

1  
00:00:04,400 --> 00:00:02,629  
and it hits me oh my gosh this is that

2  
00:00:05,599 --> 00:00:04,410  
triangle you know there's explanation

3  
00:00:07,849 --> 00:00:05,609  
for everything that occurred in the

4  
00:00:10,310 --> 00:00:07,859  
rendlesham forest incident it involved

5  
00:00:13,669 --> 00:00:10,320  
aliens at all it was completely silent

6  
00:00:16,939 --> 00:00:13,679  
it comes right over our heads it's so

7  
00:00:18,560 --> 00:00:16,949  
epic he's also really standing in the

8  
00:00:20,240 --> 00:00:18,570  
clearing he turned over to my father

9  
00:00:26,060 --> 00:00:20,250  
held his hand and he looked in his eyes

10  
00:00:29,359 --> 00:00:26,070  
and said we're not alone welcome to

11  
00:00:31,279 --> 00:00:29,369  
Podcast UFO for our live show we're live

12  
00:00:33,830 --> 00:00:31,289  
every wednesday at eight pm eastern

13  
00:00:36,049 --> 00:00:33,840

standard time on the Dark Matter radio

14

00:00:39,470 --> 00:00:36,059

network please remember to visit the

15

00:00:42,650 --> 00:00:39,480

website podcast UFO calm for past

16

00:00:44,660 --> 00:00:42,660

episodes blogs and forums during the

17

00:00:47,150 --> 00:00:44,670

show feel free to participate live in

18

00:00:49,869 --> 00:00:47,160

our chat room and don't forget to Like

19

00:00:52,760 --> 00:00:49,879

us on our very active Facebook page

20

00:00:55,130 --> 00:00:52,770

hello and welcome to the show I am

21

00:00:58,040 --> 00:00:55,140

Martin Willis your host we don't have

22

00:01:00,470 --> 00:00:58,050

alejandro rojas with us this week you

23

00:01:04,399 --> 00:01:00,480

know why because he and I recorded a

24

00:01:08,359 --> 00:01:04,409

full hour of news and that's on open

25

00:01:11,510 --> 00:01:08,369

minds TV or you can listen right on our

26  
00:01:13,429 --> 00:01:11,520  
website which is podcast UFO calm right

27  
00:01:16,700 --> 00:01:13,439  
in our show notes we have an mp3 player

28  
00:01:19,990 --> 00:01:16,710  
and it's an entire hour of news so no

29  
00:01:23,840 --> 00:01:20,000  
news for this show the first ror we have

30  
00:01:25,969 --> 00:01:23,850  
gerard artson coming up now Gerard lives

31  
00:01:27,950 --> 00:01:25,979  
in Amsterdam so I had to do a pre record

32  
00:01:31,249 --> 00:01:27,960  
but don't fear I will be in the chat

33  
00:01:33,499 --> 00:01:31,259  
room while this is going on live and the

34  
00:01:36,230 --> 00:01:33,509  
book that drew I wrote was here to help

35  
00:01:38,240 --> 00:01:36,240  
UFOs on the space brothers and a lot of

36  
00:01:40,460 --> 00:01:38,250  
that's based on contactees and we have a

37  
00:01:42,850 --> 00:01:40,470  
i would say an interesting discussion

38  
00:01:45,830 --> 00:01:42,860

about that and some of the contactees

39

00:01:48,230 --> 00:01:45,840

thoughts and theories well about three

40

00:01:52,100 --> 00:01:48,240

quarters of the way in our one we have

41

00:01:55,010 --> 00:01:52,110

grant Cameron coming on grant will be at

42

00:01:57,380 --> 00:01:55,020

the experience to speak coming up in a

43

00:01:59,450 --> 00:01:57,390

few weeks and he has written a book

44

00:02:01,069 --> 00:01:59,460

recently alien bedtime stories I got to

45

00:02:03,580 --> 00:02:01,079

talk to him about that we're going to be

46

00:02:07,639 --> 00:02:03,590

talking about wilbert Smith and more and

47

00:02:11,180 --> 00:02:07,649

that will go into the last part of our

48

00:02:13,520 --> 00:02:11,190

one and into our to now we have a lot of

49

00:02:16,130 --> 00:02:13,530

new live listeners I want to welcome you

50

00:02:18,590 --> 00:02:16,140

and that's all due to Art Bell being

51  
00:02:20,900 --> 00:02:18,600  
back and because of that I'm getting a

52  
00:02:23,630 --> 00:02:20,910  
ton of email and I encourage email and

53  
00:02:26,270 --> 00:02:23,640  
anyone can write me at Martin at podcast

54  
00:02:28,699 --> 00:02:26,280  
UFO calm it's kind of funny some email

55  
00:02:30,920 --> 00:02:28,709  
comes to me saying they don't like a

56  
00:02:32,270 --> 00:02:30,930  
certain thing that I do like in other

57  
00:02:34,520 --> 00:02:32,280  
words they don't like the fact that I

58  
00:02:36,800 --> 00:02:34,530  
let guests talk you know about what they

59  
00:02:39,620 --> 00:02:36,810  
want to talk about I don't steer them

60  
00:02:41,780 --> 00:02:39,630  
and then I have similar emails coming in

61  
00:02:43,970 --> 00:02:41,790  
saying they like that because I don't do

62  
00:02:46,520 --> 00:02:43,980  
that but everyone has their own style if

63  
00:02:49,040 --> 00:02:46,530

you listen to any shows here on the Dark

64

00:02:50,960 --> 00:02:49,050

Matter digital network there's some

65

00:02:53,000 --> 00:02:50,970

great shows here and you'll hear

66

00:02:54,949 --> 00:02:53,010

everybody has their own style and where

67

00:02:57,710 --> 00:02:54,959

I'm definitely not art bell I think he's

68

00:02:59,960 --> 00:02:57,720

the best again Alejandro is not on and

69

00:03:02,600 --> 00:02:59,970

he is on vacation next week so you won't

70

00:03:04,490 --> 00:03:02,610

hear him next week either but I want to

71

00:03:06,140 --> 00:03:04,500

thank everyone that supports the show

72

00:03:08,360 --> 00:03:06,150

now if you're not listening live and you

73

00:03:11,090 --> 00:03:08,370

want to listen to the podcast all you

74

00:03:13,309 --> 00:03:11,100

have to do is go to podcast UFO calm on

75

00:03:15,650 --> 00:03:13,319

the sidebar you'll see you can support

76

00:03:18,380 --> 00:03:15,660

the show for only a dollar per month or

77

00:03:21,350 --> 00:03:18,390

more to listen to the entire show first

78

00:03:23,660 --> 00:03:21,360

hour was always free and you know you

79

00:03:26,660 --> 00:03:23,670

get a special link that will go into any

80

00:03:29,390 --> 00:03:26,670

media player and it's a cinch to set up

81

00:03:31,160 --> 00:03:29,400

an iphone as well now again if you're

82

00:03:33,069 --> 00:03:31,170

listening live or if you're listening at

83

00:03:36,710 --> 00:03:33,079

all I appreciate every single one of you

84

00:03:38,600 --> 00:03:36,720

so I've done enough blabbering and we

85

00:03:41,420 --> 00:03:38,610

are ready to get started with our first

86

00:03:44,060 --> 00:03:41,430

guest Gerard arts and again this is

87

00:04:07,470 --> 00:03:44,070

pre-recorded but no fears i will be in

88

00:04:15,850 --> 00:04:13,210

alright i am recording to amsterdam

89

00:04:18,789 --> 00:04:15,860

actually right now with gerard artson

90

00:04:21,310 --> 00:04:18,799

how are you Gerard I'm very well thank

91

00:04:24,790 --> 00:04:21,320

you martin how you i'm doing great and

92

00:04:27,550 --> 00:04:24,800

you have a book with a actually an

93

00:04:29,409 --> 00:04:27,560

amazing title and i was really looking

94

00:04:32,920 --> 00:04:29,419

forward to speak speaking to you and

95

00:04:35,380 --> 00:04:32,930

it's here to help UFOs and space and the

96

00:04:39,100 --> 00:04:35,390

space brothers first of all i would like

97

00:04:41,560 --> 00:04:39,110

to ask you to share your reason for

98

00:04:43,240 --> 00:04:41,570

getting interested in this topic to

99

00:04:46,390 --> 00:04:43,250

begin with I don't care if it goes all

100

00:04:51,520 --> 00:04:46,400

the way back to childhood well it does

101  
00:04:55,630 --> 00:04:51,530  
go back a fairly long way my background

102  
00:04:59,380 --> 00:04:55,640  
is that of student of the aces wisdom

103  
00:05:03,270 --> 00:04:59,390  
teaching and the asus wisdom teaching is

104  
00:05:06,990 --> 00:05:03,280  
the teaching that has been given since

105  
00:05:10,540 --> 00:05:07,000  
1875 by people such as Helena Blavatsky

106  
00:05:13,960 --> 00:05:10,550  
from the teeth or Theosophical Society

107  
00:05:16,510 --> 00:05:13,970  
Alison Bailey and the early 19th century

108  
00:05:21,130 --> 00:05:16,520  
first half of the 19th early 20th

109  
00:05:24,580 --> 00:05:21,140  
century and later Benjamin Graham and my

110  
00:05:27,580 --> 00:05:24,590  
III had been reading George Adamski's

111  
00:05:30,280 --> 00:05:27,590  
books at the fairly young age around 18

112  
00:05:33,070 --> 00:05:30,290  
or 19 and lots of erich von daniken's

113  
00:05:35,880 --> 00:05:33,080

books but much later in life i

114

00:05:40,810 --> 00:05:35,890

discovered a direct connection between

115

00:05:43,270 --> 00:05:40,820

the stories the information coming from

116

00:05:46,030 --> 00:05:43,280

the early contactees and these wisdom

117

00:05:48,490 --> 00:05:46,040

teachings in the form of george

118

00:05:49,870 --> 00:05:48,500

Adamski's first book wisdom of the

119

00:05:51,520 --> 00:05:49,880

teachings of the modern the wisdom of

120

00:05:53,830 --> 00:05:51,530

the masses of the Far East which he

121

00:05:57,520 --> 00:05:53,840

published in 1936 so there was well

122

00:06:00,970 --> 00:05:57,530

before his first book about flying

123

00:06:03,160 --> 00:06:00,980

saucers so that's where that's

124

00:06:07,570 --> 00:06:03,170

where my interest in the subject comes

125

00:06:09,640 --> 00:06:07,580

from and the I my first publication was

126

00:06:13,810 --> 00:06:09,650

a book about George Adamski a herald for

127

00:06:17,710 --> 00:06:13,820

the space brothers and since writing

128

00:06:20,890 --> 00:06:17,720

that I think did it in 2010 i came

129

00:06:24,850 --> 00:06:20,900

across so much more information from so

130

00:06:28,510 --> 00:06:24,860

many other of the early contactees that

131

00:06:31,450 --> 00:06:28,520

chime in with chimes in with these

132

00:06:34,060 --> 00:06:31,460

teachings that are culminating in this

133

00:06:36,160 --> 00:06:34,070

time in you know in the crisis that we

134

00:06:39,310 --> 00:06:36,170

see in the world and the changes that we

135

00:06:41,620 --> 00:06:39,320

need in the world that i decided to

136

00:06:44,140 --> 00:06:41,630

write here to help you if i was in the

137

00:06:46,210 --> 00:06:44,150

space brothers well now we have a

138

00:06:49,380 --> 00:06:46,220

regular listener I'm sure he's going to

139

00:06:52,950 --> 00:06:49,390

be listening to this that actually met

140

00:06:56,530 --> 00:06:52,960

George Adamski and a few other of the

141

00:07:00,820 --> 00:06:56,540

the other George Van Tassel I'm a desk

142

00:07:04,270 --> 00:07:00,830

so yeah and actually he says that they

143

00:07:07,600 --> 00:07:04,280

actually admitted directly to him that

144

00:07:13,170 --> 00:07:07,610

they were making this stuff up have you

145

00:07:16,930 --> 00:07:13,180

ever heard that I've heard it before and

146

00:07:21,780 --> 00:07:16,940

I think you know some of the contactees

147

00:07:25,270 --> 00:07:21,790

may have made statements to that effect

148

00:07:29,140 --> 00:07:25,280

when you know for whatever reason but

149

00:07:32,890 --> 00:07:29,150

I've done so much research and I've seen

150

00:07:35,500 --> 00:07:32,900

so many accounts including research from

151  
00:07:36,910 --> 00:07:35,510  
fellow author from the UK Timothy good I

152  
00:07:42,040 --> 00:07:36,920  
don't know if you're familiar with his

153  
00:07:44,140 --> 00:07:42,050  
work I got had again aha yes and in his

154  
00:07:47,380 --> 00:07:44,150  
book I believe it's a call is the one

155  
00:07:50,950 --> 00:07:47,390  
called alien base he also writes that

156  
00:07:54,280 --> 00:07:50,960  
there's actually this was just before

157  
00:07:57,280 --> 00:07:54,290  
the millennium changed the millennium he

158  
00:07:59,950 --> 00:07:57,290  
wrote that at this time you know much of

159  
00:08:02,170 --> 00:07:59,960  
George Adamski the information is even

160  
00:08:06,730 --> 00:08:02,180  
more relevant than it was back in the

161  
00:08:10,060 --> 00:08:06,740  
50s so you know I have no doubt so that

162  
00:08:12,960 --> 00:08:10,070  
what George Adamski had been lecturing

163  
00:08:14,390 --> 00:08:12,970

on writing about speaking about is

164

00:08:17,330 --> 00:08:14,400

exactly what he

165

00:08:19,450 --> 00:08:17,340

he wanted to convey to the world and

166

00:08:23,529 --> 00:08:19,460

what he was asked to to tell the world

167

00:08:28,700 --> 00:08:23,539

alright so basically the the premises is

168

00:08:32,269 --> 00:08:28,710

that you believe that the the contact

169

00:08:34,760 --> 00:08:32,279

that has been made here has really been

170

00:08:37,040 --> 00:08:34,770

set forth into actually helping us

171

00:08:39,500 --> 00:08:37,050

because I I breathe through your book

172

00:08:41,659 --> 00:08:39,510

unfortunately as most of my listeners

173

00:08:44,570 --> 00:08:41,669

know I've been very busy in the last

174

00:08:46,730 --> 00:08:44,580

several months i had was unable to read

175

00:08:50,300 --> 00:08:46,740

through through your book totally but i

176

00:08:53,110 --> 00:08:50,310

did skim through it and the premises is

177

00:08:58,100 --> 00:08:53,120

that we're being contacted in being

178

00:09:02,300 --> 00:08:58,110

guided along so not to basically destroy

179

00:09:04,960 --> 00:09:02,310

ourselves we run on greed all that can

180

00:09:10,579 --> 00:09:04,970

you kind of explain where this is going

181

00:09:14,300 --> 00:09:10,589

yes and and correct indeed you know that

182

00:09:17,630 --> 00:09:14,310

the the people from space the visitors

183

00:09:19,970 --> 00:09:17,640

from space that contacted dozens of

184

00:09:22,490 --> 00:09:19,980

people around the world not just in the

185

00:09:25,190 --> 00:09:22,500

United States but around the world in

186

00:09:28,670 --> 00:09:25,200

the 1950s and then since then the

187

00:09:32,949 --> 00:09:28,680

contacts are still continuing and have

188

00:09:37,160 --> 00:09:32,959

done so in order to inform humanity to

189

00:09:40,220 --> 00:09:37,170

that we need to change our ways you know

190

00:09:46,310 --> 00:09:40,230

our economic system our financial system

191

00:09:50,930 --> 00:09:46,320

our societies are based on on a missing

192

00:09:53,600 --> 00:09:50,940

piece of information or rather some

193

00:09:56,810 --> 00:09:53,610

ignorance in in terms of the spiritual

194

00:09:59,990 --> 00:09:56,820

realities of life they have come to tell

195

00:10:02,030 --> 00:10:00,000

us listen you are one human race you all

196

00:10:04,699 --> 00:10:02,040

depend on on the dependent on the same

197

00:10:06,920 --> 00:10:04,709

planets and you need to get together you

198

00:10:10,040 --> 00:10:06,930

need to cooperate to solve the problems

199

00:10:13,070 --> 00:10:10,050

that you experienced at this time in

200

00:10:14,720 --> 00:10:13,080

order to survive as as a race as

201  
00:10:17,480 --> 00:10:14,730  
brothers and sisters of the same race

202  
00:10:20,030 --> 00:10:17,490  
and they offered their help to

203  
00:10:25,340 --> 00:10:20,040  
governments which was the decline

204  
00:10:26,580 --> 00:10:25,350  
there's several accounts in that respect

205  
00:10:29,520 --> 00:10:26,590  
about

206  
00:10:31,350 --> 00:10:29,530  
space people contacting the United

207  
00:10:36,810 --> 00:10:31,360  
States government for if raisins and

208  
00:10:41,340 --> 00:10:36,820  
offering technology and help etc as long

209  
00:10:43,650 --> 00:10:41,350  
as we would abandon nuclear technology

210  
00:10:45,560 --> 00:10:43,660  
similar accounts have come from from

211  
00:10:51,630 --> 00:10:45,570  
Italy from people involved in the

212  
00:10:54,420 --> 00:10:51,640  
friendship case and you know so when

213  
00:10:59,570 --> 00:10:54,430

those those high-level contacts were

214

00:11:02,310 --> 00:10:59,580

declined in terms of you know overcoming

215

00:11:04,970 --> 00:11:02,320

the antagonisms between the United

216

00:11:07,950 --> 00:11:04,980

States in the Soviet Union at the time

217

00:11:10,440 --> 00:11:07,960

they continued their individual contacts

218

00:11:13,770 --> 00:11:10,450

around the world to still get the basic

219

00:11:16,410 --> 00:11:13,780

information out and my book in my book

220

00:11:17,820 --> 00:11:16,420

I've tried to show that so much of the

221

00:11:21,300 --> 00:11:17,830

information from the different

222

00:11:23,130 --> 00:11:21,310

contactees corroborates these you know

223

00:11:25,020 --> 00:11:23,140

of the delay there there are different

224

00:11:28,790 --> 00:11:25,030

stories their their various stories of

225

00:11:32,670 --> 00:11:28,800

course is this variations in details etc

226

00:11:34,380 --> 00:11:32,680

but we are always dealing with with

227

00:11:36,510 --> 00:11:34,390

individual people from different

228

00:11:42,480 --> 00:11:36,520

backgrounds different upbringing

229

00:11:44,490 --> 00:11:42,490

different cultures one will be religious

230

00:11:46,470 --> 00:11:44,500

perhaps another will be more mystically

231

00:11:49,260 --> 00:11:46,480

inclined or more scientifically more

232

00:11:52,620 --> 00:11:49,270

academically inclined so there will be

233

00:11:56,760 --> 00:11:52,630

those differences but it's amazing to

234

00:12:00,260 --> 00:11:56,770

see the amount of information that is

235

00:12:03,360 --> 00:12:00,270

shared among them and even more

236

00:12:05,010 --> 00:12:03,370

surprising to see perhaps not so

237

00:12:07,920 --> 00:12:05,020

surprising if you're a student of the

238

00:12:09,720 --> 00:12:07,930

wisdom teachings of the amount of

239

00:12:13,740 --> 00:12:09,730

information that they have shared and

240

00:12:15,750 --> 00:12:13,750

that call codes that coincides with the

241

00:12:18,630 --> 00:12:15,760

teachings of the ages with the teaching

242

00:12:23,120 --> 00:12:18,640

about the the oneness of humanity and

243

00:12:26,640 --> 00:12:23,130

the need for international cooperation

244

00:12:30,630 --> 00:12:26,650

to tackle global problems and you know

245

00:12:32,880 --> 00:12:30,640

creating a system based on sharing and

246

00:12:36,240 --> 00:12:32,890

justice rather than competition and

247

00:12:40,050 --> 00:12:36,250

greed in order to to build

248

00:12:43,080 --> 00:12:40,060

sane and a just society for everyone not

249

00:12:47,130 --> 00:12:43,090

just for people who can afford to buy

250

00:12:49,830 --> 00:12:47,140

their freedom or or their justice well

251

00:12:51,660 --> 00:12:49,840

you know this actually kind of goes

252

00:12:56,040 --> 00:12:51,670

along with a lot of the things you hear

253

00:12:59,310 --> 00:12:56,050

that people who claim they've you know

254

00:13:01,380 --> 00:12:59,320

had an abduction experience of some kind

255

00:13:04,710 --> 00:13:01,390

or another they've seen you know visions

256

00:13:07,020 --> 00:13:04,720

of a world destroying itself and this is

257

00:13:10,500 --> 00:13:07,030

what is going to happen if we don't stop

258

00:13:14,100 --> 00:13:10,510

doing this all the way to Zimbabwe when

259

00:13:17,460 --> 00:13:14,110

there was the 65 schoolchildren us you

260

00:13:18,990 --> 00:13:17,470

know all these accounts of people kind

261

00:13:22,440 --> 00:13:19,000

of saying along the lines that we have

262

00:13:25,890 --> 00:13:22,450

to take care of the planet and also the

263

00:13:27,840 --> 00:13:25,900

strong connection with nukes and all the

264

00:13:30,510 --> 00:13:27,850

incidents that have happened with that

265

00:13:31,980 --> 00:13:30,520

so you know I understand it you know it

266

00:13:36,420 --> 00:13:31,990

just seems like this just too many

267

00:13:38,760 --> 00:13:36,430

things of similar cases happening with

268

00:13:40,890 --> 00:13:38,770

with just disregarding this is nothing

269

00:13:43,650 --> 00:13:40,900

one of the things I want to ask you have

270

00:13:45,360 --> 00:13:43,660

you spoken with anyone today like

271

00:13:49,620 --> 00:13:45,370

someone that is claiming they're having

272

00:13:55,370 --> 00:13:49,630

an abduction experiences and what what

273

00:14:03,180 --> 00:13:57,990

any anyone who claims to have been

274

00:14:09,090 --> 00:14:03,190

abducted I you know what the the whole

275

00:14:14,780 --> 00:14:09,100

abduction narrative in my mind is yeah

276

00:14:19,530 --> 00:14:14,790

is unfortunate and it only arose after

277

00:14:21,480 --> 00:14:19,540

the the early contact is in the 1950s

278

00:14:24,530 --> 00:14:21,490

because you don't find stories of

279

00:14:27,900 --> 00:14:24,540

abduction among the early contactees

280

00:14:31,290 --> 00:14:27,910

when they were getting so much attention

281

00:14:35,070 --> 00:14:31,300

especially George Adam ski for their

282

00:14:39,720 --> 00:14:35,080

information and their message of hope

283

00:14:41,980 --> 00:14:39,730

and brotherhood that's when this this

284

00:14:44,450 --> 00:14:41,990

disinformation campaign

285

00:14:46,700 --> 00:14:44,460

apparently started and that's when you

286

00:14:49,580 --> 00:14:46,710

begin to hear stories of abductions

287

00:14:51,980 --> 00:14:49,590

towards the the end of the 1950's and

288

00:14:56,470 --> 00:14:51,990

especially in the 1960s and now it's

289

00:15:01,090 --> 00:14:56,480

it's a common part of of the whole UFO

290

00:15:05,210 --> 00:15:01,100

the whole UFO phenomenon that seems I

291

00:15:07,250 --> 00:15:05,220

personally think that it is and I and I

292

00:15:09,620 --> 00:15:07,260

understand there's many people who claim

293

00:15:12,490 --> 00:15:09,630

to have been abducted and that it's an

294

00:15:17,000 --> 00:15:12,500

ongoing experience for for many I

295

00:15:21,740 --> 00:15:17,010

believe that either they are not taken

296

00:15:24,230 --> 00:15:21,750

against their wishes and they've just

297

00:15:27,190 --> 00:15:24,240

come to call it abduction because it has

298

00:15:32,920 --> 00:15:27,200

been such a you know household term

299

00:15:36,740 --> 00:15:32,930

since since the 1960s or they have been

300

00:15:39,200 --> 00:15:36,750

having their experiences and the

301  
00:15:42,860 --> 00:15:39,210  
experiences are real but are not

302  
00:15:47,770 --> 00:15:42,870  
connected to any activity from by the

303  
00:15:53,330 --> 00:15:47,780  
space people but rather by secret agents

304  
00:15:56,120 --> 00:15:53,340  
whose job it is to to disqualify to

305  
00:16:00,680 --> 00:15:56,130  
ridicule to instill fear of the

306  
00:16:02,720 --> 00:16:00,690  
extra-terrestrial presence or you know

307  
00:16:04,340 --> 00:16:02,730  
some people and then let's be real about

308  
00:16:07,220 --> 00:16:04,350  
some people just have a very active

309  
00:16:09,440 --> 00:16:07,230  
imagination and they think these things

310  
00:16:13,930 --> 00:16:09,450  
are happening to them so there's various

311  
00:16:19,450 --> 00:16:13,940  
explanations for the abduction narrative

312  
00:16:22,910 --> 00:16:19,460  
and I think it is very telling and very

313  
00:16:28,220 --> 00:16:22,920

significant that you do not find stories

314

00:16:30,260 --> 00:16:28,230  
of abductions until the information

315

00:16:34,370 --> 00:16:30,270  
coming from the contactees started to

316

00:16:37,490 --> 00:16:34,380  
worry the authorities because of their

317

00:16:41,950 --> 00:16:37,500  
immense popularity right and they did

318

00:16:45,950 --> 00:16:41,960  
they had a great number of followers

319

00:16:48,500 --> 00:16:45,960  
back then now there is another thing

320

00:16:50,360 --> 00:16:48,510  
that you hear a lot I've heard this

321

00:16:53,150 --> 00:16:50,370  
repeated many times and I'm not sure

322

00:16:55,400 --> 00:16:53,160  
where it originated from but that the

323

00:16:55,879 --> 00:16:55,410  
there was a deal made with the US

324

00:17:00,259 --> 00:16:55,889  
government

325

00:17:04,549 --> 00:17:00,269  
as far as abductions or hybrids or

326

00:17:06,740 --> 00:17:04,559

whatever it is in exchange for their

327

00:17:10,879 --> 00:17:06,750

technology have you looked into that

328

00:17:13,779 --> 00:17:10,889

claim at all I've come across it and I

329

00:17:18,409 --> 00:17:13,789

think it's nonsense so it's not about

330

00:17:21,319 --> 00:17:18,419

the the evolution of humanity is not

331

00:17:23,629 --> 00:17:21,329

strictly about the evolution of the form

332

00:17:26,720 --> 00:17:23,639

our form having evolved out of the

333

00:17:28,940 --> 00:17:26,730

animal kingdom and the animal kingdom

334

00:17:30,620 --> 00:17:28,950

having evolved out of the vegetable

335

00:17:32,930 --> 00:17:30,630

kingdom and the veggies booking them out

336

00:17:36,590 --> 00:17:32,940

of the mineral kingdom those are

337

00:17:40,159 --> 00:17:36,600

vehicles for the expression of

338

00:17:44,139 --> 00:17:40,169

consciousness expression of life through

339

00:17:46,940 --> 00:17:44,149

the evolution of consciousness and I

340

00:17:49,700 --> 00:17:46,950

know this evolution takes place

341

00:17:52,820 --> 00:17:49,710

throughout the universe scientists are

342

00:17:56,149 --> 00:17:52,830

still thinking that Earth is lucky in a

343

00:18:01,159 --> 00:17:56,159

way in that the chemical balance of

344

00:18:04,009 --> 00:18:01,169

elements was conducive to life coming

345

00:18:06,850 --> 00:18:04,019

into existence here but there is no part

346

00:18:09,740 --> 00:18:06,860

in the universe where there is no life

347

00:18:14,509 --> 00:18:09,750

it's not it's not always visible to our

348

00:18:16,549 --> 00:18:14,519

eyes but if you if you have studied the

349

00:18:18,799 --> 00:18:16,559

the wisdom teachings you will know that

350

00:18:22,669 --> 00:18:18,809

life doesn't depend on dense physical

351  
00:18:25,669 --> 00:18:22,679  
forms for its expression above the three

352  
00:18:29,389 --> 00:18:25,679  
physical planes of existence the dense

353  
00:18:32,080 --> 00:18:29,399  
physical and the liquid physical and the

354  
00:18:35,289 --> 00:18:32,090  
gaseous physical there are for higher

355  
00:18:38,180 --> 00:18:35,299  
levels of physical reality called the

356  
00:18:43,430 --> 00:18:38,190  
etheric planes of matter and these have

357  
00:18:46,669 --> 00:18:43,440  
been discovered by William drive for

358  
00:18:49,850 --> 00:18:46,679  
instance the Austrian physician who had

359  
00:18:51,860 --> 00:18:49,860  
two escaped the Nazis and came to the

360  
00:18:55,220 --> 00:18:51,870  
United States only to be locked up by

361  
00:18:57,049 --> 00:18:55,230  
the FBI in the 1950s he discovered

362  
00:18:59,389 --> 00:18:57,059  
Oregon what he called Oregon and which

363  
00:19:02,509 --> 00:18:59,399

is basically those for higher planes of

364

00:19:04,700 --> 00:19:02,519

matter in which elude our range of

365

00:19:06,570 --> 00:19:04,710

vision but there they will nonetheless

366

00:19:08,789 --> 00:19:06,580

and it's on those

367

00:19:13,409 --> 00:19:08,799

higher planes of matter where life on

368

00:19:17,480 --> 00:19:13,419

the other planets takes place so the

369

00:19:20,240 --> 00:19:17,490

note what we're dealing with is

370

00:19:23,850 --> 00:19:20,250

extraterrestrial life that hasn't

371

00:19:27,360 --> 00:19:23,860

evolved to our point of evolution yet

372

00:19:31,080 --> 00:19:27,370

and exit racial life that has gone ahead

373

00:19:34,590 --> 00:19:31,090

of our point in evolution earth

374

00:19:38,600 --> 00:19:34,600

apparently according to both the the

375

00:19:40,980 --> 00:19:38,610

space people that visit us and and the

376

00:19:44,399 --> 00:19:40,990

originators of the wisdom teachings

377

00:19:46,680 --> 00:19:44,409

which are humanity's elder brothers who

378

00:19:49,230 --> 00:19:46,690

have evolved out of the human Kingdom as

379

00:19:51,240 --> 00:19:49,240

I said you know it's an evolution of

380

00:19:54,629 --> 00:19:51,250

consciousness so it doesn't stop at the

381

00:19:58,860 --> 00:19:54,639

human Kingdom these are saying that

382

00:20:01,560 --> 00:19:58,870

Earth is in a particularly tricky point

383

00:20:03,769 --> 00:20:01,570

at a particularly tricky tricky point of

384

00:20:06,659 --> 00:20:03,779

its own evolution as a planet and

385

00:20:08,759 --> 00:20:06,669

therefore we are being protected there

386

00:20:11,460 --> 00:20:08,769

are the most other planets apparently

387

00:20:14,850 --> 00:20:11,470

have the ability to travel space even if

388

00:20:20,220 --> 00:20:14,860

they're not entirely you know advances

