

1  
00:00:08,810 --> 00:00:07,039  
and it hits me oh my gosh this is that

2  
00:00:10,009 --> 00:00:08,820  
triangle you know there's explanation

3  
00:00:13,580 --> 00:00:10,019  
for everything that occurred in the

4  
00:00:16,670 --> 00:00:13,590  
Rendlesham forest incident it was

5  
00:00:21,859 --> 00:00:16,680  
completely silent it comes right over

6  
00:00:23,689 --> 00:00:21,869  
our heads really standing the Clery he

7  
00:00:25,310 --> 00:00:23,699  
turned over to my father held his hand

8  
00:00:32,030 --> 00:00:25,320  
and he looked in his eyes and said we're

9  
00:00:34,940 --> 00:00:32,040  
not alone welcome to podcast UFO for our

10  
00:00:37,400 --> 00:00:34,950  
live show we're live every Wednesday at

11  
00:00:39,979 --> 00:00:37,410  
8 p.m. Eastern Standard Time on the dark

12  
00:00:43,639 --> 00:00:39,989  
matter radio network please remember to

13  
00:00:46,940 --> 00:00:43,649

visit the website podcast UFO comm for

14

00:00:48,830 --> 00:00:46,950

past episodes blogs and forums during

15

00:00:51,380 --> 00:00:48,840

the show feel free to participate live

16

00:00:54,040 --> 00:00:51,390

in our chat room and don't forget to

17

00:00:57,139 --> 00:00:54,050

like us on our very active Facebook page

18

00:00:59,990 --> 00:00:57,149

hello and welcome to the show this is

19

00:01:02,119 --> 00:01:00,000

Martyn Willis your host and we have ray

20

00:01:05,149 --> 00:01:02,129

Hernandez coming up as our guest tonight

21

00:01:06,859 --> 00:01:05,159

Alejandro is waiting in the wings for

22

00:01:08,690 --> 00:01:06,869

the news he'll be coming up in just a

23

00:01:10,580 --> 00:01:08,700

minute but before that I have a little

24

00:01:12,710 --> 00:01:10,590

bit of housekeeping I want to thank

25

00:01:14,719 --> 00:01:12,720

everyone for their support if you're

26  
00:01:16,760 --> 00:01:14,729  
thinking about supporting the show and

27  
00:01:19,280 --> 00:01:16,770  
you haven't done it yet we'll hold on

28  
00:01:20,929 --> 00:01:19,290  
don't don't don't go ahead and do that

29  
00:01:23,840 --> 00:01:20,939  
and I'll tell you why because I'm I

30  
00:01:26,179 --> 00:01:23,850  
received a call from the CEO of get

31  
00:01:29,300 --> 00:01:26,189  
Joyride that's the platform on how we

32  
00:01:32,390 --> 00:01:29,310  
support the second part of the

33  
00:01:34,010 --> 00:01:32,400  
subscription base and they told me they

34  
00:01:36,200 --> 00:01:34,020  
had some good news which ended up being

35  
00:01:37,760 --> 00:01:36,210  
that they're closing September 30th I

36  
00:01:38,569 --> 00:01:37,770  
still haven't figured out why that's

37  
00:01:40,520 --> 00:01:38,579  
good news

38  
00:01:42,710 --> 00:01:40,530

anyway I need your help if you're a

39

00:01:44,660 --> 00:01:42,720

listener and you're a geek or partial

40

00:01:46,359 --> 00:01:44,670

geek or whatever I need to figure out

41

00:01:49,280 --> 00:01:46,369

another platform that's going to help me

42

00:01:51,889 --> 00:01:49,290

do what I intend to do I did contact

43

00:01:55,730 --> 00:01:51,899

lips and and they take basically a

44

00:01:58,880 --> 00:01:55,740

dollar per subscriber per month so I

45

00:02:01,580 --> 00:01:58,890

have so many \$1 per subscribers that

46

00:02:03,380 --> 00:02:01,590

that's not going to work so I need to

47

00:02:05,539 --> 00:02:03,390

find another platform if anyone has any

48

00:02:09,499 --> 00:02:05,549

ideas out there please email me at

49

00:02:11,119 --> 00:02:09,509

Martin at podcast UFO comm now there is

50

00:02:13,220 --> 00:02:11,129

a spam stopper so you're gonna have to

51  
00:02:13,640 --> 00:02:13,230  
confirm your email because I still get a

52  
00:02:15,559 --> 00:02:13,650  
lot of

53  
00:02:17,600 --> 00:02:15,569  
and even though I have that but you know

54  
00:02:19,009 --> 00:02:17,610  
that's enough babbling for me I thank

55  
00:02:22,039 --> 00:02:19,019  
each and every listener whether you can

56  
00:02:24,770 --> 00:02:22,049  
help us out or not and we are ready to

57  
00:02:30,050 --> 00:02:24,780  
move on with Alejandro how are you I'm

58  
00:02:32,119 --> 00:02:30,060  
doing well my friend good good so you're

59  
00:02:35,599 --> 00:02:32,129  
gonna be on the beach coming up here

60  
00:02:37,580 --> 00:02:35,609  
again yeah I love the beach I'm addicted

61  
00:02:38,030 --> 00:02:37,590  
to the beach and you live in the devil

62  
00:02:40,630 --> 00:02:38,040  
of it

63  
00:02:45,530 --> 00:02:40,640

yeah and I'm in the desert but luckily

64

00:02:49,309 --> 00:02:45,540

I'm not far from the beach so San Diego

65

00:02:53,960 --> 00:02:49,319

is a short ride from Phoenix about four

66

00:02:57,410 --> 00:02:53,970

or so hours so I love to skedaddle it on

67

00:03:00,920 --> 00:02:57,420

out to the beach as much as possible so

68

00:03:03,319 --> 00:03:00,930

we're actually going to Del Mar oh yeah

69

00:03:06,649 --> 00:03:03,329

got a condo out there for a few days and

70

00:03:08,509 --> 00:03:06,659

it's just delightful now is there some

71

00:03:11,390 --> 00:03:08,519

type of road issue didn't I hear

72

00:03:15,349 --> 00:03:11,400

something about there's a some type of

73

00:03:16,789 --> 00:03:15,359

road closure in between am I thinking of

74

00:03:20,659 --> 00:03:16,799

Las Vegas that's what I'm thinking of I

75

00:03:22,610 --> 00:03:20,669

guess well there was a road closure not

76

00:03:24,920 --> 00:03:22,620

too long ago I forgot what happened I

77

00:03:28,250 --> 00:03:24,930

think part of the road washed out or hmm

78

00:03:32,240 --> 00:03:28,260

giant giant scorpion ate it or something

79

00:03:35,270 --> 00:03:32,250

like that I can't remember but the path

80

00:03:38,809 --> 00:03:35,280

that I'm taking skirts along the border

81

00:03:40,939 --> 00:03:38,819

with Mexico and it is all free and clear

82

00:03:45,110 --> 00:03:40,949

it's kind of funny actually a few years

83

00:03:47,420 --> 00:03:45,120

ago the sheriff out in Pinal County and

84

00:03:49,520 --> 00:03:47,430

and everybody knows Joe Arpaio the

85

00:03:54,080 --> 00:03:49,530

sheriff out here they were saying that

86

00:03:56,300 --> 00:03:54,090

it was this area was over ran by Mexican

87

00:03:56,960 --> 00:03:56,310

cartels and stuff and it completely

88

00:03:59,899 --> 00:03:56,970

untrue

89

00:04:02,680 --> 00:03:59,909

they were totally lying for political

90

00:04:07,309 --> 00:04:02,690

reasons so it's actually a very safe and

91

00:04:09,680 --> 00:04:07,319

clear and quick route Wow

92

00:04:11,000 --> 00:04:09,690

no worries look for Donald Trump while

93

00:04:14,390 --> 00:04:11,010

you driving through there you never know

94

00:04:18,469 --> 00:04:14,400

never seen a giant scorpion if I see

95

00:04:19,699 --> 00:04:18,479

Trump that would be horrifying alright

96

00:04:23,240 --> 00:04:19,709

so what's going on from the news this

97

00:04:24,350 --> 00:04:23,250

week the news so I want to talk UFO

98

00:04:27,499 --> 00:04:24,360

Triangle

99

00:04:29,300 --> 00:04:27,509

so triangular UFOs because we've got a

100

00:04:31,730 --> 00:04:29,310

lot of stories on those lately

101  
00:04:33,529 --> 00:04:31,740  
in fact our UFO report that's going to

102  
00:04:35,390 --> 00:04:33,539  
be coming out on our YouTube page on

103  
00:04:37,070 --> 00:04:35,400  
Friday we're going to show you some of

104  
00:04:39,529 --> 00:04:37,080  
these pictures and videos because I

105  
00:04:41,270 --> 00:04:39,539  
think they're pretty cool but yeah I'm

106  
00:04:42,890 --> 00:04:41,280  
gonna go over some of the stories that

107  
00:04:44,420 --> 00:04:42,900  
we've had I think we covered one of

108  
00:04:46,790 --> 00:04:44,430  
those last week but we've gotten some

109  
00:04:49,399 --> 00:04:46,800  
more since so and there's a progression

110  
00:04:51,800 --> 00:04:49,409  
to these stories so the first story is

111  
00:04:52,580 --> 00:04:51,810  
kind of a and the second story is like a

112  
00:04:54,950 --> 00:04:52,590  
hmm

113  
00:04:59,959 --> 00:04:54,960

the third story though it's more of a

114

00:05:00,469 --> 00:04:59,969

whoa hmm okay exciting huh hmm you ready

115

00:05:04,430 --> 00:05:00,479

for it

116

00:05:09,170 --> 00:05:04,440

yeah so let's do that yeah so okay this

117

00:05:12,649 --> 00:05:09,180

took place on August 22nd it was about

118

00:05:14,659 --> 00:05:12,659

9:50 p.m. and there's his family that

119

00:05:17,390 --> 00:05:14,669

had some friends over in Pennsylvania

120

00:05:19,610 --> 00:05:17,400

and they were having dinner after they

121

00:05:22,369 --> 00:05:19,620

finished dinner they went and hugged

122

00:05:24,050 --> 00:05:22,379

their friends goodbye but as they went

123

00:05:26,059 --> 00:05:24,060

outside they were leaving you know one

124

00:05:28,219 --> 00:05:26,069

of them said hey what's that so they

125

00:05:30,320 --> 00:05:28,229

looked over and they saw these three

126  
00:05:34,010 --> 00:05:30,330  
lights in a triangular formation over

127  
00:05:36,170 --> 00:05:34,020  
the trees they kept staring at it and

128  
00:05:39,140 --> 00:05:36,180  
they felt like it got larger and was

129  
00:05:41,629 --> 00:05:39,150  
coming towards them they said that the

130  
00:05:44,570 --> 00:05:41,639  
triangular lights were orange reddish

131  
00:05:46,760 --> 00:05:44,580  
and they kept getting appeared to get

132  
00:05:48,920 --> 00:05:46,770  
closer and closer so they were getting

133  
00:05:52,640 --> 00:05:48,930  
real excited they were scrambling to try

134  
00:05:54,980 --> 00:05:52,650  
to take a video or a picture but as you

135  
00:05:57,290 --> 00:05:54,990  
know we've talked about before it's

136  
00:05:59,540 --> 00:05:57,300  
difficult to get points of light at the

137  
00:06:02,540 --> 00:05:59,550  
night and there their phones weren't

138  
00:06:05,409 --> 00:06:02,550

really picking it up so they watched it

139

00:06:08,779 --> 00:06:05,419

then one of the lights on the bottom

140

00:06:10,969 --> 00:06:08,789

slowly faded out a few seconds later

141

00:06:13,249 --> 00:06:10,979

another one faded out and then a few

142

00:06:15,769 --> 00:06:13,259

seconds later the third one faded out

143

00:06:18,369 --> 00:06:15,779

and they said they stood there stunned

144

00:06:20,779 --> 00:06:18,379

in silence kind of staring at each other

145

00:06:24,369 --> 00:06:20,789

then they all said their goodbyes and

146

00:06:28,369 --> 00:06:24,379

went their merry ways why is it that and

147

00:06:31,640 --> 00:06:28,379

well first being reddish orangish red

148

00:06:34,579 --> 00:06:31,650

flag there that's what Chinese lanterns

149

00:06:36,980 --> 00:06:34,589

are like and then the fading out because

150

00:06:37,779 --> 00:06:36,990

that's exactly what happens is you know

151  
00:06:40,360 --> 00:06:37,789  
they all

152  
00:06:42,339 --> 00:06:40,370  
out in the order that they were floated

153  
00:06:44,290 --> 00:06:42,349  
in the air they just kind of fade out

154  
00:06:46,719 --> 00:06:44,300  
one at a time so it's a perfect

155  
00:06:50,379 --> 00:06:46,729  
description of what Chinese lanterns

156  
00:06:53,140 --> 00:06:50,389  
would do so that's why I'm a little bit

157  
00:06:55,390 --> 00:06:53,150  
skeptical of this one and you know it's

158  
00:06:56,709 --> 00:06:55,400  
it's hard because lights at night you

159  
00:06:58,659 --> 00:06:56,719  
know I've seen these things

160  
00:06:59,890 --> 00:06:58,669  
maybe you some of the listeners have as

161  
00:07:01,809 --> 00:06:59,900  
well I've got video

162  
00:07:03,549 --> 00:07:01,819  
they look really weird you know they

163  
00:07:05,760 --> 00:07:03,559

look strange when you have these points

164

00:07:08,529 --> 00:07:05,770

of lights in the sky that aren't too far

165

00:07:10,839 --> 00:07:08,539

and they can look like part of a solid

166

00:07:13,360 --> 00:07:10,849

object when they're moving together but

167

00:07:15,820 --> 00:07:13,370

I I think this is a case of Chinese

168

00:07:18,459 --> 00:07:15,830

lanterns could be but sort of triangular

169

00:07:20,409 --> 00:07:18,469

but just also keep in mind that that's

170

00:07:22,959 --> 00:07:20,419

what the Phoenix lights did they

171

00:07:25,019 --> 00:07:22,969

flickered out and back on again but

172

00:07:28,480 --> 00:07:25,029

these didn't flicker back on obviously

173

00:07:30,579 --> 00:07:28,490

well and I'm you know a firm belief that

174

00:07:33,790 --> 00:07:30,589

at least the later lights not all of

175

00:07:37,480 --> 00:07:33,800

them but the later lights of the the

176

00:07:40,179 --> 00:07:37,490

Phoenix lights were not lanterns but

177

00:07:41,980 --> 00:07:40,189

flares yeah I've got videos of those

178

00:07:44,139 --> 00:07:41,990

from the same place I think they weren't

179

00:07:46,959 --> 00:07:44,149

goldwater from my house here in Phoenix

180

00:07:48,369 --> 00:07:46,969

over-the-air you see them often but

181

00:07:50,320 --> 00:07:48,379

anyway here's the one that's a little

182

00:07:54,219 --> 00:07:50,330

more interesting do you ready for this

183

00:07:57,579 --> 00:07:54,229

one yeah so this is January 7th 2015 but

184

00:08:01,480 --> 00:07:57,589

it was just submitted recently this was

185

00:08:04,749 --> 00:08:01,490

a guy driving home towards Phoenixville

186

00:08:08,309 --> 00:08:04,759

in Pennsylvania and he saw a strange

187

00:08:10,929 --> 00:08:08,319

light she saw actually a strange light

188

00:08:12,369 --> 00:08:10,939

she thought maybe it was plane she saw

189

00:08:14,409 --> 00:08:12,379

three of them it looked like a

190

00:08:15,790 --> 00:08:14,419

triangular well she couldn't tell what

191

00:08:19,420 --> 00:08:15,800

it was actually she said it they were

192

00:08:21,610 --> 00:08:19,430

just really bright as she got closer to

193

00:08:23,799 --> 00:08:21,620

the lights she decided wow those are way

194

00:08:27,429 --> 00:08:23,809

too bright to be a helicopter or a plane

195

00:08:28,899 --> 00:08:27,439

and she says that there was no noise she

196

00:08:30,339 --> 00:08:28,909

wanted to pull over but she was on the

197

00:08:31,779 --> 00:08:30,349

highway and there was traffic so she

198

00:08:34,269 --> 00:08:31,789

didn't think it would be safe at the

199

00:08:36,550 --> 00:08:34,279

time once she passed but during this

200

00:08:38,559 --> 00:08:36,560

time she's taking pictures with her

201  
00:08:40,360 --> 00:08:38,569  
phone she took a bunch of them and you

202  
00:08:43,209 --> 00:08:40,370  
do see these triangular you know these

203  
00:08:47,470 --> 00:08:43,219  
three three or four lights together in a

204  
00:08:49,960 --> 00:08:47,480  
pattern and once she got past the light

205  
00:08:52,689 --> 00:08:49,970  
she said she was able to look back

206  
00:08:57,490 --> 00:08:52,699  
and see that it was a triangular-shaped

207  
00:09:00,220 --> 00:08:57,500  
craft hmm with these bright lights on

208  
00:09:03,069 --> 00:09:00,230  
each corner so and she took a bunch of

209  
00:09:07,300 --> 00:09:03,079  
pictures this one's kind of a hmm

210  
00:09:08,530 --> 00:09:07,310  
because he could be an aircraft I think

211  
00:09:10,569 --> 00:09:08,540  
it wanted the pictures though it looks

212  
00:09:13,030 --> 00:09:10,579  
like for light so it could be two

213  
00:09:14,769 --> 00:09:13,040

headlights two lights on each side of

214

00:09:18,100 --> 00:09:14,779

the wings but all of the lights are

215

00:09:20,050 --> 00:09:18,110

white and they are kind of interesting

216

00:09:21,999 --> 00:09:20,060

pictures so I looked for people to kind

217

00:09:24,129 --> 00:09:22,009

of take a look at that and let us know

218

00:09:27,309 --> 00:09:24,139

what you think so that one's a little

219

00:09:29,410 --> 00:09:27,319

more interesting not so easy to figure

220

00:09:32,110 --> 00:09:29,420

out what the heck that was yeah so all

221

00:09:34,740 --> 00:09:32,120

these stories will be in our show notes

222

00:09:38,009 --> 00:09:34,750

links to them that'll bounce over to

223

00:09:40,600 --> 00:09:38,019

open minds TV

224

00:09:43,960 --> 00:09:40,610

they better they will that is if you

225

00:09:47,319 --> 00:09:43,970

send me the links and we'll do all right

226

00:09:50,110 --> 00:09:47,329

so what's the fantastic oh yeah this is

227

00:09:52,869 --> 00:09:50,120

a cool one because you know as we talked

228

00:09:54,699 --> 00:09:52,879

about on this show so often you know

229

00:09:56,350 --> 00:09:54,709

like that last one it could be something

230

00:09:58,329 --> 00:09:56,360

but it's probably this kind of things

231

00:10:00,040 --> 00:09:58,339

this is one where I don't know what the

232

00:10:02,290 --> 00:10:00,050

heck this is you know this one's weird

233

00:10:05,259 --> 00:10:02,300

this was another one that was videotaped

234

00:10:08,170 --> 00:10:05,269

this is in Mississippi this one took

235

00:10:11,259 --> 00:10:08,180

place in February of 2015 this was a

236

00:10:14,980 --> 00:10:11,269

lady who says she's a 15-year ufologist

237

00:10:17,170 --> 00:10:14,990

in Memphis in the Memphis area so she

238

00:10:18,999 --> 00:10:17,180

said that she had been seeing for like a

239

00:10:23,170 --> 00:10:19,009

week these bright lights in this one

240

00:10:26,019 --> 00:10:23,180

area so finally one day at it was nearly

241

00:10:28,869 --> 00:10:26,029

1:00 a.m. she was able to see them so

242

00:10:31,119 --> 00:10:28,879

she runs outside to go videotape them

243

00:10:33,670 --> 00:10:31,129

and she did videotape them and it's a

244

00:10:36,759 --> 00:10:33,680

very interesting video of this cluster

245

00:10:39,009 --> 00:10:36,769

of lights it's really weird she only got

246

00:10:41,139 --> 00:10:39,019

20 seconds because it had just snowed

247

00:10:43,269 --> 00:10:41,149

and she didn't even put on her shoes

248

00:10:45,610 --> 00:10:43,279

because she wanted to capture it so she

249

00:10:47,079 --> 00:10:45,620

was walking in the snow and she just

250

00:10:49,990 --> 00:10:47,089

couldn't take it anymore she had to run

251  
00:10:52,240 --> 00:10:50,000  
back inside but she watched these bright

252  
00:10:54,610 --> 00:10:52,250  
lights she says we're in a triangular

253  
00:10:56,910 --> 00:10:54,620  
formation over the cornfields

254  
00:11:01,629 --> 00:10:56,920  
for about 20 minutes before they just

255  
00:11:03,160 --> 00:11:01,639  
vanished she said that it appeared that

256  
00:11:05,650 --> 00:11:03,170  
there were

257  
00:11:10,270 --> 00:11:05,660  
smaller orbs being ejected from this

258  
00:11:13,360 --> 00:11:10,280  
larger object that and that it was maybe

259  
00:11:15,940 --> 00:11:13,370  
only a hundred feet off the ground so

260  
00:11:19,930 --> 00:11:15,950  
this is a really weird one it was

261  
00:11:21,730 --> 00:11:19,940  
investigated by mark port a MUFON field

262  
00:11:23,260 --> 00:11:21,740  
investigator and he closed it as an

263  
00:11:24,640 --> 00:11:23,270

unknown just saying that they he

264

00:11:26,710 --> 00:11:24,650

couldn't figure out what it was either

265

00:11:28,270 --> 00:11:26,720

it's interesting that she claims that

266

00:11:30,220 --> 00:11:28,280

the lights were in the triangular

267

00:11:31,360 --> 00:11:30,230

formation because they don't look like

268

00:11:36,040 --> 00:11:31,370

that at all

269

00:11:38,410 --> 00:11:36,050

in the video however in the video you

270

00:11:41,050 --> 00:11:38,420

have a cluster of lights as what you see

271

00:11:42,730 --> 00:11:41,060

and they're all different shape they

272

00:11:46,510 --> 00:11:42,740

seem to almost be in different

273

00:11:49,210 --> 00:11:46,520

directions it's just very strange these

274

00:11:52,360 --> 00:11:49,220

lights I can't figure out what this

275

00:11:55,210 --> 00:11:52,370

might be I'd love for people to go take

276

00:11:57,250 --> 00:11:55,220

a look and maybe make some comments if

277

00:11:59,350 --> 00:11:57,260

they can figure out what this is but

278

00:12:01,810 --> 00:11:59,360

yeah this is the story hovering triangle

279

00:12:05,680 --> 00:12:01,820

UFO video taped by Mississippi witness

280

00:12:07,120 --> 00:12:05,690

all of these by the way were contributed

281

00:12:08,890 --> 00:12:07,130

these are articles written by Roger

282

00:12:10,840 --> 00:12:08,900

Marsh who's a MUFON director of

283

00:12:12,790 --> 00:12:10,850

communications and he keeps an eye on

284

00:12:14,890 --> 00:12:12,800

this and what he's been doing is going

285

00:12:18,130 --> 00:12:14,900

and look at in our picture and video

286

00:12:19,920 --> 00:12:18,140

cases that have been investigated and

287

00:12:21,820 --> 00:12:19,930

determined to be unknown by the

288

00:12:23,950 --> 00:12:21,830

investigator and then posting some

289

00:12:25,570 --> 00:12:23,960  
stories on this so this is a Trevor

290

00:12:28,240 --> 00:12:25,580  
treasure-trove I think of some of the

291

00:12:30,340 --> 00:12:28,250  
best UFO stuff and this is one this is a

292

00:12:32,860 --> 00:12:30,350  
really good video this one's got me

293

00:12:35,110 --> 00:12:32,870  
scratching my head it is and we talked

294

00:12:39,550 --> 00:12:35,120  
about it a little bit on your show and

295

00:12:42,460 --> 00:12:39,560  
yeah check out that video it is really

296

00:12:44,650 --> 00:12:42,470  
strange the way I think I said they're

297

00:12:47,320 --> 00:12:44,660  
like omnidirectional in other words

298

00:12:49,420 --> 00:12:47,330  
they're the clusters of Lights seem to

299

00:12:52,410 --> 00:12:49,430  
be facing out pointing out in different

300

00:12:55,780 --> 00:12:52,420  
directions and it's really bizarre

301  
00:12:58,780 --> 00:12:55,790  
footage so check that out again you can

302  
00:13:01,020 --> 00:12:58,790  
go through the show notes and it's right

303  
00:13:03,220 --> 00:13:01,030  
on open minds dot TV

304  
00:13:05,440 --> 00:13:03,230  
Alejandro will you have yourself a great

305  
00:13:08,590 --> 00:13:05,450  
time at the beach yeah what are you

306  
00:13:11,350 --> 00:13:08,600  
gonna do anything special I know you

307  
00:13:13,090 --> 00:13:11,360  
know I mean what they call vacation land

308  
00:13:16,270 --> 00:13:13,100  
it's right on our license plate in Maine

309  
00:13:16,460 --> 00:13:16,280  
and people sit for hours and hours on

310  
00:13:19,640 --> 00:13:16,470  
the

311  
00:13:21,830 --> 00:13:19,650  
Turnpike so I am not going anywhere I

312  
00:13:23,810 --> 00:13:21,840  
don't think I live right by a lake I

313  
00:13:25,940 --> 00:13:23,820

live where everybody wants to go so I

314

00:13:27,770 --> 00:13:25,950

might as well stay yeah might as well

315

00:13:31,490 --> 00:13:27,780

that's great I want to move by the beach

316

00:13:33,020 --> 00:13:31,500

one day yeah I can tell

317

00:13:34,880 --> 00:13:33,030

all right well we'll be talking to you

318

00:13:36,950 --> 00:13:34,890

next week Alejandro have a good one all

319

00:13:38,360 --> 00:13:36,960

right you two talk you later buddy talk

320

00:13:39,860 --> 00:13:38,370

to you later so hang in there everyone

321

00:14:54,110 --> 00:13:39,870

for the quick little music break and

322

00:14:59,520 --> 00:14:57,390

that clip was provided by one of the

323

00:15:00,570 --> 00:14:59,530

fans of the show Bruce Renier I believe

324

00:15:03,410 --> 00:15:00,580

he's up in Canada

325

00:15:09,420 --> 00:15:03,420

Thank You Bruce and on the line we have

326

00:15:12,270 --> 00:15:09,430

Rey Hernandez how are you ray I'm great

327

00:15:14,460 --> 00:15:12,280

doing well and we're gonna talk about

328

00:15:16,740 --> 00:15:14,470

all different types of things we get you

329

00:15:17,970 --> 00:15:16,750

know an hour and 45 minutes or so we're

330

00:15:20,640 --> 00:15:17,980

gonna take a break at the top of the

331

00:15:25,410 --> 00:15:20,650

hour but before we get into the nuts and

332

00:15:28,040 --> 00:15:25,420

the bolts of what free is doing and all

