to comment in a

2104

01:43:23,040 --> 01:43:21,309

very intelligent fashion I'm afraid we

2105

01:43:26,129 --> 01:43:23,050

had a show a while back you were talking

2106

01:43:28,679 --> 01:43:26,139

since we're on this subject of getting

2107

01:43:30,210 --> 01:43:28,689

some type of evidence that you know this

2108

01:43:33,660 --> 01:43:30,220

is happening

2109

01:43:36,780 --> 01:43:33,670

we had Doug Trumbull on along with mark

2110

01:43:39,090 --> 01:43:36,790

D intent D Antonio I consider mark a

2111

01:43:40,950 --> 01:43:39,100

friend by the way in for those of you

2112

01:43:44,240 --> 01:43:40,960

listeners out there that are not aware

2113

01:43:47,850 --> 01:43:44,250

of mark has had some real serious health

2114

01:43:49,770 --> 01:43:47,860

issues and with his heart and we're

2115

01:43:55,170 --> 01:43:49,780

hoping he pulls through he's he's not an

2116

01:43:59,850 --> 01:43:55,180

old guy he's you know a real nice man he

2117

01:44:02,760 --> 01:43:59,860

they are working on a some type of

2118

01:44:04,950 --> 01:44:02,770

project where they would have little

2119

01:44:07,620 --> 01:44:04,960

base units here and there that would

2120

01:44:10,230 --> 01:44:07,630

communicate with all different types of

2121

01:44:12,480 --> 01:44:10,240

instruments um have you ever heard about

2122

01:44:17,160 --> 01:44:12,490

anything about the the you photog

2123

01:44:20,070 --> 01:44:17,170

project yes I have I've read about a lot

2124

01:44:23,280 --> 01:44:20,080

of means of detecting UFOs people use

2125

01:44:26,880 --> 01:44:23,290

magnets just all sorts of things people

2126
01:44:28,980 --> 01:44:26,890
propose that we link cell phones and so

2127
01:44:32,340 --> 01:44:28,990
on and so forth the problem with all of

2128
01:44:34,230 --> 01:44:32,350
that is for example magnetic field falls

2129
01:44:37,250 --> 01:44:34,240
off at the square of the distance

2130
01:44:40,590 --> 01:44:37,260
so detecting things with there by

2131
01:44:43,020 --> 01:44:40,600
measuring their magnetic field strength

2132
01:44:44,460 --> 01:44:43,030
is probably not going to be very

2133
01:44:47,430 --> 01:44:44,470
effective people have tried to do that

2134
01:44:54,450 --> 01:44:47,440
for decades hasn't worked very very well

2135
01:44:56,970 --> 01:44:54,460
I really think and what we need rather

2136
01:44:59,550 --> 01:44:56,980
than a bunch of teenagers with

2137
01:45:01,950 --> 01:44:59,560
cellphones what we need is the

2138
01:45:04,370 --> 01:45:01,960

equivalent of ground saucer watch I'm

2139

01:45:08,100 --> 01:45:04,380

surprised that MUFON hasn't done this

2140

01:45:10,560 --> 01:45:08,110

I've calculated how many people you

2141

01:45:13,650 --> 01:45:10,570

would need to have at high points across

2142

01:45:16,770 --> 01:45:13,660

the United States to be able to monitor

2143

01:45:19,500 --> 01:45:16,780

the entire geographical area of the

2144

01:45:22,380 --> 01:45:19,510

lower 48 and it's only between one and

2145

01:45:25,320 --> 01:45:22,390

two thousand people really they're at it

2146

01:45:30,210 --> 01:45:25,330

if there are high points with binoculars

2147

01:45:33,930 --> 01:45:30,220

and so on it's it's just no different

2148

01:45:37,170 --> 01:45:33,940

from a forest fire spotter system mm-hmm

2149

01:45:40,230 --> 01:45:37,180

and that's what we should be doing the

2150

01:45:44,129 --> 01:45:40,240

advantage of that is you suddenly have

2151
01:45:47,970 --> 01:45:44,139
trained observers people who know

2152
01:45:51,149 --> 01:45:47,980
who can distinguish an aircraft from a

2153
01:45:53,760 --> 01:45:51,159
meteor from a an overflight of the

2154
01:45:57,270 --> 01:45:53,770
International Space Station from a

2155
01:46:00,209 --> 01:45:57,280
Iridium flare and so on and so forth and

2156
01:46:02,729 --> 01:46:00,219
that is what we need and MUFON has the

2157
01:46:06,300 --> 01:46:02,739
ability to do it I've toyed with the

2158
01:46:08,399 --> 01:46:06,310
idea that I don't have funding and it's

2159
01:46:10,979 --> 01:46:08,409