389

00:20:22,259 --> 00:20:20,230

as much as we have but so there have

390

00:20:26,029 --> 00:20:22,269

been at this is to say that there have

391

00:20:32,220 --> 00:20:26,039

been visits from from people with less

392

00:20:34,500 --> 00:20:32,230

you know lofty intentions but for quite

393

00:20:36,960 --> 00:20:34,510

a while now we have been protected by

394

00:20:39,620 --> 00:20:36,970

the people from the higher planets you

395

00:20:45,230 --> 00:20:39,630

are more highly evolved and we are and

396

00:20:47,279 --> 00:20:45,240

there is no way that you know

397

00:20:49,259 --> 00:20:47,289

extraterrestrials would have come here

398

00:20:54,690 --> 00:20:49,269

and struck a deal with the US government

399

00:20:58,769 --> 00:20:54,700

or any other government to two most

400

00:21:02,899 --> 00:20:58,779

common and abduct people also why would

401  
00:21:05,100 --> 00:21:02,909  
why on earth with people who have the

402  
00:21:06,930 --> 00:21:05,110  
venality who have evolved to the point

403  
00:21:08,580 --> 00:21:06,940  
that they can travel they have the

404  
00:21:11,250 --> 00:21:08,590  
technology that they can travel across

405  
00:21:12,899 --> 00:21:11,260  
space from planet to planet or many

406  
00:21:16,049 --> 00:21:12,909  
people claim they come from outside our

407  
00:21:18,450 --> 00:21:16,059  
solar system why would they be so

408  
00:21:20,250 --> 00:21:18,460  
backward in biology why would they need

409  
00:21:21,930 --> 00:21:20,260  
to and then you know

410  
00:21:24,150 --> 00:21:21,940  
you get the stories because it gets wild

411  
00:21:26,190 --> 00:21:24,160  
and when you get the stories of hybrid

412  
00:21:29,430 --> 00:21:26,200  
races and they're dying out and they

413  
00:21:33,120 --> 00:21:29,440

need to it's I think it's a fantasy and

414

00:21:35,990 --> 00:21:33,130

again it's it's probably also part

415

00:21:39,800 --> 00:21:36,000

missing information or disinformation to

416

00:21:43,530 --> 00:21:39,810

discredit the extra-terrestrial presence

417

00:21:46,350 --> 00:21:43,540

well one of the things I think about

418

00:21:50,390 --> 00:21:46,360

every now and then is ok say we are

419

00:21:54,330 --> 00:21:50,400

being visited and we're being cared for

420

00:21:57,750 --> 00:21:54,340

there's probably millions or even

421

00:22:00,690 --> 00:21:57,760

billions of planets out there in the

422

00:22:02,760 --> 00:22:00,700

universe that host intelligent life you

423

00:22:05,310 --> 00:22:02,770

know I mean I'm only speculating there's

424

00:22:08,670 --> 00:22:05,320

no way to know for sure but just in that

425

00:22:11,550 --> 00:22:08,680

speculation why would we be special why

426

00:22:15,210 --> 00:22:11,560

would why would we be protected what's

427

00:22:18,480 --> 00:22:15,220

your opinion on that we are special in

428

00:22:20,910 --> 00:22:18,490

the same sense that every race on every

429

00:22:24,360 --> 00:22:20,920

planet humanity throughout universes is

430

00:22:27,030 --> 00:22:24,370

the universe is special we are a certain

431

00:22:30,570 --> 00:22:27,040

clearing house in terms of the evolution

432

00:22:32,580 --> 00:22:30,580

of consciousness where the bin and it is

433

00:22:37,100 --> 00:22:32,590

getting a bit technical in the aesthetic

434

00:22:40,620 --> 00:22:37,110

sense the the consciousness of life

435

00:22:42,390 --> 00:22:40,630

finds self-consciousness and and you

436

00:22:46,470 --> 00:22:42,400

know this is all part of an enormous

437

00:22:50,400 --> 00:22:46,480

plan of evolution for the planet for the

438

00:22:54,360 --> 00:22:50,410

solar system for the galaxy that perhaps

439

00:22:58,940 --> 00:22:54,370

we don't have time for today and it will

440

00:23:04,500 --> 00:22:58,950

also perhaps be outside the the topic of

441

00:23:06,630 --> 00:23:04,510

mineral UFOs etc but we are not that

442

00:23:08,640 --> 00:23:06,640

special in fact you know we've been

443

00:23:11,880 --> 00:23:08,650

messing up quite a bit on this planet

444

00:23:13,530 --> 00:23:11,890

but because we're in such a delicate

445

00:23:16,050 --> 00:23:13,540

situation at the moment we are being

446

00:23:18,000 --> 00:23:16,060

protected because these people from the

447

00:23:20,970 --> 00:23:18,010

other planets and it is my understanding

448

00:23:24,090 --> 00:23:20,980

based on my research and my study of the

449

00:23:26,070 --> 00:23:24,100

teachings that we are visited only by

450

00:23:27,570 --> 00:23:26,080

people from the neighboring planets in

451

00:23:30,120 --> 00:23:27,580

the solar system

452

00:23:33,590 --> 00:23:30,130

because they see us as brothers and

453

00:23:36,810 --> 00:23:33,600

sisters and they may not take the the

454

00:23:39,000 --> 00:23:36,820

the teachings from the great humanities

455

00:23:40,490 --> 00:23:39,010

great teachers seriously because they go

456

00:23:43,740 --> 00:23:40,500

through they've gone through the same

457

00:23:45,390 --> 00:23:43,750

evolution they see themselves as their

458

00:23:47,550 --> 00:23:45,400

brother's keeper so they come here to

459

00:23:51,720 --> 00:23:47,560

protect us so that we can make this

460

00:23:53,100 --> 00:23:51,730

transition safely into a new age cosmic

461

00:23:58,460 --> 00:23:53,110

age you may have heard of the age of

462

00:24:01,050 --> 00:23:58,470

aquarius and that's just a well a term

463

00:24:04,800 --> 00:24:01,060

you know to indicate that the solar

464

00:24:08,340 --> 00:24:04,810

system is is making this movement along

465

00:24:11,930 --> 00:24:08,350

the heavens and every two thousand one

466

00:24:15,510 --> 00:24:11,940

hundred and fifty years it it aligns

467

00:24:18,390 --> 00:24:15,520

with the next constellation in the

468

00:24:20,610 --> 00:24:18,400

zodiac and for the coming two thousand

469

00:24:22,410 --> 00:24:20,620

one and fifty years more or less that

470

00:24:25,640 --> 00:24:22,420

will be the constellation of Aquarius

471

00:24:29,100 --> 00:24:25,650

and each of these constellations have a

472

00:24:33,080 --> 00:24:29,110

different energetic effect and also

473

00:24:38,280 --> 00:24:33,090

every age every cosmic age is

474

00:24:40,710 --> 00:24:38,290

inaugurated by a new teacher now be we

475

00:24:43,860 --> 00:24:40,720

all n and I'm going back to the wisdom

476  
00:24:45,300 --> 00:24:43,870  
teachings again and then that's why you

477  
00:24:47,010 --> 00:24:45,310  
know this is a very important part of

478  
00:24:49,620 --> 00:24:47,020  
that connection with the field of

479  
00:24:54,210 --> 00:24:49,630  
ufology the extra-terrestrial presence

480  
00:24:57,450 --> 00:24:54,220  
in fact if you look back in history and

481  
00:25:00,570 --> 00:24:57,460  
you will see that every religion has

482  
00:25:03,420 --> 00:25:00,580  
come out of a certain set of teachings

483  
00:25:06,900 --> 00:25:03,430  
that was given to humanity by a great

484  
00:25:09,060 --> 00:25:06,910  
teacher and it's not that the teachers

485  
00:25:11,940 --> 00:25:09,070  
came to found religions and create

486  
00:25:13,530 --> 00:25:11,950  
followers that's what humans did with

487  
00:25:15,120 --> 00:25:13,540  
the teachings that they received with

488  
00:25:18,690 --> 00:25:15,130

the understanding that they had at the

489

00:25:22,920 --> 00:25:18,700

time or maybe their motives to to gain

490

00:25:25,230 --> 00:25:22,930

power over their fellow humans but nope

491

00:25:26,970 --> 00:25:25,240

we're talking about Krishna we're

492

00:25:29,310 --> 00:25:26,980

talking about Buddha we're talking about

493

00:25:32,400 --> 00:25:29,320

Hermes and Hercules and be talking about

494

00:25:35,340 --> 00:25:32,410

Jesus or the Christ as the inaugurate er

495

00:25:40,180 --> 00:25:35,350

of the previous age the Age of Pisces

496

00:25:43,330 --> 00:25:40,190

and this age too will be inaugurated by

497

00:25:46,149 --> 00:25:43,340

a teacher and we also know that you know

498

00:25:49,029 --> 00:25:46,159

one of the the traits that all religions

499

00:25:51,460 --> 00:25:49,039

share is that they all expect a new

500

00:25:53,409 --> 00:25:51,470

teacher Christians are waiting for the

501  
00:25:55,149 --> 00:25:53,419  
Second Coming the Boosters Buddhists are

502  
00:25:59,169 --> 00:25:55,159  
waiting for the fifth Buddha Maitreya

503  
00:26:01,480 --> 00:25:59,179  
Buddha and the Hindus are waiting for

504  
00:26:07,379 --> 00:26:01,490  
the tenth incarnation of their god

505  
00:26:11,440 --> 00:26:07,389  
Vishnu some parts of Islam are expecting

506  
00:26:13,360 --> 00:26:11,450  
the 12 body the email mukti the Jews of

507  
00:26:16,299 --> 00:26:13,370  
course are still waiting for the Messiah

508  
00:26:18,159 --> 00:26:16,309  
so it's a very universal concept and in

509  
00:26:21,879 --> 00:26:18,169  
the teachings it's called the doctrine

510  
00:26:23,950 --> 00:26:21,889  
of the coming one and the coming one

511  
00:26:27,369 --> 00:26:23,960  
this time the teacher for the new age

512  
00:26:28,869 --> 00:26:27,379  
comes at a time when humanity is making

513  
00:26:31,539 --> 00:26:28,879

a breakthrough by mean we can see it

514

00:26:33,700 --> 00:26:31,549

around us it's not just a matter of

515

00:26:38,529 --> 00:26:33,710

technology but the world is coming

516

00:26:40,779 --> 00:26:38,539

together at a level that is you know

517

00:26:43,180 --> 00:26:40,789

that we haven't seen before but he's not

518

00:26:45,909 --> 00:26:43,190

in in history as far as we know it

519

00:26:48,279 --> 00:26:45,919

there's a long part of history that that

520

00:26:55,450 --> 00:26:48,289

has gone unrecorded at least by our

521

00:27:01,210 --> 00:26:55,460

historians but the you know the the

522

00:27:05,970 --> 00:27:01,220

teacher is going to inaugurate the new

523

00:27:09,909 --> 00:27:05,980

age and the pages wisdom teaching since

524

00:27:11,680 --> 00:27:09,919

1875 given since 1875 have been have

525

00:27:16,590 --> 00:27:11,690

been given to you manage to prepare us

526

00:27:19,749 --> 00:27:16,600

for this this time when we will be

527

00:27:21,580 --> 00:27:19,759

making this transition into now some

528

00:27:24,100 --> 00:27:21,590

people call it an ascension and there's

529

00:27:26,049 --> 00:27:24,110

all kinds of fanciful words but what it

530

00:27:28,840 --> 00:27:26,059

comes down to is that we realize we are

531

00:27:30,909 --> 00:27:28,850

one human family we have one planet that

532

00:27:33,249 --> 00:27:30,919

we are responsible for and we have to

533

00:27:35,730 --> 00:27:33,259

clean up our mess if we want to survive

534

00:27:38,529 --> 00:27:35,740

and we have to overcome our differences

535

00:27:41,049 --> 00:27:38,539

which doesn't mean that we have to all

536

00:27:43,330 --> 00:27:41,059

start believing the same thing or saying

537

00:27:45,220 --> 00:27:43,340

the same things because we have our

538

00:27:47,529 --> 00:27:45,230

different cultural backgrounds etc but

539

00:27:50,379 --> 00:27:47,539

we need to overcome our differences in

540

00:27:53,600 --> 00:27:50,389

order no way through respect for our

541

00:27:56,710 --> 00:27:53,610

differences to create unity in diversity

542

00:28:00,370 --> 00:27:56,720

that will be the only way to create a

543

00:28:03,680 --> 00:28:00,380

planet where everyone can live a

544

00:28:07,450 --> 00:28:03,690

fruitful life developing the talents and

545

00:28:10,310 --> 00:28:07,460

everything as long as everyone is

546

00:28:14,960 --> 00:28:10,320

insured is guaranteed the basic needs

547

00:28:17,720 --> 00:28:14,970

for know for life adequate food housing

548

00:28:19,910 --> 00:28:17,730

education healthcare those things need

549

00:28:21,950 --> 00:28:19,920

to be provided for everyone not just for

550

00:28:25,340 --> 00:28:21,960

people who can afford it in rich

551  
00:28:28,220 --> 00:28:25,350  
countries but across the world around

552  
00:28:32,600 --> 00:28:28,230  
the world and that will be the first

553  
00:28:36,200 --> 00:28:32,610  
step once because I'm sorry I'm keep

554  
00:28:38,840 --> 00:28:36,210  
going on because of these things these

555  
00:28:41,270 --> 00:28:38,850  
things are all interrelated what are we

556  
00:28:43,909 --> 00:28:41,280  
seeing in the world now we see massive

557  
00:28:46,730 --> 00:28:43,919  
crisis not just on the on the

558  
00:28:48,440 --> 00:28:46,740  
environmental front look at the

559  
00:28:52,460 --> 00:28:48,450  
financial system look at the economic

560  
00:28:55,250 --> 00:28:52,470  
system look at education look at our

561  
00:28:58,190 --> 00:28:55,260  
societies things on trees are people

562  
00:29:00,409 --> 00:28:58,200  
starving you know you have been starving

563  
00:29:02,930 --> 00:29:00,419

for decades and and what do we see now

564

00:29:05,120 --> 00:29:02,940

we see the rich countries America's

565

00:29:07,549 --> 00:29:05,130

building a wall in a Mexico maybe they

566

00:29:11,090 --> 00:29:07,559

finish it already there's the

567

00:29:14,330 --> 00:29:11,100

Mediterranean in in Europe dividing

568

00:29:16,940 --> 00:29:14,340

Europe and Africa but you know people

569

00:29:18,919 --> 00:29:16,950

are taking too rickety boats and risking

570

00:29:21,049 --> 00:29:18,929

their lives every day by the thousands

571

00:29:24,860 --> 00:29:21,059

every day you know in many hundreds

572

00:29:26,960 --> 00:29:24,870

every week die drown because they're

573

00:29:30,140 --> 00:29:26,970

trying to get to a place where they've

574

00:29:32,780 --> 00:29:30,150

been told it's they will ever at least

575

00:29:35,150 --> 00:29:32,790

have a chance for you know future

576

00:29:36,980 --> 00:29:35,160

prospects and the same thing is going on

577

00:29:40,250 --> 00:29:36,990

in the you know on the other side of the

578

00:29:43,370 --> 00:29:40,260

world in Australia where many refugees

579

00:29:45,110 --> 00:29:43,380

from Asian countries are trying to to

580

00:29:50,000 --> 00:29:45,120

find a better life for themselves and

581

00:29:52,870 --> 00:29:50,010

their families there's no there's no way

582

00:29:55,760 --> 00:29:52,880

back you know we have to be trying to

583

00:29:59,390 --> 00:29:55,770

continue in the old ways of you know

584

00:30:02,870 --> 00:29:59,400

well competition is good and the more

585

00:30:05,630 --> 00:30:02,880

wealth you create better it is and you

586

00:30:07,310 --> 00:30:05,640

know everybody needs to to work for

587

00:30:11,060 --> 00:30:07,320

their for the keep

588

00:30:13,400 --> 00:30:11,070

cetera but if we don't create a level

589

00:30:16,790 --> 00:30:13,410

playing field because the playing field

590

00:30:20,240 --> 00:30:16,800

since 1945 since Bretton Woods has been

591

00:30:22,730 --> 00:30:20,250

skewed to favor the rich countries and

592

00:30:25,130 --> 00:30:22,740

especially the wealthy people in the

593

00:30:27,920 --> 00:30:25,140

rich countries and in America now you

594

00:30:31,430 --> 00:30:27,930

know and is increasingly also in in

595

00:30:33,440 --> 00:30:31,440

Europe to favor the large corporations

596

00:30:38,590 --> 00:30:33,450

you know in our civil liberties are at

597

00:30:42,530 --> 00:30:38,600

stake so all these things converge to to

598

00:30:46,400 --> 00:30:42,540

make us aware that you know we can't go

599

00:30:49,160 --> 00:30:46,410

on in the old ways and rebels I believe

600

00:30:52,610 --> 00:30:49,170

based on you know what economists are

601  
00:30:57,260 --> 00:30:52,620  
saying now in analysts that where we're

602  
00:31:00,770 --> 00:30:57,270  
about to experience a final crash of

603  
00:31:03,470 --> 00:31:00,780  
these systems that are now crumbling for

604  
00:31:05,600 --> 00:31:03,480  
financially economically etc and that

605  
00:31:07,220 --> 00:31:05,610  
will bring us back your humanity as a

606  
00:31:12,800 --> 00:31:07,230  
whole will bring us back to our senses

607  
00:31:15,500 --> 00:31:12,810  
and that will sort of show our readiness

608  
00:31:17,630 --> 00:31:15,510  
or paved the way for the teacher for the

609  
00:31:19,070 --> 00:31:17,640  
new age to step forward and just show us

610  
00:31:20,780 --> 00:31:19,080  
you know there's hope it's not the end

611  
00:31:23,570 --> 00:31:20,790  
of the world that the old systems are

612  
00:31:26,390 --> 00:31:23,580  
gone because they were based on on the

613  
00:31:30,020 --> 00:31:26,400

notions from the previous age and new

614

00:31:32,000 --> 00:31:30,030

age is starting and he will you know

615

00:31:34,610 --> 00:31:32,010

he's not doctors no one is coming to

616

00:31:36,260 --> 00:31:34,620

rescue us the world teacher isn't and

617

00:31:40,220 --> 00:31:36,270

the Masters of wisdom aren't coming to

618

00:31:42,530 --> 00:31:40,230

rescue us or to save us neither are the

619

00:31:46,640 --> 00:31:42,540

extraterrestrials they're all here in

620

00:31:49,760 --> 00:31:46,650

support of humanity that needs to get

621

00:31:52,250 --> 00:31:49,770

come to its senses and start to make a

622

00:31:55,400 --> 00:31:52,260

decision to you know start to cooperate

623

00:31:57,590 --> 00:31:55,410

create justice for everyone through

624

00:32:00,140 --> 00:31:57,600

sharing the world's resources the

625

00:32:03,680 --> 00:32:00,150

world's food world's technology and

626  
00:32:06,770 --> 00:32:03,690  
knowledge and everything yes well you

627  
00:32:10,060 --> 00:32:06,780  
know I I totally agree with the premise

628  
00:32:12,980 --> 00:32:10,070  
of all this that it is totally needed

629  
00:32:15,350 --> 00:32:12,990  
for you know to save humanity and and

630  
00:32:17,270 --> 00:32:15,360  
and what we're possibly going through

631  
00:32:19,850 --> 00:32:17,280  
but I want to I want to step back a

632  
00:32:20,659 --> 00:32:19,860  
little bit to something I just heard you

633  
00:32:23,450 --> 00:32:20,669  
say a little

634  
00:32:25,489 --> 00:32:23,460  
while ago there in that is from

635  
00:32:28,489 --> 00:32:25,499  
different planets in the solar system

636  
00:32:30,440 --> 00:32:28,499  
now I know the contactees admitted that

637  
00:32:33,200 --> 00:32:30,450  
but there's pretty strong scientific

638  
00:32:35,450 --> 00:32:33,210

evidence that there's no way that any of

639

00:32:38,060 --> 00:32:35,460

our planets other than Earth in our

640

00:32:40,009 --> 00:32:38,070

solar system can support life so I guess

641

00:32:43,249 --> 00:32:40,019

I would like to hear what your thoughts

642

00:32:46,070 --> 00:32:43,259

are on that are you still sticking to

643

00:32:49,009 --> 00:32:46,080

the contactees the Venusian and you know

644

00:32:50,989 --> 00:32:49,019

all that stuff or are you agreeing that

645

00:32:54,229 --> 00:32:50,999

it's impossible for life to exist there

646

00:32:58,940 --> 00:32:54,239

on the contrary one of the things I said

647

00:33:01,249 --> 00:32:58,950

was that life doesn't need it doesn't

648

00:33:04,909 --> 00:33:01,259

depend on a dense physical form to

649

00:33:07,340 --> 00:33:04,919

express itself so on our planet and I

650

00:33:09,499 --> 00:33:07,350

understand that Earth is the only planet

651  
00:33:11,629 --> 00:33:09,509  
in our system where life expresses

652  
00:33:15,619 --> 00:33:11,639  
through dense physical forms plants and

653  
00:33:18,259 --> 00:33:15,629  
animals and humans etc the same things

654  
00:33:21,560 --> 00:33:18,269  
we can find on other planets on the

655  
00:33:24,889 --> 00:33:21,570  
higher planes of matter the etheric

656  
00:33:28,779 --> 00:33:24,899  
planes of matter i mentioned wilhelm

657  
00:33:32,979 --> 00:33:28,789  
drive earlier he discovered oregon and

658  
00:33:36,889 --> 00:33:32,989  
better said oregon is really his

659  
00:33:41,119 --> 00:33:36,899  
amalgamated name for the for higher

660  
00:33:43,970 --> 00:33:41,129  
levels of matter etheric matter Semyon

661  
00:33:49,129 --> 00:33:43,980  
Kirlian developed technology with which

662  
00:33:51,019 --> 00:33:49,139  
he could photograph the the light the

663  
00:33:56,169 --> 00:33:51,029

energy fields around living tissue

664

00:33:59,029 --> 00:33:56,179

living organisms etc Rupert Sheldrake

665

00:34:03,680 --> 00:33:59,039

contemporary British biologists I

666

00:34:08,450 --> 00:34:03,690

believe has put forward the hypothesis

667

00:34:11,720 --> 00:34:08,460

of more for genetic fields and more

668

00:34:14,690 --> 00:34:11,730

importantly most importantly science

669

00:34:18,829 --> 00:34:14,700

itself has admitted that has been

670

00:34:22,639 --> 00:34:18,839

struggling since the 1930s with the fact

671

00:34:26,680 --> 00:34:22,649

that 96% no less the ninety-six percent

672

00:34:30,020 --> 00:34:26,690

of the known universe cannot be measured

673

00:34:33,260 --> 00:34:30,030

registered seen by us by our scientific

674

00:34:36,260 --> 00:34:33,270

minds and and instruments etc

675

00:34:38,300 --> 00:34:36,270

so dark matter and dark energy well

676

00:34:40,880 --> 00:34:38,310

that's what the sciences has called it

677

00:34:44,530 --> 00:34:40,890

yes no but in all its ninety-six percent

678

00:34:47,330 --> 00:34:44,540

that they cannot that they cannot trace

679

00:34:50,590 --> 00:34:47,340

so there must be something going on and

680

00:34:56,000 --> 00:34:50,600

if you take these you know these various

681

00:34:58,700 --> 00:34:56,010

scientists Rupert Sheldrake were will

682

00:35:03,250 --> 00:34:58,710

have life they were solid scientists in

683

00:35:07,400 --> 00:35:03,260

their fields biologist and physician

684

00:35:09,710 --> 00:35:07,410

medical doctor Semyon Korean and there

685

00:35:13,370 --> 00:35:09,720

was someone else the whose name I forget

686

00:35:15,230 --> 00:35:13,380

now and achievements but if you put

687

00:35:19,330 --> 00:35:15,240

those things together now they have a

688

00:35:21,860 --> 00:35:19,340

very strong case or let's say the

689

00:35:25,550 --> 00:35:21,870

teachings the ages wisdom teachings

690

00:35:27,770 --> 00:35:25,560

which opposes which suggests the

691

00:35:29,990 --> 00:35:27,780

existence of higher planes of matter

692

00:35:32,960 --> 00:35:30,000

that there's a very strong case for that

693

00:35:35,120 --> 00:35:32,970

if you look at those things even last

694

00:35:39,820 --> 00:35:35,130

year in June there was a newspaper

695

00:35:43,840 --> 00:35:39,830

report let me see if I can accurately

696

00:35:48,020 --> 00:35:43,850

summarize it that stated that

697

00:35:50,720 --> 00:35:48,030

astrophysicists have found that there is

698

00:35:53,360 --> 00:35:50,730

more light apparently around the

699

00:35:55,820 --> 00:35:53,370

universe that they can account for from

700

00:35:58,790 --> 00:35:55,830

known sources so there's another strong

701  
00:36:00,920 --> 00:35:58,800  
hint you know so i think there's every

702  
00:36:02,840 --> 00:36:00,930  
reason to believe that those higher

703  
00:36:05,600 --> 00:36:02,850  
planes of method or aesthetic planes of

704  
00:36:08,990 --> 00:36:05,610  
matter which elude our vision our our

705  
00:36:10,490 --> 00:36:09,000  
field of our range of vision are real

706  
00:36:14,150 --> 00:36:10,500  
and that is where life on the other

707  
00:36:17,390 --> 00:36:14,160  
planets takes place it also conveniently

708  
00:36:20,150 --> 00:36:17,400  
I think explain or provides an

709  
00:36:24,910 --> 00:36:20,160  
explanation of how it's possible that

710  
00:36:28,370 --> 00:36:24,920  
flying saucers UFOs exit rests or craft

711  
00:36:30,740 --> 00:36:28,380  
manages to drop into our range of vision

712  
00:36:34,880 --> 00:36:30,750  
or drop out of it you know in an instant

713  
00:36:39,290 --> 00:36:34,890

in less than an instant and I put to you

714

00:36:42,990 --> 00:36:39,300

that that is because they you know being

715

00:36:45,270 --> 00:36:43,000

the existing on on

716

00:36:49,350 --> 00:36:45,280

the or several of the higher planes of

717

00:36:52,590 --> 00:36:49,360

matter the effect matter are able to in

718

00:36:55,290 --> 00:36:52,600

their craft to flick a switch and then

719

00:36:57,120 --> 00:36:55,300

lower the rate of vibration of the the

720

00:37:00,960 --> 00:36:57,130

atoms of which their craft and the

721

00:37:04,380 --> 00:37:00,970

bodies is made up so that we can see it

722

00:37:06,990 --> 00:37:04,390

and flick the switch back if we know

723

00:37:09,870 --> 00:37:07,000

when they when they've had it now for

724

00:37:11,250 --> 00:37:09,880

them when they've got the attention of

725

00:37:13,530 --> 00:37:11,260

the people that they wanted to get the

726

00:37:17,900 --> 00:37:13,540

attention from and and dissipate before

727

00:37:21,600 --> 00:37:17,910

our eyes so you know these are all

728

00:37:24,330 --> 00:37:21,610

interrelated aspects of the exit

729

00:37:27,750 --> 00:37:24,340

terrestrial presence and you know it

730

00:37:30,810 --> 00:37:27,760

explains a lot to me and it's also ties

731

00:37:33,660 --> 00:37:30,820

in with the notion of the evolution of

732

00:37:36,090 --> 00:37:33,670

consciousness okay so just just a couple

733

00:37:37,380 --> 00:37:36,100

of questions and I'm probably going to

734

00:37:40,770 --> 00:37:37,390

be stuck on this planet thing a little

735

00:37:45,390 --> 00:37:40,780

bit first of short it so why would a

736

00:37:48,540 --> 00:37:45,400

higher plane of matter or life even want

737

00:37:50,490 --> 00:37:48,550

to stay on a planet like Venus why would

738

00:37:53,640 --> 00:37:50,500

they why would they need a planet at all

739

00:37:56,730 --> 00:37:53,650

and why would they travel and a flying

740

00:37:59,340 --> 00:37:56,740

saucer say and why would they have a

741

00:38:03,000 --> 00:37:59,350

body form if they wanted and not want it

742

00:38:09,840 --> 00:38:03,010

we are so used to thinking in in dense

743

00:38:10,950 --> 00:38:09,850

physical stuff and we don't we don't and

744

00:38:13,530 --> 00:38:10,960

because of that you know it's quite

745

00:38:16,500 --> 00:38:13,540

understandable we're not familiar with

746

00:38:18,840 --> 00:38:16,510

the idea that forms also exists on in

747

00:38:21,960 --> 00:38:18,850

higher vibrations on these airplanes of

748

00:38:24,240 --> 00:38:21,970

matter some people go go out and say

749

00:38:28,500 --> 00:38:24,250

it's different dimensions etc I I I

750

00:38:30,570 --> 00:38:28,510

would use that term and and if I can

751

00:38:35,280 --> 00:38:30,580

just add that you know it's very similar

752

00:38:38,490 --> 00:38:35,290

to our h<sub>2</sub>o water when the molecules of

753

00:38:40,830 --> 00:38:38,500

water start to vibrate at a lower

754

00:38:43,980 --> 00:38:40,840

frequency it becomes solid and it

755

00:38:46,350 --> 00:38:43,990

becomes ice when they begin to vibrate

756

00:38:48,780 --> 00:38:46,360

at a higher frequency than the liquid

757

00:38:50,460 --> 00:38:48,790

form it becomes vapor and so you have

758

00:38:53,220 --> 00:38:50,470

three different states of the same

759

00:38:56,430 --> 00:38:53,230

molecule and the same

760

00:38:59,670 --> 00:38:56,440

apparently goes for four atoms that our

761

00:39:01,460 --> 00:38:59,680

bodies are built on why do they you know

762

00:39:04,890 --> 00:39:01,470

why do they live on a planet because

763

00:39:07,200 --> 00:39:04,900

life at our stage the human stage and

764

00:39:10,410 --> 00:39:07,210

and all the stages below us from the

765

00:39:14,580 --> 00:39:10,420

mineral upwards and above us the

766

00:39:18,210 --> 00:39:14,590

spiritual stage you know it evolves on

767

00:39:21,470 --> 00:39:18,220

planets and why on planets well I know I

768

00:39:24,060 --> 00:39:21,480

can't look into the mind of the Creator

769

00:39:26,340 --> 00:39:24,070

but that's apparently that's the

770

00:39:29,190 --> 00:39:26,350

universal plan you know we see planets

771

00:39:33,150 --> 00:39:29,200

all over the galaxy and and in other

772

00:39:36,630 --> 00:39:33,160

galaxies but galaxies apparently why do

773

00:39:40,140 --> 00:39:36,640

they need to travel in space craft well

774

00:39:43,140 --> 00:39:40,150

a lot of the work that they do it they

775

00:39:45,330 --> 00:39:43,150

