

1
00:00:03,350 --> 00:00:02,540
and it hits me oh my gosh this is that

2
00:00:04,400 --> 00:00:03,360
triangle

3
00:00:05,510 --> 00:00:04,410
you know there's explanation for

4
00:00:07,670 --> 00:00:05,520
everything that occurred in the

5
00:00:10,190 --> 00:00:07,680
Rendlesham forest incident involved

6
00:00:16,039 --> 00:00:10,200
aliens at all it was completely silent

7
00:00:17,210 --> 00:00:16,049
it comes right over our heads really

8
00:00:18,950 --> 00:00:17,220
standing McCleary

9
00:00:20,599 --> 00:00:18,960
he turned over to my father and held his

10
00:00:27,109 --> 00:00:20,609
hand and he looked in his eyes and said

00:00:29,720 --> 00:00:27,119

very grateful to you all and actually

grateful to every single listener and

60
00:02:41,809 --> 00:02:40,079
that is actually enough of my nonsense

61
00:02:44,599 --> 00:02:41,819
and it's time to bring on Alejandro

62
00:02:47,319 --> 00:02:44,609
Rojas how you doing alejandro I am doing

63
00:02:51,649 --> 00:02:47,329

good you ready for some of my nonsense

64

00:02:54,199 --> 00:02:51,659

absolutely all right yeah yeah so you

65

00:02:57,080 --> 00:02:54,209

feeling better these days yes much

66

00:02:59,270 --> 00:02:57,090

better than I was a week ago when I was

67

00:03:02,780 --> 00:02:59,280

filling yucky and my tummy was filling a

68

00:03:04,910 --> 00:03:02,790

little gurgly at this time but yeah you

69

00:03:08,000 --> 00:03:04,920

sound you sound chipper today

70

00:03:11,390 --> 00:03:08,010

I should good yeah that's good yeah so I

71

00:03:14,000 --> 00:03:11,400

was noticing because I I get you know

72

00:03:15,680 --> 00:03:14,010

UFO Google Alerts and I was noticing

73

00:03:19,610 --> 00:03:15,690

there was a there's some things going on

74

00:03:23,300 --> 00:03:19,620

this week well this is what's funny it's

75

00:03:25,520 --> 00:03:23,310

the UK really papers have gone nutso

76

00:03:28,550 --> 00:03:25,530

they've got wankers that's right it is

77

00:03:29,930 --> 00:03:28,560

UK yeah they all of their papers are

78

00:03:32,330 --> 00:03:29,940

posting like they're trying to outdo

79

00:03:35,900 --> 00:03:32,340

each other with UFO stories most of

80

00:03:37,879 --> 00:03:35,910

their stories are really crappy yes

81

00:03:39,860 --> 00:03:37,889

you know I posted one on the Facebook

82

00:03:41,900 --> 00:03:39,870

page because of Peggy's under the

83

00:03:44,960 --> 00:03:41,910

weather right now so I've been working

84

00:03:47,449 --> 00:03:44,970

on the Facebook page and I did get a lot

85

00:03:50,030 --> 00:03:47,459

of lash back from one that was what I

86

00:03:52,789 --> 00:03:50,040

knew it was kind of ridiculous but it

87

00:03:54,649 --> 00:03:52,799

got a lot of conversations going yeah

88

00:03:56,149 --> 00:03:54,659

they're usually ridiculous and I

89

00:03:58,369 --> 00:03:56,159

shouldn't say they're all crap because a

90

00:04:00,470 --> 00:03:58,379

lot of times luckily that they do seem

91

00:04:02,689 --> 00:04:00,480

to monitor our site and they'll post

92

00:04:05,000 --> 00:04:02,699

stories regarding things that we write

93

00:04:07,159 --> 00:04:05,010

about but when we go through the news

94

00:04:09,289 --> 00:04:07,169

today I'm not even using one of those

95

00:04:10,969 --> 00:04:09,299

stories because even though on our front

96

00:04:13,460 --> 00:04:10,979

page we do go through the headlines and

97

00:04:15,770 --> 00:04:13,470

you can see some of the headlines with

98

00:04:17,300 --> 00:04:15,780

UFO stories you'll notice that their

99

00:04:19,159 --> 00:04:17,310

stories are all kind of ridiculous

100

00:04:23,659 --> 00:04:19,169

they're they're really poor videos or

101
00:04:25,100 --> 00:04:23,669
hoax hoax videos hmm okay so that's

102
00:04:27,850 --> 00:04:25,110
great you got some new

103
00:04:32,149 --> 00:04:27,860
newse that's not from the UK section

104
00:04:34,219 --> 00:04:32,159
right so let's have it this first one I

105
00:04:35,899 --> 00:04:34,229
just wanted to mention it's kind of an

106
00:04:39,320 --> 00:04:35,909
honorable mention because it's not

107
00:04:42,110 --> 00:04:39,330
necessarily UFOs but it's at area 51 and

108
00:04:44,600 --> 00:04:42,120
this video is so much fun so there was

109
00:04:46,850 --> 00:04:44,610
this guy again Glen Campbell and then

110
00:04:50,709 --> 00:04:46,860
the 90s he was a big area 51 researcher

111
00:04:53,149 --> 00:04:50,719
this is this guy's really interesting he

112
00:04:54,950 --> 00:04:53,159
doesn't own a home he's a homeless

113
00:04:57,170 --> 00:04:54,960

person he's very proud of that he always

114

00:05:00,800 --> 00:04:57,180

lives out of his car he used to live

115

00:05:03,170 --> 00:05:00,810

near area 51 and get take videos and

116

00:05:04,249 --> 00:05:03,180

trying to bug the security guards and

117

00:05:07,519 --> 00:05:04,259

stuff like that

118

00:05:09,200 --> 00:05:07,529

and did a lot of stuff on area 51 had

119

00:05:11,300 --> 00:05:09,210

some really good information and

120

00:05:12,980 --> 00:05:11,310

photographs and stuff like that but it's

121

00:05:14,779 --> 00:05:12,990

been a while since he's done this sort

122

00:05:16,969 --> 00:05:14,789

of work he's still homeless he says but

123

00:05:19,040 --> 00:05:16,979

now he's an author and he's doing a lot

124

00:05:22,550 --> 00:05:19,050

of other stuff well he went back to area

125

00:05:25,610 --> 00:05:22,560

51 to take some video just for old time

126
00:05:28,640 --> 00:05:25,620
sakes he says and that he got harassed

127
00:05:31,820 --> 00:05:28,650
by the security guards and it the video

128
00:05:36,379 --> 00:05:31,830
is really funny so he's there and he's

129
00:05:38,390 --> 00:05:36,389
on he says you know nan you know he's

130
00:05:42,829 --> 00:05:38,400
not on the base so he's on this side of

131
00:05:44,600 --> 00:05:42,839
the signs and you see this truck and as

132
00:05:46,879 --> 00:05:44,610
soon as he puts his camera on the truck

133
00:05:49,700 --> 00:05:46,889
the truck kind of backs up and hides

134
00:05:51,589 --> 00:05:49,710
behind this bush and it's really

135
00:05:54,019 --> 00:05:51,599
ridiculous like I wrote in my story

136
00:05:55,519 --> 00:05:54,029
about it it reminds me of the cat's you

137
00:05:57,709 --> 00:05:55,529
know how a cat will kind of hide its

138
00:05:59,240 --> 00:05:57,719

head and think that it's hidden and you

139

00:06:01,399 --> 00:05:59,250

can see its entire body

140

00:06:04,249 --> 00:06:01,409

yeah it's that sort of thing so it's

141

00:06:06,439 --> 00:06:04,259

really silly so then he decided to trick

142

00:06:09,050 --> 00:06:06,449

him and he went and he parked and he

143

00:06:09,649 --> 00:06:09,060

walked up this hill so and they sure not

144

00:06:11,779 --> 00:06:09,659

followed

145

00:06:13,700 --> 00:06:11,789

but then he backtracked on the other

146

00:06:15,649 --> 00:06:13,710

side of the hill came around behind

147

00:06:17,360 --> 00:06:15,659

these guys in their truck and he's

148

00:06:19,909 --> 00:06:17,370

filming and he's kind of giggling as

149

00:06:21,829 --> 00:06:19,919

he's sneaking up on him and he gets like

150

00:06:23,689 --> 00:06:21,839

really close to the truck he's

151
00:06:25,249 --> 00:06:23,699
practically right in front of the truck

152
00:06:27,110 --> 00:06:25,259
before they notice they're just kind of

153
00:06:29,450 --> 00:06:27,120
blabbing away it looks like holding the

154
00:06:32,029 --> 00:06:29,460
conversation and talking when he comes

155
00:06:33,589 --> 00:06:32,039
around and finally they spot him and one

156
00:06:35,240 --> 00:06:33,599
of them jumps out of the truck and says

157
00:06:37,070 --> 00:06:35,250
hey you want me to take that camera and

158
00:06:38,330 --> 00:06:37,080
he runs away and he's like you can't

159
00:06:40,670 --> 00:06:38,340
take my camera and

160
00:06:42,830 --> 00:06:40,680
and he said that he kept running and

161
00:06:45,290 --> 00:06:42,840
they went their way and he went his that

162
00:06:48,200 --> 00:06:45,300
the video is just hilarious it should

163
00:06:50,210 --> 00:06:48,210

have a Benny Hill soundtrack behind it

164

00:06:52,159 --> 00:06:50,220

but it's really good I think that people

165

00:06:54,560 --> 00:06:52,169

would have a lot of fun and you can

166

00:06:56,510 --> 00:06:54,570

check it out and you get it a close look

167

00:06:58,730 --> 00:06:56,520

at those cool trucks that they drive

168

00:07:01,700 --> 00:06:58,740

that you see up on the hill when you go

169

00:07:04,310 --> 00:07:01,710

to visit their roads going to area 51 so

170

00:07:06,200 --> 00:07:04,320

that is for the listener that video will

171

00:07:08,510 --> 00:07:06,210

be linked right in our show notes which

172

00:07:11,180 --> 00:07:08,520

will bring you over to open mind start

173

00:07:12,530 --> 00:07:11,190

TV and you can watch that and I'm

174

00:07:14,780 --> 00:07:12,540

looking forward to watching that myself

175

00:07:16,600 --> 00:07:14,790

yeah it's a lot of fun you've got to see

176

00:07:21,560 --> 00:07:16,610

it you love you'll love it yeah

177

00:07:24,409 --> 00:07:21,570

otherwise in UFO news actually we wrote

178

00:07:26,750 --> 00:07:24,419

a lot of stuff about triangles there's

179

00:07:28,909 --> 00:07:26,760

been a lot of triangular UFOs seen in

180

00:07:31,909 --> 00:07:28,919

the news lately and so this is kind of

181

00:07:33,800 --> 00:07:31,919

interesting so the first story I wanted

182

00:07:36,529 --> 00:07:33,810

to mention is this gentleman with a

183

00:07:40,040 --> 00:07:36,539

military background he says that he was

184

00:07:42,710 --> 00:07:40,050

formerly in Navy rescue and so he knows

185

00:07:44,360 --> 00:07:42,720

aircraft warning lights but he had seen

186

00:07:47,600 --> 00:07:44,370

some strange lights at about 8:00 p.m.

