

1
00:00:03,169 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:04,249 --> 00:00:03,179
triangle

3
00:00:05,360 --> 00:00:04,259
you know there's explanation for

4
00:00:07,309 --> 00:00:05,370
everything that occurred in the

5
00:00:09,680 --> 00:00:07,319
Rendlesham forest incident that doesn't

6
00:00:13,190 --> 00:00:09,690
involve a lien at all it was completely

7
00:00:16,430 --> 00:00:13,200
silent it comes right over our head it's

8
00:00:18,050 --> 00:00:16,440
so classic flying-saucer really standing

9
00:00:19,609 --> 00:00:18,060
in the clearing he turned over to my

10
00:00:24,670 --> 00:00:19,619
father and held his hand and he looked

11
00:00:30,830 --> 00:00:28,099
welcome to podcast UFO for our live show

12
00:00:33,049 --> 00:00:30,840
we're live every Wednesday at 8 p.m.

13
00:00:35,569 --> 00:00:33,059

Eastern Standard Time on the dark matter

14

00:00:39,260 --> 00:00:35,579

radio network please remember to visit

15

00:00:42,440 --> 00:00:39,270

the website podcast UFO calm for past

16

00:00:44,420 --> 00:00:42,450

episodes blogs and forums during the

17

00:00:46,910 --> 00:00:44,430

show feel free to participate live in

18

00:00:50,500 --> 00:00:46,920

our chat room and don't forget to Like

19

00:00:53,510 --> 00:00:50,510

us on our very active Facebook page

20

00:00:55,520 --> 00:00:53,520

hello everyone this is Martin Willis

21

00:00:57,740 --> 00:00:55,530

your host and we have Alejandro Rojas

22

00:01:00,740 --> 00:00:57,750

coming up with the news in just a few

23

00:01:02,510 --> 00:01:00,750

tonight we have Erika Luke's Utah MUFON

24

00:01:05,600 --> 00:01:02,520

director and she's gonna be talking

25

00:01:07,850 --> 00:01:05,610

about her new show called UFO audit

26

00:01:09,920 --> 00:01:07,860

which is coming up first show this

27

00:01:13,460 --> 00:01:09,930

Friday so I'm going to talk to her about

28

00:01:15,170 --> 00:01:13,470

that and much more of course well I want

29

00:01:17,870 --> 00:01:15,180

to thank everyone for their support and

30

00:01:19,609 --> 00:01:17,880

if you have not subscribed to us and you

31

00:01:22,609 --> 00:01:19,619

want to hear the second hour simply go

32

00:01:24,499 --> 00:01:22,619

to our podcast site which is podcast UFO

33

00:01:27,620 --> 00:01:24,509

comm and you'll see right on the right

34

00:01:29,359 --> 00:01:27,630

sidebar a real easy click and sign up

35

00:01:31,550 --> 00:01:29,369

you only have to do that once and you

36

00:01:34,249 --> 00:01:31,560

get a private link that you can put into

37

00:01:36,289 --> 00:01:34,259

iTunes or virtually any media player and

38

00:01:39,230 --> 00:01:36,299

it's really easy to set up with an

39

00:01:41,210 --> 00:01:39,240

iPhone and speaking of support I've

40

00:01:45,380 --> 00:01:41,220

actually had a life change my grueling

41

00:01:48,109 --> 00:01:45,390

job my grueling commute has been changed

42

00:01:52,160 --> 00:01:48,119

to consulting work if any in other words

43

00:01:54,260 --> 00:01:52,170

I'm unemployed so my pipe dream is to

44

00:01:56,060 --> 00:01:54,270

make this show my focus I know that is

45

00:01:57,920 --> 00:01:56,070

kind of a pipe dream but I know there

46

00:02:00,859 --> 00:01:57,930

are a lot of you listeners out there and

47

00:02:02,959 --> 00:02:00,869

if each of you could support my show for

48

00:02:05,030 --> 00:02:02,969

a dollar or more well by golly I could

49

00:02:08,300 --> 00:02:05,040

actually do that make this my focus and

50

00:02:10,400 --> 00:02:08,310

I think as soon as possibly next week or

51
00:02:12,320 --> 00:02:10,410
the week after I'm going to be going to

52
00:02:13,780 --> 00:02:12,330
College Park Maryland and it's going to

53
00:02:16,600 --> 00:02:13,790
be a great live show

54
00:02:18,429 --> 00:02:16,610
to do more things like that so help if

55
00:02:20,589 --> 00:02:18,439
you can but if you can't help that's ok

56
00:02:23,170 --> 00:02:20,599
we still love each and every one of you

57
00:02:25,780 --> 00:02:23,180
well anyone that signs up for a \$10 or

58
00:02:28,300 --> 00:02:25,790
more per month I will happily send you a

59
00:02:29,920 --> 00:02:28,310
free t-shirt and speaking of that you

60
00:02:32,920 --> 00:02:29,930
know they have been real popular I have

61
00:02:35,020 --> 00:02:32,930
to admit I do have a graphic designer

62
00:02:37,869 --> 00:02:35,030
working on new designs I'm going to post

63
00:02:40,210 --> 00:02:37,879

different designs that he gives me and

64

00:02:41,860 --> 00:02:40,220

I'll post them up on Facebook and on the

65

00:02:44,160 --> 00:02:41,870

website now let you decide

66

00:02:46,690 --> 00:02:44,170

maybe you set up a survey or something

67

00:02:49,539 --> 00:02:46,700

again we still love every single

68

00:02:53,770 --> 00:02:49,549

listener out there really love doing the

69

00:02:55,899 --> 00:02:53,780

show and now we have Alejandro Rojas

70

00:02:59,500 --> 00:02:55,909

but Alejandro I want to talk to you

71

00:03:03,789 --> 00:02:59,510

about your last guest Ron rig ear yes

72

00:03:05,530 --> 00:03:03,799

Martin let's do that so that was a help

73

00:03:07,750 --> 00:03:05,540

Alejandro on his show I help them with

74

00:03:09,399 --> 00:03:07,760

the news on that and so I listened to

75

00:03:11,920 --> 00:03:09,409

the show and Ron rig ear is a

76

00:03:14,530 --> 00:03:11,930

fascinating man what a great show that

77

00:03:17,229 --> 00:03:14,540

is and that's at open minds dot TV

78

00:03:19,629 --> 00:03:17,239

Pakistan that site that came out last

79

00:03:21,339 --> 00:03:19,639

Monday I suggest to any of the listeners

80

00:03:22,890 --> 00:03:21,349

to the show check that out it's a great

81

00:03:26,890 --> 00:03:22,900

show with Ron

82

00:03:30,879 --> 00:03:26,900

he was fascinating yeah he's great and

83

00:03:33,219 --> 00:03:30,889

it's kind of funny because I mean his

84

00:03:35,229 --> 00:03:33,229

stories if you wouldn't know any better

85

00:03:37,689 --> 00:03:35,239

I don't think you would believe it but

86

00:03:40,119 --> 00:03:37,699

I've known Ron for many years I mean

87

00:03:43,149 --> 00:03:40,129

ever since I've been in MUFON he was a

88

00:03:44,979 --> 00:03:43,159

director I think in Utah he was on the

89

00:03:47,229 --> 00:03:44,989

board I think now he's some sort of

90

00:03:51,580 --> 00:03:47,239

functional director so he's always been

91

00:03:53,860 --> 00:03:51,590

around and an aerospace engineer and and

92

00:03:56,140 --> 00:03:53,870

here and there over the years I've asked

93

00:03:58,509 --> 00:03:56,150

him talked to him about different things

94

00:04:01,390 --> 00:03:58,519

you know a lot of UFO researchers will

95

00:04:03,849 --> 00:04:01,400

mention him when they write about things

96

00:04:06,849 --> 00:04:03,859

because he's been associated to so many

97

00:04:09,009 --> 00:04:06,859

things along as the days of you know as

98

00:04:11,770 --> 00:04:09,019

the years have gone by and it's so

99

00:04:15,069 --> 00:04:11,780

interesting how his career has been able

100

00:04:16,839 --> 00:04:15,079

to mix with his interest in UFOs and how

101

00:04:19,449 --> 00:04:16,849

he's kind of been part of these really

102

00:04:21,029 --> 00:04:19,459

important cases over the years and I

103

00:04:23,320 --> 00:04:21,039

always you know

104

00:04:25,750 --> 00:04:23,330

he was like probably one of the first

105

00:04:27,340 --> 00:04:25,760

people I've wanted to interview when I

106

00:04:28,540 --> 00:04:27,350

started my show and I

107

00:04:30,220 --> 00:04:28,550

just can't believe I haven't sat down

108

00:04:32,860 --> 00:04:30,230

and talked to him about all of this

109

00:04:35,110 --> 00:04:32,870

until recently but a lot of people don't

110

00:04:37,600 --> 00:04:35,120

know about his fascinated background and

111

00:04:39,640 --> 00:04:37,610

he's not the type to really hype himself

112

00:04:41,980 --> 00:04:39,650

he's around at these conferences and

113

00:04:43,480 --> 00:04:41,990

stuff but there's a lot of people at

114

00:04:46,060 --> 00:04:43,490

these conferences where you strike up

115

00:04:48,130 --> 00:04:46,070

conversations get someone maybe you've

116

00:04:50,590 --> 00:04:48,140

seen three years in a row at the UFO

117

00:04:53,230 --> 00:04:50,600

Congress and you ask about him oh yeah

118

00:04:55,060 --> 00:04:53,240

I'm an engineer or sure I used to work

119

00:04:57,430 --> 00:04:55,070

at NORAD and we used to see some weird

120

00:05:00,220 --> 00:04:57,440

stuff you know these amazing people who

121

00:05:02,140 --> 00:05:00,230

are interested in this field hey wait a

122

00:05:05,470 --> 00:05:02,150

minute would was he at the North

123

00:05:09,490 --> 00:05:05,480

Carolina conference I can't remember

124

00:05:13,600 --> 00:05:09,500

most likely I can't remember for sure

125

00:05:16,120 --> 00:05:13,610

tall guy there was a tall guy that was

126
00:05:17,950 --> 00:05:16,130
some type of engineer that I spoke with

127
00:05:21,730 --> 00:05:17,960
there and I'm wondering if MIT probably

128
00:05:23,110 --> 00:05:21,740
was he goes to a lot of these often and

129
00:05:26,250 --> 00:05:23,120
some of you who go to these may

130
00:05:30,280 --> 00:05:26,260
recognize him because he often has his

131
00:05:34,060 --> 00:05:30,290
dog with him that helps him I think with

132
00:05:36,280 --> 00:05:34,070
seizures but he's often got a dog with

133
00:05:38,310 --> 00:05:36,290
him for those purposes at these

134
00:05:41,980 --> 00:05:38,320
conferences but he's at a lot of them

135
00:05:44,880 --> 00:05:41,990
great guy very very interesting Wow

136
00:05:49,420 --> 00:05:44,890
awesome well so we're here to talk about

137
00:05:52,390 --> 00:05:49,430
news so what's going on yeah what's

138
00:05:55,690 --> 00:05:52,400

going on with UFO news this week well I

139

00:05:58,690 --> 00:05:55,700

just finished my story on these Arctic

140

00:06:01,690 --> 00:05:58,700

UFOs I'm sure you've seen the story

141

00:06:03,130 --> 00:06:01,700

because it's all over the place in fact

142

00:06:05,260 --> 00:06:03,140

I'm going to cover a couple stories that

143

00:06:08,170 --> 00:06:05,270

are big in the media international media

144

00:06:10,150 --> 00:06:08,180

and this is one of them and I waited a

145

00:06:12,520 --> 00:06:10,160

little while to write about it because I

146

00:06:14,470 --> 00:06:12,530

knew there would be more work done and I

147

00:06:16,750 --> 00:06:14,480

knew it would be a lot of work for me to

148

00:06:18,970 --> 00:06:16,760

research everything about them so I can

149

00:06:21,850 --> 00:06:18,980

write a concise story about what's going

150

00:06:24,400 --> 00:06:21,860

on here but have you seen these these

151
00:06:27,280 --> 00:06:24,410
photos they're really amazing of these

152
00:06:30,550 --> 00:06:27,290
alleged photos of UFOs taken from what

153
00:06:35,500 --> 00:06:30,560
appears to be a periscope of you maybe

154
00:06:37,990 --> 00:06:35,510
sub yes wasn't John Greenwald involved

155
00:06:39,500 --> 00:06:38,000
in releasing these somehow yeah exactly

156
00:06:42,380 --> 00:06:39,510
so what happened that

157
00:06:45,320 --> 00:06:42,390
there's this researcher Alex Mastretta

158
00:06:47,270 --> 00:06:45,330
and he says that he received these

159
00:06:50,720 --> 00:06:47,280
photos from an anonymous source in

160
00:06:54,080 --> 00:06:50,730
Europe then he had heard that a French

161
00:06:57,190 --> 00:06:54,090
newspaper paranormal magazine actually

162
00:07:00,440 --> 00:06:57,200
called top secret had published them and

163
00:07:03,860 --> 00:07:00,450

so he looked at what information they

164

00:07:06,560 --> 00:07:03,870

had it was similar to what he had and so

165

00:07:09,500 --> 00:07:06,570

he decided to release these pictures on

166

00:07:11,750 --> 00:07:09,510

the black vault with information about

167

00:07:14,360 --> 00:07:11,760

what he had so that John Greenwald and

168

00:07:19,100 --> 00:07:14,370

others could help him investigate these

169

00:07:22,580 --> 00:07:19,110

photos the his anonymous source told him

170

00:07:26,210 --> 00:07:22,590

that these images were taken from the

171

00:07:27,890 --> 00:07:26,220

USS trip hang funny enough tripping I

172

00:07:29,750 --> 00:07:27,900

guess is a word for like a sea cucumber

173

00:07:33,200 --> 00:07:29,760

or something like this but it's a real

174

00:07:35,900 --> 00:07:33,210

Navy sub in March of 1971 when they were

175

00:07:37,790 --> 00:07:35,910

near Iceland in between Iceland and an

176

00:07:40,970 --> 00:07:37,800

island called Jan Mayen

177

00:07:43,790 --> 00:07:40,980

up in the Arctic and that there was an

178

00:07:46,370 --> 00:07:43,800

admiral on board called a Dean Reynolds

179

00:07:49,040 --> 00:07:46,380

and there was also an officer John kill

180

00:07:52,010 --> 00:07:49,050

cow who is the one who saw what appeared

181

00:07:54,260 --> 00:07:52,020

to be what he called an accident

182

00:07:55,640 --> 00:07:54,270

so I guess appeared to see the this UFO

183

00:07:59,030 --> 00:07:55,650

even though there's several of them

184

00:08:01,340 --> 00:07:59,040

crash and and I guess having some kind

185

00:08:02,930 --> 00:08:01,350

of a mechanical issue and crashing or

186

00:08:05,990 --> 00:08:02,940

something like that or being shot at

187

00:08:09,410 --> 00:08:06,000

it's kind of vague so really interesting

188

00:08:11,780 --> 00:08:09,420

he posts these stories with the pictures

189

00:08:14,300 --> 00:08:11,790

they quickly then went to research

190

00:08:16,610 --> 00:08:14,310

what's going on with these images so

191

00:08:20,150 --> 00:08:16,620

they got a hold of Steve Murillo who

192

00:08:21,830 --> 00:08:20,160

runs the UFO and paranormal meetup in

193

00:08:24,110 --> 00:08:21,840

Los Angeles and the reason they

194

00:08:25,820 --> 00:08:24,120

contacted him is that he was a Navy

195

00:08:28,610 --> 00:08:25,830

pilot and they asked him if he could

196

00:08:33,290 --> 00:08:28,620

help them get in contact with these two

197

00:08:34,880 --> 00:08:33,300

gentlemen Admiral or I'm sorry I gave

198

00:08:37,400 --> 00:08:34,890

you the wrong name for the Admiral - his

199

00:08:39,770 --> 00:08:37,410

name was Sackett Dean Reynolds sacca

200

00:08:41,719 --> 00:08:39,780

so admiral Sackett and officer coca and

201
00:08:45,650 --> 00:08:41,729
they were able to get ahold of him so

202
00:08:47,570 --> 00:08:45,660
Marilla called Sackett and Mastretta was

203
00:08:49,940 --> 00:08:47,580
able to get a hold of officer kill cop

204
00:08:51,480 --> 00:08:49,950
they said yeah we were on the tray pang

205
00:08:55,860 --> 00:08:51,490
in March of

206
00:08:59,340 --> 00:08:55,870
1971 and we were in the Arctic in that

207
00:09:01,650 --> 00:08:59,350
area and John Greenwald was able to

208
00:09:03,240 --> 00:09:01,660
actually verify that those guys were on

209
00:09:05,250 --> 00:09:03,250
the ship separately even before they

210
00:09:07,680 --> 00:09:05,260
contacted them at that the ship was in

211
00:09:11,579 --> 00:09:07,690
the area however they said we did not

212
00:09:14,490 --> 00:09:11,589
see anything strange we don't know what

213
00:09:16,769 --> 00:09:14,500

those images are and as far as we know

214

00:09:19,710 --> 00:09:16,779

nobody saw anything strange so the story

215

00:09:22,260 --> 00:09:19,720

was false and the Mastretta had said it

216

00:09:23,940 --> 00:09:22,270

turns out that you know that the

217

00:09:28,010 --> 00:09:23,950

information I got from my source is

218

00:09:31,590 --> 00:09:28,020

false so who knows what's going on here

219

00:09:34,170 --> 00:09:31,600

so this is a little turn of events here

220

00:09:36,090 --> 00:09:34,180

well here's the problem even though the

221

00:09:38,460 --> 00:09:36,100

national media and everybody has picked

222

00:09:40,560 --> 00:09:38,470

it up nobody is telling the story about

223

00:09:43,530 --> 00:09:40,570

the investigation that Greenwald and

224

00:09:45,660 --> 00:09:43,540

Mastretta and Murillo have done they've

225

00:09:48,230 --> 00:09:45,670

done a lot of great investigative work

226

00:09:50,370 --> 00:09:48,240

here so but that's not being covered

227

00:09:52,740 --> 00:09:50,380

unfortunately and they've done some

228

00:09:53,550 --> 00:09:52,750

great work in fact Greenwald went on to

229

00:09:55,620 --> 00:09:53,560

do some research

230

00:09:58,949 --> 00:09:55,630

he thought the objects looked like they

231

00:10:00,900 --> 00:09:58,959

might be balloons he also found out on

232

00:10:03,269 --> 00:10:00,910

the website where he was able to trace

233

00:10:05,190 --> 00:10:03,279

where the chirping was to confirm it was

234

00:10:08,300 --> 00:10:05,200

in that area he said that when it was

235

00:10:11,430 --> 00:10:08,310

out there they were doing testing and

236

00:10:13,920 --> 00:10:11,440

scientific experiment so he looked up

237

00:10:16,110 --> 00:10:13,930

test balloons sure enough he sounds

238

00:10:16,860 --> 00:10:16,120

found some pictures of these gigantic

239

00:10:19,650 --> 00:10:16,870

balloons

240

00:10:21,600 --> 00:10:19,660

that looked very similar to what is in

241

00:10:23,910 --> 00:10:21,610

the images I went to Wikipedia and

242

00:10:26,670 --> 00:10:23,920

looked at these balloons in that and I

243

00:10:29,760 --> 00:10:26,680

found some similar ones myself now these

244

00:10:33,240 --> 00:10:29,770

images are from the early 1900's of

245

00:10:36,269 --> 00:10:33,250

these weird balloons I nor Greenwald

246

00:10:37,949 --> 00:10:36,279

could find any from the 70s but yeah I

247

00:10:40,730 --> 00:10:37,959

think Greenwald's kind of cracked the

248

00:10:43,410 --> 00:10:40,740

case here I think that's what these are

249

00:10:46,290 --> 00:10:43,420

kind of test balloons that they fire at

250

00:10:47,970 --> 00:10:46,300

and they practice to shooting down the

251

00:10:50,519 --> 00:10:47,980

one that looks like it's exploding or

252

00:10:53,250 --> 00:10:50,529

something yeah there's a couple images

253

00:10:55,470 --> 00:10:53,260

of these things exploding and sinking

254

00:10:58,170 --> 00:10:55,480

into the ocean and that's what makes

255

00:11:00,900 --> 00:10:58,180

them so spectacular and and wonderful

256

00:11:02,970 --> 00:11:00,910

they're really cool-looking pictures but

257

00:11:04,889 --> 00:11:02,980

none of that has been completely

258

00:11:08,609 --> 00:11:04,899

confirmed yet like you know

259

00:11:10,470 --> 00:11:08,619

where they were from or when even if

260

00:11:12,840 --> 00:11:10,480

they I mean it's possible they're

261

00:11:16,230 --> 00:11:12,850

completely fabricated photoshopped

262

00:11:17,759 --> 00:11:16,240

hoaxes but I think Greenwald seems to be

263

00:11:21,929 --> 00:11:17,769

on the right track if you look at the

264

00:11:24,869 --> 00:11:21,939

balloons in the images compared to what

265

00:11:27,600 --> 00:11:24,879

these alleged UFO photos I think that

266

00:11:29,749 --> 00:11:27,610

he's figured it out so really cool

267

00:11:32,280 --> 00:11:29,759

investigation great work unfortunately

268

00:11:34,319 --> 00:11:32,290

the investigation isn't being covered

269

00:11:38,189 --> 00:11:34,329

which I think really kind of sucks to

270

00:11:40,470 --> 00:11:38,199

put it bluntly because you know they try

271

00:11:41,910 --> 00:11:40,480

to portray UFO researchers as he's like

272

00:11:44,220 --> 00:11:41,920

I wrote it in my sort of wild-eyed

273

00:11:45,869 --> 00:11:44,230

believers when actually a lot of them

274

00:11:48,929 --> 00:11:45,879

are really good researchers who are

275

00:11:51,389 --> 00:11:48,939

looking for the truth and there's some

276

00:11:53,519 --> 00:11:51,399

great research that's been done here in

277

00:11:57,359 --> 00:11:53,529

fact a mistretta is going to talk more

278

00:12:00,269 --> 00:11:57,369

about it on July 21st Murillo you know

279

00:12:01,559 --> 00:12:00,279

holds this meetup in Los Angeles and mr.