come to do here requires instruments and

776

00:39:48,150 --> 00:39:45,340

technology that they need their space

777

00:39:51,050 --> 00:39:48,160

crafts for instance the mopping up of

778

00:39:54,690 --> 00:39:51,060

the toxins and the especially the

779

00:39:57,180 --> 00:39:54,700

radioactive waste that we spew out into

780

00:39:59,190 --> 00:39:57,190

the atmosphere through nuclear tests and

781

00:40:02,010 --> 00:39:59,200

nuclear power stations which is very

782

00:40:06,000 --> 00:40:02,020

very debilitating for for the human

783

00:40:09,000 --> 00:40:06,010

Constitution and so you know that's what

784

00:40:13,230 --> 00:40:09,010

they for a very large part of the work

785

00:40:17,040 --> 00:40:13,240

come in UFOs for and at the same time it

786

00:40:19,880 --> 00:40:17,050

is only the people who have gone ahead

787

00:40:22,560 --> 00:40:19,890

of the human stage in terms of evolution

788

00:40:24,599 --> 00:40:22,570

here on earth we call them masters of

789

00:40:26,849 --> 00:40:24,609

wisdom George Adamski loved about

790

00:40:30,599 --> 00:40:26,859

masters from Venus and Saturn that he

791

00:40:33,810 --> 00:40:30,609

met only at that stage is it possible to

792

00:40:36,660 --> 00:40:33,820

you know to move to travel by thought

793

00:40:39,030 --> 00:40:36,670

and then position yourself on other

794

00:40:41,280 --> 00:40:39,040

planets and so you know that's something

795

00:40:45,030 --> 00:40:41,290

that's beyond our understanding and our

796

00:40:47,670 --> 00:40:45,040

grasp but there are a lot of people who

797

00:40:50,280 --> 00:40:47,680

have not reached that advanced stage of

798

00:40:53,970 --> 00:40:50,290

evolution yet also on other planets who

799

00:40:56,730 --> 00:40:53,980

still come either asturias as visitors

800

00:41:02,700 --> 00:40:56,740

or to work and live here for some time

801  
00:41:05,329 --> 00:41:02,710  
and and a lot also you know of the UFO

802  
00:41:08,630 --> 00:41:05,339  
activity that we see is is in

803  
00:41:10,579 --> 00:41:08,640  
with regard to the cleaning up of our

804  
00:41:12,950 --> 00:41:10,589  
atmosphere and keeping our planet

805  
00:41:15,499 --> 00:41:12,960  
habitable in the current circumstances I

806  
00:41:19,819 --> 00:41:15,509  
know you're saying this is like a higher

807  
00:41:22,150 --> 00:41:19,829  
form of matter but what would I'm still

808  
00:41:25,400 --> 00:41:22,160  
I'm still having a hard time here with a

809  
00:41:29,509 --> 00:41:25,410  
with why something would be attracted to

810  
00:41:32,690 --> 00:41:29,519  
an uninhabitable planet and what type of

811  
00:41:36,259 --> 00:41:32,700  
evidence could possibly ever show that

812  
00:41:40,130 --> 00:41:36,269  
there is actually some type of form on

813  
00:41:43,099 --> 00:41:40,140

planes yes it's funny because you see it

814

00:41:45,650 --> 00:41:43,109

as an uninhabitable planet like Venus or

815

00:41:50,180 --> 00:41:45,660

bar so whatever it's uninhabitable at

816

00:41:51,920 --> 00:41:50,190

our rate of vibration perhaps I'm not

817

00:41:55,609 --> 00:41:51,930

sure because I haven't been there but

818

00:42:00,640 --> 00:41:55,619

you know science tells us that for four

819

00:42:02,839 --> 00:42:00,650

bodies and forms the physical forms that

820

00:42:06,979 --> 00:42:02,849

that we are familiar with the human

821

00:42:09,680 --> 00:42:06,989

human beings Venus and Mars and yet the

822

00:42:14,120 --> 00:42:09,690

planets are uninhabitable but at the

823

00:42:19,120 --> 00:42:14,130

etheric planes of existence so they are

824

00:42:20,749 --> 00:42:19,130

higher than the gaseous level you know

825

00:42:22,700 --> 00:42:20,759

circumstances may be completely

826

00:42:25,729 --> 00:42:22,710

different we don't know because we can't

827

00:42:28,370 --> 00:42:25,739

even see signs here doesn't even

828

00:42:30,680 --> 00:42:28,380

recognize the etheric planes of matter

829

00:42:33,380 --> 00:42:30,690

on our planets you know and the forms

830

00:42:35,870 --> 00:42:33,390

that we maybe I should I should try and

831

00:42:38,089 --> 00:42:35,880

I could try and explain it like this the

832

00:42:40,160 --> 00:42:38,099

forms that we see you know your body the

833

00:42:41,749 --> 00:42:40,170

desk that you see that the the plants

834

00:42:44,120 --> 00:42:41,759

that you see around you when you look

835

00:42:47,630 --> 00:42:44,130

outside they are actually the

836

00:42:51,339 --> 00:42:47,640

precipitation of the blueprints or the

837

00:42:53,749 --> 00:42:51,349

etheric levels which is where the

838

00:42:58,779 --> 00:42:53,759

hypothesis of more for genetic fields

839

00:43:02,329 --> 00:42:58,789

comes in from will Rupert Shelldrake and

840

00:43:04,959 --> 00:43:02,339

so our planet is the exception in the

841

00:43:08,390 --> 00:43:04,969

solar system in that you know the

842

00:43:11,719 --> 00:43:08,400

physical expression has has come down to

843

00:43:14,859 --> 00:43:11,729

this very low frequency on the other

844

00:43:17,900 --> 00:43:14,869

planets they have the same etheric

845

00:43:19,069 --> 00:43:17,910

planes where these same forms exist

846

00:43:21,890 --> 00:43:19,079

except it has

847

00:43:24,170 --> 00:43:21,900

the precipitated to the same low

848

00:43:26,269 --> 00:43:24,180

frequency that we have here on earth I

849

00:43:29,690 --> 00:43:26,279

don't know if that explains it a bit

850

00:43:34,160 --> 00:43:29,700

more well but on those levels there's no

851  
00:43:37,370 --> 00:43:34,170  
there's no need for you know the oxygen

852  
00:43:39,410 --> 00:43:37,380  
that we have here or the that is the

853  
00:43:42,559 --> 00:43:39,420  
same chemical balance in the atmosphere

854  
00:43:43,759 --> 00:43:42,569  
and things like that well I don't know

855  
00:43:45,920 --> 00:43:43,769  
if you're going to take this event or

856  
00:43:48,979 --> 00:43:45,930  
not but I'm not buying any of this I'm

857  
00:43:50,569 --> 00:43:48,989  
not I can't agree I'm not offended at

858  
00:43:55,039 --> 00:43:50,579  
all I'm not a fan of the goal and you

859  
00:43:57,559 --> 00:43:55,049  
know it's it's something that I mean if

860  
00:44:00,289 --> 00:43:57,569  
I don't know you know but I up to me it

861  
00:44:02,390 --> 00:44:00,299  
makes sense if not a science itself says

862  
00:44:05,029 --> 00:44:02,400  
that it can't account for ninety six

863  
00:44:07,339 --> 00:44:05,039

percent of the known universe it just

864

00:44:10,069 --> 00:44:07,349

can't account for it if there are

865

00:44:12,529 --> 00:44:10,079

scientists like Rupert Sheldrake and

866

00:44:16,729 --> 00:44:12,539

we'll have dr who come up with

867

00:44:21,829 --> 00:44:16,739

hypotheses you know that that that begin

868

00:44:24,229 --> 00:44:21,839

to give an explanation or yeah for for

869

00:44:28,309 --> 00:44:24,239

those for that ninety six percent of

870

00:44:30,229 --> 00:44:28,319

missing whatever it is matter or then I

871

00:44:32,839 --> 00:44:30,239

think it's it's you know it's a serious

872

00:44:34,430 --> 00:44:32,849

contender what what the ages wisdom

873

00:44:38,180 --> 00:44:34,440

teaching say in terms of the etheric

874

00:44:41,089 --> 00:44:38,190

lines of matter and yeah semi a Kirlian

875

00:44:45,140 --> 00:44:41,099

has developed this photographic

876

00:44:47,029 --> 00:44:45,150

technology to to record energy fields

877

00:44:49,819 --> 00:44:47,039

that we don't see with our physical eyes

878

00:44:51,949 --> 00:44:49,829

so you know I don't mind I personally

879

00:44:54,620 --> 00:44:51,959

don't mind if anybody buys it or not you

880

00:44:58,219 --> 00:44:54,630

know I'm putting it forward as what my

881

00:45:00,680 --> 00:44:58,229

research and my study has has has taught

882

00:45:04,670 --> 00:45:00,690

me so no I do understand that there are

883

00:45:08,209 --> 00:45:04,680

many levels out there that humans can't

884

00:45:10,910 --> 00:45:08,219

see can't can't realize by like you're

885

00:45:12,829 --> 00:45:10,920

saying by vibrations by spectrums of

886

00:45:15,079 --> 00:45:12,839

light there's all kinds of things that

887

00:45:16,609 --> 00:45:15,089

we just can't see that could be actually

888

00:45:19,309 --> 00:45:16,619

around us but one of the things you said

889

00:45:20,959 --> 00:45:19,319

a little bit earlier you were saying

890

00:45:23,449 --> 00:45:20,969

that one of the reasons they needed

891

00:45:27,079 --> 00:45:23,459

their craft their saucer or whatever it

892

00:45:30,289 --> 00:45:27,089

is coming into the Earth's contact is

893

00:45:32,209 --> 00:45:30,299

mopping up our radioactive waste or

894

00:45:34,120 --> 00:45:32,219

something and what where did you get

895

00:45:38,500 --> 00:45:34,130

that from what

896

00:45:42,589 --> 00:45:38,510

that's information that comes from the

897

00:45:44,420 --> 00:45:42,599

person who has in my view the latest

898

00:45:48,050 --> 00:45:44,430

installment of the most recent

899

00:45:50,210 --> 00:45:48,060

installment of the the Aces wisdom

900

00:45:52,490 --> 00:45:50,220

teaching i mentioned Madame Blavatsky i

901  
00:45:56,780 --> 00:45:52,500  
mentioned alice bailey benjamin graham

902  
00:45:58,780 --> 00:45:56,790  
has started talking about this object in

903  
00:46:01,609 --> 00:45:58,790  
writing about it since nineteen

904  
00:46:05,120 --> 00:46:01,619  
seventy-four 9075 his first book came

905  
00:46:08,630 --> 00:46:05,130  
out in 1979 he is also the person an

906  
00:46:14,359 --> 00:46:08,640  
artist and as a terrorist futurologist

907  
00:46:18,230 --> 00:46:14,369  
from the UK who has made it known that

908  
00:46:20,570 --> 00:46:18,240  
the the world teach for the new age has

909  
00:46:23,000 --> 00:46:20,580  
been in the world since 1977 and is

910  
00:46:26,930 --> 00:46:23,010  
ready anytime now once the crash happens

911  
00:46:29,930 --> 00:46:26,940  
to make himself known so and he has

912  
00:46:33,740 --> 00:46:29,940  
through his moment to moment contact

913  
00:46:38,570 --> 00:46:33,750

with one of the masses of wisdom also a

914

00:46:41,930 --> 00:46:38,580

lot of inside information inside

915

00:46:44,150 --> 00:46:41,940

knowledge about the purpose of the

916

00:46:46,730 --> 00:46:44,160

extra-terrestrial presence on earth in

917

00:46:50,410 --> 00:46:46,740

fact Benjamin cram himself he wrote a

918

00:46:53,750 --> 00:46:50,420

book that mainly deals with this subject

919

00:46:56,690 --> 00:46:53,760

in 2010 it's called the gathering of the

920

00:47:00,290 --> 00:46:56,700

forces of light and it gives the fool

921

00:47:03,260 --> 00:47:00,300

esoteric perspective and in fact in the

922

00:47:07,940 --> 00:47:03,270

1950s before he started to be trained

923

00:47:10,640 --> 00:47:07,950

for his current mission he was excuse me

924

00:47:13,130 --> 00:47:10,650

he was a contact e himself for a brief

925

00:47:15,589 --> 00:47:13,140

period and and talked about the

926  
00:47:19,099 --> 00:47:15,599  
spiritual mission of the flying saucers

927  
00:47:20,480 --> 00:47:19,109  
and the space people in London is when

928  
00:47:23,570 --> 00:47:20,490  
he lived at the time everybody still

929  
00:47:26,450 --> 00:47:23,580  
living so that's that he is the source

930  
00:47:30,170 --> 00:47:26,460  
for this information about the space

931  
00:47:32,420 --> 00:47:30,180  
people who do the majority of the work

932  
00:47:35,930 --> 00:47:32,430  
of the space people here on earth so you

933  
00:47:38,030 --> 00:47:35,940  
think that there's people right space

934  
00:47:40,460 --> 00:47:38,040  
people right now here on earth working

935  
00:47:43,730 --> 00:47:40,470  
absolutely yes all the time oh well

936  
00:47:46,150 --> 00:47:43,740  
let's hear about that how and what in

937  
00:47:51,370 --> 00:47:46,160  
what are they doing and

938  
00:47:53,530 --> 00:47:51,380

well first of all I mean obviously I

939

00:47:56,020 --> 00:47:53,540

think if you go back to the old

940

00:47:58,120 --> 00:47:56,030

scriptures not just the Old Testament

941

00:48:01,410 --> 00:47:58,130

but also the old Indian scriptures and

942

00:48:05,530 --> 00:48:01,420

other scriptures from around the world

943

00:48:07,390 --> 00:48:05,540

the DSO terrestrial presence has been a

944

00:48:10,330 --> 00:48:07,400

fact for millennia they've always been

945

00:48:12,520 --> 00:48:10,340

here because everything is

946

00:48:15,400 --> 00:48:12,530

interconnected not just on this planet

947

00:48:18,430 --> 00:48:15,410

but also in the solar system it's just

948

00:48:21,220 --> 00:48:18,440

that we have lost touch not only with

949

00:48:23,890 --> 00:48:21,230

them but through losing touch with

950

00:48:26,950 --> 00:48:23,900

ourselves and and you know with our real

951  
00:48:30,340 --> 00:48:26,960  
being a true being and and with you know

952  
00:48:33,790 --> 00:48:30,350  
the interconnectedness of humanity as

953  
00:48:37,420 --> 00:48:33,800  
the one race on this planet we've lost

954  
00:48:40,690 --> 00:48:37,430  
contact with that reality of the

955  
00:48:43,120 --> 00:48:40,700  
extra-terrestrial presence so the exit

956  
00:48:46,870 --> 00:48:43,130  
ratios have been or here all along but

957  
00:48:51,150 --> 00:48:46,880  
especially since the discovery and

958  
00:48:56,380 --> 00:48:51,160  
invention of the atom bomb and in the

959  
00:48:59,920 --> 00:48:56,390  
1940s and the yeah the use of the atom

960  
00:49:03,730 --> 00:48:59,930  
bombs in Russia Monica sake they have

961  
00:49:07,510 --> 00:49:03,740  
taken up major interest because this is

962  
00:49:10,200 --> 00:49:07,520  
potentially a weapon that could not just

963  
00:49:12,520 --> 00:49:10,210

destroy the planet the earth but the

964

00:49:15,640 --> 00:49:12,530

destroying the earth would have a major

965

00:49:18,250 --> 00:49:15,650

upsetting effect for you know the

966

00:49:20,800 --> 00:49:18,260

balance in the solar system so obviously

967

00:49:24,520 --> 00:49:20,810

they're very much concerned with that

968

00:49:28,690 --> 00:49:24,530

with a capability and and they have been

969

00:49:33,280 --> 00:49:28,700

doing everything that they can to help

970

00:49:37,390 --> 00:49:33,290

us get rid of it or to abandon a 22 to

971

00:49:38,770 --> 00:49:37,400

let go of it which we haven't so far all

972

00:49:41,560 --> 00:49:38,780

right well this has been very

973

00:49:43,870 --> 00:49:41,570

interesting to speak with you and the

974

00:49:46,450 --> 00:49:43,880

book again is called here to help UFOs

975

00:49:48,520 --> 00:49:46,460

and the space brothers and I'm I imagine

976

00:49:50,020 --> 00:49:48,530

you can find that on amazon and a bunch

977

00:49:53,710 --> 00:49:50,030

of other places lutely yeah absolutely

978

00:49:59,240 --> 00:49:53,720

any Gerard you have a website my website

979

00:50:03,290 --> 00:49:59,250

is BGA publications dot NL and

980

00:50:06,980 --> 00:50:03,300

and people you people can find you know

981

00:50:10,160 --> 00:50:06,990

by my shenanigans their interviews or

982

00:50:11,960 --> 00:50:10,170

talks I'm coming to laughlin nevada in

983

00:50:14,390 --> 00:50:11,970

november for a talk I've been invited

984

00:50:18,100 --> 00:50:14,400

and I'm currently working on a new book

985

00:50:22,100 --> 00:50:18,110

that I hope will be out in October and

986

00:50:23,930 --> 00:50:22,110

if i may just give a quick preview in

987

00:50:25,520 --> 00:50:23,940

that book in my new book i will bring

988

00:50:29,090 --> 00:50:25,530

together all the information I've been

989

00:50:31,550 --> 00:50:29,100

able to find from the contactees where

990

00:50:33,770 --> 00:50:31,560

they corroborate each other about how

991

00:50:37,240 --> 00:50:33,780

life on the other planets has been

992

00:50:39,830 --> 00:50:37,250

organized as sort of a show-and-tell or

993

00:50:42,500 --> 00:50:39,840

teaching by example of you know

994

00:50:45,190 --> 00:50:42,510

alternatives for our modes of living

995

00:50:47,450 --> 00:50:45,200

very good all right well thanks so much

996

00:50:50,420 --> 00:50:47,460

thank you for having me it was a

997

00:50:52,220 --> 00:50:50,430

pleasure okay if all goes well during

998

00:51:28,870 --> 00:50:52,230

the music break right here we'll be

999

00:51:36,590 --> 00:51:32,960

great look Cameron how are you just fine

1000

00:51:40,490 --> 00:51:36,600

just Martin yes yes the one and only

1001  
00:51:42,500 --> 00:51:40,500  
yeah welcome to the show oh thanks for

1002  
00:51:45,050 --> 00:51:42,510  
having me on again yeah you were on

1003  
00:51:46,820 --> 00:51:45,060  
quite a while ago so you're a new guest

1004  
00:51:49,850 --> 00:51:46,830  
to us up now people that listen to the

1005  
00:51:52,070 --> 00:51:49,860  
Dark Matter digital network they heard

1006  
00:51:56,030 --> 00:51:52,080  
you just what Monday night was it on art

1007  
00:51:57,350 --> 00:51:56,040  
bell Monday night yes yeah so grant just

1008  
00:51:59,540 --> 00:51:57,360  
to let you know we're going to go for a

1009  
00:52:01,400 --> 00:51:59,550  
little while here we take a one music

1010  
00:52:02,690 --> 00:52:01,410  
break and we're going to take that about

1011  
00:52:04,850 --> 00:52:02,700  
I don't know maybe 10 or 15 minutes

1012  
00:52:06,530 --> 00:52:04,860  
something like that and then and then

1013  
00:52:08,390 --> 00:52:06,540

we'll come back on but it's not a music

1014

00:52:10,000 --> 00:52:08,400

break where we sweet talk or anything

1015

00:52:15,260 --> 00:52:10,010

like that it's just a real quick break

1016

00:52:17,510 --> 00:52:15,270

so grant I'd like to talk to about

1017

00:52:19,940 --> 00:52:17,520

different subjects basically than you

1018

00:52:21,890 --> 00:52:19,950

spoke on art bells but there was a

1019

00:52:23,270 --> 00:52:21,900

couple things you wanted to address more

1020

00:52:24,890 --> 00:52:23,280

that you thought about him some

1021

00:52:26,320 --> 00:52:24,900

questions that were asked review you

1022

00:52:29,870 --> 00:52:26,330

want to talk about that a little bit

1023

00:52:31,610 --> 00:52:29,880

yeah the one thing that that I really

1024

00:52:36,980 --> 00:52:31,620

hadn't thought about too much was this

1025

00:52:39,050 --> 00:52:36,990

idea about evil aliens a lot of people

1026

00:52:40,400 --> 00:52:39,060

along not a lot of people it's actually

1027

00:52:44,030 --> 00:52:40,410

the figures actually show up there's a

1028

00:52:46,670 --> 00:52:44,040

big poll was done by the organization

1029

00:52:49,220 --> 00:52:46,680

the Edgar Mitchell organization 1,200

1030

00:52:51,500 --> 00:52:49,230

experiencers filled out the survey and

1031

00:52:54,170 --> 00:52:51,510

in section 2 the question is actually

1032

00:52:56,030 --> 00:52:54,180

asked of the experiencers and the

1033

00:52:57,890 --> 00:52:56,040

question is do you believe the aliens

1034

00:53:00,530 --> 00:52:57,900

are evil and it's only a nine point

1035

00:53:02,030 --> 00:53:00,540

eight percent less than ten percent of

1036

00:53:04,160 --> 00:53:02,040

the people actually believe they're the

1037

00:53:05,480 --> 00:53:04,170

aliens are evil these are the people

1038

00:53:07,160 --> 00:53:05,490

that are involved in the whole thing and

1039

00:53:11,300 --> 00:53:07,170

one of the questions that come up during

1040

00:53:14,240 --> 00:53:11,310

arts show was a question about cattle

1041

00:53:16,400 --> 00:53:14,250

mutilations and we didn't occur to me at

1042

00:53:17,360 --> 00:53:16,410

the time but basically cattle

1043

00:53:19,520 --> 00:53:17,370

mutilations is something that's

1044

00:53:20,960 --> 00:53:19,530

basically it's not stopped but it's

1045

00:53:23,480 --> 00:53:20,970

pretty far down from what it was before

1046

00:53:25,310 --> 00:53:23,490

and this is one things I've actually

1047

00:53:27,410 --> 00:53:25,320

lectured on is what i call the alien

1048

00:53:29,960 --> 00:53:27,420

pattern that I've been in this since

1049

00:53:32,150 --> 00:53:29,970

1975 I've been in a long time and I know

1050

00:53:33,019 --> 00:53:32,160

that what happened in 1975 doesn't

1051  
00:53:35,029 --> 00:53:33,029  
happen anymore

1052  
00:53:37,370 --> 00:53:35,039  
basically we are almost like watching

1053  
00:53:39,229 --> 00:53:37,380  
somebody turn the pages of a book that

1054  
00:53:41,419 --> 00:53:39,239  
this phenomena is changing is changing

1055  
00:53:44,149 --> 00:53:41,429  
and changing & cattle mutilations when I

1056  
00:53:46,969 --> 00:53:44,159  
started 1975 were absolutely horrendous

1057  
00:53:49,249 --> 00:53:46,979  
they were all over the place there was a

1058  
00:53:51,349 --> 00:53:49,259  
ranchers with guns out in their field

1059  
00:53:53,059 --> 00:53:51,359  
shooting at anything it was moving in

1060  
00:53:54,949 --> 00:53:53,069  
the sky there was huge numbers of

1061  
00:53:56,870 --> 00:53:54,959  
Catholics it basically does not really

1062  
00:53:59,209 --> 00:53:56,880  
happen anymore I know of one case in

1063  
00:54:01,429 --> 00:53:59,219

Kansas City it was either last year the

1064

00:54:03,380 --> 00:54:01,439

year before that outside the Kansas City

1065

00:54:04,939 --> 00:54:03,390

Airport there was just one I was just

1066

00:54:07,789 --> 00:54:04,949

looking on the news to see cattle

1067

00:54:10,370 --> 00:54:07,799

mutilations there's one in June in

1068

00:54:12,829 --> 00:54:10,380

Alberta Canada but basically doesn't

1069

00:54:15,169 --> 00:54:12,839

happen anymore and so this whole idea of

1070

00:54:16,789 --> 00:54:15,179

cattle mutilations was raised and it

1071

00:54:18,859 --> 00:54:16,799

sort of indicates that you know these

1072

00:54:20,390 --> 00:54:18,869

aliens may be evil and so when I was

1073

00:54:23,390 --> 00:54:20,400

thinking about it later I it occurred to

1074

00:54:25,130 --> 00:54:23,400

me if you actually look at it I mean if

1075

00:54:27,259 --> 00:54:25,140

you are an alien and you can go through

1076

00:54:28,729 --> 00:54:27,269

walls and if you're an alien and you can

1077

00:54:30,799 --> 00:54:28,739

see they seem to be able to go into the

1078

00:54:33,169 --> 00:54:30,809

future go into the past they seem to be

1079

00:54:35,029 --> 00:54:33,179

able to appear as balls of light and

1080

00:54:37,339 --> 00:54:35,039

turn into human beings or turn into

1081

00:54:39,709 --> 00:54:37,349

physical beings they have all this power

1082

00:54:41,959 --> 00:54:39,719

to go through time and space it doesn't

1083

00:54:44,569 --> 00:54:41,969

it doesn't appear to me that an alien

1084

00:54:46,849 --> 00:54:44,579

from the other side of the galaxy is

1085

00:54:49,309 --> 00:54:46,859

going to decide to come across the

1086

00:54:51,079 --> 00:54:49,319

galaxy mutilate a couple of cattle and

1087

00:54:53,689 --> 00:54:51,089

then go back home again I think the

1088

00:54:55,579 --> 00:54:53,699

cattle mutilation thing is extremely

1089

00:54:56,870 --> 00:54:55,589

complex as to what's going on here what

1090

00:54:59,539 --> 00:54:56,880

kind of message I believe it's a message

1091

00:55:01,669 --> 00:54:59,549

they're sending and even some of the

1092

00:55:03,319 --> 00:55:01,679

latest postings I just contacted Linda

1093

00:55:04,519 --> 00:55:03,329

haven't heard back from her but Linda

1094

00:55:07,819 --> 00:55:04,529

Howe was actually talking about the fact

1095

00:55:09,759 --> 00:55:07,829

that is 2013 that the complexity of the

1096

00:55:13,309 --> 00:55:09,769

cattle mutilations has just increased

1097

00:55:15,769 --> 00:55:13,319

exponentially in 2013 that some of these

1098

00:55:17,449 --> 00:55:15,779

cows don't have brains and the stuff

1099

00:55:19,609 --> 00:55:17,459

that there's no way you could account

1100

00:55:21,859 --> 00:55:19,619

for it by saying this just predators or

1101

00:55:24,469 --> 00:55:21,869

stuff like that so the whole idea of

1102

00:55:25,939 --> 00:55:24,479

evil aliens really isn't supported by

1103

00:55:28,099 --> 00:55:25,949

the data and it's not supported by the

1104

00:55:29,989 --> 00:55:28,109

experiences themselves this whole idea

1105

00:55:33,559 --> 00:55:29,999

that there's some sort of evil force

1106

00:55:36,649 --> 00:55:33,569

that's here to take over the world and I

1107

00:55:37,939 --> 00:55:36,659

even mentioned in some of my lectures I

1108

00:55:40,249 --> 00:55:37,949

talked about the fact that if you

1109

00:55:41,569 --> 00:55:40,259

actually look at the experience or data

1110

00:55:43,609 --> 00:55:41,579

which is what you have to look at the

1111

00:55:45,890 --> 00:55:43,619

Siq data from the people who are

1112

00:55:47,089 --> 00:55:45,900

actually encountering the phenomena not

1113

00:55:48,680 --> 00:55:47,099

from somebody sitting on this

1114

00:55:50,450 --> 00:55:48,690

lines but the people who were actually

1115

00:55:53,630 --> 00:55:50,460

there every night when this is happening

1116

00:55:55,099 --> 00:55:53,640

to them if you look at their reports you

1117

00:55:57,799 --> 00:55:55,109

actually see that there's very very

1118

00:56:00,380 --> 00:55:57,809

little actually physical about about

1119

00:56:02,180 --> 00:56:00,390

aliens you have a situation where

1120

00:56:04,329 --> 00:56:02,190

they're telepathic they can sort of

1121

00:56:06,950 --> 00:56:04,339

appear as balls of lights and turn into

1122

00:56:09,079 --> 00:56:06,960

beings but if you take a look at some of

1123

00:56:11,210 --> 00:56:09,089

the notions that are out there that the

1124

00:56:13,039 --> 00:56:11,220

aliens are here to steal the planet get

1125

00:56:14,509 --> 00:56:13,049

our gold and stuff if you look at aliens

1126

00:56:16,190 --> 00:56:14,519

there's almost nothing physical for

1127

00:56:18,289 --> 00:56:16,200

example if they're here to steal our

1128

00:56:19,430 --> 00:56:18,299

gold they don't have jewelry I'm almost

1129

00:56:21,859 --> 00:56:19,440

nobody I don't think anybody's ever

1130

00:56:23,420 --> 00:56:21,869

described jewelry nobody describes

1131

00:56:24,650 --> 00:56:23,430

clothes so I mean if they're going to

1132

00:56:25,640 --> 00:56:24,660

take over the planet what are they

1133

00:56:27,170 --> 00:56:25,650

taking over they really don't want

1134

00:56:28,400 --> 00:56:27,180

anything on this planet because they

1135

00:56:30,769 --> 00:56:28,410

don't have clothes and if they do have

1136

00:56:32,479 --> 00:56:30,779

clothes on the experiences will report

1137

00:56:34,670 --> 00:56:32,489

that they're wearing uniforms and all

1138

00:56:36,229 --> 00:56:34,680

the uniforms are the same they don't

1139

00:56:38,390 --> 00:56:36,239

even have chairs there's a story I know

1140

00:56:39,859 --> 00:56:38,400

if you've ever had bret oldham on he

1141

00:56:42,019 --> 00:56:39,869

wrote the book called children of the

1142

00:56:43,849 --> 00:56:42,029

greys he's one of the very interesting

1143

00:56:45,319 --> 00:56:43,859

ones who had the download which I can

1144

00:56:47,569 --> 00:56:45,329

talk about maybe in a minute the

1145

00:56:49,219 --> 00:56:47,579

download about the the cancer cure he's

1146

00:56:51,079 --> 00:56:49,229

given the cancer cure by the aliens and

1147

00:56:53,569 --> 00:56:51,089

he talks about he's a big guy he's like

1148

00:56:55,999 --> 00:56:53,579

six foot five six foot six he's big big

1149

00:56:57,890 --> 00:56:56,009

tall guy and he talked about being

1150

00:57:00,140 --> 00:56:57,900

forced to sit in the hallway on this

1151  
00:57:01,609 --> 00:57:00,150  
little bench and and they don't have

1152  
00:57:03,079 --> 00:57:01,619  
furniture I mean if you go on to an

1153  
00:57:04,549 --> 00:57:03,089  
alien craft I mean you figured they

1154  
00:57:06,829 --> 00:57:04,559  
would have liked some nice leather

1155  
00:57:08,749 --> 00:57:06,839  
couches they have nothing at all of us

1156  
00:57:11,029 --> 00:57:08,759  
yeah yeah he's forced to sit on this

1157  
00:57:12,650 --> 00:57:11,039  
bench and all the fall of furniture in

1158  
00:57:14,479 --> 00:57:12,660  
the craft we know from experiences

1159  
00:57:16,579 --> 00:57:14,489  
actually as part of the crowd okay it's

1160  
00:57:17,959 --> 00:57:16,589  