333

00:15:32,100 --> 00:15:28,050

that I wanted to find out who is Rey

334

00:15:34,500 --> 00:15:32,110

Hernandez and I understand you're an IRS

335

00:15:39,810 --> 00:15:34,510

tax attorney or you currently are you

336

00:15:42,840 --> 00:15:39,820

were estate tax estate tax I've been an

337

00:15:44,010 --> 00:15:42,850

IRS estate tax attorney which is an

338

00:15:46,980 --> 00:15:44,020

inheritance tax for the

339

00:15:49,380 --> 00:15:46,990

multimillionaires and we won't go after

340

00:15:52,320 --> 00:15:49,390

you want unless you die with more than

341

00:15:54,780 --> 00:15:52,330

five million dollars of net assets well

342

00:15:58,230 --> 00:15:54,790

you know I wonder if our paths of cross

343

00:16:01,380 --> 00:15:58,240

I I praise to Merv Griffin's entire

344

00:16:04,410 --> 00:16:01,390

estate all his properties and after he

345

00:16:07,560 --> 00:16:04,420

passed away and certainly was you know

346

00:16:09,840 --> 00:16:07,570

well above that but it's kind of funny

347

00:16:12,470 --> 00:16:09,850

I'm an estate appraiser that's what I do

348

00:16:15,590 --> 00:16:12,480

so it's kind of funny how you never know

349

00:16:19,830 --> 00:16:15,600

you never know I mainly deal with

350

00:16:22,530 --> 00:16:19,840

accountants CPAs and attorneys but

351  
00:16:26,070 --> 00:16:22,540  
previous to that my experience there I

352  
00:16:30,000 --> 00:16:26,080  
was an academic at the City University

353  
00:16:32,700 --> 00:16:30,010  
of New York and I also taught at other

354  
00:16:38,940 --> 00:16:32,710  
universities and I was a director of two

355  
00:16:41,760 --> 00:16:38,950  
major programs one was as a director for

356  
00:16:44,070 --> 00:16:41,770  
the City University of New York for an

357  
00:16:46,110 --> 00:16:44,080  
environmental study sub-project and the

358  
00:16:49,250 --> 00:16:46,120  
other one was with the city of New York

359  
00:16:52,770 --> 00:16:49,260  
I was a director of the Office of

360  
00:16:55,470 --> 00:16:52,780  
Environmental Quality where I supervised

361  
00:16:57,810 --> 00:16:55,480  
a very large staff doing innovative

362  
00:17:00,450 --> 00:16:57,820  
environmental work and previous to that

363  
00:17:03,840 --> 00:17:00,460

I I went to University of California

364

00:17:05,540 --> 00:17:03,850

Berkeley where I was a PhD student in

365

00:17:08,840 --> 00:17:05,550

City and regional planning

366

00:17:11,060 --> 00:17:08,850

and I have finished all of my coursework

367

00:17:14,990 --> 00:17:11,070

and when I was writing my dissertation

368

00:17:17,660 --> 00:17:15,000

my ex-wife got a brain aneurysm which I

369

00:17:19,880 --> 00:17:17,670

was never able to complete my

370

00:17:22,699 --> 00:17:19,890

dissertation because I hadn't undertake

371

00:17:25,100 --> 00:17:22,709

two full-time jobs that two little

372

00:17:29,540 --> 00:17:25,110

babies to take care of in a wife that

373

00:17:31,340 --> 00:17:29,550

was not very well and and previous to

374

00:17:34,340 --> 00:17:31,350

that I went to Cornell University for a

375

00:17:37,160 --> 00:17:34,350

master's degree and again pretty much

376

00:17:39,470 --> 00:17:37,170

all straight A's in all these studies so

377

00:17:41,480 --> 00:17:39,480

if it wasn't for my ex-wife having a

378

00:17:44,810 --> 00:17:41,490

brain aneurysm I would be an academic

379

00:17:47,900 --> 00:17:44,820

faculty at a major university somewhere

380

00:17:49,760 --> 00:17:47,910

in the United States now and presently

381

00:17:52,640 --> 00:17:49,770

what you're doing for a job it would

382

00:17:54,890 --> 00:17:52,650

seem like it would take a lot of time in

383

00:17:57,470 --> 00:17:54,900

other words up seems like a job like

384

00:18:00,920 --> 00:17:57,480

that is a least of you know 40-hour a

385

00:18:04,010 --> 00:18:00,930

week plus commute type of position or

386

00:18:06,170 --> 00:18:04,020

more so how do you find time to do this

387

00:18:09,170 --> 00:18:06,180

other work that we're doing it's it's

388

00:18:15,560 --> 00:18:09,180

extremely difficult I basically have no

389

00:18:17,450 --> 00:18:15,570

life after my IRS work I I don't have

390

00:18:19,610 --> 00:18:17,460

personal time to tell you the truth I do

391

00:18:21,560 --> 00:18:19,620

have a thirteen year old daughter and a

392

00:18:25,900 --> 00:18:21,570

wife and so they're always demanding my

393

00:18:29,830 --> 00:18:25,910

time and it is very difficult trying to

394

00:18:33,110 --> 00:18:29,840

to meet the needs of a job of a family

395

00:18:38,120 --> 00:18:33,120

and to do this work would free because

396

00:18:41,300 --> 00:18:38,130

as you know we have eleven elite members

397

00:18:43,070 --> 00:18:41,310

as part of our group the most well-known

398

00:18:46,730 --> 00:18:43,080

is dr. Edgar Mitchell is one of the

399

00:18:49,400 --> 00:18:46,740

cofounders of free and and dr. rudy

400

00:18:51,800 --> 00:18:49,410

shields so it's a it takes a lot a lot

401  
00:18:53,870 --> 00:18:51,810  
out of their time as well with the work

402  
00:18:57,560 --> 00:18:53,880  
of free but slowly but slowly we're

403  
00:18:59,210 --> 00:18:57,570  
we're making progress right right I just

404  
00:19:01,220 --> 00:18:59,220  
want to tell the live listener out there

405  
00:19:04,760 --> 00:19:01,230  
where we are if you're listening live on

406  
00:19:06,590 --> 00:19:04,770  
the Dark Matter digital network or the I

407  
00:19:08,930 --> 00:19:06,600  
forget the radio station wherever this

408  
00:19:11,300 --> 00:19:08,940  
goes out on you can jump over to podcast

409  
00:19:13,790 --> 00:19:11,310  
UFO com we have a chat room that you're

410  
00:19:15,470 --> 00:19:13,800  
welcome to engage in we have a question

411  
00:19:18,530 --> 00:19:15,480  
up there now I'll get to that in just a

412  
00:19:20,870 --> 00:19:18,540  
minute and you can also call on the show

413  
00:19:24,080 --> 00:19:20,880

have a live line here at six oh three

414

00:19:25,610 --> 00:19:24,090

nine six seven four oh three oh and if

415

00:19:28,100 --> 00:19:25,620

you do call in you're going to be taken

416

00:19:34,640 --> 00:19:28,110

in live so watch your language if that

417

00:19:36,530 --> 00:19:34,650

happens so so and let's go back now if I

418

00:19:39,230 --> 00:19:36,540

remember right and pardon me if I get

419

00:19:40,070 --> 00:19:39,240

this wrong but are you it an experience

420

00:19:43,250 --> 00:19:40,080

or yourself

421

00:19:47,000 --> 00:19:43,260

oh yes yes and my entire family is my

422

00:19:49,700 --> 00:19:47,010

wife my daughter and myself I've had

423

00:19:53,060 --> 00:19:49,710

numerous experiences then which is

424

00:19:59,720 --> 00:19:53,070

highlight up just a couple of them there

425

00:20:03,650 --> 00:19:59,730

was a a a metallic little craft of my

426

00:20:05,630 --> 00:20:03,660

wife saw inside our living room and and

427

00:20:08,600 --> 00:20:05,640

let me give you a little background for

428

00:20:10,820 --> 00:20:08,610

that our we had a 16 year old dog at

429

00:20:14,150 --> 00:20:10,830

Jack Russell Terrier that was very very

430

00:20:16,850 --> 00:20:14,160

ill before she had her stroke

431

00:20:18,790 --> 00:20:16,860

so she was walking around like an old

432

00:20:21,650 --> 00:20:18,800

lady on crutches you know limping around

433

00:20:23,480 --> 00:20:21,660

she had been taking tons of medications

434

00:20:26,570 --> 00:20:23,490

and we just you know did not want to put

435

00:20:28,700 --> 00:20:26,580

her to sleep and so what happened on the

436

00:20:32,900 --> 00:20:28,710

Saturday night at about 7 or 8 o'clock

437

00:20:35,150 --> 00:20:32,910

in the evening a stroke our door got a

438

00:20:37,670 --> 00:20:35,160

stroke and basically became totally

439

00:20:39,620 --> 00:20:37,680

paralyzed from the neck down and we

440

00:20:41,750 --> 00:20:39,630

described the symptoms to our vet it was

441

00:20:44,210 --> 00:20:41,760

a good friend of ours and he said look

442

00:20:45,830 --> 00:20:44,220

at what you taught me appears like Nana

443

00:20:48,740 --> 00:20:45,840

which means little girl in Spanish that

444

00:20:50,710 --> 00:20:48,750

Nana had a stroke and that he says look

445

00:20:52,940 --> 00:20:50,720

I'll open up my office tomorrow Sunday

446

00:20:55,160 --> 00:20:52,950

and we could put her to sleep you know

447

00:20:55,490 --> 00:20:55,170

and my wife wanted a little ceremony for

448

00:20:57,710 --> 00:20:55,500

her

449

00:21:00,950 --> 00:20:57,720

he says fine you know whatever you want

450

00:21:05,150 --> 00:21:00,960

so my wife at that point was very very

451  
00:21:07,190 --> 00:21:05,160  
Catholic she grew up in Mexico you had

452  
00:21:07,400 --> 00:21:07,200  
to be a church like two or three times a

453  
00:21:10,190 --> 00:21:07,410  
week

454  
00:21:11,290 --> 00:21:10,200  
definitely Sunday Mass so she started

455  
00:21:14,630 --> 00:21:11,300  
praying all night

456  
00:21:15,170 --> 00:21:14,640  
for our miraculous cure basically for

457  
00:21:18,350 --> 00:21:15,180  
our daughter

458  
00:21:20,300 --> 00:21:18,360  
so that Sunday morning at 6 o'clock the

459  
00:21:21,590 --> 00:21:20,310  
dog was barking because that's what she

460  
00:21:23,450 --> 00:21:21,600  
could do she couldn't move anything else

461  
00:21:26,060 --> 00:21:23,460  
but she couldn't move her head she can't

462  
00:21:28,310 --> 00:21:26,070  
she could move her head so my wife

463  
00:21:30,440 --> 00:21:28,320

picked her up we saw her he moved her

464

00:21:32,300 --> 00:21:30,450

around and she was still paralyzed so my

465

00:21:34,760 --> 00:21:32,310

wife didn't carried her down the stairs

466

00:21:36,620 --> 00:21:34,770

to bring her to the bathroom to outside

467

00:21:38,480 --> 00:21:36,630

to see if she could do you know her

468

00:21:42,050 --> 00:21:38,490

necessities because we didn't know what

469

00:21:44,630 --> 00:21:42,060

was you know that condition so then I

470

00:21:48,620 --> 00:21:44,640

went back to sleep so then about 15

471

00:21:50,570 --> 00:21:48,630

minutes later my wife not 50 minute

472

00:21:53,810 --> 00:21:50,580

maybe 10 to 15 minutes later my wife is

473

00:21:55,310 --> 00:21:53,820

yelling at me and it was like right and

474

00:21:59,600 --> 00:21:55,320

I totally ignore because it's Sunday

475

00:22:02,000 --> 00:21:59,610

morning at 6 o'clock in the morning so

476

00:22:03,890 --> 00:22:02,010

after all her yelling I told ignored her

477

00:22:06,830 --> 00:22:03,900

she went up there and basically hauled

478

00:22:08,300 --> 00:22:06,840

me out of bed and then she wouldn't tell

479

00:22:10,100 --> 00:22:08,310

me what it was but she says I need to go

480

00:22:13,430 --> 00:22:10,110

downstairs I need to go downstairs and

481

00:22:15,320 --> 00:22:13,440

let me describe what she saw okay but

482

00:22:16,640 --> 00:22:15,330

that was as I said I well I didn't see

483

00:22:19,460 --> 00:22:16,650

what she saw I saw something totally

484

00:22:21,650 --> 00:22:19,470

different what she described was like a

485

00:22:25,520 --> 00:22:21,660

little craft that looked like an upside

486

00:22:27,490 --> 00:22:25,530

down you it was roughly two feet wide by

487

00:22:31,370 --> 00:22:27,500

three feet in height

488

00:22:33,110 --> 00:22:31,380

metallic shape silverish polished and it

489

00:22:34,850 --> 00:22:33,120

had two green lights in the middle did

490

00:22:37,610 --> 00:22:34,860

you say this is actually in the house

491

00:22:39,020 --> 00:22:37,620

itself in our living room Wow in our

492

00:22:42,920 --> 00:22:39,030

living room and again I did not see that

493

00:22:45,770 --> 00:22:42,930

she saw that and so my wife never had

494

00:22:47,540 --> 00:22:45,780

anything UFO related or et or paranormal

495

00:22:49,550 --> 00:22:47,550

related in our lives neither one of us

496

00:22:50,960 --> 00:22:49,560

she knelt down and started praying and

497

00:22:52,460 --> 00:22:50,970

she basically said if you're a bad

498

00:22:56,030 --> 00:22:52,470

spirit get the hell out if you're a good

499

00:22:57,290 --> 00:22:56,040

spirit stay and so and then all of a

500

00:22:59,780 --> 00:22:57,300

sudden these lights are flickering

501  
00:23:03,220 --> 00:22:59,790  
inside and it shot out from the side

502  
00:23:05,330 --> 00:23:03,230  
these white fluorescent lights and then

503  
00:23:08,000 --> 00:23:05,340  
she that's when she started yelling at

504  
00:23:10,520 --> 00:23:08,010  
me to to go downstairs so she hold me

505  
00:23:13,820 --> 00:23:10,530  
out of bed and so she went in front of

506  
00:23:15,350 --> 00:23:13,830  
me and I was right behind her as soon as

507  
00:23:17,930 --> 00:23:15,360  
she got to the bottom of the stairs and

508  
00:23:20,590 --> 00:23:17,940  
I was like one or two flights up she

509  
00:23:23,750 --> 00:23:20,600  
totally disappeared in front of me okay

510  
00:23:26,270 --> 00:23:23,760  
now again what I'm telling you is not

511  
00:23:28,100 --> 00:23:26,280  
rational the way you act with these

512  
00:23:30,200 --> 00:23:28,110  
types of encounters because you probably

513  
00:23:32,690 --> 00:23:30,210

have heard from other experiences that

514

00:23:34,970 --> 00:23:32,700

these entities totally control your

515

00:23:37,430 --> 00:23:34,980

consciousness and your behavior so what

516

00:23:38,870 --> 00:23:37,440

happened immediately like I didn't even

517

00:23:40,820 --> 00:23:38,880

pay attention to my wife having

518

00:23:42,800 --> 00:23:40,830

disappeared I just looked in the corner

519

00:23:46,010 --> 00:23:42,810

of the room and I saw something totally

520

00:23:48,860 --> 00:23:46,020

different what I saw was a flow

521

00:23:51,170 --> 00:23:48,870

loading plasma beam and I call it a

522

00:23:53,060 --> 00:23:51,180

being because it for what I'm about to

523

00:23:55,850 --> 00:23:53,070

tell you let me describe it it was

524

00:23:59,920 --> 00:23:55,860

basically two and a half to three feet

525

00:24:03,490 --> 00:23:59,930

wide about a foot and a half in height

526

00:24:05,600 --> 00:24:03,500

look like pure energy pure plasma

527

00:24:07,400 --> 00:24:05,610

rectangular in shape but it didn't have

528

00:24:10,870 --> 00:24:07,410

any external edges to it because it was

529

00:24:12,950 --> 00:24:10,880

pure energy semi translucent

530

00:24:14,870 --> 00:24:12,960

multicolored not like a rainbow we have

531

00:24:16,760 --> 00:24:14,880

one color attached to another but like

532

00:24:19,850 --> 00:24:16,770

all these colors mixing and matching and

533

00:24:22,670 --> 00:24:19,860

flowing all inside and what I did is

534

00:24:26,420 --> 00:24:22,680

basically wave my hand at it and I said

535

00:24:28,610 --> 00:24:26,430

i BS you know then I turned around I

536

00:24:29,990 --> 00:24:28,620

walked up the stairs I went to bed put

537

00:24:32,000 --> 00:24:30,000

my hands on the chest look straight up

538

00:24:34,400 --> 00:24:32,010

at the ceiling and within a minute I was

539

00:24:35,870 --> 00:24:34,410

knocked out okay I must have been

540

00:24:38,120 --> 00:24:35,880

knocked out I didn't we didn't check the

541

00:24:40,490 --> 00:24:38,130

time anywhere from 15 minutes to a half

542

00:24:43,040 --> 00:24:40,500

an hour I'm not sure then I woke up and

543

00:24:45,230 --> 00:24:43,050

but then I was fully conscious and I

544

00:24:47,240 --> 00:24:45,240

said to myself holy cow you know what

545

00:24:49,040 --> 00:24:47,250

the hell just happened you know and I

546

00:24:50,870 --> 00:24:49,050

ran downstairs and there in the living

547

00:24:52,850 --> 00:24:50,880

room my wife is dancing around the floor

548

00:24:55,280 --> 00:24:52,860

saying the Angels cured her the angel

549

00:24:57,080 --> 00:24:55,290

scared of the Angels Carolyn and and I

550

00:24:58,580 --> 00:24:57,090

was like what angels you know well you

551

00:25:00,230 --> 00:24:58,590

saw them you saw them I said why I

552

00:25:03,020 --> 00:25:00,240

didn't see an angel what I saw was this

553

00:25:04,520 --> 00:25:03,030

plasma thing you know I mean I went

554

00:25:06,080 --> 00:25:04,530

upstairs it put me to sleep for a half

555

00:25:09,800 --> 00:25:06,090

an hour 15 minutes whatever it was and

556

00:25:12,770 --> 00:25:09,810

says and then from she then described

557

00:25:15,590 --> 00:25:12,780

what she saw now for the rest of the day

558

00:25:17,510 --> 00:25:15,600

was pure pandemonium and pure confusion

559

00:25:19,780 --> 00:25:17,520

we were never scared at all it was just

560

00:25:22,640 --> 00:25:19,790

because my wife always saw it as angel

561

00:25:24,410 --> 00:25:22,650

to me I saw that plasma thing you know

562

00:25:25,910 --> 00:25:24,420

and I didn't know that she was praying

563

00:25:29,810 --> 00:25:25,920

she didn't tell me that until much later

564

00:25:32,980 --> 00:25:29,820

on so what I realized many many months

565

00:25:36,560 --> 00:25:32,990

later was this concept of missing time

566

00:25:38,420 --> 00:25:36,570

because to her I was right behind her

567

00:25:40,520 --> 00:25:38,430

going down the stairs when she looked

568

00:25:43,520 --> 00:25:40,530

down and then she saw a door was totally

569

00:25:45,310 --> 00:25:43,530

cured the dog when I got downstairs was

570

00:25:47,960 --> 00:25:45,320

like running around like a little puppy

571

00:25:50,150 --> 00:25:47,970

jumping up and down you know like a foot

572

00:25:52,940 --> 00:25:50,160

foot and a half like a Jack Russell does

573

00:25:55,070 --> 00:25:52,950

and she was like like a teenager you

574

00:25:56,570 --> 00:25:55,080

know it wasn't even the old dog before

575

00:25:58,070 --> 00:25:56,580

the stroke you know walking like

576

00:25:59,539 --> 00:25:58,080

gingerly with the arthritis and

577

00:26:02,450 --> 00:25:59,549

everything now you know

578

00:26:05,749 --> 00:26:02,460

and and so for a long time it was just

579

00:26:07,369 --> 00:26:05,759

uh bewilderment and immediately I went

580

00:26:11,330 --> 00:26:07,379

to the internet and I typed in you know

581

00:26:12,799 --> 00:26:11,340

UFOs ETS you know aliens paranormal you

582

00:26:15,590 --> 00:26:12,809

know because I had no concept of what

583

00:26:18,649 --> 00:26:15,600

this was now this part of me was this

584

00:26:20,899 --> 00:26:18,659

the first the first incident yes this

585

00:26:25,519 --> 00:26:20,909

was the very first incident it was March

586

00:26:26,659 --> 00:26:25,529

of 2012 March fourth of 2012 and then

587

00:26:28,369 --> 00:26:26,669

what happened I won't go into the

588

00:26:30,979 --> 00:26:28,379

details but there was three incidences

589

00:26:34,220 --> 00:26:30,989

where my wife saw a craft two times she

590

00:26:36,440 --> 00:26:34,230

called it down and twice they were

591

00:26:38,810 --> 00:26:36,450

witnesses mainly her family members that

592

00:26:42,409 --> 00:26:38,820

had witnessed this craft with her with

593

00:26:44,720 --> 00:26:42,419

her and then one time I called on a

594

00:26:46,249 --> 00:26:44,730

craft but it was playfully because the

595

00:26:48,019 --> 00:26:46,259

night before I had seen this guy on

596

00:26:49,729 --> 00:26:48,029

YouTube calling down a craft in the

597

00:26:51,680 --> 00:26:49,739

middle of the day and this little speck

598

00:26:53,149 --> 00:26:51,690

appeared and so it was already at 9

599

00:26:55,729 --> 00:26:53,159

o'clock at night it was totally cloudy

600

00:26:57,830 --> 00:26:55,739

night and I was waiting for this friend

601  
00:26:59,479 --> 00:26:57,840  
of mine to give me some papers and I

602  
00:27:01,249 --> 00:26:59,489  
said what the hell you know let me

603  
00:27:04,460 --> 00:27:01,259  
experiment and do it I saw on YouTube

604  
00:27:07,159 --> 00:27:04,470  
last night but it was you know I was it

605  
00:27:09,229 --> 00:27:07,169  
was just I really wasn't goofing off I

606  
00:27:11,299 --> 00:27:09,239  
wasn't see her about it but not like

607  
00:27:13,759 --> 00:27:11,309  
something that goes on these retreats

608  
00:27:15,289 --> 00:27:13,769  
for 3 or 4 days and and prays and

609  
00:27:16,460 --> 00:27:15,299  
meditates for 3 or 4 days now it was

610  
00:27:18,229 --> 00:27:16,470  
just like okay well I'm waiting for her

611  
00:27:19,789 --> 00:27:18,239  
friend let me try it what happened was

612  
00:27:22,580 --> 00:27:19,799  
there was a huge gigantic craft that

613  
00:27:24,799 --> 00:27:22,590

appeared the bottom of the size of a

614

00:27:27,470 --> 00:27:24,809

football stadium the bottom of a craft

615

00:27:29,720 --> 00:27:27,480

was five feet from the roof okay five

616

00:27:31,940 --> 00:27:29,730

feet from the roof less than 30 feet

617

00:27:35,450 --> 00:27:31,950

away from us it was huge it went back

618

00:27:37,310 --> 00:27:35,460

600 meters it looked like in a hundred

619

00:27:39,320 --> 00:27:37,320

meters tall and then I heard a voice

620

00:27:41,749 --> 00:27:39,330

saying daddy you and mommy have seen a

621

00:27:42,859 --> 00:27:41,759

UFO next time you guys see a UFO you

622

00:27:45,590 --> 00:27:42,869

call me alright daddy

623

00:27:47,930 --> 00:27:45,600

and again they control it control your

624

00:27:49,580 --> 00:27:47,940

mind so immediately I went to the window

625

00:27:50,840 --> 00:27:49,590

and I called my just recently 12 year

626  
00:27:51,979 --> 00:27:50,850  
old daughter to come outside and see

627  
00:27:53,869 --> 00:27:51,989  
this craft okay

628  
00:27:55,519 --> 00:27:53,879  
because that was outside and we live in

629  
00:27:58,039 --> 00:27:55,529  
a cold Asako very wide and long

630  
00:27:59,389 --> 00:27:58,049  
cul-de-sac now if you're a rationally

631  
00:28:01,430 --> 00:27:59,399  
thinking person that would be the last

632  
00:28:04,099 --> 00:28:01,440  
thing you would do you know call down a

633  
00:28:05,180 --> 00:28:04,109  
twelve-year-old daughter to come and see

634  
00:28:07,220 --> 00:28:05,190  
this thing you know because you don't

635  
00:28:09,440 --> 00:28:07,230  
know what the hell's gonna happen so

636  
00:28:11,869 --> 00:28:09,450  
then for 15 minutes she and I saw this

637  
00:28:13,010 --> 00:28:11,879  
craft then my friend comes not by

638  
00:28:15,110 --> 00:28:13,020

himself but what is why

639

00:28:17,570 --> 00:28:15,120

and their seventeen-year-old daughter

640

00:28:19,370 --> 00:28:17,580

now both of these folks is from Mexico

641

00:28:21,890 --> 00:28:19,380

she's from Colombia both of them are

642

00:28:23,510 --> 00:28:21,900

professionals college-educated big-time

643

00:28:27,230 --> 00:28:23,520

Catholics that every Sunday they got to

644

00:28:30,610 --> 00:28:27,240

be a church okay and it was total

645

00:28:32,900 --> 00:28:30,620

bewilderment you know on their part and

646

00:28:35,720 --> 00:28:32,910

then I've had numerous paranormal

647

00:28:37,730 --> 00:28:35,730

experiences my wife had them as well so

648

00:28:40,970 --> 00:28:37,740

it's basically my entire family has had

649

00:28:44,330 --> 00:28:40,980

these experiences myself and my wife

650

00:28:46,090 --> 00:28:44,340

seeing this entity that controlled our

651  
00:28:49,430 --> 00:28:46,100  
minds it basically took my wife and

652  
00:28:51,470 --> 00:28:49,440  
returned our dog completely cured from a

653  
00:28:53,510 --> 00:28:51,480  
total paralysis a miraculous healing and

654  
00:28:56,510 --> 00:28:53,520  
then my daughter and I saw that huge

655  
00:29:00,070 --> 00:28:56,520  
craft with three other adults and then

656  
00:29:04,240 --> 00:29:00,080  
my wife in Mexico and one once in the US

657  
00:29:07,690 --> 00:29:04,250  
had saw sightings of these huge crabs

658  
00:29:09,860 --> 00:29:07,700  
well this is really interesting down so

659  
00:29:10,880 --> 00:29:09,870  
Monday you go back to work

660  
00:29:14,290 --> 00:29:10,890  
you're hanging around the water cooler

661  