280

00:12:04,530 --> 00:12:01,569

strata is going to be there to talk

281

00:12:06,929 --> 00:12:04,540

about it so people in the LA area who

282

00:12:09,210 --> 00:12:06,939

want to meet these guys can do that

283

00:12:12,049 --> 00:12:09,220

we've got a link in our story to that

284

00:12:15,210 --> 00:12:12,059

meetup so yeah so that's the story

285

00:12:18,059 --> 00:12:15,220

awesome well that's good investigative

286

00:12:19,769 --> 00:12:18,069

work by everyone yep it really is okay

287

00:12:21,869 --> 00:12:19,779

so what else has happening

288

00:12:24,090 --> 00:12:21,879

what else is happening is another story

289

00:12:26,100 --> 00:12:24,100

that's making the news it's on CNN and

290

00:12:28,769 --> 00:12:26,110

everywhere and this is the Welsh

291

00:12:31,199 --> 00:12:28,779

government replying to UFO questions in

292

00:12:32,249 --> 00:12:31,209

Klingon we talked about this I think a

293

00:12:33,210 --> 00:12:32,259

little bit on my show but it has a

294

00:12:35,579 --> 00:12:33,220

little more information

295

00:12:37,879 --> 00:12:35,589

I interviewed Nick Pope yesterday it'll

296

00:12:42,329 --> 00:12:37,889

be on our next UFO report on YouTube

297

00:12:47,220 --> 00:12:42,339

about this but what happened is there's

298

00:12:50,970 --> 00:12:47,230

Welsh Assembly Minister in the assembly

299

00:12:54,389 --> 00:12:50,980

for Cluett West she asked a question and

300

00:12:56,400 --> 00:12:54,399

he about UFOs he said you know our

301

00:12:59,160 --> 00:12:56,410

Cardiff Airport how many UFOs have been

302

00:13:00,689 --> 00:12:59,170

seen above it halves the Welsh

303

00:13:04,499 --> 00:13:00,699

government work with the Ministry of

304

00:13:07,350 --> 00:13:04,509

Defence regarding UFOs has the Welsh

305

00:13:09,660 --> 00:13:07,360

government looked into UFOs and the

306

00:13:13,289 --> 00:13:09,670

response has been to make fun of him and

307

00:13:15,150 --> 00:13:13,299

trash this guy so I mean a lot of people

308

00:13:16,829 --> 00:13:15,160

have said oh that's funny that's great

309

00:13:18,300 --> 00:13:16,839

Welsh government so cool especially

310

00:13:20,790 --> 00:13:18,310

because Comic Cons go

311

00:13:22,620 --> 00:13:20,800

but really it's really condescending and

312

00:13:24,960 --> 00:13:22,630

not very cool of them you know they're

313

00:13:28,200 --> 00:13:24,970

obviously not taking him serious at all

314

00:13:31,710 --> 00:13:28,210

so they replied in Klingon they said

315

00:13:34,500 --> 00:13:31,720

Jean V Dokdo Scott's luge car ran on

316

00:13:36,960 --> 00:13:34,510

some kind of crazy Klingon stuff but

317

00:13:39,330 --> 00:13:36,970

that what it means is the minister will

318

00:13:43,290 --> 00:13:39,340

reply in due course however this is a

319

00:13:45,660 --> 00:13:43,300

non devolved manner and we asked you

320

00:13:48,330 --> 00:13:45,670

know Nick Pope about that he says what

321

00:13:53,640 --> 00:13:48,340

he means by an on devolved matter is

322

00:13:56,460 --> 00:13:53,650

that they the Ministry of Defense does

323

00:13:59,670 --> 00:13:56,470

not consult the Welsh government it's

324

00:14:02,640 --> 00:13:59,680

kind of above them and they don't you

325

00:14:04,320 --> 00:14:02,650

know go downwards they don't tell you

326

00:14:06,240 --> 00:14:04,330

hey Welsh government here's what we're

327

00:14:08,400 --> 00:14:06,250

working on so they're kind of already

328

00:14:10,170 --> 00:14:08,410

alluding to like Nick Pope says to

329

00:14:12,060 --> 00:14:10,180

passing the buck which is something he

330

00:14:15,150 --> 00:14:12,070

says he did when he worked for the

331

00:14:16,560 --> 00:14:15,160

Ministry of Defence and that is common

332

00:14:18,770 --> 00:14:16,570

that they're probably going to say we

333

00:14:20,880 --> 00:14:18,780

don't know ask the Ministry of Defence

334

00:14:23,280 --> 00:14:20,890

for which of course the Ministry of

335

00:14:27,210 --> 00:14:23,290

Defence is answered and talked about

336

00:14:30,600 --> 00:14:27,220

that issue often unfortunately one of

337

00:14:33,180 --> 00:14:30,610

the assembly sources an anonymous

338

00:14:35,340 --> 00:14:33,190

assembly sources had kind of replied off

339

00:14:37,320 --> 00:14:35,350

the record and he says the only

340

00:14:39,500 --> 00:14:37,330

extraterrestrial life seen near Cardiff

341

00:14:42,120 --> 00:14:39,510

recently seems to be Darren Millar

342

00:14:44,460 --> 00:14:42,130

perhaps instead of spending time and

343

00:14:46,680 --> 00:14:44,470

wasting government resources asking

344

00:14:48,870 --> 00:14:46,690

questions about UFO he should be

345

00:14:50,040 --> 00:14:48,880

fighting for the very real concerns of

346

00:14:54,200 --> 00:14:50,050

his constituents

347

00:14:58,050 --> 00:14:54,210

oh you bloke you and that prissy British

348

00:14:59,700 --> 00:14:58,060

man but it was because of his

349

00:15:01,260 --> 00:14:59,710

constituents he was asking these

350

00:15:04,470 --> 00:15:01,270

questions because they were coming from

351

00:15:07,350 --> 00:15:04,480

his constituents so kind of frustrating

352

00:15:09,120 --> 00:15:07,360

Nick Pope replied in a tweet he says

353

00:15:11,850 --> 00:15:09,130

replying to an assembly man's question

354

00:15:14,520 --> 00:15:11,860

on the UFOs in Klingon it's a great way

355

00:15:18,510 --> 00:15:14,530

to ridicule the subject I did similar

356

00:15:21,390 --> 00:15:18,520

things at the mo D qapla complies

357

00:15:23,340 --> 00:15:21,400

another Klingon term for success and in

358

00:15:25,860 --> 00:15:23,350

fact I have him do this if you want a

359

00:15:27,210 --> 00:15:25,870

scenic boat speaking Klingon you can

360

00:15:30,600 --> 00:15:27,220

watch your interview that will have out

361

00:15:31,870 --> 00:15:30,610

on Friday but he has sent essentially

362

00:15:33,520 --> 00:15:31,880

says you know he

363

00:15:36,100 --> 00:15:33,530

all that spin and dirty tricks that when

364

00:15:38,050 --> 00:15:36,110

he was working for the mo D about UFOs

365

00:15:40,810 --> 00:15:38,060

they would do things like this to make

366

00:15:42,730 --> 00:15:40,820

fun of UFOs however in the background

367

00:15:45,340 --> 00:15:42,740

they were taking the reports very very

368

00:15:48,970 --> 00:15:45,350

seriously although they were pretending

369

00:15:50,590 --> 00:15:48,980

not to something else I put in my story

370

00:15:53,410 --> 00:15:50,600

that I think it's very interesting is

371

00:15:56,950 --> 00:15:53,420

that in 2012 Huffington Post wrote about

372

00:15:59,620 --> 00:15:56,960

a pool that was done in the UK about

373

00:16:02,410 --> 00:15:59,630

UFOs and they found that 52 percent

374

00:16:04,090 --> 00:16:02,420

believe UFO evidence has been covered up

375

00:16:06,280 --> 00:16:04,100

because widespread knowledge of their

376

00:16:09,340 --> 00:16:06,290

existence would threaten government

377

00:16:12,310 --> 00:16:09,350

stability so I mean if you look at this

378

00:16:14,770 --> 00:16:12,320

well story or even this Navy story it

379

00:16:17,470 --> 00:16:14,780

was the UK media that picked it up the

380

00:16:19,900 --> 00:16:17,480

UK media even references our website

381

00:16:21,340 --> 00:16:19,910

practically on a weekly basis these days

382

00:16:23,910 --> 00:16:21,350

and these are some of their bigger

383

00:16:26,800 --> 00:16:23,920

papers like the mirror the Daily Express

384

00:16:30,130 --> 00:16:26,810

their new papers out out there are

385

00:16:33,100 --> 00:16:30,140

certainly more tabloid like but they

386

00:16:35,620 --> 00:16:33,110

they write about UFOs much more over

387

00:16:38,230 --> 00:16:35,630

there it seems especially per capita

388

00:16:41,590 --> 00:16:38,240

than we do over here so UK people are

389

00:16:43,480 --> 00:16:41,600

really into UFOs so hopefully I mean

390

00:16:48,490 --> 00:16:43,490

there's a backlash I just don't think

391

00:16:51,670 --> 00:16:48,500

that these these politicians should be

392

00:16:55,060 --> 00:16:51,680

making light of real concerns from their

393

00:16:57,610 --> 00:16:55,070

citizens yeah it's it's just you know

394

00:17:00,400 --> 00:16:57,620

it's par for the course it's a status

395

00:17:05,410 --> 00:17:00,410

quo and you know it's kind of funny that

396

00:17:08,590 --> 00:17:05,420

the the UK you know has so many reports

397

00:17:10,030 --> 00:17:08,600

are so many you know articles only

398

00:17:11,949 --> 00:17:10,040

because of the fact that you know when I

399

00:17:14,260 --> 00:17:11,959

speak to people from over there they say

400

00:17:17,949 --> 00:17:14,270

well we never get to see UFOs it's it's

401
00:17:21,130 --> 00:17:17,959
always Claudia Rainey not always but you

402
00:17:23,110 --> 00:17:21,140
know a lot yeah which is a good point I

403
00:17:24,579 --> 00:17:23,120
mean it's difficult to know cuz it you

404
00:17:26,530 --> 00:17:24,589
know there are some organizations out

405
00:17:28,150 --> 00:17:26,540
there but it's difficult because it's

406
00:17:30,730 --> 00:17:28,160
not really apples to apples to tell if

407
00:17:33,460 --> 00:17:30,740
they have more reports or not but we do

408
00:17:36,490 --> 00:17:33,470
know in our own country that the son of

409
00:17:38,560 --> 00:17:36,500
your areas do seem to have more sighting

410
00:17:40,930 --> 00:17:38,570
reports so it's entirely possible and it

411
00:17:42,790 --> 00:17:40,940
could be why they're so interested in

412
00:17:44,330 --> 00:17:42,800
other people's sightings because a lot

413
00:17:48,560 --> 00:17:44,340

of the stories they

414

00:17:50,690 --> 00:17:48,570

run over there are us sighting so for

415

00:17:53,180 --> 00:17:50,700

instance when I wrote we talked about

416

00:17:56,000 --> 00:17:53,190

this recently about June having a spike

417

00:17:58,010 --> 00:17:56,010

in sightings they ran with that story

418

00:17:59,899 --> 00:17:58,020

out there and I don't even know if the

419

00:18:03,289 --> 00:17:59,909

American media picked it up but the UK

420

00:18:05,240 --> 00:18:03,299

media picked it up like crazy which was

421

00:18:07,700 --> 00:18:05,250

really cool so they're really interested

422

00:18:09,769 --> 00:18:07,710

in in sightings even if they don't

423

00:18:12,440 --> 00:18:09,779

happen in the UK not like the US where

424

00:18:15,080 --> 00:18:12,450

we could really give a damn what happens

425

00:18:17,840 --> 00:18:15,090

in other countries for the most part hmm

426

00:18:19,460 --> 00:18:17,850

good point there so you have one more

427

00:18:21,260 --> 00:18:19,470

we'll have to make it a little bit short

428

00:18:23,899 --> 00:18:21,270

because we're okay a little bit later

429

00:18:25,789 --> 00:18:23,909

I'll do it really quick speaking of

430

00:18:27,260 --> 00:18:25,799

Americans not giving a damn about what

431

00:18:29,860 --> 00:18:27,270

happens in other countries here's a

432

00:18:32,539 --> 00:18:29,870

great UFO story from another country

433

00:18:34,970 --> 00:18:32,549

this is just a story about some Turkish

434

00:18:37,060 --> 00:18:34,980

pilots who recall some UFO sightings

435

00:18:39,289 --> 00:18:37,070

there commercial airline pilot

436

00:18:41,990 --> 00:18:39,299

essentially who had a couple really cool

437

00:18:44,330 --> 00:18:42,000

experiences one pilot just said that you

438

00:18:47,210 --> 00:18:44,340

know he was up and and him along with

439

00:18:49,460 --> 00:18:47,220

four other aircraft or four aircraft in

440

00:18:51,680 --> 00:18:49,470

total saw this extremely bright light

441

00:18:56,389 --> 00:18:51,690

they couldn't even look at it directly

442

00:18:59,060 --> 00:18:56,399

it was so incredibly bright so really

443

00:19:01,250 --> 00:18:59,070

neat story then another story from

444

00:19:03,799 --> 00:19:01,260

another pilot who said they saw some

445

00:19:05,539 --> 00:19:03,809

multicolored lights that flew around and

446

00:19:08,389 --> 00:19:05,549

eventually turned into a white ball

447

00:19:11,269 --> 00:19:08,399

before disappearing so really cool

448

00:19:13,850 --> 00:19:11,279

sightings and funny enough the space

449

00:19:15,710 --> 00:19:13,860

editor I think he writes for MSNBC these

450

00:19:19,190 --> 00:19:15,720

days but he's written for a lot space

451

00:19:21,740 --> 00:19:19,200

comm and everything Jim Oberg replied to

452

00:19:23,659 --> 00:19:21,750

my story he does that sometimes and it

453

00:19:25,250 --> 00:19:23,669

was kind of funny he says and your

454

00:19:26,990 --> 00:19:25,260

reason for thinking this story was

455

00:19:30,460 --> 00:19:27,000

significant without providing a date

456

00:19:33,500 --> 00:19:30,470

time or location of it was what exactly

457

00:19:37,130 --> 00:19:33,510

especially on an air route passing close

458

00:19:38,960 --> 00:19:37,140

to the Beck noir cosmodrome so his point

459

00:19:41,090 --> 00:19:38,970

being that you know in the flight path

460

00:19:43,310 --> 00:19:41,100

is a very popular place where they

461

00:19:46,370 --> 00:19:43,320

launch rockets and that's a great point

462

00:19:48,710 --> 00:19:46,380

but of course he's being silly about his

463

00:19:50,149 --> 00:19:48,720

first question but the reason I bring

464

00:19:51,830 --> 00:19:50,159

that up because it's a great question

465

00:19:53,539 --> 00:19:51,840

why do we care because they're

466

00:19:55,580 --> 00:19:53,549

commercial pilots and I think you might

467

00:19:57,529 --> 00:19:55,590

agree and certainly our readers agree

468

00:19:59,989 --> 00:19:57,539

that stories from

469

00:20:03,200 --> 00:19:59,999

for airline pilots are very interesting

470

00:20:05,389 --> 00:20:03,210

because these are people who are flying

471

00:20:09,080 --> 00:20:05,399

and up in the air you know quite a bit

472

00:20:11,779 --> 00:20:09,090

in fact Obama's you know pilot for when

473

00:20:13,729 --> 00:20:11,789

he was a candidate came out speaking

474

00:20:16,549 --> 00:20:13,739

about UFOs fairly recently and that was

475

00:20:19,369 --> 00:20:16,559

a big story people just really like to

476

00:20:21,950 --> 00:20:19,379

hear from airline pilots and what was

477

00:20:24,349 --> 00:20:21,960

interesting about Obama's pilot is that

478

00:20:26,869 --> 00:20:24,359

he said most pilots believe in UFOs and

479

00:20:29,629 --> 00:20:26,879

these two pilots say they believe in it

480

00:20:31,669 --> 00:20:29,639

as well so I think that's very

481

00:20:34,159 --> 00:20:31,679

interesting what you think absolutely

482

00:20:37,460 --> 00:20:34,169

you know I seem to talk quite a bit

483

00:20:39,950 --> 00:20:37,470

about Seth Shostak because I did when I

484

00:20:42,039 --> 00:20:39,960

was debating him on UFOs way back and

485

00:20:44,779 --> 00:20:42,049

show number 21 or 22 I can't remember

486

00:20:46,310 --> 00:20:44,789

you know I brought that up about you

487

00:20:48,619 --> 00:20:46,320

know these have people more like trained

488

00:20:50,359 --> 00:20:48,629

observers like astronauts and pilots and

489

00:20:53,299 --> 00:20:50,369

things like that and he said absolutely

490

00:20:55,039 --> 00:20:53,309

not they're no different than anyone

491

00:20:57,379 --> 00:20:55,049

else and you know it makes no difference

492

00:20:59,930 --> 00:20:57,389

I was kind of shocked by that because I

493

00:21:02,269 --> 00:20:59,940

I would think anyone you know flying a

494

00:21:03,649 --> 00:21:02,279

plane would really need to know what's

495

00:21:06,499 --> 00:21:03,659

going on up there and really pay

496

00:21:09,469 --> 00:21:06,509

attention yeah it's really frustrating I

497

00:21:11,599 --> 00:21:09,479

mean it's someone like Seth Shostak will

498

00:21:13,580 --> 00:21:11,609

discount pilots even though pilots are

499

00:21:15,739 --> 00:21:13,590

in the air that's where they're spending

500

00:21:18,109 --> 00:21:15,749

their career the rest of us don't have a

501
00:21:20,330 --> 00:21:18,119
career looking up in the sky but szostak

502
00:21:22,339 --> 00:21:20,340
will also say well why don't astronomers

503
00:21:26,060 --> 00:21:22,349
see UFOs and why aren't they into UFOs

504
00:21:27,859 --> 00:21:26,070
and they are white they are I did a talk

505
00:21:29,810 --> 00:21:27,869
in Roswell about this where it was

506
00:21:33,589 --> 00:21:29,820
really astronomers who started the

507
00:21:37,729 --> 00:21:33,599
modern-day research into UFOs so there

508
00:21:39,830 --> 00:21:37,739
mister szostak yeah there you go well

509
00:21:42,019 --> 00:21:39,840
hey thanks so much we ran a little long

510
00:21:42,919 --> 00:21:42,029
but it was fun it was good I really

511
00:21:44,989 --> 00:21:42,929
appreciate it

512
00:21:47,539 --> 00:21:44,999
oh I have one more thing to mention I'm

513
00:21:50,419 --> 00:21:47,549

sorry yeah no problem but I speaking of

514

00:21:52,279 --> 00:21:50,429

astronomers and UFOs clyde tombaugh's in

515

00:21:54,950 --> 00:21:52,289

the news a lot because he's the one who

516

00:21:58,039 --> 00:21:54,960

discovered Pluto and he was one of those

517

00:22:00,499 --> 00:21:58,049

astronomers who saw UFOs he and there

518

00:22:04,099 --> 00:22:00,509

was a Life magazine story about it in

519

00:22:07,509 --> 00:22:04,109

the 50s which was a huge deal and really

520

00:22:09,919 --> 00:22:07,519

rekindled the public's interest in UFOs

521

00:22:11,330 --> 00:22:09,929

but that's an interesting story that you

522

00:22:13,790 --> 00:22:11,340

see out there and

523

00:22:16,730 --> 00:22:13,800

News these days because of everything

524

00:22:18,170 --> 00:22:16,740

going on with Pluto right and I hope the

525

00:22:20,930 --> 00:22:18,180

listener out there has checked out the

526

00:22:23,690 --> 00:22:20,940

image the images of Pluto it is really

527

00:22:25,460 --> 00:22:23,700

something to see something like that you

528

00:22:28,340 --> 00:22:25,470

know showing that some of the mountain

529

00:22:30,710 --> 00:22:28,350

ranges and you know it's an icy planet

530

00:22:32,990 --> 00:22:30,720

by the boy what it's really actually

531

00:22:36,830 --> 00:22:33,000

great to be able to see that amazing

532

00:22:38,270 --> 00:22:36,840

stuff it's amazing what what mankind can

533

00:22:41,060 --> 00:22:38,280

do really if you think about it and

534

00:22:42,920 --> 00:22:41,070

takes four hours for the signal the

535

00:22:45,230 --> 00:22:42,930

speed of light to reach the earth and

536

00:22:48,590 --> 00:22:45,240

call me a Pollyanna but I think humans

537

00:22:51,050 --> 00:22:48,600

are pretty cool sometimes I'm there with

538

00:22:52,070 --> 00:22:51,060

you man all right well thanks a lot and

539

00:22:54,380 --> 00:22:52,080

I'll be talking to you next week

540

00:22:55,580 --> 00:22:54,390

okay talk to you later all right so

541

00:22:57,860 --> 00:22:55,590

everyone hang in there we'll be right

542

00:24:05,200 --> 00:22:57,870

back after this quick music break with

543

00:24:14,120 --> 00:24:10,029

Erica Luc's how are you

544

00:24:17,390 --> 00:24:14,130

did you unmute your mic Erica yeah oh I

545

00:24:18,590 --> 00:24:17,400

think I did now that's me can hear me I

546

00:24:22,580 --> 00:24:18,600

can hear you fine

547

00:24:25,880 --> 00:24:22,590

okay this only happens on live radio by

548

00:24:27,350 --> 00:24:25,890

the way no of course welcome Kat to come

549

00:24:31,370 --> 00:24:27,360

in and you know pull the mic down like

550

00:24:36,049 --> 00:24:31,380

he/she did last time so welcome to the

551
00:24:37,310 --> 00:24:36,059
show thank you yes and we follow I don't

552
00:24:38,990 --> 00:24:37,320
know if you follow each other on

553
00:24:41,240 --> 00:24:39,000
Facebook whatever you do on Facebook we

554
00:24:44,810 --> 00:24:41,250
do so we've had some nice little back

555
00:24:46,669 --> 00:24:44,820
and forth for a while and so I was

556
00:24:49,549 --> 00:24:46,679
excited to have you on and talk about

557
00:24:52,850 --> 00:24:49,559
who you are what you do and we got some

558
00:24:55,039 --> 00:24:52,860
time to fill so let's talk about how you

559
00:24:58,430 --> 00:24:55,049
got interested in the topic to begin

560
00:25:00,020 --> 00:24:58,440
with you know it's it's a I've always

561
00:25:02,990 --> 00:25:00,030
been interested in it and I remember

562
00:25:05,899 --> 00:25:03,000
when I was six years old standing in my

563
00:25:08,600 --> 00:25:05,909

school library and I saw a book with a

564

00:25:11,539 --> 00:25:08,610

UFO on the cover and I picked it up and

565

00:25:13,820 --> 00:25:11,549

it was like this this attraction and

566

00:25:17,750 --> 00:25:13,830

from there on out I just read everything

567

00:25:21,680 --> 00:25:17,760

I could find I did a lot of research

568

00:25:25,279 --> 00:25:21,690

into the paranormal phenomena and I I

569

00:25:29,000 --> 00:25:25,289

was always I was drawn to it I'm a very

570

00:25:31,460 --> 00:25:29,010

intuitive person and an artist by trade

571

00:25:33,620 --> 00:25:31,470

and so it just came naturally to me to

572

00:25:37,789 --> 00:25:33,630

want to learn more about something like

573

00:25:39,680 --> 00:25:37,799

this now so you started out that young

574

00:25:41,870 --> 00:25:39,690

are you saying it out did you have any

575

00:25:43,520 --> 00:25:41,880

siblings that shared your interest or

576

00:25:47,000 --> 00:25:43,530

anything you know I was an only child

577

00:25:50,799 --> 00:25:47,010

and clearly maybe that explains a lot

578

00:25:54,500 --> 00:25:50,809

who knows but I you know I was always

579

00:26:00,289 --> 00:25:54,510

creative and imaginative and I always

580

00:26:01,970 --> 00:26:00,299

had this this yearning for for studying

581

00:26:05,930 --> 00:26:01,980

this type of thing because I knew there

582

00:26:09,500 --> 00:26:05,940

was something much deeper going on and I

583

00:26:11,570 --> 00:26:09,510

felt connected to it I see you know if

584

00:26:14,540 --> 00:26:11,580

funny my son's an only child and he's I

585

00:26:17,840 --> 00:26:14,550

think that a lot of times and I know a

586

00:26:19,910 --> 00:26:17,850

few others there these people seem to be

587

00:26:22,670 --> 00:26:19,920

very creative because you know you're

588

00:26:24,920 --> 00:26:22,680

spending a lot of time with yourself as

589

00:26:27,710 --> 00:26:24,930

you're young and you know entertaining

590

00:26:30,560 --> 00:26:27,720

yourself and you know there's a certain

591

00:26:33,230 --> 00:26:30,570

creation creative element that seems to

592

00:26:35,150 --> 00:26:33,240

follow along with with the only child

593

00:26:38,360 --> 00:26:35,160

you know you're not kidding

594

00:26:40,220 --> 00:26:38,370

