

1
00:00:04,550 --> 00:00:02,780
and it hits me oh my gosh this is that

2
00:00:05,780 --> 00:00:04,560
triangle you know there's explanation

3
00:00:07,700 --> 00:00:05,790
for everything that occurred in the

4
00:00:10,220 --> 00:00:07,710
rendlesham forest incident that doesn't

5
00:00:13,580 --> 00:00:10,230
involve aliens at all it was completely

6
00:00:16,430 --> 00:00:13,590
silent it comes right over our head it's

7
00:00:18,080 --> 00:00:16,440
so a classic flying-saucer really

8
00:00:20,000 --> 00:00:18,090
standing in the clearing he turned over

9
00:00:25,060 --> 00:00:20,010
to my father held his hand and he looked

10
00:00:31,099 --> 00:00:28,490
welcome to Podcast UFO for our live show

11
00:00:33,440 --> 00:00:31,109
we're live every wednesday at eight pm

12
00:00:35,959 --> 00:00:33,450
eastern standard time on the Dark Matter

13
00:00:39,619 --> 00:00:35,969

radio network please remember to visit

14

00:00:42,830 --> 00:00:39,629

the website podcast UFO calm for past

15

00:00:44,810 --> 00:00:42,840

episodes blogs and forums during the

16

00:00:47,299 --> 00:00:44,820

show feel free to participate live in

17

00:00:49,430 --> 00:00:47,309

our chat room and don't forget to Like

18

00:00:52,819 --> 00:00:49,440

us on our very active Facebook page

19

00:00:56,000 --> 00:00:52,829

hello and welcome to the show this is

20

00:00:58,250 --> 00:00:56,010

Martin will assure house and we're

21

00:00:59,779 --> 00:00:58,260

coming out to you live hang on just one

22

00:01:04,130 --> 00:00:59,789

minute we're having just a little bit

23

00:01:06,710 --> 00:01:04,140

bit issue here going to alejandro is

24

00:01:08,270 --> 00:01:06,720

just not connecting with him and he is

25

00:01:12,109 --> 00:01:08,280

online so there's something really weird

26

00:01:15,380 --> 00:01:12,119

going on and we will try to see if he

27

00:01:19,999 --> 00:01:15,390

can connect to us first of all I have

28

00:01:21,530 --> 00:01:20,009

some tragic news for for the show here

29

00:01:24,289 --> 00:01:21,540

for us out there listeners and

30

00:01:25,370 --> 00:01:24,299

everything and that is I and I don't

31

00:01:26,749 --> 00:01:25,380

want anyone to say anything about

32

00:01:28,730 --> 00:01:26,759

yesterday was my birthday I don't like

33

00:01:30,530 --> 00:01:28,740

birthdays so don't say happy birthday or

34

00:01:34,039 --> 00:01:30,540

anything like that police but anyway I

35

00:01:36,640 --> 00:01:34,049

also shared my birthday with Andy

36

00:01:40,039 --> 00:01:36,650

Fleming who you know from episodes of

37

00:01:42,130 --> 00:01:40,049

astronomy that he used to be on our show

38

00:01:44,810 --> 00:01:42,140

he has done a lot of blogs he was a

39

00:01:47,749 --> 00:01:44,820

amateur astronomer that saw a black

40

00:01:52,010 --> 00:01:47,759

triangle fly over him that Andy the

41

00:01:53,389 --> 00:01:52,020

great Andy he passed away I tried to

42

00:01:55,249 --> 00:01:53,399

reach out to him yesterday because we

43

00:01:56,990 --> 00:01:55,259

shared that birthday he has the same

44

00:01:59,840 --> 00:01:57,000

birthday as myself I would like to

45

00:02:02,389 --> 00:01:59,850

dedicate this show alejandra you there I

46

00:02:08,180 --> 00:02:02,399

am here oh my goodness were good to go

47

00:02:12,080 --> 00:02:08,190

finally so uh Andy Fleming the gentleman

48

00:02:13,730 --> 00:02:12,090

that does astronomy clips for us passed

49

00:02:16,100 --> 00:02:13,740

away Alejandro and I

50

00:02:18,170 --> 00:02:16,110

just telling the audience that no yeah

51
00:02:20,770 --> 00:02:18,180
is very very sad he was such an upbeat

52
00:02:24,800 --> 00:02:20,780
guy the last time he did a clip for us

53
00:02:26,600 --> 00:02:24,810
he was recording on his pool table with

54
00:02:30,230 --> 00:02:26,610
the blanket over him so he wouldn't get

55
00:02:33,590 --> 00:02:30,240
any echo and funny guy a real family guy

56
00:02:36,080 --> 00:02:33,600
and loved his dogs as well so Andy

57
00:02:38,810 --> 00:02:36,090
you'll be very missed and we are

58
00:02:40,940 --> 00:02:38,820
dedicating this show to Andy and also

59
00:02:44,810 --> 00:02:40,950
with that that everybody gets to listen

60
00:02:47,420 --> 00:02:44,820
to the whole full two hour show without

61
00:02:49,310 --> 00:02:47,430
paying note you know supporters and all

62
00:02:52,580 --> 00:02:49,320
everybody gets to listen to this show

63
00:02:56,840 --> 00:02:52,590

tonight and our guest tonight I met

64

00:02:58,610 --> 00:02:56,850

Israel curiel in North Carolina two

65

00:03:01,070 --> 00:02:58,620

years ago I think it was yes two years

66

00:03:02,780 --> 00:03:01,080

ago and it was kind of funny when he

67

00:03:05,780 --> 00:03:02,790

walked in the room and everybody knew

68

00:03:07,970 --> 00:03:05,790

him a real nice guy and I'm really

69

00:03:11,360 --> 00:03:07,980

looking forward to talking him tonight

70

00:03:15,140 --> 00:03:11,370

but let's move forward Alejandro and

71

00:03:21,410 --> 00:03:15,150

what do we have for news this week we

72

00:03:23,930 --> 00:03:21,420

got well June was a record month for

73

00:03:26,690 --> 00:03:23,940

sightings from MUFON which is kind of

74

00:03:28,100 --> 00:03:26,700

strange in fact I was hoping to get you

75

00:03:30,740 --> 00:03:28,110

this information before you talk to

76

00:03:33,290 --> 00:03:30,750

Peter Davenport to see if something

77

00:03:36,620 --> 00:03:33,300

simple similar happened with him but

78

00:03:39,230 --> 00:03:36,630

this is kind of cool so really this year

79

00:03:41,750 --> 00:03:39,240

has not been that much higher than last

80

00:03:43,970 --> 00:03:41,760

year in fact I made a graph and really

81

00:03:46,190 --> 00:03:43,980

only maze been higher than last year

82

00:03:49,870 --> 00:03:46,200

when it comes to MUFON as far as

83

00:03:52,760 --> 00:03:49,880

sighting reports however June just

84

00:03:55,610 --> 00:03:52,770

skyrocketed which is really strange

85

00:03:59,600 --> 00:03:55,620

typically MUFON gets about 400 to 700

86

00:04:04,550 --> 00:03:59,610

reports last year they had about seven

87

00:04:06,980 --> 00:04:04,560

thousand reports but this June they had

88

00:04:13,670 --> 00:04:06,990

something like over 1100 sighting

89

00:04:17,599 --> 00:04:13,680

reports Wow amazing so yeah so I could

90

00:04:19,340 --> 00:04:17,609

yeah what's going on yeah the aliens are

91

00:04:22,130 --> 00:04:19,350

freaking out there all over the place

92

00:04:24,020 --> 00:04:22,140

this is getting crazy they're climbing

93

00:04:26,690 --> 00:04:24,030

around that that well actually that's

94

00:04:27,290 --> 00:04:26,700

what I asked Jen hars and the director

95

00:04:29,570 --> 00:04:27,300

of move on

96

00:04:31,249 --> 00:04:29,580

and Roger marsh and Roger Marsh got back

97

00:04:34,279 --> 00:04:31,259

to me and of course I talked to Roger

98

00:04:38,570 --> 00:04:34,289

Marsh on a daily basis because he writes

99

00:04:40,490 --> 00:04:38,580

for open mind about MUFON UFO cases and

100

00:04:43,430 --> 00:04:40,500

he said he was pretty certain he knew

101
00:04:46,939 --> 00:04:43,440
what it was and he said that was most

102
00:04:50,119 --> 00:04:46,949
likely due to hangar 1 the second season

103
00:04:53,540 --> 00:04:50,129
of hangar 1 ended in June they had two

104
00:04:55,850 --> 00:04:53,550
episodes in June although it's been

105
00:04:58,700 --> 00:04:55,860
going for the last few months so I'm a

106
00:05:04,360 --> 00:04:58,710
little surprised that you know it's only

107
00:05:06,469 --> 00:05:04,370
June that had such a huge increased but

108
00:05:08,240 --> 00:05:06,479
that's what they think it was they think

109
00:05:10,430 --> 00:05:08,250
the last two episodes in particular

110
00:05:13,010 --> 00:05:10,440
focused on sightings from MUFON files

111
00:05:14,749 --> 00:05:13,020
that they think were really cool and I

112
00:05:16,550 --> 00:05:14,759
think that inspired a lot of people to

113
00:05:18,680 --> 00:05:16,560

call in he has a little bit of evidence

114

00:05:21,170 --> 00:05:18,690

of this well when I ran the numbers i

115

00:05:24,800 --> 00:05:21,180

also ran it and i think this kind of

116

00:05:26,749 --> 00:05:24,810

place for his his theory as well I ran

117

00:05:28,339 --> 00:05:26,759

it against the state so I took all of

118

00:05:31,370 --> 00:05:28,349

the different states to look at the

119

00:05:34,219 --> 00:05:31,380

sighting reports they've had to date and

120

00:05:36,800 --> 00:05:34,229

to see if one state had more than the

121

00:05:39,019 --> 00:05:36,810

rest and it was all kind of relative so

122

00:05:42,290 --> 00:05:39,029

they all had slight increases really no

123

00:05:47,029 --> 00:05:42,300

one state had the most you know big

124

00:05:49,219 --> 00:05:47,039

spike and also he took a look at the

125

00:05:52,850 --> 00:05:49,229

files and he found that the files were

126

00:05:55,550 --> 00:05:52,860

mostly anecdotal or I mean historical

127

00:05:57,890 --> 00:05:55,560

sightings which makes sense so a lot of

128

00:06:00,379 --> 00:05:57,900

people sitting around watching TV and

129

00:06:02,390 --> 00:06:00,389

they see the show and they're like hey

130

00:06:05,180 --> 00:06:02,400

you know I had a sighting a few years

131

00:06:07,580 --> 00:06:05,190

ago a few months ago or even a few weeks

132

00:06:09,950 --> 00:06:07,590

ago I had a call MUFON and tell them

133

00:06:12,260 --> 00:06:09,960

about it and so they went online and I

134

00:06:14,659 --> 00:06:12,270

reported him so these are stories that

135

00:06:17,480 --> 00:06:14,669

go you know all the way back to the 60s

136

00:06:21,709 --> 00:06:17,490

up to present day so pretty interesting

137

00:06:23,420 --> 00:06:21,719

Wow now up what Peter did mention last

138

00:06:26,510 --> 00:06:23,430

week was and I was kind of shocked to

139

00:06:29,899 --> 00:06:26,520

hear this and he thinks that it's one

140

00:06:32,839 --> 00:06:29,909

out of twenty thousand sightings get

141

00:06:34,070 --> 00:06:32,849

reported and you know I mean here's a

142

00:06:38,269 --> 00:06:34,080

guy that's been working with these

143

00:06:40,670 --> 00:06:38,279

numbers for 21 years I think it is so

144

00:06:41,150 --> 00:06:40,680

you know he's really got a handle on

145

00:06:45,020 --> 00:06:41,160

what's going

146

00:06:48,650 --> 00:06:45,030

on and now i'm not sure if that he meant

147

00:06:49,940 --> 00:06:48,660

by that what gets to the completion of a

148

00:06:53,270 --> 00:06:49,950

written report because that was the

149

00:06:55,040 --> 00:06:53,280

issue many people who call in but most

150

00:06:57,560 --> 00:06:55,050

people did not want to go through the

151

00:07:00,080 --> 00:06:57,570

effort of writing a report about it and

152

00:07:02,690 --> 00:07:00,090

were many many bear he said it would

153

00:07:05,840 --> 00:07:02,700

take a whole show to tell all the

154

00:07:07,310 --> 00:07:05,850

excuses out of yours yeah right and I

155

00:07:09,080 --> 00:07:07,320

hear them a lot to of what's funny is

156

00:07:10,820 --> 00:07:09,090

even when you go to MUFON meetings and

157

00:07:13,460 --> 00:07:10,830

someone said I saw something well did

158

00:07:16,190 --> 00:07:13,470

you go to the site and report it nah you

159

00:07:17,720 --> 00:07:16,200

know and and you hear that a lot so one

160

00:07:20,030 --> 00:07:17,730

out of twenty thousand I think that's

161

00:07:23,270 --> 00:07:20,040

kind of a shot in the dark but I think

162

00:07:26,330 --> 00:07:23,280

that it is a large number so it may be

163

00:07:29,240 --> 00:07:26,340

very near what he's saying but I think

164

00:07:33,440 --> 00:07:29,250

he's writing that a small a very small

165

00:07:35,570 --> 00:07:33,450

fraction of reports are are listed

166

00:07:38,450 --> 00:07:35,580

because really who knows that you can

167

00:07:41,930 --> 00:07:38,460

report them or who would report them to

168

00:07:44,090 --> 00:07:41,940

a lot of people call local news station

169

00:07:45,950 --> 00:07:44,100

and that the local station may take a

170

00:07:48,980 --> 00:07:45,960

note of it may do something with it may

171

00:07:50,810 --> 00:07:48,990

not luckily some news stations are

172

00:07:54,650 --> 00:07:50,820

familiar with their local move fonts and

173

00:07:57,080 --> 00:07:54,660

we'll bill send them to their local

174

00:07:59,990 --> 00:07:57,090

MUFON group but I agree that the vast

175

00:08:01,820 --> 00:08:00,000

majority of reports are not reported and

176
00:08:05,000 --> 00:08:01,830
what's exciting about that is you know a

177
00:08:07,310 --> 00:08:05,010
fraction of these that are investigated

178
00:08:09,800 --> 00:08:07,320
they can't determine what they are and

179
00:08:12,290 --> 00:08:09,810
these are reported by very very credible

180
00:08:15,110 --> 00:08:12,300
people so I think it is really

181
00:08:17,300 --> 00:08:15,120
mysterious which kind of cool to is my

182
00:08:20,030 --> 00:08:17,310
story really got picked up by UK

183
00:08:21,830 --> 00:08:20,040
newspapers I haven't seen one u.s.