00:29:17,570 --> 00:29:14,300  
you didn't really bring this up did you

662  
00:29:19,790 --> 00:29:17,580  
for many many months but did you talk to

663  
00:29:21,830 --> 00:29:19,800

colleagues about it no no not the

664

00:29:23,900 --> 00:29:21,840

beginning no no it wasn't until later on

665

00:29:26,150 --> 00:29:23,910

when I started having a lot more of

666

00:29:30,950 --> 00:29:26,160

these experiences I guess it all started

667

00:29:33,380 --> 00:29:30,960

I started talking about it really

668

00:29:35,740 --> 00:29:33,390

heavy-duty about a year and three or

669

00:29:39,530 --> 00:29:35,750

four months later when I had a download

670

00:29:42,770 --> 00:29:39,540

of instructions and I and then I was

671

00:29:44,990 --> 00:29:42,780

inside a wheel floating in the middle of

672

00:29:47,690 --> 00:29:45,000

like a matrix type of reality where

673

00:29:51,920 --> 00:29:47,700

inside this wheel had all these various

674

00:29:55,520 --> 00:29:51,930

paranormal components in each side each

675

00:29:57,830 --> 00:29:55,530

spoke of a wheel like for example et

676

00:29:59,590 --> 00:29:57,840

contact was one spoke near-death

677

00:30:02,060 --> 00:29:59,600

experiences was another spoke

678

00:30:03,620 --> 00:30:02,070

out-of-body experiences was another you

679

00:30:06,830 --> 00:30:03,630

know area of the spoke of the wheel

680

00:30:10,010 --> 00:30:06,840

remote viewing you know ghosts and

681

00:30:12,710 --> 00:30:10,020

spirits the spirit world etc how about

682

00:30:14,960 --> 00:30:12,720

crypto woods bigfoot anything I don't

683

00:30:17,870 --> 00:30:14,970

recall that I remember was like eight

684

00:30:19,430 --> 00:30:17,880

different topic areas and then what was

685

00:30:21,410 --> 00:30:19,440

in my head what was put into my head

686

00:30:23,240 --> 00:30:21,420

what was holding everything together was

687

00:30:25,310 --> 00:30:23,250

consciousness and quantum physics

688

00:30:26,600 --> 00:30:25,320

okay and that all of them are all

689

00:30:28,789 --> 00:30:26,610

interrelated it's

690

00:30:30,919 --> 00:30:28,799

one and it's all controlled by

691

00:30:32,810 --> 00:30:30,929

consciousness and quantum physics okay

692

00:30:35,080 --> 00:30:32,820

now that same day I don't know if you've

693

00:30:38,030 --> 00:30:35,090

ever had maybe Rodwell on your show okay

694

00:30:40,340 --> 00:30:38,040

Mary rod will is one of the top

695

00:30:42,410 --> 00:30:40,350

researchers of individuals that have had

696

00:30:46,010 --> 00:30:42,420

ufo-related contact

697

00:30:49,490 --> 00:30:46,020

she's been research has researched over

698

00:30:50,750 --> 00:30:49,500

3,000 cases okay she's not that well

699

00:30:53,150 --> 00:30:50,760

known in United States because of the

700

00:30:54,890 --> 00:30:53,160

travel expenses to the u.s. most people

701  
00:30:57,830 --> 00:30:54,900  
get you know Yvonne Smith Barbara and

702  
00:31:00,470 --> 00:30:57,840  
kathleen Martin but in Europe Mary

703  
00:31:02,960 --> 00:31:00,480  
Rodwell is all three of these ladies all

704  
00:31:05,360 --> 00:31:02,970  
put together just to let you know you

705  
00:31:08,570 --> 00:31:05,370  
know for background and so what happened

706  
00:31:11,030 --> 00:31:08,580  
was seven months before I had sent an

707  
00:31:14,900 --> 00:31:11,040  
email to you know grant Cameron Joe

708  
00:31:17,450 --> 00:31:14,910  
Montalvo David Jacobs you name it you

709  
00:31:20,480 --> 00:31:17,460  
know someone people that dealt with this

710  
00:31:23,000 --> 00:31:20,490  
area you know Barbara Lam whatever top

711  
00:31:25,490 --> 00:31:23,010  
ufologists telling them about my story

712  
00:31:28,130 --> 00:31:25,500  
and and wanting to find answers because

713  
00:31:29,930 --> 00:31:28,140

the internet was just full of junk you

714

00:31:31,610 --> 00:31:29,940

know it was like they're angels they're

715

00:31:33,860 --> 00:31:31,620

they're Devils and the Athenians they're

716

00:31:35,480 --> 00:31:33,870

a nanaki's and then you had a million

717

00:31:37,190 --> 00:31:35,490

people you know I've got all the answers

718

00:31:39,049 --> 00:31:37,200

I've got all the answers you know and

719

00:31:41,630 --> 00:31:39,059

they're all contradicting each other so

720

00:31:43,130 --> 00:31:41,640

I sent an email to these top people just

721

00:31:46,310 --> 00:31:43,140

like any experience or you want someone

722

00:31:47,810 --> 00:31:46,320

to talk to you know and so I got

723

00:31:49,909 --> 00:31:47,820

responses from a few folks I think

724

00:31:51,950 --> 00:31:49,919

whitley strieber was one of them Grant

725

00:31:54,500 --> 00:31:51,960

Cameron was another one I forgot Joe

726

00:31:56,270 --> 00:31:54,510

Montalvo was another one and so anyway

727

00:31:58,789 --> 00:31:56,280

marry that day that I got that download

728

00:32:00,950 --> 00:31:58,799

sends me an email he says dear ray I'm

729

00:32:04,130 --> 00:32:00,960

sorry to I'm responding to your email

730

00:32:08,330 --> 00:32:04,140

that you had sent seven months ago but

731

00:32:10,430 --> 00:32:08,340

it just popped up on my screen okay so

732

00:32:11,840 --> 00:32:10,440

that I immediately went on email and I

733

00:32:13,580 --> 00:32:11,850

sent her an email well you don't know

734

00:32:16,159 --> 00:32:13,590

what the hell's happened since in these

735

00:32:19,039 --> 00:32:16,169

last seven months and just today this

736

00:32:20,720 --> 00:32:19,049

happened so then she showed me how to

737

00:32:23,180 --> 00:32:20,730

use Skype I had never used Skype before

738

00:32:26,030 --> 00:32:23,190

and we talked about her work we talked

739

00:32:28,220 --> 00:32:26,040

about catching up with all my additional

740

00:32:29,390 --> 00:32:28,230

experiences that I had since that day of

741

00:32:32,870 --> 00:32:29,400

the sighting of the craft with my

742

00:32:34,280 --> 00:32:32,880

daughter and my three friends and so she

743

00:32:37,430 --> 00:32:34,290

also told me about this professor at

744

00:32:40,250 --> 00:32:37,440

Harvard who worked very closely with dr.

745

00:32:42,830 --> 00:32:40,260

John Mack for many years before doctor

746

00:32:44,390 --> 00:32:42,840

dr. John Mack died and then after he

747

00:32:46,640 --> 00:32:44,400

died he's one of the founders of the

748

00:32:48,530 --> 00:32:46,650

John Mack Institute to carry on the

749

00:32:50,780 --> 00:32:48,540

legacy of dr. Mack and that he had

750

00:32:53,690 --> 00:32:50,790

worked as been working with experiences

751  
00:32:55,130 --> 00:32:53,700  
for over thirty years and that Rudy in

752  
00:32:57,230 --> 00:32:55,140  
fact is one of the world's leading

753  
00:33:00,470 --> 00:32:57,240  
experts on quantum physics and

754  
00:33:01,940 --> 00:33:00,480  
consciousness and so I didn't really pay

755  
00:33:04,760 --> 00:33:01,950  
a lot of attention to that you know

756  
00:33:06,230 --> 00:33:04,770  
until the very next day Mary and I hung

757  
00:33:09,290 --> 00:33:06,240  
up and we'll say okay we'll continue to

758  
00:33:11,150 --> 00:33:09,300  
chat oh by the way I did ask Mary about

759  
00:33:13,400 --> 00:33:11,160  
that you know does she ever go back

760  
00:33:15,050 --> 00:33:13,410  
seven months to check her emails and she

761  
00:33:17,840 --> 00:33:15,060  
started laughing she says ray I can

762  
00:33:18,980 --> 00:33:17,850  
barely keep with one day's emails how in

763  
00:33:20,600 --> 00:33:18,990

the world am I gonna go back seven

764

00:33:22,340 --> 00:33:20,610

months says they will marry how do you

765

00:33:24,560 --> 00:33:22,350

explain that and she laughed out loud

766

00:33:27,590 --> 00:33:24,570

you know almost hysterically she said

767

00:33:30,440 --> 00:33:27,600

ray by now you or no what happened you

768

00:33:31,640 --> 00:33:30,450

know that the ETS basically waited to

769

00:33:33,230 --> 00:33:31,650

put it there in front of me this day

770

00:33:35,150 --> 00:33:33,240

that I got that download now here's

771

00:33:37,520 --> 00:33:35,160

another quote unquote synchronicity that

772

00:33:39,790 --> 00:33:37,530

very next day after I had my download

773

00:33:42,260 --> 00:33:39,800

and I spoke with Mary I got a phone call

774

00:33:45,620 --> 00:33:42,270

at 9:30 in the morning

775

00:33:46,970 --> 00:33:45,630

from dr. Rudy shields okay I didn't even

776

00:33:48,440 --> 00:33:46,980

know this fellow never even met him

777

00:33:50,360 --> 00:33:48,450

never even spoke to him he calls me

778

00:33:52,970 --> 00:33:50,370

remember this guy's a 75 year old

779

00:33:54,980 --> 00:33:52,980

professor who's one of the directors of

780

00:33:57,430 --> 00:33:54,990

the harvard-smithsonian Center for

781

00:33:59,630 --> 00:33:57,440

Astrophysics he had a battle with

782

00:34:02,270 --> 00:33:59,640

Stephen Hawking which I found out later

783

00:34:05,060 --> 00:34:02,280

on for over 25 years as to what is the

784

00:34:06,560 --> 00:34:05,070

true nature of black holes okay Rudy won

785

00:34:08,810 --> 00:34:06,570

the war not Steven working Hawking

786

00:34:10,369 --> 00:34:08,820

publicly admitted two years ago for the

787

00:34:13,340 --> 00:34:10,379

last 30 years he had been completely

788

00:34:15,590 --> 00:34:13,350

wrong a black holes and now most as for

789

00:34:18,710 --> 00:34:15,600

physicists except the model that was put

790

00:34:20,659 --> 00:34:18,720

forward by dr. ray shields just to let

791

00:34:23,270 --> 00:34:20,669

you know the mind of this guy this guy's

792

00:34:24,980 --> 00:34:23,280

a genius among geniuses so he calls me

793

00:34:27,649 --> 00:34:24,990

up at 9:30 and he starts spoon-feeding

794

00:34:32,780 --> 00:34:27,659

me advanced quantum physics and he said

795

00:34:35,330 --> 00:34:32,790

ray advanced quantum physics and dr.

796

00:34:37,790 --> 00:34:35,340

Edgar Mitchell quantum hologram theory

797

00:34:40,430 --> 00:34:37,800

of consciousness and physics can explain

798

00:34:42,710 --> 00:34:40,440

all the paranormal phenomenon so the

799

00:34:46,490 --> 00:34:42,720

vision that you had and the instructions

800

00:34:47,869 --> 00:34:46,500

that you had were actually correct but

801  
00:34:51,500 --> 00:34:47,879  
yet the rest majority of humanity

802  
00:34:53,149 --> 00:34:51,510  
doesn't understand that okay and so at

803  
00:34:53,870 --> 00:34:53,159  
the end of it he says ray look you know

804  
00:34:57,350 --> 00:34:53,880  
these

805  
00:34:58,340 --> 00:34:57,360  
he's gave you a mission because what I

806  
00:35:03,110 --> 00:34:58,350  
didn't tell you what they had told me

807  
00:35:06,740 --> 00:35:03,120  
was that when I was in this mystical

808  
00:35:09,650 --> 00:35:06,750  
state this matrix type of state word

809  
00:35:11,480 --> 00:35:09,660  
this wheel was floating around me I was

810  
00:35:13,310 --> 00:35:11,490  
given a download okay

811  
00:35:14,630 --> 00:35:13,320  
I didn't physically see these ETS okay

812  
00:35:17,090 --> 00:35:14,640  
and again I was in the middle of a

813  
00:35:20,000 --> 00:35:17,100

traffic jam going to work on Monday

814

00:35:21,380 --> 00:35:20,010

morning at 8:30 in the morning okay and

815

00:35:23,870 --> 00:35:21,390

it was the middle of this traffic jam

816

00:35:25,490 --> 00:35:23,880

that this occurred and basically what I

817

00:35:28,250 --> 00:35:25,500

got the message was that I need to

818

00:35:32,120 --> 00:35:28,260

inform humanity of the relationship

819

00:35:34,670 --> 00:35:32,130

between these entities that I've been

820

00:35:40,280 --> 00:35:34,680

working with me these entities the

821

00:35:42,260 --> 00:35:40,290

spirit world and consciousness well in a

822

00:35:45,050 --> 00:35:42,270

traffic jam in the middle of a traffic

823

00:35:46,520 --> 00:35:45,060

jam at 8:30 morning and and I called an

824

00:35:48,110 --> 00:35:46,530

experiencer the only experience that

825

00:35:50,330 --> 00:35:48,120

I've been talking up to that time and

826

00:35:53,090 --> 00:35:50,340

was only for two months and she was

827

00:35:55,040 --> 00:35:53,100

someone that Joe montalto had sent to

828

00:35:56,870 --> 00:35:55,050

communicate with me because Joe is doing

829

00:36:00,170 --> 00:35:56,880

some studies on abductions you know and

830

00:36:02,240 --> 00:36:00,180

experiences so that's how you know I

831

00:36:04,070 --> 00:36:02,250

came ahold of this individual so I

832

00:36:05,540 --> 00:36:04,080

called her up at 8:30 in the morning and

833

00:36:06,170 --> 00:36:05,550

I said you won't freaking believe what

834

00:36:08,870 --> 00:36:06,180

just happened

835

00:36:10,970 --> 00:36:08,880

and and so you know we had that brief

836

00:36:13,550 --> 00:36:10,980

conversation and it was that night that

837

00:36:16,400 --> 00:36:13,560

I got may Mary rod well it's a sent me

838

00:36:18,740 --> 00:36:16,410

that email now towards the end Rudy said

839

00:36:20,150 --> 00:36:18,750

look ray they gave you an instructions

840

00:36:23,480 --> 00:36:20,160

of what you need to what you need to do

841

00:36:25,250 --> 00:36:23,490

okay and I said but look Rudy I have no

842

00:36:27,740 --> 00:36:25,260

idea what the hell I'm gonna do it

843

00:36:29,240 --> 00:36:27,750

wasn't like you know do step a step B

844

00:36:31,040 --> 00:36:29,250

step C you know it's just like some

845

00:36:32,660 --> 00:36:31,050

nebulous thing you know and he says

846

00:36:34,670 --> 00:36:32,670

don't worry it always comes to

847

00:36:36,290 --> 00:36:34,680

experiencers City you know and

848

00:36:38,360 --> 00:36:36,300

clarification always comes later you

849

00:36:40,460 --> 00:36:38,370

know and Rudy said well if you do

850

00:36:42,770 --> 00:36:40,470

something I recommend an organization

851  
00:36:45,020 --> 00:36:42,780  
and if you do form or this organization

852  
00:36:47,960 --> 00:36:45,030  
I will be there to help support you and

853  
00:36:49,700 --> 00:36:47,970  
to to back you up initially we thought

854  
00:36:52,490 --> 00:36:49,710  
it was like a documentary or something

855  
00:36:53,960 --> 00:36:52,500  
like that to do you know because we but

856  
00:36:55,850 --> 00:36:53,970  
let me continue the story I'm jumping

857  
00:36:57,680 --> 00:36:55,860  
the gun a little bit so Rudy said he'll

858  
00:36:59,840 --> 00:36:57,690  
back us up heels be a scientific adviser

859  
00:37:01,790 --> 00:36:59,850  
and then he says jot down his telephone

860  
00:37:03,470 --> 00:37:01,800  
number so I decided writing down the

861  
00:37:06,830 --> 00:37:03,480  
telephone number he said this is the

862  
00:37:07,670 --> 00:37:06,840  
telephone number of my mentor so this is

863  
00:37:09,440 --> 00:37:07,680

the mentor

864

00:37:12,980 --> 00:37:09,450

the smartest man in the world the person

865

00:37:14,510 --> 00:37:12,990

that bested Stephen Hawking okay one of

866

00:37:17,839 --> 00:37:14,520

the directors of the harvard-smithsonian

867

00:37:19,730 --> 00:37:17,849

Center for Astrophysics he said call him

868

00:37:22,549 --> 00:37:19,740

up I said well who's this he says dr.

869

00:37:25,220 --> 00:37:22,559

Edgar Mitchell and at that point I was

870

00:37:28,849 --> 00:37:25,230

like you know I already knew who he was

871

00:37:31,760 --> 00:37:28,859

so like Rudy and I agreed to converse

872

00:37:34,579 --> 00:37:31,770

and I it took me like four hours before

873

00:37:36,589 --> 00:37:34,589

I called Edgar up and when I did call

874

00:37:39,799 --> 00:37:36,599

him up he said that Rudy had already

875

00:37:41,720 --> 00:37:39,809

sent him an email and I had chatted with

876

00:37:44,839 --> 00:37:41,730

him briefly on the telephone and said

877

00:37:48,109 --> 00:37:44,849

I'm someone to be taken seriously and to

878

00:37:49,520 --> 00:37:48,119

to pay attention to me you know so what

879

00:37:52,549 --> 00:37:49,530

Edgar did he invited me to his house

880

00:37:54,440 --> 00:37:52,559

okay then for the next day so now we're

881

00:37:57,829 --> 00:37:54,450

at the third day okay because the first

882

00:38:00,109 --> 00:37:57,839

day was my download and me being inside

883

00:38:01,640 --> 00:38:00,119

the wheel that night marry rod well sons

884

00:38:04,910 --> 00:38:01,650

being email that I sent seven months

885

00:38:07,460 --> 00:38:04,920

late the next day at 9:30 dr. Rudy

886

00:38:09,140 --> 00:38:07,470

shields calls calls me I didn't call him

887

00:38:12,289 --> 00:38:09,150

he calls me at 9:30 in the morning and

888

00:38:14,690 --> 00:38:12,299

then dr. Edgar Mitchell that afternoon

889

00:38:17,450 --> 00:38:14,700

invited me to his house so the next day

890

00:38:19,400 --> 00:38:17,460

I was at his house and oh my god I don't

891

00:38:21,230 --> 00:38:19,410

even know this man and he's going on

892

00:38:23,539 --> 00:38:21,240

into all these intimate stories about

893

00:38:25,130 --> 00:38:23,549

his life and I won't go into a lot of

894

00:38:27,680 --> 00:38:25,140

these details because it's not very

895

00:38:29,240 --> 00:38:27,690

relevant but basically he told me all

896

00:38:31,220 --> 00:38:29,250

about Roswell you know the whole

897

00:38:33,799 --> 00:38:31,230

everything astronauts you know some

898

00:38:35,359 --> 00:38:33,809

stories of astronauts so at the end of

899

00:38:37,490 --> 00:38:35,369

it all he repeats the same thing that

900

00:38:41,210 --> 00:38:37,500

Rudy told me and he says look right you

901  
00:38:42,799 --> 00:38:41,220  
know I will back you up with Rudy we

902  
00:38:44,390 --> 00:38:42,809  
will be your scientific advisors and as

903  
00:38:47,150 --> 00:38:44,400  
a matter of fact I have a group called

904  
00:38:49,700 --> 00:38:47,160  
Kwan track which he explained to me were

905  
00:38:52,339 --> 00:38:49,710  
a group of advanced physicists and we've

906  
00:38:55,819 --> 00:38:52,349  
been working on various physics related

907  
00:38:56,690 --> 00:38:55,829  
projects including our the physics of

908  
00:38:59,450 --> 00:38:56,700  
zero-point energy

909  
00:39:01,339 --> 00:38:59,460  
and the physics of consciousness we've

910  
00:39:04,880 --> 00:39:01,349  
been doing this for many years and we

911  
00:39:06,650 --> 00:39:04,890  
can invite them in to help us out ok so

912  
00:39:08,420 --> 00:39:06,660  
then what I we you know we agreed to

913  
00:39:09,620 --> 00:39:08,430

continue chatting and you know I told

914

00:39:11,359 --> 00:39:09,630

them I have no idea what the hell I'm

915

00:39:13,880 --> 00:39:11,369

gonna do and say they were Rudy it'll

916

00:39:17,120 --> 00:39:13,890

come to you it always comes to you you

917

00:39:19,730 --> 00:39:17,130

know so then I then sent an email to

918

00:39:20,990 --> 00:39:19,740

Mary Rodwell and I said Mary look we

919

00:39:22,670 --> 00:39:21,000

need to do

920

00:39:24,830 --> 00:39:22,680

thing you know we need to form an

921

00:39:27,080 --> 00:39:24,840

organization and then I said Edgar and

922

00:39:29,780 --> 00:39:27,090

Rudy are not going to be you know moving

923

00:39:32,630 --> 00:39:29,790

forward with this because these are two

924

00:39:35,180 --> 00:39:32,640

you know two men that are extremely busy

925

00:39:37,700 --> 00:39:35,190

why don't you and I you know start this

926

00:39:38,800 --> 00:39:37,710

I have no idea what we're doing and and

927

00:39:40,490 --> 00:39:38,810

we thought it was going to be a

928

00:39:42,230 --> 00:39:40,500

documentary or something like that a

929

00:39:45,320 --> 00:39:42,240

little movie or something you know we

930

00:39:47,330 --> 00:39:45,330

really had no idea so like two weeks

931

00:39:49,640 --> 00:39:47,340

later you know Mary says ray I got the

932

00:39:51,590 --> 00:39:49,650

perfect name for it free the foundation

933

00:39:54,590 --> 00:39:51,600

for research into extraterrestrial

934

00:39:56,390 --> 00:39:54,600

encounters now mind you we had no idea

935

00:39:59,930 --> 00:39:56,400

what we're gonna be doing anyway okay

936

00:40:01,490 --> 00:39:59,940

so then one day I was on the computer it

937

00:40:03,290 --> 00:40:01,500

was the Saturday morning nobody was here

938

00:40:05,150 --> 00:40:03,300

and all of a sudden I just started

939

00:40:07,010 --> 00:40:05,160

typing I just started banging away you

940

00:40:10,010 --> 00:40:07,020

know Ferb and I were gonna have for two

941

00:40:12,290 --> 00:40:10,020

hours and what it was was a whole

942

00:40:16,100 --> 00:40:12,300

mission of what free would be doing this

943

00:40:20,750 --> 00:40:16,110

new organization and within a month we

944

00:40:23,570 --> 00:40:20,760

had a who's who joining dr. Mitchell dr.

945

00:40:24,860 --> 00:40:23,580

rudy shields and and mary rod well now

946

00:40:29,270 --> 00:40:24,870

we have a whole bunch of retired

947

00:40:32,270 --> 00:40:29,280

academics one of the academics is the

948

00:40:36,580 --> 00:40:32,280

chair of our research study dr. John

949

00:40:39,860 --> 00:40:36,590

cleo and he's a recently retired

950

00:40:41,540 --> 00:40:39,870

tenured professor of psychology he's one

951  
00:40:43,790 --> 00:40:41,550  
of the world's most famous academics on

952  
00:40:45,590 --> 00:40:43,800  
the paranormal and he's taught research

953  
00:40:49,640 --> 00:40:45,600  
methodology for over 40 years

954  
00:40:51,920 --> 00:40:49,650  
he's chaired 250 PhD dissertations we

955  
00:40:54,740 --> 00:40:51,930  
also have in our group a neuroscientist

956  
00:40:57,230 --> 00:40:54,750  
again a retired professor of the brain

957  
00:41:01,100 --> 00:40:57,240  
of neuroscience his name is dr. Bob

958  
00:41:04,730 --> 00:41:01,110  
Davis and he just recently wrote a book

959  
00:41:07,030 --> 00:41:04,740  
and has been on several radio programs

960  
00:41:11,090 --> 00:41:07,040  
talking about his book which is a book

961  
00:41:12,860 --> 00:41:11,100  
titled UFOs should we believe and now he

962  
00:41:15,220 --> 00:41:12,870  
was on this show a little while ago okay

963  
00:41:17,990 --> 00:41:15,230

yeah so so you know his background then

964

00:41:19,250 --> 00:41:18,000

only recently he and his wife I think

965

00:41:21,620 --> 00:41:19,260

was maybe three years ago he and his

966

00:41:24,110 --> 00:41:21,630

wife were out in Sedona and again this

967

00:41:28,790 --> 00:41:24,120

guy was a science it's a brain you know

968

00:41:31,280 --> 00:41:28,800

my specialist totally skeptical all of

969

00:41:32,810 --> 00:41:31,290

this material so Hina's wife saw a UFO

970

00:41:34,090 --> 00:41:32,820

in the middle Outlands of said that

971

00:41:35,800 --> 00:41:34,100

Sedona

972

00:41:37,360 --> 00:41:35,810

and then he just freaked out he got hit

973

00:41:39,460 --> 00:41:37,370

in the head by a two-by-four you know

974

00:41:41,740 --> 00:41:39,470

and began researching this phenomenon

975

00:41:44,260 --> 00:41:41,750

and what he discovered doing you know

976  
00:41:46,300 --> 00:41:44,270  
heavy-duty scientific academic research

977  
00:41:48,610 --> 00:41:46,310  
on this basically through government

978  
00:41:50,980 --> 00:41:48,620  
Publishing's government reports was that

979  
00:41:53,490 --> 00:41:50,990  
there is more than credible evidence for

980  
00:41:57,760 --> 00:41:53,500  
a scientist to reasonably conclude that

981  
00:42:01,660 --> 00:41:57,770  
yes the UFO phenomenon is very much real

982  
00:42:03,700 --> 00:42:01,670  
and so I then brought him in to free

983  
00:42:08,110 --> 00:42:03,710  
again with the approval of dr. Edgar

984  
00:42:09,940 --> 00:42:08,120  
Mitchell and and and dr. Rudy shields to

985  
00:42:11,770 --> 00:42:09,950  
be like the skeptic of our group you

986  
00:42:14,200 --> 00:42:11,780  
know the rationalist a scientist type

987  
00:42:17,260 --> 00:42:14,210  
and he wound up being you know like the

988  
00:42:21,430 --> 00:42:17,270

co-chair with dr. clemo of our research

989

00:42:23,140 --> 00:42:21,440

study other people we have on board dr.