going to require a bit of funding so

2160
01:46:14,370 --> 01:46:10,989
everybody has binoculars cameras video

2161
01:46:17,490 --> 01:46:14,380
camcorders and so on and we're talking

2162
01:46:21,720 --> 01:46:17,500
about probably a million dollars to

2163
01:46:23,580 --> 01:46:21,730

outfit a couple thousand people and we

2164

01:46:26,370 --> 01:46:23,590

could have a hundred percent coverage of

2165

01:46:28,560 --> 01:46:26,380

the United States with just the

2166

01:46:31,169 --> 01:46:28,570

personnel that MUFON has I think they

2167

01:46:34,050 --> 01:46:31,179

have about 10,000 members now we could

2168

01:46:36,720 --> 01:46:34,060

have 24-hour daylight and nighttime

2169

01:46:39,810 --> 01:46:36,730

coverage just with the personnel they

2170

01:46:42,840 --> 01:46:39,820

have as members Wow

2171

01:46:45,750 --> 01:46:42,850

a question that just popped up a little

2172

01:46:48,810 --> 01:46:45,760

while ago on the message board is what

2173

01:46:50,820 --> 01:46:48,820

do you think these UFOs are hmm that

2174

01:46:52,649 --> 01:46:50,830

there's a question we all are trying to

2175

01:46:55,410 --> 01:46:52,659

get things out to well based on the

2176
01:46:57,510 --> 01:46:55,420
information available to me and based on

2177
01:47:02,010 --> 01:46:57,520
my personal experience I was born in

2178
01:47:03,870 --> 01:47:02,020
Missouri 67 years ago so the show-me

2179
01:47:06,540 --> 01:47:03,880
principle is very important to me I

2180
01:47:09,720 --> 01:47:06,550
don't believe anything unless I have

2181
01:47:13,439 --> 01:47:09,730
some pretty good evidence to support my

2182
01:47:18,090 --> 01:47:13,449
belief but looks to me as a we're

2183
01:47:21,149 --> 01:47:18,100
dealing with spacecraft that are do not

2184
01:47:23,189 --> 01:47:21,159
originate from this planet they appear

2185
01:47:25,560 --> 01:47:23,199
to be under intelligent control and

2186
01:47:28,260 --> 01:47:25,570
therefore I conclude they're being

2187
01:47:31,820 --> 01:47:28,270
controlled by alien life-forms

2188
01:47:34,649 --> 01:47:31,830

probably very intelligent very capable

2189

01:47:37,859 --> 01:47:34,659

alien life-forms and why they're not

2190

01:47:40,740 --> 01:47:37,869

showing themselves overtly although that

2191

01:47:43,290 --> 01:47:40,750

appears to be changing to a degree but

2192

01:47:45,959 --> 01:47:43,300

why they're not landing on every golf

2193

01:47:50,399 --> 01:47:45,969

course in America and saying teach us

2194

01:47:53,580 --> 01:47:50,409

the game of golf is unclear to me and it

2195

01:47:57,419 --> 01:47:53,590

worries me a little bit that both the

2196

01:47:57,930 --> 01:47:57,429

aliens and our government do not want

2197

01:48:00,350 --> 01:47:57,940

the America

2198

01:48:03,150 --> 01:48:00,360

people thinking about this phenomenon

2199

01:48:06,420 --> 01:48:03,160

that is what I mentioned earlier the

2200

01:48:10,770 --> 01:48:06,430

possibility of collusion between an

2201

01:48:14,790 --> 01:48:10,780

alien life force and alien civilization

2202

01:48:17,250 --> 01:48:14,800

and a government in this case I'm

2203

01:48:19,320 --> 01:48:17,260

alluding to the US government when I

2204

01:48:20,970 --> 01:48:19,330

look at what the government is doing to

2205

01:48:24,320 --> 01:48:20,980

us instead of for us

2206

01:48:30,600 --> 01:48:24,330

I get very concerned it's almost as if

2207

01:48:32,730 --> 01:48:30,610

they their actions are geared to some

2208

01:48:36,270 --> 01:48:32,740

future event that they know is going to

2209

01:48:38,460 --> 01:48:36,280

take place and the debt that we've

2210

01:48:42,330 --> 01:48:38,470

accumulated is a case in point

2211

01:48:44,430 --> 01:48:42,340

you know if typical game theory tells

2212

01:48:47,130 --> 01:48:44,440

you that if a meteor is going to strike

2213

01:48:50,730 --> 01:48:47,140

the planet Earth and destroy it tomorrow

2214

01:48:54,120 --> 01:48:50,740

afternoon the most logical thing for a

2215

01:48:55,800 --> 01:48:54,130

person to do is borrow as much money as

2216