just that's my mom met she she would

595

00:26:41,840 --> 00:26:40,230

vouch for that but you know I think it

596

00:26:43,220 --> 00:26:41,850

was great

597

00:26:45,680 --> 00:26:43,230

for me I mean I used to put on little

598

00:26:47,960 --> 00:26:45,690

plays in my bedroom and just sing and

599

00:26:50,960 --> 00:26:47,970

dance and I loved that and I think

600

00:26:52,820 --> 00:26:50,970

because that's the way I processed

601
00:26:57,110 --> 00:26:52,830
things that perhaps I was a little bit

602
00:27:00,280 --> 00:26:57,120
more open to intuition and and the

603
00:27:03,170 --> 00:27:00,290
paranormal and UFOs and things like that

604
00:27:05,570 --> 00:27:03,180
so it was it's always been fascinating

605
00:27:08,990 --> 00:27:05,580
and I remember picking up Communion when

606
00:27:11,900 --> 00:27:09,000
I was in high school and that just that

607
00:27:14,840 --> 00:27:11,910
just sent me reeling yeah you know it's

608
00:27:15,980 --> 00:27:14,850
funny how many times that same story

609
00:27:18,710 --> 00:27:15,990
you're just saying right they're not

610
00:27:20,960 --> 00:27:18,720
high school but there's so many people

611
00:27:24,020 --> 00:27:20,970
that have been on this show that that's

612
00:27:26,300 --> 00:27:24,030
book has you know really changed the way

613
00:27:28,090 --> 00:27:26,310

they think and I've never even you know

614

00:27:31,190 --> 00:27:28,100

I have the book sitting on my shelf but

615

00:27:34,070 --> 00:27:31,200

in total recent just recently like last

616

00:27:35,590 --> 00:27:34,080

Friday I had no time to do anything and

617

00:27:38,270 --> 00:27:35,600

now I have all the time in the world

618

00:27:40,160 --> 00:27:38,280

well no because you're going on a tour

619

00:27:42,740 --> 00:27:40,170

you're going across country to come

620

00:27:45,200 --> 00:27:42,750

visit me okay all right sounds like a

621

00:27:49,670 --> 00:27:45,210

plan okay

622

00:27:51,290 --> 00:27:49,680

now I am going to say that anyone in the

623

00:27:53,840 --> 00:27:51,300

chat room if you'd like to pose a

624

00:27:56,750 --> 00:27:53,850

question for Erica you can go ahead and

625

00:28:00,590 --> 00:27:56,760

Eric is actually in there so be kind to

626

00:28:02,540 --> 00:28:00,600

her and also if anyone would like to

627

00:28:06,380 --> 00:28:02,550

call into the show our number as always

628

00:28:07,910 --> 00:28:06,390

is 603 nine six seven four oh three oh

629

00:28:09,530 --> 00:28:07,920

you know what I just thought of it I

630

00:28:11,450 --> 00:28:09,540

should post that on the website or

631

00:28:13,100 --> 00:28:11,460

somewhere so I don't have to keep saying

632

00:28:15,380 --> 00:28:13,110

it over and over again but you know

633

00:28:18,170 --> 00:28:15,390

Erica we do get occasionally we get a

634

00:28:19,940 --> 00:28:18,180

call during a show not a lot of people

635

00:28:21,860 --> 00:28:19,950

you know are active in the chat room

636

00:28:23,060 --> 00:28:21,870

usually but don't call so don't don't

637

00:28:28,370 --> 00:28:23,070

hold out for that you can

638

00:28:30,200 --> 00:28:28,380

say whatever you want to say so time

639

00:28:33,230 --> 00:28:30,210

goes on you go through high school you

640

00:28:36,050 --> 00:28:33,240

read that did you continue like on that

641

00:28:38,450 --> 00:28:36,060

path I'm sure you had careers and

642

00:28:42,350 --> 00:28:38,460

perhaps college or whatever study you

643

00:28:44,930 --> 00:28:42,360

did how did how did all that go you know

644

00:28:50,450 --> 00:28:44,940

I was so I started studying classical

645

00:28:53,230 --> 00:28:50,460

boys when I was 16 and I was in a lot of

646

00:28:56,900 --> 00:28:53,240

different bands in Utah and performed

647

00:28:59,570 --> 00:28:56,910

did that for a career so my background

648

00:29:03,080 --> 00:28:59,580

was vocal performance and then I became

649

00:29:06,590 --> 00:29:03,090

a master Pilates instructor and opened a

650

00:29:09,230 --> 00:29:06,600

business and have had a business for 15

651
00:29:12,350 --> 00:29:09,240
years teaching Pilates and certifying

652
00:29:14,900 --> 00:29:12,360
Pilates instructors and the whole time

653
00:29:17,420 --> 00:29:14,910
I've been researching and reading

654
00:29:20,230 --> 00:29:17,430
everything I could get my hands on about

655
00:29:23,600 --> 00:29:20,240
the UFO phenomena about abductions and

656
00:29:27,380 --> 00:29:23,610
the paranormal as well because I've had

657
00:29:29,060 --> 00:29:27,390
an interesting experience with the

658
00:29:32,570 --> 00:29:29,070
paranormal and I lived in a haunted

659
00:29:34,160 --> 00:29:32,580
house it was very very cool so I've had

660
00:29:37,640 --> 00:29:34,170
lots of interesting experiences around

661
00:29:39,770 --> 00:29:37,650
me and it's been fantastic well when do

662
00:29:41,360 --> 00:29:39,780
I have to you know I know this is UFO

663
00:29:44,660 --> 00:29:41,370

show but you know I'm gonna have to ask

664

00:29:46,730 --> 00:29:44,670

you about the haunted house okay and I

665

00:29:49,970 --> 00:29:46,740

why do it was that it was the coolest

666

00:29:51,830 --> 00:29:49,980

thing I we moved into I was gosh in my

667

00:29:54,350 --> 00:29:51,840

well I'm not even gonna tell you how old

668

00:29:56,060 --> 00:29:54,360

I was that's just too depressing but we

669

00:29:57,080 --> 00:29:56,070

moved into a house that was a hundred

670

00:30:00,620 --> 00:29:57,090

years old

671

00:30:03,770 --> 00:30:00,630

and at the time my husband was working

672

00:30:05,960 --> 00:30:03,780

late at night and so I would just you

673

00:30:09,320 --> 00:30:05,970

know just see things the toilet lid

674

00:30:11,510 --> 00:30:09,330

would be up the seat which was odd and I

675

00:30:13,910 --> 00:30:11,520

would notice that I mean literally

676

00:30:15,740 --> 00:30:13,920

candle would just fly off the shelf all

677

00:30:17,810 --> 00:30:15,750

of these things started to happen and I

678

00:30:20,600 --> 00:30:17,820

thought it was a little odd and kept

679

00:30:22,700 --> 00:30:20,610

excusing what was going on around me and

680

00:30:25,100 --> 00:30:22,710

rationalizing it and then one night I

681

00:30:26,780 --> 00:30:25,110

was going to bed watch through the

682

00:30:29,210 --> 00:30:26,790

kitchen and I noticed a man leaning

683

00:30:31,970 --> 00:30:29,220

against the counter mmm and I thought

684

00:30:36,530 --> 00:30:31,980

that okay it's my husband went into bed

685

00:30:36,950 --> 00:30:36,540

and he was in bed asleep so immediately

686

00:30:39,409 --> 00:30:36,960

what

687

00:30:40,850 --> 00:30:39,419

up and I just said oh my lord I've been

688

00:30:42,919 --> 00:30:40,860

seeing this this is what's been

689

00:30:45,740 --> 00:30:42,929

happening and he said thank you I've

690

00:30:47,389 --> 00:30:45,750

been not purposely saying anything and I

691

00:30:49,250 --> 00:30:47,399

wanted to see what you had to say

692

00:30:55,460 --> 00:30:49,260

because I've been seeing a man in our

693

00:30:57,590 --> 00:30:55,470

house for months Wow so it was a really

694

00:30:59,539 --> 00:30:57,600

interesting experience I think we were

695

00:31:01,850 --> 00:30:59,549

both intuitive but then we would have

696

00:31:03,409 --> 00:31:01,860

you know I kind of panicked I thought oh

697

00:31:05,960 --> 00:31:03,419

my lord what a wreck where were you

698

00:31:07,460 --> 00:31:05,970

living and so I called out a group and

699

00:31:10,190 --> 00:31:07,470

they investigated and that they did

700

00:31:15,830 --> 00:31:10,200

several investigations and you know

701
00:31:19,340 --> 00:31:15,840
caught the typical EVPs said apparition

702
00:31:22,549 --> 00:31:19,350
they it was very very cool whatever was

703
00:31:25,460 --> 00:31:22,559
there was definitely some sort of I felt

704
00:31:27,680 --> 00:31:25,470
like a benevolent force and I have to

705
00:31:31,460 --> 00:31:27,690
say when I left the house I was I was

706
00:31:33,860 --> 00:31:31,470
very sad hmm well you know since we're

707
00:31:36,169 --> 00:31:33,870
talking ghosts already I'm gonna just

708
00:31:38,240 --> 00:31:36,179
tell it quick oh dear a quick those

709
00:31:42,649 --> 00:31:38,250
stories in and that has only come up I

710
00:31:46,279 --> 00:31:42,659
think once and 159 shows here but anyway

711
00:31:49,010 --> 00:31:46,289
my father owned a house in in southern

712
00:31:51,889 --> 00:31:49,020
Maine and it was a very early house

713
00:31:54,889 --> 00:31:51,899

around early 1700s and the house had

714

00:31:56,480 --> 00:31:54,899

already been moved once and that way it

715

00:31:58,340 --> 00:31:56,490

had a history a really interesting

716

00:32:00,769 --> 00:31:58,350

history that well not kind of a sad

717

00:32:02,779 --> 00:32:00,779

history but it was attacked by a bite

718

00:32:05,810 --> 00:32:02,789

Native Americans or Indians whatever you

719

00:32:07,460 --> 00:32:05,820

want to say and they they killed the

720

00:32:10,340 --> 00:32:07,470

children which was really sad and they

721

00:32:11,690 --> 00:32:10,350

took the wife the woman away and in the

722

00:32:13,610 --> 00:32:11,700

middle of the night she got up this is a

723

00:32:16,310 --> 00:32:13,620

true story she got up in the middle of

724

00:32:19,430 --> 00:32:16,320

night and she killed she found a knife

725

00:32:21,830 --> 00:32:19,440

she stabbed the Indian and the whatever

726

00:32:24,289 --> 00:32:21,840

it was with her shelter or whatever and

727

00:32:25,820 --> 00:32:24,299

escaped and went back to the house well

728

00:32:29,690 --> 00:32:25,830

that that was a story about that well my

729

00:32:32,210 --> 00:32:29,700

father owned this house and he my sister

730

00:32:33,470 --> 00:32:32,220

had an operation and she said dad I saw

731

00:32:36,019 --> 00:32:33,480

a little girl and he says you guys see

732

00:32:38,299 --> 00:32:36,029

her all the time and and all these weird

733

00:32:39,980 --> 00:32:38,309

things they had see my sister described

734

00:32:42,710 --> 00:32:39,990

it as a little girl in a white dress

735

00:32:45,529 --> 00:32:42,720

that looked like old-fashioned and she'd

736

00:32:46,669 --> 00:32:45,539

see she'd say she'd see and then she

737

00:32:48,350 --> 00:32:46,679

wouldn't see it and then she'd see

738

00:32:50,149 --> 00:32:48,360

through it and you know on and on so I

739

00:32:50,659 --> 00:32:50,159

didn't really didn't pay you know I said

740

00:32:52,159 --> 00:32:50,669

wow you

741

00:32:53,960 --> 00:32:52,169

all that Here I am in like high school

742

00:32:56,930 --> 00:32:53,970

is something so I didn't really pay that

743

00:32:58,729 --> 00:32:56,940

much attention to it well the land was

744

00:33:01,279 --> 00:32:58,739

sold a big mall came in the house was

745

00:33:02,869 --> 00:33:01,289

moved again down the street about a half

746

00:33:04,279 --> 00:33:02,879

a mile or so so I stopped in there one

747

00:33:06,229 --> 00:33:04,289

day because it was an antique shop and I

748

00:33:07,609 --> 00:33:06,239

got to talk to the antique dealer and I

749

00:33:09,590 --> 00:33:07,619

finally got up the courage and I said

750

00:33:11,629 --> 00:33:09,600

has anyone ever talked about this place

751

00:33:13,099 --> 00:33:11,639

being haunted and he looks at me he goes

752

00:33:18,070 --> 00:33:13,109

do you mean the little girl in the white

753

00:33:20,599 --> 00:33:18,080

dress I mean that's pretty amazing to me

754

00:33:21,950 --> 00:33:20,609

and so he said go talk to the

755

00:33:24,080 --> 00:33:21,960

accountants they've seen her - so there

756

00:33:25,399 --> 00:33:24,090

was accountants inside and I went in to

757

00:33:26,419 --> 00:33:25,409

talk to him and one of them started

758

00:33:29,509 --> 00:33:26,429

laughing because I don't want to talk

759

00:33:32,359 --> 00:33:29,519

about it isn't that incredible you know

760

00:33:34,580 --> 00:33:32,369

when I the house that I lived in was so

761

00:33:36,440 --> 00:33:34,590

active I mean I would have and these are

762

00:33:38,570 --> 00:33:36,450

really skeptical people come over they

763

00:33:40,970 --> 00:33:38,580

were my friends lots of them engineers

764

00:33:43,700 --> 00:33:40,980

so they would you know yeah yeah

765

00:33:46,220 --> 00:33:43,710

whatever and you know pretty soon they'd

766

00:33:49,159 --> 00:33:46,230

have an experience and it was a little

767

00:33:51,560 --> 00:33:49,169

shocking for them but after you know I

768

00:33:54,950 --> 00:33:51,570

lived there for a while the house was on

769

00:33:57,950 --> 00:33:54,960

TV and and it was in a local magazine

770

00:34:00,619 --> 00:33:57,960

and I had somebody Facebook me actually

771

00:34:03,169 --> 00:34:00,629

and said oh did you live at such and

772

00:34:05,570 --> 00:34:03,179

such an address because I went I lived

773

00:34:07,789 --> 00:34:05,580

next door to that house back when I was

774

00:34:10,039 --> 00:34:07,799

ten years old and my girlfriend and I

775

00:34:13,849 --> 00:34:10,049

were down in the basement and we had an

776

00:34:16,819 --> 00:34:13,859

experience that scared us so so much

777

00:34:18,770 --> 00:34:16,829

that we ran to our bishop and the bishop

778

00:34:22,520 --> 00:34:18,780

said to never talk about it again and

779

00:34:24,260 --> 00:34:22,530

here we are Wow you know I know the

780

00:34:26,329 --> 00:34:24,270

listener out there comes to listen to

781

00:34:29,990 --> 00:34:26,339

the show for UFOs so you have to forgive

782

00:34:33,109 --> 00:34:30,000

me but you know the the the thing that

783

00:34:35,480 --> 00:34:33,119

comes up occasionally is people talk you

784

00:34:37,819 --> 00:34:35,490

know where there's ghosts there's UFOs

785

00:34:39,710 --> 00:34:37,829

there's Bigfoot there's you know

786

00:34:41,839 --> 00:34:39,720

cryptids there's all kinds of weird

787

00:34:43,940 --> 00:34:41,849

things going on at once you know I don't

788

00:34:46,369 --> 00:34:43,950

know if any of that's true or not if

789

00:34:48,559 --> 00:34:46,379

there's any type of relation but there

790

00:34:51,919 --> 00:34:48,569

is some type of answer for what's

791

00:34:58,400 --> 00:34:51,929

happening and I think you know it's a

792

00:35:00,230 --> 00:34:58,410

elusive as UFOs in general but also you

793

00:35:02,270 --> 00:35:00,240

know I don't know if they'll ever be

794

00:35:04,370 --> 00:35:02,280

figured out same thing as UFOs you know

795

00:35:07,280 --> 00:35:04,380

I hope they will but I

796

00:35:09,620 --> 00:35:07,290

know if they actually will or not you

797

00:35:12,430 --> 00:35:09,630

know I think that for me the more I

798

00:35:15,230 --> 00:35:12,440

learned about this subject the more I

799

00:35:17,900 --> 00:35:15,240

probably leaned towards saying that

800

00:35:20,480 --> 00:35:17,910

these from this phenomena is you know

801
00:35:22,850 --> 00:35:20,490
the paranormal of ghosts this is this

802
00:35:24,080 --> 00:35:22,860
could be connected with the UFO

803
00:35:26,930 --> 00:35:24,090
phenomena when you're looking at

804
00:35:29,570 --> 00:35:26,940
abductions many people that have had

805
00:35:33,260 --> 00:35:29,580
abduction experiences will see the orbs

806
00:35:34,730 --> 00:35:33,270
by their bed and you know so we just the

807
00:35:37,490 --> 00:35:34,740
bottom line is we don't know

808
00:35:40,850 --> 00:35:37,500
it's unexplained and until we're willing

809
00:35:43,700 --> 00:35:40,860
to really put effort into it and in

810
00:35:45,530 --> 00:35:43,710
serious research and quit debating

811
00:35:47,330 --> 00:35:45,540
whether they're here or not I think

812
00:35:49,460 --> 00:35:47,340
there's enough evidence to say they are

813
00:35:51,170 --> 00:35:49,470

so now what are we going to do about it

814

00:35:55,090 --> 00:35:51,180

how are we going to research this

815

00:35:58,880 --> 00:35:55,100

phenomena and work together right right

816

00:36:00,350 --> 00:35:58,890

so Erika you are now the director of

817

00:36:03,890 --> 00:36:00,360

MUFON of Utah

818

00:36:06,590 --> 00:36:03,900

I am state director for Utah MUFON and I

819

00:36:09,740 --> 00:36:06,600

love it there's so much going on in this

820

00:36:11,660 --> 00:36:09,750

state it's just been fun I you know I I

821

00:36:13,670 --> 00:36:11,670

can understand a lot of times we talk

822

00:36:16,910 --> 00:36:13,680

about there's more sightings and where

823

00:36:19,040 --> 00:36:16,920

there's clearer skies I don't you know I

824

00:36:20,960 --> 00:36:19,050

think that definitely plays into it when

825

00:36:23,120 --> 00:36:20,970

you think of places like England which

826

00:36:24,980 --> 00:36:23,130

we spoke about earlier in the news how

827

00:36:27,560 --> 00:36:24,990

you know it's cloudy there a lot it's

828

00:36:30,890 --> 00:36:27,570

rainy there a lot but in states like

829

00:36:33,500 --> 00:36:30,900

California Arizona and Utah

830

00:36:36,850 --> 00:36:33,510

I'm sure Nevada there's a lot of

831

00:36:40,220 --> 00:36:36,860

sunshine and which means clear skies and

832

00:36:42,350 --> 00:36:40,230

probably more sightings right and I

833

00:36:45,560 --> 00:36:42,360

think that we do have a lot of sightings

834

00:36:48,910 --> 00:36:45,570

in Utah now my job as a state director

835

00:36:51,560 --> 00:36:48,920

is to encourage people to report them

836

00:36:52,670 --> 00:36:51,570

yeah because wow you know we have a

837

00:36:58,610 --> 00:36:52,680

skipper this is skinwalker ranch

838

00:37:00,130 --> 00:36:58,620

territory right now speaking of that you

839

00:37:03,530 --> 00:37:00,140

know we've had a couple of guests on

840

00:37:05,960 --> 00:37:03,540

recently we're two weeks in a row so I

841

00:37:09,970 --> 00:37:05,970

won't belabor it too much but where we

842

00:37:12,950 --> 00:37:09,980

talk about the amount of UFO sightings

843

00:37:15,680 --> 00:37:12,960

compared to the actual reports and I'm

844

00:37:17,320 --> 00:37:15,690

sure you see exactly that right yes

845

00:37:19,620 --> 00:37:17,330

exactly

846

00:37:22,720 --> 00:37:19,630

and and I don't know you know we can't

847

00:37:24,070 --> 00:37:22,730

fill out reports for people you know

848

00:37:26,710 --> 00:37:24,080

that's just they have to do it

849

00:37:29,800 --> 00:37:26,720

themselves and you know there's got to

850

00:37:31,720 --> 00:37:29,810

be a lot of psychology that goes along

851
00:37:35,560 --> 00:37:31,730
with the reason why people won't do that

852
00:37:39,010 --> 00:37:35,570
I think there is and I think you know

853
00:37:40,450 --> 00:37:39,020
some of it is up until now it's been

854
00:37:42,550 --> 00:37:40,460
really really hard where do you go to

855
00:37:44,440 --> 00:37:42,560
report stuff I know when I had my

856
00:37:48,820 --> 00:37:44,450
sightings in Utah the first thing I did

857
00:37:52,540 --> 00:37:48,830
was try to contact the FAA and I learned

858
00:37:54,730 --> 00:37:52,550
that lesson really quickly yeah but when

859
00:37:57,250 --> 00:37:54,740
you go to the FAA website at the time

860
00:38:01,360 --> 00:37:57,260
when I went there they referred you to

861
00:38:03,910 --> 00:38:01,370
Bigelow Aerospace and then to new Fork

862
00:38:07,330 --> 00:38:03,920
and so and the number for Bigelow was

863
00:38:11,050 --> 00:38:07,340

out of service and in new Fork I paid

864

00:38:13,330 --> 00:38:11,060

Peter Davenport was fantastic and but

865

00:38:15,820 --> 00:38:13,340

there was nobody here in Utah really

866

00:38:18,790 --> 00:38:15,830

actively researching what was going on

867

00:38:21,850 --> 00:38:18,800

so I hope that I can encourage people

868

00:38:24,250 --> 00:38:21,860

not only here but all over to take take

869

00:38:26,590 --> 00:38:24,260

the time go to MUFON file a report

870

00:38:29,320 --> 00:38:26,600

because this is this is vital to our

871

00:38:32,500 --> 00:38:29,330

research okay so let's let's talk a

872

00:38:35,110 --> 00:38:32,510

little bit about research are you active

873

00:38:36,580 --> 00:38:35,120

in actually researching cases or you

874

00:38:38,950 --> 00:38:36,590

know being the director is that a

875

00:38:43,600 --> 00:38:38,960

different type of role you know I do

876

00:38:46,480 --> 00:38:43,610

both it's you know he it's just it's

877

00:38:48,310 --> 00:38:46,490

challenging because I have right now I'm

878

00:38:51,190 --> 00:38:48,320

building up a chapter that was basically

879

00:38:54,040 --> 00:38:51,200

defunct and so I've stepped in and we

880

00:38:56,170 --> 00:38:54,050

had a really small number of members and

881

00:38:59,200 --> 00:38:56,180

I'm rebuilding that and then I'll get

882

00:39:04,000 --> 00:38:59,210

cases and and try to research them and

883

00:39:05,710 --> 00:39:04,010

and run a business and have a family but

884

00:39:09,100 --> 00:39:05,720

and I do I do a lot of work from MUFON

885

00:39:09,970 --> 00:39:09,110

headquarters as well but it's it's a

886

00:39:12,640 --> 00:39:09,980

work in progress

887

00:39:14,170 --> 00:39:12,650

Wow okay so I've just been sort of

888

00:39:16,720 --> 00:39:14,180

corrected on the chat room we have a

889

00:39:19,360 --> 00:39:16,730

listener in the chat room from South

890

00:39:22,030 --> 00:39:19,370

England and that must be like in the

891

00:39:22,870 --> 00:39:22,040

middle of the night there isn't it he

892

00:39:28,330 --> 00:39:22,880

calls himself

893

00:39:30,370 --> 00:39:28,340

I love Martin I love that guy anyway so

894

00:39:31,059 --> 00:39:30,380

he says it's clear most of the time

895

00:39:35,680 --> 00:39:31,069

there so I

896

00:39:39,339 --> 00:39:35,690

take that back I stand corrected and so

897

00:39:41,680 --> 00:39:39,349

I would be interested to hear like

898

00:39:43,859 --> 00:39:41,690

earlier on in the newscast we were

899

00:39:48,849 --> 00:39:43,869

talking about how there is so many

900

00:39:51,910 --> 00:39:48,859

stories about UFOs in the UK press so it

901
00:39:54,189 --> 00:39:51,920
would be interesting to to actually find

902
00:39:56,829 --> 00:39:54,199
out exactly why and what the general

903
00:39:57,489 --> 00:39:56,839
thoughts were there so maybe we should

904
00:40:02,439 --> 00:39:57,499
go over there

905
00:40:05,019 --> 00:40:02,449
should yeah since I'm unemployed on I'll

906
00:40:07,959 --> 00:40:05,029
go anywhere anywhere the wind blows or

907
00:40:09,939 --> 00:40:07,969
the UFOs below any you know float I will

908
00:40:12,819 --> 00:40:09,949
go yeah

909
00:40:15,309 --> 00:40:12,829
so it's 140 in the morning thanks for

910
00:40:17,739 --> 00:40:15,319
joining us over there and listening live

911
00:40:19,329 --> 00:40:17,749
and speaking of that if you are

912
00:40:22,059 --> 00:40:19,339
listening live you can jump in the