990

00:42:25,890 --> 00:42:23,150

Leo sprinkle who was the first academic

991

00:42:27,820 --> 00:42:25,900

to actually publish articles on

992

00:42:30,580 --> 00:42:27,830

individuals that have had you a full

993

00:42:32,410 --> 00:42:30,590

related contact but back then almost all

994

00:42:36,130 --> 00:42:32,420

the started studies were done on

995

00:42:39,040 --> 00:42:36,140

abductees goes on a little while ago and

996

00:42:41,410 --> 00:42:39,050

he did he did mention this I just I just

997

00:42:42,880 --> 00:42:41,420

have a we're moving further away from

998

00:42:46,660 --> 00:42:42,890

something I want to ask you about

999

00:42:49,240 --> 00:42:46,670

actually and one of the things of you I

1000

00:42:51,850 --> 00:42:49,250

hadn't heard it until I'm gonna say

1001  
00:42:54,430 --> 00:42:51,860  
maybe I started hearing it about eight

1002  
00:42:55,840 --> 00:42:54,440  
months ago the word download over and

1003  
00:42:57,430 --> 00:42:55,850  
everybody's talking about download I was

1004  
00:42:59,860 --> 00:42:57,440  
at the experimenter speak this last

1005  
00:43:01,720 --> 00:42:59,870  
weekend in Portland I saw grant Cameron

1006  
00:43:07,870 --> 00:43:01,730  
Kathie Lee Martin Stanton Friedman

1007  
00:43:10,000 --> 00:43:07,880  
Travis Walton etc etc and okay so I do

1008  
00:43:12,130 --> 00:43:10,010  
have some things to talk about as far as

1009  
00:43:14,680 --> 00:43:12,140  
that term and everything but I want to

1010  
00:43:16,180 --> 00:43:14,690  
talk about the wheel the wheel to me is

1011  
00:43:18,130 --> 00:43:16,190  
fascinating by the way if you're

1012  
00:43:21,190 --> 00:43:18,140  
listening live you can call in the show

1013  
00:43:23,590 --> 00:43:21,200

at six oh three nine six seven four o3o

1014

00:43:25,600 --> 00:43:23,600

or jump in the chat room at podcast UFO

1015

00:43:29,080 --> 00:43:25,610

and ask a question so there was someone

1016

00:43:30,940 --> 00:43:29,090

on the message board who has I'm just

1017

00:43:33,400 --> 00:43:30,950

gonna basically read his question it's

1018

00:43:35,530 --> 00:43:33,410

similar to one I had in mind but he's

1019

00:43:37,900 --> 00:43:35,540

saying I have heard others mentioned

1020

00:43:41,170 --> 00:43:37,910

this similar image of a wheel you have

1021

00:43:44,020 --> 00:43:41,180

you talked with others who had the

1022

00:43:47,400 --> 00:43:44,030

similar image and if so how what were

1023

00:43:50,190 --> 00:43:47,410

the differences or similarities well

1024

00:43:51,690 --> 00:43:50,200

interesting enough the person that put

1025

00:43:53,130 --> 00:43:51,700

that conference that you attended to

1026

00:43:56,190 --> 00:43:53,140

that you attended the experience to

1027

00:43:58,320 --> 00:43:56,200

speaking conference this is uh miss humans

1028

00:44:02,730 --> 00:43:58,330

Audrey humans she had a similar

1029

00:44:04,440 --> 00:44:02,740

experience of the wheel I think anyone

1030

00:44:06,450 --> 00:44:04,450

else that you're aware was another

1031

00:44:08,310 --> 00:44:06,460

experience that had a very similar

1032

00:44:11,910 --> 00:44:08,320

experience of the wheel that they were

1033

00:44:13,860 --> 00:44:11,920

in a type of like a matrix reality that

1034

00:44:16,050 --> 00:44:13,870

you're like floating somewhere and you

1035

00:44:17,520 --> 00:44:16,060

know somewhere you know and you're

1036

00:44:20,520 --> 00:44:17,530

inside a wheel and it's floating around

1037

00:44:24,300 --> 00:44:20,530

you so there's three people that I know

1038

00:44:25,860 --> 00:44:24,310

of but again I have not published I

1039

00:44:27,990 --> 00:44:25,870

don't have a book published or anything

1040

00:44:30,450 --> 00:44:28,000

like that a lot of people don't really

1041

00:44:32,430 --> 00:44:30,460

know a lot of my story you know have you

1042

00:44:33,990 --> 00:44:32,440

ever seen this have you ever seen this

1043

00:44:36,930 --> 00:44:34,000

after that we have someone calling and

1044

00:44:39,420 --> 00:44:36,940

hang on just a sec shortly hello caller

1045

00:44:42,540 --> 00:44:39,430

you're on the line please say your first

1046

00:44:45,360 --> 00:44:42,550

name and go ahead and ask a question yes

1047

00:44:48,810 --> 00:44:45,370

my name is Bobby I'm calling from Jasper

1048

00:44:52,890 --> 00:44:48,820

Alabama and my question is this do you

1049

00:44:56,640 --> 00:44:52,900

believe that there is any way that we

1050

00:45:00,990 --> 00:44:56,650

can for lack of a better word call in if

1051  
00:45:03,480 --> 00:45:01,000  
you will kind of send a mental telepathy

1052  
00:45:07,800 --> 00:45:03,490  
kind of message to some of these

1053  
00:45:09,690 --> 00:45:07,810  
visitors to to come and visit us and and

1054  
00:45:12,120 --> 00:45:09,700  
do you believe that that would be a

1055  
00:45:14,190 --> 00:45:12,130  
positive experience or could there

1056  
00:45:16,860 --> 00:45:14,200  
possibly be some that you don't want to

1057  
00:45:19,320 --> 00:45:16,870  
come visit you okay let me answer that

1058  
00:45:21,300 --> 00:45:19,330  
question we did ask that question in our

1059  
00:45:24,210 --> 00:45:21,310  
survey I haven't gone into the research

1060  
00:45:28,020 --> 00:45:24,220  
study yet but it's a survey that we've

1061  
00:45:31,050 --> 00:45:28,030  
gotten 2,500 responses from individuals

1062  
00:45:33,780 --> 00:45:31,060  
that have had ufo-related ET contact and

1063  
00:45:38,520 --> 00:45:33,790

we did ask that question and we have

1064

00:45:42,510 --> 00:45:38,530

gotten positive responses in the very

1065

00:45:47,670 --> 00:45:42,520

high hundreds of bears that have hauled

1066

00:45:50,010 --> 00:45:47,680

down a craft i we we cannot publish our

1067

00:45:52,170 --> 00:45:50,020

findings with actual numbers and and

1068

00:45:54,360 --> 00:45:52,180

percentages and things of that sort but

1069

00:45:56,850 --> 00:45:54,370

yes that's a very very high number of

1070

00:45:59,100 --> 00:45:56,860

people that have done that just like i

1071

00:46:00,610 --> 00:45:59,110

did it my wife did it all so there's

1072

00:46:03,580 --> 00:46:00,620

this concept

1073

00:46:04,650 --> 00:46:03,590

which is totally changed but in Latin

1074

00:46:08,440 --> 00:46:04,660

America

1075

00:46:10,720 --> 00:46:08,450

Sixto passed in 1974 formed a group

1076  
00:46:12,970 --> 00:46:10,730  
called group arama which is a group to

1077  
00:46:15,120 --> 00:46:12,980  
basically call down these crafts and

1078  
00:46:19,720 --> 00:46:15,130  
begin communications with these beans

1079  
00:46:22,060 --> 00:46:19,730  
and when yes I'm sorry to interrupt you

1080  
00:46:24,400 --> 00:46:22,070  
and you saying that though that brings

1081  
00:46:26,140 --> 00:46:24,410  
to light something and and I hope I'm

1082  
00:46:27,820 --> 00:46:26,150  
not stepping on any toes along I'm about

1083  
00:46:30,400 --> 00:46:27,830  
to say because that's not my intention

1084  
00:46:34,720 --> 00:46:30,410  
you know there's one person that the

1085  
00:46:38,260 --> 00:46:34,730  
kind of he gets groups together and that

1086  
00:46:41,250 --> 00:46:38,270  
is dr. Steven Greer and he he will get

1087  
00:46:44,920 --> 00:46:41,260  
groups together but he advocates that

1088  
00:46:47,080 --> 00:46:44,930

that you know you need to be experienced

1089

00:46:49,810 --> 00:46:47,090

with this with that in line and you

1090

00:46:52,420 --> 00:46:49,820

mentioning that and this individual he's

1091

00:46:54,550 --> 00:46:52,430

you know we he does this and encourages

1092

00:46:56,650 --> 00:46:54,560

this did he ever had any personal

1093

00:46:58,680 --> 00:46:56,660

interaction with dr. Greer and if so

1094

00:47:01,270 --> 00:46:58,690

what's your opinion on some of his

1095

00:47:04,150 --> 00:47:01,280

theories and and what not that he's for

1096

00:47:06,490 --> 00:47:04,160

voting okay well let me just ask answer

1097

00:47:08,350 --> 00:47:06,500

the last question very briefly there

1098

00:47:10,180 --> 00:47:08,360

have been many individuals all over the

1099

00:47:12,760 --> 00:47:10,190

world that have been formed forming

1100

00:47:15,580 --> 00:47:12,770

these contact groups even before Steven

1101  
00:47:18,960 --> 00:47:15,590  
Greer's name was even a public household

1102  
00:47:21,130 --> 00:47:18,970  
okay especially in Latin America and

1103  
00:47:22,750 --> 00:47:21,140  
these individuals that I know have

1104  
00:47:27,460 --> 00:47:22,760  
conducted these sessions all throughout

1105  
00:47:29,230 --> 00:47:27,470  
the world and many participants have yes

1106  
00:47:33,600 --> 00:47:29,240  
I've had contact of both the crafts and

1107  
00:47:35,820 --> 00:47:33,610  
these beings now dr. Steven Greer I

1108  
00:47:38,470 --> 00:47:35,830  
personally have not had any

1109  
00:47:41,500 --> 00:47:38,480  
relationships with him informal or

1110  
00:47:44,470 --> 00:47:41,510  
formal relationships with him now in

1111  
00:47:46,780 --> 00:47:44,480  
terms of positions free takes the

1112  
00:47:49,480 --> 00:47:46,790  
position a neutral position of whether

1113  
00:47:53,140 --> 00:47:49,490

these experiences are positive negative

1114

00:47:55,870 --> 00:47:53,150

neutral whatever you know our

1115

00:47:58,180 --> 00:47:55,880

Publishing's are our surveys I should

1116

00:48:00,850 --> 00:47:58,190

say our surveys will be revealed on

1117

00:48:02,620 --> 00:48:00,860

December 1st and we do ask those

1118

00:48:05,530 --> 00:48:02,630

questions of experiences we asked at

1119

00:48:08,500 --> 00:48:05,540

many many different ways and again we've

1120

00:48:10,930 --> 00:48:08,510

got 2,500 people that answered this so

1121

00:48:12,400 --> 00:48:10,940

it's not just a little tiny study that

1122

00:48:14,520 --> 00:48:12,410

someone did with you know 20 or 30

1123

00:48:17,220 --> 00:48:14,530

people this is a huge gigantic

1124

00:48:18,990 --> 00:48:17,230

study and we did ask that question that

1125

00:48:20,400 --> 00:48:19,000

you just asked about whether they're

1126

00:48:22,590 --> 00:48:20,410

positive or negative a neutral or

1127

00:48:26,550 --> 00:48:22,600

whatever in many different ways now the

1128

00:48:29,580 --> 00:48:26,560

final I'm Troy Goya I'm sorry to be in a

1129

00:48:31,730 --> 00:48:29,590

roaster to say is that the findings the

1130

00:48:35,490 --> 00:48:31,740

way these experiences are answering them

1131

00:48:37,380 --> 00:48:35,500

most of the public will find it much

1132

00:48:39,810 --> 00:48:37,390

more different perception than what they

1133

00:48:41,460 --> 00:48:39,820

see on the internet right and I look

1134

00:48:42,990 --> 00:48:41,470

forward to that the only reason that I

1135

00:48:45,360 --> 00:48:43,000

asked about dr. Greer is because just

1136

00:48:48,920 --> 00:48:45,370

just as you said his name has been one

1137

00:48:51,480 --> 00:48:48,930

that's kind of you know become household

1138

00:48:53,070 --> 00:48:51,490

talk if you will he's got a little bit

1139

00:48:56,640 --> 00:48:53,080

more publicity I very much look forward

1140

00:48:59,220 --> 00:48:56,650

to your release and I'm thoroughly

1141

00:49:01,470 --> 00:48:59,230

enjoying your interview this evening and

1142

00:49:03,900 --> 00:49:01,480

thank you for asking my questions and I

1143

00:49:04,590 --> 00:49:03,910

will see you listen to the program thank

1144

00:49:07,170 --> 00:49:04,600

you Bobby

1145

00:49:09,920 --> 00:49:07,180

appreciate the call in thank you very

1146

00:49:13,560 --> 00:49:09,930

much Thank You Bobby

1147

00:49:15,690 --> 00:49:13,570

so ok and if anyone else also I always

1148

00:49:19,380 --> 00:49:15,700

we have to say this some if you'd rather

1149

00:49:22,170 --> 00:49:19,390

Skype in my user name is marty willis i

1150

00:49:23,370 --> 00:49:22,180

don't like to be called Marty but that

1151

00:49:25,080 --> 00:49:23,380

was the only one that was available so

1152

00:49:29,280 --> 00:49:25,090

Marty Willis if you want to Skype in and

1153

00:49:31,830 --> 00:49:29,290

again the phone number is 603 967 403 oh

1154

00:49:34,260 --> 00:49:31,840

now I can't remember exactly the topic

1155

00:49:38,100 --> 00:49:34,270

that we're on but it seems to me we did

1156

00:49:40,800 --> 00:49:38,110

have another question the other question

1157

00:49:42,060 --> 00:49:40,810

or two talk a little bit about some of

1158

00:49:43,860 --> 00:49:42,070

the other Board of Directors we have

1159

00:49:45,900 --> 00:49:43,870

eleven individuals yeah okay we have

1160

00:49:49,830 --> 00:49:45,910

about we have about ten minutes or so to

1161

00:49:51,240 --> 00:49:49,840

the top of the hour so let's just device

1162

00:49:53,250 --> 00:49:51,250

what we're going to be talking about

1163

00:49:55,770 --> 00:49:53,260

mostly in the second hour before we move

1164

00:49:58,170 --> 00:49:55,780

on right now we can talk about the board

1165

00:50:00,990 --> 00:49:58,180

members who's involved we can do that

1166

00:50:03,660 --> 00:50:01,000

now in the second we can go in depth in

1167

00:50:05,430 --> 00:50:03,670

terms of the study yeah so far we have

1168

00:50:07,440 --> 00:50:05,440

in you know sure mention anything about

1169

00:50:10,020 --> 00:50:07,450

the methodology okay sure let's go ahead

1170

00:50:12,000 --> 00:50:10,030

and go ahead and who's on board and how

1171

00:50:14,730 --> 00:50:12,010

did you get them on board you mentioned

1172

00:50:17,010 --> 00:50:14,740

how the first two obviously did it all

1173

00:50:20,610 --> 00:50:17,020

just kind of fall together yes like for

1174

00:50:22,260 --> 00:50:20,620

example dr. John clemo someone

1175

00:50:24,780 --> 00:50:22,270

recommended that I give him a call I

1176

00:50:28,020 --> 00:50:24,790

didn't even know his background

1177

00:50:32,850 --> 00:50:28,030

he himself is an experiencer and he's

1178

00:50:35,120 --> 00:50:32,860

public about it now and and so when I

1179

00:50:37,500 --> 00:50:35,130

told them what I had in mind

1180

00:50:40,170 --> 00:50:37,510

he told me that he taught research

1181

00:50:42,120 --> 00:50:40,180

methodology for 40 years and he told me

1182

00:50:44,220 --> 00:50:42,130

all the books and the PC dissertations

1183

00:50:46,260 --> 00:50:44,230

and stuff I said oh my god you know it's

1184

00:50:48,510 --> 00:50:46,270

like he was put right in front of me to

1185

00:50:51,540 --> 00:50:48,520

be the chairperson for this research

1186

00:50:52,800 --> 00:50:51,550

study because I said earlier you know

1187

00:50:56,820 --> 00:50:52,810

this is one of the world's leading

1188

00:51:00,150 --> 00:50:56,830

academic in this area and then Bob Davis

1189

00:51:01,770 --> 00:51:00,160

was he called me up and asked you know

1190

00:51:04,500 --> 00:51:01,780

and sent me an email wanting to talk to

1191

00:51:07,040 --> 00:51:04,510

me so the other members are the

1192

00:51:10,890 --> 00:51:07,050

non-academic members I should say are

1193

00:51:12,390 --> 00:51:10,900

Kathleen Martin who you know rosemary

1194

00:51:15,600 --> 00:51:12,400

ellen guiley I don't know if you ever

1195

00:51:18,420 --> 00:51:15,610

had her on your show she's published 72

1196

00:51:20,190 --> 00:51:18,430

books on the paranormal and maybe

1197

00:51:21,570 --> 00:51:20,200

Rodwell who I mentioned before who was

1198

00:51:24,720 --> 00:51:21,580

one of the world's leading researchers

1199

00:51:27,420 --> 00:51:24,730

in this field we also have Giorgio's

1200

00:51:30,780 --> 00:51:27,430

Piacenza who's one of Latin America's

1201  
00:51:33,480 --> 00:51:30,790  
leading ufologists and he himself is an

1202  
00:51:35,730 --> 00:51:33,490  
experiencer and Kathleen Martin did come

1203  
00:51:39,480 --> 00:51:35,740  
out publicly last September that she's

1204  
00:51:41,190 --> 00:51:39,490  
also an experiencer and there's you know

1205  
00:51:44,400 --> 00:51:41,200  
some other individuals on our board who

1206  
00:51:46,770 --> 00:51:44,410  
experiencers I I don't know whether they

1207  
00:51:50,160 --> 00:51:46,780  
publicly come out or not but basically

1208  
00:51:52,890 --> 00:51:50,170  
80% of our board are experiencers more

1209  
00:51:55,740 --> 00:51:52,900  
than half are retired academics actually

1210  
00:51:57,690 --> 00:51:55,750  
five of them we also have dr. Michael

1211  
00:52:02,330 --> 00:51:57,700  
Milton who you probably met at the

1212  
00:52:05,910 --> 00:52:02,340  
experience or speak conference he is a a

1213  
00:52:09,660 --> 00:52:05,920

PhD clinical psychologist who was a

1214

00:52:11,610 --> 00:52:09,670

member of star born support and works

1215

00:52:13,740 --> 00:52:11,620

with many of the experiences associated

1216

00:52:15,750 --> 00:52:13,750

with that organization I'm sorry I just

1217

00:52:18,660 --> 00:52:15,760

I just missed the name who that was oh

1218

00:52:20,640 --> 00:52:18,670

the last one was dr. Michael Melton no I

1219

00:52:22,230 --> 00:52:20,650

didn't I didn't meet him he's Larry was

1220

00:52:25,350 --> 00:52:22,240

that that fat chubby guy that was

1221

00:52:28,170 --> 00:52:25,360

probably the video of the conference

1222

00:52:30,930 --> 00:52:28,180

okay I know exactly who he is yeah he's

1223

00:52:32,790 --> 00:52:30,940

a PhD clinical psychologist huh and he's

1224

00:52:35,820 --> 00:52:32,800

also a member of our board of directors

1225

00:52:38,109 --> 00:52:35,830

and he and Kathleen Martin are member

1226

00:52:42,160 --> 00:52:38,119

members of MU Fonz

1227

00:52:45,190 --> 00:52:42,170

experimenter research team so we do have

1228

00:52:48,609 --> 00:52:45,200

members of mph on that are doing

1229

00:52:50,289 --> 00:52:48,619

research on on on experiences are not

1230

00:52:52,710 --> 00:52:50,299

experiences I should say on abductees

1231

00:52:55,749 --> 00:52:52,720

because that's the focus of their study

1232

00:52:58,509 --> 00:52:55,759

so as you could tell we have an elite

1233

00:53:01,720 --> 00:52:58,519

group working on this it is an

1234

00:53:02,769 --> 00:53:01,730

academically driven academically guided

1235

00:53:06,690 --> 00:53:02,779

research study

1236

00:53:09,039 --> 00:53:06,700

now besides credibility what has dr.