184
00:08:24,710 --> 00:08:21,840
newspaper that's written about it

185
00:08:26,720 --> 00:08:24,720
actually but several of the big UK

186
00:08:28,820 --> 00:08:26,730
newspapers out there picked up the story

187
00:08:31,310 --> 00:08:28,830
yep just some because I get a little

188
00:08:33,800 --> 00:08:31,320

discombobulated in the beginning of the

189

00:08:35,839 --> 00:08:33,810

show I just want to say that this show

190

00:08:37,670 --> 00:08:35,849

is live one hundred percent live and if

191

00:08:39,830 --> 00:08:37,680

you'd like to jump in the chat room now

192

00:08:43,190 --> 00:08:39,840

if you're listening live go to podcast

193

00:08:47,060 --> 00:08:43,200

UFO calm it's right on the homepage real

194

00:08:50,270 --> 00:08:47,070

easy sign in and so what else has going

195

00:08:52,500 --> 00:08:50,280

on this week oh well some of these

196

00:08:55,740 --> 00:08:52,510

stories actually I would

197

00:08:58,280 --> 00:08:55,750

in Roswell so I was pretty busy for the

198

00:09:01,950 --> 00:08:58,290

last few days I just got back yesterday

199

00:09:04,380 --> 00:09:01,960

night so I've been swamped of course but

200

00:09:05,880 --> 00:09:04,390

I was gone friday through monday so i

201
00:09:07,440 --> 00:09:05,890
haven't done a lot of writing other than

202
00:09:09,840 --> 00:09:07,450
actually this story about these

203
00:09:11,760 --> 00:09:09,850
sightings and in june was my last story

204
00:09:13,800 --> 00:09:11,770
but Rogers written a lot of stories and

205
00:09:15,990 --> 00:09:13,810
he's written about some of those

206
00:09:18,540 --> 00:09:16,000
historical sightings that have been

207
00:09:20,790 --> 00:09:18,550
reported them to them lately for

208
00:09:23,880 --> 00:09:20,800
instance this one's really interesting

209
00:09:25,770 --> 00:09:23,890
and this one happened in 1994 and a

210
00:09:29,340 --> 00:09:25,780
gentleman said that he was working at

211
00:09:32,400 --> 00:09:29,350
the newport chemical depot when in

212
00:09:36,060 --> 00:09:32,410
indiana when he had a really strange

213
00:09:37,590 --> 00:09:36,070

sighting he said he noticed dim light in

214

00:09:40,890 --> 00:09:37,600

the distance it seemed to be above the

215

00:09:42,750 --> 00:09:40,900

ground level and about tree line so they

216

00:09:45,690 --> 00:09:42,760

stayed in their vehicle and they watched

217

00:09:49,440 --> 00:09:45,700

this thing he said it was really dark

218

00:09:52,020 --> 00:09:49,450

out and that the craft got larger it

219

00:09:54,870 --> 00:09:52,030

seemingly I guess getting closer and it

220

00:09:57,390 --> 00:09:54,880

appeared to be like a glowing globe with

221

00:10:01,470 --> 00:09:57,400

other globes of lights on the corner in

222

00:10:03,660 --> 00:10:01,480

fact he drew a drawing that we just

223

00:10:05,850 --> 00:10:03,670

posted today that Roger just got ahold

224

00:10:07,680 --> 00:10:05,860

of we kind of did an update with some

225

00:10:10,050 --> 00:10:07,690

more information about this really cool

226
00:10:12,000 --> 00:10:10,060
sighting so people will have to take a

227
00:10:13,710 --> 00:10:12,010
look at that another one of the

228
00:10:17,450 --> 00:10:13,720
sightings that he wrote about was one in

229
00:10:20,940 --> 00:10:17,460
Alabama now this person recalls this in

230
00:10:25,260 --> 00:10:20,950
1966 but pretty shocking I mean this

231
00:10:27,590 --> 00:10:25,270
person said that he had just moved to

232
00:10:32,070 --> 00:10:27,600
Huntsville Alabama so it was sometime in

233
00:10:34,230 --> 00:10:32,080
1966 or 1967 and they noticed what

234
00:10:37,200 --> 00:10:34,240
seemed to be steam escaping from a

235
00:10:40,410 --> 00:10:37,210
rocket testing tower located on a

236
00:10:42,180 --> 00:10:40,420
redstone arsenal and there's a lot

237
00:10:44,040 --> 00:10:42,190
online about this tower because it's

238
00:10:46,860 --> 00:10:44,050

been used for testing rockets and things

239

00:10:48,090 --> 00:10:46,870

like that he got his binoculars and took

240

00:10:50,370 --> 00:10:48,100

a look because it looked like there's

241

00:10:53,910 --> 00:10:50,380

this big disk there he said it looked

242

00:10:57,780 --> 00:10:53,920

like a disk that was about that was at a

243

00:11:00,420 --> 00:10:57,790

45 degree angle and about one-half to

244

00:11:02,340 --> 00:11:00,430

two-thirds the size of the tower which

245

00:11:04,680 --> 00:11:02,350

is incredible because this leading looks

246

00:11:05,940 --> 00:11:04,690

like it's at least you know 50 feet tall

247

00:11:09,060 --> 00:11:05,950

or something I don't know

248

00:11:11,130 --> 00:11:09,070

it's a huge rocket tower he said when he

249

00:11:13,980 --> 00:11:11,140

did get his binoculars to look at it

250

00:11:15,540 --> 00:11:13,990

that the object was gone so a really

251

00:11:18,570 --> 00:11:15,550

weird siding and when you see the

252

00:11:20,160 --> 00:11:18,580

pictures of the tower to think that this

253

00:11:23,010 --> 00:11:20,170

thing was half the size of the tower

254

00:11:26,160 --> 00:11:23,020

must have been humongous so some neat

255

00:11:29,100 --> 00:11:26,170

sightings that have come from this spike

256

00:11:32,130 --> 00:11:29,110

in June reports that presumably comes

257

00:11:36,330 --> 00:11:32,140

from the hanger1 television show well if

258

00:11:39,360 --> 00:11:36,340

you know I mean whatever can get out

259

00:11:41,880 --> 00:11:39,370

there to you know give people an idea

260

00:11:43,950 --> 00:11:41,890

how to report something I think is a

261

00:11:46,920 --> 00:11:43,960

great thing and I think that you know

262

00:11:50,070 --> 00:11:46,930

that that will keep even more coming as

263

00:11:52,560 --> 00:11:50,080

we go along now which sighting was it

264

00:11:55,970 --> 00:11:52,570

that look like the big walnut that's in

265

00:12:00,840 --> 00:11:55,980

this story it kind of looks like Jay al

266

00:12:04,860 --> 00:12:00,850

628 1628 incident you know yeah that was

267

00:12:08,000 --> 00:12:04,870

it nineteen ninety-four citing that was

268

00:12:11,640 --> 00:12:08,010

over the newport indiana chemical

269

00:12:14,190 --> 00:12:11,650

facility chemical depot yeah that's

270

00:12:15,780 --> 00:12:14,200

where that sighting ones so yeah the guy

271

00:12:18,720 --> 00:12:15,790

said it was much it looks like the

272

00:12:21,480 --> 00:12:18,730

walnut thing that the Japanese pilot

273

00:12:25,110 --> 00:12:21,490

drew way back when that incident

274

00:12:27,420 --> 00:12:25,120

happened in 1987 I think it was yeah

275

00:12:29,970 --> 00:12:27,430

that's true it does look very similar

276

00:12:35,730 --> 00:12:29,980

and this thing he says was about

277

00:12:38,730 --> 00:12:35,740

probably 300 to 350 feet wide so pretty

278

00:12:40,920 --> 00:12:38,740

huge object according to this witness so

279

00:12:42,870 --> 00:12:40,930

yeah pretty cool citing this one

280

00:12:47,130 --> 00:12:42,880

actually was thoroughly investigated as

281

00:12:50,580 --> 00:12:47,140

well and the field investigator nade Ned

282

00:12:54,420 --> 00:12:50,590

Delaney for Indiana MUFON closed it as

283

00:12:56,460 --> 00:12:54,430

an unknown so that means you know he was

284

00:12:58,680 --> 00:12:56,470

not able to figure out any sort of

285

00:13:02,330 --> 00:12:58,690

man-made or mundane object that that

286

00:13:04,680 --> 00:13:02,340

might have been seen right now you can

287

00:13:07,970 --> 00:13:04,690

check out all these stories in the show

288

00:13:10,740 --> 00:13:07,980

notes there's links to open minds dot TV

289

00:13:12,840 --> 00:13:10,750

all the stories are there also I wanted

290

00:13:16,250 --> 00:13:12,850

to tell you that I really enjoy your

291

00:13:18,870 --> 00:13:16,260

your open minds UFO report on YouTube oh

292

00:13:19,800 --> 00:13:18,880

well thank you very much yeah looks like

293

00:13:21,570 --> 00:13:19,810

you put a whole

294

00:13:24,150 --> 00:13:21,580

you must put a whole week of work at

295

00:13:25,560 --> 00:13:24,160

least into that well you know we put

296

00:13:27,269 --> 00:13:25,570

most of the work in the stories

297

00:13:30,510 --> 00:13:27,279

themselves that were writing on a daily

298

00:13:33,210 --> 00:13:30,520

basis so then we pull from those and cut

299

00:13:36,060 --> 00:13:33,220

those we do but it does take a week to

300

00:13:38,940 --> 00:13:36,070

produce because we usually will film

301
00:13:42,660 --> 00:13:38,950
those on a tuesday and then Michael our

302
00:13:44,370 --> 00:13:42,670
video editor he's he will then take the

303
00:13:46,050 --> 00:13:44,380
rest of the week to edit that usually

304
00:13:47,760 --> 00:13:46,060
gets it done on thursday and we get it

305
00:13:51,000 --> 00:13:47,770
ready and then posted on friday morning

306
00:13:53,190 --> 00:13:51,010
so yeah it's a week's work worth of work

307
00:13:55,890 --> 00:13:53,200
for him and michael klein you know I

308
00:13:57,750 --> 00:13:55,900
think he's extremely talented he does

309
00:13:59,730 --> 00:13:57,760
all of that video work all of those

310
00:14:01,980 --> 00:13:59,740
graphics and everything all on his own

311
00:14:03,510 --> 00:14:01,990
so pretty cool stuff well I was talking

312
00:14:05,460 --> 00:14:03,520
earlier about North Carolina is he the

313
00:14:07,950 --> 00:14:05,470

gent that I met down there when was he

314

00:14:09,840 --> 00:14:07,960

has he been with the no well he's

315

00:14:11,820 --> 00:14:09,850

someone that was yeah that was a guy

316

00:14:13,560 --> 00:14:11,830

named Tom Ruffin who used to work for

317

00:14:15,870 --> 00:14:13,570

entertainment tonight he actually went

318

00:14:17,910 --> 00:14:15,880

to go work for a local television show I

319

00:14:20,160 --> 00:14:17,920

had to show that actually that it's

320

00:14:22,470 --> 00:14:20,170

called the list I think and it's

321

00:14:26,760 --> 00:14:22,480

indicated all over the country but it's

322

00:14:29,700 --> 00:14:26,770

shot here in the in the area but Michael

323

00:14:31,320 --> 00:14:29,710

was kind of working as helping him out

324

00:14:33,690 --> 00:14:31,330

for a while and then came on full-time

325

00:14:36,360 --> 00:14:33,700

and michael has taken on the workload

326

00:14:38,640 --> 00:14:36,370

himself but he's continued to do a great

327

00:14:42,660 --> 00:14:38,650

job but yeah North Carolina was a

328

00:14:44,370 --> 00:14:42,670

different fella Tom Ruffin and you might

329

00:14:46,740 --> 00:14:44,380

have met Michael at the conference but

330

00:14:48,930 --> 00:14:46,750

he's always backstage so he's always

331

00:14:50,970 --> 00:14:48,940

back there you know pulling the levers

332

00:14:52,620 --> 00:14:50,980

and pushing the buttons and help make

333

00:14:55,050 --> 00:14:52,630

everything work just like The Wizard of

334

00:14:56,520 --> 00:14:55,060

Oz hey just the woods adobo we have a

335

00:14:59,760 --> 00:14:56,530

question for you alejandro up on the

336

00:15:03,360 --> 00:14:59,770

message ok and do you have anything new

337

00:15:06,930 --> 00:15:03,370

from Don Schmidt at Roswell that did

338

00:15:10,410 --> 00:15:06,940

I've had a few people ask me that and no

339

00:15:12,390 --> 00:15:10,420

I do not have anything new actually I I

340

00:15:18,240 --> 00:15:12,400

didn't have the nerve just to go up and

341

00:15:22,860 --> 00:15:18,250

ask I I know that both of them Tom carry

342

00:15:26,699 --> 00:15:22,870

and on Schmidt are a bit there they're

343

00:15:29,160 --> 00:15:26,709

not real happy everything's god damn not

344

00:15:31,110 --> 00:15:29,170

that luckily you know we're able to say

345

00:15:33,360 --> 00:15:31,120

hi give hugs because Don and I

346

00:15:33,689 --> 00:15:33,370

especially you know our good friends

347

00:15:35,970 --> 00:15:33,699

known

348

00:15:39,869 --> 00:15:35,980

for a while even through all of this

349

00:15:42,119 --> 00:15:39,879

this rough stuff but yeah as far as I

350

00:15:45,269 --> 00:15:42,129

know no one asked them for a status of

351

00:15:48,749 --> 00:15:45,279

their opinions I did sit into part of a

352

00:15:50,639 --> 00:15:48,759

panel but I had to run and it was mostly

353

00:15:53,609 --> 00:15:50,649

you know they were just starting to get

354

00:15:55,859 --> 00:15:53,619

into just the very my new the minutiae

355

00:15:57,449 --> 00:15:55,869

coming in about Roswell and the basics

356

00:15:58,979 --> 00:15:57,459

because a lot of people that go out

357

00:16:00,419 --> 00:15:58,989

there you know they don't know much

358

00:16:02,849 --> 00:16:00,429

about you followed you or anything

359

00:16:05,280 --> 00:16:02,859

they're just kind of people from all

360

00:16:09,479 --> 00:16:05,290

over the world coming out to check out

361

00:16:11,669 --> 00:16:09,489

the festival and everything so I i did

362

00:16:13,889 --> 00:16:11,679

not i have not heard that they referred

363

00:16:15,840 --> 00:16:13,899

to it at all and unfortunately we were

364

00:16:19,109 --> 00:16:15,850

both so busy that i never got a chance

365

00:16:21,419 --> 00:16:19,119

to sit down with them and of course i

366

00:16:22,889 --> 00:16:21,429

was planning to ask so was my girlfriend

367

00:16:25,259 --> 00:16:22,899

she was really curious she's also

368

00:16:27,119 --> 00:16:25,269

friends with Don and she wanted to too

369

00:16:28,769 --> 00:16:27,129

she said as soon as she got a chance she

370

00:16:32,249 --> 00:16:28,779

wanted to ask but we never got the

371

00:16:35,879 --> 00:16:32,259

chance it was just too busy and we had

372

00:16:37,710 --> 00:16:35,889

to run but I went vine crazy people

373

00:16:39,210 --> 00:16:37,720

should check out my facebook because if

374

00:16:41,699 --> 00:16:39,220

you know what vine there those six

375

00:16:43,829 --> 00:16:41,709

minutes six second videos yeah so I got

376

00:16:46,259 --> 00:16:43,839

a lot of really cool videos from Roswell

377

00:16:48,779 --> 00:16:46,269

including Darryl ship Sims doing a

378

00:16:50,999 --> 00:16:48,789

yeehaw on top of a Segway which is a

379

00:16:53,669 --> 00:16:51,009

pretty funny one but lots of cool stuff

380

00:16:56,159 --> 00:16:53,679

there all right well hey thanks so much

381

00:16:58,559 --> 00:16:56,169

and yeah thank you alright and we'll

382

00:17:00,479 --> 00:16:58,569

catch you next week alejandro talk to

383

00:17:02,909 --> 00:17:00,489

you next week's they had Israel for me I

384

00:17:05,009 --> 00:17:02,919

sure will ok hang in there everyone and

385

00:17:08,069 --> 00:17:05,019

just a reminder Art Bell will be coming

386

00:17:11,309 --> 00:17:08,079

back on this station just in about two

387

00:17:13,019 --> 00:17:11,319

weeks I believe it's a July twentieth so

388

00:17:15,090 --> 00:17:13,029

get ready for that that should be fun

389

00:17:17,250 --> 00:17:15,100

hanging just one second right after the

390

00:17:42,440 --> 00:17:17,260

quick little music clip and we'll be

391

00:17:48,510 --> 00:17:46,020

Israel curiel how are you good how are

392

00:17:51,360 --> 00:17:48,520

you Martin great great great to have you

393

00:17:53,580 --> 00:17:51,370

back on up you know I had forgotten that

394

00:17:57,810 --> 00:17:53,590

you were actually on the show for like

395

00:17:59,460 --> 00:17:57,820

five minutes waving us two years oh just

396

00:18:01,740 --> 00:17:59,470

a little brief hello and i was

397

00:18:03,300 --> 00:18:01,750

interviewing a bunch of people and all

398

00:18:04,950 --> 00:18:03,310

of a sudden something dawned on me the

399

00:18:07,560 --> 00:18:04,960

other day and i took a look and ago my

400

00:18:09,180 --> 00:18:07,570

God he's been on now you're also you've

401
00:18:11,280 --> 00:18:09,190
also listened to a lot of the shows and

402
00:18:15,900 --> 00:18:11,290
I really appreciate your you're doing

403
00:18:18,930 --> 00:18:15,910
that yeah you know I I truly value what

404
00:18:20,850 --> 00:18:18,940
you're doing um I just think that we

405
00:18:25,740 --> 00:18:20,860
need to reach more of the general

406
00:18:29,430 --> 00:18:25,750
general populace and the more avenues

407
00:18:33,240 --> 00:18:29,440
they have for learning about ufology the

408
00:18:36,390 --> 00:18:33,250
further we can get in just bringing this

409
00:18:38,970 --> 00:18:36,400
to the general understand to Jim general

410
00:18:40,500 --> 00:18:38,980
populace understanding sure you know it

411
00:18:43,590 --> 00:18:40,510
kind of goes along with what Alejandro

412
00:18:45,570 --> 00:18:43,600
was just talking about with hangar 1 you

413
00:18:47,490 --> 00:18:45,580

know I mean you hear little you know

414

00:18:51,360 --> 00:18:47,500

mixed reviews about the show but still

415

00:18:54,840 --> 00:18:51,370

you know when it when it it creates you

416

00:18:57,750 --> 00:18:54,850

know awareness for people that otherwise

417

00:18:59,880 --> 00:18:57,760

may not think twice about it or you know

418

00:19:02,010 --> 00:18:59,890

a good point he said is a lot of people

419

00:19:04,830 --> 00:19:02,020

including myself years ago had no clue

420

00:19:07,680 --> 00:19:04,840

about how to report something so oh it's

421

00:19:11,130 --> 00:19:07,690

all good no absolutely absolutely even

422

00:19:14,190 --> 00:19:11,140

today I want to go into the conversation

423

00:19:16,290 --> 00:19:14,200

a little bit more but because of hangar

424

00:19:18,350 --> 00:19:16,300

1 we are getting historical cases and

425

00:19:23,100 --> 00:19:18,360

typically in North Carolina gets about

426

00:19:26,280 --> 00:19:23,110

16 to 17 cases a month last June in June

427

00:19:29,610 --> 00:19:26,290

we had 30 and this month we are already

428

00:19:31,950 --> 00:19:29,620

at least one case a day so well ahead of

429

00:19:34,860 --> 00:19:31,960

our average and I do I believe a lot of

430

00:19:37,590 --> 00:19:34,870

it had to do with the hanger1 show

431

00:19:39,120 --> 00:19:37,600

out well you mentioned earlier that you

432

00:19:41,520 --> 00:19:39,130

got the word out that you're going to be

433

00:19:44,820 --> 00:19:41,530

on the show tonight and it looks like we

434

00:19:47,070 --> 00:19:44,830

have a lot of listeners in the in on the

435

00:19:50,670 --> 00:19:47,080

radio network listening so good job

436

00:19:52,500 --> 00:19:50,680

Thanks yeah is there a way that you see

437

00:19:56,160 --> 00:19:52,510

that how my god the I'll reduce our just

438

00:19:57,960 --> 00:19:56,170

shot it over to me but I also want to

439

00:20:00,030 --> 00:19:57,970

say that if someone is listening live

440

00:20:03,570 --> 00:20:00,040

you are welcome to jump in the chat room

441

00:20:07,919 --> 00:20:03,580

and you're welcome to jump in the chat

442

00:20:09,660 --> 00:20:07,929

room at podcast UFO calm and ask Israel

443

00:20:13,260 --> 00:20:09,670

a question also we're going to take

444

00:20:14,940 --> 00:20:13,270

calls and write this number down if you

445

00:20:17,400 --> 00:20:14,950

would if you'd like to call in and ask a

446

00:20:18,900 --> 00:20:17,410

question also if you wanted to say

447

00:20:21,030 --> 00:20:18,910

something about Andy you're welcome to

448

00:20:27,930 --> 00:20:21,040

Andy Fleming you're welcome to do that

449

00:20:32,700 --> 00:20:27,940

as well and that number is 603 967 4030

450

00:20:35,900 --> 00:20:32,710

that 6039 6740 30 you're welcome to call

451
00:20:39,480 --> 00:20:35,910
in hour one hour to doesn't matter and

452
00:20:42,090 --> 00:20:39,490
so first of all before we get into your

453
00:20:43,650 --> 00:20:42,100
whole background and everything why when

454
00:20:46,410 --> 00:20:43,660
you walked into the room down in North

455
00:20:49,200 --> 00:20:46,420
Carolina did everyone get so excited and

456
00:20:53,880 --> 00:20:49,210
run up to you I don't know about

457
00:20:56,430 --> 00:20:53,890
everybody got excited but because I have

458
00:20:58,080 --> 00:20:56,440
been a MUFON investigator and the public

459
00:21:00,690 --> 00:20:58,090
relations director for move on pretty

460
00:21:03,330 --> 00:21:00,700
much from the start of my involvement

461
00:21:08,549 --> 00:21:03,340
women fun and I became an investigator

462
00:21:11,540 --> 00:21:08,559
in May of 2011 along with lokita at the

463
00:21:14,460 --> 00:21:11,550

time we had gone through a little bit of

464

00:21:16,770 --> 00:21:14,470

let's say organization changes in North

465

00:21:20,270 --> 00:21:16,780

Carolina and Steven white had come over

466

00:21:24,720 --> 00:21:20,280

from Tennessee to help us restart our

467

00:21:28,260 --> 00:21:24,730

chapter here so I've got a background in

468

00:21:32,460 --> 00:21:28,270

technology and Stephen had asked me to

469

00:21:35,150 --> 00:21:32,470

try to set up a website and try to give

470

00:21:39,270 --> 00:21:35,160

people a way to connect to move on and

471

00:21:42,110 --> 00:21:39,280

since then we try to hold a meeting

472

00:21:44,669 --> 00:21:42,120

every two months to at least every three

473

00:21:46,710 --> 00:21:44,679

months three or four months in North

474

00:21:48,690 --> 00:21:46,720

Carolina at this point you know I keep

475

00:21:51,630 --> 00:21:48,700

track of all our stuff on a website

476
00:21:54,420 --> 00:21:51,640
and we've had over 20 events throughout

477
00:21:57,660 --> 00:21:54,430
different cities in North Carolina and

478
00:22:00,810 --> 00:21:57,670
we typically get in tendance of 40 to 60

479
00:22:02,760 --> 00:22:00,820
people and I'm really proud of that fact

480
00:22:05,490 --> 00:22:02,770
because that when I talked to other

481
00:22:07,500 --> 00:22:05,500
state directors they always have it in a

482
00:22:10,320 --> 00:22:07,510
will tend to have it in the same city

483
00:22:13,230 --> 00:22:10,330
and you have a small group of people

484
00:22:16,890 --> 00:22:13,240
that keep going to all events mm-hmm I'm

485
00:22:19,790 --> 00:22:16,900
not sure that that's really the best way

486
00:22:22,590 --> 00:22:19,800
to at least fulfill this position as a

487
00:22:23,790 --> 00:22:22,600
public relations director I want it and

488
00:22:26,580 --> 00:22:23,800

that's a funny thing I mean I've spent

489

00:22:29,130 --> 00:22:26,590

my life working around marketing and IT

490

00:22:30,900 --> 00:22:29,140

and I'm using this website to the full

491

00:22:34,920 --> 00:22:30,910

potential I've got a large email

492

00:22:38,580 --> 00:22:34,930

distribution list and on top of using

493

00:22:41,550 --> 00:22:38,590

the technology we're going to places

494

00:22:43,650 --> 00:22:41,560

where people can you know come and see

495

00:22:45,620 --> 00:22:43,660

us and meet us and talk to us and more

496

00:22:49,800 --> 00:22:45,630

importantly share their stories and

497

00:22:52,380 --> 00:22:49,810

these 20 different meetings that we've

498

00:22:55,500 --> 00:22:52,390

had in North Carolina you cannot imagine

499

00:22:57,810 --> 00:22:55,510

how many stories we've heard lokita and

500