01:48:58,980 --> 01:48:55,810

you possibly can and have the time of

2217

01:49:03,030 --> 01:48:58,990

your life conversely from the standpoint

2218

01:49:06,420 --> 01:49:03,040

of the lender the lenders most rational

2219

01:49:08,220 --> 01:49:06,430

path is to lend as much as he can

2220

01:49:10,710 --> 01:49:08,230

because if there's going to be no

2221

01:49:15,060 --> 01:49:10,720

tomorrow there's no point in having

2222

01:49:17,850 --> 01:49:15,070

money in your bank account so it's

2223

01:49:21,450 --> 01:49:17,860

almost as if these people in our

2224

01:49:23,790 --> 01:49:21,460

government are acting predicated on some

2225

01:49:26,760 --> 01:49:23,800

kind of future of em that they know

2226

01:49:27,180 --> 01:49:26,770

about but you and I do not that worries

2227

01:49:29,310 --> 01:49:27,190

me

2228

01:49:33,480 --> 01:49:29,320

what do you think about the allagash

2229

01:49:36,030 --> 01:49:33,490

case very interesting case means I agree

2230

01:49:38,400 --> 01:49:36,040

and I just want to want to mention

2231

01:49:44,730 --> 01:49:38,410

something about this it ties in

2232

01:49:49,710 --> 01:49:44,740

basically I I got to meet Jim Weiner and

2233

01:49:51,690 --> 01:49:49,720

and Charles faults but I never met

2234

01:49:53,730 --> 01:49:51,700

there's two other people involved of

2235

01:49:59,070 --> 01:49:53,740

course but I listened to an interview

2236

01:50:04,140 --> 01:49:59,080

that Alejandro Rojas did with with with

2237

01:50:05,940 --> 01:50:04,150

Jack Weiner and it was really really a

2238

01:50:09,450 --> 01:50:05,950

good interview I suggest anyone look it

2239

01:50:12,060 --> 01:50:09,460

up on open mind so as a pad plus past

2240

01:50:16,470 --> 01:50:12,070

podcast but in it you know

2241

01:50:18,240 --> 01:50:16,480

toward the end he basically says that he

2242

01:50:21,419 --> 01:50:18,250

says well I've never you know said this

2243

01:50:23,819 --> 01:50:21,429

before but you know I basically was

2244

01:50:26,540 --> 01:50:23,829

given the message that it will be

2245

01:50:31,800 --> 01:50:26,550

revealed and I will be part of it you

2246

01:50:33,839 --> 01:50:31,810

know and to me as far out as that sounds

2247

01:50:37,200 --> 01:50:33,849

I still think that is one of the the

2248

01:50:38,910 --> 01:50:37,210

solid cases and I'm right I'm right I

2249

01:50:41,790 --> 01:50:38,920

believe those guys you know I mean that

2250

01:50:43,530 --> 01:50:41,800

was just dope i sat across and talked to

2251

01:50:47,879 --> 01:50:43,540

them personally and it's just it's like

2252

01:50:50,430 --> 01:50:47,889

Travis Walton I I get that and I think

2253

01:50:52,890 --> 01:50:50,440

you know if that's true that that's

2254

01:50:58,169 --> 01:50:52,900

really interesting because you know he's

2255

01:50:59,669 --> 01:50:58,179

a he's a man in his early 60s so you

2256

01:51:02,100 --> 01:50:59,679

never know we may see something in our

2257

01:51:04,229 --> 01:51:02,110

lifetime it's possible you know my

2258

01:51:06,209 --> 01:51:04,239

understanding is one of the Allagash it

2259

01:51:10,379 --> 01:51:06,219

isn't the yet isn't it referred to as

2260

01:51:14,160 --> 01:51:10,389

the allagash five I believe recollection

2261

01:51:16,319 --> 01:51:14,170

I believe it's four but might be I could

2262

01:51:17,939 --> 01:51:16,329

be wrong could be how one of them I

2263

01:51:22,140 --> 01:51:17,949

think is going to be a Newport Rhode

2264

01:51:24,750 --> 01:51:22,150

Island on the 12th and 13th of July for

2265

01:51:27,720 --> 01:51:24,760

a UFO gathering I was invited to it and

2266

01:51:30,390 --> 01:51:27,730

unfortunately was not able to attend but

2267

01:51:33,990 --> 01:51:30,400

I believe I recall that one of the

2268

01:51:36,120 --> 01:51:34,000

Allagash I'm gonna call him abductees

2269

01:51:40,439 --> 01:51:36,130

one of the Allagash abductees is going

2270

01:51:42,859 --> 01:51:40,449

to be at that gathering at Newport Rhode

2271

01:51:45,180 --> 01:51:42,869

Island here in a couple weeks or so I