1237

00:53:09,489 --> 00:53:09,049

Edgar Mitchell brought to the table for

1238

00:53:12,190 --> 00:53:09,499

free

1239

00:53:13,390 --> 00:53:12,200

oh he's reviewed every document he's

1240

00:53:15,609 --> 00:53:13,400

reviewed the people that we were

1241

00:53:19,150 --> 00:53:15,619

thinking of bringing in he is giving us

1242

00:53:21,299 --> 00:53:19,160

the thumbs up with a thumbs down on a

1243

00:53:23,650 --> 00:53:21,309

few people he's given us the thumbs down

1244

00:53:26,559 --> 00:53:23,660

he's made contacts with other

1245

00:53:29,620 --> 00:53:26,569

individuals open opening up doors for

1246

00:53:31,239 --> 00:53:29,630

example he just recently on Saturday I

1247

00:53:33,970 --> 00:53:31,249

was in an alley I was in his house again

1248

00:53:35,739 --> 00:53:33,980

and he signed the letter off for us to

1249

00:53:39,339 --> 00:53:35,749

give to various some conference

1250

00:53:40,839 --> 00:53:39,349

organizers requesting that free one of

1251  
00:53:44,620 --> 00:53:40,849  
our academics one of our professors and

1252  
00:53:47,259 --> 00:53:44,630  
free be able to give a lecture at the

1253  
00:53:50,170 --> 00:53:47,269  
major conferences around the world not

1254  
00:53:54,400 --> 00:53:50,180  
just on ufology but in other areas to

1255  
00:53:55,930 --> 00:53:54,410  
talk about our free research study after

1256  
00:53:58,509 --> 00:53:55,940  
December 1st so we're targeting

1257  
00:54:00,789 --> 00:53:58,519  
conferences in 2016

1258  
00:54:03,849 --> 00:54:00,799  
hoping for them to invite one of our

1259  
00:54:08,529 --> 00:54:03,859  
academics to give a formal speech about

1260  
00:54:11,079 --> 00:54:08,539  
our findings hmmm okay and I could send

1261  
00:54:14,710 --> 00:54:11,089  
you that letter that dr. Mitchell signed

1262  
00:54:18,009 --> 00:54:14,720  
off on he just did at this Saturday so

1263  
00:54:21,609 --> 00:54:18,019

he's um he's he's doing okay a couple

1264

00:54:23,289 --> 00:54:21,619

things five years old right yeah his

1265

00:54:23,650 --> 00:54:23,299

health is not you know in the best of

1266

00:54:25,930 --> 00:54:23,660

health

1267

00:54:30,009 --> 00:54:25,940

I'm not at liberty to go into all the

1268

00:54:32,109 --> 00:54:30,019

terms of his health but you know he's

1269

00:54:34,989 --> 00:54:32,119

not there ger Mitchell that I met three

1270

00:54:37,890 --> 00:54:34,999

years ago or natsume two and a half

1271

00:54:40,120 --> 00:54:37,900

years ago the first time at his house

1272

00:54:42,220 --> 00:54:40,130

because you know age takes a toll on

1273

00:54:45,579 --> 00:54:42,230

individuals but he's still very sharp

1274

00:54:47,259 --> 00:54:45,589

very witty yeah you know he still you

1275

00:54:51,700 --> 00:54:47,269

get into a debate with him I wish you

1276

00:54:53,500 --> 00:54:51,710

the best of luck okay so one of

1277

00:54:56,579 --> 00:54:53,510

the questions I had here is what type of

1278

00:54:59,440 --> 00:54:56,589

publicity was undertaken to publicize

1279

00:55:02,079 --> 00:54:59,450

the research study just to get the word

1280

00:55:06,730 --> 00:55:02,089

out there to get these what did you say

1281

00:55:12,490 --> 00:55:06,740

two thousand plus people yeah into the

1282

00:55:14,980 --> 00:55:12,500

specifics okay we sent out every month a

1283

00:55:19,030 --> 00:55:14,990

posting on over five hundred Facebook

1284

00:55:20,320 --> 00:55:19,040

sites no no that's not the only one

1285

00:55:21,550 --> 00:55:20,330

that's just one out of like ten

1286

00:55:23,829 --> 00:55:21,560

different strategies

1287

00:55:26,970 --> 00:55:23,839

okay now the Facebook sites that we

1288

00:55:30,690 --> 00:55:26,980

posted on was English Spanish and French

1289

00:55:36,450 --> 00:55:30,700

okay and it dealt with ufology groups

1290

00:55:40,560 --> 00:55:36,460

with MUFON groups abductions paranormal

1291

00:55:46,089 --> 00:55:40,570

parapsychology x4 politics consciousness

1292

00:55:48,700 --> 00:55:46,099

et alien hybrids ancient aliens new age

1293

00:55:50,530 --> 00:55:48,710

groups ce-5 groups what that person I

1294

00:55:54,760 --> 00:55:50,540

just mentioned in that last caller a

1295

00:55:58,690 --> 00:55:54,770

short while ago and and we we send that

1296

00:56:01,390 --> 00:55:58,700

out every month our postings about our

1297

00:56:04,240 --> 00:56:01,400

free research study we also sent over

1298

00:56:07,120 --> 00:56:04,250

two thousand and five hundred emails to

1299

00:56:09,070 --> 00:56:07,130

a mailing list that we got from many of

1300

00:56:11,620 --> 00:56:09,080

the people in our org organization like

1301  
00:56:14,230 --> 00:56:11,630  
for example dr. Edgar Mitchell Mary

1302  
00:56:17,470 --> 00:56:14,240  
Rodwell dr. Rudy shields you know etc

1303  
00:56:21,640 --> 00:56:17,480  
etc that that are participating with

1304  
00:56:23,800 --> 00:56:21,650  
free we also sent an email to all of the

1305  
00:56:25,870 --> 00:56:23,810  
MUFON directors state directors

1306  
00:56:28,150 --> 00:56:25,880  
assistant directors international

1307  
00:56:32,349 --> 00:56:28,160  
directors who is list of over 100 names

1308  
00:56:36,690 --> 00:56:32,359  
we also send emails to the top authors

1309  
00:56:41,050 --> 00:56:36,700  
of ufology of the paranormal of

1310  
00:56:44,170 --> 00:56:41,060  
abduction or authors or researchers all

1311  
00:56:46,510 --> 00:56:44,180  
over the world so almost every people

1312  
00:56:49,150 --> 00:56:46,520  
that you've interviewed most of them

1313  
00:56:51,970 --> 00:56:49,160

have received an email from free

1314

00:56:55,089 --> 00:56:51,980

announcing our experience or research

1315

00:56:58,839 --> 00:56:55,099

study and if they had any questions to

1316

00:57:02,290 --> 00:56:58,849

to send us an email to free we also sent

1317

00:57:05,290 --> 00:57:02,300

the information on free to almost all of

1318

00:57:08,710 --> 00:57:05,300

a major ufology and paranormal

1319

00:57:10,780 --> 00:57:08,720

radio stations and we were also

1320

00:57:14,200 --> 00:57:10,790

interviewed by to MUFON radio stations

1321

00:57:17,130 --> 00:57:14,210

as well and to the websites of all of

1322

00:57:19,270 --> 00:57:17,140

these individuals and organizations so

1323

00:57:23,470 --> 00:57:19,280

no one has ever done this type of

1324

00:57:25,660 --> 00:57:23,480

Felicity before for any type of research

1325

00:57:29,010 --> 00:57:25,670

study associated to this phenomenon so

1326  
00:57:32,440 --> 00:57:29,020  
that's to respond of our public outreach

1327  
00:57:34,960 --> 00:57:32,450  
which is extensive it really sounds it

1328  
00:57:37,060 --> 00:57:34,970  
and I know you know just from my own

1329  
00:57:38,950 --> 00:57:37,070  
experience how much time you know

1330  
00:57:41,260 --> 00:57:38,960  
something like that takes and then if

1331  
00:57:42,640 --> 00:57:41,270  
you want to boost posts you know you can

1332  
00:57:45,160 --> 00:57:42,650  
spend some money to I don't know if you

1333  
00:57:47,470 --> 00:57:45,170  
do any of that type of thing but you

1334  
00:57:49,300 --> 00:57:47,480  
know just to get the word out there it

1335  
00:57:51,250 --> 00:57:49,310  
helps when you have other people helping

1336  
00:57:52,450 --> 00:57:51,260  
and it sounds like you have a team I

1337  
00:57:55,440 --> 00:57:52,460  
don't know how much that will have a

1338  
00:57:59,110 --> 00:57:55,450

huge support team backing us up uh-huh

1339

00:58:00,610 --> 00:57:59,120

and before we hit the the top of the

1340

00:58:04,030 --> 00:58:00,620

hour here in just a couple minutes if

1341

00:58:07,680 --> 00:58:04,040

you can just say it's experiencers dot

1342

00:58:17,170 --> 00:58:07,690

c-- oh no dot org it's experiencer

1343

00:58:22,810 --> 00:58:17,180

singular its e x PE RI en ce er dot

1344

00:58:24,160 --> 00:58:22,820

o-r-g okay org okay and before we move

1345

00:58:27,130 --> 00:58:24,170

on at the top of the hour I just wanted

1346

00:58:29,140 --> 00:58:27,140

to ask you one question for the first

1347

00:58:32,920 --> 00:58:29,150

hour here and that is to finish up for a

1348

00:58:35,230 --> 00:58:32,930

couple minutes have you talked I keep

1349

00:58:38,830 --> 00:58:35,240

going back to this IRS thing and I just

1350

00:58:41,350 --> 00:58:38,840

wondered if you are if you are out of

1351  
00:58:45,030 --> 00:58:41,360  
the closet as far as this goes you know

1352  
00:58:48,760 --> 00:58:45,040  
at work or is it the question was

1353  
00:58:51,010 --> 00:58:48,770  
initially after my experiences I have

1354  
00:58:52,420 --> 00:58:51,020  
indeed spoken with almost every attorney

1355  
00:58:55,540 --> 00:58:52,430  
in my group Wow

1356  
00:58:58,900 --> 00:58:55,550  
and my supervisor okay three of them

1357  
00:59:02,260 --> 00:58:58,910  
have had experiences okay one was a

1358  
00:59:05,140 --> 00:59:02,270  
direct vision of a craft and an et

1359  
00:59:07,840 --> 00:59:05,150  
contact experience okay two of them have

1360  
00:59:09,730 --> 00:59:07,850  
had paranormal experiences I also asked

1361  
00:59:12,220 --> 00:59:09,740  
the question have they spoken to anyone

1362  
00:59:14,080 --> 00:59:12,230  
and they said hey please don't tell

1363  
00:59:16,720 --> 00:59:14,090

anybody else don't tell me about just in

1364

00:59:18,820 --> 00:59:16,730

confidence okay so this is a group of

1365

00:59:20,920 --> 00:59:18,830

about 12 attorneys

1366

00:59:24,130 --> 00:59:20,930

including with my supervisor and three

1367

00:59:25,750 --> 00:59:24,140

of them have had well one has had as I

1368

00:59:29,560 --> 00:59:25,760

said before the actual sighting of a

1369

00:59:31,600 --> 00:59:29,570

craft and an eg contact experience and

1370

00:59:33,100 --> 00:59:31,610

the other two have had paranormal

1371

00:59:35,109 --> 00:59:33,110

experiences Wow

1372

00:59:36,940 --> 00:59:35,119

you know how it's very common except

1373

00:59:39,010 --> 00:59:36,950

people don't talk about it yeah well you

1374

00:59:40,990 --> 00:59:39,020

know how the IRS usually can target

1375

00:59:46,930 --> 00:59:41,000

someone what sounds like the IRS is

1376  
00:59:49,270 --> 00:59:46,940  
being targeted to me the reason I'm

1377  
00:59:50,470 --> 00:59:49,280  
stating this because another project

1378  
00:59:53,020 --> 00:59:50,480  
that we're going to be pushing we're

1379  
00:59:55,630 --> 00:59:53,030  
going to be starting in in a couple of

1380  
00:59:58,150 --> 00:59:55,640  
weeks is to begin a program called the

1381  
00:59:59,170 --> 00:59:58,160  
experiencer Liberation Day I saw that

1382  
01:00:01,480 --> 00:59:59,180  
yes

1383  
01:00:04,120 --> 01:00:01,490  
talk about that okay so you have been

1384  
01:00:05,680 --> 01:00:04,130  
getting a lot of my emails so with the

1385  
01:00:07,000 --> 01:00:05,690  
experience Liberation Day I we can talk

1386  
01:00:10,030 --> 01:00:07,010  
about it in the next hour but it's

1387  
01:00:13,420 --> 01:00:10,040  
basically all these movements you know

1388  
01:00:15,130 --> 01:00:13,430

gays lesbians civil rights movement the

1389

01:00:16,859 --> 01:00:15,140

women's movement you know they're all

1390

01:00:22,690 --> 01:00:16,869

out of the closet okay

1391

01:00:25,120 --> 01:00:22,700

it's called gray pride we want to get

1392

01:00:26,680 --> 01:00:25,130

experiencers out of the closet why is it

1393

01:00:28,000 --> 01:00:26,690

that these three attorneys that work

1394

01:00:31,390 --> 01:00:28,010

with me can't talk about these things

1395

01:00:33,310 --> 01:00:31,400

publicly you know why myself given my

1396

01:00:33,880 --> 01:00:33,320

experiences I cannot talk about it

1397

01:00:37,180 --> 01:00:33,890

publicly

1398

01:00:39,580 --> 01:00:37,190

you know they 8 out of the 11 people in

1399

01:00:41,200 --> 01:00:39,590

our our group here and our board of

1400

01:00:43,690 --> 01:00:41,210

directors board of directors our

1401

01:00:46,870 --> 01:00:43,700

experiences yet only half of them are

1402

01:00:49,630 --> 01:00:46,880

all be open about their experiences ok

1403

01:00:52,359 --> 01:00:49,640

why is that it should not be okay we

1404

01:00:55,060 --> 01:00:52,369

this is a phenomenon which is taking

1405

01:00:58,000 --> 01:00:55,070

place all over the world it's why can't

1406

01:01:00,280 --> 01:00:58,010

we discuss it openly then once we begin

1407

01:01:01,720 --> 01:01:00,290

to discuss it openly then we'll be able

1408

01:01:04,930 --> 01:01:01,730

to deal with this in a scientific

1409

01:01:07,150 --> 01:01:04,940

academic rational way and not just some

1410

01:01:08,620 --> 01:01:07,160

taboo that's on the internet of people

1411

01:01:10,210 --> 01:01:08,630

spilling you know she's the

1412

01:01:13,480 --> 01:01:10,220

friend you know of people spilling

1413

01:01:15,250 --> 01:01:13,490

information without any credibility so

1414

01:01:18,190 --> 01:01:15,260

what we're trying to do with free is do

1415

01:01:21,849 --> 01:01:18,200

the first-ever academic comprehensive

1416

01:01:24,640 --> 01:01:21,859

research study on experiencers and with

1417

01:01:26,980 --> 01:01:24,650

these with these academics and actually

1418

01:01:29,440 --> 01:01:26,990

bring credibility to this field for the

1419

01:01:32,170 --> 01:01:29,450

first time so experiences can indeed

1420

01:01:33,579 --> 01:01:32,180

come out of the closet right okay

1421

01:02:09,560 --> 01:01:33,589

so hang in there if you're listening

1422

01:02:15,660 --> 01:02:12,780

all right we're on the line here with

1423

01:02:19,160 --> 01:02:15,670

Ray Hernandez he is going to be talking

1424

01:02:21,630 --> 01:02:19,170

this hour more about the the research

1425

01:02:24,720 --> 01:02:21,640

that the study that is being done with

1426

01:02:27,030 --> 01:02:24,730

all these 2,000 some odd people you can

1427

01:02:30,150 --> 01:02:27,040

call in this show at six oh three nine

1428

01:02:33,780 --> 01:02:30,160

six seven four OH three oh you can Skype

1429

01:02:36,840 --> 01:02:33,790

in that Marty Willis at the username

1430

01:02:42,510 --> 01:02:36,850

Skype username Marty Willis ma are T y

1431

01:02:45,240 --> 01:02:42,520

WI ll is and alright so we sort of left

1432

01:02:48,840 --> 01:02:45,250

off about people being able to talk

1433

01:02:52,080 --> 01:02:48,850

about this openly freely and I

1434

01:02:54,270 --> 01:02:52,090

understand you know it this is has so

1435

01:02:58,410 --> 01:02:54,280

many parallels to you hear about other

1436

01:03:02,130 --> 01:02:58,420

like support groups of whatever kind it

1437

01:03:03,840 --> 01:03:02,140

is where people you know in numbers feel

1438

01:03:06,990 --> 01:03:03,850

safe and talk about their own

1439

01:03:11,760 --> 01:03:07,000

experiences and whatever they are in any

1440

01:03:13,950 --> 01:03:11,770

given group and how say even a a or all

1441

01:03:15,780 --> 01:03:13,960

that how it seems to work it seems to

1442

01:03:18,240 --> 01:03:15,790

comfort people to be able to talk about

1443

01:03:20,220 --> 01:03:18,250

it is that is that part of what brie is

1444

01:03:22,740 --> 01:03:20,230

doing yes yes we also have another

1445

01:03:24,330 --> 01:03:22,750

program which I haven't discussed yet we

1446

01:03:26,640 --> 01:03:24,340

have actually been running it for a year

1447

01:03:28,980 --> 01:03:26,650

and a half it used to be called the

1448

01:03:32,040 --> 01:03:28,990

experiencer buddy program and now it's

1449

01:03:34,710 --> 01:03:32,050

called the experiencer peer support

1450

01:03:38,280 --> 01:03:34,720

program and it's individual it's what it

1451  
01:03:42,300 --> 01:03:38,290  
is is that we announce it to individuals

1452  
01:03:44,880 --> 01:03:42,310  
that have had any type of of contact

1453  
01:03:46,260 --> 01:03:44,890  
experience with I don't like to use the

1454  
01:03:48,330 --> 01:03:46,270  
word et because it signifies

1455  
01:03:49,520 --> 01:03:48,340  
extraterrestrial but basically any

1456  
01:03:52,560 --> 01:03:49,530  
ufo-related

1457  
01:03:54,240 --> 01:03:52,570  
non-human intelligent being and you need

1458  
01:03:57,150 --> 01:03:54,250  
someone to talk to

1459  
01:03:59,580 --> 01:03:57,160  
we hook you up with an individual that

1460  
01:04:01,980 --> 01:03:59,590  
has had many years of having these

1461  
01:04:03,900 --> 01:04:01,990  
experiences most of the individuals that

1462  
01:04:06,840 --> 01:04:03,910  
are have volunteered for this we have

1463  
01:04:10,320 --> 01:04:06,850

over 30 of them most of them are in

1464

01:04:11,760 --> 01:04:10,330

their late 50s 60s and even 70s and

1465

01:04:13,530 --> 01:04:11,770

these individuals that are not

1466

01:04:15,240 --> 01:04:13,540

traumatized by this

1467

01:04:16,770 --> 01:04:15,250

they might have had early trauma you

1468

01:04:19,110 --> 01:04:16,780

know when they first began these

1469

01:04:20,820 --> 01:04:19,120

experiences but over the years it's like

1470

01:04:22,860 --> 01:04:20,830

you know been there done that

1471

01:04:24,630 --> 01:04:22,870

you know so we hooked these people up

1472

01:04:27,420 --> 01:04:24,640

with these rookies people have never

1473

01:04:29,190 --> 01:04:27,430

talked with anybody and even a lot of

1474

01:04:31,020 --> 01:04:29,200

older folks we talked to that I've never

1475

01:04:33,300 --> 01:04:31,030

spoke to anyone except their spouse but

1476

01:04:35,010 --> 01:04:33,310

because we're doing this work with free

1477

01:04:37,020 --> 01:04:35,020

and we're publicizing all this work

1478

01:04:39,660 --> 01:04:37,030

people coming out of the Woodworks you

1479

01:04:41,700 --> 01:04:39,670

know so then they emails they found out

1480

01:04:43,620 --> 01:04:41,710

about this program the the Buddy Program

1481

01:04:45,180 --> 01:04:43,630

now called the peer support program and

1482

01:04:49,080 --> 01:04:45,190

we hooked them up with someone to talk

1483

01:04:52,950 --> 01:04:49,090

to and in a year and a half we have

1484

01:04:54,810 --> 01:04:52,960

helped almost 350 people mmm okay now

1485

01:04:57,600 --> 01:04:54,820

let me give an example of myself okay I

1486

01:04:59,850 --> 01:04:57,610

did not have a traumatic experience it

1487

01:05:02,610 --> 01:04:59,860

was my wife sees them as angels you know

1488

01:05:04,980 --> 01:05:02,620

and four and they did have a miraculous

1489

01:05:07,590 --> 01:05:04,990

healing of our dog and I never had

1490

01:05:10,140 --> 01:05:07,600

anything negative okay but yet I was

1491

01:05:13,650 --> 01:05:10,150

extremely traumatized by this why

1492

01:05:17,340 --> 01:05:13,660

because my whole mindset was totally

1493

01:05:19,080 --> 01:05:17,350

blown up here I was an atheist okay

1494

01:05:21,660 --> 01:05:19,090

my wife would force me to go to church

1495

01:05:24,060 --> 01:05:21,670

on Sundays and it would be like once a

1496

01:05:25,590 --> 01:05:24,070

month I would go you know the other

1497

01:05:28,050 --> 01:05:25,600

times when she would go without me you

1498

01:05:29,880 --> 01:05:28,060

know and I was trained at Berkeley and a

1499

01:05:31,920 --> 01:05:29,890

PhD candidate at Berkeley you know

1500

01:05:34,290 --> 01:05:31,930

rational materialist and all of a sudden

1501

01:05:35,700 --> 01:05:34,300

this thing you know pops in my living

1502

01:05:39,810 --> 01:05:35,710

room and then all these other

1503

01:05:43,710 --> 01:05:39,820

experiences so your your mind gets blown

1504

01:05:45,030 --> 01:05:43,720

to little pieces and you have to put

1505

01:05:48,360 --> 01:05:45,040

them together again to make some

1506

01:05:50,280 --> 01:05:48,370

semblance of your life you know you

1507

01:05:52,440 --> 01:05:50,290

don't work you become depressed you're

1508

01:05:54,840 --> 01:05:52,450

like totally anxious to be able to talk

1509

01:05:57,300 --> 01:05:54,850

with someone someone and it was about

1510

01:06:00,180 --> 01:05:57,310

nine months that I was alone I had no

1511

01:06:01,440 --> 01:06:00,190

one to talk to so you know even though

1512

01:06:03,480 --> 01:06:01,450

eat and that's even though my

1513

01:06:05,100 --> 01:06:03,490

experiences were positive so there's a

1514

01:06:06,750 --> 01:06:05,110

tremendous need to talk to other people

1515

01:06:08,130 --> 01:06:06,760

right right

1516

01:06:10,860 --> 01:06:08,140

there's a question up on the message

1517

01:06:13,500 --> 01:06:10,870

board I thought you addressed it in your

1518

01:06:16,470 --> 01:06:13,510

first encounter but perhaps not have you

1519

01:06:18,810 --> 01:06:16,480

seen an et in person and if so can you

1520

01:06:21,780 --> 01:06:18,820

describe the features oh yeah I did

1521

01:06:25,170 --> 01:06:21,790

describe it it was this floating plasma

1522

01:06:26,790 --> 01:06:25,180

beam but was there any other any have

1523

01:06:28,340 --> 01:06:26,800

you ever had another

1524

01:06:30,780 --> 01:06:28,350

experience where you've actually

1525

01:06:33,320 --> 01:06:30,790

physically saw no not physically that's

1526

01:06:36,230 --> 01:06:33,330

the only one but basically this et

1527

01:06:40,710 --> 01:06:36,240

whatever you want to call it you know

1528

01:06:42,870 --> 01:06:40,720

did take my wife and the dog and return

1529

01:06:46,350 --> 01:06:42,880

them back later you know the dog totally

1530

01:06:48,750 --> 01:06:46,360

cured it did Ahmed forced me to act

1531

01:06:50,070 --> 01:06:48,760

totally irrationally you just don't look

1532

01:06:52,440 --> 01:06:50,080

at something like that million River

1533

01:06:54,870 --> 01:06:52,450

home wave your hand at it just said BS

1534

01:06:57,030 --> 01:06:54,880

then go upstairs and you get knocked out

1535

01:06:59,190 --> 01:06:57,040

like you know and in seconds you know

1536

01:07:01,170 --> 01:06:59,200

and then all of a sudden wake up and

1537

01:07:03,390 --> 01:07:01,180

realize that you know your your back

1538

01:07:06,180 --> 01:07:03,400

your your consciousness your real mind

1539

01:07:07,920 --> 01:07:06,190

your real thinking you know his back and

1540

01:07:10,860 --> 01:07:07,930

you run down the stairs and then you

1541

01:07:13,170 --> 01:07:10,870

know craziness develops after your wife

1542

01:07:15,110 --> 01:07:13,180

tells tells you what she had you know so

1543

01:07:18,570 --> 01:07:15,120

it definitely was a being it was not a

1544

01:07:20,430 --> 01:07:18,580

plasma ball like an energy ball or

1545

01:07:22,140 --> 01:07:20,440

something like that though it was so

1546

01:07:25,170 --> 01:07:22,150

huge you know you just can't make this

1547

01:07:28,610 --> 01:07:25,180

stuff up it was a beam now how long

1548

01:07:31,440 --> 01:07:28,620

lasting was the effects on the dog oh

1549

01:07:34,410 --> 01:07:31,450

the dog mind you she was sixteen years

1550

01:07:36,540 --> 01:07:34,420

old okay again that's the equivalent I

1551

01:07:38,700 --> 01:07:36,550

guess you know someone that's 95 or

1552

01:07:42,420 --> 01:07:38,710

something like that she lived for

1553

01:07:44,100 --> 01:07:42,430

another 11 months like a teenager Wow 11

1554

01:07:48,000 --> 01:07:44,110

a half months I would say like a

1555

01:07:49,830 --> 01:07:48,010

teenager running back and forth jumping

1556

01:07:52,440 --> 01:07:49,840

up and down like whatever and then the

1557

01:07:55,770 --> 01:07:52,450

last two weeks of her life she just she

1558

01:07:57,630 --> 01:07:55,780

went down super fast to the point where

1559

01:07:59,850 --> 01:07:57,640

you know she was like barely able to

1560

01:08:02,910 --> 01:07:59,860

walk at that point but that it was real

1561

01:08:04,560 --> 01:08:02,920

quick was like in two weeks so we

1562

01:08:07,620 --> 01:08:04,570

brought it to the vet as a matter of

1563

01:08:09,150 --> 01:08:07,630

fact the first time as soon after this

1564

01:08:11,340 --> 01:08:09,160

happened because she was taking all this

1565

01:08:13,170 --> 01:08:11,350

medication she was taking Viagra she was

1566

01:08:15,330 --> 01:08:13,180

taking Doretta --xx and we were saying

1567

01:08:16,710 --> 01:08:15,340

you know well now that she's healthy you

1568

01:08:18,090 --> 01:08:16,720

know we don't know whether to give her

1569

01:08:20,400 --> 01:08:18,100

this medicine so he brought it to the

1570

01:08:21,630 --> 01:08:20,410

vet and we told the check route you know

1571

01:08:23,220 --> 01:08:21,640

any checked route he says what the hell

1572

01:08:24,809 --> 01:08:23,230

happened you know and we thought we

1573

01:08:26,910 --> 01:08:24,819

don't know she just woke up like that

1574

01:08:31,020 --> 01:08:26,920

way you know I never heard of giving a

1575

01:08:33,180 --> 01:08:31,030

dog viagra oh it's a common thing you

1576

01:08:35,940 --> 01:08:33,190

ask a vet and they will tell you that

1577

01:08:37,410 --> 01:08:35,950

they do prescribed viagra for dog dogs

1578

01:08:38,700 --> 01:08:37,420

that their heart is not functioning

1579

01:08:40,670 --> 01:08:38,710

properly well I think that was the

1580

01:08:43,920 --> 01:08:40,680

original

1581

01:08:45,630 --> 01:08:43,930

Genesis of Viagra was for heart medicine

1582

01:08:46,829 --> 01:08:45,640

or something I believe yeah my

1583

01:08:49,829 --> 01:08:46,839

understanding is that it stimulates

1584

01:08:52,110 --> 01:08:49,839

blood flow movement throughout your body

1585

01:08:54,599 --> 01:08:52,120

and the heart it gets the heart working

1586

01:08:56,880 --> 01:08:54,609

you know and and she had a very very bad

1587

01:09:00,240 --> 01:08:56,890

heart and she was taking the Doretta

1588

01:09:02,370 --> 01:09:00,250

ksterba water in her heart mm-hmm

1589

01:09:04,079 --> 01:09:02,380

and and I think in her lungs as well so

1590

01:09:06,390 --> 01:09:04,089

you know she was very very sick bored

1591

01:09:08,670 --> 01:09:06,400

right but he checked her out did a blood

1592

01:09:10,650 --> 01:09:08,680

test on her and says she's completely

1593

01:09:12,720 --> 01:09:10,660

healthy as a matter of fact she's like

1594

01:09:14,880 --> 01:09:12,730

you know when she was many many years

1595

01:09:16,890 --> 01:09:14,890

ago you know what the hell happened you

1596

01:09:19,019 --> 01:09:16,900

know that is bizarre that hold that and

1597

01:09:21,479 --> 01:09:19,029

so we did tell him the truth like a year

1598

01:09:23,459 --> 01:09:21,489

later okay we did tell him the truth

1599

01:09:24,630 --> 01:09:23,469

because he was a friend of ours and it

1600

01:09:26,130 --> 01:09:24,640

was only like a year and a half later

1601  
01:09:29,340 --> 01:09:26,140  
that we started talking about this you

1602  
01:09:31,110 --> 01:09:29,350  
know publicly and he and we did tell him

1603  
01:09:32,490 --> 01:09:31,120  
and he basically thought that you know

1604  
01:09:34,440 --> 01:09:32,500  
we were nuts you know he like changed

1605  
01:09:35,849 --> 01:09:34,450  
the subject and things of that but my

1606  