187

00:07:50,270 --> 00:07:47,610

on June 11th that he could not explain

188

00:07:52,370 --> 00:07:50,280

he got a little bit of video of them and

189

00:07:55,270 --> 00:07:52,380

you see these three lights that are in a

190

00:07:58,820 --> 00:07:55,280

triangular formation kind of blinking

191

00:08:03,080 --> 00:07:58,830

strangely kind of an odd video it's a

192

00:08:05,420 --> 00:08:03,090

pretty short video but he was able to

193

00:08:06,529 --> 00:08:05,430

get video of this and he's just saying

194

00:08:09,219 --> 00:08:06,539

that you know he thinks it's really

195

00:08:13,879 --> 00:08:09,229

weird he doesn't know what it was and

196

00:08:15,890 --> 00:08:13,889

this was in North Carolina in the story

197

00:08:19,640 --> 00:08:15,900

that Roger Marsh had written about this

198

00:08:22,279 --> 00:08:19,650

he noted that he had contacted Sandford

199

00:08:24,350 --> 00:08:22,289

Davis who is the MUFON Carolina North

200

00:08:26,510 --> 00:08:24,360

Carolina investigator who looked at it

201
00:08:28,550 --> 00:08:26,520
and she had closed it as an unknown he

202
00:08:31,700 --> 00:08:28,560
couldn't figure out what it was and that

203
00:08:34,719 --> 00:08:31,710
there was another sighting soon after

204
00:08:37,760 --> 00:08:34,729
just a few days later in the same area

205
00:08:40,850 --> 00:08:37,770
Davis suggested that perhaps it was

206
00:08:44,320 --> 00:08:40,860
military and some kind of black project

207
00:08:47,180 --> 00:08:44,330
perhaps a variation of the Astra tr-3b

208
00:08:49,579 --> 00:08:47,190
which there is no evidence exists but

209
00:08:52,070 --> 00:08:49,589
it's kind of a mythology out there but

210
00:08:55,220 --> 00:08:52,080
still you know it's certainly possible

211
00:08:58,130 --> 00:08:55,230
and there are I know for a fact we have

212
00:09:00,800 --> 00:08:58,140
found Inklings of triangular-shaped

213
00:09:03,260 --> 00:09:00,810

secret aircraft that is out there so

214

00:09:06,560 --> 00:09:03,270

there's something whether or not it's an

215

00:09:07,400 --> 00:09:06,570

unconventional in nature that's to be

216

00:09:09,980 --> 00:09:07,410

foreseen

217

00:09:13,070 --> 00:09:09,990

however there were another couple of

218

00:09:15,590 --> 00:09:13,080

triangular sightings that Roger had

219

00:09:18,710 --> 00:09:15,600

written about it open mind stat TV one

220

00:09:21,110 --> 00:09:18,720

of the more recent one was around Kansas

221

00:09:24,620 --> 00:09:21,120

City and this was a very bright light

222

00:09:26,570 --> 00:09:24,630

that someone had seen on August 14 it

223

00:09:31,910 --> 00:09:26,580

was coming towards them it was going

224

00:09:34,880 --> 00:09:31,920

slowly and it was or it was moving fast

225

00:09:36,800 --> 00:09:34,890

and very close to the ground so this

226

00:09:38,210 --> 00:09:36,810

person says at first it was in the

227

00:09:40,540 --> 00:09:38,220

direction of the airport so they didn't

228

00:09:43,010 --> 00:09:40,550

think much of it then they parked

229

00:09:45,560 --> 00:09:43,020

because it looked like this was a

230

00:09:47,540 --> 00:09:45,570

airplane that was about to crash so they

231

00:09:49,400 --> 00:09:47,550

parked to take a look at it and it got

232

00:09:52,010 --> 00:09:49,410

closer and closer and the light actually

233

00:09:54,110 --> 00:09:52,020

zoomed overhead and that's when this

234

00:09:57,200 --> 00:09:54,120

person could see it was actually three

235

00:09:58,690 --> 00:09:57,210

lights in a triangular formation so that

236

00:10:00,620 --> 00:09:58,700

was kind of a weird story

237

00:10:03,020 --> 00:10:00,630

now do you know if that one in

238

00:10:04,460 --> 00:10:03,030

particular made any noise a great

239

00:10:06,500 --> 00:10:04,470

question it did not make any noise

240

00:10:08,180 --> 00:10:06,510

that's why they thought it was a plane

241

00:10:11,030 --> 00:10:08,190

crashing because there were no engine

242

00:10:14,300 --> 00:10:11,040

sounds dog just ash whooshing of air

243

00:10:15,710 --> 00:10:14,310

they said moving through the air you

244

00:10:18,290 --> 00:10:15,720

know it's funny a lot of times you never

245

00:10:18,980 --> 00:10:18,300

hear of anybody even saying that yeah

246

00:10:21,470 --> 00:10:18,990

you're right

247

00:10:23,960 --> 00:10:21,480

the schooch are there yeah and yeah

248

00:10:27,980 --> 00:10:23,970

you're right which is of odd this is

249

00:10:34,220 --> 00:10:27,990

true or real word actually they used to

250

00:10:36,770 --> 00:10:34,230

switch swish like okay so I haven't

251

00:10:39,620 --> 00:10:36,780

googled that to find if it's a real word

252

00:10:41,600 --> 00:10:39,630

I don't think it is but you know what's

253

00:10:44,180 --> 00:10:41,610

funny these days I don't I don't think

254

00:10:46,490 --> 00:10:44,190

there's an age I remember growing up it

255

00:10:49,250 --> 00:10:46,500

was not like this when that worked there

256

00:10:51,290 --> 00:10:49,260

was words added to the dictionary would

257

00:10:52,850 --> 00:10:51,300

be a big deal there'd be a new story you

258

00:10:54,170 --> 00:10:52,860

know you'd see all about it there just

259

00:10:56,990 --> 00:10:54,180

be a couple right it would be

260

00:11:00,890 --> 00:10:57,000

controversial these days they're adding

261

00:11:03,020 --> 00:11:00,900

you know words like crazy like every

262

00:11:05,000 --> 00:11:03,030

word someone makes up so that it's

263

00:11:07,640 --> 00:11:05,010

shorter for them to tweet it

264

00:11:11,150 --> 00:11:07,650

it gets in the dictionary so I'm sure

265

00:11:13,250 --> 00:11:11,160

sure if we start using swish in fact

266

00:11:15,890 --> 00:11:13,260

especially if we started hashtagging it

267

00:11:18,620 --> 00:11:15,900

we can get it in the dictionary in no

268

00:11:19,700 --> 00:11:18,630

time I think we should we should get on

269

00:11:22,040 --> 00:11:19,710

this and get it done

270

00:11:24,230 --> 00:11:22,050

one last triangular UFO sighting I

271

00:11:28,100 --> 00:11:24,240

wanted to talk about was seen at on

272

00:11:30,260 --> 00:11:28,110

August 19th and this is in the Austin

273

00:11:33,530 --> 00:11:30,270

Texas area this one's a little more

274

00:11:36,230 --> 00:11:33,540

exciting because it was 644 a.m. so it

275

00:11:39,950 --> 00:11:36,240

was during daylight hours and this was a

276
00:11:42,620 --> 00:11:39,960
guy who says he was outside and looking

277
00:11:44,540 --> 00:11:42,630
at a squirrel on an apartment rooftop

278
00:11:47,060 --> 00:11:44,550
which kind of reminds that's it it's

279
00:11:49,400 --> 00:11:47,070
like me in the morning my brain takes

280
00:11:52,280 --> 00:11:49,410
forever to warm up so my I'm like a

281
00:11:54,410 --> 00:11:52,290
zombie and that's like about as much

282
00:11:56,330 --> 00:11:54,420
input as I can kind of comprehend in the

283
00:11:58,580 --> 00:11:56,340
morning I can see myself sitting there

284
00:12:00,770 --> 00:11:58,590
in the morning watching a squirrel you

285
00:12:04,730 --> 00:12:00,780
know like a dog just watching and going

286
00:12:06,290 --> 00:12:04,740
back and forth but anyway I think that's

287
00:12:07,670 --> 00:12:06,300
what I'm guessing that's what this guy

288
00:12:09,590 --> 00:12:07,680

was doing trying to wake up in the

289

00:12:12,290 --> 00:12:09,600

morning he's watching the squirrel run

290

00:12:15,650 --> 00:12:12,300

around and then beyond the squirrel he

291

00:12:17,540 --> 00:12:15,660

noticed a triangular shaped object that

292

00:12:21,050 --> 00:12:17,550

he said was coming towards him

293

00:12:23,120 --> 00:12:21,060

at a high rate of speed he said what was

294

00:12:26,720 --> 00:12:23,130

interesting is that the body of the

295

00:12:29,930 --> 00:12:26,730

object appeared transparent like it was

296

00:12:32,720 --> 00:12:29,940

changing colors it actually flew over

297

00:12:35,150 --> 00:12:32,730

him he said it was cloudy and he

298

00:12:37,040 --> 00:12:35,160

estimated the clouds were around 13,000

299

00:12:39,560 --> 00:12:37,050

feet so he thinks this was a bit lower

300

00:12:42,200 --> 00:12:39,570

than that because he could see it but

301
00:12:45,980 --> 00:12:42,210
yeah the strange object he felt was kind

302
00:12:47,630 --> 00:12:45,990
of stealthy even had some kind of color

303
00:12:51,080 --> 00:12:47,640
changing properties that zoomed right

304
00:12:53,500 --> 00:12:51,090
over his head well well is that it for

305
00:12:56,720 --> 00:12:53,510
this week that's it for this week

306
00:12:58,250 --> 00:12:56,730
triangles on parade I know and it seemed

307
00:13:00,970 --> 00:12:58,260
like there are a couple of stories we

308
00:13:03,920 --> 00:13:00,980
had the week before more and more and

309
00:13:06,110 --> 00:13:03,930
millat of triangular sightings so really

310
00:13:08,300 --> 00:13:06,120
interesting stuff and I have heard from

311
00:13:11,240 --> 00:13:08,310
David Mayer and that should get back to

312
00:13:13,100 --> 00:13:11,250
him he of course it's a guy who wrote a

313
00:13:15,890 --> 00:13:13,110

book on triangles that I would recommend

314

00:13:18,720 --> 00:13:15,900

you had him on your show he's got some

315

00:13:21,660 --> 00:13:18,730

new stuff out there too so

316

00:13:23,640 --> 00:13:21,670

yeah yeah about that all right well

317

00:13:25,920 --> 00:13:23,650

thanks very much and we'll be talking to

318

00:13:26,490 --> 00:13:25,930

you next week all right talk to you soon

319

00:13:28,170 --> 00:13:26,500

buddy

320

00:14:26,270 --> 00:13:28,180

all right quick music break right here

321

00:14:31,340 --> 00:14:29,570

330

00:14:52,550 --> 00:14:49,620

have a podcast UFO t-shirt on I'm not

331

00:14:56,500 --> 00:14:52,560

sure but anyway hope to hang out with

332

00:15:00,140 --> 00:14:56,510

fine how about you Martin great and you

338

00:15:18,590 --> 00:15:16,650

are what I call a seasoned person you've

339

00:15:20,840 --> 00:15:18,600

been at this a long time and you have an

340

00:15:23,300 --> 00:15:20,850

interesting background but the person

341

00:15:26,060 --> 00:15:23,310

that may not know you I'm sure a lot or

342

00:15:29,260 --> 00:15:26,070

most do but can you fill us in with your

343

00:15:32,840 --> 00:15:29,270

background and what your interest was

344

00:15:37,430 --> 00:15:32,850

how you started having an interest in

345

00:15:42,220 --> 00:15:37,440

UFOs and alike well my interest in UFOs

346

00:15:45,520 --> 00:15:42,230

actually went goes back to when I was

347

00:15:50,470 --> 00:15:45,530

excuse me a teenager I had a rather

348

00:15:53,900 --> 00:15:50,480

exciting sighting in December of 1966

349

00:15:56,230 --> 00:15:53,910

I'm originally from the east coast from

350

00:16:01,190 --> 00:15:56,240

Pennsylvania I live in California now

351
00:16:04,060 --> 00:16:01,200
but in December especially during that

352
00:16:08,150 --> 00:16:04,070
period of time I was in high school and

353
00:16:11,780 --> 00:16:08,160
I was on a deer hunting trip with four

354
00:16:16,420 --> 00:16:11,790
friends when we were coming back late in

355
00:16:18,010 --> 00:16:16,430
the afternoon we were over flown by for

356
00:16:22,280 --> 00:16:18,020
brilliant

357
00:16:26,840 --> 00:16:22,290
Arclight type lights and one of my

358
00:16:29,000 --> 00:16:26,850
friends saw them first and yelled and we

359
00:16:31,550 --> 00:16:29,010
all jumped turned around and these

360
00:16:34,760 --> 00:16:31,560
lights were and they were not low they

361
00:16:39,060 --> 00:16:34,770
were probably I'm gonna guess somewhere

362
00:16:42,480 --> 00:16:39,070
between twelve fifteen thousand feet

363
00:16:45,630 --> 00:16:42,490

perhaps but they were striking I mean

364

00:16:48,030 --> 00:16:45,640

just absolutely striking and as they

365

00:16:49,740 --> 00:16:48,040

overflow it's the one light in the rear

366

00:16:53,070 --> 00:16:49,750

they originally were in a diamond

367

00:16:55,560 --> 00:16:53,080

formation suddenly shot straight up in

368

00:16:58,740 --> 00:16:55,570

the skies so that's when I knew that

369

00:17:00,900 --> 00:16:58,750

there was as far as I was concerned you

370

00:17:09,410 --> 00:17:00,910

bet there was something to the

371

00:17:13,920 --> 00:17:09,420

phenomenon so I guess it was in 1982

372

00:17:16,319 --> 00:17:13,930

although I was not then consciously

373

00:17:19,829 --> 00:17:16,329

aware of it but I was a criminal

374

00:17:22,590 --> 00:17:19,839

investigator a policeman and I had been

375

00:17:26,610 --> 00:17:22,600

called out - this was in the state of

376

00:17:29,970 --> 00:17:26,620

Idaho I had been called out on an

377

00:17:35,720 --> 00:17:29,980

agricultural crime I had been sent out

378

00:17:41,130 --> 00:17:35,730

because a farmer had reported a dead cow

379

00:17:45,980 --> 00:17:41,140

one of his cattle that was only maybe 35

380

00:17:49,920 --> 00:17:45,990

yards or so from the rear of his house

381

00:17:52,080 --> 00:17:49,930

in other words it had happened literally

382

00:17:56,880 --> 00:17:52,090

on top of his house and it was a classic

383

00:18:00,830 --> 00:17:56,890

mutilation and the guy had several kids

384

00:18:05,990 --> 00:18:00,840

he was married he had a couple of dogs

385

00:18:09,950 --> 00:18:06,000

nothing had alerted any of the dogs or

386

00:18:13,890 --> 00:18:09,960

himself or his family when this happened

387

00:18:18,570 --> 00:18:13,900

apparently sometime during the night so

388

00:18:21,510 --> 00:18:18,580

that case was was never solved and it

389

00:18:24,480 --> 00:18:21,520

wasn't until a number of years later I

390

00:18:29,610 --> 00:18:24,490

was I was wounded in the line of duty

391

00:18:32,520 --> 00:18:29,620

ended up medically retiring in 1986 and

392

00:18:36,090 --> 00:18:32,530

the following year while I was going

393

00:18:39,470 --> 00:18:36,100

through physical rehab to keep myself

394

00:18:43,800 --> 00:18:39,480

busy I bought my first computer system

395

00:18:47,340 --> 00:18:43,810

wow that's early 1986 seven yeah that's

396

00:18:50,520 --> 00:18:47,350

pretty early and then I compounded that

397

00:18:52,280 --> 00:18:50,530

error error that Martin by buying a

398

00:18:55,760 --> 00:18:52,290

modem

399

00:18:59,300 --> 00:18:55,770

and I discovered CompuServe - the - yeah

400

00:19:01,850 --> 00:18:59,310

six dollars forty cents an hour at 300

401
00:19:06,620 --> 00:19:01,860
baud okay now if you don't know what 300

402
00:19:09,320 --> 00:19:06,630
baud is you're lucky that was a

403
00:19:11,780 --> 00:19:09,330
chiseling you know chiseling words into

404
00:19:13,940 --> 00:19:11,790
a chunk of granite watching the Morton

405
00:19:18,200 --> 00:19:13,950
scroll across your screen but at any

406
00:19:21,890 --> 00:19:18,210
rate I came across a forum on CompuServe

407
00:19:24,500 --> 00:19:21,900
called the issues forum and there were a

408
00:19:28,190 --> 00:19:24,510
number of files in there on various

409
00:19:32,020 --> 00:19:28,200
things like UFOs cases that at that time

410
00:19:35,270 --> 00:19:32,030
or current and some cattle mutilation

411
00:19:38,440 --> 00:19:35,280
files and suddenly the light went on in

412
00:19:41,090 --> 00:19:38,450
my head and I said oh my god that's

413
00:19:43,550 --> 00:19:41,100

apparently what what I had been involved

414

00:19:48,140 --> 00:19:43,560

in so that that's basically how I got my

415

00:19:52,640 --> 00:19:48,150

start Wow you know there's that really

416

00:19:54,680 --> 00:19:52,650

is a weird subject I've weird another

417

00:19:56,450 --> 00:19:54,690

weird thing to look into is the whole

418

00:19:57,920 --> 00:19:56,460

cattle mutilations

419

00:20:00,860 --> 00:19:57,930

you know that's come up a couple times

420

00:20:02,210 --> 00:20:00,870

on shows in the past and you know

421

00:20:04,700 --> 00:20:02,220

there's some people that have done some

422

00:20:08,480 --> 00:20:04,710

great research and I thought Linda

423

00:20:11,240 --> 00:20:08,490

Moulton Howe way back when did a really

424

00:20:13,610 --> 00:20:11,250

good you know a documentary on that and

425

00:20:16,310 --> 00:20:13,620

a few other people haven't investigated

426

00:20:18,110 --> 00:20:16,320

it and some people it comes back to a

427

00:20:20,450 --> 00:20:18,120

lot of people are still saying you know

428

00:20:25,070 --> 00:20:20,460

this is people that are doing this this

429

00:20:27,560 --> 00:20:25,080

is you know it all comes back to its

430

00:20:31,360 --> 00:20:27,570

kind of unexplainable if you ask me the

431

00:20:34,310 --> 00:20:31,370

incisions the precision of all the

432

00:20:36,950 --> 00:20:34,320

things that are done on these animals

433

00:20:41,600 --> 00:20:36,960

now you actually saw this with your own

434

00:20:43,670 --> 00:20:41,610

eyes so what was that like well I didn't

435

00:20:47,230 --> 00:20:43,680

know what it was at the time it was

436

00:20:49,910 --> 00:20:47,240

obvious that it was that it was

437

00:20:52,910 --> 00:20:49,920

intentionally done by someone or

438

00:20:56,210 --> 00:20:52,920

something now you know you bring up a

439

00:21:00,260 --> 00:20:56,220

very interesting point because this is

440

00:21:04,430 --> 00:21:00,270

something that I have I have stressed

441

00:21:06,109 --> 00:21:04,440

time and time again if this were a human

442

00:21:10,069 --> 00:21:06,119

agency there

443

00:21:14,809 --> 00:21:10,079

was conducting these mutilations okay

444

00:21:19,219 --> 00:21:14,819

you're talking about a national or even

445

00:21:23,119 --> 00:21:19,229

international consortium that would have

446

00:21:25,879 --> 00:21:23,129

to be doing this why do I say that well

447

00:21:30,019 --> 00:21:25,889

it's not located to one

448

00:21:33,339 --> 00:21:30,029

just one small geographic area this has

449

00:21:35,539 --> 00:21:33,349

been nationwide it has stretched

450

00:21:39,529 --> 00:21:35,549

literally from the states of Washington

451
00:21:45,049 --> 00:21:39,539
and Oregon and Idaho and Nevada and

452
00:21:49,869 --> 00:21:45,059
Montana and Utah and Oklahoma and Texas

453
00:21:54,259 --> 00:21:49,879
I mean all across the United States and

454
00:21:58,189 --> 00:21:54,269
in all the years that those cases have

455
00:22:01,969 --> 00:21:58,199
been reported and we're going back 50 60

456
00:22:05,289 --> 00:22:01,979
or more years here's the one thing to

457
00:22:09,289 --> 00:22:05,299
keep in mind no one has ever been

458
00:22:12,249 --> 00:22:09,299
arrested or successfully prosecuted now

459
00:22:16,369 --> 00:22:12,259
I was a I was a law enforcement agent

460
00:22:19,459 --> 00:22:16,379
out here in the West and let me tell you

461
00:22:23,599 --> 00:22:19,469
when you're talking about ranchers and

462
00:22:26,719 --> 00:22:23,609
farmers that have cattle you're talking

463
00:22:30,109 --> 00:22:26,729

about huge financial investments and

464

00:22:33,889 --> 00:22:30,119

very protective to and these guys and

465

00:22:36,949 --> 00:22:33,899

women will not Brook any interference

466

00:22:40,669 --> 00:22:36,959

with their with their animals and that

467

00:22:44,989 --> 00:22:40,679

includes going out with lethal weapons

468

00:22:48,379 --> 00:22:44,999

with with rifles shotguns to defend and

469

00:22:51,049 --> 00:22:48,389