00:23:01,020 --> 00:22:57,820

I have been doing it so since 2011 and

501
00:23:04,670 --> 00:23:01,030
if we have 40 to 60 people show up in

502
00:23:08,550 --> 00:23:04,680
every meeting it's guaranteed that the

503
00:23:12,720 --> 00:23:08,560
two-thirds of the people there have UFO

504
00:23:16,110 --> 00:23:12,730
sightings if not far more involved or

505
00:23:18,120 --> 00:23:16,120
their experiences uh-huh now are these

506
00:23:20,390 --> 00:23:18,130
people that are actually members of

507
00:23:25,230 --> 00:23:20,400
MUFON they must be to get the

508
00:23:28,050 --> 00:23:25,240
notification know now that that's where

509
00:23:31,680 --> 00:23:28,060
my IT background comes in very it

510
00:23:36,660 --> 00:23:31,690
becomes very useful I actually pay and

511
00:23:39,000 --> 00:23:36,670
use Google Adwords so anybody in North

512
00:23:40,740 --> 00:23:39,010
Carolina and I specifically I can go

513
00:23:43,020 --> 00:23:40,750

into Google Adwords and say if you live

514

00:23:46,020 --> 00:23:43,030

in North Carolina I want UFO links to

515

00:23:49,200 --> 00:23:46,030

come to me so I have actually spent my

516

00:23:53,700 --> 00:23:49,210

own personal money to look for keywords

517

00:23:55,110 --> 00:23:53,710

like UFOs or orange orbs and if somebody

518

00:23:57,510 --> 00:23:55,120

in North Carolina is searching for that

519

00:23:59,400 --> 00:23:57,520

they're going to find me so they'll come

520

00:24:02,220 --> 00:23:59,410

to our website and that's how they find

521

00:24:06,840 --> 00:24:02,230

us in North Carolina I believe that

522

00:24:09,600 --> 00:24:06,850

currently have 98 MUFON members and I I

523

00:24:12,180 --> 00:24:09,610

don't know I I think that over the last

524

00:24:17,220 --> 00:24:12,190

what four years now we've met up 1,200

525

00:24:21,299 --> 00:24:17,230

people maybe wow so are you also an

526

00:24:24,240 --> 00:24:21,309

investigator yourself I am uh-huh I am

527

00:24:27,260 --> 00:24:24,250

okay so if you have ninety eight members

528

00:24:30,180 --> 00:24:27,270

how many would you say our investigators

529

00:24:33,030 --> 00:24:30,190

that's the funny thing you know North

530

00:24:36,690 --> 00:24:33,040

Carolina is not the biggest state as far

531

00:24:38,750 --> 00:24:36,700

as populous but we mmm I think we're

532

00:24:41,460 --> 00:24:38,760

somewhere between 16 and 19

533

00:24:45,090 --> 00:24:41,470

investigators I think that's a pretty

534

00:24:48,930 --> 00:24:45,100

big number for you know aside the size

535

00:24:50,640 --> 00:24:48,940

of our state um and right now I just

536

00:24:52,980 --> 00:24:50,650

spoke to lokita this afternoon looking

537

00:24:57,930 --> 00:24:52,990

at being the state director and she's

538

00:25:00,930 --> 00:24:57,940

had a handful of more requests to become

539

00:25:04,350 --> 00:25:00,940

new investigators wow that's great

540

00:25:06,539 --> 00:25:04,360

that's great so let's talk a little bit

541

00:25:09,510 --> 00:25:06,549

about your background it's always an

542

00:25:12,060 --> 00:25:09,520

interesting story how someone gets you

543

00:25:15,659 --> 00:25:12,070

know hooked on this topic and you know

544

00:25:18,299 --> 00:25:15,669

actually goes as far as you have in this

545

00:25:21,450 --> 00:25:18,309

field so what what happened and what

546

00:25:23,130 --> 00:25:21,460

made you interested in this well and

547

00:25:25,830 --> 00:25:23,140

I'll tell you what even before i give

548

00:25:27,539 --> 00:25:25,840

you my origin story i kind of want to

549

00:25:30,870 --> 00:25:27,549

talk about my professional career so

550

00:25:33,390 --> 00:25:30,880

that mmm it kind of plays a part if it

551
00:25:38,010 --> 00:25:33,400
hopefully establish some credibility for

552
00:25:40,289 --> 00:25:38,020
me I've always worked in in big

553
00:25:44,190 --> 00:25:40,299
financial institutions for the big banks

554
00:25:47,030 --> 00:25:44,200
I historically done web application

555
00:25:50,600 --> 00:25:47,040
development I did a lot of programming

556
00:25:53,610 --> 00:25:50,610
most of my career has been around the

557
00:25:55,890 --> 00:25:53,620
marketing of financial products and I

558
00:26:00,289 --> 00:25:55,900
have recently over the last 10 years

559
00:26:02,820 --> 00:26:00,299
moved into a lot of trend to analytics

560
00:26:06,140 --> 00:26:02,830
doing some statistical work with a

561
00:26:11,970 --> 00:26:06,150
product called SAS sit stands for sis

562
00:26:14,210 --> 00:26:11,980
statistical analysis systems so that was

563
00:26:18,890 --> 00:26:14,220

kind of my mmm

564

00:26:22,520 --> 00:26:18,900

impetus to find out more about MUFON

565

00:26:24,500 --> 00:26:22,530

that kind of attracted me to move on so

566

00:26:27,320 --> 00:26:24,510

that that's a little bit of bhama my

567

00:26:30,680 --> 00:26:27,330

professional background how did I even

568

00:26:34,960 --> 00:26:30,690

start at ufology it actually started for

569

00:26:37,700 --> 00:26:34,970

me in 1990 I was still in high school I

570

00:26:39,860 --> 00:26:37,710

had gone to visit a friend of mine and

571

00:26:44,000 --> 00:26:39,870

she said Israel I have to tell you

572

00:26:46,700 --> 00:26:44,010

something and went okay she said that

573

00:26:50,000 --> 00:26:46,710

she had she and her MA she had grown up

574

00:26:51,950 --> 00:26:50,010

on a farm in Kansas and that when she

575

00:26:54,409 --> 00:26:51,960

was about 10 years old her and her

576

00:26:57,940 --> 00:26:54,419

mother had been walking through a field

577

00:27:03,230 --> 00:26:57,950

and while they were out in the field

578

00:27:07,610 --> 00:27:03,240

they were chased by UFOs and her mother

579

00:27:12,649 --> 00:27:07,620

and was so terrified that she took her

580

00:27:15,020 --> 00:27:12,659

in a car left the farm abandon the

581

00:27:18,680 --> 00:27:15,030

husband and left the state huh and they

582

00:27:21,770 --> 00:27:18,690

never went back that can be nyan

583

00:27:24,590 --> 00:27:21,780

sometimes but you know Wow well so I'm

584

00:27:27,260 --> 00:27:24,600

17 at the time and I'm thinking number

585

00:27:29,930 --> 00:27:27,270

one you're crazy and number two you

586

00:27:33,380 --> 00:27:29,940

scared the hell out of me hmm and let me

587

00:27:36,529 --> 00:27:33,390

tell you I never spoke to her again she

588

00:27:41,990 --> 00:27:36,539

had scared me that much Wow and I can't

589

00:27:44,090 --> 00:27:42,000

tell you how guilty I feel now it it

590

00:27:47,419 --> 00:27:44,100

took me it's taken me a long time a long

591

00:27:50,450 --> 00:27:47,429

time to uh mmm I guess fight get the

592

00:27:54,529 --> 00:27:50,460

facts about ufology so that happened in

593

00:27:56,720 --> 00:27:54,539

90 um then around 98 I had found out

594

00:27:59,180 --> 00:27:56,730

that my uncle who's a dentist and also a

595

00:28:02,000 --> 00:27:59,190

professor of dentistry at one of the

596

00:28:06,680 --> 00:28:02,010

largest universities in Mexico him in my

597

00:28:09,049 --> 00:28:06,690

aunt in 91 had a UFO sighting in broad

598

00:28:12,950 --> 00:28:09,059

daylight along with hundreds of other

599

00:28:15,279 --> 00:28:12,960

people on a mexico highway and they said

600

00:28:18,350 --> 00:28:15,289

they saw this this large orbs or a

601
00:28:21,200 --> 00:28:18,360
handful of large orbs in broad daylight

602
00:28:23,090 --> 00:28:21,210
going over the highways i mean in mexico

603
00:28:25,880 --> 00:28:23,100
you're you know you're talking I don't

604
00:28:27,350 --> 00:28:25,890
know 20 million people so there was at

605
00:28:28,100 --> 00:28:27,360
least hundreds of people that were

606
00:28:31,220 --> 00:28:28,110
seeing these

607
00:28:33,140 --> 00:28:31,230
and it took I mean it took my uncle you

608
00:28:36,080 --> 00:28:33,150
know he's a pretty straight-laced gaya

609
00:28:39,680 --> 00:28:36,090
in dentist it took about eight years to

610
00:28:42,410 --> 00:28:39,690
let my aunt admit it to anyone so

611
00:28:46,010 --> 00:28:42,420
needless to say between my that high

612
00:28:48,890 --> 00:28:46,020
school event my aunt and uncle who saw

613
00:28:51,289 --> 00:28:48,900

that and even the summer after that girl

614

00:28:55,070 --> 00:28:51,299

had told me her story I found the book

615

00:28:57,500 --> 00:28:55,080

communion oh yeah and I read communion

616

00:29:01,400 --> 00:28:57,510

when I was in high school and I can tell

617

00:29:04,220 --> 00:29:01,410

you it really scared me I I distinctly

618

00:29:09,110 --> 00:29:04,230

remember thinking this is not possible I

619

00:29:11,690 --> 00:29:09,120

mean this can't be real so anyway um in

620

00:29:14,900 --> 00:29:11,700

98 when we had found out that story my

621

00:29:18,409 --> 00:29:14,910

mom also told me a separate story that I

622

00:29:22,700 --> 00:29:18,419

had grown up in Houston Texas and my mom

623

00:29:28,130 --> 00:29:22,710

had a friend um it at the time in Corpus

624

00:29:29,900 --> 00:29:28,140

Christi she had come to houston and she

625

00:29:32,840 --> 00:29:29,910

was at she had gone and see the movie

626

00:29:36,260 --> 00:29:32,850

Close Encounters of the Third Kind she

627

00:29:38,810 --> 00:29:36,270

came over and her and my mom were close

628

00:29:41,900 --> 00:29:38,820

friends and she was bawling and she was

629

00:29:43,820 --> 00:29:41,910

in hysterics and she said what happened

630

00:29:46,100 --> 00:29:43,830

what happened and she's like well we

631

00:29:48,409 --> 00:29:46,110

were never gonna say anything but me and

632

00:29:51,470 --> 00:29:48,419

my girlfriend's had been driving between

633

00:29:55,070 --> 00:29:51,480

Houston and Corpus Christi and we've

634

00:29:57,980 --> 00:29:55,080

seen those crafts we saw the crafts from

635

00:30:00,260 --> 00:29:57,990

the movie over the highway and we never

636

00:30:05,060 --> 00:30:00,270

told anybody but I went and saw the

637

00:30:08,659 --> 00:30:05,070

movie and that's what we saw so at that

638

00:30:12,289 --> 00:30:08,669

point I'm in my mid 20s and I mean you

639

00:30:14,180 --> 00:30:12,299

know it kind of really shocked me I at

640

00:30:16,520 --> 00:30:14,190

the time I didn't admit to anybody then

641

00:30:18,919 --> 00:30:16,530

I'm into UFOs and aliens I mean I had

642

00:30:21,169 --> 00:30:18,929

been reading about it but it's something

643

00:30:23,180 --> 00:30:21,179

I kind of you know that's something i

644

00:30:27,380 --> 00:30:23,190

did in my spare time I wouldn't admit to

645

00:30:31,280 --> 00:30:27,390

it back then mm-hmm so that was kind of

646

00:30:33,650 --> 00:30:31,290

the impetus for all my interest in the

647

00:30:36,850 --> 00:30:33,660

subject now do you have any problem

648

00:30:40,100 --> 00:30:36,860

admitting that now and in mixed company

649

00:30:41,910 --> 00:30:40,110

no not anymore as a matter of fact uh

650

00:30:44,550 --> 00:30:41,920

some of my coworker

651
00:30:47,490 --> 00:30:44,560
from the bank are should be listening to

652
00:30:50,220 --> 00:30:47,500
the radio show right now I only feel

653
00:30:52,770 --> 00:30:50,230
comfortable explaining it to my cut my

654
00:30:55,560 --> 00:30:52,780
involvement to my co-workers after they

655
00:30:58,170 --> 00:30:55,570
are aware of my technical capabilities

656
00:31:01,500 --> 00:30:58,180
so once they know that I'm very capable

657
00:31:03,300 --> 00:31:01,510
the job I can I perform then I'm willing

658
00:31:05,490 --> 00:31:03,310
to share everything I do with you follow

659
00:31:07,980 --> 00:31:05,500
G like a credibility type of thing is

660
00:31:09,600 --> 00:31:07,990
that's that I have to Dallas yeah I I

661
00:31:11,390 --> 00:31:09,610
feel like I have to establish my

662
00:31:15,180 --> 00:31:11,400
credibility in the professional world

663
00:31:19,500 --> 00:31:15,190

before I expose you to uh I guess the

664

00:31:21,510 --> 00:31:19,510

craziness yeah yeah I you know I I'm in

665

00:31:23,910 --> 00:31:21,520

the fine arts antiques auctions and all

666

00:31:25,260 --> 00:31:23,920

that so I'm very careful when it comes

667

00:31:28,530 --> 00:31:25,270

to that I don't talk about it much

668

00:31:30,840 --> 00:31:28,540

however you know I did have another a

669

00:31:33,120 --> 00:31:30,850

fellow auctioneer call me one night and

670

00:31:36,120 --> 00:31:33,130

say he enjoys listening to my show I

671

00:31:38,340 --> 00:31:36,130

actually had them on the show but and

672

00:31:41,640 --> 00:31:38,350

there's also a couple of people that are

673

00:31:43,590 --> 00:31:41,650

on TV and the antiques world that also

674

00:31:45,030 --> 00:31:43,600

have had sightings and have listened to

675

00:31:46,950 --> 00:31:45,040

the show in the past which i think is

676

00:31:49,500 --> 00:31:46,960

pretty interesting but I understand

677

00:31:51,840 --> 00:31:49,510

exactly what you're saying and luckily

678

00:31:55,830 --> 00:31:51,850

this involved in a start-up right now

679

00:31:57,720 --> 00:31:55,840

and everyone there knows that I'm into

680

00:32:00,150 --> 00:31:57,730

it and you know occasionally some of

681

00:32:02,010 --> 00:32:00,160

them listen so it's good that you can

682

00:32:04,290 --> 00:32:02,020

you know it's kind of like coming out of

683

00:32:10,560 --> 00:32:04,300

the closet about UFOs is kind of what it

684

00:32:13,650 --> 00:32:10,570

is right and for me I have I feel like

685

00:32:17,630 --> 00:32:13,660

I've found my purpose and it really is

686

00:32:20,850 --> 00:32:17,640

to provide people an avenue a way to

687

00:32:24,120 --> 00:32:20,860

talk about this and to learn about this

688

00:32:27,860 --> 00:32:24,130

this field like you and Alejandro we're

689

00:32:30,860 --> 00:32:27,870

just talking about the case is that we

690

00:32:33,420 --> 00:32:30,870

receive are only the tip of the iceberg

691

00:32:35,910 --> 00:32:33,430

point in case one of my starting

692

00:32:39,390 --> 00:32:35,920

questions at every meeting that we go to

693

00:32:44,010 --> 00:32:39,400

I say first of all who here has had a

694

00:32:47,100 --> 00:32:44,020

UFO sighting and almost every meeting I

695

00:32:49,110 --> 00:32:47,110

would say three for three fours to

696

00:32:52,020 --> 00:32:49,120

ninety percent of the room will raise

697

00:32:54,120 --> 00:32:52,030

her hand but then when I say okay out of

698

00:32:55,890 --> 00:32:54,130

these people have had these sightings

699

00:32:59,160 --> 00:32:55,900

who's actually reported

700

00:33:02,760 --> 00:32:59,170

maybe one or two hands go up yes most

701
00:33:04,770 --> 00:33:02,770
people do not report their cases and see

702
00:33:06,720 --> 00:33:04,780
now I just went online and checked how

703
00:33:11,490 --> 00:33:06,730
many cases I have logged in move on and

704
00:33:16,290 --> 00:33:11,500
I have officially investigated 57 cases

705
00:33:19,890 --> 00:33:16,300
i can tell you because of our local

706
00:33:24,290 --> 00:33:19,900
meetings that we've heard of twelve to

707
00:33:26,820 --> 00:33:24,300
fifteen hundred additional sightings

708
00:33:29,730 --> 00:33:26,830
that are not in the mood fun database

709
00:33:31,890 --> 00:33:29,740
and we're always asking people please go

710
00:33:33,810 --> 00:33:31,900
to the main fan site log your your

711
00:33:35,550 --> 00:33:33,820
sightings because that information is

712
00:33:37,980 --> 00:33:35,560
very valuable I mean I've a damn i

713
00:33:40,320 --> 00:33:37,990

living around data i I know the

714

00:33:43,890 --> 00:33:40,330

importance of data and doing trend

715

00:33:45,810 --> 00:33:43,900

analytics I want to see every every

716

00:33:48,300 --> 00:33:45,820

report of these UFO sightings I mean

717

00:33:50,220 --> 00:33:48,310

that's really valuable information we're

718

00:33:52,910 --> 00:33:50,230

kind of missing the boat when these

719

00:33:55,980 --> 00:33:52,920

people are not going to the website and

720

00:33:57,750 --> 00:33:55,990

logging their sightings you know I I

721

00:34:00,780 --> 00:33:57,760

have you know i was just going to get

722

00:34:03,630 --> 00:34:00,790

into how can it be possible to make it

723

00:34:06,690 --> 00:34:03,640

any easier for someone but you know i

724

00:34:08,850 --> 00:34:06,700

never reported my sighting I only when I

725

00:34:11,730 --> 00:34:08,860

started the show you know I realized

726

00:34:15,149 --> 00:34:11,740

that you know there are places to report

727

00:34:17,100 --> 00:34:15,159

but before that I had no idea but I have

728

00:34:19,950 --> 00:34:17,110

heard now I don't you can correct me if

729

00:34:22,020 --> 00:34:19,960

I'm wrong but that you can report a

730

00:34:26,880 --> 00:34:22,030

sighting that happened even years ago is

731

00:34:30,450 --> 00:34:26,890

that is that timely ya know like 100 was

732

00:34:33,930 --> 00:34:30,460

saying the reports that were currently

733

00:34:36,000 --> 00:34:33,940

getting our historical cases the 1i

734

00:34:39,930 --> 00:34:36,010

currently got assigned over the last two

735

00:34:45,149 --> 00:34:39,940

couple days was of a man and his wife

736

00:34:46,290 --> 00:34:45,159

who saw a UFO very very close to me they

737

00:34:50,810 --> 00:34:46,300

they were less than a hundred feet from

738

00:34:55,380 --> 00:34:50,820

them it looked like it it it landed and

739

00:34:58,830 --> 00:34:55,390

it happened in the early 90s I think

740

00:35:00,990 --> 00:34:58,840

that this show hangar 1 has I don't want

741

00:35:02,700 --> 00:35:01,000

to say in bold in them but I think

742

00:35:06,210 --> 00:35:02,710

people are starting to feel more

743

00:35:08,770 --> 00:35:06,220

comfortable sharing their stories your

744

00:35:11,290 --> 00:35:08,780

experiences as they see

745

00:35:15,250 --> 00:35:11,300

the subject to UFOs on you know in our

746

00:35:19,480 --> 00:35:15,260

in the media in news reports in these TV

747

00:35:21,280 --> 00:35:19,490

shows it is extremely popular and I mean

748

00:35:23,830 --> 00:35:21,290

it's in all aspects of our life I can't

749

00:35:27,790 --> 00:35:23,840

tell you how many times will see aliens

750

00:35:30,040 --> 00:35:27,800

in commercials or kids toys or Mars

751
00:35:32,640 --> 00:35:30,050
Needs Moms I mean it's everywhere and I

752
00:35:35,760 --> 00:35:32,650
think that as time progresses more

753
00:35:39,900 --> 00:35:35,770
people are feeling more comfortable

754
00:35:44,650 --> 00:35:39,910
talking about it I I have spoken to

755
00:35:47,170 --> 00:35:44,660
pilots um that have UFO sightings and

756
00:35:48,850 --> 00:35:47,180
they say look we don't talk about it but

757
00:35:51,840 --> 00:35:48,860
when me and my buddies are drinking or

758
00:35:55,210 --> 00:35:51,850
you know when pilots are among friends

759
00:35:58,870 --> 00:35:55,220
they'll share their stories um even

760
00:36:01,420 --> 00:35:58,880
within volunteer organizations I hear

761
00:36:07,050 --> 00:36:01,430
from one of the most interesting stories

762
00:36:09,220 --> 00:36:07,060
I heard was from a private jet pilot

763
00:36:11,950 --> 00:36:09,230

private jets fly apparently at a much

764

00:36:14,850 --> 00:36:11,960

higher altitude and he'll he says he's

765

00:36:17,440 --> 00:36:14,860

out there and he is let's see if

766

00:36:20,980 --> 00:36:17,450

commercial jets fly at 35,000 feet

767

00:36:23,800 --> 00:36:20,990

private jets fly at 45,000 feet and he

768

00:36:27,100 --> 00:36:23,810

often will see the lights above above

769

00:36:28,840 --> 00:36:27,110

them and he says that you know generally

770

00:36:30,430 --> 00:36:28,850

there shouldn't be anyone above them

771

00:36:31,960 --> 00:36:30,440

other than military crafts and it

772

00:36:33,940 --> 00:36:31,970

doesn't look like their military crafts

773

00:36:37,210 --> 00:36:33,950

because they have your regular they're

774

00:36:40,780 --> 00:36:37,220

moving in irregular patterns so I mean

775

00:36:42,550 --> 00:36:40,790

they see them all the time Wow well we

776
00:36:45,070 --> 00:36:42,560
have a question up on the message board

777
00:36:49,600 --> 00:36:45,080
and that is who is your favorite

778
00:36:54,910 --> 00:36:49,610
researcher and why Wow my favorite

779
00:37:00,520 --> 00:36:54,920
researcher oh that is yourself no no no

780
00:37:02,740 --> 00:37:00,530
you know it's funny because I I I feel I

781
00:37:08,650 --> 00:37:02,750
kind of feel bad because I don't have

782
00:37:10,810 --> 00:37:08,660
the time to dedicate to this I don't

783
00:37:13,120 --> 00:37:10,820
have enough time to dedicate to the

784
00:37:15,100 --> 00:37:13,130
subject this is so important honestly I

785
00:37:18,250 --> 00:37:15,110
would to have to say John Ventura of

786
00:37:22,800 --> 00:37:18,260
jump into her mm-hmm yes I think that'll

787
00:37:27,700 --> 00:37:22,810
vania Pennsylvania yes just because

788
00:37:30,910 --> 00:37:27,710

he has brought move on to the general

789

00:37:36,130 --> 00:37:30,920

public he has just exposed more people

790

00:37:37,630 --> 00:37:36,140

to the subject and made move on mm not

791

00:37:39,340 --> 00:37:37,640

necessarily a household name because

792

00:37:42,880 --> 00:37:39,350

most people don't really know about my

793

00:37:44,770 --> 00:37:42,890

phone yet but he is starting to he got

794

00:37:48,640 --> 00:37:44,780

the ball rolling in that that's why he's

795

00:37:53,170 --> 00:37:48,650

my one of my preferred investigators

796

00:37:58,840 --> 00:37:53,180

it's going to take more people reaching

797

00:38:02,230 --> 00:37:58,850

out to those outside of our field right

798

00:38:04,660 --> 00:38:02,240

right I think I said that question wrong

799

00:38:07,720 --> 00:38:04,670

I'm going to the person corrected me but

800

00:38:09,370 --> 00:38:07,730

before I go back to that can you walk us

801
00:38:12,640 --> 00:38:09,380
this another question up there can you

802
00:38:14,350 --> 00:38:12,650
walk us through a typical investigation

803
00:38:21,430 --> 00:38:14,360
from the initial report to the end

804
00:38:24,850 --> 00:38:21,440
finding sure well so typically a report

805
00:38:27,250 --> 00:38:24,860
comes in to move on our state director

806
00:38:30,910 --> 00:38:27,260
receives all the reports and she assigns

807
00:38:35,920 --> 00:38:30,920
it to now one of our 15 or 16 case

808
00:38:39,160 --> 00:38:35,930
investigators so I typically tried to

809
00:38:43,030 --> 00:38:39,170
reach out to the witness within the

810
00:38:44,650 --> 00:38:43,040
first 72 hours i'll i frequently just

811
00:38:46,930 --> 00:38:44,660
try to send him an email at the same day

812
00:38:52,810 --> 00:38:46,940
and try to call them within the next two

813
00:38:54,610 --> 00:38:52,820

days and then from there I talked talked

814

00:38:59,170 --> 00:38:54,620

to him and try to get as many details as

815

00:39:01,240 --> 00:38:59,180

possible we have a really long form that

816

00:39:04,420 --> 00:39:01,250

I try to fill out which includes

817

00:39:07,780 --> 00:39:04,430