913
00:40:24,819 --> 00:40:22,069

chatroom that's at podcast UFO comm and

914

00:40:28,539 --> 00:40:24,829

ask our guest tonight a question again

915

00:40:30,339 --> 00:40:28,549

the phone number 603 nine six seven four

916

00:40:32,140 --> 00:40:30,349

OH three oh and I have to say that a

917

00:40:35,199 --> 00:40:32,150

couple of times I've missed calls

918

00:40:36,640 --> 00:40:35,209

because a little behind the scenes here

919

00:40:39,219 --> 00:40:36,650

you know I've got three different

920

00:40:41,140 --> 00:40:39,229

computers set up and the calls come in

921

00:40:43,329 --> 00:40:41,150

on one that's to my heart right and

922

00:40:45,699 --> 00:40:43,339

sometimes I miss a call and if I do I

923

00:40:47,799 --> 00:40:45,709

apologize so Erica if you happen to see

924

00:40:51,160 --> 00:40:47,809

one pop-up and I don't get it

925

00:40:57,400 --> 00:40:51,170

stop what you're saying and say if you

926

00:40:59,769 --> 00:40:57,410

would okay yeah so so you do actually

927

00:41:01,630 --> 00:40:59,779

some of the investigating yourself but a

928

00:41:04,779 --> 00:41:01,640

busy life most people have busy lives

929

00:41:07,630 --> 00:41:04,789

that are involved in MUFON we do and I

930

00:41:10,109 --> 00:41:07,640

think an important thing to remember it

931

00:41:12,759 --> 00:41:10,119

is that this is a volunteer organization

932

00:41:14,769 --> 00:41:12,769

when I first joined MUFON I was

933

00:41:17,949 --> 00:41:14,779

absolutely shocked at the amount of

934

00:41:20,769 --> 00:41:17,959

money that people spend from their own

935

00:41:24,130 --> 00:41:20,779

personal funds that the time commitments

936

00:41:27,370 --> 00:41:24,140

and in the patience and the perseverance

937

00:41:29,589 --> 00:41:27,380

that they put into researching this most

938

00:41:33,640 --> 00:41:29,599

of them never get any attention for

939

00:41:35,499 --> 00:41:33,650

their great contributions and it's it's

940

00:41:37,689 --> 00:41:35,509

something that needs to change and I

941

00:41:41,019 --> 00:41:37,699

really hope people realize that we need

942

00:41:44,560 --> 00:41:41,029

we need volunteers we need support we

943

00:41:47,260 --> 00:41:44,570

need donations to help us get

944

00:41:50,220 --> 00:41:47,270

great equipment to research this move on

945

00:41:53,230 --> 00:41:50,230

I have loved my experience and move on

946

00:41:53,980 --> 00:41:53,240

and how many years I've been there for

947

00:41:58,420 --> 00:41:53,990

two years

948

00:42:03,130 --> 00:41:58,430

director Wow well you know I'm a quick

949

00:42:04,750 --> 00:42:03,140

mover so just a few minutes ago you

950

00:42:07,660 --> 00:42:04,760

mentioned something about a sighting you

951
00:42:12,940 --> 00:42:07,670
had so can you tell us about that yes I

952
00:42:15,310 --> 00:42:12,950
was 2013 I live in an area of Salt Lake

953
00:42:17,890 --> 00:42:15,320
and I have an amazing view and so I

954
00:42:20,890 --> 00:42:17,900
would sit down on my deck and have a

955
00:42:22,060 --> 00:42:20,900
barbecue have the friends over and I

956
00:42:24,790 --> 00:42:22,070
would get you know I just see the

957
00:42:27,430 --> 00:42:24,800
beautiful sunsets I could tell what the

958
00:42:30,070 --> 00:42:27,440
what aircraft was coming in and and all

959
00:42:32,470 --> 00:42:30,080
of that the normal activity and I'd

960
00:42:34,720 --> 00:42:32,480
noticed one night as I was watching the

961
00:42:38,290 --> 00:42:34,730
sunset and I'd noticed this bright

962
00:42:41,590 --> 00:42:38,300
orange sphere and I thought okay that's

963
00:42:45,910 --> 00:42:41,600

very odd the light was different than it

964

00:42:48,220 --> 00:42:45,920

it would be if it were a plane it was it

965

00:42:49,290 --> 00:42:48,230

was amazing and I just I watched it for

966

00:42:52,000 --> 00:42:49,300

quite some time

967

00:42:54,460 --> 00:42:52,010

grab my binoculars I had some friends

968

00:42:57,070 --> 00:42:54,470

over and then I noticed that there was

969

00:42:58,750 --> 00:42:57,080

you know a big object and then it

970

00:43:01,450 --> 00:42:58,760

appeared another one dropped out of a

971

00:43:04,630 --> 00:43:01,460

smaller object the object went around in

972

00:43:06,940 --> 00:43:04,640

a circle around the bigger object and I

973

00:43:10,840 --> 00:43:06,950

just sat there like all righty

974

00:43:14,770 --> 00:43:10,850

really Wow and and to me you know we

975

00:43:16,510 --> 00:43:14,780

were just in shock but you know then as

976
00:43:19,180 --> 00:43:16,520
I looked through the binoculars there

977
00:43:21,760 --> 00:43:19,190
were no discerning I mean there it was a

978
00:43:26,040 --> 00:43:21,770
solid light I couldn't see any landing

979
00:43:28,870 --> 00:43:26,050
lights and it was pretty shocking I

980
00:43:30,490 --> 00:43:28,880
began to after that I began to set up my

981
00:43:34,120 --> 00:43:30,500
video equipment every night

982
00:43:35,800 --> 00:43:34,130
and almost like clockwork these objects

983
00:43:37,690 --> 00:43:35,810
would appear and sometimes they would

984
00:43:40,450 --> 00:43:37,700
appear from the base of a mountain and

985
00:43:42,940 --> 00:43:40,460
move up and one you know this this

986
00:43:45,550 --> 00:43:42,950
object would move up and just just hover

987
00:43:47,620 --> 00:43:45,560
and then it would go away men another

988
00:43:50,530 --> 00:43:47,630

one would rise up the same location and

989

00:43:54,250 --> 00:43:50,540

hover and then follow the same flight

990

00:43:56,200 --> 00:43:54,260

path and it did it a third time and you

991

00:43:57,890 --> 00:43:56,210

watch this and you just think oh my lord

992

00:44:01,250 --> 00:43:57,900

am I the only person

993

00:44:05,060 --> 00:44:01,260

in the world that's seeing this so I

994

00:44:08,240 --> 00:44:05,070

that's what set me in motion and set me

995

00:44:11,690 --> 00:44:08,250

on the path of reaching out to new Fork

996

00:44:15,470 --> 00:44:11,700

talking to MUFON realizing that we need

997

00:44:18,140 --> 00:44:15,480

to have some serious investigation here

998

00:44:21,770 --> 00:44:18,150

in Utah now do you still live in the

999

00:44:23,750 --> 00:44:21,780

same place you did in 2013 I do and are

1000

00:44:26,570 --> 00:44:23,760

these things still going on is it still

1001
00:44:29,300 --> 00:44:26,580
happening they are and I wish that I had

1002
00:44:32,150 --> 00:44:29,310
as much time as I did back then to sit

1003
00:44:35,930 --> 00:44:32,160
out on the porch if they are we're still

1004
00:44:37,820 --> 00:44:35,940
getting reports many reports are over

1005
00:44:40,520 --> 00:44:37,830
the Kennecott Copper mines which I find

1006
00:44:42,560 --> 00:44:40,530
interesting and the ochre mountains over

1007
00:44:45,620 --> 00:44:42,570
the same places that I observed these

1008
00:44:49,160 --> 00:44:45,630
objects I've been I'm in the process of

1009
00:44:51,920 --> 00:44:49,170
doing a research project with MUFON

1010
00:44:55,130 --> 00:44:51,930
called Project Orange and we are

1011
00:44:58,100 --> 00:44:55,140
specifically researching the orange orb

1012
00:45:00,410 --> 00:44:58,110
phenomenon is that with Bob Davis is

1013
00:45:02,600 --> 00:45:00,420

that the right person it's with Roberts

1014

00:45:05,450 --> 00:45:02,610

pairing and Terry ray cherry ray that's

1015

00:45:06,770 --> 00:45:05,460

who I was thinking of yeah you know it's

1016

00:45:10,120 --> 00:45:06,780

interesting that you just mentioned the

1017

00:45:12,560 --> 00:45:10,130

copper the copper

1018

00:45:15,230 --> 00:45:12,570

quarry's or whatever it is that you just

1019

00:45:17,270 --> 00:45:15,240

said because um I'm trying to remember

1020

00:45:19,310 --> 00:45:17,280

is it brown Mountain we have Brown

1021

00:45:22,010 --> 00:45:19,320

Mountain lights mm-hmm

1022

00:45:25,310 --> 00:45:22,020

the same thing that's a real hot spot

1023

00:45:27,590 --> 00:45:25,320

and there's many many many sightings

1024

00:45:31,100 --> 00:45:27,600

over the over you know in the brown

1025

00:45:34,520 --> 00:45:31,110

mountain area and also it has a high

1026

00:45:36,530 --> 00:45:34,530

content of copper in right in that

1027

00:45:38,150 --> 00:45:36,540

valley right there and I'm wondering you

1028

00:45:41,770 --> 00:45:38,160

know it's got I hear you're talking

1029

00:45:45,110 --> 00:45:41,780

about this there seems to be a link

1030

00:45:48,050 --> 00:45:45,120

because I think that's the third time

1031

00:45:50,720 --> 00:45:48,060

I've heard something about that now it's

1032

00:45:52,580 --> 00:45:50,730

very very possible that this could be

1033

00:45:58,670 --> 00:45:52,590

some type of natural phenomenon that

1034

00:46:00,500 --> 00:45:58,680

happens because of copper and say you

1035

00:46:02,090 --> 00:46:00,510

know it's kind of like how you you make

1036

00:46:04,340 --> 00:46:02,100

a battery you know I mean you get

1037

00:46:05,840 --> 00:46:04,350

different elements you know what I'm

1038

00:46:07,190 --> 00:46:05,850

going way out of my field here and I'm

1039

00:46:10,490 --> 00:46:07,200

probably going to say something totally

1040

00:46:11,630 --> 00:46:10,500

wrong but anyway it's it's a possibility

1041

00:46:16,460 --> 00:46:11,640

that something like that

1042

00:46:18,620 --> 00:46:16,470

has a natural element to it yeah I I

1043

00:46:20,030 --> 00:46:18,630

agree with that and there are people you

1044

00:46:22,430 --> 00:46:20,040

know then of course that's something

1045

00:46:24,230 --> 00:46:22,440

that we have to rule out when we're

1046

00:46:26,750 --> 00:46:24,240

investigating but the thing that is

1047

00:46:32,060 --> 00:46:26,760

becoming apparent is that these objects

1048

00:46:35,000 --> 00:46:32,070

are moving with intelligence and they're

1049

00:46:38,060 --> 00:46:35,010

in some cases they're responding to

1050

00:46:41,390 --> 00:46:38,070

people and a person's awareness of the

1051
00:46:43,460 --> 00:46:41,400
object so I think that there might be a

1052
00:46:45,200 --> 00:46:43,470
little bit more going on but that's part

1053
00:46:48,950 --> 00:46:45,210
of the research project you know process

1054
00:46:52,490 --> 00:46:48,960
how do you definitively say it is not

1055
00:46:54,230 --> 00:46:52,500
that so now we move on to this right

1056
00:46:56,810 --> 00:46:54,240
well that would you know when something

1057
00:46:59,390 --> 00:46:56,820
has an element like that that can't be

1058
00:47:01,900 --> 00:46:59,400
explained then that's you know it moves

1059
00:47:06,050 --> 00:47:01,910
further and further away from a natural

1060
00:47:08,960 --> 00:47:06,060
course of course it does any updates on

1061
00:47:11,930 --> 00:47:08,970
the July 4th part of project Orange on

1062
00:47:13,880 --> 00:47:11,940
that's that's on the message board when

1063
00:47:17,210 --> 00:47:13,890

I love that thank you for asking that so

1064

00:47:19,370 --> 00:47:17,220

i right now robert's pairing is going

1065

00:47:23,420 --> 00:47:19,380

through all of the July 4th sightings

1066

00:47:25,160 --> 00:47:23,430

reports he's been amazing and he's

1067

00:47:27,110 --> 00:47:25,170

almost got all of the states done with

1068

00:47:31,130 --> 00:47:27,120

the help of my assistant state director

1069

00:47:34,070 --> 00:47:31,140

and he is he's we had to put in weather

1070

00:47:37,010 --> 00:47:34,080

data really weed out the good cases and

1071

00:47:39,970 --> 00:47:37,020

cases that are not cases that would be

1072

00:47:43,970 --> 00:47:39,980

Chinese lanterns I hate to even say that

1073

00:47:45,740 --> 00:47:43,980

but so we're we're gaining lots of

1074

00:47:48,500 --> 00:47:45,750

headway there and then we have to get

1075

00:47:52,370 --> 00:47:48,510

into the real nuts and bolts of the

1076

00:47:54,890 --> 00:47:52,380

study and start identifying how the

1077

00:47:58,220 --> 00:47:54,900

objects are behaving is there a specific

1078

00:48:02,920 --> 00:47:58,230

time of day where are the sightings

1079

00:48:06,530 --> 00:48:02,930

clusters and my one of my tasks is to

1080

00:48:09,680 --> 00:48:06,540

have a map where I can layer you know

1081

00:48:12,380 --> 00:48:09,690

the the minds mineral content rare earth

1082

00:48:15,740 --> 00:48:12,390

content I would like to do you know the

1083

00:48:19,580 --> 00:48:15,750

military installations the aeronautical

1084

00:48:21,560 --> 00:48:19,590

charts bodies of water you know there

1085

00:48:24,620 --> 00:48:21,570

we've had lots of reports of these

1086

00:48:28,670 --> 00:48:24,630

objects over radio towers

1087

00:48:32,660 --> 00:48:28,680

so you could go anywhere with this and

1088

00:48:34,910 --> 00:48:32,670

and I think we definitely need to to

1089

00:48:37,910 --> 00:48:34,920

start doing some some cool stuff with

1090

00:48:40,450 --> 00:48:37,920

maps and figuring out why why these

1091

00:48:43,520 --> 00:48:40,460

objects are attracted to specific areas

1092

00:48:46,580 --> 00:48:43,530

now are there other a lot of other

1093

00:48:50,390 --> 00:48:46,590

sightings of different you know well I

1094

00:48:54,200 --> 00:48:50,400

want to say crafts or do you hear about

1095

00:48:58,670 --> 00:48:54,210

the triangle sightings out there we do

1096

00:49:01,760 --> 00:48:58,680

and they they're you know we get a few

1097

00:49:05,150 --> 00:49:01,770

of those honestly 80% of the case

1098

00:49:11,350 --> 00:49:05,160

reports are the orbs really that yeah

1099

00:49:15,560 --> 00:49:11,360

yep amazing and on a regular basis say

1100

00:49:18,320 --> 00:49:15,570

you know we just as happenstance is we

1101

00:49:20,930 --> 00:49:18,330

had someone from MUFON last week I'm not

1102

00:49:24,830 --> 00:49:20,940

doing this on purpose it just happened

1103

00:49:27,560 --> 00:49:24,840

like that and I just want to know he was

1104

00:49:30,680 --> 00:49:27,570

saying that I believe he said they get

1105

00:49:33,710 --> 00:49:30,690

about 16 to 30 reports a month in that

1106

00:49:35,510 --> 00:49:33,720

state which is pretty high for you know

1107

00:49:38,060 --> 00:49:35,520

because it's a small state do you know

1108

00:49:39,800 --> 00:49:38,070

approximately how many reports roll in

1109

00:49:42,890 --> 00:49:39,810

per month oh boy

1110

00:49:46,610 --> 00:49:42,900

you know I am very sad to say that it's

1111

00:49:49,550 --> 00:49:46,620

between 8 and 10 uh-huh well again you

1112

00:49:51,140 --> 00:49:49,560

know I mean statistically if you look at

1113

00:49:53,030 --> 00:49:51,150

it that way there's probably a heck of a

1114

00:49:56,330 --> 00:49:53,040

lot of them happening and only 8 or 10

1115

00:49:57,560 --> 00:49:56,340

roll in you know that's one of the

1116

00:49:59,630 --> 00:49:57,570

things just it's raising public

1117

00:50:02,600 --> 00:49:59,640

awareness and letting people know that

1118

00:50:05,000 --> 00:50:02,610

there is a place to to file a report and

1119

00:50:07,190 --> 00:50:05,010

a really cool thing is that MUFON has

1120

00:50:10,640 --> 00:50:07,200

been working very hard to revamp that

1121

00:50:13,910 --> 00:50:10,650

the CMS and the way people can input

1122

00:50:16,700 --> 00:50:13,920

reports I think that changing that up

1123

00:50:18,740 --> 00:50:16,710

and making it more accessible will be

1124

00:50:21,620 --> 00:50:18,750

helpful and we'll see our numbers

1125

00:50:23,780 --> 00:50:21,630

increase with reports you know I think

1126

00:50:25,520 --> 00:50:23,790

the average person today with all the

1127

00:50:28,400 --> 00:50:25,530

information coming at them in every

1128

00:50:31,130 --> 00:50:28,410

which way the average person has a

1129

00:50:34,190 --> 00:50:31,140

shorter attention span than ever you

1130

00:50:35,540 --> 00:50:34,200

know so yeah you'd have to anything

1131

00:50:37,580 --> 00:50:35,550

you're doing today you have to keep that

1132

00:50:38,400 --> 00:50:37,590

in mind and you know make things as

1133

00:50:40,920 --> 00:50:38,410

simple as

1134

00:50:42,770 --> 00:50:40,930

simple you know it's kind of sad isn't

1135

00:50:46,710 --> 00:50:42,780

it

1136

00:50:49,260 --> 00:50:46,720

the technology is dumbing us down like

1137

00:50:51,180 --> 00:50:49,270

you know I really I really think that is

1138

00:50:54,120 --> 00:50:51,190

the case it's too bad because now we're

1139

00:50:55,950 --> 00:50:54,130

so you know fixed to our iPhones and

1140

00:50:59,339 --> 00:50:55,960

we're always looking down and we never

1141

00:51:02,010 --> 00:50:59,349

pay attention to our surroundings that's

1142

00:51:05,450 --> 00:51:02,020

right on a lot of really really profound

1143

00:51:08,490 --> 00:51:05,460

amazing things that's right yep we're

1144

00:51:10,920 --> 00:51:08,500

this is way way off topic but last year

1145

00:51:13,230 --> 00:51:10,930

I took a couple days off and I couldn't

1146

00:51:16,440 --> 00:51:13,240

use my phone or a computer and I was

1147

00:51:18,329 --> 00:51:16,450

jonesing for it I was like crawling the

1148

00:51:19,799 --> 00:51:18,339

walls for the first day and then the

1149

00:51:24,150 --> 00:51:19,809

second day I never wanted to go back to

1150

00:51:28,140 --> 00:51:24,160

him again you know it's like it's like a

1151
00:51:31,349 --> 00:51:28,150
pacifier I think yeah it does something

1152
00:51:33,150 --> 00:51:31,359
to you chemically to check your email

1153
00:51:35,760 --> 00:51:33,160
there was some type of report about that

1154
00:51:39,029 --> 00:51:35,770
how it's almost like some type of

1155
00:51:41,039 --> 00:51:39,039
addiction on how we need to keep

1156
00:51:43,109 --> 00:51:41,049
checking our email or keeping in touch

1157
00:51:45,240 --> 00:51:43,119
you know when the world is going around

1158
00:51:47,279 --> 00:51:45,250
right right there and we were glued to

1159
00:51:49,559 --> 00:51:47,289
it we have a question up on the message

1160
00:51:52,079 --> 00:51:49,569
board do you have any suggestions on

1161
00:51:55,650 --> 00:51:52,089
equipment for the amateur observer

1162
00:51:57,000 --> 00:51:55,660
watcher camera lens computer etc you

1163
00:51:59,549 --> 00:51:57,010

know that that's another great question

1164

00:52:01,049 --> 00:51:59,559

and we need more people like you because

1165

00:52:03,750 --> 00:52:01,059

we need people that are out there doing

1166

00:52:05,970 --> 00:52:03,760

it with good equipment you know anything

1167

00:52:07,920 --> 00:52:05,980

with that if you can get it at

1168

00:52:10,349 --> 00:52:07,930

night-vision anything with the night

1169

00:52:13,650 --> 00:52:10,359

vision is fantastic I have a pair of

1170

00:52:14,609 --> 00:52:13,660

night-vision binoculars night Jaguar I

1171

00:52:17,760 --> 00:52:14,619

just love that name

1172

00:52:20,099 --> 00:52:17,770

that I am using right now those are

1173

00:52:21,390 --> 00:52:20,109

great you have to make sure you don't

1174

00:52:24,569 --> 00:52:21,400

look at the city lights with them I

1175

00:52:27,059 --> 00:52:24,579

learned that one the hard way but you

1176

00:52:30,089 --> 00:52:27,069

that's wonderful it is incredibly

1177

00:52:32,940 --> 00:52:30,099

difficult to take photos of a moving

1178

00:52:35,549 --> 00:52:32,950

object at night and so I have been

1179

00:52:38,670 --> 00:52:35,559

working with our photo analyst here

1180

00:52:40,410 --> 00:52:38,680

trying to hone in on on what I need to

1181

00:52:42,720 --> 00:52:40,420

do to make that happen a little bit

1182

00:52:46,140 --> 00:52:42,730

better and so I will keep you guys

1183

00:52:48,779 --> 00:52:46,150

posted on that as we learn more stuff

1184

00:52:51,660 --> 00:52:48,789

and Wilbur Allen has taken some amazing

1185

00:52:52,260 --> 00:52:51,670

videos and photo I'm hoping next week I

1186

00:52:54,780 --> 00:52:52,270

can talk with

1187

00:52:57,090 --> 00:52:54,790

him and just pick his brain about good

1188

00:52:59,280 --> 00:52:57,100

equipment yeah that's it

1189

00:53:01,500 --> 00:52:59,290

you know this is a the first time this

1190

00:53:05,370 --> 00:53:01,510

has ever happened to me I live on top of

1191

00:53:06,630 --> 00:53:05,380

a mountain in Maine and I don't know if

1192

00:53:08,400 --> 00:53:06,640

the listener can hear it but there's

1193

00:53:10,560 --> 00:53:08,410

coyotes howling in the background I've

1194

00:53:16,410 --> 00:53:10,570

never heard that that's the first time

1195

00:53:18,630 --> 00:53:16,420

oh it must be the government because I'm

1196

00:53:20,850 --> 00:53:18,640

talking about UFOs no exactly

1197

00:53:22,500 --> 00:53:20,860

yeah I'm actually way too relaxed

1198

00:53:25,590 --> 00:53:22,510

tonight so you're gonna have to do the

1199

00:53:27,420 --> 00:53:25,600

rest of the show it'd be really

1200

00:53:29,610 --> 00:53:27,430

frightening for you I'm telling it so

1201
00:53:31,440 --> 00:53:29,620
speaking of that we have only a few more

1202
00:53:33,720 --> 00:53:31,450
minutes we do take a quick break it's

1203
00:53:35,640 --> 00:53:33,730
just a little like five-second break at

1204
00:53:38,910 --> 00:53:35,650
the top of the hour but let's talk about

1205
00:53:42,770 --> 00:53:38,920
your show that is starting this Friday I

1206
00:53:47,220 --> 00:53:42,780
am so excited it's called UFO audit on

1207
00:53:50,640 --> 00:53:47,230
kgr a radio I will be interviewing some

1208
00:53:55,260 --> 00:53:50,650
of the top researchers in the field like

1209
00:53:57,270 --> 00:53:55,270
you and also my my goal and what I'm

1210
00:54:01,650 --> 00:53:57,280
going to be doing is is honoring a

1211
00:54:03,390 --> 00:54:01,660
member of the community and this this

1212
00:54:06,920 --> 00:54:03,400
Friday I am going to be talking about

1213
00:54:09,720 --> 00:54:06,930

James Clarkson who is his amazing

1214

00:54:12,300 --> 00:54:09,730

investigator he's been with MUFON for a

1215

00:54:14,460 --> 00:54:12,310

long long time he is the state director

1216

00:54:16,860 --> 00:54:14,470

up in Washington State and he's written

1217

00:54:21,840 --> 00:54:16,870

a couple books one specifically on June

1218

00:54:23,340 --> 00:54:21,850

crane so it'll be fun to honor and talk

1219

00:54:26,610 --> 00:54:23,350

about people that have made a great

1220

00:54:28,410 --> 00:54:26,620

contribution in the field well and do

1221

00:54:30,600 --> 00:54:28,420

you have I know what it's like the

1222

00:54:34,610 --> 00:54:30,610

course to run a show and you know we

1223

00:54:37,140 --> 00:54:34,620

could guess it's thick and thin but

1224

00:54:40,800 --> 00:54:37,150

usually people I've noticed in this

1225

00:54:44,160 --> 00:54:40,810

field because I I used to do a podcast

1226

00:54:46,890 --> 00:54:44,170

with comedians and which was a lot of