protect their animals and you know this

470

00:22:54,139 --> 00:22:51,059

is just something that I could never

471

00:22:56,329 --> 00:22:54,149

fathom would be able to be carried on as

472

00:23:00,019 --> 00:22:56,339

long as it could and if this were a

473

00:23:03,409 --> 00:23:00,029

human agency someone not get shot or

474

00:23:05,749 --> 00:23:03,419

arrested or prosecuted and it just

475

00:23:08,809 --> 00:23:05,759

hasn't happened I think I've heard the

476

00:23:12,499 --> 00:23:08,819

theory from someone that it is

477

00:23:14,989 --> 00:23:12,509

government of the government is checking

478

00:23:18,079 --> 00:23:14,999

to see what nuclear I mean radiation

479

00:23:19,970 --> 00:23:18,089

effects are having on you know

480

00:23:22,820 --> 00:23:19,980

biological entities like cop

481

00:23:24,740 --> 00:23:22,830

you know animals in areas and that's why

482

00:23:26,690 --> 00:23:24,750

they're doing it about that I'm sure

483

00:23:29,090 --> 00:23:26,700

you've heard that one too it makes it

484

00:23:31,100 --> 00:23:29,100

doesn't make any sense to me well that's

485

00:23:31,970 --> 00:23:31,110

not to say that it may have never

486

00:23:34,250 --> 00:23:31,980

happened

487

00:23:38,240 --> 00:23:34,260

that is certainly it's not something I

488

00:23:41,930 --> 00:23:38,250

would throw out but it is not the only

489

00:23:45,470 --> 00:23:41,940

answer it can't be right

490

00:23:48,230 --> 00:23:45,480

and you know what are your thoughts on

491

00:23:51,880 --> 00:23:48,240

it I mean you know what a lot of people

492

00:23:53,539 --> 00:23:51,890

think it's tied to the UFO you know to

493

00:23:56,240 --> 00:23:53,549

extraterrestrial

494

00:23:58,430 --> 00:23:56,250

I mean it's to me I think it's just one

495

00:24:02,240 --> 00:23:58,440

of those unexplainable Zhai I don't know

496

00:24:03,919 --> 00:24:02,250

and in your research that you have done

497

00:24:06,530 --> 00:24:03,929

where there are a number of cases where

498

00:24:09,530 --> 00:24:06,540

there was a UFO sighting at the same

499

00:24:12,470 --> 00:24:09,540

time or ahead of time sure sure now I

500

00:24:15,020 --> 00:24:12,480

you know back when I was active in for

501
00:24:18,560 --> 00:24:15,030
the first I'm gonna say four or five

502
00:24:22,850 --> 00:24:18,570
years that I was involved with UFO

503
00:24:26,030 --> 00:24:22,860
magazine that is what my research was

504
00:24:30,159 --> 00:24:26,040
known for was mutilations not only

505
00:24:34,909 --> 00:24:30,169
animal mutilations but also human

506
00:24:37,280 --> 00:24:34,919
mutilations and I wrote a number of

507
00:24:39,590 --> 00:24:37,290
papers that can still be found on the

508
00:24:44,330 --> 00:24:39,600
web about that this is one I was when I

509
00:24:49,180 --> 00:24:44,340
was daily I was really dwell delving

510
00:24:53,450 --> 00:24:49,190
into this into this subject now the

511
00:24:57,799 --> 00:24:53,460
various theories that I have heard over

512
00:25:00,620 --> 00:24:57,809
all those years are legion for example

513
00:25:05,930 --> 00:25:00,630

one of the people that that I knew very

514

00:25:09,890 --> 00:25:05,940

well and I had a lot of chats with them

515

00:25:13,669 --> 00:25:09,900

as a matter of fact I interviewed him on

516

00:25:17,450 --> 00:25:13,679

my first in the pages of UFO magazine

517

00:25:20,930 --> 00:25:17,460

when my wife and I were publishing that

518

00:25:25,220 --> 00:25:20,940

and also when I began my broadcast

519

00:25:29,120 --> 00:25:25,230

career back in 1991 okay I had him on

520

00:25:32,440 --> 00:25:29,130

the radio with me was noted author and

521

00:25:38,440 --> 00:25:32,450

14 researcher John keel

522

00:25:41,080 --> 00:25:38,450

now keel back in the 60s and 70s was a

523

00:25:44,039 --> 00:25:41,090

prolific author I'm sure you're aware of

524

00:25:47,859 --> 00:25:44,049

him right yes mm-hmm

525

00:25:52,060 --> 00:25:47,869

had written a book that when I first

526

00:25:54,340 --> 00:25:52,070

read about it in the mid 1970s I

527

00:25:56,830 --> 00:25:54,350

immediately went out to my local

528

00:26:00,759 --> 00:25:56,840

bookstore ordered a copy it was titled

529

00:26:03,820 --> 00:26:00,769

the Mothman Prophecies because the case

530

00:26:06,609 --> 00:26:03,830

that he was talking about took place not

531

00:26:09,879 --> 00:26:06,619

very far from where I grew up at in

532

00:26:11,889 --> 00:26:09,889

central western Pennsylvania the case

533

00:26:15,669 --> 00:26:11,899

took place in Point Pleasant West

534

00:26:17,979 --> 00:26:15,679

Virginia and the Ohio Valley which as

535

00:26:22,659 --> 00:26:17,989

the crow flies was was pretty close to

536

00:26:26,769 --> 00:26:22,669

me and I can recall at the time that

537

00:26:30,899 --> 00:26:26,779

this was ongoing hearing about it in the

538

00:26:32,940 --> 00:26:30,909

news because people were seeing a

539

00:26:34,389 --> 00:26:32,950

cryptozoological apparently a

540

00:26:36,960 --> 00:26:34,399

cryptozoological

541

00:26:43,649 --> 00:26:36,970

creature that they called the Mothman

542

00:26:48,869 --> 00:26:43,659

down in that area and this creature was

543

00:26:52,779 --> 00:26:48,879

involved in scores of cases of missing

544

00:26:57,129 --> 00:26:52,789

dogs I mean and some of this stuff is

545

00:26:59,590 --> 00:26:57,139

going to sound pretty crazy but I got

546

00:27:02,379 --> 00:26:59,600

this directly from Keele and he was

547

00:27:06,899 --> 00:27:02,389

still at that time when I was talking to

548

00:27:09,549 --> 00:27:06,909

him was still flummoxed by what he had

549

00:27:13,419 --> 00:27:09,559

encountered during that period of time

550

00:27:15,820 --> 00:27:13,429

talk about strange occurrences and I

551
00:27:18,430 --> 00:27:15,830
think about it today and I'll be honest

552
00:27:23,039 --> 00:27:18,440
it still can give me a chill when I

553
00:27:25,840 --> 00:27:23,049
think about it but this creature and the

554
00:27:28,570 --> 00:27:25,850
events that were happening during that

555
00:27:31,840 --> 00:27:28,580
period of time included among other

556
00:27:34,529 --> 00:27:31,850
things not only missing animals

557
00:27:38,680 --> 00:27:34,539
livestock and what have you

558
00:27:41,139 --> 00:27:38,690
domesticated pets but also mutilations

559
00:27:43,330 --> 00:27:41,149
and we're talking about animal you know

560
00:27:45,950 --> 00:27:43,340
cows we're talking about stuff like that

561
00:27:51,230 --> 00:27:45,960
now kill

562
00:27:53,540 --> 00:27:51,240
had a very interesting theory and he

563
00:27:56,420 --> 00:27:53,550

bounced it off me I didn't know what to

564

00:27:59,750 --> 00:27:56,430

think about it and as a matter of fact

565

00:28:05,180 --> 00:27:59,760

he had written about it in his book

566

00:28:08,470 --> 00:28:05,190

Mothman but he although originally

567

00:28:12,110 --> 00:28:08,480

considered UFOs to be potentially

568

00:28:14,740 --> 00:28:12,120

extraterrestrial finally came to the

569

00:28:18,310 --> 00:28:14,750

conclusion that they were not

570

00:28:22,160 --> 00:28:18,320

extraterrestrial he coined the term

571

00:28:28,180 --> 00:28:22,170

ultra terrestrial now what what does

572

00:28:32,630 --> 00:28:28,190

that in effect mean he thought they were

573

00:28:35,180 --> 00:28:32,640

interdimensional now to me okay

574

00:28:38,030 --> 00:28:35,190

alien is alien is alien all right

575

00:28:41,840 --> 00:28:38,040

whether it comes from another star

576
00:28:44,900 --> 00:28:41,850
system or another dimension or another

577
00:28:49,190 --> 00:28:44,910
universe I mean I don't see you know

578
00:28:51,530 --> 00:28:49,200
what what the cymatics matter you know

579
00:28:54,460 --> 00:28:51,540
if you're talking about something that

580
00:28:59,030 --> 00:28:54,470
that is coming here from somewhere else

581
00:29:03,620 --> 00:28:59,040
but he'll came up with the theory that

582
00:29:07,370 --> 00:29:03,630
these ultra terrestrials with all this

583
00:29:13,340 --> 00:29:07,380
missing biological material animals

584
00:29:16,990 --> 00:29:13,350
blood various other items that you know

585
00:29:21,770 --> 00:29:17,000
were missing and involved in these cases

586
00:29:26,419 --> 00:29:21,780
that perhaps these entities were using

587
00:29:30,500 --> 00:29:26,429
them to construct biological entities to

588
00:29:34,460 --> 00:29:30,510

be able to operate in our domain here in

589

00:29:37,340 --> 00:29:34,470

our universe in our on our planet now

590

00:29:41,690 --> 00:29:37,350

one of the things that he used to

591

00:29:46,549 --> 00:29:41,700

support his theory were tales of the

592

00:29:50,090 --> 00:29:46,559

infamous men in black the MIB s now at

593

00:29:54,260 --> 00:29:50,100

that period of time the mi B's were not

594

00:29:59,049 --> 00:29:54,270

you know Will Smith and Tommy Tommy Lee

595

00:30:02,560 --> 00:29:59,059

Jones they were actually terrifying

596

00:30:06,970 --> 00:30:02,570

Tootie's that often showed up in the

597

00:30:10,749 --> 00:30:06,980

event the aftermath of UFO cases and in

598

00:30:13,720 --> 00:30:10,759

one famous case that qu'il talked about

599

00:30:16,330 --> 00:30:13,730

in his book were some people down in

600

00:30:21,480 --> 00:30:16,340

West Virginia that had had a UFO

601
00:30:26,440 --> 00:30:21,490
sighting and a day or two later this

602
00:30:31,419 --> 00:30:26,450
monstrosity of a looking man showed up

603
00:30:33,430 --> 00:30:31,429
at their door a huge guy he told the

604
00:30:36,639 --> 00:30:33,440
knocked on the door and they opened it

605
00:30:38,859 --> 00:30:36,649
up and he said he was there too

606
00:30:42,430 --> 00:30:38,869
if I remember correctly and it's been a

607
00:30:44,169 --> 00:30:42,440
while since I've read Kiehl's book but

608
00:30:46,690 --> 00:30:44,179
he was there to find out if they might

609
00:30:49,869 --> 00:30:46,700
have been heirs to somebody that had

610
00:30:53,220 --> 00:30:49,879
recently died that was his excuse for

611
00:30:58,330 --> 00:30:53,230
getting in the house but his suit was

612
00:31:00,789 --> 00:30:58,340
ill-fitting the guy was was bald extra

613
00:31:04,629 --> 00:31:00,799

pale I mean he could have maybe passed

614

00:31:07,960 --> 00:31:04,639

for a vampire and he came in sat down

615

00:31:11,169 --> 00:31:07,970

the pants that he was wearing rode up

616

00:31:15,159 --> 00:31:11,179

his leg and I believe it was the wife

617

00:31:20,519 --> 00:31:15,169

noticed what appeared to be a green wire

618

00:31:23,739 --> 00:31:20,529

or cable that was inserted into his leg

619

00:31:24,580 --> 00:31:23,749

now you know when you hear stories like

620

00:31:28,330 --> 00:31:24,590

that

621

00:31:31,869 --> 00:31:28,340

I mean sure at first blush you go oh

622

00:31:35,139 --> 00:31:31,879

[h__\h] you know but the fact the

623

00:31:37,989 --> 00:31:35,149

matter was that this was not the only

624

00:31:43,359 --> 00:31:37,999

case where something like that happened

625

00:31:46,539 --> 00:31:43,369

and you know when the individual finally

626
00:31:50,799 --> 00:31:46,549
left their house and he walked outside

627
00:31:53,499 --> 00:31:50,809
he almost immediately disappeared gone I

628
00:31:56,950 --> 00:31:53,509
mean gone okay

629
00:31:58,960 --> 00:31:56,960
just like he vanished into thin air so

630
00:32:01,180 --> 00:31:58,970
there was something with a high degree

631
00:32:05,529 --> 00:32:01,190
of strangeness that was going on down

632
00:32:09,009 --> 00:32:05,539
there that keel had chronicled and of

633
00:32:11,769 --> 00:32:09,019
course he wrote oh my lord he wrote a

634
00:32:12,810 --> 00:32:11,779
number of books where he talked about

635
00:32:16,980 --> 00:32:12,820
cases

636
00:32:20,249 --> 00:32:16,990
like this and that's basically where he

637
00:32:22,470 --> 00:32:20,259
was coming from and his explanation for

638
00:32:25,710 --> 00:32:22,480

why they might have been mutilating

639

00:32:28,499 --> 00:32:25,720

these animals and taking other items

640

00:32:31,799 --> 00:32:28,509

like blood now I heard another theory

641

00:32:35,210 --> 00:32:31,809

back then about the missing blood and

642

00:32:39,019 --> 00:32:35,220

this was one of the staples in in

643

00:32:42,930 --> 00:32:39,029

mutilation cases especially with cattle

644

00:32:45,360 --> 00:32:42,940

if it was a genuine mutilation almost

645

00:32:48,389 --> 00:32:45,370

invariably the blood would seemingly

646

00:32:52,320 --> 00:32:48,399

disappear who was exsanguinated from the

647

00:32:54,360 --> 00:32:52,330

from the carcass and there were stories

648

00:32:58,009 --> 00:32:54,370

that were floating around and even made

649

00:33:03,840 --> 00:32:58,019

it into the pages of numerous newspapers

650

00:33:09,200 --> 00:33:03,850

that there was a process where bovine

651
00:33:13,409 --> 00:33:09,210
blood cattle blood okay could be used

652
00:33:17,669 --> 00:33:13,419
the the plasma at any rate in the event

653
00:33:21,810 --> 00:33:17,679
of a national emergency all right this

654
00:33:23,340 --> 00:33:21,820
could be used as a blood substitute so

655
00:33:26,249 --> 00:33:23,350
there were a lot of people with a lot of

656
00:33:28,740 --> 00:33:26,259
theories on what this all may have been

657
00:33:32,279 --> 00:33:28,750
but those were just a couple of them

658
00:33:35,879 --> 00:33:32,289
that I came across in the years well now

659
00:33:38,070 --> 00:33:35,889
let's talk about your background as in

660
00:33:40,639 --> 00:33:38,080
law enforcement because I'm sure that

661
00:33:43,379 --> 00:33:40,649
really helped you with all the type of

662
00:33:47,789 --> 00:33:43,389
the research you did in the following

663
00:33:49,950 --> 00:33:47,799

years yeah sure it did and is that how

664

00:33:51,360 --> 00:33:49,960

you conduct did you conduct your these

665

00:33:54,330 --> 00:33:51,370

cases that you were researching

666

00:33:58,190 --> 00:33:54,340

basically the same way as you would in

667

00:34:01,230 --> 00:33:58,200

your profession absolutely absolutely

668

00:34:05,460 --> 00:34:01,240

over the years you know I mean that

669

00:34:08,700 --> 00:34:05,470

that's one knack if I if I can you know

670

00:34:12,149 --> 00:34:08,710

be so specific that I always thought was

671

00:34:15,270 --> 00:34:12,159

of great benefit to me over the years

672

00:34:18,089 --> 00:34:15,280

I've interviewed and investigated

673

00:34:20,040 --> 00:34:18,099

hundreds and I'm not just talking about

674

00:34:22,680 --> 00:34:20,050

UFOs I'm talking about when I was

675

00:34:25,649 --> 00:34:22,690

involved in in Criminal Investigations

676

00:34:28,740 --> 00:34:25,659

mm-hmm cases

677

00:34:30,990 --> 00:34:28,750

where you know we we would go out and we

678

00:34:34,859 --> 00:34:31,000

would be looking for a perpetrator to a

679

00:34:39,799 --> 00:34:34,869

crime in it they the crimes Rea ranged

680

00:34:44,549 --> 00:34:39,809

from narcotics to staffs

681

00:34:48,359 --> 00:34:44,559

robberies homicides rapes you know it's

682

00:34:51,059 --> 00:34:48,369

it's just the whole spectrum of the

683

00:34:52,529 --> 00:34:51,069

types of things that you know that cops

684

00:34:57,900 --> 00:34:52,539

come across every day

685

00:35:02,160 --> 00:34:57,910

and I'm not going to say I was a hundred

686

00:35:05,700 --> 00:35:02,170

percent always on the money but I could

687

00:35:10,740 --> 00:35:05,710

generally tell if somebody were trying

688

00:35:14,190 --> 00:35:10,750

to spin a story on me and when it came

689

00:35:17,160 --> 00:35:14,200

to the UFO field that was generally a

690

00:35:20,150 --> 00:35:17,170

great benefit I'll never forget back

691

00:35:24,210 --> 00:35:20,160

when Vicky my wife Vicky who was the

692

00:35:27,420 --> 00:35:24,220

founder of UFO magazine and I were

693

00:35:31,319 --> 00:35:27,430

publishing we were our offices were in

694

00:35:35,010 --> 00:35:31,329

Sunland California and I had a very good

695

00:35:38,220 --> 00:35:35,020

friend as a matter of fact I knew many

696

00:35:42,450 --> 00:35:38,230

of the people in media television and

697

00:35:47,160 --> 00:35:42,460

and and the film industry over the years

698

00:35:49,740 --> 00:35:47,170

we we knew a lot of them and a friend of

699

00:35:53,329 --> 00:35:49,750

mine who was a television producer who

700

00:35:56,910 --> 00:35:53,339

at that time was working on a

701
00:35:59,609 --> 00:35:56,920
documentary on the UFO topic and I had

702
00:36:04,589 --> 00:35:59,619
been Confed you know I had been

703
00:36:06,390 --> 00:36:04,599
contributing to to his process called me

704
00:36:08,730 --> 00:36:06,400
up and said Don he said you're not going

705
00:36:12,500 --> 00:36:08,740
to believe this he said but I just came

706
00:36:16,710 --> 00:36:12,510
across the guy who was out in the

707
00:36:20,700 --> 00:36:16,720
California desert close to the Nevada

708
00:36:26,180 --> 00:36:20,710
border and there's a very famous area

709
00:36:27,299 --> 00:36:26,190
out there Martin called Zzyzx Road okay

710
00:36:30,180 --> 00:36:27,309
hmm

711
00:36:34,260 --> 00:36:30,190
and it's a very spooky spot and a number

712
00:36:36,539 --> 00:36:34,270
of years ago excuse me my very close

713
00:36:38,580 --> 00:36:36,549

friend and Friday night co-host on my

714

00:36:41,930 --> 00:36:38,590

radio show rich Saturday and I

715

00:36:45,420 --> 00:36:41,940

had gone over to Nevada to Las Vegas on

716

00:36:49,230 --> 00:36:45,430

a thing that we were doing some

717

00:36:52,770 --> 00:36:49,240

investigation on and on the way back we

718

00:36:55,020 --> 00:36:52,780

had a rather amazing sighting we had

719

00:36:58,560 --> 00:36:55,030

pulled off on this

720

00:37:02,940 --> 00:36:58,570

Zzyzx Road for a comfort stop okay

721

00:37:05,250 --> 00:37:02,950

and we had an amazing UFO sighting out

722

00:37:09,930 --> 00:37:05,260

there this was in the middle of the

723

00:37:12,470 --> 00:37:09,940

night and in the desert it was it was

724

00:37:16,320 --> 00:37:12,480

rather extraordinary but at any rate my

725

00:37:18,510 --> 00:37:16,330

producer friend told me about this guy

726

00:37:21,150 --> 00:37:18,520

that lived out in that area so I said

727

00:37:23,250 --> 00:37:21,160

well Russ I said what was the story what

728

00:37:26,310 --> 00:37:23,260

did the guy tell you he said well he

729

00:37:29,190 --> 00:37:26,320

didn't just tell me he said he gave me a

730

00:37:32,400 --> 00:37:29,200

photograph and I said of what he said

731

00:37:33,960 --> 00:37:32,410

well this is what the guy claimed he

732

00:37:37,770 --> 00:37:33,970

said he was sitting in his living room

733

00:37:39,630 --> 00:37:37,780

and he was watching TV and he had his

734

00:37:42,600 --> 00:37:39,640

Polaroid camera there was a Polaroid

735

00:37:45,330 --> 00:37:42,610

photograph by the way you know the

736

00:37:47,580 --> 00:37:45,340

Instamatic thing yeah shot and it would

737

00:37:52,350 --> 00:37:47,590

slip out and a minute or so later you'd

738

00:37:54,450 --> 00:37:52,360

have a have a photo and he said while he

739

00:38:00,630 --> 00:37:54,460

was sitting there he thought he could

740

00:38:03,510 --> 00:38:00,640

feel eyes upon him and he said he turned

741