obviously the date-time weather

818

00:39:10,540 --> 00:39:07,790

conditions how close or how far you they

819

00:39:13,720 --> 00:39:10,550

were from the object how many witnesses

820

00:39:16,630 --> 00:39:13,730

how many additional people can cooperate

821

00:39:20,740 --> 00:39:16,640

the sighting to me that that is the most

822

00:39:22,150 --> 00:39:20,750

important thing because you do have a

823

00:39:24,640 --> 00:39:22,160

lot of people that will go out and say

824

00:39:28,480 --> 00:39:24,650

oh yeah I saw this light and far in the

825

00:39:30,070 --> 00:39:28,490

sky that was moving erratically but

826

00:39:31,780 --> 00:39:30,080

nobody else saw it I'm like and that

827

00:39:33,580 --> 00:39:31,790

Sara Lee help me it could have been a

828

00:39:36,090 --> 00:39:33,590

star they could have mixed it confused

829

00:39:37,980 --> 00:39:36,100

it I mean so stars look like they

830

00:39:40,980 --> 00:39:37,990

go and you might think it's actually

831

00:39:45,360 --> 00:39:40,990

moving when it's not but when you have

832

00:39:47,310 --> 00:39:45,370

people that file cases with multiple

833

00:39:50,070 --> 00:39:47,320

witnesses that's when it gets

834

00:39:52,620 --> 00:39:50,080

interesting so frequently if there is

835

00:39:54,570 --> 00:39:52,630

more witnesses I'm talking to witness

836

00:39:56,400 --> 00:39:54,580

number one and two and three and four or

837

00:40:02,850 --> 00:39:56,410

five I want to make sure that I talk to

838

00:40:06,720 --> 00:40:02,860

everybody and if it's something more

839

00:40:09,450 --> 00:40:06,730

spectacular I will sometimes try to call

840

00:40:12,120 --> 00:40:09,460

the local police department and say hey

841

00:40:13,800 --> 00:40:12,130

did you get any UFO sighting when I you

842

00:40:15,060 --> 00:40:13,810

know I don't I try not to start out with

843

00:40:17,610 --> 00:40:15,070

UFO sightings I'll try to say something

844

00:40:20,400 --> 00:40:17,620

like did you get any strange reports of

845

00:40:23,310 --> 00:40:20,410

lightness guy or a plane burning or

846

00:40:26,040 --> 00:40:23,320

anything strange on such-and-such a date

847

00:40:27,720 --> 00:40:26,050

and needless to say you they'll say oh

848

00:40:29,750 --> 00:40:27,730

you mean like UFOs I'm like yes your

849

00:40:33,530 --> 00:40:29,760

folks and they'll laugh and like no no

850

00:40:36,030 --> 00:40:33,540

so if that doesn't work too often but

851
00:40:38,670 --> 00:40:36,040
the more details i get from the witness

852
00:40:41,670 --> 00:40:38,680
is if i can cooperate it somehow i look

853
00:40:44,190 --> 00:40:41,680
up the wet I go to weather underground

854
00:40:45,900 --> 00:40:44,200
to check out what the the weather was

855
00:40:48,180 --> 00:40:45,910
like what the wind direction was like in

856
00:40:50,580 --> 00:40:48,190
catalog right right that all down into

857
00:40:55,140 --> 00:40:50,590
the case you know in our case management

858
00:41:01,320 --> 00:40:55,150
system but then there are some cases

859
00:41:06,240 --> 00:41:01,330
where we have experiencers and then

860
00:41:10,170 --> 00:41:06,250
that's a whole nother ball of wax you

861
00:41:14,100 --> 00:41:10,180
know obviously abductions is a big part

862
00:41:19,560 --> 00:41:14,110
of the ufology field in it's obviously

863
00:41:21,600 --> 00:41:19,570

controversial I have to step back for a

864

00:41:24,930 --> 00:41:21,610

second and I got to tell you when I

865

00:41:27,990 --> 00:41:24,940

became a member or an investigator in

866

00:41:29,970 --> 00:41:28,000

2011 I got into ufology because I'm

867

00:41:32,070 --> 00:41:29,980

thinking you know there's gotta be a

868

00:41:34,650 --> 00:41:32,080

logical explanation there's no way that

869

00:41:38,060 --> 00:41:34,660

this is really happening that I had read

870

00:41:41,460 --> 00:41:38,070

that there were tens of thousands of

871

00:41:45,690 --> 00:41:41,470

people having UFO sightings annually I'm

872

00:41:48,120 --> 00:41:45,700

like that's just a huge number and I'd

873

00:41:50,099 --> 00:41:48,130

also had read plenty of reading with it

874

00:41:53,940 --> 00:41:50,109

there was hundreds of people claiming a

875

00:41:56,400 --> 00:41:53,950

ductions like no there's no way before I

876

00:41:59,519 --> 00:41:56,410

became investigator I said I want to

877

00:42:03,920 --> 00:41:59,529

meet at least five people who've had UFO

878

00:42:06,870 --> 00:42:03,930

sightings and at least one abductee

879

00:42:09,120 --> 00:42:06,880

you've heard the expression before be

880

00:42:13,019 --> 00:42:09,130

careful what you ask for I'm just might

881

00:42:16,410 --> 00:42:13,029

get it needless to say now yeah I've

882

00:42:19,979 --> 00:42:16,420

easily heard fit 1200 to 1500 UFO

883

00:42:22,609 --> 00:42:19,989

sightings and at this point I've got to

884

00:42:29,160 --> 00:42:22,619

be somewhere between 60 and a hundred

885

00:42:32,339 --> 00:42:29,170

abductee heard from 60 to 100 abductee

886

00:42:36,029 --> 00:42:32,349

cases well well you know you mentioned

887

00:42:38,640 --> 00:42:36,039

earlier up about you know you feel like

888

00:42:42,210 --> 00:42:38,650

sometimes you can't give it a time and I

889

00:42:44,729 --> 00:42:42,220

really enjoy doing the show and I it it

890

00:42:47,729 --> 00:42:44,739

does take you know there's a lot of work

891

00:42:49,859 --> 00:42:47,739

involved in it but I love I absolutely

892

00:42:51,599 --> 00:42:49,869

loved doing the show but a lot of times

893

00:42:53,400 --> 00:42:51,609

I get you know like for instance this

894

00:42:54,960 --> 00:42:53,410

Paul if you happen to be listening has

895

00:42:57,960 --> 00:42:54,970

been trying to reach me to tell me about

896

00:43:01,710 --> 00:42:57,970

his UFO sighting and sometimes it's it's

897

00:43:05,400 --> 00:43:01,720

really difficult to take the time to

898

00:43:08,099 --> 00:43:05,410

listen to a story like Peter Davenport

899

00:43:09,509 --> 00:43:08,109

said the other last week that you know

900

00:43:10,710 --> 00:43:09,519

he only wants to hear a couple minutes

901
00:43:14,729 --> 00:43:10,720
and then he wants them to fill out a

902
00:43:17,160 --> 00:43:14,739
report so I know I'm getting a little

903
00:43:21,479 --> 00:43:17,170
off-topic here but when someone contacts

904
00:43:24,620 --> 00:43:21,489
me I would probably be better off trying

905
00:43:28,589 --> 00:43:24,630
to steer them into making a report

906
00:43:30,779 --> 00:43:28,599
wouldn't you say I'm sorry I've actually

907
00:43:33,299 --> 00:43:30,789
reading some of these comments we take

908
00:43:35,549 --> 00:43:33,309
your question okay be nice to Israel

909
00:43:39,450 --> 00:43:35,559
he's reading no no no chat room uh you

910
00:43:42,809 --> 00:43:39,460
know why here's what I tell my my friend

911
00:43:44,729 --> 00:43:42,819
my buddies in the financial world you're

912
00:43:46,109 --> 00:43:44,739
not going to believe this until you've

913
00:43:50,039 --> 00:43:46,119

seen them with your own eyes I've

914

00:43:52,200 --> 00:43:50,049

actually had two sightings now it was it

915

00:43:55,019 --> 00:43:52,210

was so difficult for me to believe it

916

00:43:58,259 --> 00:43:55,029

this was even real that's why I got into

917

00:44:03,600 --> 00:43:58,269

move on I wanted to know that this was

918

00:44:05,760 --> 00:44:03,610

real and when I came on and I Stephen

919

00:44:07,650 --> 00:44:05,770

why was giving me these cases and I'm

920

00:44:10,020 --> 00:44:07,660

starting to hear he had told me about

921

00:44:12,000 --> 00:44:10,030

his personal sightings and then I'm

922

00:44:15,930 --> 00:44:12,010

getting all these cases of people having

923

00:44:18,360 --> 00:44:15,940

closed UFO sightings it really upset me

924

00:44:21,780 --> 00:44:18,370

it scared me and one night I remember

925

00:44:24,000 --> 00:44:21,790

calling steve i said steve is this real

926
00:44:26,330 --> 00:44:24,010
mean this is really happening because

927
00:44:29,670 --> 00:44:26,340
we're getting so many cases i'm like i

928
00:44:31,080 --> 00:44:29,680
thought there was you know people were

929
00:44:33,450 --> 00:44:31,090
just confused but what they're seeing

930
00:44:35,450 --> 00:44:33,460
but this is really happening someone had

931
00:44:38,220 --> 00:44:35,460
asked have I actually investigated cases

932
00:44:43,020 --> 00:44:38,230
yes I've actually investigated I'm sorry

933
00:44:48,630 --> 00:44:43,030
I have documented 1557 cases in MUFON i

934
00:44:50,970 --> 00:44:48,640
have heard 1200 to 1500 cases of which

935
00:44:53,040 --> 00:44:50,980
i'm asking our attendees at these

936
00:44:59,220 --> 00:44:53,050
meetings go and log your case a move on

937
00:45:03,570 --> 00:44:59,230
do they know do any of them wha very few

938
00:45:06,480 --> 00:45:03,580

so so so let's say yeah so here last

939

00:45:08,270 --> 00:45:06,490

month in June we got 30 and the next

940

00:45:11,130 --> 00:45:08,280

meeting will do it on August twelfth I

941

00:45:13,770 --> 00:45:11,140

assure you there'll be another 60 people

942

00:45:16,320 --> 00:45:13,780

there and another 40 people will say

943

00:45:20,250 --> 00:45:16,330

they had a UFO sighting and maybe one

944

00:45:22,500 --> 00:45:20,260

has actually reported so so again there

945

00:45:24,840 --> 00:45:22,510

are so many people having UFO sightings

946

00:45:26,460 --> 00:45:24,850

they're not reporting it number 1 i'm

947

00:45:28,650 --> 00:45:26,470

thinking more because they don't want to

948

00:45:31,640 --> 00:45:28,660

the ridicule factor they don't want to

949

00:45:36,570 --> 00:45:31,650

be bothered they don't want to be judged

950

00:45:39,780 --> 00:45:36,580

right mm-hmm I totally get that I

951
00:45:41,490 --> 00:45:39,790
totally get that so you can actually see

952
00:45:43,290 --> 00:45:41,500
that you're actually on the message

953
00:45:44,790 --> 00:45:43,300
board so you can see the questions if

954
00:45:46,680 --> 00:45:44,800
you'd like to answer them directly

955
00:45:49,560 --> 00:45:46,690
that's fine or i can i can throw them at

956
00:45:52,320 --> 00:45:49,570
you um well i can't talk and read it

957
00:45:54,600 --> 00:45:52,330
Said's I said okay I a question up there

958
00:45:58,340 --> 00:45:54,610
some of the abduction cases are you

959
00:46:04,140 --> 00:45:58,350
convinced that they are truly abductees

960
00:46:05,820 --> 00:46:04,150
yes let me tell you why so now that I've

961
00:46:11,340 --> 00:46:05,830
been doing this for over four years um

962
00:46:13,530 --> 00:46:11,350
in cooperation is a very very important

963
00:46:16,450 --> 00:46:13,540

piece of I think the case is that we

964

00:46:24,050 --> 00:46:19,730

obviously some of these cases are really

965

00:46:29,270 --> 00:46:24,060

far out there the most credible cases

966

00:46:34,430 --> 00:46:29,280

that I find out when many many people in

967

00:46:37,040 --> 00:46:34,440

a family are affected I'll go ahead

968

00:46:38,710 --> 00:46:37,050

share a little bit of one family that

969

00:46:41,480 --> 00:46:38,720

lives in the North Carolina mountains

970

00:46:44,599 --> 00:46:41,490

the father had contacted me about two

971

00:46:49,490 --> 00:46:44,609

years ago and he was desperate and

972

00:46:52,880 --> 00:46:49,500

scared for his teenage daughter she had

973

00:46:55,370 --> 00:46:52,890

been at a friend's house and being

974

00:46:56,870 --> 00:46:55,380

teenage girls they stayed up all night

975

00:46:58,550 --> 00:46:56,880

and she fell asleep around five o'clock

976

00:47:02,599 --> 00:46:58,560

good morning got up at eight o'clock

977

00:47:07,069 --> 00:47:02,609

came home and then she discovered as

978

00:47:11,089 --> 00:47:07,079

she's undressing she is covered in

979

00:47:13,849 --> 00:47:11,099

bruises I mean bruises on her wrists on

980

00:47:17,599 --> 00:47:13,859

her back on her torso on her legs

981

00:47:22,490 --> 00:47:17,609

everywhere and she was scared she was

982

00:47:23,900 --> 00:47:22,500

terrified and she told her her dad dad I

983

00:47:27,140 --> 00:47:23,910

have no idea where this came from I

984

00:47:30,559 --> 00:47:27,150

don't know where this came from and the

985

00:47:34,579 --> 00:47:30,569

dad had already known about past

986

00:47:36,020 --> 00:47:34,589

situations um the little girl when she

987

00:47:39,710 --> 00:47:36,030

was at this but at that point I think

988

00:47:41,750 --> 00:47:39,720

she was 16 or 17 she had grown up always

989

00:47:43,430 --> 00:47:41,760

talking about the lights outside of her

990

00:47:45,079 --> 00:47:43,440

window she was really scared to sleep in

991

00:47:50,089 --> 00:47:45,089

a room alone because she always saw the

992

00:47:53,140 --> 00:47:50,099

lights outside her window so he came

993

00:47:56,569 --> 00:47:53,150

with me with that starter case or that

994

00:47:58,910 --> 00:47:56,579

instance and as I talked to him more I

995

00:48:00,410 --> 00:47:58,920

found out that he had had multiple

996

00:48:05,290 --> 00:48:00,420

sightings as a teenager when he was

997

00:48:10,059 --> 00:48:05,300

growing up and this is a teacher of

998

00:48:12,440 --> 00:48:10,069

physics at a high school and he

999

00:48:15,020 --> 00:48:12,450

remembers one situation when he was a

1000

00:48:17,510 --> 00:48:15,030

teenager that he saw UFO he had been

1001
00:48:18,859 --> 00:48:17,520
riding home on his bike and he saw you a

1002
00:48:21,470 --> 00:48:18,869
phone he watched it for a few minutes

1003
00:48:23,660 --> 00:48:21,480
and then he went on home when he got

1004
00:48:25,760 --> 00:48:23,670
home his parents were furious at him and

1005
00:48:26,960 --> 00:48:25,770
they're like why are you mad at me since

1006
00:48:30,350 --> 00:48:26,970
you've been gone for like three or four

1007
00:48:36,530 --> 00:48:30,360
hours he didn't realize that he had

1008
00:48:41,060 --> 00:48:36,540
missing time so as I stayed in touch

1009
00:48:44,360 --> 00:48:41,070
with him uh he later shared with me his

1010
00:48:46,130 --> 00:48:44,370
neighbor the hoodlum and maybe a couple

1011
00:48:49,220 --> 00:48:46,140
hundred yards away is a good old country

1012
00:48:52,430 --> 00:48:49,230
man he had set up a game camera to take

1013
00:48:56,030 --> 00:48:52,440

pictures of gear in his field well this

1014

00:48:58,040 --> 00:48:56,040

very country man had went and got his

1015

00:49:01,280 --> 00:48:58,050

game camera out and at the time this was

1016

00:49:05,380 --> 00:49:01,290

still I think it was still film he

1017

00:49:11,390 --> 00:49:05,390

developed the film any on the family has

1018

00:49:14,210 --> 00:49:11,400

what looked like a dark shadow of a

1019

00:49:18,230 --> 00:49:14,220

being a being floating over the field

1020

00:49:21,230 --> 00:49:18,240

and he had given it to my witness and he

1021

00:49:23,060 --> 00:49:21,240

said look I don't know what it is but I

1022

00:49:26,090 --> 00:49:23,070

wanted you to have this because I know

1023

00:49:29,960 --> 00:49:26,100

that strange things have happened Jay's

1024

00:49:31,250 --> 00:49:29,970

household and so he's passed me the

1025

00:49:33,500 --> 00:49:31,260

photo I've scanned and I sent him back

1026

00:49:38,180 --> 00:49:33,510

the original that wasn't just another

1027

00:49:42,590 --> 00:49:38,190

thing to add to his his the pot is the

1028

00:49:45,560 --> 00:49:42,600

growing body of evidence I asked him to

1029

00:49:47,150 --> 00:49:45,570

find out from his family members if

1030

00:49:49,610 --> 00:49:47,160

anyone else and his family had had

1031

00:49:52,640 --> 00:49:49,620

sightings sure enough his brother has

1032

00:49:56,020 --> 00:49:52,650

also had sightings and one of the

1033

00:50:02,440 --> 00:49:56,030

scariest things is just last Christmas

1034

00:50:06,170 --> 00:50:02,450

he had his brother his sister-in-law

1035

00:50:10,040 --> 00:50:06,180

couple teenage girls and other family

1036

00:50:11,990 --> 00:50:10,050

people in the house and they had all

1037

00:50:15,520 --> 00:50:12,000

gone to bed it was around Christmas time

1038

00:50:18,710 --> 00:50:15,530

and around three o'clock in the morning

1039

00:50:22,820 --> 00:50:18,720

they all heard what sounded like a car

1040

00:50:26,930 --> 00:50:22,830

hitting the side of the house on the

1041

00:50:30,170 --> 00:50:26,940

second story and he says that his

1042

00:50:31,970 --> 00:50:30,180

brother was so scared a woke the brother

1043

00:50:33,740 --> 00:50:31,980

up it walked the wife up and the

1044

00:50:36,980 --> 00:50:33,750

sister-in-law up everyone woke up and

1045

00:50:39,770 --> 00:50:36,990

they were so scared but they're like

1046

00:50:42,370 --> 00:50:39,780

okay let's go back to sleep it scared

1047

00:50:44,030 --> 00:50:42,380

them but for some strange reason

1048

00:50:46,370 --> 00:50:44,040

everyone went

1049

00:50:49,070 --> 00:50:46,380

sleep well you know I have to interrupt

1050

00:50:50,750 --> 00:50:49,080

you just for one moment because up I was

1051
00:50:54,400 --> 00:50:50,760
listening to an interview with Jack

1052
00:50:56,900 --> 00:50:54,410
weiner from the allagash incident and

1053
00:50:59,840 --> 00:50:56,910
something I had never heard of in that

1054
00:51:02,090 --> 00:50:59,850
particular incident when they all went

1055
00:51:03,500 --> 00:51:02,100
you know thought that that didn't

1056
00:51:05,870 --> 00:51:03,510
realize they actually had missing time

1057
00:51:08,710 --> 00:51:05,880
they all went back they had just seen

1058
00:51:11,600 --> 00:51:08,720
the UFO and they all went right to sleep

1059
00:51:13,850 --> 00:51:11,610
yeah well and see in this is only one

1060
00:51:20,200 --> 00:51:13,860
example I had plant there's plenty of

1061
00:51:20,210 --> 00:51:25,750
from what I've heard understood I

1062
00:51:32,540 --> 00:51:29,200
understand that these things these

1063
00:51:35,840 --> 00:51:32,550

abduction experiences don't happen to a

1064

00:51:40,850 --> 00:51:35,850

single person it happens to your family

1065

00:51:45,470 --> 00:51:40,860

lineage the families that I've dealt

1066

00:51:48,200 --> 00:51:45,480

with frequently have the parents the

1067

00:51:52,790 --> 00:51:48,210

grandparents of had sightings and the

1068

00:51:55,450 --> 00:51:52,800

children will have sightings so when I

1069

00:51:59,270 --> 00:51:55,460

talked to many people in a family and

1070

00:52:03,100 --> 00:51:59,280

they all had UFO sightings or missing

1071

00:52:06,560 --> 00:52:03,110

time or they wake up with bruises or

1072

00:52:08,750 --> 00:52:06,570

when one lady woke up and she's got what

1073

00:52:11,180 --> 00:52:08,760

she thinks were laser burns at the base

1074

00:52:14,140 --> 00:52:11,190

of her spine and she'll send me pictures

1075

00:52:17,450 --> 00:52:14,150

and sure enough it looks like a little a

1076
00:52:20,300 --> 00:52:17,460
perfectly circular burn mark on the base

1077
00:52:23,120 --> 00:52:20,310
of her spine those are the most

1078
00:52:28,070 --> 00:52:23,130
compelling cases to me right now as a

1079
00:52:31,400 --> 00:52:28,080
MUFON person is our abductions

1080
00:52:34,940 --> 00:52:31,410
considered on any type of fringe is it

1081
00:52:37,760 --> 00:52:34,950
uh is it okay to talk about these type

1082
00:52:39,680 --> 00:52:37,770
of things among other MUFON

1083
00:52:41,750 --> 00:52:39,690
investigators I've heard a little bit

1084
00:52:46,880 --> 00:52:41,760
about that in the past that's why the

1085
00:52:49,400 --> 00:52:46,890
question um I think many people are

1086
00:52:52,340 --> 00:52:49,410
still intimidated or scared of talking

1087
00:52:54,560 --> 00:52:52,350
about it because it is it's it's a lot

1088
00:52:57,530 --> 00:52:54,570

to take in the implications if this is

1089

00:53:04,250 --> 00:52:57,540

real the implication

1090

00:53:06,920 --> 00:53:04,260

are far-reaching um because I've had so

1091

00:53:10,090 --> 00:53:06,930

many people come up and tell me about

1092

00:53:12,620 --> 00:53:10,100

them or even when we're at our meetings

1093

00:53:14,600 --> 00:53:12,630

people will come over and asked me to

1094

00:53:17,990 --> 00:53:14,610

step aside and they will break down and

1095

00:53:19,460 --> 00:53:18,000

cry and tell me that they've had

1096

00:53:22,580 --> 00:53:19,470

abduction since there were small

1097

00:53:24,010 --> 00:53:22,590

children and they've had nobody to tell

1098

00:53:26,740 --> 00:53:24,020

because no one's going to believe him

1099

00:53:29,560 --> 00:53:26,750

well they can come to our meetings and

1100

00:53:33,920 --> 00:53:29,570

I'm just not going to I'm not going to

1101
00:53:38,060 --> 00:53:33,930
judge people because these people have

1102
00:53:42,650 --> 00:53:38,070
these amazing stories and there's so

1103
00:53:47,450 --> 00:53:42,660
many shared traits among the cases I'm

1104
00:53:51,200 --> 00:53:47,460
hearing another example was from a

1105
00:53:53,480 --> 00:53:51,210
gentleman who was a foreman or a manager

1106
00:53:55,970 --> 00:53:53,490
at a manufacturing plant on the east

1107
00:53:58,250 --> 00:53:55,980
coast north carolina so he works at a

1108
00:54:00,800 --> 00:53:58,260
large chemical plant and he's also lon

1109
00:54:04,370 --> 00:54:00,810
to your fire depart volunteer fireman

1110
00:54:07,610 --> 00:54:04,380
and he was telling me that he had gone

1111
00:54:11,390 --> 00:54:07,620
camping one day and it was late at night

1112
00:54:12,980 --> 00:54:11,400
he had his dog with him and he looked at

1113
00:54:14,180 --> 00:54:12,990

his clock it was ten o'clock at night

1114

00:54:17,210 --> 00:54:14,190

and he was going to stay out to a

1115

00:54:20,810 --> 00:54:17,220

midnight as soon as he got other car he

1116

00:54:24,620 --> 00:54:20,820

saw a UFO and within a couple seconds

1117

00:54:29,030 --> 00:54:24,630

this UFO is shining what he described

1118

00:54:34,520 --> 00:54:29,040

like a spotlight but he said it looked

1119

00:54:36,230 --> 00:54:34,530

more like a material had come down it

1120

00:54:39,410 --> 00:54:36,240

was more than a spotlight it had some

1121

00:54:43,550 --> 00:54:39,420

texture to it the spot I had pointed

1122

00:54:46,520 --> 00:54:43,560

into the trees and he said it had skiff

1123

00:54:49,130 --> 00:54:46,530

ative so much he he watched her for a

1124

00:54:51,290 --> 00:54:49,140

second and then it took off he ran back

1125

00:54:52,670 --> 00:54:51,300

in the truck got his dog and got him in

1126

00:54:54,370 --> 00:54:52,680

the truck and he's getting ready to

1127

00:55:02,660 --> 00:54:54,380

leave and he's looking at the clock and

1128

00:55:05,720 --> 00:55:02,670

it's after 1am and it scared him it

1129

00:55:09,020 --> 00:55:05,730

scared him and who's he gonna tell he

1130

00:55:11,370 --> 00:55:09,030

can't tell anybody but he had seen he

1131

00:55:13,410 --> 00:55:11,380

had seen the website and he

1132

00:55:19,499 --> 00:55:13,420

me up and he and he told me the story