1227

00:54:48,810 --> 00:54:46,900

fun I got to say but you know booking a

1228

00:54:54,150 --> 00:54:48,820

comedian is not easy especially if

1229

00:54:55,680 --> 00:54:54,160

they're a headliner or a name so but are

1230

00:54:58,350 --> 00:54:55,690

you finding that you have guests lined

1231

00:55:01,080 --> 00:54:58,360

up ahead of time you know I have been

1232

00:55:02,520 --> 00:55:01,090

really lucky I have been working hard

1233

00:55:05,730 --> 00:55:02,530

and I think because of the work I've

1234

00:55:08,640 --> 00:55:05,740

done from MUFON people have a good idea

1235

00:55:14,730 --> 00:55:08,650

so I have Peter Robbins Denise stoner

1236

00:55:15,450 --> 00:55:14,740

Paula Harris Richard Dolan and so I

1237

00:55:16,950 --> 00:55:15,460

think it'll be great

1238

00:55:20,520 --> 00:55:16,960

you know I but I've got all of these

1239

00:55:21,960 --> 00:55:20,530

wonderful people and they've they're all

1240

00:55:25,500 --> 00:55:21,970

people that I've developed relationships

1241

00:55:28,079 --> 00:55:25,510

with and have a lot of respect for there

1242

00:55:31,230 --> 00:55:28,089

are many other people that I've found as

1243

00:55:34,200 --> 00:55:31,240

well that are witnesses experiencers and

1244

00:55:36,690 --> 00:55:34,210

these people need to have a platform to

1245

00:55:39,720 --> 00:55:36,700

tell their story as well now tell us

1246

00:55:42,120 --> 00:55:39,730

what station you're on Kay well how does

1247

00:55:46,260 --> 00:55:42,130

that what's that station you're on its

1248

00:55:49,230 --> 00:55:46,270

kgr a radio oh that's right Kay GRA I

1249

00:55:51,510 --> 00:55:49,240

think I was I may have been on that for

1250

00:55:53,550 --> 00:55:51,520

a short time or I might be confusing

1251

00:55:56,880 --> 00:55:53,560

with it I was on one for a very short

1252

00:55:59,790 --> 00:55:56,890

time and I can't remember what the heck

1253

00:56:02,130 --> 00:55:59,800

happened but I'm sure you'll have a good

1254

00:56:04,589 --> 00:56:02,140

run well we'll have to get you on there

1255

00:56:06,150 --> 00:56:04,599

well just to just to back up a little

1256

00:56:07,890 --> 00:56:06,160

bit I heard you I believe you said that

1257

00:56:11,510 --> 00:56:07,900

I was a researcher I am NOT a researcher

1258

00:56:13,820 --> 00:56:11,520

just to let you know but I just have I

1259

00:56:17,609 --> 00:56:13,830

guess I could be called an armchair

1260

00:56:20,960 --> 00:56:17,619

researcher but I just am into the topic

1261

00:56:23,790 --> 00:56:20,970

I enjoy the topic I enjoy speaking to

1262

00:56:26,940 --> 00:56:23,800

intelligent and interesting people and

1263

00:56:28,859 --> 00:56:26,950

hearing everybody's thoughts on what

1264

00:56:32,130 --> 00:56:28,869

could possibly be going on that's what

1265

00:56:34,560 --> 00:56:32,140

really keeps me glued to it and gets me

1266

00:56:36,870 --> 00:56:34,570

excited to just hear different

1267

00:56:40,530 --> 00:56:36,880

perspectives and you know be interesting

1268

00:56:43,920 --> 00:56:40,540

to I would like for you to I'll just

1269

00:56:47,430 --> 00:56:43,930

throw this at you if you'd like to just

1270

00:56:50,099 --> 00:56:47,440

bring up the topic with Richard Dolan

1271

00:56:53,250 --> 00:56:50,109

when he's on about where he stands now

1272

00:56:57,150 --> 00:56:53,260

with the alien slides from May 5th I'd

1273

00:56:59,099 --> 00:56:57,160

like to know how he feels after the

1274

00:57:02,099 --> 00:56:59,109

whole thing kind of crumbled some people

1275

00:57:04,140 --> 00:57:02,109

saying it's not crumbled but so we can

1276

00:57:06,180 --> 00:57:04,150

talk a little bit more about that in the

1277

00:57:11,390 --> 00:57:06,190

second half we just have a couple of

1278

00:57:14,460 --> 00:57:11,400

minutes left here and I thought I saw oh

1279

00:57:16,500 --> 00:57:14,470

I thought I had a question up there but

1280

00:57:18,660 --> 00:57:16,510

it was actually complement to you know

1281

00:57:19,140 --> 00:57:18,670

Phil thank you you really made my night

1282

00:57:21,090 --> 00:57:19,150

that

1283

00:57:22,650 --> 00:57:21,100

makes me very happy well I was telling

1284

00:57:26,090 --> 00:57:22,660

everyone in the message room to be kind

1285

00:57:28,590 --> 00:57:26,100

because I'll just leave it at that

1286

00:57:31,290 --> 00:57:28,600

well they're being very kind and I

1287

00:57:34,650 --> 00:57:31,300

appreciate the support and it's nice to

1288

00:57:36,420 --> 00:57:34,660

have good feedback and if anyone would

1289

00:57:42,900 --> 00:57:36,430

like to call in we'll be taking a break

1290

00:57:46,860 --> 00:57:42,910

here in a second and it's a 603 967 403

1291

00:57:50,340 --> 00:57:46,870

oh and so your show how did that how did

1292

00:57:52,950 --> 00:57:50,350

that come about yeah I since I have a

1293

00:57:54,960 --> 00:57:52,960

background in music and I've done you

1294

00:57:59,340 --> 00:57:54,970

know all of this performing I've done

1295

00:58:02,310 --> 00:57:59,350

radio voiceovers recorded lots of CDs I

1296

00:58:05,430 --> 00:58:02,320

did to me it's a very fun natural thing

1297

00:58:07,770 --> 00:58:05,440

and when I started to work for MUFON

1298

00:58:11,550 --> 00:58:07,780

headquarters I was doing some video

1299

00:58:14,280 --> 00:58:11,560

things for them and I have guest hosted

1300

00:58:16,200 --> 00:58:14,290

the MUFON radio show which I really love

1301

00:58:19,620 --> 00:58:16,210

to do i unlike you I love to talk to

1302

00:58:22,770 --> 00:58:19,630

people and connect and to allow people

1303

00:58:26,250 --> 00:58:22,780

to share their stories and so it just

1304

00:58:29,220 --> 00:58:26,260

one thing led to another and then race

1305

00:58:31,140 --> 00:58:29,230

hobbs was fantastic and we decided to do

1306

00:58:34,560 --> 00:58:31,150

the show and here in here we are

1307

00:58:38,220 --> 00:58:34,570

Wow well you do I do have to say you you

1308

00:58:43,320 --> 00:58:38,230

are you're very relaxing to talk to you

1309

00:58:45,780 --> 00:58:43,330

have a very nice voice and and so that's

1310

00:58:49,890 --> 00:58:45,790

why I feel so relaxed oh thank you

1311

00:58:51,510 --> 00:58:49,900

besides being unemployed yeah I'm not

1312

00:58:53,250 --> 00:58:51,520

gonna harp on that too much well we're

1313

00:59:52,290 --> 00:58:53,260

ready to take a little quick music break

1314

00:59:59,850 --> 00:59:54,880

all right we're back with Erica Luke's

1315

01:00:06,340 --> 00:59:59,860

and again if you want to call in 603 967

1316

01:00:07,570 --> 01:00:06,350

403 oh and so Erica I can't remember

1317

01:00:10,350 --> 01:00:07,580

what I said I was going to ask you more

1318

01:00:12,340 --> 01:00:10,360

about in the second part of the show oh

1319

01:00:14,590 --> 01:00:12,350

Lord I don't even know if I should

1320

01:00:17,380 --> 01:00:14,600

remind you but it might be that it's my

1321

01:00:20,980 --> 01:00:17,390

favorite Roswell the slides oh yes yeah

1322

01:00:22,690 --> 01:00:20,990

yeah you probably shouldn't so I had

1323

01:00:24,580 --> 01:00:22,700

made kind of a vow in the show because

1324

01:00:26,380 --> 01:00:24,590

what I did is I had right after that I

1325

01:00:29,350 --> 01:00:26,390

had a show just about the slides only

1326

01:00:30,940 --> 01:00:29,360

and then I said okay making a promise to

1327

01:00:33,880 --> 01:00:30,950

you that I won't keep talking about this

1328

01:00:36,880 --> 01:00:33,890

but you and I had a brief conversation

1329

01:00:39,790 --> 01:00:36,890

during our soundcheck today and you said

1330

01:00:41,920 --> 01:00:39,800

that you speak with Jaime all the time

1331

01:00:43,360 --> 01:00:41,930

you also speak with Kurt Collins so

1332

01:00:47,820 --> 01:00:43,370

you're speaking to these people on both

1333

01:00:50,320 --> 01:00:47,830

sides of the fence now because of that I

1334

01:00:52,120 --> 01:00:50,330

I'm really scared to ask this question

1335

01:00:56,050 --> 01:00:52,130

but I'm thinking I'm going to ask it

1336

01:01:00,940 --> 01:00:56,060

anyway what do you think oh dear I think

1337

01:01:02,650 --> 01:01:00,950

that I'm kind of yeah I it is it's

1338

01:01:05,920 --> 01:01:02,660

amazing because I don't know at the end

1339

01:01:09,940 --> 01:01:05,930

of the day what what will happen I think

1340

01:01:12,700 --> 01:01:09,950

for me being in the the role of the

1341

01:01:16,180 --> 01:01:12,710

person that interviewed Jaime at such a

1342

01:01:20,620 --> 01:01:16,190

volatile time was fascinating because I

1343

01:01:22,270 --> 01:01:20,630

had to do a lot of research I talked to

1344

01:01:25,150 --> 01:01:22,280

you know I was unfortunate enough to

1345

01:01:27,250 --> 01:01:25,160

have a friend that was one of the

1346

01:01:29,560 --> 01:01:27,260

foremost Native American Historians in

1347

01:01:32,440 --> 01:01:29,570

the world and so I could talk with him

1348

01:01:35,080 --> 01:01:32,450

about the burial practices of Native

1349

01:01:38,590 --> 01:01:35,090

Americans and then you know I mean I

1350

01:01:42,040 --> 01:01:38,600

talked to so many different people and I

1351
01:01:45,940 --> 01:01:42,050
did talk to Jaime and everyone involved

1352
01:01:48,280 --> 01:01:45,950
with with the may fifth presentation it

1353
01:01:50,770 --> 01:01:48,290
you know what I talk to Kurt and I knew

1354
01:01:52,900 --> 01:01:50,780
if I was going to do it a good interview

1355
01:01:54,610 --> 01:01:52,910
I had to have both sides of the story

1356
01:01:57,820 --> 01:01:54,620
because you know like we all know the

1357
01:02:03,400 --> 01:01:57,830
truth is somewhere in the middle I do

1358
01:02:05,560 --> 01:02:03,410
feel that Jaime did not get involved

1359
01:02:09,150 --> 01:02:05,570
with this to deceive anybody

1360
01:02:11,560 --> 01:02:09,160
that Tom and and Don approached him with

1361
01:02:16,060 --> 01:02:11,570
with something that they were genuinely

1362
01:02:19,330 --> 01:02:16,070
excited about and the ball got rolling

1363
01:02:21,430 --> 01:02:19,340

and that's what happened and there was I

1364

01:02:23,950 --> 01:02:21,440

will say that I watched I gonna sat back

1365

01:02:28,270 --> 01:02:23,960

and watch before the presentation there

1366

01:02:30,510 --> 01:02:28,280

was a very intense social media campaign

1367

01:02:34,240 --> 01:02:30,520

that was taking place and a lot of it

1368

01:02:37,660 --> 01:02:34,250

was in in my opinion perhaps maybe a

1369

01:02:41,260 --> 01:02:37,670

little bit overzealous and unjustified

1370

01:02:43,750 --> 01:02:41,270

not not no time you know what I mean I I

1371

01:02:47,680 --> 01:02:43,760

was following that too and and I think

1372

01:02:50,500 --> 01:02:47,690

that I think that even the people on

1373

01:02:52,510 --> 01:02:50,510

that side would agree with you because

1374

01:02:55,390 --> 01:02:52,520

there was a lot of talk like for

1375

01:02:58,990 --> 01:02:55,400

instance Kurt and I had a discussion you

1376

01:03:00,820 --> 01:02:59,000

know that it did get a little harsh a

1377

01:03:03,820 --> 01:03:00,830

little harsher than it needed to but I

1378

01:03:08,440 --> 01:03:03,830

think people were really pissed off they

1379

01:03:11,770 --> 01:03:08,450

were they were angry that there wasn't

1380

01:03:13,960 --> 01:03:11,780

real thorough research by a lot of

1381

01:03:16,750 --> 01:03:13,970

people that would really know what was

1382

01:03:19,480 --> 01:03:16,760

going on or for instance you know this

1383

01:03:23,860 --> 01:03:19,490

whole thing about the plaque are not

1384

01:03:26,850 --> 01:03:23,870

being able to be be deciphered thirds

1385

01:03:29,230 --> 01:03:26,860

you know that that type of thing anyway

1386

01:03:34,120 --> 01:03:29,240

Here I am I'm going back on my word I

1387

01:03:37,210 --> 01:03:34,130

hope the good though I mean there this

1388

01:03:39,190 --> 01:03:37,220

whole thing the whole debacle there

1389

01:03:41,320 --> 01:03:39,200

there's so many lessons to learn and I

1390

01:03:44,530 --> 01:03:41,330

think there's still a lot of information

1391

01:03:46,810 --> 01:03:44,540

that hasn't been brought forth to me

1392

01:03:48,670 --> 01:03:46,820

when I've talked to the people that were

1393

01:03:52,060 --> 01:03:48,680

involved with the may 5th presentation

1394

01:03:55,270 --> 01:03:52,070

they feel that they did do a lot of

1395

01:03:57,790 --> 01:03:55,280

research from what I saw they did as

1396

01:04:00,760 --> 01:03:57,800

well and I think somewhere along the

1397

01:04:02,620 --> 01:04:00,770

line it got I don't know I don't know if

1398

01:04:04,660 --> 01:04:02,630

maybe the the fact that there were so

1399

01:04:07,810 --> 01:04:04,670

many problems with the broadcast

1400

01:04:09,610 --> 01:04:07,820

it wasn't broadcast in English and so

1401
01:04:13,660 --> 01:04:09,620
there was something that was definitely

1402
01:04:15,610 --> 01:04:13,670
lost in translation there it was but I

1403
01:04:18,310 --> 01:04:15,620
think that at some point in time the

1404
01:04:19,259 --> 01:04:18,320
there was so much momentum going that it

1405
01:04:21,989 --> 01:04:19,269
wouldn't have mattered

1406
01:04:24,329 --> 01:04:21,999
how much research was presented that was

1407
01:04:29,459 --> 01:04:24,339
credible because somebody was going to

1408
01:04:32,969 --> 01:04:29,469
go down right well okay so one of my

1409
01:04:36,539 --> 01:04:32,979
listeners reminded me to stop talking

1410
01:04:38,819 --> 01:04:36,549
about it but it is it is I I do want to

1411
01:04:41,819 --> 01:04:38,829
say this in closing about the subject is

1412
01:04:43,439 --> 01:04:41,829
that I think it was George Knapp I'm

1413
01:04:46,169 --> 01:04:43,449

pretty sure is the one who said that

1414

01:04:48,899 --> 01:04:46,179

ufology took care of itself and it

1415

01:04:50,579 --> 01:04:48,909

really that it really is you know I mean

1416

01:04:54,659 --> 01:04:50,589

there were people that really really

1417

01:04:56,729 --> 01:04:54,669

went hard to work on this and you know I

1418

01:04:59,099 --> 01:04:56,739

I think that was an honorable thing for

1419

01:05:00,209 --> 01:04:59,109

them to do yes there was some bashing

1420

01:05:03,539 --> 01:05:00,219

but still there were some people that

1421

01:05:05,159 --> 01:05:03,549

did some honest-to-goodness work to try

1422

01:05:07,620 --> 01:05:05,169

to figure out what this thing was and

1423

01:05:10,739 --> 01:05:07,630

you know I I have to tell you right off

1424

01:05:14,669 --> 01:05:10,749

the bat the very first instant I saw

1425

01:05:16,469 --> 01:05:14,679

that I thought it was a mummy you know I

1426

01:05:18,959 --> 01:05:16,479

mean it just and I think there was this

1427

01:05:21,419 --> 01:05:18,969

got to be a lot of people that felt the

1428

01:05:23,069 --> 01:05:21,429

same way and I've done a lot of Museum

1429

01:05:25,559 --> 01:05:23,079

work and right away I started looking at

1430

01:05:27,839 --> 01:05:25,569

other elements and you know right away I

1431

01:05:29,699 --> 01:05:27,849

just I thought it was something in a

1432

01:05:31,379 --> 01:05:29,709

museum there's not going to be something

1433

01:05:34,169 --> 01:05:31,389

encapsulated in something with the

1434

01:05:37,349 --> 01:05:34,179

adjustable shelves and glass you know

1435

01:05:42,509 --> 01:05:37,359

like museum showcase and anyway alright

1436

01:05:47,759 --> 01:05:42,519

I'm done and how about those Cubs I know

1437

01:05:53,579 --> 01:05:47,769

yeah yeah baseball yeah yeah how's the

1438

01:05:56,009 --> 01:05:53,589

weather is it good well yes so but

1439

01:05:57,989 --> 01:05:56,019

anyway I have you known getting back to

1440

01:05:59,459 --> 01:05:57,999

just a little bit around the edge of

1441

01:06:02,759 --> 01:05:59,469

that have you known Jaime for a long

1442

01:06:05,009 --> 01:06:02,769

time I first actually got involved with

1443

01:06:08,039 --> 01:06:05,019

Jaime and this is kind of a funny story

1444

01:06:11,489 --> 01:06:08,049

I was contacted by mu phone's executive

1445

01:06:14,939 --> 01:06:11,499

director and Jaime had said hey we I

1446

01:06:17,219 --> 01:06:14,949

found this great video of these orbs

1447

01:06:18,839 --> 01:06:17,229

over Salt Lake and I wanted to do an

1448

01:06:20,839 --> 01:06:18,849

interview with your state director and

1449

01:06:23,879 --> 01:06:20,849

see what she knows about the topic and

1450

01:06:28,109 --> 01:06:23,889

the video that the executive director

1451

01:06:30,239 --> 01:06:28,119

said me was one of mine posted on

1452

01:06:32,640 --> 01:06:30,249

YouTube but it was just it was just kind

1453

01:06:36,660 --> 01:06:32,650

of funny the way it worked out but so I

1454

01:06:38,670 --> 01:06:36,670

worked with with Jaime and he got me in

1455

01:06:42,660 --> 01:06:38,680

touch with some people here in Utah and

1456

01:06:45,569 --> 01:06:42,670

then did a few segments with regards to

1457

01:06:48,779 --> 01:06:45,579

the sightings that we had had here which

1458

01:06:51,000 --> 01:06:48,789

was you know credits that's great that's

1459

01:06:52,769 --> 01:06:51,010

helpful to me I know what I filmed I

1460

01:06:56,490 --> 01:06:52,779

know what I saw and what other people

1461

01:07:00,240 --> 01:06:56,500

have seen and so that was I really

1462

01:07:03,480 --> 01:07:00,250

appreciated him for for doing that right

1463

01:07:05,970 --> 01:07:03,490

now I I tried to get him on oh I don't

1464

01:07:07,849 --> 01:07:05,980

know maybe a year or so ago because I

1465

01:07:11,760 --> 01:07:07,859

was really fascinated in some of the

1466

01:07:14,370 --> 01:07:11,770

Mexico sightings that happened you know

1467

01:07:17,099 --> 01:07:14,380

like for instance during the solar

1468

01:07:18,329 --> 01:07:17,109

eclipse you know that that some people

1469

01:07:21,690 --> 01:07:18,339

are saying it's Venus but I don't know

1470

01:07:23,309 --> 01:07:21,700

what it was but it was they were seen

1471

01:07:25,319 --> 01:07:23,319

all over the place and and really

1472

01:07:27,870 --> 01:07:25,329

interesting and I did try to get him on

1473

01:07:30,900 --> 01:07:27,880

the show and I had a connection at one

1474

01:07:34,890 --> 01:07:30,910

time with him but it just it never went

1475

01:07:40,019 --> 01:07:34,900

anywhere you know he's a fascinating man

1476

01:07:41,849 --> 01:07:40,029

but I don't I don't know without me

1477

01:07:44,789 --> 01:07:41,859

getting back into the slides I'm gonna

1478

01:07:47,430 --> 01:07:44,799

move on to another subject well I think

1479

01:07:49,349 --> 01:07:47,440

you know just without you know talking

1480

01:07:52,500 --> 01:07:49,359

about the slides but I will say just

1481

01:07:54,870 --> 01:07:52,510

with regards to Jaime you know I my

1482

01:07:57,599 --> 01:07:54,880

experiences with him have been positive

1483

01:08:02,160 --> 01:07:57,609

and I I know several people that have

1484

01:08:04,769 --> 01:08:02,170

grown up in Mexico and they remember him

1485

01:08:08,670 --> 01:08:04,779

as a child being on the air and talking

1486

01:08:10,319 --> 01:08:08,680

about this subject and so that's that's

1487

01:08:13,260 --> 01:08:10,329

always a great thing anything that can

1488

01:08:14,789 --> 01:08:13,270

build awareness and make the UFO

1489

01:08:17,399 --> 01:08:14,799

phenomena something that is more

1490

01:08:20,849 --> 01:08:17,409

acceptable for people to talk about to

1491

01:08:23,010 --> 01:08:20,859

me that is is a very important part of

1492

01:08:26,669 --> 01:08:23,020

getting the mainstream scientific

1493

01:08:30,059 --> 01:08:26,679

community to research this I do agree I

1494

01:08:33,149 --> 01:08:30,069

and and I've seen many times another

1495

01:08:36,120 --> 01:08:33,159

side of that when someone is involved

1496

01:08:41,490 --> 01:08:36,130

and then somewhere along the line there

1497

01:08:45,030 --> 01:08:41,500

there's a turn taken or perhaps a story

1498

01:08:46,690 --> 01:08:45,040

is revealed that one of their main

1499

01:08:49,760 --> 01:08:46,700

things they've been researching for you

1500

01:08:52,190 --> 01:08:49,770

ends up you know not being so or

1501

01:08:55,190 --> 01:08:52,200

debunked or another explanation is given

1502

01:08:57,980 --> 01:08:55,200

and they stay hard fast I've seen this

1503

01:08:59,780 --> 01:08:57,990

happened a number of times and and I I

1504

01:09:03,500 --> 01:08:59,790

don't think you know I'd be really

1505

01:09:06,860 --> 01:09:03,510

really shocked if if he changed his tack

1506

01:09:10,010 --> 01:09:06,870

on this whole situation right yeah I

1507

01:09:13,280 --> 01:09:10,020

know you're you're being diplomatic and

1508

01:09:15,680 --> 01:09:13,290

I've already been told to stop talking

1509

01:09:16,550 --> 01:09:15,690

about it on the chat room by someone

1510

01:09:20,600 --> 01:09:16,560

leave you alone

1511

01:09:23,650 --> 01:09:20,610

so and I will so we'll move on out there

1512

01:09:27,470 --> 01:09:23,660

other people that you talk with

1513

01:09:30,890 --> 01:09:27,480

regularly like in the field you know I

1514

01:09:33,950 --> 01:09:30,900

talked with Robert Powell from from

1515

01:09:35,630 --> 01:09:33,960

MUFON who's that the chief are a head of

1516

01:09:37,730 --> 01:09:35,640

the scientific review board

1517

01:09:40,130 --> 01:09:37,740

I talked with Jan horizon-- our

1518

01:09:44,240 --> 01:09:40,140

executive director several times a week

1519

01:09:47,570 --> 01:09:44,250

and he's a really fantastic man with

1520

01:09:50,510 --> 01:09:47,580

amazing experience I talked to Ben Moss

1521

01:09:55,280 --> 01:09:50,520

who is a great friend of mine he was on

1522

01:09:57,110 --> 01:09:55,290

hangar 1 gosh and Ron Regehr I thought

1523

01:10:03,230 --> 01:09:57,120

just quite a bit I know you were

1524

01:10:07,550 --> 01:10:03,240

mentioning Ben moss I met him in Phoenix

1525

01:10:11,810 --> 01:10:07,560

last year and really liked him and he is

1526

01:10:14,270 --> 01:10:11,820

the one who really inspired me to make

1527

01:10:17,410 --> 01:10:14,280

sure that I was going to go to Rae

1528

01:10:19,970 --> 01:10:17,420

Stanford's house which I plan on doing

1529

01:10:22,340 --> 01:10:19,980

possibly even next week I'm going to try

1530

01:10:26,240 --> 01:10:22,350

to go down there and do a live show from

1531

01:10:28,430 --> 01:10:26,250

Ray's house down in Maryland so I hope

1532

01:10:32,560 --> 01:10:28,440

that we posted yeah that is fantastic

1533

01:10:34,790 --> 01:10:32,570

Ben has worked so hard on on that and

1534

01:10:38,810 --> 01:10:34,800

forging a relationship with Ray that

1535