00:38:06,060 --> 00:38:03,520

around and looked out the window and he

742

00:38:09,630 --> 00:38:06,070

said what he told me Don was that there

743

00:38:13,080 --> 00:38:09,640

was a gray alien out there staring at

744

00:38:15,560 --> 00:38:13,090

him through the window and he grabbed

745

00:38:21,170 --> 00:38:15,570

the camera and he took a picture of it

746

00:38:25,110 --> 00:38:21,180

well I got to tell you my BS indicator

747

00:38:27,140 --> 00:38:25,120

started clanging and I said okay I mean

748

00:38:30,300 --> 00:38:27,150

you you never want to go into any any

749

00:38:34,140 --> 00:38:30,310

situation Martin if you're an honest

750

00:38:38,310 --> 00:38:34,150

legitimate researcher investigator and

751
00:38:41,070 --> 00:38:38,320
allow your preconceived notions okay to

752
00:38:43,830 --> 00:38:41,080
to control what you do I mean that's not

753
00:38:46,980 --> 00:38:43,840
what an investigator does now you may

754
00:38:50,400 --> 00:38:46,990
have suspicions and believe me when I

755
00:38:52,200 --> 00:38:50,410
heard that story I did but you you

756
00:38:54,690 --> 00:38:52,210
follow it through to conclusion

757
00:38:59,250 --> 00:38:54,700
so my buddy said I'll bring the photo

758
00:39:01,800 --> 00:38:59,260
over to you and I said okay so sure

759
00:39:05,190 --> 00:39:01,810
enough a day or so later he showed up at

760
00:39:08,910 --> 00:39:05,200
our offices came in and he handed me

761
00:39:11,510 --> 00:39:08,920
this photograph and I looked at it and

762
00:39:14,460 --> 00:39:11,520
it was kind of a blurry image and yeah

763
00:39:20,070 --> 00:39:14,470

it sure looked like a gray but that

764

00:39:25,170 --> 00:39:20,080

wasn't all on on the picture it looked

765

00:39:28,650 --> 00:39:25,180

like somebody had vomited on this

766

00:39:31,950 --> 00:39:28,660

photograph and then wiped it off I kid

767

00:39:34,380 --> 00:39:31,960

you not so I looked at Russ and I said

768

00:39:37,470 --> 00:39:34,390

Russ I said what is that stuff he said

769

00:39:39,270 --> 00:39:37,480

well he said when he he was eating a

770

00:39:41,670 --> 00:39:39,280

bowl of cereal this is what he told me

771

00:39:44,820 --> 00:39:41,680

he was eating a bowl of cereal and when

772

00:39:47,970 --> 00:39:44,830

he first looked at the photograph he

773

00:39:54,180 --> 00:39:47,980

said he was so shocked that he won and

774

00:39:57,480 --> 00:39:54,190

he blew cereal on it so we took that

775

00:39:59,760 --> 00:39:57,490

photograph and Russ had some equipment I

776

00:40:02,760 --> 00:39:59,770

had some equipment we started examining

777

00:40:05,339 --> 00:40:02,770

this and I said well I want to talk to

778

00:40:06,720 --> 00:40:05,349

this guy and he said well he said he

779

00:40:08,339 --> 00:40:06,730

didn't want to talk to you he said I

780

00:40:10,380 --> 00:40:08,349

told him that I was gonna bring it over

781

00:40:12,540 --> 00:40:10,390

to you but he doesn't want to talk to

782

00:40:17,730 --> 00:40:12,550

you and I said why not well he doesn't

783

00:40:21,290 --> 00:40:17,740

want the notoriety oh okay so we

784

00:40:26,570 --> 00:40:21,300

examined this photograph and there was a

785

00:40:31,700 --> 00:40:26,580

magazine that somebody had sent us at

786

00:40:37,710 --> 00:40:31,710

the UFO OPS's and this magazine was a

787

00:40:40,770 --> 00:40:37,720

professional oil industry magazine okay

788

00:40:45,800 --> 00:40:40,780

for the oil industry now the reason they

789

00:40:50,750 --> 00:40:45,810

sent us the magazine was because inside

790

00:40:55,130 --> 00:40:50,760

this issue okay they had a full-page ad

791

00:41:02,870 --> 00:40:55,140

now remember this we're talking about

792

00:41:05,819 --> 00:41:02,880

92-93 UFOs were still fresh exciting

793

00:41:10,759 --> 00:41:05,829

every week on television you could

794

00:41:16,650 --> 00:41:10,769

9 3 2 5 6 programs with the UFO theme I

795

00:41:20,299 --> 00:41:16,660

mean it was really the the wrench that

796

00:41:28,069 --> 00:41:20,309

was driving the media scene back then

797

00:41:32,599 --> 00:41:28,079

shows like Oprah Winfrey Larry King Live

798

00:41:36,390 --> 00:41:32,609

you know Inside Edition sightings

799

00:41:40,019 --> 00:41:36,400

encounters a hard copy all these

800

00:41:46,109 --> 00:41:40,029

programs continuously for almost a

801
00:41:48,569 --> 00:41:46,119
decade ran UFO topics every week so a

802
00:41:52,799 --> 00:41:48,579
lot of people were excited about it and

803
00:41:56,130 --> 00:41:52,809
a lot of you know a lot of chatter was

804
00:42:00,719 --> 00:41:56,140
was out there in TV land

805
00:42:07,769 --> 00:42:00,729
well this oil industry magazine had this

806
00:42:12,529 --> 00:42:07,779
full-page ad which used the UFO ET theme

807
00:42:16,859 --> 00:42:12,539
in this ad and I mean they had on the

808
00:42:20,729 --> 00:42:16,869
photograph a large representation of a

809
00:42:24,749 --> 00:42:20,739
typical gray alien and I looked at that

810
00:42:28,079 --> 00:42:24,759
picture I'm talking about in the

811
00:42:30,930 --> 00:42:28,089
magazine and I looked at this this

812
00:42:35,189 --> 00:42:30,940
photograph that Russ had brought to me

813
00:42:38,609 --> 00:42:35,199

and they were identical this guy was

814

00:42:41,939 --> 00:42:38,619

trying to float a hoax where he

815

00:42:44,069 --> 00:42:41,949

apparently had a copy of that got the

816

00:42:46,799 --> 00:42:44,079

alien out of it okay

817

00:42:51,420 --> 00:42:46,809

then threw some screens or something

818

00:42:53,160 --> 00:42:51,430

shot this Polaroid photograph and I mean

819

00:42:56,009 --> 00:42:53,170

you know those are the kind of things

820

00:42:59,519 --> 00:42:56,019

that that you run into all the time and

821

00:43:02,189 --> 00:42:59,529

but we were able to bust it at the

822

00:43:03,989 --> 00:43:02,199

source and then I had my answer why this

823

00:43:06,180 --> 00:43:03,999

guy didn't even want to talk to me on

824

00:43:09,959 --> 00:43:06,190

the on the telephone much less meet me

825

00:43:13,469 --> 00:43:09,969

so Wow that's the kind of stuff that we

826

00:43:16,229 --> 00:43:13,479

would do and you know we we would bust

827

00:43:19,560 --> 00:43:16,239

yeah well that that is an amazing one

828

00:43:21,750 --> 00:43:19,570

and let's talk about when you

829

00:43:24,120 --> 00:43:21,760

the magazine what that was like I mean

830

00:43:27,000 --> 00:43:24,130

that's that is grueling with deadlines

831

00:43:31,200 --> 00:43:27,010

and everything isn't it oh yeah yeah it

832

00:43:33,720 --> 00:43:31,210

sure was but I'll tell you it was one of

833

00:43:37,290 --> 00:43:33,730

the jobs the few jobs in my life that I

834

00:43:40,230 --> 00:43:37,300

actually I looked forward to bouncing

835

00:43:43,470 --> 00:43:40,240

out of bed in the morning and going to

836

00:43:46,380 --> 00:43:43,480

work because it was fascinating hmm

837

00:43:50,100 --> 00:43:46,390

not only did I get a chance to meet

838

00:43:54,780 --> 00:43:50,110

literally people from all over the globe

839

00:43:58,380 --> 00:43:54,790

all around the world okay but some of

840

00:44:01,380 --> 00:43:58,390

the most fascinating cases and some of

841

00:44:06,120 --> 00:44:01,390

the most fascinating hoaxes you could

842

00:44:09,240 --> 00:44:06,130

ever hope to encounter Wow and so this

843

00:44:12,840 --> 00:44:09,250

is going back you know kind of like the

844

00:44:15,690 --> 00:44:12,850

during the birth of the internet about

845

00:44:20,010 --> 00:44:15,700

that same time isn't it so oh yeah yeah

846

00:44:21,480 --> 00:44:20,020

and you know I'd like to talk I don't

847

00:44:24,690 --> 00:44:21,490

know if that's gonna be this hour in X

848

00:44:29,520 --> 00:44:24,700

hour about you know all the UFO hoaxes

849

00:44:32,190 --> 00:44:29,530

on YouTube it's almost it's almost we

850

00:44:34,890 --> 00:44:32,200

I've talked to actually other old

851
00:44:37,380 --> 00:44:34,900
longtime researchers about this and

852
00:44:41,880 --> 00:44:37,390
forming a group that would basically

853
00:44:44,970 --> 00:44:41,890
call out hoaxes and that would be that

854
00:44:48,300 --> 00:44:44,980
would be very difficult to do especially

855
00:44:52,980 --> 00:44:48,310
these days as we've all been watching

856
00:44:56,520 --> 00:44:52,990
technology grow and grow and CGI and and

857
00:44:58,140 --> 00:44:56,530
then in today's world it's harder and

858
00:45:00,690 --> 00:44:58,150
harder as what I'm I'm getting yeah

859
00:45:02,570 --> 00:45:00,700
here's the bottom line on a lot of that

860
00:45:07,700 --> 00:45:02,580
yes you are correct

861
00:45:10,950 --> 00:45:07,710
CGI today is in some cases almost

862
00:45:13,890 --> 00:45:10,960
indistinguishable from reality but

863
00:45:19,590 --> 00:45:13,900

here's something else and I've heard

864

00:45:25,610 --> 00:45:19,600

very few people mention this okay I was

865

00:45:30,870 --> 00:45:25,620

involved in a case back in the very late

866

00:45:34,019 --> 00:45:30,880

1980s very very early 1990s

867

00:45:38,160 --> 00:45:34,029

that in that was involved and ended up

868

00:45:43,440 --> 00:45:38,170

being the f-117 stealth fighter case all

869

00:45:50,549 --> 00:45:43,450

right now one of the people that that I

870

00:45:54,329 --> 00:45:50,559

knew then and was an invaluable source

871

00:45:57,150 --> 00:45:54,339

of technology was a guy that worked for

872

00:46:01,410 --> 00:45:57,160

Aerojet well an aerospace company out

873

00:46:06,809 --> 00:46:01,420

here in Southern California and this guy

874

00:46:11,309 --> 00:46:06,819

had a B of his bonnet about the UFO

875

00:46:14,370 --> 00:46:11,319

thing and he was continuously snowing

876

00:46:17,819 --> 00:46:14,380

the DoD and the Air Force and other

877

00:46:26,279 --> 00:46:17,829

government agencies including the CIA

878

00:46:30,349 --> 00:46:26,289

and the NSA with FOIA requests I mean a

879

00:46:36,029 --> 00:46:30,359

literal snowstorm that went on for years

880

00:46:39,539 --> 00:46:36,039

and this was a case that that I broke in

881

00:46:41,880 --> 00:46:39,549

the pages of UFO magazine and on my

882

00:46:45,420 --> 00:46:41,890

original radio show

883

00:46:50,430 --> 00:46:45,430

UFOs tonight which was on the CRN

884

00:46:55,339 --> 00:46:50,440

Network okay and what they did they

885

00:46:59,480 --> 00:46:55,349

being the government set this guy up

886

00:47:03,900 --> 00:46:59,490

with an Air Force general incommunicado

887

00:47:08,670 --> 00:47:03,910

and an FBI agent came to his place of

888

00:47:11,249 --> 00:47:08,680

business deliberately exposed him to

889

00:47:14,039 --> 00:47:11,259

classified information that he did not

890

00:47:19,259 --> 00:47:14,049

have a need to know and then tried to

891

00:47:24,890 --> 00:47:19,269

get him fired okay now it involved the

892

00:47:27,980 --> 00:47:24,900

f-117 just before the f-117 went public

893

00:47:33,059 --> 00:47:27,990

so I guess they felt safe in doing that

894

00:47:37,259 --> 00:47:33,069

now this is the kind of stuff the red

895

00:47:39,690 --> 00:47:37,269

meat that I sunk my teeth in now when I

896

00:47:42,539 --> 00:47:39,700

was in the military okay

897

00:47:44,610 --> 00:47:42,549

I was a Vietnam veteran I was in the

898

00:47:47,220 --> 00:47:44,620

military I was involved in military

899

00:47:50,250 --> 00:47:47,230

intelligence I had a top secret

900

00:47:53,340 --> 00:47:50,260

clearance with a crypto access now all

901
00:47:58,920 --> 00:47:53,350
that meant was in the course of my

902
00:48:02,550 --> 00:47:58,930
duties if I had a need to know certain

903
00:48:06,030 --> 00:48:02,560
classified information I could be given

904
00:48:09,510 --> 00:48:06,040
that classified information because it

905
00:48:13,350 --> 00:48:09,520
was involved in whatever it was I was

906
00:48:17,460 --> 00:48:13,360
doing however if I did not have a need

907
00:48:20,630 --> 00:48:17,470
to know then that TSC clearance meant no

908
00:48:23,820 --> 00:48:20,640
more to me than it would do you okay

909
00:48:25,410 --> 00:48:23,830
in other words if I didn't have I need

910
00:48:30,260 --> 00:48:25,420
to know I wouldn't be shown the

911
00:48:34,560 --> 00:48:30,270
information that cut-and-dried now the

912
00:48:36,720 --> 00:48:34,570
f-117 was actually an aircraft that had

913
00:48:45,860 --> 00:48:36,730

its development all the way back in the

914

00:48:49,620 --> 00:48:45,870

1970s now my point is that aircraft

915

00:48:54,540 --> 00:48:49,630

technology what we see flying around in

916

00:49:00,080 --> 00:48:54,550

the skies any day of the week ok if you

917

00:49:03,600 --> 00:49:00,090

think that that is the cutting edge that

918

00:49:05,250 --> 00:49:03,610

aerospace is working on then I'm going

919

00:49:07,350 --> 00:49:05,260

to let you go back to you to your

920

00:49:11,760 --> 00:49:07,360

correspondence with the Easter Bunny and

921

00:49:14,970 --> 00:49:11,770

Santa Claus because anything that we see

922

00:49:19,710 --> 00:49:14,980

flying the cutting edge and you can take

923

00:49:24,270 --> 00:49:19,720

this to the bank is at least 30 years or

924

00:49:25,080 --> 00:49:24,280

more in advance of what you're seeing my

925

00:49:29,510 --> 00:49:25,090

god

926

00:49:33,230 --> 00:49:29,520

the sr-71 the Blackbird ok the aircraft

927

00:49:39,470 --> 00:49:33,240

that I used to watch flying out of

928

00:49:45,270 --> 00:49:39,480

Okinawa ok to go to North Vietnam China

929

00:49:48,930 --> 00:49:45,280

Korea ok was an aircraft that's still

930

00:49:51,270 --> 00:49:48,940

today officially its speed record or its

931

00:49:54,680 --> 00:49:51,280

height that it could fly at has never

932

00:49:58,470 --> 00:49:54,690

been broken although I'm sure it has but

933

00:50:01,260 --> 00:49:58,480

officially this aircraft is still

934

00:50:03,780 --> 00:50:01,270

faster higher than anything else flying

935

00:50:07,050 --> 00:50:03,790

that was developed in the 1950s

936

00:50:10,920 --> 00:50:07,060

now do you honestly believe that that

937

00:50:13,590 --> 00:50:10,930

was the cutting edge I mean and that was

938

00:50:16,500 --> 00:50:13,600

all the way back then what we have today

939

00:50:18,810 --> 00:50:16,510

for all I know they're working on an

940

00:50:22,370 --> 00:50:18,820

interstellar Drive you see what I'm

941

00:50:25,099 --> 00:50:22,380

saying so what we see in the sky today

942

00:50:29,010 --> 00:50:25,109

it's really hard to make that

943

00:50:32,700 --> 00:50:29,020

distinction between what we could be

944

00:50:35,340 --> 00:50:32,710

flying and what somebody else is flying

945

00:50:36,810 --> 00:50:35,350

now I heard what what you're your

946

00:50:41,099 --> 00:50:36,820

co-host there at the beginning of the

947

00:50:44,400 --> 00:50:41,109

program was talking about triangles cram

948

00:50:47,130 --> 00:50:44,410

it's flying around lots of them there

949

00:50:52,230 --> 00:50:47,140

have been triangle craft that has been

950

00:50:56,070 --> 00:50:52,240

flying around for 30 plus years in the

951
00:50:58,590 --> 00:50:56,080
skies above above the United States and

952
00:51:03,930 --> 00:50:58,600
other places around the world and these

953
00:51:07,950 --> 00:51:03,940
craft and I was still 15 years ago on

954
00:51:12,359 --> 00:51:07,960
good authority that these were extremely

955
00:51:16,950 --> 00:51:12,369
advanced military flying machines that

956
00:51:19,400 --> 00:51:16,960
the US Armed Forces were flying now is

957
00:51:23,400 --> 00:51:19,410
that the bottom line no of course not

958
00:51:26,400 --> 00:51:23,410
perhaps they saw something in the sky at

959
00:51:30,500 --> 00:51:26,410
one point and they tried to emulate it I

960
00:51:33,210 --> 00:51:30,510
mean that's always possible also but

961
00:51:36,540 --> 00:51:33,220
anything that you see flying that you

962
00:51:40,859 --> 00:51:36,550
think might be alien well you know these

963
00:51:42,810 --> 00:51:40,869

days it's really hard to say right the

964

00:51:46,470 --> 00:51:42,820

one thing that is very puzzling

965

00:51:48,780 --> 00:51:46,480

of course you you can hear people talk

966

00:51:51,780 --> 00:51:48,790

about they've already discovered an

967

00:51:53,520 --> 00:51:51,790

antigravity you know vehicle that's why

968

00:51:55,500 --> 00:51:53,530

that's not making any noise but that is

969

00:51:57,420 --> 00:51:55,510

the curious thing there's a lot of

970

00:52:02,430 --> 00:51:57,430

people that talk about these triangles

971

00:52:04,440 --> 00:52:02,440

that see them fairly close or as far as

972

00:52:07,620 --> 00:52:04,450

I know mostly say that they hear no

973

00:52:12,120 --> 00:52:07,630

noise at all yeah well I mean that I'm

974

00:52:16,880 --> 00:52:12,130

not surprised by that I mean the techno

975

00:52:20,220 --> 00:52:16,890

oh gee look look at our defense budget

976
00:52:24,270 --> 00:52:20,230
yearly mmm I'm talking about I'm talking

977
00:52:26,600 --> 00:52:24,280
about what is publicly discussed right

978
00:52:31,380 --> 00:52:26,610
I'm not talking about the black budget

979
00:52:36,300 --> 00:52:31,390
okay that is explained away with \$5,000

980
00:52:38,370 --> 00:52:36,310
toilet seats and \$3,500 hammers you know

981
00:52:41,400 --> 00:52:38,380
and a thousand-dollar screwdriver you

982
00:52:45,270 --> 00:52:41,410
know what I'm saying right so you know

983
00:52:49,140 --> 00:52:45,280
what the black budget I mean I go I go

984
00:52:53,750 --> 00:52:49,150
all the way back to 1988 when George

985
00:52:57,500 --> 00:52:53,760
Knapp broke the first story on area 51

986
00:52:58,770 --> 00:52:57,510
publicly okay and the Bob Lazar saga

987
00:53:02,880 --> 00:52:58,780
okay

988
00:53:06,110 --> 00:53:02,890

Lazar claimed was out there in those in

989

00:53:10,020 --> 00:53:06,120

those mountains in underground hangars

990

00:53:11,850 --> 00:53:10,030

is something like that possible well as

991

00:53:15,150 --> 00:53:11,860

far as I'm concerned you bet it's

992

00:53:17,850 --> 00:53:15,160

possible all right and I was was

993

00:53:21,870 --> 00:53:17,860

involved with that story almost since

994

00:53:23,400 --> 00:53:21,880

the very beginning of it and I couldn't

995

00:53:28,500 --> 00:53:23,410

tell you how many times I've talked to

996

00:53:31,950 --> 00:53:28,510

Knapp and also Lazar about that

997

00:53:33,900 --> 00:53:31,960

particular story but the bottom line to

998

00:53:37,680 --> 00:53:33,910

take away from that whether you believe

999

00:53:40,190 --> 00:53:37,690

it or not is the fact that if the

1000

00:53:44,810 --> 00:53:40,200

government had their hands on something

1001
00:53:47,970 --> 00:53:44,820
believe me that's how they would do it

1002
00:53:49,290 --> 00:53:47,980
very well could be you know up on the

1003
00:53:51,390 --> 00:53:49,300
message board it's gonna be changing

1004
00:53:54,000 --> 00:53:51,400
gears a little and then we're almost at

1005
00:53:56,220 --> 00:53:54,010
the top of the hour we got about six or

1006
00:53:58,610 --> 00:53:56,230
seven minutes or something like that but

1007
00:54:03,060 --> 00:53:58,620
someone wanted to find out what your

1008
00:54:05,400 --> 00:54:03,070
relationship is or was with the burns

1009