1133

00:55:21,990 --> 00:55:19,509

and this is a mmm it isn't he's just a

1134

00:55:25,170 --> 00:55:22,000

good old country boy a man who works as

1135

00:55:27,359 --> 00:55:25,180

a a form interim or a manager at this

1136

00:55:29,819 --> 00:55:27,369

manufacturing plant and he goes hunting

1137

00:55:31,620 --> 00:55:29,829

I mean there's no reason he wants to

1138

00:55:34,890 --> 00:55:31,630

make something like this up I mean he

1139

00:55:36,299 --> 00:55:34,900

didn't want me to enter it into he

1140

00:55:40,170 --> 00:55:36,309

didn't really want it locked anywhere

1141

00:55:43,529 --> 00:55:40,180

but he shared this story with me and I

1142

00:55:45,480 --> 00:55:43,539

mean I get a lot of a lot of cases like

1143

00:55:47,819 --> 00:55:45,490

that people will call me up or people

1144

00:55:50,009 --> 00:55:47,829

will take us aside at the meetings and

1145

00:55:53,220 --> 00:55:50,019

share these incredible stories with us

1146

00:55:56,249 --> 00:55:53,230

oh there's a question up on the message

1147

00:55:58,529 --> 00:55:56,259

board and does move on ask what blood

1148

00:56:00,509 --> 00:55:58,539

type people that are claiming their

1149

00:56:04,410 --> 00:56:00,519

abductors I mean just actually move on

1150

00:56:05,999 --> 00:56:04,420

do reports of a bit of abductees yes

1151
00:56:07,980 --> 00:56:06,009
yeah we do but you know what actually

1152
00:56:11,460 --> 00:56:07,990
that's a very good question I need to

1153
00:56:14,670 --> 00:56:11,470
start tracking the blood types of these

1154
00:56:19,819 --> 00:56:14,680
people but I don't necessarily think it

1155
00:56:23,819 --> 00:56:19,829
is something like blood type it just I

1156
00:56:26,430 --> 00:56:23,829
see this is just my opinion but it just

1157
00:56:30,569 --> 00:56:26,440
seems that there are certain family

1158
00:56:33,390 --> 00:56:30,579
lines that were picked from what I've

1159
00:56:34,890 --> 00:56:33,400
heard from these cases it seems like

1160
00:56:37,529 --> 00:56:34,900
they they at least started it at the

1161
00:56:40,620 --> 00:56:37,539
early in the 19th century even late 18th

1162
00:56:42,630 --> 00:56:40,630
century and they follow these family

1163
00:56:45,440 --> 00:56:42,640

lines I don't know that there was

1164

00:56:48,660 --> 00:56:45,450

anything special if somewhere along the

1165

00:56:50,609 --> 00:56:48,670

somewhere I mean I don't know a hundred

1166

00:56:52,710 --> 00:56:50,619

years ago this family land was picked

1167

00:56:55,259 --> 00:56:52,720

and they can't continue following them

1168

00:56:57,809 --> 00:56:55,269

now I've never really heard of early

1169

00:57:02,120 --> 00:56:57,819

cases are you aware of early cases or

1170

00:57:08,490 --> 00:57:02,130

can someone actually research this so

1171

00:57:11,519 --> 00:57:08,500

see what I tell you is only is coming

1172

00:57:13,920 --> 00:57:11,529

from the cases that I have investigated

1173

00:57:18,210 --> 00:57:13,930

from the stories that my witnesses have

1174

00:57:22,430 --> 00:57:18,220

shared with me there this the oldest

1175

00:57:24,950 --> 00:57:22,440

case I've heard of was from a retired

1176

00:57:27,260 --> 00:57:24,960

military woman

1177

00:57:28,820 --> 00:57:27,270

she would let me let me make sure I

1178

00:57:34,310 --> 00:57:28,830

remember the she worth and something

1179

00:57:37,339 --> 00:57:34,320

like air force routing of planes so she

1180

00:57:40,579 --> 00:57:37,349

had top-secret clearance in the military

1181

00:57:43,910 --> 00:57:40,589

uh so she had retired from the military

1182

00:57:48,380 --> 00:57:43,920

and she had had UFO sightings all her

1183

00:57:49,730 --> 00:57:48,390

life and as I got to know her and she

1184

00:57:53,900 --> 00:57:49,740

felt more comfortable with me she would

1185

00:57:58,520 --> 00:57:53,910

tell me more stories sweet she told me

1186

00:58:01,880 --> 00:57:58,530

that when her grandmother was a child so

1187

00:58:05,839 --> 00:58:01,890

maybe in the 1920s or 1918 I think she

1188

00:58:10,599 --> 00:58:05,849

said her grandmother uh they had just

1189

00:58:14,690 --> 00:58:10,609

started hearing about airplanes and she

1190

00:58:19,000 --> 00:58:14,700

thought they were airships she the

1191

00:58:22,579 --> 00:58:19,010

grandmother remembers seeing a a

1192

00:58:26,050 --> 00:58:22,589

tube-like craft in the sky when she was

1193

00:58:28,460 --> 00:58:26,060

a very young child maybe 10 or 12 and

1194

00:58:30,050 --> 00:58:28,470

yes there was zeppelins at the time I

1195

00:58:32,870 --> 00:58:30,060

but I'm pretty sure she was from

1196

00:58:36,260 --> 00:58:32,880

Kentucky I'm not sure that there was a

1197

00:58:41,810 --> 00:58:36,270

plane flying around in Kentucky in you

1198

00:58:44,810 --> 00:58:41,820

know 1918 so her family had seen him

1199

00:58:46,640 --> 00:58:44,820

across multiple generations so you have

1200

00:58:49,310 --> 00:58:46,650

a grandmother having UFO sightings the

1201

00:58:54,280 --> 00:58:49,320

the the dot the mother who was at that

1202

00:58:56,900 --> 00:58:54,290

point she's in her 60s and her daughter

1203

00:58:59,359 --> 00:58:56,910

had originally thought that her mother

1204

00:59:02,120 --> 00:58:59,369

was crazy until she started to having

1205

00:59:04,250 --> 00:59:02,130

sightings and sure enough I'd call the

1206

00:59:07,400 --> 00:59:04,260

daughter and at first she she was

1207

00:59:09,500 --> 00:59:07,410

totally dismissive of this and a couple

1208

00:59:12,740 --> 00:59:09,510

weeks later she actually had her what

1209

00:59:14,390 --> 00:59:12,750

she thought was her first sighting she

1210

00:59:17,599 --> 00:59:14,400

called me back after she saw one of the

1211

00:59:20,510 --> 00:59:17,609

orange orbs and I kept in touch with his

1212

00:59:23,120 --> 00:59:20,520

family for a couple of years and it

1213

00:59:26,510 --> 00:59:23,130

later turned out that the Sun a teenage

1214

00:59:29,750 --> 00:59:26,520

boy of like 17 and also had UFO

1215

00:59:33,800 --> 00:59:29,760

sightings along with his girlfriend so

1216

00:59:36,730 --> 00:59:33,810

that I what would I tell I'm telling you

1217

00:59:38,099 --> 00:59:36,740

about are all because of my witnesses

1218

00:59:42,120 --> 00:59:38,109

testimonies

1219

00:59:46,259 --> 00:59:42,130

right right well um Matt brought up

1220

00:59:49,140 --> 00:59:46,269

earlier about the Rh negative and that

1221

00:59:51,479 --> 00:59:49,150

does seem to be a commonality with a

1222

00:59:53,009 --> 00:59:51,489

number of people that have been guests

1223

00:59:55,769 --> 00:59:53,019

on this show that that questions been

1224

00:59:57,059 --> 00:59:55,779

posed to so that would be interesting if

1225

01:00:01,220 --> 00:59:57,069

there was some how some type of

1226

01:00:04,680 --> 01:00:01,230

connection with that speaking of that

1227

01:00:11,160 --> 01:00:04,690

have you looked at the commonalities

1228

01:00:12,390 --> 01:00:11,170

that these people talk about yes so let

1229

01:00:15,809 --> 01:00:12,400

me let me share with you some of the

1230

01:00:17,690 --> 01:00:15,819

most common traits it that I hear I mean

1231

01:00:21,359 --> 01:00:17,700

obviously a lot of them will describe

1232

01:00:25,229 --> 01:00:21,369

this short grace um and it's really

1233

01:00:27,479 --> 01:00:25,239

funny because I'll hear this from people

1234

01:00:29,940 --> 01:00:27,489

that don't know anything about ufology I

1235

01:00:33,539 --> 01:00:29,950

mean this is this often time is like

1236

01:00:35,190 --> 01:00:33,549

their first time they have even looked

1237

01:00:37,349 --> 01:00:35,200

at the subject they'll call us and you

1238

01:00:39,029 --> 01:00:37,359

know something something scary has

1239

01:00:40,710 --> 01:00:39,039

happened and they wanted to reach out

1240

01:00:44,450 --> 01:00:40,720

and try to get more information so

1241

01:00:48,839 --> 01:00:44,460

they'll describe the short gray people

1242

01:00:51,420 --> 01:00:48,849

autistic curls in one family talks about

1243

01:00:55,849 --> 01:00:51,430

the doctors the little white doctors

1244

01:01:02,489 --> 01:00:55,859

come through the walls into her room um

1245

01:01:04,950 --> 01:01:02,499

uh some of a businessman a businessman

1246

01:01:08,279 --> 01:01:04,960

has told me that when he was a child he

1247

01:01:10,200 --> 01:01:08,289

was taken on the crafts and actually

1248

01:01:14,779 --> 01:01:10,210

he's african-american but he said he was

1249

01:01:18,210 --> 01:01:14,789

on the crafts with kids of all races and

1250

01:01:21,509 --> 01:01:18,220

they were there playing in this room and

1251

01:01:24,779 --> 01:01:21,519

he distinctly remembers that there was

1252

01:01:27,630 --> 01:01:24,789

no there was no corners in the room the

1253

01:01:30,569 --> 01:01:27,640

room was perfectly round and the whole

1254

01:01:32,960 --> 01:01:30,579

room was lit but there wasn't a light

1255

01:01:40,829 --> 01:01:32,970

source you just seemed to emanate from

1256

01:01:45,049 --> 01:01:40,839

every surface um that was the most the

1257

01:01:48,569 --> 01:01:45,059

aspect of his I guess his experience

1258

01:01:51,250 --> 01:01:48,579

that was most memorable that this room

1259

01:01:54,220 --> 01:01:51,260

is perfectly round

1260

01:01:55,960 --> 01:01:54,230

the walls met the benches and it kind of

1261

01:01:59,620 --> 01:01:55,970

the wall curved into the bench and the

1262

01:02:01,480 --> 01:01:59,630

bench curved down into the floor but he

1263

01:02:04,630 --> 01:02:01,490

said he was in there with many other

1264

01:02:07,330 --> 01:02:04,640

children and he said that these were he

1265

01:02:11,010 --> 01:02:07,340

was they were playing with what seemed

1266

01:02:16,120 --> 01:02:11,020

to be hybrids about that how about the

1267

01:02:19,810 --> 01:02:16,130

messages and motivation of the reasons

1268

01:02:24,150 --> 01:02:19,820

that these so-called abductions happen

1269

01:02:33,430 --> 01:02:24,160

is there anything come through on that

1270

01:02:35,920 --> 01:02:33,440

um you know I um well see what's your

1271

01:02:37,690 --> 01:02:35,930

getting into the even more I mean

1272

01:02:40,000 --> 01:02:37,700

obviously the whole thing of abductions

1273

01:02:42,460 --> 01:02:40,010

is controversial yeah if you if you get

1274

01:02:43,960 --> 01:02:42,470

into why they're here I think that woody

1275

01:02:48,520 --> 01:02:43,970

would be more controversial but sure

1276

01:02:50,050 --> 01:02:48,530

sure these people believe uh they're

1277

01:02:52,840 --> 01:02:50,060

here they're actually that there's many

1278

01:02:55,810 --> 01:02:52,850

species I mean I I talked to different

1279

01:02:57,490 --> 01:02:55,820

families all over the state I mean we

1280

01:02:59,950 --> 01:02:57,500

have families in north north carolina

1281

01:03:01,870 --> 01:02:59,960

mountains we have families in the

1282

01:03:05,470 --> 01:03:01,880

raleigh in the Capital Area we have

1283

01:03:08,410 --> 01:03:05,480

families along the east coast and they

1284

01:03:12,040 --> 01:03:08,420

all have similar traits and experiences

1285

01:03:14,350 --> 01:03:12,050

and funny enough though they also

1286

01:03:16,360 --> 01:03:14,360

describe different types of beings so

1287

01:03:17,860 --> 01:03:16,370

the short greys are the most commonly

1288

01:03:21,910 --> 01:03:17,870

reported one but there's also people

1289

01:03:24,760 --> 01:03:21,920

that have the Todd race um one family

1290

01:03:28,840 --> 01:03:24,770

from a town close close by Collison

1291

01:03:32,830 --> 01:03:28,850

Salem she is a lady in her in her 50s

1292

01:03:36,690 --> 01:03:32,840

she has had UFO sightings in the you

1293

01:03:40,030 --> 01:03:36,700

know experiences abductions all her life

1294

01:03:42,670 --> 01:03:40,040

her family she married a very religious

1295

01:03:47,260 --> 01:03:42,680

man and her daughter have had

1296

01:03:51,580 --> 01:03:47,270

experiences and the fought the father

1297

01:03:54,160 --> 01:03:51,590

has convinced the adult children that

1298

01:03:55,880 --> 01:03:54,170

these are demons they're they're of the

1299

01:04:00,079 --> 01:03:55,890

devil

1300

01:04:02,180 --> 01:04:00,089

so these people try to write it off and

1301

01:04:05,480 --> 01:04:02,190

not talk about it because it's just evil

1302

01:04:08,569 --> 01:04:05,490

and you know of the devil so they won't

1303

01:04:10,609 --> 01:04:08,579

talk to me but the mother has explained

1304

01:04:13,190 --> 01:04:10,619

that you know she's seen these beings

1305

01:04:17,480 --> 01:04:13,200

since she was a child and now her 15

1306

01:04:20,180 --> 01:04:17,490

year old son has had experiences one of

1307

01:04:23,029 --> 01:04:20,190

his most memorable experiences is when

1308

01:04:24,799 --> 01:04:23,039

he was in elementary school or how old

1309

01:04:27,170 --> 01:04:24,809

are you when you're ten so fourth or

1310

01:04:29,690 --> 01:04:27,180

fifth grade he was sitting in a

1311

01:04:31,609 --> 01:04:29,700

classroom and there was an empty seat

1312

01:04:38,529 --> 01:04:31,619

between him and the window and he looks

1313

01:04:43,009 --> 01:04:38,539

beside him and he sees what looks like a

1314

01:04:45,559 --> 01:04:43,019

wavy shadow in the shape of a small

1315

01:04:48,680 --> 01:04:45,569

bought a humanoid body sitting in this

1316

01:04:53,150 --> 01:04:48,690

desk next to him and at the time he said

1317

01:04:56,930 --> 01:04:53,160

mommy i saw this water person um in the

1318

01:04:59,120 --> 01:04:56,940

chair next to me and you know we had

1319

01:05:03,170 --> 01:04:59,130

this we talked through this lot and it's

1320

01:05:07,099 --> 01:05:03,180

kind of like from the movie predator the

1321

01:05:09,410 --> 01:05:07,109

alien has this camouflaging I think

1322

01:05:12,019 --> 01:05:09,420

DARPA is experimented with metamaterials

1323

01:05:15,769 --> 01:05:12,029

the warping of light around an object

1324

01:05:16,940 --> 01:05:15,779

right so it looks wavy you can see

1325

01:05:19,099 --> 01:05:16,950

there's something there but but you

1326

01:05:21,170 --> 01:05:19,109

can't quite make it out you can only

1327

01:05:24,410 --> 01:05:21,180

make out the edges because it seems like

1328

01:05:26,720 --> 01:05:24,420

light is morphing around the shape well

1329

01:05:28,730 --> 01:05:26,730

this little boy at the time he said I

1330

01:05:34,420 --> 01:05:28,740

saw one of the water people at the

1331

01:05:37,579 --> 01:05:34,430

school it was sitting next to him so

1332

01:05:40,999 --> 01:05:37,589

anyway I get a lot of stories like that

1333

01:05:44,109 --> 01:05:41,009

right Wow you know one of the things I

1334

01:05:48,200 --> 01:05:44,119

always think of is if this is really

1335

01:05:52,400 --> 01:05:48,210

happening to someone I can't imagine how

1336

01:05:55,279 --> 01:05:52,410

someone could have a normal life do

1337

01:05:58,370 --> 01:05:55,289

people just pick up the pieces and try

1338

01:05:59,990 --> 01:05:58,380

to push it away or I mean how could

1339

01:06:07,160 --> 01:06:00,000

swell a normal life if that was really

1340

01:06:08,809 --> 01:06:07,170

happening so I I feel that one of the

1341

01:06:09,349 --> 01:06:08,819

best things that we can do for our

1342

01:06:14,539 --> 01:06:09,359

witness

1343

01:06:17,599 --> 01:06:14,549

is is to help um integrate this

1344

01:06:22,660 --> 01:06:17,609

experience into their lives I have had

1345

01:06:25,999 --> 01:06:22,670

situations where mm am a grown man is

1346

01:06:28,430 --> 01:06:26,009

having really scary abduction situat

1347

01:06:32,239 --> 01:06:28,440

things happening and he's got a small

1348

01:06:35,630 --> 01:06:32,249

child and his girlfriend has also seen

1349

01:06:37,880 --> 01:06:35,640

these beings and they're terrified they

1350

01:06:39,859 --> 01:06:37,890

literally stopped sleeping because they

1351

01:06:42,499 --> 01:06:39,869

know when they're asleep that's when

1352

01:06:44,900 --> 01:06:42,509

they come and it's ruining its ruin

1353

01:06:48,890 --> 01:06:44,910

their lives I mean they went overboard

1354

01:06:50,630 --> 01:06:48,900

they were just really got scary i'm sure

1355

01:06:55,130 --> 01:06:50,640

that they're headed for a mental

1356

01:06:57,079 --> 01:06:55,140

breakdown then you have people that try

1357

01:06:58,759 --> 01:06:57,089

to ignore it say i know it's just a

1358

01:07:01,220 --> 01:06:58,769

dream I and they'll say that I know it's

1359

01:07:04,489 --> 01:07:01,230

just a dream it's just a dream they want

1360

01:07:08,329 --> 01:07:04,499

to write it off when people come to our

1361

01:07:11,180 --> 01:07:08,339

meetings I I think they'll feel more

1362

01:07:13,190 --> 01:07:11,190

comfortable sharing their stories when

1363

01:07:15,710 --> 01:07:13,200

they hear their neighbors people who

1364

01:07:18,950 --> 01:07:15,720

live around them sharing their own UFO

1365

01:07:20,749 --> 01:07:18,960

sightings and you know we'll set up

1366

01:07:24,940 --> 01:07:20,759

these meetings so we'll go from 1pm to

1367

01:07:27,470 --> 01:07:24,950

5pm and at 5pm nobody wants to go home

1368

01:07:29,930 --> 01:07:27,480

everybody wants to sit around and talk

1369

01:07:32,809 --> 01:07:29,940

more and after a couple hours of hearing

1370

01:07:36,380 --> 01:07:32,819

you know other people's stories then we

1371

01:07:37,880 --> 01:07:36,390

go to dinner we go to dinner and we'll

1372

01:07:39,609 --> 01:07:37,890

have a couple drinks and then people

1373

01:07:43,190 --> 01:07:39,619

would just kind of open up and share

1374

01:07:45,890 --> 01:07:43,200

she's giving sure everything and our

1375

01:07:47,930 --> 01:07:45,900

last meeting a woman who's been coming

1376

01:07:52,359 --> 01:07:47,940

to a few of our meeting she had been

1377

01:07:55,729 --> 01:07:52,369

living in Alaska for a while and she had

1378

01:07:57,380 --> 01:07:55,739

said that she was living at this an

1379

01:07:58,729 --> 01:07:57,390

apartment complex with you know there's

1380

01:08:01,789 --> 01:07:58,739

a couple hundred people living in

1381

01:08:04,309 --> 01:08:01,799

apartments and they had seen she and

1382

01:08:07,400 --> 01:08:04,319

others had seen a craft land between

1383

01:08:10,009 --> 01:08:07,410

these two apartment buildings well I

1384

01:08:13,400 --> 01:08:10,019

said look you need to write down as many

1385

01:08:15,710 --> 01:08:13,410

details as you can and draw some

1386

01:08:17,149 --> 01:08:15,720

pictures I told her that like six months

1387

01:08:19,550 --> 01:08:17,159

ago when I had seen her the first time

1388

01:08:21,499 --> 01:08:19,560

and then at this last meeting she

1389

01:08:23,249 --> 01:08:21,509

actually had her boyfriend who is an

1390

01:08:25,439 --> 01:08:23,259

artist draw several

1391

01:08:29,129 --> 01:08:25,449

pictures of the beings that they'd seen

1392

01:08:30,660 --> 01:08:29,139

along with this you know her building

1393

01:08:32,579 --> 01:08:30,670

and the shape of the craft it was

1394

01:08:35,339 --> 01:08:32,589

between the building so while she went

1395

01:08:38,039 --> 01:08:35,349

all out and she's like there's more i

1396

01:08:40,470 --> 01:08:38,049

have to add to this and i said look you

1397

01:08:42,749 --> 01:08:40,480

need to do more drawings if you can and

1398

01:08:44,309 --> 01:08:42,759

at this point I think she's decided to

1399

01:08:50,160 --> 01:08:44,319

write a short small book about her

1400

01:08:54,120 --> 01:08:50,170

experience so yeah it's uh it's amazing

1401
01:08:56,519 --> 01:08:54,130
to me how many people are having these

1402
01:08:58,529 --> 01:08:56,529
experiences I just feel like most people

1403
01:09:00,899 --> 01:08:58,539
are not ready to share their story so

1404
01:09:03,629 --> 01:09:00,909
we're reaching out to the public and

1405
01:09:08,669 --> 01:09:03,639
giving them a venue to share these

1406
01:09:11,700 --> 01:09:08,679
stories you know I've had it sounded

1407
01:09:14,700 --> 01:09:11,710
like you had a little in trepidation at

1408
01:09:17,939 --> 01:09:14,710
first you know buying into this I as

1409
01:09:20,209 --> 01:09:17,949
well as myself and you know when I

1410
01:09:22,379 --> 01:09:20,219
started doing the show on UFOs I I

1411
01:09:25,079 --> 01:09:22,389
thought no I'm never going to talk to

1412
01:09:26,609 --> 01:09:25,089
anyone about being abducted you know I'm

1413
01:09:29,549 --> 01:09:26,619

just not going to do that and then after

1414

01:09:31,169 --> 01:09:29,559

a while you know you know I talked to

1415

01:09:33,240 --> 01:09:31,179

people like Travis Walton or someone

1416

01:09:35,700 --> 01:09:33,250

like that and I started to think well

1417

01:09:37,259 --> 01:09:35,710

what else would they be doing here you

1418

01:09:40,620 --> 01:09:37,269

know it's kind of like us flying over

1419

01:09:42,269 --> 01:09:40,630

Alaska and you know shooting a polar

1420

01:09:45,200 --> 01:09:42,279

bear with the tranquilizer gun and going

1421

01:09:48,990 --> 01:09:45,210

down and you know tagging it or whatever

1422

01:09:51,209 --> 01:09:49,000

you know what else could they be doing

1423

01:09:56,330 --> 01:09:51,219

why would they just stop it a flyover

1424

01:09:58,919 --> 01:09:56,340

you know so it's absolutely a civility

1425

01:10:02,310 --> 01:09:58,929

absolutely so I didn't specifically

1426

01:10:08,069 --> 01:10:02,320

answer your question um what my

1427

01:10:11,520 --> 01:10:08,079

witnesses are telling me is that there's

1428

01:10:15,830 --> 01:10:11,530

a variety of reasons some are here

1429

01:10:20,310 --> 01:10:15,840

because they are integrating our species

1430

01:10:24,689 --> 01:10:20,320

with theirs partly because they need to

1431

01:10:27,029 --> 01:10:24,699

introduce new DNA into their race

1432

01:10:29,399 --> 01:10:27,039

because they've cloned their bodies for

1433

01:10:35,129 --> 01:10:29,409

millions of years and they've reduced

1434

01:10:36,650 --> 01:10:35,139

the quality of their bodies so they need

1435

01:10:39,320 --> 01:10:36,660

to introduce

1436

01:10:42,500 --> 01:10:39,330

you DNA all right before we move on from

1437

01:10:44,720 --> 01:10:42,510

this is this of these stories that

1438

01:10:48,080 --> 01:10:44,730

you've heard more than one person say

1439

01:10:52,550 --> 01:10:48,090

and did they hear it actually from the

1440

01:10:55,850 --> 01:10:52,560

beings so yes so obviously that's you

1441

01:10:57,650 --> 01:10:55,860

know this is this is a little fringe I

1442

01:10:59,060 --> 01:10:57,660

guess because unless you've been in a

1443

01:11:01,310 --> 01:10:59,070

bath Gator you're not going to get these

1444

01:11:03,290 --> 01:11:01,320

stories yeah you're not going to get

1445

01:11:06,920 --> 01:11:03,300

these stories unless you talked to

1446

01:11:08,840 --> 01:11:06,930