molded into the craft so he's sitting on

1161  
00:57:19,519 --> 00:57:17,969  
this little tiny bench it can barely

1162  
00:57:21,739 --> 00:57:19,529  
even selling because it's so small and

1163  
00:57:23,299 --> 00:57:21,749

so there you look at the aliens they

1164

00:57:26,719 --> 00:57:23,309

really have nothing of any sort of

1165

00:57:29,900 --> 00:57:26,729

physical value or so I that again

1166

00:57:31,579 --> 00:57:29,910

indicates that their role here is

1167

00:57:33,140 --> 00:57:31,589

probably something that's not very

1168

00:57:34,819 --> 00:57:33,150

physical it's got something to do with

1169

00:57:36,559 --> 00:57:34,829

something else that they don't seem to

1170

00:57:40,309 --> 00:57:36,569

be interested in physical material or

1171

00:57:41,479 --> 00:57:40,319

doing physical stuff and so those are

1172

00:57:45,200 --> 00:57:41,489

the kind of things that I was thinking

1173

00:57:46,640 --> 00:57:45,210

about after i was on art show that I

1174

00:57:48,200 --> 00:57:46,650

think these are significant things that

1175

00:57:50,630 --> 00:57:48,210

people should know when you when you

1176

00:57:51,920 --> 00:57:50,640

look at the data and the data is

1177

00:57:54,229 --> 00:57:51,930

actually very interesting when you start

1178

00:57:57,799 --> 00:57:54,239

looking at the data produced by the

1179

00:58:00,170 --> 00:57:57,809

experiences as to you know what

1180

00:58:01,100 --> 00:58:00,180

interests them this idea that thirty

1181

00:58:02,630 --> 00:58:01,110

five percent of all

1182

00:58:05,810 --> 00:58:02,640

Spencer's have had near-death

1183

00:58:08,150 --> 00:58:05,820

experiences which is very bizarre wow I

1184

00:58:09,950 --> 00:58:08,160

never heard that well hey hey grant

1185

00:58:12,260 --> 00:58:09,960

before I forget I'm going to be meeting

1186

00:58:14,240 --> 00:58:12,270

you fairly soon you're gonna be at the

1187

00:58:16,130 --> 00:58:14,250

experience to speak and that's what

1188

00:58:17,930 --> 00:58:16,140

that's August I'm sorry August

1189

00:58:20,420 --> 00:58:17,940

twenty-eighth is it do you know the

1190

00:58:23,360 --> 00:58:20,430

dance the knife is it the weekend of the

1191

00:58:26,090 --> 00:58:23,370

last week end of August in Portland yeah

1192

00:58:28,220 --> 00:58:26,100

and that's the big experencer one is to

1193

00:58:29,450 --> 00:58:28,230

sort of two real big experience or

1194

00:58:31,060 --> 00:58:29,460

groups well there's actually three

1195

00:58:34,010 --> 00:58:31,070

there's zero which is in Los Angeles

1196

00:58:35,810 --> 00:58:34,020

that's the Avon smiths group and I've

1197

00:58:38,510 --> 00:58:35,820

spoken to them that's a fairly big

1198

00:58:41,620 --> 00:58:38,520

experience or support group then if you

1199

00:58:45,050 --> 00:58:41,630

ever go to UFO Congress which is in

1200

00:58:47,270 --> 00:58:45,060

Phoenix Arizona they sort of started

1201

00:58:50,960 --> 00:58:47,280

this experience or support group thing

1202

00:58:52,450 --> 00:58:50,970

and when you first when it started they

1203

00:58:55,910 --> 00:58:52,460

have it first thing in the morning

1204

00:58:57,890 --> 00:58:55,920

because basically the people all right

1205

00:58:59,210 --> 00:58:57,900

it's a very sort of anonymous thing so

1206

00:59:01,070 --> 00:58:59,220

it starts at eight o'clock in the

1207

00:59:02,630 --> 00:59:01,080

morning and I know as a lecture the last

1208

00:59:03,830 --> 00:59:02,640

thing you want is a lecturer to be is

1209

00:59:05,720 --> 00:59:03,840

the guy that's lecturing at nine o'clock

1210

00:59:06,950 --> 00:59:05,730

in the morning because everybody's up

1211

00:59:08,300 --> 00:59:06,960

till three o'clock in the morning

1212

00:59:10,130 --> 00:59:08,310

talking everybody they're out at the bar

1213

00:59:11,210 --> 00:59:10,140

or whatever and nobody gets up for the

1214

00:59:12,650 --> 00:59:11,220

first lecture so if you're the first

1215

00:59:14,390 --> 00:59:12,660

lecture you basically don't have many

1216

00:59:16,130 --> 00:59:14,400

people there but the experimenter thing

1217

00:59:17,240 --> 00:59:16,140

actually starts an hour before the first

1218

00:59:19,310 --> 00:59:17,250

lecture it's eight o'clock in the

1219

00:59:20,540 --> 00:59:19,320

morning and the reason for that is they

1220

00:59:23,150 --> 00:59:20,550

really don't want people to want to be

1221

00:59:25,850 --> 00:59:23,160

seen going to the experience your event

1222

00:59:28,490 --> 00:59:25,860

and it's in a back room and they're up

1223

00:59:30,770 --> 00:59:28,500

to like 150 150 people last time I saw

1224

00:59:32,510 --> 00:59:30,780

they have two rooms which are standing

1225

00:59:33,650 --> 00:59:32,520

room only and you go in this room and

1226

00:59:35,930 --> 00:59:33,660

there's people crying and they're very

1227

00:59:37,400 --> 00:59:35,940

emotional about they've come from all

1228

00:59:39,110 --> 00:59:37,410

over the country to tell their story

1229

00:59:41,480 --> 00:59:39,120

because this is the first time they

1230

00:59:43,280 --> 00:59:41,490

found a place where they've got support

1231

00:59:47,480 --> 00:59:43,290

for their experience and the third event

1232

00:59:49,460 --> 00:59:47,490

that Audrey hewins putting on is this

1233

00:59:53,270 --> 00:59:49,470

experience or speak conference in

1234

00:59:58,280 --> 00:59:53,280

portland and she had this vision back a

1235

01:00:00,230 --> 00:59:58,290

number of years ago to from this sort of

1236

01:00:02,780 --> 01:00:00,240

the shining lady we sort of called sort

1237

01:00:05,480 --> 01:00:02,790

of a inside story that she had she had

1238

01:00:07,190 --> 01:00:05,490

this event where she is basically told

1239

01:00:08,900 --> 01:00:07,200

to start this group and this is the

1240

01:00:11,210 --> 01:00:08,910

third big one and it happens in Portland

1241

01:00:13,520 --> 01:00:11,220

Maine and it's basically a conference

1242

01:00:14,660 --> 01:00:13,530

for experiences and I'm honored that I'm

1243

01:00:17,840 --> 01:00:14,670

going to be able to speak they

1244

01:00:19,430 --> 01:00:17,850

and talk about my experience or group

1245

01:00:21,290 --> 01:00:19,440

here in Winnipeg and I'm going to talk

1246

01:00:23,210 --> 01:00:21,300

about downloads because one of the

1247

01:00:25,730 --> 01:00:23,220

figures that I think is very important

1248

01:00:28,850 --> 01:00:25,740

that doesn't get enough attention is

1249

01:00:30,230 --> 01:00:28,860

that most people may not know that of

1250

01:00:31,670 --> 01:00:30,240

all the people who are experiences you

1251

01:00:33,020 --> 01:00:31,680

fill out these 1,200 people who filled

1252

01:00:34,670 --> 01:00:33,030

out the survey and not everybody

1253

01:00:36,470 --> 01:00:34,680

answered every question but of the

1254

01:00:39,440 --> 01:00:36,480

people who answered the question it's

1255

01:00:42,700 --> 01:00:39,450

question number 53 in part number one it

1256

01:00:44,960 --> 01:00:42,710

says have you ever do you have anything

1257

01:00:48,020 --> 01:00:44,970

and in the nature of scientific

1258

01:00:50,300 --> 01:00:48,030

technical or mathematical material in

1259

01:00:51,770 --> 01:00:50,310

your head that you did not get from

1260

01:00:54,770 --> 01:00:51,780

going to school or from any other means

1261

01:00:57,440 --> 01:00:54,780

and forty-three percent of experience

1262

01:00:59,120 --> 01:00:57,450

yours will say yes I got that and there

1263

01:01:01,400 --> 01:00:59,130

people are getting downloads what I call

1264

01:01:04,040 --> 01:01:01,410

downloads the aliens for some reason are

1265

01:01:05,720 --> 01:01:04,050

sticking highly advanced material in

1266

01:01:07,340 --> 01:01:05,730

people's heads people are sort of like

1267

01:01:09,200 --> 01:01:07,350

these experiences were like going to

1268

01:01:11,870 --> 01:01:09,210

school they're learning all this kind of

1269

01:01:13,850 --> 01:01:11,880

stuff and I some of them are very

1270

01:01:16,820 --> 01:01:13,860

dramatic i had a woman and unfortunately

1271

01:01:18,920 --> 01:01:16,830

mr. because i lectured at contact in the

1272

01:01:20,480 --> 01:01:18,930

desert last month and i had a woman

1273

01:01:22,190 --> 01:01:20,490

after my workshop came up there's a

1274

01:01:24,920 --> 01:01:22,200

whole bunch of people because once

1275

01:01:26,690 --> 01:01:24,930

people know that you are supportive of

1276

01:01:28,550 --> 01:01:26,700

his experiences and that you know about

1277

01:01:30,770 --> 01:01:28,560

experiences I was inundated with these

1278

01:01:32,330 --> 01:01:30,780

experiences after my workshop and one of

1279

01:01:33,950 --> 01:01:32,340

the women hands me her phone she said

1280

01:01:35,840 --> 01:01:33,960

look what I got and she said I'm a

1281

01:01:38,090 --> 01:01:35,850

secretary and I got this 25 page

1282

01:01:39,170 --> 01:01:38,100

scientific download and it had formulas

1283

01:01:41,030 --> 01:01:39,180

and all his kind of stuff and she said

1284

01:01:42,560 --> 01:01:41,040

she mentioned some scientists who had

1285

01:01:44,450 --> 01:01:42,570

checked it and said it made sense or

1286

01:01:46,040 --> 01:01:44,460

whatever and I said can you please send

1287

01:01:47,510 --> 01:01:46,050

me this can you because I'd heard about

1288

01:01:50,150 --> 01:01:47,520

these stories before there's a couple of

1289

01:01:52,190 --> 01:01:50,160

these stories of these 25 27 page

1290

01:01:53,180 --> 01:01:52,200

downloads these people suddenly they're

1291

01:01:55,280 --> 01:01:53,190

just sitting there and they're writing

1292

01:01:57,200 --> 01:01:55,290

this stuff out and she promised she

1293

01:02:01,120 --> 01:01:57,210

would but she never did so you get this

1294

01:02:04,280 --> 01:02:01,130

kind of stuff where people are getting

1295

01:02:06,200 --> 01:02:04,290

virus I know a guy can't out the guy but

1296

01:02:09,020 --> 01:02:06,210

I know who he is he said a university in

1297

01:02:11,570 --> 01:02:09,030

Texas gotta download on how to kill a

1298

01:02:13,340 --> 01:02:11,580

bike kill viruses with us they AIDS

1299

01:02:15,200 --> 01:02:13,350

virus or the cold buyers and what it

1300

01:02:17,000 --> 01:02:15,210

does is it encapsulate the virus and

1301

01:02:20,420 --> 01:02:17,010

he's there's no ifs ands or buts he's

1302

01:02:21,950 --> 01:02:20,430

telling me this research doctor it came

1303

01:02:24,110 --> 01:02:21,960

from aliens he told me about his alien

1304

01:02:25,790 --> 01:02:24,120

experiences his daughter actually helps

1305

01:02:27,500 --> 01:02:25,800

me run and explain my experience or

1306

01:02:28,580 --> 01:02:27,510

group here in Winnipeg and she's a

1307

01:02:31,910 --> 01:02:28,590

medical trained

1308

01:02:34,010 --> 01:02:31,920

derp and so you get these guys I have a

1309

01:02:35,630 --> 01:02:34,020

guy former NASA engineer who put an

1310

01:02:37,280 --> 01:02:35,640

experiment again I can't out the guy but

1311

01:02:40,190 --> 01:02:37,290

put an experiment on the space shuttle

1312

01:02:41,270 --> 01:02:40,200

and a very dramatic experiment and they

1313

01:02:42,560 --> 01:02:41,280

said no we're not putting this on here

1314

01:02:45,980 --> 01:02:42,570

is this garbage never going to work and

1315

01:02:47,660 --> 01:02:45,990

he got this idea this download and fine

1316

01:02:49,400 --> 01:02:47,670

he got some scientists to sign off on it

1317

01:02:51,470 --> 01:02:49,410

they put on the space shuttle and it

1318

01:02:53,480 --> 01:02:51,480

worked and he sold his company for I

1319

01:02:55,370 --> 01:02:53,490

reported one hundred million dollars he

1320

01:02:57,800 --> 01:02:55,380

and his partner and he told me said

1321

01:02:59,840 --> 01:02:57,810

grant that idea came in my head that

1322

01:03:01,940 --> 01:02:59,850

morning the last thing I remember that

1323

01:03:03,650 --> 01:03:01,950

night was a hooded figure standing at

1324

01:03:05,510 --> 01:03:03,660

the end of my bed so this is I think

1325

01:03:06,470 --> 01:03:05,520

very important I mean I didn't is what

1326

01:03:10,250 --> 01:03:06,480

I'm going to talk about it at the

1327

01:03:11,870 --> 01:03:10,260

experiancer conference in Maine I'm

1328

01:03:14,950 --> 01:03:11,880

going to talk about these downloads and

1329

01:03:17,840 --> 01:03:14,960

dramatic stop like cures to cancer and

1330

01:03:19,040 --> 01:03:17,850

so the whole the whole point is what do

1331

01:03:20,660 --> 01:03:19,050

you do if you get this kind of stuff to

1332

01:03:22,550 --> 01:03:20,670

me it's much more important than chasing

1333

01:03:23,990 --> 01:03:22,560

sightings it's much more important than

1334

01:03:25,130 --> 01:03:24,000

what the what the government knows or

1335

01:03:27,200 --> 01:03:25,140

whether they're going to tell us or

1336

01:03:28,700 --> 01:03:27,210

whatever these people have got material

1337

01:03:30,230 --> 01:03:28,710

that they're being given and I think we

1338

01:03:32,330 --> 01:03:30,240

should try to figure out why they're

1339

01:03:34,640 --> 01:03:32,340

being given this material and is

1340

01:03:37,460 --> 01:03:34,650

anything that they have a legitimate

1341

01:03:38,780 --> 01:03:37,470

benefit well I because I yeah because i

1342

01:03:40,250 --> 01:03:38,790

mention that i mention that one with

1343

01:03:42,290 --> 01:03:40,260

bret oldham I know if you're going to go

1344

01:03:43,550 --> 01:03:42,300

to the breaker we can yeah we're going

1345

01:03:45,020 --> 01:03:43,560

to know we're going to go with the break

1346

01:03:46,520 --> 01:03:45,030

and I hope you don't take offense at

1347

01:03:50,330 --> 01:03:46,530

this but did you have a double latte

1348

01:03:53,660 --> 01:03:50,340

before the show yes I talk fast yeah

1349

01:03:55,940 --> 01:03:53,670

okay we'll get used to it that's fine we

1350

01:03:57,830 --> 01:03:55,950

I love getting a lot of information so

1351

01:04:00,770 --> 01:03:57,840

this would be great but no it will take

1352

01:04:03,380 --> 01:04:00,780

a break in just a minute here I wanted

1353

01:04:05,750 --> 01:04:03,390

to say to the live listener out there

1354

01:04:09,410 --> 01:04:05,760

you can jump over to the chat room which

1355

01:04:10,970 --> 01:04:09,420

is at podcast UFO calm and also this is

1356

01:04:12,740 --> 01:04:10,980

a call-in show if you'd like to call in

1357

01:04:18,440 --> 01:04:12,750

some people do every once in a while

1358

01:04:20,630 --> 01:04:18,450

that's 60 39 6 7 40 30 so grant just

1359

01:04:23,120 --> 01:04:20,640

before we take a quick break here are

1360

01:04:25,820 --> 01:04:23,130

you taking a little bit of a break from

1361

01:04:28,580 --> 01:04:25,830

you are known for the president's UFOs

1362

01:04:30,050 --> 01:04:28,590

are you still active in that and if so

1363

01:04:32,690 --> 01:04:30,060

we can talk about it in the second hour

1364

01:04:34,820 --> 01:04:32,700

I just wanted to ask that quick question

1365

01:04:36,680 --> 01:04:34,830

I I still follow it I don't think it's

1366

01:04:39,260 --> 01:04:36,690

as important as experience your stuff

1367

01:04:41,930 --> 01:04:39,270

but I do follow it and I do have my book

1368

01:04:42,630 --> 01:04:41,940

is back in in line I have a presidential

1369

01:04:44,309 --> 01:04:42,640

UFO

1370

01:04:47,490 --> 01:04:44,319

that was supposed to come out about 10

1371

01:04:50,039 --> 01:04:47,500

years ago was contracted in New York

1372

01:04:52,099 --> 01:04:50,049

never did come out but its back on track

1373

01:04:54,870 --> 01:04:52,109

again and we may be going with it oh

1374

01:04:58,319 --> 01:04:54,880

great and you have a working title for

1375

01:05:00,059 --> 01:04:58,329

that book I was presidents and UFOs but

1376

01:05:02,460 --> 01:05:00,069

somebody else did the just put out a

1377

01:05:03,299 --> 01:05:02,470

book with the same title okay so it's

1378

01:05:05,549 --> 01:05:03,309

going to be it's going to be different

1379

01:05:07,019 --> 01:05:05,559

but it's it's basically going to have

1380

01:05:08,730 --> 01:05:07,029

you up all in the title and and it's

1381

01:05:11,849 --> 01:05:08,740

that the stories of the president's but

1382

01:05:13,710 --> 01:05:11,859

it'll it'll move it's very interesting

1383

01:05:14,940 --> 01:05:13,720

stuff with the president's knowing who's

1384

01:05:17,190 --> 01:05:14,950

seen UFOs and all that kind of stuff

1385

01:05:19,049 --> 01:05:17,200

it's extremely interesting stuff yeah I

1386

01:05:21,960 --> 01:05:19,059

really like to talk about that a little

1387

01:05:25,380 --> 01:05:21,970

chart in the second hour okay so hang on

1388

01:05:27,120 --> 01:05:25,390

and the podcast listener if you want to

1389

01:05:29,009 --> 01:05:27,130

listen to the entire show you can

1390

01:05:31,410 --> 01:05:29,019

support the show for only a dollar a

1391

01:05:34,859 --> 01:05:31,420

month or more right on our website you

1392

01:05:37,200 --> 01:05:34,869

can see that at podcast UFO calm all

1393

01:05:39,150 --> 01:05:37,210

right so hang in for this really quick

1394

01:06:11,490 --> 01:05:39,160

little muse break and we'll be right

1395

01:06:19,240 --> 01:06:14,710

our music is provided by Kerry Lloyd

1396

01:06:23,829 --> 01:06:19,250

white house over in Ireland and we're

1397

01:06:27,130 --> 01:06:23,839

back with grant Cameron and so grant so

1398

01:06:31,359 --> 01:06:27,140

when did you decide to take this turn

1399

01:06:35,800 --> 01:06:31,369

into looking into the experiences and I

1400

01:06:37,510 --> 01:06:35,810

understand there's a there's a little

1401

01:06:39,880 --> 01:06:37,520

language thing going on here some people

1402

01:06:43,480 --> 01:06:39,890

say abductees and some people say

1403

01:06:46,000 --> 01:06:43,490

experiencers why is that why do you hear

1404

01:06:48,910 --> 01:06:46,010

both and is that heading more toward the

1405

01:06:51,400 --> 01:06:48,920

experiencers I think experience there's

1406

01:06:53,349 --> 01:06:51,410

people who are part of it call

1407

01:06:55,870 --> 01:06:53,359

themselves experiencers the people who

1408

01:06:58,059 --> 01:06:55,880

think it's evil aliens call it abductees

1409

01:07:01,630 --> 01:06:58,069

because the abductee thing indicates

1410

01:07:04,390 --> 01:07:01,640

that you are taken by force that you're

1411

01:07:08,650 --> 01:07:04,400

this poor helpless victim if you talk to

1412

01:07:12,720 --> 01:07:08,660

someone like a Merry Rodwell who is

1413

01:07:14,740 --> 01:07:12,730

actually going to be a guest for my next

1414

01:07:16,930 --> 01:07:14,750

group i have a group of winnipeg called

1415

01:07:19,990 --> 01:07:16,940

experiences anonymous she's going I'm

1416

01:07:21,760 --> 01:07:20,000

going to put her on skype next week we

1417

01:07:23,319 --> 01:07:21,770

have first Tuesday of every month she's

1418

01:07:25,120 --> 01:07:23,329

coming on if you talked to Mary Rodwell

1419

01:07:27,700 --> 01:07:25,130

has done two thousand plus regressions

1420

01:07:29,950 --> 01:07:27,710

she and I both agree that if you're in a

1421

01:07:31,870 --> 01:07:29,960

regression and you ask the person the

1422

01:07:33,059 --> 01:07:31,880

question at any point in the past did

1423

01:07:36,099 --> 01:07:33,069

you agree to be in this situation

1424

01:07:38,339 --> 01:07:36,109

everybody will say yes then this is not

1425

01:07:42,010 --> 01:07:38,349

people are not being taken by force

1426

01:07:43,599 --> 01:07:42,020

these are my impression are highly

1427

01:07:46,630 --> 01:07:43,609

spiritually advanced people who have

1428

01:07:49,240 --> 01:07:46,640

made an agreement to come into this

1429

01:07:51,280 --> 01:07:49,250

world and fulfill this role of raising

1430

01:07:52,930 --> 01:07:51,290

consciousness and the example when I

1431

01:07:54,430 --> 01:07:52,940

lecture on this I always tell the story

1432

01:07:56,200 --> 01:07:54,440

of the Moody Blues that you may think

1433

01:07:58,420 --> 01:07:56,210

I'm totally crazy by telling the story

1434

01:08:01,870 --> 01:07:58,430

and whatever there's a lot of people I

1435

01:08:04,030 --> 01:08:01,880

camera with the figure is but it may be

1436

01:08:06,730 --> 01:08:04,040

twenty percent of experiencers say that

1437

01:08:09,370 --> 01:08:06,740

they recall before they were born there

1438

01:08:11,829 --> 01:08:09,380

the events before they were born Chris

1439

01:08:13,780 --> 01:08:11,839

blood shows a famous example very famous

1440

01:08:15,670 --> 01:08:13,790

abductor you North Carolina

1441

01:08:17,500 --> 01:08:15,680

and the story i always tell is you may

1442

01:08:19,300 --> 01:08:17,510

not believe me but i tell the story the

1443

01:08:22,210 --> 01:08:19,310

moody blues and the moody blues is

1444

01:08:24,550 --> 01:08:22,220

famous band everybody in the in iraq or

1445

01:08:27,010 --> 01:08:24,560

the UFO community sort of knows who they

1446

01:08:29,440 --> 01:08:27,020

are loves their music oh yes we have we

1447

01:08:31,360 --> 01:08:29,450

actually have a big fan of the show that

1448

01:08:34,120 --> 01:08:31,370

has an involvement with them and she may

1449

01:08:37,930 --> 01:08:34,130

be listening right now yeah and so they

1450

01:08:42,130 --> 01:08:37,940

did 50 million albums and the lead

1451  
01:08:44,380 --> 01:08:42,140  
singer there a Mike pinder and the lead

1452  
01:08:47,140 --> 01:08:44,390  
guitarist approached Colin Andrews and

1453  
01:08:49,300 --> 01:08:47,150  
colin has told the story publicly they

1454  
01:08:50,680 --> 01:08:49,310  
contacted him after one of his journeys

1455  
01:08:52,059 --> 01:08:50,690  
crops her collection said we'd like to

1456  
01:08:54,309 --> 01:08:52,069  
talk to you they took remote for dinner

1457  
01:08:55,809 --> 01:08:54,319  
and Colin said the story went back and

1458  
01:08:57,970 --> 01:08:55,819  
forth the kinder and the lead guitarist

1459  
01:08:59,380 --> 01:08:57,980  
and and there is the one guy tell the

1460  
01:09:00,579 --> 01:08:59,390  
party starting to go back forth back and

1461  
01:09:02,020 --> 01:09:00,589  
forth and he said you could tell they

1462  
01:09:04,660 --> 01:09:02,030  
were making up the story and basically

1463  
01:09:06,760 --> 01:09:04,670

they told Colin that they remembered

1464

01:09:09,099 --> 01:09:06,770

before they were born and they were in a

1465

01:09:10,840 --> 01:09:09,109

room and there was some sort of elder

1466

01:09:12,370 --> 01:09:10,850

people and they were begin given

1467

01:09:14,320 --> 01:09:12,380

instructions that they would be

1468

01:09:16,210 --> 01:09:14,330

musicians in their next life time and

1469

01:09:18,309 --> 01:09:16,220

that they would be putting in lyrics

1470

01:09:20,260 --> 01:09:18,319

into their songs raising consciousness

1471

01:09:23,260 --> 01:09:20,270

and and that this would be part of their

1472

01:09:24,789 --> 01:09:23,270

role and the Li and the lead guitars

1473

01:09:26,230 --> 01:09:24,799

said to Mike tell him how we came back

1474

01:09:28,690 --> 01:09:26,240

in the earth tell mom we came back to

1475

01:09:30,610 --> 01:09:28,700

that black hole and so Colin said was a

1476

01:09:33,160 --> 01:09:30,620

very dramatic story and this is like not

1477

01:09:35,020 --> 01:09:33,170

me this is like a top band and they were

1478

01:09:37,170 --> 01:09:35,030

clearly experiences they it's been

1479

01:09:39,910 --> 01:09:37,180

written up in a number of UFO magazines

1480

01:09:42,220 --> 01:09:39,920

1967 the entire band was coming back

1481

01:09:44,050 --> 01:09:42,230

from from a concert in Manchester

1482

01:09:45,670 --> 01:09:44,060

England and they were going back into

1483

01:09:48,130 --> 01:09:45,680

London they're going down the motorway

1484

01:09:49,720 --> 01:09:48,140

and pinder was in the back seat and he's

1485

01:09:51,280 --> 01:09:49,730

looking out the back window he sees this

1486

01:09:52,809 --> 01:09:51,290

red light in this whole event he's

1487

01:09:54,190 --> 01:09:52,819

watching watching it he calls the other

1488

01:09:55,900 --> 01:09:54,200

guys to get out of the car the thing

1489

01:09:58,330 --> 01:09:55,910

lands in the field and they arrived

1490

01:10:00,490 --> 01:09:58,340

three hours late back into London and

1491

01:10:02,710 --> 01:10:00,500

then later one of the band members

1492

01:10:04,000 --> 01:10:02,720

actually draws the alien he gets a

1493

01:10:06,550 --> 01:10:04,010

recollection of what the alien looks

1494

01:10:08,020 --> 01:10:06,560

like so they are sort of I don't think

1495

01:10:10,450 --> 01:10:08,030

they'll deny that they may have been

1496

01:10:13,870 --> 01:10:10,460

abducted at this point so you have these

1497

01:10:16,420 --> 01:10:13,880

guys who indicate that we may actually

1498

01:10:18,400 --> 01:10:16,430

make agreements and a few as i was

1499

01:10:21,730 --> 01:10:18,410

telling art and I I say is one of the

1500

01:10:24,820 --> 01:10:21,740

key parts of the UFO mystery is if a

1501

01:10:27,100 --> 01:10:24,830

reincarnation is a fact then this whole

1502

01:10:29,590 --> 01:10:27,110

game changes if somebody if you have

1503

01:10:33,370 --> 01:10:29,600

one experienter goes back before birth

1504

01:10:36,550 --> 01:10:33,380

and says I made an agreement I knew

1505

01:10:38,770 --> 01:10:36,560

about this before I was born then this

1506

01:10:40,750 --> 01:10:38,780

thing changes from a physical phenomena

1507

01:10:42,970 --> 01:10:40,760

to a spiritual phenomena that you and I

1508

01:10:44,709 --> 01:10:42,980

came into the world to do something if

1509

01:10:46,540 --> 01:10:44,719

you believe in reincarnation and that

1510

01:10:48,850 --> 01:10:46,550

experienters this is part of the mission

1511

01:10:50,950 --> 01:10:48,860

that they've taken in this lifetime to

1512

01:10:53,950 --> 01:10:50,960

do what this is and i always say and I I

1513

01:10:56,830 --> 01:10:53,960

did I actually addressed this grouping

1514

01:10:58,120 --> 01:10:56,840

in Phoenix Arizona this huge room they

1515

01:10:59,830 --> 01:10:58,130

were sort of complaining because you

1516

01:11:01,450 --> 01:10:59,840

sometimes you get to the abductee thing

1517

01:11:02,890 --> 01:11:01,460

where you sort of feel like Errol is a

1518

01:11:04,590 --> 01:11:02,900

tough life and you know we've gone

1519

01:11:07,540 --> 01:11:04,600

through a lot of stuff and it is an ugly

1520

01:11:09,430 --> 01:11:07,550

road that they travel but they were

1521

01:11:11,260 --> 01:11:09,440

saying you know the how tough it was and

1522

01:11:13,090 --> 01:11:11,270

I said I sort of reminded them I said

1523

01:11:16,090 --> 01:11:13,100

you got to remember that if you

1524

01:11:18,700 --> 01:11:16,100

understand the UFO story and you realize

1525

01:11:20,080 --> 01:11:18,710

how it ties into reality and how it

1526

01:11:21,760 --> 01:11:20,090

gives all the answers to reality and

1527

01:11:23,200 --> 01:11:21,770

what's actually going on here this is

1528

01:11:24,790 --> 01:11:23,210

the biggest story of all times there is

1529

01:11:26,979 --> 01:11:24,800

no story that would be bigger than this

1530

01:11:29,979 --> 01:11:26,989

one and this is the Super Bowl of all

1531

01:11:32,290 --> 01:11:29,989

stories and you as experiences are

1532

01:11:34,450 --> 01:11:32,300

chosen you may not like it you but you

1533

01:11:36,490 --> 01:11:34,460

have been chosen to play this game and

1534

01:11:37,689 --> 01:11:36,500

you are in the super bowl and you better

1535

01:11:40,570 --> 01:11:37,699

realize that you're in the Super Bowl

1536

01:11:43,450 --> 01:11:40,580

you could have been an untouchable and

1537

01:11:45,490 --> 01:11:43,460

you know 100-degree temperatures in the

1538

01:11:46,870 --> 01:11:45,500

slums of Calcutta spend your day in the

1539

01:11:49,270 --> 01:11:46,880

junkyard looking for something valuable

1540

01:11:51,310 --> 01:11:49,280

enough to sell to buy food for tomorrow

1541

01:11:52,629 --> 01:11:51,320

you didn't you got to play this big game

1542

01:11:54,160 --> 01:11:52,639

you got to play in the Super Bowl and

1543

01:11:56,109 --> 01:11:54,170