00:54:08,070 --> 00:54:05,410
they number of people we're asking on

1010
00:54:09,180 --> 00:54:08,080
the chat room what do you mean that's I

1011
00:54:10,620 --> 00:54:09,190
don't know exactly what they're talking

1012
00:54:14,520 --> 00:54:10,630
about I guess I had to do with the UFO

1013
00:54:16,440 --> 00:54:14,530

magazine how did did you change you you

1014

00:54:21,270 --> 00:54:16,450

sold that basically or got out of it and

1015

00:54:22,320 --> 00:54:21,280

they took it over no no okay I got that

1016

00:54:24,730 --> 00:54:22,330

wrong I'm sorry go ahead

1017

00:54:30,609 --> 00:54:24,740

19 1997

1018

00:54:32,589 --> 00:54:30,619

Oh my wife and I okay after 11 years of

1019

00:54:35,260 --> 00:54:32,599

publishing the magazine we ran into

1020

00:54:40,210 --> 00:54:35,270

financial problems now the publishing

1021

00:54:44,020 --> 00:54:40,220

game is a very hard game okay and you've

1022

00:54:46,240 --> 00:54:44,030

got to have a lot of income because the

1023

00:54:50,950 --> 00:54:46,250

money that you're making is not the

1024

00:54:55,720 --> 00:54:50,960

money from the last issue published okay

1025

00:54:58,300 --> 00:54:55,730

you get a magazine out all right it goes

1026

00:55:01,240 --> 00:54:58,310

out to the distributor's then it goes

1027

00:55:03,040 --> 00:55:01,250

out to wherever the the subscribers it

1028

00:55:06,940 --> 00:55:03,050

goes out to the places where it's

1029

00:55:10,510 --> 00:55:06,950

distributed and you don't see any money

1030

00:55:13,960 --> 00:55:10,520

of that for at least the next two to

1031

00:55:16,420 --> 00:55:13,970

three issues so you're always running on

1032

00:55:18,960 --> 00:55:16,430

fumes you see what I'm saying oh yeah

1033

00:55:21,849 --> 00:55:18,970

the bottom line the bottom line was by

1034

00:55:27,880 --> 00:55:21,859

97 we were financially at the breaking

1035

00:55:31,990 --> 00:55:27,890

point now we knew bill birnes bill was

1036

00:55:35,800 --> 00:55:32,000

very interested in not seeing UFO

1037

00:55:41,160 --> 00:55:35,810

magazine wander he introduced us to some

1038

00:55:43,960 --> 00:55:41,170

media people in the Hollywood arena okay

1039

00:55:48,310 --> 00:55:43,970

so we took some meetings with them went

1040

00:55:49,240 --> 00:55:48,320

down and they took over the publication

1041

00:55:52,900 --> 00:55:49,250

all right

1042

00:55:55,839 --> 00:55:52,910

and kept Vicky on is the editor I was on

1043

00:55:58,660 --> 00:55:55,849

as the director of research bill was

1044

00:56:02,339 --> 00:55:58,670

listed as a publisher although at that

1045

00:56:07,180 --> 00:56:02,349

time he did not have any financial

1046

00:56:10,630 --> 00:56:07,190

considerations in it well they kept it

1047

00:56:13,660 --> 00:56:10,640

up for five years and incidentally these

1048

00:56:18,010 --> 00:56:13,670

people even though Vicky my wife and I

1049

00:56:23,220 --> 00:56:18,020

had been reading this for 10 11 years

1050

00:56:27,160 --> 00:56:23,230

all right never wanted any input from us

1051
00:56:29,500 --> 00:56:27,170
not any input I couldn't tell you how

1052
00:56:32,109 --> 00:56:29,510
many times we would go in there with

1053
00:56:34,570 --> 00:56:32,119
some ideas to do this that or something

1054
00:56:36,849 --> 00:56:34,580
else and what gets shot down so I said

1055
00:56:38,470 --> 00:56:36,859
fine you know that's I mean they're

1056
00:56:41,580 --> 00:56:38,480
they're footing the bills

1057
00:56:45,640 --> 00:56:41,590
okay let him do it well after five years

1058
00:56:49,120 --> 00:56:45,650
they basically said well we've lost too

1059
00:56:54,550 --> 00:56:49,130
much money we're going to shut the

1060
00:56:58,359 --> 00:56:54,560
magazine down however if you and Vicky

1061
00:57:00,870 --> 00:56:58,369
and Bill and his wife want to take it

1062
00:57:06,359 --> 00:57:00,880
over we'll allow you to keep publishing

1063
00:57:10,990 --> 00:57:06,369

well we did up until about 2006 however

1064

00:57:13,690 --> 00:57:11,000

up to that point it was becoming

1065

00:57:17,320 --> 00:57:13,700

increasingly harder and harder to work

1066

00:57:22,750 --> 00:57:17,330

with Bill and his wife Nancy and quite

1067

00:57:26,560 --> 00:57:22,760

frankly Nancy and I had clashed on a

1068

00:57:29,080 --> 00:57:26,570

couple of occasions over inconsequential

1069

00:57:33,460 --> 00:57:29,090

things I'm not going to go into that but

1070

00:57:37,150 --> 00:57:33,470

finally I just had my fill of it my wife

1071

00:57:41,320 --> 00:57:37,160

after 20 years had her fill of it

1072

00:57:45,040 --> 00:57:41,330

and we bailed out okay

1073

00:57:48,040 --> 00:57:45,050

in 2006 the very beginning of 2007 and

1074

00:57:52,570 --> 00:57:48,050

the burns took it on they were going to

1075

00:58:00,160 --> 00:57:52,580

be the sole publishers well they kept

1076
00:58:03,070 --> 00:58:00,170
missing deadlines and the the copy of

1077
00:58:05,230 --> 00:58:03,080
the of the magazine for the next few

1078
00:58:08,320 --> 00:58:05,240
issues they didn't have any proof

1079
00:58:11,830 --> 00:58:08,330
readers or if they did they were missing

1080
00:58:13,270 --> 00:58:11,840
stuff all the time in the proofing of

1081
00:58:16,359 --> 00:58:13,280
the magazine there were a lot of

1082
00:58:19,720 --> 00:58:16,369
egregious errors that popped up and here

1083
00:58:24,099 --> 00:58:19,730
was the other thing as you can tell I

1084
00:58:31,060 --> 00:58:24,109
was pretty factually oriented and I gave

1085
00:58:34,030 --> 00:58:31,070
short shrift to a lot of these let me

1086
00:58:36,760 --> 00:58:34,040
let me think of a very polite way to say

1087
00:58:41,109 --> 00:58:36,770
it these pie-in-the-sky unicorn

1088
00:58:45,700 --> 00:58:41,119

searching so-called UFO researchers and

1089

00:58:48,960 --> 00:58:45,710

they began running a lot of copy in the

1090

00:58:52,300 --> 00:58:48,970

magazine that I found particularly

1091

00:58:56,040 --> 00:58:52,310

offensive and when I say offense

1092

00:58:59,830 --> 00:58:56,050

I'm talking about cases that had been

1093

00:59:02,530 --> 00:58:59,840

disproven years before that suddenly

1094

00:59:07,620 --> 00:59:02,540

started popping up now I attributed that

1095

00:59:12,310 --> 00:59:07,630

to the fact that bill was an academic

1096

00:59:16,720 --> 00:59:12,320

okay Nancy who who really fancied

1097

00:59:20,740 --> 00:59:16,730

herself as an ace publisher just quite

1098

00:59:23,410 --> 00:59:20,750

simply didn't know the field like Vicki

1099

00:59:27,720 --> 00:59:23,420

and I had and they would have things in

1100

00:59:31,420 --> 00:59:27,730

there routinely like the Dulce base

1101

00:59:35,230 --> 00:59:31,430

shootout now that's a story that goes

1102

00:59:39,910 --> 00:59:35,240

back basically to Paul bennewitz right

1103

00:59:44,080 --> 00:59:39,920

could be a whole show or series of shows

1104

00:59:47,620 --> 00:59:44,090

in itself know where this poor guy was

1105

00:59:50,970 --> 00:59:47,630

dissin formed to the point where he

1106

00:59:54,100 --> 00:59:50,980

ended up in a mental hospital by

1107

00:59:57,910 --> 00:59:54,110

government disinformation agents and I

1108

01:00:00,840 --> 00:59:57,920

don't say that in a throwaway manner I'm

1109

01:00:04,150 --> 01:00:00,850

talking about actual disinformation

1110

01:00:07,290 --> 01:00:04,160

agents all right one of them named Rick

1111

01:00:12,940 --> 01:00:07,300

Doty right who's with AF OSI at the time

1112

01:00:15,610 --> 01:00:12,950

now these cases were proven hoaxes but

1113

01:00:18,490 --> 01:00:15,620

they were now making it in pages of UFO

1114

01:00:21,580 --> 01:00:18,500

magazine and I got to be honest - I was

1115

01:00:23,170 --> 01:00:21,590

not quiet about it all right when

1116

01:00:24,700 --> 01:00:23,180

something like that would happen I

1117

01:00:28,630 --> 01:00:24,710

probably should have kept my mouth shut

1118

01:00:32,200 --> 01:00:28,640

but I couldn't okay because I saw what

1119

01:00:37,990 --> 01:00:32,210

had been our baby going to hell and then

1120

01:00:40,240 --> 01:00:38,000

Nancy decided to take a year off and not

1121

01:00:44,500 --> 01:00:40,250

publish the magazine even though they

1122

01:00:46,120 --> 01:00:44,510

were still taking subscriptions okay

1123

01:00:46,870 --> 01:00:46,130

from people that were expecting a

1124

01:00:49,780 --> 01:00:46,880

magazine

1125

01:00:52,060 --> 01:00:49,790

she took a year off to write a novel and

1126

01:00:55,290 --> 01:00:52,070

not long after that the whole thing

1127

01:00:58,510 --> 01:00:55,300

folded so there it is well nutshell

1128

01:00:59,680 --> 01:00:58,520

thank you for that done and and we're

1129

01:01:01,150 --> 01:00:59,690

right at the top of the hour we're gonna

1130

01:01:03,790 --> 01:01:01,160

take a break here in a second in the

1131

01:01:05,230 --> 01:01:03,800

second hour I'd like to talk to you more

1132

01:01:09,250 --> 01:01:05,240

about how

1133

01:01:13,330 --> 01:01:09,260

a lot of times the myths become seeming

1134

01:01:14,830 --> 01:01:13,340

realities and and why people get fed up

1135

01:01:16,570 --> 01:01:14,840

in this field I want to talk about that

1136

01:01:18,580 --> 01:01:16,580

in the second hour so if you're

1137

01:01:20,830 --> 01:01:18,590

listening live we'll be right back

1138

01:01:54,560 --> 01:01:20,840

hang in there right after this quick

1139

01:01:58,950 --> 01:01:57,569

okay we're on live with Don Ecker again

1140

01:01:59,849 --> 01:01:58,960

if you'd like to call in the show and

1141

01:02:06,780 --> 01:01:59,859

ask a question

1142

01:02:10,440 --> 01:02:06,790

it is 603 967 403 oh and if you'd like

1143

01:02:15,630 --> 01:02:10,450

to connect to us on on skype it's Marty

1144

01:02:18,540 --> 01:02:15,640

Willis and that's ma RT y WI ll is for

1145

01:02:20,430 --> 01:02:18,550

Skype and you can also jump in the

1146

01:02:21,990 --> 01:02:20,440

chatroom if you're live and if you're

1147

01:02:25,260 --> 01:02:22,000

listening live I know you're live

1148

01:02:29,609 --> 01:02:25,270

yeah but you can jump in the chatroom

1149

01:02:34,200 --> 01:02:29,619

and ask a question there so let's let's

1150

01:02:35,940 --> 01:02:34,210

talk a little more about I've seen this

1151

01:02:38,730 --> 01:02:35,950

happen in the short time I've been

1152

01:02:41,700 --> 01:02:38,740

around really focusing on this field

1153

01:02:45,260 --> 01:02:41,710

which is only since around 2006 or so

1154

01:02:49,500 --> 01:02:45,270

I've seen a lot of times where say

1155

01:02:50,720 --> 01:02:49,510

someone that is you and I chatted

1156

01:02:54,870 --> 01:02:50,730

quickly about this this afternoon

1157

01:02:57,420 --> 01:02:54,880

someone that say they have a book on a

1158

01:02:58,770 --> 01:02:57,430

certain case and so they've made a

1159

01:03:00,059 --> 01:02:58,780

little bit of money you know books

1160

01:03:01,470 --> 01:03:00,069

really don't make a lot of money but

1161

01:03:03,089 --> 01:03:01,480

they made some money but they're

1162

01:03:06,359 --> 01:03:03,099

dedicated to that case and then they

1163

01:03:09,000 --> 01:03:06,369

they go to different conferences and

1164

01:03:11,670 --> 01:03:09,010

that's their baby they talk about it and

1165

01:03:14,010 --> 01:03:11,680

then all of a sudden sudden some

1166

01:03:19,170 --> 01:03:14,020

evidence comes up that the whole thing

1167

01:03:21,000 --> 01:03:19,180

was explainable or maybe even a hoax or

1168

01:03:24,690 --> 01:03:21,010

something like that and they have a real

1169

01:03:26,490 --> 01:03:24,700

hard time letting go I want to I'm sure

1170

01:03:30,680 --> 01:03:26,500

you've seen this and I want to talk

1171

01:03:34,740 --> 01:03:30,690

about why this seems to happen a lot

1172

01:03:38,819 --> 01:03:34,750

absolutely and all you got to do is go

1173

01:03:41,390 --> 01:03:38,829

back to the 90s to the x-files remember

1174

01:03:46,349 --> 01:03:41,400

the extra David Duchovny and Gillian

1175

01:03:51,150 --> 01:03:46,359

Anderson and in agent Fox Mulder's FBI

1176

01:03:54,690 --> 01:03:51,160

office was a pollster on his wall with

1177

01:04:00,030 --> 01:03:54,700

the billy meier flying saucer with the

1178

01:04:03,859 --> 01:04:00,040

caption I want to believe I want to

1179

01:04:08,059 --> 01:04:03,869

believe that's your answer right there

1180

01:04:12,559 --> 01:04:08,069

this field if nothing else believe me

1181

01:04:16,430 --> 01:04:12,569

you've got to be flexible if new

1182

01:04:19,839 --> 01:04:16,440

information surfaces new factual

1183

01:04:23,809 --> 01:04:19,849

information that prove that the

1184

01:04:29,390 --> 01:04:23,819

assumption you were working on is all

1185

01:04:32,690 --> 01:04:29,400

wrong is wet is not tenable anymore you

1186

01:04:35,349 --> 01:04:32,700

have to be willing to discard that and

1187

01:04:38,359 --> 01:04:35,359

work with the new information and people

1188

01:04:42,739 --> 01:04:38,369

enlarge are not willing to do that they

1189

01:04:46,309 --> 01:04:42,749

have too much of themselves too much of

1190

01:04:49,430 --> 01:04:46,319

their ego too much of their personal

1191

01:04:52,279 --> 01:04:49,440

belief system embedded in these things

1192

01:04:55,249 --> 01:04:52,289

there's a guy on on the circuit he's a

1193

01:04:58,430 --> 01:04:55,259

perennial been around forever by the

1194

01:05:02,839 --> 01:04:58,440

name of Mike horn who a proponent of the

1195

01:05:06,319 --> 01:05:02,849

Billy Meyer cult going back god only

1196

01:05:08,870 --> 01:05:06,329

knows how many years that will you know

1197

01:05:11,569 --> 01:05:08,880

get up and he'll argue with anybody that

1198

01:05:14,450 --> 01:05:11,579

the Maier material is real it's real

1199

01:05:17,059 --> 01:05:14,460

it's real it's real and just interrupt

1200

01:05:19,370 --> 01:05:17,069

you for a quick second he has tried to

1201

01:05:20,059 --> 01:05:19,380

invite himself on this show on a number

1202

01:05:23,630 --> 01:05:20,069

of times

1203

01:05:27,859 --> 01:05:23,640

and I almost accept it just to just to

1204

01:05:30,559 --> 01:05:27,869

hear it but I actually asked him not you

1205

01:05:33,559 --> 01:05:30,569

know I didn't invite him on but he has

1206

01:05:35,749 --> 01:05:33,569

contacted us about yeah well three four

1207

01:05:37,759 --> 01:05:35,759

times he was in my back pocket and then

1208

01:05:40,190 --> 01:05:37,769

he tried to get on by trying to insult

1209

01:05:44,509 --> 01:05:40,200

me and I just said look pal let me tell

1210

01:05:47,210 --> 01:05:44,519

you how it is no okay no and that was

1211

01:05:49,670 --> 01:05:47,220

the end of it but here's here's a case

1212

01:05:52,489 --> 01:05:49,680

and believe me Mike horn is not the only

1213

01:05:56,599 --> 01:05:52,499

guy but here's a case where you know

1214

01:06:00,470 --> 01:05:56,609

regardless of how much factual

1215

01:06:03,400 --> 01:06:00,480

information documentation evidence that

1216

01:06:06,920 --> 01:06:03,410

you throw at them that this case is not

1217

01:06:10,549 --> 01:06:06,930

tenable he'll never accept it he has too

1218

01:06:13,089 --> 01:06:10,559

much invested in it and that's been one

1219

01:06:17,599 --> 01:06:13,099

of the problems all across the spectrum

1220

01:06:21,829 --> 01:06:17,609

one of the first one of the very first

1221

01:06:26,829 --> 01:06:21,839

exposes that I did in the pages of UFO

1222

01:06:31,190 --> 01:06:26,839

magazine was a guy at the time that was

1223

01:06:34,099 --> 01:06:31,200

extraordinarily hot on the circuit fella

1224

01:06:36,940 --> 01:06:34,109

by the name of Milton William Cooper now

1225

01:06:38,710 --> 01:06:36,950

bill Cooper as he was commonly known

1226

01:06:44,210 --> 01:06:38,720

okay

1227

01:06:47,839 --> 01:06:44,220

had a long and colorful career and would

1228

01:06:51,079 --> 01:06:47,849

make a flip-flop at a seconds notice

1229

01:06:53,779 --> 01:06:51,089

when he first surfaced in July of 1988

1230

01:06:56,720 --> 01:06:53,789

he surfaced on the old perronnette

1231

01:07:01,220 --> 01:06:56,730

computer information service okay which

1232

01:07:05,680 --> 01:07:01,230

was basically for all those those much

1233

01:07:10,819 --> 01:07:05,690

newer people out here was the petri dish

1234

01:07:13,400 --> 01:07:10,829

that you now are inhabiting this was

1235

01:07:18,799 --> 01:07:13,410

before the open free internet this was a

1236

01:07:21,920 --> 01:07:18,809

BBS system that scanned the globe all

1237

01:07:26,029 --> 01:07:21,930

across the United States in Europe in

1238

01:07:30,200 --> 01:07:26,039

Australia in Japan my god even in Russia

1239

01:07:33,319 --> 01:07:30,210

were perronnette notes and back in the

1240

01:07:36,710 --> 01:07:33,329

day that's how all these cases were

1241

01:07:40,519 --> 01:07:36,720

being sent around exposed to the public

1242

01:07:44,239 --> 01:07:40,529

and being discussed now he came on

1243

01:07:46,819 --> 01:07:44,249

that's that system on the original

1244

01:07:50,059 --> 01:07:46,829

perronnette note down in Fountain Hills

1245

01:07:51,710 --> 01:07:50,069

Arizona the incidentally perronnette was

1246

01:07:52,519 --> 01:07:51,720

started by a guy by the name of Jim

1247

01:07:55,549 --> 01:07:52,529

speiser

1248

01:08:00,170 --> 01:07:55,559

who later a year or two later turned it

1249

01:08:06,009 --> 01:08:00,180

over to Michael Corbin okay who was

1250

01:08:09,519 --> 01:08:06,019

another name known years later as a

1251

01:08:15,550 --> 01:08:09,529

radio host that really took on a lot of

1252

01:08:19,640 --> 01:08:15,560

conspiratorial topics on his show but

1253

01:08:24,590 --> 01:08:19,650

the original story came out that in 1966

1254

01:08:30,260 --> 01:08:24,600

Cooper as a u.s. naval sailor on board a

1255

01:08:31,049 --> 01:08:30,270

diesel submarine the USS Cairo was on

1256

01:08:34,579 --> 01:08:31,059

look

1257

01:08:39,299 --> 01:08:34,589

one morning I believe and he saw this

1258

01:08:43,249 --> 01:08:39,309

gigantic and I'm talking about big okay

1259

01:08:47,129 --> 01:08:43,259

I'm not talking about the size of a

1260

01:08:50,010 --> 01:08:47,139

Greyhound bus I'm talking about as he

1261

01:08:54,240 --> 01:08:50,020

described it the size of an aircraft

1262

01:08:58,470 --> 01:08:54,250

carrier UFO that came blowing out of the

1263

01:09:01,529 --> 01:08:58,480

ocean up into the sky and then a while

1264

01:09:04,890 --> 01:09:01,539

later another one or perhaps the same

1265

01:09:09,260 --> 01:09:04,900

one came back down and re-entered the

1266

01:09:14,760 --> 01:09:09,270

the water now that was originally his

1267

01:09:17,419 --> 01:09:14,770

story okay but then as that garnered

1268

01:09:21,539 --> 01:09:17,429

quite a bit of attention the story

1269

01:09:24,029 --> 01:09:21,549

continued to grow and I'm not going to

1270

01:09:28,769 --> 01:09:24,039

go through all the variations of it but

1271

01:09:32,669 --> 01:09:28,779

one of the hot topics of the day was

1272

01:09:35,970 --> 01:09:32,679

Bill Moore and Jamie Chandra's mj-12

1273

01:09:39,680 --> 01:09:35,980

documents okay are you familiar with

1274

01:09:43,410 --> 01:09:39,690