hundreds of people and many people who

1447

01:11:12,140 --> 01:11:08,850

are willing to share these stories with

1448

01:11:14,240 --> 01:11:12,150

you it takes a long time to build up a

1449

01:11:15,380 --> 01:11:14,250

relationship with someone to the point

1450

01:11:18,260 --> 01:11:15,390

that they're willing to share these

1451

01:11:21,050 --> 01:11:18,270

things that are incredible earth very

1452

01:11:22,790 --> 01:11:21,060

difficult to believe it's not like they

1453

01:11:25,460 --> 01:11:22,800

come out and say hey I've been taken by

1454

01:11:27,140 --> 01:11:25,470

aliens and I visited their ships know it

1455

01:11:28,640 --> 01:11:27,150

does it doesn't happen in the first week

1456

01:11:31,310 --> 01:11:28,650

or two weeks you know i mean i might go

1457

01:11:33,670 --> 01:11:31,320

months and talking to a person before

1458

01:11:36,530 --> 01:11:33,680

they open up and tell me these stories

1459

01:11:39,020 --> 01:11:36,540

and you know and obviously one of the

1460

01:11:43,280 --> 01:11:39,030

other big things is everyone says that

1461

01:11:45,290 --> 01:11:43,290

they are trying to keep us from

1462

01:11:48,170 --> 01:11:45,300

destroying our planet they're trying to

1463

01:11:51,020 --> 01:11:48,180

show these experience these abductees

1464

01:11:54,500 --> 01:11:51,030

they they show them pictures of our

1465

01:11:56,180 --> 01:11:54,510

planet being destroyed by us if you ask

1466

01:11:59,270 --> 01:11:56,190

me who's the biggest threat is that the

1467

01:12:02,270 --> 01:11:59,280

aliens no we are the biggest threat to

1468

01:12:03,800 --> 01:12:02,280

ourselves if we destroy ourselves then

1469

01:12:07,970 --> 01:12:03,810

that's the way it has to be because a

1470

01:12:09,770 --> 01:12:07,980

species cannot learn by just being told

1471

01:12:11,270 --> 01:12:09,780

don't do this when you tell a child

1472

01:12:14,330 --> 01:12:11,280

don't touch the oven you're going to get

1473

01:12:16,190 --> 01:12:14,340

burnt what does the child ooh he's going

1474

01:12:20,210 --> 01:12:16,200

to touch the oven and he's going to burn

1475

01:12:22,700 --> 01:12:20,220

himself that's when a child truly learns

1476

01:12:25,850 --> 01:12:22,710

oh I've made a mistake there's

1477

01:12:27,860 --> 01:12:25,860

repercussions I won't do that again cuz

1478

01:12:30,830 --> 01:12:27,870

you tell a child don't touch it they're

1479

01:12:33,530 --> 01:12:30,840

going to touch it all right kind of same

1480

01:12:39,320 --> 01:12:33,540

concept they can show us where we're

1481

01:12:41,450 --> 01:12:39,330

heading with us polluting our planet but

1482

01:12:45,560 --> 01:12:41,460

it's up to us to make the conscious

1483

01:12:48,310 --> 01:12:45,570

choice to fix it they can't fix it for

1484

01:12:50,300 --> 01:12:48,320

us that would that would that would that

1485

01:12:53,090 --> 01:12:50,310

wouldn't help us in long-term

1486

01:12:57,170 --> 01:12:53,100

I would think what's it going to take

1487

01:12:59,360 --> 01:12:57,180

what is the burning stove you know is it

1488

01:13:02,330 --> 01:12:59,370

up right now the weather pattern i think

1489

01:13:04,850 --> 01:13:02,340

is a little weird you know but what

1490

01:13:06,920 --> 01:13:04,860

would it take to we finally wake up and

1491

01:13:08,810 --> 01:13:06,930

say you know what are we doing and what

1492

01:13:11,330 --> 01:13:08,820

type of sacrifices are we willing to

1493

01:13:13,910 --> 01:13:11,340

make to get things straightened out

1494

01:13:16,190 --> 01:13:13,920

again ya know I I think we'll have to

1495

01:13:19,310 --> 01:13:16,200

continue unfortunately in this this the

1496

01:13:23,060 --> 01:13:19,320

route we're currently going I mean our

1497

01:13:27,290 --> 01:13:23,070

climate has to become seriously

1498

01:13:29,120 --> 01:13:27,300

dangerous to us for us to finally I mean

1499

01:13:31,730 --> 01:13:29,130

we had to burn ourselves we have to burn

1500

01:13:34,610 --> 01:13:31,740

ourselves for the general human

1501

01:13:39,970 --> 01:13:34,620

population to say oh my god we made a

1502

01:13:48,400 --> 01:13:43,610

agree a couple of questions that came up

1503

01:13:52,250 --> 01:13:48,410

earlier but I jot it down here is some

1504

01:13:54,680 --> 01:13:52,260

who would you consider of those 57 cases

1505

01:13:57,770 --> 01:13:54,690

you've investigated who would you

1506

01:14:02,870 --> 01:13:57,780

consider is the most credible witness

1507

01:14:05,690 --> 01:14:02,880

and can you describe the story well I

1508

01:14:07,400 --> 01:14:05,700

want one of the most credible yeah you

1509

01:14:09,530 --> 01:14:07,410

know I'll have to go back to the the

1510

01:14:13,670 --> 01:14:09,540

case i was describing about the high

1511

01:14:16,040 --> 01:14:13,680

school physics teacher he I talked to

1512

01:14:21,080 --> 01:14:16,050

him I talked to the daughter I've seen

1513

01:14:24,910 --> 01:14:21,090

the pictures the wife has now had the

1514

01:14:27,350 --> 01:14:24,920

wife for years was trying to deny it

1515

01:14:30,890 --> 01:14:27,360

this wasn't happening she'd kind of

1516

01:14:33,950 --> 01:14:30,900

tried to dismiss it and now she wake up

1517

01:14:36,350 --> 01:14:33,960

and tell her husband that yes she has

1518

01:14:39,410 --> 01:14:36,360

had the dreams and they'll call it

1519

01:14:43,910 --> 01:14:39,420

dreams of being on the crafts being on

1520

01:14:52,570 --> 01:14:43,920

the metal table and being submitted to

1521

01:14:55,940 --> 01:14:52,580

some medical procedure Wow so um I

1522

01:15:02,710 --> 01:14:55,950

spoken to the mom the father the

1523

01:15:04,190 --> 01:15:02,720

daughter the brother is still

1524

01:15:06,950 --> 01:15:04,200

uncomfortable

1525

01:15:09,380 --> 01:15:06,960

talking to me about it but it affects

1526

01:15:13,150 --> 01:15:09,390

the brother the brothers also in like in

1527

01:15:18,170 --> 01:15:13,160

his fifties and his teenage daughter's

1528

01:15:20,240 --> 01:15:18,180

the same night that they had the scary

1529

01:15:24,100 --> 01:15:20,250

thing about what sounded like a boom

1530

01:15:28,250 --> 01:15:24,110

next to the second floor of the house uh

1531

01:15:30,770 --> 01:15:28,260

the visiting teenage girl like 13 had

1532

01:15:32,440 --> 01:15:30,780

something really really scary said that

1533

01:15:36,110 --> 01:15:32,450

something happened to the whole family

1534

01:15:38,510 --> 01:15:36,120

she saw the whole family in a doctor's

1535

01:15:40,820 --> 01:15:38,520

room but that's all said she would be

1536

01:15:43,910 --> 01:15:40,830

willing to say when there's so many

1537

01:15:47,750 --> 01:15:43,920

people involved that to me is the most

1538

01:15:51,410 --> 01:15:47,760

credible cases let's say that lets

1539

01:15:55,550 --> 01:15:51,420

another story is we'll call him my

1540

01:15:58,670 --> 01:15:55,560

raleigh Raleigh North Carolina case the

1541

01:16:01,910 --> 01:15:58,680

first case that he submitted to us he

1542

01:16:05,570 --> 01:16:01,920

said he saw small being walk through the

1543

01:16:08,690 --> 01:16:05,580

wall next to his bed and he was unable

1544

01:16:11,510 --> 01:16:08,700

to move and is being opened it stretched

1545

01:16:14,120 --> 01:16:11,520

open his eye more and injected something

1546

01:16:15,800 --> 01:16:14,130

into his eyeball so when i read that I'm

1547

01:16:18,080 --> 01:16:15,810

like my god this guy's totally crazy

1548

01:16:21,710 --> 01:16:18,090

okay but that's my that's my knee-jerk

1549

01:16:23,480 --> 01:16:21,720

reaction uh-huh and I talked to him and

1550

01:16:25,550 --> 01:16:23,490

I said you know take the details when it

1551

01:16:28,720 --> 01:16:25,560

happened did anybody see nobody saw okay

1552

01:16:32,750 --> 01:16:28,730

well how long it is unknown or

1553

01:16:35,080 --> 01:16:32,760

information that's fine but then he goes

1554

01:16:39,020 --> 01:16:35,090

back and he starts sending me pictures

1555

01:16:41,630 --> 01:16:39,030

the UFO cc's of these things that happen

1556

01:16:45,290 --> 01:16:41,640

and then you know in these men I know

1557

01:16:49,100 --> 01:16:45,300

now for years he he tells me that his

1558

01:16:53,060 --> 01:16:49,110

sister in Atlanta has also paranormal

1559

01:16:55,280 --> 01:16:53,070

experiences so I little ok so to me I'm

1560

01:16:57,220 --> 01:16:55,290

having a hard time believing this guy I

1561

01:17:02,540 --> 01:16:57,230

mean is he really seeing these beings

1562

01:17:04,100 --> 01:17:02,550

excuse me so I call it sister and and

1563

01:17:07,670 --> 01:17:04,110

she says yeah I know about my brother's

1564

01:17:09,410 --> 01:17:07,680

fascination with UFOs and and you know I

1565

01:17:11,510 --> 01:17:09,420

don't know if I necessarily believe this

1566

01:17:13,010 --> 01:17:11,520

is what the sisters telling me and then

1567

01:17:15,320 --> 01:17:13,020

I said well so he was telling me you've

1568

01:17:17,410 --> 01:17:15,330

had some paranormal experiences she goes

1569

01:17:19,689 --> 01:17:17,420

yeah you know I

1570

01:17:23,140 --> 01:17:19,699

see ghosts we see ghosts in my house and

1571

01:17:24,729 --> 01:17:23,150

this is a divorced woman with at the

1572

01:17:27,280 --> 01:17:24,739

time she had like a 13 year old daughter

1573

01:17:29,410 --> 01:17:27,290

she says yeah I'll see shadows run

1574

01:17:33,430 --> 01:17:29,420

across my house you know run across the

1575

01:17:37,060 --> 01:17:33,440

room and she says my teenage daughter

1576

01:17:40,060 --> 01:17:37,070

also says she sees the little people she

1577

01:17:43,510 --> 01:17:40,070

sees what seemed to be three to four

1578

01:17:47,169 --> 01:17:43,520

foot tall shadows moving around her in

1579

01:17:50,200 --> 01:17:47,179

her room and that's when I'm like

1580

01:17:53,500 --> 01:17:50,210

thinking oh my god it sounds like this

1581

01:17:56,560 --> 01:17:53,510

other case I had in winston-salem where

1582

01:17:59,560 --> 01:17:56,570

and I said could you would you say it's

1583

01:18:02,650 --> 01:17:59,570

looked like a small being that just

1584

01:18:03,970 --> 01:18:02,660

looked like a shadow and she goes wow I

1585

01:18:05,439 --> 01:18:03,980

you know I didn't really ever think

1586

01:18:07,180 --> 01:18:05,449

about that but yeah actually that's what

1587

01:18:10,870 --> 01:18:07,190

it looks like it looks like the shadow

1588

01:18:13,209 --> 01:18:10,880

of a small being and she said I just

1589

01:18:16,330 --> 01:18:13,219

assumed they were always goes but when I

1590

01:18:18,130 --> 01:18:16,340

talked to her she's like oh my god so is

1591

01:18:20,650 --> 01:18:18,140

my brother's fascination with ufos--

1592

01:18:27,720 --> 01:18:20,660

actually somehow affecting me and my

1593

01:18:31,390 --> 01:18:27,730

daughter so anyway those are the kind of

1594

01:18:35,620 --> 01:18:31,400

correlations I find across cases um

1595

01:18:38,740 --> 01:18:35,630

here's another interesting case it came

1596

01:18:42,459 --> 01:18:38,750

my way a woman who described herself or

1597

01:18:46,689 --> 01:18:42,469

just described herself named Jenny she

1598

01:18:49,419 --> 01:18:46,699

said I'm a banking executive she said I

1599

01:18:51,250 --> 01:18:49,429

will not give you my true name or my

1600

01:18:53,919 --> 01:18:51,260

contact information you'll only get

1601
01:18:55,750 --> 01:18:53,929
these emails from me she says I've had

1602
01:19:01,590 --> 01:18:55,760
abduction experiences since I was a

1603
01:19:07,180 --> 01:19:01,600
child and she says I am still single I

1604
01:19:10,510 --> 01:19:07,190
am a very very busy executive I have a

1605
01:19:13,270 --> 01:19:10,520
boyfriend and I have not shared with him

1606
01:19:15,640 --> 01:19:13,280
these abduction cases she's and in the

1607
01:19:20,919 --> 01:19:15,650
email she says but I have been

1608
01:19:22,360 --> 01:19:20,929
impregnated and I knew that he didn't

1609
01:19:24,370 --> 01:19:22,370
come from the boyfriend or it was before

1610
01:19:25,870 --> 01:19:24,380
the boyfriend and I've gone to the

1611
01:19:28,720 --> 01:19:25,880
doctor age he says congratulations

1612
01:19:30,920 --> 01:19:28,730
you're pregnant and she doesn't say

1613
01:19:35,240 --> 01:19:30,930

anything she's like okay

1614

01:19:37,220 --> 01:19:35,250

thank you and later around three to four

1615

01:19:40,460 --> 01:19:37,230

months down the line she goes back and

1616

01:19:44,180 --> 01:19:40,470

she says you you no longer have a fetus

1617

01:19:47,330 --> 01:19:44,190

did you discharge she says no no I don't

1618

01:19:50,330 --> 01:19:47,340

think so and then she has to go about

1619

01:19:54,260 --> 01:19:50,340

her back to her business busy executive

1620

01:19:56,600 --> 01:19:54,270

life at the banks but she has said that

1621

01:19:59,300 --> 01:19:56,610

she's experienced at all her life she

1622

01:20:01,220 --> 01:19:59,310

just needed someone to tell and

1623

01:20:05,060 --> 01:20:01,230

unfortunately she only communicated with

1624

01:20:07,550 --> 01:20:05,070

me for a few months and I mean can you

1625

01:20:11,210 --> 01:20:07,560

imagine if if you're a high-ranking

1626

01:20:13,040 --> 01:20:11,220

executive at a bank and and somebody

1627

01:20:16,010 --> 01:20:13,050

starts talking about your abductions and

1628

01:20:21,320 --> 01:20:16,020

you being impregnating and losing a baby

1629

01:20:24,290 --> 01:20:21,330

I that could have real repercussions in

1630

01:20:27,050 --> 01:20:24,300

someone's professional life that person

1631

01:20:30,350 --> 01:20:27,060

is not going to be comfortable having

1632

01:20:32,300 --> 01:20:30,360

her case documented anywhere weatherby

1633

01:20:34,730 --> 01:20:32,310

move on her anywhere else you know but

1634

01:20:37,250 --> 01:20:34,740

she emailed me about that and I really

1635

01:20:39,260 --> 01:20:37,260

really wish that she had she would reach

1636

01:20:42,890 --> 01:20:39,270

out to me or you know maybe would meet

1637

01:20:44,750 --> 01:20:42,900

me in person because I just don't think

1638

01:20:48,560 --> 01:20:44,760

that she's the only one I think there

1639

01:20:51,830 --> 01:20:48,570

are far more people out there I think it

1640

01:20:53,600 --> 01:20:51,840

happens in every town in every state I

1641

01:20:55,880 --> 01:20:53,610

don't think North Carolina is special in

1642

01:21:00,350 --> 01:20:55,890

any way I really think this is happening

1643

01:21:04,850 --> 01:21:00,360

everywhere well I'll tell you it's it's

1644

01:21:07,010 --> 01:21:04,860

a if it if it is so it's just a scary

1645

01:21:09,200 --> 01:21:07,020

situation and I understand what you're

1646

01:21:13,460 --> 01:21:09,210

saying you know I mean it if someone is

1647

01:21:16,790 --> 01:21:13,470

emailing you it does not you know it

1648

01:21:19,400 --> 01:21:16,800

could be it could be BS as someone said

1649

01:21:21,680 --> 01:21:19,410

on the message board you know sorry but

1650

01:21:24,170 --> 01:21:21,690

when you see them face to face you can

1651

01:21:26,120 --> 01:21:24,180

make your your judgment absolutely but I

1652

01:21:29,870 --> 01:21:26,130

I totally understand if someone is

1653

01:21:32,360 --> 01:21:29,880

actually a bank exec you know course are

1654

01:21:35,570 --> 01:21:32,370

not going to hmm tell anyone about this

1655

01:21:37,690 --> 01:21:35,580

type of situation her and I can't

1656

01:21:40,310 --> 01:21:37,700

imagine what type of turmoil it would be

1657

01:21:42,440 --> 01:21:40,320

mmhmm yeah it's you know what I am

1658

01:21:44,490 --> 01:21:42,450

totally okay with anybody seeing this BS

1659

01:21:46,320 --> 01:21:44,500

I firmly under

1660

01:21:48,750 --> 01:21:46,330

dan where you're coming from I got into

1661

01:21:51,810 --> 01:21:48,760

move on because I wasn't ready to accept

1662

01:21:53,370 --> 01:21:51,820

it I I couldn't accept it I needed to

1663

01:21:56,250 --> 01:21:53,380

meet these people I needed to see it

1664

01:22:00,390 --> 01:21:56,260

with my own eyes so let me tell you what

1665

01:22:03,900 --> 01:22:00,400

happened on November fifth 2011 and 9 30

1666

01:22:06,960 --> 01:22:03,910

p.m. one of these cases had been

1667

01:22:11,100 --> 01:22:06,970

reporting seeing the UFOs frequently

1668

01:22:14,160 --> 01:22:11,110

they were experiencers it affected the

1669

01:22:17,060 --> 01:22:14,170

wife it affected the husband and the

1670

01:22:20,730 --> 01:22:17,070

grown daughter and a teenage

1671

01:22:22,290 --> 01:22:20,740

grandchildren so we took we had had a

1672

01:22:25,230 --> 01:22:22,300

MUFON meeting in Hickory North Carolina

1673

01:22:28,320 --> 01:22:25,240

and after the meeting we went to this

1674

01:22:31,350 --> 01:22:28,330

person's house I set up my infrared I

1675

01:22:34,020 --> 01:22:31,360

set up my telescope I had a camera on my

1676

01:22:37,350 --> 01:22:34,030

chest other people had their video

1677

01:22:39,360 --> 01:22:37,360

camera and it was cold that night it was

1678

01:22:42,390 --> 01:22:39,370

really really cold there was 12 of us

1679

01:22:45,570 --> 01:22:42,400

who had started out outside and six of

1680

01:22:47,940 --> 01:22:45,580

us six of the people win in sight at

1681

01:22:53,790 --> 01:22:47,950

nine thirty at night one of the

1682

01:22:59,970 --> 01:22:53,800

witnesses said oh my God look up and we

1683

01:23:02,210 --> 01:22:59,980

saw a boomerang-shaped craft maybe we'll

1684

01:23:06,420 --> 01:23:02,220

say right around five thousand feet up

1685

01:23:10,680 --> 01:23:06,430

so it's really low i would say it was

1686

01:23:13,580 --> 01:23:10,690

the size of us between the size of one

1687

01:23:18,840 --> 01:23:13,590

to two once to twice the size of a 747

1688

01:23:22,500 --> 01:23:18,850

and we saw the craft cross a quarter of

1689

01:23:27,180 --> 01:23:22,510

the sky somewhere between 10 and 20

1690

01:23:29,190 --> 01:23:27,190

seconds and the scariest thing I'm

1691

01:23:33,480 --> 01:23:29,200

looking at it and I'm not accepting I'm

1692

01:23:35,550 --> 01:23:33,490

not um I'm having tribal processing what

1693

01:23:38,340 --> 01:23:35,560

I'm seeing is not supposed to be real

1694

01:23:41,550 --> 01:23:38,350

mm-hmm I have a camera on my chest in

1695

01:23:44,640 --> 01:23:41,560

all I did was look at it my mouth wide

1696

01:23:46,350 --> 01:23:44,650

open and I'm watching it and you know

1697

01:23:48,090 --> 01:23:46,360

I've heard other people say that I'm

1698

01:23:49,140 --> 01:23:48,100

thinking oh my god you're full of crap I

1699

01:23:51,510 --> 01:23:49,150

would have taken thousand pictures

1700

01:23:55,530 --> 01:23:51,520

mm-hmm when you see something that you

1701

01:23:58,260 --> 01:23:55,540

cannot process shot is a real thing

1702

01:24:01,020 --> 01:23:58,270

right until you're in in that

1703

01:24:02,310 --> 01:24:01,030

chu a shin yeah you're not gonna

1704

01:24:04,140 --> 01:24:02,320

understand because yeah I had a camera

1705

01:24:06,570 --> 01:24:04,150

on my chest I was there with other

1706

01:24:08,550 --> 01:24:06,580

people these other people have come to

1707

01:24:10,500 --> 01:24:08,560

the other most of the meetings and

1708

01:24:13,050 --> 01:24:10,510

they'll you know they'll say yep that's

1709

01:24:17,040 --> 01:24:13,060

exactly what we saw as if matter of fact

1710

01:24:21,120 --> 01:24:17,050

I've now gone as far as I used a website

1711

01:24:24,360 --> 01:24:21,130

called Tinkercad com to do a 3d model of

1712

01:24:27,630 --> 01:24:24,370

the boomerang-shaped craft that we saw I

1713

01:24:32,850 --> 01:24:27,640

actually need to get it printed off but

1714

01:24:37,140 --> 01:24:32,860

that one event altered my life and made

1715

01:24:39,480 --> 01:24:37,150

me realize that this is so important I

1716

01:24:45,180 --> 01:24:39,490

have to dedicate a small portion of my

1717

01:24:47,970 --> 01:24:45,190

life to helping people real helping

1718

01:24:51,630 --> 01:24:47,980

people learn that this is a real thing

1719

01:24:54,300 --> 01:24:51,640

it affects every one of us now when this

1720

01:24:58,110 --> 01:24:54,310

thing was going over it was dark out i'm

1721

01:25:01,200 --> 01:24:58,120

assuming yeah a 930 at night we had seen

1722

01:25:04,980 --> 01:25:01,210

the helicopter from the local hospital

1723

01:25:09,390 --> 01:25:04,990

we'd seen the Jets at 35,000 feet you

1724

01:25:13,230 --> 01:25:09,400

can clearly hear a jet and we can sound

1725

01:25:15,360 --> 01:25:13,240

on this one nothing I'm looking at it I

1726

01:25:17,880 --> 01:25:15,370

was staring at it there's no sound I'm

1727

01:25:20,460 --> 01:25:17,890

waiting for sound to come at me there's

1728

01:25:23,010 --> 01:25:20,470

no sound it's I mean I'm in shock i'm

1729

01:25:25,650 --> 01:25:23,020

scared i'm i'm a having difficulty

1730

01:25:28,470 --> 01:25:25,660

processing what I'm seeing and there was

1731

01:25:32,610 --> 01:25:28,480

six of us and we all had equipment there

1732

01:25:37,590 --> 01:25:32,620

and nobody got it nobody got it we were

1733

01:25:41,370 --> 01:25:37,600

all just just in shock wow wow and any

1734

01:25:44,490 --> 01:25:41,380

lights on it yep yep there was at the

1735

01:25:48,000 --> 01:25:44,500

end of the of the boomerang the light to

1736

01:25:54,180 --> 01:25:48,010

the end were orange and at the front tip

1737

01:25:59,220 --> 01:25:54,190

there was a large larger red light it's

1738

01:26:01,730 --> 01:25:59,230

almost like um just their large circular

1739

01:26:04,110 --> 01:26:01,740

objects that were pointing straight down

1740

01:26:08,040 --> 01:26:04,120

well it's amazing that you picked that

1741

01:26:09,870 --> 01:26:08,050

night or is this something they were was

1742

01:26:11,470 --> 01:26:09,880

this similar to what they were seeing

1743

01:26:14,380 --> 01:26:11,480

the witnesses

1744

01:26:18,220 --> 01:26:14,390

um they had seen a variety of shapes the

1745

01:26:24,729 --> 01:26:18,230

triangles the disc I think they even saw

1746

01:26:27,190 --> 01:26:24,739

a pyramid at one point um I I think it

1747

01:26:29,020 --> 01:26:27,200

had to do we like the really reason I

1748

01:26:31,720 --> 01:26:29,030

saw it is because of the experiences

1749

01:26:34,150 --> 01:26:31,730

there that were with me it was not just

1750

01:26:38,010 --> 01:26:34,160

a family who lived there it was also

1751

01:26:42,940 --> 01:26:38,020

another lady who lived in another town

1752

01:26:46,570 --> 01:26:42,950

her her cousin her husband her autistic

1753

01:26:49,570 --> 01:26:46,580

child have had experiences and I think

1754

01:26:52,450 --> 01:26:49,580

it was because of them that's why I was

1755

01:26:56,410 --> 01:26:52,460

fortunate enough to see it I don't know

1756

01:27:00,040 --> 01:26:56,420

if you know this but North Carolina we

1757