01:09:37,709 --> 01:09:35,859  
daughter was in there because his

1607  
01:09:39,059 --> 01:09:37,719  
daughter and my daughter attended same

1608  
01:09:41,760 --> 01:09:39,069  
elementary school and they were Nisus in

1609  
01:09:44,430 --> 01:09:41,770  
the same class you know so you know he

1610  
01:09:47,880 --> 01:09:44,440  
did verify for my wife all the facts he

1611  
01:09:49,229 --> 01:09:47,890  
did verify from my daughter so it's like

1612  
01:09:51,120 --> 01:09:49,239  
you know he just didn't know how to

1613  
01:09:53,579 --> 01:09:51,130

handle it you know when you hear about

1614

01:09:56,100 --> 01:09:53,589

this for the first time you know is the

1615

01:09:57,990 --> 01:09:56,110

entire family crazy yeah you know I

1616

01:09:58,560 --> 01:09:58,000

understand that I mean that's pretty

1617

01:10:00,780 --> 01:09:58,570

typical

1618

01:10:02,610 --> 01:10:00,790

can you provide we'll shift gears a

1619

01:10:04,979 --> 01:10:02,620

little bit can you provide an overview

1620

01:10:07,110 --> 01:10:04,989

of the free experience or research

1621

01:10:10,190 --> 01:10:07,120

project in general okay

1622

01:10:13,229 --> 01:10:10,200

based basically what happened was that

1623

01:10:15,390 --> 01:10:13,239

as you know I have this academic

1624

01:10:16,830 --> 01:10:15,400

background okay when I had this

1625

01:10:19,530 --> 01:10:16,840

experience I did what is called an

1626  
01:10:22,380 --> 01:10:19,540  
academic literature review so I looked

1627  
01:10:24,900 --> 01:10:22,390  
at the Publishing's of professors of

1628  
01:10:27,300 --> 01:10:24,910  
academics I totally ignored you know the

1629  
01:10:28,650 --> 01:10:27,310  
works of non academic or information

1630  
01:10:31,709 --> 01:10:28,660  
that was recovered through hypnotic

1631  
01:10:33,300 --> 01:10:31,719  
regression because it not a good

1632  
01:10:36,000 --> 01:10:33,310  
question is not is very controversial

1633  
01:10:37,650 --> 01:10:36,010  
and it's not fully recognized and it's

1634  
01:10:40,290 --> 01:10:37,660  
not something that academics rely upon

1635  
01:10:42,560 --> 01:10:40,300  
and so what I found out was that almost

1636  
01:10:44,850 --> 01:10:42,570  
nothing was published about this

1637  
01:10:47,070 --> 01:10:44,860  
quantitatively okay through quantitative

1638  
01:10:48,360 --> 01:10:47,080

data I mean you could go a thousand you

1639

01:10:50,190 --> 01:10:48,370

know a hundred people go into your

1640

01:10:52,170 --> 01:10:50,200

office and for you to write a book about

1641

01:10:54,149 --> 01:10:52,180

those hundred people but that's not a

1642

01:10:56,069 --> 01:10:54,159

scientific quantitative

1643

01:10:59,580 --> 01:10:56,079

that can really tell you what's going on

1644

01:11:01,890 --> 01:10:59,590

throughout you know society and so I

1645

01:11:03,689 --> 01:11:01,900

then did a literature review and what I

1646

01:11:06,060 --> 01:11:03,699

found out was that the very last study

1647

01:11:08,779 --> 01:11:06,070

in this field was the study that was

1648

01:11:12,239 --> 01:11:08,789

done by our very own Kathleen Martin and

1649

01:11:14,129 --> 01:11:12,249

donor men Danny stoner yeah who's also a

1650

01:11:16,649 --> 01:11:14,139

member of free and has been working with

1651

01:11:18,929 --> 01:11:16,659

us for two-and-a-half years and

1652

01:11:22,049 --> 01:11:18,939

basically that study only had 50

1653

01:11:26,310 --> 01:11:22,059

individuals that I've had abductions

1654

01:11:28,080 --> 01:11:26,320

okay and there was only 45 questions now

1655

01:11:31,409 --> 01:11:28,090

this is not going to cut you know the

1656

01:11:34,409 --> 01:11:31,419

cake you know you need to focus not only

1657

01:11:36,600 --> 01:11:34,419

on abductions you need to focus on the

1658

01:11:39,390 --> 01:11:36,610

individuals that are having all types of

1659

01:11:41,879 --> 01:11:39,400

ufo-related contact experiences because

1660

01:11:45,060 --> 01:11:41,889

all of our researchers fully understand

1661

01:11:46,819 --> 01:11:45,070

that abduction is just a small abductees

1662

01:11:49,259 --> 01:11:46,829

it's just a small component of

1663

01:11:52,169 --> 01:11:49,269

individuals that are seeing UFOs and

1664

01:11:54,149 --> 01:11:52,179

that have had et contact and as a matter

1665

01:11:56,520 --> 01:11:54,159

of fact our research study I can't not

1666

01:11:59,759 --> 01:11:56,530

give you the actual percentages and the

1667

01:12:03,120 --> 01:11:59,769

numbers but our research study confirms

1668

01:12:05,790 --> 01:12:03,130

that hypothesis that every member of our

1669

01:12:08,429 --> 01:12:05,800

group said that abduction is just one

1670

01:12:10,409 --> 01:12:08,439

smaller component of the overall people

1671

01:12:13,319 --> 01:12:10,419

that are that are having they're seeing

1672

01:12:15,060 --> 01:12:13,329

UFOs and are having contact so anyway I

1673

01:12:16,439 --> 01:12:15,070

said well we almost know nothing about

1674

01:12:20,669 --> 01:12:16,449

this because all the studies have been

1675

01:12:25,799 --> 01:12:20,679

on abductees so what what differentiates

1676

01:12:27,419 --> 01:12:25,809

our study with the previous studies that

1677

01:12:30,239 --> 01:12:27,429

have been done in the past

1678

01:12:32,100 --> 01:12:30,249

one is the sample pool as I said earlier

1679

01:12:35,640 --> 01:12:32,110

you know Kathleen's study had 50

1680

01:12:37,020 --> 01:12:35,650

abductees léo sample pool in his studies

1681

01:12:41,279 --> 01:12:37,030

were very small

1682

01:12:43,799 --> 01:12:41,289

there was another professor professor as

1683

01:12:46,709 --> 01:12:43,809

a French named Robert

1684

01:12:49,949 --> 01:12:46,719

lelou lrv who published this study back

1685

01:12:53,040 --> 01:12:49,959

in 2010 titled the omega-3 participant

1686

01:12:56,279 --> 01:12:53,050

summary a project and it only had 71

1687

01:12:58,640 --> 01:12:56,289

individuals and it was a very few number

1688

01:13:03,149 --> 01:12:58,650

of questions in a very very limited area

1689

01:13:05,580 --> 01:13:03,159

and and then there was a report that was

1690

01:13:07,860 --> 01:13:05,590

done by Robert Bullard but again he took

1691

01:13:09,930 --> 01:13:07,870

his data not on on

1692

01:13:12,150 --> 01:13:09,940

quantitative surveys that he undertook

1693

01:13:15,660 --> 01:13:12,160

he took quantitative surveys that were

1694

01:13:17,640 --> 01:13:15,670

done by Koufos of UFO reports and and

1695

01:13:19,770 --> 01:13:17,650

some of the experiences that people had

1696

01:13:22,080 --> 01:13:19,780

mainly abduction type of experiences so

1697

01:13:27,390 --> 01:13:22,090

basically unfair to say that we almost

1698

01:13:30,120 --> 01:13:27,400

know nothing about the overall you will

1699

01:13:32,280 --> 01:13:30,130

fall related eg contact phenomenon now

1700

01:13:33,960 --> 01:13:32,290

you interrupt you just for a second I do

1701

01:13:36,660 --> 01:13:33,970

want to ask for a couple of sample

1702

01:13:38,160 --> 01:13:36,670

questions in that but one of them I just

1703

01:13:39,720 --> 01:13:38,170

want to know is because it's a topic

1704

01:13:43,260 --> 01:13:39,730

that comes up quite often and we had

1705

01:13:46,110 --> 01:13:43,270

Nick Redford on recently and that is do

1706

01:13:48,810 --> 01:13:46,120

you ask about their blood type yes we

1707

01:13:51,060 --> 01:13:48,820

ask that and have you can you reveal

1708

01:13:53,130 --> 01:13:51,070

anything about this study or do we have

1709

01:13:55,620 --> 01:13:53,140

to wait till December first well you

1710

01:13:58,710 --> 01:13:55,630

have to wait till December first the

1711

01:14:01,230 --> 01:13:58,720

blood type is not what what most of the

1712

01:14:03,980 --> 01:14:01,240

people think it is okay because that's

1713

01:14:06,510 --> 01:14:03,990

there's a lot of talk about Rh negative

1714

01:14:09,990 --> 01:14:06,520

what it is is that Joe Montalvo did a

1715

01:14:13,200 --> 01:14:10,000

study of individuals that that were

1716

01:14:15,420 --> 01:14:13,210

targeted with Rh negative okay we still

1717

01:14:17,190 --> 01:14:15,430

need to do a full statistical analysis

1718

01:14:18,870 --> 01:14:17,200

like for example there might be a

1719

01:14:21,540 --> 01:14:18,880

difference between the people that are

1720

01:14:24,060 --> 01:14:21,550

actually abducted okay

1721

01:14:26,340 --> 01:14:24,070

and what is there are Rh negative factor

1722

01:14:29,160 --> 01:14:26,350

and the people that I've had you know

1723

01:14:31,680 --> 01:14:29,170

ETS visit them but have no idea that

1724

01:14:32,640 --> 01:14:31,690

they've ever been abducted okay and you

1725

01:14:34,430 --> 01:14:32,650

know and obviously they've had you a

1726

01:14:37,020 --> 01:14:34,440

folk-rock

1727

01:14:38,130 --> 01:14:37,030

experiences so it might be a difference

1728

01:14:40,620 --> 01:14:38,140

between those two groups

1729

01:14:42,480 --> 01:14:40,630

but that only comes later on after

1730

01:14:45,270 --> 01:14:42,490

December 1st when we start doing

1731

01:14:47,250 --> 01:14:45,280

statistical analysis I think um and

1732

01:14:48,660 --> 01:14:47,260

comparing different groups you know how

1733

01:14:49,770 --> 01:14:48,670

did this group answer that question how

1734

01:14:51,570 --> 01:14:49,780

did this other group answer that

1735

01:14:54,410 --> 01:14:51,580

question so that's why I'm saying what

1736

01:14:57,900 --> 01:14:54,420

we're doing is a very very sophisticated

1737

01:15:00,000 --> 01:14:57,910

study the preliminary findings you know

1738

01:15:01,950 --> 01:15:00,010

not the statistical cross comparisons

1739

01:15:03,870 --> 01:15:01,960

but the preliminary findings will be

1740

01:15:06,000 --> 01:15:03,880

publicly reviewed but individuals need

1741

01:15:07,920 --> 01:15:06,010

to understand that the actual the the

1742

01:15:11,580 --> 01:15:07,930

real juicy stuff the cross comparing see

1743

01:15:13,470 --> 01:15:11,590

stuff will not be done until several

1744

01:15:15,810 --> 01:15:13,480

months later I thought that was really

1745

01:15:19,440 --> 01:15:15,820

interesting with Denise and Kathleen

1746

01:15:21,230 --> 01:15:19,450

Mardon did their study just to to hear

1747

01:15:23,030 --> 01:15:21,240

the commonalities

1748

01:15:24,920 --> 01:15:23,040

between you know abductees no matter

1749

01:15:26,750 --> 01:15:24,930

where they are from but one of the the

1750

01:15:28,700 --> 01:15:26,760

questions I have for you

1751

01:15:31,430 --> 01:15:28,710

you know you reached out in all these

1752

01:15:32,360 --> 01:15:31,440

different venues to all these people to

1753

01:15:35,450 --> 01:15:32,370

take the survey

1754

01:15:38,200 --> 01:15:35,460

does anyone vet any of these people or

1755

01:15:40,670 --> 01:15:38,210

is it just is it like free-flowing

1756

01:15:43,070 --> 01:15:40,680

what we're gonna be doing is we're gonna

1757

01:15:45,080 --> 01:15:43,080

be doing hundreds of interviews I see

1758

01:15:48,410 --> 01:15:45,090

we're gonna be getting these individuals

1759

01:15:50,060 --> 01:15:48,420

and again another difference between our

1760

01:15:52,880 --> 01:15:50,070

study in the previous studies was that

1761

01:15:54,170 --> 01:15:52,890

the previous studies took abductees

1762

01:15:57,590 --> 01:15:54,180

again because all the previous studies

1763

01:15:59,870 --> 01:15:57,600

were on abductees that had experiences

1764

01:16:02,710 --> 01:15:59,880

through hypnotic regression we did not

1765

01:16:05,140 --> 01:16:02,720

accept that nice we only asked for

1766

01:16:08,720 --> 01:16:05,150

experiences based upon conscious

1767

01:16:11,750 --> 01:16:08,730

explicit memory that's it no lucid

1768

01:16:12,590 --> 01:16:11,760

dreams no mystical meditation journeys

1769

01:16:14,990 --> 01:16:12,600

and things like that

1770

01:16:18,110 --> 01:16:15,000

even though lucid dreams and mystical

1771

01:16:20,540 --> 01:16:18,120

meditation and hypnotic regressions is

1772

01:16:23,240 --> 01:16:20,550

valuable information to be able to study

1773

01:16:24,620 --> 01:16:23,250

this phenomenon that component we're

1774

01:16:28,730 --> 01:16:24,630

going to be asking when we do the

1775

01:16:33,370 --> 01:16:28,740

interviews but the surveys were just

1776

01:16:35,830 --> 01:16:33,380

based on consciousness explicit memory

1777

01:16:39,500 --> 01:16:35,840

well now that we're talking about this

1778

01:16:43,030 --> 01:16:39,510

you know I'm thinking of someone like

1779

01:16:45,320 --> 01:16:43,040

say the Allagash experiencers on

1780

01:16:48,350 --> 01:16:45,330

everyone remembered at ten years later

1781

01:16:50,570 --> 01:16:48,360

they only remembered through well

1782

01:16:52,540 --> 01:16:50,580

tidbits were coming back to them but

1783

01:16:55,120 --> 01:16:52,550

they were having all this through

1784

01:16:59,150 --> 01:16:55,130

regression all of them separately and

1785

01:17:03,350 --> 01:16:59,160

they all came up with you know the same

1786

01:17:05,750 --> 01:17:03,360

story separately but you're not you're

1787

01:17:07,730 --> 01:17:05,760

not interested so much in as far as

1788

01:17:10,520 --> 01:17:07,740

people taking a survey and that type of

1789

01:17:11,990 --> 01:17:10,530

situation but you are interested as far

1790

01:17:14,720 --> 01:17:12,000

as interviewing them is that what I'm

1791

01:17:17,600 --> 01:17:14,730

getting well the surveys again there's

1792

01:17:20,480 --> 01:17:17,610

two different focuses here for the

1793

01:17:23,360 --> 01:17:20,490

survey if you just ask any which way

1794

01:17:25,910 --> 01:17:23,370

question about hypnotic regression or

1795

01:17:27,260 --> 01:17:25,920

lucid dreams or mystical meditation you

1796

01:17:28,970 --> 01:17:27,270

could have your next-door neighbor who

1797

01:17:31,130 --> 01:17:28,980

took at the Laura's can in class for

1798

01:17:34,100 --> 01:17:31,140

three hours that does past life

1799

01:17:35,239 --> 01:17:34,110

regressions to do a hypnotic regression

1800

01:17:38,489 --> 01:17:35,249

session on them

1801

01:17:41,640 --> 01:17:38,499

okay or you could have someone who

1802

01:17:44,339 --> 01:17:41,650

totally sees these entities as pure

1803

01:17:46,319 --> 01:17:44,349

angelic will not even touch anything

1804

01:17:48,779 --> 01:17:46,329

anyone that has had any type of negative

1805

01:17:51,299 --> 01:17:48,789

experiences and someone who has no idea

1806

01:17:54,810 --> 01:17:51,309

what the hell they're doing coaching and

1807

01:17:58,290 --> 01:17:54,820

guiding the questions right that's

1808

01:18:01,439 --> 01:17:58,300

always been a concern you know most we

1809

01:18:03,929 --> 01:18:01,449

have sort of a mutual friend I don't

1810

01:18:06,270 --> 01:18:03,939

know how well you know her but she is

1811

01:18:09,270 --> 01:18:06,280

just getting into the field and you know

1812

01:18:10,859 --> 01:18:09,280

that as far as leading they're very

1813

01:18:13,469 --> 01:18:10,869

careful to make sure that they're not

1814

01:18:16,410 --> 01:18:13,479

leading people but I can definitely see

1815

01:18:18,209 --> 01:18:16,420

how that would yeah what's going to

1816

01:18:20,339 --> 01:18:18,219

happen to answer your question is that

1817

01:18:22,919 --> 01:18:20,349

for the surveys knowing that we would be

1818

01:18:25,679 --> 01:18:22,929

fully attacked if we allowed hypnotic

1819

01:18:28,739 --> 01:18:25,689

regression in the quantitative survey

1820

01:18:30,870 --> 01:18:28,749

okay but for the interviews we're gonna

1821

01:18:32,310 --> 01:18:30,880

be you know one on one we're gonna be

1822

01:18:34,529 --> 01:18:32,320

recording these entities and we're going

1823

01:18:35,790 --> 01:18:34,539

to be going experienced by experience

1824

01:18:39,600 --> 01:18:35,800

that experience they want to be asking

1825

01:18:41,910 --> 01:18:39,610

was that hypnotic regression was it

1826

01:18:44,160 --> 01:18:41,920

conscious explicit memory was it a lucid

1827

01:18:48,060 --> 01:18:44,170

you know to clarify each detailed

1828

01:18:50,520 --> 01:18:48,070

experience and and again to have that as

1829

01:18:52,890 --> 01:18:50,530

part of the interview which is part of

1830

01:18:55,890 --> 01:18:52,900

the experience or phenomenon for example

1831

01:18:59,580 --> 01:18:55,900

if if dr. John Mac you know did or

1832

01:19:00,660 --> 01:18:59,590

Kathleen Martin did a regression you

1833

01:19:02,339 --> 01:19:00,670

know we know it's going to be done

1834

01:19:03,870 --> 01:19:02,349

properly incorrectly because they've had

1835

01:19:05,160 --> 01:19:03,880

years of training they went to

1836

01:19:06,929 --> 01:19:05,170

professional schools for all of this

1837

01:19:08,250 --> 01:19:06,939

that sort of thing they're trained not

1838

01:19:11,279 --> 01:19:08,260

to be by is that sort of thing

1839

01:19:13,049 --> 01:19:11,289

but we cannot control for every you know

1840

01:19:14,580 --> 01:19:13,059

Mickey Mouse person out in the streets

1841

01:19:16,350 --> 01:19:14,590

that's doing these hypnotic regressions

1842

01:19:18,299 --> 01:19:16,360

like I said someone that's had a

1843

01:19:19,529 --> 01:19:18,309

three-hour Delores cannon course and I'm

1844

01:19:21,569 --> 01:19:19,539

not knocking her because I took that

1845

01:19:23,129 --> 01:19:21,579

course myself and I found that you know

1846

01:19:26,250 --> 01:19:23,139

very interesting and very helpful for me

1847

01:19:27,509 --> 01:19:26,260

but I'm not I can't go out now and do

1848

01:19:27,870 --> 01:19:27,519

hypnotic regressions you don't I'm

1849

01:19:30,359 --> 01:19:27,880

saying

1850

01:19:32,669 --> 01:19:30,369

sure so but we are going to be

1851

01:19:38,279 --> 01:19:32,679

incorporating that for the interviews I

1852

01:19:40,560 --> 01:19:38,289

said yeah okay well I understand that

1853

01:19:42,479 --> 01:19:40,570

certainly and just again if you're

1854

01:19:45,270 --> 01:19:42,489

listening live you can either Skype at

1855

01:19:48,569 --> 01:19:45,280

Marty Willis or you can call in at six

1856

01:19:52,799 --> 01:19:48,579

oh three nine six seven four Oh

1857

01:19:53,879 --> 01:19:52,809

three-oh and wind salon what it's all

1858

01:19:56,579 --> 01:19:53,889

what I was gonna say Marty's that I

1859

01:19:58,859 --> 01:19:56,589

still have a couple of basic differences

1860

01:20:00,029 --> 01:19:58,869

between our study and other studies but

1861

01:20:04,169 --> 01:20:00,039

we could continue after you asked a

1862

01:20:06,299 --> 01:20:04,179

question okay well I think I kind of

1863

01:20:07,709 --> 01:20:06,309

lost my my place here and what I was

1864

01:20:16,679 --> 01:20:07,719

going to ask you it was related to what

1865

01:20:20,609 --> 01:20:16,689

you're just talking about yeah but go

1866

01:20:22,489 --> 01:20:20,619

ahead and go ahead and it's me it's me

1867

01:20:24,540 --> 01:20:22,499

I'm trying to look at the chat room and

1868

01:20:26,729 --> 01:20:24,550

all kinds of things all at the same time

1869

01:20:28,529 --> 01:20:26,739

so I can easily mix aspect that

1870

01:20:31,520 --> 01:20:28,539

differentiates our study with other

1871

01:20:34,259 --> 01:20:31,530

studies like I told you we already have

1872

01:20:37,379 --> 01:20:34,269

2,500 individuals now these are in three

1873

01:20:40,379 --> 01:20:37,389

different languages okay in English we

1874

01:20:42,270 --> 01:20:40,389

have had for phase one one over one

1875

01:20:44,129 --> 01:20:42,280

thousand eight one announced almost a

1876  
01:20:46,169 --> 01:20:44,139  
thousand nine hundred a thousand nine

1877  
01:20:49,529 --> 01:20:46,179  
hundred individuals that have taken our

1878  
01:20:52,219 --> 01:20:49,539  
phase one study and phase one is about a

1879  
01:20:55,290 --> 01:20:52,229  
hundred fifty questions okay we've had

1880  
01:20:57,449 --> 01:20:55,300  
more now more than a thousand a hundred

1881  
01:20:59,879 --> 01:20:57,459  
100 individuals that have taken our

1882  
01:21:01,589 --> 01:20:59,889  
phase two study now the phase 2 studies

1883  
01:21:03,689 --> 01:21:01,599  
for you know the bigger experiences

1884  
01:21:05,549 --> 01:21:03,699  
people that have you know had lots of

1885  
01:21:07,589 --> 01:21:05,559  
diversity of types of experiences so

1886  
01:21:10,739 --> 01:21:07,599  
again it's a thousand two hundred people

1887  
01:21:13,739 --> 01:21:10,749  
just in English okay and phase two is

1888  
01:21:15,899 --> 01:21:13,749

comprised of 450 questions so the

1889

01:21:18,689 --> 01:21:15,909

difference in terms of the number of

1890

01:21:20,969 --> 01:21:18,699

questions we've got 600 questions and

1891

01:21:22,409 --> 01:21:20,979

you know the last major study that was

1892

01:21:25,409 --> 01:21:22,419

done on this and again it was just on

1893

01:21:27,989 --> 01:21:25,419

abductees was 45 questions so again

1894

01:21:29,429 --> 01:21:27,999

there's a huge difference in terms of

1895

01:21:32,279 --> 01:21:29,439

the type of questions that were asked

1896

01:21:35,819 --> 01:21:32,289

and then we are expecting to do later on

1897

01:21:38,159 --> 01:21:35,829

phase 3 and phase 4 survey down the road

1898

01:21:42,000 --> 01:21:38,169

so it's gonna be tons of questions well

1899

01:21:44,310 --> 01:21:42,010

down the road so the other aspect that I

1900

01:21:46,619 --> 01:21:44,320

talked about is the languages in spat we

1901

01:21:48,899 --> 01:21:46,629

have Spanish and in French in Spanish so

1902

01:21:52,139 --> 01:21:48,909

far we've had phase one and we've had

1903

01:21:54,179 --> 01:21:52,149

over 350 individuals that have answered

1904

01:21:56,369 --> 01:21:54,189

phase one phase two is going to be

1905

01:21:58,439 --> 01:21:56,379

launched this week okay by the end of

1906

01:22:01,630 --> 01:21:58,449

this weekend it should be launched phase

1907

01:22:05,610 --> 01:22:01,640

two so we should be able to get a

1908

01:22:08,080 --> 01:22:05,620

large sample pool for for Spanish

1909

01:22:08,980 --> 01:22:08,090

individuals and for French I don't know

1910

01:22:11,260 --> 01:22:08,990

what's going on with the French

1911

01:22:13,210 --> 01:22:11,270

individuals but we've only had 25

1912

01:22:15,610 --> 01:22:13,220

individuals now not close to 30

1913

01:22:19,570 --> 01:22:15,620

individuals that have responded to our

1914

01:22:21,790 --> 01:22:19,580

phase 1 French survey you know I I'm

1915

01:22:23,110 --> 01:22:21,800

gonna be talking up in two weeks there's

1916

01:22:26,190 --> 01:22:23,120

going to be a pre-recorded honor to be

1917

01:22:29,920 --> 01:22:26,200

speaking with Klaus von from Sweden and

1918

01:22:31,600 --> 01:22:29,930

Sweden and he was telling me he you know

1919

01:22:36,340 --> 01:22:31,610

he's really involved

1920

01:22:38,920 --> 01:22:36,350

that's his everyday job his UFOs and he

1921

01:22:40,660 --> 01:22:38,930

only knows of like two abductions so it

1922

01:22:43,390 --> 01:22:40,670

is kind of strange it's almost spotty

1923

01:22:44,740 --> 01:22:43,400

around the world and the question I had

1924

01:22:45,940 --> 01:22:44,750

for you that I couldn't remember was

1925

01:22:49,930 --> 01:22:45,950

that not a question it was a statement

1926

01:22:52,110 --> 01:22:49,940

and that is of this weekend Cathleen

1927

01:22:55,600 --> 01:22:52,120

Martin was given a few sample

1928

01:23:00,000 --> 01:22:55,610

commonalities of her research that they

1929

01:23:03,700 --> 01:23:00,010

did and she said that 66% of the

1930

01:23:05,290 --> 01:23:03,710

abductions were conscious conscious

1931

01:23:07,810 --> 01:23:05,300

recall yes

1932

01:23:09,850 --> 01:23:07,820

which i think is absolutely fascinating

1933

01:23:12,070 --> 01:23:09,860

because you think of people being

1934

01:23:13,900 --> 01:23:12,080

abducted in their sleep and you think of

1935

01:23:16,270 --> 01:23:13,910

people talking about sleep paralysis and

1936

01:23:19,930 --> 01:23:16,280

all that you know the the common ways

1937

01:23:22,900 --> 01:23:19,940

that you hear I'll try to explain not

1938

01:23:25,570 --> 01:23:22,910

only of abductees but of individuals

1939

01:23:27,370 --> 01:23:25,580

that have had quote-unquote et contact

1940

01:23:29,710 --> 01:23:27,380

experiences and again we're talking

1941

01:23:31,960 --> 01:23:29,720

about UFO related et context appearances

1942

01:23:33,880 --> 01:23:31,970

people have seen UFOs and have had et

1943

01:23:35,680 --> 01:23:33,890

contact I won't give a number but the

1944

01:23:37,090 --> 01:23:35,690

vast majority have been conscious can I

1945

01:23:39,610 --> 01:23:37,100

go back to when you were saying you were

1946

01:23:43,060 --> 01:23:39,620

in a traffic jam yes in a traffic jam

1947

01:23:44,680 --> 01:23:43,070

and then you had this experience did you

1948

01:23:46,780 --> 01:23:44,690

just wake up in the middle of the

1949

01:23:50,200 --> 01:23:46,790

traffic jam I mean what what happened

1950

01:23:52,030 --> 01:23:50,210

well again one of the issues that we

1951

01:23:55,110 --> 01:23:52,040

asked in our questions is topic of

1952

01:24:00,280 --> 01:23:55,120

missing time which is we're just

1953

01:24:02,710 --> 01:24:00,290

experiences and and researchers are just

1954

01:24:04,840 --> 01:24:02,720

starting to understand this and I know

1955

01:24:07,600 --> 01:24:04,850

that Joe Montano has spoken on his radio

1956

01:24:10,780 --> 01:24:07,610

show about that extensively but every

1957

01:24:13,150 --> 01:24:10,790

research runner in our group knows about

1958

01:24:15,819 --> 01:24:13,160

missing time because they spoke with so

1959

01:24:19,000 --> 01:24:15,829

many experiences like in my case

1960

01:24:21,640 --> 01:24:19,010

my wife thought that I never left to go

1961

01:24:24,100 --> 01:24:21,650

upstairs like I was directly behind her

1962

01:24:27,609 --> 01:24:24,110

the entire time but yet indeed I was

1963

01:24:29,069 --> 01:24:27,619

gone anywhere from 15 minutes to to 15

1964

01:24:33,250 --> 01:24:29,079

minutes to a half an hour maybe more

1965

01:24:34,810 --> 01:24:33,260

because we really didn't yeah look at

1966

01:24:37,240 --> 01:24:34,820

our clock it was Sunday morning at six

1967

01:24:39,129 --> 01:24:37,250

o'clock you know and it was such a crazy

1968

01:24:43,089 --> 01:24:39,139

day I don't think we looked at our

1969

01:24:46,020 --> 01:24:43,099

clocks okay but missing time is very

1970

01:24:49,000 --> 01:24:46,030

very common now Rudy explained to me

1971

01:24:50,950 --> 01:24:49,010

physicists most physicists first of all

1972

01:24:53,169 --> 01:24:50,960

they understand this concept of a

1973

01:24:54,939 --> 01:24:53,179

multi-dimensional reality twenty years

1974

01:24:58,510 --> 01:24:54,949

ago most physicists did not accept it

1975

01:25:00,399 --> 01:24:58,520

okay but now you know Michio Kaku dr.