that yeah all right the mj-12 documents

1275

01:09:47,010 --> 01:09:43,420

and according to Cooper at this time he

1276

01:09:51,539 --> 01:09:47,020

could verify all of it well later when

1277

01:09:56,910 --> 01:09:51,549

the mj-12 documents blew up basically

1278

01:09:59,970 --> 01:09:56,920

blew up in Cooper immediately did a 180

1279

01:10:03,930 --> 01:09:59,980

and started going on about how they were

1280

01:10:04,350 --> 01:10:03,940

all disinformation and he knew it all

1281

01:10:08,270 --> 01:10:04,360

along

1282

01:10:12,060 --> 01:10:08,280

and his story kept flip-flopping and

1283

01:10:17,819 --> 01:10:12,070

changing and the things that he was

1284

01:10:22,290 --> 01:10:17,829

involved in so it all cumulated with the

1285

01:10:28,140 --> 01:10:22,300

Bob Lazar story all right this is when I

1286

01:10:32,640 --> 01:10:28,150

got involved back in 1988 and this was

1287

01:10:37,470 --> 01:10:32,650

before I started my radio broadcasting

1288

01:10:40,799 --> 01:10:37,480

in 91 and before art bell was on the air

1289

01:10:44,030 --> 01:10:40,809

art bell at that time was doing

1290

01:10:47,910 --> 01:10:44,040

political talk radio on satellite

1291

01:10:50,370 --> 01:10:47,920

okay there was a guy out of Las Vegas by

1292

01:10:52,200 --> 01:10:50,380

the name of Billy Goodman he had a radio

1293

01:10:56,990 --> 01:10:52,210

program called the Billy Goodman

1294

01:11:01,320 --> 01:10:57,000

happening and when the Lazar story broke

1295

01:11:04,290 --> 01:11:01,330

Goodman was able through I mean Vegas is

1296

01:11:06,510 --> 01:11:04,300

a very small town may look big but

1297

01:11:08,880 --> 01:11:06,520

believe me it's a small town and

1298

01:11:12,890 --> 01:11:08,890

everybody worth knowing anybody knows

1299

01:11:16,290 --> 01:11:12,900

everybody and Goodman got in touch with

1300

01:11:21,390 --> 01:11:16,300

George Knapp and they were able to get

1301

01:11:25,500 --> 01:11:21,400

Lazar and Jean huh Lazar is friend on

1302

01:11:29,010 --> 01:11:25,510

his show and dad exploded and on that

1303

01:11:32,370 --> 01:11:29,020

first show one of the Collins was bill

1304

01:11:34,500 --> 01:11:32,380

Cooper now bill Cooper then and you've

1305

01:11:36,840 --> 01:11:34,510

got to have some background in this

1306

01:11:39,450 --> 01:11:36,850

Martin I have no idea how much

1307

01:11:44,160 --> 01:11:39,460

background you have but one of the

1308

01:11:46,770 --> 01:11:44,170

players at that time was John Lear John

1309

01:11:51,630 --> 01:11:46,780

Lear son of William layer of Learjet

1310

01:11:54,390 --> 01:11:51,640

corporate corporation John was then one

1311

01:11:57,870 --> 01:11:54,400

of the major UFO players on the UFO

1312

01:12:00,330 --> 01:11:57,880

stage he was being courted and talented

1313

01:12:04,920 --> 01:12:00,340

all across the country he was still

1314

01:12:07,140 --> 01:12:04,930

flying commercial then he was a pilot he

1315

01:12:09,480 --> 01:12:07,150

was still flying commercially he was

1316

01:12:13,020 --> 01:12:09,490

flying as a matter of fact a lot of

1317

01:12:17,640 --> 01:12:13,030

freight but he would be invited to these

1318

01:12:21,090 --> 01:12:17,650

UFO conferences all across the United

1319

01:12:24,870 --> 01:12:21,100

States and he was a big draw at the time

1320

01:12:27,960 --> 01:12:24,880

well through Goodman and George Knapp

1321

01:12:31,140 --> 01:12:27,970

and John Lear and there were others some

1322

01:12:36,240 --> 01:12:31,150

both famous and infamous names

1323

01:12:40,200 --> 01:12:36,250

associated with this Lazar flew Goodman

1324

01:12:42,060 --> 01:12:40,210

show right out of the water suddenly he

1325

01:12:45,780 --> 01:12:42,070

was in Billy Goodman was in a national

1326

01:12:49,170 --> 01:12:45,790

spotlight and his show really took off

1327

01:12:51,540 --> 01:12:49,180

now if you're not familiar with Billy

1328

01:12:54,540 --> 01:12:51,550

Goodman you got to do a little research

1329

01:12:57,180 --> 01:12:54,550

on them because I can remember sitting

1330

01:12:59,490 --> 01:12:57,190

here in LA and I could tune

1331

01:13:03,479 --> 01:12:59,500

in his show the matter of fact I had a

1332

01:13:06,780 --> 01:13:03,489

rather infamous happening one night on

1333

01:13:11,430 --> 01:13:06,790

his show when he had bill Cooper on as a

1334

01:13:15,000 --> 01:13:11,440

guest right after my first part one of

1335

01:13:20,640 --> 01:13:15,010

my expose Helen Cooper first you know

1336

01:13:25,380 --> 01:13:20,650

hit the newsstands but at any rate he

1337

01:13:28,890 --> 01:13:25,390

called a Goodman show and just ranted

1338

01:13:31,290 --> 01:13:28,900

and raved about what a true patriot what

1339

01:13:34,590 --> 01:13:31,300

a wonderful human being what a

1340

01:13:37,380 --> 01:13:34,600

courageous guy the guy that was thumbing

1341

01:13:41,310 --> 01:13:37,390

his nose at the whole secret government

1342

01:13:43,920 --> 01:13:41,320

blah blah blah and I mean I've got I've

1343

01:13:46,950 --> 01:13:43,930

got a copy of that which was a good

1344

01:13:50,100 --> 01:13:46,960

thing I saved that later in retrospect

1345

01:13:53,160 --> 01:13:50,110

but I have a copy of that just counting

1346

01:13:59,780 --> 01:13:53,170

how all red white and blue Bob Lazar

1347

01:14:07,610 --> 01:13:59,790

really was well not long after that okay

1348

01:14:11,130 --> 01:14:07,620

George Knapp had had also a talk show

1349

01:14:13,470 --> 01:14:11,140

television talk show down in Vegas and

1350

01:14:16,200 --> 01:14:13,480

he would occasionally bring on

1351

01:14:18,510 --> 01:14:16,210

newsmakers and whatever the flavor of

1352

01:14:21,689 --> 01:14:18,520

the day was would interview them on his

1353

01:14:24,150 --> 01:14:21,699

show and he brought in John Lear and

1354

01:14:29,670 --> 01:14:24,160

Bill Cooper now the other thing that

1355

01:14:36,840 --> 01:14:29,680

Cooper then was known for was the JFK

1356

01:14:41,459 --> 01:14:36,850

assassination now when I first met John

1357

01:14:46,560 --> 01:14:41,469

Lear in November of 1988 this was after

1358

01:14:53,850 --> 01:14:46,570

my entree into the UFO field I had

1359

01:14:58,530 --> 01:14:53,860

called John John had just recently put a

1360

01:15:01,229 --> 01:14:58,540

file up on the perronnette computer

1361

01:15:07,020 --> 01:15:01,239

service which then ended up on

1362

01:15:10,080 --> 01:15:07,030

CompuServe which was his original it's

1363

01:15:11,040 --> 01:15:10,090

now known as the John Lear document his

1364

01:15:15,090 --> 01:15:11,050

original four

1365

01:15:17,190 --> 01:15:15,100

and paper on the whole UFO thing now I'm

1366

01:15:21,420 --> 01:15:17,200

not gonna bore you with all the details

1367

01:15:26,250 --> 01:15:21,430

but the crux of it was that when he put

1368

01:15:32,640 --> 01:15:26,260

that document up the UFO field ignited

1369

01:15:35,130 --> 01:15:32,650

now it had been not exactly even killed

1370

01:15:39,540 --> 01:15:35,140

up to that point I mean there had been

1371

01:15:42,720 --> 01:15:39,550

cases that have been coming up but two

1372

01:15:48,330 --> 01:15:42,730

things cause the UFO field to ignite

1373

01:15:50,850 --> 01:15:48,340

then we're talking about 88-89 bill

1374

01:15:54,290 --> 01:15:50,860

Moore and Jamie shonduras mj-12

1375

01:15:59,310 --> 01:15:54,300

documents and the John Lear paper and

1376

01:16:04,920 --> 01:15:59,320

suddenly the UFO field divided into

1377

01:16:10,380 --> 01:16:04,930

almost armed camps and the sniping and

1378

01:16:15,600 --> 01:16:10,390

the fire and you know the flaming on the

1379

01:16:20,670 --> 01:16:15,610

nascent web went into overdrive now when

1380

01:16:24,840 --> 01:16:20,680

all that happened bill Cooper basically

1381

01:16:27,860 --> 01:16:24,850

made his appearance and it looked from

1382

01:16:34,020 --> 01:16:27,870

afar that he and John Lear had basically

1383

01:16:39,690 --> 01:16:34,030

allied themselves together however after

1384

01:16:42,510 --> 01:16:39,700

this happened John Lear was invited on

1385

01:16:46,560 --> 01:16:42,520

bill or I'm sorry on George Knapp's

1386

01:16:49,440 --> 01:16:46,570

program and he basically had said a

1387

01:16:52,950 --> 01:16:49,450

couple of things that angered and

1388

01:16:55,610 --> 01:16:52,960

enraged Cooper about Cooper's

1389

01:16:59,130 --> 01:16:55,620

information because it was obvious that

1390

01:17:02,580 --> 01:16:59,140

Cooper was by then plagiarizing and

1391

01:17:05,580 --> 01:17:02,590

fabricating information now prior to

1392

01:17:09,350 --> 01:17:05,590

that happening Lear had been approached

1393

01:17:12,990 --> 01:17:09,360

by a guy by the name of Lars Hanson

1394

01:17:16,890 --> 01:17:13,000

when Lear was at the height of his UFO

1395

01:17:20,480 --> 01:17:16,900

popularity and Lars Hanson was a JFK

1396

01:17:24,120 --> 01:17:20,490

researcher now I knew all these guys

1397

01:17:24,859 --> 01:17:24,130

okay I know them all and as a matter of

1398

01:17:28,160 --> 01:17:24,869

fact

1399

01:17:30,740 --> 01:17:28,170

at one time or another on my radio shows

1400

01:17:34,729 --> 01:17:30,750

or in the pages of UFO magazine I

1401

01:17:37,040 --> 01:17:34,739

interviewed them all and Hansen had been

1402

01:17:40,609 --> 01:17:37,050

working with a couple of other guys on a

1403

01:17:44,419 --> 01:17:40,619

theory that the JFK assassination had

1404

01:17:48,620 --> 01:17:44,429

actually been conducted and the fatal

1405

01:17:53,709 --> 01:17:48,630

head shot had been fired by the driver

1406

01:17:54,890 --> 01:17:53,719

of Kennedy's limousine in Dallas Texas

1407

01:17:57,950 --> 01:17:54,900

okay

1408

01:18:00,379 --> 01:17:57,960

now this video that they had put

1409

01:18:04,089 --> 01:18:00,389

together where they had a fourth or

1410

01:18:07,339 --> 01:18:04,099

fifth copy of the Sapru turf film and

1411

01:18:10,939 --> 01:18:07,349

Hanson and his two can pay tree it's had

1412

01:18:13,879 --> 01:18:10,949

taken it to a professional lab washed

1413

01:18:16,669 --> 01:18:13,889

all the Keller out of the Zapruder film

1414

01:18:20,180 --> 01:18:16,679

which originally was an 8 millimeter in

1415

01:18:22,970 --> 01:18:20,190

Keller 8 or 16-millimeter I forget now

1416

01:18:26,270 --> 01:18:22,980

but it was in Keller and they basically

1417

01:18:30,649 --> 01:18:26,280

turned it into a black and white film so

1418

01:18:34,459 --> 01:18:30,659

they could enhance okay the frames and

1419

01:18:37,129 --> 01:18:34,469

not be misled by the Keller and in one

1420

01:18:40,820 --> 01:18:37,139

of the frames for just a brief second it

1421

01:18:45,109 --> 01:18:40,830

looks like there is the driver is

1422

01:18:47,240 --> 01:18:45,119

holding a handgun now when Lear got this

1423

01:18:49,550 --> 01:18:47,250

when I first went down to meet him that

1424

01:18:51,410 --> 01:18:49,560

was one of the first things he did was

1425

01:18:54,439 --> 01:18:51,420

to show me that and I got to tell you at

1426

01:18:55,310 --> 01:18:54,449

first glance Wow I was kind of blown

1427

01:18:58,220 --> 01:18:55,320

away by it

1428

01:19:03,439 --> 01:18:58,230

and I started asking I went into my cop

1429

01:19:06,470 --> 01:19:03,449

routine and John got cagey okay he got

1430

01:19:09,410 --> 01:19:06,480

cagey I didn't know then although not

1431

01:19:13,850 --> 01:19:09,420

long after that I found out but where he

1432

01:19:17,740 --> 01:19:13,860

got the film but he duplicated that and

1433

01:19:21,669 --> 01:19:17,750

he sent it to bill Cooper and suddenly

1434

01:19:25,600 --> 01:19:21,679

bill Cooper claimed that he had seen

1435

01:19:29,959 --> 01:19:25,610

secret naval intelligence documents

1436

01:19:31,129 --> 01:19:29,969

talking about the hit on JFK and that

1437

01:19:34,760 --> 01:19:31,139

they knew all about it

1438

01:19:37,550 --> 01:19:34,770

and that the driver William Greer was

1439

01:19:39,550 --> 01:19:37,560

the perpetrator now this was simply

1440

01:19:44,030 --> 01:19:39,560

hogwash

1441

01:19:46,850 --> 01:19:44,040

in it

1442

01:19:49,880 --> 01:19:46,860

and incidentally I still will today

1443

01:19:52,490 --> 01:19:49,890

occasionally come across people that

1444

01:19:54,680 --> 01:19:52,500

want to attack me because I'm talking

1445

01:19:57,680 --> 01:19:54,690

about their hero bill Cooper in the JFK

1446

01:20:00,229 --> 01:19:57,690

tape or other things okay that this guy

1447

01:20:03,229 --> 01:20:00,239

was known for now was Bill

1448

01:20:04,520 --> 01:20:03,239

pardon me was built Cooper or we're

1449

01:20:06,620 --> 01:20:04,530

getting a little feedback here I'm not

1450

01:20:11,540 --> 01:20:06,630

sure what that is would you be able to

1451

01:20:13,880 --> 01:20:11,550

turn your turn your volume down on your

1452

01:20:17,209 --> 01:20:13,890

on your headset or whatever you have

1453

01:20:18,290 --> 01:20:17,219

here just a little bit how's that yep

1454

01:20:21,850 --> 01:20:18,300

doesn't sound like it's feeding back

1455

01:20:24,410 --> 01:20:21,860

thank you and sorry for that listeners

1456

01:20:26,510 --> 01:20:24,420

bill Cooper would see the one that

1457

01:20:31,010 --> 01:20:26,520

people talk about that they think he was

1458

01:20:35,270 --> 01:20:31,020

assassinated I'm thinking of yeah yeah

1459

01:20:37,700 --> 01:20:35,280

yeah well he was shot alright okay you

1460

01:20:40,479 --> 01:20:37,710

see here was the other thing about

1461

01:20:46,729 --> 01:20:40,489

Cooper and lo look he's been dead since

1462

01:20:50,060 --> 01:20:46,739

November of 2001 okay and you know I I

1463

01:20:53,900 --> 01:20:50,070

don't want to necessarily bash the guy's

1464

01:20:57,229 --> 01:20:53,910

been dead for almost 14 years but

1465

01:21:00,890 --> 01:20:57,239

unfortunately his disinformation lives

1466

01:21:04,970 --> 01:21:00,900

on now he lived out here in Southern

1467

01:21:07,010 --> 01:21:04,980

California and as you can imagine me

1468

01:21:11,030 --> 01:21:07,020

being a former cop I know a lot of cops

1469

01:21:14,209 --> 01:21:11,040

I had some good friends who were cops

1470

01:21:19,790 --> 01:21:14,219

down were close to where Cooper was then

1471

01:21:23,000 --> 01:21:19,800

living with his wife a a lady that he

1472

01:21:26,770 --> 01:21:23,010

had brought over from Asia okay they had

1473

01:21:28,850 --> 01:21:26,780

a little girl but and I mean hey look I

1474

01:21:31,670 --> 01:21:28,860

didn't come on here to do a whole show

1475

01:21:34,130 --> 01:21:31,680

about Cooper but I could all right but

1476

01:21:37,130 --> 01:21:34,140

here here was the crux of it there's a

1477

01:21:40,790 --> 01:21:37,140

lot more involved than we have time to

1478

01:21:45,500 --> 01:21:40,800

talk about now but he was drinking

1479

01:21:48,950 --> 01:21:45,510

heavily and unfortunately and every

1480

01:21:51,620 --> 01:21:48,960

night I'm talking about okay every night

1481

01:21:54,800 --> 01:21:51,630

and he would get intoxicated to the

1482

01:21:57,530 --> 01:21:54,810

point where he would get violent and

1483

01:22:00,410 --> 01:21:57,540

there had been a number of occasions

1484

01:22:05,030 --> 01:22:00,420

where the police ended up showing up at

1485

01:22:09,440 --> 01:22:05,040

his home and he eventually moved out of

1486

01:22:12,830 --> 01:22:09,450

here down to Arizona and some other

1487

01:22:16,370 --> 01:22:12,840

things happened down there then he was

1488

01:22:21,860 --> 01:22:16,380

wanted for questioning on some things

1489

01:22:26,170 --> 01:22:21,870

including tax evasion bank fraud if I

1490

01:22:32,510 --> 01:22:26,180

recall correctly some other things and

1491

01:22:35,170 --> 01:22:32,520

he publicly posted on his website he had

1492

01:22:39,260 --> 01:22:35,180

a website and he had a shortwave radio

1493

01:22:41,690 --> 01:22:39,270

program for a while called the hour of

1494

01:22:44,540 --> 01:22:41,700

the time where he would go on and he

1495

01:22:47,360 --> 01:22:44,550

would rant about these a lot of these

1496

01:22:50,120 --> 01:22:47,370

government conspiracies and its family

1497

01:22:52,250 --> 01:22:50,130

some of them as a matter of fact I got a

1498

01:22:54,680 --> 01:22:52,260

I got to tell you it probably ended up

1499

01:22:57,650 --> 01:22:54,690

being true but you know what they say

1500

01:23:02,480 --> 01:22:57,660

even a broken clock is Right twice a day

1501
01:23:04,720 --> 01:23:02,490
okay but at any rate his wife ended up

1502
01:23:08,830 --> 01:23:04,730
leaving the country with their daughter

1503
01:23:11,660 --> 01:23:08,840
then he was by himself and he said any

1504
01:23:16,360 --> 01:23:11,670
government agent or whatever that

1505
01:23:20,960 --> 01:23:16,370
attempted to apprehend him would be met

1506
01:23:22,400 --> 01:23:20,970
with armed resistance in other words you

1507
01:23:27,170 --> 01:23:22,410
come up on my property and I'm gonna

1508
01:23:31,250 --> 01:23:27,180
shoot you well it all cumulated when one

1509
01:23:35,930 --> 01:23:31,260
day a guy who instantly was a was a

1510
01:23:38,770 --> 01:23:35,940
physician a doctor an MD okay drove past

1511
01:23:42,670 --> 01:23:38,780
his house apparently I don't know why

1512
01:23:46,130 --> 01:23:42,680
was briefly driving on his property

1513
01:23:49,910 --> 01:23:46,140

Cooper came running out jumped in his

1514

01:23:51,530 --> 01:23:49,920

vehicle chased this man down pulled him

1515

01:23:55,190 --> 01:23:51,540

out of his car at gunpoint

1516

01:23:56,360 --> 01:23:55,200

I guess he terrified this poor guy half

1517

01:24:00,290 --> 01:23:56,370

out of his mind

1518

01:24:01,970 --> 01:24:00,300

and when the when Cooper left the guy

1519

01:24:02,660 --> 01:24:01,980

reported him to the police

1520

01:24:06,740 --> 01:24:02,670

they

1521

01:24:10,790 --> 01:24:06,750

decided to go ahead and effect an arrest

1522

01:24:14,150 --> 01:24:10,800

that night and what they did was they

1523

01:24:17,120 --> 01:24:14,160

had a couple of cops go out in civilian

1524

01:24:21,169 --> 01:24:17,130

clothes get in a pickup truck drive

1525

01:24:26,540 --> 01:24:21,179

across his property Cooper came running

1526

01:24:29,810 --> 01:24:26,550

out and in his vehicle okay

1527

01:24:33,709 --> 01:24:29,820

I guess he almost ran one of these guys

1528

01:24:37,930 --> 01:24:33,719

down went tearing back to his house

1529

01:24:42,410 --> 01:24:37,940

jumped out the police up by his door

1530

01:24:46,640 --> 01:24:42,420

attempted to effect an arrest Cooper

1531

01:24:49,490 --> 01:24:46,650

fired at them shot one police officer in

1532

01:24:54,189 --> 01:24:49,500

the head and they opened up and shot him

1533

01:24:59,180 --> 01:24:54,199

dead now if that equates as

1534

01:25:01,430 --> 01:24:59,190

assassination I guess you know I would

1535

01:25:04,160 --> 01:25:01,440

call it I personally would call it

1536

01:25:09,200 --> 01:25:04,170

resisting arrest and using lethal force

1537

01:25:12,070 --> 01:25:09,210

to resist arrest right right now I want

1538

01:25:15,860 --> 01:25:12,080

to shift gears here a little bit and a

1539

01:25:18,800 --> 01:25:15,870