what I tell experiences you've got to

1544

01:11:58,240 --> 01:11:56,119

realize you're in this big game if you

1545

01:12:00,189 --> 01:11:58,250

have an important role to play and that

1546

01:12:03,580 --> 01:12:00,199

you probably are some sort of i believe

1547

01:12:05,770 --> 01:12:03,590

some sort of spiritually advanced person

1548

01:12:07,660 --> 01:12:05,780

who has a message and a role to play and

1549

01:12:09,609 --> 01:12:07,670

you should figure out what it is and do

1550

01:12:12,760 --> 01:12:09,619

the best you can with with what you have

1551

01:12:14,260 --> 01:12:12,770

which as i guess the same message for

1552

01:12:16,180 --> 01:12:14,270

everybody that that comes into the world

1553

01:12:18,010 --> 01:12:16,190

if your incarnations of fact that you

1554

01:12:19,540 --> 01:12:18,020

came here for a reason and you should

1555

01:12:22,030 --> 01:12:19,550

figure out what the reason is and do it

1556

01:12:24,729 --> 01:12:22,040

because most people who aren't into UFOs

1557

01:12:26,320 --> 01:12:24,739

or live ordinary lives sort of like the

1558

01:12:28,930 --> 01:12:26,330

expression they live lives of quiet

1559

01:12:31,000 --> 01:12:28,940

desperation and they don't really try to

1560

01:12:32,260 --> 01:12:31,010

figure out anything until the doctor

1561

01:12:33,939 --> 01:12:32,270

comes up and says you get your affairs

1562

01:12:35,320 --> 01:12:33,949

in order you've got three months to live

1563

01:12:36,669 --> 01:12:35,330

and suddenly they're scrambling around

1564

01:12:38,080 --> 01:12:36,679

trying to figure out why they're on

1565

01:12:40,840 --> 01:12:38,090

earth and what the hell is going on and

1566

01:12:42,820 --> 01:12:40,850

this kind of stuff the experiencers most

1567

01:12:44,890 --> 01:12:42,830

us you and I and all the people that are

1568

01:12:46,180 --> 01:12:44,900

in this game we spend our entire lives

1569

01:12:48,280 --> 01:12:46,190

trying to figure out why we're here

1570

01:12:52,980 --> 01:12:48,290

what's what's going on what reality is

1571

01:12:55,720 --> 01:12:52,990

and so in that regard we we live very

1572

01:12:57,490 --> 01:12:55,730

very sort of good lives in terms that we

1573

01:13:00,040 --> 01:12:57,500

can we're not we're not just wasting our

1574

01:13:01,980 --> 01:13:00,050

time we're actually spending time try to

1575

01:13:05,680 --> 01:13:01,990

figure out what's important in life

1576

01:13:07,240 --> 01:13:05,690

right right I want to talk a little bit

1577

01:13:11,290 --> 01:13:07,250

before we move on to another subject

1578

01:13:14,380 --> 01:13:11,300

about the experiencers anonymous is that

1579

01:13:16,630 --> 01:13:14,390

this is something you started yeah this

1580

01:13:19,660 --> 01:13:16,640

was something I started based upon what

1581

01:13:22,750 --> 01:13:19,670

I was seeing in these in these groups in

1582

01:13:24,640 --> 01:13:22,760

like Los Angeles and Cyril and I just

1583

01:13:26,890 --> 01:13:24,650

realized that that experiencers have a

1584

01:13:30,700 --> 01:13:26,900

really I mean even if you've had seen a

1585

01:13:32,320 --> 01:13:30,710

UFO you got a tough go usually you're

1586

01:13:35,950 --> 01:13:32,330

the only person in your family that that

1587

01:13:39,780 --> 01:13:35,960

is into it you a lot of divorces take

1588

01:13:42,430 --> 01:13:39,790

place people can't handle your weirdness

1589

01:13:44,440 --> 01:13:42,440

your friends and relatives basically

1590

01:13:46,510 --> 01:13:44,450

will maybe listen to you but they don't

1591

01:13:48,100 --> 01:13:46,520

support you and so these people have a

1592

01:13:49,930 --> 01:13:48,110

even a weirder story you know that

1593

01:13:51,520 --> 01:13:49,940

they're going through walls you know

1594

01:13:52,660 --> 01:13:51,530

they're they're encountering aliens and

1595

01:13:54,400 --> 01:13:52,670

the sort of thing is a dream they don't

1596

01:13:56,860 --> 01:13:54,410

know what's going on they think they may

1597

01:14:00,010 --> 01:13:56,870

be going crazy they're very stressed out

1598

01:14:02,170 --> 01:14:00,020

and so I realized that these people need

1599

01:14:05,560 --> 01:14:02,180

a place to go they need a support group

1600

01:14:07,900 --> 01:14:05,570

and I sort of refer to them as and some

1601

01:14:10,960 --> 01:14:07,910

other people refer this as well the the

1602

01:14:13,540 --> 01:14:10,970

experiences of the UFO field are like

1603

01:14:16,330 --> 01:14:13,550

the gaze of the 1960s that basically

1604

01:14:19,180 --> 01:14:16,340

they're ostracized they're in the closet

1605

01:14:20,380 --> 01:14:19,190

and they're starting to come forward and

1606

01:14:22,300 --> 01:14:20,390

what you have to do is you got to

1607

01:14:23,890 --> 01:14:22,310

provide them a support group where they

1608

01:14:25,540 --> 01:14:23,900

can come together because the number one

1609

01:14:27,550 --> 01:14:25,550

thing you have to do if you are having

1610

01:14:29,230 --> 01:14:27,560

say weird dreams and you think that you

1611

01:14:31,300 --> 01:14:29,240

may have been abducted the number one

1612

01:14:33,190 --> 01:14:31,310

thing I tell people when they say what

1613

01:14:34,930 --> 01:14:33,200

should i do is i say you have to write

1614

01:14:36,220 --> 01:14:34,940

it down number one because you your

1615

01:14:37,900 --> 01:14:36,230

friends and relatives may think you're

1616

01:14:41,320 --> 01:14:37,910

crazy but five hundred years from now

1617

01:14:43,000 --> 01:14:41,330

your your great ancestor the people that

1618

01:14:44,650 --> 01:14:43,010

succeed you are going to think you were

1619

01:14:46,660 --> 01:14:44,660

great man you are a lived at the time of

1620

01:14:47,950 --> 01:14:46,670

Christ all the time the signing of the

1621

01:14:49,570 --> 01:14:47,960

Constitution you lived at this very

1622

01:14:51,490 --> 01:14:49,580

important time so you should write it

1623

01:14:53,740 --> 01:14:51,500

down and the more you talk about it the

1624

01:14:54,250 --> 01:14:53,750

more you try to analyze it the less

1625

01:14:55,780 --> 01:14:54,260

stress your

1626  
01:14:57,250 --> 01:14:55,790  
going to have the reason people have all

1627  
01:14:59,260 --> 01:14:57,260  
the stresses because they bottle it up

1628  
01:15:01,810 --> 01:14:59,270  
and they don't deal with it so what what

1629  
01:15:03,850 --> 01:15:01,820  
I did with this group is I provided a

1630  
01:15:06,610 --> 01:15:03,860  
support group and we have I don't know

1631  
01:15:09,070 --> 01:15:06,620  
if you have ever covered this but what

1632  
01:15:11,740 --> 01:15:09,080  
we're finding now and I've got to in

1633  
01:15:14,020 --> 01:15:11,750  
Winnipeg of multiple abductions and you

1634  
01:15:18,880 --> 01:15:14,030  
got to remember that a people who are

1635  
01:15:20,530 --> 01:15:18,890  
sort of taken um if it's not a random

1636  
01:15:22,600 --> 01:15:20,540  
event people have been taken their whole

1637  
01:15:25,180 --> 01:15:22,610  
life like experiences are usually lifers

1638  
01:15:26,770 --> 01:15:25,190

they get abducted as young children and

1639

01:15:28,360 --> 01:15:26,780

goes through their whole life and you

1640

01:15:29,950 --> 01:15:28,370

get these situations where they're

1641

01:15:32,290 --> 01:15:29,960

they're able to put five of these

1642

01:15:33,940 --> 01:15:32,300

experiences together like on a trip and

1643

01:15:37,180 --> 01:15:33,950

then take them all at the same time so

1644

01:15:39,480 --> 01:15:37,190

we have five two cases of five person

1645

01:15:41,650 --> 01:15:39,490

abductions and one of them was a very

1646

01:15:43,150 --> 01:15:41,660

high-profile case this i live in

1647

01:15:47,050 --> 01:15:43,160

winnipeg manitoba canada which is what

1648

01:15:49,300 --> 01:15:47,060

700,000 people big city but we had five

1649

01:15:51,010 --> 01:15:49,310

very high level people all taken at the

1650

01:15:54,100 --> 01:15:51,020

same time they were at a lake about an

1651

01:15:56,680 --> 01:15:54,110

hour and a half east of my city and they

1652

01:15:58,180 --> 01:15:56,690

made a pact among themselves that they

1653

01:15:59,620 --> 01:15:58,190

would they would not talk about what had

1654

01:16:01,480 --> 01:15:59,630

happened he suddenly realized what had

1655

01:16:03,280 --> 01:16:01,490

happened and they made this pact because

1656

01:16:05,020 --> 01:16:03,290

of their positions one of them is

1657

01:16:06,340 --> 01:16:05,030

talking he's talking to a friend of mine

1658

01:16:07,990 --> 01:16:06,350

who helped me start the experiences

1659

01:16:09,490 --> 01:16:08,000

anonymous group so the reason we started

1660

01:16:11,830 --> 01:16:09,500

the group and called it experiences

1661

01:16:13,900 --> 01:16:11,840

anonymous is to provide absolute

1662

01:16:16,450 --> 01:16:13,910

anonymity to these people so what I do

1663

01:16:19,720 --> 01:16:16,460

is I have a group meets every tuesday of

1664

01:16:21,430 --> 01:16:19,730

the month and they come in the room

1665

01:16:23,410 --> 01:16:21,440

nobody introduces themselves I don't

1666

01:16:25,630 --> 01:16:23,420

know around the table and what I do is I

1667

01:16:27,040 --> 01:16:25,640

provide an environment like Alcoholics

1668

01:16:28,870 --> 01:16:27,050

Anonymous that somebody who's had bad

1669

01:16:30,700 --> 01:16:28,880

dreams who really does know what's going

1670

01:16:32,380 --> 01:16:30,710

on can come into that room or a

1671

01:16:33,940 --> 01:16:32,390

high-profile person this is what we're

1672

01:16:35,680 --> 01:16:33,950

trying to do is get these high profile

1673

01:16:37,630 --> 01:16:35,690

people into the room and they can sit in

1674

01:16:38,950 --> 01:16:37,640

the back of the room not really knowing

1675

01:16:40,060 --> 01:16:38,960

whether they want anything to do with

1676

01:16:41,590 --> 01:16:40,070

this and they don't feel threatened they

1677

01:16:42,910 --> 01:16:41,600

don't feel that you ought to talk they

1678

01:16:45,550 --> 01:16:42,920

can sit there for six months or a year

1679

01:16:46,660 --> 01:16:45,560

and just sit there and listen and sooner

1680

01:16:48,880 --> 01:16:46,670

or later someone's going to tell their

1681

01:16:50,500 --> 01:16:48,890

story or they're going to feel at home

1682

01:16:51,970 --> 01:16:50,510

with these people that they can tell

1683

01:16:53,740 --> 01:16:51,980

their story and they're going to feel

1684

01:16:56,200 --> 01:16:53,750

safe in that environment so I call it

1685

01:16:59,590 --> 01:16:56,210

experiences anonymous and we've got it

1686

01:17:02,500 --> 01:16:59,600

started in February so about 17 months

1687

01:17:05,470 --> 01:17:02,510

and we're at 125 members so there is a

1688

01:17:07,120 --> 01:17:05,480

fairly high number of people that have

1689

01:17:08,090 --> 01:17:07,130

these kind of things and most of the

1690

01:17:09,620 --> 01:17:08,100

people are on the table

1691

01:17:11,300 --> 01:17:09,630

last meeting we haven't we had 24 people

1692

01:17:13,070 --> 01:17:11,310

there most of the people around the

1693

01:17:15,620 --> 01:17:13,080

table I have no idea who they are I I

1694

01:17:17,180 --> 01:17:15,630

know their faces but that's the way we

1695

01:17:18,410 --> 01:17:17,190

operate so that these people can come I

1696

01:17:20,840 --> 01:17:18,420

don't know what it is we have a

1697

01:17:23,180 --> 01:17:20,850

regression as to we're doing is

1698

01:17:24,410 --> 01:17:23,190

providing support for these people so if

1699

01:17:26,180 --> 01:17:24,420

they have questions i'm meeting with a

1700

01:17:27,320 --> 01:17:26,190

girl actually tomorrow morning she has

1701

01:17:28,610 --> 01:17:27,330

something she wants to talk to me about

1702

01:17:30,920 --> 01:17:28,620

I said fine so I'm going to meet her

1703

01:17:32,540 --> 01:17:30,930

tomorrow morning at ten-thirty we have a

1704

01:17:34,250 --> 01:17:32,550

regression estea want to do a regression

1705

01:17:36,290 --> 01:17:34,260

we have a girl that will do regressions

1706

01:17:38,390 --> 01:17:36,300

she has regressed a number of people I

1707

01:17:40,820 --> 01:17:38,400

do not know who she regrets I do not

1708

01:17:42,530 --> 01:17:40,830

know what was that Saul anonymous type

1709

01:17:44,240 --> 01:17:42,540

stuff so this is what we do is we

1710

01:17:45,710 --> 01:17:44,250

provide this environment for these

1711

01:17:47,150 --> 01:17:45,720

people because they need support and

1712

01:17:48,980 --> 01:17:47,160

they need to talk about it and that's

1713

01:17:50,990 --> 01:17:48,990

what I say to all experiences if you've

1714

01:17:53,570 --> 01:17:51,000

had this kind of stuff the best thing

1715

01:17:55,640 --> 01:17:53,580

you can do is write it down and find a

1716

01:17:57,110 --> 01:17:55,650

place where you can talk the more you

1717

01:17:58,910 --> 01:17:57,120

talk about it the more you deal with

1718

01:18:00,380 --> 01:17:58,920

your case the more at peace you're going

1719

01:18:02,240 --> 01:18:00,390

to become and then you're going to

1720

01:18:04,220 --> 01:18:02,250

suddenly realize as a lot of the

1721

01:18:06,110 --> 01:18:04,230

experiences do that suddenly you had you

1722

01:18:07,520 --> 01:18:06,120

think you have a mission and then people

1723

01:18:08,870 --> 01:18:07,530

can't shut you up you really don't care

1724

01:18:10,640 --> 01:18:08,880

what people think because you suddenly

1725

01:18:12,770 --> 01:18:10,650

realize what's going on and all the fear

1726

01:18:14,900 --> 01:18:12,780

goes away all the evil alien stuff goes

1727

01:18:16,310 --> 01:18:14,910

away and so that's what that's why we

1728

01:18:17,780 --> 01:18:16,320

started this group called experiences

1729

01:18:19,190 --> 01:18:17,790

anonymous and these groups are starting

1730

01:18:22,010 --> 01:18:19,200

all over the country there's actually a

1731

01:18:24,710 --> 01:18:22,020

one in Toronto which is a huge City in

1732

01:18:26,210 --> 01:18:24,720

canvas 4 million people or whatever well

1733

01:18:27,740 --> 01:18:26,220

I've lectured there twice in last year

1734

01:18:29,240 --> 01:18:27,750

and I just got inundated and I said to

1735

01:18:30,380 --> 01:18:29,250

the people running the conference says

1736

01:18:32,750 --> 01:18:30,390

you've got to do something to these

1737

01:18:34,700 --> 01:18:32,760

people I mean this is this is insane the

1738

01:18:36,050 --> 01:18:34,710

number of experiences you have they need

1739

01:18:37,670 --> 01:18:36,060

a support group though the one guy

1740

01:18:39,860 --> 01:18:37,680

basically talked to me about suicide

1741

01:18:42,080 --> 01:18:39,870

these people are highly stressed out and

1742

01:18:43,880 --> 01:18:42,090

so now they're going to try to start a

1743

01:18:45,620 --> 01:18:43,890

group there and I think these things are

1744

01:18:47,270 --> 01:18:45,630

popping up all the place and audrey has

1745

01:18:49,700 --> 01:18:47,280

done that in in portland maine has

1746

01:18:51,620 --> 01:18:49,710

provided she has a 24-hour support line

1747

01:18:53,780 --> 01:18:51,630

where if you're an experiencer you can

1748

01:18:55,460 --> 01:18:53,790

phone her 24 hours a day and she's an

1749

01:18:57,530 --> 01:18:55,470

experienced or her sister twin sisters

1750

01:19:00,020 --> 01:18:57,540

and experiencer and they will deal with

1751

01:19:02,060 --> 01:19:00,030

that and so we're returning the corner

1752

01:19:04,160 --> 01:19:02,070

and eventually we're going to have a

1753

01:19:05,900 --> 01:19:04,170

situation where we may put a quarter

1754

01:19:07,430 --> 01:19:05,910

million experiences on the Washington

1755

01:19:09,410 --> 01:19:07,440

Mall and then they're going to realize

1756

01:19:10,910 --> 01:19:09,420

this is serious business and the

1757

01:19:12,440 --> 01:19:10,920

consciousness will change and the

1758

01:19:14,090 --> 01:19:12,450

government will start to support it just

1759

01:19:15,350 --> 01:19:14,100

as they did with every other social

1760

01:19:17,600 --> 01:19:15,360

political movement we are no different

1761

01:19:20,750 --> 01:19:17,610

than any other social political movement

1762

01:19:21,259 --> 01:19:20,760

just because our our cause is important

1763

01:19:22,819 --> 01:19:21,269

does

1764

01:19:24,799 --> 01:19:22,829

mean anything we still have to fight for

1765

01:19:29,000 --> 01:19:24,809

our cause that's why we're here that's

1766

01:19:30,799 --> 01:19:29,010

the role we've been given Wow ah a lot

1767

01:19:32,929 --> 01:19:30,809

said right there hey anyone wants to

1768

01:19:37,369 --> 01:19:32,939

call in and that's grant a question at

1769

01:19:39,139 --> 01:19:37,379

60 396 740 30 and again you can jump in

1770

01:19:42,349 --> 01:19:39,149

the chat room and ask a question at

1771

01:19:44,119 --> 01:19:42,359

podcast UFO com I heard up I listened a

1772

01:19:47,479 --> 01:19:44,129

little bit to the show that you were on

1773

01:19:49,549 --> 01:19:47,489

on Monday on art bells show and someone

1774

01:19:53,389 --> 01:19:49,559

called in and mentioned Travis Walton

1775

01:19:55,069 --> 01:19:53,399

and you know why hasn't hey you know

1776

01:19:57,529 --> 01:19:55,079

what was something along the lines were

1777

01:20:00,229 --> 01:19:57,539

you know did he fit into the normal

1778

01:20:01,879 --> 01:20:00,239

abductee and I'd say no that was a whole

1779

01:20:05,869 --> 01:20:01,889

different situation you know that's just

1780

01:20:09,139 --> 01:20:05,879

my two cents where possibly he was being

1781

01:20:11,089 --> 01:20:09,149

rescued you know instead of you hear

1782

01:20:13,369 --> 01:20:11,099

these experiences talk about you know

1783

01:20:15,109 --> 01:20:13,379

multiple abductions and yeah and last

1784

01:20:16,699 --> 01:20:15,119

time I spoke to Travis I I actually

1785

01:20:19,159 --> 01:20:16,709

asked him that question and he said

1786

01:20:23,389 --> 01:20:19,169

that's probably the most common question

1787

01:20:25,189 --> 01:20:23,399

he gets asked if he's been abducted

1788

01:20:29,089 --> 01:20:25,199

multiple times and he said nope never

1789

01:20:31,659 --> 01:20:29,099

that was it and so a lot there's always

1790

01:20:36,439 --> 01:20:31,669

a lot of questions when it comes to

1791

01:20:38,839 --> 01:20:36,449

abductions or experiences whatever the

1792

01:20:40,729 --> 01:20:38,849

last guess we just had on that subject

1793

01:20:42,769 --> 01:20:40,739

came up and he said he thought it was

1794

01:20:45,789 --> 01:20:42,779

all you know fantasy and all that and

1795

01:20:51,019 --> 01:20:45,799

I'm sure you hear that a lot and and

1796

01:20:53,929 --> 01:20:51,029

what made you take this stand and just

1797

01:20:55,969 --> 01:20:53,939

say kind of put the president thing

1798

01:20:58,819 --> 01:20:55,979

aside a little bit and take the stand

1799

01:21:01,359 --> 01:20:58,829

and trying to help these people well I

1800

01:21:04,729 --> 01:21:01,369

had two things that serve motivated me

1801

01:21:06,229 --> 01:21:04,739

one was I was spinning my wheels for 37

1802

01:21:09,109 --> 01:21:06,239

years I've been in this for 40 years and

1803

01:21:11,029 --> 01:21:09,119

I came to the conclusion the president

1804

01:21:12,859 --> 01:21:11,039

knows president knows what's going on he

1805

01:21:14,449 --> 01:21:12,869

gets the top secret stuff and he's sworn

1806

01:21:16,879 --> 01:21:14,459

to secrecy like everybody else I had my

1807

01:21:17,899 --> 01:21:16,889

occasion to talk to dick cheney and Dick

1808

01:21:19,879 --> 01:21:17,909

Cheney I asked him to the briefing

1809

01:21:21,169 --> 01:21:19,889

question which is the you know get

1810

01:21:22,429 --> 01:21:21,179

someone walk in your office and swear

1811

01:21:25,039 --> 01:21:22,439

you to secrecy and tell you the truth

1812

01:21:26,779 --> 01:21:25,049

and Cheney said if I was briefed on the

1813

01:21:28,129 --> 01:21:26,789

subject it probably classified it

1814

01:21:29,959 --> 01:21:28,139

wouldn't be talking about it it's

1815

01:21:32,569 --> 01:21:29,969

basically classified so the president

1816

01:21:34,129 --> 01:21:32,579

knows but it's not about to tell you and

1817

01:21:34,880 --> 01:21:34,139

I realized that I realized I had the

1818

01:21:37,220 --> 01:21:34,890

head

1819

01:21:41,360 --> 01:21:37,230

it's the CAA commented on on one of the

1820

01:21:43,880 --> 01:21:41,370

books I'd written and so I knew that hey

1821

01:21:46,430 --> 01:21:43,890

guys new but go hang on Grant sorry we

1822

01:21:48,950 --> 01:21:46,440

have a caller caller please say your

1823

01:21:53,060 --> 01:21:48,960

first name and introduce yourself if you

1824

01:21:54,800 --> 01:21:53,070

would hi my name's Lou I originally a

1825

01:21:56,510 --> 01:21:54,810

corresponding with Grant when I was

1826

01:21:59,180 --> 01:21:56,520

living in Texas I live in Southern

1827

01:22:03,470 --> 01:21:59,190

California now and grants I'm calling if

1828

01:22:05,890 --> 01:22:03,480

I my guess is there's no new news but

1829

01:22:10,430 --> 01:22:05,900

I'm curious if there is any new news on

1830

01:22:11,930 --> 01:22:10,440

dr. Erik Walker if I'm sure that bad

1831

01:22:13,730 --> 01:22:11,940

name will ring a bell with Grant because

1832

01:22:15,920 --> 01:22:13,740

I know he's having a lot of 10 wonderful

1833

01:22:17,750 --> 01:22:15,930

research relating to dr. Walker come on

1834

01:22:21,980 --> 01:22:17,760

yeah I don't need you seeing more grant

1835

01:22:23,510 --> 01:22:21,990

is there any news um no we put

1836

01:22:26,390 --> 01:22:23,520

everything that we had in the book when

1837

01:22:29,210 --> 01:22:26,400

this is a book beautiful area area 51

1838

01:22:31,070 --> 01:22:29,220

and government informants what happened

1839

01:22:32,120 --> 01:22:31,080

is my co-author wanted to sort of edit

1840

01:22:33,770 --> 01:22:32,130

the interviews because some of the

1841

01:22:34,940 --> 01:22:33,780

interviews were kind of weird where he

1842

01:22:36,110 --> 01:22:34,950

was sort of trying to throw us off the

1843

01:22:37,520 --> 01:22:36,120

track and he was talking about stupid

1844

01:22:38,810 --> 01:22:37,530

stuff or at the time I thought would

1845

01:22:41,240 --> 01:22:38,820

stupid stuff something to stop actually

1846

01:22:42,500 --> 01:22:41,250

makes sense now what he was saying and I

1847

01:22:44,240 --> 01:22:42,510

said no no let's just put everything in

1848

01:22:45,200 --> 01:22:44,250

and so we took everything that he we had

1849

01:22:47,000 --> 01:22:45,210

said and there was a number of

1850

01:22:49,160 --> 01:22:47,010

researchers maybe eight researchers

1851  
01:22:51,050 --> 01:22:49,170  
around the world after he indicated that

1852  
01:22:52,880 --> 01:22:51,060  
he had been at a set of briefings at

1853  
01:22:54,140 --> 01:22:52,890  
wright-patterson Air Force Base and the

1854  
01:22:56,650 --> 01:22:54,150  
fact that he was the president of Penn

1855  
01:23:00,140 --> 01:22:56,660  
State University and he had 4914

1856  
01:23:01,580 --> 01:23:00,150  
Doctorate degrees very high-level guy we

1857  
01:23:03,830 --> 01:23:01,590  
put everything in the book one of the

1858  
01:23:06,290 --> 01:23:03,840  
things this led last question I was just

1859  
01:23:07,850 --> 01:23:06,300  
asked ties into this is why I made the

1860  
01:23:10,040 --> 01:23:07,860  
switch and one of the reasons I made the

1861  
01:23:12,080 --> 01:23:10,050  
switch was because of something dr. Erik

1862  
01:23:14,690 --> 01:23:12,090  
Walker had said this happened February's

1863  
01:23:17,750 --> 01:23:14,700

26 2012 I get the download experience in

1864

01:23:19,760 --> 01:23:17,760

Phoenix Arizona so I when I made this

1865

01:23:21,860 --> 01:23:19,770

move to consciousness and experiencers

1866

01:23:25,070 --> 01:23:21,870

and all this kind of stuff I went number

1867

01:23:26,420 --> 01:23:25,080

one because experiencers you can watch

1868

01:23:28,040 --> 01:23:26,430

the flyer on the sky you're never going

1869

01:23:29,660 --> 01:23:28,050

to learn anything if you talk to

1870

01:23:31,520 --> 01:23:29,670

somebody who's been inside the craft or

1871

01:23:32,930 --> 01:23:31,530

has interacted with the aliens you got a

1872

01:23:34,670 --> 01:23:32,940

chance to learn something so the

1873

01:23:36,110 --> 01:23:34,680

experiences are number one and because i

1874

01:23:38,060 --> 01:23:36,120

had this download experience part of the

1875

01:23:40,760 --> 01:23:38,070

download experience dealt with something

1876

01:23:42,140 --> 01:23:40,770

dr. Erik Walker had said in 1991 which I

1877

01:23:43,940 --> 01:23:42,150

basically didn't understand what he's

1878

01:23:45,380 --> 01:23:43,950

talking about until this happened we're

1879

01:23:46,640 --> 01:23:45,390

suddenly all this pee all these pieces

1880

01:23:47,900 --> 01:23:46,650

came together in my head suddenly

1881

01:23:48,750 --> 01:23:47,910

everything fit together it was like

1882

01:23:50,340 --> 01:23:48,760

somebody put him to

1883

01:23:51,960 --> 01:23:50,350

for me and one of the things that Walker

1884

01:23:54,420 --> 01:23:51,970

had said he we were asking him about the

1885

01:23:56,580 --> 01:23:54,430

control group we're asking about farther

1886

01:23:58,950 --> 01:23:56,590

still just 12 people on the control

1887

01:24:00,720 --> 01:23:58,960

group the mj-12 control group or and it

1888

01:24:02,970 --> 01:24:00,730

are they all still Americans or is it an

1889

01:24:05,670 --> 01:24:02,980

international group and Walker answers

1890

01:24:08,160 --> 01:24:05,680

the question by saying let me ask you a

1891

01:24:10,110 --> 01:24:08,170

question what do you know buddy SP and

1892

01:24:11,790 --> 01:24:10,120

the guy who was great britain it was

1893

01:24:13,050 --> 01:24:11,800

interviewing I had no idea well I quite

1894

01:24:15,000 --> 01:24:13,060

why are you talking about this for and

1895

01:24:17,460 --> 01:24:15,010

then Walker said look unless you

1896

01:24:20,130 --> 01:24:17,470

understand about ESP and how it works

1897

01:24:21,150 --> 01:24:20,140

you will not be taken in he's talking

1898

01:24:22,740 --> 01:24:21,160

about the control group if you will not

1899

01:24:24,660 --> 01:24:22,750

be taken into the control group unless

1900

01:24:26,940 --> 01:24:24,670

you know about ESP very few people

1901

01:24:28,860 --> 01:24:26,950

understand and so this came down to this

1902

01:24:31,140 --> 01:24:28,870

thing we were this download thing where

1903

01:24:33,120 --> 01:24:31,150

I got these three items that came into

1904

01:24:34,710 --> 01:24:33,130

my head that all said this is

1905

01:24:36,840 --> 01:24:34,720

consciousness there's a top secret

1906

01:24:38,700 --> 01:24:36,850

Canaan government document from 1950

1907

01:24:40,680 --> 01:24:38,710

where the Canadian government was told

1908

01:24:44,190 --> 01:24:40,690

that mental phenomena was part of the

1909

01:24:46,200 --> 01:24:44,200

part of the the the the flying saucer

1910

01:24:47,490 --> 01:24:46,210

phenomena flying saucers are real so

1911

01:24:49,350 --> 01:24:47,500

most highly classified subject and

1912

01:24:51,570 --> 01:24:49,360

there's mental phenomena involved which

1913

01:24:54,660 --> 01:24:51,580

is extremely important because 1950

1914

01:24:56,820 --> 01:24:54,670

nobody was talking to aliens in 1950

1915

01:24:58,860 --> 01:24:56,830

there was no contactees there was no one

1916

01:25:00,840 --> 01:24:58,870

interesting yeah this is interesting

1917

01:25:02,370 --> 01:25:00,850

interesting insight thank ya it going

1918

01:25:04,230 --> 01:25:02,380

I'm Sean nagar this is pretty

1919

01:25:05,130 --> 01:25:04,240

interesting thank you yeah so that's why

1920

01:25:07,560 --> 01:25:05,140

I made the shift of consciousness

1921

01:25:09,540 --> 01:25:07,570

because I I way I as I told many

1922

01:25:11,640 --> 01:25:09,550

interviewers I didn't choose to do this

1923

01:25:13,200 --> 01:25:11,650

I was teleported to this site I mean I

1924

01:25:14,910 --> 01:25:13,210

was the nuts and bolts guy doing the

1925

01:25:16,530 --> 01:25:14,920