1976

01:25:01,870 --> 01:25:00,409

green from Columbia most of the major

1977

01:25:06,310 --> 01:25:01,880

physicists that are out there that are

1978

01:25:08,530 --> 01:25:06,320

talking to the public acknowledge that

1979

01:25:10,629 --> 01:25:08,540

they have a hard time believing in the

1980

01:25:13,270 --> 01:25:10,639

multi-dimensional world you know reality

1981

01:25:16,510 --> 01:25:13,280

of our universe of universes but now

1982

01:25:16,780 --> 01:25:16,520

they're begrudgingly forcing to accept

1983

01:25:20,740 --> 01:25:16,790

it

1984

01:25:24,330 --> 01:25:20,750

so Rudy said that in fact we live in a

1985

01:25:27,370 --> 01:25:24,340

multiverse that he's an adherent to

1986

01:25:29,589 --> 01:25:27,380

Edgar's quantum hologram theory of

1987

01:25:32,589 --> 01:25:29,599

consciousness in physics which deals

1988

01:25:35,500 --> 01:25:32,599

with the multiverse reality and that in

1989

01:25:38,229 --> 01:25:35,510

fact time does not exist just like most

1990

01:25:40,240 --> 01:25:38,239

physicists except that the concept of

1991

01:25:42,939 --> 01:25:40,250

what we understand is time does not

1992

01:25:45,549 --> 01:25:42,949

exist they most of the people in our

1993

01:25:49,180 --> 01:25:45,559

group also hypothesize that these

1994

01:25:52,359 --> 01:25:49,190

entities are actually multi-dimensional

1995

01:25:56,020 --> 01:25:52,369

entities for many many different reasons

1996

01:25:57,129 --> 01:25:56,030

I will go into those details now with

1997

01:25:59,560 --> 01:25:57,139

the hypothesis there are

1998

01:26:01,720 --> 01:25:59,570

multi-dimensional entities and now that

1999

01:26:06,160 --> 01:26:01,730

most physicists accept the fact that we

2000

01:26:08,080 --> 01:26:06,170

do live in a multiverse okay is it and

2001

01:26:10,930 --> 01:26:08,090

that most physicists do not accept the

2002

01:26:12,970 --> 01:26:10,940

concept of time as we know what it is

2003

01:26:15,250 --> 01:26:12,980

and that's starting with Einstein in

2004

01:26:19,419 --> 01:26:15,260

terms of his concept of relativity and

2005

01:26:23,379 --> 01:26:19,429

in time isn't it not too much of a

2006

01:26:25,930 --> 01:26:23,389

stretch to think that these ETS can take

2007

01:26:28,689 --> 01:26:25,940

you and put you back in time or or maybe

2008

01:26:29,590 --> 01:26:28,699

in the future in time so in other words

2009

01:26:31,360 --> 01:26:29,600

you when you're in

2010

01:26:34,540 --> 01:26:31,370

a car you you think you came back about

2011

01:26:37,510 --> 01:26:34,550

the same time your take what I'm getting

2012

01:26:40,620 --> 01:26:37,520

at okay that that you could be put back

2013

01:26:43,510 --> 01:26:40,630

and you don't even realize what went on

2014

01:26:46,090 --> 01:26:43,520

some experiences have I think was Betty

2015

01:26:48,190 --> 01:26:46,100

Andreasen in one of her books mentioned

2016

01:26:52,510 --> 01:26:48,200

that she was actually put back like a

2017

01:26:54,370 --> 01:26:52,520

minute before before these ETS came on

2018

01:26:55,750 --> 01:26:54,380

she actually saw in the living room her

2019

01:26:57,910 --> 01:26:55,760

husband and her and her daughter

2020

01:27:00,700 --> 01:26:57,920

something along those lines that she was

2021

01:27:02,130 --> 01:27:00,710

sort of like an ethereal type of person

2022

01:27:04,690 --> 01:27:02,140

that hadn't fully materialized

2023

01:27:07,390 --> 01:27:04,700

materialized back into reality and she

2024

01:27:09,580 --> 01:27:07,400

was seeing what was taking place back in

2025

01:27:11,710 --> 01:27:09,590

time before the each he came like a

2026  
01:27:14,050 --> 01:27:11,720  
couple of minutes before and numerous

2027  
01:27:16,600 --> 01:27:14,060  
experiences have stated that you know

2028  
01:27:18,160 --> 01:27:16,610  
it's funny this has a parallel a little

2029  
01:27:20,620 --> 01:27:18,170  
bit and you were talking about in this

2030  
01:27:23,170 --> 01:27:20,630  
wheel experience you had it has a little

2031  
01:27:25,540 --> 01:27:23,180  
bit of a parallel to some of the

2032  
01:27:27,790 --> 01:27:25,550  
near-death experiences I want to go way

2033  
01:27:32,110 --> 01:27:27,800  
off topic here about its battle topic is

2034  
01:27:33,940 --> 01:27:32,120  
right on topic okay we have again we ask

2035  
01:27:36,400 --> 01:27:33,950  
that question about near-death

2036  
01:27:38,590 --> 01:27:36,410  
experiences we also ask a whole series

2037  
01:27:42,730 --> 01:27:38,600  
of questions whether these ETS

2038  
01:27:44,560 --> 01:27:42,740

are associated with the afterlife you

2039

01:27:46,410 --> 01:27:44,570

know with the spirit world and we asked

2040

01:27:48,910 --> 01:27:46,420

that question many many different ways

2041

01:27:51,220 --> 01:27:48,920

let me just tell you that based upon our

2042

01:27:55,120 --> 01:27:51,230

findings free formed a separate

2043

01:27:57,360 --> 01:27:55,130

subcommittee to further explore this is

2044

01:28:00,370 --> 01:27:57,370

only issue that you brought forth and

2045

01:28:03,430 --> 01:28:00,380

near-death experience is verily very

2046

01:28:04,660 --> 01:28:03,440

prominently featured well and again I

2047

01:28:06,970 --> 01:28:04,670

can't go into the details the

2048

01:28:09,490 --> 01:28:06,980

percentages but remember I told you in

2049

01:28:11,620 --> 01:28:09,500

one of letters I said that the results

2050

01:28:13,090 --> 01:28:11,630

of our study is going to rock the field

2051

01:28:15,340 --> 01:28:13,100

of ufology and the field of the

2052

01:28:17,590 --> 01:28:15,350

paranormal yes I remember that

2053

01:28:19,420 --> 01:28:17,600

and also there is one little I do want

2054

01:28:21,550 --> 01:28:19,430

to bring something up now that you just

2055

01:28:25,060 --> 01:28:21,560

said that is that there's a little bit

2056

01:28:28,180 --> 01:28:25,070

of conflicting dates I believe on your

2057

01:28:30,340 --> 01:28:28,190

website it says January 1st 2016 you're

2058

01:28:32,380 --> 01:28:30,350

coming out with this you mentioned on

2059

01:28:36,540 --> 01:28:32,390

the show just a few minutes ago that it

2060

01:28:41,320 --> 01:28:36,550

was December 1st and it was eventually

2061

01:28:43,449 --> 01:28:41,330

going to be launched in September yeah

2062

01:28:46,660 --> 01:28:43,459

let me let me clarify the okay

2063

01:28:48,790 --> 01:28:46,670

there's nothing there about January 1st

2064

01:28:50,979 --> 01:28:48,800

but let me clarify the day Oh

2065

01:28:53,439 --> 01:28:50,989

our Research Committee several weeks ago

2066

01:28:55,060 --> 01:28:53,449

had made a decision now everyone our

2067

01:28:56,649 --> 01:28:55,070

research committee is every one of our

2068

01:28:59,439 --> 01:28:56,659

board of directors that I previously

2069

01:29:01,419 --> 01:28:59,449

mentioned to you except dr. reseals and

2070

01:29:03,939 --> 01:29:01,429

dr. Edgar Mitchell because they are not

2071

01:29:09,759 --> 01:29:03,949

researchers in this field everyone else

2072

01:29:11,649 --> 01:29:09,769

is okay so but they do you know help to

2073

01:29:13,179 --> 01:29:11,659

run this show and free and give advice

2074

01:29:15,069 --> 01:29:13,189

on everything else including our

2075

01:29:16,899 --> 01:29:15,079

research study but these are not people

2076

01:29:19,029 --> 01:29:16,909

like like Kathleen Martin and Barry Rod

2077

01:29:21,069 --> 01:29:19,039

well Leo sprinkle John clean mode etc

2078

01:29:23,589 --> 01:29:21,079

etc that have been doing this for you

2079

01:29:26,259 --> 01:29:23,599

know working with experiences for 30 40

2080

01:29:29,020 --> 01:29:26,269

years in a research capacity so anyway

2081

01:29:32,049 --> 01:29:29,030

they decided at that meeting that as of

2082

01:29:35,859 --> 01:29:32,059

December 1st that we will close the

2083

01:29:40,390 --> 01:29:35,869

English language surveys and to release

2084

01:29:43,239 --> 01:29:40,400

the English data to the public at that

2085

01:29:45,339 --> 01:29:43,249

time and so subsequently we had our

2086

01:29:49,209 --> 01:29:45,349

first Board of Directors meeting last

2087

01:29:53,080 --> 01:29:49,219

Thursday a week ago you know whatever

2088

01:29:55,029 --> 01:29:53,090

six days ago and at that time we

2089

01:29:59,109 --> 01:29:55,039

discussed the fact that it might taint

2090

01:30:00,399 --> 01:29:59,119

the Spanish surveys and the French

2091

01:30:03,040 --> 01:30:00,409

surveys that they still have to do their

2092

01:30:08,500 --> 01:30:03,050

phase two surveys so it was decided at

2093

01:30:11,679 --> 01:30:08,510

that meeting to not release the data any

2094

01:30:14,649 --> 01:30:11,689

data on this on September 1st but to

2095

01:30:16,779 --> 01:30:14,659

release the data December 1st so we

2096

01:30:19,209 --> 01:30:16,789

would keep all the surveys open for

2097

01:30:21,149 --> 01:30:19,219

another three months and at that point

2098

01:30:23,649 --> 01:30:21,159

we would go you know on radio shows

2099

01:30:25,149 --> 01:30:23,659

publicly discuss our preliminary data

2100

01:30:27,219 --> 01:30:25,159

that sort of thing

2101  
01:30:30,719 --> 01:30:27,229  
now the interviews most probably are

2102  
01:30:34,839 --> 01:30:30,729  
going to start after December 1st

2103  
01:30:37,629 --> 01:30:34,849  
so December 1st is really the date for

2104  
01:30:40,660 --> 01:30:37,639  
releasing everything ok because see I

2105  
01:30:46,029 --> 01:30:40,670  
was on a website which was very similar

2106  
01:30:49,750 --> 01:30:46,039  
it's experiencer dot co and that that

2107  
01:30:51,850 --> 01:30:49,760  
known post on that website for goodness

2108  
01:30:53,649 --> 01:30:51,860  
for over a year and a half okay that's

2109  
01:30:55,689 --> 01:30:53,659  
why the dates are off okay oh no it's a

2110  
01:30:56,669 --> 01:30:55,699  
non-functional website everyone we're

2111  
01:30:58,859 --> 01:30:56,679  
building the website

2112  
01:31:02,189 --> 01:30:58,869  
now as we say we have like a one-page

2113  
01:31:06,060 --> 01:31:02,199

temporary site that lists a lot of links

2114

01:31:07,399 --> 01:31:06,070

but that site is experienced org I see

2115

01:31:11,250 --> 01:31:07,409

uh-huh

2116

01:31:13,199 --> 01:31:11,260

now we talked earlier and you gave me a

2117

01:31:15,390 --> 01:31:13,209

couple of ideas of some questions that

2118

01:31:18,390 --> 01:31:15,400

would be helpful yeah so I don't want to

2119

01:31:20,580 --> 01:31:18,400

ask any that you can't answer and one of

2120

01:31:22,739 --> 01:31:20,590

them was up how many individuals in your

2121

01:31:26,339 --> 01:31:22,749

survey have actually seen a UFO can you

2122

01:31:28,830 --> 01:31:26,349

touch this way okay it's the vast

2123

01:31:32,160 --> 01:31:28,840

majority of people that answered our

2124

01:31:34,020 --> 01:31:32,170

survey sure our phase one survey now had

2125

01:31:36,359 --> 01:31:34,030

you seen before your experience in your

2126

01:31:38,759 --> 01:31:36,369

living room where you saw the plasma and

2127

01:31:41,879 --> 01:31:38,769

all that had you seen a UFO or did you

2128

01:31:45,089 --> 01:31:41,889

no no nothing nothing I had no

2129

01:31:47,669 --> 01:31:45,099

conception at all about UFOs about ETS

2130

01:31:50,429 --> 01:31:47,679

the paranormal the only thing I could

2131

01:31:52,290 --> 01:31:50,439

think of is on these cable shows you

2132

01:31:53,969 --> 01:31:52,300

know late at night you know there might

2133

01:31:56,100 --> 01:31:53,979

be an Asian alien show or something like

2134

01:31:57,299 --> 01:31:56,110

that you watch it for 15 minutes and

2135

01:31:59,520 --> 01:31:57,309

then you turn it off because you said

2136

01:32:01,500 --> 01:31:59,530

yourself that's you know and go

2137

01:32:04,560 --> 01:32:01,510

on to the next program so that that was

2138

01:32:06,839 --> 01:32:04,570

my only understanding of this reality

2139

01:32:09,149 --> 01:32:06,849

yeah now you said the word

2140

01:32:11,040 --> 01:32:09,159

twice I'm not sure that's okay wait did

2141

01:32:13,739 --> 01:32:11,050

I just say it whoops I'd said it too

2142

01:32:17,870 --> 01:32:13,749

that's okay it's nothing it's not a big

2143

01:32:21,949 --> 01:32:19,410

that's all right

2144

01:32:25,890 --> 01:32:21,959

anyone want to call in you can call 603

2145

01:32:29,459 --> 01:32:25,900

967 403 oh now you can ask a question in

2146

01:32:31,739 --> 01:32:29,469

the chat room now you talked about your

2147

01:32:33,929 --> 01:32:31,749

dog in this healing this miraculous

2148

01:32:35,939 --> 01:32:33,939

healing the dog was like a teenager are

2149

01:32:38,390 --> 01:32:35,949

there are people that I have heard this

2150

01:32:41,219 --> 01:32:38,400

and when it comes to people claiming

2151  
01:32:43,350 --> 01:32:41,229  
after an abduction experience now are

2152  
01:32:45,029 --> 01:32:43,360  
you seeing any of that oh goodness

2153  
01:32:48,689 --> 01:32:45,039  
you're asking all the relevant questions

2154  
01:32:51,629 --> 01:32:48,699  
here let's put it to you this way once

2155  
01:32:54,330 --> 01:32:51,639  
our researchers saw how people responded

2156  
01:32:57,060 --> 01:32:54,340  
to that question then they decided to

2157  
01:33:01,049 --> 01:32:57,070  
pursue it more extensively uh-huh

2158  
01:33:03,569 --> 01:33:01,059  
oh that's all you're gonna say I cannot

2159  
01:33:06,029 --> 01:33:03,579  
give you data percentages you know all

2160  
01:33:08,279 --> 01:33:06,039  
I'm saying is that the people in our

2161  
01:33:11,010 --> 01:33:08,289  
research team knew that that has been

2162  
01:33:15,180 --> 01:33:11,020  
happening we actually have to

2163  
01:33:17,070 --> 01:33:15,190

members of our board of directors that

2164

01:33:20,880 --> 01:33:17,080

can elaborate on that but that's very

2165

01:33:22,770 --> 01:33:20,890

specific to them and no one will long as

2166

01:33:23,760 --> 01:33:22,780

they publicly talk about no one will

2167

01:33:25,380 --> 01:33:23,770

ever know about that

2168

01:33:30,180 --> 01:33:25,390

but there are two members of our board

2169

01:33:33,000 --> 01:33:30,190

that that have had that experience okay

2170

01:33:35,100 --> 01:33:33,010

and and plus people have heard about it

2171

01:33:37,320 --> 01:33:35,110

the researchers have heard about it over

2172

01:33:39,419 --> 01:33:37,330

and over again through the work that

2173

01:33:40,740 --> 01:33:39,429

they do but it's just not something that

2174

01:33:43,140 --> 01:33:40,750

study it's something that's not

2175

01:33:44,939 --> 01:33:43,150

mentioned there's no date on it no one

2176

01:33:47,280 --> 01:33:44,949

has ever asked any questions on it

2177

01:33:49,560 --> 01:33:47,290

because there most of the studies have

2178

01:33:52,320 --> 01:33:49,570

been on abductees you know and that

2179

01:33:54,450 --> 01:33:52,330

question has never been asked okay so we

2180

01:33:56,040 --> 01:33:54,460

did ask that question in our study so

2181

01:33:58,410 --> 01:33:56,050

for the first time we actually got real

2182

01:34:00,390 --> 01:33:58,420

data well and let me just tell you the

2183

01:34:04,890 --> 01:34:00,400

responses that we got everybody's

2184

01:34:06,120 --> 01:34:04,900

eyeballs popped out now I I want to get

2185

01:34:08,880 --> 01:34:06,130

back to a question I asked you in the

2186

01:34:10,680 --> 01:34:08,890

last hour and that is the word that I'm

2187

01:34:13,229 --> 01:34:10,690

hearing all the time and I heard it many

2188

01:34:15,660 --> 01:34:13,239

times this weekend at the conference and

2189

01:34:17,280 --> 01:34:15,670

that is the word download I got a downlo

2190

01:34:19,169 --> 01:34:17,290

grant Cameron had a download he was on

2191

01:34:22,890 --> 01:34:19,179

recently everyone's talking about

2192

01:34:24,450 --> 01:34:22,900

downloads and am I wrong to say that I

2193

01:34:26,850 --> 01:34:24,460

haven't heard people talk about this

2194

01:34:27,810 --> 01:34:26,860

like a year ago and all of a sudden

2195

01:34:30,180 --> 01:34:27,820

everybody's talking about it

2196

01:34:32,280 --> 01:34:30,190

well let me tell you you know my own

2197

01:34:35,790 --> 01:34:32,290

experience when I started talking about

2198

01:34:38,130 --> 01:34:35,800

it I called an eg telegram I had no idea

2199

01:34:40,169 --> 01:34:38,140

what a download was you know because to

2200

01:34:42,720 --> 01:34:40,179

me it was a telegram because it was

2201

01:34:45,900 --> 01:34:42,730

superfast it was instantaneous in my

2202

01:34:48,390 --> 01:34:45,910

head it's difficult described you know

2203

01:34:50,040 --> 01:34:48,400

because you're you're having this wheel

2204

01:34:52,260 --> 01:34:50,050

here but the information is

2205

01:34:54,060 --> 01:34:52,270

instantaneous it's not like a voice it's

2206

01:34:56,160 --> 01:34:54,070

not like hey ray you know wake the hell

2207

01:34:58,439 --> 01:34:56,170

up let me tell you something now pay

2208

01:34:59,820 --> 01:34:58,449

attention you know number one blah blah

2209

01:35:01,890 --> 01:34:59,830

blah number two no it wasn't like that

2210

01:35:05,880 --> 01:35:01,900

it's like an instant information going

2211

01:35:07,680 --> 01:35:05,890

into your head okay and and and again

2212

01:35:08,790 --> 01:35:07,690

you know I'm not familiar with this

2213

01:35:11,270 --> 01:35:08,800

terminology at least I wasn't

2214

01:35:13,620 --> 01:35:11,280

terminology for so for the longest time

2215

01:35:16,770 --> 01:35:13,630

for a year and a half maybe two years I

2216

01:35:17,910 --> 01:35:16,780

called it an ET telegram then I heard

2217

01:35:20,100 --> 01:35:17,920

other people mentioning the word

2218

01:35:21,810 --> 01:35:20,110

download and I'm the only one that's

2219

01:35:22,890 --> 01:35:21,820

mentioning ET telegram they don't know

2220

01:35:23,940 --> 01:35:22,900

what the hell I'm talking about

2221

01:35:27,570 --> 01:35:23,950

you know so that I

2222

01:35:30,270 --> 01:35:27,580

changed to download you know that's what

2223

01:35:34,680 --> 01:35:30,280

a lot of experiences and abductees you

2224

01:35:38,190 --> 01:35:34,690

know because uh what they talk about it

2225

01:35:42,180 --> 01:35:38,200

and again we I don't want to give out

2226

01:35:43,800 --> 01:35:42,190

statistics of numbers percentages of

2227

01:35:48,480 --> 01:35:43,810

people that have had these quote-unquote

2228

01:35:50,820 --> 01:35:48,490

downloads but if I told you that it was

2229

01:35:53,400 --> 01:35:50,830

a huge number it's not something that's

2230

01:35:55,050 --> 01:35:53,410

that's not know publicly known you know

2231

01:35:56,790 --> 01:35:55,060

if you go to that conference if you talk

2232

01:35:59,070 --> 01:35:56,800

to Kathleen if you talk to Denise if you

2233

01:36:01,320 --> 01:35:59,080

talk to you know all the individuals in

2234

01:36:06,390 --> 01:36:01,330

our group they will tell you that it's a

2235

01:36:07,920 --> 01:36:06,400

it goes hand in hand with the et contact

2236

01:36:08,820 --> 01:36:07,930

phenomenon you have four related eg

2237

01:36:11,550 --> 01:36:08,830

contact anima

2238

01:36:12,890 --> 01:36:11,560

you know you go to one of the cases

2239

01:36:16,050 --> 01:36:12,900

which I think is one of the most

2240

01:36:19,200 --> 01:36:16,060

outstanding cases ever and it's those

2241

01:36:20,850 --> 01:36:19,210

sixty two schoolchildren in Zimbabwe I

2242

01:36:22,170 --> 01:36:20,860

need to tell your story about that yeah

2243

01:36:24,120 --> 01:36:22,180

I'd like to I'd like to talk because

2244

01:36:27,600 --> 01:36:24,130

talk about downloads you know they all

2245

01:36:29,490 --> 01:36:27,610

talk afterwards about you know seeing

2246

01:36:30,470 --> 01:36:29,500

visions of you know we better take care

2247

01:36:32,610 --> 01:36:30,480

of the earth

2248

01:36:35,070 --> 01:36:32,620

yeah go ahead what do you have on that

2249

01:36:39,780 --> 01:36:35,080

oh yeah no nobody knows about this okay

2250

01:36:41,280 --> 01:36:39,790

my wife has a friend of hers her son was

2251  
01:36:44,370 --> 01:36:41,290  
a year ahead of my daughter in school

2252  
01:36:46,470 --> 01:36:44,380  
and because she lived at a distance she

2253  
01:36:48,690 --> 01:36:46,480  
always hang out with my wife before it

2254  
01:36:50,550 --> 01:36:48,700  
was time to pick up her son and then

2255  
01:36:52,740 --> 01:36:50,560  
they became very good friends and then

2256  
01:36:57,210 --> 01:36:52,750  
you know they get together a lot you

2257  
01:36:58,530 --> 01:36:57,220  
know for many social occasions so one

2258  
01:37:00,360 --> 01:36:58,540  
day she was in the house and she

2259  
01:37:03,000 --> 01:37:00,370  
overheard me speaking with an

2260  
01:37:05,730 --> 01:37:03,010  
experiencer and she heard this word UFO

2261  
01:37:07,050 --> 01:37:05,740  
UFO you know all over again and there

2262  
01:37:08,880 --> 01:37:07,060  
was someone in Spanish that we were

2263  
01:37:12,030 --> 01:37:08,890

talking okay a spanish-speaking

2264

01:37:14,490 --> 01:37:12,040

experiencer so then after I hung up she

2265

01:37:17,130 --> 01:37:14,500

goes ray I overheard you you know

2266

01:37:20,940 --> 01:37:17,140

talking on on your cell phone and you

2267

01:37:22,470 --> 01:37:20,950

were talking about UFOs okay and I think

2268

01:37:25,620 --> 01:37:22,480

we even mentioned someone that has seen

2269

01:37:28,230 --> 01:37:25,630

a UFO what do you know about UFOs so

2270

01:37:30,150 --> 01:37:28,240

then you know I told her okay now we've

2271

01:37:31,530 --> 01:37:30,160

never spoken about this my wife you know

2272

01:37:35,160 --> 01:37:31,540

my wife never speaks about this to

2273

01:37:37,529 --> 01:37:35,170

anyone you know a lot of our friends

2274

01:37:40,080 --> 01:37:37,539

know about it but just out

2275

01:37:42,270 --> 01:37:40,090

you know someone that's not an intimate

2276

01:37:44,100 --> 01:37:42,280

close friend we don't talk about this so

2277

01:37:46,259 --> 01:37:44,110

anyway I started telling her about our

2278

01:37:47,549 --> 01:37:46,269

experiences which he never heard of my

2279

01:37:49,350 --> 01:37:47,559

wife's and my daughter and in my

2280

01:37:50,879 --> 01:37:49,360

experience then I started telling her

2281

01:37:52,229 --> 01:37:50,889

about my group that we're doing the the

2282

01:37:54,600 --> 01:37:52,239

free group all the members in our group

2283

01:37:57,359 --> 01:37:54,610

and then she says oh my god I've never

2284

01:38:01,379 --> 01:37:57,369

mentioned this to anyone else she was a

2285

01:38:04,080 --> 01:38:01,389

schoolteacher in rural Colombia and she

2286

01:38:06,660 --> 01:38:04,090

said it was like similar to some Bob way

2287

01:38:08,580 --> 01:38:06,670

which is rural and it had little kids

2288

01:38:11,549 --> 01:38:08,590

you know like free kindergarten kids all

2289

01:38:14,640 --> 01:38:11,559

the way up to I think the eighth grade

2290

01:38:17,490 --> 01:38:14,650

the kids were all of a sudden a ship

2291

01:38:21,020 --> 01:38:17,500

landed on their property at a distance

2292

01:38:25,709 --> 01:38:21,030

and these beings came out three beings

2293

01:38:27,240 --> 01:38:25,719

tall small beings and then she even

2294

01:38:28,200 --> 01:38:27,250

described it what it looked like and I

2295

01:38:30,240 --> 01:38:28,210

said well how do you know what they look

2296

01:38:31,169 --> 01:38:30,250

like she said well the the principal of

2297

01:38:33,839 --> 01:38:31,179

the school and some of the other

2298

01:38:38,129 --> 01:38:33,849

teachers and I in my own class had my

2299

01:38:40,009 --> 01:38:38,139

kids to do the drawings okay the case is

2300

01:38:42,689 --> 01:38:40,019

not you don't hear about this case

2301

01:38:44,759 --> 01:38:42,699

probably no one talks about it who the

2302

01:38:46,020 --> 01:38:44,769

hell is gonna talk about it you know if

2303

01:38:48,720 --> 01:38:46,030

you're this lady you're gonna talk about

2304

01:38:50,250 --> 01:38:48,730

it if you one of the teachers there

2305

01:38:53,430 --> 01:38:50,260

you're gonna talk about it of course

2306

01:38:56,430 --> 01:38:53,440

that well it seems it seems like if

2307

01:39:01,560 --> 01:38:56,440

there's enough people that witness

2308

01:39:02,970 --> 01:39:01,570

something like this and I told her I'm

2309

01:39:06,000 --> 01:39:02,980

gonna get you on video even if you have

2310

01:39:07,799 --> 01:39:06,010

to turn your back mm-hmm you know for

2311

01:39:09,689 --> 01:39:07,809

you to say it in Spanish which is your

2312

01:39:11,819 --> 01:39:09,699

her native language and for us to

2313

01:39:14,100 --> 01:39:11,829

translate it later and she said yes I'll

2314

01:39:16,740 --> 01:39:14,110

do it you know and then we could get the

2315

01:39:18,330 --> 01:39:16,750

full story and she even mentioned you

2316

01:39:20,580 --> 01:39:18,340

know more or less the date and it was

2317

01:39:23,729 --> 01:39:20,590

like either a year or before after the

2318

01:39:26,009 --> 01:39:23,739

the John Mack incident

2319

01:39:28,770 --> 01:39:26,019

I forgot exactly but in the video she

2320

01:39:30,060 --> 01:39:28,780

could tell her she knows the city I said

2321

01:39:32,850 --> 01:39:30,070

you have any contact with any of those

2322

01:39:35,399 --> 01:39:32,860

teachers she said well maybe one that I

2323

01:39:36,779 --> 01:39:35,409

kept in contact with over the years but

2324

01:39:38,939 --> 01:39:36,789

I haven't spoken with this person in

2325

01:39:41,339 --> 01:39:38,949

many many years and I said do you know

2326

01:39:42,870 --> 01:39:41,349

any of the children and she says no you

2327

01:39:45,720 --> 01:39:42,880

know because I haven't lived in that

2328

01:39:46,890 --> 01:39:45,730

city in many many years so then you know

2329

01:39:49,799 --> 01:39:46,900

what I did I went straight to the

2330

01:39:51,359 --> 01:39:49,809

YouTube and I showed her John Mack and

2331

01:39:53,910 --> 01:39:51,369

this woman's our eyeballs

2332

01:39:56,189 --> 01:39:53,920

popped out okay she saw the drawings

2333

01:39:57,839 --> 01:39:56,199

that the kid did she says oh my god it's

2334

01:39:59,790 --> 01:39:57,849

almost the exact drawings that these

2335

01:40:01,080 --> 01:39:59,800

kids drew and that's that was when I

2336

01:40:02,820 --> 01:40:01,090

asked her about the drawings you know

2337

01:40:05,189 --> 01:40:02,830

because she said that they actually

2338

01:40:07,379 --> 01:40:05,199

invited the parents of the kids to come

2339

01:40:11,790 --> 01:40:07,389

in and that's when they had these

2340

01:40:14,129 --> 01:40:11,800

discussions she discussed it in her room

2341

01:40:17,100 --> 01:40:14,139

you know but she described it that her

2342

01:40:19,530 --> 01:40:17,110

kids in her class were the toddlers the

2343

01:40:21,540 --> 01:40:19,540

kids that were you know four years old

2344

01:40:24,800 --> 01:40:21,550

five years old and the kid the

2345

01:40:26,879 --> 01:40:24,810

kindergarten kids you know but that

2346

01:40:29,879 --> 01:40:26,889

almost all the kids were out in recess

2347

01:40:31,919 --> 01:40:29,889

so even the older kids saw it it's

2348

01:40:34,350 --> 01:40:31,929

almost identical now here's another

2349

01:40:36,629 --> 01:40:34,360

thing in Australia I asked Mary Rodwell

2350

01:40:38,640 --> 01:40:36,639

and some of our folks in Australia they

2351

01:40:41,040 --> 01:40:38,650

said that same incident happened in

2352