lot of people that are trying to do good

1540

01:25:20,780 --> 01:25:18,810

honest research that I that I speak with

1541

01:25:23,590 --> 01:25:20,790

actually and have become friends with

1542

01:25:25,550 --> 01:25:23,600

and talked to on the phone a lot

1543

01:25:28,610 --> 01:25:25,560

probably one of them is actually

1544

01:25:31,130 --> 01:25:28,620

listening right now a lot of times they

1545

01:25:37,669 --> 01:25:31,140

get really discouraged in this field in

1546

01:25:39,410 --> 01:25:37,679

many ways it's kind of like oh they just

1547

01:25:44,360 --> 01:25:39,420

get discouraged because of all the let

1548

01:25:46,939 --> 01:25:44,370

downs and I when I was looking for

1549

01:25:48,979 --> 01:25:46,949

specific yeah yeah well I'm gonna

1550

01:25:51,709 --> 01:25:48,989

actually leave that to you because when

1551

01:25:54,260 --> 01:25:51,719

I was looking up information about you

1552

01:25:57,200 --> 01:25:54,270

on the internet before you came on I saw

1553

01:26:01,550 --> 01:25:57,210

where Kevin Randall wrote about you back

1554

01:26:05,390 --> 01:26:01,560

in 2007 and basically the title is Don

1555

01:26:08,930 --> 01:26:05,400

Ecker quits UFO research and I actually

1556

01:26:10,729 --> 01:26:08,940

read the story and I saw a lot of

1557

01:26:13,610 --> 01:26:10,739

parallels to your quotes in there

1558

01:26:16,220 --> 01:26:13,620

compared to what my friends are

1559

01:26:16,680 --> 01:26:16,230

basically saying these days and do you

1560

01:26:20,820 --> 01:26:16,690

want to talk

1561

01:26:26,970 --> 01:26:20,830

about that well yeah sure I mean you

1562

01:26:32,000 --> 01:26:26,980

know before the top of the last hour you

1563

01:26:34,340 --> 01:26:32,010

had a question about my and my wife's

1564

01:26:42,750 --> 01:26:34,350

association with Bill and Nancy burns

1565

01:26:45,750 --> 01:26:42,760

okay I became dissatisfied with what I

1566

01:26:49,650 --> 01:26:45,760

was seeing in UFO research now you know

1567

01:26:54,420 --> 01:26:49,660

back in in the earlier days okay in the

1568

01:26:59,010 --> 01:26:54,430

late 80s the early 90s this was a very

1569

01:27:03,540 --> 01:26:59,020

dynamic field with some very dynamic at

1570

01:27:07,920 --> 01:27:03,550

the time investigators there were people

1571

01:27:11,970 --> 01:27:07,930

like Bruce Maccabee okay a naval optical

1572

01:27:15,570 --> 01:27:11,980

physicist Stanton Friedman there were

1573

01:27:20,280 --> 01:27:15,580

people like Kevin Randle Don Schmidt

1574

01:27:23,040 --> 01:27:20,290

Bill Moore Jaime Chandra before you know

1575

01:27:27,240 --> 01:27:23,050

and John people like John Lear people

1576

01:27:31,229 --> 01:27:27,250

like later Lars Hanson did these people

1577

01:27:34,410 --> 01:27:31,239

that I mentioned and this was before a

1578

01:27:37,050 --> 01:27:34,420

lot of them ended up self-destructing

1579

01:27:40,740 --> 01:27:37,060

for whatever reason Linda Moulton Howe

1580

01:27:44,400 --> 01:27:40,750

okay was was another name that was very

1581

01:27:47,040 --> 01:27:44,410

prominent at the time and you know many

1582

01:27:48,900 --> 01:27:47,050

more I'm sure if i sat here and I really

1583

01:27:51,450 --> 01:27:48,910

thought about it I could come up with

1584

01:27:55,490 --> 01:27:51,460

those name people like John keel for

1585

01:28:02,970 --> 01:27:58,530

Donald Kehoe he as a matter of fact

1586

01:28:06,390 --> 01:28:02,980

didn't pass away until 1986 you know a

1587

01:28:12,200 --> 01:28:06,400

lot of people that were very prominent

1588

01:28:14,689 --> 01:28:12,210

and had been very active in research and

1589

01:28:20,060 --> 01:28:14,699

what do we have today

1590

01:28:24,030 --> 01:28:20,070

can you name you know any of those those

1591

01:28:27,209 --> 01:28:24,040

can you name names today like I just did

1592

01:28:29,950 --> 01:28:27,219

from that time period like prominent in

1593

01:28:33,690 --> 01:28:29,960

the field people that are

1594

01:28:39,040 --> 01:28:33,700

construed as doing good legitimate

1595

01:28:42,850 --> 01:28:39,050

honest research calling a wart a wart if

1596

01:28:46,810 --> 01:28:42,860

that's what they find there are you know

1597

01:28:48,720 --> 01:28:46,820

I'd say there are a few David Marlar

1598

01:28:52,600 --> 01:28:48,730

comes to mind right up right off the top

1599

01:28:55,000 --> 01:28:52,610

I really have a lot of respect for him

1600

01:28:57,910 --> 01:28:55,010

you know Stanton Friedman still around I

1601
01:29:01,479 --> 01:28:57,920
know we were talking earlier about mj-12

1602
01:29:03,130 --> 01:29:01,489
and and he still stands behind I think

1603
01:29:05,770 --> 01:29:03,140
three documents on that and I know I

1604
01:29:08,050 --> 01:29:05,780
actually brought up the subject to him

1605
01:29:10,510 --> 01:29:08,060
last time I interviewed him and I said

1606
01:29:13,030 --> 01:29:10,520
well being in the fine arts field myself

1607
01:29:16,479 --> 01:29:13,040
when you go into a house and there's a

1608
01:29:18,100 --> 01:29:16,489
fake painting or - fake paintings you

1609
01:29:20,320 --> 01:29:18,110
kind of got a look at every single

1610
01:29:21,850 --> 01:29:20,330
painting because most likely they're all

1611
01:29:24,160 --> 01:29:21,860
fakes you know that's generally how it

1612
01:29:26,320 --> 01:29:24,170
works and he kind of turned that around

1613
01:29:28,390 --> 01:29:26,330

and just said you know no there was

1614

01:29:30,459 --> 01:29:28,400

actually you know three documents that

1615

01:29:33,190 --> 01:29:30,469

actually were you know authentic and you

1616

01:29:36,130 --> 01:29:33,200

know I don't know enough about that to

1617

01:29:38,709 --> 01:29:36,140

talk intelligently about it but I do

1618

01:29:40,090 --> 01:29:38,719

believe that there are still a number of

1619

01:29:41,410 --> 01:29:40,100

them around and there are some of the

1620

01:29:43,930 --> 01:29:41,420

names that you mentioned that I have

1621

01:29:47,800 --> 01:29:43,940

seen gone off the deep end and and I do

1622

01:29:51,220 --> 01:29:47,810

I do pick on Steven Greer quite a bit on

1623

01:29:53,890 --> 01:29:51,230

the show and some he be aware I never

1624

01:29:57,760 --> 01:29:53,900

mentioned Greer's name ever I did hear

1625

01:30:00,640 --> 01:29:57,770

that I mean I did see that we met Greer

1626
01:30:03,580 --> 01:30:00,650
my wife and I met Greer he called us up

1627
01:30:07,720 --> 01:30:03,590
hey you know for years my wife and I

1628
01:30:12,180 --> 01:30:07,730
were literally at the center of the UFO

1629
01:30:16,030 --> 01:30:12,190
universe I mean literally at the center

1630
01:30:18,190 --> 01:30:16,040
because everybody came our way they

1631
01:30:22,209 --> 01:30:18,200
wanted their research they wanted their

1632
01:30:26,380 --> 01:30:22,219
work chronicled in the pages of UFO

1633
01:30:30,070 --> 01:30:26,390
magazine and so you know or they wanted

1634
01:30:32,709 --> 01:30:30,080
to come on you know now I'm not bragging

1635
01:30:37,270 --> 01:30:32,719
when I say this Martin I'm not bragging

1636
01:30:43,390 --> 01:30:37,280
but after Billy Goodman I had the only

1637
01:30:46,090 --> 01:30:43,400
in the first UFO talk show anywhere

1638
01:30:49,570 --> 01:30:46,100

this was before art now art was doing

1639

01:30:51,730 --> 01:30:49,580

radio but he wasn't doing political

1640

01:30:54,210 --> 01:30:51,740

right he was doing political radio he

1641

01:30:57,760 --> 01:30:54,220

wasn't doing paranormal or UFO radio

1642

01:31:00,280 --> 01:30:57,770

okay I had one of the the with these

1643

01:31:05,170 --> 01:31:00,290

actually the first show after Billy

1644

01:31:07,660 --> 01:31:05,180

Goodman now so you know we we had people

1645

01:31:12,520 --> 01:31:07,670

that we were interfacing with all the

1646

01:31:16,420 --> 01:31:12,530

time and continuously now to get to the

1647

01:31:21,580 --> 01:31:16,430

point that I that I wanted to make we

1648

01:31:24,790 --> 01:31:21,590

were contacted by Steven Greer okay he

1649

01:31:29,350 --> 01:31:24,800

wanted to meet us and this was god this

1650

01:31:31,330 --> 01:31:29,360

had to be 90 or 91 so we said sure

1651
01:31:35,530 --> 01:31:31,340
because I mean we were willing to meet

1652
01:31:37,660 --> 01:31:35,540
anybody and we met him downtown in Los

1653
01:31:40,660 --> 01:31:37,670
Angeles at a restaurant we were going to

1654
01:31:42,670 --> 01:31:40,670
have lunch and we sat down we shook

1655
01:31:46,060 --> 01:31:42,680
hands and you know got to know each

1656
01:31:49,480 --> 01:31:46,070
other a little bit and Greer started

1657
01:31:54,640 --> 01:31:49,490
pumping us about what was our take on

1658
01:31:58,510 --> 01:31:54,650
the UFO thing and basically you know I

1659
01:32:01,120 --> 01:31:58,520
told him I said hey I don't know okay

1660
01:32:05,200 --> 01:32:01,130
and if you were to ask me right now

1661
01:32:08,620 --> 01:32:05,210
Martin in 2015 my take on the UFO thing

1662
01:32:13,200 --> 01:32:08,630
and I'll tell you right up front I don't

1663
01:32:15,990 --> 01:32:13,210

know mmm-hmm and that's the God's truth

1664

01:32:21,610 --> 01:32:16,000

but anyway

1665

01:32:27,220 --> 01:32:21,620

Greer started pitching this idea of love

1666

01:32:29,950 --> 01:32:27,230

light sunshine and unicorns okay and I

1667

01:32:33,070 --> 01:32:29,960

listened to him and Vicki listen to him

1668

01:32:36,880 --> 01:32:33,080

for a little bit and then I hit him with

1669

01:32:40,300 --> 01:32:36,890

a half-dozen cases where there was blood

1670

01:32:44,740 --> 01:32:40,310

smoke and fear from the field okay

1671

01:32:48,070 --> 01:32:44,750

and you know to say that we ended on a

1672

01:32:51,910 --> 01:32:48,080

friendly note would not be correct and

1673

01:32:55,120 --> 01:32:51,920

that was actually the last time that I

1674

01:32:59,080 --> 01:32:55,130

personally ever had any contact

1675

01:33:02,890 --> 01:32:59,090

with Greer although we did later have

1676

01:33:06,490 --> 01:33:02,900

contact with some of the people in his

1677

01:33:10,090 --> 01:33:06,500

sea SETI organization after we did an

1678

01:33:14,140 --> 01:33:10,100

issue of UFO magazine on cults in the

1679

01:33:16,660 --> 01:33:14,150

UFO field Wow he was mentioned his group

1680

01:33:19,870 --> 01:33:16,670

was mentioned only in passing and

1681

01:33:24,160 --> 01:33:19,880

believe me if we had wanted to do more

1682

01:33:27,220 --> 01:33:24,170

but he I had the goods if I wanted to do

1683

01:33:30,490 --> 01:33:27,230

more but we didn't I mean we weren't out

1684

01:33:34,360 --> 01:33:30,500

the hatch if anybody but then they

1685

01:33:38,200 --> 01:33:34,370

decided to take off after us now at that

1686

01:33:41,140 --> 01:33:38,210

time one of Greer's associates out here

1687

01:33:45,850 --> 01:33:41,150

on the west coast was dr. Joe Burks do

1688

01:33:49,300 --> 01:33:45,860

you know dr. Bernal while he was then

1689

01:33:52,960 --> 01:33:49,310

still a part of see setting he had since

1690

01:33:56,140 --> 01:33:52,970

left sea setting and quite honestly I do

1691

01:33:59,260 --> 01:33:56,150

not know why he left

1692

01:34:02,830 --> 01:33:59,270

sea setting and this is pure speculation

1693

01:34:04,870 --> 01:34:02,840

on my part but I would have to guess it

1694

01:34:09,520 --> 01:34:04,880

may not have been on the best of terms

1695

01:34:13,180 --> 01:34:09,530

but like I said I do not know but when

1696

01:34:16,630 --> 01:34:13,190

we wrote this this cult or cutting it

1697

01:34:21,730 --> 01:34:16,640

was called cult or cutting edge issue of

1698

01:34:27,820 --> 01:34:21,740

UFO magazine I got well I the magazine

1699

01:34:34,030 --> 01:34:27,830

received a 15 page diatribe from Joe

1700

01:34:38,290 --> 01:34:34,040

Burks and he wanted to debate us on

1701

01:34:41,590 --> 01:34:38,300

CompuServe and I said why on CompuServe

1702

01:34:44,740 --> 01:34:41,600

I said hell I've got a radio show so I

1703

01:34:48,430 --> 01:34:44,750

got in touch with Burks and brought him

1704

01:34:50,440 --> 01:34:48,440

on my radio show and we had a debate and

1705

01:34:53,620 --> 01:34:50,450

when he and I bought him dinner

1706

01:34:55,420 --> 01:34:53,630

okay they showed up before they before

1707

01:34:57,970 --> 01:34:55,430

the show there was a restaurant right

1708

01:35:00,700 --> 01:34:57,980

next to our studio that I used to take

1709

01:35:02,380 --> 01:35:00,710

when we had guests you know come in the

1710

01:35:04,570 --> 01:35:02,390

studio live we would go to the

1711

01:35:07,760 --> 01:35:04,580

restaurant and i52 moved the magazine

1712

01:35:10,040 --> 01:35:07,770

would buy them dinner bottom dinner

1713

01:35:12,230 --> 01:35:10,050

and when he left he stormed out of the

1714

01:35:18,110 --> 01:35:12,240

studio that'll give you an idea of how

1715

01:35:24,080 --> 01:35:18,120

it ended up so you know all the stories

1716

01:35:27,170 --> 01:35:24,090

I could tell fell yeah so so you at

1717

01:35:30,230 --> 01:35:27,180

night and 2007 you sort of made a

1718

01:35:33,440 --> 01:35:30,240

proclamation you're giving up the UFO

1719

01:35:36,290 --> 01:35:33,450

field paper I wrote a paper uh-huh and

1720

01:35:39,170 --> 01:35:36,300

that's what Kevin Randle it's on his

1721

01:35:42,850 --> 01:35:39,180

blog you can find it you can find it on

1722

01:35:50,360 --> 01:35:42,860

the web if you're interested it's titled

1723

01:35:53,350 --> 01:35:50,370

my twenty years in the UFO fog fog my 20

1724

01:35:56,870 --> 01:35:53,360

years in the UFO fog

1725

01:36:00,890 --> 01:35:56,880

well I one of the things you you just

1726

01:36:04,250 --> 01:36:00,900

mentioned a minute ago I think is

1727

01:36:06,290 --> 01:36:04,260

probably gonna remain I believe the same

1728

01:36:09,140 --> 01:36:06,300

exact thing that you do and that is I

1729

01:36:12,710 --> 01:36:09,150

have no idea you know I know what I saw

1730

01:36:16,190 --> 01:36:12,720

I had a sighting too and I know what I

1731

01:36:18,020 --> 01:36:16,200

saw seemed totally unexplainable and I

1732

01:36:21,710 --> 01:36:18,030

believe there's too many people seeing

1733

01:36:23,630 --> 01:36:21,720

unexplainable things whether there's an

1734

01:36:27,700 --> 01:36:23,640

answer that we'll ever have on the

1735

01:36:31,370 --> 01:36:27,710

subject it's uh I I don't know I don't

1736

01:36:33,920 --> 01:36:31,380

think I don't have high hopes that I'm

1737

01:36:34,400 --> 01:36:33,930

gonna know the answer last night last

1738

01:36:38,840 --> 01:36:34,410

night

1739

01:36:42,230 --> 01:36:38,850

okay the the on Richard Howe klain's

1740

01:36:44,450 --> 01:36:42,240

the other side of midnight program he

1741

01:36:48,290 --> 01:36:44,460

invited me back I was on a couple of

1742

01:36:50,390 --> 01:36:48,300

nights ago to talk about my basically my

1743

01:36:55,850 --> 01:36:50,400

career in the field and then he invited

1744

01:37:00,610 --> 01:36:55,860

me back for a round table panel okay

1745

01:37:04,460 --> 01:37:00,620

on his show and basically the the

1746

01:37:07,340 --> 01:37:04,470

linchpin to his panel he wanted to talk

1747

01:37:11,870 --> 01:37:07,350

of all things about Hillary Clinton's

1748

01:37:14,360 --> 01:37:11,880

email server and what that may or may

1749

01:37:19,010 --> 01:37:14,370

not have had to do with a lot of things

1750

01:37:20,490 --> 01:37:19,020

all right now he had to two other

1751

01:37:24,360 --> 01:37:20,500

panelists on

1752

01:37:27,420 --> 01:37:24,370

mr. grant Cameron Presidential UFOs and

1753

01:37:33,270 --> 01:37:27,430

mr. Stephen Bassett of the disclosure

1754

01:37:38,490 --> 01:37:33,280

movement and you know and I'll be simply

1755

01:37:41,790 --> 01:37:38,500

just blunt honest I have never given a

1756

01:37:43,860 --> 01:37:41,800

lot of credence to the idea now not

1757

01:37:46,350 --> 01:37:43,870

Stephens work because he's really done

1758

01:37:49,680 --> 01:37:46,360

he's done some great work with what he's

1759

01:37:52,020 --> 01:37:49,690

been trying to do but I've never given a

1760

01:37:55,770 --> 01:37:52,030

lot of credence to the idea that the

1761

01:37:58,310 --> 01:37:55,780

government the government whatever part

1762

01:38:02,670 --> 01:37:58,320

of the government is involved in

1763

01:38:05,670 --> 01:38:02,680

suppressing UFO information that it

1764

01:38:10,350 --> 01:38:05,680

would be forthcoming with that

1765

01:38:13,890 --> 01:38:10,360

information now I say that for many many

1766

01:38:16,020 --> 01:38:13,900

reasons some reasons that I can I can

1767

01:38:19,740 --> 01:38:16,030

openly talk about some things that are

1768

01:38:24,150 --> 01:38:19,750

pure informed but speculation

1769

01:38:27,270 --> 01:38:24,160

nonetheless on my part and people that I

1770

01:38:31,020 --> 01:38:27,280

have interfaced with over the last 25

1771

01:38:36,660 --> 01:38:31,030

plus years that I've been banging around

1772

01:38:41,790 --> 01:38:36,670

in this field now one of the things that

1773

01:38:45,000 --> 01:38:41,800

to me suggests that might be one of the

1774

01:38:49,530 --> 01:38:45,010

reasons that they would never be

1775

01:38:55,020 --> 01:38:49,540

forthcoming that they have almost 70

1776

01:38:58,320 --> 01:38:55,030

years of lying deceit treachery and

1777

01:39:00,150 --> 01:38:58,330

personal destruction of people that have

1778

01:39:04,680 --> 01:39:00,160

dared to speak about this subject

1779

01:39:08,120 --> 01:39:04,690

publicly okay is that they feel they are

1780

01:39:13,050 --> 01:39:08,130

hiding a secret that would be too

1781

01:39:17,160 --> 01:39:13,060

explosive to release to the public now

1782

01:39:21,120 --> 01:39:17,170

over those years I have talked to people

1783

01:39:21,870 --> 01:39:21,130

both inside as well as outside of

1784

01:39:24,510 --> 01:39:21,880

government

1785

01:39:26,430 --> 01:39:24,520

we've interfaced and I'm talking about

1786

01:39:29,490 --> 01:39:26,440

when I was with the magazine we've

1787

01:39:30,450 --> 01:39:29,500

interfaced with people in the Department

1788

01:39:33,990 --> 01:39:30,460

of Defense

1789

01:39:36,689 --> 01:39:34,000

we've interfaced with people in

1790

01:39:40,620 --> 01:39:36,699

I've interfaced with people that were

1791

01:39:46,290 --> 01:39:40,630

formerly intelligence operatives

1792

01:39:49,080 --> 01:39:46,300

officers CIA NSA and others some of them

1793

01:39:53,850 --> 01:39:49,090

were actually off the record quite

1794

01:39:56,720 --> 01:39:53,860

forthcoming but the bottom line is I am

1795

01:40:00,300 --> 01:39:56,730

convinced and I said this last night

1796

01:40:04,740 --> 01:40:00,310

that they will go to their grave and

1797

01:40:08,729 --> 01:40:04,750

never disclose a thing there's only one

1798

01:40:12,300 --> 01:40:08,739

thing that might force their hand and

1799

01:40:15,419 --> 01:40:12,310

that's if ET shows up over all the major

1800

01:40:19,200 --> 01:40:15,429

cities on the planet and you know a la

1801
01:40:21,600 --> 01:40:19,210
ID for Independence Day Allah you know

1802
01:40:23,340 --> 01:40:21,610
the end of the of the secrecy built up

1803
01:40:29,580 --> 01:40:23,350