01:10:45,050 --> 01:10:38,820

that's really really neat yeah so I did

1536

01:10:47,300 --> 01:10:45,060

meet him and anyway let's see so you

1537

01:10:49,850 --> 01:10:47,310

speak to all those people now you

1538

01:10:52,970 --> 01:10:49,860

mentioned just a minute ago that one of

1539

01:10:55,550 --> 01:10:52,980

them was on the scientific review board

1540

01:10:59,240 --> 01:10:55,560

can you tell us what that is

1541

01:11:00,180 --> 01:10:59,250

exactly so the MUFON has not the

1542

01:11:02,189 --> 01:11:00,190

abduction research

1543

01:11:05,670 --> 01:11:02,199

team we have the scientific review board

1544

01:11:07,590 --> 01:11:05,680

and we have you know Robert Powell is

1545

01:11:10,290 --> 01:11:07,600

that the head of a scientific review

1546

01:11:12,150 --> 01:11:10,300

board and so he and his team and their

1547

01:11:15,300 --> 01:11:12,160

people on the review board from all over

1548

01:11:18,870 --> 01:11:15,310

the world really that the information

1549

01:11:21,990 --> 01:11:18,880

coming in and and they analyze cases

1550

01:11:26,100 --> 01:11:22,000

Robert specifically to find it to look

1551

01:11:27,750 --> 01:11:26,110

at the top cases and then they you know

1552

01:11:29,880 --> 01:11:27,760

they were there working with us with the

1553

01:11:32,939 --> 01:11:29,890

the project orange and the research that

1554

01:11:34,650 --> 01:11:32,949

we're doing they've written in fact if

1555

01:11:37,320 --> 01:11:34,660

you go to move the MUFON website you'll

1556

01:11:39,330 --> 01:11:37,330

see different papers that have been

1557

01:11:41,310 --> 01:11:39,340

written by the scientific review board

1558

01:11:43,800 --> 01:11:41,320

it they're amazing

1559

01:11:47,970 --> 01:11:43,810

individuals and it's really the

1560

01:11:50,130 --> 01:11:47,980

foundation of a MUFON speaking of that I

1561

01:11:54,720 --> 01:11:50,140

mentioned a number of different shows

1562

01:11:58,290 --> 01:11:54,730

here about Mark Dantonio he's a the

1563

01:12:03,120 --> 01:11:58,300

MUFON video photo analysts great guy I

1564

01:12:04,830 --> 01:12:03,130

consider him a friend recently as the

1565

01:12:06,870 --> 01:12:04,840

past listener has known I've been

1566

01:12:09,570 --> 01:12:06,880

talking about him having you know he had

1567

01:12:11,310 --> 01:12:09,580

a serious heart problem and he's been in

1568

01:12:13,229 --> 01:12:11,320

the hospital I believe he still is but

1569

01:12:16,200 --> 01:12:13,239

he actually did a posting on Facebook

1570

01:12:18,930 --> 01:12:16,210

the other day which made me feel great

1571

01:12:21,030 --> 01:12:18,940

that he is on the road to recovery well

1572

01:12:22,320 --> 01:12:21,040

that's good I don't know if you've ever

1573

01:12:25,680 --> 01:12:22,330

worked with Mark but he's a great guy

1574

01:12:29,870 --> 01:12:25,690

you know what he is I have talked to him

1575

01:12:33,930 --> 01:12:29,880

many times he is a love I really say

1576

01:12:37,890 --> 01:12:33,940

he's been so kind and helpful he's

1577

01:12:40,080 --> 01:12:37,900

amazing at what he does and I that that

1578

01:12:42,180 --> 01:12:40,090

sums up a lot of relationships with

1579

01:12:44,520 --> 01:12:42,190

people in MUFON I really feel like I

1580

01:12:46,140 --> 01:12:44,530

have met people that I will be friends

1581

01:12:48,479 --> 01:12:46,150

with for the rest of my life they're

1582

01:12:50,220 --> 01:12:48,489

they're incredible all right now I'm

1583

01:12:51,810 --> 01:12:50,230

gonna go a little conspiratorial on you

1584

01:12:53,070 --> 01:12:51,820

before I wither the question I'm going

1585

01:12:57,740 --> 01:12:53,080

to ask in just second on the message

1586

01:13:02,250 --> 01:12:57,750

board but some people claim that MUFON

1587

01:13:06,720 --> 01:13:02,260

is as a disinformation or part of it is

1588

01:13:09,360 --> 01:13:06,730

and corrupt now I'm not laughing at that

1589

01:13:13,229 --> 01:13:09,370

statement really I'm just as maybe it's

1590

01:13:14,010 --> 01:13:13,239

nervous laugh laughing but now do you

1591

01:13:17,550 --> 01:13:14,020

hear that

1592

01:13:21,150 --> 01:13:17,560

oh sure oh yeah you know in fact I'm I'm

1593

01:13:25,080 --> 01:13:21,160

from Utah so I am you know I'm taking up

1594

01:13:28,230 --> 01:13:25,090

where Elaine Douglass left off so yeah

1595

01:13:30,510 --> 01:13:28,240

there's definitely the rumblings of

1596

01:13:33,930 --> 01:13:30,520

people that have been unhappy with MUFON

1597

01:13:36,960 --> 01:13:33,940

and you'll always get the conspiracy at

1598

01:13:39,090 --> 01:13:36,970

the end who knows if there are people

1599

01:13:41,640 --> 01:13:39,100

inside the organization that are

1600

01:13:43,590 --> 01:13:41,650

disinformation agents it's entirely

1601

01:13:47,150 --> 01:13:43,600

possible the thing I'm learning about

1602

01:13:50,760 --> 01:13:47,160

this field is you just you never know

1603

01:13:52,500 --> 01:13:50,770

that's right but I do think that MUFON

1604

01:13:55,980 --> 01:13:52,510

as a whole has gone through a lot of

1605

01:14:00,330 --> 01:13:55,990

changes most all of them are positive

1606

01:14:03,750 --> 01:14:00,340

and so hopefully that will dispel any of

1607

01:14:07,950 --> 01:14:03,760

the the negative negativity focused on

1608

01:14:11,370 --> 01:14:07,960

MUFON okay now Ken on the message board

1609

01:14:13,610 --> 01:14:11,380

can you explain or talk more about any

1610

01:14:16,620 --> 01:14:13,620

Native American insight

1611

01:14:20,610 --> 01:14:16,630

you know I that is something that I am

1612

01:14:22,950 --> 01:14:20,620

really trying hard to look into with the

1613

01:14:25,170 --> 01:14:22,960

help of my friend who is the the Native

1614

01:14:26,760 --> 01:14:25,180

American historian he was up at the

1615

01:14:29,490 --> 01:14:26,770

University of Utah for a long long time

1616

01:14:32,670 --> 01:14:29,500

and he's in as his early 80s

1617

01:14:37,800 --> 01:14:32,680

he's given me all of these amazing books

1618

01:14:40,560 --> 01:14:37,810

about skinwalkers and about their oral

1619

01:14:43,020 --> 01:14:40,570

traditions on on things and so I'm

1620

01:14:45,330 --> 01:14:43,030

reading those and I'm hoping that by

1621

01:14:48,120 --> 01:14:45,340

doing that becoming more familiar with

1622

01:14:50,520 --> 01:14:48,130

the Native American culture that will

1623

01:14:56,190 --> 01:14:50,530

give me greater understanding but then I

1624

01:14:58,380 --> 01:14:56,200

can also try to forge friendships you

1625

01:15:01,620 --> 01:14:58,390

know respectful relations where I can

1626

01:15:03,870 --> 01:15:01,630

learn things and help them and and just

1627

01:15:06,750 --> 01:15:03,880

I think there's just so much to know and

1628

01:15:09,530 --> 01:15:06,760

we have you know they're in a position

1629

01:15:12,210 --> 01:15:09,540

where I think they're pretty closed off

1630

01:15:15,030 --> 01:15:12,220

perhaps this is what I understand and I

1631

01:15:19,050 --> 01:15:15,040

think I not I'll blame blame them and I

1632

01:15:21,330 --> 01:15:19,060

I think as long as I can hopefully prove

1633

01:15:23,190 --> 01:15:21,340

that I'm respectful and I really

1634

01:15:25,470 --> 01:15:23,200

honestly care and want to learn as much

1635

01:15:27,110 --> 01:15:25,480

as I can about their culture it's it's

1636

01:15:29,460 --> 01:15:27,120

beautiful it's fascinating

1637

01:15:31,620 --> 01:15:29,470

right and you hear a lot of times

1638

01:15:34,140 --> 01:15:31,630

they'll talk about you know the star

1639

01:15:36,330 --> 01:15:34,150

people and you know traditions oral

1640

01:15:39,750 --> 01:15:36,340

traditions that have come down for

1641

01:15:43,080 --> 01:15:39,760

generation after generation and also you

1642

01:15:45,180 --> 01:15:43,090

know in you know south of you Arizona

1643

01:15:47,940 --> 01:15:45,190

you know there's a lot of drawings on

1644

01:15:51,000 --> 01:15:47,950

rocks early drawings that are pretty

1645

01:15:53,250 --> 01:15:51,010

interesting in the Hopi area there are

1646

01:15:56,430 --> 01:15:53,260

and there are some in in southern Utah

1647

01:15:57,960 --> 01:15:56,440

as well so it's it oh my gosh it's like

1648

01:16:01,350 --> 01:15:57,970

you go down this rabbit hole and there's

1649

01:16:03,990 --> 01:16:01,360

so many directions you could go being in

1650

01:16:06,900 --> 01:16:04,000

Utah the Native American culture is is

1651
01:16:09,750 --> 01:16:06,910
incredibly important skinwalker ranch is

1652
01:16:14,340 --> 01:16:09,760
actually situated in an area where you

1653
01:16:17,370 --> 01:16:14,350
have a ute tribe and the or a oil fields

1654
01:16:19,520 --> 01:16:17,380
are on that Native American land there

1655
01:16:23,040 --> 01:16:19,530
are lots and lots of sightings up there

1656
01:16:24,930 --> 01:16:23,050
so is there a connection between that I

1657
01:16:26,150 --> 01:16:24,940
don't I don't know but I would sure like

1658
01:16:28,770 --> 01:16:26,160
to find out and I'll keep you posted

1659
01:16:30,390 --> 01:16:28,780
okay now I saw in the message board you

1660
01:16:32,970 --> 01:16:30,400
actually answered someone but they were

1661
01:16:34,230 --> 01:16:32,980
asking what a skinwalker is and that is

1662
01:16:37,230 --> 01:16:34,240
actually a good question for the

1663
01:16:42,300 --> 01:16:37,240

listener out there so go ahead so a

1664

01:16:45,390 --> 01:16:42,310

skinwalker is is it it's a witch and not

1665

01:16:47,580 --> 01:16:45,400

necessarily it's not a good thing that

1666

01:16:51,540 --> 01:16:47,590

it is this entity that can shape-shift

1667

01:16:54,120 --> 01:16:51,550

and typically from my understanding when

1668

01:16:57,510 --> 01:16:54,130

it when a skinwalker is around it is

1669

01:17:01,340 --> 01:16:57,520

never it's it's a it's a bad omen bad

1670

01:17:04,350 --> 01:17:01,350

things happen and they are you know just

1671

01:17:05,760 --> 01:17:04,360

it's very its mysterious that like I

1672

01:17:08,640 --> 01:17:05,770

said that something I'm learning more

1673

01:17:11,190 --> 01:17:08,650

about but they have been spotted and

1674

01:17:12,930 --> 01:17:11,200

they have their legends that they have

1675

01:17:17,370 --> 01:17:12,940

taken children in the middle of the

1676

01:17:19,800 --> 01:17:17,380

night and so who knows but I did there

1677

01:17:22,530 --> 01:17:19,810

was a fellow I was just at the UFO

1678

01:17:26,220 --> 01:17:22,540

Congress down in Phoenix Arizona and

1679

01:17:28,140 --> 01:17:26,230

there's an artist who was there and he I

1680

01:17:30,630 --> 01:17:28,150

just talked with him for a while his

1681

01:17:33,060 --> 01:17:30,640

Native American he was telling me about

1682

01:17:36,410 --> 01:17:33,070

an experience that he had with a

1683

01:17:39,580 --> 01:17:36,420

skinwalker and he was out late at night

1684

01:17:42,790 --> 01:17:39,590

he said that he just felt this

1685

01:17:45,520 --> 01:17:42,800

cold wind and this energy rushing to him

1686

01:17:47,770 --> 01:17:45,530

and the thoughts in his head were were

1687

01:17:49,560 --> 01:17:47,780

you know you are gonna die are you ready

1688

01:17:52,450 --> 01:17:49,570

for this are you ready to see me and

1689

01:17:54,370 --> 01:17:52,460

this is what you wanted and are you

1690

01:17:56,440 --> 01:17:54,380

going to are you willing to give up your

1691

01:17:58,810 --> 01:17:56,450

family you know so all of these

1692

01:18:03,880 --> 01:17:58,820

terrifying thoughts came and then he saw

1693

01:18:06,190 --> 01:18:03,890

this apparition and it was clearly it

1694

01:18:08,200 --> 01:18:06,200

was the most terrifying profound

1695

01:18:11,230 --> 01:18:08,210

experience he ever had in his life and

1696

01:18:13,360 --> 01:18:11,240

he just said to me you know you really

1697

01:18:17,110 --> 01:18:13,370

if you want to go down that road and you

1698

01:18:19,390 --> 01:18:17,120

want to look into things like that you

1699

01:18:21,130 --> 01:18:19,400

better be prepared because this is

1700

01:18:25,120 --> 01:18:21,140

something that we have no control over

1701

01:18:28,420 --> 01:18:25,130

and it's very it is it's not a good

1702

01:18:30,460 --> 01:18:28,430

positive thing okay someone wanted to

1703

01:18:34,630 --> 01:18:30,470

know if peyote plays into the permitir

1704

01:18:39,790 --> 01:18:34,640

skin mark I think peyote might play a

1705

01:18:41,650 --> 01:18:39,800

part and lots of things Sunnah it could

1706

01:18:45,640 --> 01:18:41,660

but you know there he'd a skinwalker

1707

01:18:48,490 --> 01:18:45,650

ranch and the Uintah Basin is is a

1708

01:18:50,950 --> 01:18:48,500

paranormal as it is a hot spot there are

1709

01:18:55,530 --> 01:18:50,960

all sorts of things happening there so

1710

01:18:58,180 --> 01:18:55,540

you get the the UFOs you get bigfoot

1711

01:19:01,180 --> 01:18:58,190

shapeshifters you name it it is

1712

01:19:02,110 --> 01:19:01,190

happening there on strange creatures why

1713

01:19:05,160 --> 01:19:02,120

I don't know

1714

01:19:08,830 --> 01:19:05,170

but I think when you start researching

1715

01:19:12,210 --> 01:19:08,840

things you realize that oftentimes this

1716

01:19:15,580 --> 01:19:12,220

phenomena might go hand in hand

1717

01:19:19,980 --> 01:19:15,590

mm-hmm yep there was talk about that I

1718

01:19:22,120 --> 01:19:19,990

read the book I George Knapp and I have

1719

01:19:24,280 --> 01:19:22,130

communicated a number of times and he's

1720

01:19:26,020 --> 01:19:24,290

just such a busy guy you know trying to

1721

01:19:29,050 --> 01:19:26,030

get him on the show to talk about that

1722

01:19:31,900 --> 01:19:29,060

and I'll even suggested you know we can

1723

01:19:33,940 --> 01:19:31,910

do a pre record anything to you know to

1724

01:19:35,860 --> 01:19:33,950

get him on I really want to get him on

1725

01:19:39,000 --> 01:19:35,870

to talk about that what a fascinating

1726

01:19:41,530 --> 01:19:39,010

book that is and one of the things that

1727

01:19:45,040 --> 01:19:41,540

struck me the most I don't know why but

1728

01:19:48,820 --> 01:19:45,050

it it does is when all the scientists

1729

01:19:50,710 --> 01:19:48,830

were there and they had their camera set

1730

01:19:52,700 --> 01:19:50,720

up and everything outside and all of a

1731

01:19:54,440 --> 01:19:52,710

sudden they just saw this like

1732

01:19:56,870 --> 01:19:54,450

it looked like this hole appeared and

1733

01:19:59,600 --> 01:19:56,880

then to sink climbed out of it you know

1734

01:20:03,010 --> 01:19:59,610

I mean that that is like wow you know I

1735

01:20:05,750 --> 01:20:03,020

mean all these people witness that and

1736

01:20:08,300 --> 01:20:05,760

you know maybe I'm naive to think that

1737

01:20:10,490 --> 01:20:08,310

it it really happened when it may not

1738

01:20:13,160 --> 01:20:10,500

have happened but still though the whole

1739

01:20:16,910 --> 01:20:13,170

thing is fascinating another another

1740

01:20:18,770 --> 01:20:16,920

unanswered so to speak well I think

1741

01:20:22,340 --> 01:20:18,780

there's definitely a reason why Bigelow

1742

01:20:24,620 --> 01:20:22,350

bought that property and spent a lot of

1743

01:20:28,880 --> 01:20:24,630

money with you know hiring the best

1744

01:20:31,190 --> 01:20:28,890

scientists and bodyguards security to go

1745

01:20:32,290 --> 01:20:31,200

in there and study stuff and he's not at

1746

01:20:35,930 --> 01:20:32,300

he's a very smart man

1747

01:20:39,920 --> 01:20:35,940

there was a reason and I have a friend

1748

01:20:41,870 --> 01:20:39,930

whose name is Ryan burns he lives in the

1749

01:20:46,510 --> 01:20:41,880

property that is very very close to

1750

01:20:49,030 --> 01:20:46,520

skinwalker ranch and has seen very

1751
01:20:52,160 --> 01:20:49,040
amazing things I mean we're talking

1752
01:20:56,600 --> 01:20:52,170
strange creatures objects you know

1753
01:20:59,180 --> 01:20:56,610
portals almost opening up and he's also

1754
01:21:01,400 --> 01:20:59,190
had an experience and I saw the slides

1755
01:21:07,310 --> 01:21:01,410
when he was at a MUFON meeting a while

1756
01:21:10,459 --> 01:21:07,320
back of men men in black men in suits on

1757
01:21:12,709 --> 01:21:10,469
his property with equipment doing

1758
01:21:15,890 --> 01:21:12,719
something it was pretty pretty

1759
01:21:18,290 --> 01:21:15,900
interesting pretty intriguing my I have

1760
01:21:21,050 --> 01:21:18,300
a friend is the person that contact up

1761
01:21:22,880 --> 01:21:21,060
there that will keep me updated a couple

1762
01:21:25,340 --> 01:21:22,890
times a month and there's been a lot of

1763
01:21:28,970 --> 01:21:25,350

military activity up there as of late

1764

01:21:31,760 --> 01:21:28,980

and then the UFO activity also seems to

1765

01:21:35,959 --> 01:21:31,770

be increasing from the reports I'm

1766

01:21:38,270 --> 01:21:35,969

getting up that way well you know when

1767

01:21:39,920 --> 01:21:38,280

when Phil when the person in the message

1768

01:21:43,490 --> 01:21:39,930

board was asking about the peyote he was

1769

01:21:45,890 --> 01:21:43,500

actually seriously wasn't doing it you

1770

01:21:49,400 --> 01:21:45,900

know to be funny or anything like that

1771

01:21:55,070 --> 01:21:49,410

because now that's a cactus or something

1772

01:21:57,500 --> 01:21:55,080

you know but it's been used for I think

1773

01:22:03,080 --> 01:21:57,510

a long you know many many hundreds of

1774

01:22:05,270 --> 01:22:03,090

years if not longer but I don't really

1775

01:22:09,439 --> 01:22:05,280

know much about it do you

1776

01:22:13,810 --> 01:22:09,449

you know I know that it is very sacred

1777

01:22:17,629 --> 01:22:13,820

and it's it opens up a part of your

1778

01:22:20,029 --> 01:22:17,639

subconscious add too many profound

1779

01:22:22,640 --> 01:22:20,039

experiences I have a friend that went

1780

01:22:26,689 --> 01:22:22,650

down to South America to meet with the

1781

01:22:28,669 --> 01:22:26,699

medicine man and had oh my gosh and I

1782

01:22:30,890 --> 01:22:28,679

wish I could remember the name Hiawatha

1783

01:22:33,950 --> 01:22:30,900

Iowa I can't remember the name but they

1784

01:22:36,979 --> 01:22:33,960

went deep into the jungle and then took

1785

01:22:40,129 --> 01:22:36,989

this substance and were gravely ill for

1786

01:22:44,959 --> 01:22:40,139

a couple days just vomiting but then had

1787

01:22:48,279 --> 01:22:44,969

these experiences that were just amazing

1788

01:22:53,169 --> 01:22:48,289

and she felt that it was allowing her to

1789

01:22:55,459 --> 01:22:53,179

transcend different dimensions Wow

1790

01:22:58,669 --> 01:22:55,469

someone was asking more about the portal

1791

01:23:00,469 --> 01:22:58,679

on the message board and you know that

1792

01:23:04,160 --> 01:23:00,479

that was the thing that came up there

1793

01:23:07,969 --> 01:23:04,170

and I have heard that in the past you

1794

01:23:10,459 --> 01:23:07,979

know about different like events like

1795

01:23:12,140 --> 01:23:10,469

I'm not sure if it's a UFO but you know

1796

01:23:15,339 --> 01:23:12,150

a lot of times it would almost make

1797

01:23:18,200 --> 01:23:15,349

sense the way they appear and disappear

1798

01:23:21,319 --> 01:23:18,210

you know like who knows the end of a

1799

01:23:24,370 --> 01:23:21,329

wormhole I'm really going out there you

1800

01:23:28,189 --> 01:23:24,380

know tonight but I I

1801
01:23:30,439 --> 01:23:28,199
unexplained it is but if you you know

1802
01:23:33,200 --> 01:23:30,449
when that's part of the thing that I'm

1803
01:23:36,080 --> 01:23:33,210
trying to look into is where are these

1804
01:23:40,790 --> 01:23:36,090
objects appearing they appear in

1805
01:23:44,419 --> 01:23:40,800
specific places lots of studies with the

1806
01:23:46,489 --> 01:23:44,429
MUFON project Orange lots of you know

1807
01:23:49,060 --> 01:23:46,499
going through the database back east

1808
01:23:51,680 --> 01:23:49,070
they're appearing near bodies of water

1809
01:23:55,580 --> 01:23:51,690
so are they coming in and out of these

1810
01:23:58,189 --> 01:23:55,590
bodies of water they who knows but that

1811
01:24:02,870 --> 01:23:58,199
the sightings clusters are pointing to

1812
01:24:06,609 --> 01:24:02,880
something in that specific area right we

1813
01:24:09,589 --> 01:24:06,619

will see it I believe that perhaps maybe

1814

01:24:11,390 --> 01:24:09,599

something is happening with lay liens

1815

01:24:15,229 --> 01:24:11,400

gravitational anomalies there's

1816

01:24:16,700 --> 01:24:15,239

something that yeah I don't I don't know

1817

01:24:18,630 --> 01:24:16,710

but I were to let you know because I've

1818

01:24:21,930 --> 01:24:18,640

got so many puzzles too

1819

01:24:24,000 --> 01:24:21,940

so many riddles to solve and well it

1820

01:24:27,570 --> 01:24:24,010

really keeps up you know this whole type

1821

01:24:29,430 --> 01:24:27,580

of thing it really keeps me really

1822

01:24:33,300 --> 01:24:29,440

interested in the subject because it's

1823

01:24:37,170 --> 01:24:33,310

just you know the more you look into it

1824

01:24:39,180 --> 01:24:37,180

the more questions there are and I don't

1825

01:24:42,260 --> 01:24:39,190

think that we're really going to know

1826
01:24:45,150 --> 01:24:42,270
the answer anytime soon and if we do

1827
01:24:47,100 --> 01:24:45,160
know the answers it'll only be to some

1828
01:24:49,440 --> 01:24:47,110
of the things and for instance if we

1829
01:24:51,840 --> 01:24:49,450
know what you vote UFOs really are if

1830
01:24:54,270 --> 01:24:51,850
they really are extraterrestrial which I

1831
01:24:58,410 --> 01:24:54,280
believe makes more sense than most of

1832
01:25:00,600 --> 01:24:58,420
anything else but there are still so

1833
01:25:03,630 --> 01:25:00,610
many unanswered things that go on

1834
01:25:06,600 --> 01:25:03,640
besides that you know there are and I

1835
01:25:09,660 --> 01:25:06,610
think we are never gonna find out the

1836
01:25:12,780 --> 01:25:09,670
answers if we spend it if we waste a lot

1837
01:25:15,360 --> 01:25:12,790
of time deciding whether this you know

1838
01:25:17,310 --> 01:25:15,370

our do UFOs exist I think we ought to

1839

01:25:20,730 --> 01:25:17,320

just say yes and move on with it like I

1840

01:25:24,500 --> 01:25:20,740

was saying earlier we have ample

1841

01:25:29,610 --> 01:25:24,510

evidence so we need to be proactive and

1842

01:25:31,500 --> 01:25:29,620

really figure out why where how and quit

1843

01:25:34,950 --> 01:25:31,510

debating each other and work together

1844

01:25:38,580 --> 01:25:34,960

this is is vital because if something

1845

01:25:43,010 --> 01:25:38,590