documents and stuff and suddenly went

1926

01:25:18,510 --> 01:25:16,540

Wow I'm just so wow I've been sleeping

1927

01:25:20,250 --> 01:25:18,520

for 37 years and some day i realized

1928

01:25:22,860 --> 01:25:20,260

i've been sold and with this when you

1929

01:25:24,660 --> 01:25:22,870

get a download if you if you I'm writing

1930

01:25:25,890 --> 01:25:24,670

up I've wrote a book that's in editing

1931

01:25:27,680 --> 01:25:25,900

right now which talks about these

1932

01:25:30,060 --> 01:25:27,690

download things one of the things I

1933

01:25:31,950 --> 01:25:30,070

instantaneous downloads is absolute

1934

01:25:35,250 --> 01:25:31,960

certainty you know for a fact this is

1935

01:25:37,860 --> 01:25:35,260

true and and this download the fact that

1936

01:25:39,030 --> 01:25:37,870

UFO is the basic key to the UFO

1937

01:25:41,460 --> 01:25:39,040

phenomena if you understand what's going

1938

01:25:43,050 --> 01:25:41,470

on you have to look at ESP consciousness

1939

01:25:44,730 --> 01:25:43,060

mental phenomena that's what it's all

1940

01:25:46,230 --> 01:25:44,740

about and I was absolutely certain and

1941

01:25:48,660 --> 01:25:46,240

that's what I made the shift i just said

1942

01:25:49,830 --> 01:25:48,670

okay the president's i follow the

1943

01:25:51,840 --> 01:25:49,840

presidents and stop it's very

1944

01:25:53,310 --> 01:25:51,850

interesting stop but it basically is

1945

01:25:55,050 --> 01:25:53,320

just telling stories it does it doesn't

1946

01:25:56,700 --> 01:25:55,060

give you an answer it says the president

1947

01:25:59,010 --> 01:25:56,710

knows and that's all i can really tell

1948

01:26:01,680 --> 01:25:59,020

you hey Lou thanks so much for calling

1949

01:26:02,110 --> 01:26:01,690

in okay sure sure I actually have

1950

01:26:03,970 --> 01:26:02,120

another

1951

01:26:05,590 --> 01:26:03,980

just like in a hurry I go ahead and fire

1952

01:26:08,200 --> 01:26:05,600

of your of your show and that would be

1953

01:26:09,190 --> 01:26:08,210

grand can you summarize the downloads

1954

01:26:10,750 --> 01:26:09,200

you said you writing a book on you

1955

01:26:12,760 --> 01:26:10,760

downloads can you summarize this and I'm

1956

01:26:15,520 --> 01:26:12,770

very very short nutshell kind of answer

1957

01:26:17,440 --> 01:26:15,530

what the downloads were for you well my

1958

01:26:19,060 --> 01:26:17,450

download was the one that dealt with the

1959

01:26:20,740 --> 01:26:19,070

UFO phenomena I was watching Colin

1960

01:26:22,210 --> 01:26:20,750

Andrews lecture on consciousness and

1961

01:26:24,400 --> 01:26:22,220

crop circles I had no interest in

1962

01:26:25,840 --> 01:26:24,410

carpooling crop circles no interest in

1963

01:26:27,550 --> 01:26:25,850

downloads no interest in consciousness

1964

01:26:29,170 --> 01:26:27,560

and this just popped into my head and I

1965

01:26:30,760 --> 01:26:29,180

had this absolute certainty and so I

1966

01:26:34,240 --> 01:26:30,770

started to chase it and then I suddenly

1967

01:26:36,100 --> 01:26:34,250

found that that a lot of people have

1968

01:26:38,530 --> 01:26:36,110

have downloads I just put on my facebook

1969

01:26:41,410 --> 01:26:38,540

site about a hundred I know it was 100

1970

01:26:43,000 --> 01:26:41,420

150 songs that came in downloads that

1971

01:26:44,500 --> 01:26:43,010

came in dreams in the middle of night

1972

01:26:47,320 --> 01:26:44,510

yesterday by the beatles came in the

1973

01:26:50,950 --> 01:26:47,330

middle of night the song let it be Paul

1974

01:26:52,540 --> 01:26:50,960

McCartney song let it be was a dream his

1975

01:26:54,340 --> 01:26:52,550

mother came to him in a dream at a very

1976

01:26:56,320 --> 01:26:54,350

tough time in his life and said it's

1977

01:26:58,180 --> 01:26:56,330

okay it's gonna be okay and that's when

1978

01:27:00,670 --> 01:26:58,190

he put mother Mary comes to me speaking

1979

01:27:02,500 --> 01:27:00,680

words of wisdom let it be let it be his

1980

01:27:03,910 --> 01:27:02,510

mother's name was Mary Mother Mary is

1981

01:27:05,620 --> 01:27:03,920

not I thought it was always thought it

1982

01:27:06,880 --> 01:27:05,630

was the mother Mary from the Bible it

1983

01:27:09,130 --> 01:27:06,890

was his mother came to him in a dream

1984

01:27:12,160 --> 01:27:09,140

and told him it was going to be okay so

1985

01:27:13,660 --> 01:27:12,170

I started to get all these ideas that

1986

01:27:15,130 --> 01:27:13,670

all these songs were coming in dreams

1987

01:27:16,630 --> 01:27:15,140

that we think that people are are

1988

01:27:19,480 --> 01:27:16,640

writing this kind of stuff and that

1989

01:27:21,820 --> 01:27:19,490

they're you know rationalizing the stuff

1990

01:27:26,350 --> 01:27:21,830

and i found out eight nobel prizes that

1991

01:27:27,940 --> 01:27:26,360

came in in dreams dreams are downloads

1992

01:27:30,430 --> 01:27:27,950

where a guy seeing our park bench and

1993

01:27:32,800 --> 01:27:30,440

and he wins a Nobel Prize like the

1994

01:27:35,410 --> 01:27:32,810

relativity the theory of relativity came

1995

01:27:37,680 --> 01:27:35,420

to Einstein in a dream the theory the

1996

01:27:40,750 --> 01:27:37,690

Prada the modern-day theory about the

1997

01:27:42,250 --> 01:27:40,760

structure of the atom came to bore he

1998

01:27:44,200 --> 01:27:42,260

won the nineteen twenty two Nobel Prize

1999

01:27:46,270 --> 01:27:44,210

came to him in a dream as a horse race

2000

01:27:48,040 --> 01:27:46,280

he was so there's a voice and they

2001

01:27:49,990 --> 01:27:48,050

watched these horses and his voice was

2002

01:27:51,730 --> 01:27:50,000

telling them about the the track and how

2003

01:27:53,530 --> 01:27:51,740

the how the horses moved from lane to

2004

01:27:55,600 --> 01:27:53,540

lane and that's where the idea for the

2005

01:27:59,380 --> 01:27:55,610

modern Adam and I suddenly realized that

2006

01:28:01,480 --> 01:27:59,390

air I'm basically it's almost like Mark

2007

01:28:03,910 --> 01:28:01,490

Twain said ninety-nine percent of

2008

01:28:05,620 --> 01:28:03,920

everything is plagiarism and you think

2009

01:28:08,050 --> 01:28:05,630

that would make us humble but it doesn't

2010

01:28:10,090 --> 01:28:08,060

basically i started to start to get the

2011

01:28:11,380 --> 01:28:10,100

idea that basically almost everything is

2012

01:28:13,240 --> 01:28:11,390

a download that when you're sitting

2013

01:28:15,190 --> 01:28:13,250

there waiting for an inspiration and so

2014

01:28:17,260 --> 01:28:15,200

in this book which is

2015

01:28:20,230 --> 01:28:17,270

all over 300 pages I basically go

2016

01:28:21,520 --> 01:28:20,240

through inventions I go through music I

2017

01:28:24,880 --> 01:28:21,530

go through all this kind of stuff and I

2018

01:28:26,920 --> 01:28:24,890

show you incredible stories of things

2019

01:28:28,570 --> 01:28:26,930

that you think just were figured out by

2020

01:28:30,430 --> 01:28:28,580

somebody that basically came in dream

2021

01:28:32,410 --> 01:28:30,440

like for example Google everybody knows

2022

01:28:34,390 --> 01:28:32,420

what Google is it is that one of the

2023

01:28:36,760 --> 01:28:34,400

biggest companies in the world it came

2024

01:28:38,710 --> 01:28:36,770

to Larry Page in the middle of night in

2025

01:28:40,090 --> 01:28:38,720

a dream that's where the idea for Google

2026

01:28:42,220 --> 01:28:40,100

came from he got up in the middle night

2027

01:28:43,870 --> 01:28:42,230

he started write it all down we're gonna

2028

01:28:46,270 --> 01:28:43,880

download the internet and keep the links

2029

01:28:49,360 --> 01:28:46,280

came in a dream and a lot of this stuff

2030

01:28:50,800 --> 01:28:49,370

just and well your your experience for

2031

01:28:53,650 --> 01:28:50,810

your experience with downloading in UFOs

2032

01:28:55,540 --> 01:28:53,660

be in your book as well oh yeah how how

2033

01:28:57,340 --> 01:28:55,550

it came again and I do down I get

2034

01:29:01,780 --> 01:28:57,350

downloads as I mentioned earlier in the

2035

01:29:04,330 --> 01:29:01,790

show forty-three percent of all 4343

2036

01:29:05,650 --> 01:29:04,340

percent of all experiencers and these

2037

01:29:08,530 --> 01:29:05,660

are people have been regret these are

2038

01:29:11,950 --> 01:29:08,540

just people who remember will say that

2039

01:29:14,230 --> 01:29:11,960

they have mathematical technical or

2040

01:29:16,720 --> 01:29:14,240

scientific material in their head that

2041

01:29:17,770 --> 01:29:16,730

they did not learn in school or through

2042

01:29:20,620 --> 01:29:17,780

any other means they're getting

2043

01:29:25,630 --> 01:29:20,630

downloaded there's I guess the first one

2044

01:29:27,790 --> 01:29:25,640

that really started was a Roman excuse

2045

01:29:29,680 --> 01:29:27,800

stan romanek had all these formulas he's

2046

01:29:30,760 --> 01:29:29,690

very complex formulas and some of them

2047

01:29:32,650 --> 01:29:30,770

you had to have a mirror to read them

2048

01:29:34,330 --> 01:29:32,660

backwards is that and every single you

2049

01:29:35,530 --> 01:29:34,340

know he's hoaxing well let me tell you

2050

01:29:36,910 --> 01:29:35,540

there's a lot of people besides the

2051

01:29:39,420 --> 01:29:36,920

Roman are getting this kind of stuff and

2052

01:29:42,010 --> 01:29:39,430

some of these downloads oh yeah pages

2053

01:29:43,990 --> 01:29:42,020

well Lou thanks kalighat chef duckies

2054

01:29:45,520 --> 01:29:44,000

sure the allegation ducky said devils

2055

01:29:47,080 --> 01:29:45,530

and thank you for your Asian actually on

2056

01:29:48,610 --> 01:29:47,090

actually Lou while you're on you're

2057

01:29:50,740 --> 01:29:48,620

right you're right about that that is a

2058

01:29:53,530 --> 01:29:50,750

that's amazing I've spoke to those

2059

01:29:56,650 --> 01:29:53,540

gentlemen in person and one of them is

2060

01:29:58,210 --> 01:29:56,660

that you know mathematics and all their

2061

01:30:00,610 --> 01:29:58,220

artwork changed that's a fascinating

2062

01:30:02,950 --> 01:30:00,620

case yeah those guys down easy yes well

2063

01:30:04,840 --> 01:30:02,960

thank you thank you very much yeah but

2064

01:30:06,430 --> 01:30:04,850

yeah I could tell a related story to the

2065

01:30:07,720 --> 01:30:06,440

allagash thing which I talk about my

2066

01:30:11,140 --> 01:30:07,730

lecture which is a very important point

2067

01:30:12,310 --> 01:30:11,150

that lot people don't realize is people

2068

01:30:14,290 --> 01:30:12,320

think that this is happening randomly

2069

01:30:16,540 --> 01:30:14,300

and when you look at the allagash thing

2070

01:30:18,160 --> 01:30:16,550

you see the aliens behind this and you

2071

01:30:19,150 --> 01:30:18,170

see that they got this thing under

2072

01:30:20,620 --> 01:30:19,160

control I mean just like they've done

2073

01:30:21,940 --> 01:30:20,630

this on a thousand planets before they

2074

01:30:23,500 --> 01:30:21,950

they know exactly what they're doing and

2075

01:30:25,120 --> 01:30:23,510

I one of the questions I asked when I

2076

01:30:28,930 --> 01:30:25,130

lecture now the first question I ask is

2077

01:30:30,130 --> 01:30:28,940

is the universe random or is it

2078

01:30:32,979 --> 01:30:30,140

pattern and when you look at the

2079

01:30:34,930 --> 01:30:32,989

allagash case you see this pattern that

2080

01:30:36,820 --> 01:30:34,940

there's very little of things that

2081

01:30:39,070 --> 01:30:36,830

you say there's no way just happened by

2082

01:30:41,320 --> 01:30:39,080

accident they they had their experience

2083

01:30:44,290 --> 01:30:41,330

the year after me 1976 my experience

2084

01:30:45,700 --> 01:30:44,300

started 1975 and at the time they did

2085

01:30:48,280 --> 01:30:45,710

not realize that they had been abducted

2086

01:30:49,930 --> 01:30:48,290

because the the book missing time by

2087

01:30:51,459 --> 01:30:49,940

hawkins wouldn't come out until nineteen

2088

01:30:52,720 --> 01:30:51,469

eighty so they just thought something

2089

01:30:54,100 --> 01:30:52,730

weird it happened they didn't realize

2090

01:30:57,370 --> 01:30:54,110

they've been taken on board the ship and

2091

01:30:59,410 --> 01:30:57,380

it was exactly eleven years later the

2092

01:31:01,240 --> 01:30:59,420

two of them start having bad nightmares

2093

01:31:03,010 --> 01:31:01,250

now my first question is is it what's

2094

01:31:04,510 --> 01:31:03,020

the random chance that two of them

2095

01:31:06,880 --> 01:31:04,520

suddenly start having bad nightmares

2096

01:31:08,350 --> 01:31:06,890

exactly eleven years later and none of

2097

01:31:10,270 --> 01:31:08,360

them have realized and the one guy who

2098

01:31:13,420 --> 01:31:10,280

was in such bad shape that he was in a

2099

01:31:15,010 --> 01:31:13,430

Boston hospital and he was there and he

2100

01:31:16,150 --> 01:31:15,020

couldn't sleep and they were trying to

2101  
01:31:17,680 --> 01:31:16,160  
doing all this test to find out why you

2102  
01:31:18,939 --> 01:31:17,690  
couldn't sleep whatever and then he says

2103  
01:31:21,040 --> 01:31:18,949  
to the nurse I know if you know the

2104  
01:31:24,070 --> 01:31:21,050  
story since there's I'm bored get me

2105  
01:31:26,640 --> 01:31:24,080  
something to read this is 1988 or 1987

2106  
01:31:28,570 --> 01:31:26,650  
and the nurse goes down to the the

2107  
01:31:30,570 --> 01:31:28,580  
bookstore and the main floor of the

2108  
01:31:33,550 --> 01:31:30,580  
hospital and guess what she buys him

2109  
01:31:35,740 --> 01:31:33,560  
communion this is the most obvious look

2110  
01:31:36,880 --> 01:31:35,750  
like you go to communion on Amazon and

2111  
01:31:38,290 --> 01:31:36,890  
you take a look at the comments and

2112  
01:31:39,610 --> 01:31:38,300  
you'll see one person after another

2113  
01:31:41,439 --> 01:31:39,620

saying when I saw a book I knew have

2114

01:31:43,720 --> 01:31:41,449

been abducted it absolutely woke up

2115

01:31:44,950 --> 01:31:43,730

thousands thousands and thousands of

2116

01:31:46,330 --> 01:31:44,960

people so they bring him the book

2117

01:31:48,370 --> 01:31:46,340

communion and of course he absolutely

2118

01:31:49,990 --> 01:31:48,380

flips out and he starts screaming and

2119

01:31:51,820 --> 01:31:50,000

they calm him down and then they bring

2120

01:31:53,380 --> 01:31:51,830

in a psychiatrist to figure out why he

2121

01:31:56,020 --> 01:31:53,390

flipped out when they bring him this

2122

01:31:59,530 --> 01:31:56,030

book and the psychiatrist happens to be

2123

01:32:01,450 --> 01:31:59,540

a an associate of John max nice the

2124

01:32:02,680 --> 01:32:01,460

chances of that and so this guy comes

2125

01:32:04,479 --> 01:32:02,690

and he says well why you having the

2126  
01:32:05,650 --> 01:32:04,489  
dreams i need the dreams that goes to

2127  
01:32:08,200 --> 01:32:05,660  
the dreams and then he says well there's

2128  
01:32:10,600 --> 01:32:08,210  
this guy coming through town who you

2129  
01:32:12,939 --> 01:32:10,610  
should talk to Ray Fowler and Ray Fowler

2130  
01:32:15,370 --> 01:32:12,949  
just happens to be interested in twins

2131  
01:32:16,780 --> 01:32:15,380  
who have had abduction experiences so

2132  
01:32:18,430 --> 01:32:16,790  
what's the chances of that and he just

2133  
01:32:20,500 --> 01:32:18,440  
happens to be coming to town what's the

2134  
01:32:22,030 --> 01:32:20,510  
chances of that and Ray Fowler is an

2135  
01:32:23,290 --> 01:32:22,040  
experienter so what's the chances of

2136  
01:32:25,270 --> 01:32:23,300  
that and you start looking at the

2137  
01:32:26,439 --> 01:32:25,280  
allagash thing and you see like them

2138  
01:32:28,810 --> 01:32:26,449

just putting the they're just moving

2139

01:32:31,270 --> 01:32:28,820

people as Colin Andrews and I often talk

2140

01:32:32,650 --> 01:32:31,280

about it's like the big chess board and

2141

01:32:34,510 --> 01:32:32,660

we're all pieces on the chessboard and

2142

01:32:36,070 --> 01:32:34,520

we're just being we're being moved

2143

01:32:37,930 --> 01:32:36,080

around on the chessboard and we think

2144

01:32:39,760 --> 01:32:37,940

things are happening randomly and in

2145

01:32:41,380 --> 01:32:39,770

fact we're being moved around and given

2146

01:32:42,610 --> 01:32:41,390

stuff and and that's what this download

2147

01:32:44,110 --> 01:32:42,620

thing comes from is that

2148

01:32:46,060 --> 01:32:44,120

a lot of the stuff that happens is not

2149

01:32:47,650 --> 01:32:46,070

it's it's stuff that you're you're

2150

01:32:49,750 --> 01:32:47,660

working at it you're you're working

2151  
01:32:51,490 --> 01:32:49,760  
towards that but you're being given your

2152  
01:32:53,730 --> 01:32:51,500  
you're giving a hand you're being given

2153  
01:32:56,260 --> 01:32:53,740  
assistance once you've done to work

2154  
01:32:58,030 --> 01:32:56,270  
you'll you'll your your little brain

2155  
01:33:00,280 --> 01:32:58,040  
shuts down you go into sort of an

2156  
01:33:01,810 --> 01:33:00,290  
altered state and it's a sitting on a

2157  
01:33:03,550 --> 01:33:01,820  
park bench or I was sitting there not

2158  
01:33:05,440 --> 01:33:03,560  
wanting to be in this lecture of Colin

2159  
01:33:07,090 --> 01:33:05,450  
Andrews and then suddenly you're right

2160  
01:33:08,980 --> 01:33:07,100  
brain taps into the collective

2161  
01:33:10,660 --> 01:33:08,990  
unconscious and it downloads the answer

2162  
01:33:13,420 --> 01:33:10,670  
this happens all the time it's it's

2163  
01:33:15,460 --> 01:33:13,430

unbelievable how much this happens wow I

2164

01:33:18,700 --> 01:33:15,470

I want to shift gears a little bit here

2165

01:33:20,740 --> 01:33:18,710

if we can sure because up um you know we

2166

01:33:22,420 --> 01:33:20,750

have an election coming up and we're all

2167

01:33:24,370 --> 01:33:22,430

going to get tired of this is down in

2168

01:33:26,650 --> 01:33:24,380

the United States and yep we're going to

2169

01:33:28,600 --> 01:33:26,660

be hearing all of this campaign promises

2170

01:33:32,290 --> 01:33:28,610

and everything that never really happens

2171

01:33:34,120 --> 01:33:32,300

but all right and you know there are

2172

01:33:37,810 --> 01:33:34,130

people saying that it's either going to

2173

01:33:41,220 --> 01:33:37,820

be Jed bush or hillary you know either

2174

01:33:44,440 --> 01:33:41,230

one who knows if that's true or not but

2175

01:33:47,170 --> 01:33:44,450

what are your thoughts I know you you

2176  
01:33:51,130 --> 01:33:47,180  
know Hillary may have had some type of

2177  
01:33:53,620 --> 01:33:51,140  
mild interest or or her husband perhaps

2178  
01:33:57,310 --> 01:33:53,630  
I know they were seen with Rockefeller

2179  
01:33:59,800 --> 01:33:57,320  
and a book in hand you know so what do

2180  
01:34:03,870 --> 01:33:59,810  
you think let's just say a couple of

2181  
01:34:05,940 --> 01:34:03,880  
scenarios here of who gets an office and

2182  
01:34:10,180 --> 01:34:05,950  
what the thoughts would be about

2183  
01:34:11,980 --> 01:34:10,190  
presidents and UFOs uh well it goes back

2184  
01:34:15,190 --> 01:34:11,990  
to i'll start by going back to my

2185  
01:34:17,800 --> 01:34:15,200  
initial contention when the president

2186  
01:34:18,940 --> 01:34:17,810  
gets elected whoever wins the election

2187  
01:34:21,370 --> 01:34:18,950  
they will do what's called the

2188  
01:34:23,410 --> 01:34:21,380

intelligence briefing and they will tell

2189

01:34:24,910 --> 01:34:23,420  
them that this is going on but the

2190

01:34:26,140 --> 01:34:24,920  
intelligence briefing has you know we

2191

01:34:27,910 --> 01:34:26,150  
killed this guy we overthrew this

2192

01:34:29,740 --> 01:34:27,920  
country we did this we were doing that

2193

01:34:31,720 --> 01:34:29,750  
were you know all this you know

2194

01:34:33,010 --> 01:34:31,730  
unbelievable stuff and the president

2195

01:34:34,300 --> 01:34:33,020  
will not talk about any of the stuff

2196

01:34:36,100 --> 01:34:34,310  
that he hears the intelligence briefing

2197

01:34:38,110 --> 01:34:36,110  
every day the president president gets a

2198

01:34:40,630 --> 01:34:38,120  
45 minute briefing on top secret stuff

2199

01:34:43,300 --> 01:34:40,640  
did you never hear about so whoever wins

2200

01:34:44,350 --> 01:34:43,310  
the election believe me they are not

2201

01:34:46,450 --> 01:34:44,360

quite I don't think they're going to

2202

01:34:48,310 --> 01:34:46,460

disclose the UFO situation whoever

2203

01:34:49,990 --> 01:34:48,320

whoever wins it because it's classified

2204

01:34:51,280 --> 01:34:50,000

material that's what it basically comes

2205

01:34:53,470 --> 01:34:51,290

down to it dick cheney said it's

2206

01:34:55,550 --> 01:34:53,480

classified now as to their involvement

2207

01:34:57,660 --> 01:34:55,560

hillary is more

2208

01:34:58,890 --> 01:34:57,670

competent to do it she's got the

2209

01:35:00,900 --> 01:34:58,900

background she's got an incredible

2210

01:35:03,020 --> 01:35:00,910

background that people may not know way

2211

01:35:05,940 --> 01:35:03,030

I lectured one time in in Little Rock

2212

01:35:09,450 --> 01:35:05,950

non-real rock Eureka Springs Arkansas

2213

01:35:11,340 --> 01:35:09,460

and the sister of the woman who owned

2214

01:35:13,140 --> 01:35:11,350

the barbecue restaurant in Hot Springs

2215

01:35:15,210 --> 01:35:13,150

Arkansas we're Bill and Hillary's to

2216

01:35:17,070 --> 01:35:15,220

hang out came up to me after election

2217

01:35:18,510 --> 01:35:17,080

she said I just wanna let you know where

2218

01:35:21,120 --> 01:35:18,520

Bill and Hillary get their interest in

2219

01:35:23,970 --> 01:35:21,130

UFOs because bill had said to Paul

2220

01:35:26,610 --> 01:35:23,980

David's I'm fascinated in this subject

2221

01:35:27,810 --> 01:35:26,620

and we know that hillary was involved

2222

01:35:29,580 --> 01:35:27,820

because she was involved in the

2223

01:35:31,230 --> 01:35:29,590

Rockefeller initiative which I got the

2224

01:35:33,240 --> 01:35:31,240

thousand pages of documents I filed

2225

01:35:35,040 --> 01:35:33,250

Freedom a snack requests when bill

2226

01:35:37,410 --> 01:35:35,050

clinton was still in office and I got

2227

01:35:39,630 --> 01:35:37,420

this thousand pages of documents which

2228

01:35:42,480 --> 01:35:39,640

was this correspondence between Laurance

2229

01:35:44,070 --> 01:35:42,490

Rockefeller and Jack Gibbons who is the

2230

01:35:45,390 --> 01:35:44,080

science advisor to President Clinton

2231

01:35:46,980 --> 01:35:45,400

they could he couldn't get the Clinton

2232

01:35:48,570 --> 01:35:46,990

at first so they cut him off at the pass

2233

01:35:51,180 --> 01:35:48,580

and the science advisor deals with

2234

01:35:53,700 --> 01:35:51,190

Rockefeller this floor up philanthropist

2235

01:35:56,400 --> 01:35:53,710

billionaire powerful guy that they have

2236

01:36:00,510 --> 01:35:56,410

to deal with and when this is all going

2237

01:36:01,950 --> 01:36:00,520

on Hillary is the the middleman if the

2238

01:36:05,100 --> 01:36:01,960

two of the documents that I show to the

2239

01:36:06,630 --> 01:36:05,110

Washington Post Associated Press Fox

2240

01:36:08,400 --> 01:36:06,640

News when she was running for president

2241

01:36:09,570 --> 01:36:08,410

last time I gave them these documents

2242

01:36:11,790 --> 01:36:09,580

and they did nothing with these

2243

01:36:13,620 --> 01:36:11,800

documents there's two documents in this

2244

01:36:15,870 --> 01:36:13,630

thousand pages of documents where

2245

01:36:19,260 --> 01:36:15,880

Hillary clearly has a role one of the

2246

01:36:20,940 --> 01:36:19,270

roles she had was the one document says

2247

01:36:24,330 --> 01:36:20,950

all the material going from Laurance

2248

01:36:26,400 --> 01:36:24,340

Rockefeller to the science advisor to

2249

01:36:28,020 --> 01:36:26,410

the president and all the material from

2250

01:36:30,240 --> 01:36:28,030

the science advisor to the president is

2251

01:36:31,830 --> 01:36:30,250

going through the first lady's office so

2252

01:36:33,510 --> 01:36:31,840

she was the mailbox she was the in

2253

01:36:35,430 --> 01:36:33,520

between between all this material was

2254

01:36:37,830 --> 01:36:35,440

all going through her office everything

2255

01:36:39,090 --> 01:36:37,840

the other document that I gave them the

2256

01:36:40,320 --> 01:36:39,100

Washington Post and Washington Post

2257

01:36:43,500 --> 01:36:40,330

interviewed me for an hour and a quarter

2258

01:36:45,600 --> 01:36:43,510

and did nothing with us but the other

2259

01:36:48,210 --> 01:36:45,610

thing that that she is in this document

2260

01:36:50,460 --> 01:36:48,220

is that the prez Rockefeller when he was

2261

01:36:53,640 --> 01:36:50,470

he said whoever wins election I'm going

2262

01:36:55,440 --> 01:36:53,650

to get UFO disclosure and he I remember

2263

01:36:57,690 --> 01:36:55,450

talking to budd hopkins and Budd Hopkins

2264

01:37:00,900 --> 01:36:57,700

was at his house and bud says the

2265

01:37:02,340 --> 01:37:00,910

Rockefeller says mr. Rockefeller I don't

2266

01:37:03,750 --> 01:37:02,350

think that's how it works he's I don't

2267

01:37:06,210 --> 01:37:03,760

care topping we're gonna do we're gonna

2268

01:37:07,230 --> 01:37:06,220

get disclosures so whether it was pro or

2269

01:37:07,690 --> 01:37:07,240

whether it was bush or whether it was

2270

01:37:09,550 --> 01:37:07,700

Clinton

2271

01:37:12,370 --> 01:37:09,560

said I'm getting disclosure so he comes

2272

01:37:13,870 --> 01:37:12,380

to get disclosure and they basically are

2273

01:37:15,160 --> 01:37:13,880

sort of playing the old game we don't

2274

01:37:17,410 --> 01:37:15,170

know what's going on we can't help you

2275

01:37:19,900 --> 01:37:17,420

whatever he said look if I do not get

2276

01:37:22,240 --> 01:37:19,910

what I want I am going to put a

2277

01:37:24,130 --> 01:37:22,250

full-page newspaper ad in every major

2278

01:37:26,230 --> 01:37:24,140

newspaper in the United States demanding

2279

01:37:27,520 --> 01:37:26,240

the president disclose UFOs my god hey

2280

01:37:28,570 --> 01:37:27,530

mr. rockefeller what do you want what do

2281

01:37:32,560 --> 01:37:28,580

you want what do you want us to do and

2282

01:37:34,150 --> 01:37:32,570

and then and that point he said you've

2283

01:37:36,190 --> 01:37:34,160

got to do something this is a very deep

2284

01:37:37,840 --> 01:37:36,200

phenomena and they said to rockefeller

2285

01:37:40,060 --> 01:37:37,850

they said well mr. rockefeller if this

2286

01:37:43,090 --> 01:37:40,070

phenomena is as deep as you say it is

2287

01:37:44,740 --> 01:37:43,100

and complex and hidden as you say it is

2288

01:37:45,820 --> 01:37:44,750

and if it's as big as you say it is

2289

01:37:47,830 --> 01:37:45,830

there's no way we're going to be able to

2290

01:37:51,120 --> 01:37:47,840

pull this all this stuff out give us one

2291

01:37:53,380 --> 01:37:51,130

case we'll go after that one case and

2292

01:37:55,590 --> 01:37:53,390

once we get that Declassified then we'll

2293

01:37:58,300 --> 01:37:55,600

go out to the rest of it so he said okay

2294

01:38:01,540 --> 01:37:58,310

Roswell and that's why and that's why in

2295

01:38:03,700 --> 01:38:01,550

1994 the US Air Force reinvestigated r

2296

01:38:04,690 --> 01:38:03,710

Oswald they didn't reinvestigate Roswell

2297

01:38:06,730 --> 01:38:04,700

because they wanted to go back into

2298

01:38:08,830 --> 01:38:06,740

rescate Roswell they got it they had to

2299

01:38:11,590 --> 01:38:08,840

do it because the president say I wanted

2300

01:38:15,340 --> 01:38:11,600

reinvestigated but when when this also

2301

01:38:17,050 --> 01:38:15,350

fell apart he had this letter that when

2302

01:38:18,910 --> 01:38:17,060

he didn't get his way Rockefeller had

2303

01:38:20,710 --> 01:38:18,920

this letter and it was this letter

2304

01:38:22,720 --> 01:38:20,720

officially demanding as the president

2305

01:38:24,190 --> 01:38:22,730

disclosed and he said okay I think

2306

01:38:25,300 --> 01:38:24,200

cypher to give the letter to the

2307

01:38:26,620 --> 01:38:25,310

president then they say hail mr.