01:40:43,169 --> 01:40:41,050

Australia where our craft landed these

2353

01:40:46,859 --> 01:40:43,179

grace came out I think was crazy I don't

2354

01:40:49,169 --> 01:40:46,869

want to misspeak here but goodness I I

2355

01:40:51,919 --> 01:40:49,179

think was in the mid 70s to you know

2356

01:40:54,959 --> 01:40:51,929

Westfall maybe that's what it was

2357

01:40:56,580 --> 01:40:54,969

uh-huh well we had we had Shane I'm

2358

01:40:59,100 --> 01:40:56,590

trying to think of his last name Senate

2359

01:41:01,109 --> 01:40:59,110

so the main lead researcher on that yeah

2360

01:41:02,760 --> 01:41:01,119

that it was very similar there is a lot

2361

01:41:05,820 --> 01:41:02,770

of similarities to that except I don't

2362

01:41:09,689 --> 01:41:05,830

believe they saw beings but I'm not

2363

01:41:11,520 --> 01:41:09,699

positive I can't say that I spoke with a

2364

01:41:13,709 --> 01:41:11,530

couple of folks they said that that a

2365

01:41:15,660 --> 01:41:13,719

craft did appear I think it actually

2366

01:41:17,339 --> 01:41:15,670

landed yes and that it was seen by the

2367

01:41:20,760 --> 01:41:17,349

school kids and in terms of the details

2368

01:41:22,410 --> 01:41:20,770

I don't remember but this lady you know

2369

01:41:23,669 --> 01:41:22,420

she was here for like maybe you know an

2370

01:41:26,399 --> 01:41:23,679

hour and a half speaking with my wife

2371

01:41:29,580 --> 01:41:26,409

and we had a quick chat and I like you

2372

01:41:31,560 --> 01:41:29,590

know you know told her like you know

2373

01:41:33,570 --> 01:41:31,570

jokingly I said look we got to schedule

2374

01:41:35,220 --> 01:41:33,580

this date you know and as even if you

2375

01:41:37,560 --> 01:41:35,230

got to turn your back you know we'll do

2376

01:41:40,260 --> 01:41:37,570

it it's just as sure you know so I just

2377

01:41:42,419 --> 01:41:40,270

I've been so busy but definitely it's I

2378

01:41:46,350 --> 01:41:42,429

need to do that now does she speak

2379

01:41:48,689 --> 01:41:46,360

English as well very broken in that's

2380

01:41:50,640 --> 01:41:48,699

too bad I'd love to have someone like

2381

01:41:51,990 --> 01:41:50,650

that but again you know she's the type

2382

01:41:53,609 --> 01:41:52,000

that she doesn't you know want to come

2383

01:41:55,169 --> 01:41:53,619

out publicly and open you know yeah

2384

01:41:58,950 --> 01:41:55,179

right but I thought I've had one person

2385

01:42:01,109 --> 01:41:58,960

on here so far in 166 shows that was

2386

01:42:02,850 --> 01:42:01,119

anonymous everyone else yeah I mean I'm

2387

01:42:05,580 --> 01:42:02,860

open to doing something like that

2388

01:42:07,620 --> 01:42:05,590

because I think that story needs to come

2389

01:42:09,720 --> 01:42:07,630

I really like I'm definitely gonna do it

2390

01:42:13,740 --> 01:42:09,730

she's let me describe her I would say

2391

01:42:16,379 --> 01:42:13,750

she's in her early 50s she's a single

2392

01:42:19,740 --> 01:42:16,389

parent that lives with her mother has

2393

01:42:22,800 --> 01:42:19,750

her son is I think he's like 14 years

2394

01:42:24,870 --> 01:42:22,810

old now you know and they're friends of

2395

01:42:26,580 --> 01:42:24,880

the family now and and it's like out of

2396

01:42:28,169 --> 01:42:26,590

the blue and I said you know have you

2397

01:42:29,910 --> 01:42:28,179

ever had any interest in UFOs and he

2398

01:42:33,300 --> 01:42:29,920

teases and stuff like that and she says

2399

01:42:35,520 --> 01:42:33,310

no but I am you know a spiritual person

2400

01:42:37,320 --> 01:42:35,530

you know she was asking me questions

2401

01:42:40,140 --> 01:42:37,330

about the Cabal and stuff like that

2402

01:42:42,240 --> 01:42:40,150

because I believe she is Jewish and she

2403

01:42:44,010 --> 01:42:42,250

was asking me you know some questions

2404

01:42:45,990 --> 01:42:44,020

about it I told her you know I had read

2405

01:42:47,970 --> 01:42:46,000

some some stuff about it but I don't

2406

01:42:49,680 --> 01:42:47,980

know too much and she says she's just

2407

01:42:52,709 --> 01:42:49,690

starting to get into it to try to learn

2408

01:42:54,959 --> 01:42:52,719

it but you know she is a you know a

2409

01:42:56,490 --> 01:42:54,969

spiritual person believes in God but

2410

01:42:59,970 --> 01:42:56,500

she's someone that doesn't want any this

2411

01:43:01,109 --> 01:42:59,980

you know publicized right all right I'm

2412

01:43:02,550 --> 01:43:01,119

gonna skip around a little bit because

2413

01:43:04,379 --> 01:43:02,560

we had a question up on the message

2414

01:43:07,260 --> 01:43:04,389

board and that's going all the way back

2415

01:43:10,979 --> 01:43:07,270

to where your your wife and the dog were

2416

01:43:13,950 --> 01:43:10,989

taken you know the first did you think

2417

01:43:15,899 --> 01:43:13,960

to look for any type of trace evidence I

2418

01:43:18,390 --> 01:43:15,909

mean did that even cross your mind well

2419

01:43:22,620 --> 01:43:18,400

we looked at the wall and I did call

2420

01:43:26,220 --> 01:43:22,630

most both on MUFON Kane after we had our

2421

01:43:28,109 --> 01:43:26,230

third major experience series of

2422

01:43:30,629 --> 01:43:28,119

experiences the first series was inside

2423

01:43:33,240 --> 01:43:30,639

our house the second was was my wife

2424

01:43:35,459 --> 01:43:33,250

having you know the experiences outside

2425

01:43:38,120 --> 01:43:35,469

the house with their craft and in Mexico

2426

01:43:41,399 --> 01:43:38,130

so outside the house was a huge gigantic

2427

01:43:42,720 --> 01:43:41,409

craft that she saw and so after the

2428

01:43:45,240 --> 01:43:42,730

experience that I had with my daughter

2429

01:43:47,339 --> 01:43:45,250

and these three witnesses I said man I

2430

01:43:50,010 --> 01:43:47,349

got a call move on because I was already

2431

01:43:52,979 --> 01:43:50,020

was a MUFON member at that time because

2432

01:43:55,050 --> 01:43:52,989

I I could have sworn that thousands of

2433

01:43:56,430 --> 01:43:55,060

people had seen this thing because it it

2434

01:43:58,410 --> 01:43:56,440

to me it seemed like it went straight

2435

01:44:01,470 --> 01:43:58,420

back we have a highway like two or three

2436

01:44:03,780 --> 01:44:01,480

blocks away okay so I could have put my

2437

01:44:06,419 --> 01:44:03,790

dad's last dollar that the end of that

2438

01:44:08,669 --> 01:44:06,429

craft was above at highway so I called

2439

01:44:12,330 --> 01:44:08,679

bouffant they had this lady Mary

2440

01:44:13,709 --> 01:44:12,340

Margaret Zimmer that came on board she

2441

01:44:16,200 --> 01:44:13,719

used to be the assistant director for

2442

01:44:17,669 --> 01:44:16,210

Florida MUFON and she had worked with

2443

01:44:19,290 --> 01:44:17,679

experiences for many many years I

2444

01:44:22,530 --> 01:44:19,300

learned later on so

2445

01:44:25,229 --> 01:44:22,540

she came and she did a report I don't

2446

01:44:27,810 --> 01:44:25,239

believe she talked with my daughter I'm

2447

01:44:30,839 --> 01:44:27,820

not quite sure and she didn't even

2448

01:44:32,669 --> 01:44:30,849

interview the other three witnesses to

2449

01:44:36,990 --> 01:44:32,679

the event she says I think mainly spoke

2450

01:44:38,910 --> 01:44:37,000

with my wife and I and and then what

2451

01:44:43,609 --> 01:44:38,920

happened was a hangar one did a show on

2452

01:44:46,470 --> 01:44:43,619

my MUFON report and it was totally

2453

01:44:49,680 --> 01:44:46,480

fabrications no you know I have to I

2454

01:44:51,359 --> 01:44:49,690

have to say I hope I don't I don't hope

2455

01:44:53,609 --> 01:44:51,369

I don't upset anyone out there I I

2456

01:44:58,049 --> 01:44:53,619

actually been watching hangar 1 on

2457

01:44:59,970 --> 01:44:58,059

YouTube there's some shows and I like it

2458

01:45:02,490 --> 01:44:59,980

but I also want to say something about

2459

01:45:07,500 --> 01:45:02,500

that show and that is they present

2460

01:45:10,140 --> 01:45:07,510

things as if they're fact it was lies

2461

01:45:12,660 --> 01:45:10,150

then they stated for example they had my

2462

01:45:16,560 --> 01:45:12,670

wife quoting like it was that she was

2463

01:45:19,500 --> 01:45:16,570

scared that we were this foreign you

2464

01:45:21,060 --> 01:45:19,510

know evil or nasty entity entered into

2465

01:45:23,520 --> 01:45:21,070

our house and stuff no my wife sees them

2466

01:45:25,620 --> 01:45:23,530

in angels they had this craft going

2467

01:45:27,629 --> 01:45:25,630

through the wall and my wife seeing it

2468

01:45:29,459 --> 01:45:27,639

my wife never saw that first craft that

2469

01:45:31,560 --> 01:45:29,469

she saw going through a wall because she

2470

01:45:33,510 --> 01:45:31,570

was gone she was taken okay

2471

01:45:34,680 --> 01:45:33,520

they had me down there with her seeing

2472

01:45:37,799 --> 01:45:34,690

the craft going through all as a

2473

01:45:41,129 --> 01:45:37,809

complete fabrication but they didn't

2474

01:45:42,959 --> 01:45:41,139

even write down what I saw that plasma

2475

01:45:45,450 --> 01:45:42,969

beam they had nothing about the dog

2476  
01:45:47,220 --> 01:45:45,460  
being returned miraculously healed they

2477  
01:45:50,669 --> 01:45:47,230  
had nothing about seems like that would

2478  
01:45:52,379 --> 01:45:50,679  
be an exciting part of the story they

2479  
01:45:55,049 --> 01:45:52,389  
didn't even have the proper craft that

2480  
01:45:57,359 --> 01:45:55,059  
my wife saw they had the picture that I

2481  
01:45:59,010 --> 01:45:57,369  
drew that my wife Joanne I drew about

2482  
01:46:01,379 --> 01:45:59,020  
the craft that I saw the plasma being

2483  
01:46:03,810 --> 01:46:01,389  
they had it all on the hanger one but

2484  
01:46:06,089 --> 01:46:03,820  
they even discuss it and then they had

2485  
01:46:07,530 --> 01:46:06,099  
it as a triangle craft they had they

2486  
01:46:10,410 --> 01:46:07,540  
must have paid a good money of this

2487  
01:46:12,149 --> 01:46:10,420  
graphic artist doing a triangle craft my

2488  
01:46:15,319 --> 01:46:12,159

wife never described the triangle craft

2489

01:46:18,330 --> 01:46:15,329

she described the verybody 300 foot long

2490

01:46:20,459 --> 01:46:18,340

cylinder type of craft with colors at

2491

01:46:22,859 --> 01:46:20,469

the edges you know that was not what was

2492

01:46:25,740 --> 01:46:22,869

drawn in this MUFON hangar 1 they didn't

2493

01:46:28,229 --> 01:46:25,750

even include the drawings that we had

2494

01:46:29,729 --> 01:46:28,239

done with the five witnesses of that

2495

01:46:32,439 --> 01:46:29,739

huge craft that we saw outside a house

2496

01:46:34,959 --> 01:46:32,449

didn't even discuss that or mention it

2497

01:46:35,649 --> 01:46:34,969

so it was a total fabrication and

2498

01:46:37,300 --> 01:46:35,659

Distortion

2499

01:46:40,209 --> 01:46:37,310

did I just hear the ghost of the Jack

2500

01:46:44,290 --> 01:46:40,219

Russell barking oh no that's how we have

2501  
01:46:50,379 --> 01:46:44,300  
a poodle now Oh Jack Russell died that

2502  
01:46:51,459 --> 01:46:50,389  
was that was mean of me I'm sorry for

2503  
01:46:53,220 --> 01:46:51,469  
that last year that you lived though

2504  
01:46:56,350 --> 01:46:53,230  
that's that is really an amazing story

2505  
01:46:58,600 --> 01:46:56,360  
can you throw out we have oh I don't

2506  
01:47:00,490 --> 01:46:58,610  
know maybe about ten minutes or so

2507  
01:47:02,379 --> 01:47:00,500  
laughs and can you throw out a couple of

2508  
01:47:06,490 --> 01:47:02,389  
sample questions is that something you

2509  
01:47:08,169 --> 01:47:06,500  
can find quick let me go to phase one

2510  
01:47:09,580 --> 01:47:08,179  
just a couple of sample questions I

2511  
01:47:12,340 --> 01:47:09,590  
won't give you the answers in the

2512  
01:47:16,000 --> 01:47:12,350  
details but while you're looking or are

2513  
01:47:18,939 --> 01:47:16,010

you okay go ahead then okay have you

2514

01:47:21,459 --> 01:47:18,949

seen an intelligent and an intelligently

2515

01:47:25,780 --> 01:47:21,469

controlled craft in the sky or on the

2516

01:47:28,030 --> 01:47:25,790

ground that was not man-made hmm another

2517

01:47:29,919 --> 01:47:28,040

question did other witnesses also see

2518

01:47:31,540 --> 01:47:29,929

the craft mm-hmm

2519

01:47:35,410 --> 01:47:31,550

now let me just tell you if you see a

2520

01:47:38,520 --> 01:47:35,420

craft the majority have had witnesses

2521

01:47:42,100 --> 01:47:38,530

okay now another question have you heard

2522

01:47:45,280 --> 01:47:42,110

telepathic messages an internal voice in

2523

01:47:46,689 --> 01:47:45,290

your head speaking to you and again we

2524

01:47:48,939 --> 01:47:46,699

associate this with the contact

2525

01:47:50,919 --> 01:47:48,949

experience another question grant this

2526

01:47:52,899 --> 01:47:50,929

is grant Carmen's favorite question do

2527

01:47:55,840 --> 01:47:52,909

you believe that you possess information

2528

01:47:58,540 --> 01:47:55,850

about advanced technology advanced

2529

01:48:03,490 --> 01:47:58,550

physics or other scientific information

2530

01:48:06,459 --> 01:48:03,500

that you've never received okay now

2531

01:48:08,830 --> 01:48:06,469

here's the link besides that if you talk

2532

01:48:12,729 --> 01:48:08,840

to all these Richard researchers all of

2533

01:48:15,609 --> 01:48:12,739

them will state that they have had a

2534

01:48:17,649 --> 01:48:15,619

good many of them again I can't give you

2535

01:48:19,979 --> 01:48:17,659

numbers that have actually gotten

2536

01:48:22,419 --> 01:48:19,989

physics downloads science downloads

2537

01:48:24,310 --> 01:48:22,429

things that these are non physicists

2538

01:48:25,030 --> 01:48:24,320

people have no idea these are not

2539

01:48:27,459 --> 01:48:25,040

hillbillies

2540

01:48:29,340 --> 01:48:27,469

you know uneducated folks that all of a

2541

01:48:32,320 --> 01:48:29,350

sudden they're talking about you know

2542

01:48:33,879 --> 01:48:32,330

gravity and this time exists and things

2543

01:48:35,590 --> 01:48:33,889

like that sort you know this is really

2544

01:48:37,330 --> 01:48:35,600

something you know and and I mentioned

2545

01:48:39,760 --> 01:48:37,340

earlier about the allagash abductions

2546

01:48:42,490 --> 01:48:39,770

yeah and I'm trying to get and hopefully

2547

01:48:45,430 --> 01:48:42,500

I'm going to get Jack Weiner on I had

2548

01:48:46,150 --> 01:48:45,440

his brother Jim and I and Charlie vaults

2549

01:48:48,760 --> 01:48:46,160

on

2550

01:48:51,070 --> 01:48:48,770

which are you know would be three out of

2551

01:48:56,230 --> 01:48:51,080

the four of them

2552

01:48:56,650 --> 01:48:56,240

Jack Wiener had no math background at

2553

01:48:58,480 --> 01:48:56,660

all

2554

01:49:00,990 --> 01:48:58,490

and the reason one of the reasons I want

2555

01:49:07,000 --> 01:49:01,000

to get him on is because he came so

2556

01:49:09,160 --> 01:49:07,010

mathematically he yeah you know what I'm

2557

01:49:11,380 --> 01:49:09,170

trying to say that he I think he

2558

01:49:12,910 --> 01:49:11,390

actually did some work for NASA on stuff

2559

01:49:14,860 --> 01:49:12,920

let me give you a response to that

2560

01:49:17,950 --> 01:49:14,870

question that's another question that

2561

01:49:20,290 --> 01:49:17,960

our researchers eyeballs pop out hmm

2562

01:49:22,060 --> 01:49:20,300

okay how people answer to that question

2563

01:49:24,160 --> 01:49:22,070

and I'm just after December 1st I can

2564

01:49:26,800 --> 01:49:24,170

give you the results of that but it's

2565

01:49:27,940 --> 01:49:26,810

you know it's seldomly talked about but

2566

01:49:29,230 --> 01:49:27,950

yet we address it in our free

2567

01:49:30,460 --> 01:49:29,240

questionnaire again these are all

2568

01:49:32,710 --> 01:49:30,470

questions is the first question there

2569

01:49:37,780 --> 01:49:32,720

another question have you experienced

2570

01:49:39,880 --> 01:49:37,790

our body experiences okay again all

2571

01:49:41,980 --> 01:49:39,890

popping questions

2572

01:49:44,560 --> 01:49:41,990

can you see energy or auras around

2573

01:49:46,870 --> 01:49:44,570

people okay

2574

01:49:50,160 --> 01:49:46,880

have you had some kind of healing done

2575

01:49:53,020 --> 01:49:50,170

on you by these non-human intelligence

2576  
01:49:56,290 --> 01:49:53,030  
do you believe that you have observed a

2577  
01:49:58,930 --> 01:49:56,300  
nonhuman intelligent entity and then we

2578  
01:50:01,450 --> 01:49:58,940  
go into the descriptions of the various

2579  
01:50:03,220 --> 01:50:01,460  
entities that people have seen we have

2580  
01:50:06,040 --> 01:50:03,230  
categories for short grade tall gray

2581  
01:50:08,890 --> 01:50:06,050  
hybrid insectoid reptilian human looking

2582  
01:50:11,920 --> 01:50:08,900  
spirit form small animal type large

2583  
01:50:13,630 --> 01:50:11,930  
animal type energy being then we even

2584  
01:50:15,880 --> 01:50:13,640  
describe how can you describe your

2585  
01:50:18,520 --> 01:50:15,890  
interactions with this v and we go into

2586  
01:50:21,450 --> 01:50:18,530  
you know positive negative neutral both

2587  
01:50:25,750 --> 01:50:21,460  
positive negative you know etc etc so

2588  
01:50:27,880 --> 01:50:25,760

those is just a sample of of some of the

2589

01:50:30,160 --> 01:50:27,890

questions for example how many times did

2590

01:50:31,180 --> 01:50:30,170

they interact with this non-human

2591

01:50:34,120 --> 01:50:31,190

intelligent being

2592

01:50:35,800 --> 01:50:34,130

and again it was i papi huh how many

2593

01:50:37,540 --> 01:50:35,810

times people have had these interactions

2594

01:50:40,540 --> 01:50:37,550

the vast majority have been more than

2595

01:50:43,570 --> 01:50:40,550

twenty you know percent wise in terms of

2596

01:50:44,740 --> 01:50:43,580

the grouping categories that we had let

2597

01:50:49,270 --> 01:50:44,750

me go into Phase two some of the

2598

01:50:51,430 --> 01:50:49,280

questions that phase two okay do you

2599

01:50:54,580 --> 01:50:51,440

ever recall being on an ET craft or a

2600

01:50:57,160 --> 01:50:54,590

ship have you ever been relocated to

2601  
01:50:59,160 --> 01:50:57,170  
another location and that includes you

2602  
01:51:02,100 --> 01:50:59,170  
know perceived abductions

2603  
01:51:03,060 --> 01:51:02,110  
and being relocated but not perceiving

2604  
01:51:05,040 --> 01:51:03,070  
to be abductions

2605  
01:51:08,790 --> 01:51:05,050  
so we asked it in a much more broader

2606  
01:51:14,040 --> 01:51:08,800  
way did you ever have an et contact

2607  
01:51:15,210 --> 01:51:14,050  
experience in a 3d reality in like here

2608  
01:51:19,100 --> 01:51:15,220  
on earth have you ever had a near-death

2609  
01:51:22,260 --> 01:51:19,110  
experience okay have you ever seen uh

2610  
01:51:25,620 --> 01:51:22,270  
have you ever seen small and less than

2611  
01:51:27,420 --> 01:51:25,630  
one foot in diameter colored orbs and if

2612  
01:51:29,130 --> 01:51:27,430  
so where did you see them and we had

2613  
01:51:31,320 --> 01:51:29,140

different categories of where people

2614

01:51:34,410 --> 01:51:31,330

might see them we also had a question

2615

01:51:36,930 --> 01:51:34,420

about orbs going through through doors

2616

01:51:39,120 --> 01:51:36,940

through windows through physical objects

2617

01:51:42,200 --> 01:51:39,130

you know we talked about the alien

2618

01:51:45,780 --> 01:51:42,210

reading program we talked about implants

2619

01:51:50,120 --> 01:51:45,790

we talked about how do you believe ETS

2620

01:51:54,090 --> 01:51:50,130

in general or bad or malevolent or evil

2621

01:51:56,130 --> 01:51:54,100

do the ETS have a personality have any

2622

01:51:59,520 --> 01:51:56,140

of these each he's been playful with you

2623

01:52:02,070 --> 01:51:59,530

okay do you believe that you have formed

2624

01:52:04,890 --> 01:52:02,080

some type of an agreement with these ETS

2625

01:52:06,990 --> 01:52:04,900

have you ever had in my lab we had we

2626  
01:52:09,770 --> 01:52:07,000  
have like maybe 10 my lab related

2627  
01:52:12,210 --> 01:52:09,780  
questions we have like maybe 20

2628  
01:52:14,010 --> 01:52:12,220  
abduction related questions we have

2629  
01:52:16,800 --> 01:52:14,020  
various questions about you know

2630  
01:52:19,740 --> 01:52:16,810  
breeding programs about implants a lot

2631  
01:52:21,890 --> 01:52:19,750  
of questions about implants we ask

2632  
01:52:24,150 --> 01:52:21,900  
questions for example let me give you a

2633  
01:52:25,950 --> 01:52:24,160  
question here do you believe that there

2634  
01:52:28,410 --> 01:52:25,960  
is a connection between the ETS and the

2635  
01:52:30,810 --> 01:52:28,420  
paranormal do you believe that there is

2636  
01:52:35,330 --> 01:52:30,820  
a connection between the ETS and the

2637  
01:52:37,530 --> 01:52:35,340  
spirit world after death or heaven okay

2638  
01:52:39,270 --> 01:52:37,540

let me see let me go into the last

2639

01:52:42,090 --> 01:52:39,280

question here because that's very very

2640

01:52:47,970 --> 01:52:42,100

important here how would you categorize

2641

01:52:51,390 --> 01:52:47,980

your last few eat extraterrestrial

2642

01:52:53,790 --> 01:52:51,400

encounter experiences okay and then we

2643

01:52:55,290 --> 01:52:53,800

had this choice okay this is the last

2644

01:52:56,670 --> 01:52:55,300

few we're not talking about the initial

2645

01:53:01,650 --> 01:52:56,680

because we also had a question about the

2646

01:53:06,320 --> 01:53:01,660

initial initial and it was highly

2647

01:53:09,950 --> 01:53:06,330

negative slightly negative neutral

2648

01:53:12,370 --> 01:53:09,960

slightly positive and highly positive

2649

01:53:17,740 --> 01:53:12,380

again we've had

2650

01:53:21,010 --> 01:53:17,750

a total of 714 individuals that answer

2651

01:53:23,470 --> 01:53:21,020

that question well hey just just to let

2652

01:53:26,169 --> 01:53:23,480

you know we have some in the chat room

2653

01:53:27,520 --> 01:53:26,179

that is lives right by Westfall we were

2654

01:53:31,990 --> 01:53:27,530

talking earlier about the Australia

2655

01:53:34,780 --> 01:53:32,000

incident yes and he just clarified that

2656

01:53:36,550 --> 01:53:34,790

the most factual part of it is that the

2657

01:53:40,060 --> 01:53:36,560

craft landed in a wooden area near the

2658

01:53:42,220 --> 01:53:40,070

school and a few very few kids followed

2659

01:53:44,919 --> 01:53:42,230

it there were no beings seen at that

2660

01:53:47,260 --> 01:53:44,929

time but it's still it's still a really

2661

01:53:49,240 --> 01:53:47,270

great case I believe they put a monument

2662

01:53:51,189 --> 01:53:49,250

up yeah I think it was they gave me a

2663

01:53:53,860 --> 01:53:51,199

photo of our money but in my case there

2664

01:53:57,040 --> 01:53:53,870

was a craft it was seen by tons of

2665

01:53:59,740 --> 01:53:57,050

children the children were asked to make

2666

01:54:01,270 --> 01:53:59,750

drawings and independently speak to

2667

01:54:03,250 --> 01:54:01,280

their individual school teachers and

2668

01:54:05,260 --> 01:54:03,260

then as a group about their experiences

2669

01:54:06,580 --> 01:54:05,270

the parents were called in and they

2670

01:54:08,430 --> 01:54:06,590

spoke with their parents about these

2671

01:54:12,399 --> 01:54:08,440

experiences in front of them right and

2672

01:54:15,899 --> 01:54:12,409

so now we only have we only have just a

2673

01:54:18,100 --> 01:54:15,909

little bit over a minute here yes so

2674

01:54:19,180 --> 01:54:18,110

your how are you gonna get the word out

2675

01:54:21,850 --> 01:54:19,190

that's what I want to know how you're

2676

01:54:24,189 --> 01:54:21,860

gonna get the word out about this the

2677

01:54:27,669 --> 01:54:24,199

report wants December 1st rolls rolls

2678

01:54:29,950 --> 01:54:27,679

along well we have again everyone it's

2679

01:54:32,260 --> 01:54:29,960

experienced org which is our website

2680

01:54:36,280 --> 01:54:32,270

Oh our G and we're gonna be publicly

2681

01:54:38,229 --> 01:54:36,290

releasing it to our website that's soon

2682

01:54:40,510 --> 01:54:38,239

to be developed we're gonna be going on

2683

01:54:42,550 --> 01:54:40,520

tons of radio shows to give discussions

2684

01:54:45,790 --> 01:54:42,560

like we've been having you will get the

2685

01:54:47,620 --> 01:54:45,800

data beforehand in PDF files and we have

2686

01:54:49,959 --> 01:54:47,630

requested to speak at the International

2687

01:54:52,780 --> 01:54:49,969

UFO conference we have requested to

2688

01:54:55,360 --> 01:54:52,790

speaking at contact in the desert and dr.

2689

01:54:59,620 --> 01:54:55,370

Edgar Mitchell did send those formal

2690

01:55:01,330 --> 01:54:59,630

requests to Alejandro Rojas and to mr.

2691

01:55:04,149 --> 01:55:01,340

Andrews who coordinates contact in the

2692

01:55:07,300 --> 01:55:04,159

desert and we would like to be able to

2693

01:55:10,120 --> 01:55:07,310

be in divide to be invited not only to

2694

01:55:12,310 --> 01:55:10,130

UFO and paranormal related type of

2695

01:55:15,189 --> 01:55:12,320

conferences but also you know to

2696

01:55:19,419 --> 01:55:15,199

universities to psychological

2697

01:55:22,649 --> 01:55:19,429

associations to NASA engineering you

2698

01:55:25,840 --> 01:55:22,659

know associations you name it because

2699

01:55:29,020 --> 01:55:25,850

this is way beyond ufology

2700

01:55:31,780 --> 01:55:29,030

apology is one little tiny you know

2701

01:55:34,600 --> 01:55:31,790

grouping here what we're doing in our

2702

01:55:37,480 --> 01:55:34,610

study goes way beyond ufology it deals

2703

01:55:43,150 --> 01:55:37,490

with the total reality of what's going

2704

01:55:45,190 --> 01:55:43,160

on and with this UFOs and and contact

2705

01:55:47,230 --> 01:55:45,200

experience so it deals like whole world

2706

01:55:47,920 --> 01:55:47,240

alright well thanks so much I really

2707

01:55:49,870 --> 01:55:47,930

appreciate it

2708

01:55:52,180 --> 01:55:49,880

there's a lot of fun thank you so much

2709

01:55:54,160 --> 01:55:52,190

Martin once again experience org very

2710

01:55:56,290 --> 01:55:54,170

good okay everyone so I'd like to thank

2711

01:55:58,540 --> 01:55:56,300

a few people for helping out with the

2712

01:56:01,030 --> 01:55:58,550

show we have Keith Roland he's the chief

2713

01:56:03,160 --> 01:56:01,040

bottle-washer of the network here I

2714

01:56:05,530 --> 01:56:03,170

think that's what he said he was for

2715

01:56:09,370 --> 01:56:05,540

producing the audio part of it Alejandro

2716

01:56:11,260 --> 01:56:09,380

Rojas for the news early on I also want

2717

01:56:14,440 --> 01:56:11,270

to thank our guests of course ray

2718

01:56:15,850 --> 01:56:14,450

Hernandez and Peggy shining for managing

2719

01:56:17,380 --> 01:56:15,860

the Facebook page she's been under the

2720

01:56:20,710 --> 01:56:17,390

weather hopefully she'll be back soon

2721

01:56:23,230 --> 01:56:20,720

and music Kerri Lloyd Whitehouse Bruce

2722

01:56:27,910 --> 01:56:23,240

vernier will be back next week same time

2723

01:56:29,980 --> 01:56:27,920

with Mark O'Connell remember don't play

2724

01:56:31,150 --> 01:56:29,990

any games we're trying to support the

2725

01:56:33,130 --> 01:56:31,160

show for anymore because I have to

2726

01:56:36,130 --> 01:56:33,140

figure all that out so we'll be back

2727

01:56:38,230 --> 01:56:36,140

next week right here on the Dark Matter