was happening it well it is but it needs

1846

01:25:47,640 --> 01:25:43,020

to we don't know what any intentions are

1847

01:25:49,680 --> 01:25:47,650

hmm and we need to just maybe think

1848

01:25:53,520 --> 01:25:49,690

about a lot of different things and

1849

01:25:55,020 --> 01:25:53,530

prepare that's right you know I mean of

1850

01:25:59,490 --> 01:25:55,030

course you know you hear over and over

1851
01:26:01,920 --> 01:25:59,500
again if if they were malevolent then we

1852
01:26:06,090 --> 01:26:01,930
would certainly know by now we could

1853
01:26:07,920 --> 01:26:06,100
certainly be destroyed many times well

1854
01:26:11,610 --> 01:26:07,930
that's what we would like to hope that

1855
01:26:13,440 --> 01:26:11,620
would be good and I mean I I gosh every

1856
01:26:16,170 --> 01:26:13,450
day is a new day for me and with that

1857
01:26:19,290 --> 01:26:16,180
regard some days I think everything is

1858
01:26:23,670 --> 01:26:19,300
happy and we're living in in a world

1859
01:26:26,160 --> 01:26:23,680
where we can all communicate and there's

1860
01:26:28,580 --> 01:26:26,170
nothing you know malevolent going on but

1861
01:26:31,930 --> 01:26:28,590
the bottom line is we just don't know

1862
01:26:35,890 --> 01:26:31,940
that's right we really need to be

1863
01:26:38,860 --> 01:26:35,900

either way that's right and you know

1864

01:26:42,580 --> 01:26:38,870

there I did a pre record that's coming

1865

01:26:47,200 --> 01:26:42,590

up with a gentleman and Amsterdam and

1866

01:26:48,820 --> 01:26:47,210

Dame Gerrard aartsen and the thing that

1867

01:26:52,150 --> 01:26:48,830

we'll be talking about in that show is

1868

01:26:55,770 --> 01:26:52,160

when that does air eventually is you

1869

01:26:58,390 --> 01:26:55,780

know he he thinks that they are peace

1870

01:27:01,240 --> 01:26:58,400

peace-loving and trying to keep us from

1871

01:27:03,250 --> 01:27:01,250

destroying ourselves and that does you

1872

01:27:05,740 --> 01:27:03,260

know there is a theme of that you do

1873

01:27:09,490 --> 01:27:05,750

hear about different circumstances you

1874

01:27:12,520 --> 01:27:09,500

do and I for me when I had experiences

1875

01:27:13,240 --> 01:27:12,530

with the objects I saw I felt very

1876

01:27:16,450 --> 01:27:13,250

connected

1877

01:27:17,229 --> 01:27:16,460

I felt whatever it was was quite

1878

01:27:20,320 --> 01:27:17,239

benevolent

1879

01:27:23,380 --> 01:27:20,330

and I I those were my impressions

1880

01:27:27,340 --> 01:27:23,390

whether that's the case I have no clue

1881

01:27:29,830 --> 01:27:27,350

but I you know even even abductees or

1882

01:27:32,580 --> 01:27:29,840

experiencers at first these events are

1883

01:27:35,830 --> 01:27:32,590

incredibly traumatizing but then as

1884

01:27:38,050 --> 01:27:35,840

their life unfolds and they learn more

1885

01:27:43,540 --> 01:27:38,060

they learn that these beings are really

1886

01:27:46,030 --> 01:27:43,550

here to to help the planet right let's

1887

01:27:49,630 --> 01:27:46,040

you know that's I don't know we just we

1888

01:27:51,790 --> 01:27:49,640

know so little right yep you know a

1889

01:27:56,050 --> 01:27:51,800

number of number of things you hear

1890

01:28:00,130 --> 01:27:56,060

about kind of dovetail that you know of

1891

01:28:04,510 --> 01:28:00,140

people seeing visions and you know I go

1892

01:28:07,959 --> 01:28:04,520

back to the I want to say Papua New

1893

01:28:10,479 --> 01:28:07,969

Guinea or I know it was in Africa of all

1894

01:28:12,700 --> 01:28:10,489

those school children what they were

1895

01:28:14,280 --> 01:28:12,710

seeing and what they were feeling you

1896

01:28:16,750 --> 01:28:14,290

know as more feelings than anything else

1897

01:28:19,300 --> 01:28:16,760

it was what are you talking about with

1898

01:28:23,110 --> 01:28:19,310

the John Mac yes

1899

01:28:26,280 --> 01:28:23,120

dr. Mac that was incredible and when

1900

01:28:31,360 --> 01:28:26,290

speaking of what what a brilliant man

1901

01:28:35,410 --> 01:28:31,370

very brave researcher oh yes absolutely

1902

01:28:39,160 --> 01:28:35,420

and too bad he left us early that was

1903

01:28:42,070 --> 01:28:39,170

interesting it was sad and he he really

1904

01:28:45,100 --> 01:28:42,080

was he just did so much and it was

1905

01:28:49,149 --> 01:28:45,110

really sad and Budd Hopkins as well

1906

01:28:51,010 --> 01:28:49,159

right right yeah interesting let's see

1907

01:28:53,770 --> 01:28:51,020

so again if you're listening live you

1908

01:28:55,959 --> 01:28:53,780

can jump over to our chat room and pose

1909

01:28:57,490 --> 01:28:55,969

a question and I'll give the number out

1910

01:29:01,330 --> 01:28:57,500

one more time if you'd like to call in

1911

01:29:06,790 --> 01:29:01,340

six oh three nine six seven four OH

1912

01:29:10,540 --> 01:29:06,800

three oh and did have you ever thought I

1913

01:29:13,660 --> 01:29:10,550

know you you read books but I always

1914

01:29:14,919 --> 01:29:13,670

every once in a while I think - there's

1915

01:29:18,879 --> 01:29:14,929

someone like you think about ever

1916

01:29:21,359 --> 01:29:18,889

writing anything it's funny because I

1917

01:29:24,280 --> 01:29:21,369

actually would love to write and I

1918

01:29:26,590 --> 01:29:24,290

that's another creative outlet for me

1919

01:29:28,959 --> 01:29:26,600

and since I'm not doing as much singing

1920

01:29:31,660 --> 01:29:28,969

I'm not performing anymore that I think

1921

01:29:33,310 --> 01:29:31,670

that would be wonderful and I have you

1922

01:29:35,859 --> 01:29:33,320

know I've written a lot of songs and

1923

01:29:39,000 --> 01:29:35,869

done things like that but I've had if I

1924

01:29:43,720 --> 01:29:39,010

was talking to Nick Redfern actually and

1925

01:29:46,240 --> 01:29:43,730

he was encouraging me to to do that and

1926

01:29:48,640 --> 01:29:46,250

said he would help me and and and so

1927

01:29:50,470 --> 01:29:48,650

actually Richard Dolan and I have had

1928

01:29:53,109 --> 01:29:50,480

conversations about that as well so I

1929

01:29:57,189 --> 01:29:53,119

have all of these great people that are

1930

01:29:59,320 --> 01:29:57,199

brilliant and will help me do that and

1931

01:30:01,540 --> 01:29:59,330

and I'm feel very lucky so perhaps

1932

01:30:04,479 --> 01:30:01,550

you'll see something it might be a

1933

01:30:10,479 --> 01:30:04,489

picture book two pages yeah you said you

1934

01:30:12,430 --> 01:30:10,489

were artistic so I don't know about that

1935

01:30:15,729 --> 01:30:12,440

I try I'm actually trying to do a

1936

01:30:18,370 --> 01:30:15,739

portrait right now and that is kind of

1937

01:30:21,490 --> 01:30:18,380

scary I think maybe I have a great art

1938

01:30:25,510 --> 01:30:21,500

for for doing portraits of alien man

1939

01:30:27,729 --> 01:30:25,520

babies there I don't know that happens

1940

01:30:30,750 --> 01:30:27,739

and and you didn't it didn't start out

1941

01:30:33,700 --> 01:30:30,760

that way I like it not really no nope

1942

01:30:36,220 --> 01:30:33,710

one of the things up I'd noticed about

1943

01:30:39,189 --> 01:30:36,230

Nick Redfern as he puts out a ton of

1944

01:30:42,280 --> 01:30:39,199

books and I can never understand how

1945

01:30:44,859 --> 01:30:42,290

people can be so prolific and and their

1946

01:30:49,680 --> 01:30:44,869

work like that it's amazing and how to

1947

01:30:52,149 --> 01:30:49,690

come up with a fresh new idea or story

1948

01:30:54,189 --> 01:30:52,159

I've had him on a couple times I'm sure

1949

01:30:58,290 --> 01:30:54,199

you're going to have him on hope to have

1950

01:31:01,510 --> 01:30:58,300

him on again he's he's a really neat

1951

01:31:04,720 --> 01:31:01,520

and I he I don't know how he does it

1952

01:31:07,180 --> 01:31:04,730

either because my lord he has done a lot

1953

01:31:10,150 --> 01:31:07,190

of things in fact he just was kind

1954

01:31:12,220 --> 01:31:10,160

enough to send me his new book and and

1955

01:31:15,280 --> 01:31:12,230

we will he is going to be on the show

1956

01:31:18,730 --> 01:31:15,290

in the middle of August so we'll talk

1957

01:31:21,280 --> 01:31:18,740

about that now if I remember your radio

1958

01:31:23,890 --> 01:31:21,290

station I may have it confused with

1959

01:31:28,150 --> 01:31:23,900

another one but will they allow you to

1960

01:31:30,100 --> 01:31:28,160

do a podcast out of that you know that

1961

01:31:32,080 --> 01:31:30,110

is something I just need to look into

1962

01:31:34,390 --> 01:31:32,090

but what what I'm planning on doing and

1963

01:31:38,230 --> 01:31:34,400

if I am I've got the green light for

1964

01:31:41,560 --> 01:31:38,240

this is doing and I will be doing videos

1965

01:31:44,050 --> 01:31:41,570

of my interviews so you'll be able to

1966

01:31:46,480 --> 01:31:44,060

you know do a little screen capture and

1967

01:31:48,820 --> 01:31:46,490

you can see both parties communicating

1968

01:31:51,610 --> 01:31:48,830

and then I'll I have videos as well that

1969

01:31:54,240 --> 01:31:51,620

I've done at different events and I've

1970

01:31:58,690 --> 01:31:54,250

got a great interview with Steve Bassett

1971

01:32:01,800 --> 01:31:58,700

Nick Redfern Lynn khatai and those will

1972

01:32:04,900 --> 01:32:01,810

be on my website the UFO audit as well

1973

01:32:06,130 --> 01:32:04,910

you know I I tried to I actually thought

1974

01:32:09,060 --> 01:32:06,140

of doing what you're talking about like

1975

01:32:12,910 --> 01:32:09,070

a screen capture type thing and it just

1976

01:32:15,220 --> 01:32:12,920

with what we are doing here it's some

1977

01:32:17,410 --> 01:32:15,230

audio is just the real important part of

1978

01:32:21,370 --> 01:32:17,420

it so I'm probably not going to do that

1979

01:32:24,820 --> 01:32:21,380

and I did I did note that I would do a

1980

01:32:26,740 --> 01:32:24,830

Google hangout with people and I tried a

1981

01:32:28,600 --> 01:32:26,750

Google hangout once on the show in it

1982

01:32:30,340 --> 01:32:28,610

there's a little bit of lag I don't know

1983

01:32:35,680 --> 01:32:30,350

if you've ever tried any of that but no

1984

01:32:38,500 --> 01:32:35,690

yeah so I be a little bit cautious okay

1985

01:32:41,130 --> 01:32:38,510

so moving ahead

1986

01:32:45,270 --> 01:32:41,140

no questions up on the message board so

1987

01:32:48,550 --> 01:32:45,280

what would be a good topic to talk about

1988

01:32:55,540 --> 01:32:48,560

well I think Peggy was talking about a

1989

01:32:58,660 --> 01:32:55,550

good UFO story okay yeah so I have I had

1990

01:32:59,920 --> 01:32:58,670

a lady who called in the other day she

1991

01:33:03,610 --> 01:32:59,930

lives in southern Utah

1992

01:33:04,210 --> 01:33:03,620

she filed a report and she was you know

1993

01:33:08,520 --> 01:33:04,220

just a

1994

01:33:10,870 --> 01:33:08,530

I mean she's about my age just watching

1995

01:33:12,160 --> 01:33:10,880

just watching the events outside

1996

01:33:16,150 --> 01:33:12,170

hanging out talking to her sister on the

1997

01:33:18,640 --> 01:33:16,160

phone and she notices this white pulsing

1998

01:33:21,850 --> 01:33:18,650

sphere outside of her house and then she

1999

01:33:24,640 --> 01:33:21,860

sees a helicopter that is just not

2000

01:33:27,760 --> 01:33:24,650

moving and this helicopter is observing

2001

01:33:31,780 --> 01:33:27,770

this object as it's moving and kind of

2002

01:33:33,160 --> 01:33:31,790

churning and bubbling and she was you

2003

01:33:34,420 --> 01:33:33,170

know she told her sister I've got to get

2004

01:33:37,030 --> 01:33:34,430

off the phone now this is something

2005

01:33:40,300 --> 01:33:37,040

really incredible is happening and the

2006

01:33:42,730 --> 01:33:40,310

helicopter observed the object for some

2007

01:33:45,940 --> 01:33:42,740

time and she said the orb appeared to

2008

01:33:49,510 --> 01:33:45,950

almost fold into itself and then was

2009

01:33:53,260 --> 01:33:49,520

just gone so after talking with her I

2010

01:33:57,550 --> 01:33:53,270

realized we both realized and we started

2011

01:34:00,160 --> 01:33:57,560

talking about the orb phenomena and she

2012

01:34:02,860 --> 01:34:00,170

lived in Salt Lake and told me about two

2013

01:34:07,240 --> 01:34:02,870

other instances one specifically where

2014

01:34:11,020 --> 01:34:07,250

she was on a freeway on-ramp and two of

2015

01:34:13,630 --> 01:34:11,030

these orange orbs were a couple hundred

2016

01:34:16,210 --> 01:34:13,640

feet away from her car and they

2017

01:34:18,550 --> 01:34:16,220

basically they would the freeway traffic

2018

01:34:20,800 --> 01:34:18,560

on the on-ramp was stopped and people

2019

01:34:22,180 --> 01:34:20,810

were hanging out of the car looking at

2020

01:34:25,840 --> 01:34:22,190

these objects

2021

01:34:28,080 --> 01:34:25,850

she said the light and the color and the

2022

01:34:30,670 --> 01:34:28,090

energy coming off of these objects was

2023

01:34:33,910 --> 01:34:30,680

intense and unlike anything she'd ever

2024

01:34:36,430 --> 01:34:33,920

seen and she just watched these objects

2025

01:34:40,510 --> 01:34:36,440

moved together move apart move around

2026

01:34:43,560 --> 01:34:40,520

each other it was really quite a

2027

01:34:47,070 --> 01:34:43,570

phenomenal experience for her now

2028

01:34:49,060 --> 01:34:47,080

getting these orbs you know we we've

2029

01:34:52,600 --> 01:34:49,070

discussed some quite a bit in the show

2030

01:34:55,780 --> 01:34:52,610

so far and one of the things when I was

2031

01:34:57,250 --> 01:34:55,790

talking with Terry way way back when he

2032

01:35:00,580 --> 01:34:57,260

was saying you know that he watched

2033

01:35:02,290 --> 01:35:00,590

these orbs have the same sort of I guess

2034

01:35:04,390 --> 01:35:02,300

you'd call flight pattern or a pattern

2035

01:35:06,660 --> 01:35:04,400

and that's kind of what you were seeing

2036

01:35:11,380 --> 01:35:06,670

earlier but someone on the message board

2037

01:35:13,420 --> 01:35:11,390

wanted to know if if those if that

2038

01:35:15,820 --> 01:35:13,430

sighting was close to you like was there

2039

01:35:18,540 --> 01:35:15,830

a long distance and did you have any

2040

01:35:22,060 --> 01:35:18,550

fear when you actually saw these things

2041

01:35:24,040 --> 01:35:22,070

you know I didn't have fear I'd had just

2042

01:35:27,760 --> 01:35:24,050

an amazing sense

2043

01:35:31,479 --> 01:35:27,770

of you it was beautiful it took my

2044

01:35:33,910 --> 01:35:31,489

breath away and somehow I felt very

2045

01:35:36,430 --> 01:35:33,920

connected to what was going on and it

2046

01:35:40,299 --> 01:35:36,440

was almost as if you know this object

2047

01:35:44,790 --> 01:35:40,309

was saying okay Here I am

2048

01:35:48,910 --> 01:35:44,800

I had another you know during this 2013

2049

01:35:51,939 --> 01:35:48,920

summer I had other events and one

2050

01:35:55,209 --> 01:35:51,949

specifically where I was driving home on

2051

01:35:58,839 --> 01:35:55,219

the freeway and I looked up on the hill

2052

01:36:02,229 --> 01:35:58,849

close to my home and I noticed this blue

2053

01:36:03,339 --> 01:36:02,239

object and I just it was so strange it

2054

01:36:07,229 --> 01:36:03,349

was up in the mountains there were no

2055

01:36:09,399 --> 01:36:07,239

roads and I thought okay is that a hiker

2056

01:36:11,859 --> 01:36:09,409

what kind of light is it as somebody

2057

01:36:16,629 --> 01:36:11,869

with a laser pointer and so I kept

2058

01:36:18,910 --> 01:36:16,639

driving and as I moved past a mountain

2059

01:36:22,810 --> 01:36:18,920

I've looked back up and the object was

2060

01:36:25,359 --> 01:36:22,820

now on a different Mountain and I just

2061

01:36:27,729 --> 01:36:25,369

thought okay that is really bizarre so I

2062

01:36:29,620 --> 01:36:27,739

did what every good investigator would

2063

01:36:31,299 --> 01:36:29,630

do and in fact I wasn't a MUFON

2064

01:36:34,510 --> 01:36:31,309

investigator then but you know I went

2065

01:36:37,689 --> 01:36:34,520

and got a taco or a burrito or something

2066

01:36:40,569 --> 01:36:37,699

and then I came home and and I was

2067

01:36:42,250 --> 01:36:40,579

outside just watching a lightning storm

2068

01:36:44,709 --> 01:36:42,260

and trying to take some photographs of

2069

01:36:46,899 --> 01:36:44,719

it thinking that that was strange I'm

2070

01:36:49,540 --> 01:36:46,909

gonna write it off and I looked up the

2071

01:36:52,660 --> 01:36:49,550

mountain straight up from me and I could

2072

01:36:55,180 --> 01:36:52,670

see that object and another object and

2073

01:36:57,879 --> 01:36:55,190

they were right there and I got I was I

2074

01:37:01,060 --> 01:36:57,889

will say that I was at that point very

2075

01:37:05,799 --> 01:37:01,070

unnerved and I did take a couple

2076

01:37:07,839 --> 01:37:05,809

pictures of those objects and I I went

2077

01:37:10,120 --> 01:37:07,849

home and or I went into my house and I

2078

01:37:12,850 --> 01:37:10,130

called my friend and I just said I'm

2079

01:37:14,470 --> 01:37:12,860

afraid you've got to calm me down

2080

01:37:18,100 --> 01:37:14,480

talk to me off the ledge I don't want to

2081

01:37:20,140 --> 01:37:18,110

go to bed tonight and yeah that was that

2082

01:37:24,040 --> 01:37:20,150

was an interesting experience and then

2083

01:37:26,770 --> 01:37:24,050

to top it off not to be you know reading

2084

01:37:30,189 --> 01:37:26,780

too much into this but I didn't sleep

2085

01:37:32,680 --> 01:37:30,199

well that night I left for work the next

2086

01:37:35,589 --> 01:37:32,690

day and I was driving out of my little

2087

01:37:36,850 --> 01:37:35,599

area and a black unmarked helicopter

2088

01:37:39,339 --> 01:37:36,860

flew

2089

01:37:40,689 --> 01:37:39,349

right over the top of my car and it

2090

01:37:43,419 --> 01:37:40,699

scared me to death

2091

01:37:46,810 --> 01:37:43,429

it was I've never had an experience like

2092

01:37:48,879 --> 01:37:46,820

that so it was it was 24 hours of some

2093

01:37:50,890 --> 01:37:48,889

really intense things and whether

2094

01:37:53,020 --> 01:37:50,900

they're related whether I was reading

2095

01:37:55,930 --> 01:37:53,030

too much into things I don't know but it

2096

01:37:57,939 --> 01:37:55,940

was definitely that was a series of odd

2097

01:38:00,010 --> 01:37:57,949

events Wow

2098

01:38:01,390 --> 01:38:00,020

the organizer of this is a question on

2099

01:38:04,839 --> 01:38:01,400

the message board the organizer of

2100

01:38:07,510 --> 01:38:04,849

Project orange orange has a theory on

2101

01:38:14,319 --> 01:38:07,520

what the orbs are do you agree or

2102

01:38:17,640 --> 01:38:14,329

disagree you know I my gosh I think that

2103

01:38:21,220 --> 01:38:17,650

I do agree and if you're talking about

2104

01:38:24,010 --> 01:38:21,230

the you know the organizer I put the

2105

01:38:27,729 --> 01:38:24,020

research project together and I enlisted

2106

01:38:30,129 --> 01:38:27,739

the help of Terry ray because I heard

2107

01:38:34,030 --> 01:38:30,139

him lecture and I knew about his book

2108

01:38:36,100 --> 01:38:34,040

and I just knew I needed him to be a

2109

01:38:38,379 --> 01:38:36,110

part of this and so Terry and I reached

2110

01:38:41,379 --> 01:38:38,389

out to robert spearing who had also done

2111

01:38:45,220 --> 01:38:41,389

a lot of research terry believes that

2112

01:38:50,109 --> 01:38:45,230

these entities are you know obviously

2113

01:38:52,450 --> 01:38:50,119

intuitive not from here I have to say

2114

01:38:56,549 --> 01:38:52,460

that I am inclined to believe that as

2115

01:38:59,430 --> 01:38:56,559

well mmm about these are intelligent

2116

01:39:03,850 --> 01:38:59,440

they are intelligently controlled

2117

01:39:06,819 --> 01:39:03,860

objects but well just I guess we will

2118

01:39:09,129 --> 01:39:06,829

just let the data speak and we'll try to

2119

01:39:13,990 --> 01:39:09,139

find out as much as we can and and

2120

01:39:15,250 --> 01:39:14,000

educate the public as we do that let's

2121

01:39:19,419 --> 01:39:15,260

see up on the message board do you ever

2122

01:39:21,430 --> 01:39:19,429

have dreams about UFOs I think that I'd

2123

01:39:23,319 --> 01:39:21,440

I have lots of dreams about UFOs and I

2124

01:39:26,280 --> 01:39:23,329

have oh I've always had really vivid

2125

01:39:30,910 --> 01:39:26,290

dreams it's that only child thing but i

2126

01:39:34,089 --> 01:39:30,920

yeah i have and i think i think dreams

2127

01:39:35,649 --> 01:39:34,099

are so cool they're so fascinating and

2128

01:39:37,510 --> 01:39:35,659

lots of times I'll write down my dreams

2129

01:39:40,510 --> 01:39:37,520

I like to dream journal

2130

01:39:43,540 --> 01:39:40,520

you know I until we started talking

2131

01:39:47,410 --> 01:39:43,550

about this I forgot all about but I've

2132

01:39:50,250 --> 01:39:47,420

had like a repeat dream that I look up

2133

01:39:54,390 --> 01:39:50,260

in the sky and see

2134

01:39:56,910 --> 01:39:54,400

like hundreds of UFOs and they're like

2135

01:39:58,530 --> 01:39:56,920

wow what are we gonna do you know are we

2136

01:40:00,480 --> 01:39:58,540

being invaded you know that type of

2137

01:40:04,740 --> 01:40:00,490

dream I've had that in a few different

2138

01:40:07,380 --> 01:40:04,750

ways and it's I'm never feeling good at

2139

01:40:10,280 --> 01:40:07,390

the time in the dream no oh my gosh

2140

01:40:13,470 --> 01:40:10,290

it's rather nerve-wracking wracking I

2141

01:40:16,800 --> 01:40:13,480

really when I had I had a brief citing I

2142

01:40:19,200 --> 01:40:16,810

should say and when I had that I I never

2143

01:40:21,720 --> 01:40:19,210

had any fear there was no fear involved

2144

01:40:25,340 --> 01:40:21,730

it was just like what does the hack

2145

01:40:28,170 --> 01:40:25,350

that's I don't know how to describe it

2146

01:40:30,390 --> 01:40:28,180

that's good you know because I I work I

2147

01:40:34,680 --> 01:40:30,400

just was asked to be on the abduction

2148

01:40:37,380 --> 01:40:34,690

research team for MUFON and boy a

2149

01:40:42,720 --> 01:40:37,390

majority of these people that have had

2150

01:40:45,120 --> 01:40:42,730

experiences are very terrified so if we

2151
01:40:48,960 --> 01:40:45,130
can have you know nice experiences

2152
01:40:51,480 --> 01:40:48,970
that's great mm-hmm yeah exactly

2153
01:40:55,290 --> 01:40:51,490
now speaking of experiences and

2154
01:40:57,800 --> 01:40:55,300
experiencers what do you hear in your

2155
01:41:01,200 --> 01:40:57,810
state about people that are describing

2156
01:41:03,210 --> 01:41:01,210
abductions or is that something you