2308

01:38:28,240 --> 01:38:26,630

rockefeller what do you want us to do

2309

01:38:29,350 --> 01:38:28,250

and then he every time you'd wave this

2310

01:38:31,120 --> 01:38:29,360

letter and threatened with this letter

2311

01:38:33,310 --> 01:38:31,130

Hillary Clinton was one of the people

2312

01:38:34,930 --> 01:38:33,320

who helped him edit this letter it was a

2313

01:38:36,790 --> 01:38:34,940

letter on UFO disclosure to the

2314

01:38:38,980 --> 01:38:36,800

President of the United States so she

2315

01:38:40,540 --> 01:38:38,990

has got this background check bill and

2316

01:38:42,460 --> 01:38:40,550

hillary were very interesting UFOs this

2317

01:38:43,930 --> 01:38:42,470

woman that aunt that her sister owned

2318

01:38:45,640 --> 01:38:43,940

the restaurant said that bill and

2319

01:38:47,470 --> 01:38:45,650

hillary or somebody very close to Bill

2320

01:38:48,850 --> 01:38:47,480

and Hillary had a UFO sighting and

2321

01:38:50,920 --> 01:38:48,860

that's why Bill and Hillary were so

2322

01:38:52,510 --> 01:38:50,930

interested in this but hillary was also

2323

01:38:54,520 --> 01:38:52,520

very interested both them were very

2324

01:38:56,730 --> 01:38:54,530

interested in New Age subjects they

2325

01:38:59,860 --> 01:38:56,740

would bring people to the White House

2326

01:39:02,350 --> 01:38:59,870

New Age people on the weekends for like

2327

01:39:03,940 --> 01:39:02,360

an entertainment type thing and one of

2328

01:39:07,060 --> 01:39:03,950

the people that hillary was dealing with

2329

01:39:09,760 --> 01:39:07,070

was a woman Bay of Jean Houston who is a

2330

01:39:11,560 --> 01:39:09,770

very new age very prominent person in

2331

01:39:13,390 --> 01:39:11,570

New York City and she was teaching

2332

01:39:15,280 --> 01:39:13,400

Hillary how to do this channeling thing

2333

01:39:17,470 --> 01:39:15,290

where hillary was talking to Eleanor

2334

01:39:19,620 --> 01:39:17,480

Roosevelt she was talking to Gandhi and

2335

01:39:23,100 --> 01:39:19,630

she was doing this

2336

01:39:25,740 --> 01:39:23,110

a thing where genius no taught her to do

2337

01:39:27,570 --> 01:39:25,750

this and then she said well do Jesus and

2338

01:39:29,399 --> 01:39:27,580

she said no I don't talk to Jesus but

2339

01:39:30,660 --> 01:39:29,409

she was doing this and then the

2340

01:39:31,979 --> 01:39:30,670

Washington Post picked up on this and

2341

01:39:34,350 --> 01:39:31,989

put it across the front page of the

2342

01:39:36,240 --> 01:39:34,360

Washington Post and air and then of

2343

01:39:38,280 --> 01:39:36,250

course the roof caved in on Hillary is

2344

01:39:40,860 --> 01:39:38,290

this crazy person who was channeling

2345

01:39:42,149 --> 01:39:40,870

dead people and of course she denied it

2346

01:39:44,580 --> 01:39:42,159

and said that's not really what it was

2347

01:39:46,260 --> 01:39:44,590

and sort of walked her way out of it so

2348

01:39:47,879 --> 01:39:46,270

that's one of the other reasons why

2349

01:39:49,680 --> 01:39:47,889

Hillary will not do anything because

2350

01:39:51,540 --> 01:39:49,690

Hillary knows what happens when you get

2351

01:39:54,689 --> 01:39:51,550

into weird stuff they'll be all over her

2352

01:39:56,160 --> 01:39:54,699

so unless somebody brings it up Hilary

2353

01:39:57,270 --> 01:39:56,170

is going to sit back and I think she's

2354

01:39:59,370 --> 01:39:57,280

going to get on her knees every night

2355

01:40:00,899 --> 01:39:59,380

and pray that Donald Trump wins the

2356

01:40:02,370 --> 01:40:00,909

other side and then she's going to be

2357

01:40:03,720 --> 01:40:02,380

very quiet and she's going to shut up

2358

01:40:07,050 --> 01:40:03,730

because that's how you win elections

2359

01:40:09,060 --> 01:40:07,060

people politicians do not get in there

2360

01:40:11,070 --> 01:40:09,070

to do great things they get in to get

2361

01:40:13,110 --> 01:40:11,080

elected these are people have huge egos

2362

01:40:14,640 --> 01:40:13,120

they want more than anything else to be

2363

01:40:16,860 --> 01:40:14,650

the president united states and when

2364

01:40:18,120 --> 01:40:16,870

their advisors tell them this is how

2365

01:40:19,860 --> 01:40:18,130

we're going to win that's all they

2366

01:40:21,959 --> 01:40:19,870

listen to it's not about what good

2367

01:40:23,970 --> 01:40:21,969

things can we do it's about how can we

2368

01:40:25,200 --> 01:40:23,980

get into this by staying out of bad

2369

01:40:27,240 --> 01:40:25,210

issues that are going to cause this

2370

01:40:28,200 --> 01:40:27,250

trouble and put our finger up into the

2371

01:40:29,939 --> 01:40:28,210

wind find out what everybody's

2372

01:40:31,740 --> 01:40:29,949

interested in and pretend that we're

2373

01:40:34,050 --> 01:40:31,750

interested you have to make yourself

2374

01:40:35,729 --> 01:40:34,060

look like the Messiah I am the Messiah

2375

01:40:36,750 --> 01:40:35,739

and if you give me your vote I'm going

2376

01:40:38,550 --> 01:40:36,760

to save you i'm going to give you

2377

01:40:40,379 --> 01:40:38,560

everything you ever asked for and every

2378

01:40:42,090 --> 01:40:40,389

four years everybody falls for the trick

2379

01:40:44,370 --> 01:40:42,100

and they go and vote for whoever they

2380

01:40:45,600 --> 01:40:44,380

think the Messiah is and this is what

2381

01:40:47,340 --> 01:40:45,610

Hilary is gonna do she's gonna sit very

2382

01:40:49,020 --> 01:40:47,350

quietly in the background she's not

2383

01:40:51,419 --> 01:40:49,030

going to take any controversial subjects

2384

01:40:52,800 --> 01:40:51,429

she's gonna let Donald Trump sink the

2385

01:40:55,800 --> 01:40:52,810

other side or hope the Donald Trump

2386

01:40:57,209 --> 01:40:55,810

sings the other side as for Bush if Jeb

2387

01:41:00,810 --> 01:40:57,219

Bush wins nothing's going to happen

2388

01:41:03,120 --> 01:41:00,820

because both bushes before Jeb had no

2389

01:41:06,540 --> 01:41:03,130

interest in UFOs did none of them ever

2390

01:41:08,510 --> 01:41:06,550

discuss UFOs whether it's a bush senior

2391

01:41:12,270 --> 01:41:08,520

or where was the two administrations of

2392

01:41:14,310 --> 01:41:12,280

George Bush jr. none of them mentioned

2393

01:41:17,040 --> 01:41:14,320

the word UFO if you on the other hand if

2394

01:41:19,560 --> 01:41:17,050

you get obama obama is all over this man

2395

01:41:21,899 --> 01:41:19,570

he i think he is upset with the secrecy

2396

01:41:23,160 --> 01:41:21,909

he's playing around with it he talks

2397

01:41:25,379 --> 01:41:23,170

about when he doesn't have to talk about

2398

01:41:27,090 --> 01:41:25,389

it he makes jokes about it and that's

2399

01:41:28,709 --> 01:41:27,100

how they play the game that's how the

2400

01:41:30,959 --> 01:41:28,719

government sort of gets this material

2401

01:41:33,090 --> 01:41:30,969

out and leaks it to people is what you

2402

01:41:34,890 --> 01:41:33,100

do is you leak it through jokes

2403

01:41:38,340 --> 01:41:34,900

and I I guess the most prominent case

2404

01:41:41,160 --> 01:41:38,350

with Obama is the famous case where he

2405

01:41:42,930 --> 01:41:41,170

goes on the Kimmel show which was just

2406

01:41:44,580 --> 01:41:42,940

millions and millions of people and I

2407

01:41:45,780 --> 01:41:44,590

can absolutely assure you I've studied

2408

01:41:47,970 --> 01:41:45,790

the president been told that the

2409

01:41:50,100 --> 01:41:47,980

archives I know how the other game is

2410

01:41:52,320 --> 01:41:50,110

played and I know that the president is

2411

01:41:53,730 --> 01:41:52,330

the most controlled position you've ever

2412

01:41:55,320 --> 01:41:53,740

seen wait if you look at the schedule

2413

01:41:58,230 --> 01:41:55,330

sits down to the minute I mean he leaves

2414

01:42:01,260 --> 01:41:58,240

the South particle at 907 he'll get into

2415

01:42:02,910 --> 01:42:01,270

the car 908 it's like absolutely and

2416

01:42:04,020 --> 01:42:02,920

there's no way he would go on the Kimmel

2417

01:42:06,330 --> 01:42:04,030

show unless you knew what the questions

2418

01:42:07,860 --> 01:42:06,340

were they this is totally don't want him

2419

01:42:09,930 --> 01:42:07,870

Phoebe ambushed with a stupid question

2420

01:42:11,700 --> 01:42:09,940

or whatever so what had happened with

2421

01:42:14,580 --> 01:42:11,710

Bill Clinton had gone on the show and

2422

01:42:17,100 --> 01:42:14,590

Bill Clinton had done the the the show

2423

01:42:20,550 --> 01:42:17,110

and he'd taken the UFO question and of

2424

01:42:23,850 --> 01:42:20,560

course Ben Hansen who had this factor

2425

01:42:25,530 --> 01:42:23,860

faked I think was the show and UFO type

2426  
01:42:28,170 --> 01:42:25,540  
show where he was looking at paranormal

2427  
01:42:29,790 --> 01:42:28,180  
phenomena he did a review of the bill

2428  
01:42:31,620 --> 01:42:29,800  
clinton appearance on the Kimmel show

2429  
01:42:33,360 --> 01:42:31,630  
and what he did is one of these

2430  
01:42:35,160 --> 01:42:33,370  
psychological things where they watch

2431  
01:42:36,630 --> 01:42:35,170  
how many times he blinks how he's

2432  
01:42:37,650 --> 01:42:36,640  
breathing all this kind of stuff to see

2433  
01:42:39,870 --> 01:42:37,660  
where the bill clinton is telling the

2434  
01:42:42,630 --> 01:42:39,880  
truth and basically his conclusion was

2435  
01:42:45,240 --> 01:42:42,640  
that bill clinton was evasive on his UFO

2436  
01:42:47,490 --> 01:42:45,250  
answers so if you watch the obama

2437  
01:42:48,900 --> 01:42:47,500  
interview when Obama goes on Kimmel

2438  
01:42:50,340 --> 01:42:48,910

Kimmel says to him at the beginning he

2439

01:42:51,810 --> 01:42:50,350

says you realize they're going to be

2440

01:42:53,160 --> 01:42:51,820

watching you you're good you realize

2441

01:42:56,220 --> 01:42:53,170

they're going to be watching you what

2442

01:42:59,880 --> 01:42:56,230

you do and how you move and Obama says

2443

01:43:01,890 --> 01:42:59,890

yeah so Obama knows about the about this

2444

01:43:03,750 --> 01:43:01,900

Ben Hansen show he knows this review was

2445

01:43:05,520 --> 01:43:03,760

done on Bill Clinton so he knows that

2446

01:43:07,680 --> 01:43:05,530

he's going to be in the spotlight that

2447

01:43:09,570 --> 01:43:07,690

he's when he answers these UFO questions

2448

01:43:11,550 --> 01:43:09,580

that are coming and he's approved the

2449

01:43:13,590 --> 01:43:11,560

UFO questions that everybody's going to

2450

01:43:15,420 --> 01:43:13,600

look at his at his meaner and see

2451

01:43:17,460 --> 01:43:15,430

whether he was telling the truth so when

2452

01:43:19,500 --> 01:43:17,470

you see him do the questions people say

2453

01:43:21,930 --> 01:43:19,510

well I was just joking around one of the

2454

01:43:25,140 --> 01:43:21,940

questions he absolutely specifically

2455

01:43:27,090 --> 01:43:25,150

says I can't talk about it he's no joke

2456

01:43:28,830 --> 01:43:27,100

he's just as I can't talk about it but

2457

01:43:30,720 --> 01:43:28,840

when he gets to that just before that

2458

01:43:32,520 --> 01:43:30,730

question that's the big question when he

2459

01:43:34,350 --> 01:43:32,530

said the question I say you've got to

2460

01:43:36,660 --> 01:43:34,360

ask is what did you do about it did you

2461

01:43:37,830 --> 01:43:36,670

get briefed what did you do like we

2462

01:43:39,480 --> 01:43:37,840

tried to always get this question a

2463

01:43:40,530 --> 01:43:39,490

Jimmy Carter what did you do once you

2464

01:43:41,580 --> 01:43:40,540

got to the White House I don't care if

2465

01:43:43,230 --> 01:43:41,590

you saw you if I don't care what you

2466

01:43:44,310 --> 01:43:43,240

thought about UFOs what did you do about

2467

01:43:46,330 --> 01:43:44,320

this when you've got to the White House

2468

01:43:48,160 --> 01:43:46,340

get a real specific question so he

2469

01:43:49,689 --> 01:43:48,170

ask the question what did you do when

2470

01:43:51,280 --> 01:43:49,699

you got there what did you did you try

2471

01:43:54,310 --> 01:43:51,290

to get the answer to the UFO thing and

2472

01:43:57,250 --> 01:43:54,320

then when they review is done by Hansen

2473

01:44:00,250 --> 01:43:57,260

later he's watching his high definition

2474

01:44:02,530 --> 01:44:00,260

TV and Obama is wearing this lapel pin

2475

01:44:04,810 --> 01:44:02,540

and they're watching the lapel pin move

2476

01:44:07,479 --> 01:44:04,820

up and down his breathing rate and Obama

2477

01:44:09,910 --> 01:44:07,489

when that question comes is breathing 42

2478

01:44:11,979 --> 01:44:09,920

times a minute he's hyperventilating he

2479

01:44:13,750 --> 01:44:11,989

is he is losing it I mean he is so

2480

01:44:15,160 --> 01:44:13,760

scared when this question comes and he

2481

01:44:16,600 --> 01:44:15,170

what he's trying to do is the left brain

2482

01:44:18,010 --> 01:44:16,610

is trying to figure out answer this

2483

01:44:19,930 --> 01:44:18,020

question without making mistake he's got

2484

01:44:21,459 --> 01:44:19,940

it he's practiced the answer numerous

2485

01:44:23,439 --> 01:44:21,469

times and he's trying to get this answer

2486

01:44:24,910 --> 01:44:23,449

out without trying to blink as he knows

2487

01:44:28,000 --> 01:44:24,920

he's going to be reviewed as to whether

2488

01:44:30,100 --> 01:44:28,010

he's lying and so oh but Obama is steps

2489

01:44:31,720 --> 01:44:30,110

out and he takes these chances he's

2490

01:44:33,339 --> 01:44:31,730

talked about area 51 he made the joke

2491

01:44:36,370 --> 01:44:33,349

about being the first president talk

2492

01:44:38,979 --> 01:44:36,380

about area 51 he made this very famous

2493

01:44:41,290 --> 01:44:38,989

statement that he knew would get out to

2494

01:44:43,240 --> 01:44:41,300

Will Smith's son I do you know that you

2495

01:44:45,250 --> 01:44:43,250

have you had that story I show about

2496

01:44:46,990 --> 01:44:45,260

about Jaden where Jaden wants to ask a

2497

01:44:48,760 --> 01:44:47,000

question and the president picks up and

2498

01:44:51,010 --> 01:44:48,770

this happens in the Situation Room where

2499

01:44:55,390 --> 01:44:51,020

Obama makes this famous statement to

2500

01:44:57,189 --> 01:44:55,400

Jaden will smith son and says if I can

2501

01:44:59,350 --> 01:44:57,199

neither confirm nor deny that

2502

01:45:00,879 --> 01:44:59,360

extraterrestrials exist but if they do

2503

01:45:02,800 --> 01:45:00,889

and if there had been a top secret

2504

01:45:05,050 --> 01:45:02,810

meeting on the subject it would have

2505

01:45:06,640 --> 01:45:05,060

occurred in this very room he knew that

2506

01:45:08,589 --> 01:45:06,650

was getting out I mean he knew that this

2507

01:45:10,629 --> 01:45:08,599

story would get told and so that's why i

2508

01:45:12,370 --> 01:45:10,639

think obama is doing he's upset he's

2509

01:45:14,050 --> 01:45:12,380

upset with the secrecy but he can't do

2510

01:45:15,220 --> 01:45:14,060

anything he swore to cici's they can

2511

01:45:17,379 --> 01:45:15,230

throw him in jail the same as I could

2512

01:45:19,899 --> 01:45:17,389

throw anybody else in jail he can't talk

2513

01:45:22,510 --> 01:45:19,909

about he swore to secrecy so he's

2514

01:45:25,540 --> 01:45:22,520

indirectly taking jabs at the at the

2515

01:45:27,580 --> 01:45:25,550

media or at the secrecy keepers the same

2516

01:45:31,540 --> 01:45:27,590

as Podesta is doing the same thing John

2517

01:45:33,129 --> 01:45:31,550

Podesta it was his a guy that helped him

2518

01:45:35,169 --> 01:45:33,139

pick his cabinet when he first came in

2519

01:45:37,780 --> 01:45:35,179

and possesses the most powerful guy in

2520

01:45:40,270 --> 01:45:37,790

the Democratic Party he started the big

2521

01:45:42,430 --> 01:45:40,280

Democratic think tank in Washington DC

2522

01:45:44,500 --> 01:45:42,440

is a very very powerful guy and he was

2523

01:45:46,149 --> 01:45:44,510

always known as The X Files man he was

2524

01:45:47,649 --> 01:45:46,159

fascinated with the x-files when he was

2525

01:45:51,550 --> 01:45:47,659

in the Clinton administration when

2526

01:45:54,100 --> 01:45:51,560

biller and Hillary Clinton were in John

2527

01:45:56,589 --> 01:45:54,110

Podesta had his 50th birthday and this

2528

01:45:58,600 --> 01:45:56,599

is one of the FOI a's i filed which i

2529

01:45:59,950 --> 01:45:58,610

had i was the night and i'm still denied

2530

01:46:01,570 --> 01:45:59,960

this fo a and

2531

01:46:04,090 --> 01:46:01,580

what happened to john podesta 50th

2532

01:46:05,950 --> 01:46:04,100

birthday is that he had a x-files

2533

01:46:08,440 --> 01:46:05,960

birthday party and Bill and Hillary

2534

01:46:11,260 --> 01:46:08,450

dressed up like the x-files so there was

2535

01:46:13,930 --> 01:46:11,270

84 photographs 83 or 84 photographs and

2536

01:46:16,600 --> 01:46:13,940

a video tape so I knew this and I filed

2537

01:46:20,620 --> 01:46:16,610

an FOI for these videotapes and they

2538

01:46:24,130 --> 01:46:20,630

came back and they said this is personal

2539

01:46:26,410 --> 01:46:24,140

privacy and I appeal it I said no way

2540

01:46:28,120 --> 01:46:26,420

this is a private this is a public event

2541

01:46:30,160 --> 01:46:28,130

it would happen in the White House a

2542

01:46:31,750 --> 01:46:30,170

public place it happened with taxpayer

2543

01:46:33,100 --> 01:46:31,760

money the camera was paid for by

2544

01:46:36,220 --> 01:46:33,110

taxpayer money the film was paid by

2545

01:46:38,170 --> 01:46:36,230

taxpayer money this is not privacy is

2546

01:46:40,540 --> 01:46:38,180

not John Podesta privacy this is a

2547

01:46:42,550 --> 01:46:40,550

public event that was held and I was

2548

01:46:45,940 --> 01:46:42,560

denied and Bill Clinton and his lawyer

2549

01:46:47,890 --> 01:46:45,950

denied this so I wasn't able to get it

2550

01:46:50,260 --> 01:46:47,900

but they have just in the last couple of

2551

01:46:52,750 --> 01:46:50,270

weeks actually released the documents

2552

01:46:54,310 --> 01:46:52,760

from that birthday party and I'm sure

2553

01:46:55,600 --> 01:46:54,320

it's just going to be happy birthday

2554

01:46:59,610 --> 01:46:55,610

John from different people or whatever

2555

01:47:03,010 --> 01:46:59,620

so John Podesta is also playing the game

2556

01:47:05,380 --> 01:47:03,020

he when he left the white house about

2557

01:47:08,320 --> 01:47:05,390

two months ago he makes this famous

2558

01:47:10,810 --> 01:47:08,330

tweet on the day he leaves he tweets the

2559

01:47:12,430 --> 01:47:10,820

biggest disappointment I had in 2014

2560

01:47:14,410 --> 01:47:12,440

when he was at the Obama White House is

2561

01:47:16,930 --> 01:47:14,420

that I still was not able to get UFO

2562

01:47:19,360 --> 01:47:16,940

disclosure which indicates and a major

2563

01:47:22,479 --> 01:47:19,370

open tweet as he's doing the White House

2564

01:47:25,240 --> 01:47:22,489

to everybody he says I tried to get the

2565

01:47:26,800 --> 01:47:25,250

UFO material out me Obama sat down we

2566

01:47:28,810 --> 01:47:26,810

tried to get it but it still classified

2567

01:47:30,880 --> 01:47:28,820

and we couldn't get them to budge on the

2568

01:47:33,070 --> 01:47:30,890

secrecy thing so he throws a shot across

2569