2272

01:51:49,169 --> 01:51:45,190

see huh

2273

01:51:50,490 --> 01:51:49,179

okay there was a there's a lot of people

2274

01:51:52,859 --> 01:51:50,500

on the message board just to let you

2275

01:51:55,890 --> 01:51:52,869

know that really like like what you're

2276

01:51:57,569 --> 01:51:55,900

doing and someone just posted on there

2277

01:52:01,350 --> 01:51:57,579

when you retire it's going to be a huge

2278

01:52:04,859 --> 01:52:01,360

loss I thought well thank you my

2279

01:52:07,080 --> 01:52:04,869

gratitude to all to you and for having

2280

01:52:10,080 --> 01:52:07,090

had me on and to all your loyal

2281

01:52:12,660 --> 01:52:10,090

listeners and people who follow this

2282

01:52:14,939 --> 01:52:12,670

phenomenon from my vantage point it

2283

01:52:18,089 --> 01:52:14,949

appears to be a very real phenomenon and

2284

01:52:20,520 --> 01:52:18,099

if it's real it's important to all of us

2285

01:52:23,250 --> 01:52:20,530

and to all living things on this planet

2286

01:52:25,740 --> 01:52:23,260

I feel you know I appreciate the kind

2287

01:52:27,990 --> 01:52:25,750

words and if people are not able to get

2288

01:52:30,450 --> 01:52:28,000

their messages into the message board

2289

01:52:35,330 --> 01:52:30,460

today they can just send me an email and

2290

01:52:38,940 --> 01:52:35,340

be happy to respond to their queries and

2291

01:52:42,180 --> 01:52:38,950

to the time permitting right now I'm in

2292

01:52:44,820 --> 01:52:42,190

severe overload people may wonder how I

2293

01:52:47,880 --> 01:52:44,830

managed to do it well typically I work

2294

01:52:50,070 --> 01:52:47,890

or am on call two shifts a day seven

2295

01:52:54,660 --> 01:52:50,080

days a week that's the only way I can

2296

01:52:59,460 --> 01:52:54,670

handle the volume of email and reports

2297

01:53:02,580 --> 01:52:59,470

and media requests and interviews it's a

2298

01:53:04,710 --> 01:53:02,590

lot of work but it's in my opinion very

2299

01:53:08,130 --> 01:53:04,720

important work I wouldn't want the

2300

01:53:10,160 --> 01:53:08,140

government to be the exclusive source of

2301
01:53:13,170 --> 01:53:10,170
information about the UFO phenomenon

2302
01:53:16,010 --> 01:53:13,180
they're lying through their teeth and I

2303
01:53:19,610 --> 01:53:16,020
don't trust them anymore have you

2304
01:53:22,710 --> 01:53:19,620
someone someone had asked me one time

2305
01:53:25,260 --> 01:53:22,720
this is someone outside of the UFO field

2306
01:53:28,050 --> 01:53:25,270
when I brought up kind of what you just

2307
01:53:30,870 --> 01:53:28,060
said or something similar they said just

2308
01:53:32,490 --> 01:53:30,880
give me one fact that will prove that

2309
01:53:36,060 --> 01:53:32,500
the government's been lying to us about

2310
01:53:38,490 --> 01:53:36,070
UFOs you were posed that question what

2311
01:53:41,700 --> 01:53:38,500
would you say to that person just I

2312
01:53:44,760 --> 01:53:41,710
would encourage that person to get his

2313
01:53:47,790 --> 01:53:44,770

or her own information by talking to

2314

01:53:49,590 --> 01:53:47,800

senior officers people who've been in

2315

01:53:54,330 --> 01:53:49,600

positions of considerable responsibility

2316

01:53:57,210 --> 01:53:54,340

in the military talk to talk to

2317

01:53:59,490 --> 01:53:57,220

astronauts Edgar Mitchell is a case in

2318

01:54:04,260 --> 01:53:59,500

point Gordon Cooper another case in

2319

01:54:06,300 --> 01:54:04,270

point I once wrote Alan Shepard he and I

2320

01:54:08,730 --> 01:54:06,310

grew up in the same town beast' Easter

2321

01:54:11,610 --> 01:54:08,740

in New Hampshire I didn't know that no

2322

01:54:14,000 --> 01:54:11,620

doc he was raised in Easter he went to

2323

01:54:16,320 --> 01:54:14,010

Pinkerton Academy the same high school

2324

01:54:21,300 --> 01:54:16,330

that was a third high school I attended

2325

01:54:24,200 --> 01:54:21,310

and graduated from but he and I were

2326

01:54:27,000 --> 01:54:24,210

graduates of the same high school and

2327

01:54:29,760 --> 01:54:27,010