01:27:03,310 --> 01:27:00,050

have a city called Wilmington where we

1758

01:27:06,120 --> 01:27:03,320

have a lot of sightings I'm just going

1759

01:27:08,410 --> 01:27:06,130

to ask you about hot spots yes hot spots

1760

01:27:10,140 --> 01:27:08,420

hot spots number one hot spot north

1761

01:27:14,710 --> 01:27:10,150

carolina is Wilmington North Carolina

1762

01:27:16,650 --> 01:27:14,720

it's right on the coast it is funny

1763

01:27:19,990 --> 01:27:16,660

enough there is a nuclear power plant

1764

01:27:21,370 --> 01:27:20,000

Cape here the I egg I don't remember

1765

01:27:23,979 --> 01:27:21,380

exactly the name of the power plant

1766

01:27:25,750 --> 01:27:23,989

butts near Cape Fear and we also have

1767

01:27:28,210 --> 01:27:25,760

the largest weapons any mission

1768

01:27:32,680 --> 01:27:28,220

transport in North Carolina that both

1769

01:27:34,840 --> 01:27:32,690

are really close by we have so many

1770

01:27:39,610 --> 01:27:34,850

sightings come from New Hanover as the

1771

01:27:42,880 --> 01:27:39,620

county um I also see a lot of people on

1772

01:27:46,300 --> 01:27:42,890

YouTube reporting sightings along that

1773

01:27:49,210 --> 01:27:46,310

area there is one particular young man

1774

01:27:54,640 --> 01:27:49,220

who has gotten lots of videos of the

1775

01:27:56,170 --> 01:27:54,650

orange orbs there and I he had started

1776

01:27:59,020 --> 01:27:56,180

to get in touch with another man in

1777

01:28:02,080 --> 01:27:59,030

Myrtle Beach South Carolina so it's it's

1778

01:28:04,960 --> 01:28:02,090

it's pretty close by 45 50 minute drive

1779

01:28:07,810 --> 01:28:04,970

between the two cities well they've had

1780

01:28:10,750 --> 01:28:07,820

a lot of sightings there too I was in

1781

01:28:12,280 --> 01:28:10,760

Myrtle Beach on vacation and I'd already

1782

01:28:14,020 --> 01:28:12,290

known that there was lots of UFO

1783

01:28:15,940 --> 01:28:14,030

sightings there and a lot of people had

1784

01:28:18,790 --> 01:28:15,950

to describe the orange orbs coming in

1785

01:28:23,140 --> 01:28:18,800

from the ocean so I decided you know

1786

01:28:25,120 --> 01:28:23,150

what I'm gonna go check it out so it was

1787

01:28:29,800 --> 01:28:25,130

like a frightening it was friday sep 10

1788

01:28:32,620 --> 01:28:29,810

30a 2013 I believe I taken a lawn chair

1789

01:28:37,419 --> 01:28:32,630

took my tripod took my video camera and

1790

01:28:41,260 --> 01:28:37,429

I sat on the beach looking out over the

1791

01:28:42,580 --> 01:28:41,270

ocean and I started at ten o'clock at

1792

01:28:44,320 --> 01:28:42,590

night I said I'm gonna stay there till

1793

01:28:48,100 --> 01:28:44,330

midnight you know it's a long shot they

1794

01:28:50,260 --> 01:28:48,110

don't see anything but I'm gonna stay so

1795

01:28:52,990 --> 01:28:50,270

I was there and I saw lots of planes go

1796

01:28:56,410 --> 01:28:53,000

by I can't say I saw any satellites but

1797

01:28:58,270 --> 01:28:56,420

I did see the planes go by and uh so i

1798

01:29:00,340 --> 01:28:58,280

was there till midnight and he was gonna

1799

01:29:01,570 --> 01:29:00,350

get coal I'm like you know I really kind

1800

01:29:04,899 --> 01:29:01,580

of was hoping I'd see something let me

1801
01:29:07,360 --> 01:29:04,909
stay another hour one o'clock comes up I

1802
01:29:10,090 --> 01:29:07,370
like okay forget it you know I'm really

1803
01:29:12,910 --> 01:29:10,100
tired I'm going to go back so I pack up

1804
01:29:15,970 --> 01:29:12,920
my tripod I put the video camera in the

1805
01:29:19,260 --> 01:29:15,980
bag I pack up my folding chair and I

1806
01:29:24,250 --> 01:29:19,270
start walking towards the parking lot

1807
01:29:26,649 --> 01:29:24,260
there is an orange orb i would say 60

1808
01:29:30,850 --> 01:29:26,659
feet off the ground coming towards the

1809
01:29:32,709 --> 01:29:30,860
beach at a i don't know i was guessing

1810
01:29:35,560 --> 01:29:32,719
somewhere between 50 and 60 miles per

1811
01:29:37,990 --> 01:29:35,570
hour and it's speeding up and i'm still

1812
01:29:39,550 --> 01:29:38,000
on the beach and it stops almost above

1813
01:29:41,229 --> 01:29:39,560

me at 60 feet and the reason I'm saying

1814

01:29:43,450 --> 01:29:41,239

60 feet there is a three-story house on

1815

01:29:45,970 --> 01:29:43,460

the beach and it was about twice the

1816

01:29:49,540 --> 01:29:45,980

height of that three-story house it came

1817

01:29:52,570 --> 01:29:49,550

up above the beach and did not stop it

1818

01:29:56,229 --> 01:29:52,580

did a 90 degree turn and went straight

1819

01:30:00,970 --> 01:29:56,239

north along the coast without slowing

1820

01:30:03,490 --> 01:30:00,980

down wow so so I mean it's only like 60

1821

01:30:05,979 --> 01:30:03,500

60 to 70 feet is how the closest point

1822

01:30:09,070 --> 01:30:05,989

it got to me and I'm looking up at it at

1823

01:30:10,300 --> 01:30:09,080

that point I'm trying to process as much

1824

01:30:12,310 --> 01:30:10,310

as possible and I'm getting the video

1825

01:30:14,410 --> 01:30:12,320

camera out and I the sighting only

1826

01:30:16,510 --> 01:30:14,420

lasted 5 to 6 seconds or maybe 10

1827

01:30:19,390 --> 01:30:16,520

seconds it wasn't enough time for me to

1828

01:30:21,729 --> 01:30:19,400

get the camera out and on but I can tell

1829

01:30:25,090 --> 01:30:21,739

you that this object was four to five

1830

01:30:29,379 --> 01:30:25,100

feet across I would describe the outer

1831

01:30:32,350 --> 01:30:29,389

surface as very glass like ah a dark

1832

01:30:38,410 --> 01:30:32,360

orange but towards the center it seemed

1833

01:30:42,790 --> 01:30:38,420

to be a darker red um it was moving

1834

01:30:44,860 --> 01:30:42,800

way too fast to be anything like you

1835

01:30:46,120 --> 01:30:44,870

know Chinese lantern I mean it was I'm

1836

01:30:48,520 --> 01:30:46,130

kind of guessing it was somewhere about

1837

01:30:53,350 --> 01:30:48,530

60 miles per hour and it literally did a

1838

01:30:55,810 --> 01:30:53,360

90-degree turn without slowing um so I

1839

01:30:59,169 --> 01:30:55,820

have now seen the orange orbs that so

1840

01:31:01,479 --> 01:30:59,179

many people are describing yes and you

1841

01:31:02,860 --> 01:31:01,489

know when I first heard about the orange

1842

01:31:07,479 --> 01:31:02,870

orbs you know the first thing I thought

1843

01:31:09,370 --> 01:31:07,489

was Chinese lanterns you know but you

1844

01:31:13,180 --> 01:31:09,380

know when you and other people have

1845

01:31:15,250 --> 01:31:13,190

described you know the the moves and you

1846

01:31:17,709 --> 01:31:15,260

know the different I'm trying to think

1847

01:31:19,450 --> 01:31:17,719

he was on the show recently he wrote the

1848

01:31:21,640 --> 01:31:19,460

book on orange orbs and he's working

1849

01:31:26,800 --> 01:31:21,650

with MUFON now are you familiar with him

1850

01:31:30,729 --> 01:31:26,810

talking about um yeah I did yes but

1851

01:31:33,459 --> 01:31:30,739

anyway he had a beef citing where he was

1852

01:31:35,080 --> 01:31:33,469

describing that it was like one right

1853

01:31:38,470 --> 01:31:35,090

after the other and it had the exact

1854

01:31:40,470 --> 01:31:38,480

same pattern that it flew which is

1855

01:31:42,910 --> 01:31:40,480

really bizarre and why are they

1856

01:31:45,189 --> 01:31:42,920

overwater so much or toward the water

1857

01:31:47,650 --> 01:31:45,199

you know there's so many well if

1858

01:31:49,720 --> 01:31:47,660

Wednesday's if you want to hide where

1859

01:31:51,100 --> 01:31:49,730

where would be the best place to hide I

1860

01:31:55,560 --> 01:31:51,110

mean you know that's just speculation

1861

01:31:58,660 --> 01:31:55,570

but you know we we do have a lot of

1862

01:32:02,320 --> 01:31:58,670

sightings from that area and most of the

1863

01:32:05,530 --> 01:32:02,330

ones are about people seeing the orange

1864

01:32:07,300 --> 01:32:05,540

orbs coming in from over the ocean as a

1865

01:32:12,340 --> 01:32:07,310

matter of fact as a matter of fact one

1866

01:32:15,010 --> 01:32:12,350

of my cases in 2014 a person had taken a

1867

01:32:16,959 --> 01:32:15,020

photo of an object they saw in the very

1868

01:32:21,040 --> 01:32:16,969

far distance in in the middle of day

1869

01:32:23,590 --> 01:32:21,050

over over the ocean what was it

1870

01:32:25,419 --> 01:32:23,600

whitesville beach whitesville beach

1871

01:32:28,840 --> 01:32:25,429

somewhere somewhere like that in North

1872

01:32:32,020 --> 01:32:28,850

Carolina they sent me a picture from

1873

01:32:34,780 --> 01:32:32,030

their iphone and it was very grainy but

1874

01:32:37,870 --> 01:32:34,790

he said this is Elvis is a businessman

1875

01:32:39,310 --> 01:32:37,880

there in I don't know I mean to me I

1876

01:32:42,150 --> 01:32:39,320

have to give a person who with a

1877

01:32:48,370 --> 01:32:42,160

successful business more credibility

1878

01:32:49,689 --> 01:32:48,380

this businessman and his wife had went

1879

01:32:52,000 --> 01:32:49,699

back in the house they got their

1880

01:32:53,500 --> 01:32:52,010

binoculars and they looked up at the

1881

01:32:58,660 --> 01:32:53,510

looked at this object in the distance

1882

01:33:01,600 --> 01:32:58,670

and they said oh my god that is a UFO

1883

01:33:04,330 --> 01:33:01,610

and it is sucking water from the ocean

1884

01:33:07,149 --> 01:33:04,340

hmm they sent me the picture and it's

1885

01:33:09,609 --> 01:33:07,159

really grainy I mean I knew what to

1886

01:33:11,500 --> 01:33:09,619

expect so yes that's what I make out you

1887

01:33:15,100 --> 01:33:11,510

know can someone say it looks more like

1888

01:33:17,379 --> 01:33:15,110

a freight freight freighter sure okay

1889

01:33:19,919 --> 01:33:17,389

that's fine i mean it's grainy i mean

1890

01:33:22,180 --> 01:33:19,929

you can't zoom in i try to do some up

1891

01:33:23,770 --> 01:33:22,190

image manipulation but you're not i

1892

01:33:26,319 --> 01:33:23,780

couldn't get any more detail out of it

1893

01:33:28,410 --> 01:33:26,329

yes this was a couple of years ago so

1894

01:33:31,120 --> 01:33:28,420

the image quality was still kind of poor

1895

01:33:32,529 --> 01:33:31,130

but this is what the business man is

1896

01:33:35,229 --> 01:33:32,539

when I've told me they they got

1897

01:33:37,899 --> 01:33:35,239

binoculars and they said it was a UFO

1898

01:33:40,180 --> 01:33:37,909

craft and he was bobbing so it would

1899

01:33:43,149 --> 01:33:40,190

tilt and you could see the Sun

1900

01:33:44,979 --> 01:33:43,159

reflecting off its top surface and here

1901
01:33:48,790 --> 01:33:44,989
water was being sucked in through the

1902
01:33:52,029 --> 01:33:48,800
bottom right that's a similar to another

1903
01:33:54,000 --> 01:33:52,039
case forget exactly where but it was

1904
01:33:57,879 --> 01:33:54,010
actually in the middle of a lake and

1905
01:34:00,490 --> 01:33:57,889
sucking water up into it yep of course

1906
01:34:01,959 --> 01:34:00,500
you know they need to have water you

1907
01:34:05,770 --> 01:34:01,969
know someone just made a comment about

1908
01:34:08,919 --> 01:34:05,780
the truck driver lemme tell ya the truck

1909
01:34:11,919 --> 01:34:08,929
driver doesn't give a damn what anybody

1910
01:34:14,319 --> 01:34:11,929
thinks about him so the truck driver is

1911
01:34:19,029 --> 01:34:14,329
going to be one of the first people to

1912
01:34:21,430 --> 01:34:19,039
admit about the UFO sighting the radio

1913
01:34:24,220 --> 01:34:21,440

station owner that has reported to move

1914

01:34:27,549 --> 01:34:24,230

on you're never going to hear about his

1915

01:34:30,700 --> 01:34:27,559

sighting because he has way too much to

1916

01:34:34,509 --> 01:34:30,710

lose his business is all around his

1917

01:34:36,910 --> 01:34:34,519

credibility his story will not be shared

1918

01:34:39,370 --> 01:34:36,920

with anyone but he shared it with move

1919

01:34:43,540 --> 01:34:39,380

on and we will keep other names

1920

01:34:47,169 --> 01:34:43,550

anonymous but we do get sightings from

1921

01:34:49,240 --> 01:34:47,179

many bankers and business owners I

1922

01:34:50,680 --> 01:34:49,250

haven't talked to any doctors but I'm

1923

01:34:54,189 --> 01:34:50,690

pretty sure we did sightings from

1924

01:34:57,759 --> 01:34:54,199

doctors it you have sightings for them

1925

01:35:00,390 --> 01:34:57,769

full spectrum and for the people that

1926

01:35:03,759 --> 01:35:00,400

don't believe I I don't blame you at all

1927

01:35:05,920 --> 01:35:03,769

it's going to take you actually seeing

1928

01:35:08,830 --> 01:35:05,930

it for you to fully

1929

01:35:13,690 --> 01:35:08,840

understand you know the implications

1930

01:35:16,680 --> 01:35:13,700

that this is real right question up

1931

01:35:21,640 --> 01:35:16,690

there is there a commonality to which

1932

01:35:25,480 --> 01:35:21,650

side that eyes or nose probing implants

1933

01:35:28,180 --> 01:35:25,490

or two which nostril they are inset into

1934

01:35:36,630 --> 01:35:28,190

have you heard about any implants in any

1935

01:35:38,830 --> 01:35:36,640

of these abduction cases yes yes we have

1936

01:35:43,810 --> 01:35:38,840

sometimes it's in the shin sometimes

1937

01:35:45,850 --> 01:35:43,820

it's in the ear uh but it doesn't seem

1938

01:35:50,590 --> 01:35:45,860

to be consistent i have an EMF reader

1939

01:35:52,210 --> 01:35:50,600

that i take to our meetings i have not

1940

01:35:56,980 --> 01:35:52,220

been successful in picking up anything

1941

01:35:59,670 --> 01:35:56,990

with mine but someone else who had a

1942

01:36:02,560 --> 01:35:59,680

really high-end EMF reader did pick up

1943

01:36:07,240 --> 01:36:02,570

um electrical frequencies being given

1944

01:36:10,630 --> 01:36:07,250

off by somebody shin some of my families

1945

01:36:15,820 --> 01:36:10,640

that have lifelong experiences have it

1946

01:36:17,680 --> 01:36:15,830

chose to invest money into um game

1947

01:36:20,550 --> 01:36:17,690

cameras that they set up inside their

1948

01:36:22,990 --> 01:36:20,560

homes and they will also leave on

1949

01:36:26,290 --> 01:36:23,000

microphones to record the sounds at

1950

01:36:30,820 --> 01:36:26,300

night oh here's an interesting thing so

1951

01:36:34,030 --> 01:36:30,830

I start to tell these peep family 'he's

1952

01:36:36,640 --> 01:36:34,040

with lifelong experiences to start

1953

01:36:40,540 --> 01:36:36,650

documenting and photographing every

1954

01:36:43,660 --> 01:36:40,550

bruise every cut that they get one of my

1955

01:36:48,010 --> 01:36:43,670

family's she went out and bought a small

1956

01:36:50,980 --> 01:36:48,020

recorder and in a middle night she was

1957

01:36:52,660 --> 01:36:50,990

woken up by some noise and this the

1958

01:36:55,080 --> 01:36:52,670

recorder went off and she's talking

1959

01:36:57,580 --> 01:36:55,090

she's like I hear somebody moving and

1960

01:36:59,590 --> 01:36:57,590

sure enough on the recorder she's like

1961

01:37:04,450 --> 01:36:59,600

oh my god somebody is running across my

1962

01:37:06,460 --> 01:37:04,460

roof and you can hear like I mean it

1963

01:37:08,890 --> 01:37:06,470

sounds like somebody is running can't

1964

01:37:12,220 --> 01:37:08,900

exactly City tell it's on the roof but

1965

01:37:15,820 --> 01:37:12,230

you can hear footsteps running well in

1966

01:37:18,890 --> 01:37:15,830

that same night's recording she got what

1967

01:37:20,730 --> 01:37:18,900

it sounded like clicking sounds

1968

01:37:24,510 --> 01:37:20,740

clicking sounds from two different

1969

01:37:26,820 --> 01:37:24,520

people and when she showed me she gave

1970

01:37:28,530 --> 01:37:26,830

me that audio clip I was like wow that's

1971

01:37:32,390 --> 01:37:28,540

kind of weird and interesting and you

1972

01:37:35,460 --> 01:37:32,400

know I didn't think much of it and then

1973

01:37:38,400 --> 01:37:35,470

my this that down with family was in a

1974

01:37:40,920 --> 01:37:38,410

winston-salem North Carolina then my

1975

01:37:45,840 --> 01:37:40,930

family from the mountains a few months

1976

01:37:47,700 --> 01:37:45,850

later also got a microphone and funny

1977

01:37:54,270 --> 01:37:47,710

enough they recorded what sounded like

1978

01:37:58,490 --> 01:37:54,280

clickings I almost like somebody talking

1979

01:38:04,140 --> 01:37:58,500

or somebody clicking to to someone else

1980

01:38:06,420 --> 01:38:04,150

hello Wow I'm sorry like you I just was

1981

01:38:09,330 --> 01:38:06,430

distracted by the message board all

1982

01:38:15,500 --> 01:38:09,340

right so so they actually heard clicking

1983

01:38:18,690 --> 01:38:15,510

noises like Munich ating it sounded like

1984

01:38:21,840 --> 01:38:18,700

it was two distinct clicking sounds to

1985

01:38:24,810 --> 01:38:21,850

each other yes and it came from two

1986

01:38:27,090 --> 01:38:24,820

families at that point I had not

1987

01:38:28,950 --> 01:38:27,100

introduced the families but after that

1988

01:38:31,710 --> 01:38:28,960

I'm like but you two guys need to start

1989

01:38:34,260 --> 01:38:31,720

talking because you have similar

1990

01:38:36,330 --> 01:38:34,270

situations going on and you live half

1991

01:38:38,490 --> 01:38:36,340

the stayed away from each other did they

1992

01:38:41,520 --> 01:38:38,500

actually get in touch with each other oh

1993

01:38:45,870 --> 01:38:41,530

yeah they did well our people hesitant

1994

01:38:47,400 --> 01:38:45,880

to do that sure sure I mean you uh you

1995

01:38:49,140 --> 01:38:47,410

think your life is crazy you don't want

1996

01:38:52,980 --> 01:38:49,150

to hear about somebody else's crazy life

1997

01:38:55,620 --> 01:38:52,990

but I bet it helps it's like any like

1998

01:38:58,680 --> 01:38:55,630

group therapy type of thing to talk

1999

01:39:01,110 --> 01:38:58,690

about you know the fears and absolutely

2000

01:39:03,000 --> 01:39:01,120

anger and all whatever else goes along

2001

01:39:04,410 --> 01:39:03,010

with it which I imagine there's anger

2002

01:39:08,670 --> 01:39:04,420

has to be a part of it I would think

2003

01:39:11,490 --> 01:39:08,680

cäcilie yeah there's no um so like I

2004

01:39:17,430 --> 01:39:11,500

said this is we're giving people a venue

2005

01:39:22,950 --> 01:39:17,440

to share their stories it helps them

2006

01:39:25,680 --> 01:39:22,960

integrate this into their lives and it's

2007

01:39:27,930 --> 01:39:25,690

it's a comfort it really is a comfort to

2008

01:39:31,050 --> 01:39:27,940

these people to know that they're not

2009

01:39:32,100 --> 01:39:31,060

alone they are not judged by everyone

2010

01:39:33,660 --> 01:39:32,110

there is

2011

01:39:37,200 --> 01:39:33,670

a place where they can share their

2012

01:39:40,850 --> 01:39:37,210

stories right right one of the things I

2013

01:39:45,300 --> 01:39:40,860

wanted to ask you with this interview is

2014

01:39:46,680 --> 01:39:45,310

what do you think the drones and again

2015

01:39:48,990 --> 01:39:46,690

Chinese lanterns well how do you think

2016

01:39:51,180 --> 01:39:49,000

they're playing into the amount of

2017

01:39:52,770 --> 01:39:51,190

sightings that are going on oh sure I

2018

01:39:55,200 --> 01:39:52,780

mean absolutely that you know they will

2019

01:39:57,030 --> 01:39:55,210

be confused i made sure i did my test i

2020

01:39:59,189 --> 01:39:57,040

bought my little chinese lantern eyelid

2021

01:40:01,890 --> 01:39:59,199

it with my family and we let it i

2022

01:40:06,060 --> 01:40:01,900

recorded it so i know exactly what it

2023

01:40:07,709 --> 01:40:06,070

looks like not video camera and you know

2024

01:40:10,320 --> 01:40:07,719

absolutely there are some people that

2025

01:40:13,649 --> 01:40:10,330

are reporting Chinese lanterns and they

2026

01:40:16,859 --> 01:40:13,659

were going to confuse with a UFO um I I

2027

01:40:18,930 --> 01:40:16,869

think one my my true test for whether

2028

01:40:23,540 --> 01:40:18,940

it's a Chinese lantern is Chinese

2029

01:40:25,890 --> 01:40:23,550

lanterns don't make big zigzag moves and

2030

01:40:27,840 --> 01:40:25,900

they're kind of slow moving even with a

2031

01:40:30,600 --> 01:40:27,850

win I mean if it's at a high altitude

2032

01:40:32,490 --> 01:40:30,610

yes winds do blow in different

2033

01:40:34,439 --> 01:40:32,500

directions at different altitudes they

2034

01:40:38,100 --> 01:40:34,449

still don't zigzag and move up and down

2035

01:40:40,830 --> 01:40:38,110

is their drones um we have a really

2036

01:40:45,090 --> 01:40:40,840

interesting video I think he came from

2037

01:40:49,370 --> 01:40:45,100

Raleigh North Carolina oh very very

2038

01:40:52,800 --> 01:40:49,380

bright almost a violet color UFO above a

2039

01:40:55,260 --> 01:40:52,810

look like a motel and it was sitting

2040

01:40:58,500 --> 01:40:55,270

perfectly still and then it came down

2041

01:41:01,590 --> 01:40:58,510

behind the motel and then went back up

2042

01:41:03,990 --> 01:41:01,600

and took off could it have been a draw

2043

01:41:08,520 --> 01:41:04,000

some kind of drone up you know someone

2044

01:41:12,000 --> 01:41:08,530

private flying toy mmm yes but there was

2045

01:41:14,310 --> 01:41:12,010

no sound you couldn't hear it the drones

2046

01:41:17,520 --> 01:41:14,320

that yeah the little toy quadrocopter

2047

01:41:20,540 --> 01:41:17,530

zit that we see are pretty loud and this

2048

01:41:24,540 --> 01:41:20,550

thing was so bright it was an electric

2049

01:41:28,669 --> 01:41:24,550

violet is a very distinct color i don't

2050

01:41:35,580 --> 01:41:28,679

i don't think it could have been a drum

2051

01:41:36,959 --> 01:41:35,590

right we we have about i say we have

2052

01:41:38,810 --> 01:41:36,969

about 20 minutes so we got plenty of

2053

01:41:44,310 --> 01:41:38,820

time if anyone would like to call in

2054

01:41:45,839 --> 01:41:44,320

that 6039 67 40 30 or if you'd like to

2055

01:41:49,439 --> 01:41:45,849

engage in asking

2056

01:41:52,859 --> 01:41:49,449

the Israel a question you can go to the

2057

01:41:59,159 --> 01:41:52,869

message board at podcast UFO com if

2058

01:42:00,659 --> 01:41:59,169

you're listening live so I had another

2059

01:42:03,750 --> 01:42:00,669

question that came up I was just trying

2060

01:42:06,929 --> 01:42:03,760

to trying to find it I personally saw

2061

01:42:09,330 --> 01:42:06,939

the other night at the July fourth I saw

2062

01:42:11,580 --> 01:42:09,340

you know someone put up I think there

2063

01:42:14,250 --> 01:42:11,590

was a series of five Chinese lanterns

2064

01:42:16,949 --> 01:42:14,260

and I think they're pretty easy to tell

2065

01:42:18,750 --> 01:42:16,959

that they are you know I mean per person

2066

01:42:22,589 --> 01:42:18,760

has never seen one I can understand that

2067

01:42:26,099 --> 01:42:22,599

shut up but they seem like they're you

2068

01:42:28,259 --> 01:42:26,109