01:47:34,900 --> 01:47:33,080

the bow and basically says okay I try to

2570

01:47:37,300 --> 01:47:34,910

get the UFO disclosure and even says

2571

01:47:38,680 --> 01:47:37,310

when I leave off when Obama leaves

2572

01:47:42,550 --> 01:47:38,690

office something's going to file an FOI

2573

01:47:43,450 --> 01:47:42,560

and that's me because I I do it to

2574

01:47:46,180 --> 01:47:43,460

asking for all the correspondence

2575

01:47:47,620 --> 01:47:46,190

between John Podesta and Obama because I

2576

01:47:50,080 --> 01:47:47,630

want to see I want to see if he talked

2577

01:47:51,640 --> 01:47:50,090

about UFOs so he actually says that he

2578

01:47:54,370 --> 01:47:51,650

knows this is going to happen and he

2579

01:47:56,260 --> 01:47:54,380

sort of covering him covering his back

2580

01:47:57,940 --> 01:47:56,270

end by putting his tweet out and the

2581

01:47:59,950 --> 01:47:57,950

weird thing I didn't realize when the

2582

01:48:02,110 --> 01:47:59,960

tweet first came out I didn't realize

2583

01:48:05,380 --> 01:48:02,120

until Steve as I pointed out is that he

2584

01:48:07,390 --> 01:48:05,390

copies Murray doubt on the tweet if you

2585

01:48:10,209 --> 01:48:07,400

look at this famous tweet she's copied

2586

01:48:11,920 --> 01:48:10,219

on this tweet and she's a very senior

2587

01:48:13,480 --> 01:48:11,930

reporter for New York Times and she

2588

01:48:14,800 --> 01:48:13,490

hates Hillary Clinton and I

2589

01:48:16,270 --> 01:48:14,810

still have not figured out why he put

2590

01:48:17,860 --> 01:48:16,280

her on there it's almost like he's being

2591

01:48:19,390 --> 01:48:17,870

very very public about this thing and

2592

01:48:21,430 --> 01:48:19,400

it's behind the scenes I know what he I

2593

01:48:23,200 --> 01:48:21,440

know is nobody's doing but nobody else

2594

01:48:25,870 --> 01:48:23,210

know what he's doing but he's giving a

2595

01:48:28,570 --> 01:48:25,880

shot and the people who are behind the

2596

01:48:30,760 --> 01:48:28,580

secrecy are very upset he's taking a

2597

01:48:33,310 --> 01:48:30,770

shot at them and if you know the inside

2598

01:48:36,220 --> 01:48:33,320

then you can pick up what he's doing but

2599

01:48:38,590 --> 01:48:36,230

Obama is making some moves I don't think

2600

01:48:40,150 --> 01:48:38,600

you're going to see much you what may

2601  
01:48:41,650 --> 01:48:40,160  
happen is Hillary may come through the

2602  
01:48:44,050 --> 01:48:41,660  
back door that's what that's what a

2603  
01:48:46,230 --> 01:48:44,060  
president is able to do Jimmy Carter did

2604  
01:48:48,790 --> 01:48:46,240  
that Jimmy Carter said if I'm elected

2605  
01:48:51,040 --> 01:48:48,800  
president I will release all the UFO

2606  
01:48:52,270 --> 01:48:51,050  
material except for the material that

2607  
01:48:53,680 --> 01:48:52,280  
deals with weapons and that's what it

2608  
01:48:55,720 --> 01:48:53,690  
comes down to its all about weapons it's

2609  
01:48:58,270 --> 01:48:55,730  
about the consciousness thing about the

2610  
01:49:00,100 --> 01:48:58,280  
telepathy thing about the weapons about

2611  
01:49:01,660 --> 01:49:00,110  
the free energy we want it we don't want

2612  
01:49:04,090 --> 01:49:01,670  
to give gel Qaeda and ISIL because

2613  
01:49:07,510 --> 01:49:04,100

they'll use it to kill Americans so it's

2614

01:49:09,400 --> 01:49:07,520

all very it's all very secret they want

2615

01:49:11,170 --> 01:49:09,410

it that way and everybody agrees there's

2616

01:49:12,430 --> 01:49:11,180

14 13 presidents have dealt with the

2617

01:49:15,840 --> 01:49:12,440

subject they've all dealt with the same

2618

01:49:18,700 --> 01:49:15,850

way they've all played the game and so

2619

01:49:20,470 --> 01:49:18,710

what Hillary may do is do a Jimmy Carter

2620

01:49:22,750 --> 01:49:20,480

did he got to the White House he got the

2621

01:49:25,150 --> 01:49:22,760

top secret documents he wasn't able to

2622

01:49:26,890 --> 01:49:25,160

release it he's under secrecy thing so

2623

01:49:28,660 --> 01:49:26,900

what he does is he starts going in

2624

01:49:31,150 --> 01:49:28,670

behind the back door so he said is his

2625

01:49:32,350 --> 01:49:31,160

press secretary Jody Powell to the FBI

2626

01:49:35,050 --> 01:49:32,360

to find out what they were doing with

2627

01:49:37,390 --> 01:49:35,060

UFO material he went to to NASA to try

2628

01:49:39,940 --> 01:49:37,400

to start a new blue book and NASA said

2629

01:49:42,190 --> 01:49:39,950

no our budget was cut with off the money

2630

01:49:44,260 --> 01:49:42,200

we can't do this if you have some crash

2631

01:49:46,720 --> 01:49:44,270

material or something that that's metal

2632

01:49:49,720 --> 01:49:46,730

will analyze it but we can't do this he

2633

01:49:51,700 --> 01:49:49,730

goes to the CIA and I heard the story

2634

01:49:53,380 --> 01:49:51,710

that the woman that was behind getting

2635

01:49:55,240 --> 01:49:53,390

the documents from the CIA for Jimmy

2636

01:49:57,190 --> 01:49:55,250

Carter was under so much stress that she

2637

01:49:59,080 --> 01:49:57,200

actually broke down in someone's office

2638

01:50:00,820 --> 01:49:59,090

crying there was under tremendous

2639

01:50:02,710 --> 01:50:00,830

pressure so Carter was the end behind

2640

01:50:05,020 --> 01:50:02,720

the scenes so a president can't do it

2641

01:50:08,650 --> 01:50:05,030

publicly because you can't be involved I

2642

01:50:10,420 --> 01:50:08,660

mean you can't you can't be said if

2643

01:50:11,920 --> 01:50:10,430

you're not into UFOs you can't go out

2644

01:50:13,180 --> 01:50:11,930

and say I'm going to have a UFO

2645

01:50:14,800 --> 01:50:13,190

investigation because we're not into it

2646

01:50:16,810 --> 01:50:14,810

so what you do is you have to come to

2647

01:50:18,970 --> 01:50:16,820

the back door and so a proud president

2648

01:50:22,570 --> 01:50:18,980

may be Hillary will if she's very

2649

01:50:24,220 --> 01:50:22,580

interested in it will try to shake the

2650

01:50:25,930 --> 01:50:24,230

bushes behind the scenes where people

2651  
01:50:27,220 --> 01:50:25,940  
aren't seeing it because the head

2652  
01:50:29,590 --> 01:50:27,230  
scientist for the CIA

2653  
01:50:31,510 --> 01:50:29,600  
a actually makes a comment and I have

2654  
01:50:33,820 --> 01:50:31,520  
this in my book UFOs area 51 in

2655  
01:50:35,920 --> 01:50:33,830  
government formats where he said that

2656  
01:50:38,310 --> 01:50:35,930  
hillary was drive driving the CIA nuts

2657  
01:50:40,570 --> 01:50:38,320  
she was trying to get answers and

2658  
01:50:42,310 --> 01:50:40,580  
Podesta was stuck with Hillary Clinton

2659  
01:50:44,229 --> 01:50:42,320  
so this is what happens they come in

2660  
01:50:45,880 --> 01:50:44,239  
through the back and for their own type

2661  
01:50:47,830 --> 01:50:45,890  
of stuff and then you find some way to

2662  
01:50:50,080 --> 01:50:47,840  
leak it into the into the the public

2663  
01:50:53,140 --> 01:50:50,090

domain but the president is handicapped

2664

01:50:54,850 --> 01:50:53,150

because you're in there to get elected

2665

01:50:57,040 --> 01:50:54,860

you don't want to do anything that's

2666

01:51:00,040 --> 01:50:57,050

going to cause ruckus and believe you me

2667

01:51:02,830 --> 01:51:00,050

the UFO story if you're running for

2668

01:51:04,840 --> 01:51:02,840

president it's like this famous story

2669

01:51:08,710 --> 01:51:04,850

with kissena CH who was running for

2670

01:51:11,830 --> 01:51:08,720

president again Hilary and he he was

2671

01:51:13,720 --> 01:51:11,840

outed by Shirley MacLaine that he was 50

2672

01:51:16,150 --> 01:51:13,730

feet away from a UFO over top of the

2673

01:51:18,190 --> 01:51:16,160

swimming pool at her house and he heard

2674

01:51:19,660 --> 01:51:18,200

voices and he heard commands and there

2675

01:51:21,370 --> 01:51:19,670

was two other people there and they he

2676

01:51:22,750 --> 01:51:21,380

got everybody to draw the stuff and they

2677

01:51:24,610 --> 01:51:22,760

all mapped it out they knew the whole

2678

01:51:27,250 --> 01:51:24,620

day something was happening was a very

2679

01:51:32,979 --> 01:51:27,260

dramatic UFO sighting when he was outed

2680

01:51:35,080 --> 01:51:32,989

at this philadelphia new debate it was

2681

01:51:36,790 --> 01:51:35,090

over i mean his career was over i mean

2682

01:51:38,580 --> 01:51:36,800

he he never went anywhere after he was

2683

01:51:41,050 --> 01:51:38,590

always in every article after that

2684

01:51:42,940 --> 01:51:41,060

identified as a crazy guy who had had

2685

01:51:45,580 --> 01:51:42,950

the UFO sighting and heard voices so

2686

01:51:48,040 --> 01:51:45,590

it's a deadly issue in the Indian they

2687

01:51:51,550 --> 01:51:48,050

listen to their advisors and that's to

2688

01:51:55,030 --> 01:51:51,560

give you an idea how important this is

2689

01:51:56,950 --> 01:51:55,040

and the reason that the that Bill and

2690

01:51:59,350 --> 01:51:56,960

Hillary Clinton went to the Rockefeller

2691

01:52:01,270 --> 01:51:59,360

ranch in 1995 was not because they want

2692

01:52:02,950 --> 01:52:01,280

to go to Rockefeller ranch yeah bill

2693

01:52:04,060 --> 01:52:02,960

wanted to go to Hamptons he always

2694

01:52:05,920 --> 01:52:04,070

wanted to go to the Hamptons where all

2695

01:52:08,950 --> 01:52:05,930

the rich people all the rich Democrats

2696

01:52:10,990 --> 01:52:08,960

are and golf and play cards and and you

2697

01:52:13,060 --> 01:52:11,000

know have a party time and he was told

2698

01:52:16,810 --> 01:52:13,070

to go to the ranch and because in the

2699

01:52:18,760 --> 01:52:16,820

1995 he was losing the 1996 election he

2700

01:52:21,460 --> 01:52:18,770

was behind and Dick Morris his advisor

2701  
01:52:24,430 --> 01:52:21,470  
said that the polls showed that the

2702  
01:52:25,840 --> 01:52:24,440  
people who were going to vote in 1996 to

2703  
01:52:26,950 --> 01:52:25,850  
swing voters that's all you care about

2704  
01:52:28,420 --> 01:52:26,960  
you don't care about Democrats

2705  
01:52:30,729 --> 01:52:28,430  
Republicans you want the swing voters

2706  
01:52:31,870 --> 01:52:30,739  
you hear your campaign and he said the

2707  
01:52:35,410 --> 01:52:31,880  
swing voters were people who were

2708  
01:52:36,729 --> 01:52:35,420  
interested in technology and nature and

2709  
01:52:37,900 --> 01:52:36,739  
therefore he had to go to the

2710  
01:52:39,340 --> 01:52:37,910  
Rockefeller ranch

2711  
01:52:41,770 --> 01:52:39,350  
and do the whitewater rafting and

2712  
01:52:44,050 --> 01:52:41,780  
camping and stuff like that and Dick

2713  
01:52:45,670 --> 01:52:44,060

Morris in his in his book actually tells

2714

01:52:47,920 --> 01:52:45,680

a story that when he was there when the

2715

01:52:49,450 --> 01:52:47,930

bill was there bill was on the phone he

2716

01:52:50,920 --> 01:52:49,460

said he had to actually hold the phone

2717

01:52:52,060 --> 01:52:50,930

about two feet away from his head

2718

01:52:53,770 --> 01:52:52,070

because bill was screaming in the phone

2719

01:52:55,720 --> 01:52:53,780

get me the hell out of here I can't

2720

01:52:57,520 --> 01:52:55,730

stand it he was he did the last place

2721

01:52:58,930 --> 01:52:57,530

you want to be with Rockefeller ranch he

2722

01:53:01,660 --> 01:52:58,940

wanted to be in the Hamptons but he had

2723

01:53:02,620 --> 01:53:01,670

to go there because the poll said that

2724

01:53:04,720 --> 01:53:02,630

you got to look like you're an

2725

01:53:07,990 --> 01:53:04,730

environmental guy to get those votes and

2726

01:53:10,470 --> 01:53:08,000

he did win the 1996 election politics is

2727

01:53:12,490 --> 01:53:10,480

very very structured it's it's very

2728

01:53:14,470 --> 01:53:12,500

depressing when you look behind the

2729

01:53:16,450 --> 01:53:14,480

scenes how it works it's got nothing to

2730

01:53:18,130 --> 01:53:16,460

do with helping people indirectly it's

2731

01:53:20,290 --> 01:53:18,140

basically got to do with get elected and

2732

01:53:21,940 --> 01:53:20,300

then get reelected don't cause any

2733

01:53:25,030 --> 01:53:21,950

trouble you're representing your

2734

01:53:26,650 --> 01:53:25,040

priority listen to your advisers find

2735

01:53:28,000 --> 01:53:26,660

out where the votes are and then go and

2736

01:53:31,030 --> 01:53:28,010

convince these people that you're the

2737

01:53:32,790 --> 01:53:31,040

guy that needs their vote you know we we

2738

01:53:35,410 --> 01:53:32,800

we don't have a lot of time left maybe

2739

01:53:37,950 --> 01:53:35,420

for three to four minutes or something

2740

01:53:39,880 --> 01:53:37,960

like that just to let you know but um I

2741

01:53:42,520 --> 01:53:39,890

wanted to either talk to you about

2742

01:53:44,620 --> 01:53:42,530

wilbert Smith or I wanted to talk to you

2743

01:53:46,450 --> 01:53:44,630

about Ronald Reagan I think Ronald

2744

01:53:48,640 --> 01:53:46,460

Reagan was an interesting president

2745

01:53:50,490 --> 01:53:48,650

because it's supposedly he had a couple

2746

01:53:53,140 --> 01:53:50,500

of sightings that which topic would be

2747

01:53:55,360 --> 01:53:53,150

easy to wrap up in about three or four

2748

01:53:58,120 --> 01:53:55,370

minutes okay i'll just do quickly the

2749

01:54:00,670 --> 01:53:58,130

reagan wonder the reg ronald reagan had

2750

01:54:02,410 --> 01:54:00,680

two sightings one was in a plane the

2751

01:54:03,580 --> 01:54:02,420

other one according to the material

2752

01:54:05,410 --> 01:54:03,590

that's now been released by Shirley

2753

01:54:07,750 --> 01:54:05,420

MacLaine she said she heard it from

2754

01:54:09,490 --> 01:54:07,760

Lucille Ball I know for a fact Lucille

2755

01:54:13,170 --> 01:54:09,500

Ball was in the room when Reagan and

2756

01:54:16,480 --> 01:54:13,180

Nancy came in and Shirley MacLaine

2757

01:54:18,700 --> 01:54:16,490

stated that Lucille Ball told her it

2758

01:54:21,280 --> 01:54:18,710

wasn't just a sighting the UFO actually

2759

01:54:23,230 --> 01:54:21,290

landed and he had an encounter with an

2760

01:54:24,880 --> 01:54:23,240

alien and the alien told him to run for

2761

01:54:26,560 --> 01:54:24,890

president which is extremely important

2762

01:54:28,180 --> 01:54:26,570

this is comes down to this thing are the

2763

01:54:31,780 --> 01:54:28,190

aliens running the show are people just

2764

01:54:33,760 --> 01:54:31,790

chess pieces if you see a UFO you're

2765

01:54:35,290 --> 01:54:33,770

part of the game the aliens fly around

2766

01:54:36,610 --> 01:54:35,300

you don't you don't see them when

2767

01:54:38,590 --> 01:54:36,620

they're abducting people when you see a

2768

01:54:40,240 --> 01:54:38,600

UFO you're meant to see to go for your

2769

01:54:43,030 --> 01:54:40,250

part of the game so the question comes

2770

01:54:44,830 --> 01:54:43,040

down if Carter sees the UFO if Reagan

2771

01:54:46,600 --> 01:54:44,840

sees the UFO if Reagan has an encounter

2772

01:54:48,580 --> 01:54:46,610

with an alien are they running the

2773

01:54:50,200 --> 01:54:48,590

government are they influencing

2774

01:54:51,609 --> 01:54:50,210

presidents and that's the most

2775

01:54:53,350 --> 01:54:51,619

interesting thing that

2776

01:54:55,479 --> 01:54:53,360

I get out of the reagan sightings is

2777

01:54:57,310 --> 01:54:55,489

then I heard that Bill Clinton had had a

2778

01:54:59,259 --> 01:54:57,320

sighting but we could never we could we

2779

01:55:00,699 --> 01:54:59,269

could never confirm it so there's that

2780

01:55:02,500 --> 01:55:00,709

and then let's I'll just quickly do the

2781

01:55:05,049 --> 01:55:02,510

the Canadian government thing Wilbur

2782

01:55:08,529 --> 01:55:05,059

Smith ran a program in the 1950s from

2783

01:55:10,449 --> 01:55:08,539

1950 1954 he was a contact e he was in

2784

01:55:13,359 --> 01:55:10,459

contact with an alien by name of alpha

2785

01:55:19,299 --> 01:55:13,369

the CIA active channel does alien in in

2786

01:55:21,580 --> 01:55:19,309

in july of 1959 he had tried to land at

2787

01:55:24,549 --> 01:55:21,590

an Air Force Base in Kara an army base

2788

01:55:27,339 --> 01:55:24,559

in Canada he wrote the famous top secret

2789

01:55:29,529 --> 01:55:27,349

memo this one where he goes through

2790

01:55:31,869 --> 01:55:29,539

officials through the cane embassy

2791

01:55:34,479 --> 01:55:31,879

through the military attache to classify

2792

01:55:36,520 --> 01:55:34,489

channels and is told flying saucers

2793

01:55:38,229 --> 01:55:36,530

exist so most highly classified subject

2794

01:55:40,479 --> 01:55:38,239

United States small group headed by dr.

2795

01:55:41,739 --> 01:55:40,489

Vannevar Bush are running the thing it's

2796

01:55:43,479 --> 01:55:41,749

a tremendous significance to the

2797

01:55:46,569 --> 01:55:43,489

Americans and mental phenomena is

2798

01:55:48,639 --> 01:55:46,579

involved 1950 we knew where the Acadians

2799

01:55:50,020 --> 01:55:48,649

were told its top secret memo it's in

2800

01:55:53,229 --> 01:55:50,030

the Canadian government files produced

2801  
01:55:54,759 --> 01:55:53,239  
by wilbur smith clearly says flying

2802  
01:55:56,770 --> 01:55:54,769  
saucers exist its most highly classified

2803  
01:55:58,270 --> 01:55:56,780  
subject in a top secret memo the

2804  
01:56:00,699 --> 01:55:58,280  
canadian government does not deny it

2805  
01:56:03,759 --> 01:56:00,709  
absolute proof this thing's for real and

2806  
01:56:06,310 --> 01:56:03,769  
the kitten it has been public since 1950

2807  
01:56:08,679 --> 01:56:06,320  
we've known in a top secret memo this is

2808  
01:56:11,709 --> 01:56:08,689  
for real the government handed i was

2809  
01:56:13,810 --> 01:56:11,719  
told grant we're plumb out of time thank

2810  
01:56:16,179 --> 01:56:13,820  
you so much thank you for having me on

2811  
01:56:20,080 --> 01:56:16,189  
yeah and we'll we'll have your interest

2812  
01:56:23,290 --> 01:56:20,090  
will have have you on again alright so

2813  
01:56:26,139 --> 01:56:23,300

everyone thanks for listening today we

2814

01:56:28,299 --> 01:56:26,149

next week we have Richard Tsao Tsao

2815

01:56:31,299 --> 01:56:28,309

Doron and he's going to be talking about

2816

01:56:33,299 --> 01:56:31,309

his book and I want to thank everyone

2817

01:56:36,189 --> 01:56:33,309

for helping out with the show today and

2818

01:56:39,189 --> 01:56:36,199

that includes Peggy for managing the

2819

01:56:42,699 --> 01:56:39,199

facebook page Keith for producing the

2820

01:56:44,799 --> 01:56:42,709

show we have blogs occasionally nothing

2821

01:56:47,049 --> 01:56:44,809

up today michael oak usually writes them

2822

01:56:50,589 --> 01:56:47,059

carry lloyd White House for the music

2823

01:56:53,049 --> 01:56:50,599

and I think that's about it all I can

2824

01:56:54,159 --> 01:56:53,059

think of thank you for supporting the

2825

01:56:56,500 --> 01:56:54,169

show if you're listening now you're

2826

01:56:58,569 --> 01:56:56,510

either listening live or you support the

2827

01:57:00,609 --> 01:56:58,579

show and I really appreciate that so

2828

01:57:03,459 --> 01:57:00,619

we'll be back next week same time right

2829

01:57:05,320 --> 01:57:03,469

here on the dark metal digital network