2157
01:41:05,400 --> 01:41:03,220
don't really hear about you know what we

2158
01:41:07,920 --> 01:41:05,410
don't have a lot of people that are

2159
01:41:11,280 --> 01:41:07,930
really talking openly about or filing

2160
01:41:14,160 --> 01:41:11,290
reports in Utah we have had a few that

2161
01:41:17,040 --> 01:41:14,170
have had experiences I hope that changes

2162
01:41:21,590 --> 01:41:17,050
I think with abductions people are still

2163
01:41:25,020 --> 01:41:21,600

so very scared to come forward and

2164

01:41:28,530 --> 01:41:25,030

society is not kind to people that do

2165

01:41:31,560 --> 01:41:28,540

and it I hope we can change that because

2166

01:41:38,360 --> 01:41:31,570

this is an area that needs serious

2167

01:41:41,880 --> 01:41:38,370

research as well I I do yeah you know I

2168

01:41:44,040 --> 01:41:41,890

had a hard time sometimes I have a hard

2169

01:41:47,160 --> 01:41:44,050

time sometimes thinking that it's as

2170

01:41:50,520 --> 01:41:47,170

vast as people are claiming it is but

2171

01:41:53,820 --> 01:41:50,530

but I don't know you know because it

2172

01:41:57,330 --> 01:41:53,830

seems like it's tens of thousands you

2173

01:41:59,940 --> 01:41:57,340

know constantly and yeah it's kind of

2174

01:42:01,620 --> 01:41:59,950

like when I was saying earlier about the

2175

01:42:03,960 --> 01:42:01,630

more you look into it the more questions

2176
01:42:04,379 --> 01:42:03,970
you would be having and why would they

2177
01:42:07,979 --> 01:42:04,389
be Jenn

2178
01:42:10,469 --> 01:42:07,989
why would they possibly follow someone

2179
01:42:11,639 --> 01:42:10,479
if they move to a different state or you

2180
01:42:14,429 --> 01:42:11,649
know I mean there's just more and more

2181
01:42:16,290 --> 01:42:14,439
and more questions there are and it was

2182
01:42:19,439 --> 01:42:16,300
it's interesting because I actually did

2183
01:42:22,739 --> 01:42:19,449
an abduction investigation up near

2184
01:42:27,029 --> 01:42:22,749
skinwalker ranch and it was three

2185
01:42:29,759 --> 01:42:27,039
generations in a family that was and the

2186
01:42:32,279 --> 01:42:29,769
grandmother was in her 90s and started

2187
01:42:38,520 --> 01:42:32,289
having experiences when she was five

2188
01:42:41,219 --> 01:42:38,530

years old that was fascinating and with

2189

01:42:44,299 --> 01:42:41,229

with this type of thing this is you have

2190

01:42:47,689 --> 01:42:44,309

to listen to the witness and basically

2191

01:42:51,120 --> 01:42:47,699

decide whether they're there credible

2192

01:42:53,669 --> 01:42:51,130

rational human beings it's there's not a

2193

01:42:56,959 --> 01:42:53,679

lot of physical evidence to go on but we

2194

01:43:01,020 --> 01:42:56,969

can just keep studying it and and

2195

01:43:03,359 --> 01:43:01,030

hopefully learning more about abductees

2196

01:43:04,979 --> 01:43:03,369

and what the patterns are because there

2197

01:43:08,149 --> 01:43:04,989

are there patterns there as well you

2198

01:43:10,229 --> 01:43:08,159

know a lot of times you think of

2199

01:43:12,989 --> 01:43:10,239

abduction beginning with Betty and

2200

01:43:15,929 --> 01:43:12,999

Barney Hill 1961 or wherever and

2201

01:43:18,029 --> 01:43:15,939

whenever it was and but when you hear

2202

01:43:20,069 --> 01:43:18,039

you do hear about people saying yeah you

2203

01:43:22,949 --> 01:43:20,079

know this person's in their 80s or 90s

2204

01:43:27,149 --> 01:43:22,959

and they think they've been having this

2205

01:43:29,279 --> 01:43:27,159

experience and you know someone looking

2206

01:43:31,739 --> 01:43:29,289

at the skeptical side would say oh yeah

2207

01:43:33,689 --> 01:43:31,749

well they just passed it down you know

2208

01:43:35,250 --> 01:43:33,699

the stories down to their you know

2209

01:43:39,209 --> 01:43:35,260

children or whatever you know I'm sure

2210

01:43:43,350 --> 01:43:39,219

there's always that that side of it it's

2211

01:43:45,330 --> 01:43:43,360

another mystery yeah it is but I you

2212

01:43:48,629 --> 01:43:45,340

know and there are always people to that

2213

01:43:51,629 --> 01:43:48,639

and this is very very few people but

2214

01:43:52,979 --> 01:43:51,639

people that want attention and you know

2215

01:43:55,080 --> 01:43:52,989

but that doesn't happen very often

2216

01:43:57,929 --> 01:43:55,090

because at the end of the day who wants

2217

01:43:58,819 --> 01:43:57,939

that kind of attention right right

2218

01:44:01,169 --> 01:43:58,829

exactly

2219

01:44:03,319 --> 01:44:01,179

someone wants to know how you decide

2220

01:44:08,729 --> 01:44:03,329

what information is reliable and useful

2221

01:44:12,299 --> 01:44:08,739

and what is rubbish or unreliable it's a

2222

01:44:13,889 --> 01:44:12,309

lot of research it's a lot of doing you

2223

01:44:16,949 --> 01:44:13,899

know I might not when I when I get a

2224

01:44:18,220 --> 01:44:16,959

case I will look to multiple sources so

2225

01:44:22,479 --> 01:44:18,230

I'm checking different date

2226

01:44:26,560 --> 01:44:22,489

basses I'm also looking at the sighting

2227

01:44:28,420 --> 01:44:26,570

and reaching out to other state

2228

01:44:31,750 --> 01:44:28,430

directors or field investigators that

2229

01:44:33,850 --> 01:44:31,760

have had similar case reports so I'm

2230

01:44:35,920 --> 01:44:33,860

doing that and then you know you have to

2231

01:44:38,560 --> 01:44:35,930

look at the weather data you have to

2232

01:44:41,380 --> 01:44:38,570

make sure you are checking to see if

2233

01:44:43,120 --> 01:44:41,390

it's not a man-made object you know

2234

01:44:46,200 --> 01:44:43,130

there's so many things that go into it

2235

01:44:49,570 --> 01:44:46,210

and then also there is a sense of

2236

01:44:52,630 --> 01:44:49,580

intuition is this person you know you

2237

01:44:55,780 --> 01:44:52,640

can you get pretty good at discerning

2238

01:44:57,910 --> 01:44:55,790

somebody's character is this a hoax you

2239

01:45:00,190 --> 01:44:57,920

know it's if there's a lot of things

2240

01:45:02,680 --> 01:45:00,200

that go into being a good investigator

2241

01:45:04,510 --> 01:45:02,690

and I am still learning as much as I can

2242

01:45:06,370 --> 01:45:04,520

from all of the people that have been

2243

01:45:08,229 --> 01:45:06,380

doing this for much longer than I have

2244

01:45:11,020 --> 01:45:08,239

yeah I'm sure that's a big part of it is

2245

01:45:14,740 --> 01:45:11,030

learning from those who started before

2246

01:45:18,130 --> 01:45:14,750

you I wouldn't think that there would be

2247

01:45:21,010 --> 01:45:18,140

a high amount of hoaxes as far as people

2248

01:45:26,860 --> 01:45:21,020

calling in reports is that is that true

2249

01:45:28,780 --> 01:45:26,870

or not I have not seen a lot yeah so I

2250

01:45:32,260 --> 01:45:28,790

it's a kind of a time-consuming process

2251

01:45:34,330 --> 01:45:32,270

to file a report right and to go through

2252

01:45:36,670 --> 01:45:34,340

all that so I don't know but I'm sure

2253

01:45:38,830 --> 01:45:36,680

you do get people I haven't had not I

2254

01:45:40,540 --> 01:45:38,840

have not had a case in Utah where

2255

01:45:43,990 --> 01:45:40,550

somebody has been hoaxing something I'm

2256

01:45:45,720 --> 01:45:44,000

sure it will come up but - if you're

2257

01:45:48,490 --> 01:45:45,730

that bored I don't know what to tell you

2258

01:45:51,130 --> 01:45:48,500

well get a life may be speaking with

2259

01:45:53,290 --> 01:45:51,140

Peter Davenport he does you know get

2260

01:45:55,390 --> 01:45:53,300

some Collins but when it you're right

2261

01:45:57,160 --> 01:45:55,400

when it comes to actually writing a

2262

01:46:00,490 --> 01:45:57,170

report who's gonna who's gonna take the

2263

01:46:01,900 --> 01:46:00,500

time in energy you know people are only

2264

01:46:04,450 --> 01:46:01,910

going to do something like that if they

2265

01:46:07,180 --> 01:46:04,460

can get a lot of hits on YouTube by

2266

01:46:08,890 --> 01:46:07,190

creating you know a hoax video third

2267

01:46:13,990 --> 01:46:08,900

phase of the Moon I'm gonna put that out

2268

01:46:20,380 --> 01:46:14,000

there oh come on now yeah say it ain't

2269

01:46:23,700 --> 01:46:20,390

so yeah well yeah yeah there's there's

2270

01:46:25,390 --> 01:46:23,710

part of that that but for the most part

2271

01:46:28,150 --> 01:46:25,400

someone's not going to put the energy

2272

01:46:31,090 --> 01:46:28,160

into it but one of the things that does

2273

01:46:35,140 --> 01:46:31,100

come up a lot is

2274

01:46:37,300 --> 01:46:35,150

you know drones and Chinese later and

2275

01:46:39,910 --> 01:46:37,310

those are the two things that we really

2276

01:46:43,060 --> 01:46:39,920

as people out there are investigating

2277

01:46:44,920 --> 01:46:43,070

they really have to discern what a

2278

01:46:48,040 --> 01:46:44,930

witness is saying when it comes to these

2279

01:46:51,130 --> 01:46:48,050

things you know they do but I will say

2280

01:46:54,610 --> 01:46:51,140

since this is a passion of mine that I

2281

01:46:57,610 --> 01:46:54,620

do believe people are unfortunately

2282

01:46:59,230 --> 01:46:57,620

jumping to the conclusion that things

2283

01:47:02,770 --> 01:46:59,240

are Chinese lanterns and they are

2284

01:47:05,620 --> 01:47:02,780

missing really really good cases Chinese

2285

01:47:09,000 --> 01:47:05,630

lanterns obviously you know follow the

2286

01:47:11,470 --> 01:47:09,010

wind currents they don't last very long

2287

01:47:13,060 --> 01:47:11,480

they you know they're all sorts of

2288

01:47:13,810 --> 01:47:13,070

telltale signs but it's a Chinese

2289

01:47:16,270 --> 01:47:13,820

lantern

2290

01:47:18,130 --> 01:47:16,280

most states have banned the use of

2291

01:47:23,260 --> 01:47:18,140

Chinese lanterns because of the fire

2292

01:47:25,960 --> 01:47:23,270

hazards right so you know I think I

2293

01:47:28,840 --> 01:47:25,970

think that those the Chinese lantern

2294

01:47:34,330 --> 01:47:28,850

theory hopefully with the project orange

2295

01:47:36,510 --> 01:47:34,340

will maybe not become as easy of an out

2296

01:47:39,670 --> 01:47:36,520

for people

2297

01:47:43,300 --> 01:47:39,680

what about drones do you ever get any of

2298

01:47:45,460 --> 01:47:43,310

that through through your state you know

2299

01:47:48,250 --> 01:47:45,470

I have a new person that is training to

2300

01:47:51,520 --> 01:47:48,260

be a field investigator and and he has

2301

01:47:53,230 --> 01:47:51,530

worked for the military and I asked him

2302

01:47:54,460 --> 01:47:53,240

that very thing because of the sightings

2303

01:47:58,990 --> 01:47:54,470

that we've had over the Salt Lake Valley

2304

01:48:01,480 --> 01:47:59,000

and he he he said that it is it

2305

01:48:04,090 --> 01:48:01,490

absolutely will not happen at the

2306

01:48:07,540 --> 01:48:04,100

military it is illegal to fly drones

2307

01:48:09,490 --> 01:48:07,550

here and I asked him well you know we've

2308

01:48:12,040 --> 01:48:09,500

got these sightings over the valley

2309

01:48:16,200 --> 01:48:12,050

would the military be testing anything

2310

01:48:18,910 --> 01:48:16,210

over populated areas absolutely not

2311

01:48:22,870 --> 01:48:18,920

right so you know that there goes that

2312

01:48:25,810 --> 01:48:22,880

if it's it's yeah what I've seen is not

2313

01:48:29,800 --> 01:48:25,820

a drone and and I would think that

2314

01:48:31,390 --> 01:48:29,810

that's yeah you know I don't think

2315

01:48:33,970 --> 01:48:31,400

that's what a majority of these people

2316

01:48:36,310 --> 01:48:33,980

are seeing now there are you know the

2317

01:48:39,420 --> 01:48:36,320

personal drones the little you know the

2318

01:48:41,740 --> 01:48:39,430

little four bladed ones that you can

2319

01:48:44,070 --> 01:48:41,750

activate off your cell phone stuff like

2320

01:48:46,020 --> 01:48:44,080

that I'm sure that there's

2321

01:48:48,060 --> 01:48:46,030

a lot of things being seen out there but

2322

01:48:49,980 --> 01:48:48,070

mostly those type of things are more in

2323

01:48:53,010 --> 01:48:49,990

populated areas that they're being used

2324

01:48:55,970 --> 01:48:53,020

or there's actually some film drones now

2325

01:48:59,910 --> 01:48:55,980

I don't know what's legal and illegal to

2326

01:49:02,400 --> 01:48:59,920

use I'm sure it has to do with probably

2327

01:49:04,260 --> 01:49:02,410

size perhaps or where they're being

2328

01:49:06,840 --> 01:49:04,270

flown I don't know any of the

2329

01:49:08,690 --> 01:49:06,850

regulations I have to tie have to tell

2330

01:49:12,030 --> 01:49:08,700

you a funny story I have a neighbor who

2331

01:49:14,640 --> 01:49:12,040

has a drone and it's really really super

2332

01:49:17,940 --> 01:49:14,650

cool and he is a photographer so he'll

2333

01:49:21,540 --> 01:49:17,950

use it for that and and I he knew I was

2334

01:49:25,320 --> 01:49:21,550

having a little MUFON meeting here oh oh

2335

01:49:27,180 --> 01:49:25,330

and so this is the best story ever but

2336

01:49:29,010 --> 01:49:27,190

we were all sitting on the back deck and

2337

01:49:32,250 --> 01:49:29,020

you know we're quietly telling these

2338

01:49:35,130 --> 01:49:32,260

stories and it's intense and and all of

2339

01:49:38,790 --> 01:49:35,140

a sudden my neighbor flies its drone

2340

01:49:41,820 --> 01:49:38,800

right over the patio and just to see the

2341

01:49:44,550 --> 01:49:41,830

look on people's faces it was the

2342

01:49:46,290 --> 01:49:44,560

funniest like two minutes of my life and

2343

01:49:48,840 --> 01:49:46,300

I'm pretty sure that he had a camera on

2344

01:49:54,540 --> 01:49:48,850

the drone and I'm sure he was over in

2345

01:49:56,280 --> 01:49:54,550

his driveway just laughing it was funny

2346

01:50:00,360 --> 01:49:56,290

well it's little things in life that

2347

01:50:03,480 --> 01:50:00,370

make you happy so yeah yeah now going

2348

01:50:06,000 --> 01:50:03,490

back to MUFON you're the director

2349

01:50:08,460 --> 01:50:06,010

there's only eight eight or so sightings

2350

01:50:10,580 --> 01:50:08,470

a month that are reported

2351

01:50:14,270 --> 01:50:10,590

how many investigators are in the state

2352

01:50:17,400 --> 01:50:14,280

we have right now we have got five

2353

01:50:19,500 --> 01:50:17,410

investigators but we still need more and

2354

01:50:21,990 --> 01:50:19,510

even though we only have eight sightings

2355

01:50:24,210 --> 01:50:22,000

there's so much that we could be doing

2356

01:50:27,150 --> 01:50:24,220

in the meantime you know we have to go

2357

01:50:29,580 --> 01:50:27,160

out and talk to law enforcement and

2358

01:50:32,100 --> 01:50:29,590

build relationships with them so we can

2359

01:50:35,640 --> 01:50:32,110

get information we do have reports of

2360

01:50:39,300 --> 01:50:35,650

cattle mutilations consistently in some

2361

01:50:42,030 --> 01:50:39,310

of these areas like the Uintah Basin so

2362

01:50:45,030 --> 01:50:42,040

all sorts of stuff can be done and we

2363

01:50:47,580 --> 01:50:45,040

did have on October 2nd of last year we

2364

01:50:51,390 --> 01:50:47,590

had a mass sighting here and in Colorado

2365

01:50:53,760 --> 01:50:51,400

and that was that made national news

2366

01:50:56,730 --> 01:50:53,770

that was a pretty big deal so that is

2367

01:50:57,840 --> 01:50:56,740

still being investigated at least here

2368

01:51:00,750 --> 01:50:57,850

in Utah

2369

01:51:04,320 --> 01:51:00,760

the theory was for a while that they

2370

01:51:06,120 --> 01:51:04,330

were Google loon balloons but my

2371

01:51:08,940 --> 01:51:06,130

thoughts on that have been there was no

2372

01:51:12,360 --> 01:51:08,950

transponder data and these objects were

2373

01:51:14,450 --> 01:51:12,370

seen over the NSA which is the most

2374

01:51:17,160 --> 01:51:14,460

highly restricted airspace in the world

2375

01:51:19,080 --> 01:51:17,170

over populated areas and in a flight

2376

01:51:22,230 --> 01:51:19,090

corridor for the Salt Lake International

2377

01:51:26,040 --> 01:51:22,240

Airport which would be a huge safety

2378

01:51:28,350 --> 01:51:26,050

concern so lots of things weren't adding

2379

01:51:30,630 --> 01:51:28,360

up the fact that these objects were

2380

01:51:35,340 --> 01:51:30,640

stationary for over an hour at a time

2381

01:51:37,770 --> 01:51:35,350

and then moved incredibly quickly it was

2382

01:51:42,420 --> 01:51:37,780

it's it was it's a great case so I have

2383

01:51:45,420 --> 01:51:42,430

made a FOIA request I have twice from

2384

01:51:49,650 --> 01:51:45,430

the FAA received data that it is

2385

01:51:52,710 --> 01:51:49,660

unreadable so maybe at some point in

2386

01:51:56,430 --> 01:51:52,720

time we'll get the information but on my

2387

01:51:59,120 --> 01:51:56,440

in Utah that is still a big question

2388

01:52:02,700 --> 01:51:59,130

mark now how many people would you say

2389

01:52:06,120 --> 01:52:02,710

witness that approximately oh boy you

2390

01:52:09,180 --> 01:52:06,130

know I would say in Utah there were at

2391

01:52:11,120 --> 01:52:09,190

least a hundred people I mean we had I

2392

01:52:15,480 --> 01:52:11,130

started getting calls from the media

2393

01:52:17,190 --> 01:52:15,490

that afternoon and and Fox 13 News just

2394

01:52:19,320 --> 01:52:17,200

said hey you know what's going on our

2395

01:52:21,750 --> 01:52:19,330

message boards on Facebook are lighting

2396

01:52:23,910 --> 01:52:21,760

up or getting phone calls people all

2397

01:52:25,260 --> 01:52:23,920

over the Salt Lake Valley or are seeing

2398

01:52:28,710 --> 01:52:25,270

these objects and they want to know what

2399

01:52:30,690 --> 01:52:28,720

they are and at that point it was just

2400

01:52:33,060 --> 01:52:30,700

kind of scrambling and trying to figure

2401
01:52:37,350 --> 01:52:33,070
out if I could see anything on flight

2402
01:52:39,420 --> 01:52:37,360
radar and making phone calls it was

2403
01:52:43,890 --> 01:52:39,430
really great because the next day they

2404
01:52:46,740 --> 01:52:43,900
were seen in Colorado and over there

2405
01:52:49,410 --> 01:52:46,750
there were cases where these objects

2406
01:52:53,390 --> 01:52:49,420
were seen with jets pursuing them

2407
01:52:56,840 --> 01:52:53,400
military jets that's know you hear about

2408
01:52:59,970 --> 01:52:56,850
quite a bit you know I've known some

2409
01:53:02,340 --> 01:52:59,980
eyewitnesses that have had that same

2410
01:53:04,980 --> 01:53:02,350
story when up in Canada the whole party

2411
01:53:07,800 --> 01:53:04,990
a group out on his deck they all watched

2412
01:53:10,380 --> 01:53:07,810
this disc fly by with two fighter jets

2413
01:53:11,550 --> 01:53:10,390

on on its tail you know you hear about

2414

01:53:14,670 --> 01:53:11,560

that a lot and

2415

01:53:16,680 --> 01:53:14,680

just it's so curious to me why you don't

2416

01:53:19,380 --> 01:53:16,690

hear the pilots eventually talk about

2417

01:53:21,810 --> 01:53:19,390

them you know them actually doing that

2418

01:53:26,880 --> 01:53:21,820

I've never heard except for the case and

2419

01:53:29,460 --> 01:53:26,890

I wrecked our Iran back in 1974 or

2420

01:53:33,630 --> 01:53:29,470

whenever that was you don't really hear

2421

01:53:36,810 --> 01:53:33,640

about the pilots that we're pursuing you

2422

01:53:40,440 --> 01:53:36,820

don't and I think having a couple

2423

01:53:43,110 --> 01:53:40,450

friends that are actually still in the

2424

01:53:45,930 --> 01:53:43,120

service it's not anything that you talk

2425

01:53:48,080 --> 01:53:45,940

talk about because of all of the fact

2426

01:53:52,170 --> 01:53:48,090

that it's it's your risk in your career

2427

01:53:55,290 --> 01:53:52,180

and you do find commercial pilots are a

2428

01:53:57,960 --> 01:53:55,300

little bit better now at talking about

2429

01:54:00,660 --> 01:53:57,970

things but there's still a big stigma

2430

01:54:03,510 --> 01:54:00,670

there okay Erika we only have a couple

2431

01:54:06,030 --> 01:54:03,520

minutes well about a minute just over a

2432

01:54:09,710 --> 01:54:06,040

minute here but one of the questions

2433

01:54:12,780 --> 01:54:09,720

that was on the message board is do you

2434

01:54:15,780 --> 01:54:12,790

do suppose it's possible that the lack

2435

01:54:17,720 --> 01:54:15,790

of reports in your state have anything

2436

01:54:19,830 --> 01:54:17,730

to do with the religious beliefs that

2437

01:54:22,530 --> 01:54:19,840

thought has crossed my mind that's a

2438

01:54:26,070 --> 01:54:22,540

great question I think that there might

2439

01:54:27,660 --> 01:54:26,080

be some correlation but I think it

2440

01:54:29,220 --> 01:54:27,670

honestly the end of the day it's just

2441

01:54:33,120 --> 01:54:29,230

the fact that people don't know where to

2442

01:54:34,980 --> 01:54:33,130

go to report it and when I have had case

2443

01:54:38,490 --> 01:54:34,990

reports there have been people that have

2444

01:54:40,100 --> 01:54:38,500

been of the predominant faith and so I

2445

01:54:43,250 --> 01:54:40,110

don't I don't know it's a great question

2446

01:54:48,570 --> 01:54:43,260

but I'll keep you posted on that

2447

01:54:52,800 --> 01:54:48,580

yeah you know that often often I would

2448

01:54:54,360 --> 01:54:52,810

imagine does have we have something

2449

01:55:00,360 --> 01:54:54,370

about this a total different message

2450

01:55:02,790 --> 01:55:00,370

board from my from my producer coming up

2451
01:55:05,130 --> 01:55:02,800
an update from Richard C Hoagland on

2452
01:55:07,890 --> 01:55:05,140
today's released image of Pluto on sky

2453
01:55:10,860 --> 01:55:07,900
watchers radio that's next right after

2454
01:55:12,540 --> 01:55:10,870
this show we have I think that's going

2455
01:55:14,880 --> 01:55:12,550
to wrap it up for us Erica how do you

2456
01:55:17,910 --> 01:55:14,890
have a website you know it is the UFO

2457
01:55:21,300 --> 01:55:17,920
audit calm and then I'm on Facebook and

2458
01:55:22,380 --> 01:55:21,310
you can go to the UFO audit I'm sorry to

2459
01:55:24,680 --> 01:55:22,390
do this but I'm gonna have to cut too

2460
01:55:25,729 --> 01:55:24,690
short this is Martin Willis

2461
01:55:27,380 --> 01:55:25,739
and I want to thank everyone for

2462
01:55:30,470 --> 01:55:27,390
listening to the show I want to thank

2463
01:55:32,540 --> 01:55:30,480

Keith for producing the show Peggy for

2464

01:55:35,630 --> 01:55:32,550

our Facebook page our guests of course

2465

01:55:36,920 --> 01:55:35,640

Erika Luke's and Thank You the list of

2466

01:55:38,840 --> 01:55:36,930

the most important part of the show

2467

01:55:41,420 --> 01:55:38,850

we'll see you next week right here on