know it would be hard to confuse them

2069

01:42:30,479 --> 01:42:28,269

once you know what they are about it

2070

01:42:32,310 --> 01:42:30,489

that way absolutely yeah you know I

2071

01:42:34,830 --> 01:42:32,320

think it's really important that every

2072

01:42:37,439 --> 01:42:34,840

investigator go out and buy a Chinese

2073

01:42:42,719 --> 01:42:37,449

lantern so that you can fully appreciate

2074

01:42:48,060 --> 01:42:42,729

the differences right um you know and I

2075

01:42:51,330 --> 01:42:48,070

i want to say unless you are talking to

2076

01:42:53,489 --> 01:42:51,340

these people yeah obviously I know what

2077

01:42:55,919 --> 01:42:53,499

I realized that things I'm saying the

2078

01:42:59,580 --> 01:42:55,929

things i'm sharing are very far out

2079

01:43:02,159 --> 01:42:59,590

there you have a lot of investigators

2080

01:43:04,290 --> 01:43:02,169

because these people want to know the

2081

01:43:07,739 --> 01:43:04,300

truth that's right what they start

2082

01:43:11,310 --> 01:43:07,749

hearing it they're like oh my god this

2083

01:43:12,599 --> 01:43:11,320

is real that's why I got so many hang on

2084

01:43:15,479 --> 01:43:12,609

just a second we have a caller on the

2085

01:43:18,779 --> 01:43:15,489

line caller please say who you are and

2086

01:43:23,099 --> 01:43:18,789

go ahead and ask you a question oh this

2087

01:43:26,639 --> 01:43:23,109

is ken I'm the one on right I guess hi I

2088

01:43:28,469 --> 01:43:26,649

got a question for you now I supplied

2089

01:43:29,849 --> 01:43:28,479

contractor equipment to all the

2090

01:43:33,149 --> 01:43:29,859

government bases in Southern California

2091

01:43:36,299 --> 01:43:33,159

up in the high desert some of the things

2092

01:43:38,909 --> 01:43:36,309

I saw they were unidentified to me and I

2093

01:43:40,770 --> 01:43:38,919

was told in no uncertain terms to let

2094

01:43:43,349 --> 01:43:40,780

say a word that I even saw it there was

2095

01:43:47,520 --> 01:43:43,359

a window left open on top of the JPL on

2096

01:43:50,849 --> 01:43:47,530

a rocket site mountain and I had to go

2097

01:43:52,439 --> 01:43:50,859

in and help contractor build a special

2098

01:43:54,869 --> 01:43:52,449

equipment they need for some of their

2099

01:43:56,839 --> 01:43:54,879

work which is what i did in regular

2100

01:43:59,310 --> 01:43:56,849

basis lockheed helendale china lake

2101

01:44:01,649 --> 01:43:59,320

edwards the whole deal

2102

01:44:05,899 --> 01:44:01,659

but this thing here it was hovering

2103

01:44:08,609 --> 01:44:05,909

about four feet off the ground and

2104

01:44:10,620 --> 01:44:08,619

electrostatic my hair was on and the guy

2105

01:44:13,770 --> 01:44:10,630

grabbed ahold of me when he saw i saw it

2106

01:44:16,050 --> 01:44:13,780

and just kept fingered of my finger to

2107

01:44:18,750 --> 01:44:16,060

the mouth now there's things i run into

2108

01:44:21,270 --> 01:44:18,760

during the course of a job now you can't

2109

01:44:23,879 --> 01:44:21,280

be there unidentified of me but are they

2110

01:44:27,919 --> 01:44:23,889

actually unidentified flying objects

2111

01:44:31,260 --> 01:44:27,929

because they're in a military facility

2112

01:44:33,000 --> 01:44:31,270

and are they worth reporting caller

2113

01:44:34,050 --> 01:44:33,010

thanks for the question if you continue

2114

01:44:35,700 --> 01:44:34,060

speaking could you speak up a little

2115

01:44:37,439 --> 01:44:35,710

louder words it's really kind of a

2116

01:44:38,520 --> 01:44:37,449

little bit hard to hear you thank you

2117

01:44:41,459 --> 01:44:38,530

for calling in and what's your name

2118

01:44:43,080 --> 01:44:41,469

again please my name is ken ken thanks

2119

01:44:45,870 --> 01:44:43,090

for calling in Israel do you have a

2120

01:44:50,490 --> 01:44:45,880

comment on that sure no I I do believe

2121

01:44:53,790 --> 01:44:50,500

that some are a mil American military as

2122

01:44:56,010 --> 01:44:53,800

a matter of fact we have a person one of

2123

01:44:58,589 --> 01:44:56,020

my first witnesses was from Virginia

2124

01:45:01,979 --> 01:44:58,599

real close to north carolina border that

2125

01:45:05,419 --> 01:45:01,989

he had video of what looked like a

2126
01:45:10,439 --> 01:45:05,429
triangular UFO that was being escorted

2127
01:45:12,780 --> 01:45:10,449
by at least two fighter jets maybe a

2128
01:45:14,700 --> 01:45:12,790
third and in this video he said it

2129
01:45:16,919 --> 01:45:14,710
literally looked like one of the fighter

2130
01:45:19,560 --> 01:45:16,929
jets was flying at the point the front

2131
01:45:21,780 --> 01:45:19,570
point of the triangular UFO to try to

2132
01:45:24,930 --> 01:45:21,790
hide it or disguise the shape of this

2133
01:45:26,939 --> 01:45:24,940
object the video I mean it's obviously

2134
01:45:30,089 --> 01:45:26,949
really dark it's really hard to see but

2135
01:45:32,490 --> 01:45:30,099
he said that this these fighter jets

2136
01:45:34,950 --> 01:45:32,500
were escorting this triangular UFO so

2137
01:45:38,189 --> 01:45:34,960
yeah I do believe some of it is American

2138
01:45:40,620 --> 01:45:38,199

military equipment but it is so far

2139

01:45:44,220 --> 01:45:40,630

beyond our current understanding of

2140

01:45:47,370 --> 01:45:44,230

Technology even a second this was back

2141

01:45:50,040 --> 01:45:47,380

in nineteen eighty nine hmm when I saw

2142

01:45:52,080 --> 01:45:50,050

this and a channel Lake naval weapons

2143

01:45:53,750 --> 01:45:52,090

right across the same thing I had a base

2144

01:45:56,310 --> 01:45:53,760

sticker I could go pretty much anywhere

2145

01:45:59,189 --> 01:45:56,320

until somebody with machine gun said

2146

01:46:01,979 --> 01:45:59,199

halt and that I know that I was not

2147

01:46:04,859 --> 01:46:01,989

intentionally lost anymore I loved

2148

01:46:06,209 --> 01:46:04,869

looking around these places but there

2149

01:46:10,220 --> 01:46:06,219

was something that had fallen off a

2150

01:46:13,140 --> 01:46:10,230

truck up at China Lake and I had to help

2151

01:46:16,710 --> 01:46:13,150

put together some kind of a sling

2152

01:46:18,120 --> 01:46:16,720

too real to get underneath it in a

2153

01:46:20,210 --> 01:46:18,130

certain way because some of the other

2154

01:46:22,410 --> 01:46:20,220

stuff would kind of push through and

2155

01:46:24,960 --> 01:46:22,420

being a distributor for a lot of this

2156

01:46:26,880 --> 01:46:24,970

product you know they had to call us to

2157

01:46:30,990 --> 01:46:26,890

get it built then they could use it it

2158

01:46:32,700 --> 01:46:31,000

was just rare situations so there was an

2159

01:46:34,770 --> 01:46:32,710

object pretty close to that that it you

2160

01:46:36,960 --> 01:46:34,780

know get out of so was it being worked

2161

01:46:38,340 --> 01:46:36,970

on to China Lake I don't know was it

2162

01:46:40,440 --> 01:46:38,350

ours I don't know but this is back in

2163

01:46:44,040 --> 01:46:40,450

the 80s the guy told me a year later

2164

01:46:45,870 --> 01:46:44,050

after i prodded him quite a bit I said

2165

01:46:47,760 --> 01:46:45,880

what is that thing and he said well

2166

01:46:50,400 --> 01:46:47,770

there was a it was part of the star wars

2167

01:46:52,830 --> 01:46:50,410

he said that was not supposed to work

2168

01:46:55,650 --> 01:46:52,840

and it was involved in counter rotating

2169

01:46:59,610 --> 01:46:55,660

magnetic fields and it projected a hole

2170

01:47:02,670 --> 01:46:59,620

and that's as far as you go oh that's

2171

01:47:08,100 --> 01:47:02,680

that's really interesting that is really

2172

01:47:10,850 --> 01:47:08,110

interesting um yeah that's actually one

2173

01:47:13,200 --> 01:47:10,860

of my witnesses it talked about that

2174

01:47:15,090 --> 01:47:13,210

look at that so I was like your hand in

2175

01:47:17,190 --> 01:47:15,100

a bathtub when you move it halfway

2176
01:47:19,800 --> 01:47:17,200
underneath everything behind it sucked

2177
01:47:21,570 --> 01:47:19,810
behind you in the water he says this

2178
01:47:24,750 --> 01:47:21,580
thing depending on where aims a hole

2179
01:47:26,640 --> 01:47:24,760
where projects it is where the thing

2180
01:47:28,860 --> 01:47:26,650
will go and the farther the hole is the

2181
01:47:31,230 --> 01:47:28,870
faster travels and they were all drones

2182
01:47:36,210 --> 01:47:31,240
at that time he said because no person

2183
01:47:38,100 --> 01:47:36,220
that could exist in them yeah so uh I

2184
01:47:41,250 --> 01:47:38,110
want to share with you what my Raleigh

2185
01:47:43,200 --> 01:47:41,260
North Carolina case told me he said the

2186
01:47:45,890 --> 01:47:43,210
way that it these crafts our propellant

2187
01:47:49,800 --> 01:47:45,900
is yes they are two counter-rotating

2188
01:47:57,720 --> 01:47:49,810

strong magnetic fields it is literally

2189

01:48:00,120 --> 01:47:57,730

creating a gravity ah point B in front

2190

01:48:01,500 --> 01:48:00,130

of them behind them and I don't know I

2191

01:48:03,750 --> 01:48:01,510

don't think he said anything about how

2192

01:48:09,360 --> 01:48:03,760

far it was but I mean I guess it makes

2193

01:48:13,200 --> 01:48:09,370

sense wherever that gravity point is set

2194

01:48:14,550 --> 01:48:13,210

that's where your craft will go on so

2195

01:48:16,920 --> 01:48:14,560

that's not the first time I've heard

2196

01:48:19,350 --> 01:48:16,930

about that that is very nice the thing

2197

01:48:21,180 --> 01:48:19,360

that he said this was their hangar I I

2198

01:48:24,090 --> 01:48:21,190

had to go through the approval to get on

2199

01:48:26,790 --> 01:48:24,100

top JPL sign all the stuff as 30 years

2200

01:48:28,770 --> 01:48:26,800

ago and I

2201

01:48:30,330 --> 01:48:28,780

the be escorted up handed off and I was

2202

01:48:32,640 --> 01:48:30,340

following the guy and all of a sudden

2203

01:48:34,140 --> 01:48:32,650

there was this little port whole thing

2204

01:48:36,150 --> 01:48:34,150

that was kind of open I looked inside

2205

01:48:39,590 --> 01:48:36,160

dusty just sitting in there humming and

2206

01:48:43,560 --> 01:48:39,600

hovering and he said it was just it's

2207

01:48:47,370 --> 01:48:43,570

Vicki he said that there was like 80 or

2208

01:48:48,780 --> 01:48:47,380

90 these things around or in orbit right

2209

01:48:50,370 --> 01:48:48,790

now and he says we don't have to worry

2210

01:48:53,850 --> 01:48:50,380

about a blasted thing he says they'll

2211

01:48:56,100 --> 01:48:53,860

take care of it interesting story can

2212

01:48:58,290 --> 01:48:56,110

thanks so much for calling in hey thanks

2213

01:48:59,520 --> 01:48:58,300

enjoy the show Thanks so so let me

2214

01:49:03,270 --> 01:48:59,530

address one of the questions that came

2215

01:49:05,730 --> 01:49:03,280

up here um can you move will they follow

2216

01:49:08,190 --> 01:49:05,740

you let me tell you what I told my North

2217

01:49:10,710 --> 01:49:08,200

Carolina k about the geographica this is

2218

01:49:12,810 --> 01:49:10,720

a question yes okay so what I told my

2219

01:49:15,930 --> 01:49:12,820

ash Ville North Carolina case she is

2220

01:49:18,840 --> 01:49:15,940

moved from Florida to Georgia to

2221

01:49:22,170 --> 01:49:18,850

Asheville and I told her if they came

2222

01:49:24,960 --> 01:49:22,180

across from another star system from

2223

01:49:27,900 --> 01:49:24,970

another galaxy you moving a thousand

2224

01:49:31,230 --> 01:49:27,910

miles doesn't make any difference they

2225

01:49:32,850 --> 01:49:31,240

always find you and even my Raleigh case

2226

01:49:35,130 --> 01:49:32,860

he's moved three or four times I'm like

2227

01:49:37,950 --> 01:49:35,140

stop moving that it doesn't help you can

2228

01:49:40,440 --> 01:49:37,960

never stop it will always follow you it

2229

01:49:42,690 --> 01:49:40,450

will follow you and it follows your

2230

01:49:44,310 --> 01:49:42,700

family it would make you think that

2231

01:49:47,280 --> 01:49:44,320

you'd have to have some type of implant

2232

01:49:50,220 --> 01:49:47,290

or how would they you know how how could

2233

01:49:52,260 --> 01:49:50,230

they actually know that that's what's so

2234

01:49:54,900 --> 01:49:52,270

bizarre and you know it's kind of like

2235

01:49:57,150 --> 01:49:54,910

the more you think you figure out the

2236

01:50:02,400 --> 01:49:57,160

more questions there are really yeah

2237

01:50:03,840 --> 01:50:02,410

yeah I the implants yes thatthat's by me

2238

01:50:05,370 --> 01:50:03,850

what we would naturally assume you there

2239

01:50:09,120 --> 01:50:05,380

had to be an implant but but who knows

2240

01:50:13,410 --> 01:50:09,130

maybe it's just somehow they can detect

2241

01:50:15,450 --> 01:50:13,420

there's some kind of biomarker from just

2242

01:50:16,740 --> 01:50:15,460

your body chemistry all that that's

2243

01:50:19,680 --> 01:50:16,750

something I never thought of that's a

2244

01:50:24,600 --> 01:50:19,690

good good question do they ever do you

2245

01:50:30,570 --> 01:50:24,610

ever get any reports of orbs that are a

2246

01:50:33,330 --> 01:50:30,580

UV blacklight in appearance um now no

2247

01:50:36,990 --> 01:50:33,340

not really I can tell you that i have

2248

01:50:38,430 --> 01:50:37,000

seen what looks like orbs with the night

2249

01:50:40,830 --> 01:50:38,440

vision and i couldn't see it with my own

2250

01:50:44,550 --> 01:50:40,840

eyes um

2251

01:50:48,210 --> 01:50:44,560

but that's that's the only thing I mean

2252

01:50:51,600 --> 01:50:48,220

so things are clearing in ultra wat or

2253

01:50:55,110 --> 01:50:51,610

in infrared but not are not visible to

2254

01:50:58,530 --> 01:50:55,120

the naked eye ok now another question up

2255

01:51:02,820 --> 01:50:58,540

there as the PR person for MUFON we all

2256

01:51:04,890 --> 01:51:02,830

heard Bigelow disaster and chase klutz

2257

01:51:09,270 --> 01:51:04,900

Keys fall out with MUFON I actually

2258

01:51:12,480 --> 01:51:09,280

didn't hear that but I so so what's

2259

01:51:16,130 --> 01:51:12,490

going on with MUFON lately you know I am

2260

01:51:18,720 --> 01:51:16,140

I really don't care about the glue that

2261

01:51:21,060 --> 01:51:18,730

what I'm more concerned about are my

2262

01:51:23,400 --> 01:51:21,070

witnesses in North Carolina and that

2263

01:51:26,960 --> 01:51:23,410

they want to share their stories that is

2264

01:51:30,440 --> 01:51:26,970

my number one priority I I do realize it

2265

01:51:32,520 --> 01:51:30,450

people frequently want to bring up the

2266

01:51:35,220 --> 01:51:32,530

conspiracy between Bigelow and move on

2267

01:51:39,510 --> 01:51:35,230

yeah I don't care if it's true or not

2268

01:51:42,360 --> 01:51:39,520

true all i care about is my witnesses in

2269

01:51:45,510 --> 01:51:42,370

north carolina have a story they need to

2270

01:51:48,230 --> 01:51:45,520

tell and share and in and i'm gonna

2271

01:51:56,040 --> 01:51:48,240

document those those cases the sightings

2272

01:51:57,900 --> 01:51:56,050

well good enough let's see Peggy wanted

2273

01:52:00,900 --> 01:51:57,910

to know she hates when I say her name

2274

01:52:03,810 --> 01:52:00,910

sorry Peggy if you should report a

2275

01:52:08,850 --> 01:52:03,820

sighting to move on even though it's on

2276

01:52:13,170 --> 01:52:08,860

an army base like frost we hand you just

2277

01:52:15,330 --> 01:52:13,180

called in yeah so yeah that we do have

2278

01:52:17,520 --> 01:52:15,340

the sighting reports from around

2279

01:52:19,560 --> 01:52:17,530

military bases and they'll specifically

2280

01:52:21,570 --> 01:52:19,570

say look we know what the military

2281

01:52:23,900 --> 01:52:21,580

crafts look like because we always see

2282

01:52:26,460 --> 01:52:23,910

them this was so very different and

2283

01:52:28,830 --> 01:52:26,470

Maddie I got to tell you if I have to

2284

01:52:31,350 --> 01:52:28,840

convince you to join me fine then don't

2285

01:52:34,470 --> 01:52:31,360

join move on you have to want to know

2286

01:52:35,940 --> 01:52:34,480

you have to want you see your that's

2287

01:52:37,920 --> 01:52:35,950

totally the wrong way to go about it you

2288

01:52:40,110 --> 01:52:37,930

need to know the truth then you have to

2289

01:52:43,200 --> 01:52:40,120

find the truth for yourself nobody's

2290

01:52:45,540 --> 01:52:43,210

going to do that for you alright so I

2291

01:52:49,890 --> 01:52:45,550

don't need to ask you that question now

2292

01:52:52,950 --> 01:52:49,900

no it's it's up to the adventure in the

2293

01:52:54,510 --> 01:52:52,960

individual it's a personal choice if you

2294

01:52:57,540 --> 01:52:54,520

want to write it off

2295

01:53:00,690 --> 01:52:57,550

miss it out of hand no problem if you've

2296

01:53:02,400 --> 01:53:00,700

seen a craft you need to have answers so

2297

01:53:04,560 --> 01:53:02,410

you need to join move on or just come to

2298

01:53:06,570 --> 01:53:04,570

the meetings and hear how many of your

2299

01:53:08,970 --> 01:53:06,580

neighbors are hearing it I don't care

2300

01:53:12,180 --> 01:53:08,980

where you live your neighbors have had

2301
01:53:14,520 --> 01:53:12,190
sightings you if you ask your friends

2302
01:53:16,830 --> 01:53:14,530
and neighbors you're going to be

2303
01:53:20,430 --> 01:53:16,840
surprised one of them has added UFO

2304
01:53:23,190 --> 01:53:20,440
sighting I am totally surprised you're

2305
01:53:25,590 --> 01:53:23,200
right I you know the subjects come up a

2306
01:53:27,420 --> 01:53:25,600
number of times where I'll get the

2307
01:53:29,160 --> 01:53:27,430
courage and I'll finally tell someone in

2308
01:53:33,720 --> 01:53:29,170
business or whatever well hey you know I

2309
01:53:36,600 --> 01:53:33,730
do this show on UFOs and surprisingly i

2310
01:53:40,430 --> 01:53:36,610
would say like half the time you know

2311
01:53:43,080 --> 01:53:40,440
like this business exec by dared to tell

2312
01:53:45,540 --> 01:53:43,090
he all of a sudden said yeah my son and

2313
01:53:47,460 --> 01:53:45,550

I saw something that we just absolutely

2314

01:53:49,890 --> 01:53:47,470

can't explain you know over the water

2315

01:53:52,740 --> 01:53:49,900

one time and you know so you're right

2316

01:53:55,800 --> 01:53:52,750

there's a there's so many people that

2317

01:53:57,960 --> 01:53:55,810

have had sighting now when I had Seth

2318

01:54:01,440 --> 01:53:57,970

Shostak on you know a couple years ago

2319

01:54:03,810 --> 01:54:01,450

he's saying he said you know quote oh I

2320

01:54:05,580 --> 01:54:03,820

saw something really strange too and you

2321

01:54:07,410 --> 01:54:05,590

know I had no idea what it was and you

2322

01:54:09,510 --> 01:54:07,420

know it ended up being a missile launch

2323

01:54:10,980 --> 01:54:09,520

and that's you know that's what they are

2324

01:54:13,950 --> 01:54:10,990

you know that type of thing you know

2325

01:54:15,930 --> 01:54:13,960

there's but there's so he got lucky and

2326

01:54:18,780 --> 01:54:15,940

he found you know a prosaic reason for

2327

01:54:22,080 --> 01:54:18,790

that but there's so many that absolutely

2328

01:54:23,730 --> 01:54:22,090

have no clue and that's what happened to

2329

01:54:28,110 --> 01:54:23,740

me you know and I told him about my

2330

01:54:30,810 --> 01:54:28,120

sighting and and you know he did it can

2331

01:54:35,550 --> 01:54:30,820

all be explained according to people

2332

01:54:36,720 --> 01:54:35,560

like that sure and so the people going

2333

01:54:39,290 --> 01:54:36,730

to explain it out of hand have never

2334

01:54:43,440 --> 01:54:39,300

seen a UFO that's that's just what it is

2335

01:54:46,080 --> 01:54:43,450

and yes MUFON has chapters all over the

2336

01:54:50,700 --> 01:54:46,090

world we get reports from all over the

2337

01:54:53,400 --> 01:54:50,710

world if you can't you know I mean I

2338

01:54:55,200 --> 01:54:53,410

don't know what the chapter situation is

2339

01:54:58,680 --> 01:54:55,210

like in Australia but if you can't find

2340

01:55:00,900 --> 01:54:58,690

one contact MUFON start that chapter

2341

01:55:03,450 --> 01:55:00,910

start a web site start organizing

2342

01:55:04,740 --> 01:55:03,460

meetings I can tell you the excuse me

2343

01:55:06,240 --> 01:55:04,750

the first meeting I organized here in

2344

01:55:07,320 --> 01:55:06,250

Charlotte I always scared to death I

2345

01:55:08,130 --> 01:55:07,330

thought everybody was going to show up

2346

01:55:10,610 --> 01:55:08,140

with these foil

2347

01:55:12,990 --> 01:55:10,620

and everyone was gonna be crazy and

2348

01:55:14,970 --> 01:55:13,000

funniest thing happened it was actually

2349

01:55:16,830 --> 01:55:14,980

for some professional people this showed

2350

01:55:18,960 --> 01:55:16,840

up it was only like ten people the first

2351
01:55:20,820 --> 01:55:18,970
meeting and then 15 showed up the next

2352
01:55:23,730 --> 01:55:20,830
one and then 40 showed up third one in

2353
01:55:26,520 --> 01:55:23,740
and it just goes from there every city

2354
01:55:29,730 --> 01:55:26,530
that I go to there are people who've had

2355
01:55:32,040 --> 01:55:29,740
sightings and experiences well I I'm

2356
01:55:34,860 --> 01:55:32,050
convinced it's not just North kellen it

2357
01:55:36,860 --> 01:55:34,870
has to happen everywhere well Israel I

2358
01:55:39,120 --> 01:55:36,870
want to really thank you very much for

2359
01:55:40,920 --> 01:55:39,130
being on the show tonight it's been

2360
01:55:43,830 --> 01:55:40,930
great thanks so much i appreciate you

2361
01:55:47,190 --> 01:55:43,840
having me on you bet and so I want to

2362
01:55:49,530 --> 01:55:47,200
say everyone this the show is free to

2363
01:55:53,220 --> 01:55:49,540

all listeners of not halfway through

2364

01:55:57,660 --> 01:55:53,230

like usual and it's in the memory of a

2365

01:56:02,280 --> 01:55:57,670

great guy that used to be on on this

2366

01:56:04,140 --> 01:56:02,290

show he was Andy Fleming and he passed

2367

01:56:07,710 --> 01:56:04,150

away recently so the show is in memory

2368

01:56:09,240 --> 01:56:07,720

of him and he will be sorely missed I

2369

01:56:10,470 --> 01:56:09,250

want to thank everyone for helping out

2370

01:56:13,320 --> 01:56:10,480

with the show and I kind of feel a

2371

01:56:15,240 --> 01:56:13,330

little crazy because I have not thanked

2372

01:56:17,850 --> 01:56:15,250

Keith in the dark matter radio

2373

01:56:19,200 --> 01:56:17,860

networking he's producing the show thank

2374

01:56:21,270 --> 01:56:19,210

everyone else always forget you Keith

2375

01:56:22,650 --> 01:56:21,280

thanks very much Peggy thank you for

2376

01:56:25,050 --> 01:56:22,660

managing the facebook page i want to

2377

01:56:27,860 --> 01:56:25,060

thank our guests of course and Alejandro

2378

01:56:30,960 --> 01:56:27,870

Rojas for the news this is Martin Willis

2379

01:56:33,840 --> 01:56:30,970

we'll see you next week and with Erica