now this is something else I said last

1804
01:40:33,540 --> 01:40:29,590
night that look if the aliens if that's

1805
01:40:37,169 --> 01:40:33,550
in fact what they are ET if that's what

1806
01:40:40,140 --> 01:40:37,179
they are if they wanted to end the

1807
01:40:44,120 --> 01:40:40,150
cover-up they could have done that last

1808
01:40:48,030 --> 01:40:44,130
year or the year before or 50 years ago

1809
01:40:49,620 --> 01:40:48,040
it's obvious that they have no intention

1810
01:40:53,520 --> 01:40:49,630
of doing that

1811
01:40:57,169 --> 01:40:53,530
which tells me after years of looking at

1812
01:41:00,450 --> 01:40:57,179
this that they have an active agenda

1813
01:41:03,180 --> 01:41:00,460

that is much easier to carry out if they

1814

01:41:08,220 --> 01:41:03,190

don't have interference from you know

1815

01:41:11,669 --> 01:41:08,230

reporters from Fox CNN MSNBC ABC you

1816

01:41:15,300 --> 01:41:11,679

know CBS they're going about their

1817

01:41:17,189 --> 01:41:15,310

business very quietly and it's people

1818

01:41:20,640 --> 01:41:17,199

like you and I that are talking about it

1819

01:41:22,910 --> 01:41:20,650

and the fact that we're talking about it

1820

01:41:25,890 --> 01:41:22,920

where do you think the mainstream

1821

01:41:31,470 --> 01:41:25,900

relegate sus Martin yeah we're on the

1822

01:41:36,540 --> 01:41:31,480

fringe regardless of how much thoughtful

1823

01:41:38,939 --> 01:41:36,550

discourse research okay you know this is

1824

01:41:42,750 --> 01:41:38,949

one thing that and I used to do a hell

1825

01:41:46,410 --> 01:41:42,760

of a lot of TV back in the 90s when at

1826

01:41:47,140 --> 01:41:46,420

the height of this I was on TV on it on

1827

01:41:50,200 --> 01:41:47,150

various

1828

01:41:54,280 --> 01:41:50,210

programs several times a week okay and

1829

01:41:57,310 --> 01:41:54,290

it used to irritate me to the maximum

1830

01:42:00,640 --> 01:41:57,320

when I would be referred to as a UFO

1831

01:42:03,520 --> 01:42:00,650

believer and I would get right in their

1832

01:42:06,910 --> 01:42:03,530

face about that believer my butt

1833

01:42:09,160 --> 01:42:06,920

okay I am a researcher do you want to

1834

01:42:11,439 --> 01:42:09,170

see my research and of course the

1835

01:42:14,410 --> 01:42:11,449

majority of these people wouldn't know

1836

01:42:17,380 --> 01:42:14,420

UFOs from a pimple on their tuckus

1837

01:42:20,229 --> 01:42:17,390

that's just the way it is okay this is

1838

01:42:23,020 --> 01:42:20,239

not something that the majority of them

1839

01:42:25,419 --> 01:42:23,030

have any interest in and they don't want

1840

01:42:28,419 --> 01:42:25,429

to take the time to research it that's

1841

01:42:33,130 --> 01:42:28,429

what a journalist does if they don't

1842

01:42:35,860 --> 01:42:33,140

know about a topic or a subject they

1843

01:42:37,870 --> 01:42:35,870

research it but most of these guys and

1844

01:42:41,350 --> 01:42:37,880

gals that are you know doing these

1845

01:42:43,560 --> 01:42:41,360

smirking stories on the local news or

1846

01:42:46,680 --> 01:42:43,570

even the national news upon occasion

1847

01:42:53,860 --> 01:42:46,690

couldn't tell you the difference between

1848

01:42:57,160 --> 01:42:53,870

Roswell and Montauk okay yep one

1849

01:42:59,080 --> 01:42:57,170

question that came up a few minutes ago

1850

01:43:02,500 --> 01:42:59,090

was someone wanted to know on the

1851
01:43:06,490 --> 01:43:02,510
message board what your your favorite

1852
01:43:09,790 --> 01:43:06,500
case or let's say your case you think is

1853
01:43:13,390 --> 01:43:09,800
one of the most legitimate ones two of

1854
01:43:16,570 --> 01:43:13,400
them all right and I broke them okay

1855
01:43:20,560 --> 01:43:16,580
okay I broke them and I broke them on

1856
01:43:24,810 --> 01:43:20,570
national television and these are the

1857
01:43:29,350 --> 01:43:24,820
cases that I have always been most

1858
01:43:34,530 --> 01:43:29,360
interested in because of the as a rule

1859
01:43:41,140 --> 01:43:34,540
the witnesses have involved the military

1860
01:43:45,580 --> 01:43:41,150
okay military personnel and NASA in the

1861
01:43:56,500 --> 01:43:45,590
two cases I broke one as a direct result

1862
01:43:59,290 --> 01:43:56,510
of a NASA live broadcast was sts-48 that

1863
01:44:00,970 --> 01:43:59,300

was a shuttle mission that took place in

1864

01:44:07,840 --> 01:44:00,980

September of 1990

1865

01:44:12,880 --> 01:44:07,850

one and while it was of Australia and

1866

01:44:18,250 --> 01:44:12,890

New Zealand they were sending a live

1867

01:44:21,420 --> 01:44:18,260

stream of a thunderstorm okay back to

1868

01:44:23,979 --> 01:44:21,430

NASA headquarters and a friend of mine

1869

01:44:29,830 --> 01:44:23,989

excuse me a buddy of mine by the name of

1870

01:44:33,850 --> 01:44:29,840

Don Ranch a UFO researcher back in

1871

01:44:36,970 --> 01:44:33,860

Dundalk Maryland had a contact at one of

1872

01:44:42,270 --> 01:44:36,980

the local small cable TV stations and

1873

01:44:45,090 --> 01:44:42,280

they would capture the entire live feed

1874

01:44:47,800 --> 01:44:45,100

that NASA would beam back to the earth

1875

01:44:52,690 --> 01:44:47,810

now we're talking about a live feed

1876
01:44:56,310 --> 01:44:52,700
Martin okay in real time and suddenly

1877
01:45:00,760 --> 01:44:56,320
above the limb of the earth

1878
01:45:03,190 --> 01:45:00,770
this object arose now when you're

1879
01:45:07,960 --> 01:45:03,200
looking at this video there's a lot of

1880
01:45:11,350 --> 01:45:07,970
stuff happening around this shuttle but

1881
01:45:14,860 --> 01:45:11,360
this object rises above the limb of the

1882
01:45:20,470 --> 01:45:14,870
earth and the shuttle is flying along

1883
01:45:24,340 --> 01:45:20,480
and suddenly the whole picture of this

1884
01:45:27,490 --> 01:45:24,350
feed is very momentarily very briefly

1885
01:45:32,520 --> 01:45:27,500
blanked out by a brilliant flash of

1886
01:45:36,790 --> 01:45:32,530
light and suddenly something is

1887
01:45:41,620 --> 01:45:36,800
streaking directly at this unknown blip

1888
01:45:47,040 --> 01:45:41,630

this UFO this unidentified flying object

1889

01:45:52,270 --> 01:45:47,050

and this object makes a dramatic and

1890

01:45:56,820 --> 01:45:52,280

sudden 100 45-degree angle right turn

1891

01:46:02,140 --> 01:45:56,830

and flashes out into space at least

1892

01:46:06,040 --> 01:46:02,150

quadrupling its speed this dream of

1893

01:46:09,700 --> 01:46:06,050

matter that was apparently fired and

1894

01:46:12,820 --> 01:46:09,710

that's the only thing that I can I can

1895

01:46:13,480 --> 01:46:12,830

speculate because back in those days we

1896

01:46:19,480 --> 01:46:13,490

had

1897

01:46:23,560 --> 01:46:19,490

an entire issue of the magazine on Star

1898

01:46:25,510 --> 01:46:23,570

Wars the Star Wars technology that was

1899

01:46:29,770 --> 01:46:25,520

being developed by the Department of the

1900

01:46:31,900 --> 01:46:29,780

defense and the Pentagon remember Ronald

1901

01:46:37,120 --> 01:46:31,910

Reagan's Star Wars shoot down we have a

1902

01:46:39,460 --> 01:46:37,130

mess okay and I think this was a fine

1903

01:46:42,850 --> 01:46:39,470

now this is once again I can't prove

1904

01:46:46,110 --> 01:46:42,860

this but I think it was a firing of a

1905

01:46:51,580 --> 01:46:46,120

technology known as brilliant pebbles

1906

01:46:54,340 --> 01:46:51,590

like a massive huge shotgun blast that

1907

01:46:58,240 --> 01:46:54,350

would be used to take out ICBMs if they

1908

01:47:03,070 --> 01:46:58,250

were ever god forbid launched but then

1909

01:47:05,560 --> 01:47:03,080

this unknown circles back around okay

1910

01:47:09,940 --> 01:47:05,570

and some other things happen but at any

1911

01:47:15,310 --> 01:47:09,950

rate I knew some producers here in town

1912

01:47:18,370 --> 01:47:15,320

and I called the first guy up I knew who

1913

01:47:20,530 --> 01:47:18,380

was it hard copy he came out to the

1914

01:47:24,430 --> 01:47:20,540

office I showed him this video we got

1915

01:47:27,070 --> 01:47:24,440

all excited wanted to do a a show on it

1916

01:47:29,380 --> 01:47:27,080

right away and then I called up another

1917

01:47:32,530 --> 01:47:29,390

producer I knew it Larry King Live back

1918

01:47:35,250 --> 01:47:32,540

in DC now I've been a guest on Larry

1919

01:47:38,500 --> 01:47:35,260

King Live at that point several times

1920

01:47:42,730 --> 01:47:38,510

probably about four or five times but I

1921

01:47:48,610 --> 01:47:42,740

told him about this he had me run down

1922

01:47:51,550 --> 01:47:48,620

to CNN in LA they beamed this back to

1923

01:47:55,440 --> 01:47:51,560

him and they brought me on Larry King

1924

01:47:58,750 --> 01:47:55,450

Live to talk about it now they wanted a

1925

01:48:01,750 --> 01:47:58,760

skeptic that was one thing that used to

1926

01:48:04,240 --> 01:48:01,760

you know em who antagonize me but hey

1927

01:48:08,250 --> 01:48:04,250

what are you gonna do so I recommended

1928

01:48:10,960 --> 01:48:08,260

fill class I'm class at the time and

1929

01:48:15,220 --> 01:48:10,970

gave them classes phone number he

1930

01:48:17,080 --> 01:48:15,230

refused so they got back to me and said

1931

01:48:19,210 --> 01:48:17,090

well he didn't want to do the show you

1932

01:48:24,080 --> 01:48:19,220

know do you know anybody else so I

1933

01:48:26,780 --> 01:48:24,090

recommended dr. Jim over and after

1934

01:48:29,780 --> 01:48:26,790

that show it's kind of the subject of

1935

01:48:32,810 --> 01:48:29,790

legend okay are you did you have you

1936

01:48:35,350 --> 01:48:32,820

ever seen it no well go up on YouTube

1937

01:48:38,690 --> 01:48:35,360

it's up on YouTube Larry King Live

1938

01:48:43,000 --> 01:48:38,700

sts-48 so anyway to make a long story

1939

01:48:46,550 --> 01:48:43,010

short one of our contacts back in

1940

01:48:49,760 --> 01:48:46,560

Washington a week after this broadcast

1941

01:48:52,430 --> 01:48:49,770

called us up now he had written several

1942

01:48:56,620 --> 01:48:52,440

articles for UFO magazine he was a

1943

01:48:59,450 --> 01:48:56,630

defense reporter okay a national defense

1944

01:49:02,360 --> 01:48:59,460

reporter but he had written articles for

1945

01:49:03,950 --> 01:49:02,370

the magazine under a pseudonym he didn't

1946

01:49:07,640 --> 01:49:03,960

want to be painted with that fringe

1947

01:49:12,140 --> 01:49:07,650

brush we were just talking about but he

1948

01:49:15,920 --> 01:49:12,150

called up and he said Don he said do you

1949

01:49:18,080 --> 01:49:15,930

know what you did and honestly I didn't

1950

01:49:19,430 --> 01:49:18,090

know what he was talking about and I

1951

01:49:25,610 --> 01:49:19,440

said no what do you what are you talking

1952

01:49:28,610 --> 01:49:25,620

about he said you really saw a bunch of

1953

01:49:29,960 --> 01:49:28,620

people at the Pentagon and I said why

1954

01:49:31,910 --> 01:49:29,970

what are you talking about

1955

01:49:35,720 --> 01:49:31,920

he said you being on Larry King last

1956

01:49:39,650 --> 01:49:35,730

week with that with that sts-48 video he

1957

01:49:42,890 --> 01:49:39,660

said do you know what they did and I

1958

01:49:48,050 --> 01:49:42,900

said no he said they've encrypted that

1959

01:49:52,250 --> 01:49:48,060

live feed and ever since that broadcast

1960

01:49:55,930 --> 01:49:52,260

in June of 92 you have never seen

1961

01:50:00,370 --> 01:49:55,940

another live feed from outer space that

1962

01:50:03,890 --> 01:50:00,380

wasn't either vetted or in time delay

1963

01:50:05,600 --> 01:50:03,900

because of what that video showed now

1964

01:50:08,210 --> 01:50:05,610

that's a little-known fact that a lot of

1965

01:50:10,880 --> 01:50:08,220

people are not aware of but I'm the

1966

01:50:13,370 --> 01:50:10,890

reason Martin that you'll never see a

1967

01:50:15,290 --> 01:50:13,380

live feed from outer space well how

1968

01:50:17,390 --> 01:50:15,300

about that and you know we only have

1969

01:50:20,030 --> 01:50:17,400

about five minutes left so why don't you

1970

01:50:24,770 --> 01:50:20,040

talk about this the second one the

1971

01:50:28,490 --> 01:50:24,780

second one was a space mission that took

1972

01:50:31,760 --> 01:50:28,500

place jointly although at the time it

1973

01:50:37,280 --> 01:50:31,770

was not known it was a joint mission

1974

01:50:40,160 --> 01:50:37,290

between NASA and black cosmos the

1975

01:50:44,870 --> 01:50:40,170

Soviet because it was still then the

1976

01:50:48,860 --> 01:50:44,880

Soviet Union the Soviet space agency it

1977

01:50:52,490 --> 01:50:48,870

was two probes being sent to Mars Phobos

1978

01:50:54,320 --> 01:50:52,500

1 and Phobos 2 which were launched in

1979

01:50:58,910 --> 01:50:54,330

July of 1988

1980

01:51:02,890 --> 01:50:58,920

now this mission was supposed to be a

1981

01:51:09,890 --> 01:51:02,900

Pathfinder mission because at that time

1982

01:51:14,090 --> 01:51:09,900

all right at that time 1987-88 the

1983

01:51:18,070 --> 01:51:14,100

Russians and and NASA were discussing

1984

01:51:21,890 --> 01:51:18,080

the possibility of a joint manned

1985

01:51:24,050 --> 01:51:21,900

mission to Mars and guess what the date

1986

01:51:29,900 --> 01:51:24,060

was that it they were theorizing it

1987

01:51:33,020 --> 01:51:29,910

might take place no idea 2014-2015 okay

1988

01:51:36,620 --> 01:51:33,030

now they sent these probes up now the

1989

01:51:41,950 --> 01:51:36,630

first probe they lost okay if you ever

1990

01:51:43,550 --> 01:51:41,960

look at all the attempts to reach Mars

1991

01:51:47,300 --> 01:51:43,560

okay bye

1992

01:51:51,560 --> 01:51:47,310

of course unmanned space probes only

1993

01:51:54,740 --> 01:51:51,570

about 30% okay ever got through all the

1994

01:51:57,260 --> 01:51:54,750

rest something happened to them there

1995

01:52:00,380 --> 01:51:57,270

used to be a joke called the great

1996

01:52:03,200 --> 01:52:00,390

galactic ghouls was gobbling these probes

1997

01:52:06,920 --> 01:52:03,210

up alright that was the joke now that's

1998

01:52:09,230 --> 01:52:06,930

that's actually that's actually true the

1999

01:52:11,630 --> 01:52:09,240

Russians blamed the loss of the probe on

2000

01:52:14,270 --> 01:52:11,640

a combination of computer and human

2001
01:52:17,360 --> 01:52:14,280
error now on both these probes not only

2002
01:52:21,520 --> 01:52:17,370
Russian technology was on it but also

2003
01:52:24,740 --> 01:52:21,530
NASA technology and all the telemetry

2004
01:52:27,440 --> 01:52:24,750
was being fed back through Goldstone

2005
01:52:31,070 --> 01:52:27,450
okay here in the United States and then

2006
01:52:34,700 --> 01:52:31,080
to the Soviet Union or Russia the second

2007
01:52:38,810 --> 01:52:34,710
probe however got there in January of 89

2008
01:52:43,160 --> 01:52:38,820
okay then the fun began they began

2009
01:52:46,600 --> 01:52:43,170
photographing Mars and they were

2010
01:52:51,109 --> 01:52:46,610
photographing the Martian moon Phobos

2011
01:52:53,839 --> 01:52:51,119
now why were they photographing Phobos

2012
01:52:56,629 --> 01:52:53,849
the thought was then they wanted to have

2013
01:52:59,149 --> 01:52:56,639

number one find out what is Phobos made

2014

01:53:02,950 --> 01:52:59,159

out of them okay because nobody really

2015

01:53:05,959 --> 01:53:02,960

knew hang on a second

2016

01:53:09,080 --> 01:53:05,969

my computer was beeping at me I thought

2017

01:53:11,930 --> 01:53:09,090

somebody was trying to call me oh no I

2018

01:53:13,550 --> 01:53:11,940

know what it is and that's uh we always

2019

01:53:16,189 --> 01:53:13,560

have to I always have to communicate

2020

01:53:18,020 --> 01:53:16,199

with Keith in the wrap up here and

2021

01:53:20,030 --> 01:53:18,030

that's up and when I'm texting in your

2022

01:53:21,530 --> 01:53:20,040

texting is my texting is beeping on your

2023

01:53:23,839 --> 01:53:21,540

skype sorry about that

2024

01:53:27,770 --> 01:53:23,849

okay are we gonna have yeah we have we

2025

01:53:29,899 --> 01:53:27,780

have two minutes left okay so they

2026

01:53:32,300 --> 01:53:29,909

wanted to find out what Phobos the

2027

01:53:34,820 --> 01:53:32,310

moonlit was made out of because that was

2028

01:53:38,149 --> 01:53:34,830

looked to be where the astronauts and

2029

01:53:41,359 --> 01:53:38,159

cosmonauts would touch down and then use

2030

01:53:45,050 --> 01:53:41,369

the Phobos moon as a stepping stone down

2031

01:53:46,640 --> 01:53:45,060

to the planet Mars surface but while all

2032

01:53:50,300 --> 01:53:46,650

this was going on

2033

01:53:53,990 --> 01:53:50,310

they had photographed a number of hot

2034

01:53:56,359 --> 01:53:54,000

spots this was a terminology used on

2035

01:53:59,260 --> 01:53:56,369

Mars hot spots

2036

01:54:04,100 --> 01:53:59,270

now Mars is considered be pretty much

2037

01:54:06,229 --> 01:54:04,110

geologically dead but something down

2038

01:54:10,030 --> 01:54:06,239

there was generating heat then they

2039

01:54:13,040 --> 01:54:10,040

photographed a huge ellipsoid shadow

2040

01:54:15,950 --> 01:54:13,050

that was reflecting back off of the

2041

01:54:17,870 --> 01:54:15,960

Martian atmosphere now Mars does have an

2042

01:54:22,160 --> 01:54:17,880

atmosphere not one that we can breathe

2043

01:54:26,540 --> 01:54:22,170

but nonetheless it's there then they

2044

01:54:31,510 --> 01:54:26,550

photograph something off of the limb of

2045

01:54:35,540 --> 01:54:31,520

foe of Phobos that the Russians said

2046

01:54:42,290 --> 01:54:35,550

unbelievably was 15 and a half miles

2047

01:54:44,510 --> 01:54:42,300

long and a mile in diameter I read about

2048

01:54:46,490 --> 01:54:44,520

this before I know the case I know what

2049

01:54:50,270 --> 01:54:46,500

you're talking about when this object

2050

01:54:54,109 --> 01:54:50,280

turned toward their craft and rammed it

2051
01:54:58,030 --> 01:54:54,119
and destroyed the Phobos two craft right

2052
01:55:02,750 --> 01:54:58,040
now that was I got that directly from

2053
01:55:04,859 --> 01:55:02,760
Colonel marina Popovich who was their

2054
01:55:07,830 --> 01:55:04,869
female version of General

2055
01:55:11,250 --> 01:55:07,840
Chuck Yeager she had more aviation

2056
01:55:13,679 --> 01:55:11,260
records than anybody else in well she's

2057
01:55:16,799 --> 01:55:13,689
one of the top aviators in the world she

2058
01:55:19,889 --> 01:55:16,809
was also a trained cosmonaut and her

2059
01:55:24,299 --> 01:55:19,899
husband ex-husband was general Pavel

2060
01:55:27,659 --> 01:55:24,309
Popovich who until he ran off with his

2061
01:55:29,790 --> 01:55:27,669
secretary and left his wife okay had

2062
01:55:33,049 --> 01:55:29,800
been the first human being to rendezvous

2063
01:55:37,909 --> 01:55:33,059

with another spacecraft in orbit back in

2064

01:55:42,389 --> 01:55:37,919

1962 so this this story created quite a

2065

01:55:45,389 --> 01:55:42,399

crunch at the time Wow well thank you

2066

01:55:48,989 --> 01:55:45,399

dawn this is going to be it for the end

2067

01:55:51,119 --> 01:55:48,999

of the show and do have a web site or if

2068

01:55:52,799 --> 01:55:51,129
